ADDITIONAL DISCLOSURES FOR THE STATE OF MICHIGAN.

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than five years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards;

© 2017 1 800 WATER DAMAGE International, LLC

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor;

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations; or

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENFORCEMENT BY THE ATTORNEY GENERAL.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than $100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

1.2 The WATER DAMAGE Models

We presently offer and grant the right to operate two different Franchise Models and each Franchise Model will (a) offer water damage restoration services, carpet cleaning services, mold remediation, odor removal, fire, smoke and related restoration and cleaning services, which services list may be amended to include other services and products from time-to-time in the operations manual or otherwise (collectively, the "Remediation Services") and ancillary products under the 1-800 WATER DAMAGE mark or other marks we may specify (the "Marks"), and (b) operate utilizing our methods and operating systems as defined in our proprietary Operations Manuals (the "Operations Manuals"). Businesses may offer minor reconstruction services in conjunction with the Remediation Services such as minor drywall removal and installation, hardwood floor repair, tile floor repair, painting, and carpet repair and installation (the "Minor Reconstruction Services"), but may not provide structural repair work, interior finishing, and electrical, mechanical and plumbing and heating services either through the Business or any other entity ("Reconstruction Services"). In the event that a customer of the Business requires Reconstruction Services, you must refer the customer to us, BELFOR or BELFOR USA (each a "Required Referral").

Each WATER DAMAGE Business is operated in accordance with our distinctive and proprietary business formats, systems, methods, procedures, techniques, designs, standards and specifications, specific marketing and sales procedures, cleaning, and restoration processes and systems, all of which we (or our affiliates) may improve, further develop or otherwise modify from time to time (collectively referred to as the "WATER DAMAGE System" or "System"). You will identify that you are a WATER DAMAGE Business by exhibiting the Marks on your marketing materials, vehicles, employee uniforms, stationery, business cards, invoices, and other business supplies and materials.

Each WATER DAMAGE Business will operate within a specifically defined non-exclusive territory (the "Territory") as defined in the Franchise Operator Agreement or Franchise Agreement. Under certain conditions, other franchisee(s), operators, "Company Business(es)" (which are operated by us or WDNA), and/or our affiliates may also solicit and perform Remediation Services and Minor Reconstruction Services (collectively, the "Services").

a. Managing Operator Model. We grant qualified individuals (each a "Managing Operator" or "Franchisee") the right to manage and operate a Business owned by a wholly

owned subsidiary of WDNA (the "Managing Operator Model"). Under the Managing Operator Model, our relationship with you is governed by the terms of the Franchise Operator Agreement (the "Franchise Operator Agreement"), attached as Exhibit A-1 to this Disclosure Document, under which you agree to operate the WATER DAMAGE Business in strict accordance with the WATER DAMAGE System.

Upon signing the Franchise Operator Agreement, WDNA will form a wholly owned entity (the "Operating Entity") which will own the WATER DAMAGE Business. The Operating Entity will lease office space for the Business located within the Territory (the "Office"). The Office will comprise approximately 1,200 – 1,500 sq. ft. of space and will include commercial office space with a garage to store the service van. You are responsible for identifying potential locations within the Territory which meet our site selection criteria as stated in the Manual. We shall have the right to select the location of the Office. In the event that you purchase multiple territories, we may, in our sole discretion, allow you to operate from a single Office, provided that the Office is centrally located to both territories. In the event that you purchase four territories, an additional Office will be required.

The Operating Entity will provide all furnishings, the van, all equipment, computer(s), inventory and all supplies necessary to establish and operate the Business. The initial start-up costs will be deducted as an Operating Expense (as defined below).

As a Franchise Managing Operator, you will be responsible for hiring, training and firing the employees of the Operating Entity, marketing and soliciting business, scheduling and performing Services, maintaining the Business' equipment and Office, and any other responsibilities required to operate the Business. The Business' technicians will be employees of the Operating Entity.

You will be considered an employee of the Operating Entity and during the term of the Franchise Operator Agreement, you shall be entitled to participate in employee benefit plans generally provided by us to our full-time employees from time to time, but only to the extent provided in such employee benefit plans and for so long as we provide or offer such benefit plans. We reserve the right to modify, amend or terminate such benefit plans at any time without prior notice.

If you use a ROBS to fund the Initial Franchise Fee, the C Corp will sign both the Franchise Operator Agreement and the 401k Addendum (the "401k Addendum") attached to the Franchise Operator Agreement as Exhibit "B" under which you will agree to personally guaranty the C Corp's performance under the Franchise Operator Agreement. You will deemed an employee of the C Corp and not the Operating Entity and will serve as the C Corp's key manager and devote your best efforts to the operation of the Business.

Additionally, by utilizing a ROBS plan you will not be able to participate in the Operating entity's fringe benefit plans (such as medical, 401k plan etc.), however, the Operating Entity will pay C Corp a sum up to the amount it pays its full time employees under its then current fringe benefit plans provided that the C Corp sources its own medical insurance and retirement plan.

We and Operating Entity have the right to sell, transfer, assign, and/or encumber all or any part of the assets, including the assets of the Business, and interest in, and rights and obligations under the Operating Agreement in our sole discretion, without obtaining your consent, provided that such sale or assignment will not prevent you from operating the Business in accordance with the terms of the Operator Agreement.

During the Business' first year of operations, you will be entitled to receive from the Operating Entity an annual salary of $30,000.00, paid in accordance with the Operating Entity's standard payroll practices and subject to any required withholdings (the "Franchise Managing Operator Salary"). If you purchase two Territories from us, the first year Franchise Managing Operator Salary shall be $40,000.00. If you purchase four Territories from us, the first year Franchise Managing Operator Salary shall be $60,000. Payment of the Franchise Managing Operator Salary will commence on the first day of the Initial Training Program. You must be consistently dedicating your fulltime best efforts in the operation of the Business to receive the Franchise Managing Operator Salary. All territories purchased by you must open simultaneously upon your completion of our training program. There is no Franchise Managing Operator Salary after the first year of operations.

If you use a ROBS to fund the Initial Franchise Fee, in lieu of the Managing Operator Salary, the Operating Entity shall pay the Managing Operator a first year operator fee of $30,000.00, paid in bi-weekly installments (the "Operator Fee"). If the Managing Operator purchases two Territories under multiple, simultaneously executed operating agreements, the Operator Fee will be $40,000. If the Managing Operator purchases four Territories under multiple, simultaneously executed operating agreements, the Operator Fee will be $60,000.00. Operating Entity shall commence payment of the Operator Fee on the first day of the Initial Training Program.

In addition to the Managing Operating Salary, you shall be entitled to a draw as an advance against the future Operator Profit, as defined below (the "Draw") from the Operating Entity. The Draw shall be paid bi-weekly installments and subject to any required withholding. During the first year of operations, the amount of the Draw will be at the discretion of the Operating Entity. Beginning in the second year of operations, the Draw shall equal 50% of the Operator Profit of the prior year. The Operating Entity may, as part of the ongoing review of your performance, cease, adjust, increase, decrease or continue the Draw.

We or another affiliate will manage all back office functions of the Business, including all accounts payable, customer invoicing and collections, payroll and all costs associated with the System's call center. In consideration of these services, the Operating Entity shall pay us a management fee of 7% of the Business' Gross Sales of Remediation Services during the Business' first year, 9% of the Business' Gross Sales of Remediation Services during the Business' second year and 11% of the Business' Gross Sales of Remediation Services for the remaining term of the Franchise Operator Agreement, and 5% of the Business' Gross Sales of Minor Reconstruction Services (the "Management Fee"). "Gross Sales" means all revenue generated from operating the Business, whether in cash, in services in kind, from barter and/or exchange, or otherwise.

© 2017 1 800 WATER DAMAGE International, LLC

Additionally, the Operating Entity shall pay us a monthly technology fee equal to 1% of the Business' Gross Sales (the "Technology Fee") and will be required to contribute 1% of its Gross Sales during the Business' first and second year and 2% of its Gross Sales during the remaining term of the Franchise Operator Agreement, to the System's National Marketing Fund on a monthly basis (the "National Marketing Fund Contribution"). Additionally, the Operating Entity will be required to spend an amount of up to 5% of the Business' Gross Sales per month on local advertising (the "Local Advertising Contribution"). The Local Advertising Contribution shall decrease to 2.5% between years six and ten of the term of the Franchise Operator Agreement. You will assist us to best determine the most effective allocation of the Local Advertising Contribution, which the Company may determine in its sole discretion. The Local Advertising Contribution shall be deducted from the Business' Gross Sales as an Operating Expense.

All "Operating Expenses" incurred by the Operating Entity in the ongoing operation of the Business shall be deducted on an ongoing basis from the Operating Entity's receipts from the operation of the Business. "Operating Expenses" are defined as all vendor and subcontractor expenses, Management Fees, Technology Fees, rent, utilities, insurance, inventory, supplies, vehicle expenses, including fuel, equipment maintenance and replacement expenses, computer hardware and software upgrades, National Marketing Fund Contributions, Local Advertising Contributions, employee wages, training expenses (including all training fees for technicians and employees), equipment repairs and maintenance, taxes (excluding income taxes), internet service fees, depreciation and interest, and any other cost or expense related to the operation of the Business. Company or its affiliate will provide Franchise Managing Operator with monthly unaudited financial statements of the Business.

Provided that certain Minimum Gross Sales Requirement and the Minimum Management Fee Requirement are met, you will be eligible to receive 50% of the Business's Gross Profit (the "Operator Profit"). "Gross Profit" means the Business's Gross Sales before taxes and after deducting all Operating Expenses, excluding depreciation and interest, as calculated on a cash basis and at the end of the calendar year.

If Operator Profit exceeds the amount of the Draw in any calendar year (a "Surplus"), the Operating Entity shall remit the Surplus, less the Draw, to you within 90 days after the close of each calendar year. In the event the Draw exceeds the Operator Profit by any amount in any calendar year (a "Deficiency"), you shall pay the Operating Entity the Deficiency to the extent it exceeds any Managing Operator Salary (or Operator Fees in the event of a ROBS) plus additional amounts necessary to equal the minimum payment to which an hourly or exempt employee, as the case may be, is entitled to under federal and state law in your municipality. The Deficiency shall be paid within 90 days of your receiving notice of payment from Operating Entity. Your failure to timely pay the Deficiency will constitute a default under this Agreement. In the instance of a Deficiency, the Operating Entity reserves the right to agree to alternative payment terms, including a deduction of the Deficiency from future Operator Profit in subsequent calendar years.

Under the Traditional Franchise Model, you are responsible for all costs in incurring all furniture, fixtures the van, all equipment, computer(s), inventory and all supplies necessary to establish and operate the Business. You are also responsible to manage all back office functions of the Business, including all accounts payable, customer invoicing and collections, and payroll.

1.3 Competition and Laws and Industry Regulations

The Business will compete with similar water damage restoration services like carpet cleaners, carpenters, property remediation contractors, and cleaning services, including other national, regional and local franchise systems. Additionally, the Business may compete with businesses owned by BELFOR (USA) which provide similar remediation services as those provided by the Business. The market for water damage restoration services is well developed.

The Business is subject to all federal, state and local laws regulating water damage restoration and mold remediation services, including all health, safety, environmental and sanitation laws and regulations. Your state, county or local government may also require a contractor's license or permit to perform some of the restoration and mold remediation work we permit you to perform, and you must be licensed before offering any regulated services. Certain states also require a license for mold inspection and/or mold remediation. For the Franchise Managing Operator Model, the Operating Entity will assist the Managing Operator in obtaining any required contractor's license required to operate the Business in States which require licensing.

Your WATER DAMAGE Business will also be subject to laws or regulations that are not specific to the water damage restoration industry, but applicable to businesses in general, including zoning laws, labor laws, the Fair Labor Standards Act, workers' compensation laws, business licensing laws and tax regulations, the Occupational Health and Safety Act, and the Americans with Disabilities Act.

Regardless of any applicable regulations, you must demonstrate to us that you possess the qualifications required to perform the services offered by WATER DAMAGE Businesses.

You should investigate these laws and regulations, and keep appraised of changes that are made in areas that you service. You are solely responsible to investigate and determine licensing requirements or testing requirements in the area you would like to service before signing the Franchise Operator Agreement or Franchise Agreement. It is your sole responsibility to investigate and comply with these laws and regulations.

ITEM 3: LITIGATION

Concluded Predecessor Litigation: Our predecessor LLB Group, Inc., formerly known as The Cure Service Group, Inc., was a party to the following concluded matters:

California Corporations Commissioner vs. The Cure Service Group, Inc. et al., (OAH-N2006050063, File No.: 993-1560). On July 13, 2006, LLB Group and two of its officers entered into a settlement agreement with the California Corporations Commissioner in which they acknowledged that between 2002 and 2004, LLB Group sold unregistered franchises in California and sold franchises with disclosure documents that failed to disclose certain prior lawsuits and convictions involving LLB Group's prior Chief Executive Officer. LLB Group agreed to disclose the terms of the settlement agreement, along with other required matters in any application for franchise registration filed with the California Department of Corporations.

State of New York. In November 2005, LLB Group voluntarily acknowledged to the State of New York, Department of Law that that its disclosure documents filed in New York in 2003 may not have contained all disclosures required by the New York State Franchise Act (the "New York Act"). In February 2006, LLB Group entered into an Assurance of Discontinuance with the State of New York Department of Law under which it agreed that it would not offer or sell

© 2017 1 800 WATER DAMAGE International, LLC

franchises within or from the State of New York without compliance with the New York Act. LLB Group agreed to offer its New York franchisee the right to rescind its franchise agreement, which the franchisee rejected, and paid the State of New York Department of Law $4,750 as costs and disbursements.

Other than the matters listed above, no litigation is required to be disclosed in this Item.

ITEM 4: BANKRUPTCY

No bankruptcy is required to be disclosed in this Item.

ITEM 5: INITIAL FEES

5.1. Initial Franchise Fee

Upon signing of the Agreement, you must pay an initial fee to us of $79,000.00 (the "Initial Fee") for a single territory with a population of approximately 350,000 people. The Initial Fee is fully earned and non-refundable when paid. We have the right to offer a discounted Initial Fee from time to time. If you wish to purchase additional territory, the Initial Fee will equal $79,000, plus $225 per thousand in population in excess of 350,000 (the "Additional Fee"). For example, the Initial Fee for a single territory with 385,000 in population will be computed as follows:

$$\$79,000 + (35 \times \$225) = \$86,875$$

As the territories are generally defined by zip codes, we reserve the right not to charge the Additional Fee if we are unable to meet the 350,000 population count without exceeding due to highly populated areas.

Each territory will have a maximum of 500,000 people. The purchase of more than 500,000 in population in the aggregate at any time during the term of the Agreement will require the payment of an additional Initial Fee.

WATER DAMAGE provides a $5,000 discount of the Initial Fee to veterans of the U.S. Armed Forces who have been honorably discharged and provide us with documentation of the same. This is only applicable for the first franchise awarded to you by the BELFOR franchise system.

We allow qualified prospects to purchase either one additional contiguous territory for a total of two territories, or three additional contiguous territories for a total of four territories. You will be required to pay an Initial Fee and sign an Agreement for each territory you purchase. We will discount the Initial Fee for the fourth Agreement by $25,000.00 provided that you purchase the additional territory at the time of purchasing the first territory. The discount is only applicable toward your initial purchase and will not be granted toward any future territory expansion.

2017 Franchise Disclosure Document

You may apply for an additional franchise and, if we approve your request, you may be awarded an additional franchise. For additional franchises awarded to you, you must agree to sign our then current Agreement and remit to us our then current Initial Fee.

You are not required to pay the Initial Fee for renewal terms, but you must pay our then-current renewal term fee.

5.2. Initial Package Fee (Traditional Franchise Model Only)

If you enter into a Traditional Franchise Agreement, you must also obtain a fixed initial package ("Initial Package") that will cost $59,500.00. (the "Initial Package Fee"). The Initial Package includes the equipment package, small tools and safety package, our marketing materials, trademarked office supplies and apparel, and a $500 convention allowance (the "Convention Allowance") for the 1-800 WATER DAMAGE annual convention (the "Annual Convention"). The Convention Allowance is intended to offset expenses (primarily the convention fees, but any remaining balance may be applied towards travel, lodging, and/or meals) associated with attending the first 1-800 WATER DAMAGE Annual Convention that is scheduled to commence within one year of your successful completion of our Initial Training Program. If your convention expenses are less than $500, the difference will be rebated to you. The Convention Allowance cannot be used to offset any other expenses or requirements associated with your Franchised Business and if you do not attend the convention, we will not provide you with the Convention Allowance.

You are not required to pay the Initial Package Fee for renewal terms

If you are acquiring your WATER DAMAGE Business via transfer and you are purchasing the entire WATER DAMAGE Business from the previous owner, you are not currently required to purchase the Initial Package; however, you must purchase the equipment not included in the transfer necessary to provide all current services and you must pay the $500 Convention Allowance, which may be refunded to you as described above. Notes

1. In general, none of the expenses listed in the above chart are refundable, except security or utility deposits may be refundable. The price of the Initial Fee varies based on the population in the Territory. The Initial Fee is $79,000 plus $225 per 1,000 in population over 350,000 people. The maximum population in a single Territory is 500,000. Estimates are based on a new Franchisee buying their first Franchise. We may offer financing up to $10,000 of the Initial Franchise Fee. You are required to pay a minimum down payment of $69,000 for your Initial Franchise Fee. The monthly payments on a note for $10,000 over 24 months at 8% interest would be $452.27. We reserve the right to adjust the percentage of interest up to 10% depending upon economic conditions;

2017 Franchise Disclosure Document

however, we will not adjust the terms of a note once your Franchise Agreement has been signed.

2. Estimates are based on a new franchise owner buying their first Franchise. However, the Initial Package Fee is waived for renewal terms. The Initial Package Fee includes a 1-800 WATER DAMAGE equipment package, initial marketing materials, apparel for owner and employee uniforms with our Marks.

3. Covers out-of-pocket expenses for lodging and meals for two attendees, who are sharing one hotel room. Transportation cost on the low estimate is based on an attendee driving their own vehicle and the high estimate is based on two airline tickets and rental car while attending training.

4. All vehicles must be leased or purchased through our then currently approved supplier(s). All vehicles must have the equipment and the 1-800 WATER DAMAGE decal package per our standards and specifications. The low range estimate is for a new vehicle with equipment and vinyl decal package, and includes a security deposit of $12,050.00 + $550.00 (a one-time administrative fee), and the first three monthly payments, title/registration/prep fee and documentation fee based on a six-year purchase note. The high range estimate is for a new vehicle with equipment and vinyl decal package, and includes a security deposit of $12,050.00 + $550.00 (a one-time administrative fee), and the first three monthly payments, title/registration/prep fee and documentation fee based on a four-year purchase note. Your cost may differ from our estimates based on the year and model, interest rate, and if you choose a longer/shorter term. The costs referenced include up-fitting charges. Vehicle delivery, applicable sales tax and licensing are not included.

5. You must dedicate a full-time Service Technician to perform the actual cleaning services for the Franchised Business. This low estimate is based on a Managing Owner working with the technician and the high estimate is based on employing a certified crew leader and a technician.

6. You must have a computer located at your office site that meets the requirements of 1-800 WATER DAMAGE System Standards and for handling of our then-current 1-800 WATER DAMAGE franchise management software.

7. Before beginning the Franchised Business, you shall obtain and maintain in full force and effect throughout the term of the Franchise Agreement and at your sole expense, certain insurance coverages as described in the Franchise Agreement. This item estimates the cost to attain insurance for the first three months of operation. You must provide us with evidence of insurance coverage prior to attending training.

8. You are required to have installed and maintain a GPS unit in each service vehicle throughout the term of the agreement. The cost of the unit is approximately $100. Monthly service fee is $32.50.

9. The shipping, handling and taxes range based on location. Locations outside of the continental USA may have higher rates. You are responsible for reporting any applicable sales taxes due to your state on your tax forms.

10. You must lease or own a space for your business, you will need approximately 1,200 square feet of space and will include commercial office space with a garage to store the service vehicle. The rent per month will be determined by the size of the space and the location.

11. You may need to purchase minimal leasehold improvements. The cost will vary depending on the size of the Franchised Business and any landlord contributions.

12. You may be required to pay a security deposit. The cost will vary depending on your landlord. You may also be required to pay utility deposits. The cost will vary depending on the provider in your area.

13. Before you open your Franchised Business, you must obtain any required licenses and business permits. You must verify all of the licenses and permits that you need for your Franchised Business.

14. This Item estimates the working capital needs for the first three months of operation, not including those expenses identified separately in the table. It includes payroll costs for operation and customer service employees, out-of-pocket direct mail costs, general auto maintenance and gasoline, and office overhead. The estimate of additional funds does not include an owner's salary or draw. These figures are estimates and we cannot guarantee that you will not have additional expenses starting the business. The amount of working capital you need will depend on a number of factors. These factors include the area you are located in; how much you follow our methods and procedures; your management skill; experience and business acumen; local economic conditions; the relative effectiveness of your staff; the prevailing wage rate; competition; and the sales level reached during the initial period.

We have relied upon our company-owned store, 1-800 WATER DAMAGE of Seattle, along with the experiences of our 1-800 WATER DAMAGE franchisees, to compile these estimates. You should review them carefully with a business advisor before making any decision to purchase the franchise.

© 2017 1 800 WATER DAMAGE International, LLC
2017 Franchise Disclosure Document

All products must meet our standards and specifications and must be pre-approved by us regardless of the supplier. In the event you wish to purchase an unapproved item for the Business, including inventory, and/or acquire approved items for the Business from an unapproved supplier, you must provide us with a proof of the materials you wish to order and a written request for approval. We will notify you in writing of our approval or disapproval within ten days of receipt of the materials and your written request. We have no obligation to approve any particular products, service or supplier. If you do not receive approval within ten days, you should consider the materials disapproved. All materials must meet the quality of our current suppliers, and correctly bear the Marks. Standards and specifications for suppliers and products are periodically modified to meet changing market conditions and are published in our Operations Manuals, other publications, and on our website. Approval of a supplier may be conditioned on requirements relating to product quality, production and delivery capabilities, ability to meet our supply commitments and financial stability. Standards and specifications are updated periodically at our sole determination and are made available to you in our Operations Manuals, other publications, and on our web site. There is no fee to secure approval to purchase from alternative suppliers, but you must reimburse us our reasonable costs, regardless of approval of your request. At our discretion, we may, with notice to you, revoke our approval of any previously approved products due to changes in standards and specifications or if such products subsequently fail to meet the quality of our current suppliers.

Use of products and materials that have not received our prior written approval and/or do not meet our standards and specifications can result in the termination of your Agreement.

8.7 Business Phone

We may require you to use the phone models and type from the supplier(s) that we designate.

8.8 Standards and Specifications

You must operate the Business according to our standards, specifications, and operating procedures. These specifications are included in our Manuals. All vehicles purchased or leased for the Business are to be, and maintained, in a "good" condition as defined by KELLEY BLUE BOOK ("good" condition means that the vehicle is free of any major defects) and must include a global positioning system with continuous data communication service. The paint, body and interior must have only minor (if any) blemishes, and there may not be any major mechanical problems. In states where rust is a problem, this should be very minimal. All vehicles used in connection with the business are to be decaled as required by 1-800 WATER DAMAGE and the decals are to be free of defects. We reserve the right to require you to purchase a new service vehicle(s) if you are unable to maintain your vehicle in accordance with our standards.

© 2017 1 800 WATER DAMAGE International, LLC

the operation of the Business and provide you with monthly unaudited financial statements of the Business in consideration of the payment of the Management Fee. (Section 13.1.6 of the Franchise Operator Agreement). Once the WATER DAMAGE Business has commenced operations, the Operating Entity will provide ongoing materials, supplies, equipment, inventory and products for the ongoing operation of the Business, the expenses of which shall be deducted as an Operating Expense. (Section 13.2.6 of the Franchise Operator Agreement)

11.3 Typical Length of Time to Open the WATER DAMAGE Business

The typical length of time between the signing of the Agreement and payment of any consideration for the WATER DAMAGE Business and the opening of the Franchised Business is between 60 and 90 days. Factors affecting this length of time usually include normal business startup considerations, completion of the Initial Training Program, the vehicle delivery date and securing the Business' Office within the Territory.

If you enter into the Managing Operator Model, you must commence operation of the Business within three (3) months of signing the Agreement. Your failure to do so will be deemed a breach of the Agreement. (Section 4.5 of the Franchise Operator Agreement) Provided that this three month period shall be reasonable extended in the event that the actions or omissions of the Operating Entity result in a delay in securing an Office or supplying equipment to the Business.

If you enter into the Traditional Franchise Model, you must commence operation of the 1-800 WATER DAMAGE Business within four (4) months of signing this Agreement and/or two (2) months following your successful completion of the Initial Training, whichever is later. In the event that you do not do so, in our discretion, we may terminate this Agreement pursuant to Section 12 of the Franchise Agreement.

11.4.A Local Marketing and Advertising - Managing Operator Model

We may require the Business to spend an amount of up to 5% of the Business's Gross Sales
per month to satisfy the Local Advertising Contribution. The Local Advertising Contribution shall decrease to 2.5% between years six and ten of the term of the Franchise Operator Agreement. You will work with us to best determine the most effective allocation of the Local Advertising Contribution. The Local Advertising Contribution shall be deducted from the Business' Gross Sales as an Operating Expense. (Section 5.3.2 of the Franchise Operator Agreement)

All advertising must be approved by us in writing according to the procedure described in the next paragraph. You must use our approved advertising and marketing materials or receive our written approval of any and all other advertising and marketing materials from us before their first use. In order to obtain approval of advertising and marketing materials, you must submit such proposed advertising material to us for review at least ten business days before the proposed first use. If we take no action within such ten business day period, the materials shall

be deemed disapproved and you may not use such materials. The approval or disapproval is at our sole discretion. We also may, at our sole discretion, require you to immediately discontinue use of any advertising or marketing materials at any time, even if previously approved or provided by us. All advertising and marketing materials used by the Business must meet our then-current standards and specifications. You acknowledge and agree that the Local Advertising Contribution must be expended regardless of the amount(s) spent by other existing System franchisees and Franchise Managing Operators on local advertising. (Section 5.3.3 of the Franchise Operator Agreement).

11.4.A Local Marketing and Advertising - Traditional Franchise Model

We require the Business to spend a minimum of 3% of the Business's Gross Sales per month on marketing, advertising and promotional programs at the local level (the "Local Marketing Requirement"), but recommend that you spend amounts in excess of 3% on marketing and advertising at the local level. You will work with us to best determine the most effective allocation of the Local Advertising Contribution. (Section 2.G of the Franchise Agreement)

11.5 National Marketing Fund, Advertising Cooperative and Advertising Counsel

In addition, we have established a national marketing fund (previously defined as the "National Marketing Fund") for the common benefit of existing System franchisees and Franchise Managing Operators. If you enter into the Managing Operator Model, the Operating Entity must participate in and contribute 1% of its Gross Sales during the Business' first and second year and 2% of its monthly Gross Sales during the remaining term of the Franchise Operator Agreement to the National Marketing Fund in the manner we prescribe. National Marketing Fund contribution shall be deducted from the Business' Gross Sales as an Operating Expense. We or our designee will deduct National Marketing Fund contributions directly from the Operating Entity's bank account. If you enter into the Traditional Franchise Model, you must participate in and contribute 2% of the Business' Gross Sales on a monthly basis throughout the term of the Agreement. We have the right to require that any advertising cooperative or franchisee advisory or advertising council be formed, changed, dissolved or merged. (Section 5.3.1 of the Franchise Operator Agreement or Section 2.G of the Franchise Agreement). Currently, there is no advertising council associated with the WATER DAMAGE System.

We will use the National Marketing Fund contributions, in our sole discretion, to develop, produce and distribute national, regional and/or local advertising and to create advertising materials and public relations programs which promote, in our sole judgment, the services offered by existing System franchisees, Franchisees and Franchise Managing Operators. We shall have the sole right to determine contributions and expenditures from the National Marketing Fund, or any other advertising program, and the sole authority to determine, without limitation, the selection of the advertising materials and programs; provided, however, that we will make a good faith effort to expend National Marketing Fund contributions in the general best interests of the System on a national or regional basis. We may use the National Marketing Fund to satisfy any and all costs of maintaining, administering, directing, preparing, producing, and implementing advertising, including the cost of: (i) preparing, producing, and implementing television, radio, magazine and newspaper advertising campaigns; (ii) direct mail and outdoor

billboard advertising; (iii) public relations activities and advertising agencies; (iv) developing and maintaining an Internet website; and (v) personnel and other departmental costs for advertising that we internally administer or prepare. Nevertheless, you acknowledge that not all existing System franchisees, Franchisees and Franchise Managing Operators will benefit directly or on a pro rata basis from such expenditures. While we do not anticipate that any part of the National Marketing Fund contributions will be used for advertising which is principally a solicitation for Traditional Franchise and Managing Operator businesses, we reserve the right to use the National Marketing Fund for public relations or recognition of the "1 800 WATER DAMAGE®" brand, for the creation and maintenance of a web site, a portion of which can be used to explain the franchise offering and solicit potential franchisees, and to include a notation in any advertisement indicating "Franchises Available." (Section 5.3.1 of the Franchise Operator Agreement or Section 2.G of the Franchise Agreement)

We may periodically assist franchisees and operators to maintain high quality standards through customer surveys, customer interviews, and other similar initiatives ("Surveys"). The cost of such programs will be borne by the National Marketing Fund. (Section 5.3.1 of the Franchise Operator Agreement or Section 2.G of the Franchise Agreement)

We have the right to reimburse ourselves from the National Marketing Fund contributions for such reasonable costs and overhead, if any, that we may incur in activities reasonably related to the direction and implementation of the National Marketing Fund. (Section 5.3.1 of the Franchise Operator Agreement or Section 2.G of the Franchise Agreement)

Outlets owned by us or our affiliates are not required to contribute to the National Marketing Fund. We may, but are not obligated to, advance money to the National Marketing Fund to fund National Marketing Fund programs. In the event that we advance monies to the National Marketing Fund, we will determine, in our sole discretion, the manner and timing for the repayment, to us, of some, or all, of the funds we advance. (Section 5.3.1 of the Franchise Operator Agreement or Section 2.G of the Franchise Agreement)

We will prepare on an annual basis, within 120 days of the end of the fiscal year, and make available to you upon written request, a statement of contributions and expenditures for the National Marketing Fund. The National Marketing Fund does not have to be independently audited. (Section 5.3.1 of the Franchise Operator Agreement or Section 2.G of the Franchise Agreement)

We have the right to require that advertising cooperatives be formed, changed, dissolved or merged. Currently, you are not required to participate in any local or regional advertising cooperative. (Section 5.3.1 and 5.3.4 of the Franchise Operator Agreement or Section 2.G of the Franchise Agreement).

Other than the advertising requirements described above, there are no additional advertising fees required by us. It is at our discretion to determine how much to spend, and where to market, advertise and promote the WATER DAMAGE System.

ITEM 18: PUBLIC FIGURES

We do not use any public figures to promote our franchise. You have no right to use the name of any public figure for promotional efforts, advertising, or endorsements, except with our prior written consent. No public figure has any investment in the franchise.

ITEM 19: FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is any reasonable basis for the information, and if the information is included in the disclosure document. Financial information that differs from that included in Item 19 may only be given if (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

As of December 31, 2016, there were 32 franchised Businesses operating in 40 territories and two Company owned Business, within the United States. Of the 32 franchised Businesses, 23 of the Businesses operate in 30 territories under the Traditional Franchise Model and 9 of the Businesses operate in 10 territories under the Managing Operator Model. This Item sets forth historical gross sales information for 23 franchisees (the "Included Franchisees") 3 of which operated in more than one territory ("multi-territory Operators") and 20 of which operated in one territory ("single-territory Operators"). The charts below presents average annual gross sales and median annual gross sales of the Included Franchisees over the 2016 calendar year (the "Measurement Period"). The Included Franchisees were broken down by multi-territory Operators and single-territory Operators. With respect to the franchisee information that is reported in this Item 19, the franchisee outlet information is broken down by franchisee and not by territory. As disclosed below, three of the Included Franchisees operate two or more Outlets

within separate territories. Excluded from this Item 19 are the two Company owned Businesses and the nine Managing Operators who were not open for the full Measurement Period.

The sales and cost information presented in this Item was provided by the Included Franchisees through monthly gross sales reports submitted by the Included Franchisees.

Importantly, the success of your Business will depend largely upon your individual abilities and your market, and the financial results of your Business are likely to differ, perhaps materially, from the results summarized in this Item.

We believe that the following financial data has been compiled using generally accepted accounting principles, but we have not audited the data. Additionally, this Item does not contain expense and operating cost information, including royalty fees and advertising fund contributions that the Business will incur.

The gross sales of the Business may vary substantially as compared to the sales disclosed in the charts below as a start-up enterprise. We are providing you with the following information with the understanding that you will do your own research to develop data with which to perform your analysis. Reviewing this limited amount of information cannot substitute for thorough research on your part and careful evaluation of this franchise opportunity with professional and legal advisors.

BACKGROUND

A. Company has developed a system (the "System") for the management and operation of a business offering water damage restoration services, carpet cleaning services, mold remediation, odor removal, fire, smoke and related restoration and cleaning services, which services list may be amended to include other services and products from time-to-time in the operations manual or otherwise (collectively, the "Remediation Services") and minor drywall removal and installation, hardwood floor repair, tile floor repair, painting, and carpet repair and installation (the "Minor Reconstruction Services") and ancillary products and services under the 1-800 WATER DAMAGE® mark or other marks Company may specify (the "Proprietary Marks") using methods and operating systems as defined in Company's proprietary Operations Manuals (the Remediation Services and the Minor Reconstruction Services shall be collectively referred to herein as the "Services").

B. Operating Entity shall establish and own a 1-800 WATER DAMAGE business (the "Business") located at [_____] which shall be operated within the following territory [_____] (the "Territory").

C. Franchise Managing Operator desires to enter into an agreement with Company and Operating Entity to obtain the rights to manage the Business for Operating Entity's benefit using the Proprietary Marks and System.

D. Operating Entity wishes to engage Franchise Managing Operator to perform certain duties with respect to the management and operation of the Business and Franchise Managing Operator has agreed to such engagement.

NOW THEREFORE, in consideration of the foregoing recitals and the mutual promises, commitments, and understandings contained herein and for other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Company, Operating Entity and Franchise Managing Operator agree as follows:

AGREEMENT

1. **Appointment; Protected Territory; Reserved Rights.**

1.1 **Appointment**. Operating Entity hereby appoints Franchise Managing Operator, and Franchise Managing Operator accepts the right and obligation to operate and manage the Business under Company's System and Proprietary Marks for the benefit of the Operating Entity, within the authority granted to Franchise Managing Operator under this Agreement and in accordance with Company's standards and specifications as outlined in Company's Operations Manuals and any revisions or amendments to same, in a manner which enhances the value of Company's System and Proprietary Marks, and in compliance with all applicable laws, ordinances and regulations. During the Term, Franchise Managing Operator shall be an employee of Operating Entity and may perform the Services offered by the Business for customers or Service Locations within the Territory. A "Service Location" is the physical location or address where the Services are performed. Franchise Managing Operator may also perform services for customers or Service Locations outside of the Territory if the customer initiates the request or in the event Company refers the lead to the Business.

1.2 **Protected Territory; Restrictions**.

1.2.1 Except as otherwise provided for in the Agreement, so long as Franchise Managing Operator is in compliance with the terms and conditions of this Agreement, Company will not establish nor license anyone else to establish another business operating under the System and the Proprietary Marks at any location within the Territory as defined in the Background section of this Agreement, the terms of which are hereby incorporated into this Agreement. The Business will not receive an exclusive territory. Franchise Managing Operator acknowledges and agrees that other existing System franchisees, franchise managing operators and businesses owned by Company, its affiliates and parent may service customers or Service Locations within the Territory. At Franchise Managing Operator's option, the Business may subcontract the provision of Services to another System franchisee, Company owned business or franchise managing operator, in which event the Business will pay the franchisee, Company owned business or franchise managing operator the then-current rates established by Company, as the same may be revised. Additionally, if Franchise Managing Operator is unable to service a customer or Service Location within or outside of the Territory, Franchise Managing Operator must refer the lead to Company and Company shall have the right to select another System franchisee, Company owned business, franchise managing operator, or its affiliates, to perform the work and neither Franchise Managing Operator nor the Business shall be entitled to any proceeds from the provision of Services.

1.2.2 Franchise Managing Operator shall only market the Services and solicit customers or Service Locations within the Territory. Except as provided for in Section 1.2.3, Franchise Managing Operator may not market, advertise or solicit in any way, any customer or Service Location outside of the Territory without Company's prior written consent. In the event that Franchise Managing Operator advertises or solicits customers or Service Locations outside of the Territory without Company's prior written consent, Franchise Managing Operator will pay Company a fee equal to the greater of $500 or the cost of the job for each incident of unauthorized advertising or solicitation (the "Improper Marketing Fee"). The Improper Marketing Service Fee will be deducted from Franchise Managing Operator's Operator Profit as

described herein in Section 6.2. The Improper Marketing Fee is in addition to, and not in lieu of, any other rights Company has under this Agreement.

1.2.3 Notwithstanding the provisions of Section 1.2.2, Franchise Managing Operator may market to and/or solicit insurance providers, third-party administrators, and property managers located outside of the Territory, provided that the insurance providers' customers or the Service Location is within the Territory.

1.2.4 Upon your successful completion of training, we may, at our discretion, require a transitional period of approximately 90 days ("Transitional Period"), in which you and or your Service Technician will have the opportunity to observe a customer service call for customer locations within your Territory which exceed your current level of experience and expertise. Depending on the scope of work, we reserve the right to refer any jobs within your Territory to a neighboring franchisee, Franchise Managing Operator or Company or affiliate owned location during the Transitional Period and require you to attend such service calls. In certain situations, neither you nor the Business will receive any compensation or proceeds from attending such service calls during the Transitional Period. We reserve the right to extend the 90 day Transitional Period at our sole discretion.

1.3 **Reserved Rights**. Company and its affiliates retain, as they deem appropriate, the rights to:

i. establish, and license others to establish, businesses operating under the System and the Proprietary Marks at any location outside of the Territory;

ii. establish, and license others to establish, businesses operating under the System and the Proprietary Marks in the Territory, or allow other System franchisees, franchise managing operators or Company owned businesses to market and solicit customers and Service Locations within the Territory in the event the Business fails to achieve the required Gross Sales Requirement and/or Minimum Management Fee Requirements as described in Section 1.7 of this Agreement;

iii. solicit, market to and build National Account relationships as described in Section 1.5 of this Agreement, whose offices or Service Locations may be located within or outside the Territory;

iv. acquire businesses providing services similar to those provided under the System within and outside the Territory and to be acquired by such a business;

v. sell products or services under the Proprietary Marks within and outside the Territory through any method of distribution, although within the Territory, it may not be through a System business located within the Territory. This includes sales of products using the Proprietary Marks through Alternative Distribution Channels; and

vi. engage in any other activities not expressly prohibited in this Agreement.

1.4 **Major Events**. In the event of national, regional or local catastrophic event, significant weather event, or any single large loss project (each a "Major Event") within or outside of the Territory, Company, its parent or affiliates shall have the sole right to direct and control the provision of Services. Franchise Managing Operator acknowledges and agrees that upon a Major Event, Company, its parent or affiliates, other System franchisees and franchise managing operators will be authorized to perform Services within the Territory and neither Franchise Managing Operator nor the Business will be entitled to any proceeds from the provision of Services performed by third parties within the Territory. Additionally, upon a Major Event, Company may require Franchise Managing Operator to mobilize or dispatch the Business' technicians and equipment and supplies to any site or sites, regardless of the distance from the Territory.

1.5 **National Accounts**. Company has the exclusive right to negotiate and enter into agreements or approve forms of agreement to provide services to "National Account" customers. The term "National Account" means any customer which on its own behalf or through agents, licensees, or other third parties owns, manages, controls or otherwise has responsibility for a business in more than one (1) location, including but not limited to national insurance companies, regardless of the aggregate contract amount of the Services to be performed. Any dispute as to whether a particular customer is a National Account shall be determined by Company in its sole discretion and its determination shall be final and binding. Following the execution of a contract with or the acceptance of a bid by a National Account customer which contemplates the provision of Services to one (1) or more National Account customers who are located in the Territory, Company may, if Franchise Managing Operator is qualified to perform the Services and conditioned upon Franchise Managing Operator's substantial compliance with the terms of this Agreement and any other applicable agreements, provide Franchise Managing Operator the opportunity to perform such Services pursuant to the terms and conditions of the National Account contract or on such terms and conditions as Company, at its sole discretion, determines are appropriate. You agree to provide services to all National Account customer referrals within the Territory. You further agree to provide all services in strict adherence to the WATER DAMAGE performance and process standards and all service guidelines and performance standards of the National Account. You may be required to enter into a service agreement to participate in certain National Accounts. If Managing Operator is not able to provide services to a National Account customer in conformity with the terms and conditions of the National Account contract, or fails to make an election within the time Company specifies after being offered the opportunity, Company has the right, exercisable in its sole discretion, to (i) provide, directly or through any affiliate or other franchisee or franchise managing operator, services to the National Account customer; and/or (ii) contract with another party to provide such services to the National Account customer. In either event, neither Franchise Managing Operator nor the Business shall be entitled to any proceeds from the provision of Services provided to the National Account customer.

1.6 **Alternative Distribution Channels**. Company, its parent and affiliates retain the right to sell products and services under the Proprietary Marks within and outside the Territory through any method of distribution, including, but not limited to, the Internet, catalog sales, telemarketing, or other direct marketing sales (collectively, the "Alternative Distribution

Channels"). Operating Manager may not use Alternative Distribution Channels to make sales outside or inside the Territory and Operating Manager and the Business may not receive compensation for Company sales through Alternative Distribution Channels except as described in the following paragraph.

1.7 **Minimum Gross Sales Requirement and Minimum Management Fee Requirement**.

1.7.1 Beginning in the Business' second year of operations, the Business will be required to meet the following minimum Gross Sales requirements (the "Minimum Gross Sales Requirement") during the Term of this Agreement:

Year in Operation	**Minimum Gross Sales Requirement**
Year Two	$225,000 annually; $18,750 per month
Year Three	$475,000 annually; $39,583 per month
Year Four	$725,000 annually; $60,417 per month
Year Five and beyond	$975,000 annually; $81,250 per month

1.7.2 Additionally, beginning in the Business' second year of operations, the Business must pay Company the following minimum Management Fees (as described in Section 5.1 of this Agreement) and Technology Fees (as described in Section 5.2 of this Agreement) (collectively, the "Minimum Management Fee Requirement"):

Year in Operation	**Minimum Management Fee Requirement**
Year Two	$22,500 annually; $1,875 per month
Year Three	$57,000 annually; $4,750 per month
Year Four	$87,000 annually; $7,250 per month
Year Five and beyond	$117,000 annually; $9,750 per month

If the Business fails to achieve the required Gross Sales Requirement and/or the Minimum Management Fee Requirement during any consecutive three-month period, Company may terminate this Agreement, elect to establish another franchisee, franchise managing operator or Company owned business in the Territory or allow other franchisees, franchise managing operators and/or Company owned businesses to advertise, solicit and service customers and Service Locations within the Territory.

2. **Term.**

2.1. **Initial Term.** The initial term (the "Term") of this Agreement shall be for a period of 10 years, commencing upon the execution of this Agreement by Company.

2.2. **Renewal**. At the conclusion of the Term, this Agreement may be renewed for two successive additional 10-year terms, unless, not later than 90 days prior to the then-current expiration date, either party notifies the other in writing that the Agreement is not being renewed. In order to renew, Franchise Managing Operator must meet all of the conditions below:

2.2.1 Franchise Managing Operator gives Company written notice of such election to renew not less than six months nor more than nine months prior to the end of the Term;

2.2.2 Franchise Managing Operator is not in breach of any of the provisions of this Agreement, or any other agreements between Franchise Managing Operator, or any entity in which Franchise Managing Operator is a principal, and Company, Operating Entity and their parents or affiliates, or the Business' approved or designated suppliers;

2.2.3 Franchise Managing Operator has satisfied all monetary obligations towards Company, Operating Entity, their parents or affiliates, and the Business' suppliers and vendors;

However, transferee cannot be in the same business as Company either as licensor, independent operator or licensee of any other business or chain which is similar in nature or in competition with Company or the System, except that the transferee may be an existing franchisee or franchise managing operator of Company.

14.3.2 Any and all of Franchise Managing Operator's accrued monetary obligations to Company, Operating Entity and their subsidiaries, affiliates, and approved and designated vendors are paid in full.

14.3.10 The transferee must obtain, within the time limits set by Company, and maintain thereafter all permits and licenses required for the operation of the Business.

14.3.11 The transfer must be made in compliance with any laws that apply to the transfer, including state and federal laws governing the offer and sale of franchises.

14.3.12 The purchase price and the terms of the proposed transfer are not so burdensome to the prospective transferee as to impair or materially threaten Franchise Managing Operator's performance under its managing Franchise Operator Agreement.

14.3.13 Franchise Managing Operator must request that Company provide the prospective transferee with Company's then-current form of disclosure document and Company will not be liable for any representations not included in the disclosure document.

16.1 **Internal Dispute Resolution**. Franchise Managing Operator must first bring any claim or dispute Franchise Managing Operator has with Company, Operating Entity and their respective affiliates, members, officers, directors, agents and employees to Company's President. Franchise Managing Operator must exhaust this internal dispute resolution procedure before Franchise Managing Operator may bring Franchise Managing Operator's dispute before a third party. This agreement to first attempt resolution of disputes internally shall survive termination or expiration of this Agreement.

16.2 **Mediation**. At Company and/or Operating Entity's option, all claims or disputes between Company, Operating Entity and their respective affiliates, members, officers, directors, agents and employees and Franchise Managing Operator, arising out of, or in any way relating to, this Agreement or any other agreement by and between Franchise Managing Operator, or any entity in which Franchise Managing Operator is a principal, and Company, Operating Entity and their respective affiliates, members, officers, directors, agents and employees, or any of the parties' respective rights and obligations arising from this Agreement, or the operation of the Business, which are not first resolved through the internal dispute resolution procedure set forth in Section 16.1 above, must be submitted first to non-binding mediation in Ann Arbor, Michigan under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any legal action against Company, Operating Entity and their respective affiliates, members, officers, directors, agents

and employees with respect to any such claim or dispute, Franchise Managing Operator must submit a notice to Company and Operating Entity, which specifies, in detail, the precise nature and grounds of such claim or dispute. Company and/or Operating Entity will have a period of 30 days following receipt of such notice within which to notify Franchise Managing Operator as to whether Company, Operating Entity and/or their affiliates elects to exercise the option to submit such claim or dispute to mediation. Franchise Managing Operator may not commence any action against Company, Operating Entity and their respective affiliates, members, officers, directors, agents and employees with respect to any such claim or dispute in any court unless Company fails to exercise the option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by Company. Company and/or Operating Entity may specifically enforce its rights to mediation. Each party shall bear its own cost of mediation and but shall share the cost of the mediator equally. This agreement to mediate shall survive any termination or expiration of this Agreement.

16.2.1 Company and/or Operating Entity shall not be required to first attempt to mediate a controversy, dispute, or claim as set forth in this Section if such controversy, dispute, or claim concerns an allegation that Franchise Managing Operator has violated (or threatens to violate, or poses an imminent risk of violating):

a. Any federally protected intellectual property rights in the Proprietary Marks, the System, trade secrets, or Confidential Information;

b. Any claims pertaining to or arising out of any warranty issue;

c. Any of the restrictive covenants contained in this Agreement; or

d. Any claims arising out of or related to fraud or misrepresentation by Franchise Managing Operator.

16.3 **Selection of Venue**. Nothing contained in this Agreement shall prevent Company and/or Operating Entity from applying to and obtaining from any court having jurisdiction a writ of attachment, a temporary injunction, preliminary injunction and/or other emergency relief available to safeguard and protect their interests. The parties expressly agree to the exclusive jurisdiction and venue of any court of general jurisdiction in Washtenaw County, Michigan or the United States District Court for the Eastern District of Michigan. Franchise Managing Operator acknowledges that this Agreement has been entered into in the State of Michigan, and that Franchise Managing Operator is to receive valuable and continuing services emanating from Company's headquarters in Ann Arbor, Michigan, including but not limited to training, assistance, support and the development of the System. In recognition of such services and their origin, Franchise Managing Operator hereby irrevocably consents to the personal jurisdiction of the state and federal courts of the State of Michigan as set forth above and waives any objection Franchise Managing Operator may have to either the jurisdiction or venue in such court. In the

event that Franchise Managing Operator files an action in any forum or jurisdiction in violation of this Section, Franchise Managing Operator shall pay Company's and/or Operating Entity's costs and fees, including Company's and/or Operating Entity's reasonable attorneys' fees, in connection with any efforts to transfer the dispute to the proper forum or jurisdiction.

16.4 **Prior Notice of Claims.** As a condition precedent to commencing an action for damages or for violation or breach of this Agreement, Franchise Managing Operator must notify Company and Operating Entity within 30 days after the occurrence of the violation or breach, and failure to timely give such notice shall preclude any claim for damages.

16.5 **Choice of Law**. This Agreement will be governed by and construed in accordance with the laws of the State of Michigan (without reference to its conflict of laws principles).

16.6 **Third-Party Beneficiaries**. Company's officers, directors, members, agents and/or employees are express third-party beneficiaries of the provisions of this Agreement, including the mediation provision set forth in this Section, each having authority to specifically enforce the right to mediate/litigate claims asserted against such person(s) by Franchise Managing Operator.

16.7 **Injunctive Relief**. Nothing in this Agreement shall prevent Company and/or Operating Entity from seeking to obtain injunctive relief, without posting a bond, against threatened conduct that will cause Company and/or Operating Entity loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary and permanent injunctions. If injunctive relief is granted, Franchise Managing Operator's only remedy will be the court's dissolution of the injunctive relief. If the injunctive relief was wrongfully issued, Franchise Managing Operator expressly waives all claims for damages Franchise Managing Operator incurs as a result of the wrongful issuance.

16.8 **Attorneys' Fees**. If Franchise Managing Operator is in breach or default of any monetary or non-monetary material obligation under this Agreement or any related agreement between Franchise Managing Operator, or any entity which Franchise Managing Operator is a principal, and Company, Operating Entity or any of their affiliates, and Company and/or Operating Entity engages an attorney to enforce Company's and/or Franchise Managing Operator's rights (whether or not formal judicial proceedings are initiated), Franchise Managing Operator must pay all reasonable attorneys' fees, court costs and litigation expenses Company and/or Operating Entity incurs. If Franchise Managing Operator institutes any legal action to interpret or enforce the terms of this Agreement, and Franchise Managing Operator's claims in such an action are denied or the action is dismissed, Company and/or Operating Entity shall be entitled to recover their reasonable attorneys' fees, and all other reasonable costs and expenses incurred in defending against same, and to have such an amount awarded as part of the judgment in the proceeding.

16.9 **Limitation of Action**. Franchise Managing Operator further agrees that no cause of action arising out of or under this Agreement may be maintained by Franchise Managing Operator against Company or Operating Entity unless brought before the expiration of one (1) year after the act, transaction or occurrence upon which such action is based or the expiration of one (1) year after Franchise Managing Operator becomes aware of facts or circumstances reasonably indicating that Franchise Managing Operator may have a claim against Company or Operating Entity hereunder, whichever occurs sooner, and that any action not brought within this period will be barred as a claim, counterclaim, defense, or set-off. Franchise Managing Operator hereby waives the right to obtain any remedy based on alleged fraud, misrepresentation, or deceit by Company or Operating Entity, including, without limitation, rescission of this Agreement, in any mediation, judicial, or other adjudicatory proceeding arising hereunder, except upon a ground expressly provided in this Agreement, or pursuant to any right expressly granted by any applicable statute expressly regulating the sale of franchises, or any regulation or rules promulgated thereunder.

16.10 **Waiver of Punitive Damages**. Franchise Managing Operator hereby waives, to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) against Company or Operating Entity arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agrees that, in the event of a dispute, Franchise Managing Operator's recovery is limited to actual damages. If any other term of this Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions will continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages.

16.11 **Jury Trial Waiver. THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. THIS WAIVER WILL APPLY TO ANY MATTER WHATSOEVER BETWEEN THE PARTIES HERETO WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THIS AGREEMENT, THE PERFORMANCE OF EITHER PARTY, AND/OR FRANCHISE MANAGING OPERATOR'S PURCHASE FROM COMPANY OF THE FRANCHISE AND/OR ANY GOODS OR SERVICES. THE PARTIES AGREE THAT ALL PROCEEDINGS ARISING OUT OF OR RELATED TO THIS AGREEMENT WILL BE CONDUCTED ON AN INDIVIDUAL, NOT A CLASS-WIDE BASIS, AND THAT ANY PROCEEDING BETWEEN COMPANY, OPERATING ENTITY AND THEIR RESPECTIVE AFFILIATES, MEMBERS, OFFICERS, DIRECTORS, AGENTS AND EMPLOYEES AND FRANCHISE MANAGING OPERATOR MAY NOT BE CONSOLIDATED WITH ANY OTHER PROCEEDING BETWEEN COMPANY AND ANY OTHER THIRD PARTY.**

17. **Representations.**

NO SALESPERSON, REPRESENTATIVE OR OTHER PERSON HAS THE AUTHORITY TO BIND OR OBLIGATE COMPANY EXCEPT ITS AUTHORIZED OFFICER BY A WRITTEN DOCUMENT. FRANCHISE MANAGING OPERATOR ACKNOWLEDGES THAT NO REPRESENTATIONS, PROMISES, INDUCEMENTS, GUARANTEES OR WARRANTIES OF ANY KIND WERE MADE BY COMPANY OR ON ITS BEHALF THAT HAVE LED FRANCHISE MANAGING OPERATOR TO ENTER INTO THIS AGREEMENT. FRANCHISE MANAGING OPERATOR UNDERSTANDS THAT WHETHER FRANCHISE MANAGING OPERATOR SUCCEEDS AS A SYSTEM OPERATOR IS DEPENDENT UPON FRANCHISE MANAGING OPERATOR'S EFFORTS, BUSINESS JUDGMENTS, THE PERFORMANCE OF THE BUSINESS' EMPLOYEES, MARKET CONDITIONS AND VARIABLE FACTORS BEYOND COMPANY'S CONTROL OR INFLUENCE. FRANCHISE MANAGING OPERATOR FURTHER UNDERSTANDS THAT SOME FRANCHISEES AND OPERATORS ARE MORE OR LESS SUCCESSFUL THAN OTHER FRANCHISEES AND OPERATORS AND THAT COMPANY HAS MADE NO REPRESENTATION THAT FRANCHISE MANAGING OPERATOR WILL DO AS WELL AS ANY OTHER FRANCHISEE OR OPERATOR.

The existence of any claim, demand, action or cause of action of Franchise Managing Operator against Company shall not constitute a defense to the enforcement by Company of any of the covenants or agreements herein.

18.2. **Waiver**. A waiver by either party of any of the terms and conditions of this Agreement in one instance shall not be deemed or construed as a waiver of such term or condition in the future or upon any subsequent breach thereof.

Any delay resulting from any such cause will extend the time of performance for the period of such delay or for such other reasonable period as the parties agree in writing, or will excuse performance, in whole, or in part, as Company deems reasonable.

IN WITNESS WHEREOF, the parties hereto, by their duly authorized officers and intending to be legally bound hereby, have executed this Franchise Operator Agreement on the day and year above written.

This Addendum to the 1 800 WATER DAMAGE INTERNATIONAL, LLC Franchise Operator Agreement (the "Addendum") is made this ____ day of June, 2017, by and between: (i) 1 800 WATER DAMAGE INTERNATIONAL, LLC, a Delaware limited liability company with an address at 731 Fairfield Court, Ann Arbor, Michigan 48108 ("Company"); (ii) [_____] a [_____ _____] limited liability company with an address at [_____] ("Operating Entity"); (iii) _____ an individual with an address at _____ _____("Principal"); and (iv) [_____] a [_____] C corporation with an address at [_____] ("C Corp").

BACKGROUND

A. On or around _____ __, 2017, Company, Operating Entity and Principal entered into a franchise operator agreement (the "Franchise Operator Agreement") pursuant to which Principal obtained the right and undertook the obligation to operate a 1-800 WATER DAMAGE business (the "Business") owned by Operating Entity and located at [_____]. The Business shall be operated within the following territory [_____] (the "Territory").

B. Principal wishes to use the funds in [his/her] 401(k) retirement plan to fund the payment of the $79,000 initial fee in a transaction known as a rollover as business startups (the "ROBS"). In order to effectuate the ROBS, Principal has formed C Corp, and C Corp has adopted a 401(k) qualified plan (the "401K Plan"), whereby Principal's existing retirement funds shall be rolled into C Corp's newly adopted 401(k) qualified plan, and the 401(k) Plan shall purchase some or all of C Corp's stock.

C. In order to accommodate the Principal's request to use funds from the 401K Plan to fund the initial fee, the parties hereby agree to modify the Franchise Operator Agreement pursuant to the terms and conditions set forth in this Addendum.

NOW THEREFORE, in consideration of the mutual agreements, covenants and promises contained in this Addendum and for mutual consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

AGREEMENT

1. **Background; Definitions.**

a. The parties agree and acknowledge that the Background portion of this Addendum, including all definitions and provisions set forth therein, is hereby incorporated by reference as if fully set forth in this Section.

b. For purposes of this Addendum, if a capitalized term in this Addendum is not specifically defined herein, that term will be given the same definition that the term is afforded in the Franchise Operator Agreement.

2. **C Corp as Managing Operator.** In order to effectuate the ROBS, Principal hereby assigns, transfers, and conveys to C Corp the Franchise Operator Agreement, effective as of the date of this Addendum. C Corp hereby assumes all of Principal's obligations, assignments, commitments, duties and liabilities under the Operator Agreement, and agrees to be bound by and observe and faithfully perform all of the obligations, assignments, commitments and duties of Principal under the Franchise Operator Agreement with the same force and effect as if the Franchise Operator Agreement were originally written with C Corp as the "Franchise Managing Operator" thereunder. Principal shall serve as C Corp's key manager and will devote [his/her] personal full time attention and best efforts to the management and operation of the Business. Principal and C Corp acknowledge and agree that they will not be deemed in any manner an employee of either Company or the Operating Entity.

3. **First Year Operator Fee.** Section 6.1 of the Franchise Operator Agreement regarding the First Year Salary is deleted in its entirety and replaced with the following:

> **First Year Operator Fee**. During the Business' first year of operations, the Operating Entity shall pay the Franchise Managing Operator an operator fee of $30,000.00, paid in bi-weekly installments (the "Operator Fee"). If the Franchise Managing Operator purchases two Territories under multiple, simultaneously executed operating agreements, the first year Operator Fee will be $40,000. If the Franchise Managing Operator purchases four Territories under multiple, simultaneously executed operating agreements, the first year Operator Fee will be $60,000.00. Operating Entity shall commence payment of the Operator Fee on the first day of the Initial Training Program.

4. **Discretionary Operator Fees**. Section 6.2 regarding the Draw against Managing Operator Profit is deleted in its entirety and replaced with the following:

> **Draw against Managing Operator Profit**. In addition to the Operator Fee, Operating Entity shall provide Franchise Managing Operator with a draw as an advance against the future Operator Profit, as defined in Section 6.3 below (the "Draw"). Operating Entity shall pay the Draw in bi-weekly installments. During the first year of operations, the Operating Entity shall pay the amount of the Draw at its discretion. Beginning in the second year of operations, the Draw shall equal 50% of the Operator Profit of the prior year. The Operating Entity may, as part of the ongoing review of Franchise Managing Operator's performance, cease, adjust, increase, decrease or continue the Draw.

5. **Managing Operator Profit**. Section 6.3 of the Franchise Operator Agreement regarding the Managing Operator Profit is deleted in its entirety and replaced with the following:

> **Managing Operator Profit**. Provided that the Minimum Gross Sales Requirement and the Minimum Management Fee Requirement described in Section 1.7 are met, Franchise Managing Operator will be eligible to receive 50% of the Business' Gross Profit (the "Operator Profit"). "Gross Profit" means the Business' Gross Sales before taxes and after deducting all Operating Expenses, as calculated on a cash basis and at the end of the calendar year. If Operator Profit exceeds the amount of the Draw in any calendar year (a "Surplus"), the Operating Entity shall remit the Surplus, less the Draw, to Franchise Managing Operator within 90 days after the close of the each calendar year. In the event the Draw exceeds the Operator Profit by any amount in any calendar year (a "Deficiency"), the Franchise Managing Operator shall pay the Operating Entity the Deficiency only to the extent the Deficiency exceeds the sum of the Operator Fee plus an additional amount which equals the minimum payment to which an hourly or exempt employee, as the case may be, is entitled to under federal and state law in the Franchise Managing Operator's municipality. The Deficiency shall be paid within 90 days of Franchise Managing Operator receiving notice of payment from Operating Entity.

Franchise Managing Operator's failure to timely pay will constitute a default under this Agreement. In the instance of a Deficiency, the Operating Entity reserves the right to agree to alternative payment terms, including a deduction of the Deficiency from future Operator Profit in subsequent calendar years.

6. **Right to Receive Benefits**. Section 6.4 of the Franchise Operator Agreement regarding the Benefits is deleted in its entirety and replaced with the following:

Company may modify, amend, or terminate such benefit plans at any time without prior notice, at which point the payments to Franchise Managing Operator shall be modified, amended or will otherwise cease.

7. **Principal's Guarantee.** Principal agrees that, in consideration of the grant by Company to C Corp of the right to operate the Business, and in further consideration for entering into this Agreement, Principal agrees to be firmly bound by all of the terms, provisions and conditions of the Franchise Operator Agreement, and any other agreement between Company, Operating Entity and their affiliates and C Corp, and does hereby unconditionally guarantee the full and timely performance by C Corp of each and every obligation of C Corp under the Franchise Operator Agreement or other agreement between C Corp, Company and/or Operating Entity, including, without limitation, the confidentiality provisions of Section 9 and the non-competition and non-solicitation obligations in Section 11. In addition, Principal will ensure that Principal's spouse and immediate families will sign and comply with the Confidentiality and Non-Compete Agreement attached as Exhibit A to the Franchise Operator Agreement, or as Company, in Company's sole discretion, otherwise prescribes. Principal must provide Company with a copy of each executed agreement.

8. **Insurance.** Before commencing the 1-800 WATER DAMAGE Business, C Corp and Principal must obtain and maintain in full force and effect throughout the term of the Franchise Operator Agreement and at C Corp's expense, the following insurance protecting C Corp, Principal, Company, Operating Entity and their officers, directors, and employees, against loss, liability, fire, personal injury, death, property damages, or theft arising from, or occurring in connection with, the operation and promotion of the Business. C Corp and Principal acknowledge and agree that (a) the insurance you will maintain reflects the minimum amounts of coverage Company requires, (b) these minimums are not meant to reflect the actual needs C Corp and Principal may have, and (c) it is C Corp and Principals responsibility to carefully evaluate if these minimums will adequately meet its needs. All policies will be written by an insurance company(ies) that is/are licensed in the state in which you are doing business, and that has an A.M. Best rating of "A" or better. Currently, C Corp and Company are not obligated to purchase insurance from any specific provider, although Company reserves the right to specify the specific provider that C Corp and Principal must use in the future.

Insurance policies will be written by an insurance company which is satisfactory to Company and will be in accordance with the standards and specifications set forth in the Operations Manual or otherwise in writing, and will include, at a minimum (except as additional coverage and higher policy limits may reasonably be specified for all 1-800 WATER DAMAGE franchisees from time to time by Company in the Operations Manual or otherwise in writing) the following:

Such policy shall contain a waiver of subrogation endorsement as to claims against Company, Operating Entity and 1 800 WATER DAMAGE North American, LLC. In "Monopolistic States", such as Ohio, North Dakota, Washington and Wyoming "Stop Gap" coverage must be purchased separately or added to the CGL policy. The insurance levels listed above are the minimum Company requires C Corp and Principal to maintain for the Business. Company may, periodically determine and modify the minimum insurance limits and require different or additional kinds of insurance to reflect changes in insurance standards, normal business practices, higher court awards and other relevant circumstance.

All general liability insurance policies will name Company and Operating Entity and their designated affiliates, employees, officers and directors as additional insureds, and will contain no provision which in any way limits or reduces coverage for C Corp and Principal if a claim is made by Company or Operating Entity.

C Corp and Principal may not reduce the policy limits, restrict coverage, cancel, or otherwise alter or amend any insurance policy without Company's written consent.

C Corp and Principal must provide Company with copies of any insurance claims or insurance cancellations within 24 hours. C Corp and Principal shall have a 24 hour opportunity to cure any lapses in insurance coverage. No insurance policy must be subject to cancellation, termination, non-renewal or material modification, except upon at least 30 days prior written notice from the insurance carrier to Company. Company has the right to increase or otherwise modify the minimum insurance requirements upon 30 days prior written notice to C Corp and Principal, and C Corp and Principal shall comply with any such modification within the time specified in said notice.

9. **Independent Contractor Status.** Principal and C Corp are independent contractors responsible for full control over their internal management, and neither Company nor C Corp are the agent, principal, partner, employee, employer or joint venturer of the other. Principal and C Corp must not act or represent themselves, directly or by implication, as Company or Operating Entity's agent, partner, employee or joint venturer, nor may they incur any obligation on behalf or in the name of Company or Operating Entity. Neither the Franchise Operator Agreement, this Addendum nor the parties course of conduct is intended, nor may anything in this Franchise Operator Agreement, this Addendum or course of conduct be construed to state or imply that Company or Operating Entity are the employer of C Corp's employees and/or independent contractor, nor vice versa.

C Corp and Principal shall submit to Company upon request such forms, records, reports, or information demonstrating such continued compliance. C Corp and Principal assume all risk and liability concerning the implantation of the ROBS.

11. **Construction of Language**. The language of this Addendum will be construed according to its fair meaning, and not strictly for or against either party. The parties have had a reasonable opportunity to review this Addendum. In the event of an ambiguity or if a question of intent or interpretation arises, this Addendum shall be construed as if drafted jointly by all of the parties, and no presumptions or burdens of proof shall arise in favor of any party by virtue of the authorship of any of the provisions of this Addendum. The Franchise Operator Agreement and this Addendum constitute the entire, full, and complete agreement between the parties concerning the Business and supersede any and all prior agreements. In the event of a conflict between the terms of the Franchise Operator Agreement and this Addendum, the terms of this Addendum shall control. Except as amended by this Addendum, all the other terms and conditions of the Franchise Operator Agreement are hereby ratified and confirmed, including the provisions related to governing law, attorneys' fees and costs, venue and dispute resolution, all of which will also apply to this Addendum.

THIS FRANCHISE AGREEMENT (the "Agreement") is made and entered into this _____ day of _____, 2017, by and between 1-800 WATER DAMAGE International, LLC, a Delaware Limited Liability Company, with its principal place of business at 731 Fairfield Court, Ann Arbor, Michigan 48108 (referred to in this Agreement as "we," "us," "our," "ourselves", and the "Company"), and _____ _____ (together referred to as the "Owners"), residents of the State of _____, and _____, a _____ company to be formed or already existing whose principal address is _____ (referred to in this Agreement as "you," "your" or "Franchisee").

1. INTRODUCTION, ACKNOWLEDGMENTS, AND AWARD OF FRANCHISE.

A. INTRODUCTION.

We use, promote and license certain trade and service marks and other commercial symbols in operating water damage restoration services, carpet cleaning services, mold remediation, odor removal, fire, smoke and related cleaning businesses in the United States, including the trade and service mark(s) "1-800 WATER DAMAGE" (collectively, the "Marks"). These Marks have gained and continue to gain public acceptance and goodwill, and we may continue to create, use, and franchise additional trademarks, service marks, and commercial symbols in operating 1-800 WATER DAMAGE Businesses, as defined below.

Through the expenditure of considerable time, we have established a system of marketing, promoting, advertising, managing, conducting and operating businesses that perform water damage restoration services, carpet cleaning services, mold remediation, odor removal, fire, smoke and related restoration and cleaning services, which services list may be amended to include other services and products from time-to-time in the operations manual or otherwise (the "Remediation Services") and minor drywall removal and installation, hardwood floor repair, tile floor repair, painting, and carpet repair and installation (the "Minor Reconstruction Services"), and ancillary products and services under the Marks using methods and operating systems as defined in our proprietary Operations Manuals (the Remediation Services and the Minor Reconstruction Services shall be collectively referred to herein as the "Services") for both residential and commercial buildings (the "1-800 WATER DAMAGE Business", "Business", or "Franchised Business"). The Business may not provide structural repair work, interior finishing, and electrical, mechanical and plumbing and heating services either through the Business or any other entity ("Reconstruction Services"). In the event that a customer of the Business requires Reconstruction Services, you must refer the customer to us, BELFOR or BELFOR USA (each a "Required Referral").

We award to persons, who meet our qualifications and who are willing to undertake the investment and effort, a franchise to own and operate a 1-800 WATER DAMAGE Business offering the services and products we authorize and approve while utilizing our business formats, methods, procedures, signs, standards, specifications, and Marks (the "System").

Following your evaluation of the 1-800 WATER DAMAGE System, you have expressed to us your desire to obtain the right to develop, own, and be franchised to operate a 1-800 WATER DAMAGE Business.

This Agreement governs the ongoing relationship between you and us.

B. AWARD OF FRANCHISE.

You have applied for a franchise to own and operate a 1-800 WATER DAMAGE Business. Subject to all of the terms and conditions of this Agreement, we hereby award you a franchise (the "Franchise") to operate a 1-800 WATER DAMAGE Business utilizing the System and the Marks in the geographical territory that you and we have agreed to as described in Exhibit A and in Section 1.C below (the "Territory"). During the term of this Agreement, you may perform the Services offered by the Business for customers or Service Locations within the Territory. A "Service Location" is the physical location or address where the Services are performed. You may also perform services for customers or Service Locations outside of the Territory if the customer located within your Territory initiates the request or in the event we refer the lead to the Business.

The term of the franchise will be ten (10) years (the "Initial Term") commencing on the date of this Agreement.

You must at all times faithfully, honestly, and diligently perform your obligations under this Agreement. Except as stated herein, you must designate at least one (1) managing owner (the "Managing Owner") who will be our primary individual contact with the 1-800 WATER DAMAGE Business and who we will approve in our sole discretion. A Managing Owner may, in our sole discretion, serve as the Managing Owner of more than one (1) 1-800 WATER DAMAGE Businesses that are owned by you; provided, however, that we may, in our sole discretion, require you to designate a person who will serve as the primary individual contact for this 1-800 WATER DAMAGE Business (the "Designated General Manager"). We must approve of the Designated General Manager in writing, which we may grant in our sole discretion. The Managing Owner and, if applicable, the Designated General Manager, must successfully complete the training program as described in and required by this Agreement. The Designated General Manager is not required to have an ownership interest in the 1-800 WATER DAMAGE Business. The Designated General Manager must sign our prescribed form of confidentiality and non-compete agreement. The Managing Owner or, if applicable, the Designated General Manager must continuously exert her/his full-time best efforts to manage, promote and enhance the 1-800 WATER DAMAGE Business, and such other 1-800 WATER DAMAGE Businesses as we permit in our sole discretion. Without our prior written permission, the Managing Owner and, if applicable, the Designated General Manager, must not engage in any other business or activity that conflicts with their obligations to operate the 1-800 WATER DAMAGE Business on a full-time, year round basis.

Before commencing operation of the 1-800 WATER DAMAGE Business, you must employ at least one (1) person who has completed the Initial Training as described and defined in Section 3.A of this Agreement.

Before attending the Initial Training and/or upon any change to the legal entity ownership, you must submit to us a corporate resolution, or similar action, which states the name of the corporation or LLC, the legal names of all of the partners or shareholders, the percentage of ownership that each member controls, their place of residence and their agreement to be bound by the terms of this Agreement. We charge a fee of $500 (the "Transfer of Corporation Fee") to process all changes to the legal entity subsequent to the submission of an initial

corporate resolution prior to the commencement of the 1-800 WATER DAMAGE Business. In the case of multiple Owners, you must submit a dispute resolution procedure acceptable to us in our sole discretion that states what you will do in the event that there is a conflict between any owners of the franchise entity. In addition, at all times, the Owners who have executed this Agreement must control 67% of the franchise entity. The remaining Owners must sign a written confidentiality and non-compete agreement in the form we prescribe.

C. PROTECTED TERRITORY; RESTRICTIONS.

i. Except as otherwise provided for in the Agreement, so long as you are in compliance with the terms and conditions of this Agreement, we will not establish nor license anyone else to establish another business operating under the System and the Proprietary Marks at any location within the Territory as defined in the Exhibit A of this Agreement, the terms of which are hereby incorporated into this Agreement. You agree to locate the franchise office within the Territory. The Business will not receive an exclusive territory. You acknowledge and agree that other existing System franchisees and businesses owned by us, our affiliates and parent may service customers or Service Locations within the Territory. You may perform services for customers or service locations within the Territory. You may also perform services for customers or service locations outside of the Territory if the customer within your Territory initiates the request or if we refer the customer to you. You acknowledge and agree that other existing System franchisees, Managing Operators and company owned business may service customers or service locations within your Territory. At your option, the Business may subcontract the provision of Services to another System franchisee or Company owned business, in which event the Business will pay the franchisee or Company owned business, the then-current rates established by us, as the same may be revised. Additionally, if you are unable to service a customer or Service Location within or outside of the Territory, you must refer the lead to us and we shall have the right to select another System franchisee, Company owned business, or its affiliates, to perform the work and neither you nor the Business shall be entitled to any proceeds from the provision of Services.

ii. You shall only market the Services and solicit customers or Service Locations within the Territory. Except as described below, you may not market, advertise or solicit in any way, any customer or Service Location outside of the Territory without our prior written consent. In the event that you advertise or solicit customers or Service Locations outside of the Territory without our prior written consent, you will pay us a fee equal to the greater of $500 or the cost of the job for each incident of unauthorized advertising or solicitation (the "Improper Marketing Fee"). The Improper Marketing Fee is in addition to, and not in lieu of, any other rights we have under this Agreement.

iii. Notwithstanding the provisions described above, you may market to and/or solicit insurance providers, third-party administrators, and property managers located outside of the Territory, provided that the insurance providers' customers or the Service Location is within the Territory.

iv. Upon your successful completion of training, we may, at our discretion, require a transitional period of approximately 90 days ("Transitional Period"), in which you and or your Service Technician will have the opportunity to observe a customer service call for customer locations within your Territory which exceed your current level of experience and expertise.

Depending on the scope of work, we reserve the right to refer any jobs within your Territory to a neighboring franchisee or Company owned businesses or affiliate owned location during the Transitional Period and require you to attend such service calls. In certain situations, you may not receive any compensation or proceeds from attending such service calls during the Transitional Period. We reserve the right to extend the 90 day Transitional Period at our sole discretion.

D. RIGHTS WE RESERVE.

We and our affiliates retain, as we deem appropriate, the rights to:

i. establish, and license others to establish, businesses operating under the System and the Proprietary Marks at any location outside of the Territory;

ii. establish, and license others to establish, businesses operating under the System and the Proprietary Marks in the Territory, or allow other System franchisees, Managing Operators or Company owned businesses to market and solicit customers and Service Locations within the Territory in the event the Business fails to achieve the required Gross Sales Requirement and/or Minimum Royalty Requirements as described in Section 2.F. of this Agreement;

iii. solicit, market to and build National Account relationships as described in Section 1.G. of this Agreement, whose offices or Service Locations may be located within or outside the Territory;

iv. acquire businesses providing services similar to those provided under the System within and outside the Territory and to be acquired by such a business;

v. sell products or services under the Proprietary Marks within and outside the Territory through any method of distribution, although within the Territory, it may not be through a System business located within the Territory. This includes sales of products using the Proprietary Marks through Alternative Distribution Channels; and

vi. engage in any other activities not expressly prohibited in this Agreement.

E. REQUIRED PURCHASES.

We have the right to require you to purchase products, inventory, equipment, fixtures, furnishings, product display units, signs, uniforms, supplies, vehicles, and other materials from us or our designated or approved suppliers. We will furnish you with a list of the equipment, motor vehicle requirements, and other required products, inventory and accessories required in connection with the operation of the Business (collectively, the "Required Purchases"). You must purchase or lease such Required Purchases from us at our then current prices, or, at our direction, from sources or suppliers approved or designated by us (which sources or suppliers may include us).

F. MAJOR EVENTS.

In the event of national, regional or local catastrophic event, significant weather event, or any single large loss project (each a "Major Event") within or outside of the Territory, we, our parent or affiliates shall have the sole right to direct and control the provision of Services. You acknowledge and agree that upon a Major Event, we or our parent or affiliates, other System franchisees and Managing Operators will be authorized to perform Services within the Territory and you will not be entitled to any proceeds from the provision of Services performed by third parties within the Territory. Additionally, upon a Major Event, we may require you to mobilize or dispatch the Business' technicians and equipment and supplies to any site or sites, regardless of the distance from the Territory.

G. NATIONAL ACCOUNTS.

We have the exclusive right to negotiate and enter into agreements or approve forms of agreement to provide services to "National Account" customers. The term "National Account" means any customer which on its own behalf or through agents, licensees, or other third parties owns, manages, controls or otherwise has responsibility for a business in more than one (1) location, including but not limited to national insurance companies, regardless of the aggregate contract amount of the Services to be performed. Any dispute as to whether a particular customer is a National Account shall be determined by us in our sole discretion and our determination shall be final and binding. Following the execution of a contract with or the acceptance of a bid by a National Account customer which contemplates the provision of Services to one (1) or more National Account customers who are located in the Territory, we may, if you are qualified to perform the Services and conditioned upon your substantial compliance with the terms of this Agreement and any other applicable agreements, provide you the opportunity to perform such Services pursuant to the terms and conditions of the National Account contract or on such terms and conditions as we, in our discretion, determine are appropriate. You agree to provide services to all National Account customer referrals within your Territory. You further agree to provide all services in strict adherence to the WATER DAMAGE performance and process standards and all service guidelines and performance standards of the National Account. You may be required to enter into a service agreement to participate in certain National Account programs.

If you are not able to provide services to a National Account customer in conformity with the terms and conditions of the National Account contract, or fails to make an election within the time we specify after being offered the opportunity, we have the right, exercisable in our sole discretion, to (i) provide, directly or through any affiliate or other franchisee or Managing Operator, services to the National Account customer; and/or (ii) contract with another party to provide such services to the National Account customer. In either event, you will not be entitled to any proceeds from the provision of Services provided to the National Account customer.

H. <u>TOLL-FREE 1-800-WATER DAMAGE NUMBER.</u> We have established a toll-free number, 1-800- WATER DAMAGE, to which customers may place calls for services offered by our franchisees. Provided that you are in compliance with this Agreement, you will receive telephone calls placed to the 1-800- WATER DAMAGE number by customers that originate from a zip code within your Territory. These services are provided by a third party and we cannot guarantee that you will receive all calls from zip codes within your Territory, but we will make every effort to make sure you do get these calls. You may not advertise or market any telephone number for the Business or the Location other than the 1-800-WATER

DAMAGE telephone number, without our prior written permission.

1. As long as you meet your Minimum Gross Sales and are otherwise in compliance with the terms of this Agreement, we will not authorize anyone else to receive calls that originate from zip codes in your Territory.

2. You are permitted to perform services for all calls placed by customers calling from a zip code within your Territory, regardless of whether such services are to be performed at locations outside of your Territory. Likewise, you acknowledge and agree that other system franchisees may provide services at locations within your Territory if such work is generated as a result of toll-free calls placed by customers calling from a zip code in the other franchisee' Territory. We reserve the right at any time to reroute calls outside any 1-800- WATER DAMAGE franchisees' Territory at our sole discretion.

If you fail to pay Royalties or other payments required under this Agreement when due, or if you fail to otherwise comply with the terms of this Agreement, we have the unilateral right, without any prior notice to you, to terminate or suspend your right to receive calls from the 1-800 WATER DAMAGE toll-free number. If your right to receive calls from the toll-free number is suspended or terminated, we have the right to re-direct all calls placed by customers in your Territory to our offices, or to other system franchisees and we, or the authorized system franchisee, will be permitted to perform all services ordered from such calls, whether or not the services will be performed in your Territory. You must cease all use of the 1-800-WATER DAMAGE toll-free number upon the expiration or termination of this Agreement.

If you are unable to service a customer or Service Location within or outside of the Territory, you must refer the lead to us and we shall have the right to select another System franchisee, Company owned business, or its affiliates, to perform the work and neither you nor the Business shall be entitled to any proceeds from the provision of Services.

I. ALTERNATIVE DISTRIBUTION CHANNELS

We, our parent and affiliates retain the right to sell products and services under the Proprietary Marks within and outside the Territory through any method of distribution, including, but not limited to, the Internet, catalog sales, telemarketing, or other direct marketing sales (collectively, the "Alternative Distribution Channels"). You may not use Alternative Distribution Channels to make sales outside or inside the Territory and you and/or the Business may not receive compensation for sales by us through Alternative Distribution Channels except as described in the following paragraph.

If we engage in electronic commerce through any Internet, World Wide Web, or other computer network site, or sell through any other Alternative Distribution Channel, and we receive orders for any System products or Services calling for delivery or performance in the Territory, we will offer the order to you at the price we establish. If you choose not to fulfill the order, if you do not meet the requirements, or otherwise are unable to fulfill the order, then we, or another 1-800 WATER DAMAGE Affiliate may fulfill the order, and you will be entitled to no compensation in connection with this.

H. OTHER BUSINESSES.

It is agreed and understood no other business or business operations may be undertaken through your legal entity or by the Owner without our prior written consent. Owners, including the Managing Owner, may not own or operate any business which conducts services identical or similar to us or our affiliates.

2. FEES AND OTHER MONETARY REQUIREMENTS.

A. INITIAL FRANCHISE FEE.

You promise to pay us a total initial fee (the "Initial Franchise Fee") in the amount of $79,000 (Base Fee) for a population of up to 350,000 within the Territory, as described in this Section of this Agreement. If you wish to Purchase additional territory, the Initial Franchise Fee will equal the Base Fee, plus $225 per thousand in population in excess of 350,000 (the "Additional Fee"). For example, the Initial Territory Fee for a single territory with 385,000 in population will be computed as follows:

$$\$79,000 \text{ Base Fee} + (35 \times 225) = \$86,875$$

As the territories are generally defined by zip codes, we reserve the right not to charge the Additional Fee if we are unable to meet the 350,000 population count without exceeding due to highly populated areas. Each territory will have a maximum of 500,000 people. The purchase of more than 500,000 in population in the aggregate at any time during the term of the Agreement will require the payment of an additional Initial Fee

The Initial Franchise Fee shall be subject to a $5,000 discount for veterans of the U.S. Armed Forces who have been honorably discharged and provide us with documentation of the same.

The determination of population is only for the purposes of determining the Initial Franchise Fee and is not a representation as to the potential number of customers in the Territory, either at the commencement of or during the course of the Term of this Agreement.

Your Initial Franchise Fee shall be due and payable in full upon your execution of this Agreement. The Initial Franchise Fee is non-refundable and deemed fully earned upon payment.

Within three (3) months of the execution of this Agreement, we expect you to complete our Business Initial Training to our satisfaction, as defined below in Section 3.A of this Agreement. In the event that you do not do so, in our discretion, we may terminate this Agreement pursuant to Section 12 of this Agreement.

You must commence operation of the 1-800 WATER DAMAGE Business within four (4) months of signing this Agreement and/or two (2) months following your successful completion of the Initial Training Program, whichever is later. In the event that you do not do so, in our discretion, we may terminate this Agreement pursuant to Section 12 of this Agreement.

If this is a renewal term ("Renewal Term"), the Initial Franchise Fee is waived. However, you will need to pay the renewal fee for this Term of this Agreement in the amount which was agreed upon in your most recent Franchise Agreement or extension term. The renewal fee is non-refundable and deemed fully earned upon payment.

If this is a transfer term ("Transfer Term"), the Initial Franchise Fee is waived. However, you or the selling owner, will need to pay the then-current Transfer Fee. The Transfer Fee is

refundable up until the transferee completes the Initial Training, as described in Section 3.A of this Agreement, and is and deemed fully earned upon payment.

B. INITIAL PACKAGE FEE.

You promise to pay us, or a vendor designated by us in our sole discretion, for specified equipment, products, supplies and services (the "Initial Package") in the amount of $59,500 (the "Initial Package Fee"), which monies shall be promptly due and payable before receipt of the Initial Package. You will be required to pay for shipping and sales tax separately. The Initial Package consists of certain equipment and small tools package for Remediation Services, safety equipment, a convention fee credit, and supplies as described and listed in Exhibit B to this Agreement. The Initial Package materials will be shipped to you F.O.B. from certain locations which may include West Bloomfield, MI, Exton, PA and Tecumseh, MI. The Initial Package Fee is non-refundable and deemed fully earned upon payment.

If you attend the first convention that is scheduled to take place within one (1) year of your successful completion of the Initial Training, you will receive a $500 convention allowance (the "Convention Allowance") for the 1-800 WATER DAMAGE annual convention (the "Annual Convention"). The Convention Allowance is to be used primarily towards the registration fee, but any remaining balance may be applied towards travel, lodging and/or meals. The Convention Allowance will be rebated to you after you attend the first 1-800 WATER DAMAGE Annual Convention that is scheduled after your completion of the Initial Training (as defined in Section 3.A). If you do not attend the convention, we will not provide you with the Convention Allowance.

If this is a Transfer Term and you are purchasing the entire 1-800 WATER DAMAGE Business from the previous owner, you are not required to purchase the Initial Package; however, you must purchase the equipment not included in the transfer necessary to provide all current services, and you must pay the $500 Convention Allowance, which may be refundable as described above. If this is a Transfer and you are purchasing a portion of the 1-800 WATER DAMAGE Business being sold, you must purchase the entire Initial Package. If this is a Renewal Term or if you are purchasing an additional franchise agreement, you are not required to purchase the Initial Package.

C. ROYALTY.

You shall pay us a monthly royalty (the "Royalty" or "Royalty Fee") equal to ten percent (10%) of Gross Sales, as defined below in Section 2.D, for all Remediation Services and 5% of the Business' Gross Sales for Minor Reconstruction Services . Commissions paid to lead sources (general contractors, content cleaning companies, third party administrators, etc.) are subject to Royalty. The Royalty will be assessed to you upon the earlier of the receipt of funds from the Customer or 90 days after the date of the original invoice issued to the Customer, regardless of whether the invoice is paid in full. You must enter all work performed in the WATER DAMAGE Software within 24 hours of the start of the job and you must invoice the customer for all work performed within 24 hours of the completion of the job. You must record in the WATER DAMAGE Software all payments received within 48 hours of receipt. If you transfer this Agreement to a new owner, the Royalty for all completed jobs must be paid on (a) the day of closing, or (b) on the effective termination date of this Agreement. Every month, we

will scan WATER DAMAGE Software and find all jobs which have had changes in the amounts paid by Customers since the previous month, and compute Royalty on the amount of the change. When amounts are paid on jobs, Royalty will be charged on those amounts. You will receive an email itemizing the jobs on which the Royalties will be assessed, and the total of the Royalties. The following Friday, we will initiate a transfer of funds between our bank accounts for the amount indicated in the email from the bank account designated by you in the electronic funds transfer ("EFT") agreement attached to this Agreement as Exhibit K. We may specify different due dates periodically in our discretion.

You promise to sign and deliver to us, before the 1-800 WATER DAMAGE Business opens, the documents we require to authorize us to automatically debit your business checking account each Friday for the Royalty due on Gross Sales from the preceding month, including the EFT Agreement. You also promise to promptly and regularly report a correct statement of all of your Gross Sales in the WATER DAMAGE Software, along with any other information we specify, in the form and on the schedule we require.

If you fail to report your Gross Sales for any month as required, or to record receipt of payments received within 48 hours of being received, we can debit your account on the 10th of the Month for the same Royalty amount that we debited during the previous month. If the Royalty we debit from your account is greater than the Royalty you actually owe us (once we have determined your true and correct Gross Sales for the month), we will credit the excess against the amount we otherwise would debit from your account on the following month. If the Royalty we debit from your account is less than the Royalty you actually owe us, we will debit your account for the balance of the Royalty due on the following 10th of the month. Our debit of your account will not relieve you of your obligation to pay any late fees or interest due under Section 2.E of this Agreement. We can require you to pay the Royalty by means other than automatic debit (e.g., by check) whenever we deem appropriate, and you must comply with our payment instructions. We reserve the right to revise the date to collect or credit royalty at our discretion.

We reserve the right to record receipt on your behalf for all accounts receivable in the event this Agreement is terminated and you have not already done so by the effective date of termination.

D. DEFINITION OF GROSS SALES.

You must report your Gross Sales each month. "Gross Sales," as used in this Agreement, includes all revenue generated from operating the 1-800 WATER DAMAGE Business, whether in cash, in services in kind, from barter and/or exchange, or otherwise. All barter and/or exchange transactions for which you furnish Services and/or products in exchange for goods or services will, for the purpose of determining Gross Sales, be valued at the full retail value of the goods and/or services you provide. You may deduct from Gross Sales the amount of all sales tax receipts or similar tax receipts that, by law, are chargeable to customers, if these taxes are separately stated when the Customer is charged. In accordance with our policies as published periodically, you may also deduct from Gross Sales the amount of any documented refunds that we consider appropriate. There is no Royalty payment due on the sale of Services, except as described in Section 2.C. You must pay Royalties only on the receipt of the cash, services in kind, barter and/or other exchange, except as described in Section 2.C. All payments received for jobs must be recorded in the WATER DAMAGE Software within 48 hours of being received.

E. LATE REPORT FEE, LATE PAYMENT SERVICE FEE AND INTEREST.

If the Royalty or any other fee that is due is not available in your account for debiting when due, a late payment fee will be imposed of 5% of the amount due or $50, whichever sum is greater, for each week past due ("Late Payment Fee"). If you do not report your Gross Sales as required and/or you fail to submit your Royalty reports when due, a fee will be imposed of $20 per week for each week past due ("Late Report Fee"). Additionally, interest will be imposed at the rate of 18% per annum or the maximum rate permitted by applicable law, whichever is greater, from the date these amounts were originally due until the date paid ("Interest Fee"). If we debit your account for monies owed and there are insufficient funds available, we will also charge our current non-sufficient fund fee ("NSF Fee"). We can automatically debit your account for the Late Payment Fee, NSF Fee, Late Report Fee, Interest Fees and all other fees owed to us.

You acknowledge that this paragraph does not constitute our agreement to accept any payments after they are due or our commitment to extend credit to, or otherwise finance the operation of the 1-800 WATER DAMAGE Business. Notwithstanding the provisions of this Section, your failure to pay all amounts when due constitutes grounds for termination of this Agreement, as provided in Section 12.B. of this Agreement.

F. MINIMUM GROSS SALES REQUIREMENT AND MINIMUM MANAGEMENT FEE REQUIREMENT

Beginning in the Business' second year of operations, the Business will be required to meet the following minimum Gross Sales requirements for Remediation Services and Minor Reconstruction Services (the "Minimum Gross Sales Requirement") during the Term of this Agreement:

Year in Operation	Minimum Gross Sales Requirement
Year Two	$225,000 annually; $18,750 per month
Year Three	$475,000 annually; $39,583 per month
Year Four	$725,000 annually; $60,417 per month
Year Five and beyond	$975,000 annually; $81,250 per month

Additionally, beginning in the Business' second year of operations, the Business must pay us the following minimum Royalty Fees (as described in Section 2.C. of this Agreement) and Technology Fees (as described in Section 2.H. of this Agreement) (collectively, the "Minimum Management Fee Requirement"):

Year in Operation	Minimum Management Fee Requirement
Year Two	$24,750 annually; $2,063 per month
Year Three	$52,250 annually; $4,354 per month
Year Four	$79,750 annually; $6,646 per month
Year Five and beyond	$107,250 annually; $8,938 per month

If the Business fails to achieve the required Gross Sales Requirement and/or the Minimum Management Fee Requirement during any consecutive three-month period, we may terminate this Agreement, elect to establish another franchisee, Managing Operator or Company owned business in the Territory or allow other franchisees, Managing Operators and/or Company owned businesses to advertise, solicit and service customers and Service Locations within the Territory.

If you are awarded more than one (1) 1-800 WATER DAMAGE Business, the dollar values for the Minimum Gross Sales would increase for each additional 1-800 WATER DAMAGE Business you are awarded. For a second 1-800 WATER DAMAGE Business the numbers would double, for a third, they would triple, etc. The Minimum Gross Sales must be met for each individual Territory as described in Exhibit A of the Franchise Agreement.

If this is a Renewal Term, you will be required to meet the Minimum Monthly Gross Sales requirement for the greater than 48 month level for the entirety of the Renewal Term.

For the purpose of this section, the second year of operations begins 12 months from the date of successful completion of Initial Training, the third year of operations begins 24 months from the date of successful completion of Initial Training and so on.

G. ADVERTISING FEES.

Throughout the term of the Agreement you will be required to contribute 2% of the Business' Gross Sales, to the System's National Marketing Fund on a monthly basis (the "National Marketing Fund Contribution"), in the same manner in which you pay the monthly Royalty Fee. We shall have the right to require that any advertising cooperative or franchisee advisory council be formed, changed, dissolved or merged. We will use the National Marketing Fund contributions, in its sole discretion, to develop, produce and distribute national, regional and/or local advertising and to create advertising materials and public relations programs which promote, in our sole judgment, the services offered by System franchisees and Managing Operators. We shall have the sole right to determine contributions and expenditures from the National Marketing Fund, or any other advertising program, and the sole authority to determine, without limitation, the selection of the advertising materials and programs, provided, however, that we will make a good faith effort to expend National Marketing Fund contributions in the general best interests of the System on a national or regional basis. We may use the National Marketing Fund to satisfy any and all costs of maintaining, administering, directing, preparing, producing, and implementing advertising, including the cost of: (i) preparing, producing, and implementing television, radio, magazine and newspaper advertising campaigns; (ii) direct mail and outdoor billboard advertising; (iii) public relations activities and advertising agencies; (iv) developing and maintaining an Internet website; and (v) personnel and other departmental costs for advertising that we internally administers or prepares. Nevertheless, you acknowledge that not all System franchisees and Managing Operators will benefit directly or on a pro rata basis from such expenditures. While we do not anticipate that any part of the National Marketing Fund contributions will be used for advertising which is principally a solicitation for Managing Operator businesses or traditional franchise businesses, we reserve the right to use the National Marketing Fund for public relations or recognition of the 1 800 WATER DAMAGE® brand, for the creation and maintenance of a website, a portion of which can be used to explain the franchise offering and solicit potential franchisees, and to include a notation in any advertisement indicating "Franchises Available." We may periodically assist franchisees and Managing Operators to maintain high quality standards through customer surveys, customer interviews, and

other similar initiatives ("Surveys"). The cost of such programs will be borne by the National Marketing Fund. We have the right to reimburse ourselves from the National Marketing Fund contributions for such reasonable costs and overhead, if any, that we may incur in activities reasonably related to the direction and implementation of the National Marketing Fund.

We are not required to contribute to the National Marketing Fund, and we may, but are not obligated to, advance money to the National Marketing Fund to fund National Marketing Fund programs. In the event that we advance monies to the National Marketing Fund, we will determine, in our sole discretion, the manner and timing for the repayment of some or all of the funds we advanced. We will prepare on an annual basis, within 120 days of the end of the fiscal year, and make available to you upon written request, a statement of contributions and expenditures for the National Marketing Fund. The National Marketing Fund does not have to be independently audited.

You agree to actively advertise and promote the Franchised Business within the Territory. We require you to expend a minimum of three percent (3%) of the Gross Revenue of the Business each month on marketing, advertising, and promotional programs at the local level (the "Local Marketing Requirement"), but recommend that you spend amounts in excess of 3% on local marketing and advertising.

You must fulfill the Local Marketing Requirement within the Territory only, as we prescribe in our 1-800 WATER DAMAGE System Standards or otherwise in writing. You may spend any additional sums you wish on local advertising. However, you must use only such advertising and promotional materials as we have previously approved, as more fully described below.

As part of your local marketing, you promise to acquire and maintain a landline telephone number that is dedicated to your 1-800 WATER DAMAGE Business, which must have a local area code that is assigned to the Territory. You promise to continually list the Business on the Internet telephone directory site.

Any other forms of advertising that would also advertise inside the Territory must be approved by us in writing according to the procedure described in the next paragraph.

You must use our approved advertising and marketing materials or receive our written approval of any and all other advertising and marketing materials from us before their first use. In order to obtain approval of advertising and marketing materials, you must submit such proposed advertising material to us for review at least ten (10) business days before the proposed first use. If we take no action within such ten (10) business day period, the materials shall be deemed disapproved and you may not use such materials. The approval or disapproval is at our sole discretion. We also may, at our sole discretion, require you to immediately discontinue use of any advertising or marketing materials at any time, even if previously approved or provided by us. All advertising and marketing materials must meet our then current standards and specifications. We may, in our sole discretion, offer and sell advertising, marketing, and promotional materials at any time. Certain items, such as your truck and yard signs must reference the 1-800 WATER DAMAGE National Toll Free number. You may not alter or remove reference to the Toll Free number.

You will be responsible for the payment of all fees associated with the Required Software, Computer System, WATER DAMAGE Software and POS System.

At our request, you shall purchase or lease, and thereafter maintain, the Computer System, WATER DAMAGE Software, and, if applicable, the Required Software. You agree to pay all fees associated with the use of WATER DAMAGE Software and any other Required Software, which may be payable to us or our approved or designated suppliers. You expressly agree to strictly comply with our standards and specifications for all items associated with your Computer System, WATER DAMAGE Software and any Required Software, including any security software. You agree, at your own expense, to keep your Computer System in good maintenance and repair and install such upgrades, additions, changes, modifications, substitutions, and/or replacements to your Computer System or Required Software as we direct

from time to time in writing. You agree that your compliance with this Section shall be at your sole cost and expense.

We may require that your Computer System be programmed to automatically transmit data and reports about the operation of the 1-800 WATER DAMAGE Business to us. We shall also have the right to, at any time without notice, electronically connect with your Computer System to monitor or retrieve data stored on the Computer System or for any other purpose we deem necessary. There are no contractual limitations on our right to access the information and data on your POS System, WATER DAMAGE Software, and Computer System. You shall deliver to us all access codes, static Internet protocol ("IP") addresses and other information to facilitate our access to the data described in this Section within 30 days of opening the 1-800 WATER DAMAGE Business.

You must obtain the computer hardware necessary to implement the WATER DAMAGE Software, and comply with all specifications and standards prescribed by us regarding the WATER DAMAGE Software as provided in the Operations Manual. We reserve the right to create additional proprietary software programs, which you must use in connection with the 1-800 WATER DAMAGE Business. This WATER DAMAGE Software will be our proprietary product, and the information collected therefrom will be deemed our confidential information.

You are required to participate in any System-wide computer network, intranet system, or extranet system that we implement and may be required by us to use such computer network, intranet system, or extranet system to, among other things: (i) submit your reports due under this Agreement to us online; (ii) view and print portions of the Operations Manual, including any updates or modifications thereto; (iii) download approved local advertising materials; (iv) communicate with us and other 1-800 WATER DAMAGE franchisees; and (v) to complete any initial or ongoing training. You agree to use the facilities of any such computer network, intranet system or extranet system in strict compliance with the standards, protocols, and restrictions that we include in the Operations Manual, including those related to the encryption of confidential information and prohibitions against the transmission of libelous, derogatory or defamatory statements.

I. HIGH SPEED INTERNET CONNECTION, ELECTRONIC MAIL NETWORK, WEBSITE AND BUSINESS PHONE.

You promise to subscribe to, maintain, and utilize a DSL, cable, or satellite high speed Internet connection and email network account with independent suppliers which periodically we approve. If you do not receive written approval within ten (10) days of our written receipt of your request, such supplier will be considered disapproved. 3. TRAINING AND GENERAL GUIDANCE.

A. TRAINING.

Your Managing Owner and, if applicable, Designated General Manager, must successfully complete our JumpStart training program ("Jump Start") within one (1) month of signing this Agreement. Jumpstart is a self-guided process, with additional guidance from our training team, along with the Operations Manuals. You will review the Operations Manuals, complete a Territory assessment, review training videos, set up the bank account, form the corporate entity and other tasks related to the opening of the Business. All Jumpstart activities are to be completed before attending initial training and before the opening of the Franchised Business and are to be conducted in your hometown by you with assistance from our home office staff. You shall begin Jumpstart immediately upon your signing and returning to us the Franchise Agreement and all initial fees. All costs associated with Jumpstart are included in the Initial Fee. During Jumpstart, we will schedule the business and technical training (the "Initial Training") for you to attend at a later time (collectively, the Jump Start and Initial Training are referred to as the "Initial Training Program"). Initial Training sessions are typically offered each month.

You will manage the Business from an office (the "Office") located within the Territory. You are responsible for locating the Office within the Territory which meets our site selection criteria as stated in the Operations Manual.

We may waive your attendance at the Initial Training if you already operate a Franchised Business and you purchase an additional franchise from us.

Before you begin operating the 1-800 WATER DAMAGE Business, we will furnish the Initial Training to the Managing Owner or, if applicable, the Designated General Manager, at no

additional fee. The Managing Owner or, if applicable, the Designated General Manager must complete the Initial Training to our satisfaction within four months of signing this Agreement, and failure to do so will result in the termination of this Agreement. The Initial Training may not commence until you have paid all fees due to us.

The Initial Training will last up to 17 days in duration at our headquarters or another location designated by us. You will be responsible for all travel and living expenses that you and your employees/owners incur for this Initial Training.

In the event that you own multiple 1-800 WATER DAMAGE Businesses and have your Managing Owner already at another 1-800 WATER DAMAGE Business who has already completed the Initial Training, the Managing Owner will still be required to successfully complete the most recent online training modules essential to the role of ownership.

You may designate, with our approval and on a "space available" basis, additional persons to attend other sessions of the Initial Training for which you will be charged our then-current Initial Training fee. In addition, each person we approve to attend the Initial Training will be required to sign our then-current form of confidentiality and non-disclosure agreement before the start of training. The Initial Training fee will be due and payable before the start of the training program and you will be responsible for the payment of all travel and living expenses incurred by your designees while training.

The Managing Owner or, if applicable, the Designated General Manager, must attend the 1-800 WATER DAMAGE Annual Convention every year. The Managing Owner or, if applicable, Designated General Manager also must attend periodic refresher training courses and conferences, not to exceed one (1) convention/conference per year, at the times and locations we determine, and for which we may charge fees. We will determine the duration, curriculum, and location of any such sessions. You will be responsible for all travel and living expenses that are incurred by you or your employees/owners while attending such session.

In the event that the Designated General Manager terminates his or her employment with you, you are required to designate a successor for our written approval, which we will grant in our sole discretion, within ten (10) days of such termination. Such successor Designated General Manager must attend the next available Initial Training. In the event, that the successor Designated General Manager does not successfully complete the next available Initial Training, you may appoint one (1) additional person as the successor Designated General Manager. This second successor Designated General Manager must attend and successfully complete the next available Initial Training. If this second successor Designated General Manager does not successfully complete the next available Initial Training, you will be in default of this Agreement and this Agreement will be subject to termination pursuant to Section 12 of this Agreement. At all times during the term of this Agreement, you must have employed at the 1-800 WATER DAMAGE Business a person who has completed the Initial Training Program.

If this is a Renewal Term or if this is an additional 1-800 WATER DAMAGE Business being awarded to you, and your Managing Owner or, if applicable, the Designated General Manager, have already attended Initial Training, the requirement that you attend the Initial Training is waived, except as described above with respect to the online training modules and continuing training obligations. In such cases, if your Managing Owner or, if applicable, the Designated General Manager do attend Initial Training, you will be assessed our then-current training fee. You will also be responsible for all travel and living expenses that you and your employees/owners incur while training.

Before you begin operating the 1-800 WATER DAMAGE Business, you must also employ a full-time experienced service technician (the "Service Technician") who will be responsible for performing and overseeing your Remediation Services. It is your responsibility to train the Service Technician to our specifications. Furthermore, you agree to be solely responsible for all employment decisions and to comply with all state, federal, and local hiring laws and functions of the 1-800 WATER DAMAGE Business.

The Service Technician may be required attend periodic refresher training courses and conferences, not to exceed one (1) session per year, at the times and locations we determine, and for which we may charge fees. We will determine the duration, curriculum, and location of any such sessions. You will be responsible for all travel and living expenses that incurred while attending such session.

In the event that the Service Technician terminates his or her employment with you, you are required to designate a successor for our written approval, which shall be in our sole discretion, within ten (10) days of such termination. You are responsible for training any successor Service Technician. At all times during the term of this Agreement, you must have employed at the 1-800 WATER DAMAGE Business a person who has completed the technical portion of the Initial Training.

The Operations Manual will contain mandatory and suggested specifications, standards, operating procedures, and rules (the "System Standards") that we prescribe periodically for the operation of a Business, and information on your other obligations under this Agreement and related agreements. We may modify the Operations Manual periodically to reflect changes in the System Standards.

You promise to keep your copy of the Operations Manual current and in a secure location in the principal office of the 1-800 WATER DAMAGE Business. You agree that the Operations Manual is specifically incorporated by reference into this Agreement and that it shall be considered a part hereof, and that you shall comply with the Operations Manual as an essential aspect of your obligations under this Agreement and failure by you to substantially comply with the Operations Manual may be considered a breach of this Agreement. To the extent that any terms in this Agreement conflict with those in the Operations Manual, this Agreement shall govern and supersede such conflicting terms.

You agree to use the Marks and System only as specified in the Operations Manual. The Operations Manual is the sole property of us and shall be used by you only during the term of this Agreement and in strict accordance with the terms and conditions hereof. You agree that such Operations Manual shall be deemed to be a trade secret and you shall not duplicate the Operations Manual nor disclose its contents to people other than your employees or officers who

need the information contained therein to perform their jobs and who have signed a nondisclosure and noncompetition agreement in a form approved by us. You shall furnish copies of all such nondisclosure and noncompetition agreements to us immediately upon execution. You shall not make any paper or electronic copies of the Operations Manual without our prior written consent. You shall return the Operations Manual, together with all copies of any portion thereof, to us immediately upon the expiration, termination or assignment of this Agreement.

Upon expiration or termination of this Agreement, no monetary amount will be assigned as attributable to any goodwill associated with your use of the System and the Marks.
5. All provisions of this Agreement applicable to the Marks apply to any additional proprietary trade and service marks and commercial symbols that we authorize you to use.
6. The right and license of the Marks awarded to you under this Agreement is non-exclusive, and we may:

B. NOTIFICATION OF INFRINGEMENTS AND CLAIMS.

You promise to notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any claim by any person of any rights in any Mark, and not to communicate with any person other than us and our attorneys, and your attorneys, in any infringement, challenge, or claim. We have sole discretion to take the action we deem appropriate and the right to control exclusively any litigation, U.S. Patent and Trademark Office ("USPTO") proceeding, or any other administrative proceeding arising out of any infringement, challenge, claim or otherwise relating to any Mark. Provided that you have timely notified us of the claim or proceeding and complied with this Agreement as we determine in our sole discretion, we shall indemnify and hold you harmless against any loss or expense incurred in connection with any such infringement, challenge or claim. If we, in our sole discretion, determine that you have not used the Marks in accordance with this Agreement, you will bear the cost of such defense, including the cost of any judgment or settlement. C. LIMITATIONS ON YOUR USE OF MARKS.

1. You promise to use the Marks as the only identification of the Business, except that you must identify yourself as the owner of an independent entity in the manner that we prescribe.

Accordingly, you consent to the entry of an injunction prohibiting any conduct by you in violation of the terms of the covenants not to compete. Further, you expressly agree that the existence of any claims you may have against us, whether or not arising from this Agreement or otherwise, will not constitute a defense to the enforcement by us of these covenants not to compete. Owner(s) further acknowledges and agrees that the time limitation of this Section 6 shall be tolled during any default under this Section.

You acknowledge that we have developed the System to offer and sell Services that will distinguish the 1-800 WATER DAMAGE Business from other businesses that offer similar services valued at different prices and with less attention paid to service quality and customer service. You agree to offer Services and to operate the 1-800 WATER DAMAGE Business in such a manner that emulates and enhances the image we intend for the System. You further acknowledge and agree that each aspect of the System is important not only to you but also to us and to other 1-800 WATER DAMAGE franchisees in order to maintain the highest operating standards, achieve system-wide uniformity and increase the demand for the Services rendered by 1-800 WATER DAMAGE franchisees. As a consequence, changes, modifications, and variations to the Systems Standards may be required periodically to preserve and enhance the public image of the System and enhance the operational efficiency of all 1-800 WATER DAMAGE franchisees.

You, therefore, agree that we may periodically, and upon reasonable notice to you, add to, modify, phase out, or change the System, including without limitation, the adoption and use of new or modified trademarks, uniforms, signs, vehicle types, telephone numbers and technologies, products, equipment, services, techniques, proprietary software, non-proprietary

software, methodologies and sales strategies. You promise to promptly accept, implement, use, and display in the operation of your 1-800 WATER DAMAGE Business, all such additions, modifications, and changes at your expense.

All products and materials must meet System Standards and specifications for representation of the Marks, and be pre-approved by us regardless of the supplier. In the event you wish to purchase an unapproved item, including inventory, and/or acquire approved items from an unapproved supplier, you must provide us a written request for approval, including a proof of the materials you wish to order. We will notify you in writing of our approval or disapproval within ten (10) days of receipt of the materials and your written request. We have no obligation to approve any particular products, service or supplier. If you do not receive approval within ten (10) days, you should consider the materials disapproved. All products and materials must meet the quality of our current suppliers, and correctly bear the Marks. Standards and specifications are periodically modified to meet changing market conditions and are published in our Operations Manual and on our web site. You must reimburse us our reasonable costs, regardless of if we subsequently approve your request.

Use of products and materials that have not received our prior written approval and/or do not meet our standards and specifications can result in the termination of this Agreement. Standards and specifications are updated periodically at our sole determination and are made available to you on our 1-800 WATER DAMAGE owners' intranet website and in the Operations Manual.

C. OPERATIONS.

1. The Business may only offer Remediation Services and Minor Reconstruction Services. D. INSURANCE.

Before commencing the 1-800 WATER DAMAGE Business, you promise to purchase and maintain in full force and effect throughout the term of this Agreement and at your expense, insurance protecting you, your employees, and us, our officers, and our employees, against loss, liability, fire, personal injury, death, property damages, or theft arising from, or occurring in connection with, the operation and promotion of the 1-800 WATER DAMAGE Business. You acknowledge and agree that (a) the insurance you will maintain reflects the minimum amounts of coverage we require, (b) these minimums are not meant to reflect the actual needs you may have, and (c) it is your responsibility to carefully evaluate if these minimums will adequately meet your needs.

All policies will be written by an insurance company(ies) that is/are licensed in the state in which you are doing business, and that has an A.M. Best rating of "A" or better. Currently, you are not obligated by the terms of this Agreement to purchase your insurance from any specific provider, although we reserve the right to specify the specific provider that you must use in the future.

Insurance policies will be written by an insurance company which is satisfactory to us and will be in accordance with the standards and specifications set forth in the Operations Manual or otherwise in writing, and will include, at a minimum (except as additional coverage and higher policy limits may reasonably be specified for all 1-800 WATER DAMAGE franchisees from time to time by us in the Operations Manual or otherwise in writing) the following:

Our current requirements are described below:

1. Commercial General Liability Insurance. You shall maintain insurance for "bodily injury," "property damage," and "personal and advertising injury" with no exclusion or limitation applying to the products/completed operations liability coverage. Limits shall be at least $2,000,000 general aggregate, $2,000,000 products and completed operations aggregate, $1,000,000 personal and advertising injury limit, and $1,000,000 per occurrence limit. Contractual liability coverage including the assumed personal injury endorsement shall be included to cover the indemnity provisions of this Agreement. The exclusion for employer's liability shall not apply to claims for covered contractually assumed liability claims. 1 800 WATER DAMAGE International, LLC and 1-800 WATER DAMAGE North America, LLC shall be named as an additional insured on

such policy on a primary and noncontributory basis with a Grantor of Franchise Form CG2029 or an insurer's comparable form.

2. Automobile Liability Insurance. You shall maintain insurance with a combined single limit, CSL, of $1,000,000 for bodily injury and property damage for all owned or leased vehicles and for hired and non-owned motor vehicles. Additionally, uninsured motorist and under-insured motorist coverage will be equal to the CSL.

3. Workers' Compensation and Employers' Liability. Statutorily required workers' compensation insurance and employer's liability insurance shall be maintained with limits of at least $500,000 by accident, $500,000 by disease and $500,000 policy limit; or the minimum limit required by your state, whichever is higher. Such policy shall contain a waiver of subrogation endorsement as to claims against 1 800 WATER DAMAGE International, LLC and 1 800 WATER DAMAGE North American, LLC. In "Monopolistic States", such as Ohio, North Dakota, Washington and Wyoming "Stop Gap" coverage must be purchased separately or added to the CGL policy. "Stop Gap" in Ohio must not contain exclusion with the "substantially certain to occur" language.

4. Employee Dishonesty Insurance. You shall maintain employee dishonesty insurance with minimum limits of $50,000 per loss and such coverage shall also cover acts of stealing against third parties.

5. Umbrella Liability Insurance. You shall maintain a commercial umbrella liability insurance policy with a limit of at least $2,000,000 per occurrence and aggregate and shall list the commercial general liability, automobile liability and workers' compensation/employers' liability policies as scheduled underlying policies.

6. Other Insurance. You shall maintain compliance with any state, county, local, or other municipal insurance requirements and any other insurance policies we may require.

7. Pollution Insurance. A pollution insurance policy must be maintained with a limit of at least $1,000,000. Must include first-party coverage for contamination of insured property either by external or on-site sources. Must also include coverage for liability to third parties arising from contamination of air, water, or land due to the sudden and accidental release of hazardous materials from the insured site.

The insurance levels listed above are the minimum we require you to maintain for the 1-800 WATER DAMAGE Business. We may, periodically determine and modify the minimum insurance limits and require different or additional kinds of insurance to reflect changes in insurance standards, normal business practices, higher court awards and other relevant circumstance. To gain adequate protection, you should discuss with your insurance agent and financial advisor to determine if your personal situation requires you to maintain coverage in excess of the minimums that we require. If any lease or Customer contract requires an insurance policy amount to be higher than the amounts we have listed above, you must obtain the highest amount for such policy.

All general liability insurance policies will name us and our designated affiliates, employees, officers and directors as additional insureds, and will contain no provision which in any way limits or reduces coverage for you if a claim is made by any one (1) or more of the

Indemnified Parties, as defined in Section 14.C of this Agreement, and will extend to and provide indemnity for all obligations assumed by you and all items for which you are required to indemnify us, will be primary to and without right of contribution from any other insurance purchased by the Indemnified Parties, and will provide, by endorsement, that we receive at least 30 days' notice of any intent to cancel or materially alter any policy.

At least ten (10) days before attending Initial Training, commencing the operation of the 1-800 WATER DAMAGE Business, whenever a change is made to your policy, and before expiration of any insurance coverage, you promise to have your insurance provider send us a copy or certificate or other acceptable proof of such insurance. If you do not maintain the required insurance coverage, or do not furnish us with satisfactory evidence of insurance coverage and premium payments, we may obtain, at our sole option and in addition to our other rights and remedies under this Agreement, any required insurance coverage on your behalf. We are under no obligation whatsoever to obtain such insurance, but if we do so, you must fully cooperate with us in our efforts and must promptly sign all forms required to obtain or maintain the insurance. You must also allow any inspections of your 1-800 WATER DAMAGE Business required to obtain or maintain the insurance. Finally, you must pay us, on demand, any costs and premiums we incur in obtaining insurance on your behalf. Neither your obligation to maintain insurance coverage nor our maintenance of insurance on your behalf, will reduce or absolve you of any obligations of indemnification described in this Agreement. You must promptly report all material claims, or potential claims, against you, any Indemnified Party or us, to the insurer and to us.

You may not commence your 1-800 WATER DAMAGE Business until you have provided the certificates of insurance or other acceptable proof of all insurances. You may not reduce the policy limits, restrict coverage, cancel, or otherwise alter or amend any insurance policy without our written consent.

You must provide us with copies of any insurance claims or insurance cancellations within 24 hours. You have a 24 hour opportunity to cure any lapses in insurance coverage. No insurance policy must be subject to cancellation, termination, non-renewal or material modification, except upon at least 30 days prior written notice from the insurance carrier to us. We have the right to increase or otherwise modify the minimum insurance requirements upon 30 days prior written notice to you, and you shall comply with any such modification within the time specified in said notice.

Furthermore, if we conduct an inspection or audit due to your failure to (a) furnish reports, supporting records, or other information as required, (b) furnish these items on a timely basis, or (c) record all Customer payments in the WATER DAMAGE Software within 48 hours of their receipt, or we discover that an understatement of Royalty Fee is greater than 3% for any period reviewed, you promise to reimburse us for the cost of the inspection and/or audit, including without limitation, the charges of attorneys and independent accountants, the travel, room and board expenses, and compensation of our employees. D. OUR RIGHT OF FIRST REFUSAL.

If you at any time determine to sell, assign, or transfer for consideration your interest in this Agreement, you must obtain a bona fide, signed written offer and earnest money (in the amount of 5% or more of the offer price) from a responsible and fully disclosed offeror, and

immediately submit to us a true and complete copy of the offer which includes details of the payment terms. To be a valid, bona fide offer, the proposed purchase price is to be denominated in a dollar amount.

We have the right, exercisable by written notice delivered to you within 30 days from the date of the delivery to us of both an exact copy of the offer and all other information we request, to purchase the interest for the same price, less the transfer fee, and on the same terms and conditions contained in the offer provided that:

1. We may substitute cash for any form of payment proposed in the offer;

2. Our credit will be deemed equal to the credit of any proposed purchaser;

3. We will have 30 days, after giving notice of our election to purchase, to prepare for and complete the closing; and

4. We are entitled to receive, and you must make, the same representations and warranties given to the proposed purchaser.

If we do not exercise our right of first refusal, you may complete the sale to the purchaser on the exact terms of the offer, subject to our approval of the transfer as provided in Section 10.B above. If the sale is not completed within 60 days after the expiration of the right of first refusal, or if there is a material change in the terms of the sale (which you agree promptly to communicate to us), we will have an additional right of first refusal during the 30-day period following either the expiration of the 60-day period or notice to us of the material change(s) in the terms of the sale, either on the terms originally offered or the modified terms, at our option.

c. The legal entity shall not use the name "1-800 WATER DAMAGE" or any other Mark, or any name deceptively similar thereto, except to reflect its franchise relationship with us. Neither the legal entity nor any of its owners may issue or sell, or offer to issue or sell, any securities of the legal entity or an affiliate of the legal entity, regardless of whether such sale or offer would be required to be registered pursuant to the provisions of the Securities Act of 1933, as amended, or the securities laws of any other jurisdiction, without obtaining our prior written consent, which is in our sole discretion, and complying with all of our requirements and restrictions concerning use of information about us.

d. The legal entity shall furnish us, at the time of execution of this Agreement and upon all transfers subject to the provisions of this Section 10, a list of all stockholders, members, managers and partners having an interest in the legal entity, their respective percentage interests and the number of shares directly and indirectly owned or controlled by each.

You shall permit us to make final inspection of your financial records, books, and other accounting records within eighteen (18) months of the effective date of termination, expiration, or transfer.

Termination or expiration of this Agreement shall not affect, modify or discharge any claims, rights, causes of action or remedies which we may have against you, whether such claims or rights arise before or after termination or expiration, including, without limitation, our rights to receive or collect fees or other amounts payable by you under this Agreement, to enforce the provisions of this Agreement against you, to sue for damages, seek and obtain ex-parte or other injunctive relief, to pursue any other legal or equitable remedy for breach of this Agreement, or otherwise constitute a waiver of any of our other rights upon the occurrence of an event giving rise to our right to terminate. Nothing in this Agreement will be construed so as to create a partnership, joint venture, or agency. You do not have any power to obligate us for any expenses, liabilities, or other obligations, other than as is specifically provided for in this Agreement. We will not have the power to hire or fire your employees and, except as expressly provided in this Agreement, we may not control or have access to your funds or expenditures, or in any other way exercise dominion or control over the Business.

You promise to identify yourself conspicuously in all dealings with customers, suppliers, public officials, the 1-800 WATER DAMAGE Business' employees, and others, and in the

manner we prescribe, as the owner of the 1-800 WATER DAMAGE Business under a franchise agreement that we have awarded and to place notices of independent ownership on the forms, business vehicles, stationery, and advertising, and other materials we require you to use.

B. NO LIABILITY FOR ACTS OF OTHER PARTY.

Neither you nor we will make any express or implied agreements, warranties, guarantees, or representations or incur any debt in the name of or on behalf of the other party, or represent that the relationship between you and us is other than that of franchisor and franchisee. We do not assume any liability, and will not be deemed liable for any agreements, representations, or warranties made by you which are not expressly authorized under this Agreement, for any damages to any person or property which directly or indirectly arise from or relate to your operation of the 1-800 WATER DAMAGE Business authorized by this Agreement.

C. INDEMNIFICATION.

You promise to protect, defend, and indemnify us, and all of our past, present, and future shareholders, direct and indirect parent companies, subsidiaries, affiliates, officers, directors, employees, attorneys, and designees (the "Indemnified Parties"), and hold Indemnified Parties harmless from and against any and all costs and expenses, including attorneys' fees, court costs, losses, liabilities, damages, claims and demands of every kind or nature on account of any actual or alleged loss, injury, or damage to any person, firm, or corporation, or to any property arising out of, or in connection with, your operation of the Business.

Under no circumstances will we, or any other Indemnified Party, be required to seek recovery from any insurer or other third party, in order to maintain and recover fully a claim against you. You agree that a failure to pursue recovery against others will in no way reduce or alter the amounts we or another Indemnified Party may recover from you.

Neither this Agreement nor our course of conduct is intended, nor may anything in this Agreement (nor our course of conduct) be construed to state or imply that we are the employer of your employees and/or independent contractors, nor vice versa.

D. NO LIABILITY FOR TECHNOLOGY FAILURE.

We are not liable for any direct, incidental, or consequential damages, including but not limited to, lost profits, lost savings or consequential, punitive or incidental damages for any reason whatsoever, including but not limited to any cause arising out of or in any way connected to a technology related problem, such as high speed internet connection, electronic mail, software, website, computer, phone systems and other electronic equipment, or call center.

15. ENFORCEMENT.

A. SEVERABILITY.

Nothing contained in this Agreement will be construed as requiring the commission of any act contrary to law. Whenever there is any conflict between any provision of this Agreement, the 1-800 WATER DAMAGE owners' intranet website, or the Operations Manual, and any present or future statute, law, ordinance, or regulation, contrary to which the parties have no legal right to contract, the latter will prevail, but if the provisions of this Agreement, or the Operations Manual thus affected, will be curtailed and limited only if necessary to bring them

within the requirements of the law. In the event that any part, article, paragraph, sentence, or clause of this Agreement, the 1-800 WATER DAMAGE owners' intranet website, or the Operations Manual, will be held to be indefinite, invalid, or otherwise unenforceable, the indefinite, invalid, or unenforceable provision will be deemed deleted, and the remaining part of this Agreement will continue in full force and effect.

If any covenant in this Agreement which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, prohibited business activity, and/or length of time, but would be enforceable by reducing any part or all of the covenant, you and we agree that the covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law is applicable to the validity of the covenant.

If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of termination, or refusal to renew, than this Agreement, the prior notice or other action required by such law or rule will be substituted for the notice requirements of this Agreement. Such modification to this Agreement will be effective only in such jurisdiction and this Agreement will otherwise be enforced as originally made and entered into in all other jurisdictions.

B. WAIVER OF OBLIGATIONS.

Either of us may, by written notice, unilaterally waive or reduce any obligation or restriction of the other party under this Agreement. The waiver or reduction may be revoked at any time, for any reason, on ten (10) days' written notice.

C. FEES AND EXPENSES.

If you are in breach or default of any monetary or non-monetary material obligation under this Agreement or any related agreement between you and us and/or our affiliates, and we engage an attorney to enforce our rights (whether or not formal judicial proceedings are initiated), you must pay all reasonable attorneys' fees, court costs and litigation expenses we incur. If you institute any legal action to interpret or enforce the terms of this Agreement, and your claim in such action is denied or the action is dismissed, we are entitled to recover our reasonable attorneys' fees, and all other reasonable costs and expenses incurred in defending against same, and to have such an amount awarded as part of the judgment in the proceeding.

D. YOU MAY NOT WITHHOLD PAYMENT TO US.

You promise to not withhold payment of any amount due to us on the grounds of our alleged nonperformance or for any other reason.

E. RIGHTS OF PARTIES ARE CUMULATIVE.

Your and our rights are cumulative and no exercise or enforcement by either of us of any right or remedy in this Agreement will preclude the exercise or enforcement by that party of any other right or remedy to which it is entitled by law.

F. DISPUTE RESOLUTION PROCEDURES.

1. Internal Dispute Resolution. You must first bring any claim or dispute you have with us and our shareholders, officers, directors, agents and employees to our President, after providing notice as set forth in Section 15.F.4 below. You must

exhaust this internal dispute resolution procedure before you may bring your dispute before a third party. This agreement to first attempt resolution of disputes internally shall survive termination or expiration of this Agreement.

2. Mediation. At our option, all claims or disputes between us, our shareholders, officers, directors, agents and employees and you, arising out of, or in any way relating to, this Agreement or any other agreement by and between you and us or our affiliates, or any of the parties' respective rights and obligations arising from such agreement, or the operation of the 1-800 WATER DAMAGE Business which are not first resolved through the internal dispute resolution procedure set forth in Section 15.F.1 above, must be submitted first to non-binding mediation in Ann Arbor, Michigan under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any legal action against us or our shareholders, officers, directors, agents and employees with respect to any such claim or dispute, you must submit a notice to us, which specifies, in detail, the precise nature and grounds of such claim or dispute. We will have a period of 30 days following receipt of such notice within which to notify you as to whether we or our affiliates elects to exercise our option to submit such claim or dispute to mediation. You may not commence any action against us, our shareholders, officers, directors, agents and employees or our affiliates with respect to any such claim or dispute in any court unless we fail to exercise our option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated as the result of a written declaration of either: (i) the mediator(s) that further mediation efforts are not worthwhile; or (ii) us. We may specifically enforce our rights to mediation. Each party shall bear its own cost of mediation and you and we shall share mediation costs equally. This agreement to mediate shall survive any termination or expiration of this Agreement.

   a. We shall not be required to first attempt to mediate a controversy, dispute, or claim as set forth in this Section 15.F.2 if such controversy, dispute, or claim concerns an allegation that you have violated (or threaten to violate, or pose an imminent risk of violating):

      i. Any federally protected intellectual property rights in the Marks, the System, trade secrets, or Confidential Information;

      ii. Any claims pertaining to or arising out of any warranty issue;

      iii. Any of the restrictive covenants contained in this Agreement; or

      iv. Any claims arising out of or related to fraud or misrepresentation by you or your insolvency.

3. Selection of Venue. Nothing contained in this Agreement shall prevent us from applying to and obtaining from any court having jurisdiction a writ of attachment, a temporary injunction, preliminary injunction and/or other emergency relief

available to safeguard and protect our interests. The parties expressly agree to the exclusive jurisdiction and venue of any court of general jurisdiction in Washtenaw County, Michigan or the United States District Court for the Eastern District of Michigan. You acknowledge that this Agreement has been entered into in the State of Michigan, and that you are to receive valuable and continuing services emanating from our headquarters in Ann Arbor, Michigan, including but not limited to training, assistance, support and the development of the System. In recognition of such services and their origin, you hereby irrevocably consent to the personal jurisdiction of the state and federal courts of the State of Michigan as set forth above and waive any objection you may have to either the jurisdiction or venue in such court. In the event that you file an action in any forum or jurisdiction in violation of this Section 15.F.3, you shall pay our costs and fees, including our reasonable attorneys' fees, in connection with any efforts to order the dispute to the proper forum or jurisdiction.

4. Prior Notice of Claims. As a condition precedent to commencing an action for damages or for violation or breach of this Agreement, you must notify us within 30 days after the occurrence of the violation or breach, and failure to timely give such notice shall preclude any claim for damages.

5. Third Party Beneficiaries. Our officers, directors, shareholders, agents and/or employees are express third party beneficiaries of the provisions of this Agreement, including the mediation provision set forth in this Section 15.F, each having authority to specifically enforce the right to mediate/litigate claims asserted against such person(s) by you.

G. INJUNCTIVE RELIEF.

Nothing in this Agreement shall prevent us from seeking to obtain injunctive relief, without posting a bond, against threatened conduct that will cause us loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary and permanent injunctions. If injunctive relief is granted, your only remedy will be the court's dissolution of the injunctive relief. If the injunctive relief was wrongfully issued, you expressly waive all claims for damages you incur as a result of the wrongful issuance.

H. CHOICE OF LAW.

Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.) or other federal law, this Agreement shall be interpreted under the laws of the State of Michigan, and any dispute between the parties shall be governed by and determined in accordance with the substantive laws of the State of Michigan, which laws shall prevail in the event of any conflict of law.

I. WAIVER OF PUNITIVE DAMAGES, JURY TRIAL AND CLASS ACTIONS.

You hereby waive to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) against us arising out of any cause whatsoever (whether such cause be

based in contract, negligence, strict liability, other tort or otherwise) and agree that in the event of a dispute, that your recovery is limited to actual damages. If any other term of this Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions shall continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages.

THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. THIS WAIVER WILL APPLY TO ANY MATTER WHATSOEVER BETWEEN THE PARTIES HERETO WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THIS AGREEMENT, THE PERFORMANCE OF EITHER PARTY, AND/OR YOUR PURCHASE FROM US OF THE FRANCHISE AND/OR ANY GOODS OR SERVICES. THE PARTIES AGREE THAT ALL PROCEEDINGS ARISING OUT OF OR RELATED TO THIS AGREEMENT, OR THE SALE OF THE 1-800 WATER DAMAGE BUSINESS, WILL BE CONDUCTED ON AN INDIVIDUAL, NOT A CLASS-WIDE BASIS, AND THAT ANY PROCEEDING BETWEEN YOU, YOUR OWNERS AND US OR OUR AFFILIATES/OFFICERS/EMPLOYEES MAY NOT BE CONSOLIDATED WITH ANY OTHER PROCEEDING BETWEEN US AND ANY OTHER THIRD PARTY.

J. BINDING EFFECT.

This Agreement is binding upon us and you and will inure to the benefit of the parties identified in the Agreement and their respective executors, administrators, heirs, assigns, and successors in interest and may not be modified, except by a written agreement signed by you and us.

K. LIMITATIONS OF CLAIMS.

Except for claims arising from your non-payment or underpayment of amounts you owe us under this Agreement, any and all claims arising out of or relating to this Agreement or our relationship with you will be barred unless a judicial proceeding is commenced within one (1) year from the date on which the party asserting the claim knew or should have known of the facts giving rise to the claim. You hereby waive the right to obtain any remedy based on alleged fraud, misrepresentation, or deceit by us, including, without limitation, rescission of this Agreement, in any mediation, judicial, or other adjudicatory proceeding arising hereunder, except upon a ground expressly provided in this Agreement, or pursuant to any right expressly granted by any applicable statute expressly regulating the sale of franchises, or any regulation or rules promulgated thereunder.

L. CONSTRUCTION AND INTEGRATION.

This Agreement and all exhibits to this Agreement constitute the entire agreement between the parties and supersede any and all prior negotiations, understandings, representations or inducements, and agreements. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you. You acknowledge that you are entering into this Agreement as a result of your own independent investigation of our 1-800 WATER DAMAGE Business and not as a result of any representations about us made by our shareholders, officers, directors, employees, agents, representatives, independent contractors, or franchisees that are contrary to the terms set forth in

this Agreement, or in any disclosure document, prospectus, or other similar document required or permitted to be given to you pursuant to applicable law.

You agree that no modifications of this Agreement (except those specifically authorized herein) shall be effective except those in writing and signed by both parties. You acknowledge that you have not received any express or implied representations or warranties regarding the sales, earnings, income, profits, gross revenues, business or financial success, value of the franchise, provided by us or our representatives or any other matters pertaining to the franchise from us or any of our officers, employees or agents that were not contained in this Agreement or the Franchise Disclosure Document received by you (hereinafter "Representations"). You further acknowledge that if you had received any such Representations, you would not have executed this Agreement, and you would have: (a) promptly notified us in writing of the person or persons making such Representations; and (b) provided to us a specific written statement detailing the Representations made. You acknowledge that we justifiably have relied on your representations made before the execution of this Agreement. Nothing in this Agreement is intended, nor is deemed, to confer any rights or remedies upon any person or legal entity not a party to this Agreement.

Except where this Agreement expressly obligates us reasonably to approve or not unreasonably to withhold our approval of any of your actions or requests, we have the absolute right, in our sole discretion, to refuse any request you make or to withhold our approval of any of your proposed initiated or effected actions that require our approval.

The headings of the sections and paragraphs in this Agreement are for convenience only and do not define, limit, or construe the contents of such sections or paragraphs.

References in this Agreement to "we," "us," and "our," with respect to all of our rights and all of your obligations to us under this Agreement, will be deemed to include any of our affiliates with whom you deal. The term "affiliate," as used in this Agreement with respect to you or us, means any person or entity directly or indirectly owned or controlled by, under common control with, or owning or controlling you or us. For purposes of this definition, "control" means the power to direct or cause the direction of management and policies.

If two (2) or more persons are the franchisee under this Agreement, their obligation and liability to us will be joint and several.

This Agreement may be signed in multiple copies, each of which will be deemed an original.

M. COMPLIANCE WITH OTHER LAWS.

You must comply with all national, state, and local laws and regulations that apply. You are solely responsible for investigating and complying with these laws.

N. WAIVERS.

We will not be deemed to have waived our right to demand exact compliance with any of the terms of this Agreement, even if at any time: (a) we do not exercise a right or power available to us under this Agreement; (b) we do not insist on your strict compliance with the terms of this Agreement; (c) there develops a custom or practice which is at variance with the terms of this Agreement; or (d) we do not demand payments which are otherwise due to us under this

Agreement. Similarly, our waiver of any particular breach or series of breaches under this Agreement or of any similar term in any other agreement between you and us or between us and any other franchise owner, will not affect our rights with respect to any later breach by you or anyone else.

O. EFFECTIVE DATE AND LOCATION OF AGREEMENT.

This Agreement shall not be effective until accepted by us as evidenced by dating and signing by an officer of us and the place of execution of this Agreement shall be the State of Michigan.

P. DAYS.

Unless otherwise specifically stated in this Agreement, the term "days" shall refer to calendar days.

Q. ADDITIONAL DOCUMENTATION.

You must from time to time, subsequent to the date first set forth above, at our request and without further consideration, execute and deliver such other documentation or agreement and take such other action as we reasonably may require in order to effectuate the transactions contemplated herein. In the event that you fail to comply with the provisions of this Section, you hereby appoint us as your attorney-in-fact to execute any and all documents on your behalf that are reasonably necessary to effectuate the transactions contemplated herein.

R. FORCE MAJEURE.

Neither you nor us or our affiliates will be liable for loss or damage or deemed to be in breach of this Agreement or any related agreement if that party's failure to perform its obligations is not the fault nor within the reasonable control of that person due to perform but results from, without limitation, fire, flood, natural disasters, acts of God, governmental acts or orders, or civil disorders. Any delay resulting from any such cause will extend the time of performance for the period of such delay or for such other reasonable period of time as the parties agree in writing or will excuse performance, in whole or in part, as we deem reasonable.

S. ANTI-TERRORIST ACTIVITIES.

You certify that neither you, nor your owners, principals, employees or anyone associated with you are listed in the Annex to Executive Order 13224 (the "Annex"). You certify that you have no knowledge or information that, if generally known, would result in you, your owners, principals, employees, or anyone associated with you being listed in the Annex. You agree to comply with and/or assist us to the fullest extent possible in our efforts to comply with the Anti-Terrorism Laws (as defined below). In connection with such compliance, you certify, represent, and warrant that none of your property or interests are subject to being "blocked" under any of the Anti-Terrorism Laws and that you and your owners or principals are not otherwise in violation of any of the Anti-Terrorism Laws. You are solely responsible for ascertaining what actions must be taken by you to comply with all such Anti-Terrorism Laws, and you specifically

acknowledge and agree that your indemnification responsibilities as provided in Section 14.C of this Agreement pertain to your obligations under this Section. Any misrepresentation by you under this Section or any violation of the Anti-Terrorism Laws by you, your owners, principals or employees will constitute grounds for immediate termination, upon notice, of this Agreement and any other agreement you have entered into with us or one (1) of our affiliates in accordance with the terms of Section 12 of this Agreement. As used herein, "Anti-Terrorism Laws" means Executive Order 13224 issued by the President of the United States, the Terrorism Sanctions Regulations (Title 31, Part 595 of the U.S. Code of Federal Regulations), the Foreign Terrorist Organizations Sanctions Regulations (Title 31, Part 597 of the U.S. Code of Federal Regulations), the Cuban Assets Control Regulations (Title 31, Part 515 of the U.S. Code of Federal Regulations), the USA PATRIOT Act, and all other present and future federal, state and local laws, ordinances, regulations, policies lists and any other requirements of any Governmental Authority (including without limitation, the United States Department of Treasury Office of Foreign Assets Control) addressing or in any way relating to terrorist acts and acts of war.

T. OUT OF STOCK AND DISCONTINUED.

We are not liable to you for any loss or damage, or deemed to be in breach of this Agreement, if we cannot deliver, or cause to be delivered, or if our designated sources or approved suppliers cannot deliver, all of your orders for ancillary goods, merchandise, equipment, supplies, etc., where such things are out-of-stock or discontinued.

STATE ADDENDA TO DISCLOSURE DOCUMENT

ADDITIONAL DISCLOSURES FOR THE STATE OF CALIFORNIA

In recognition of the requirements of the California Franchise Investment Law, Cal. Corp. Code §§ 31000-31516, and the California Franchise Relations Act, Cal. Bus. & Prof. Code §§ 20000 – 20043, the Franchise Disclosure Document, in connection with the offer and sale of franchises for use in the State of California, shall be amended to include the following:

The following is added to the Cover Page of this Disclosure Document:

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

SECTION 31125 OF THE FRANCHISE INVESTMENT LAW REQUIRES US TO GIVE YOU A DISCLOSURE DOCUMENT APPROVED BY THE COMMISSIONER OF BUSINESS OVERSIGHT BEFORE WE ASK YOU TO CONSIDER A MATERIAL MODIFICATION OF YOUR FRANCHISE OPERATOR AGREEMENT.

The cover page of this Disclosure Document is amended to state that the California's Department of Business Oversight toll free number is 866.275.2677.

Item 5 of the Franchise Disclosure Document is hereby supplemented with the following:

Based on Franchisor's financial condition, the California Department of Business Oversight requires that we post a surety bond. We have secured a surety bond in the amount of $82,500.00 from the Hartford Fire Insurance Company to ensure fulfillment of all of our pre-opening obligations to you under the Franchise Operator Agreement.

Item 6 of the Franchise Disclosure Document is hereby supplemented with the following: "The highest interest rate allowed in California is 10%."

The following paragraphs are added at the end of Item 17 of the Disclosure Document:

1. California Law Regarding Termination and Non-Renewal. California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination or non-renewal of a franchise. If the Franchise Operator Agreement contains any provision that is inconsistent with the law, the law will control.

2. Non-Competition Covenants. The Franchise Operator Agreement contains a covenant not to compete that extends beyond the termination of the franchise. This provision may not be enforceable under California law.

3. Applicable Law. The Franchise Operator Agreement requires application of the laws of the State of Michigan. This provision may not be enforceable under California law.

4. General Release. The Franchise Operator Agreement requires you to sign a general release of claims upon renewal or transfer of the Franchise Operator Agreement. California Corporations Code Section 31512 provides that any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000-31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000-20043).

5. Applicable Law. The Franchise Operator Agreement requires application of the laws and forums of the State of Michigan. This provision may not be enforceable under California law.

6. Litigation. The Franchise Operator Agreement requires that all disputes be litigated in Michigan. This provision may not be enforceable under California law. Prospective franchises are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5 and Code of Civil Procedure Section 1281) to any provisions of the Franchise Operator Agreement restricting venue to a forum outside of the State of California.

7. Financial Performance Representations. "The earnings claims figure(s) does (do) not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from Gross Sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchise business. Franchisees or former franchisees, listed in the offering circular, may be one source of this information."

Neither we, nor any person, or franchise broker in Item 2 of the Disclosure Document, is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.
