WHAT YOU NEED TO KNOW ABOUT FRANCHISING *GENERALLY*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit D.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

SPECIAL RISKS TO CONSIDER ABOUT *THIS* FRANCHISE

Certain states require that the following risk(s) be highlighted:

Out-of-State Dispute Resolution. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in California. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in California than in your own state.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

ITEM 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this Disclosure Document, "Afficient Academy" or "We" or "Our" means Afficient Academy of America, Inc., the franchisor. "You" or "Your" means the person who buys the franchise. "Afficient Academy Mark" or "Mark" means the service mark you use in operating the franchise.

Organizational History

Afficient Academy of America, Inc. is a Delaware corporation formed on November 22, 2016. We do business under our corporate name and variations of that name. Our principal business address is 1054 S. De Anza Blvd., Suite 201, San Jose, California. Our authorized agent for service of process is listed in Exhibit D.

We have two affiliates. Afficient Academy, Inc. ("AAI") has a principal business address of 1054 S. De Anza Blvd., Suite 201, San Jose, California. AAI produces and provides the software that you will use in your Afficient Academy, which is described in more detail in Items 8, 11 and 14.

Afficient Academy Learning Center of Silicon Valley, Inc. ("AA-SV") has a principal business address of 1054 S. De Anza Blvd., Suite 201, San Jose, California. AA-SV has operated a business similar to the franchises offered in this Disclosure Document since July 2015. It owns and operates all the business counted as company-owned units in Item 20 of this Disclosure Document.

Prior Business Experience

As a franchise corporation, we have not directly operated an Afficient Academy Learning Center. Since July 2015, our affiliate AA-SV has operated (and continues to operate) a business similar to the type of franchise we offer. AA-SV's business was used as the prototype for developing the franchises we currently offer. See Item 2 below for details on the individuals who operate our AA-SV. Neither Afficient Academy nor AA-SV have ever offered franchises before in this or any other lines of business.

Our Business

We grant franchises (referred to in this Disclosure Document as an "Afficient Academy Learning Center") for the right to establish and operate a children's Learning Center under our proprietary Afficient Academy Mark. In operating your franchise, you must follow our standards, specifications and operating procedures. We are engaged in no other business. A franchise for the operation of an Afficient Academy Learning Center within a defined territory is granted under the terms of our standard form Franchise Agreement found following Item 23 of this Disclosure Document.

Description of an Afficient Academy Franchise

An Afficient Academy Learning Center is an academic tutoring and education center for elementary to high school aged children. Students are enrolled into one or more of our learning programs. Afficient Academy software is specifically designed to identify children's skill level and provide step-by-step training, practice and educational support to help children build core academic skills and confidence. The software programs track individual student learning and use sophisticated algorithms to provide learning at a level customized to each child's needs. At Afficient Academy, children receive a combination of both online practice and skills testing and personalized tutoring from our on-site tutors to help them learn at their own pace and focus on their specific needs.

We currently offer English and Math programs and are developing our proprietary programs in additional subject matters.

Market, Regulatory & Competitive Factors

The services offered by an Afficient Academy Learning Center appeal to parents who are interested in giving their children a solid academic foundation or additional academic support. It is a particularly appealing option for children who enjoy technology and will be more engaged using a combination of personal attention and computer support to learn.

The market for tutoring is highly developed and competitive. Demand is strong for Learning Centers offering these high levels of academics and education. The market is somewhat seasonal; many parents enroll their children during the school year and enrollment may be lower during the summer.

You will be subject to local, county and state licensing regulations for the operation of businesses in general and this type of business in particular. Certain states may require specific certification with instructional duties. In addition, your Afficient Academy Learning Center may be subject to laws governing persons who work with children, including requirements for background checks.

You should consult with governmental agencies and your lawyer about any special requirements that may apply to you or your Afficient Academy Learning Center. You are responsible for complying with all applicable laws and regulations regardless of any general information or guidance we may provide.

You will compete with other Learning Centers and after-school educational programs.

You must directly pay (or provide independent financing for) all initial investment expenditures listed in this Item 7 to begin operations of your AffICIENT Academy Learning Center. We do not offer any financing (see Item 10). Except the circumstance where the franchise fee is refundable (see Item 5 of this Disclosure Document), none of the other investment expenditures are refundable unless you make independent arrangements with sellers or suppliers about whether, and under what conditions, payments may be refundable. Some costs and expenses will vary due to a disparity of prices, availability, and other factors. The cost of each item can and should be independently checked by you within your local area. The figures provided in this table are estimates based on our affiliate's experience starting the current locations operated by AA-SV.

The training fee cost depends on how many people need to be trained. We anticipate that in most instances it will be 1-3 people.

Your travel costs depend on how far away you are from our current training location, San Jose, California. If you are local, you will not incur travel costs, but if you do not live near our training facility, you will incur costs to fly or drive to San Jose, California, stay in a hotel or motel, and eat meals in this area. Training lasts for two weeks.

This estimate is based on a leased commercial space of approximately 1,000 - 1,200 square feet, situated in a commercial or retail zoned area in a strip mall or shopping plaza with available parking and visibility from the street.

Our estimate for construction build-out costs anticipates a finished commercial space of the size described in Note 3, above, in which you need to furnish a finished space with new carpet, new paint, add walls to construct a small private office and potentially upgrade lighting fixtures or the finishes in the restroom. If you lease a significantly larger space or a space that is unfinished or needs more significant construction, your costs will be higher.

Equipment includes computers, computer networking equipment, and furniture including tables, chairs, desks and cabinets.

We require you to install prominent and visible signage within one month of opening the business, preferably illuminated signage.

We require you to purchase a starter pack of incentive prizes to give away to children as they progress through subject matter, as well as uniforms for everyone who works at your AffICIENT

Academy Learning Center. This estimate covers the starter pack of incentives and a range of uniforms.

We require you to spend a minimum of \$2,000 on initial advertising. You may spend this money on flyer distribution, internet marketing or grand opening advertising at your Afficient Academy Learning Center.

This estimates your initial startup expenses for the first 3 months of operations based on our Affiliate's experience, adjusted for current pricing levels, in operating a similar business as discussed in Item 1 under "Prior Business Experience." This is only an estimate, and we cannot guarantee you will not have additional expenses, such as personal expenses, that exceed our estimates. Revenues and costs can vary due to many factors. The estimate assumes you will hire and pay two part-time tutors and does not include your salary. You should review all initial investment figures carefully with a competent financial business advisor.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases

We require you to purchase certain goods that we designate.

- You are required to use the Afficient software described in Item 11.
- You are required to purchase from us and provide to students in your Learning Center the incentive prizes that we designate, following our system which designates a point system and the appropriate prizes available at each point level.
- We require that you purchase from us the uniforms we designate.

We also impose the general requirement that you follow our business system in precise detail. Apart from these requirements, we currently have no required specifications, designated suppliers or approved suppliers for goods, services or real estate relating to your franchise business.

Required and Approved Suppliers

Our Affiliate is a required supplier of the Afficient software. Our Affiliate is currently working on expanding the subject matters supported by our software and in the future you will be required to offer new subject matters. At this time, it is impossible to estimate the details or revenues that may be derived from future system improvements. You will not pay our Affiliate directly for use of the software. We provide the Afficient software to you at no cost other than the fees you pay to us disclosed in Item 6.

Approval of Alternate Suppliers

We have authority to determine the vendors for the products we require you to purchase. You may suggest a new vendor by providing us with a written request. If we are willing to consider

an alternate vendor for the item you suggest, we have the right to require you to purchase at your own expense a sample sufficient for us to review the quality. We will let you know in writing within sixty (60) days if we approve the new vendor. We also have the right to require you to provide us with additional information about the vendor.

Our specifications and requirements are contained in our confidential Manuals, which are provided to you and may be updated occasionally. Future supplements, improvements or changes to our business system may require you to add or eliminate previously authorized Learning Center services or products used in your business.

Revenue from Franchisee Purchases

As of the date of this Disclosure Document, we have not earned any revenue from the sale of any goods to franchisees. We do sell uniforms to franchisees at cost, but did not sell any in 2020.

The cost of equipment and supplies purchased in accordance with our specifications will represent approximately 80% of your total purchases in establishing your business, and 30% of your total purchases during the ongoing operation of your business.

Cooperatives

We do not have any purchasing or distribution cooperatives.

Negotiated Prices

We have not yet negotiated any purchase arrangements, except for a negotiated license with our Affiliate that permits us to license the Afficient software to you at no cost other than the royalty and registration fees we require you to pay.

We may in the future negotiate purchase arrangements with other vendors.

Material Benefits

We do not provide any material benefits to you if you buy from sources we approve.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Preopening Assistance and Services

Before you open your business, we will provide the following assistance:

1. Designated Territory. Grant and define your designated territory. See Item 12 below for discussion. (Franchise Agreement ("FA") Section 2.01(b) and Exhibit 1).
2. Site Advice and Approval. Provide information about site characteristics, proximity factors, lease provisions and a list of recommended realtors. (FA Sections 3.03 and 4.01(d).) If you need an introduction to a real estate agent with experience in this type of business, we will introduce you to one or help you locate one if we do not already know one in your area. We will visit sites you have identified and provide advice regarding the suitability of your options. We have the right of final approval over any site you select, and you cannot sign a lease without our approval. The franchise is granted for a single, specific location. (FA Section 2.01.) Unless we agree otherwise, you must open for business within one hundred eighty days of the date you sign the Franchise Agreement. (FA Section 3.03.)
3. Lease. Review your lease and provide guidance. We recommend that every franchisee hire a lawyer to review their lease agreements. We do not offer legal advice, but we will review the lease to the best of our ability and point out issues that we are aware may help or harm your interests based on our management's experience. This review does not replace a lawyer's review.

The goal of the training program is to familiarize you with all facets of operating the business. Training is mandatory for all owners and managers, and you must satisfactorily complete all segments of training before starting business operations. Determination of whether you satisfactorily complete training rests solely with us (FA Section 4.01(a)). The training program is given so you complete it about thirty days before the intended opening of your business. Your travel and living expenses while attending the training program are your responsibility. Attendance at additional training programs given through Franchisee Conventions (discussed below) or if a new person assumes management of your franchise (discussed below) is also required. In training you, we use the services and draw upon the expertise of our operating personnel who have primary responsibility and experience for training in the areas of marketing, administrative, technical and other management functions. Instructional materials include a course curriculum and excerpts from our confidential Start-Up Guide, Operations Manual and Policy Manual. Training covers the topics listed in the table below and includes an exercise to create a business plan and enrollment goals, and to teach you how to maintain and update your business plan.
5. Marketing Support. Provide you with marketing ideas and our marketing guidelines. We announce your Grand Opening on the Afficient Academy main website, and we create a site specific page on our Afficient Academy website for your franchise. We will also designate the name of your Learning Center.

6. Grand Opening Support. Assist you with planning and attend your Grand Opening.
7. Confidential Operating Manuals. Loan to you one complete copy each of our confidential Start-Up Guide, Operations Manual and Policy Manual containing, among other things, specifications, instructions and requirements about authorized services, suppliers, standards and operating procedures. These manuals always remain our property and we may change any manual occasionally to reflect changes in our business system. You must treat the manuals and all information in them as confidential. You must keep all manuals current and follow new or changed provisions. The master copy of each manual maintained at our principal office is controlling in the event of a dispute about the contents of any manual. (FA Section 3.06(a)(iv).) We will permit you to view a copy of the Operations Manual prior to signing the Franchise Agreement.
8. Initial Forms. Provide you with copies of enrollment and other operating forms as detailed in our manuals.

Assistance, Support and Services During Operations
("Section" refers to section(s) of the Franchise Agreement)

After your business begins operations, we will provide:

1. Start Up Assistance. Assist you remotely for a period of up to two weeks at your franchise to aid in learning operations and to assist in establishing standard operating procedures. (FA Section 4.02(a).)
2. Consultation. Provide continuing support by having representatives at our corporate office available to answer questions arising in the day-to-day operation of your business. (FA Section 4.02(a).)
3. Proprietary Software. Provide you with a license to use and base your tutoring programs on our proprietary Afficient Math and Afficient English Language Arts software programs, together with any future software programs we offer under the Afficient brand.
4. Franchisee Conventions. We may, but are not required to, sponsor annual seminars for updates on new management techniques, industry trends and other topics of interest. We have the right to charge for these seminars. If we do, we have the right to charge you to attend. It is your responsibility to pay all travel, living and other expenses incurred by you in attending these seminars, as well as your share of renting any conference room, etc. Attendance at seminars is encouraged but not mandatory. (FA Section 4.02(b).)
5. Manager Training. Provide training (in accordance with our then-current Manager Training Fee Schedule) if a new person becomes an approved manager of your franchise. (FA Section 4.01(a).)
6. Consulting. If you request, we will provide additional support or on-site consulting services in accordance with our then-current consulting fee schedule. (FA Sections 4.02(a) and (f).)

7. Protection of Mark. Take all steps reasonably necessary to preserve and protect the ownership and validity of our service mark, and to permit other franchisees to use the mark only in accordance with our standards and specifications. (FA Section 4.03.)

Computer System

Your Afficient Academy Learning Center must have enough computers for all students present at the same time at your Learning Center to use a computer and run an Afficient software module. We require you to use desktop computers with monitors no smaller than 20". We strongly encourage you to purchase identical computers for a uniform look, and have the right to prohibit you from using a combination of different sized computer monitors that present an unappealing appearance. All computers will need to have the capability to use an internet browser to access our software.

We require you to start with a minimum of 10 computers. We estimate that your computer cost will be in the range of \$8,000 - \$12,000.

We have the right to inspect your books, records, data and financial statements, and this right includes access to the software programs used to compile this information. (FA Section 3.15(b).)

Updating Requirements

In general, you will update or upgrade the various programs used on your computer, just as any computer user does. There is no contractual limit on the frequency or cost of this updating process, but because the only software components we require you to use are our software, which we provide to you at the costs listed in Item 6 and an internet browser which typically provides updates at no cost, we estimate that there should be no annual cost for you to maintain current software, unless you elect to use third party software we do not require.

We anticipate that you will need to replace the computers in your Learning Center approximately once every five years. The cost to do this is listed above.

We might also ask you to implement other software or hardware related to system improvements to better manage children's progress and staff records. If we do, you may be required to pay a monthly or annual fee for the software or hardware we will require.

Estimated Opening Time

We estimate the typical length of time between the signing of the Franchise Agreement and the opening of your franchise to be three to six months. Factors affecting this time include time to schedule, attend and successfully complete our training program, finding an appropriate site, lease negotiations, time to comply with various permit and licensing requirements, time for delivery and installation of equipment and furniture items as well as interviewing and hiring tutors. Unless we agree otherwise, you must commence business operations within 180 days of the date you sign the Franchise Agreement. We require you to put up permanent electrical signage within 1 month of opening the business. (FA Section 3.03(a).)

TRAINING PROGRAM

Subject	Hours of Classroom Training	Hours of Training On-the-Job	Location⁽¹⁾
Learning Center Operations	6	18	San Jose, CA
Afficient Math	4	24	San Jose, CA
Afficient English	4	24	San Jose, CA
TOTAL	14	66	

⁽¹⁾ Due to the Covid-19 pandemic, we have been offering training virtually. Once it is safe to gather again, we will return to having in person training, which will take place at our headquarters in San Jose, California.

Our current training program will take approximately two weeks to complete. These estimated hours cover the dynamics of operating an Afficient Academy Learning Center and includes the subjects described. Training will be provided by trainers with at least six months experience with our company and a Bachelor's degree or equivalent in their field.

The training program for new franchisees is scheduled throughout the year on an as-needed basis.

During your training program you will have access to elements of our curriculum which are considered intellectual property and you must agree not to distribute, share, publish or use this information outside of your franchise.

ITEM 12 TERRITORY

You are given an area, usually defined by street boundaries, highways, counties, political subdivisions or other means on a map. This mapped area is called your "Designated Territory" or "Territory" in the franchise agreement. It is specified and attached as Exhibit 1 before you sign the franchise agreement. Once the signing takes place, you are responsible for determining and selecting the exact location of your franchise within this area.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Our affiliate AAI offers a service called Remote Monitoring which allows students who do not have a Learning Center in their community to complete Afficient Academy programs. If there are Remote Monitoring students in the Territory you acquire, AAI will strongly encourage these students to enroll with your Learning Center, but we do not require them to do so. After you

open your Learning Center, we will encourage students in your Territory to enroll with your Learning Center, but we will permit them to enroll in Remote Monitoring if they are unable to go to your location or if they move out of your Territory but want to stay enrolled at your Learning Center. We will permit you to offer Remote Monitoring services to students within your Territory, provided that you meet our requirements, which include having available tutors for the subject areas in which you will offer these services.

All franchisees are free to enroll students regardless of where those children live or attend school. There may be children who reside in your Territory who attend an AffICIENT Academy Learning Center outside of your Territory. You are not permitted to offer Remote Monitoring to any students outside of your Territory.

Right of First Refusal to Open Additional Franchises

Where we can demonstrate that your Territory will support the opening of another AffICIENT Academy Learning Center without significantly harming the attendance at your existing Learning Center(s), we may offer the right to open another AffICIENT Academy Learning Center within the Territory described in your franchise agreement.

Before we will offer the opportunity to open a new AffICIENT Academy Learning Center within the Territory described in your franchise agreement, we will first offer it to you in writing. You will have 60 days in which to decide whether you will open another Learning Center within the Territory. If you elect to open the additional AffICIENT Academy Learning Center, you must pay the then-current Initial Franchise Fee, promptly sign the then-current form of franchise agreement, and open the new Learning Center within the time frame required under our then-current system terms.

If you decline to open the additional Learning Center within the Territory or fail to respond to us within 60 days of our notice of intent to open an additional Learning Center, we may operate, or grant another franchisee the right to operate, an AffICIENT Academy Learning Center franchise in the Territory described in your franchise agreement.

If we grant the right to open another Learning Center within the Territory described in your franchise agreement to a third party and subsequently determine that the Territory can support a third or more Learning Center, the right to operate such Learning Center will first be offered to owner who is geographically closest to the area in which we determine an additional Learning Center can be established.

ITEM 13 TRADEMARKS

During the term of the Franchise Agreement, we grant you a license to use the service mark "AFFICIENT ACADEMY," (referred to in this Item as the "Mark"). Your continuing ability to use the Mark depends on following all applicable standards, specifications and operating procedures as set forth in our Franchise Agreement and our confidential Operations Manual and Policy Manual.

We have one federally registered trademark with the United States Patent & Trademark Office, shown in the chart below. All maintenance filings have been made for this registered trademark.

Mark	Registration Number	Date Registered
AFFICIENT ACADEMY	5,269,925	August 22, 2017

Our right to license others to use the above Mark comes from an exclusive license agreement between our Affiliate, Afficient Academy, Inc., and us. This agreement has a term of 10 years and, unless canceled or modified, may be renewed by us for additional terms of 10 years each. The agreement can be modified only if both parties agree in writing. The agreement can be canceled only if we engage in or permit acts that reflect unfavorably on the reputation and goodwill of the Mark. Even if the license agreement were canceled, this would not adversely affect any rights you have to use the Mark under your franchise agreement.

You must notify us if you discover any unauthorized use of the Mark (or a colorable imitation of them), or if litigation involving the Mark is started or threatened. Although the franchise agreement requires us to take all steps reasonably necessary to preserve and protect the ownership and validity of the Mark, we are not specifically obligated to protect any rights you have to use the Mark or to protect or indemnify you against claims of infringement or unfair competition. We have the right to control any litigation or administrative proceeding involving the Mark. You have no specific rights under the Franchise Agreement if we require you to modify or discontinue use of the Mark as a result of a proceeding or settlement.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents

U.S. Patent No. 9818306 was issued to Afficient Academy, Inc. on November 14, 2017. It covers a methodology used in the software that you will be licensed to use in your Afficient Academy Learning Center.

Our right to use or license this patent is not materially limited by any agreement or known infringing use.

You must tell us immediately if you learn about an infringement or challenge to our use of this patent. We will take action that we think is appropriate. You must also agree not to contest our interest in these.

If we decide to add, modify, or discontinue the use of an item or process covered by a patent, you must also do so. Our sole obligation is to reimburse you for the tangible cost of complying with this obligation.

Although we are not obligated to defend your use of these items or processes, we will reimburse you for damages and reasonable costs incurred in litigation about them.

Copyrights

We have not registered any copyrights material to the franchise with the U.S. Copyright Office as of the effective date of this disclosure. We do claim copyright protection and trade secret protection (discussed below) for our confidential Operations Manual and Policy Manual, as well as Start-Up Guide and curriculum and intellectual property.

Proprietary Trade Secrets

The franchise agreement describes, and our Operations Manuals contain, proprietary and trade secret know-how developed by us and licensed to you. In addition, our software code and portions of the software that are not visible to children or parents who participate in Afficient Academy tutoring is proprietary to us. This proprietary information is referred to below as our "System." Under the terms of the franchise agreement: (i) you do not acquire any interest in our System, other than the right to use it in the operation of your franchise during the term of your agreement; (ii) you agree not to use our System in any business or capacity other than the development and operation of your franchise; (iii) you agree to treat the software and the Operations Manuals, including updates, in confidence as trade secrets; (iv) you agree not to make any unauthorized copies of any software or Manual or any other confidential information supplied by us and (v) you agree to take specific steps to maintain the confidentiality of our System during and after the term of your franchise. We are not aware of any infringing uses that would materially affect your use of our proprietary materials.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

We do not require you to personally participate (on a full time basis) in the direct operation of the franchise business, however we strongly recommend that you do so. If you do not personally manage the operation of your Afficient Academy, you must hire a full-time manager to oversee operations.

Any manager(s) hired by you must first be approved by us and trained. We will only approve managers who have business experience and enough technical knowledge to be able to operate and trouble-shoot various computer issues. We will provide you with a specific list of skills that your manager must have. They must also successfully complete our training program - see Item 6 above under "New Manager Training." We also require that any manager employed by you enter into a written confidentiality agreement. See Item 14 above. We do not require that your manager(s) have an ownership interest in your franchise.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must (1) offer and sell only those Learning Center programs and curriculums that we have approved for sale in writing; (2) offer and sell all types of Learning Center programs and curriculums we specify; (3) refrain from any deviation from our standards and specifications without our prior written consent; and (4) discontinue offering and selling any Learning Center programs and curriculums which we may, in our discretion, disapprove in writing at any time.

There are no contractual limits on our right to make changes or improvements to services (or products) offered as part of our system. All Learning Center programs and curriculums must meet our then-current standards and specifications, as specified in our Manuals or otherwise in writing. See also Items 8 and 9.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Shareholders of
Afficient Academy of America, Inc.
San Jose, California

Report on the Financial Statements

We have audited the accompanying financial statements of Afficient Academy of America, Inc. (the Company) which comprise the balance sheet as of December 31, 2020, and the related statements of comprehensive income(loss), changes in shareholder's equity, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Afficient Academy of America, Inc. as of December 31, 2020, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Afficient Academy of America, Inc. (the Company), a wholly owned subsidiary of Afficient Academy, Inc., a Delaware corporation (the Parent), was incorporated under the laws of the State of Delaware on November 22, 2016. The Company was also qualified to transact business in the State of California commencing on December 2, 2016. The Company operates as a franchisor which grants franchisees the right to establish and operate children's learning centers under their proprietary "Afficient Academy" trade mark and business model. The Company relies on its Parent company for financial support until it develops wider franchisee base.

Basis of Accounting

The Company uses the accrual method of accounting for financial statements and income tax purposes. Revenue is recognized when earned and measurable; expenses are recognized in the period incurred, if measurable.

Revenue Recognition

The Company recognizes revenue from franchise fees, teacher training fees and royalty fees. Initial franchise fee and training fees; are recognized as revenue on a straight-line basis over the term of the respective franchise agreement. Royalties are based on performance obligation under the franchise agreement and are recognized as franchise sales occur.

Cash and Cash Equivalents

NOTES FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2020

Management Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities, and reported amounts of revenues and expenses in the financial statements and accompanying notes. Actual results could differ from those estimates.

Certain Significant Risks and Uncertainties

The Company operates in a dynamic industry and, accordingly, can be affected by a variety of factors. Risks include competition from companies with greater resources and well-established franchising approach. Development of sales channels and networks in a rapidly changing environment also indicate uncertainties in the business operation.

Recent Accounting Pronouncements

The Company has adopted in 2020, the Financial Accounting Standards Board issued ASU 2014-09 – (ASC 606) Revenue from Contracts with Customers, a new standard that replaces most revenue recognition guidance under current U.S. GAAP. This update requires the Company to reevaluate when revenue is recorded on a transaction. This update also requires additional disclosures about the nature, amount, timing, and uncertainty of revenue and cash flows arising from customer contracts, including significant judgements and estimates.

Under the previous standards, initial franchise fees and training fees were recognized as revenue when the related franchisees signed a facility lease and completed the Company's new franchisee training. Royalties are calculated at the numbers of enrolled students monthly and recognized in a lag over the agreement. By the adoption of ASC 606, initial franchise fee and training fees, are recognized as revenue on a straight-line basis over the term of the respective franchise agreement. Royalties are entirely based on performance obligation under the franchise agreement and are recognized as franchise sales occur. The Company's Financial Statements reflect the application of ASC 606 guidance beginning in 2020. The \$283 cumulative effect of the transition to ASC 606 is reflected as prior period adjustment to January 1, 2020 retained earnings. As the Company evolves, management continues to evaluate the adoption method and the potential impact that the implementation of ASC 606 will have on the financial statements, specifically related to revenue disclosures which are expected to expand and may require judgement in certain areas.

In February 2016, the Financial Accounting Standards Board issued ASU 2016-02 – Leases (Topic 842), revising accounting for operating leases for lessees. This update requires a lessee to recognize a liability to make lease payment and an asset representing its right to use the asset for the lease term on the balance sheet. Additionally, this update requires both qualitative and specific quantitative disclosures. These amendments in this update are effective for the

AFFICIENT ACADEMY OF AMERICA INC.

It is the Company's policy that if a tax liability related to uncertain tax position was recorded, it would recognize any associated interest and penalties in operating expenses. For the year

AFFICIENT ACADEMY OF AMERICA INC.

ended December 31, 2020, the Company recognized no interest expense and penalties and had no amount accrued at December 31, 2020 as a result of the implementation of FASB ASC 740-10.

6. **SUBSEQUENT EVENT**

The Company has evaluated subsequent events through May 17, 2021, the date which the financial statements were available to be issued.

The Covid-19 pandemic has developed rapidly in 2020, with no sign of slowing down throughout the date of this report. Measures taken by various governments to contain the virus have affected economic activity globally and the Company's business in various ways. The main impact is the reduction of economic activity with all of the employees and customers interface through the web instead of in person. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Afficient Academy of America, Inc. as of December 31, 2018, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES FINANCIAL STATEMENTS DECEMBER 31, 2018

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

Afficient Academy of America, Inc. (the Company), a wholly owned subsidiary of Affcient Academy, Inc., a Delaware corporation (the Parent), was incorporated under the laws of the State of Delaware on November 22, 2016. The Company was also qualified to transact business in the State of California commencing on December 2, 2016. The Company operates as a franchisor which grants franchisees the right to establish and operate children's learning centers under their proprietary "Affcient Academy" trade mark and business model. The company relies on its Parent company for its funding until it develops wider franchisee base.

Basis of Accounting

The Company uses the accrual method of accounting for financial statements and income tax purposes. Revenue is recognized when earned and measurable; expenses are recognized in the period incurred, if measurable.

Revenue Recognition

The Company recognizes revenue from franchise fees upon franchisee initiation, teacher training fees and royalty fees based on franchisee's student enrollment.

Cash and Cash Equivalents

Cash and cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash, and so near their maturity that they present insignificant risk of changes in interest rates. Commercial papers, negotiable certificates of deposit, and bank acceptances with original maturities of three months or shorter at investment date are considered to be cash equivalents.

Other Comprehensive Income (Loss)

Following current accounting literature for other comprehensive income (loss), elements of other comprehensive income is reported net of tax or gross of tax with aggregate tax effect disclosed separately. Our elements of other comprehensive income primarily consist of currency translation adjustments. The Company has no other comprehensive income for the year ended December 31, 2018.

Management Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and

AFFICIENT ACADEMY OF AMERICA INC.

NOTES FINANCIAL STATEMENTS DECEMBER 31, 2018

liabilities, and reported amounts of revenues and expenses in the financial statements and accompanying notes. Actual results could differ from those estimates.

Certain Significant Risks and Uncertainties

The Company operates in a dynamic industry and, accordingly, can be affected by a variety of factors. Risks include competition from companies with greater resources and well-established franchising approach. Development of sales channels and networks in a rapidly changing environment also indicate uncertainties in the business operation.

Recent Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board issued ASU 2014-09 - Revenue from Contracts with Customers, a new standard that will replace most revenue recognition guidance under current U.S. GAAP. This update will require the Company to reevaluate when revenue is recorded on a transaction. This update will also require additional disclosures about the nature, amount, timing, and uncertainty of revenue and cash flows arising from customer contracts, including significant judgements and estimates. The Revenue Recognition update will become effective for the Company beginning 2019.

In February 2016, the Financial Accounting Standards Board issued ASU 2016-02 – Leases (Topic 842), revising accounting for operating leases for lessees. This update requires a lessee to recognize a liability to make lease payment and an asset representing its right to use the asset for the lease term on the balance sheet. Additionally, this update requires both qualitative and specific quantitative disclosures. This amendments in this update are effective for the Company beginning 2020 and early adoption is permitted. The Company intends to adopt the accounting for leases beginning in 2019.

In August 2016, the Financial Accounting Standards Board issued ASU 2016-15 – Statement of Cash Flows (Topic 230), Classification of Certain Cash Receipts and Cash Payments. This amendment addresses eight issues for which current GAAP does not include specific guidance or is unclear, pertaining to cash flow statement classification of activity related to debt and certain other activities. ASU 2016-15 is effective for the fiscal year beginning in 2019.

Due to the nature of the Company's business model, the Company does not anticipate significant impact to its financial statement by the adoption of these new accounting principles.

AFFICIENT ACADEMY™ FRANCHISE AGREEMENT

THIS AGREEMENT between Afficient Academy of America, Inc., a Delaware corporation, hereinafter referred to as "Franchisor", and _____, a _____ hereinafter referred to as "Franchisee", is made on the basis of the following understandings and recitals and in consideration of the following promises, and the parties hereto, intending to be legally bound, agree as follows:

ARTICLE 1. RECITALS

1.01 The Afficient Academy Learning Center System.

As the result of the expenditure of time, effort and money in research and development, Franchisor has developed and has the right to license a method and system (hereinafter referred to as the "Afficient Academy System" or "System") for the development and operation of a learning center (which business is herein referred to as an "Afficient Academy Learning Center" or "Learning Center"). Franchisor is in the process of developing a network (hereinafter referred to as the "Afficient Academy Network" or "Network") of franchises to use the System on a mutually cooperative and interrelated basis.

1.02 Proprietary Marks.

Franchisor grants franchises to be operated under the proprietary service mark "Afficient Academy" (herein referred to as the "Mark"). Franchisor continues to develop, use and control the Mark so that consumer recognition thereof will continue, and Franchisee agrees to represent the System's high standards of service, quality and appearance.

1.03 Operating Standards.

Franchisee acknowledges reading this Agreement and Franchisor's Uniform Franchise Disclosure Document and understands and accepts the terms, conditions and covenants contained in this Agreement as being reasonable and necessary to maintain Franchisor's high standards of service, quality and appearance, as well as the consistency of these standards by all franchises within the Network, in order to protect and preserve the goodwill of the Marks. Franchisee therefore agrees to operate the Learning Center as an integral part of the Franchisor's Network and System as they may be changed, approved and developed from time to time, and in this operation adhere to the uniform standards, procedures and policies set forth below.

1.04 Franchisee Desires A License.

Franchisee desires to establish a Learning Center under the System, within the territory hereinafter set forth, and to use in connection therewith the Franchisor's Mark and System, and provide learning center curriculums, progressive levels, interactive software and testing programs and other services and products authorized for the Learning Center, as an integral part of the Franchisor's Network, and to derive the benefits of Franchisor's reputation, advice, experience, guidance and know-how.

1.05 Granting of Franchises.

Franchisor grants to franchisees, for considerations, the right to conduct a business utilizing the Franchisor's System, as part of the Franchisor's Network, offering learning center services and products approved by Franchisor, and utilizing its formats, methods, specifications, standards, operating procedures, guidance and Mark.

1.06 Investigation of Franchise.

Franchisee acknowledges having investigated Franchisor and the competitive market thereof and recognizes that the business contemplated by this Agreement involves business risks which make the success of the venture subject to many variables, including, but not limited to, the business abilities, skills and efforts of Franchisee.

1.07 No Earnings Claims; No Misrepresentations.

Franchisor expressly disclaims the making of, and Franchisee acknowledges not having received or relied upon any warranty or guaranty, express or implied, oral or written, regarding the potential sales, profits or success of the business contemplated by this Agreement. Franchisee further acknowledges not having received any representation by Franchisor or its officers, employees or agents that is contrary to the information contained in Franchisor's Franchise Disclosure Document or the terms herein, and further represents to Franchisor, as an inducement to its entry into this Agreement, that Franchisee has made no misrepresentations in obtaining this franchise.

1.08 Receipt of Disclosure Document; Completed Contract.

Franchisee acknowledges having reviewed the Franchisor's Franchise Disclosure Document and all Exhibits attached thereto for at least fourteen (14) days prior to the signing of any contract with Franchisor or the payment of any money or other consideration relating to the franchise herein. Franchisee further acknowledges having received a separate copy of this Agreement in completed form (i.e. in form for signing with no blanks or open terms, excepting only signatures) at least seven (7) days prior to signing this Agreement with Franchisor or paying any money or other consideration relating to the franchise herein.

ARTICLE 2. GRANT OF FRANCHISE

2.01 Grant of Franchise; Territory

(a) Grant of Franchise. Subject to and upon all of the terms and conditions set forth in this Agreement, Franchisor grants to Franchisee the right and license, and Franchisee undertakes the obligation to establish and operate a Learning Center under the System and the Mark as Franchisor directs, and to use the Mark in connection with the various learning center services utilized in the operation of the Learning Center from a single specific location (herein referred to as the "Premises") which is located within the area described in Exhibit 1 attached hereto and made a part hereof.

(b) Territory. Franchisor has the sole authority to determine how many learning centers under the System and the Mark may be supported in the area described in Exhibit 1 of this Agreement. During the term of this Agreement, Franchisor may determine that this area (the "Territory") can support another learning center. However, so long as Franchisee remains in good standing, as defined herein, Franchisor may not operate, nor will it grant others a license to operate a Learning Center under its System at any location within the Territory without first offering Franchisee an option to purchase under Section 2.01(c) of this Agreement.

(c) Franchisee Option to Purchase. In the event that Franchisor determines that an additional learning center may be supported within the Territory, the parties shall follow the following steps:

(i) Franchisor shall provide written notice to Franchisee of its determination to offer another learning center within the Territory.

(ii) Franchisee shall have no more than sixty (60) days from the date of such notice to provide Franchisor with written notice of Franchisee's intention to operate the additional learning center. Franchisee shall then have an additional thirty (30) days in which to sign the then-current form of franchise agreement for the additional learning center and pay all initial fees due under such franchise agreement to Franchisor in full.

(iii) If Franchisee declines to open the additional learning center or fails to respond to Franchisor within sixty (60) days of Franchisor's notice to Franchisee, Franchisor shall have the right to operate or grant to another franchisee or franchisees the right and license to operate, a Learning Center under the System and Mark at another location within the Territory. The parties agree that Franchisee's waiver of its option to purchase shall not be deemed a waiver of any future options, except as provided in section 2.01(a)(iv).

(iv) If Franchisee declines to open an additional learning center and a third party elects to open it, then if Franchisor determines that a third (or more) learning center may be supported within the Territory, Franchisor shall offer the first option to purchase such learning center to the franchisee whose existing learning center is geographically closest to the anticipated location of such additional learning center. If this is not Franchisee, then if the third party franchisee declines, Franchisor shall next offer the learning center to Franchisee before offering it to a new franchisee not operating within the Territory.

(v) For avoidance of doubt, this section does not apply to any geographic area outside of the Territory as described in Exhibit 1 of this Agreement.

2.02 Further Rights & Privileges.

Subject to and upon all of the terms and conditions set forth in this Agreement, Franchisor further grants to Franchisee the following rights and privileges:

(a) Marks. Use of the Mark as Franchisor directs, but only within the Territory and only in connection with authorized learning center services including curriculums, software and other services, products and supplies authorized by Franchisor;

(b) System. Use of the Franchisor's System, which term as herein used refers to the System as presently existing and as it may be developed, changed and improved during the term of this Agreement, in marketing and providing approved learning center services and generally in conducting and operating the Learning Center; and

(c) Software. Use of the proprietary software licensed by Franchisor ("Software") and a license to permit all enrolled students in Franchisee's Learning Center to use such Software.

2.03 Term and Renewal

(a) Term. This Agreement and the appointment of Franchisee hereunder shall commence on the date this Agreement is executed and, unless previously terminated as herein provided, shall expire on the fifth (5th) anniversary of the date on which this Agreement was executed.

(b) Renewal Options. The term of this Agreement and the appointment hereunder may be extended for an additional term of five years, exercisable by written notice from Franchisee to Franchisor, no less than thirty (30) and no more than one-hundred-eighty (180) days prior to the expiration of the initial term; provided that at the end of the initial term:

(i) Franchisee is not at the time of the exercise or at the commencement of the extension term, in default of the performance of any of Franchisee's obligations hereunder; and

(ii) Franchisee has not been in default three (3) or more times within the immediately preceding twelve (12) month period; and

(iii) All monetary obligations owned by Franchisee to Franchisor have been fully satisfied prior to the commencement of the extension term; and

(iv) At the option of Franchisor, Franchisee shall execute Franchisor's then-current form of Franchise Agreement which shall waive any initial franchise fees and provide for the same royalty and other fees required by this Agreement; and

(v) At the option of Franchisor, except to the extent limited by applicable law, Franchisee executes a general release, in a form prescribed by Franchisor, of any and all claims against Franchisor, and its officers, directors, agents and employees, arising out of or relating to this Agreement.

ARTICLE 3. FRANCHISEE'S OBLIGATIONS & DUTIES

3.01 Initial Fees

(a) Initial Franchise Fee. In consideration of the grant of franchise, and of the rights and privileges relating thereto, herein above made, Franchisee shall pay to Franchisor a franchise fee payable upon the signing of this Agreement in the amount of One Thousand Dollars (\$1,000). This fee shall be paid solely for the grant of franchise rights and privileges,

shall be fully earned upon execution of this Agreement, and shall be in addition to all other fees, royalties, costs and other expenditures of any kind required of Franchisee under the terms hereof, or any sums otherwise becoming due from Franchisee for any reason. The franchise fee, except as provided in subparagraph (c) below, is not refundable under any circumstances.

(b) Training Fee. In consideration of the training and pre-opening services provided by Franchisor as specified in Section 4.01(a) and 4.02(a), Franchisee shall also pay to Franchisor no later than sixty (60) days prior to opening the Learning Center or two (2) weeks prior to attending training, whichever is earlier, the sum of Five Hundred Dollars (\$500.00) per person scheduled to receive training. The training fee, except as provided in subparagraph (c) below, is not refundable under any circumstances.

(c) Inability to Open Learning Center. In the event that Franchisee fails to open its Learning Center within 180 days of executing this Agreement, Franchisor shall have the right, in its sole discretion, to terminate this Agreement. Franchisor shall not be required to refund any amounts paid by Franchisee unless Franchisor determines, in its sole discretion, that Franchisee's inability to open the Learning Center within the required time frame was due to circumstances beyond Franchisee's control.

3.02 Royalties & Registration Fees.

(a) Royalty Amount and Payment Schedule. In further consideration of the grant of franchise and related rights and privileges hereunder, and in consideration of the services to be rendered by Franchisor to Franchisee in support of Franchisee's operations as below provided, Franchisee shall pay to Franchisor a monthly royalty equal to Thirty Six Dollars (\$36.00) per Enrolled Student, per Subject Matter for which such student enrolls at the Learning Center, on or before the tenth (10th) day of each calendar month for the preceding calendar month's enrollment.

(b) Royalty Reduction. If Franchisee retains a tutor who meets Franchisor's established criteria for tutoring to the high school level of a subject matter, and Franchisee enrolls students at the high school level for a total of 10 subject months ("Subject Months"), Franchisor will charge Franchisee a reduced royalty ("Reduced Royalty") of Thirty Three Dollars (\$33.00) per Enrolled Student. The Reduced Royalty will apply to all students in the subject matter, regardless of grade level. If Franchisee loses all high school level enrolled students for a continuous period of six (6) months, Franchisee will lose the Reduced Royalty and must meet the same qualifications to reclaim it. Franchisee may not enroll high school level students until Franchisor has approved Franchisee's tutor's qualifications.

(c) Registration Fee. In further consideration of the grant of franchise and related rights and privileges hereunder, and in consideration of the services to be rendered by Franchisor to Franchisee in support of Franchisee's operations as below provided, Franchisee shall pay to Franchisor a Registration Fee of Ten Dollars (\$10.00) per new Enrolled Student.

(d) Definitions; Illustrations. As used herein the term "Enrolled Student" means every student enrolled as of the last day of the calendar month. A new Enrolled Student is a student who enrolls in a particular month. A student who has previously enrolled in the

Learning Center but who terminates in a prior month and later re-enrolls is counted as a new Enrolled Student. As used herein, "Subject Matter" means each academic subject for which Franchisor provides Software or a curriculum for use in the Learning Center. "Subject Month" means one student enrolled for one month. For illustrative purposes, two hypothetical calculations are shown below.

(e) Future Programs. Franchisor will establish the per student royalty fee for future programs at the time such programs are offered. Franchisee is not required to offer new programs, but must pay the established royalty if Franchisee chooses to offer such programs.

3.03 Selection and Lease of Premises.

(a) Unless otherwise agreed by Franchisor, Franchisee must have identified an approved location and be prepared to sign the lease for such Premises at the time this Agreement

is signed. In any event, and unless otherwise specified by Franchisor, Franchisee shall commence business operations within 180 days of the date this Agreement is signed. Franchisee must put up permanent electrical signage within one month of opening the business. Franchisee acknowledges and agrees that Franchisor's furnishing minimum site criteria for the Premises does not constitute an express or implied assurance, representation or warranty of any kind.

(b) Franchisee may not execute any lease without prior approval of its site by Franchisor, which shall not be unreasonably withheld.

(c) Franchisee's Lease must contain each of the following provisions:

(i) a provision granting Franchisee the right to assign the lease without penalty to Franchisor upon termination or expiration of this Agreement; and

(ii) a provision that the lessor will notify Franchisor of any breach of Franchisee's lease, and allow Franchisor a reasonable opportunity to cure the breach; and

(iii) A provision allowing Franchisor to assume Franchisee's Lease, at its option, in the event of material breach or abandonment by Franchisee; and

(iv) a provision granting Franchisor the right to exercise any right to renew the lease, if a right exists and Franchisee fails to exercise the right; and

(v) a provision that the lease may not be materially modified without Franchisor's prior written consent and that Franchisor will receive copies of all such modifications when proposed and when executed.

3.04 Advertising, Public Relations and Marketing.

(a) Grand Opening Advertising. Franchisee shall spend a minimum of Two Thousand Dollars (\$2,000) to promote the opening of its Learning Center no later than three (3) month after opening for business.

(b) On-Going Advertising. On an on-going basis, Franchisor does not require Franchisee to spend a minimum amount on advertising, but Franchisee acknowledges that advertising is an integral and important part of promoting its Learning Center. Franchisor strongly recommends that Franchisee engage in advertising for its Learning Center.

(c) Advertising Standards. All advertising by Franchisee shall be completely factual and shall conform to the highest standards of ethical advertising. Franchisee agrees to refrain from any business or advertising practice that may be injurious to the Franchisor's System or the goodwill associated with the Mark. Without limiting the foregoing, Franchisee agrees that all advertising and promotions by Franchisee in any form and in any medium shall be conducted in a dignified manner and shall conform to such standards and requirements as Franchisor may

from time to time designate in writing. Franchisee may not place advertisements targeted in any material manner into another franchisee's territory without that franchisee's prior written consent. Franchisee shall submit to Franchisor (by mail, return receipt requested), for prior written approval, samples of all advertising and promotional plans and materials that Franchisee desires to use and that have not been prepared or previously approved by Franchisor. If written approval thereof is not received by Franchisee, Franchisor shall be deemed not to have given the required approval. Franchisor's approval of advertising or promotional plans does not constitute permission or approval to place such advertisements into another franchisee's territory.

3.05 Late and Insufficient Payments

(a) Late Payment Amount. Any payment not sent by Franchisee by the due date or not made available for bank draw by Franchisor, as required by this Agreement, shall be deemed overdue. If any payment is overdue, Franchisee shall pay Franchisor, in addition to the overdue amount, an interest amount calculated at one percent (1%) per month of the overdue amount. This total is due upon receipt of the past due invoice and shall be deposited directly to Franchisor's bank account, as specified by Franchisor.

(b) Insufficient Fee Penalties. Any payment or draw due to Franchisor that is rejected for insufficient funds shall immediately accrue an Insufficient Fee penalty of Twenty-Five Dollars (\$25.00) due immediately to Franchisor. Franchisee shall also be required to immediately pay the underlying amount that is unpaid to Franchisor.

(c) No Waiver. Franchisee acknowledges that this Section 3.05 shall not constitute an agreement by Franchisor to accept any payments after they are due or a commitment by Franchisor to extend credit to, or otherwise finance Franchisee's Learning Center. Further, Franchisee acknowledges that failure to pay all amounts when due shall constitute grounds for termination of this Agreement, as provided in Section 5.02, notwithstanding the provisions of this Section.

3.06 Operation of Learning Center.

Franchisee shall follow the Franchisor's start-up timetable as delivered during the Franchisor's training program regarding the development and commencement of Learning Center operations and shall thereafter, continuously operate the Learning Center devoting Franchisee's full time, best efforts, skills, and diligence to the Learning Center, selling and providing only those learning center services, products and supplies authorized or required to be provided as part of the Franchisor's System as set forth in Franchisor's confidential Operations Manual, Policy Manual, and Start-Up Guide (herein all collectively called "Manuals"), including supplements, addenda and amendments thereto, and Franchisee shall not sell or provide other learning center services or products except those which Franchisor, in its sole and absolute discretion, shall approve as being compatible and not interfering with the Franchisor's System, Mark and Network. maintaining the highest business standards of quality and ethical conduct, and not otherwise so that the Learning Center shall be established and at all times operated as and constitute a business of the highest quality and professionalism. With respect to the Manuals, Franchisee specifically agrees as follows:

(ii) Franchisee agrees that the Manuals shall remain the sole property of Franchisor; and that Franchisor may, from time to time, revise the contents of any Manual;

(iii) Franchisee agrees to comply with each new or changed provision of any Manual(s); that no modification of any Manual will alter Franchisee's status and rights under this Agreement; and that Franchisor may update any of the Manuals (or portions thereof) manually or by electronic means via Franchisor's website or otherwise as specified by Franchisor.

(iv) Franchisee agrees that the master copy of each Manual maintained by Franchisor at its principal office shall be controlling in the event of a dispute relative to the content of any Manual.

Franchisee must offer at least one (1) Afficient Academy educational program, and failure to do so shall constitute a material default. However, Franchisee shall not be required to implement or offer all Afficient Academy educational programs and may not offer any program for which Franchisee has not completed training, hired an approved tutor, and otherwise fulfilled all Franchisor requirements for implementing such program.

(c) Non-Disclosure. Franchisee shall not at any time, either during or after the term of this Agreement, copy or duplicate, or permit the copying or duplication, nor publish, disclose or in any manner reveal, or permit the publication, disclosure or revelation in any manner, to any person or entity, except employees of Franchisee on a need to know basis (and then only after obtaining a written agreement of such employees, in a form acceptable to Franchisor, made for the benefit of and enforceable by Franchisor as well as of and by Franchisee, to be bound by this commitment of nondisclosure), any portion of the Manuals, supplements, addenda or amendments thereto, or any other information or material supplied by Franchisor to Franchisee and designated as confidential information. Franchisee hereby

recognizes and agrees that these materials and information are proprietary trade secrets of Franchisor and are disclosed to Franchisee in strict confidence solely for use in the development and operation of the franchise during the term of this Agreement and on the condition that Franchisee will not use these trade secrets in any other business or capacity. Franchisee acknowledges and agrees that Franchisee will not acquire any interest in the trade secrets, other than the right to utilize them in the operation of the Learning Center during the term of this franchise and that Franchisee will maintain the confidentiality of these trade secrets during and after the term of this Agreement.

(d) Management of Learning Center. Franchisee is not required to personally manage the Learning Center during the term of this Agreement, but Franchisee must employ a competent individual to manage the Learning Center full-time. Such individual must have successfully completed the Franchisor's training program then in effect as provided for in Section 4.02(e) hereof. This individual must devote to the management of the Learning Center at least the equivalent of the working time not devoted by Franchisee; and provided further, that if Franchisee is at any time, by reason of sickness, disability or other cause, rendered unable to devote full working time to the operation, Franchisee shall employ one or more substitutes, all to the end that there shall be devoted to the management of the Learning Center at all times at least the full working time of one competent individual who has successfully completed Franchisor's training program. (e) Attend and Satisfactorily Complete All Training. Franchisee shall, at Franchisee's sole expense, attend and satisfactorily complete (or have employees of Franchisee attend and satisfactorily complete) all training programs as provided for in Sections 4.01 and 4.02 hereof, and shall ensure that any future managers attend and complete such training. Franchisee shall provide and carry out further training for Franchisee's tutors in compliance with all requirements of the training and the Manuals.

(f) Operational Efforts. Franchisee shall vigorously pursue and promote sales and activities leading to growth by the Learning Center, marketing the Territory to its fullest potential, avoiding excessive customer complaints and loss of customers, as well as declining revenues, and shall cooperate with Franchisor and other franchisees in the Franchisor's Network in promoting and enhancing the Franchisor's System, Network and Mark.

3.07 Use of Commercial Symbols.

Franchisee acknowledges that Franchisee's right to use the Mark is derived solely from this Agreement and is limited to the operation of a Learning Center pursuant to and in compliance with this Agreement and all applicable specifications, standards and operating procedures prescribed by Franchisor in its Manuals from time to time during the term of this Agreement. Specifically and without limiting the foregoing, Franchisee agrees:

(a) This Agreement does not confer any goodwill or interests in the Mark upon Franchisee.

(b) Franchisee shall use only the Mark authorized by Franchisor in its Manuals, and shall use the Mark only in the manner authorized and permitted by Franchisor. As required by the Manuals, Franchisee shall obtain Franchisor's prior approval before making certain uses of the Mark, including but not limited to the designation of the particular name for Franchisee's Learning Center, and all signage.

(c) Franchisee shall use the Mark only in connection with the operation of the Learning Center licensed hereunder and only within the Territory referred to in Section 2.01 of this Agreement.

Franchisee agrees not to directly or indirectly contest the validity or ownership of the Mark. Throughout the term of this Agreement, including any extensions thereof, Franchisee shall identify himself or herself as a franchisee of Franchisor in conjunction with any use of the Mark, displaying the Mark in connection with the operation of the Learning Center as Franchisor may specify from time to time.

(f) Franchisee shall not register the Mark or any part thereof as its trade name or in any domain name without Franchisor's prior written approval.

(g) Franchisee agrees not to use any Mark licensed under this Agreement in connection with the sale of any unauthorized service or product or in any other manner not expressly approved in writing by Franchisor.

(h) If it becomes advisable at any time, in Franchisor's sole discretion, for Franchisor or Franchisee to modify or discontinue use of any Mark or use one or more additional or substitute Marks or commercial symbols, Franchisee agrees to promptly comply therewith within a reasonable time after notice by Franchisor, and Franchisor need not reimburse Franchisee for any of Franchisee's expenses or costs in complying with Franchisor's directions.

(i) Franchisee shall comply with Franchisor's instructions in filing and maintaining fictitious or trade name registrations, and shall execute any documents deemed necessary by Franchisor to protect and maintain the continued validity of the Mark.

(j) In the event that Franchisee is aware of any use of the Mark or colorable imitation thereof which falsely suggests or represents an association or connection with Franchisor, or other franchisees in the Network, or litigation involving the Mark is instituted or threatened against Franchisee, Franchisee shall promptly notify Franchisor and cooperate fully with Franchisor in connection therewith. Franchisee agrees that Franchisor will have the right to control any litigation with respect to the Mark.

Franchisee acknowledges and agrees that Franchisor shall have sole control and discretion over all supplements, improvements, alterations and development of the System, and the learning center services and products offered there under; that this control and discretion is in the best interests of the System; and that Franchisee will comply with all Franchisor's requirements concerning the System and Network improvements thereto, including the payment of any fees or costs associated therewith. Franchisee expressly acknowledges that these may include, but are not limited to, computer hardware and software systems, educational tools, décor, toys or incentives, training and new course curricula. Franchisee shall seek, in its operation of the Learning Center to develop and conceive such supplements, improvements and alterations, and upon doing so shall in each case promptly and fully advise Franchisor thereof. Franchisor shall have the right, but not the obligation, to make use of all supplements, improvements and alterations so conceived or developed by Franchisee, including the right to disseminate the same to all franchisees for their use.

3.09 Uniform Network.

Franchisee understands and acknowledges that this franchise and the business carried on therewith will benefit from being an integral part of a network of similar learning center franchises in a variety of locations, utilizing the Franchisor's System in a uniform manner, providing uniform curriculums, programs, services, products and supplies with personnel and tutors of uniform skill and training, hence capable of mutual complementation and interrelation, particularly in the types and quality of learning center services, products and supplies offered. Accordingly, Franchisee agrees, specifically and without limiting any other obligations of Franchisee expressed in this Agreement, that the interests of the Franchisor's System and Network are vital to the success of each franchisee, and that each franchisee has an obligation to promote and further the Franchisor's System and Network to the fullest extent possible. Franchisor's obligation to indemnify is conditioned on Franchisee's timely notification of Franchisor of such claim or proceeding and providing Franchisor with the option, in Franchisor's sole discretion, to defend and/or settle any such claim or proceeding. If Franchisor elects to handle the defense of such claim or proceeding, Franchisor shall have the sole right to select counsel, to provide direction to counsel, and shall have exclusive authority regarding any and all settlement and dispute resolution matters in such claim or proceeding.

All certificates of insurance shall be renewed annually and Franchisee shall furnish Franchisor with a certificate indicating renewal at least 30 days prior to expiration of each certificate. In the event Franchisee fails to furnish these certificates, Franchisor may (but shall not be obligated to) obtain such insurance and Franchisee shall

reimburse Franchisor for the cost thereof upon demand. Franchisee understands and acknowledges that Franchisor may, in its sole discretion, raise, lower or change the amounts and types of insurance required and Franchisee agrees to follow Franchisor's directions in this regard as detailed from time to time in Franchisor's Manuals or otherwise in writing.

If Franchisee engages in any dishonest, criminal or unethical behavior or conduct in connection with Franchisee's Learning Center or in such dishonest, criminal or unethical behavior or conduct outside of the Franchised Learning Center but that is reasonably likely, in the sole opinion of Franchisor, to materially and unfavorably affect the Franchisor System, Mark, Network, goodwill or reputation thereof, regardless of whether Franchisee or any of its owners are ultimately charged or convicted of any such crime;

(e) Misuse of Mark; Unauthorized Disclosure. If Franchisee fails to comply with the covenants contained in Sections 3.07 or Franchisee knowingly discloses to any

unauthorized person the contents of any part of Franchisor's Manuals or any other trade secrets or confidential information provided to Franchisee by Franchisor and designated as such;

5.03 Termination After Notice by Franchisor.

If Franchisee defaults in the performance of any agreement made herein, and the default is not remedied to Franchisor's satisfaction within thirty (30) days after written notice thereof from Franchisor to Franchisee; or Franchisee, after curing a default engages in the same default on 2 other occasions within a six (6) month period whether or not these defaults have been corrected after notice, Franchisor shall have the immediate right to terminate Franchisee.

5.04 Rights and Duties on Termination.

In the event of any termination of this Agreement, whether by reason of action by Franchisee or Franchisor as above provided, or as elsewhere provided in this Agreement, or by the expiration of the term hereof, the parties shall have the following rights and duties:

(a) Cease Operation of Learning Center under System and Mark. All rights and privileges herein granted to Franchisee shall immediately terminate and revert to Franchisor, with all rights and goodwill of the Learning Center pertaining thereto, and Franchisee shall surrender all such rights and privileges, shall cease operation of the Learning Center using the Franchisor's System and Mark in all connections, including any colorable imitation thereof or in any manner or for any purpose, or utilize for any purpose any trade name, service mark, trademark, logo or other insignia which is likely to cause confusion, mistake or deception or that falsely suggests or indicates a connection or association with Franchisor. Franchisee shall take all action required to cancel all fictitious or assumed name or equivalent registrations relating to Franchisee's use of any Mark, and to remove existing signage bearing any Mark.

Franchisee shall also cease use of any Afficient Academy domain name, URL or home page address and shall not establish any Website using any similar or confusing domain name, URL or home page address.

(c) Asset Purchase Options On Termination. Unless termination results solely from the proper exercise by Franchisee of Franchisee's election as provided in Section 6.01

hereof, Franchisor shall have the following options, exercisable by written notice to Franchisee (indicating which option(s) Franchisor intends to exercise) at any time within 30 days from the date of termination hereof to: (i) require Franchisee assign to Franchisor the leasehold interest of the Premises in consideration of Franchisor's assumption of the leasing obligations thereunder; and (ii) to purchase from Franchisee all equipment, furnishings, fixtures and other physical assets owned by Franchisee and used in the operation of the Learning Center for the same price paid by Franchisee less depreciation taken (i.e. book value) as of the date of Franchisor's written notice. The purchase price for all of the above assets shall not include any payment for goodwill or other intangibles.

(d) Transfer Phone Numbers and Social Media Presence. Franchisee shall relinquish and take all steps necessary and hereby irrevocably appoints Franchisor as Franchisee's attorney-in-fact to transfer to Franchisor all right, title and interest in all or any of Franchisee's telephone numbers, fax numbers, cellular phone numbers, social media pages, user accounts and fan pages including the listing, and advertising privileges concurrent therewith, relating in any way to the Learning Center.

(e) Transfer Customer Information. Franchisee shall relinquish and immediately turn over to Franchisor contact information for every parent, guardian or other adult responsible for enrolling any child in Franchisee's Learning Center since the inception of this Agreement.

(f) Franchisor's Rights Following Termination. Following termination of this Agreement, unless termination results from the proper exercise by Franchisee of Franchisee's option as provided in Section 6.01 hereof, Franchisor shall be entitled, either to operate the Learning Center itself, with the use of all assets, including goodwill, reverting and transferred to it on termination as above provided, or to grant the franchise herein granted, and to sell all such properties and assets, to others upon terms and conditions as Franchisor shall determine, and to retain all proceeds of the transaction, in either event, without obligation to Franchisee of any kind.

(g) Rights Not Exclusive. The foregoing rights of Franchisor upon termination by reason of breach or default hereunder shall not be exclusive, but shall be in addition to and not in lieu of any other rights available to Franchisor under the terms hereof or at law or in equity. Termination of this Agreement under any circumstances shall not abrogate, impair, release, or extinguish any debt, obligation, or liability of Franchisee which may have accrued hereunder, including without limitation any debt, obligation, or liability which was the cause of termination. All covenants and agreements of Franchisee that by their terms or by reasonable implication are to be performed, in whole or in part, after the termination of this Agreement, shall survive termination.

(h) Activities Following Termination. Franchisee acknowledges that the elements comprising the Franchisor's System are unique, proprietary and distinctive and have been developed by Franchisor as the result of great expenditures of time, effort and money; that Franchisee has regular and continuing access to valuable trade secret and confidential information; and that Franchisee recognizes its obligation to keep this trade secret and

confidential information in confidence pursuant to the provisions of this Agreement. Franchisee therefore agrees as follows:

(i) Nondisclosure. If, prior to its expiration, this Agreement is terminated by Franchisor in accordance with the provisions of this Agreement or by Franchisee without cause, or this Agreement expires pursuant to the terms hereof and is not renewed, Franchisee shall not thereafter use or disclose to any person or entity any trade secrets, know-how, improvements, marketing plans, formulas, processes or other elements constituting proprietary and confidential aspects of the Franchisor's System.

(ii) Competition. Franchisee acknowledges that in addition to the license of the Marks hereunder, Franchisor has also licensed a large body of commercially valuable information including, but not limited to, operations, marketing, advertising and related materials and that the value of this information derives not only from the time, effort and money which went into its compilation but from the usage of same by all franchisees in the Franchisor's Network to develop System goodwill. Franchisee further acknowledges that this information is not generally known in the industry and is beyond Franchisee's present skills and experience (or if Franchisee had prior related experience, it was not experience or knowledge remotely comparable to Franchisor's experience and knowledge) and that to develop this information would be expensive, time-consuming and difficult. Franchisee finally acknowledges that gaining access to Franchisor's marketing techniques, operational procedures, business practices and management methods used in Franchisee's Learning Center is a primary reason for entering into this Agreement. Franchisee therefore agrees that, unless this Agreement is properly terminated pursuant to Section 5.01(a) hereof, in order to foster System loyalty, promote inter-brand competition and protect the ability of Franchisor to sell new franchise rights within the area, Franchisee will not, for a period of twelve (12) months, commencing on the effective date of termination, or the date on which Franchisee ceases the business conducted pursuant to this Agreement, whichever is later, have any interest as an owner, investor, partner, director, officer, employee, consultant, representative or agent, in any business competitive with that theretofore constituting the operations of a Learning Center or any portion thereof, within fifty (50) miles of Franchisee's Territory (except ownership of securities that are traded on a stock exchange or on the over-the-counter market representing five percent (5%) or less of the equity or voting power of the issuer thereof). It is understood and agreed by Franchisee that the purpose of this covenant is not to deprive Franchisee of means of livelihood and will not do so, because Franchisee earned a livelihood before entering into this Agreement and has the skills to do so in the future, but is rather to protect the goodwill and interests of Franchisor, the Franchisor's System and Network of AffICIENT Academy franchises. The provisions of this Section 5.03 apply to all Franchisee owners and their spouses.

(i) Irreparable Injury. Franchisee acknowledges that Franchisee's violation of any of the terms of this Section 5.03 would result in irreparable injury to Franchisor for which no adequate remedy at law may be available, and Franchisee accordingly consents to the issuance of an injunction prohibiting or compelling Franchisee to abide by the terms of this Section 5.03.

ARTICLE 6. TRANSFER AND ASSIGNMENT

6.01 Prior Offering and Consent; Conditions For Approval.

Franchisee understands and acknowledges that the rights and duties created by this Agreement are personal to Franchisee and that Franchisor has granted this franchise in reliance upon the individual character, skill, aptitude, attitude, business ability and financial capacity of Franchisee. Therefore, except as hereinafter provided at Section 6.04, neither this Agreement or the Learning Center, or any part or all of the ownership of Franchisee therein (including, but not limited to voting stock, securities convertible thereto, partnership and sole proprietorship interests), may be voluntarily, involuntarily, directly or indirectly assigned, sold, issued or otherwise transferred by Franchisee or its owner(s) until this Agreement and the Learning Center have first been offered to Franchisor as provided in Section 6.03, and, if Franchisor does not accept this offer, without the prior written consent of Franchisor which shall not be unreasonably withheld, provided that the following conditions are met prior to, or concurrently with, the effective date of the assignment:

(a) The proposed transferee meets Franchisor's uniform standards of qualification then applicable with respect to all applicants for a Afficient Academy Learning Center including, but not limited to financial strength, business experience, profile fit and other relevant business considerations; and

(b) As of the effective date of the transfer, all obligations of Franchisee under all written contracts and agreements between Franchisee and Franchisor are fully satisfied; and

(c) A transfer fee in an amount equal to Franchisor's most recent pre-opening services fee, corresponding to Section 3.01(b) above, is paid to Franchisor at least 30 days prior to the effective date of the transfer to cover Franchisor's costs in evaluating and training the proposed transferee, as well as effecting the transfer; and

(d) The transferee shall have signed and agreed to be bound by the form of franchise agreement (and other ancillary agreements, if any) as are then used by Franchisor in the grant of franchises which shall: (i) waive the initial franchise fee; (ii) provide for a term equal to the remaining term hereof; and (iii) provide for the same royalty fee and other fees required in this Agreement; and

(e) The proposed transferee attends and completes all segments of the training program to Franchisor's satisfaction; and

(f) Except to the extent limited by applicable law, Franchisee and its owner(s) have executed a general release, in form satisfactory to Franchisor, of any and all claims against Franchisor and its affiliates, directors, officers, employees and agents; and

(g) Franchisor approves the material terms and conditions of the assignment, which approval shall not be unreasonably withheld, including particularly a determination that the price and terms of payment are not so burdensome as to adversely affect the future operations of the Learning Center by the proposed transferee in compliance with the terms and conditions of the franchise agreement; and

(h) In the event that Franchisee is transferring less than all of the Afficient Academy Businesses it owns in a single Territory, Franchisee provides to Franchisor for Franchisor's approval a proposed division of its Territory, acceptable to the proposed transferee, such that in the event of assignment the proposed transferee shall receive a portion of the Territory in which to operate the transferred Learning Center.

6.02 Death or Disability.

In the event of the death or disability of Franchisee or of a principal owner of Franchisee, or if Franchisee is a corporation or partnership, or the owner of a majority interest therein, the executor, administrator, conservator or other personal representative of such person shall transfer his interest within a reasonable time, not to exceed one hundred twenty (120) days from the date of death or disability, to a third party approved by Franchisor. The term "disability" means a mental or physical disability, impairment or condition that is reasonably expected to prevent or actually does prevent Franchisee from supervising management and operation of the franchise for thirty or more consecutive days. This transfer, including, without limitation, transfers by devise or inheritance, shall be subject to all of the terms and conditions contained in Section 6.01 and the following:

(a) Management by Franchisor. If, after death or disability, Franchisee's Learning Center is not being managed and operated by a competent and trained manager, Franchisor is authorized, but is not obligated, to immediately assume management of the Learning Center until an approved and trained transferee can assume operations. Revenues from operation of the Learning Center during the period of management by Franchisor shall be used by Franchisor to meet any and all expenses of Franchisee's Learning Center including, without limitation, the weekly compensation, travel and living expenses of any of Franchisor's employees or designees. Operation of Franchisee's Learning Center during any period of management by Franchisor pursuant to this subparagraph (a) shall be for and on behalf of Franchisee, provided that Franchisor shall only have a duty to utilize its best efforts and shall not be liable for any debts, obligations or losses incurred by the Learning Center during any period in which it is managed by Franchisor.

6.03 Right of First Refusal.

In the event Franchisee desires to make any sale, assignment or other transfer referred to in Section 6.01, Franchisee shall first obtain a bona fide, executed written offer from responsible and fully disclosed purchaser(s) and submit an exact copy of this offer to Franchisor. Franchisor shall have the right, exercisable by written notice delivered to Franchisee, to accept this offer on equal terms and price at any time within thirty (30) days following receipt by Franchisor of the exact copy of Franchisee's offer. If Franchisor does not exercise its right of first refusal, Franchisee may complete the proposed sale, assignment or other transfer pursuant to and on the terms of the offer, and in compliance with all provisions of Section 6.01. In the event the sale, assignment or other transfer is not completed within sixty (60) days after delivery of the offer to Franchisor or there is a material change in the terms of the sale, assignment or other transfer, Franchisor shall again have a right of first refusal herein provided.

(a) Transfer of Major Interest. In the event Franchisee desires to make any sale, assignment or other transfer of more than 50% of the capital stock or of the partnership interest of a corporation, partnership or other entity organized and wholly owned by Franchisee to which this Agreement has been assigned pursuant to Section 6.04, then Franchisor shall also have the option to purchase not only the interest being transferred but also the remaining interest so that Franchisor shall have a right of first refusal to purchase 100% of the ownership interest. The value of this 100% interest shall be determined on a basis proportionate to the price of the interest initially offered. For example, if a 60% interest is being sold by Franchisee for \$1,000,000 then the value of the 100% interest would be \$1,666,666.

6.04 Assignment to Franchisee Entity.

It is understood that Franchisee may assign and delegate this Agreement and Franchisee's rights and obligations hereunder to a corporation, partnership or limited liability company organized by Franchisee for that purpose in which Franchisee owns and controls a majority of the equity and voting power of all issued and outstanding stock or of the general partnership or ownership interest, and without complying with Sections 6.01 and 6.03, provided that:

(a) All shareholders (or partnership partners or owners) are identified to and approved by Franchisor; and

(b) The articles of incorporation, articles of partnership, partnership agreement, bylaws or other organizational documents of the corporation, partnership or limited liability company recite that the issuance and assignment of any interest therein is restricted by the terms of Sections 6.01 and 6.03 of this Agreement, and in the case of a corporation all issued and outstanding stock certificates of the corporation shall bear a legend reflecting or referring to the restrictions of Sections 6.01 and 6.03 in a form satisfactory to counsel for Franchisor; and

(c) Each shareholder, officer, director, owner or partner of Franchisee shall execute an agreement provided by Franchisor undertaking to be bound jointly and severally by the provisions of this Agreement; and

(d) Franchisee shall furnish to Franchisor at any time upon request, in form as Franchisor may require, a list of all shareholders, directors, officers, owners or partners of Franchisee reflecting their respective interests in and positions with Franchisee; and

(e) The corporation, partnership or limited liability company shall at no time engage, directly or indirectly, in any similar business activity other than those directly related to the operation of Franchisee's Learning Center, pursuant to all terms and conditions of this Agreement; and

(f) Franchisor shall be given written notice of the assignment and delegation, and upon compliance with the foregoing, the corporation, partnership or limited liability company shall have all of said rights and obligations, and the term "Franchisee" as used herein shall refer to the corporation or partnership.

Each reference to a corporation in this Section 6.04 shall be deemed to also refer to a limited liability company and any other entity or organization similar thereto. Each reference to the

organizational documents, shareholders, directors and officers of a corporation shall be deemed to refer to the functional equivalents of such organizational documents, shareholders, directors and officers, as applicable, in the case of a limited liability company or any other entity or organization similar thereto.

6.05 Consent Does Not Constitute Waiver.

Franchisor's consent to an assignment or transfer of any interest subject to the restrictions of this Article shall not constitute a waiver of any claims it may have against the transferring party, nor shall it be deemed a waiver of Franchisor's right to demand exact compliance with any of the terms or conditions hereof by transferee.

6.06 Transfer or Assignment By Franchisor.

This Agreement is fully assignable by Franchisor in whole or in part and shall inure to the benefit of any assignee or other legal successor to the interest of Franchisor herein.

ARTICLE 7. ADDITIONAL LIMITATIONS AND PROVISIONS

7.01 Independent Status.

This Agreement and the activities pursuant hereto do not and will not be deemed to create any relationship between Franchisor and Franchisee or any other party of agency, partnership, joint venture or employment, or any other relationship except that of franchisor and franchisee. Franchisee is and shall be solely an independent contractor and shall at no time act or represent itself to be acting in any other capacity. Without limiting the foregoing, Franchisee shall not incur any obligation or indebtedness on behalf of Franchisor; shall only contract or otherwise incur any obligation or indebtedness only in Franchisee's own name, which, if Franchisee is a corporation or partnership, shall at no time include Franchisor's name or Mark or any part thereof, or be so similar thereto so as to be in any way misleading; and Franchisee shall otherwise comply with the provisions of Section 4.07 hereof.

7.02 Whole Agreement; Amendments; Construction.

This Agreement contains the entire understanding of the parties, except for such additional agreements and understandings as may, concurrently herewith or hereafter be set forth in written agreements executed by both parties hereto. This Agreement shall be effective only when executed by a duly authorized officer of Franchisor. Subject to Franchisor's right to modify its Manuals as provided herein, no amendment or addition to this Agreement shall be effective unless in writing, executed by a duly authorized officer of Franchisor and by Franchisee. Nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies upon any person or legal entity not a party hereto. The headings of the several sections and paragraphs hereof are for convenience only and do not define, limit or construe the contents of the sections or paragraphs. This Agreement shall be executed in multiple copies, each of which shall be deemed an original.

7.03 No Representations or Warranties

Franchisee specifically recognizes and acknowledges that the success of the business venture contemplated by this Agreement depends largely upon the abilities of Franchisee as an independent businessperson, as well as other factors, such as market and economic conditions beyond the control of Franchisor and Franchisee. Franchisee acknowledges entering into this Agreement only after making a thorough, independent investigation of Franchisor's operations and program and the competitive market thereof, and not upon any representation, whether as to profits which Franchisee might expect to realize or otherwise. Franchisee acknowledges that there has been no representation or warranty not expressly stated in this Agreement made by Franchisor or any representative thereof or any other person on its behalf, regarding the potential success of Franchisee's business, or otherwise.

7.04 Severability; Additional Assurances.

Should any provision of this Agreement be for any reason held invalid, illegal or unenforceable, that provision shall be deemed restricted in application to the extent required to render it valid and the remainder hereof shall in no way be affected and shall remain valid and enforceable for all purposes, both parties hereto declaring that they would have executed this Agreement without inclusion of the invalid, illegal or unenforceable provision. If any of the provisions of this contract are inconsistent with applicable state law, then the state law shall apply. Each party agrees to execute and deliver to the other any further documents that may be reasonably required to fully effectuate the provisions hereof. Although printed provisions of this Agreement were prepared by Franchisor, this Agreement shall not be construed either for or against Franchisor or Franchisee, but shall be construed in accord with the general tenor of the language to reach a fair and equitable result.

7.05 Remedies.

It is recognized that performance by Franchisee of Franchisee's obligations hereunder is of unique value, and that non-performance or breach thereof would result in irreparable damage to Franchisor. Accordingly Franchisee agrees that in the event of any nonperformance or breach, Franchisor shall have the right to secure injunctive or other equitable relief, without bond, but upon due notice, to prevent same, and Franchisee consents to the granting of this relief, in addition, and without prejudice, to any other remedies available to Franchisor at law. Subject to this right on the part of Franchisor, and without prejudice thereto, and subject to any applicable provision of law to the contrary, it is agreed that any controversy or dispute arising out of or in connection with this Agreement and activities hereunder, including any termination or purported termination hereof, shall be settled by arbitration in accordance with the Commercial Arbitration Rules, as then in effect, of the American Arbitration Association, and judgment upon the award rendered by the Arbitrator(s) may be entered in any state or federal court having jurisdiction. It is the intent of the parties that no claim arbitrated hereunder shall be arbitrated on a class wide basis. In the event that this Agreement is terminated by Franchisor on account of a claimed default hereunder by Franchisee, and without waiving any of Franchisor's rights under Section 7.09 below, any objection or claim by Franchisee arising there from shall be deemed waived and released unless Franchisee shall deliver to Franchisor written demand for arbitration within twenty (20) days following the effective date of the termination; provided, however, that this

waiver and release of claims shall not apply with respect to any claim arising under applicable state law. The failure of either party to object to, or exercise any remedy on account of, any failure or performance hereunder by the other party shall not constitute a waiver of any other failure of performance of the same or different nature.

7.06 Notices.

All notices required or permitted hereunder shall be in writing, shall be deemed given when received, and shall be personally delivered to or sent by overnight courier or by email (provided the sender has confirmation of receipt) addressed as follows:

To Franchisee: _____

Either party may change the address for notices by written notice to the other in accordance with the foregoing.

7.07 Successors and Assigns; Governing Law; Jurisdiction

Subject to the above provisions concerning assignments and transfers by Franchisee, this Agreement shall inure to the benefit of and be binding upon the successors, assigns and legal representatives of the parties hereto.

Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et. seq.) or other applicable state law, this Agreement shall be construed in accordance with, and governed by, the laws of the State where Franchisor's principal business address is then located. If a claim is asserted in any legal proceeding, or in arbitration, Franchisee agrees all actions must be commenced in the state, and in the state or federal court of general jurisdiction (or arbitration site) closest to where Franchisor's principal business address is then located, and Franchisee irrevocably submits to the jurisdiction of those courts and waives any objection Franchisee might have to either jurisdiction or venue in those courts.

7.08 Limitation of Claims

Except for claims arising from Franchisee's nonpayment or underpayment of amounts due Franchisor, and subject to Section 7.05 hereof, any and all claims arising out of or relating to this Agreement will be barred as a claim, counterclaim, defense or set off unless a proceeding is commenced within one (1) year from the occurrence of the facts giving rise to such claims or ninety (90) days from either the actual discovery of the facts giving rise to such claims or from

the date on which the party asserting the claim knew or should have, in the exercise of reasonable diligence, discovered such facts.

7.09 Waiver of Punitive Damages

Franchisor and Franchisee (and its owners and guarantors, if applicable) hereby waive to the fullest extent permitted by law, any right to or claim for any punitive or exemplary damages against the other and agree that in the event of a dispute between them each shall be limited to the recovery of any actual damages sustained.

7.10 Acknowledgment of Understanding; Opportunity to Consult

Franchisee acknowledges reading and understanding this Agreement, including all attachments hereto, and agreements relating thereto, if any, and that Franchisor has accorded Franchisee ample time and opportunity to consult with an attorney or other advisor of Franchisee's own choosing about the potential benefits and risks of entering into this Agreement.

In Witness Whereof, the parties hereto have executed this Agreement as of this ____ day of _____, 20____.

SAMPLE FORM OF GENERAL RELEASE

SAMPLE FORM OF GENERAL RELEASE

This General Release (this "Release") is made by _____ [NAME OF FRANCHISEE] ("Franchisee") in favor of Afficient Academy of America, Inc. ("Franchisor") and certain related parties as set forth below effective as of _____, 2____ (the "Effective Date").

Franchisor is the franchisor of Afficient Academy Learning Centers ("Afficient Academy").

Franchisor and Franchisee entered into a Franchise Agreement dated _____, _____ (the "Franchise Agreement") for the operation of an Afficient Academy located at _____ (the "Franchised Business").

Franchisee is seeking to renew the franchise or is seeking Franchisor's consent to sell, transfer and convey the rights under the Franchise Agreement to _____ [NAME OF PURCHASER] ("Purchaser") as provided in the Franchise Agreement. A release of all claims against Franchisor and related parties by Franchisee is one of the conditions that must be satisfied in order to renew or transfer the franchise under the Franchise Agreement. ***[OR: The current term of the Franchise Agreement has not expired, and Franchisee wishes to enter into a new franchise agreement with Franchisor for the Franchised Business that would replace the Franchise Agreement and provide Franchisee with a new ten (10) year franchise term and a further right to renew. Franchisor is willing to enter into a new franchise agreement with Franchisee in consideration of Franchisee entering into this Release.]***

Therefore, in consideration of these premises, and for other good and valuable consideration, receipt of which is hereby acknowledged, Franchisee agrees as follows:

- 1. Release by Franchisee.** Franchisee for Franchisee and Franchisee's respective predecessors, shareholders, officers, directors, members, partners, owners, successors, assigns, affiliates, family members, heirs, executors, administrators and personal representatives and anyone claiming through or under them (collectively the "Franchisee Parties"), hereby releases, acquits and forever discharges Franchisor and its predecessors, successors, assigns, parent company, subsidiaries, affiliates, officers, directors, stockholders, employees, attorneys, accountants and other representatives (collectively the "Franchisor Parties") of and from any and all claims, demands, debts, disputes, obligations, damages, causes of action and claims for relief of any nature whatsoever, whether known or unknown, whether arising under the Franchise Agreement, or under common law, equitable principles, statute (including but not limited to the California Franchise Investment Law), regulation or otherwise, whether fixed or contingent, which the Franchisee Parties or any of them have against the Franchisor Parties by reason of any matter, event or cause whatsoever occurring at any time before, through and including the Effective Date of this Release stated above.
- 2. Waiver of Civil Code Section 1542.** Franchisee for Franchisee and the Franchisee Parties hereby expressly waives any rights or benefits available under the provisions of Section 1542 of the California Civil Code or any similar law of any state that provides for

the survival of claims notwithstanding a general release. Civil Code Section 1542 provides as follows:

A general release does not extend to claims that the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by Franchisee must have materially affected Franchisee's settlement with the debtor.

Franchisee understands this statutory language, and notwithstanding this or any similar statute or law, Franchisee freely elects to specifically waive these rights and hereby does release the Franchisor Parties from all claims whether known or unknown at the time of this Release. Franchisee understands that if the facts relied upon in making this Release are discovered hereafter to be other than or different from the facts now believed to be true, or if additional facts are discovered, Franchisee expressly accepts the risk of such possible different or additional facts and agrees that this Release shall remain effective notwithstanding any such discoveries. Franchisee is not deciding to make this Release or waiver predicated on any factual representations of Franchisor concerning the nature of any claims released, past or future events or any other matters.

3. Representations. Franchisee represents, warrants, agrees and acknowledges:

- a. That Franchisee had the opportunity to consult with legal counsel in making this Release and that Franchisee has read and fully understands the terms of this Release and that this Release was entered into freely and voluntarily;
 - b. That the validity of this Release is an essential condition to and in consideration of Franchisor's consent to the transfer or renewal of the franchise ***[OR: Franchisor's offer of a new franchise agreement and franchise term prior to expiration of the Franchise Agreement]***;
 - c. That in addition to this Release, there are other conditions that must be satisfied in order to have the franchise transfer or renewal approved by Franchisor as required in the Franchise Agreement and that Franchisee understands and agrees to these conditions; and
 - d. That Franchisee is the sole owner of all of the claims released hereby and has not heretofore assigned any interest in the franchise, the Franchise Agreement, or any of the claims released hereby.

SPOUSAL CONSENT

SPOUSAL CONSENT AND WAIVER

The undersigned _____ ("Spouse") hereby represents that he/she is a _____ [state] resident and is the spouse of _____ ("Franchise Owner"). Spouse acknowledges and understands that, contemporaneously herewith, Franchise Owner, or a corporation, partnership or limited liability company in which Franchise Owner is a principal owner (the "Franchisee"), will be entering into a Franchise Agreement with Afficient Academy of America, Inc. ("Franchisor") to acquire an Afficient Academy Learning Center franchise and operate a Afficient Academy Learning Center. Spouse hereby consents to this transaction and waives any right, now or in the future, to assert a community property or quasi community property interest in the franchise, the Franchise Agreement, the Afficient Academy Learning Center or in the Franchisee. Spouse understands that in the absence of this Spousal Consent and Waiver, Franchisor, as a condition of granting the Afficient Academy Learning Center to Franchise Owner, would have required Spouse to personally enter into the Franchise Agreement or to execute a personal guaranty of all of Franchisee's obligations under the Franchise Agreement. Spouse represents and agrees that the waiver of this condition by Franchisor is sufficient consideration for this Spousal Consent and Waiver. Spouse understands that if Spouse did not wish to provide this Spousal Consent and Waiver, Spouse could have agreed to personally execute the Franchise Agreement or the personal guaranty. Spouse hereby represents and acknowledges that Spouse knowingly and deliberately elected not to do so and to instead provide this Spousal Consent and Waiver. If notwithstanding this Spousal Consent and Waiver, Spouse claims or is awarded in a legal action a community property interest, quasi community property interest or other ownership interest in the franchise, the Franchise Agreement, the Afficient Academy Learning Center or in Franchisee, other than by way of a transfer approved in writing by Franchisor as provided in the Franchise Agreement, Spouse hereby agrees, without further action or execution of further instruments, to be personally bound by all of the terms of the Franchise Agreement and to be liable for the performance of all obligations thereunder.

In consideration of, and as an inducement to, the execution by Afficient Academy of America, Inc. ("FRANCHISOR") of that certain Franchise Agreement of even date herewith (the "Agreement") between FRANCHISOR and _____ ("FRANCHISEE"), or in consideration of and as an inducement to FRANCHISOR's consent to a transfer by or of FRANCHISEE under the Agreement, each of the undersigned parties including: _____

_____ ("Guarantors") hereby personally and unconditionally: (1) guarantees to FRANCHISOR and its successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement; and agrees to punctually pay and perform each and every undertaking, agreement and covenant set forth in the Agreement, and (2) agrees to be personally bound by, and personally liable for the breach of, each and every term, condition, covenant and provision in the Agreement. - (5) any requirement that FRANCHISOR proceed against or exhaust its remedies with respect to FRANCHISEE or any other person before demanding payment or performance by Guarantor; and

Each Guarantor consents and agrees that:

- (1) his or her direct and immediate liability under this guaranty shall be joint and several;

(5) the liability and obligations under this Guaranty and Assumption shall not be diminished, relieved or otherwise affected by any modification by FRANCHISEE and FRANCHISOR of the terms or conditions of the Agreement.

IN WITNESS WHEREOF, each of the undersigned has hereunto affixed his signature on the same day and year as the Agreement was executed.
