FRANCHISE DISCLOSURE DOCUMENT

AFC Franchising, LLC
An Alabama limited liability company
3700 Cahaba Beach Road
Birmingham, Alabama 35242
(205) 403-8902
www.americanfamilycare.com
www.afcfranchising.com

The franchisee will operate an urgent and accessible primary care management business that will establish and manage an urgent care center that, through independent physicians and professionally licensed persons or entities, provides various levels of patient care services, which include minor injuries, infections, workers' compensation injuries, sports physicals, travel medicine, colds and flu, and much more. Each center will be equipped with several exam rooms, X-Ray Equipment, on-site laboratory, and, where permitted by law, a pharmacy dispensing the most common urgent care medicines.

The total initial investment necessary to begin operation of a franchised business (in which you are not converting an existing urgent care business), ranges from $829,500 - $1,254,500. This includes $190,000 - $210,000 that must be paid to the franchisor or affiliate. If you are converting an existing urgent care facility to be an "American Family Care" center that you will manage, the total initial investment necessary to begin operation of a franchised business ranges from $125,750 - $461,750. This includes $41,250 that must be paid to the franchisor or affiliate. If you sign an Area Development Agreement to develop a certain number of franchised businesses, you must pay us a development fee of $60,000 for your first franchise and a non-refundable deposit of $10,000 for each additional franchise to be developed. The initial franchise fee for subsequent franchises under the Area Development Agreement is $45,000.

This disclosure document summarizes certain provisions of your franchise agreement and other information in plain English. Read this disclosure document and all agreements carefully. You must receive this disclosure document at least 14 calendar-days before you sign a binding agreement with, or make any payment to, the franchisor or an affiliate in connection with the proposed franchise sale. **Note, however, that no governmental agency has verified the information contained in this document.**

STATE COVER PAGE

Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrators listed in Exhibit D for information about the franchisor or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHTS YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW.

Please consider the following RISK FACTORS before you buy this franchise:

*1. THE FRANCHISE AGREEMENT AND AREA DEVELOPMENT AGREEMENT REQUIRE YOU TO RESOLVE DISPUTES WITH US BY ARBITRATION ONLY IN ALABAMA. OUT-OF-STATE ARBITRATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST MORE TO ARBITRATE WITH THE FRANCHISOR IN ALABAMA THAN IN YOUR HOME STATE.

*2. THE FRANCHISE AGREEMENT AND AREA DEVELOPMENT AGREEMENT STATE THAT ALABAMA LAW GOVERNS THE AGREEMENTS, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTIONS AND BENEFITS AS LOCAL LAW. YOU MAY WANT TO COMPARE THESE LAWS.

3. AS OF NOVEMBER 2017, MORE THAN HALF OF FRANCHISOR'S TOTAL ASSETS CONSISTED OF INTANGIBLES AND GOODWILL.

4. THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.

* Local law may supersede these provisions in the franchise agreement and area development agreement.

We may use the services of one or more FRANCHISE BROKERS or referral sources to assist us in selling our franchises. A franchise broker or referral source represents us, not you. We pay this person a fee for selling our franchise or referring you to us. You should do your own investigation of this franchise.

Certain states require franchisors to make additional disclosures related to the information contained in this disclosure document. Such additional disclosures are included by Addendum to this disclosure document.

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor

AFC Franchising, LLC, is the franchisor and is referred to as "**Company**", "**AFCF**", "**us**", "**our**", and "**we**" in this disclosure document. "**You**" and "**your**" means the person or entity that buys the franchise. If you are a corporation, limited liability company, or general or limited partnership, the provisions of the franchise agreement also apply to your owners. We are an Alabama limited liability company and were formed on March 19, 2013. Our principal place of business is at 3700 Cahaba Beach Road, Birmingham, Alabama 35242. Our agents for service of process are listed in Exhibit E to this disclosure document.

The Acquisition of the System

The "Doctors Express" franchise system relating to the operation and establishment of Doctors Express Centers ("**Centers**") was first developed and operated by our predecessors. We became the franchisor of the "Doctors Express" franchise system on April 15, 2013, through an asset acquisition. We began offering franchises for "Doctors Express" urgent care and accessible primary care management businesses ("**Franchised Businesses**") in May 2013 and "AFC/Doctors Express" in October 2013. In 2015, we implemented a plan wherein the name of the Franchised Businesses was changed from "AFC/Doctors Express" to "American Family Care". The transition began in October 2015 and is substantially completed. We have the right to use and license others to use the names and marks "American Family Care" and "AFC and Design" pursuant to a Trademark License Agreement with Irwin Holdings, LLC ("Holdings"). Our only business is to offer and sell franchises for Franchised Businesses and to provide products and support to our franchisees and master developer franchisees. We do not offer, and have not in the past offered, franchises in any other line of business. We do not operate, and have not operated, a business of the type described in this disclosure document; however, our Parent operates urgent and accessible primary care centers under the trade name "American Family Care".

Our Parent & Affiliates

Our Parent is American Family Care, Inc., an Alabama corporation, and its principal place of business is 3700 Cahaba Beach Road, Birmingham, Alabama 35242 ("**Parent**"). Parent opened its first urgent care clinic in 1982 in Hoover, Alabama. As of 12/31/2017, it and its subsidiaries operated 66 clinics in Alabama, Florida, Georgia, and Tennessee. Parent does not offer, and has not previously offered, franchises in this or any other line of business. Parent may provide goods and services to our franchisees.

We currently do not have any affiliates that offer, or have previously offered, franchises in this or any other line of business. Parent is an approved supplier that provides or will provide construction oversight services, supplies and equipment (including vaccinations), laboratory consulting, new clinic set-up and an optional weight-loss program, products, and credentialing assistance to our franchisees. Our affiliate, American Healthcare Resources, LLC ("AHR"), is an approved vendor of personnel, recruiting and other services to our franchisees and has the same address as our Parent. Our affiliate, AFC Purchasing, LLC ("AFCP"), is an approved supplier of medical supplies, equipment, and other products to our franchisees and also has the same address as our Parent. Other than Parent, AHR and AFCP, we do not currently have any other affiliates that provide products or services to our franchisees. Our affiliate, AFC Holdings, LLC, provides all employees of Parent and its subsidiaries including AFCF.

On April 15, 2013 (the "**Acquisition Date**"), we became the franchisor of the "Doctors Express" franchise system through as asset purchase from DRX Urgent Care, LLC ("**DRX**") and its parent, Immediate Clinic Healthcare, Inc. ("**Immediate Clinic**"). As of the Acquisition Date, we purchased the

assets used in operating the franchise system, including all existing franchise agreements and master developer agreements, and the "Doctors Express" trademark. DRX is a Nevada limited liability company that was formed on February 16, 2012, and its principal place of business was at 3931 East Camelback Road, Phoenix, Arizona 85018. DRX was dissolved February 29, 2016.

Our Predecessors and the Background of the Franchise System

The "Doctors Express" franchise system relating to the establishment and operation of Centers was first developed by Doctors Express Franchising, LLC ("**DEF**"). DEF began as a Maryland limited liability company ("**DEF Maryland**"), which was formed on July 29, 2008, and had its principal place of business at 8600 LaSalle Road, Suite 326, Towson, Maryland. DEF Maryland first began offering franchises for Franchised Businesses in October 2008. On December 29, 2011, DEF Maryland merged into Doctors Express Franchising, LLC (a Florida limited liability company), and the surviving entity was DEF Florida. At that time, all of the assets of DEF Maryland, including the franchise agreements, became the assets of DEF Florida. DEF Florida was the franchisor of the Doctors Express franchise system from December 29, 2011 until the March 1, 2012. DEF Florida's principal place of business was 1990 Main Street, Suite 750, Sarasota, Florida 34236. DEF Florida was dissolved January 13, 2014.

On March 1, 2012, DRX became the franchisor of the "Doctors Express" franchise system by purchasing from DEF Florida the assets used in operating the franchise system, including all existing franchise agreements and master developer agreements, and its parent, Immediate Clinic, obtained the trademark rights owned by DEF Florida and its affiliate STATCARE GROUP, LLC ("**STATCARE**"). DRX was the franchisor from March 1, 2012, until the Acquisition Date. DRX did not operate Doctors Express Centers, but Immediate Clinic had established 5 company-owned Centers in the Seattle, Washington area. Immediate Clinic continued to operate those locations as Centers for 6 months from the Acquisition Date. They are no longer a part of our franchise system.

For purposes of this disclosure document, "**Predecessors**" refers to DEF Maryland, DEF Florida, and DRX (and unless otherwise specified "DEF" refers to DEF Maryland and DEF Florida), as applicable for the relevant time period. Except for the franchising of the single unit and master developer rights for Centers, none of the Predecessors offered franchises in any line of business or operated any other business.

STATCARE operates and manages an urgent care clinic in Towson, Maryland. STATCARE is a Maryland limited liability company, with its principal business address at 1220A E. Joppa Road, Suite 109, Towson, Maryland 21286. STATCARE owned the Marks and licensed the Marks to DEF until March 1, 2012, when Immediate Clinic acquired the Marks and related rights. STATCARE is an affiliate of DEF but is not our affiliate.

Other than STATCARE, there are no affiliates of our Predecessors that offer or have offered franchises in any line of business or provide products or services to our franchisees.

The Franchise Offered

We and our Predecessors have developed an urgent and primary accessible care management system (the "**System**") relating to the development and management of Centers. These Centers provide various levels of patient care services overseen by a physician which include minor injuries, infections, workers' compensation injuries, sports physicals, travel medicine, colds and flu, and much more. Each Center will be equipped with several exam rooms, X-Ray equipment, an on-site laboratory, and, where permitted by law, a pharmacy dispensing the most common urgent care medicines. As described in this disclosure document, urgent care includes accessible primary care services.

Centers are managed according to the System. We grant you the right to use specified Marks under the Franchise Agreement. Centers will use the "**AMERICAN FAMILY CARE**" name, "**AFC** and Design" and Marks.

We offer franchises to persons or legal entities that meet our qualifications and are willing to undertake the investment and effort to own and operate businesses that will manage Centers under the System. To operate a Franchised Business, you must enter into a Franchise Agreement with us and a Management Agreement with a professional entity (**"PC"**) that will own and operate the Center. The Franchise Agreement is attached as Exhibit A. The requirement for the franchisee to sign a Management Agreement with a PC applies unless your Center will be in a state that permits one entity to both manage and operate the Center, including the rendering of medical services by the medical professional of the Center. We also offer to qualified persons the right to develop multiple Centers within a specified geographical area pursuant to our standard form area development agreement (the Area Development Agreement"). The Area Development Agreement requires you to open an agreed upon number of Centers under a development schedule. You will be required to sign our then-current franchise agreement for each Center that you open; provided that the Royalty Fee and Advertising Fee will remain 6% and 1%, respectively, of net payments during the initial term. The Area Development Agreement is attached as Exhibit A-1.

We also offer to existing independent operators and managers of urgent care centers the opportunity to convert their current center to a Center which it will manage as a Franchised Business (**"Conversion Franchisees"**). Conversion Franchisees will sign a Franchise Agreement as well as a Conversion Addendum which will modify the Franchise Agreement provisions to reflect their current business operations. A copy of the Conversion Addendum appears at Exhibit C to this disclosure document.

The Franchised Businesses and the System have distinctive characteristics. These characteristics currently include providing site selection assistance, construction design, preferred vendor relationships for medical equipment and supplies, procedures for monitoring operations and quality of services offered; procedures for management; training and assistance; advertising and promotional programs; business formats, methods, procedures, standards, and specifications. We may periodically change and improve the Franchised Businesses, Centers, and System.

We use, promote, and license certain trademarks, service marks, and other commercial symbols including the marks "AMERICAN FAMILY CARE", and "AFC and Design" in the operation and management of Centers (the "**Marks**"). The Marks have gained and will continue to gain public acceptance and goodwill. We may create, use, and license other trademarks, service marks, and commercial symbols for Franchised Businesses and Centers. If we do, these other marks and symbols will become part of the "Marks."

We offer you the opportunity to enter into a franchise agreement (**"Franchise Agreement"**) with us. Under the Franchise Agreement we will grant you the right and license (the **"Franchise"**) to operate a Franchised Business that will manage a Center under the System at a location identified in the Franchise Agreement (the **"Premises"**). You will construct or build-out the Center for use by the PC. The Premises will be in an area identified under the Franchise Agreement (the **"Territory"**). You must operate the Franchised Business in the Territory. You must use the System in operating your Franchised Business and at all times perform your obligations under the Franchise Agreement faithfully, honestly, and diligently, and use your best efforts to promote the Franchised Business.

You must locate the Center and operate the Franchised Business at an approved location. The Premises will be identified through our site selection and approval process, according to the terms of the Site Selection Addendum which is Exhibit B to the Franchise Agreement. You will be responsible for

securing a lease for the Premises and developing the Center that you will manage according to our standards and specification.

The Center will be owned and operated by one or more physicians licensed to provide medical and urgent care services in the state in which the Center is located. In addition to signing the Franchise Agreement with us, before you begin operating the Franchised Business, you must enter into a management agreement ("**Management Agreement**") with the PC. Under the Management Agreement, you will provide the PC with management and administrative services and support consistent with the System to support the PC's practice and its delivery of urgent care services and related products to patients at the Center, consistent with all applicable laws and regulations. You must use our applicable standard form of Management Agreement; however, you may negotiate the monetary terms and, with our written consent, certain other terms of the relationship with the PC. If you are not able initially to find a suitable physician or physicians to create, own and staff the PC, we have an approved vendor that can assist you at their current rate. You must have a Management Agreement in effect with a PC at all times during the operation of the Franchised Business and the term of the Franchise Agreement.

The PC will employ and control the general urgent care physicians and the specialty medical physicians and personnel (including, for example, nurses, X-ray technicians, nurse practitioners, and medical receptionists and, together with the general practitioners, collectively, the "**Affiliated Physicians**") and the other urgent care professionals who will provide the actual urgent care services required to be delivered at and through the Center. You will not provide any actual urgent care or medical services, nor will you supervise, direct, control or suggest to the PC or its physicians or employees the manner in which the PC provides or may provide medical or urgent care services to its patients. Due to various federal and state laws regarding the practice of medicine, and the ownership and operation of medical practices and health care businesses that provide medical and urgent care services, it is critical that you do not engage in practices that are, or may appear to be, the practice of medicine. The Center must offer all urgent care services in accordance with the Management Agreement and the System.

Except for limited situations, and provided that you are in full compliance with the Franchise Agreement, we will not operate or grant a franchise for another Franchised Business that will manage a Center at a location within the Territory during the term of the Franchise Agreement.

Management of an American Family Care Business

You may be an individual, sole proprietor owner, or you may be an entity. If you are an entity, you must appoint an Operating Principal. The Operating Principal will be the person with whom we will communicate on all major policy, financial, management and operation matters, and the only person from your entity that we will recognize as having authority to communicate for you and your entity. You, or your Operating Principal, will manage and provide general oversight of the Franchised Business.

Master Developer Program

Our Predecessors also offered franchises to "master developers" the right and obligation to (a) develop, open and operate at least one Franchised Business, (b) assist us with the sale of franchises to third parties who will own, operate and manage Franchised Businesses, and (c) perform certain initial and ongoing support and assistance functions for, and monitor the performance of, our franchisees. If you enter into a Franchise Agreement to operate a Franchised Business in an area in which there is a master developer, the master developer (instead of us) may perform these functions and services in connection with your Franchised Business. We do not offer franchises for master developers in this disclosure document. As of the date of this disclosure document, there were master developers operating in 12 master developer territories.

Industry-Specific Regulations

You are responsible for operating in full compliance with all laws that apply to your Franchised Business and the Center that you manage. The medical industry is heavily regulated. These laws may include federal, state and local regulations relating to: the practice of medicine and the operation and licensing of medical services; the relationship of providers and suppliers of health care services, on the one hand, and physicians and clinicians, on the other, including anti-kickback laws such as the Federal Medicare Anti-Kickback Statute and similar state laws; restrictions or prohibition on fee splitting; physician self-referral restrictions (including the federal "Stark Law" and similar state laws); payment systems for medical benefits available to individuals through insurance and government resources (including Medicare and Medicaid); privacy of patient records (including the Health Insurance Portability and Accountability Act of 1996); use of medical devices; and advertising of medical services. While not all of these laws and regulations will be applicable to all Centers, depending on location, services provided, and which types of government or private insurance may be accepted at a Center, it is important to be aware of the regulatory framework.

You must secure and maintain in force all required licenses, permits and certificates relating to the operation of the Franchised Business and the other licenses applicable to the Center and its employees. You must not employ any person in a position that requires a license unless that person is currently licensed by all applicable authorities and a copy of the license or permit is in your business files. You must comply with all state and local laws and regulations regarding the management of an urgent care center.

You must also ensure that your relationship with the PC for which you manage the Center complies with all laws and regulations, and that the PC complies with all laws and regulations and secures and maintains in force all required licenses, permits and certificates relating to the operation of a Center. Each state has medical, nursing, physician assistant, cosmetology, naturopathic, chiropractic and other boards that determine rules and regulations regarding their respective members and the scope of services that may legally be offered by their members. The laws and regulations generally include requirements for the medical providers to hold required state licenses and registrations to work as (as applicable) medical doctors, nurse practitioners, and physician's assistants in the state where the Center is located, and to hold required certifications by, or registrations in, any applicable professional association or registry.

If we license you to operate a Franchised Business, we are not engaging in the practice of medicine, nursing or any other profession that requires specialized training or certification, and you must not engage in the practice of medicine, nursing, or any other profession that requires specialized training or certification. The Franchise Agreement and Management Agreement will not interfere, affect or limit the independent exercise of medical judgment by the PC and its medical staff. It will be your responsibility for researching all applicable laws, and we strongly advise that you consult with an attorney and/or contact local, state and federal agencies before signing a Franchise Agreement with us, or a Management Agreement with a PC, to determine your legal obligations and evaluate the possible effects on your costs and operations.

In addition, you must operate the Franchised Business in full compliance with all applicable laws, ordinances and regulations, including government regulations relating to occupational hazards, health, EEOC, OSHA, discrimination, employment, sexual harassment, worker's compensation and unemployment insurance and withholding and payment of federal and state income taxes, social security taxes and sales and service taxes. You should consult with your attorney concerning those and other local laws and ordinances that may affect the operation of your Franchised Business.

Waiver of Management Agreement

In certain states, it may be permissible under the existing laws that may be applicable to medical practices and/or medical centers, for one entity to both manage and operate the Center, including hiring any medical and professional personnel and providing medical or urgent care services to patients at the Center. If you determine that the laws that would apply to a Center in your state would permit you to do so, you may request that we waive certain requirements of the Franchise Agreement related to separating the operation of the medical aspects of the Center from the management aspects. In particular, you (i) would not enter into a management agreement with a PC, and (ii) you would not be restricted from providing any medical or urgent care services to patients or hiring and supervising medical providers. Any waiver, or any modification of our standards, would be subject to compliance with all applicable laws and regulations. If we agree to a waiver, you must enter into an Amendment to Waive Management Agreement (which is Exhibit M to this disclosure document). Under this Amendment, you agree that, instead of entering into the Management Agreement with a separate PC, you will (a) operate the Center, including performing all responsibilities and obligations of the "PC" under the Management Agreement, and (b) manage the Center as required in the Franchise Agreement and by performing all the responsibilities and obligations of the "Company" under the Management Agreement.

As of the date of this disclosure document, we have been advised by our health care counsel that the following states' laws may permit (or do not prohibit) a person or entity to both operate and manage an urgent care center without establishing 2 separate entities: Alabama, Alaska, Arizona, District of Columbia, Louisiana, Mississippi, Missouri, Nebraska, New Mexico, Utah, Vermont and Virginia. Additionally, the laws applicable to your Center may change, and if there are any changes in medical regulations or other laws that would render your operation of the Center through a single entity (or otherwise) in violation of any medical regulations, you must immediately advise us of such change and of your proposed corrective action to comply with Medical Regulations, including (if applicable) entering into a management agreement with a PC.

Competition

The market for urgent and accessible primary care centers is developing and very competitive. The growing needs of the population have increased the demand for urgent care center services. As a franchisee, the Center that you manage will compete with other urgent care centers, franchised and non-franchised, as well as hospitals and emergency rooms.

ITEM 3
LITIGATION

Except for the 6 actions described below, there is no litigation that must be disclosed in this Item.

Pending Actions: None.

Prior Actions:

United States of America ex rel., Anita C. Salters, Plaintiffs vs. American Family Care, Inc., Defendant, United States District Court, Northern District of Alabama, Northeastern Division, Civil Action No. 5:10-CV-2843-IPJ. On October 20, 2010, Relator Anita C. Salters filed a *qui tam* action against Defendant to recover statutory damages and civil penalties under the False Claims Act, Stark I and II, and the Anti-Kickback Statute as well as retaliatory discharge. The complaint was filed IN CAMERA SEALED, pursuant to 31 U.S.C. §3730(b) and was not served on the Defendant. In January of 2014, the United States

intervened in Civil Action with respect to one of the claims and contended that the Defendant mis-billed Medicare for certain outpatient office services and therefore received greater reimbursement than that to which it was entitled ("Covered Conduct"). AFC denied that it mis-billed Medicare for any services, violated any statute or discharged anyone improperly.

In March 2014, the United States, through the United States Department of Justice and on behalf of the Office of Inspector General (OIG-HHS) of the Department of Health and Human Resources (collectively the United States) and Defendant entered into a Settlement Agreement. In the Settlement, AFC did not admit to any wrongdoing but agreed to pay the United States $1,200,000 to end the litigation with the United States. The Agreement also provided for mutual dismissal of certain rights and preservation of other rights. The Settlement Agreement was filed in Court on March 14, 2014 and can be inspected fully.

The money has been paid by AFC and the United States has dismissed the claims involving the Covered Conduct. Otherwise, the remainder of the Civil Action will remain pending. The Defendant, when served, intends to vigorously defend the remaining claims. On March 17, 2014, the Court entered an Order lifting the seal with respect to the Relator's complaint and the United States motions. Defendant was prevented from disclosing the existence of this litigation prior to the March 17, 2014 Order partially unsealing the Complaint.

AFC vigorously defended this False Claims case. Several of the claims have been dismissed by the Plaintiff and others are under summary judgment review. In April 2017, the presiding judge granted summary judgment in favor of AFC on the majority of claims asserted in this case and set the remaining claims for trial in July 2017. In June 2017, the parties settled the remaining claims pursuant to a Confidential Settlement Agreement.

Laura Fabbro and Fabbro Enterprises, LLC, Plaintiffs v. American Family Care, Inc., Defendant. Superior Court of New Jersey, Law Division, Mercer County, Docket No. MER-L-00293, filed February 7, 2017. This suit was brought by franchisees Laura Fabbro and Fabbro Enterprises, LLC, alleging that AFC is in breach of its franchise agreement and seeking an injunction and monetary damages. Specifically, Fabbro contends that AFC's demand to rebrand her franchise from "Doctors Express" to "American Family Care" is a breach of its obligations under the franchise agreement to allow her to use the Doctors Express trade name in the operation of an urgent care medical facility. This case was dismissed without prejudice by the presiding judge on June 13, 2017, before any action was taken.

Surendra Pai, an individual, NEXDRX1, LLC, and Nexetra Corporation, Plaintiffs vs. DRX Urgent Care, LLC, American Family Care, Rhino 7 Franchise Development Corp., et al., Defendants. Superior Court of New Jersey, Law Division, Monmouth County, Docket No. MON-L-001938, filed May 20, 2013. Plaintiff, Surendra Pai, is the owner of a franchisee of the "Doctors Express" urgent care franchise in Florham Park, New Jersey. He purchased his franchise from DEF, not the Defendants, on February 12, 2010. He opened his urgent care clinic in May 2012. He and his companies are seeking the imposition of preliminary and injunctive relief, as well as, monetary damages for losses they claim to have sustained in connection with alleged breaches by the Defendants or other parties involved in the System before the Defendants, violation of New Jersey statutory law and various other tortious acts committed by the Defendants or other parties involved in the System before the Defendants.

The complaint includes the following claims: Count I - Violation of New Jersey Franchise Practices Act - Constructive Termination (Declaratory and Injunctive Relief and Damages); Count II- Breach of Contract – Rescission; Count III – Breach of Implied Covenant of Good Faith and Fair Dealing; Count IV – Declaratory and Injunctive Relief, Restrictive Covenant Unenforceable; Count V – Demand for Accounting; Count VI – Common Law Fraud; Count VII – Negligent Misrepresentation; Count VIII- Damages and Rescission for violation of Maryland Franchise Regulation and Disclosure Law. The

Defendants deny all of the material allegations of the Complaint and intend to defend against each and every claim of the Plaintiffs. On July 16, 2013, we and DRX filed a notice of removal, to remove the case to federal court, and the case is now Case 3:13-cv-04333 in the United States District Court, New Jersey District. Additionally, on July 22, 2013, we and DRX filed a motion to dismiss, or in the alternative a motion for summary judgment regarding all of the Plaintiffs complaints. On March 4, 2014, the Defendants' Motion to Dismiss was granted. Further, the Court ordered this matter closed. This case was appealed to the Third Circuit Court of Appeals on March 28, 2014.

Laura Fabbro, an individual, DRX Hamilton, LLC, Fabbro Enterprises, LLC and Fabbro Financial Management, Inc., Plaintiffs vs. DRX Urgent Care, LLC and American Family Care, et al., Defendants. Superior Court of New Jersey, Law Division, Monmouth County, Docket No. MON-L-001543, filed April 22, 2013. Plaintiff, Laura Fabbro, is the owner of a franchisee of a "Doctors Express" urgent care franchise in New Jersey. She purchased her franchise from DEF, not the Defendants, on April 9, 2009. She opened her urgent care clinic in November 2010. She and her companies are seeking the imposition of preliminary and injunctive relief, as well as, monetary damages for losses they claim to have sustained in connection with alleged breaches by the Defendants or other parties involved in the System before the Defendants, violation of New Jersey statutory law and various other tortious acts committed by the Defendants or other parties involved in the System before the Defendants.

The complaint includes the following claims: Count I - Violation of New Jersey Franchise Practices Act - Constructive Termination (Declaratory and Injunctive Relief and Damages); Count II- Breach of Contract – Rescission; Count III – Breach of Implied Covenant of Good Faith and Fair Dealing; Count IV – Declaratory and Injunctive Relief, Restructure Covenant Unenforceable; Count V – Demand for Accounting; Count VI – Common Law Fraud; Count VII – Negligent Misrepresentation; Count VIII- Damages and Rescission for violation of Maryland Franchise Regulation and Disclosure Law. The Defendants deny all of the material allegations of the Complaint and intend to defend against each and every claim of the Plaintiffs. On June 7, 2013, we and DRX filed a notice of removal, to remove the case to federal court, and the case is now Case 3:13-cv-03558 in the United States District Court, New Jersey District. Additionally, on June 25, 2013, we and DRX filed a motion to dismiss, or in the alternative a motion for summary judgment regarding all of the Plaintiffs complaints, and on August 5, 2013, the Plaintiffs filed opposing motions. On March 4, 2014, the Defendants' Motion to Dismiss was granted. Further, the Court ordered this matter closed. This case was appealed to the Third Circuit Court of Appeals on March 28, 2014.

The Pai and Fabbro cases were consolidated on Appeal. On April 1, 2015, the Third Circuit Court of Appeals affirmed the District Court's dismissal of Plaintiffs' Complaints. The Plaintiffs did not timely appeal the decisions of the Third Circuit Court of Appeals.

Hanley Limited Partnership, LLC, Marsha Hanley and Raymond Hanley vs. Doctors Express Franchising, LLC, Peter Ross, Anthony Bonacuse, Scott Burger and Rhino 7 Consulting Company – U.S. District Court, Northern District of Maryland, Case No. 1:12-cv-00795-ELH. The plaintiffs are the former DEF franchisee and its owners, who had operated and closed a franchised Doctors Express location in Missouri. This action was filed on March 13, 2012, against: DEF-Florida (as successor to DEF-Maryland); 3 of DEF's officers, Peter Ross, Anthony Bonacuse, and Scott Burger; and Rhino 7 Consulting Company ("Rhino 7"). The complaint includes the following claims: Count I - claims of violation of the Maryland Franchise Registration and Disclosure Law; Count II – claims of fraud and deceit; and Count III - claims of constructive fraud in connection with the offer of a franchise to the plaintiffs. The plaintiffs request rescission and damages $1.3 million or more. On February 25, 2013, the court issued a ruling on certain motions to dismiss submitted by the defendants. As part of that ruling, the court: as to Count I, it granted the request to dismiss a portion of the count, but rejected it to the remainder of Count I; as Count II, it dismissed without prejudice the claims against Rhino 7, but it did not dismiss the claims against DEF; and

as to Count III, the court dismissed without prejudice the claims against both DEF and Rhino 7. On July 30, 2013, the case was dismissed without prejudice, and as of August 16, 2013, the parties settled the dispute. Under the settlement terms, plaintiffs received $525,000 to resolve all claims among the parties, without any party admitting liability. This matter is related to a previous lawsuit filed by the plaintiffs against DEF-Maryland and Rhino 7 in the Superior Court of California, County of Sacramento (Case No. 2011-00105724) on September 20, 2011. The claims in that case were similar to those in this case, but the entire action was dismissed on or about February 2, 2012 based on inconvenient forum (Forum Nonconviens).

During 2017, we initiated 1 lawsuit against a franchisee as follows:
Suit for breach of contract:
AFC Franchising, LLC v Exigent Care, Inc., Keith Pellicano and Rhonda Pellicano; Case No. 2:17-CV-793-RDP (Northern District of Alabama) filed May 15, 2017.

Notes to Table (including development of a new Center):

*The first table in this Item 7 represents the initial investment for a single Franchised Business in which the franchisee develops a new Center. Please review the table with the following notes.

(1) Initial Franchise Fee. The initial franchise fee is $60,000 and is paid when you sign the Franchise Agreement for the development of one new Franchised Business. We do not finance any fee.

(2) Travel/Training. You will pay all travel and living expenses which you (or your Operating Principal) and all of your employees incur, and your employees' wages and workers' compensation insurance while training. These costs will depend on the distance you must travel and the type of accommodations you choose. The initial training program is held at our offices in Birmingham, Alabama, or at a training facility we designate. The low estimate assumes that you live within driving distance of our headquarters or the designated training facility; the high estimate assumes that you will incur costs for lodging, food, and travel for 3 days training.

(3) Lease; Utility and Security Deposits. We expect that you will need approximately 2,700 to 3,750 square feet for the Center. Rent varies considerably from market to market, and from location to location. Rents may vary beyond the range that we have provided based on factors such as market conditions in the relevant area, the type and nature of improvements needed to the premises, the size of the leasehold, the terms of the lease, the location within a site (such as an end-cap), and the desirability of the location. If you cannot negotiate a rent abatement for the pre-opening period, your costs will be higher. You should investigate the typical leasing costs for your target market area. If you decide to buy the property where you will operate your Franchised Business, your costs will be substantially higher and cannot be estimated.

(4) Medical Equipment. You will need to purchase or lease medical equipment such as X-ray machines, exam tables, etc. for the Center you will manage. The amounts listed are to purchase this equipment. You must purchase the initial medical equipment for a new Center that you manage from our affiliate, AFCP. You may decide to lease the equipment rather than purchasing it with an upfront payment. A variety of factors such as the condition of the national and regional economy, availability of credit, number of suppliers leasing equipment in your area, interest rates being offered, duration of leases offered, security requirements, and your credit history may affect the availability of leased equipment; the monthly and overall costs of the leases and other terms may be relevant to your decision as to whether to purchase or lease the equipment.

(5) Construction. You must develop the Center in compliance with our standards and specifications for architectural design, layout, furnishings, fixtures, equipment, and decor as outlined in the Manual. You will need to negotiate with your landlord the build out of the location to meet the system design standards and specifications for the Center and your Franchised Business. The build out and related costs may vary based on a number of factors, including the size and condition of the Premises, but will typically include a "vanilla box" layout with our specifications, including all walls, fixtures, flooring, HVAC and utilities, plumbing for bathrooms and exam rooms, certain equipment and an office area. Our estimates are for a facility with approximately 6 to 8 exam rooms and 2,700 to 3,750 square feet, reflecting the conditions described above, and includes the use of a general contractor. The basis for the construction costs is approximately $130 per square foot. This is based on the experience of our Predecessors and management team. Your experience may vary.

(6) Site Selection. You will work with a real estate site selection vendor to assist you in selecting your site. The vendor, using demographic and real estate analysis and site criteria, will provide you with several options for your site.

(7) Furniture. You will need to purchase furniture for the Premises at your location, meeting our standards and specifications. Furniture, however, does not include office furnishings or appliances for the Center.

(8) Office Equipment (including Computer System). You will need to purchase office equipment for the operation of your Franchised Business. The amounts listed are an estimate of the cost for office equipment and computer systems for the Center. The estimate also includes a fee of $6,960 for implementation, training, hardware configuration and server configuration for the electronic medical/patient record ("**EMR**") services program that you must obtain from DocuTAP, the vendor that we have designated for these services.

(9) Initial Medical Supplies. These estimates reflect the costs of various medical supplies you will need to supply to the Center for its initial phase of operation. You must purchase the initial medical supplies for a new Center you manage from our affiliate, AFCP.

(10) Initial Advertising / Grand Opening. You must implement our Grand Opening program prior to and in connection with the opening of the Center you manage. This program consists of advertising, direct mail, promotional items, and media management. You must spend a minimum of $20,000 on your Grand Opening. The amount shown is the budget we have designed in order to implement this program. The higher range of this estimated cost is to include a media program with the public relations firm that we have approved for use to optimize the Grand Opening process. While this $10,000 to $15,000 expenditure for media program is optional, we highly recommend that you retain these third-party services to support your Grand Opening. If you do so, the monies will be paid to the third-parties who provide the media program services.

(11) Business Licenses. You will be required to obtain a business license or permit before you can open the Franchised Business. You will be responsible for ensuring that the PC has, and certifies to you that it has received, all required state and local government certifications, permits and licenses necessary for the operation of a Center, including any required licenses and certifications for its personnel. The estimates in the chart do not include the costs of the PC to obtain its necessary licenses and certifications.

(12) Signage. The amounts listed are for the purchase of the necessary signage for the Center as outlined in the Building Signage Standard Specifications.

(13) Legal/Professional Fees. We believe that it is important for you to consult with your own accountant, attorney, risk management and/or business advisor before making any decision to enter into a Franchise Agreement with us. You should also use an attorney or other business advisor to review any lease or other agreements that you enter into in connection with your Franchised Business. We also recommend that you seek the assistance of professional advisors before signing a Franchise Agreement with us to evaluate any applicable legal obligations regarding the establishment, operation and/or management of a business providing urgent care and related medical services, and their possible effects on your costs.

(14) Insurance – GL and Malpractice. This is an estimate of your initial insurance premiums for required property, malpractice, and professional liability insurance for the PC. Your premiums will be paid quarterly or semi-annually depending on the insurance provider. Your costs will vary depending

on your market, the amount of coverage you select, your insurance carrier and other factors. We have an approved vendor who can help you secure this insurance in any state in the US. We have set minimum insurance requirements for all of our Franchised Businesses.

(15) Recruitment. This is an estimate for recruitment of the physicians and healthcare staff for the Center you will manage. The high end of the costs shown includes an estimate for those franchisees that need or choose to retain a recruiter to find their lead physician.

(16) Credentialing. You will be required to use the vendor(s) that we designate or approve for credentialing services. The permitting requirements in certain states (at this time, we are aware of Arizona and Florida) do not permit credentialing to occur before opening and require that the Center begin operations before the credentialing process may begin. This type of restriction may substantially affect a business, including causing delays in the credentialing and contracting process, which may negatively affect the Center's ability to obtain reimbursements (or lead to a lower reimbursement rate), negotiate contracts and generate revenues until the credentialing is completed following the Center's opening. We recommend that you seek the assistance of professional advisors before signing a Franchise Agreement with us to evaluate credentialing requirements, as well as other applicable legal obligations regarding the establishment, operation and/or management of a Center.

(17) Additional Funds. This is an estimate only for the additional operating capital needed to cover expenses in operating your Franchised Business during the first 3 months after you open. We cannot guarantee that you will not have additional expenses starting the Franchised Business. The estimate includes items such medical billing services (i.e., billing and collecting payments for services provided at the Center, EMR services, initial payroll including 1 person for marketing activities and the costs that the PC will incur for payroll for medical personnel adequate to meet the Center's anticipated initial volume of business – provided that staffing levels may need to be adjusted depending on the actual volume of business) and payroll taxes (including payroll to cover the pre-opening training period for some of your Franchised Business staff), continuing service and royalty fees, Marketing Fund contributions, professional fees, additional advertising, rent, repairs and maintenance, bank charges, miscellaneous supplies and equipment, state tax and license fees, deposits and prepaid expenses (if applicable) and other miscellaneous items.

The expenses you incur during the start-up period will depend on factors such as local economic and market conditions, whether your Franchised Business is located in a new market or a mature market, your experience and business acumen, competition, and other factors.

(18) We do not offer direct or indirect financing to you for any items.

(19) Total. In compiling these estimates, we have relied on the experience and data collected from us and our Predecessors, the experience of our current leadership team, and the experience of the System franchisees during 2017. Your costs will depend on a number of factors including local economic and market conditions. The estimates above reflect a franchisee purchasing the medical equipment (rather than leasing it) and paying upfront the build-out costs (rather than financing these costs through the premises lease or otherwise). If you decide to and are able to make arrangements to lease the medical equipment and/or finance the build-out of the Center that you will manage, then the costs that you must pay through your first 3 months may be lower.

Unless otherwise noted above, none of the above fees are refundable to you.

Notes to Table for Conversion Franchise:

**The second table in this Item 7 represents the initial investment for a single Franchised Business in which you convert an existing urgent care center into a Center that you will manage. We anticipate that the initial investment costs for a Conversion Franchisee will differ significantly from those of start-up franchisees, either because a Conversion Franchisee will not incur certain new costs, or some costs may be significantly lower. The table estimates the new and incremental costs that a Conversion Franchisee would incur by converting to a Franchised Business and converting the existing center to a Center. Please review the table with the following notes.

(1) Initial Franchise Fee. The initial franchise fee is $41,250 if you are a Conversion Franchisee and is paid when you sign the Franchise Agreement. We do not finance any fee.

(2) Travel/Training. You will pay for all travel and living expenses which you (or your Operating Principal) and all of your employees incur, and your employees' wages and workers' compensation

insurance while training. The costs will depend on the distance you must travel and the type of accommodations you choose. The initial training program is held at our office in Birmingham, Alabama or at a training facility we designate. The low estimate assumes that you live within driving distance of our headquarters or the designated training facility; the high estimate assumes that you will incur costs for lodging, food and travel for 3 days training. Depending on a variety of factors, including your current operating schedule and staffing, you may need to close your existing center for a limited period of time to attend the training program.

(3) Medical Equipment. This conversion estimate is based on an existing urgent care center that is already equipped with an x-ray machine and all other standard equipment. This range represents the need for the existing center to add on occupational health equipment, lab equipment if they do not already have it, or need to make changes to it. You must purchase any initial medical equipment that you need for the Center you manage from our affiliate, AFCP.

(4) Build Out. Since this is a conversion of an existing urgent care center, our standard build-out process may not be required; however, Conversion Franchisees may need to make some changes in their Center. This estimate is for changes to the waiting area and registration to conform to a standard Center. There might be a need for paint and/or flooring and these costs are included in this range. These figures assume that the existing urgent care center has exam rooms and x-ray equipment sufficient to comply with our standards and specifications for Centers.

(5) Furniture, Fixtures and Equipment (including Computer System). You may need to purchase furniture and fixtures for the Premises. The amounts listed are an estimate of the cost to furnish and provide computer systems for the Center you manage in addition to your existing furniture and equipment. The estimate also includes a fee of $6,960 for implementation, training, hardware configuration and server configuration for the electronic medical/patient record ("**EMR**") services program that you must obtain from DocuTAP, the vendor that we have designated for these services.

(6) Initial Medical Supplies. The estimates for this line item reflect the costs of various medical supplies you will need to supply the Center you manage for its initial phase of operation. This range is for the purchase of supplies to support the lab and occupational health programs if they do not exist at the time of conversion. You must purchase any initial medical supplies that you need for the Center you manage from our affiliate, AFCP.

(7) Initial Advertising / Grand Opening. You will need to implement our Grand Opening program in connection with the opening of the Center you manage. This program consists of advertising, direct mail, promotional items, and media management. You will need to spend a minimum of $20,000 on your Grand Opening. The amount shown is the budget we have designed in order to implement this program. The higher range of this estimated cost is to include a media program with the public relations firm that we have approved for use to optimize the Grand Opening process. While this $10,000 - $15,000 fee for a media program is optional, we highly recommend that you retain these third-party services to support your Grand Opening. If you do so, the monies will be paid to the third-parties who provide the media program services.

(8) Signage. The amounts listed are for the purchase of the necessary signage for the Center as outlined in the Building Signage Standard Specifications.

(9) Legal/Professional Fees. We believe that it is important for you to consult with your own accountant, attorney, risk management and/or business advisor before making any decision to enter into a Franchise Agreement with us. You should also use an attorney or other business advisor to review any lease or other agreements that you enter into in connection with your Franchised Business. We

also recommend that you seek the assistance of professional advisors before signing a Franchise Agreement with us to evaluate any applicable legal obligations regarding the establishment, operation and/or management of a business providing urgent care and related medical services, and their possible effects on your costs.

(10) Additional Funds. This is an estimate only for the new and additional operating capital needed to operate your Franchised Business during the first 3 months after you open ("new and additional" refers to cover those costs that a Conversion Franchisee will incur because of the conversion and that it would not have incurred if it had continued operating its existing urgent care business in its present form). We cannot guarantee that you will not have additional expenses starting the Franchised Business. This estimate includes items such as medical billing services (i.e., billing and collecting payments for services provided at the Center, EMR services), initial payroll for a Marketing Representative and related payroll taxes, continuing service and royalty fees, Marketing Fund contributions, professional fees, additional advertising, repairs and maintenance, bank charges, miscellaneous supplies and equipment, state tax and license fees, depreciation/ amortization, deposits and prepaid expenses (if applicable) and other miscellaneous items. As noted above, since this is a conversion of an existing urgent care center, this range reflects only the new and additional costs a Conversion Franchisee may incur and takes into consideration that there is an on-going business that has been operating, generating revenue and incurring many expenses applicable to an urgent care center.

(11) We do not offer direct or indirect financing to you for any items.

(12) Total. In compiling these estimates, we have relied on the experience and data collected from our Parent and its experience in operating their urgent care businesses, as well as our Predecessors, and the experience of the System franchisees during 2017. Your costs will depend on a number of factors including local economic and market conditions. The estimates above reflect that a franchisee already possesses a facility built-out and operating as an urgent care center, already possessing medical equipment and assumes that you will only have to acquire certain additional items for the conversion and undertake limited "build-out" to modify the existing center to our standards. The estimates above reflect a conversion franchisee purchasing the additional medical equipment (rather than leasing it) and paying up front the conversion build-out costs (rather than financing these costs through the premises lease or otherwise). If you decide to and are able to make arrangements to lease the medical equipment and/or finance the build-out of the Center that you will manage, then the costs that you must pay through your first 3 months may be lower.

Unless otherwise noted above, none of the above fees are refundable to you.

If you sign an Area Development Agreement, you must pay us a non-refundable development fee which is described in Item 5. You will also need funds for working capital to pursue your development obligations. We are unable to estimate the extent of your working capital needs, which will depend in large part on the number of franchises you develop. There is no other initial investment required upon execution of an Area Development Agreement. However, an initial investment will be required for each franchise that you open. Our current estimate of this investment is described above. In addition to the amount in above tables which are per franchise estimated initial investments, you must add an additional $10,000 non-refundable deposit per franchise to be developed under the ADA.

ITEM 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

General

To ensure that the highest degree of quality and service is maintained, you must operate the Franchised Business in accordance with System Standards and the Manual. During the term of the Franchise Agreement:

- the Franchised Business will provide all of the management services to the Center that we specify;
- the Center, through the PC, will provide various levels of patient care services provided by a physician or other professionally licensed persons which include minor injuries, infections, workers' compensation injuries, sports physicals, travel medicine, colds and flu, and other services and products that we specify from time to time;
- the Franchised Business will offer and sell approved services and products only in the manner we have prescribed, and you will ensure that the PC operating the Center offers and sells only those services and products that we have approved and in compliance with the Management Agreement;
- you will not offer for sale or sell at or from the Franchised Business or any other location, any services or products we have not approved;
- you will discontinue selling and offering for sale any services or products that we at any time decide to disapprove in writing, and you will be responsible for ensuring that the PC operating the Center discontinues selling and offering for sale any services or products that we disapprove. Without limiting the previous requirement, you must not provide any medical care or medical services, as determined by us and applicable local, state, and federal laws and regulations, without our prior approval.

Approval of Products and Suppliers

We, including through our Predecessors, have developed or may develop standards and specifications for types, models and brands of required operating assets (all required fixtures, furniture, equipment (including a required or recommended computer, facsimile, and point-of-sale information system), furnishings, and signs are referred to as the "**Operating Assets**"), and other products. We will furnish these standards to you in the Manual or otherwise in writing. Our criteria for approving suppliers, however, is fluid (but which is, generally, the ability to satisfy our quality standards and controls) and is not provided to franchisees. We have the right to inspect a prospective supplier's facilities and submit proposed products for testing and evaluation. You must reimburse us the reasonable costs of any such inspection and our actual costs of any test performed. We reserve the right to approve specifications or suppliers of the Operating Assets that meet our reasonable standards and requirements. If we do so, you must purchase only products meeting those specifications, and if we require it, only from suppliers we have approved, including ourselves or our affiliates. We will notify you of approval or disapproval of suppliers, specifications, or products within 90 days of your written request for approval. At this time, we do not limit the suppliers from whom you may purchase approved products or services, other than the requirement that you use the suppliers with whom we have negotiated purchase arrangements for the purchase of medical equipment and supplies (including vaccinations), billing and claim management, center prototype and construction management, malpractice insurance, online patient feedback, certain computer software,

occupational health training and certification services, credentialing services, electronic medical/patient (EMR) record services, pharmacy point-of-sale services (if a pharmacy is permitted in your state), a weight-loss program and products, and laboratory certification.

Approved Products and Suppliers

We may designate a single supplier for any product, service, equipment, supply or material and may approve a supplier only as to products that we specify. The designated supplier may be us, our Parent, or an affiliate of ours. Currently, we are not an approved supplier. Our Parent, which is owned by Dr. Bruce Irwin, is an approved supplier for a number of items and services used in the operation of the Franchised Businesses. At this time, the items and services for which our Parent is an approved supplier include: construction oversight services, supplies and equipment (including vaccinations), laboratory consulting, credentialing, new clinic set-up, and a weight-loss program and products. Our affiliate AHR, is an approved vendor of personnel recruiting and other services; and, our affiliate AFCP, is an approved supplier of medical supplies, equipment, and other products. Currently, all new franchisees are required to purchase their start-up medical equipment and initial medical supplies from AFCP. They can purchase other supplies, furniture, and equipment from any source. Other than Parent, AHR and AFCP, we do not currently have any other affiliates that provide products or services to our franchisees.

We will have the right to collect and retain all manufacturing allowances, marketing allowances, rebates, credits, monies, payments or benefits (collectively, "**Allowances**") offered by suppliers to us or our affiliates based upon your purchases of products and other goods and services. These Allowances may be based on System-wide purchases of products and services. You assign to us or our designee all of your right, title and interest in and to any and all such Allowances and authorize us or our designee to collect and retain any or all such Allowances without restriction (unless otherwise instructed by the supplier).

We may concentrate purchases with one or more suppliers to obtain lower prices or advantageous advertising support or services. Approval of a supplier may be conditioned on requirements concerning product quality, prices, consistency, reliability, financial capability, labor relations, customer relations, frequency of delivery, concentration of purchases, standards of service, including prompt attention to complaints, or other criteria and may be temporary, pending our continued evaluation of the supplier.

We may negotiate purchase arrangements (including price terms) with some suppliers of approved products. In doing so, we seek to promote the overall interests of our franchise system and our interests as the Franchisor. As of the date of this disclosure document, our Predecessors had, and we have, negotiated discounts and purchase arrangements which include the following: 1 supplier for site selection services; 1 supplier for build-out services; 4 suppliers for billing and claim management; 2 suppliers for medical equipment and supplies; 4 suppliers for vaccines; 3 suppliers for signage; 1 supplier for point-of-sale pharmacy services; 1 supplier for select computer software; 1 supplier for occupational health training and certification services; 1 supplier for PR/Marketing; 5 suppliers for branded apparel, uniforms, and promotional products; 4 suppliers for collections services; 2 suppliers for credit card processing; 3 suppliers for direct mail marketing; 3 suppliers for DOT Medical Examiner Certification; 3 suppliers for website hosting and services; 1 supplier for laundry service; 1 supplier for medical malpractice insurance; 1 supplier for online patient feedback; 2 suppliers for medical waste removal; numerous suppliers for medical staff recruitment services; and 2 suppliers for payroll and human resource services. We may continue with those arrangements or we may seek to negotiate different terms or establish new arrangements. We have also approved suppliers for a number of additional items and services. These include insurance verification, translation services, site selection, radiology reading, office supplies and laboratory testing.

We may require that you use the suppliers with whom we have purchasing arrangements in effect. In consideration for our negotiating and maintaining these arrangements, these suppliers may provide Allowances to us or our affiliates, based on the purchases of all Franchised Businesses and Centers. We expect that any Allowances will be determined and paid on an annual basis as a percentage of the total purchases made by all Franchised Businesses and Centers during the year. We received rebates totaling $45,000.00 from our approved construction company, in 2017. We or our Affiliate received rebates totaling $28,661.90 from Taylor Communications in 2017. Otherwise, neither we, or our Parent, or any affiliate received any Allowances in 2017. The range or precise level of any Allowances that we receive in the future may vary based on a variety of factors, including the volume of purchases by Franchised Businesses and Centers. If we receive any Allowances, we may pay all or a portion to franchisees based on their purchases or pay all or a portion to the Marketing Fund or may retain all or a portion as consideration for our services, negotiations, and central ordering services. Our total net revenues in fiscal year ended 11/30/2017, were $8,024,708. We had no revenues from required franchise purchases. Our affiliate AFCP sells medical equipment, supplies and other products to our franchisees generally at its cost, plus 10%. For fiscal year ended 11/30/2017, AFCP had revenues of $6,196,737 with a gross profit of $600,625.

Goods or Services Required to be Leased or Purchased

We have also established additional relationships with approved suppliers for medical credentialing and electronic medical/patient record services. You must use the suppliers that we have approved for these services. The required vendor for electronic medical/patient record services is DocuTAP. DocuTAP is also an approved supplier for medical billing services. You may, but are not currently required to, use DocuTAP for medical billing services. You must purchase professional liability insurance from our designated supplier. Other than as set forth above, neither we, nor any affiliate, owner, or officer of ours are approved suppliers, or own an interest in any of the suppliers that we require franchisees use.

We do not provide any material benefits to you based on your use of approved suppliers.

We estimate that your purchases or leases from approved suppliers in accordance with our specifications will represent approximately 75% - 95% of your total purchases in the establishment of the Franchised Business, and 75% - 95% of your total purchases in your continuing operation of the Franchised Business.

Computer System

You must obtain and use the computer hardware and/or operating software and/or communications capabilities we specify (the "**Computer System**") from our approved supplier. We may modify specifications for and components of the Computer System.

Contractors, Site Selection, and Center Development and Build Out

We have one approved vendor who will, for a fee, provide site selection and lease negotiation assistance. You are required to use our approved vendor. We have approved certain contractors, vendors and suppliers for the development and build-out of the Center you will manage. You must hire these contractors and suppliers, who will assist you in completing the development and build-out of the Center, unless you obtain our prior approval to use alternative vendors. The assistance provided by the contractors and suppliers includes working with you to obtain site plans and modifications to our basic architectural plans and specifications for the Center, and arranging for installation and delivery of the equipment, fixtures, furniture and signs meeting our specifications which you must purchase or lease.

Advertising

We will work with you to develop an advertising and marketing plan (the **Plan**") for you, the Center you manage, and your Territory. You must comply with all requirements regarding the Plan, including use of approved advertising and marketing materials, placement and purchase of advertising and marketing materials and media, and compliance with all promotional recommendations. Your local advertising and promotion must follow our guidelines which may include, among other things, requirements for or restrictions regarding the use of the Marks and notices of our Website's domain name in the manner we designate. We may specify third parties that you must use for the design and development of your local advertising. However, you will be required to pay those third parties directly without any offset to your local expenditures requirements.

For all proposed advertising, marketing, and promotional plans, you must submit samples of plans and materials to us for our review and prior written approval (except concerning prices that you may charge). If you do not receive written approval from us within 10 days of the date of receipt of the samples or materials by us, then the samples or materials will be deemed disapproved.

Insurance

You must maintain in force at your sole expense comprehensive public liability coverage, general liability insurance, personal injury coverage and motor vehicle liability insurance against claims for bodily and personal injury, and death and property damage caused by or occurring in connection with the Franchised Business's operation, all containing the minimum liability coverage we prescribe. The current requirements for insurance policies and coverage include: (1) comprehensive general liability insurance with limits of at least $1 million per occurrence and $3 million aggregate; (2) workers' compensation and employer's liability insurance as well as other insurance that may be required by statute or rule of the state in which the Franchised Business is located and operated; (3) personal injury coverage with limits of at least $1 million per occurrence and $3 million aggregate; (4) property damage coverage with limits of at least $1 million per occurrence and $3 million aggregate; and (5) automobile liability insurance, and property damage liability, including owned, non-owned, and hired vehicle coverage, with at least $1 million general aggregate limit. Additionally, you must arrange for the PC to obtain and maintain professional liability coverage with limits of at least $1 million each incident and $3 million aggregate for itself and naming you as additional insured, and such other insurance we specify in the Management Agreement or Manual. We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverage at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances. These insurance policies must name us as additional named insureds and provide for 30 days' prior written notice to us of a policy's material modification, cancellation or expiration. You must routinely furnish us copies of your certificates of insurance or other evidence of your maintaining this insurance coverage and payment of premiums. If you fail or refuse to obtain and maintain the insurance we specify, in addition to our other remedies, we may obtain comparable insurance for you and the Franchised Business on your behalf, in which event you shall cooperate with us and reimburse us for all premiums, costs and expenses we incur in obtaining and maintaining the insurance, plus a reasonable fee for our time incurred in obtaining the insurance.

Payroll and Payroll Tax Providers

You are required by federal and state laws to comply with all employment laws, and employee payroll and employment tax requirements that apply to your business and to pay employment taxes on behalf of your employees. You may also offer various employee benefits (but we do not require that you do), such as health, dental and/or vision insurance, a 401(k) plan, or other benefits. We have an approved

third-party payroll, tax and employee services administrator who, for a fee, will provide consistent reporting of payroll and employee information, along with providing benefits, administrative and other human resource functions, and will assist you in your payroll and payroll tax obligations. Currently, you are not required to use our approved vendor. You may select your own payroll service, use an accountant or, based on your accounting and tax experience, you may choose to do it yourself.

* * *

We may operate and change the System in any manner that is not expressly or specifically prohibited by the Franchise Agreement. Because complete and detailed uniformity under many varying conditions may not be possible or practical, we specifically reserve the right and privilege, as we consider to be best, to vary System Standards for any franchisee or any Franchised Business based upon the peculiarities of any condition that we consider important to that franchisee's or Franchised Business's operation. Periodically, we may modify System Standards, and to the extent the changes to the System Standards will apply generally to franchisees and offices operating under the System, these modifications may obligate you to invest additional capital in the Franchised Business and/or incur higher operating costs. You must implement any changes in the System Standards within the time period we specify, whether they involve refurbishing or remodeling the Premises or any aspect of the Franchised Business, buying new Operating Assets, adding new services offered by the Franchised Business, or otherwise modifying the nature of your operations.

Preopening Obligations

We are required by the Franchise Agreement to provide certain assistance and service to you. Before you open your Franchised Business:

We will provide guidance to assist you in working with designated contractors and suppliers to complete the development and build out of the Center you will manage. This includes working with you to: obtain site plans and modifications to our basic architectural plans and specifications for the Center; obtain required zoning changes, building and sign permits; and arranging for installation and delivery of equipment, fixtures, furniture and signs meeting our specifications that you must buy or lease. (Franchise Agreement, Section 2.2)

(2) We will provide you an email address for the Center and certain employees. (Franchise Agreement, Section 2.4)

(3) We will provide an initial training program for you or your Operating Principal and your required attendees. (Franchise Agreement, Section 4.1)

(4) We will, at our own cost, send one of our representatives to the Franchised Business for a period of 3 days to assist with pre-opening and opening of the Franchised Business. This period may overlap with the opening and may extend into the first week of operations. (Franchise Agreement, Section 4.1)

(5) We will loan you during the Initial Term 1 copy of our Manual, which may include audiotapes, videotapes, compact disks, computer software, other electronic media, information distributed electronically or via the Internet or our extranet (if one is developed) and/or written materials. The Manual contains mandatory and suggested specifications, standards, operating procedures, and rules that we

periodically prescribe for operating a Franchised Business. These are our "**System Standards.**" The Manual also contains information on your other obligations under the Franchise Agreement. We may modify the Manual periodically to reflect changes in System Standards and other guidance and requirements regarding the operation and management of a Franchised Business. (Franchise Agreement, Section 4.4)

(6) We will work with you to develop an advertising and marketing plan for you, your Franchised Business, and your Territory. (Franchise Agreement, Section 9.3)

We are not required by the Franchise Agreement to furnish any other service or assistance to you before the opening of your Franchised Business. Also, if you are a Conversion Franchisee, we will not provide you with the assistance and services described in paragraph 1 above.

Continuing Obligations

We are required by the Franchise Agreement to provide certain assistance and service to you during the operation of your Franchised Business:

(1) We will provide ongoing training, conferences and seminars for you or your Operating Principal and certain employees at a reasonable charge. (Franchise Agreement, Section 4.2)

(2) We will advise you regarding the Franchised Business's operation based on your reports to us and/or our direct or indirect observations, and we will provide guidance to you concerning: (1) standards, specifications, and operating procedures and methods regarding the operations of the Center; (2) advertising and marketing materials and programs; (3) employee training and recruiting programs; and (4) administrative, bookkeeping, and accounting procedures. We will use reasonable efforts to approve or disapprove the proposed site within 30 days after your request for our approval. We and our approved vendors will provide the assistance described above, but you are responsible for securing (either by leasing or purchasing the location) an approved site within 270 days of signing the Franchise Agreement. Upon our approval of a site and after you secure the site we will insert its address into the Franchise Agreement as the Premises.

Time to Open

You must complete all preparations and open the Franchised Business within the latter of (a) 90 days of securing the Premises, or (b) 365 days of signing the Franchise Agreement. If you do not meet

either deadline, you will be in default and we may terminate your Franchise Agreement. The typical length of time between signing the Franchise Agreement and commencing business is usually 6 to 12 months. Things that may affect the amount of time it takes you to commence your business are lease negotiations, securing financing, obtaining building permits, zoning and local ordinance compliance, weather conditions, shortages, delayed installations of equipment, fixtures, signs, and the time involved in securing required health care credentialing, and recruiting a physician.

Site Selection*

You must operate the Franchised Business from an approved location. You must obtain our written approval of the Franchised Business's proposed location before signing any lease, sublease, or other document for the site. The Site Selection Addendum will specify a geographic area (the "**Search Area**"), which will generally be a Designated Market Area ("**DMA**"), in which you search for and identify a proposed location for your Franchised Business. The Search Area is established solely for the purpose of defining the area within which you may look for a possible site for the Center, and you will not receive any exclusive territorial rights for the Search Area. We may permit other franchisees to look for prospective sites within an area which is the same as or overlaps with your Search Area, and we may establish, or franchise others to establish, a Franchised Business or Center operating under the System within the Search Area. Once we approve a location to be the "Premises", we will determine the portion of the geographic area that will identify the "Territory" under the Franchise Agreement.

We have one approved vendor who will, for a fee, provide certain site selection and lease negotiation assistance. The use of our approved vendor also requires a brokerage agreement between the approved vendor and a local broker. While utilization of the approved vendor's sourced broker is preferred, we will permit you to suggest a different broker, so long as they are approved by our vendor and execute a then-current brokerage agreement. While we believe that the site selection advice and guidance you may receive from the vendor will be useful, we do not warrant or guarantee that the vendor's assistance will assure that the site you ultimately select for the Franchised Business will be successful.

You must use our approved vendor to assist you with your site selection. The approved vendor will be furnished with all necessary guidelines and criteria needed to perform Market Plans for your Territory. Market Plans will be evaluated through local brokers and used to determine retail sites for your Franchised Business. If we have completed any research on the market area that you are considering, we will provide you with it for information and background purposes only. You should verify all information provided. The approved vendor will compile a Site Approval Package for our review and approval, based on our criteria that may include demographic analysis of the proposed Territory and possible locations, competitive urgent care centers in the potential market or area, existing Centers and their proximity to the potential Territory, and other data.

If we recommend or give you (or our approved vendor) information regarding the Territory, or a site for the Premises, and if we approve a site, our advice, action, or information is not a representation or warranty of any kind of the site's suitability for a Franchised Business, Center or any other purpose. Our recommendation indicates only that we believe that the site meets our then current criteria. Applying criteria that have appeared effective with other sites might not accurately reflect the potential for all sites, and demographic and/or other factors included in or excluded from our criteria could change, altering the potential of a site. The uncertainty and instability of these criteria are beyond our control, and we are not responsible if a site we recommend or approve fails to meet your expectations. Your acceptance of the franchise should be based on your own independent investigation of the Territory and the site.

*We do not provide site selection assistance for, and the Site Selection Addendum does not apply to, Conversion Franchisees. If you are a Conversion Franchisee, you must complete all conversion

requirements and begin operating the Franchised Business within 6 months of signing the Franchise Agreement, unless we specify a longer period. If you do not meet this deadline, you will be in default and we may terminate your Franchise Agreement.

You may operate the Franchised Business only from the Premises. The typical time from signing the Franchise Agreement and opening the Franchised Business (except for Conversion Franchisees) is approximately 6 to 12 months depending on your ability to obtain a lease, zoning and local ordinances, and other factors. We anticipate that for Conversion Franchisees, the typical time from signing the Franchise Agreement and beginning to operate the Franchised Business is approximately 3 to 4 months depending on a variety of factors, including ability to complete any upgrades and changes needed to convert the existing center to a Center, obtain signage, complete training, and other factors.

Training

We will conduct an initial training program for you, your Operating Principal, and/or your Center Administrator which will address the material aspects of operating a Franchised Business that develops and manages a Center. We will provide the initial training program at our headquarters or at a designated training facility of our choice, and we typically conduct training on a quarterly basis. At this time, we conduct the training program at our office in Birmingham, Alabama.

We will provide the initial training, at no charge, for your initial required attendees. In addition, if we have space available in a regularly scheduled training class, you may bring other of your employees to the training class at no additional charge. You must pay for all travel and living expenses which you (or your Operating Principal) and all of your employees incur and for your employees' wages and workers' compensation insurance while they are training.

You (or your Operating Principal) must satisfactorily complete initial training. We will determine whether you (or your Operating Principal) complete initial training to our satisfaction. Our current criteria for satisfactory completion of training includes attendance at all training classes, passing all interim and final tests and exams, and demonstrating the capability and willingness to comply with System Standards. If you (or your Operating Principal) fail to complete the initial training to our satisfaction, then you may repeat the course or send a substitute to complete the next available training program. We reserve the right to charge you for substitute personnel that attend the next training program.

You must employ a Center Administrator before you open for business unless you or your Operating Principal acts as the Center Administrator for your Franchised Business. We may conduct training for your Center Administrator(s) and other personnel within 6 months of your Opening Date (some or all of which may include on-line training programs). At this time, the training that we require for Center Administrators is done at our office in Birmingham, Alabama, or on-line, and training subjects may include customer service, office and staff scheduling, supply ordering, front desk operations, back office operations, and file maintenance and security issues. In determining whether to require initial training and what training may be needed, we will consider various factors, including the background and experience of the Center Administrator, including any experience managing an office.

You must also employ 1 person in a full-time and paid position devoted to marketing and promoting the Franchised Business and the Center (a "**Marketing Representative**"). Your Marketing Representative must be sufficiently qualified and capable of performing the job functions and duties that we specify in our System Standards for the Marketing Representative. You must hire your Marketing Representative no later than 30 days before beginning operations of your Franchised Business.

All management personnel, including your Operating Principal and Center Administrator, and any other personnel that we designate, must meet minimum qualifications that we may specify before they can manage the Franchised Business or train other personnel. If, at any time during the term of the Franchise Agreement, we learn or determine that a person is regarded as no longer complying with our System Standards and procedures, then we may require that person to satisfactorily complete the training or re-training program. We reserve the right to charge for retraining personnel.

In addition, all management personnel and other personnel working at the Franchised Business must satisfactorily complete all state and local government required training and must meet all required licensing, certification and professional regulatory requirements and maintain them on an annual basis.

If you request and we agree to provide additional or special guidance, assistance, or training during this opening phase, you must pay our then applicable charges, including our personnel per diem charges and travel and living expenses.

The following chart outlines our initial training program:

Our training program will concentrate on the Manual and is designed to cover all aspects of the Franchised Business. Our instructors have generally between 1 and 10 years of experience in this industry that is relevant to the Franchised Business.

You (or your Operating Principal) and/or other previously trained and experienced Center Administrators, Marketing Representatives and employees must attend and satisfactorily complete various training courses that we provide at the times and locations that we designate, as well as conventions, regional meetings, and conferences that we specify. Currently, we intend to require all franchisees (or their Operating Principal) to attend regional or annual conferences and meetings that we develop. We may charge reasonable registration or similar fees for these courses. In 2017, the convention fee was $400 for franchisees, or $350 if the franchisee participated in early registration. You must pay all travel and lodging costs to attend. To the extent we decide to offer, or require that you attend, any additional training courses or attend conventions or meetings in the future, we will develop and determine the cost, location, content, duration, and frequency of those programs at that time.

Your replacement Center Administrators (if applicable and if any) must satisfactorily complete our Center Administrator training program at our office in Birmingham, Alabama within 90 days after being hired or designated as Center Administrators. You must pay all travel and living expenses which you and your employees incur during all training courses and programs.

The annual cost of ongoing training resources is $2,000 which will be deducted quarterly no later than the 15th of the month from your account. Refresher training is offered at a cost of $1,000 per day/per trainer, plus all travel and lodging costs for each trainer. Refresher training is available to franchisees who have been operational for 12 months or more.

Any specific ongoing training or advice we provide does not create an obligation (whether by course of dealing or otherwise) to continue to provide such specific training or advice, all of which we may discontinue and/or modify.

Marketing

The Marketing Fund

The image of the AMERICAN FAMILY CARE brand ("**Brand**"), the Marks, Franchised Businesses, and Centers held by the public in general, by patients, and by Center managers and employees, is important to the System and the Marks. We have established a Marketing Fund (the "**Marketing Fund**") for the enhancement and protection of the Brand and Marks, and for the advertising, marketing, and public relations programs and materials.

We will have sole discretion to use the Marketing Fund and monies in the Marketing Fund, for any purpose that we designate that we believe will enhance and protect the Brand and Marks, will improve and increase public recognition and perception of the Brand and Marks, Franchised Businesses, and Centers, and will improve and enhance the perception of Franchised Businesses, and Centers. Among the programs, concepts, and expenditures for which we may utilize the Marketing Fund monies are: creative development and production of print ads, commercials, radio spots, direct mail pieces, door hangers, and other advertising and promotional materials; creative development of, preparing, producing, and placing video, audio, and written materials and electronic media; media placement and buying, including all associated expenses and fees; administering, and/or allocating monies of the Marketing Fund to be used in, regional

and multi-regional marketing and advertising programs; market research and customer satisfaction surveys, the creative development of, and actual production associated with, promotions, public relation events, and charitable or nonprofit events; creative development of signage and posters; employee recognition and awards events and programs; periodic national and regional conventions and meetings; Website, extranet and/or intranet development, implementation, and maintenance; retention and payment of advertising and promotional agencies and other outside advisors including retainer and management fees; and public relations and community involvement activities and programs. We will direct all programs that the Marketing Fund finances with sole control over the creative concepts, materials, and endorsements used and their geographic, market, and media placement and allocation.

You must contribute to the Marketing Fund an amount equal to 1% of your Net Payments, payable in the same manner as the Royalty. We are not required to contribute to the Marketing Fund for Franchised Businesses and/or Centers that are owned by us or our affiliates.

We have the right to collect for deposit into the Marketing Fund any advertising, marketing, or similar allowances paid to us by suppliers who deal with Franchised Businesses and/or Centers and with whom we have agreed that we will so deposit these allowances. These payments are different from those which are not designated by suppliers to be used exclusively for advertising or similar purposes.

The Marketing Fund periodically will provide you samples of advertising, marketing, and promotional formats and materials at no cost. We may sell you copies of these materials at our direct cost of producing them, plus any related shipping, handling, and storage charges.

We will account for the Marketing Fund separately from our other funds and monies and not use the Marketing Fund for any of our general operating expenses. However, we may use the Marketing Fund to pay administrative costs of the Marketing Fund including managing the advertising, marketing, and promotional programs and payment of outside suppliers utilized by the Marketing Fund, and we may use the Marketing Fund to pay the reasonable salaries and benefits of personnel (including our personnel) who manage and administer the Marketing Fund. We may use the Marketing Fund to pay for other administrative costs, travel expenses of personnel while they are on Marketing Fund business, meeting costs, overhead concerning Marketing Fund business, and other expenses that we incur in activities reasonably related to administering or directing the Marketing Fund and its programs. We may use a portion of the Marketing Fund toward the cost to develop and maintain a Website. The Website may have a section relating to our franchise opportunity, and all advertising and promotional materials may reflect the availability of "American Family Care" franchises. Otherwise, we do not use Marketing Fund monies for advertising that is principally a solicitation for the sale of franchises.

The Marketing Fund will not be our asset. Although the Marketing Fund is not a trust, we will hold all Marketing Fund contributions for the benefit of the System, the Brand, and the contributors, and use contributions only for the purposes described in Section 9.2 of the Franchise Agreement. We do not owe any fiduciary obligation to you for administering the Marketing Fund or any other reason. The Marketing Fund may spend in any fiscal year more or less than the total Marketing Fund contributions in that year, borrow from us or others (paying reasonable interest) to cover deficits, or invest any surplus for future use. We will use all interest earned on Marketing Fund contributions to pay costs before using the Marketing Fund's other assets.

We will prepare an annual, unaudited statement of Marketing Fund collections and expenses. The statement will be available for your review upon written request, 90 days after our fiscal year end. We may have the Marketing Fund audited annually, at the Marketing Fund's expense, by an independent certified public accountant. We may incorporate the Marketing Fund or operate it through a separate entity whenever

we deem appropriate. The successor entity will have all of the rights and duties specified in Section 9.2 of the Franchise Agreement.

We intend the Marketing Fund to maximize and enhance public, franchisee, and employee recognition of the American Family Care brand, Marks, Franchised Businesses and Centers. Although we may use the Marketing Fund, or portions of the monies in the Marketing Fund, to create, develop, use and/or place advertising and promotional marketing materials and programs, and we may try to engage in Brand enhancement activities that will benefit all Franchised Businesses and/or Centers, we cannot and do not ensure that Marketing Fund expenditures will be made in or affecting any geographic area, or will be proportionate or equivalent to Marketing Fund contributions by Franchised Businesses operating in that geographic area. We do not guarantee or assure that any Franchised Business and/or Center will benefit directly or in proportion to its Marketing Fund contribution from the Brand enhancement activities of the Marketing Fund or the development of advertising and marketing materials or the placement of advertising and marketing.

If we terminate the Marketing Fund, we will distribute all unspent monies to our franchisees, and to us and our affiliates, in proportion to their, and our, respective Marketing Fund contributions during the preceding 12-month period.

In 2017, a portion, but not all of the contributions to the Marketing Fund were spent. The contributions spent were for the following: 12% on marketing materials, 9% on digital advertising, 7% on public relations efforts (including PR agency fees and customer satisfaction surveys and reports), 11% on a customer feedback program, 15% on salaries, 6% on creative development (including development of TV and radio ads, ongoing graphic design support, new website redesign work, and marketing personnel costs) and 40% on rebranding marketing.

Local Advertising and Promotion

We will work with you through your Franchise Business Consultant to develop an advertising and marketing plan (the **Plan**") for you, your Franchised Business, and your Territory. You must comply with all requirements regarding the Plan, including use of approved advertising and marketing materials, placement and purchase of advertising and marketing materials and media, and compliance with all promotional recommendations. We are not required to spend any amount on advertising within any specific area, including your territory. In addition to your Marketing Fund contribution obligations, you must spend $1,000 each month, beginning 3 months after your Grand Opening, to advertise and promote your Franchised Business and the Center you manage. This advertising and promotion includes such items as advertising, brochures, promotional items, printing, and copying services. In addition, we will average out your advertising and promotion expenditures over a 6-month period to see if you did spend at least $1,000 per month. You must send us, in the manner we prescribe, an accounting of your expenditures for local advertising and promotion at such times, and for such reporting periods, as we may specify. If you fail to expend the required minimum amount, then any amounts that you should have expended to reach the $1,000 per month requirement must be contributed to the Marketing Fund at such times as we specify.

You must list and advertise the Center you manage in at least 1 recommended classified telephone and/or online directory distributed within the Territory (in the business classifications we prescribe) and to use an approved form of classified telephone directory advertisement. If other Centers are located within the directory's distribution area, we may require you to participate in joint, collective, or market-wide advertising, marketing, or promotional campaigns or programs as part of your Plan, and to pay your share of that joint, collective, or market-wide advertising or program.

Your local advertising and promotion must follow our guidelines which may include, requirements for, or restrictions regarding, the use of the Marks and notices of our Website's domain name in the manner we designate. You may not develop, maintain, or authorize, without our prior written approval, any Website that mentions or describes you, the Franchised Business, the Center you manage, or displays any of the Marks. You agree that your advertising, promotion, and marketing will be completely clear, factual, and not misleading and will conform to both the highest standards of ethical advertising and marketing and the advertising and marketing policies that we prescribe. You may use direct advertising only directed to customers located within your Territory, except as we approve or designate in connection with on-line directories and similar on-line advertising. We may specify third-party vendors that you must use for the design and development of your local advertising; however, you will be required to pay those third-party vendors directly without any offset to your required local expenditure requirements.

Market Cooperatives

We have the right to establish a Market Cooperative for the geographic region in which your Franchised Business is located. The purpose of the Market Cooperative is to conduct marketing campaigns for the Centers and Franchised Businesses located in that region. No mandatory Market Cooperatives exist at this time, but we expect that we will establish Market Cooperatives on a regional or market basis in the future. Additionally, our franchisees in Massachusetts have formed a voluntary cooperative for their marketing efforts in their region.

If a Market Cooperative for your area was established before you began to operate your Franchised Business, then when you open your Franchised Business you must immediately join that Market Cooperative. If a Market Cooperative for your area is established after you begin to operate your Franchised Business, then you must join the new Market Cooperative within 30 days of the Market Cooperative's beginning of operations. You will not be required to be a member of more than 1 Market Cooperative. The following provisions will apply to each Market Cooperative:

1. Market Cooperatives will be established, organized, and governed in the form and manner that we have approved in advance. Unless we specify otherwise, the activities carried on by each Market Cooperative will be decided by a majority vote of its members. Any Centers or Franchised Businesses that we operate in the region or area in which a Market Cooperative has been established will have the same voting rights as those Franchised Businesses owned by franchisees. Each Franchised Business will be entitled to cast one vote. Any disputes arising among or between you, other members of the Market Cooperative, and/or the Market Cooperative, will be resolved according to the rules and procedures set forth in the Market Cooperative's governing documents.

2. Market Cooperatives will be organized for the exclusive purpose of administering regional marketing programs and developing (subject to our approval) standardized promotional materials for use by the members in local advertising and promotion.

3. Market Cooperatives may not use marketing, promotional plans, or materials without our prior written approval.

4. You must submit your required contribution to the Market Cooperative at the same time as payments are required for Royalties and the Marketing Fund Contribution, together with the statements and reports that may be required by us or by the Market Cooperative, with our written approval. If requested by us in writing, you must submit your payments and reports for the Market Cooperative directly to us and we will distribute the money and reports to the Market Cooperative. If we incur administrative expenses in support of the Market Cooperative, these expenses may be paid to us from the funds of the Market Cooperative or from a portion of the Advertising Contribution that would be allocated to the Market

Cooperative. We anticipate that the Marketing Cooperative will set the specific amount of the member's Market Cooperative contribution, although we may provide our recommendations and guidelines, and will have the right to approve or disapprove a particular requirement or to specify minimum contribution levels. If you are required to contribute to a Market Cooperative, these contributions will be credited toward your required expenditures for local advertising and promotion.

5. Although a Market Cooperative is intended to be of perpetual duration, we maintain the right to terminate any Market Cooperative. A Market Cooperative will not be terminated, however, until all monies in that Market Cooperative have been expended for marketing or promotional purposes.

Websites

In furtherance of our policies regarding Websites and the presence of the Brand on the Internet, we have the right to establish, maintain, and modify 1 or more Websites that identify the Brand, System, and businesses that operate under our Marks. We will establish webpages on a website that identify individual Franchised Businesses and Centers, and 1 webpage will specifically identify your Franchised Business. You will have the right to promote your Franchised Business using this webpage, and to utilize and modify this webpage, provided that you comply with our Website and Internet policies, and our other System Standards. Our current Websites are identified as www.americanfamilycare.com and www.afcfranchising.com. We may also develop or allow Market Cooperatives to develop, with our review and approval, regional Websites to promote the Brand and Centers in those regions. Our current website strategy includes utilizing our Website and various webpages for press releases, Brand marketing, promotion, and dissemination of other information related to the Franchised Businesses and Centers.

Computer Systems

Current System. The Computer System that we currently require is for use in connection with operational and management tasks of your Franchised Business. It allows us to receive information concerning your Franchised Business's sales, financial performance, and provides you with consolidated sales along with periodic sales histories, and gathers information on sales by different categories, and may include data relating to the Center (subject to HIPAA and any other applicable law).

Below listed Computer System shows the recommended minimums and can vary according to your floor plan. We estimate the cost to purchase the Computer System to be approximately $2,000 to $5,000 for a single computer, with the appropriate software and peripherals for the Computer System, plus a fee of $6,960 for implementation, training, hardware configuration and server configuration of the EMR services program that you must obtain from DocuTAP. Your costs may be more if you purchase additional computers or components.

Except for the DocuTAP program, you are not currently required to obtain service contracts to cover upgrades and updates, enhancements, and telephone support for any of the required software and hardware components of the Computer System. You must, however, upgrade your software as necessary to ensure proper functioning of your system.

General Requirements. You must obtain and use the computer hardware and/or operating software and/or communications capabilities we specify (the "**Computer System**"). We may modify specifications for and components of the Computer System. You must maintain a functioning e-mail address. You must obtain high-speed communications access that we may specify. Our modification of specifications for the Computer System, and/or other technological developments or events, might require you to purchase, lease, and/or license new or modified computer hardware and/or software and/or communications capabilities and to obtain service and support for the Computer System. You must incur the costs of obtaining the computer hardware, software, and/or communications capabilities comprising the Computer System (or additions and modifications) and the required service or support.

We or our affiliates may retain a third-party provider, or an Applications Service Provider (or ASP) to provide some or all of the service and support for your benefit or the benefit of Franchised Businesses and/or Centers, and we may pay a service or ASP hosting fee. We will offer a limited help desk to support you with the Computer System at no additional cost. We have no obligation to reimburse you for any Computer System costs that you incur. Within 60 days after you receive notice from us, you must obtain and install the Computer System components that we designate. You must disclose to us any passwords or codes associated with the Computer System. (Section 2.4 of the Franchise Agreement)

We do not currently have independent access, but we have the right to require that you provide us with independent access, to the information generated or stored in your Computer System. During any periods that we have independent access, we may access the Computer System as we deem appropriate (including on a continual basis), and retrieve all information concerning your Franchised Business's operation, subject to your and our compliance with HIPAA (the Health Insurance Portability and Accountability Act of 1996) and other applicable laws relating to confidentiality of patient records. There are no contractual limitations on our right to access your Computer System for information and data. (Section 10 of the Franchise Agreement)

Despite the fact that you must buy, use, and maintain the Computer System according to our standards and specifications, you will have sole and complete responsibility for: (1) the acquisition,

operation, maintenance, and upgrading of the Computer System; (2) the manner in which your Computer System interfaces with our and any third party's computer system; and (3) any and all consequences if the Computer System is not properly operated, maintained, and upgraded. You should be prepared to upgrade your computer hardware every 3 years due to improvements in the software, advances in technology, and memory requirements. There is no contractual limitation on the frequency and cost of this obligation. The cost to upgrade the hardware and maintain or upgrade the software depends on our future needs, as well as technological developments. We have no formal policy or requirement for upgrading, so our "estimate" of possible upgrading and maintenance costs is approximately $2,400 per year. You may not install any software, other than authorized upgrades, or make any hardware modifications to the Computer System that might interfere with the operation of the Computer System in the manner we require. (Section 2.4 of the Franchise Agreement)

Manuals

The table of contents of our Manual is attached as Exhibit I. The Manual contains 432 pages.

Franchisee Council

We have 1 Franchisee Council in effect, which operates under bylaws. We reserve the right to modify the bylaws, or to establish other legal, administrative, and organizational framework for the Franchisee Council. We also reserve the right to discontinue a Franchisee Council at any time. The Franchisee Council does not exist to advise us on our advertising policies.

ITEM 12
TERRITORY

You must operate the Franchised Business managing the Center from an approved location. You must obtain our written approval of the Franchised Business's proposed location in accordance with the Site Selection Addendum. The Site Selection Addendum will specify the search area, which will generally be a DMA in which you search for and identify a proposed location for your Franchised Business. We may permit other franchisees to look for prospective sites within an area which is the same as or overlaps with your Search Area, and we may establish, or franchise others the right to establish, a Franchised Business or Center operating under the System within the Search Area. Once we approve a location to be the "Premises", it will be identified in the Franchise Agreement and the "Territory" will be determined as described below.

You must develop the Center and operate the Franchised Business managing the Center at the Premises. You will operate the Franchise Business within a "**Territory**." If you desire to move or relocate your Premises, you must provide us a written request for relocation and a detailed reason for relocation. You must receive our prior written approval before you can relocate. Any proposed move must be within your Territory, and relocation will be subject to the same criteria, conditions, and procedures as we have established for the initial approval of the Premises.

After the Premises are approved, we will designate a Territory and describe it in the Franchise Agreement. The Territory may also be drawn on a map and the map will be attached to the Franchise Agreement. However, we reserve the right to define the Territory by other boundaries (e.g., natural boundaries). The size and scope of the Territory will be determined according a number of factors including the population, demographics, competition, location of any existing Centers in the area, and site availability. A Territory will typically consist of a geographic area that has a population of approximately 35,000 measured according to publicly available population information. The exact Territory will, however, vary

and will be determined on the factors specific to the location as needed to encompass a population of approximately 35,000, and will be specified in the Franchise Agreement.

Territorial Rights – Franchise Agreement

We will grant you a Territory where you will manage the Center. You will not receive an exclusive territory. You may face competition from outlets that we own or from other channels of distribution or competitive brands that we control. We do, however, provide you with certain protections in your Territory.

Except as described below under the subheading "Rights We Reserve Under the Franchise Agreement," we will not establish or operate an additional, or grant a franchise for the operation of another, Franchised Business or a similar urgent care management business that operates under a different mark or trade name that has its principal location within the Territory during the term of the Franchise Agreement. If you select a Territory where we or any affiliate already has a Franchised Business or a similar urgent care business, then any existing business may continue to operate and will not be in violation of your Territory.

The Franchise Agreement does not grant you any options, rights of first refusal, or similar rights to acquire additional territories.

Rights We Reserve Under the Franchise Agreement

We will not establish or license others the right to establish a Franchised Business in the Territory during the term of the Franchise Agreement so long as you are in compliance with the Franchise Agreement. However, we and our affiliates retain all rights with respect to Franchised Businesses, Centers, the System, the Marks, the sale of similar or dissimilar services, and any other activities we deem appropriate whenever and wherever we desire, including:

(1) the right to operate, and to grant others the right to operate, Franchised Businesses and Centers and similar urgent care or medical management businesses under different names or marks located anywhere outside the Territory under any terms and conditions we deem appropriate and regardless of proximity to the Premises or the Territory, and in the Manual;

(2) the right to establish and operate (and grant to others the right to establish and operate) any other business offering products and services that are not the same as or similar to the products or services offered by Franchised Businesses or Centers, through similar or dissimilar channels of distribution, at any locations inside or outside the Territory under trademarks or service marks other than the Marks (including other trademarks or service marks owned by us and any of our affiliates) and on any terms and conditions we deem appropriate;

(3) the right to acquire the assets or ownership interests of 1 or more businesses that operate, and/or have granted franchises, licenses, or similar rights to 1 or more third parties to operate businesses similar to and/or competing with Centers and Franchised Businesses related to Centers, and/or the right to be acquired by a competing urgent care business or medical management business or by another business, even if such business operates, franchises and/or licenses competitive businesses in the Territory; provided, however, that if we acquire such a competing business or chain we will not establish or grant franchises or licenses to establish new or additional competing businesses under the Marks or the acquired chain's marks in your Territory (but we may rebrand existing businesses within the Territory to use the Marks and the System). Any business operations of the same or similar business that existed or operated at the time of such acquisition or transaction will not constitute a breach of Section 1.2 of the Franchise Agreement; and

(4) the right to create, place, and/or distribute any advertising and promotional materials related to the System, the Marks, Franchised Businesses and Centers, and the services and products offered, and authorize others to do so, and those materials may appear in media, including, without limitation, the Internet or similar electronic media, or be received by prospective customers located anywhere, including within the Territory.

You may provide the authorized management services to the Center at the Premises, and the Center may offer and provide only those services that we have authorized and only at the Premises. You may not offer or sell, or permit the PC to offer or sell, services or products authorized under the Franchise Agreement through any other means, including without limitation, through mail order, the Internet, or through any electronic media, without our prior written approval. Customers have total freedom to select where to obtain services. Neither the Center you manage, nor any other Center is restricted from providing services to any customer at any Center, regardless of where the customer lives.

The continuation of your Territory does not depend on the achievement of any particular sales volume, market penetration, or other contingency. If you default under the Franchise Agreement, we reserve the right to undertake certain actions in lieu of termination of the Franchise Agreement, including modifying or eliminating completely the Territory.

Area Development Agreement

The Area Development Agreement grants you the right to develop an agreed upon number of Franchised Businesses within a geographical territory described in the Agreement (the "**Development Area**"). The size of the Development Area will depend on the number of franchises suitable for the Development Area, as determined by us and you in light of factors such as population density and the residential and commercial character of the area. The number of franchises and the dates the options are to be exercised are set forth in the Area Development Agreement (the "**Development Schedule**").

During the term of the Area Development Agreement and provided you are in compliance with the Agreement and all other agreements with us, we will: (a) grant to you, in accordance with Section III of the Area Development Agreement, a cumulative number of franchises all of which are to be located within the Development Area; and (b) not operate nor grant the right to operate any franchise located within the Development Area. Continuation of your exclusivity in the Development Area is not dependent upon your achievement of a certain sales volume, market penetration or other contingency. You maintain the rights to your Development Area even though the population increases. We may not alter the Development Area without your consent unless you default in your performance of the Agreement. You must open and operate the cumulative number of franchises set out in the Development Schedule. We have no obligation under any circumstances to extend the Development Schedule. Your failure to develop and operate franchises in accordance with the Development Schedule will be a material breach of the Area Development Agreement.

We became the franchisor of the "Doctors Express" franchise system on April 15, 2013. Our Parent, American Family Care, Inc., has operated clinics providing family care and urgent care services since 1982. Parent and its subsidiaries, as of 12/31/2017, operate 66 urgent care and family practice clinics in Alabama, Florida, Georgia and Tennessee under the name "American Family Care". Our Parent does not offer franchises. Our Parent's principal business address is the same as ours. We do not anticipate that Parent's American Family Care Centers and American Family Care Franchised Businesses will be developed within a Franchisee's Territory. There may, however, be some instances where Parent has developed and operates its clinics in the same general area as existing or future Centers.

ITEM 13

All required affidavits of use and an affidavit of incontestability, when due, for the above Marks and registrations have been timely filed with the U.S. Patent and Trademark Office ("**USPTO**").

Holdings has also filed the following applications (together, the "Additional Marks").

Service Mark and/or Trademark	Class	Application Serial No.	Date
Accessible Health Care	44	87239406	November 16, 2016
	44	87347587	February 23, 2017
MAN UP CHECKUP	44	87436168	March 13, 2017

We do not have a federal registration for these trademarks. Therefore, these trademarks do not have as many legal benefits and rights as federally registered trademarks. If our right to use these trademarks is challenged, you may have to change to an alternative trademark, which may increase your expenses.

Our right to use and license others to use the Marks is exercised under a trademark license agreement (the "**TM Agreement**") between us and Holdings. The TM Agreement has a term ending August 6, 2063, with an automatic 50-year renewal term. If we were ever to lose our rights to the Marks, Holdings will be required under the TM Agreement to allow our franchisees to maintain their rights to use the Marks in accordance with their Franchise Agreements or other license agreement.

There is no agreement in effect which significantly limits our rights to use or license the Marks in any state in a manner material to the franchise, other than the TM Agreement. We do not know of any infringing uses that could materially affect your use of the Marks, except as follows:

"We allow our franchisees to use the phrase "THE RIGHT CARE, RIGHT NOW." ("Phrase") in conjunction with our primary marks. The Phrase is not registered because it is descriptive or informational of our services. Righttime, Inc. operates urgent care clinics in Maryland. It owns a federally registration mark for "RIGHT CARE AT THE RIGHT TIME" and has sent us a Cease and Desist letter requesting that we refrain from further use of the Phrase because it is confusingly similar to their mark. We disagree with their position. This case was dismissed for a lack of jurisdiction and neither party has done anything else.

Your right to use the Marks is derived only from the Franchise Agreement and limited to your operating the Franchised Business according to the Franchise Agreement and all System Standards we prescribe during its term.

You must notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any person's claim of any rights in any Mark, and not to communicate with any person other than us, our attorneys, and your attorneys, regarding any infringement, challenge, or claim. We may take the action we deem appropriate and control exclusively any litigation, USPTO proceeding, or other administrative proceeding resulting from any infringement, challenge, claim, or otherwise concerning any Mark. You must sign any documents and take any other reasonable actions that, in the opinion of our attorneys, are necessary or advisable to protect and maintain our interests in any litigation or PTO or other proceeding or otherwise to protect and maintain our interests in the Marks. We will reimburse you for your costs of taking any action that we have asked you to take.

If it becomes advisable at any time for us and/or you to modify or discontinue using any Mark and/or use 1 or more additional or substitute trademarks or service marks, you must comply with our directions within a reasonable time after receiving notice. We need not reimburse you for your direct expenses of changing the Franchised Business's signs, for any loss of revenue due to any modified or discontinued Mark, or for your expenses of promoting a modified or substitute trademark or service mark.

We agree to reimburse you for all damages and expenses that you incur in any trademark infringement proceeding disputing your authorized use of any Mark under the Franchise Agreement if you have notified us immediately upon your becoming aware of, and comply with our directions in responding to, the proceeding and you have used the Mark(s) in compliance with the Franchise Agreement, Manual, and other directives from us. At our option, we may defend and control the defense of any proceeding resulting from your use of any Mark under the Franchise Agreement.

There are currently no effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, and no pending infringement, opposition, or cancellation proceeding, or any pending material litigation, involving the Marks.

No patents are material to the franchised business or your operation of the Franchised Business.

Copyrights

There are currently no effective determinations of the United States Copyright Office or any court, nor any pending litigation or other proceedings, regarding any copyrighted materials. We do not know of any superior prior rights or infringing uses that could materially affect your use of the copyrighted materials. No agreement requires us to protect or defend our copyrights or to indemnify you for any expenses or damages you incur in any judicial or administrative proceedings involving the copyrighted materials. No agreement requires you to notify us of claims by others of rights to, or infringements of, the copyrighted materials. If we require, you must immediately modify or discontinue using the copyrighted materials. Neither we nor our affiliates will have any obligation to reimburse you for any expenditures you make because of any discontinuance or modification.

Any and all copyright in and to advertising and promotional materials developed by you or on your behalf will be our sole property, and you must execute such documents (and, if necessary, require your independent contractors to execute such documents) that may be deemed reasonably necessary by us to give effect to this requirement.

We have the right to regulate the form of agreements that you use and to be a third-party beneficiary of those agreements with independent enforcement rights. You are obligated to maintain in your files those executed confidentiality agreements we specify and make them available to us upon request.

You may not at any time copy, duplicate, record, or otherwise reproduce any part of the Manual. If your copy of the Manual is lost, destroyed, or significantly damaged, you must obtain a replacement copy from us. We may assess you our then applicable printing or copying charge. This charge is for our direct costs and is not related to any value that we place on the Confidential Information.

We may post some or all, of the Manual on a restricted Website or extranet to which you will have access. ("**Website**" means an interactive electronic document contained in a network of computers linked by communications software, including the Internet and World Wide Web home pages). If we do so, you must monitor and access the Website for any updates to the Manual or System Standards. Any passwords

or other digital identifications necessary to access the Manual on a Website will be deemed to be part of Confidential Information.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You or your Operating Principal must manage and provide general oversight of the Franchised Business on a full-time basis. The Center Administrator will be charged with responsibility for direct supervision of the Center. Your failure to have the Franchised Business managed on a full-time basis by you or your Operating Principal is a default for which we may terminate the Franchise Agreement if the default persists for 30 days after notice from us.

You must keep us informed at all times of the identity of any supervisory employee(s) or acting Center Administrator. The Center Administrator must devote his or her full time and best efforts to the management and supervision of the Center.

If you own or control more than 1 Franchised Business, each Center must be under the direct on-premises supervision of a Center Administrator who has completed our training programs and, if then applicable, obtained certifications that we may specify.

The Operating Principal will be the person with whom we will communicate on all major policy, financial, management and operation matters, and the only person from your entity that we will recognize as having authority to communicate for you. You may not change the Operating Principal without our prior written consent. We require that all owners, except those that hold a small ownership interest in the franchises (10% or less), sign a guarantee and assumption of obligations in the form attached to the Franchise Agreement as Exhibit E. Spouses of owners are not required to sign a guarantee and assumption of obligations.

You or your Operating Principal must satisfactorily complete initial training. If you or your Operating Principal fails to complete the initial training to our satisfaction, then you must repeat training or send a substitute to complete the next available training program. We reserve the right to charge you for substitute personnel that attend the next training program. If we determine that you or your Operating Principal cannot complete initial training to our satisfaction, we may terminate the Franchise Agreement at our sole discretion, and if we do, you and we will sign mutual releases.

All management personnel, including the Center Administrator and any other personnel that we designate, must meet minimum qualifications that we may specify and complete such training programs as we may require, prior to managing the Franchised Business or training other personnel. If we learn or determine that a person is regarded as no longer complying with our standards and procedures, then we may require that person to satisfactorily complete training or a re-training program. We reserve the right to charge for retraining personnel.

In addition, all management personnel and other personnel working at the Franchised Business must satisfactorily complete all state and local government required training and must meet all mandatory licensing and certification requirements.

Your Operating Principal and Center Administrator must sign a confidentiality and non-compete agreement, in a form that is acceptable to us, which will contain covenants we require.

You must sign and maintain during the term of your Franchise Agreement, a Management Agreement with a PC (unless you and we sign an Amendment to Waive Management Agreement). Our criteria for a PC include requirements that the physicians of the PC be duly licensed, and board certified as required in their respective states and have experience in emergency medicine and family practice medicine. If you are not able initially to find a suitable urgent care physician or physicians to create, own and staff the PC, we have an approved vendor that can assist you for a fee. You must use our applicable standard form of Management Agreement attached hereto as Exhibit B, however, you may negotiate the monetary terms and, with our written consent, certain other terms of the relationship with the PC. You must obtain our written approval of the final Management Agreement prior to signing it with the PC. The PC will employ and control the Affiliated Physicians (i.e., general urgent care physicians and the specialty medical physicians and personnel including, nurses, X-ray technicians, and medical receptionists, together with the general practitioners) and the other urgent care professionals who will provide the actual urgent care services required to be delivered at and through the Center. You must ensure that the PC offers all urgent care services in accordance with the Management Agreement and the System and does not offer any services or products that we have not authorized to be provided in connection with Centers.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must provide all management services to the Center that we specify to support the PC's urgent care practice and its delivery of urgent care services and related products to urgent care patients at a Center, consistent with all applicable laws and regulations. You must also ensure that the PC provides at the Center the services and products that we specify. You must offer and sell approved services and products only in the manner we have approved. You must not offer for sale or sell at or from the Franchised Business any services or products we have not approved, and you will ensure that the PC operating the Center offers and sells only those services and products that we have approved, and you will be responsible for ensuring that the PC operating the Center discontinues selling and offering for sale any services or products that we disapprove. You will discontinue selling and offering for sale any services or products that we at any time decide (in our sole discretion) to disapprove in writing. Without limiting the previous requirement, you agree not to provide any medical care or medical services, as determined by us and applicable local, state, and federal laws and regulations.

The PC for the Center will employ and control the Affiliated Physicians. You may not provide any actual urgent care or medical services, nor will you supervise, direct, control or suggest to, the PC or its physicians or employees the manner in which the PC provides or may provide medical or urgent care services to its patients. You must ensure that the PC offers all urgent care services in accordance with the Management Agreement and the System and does not offer any services or products that we have not authorized to be provided in connection with Center.

If you determine that it is permissible (or not prohibited) in your state, you and we may enter into an Amendment to Waive Management Agreement. Under this Amendment, you will both operate the Center (including performing all responsibilities and obligations of the "PC"), and manage the Center as required by the Franchise Agreement and the Management Agreement. Any waiver, or any modification of our standards, would be subject to compliance with all applicable laws and regulations.

We generally do not restrict the persons you solicit, or the methods by which you promote the Franchised Business and the Center you manage.

ITEM 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The Tables below present certain historical revenue and related operating results for the 102 Center businesses that were open and in operation all of Fiscal Year 2017. Of these 102 Centers, all are owned and operated by Franchisees.

Notes:

1. The sample includes franchisees who were managing Centers that were operating for all of 2017. Each Center has been assigned a number (1 through 102) solely for purposes of providing the data in this Item 19, rather than identifying the specific location of each Center.

2. "Net Payments" – This represents the actual net payments for each Center in the sample for the period December 1, 2016 to November 30, 2017 Included in franchisee's net payments are all revenues received from the PC under the Management Agreement, and from the offer and sales of all services (and products) to customers of the Centers. The Net Payments figures of franchisees are compiled by using sales that the franchisees reported to us. We have not audited or verified their reports, nor have franchisees confirmed that their reports used in the tables above are prepared in accordance with generally accepted accounting principles, or whether the method they used for calculating Net Payments is the same as we will use for "Net Payments".

3. The Number of Patient Visits reflects the total number of patient visits (each visit by each person is 1 visit) who visited the Center during the sample time period. The physicians of each Center determine how many patients a physician must see in a given period or how many hours a physician must work each day.

* * *

The data above does not reflect the costs of sales, costs of goods, rent and occupancy costs, wage and employee benefits costs, debt service, insurance, royalties and marketing fees, facilities and property maintenance; business and regulatory fees and licenses; recruitment expenses; legal and accounting fees; and bookkeeping and other professional services, or any other operating expenses or any other costs or expenses that must be deducted from "Net Payments" or gross revenue or gross sales to obtain a net income or net profit figure. Franchisees are not required to report this data to us, and we do not have these operating costs for franchisees. You should conduct an independent investigation of the costs and expenses you will or may incur in operating your Franchised Business. Franchisees listed in this disclosure document may be one source of this information.

In addition to the points noted above, your results will be affected by factors such as prevailing medical insurance reimbursement rates, prevailing economic or market area conditions, demographics, geographic location, your capitalization level, interest rates, the amount and terms of any financing that you may secure, the property values and lease rates, your business and management skills, staff strengths and weaknesses, and the cost and effectiveness of your marketing activities.

Some franchises have earned this amount. Your individual results may differ. There is no assurance that you will sell as much.

You are strongly encouraged to consult with your own financial advisors in reviewing the tables and in particular in estimating your sales (and the revenue of the PC/Center) as well as the types and amounts of costs and expenses that you will or may incur in operating your own Franchised Business.

Actual costs, expenses and revenues vary from business to business, and from franchisee to franchisee. We cannot estimate the results of any specific business or franchisee. Results of a new franchisee's Franchised Business are likely to differ from those of established Centers. The characteristics of the represented franchisee operations that may differ materially from that of a new franchisee include: existing patient base, repeat business, community awareness, length of time being open, awareness of location, establishment of physician's following, and digital marketing footprint.

We recommend that you make your own independent investigation about your Franchised Business' potential financial performance, and that you consult with your attorney and other advisors before signing any Franchise Agreement.

Written substantiation for the financial performance representation will be made available to you upon reasonable request.

Other than the preceding financial performance representation, AFCF does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Randy Johansen, President, 3700 Cahaba Beach Road, Birmingham, Alabama 35242, (205) 403-8902, the Federal Trade Commission, and the appropriate state regulatory agencies.

- **AFC FRANCHISING, LLC**, an Alabama limited liability company located at 3700 Cahaba Beach Road, Birmingham, Alabama 35242 ("**we**," "**us**," or "**our**"), and

- _____, whose principal business address is _____ ("**you**" or "**your**").

PREAMBLES AND BACKGROUND

A. We and our predecessors, as a result of the expenditure of time, skill, and effort have developed (and continue to develop and modify) an urgent care center management system ("System") relating to the management of urgent and/or accessible primary care centers that provide, through independent physicians and professionally licensed persons or entities, various levels of patient care services; all of which are provided by a physician, or medical personnel supervised by a physician, which include, without limitation, minor injuries, infections, workers compensation injuries, sports physicals, travel medicine, and colds and flu; and each center will be equipped with several exam rooms, X-Ray Equipment, on-site laboratory, and where permitted by law a pharmacy dispensing the most common urgent care medicine. As used herein urgent care also includes accessible primary care.

B. The urgent care centers in the System operate under the "AFC and Design" and "AMERICAN FAMILY CARE" name and Marks and will be managed according to the System. The business that will manage a Center under the System is referred to in this Agreement as the "Franchised Business." The System has characteristics that currently include providing construction design, approved supplier relationships for site selection, medical and other equipment, supplies, furniture and fixtures, procedures for monitoring operations and quality of services offered; procedures for management; training and assistance; advertising and promotional programs; business formats, methods, procedures, standards, and specifications all of which we may change, improve, and further develop.

C. We use, promote, and license certain trademarks, service marks, and other commercial symbols including the mark "AFC and Design" and "AMERICAN FAMILY CARE" in operating and managing Centers, which have gained and will continue to gain public acceptance and goodwill, and we may create, use, and license other trademarks, service marks, and commercial symbols for Centers.

1. GRANT OF FRANCHISE; TERRITORY

1.1 Grant of Franchise

You have applied for a license to own and operate an urgent care management business that will manage a Center at the Premises, and in the Territory identified in Exhibit A. The Premises and Territory will be determined as set forth in Section 2.1 and the Site Selection Addendum, which is included as Exhibit B. Subject to this Agreement's terms, we grant you the right and license to develop and manage a Center at the Premises, and to use the System for the Initial Term, unless sooner terminated as provided herein. You agree at all times to perform your obligations under this Agreement faithfully, honestly, and diligently and to use your best efforts to promote the Franchised Business.

1.2 Professional Corporation Under Management; Services

Prior to commencing operations of the Franchised Business, you must enter into a management agreement with a PC whereby you will provide to the PC management and administrative services and support consistent with the System and as outlined in our form of Management Agreement to support the PC's urgent care practice and its delivery of urgent care services and related products to patients, consistent with all applicable laws and regulations. The PC shall employ and control the physicians and professionally licensed personnel, including nurses, X-ray technicians, nurse practitioners and medical receptionists, together with the general practitioners, and the other urgent care professionals who will provide the actual urgent care services at the Center. You will not provide any actual urgent care or medical services, nor will you supervise, direct, control or suggest to the PC or its physicians or employees the manner in which the PC provides or may provide medical or urgent care services to its patients. You acknowledge and agree that we will not provide any urgent care or medical services, nor will we supervise, direct, control or suggest to the PC or its physicians or employees the manner in which the PC provides medical or urgent care services to its patients. You must use our standard form of Management Agreement; however, you may negotiate the monetary terms and, with our written consent, certain other terms of the relationship with the PC. You must obtain our written approval of the final Management Agreement prior to its execution. We must approve the PC candidate. You shall ensure that the PC offers all urgent care services in accordance with the Management Agreement and the System. If you are not able initially to find a suitable urgent care physician or physicians to create, own and staff the PC, we have an approved vendor that can assist you at

its then current rate. You must have a Management Agreement in effect with a PC at all times during the operation of the Franchised Business.

1.3 Territorial Rights

After the Premises are approved, we will describe the Territory in Exhibit A. Except as provided for in Sections 1.4, 1.5, and 1.6 below, and provided that you are in full compliance with this Agreement, we will not operate or grant others the right to operate a Franchised Business, or a similar urgent care management business that operates under a different mark or trade name, at a location within the Territory during the term of this Agreement.

1.4 Rights We Reserve

We retain all rights with respect to Franchised Businesses and Centers, the System, the Marks, the sale of similar or dissimilar services, and any other activities we deem appropriate whenever and wherever we desire, including, but not limited to:

(a) the right to manage and operate, and to grant others the right to manage and operate, Centers and similar urgent care businesses under different names or marks located anywhere outside the Territory under any terms and conditions we deem appropriate and regardless of proximity to the Premises or the Territory;

(b) the right to establish and operate (and to grant to others the right to establish and operate) any other businesses offering products and services that are not the same as or similar to the products or services offered at Centers through similar or dissimilar channels of distribution, at any locations inside or outside the Territory under trademarks or service marks other than the Marks and on any terms and conditions we deem appropriate;

(c) the right to acquire the assets or ownership interests of one or more businesses that operate, and/or has granted franchises, licenses, or similar rights to one or more third parties to operate, businesses similar to and/or competing with the urgent care businesses and urgent care management businesses related to the Centers, and/or the right to be acquired by a competing urgent care or medical management company, or by another business, even if such business operates, franchises and/or licenses competitive businesses in the Territory, provided, however, that if we acquire such a competing business or chain, we will not establish or grant franchises or licenses to establish new or additional competing businesses under the Marks or the acquired chain's marks in your Territory, although we may rebrand such existing businesses in your Territory to use the Marks and the System, and it is expressly acknowledged by you and us that any such business operations of the same or similar business that existed or operated at the time of such acquisition or transaction shall not constitute a breach of Section 1.3; and

(d) the right to create, place, and/or distribute any advertising and promotional materials related to the System, the Marks, the urgent care management businesses related to the Centers, and the services and products offered, and authorize others to do so, and those materials may appear in media, including, without limitation, the Internet or similar electronic media, or be received by prospective customers located anywhere, including within the Territory.

1.5 Modification of System

You understand and agree that we may operate and change the System in any manner that is not expressly and specifically prohibited by this Agreement. Because complete and detailed uniformity under many varying conditions might not be possible or practical, you acknowledge that we specifically reserve

the right and privilege, as we consider to be best, to vary System Standards for any franchisee based upon the peculiarities of any condition that we consider important to that franchisee's or Franchised Business's operation. You may request that we grant you a variation or accommodation, but we have no obligation to do so.

1.6 Corporation, Limited Liability Company, or Partnership

If you are at any time an Entity, you agree and represent that:

(a) You will have the authority to execute, deliver, and perform your obligations under this Agreement and all related agreements and are duly organized or formed, validly existing, and in good standing under the laws of the state of your incorporation or formation.

(b) You will not alter, change, or amend your organizational documents, operating agreement, or partnership agreement, as applicable, without obtaining our approval, which approval we will not unreasonably deny or withhold, and will grant if such changes will not prevent you from performing your obligations under this Agreement.

(c) Your organizational documents, operating agreement, partnership agreement, or stock certificates, as applicable, will recite that this Agreement restricts the issuance and transfer of any ownership interests in you, and all certificates and other documents representing ownership interests in you will bear a legend referring to this Agreement's restrictions.

(d) Exhibit C to this Agreement completely and accurately describes all of your owners and their interests in you as of the Effective Date. You agree to sign and deliver to us revised Exhibits C to reflect any permitted changes in the information that Exhibit C now contains;

(e) Each of your owners holding over ten percent (10%) ownership interest during this Agreement's term will execute a guaranty in the form attached hereto as Exhibit E undertaking personally to be bound, jointly and severally, by all provisions of this Agreement and any ancillary agreements between you and us;

(f) The Operating Principal, as of the Effective Date, is identified in Exhibit C. The Operating Principal will be the person with whom we will communicate on all major policy, financial, management and operational matters, and the only person from your Entity that we will recognize as having authority to communicate for and on your behalf and on behalf of your Entity. You may not change the Operating Principal without our prior written consent, which we will not unreasonably withhold provided that the proposed new Operating Principal meets our then-current qualifications and standards and successfully completes our then-current training programs as we may require; and

(g) The Franchised Business will be the only business that the Entity may operate, and the Center will be the only business that the Entity may manage, and your organizational documents must reflect this (although the owners in the Entity may have other business interests subject to any restrictions on competitive businesses in Section 7 or Section 15.4).

2. OPENING OF FRANCHISED BUSINESS, LOCATION APPROVAL, LEASE OF PREMISES, AND DEVELOPMENT

2.1 Location Approval

You must lease, sublease, or acquire a site for the Franchised Business, in accordance with the

timing and procedures set forth in, and subject to our approval in accordance with, the Site Selection Addendum attached hereto as Exhibit B ("**Site Selection Addendum**"). You must have secured an approved site within two hundred seventy (270) days of the Effective Date of this Agreement.

You agree to obtain our written approval of the Franchised Business's proposed location before signing any lease, sublease, or other document for the site.

You may operate the Franchised Business only from the Premises, and you may not relocate the Franchised Business except with our prior written consent. The Premises may be used only for the operation of a Franchised Business and other related activities approved by us in writing. You shall not allow the Premises of the Center to be used for any other purpose.

2.2 Franchised Business Development

You are responsible for developing the Franchised Business. We will provide guidance to assist you in working with designated contractors and suppliers to complete the development and build out of the Center. Specifically, we, and/or our designated contractors and suppliers, will work with you to:

(a) obtain a site plan and any modifications to our basic architectural plans and specifications for the Center, including requirements for dimensions, exterior design, materials, interior layout, equipment, fixtures, furniture, signs, and decorating, consistent with applicable ordinances, building codes, and permit requirements;

(b) obtain all required zoning changes; all required building, driveway, utility, health, sanitation, and sign permits and any other required permits; provided, however, that you acknowledge it is your obligation to obtain and maintain these permits and approvals;

(c) arrange for the installation and delivery of equipment, fixtures, furniture and signs; provided, however, that you shall be required to purchase and/or lease such items directly and you shall be responsible for all monetary and other obligations thereunder; and

(d) complete the construction and/or remodeling, equipment, fixture, furniture and sign installation and decorating of the Center in full and strict compliance with plans and specifications approved by us and all applicable ordinances, building codes and permit requirements.

We will give you mandatory and suggested specifications and layouts for your location at the Premises, including recommended location size and design and required or recommended fixtures, equipment, and signs. Your final floor plan must be submitted to us for written approval prior to construction. You are responsible for compliance with any and all federal, state, or local laws, codes, and regulations.

You agree to do the following, at your own expense, to develop the Franchised Business at the Premises: (i) secure all financing required to develop and operate the Franchised Business; (ii) obtain all required building, utility, sign, occupancy, business, and other permits and licenses; and (iii) purchase or lease, and install, the Operating Assets for the Franchised Business.

2.3 Operating Assets

You agree to use in operating the Franchised Business only those Operating Assets that we approve for Centers as meeting our specifications and standards for quality, design, appearance, function, and performance; provided, that you and we acknowledge and agree that the selection and use of any equipment

and products used in connection with medical services provided by the PC to its patients will be subject to the PC's approval based on the professional opinion of the PC's physicians. You agree to place or display at the Premises only the signs, lettering, logos, and display materials that we approve, subject to, and only in strict compliance with, the local rules and regulations regarding the operation, management and advertising of or for an urgent care center. You agree to purchase or lease approved brands, types, or models of Operating Assets only from suppliers we designate or approve (which may include or be limited to us). If you or the PC wish to use any medical equipment or medical related product other than items that we have previously approved, you must first submit a written request for our approval, which we will not unreasonably withhold if the proposed medical equipment or medical product meets our standards and specifications, and any applicable rules or regulations, as determined by the PC's physician(s).

2.4 Computer System

You agree to obtain and use the Computer System we specify. We may modify specifications for and components of the Computer System. You agree to maintain the e-mail addresses that we provide to your Center and certain of its employees. You agree to obtain high-speed communications access, such as broadband or DSL, or other high-speed capacity that we may specify. Our modification of specifications for the Computer System, and/or other technological developments or events, might require you to purchase, lease, and/or license new or modified computer hardware and/or software and/or communications capabilities and to obtain service and support for the Computer System. Although we cannot estimate the future costs of the Computer System or required service or support, you agree to incur the costs of obtaining the computer hardware, software, and/or communications capabilities comprising the Computer System (or additions and modifications) and required service or support. We may retain a third-party provider, or an Applications Service Provider (ASP) to provide some or all of the service and support for your benefit or the benefit of the Franchised Business and Center, and we may pay a service or ASP hosting fee. You will be responsible for any costs that you incur in connection with the Computer System. Within sixty (60) days after you receive notice from us, you agree to obtain and install the Computer System components that we designate. You must permit us unimpeded access to those aspects of the Computer System as we require in the manner, form, and at the times that we request.

You agree that we may condition any license of proprietary software to you, or your use of technology that we develop or maintain, upon your signing a software license agreement or similar document with us or an approved vendor. We or our approved vendor may charge you a fee for any proprietary software or technology that is licensed to you and for other maintenance and support services provided.

You will have sole and complete responsibility for: (1) the acquisition, operation, maintenance, and upgrading of the Computer System; (2) the manner in which your Computer System interfaces with our and any third party's computer system; and (3) any and all consequences if the Computer System is not properly operated, maintained, and upgraded. You may not install any software, other than authorized upgrades, or make any hardware modifications to the Computer System that might hamper or interfere with the operation of the Computer System in the manner we require.

We have the right to specify in the Manual, or otherwise in writing, the information that you must collect and maintain through the Computer System and to do so at the intervals we designate. Subject to any applicable laws pertaining to the privacy of consumer, employee, and transactional information, including but not limited to HIPAA, you agree to provide us, or designated suppliers of support services that use such data to provide services to the Franchised Business, with the reports that we may reasonably request. You agree to allow us to have independent access to the information generated or stored in your Computer System. During any periods that we have independent access, we may access the Computer System as we deem appropriate (including on a continual basis), and retrieve all information concerning

your Franchised Business's operation, subject to your and our compliance with HIPAA or other applicable law relating to confidentiality of patient records. There are no contractual limitations on our right to access your Company System for information and data.

2.5 Opening of Franchised Business

You agree not to open the Franchised Business until:

(a) the Franchised Business meets our standards and specifications (although our acceptance is not a representation or warranty, express or implied, that the Franchised Business complies with any licensing, labor, building, fire, occupational, landlord's insurance, safety, governmental, or other statutes, rules, regulations, requirements, or recommendations, nor a waiver of our right to require continuing compliance with our requirements, standards, or policies);

(b) you have received all required state and local government certifications, permits, and licenses necessary for the management of a Center, and the PC has certified to you that it has received all required state and local government certifications, permits and licenses necessary for the operation of a Center, including any required licenses and certifications for its personnel;

(c) you, your Operating Principal, your Center Administrator, and other managers and personnel (if any) have satisfactorily completed all training that we require for each such person;

(d) you pay the initial franchise fee and other amounts then due to us;

(e) you have executed all agreements required prior to the opening of the Franchised Business, including, but not limited to, the Agreement, the lease, the Management Agreement, and any software license agreements;

(f) you are not in default under or in violation of any agreements by and between you and us or any suppliers; and

(g) you provide us certificates of insurance for all required insurance policies.

Subject to your compliance with these conditions, and except as we may otherwise approve, you agree to open the Franchised Business on the Opening Date.

3. FEES

3.1 Initial Franchise Fee

You agree to pay us a nonrecurring initial franchise fee, in the amount set forth in Exhibit A. This fee is due, and fully earned by us, when you sign this Agreement. The initial franchise fee is nonrefundable.

3.2 Continuing Service and Royalty Fee

In consideration of the license granted to use the Marks and the System, and for the services provided to enable you to provide management services to the PC, you agree to pay us, in the manner provided below (or as the Manual otherwise prescribes), a Royalty, based on the calculations set forth in Exhibit A. The Royalty must be transmitted by automatic, electronic debit of funds on a weekly basis, on or before the Wednesday immediately following the previous week (with each week beginning on a Monday and ending on a Sunday), based on the Net Payments from the preceding week.

3.3 Net Payments

To the extent your required Net Payments report includes sales or revenue not received or includes sales or revenue that is refunded at a later date to a client, we will apply an appropriate credit toward a future payment. In the event that the PC fails to pay you any revenues that it is obligated to pay you under the Management Agreement, the amounts that it fails to pay you shall nonetheless be included in the calculation of Net Payments.

3.4 Late Fees and Interest

All amounts which you owe us for any reason, will bear interest accruing as of their original due date at one and one-half percent (1.5%) per month or the highest commercial contract interest rate the law allows, whichever is less. We may debit your bank account automatically for late fees and interest. You acknowledge that this Section 3.4 is not our agreement to accept any payments after they are due or our commitment to extend credit to, or otherwise finance your operation of, the Franchised Business.

3.5 Application of Payments

We may apply any of your payments to any of your past due indebtedness to us as we determine regardless of your designation for such payment. We may set off any amounts you owe us or key suppliers against any amounts we owe you. You may not withhold payment of any amounts you owe us due to our alleged nonperformance of any of our obligations under this Agreement.

3.6 Method of Payment

Before the Franchised Business opens, you agree to sign and deliver to us the EDTA documents we require to authorize us to debit your business checking account automatically for the Royalty, Marketing Fund contributions, and other amounts due under this Agreement and for your purchases from us. We will debit the EDTA for these amounts on their due dates. You agree to ensure that funds are available in the EDTA to cover our withdrawals. Our access to your business checking account by EDTA shall be utilized by us only for your payments required under this Agreement.

We may require you to pay any amounts due under this Agreement or otherwise by means other than automatic debit whenever we deem appropriate. You agree to comply with our payment instructions as they may be modified from time to time.

You must comply with all of our payment policies, procedures, and requirements, as described in the Manual.

3.7 Payment of Taxes

You must pay in a timely manner all local, state and federal sales, business, property, goods and services taxes and all other taxes, and fees levied or assessed by any governmental authority directly or indirectly in connection with the Franchised Business.

3.8 Advertising Fee

During the term of the Franchise, you agree to pay us an advertising and marketing fee of one percent (1%) of your Net Payments, payable in the same manner as the Royalty.

4. TRAINING AND ASSISTANCE

4.1 Initial Training and Center Administrator

You must hire and retain a Center Administrator before you open for business. We may provide and require that your Center Administrator complete certain initial training, although we will not require that your Center Administrator attend initial franchisee training that we will provide at our headquarters. Training for the other Center Administrator(s) and other personnel may be conducted as we determine appropriate within six (6) months of your Opening Date.

We will conduct an initial training program for you or your Operating Principal, which will address the material aspects of managing and operating your Franchised Business. We will provide the initial training program at our headquarters or at a designated training facility of our choice at no charge to you. We will provide the initial training for your required attendees. We reserve the right to charge an initial training fee for anyone else that attends initial training. You agree to pay for all travel and living expenses which you incur and for your employees' wages and workers' compensation insurance during training.

You or your Operating Principal must complete the initial training to our satisfaction. If you or your Operating Principal fail to complete the initial training to our satisfaction, then you may repeat the course or send a substitute to complete the next available training program. We reserve the right to charge you for substitute personnel that attend the next training program. If we determine that you or your Operating Principal cannot complete initial training to our satisfaction, we may terminate this Agreement. Among the current criteria for satisfactory completion of training are attendance at all training classes, passing all interim and final tests and exams, and demonstrating a capability and willingness to comply with System Standards.

No later than thirty (30) days before you open your Franchised Business, you must also hire, and thereafter retain, one person as a full-time, paid employee who will devote their full-time and best efforts to marketing and promoting the Franchised Business and the Center (a "Marketing Representative"). Your Marketing Representative must be sufficiently qualified and capable of performing the job functions and duties that we specify in the System Standards. The Marketing Representative must participate in and successfully complete such training and certification programs as we may specify and must do so in the time frames we specify. You agree to pay all travel and living expenses which your Marketing Representative incurs during all training courses and programs.

All management personnel, including Center Administrators and any other personnel that we designate, must meet minimum qualifications and receive such certification(s) and complete any training programs that we may require, prior to managing the Franchised Business or training other personnel. If, at any time during the term of the Franchise Agreement, we learn or determine that a person is regarded as no longer complying with our standards and procedures, then we may require that person satisfactorily complete training or a re-training program. We reserve the right to charge for re-training personnel.

In addition, all management personnel and other personnel working at the Franchised Business must satisfactorily complete all state and local government required training and must meet all required licensing and certification requirements.

Prior to the opening of the Franchised Business, we will, at our cost, send one of our representatives to the Franchised Business for a period of three (3) days to assist with pre-opening and opening of the Franchised Business. If you request, and we agree to provide, additional or special guidance, assistance, or training during this opening phase, you agree to pay our then-applicable charges, including our personnel per diem charges and travel and living expenses.

4.2 Ongoing Training; Training of Replacement Personnel

We may require you or your Operating Principal, your Center Administrator, and/or other previously trained and experienced managers and employees to attend and complete satisfactorily various training courses that we periodically choose to provide at the times and locations that we designate, as well as periodic conventions, regional meetings, and conferences that we specify. We may charge reasonable registration or similar fees for these courses. You agree to pay all costs to attend.

We require that your replacement Center Administrators satisfactorily complete such training programs as we may require for center administrators within ninety (90) days after being designated as Center Administrator. You agree to pay all wages, travel and living expenses which you and your employees incur during all training courses and programs.

You understand and agree that any specific ongoing training or advice we provide does not create an obligation (whether by course of dealing or otherwise) to continue to provide such specific training or advice, all of which we may discontinue or modify from time to time.

4.3 General Guidance

We will advise you regarding the Franchised Business's operation based on your reports to us and/or our direct or indirect observations, and we will provide guidance to you with respect to: (1) standards, specifications, and operating procedures and methods regarding management of the Center; (2) advertising and marketing materials and programs; (3) employee training and recruiting programs; and (4) administrative, bookkeeping, and accounting procedures. Your Franchised Business will be assigned a Business Consultant that will provide you with ongoing assistance and advice. The Business Consultant will be your contact person.

We will provide guidance in our Manual; in bulletins or other written materials; by electronic media; by telephone consultation; and/or at our location or the Franchised Business. If you request, and we agree to provide, additional or special guidance, assistance, or training outside of the duties of the Business Consultant, you agree to pay our then applicable charges, including our personnel per diem charges and travel and living expenses.

4.4 Operations Manual

We will loan you during the Initial Term one (1) copy of our Manual, which may include audiotapes, videotapes, compact disks, computer software, other electronic media, information distributed electronically or via the Internet or our extranet (if one is developed) and/or written materials. The Manual contains our System Standards that we periodically prescribe for the management and operation of a Franchised Business and a Center and information on your other obligations under this Agreement. We may modify the Manual periodically to reflect changes in System Standards.

You agree to keep your copy of the Manual current and in a secure location at the Franchised Business. If there is a dispute over its contents, our master copy of the Manual controls. You agree that the Manual's contents are confidential and that you will not disclose the Manual to any person other than Franchised Business employees who need to know its contents. You may not at any time copy, duplicate, record, or otherwise reproduce any part of the Manual. If your copy of the Manual is lost, destroyed, or significantly damaged, you agree to obtain a replacement copy from us. We may assess you our then applicable printing or copying charge. This charge is for our direct costs and is not related to any value that we place on the Confidential Information.

At our option, we may post some, or all, of the Manual on a restricted Website or extranet to which you will have access. The term "Website" as used in this Agreement means one or more related documents, designs, pages, or other communications that can be accessed through electronic means, including but not limited to the Internet, World Wide Web, social networking sites, blogs, vlogs, and other applications, etc. If we do so, you agree to monitor and access the Website for any updates to the Manual or System Standards. Any passwords or other digital identifications necessary to access the Manual on a Website will be deemed to be part of the Confidential Information.

4.5 Delegation of Performance

You agree that we have the right to delegate the performance of any portion or all of our obligations under this Agreement to third-party designees, whether these designees are our agents or independent contractors. If we do so, such third-party designees will be obligated to perform the delegated functions for you in compliance with this Agreement.

4.6 Franchisee Council

We reserve the right to create a franchisee advisory council ("**Franchisee Council**") comprised of Franchised Business franchisees or their representatives for the purpose of fostering communications among franchisees and with us. If we create a Franchisee Council, you must participate and contribute such dues that may be assessed to franchisees to support the Franchisee Council. We reserve the right to establish the legal, administrative, and organizational framework for the Franchisee Council.

5. MARKS

5.1 Ownership and Goodwill of Marks

We own, and we have the right to license others to use the Marks used in connection with Franchised Businesses and Centers. Your right to use the Marks is derived only from this Agreement and limited to your operation of the Franchised Business pursuant to this Agreement and all System Standards. Your unauthorized use of the Marks is a breach of this Agreement and infringes on our rights in the Marks. You acknowledge and agree that your use of the Marks, and any goodwill established by that use, are exclusively for our benefit and that this Agreement does not confer any goodwill or other interests in the Marks upon you. All provisions of this Agreement relating to the Marks apply to any additional proprietary trade and service marks we authorize you to use. You may not at any time during or after this Agreement's term, use, contest or assist any other person in contesting the validity of our ownership of the Marks.

5.2 Limitations on Your Use of Marks

You agree to use the Marks as the Franchised Business's sole identification, except that you agree to identify yourself or the Entity as its independent operator in the manner we prescribe. Your use of the Marks will be limited to uses related to the management and administrative support of the Center, and may not in any way, explicitly or implicitly, relate to the provision of any medical or urgent care services. You may not use any Mark, any derivatives of the Marks or similar mark: (1) as part of any corporate or legal business name, (2) with any prefix, suffix, or other modifying words, terms, designs, or symbols (other than logos we have licensed to you), (3) in selling any unauthorized services or products, (4) as part of any domain name, homepage, electronic address, or otherwise in connection with a Website, or (5) in any other manner that we have not expressly authorized in writing.

You may not use any Mark in advertising the transfer, sale, or other disposition of the Franchised Business or an ownership interest in you without our prior written consent, which we will not unreasonably

withhold. You agree to display the Marks prominently as we prescribe at the Franchised Business and on forms, advertising, supplies, and other materials we designate. You agree to give the notices of trade and service mark registrations that we specify and to obtain any fictitious or assumed name registrations required under applicable law.

You further acknowledge that we may license the use of the Marks to the PC, and other PCs, for use in identifying to the public the Center, subject to, and only in compliance with, applicable federal, state and local laws, rules and regulations and applicable medical licensing laws and regulations.

5.3 Notification of Infringements and Claims

You agree to notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any person's claim of any rights in any Mark, and not to communicate with any person other than us, our attorneys, and your attorneys, regarding any infringement, challenge, or claim. We may take the action we deem appropriate (including no action) and control exclusively any litigation, U.S. Patent and Trademark proceeding, or other administrative proceeding arising from any infringement, challenge, or claim or otherwise concerning any Mark. You agree to sign any documents and take any other reasonable action that, in the opinion of our attorneys, are necessary or advisable to protect and maintain our interests in any litigation or Patent and Trademark or other proceeding or otherwise to protect and maintain our interests in the Marks. We will reimburse you for your costs of taking any action that we have asked you to take.

5.4 Discontinuance of Use of Marks

If it becomes advisable at any time for us and/or you to modify or discontinue using any Mark and/or to use one or more additional or substitute trademarks or service marks, you agree to comply with our directions within a reasonable time after receiving notice. We need not reimburse you for your direct expenses of changing the Franchised Business's signs, for any loss of revenue due to any modified or discontinued Mark, or for your expenses of promoting a modified or substitute trademark or service mark.

Our rights apply to any and all of the Marks (and any portion of any Mark) that we authorize you to use in this Agreement. We may exercise these rights at any time and for any reason. You acknowledge both our right to take such action and your obligation to comply with our directions.

5.5 Indemnification for Use of Marks

We agree to reimburse you for all damages and expenses that you incur in any trademark infringement proceeding disputing your authorized use of any Mark under this Agreement if you have notified us immediately upon your becoming aware of and comply with our directions in responding to the proceeding, and you have used the Mark(s) in compliance with this Agreement, the Manual, and other directives from us At our option, we may defend or control the defense of any proceeding arising from your use of any Mark under this Agreement.

(a) will not use Confidential Information in any other business or capacity;

7. EXCLUSIVE RELATIONSHIP

You acknowledge that we have granted you a franchise in consideration of and in reliance upon your agreement to deal exclusively with us. You therefore agree that during this Agreement's term, you and any of your immediate family members who have attended any of our training programs, or have participated in any aspects of the operation or management of the Franchised Business or otherwise may have access to Confidential Information, will not directly or indirectly:

We have the right to regulate the form of agreement that you use and to be a third-party beneficiary of those agreements with independent enforcement rights.

8. SYSTEM STANDARDS

8.1 Condition and Appearance of the Franchised Business

You agree that:

(a) You will maintain the condition and appearance of the Franchised Business, its Operating Assets, and the Premises in accordance with System Standards and consistent with the image of a Center as an efficiently operated business offering high quality professional services and products and observing high standards of patient service and care, and providing efficient, courteous service, and will take, without limitation, the following actions during the term of this Agreement: (a) repainting, repairing,

and refurbishing of the Premises at intervals we prescribe; (b) repair or replacement of damaged, worn out or obsolete Operating Assets; and (c) you may place or display at the Premises only those signs, photographs, artwork, logos, and display and advertising materials that we approve;

(b) If at any time the general state of repair, appearance or cleanliness of the Premises or its Operating Assets does not meet our standards and specifications, we have the right to notify you specifying the action you must take to correct the deficiency. You will have ninety (90) days to comply with such notice. If you do not initiate action to correct such deficiencies within ninety (90) days after receipt of our notice, we have the right, in addition to all other remedies, to enter the Premises and do any required maintenance or refurbishing on your behalf, and you agree to reimburse us for any expenses we incur in connection therewith; and

(c) On notice from us, you agree, at your expense, to remodel, expand, redecorate, reequip and/or refurbish the Premises and the Franchised Business to reflect changes in the operations of the Center which we prescribe and require of new franchisees.

8.2 Franchised Business Services, Specifications, Standards and Procedures

You agree that: (1) the Franchised Business will provide all of the management services to the Center and that the Center (and not you or the Franchised Business) will offer medical and patient care services; (2) the Franchised Business will offer and sell approved services and products only in the manner we prescribe; (3) you will not offer for sale or sell at or from the Franchised Business, any services or products we have not approved; (4) we have the right to revoke our approval of services or products to be offered or sold at or from the Franchised Business, and you will discontinue selling and offering for sale any services or products that we revoke or disapprove in writing; and (5) you will be responsible for the PC operating in accordance with the Management Agreement.

8.3 Approved Products and Suppliers

We have the right to designate Products as mandatory or optional. We reserve the right to approve specifications or suppliers of the Products that meet our reasonable standards and requirements. You agree to purchase only such Products meeting those specifications, and if we require it, only from suppliers we have approved, including ourselves.

We may concentrate purchases with one or more suppliers to obtain lower prices or advantageous advertising support or services. Approval of a supplier may be conditioned on requirements relating to Product quality, prices, consistency, reliability, financial capability, labor relations, customer relations, frequency of delivery, concentration of purchases, standards of service, including prompt attention to complaints, or other criteria and may be temporary, pending our continued evaluation of the supplier.

All Products you make available at the Center, and all equipment, fixtures, furniture, exterior and interior signs and decorations, uniforms, forms and cleaning and sanitation materials and other supplies and materials used in the operation of the Franchised Business and the Center, must be approved and conform to the specifications and quality standards established by us.

At the time the Center opens for business, you will stock the initial inventory of supplies, equipment and materials prescribed by us and/or required by the PC. Thereafter, you will stock and maintain all types of supplies, equipment and materials which we prescribe or are required by the PC, in quantities sufficient to meet reasonably anticipated customer demand. Additionally, requirements relating to equipment and products to be used in connection with medical services provided to patients by the PC will be subject to the PC's approval.

You acknowledge and agree that we may establish one or more preferred vendor programs with one or more nationally or regionally known suppliers who are willing to supply all or some Franchised Businesses with some or all of the Products that we require for use and/or sale in the development and/or management of the Centers. In this event, we may limit the number of approved suppliers with whom you may deal, designate sources that you must use for some or all Products, and/or refuse any of your requests if we believe that this action is in the best interest of the System or the network of Franchised Businesses and Centers. We will have unlimited rights to approve or disapprove the suppliers who may be permitted to sell Products to you.

You acknowledge and agree that we will have the right to collect and retain all Allowances offered by suppliers to us based upon your purchases of Products. These Allowances may be based on System-wide purchases of Products. You assign to us or our designee all of your right, title and interest in and to any and all such Allowances and authorize us or our designee to collect and retain any and all such Allowances without restriction (unless otherwise instructed by the supplier).

8.4 Compliance with Laws, Licensure Regulations, and Good Business Practices

You must secure and maintain in force all required licenses, permits and certificates relating to the operation of the Franchised Business and the other licenses applicable to the management of urgent care centers, and must operate the Franchised Business in full compliance with all applicable laws, ordinances and regulations, including, without limitation, HIPAA, government regulations relating to occupational hazards, health, worker's compensation and unemployment insurance and withholding and payment of federal and state income taxes, social security taxes and sales and service taxes. You must not employ any person in a position that requires a license unless that person is currently licensed by all applicable authorities and a copy of the license or permit is in your business files. You must comply with all state and local laws and regulations regarding the staffing and management of an urgent care business. All advertising and promotion by you must be completely factual and must conform to the highest standards of ethical advertising. The Franchised Business must in all dealings with its clients, suppliers, us, and the public, adhere to the highest standards of honesty, integrity, fair dealing and ethical conduct. You agree to refrain from any business or advertising practice which may be injurious to the System and the goodwill associated with the Marks and other Franchised Businesses and Centers. You must notify us in writing within five (5) days of the commencement of any action, suit or proceeding, and of the issuance of any order, writ, injunction, award or decree of any court, agency or other governmental instrumentality, which may adversely affect your operation or financial condition or that of the Franchised Business and of any notice of violation of any law, ordinance, or regulation relating to the Franchised Business.

8.5 Management of the Franchised Business/Conflicting Interests

You or your Operating Principal must manage and provide general oversight of the Franchised Business on a full-time basis. The Center Administrator will be charged with responsibility for direct supervision of the Center. Your failure to have the Franchised Business managed on a full-time basis by you or your Operating Principal is a default for which we may terminate this Agreement if such default continues for thirty (30) days after receiving notice from us. You must keep us informed at all times of the identity of any supervisory employee(s) acting as Center Administrator. The Center Administrator must devote his or her full-time and best efforts to the management and supervision of the Center.

If you or your Operating Principal own or control more than one Franchised Business, each Center must be under the direct on-premises supervision of a Center Administrator who meets the minimum qualifications, receive such certification(s), and has completed the training programs that we may require.

8.6 Insurance

During the term of this Agreement you must maintain in force at your sole expense comprehensive public liability coverage, general liability insurance, personal injury coverage and motor vehicle liability insurance against claims for bodily and personal injury, death and property damage caused by or occurring in connection with the Franchised Business's operation, all containing the minimum liability coverage we prescribe. We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverages (including reasonable excess liability insurance) at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances. These insurance policies must name us and any affiliates we designate as additional named insureds and provide for thirty (30) days' prior written notice to us of a policy's material modification, cancellation or expiration. You routinely must furnish us copies of your Certificates of Insurance or other evidence of your maintaining this insurance coverage and paying of premiums. If you fail or refuse to obtain and maintain the insurance we specify, in addition to our other remedies, we may obtain such insurance for you and the Franchised Business on your behalf, in which event you shall cooperate with us and reimburse us for all premiums, costs and expenses we incur in obtaining and maintaining the insurance, plus a reasonable fee for our time incurred in obtaining such insurance. We encourage you to seek advice from an independent risk management provider who may specify higher limits.

Additionally, you must purchase such extended reporting period coverage (Tail) as we may specify in the Manual. You further agree to provide us with a copy of an insurance certificate evidencing such coverage prior to: (i) the expiration of this Agreement (if the franchise rights are not being renewed); (ii) any assignment of this Agreement or of your rights under this Agreement requiring our approval; or (iii) the termination of this Agreement (provided, however, in the case of immediate termination under Sections 14.1 or 14.2, you must provide us with evidence of coverage within seven (7) days of the effective date of the termination).

8.7 Compliance with System Standards

You acknowledge and agree that operating and maintaining the Franchised Business according to System Standards is essential to preserve the goodwill of the Marks and all Franchised Businesses and Centers. Therefore, you agree at all times to operate and maintain the Franchised Business according to all of our System Standards. Although we retain the right to establish and periodically modify System Standards, you retain the right to and responsibility for the day-to-day management and operation of the Franchised Business and implementing and maintaining System Standards at the Franchised Business. If you fail to implement, maintain, and/or comply with System Standards, we may terminate your right to operate the Franchised Business, and/or take other actions to enforce the System Standards.

As examples, and without limitation, System Standards may regulate any one or more of the following, in addition to the items described in Sections 8.1 through 8.6 above:

(a) all management and administrative services provided to the Center or otherwise used in connection with operating the Franchised Business;

(b) staffing levels and service standards for the Franchised Business; identifying the Franchised Business's personnel; and employee qualifications, training, dress, and appearance (although you have sole responsibility and authority concerning employee selection and promotion, hours worked, rates of pay and other benefits, work assigned, and working conditions);

(c) sales, marketing, advertising, and promotional programs and materials and media used in these programs;

(d) use and display of the Marks at the Franchised Business and at the Center, and on signs, contracts, products and supplies;

(e) days and hours of operation;

(f) participation in market research and testing and product and service development programs as well as participation in, and dues assessed for, advisory councils;

(g) accepting credit and debit cards, other payment systems, and check verification services;

(h) participation in, and compliance with, private and government-sponsored insurance and reimbursement programs;

(i) bookkeeping, accounting, data processing, and recordkeeping systems and forms; formats, content, and frequency of reports to us of sales, revenue, financial performance, and condition; and providing us copies of tax returns and other operating and financial information concerning the Franchised Business;

(j) submitting to us all press releases relating to the Center for our prior written approval; and

(k) any other aspects of operating and maintaining the Franchised Business that we determine to be useful to preserve or enhance the efficient operation, image, or goodwill of the Marks, Franchised Businesses and Centers.

You acknowledge and agree that as part of the System Standards, we have the right to designate Products as mandatory or optional for use in connection with the operation of the Franchised Business, and that you obtain such Products only from suppliers that we approve or designate. We may require that you refrain from conducting any direct billing or collections from customers of the Center for the services covered by the Central Billing Services during any such period. During any time that Central Billing Services are a mandatory Product, you agree to comply with the designated supplier's terms and procedures for the operation of, and participation in, the Central Billing Services, which may include without limitation the use of electronic fund transfers for monies collected from, and fees due for, Central Billing Services provided to the Franchised Business.

You agree that System Standards we prescribe in the Manual, or otherwise communicate to you in writing, are part of this Agreement as if fully set forth within its text. All references to this Agreement include all System Standards as periodically modified.

8.8 Modification of System Standards

We periodically may modify System Standards, and these modifications may obligate you to invest additional capital in the Franchised Business and/or incur higher operating costs. You agree to implement any changes in System Standards within the time period we request, whether they involve refurbishing or remodeling the Premises or any other aspect of the Franchised Business, buying new Operating Assets, adding new services, or otherwise modifying the nature of your operations, as if they were part of this Agreement as of the Effective Date.

9. MARKETING

9.1 Marketing Contributions and Expenditures

You acknowledge and recognize the value of the System and Marks, the need to develop, enhance, and promote the System and Marks, and the need to advertise and market the System and Centers. You also acknowledge and recognize the importance of the standardization of advertising programs to the furtherance of the goodwill and public image of the System, Franchised Businesses and Centers. Therefore, you agree to: (i) contribute to the Marketing Fund, (ii) make local advertising and marketing expenditures, and (iii) join and make contributions to a Market Cooperative.

9.2 Marketing Fund

We have established a Marketing Fund (the "Marketing Fund") for the enhancement and protection of the System and Marks, and for the advertising, marketing, and public relations programs and materials.

We have the right to use, or direct the use of, the Marketing Fund, and monies in the Marketing Fund, for any purpose that we believe will enhance and protect the System and Marks, will improve and increase public recognition and perception of the System and Marks and Centers, and will improve and enhance the perception of Centers held by franchisees, managers, physicians, and other employees of Franchised Businesses and Centers. Among the programs, concepts, and expenditures for which we may utilize the Marketing Fund monies are: creative development and production of print ads, commercials, radio spots, direct mail pieces, door hangers, and other advertising and promotional materials; creative development of, and preparing, producing, and placing video, audio, and written materials and electronic media; media placement and buying, including all associated expenses and fees; administering, and/or allocating monies of the Marketing Fund for use in regional and multi-regional marketing and advertising programs; market research and customer satisfaction surveys; the creative development of and actual production associated with promotions, public relation events, and charitable or nonprofit events; creative development of signage and posters; employee recognition and awards events and programs; periodic national and regional conventions and meetings; Website, extranet and/or intranet development, implementation, and maintenance; retention and payment of advertising and promotional agencies and other outside advisors including retainer and management fees; and public relations and community involvement activities and programs. We will direct all programs that the Marketing Fund finances, with sole control over the creative concepts, materials, and endorsements used and their geographic, market, and media placement and allocation.

The Marketing Fund periodically will give you samples of advertising, marketing, and promotional formats and materials at no cost. We will sell you multiple copies of these materials at our direct cost of producing them, plus any related shipping, handling, and storage charges.

We will account for the Marketing Fund separately from our other funds and not use the Marketing Fund for any of our general operating expenses. However, we may use the Marketing Fund to pay administrative costs of the Marketing Fund including managing the advertising, marketing, and promotional programs and payment of outside suppliers utilized by the Marketing Fund, and we may use the Marketing Fund to pay the reasonable salaries and benefits of personnel who manage and administer the Marketing Fund. We may use the Marketing Fund to pay for other administrative costs, travel expenses of personnel while they are on Marketing Fund business, meeting costs, overhead relating to Marketing Fund business, and other expenses that we incur in activities reasonably related to administering or directing the Marketing Fund and its programs.

The Marketing Fund will not be our asset. Although the Marketing Fund is not a trust, we will hold all Marketing Fund contributions for the benefit of the System and the contributors and use contributions only for the purposes described in this Section. We do not owe any fiduciary obligation to you for administering the Marketing Fund or any other reason. The Marketing Fund may spend in any fiscal year more or less than the total Marketing Fund contributions in that year, borrow from us or others (paying reasonable interest) to cover deficits, or invest any surplus for future use. We will use all interest earned on Marketing Fund contributions to pay costs before using the Marketing Fund's other assets.

We will prepare an annual, unaudited statement of Marketing Fund collections and expenses. The statement is available for your review upon written request, ninety (90) days after our fiscal yearend. We may have the Marketing Fund audited annually, at the Marketing Fund's expense, by an independent certified public accountant. We may incorporate the Marketing Fund or operate it through a separate entity whenever we deem appropriate. The successor entity will have all of the rights and duties specified in this Section.

Although we may use the Marketing Fund, or portions of the monies in the Marketing Fund, to create, develop, use and/or place advertising and promotional marketing materials and programs, and we may try to engage in brand enhancement activities that will benefit all Franchised Businesses and Centers, we cannot and do not ensure that Marketing Fund expenditures will be made in or affect any specific geographic area, or will be proportionate or equivalent to Marketing Fund contributions by Franchised Businesses operating in that geographic area. We do not guarantee or assure that any Franchised Business will benefit directly or in proportion to its Marketing Fund contribution from the brand enhancement activities of the Marketing Fund or the development of advertising and marketing materials or the placement of advertising and marketing.

We have the right to use collection agents and institute legal proceedings to collect Marketing Fund contributions at the Marketing Fund's expense. We also may forgive, waive, settle, and compromise all claims by or against the Marketing Fund. Except as expressly provided in this Section, we assume no direct or indirect liability or obligation to you for collecting amounts due to, maintaining, directing, or administering the Marketing Fund.

We may at any time defer or reduce contributions of a Franchised Business and, upon thirty (30) days' prior written notice to you, reduce or suspend Marketing Fund contributions and operations for one or more periods or terminate (and, if terminated, reinstate) the Marketing Fund. If we terminate the Marketing Fund, we will distribute all unspent monies to our franchisees, and to us, in proportion to their, and our, respective Marketing Fund contributions during the preceding twelve (12) month period.

9.3 By You

We will, through your Franchise Business Consultant, work with you to develop an advertising and marketing Plan. You must comply with all requirements regarding the Plan, including use of approved advertising and marketing materials, placement and purchase of advertising and marketing materials and media, and compliance with all promotional recommendations. In addition to your Marketing Fund contribution obligations, you agree to spend each month, beginning three (3) months after your Grand Opening, at least One Thousand Dollars ($1,000) to advertise and promote your Franchised Business in accordance with your Plan. Your monthly expenditure may include the costs to design or develop local marketing programs, subject to our approval. You agree to send us, in the manner we prescribe, an accounting of your expenditures for local advertising and promotion at such times, and for such reporting periods, as we specify. If you fail to expend the required minimum amount, then any amounts that you should have expended to reach the $1,000 requirement must be contributed to the Marketing Fund at such times as we specify.

You agree to list and advertise the Franchised Business in at least one (1) recommended classified telephone directory distributed within the Territory and to use an approved form of classified telephone directory advertisement. If other Centers are located within the directory's distribution area, we may require you to participate in joint, collective, or market-wide advertising, marketing, or promotional campaigns or programs as part of your Plan, and to pay your share of that joint, collective, or market-wide advertising, marketing, or promotional campaigns or programs.

Your local advertising and promotion must follow our guidelines, which may include requirements for, or restrictions regarding, the use of the Marks and notices of our Website's domain name in the manner we designate. You may not develop, maintain, or authorize, without our prior written approval, any Website that mentions or describes you or the Franchised Business or displays any of the Marks. You agree that your advertising, promotion, and marketing will be completely clear, factual, and not misleading and conform to both the highest standards of ethical advertising and marketing and policies that we prescribe. You may use direct advertising only to customers located within your Territory. We may specify third parties that you must use for the design and development of your local advertising; however, you will be required to pay those third parties directly without any offset to your required local expenditure requirements.

9.4 Grand Opening Advertising Program

In addition to and not in lieu of the Marketing Fund contribution and other expenditures for local advertising and promotion, you shall expend a minimum of Twenty Thousand Dollars ($20,000) for grand opening advertising, marketing and promotional programs in conjunction with the initial opening of the Center you manage, pursuant to a grand opening marketing plan developed or approved in writing by us ("Grand Opening Advertising Program"). The Grand Opening Advertising Program may commence prior to opening the Center and shall be completed within sixty (60) days after the Center commences operation.

9.5 Market Cooperative

We have the right to designate any geographical area for purposes of establishing a market advertising and promotional cooperative fund ("Market Cooperative"). If a Market Cooperative for the geographic area in which the Center you manage is located has been established at the time you begin operations hereunder, you must immediately become a member of such Market Cooperative. If a Market Cooperative for the geographic area in which the Center you manage is located is established during the term of this Agreement, you must become a member of such Market Cooperative within thirty (30) days after the date on which the Market Cooperative commences operation. In no event, will you be required to be a member of more than one (1) Market Cooperative. The following provisions will apply to each such Market Cooperative:

(a) Each Market Cooperative will be organized and governed in a form and manner, and will begin operation on a date, that we prescribe or approve in writing in advance. Unless we specify otherwise, the activities carried on by each Market Cooperative will be decided by a majority of its members. The members will also decide upon the amount of contributions required to be paid to the Market Cooperative, which may be determined based on each member's Net Payments, provided that we may provide our recommendations and guidelines. Any Center that we operate or manage in the region will have the same voting rights as those owned by our franchisees. Each Franchised Business or a Center owned by us will be entitled to cast one (1) vote for each Center.

(b) Each Market Cooperative will be organized for the exclusive purpose of administering regional advertising programs and developing, subject to our approval, standardized promotional materials for use by the members in local advertising and promotion.

(c) No advertising or promotional plans or materials may be used by a Market Cooperative or furnished to its members without our prior approval.

(d) You must submit your required contribution to the Market Cooperative each Wednesday for the previous week. We will have the right to require that you submit your payments and reports to the Market Cooperative directly to us for distribution to the Market Cooperative. If we incur administrative expenses in support of the Market Cooperative, these expenses may be paid to us from the funds of the Market Cooperative or from a portion of the Advertising Contribution that would be allocated to the Market Cooperative. If you are required to contribute to a Market Cooperative, your contributions will be credited toward your requirements to make expenditures for local advertising and promotion.

(e) We will have the right to terminate any Market Cooperative. A Market Cooperative will not be terminated, however, until all monies in that Market Cooperative have been expended for advertising and/or promotional purposes.

9.6 Approvals

For all proposed advertising, marketing, and promotional plans, you will submit samples of such plans and materials to us, for our review and prior written approval (except with respect to prices to be charged by you). If you do not receive our written approval within ten (10) days of the date of receipt by us of such samples or materials, they will be deemed to have not been approved. You acknowledge and agree that any and all copyright in and to advertising and promotional materials developed by you or on your behalf will be our sole property, and you must execute such documents (and, if necessary, require your independent contractors to execute such documents) as may be deemed reasonably necessary by us to give effect to this provision.

9.7 Websites

In furtherance of our policies regarding Websites and the presence of the "AMERICAN FAMILY CARE" brand on the Internet, we have the right to establish, maintain, and modify one or more Websites that identify the "AMERICAN FAMILY CARE" brand, system, and businesses that operates under our Marks. Currently, we intend to establish web pages on one website that identify individual Franchised Businesses and Centers, and one such webpage shall specifically identify your Franchised Business. You shall have the right to promote your Franchised Business using this webpage, and to utilize and modify this webpage, provided that you comply with our Website and Internet policies and System Standards. Our website strategy, which we have the right to change, includes utilizing our website and various web pages for press releases, brand marketing, promotion, and dissemination of other information related to the Franchised Businesses and Centers.

10. RECORDS, REPORTS, AND FINANCIAL STATEMENTS

You agree to establish and maintain at your own expense a bookkeeping, accounting, and recordkeeping system conforming to the requirements and formats we prescribe. We require you to use a Computer System to maintain certain sales data and other information. You agree to prepare, and if requested by us, to provide to us, in the manner and format that we prescribe:

(a) a report on the Franchised Business's Net Payments and a monthly operating report and/or income statement with business and operating statistics of the type and in the form and manner that we specify;

(b) quarterly profit and loss and source and use of funds statements and a balance sheet for the Franchised Business as of the end of the prior calendar quarter; and

(c) within ninety (90) days after the end of each calendar year, the operating statements, financial statements, statistical reports, and other information we request regarding you and the Franchised Business covering the previous calendar year;

(d) within ten (10) days after our request, exact copies of federal and state income tax returns, sales tax returns, and any other forms, records, books, and other information we periodically require relating to the Franchised Business.

You agree to verify and sign each report and financial statement in the manner we prescribe. We may disclose data derived from these reports, although we will not without your consent (unless required by law) disclose your identity in any materials that we circulate publicly. Moreover, we may, as often as we deem appropriate, access the Computer System and retrieve all information relating to the Franchised Business's operation.

If you have been in default of any financial or reporting obligation under this Agreement, more than twice during the term of this Agreement, we reserve the right to require that you prepare, and provide us, audited financial statements on an annual basis. In addition, you must provide us with audited financial statements in the event you prepare them for any other purpose.

You agree to preserve and maintain all records in a secure location at the Franchised Business for at least seven (7) years (including, but not limited to, billings, purchase orders, invoices, payroll records, customer, patient and client lists, check stubs, sales tax records and returns, cash receipts and disbursement journals, and general ledgers).

11. INSPECTIONS AND AUDITS

11.1 Our Right to Inspect the Franchised Business

We and our designated agents or representatives may at any time and without prior notice to you: (1) inspect and observe the operation of the Franchised Business; (2) interview the Franchised Business's personnel; and (3) inspect and copy any books, records, and documents relating to the Franchised Business's operation. You agree to cooperate with us fully. If we exercise any of these rights, we will not interfere with the Franchised Business's operation.

11.2 Our Right to Audit

We may, with ten (10) days' notice, examine the business, bookkeeping, and accounting records, sales and income tax records and returns, and other records of the Franchised Business. You agree to cooperate fully with us, our representatives, accountants, auditors, representatives, and/or contractors in any examination. We may conduct our audit or examination at our location or the location of our representative, accountant, auditor, or contractor. If any examination discloses an understatement of the Franchised Business's Net Payments, you agree to pay us, within ten (10) days after receiving the examination report, the Royalty and Marketing Fund contributions due on the amount of the understatement, plus our service charges and interest on the understated amounts from the date originally due until the date of payment. Furthermore, if an examination is necessary due to your failure to furnish reports, supporting records, or other information as required, or to furnish these items on a timely basis, or if our examination reveals an understatement of Net Payments exceeding five percent (5%) of the amount that you actually reported to us for the period examined, then: (a) you agree to reimburse us for the costs of

the examination, including, without limitation, the charges of attorneys and independent accountants, and the travel expenses, room and board, and compensation of our employees; and (b) we may require you to provide us with periodic audited statements. These remedies are in addition to any other remedies and rights provided us under this Agreement and applicable law.

12. TRANSFER

12.1 By Us

You acknowledge that we maintain a staff to manage and operate the System and that staff members can change as employees come and go. You represent that you have not signed this Agreement in reliance on any particular member, officer, or employee remaining with us in that capacity. We may change our ownership or form and/or assign this Agreement and any other agreement to a third party without restriction. After our assignment of this Agreement to a third party who expressly assumes the obligations under this Agreement, we no longer will have any performance or other obligations under this Agreement.

12.2 By You

You understand and acknowledge that the rights and duties this Agreement creates are personal to you and that we have granted you the Franchise in reliance upon our perceptions of your individual or collective character, skill, aptitude, attitude, business ability, and financial capacity. Accordingly, none of the following may be transferred without our prior written approval: (i) this Agreement (or any interest in this Agreement); (ii) the Franchised Business (or any right to receive all or a portion of the Franchised Business's profits or losses or capital appreciation related to the Franchised Business); (iii) your lease; (iv) substantially all of the assets of the Franchised Business; (v) any ownership interest in you (regardless of its size); or (vi) any ownership interest in any of your owners. A transfer of the Franchised Business's ownership, possession, or control, or substantially all of its assets, may be made only with a transfer of this Agreement. Any transfer without our approval is a breach of this Agreement and has no effect.

In this Agreement, the term "transfer" includes a voluntary, involuntary, direct, or indirect assignment, sale, gift, or other disposition. An assignment, sale, gift, or other disposition includes the following events:

(a) transfer of ownership of capital stock, a partnership or membership interest, or another form of ownership interest;

(b) merger or consolidation or issuance of additional securities or other forms of ownership interest;

(c) any sale of a security convertible to an ownership interest;

(d) transfer of an interest in you, this Agreement, the Franchised Business or substantially all of its assets, or your owners in a divorce, insolvency, or entity dissolution proceeding or otherwise by operation of law; or

(e) if you or one of your owners dies, a transfer of an interest in you, this Agreement, the Franchised Business or substantially all of its assets, or your owner by will, declaration of or transfer in trust, or under the laws of intestate succession.

12.3 Conditions for Approval of Transfer

If you are in full compliance with this Agreement, then we will approve a transfer that meets all of the requirements in this Section.

If you are an Entity, your owners may transfer a non-controlling ownership interest in you (determined as of the date on which the proposed transfer will occur) if: (1) the proposed transferee and its direct and indirect owners (if the transferee is an Entity) meet our then applicable standards for Franchised Business franchisees; and (2) you give us prior written notice of the transfer.

For any other proposed transfer, all of the following conditions must be met before or concurrently with the effective date of the transfer:

(a) The transferee has sufficient business experience, aptitude, and financial resources to operate the Franchised Business;

(b) You have paid all Royalties and Marketing Fund contributions, and other amounts owed to us and third-party vendors (other than amounts payable to third party vendors that are the subject of a good faith dispute with such vendor), have submitted all required reports and statements, and are not in violation of this Agreement at the time of transfer;

(c) (a) You have corrected any existing deficiencies of the Franchised Business of which we have notified you in writing or by electronic communications, and/or (b) the transferee agrees to upgrade and refurbish the Franchised Business in accordance with our then current requirements and specifications for Franchised Businesses and Centers within the time period we specify following the effective date of the transfer (we will advise the transferee before the effective date of the transfer of the specific actions that it must take and the time period within which such actions must be taken);

(d) Neither the transferee nor its owners (if the transferee is an Entity) or affiliates have an ownership interest (direct or indirect) in or perform services for a Competitive Business;

(e) The transferee satisfactorily completes our training program at the then-current training cost;

(f) Your landlord allows you to transfer the lease or sublease the Premises to the transferee;

(g) The transferee must sign our then current form of franchise agreement and related documents, any and all of the provisions of which may differ materially from those contained in this Agreement, provided, however, that the term of the new franchise agreement signed will be the remaining term on this Agreement;

(h) You or the transferee pays us a transfer fee equal to fifty percent (50%) of our then-current initial franchise fee charged to a franchisee who is new to the System; however, the transfer fee will be waived if the transferee: (a) is an entity controlled by you, or (b) has obtained the Franchised Business as a result of your death or disability;

(i) You (and your transferring owners) sign a general release, in a form satisfactory to us, of any and all claims against us and our members, officers, directors, employees, and agents;

(j) If you finance any part of the purchase price, you agree that all of the transferee's obligations under promissory notes, agreements, or security interests reserved in the Franchised Business are subordinate to the transferee's obligation to pay Royalties, Marketing Fund contributions, and other amounts due to us and third-party vendors and otherwise to comply with this Agreement;

(k) You will not, for two (2) years beginning on the effective date of the transfer, engage in any of the activities prescribed in Section 15.4.; and

(l) You will not directly or indirectly at any time or in any manner (except as we may otherwise approve, and except with respect to other Centers you own and manage or as required by law, or as necessary to accurately respond to any inquiry regarding your business operations prior to the expiration or termination) identify yourself or any business as a current or former Center or as one of our franchisees; use any Mark, any colorable imitation of a Mark, or other indicia of a Center in any manner or for any purpose; or utilize for any purpose any trade name, trade or service mark, or other commercial symbol that suggests or indicates a connection or association with us.

We may review all information regarding the Franchised Business that you give the transferee, correct any information that we believe is inaccurate, and give the transferee copies of any reports that you have given us or that we have made regarding the Franchised Business.

12.4 Transfer to a Wholly-Owned Corporation or Limited Liability Company

If you are in full compliance with this Agreement, and other agreements with us and suppliers, after providing us with written notice, you may transfer this Agreement to a corporation or limited liability company which conducts no business other than the Franchised Business and, if applicable, other Franchised Businesses in which you maintain management control and of which you own and control one hundred percent (100%) of the equity and voting power of all issued and outstanding ownership interests, provided that all of the Franchised Business's assets are owned, and the Franchised Business's business is conducted, only by that single corporation or limited liability company. The corporation or limited liability company must expressly assume all of your obligations under this Agreement. Transfers of ownership interests in the corporation or limited liability company are subject to Section 12.3 above. You agree to remain personally liable under this Agreement.

12.5 Your Death or Disability

(a) Transfer Upon Death or Disability. Upon your or your Operating Principal's death or disability, your, or the Operating Principal's, executor, administrator, conservator, guardian, or other personal representative must transfer your interest in this Agreement, or the Operating Principal's ownership interest in you, to a third party (which may be your, or the Operating Principal's, heirs, beneficiaries, or devisees). That transfer must be completed within a reasonable time, not to exceed twelve (12) months from the date of death or disability and is subject to all of the terms and conditions in this Section 12. A failure to transfer your interest in this Agreement or the Operating Principal's ownership interest in you within this time period is a breach of this Agreement.

(b) Operation Upon Death or Disability. Upon your or the Operating Principal's death or disability, your, or the Operating Principal's, executor, administrator, conservator, guardian, or other personal representative must within a reasonable time, not to exceed thirty (30) days from the date of death or disability, appoint a manager. The manager at your estate's expense must complete our standard training program. A new Operating Principal acceptable to us also must be appointed for the Franchised Business, and that new Operating Principal must complete our standard training program within ninety (90) days after the date of your death or disability.

12.6 Our Right of First Refusal.

Any party holding any interest in you, your entity, or this Agreement and who desires to accept any bona fide offer to purchase his, her or its interest in the Franchised Business from a third party, shall notify us in writing of each such offer, and we will have the right and option, exercisable within thirty (30) after receipt of such written notification, to send written notice to the seller of our or our nominee's intent to purchase your interest on the same terms and conditions offered by the third party. Any material change in the terms of any offer prior to closing shall constitute a new offer subject to the same right of first refusal by us or our nominee as in the case of an initial offer. Our failure to exercise the option afforded by this Section 12.6 shall not constitute a waiver of any other provision of this Agreement, including all of the requirements of Section 12, with respect to a proposed transfer. If you do not make the proposed transfer within ninety (90) days from the date on which you notified us of the offer, then you will again extend this right of first refusal to us before making any transfer or assignment. Any transfer or attempted transfer without giving us this right of first refusal will be null and void. Notwithstanding this Section 12.6 or any other provision of this Agreement, our right of first refusal shall not apply to a transfer of an interest constituting less than one hundred percent (100%) of the Franchised Business.

12.7 Effect of Consent to Transfer

Our consent to a transfer of this Agreement and the Franchised Business, or any interest in you, is not a representation of the fairness of the terms of any contract between you and the transferee, a guarantee of the Franchised Business's or transferee's prospects of success, or a waiver of any claims we have against you or of our right to demand the transferee's full compliance with this Agreement.

13. EXPIRATION OF THIS AGREEMENT; RENEWAL

You may renew this franchise for four (4) additional periods of five (5) years each, provided that:

(1) You have given us written notice of such election to renew not less than one hundred eighty (180) days, nor more than two hundred seventy (270) days, prior to the end of the then-current term; provided, however, if you fail to provide such notice and otherwise are in compliance with this Section 13, then at our option this Agreement shall renew for the then-current renewal term;

(2) You are not in default of any provision of this Agreement, any amendment hereof or successor hereto, or any other agreement between you and us, and have substantially complied with all the terms and conditions of such agreements during the terms thereof;

(3) You have satisfied all monetary obligations owed by you to us and have timely met these obligations throughout the term of this Agreement;

(4) You shall execute upon renewal our then-current form of Franchise Agreement, which agreement shall supersede in all respects this Agreement, and the terms of which may differ from the terms from this Agreement;

(5) You shall sign a general release, in the form we require, of any and all claims against us, our parent, and ours and their respective members, shareholders, officers, directors, agents and employees;

(6) You shall comply with our then-current qualification and training requirements;

(7) You maintain your right to use the Premises or secure substitute premises we approve; and

(8) You make such modifications and improvements to the Franchised Business to bring it into compliance with applicable System Standards for new Centers.

14. TERMINATION OF AGREEMENT

14.1 Automatic Termination

You shall be deemed to be in default under this Agreement, and all rights granted herein shall automatically terminate without notice to you, if you become insolvent or make a general assignment for the benefit of creditors; or if a petition in bankruptcy is filed by you or such a petition is filed against and not opposed by you; or if you are adjudicated a bankrupt or insolvent; or if a bill in equity or other proceeding for the appointment of a receiver of you or other custodian for your business or assets is filed and consented to by you; or if a receiver or other custodian (permanent or temporary) of your assets or property, or any part thereof, is appointed by any court of competent jurisdiction; or if proceedings for a composition with creditors under any state or federal law should be instituted by or against you; or if a final judgment remains unsatisfied or of record for thirty (30) days or longer (unless appealed or a supersedeas bond is filed); or if you are dissolved; or if execution is levied against your business or property; or if suit to foreclose any lien or mortgage against the Franchised Business premises or equipment is instituted against you and not dismissed within thirty (30) days; or if the real or personal property of your Franchised Business shall be sold after levy thereupon by any sheriff, marshal, or constable.

14.2 Termination Upon Notice Without Opportunity to Cure

You shall be deemed to be in default and we may terminate this Agreement and all rights granted hereunder, without affording you any opportunity to cure the default, effective immediately upon the delivery of written notice to you by us, upon the occurrence of any of the following events:

(a) you have made or make any material misrepresentation or omission in your application for, or in acquiring, the franchise rights, or in operating the Franchised Business;

(b) you make or attempt to make any transfer in violation of Section 12;

(c) you fail to maintain any required licenses, permits, or certifications to open or operate the Franchised Business, or fail to comply with any federal, state, or local law or regulation, or you operate the Franchised Business in an unsafe manner, and you do not cure or commence to cure this failure within five (5) days after you receive notice;

(d) you or any of your employees fail to meet the state and local certifications or other requirements for operation and/or employment in an urgent care management business, or the PC fails to meet state and local certifications or other requirements for the operation or employment of physicians and other professionals in an urgent care center, and you fail to cure this default within ten (10) days after you receive notice, or, alternatively, you fail to prohibit any such employees from working in the Franchised Business until the requirements are met;

(e) you are or have been convicted of, or plead or have pleaded no contest to, a felony;

(f) you engage in any dishonest or unethical conduct which, in our opinion, adversely affects the Franchised Business's reputation or the goodwill associated with the Marks;

(g) you knowingly make any unauthorized use or disclosure of any part of the Manual or any other Confidential Information;

(h) you interfere with our relationships with third parties and the ability to operate and/or grant franchises under our System;

(i) you fail to maintain the insurance we require, or you fail to repay us for the insurance that we have paid on your behalf and you do not correct the failure within thirty (30) days after we deliver written notice of that failure to you;

(j) you fail to pay us any amounts due and do not correct the failure within five (5) days after we deliver written notice of that failure to you, or immediately if payment has not been made within thirty (30) days of its due date;

(k) you understate the Franchised Business's Net Payments for any period by five percent (5%) or more, three (3) times or more during the term, or by more than ten percent (10%) on any one occasion;

(l) you (a) fail on three (3) or more separate occasions within any twelve (12) consecutive month period to comply with this Agreement for which we notified you of the failures, whether or not you correct the failures after our delivery of notice to you; or (b) fail on two (2) or more separate occasions within any eighteen (18) consecutive month period to comply with the same obligation under this Agreement, for which we notified you of the failures, whether or not you correct the failures after our delivery of notice to you;

(m) your assets, property, or interests are blocked under any law, ordinance, or regulation relating to terrorist activities, or you otherwise violate any such law, ordinance, or regulation;

(n) you are in default of any other agreement with us, and you have failed to cure the default within the time period, if any, provided for such cure under such agreement(s); or

(o) you abandon or fail actively to operate the Franchised Business for three (3) or more consecutive business days, unless you close the Franchised Business for a purpose we approve or because of casualty or government order.

14.3 Termination With Opportunity to Cure

Except as otherwise provided in Sections 14.1 and 14.2 above, any other default by you of your obligations hereunder, including those identified below, upon written notice from us, you will have thirty (30) days to cure such default. If any such default is not cured within the specified time, this Agreement shall terminate without further notice to you effective immediately upon the expiration of the thirty (30) day period or such longer period as applicable law may require. The following is a non-exclusive list of illustrative events of default for which you may have an opportunity to cure the default to avoid termination:

(a) you do not open the Franchised Business for business within the time period prescribed in Section 2.5;

(b) you (or your Operating Principal) do not satisfactorily complete the initial training program after we provide a second opportunity;

(c) you misuse our Marks, or use our Marks at any other location owned or operated by you without our authorization;

(d) you make any unauthorized use of our proprietary software;

(e) you fail to operate the Franchised Business during the days and hours specified in the Manual without our prior approval, which we will not unreasonably withhold;

(f) you fail to operate the Franchised Business from the Premises or any substitute premises approved by us;

(g) you fail to pay when due any federal or state income, service, sales, or other taxes due on the Franchised Business's operation, unless you are in good faith contesting your liability for these taxes;

(h) you fail to promptly pay your suppliers, including any of our affiliates, when such payments are due, except in connection with a good faith dispute that you have with third-party suppliers;

(i) you do not hire and/or retain a Marketing Representative, including all training and certification requirements applicable to the Marketing Representative; or

(j) you fail to comply with any other provision of this Agreement, the Manual, or any System Standard.

14.4 Extended Notice of Termination

If any law applicable to this Section 14, or Section 13 above, requires a longer notice period prior to termination of this Agreement, or prior to a refusal to renew the franchise agreement, than is specified in this Agreement, a different standard of "good cause," or the taking of some other action not required under this Agreement, the prior notice, "good cause" standard, and/or other action required by such law will be substituted for the comparable provisions in this Agreement.

14.5 Remedies other than Termination

If you commit any act, or any other event occurs, which constitutes grounds for termination of this Agreement by us under any provision of this Agreement, we may instead elect to reduce your Territory or terminate your territorial protection or impose monetary sanctions as set forth in the Manual. Such actions will take effect immediately upon written notice to you by us. Our election of any of these remedies will not preclude us from invoking our right to terminate if the act or event constituting grounds for termination continues to exist.

15. OUR AND YOUR RIGHTS AND OBLIGATIONS UPON TERMINATION OR EXPIRATION OF THIS AGREEMENT

15.1 Payment of Amounts Owed to Us

You agree to pay us within fifteen (15) days after this Agreement expires or is terminated, the Royalties, Marketing Fund contributions, interest, and all other amounts owed to us which then are unpaid.

15.2 Marks

When this Agreement expires, or is terminated:

(a) you may not directly or indirectly at any time or in any manner (except as we may otherwise approve, and except with respect to other Centers you own and manage or as required by law, or as necessary to accurately respond to any inquiry, or as required by law, regarding your business operations prior to the expiration or termination) identify yourself or any business as a current or former Center or as one of our current or former franchisees; use any Mark, any colorable imitation of a Mark, or other indicia of a Franchised Business or Center in any manner or for any purpose; or use for any purpose any trade name, trade or service mark, or other commercial symbol that indicates or suggests a connection or association with us;

(b) you agree to take the action required to cancel all fictitious or assumed names or equivalent registrations relating to your use of the Marks;

(c) you agree to deliver to us within thirty (30) days all signage, marketing materials, forms, and other materials containing any Mark or otherwise identifying or relating to a Franchised Business or Center that we request and allow us, without liability to you or third parties for trespass or any other claim, to enter the Premises and remove these items from the Franchised Business;

(d) if we do not have or do not exercise an option to purchase the assets of the Franchised Business, you agree promptly and at your own expense to make the alterations we specify in our Manual (or otherwise) to distinguish the Franchised Business and the Premises clearly from its former appearance and from other Franchised Businesses and Centers in order to prevent public confusion;

(e) you agree to notify the telephone company, all telephone directory publishers, and all domain name registries and internet service providers of the termination or expiration of your right to use any telephone, facsimile, URLs and domain names, or other numbers, names, and telephone directory listings associated with the Marks; to authorize the transfer of these numbers, names, and directory listings to us or at our direction; and/or to instruct the telephone company, domain name registries, and Internet service providers to forward all calls, e-mails and electronic communications made to your names, numbers, or addresses to names, numbers, or addresses we specify. If you fail to do so, we may take whatever action and sign whatever documents as are necessary or appropriate on your behalf to affect these events; and

(f) you agree to give us, within thirty (30) days after the expiration or termination of this Agreement, evidence satisfactory to us of your compliance with these obligations.

15.3 Confidential Information

You agree that, when this Agreement expires or is terminated, you will immediately cease using any of our Confidential Information (including computer software or similar technology and digital passwords and identifications that we have licensed to you or that otherwise are proprietary to us or the System) in any business or otherwise and return to us the client and patient lists, all copies of the Manual and any other confidential materials that we have loaned you.

15.4 Covenant Not to Compete

Upon termination or expiration of this Agreement you agree that, for two (2) years beginning on the later to occur of (i) the effective date of termination or expiration, or (ii) the date on which all persons restricted by this Section 15.4 begin to comply with this Section 15.4, or (iii) if litigation is necessary to

enforce this Agreement, the date of entry of an order by a court of competent jurisdiction enforcing this Agreement: you, and your immediate family members, for yourself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation, limited liability company, or other entity, will not own, maintain, operate, engage in, franchise or license, or have any direct or indirect controlling or non-controlling interest as an owner (whether of record, beneficially, or otherwise) or be or perform services as a partner, director, manager, employee, consultant, representative, or agent in any Competitive Business, that is or may be located or operating:

(a) at the Premises;

(b) within the Territory;

(c) within five (5) miles of the border of the Territory; or

(d) within the territory, area, or market area of any other Franchised Business or Center in operation or under construction on the latter of the effective date of the termination or expiration of this Agreement or the date on which all persons restricted by this Section begin to comply with this Section.

In addition, during the two (2) year period referred to above, you may not solicit any of our employees, employees of any other then-operating Center, or any client or patient of any Center on behalf of any Competitive Business that is or may be located, or is or may have a business located, or services any customer, client, or person in any of the areas described in subclauses (a), (b), or (c) above.

Equity ownership of less than five percent (5%) of a Competitive Business whose stock or other forms of ownership interest are publicly traded on a recognized United States stock exchange will not be deemed to violate this Section 15.4.

These restrictions also apply after transfers, as provided in Section 12 above. If any person restricted by this Section refuses voluntarily to comply with these obligations, the two (2) year period for that person will commence with the entry of a court order enforcing this provision. You expressly acknowledge that you possess skills and abilities of a general nature and have other opportunities for exploiting these skills. Consequently, our enforcing the covenants made in this Section will not deprive you of your personal goodwill or ability to earn a living.

15.5 Our Right to Purchase Certain Assets of the Franchised Business

Upon termination or expiration of this Agreement, we will have the right and option, but not the obligation, to purchase any and all of your assets from the Franchised Business at a purchase price equal to their fair market value. If we elect to exercise this option, we will deliver written notice to you of our election within thirty (30) days after the date of termination or expiration of this Agreement. We will have the right to inspect any equipment at any time prior to or during this thirty-day period. If we elect to purchase the equipment, we will be entitled to, and you must provide, all customary warranties and representations relating to the equipment purchase, including, without limitation, representations and warranties as to the maintenance, function and condition of the equipment and your good title to the equipment (including that you own the equipment free and clear of any liens and encumbrances). If we and you cannot agree on fair market value, fair market value will be determined by three (3) independent accredited appraisers with experience in commercial real estate. You and we will each select one (1) appraiser, and one (1) will be selected by mutual agreement of the other two (2) appraisers. The appraisers will conduct an appraisal in accordance with this Section. You and we agree to select our respective appraisers within fifteen (15) days after we notify you that we wish to exercise our purchase option. You and we will share equally the appraisers' fees and expenses. The appraisers must complete their appraisals

within thirty (30) days after their appointment. The purchase price will be the average of the three (3) appraised values. If the two appraisers cannot agree on the third appraiser, one will be chosen by the American Arbitration Association.

15.6 Continuing Obligations

All of our and your obligations which expressly or by their nature survive this Agreement's expiration or termination will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied in full or by their nature expire.

16. RELATIONSHIP OF THE PARTIES/INDEMNIFICATION

16.1 Independent Contractors

You and we understand and agree that this Agreement does not create a fiduciary relationship between you and us, that you and we are and will be independent contractors, and that nothing in this Agreement is intended to make either you or us a general or special agent, joint venturer, partner, or employee of the other for any purpose. You agree to identify yourself conspicuously in all dealings with customers, suppliers, public officials, Franchised Business personnel, and others as the Franchised Business's owner under a franchise we have granted and to place notices of independent ownership on the forms, business cards, stationery, advertising, and other materials we require.

16.2 No Liability for Acts of Other Party

We and you may not make any express or implied agreements, warranties, guarantees, or representations, or incur any debt, in the name or on behalf of the other or represent that our respective relationship is other than that of franchisor and franchisee. We will not be obligated for any damages to any person or property directly or indirectly arising out of the Franchised Business's operation or the business you conduct under this Agreement.

16.3 Taxes

We will have no liability for any sales, use, service, occupation, excise, gross receipts, income, property, or other taxes, whether levied upon you or the Franchised Business. You are responsible for paying these taxes and must reimburse us for any taxes that we must pay to any state taxing authority on account of either your operation or payments that you make to us.

16.4 Indemnification

You agree to indemnify, defend, and hold harmless the Indemnified Parties against, and to reimburse any one or more of the Indemnified Parties for, all claims, obligations, and damages directly or indirectly arising out of the Franchised Business's operation and/or any operations of the Center you manage, the business you conduct under this Agreement, or your breach of this Agreement, unless the claims, obligations, or damages are determined to be caused solely by our gross negligence or willful misconduct in a final, unappealable ruling issued by a court of competent jurisdiction.

Each Indemnified Party may defend any claim against it at your expense and agree to settlements or take any other remedial, corrective, or other actions. We have the right to designate attorneys that you must retain to defend any claims subject to this indemnification provision. This indemnity will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination.

An Indemnified Party need not seek recovery from any insurer or other third party, or otherwise mitigate its losses and expenses, in order to maintain and recover fully a claim against you under this subparagraph. You agree that a failure to pursue a recovery or mitigate a loss will not reduce or alter the amounts that an Indemnified Party may recover from you under this subparagraph.

17. ENFORCEMENT

17.1 Severability and Substitution of Valid Provisions

Except as expressly provided to the contrary in this Agreement, each section, paragraph, term, and provision of this Agreement is severable, and if, for any reason, any part is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency, or tribunal with competent jurisdiction, that ruling will not impair the operation of, or otherwise affect, any other portion of this Agreement which will continue to have full force and effect and bind the parties.

If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, you and we agree that the covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity.

If any applicable and binding law or rule of any jurisdiction requires more notice than this Agreement requires of this Agreement's termination or of our refusal to renew your franchise agreement, or some other action that this Agreement does not require, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any System Standard is invalid, unenforceable, or unlawful, the notice and/or other action required by the law or rule will be substituted for the comparable provisions of this Agreement and we may modify the invalid or unenforceable provision or System Standard to the extent required to be valid and enforceable or delete the unlawful provision in its entirety. You agree to be bound by any promise or covenant imposing the maximum duty the law permits.

17.2 Waiver of Obligations

We and you may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice to the other or another effective date stated in the notice of waiver. Any waiver granted will be without prejudice to any other rights we or you have, will be subject to continuing review, and may be revoked at any time and for any reason effective upon delivery of ten (10) days' prior written notice.

We and you will not waive or impair any right, power, or option this Agreement reserves (including, without limitation, our right to demand exact compliance with every term, condition, and covenant or to declare any breach to be a default and to terminate this Agreement before its term expires) because of any custom or practice at variance with this Agreement's terms; our or your failure, refusal, or neglect to exercise any right under this Agreement or to insist upon the other's compliance with this Agreement, including any System Standard; our waiver of or failure to exercise any right, power, or option, whether of the same, similar, or different nature, with other Franchised Businesses and Centers; the existence of franchise agreements for other Franchised Businesses which contain provisions different from those contained in this Agreement; or our acceptance of any payments due from you after any breach of this Agreement. No special or restrictive legend or endorsement on any check or similar item given to us will be a waiver, compromise, settlement, or accord and satisfaction. We are authorized to remove any legend or endorsement, which then will have no effect.

Neither we nor you will be liable for loss or damage or be in breach of this Agreement if our or your failure to perform our or your obligations results from: (1) compliance with the orders, requests, regulations, or recommendations of any federal, state, or municipal government; (2) acts of God; (3) fires, strikes, embargoes, war, acts of terrorism or similar events, or riot; or (4) any other similar event or cause. Any delay resulting from any of these causes will extend performance accordingly or excuse performance, in whole or in part, as may be reasonable, except that these causes will not excuse payments of amounts owed at the time of the occurrence or payment of Royalties or Marketing Fund contributions due afterward.

17.3 Costs and Attorneys' Fees

If we incur costs and expenses due to your failure to pay when due amounts owed to us, to submit when due any reports, information, or supporting records, or otherwise to comply with this Agreement, you agree, whether or not we initiate a formal legal proceeding, to reimburse us for all of the costs and expenses that we incur, including, without limitation, reasonable accounting, attorneys' and related fees.

17.4 Rights of Parties are Cumulative

Our and your rights under this Agreement are cumulative, and our or your exercise or enforcement of any right or remedy under this Agreement will not preclude our or your exercise or enforcement of any other right or remedy which we or you are entitled by law to enforce.

17.5 Mediation and Arbitration

17.5.1 Mediation

Before you and we may bring an action in court or arbitration, you and we must first meet to mediate the dispute. Any such mediation shall be non-binding and shall be conducted by the CPR Center for Alternative Dispute Resolution, under the rules established by the International Franchise Association endorsed National Franchise Mediation Program, and in accordance with its then-current rules for mediation of franchise disputes (and in the event such program is not then in existence, by the American Arbitration Association in accordance with its then-current rules for mediation of commercial disputes). The parties may mutually agree on a mediator and/or procedures and/or venue for mediation. This Section 17.5 shall not bar you or us from obtaining judicial or injunctive relief for claims that are based solely on demands for money owed, or from obtaining injunctive relief against threatened conduct that will cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions, without having to engage in mediation; including, without limitation, claims involving the Marks.

Mediation shall be commenced by the party requesting mediation (the "complainant") providing written notice of the request for mediation to the party with whom mediation is sought (the "respondent"). The request shall specify with reasonable particularity the matter or matters on which non-binding mediation is sought.

Mediation commenced under this Section shall be concluded within sixty (60) days of the issuance of the request or such longer period as may be agreed upon by the parties in writing. All aspects of the mediation process shall be treated as confidential, shall not be disclosed to others, and shall not be offered or admissible in any other proceeding or legal action whatsoever. The parties shall each bear its own costs of mediation, and each shall bear one-half the cost of the mediator or mediation service.

17.5.2 Arbitration

Except as specifically otherwise provided in this Agreement, and any action brought by us under Lanham Act suits in equity to enforce the covenants herein, the parties agree that any and all disputes between them, and any claim by either party that cannot be amicably settled through mediation, shall be determined solely and exclusively by arbitration in Jefferson County, Alabama, in accordance with the then prevailing Commercial Rules of the American Arbitration Association.

The parties will select one (1) arbitrator from a panel of neutral arbitrators provided by the American Arbitration Association and this arbitrator is chosen by the striking method. The parties will each bear all of their own costs of arbitration; however, the fees of the arbitrator shall be divided equally between the parties. The arbitrator will have no authority to amend or modify the terms of this Agreement. The award or decision by the arbitrator is final and binding on the parties and may be enforced by judgment or order of a court having subject matter jurisdiction in the state where the arbitration took place.

17.6 Governing Law

Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.), or other federal law, this Agreement, the Franchise, and all claims arising from the relationship between us and you will be governed by the laws of the State of Alabama, without regard to its conflict of laws or rules.

17.7 Consent to Jurisdiction

You agree that all actions arising under this Agreement, involving or in violation of the Lanham Act and to enforce the covenants set forth herein, must be commenced in a state or federal court in Jefferson County, Alabama, and you irrevocably submit to the jurisdiction of that court and waive any objection you might have to either the jurisdiction of or venue in that court. Nonetheless, you agree that we may commence such actions in the courts of the state or states in which you are domiciled, or the Franchised Business is located.

17.8 Waiver of Punitive Damages and Jury Trial

EXCEPT FOR YOUR OBLIGATION TO INDEMNIFY US FOR THIRD PARTY CLAIMS, AND EXCEPT FOR PUNITIVE DAMAGES AVAILABLE TO EITHER PARTY UNDER FEDERAL LAW, WE AND YOU WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN US AND YOU, THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS.

WE AND YOU IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF US.

17.9 Binding Effect

This Agreement is binding upon us and you and our and your respective executors, administrators, heirs, beneficiaries, permitted assigns, and successors in interest. Subject to our right to modify the Manual and System Standards, this Agreement may not be modified except by a written agreement signed by both our and your duly-authorized officers.

17.10 Limitations of Claims

ANY AND ALL CLAIMS AND ACTIONS ARISING OUT OF OR RELATING TO THIS AGREEMENT, TO THE RELATIONSHIP OF YOU AND US, OR YOUR OPERATION OF THE FRANCHISED BUSINESS (INCLUDING ANY DEFENSES AND ANY CLAIMS OF SET-OFF OR RECOUPMENT), MUST BE BROUGHT OR ASSERTED BEFORE THE EXPIRATION OF THE EARLIER OF (A) THE TIME PERIOD FOR BRINGING AN ACTION UNDER ANY APPLICABLE STATE OR FEDERAL STATUTE OF LIMITATIONS; (B) ONE (1) YEAR AFTER THE DATE UPON WHICH A PARTY DISCOVERED, OR SHOULD HAVE DISCOVERED, THE FACTS GIVING RISE TO AN ALLEGED CLAIM; OR (C) TWO (2) YEARS AFTER THE FIRST ACT OR OMISSION GIVING RISE TO AN ALLEGED CLAIM; OR IT IS EXPRESSLY ACKNOWLEDGED AND AGREED BY ALL PARTIES THAT SUCH CLAIMS OR ACTIONS SHALL BE IRREVOCABLY BARRED. OUR CLAIMS ATTRIBUTABLE TO UNDERREPORTING OF SALES, AND CLAIMS OF ANY PARTY FOR FAILURE TO PAY MONIES OWED AND/OR INDEMNIFICATION SHALL BE SUBJECT ONLY TO THE APPLICABLE STATE OR FEDERAL STATUTE OF LIMITATIONS.

17.11 Our Discretion and Judgment

Whenever we have expressly reserved in this Agreement a right and/or discretion to take or withhold an action, or to grant or decline to grant you a right to take or withhold an action, except as otherwise expressly and specifically provided in this Agreement, we may make such decision or exercise our right and/or discretion on the basis of our judgment of what is in our best interests, which includes what we believe to be the best interests of the franchise network at the time our decision is made or our right or discretion is exercised even though: (1) there may have been other alternative decisions or actions that could have been taken; (2) our decision or the action taken promotes our financial or other individual interest; or (3) our decision or the action we take may apply differently to different franchisees or our company-owned or affiliate-owned operations. In the absence of an applicable statute, we will have no liability to you for any such decision or action. We and you intend that the exercise of our right or discretion will not be subject to limitation or review.

If applicable law implies a covenant of good faith and fair dealing in this Agreement, we and you agree that such covenant shall not imply any rights or obligations that are inconsistent with a fair construction of the terms of this Agreement and that this Agreement grants us the right to make decisions, take actions and/or refrain from taking actions not inconsistent with your rights and obligations hereunder.

17.12 Construction

The preambles and exhibits are a part of this Agreement, and this Agreement and the exhibits and attachments hereto, constitute the entire, full and complete agreement between the parties hereto, and supersede any and all prior or contemporaneous negotiations, discussions, representations, understandings and agreements. However, nothing in this Franchise Agreement is intended to disclaim any representations made by us in the Franchise Disclosure Document that we furnished to you.

You acknowledge that you are entering into this Agreement as a result of your own independent investigation of our franchised business and not as a result of any representations about us made by our members, officers, directors, employees, agents, representatives, independent contractors, or franchisees that are contrary to the terms set forth in this Agreement, or in any disclosure document, prospectus, or other similar document required or permitted to be given to you pursuant to applicable law.

This Agreement may be executed in multiple copies, each of which will be deemed an original.

18. NOTICES AND PAYMENTS

All written notices, reports, and payments (for payments, if any, that are not made electronically) permitted or required to be delivered by this Agreement or the Manual shall be in writing and shall be personally delivered, sent by registered mail, a recognized overnight delivery service (e.g., UPS, FedEx, etc.), or by other means which affords the sender evidence of delivery, or of rejected delivery, to the respective parties at the addresses shown on Exhibit A of this Agreement, unless and until a different address has been designated by written notice to the other party. Any notice by a means which affords the sender evidence of delivery, or rejected delivery, shall be deemed to have been given at the date and time of receipt or rejected delivery.

19. COMPLIANCE WITH ANTI-TERRORISM LAWS

You agree to comply, and to assist us to the fullest extent possible in our efforts to comply, with Anti-Terrorism Laws. In connection with that compliance, you certify, represent, and warrant that none of your property or interests are subject to being blocked under, and that you otherwise are not in violation of, any of the Anti-Terrorism Laws. "Anti-Terrorism Laws" mean Executive Order 13224 issued by the President of the United States, the USA PATRIOT Act, and all other present and future federal, state, and local laws, ordinances, regulations, policies, lists, and other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war. Any violation of the Anti-Terrorism Laws by you, or any blocking of your assets under the Anti-Terrorism Laws, shall constitute good cause for immediate termination of this Agreement.

20. ACKNOWLEDGMENTS

You acknowledge:

(a) That you have independently investigated the Franchised Business as a franchise opportunity and recognize that, like any other business, the nature of the business of managing a Center may, and probably will, evolve and change over time.

(b) That an investment in a Franchised Business involves business risks that could result in the loss of a significant portion or all of your investment.

(c) That your business abilities and efforts are vital to your success.

(d) That attracting customers for the Center you manage will require you to make consistent marketing efforts in your community through various methods, including media advertising, direct mail advertising, and display materials.

(e) That you must maintain a high level of customer service and adhere strictly to the System and our System Standards, and that you are committed to maintaining System Standards.

(f) That you have not received from us or any person or entity representing or claiming to represent us, and you are not relying upon, any representations or guarantees, express or implied, as to the potential volume, sales, income, or profits of a Franchised Business, and that any financial information that may appear in our Franchise Disclosure Document is not a representation or guarantee as to potential volume, sales, income, or profits that you may achieve at a Franchised Business.

(g) That in all of their dealings with you, our officers, directors, employees, and agents act only in a representative, and not in an individual, capacity and that business dealings between you and them as a result of this Agreement are deemed to be only between you and us.

(h) That you have represented to us, to induce our entry into this Agreement, that all statements you have made and all materials you have given us are accurate and complete to the best of your knowledge and diligence in gathering required information and that you have made no misrepresentations or material omissions in obtaining the rights under this Franchise Agreement.

(i) That you have read this Agreement and our Franchise Disclosure Document and understand and accept that this Agreement's terms and covenants are reasonably necessary for us to maintain our high standards of quality and service, as well as the uniformity of those standards at each Franchised Business, and to protect and preserve the goodwill of the Marks.

(j) That we have not made any representation, warranty, or other claim regarding this Franchised Business franchise opportunity, other than those made in this Agreement and our Franchise Disclosure Document, and that you have independently evaluated this opportunity, including by using your business professionals and advisors, and have relied solely upon those evaluations in deciding to enter into this Agreement.

(k) That you have been afforded an opportunity to ask any questions you have and to review any materials of interest to you concerning the Franchised Business franchise opportunity, and that we have not refused to answer any questions, inquiries, or requests.

(l) That you have been afforded an opportunity, and have been encouraged by us, to have this Agreement and all other agreements and materials we have given or made available to you reviewed by an attorney and have either done so or chosen not to do so.

(m) That we may modify the offer of our franchise opportunity to other franchisees in any manner and at any time, and these offers and agreements have or may have terms, conditions, and obligations that may differ from the terms, conditions, and obligations in this Agreement.

(n) That notwithstanding the foregoing, nothing in any franchise agreement is intended to disclaim the express representations made in the Franchise Disclosure Document.

IN WITNESS WHEREOF, the parties have executed and delivered this Agreement on the dates noted below, to be effective as of the Effective Date.

EXHIBIT B
TO THE FRANCHISE AGREEMENT

SITE SELECTION ADDENDUM

AFC Franchising, LLC ("**we**" or "**us**") and _____ ("**you**") have this ____ day of _____, 20___ (the "Effective Date") entered into a Franchise Agreement ("**Franchise Agreement**") and desire to supplement its terms as set out below in this Site Selection Addendum (the "**Addendum**"). The parties hereto agree as follows:

AGREEMENT

1. **Time to Locate Site**: Within two hundred seventy (270) days after the Effective Date (the "**Search Period**"), you must acquire or lease/sublease, at your expense, commercial real estate that is properly zoned for the use of the business to be conducted by you under the Franchise Agreement (a "**Franchised Business**") at a site that we approve as hereinafter provided. Such location must be within the following area: _____ _____ (the "**Site Selection Area**"). The Site Selection Area is described solely for the purpose of selecting a site for the Franchised Business. The Site Selection Area does not grant you any exclusive territorial rights, and we may establish, or franchise others to establish, a Franchised Business and Center operating under the System within the Site Selection Area during the Search Period. You acknowledge and agree that we will have no responsibility for, or liability to you for, any site review, analysis, evaluation, or recommendation undertaken by or on behalf of any real estate broker or advisor used or retained by you, even if such broker or advisor was approved or recommended by us. If you fail to acquire or lease a site for the Franchised Business within the Search Period, such failure will constitute a default under Section 14.2 of the Franchise Agreement and under this Addendum, and we have the right to terminate the Franchise Agreement and this Addendum.

2. **Site Evaluation Services**: Our approved vendor will assist you in your location selection process by providing you with our location guidelines and criteria, and sources to obtain demographic information related to the Territory. Our advice and information may include a demographic analysis of the proposed Territory and possible locations, competitive urgent care centers in the potential market or area, existing Centers and their proximity to the potential Territory, and other data. We will provide you and the approved vendor with certain recommended or required specifications for your location. If we have completed any research on the market area that you are considering, we will provide you with it for information and background purposes only. You should verify all information provided. Our approved vendor will perform any on-site evaluation deemed advisable in response to your requests for site approval. We require that you retain, at your expense, the services of our designated vendor who will assist in the site selection process, and who will work with you in negotiating the lease for the premises.

3. **Site Selection Package Submission and Approval**: You must submit to us, in the form we specify, a site selection package which must include a copy of the site plan, financial information, and such other information or materials as we may reasonably require, together with an option contract, letter of intent or other evidence satisfactory to us which confirms your favorable prospects for obtaining the site. You acknowledge that time is of the essence. We will have thirty (30) days after our receipt from you of a complete site selection package and request for approval, and such information and materials as we may request, to approve or disapprove the proposed site as the location for the Franchised Business. In the event we do not approve a proposed site by written notice to you within said thirty (30) days, such site will be deemed disapproved by us.

4. **Lease Responsibilities**: You must execute a lease which must be coterminous with the Franchise Agreement, or a binding agreement to purchase the site.

5. **Approved Location**: After the location for the Franchised Business is approved by us and leased or acquired by you, the location shall constitute the Premises. The Premises will be specified on Exhibit A to the Franchise Agreement and shall become a part the Franchise Agreement. The Territory will be the geographic area thereafter described in Exhibit A to the Franchise Agreement and will become a part of the Franchise Agreement. You acknowledge and agree that, if we recommend or give you information regarding the Territory, or a site for the Premises, and if we approve a location, our advice, action, or information is not a representation or warranty of any kind, express or implied, of the location's suitability for a Center, a Franchised Business, or any other purpose. Our recommendation indicates only that we believe that the location meets our then-acceptable criteria. Applying criteria that have appeared effective with other locations and premises might not accurately reflect the potential for all locations and premises, and demographic and/or other factors included in or excluded from our criteria could change, altering the potential of a location and premises. The uncertainty and instability of these criteria are beyond our control, and we are not responsible if a location and premises we recommend or approve fail to meet your expectations. You acknowledge and agree that your acceptance of the Franchise is based on your own independent investigation of the Territory and the location. You acknowledge and agree that our location selection assistance is primarily for our benefit and not for your benefit.

6. **Entire Agreement**: This Addendum will be considered an integral part of the Franchise Agreement between the parties hereto, and the terms of this Addendum shall be controlling with respect to the subject matter hereof. GUARANTY AND ASSUMPTION OF OBLIGATIONS

THIS GUARANTY AND ASSUMPTION OF OBLIGATIONS is given this _____ day of _____, 20___, by _____.

In consideration of, and as an inducement to, the execution of that certain Franchise Agreement (the "Agreement") on this date by AFC FRANCHISING, LLC ("us," "we," or "our"), the undersigned personally and unconditionally (a) guarantees to us and our successors and assigns, for the term of the Agreement (including extensions) and afterward as provided in the Agreement, that _____ ("Franchisee") will punctually pay and perform each and every undertaking, agreement, and covenant set forth in the Agreement (including any amendments or modifications of the Agreement) and (b) agrees to be personally bound by, and personally liable for the breach of, each and every provision in the Agreement (including any amendments or modifications of the Agreement), both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including the non-competition, confidentiality, and transfer requirements; provided, however, that this guaranty to pay monetary obligations arising under the Agreement shall be limited to royalty fees, software fees, marketing fees, other periodic fees and payments owed to us, and any claims under the indemnification provisions of the Agreement (including, without limitation, Section 16.4), and any judgments or claims that are reduced to monetary claims.

The undersigned consents and agrees that: (1) he or she will render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; (2) this liability will not be contingent or conditioned upon our pursuit of any remedies against Franchisee or any other person; (3) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which we may from time to time grant to Franchisee or to any other person, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims, none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement (including extensions), for so long as any performance is or might be owed under the Agreement by Franchisee or its owners, and for so long as we have any cause of action against Franchisee or its owners; and (4) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Agreement and despite the transfer of any interest in the Agreement or Franchisee, and the undersigned waives notice of any and all renewals, extensions, modifications, amendments, or transfers; provided, however, that in the event of a complete and total transfer of all assets and ownership interests in Franchisee and in the Franchised Business, such that a Guarantor has no ownership interest in Franchisee or the Franchised Business ("Transfer"), this Guaranty shall terminate as of the date of the Transfer with respect to any obligations that arise as of or after the Transfer.

The undersigned waives: (i) all rights to payments and claims for reimbursement or subrogation which the undersigned may have against Franchisee arising as a result of the undersigned's execution of and performance under this Guaranty; and (ii) acceptance and notice of acceptance by us of his or her undertakings under this Guaranty, notice of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed, protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed, and any other notices to which he or she may be entitled.

If we are required to enforce this Guaranty in a judicial proceeding, and prevail in such proceeding, we shall be entitled to reimbursement of our costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any such proceeding. If we are required to engage legal counsel in connection with any failure by the undersigned to comply with this Guaranty, the undersigned shall reimburse us for any of the above-listed costs and expenses we incur.

The undersigned agrees that all actions arising under this Guaranty or the Agreement, or otherwise, must be commenced in a state or federal court of competent jurisdiction in the state or judicial district in which we have our principal place of business at the time the action is commenced, and the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he or she might have to either the jurisdiction of or venue in those courts. Nonetheless, the undersigned agrees that we may enforce this Guaranty and judgment orders in the courts of the state or states in which he or she is domiciled.

AFC FRANCHISING, LLC
AMERICAN FAMILY CARE
AREA DEVELOPMENT AGREEMENT

This Area Development Agreement ("Agreement") is entered into this _____ day of _____, 20____, by and between AFC Franchising, LLC, an Alabama limited liability company, with your principal place of business in Hoover, Alabama (hereinafter referred to as "we," "us," or "our"), and _____ (hereinafter referred to as "you" or "your").

W I T N E S S E T H:

We and our predecessors, as a result of the expenditure of time, skill, and effort have developed (and continue to develop and modify) an urgent care center management system ("System") relating to the management of urgent and/or accessible primary care centers that provide, through independent physicians and professionally licensed persons or entities, various levels of patient care services; all of which are provided by a physician, or medical personnel supervised by a physician, which include, without limitation, minor injuries, infections, workers compensation injuries, sports physicals, travel medicine, and colds and flu; and each center will be equipped with several exam rooms, X-Ray Equipment, on-site laboratory, and where permitted by law a pharmacy dispensing the most common urgent care medicine. As used herein urgent care also includes accessible primary care.

The urgent care centers in the System operate under the "AFC and Design" and "AMERICAN FAMILY CARE" name and Marks and will be managed according to the System. The System has characteristics that currently include providing construction design, approved supplier relationships for site selection, medical and other equipment, supplies, furniture and fixtures, procedures for monitoring operations and quality of services offered; procedures for management; training and assistance; advertising and promotional programs; business formats, methods, procedures, standards, and specifications all of which we may change, improve, and further develop.

We use, promote, and license certain trademarks, service marks, and other commercial symbols including the marks "AFC and Design" and "AMERICAN FAMILY CARE" in managing Centers, which have gained and will continue to gain public acceptance and goodwill, and we may create, use, and license other trademarks, service marks, and commercial symbols for Centers.

We grant to persons who meet our qualifications, and are willing to undertake the investment and effort, an Area Development Agreement to develop businesses that will manage Centers using our System and Marks.

You have applied to us for the right to use the System. Your application has been approved by us in reliance upon all of the representations made in your application including those concerning your financial resources and the manner in which a Franchised Business will be owned and operated. You acknowledge that you have read this Agreement and been given an opportunity to obtain clarification of any provision that you did not understand. You also understand and agree that the terms and conditions contained in this Agreement are necessary to maintain the System's high standards of quality and service and the uniformity of those standards at all Centers and thereby agree to protect and preserve the goodwill of the Marks, and you must comply with this Agreement and all System Standards in order to maintain the high and consistent quality that is critical for Centers.

NOW, THEREFORE, the parties, in consideration of the premises and the covenants, undertakings and commitments of each party to the other party set forth herein, hereby mutually agree as follows:

I. GRANT

A. We hereby grant to you, pursuant to the terms and conditions of this Area Development Agreement, the exclusive right to develop _____ (__) Franchised Businesses to operate Centers (herein "Franchises") within the territory set forth in Exhibit A (the "Development Area").

B. Except as otherwise provided in this Agreement, we will not establish, or license anyone other than you the right to establish, a Franchise in the Development Area prior to the termination of this Area Development Agreement.

C. This Agreement is not a Franchise Agreement, and you shall have no right to use in any manner our Marks by virtue hereof.

D. You shall have no right under this Agreement to license others.

E. This Agreement is not subject to renewal.

F. You will sign our then-current form of Franchise Agreement for each Franchise to be developed hereunder; provided, however, that the Royalty Fee and Advertising Fee shall remain six percent (6%) and one percent (1%), respectively, of Net Payments during the initial term of each agreement signed.

II. DEVELOPMENT FEE

You shall pay to us, upon execution of this Agreement, a development fee of $_____ which fee shall be non-refundable and fully earned by us upon execution of this Agreement, for administrative and other expenses incurred by us and for the development opportunities lost or deferred as a result of the exclusivity granted herein. The development fee represents a $60,000 (100%) initial franchise fee for the first Franchise and a non-refundable deposit of $10,000 for each additional franchise to be granted hereunder. The initial franchise fee for subsequent franchises under the Area Development Agreement is $45,000. The balance of the Franchise Fee (of $35,000) will be due and payable upon execution of each Franchise Agreement. You will have no right to recover from us, directly or indirectly, any of the fees which are paid pursuant to this Section II.

III. DEVELOPMENT SCHEDULE

You must have open and operating in the Development Area, pursuant to Franchise Agreements, the _____ Franchises set forth in Exhibit A by the corresponding date set forth therein ("Development Schedule"). Time is of the essence in this agreement and we have no obligation under any circumstances to extend the Development Schedule. You hereby acknowledge that your timely development of the Franchises in the Development Area in accordance with Development Schedule is of material importance to us and you agree, as a condition to the continuance of the rights granted hereunder, to develop and construct the Franchises within the Development Area in accordance with the Development Schedule, to operate such Franchises pursuant to the terms of Franchise Agreements and to maintain all such Franchises in operation during the term of this Agreement. Your failure to

develop and operate the Franchises in accordance with the Development Schedule is a material breach of this Agreement; however, our rights pursuant to Section V.C. of this Agreement shall be our exclusive remedies for your failure to meet the Development Schedule.

IV. TERM

A. Unless sooner terminated in accordance with the terms of this Agreement, the term of this Agreement and all rights granted to you hereunder shall expire on the 180th day after the date the last Franchise to be constructed pursuant to the Development Schedule is opened for business, except that the provisions of Section IV.B. shall, unless sooner terminated in accordance with the terms of this Agreement, continue in effect so long as you exercise your rights thereunder.

B. Right of First Refusal. If at any time within twenty-four (24) months after expiration of this Agreement, we determine that it is desirable to operate or license another to operate one or more additional Franchises in the Development Area, and provided you have timely complied with the Development Schedule and are then in compliance with all terms and conditions of all Franchise Agreements with us, you shall have a right of first refusal to obtain the development rights to such additional Franchises. You must notify us in writing within thirty (30) days of the receipt of such notice whether you wish to acquire the development rights to all or any of such additional Franchises. If you exercise your right of first refusal, you agree to comply with the reasonable development schedule for such additional Franchises. If you do not exercise this right of first refusal, in whole or in part, we may, within thirty (30) days from the expiration of such 30-day period, grant the development rights to any other person or persons on the same terms and conditions or we may elect to develop and construct any such Franchises in the Development Area. Further, in the event you fail or refuse to exercise your right of first refusal, this Area Development Agreement shall terminate.

V. DEFAULT

A. The territorial exclusivity granted to you in this Agreement has been granted in reliance on your representations and assurances, among others, that the conditions set forth in Sections I and III of this Area Development Agreement will be met by you in a timely manner.

B. You shall be deemed in default under this Agreement, and all rights granted herein shall automatically terminate without notice if you are adjudicated a bankrupt, become insolvent, suffer permanent or temporary court appointed receivership of substantially all of your property, make a general assignment for the benefit of creditors or suffer the filing of a voluntary or involuntary bankruptcy petition which is not dismissed within thirty (30) days after filing.

C. If you fail to meet the Development Schedule, fail to comply with any other terms and conditions of this Agreement or any Franchise Agreement and do not correct such failure within thirty (30) days after written notice of such failure to comply is delivered to you or commence such cure within the 30-day period and diligently pursue such cure to completion, make or attempt to make a transfer or assignment in violation of Section VII.B. hereof, make or have made any misrepresentation to us in connection with obtaining this Agreement, use the System or our Marks except pursuant to and in accordance with a valid and in effect Franchise Agreement, if you are convicted of a felony or any crime involving moral turpitude or upon completion of the Development Schedule, or you close one (1) or more of the Franchises, such action shall constitute a default under this Area Development Agreement. Upon any such default, we, in our discretion, may do any one or more of the following:

1. Terminate this Agreement and all rights granted hereunder without affording you any further opportunity to cure the default, effective immediately upon receipt of written notice by you;

2. Terminate the territorial exclusivity granted to you hereunder or reduce the Development Area granted you hereunder;

3. Develop the Development Area or license others to establish Franchises in the Development Area, except as may otherwise be provided under any Franchise Agreement which has been executed between us.

D. Upon termination of this Agreement, you shall have no right to establish or operate any Franchise for which a Franchise Agreement has not been executed by us. We shall be entitled to establish and to license others to establish Franchises in the Development Area except as may be otherwise provided under any Franchise Agreement which has been executed between us. No default under this Area Development Agreement shall constitute a default under any Franchise Agreement between the parties hereto.

E. No right or remedy herein conferred upon or reserved to us is exclusive of any other right or remedy provided or permitted by law or equity.

VI. TRANSFERABILITY

A. We shall have the right to transfer all or any part of our rights or obligations herein to any person or legal entity.

B. You understand and acknowledge that the rights and duties set forth in this Area Development Agreement are personal to you and are granted in reliance upon your personal qualifications, including financial condition. You have represented to us that you are entering into this Area Development Agreement with the intention of complying with your terms and conditions and not for the purpose of resale of the developmental rights hereunder. You shall not sell, pledge, assign or transfer any interest in this Area Development Agreement or in you or your entity without our prior written approval, which approval shall be granted on the same terms and conditions as set forth in Section 12 of the Franchise Agreement. You agree that any attempt to assign or transfer any interest in you, your entity, or in this Agreement without our prior written approval shall be deemed an event of default. All the terms and conditions of Section 12 of the Franchise Agreement with respect to transferability of interest, including, without limitation, transfers upon death or incapacity, shall apply to this Area Development Agreement.

IX. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

A. It is understood and agreed by the parties hereto that this Agreement does not create a fiduciary relationship between them, that nothing in this Area Development Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venturer, partner, employee or servant of the other for any purpose whatsoever. Each party to this Agreement is an independent contractor, and neither shall be responsible for the debts or liabilities incurred by the other.

B. You shall hold yourself out to the public to be an independent contractor operating pursuant to this Agreement and take such actions as shall be necessary to that end.

X. NON-WAIVER

No failure by us to exercise any power reserved to us in this Agreement or to insist upon compliance by you with any obligation or condition in this Area Development Agreement, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of our rights to demand exact compliance with the terms of this Agreement. Waiver by us of any particular default shall not affect or impair our right in respect to any subsequent default of the same or of a different nature, nor shall any delay, forbearance, or an omission of ours to exercise any power or right arising out of any breach or default by you of any of the terms, provisions, or covenants of this Agreement, affect or impair our rights, nor shall such constitute a waiver by us of any rights hereunder or rights to declare any subsequent breach or default.

XI. SEVERABILITY AND CONSTRUCTION

A. This Agreement shall be deemed severable.

B. Nothing in this Agreement shall confer upon any person or legal entity other than us or you and such of our respective successors and assigns as may be contemplated by Section VI hereof, any rights or remedies under or by reason of this Agreement.

XII. ENTIRE AGREEMENT-APPLICABLE LAW

This Agreement and all exhibits to this Agreement constitute the entire agreement between the parties and supersede any and all prior negotiations, understandings, representations, and agreement. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you. No amendment, modification or alteration of this Agreement shall be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing. This agreement shall be construed pursuant to the laws of the State of Alabama.

You acknowledge that you are entering into this Agreement as a result of your own independent investigation of our franchised business and not as a result of any representations about us made by our members, officers, directors, employees, agents, representatives, independent contractors, or franchisees that are contrary to the terms set forth in this Agreement, or in any disclosure document, prospectus, or other similar document required or permitted to be given to you pursuant to applicable law.

XIII. DISCLAIMER

A. You acknowledge that the success of the business venture contemplated by this Agreement involves substantial business risks and will be largely dependent upon your ability as an independent businessman.

We expressly disclaim the making of, and you acknowledge you have not received, any warranty or guarantee, express or implied, as to the potential volume, profits or success of the business venture contemplated by this Agreement.

B. You acknowledge that you have received, read and understood this Agreement and the attachments hereto, and that we have accorded you ample time and opportunity to consult with advisors of your own choosing about the potential benefits and risks of entering into this Agreement.

Arbitration shall be subject to and governed by Section 17.5 of the Franchise Agreement.

B. Notice of Dispute. The party alleging the dispute must provide the other party with written notice setting forth the alleged dispute in detail. The party who receives written notice alleging the dispute will have thirty (30) days after receipt of the written notice to resolve the dispute specified in the written notice. If the written notice alleges that you are delinquent in the payment of any fees or other payments payable to us, you will have ten (10) days to make full payment (including interest and administrative fees as provided for herein) to us.

XV. FORCE MAJEURE

If any party's performance of any obligation under this Agreement is prevented, hindered or delayed because of force majeure and not through any act or omission of such party, which cannot be overcome by use of normal commercial measures, the parties shall be relieved of their respective obligations to the extent the parties are respectively necessarily prevented, hindered or delayed in the performance during the period of force majeure. As used in this Agreement, the term "force majeure" shall mean any act of God, strike, lockout or other industrial disturbance, war (declared or undeclared), riot, epidemic, fire or other catastrophe, act of any government (including rejection of any license application) and any other similar cause not within the control of the affected party. The party whose performance is affected by an event of force majeure shall give prompt notice of the force majeure event to the other party by telephone or facsimile (in each case to be confirmed in writing) setting forth the nature of the event, an estimate as to your duration and a plan for resuming compliance with this Agreement, which the party shall promptly undertake and maintain with due diligence.

(c) In the event that any of the P.C.'s Providers shall violate any provision of this Section 10, the P.C.'s President shall immediately notify the Company of such activity and the P.C. shall immediately take all necessary and appropriate corrective action.

11. Proprietary Rights. The P.C. recognizes and acknowledges that all records, files, reports, protocols, policies, manuals, data bases, processes, procedures, computer systems, materials and other documents used by the Company in rendering services hereunder, or relating to the operations of the Company, belong to and shall remain the property of the Company, and constitute proprietary information and trade secrets that are valuable, special, and unique assets of the Company's business ("Confidential Information"). The P.C. shall not, and shall assure that each of its Providers shall not, during or after the term of this Agreement, disclose any Confidential Information of the Company, or the terms and conditions of this Agreement to any other firm, person, corporation, association, or other entity for any reason or purpose whatsoever, without the written consent of the Company or its respective affiliates.

(a) All works, discoveries and developments, whether or not copyrightable, relating to the Company's present, past or prospective activities, services and products ("Inventions") which are at any time conceived or reduced to practice by P.C. and/or any of its Providers, acting alone or in conjunction with others, in connection with the Company's management of the P.C. or, during the course of the P.C.'s employment or engagement of Providers (or, if based on or related to any Confidential Information, made by P.C. and/or any Provider during or after such management by the Company or employment or engagement by the P.C.) and all concepts and ideas known to P.C. or any Provider at any time during the Company's management of the P.C. which relate to the Company's present, past or prospective activities, services and products ("Concepts and Ideas") or any modifications thereof held by or known to P.C. and/or any Provider on the date of this Agreement or acquired by P.C. and/or any Provider

during the term of this Agreement shall be the property of the Company, free of any reserved or other rights of any kind on P.C. and/or any Provider's part with respect thereto, and P.C. and/or any such Provider hereby assign all rights therein to the Company.

(b) P.C. and/or its Providers shall promptly make full disclosure of any such Inventions, Concepts and Ideas or modifications thereof to the Company. Further, P.C. and/or its Providers shall, at the Company's cost and expense, promptly execute formal applications for copyrights and also do all other acts and things (including executing and delivering instruments of further assurance or confirmation) deemed by the Company to be necessary or desirable at any time or times in order to effect the full assignment to the Company of P.C. and/or its Providers' rights and title to such Inventions, Concepts and Ideas or modifications, without payment therefor and without further compensation. In order to confirm the Company's rights, P.C. and/or its Providers will also assign to the Company any and all copyrights and reproduction rights to any written material prepared by P.C. and/or its Providers in connection with the Company's management of the P.C. or the Providers' employment or engagement by the P.C. P.C. and/or its Providers further understand that the absence of a request by the Company for information, or for the making of an oath, or for the execution of any document, shall in no way be construed to constitute a waiver of the rights of the Company under this Agreement. This Agreement shall not be construed to limit in any way any "shop rights" or other common law or contractual rights of the P.C. or the Company in or to any Inventions, Concepts and Ideas or modifications which the Company has or may have by virtue of the Company's management activities hereunder or the P.C.'s engagement of its Providers.

12. Enforcement. The P.C. agrees that the restrictive covenants set forth in Sections 10 and 11 are reasonable in nature, duration and geographical scope. The P.C. further acknowledges that any violation of those restrictive covenants will cause the Company irreparable damage, which a monetary award would be inadequate to remedy, and that a court of competent jurisdiction may, in addition to monetary awards, enjoin any breach of, and enforce, such restrictive covenants by temporary restraining order, and preliminary and permanent injunctive relief without the need for the moving party to post any bond or surety. If a court determines that any of the restrictive covenants set forth in Sections 10 and 11 are unreasonable in nature, duration or geographic scope, then the P.C. agrees that such court shall reform such restrictive covenant so that such restrictive covenant is enforceable to the maximum extent permitted by law for a restrictive covenant of that nature, and such court shall enforce the restrictive covenant to that extent. If any court finds that the P.C. and/or any Provider has breached the restrictive covenants set forth in Section 10 above, then such restrictive covenants shall be extended for an additional period equal to the period of such breach.

13. Employment Agreements. The P.C. agrees that it shall impose by contract on each of its Providers the obligation to abide by the applicable terms and conditions of this Agreement, including the restrictive covenants specified above. The Company and its affiliates are intended to be third-party beneficiaries of such contracts and the Company may, in its sole discretion, be a signatory to such contracts for purposes of enforcing against Providers the terms and conditions of this Agreement. Any liquidated damages paid to the P.C. by Providers pursuant to contracts between the P.C. and such Providers shall be assigned by the P.C. and paid over to the Company (pursuant to this Management Agreement).

14. Term and Termination.

(a) The term of this Agreement shall be for fourteen (14) years commencing on the date first written above, unless sooner terminated as set forth herein, and shall automatically renew for successive one (1) year terms unless either party gives the other at least ninety (90) days prior written notice of its intention not to renew prior to the expiration of then current term.

(b) Either party may terminate this Agreement immediately upon the occurrence of any of the following events with regard to the other party: (i) the making of a general assignment for the benefit of creditors; (ii) the filing of a voluntary petition or the commencement of any proceeding by either party for any relief under any bankruptcy or insolvency laws, or any laws relating to the relief of debtors, readjustment of indebtedness, reorganization, composition or extension; (iii) the filing of any involuntary petition or the commencement of any proceeding by or against either party for any relief under any bankruptcy or insolvency laws, or any laws relating to the relief of debtors, readjustment of indebtedness, reorganization, composition or extension, which such petition or proceeding is not dismissed within ninety (90) days of the date on which it is filed or commenced; or (iv) suspension of the transaction of the usual business of either party for a period in excess of thirty (14) days.

(c) The Company may terminate this Agreement immediately upon any of the following events:

(i) The date of death of **[Name of sole shareholder/member]**;

(ii) The date **[Name of sole shareholder/member]** is determined by a court of competent jurisdiction to be incompetent, or permanently disabled so as to be unable to render any professional services;

(iii) The date **[Name of sole shareholder/member]** becomes disqualified under the Bylaws or Operating Agreement of the P.C. or applicable law to be a shareholder or member of the P.C.;

(iv) The date upon which any of the shares of stock or member units in the P.C. held by **[Name of sole shareholder/member]** are transferred or attempted to be transferred voluntarily, by operation of law or otherwise to any person;

(v) The date upon which **[Name of sole shareholder/member]** ceases to provide medical services in connection with the P.C.; or

(vi) The merger, consolidation, reorganization, sale, liquidation, dissolution, or other disposition of all or substantially all of the stock/member units or assets of the P.C.

(d) The Company may terminate this Agreement if the P.C. fails, within seven (7) days after receiving written notice from the Company, to remove from the Center any Provider who the Company determines has materially disrupted or interfered with the performance of the P.C.'s obligations hereunder. This provision shall not be construed as permitting the Company to control or impair the P.C.'s or the Providers' medical judgment, professional performance or patient care.

(e) The Company may terminate this Agreement immediately upon written notice to the P.C. in the event of termination for any reason of any of the following agreements: the Shareholder and Stock Transfer Restriction Agreement, the Company's operating agreement and/or the employment agreement between the P.C. and _____ **[Physician's Name]**.

(f) The Company may terminate this Agreement at any time, with or without cause, by giving the P.C. forty-five (45) days' prior written notice.

(g) Either party may terminate this Agreement upon thirty (30) days' prior written notice to the other party in the event of a material breach by the other party of any material term or

condition hereof, if such breach is not cured to the reasonable satisfaction of the non-breaching party within thirty (30) days after the non-breaching party has given notice thereof to the other party.

(h) Upon termination or expiration of this Agreement by either party, the P.C. shall pay the Company any amounts owed to the Company pursuant to Section 5 hereof as of the date of termination or expiration.

(i) Upon termination or expiration of this Agreement, the P.C. shall return to the Company any and all property of the Company which may be in the P.C.'s possession or under the P.C.'s control.

(j) If, in the opinion (the "Opinion") of nationally recognized health care counsel selected by the Company, it is determined that it is more likely than not that applicable legislation, regulations, rules or procedures (collectively referred to herein as a "Law") in effect or to become effective as of a date certain, or if the Company or the P.C. receives notice (the "Notice") of an actual or threatened decision, finding or action by any governmental or private agency or court (collectively referred to herein as an "Action"), which Law or Action, if or when implemented, would have the effect of subjecting either party to civil or criminal prosecution under state and/or federal laws, or other material adverse proceeding on the basis of their participation herein, then the Company or the P.C. shall provide such Opinion or Notice to the other party. The parties shall attempt in good faith to amend this Agreement to the minimum extent necessary in order to comply with such Law or to avoid the Action, as applicable, and shall utilize mutually agreed upon, joint, legal counsel to the extent practicable. If, within ninety (90) days of providing written notice of such Opinion or such Notice to the other party, the parties hereto acting in good faith are unable to mutually agree upon and make amendments or alterations to this Agreement to meet the requirements in question, or alternatively, the parties mutually determine in good faith that compliance with such requirements is impossible or unfeasible, then this Agreement shall be terminated without penalty, charge or continuing liability upon the earlier of the following: the date one hundred and eighty (180) days subsequent to the date upon which any party gives written notice to the other party, or the effective date upon which the Law or Action prohibits the relationship of the parties pursuant to this Agreement. In the event of a termination of this Agreement in accordance with this Section 14(h), then the restrictions contained in Section 10 of this Agreement shall be waived and shall be of no further effect.

15. Obligations After Termination. Except as otherwise provided herein or in any amendment hereto, following the effective date of termination of this Agreement:

(a) The Company shall continue to permit the P.C. or its authorized representatives to conduct financial audits relating to the period this Agreement was in effect;

(b) The P.C. shall cooperate with the Company to assure the appropriate transfer of patient cases and patient records;

(c) Both the Company and the P.C. shall cooperate in connection with the termination or assignment of provider contracts and other contractual arrangements; and

(d) Both the Company and the P.C. shall cooperate in the preparation of final financial statements and the final reconciliation of fees paid hereunder, which shall be calculated by the Company six (6) months after termination of this Agreement; provided that in the event of a termination of this Agreement by the Company pursuant to Section 14(b), (c), or (e), the P.C. and any such Provider shall forfeit its (or his/her) rights to any future payment from the Company under this or any other agreement between the parties, except as may otherwise be agreed upon by the Company in its sole discretion.

16. **Return of Proprietary Property and Confidential Information**. All documents, procedural manuals, guides, specifications, plans, drawings, designs, copyrights, service marks and trademark rights, computer programs, program descriptions and similar materials, lists of present, past or prospective patients, proposals, marketing and public relations materials, invitations to submit proposals, fee schedules and data relating to patients and the pricing of the Company's products and services, records, notebooks and similar repositories of or containing Confidential Information and Inventions (including all copies thereof) that come into P.C. and/or its Providers possession or control, whether prepared by P.C., its Providers, or others: (a) are the property of the Company, (b) will not be used by P.C. or its Providers in any way adverse to the Company or to the benefit of P.C. and/or its Providers, (c) will not be removed from the Company's Premises (except as P.C. and/or its Providers' duties hereunder require) and (d) at the termination of this Agreement or engagement of such Providers, will be left with, or forthwith returned and/or restored to the Company, and P.C. and such Providers shall discontinue use of such materials.

17. **Status of Parties**. In the performance of the work, duties and obligations under this Agreement, it is mutually understood and agreed that each party is at all times acting and performing as an independent contractor with respect to the other and that no relationship of partnership, joint venture or employment is created by this Agreement.

18. **Force Majeure**. Neither party shall be deemed to be in default of this Agreement if prevented from performing any obligation hereunder for any reason beyond its control, including but not limited to, Acts of God, war, civil commotion, fire, flood or casualty, labor difficulties, shortages of or inability to obtain labor, materials or equipment, governmental regulations or restrictions, or unusually severe weather. In any such case, the parties agree to negotiate in good faith with the goal of preserving this Agreement and the respective rights and obligations of the parties hereunder, to the extent reasonably practicable. It is agreed that financial inability shall not be a matter beyond a party's reasonable control.

19. **Notices**. Any notices to be given hereunder by either party to the other shall be deemed to be received by the intended recipient (a) when delivered personally, (b) the first business day following delivery to a nationally recognized overnight courier service with proof of delivery, or (c) three (3) days after mailing by certified mail, postage prepaid with return receipt requested, in each case addressed to the parties at the addresses set forth on page 1 above or at any other address designated by the parties in writing.

20. **Entire Agreement**. This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof. This Agreement may not be changed orally and may only be amended by an agreement in writing signed by both parties.

21. **No Rights in Third Parties**. This Agreement is not intended to, nor shall it be construed to, create any rights in any third parties, including, without limitation, in any Providers employed or engaged by the P.C. in connection with the Center.

22. **Governing Law**. This Agreement shall be construed and enforced under and in accordance with the laws of the State of _____, and venue for the commencement of any action or proceeding brought in connection with this Agreement shall be exclusively in the federal or state court in the State of _____, County of _____. **[Insert State where franchisee and P.C. / urgent care center are located.]**

23. **Severability**. If any provision of this Agreement shall be held by a court of competent jurisdiction to be contrary to law, that provision will be enforced to the maximum extent permissible and the remaining provisions of this Agreement will remain in full force and effect, unless to do so would result in either party not receiving the benefit of its bargain.

24. **Waiver**. The failure of a party to insist upon strict adherence to any term of this Agreement on any occasion shall not be considered a waiver or deprive that party of the right thereafter to that term or any other term of this Agreement.

25. **Rights Unaffected**. No amendment, supplement or termination of this Agreement shall affect or impair any rights or obligations which shall have theretofore matured hereunder.

26. **Interpretation of Syntax**. All references made, and pronouns used, herein shall be construed in the singular or plural, and in such gender, as the sense and circumstances require.

27. **Successors**. This Agreement shall be binding upon and shall inure to the benefit of the parties, their respective successors and assigns.

28. **Further Actions**. Each of the parties agrees that it shall hereafter execute and deliver such further instruments and do such further acts and things as may be necessary to carry out the intent and purpose of this Agreement and that are not inconsistent with the terms hereof.

29. **Non-Assignment**. The P.C. may not assign this Agreement except with the prior written approval of the Company. The Company may assign this Agreement.

30. **Access of the Government to Records**. To the extent that the provisions of Section 1861(v)(1)(I) of the Social Security Act [42 U.S.C. §1395x(v)(1)(I)] are applicable to this Agreement, the parties agree to make available, upon the written request of the Secretary of the Department of Health and Human Services or upon the request of the Comptroller General, or any of their duly authorized representatives, this Agreement, and other books, records and documents that are necessary to certify the nature and extent of costs incurred by them for services furnished under this Agreement. The obligations hereunder shall extend for four (4) years after furnishing of such services. The parties shall notify each other of any such request for records.

IN WITNESS WHEREOF, and intending to be legally bound, the parties hereto affix their signatures below and execute this Agreement under seal.

Business Associate further agrees to provide P.C. or an individual, as applicable, in a time and manner as prescribed by HIPAA regulations and the HITECH Act, such information collected in accordance with the subsection in response to a request for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528 or the HITECH Act. X. Remuneration for Protected Health Information. Unless approved by P.C. consistent with the exceptions set forth in Section 13405(d)(2) of the HITECH Act, Business Associate shall not directly or indirectly receive remuneration in exchange for any Protected Health Information of an individual unless P.C. has obtained from the individual a valid authorization that includes a specification of whether the Protected Health Information can be further exchanged for remuneration by the entity receiving the Protected Health Information of that individual.

XIII. Indemnification. Business Associate shall indemnify, defend and hold harmless the P.C. and its directors, officers, employees and agents from and against any and all third-party liabilities, costs, claims and losses including, without limitation, the imposition of civil penalties on the P.C. by HHS under HIPAA, arising from or relating to the breach by Business Associate or

any of its directors, officers, employees or agents (including subcontractors) of the terms of this Addendum.

XIV. Conflicting Terms. In the event of any terms of this Addendum conflict with any terms of the Agreement, the terms of this Addendum shall govern and control.

In recognition of the requirements applicable under California law relating to the practice of medicine, the parties to the attached "AFC Doctors Express" Management Agreement (the "Management Agreement") agree as follows:

1. In Section 4.9 of the Management Agreement, the last sentence of subsection 4.9(a) is deleted and subsection 4.9(b) is deleted in its entirety.

2. In Section 5.1 of the Management Agreement, Section 5.1(a) is deleted in its entirety and is replaced with the following new Section 5.1(a):

CONVERSION ADDENDUM

CONVERSION ADDENDUM TO THE AFC FRANCHISING, LLC FRANCHISE AGREEMENT

THIS CONVERSION ADDENDUM to the AFC Franchising, LLC Franchise Agreement ("**Franchise Agreement**") by and between AFC Franchising, LLC ("AFCF" or "us" or "we") and _____ ("Franchisee" or "you") is entered into simultaneously with the Franchise Agreement.

Preamble and Background

A. You currently own and operate an existing urgent care center at the Premises ("**Existing Center**"), and you wish to convert the Existing Center to an "American Family Care Urgent Care Center" and to manage it under our system for the development and management of urgent care centers.

B. You and we entered in to the Franchise Agreement for this purpose, and are also entering into this Addendum to modify certain terms of the Franchise Agreement to provide for the conversion of the Existing Center to an "American Family Care Urgent Care Center," and to reflect that the Franchised Business described in the Franchise Agreement is for you to manage the converted urgent care center as an "American Family Care" urgent care management business (the "**Franchised Business**").

C. All capitalized terms in this Addendum will have the same meaning as in the Franchise Agreement.

NOW, THEREFORE, the parties, intending to be legally bound, agree as follows:

1. The Premises and Approved Location. The Existing Center is the Approved Location, which is identified in Exhibit A of the Franchise Agreement. The second sentence of Section 1.1 and the first two paragraphs of Section 2.1 of the Franchise Agreement are deleted. The Site Selection Addendum is not applicable and we will not provide you with any site selection assistance.

2. Initial Franchise Fee. Paragraph four of Exhibit A of the Franchise Agreement is deleted and replaced by the following:

   "4. The initial franchise fee shall be: Forty-One Thousand Two Hundred Fifty Dollars ($41,250).

3. Conversion of Existing Center. Notwithstanding anything to the contrary in the Franchise Agreement, the parties acknowledge and agree that, as you are converting the Existing Center and not developing a new urgent care center, we will not be providing you with the assistance described in Sections 2.2(a) (regarding site plans for new development) and 2.2(b) (regarding assistance with permitting requirements). The parties further agree to the following:

a. We will evaluate the Existing Center and your business operations that manage and support the Existing Center, and will prepare and provide you with a schedule of required modifications and upgrades to the Existing Center and your business operations, which you must complete in order to convert the Existing Center to an "American Family Care Urgent Care Center" and to manage your center as an "American Family Care" urgent care center management business. Such changes and upgrades may include, without limitation: modifications and upgrades to patient waiting areas, registration areas, and patient rooms; installing new fixtures, furnishings, and signage; purchasing and adding to the Existing Center new and/or upgraded equipment for medical and health occupational treatment and care or other Operating Assets; upgrading and/or replacing your computer equipment to comply with our specifications for Computer Systems; and removal of fixtures, furnishings, and equipment that do not comply with our required standards and specifications (together, the "**Conversion Plan**").

b. You must not operate the Franchised Business or otherwise operate the Existing Center using the Marks until you have completed the Conversion Plan and obtained our written approval and are otherwise in compliance with Section 2.5 of the Franchise Agreement.

c. The parties agree that references in the Franchise Agreement to "opening the Franchised Business", "open the Franchised Business for business," or similar references will mean the date on which you first begin to operate the Franchised Business with the public under the identification of the Marks after having received our written approval to do so. You must complete the Conversion Plan, complete all other pre-opening requirements of the Franchise Agreement (including, without limitation, training requirements), have obtained our written approval to begin operating the Franchised Business, and have begun operating the Franchise Business with the public under the identification of the Marks by no later than six (6) months from the Effective Date of the Franchise Agreement.

4. Royalty and Marketing Fund Contributions. You and we agree that your Royalty obligations under Section 3.2 and Marketing Fund Contributions under Section 9.2 of the

Franchise Agreement will begin upon the Opening Date, based on the Franchised Business' Gross Sales beginning as of the Opening Date.

5. Additional Acknowledgements. You represent and warrant that neither you nor the Existing Center were associated with, a party to a contract with or otherwise obligated to any third party pursuant to a license, franchise, joint venture, marketing or other such agreement.

6. Integration and Effect. This Addendum is an integral part of, and be incorporated into, the Franchise Agreement as if fully set forth therein. The provisions of this Addendum will govern, control, and supersede any inconsistent or conflicting provisions of the Franchise Agreement. Except as expressly modified by this Addendum, the Franchise Agreement remains in full force and effect.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound hereby have duly executed this Addendum to the Franchise Agreement.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

Note 1 - Description of Business

On April 15, 2013, AFC Franchising, LLC ("the Company"), an Alabama limited liability company and wholly-owned subsidiary of American Family Care, Inc. acquired certain assets and liabilities of DRX Urgent Care, LLC. The acquisition was paid for with cash and a note payable to DRX Urgent Care, LLC.

The Company is a national accessible primary and urgent care franchise system. The business offers and sells franchises and provides products and support to its franchisees. The franchised urgent care centers provide various levels of patient care services provided by a physician which include urgent and/or accessible primary care. As of November 30, 2017 and 2016, the Company had a total of 123 and 101, respectively, operating franchised urgent care centers.

The Company franchises urgent care centers located across the United States. The Company currently does not operate any urgent care centers. The franchised centers operate under a franchise agreement with an initial term expiring 15 years from the effective date of the franchise agreement.

Note 2 - Summary of Significant Accounting Policies

Estimates and Assumptions
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements. Actual results could differ from those estimates.

Fair Value of Financial Instruments
Fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability and establishes a fair value hierarchy. The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

Level 1- Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access.

Note 2 – Summary of Significant Accounting Policies – Continued

Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 – Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

In instances where the determination of the fair value measurement is based on inputs from different levels of fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Cash and Cash Equivalents

For purposes of reporting cash and cash equivalents, the Company considers all highly liquid debt instruments purchased with original maturities of 90 days or less to be cash equivalents.

Restricted Cash

Certain amounts of cash are restricted for use in accordance with purposes set forth within the franchise agreements.

Concentrations and Credit Risk

The Company maintains checking accounts with quality financial institutions. At times, cash balances may exceed the amount insured by the Federal Deposit Insurance Corporation.

Accounts Receivable

Accounts receivable are recorded when invoices are issued and are presented on the balance sheet net of the allowance for doubtful accounts. The allowance for doubtful accounts is maintained in amounts required to cover anticipated losses on historical bad debt and periodic evaluation by the Company's management.

Intangible Assets

The Company evaluates the recoverability of identifiable intangible assets whenever events or changes in circumstances indicate that an asset's carrying amount may not be recoverable. Such circumstances could include, but are not limited to, a significant decrease in the market value of an asset or a significant adverse change in the extent or manner in which an asset is used or in its physical condition. The Company measures the carrying amount of the asset against the estimated undiscounted future cash flows associated with the asset. Should the sum of the expected future cash flows be less than the carrying value of the asset being evaluated, an impairment loss would be recognized.

Note 2 - Summary of Significant Accounting Policies - Continued

The impairment loss would be calculated as the amount by which the carrying value of the asset exceeds the fair value of the asset. The fair value is measured based on various valuation techniques, including the discounted value of estimated future cash flows. The evaluation of asset impairment requires the Company to make assumptions about future cash flows over the life of the asset being evaluated. These assumptions require significant judgment and actual results may differ from assumed and estimated amounts. Intangibles that do not have indefinite lives are amortized on a straight-line basis over the estimated useful life of the assets.

Goodwill

In January 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-02, Intangibles – Goodwill and Other. This update provides private companies certain alternative guidance regarding accounting for Goodwill. Specifically, the update provides an option to private companies to adopt guidance for the amortization of goodwill and alternative requirements for testing goodwill impairment.

Under the goodwill alternative, a nonpublic entity is able to amortize goodwill on a straight-line basis over a period of ten years or over a shorter period if the company demonstrates that another useful life is more appropriate. Goodwill would be subject to impairment testing only upon the occurrence of a triggering event. The Company adopted this guidance for the year ended November 30, 2014 and the Company chose a ten year useful life. Goodwill amortization for both years ended November 30, 2017 and 2016 was $555,100. Goodwill amortization expense per year for the next five years will be $555,100.

Accrued Marketing Fund

The Company collects fees from franchisees which are used for advertising, marketing, and public relations programs. In accordance with the franchise agreements, all fees collected must be used for these programs. Accumulated fees collected in excess of program costs are classified as current liabilities on the balance sheet. As of November 30, 2017 and 2016, the accrued marketing fund was $1,291,686 and $1,324,407, respectively.

Accrued Franchise Advisory Council Fund

The Company collects fees from franchisees which are used for Franchise Advisory Council. The Fund is utilized to facilitate best practices amongst the franchisees. In accordance with the franchise agreements, all fees collected must be used for the council. Accumulated fees collected in excess of council costs are classified as current liabilities on the balance sheet. As of November 30, 2017 and 2016, the Franchise Advisory Council Fund was $31,523 and $10,842, respectively.

Initial Franchise Fees, Deferred Income and Prepaid Commissions

Upon execution of a franchise agreement, the franchisee is required to pay an initial non-refundable franchise fee to the Company. The fee is recorded as deferred income until the franchisee's center has opened for operations and the Company has performed substantially all initial services required by the franchise agreement, at which time the deferred income is recognized as revenue and the prepaid initial service costs are recognized as expense. The commission expense associated with the sale of an initial franchise license is recorded as a deduction of deferred revenue until the franchisee's center has opened for operations, at which time the prepaid commission is recognized as expense. For the years ended November 30, 2017 and 2016, $1,100,000 and $555,000 were recognized as revenue, respectively, and $425,750 and $195,750 were recognized as commissions expense, respectively.

Income Taxes

The Company is treated as a single member limited liability company for federal income tax purposes. Consequently, federal income taxes are not payable, or provided for, by the Company. The sole member is taxed individually on the Company's earnings.

If the Company takes uncertain tax positions that do not meet the recognition criteria, it records a liability for the underpayment of income taxes and related interest and penalties. As part of the asset purchase, no tax assets or liabilities were assumed. Therefore, the Company recognized no liability for uncertain tax positions as of the balance sheet date.

Note 3 - Acquisition

Effective April 15, 2013, the Company acquired substantially all the assets and assumed certain liabilities of DRX Urgent Care, LLC. The purchase price paid by the Company was $8,000,000. The acquisition of DRX Urgent Care, LLC has been accounted for as a business combination using the acquisition method of accounting, whereby the purchase price has been allocated to tangible and intangible assets acquired and liabilities assumed, based on their estimated fair market values. Fair-value measurements have been applied based on assumptions that market participants would use in the pricing of the asset or liability. The following table summarizes the fair values assigned to the net assets acquired as of the April 15, 2013 acquisition date.

Total Consideration:	$ 8,000,000
Fair Value of Assets Acquired and Liabilities Assumed:	
Restricted cash	402,313
Tradename	868,000
Franchise agreements	1,581,000
Marketing fund	(394,808)
Franchise Advisory Council fund	(7,505)
Net assets acquired	2,449,000
Excess Purchase Price Attributed to Goodwill	$ 5,551,000

No liabilities were assumed associated with legal contingencies as part of the acquisition. Additionally, as part of the asset purchase, no tax assets or liabilities were assumed.

Note 4 - Notes Receivable

The Company entered into a Settlement Agreement and Release (the "Release") with a franchisee effective November 30, 2014. The franchisee wanted to terminate their Franchise Agreement with the Company. The Release terminated the Franchise Agreement, and the franchisee agreed to pay the Company $400,000. The Franchisee paid $50,000 on December 3, 2014 with the remainder being paid in 167 equal weekly payments of $2,303, inclusive of interest at 6%. The note matures in March 2018.

During 2016 the Company entered into two note agreements with franchisees. The Company provided operating cash and rolled certain accounts receivable into the notes. The notes bear interest at 6% and will be paid in weekly installments totaling $4,153. The notes mature through July 2019.

At November 30, 2017 and 2016, the Notes Receivable balance totaled $143,885 and $262,185, respectively.

Payments due on Notes receivable over the next two years ending November 30 are as follows:

2018	$ 117,468
2019	26,417
	$ 143,885

Note 5 - Intangible Assets

Intangible assets as of November 30, 2017 and 2016 consist of tradename, franchise agreements and master territory buyback agreements. Balances and related accumulated amortization for these assets are as follows:

	2017	2016
Tradename	$ 868,000	$ 868,000
Master territory buyback agreements	217,500	217,500
Franchise agreements	1,581,000	1,581,000
	2,666,500	2,666,500
Accumulated amortization	(544,267)	(424,367)
Net intangible assets	$ 2,122,233	$ 2,242,133

The tradename is an indefinite lived asset. The franchise agreements and master territory buyback agreements have a life of 15 years. Amortization expense on intangible assets was $119,900 for both years ended November 30, 2017 and 2016, respectively. Amortization expense per year for the next five years will be $119,900.

Note 6 - Commitments and Contingencies

The Company records accruals for contingencies when it is probable that a liability will be incurred and the amount of loss can be reasonably estimated. There can be no assurance there will not be an increase in the scope of these matters or that any future or pending lawsuits, claims, proceedings, or investigations will not be material.

The Company is currently involved as a defendant in certain legal actions. The ultimate outcome of such actions cannot be determined at this time. However, in view of available defenses, insurance coverage, the opinion of management and legal counsel and other factors, such outcome is not expected to have a material effect on the combined financial condition of the Company.

Note 1 - Description of Business

On April 15, 2013, AFC Franchising, LLC ("the Company"), an Alabama limited liability company and wholly-owned subsidiary of American Family Care, Inc. acquired certain assets and liabilities of DRX Urgent Care, LLC. The acquisition was paid for with cash and a note payable to DRX Urgent Care, LLC.

The Company is a national accessible primary and urgent care franchise system. The business offers and sells franchises and provides products and support to its franchisees. The franchised urgent care centers provide various levels of patient care services provided by a physician which include urgent and/or accessible primary care. As of November 30, 2016 and 2015, the Company had a total of 101 and 91, respectively, operating franchised urgent care centers.

The Company franchises urgent care centers located across the United States. The Company currently does not operate any urgent care centers. The franchised centers operate under a franchise agreement with an initial term expiring 15 years from the effective date of the franchise agreement.

Note 2 - Summary of Significant Accounting Policies

Estimates and Assumptions
The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements. Actual results could differ from those estimates.

Fair Value of Financial Instruments
Fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability and establishes a fair value hierarchy. The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

Level 1- Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access.

Note 2 – Summary of Significant Accounting Policies – Continued

Level 2 – Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics, or discounted cash flows.

Level 3 – Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

In instances where the determination of the fair value measurement is based on inputs from different levels of fair value hierarchy, the level in the fair value hierarchy within which the entire fair value measurement falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Cash and Cash Equivalents

For purposes of reporting cash and cash equivalents, the Company considers all highly liquid debt instruments purchased with original maturities of 90 days or less to be cash equivalents.

Restricted Cash

Certain amounts of cash are restricted for use in accordance with purposes set forth within the franchise agreements.

Concentrations and Credit Risk

The Company maintains checking accounts with quality financial institutions. At times, cash balances may exceed the amount insured by the Federal Deposit Insurance Corporation.

Accounts Receivable

Accounts receivable are recorded when invoices are issued and are presented on the balance sheet net of the allowance for doubtful accounts. The allowance for doubtful accounts is maintained in amounts required to cover anticipated losses on historical bad debt and periodic evaluation by the Company's management.

Intangible Assets

The Company evaluates the recoverability of identifiable intangible assets whenever events or changes in circumstances indicate that an asset's carrying amount may not be recoverable. Such circumstances could include, but are not limited to, a significant decrease in the market value of an asset or a significant adverse change in the extent or manner in which an asset is used or in its physical condition. The Company measures the carrying amount of the asset against the estimated undiscounted future cash flows associated with the asset. Should the sum of the expected future cash flows be less than the carrying value of the asset being evaluated, an impairment loss would be recognized.

Note 2 - Summary of Significant Accounting Policies - Continued

The impairment loss would be calculated as the amount by which the carrying value of the asset exceeds the fair value of the asset. The fair value is measured based on various valuation techniques, including the discounted value of estimated future cash flows. The evaluation of asset impairment requires the Company to make assumptions about future cash flows over the life of the asset being evaluated. These assumptions require significant judgment and actual results may differ from assumed and estimated amounts. Intangibles that do not have indefinite lives are amortized on a straight-line basis over the estimated useful life of the assets.

Goodwill

In January 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-02, Intangibles – Goodwill and Other. This update provides private companies certain alternative guidance regarding accounting for Goodwill. Specifically, the update provides an option to private companies to adopt guidance for the amortization of goodwill and alternative requirements for testing goodwill impairment.

Under the goodwill alternative, a nonpublic entity is able to amortize goodwill on a straight-line basis over a period of ten years or over a shorter period if the company demonstrates that another useful life is more appropriate. Goodwill would be subject to impairment testing only upon the occurrence of a triggering event. The Company adopted this guidance for the year ended November 30, 2014 and the Company chose a ten year useful life. Goodwill amortization for both years ended November 30, 2016 and 2015 was $555,100. Goodwill amortization expense per year for the next five years will be $555,100.

Accrued Marketing Fund

The Company collects fees from franchisees which are used for advertising, marketing, and public relations programs. In accordance with the franchise agreements, all fees collected must be used for these programs. Accumulated fees collected in excess of program costs are classified as current liabilities on the balance sheet. As of November 30, 2016 and 2015, the accrued marketing fund was $1,324,407 and $1,517,390, respectively.

Accrued Franchise Advisory Council Fund

The Company collects fees from franchisees which are used for Franchise Advisory Council. The Fund is utilized to facilitate best practices amongst the franchisees. In accordance with the franchise agreements, all fees collected must be used for the council. Accumulated fees collected in excess of council costs are classified as current liabilities on the balance sheet. As of November 30, 2016 and 2015, the Franchise Advisory Council Fund was $10,842 and $14,719, respectively.

Initial Franchise Fees, Deferred Income and Prepaid Commissions

Upon execution of a franchise agreement, the franchisee is required to pay an initial non-refundable franchise fee to the Company. The fee is recorded as deferred income until the franchisee's center has opened for operations and the Company has performed substantially all initial services required by the franchise agreement, at which time the deferred income is recognized as revenue and the prepaid initial service costs are recognized as expense. The commission expense associated with the sale of an initial franchise license is recorded as a deduction of deferred revenue until the franchisee's center has opened for operations, at which time the prepaid commission is recognized as expense. For the years ended November 30, 2016 and 2015, $555,000 and $540,000 were recognized as revenue, respectively, and $195,750 and $133,750 were recognized as commissions expense, respectively.

Income Taxes

The Company is treated as a single member limited liability company for federal income tax purposes. Consequently, federal income taxes are not payable, or provided for, by the Company. The sole member is taxed individually on the Company's earnings.

If the Company takes uncertain tax positions that do not meet the recognition criteria, it records a liability for the underpayment of income taxes and related interest and penalties. As part of the asset purchase, no tax assets or liabilities were assumed. Therefore, the Company recognized no liability for uncertain tax positions as of the balance sheet date.

Note 3 - Acquisition

Effective April 15, 2013, the Company acquired substantially all the assets and assumed certain liabilities of DRX Urgent Care, LLC. The purchase price paid by the Company was $8,000,000. The acquisition of DRX Urgent Care, LLC has been accounted for as a business combination using the acquisition method of accounting, whereby the purchase price has been allocated to tangible and intangible assets acquired and liabilities assumed, based on their estimated fair market values. Fair-value measurements have been applied based on assumptions that market participants would use in the pricing of the asset or liability. The following table summarizes the fair values assigned to the net assets acquired as of the April 15, 2013 acquisition date.

Total Consideration:	$ 8,000,000
Fair Value of Assets Acquired and Liabilities Assumed:	
Restricted cash	402,313
Tradename	868,000
Franchise agreements	1,581,000
Marketing fund	(394,808)
Franchise Advisory Council fund	(7,505)
Net assets acquired	2,449,000
Excess Purchase Price Attributed to Goodwill	$5,551,000

No liabilities were assumed associated with legal contingencies as part of the acquisition. Additionally, as part of the asset purchase, no tax assets or liabilities were assumed.

Note 4 - Notes Receivable

The Company entered into a Settlement Agreement and Release (the "Release") with a franchisee effective November 30, 2014. The franchisee wanted to terminate their Franchise Agreement with the Company. The Release terminated the Franchise Agreement, and the franchisee agreed to pay the Company $400,000. The Franchisee paid $50,000 on December 3, 2014 with the remainder being paid in 167 equal weekly payments of $2,303, inclusive of interest at 6%. The note matures in March 2018.

During 2016 the Company entered into two note agreements with franchisees. The Company provided operating cash and rolled certain accounts receivable into the notes. The notes bear interest at 6% and will be paid in weekly installments totaling $4,153. The notes mature through July 2019.

At November 30, 2016 and 2015, the Notes Receivable balance totaled $262,185 and $258,341, respectively.

Payments due on Notes receivable over the next three years ending November 30 are as follows:

2017	$ 155,151
2018	80,617
2019	26,417
	$ 262,185

Note 5 - Intangible Assets

Intangible assets as of November 30, 2016 and 2015 consist of tradename, franchise agreements and master territory buyback agreements. Balances and related accumulated amortization for these assets are as follows:

	2016	2015
Tradename	$ 868,000	$ 868,000
Master territory buyback agreements	217,500	217,500

Net intangible assets	$ 2,242,133	$ 2,362,033

The tradename is an indefinite lived asset. The franchise agreements and master territory buyback agreements have a life of 15 years. Amortization expense on intangible assets was $119,900 for both years ended November 30, 2016 and 2015, respectively. Amortization expense per year for the next five years will be $119,900.

Note 6 - Commitments and Contingencies

The Company records accruals for contingencies when it is probable that a liability will be incurred and the amount of loss can be reasonably estimated. There can be no assurance there will not be an increase in the scope of these matters or that any future or pending lawsuits, claims, proceedings, or investigations will not be material.

The Company is currently involved as a defendant in certain legal actions. The ultimate outcome of such actions cannot be determined at this time. However, in view of available defenses, insurance coverage, the opinion of management and legal counsel and other factors, such outcome is not expected to have a material effect on the combined financial condition of the Company.

Note 7 - Advertising Costs

Advertising costs are charged to operations as incurred, and for the year ended November 30, 2016 and 2015 advertising costs were $519,428 and $366,746, respectively.

Note 8 - Related Party Transactions

Excess cash generated from operations has been advanced to the sole member and an affiliate owned by the sole member. At November 30, 2016 and 2015, the amount due from the sole member was $275,331 and $946,655, respectively.

The Company paid a management fee to the sole member for certain general and administrative tasks performed. The management fees paid were $420,000 for both years ended November 30, 2016 and 2015, respectively.

Note 9 - Subsequent Events

Management has evaluated all subsequent events through February 15, 2017, which is the date the financial statements were available to be issued, and concluded no events or transactions occurred during the period requiring recognition or disclosure.

Note 10 – Reclassifications

Certain reclassifications have been made to the 2015 financial statements in order to conform to the current year's format. Member's equity and net income remain unchanged due to these classifications.

California Disclosure

In recognition of the requirements of the California Franchise Investment Law, Cal. Corp. Code §§ 31000-31516, and the California Franchise Relations Act, Cal. Bus. & Prof. Code §§ 20000-20043, the Disclosure Document for AFC Franchising, LLC in connection with the offer and sale of franchises for use in the State of California shall be amended to include the following:

1. Our website, www.doctorsexpress.com, has not been reviewed or approved by the California Department of Business Oversight. Any complaints concerning the content of this website may be directed to the California Department of Business Oversight at www.dbo.ca.gov.

2. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

3. SECTION 31125 OF THE CALIFORNIA CORPORATIONS CODE REQUIRES US TO GIVE YOU A DISCLOSURE DOCUMENT, IN A FORM CONTAINING THE INFORMATION THAT THE COMMISSIONER MAY BY RULE OR ORDER REQUIRE, BEFORE A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

4. YOU MUST SIGN A GENERAL RELEASE IF YOU RENEW OR TRANSFER YOUR FRANCHISE. CALIFORNIA CORPORATIONS CODE § 31512 VOIDS A WAIVER OF YOUR RIGHTS UNDER THE FRANCHISE INVESTMENT LAW (CALIFORNIA CORPORATIONS CODE §§ 31000 THROUGH 31516). BUSINESS AND PROFESSIONS CODE § 20010 VOIDS A WAIVER OF YOUR RIGHTS UNDER THE FRANCHISE RELATIONS ACT (BUSINESS AND PROFESSIONS CODE §§ 20000 THROUGH 20043).

5. In Item 3, "Litigation," shall be amended by the addition of the following paragraphs:

Pursuant to California law, this Item does not include any information regarding the arrest of any person(s) that did not result in a conviction or plea of nolo contendere.

Neither we, nor any person identified in Item 2 above, is subject to any currently effective order of any national securities association or national securities exchange (as defined in the Securities and Exchange Act of 1934, 15 U.S.C. § 78a, et seq.) suspending or expelling such person from membership in such association or exchange.

6. In Item 4, "Bankruptcy," shall be amended by the addition of the following paragraph:

Neither we nor any affiliates, parents, predecessors, officers, or any other individual who will have management responsibility relating to the sale or operation of the franchises being offered in this franchise disclosure document has been involved as a debtor in proceedings under the U.S. Bankruptcy Code or any foreign bankruptcy laws required to be disclosed in this Item.

7. Item 17, "Renewal, Termination, Transfer and Dispute Resolution," shall be amended by the addition of the following paragraph(s) at the conclusion of the Item:

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement and Area Development Agreement provide for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C. § 101,

et seq.).

The Franchise Agreement and Area Development Agreement contain a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement and Area Development Agreement require application of the laws of the State of Alabama. This provision may not be enforceable under California law.

The Franchise Agreement requires non-binding mediation before arbitration. You and we will bear our own costs in the mediation and you and we will each bear one-half the cost of the mediator or mediation service. The Franchise Agreement and Area Development Agreement provide that except for certain claims, all disputes must be arbitrated in Birmingham, Alabama. This provision may not be enforceable under California law.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement or area development agreement restricting venue to a forum outside the State of California.

8. Item 19, "Financial Performance Representations," is amended by the addition of the following paragraph:

The earnings claims figures do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchise business. Franchisees or former franchisees, listed in the offering circular, may be one source of this information.

9. California Laws Regarding the Practice of Medicine:

You are responsible for complying with all laws that apply to your Franchised Business and the Center that you manage, including those relating to the medical industry, which is heavily regulated. To assist you in your efforts, we provide the following additional information to facilitate your evaluation of a potential franchised business in California:

If you will operate within California, one of the laws that will apply to you and which you should evaluate is the California Medical Practice Act, which includes certain prohibitions against the corporate practice of medicine. The Medical Board of California is a state government agency which licenses and disciplines medical doctors in California. The California laws governing the practice of medicine and other allied health care professions that are regulated by the California Medical Board are contained in the California Business and Professions Code. Additional information regarding the Medical Board and the California Medical Practice Act may be found on the California Medical Board's website at http://www.medbd.ca.gov/.

We strongly advise that you consult with an attorney who is familiar with these laws and regulations, and/or contact local, state and federal agencies before signing a Franchise Agreement with us, or a Management Agreement with a PC, to determine your legal obligations and evaluate the possible effects on your costs and operations.

Illinois Disclosure

In recognition of the requirements of the Illinois Franchise Disclosure Act, Ill. Comp. Stat. §§ 705/1 to 705/44, the Disclosure Document for AFC Franchising, LLC for use in the State of Illinois will be amended as follows:

1. The "Summary" section of Item 17 (v), entitled Choice of Forum, is amended by adding the following language:

> However, any provision in the Franchise Agreement and Area Development Agreement that designate jurisdiction or venue in a forum outside of the State of Illinois is void under section 4 of the current Illinois Franchise Disclosure Act, although the Franchise Agreement and Area Development Agreement may provide for arbitration in a forum outside of the State of Illinois.

2. The "Summary" section of Item 17 (w), entitled Choice of Law, is amended by adding the following language:

> However, except for federal law, Illinois law applies.

3. Section 41 of the Illinois Franchise Disclosure Act states that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of the Act is void.

4. Each section above in this addendum will be effective only if (and then to the extent) that the jurisdictional requirements of the Illinois Franchise Disclosure Act are independently met (i.e, by facts and not simply by referencing this addendum).

Indiana Disclosure

In recognition of the requirements of the Indiana Franchise Law and the Indiana Deceptive Franchise Practices Act, the Disclosure Document for AFC Franchising, LLC for use in the State of Indiana will be amended as follows:

Indiana Code 23-2-2.7-1(7) makes unlawful unilateral termination of a franchise, unless there is a material violation of the Franchise Agreement and Area Development Agreement and termination is not in bad faith. Indiana Code 23-2-2.7-1(5) prohibits a prospective general release of claims subject to the Indiana Deceptive Trade Practices Law, I.C. 23-2-2.5.

The post-term covenants against competition in the Franchise Agreement and Area Development Agreement may not be enforceable under Indiana law.

Item 8 of the Disclosure Document is amended to provide that we will promptly account for and transmit to franchisees in Indiana any revenues or other benefit received as a result of any required purchases from approved suppliers by Indiana franchisees. We may, however, obtain a rebate, or other benefits, as compensation for services rendered by us, which may include without limitation, efforts in negotiating, establishing and maintaining group purchasing and supplier arrangements.

The risk factors on the cover page state that Alabama law governs the franchise agreement and Area Development Agreement. This provision will not apply with respect to any cause of action which otherwise is enforceable in the State of Indiana pursuant to the Indiana Franchise Law and the Indiana Deceptive Franchise Practices Act.

To the extent any Item of this Disclosure Document conflicts with Indiana Code 23-2-2.5 and 2.7, such Indiana statutes govern.

Each section above in this addendum will be effective only if (and then to the extent) that the jurisdictional requirements of the Indiana Franchise Law and the Indiana Deceptive Franchise Practices Act are independently met (i.e., by facts and not simply by referencing this addendum).

Maryland Disclosure

In recognition of the requirements of the Maryland Franchise Registration and Disclosure Law, the Disclosure Document for AFC Franchising, LLC for use in the State of Maryland shall be amended as follows:

1. Item 17, "Renewal, Termination, Transfer and Dispute Resolution," shall be amended by the addition of the following language:

The general releases required for renewal or transfer will not apply with respect to any claim you may have which arises under the Maryland Franchise Registration and Disclosure Law.

Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

The Franchisee may sue in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

2. Item 17, "Renewal, Termination, Transfer and Dispute Resolution," shall be amended by the addition of the following language to the summary of Provision "h":

Termination upon bankruptcy may not be enforceable under federal bankruptcy law, 11 U.S.C. Section 101 et seq.

3. Exhibit N, "Franchisee Compliance Certification," shall be amended by the addition of the following at the end of Exhibit N:

The representations under this Franchisee Compliance Certification are not intended, nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

4. Each provision of this addendum to the disclosure document shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Maryland Franchise Registration and Disclosure Law are met independently without reference to this addendum to the disclosure document.

THIS SHALL NOT PRECLUDE A FRANCHISEE, AFTER ENTERING INTO A FRANCHISE AGREEMENT OR AREA DEVELOPMENT AGREEMENT, FROM SETTLING ANY AND ALL CLAIMS.

(C) A PROVISION THAT PERMITS A FRANCHISOR TO TERMINATE A FRANCHISE PRIOR TO THE EXPIRATION OF ITS TERM EXCEPT FOR GOOD CAUSE. PERSONALIZED MATERIALS WHICH HAVE NO VALUE TO THE FRANCHISOR AND INVENTORY, SUPPLIES, EQUIPMENT, FIXTURES, AND FURNISHINGS NOT REASONABLY REQUIRED IN THE CONDUCT OF THE FRANCHISED BUSINESS ARE NOT SUBJECT TO COMPENSATION. (H) A PROVISION THAT REQUIRES THE FRANCHISEE TO RESELL TO THE FRANCHISOR ITEMS THAT ARE NOT UNIQUELY IDENTIFIED WITH THE FRANCHISOR. THIS SUBDIVISION DOES NOT PROHIBIT A PROVISION THAT GRANTS TO A FRANCHISOR A RIGHT OF FIRST REFUSAL TO PURCHASE THE ASSETS OF A FRANCHISE ON THE SAME TERMS AND CONDITIONS AS A BONA FIDE THIRD PARTY WILLING AND ABLE TO PURCHASE THOSE ASSETS, NOR DOES THIS SUBDIVISION PROHIBIT A PROVISION THAT GRANTS THE FRANCHISOR THE RIGHT TO ACQUIRE THE ASSETS OF A FRANCHISE FOR THE MARKET OR APPRAISED VALUE OF SUCH ASSETS IF THE FRANCHISEE HAS BREACHED THE LAWFUL PROVISIONS OF THE FRANCHISE AGREEMENT AND HAS FAILED TO CURE THE BREACH IN THE MANNER PROVIDED IN SUBDIVISION (C).

(I) A PROVISION WHICH PERMITS THE FRANCHISOR TO DIRECTLY OR INDIRECTLY CONVEY, ASSIGN, OR OTHERWISE TRANSFER ITS OBLIGATIONS TO FULFILL CONTRACTUAL OBLIGATIONS TO THE FRANCHISEE UNLESS PROVISION HAS BEEN MADE FOR PROVIDING THE REQUIRED CONTRACTUAL SERVICES.

* * * *

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

1. Item 17, "Renewal, Termination, Transfer and Dispute Resolution," for both the Franchise Agreement and the Area Development Agreement, shall be amended by the addition of the following paragraphs at the conclusion of the Item:

The state of Washington has a statute, RCW 19.100.180, which may supersede the franchise agreement or area development agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise or area development agreement. There may also be court decisions which may supersede the franchise agreement and area development agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise and area development agreement.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

2. Each provision of this addendum to the disclosure document shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Washington Franchise Investment Protection Act, Wash. Rev. Code §§ 19.100.180, are met independently without reference to this addendum to the disclosure document.

In recognition of the requirements of the Illinois Franchise Disclosure Act, Ill. Comp. Stat. §§ 705/1 to 705/44, the parties to the attached AFC Franchising, LLC Franchise Agreement (the "Agreement") agree as follows:

1. Section 13 of the Agreement, under the heading "Expiration of this Agreement," will be amended by the addition of the following new paragraph, which will be considered an integral part of the Agreement:

If any of the provisions of this Section 13 are inconsistent with Section 20 of the Illinois Franchise Disclosure Act, the provisions of the Act will apply. 17.7 Consent to Jurisdiction

You and your owners agree that all actions arising under this Agreement, or arising out of the offer and sale of rights to operate the Franchised Business, or otherwise as a result of the relationship between you and us must be commenced in a state or federal court of competent jurisdiction within such state or judicial district in which we have our principal place of business at the time the action is commenced, except that you may sue in Illinois with respect to claims arising under the Illinois Franchise Disclosure Act. Nonetheless, we may seek to enforce this Agreement in the courts of the state or states in which you are domiciled or the Franchised Business is located.

4. Section 17 of the Agreement, under the heading "Enforcement," shall be amended by the addition of the following paragraph, which shall be considered an integral part of the Agreement:

5. Each section above in this amendment will be effective only if (and then to the extent) that the jurisdictional requirements of the Illinois Franchise Disclosure Act are independently met (i.e., by facts and not simply by referencing this amendment).

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed and delivered this Illinois amendment to the Franchise Agreement on the same date as the Franchise Agreement was executed.

Indiana Franchise Agreement Amendment

In recognition of the requirements of the Indiana Franchise Law and the Indiana Deceptive Franchise Practices Act (the "Indiana Code"), the parties to the attached AFC Franchising, LLC Franchise Agreement (the "Agreement") agree as follows:

1. Pursuant to Section 23.2-2.7-1(1) of the Indiana Code a franchise agreement may not contain a provision: "Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or service or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This subdivision does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor." If the Agreement contains a provision that is inconsistent with the Indiana Code, the provisions of the Agreement shall be superseded by the Law's requirements.

2. Pursuant to Section 23.2-2.7-1(4) of the Indiana Code a franchise agreement may not contain a provision: "Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee." If the Agreement contains a provision that is inconsistent with the Indiana Code, the provisions of the Agreement shall be superseded by the Law's requirements; provided, however, nothing herein will prohibit us from obtaining a rebate, or other benefits, related to this Agreement as compensation for services rendered by us, which may include without limitation, efforts in negotiating, establishing and maintaining group purchasing and supplier arrangements.

3. Pursuant to Section 23.2-2.7-1(5) of the Indiana Code, a franchise agreement may not contain a provision "requiring a franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by this chapter or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subdivision does not apply to arbitration before an independent arbitrator." If the Agreement contains a provision that is inconsistent with the Indiana Code, the provisions of the Agreement shall be superseded by the Law's requirements.

4. Pursuant to Section 23.2-2.7-1(10) of the Indiana Code, a franchise agreement may not contain a provision "Limiting litigation brought for breach of the agreement in any manner whatsoever." If the Agreement contains a provision that is inconsistent with the Indiana Code, the provisions of the Agreement shall be superseded by the Law's requirements.

5. Each provision of this Amendment to the Agreement shall be effective only to the extent that the jurisdictional requirements of the Indiana Code are met independently with respect to such provision and without reference to this Amendment to the Agreement.

6. We reserve the right to challenge the applicability of any law that declares provisions in the Agreement void or unenforceable.

IN WITNESS WHEREOF, the parties hereto have duly executed and delivered this Indiana Amendment to the Franchise Agreement on the same date as the Franchise Agreement was executed.

Minnesota Franchise Agreement Amendment

In recognition of the requirements of the Minnesota Franchises Law, Minn. Stat. §§ 80C.01 through 80C.22, and of the Rules and Regulations promulgated thereunder by the Minnesota Commissioner of Commerce, Minn. Rules §§ 2860.0100 through 2860.9930, the Franchise Disclosure Document for AFC Franchising, LLC, for use in the State of Minnesota shall be amended to include the following:

- Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

- With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

- The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.

Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statues, Section 80C.12, Subd. 1(g).

- Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

- The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J.

Also, a court will determine if a bond is required.

- The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5.

New York Franchise Agreement Amendment

In recognition of the requirements of the New York General Business Law, Article 33, Sections 680 through 695, and of the regulations promulgated thereunder (N.Y. Comp. Code R. & Regs., tit. 13, §§ 200.1 through 201.16), the parties to the attached AFC Franchising, LLC Franchise Agreement (the "Agreement") agree as follows:

1. Section 12.3 (i), under the heading "Conditions for Approval of Transfer," is deleted in its entirety, and shall have no force or effect; and the following paragraph shall be substituted in lieu thereof:

(i) You sign a general release, in a form satisfactory to us, of any and all claims against us and our shareholders, officers, directors, employees, and agents, provided, however, that all rights enjoyed by you and any causes of action arising in its favor from the provisions of New York General Business Law Sections 680 695 and the regulations issued thereunder, shall remain in force; it being the intent of this provision that the non-waiver provisions of N.Y. Gen. Bus. Law Sections 687.4 and 687.5 be satisfied;

2. Sections 13(4) and 13(5), under the heading "Expiration of this Agreement/Renewal," is deleted in its entirety, and shall have no force or effect; and the following paragraph shall be substituted in lieu thereof:

You agree to execute the current form of franchise agreement which may contain provisions that differ materially from any and all of those contained in this Agreement; provided, however, that the Royalty owed under the successor agreement for the first renewal term and the geographic area granted as the Territory will be the same as under this Agreement. You further agree to sign a general release, in a form satisfactory to us, of any and all claims against us and our members, officers, directors, employees, agents, successors, and assigns, provided, however, that all rights enjoyed by the transferor and any causes of action arising in its favor from the provisions of New York General Business Law Sections 680 695 and the regulations issued thereunder, shall remain in force; it being the intent of this provision that the non-waiver provisions of N.Y. Gen. Bus. Law Sections 687.4 and 687.5 be satisfied.

3. The first paragraph in Section 17.5.1 of the Agreement, under the subheading "Mediation," shall be deleted in its entirety and shall have no force or effect; and the following paragraph shall be substituted in lieu thereof:

Before you and we may bring an action in court against the other, you and we must first meet to mediate the dispute (except as otherwise provided below). Any such mediation shall be non-binding and shall be conducted by the CPR Center for Alternative Dispute Resolution, under the rules established by the International Franchise Association endorsed National Franchise Mediation Program, and in accordance with its then-current rules for mediation of franchise disputes (and in the event such program is not then in existence, by the American Arbitration Association in accordance with its then-current rules for mediation of commercial disputes). Notwithstanding the previous sentence, the parties may mutually agree on a mediator and/or procedures and/or venue for mediation. Notwithstanding anything to the contrary, this Section 17.5 shall not bar you or we from seeking judicial or injunctive relief for claims that are based solely on demands for money owed, or from seeking injunctive relief against threatened conduct that will cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions, without having to engage in mediation; including, without limitation, claims involving the Marks.

4. Section 17.5.2 of the Agreement, under the subheading "Arbitration," provides that any disputes between us shall be determined by binding arbitration to be held in Jefferson County, Alabama. This provision may not be enforceable under New York General Business Law.

5. Section 17 of the Agreement, under the heading "Enforcement," shall be amended by the addition of the following language:

Nothing in this Agreement should be considered a waiver of any right conferred upon you by New York General Business Law, Sections 680-695.

6. There are circumstances in which an offering made by us would not fall within the scope of the New York General Business Law, Article 33, such as when the offer and acceptance occurred outside the state of New York. However, an offer or sale is deemed made in New York if franchisee is domiciled in or the franchise will be opening in New York. We are required to furnish a New York prospectus to every prospective franchisee who is protected under the New York General Business Law, Article 33.

Stat. §§ 80C.01 through 80C.22, and of the Rules and Regulations promulgated thereunder by the Minnesota Commissioner of Commerce, Minn. Rules §§ 2860.0100 through 2860.9930, the Franchise Disclosure Document for AFC Franchising, LLC, for use in the State of Minnesota shall be amended to include the following:

- Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

- With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

- The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.

Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statues, Section 80C.12, Subd. 1(g).

- Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

- The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J.

Also, a court will determine if a bond is required.

- The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5.

New York Area Development Agreement Amendment

In recognition of the requirements of the New York General Business Law, Article 33, Sections 680 through 695, and of the regulations promulgated thereunder (N.Y. Comp. Code R. & Regs., tit. 13, §§ 200.1 through 201.16), the parties to the attached AFC Franchising, LLC Area Development Agreement (the "Agreement") agree as follows:

1. Section VI under the heading of "Transferability" incorporation Section 12 of the Franchise Agreement by reference.

2. Section 12.3 (i) of the Franchise Agreement, under the heading "Conditions for Approval of Transfer," is deleted in its entirety, and shall have no force or effect; and the following paragraph shall be substituted in lieu thereof:

"(i) You sign a general release, in a form satisfactory to us, of any and all claims against us and our shareholders, officers, directors, employees, and agents, provided, however, that all rights enjoyed by you and any causes of action arising in its favor from the provisions of New York General Business Law Sections 680 695 and the regulations issued thereunder, shall remain in force; it being the intent of this provision that the non-waiver provisions of N.Y. Gen. Bus. Law Sections 687.4 and 687.5 be satisfied;"

3. Section XIV of the Agreement, under the heading "Arbitration," the following paragraph shall be added at the end thereof as XIV.C.:

"C. Notwithstanding anything to the contrary, this Section 17.5 shall not bar you or we from seeking judicial or injunctive relief for claims that are based solely on demands for money owed, or from seeking injunctive relief against threatened conduct that will cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions, without limitation, claims involving the Marks."

4. Section XIV of the Agreement, under the heading "Arbitration," incorporates Section 17 of the Franchise Agreement by reference and provides that any disputes between us shall be determined by binding arbitration to be held in Jefferson County, Alabama. This provision may not be enforceable under New York General Business Law.

5. There are circumstances in which an offering made by us would not fall within the scope of the New York General Business Law, Article 33, such as when the offer and acceptance occurred outside the state of New York. However, an offer or sale is deemed made in New York if franchisee is domiciled in or the franchise will be opening in New York. We are required to furnish a New York prospectus to every prospective franchisee who is protected under the New York General Business Law, Article 33.

In recognition of the requirements of the Washington Franchise Investment Protection Act, Wash. Rev. Code §§ 19.100.010 through 19.100.940, the parties to the attached AFC Franchising, LLC Area Development Agreement agree as follows:

The state of Washington has a statute, RCW 19.100.180, which may supersede the area development agreement in your relationship with us including the areas of termination and renewal of your area development agreement. There may also be court decisions which may supersede the area development agreement in your relationship with us including the areas of termination and renewal of your area development agreement.

In any arbitration involving an area development agreement purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

AMENDMENT TO WAIVE MANAGEMENT AGREEMENT

AMENDMENT TO AFC FRANCHISING, LLC FRANCHISE AGREEMENT (WAIVER OF MANAGEMENT AGREEMENT)

THIS AMENDMENT ("**Amendment**") is made and entered into on _____, 20__ by and between AFC FRANCHISING, LLC, an Alabama limited liability company ("**Franchisor**" or "**we**" or "**us**"), and _____, a _____ ("**Franchisee**" or "**you**").

RECITALS:

A. We and you are parties to a AFC Franchising, LLC Franchise Agreement dated as of the same date as this Amendment (the "**Franchise Agreement**"), which pertains to the management and operation of an "American Family Care" urgent care business at a facility operating under the name "American Family Care" (which is referred to as the "**Center**") (together the management and operation of a Center will be referred to as the "**Franchised Business**") with the "Territory" as described in the Franchise Agreement. Your Center will be located and operated in the state of _____.

B. We and you wish to amend the terms of the Franchise Agreement as described below.

C. All capitalized terms not defined in this Amendment will have the meaning set forth in the Franchise Agreement, or the Management Agreement (as defined below).

NOW THEREFORE, we and you, in consideration of the undertakings and commitments of each party to the other party set forth herein and in the Franchise Agreement, and for other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, mutually agree as follows:

1. **Franchisee's Representations and Warranties:**

   a. You understand and agree that you are solely responsible for operating in full compliance with all laws that apply to your Franchised Business. The laws regulating the medical industry include without limitation, federal, state and local regulations relating to: the practice of medicine and the operation and licensing of medical services; the relationship of providers and suppliers of health care services, on the one hand, and physicians and clinicians, on the other, including anti-kickback laws; restrictions or prohibition on fee splitting; physician self-referral restrictions; payment systems for medical benefits available to individuals through insurance and government resources; privacy of patient records; use of medical devices; and advertising of medical services (together such are, "**Medical Regulations**").

   b. You represent and warrant to us that: (i) you have conducted independent research regarding the Medical Regulations that are applicable to urgent care centers and medical services generally, and the Franchised Business specifically in the Territory, including retaining the services of qualified professional advisers as necessary; (ii) you have verified that under the Medical Regulations applicable to your Franchised Business, you are permitted to both manage the Center and operate the Center, including hiring any medical and professional personnel and providing medical or urgent care services to patients at the Center.

   c. You have requested that, based on your representations and warranties to us as to the Medical Regulations applicable to your Franchised Business, we waive the requirements of the Franchise Agreement that you (i) enter into a management agreement with a P.C., which as a separate entity would operate the Center and provide all medical and urgent care services, and (ii) you refrain from providing any medical or urgent care services to patients or hiring and supervising medical providers, subject to all applicable Medical Regulations.

d. You acknowledge and agree that we are entering into this Amendment in reliance your representations and warranties. You understand and agree that your obligations to operate in compliance with Medical Regulations will continue throughout the term of the Franchise Agreement, and if there are any changes in Medical Regulations that would render your operation of the Center in violation of any Medical Regulation, you will immediately advise of such change and of the your proposed corrective action to comply with Medical Regulations, including (if applicable) entering into a management agreement with a P.C.

e. You acknowledge and agree that by requesting us to permit you to perform all of the activities and obligations of the P.C. (rather than signing a management agreement with a P.C. that would operate the Center), you will incur all costs of both managing and operating the Center, including those costs that would otherwise be borne by the P.C. (such as obtaining all necessary licensing and certification for practicing medicine and compensation of medical professionals). You have researched the costs associated with both managing and operating the Center.

2. Based on your representations and warranties to us above, you and we agree as follows:

a. Notwithstanding anything to the contrary in the Franchise Agreement, including Section 1.2, you are not required by the Franchise Agreement to enter into a Management Agreement with a P.C., provided that you comply with applicable Medical Regulations.

b. Notwithstanding anything to the contrary in the Franchise Agreement, including Section 1.2, you are not restricted from providing urgent care or medical services to the Center's patients, or from hiring and supervising the physicians and employees who are legally authorized to provide medical or urgent care services to patients of the Center.

c. Instead of entering into the Management Agreement with a separate P.C., you agree to be solely responsible for operating the Center and providing, or arranging for and supervising the provision of, medical and urgent care services to the patients of the Center. You, therefore, agree that you will perform all responsibilities and obligations of the "P.C." as set forth in the form of Management Agreement attached to this Amendment as Exhibit A (the "**Management Agreement**"), which are hereby incorporated into this Amendment. Without limiting the foregoing, you acknowledge and agree that these obligations include:

(i) satisfying the representations and warranties of Section 1.2 of the Management Agreement;

(ii) selecting, maintaining, and using the Equipment and Furnishings in good condition and repair and in a safe and appropriate manner as described in Section 2 of the Management Agreement;

(iii) being responsible for all aspects of the diagnostic, therapeutic and related professional services delivered by the Providers at the Center; selecting, training, supervising and employing (or otherwise engaging) all Providers; ensuring that the Center and all Providers maintain all necessary licenses and credentials; establishing and maintaining quality and standards of patient care, as described in Section 4 of the Management Agreement;

(iv) maintaining malpractice and other insurance as described in Section 7 of the Management Agreement;

(v) indemnifying us as described in Section 9 of the Management Agreement; and

(vi) complying with the non-solicitation requirements of Section 10 of the Management Agreement.

d. Instead of entering into the Management Agreement with a separate P.C., you agree to be solely responsible for providing the management and support services necessary for operating the Center. You, therefore, agree that you will perform all responsibilities and obligations of the "Company" as set forth in the Management Agreement, which are hereby incorporated into this Amendment. Without limiting the foregoing, you acknowledge and agree that these obligations include:

(i) providing the use of the Premises and Equipment and Furnishings as described in Section 2 of the Management Agreement;

(ii) providing the management and administrative services described in Sections 3 and 4.4 of the Management Agreement; and

(iii) ensuring that all insurance required by Section 7 of the Management Agreement is maintained.

e. Any reference in the Franchise Agreement to an obligation of, or requirement applicable to, the P.C. will be your obligation.

f. Any reference in the Franchise Agreement to the "**Franchised Business**" will include your activities in both managing and operating the Center.

3. **Except as otherwise amended above, the Franchise Agreement is otherwise in full force and effect.**

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed, and delivered this Amendment in duplicate on the day and year first above written.
