What You Need To Know About Franchising Generally

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Colorado. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Colorado than in your own state.

Certain states may require other risks to be highlighted. Check the “State-Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED BY THE STATE OF MICHIGAN
(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY MICHIGAN
FRANCHISE INVESTMENT LAW)**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

A prohibition of the right of a Franchisee to join an association of Franchisees.

A requirement that a Franchisee assent to a release, assignment, novation, waiver, or estoppel that deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a Franchise Agreement, from settling any and all claims.

A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials that have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (a) the term of the franchise is less than five years, and (b) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbols in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six months advance notice of franchisor's intent not to renew the franchise.

A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

A provision requiring that arbitration or litigation be conducted outside this state. This will not preclude the franchisee from entering into an agreement, at the time of arbitration or litigation, to conduct arbitration or litigation at a location outside this state.

A provision that permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. The subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third-party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value and has failed to cure the breach in the manner provided in subdivision (c).

A provision that permits the franchisor to directly or indirectly convey assign or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless a provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of the initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENFORCEMENT BY THE ATTORNEY GENERAL.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, Department of the Attorney General, G. Mennen Williams Building, 7th Floor, 525 W. Ottawa Street, P.O. Box 30212, Lansing, MI 48909, and telephone (517) 335-7622.

THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN

Though the State of Michigan intends to enforce the above, we reserve the right to challenge such enforcement.

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this Disclosure Document, the use of the word “we,” “us,” or similar pronouns means the Franchisor Ringside Development Company d/b/a Bio-One Colorado, Inc. “You” and similar pronouns mean the person or corporation, partnership, or other entity (Legal Entity), including your owners, stockholders, or partners, who are buying the right to operate under the Franchise Agreement.

The Franchisor, Any Parents, and Its Predecessors and Affiliates

We are an Arizona corporation that was formed on May 28, 2010. We moved our headquarters to Colorado and filed in Colorado as a foreign corporation on March 24, 2016. We also do business under the name “Bio-One™” and “The Crime and Trauma Scene Cleaning Franchise™.” Our principal business address is 5231 S. Quebec Street, Suite 303, Greenwood Village, Colorado 80111, 720-463-3004.

We have no parent or predecessor. We have two affiliates.

Our first affiliate is BOR Franchising, LLC, a Colorado limited liability company (BOR Affiliate) that was formed on January 10, 2018. Its address is the same as ours. Our BOR Affiliate offers franchisees the right to open a business that provides water, fire, and mold restoration services. BOR does not offer the services that you will offer as our franchisee, and you will not offer the services that BOR franchisees offer. It has been franchising since January of 2018. As of December 31, 2019, it sold 13 franchised units. It does not franchise in our line of business, and except as stated here, it does not franchise in any other line business.

Our second affiliate is Bio-One IP Group, LLC, a Colorado limited liability company (IP Affiliate) that was formed on May 25, 2018. Its address is the same as ours. We assigned our Mark to our IP Affiliate on June 28, 2018, and our IP Affiliate immediately granted us a license to use the Marks in conjunction with this franchise offering. It does not franchise in this or any other line business. We may refer to our BOR Affiliate or IP Affiliate as an “Affiliate” or the “Affiliates.”

We do not offer franchises in any other line of business and do not operate a business of the type being offered here.

The Business

Under the franchise, we offer you the right to establish and operate a restoration services business providing residential and commercial removal of regulated and non-regulated bio-medical waste with additional services such as cleaning, disinfecting, hoarding remediation, medical waste, and sharp-instruments removal. (Business).

You will be subject to an initial criminal background check before you sign the Franchise Agreement.

This Franchise Disclosure Document (FDD) and the Franchise Agreement describe the terms and conditions for which we currently offer franchises to new franchisees. As the needs of the market change, we will occasionally offer franchises under different terms and conditions.

The “System” is our proprietary, confidential, and trade secret information. The System includes, but is not limited to: the trademarks, service marks, and logos (Marks); the manner and method of training that we deliver to you; the operations manuals (Franchisee Manuals), standards and procedures that you will use in the day-to-day operation of the Business; your client list (Client List), and any copyrighted, trade secret or confidential information owned by us, including this FDD, the Franchise Agreement, and the Franchisee Manuals. You must operate under our System.

Prior Business Experience

We have been franchising since 2010.

Competition and Laws Affecting the Business

You will be competing against other local and national firms that offer the same or similar services as you may be offering. You will also compete against other franchisees of our system.

Most states and local jurisdictions have enacted laws, rules, regulations, and ordinances, which may apply to the operation of your business, including occupational health and safety, labor, licensing and bonding, insurance, and advertising. You may need to obtain a contractor’s license or technician certification from the Institute of Inspection Cleaning and Restoration Certification (IICRC). You must abide by the requirements of (a) the Payment Industry Data Security Standards (PCI-DSS). You and not, we are solely responsible for adhering to these requirements. You will receive your Bio-One training certification after completion of our training course. Additionally, you may need to obtain other certifications and be a licensed contractor or engineer depending on your local or state requirements. You must investigate and comply with all applicable federal, state, county, and city laws and regulations. You alone are responsible for complying with all applicable laws and regulations.

We will notify you 60 days before a new fee is to be collected.

6. We may add new services and new products, and may make other system updates that may result in fees being charged to you. If such changes are made, we will give you no less than 60 days prior written notice before implementing the change or charging a new fee. We each also acknowledge that changes to technology are dynamic and not predictable within the term of this Agreement. To provide for inevitable but unpredictable changes to technological needs and opportunities, you agree that we will have the right to establish, in writing, reasonable new standards and fees for the implementation of new technology in the System; and you agree to comply with those reasonable new standards. We will give you no less than 60 days prior written notice before implementing the change or charging a new fee.

7. If your state assesses them, and except for our income taxes, you will reimburse us for all taxes we pay for products or services we furnish you, or on our collection of the Initial Franchise Fee, the Royalties advertising contributions, or other fees. We will give you written notice if such a tax is levied and will provide commercially reasonable proof of the calculation of the tax.

8. We may, in the future, require all franchisees and you to add new goods or services to those already sold through the Business and to add new technology. If we do this, you may incur additional expenses, some of which may be due to an affiliate, a third party for whom we collect the funds, or us. We have no formula for determining what such costs, fees, or expenses might be, so we cannot give you an estimate of such expenses. If we introduce new lines of goods or services, we will notify you in writing and give you a reasonable time to comply with the changes.

1. Except as stated in Item 5, all fees payable to us are uniform, are payable in one lump sum, and are non-refundable. Fees payable to third parties may or may not be refundable.

2. It is anticipated and intended that you will operate this Business from your home. You may choose to rent space for which we have no criteria. If you decide to rent, you may choose any size property that you wish. This is an estimate of three months of rent for a 150 square foot space in a small office building. If you choose to rent, your rent could be significantly higher, depending upon your location in the country.

3. This is an estimate of the cost you may spend on a desk, chair, filing cabinet, adding machine, a telephone, and other office equipment. You may already have sufficient equipment. We have no criteria for the furniture, fixtures, or equipment.

You must have a computer system (including hardware and software, which together are referred to as the "Computer System") that meets our requirements. You may already have some or all of this equipment and software. If not, it could cost this amount to purchase. You must purchase an on-line license for QuickBooks Plus for approximately \$30 per month and the latest version of Microsoft Office

365 Home that currently costs about \$10 per month. We have no control over the license fees charged for these software programs, and they may change at any time.

4. This is the approximate amount you may spend for two people to attend Initial Training before you open. This includes travel, food, and lodging. You may spend more or less depending upon your location relative to our training center (currently Greenwood Village, Colorado - Item 11), and on the lodging you choose.

You will pay us our then-current OSHA Training Fee before you open. OSHA Training is given once each calendar quarter. (Item 11).

This line item also includes your travel, food, and lodging costs. You may spend more or less depending upon your location relative to our training center (currently Greenwood Village, Colorado).

5. You are required to own, purchase, or lease a late-model Business Vehicle such as a Ford E350 box truck or similar vehicle that is 15 years of age or less. It must be in reasonable mechanical condition, and the body must be free of material dents, scratches, or rust. The Business Vehicle must be bright white. You may already own a vehicle that meets our requirements. You may purchase or lease the Business Vehicle from any source. Your final cost for the Business Vehicle will depend upon the model you choose, its age and condition, and your location in the country.

You must also register the Business Vehicle, pay the taxes for it, and purchase the licenses. You will also be required to insure it. The figure here represents an estimate of the first three months of such insurance. Your costs will depend on the model of vehicle you choose, its age and condition, and your location in the country.

6. You must spend at least this amount on your initial advertising, which will occur within three months of your opening date.

7. This amount includes the initial cost for legal and accounting help and the first three months of insurance. You may spend more depending upon your location in the country and the professionals you choose and the purpose for which the person was retained.

8. The estimate of additional funds is for the first three months of capital. The estimate of additional funds does not include an owner's salary or draw. The additional funds required will vary by your management skill, experience, and business acumen, your relative effectiveness as a salesperson, local economic conditions, the local market for your services, competition, and the sales level in your territory that you reach during this period. You may incur other or higher costs or fees. You may also need capital when running the Business that is in addition to what is estimated here. In compiling these estimates, we have relied upon the experience of our principals (Item 2) from operating businesses that are similar to the one being offered to you.

You should carefully review these figures with a business advisor before making any decision.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases and System Changes

You must open and operate your Business under the System. The specifications necessary to operate under the System include standards for the delivery of the services to the Client, professional standards for operation, criteria for performance, and purchases of required goods and services. These specifications were formulated by us. We may modify any specification as to any good, service, supply, fixture, equipment, inventory, computer hardware, software supplier, or the like, at any time and on a local, regional, or national basis. We may also add and remove vendors at any time.

We may communicate our standards, specifications, and purchase requirements directly to suppliers who wish to supply goods or services to you. We will communicate our standards and specifications to you during training, before you open, during periodic visits to your Business, and through the Franchisee Manuals, and periodic bulletins. We may issue new standards and specifications through written notices. Once you are notified, you must make the change that is specified. We may also add and remove vendors at any time.

We have the right, in our sole discretion and as we may deem in the best interests of the system or a specific franchisee to vary required purchases, standards or specifications based upon that franchisee's qualifications, special circumstances, the demographics of a particular territory, business potential, or any other condition which we deem to be of importance to the successful operation of any particular Business. We will not be required to disclose or grant you a similar variance.

Required and Approved Suppliers

You must purchase the QSP Package from our approved vendor, an Affiliate, or us at the time you pay the IFF.

You are also required to maintain all of the QSP Package equipment to keep each piece operational. You may be required to replace all of the durable tools and equipment supplied with the original QSP Package, no more often than one time every five years at our then-current QSP Package Maintenance and Renewal Fee. We will notify you 60 days before a new fee is to be collected. The content of the QSP Package used for maintenance or renewal will be available only from an approved supplier, an Affiliate, or us. All consumables (including suits and chemicals) that are delivered as part of the QSP Package must be purchased from our approved vendor, an Affiliate, or us only.

Our approved vendor or we are the only supplier of the services for which the Technology Maintenance Fee is paid.

We are the only supplier of OSHA Training.

When a POS System is required, it must be purchased from our approved vendor, an affiliate, or us. Our approved vendor, affiliate, or we will be the only supplier of the POS System.

If we receive a Client complaint, and if we determine it necessary to service your Client, you will pay us the Client Service Fee. We are the only supplier of this service.

If you breach the Franchise Agreement, we may step in and temporarily manage your business. If we do, you will pay us the Temporary Management Fee. We are the only supplier of these services.

Your Business Vehicle must meet our criteria and standards and must be maintained and replaced as required by the Franchise Agreement and Manuals. It may be purchased or leased from any person or dealer. If the Business Vehicle exceeds 15 years of age at any time during the Initial Term or any Successor Franchise Term, or if we determine that it has not been properly maintained, you may be required to replace it with the then-current Business Vehicle to the one we require of all new franchisees.

You are required to purchase and maintain the Computer System, which may be purchased from a reputable dealer. You may already own the hardware and software that we require.

We may, in the future, require all franchisees and you to add new goods, services, and technology to those already sold through or used in the Business. If we do this, you may incur additional expenses, costs and fees, some of which may be due to an affiliate, a third party for whom we collect the funds, an approved vendor, or us. If we introduce new lines of goods, services, and technology, we will notify you in writing and give you a reasonable time to comply with the changes, which will not exceed 60 days.

You may purchase any other equipment or materials from an approved source. The list of approved products and suppliers is published in the Franchisee Manuals.

Except for the goods and services that must be purchased from an affiliate or us, our principals own no interest in any other supplier. Except as stated here, our Affiliate and we are not approved, suppliers.

Insurance

Before opening the Business, you will purchase and maintain in full force and effect the following insurance with the following minimum limits:

a. General liability insurance having a combined annual single limit for any form of injury and property damage of \$1,000,000 per occurrence and \$2,000,000 in the aggregate;

b. Automobile liability insurance in reference to the vehicle or vehicles that are used in the operation of the Business, and automobile liability coverage for owned, non-owned, scheduled and hired vehicles having limits for bodily injuries of \$500,000 per person and \$1,000,000 per accident, and property damage limits of \$50,000 per occurrence;

c. Employer's liability and worker's compensation Insurance is mandatory regardless of being required by state law in the state in which the Business is found;

d. Business interruption insurance of not less than \$30,000.00 per month for loss of income and other expenses with a limit of not less than nine months of coverage;

e. Professional liability insurance with coverage of at least \$1,000,000 per occurrence and \$1,000,000 annual aggregate; and,

f. Excess liability umbrella coverage for general and automobile liability coverage of not less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate; and,

g. You will also pay us our then-current Franchisee Life Insurance Policy Fees, which we use to purchase a life insurance policy for you that names us as the beneficiary. Upon your death or “Permanent Disability” (Franchise Agreement, Articles 1 and 9), we will use the proceeds from it to manage your Business until the estate disposes of it. Any benefits from the policy that remain after the sale or assumption of the Business will be retained by us.

Although we require certain insurance coverage and may recommend other coverages, we do not guarantee that the required or recommended insurance will be adequate to protect your assets fully. You should consult with an insurance professional to determine what coverage, in addition to the minimum required coverage, may be needed for you and your Business.

Approval of Alternative Suppliers

In some cases, you may wish to purchase a required good or service from a supplier that has not been previously approved by us. There is no charge for this service though we reserve the right at any time to charge for this service. We do not maintain written criteria for approving suppliers, and thus, these criteria are not available to you or your proposed supplier. To obtain our approval, you must submit such information as we may reasonably require to evaluate the prospective supplier. We will evaluate the submitted information and will provide written notice of our decision to you within 15 days. If, however, no written response is received, the approval is denied. We may grant or deny approval for any reason or no reason at all. Other than as stated here, we have no other process for approving suppliers.

Approval of alternative suppliers may be revoked by us if we determine in good faith that the goods or services they are supplying no longer meet the quality standards that are in effect at that time.

Revenue from Franchisee Purchases

We received revenue and material considerations because of required purchases. In the year ending December 31, 2019, we earned \$691,635 in gross revenue from the sale of the QSP Package, which represents approximately 19% of our total revenue of \$3,857,882 for that period. This figure was derived from our audited financial statements found at Exhibit G.

The cost of equipment and supplies purchased through us will represent 50% to 60% of your total purchases to establish the Business and approximately 40% to 60% of your total purchases during the operation of the business.

We do not now, but may in the future, receive rebates and material benefits from vendors with whom you are to do business.

Cooperatives

Though there is none at this time, we may in the future, develop a regional purchasing cooperative in your area. The purpose of the purchasing cooperative will be to obtain all goods and services at a more competitive price. Upon the creation of the same, you must participate in the program. Any item carried by the cooperative will be of the same quality as then required by us by any other franchisees.

Negotiated Prices

We have not negotiated prices with some of our vendors for the benefit of the franchisees though we may do so in the future.

Material Benefits

We do not provide or withhold material benefits to you (including renewal rights or the right to open additional businesses) based on whether you purchase through the sources we designate or approve. However, purchases of unapproved services, the use of unapproved vendors, or supplying unapproved services will be a violation of the Franchise Agreement, and you may be terminated as a result.

Schedule for Opening

Franchisees typically open for business within 30 to 60 days after the Franchise Agreement is signed by you and us (Effective Date). In all events, you must open within 90 days of the Effective Date. (Opening Date). You will be required to attend Initial Training (as described below in this Item 11) before you open. We may extend the Opening Date for a reasonable time (not to exceed 20 days) in the event factors beyond your reasonable control prevent you from meeting the Opening Date, and you request an extension of time from us. The factors that affect the period required to open the Business may include the ability to obtain, financing, permits, and licensing. Before opening, you must secure all necessary permits and licenses; must purchase or lease, and have installed and have in operating order all of the equipment required; and must obtain and provide evidence of insurance before the Opening Date.

Optional Assistance

If requested by you, and if approved by us, we will provide additional training at a location determined by us. You will pay yours and our travel, room, board, and the then-published daily fee for such services. (Franchise Agreement, Section 5.3 and Article 7).

Advertising

Local Advertising and Web Presence

You are required to spend the greater of \$1,500 or 5% per month of Gross Sales (Local Advertising Fee) on local advertising (Local Advertising). Except as stated below, Local Advertising may take any form that you choose, and you may spend any additional amount you choose.

As part of your Local Advertising, you must purchase internet advertising from Google, Bing, Yahoo, or similar search engine businesses. Before you open, you will inform us of the search engine you choose, and we will set up your account with them. We advise you to make the radius of your search area equal to 70 miles from your Franchised Location. You then have the right to control the cost each month paid to the search engine provider. With your permission, we have the option in our sole discretion to monitor your account to determine how your Local Advertising Fee is used. This is not required, and if we agree to this, we may cease the monitoring at any time. You do not pay us for this service.

We must approve any advertising regardless of the medium into which it is inserted before it is placed. You will deliver the proposed advertising to us no less than 15 calendar days before its insertion into any medium. If you do not receive written notice within the 15 calendar days, the advertising is disapproved.

Unless otherwise approved in writing by us or set forth in the Manual, you will not establish a separate website on the internet. Any uniform resource locator (URL) addresses, email addresses, any blog, vlogs, social media sites, and the like that you create for the Business also require our approval. Upon expiration or the earlier termination of the Franchise Agreement, the URLs, email addresses, blogs, vlog, social media sites, and the like will belong to us, and you will transfer each to us as we may require.

Grand Opening

During the first three months of operation, you must plan, pay a minimum of \$750 for, and execute an advertising campaign (Grand Opening). We must review and approve your plans for the Grand Opening in the same way that we approve your local advertising.

Regional Advertising

We reserve the right, upon 30 days prior written notice, to allocate all or a portion of your Local Advertising Fee to a regional advertising program (Regional Advertising Cooperative) for the benefit of Businesses located within a market area. We have the right to determine the composition of all market areas included in a particular Regional Advertising Cooperative. If a market region is formed, we will require all franchisees and company-owned and affiliate-owned Businesses to participate. The Regional Advertising Cooperative will be administered by the contributors to it. There will be no governing documents. All advertising for the Regional Advertising Cooperative will be prepared by a local, national or international advertising agency or by us. The Regional Advertising Cooperative will prepare unaudited financial statements and will make them available to all Cooperative participants within 120 days of the year-end. We have the right to change, dissolve, reinstate, or merge any Regional Advertising Cooperatives.

National Branding Fee

We collect 2% of your monthly Gross Sales for national advertising (National Branding Fee). The National Branding Fee will be due at the same time as your Royalty.

The National Branding Fees will be deposited in a separate checking account, savings account, or any other account of our determination (National Branding Account). The National Branding Account is not a trust, and we assume no fiduciary duty in administering it. Any monies not used in any year will be carried to the next year.

The National Branding Account will be administered by us in our sole discretion. The National Branding Fees may be used for all advertising expenditures (including the creation of various advertising and promotional products for use with printed materials, posters, the repayment of loans made for the benefit of Franchisee National Advertising (made by us, an affiliate or a third party), and the creation of other advertising on or in any local, regional, internet or national medium) reasonably intended to benefit some or all franchisees, and for the payment to us of costs related to administering the National Branding Account such as reasonable salaries, administrative costs, costs allocated to any conferences, travel expenses, and overhead.

We make no guarantee that advertising expenditures from the National Branding Account will benefit you or any other franchisee directly, indirectly, or on a pro-rata basis. We will assume no other direct or indirect liability or obligation to you with respect to collecting amounts due to the National Branding Account or with respect to maintaining, directing, or administering the National Branding Account.

Any company-owned Businesses will participate in any national or regional advertising programs on the same basis as franchisee-owned Businesses.

The advertising will be produced by a local, national, or international advertising agency or by us.

Upon your prior written request, we will make available to you an annual unaudited financial statement, no later than 120 days after our year-end. The National Branding Account is audited.

Though we have no plans now, we reserve the right to increase the amount of the National Branding Fee to no more than 3% of the Gross Sales. We will give you notice of our intent to do this and 60 days to comply.

We intend for the National Branding Fee to be continual and perpetual, but we have the right to form, change, suspend (and subsequently reinstate), merge or terminate it if necessary. We will not close the National Branding Account, however, until all contributions and earnings have been used for the purpose for which they were collected.

For the year ending December 31, 2019, we used the National Branding Fees as follows: approximately 5.0% on promotional products, sponsorship events, online marketing and print, press and media advertising; 51.0% on national service providers and national advertising opportunities; 28.0% on administrative costs including taxes and fees; 15% on the Conference; and approximately 1% on miscellaneous costs. The balance was carried over to the next calendar year. No money was used for advertising for new franchisees.

Franchise Advisory Council

We do have a Franchise Advisory Council. All franchisees are eligible to join our then-current Franchise Advisory Council. Currently, five franchisees that receive the greatest number of votes of all franchisees are placed on the council. The Franchise Advisory Council serves in an advisory capacity only, and we have the right at any time to form, change or dissolve (and then reinstate) Franchise Advisory Council.

Computer Requirements

You will be required to own or purchase the following computer hardware and software to operate your Business:

- a. A notebook or desktop computer from any manufacturer that runs on the latest Microsoft Windows platform;
- b. A laser or inkjet printer of any make or model;
- c. The online version of QuickBooks Plus that currently costs approximately \$30 per month;
- d. The online version of Microsoft Office 365 Home that currently costs about \$10 per month; and,
- e. The latest version of Internet Explorer or another Internet browser that we approve.

Computer hardware and software are referred to as the “Computer System.” You may already have a Computer System that is adequate. If not, the Computer System could cost approximately \$2,000. We have no control over the monthly fees charged for QuickBooks Plus or Microsoft Office 365, and they may change at any time.

You will be required to maintain each component of the Computer System to keep it operational. The cost of and the frequency of such maintenance cannot be estimated as various factors, such as the age of the entire Computer System and its treatment while in operation cannot be determined.

We may also require you to update the Computer System no more often than once every five years. We estimate the cost to be approximately \$2,000. The cost of any such update will vary depending upon your location in the country, the make, and model of computer hardware you choose, and the then-current cost of the required computer software. We may, however, change the configuration of the Computer System (by moving to a tablet or laptop-only configuration, for example) at any time, and if we do, you will be required to comply within 60 days of the date you receive written notice from us.

You are not required to enter into any Computer System maintenance contract.

Your Computer System must at all times be connected to the internet through a high-speed internet portal.

We each also acknowledge and agree that changes to technology are dynamic and not predictable within the term of the Franchise Agreement. In order to provide for inevitable but unpredictable changes to technological needs and opportunities, you agree that we will have the right to establish, in writing, reasonable new standards and fees for the implementation of new technology in the System; and you agree to comply with those reasonable new standards.

We may, in the future, offer a proprietary software or web-based programs that may include accounting, word processing, and other features. This will be delivered to you at no cost. All programs will be compatible with the Windows operating systems.

We may, in the future, require you to purchase a POS System from our approved vendor, an affiliate, or us. We currently have no criteria for the POS System hardware or software and cannot estimate its cost to purchase or maintain. We will give you no less than 60-days prior written notice before requiring you to purchase the POS System.

We will have independent access to your Computer System, except we will never disclose any personal information of a Client. If your databases are passcode protected, you will provide the code to us upon request. The information accessed will include scheduling information, attendees, and the identity of venues at which your services are offered. There are no other contractual limitations on our right to access such information.

Franchisee Manual and Table of Contents

We will loan you one copy of the Franchisee Manual though it will always remain our property. It is part of the System, and it contains our confidential, proprietary, and trade secret information. The Table of Contents of the Franchisee Manual is found in Exhibit C to this Disclosure Document. The Franchisee Manual contains approximately 32 pages.

Location Selection

It is anticipated and expected that you will operate the business out of your home (Franchised Location). We have no criteria or requirements for your Franchised Location, and we provide no other guidance concerning it. You may decide to lease space for which we have no criteria and will review no lease.

Training

Initial Training Program

For the first franchise that you buy, your “Designated Manager,” you, or if you are a business entity, your “Principal Operator,” must attend and complete initial training (Initial Training) to our reasonable satisfaction. You may also have one additional trainee (for a total of two). At least one of the two must complete Initial Training before you open. You will then have no more than 365 days after the Opening Date to send a second trainee to Initial Training. If each Person completes Initial Training within that time, there will be no tuition. If however, you send a person after the 365 days, Initial Training will offered at our then-current Additional Training Fee.

If one of the two people that attend Initial Training before opening fails to pass Initial Training, the person will be allowed to take it again at the next available class. There will be no tuition charged for this, but you will pay for travel, room, and board. If the trainee fails to pass the second time, then the person will not be permitted to provide any Services that require completion of the Initial Training. If the two people that take Initial Training before opening fail to complete the training to our reasonable satisfaction, both will be permitted to take it the second time for no additional tuition. If they both fail to pass Initial Training the second time, we have the right to terminate the Franchise Agreement, except that all restrictive and other covenants of the Franchise Agreement that must survive termination to remain enforceable will so survive. The IFF will not be refunded.

If one person passes Initial Training before opening and the second person attends training within 365 days of the Opening Date, that person must pass Initial Training to our satisfaction. If the person does not pass, the person will be allowed to take it again at the next available class. There will be no tuition charged for this, but you will pay for travel, room, and board. If this person does not pass the second time, then the person will not be permitted to provide any Services that require completion of the Initial Training. Though the person may take the course for the third time, we will charge the then-current Additional Training Fee, and the person will pay for travel, room, and board.

If you wish for more than two people to attend Initial Training, you will pay our then-current Additional Training Fee plus their travel, room, and board. The “Principal Operator” is the person designated by your business entity to receive our training and to operate the business from day-to-day. The “Designated Manager” is defined as the person, besides your Principal Operator or you, who acts as the general manager of the Business, has been trained by us, and who will operate the Business from day to day.

Initial Training consists of approximately five days of instruction, of which approximately 30 hours are classroom instruction, and 10 hours are on-the-job training. Initial Training is held as needed at our then-current headquarters or at another facility that we designate. You must pay all of your costs for attending training, including travel, lodging, food, and wages.

If you replace your Principal Operator or Designated Manager, the replacement must attend our Initial Training. You will pay the then-current Designated Manager Training Fee for such training, and you will be responsible for travel, room, board, and wages of the attendee.

The training materials include the Manuals and handouts.

persons who are active in the operations and administrative side of our business, as well as support staff, may assist in the training.

OSHA Training

You (if you are a sole proprietor or are the sole equity owner of the business-entity franchisee) or one of your equity owners (if you are a business entity that has two or more equity owners) must attend and also pass OSHA Training. The training is given quarterly, so there is no guaranty that the attendee will be able to take it before opening. In that case, you will take it at the next available time. You will pay the then-current OSHA Training Fee, and you will be responsible for your travel, room, and board. This training must be completed to our reasonable satisfaction. If the attendee fails to pass the OSHA Training, the person will be required to take it again, until it is passed. In this case, however, you will pay the then-current OSHA Training Fee and will pay for travel, room, and board each time the training is taken.

OSHA Training takes approximately 24 hours over three days, all of which is classroom training. There is no on-the-job training. The materials used in OSHA Training will be handouts that will be delivered at the time you arrive for training. It will be held at our then-current headquarters that is now located in Greenwood Village, Colorado.

Our trainer is Robert Easter. He has been an OSHA certified trainer since 1980 and has trained thousands of people on the subject matter identified above. From time to time, persons who are active in the operations and administrative side of our business, as well as support staff, may assist in the training.

If you replace your Principal Operator or Designated Manager, the replacement must attend Initial Training and OSHA Training if the Person was the one that took OSHA Training. You will pay our then-current fees for such training, and you will be responsible for travel, room, board, and wages of the attendee.

If you request additional, advanced, or extraordinary training or if we require it, we may, at our option, charge our then-current Additional Training Fee. You are responsible for and your travel, lodging, food, and any wages paid to attendees.

If you propose to sell or transfer the Business to a third party, part of our approval process will be the requirement that the transferee attends the Franchisee Initial Training and all other training we are

then requiring, and that the purchaser or transferee pay for the training at the then-current fees being charged.

Conference and Training Attendance

We do have a conference, and attendance is not currently mandatory. We may change this at any time after giving you no less than 60 days prior written notice. You are required to pay the then-current Conference Fee, and you are responsible for your travel, accommodations, food, and other expenses. When it is known, you will be provided with the duration of such meeting, as well as its location, the identities of those who will present information at the meeting, and the content of any information that will be delivered at that time. The conference will be held in a location to be determined by us.

In addition to the conference and though we do not now, we have the right in the future to require your Principal Operator, Designated Manager and you, to attend a local or regional meeting up to two times per year. Though none is now charged, we reserve the right to charge tuition in the future. You, however, are always responsible for all travel and living expenses that are associated with attendance at the same. When it is known, you will be provided with the duration of such meeting, as well as its location, the identities of those who will present information, and a statement of the content to be presented. The meetings will be held in a location to be determined by us.

If attendance at any conference or meeting is mandatory, and if you fail to attend, we may charge you our then-current Mandatory Non-Attendance Fee.

FEES, ADVERTISING, and REPORTING

3.1 Initial Fees and Payments to Us Prior to Opening

a. The IFF is stated in Exhibit 1 and is due at the time you sign this Franchise Agreement. You acknowledge that the IFF represents payment for the training and the initial grant of the rights to use the Marks and Systems and that we have earned the initial franchise fee upon receipt thereof.

b. Prior to opening, you will also pay us,

- i. the QSP Cost for the QSP Package;
- ii. our then-current Technology Startup Fee; and,
- iii. the OSHA Training Fee.

c. Unless stated elsewhere in this Franchise Agreement, all fees are uniform, fully earned by us, payable in one lump sum, and are non-refundable.

3.2 Technology Maintenance Fee and New Technology Fees

a. You will pay us our then-current Technology Maintenance Fee. We may increase this fee at any time without limitation after first giving you no less than 60 days written notice. We may change the suppliers of these services at any time.

b. We each also acknowledge and agree that changes to technology are dynamic and not predictable within the term of the Franchise Agreement. In order to provide for inevitable but unpredictable changes to technological needs and opportunities, you agree that we will have the right to establish, in writing, reasonable new standards and fees for the implementation of new technology in the System; and you agree to comply with those reasonable new standards.

3.3 Royalty

a. You will pay the greater of the Minimum Royalty or the Percentage Royalty on a monthly basis (Royalty), which is collected in the manner more fully stated below.

b. The Minimum Royalty will never be less than \$500.

i. It may be increased no more often than once every 36 months during the Initial Term (as measured from the Effective Date), to reflect an increase in the “Consumer Price Index” for all urban consumers, all items seasonally adjusted (base 1982-1984) (CPI-U) that is quoted by the U.S. Bureau of Labor Statistics, or its successor.

ii. In order to determine if there is an increase in the CPI-U, we will first determine a baseline CPI-U (Base CPI-U) on the Effective Date. If the Effective Date is other than the first day of a month, then the Base CPI-U will be determined on the first day of the first month following the Effective Date. Then on the 36th-month anniversary of the Effective Date and again on the seventy-second month anniversary (or the first day of the month following the 36th or 72nd-month anniversary, if that date is other than the first day of a month), we will determine the then-current CPI-U. (Current CPI-U). We will calculate the increase (if any) in the Minimum Royalty by multiplying the then-current Minimum Royalty by a fraction, the denominator of which is the Base CPI-U and the numerator of which is the Current CPI-U.

c. The Minimum Royalty and Percentage Royalty may increase to the then-current amount if you are awarded Successor Franchise Rights.

Before you open, you will inform us of the search engine you choose, and we will set up your account with them. We advise you to make the radius of your search area equal to 70 miles from your Franchised Location. You may choose an area with more or less territory. You then have the right to control the cost each month paid to the search engine provider. With your permission, we have the option in our sole discretion to monitor your account to determine how your Local Advertising Fee is used. This is not required, and if we agree to monitor it, we may cease doing so at any time. You do not pay us for this service.

iii. We must approve any advertising regardless of the medium into which it is inserted before it is placed. You will deliver the proposed advertising to us no less than 15 calendar days before its insertion into any medium. If you do not receive written notice within the 15 calendar days, the advertising is disapproved.

iv. During the first three months of operation, you must plan, pay a minimum of \$750 for and execute an advertising campaign (Grand Opening). We must review and approve your plans for the Grand Opening in the same way that we approve your local advertising.

The National Branding Account is not a trust, and we assume no fiduciary duty in administering it. Any monies not used in any year will be carried to the next year.

iii. The National Branding Account will be administered by us in our sole discretion. The National Branding Fees may be used for all advertising expenditures reasonably intended to benefit some or all franchisees, and for the payment to us of costs related to administering the National Branding Account.

ix. Though we have no plans now, we reserve the right to increase the amount of the National Branding Fee to no more 3% of the Gross Sales. We will give you notice of our intent to do this and 60 days to comply.

x. We intend for the National Branding Fees to be continual and perpetual, but we have the right to form, change, suspend (and subsequently reinstate), merge or terminate it if necessary. We will not close the National Branding Account, however, until all contributions and earnings have been used for the purpose for which they were collected.

d. **Franchise Advisory Council**

All franchisees are eligible to join our then-current Franchise Advisory Council. Currently, five franchisees that receive the greatest number of votes of all franchisees are placed on the council. The Franchise Advisory Council serves in an advisory capacity only, and we have the right at any time to form, change or dissolve (and then reinstate) Franchise Advisory Council.

l. We may, from time and in our sole discretion, assess other fees or costs in order to operate the Business more efficiently or that may be assessed for other reasonable purposes.

m. We may, in the future, require all franchisees and you to add new goods, services, and technology to those already sold through or used in the Business. If we do this, you may incur additional expenses, costs and fees, some of which may be due to an approved vendor, Affiliate, a third party for

whom we collect the funds, or us. If we introduce new lines of goods, services, and technology, we will notify you in writing and give you a reasonable time to comply with the changes.

3.6 Method of Payment, Reports and Audits

a. The Royalty and all other fees due to us are paid monthly and will be delivered to us by such means as we may determine from time to time (including the delivery of EFT through an ACH transaction) on or before the 16th day of the month that follows the month for which the Royalties and other fees were calculated (Due Date). All such fees will be deposited into your operating account no later than 3:00 p.m. Mountain Time by the 15th day of the month following the end of the prior month. j. If you fail to timely pay any Royalties or other fees due under this Franchise Agreement, you will owe the then-current Late Fee in addition to such Royalties and other fees. This will be automatically assessed and debited or paid along with the late payment fees due to us.

k. You acknowledge that this Section does not constitute our agreement to accept such payments after the Due Date, or a commitment to extend credit to or otherwise finance the operation of the Business. In no event will you be required to pay interest at a rate greater than the maximum interest rate permitted by applicable law. The collection of any Late Fee and the acceptance of any late payment will not diminish our right to any other remedies available under this Franchise Agreement.

l. We have the right to audit and copy your books and records at any time. We also have the right at any time to have an independent audit made of the books of the Business. If we discover that you have underreported your Gross Sales by 2% or less, you will have breached this Franchise Agreement and will, (i) pay Royalties and all other fees calculated on the basis of Gross Sales, plus Late Fees; (ii) pay the then-current Audit Fee; (iii) if we decide, you will have your record-keeping done by a third-party bookkeeper; and, (iv) take other remedial measures we decide. Notwithstanding any designation by you as to the application of any payment to us, we will allocate any payments first to any Late Fees and interest owed by you, then to any Royalties or other fees that are past due, and then to the current Royalties and other fees owed. The allocation set forth above does not postpone any payments that are due on any current or future due date.

b. We will also have the sole discretion to allocate in the same manner as stated above any payments or any credits from third-party vendors that are delivered to us on your behalf. To the extent necessary to carry out the intent of this Section, you hereby appoint us as your attorney-in-fact and grants his power of attorney coupled with an interest for the sole purpose of allocating any such funds received. TRAINING

7.1 Initial Training, OSHA Training, and Training of Designated Manager

a. Initial Training

i. For the first franchise that you buy, your Designated Manager, or your Principal Operator, must attend and complete Initial Training to our reasonable satisfaction. You may also have one additional trainee attend (for a total of two Persons). At least one of the two must complete Initial Training before you open. You will then have no more than 365 days after the Opening Date to send a second trainee to Initial Training. If each Person completes Initial Training within that time, there will be no tuition. If, however, you send a Person after the 365 days, Initial Training will be offered at our then-current Additional Training Fee.

ii. If one of the two people that attend Initial Training prior to opening fails to pass Initial Training, the Person will be given the opportunity to take it again at the next available class. There will be no tuition charged for this, but you will pay for travel, room, and board. If the training fails to pass the second time, then the Person will not be permitted to provide any Services that require completion of the Initial Training. If the two people that take Initial Training before opening fail to complete the training to our reasonable satisfaction, both will be permitted to take it the second time for no additional tuition. If they both fail to pass Initial Training the second time, we have the right to terminate the Franchise Agreement, except that all restrictive and other covenants of the Franchise Agreement that must survive termination in order to remain enforceable will so survive. The IFF will not be refunded.

iii. If one Person passes Initial Training prior to opening and the second person attends training within 365 days of the Opening Date, that Person must pass Initial Training to our satisfaction. If the trainee does not pass, the Person will be given the opportunity to take it again at the next available class. There will be no tuition charged for this, but you will pay for travel, room, and board. If the Person does not pass the second time, then the Person will not be permitted to provide any Services that require completion of the Initial Training. Though the Person may take the course for the third time, we will charge the then-current Additional Training Fee, and the Person will pay for travel, room, and board.

iv. Training participants will not receive any compensation from us while attending the training. If you wish more than two people to attend training, you will pay our then-current fee for each additional trainee.

b. OSHA Training

You (if you are a sole proprietor or are the sole equity owner of the business-entity franchisee) or one of your equity owners (if you are a business entity that has two or more equity owners) must attend and also pass OSHA Training. The training is given quarterly, so there is no guaranty that the attendee will be able to take it prior to opening. In that case, you will take it at the next available time. You will pay the then-current OSHA Training Fee, and you will be responsible for your travel, room, and board. This training must be completed to our reasonable satisfaction. If the attendee fails to pass the OSHA Training, the person will be required to take it again, until it is passed. In this case, however, you will pay the then-current OSHA Training Fee and will pay for travel, room, and board each time the training is taken.

c. If you replace your Principal Operator or Designated Manager, the replacement must attend our training. You will pay the then-current fee Designated Manager Training Fee for such training, and you will be responsible for travel, room, board, and wages of the attendee.

7.2 Conference, Additional Training, and Other Education Development Programs.

a. We do have a Conference though attendance is not now mandatory. We may change this at any time after giving you no less than 60 days prior written notice. You are required to pay the then-current Conference Fee, and you are responsible for our travel, accommodations, food, and other expenses. We reserve the right to change the Conference Fee at any time and in any amount after giving you no less than 60 days prior written notice before the Conference.

b. If you request additional, extraordinary, advanced or refresher courses or training, or if we require you to take the same, we may, at our option, charge our then-current Additional Training Fee. You will pay your costs for travel, lodging, and food.

c. In addition to the conference and though we do not now, we have the right in the future to require your Principal Operator, Designated Manager and you, to attend a local or regional meeting up to two times per year. Though none is now charged, we reserve the right to charge tuition in the future. You, however, are always responsible for all travel and living expenses that are associated with attendance at the same.

d. If attendance at any conference or meeting is mandatory, and if you fail to attend, we may charge you our then-current Mandatory Non-Attendance Fee.

7.3 Employees and Employee Training

a. Your employees are not our employees. You are exclusively responsible for the performance of any and all matters pertaining to your employees, including hours worked, scheduling, the payment of taxes, and purchasing any workers compensation insurance, and following all municipal, state and federal rules, laws and statutes pertaining to the employees.

b. You will be solely and exclusively responsible for properly training all employees in the operation of the Business. We make no determination and provide no advice on any matter governing the essential terms or conditions of your employees' employment. By way of example and not limitation, we provide no advice, direction, or control over wages or methods of payment, benefits, hiring policies, supervision, promotion, discipline, termination procedures, scheduling, employee-customer relationships, employee bookkeeping or records, and the like.

You will make whatever expenditures are reasonably required to implement such changes or modifications. We have complete ownership and control of any changes, modifications, enhancements, or suggestions, whether made by you or us.

b. We may approve exceptions to, or changes in the uniform standards for you or other franchisees that we believe are necessary or desirable under particular circumstances. You have no right to object to such variances or to obtain the same variances for yourself.

b. We may meet with the Proposed Transferee and candidly discuss all matters relating to the Franchise Agreement and the Franchised Business. In no case will you or a Proposed Transferee rely on us to review or evaluate any proposed transfer. We will not be liable to you or the Proposed Transferee or any other person or entity relating to the transfer.

c. As a condition of any Transfer otherwise permitted under this Franchise Agreement, you agree as follows,

i. you will notify us of a proposed Transfer by sending a written notice to us and enclosing a copy of the written offer from the Proposed Transferee;

ii. you must be in Compliance with this Franchise Agreement and not be in default hereunder at the time you request the transfer;

iii. all accounts payable and other monetary obligations to any Affiliate or us must be paid in full;

iv. you must have timely submitted all required reports, financial statements, and other documents;

v. the terms and conditions of the proposed Transfer must be provided in writing to us;

vi. if approved, the Proposed Transferee must sign the then-current form of the franchise agreement **which may contain terms, covenants, and conditions that are significantly different from those found in this Franchise Agreement**;

vii. the Proposed Transferee must attend training and will pay tuition (if any) that is then being charged to new franchisees. The Proposed Transferee will also pay for his travel, room and board expenses for such training;

viii. the Transferee or you must pay the Transfer Fee upon execution of the franchise agreement by the Proposed Transferee;

ix. you (and if we deem it necessary, any other Person defined as the Franchisee under Article 1) must execute the then-current form of General Release to us. A copy of the current form of General Release is attached as Exhibit 4.

x. all covenants found in this Franchise Agreement, including any post-term covenant not-to-compete, any indemnification covenants, confidentiality obligations, and the provisions relating to dispute resolution, will survive any Transfer and will continue to be your obligation.

9.4 Invalidity of Transfers

a. Any Involuntary Transfer by you, such as by legal process including bankruptcy, assignment for the benefit of creditors, assignment as security for any financial or non-financial matter or otherwise, are not permitted, are not binding on us, and are grounds for the termination of this Franchise Agreement without the right to cure.

b. You agree that using this Franchise Agreement as security for a loan, or otherwise encumbering this Franchise Agreement, is prohibited unless we specifically consent to any such action in writing prior to the proposed transaction.

c. You agree not to grant a sub-franchise under this Franchise Agreement, nor to otherwise seek to license or permit others to use this Franchise, the Franchised Business, or any of the rights derived by you under this Franchise Agreement and any manner that violates the provisions herein.

d. Any attempt to complete a Transfer without our express permission will be considered a breach of this Franchise Agreement for which no cure will be provided.

9.5 Death or Permanent Disability and Franchisee Life Insurance Policy

a. Subject to subparagraph 9.5(b), upon your death or Permanent Disability or upon the death or Permanent Disability of your Principal Operator or the owner of a controlling interest in the business-entity Franchisee, the executor, administrator, conservator, guardian or another personal representative of such person will transfer your interest in this Franchise Agreement or such interest in the business-entity Franchisee to an approved third party who may be the heirs or successors of the deceased or disabled individual. Such disposition of this Franchise Agreement or such interest (including, without limitation, transfer by operation of law, intestacy, bequest or inheritance) must be completed within a reasonable time, not to exceed 180 days from the date of death or Permanent Disability, and will be subject to all terms and conditions applicable to transfers contained in this Article as though the transferee was being introduced to us by the deceased or disabled Franchisee, provided, however, that no transfer fee will be charged.

b. We purchase the Franchisee Life Insurance Policy using the then-current Franchisee Life Insurance Policy Fees that you pay. Upon your death or Permanent Disability, we will use the proceeds from this policy to operate your Business until you sell it (with our approval), or we allow your estate to assume this Franchise Agreement. Any proceeds from the policy that remain after the sale or assignment will be retained by us.

c. Failure to transfer the interest in this Agreement or such interest in the business-entity Franchisee within 180 days constitutes a breach of this Agreement for which no additional cure may be granted.

9.6 Right of First Refusal

In the event of a Transfer, you agree the same is subject to our 30-day right of first refusal (Right of First Refusal) to purchase such rights, interest or assets on the same terms and conditions as are

contained in the written offer for the Transfer, except that the following additional terms and conditions will apply:

a. you will notify us of such offer by sending a written notice to us (which notice may be the same notice as required by Section 9.3 above), enclosing a copy of the written offer from the Proposed Transferee;

b. the 30-day Right of First Refusal period will run concurrently with the period that we have to accept or not accept the Proposed Transferee;

c. such Right of First Refusal is effective for each proposed transfer and any material change in the terms or conditions of the proposed transfer will be a separate offer on which a new thirty (30) day right of first refusal will be given to us;

d. if the consideration or manner of payment offered by a Proposed Transferee is such that we may not reasonably be required to furnish the same, then we may purchase the interest which is proposed to be sold for the reasonable cash equivalent. If the parties cannot agree within a reasonable time on the cash value of the consideration proposed to be paid by the Proposed Transferee, an independent appraiser will be designated by us, whose determination will be binding upon the parties. All expenses of the appraiser shall be paid for equally between you and us; and

e. if we choose not to exercise the Right of First Refusal, you will be free to complete the Transfer, subject otherwise to your compliance with this Franchise Agreement. Our failure to reply to your notice of a proposed sale within the 30-day period is a waiver of such Right of First Refusal.

ARTICLE X

We have the right, at our option, to terminate this Franchise Agreement and all rights granted you hereunder, without affording you an opportunity to cure (subject to any state laws to the contrary, where such state law may prevail), or to exercise any other rights that we may have including terminating your right to operate your Business without terminating the Franchise Agreement, which notice of termination will be effective five days after mailing by prepaid, certified mail, return receipt, or if by overnight or hand delivery, then effective on the date of such delivery or the date of refusal by you to accept delivery, upon the occurrence of any of the following events,

This provision may not be enforceable under federal bankruptcy law, 11 U.S.C. §§ 101 et seq. We have the prior right and option, to be exercised by notice given at any time before the effective date of such proposed assignment and assumption, to accept an assignment of this Franchise Agreement to us upon the same terms and conditions, and for the same consideration, if any, as in the bona fide offer made by the proposed assignee, less any brokerage commissions which may be payable by you out of the consideration to be paid by such assignee for the assignment of this Franchise Agreement.

d. if any criminal background check (as permitted by you under Exhibit 3 and which may be conducted at any time during any term of this Franchise Agreement), discloses, or if we learn through any other method, that you have been arrested for, convicted of, or plead no contest to, a crime (whether a petty offense, misdemeanor, or felony) involving moral turpitude; are arrested for, convicted of, or plead no contest to, a felony of any nature; or are arrested for, convicted of, or plead no contest to, any crime (whether a petty offense, misdemeanor, or felony), or civil offense that is reasonably likely, in our sole opinion, to unfavorably reflect on the System, Marks, or the goodwill or reputation thereof;

e. if any credit background check determines that your status as a debtor has materially negatively changed from any prior report so that your ability to continue to operate the Business is commercially substantially in doubt;

f. if you fail to pay any Royalties, advertising fees, Late Fees, or any other amounts due us, including any amounts which may be due as a result of any other agreements between you and us within five days after receiving notice that such fees or amounts are overdue;

g. if you misuse or fail to follow our direction and guidelines concerning use of the Marks or any component of the Proprietary Information, and fail to correct the misuse or failure within five days after notification from us; except that if your violation of this subparagraph (g) is intentional, there will be no 5-day right to cure and default and termination will be immediate;

h. if you disclose to any unauthorized person any component of the Proprietary Information or the System;

i. if during the Initial Term of this Franchise Agreement (or during any Successor Franchise Rights term) you have received from us three written notices of default as to any term, covenant, or condition (or a combination thereof) of this Franchise Agreement each of which has been timely cured (if cure is available), and you are again in default of the same or any other portion, term, or covenant of this Agreement, even if all prior breaches were timely cured;

j. if during any Successor Franchise Term you receive one written notice of default as to any term, covenant, or condition (or combination of them) of this Franchise Agreement and are again in default of the same or any other term, covenant, or covenant of this Agreement, even if the breach was timely cured;

k. if you Transfer this Franchise Agreement, an interest in the Business, a substantial portion of the assets of the Business, or the business-entity Franchisee or otherwise violate the terms of Article 9 above;

l. if you violate any municipal, state, or federal law that applies in any way to the Business or your operation under the Franchise Agreement, and you then fail to cure the same within any time to cure provided by the governmental entity that issued the citation;

m. if you make any material misrepresentations relating to the acquisition of your rights under this Franchise Agreement.

n. you violate any covenant or condition of 1.6(d)(v);

o. you violate any other covenant or condition which contains its own cure provision and then fail to cure within the time period provided therein;

p. if you have employees and you fail to pay any employee his or her wages;

q. if you fail, refuse, or neglect to obtain any prior written approval or consent as required by this Agreement;

r. if you engage in any unauthorized business or practice or sell any unauthorized product or service from the Business;

s. if you fail to pay any tax (including but not limited to payroll, sales, income, or any other tax) due as a result of the operation of the Business);

t. if one or more complaints are received by us concerning: you; the operation of your Business; your demeanor; or for any other reason during any 12 month period;

u. if you violate any other covenant that has its own cure provisions;

v. if you fail to file or deliver any documents to us at the time required under this Franchise Agreement and fail to cure the same after receiving ten days written notice to do so;

w. if you take any action, fail to take any action either during normal business hours, or outside business hours which action or failure to act in our commercially reasonable judgment results in, or may reasonably result in the disparagement of the Marks, the System, or any portion of the Proprietary Information;

x. there is a cross-default under Section 10.3 below; or,

y. if you fail to add new lines of goods, services, or technology after we have notified you in writing and have given you reasonable time to comply, which will be no longer than 60 days.

10.2. Termination by Franchisor – Thirty-Days Notice

a. We have the right to terminate this Agreement effective upon 30 days written notice to you if you breach any other term, covenant, or condition of this Franchise Agreement and fails to cure the default during such 30-day period.

b. After the passage of said 30-day period without cure, this Agreement will terminate without further notice to you.

10.3 Cross Default

a. If you are a party to any other Franchise Agreements with us or are a party to any agreements with an Affiliate, and if such agreement is breached and not timely cured within the time period permitted in such document with the result being that that agreement is terminated, then we have the right to terminate this Franchise Agreement without affording you any additional right to cure.

b. If you violate the terms, covenants or conditions of any other contract or agreement with a third party that is unrelated to us but which is material to the operation of the Business including, but not limited to, any real property or equipment lease, (Third Party Contract) and fail to cure any such breach within the time permitted under such Third Party Contract, and as a result, you are unable: (i) to operate this Business in the manner that you were able to before the breach of the other agreement; or, (ii) to operate any other Business under a separate franchise agreement (cross-default); or, (iii) operate the Business in accordance with the terms of this Agreement, then upon termination of said Third Party Contract, this and all other franchise agreements with us may, in our sole and exclusive discretion, also be terminated at the same time as the Third Party Contract terminates. You will provide us immediate notice in the event of the termination of such a material agreement.

10.4 Diligent Pursuit of Cure

a. If the breach is one for which cure is provided above, and if you undertake the cure within three days of the date that you receive our notice, and if you continue to pursue such cure in good faith but are unable to complete the cure within the cure period, then you will be given up to an additional 30 days after the end of the first cure period within which to complete such cure. If you fail to pursue the cure during this additional time period or are unable to complete such cure within this additional time period, then we have the right to terminate the Franchise Agreement without further notice to you.

b. We also have the right, in our sole discretion, to grant you an extended period of time to cure. In such an event, however, we will not have waived our rights to later strictly enforce any right to cure, to deny you the right to cure a future breach for which no cure is provided, or to take such action as is allowed to us by this Franchise Agreement if you fail to cure during the extended period granted to you.

10.5 Temporary Management, Temporary Management Fee and Discontinuation of Service

a. If you breach this Franchise Agreement, whether or not the breach is one for which cure is provided, we have the option but not the obligation to temporarily manager your Business until, (i) the breach is time cured (if cure is permitted); (ii) until the termination process is complete, and you are no longer a Franchisee; or (iii) we determine our temporary management should cease.

b. During this period we have the right to operate your business as though we were your Designated Manager and we will perform all duties required to operate the Business, will service all Clients, will collect all Gross Sales revenue, will make all tax payments, will make all commercially reasonable payments to employees, will pay the then-current Temporary Management Fee, will pay accounts payable, and will take all other reasonable actions necessary to operate your Business.

c. You will indemnify us and hold us harmless from any claim, cause of action, damage, loss, fee, cost, wage, award, and the like that may be incurred by us unless the same is caused by our gross negligence.

d. To the extent we deem it necessary, you will amend any insurance policies to ensure that we are covered by such insurance.

e. Further, and as to any breach of this Franchise Agreement for which cure is granted, during the period of cure, we have the right to suspend our performance of any of our obligations under this Franchise Agreement including, without limitation, the supply of any online services, online advertising, web-page hosting or the sale or delivery of any services or products until such time as you correct the breach.

10.6 Our Rights to Damages

Upon your failure to cure any Event of Default (if cure is provided), we may proceed to enforce any or all of the following non-exclusive remedies or any other remedy, claim, cause of action, award, or damages allowed by law or equity, with the understanding that the pursuit of one remedy is not an election or waiver by us to pursue additional remedies, as all remedies are cumulative and are not exclusive:

a. Bring one or more actions for, lost profits as measured by the Royalties and other fees that would have been due and payable had breach and default not occurred (less however any amounts necessary to ensure that we are receiving only the net amount of such Royalties or fees;) penalties and interest as provided for in this Franchise Agreement; and for all other damages sustained by us as a result of your breach of this Franchise Agreement.

b. Accelerate the balance of any outstanding installment obligation due hereunder and bring an action for the entire accelerated balance.

c. Bring an action for temporary or permanent injunctions and orders of specific performance enforcing the provisions of this Franchise Agreement and otherwise stop you from engaging in actions prohibited hereby, including, without limitation: (i) improper use of the Marks or System; (ii) unauthorized assignment of the Franchise Agreement; (iii) violation of any of the restrictive covenants; and (iv) your failure to meet or perform your obligations upon the Transfer, termination or expiration of this Franchise Agreement.

d. Terminate this Franchise Agreement and proceed to enforce our rights under the appropriate provisions. Such termination will be effective upon delivery of a notice of termination to you without further action by us.

e. We also have the right to refrain from terminating this Franchise Agreement, but to enforce our rights to deny you use of, the Proprietary Information; the operation of the business; and any

other legal or equitable rights and to bring an action for any damages, costs (including reasonable attorneys' fees and arbitration costs) or losses suffered by us.

f. If you, operate the Business after Transfer, repurchase, termination or expiration; use any of the Marks, Proprietary Information, or any component of the System; violate any surviving covenants after a Transfer, any termination or expiration, then, in addition to any remedies provided above, and in addition to any other remedies in law or equity (all of which are cumulative and not an election of remedies to the exclusion of other remedies), our remedies will include recovery of the greater of, (i) all profits earned by you in the operation of the business using our Marks or System after such Transfer, Assignment, repurchase, termination, or expiration; (ii) all Royalties, advertising contributions, and other amounts that would have been due to us if such Transfer, repurchase, termination, or expiration had not occurred; or (iii) any other amount that may be proven.

10.7 Limitation of Right to Bring Action and Waiver of Punitive, Exemplary, or Consequential Damages

a. **YOU AND WE ARE LIMITED TO BRINGING ANY ARBITRATION AGAINST THE OTHER WITHIN ONE YEAR OF THE DATE THAT THE FACTS WHICH GIVE RISE TO THE CLAIM WERE DISCOVERED OR ONE YEAR FROM THE DATE THAT SUCH FACTS REASONABLY SHOULD HAVE BEEN DISCOVERED.**

b. **YOU AND WE AGREE TO WAIVE THE RIGHT TO A JURY TRIAL AND TO BE AWARDED EXEMPLARY, PUNITIVE OR CONSEQUENTIAL DAMAGES.**

c. Each Party agrees that it has the right to seek damages that are in addition to the actual monetary loss that can be proven, which would include, but not be limited to, such damages as consequential, exemplary, and punitive damages. Being advised of the same, we each waive such damages that may be in addition to any actual monetary damages suffered; except if you are required to indemnify us under Article 14 and if as a result of the action underlying the indemnification, such damages are awarded to the injured party, then you agree that indemnification will cover such damages. If in some event such damages are awarded and if such award is not deemed to be outside the scope of what is permitted by this Article or this Franchise Agreement, then any constitutional or statutory limitations on punitive, exemplary, multiple, or similar damages will apply, and any award by an arbitrator or court in excess of such limitations will be in excess of legal authority and void.

10.8 State or Federal Law Prevails

If any mandatory provisions of governing state law prohibit termination of the franchise agreement as described herein, or if the same otherwise limits our rights to terminate by imposing different rights or obligations as are found herein, then such mandatory provisions of state law will be incorporated into the agreement by reference and will prevail over any inconsistent terms in the

agreement. If no such law exists, or if such law exists but permits you to agree to abide by the termination provisions set forth here instead of the state law, then you agree that the terms of this Franchise Agreement will prevail. If by electing the alternative dispute resolution provisions and choice-of-law provisions of Article 16, it is determined that the terms of this Franchise Agreement preempt or prevail over the application of any state law to the contrary, then the choices made by the Parties will prevail so as to permit the limitations identified in this Article.

10.9 Payment of Fees is an Independent Covenant

You agree that you will not withhold payments of Royalties, National Branding Fees, regional advertising contributions, or any other amounts of money owed to us for any reason, even including a claim by you of the alleged nonperformance by us of any obligation hereunder. All such claims by you will, if not otherwise resolved by us, be resolved as permitted in this Agreement. All covenants are independent of each other.

10.10 Action Against the Franchisor

Subject to the limitations of actions as found in this Article, prior to starting any dispute resolution procedure against us or any of our officers, agents, or employees, you agree to give our officers, agents, employees, or us 60 days prior written notice and an opportunity to cure any alleged act or omission within that time period. If such act or omission cannot be cured within such 60-day period, and we or our officers, agents, or employees are diligently continuing efforts to attempt to cure such alleged act or omission, you will give us or our officers, agents, or employees such additional time as is reasonably necessary to cure which time will not exceed an additional 30 days. If we fail to complete such cure in a timely fashion, then you have such rights as are permitted herein.

ARTICLE XI

OBLIGATIONS OF FRANCHISEE UPON TERMINATION OR EXPIRATION

11.1 Obligations upon Transfer, Termination or Expiration

Upon a Transfer, termination or expiration of this Franchise Agreement for any reason, you will cease to be a licensed Franchisee and will:

In order to complete the latter, you agree that you will sign the Collateral Assignment of Contact and Electronic Information that is attached to this Franchise Agreement

as Exhibit 5. If you fail or refuse to do so, the telephone company, website manager, hosting agent and other listing agencies may accept this Franchise Agreement as evidence of our exclusive rights in and to such telephone number(s) and listing and its authority to direct their transfer. You appoint us as your attorney-in-fact coupled with an interest in the above transfers. If your state requires specific information included in this Franchise Agreement or a particular document be executed in order perfect our rights as your attorney in fact, you and we agree that this Franchise Agreement is amended to include such language or the document, and you and we will cooperate to ensure that such document is executed. ;

d. take such action as is necessary to amend or cancel any assumed name, fictitious name, or business name or equivalent registration which contains any trade name or Mark of ours, or in any way identifies you as being affiliated with the System;

e. immediately notify all suppliers, utilities, creditors, and concerned others that you are no longer affiliated with us, the System, or the Franchise, and provide proof to us of such notification. You covenant not to use any part of the System or any part of our trade secret or confidential or proprietary information or materials following the termination of this Franchise Agreement and not to identify any present or future business owned or operated by you as having been in any way associated with us or the System;

b. We must exercise this option within 30 days of such expiration or termination by giving written notice to you of our intent to exercise our option to purchase. Unless otherwise agreed by you, the purchase price as determined hereunder will be paid in cash within the option period.

c. If we have not notified you of our election to exercise this option within the 30-day period, it is conclusively presumed that we have elected not to exercise our option, and you are then free to sell or transfer such assets to any person or entity on such terms as you may so choose.

ARTICLE XIII

b. Included in indemnification is the reimbursement or direct payment by you of any award, damage, consequential damages, and costs reasonably incurred in defense of any claim against the Indemnified Parties, including, without limitation, reasonable accountants', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses.

c. We have the absolute right to defend any such Claim and have the right to have legal counsel of our choosing, the reasonable cost of which will be borne by you.

d. This indemnity continues in full force and effect after and notwithstanding the Transfer, expiration, or termination of this Franchise Agreement and will continue for any applicable limitation-of-actions statute.

e. **Further, should any Claim result in the granting of exemplary, punitive, or consequential damages, the same will be covered under this Article and will be reimbursed to us regardless of any language to the contrary in this Franchise Agreement.**

ARTICLE XV

RESTRICTIVE COVENANTS

15.1 In-Term Covenant Not to Compete

a. You and we share a common interest in avoiding situations where persons or companies who are or have been franchisees within the System, operate or otherwise become involved with a similar competing business either during or after the termination for any reason of this Franchise Agreement.

b. Therefore, during the term of this Agreement, and for any Successor Franchise Term, you agree that you will refrain in any capacity or at any location from, owning; operating; leasing; franchising; conducting; consulting with; engaging in; having any interest in; assisting any person or entity engaged in for its own account; acting as an employee, consultant, partner, officer, director or shareholder of any other person, firm, entity, partnership or corporation engaged in any wholesale, retail, or other business that is a Competitive Business, except with our prior written consent which consent may be granted or withheld for any reason or for no reason at all.

15.2 Post-Term Covenant Not to Compete

Upon the Transfer of, or termination or expiration of this Franchise Agreement for any reason, or upon the occurrence of any transfer, repurchase or termination of your rights hereunder, and for a period of 36 full months thereafter, you agree that you will refrain from, owning; operating; leasing; franchising; conducting; consulting with; engaging in; having any interest in; assisting any person or entity engaged in for its own account; acting as an employee, consultant, partner, officer, director or shareholder of any other person, firm, entity, partnership or corporation engaged in any Competitive Business that is within 70 miles of your Franchised Location, or within 70 miles of the Franchised Location of any other franchisee or Business owned by an Affiliate or us.

15.3 No Disclosure

You agree that during the term of this Franchise Agreement, during any Successor Franchise Term or at any other time after the Transfer, expiration or earlier termination of this Franchise Agreement (or any franchise agreement signed pursuant to the Successor Franchise term), each will refrain from making any unauthorized disclosure or use the Marks, any component of the System, or any portion of the Proprietary Information.

15.4 Other Protection

During the term of this Agreement, for a period of two years following the Transfer, expiration or termination of this Agreement, and in the area described in Section 15.2 above, you covenant that you will refrain either directly or indirectly, for yourself, or through, on behalf of, or in conjunction with any person, persons, or legal entity from:

- a. diverting or attempting to divert to any competitor of the Business (by direct or indirect inducement or otherwise) any business or Clients of the Business; or
- b. doing or performing, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks or the System.

15.5 Survival

The restrictive covenants of this Article and all other restrictive covenants in this Franchise Agreement (including those in Article 6) survive its Transfer, expiration or earlier termination and will continue to bind the Parties.

15.6 Reasonable Restriction and Savings Clause

a. The covenants found in this Article are intended to be a reasonable restriction on you (and each Person defined as being the Franchisee under Article 1). You and we agree that the purpose of these restrictions is to protect the entire franchise system from unfair competition and to protect the goodwill and time and effort spent by us in creating the Marks, the Proprietary Information, and the System. In fact, we would not have shared such information with you unless you agreed to be bound by the terms of this Article 15 specifically and this Franchise Agreement generally.

b. You further agree that you (and each Person identified as a Franchisee under Article 1) have skills of a general and specific nature and has other opportunities, or will have other opportunities, to use such skills, and that the enforcement of these covenants will not unduly deprive you of the opportunity to earn a living.

c. For purposes of interpretation of the covenants found in this Article, every location of a Business, every month of time, each mile of distance, or any other restriction are considered severable. In the event an arbitrator interprets a spatial, temporal, or other limitation to be overly broad, then the arbitrator will adjust the offending limitation, in the most limited manner possible, so as to fashion a reasonably enforceable covenant that upholds the restrictive nature of this Article specifically and this Franchise Agreement generally.

d. You expressly agree that the existence of any claim you may have against us, whether or not arising from this Franchise Agreement, does not constitute a defense to the enforcement by us of any covenants of this Article specifically and this Franchise Agreement generally. You further agree that we are entitled to set off any loss or damage we suffer against any amounts owed by us to you.

15.7 Tolling of Time and Injunctive Relief

a. You acknowledge that any failure to comply with the requirements of this Article will cause us irreparable injury for which no adequate remedy at law may be available, and you, therefore, understand that we may apply for an injunction to a court of competent jurisdiction to protect our rights. If permitted by law, you agree to waive any requirement that we post a bond. Further, you and we understand that in order to obtain injunctive relief, you and we are not required first to meet face-to-face or to mediate under Article 16. If the temporary injunction is granted, then we must begin the alternative dispute resolution process under Article 16. We may further avail ourselves of any legal or equitable rights and remedies which it may have under this Franchise Agreement or otherwise.

b. If at any time during a period of non-competition, you fail to comply with your obligations under this Article, under Article 6, or under any other covenant that has survived Transfer, termination or expiration, the period of noncompliance will not be credited toward your satisfaction of the period of non-competition. Instead, the counting of the period of non-competition will be tolled until you are again in compliance.

ARTICLE XVI

DISPUTE RESOLUTION

16.1 Resolution before Arbitration

You and we believe that it is important to resolve any disputes amicably, quickly, cost-effectively, and professionally and to return to business as soon as possible. We agree that the provisions of this Article support these mutual, practical business objectives, and, therefore, agree as follows:

a. All provisions of this Franchise Agreement (including the language of this Article) will be fully enforced, including, but not limited to, those relating to arbitration, waiver of jury trial, limitation of damages, venue, choice of laws, and shortened periods in which to bring claims;

b. **All of the terms, covenants, and conditions of this Article including the choice of law, choice of venue and use of arbitration are mandatory and not permissive;**

c. the Parties rely on the federal preemption of state laws under the Federal Arbitration Act (9 U.S.C. § 1 et seq.) (FAA) with the understanding that the FAA and not state law will control any matters pertaining to mediation and arbitration and, as a result, the provisions of this Franchise Agreement will be enforced only according to its terms and through the alternative dispute mechanism found in this Article. The Parties further agree that each Party intends that any state law attempting to prohibit arbitration or attempting to void out-of-state forums for arbitration are preempted by the Federal Arbitration Act and that arbitration will be held as provided in this Article;

d. except as expressly provided in this Franchise Agreement, **EACH PARTY KNOWINGLY WAIVES ALL RIGHTS TO A COURT OR JURY TRIAL AND, INSTEAD, SELECTS FACE-TO-FACE MEETINGS, MEDIATION AND FINALLY BINDING ARBITRATION AS THE SOLE MEANS TO RESOLVE DISPUTES UNDERSTANDING THAT FACE-TO-FACE MEETINGS, MEDIATION AND ARBITRATION MAY BE LESS FORMAL THAN A COURT OR JURY TRIAL, MAY USE DIFFERENT RULES OF PROCEDURE AND EVIDENCE, THAT AN APPEAL PROCESS IS GENERALLY LESS AVAILABLE, AND THAT**

THE FEES AND COSTS ASSOCIATED WITH MEDIATION AND ARBITRATION MAY BE SUBSTANTIALLY GREATER THAN IN CIVIL LITIGATION;

Initials as to the above three subsections:

Initials of Franchisee

Initials of Franchisee

Initials of Franchisor

e. the terms of this Franchise Agreement (including but not limited to this Article) will control with respect to any matters of jurisdiction, venue, and choice of law; and,

f. notwithstanding the fact that a Party is or may become a party to a court action or special proceeding with a third party or otherwise, and whether or not such pending court action or special proceeding: (i) may include issues of law, fact, or otherwise that arise out of the same transaction (or series of related transactions) as any arbitrable matter between or involving the Parties; (ii) involves a possibility of conflicting rulings on issues of law, fact, or otherwise; and (iii) such pending court action or special proceeding may involve a third party who cannot be compelled to arbitrate the terms, covenants, and conditions of this Franchise Agreement, the Parties still agree any dispute between the Parties to this Franchise Agreement will be enforced according to the terms found herein, including the obligation to perform under this Article.

g. Prior to arbitration, each Party agrees to adhere to the following procedure:

i. First, in the event of a disagreement between us, we agree to meet face-to-face within 30 days after one party gives written notice to the other;

ii. Second, if the issues between us cannot be so resolved, then the disagreement must be submitted to non-binding mediation before the Judicial Arbitration and Mediation Service (JAMS) or its successor (or an organization designated by JAMS or its successor). If JAMS is unable or unwilling to conduct such proceedings, and the Parties to the dispute cannot agree on an appropriate organization or person to conduct such proceedings, then the mediation will be heard by the American Arbitration Association.

A. You and we will agree upon a single mediator. If we cannot agree upon the mediator, then the senior-most officer, director, or manager of the association under which the mediation is to take place will choose a neutral and disinterested mediator, and such choice will be final and binding.

B. Any mediation will be conducted by a mediator experienced in franchising. You and we may be represented by counsel and may, with permission of the mediator, bring persons appropriate to the proceeding.

iii. If the mediation does not resolve the matter, then you and we agree that the disagreement will be submitted to and finally resolved by binding arbitration.

16.2 Resolution under Arbitration

a. Arbitration must begin by the earlier of 120 days after the end of mediation or the last day of time period identified in Sections 10.7 and 16.8.

b. Arbitration will be held before and in accordance with the arbitration rules of JAMS or its successor (or an organization designated by JAMS or its successor). If JAMS is unable or unwilling to conduct such proceedings, and the Parties to the dispute cannot agree on an appropriate organization or person to conduct such proceedings, then the arbitration will be heard by a single arbitrator from the American Arbitration Association. Any arbitrator must be experienced in franchising. If the Parties cannot agree upon the arbitrator, then the senior-most officer, director, or manager of the association under which the arbitration is to take place will choose a neutral and disinterested arbitrator and such choice will be final and binding upon the Parties.

c. Any Party may be represented by counsel and may, with permission of the arbitrator, bring persons appropriate to the proceeding.

d. The judgment of the arbitrator on any preliminary matter and final arbitration award will be final and binding and may be entered in any court having jurisdiction.

e. The arbitrator's award will be in writing. On request by any party to the arbitration, the arbitrator will provide to all disputants a reasoned opinion with findings of fact and conclusions of law, and the Party so requesting will pay the arbitrator's fees and costs connected therewith.

f. There will be no right to appeal any preliminary finding or ruling, and there is no right to appeal the final award

g. The Parties agree that they will equally split the fees paid to start arbitration and the fees paid to the arbitrator until the arbitrator awards fees and other costs to the Prevailing Party.

16.3 Confidentiality:

The Parties to any meeting, mediation, or arbitration will sign confidentiality agreements, excepting only public disclosures and filings as are required by law.

16.4 Choice of Law, Venue and Jurisdiction

a. Any meeting, mediation, or arbitration will be conducted exclusively at a neutral location within 15 miles of our then-current headquarters without regard to conflict of law provisions or *forum non-conveniens* demand to the contrary.

b. The arbitrator will apply all applicable laws and equity permitted under the laws of the state in which our headquarters is then located without regard to conflicts of law provisions.

c. The terms of this Section and the terms of this Article generally **are mandatory and not permissive**, and control with respect to any matters of jurisdiction, venue, and choice of law and by initialing below each has agreed to the mandatory terms of this Article generally and to the mandatory terms of this Section specifically.

16.5 Discovery, other Procedural Matters, Fees, and Costs

a. The arbitrator will decide any factual, procedural, or legal questions relating in any way to the dispute between the Parties, including, but not limited to: any decision as to whether there is a franchise contract between the Parties; whether this Article is applicable and enforceable; and all other matters including issues relating subject matter, timeliness, scope, remedies, unconscionability, and any alleged fraud in the inducement.

b. The Parties to the dispute have the same discovery rights as are available under the rules of the arbitration association hosting the arbitration.

c. Each participant must submit or file any claim which would constitute a “compulsory counter-claim” (as defined by the applicable rule under the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any such compulsory counter-claim that is not submitted or filed in such proceeding will be forever barred.

d. The arbitrator may issue summary orders disposing of all or part of a claim and provide for temporary restraining orders, preliminary injunctions, injunctions, attachments, claim and delivery proceedings, temporary protective orders, receiverships, and other equitable, interim or final relief.

e. Each Party consents to the enforcement of such orders, injunctions, etc., by any court having jurisdiction.

f. The arbitrator has subpoena powers limited only by the laws of the state in which our headquarters is then located

g. In addition to any other remedy, the arbitrator will award the “Prevailing Party” his, her, or its costs, fees, reasonable attorney’s fees, expert witness fees, and the like which that Party expended in preparation for and the prosecution of the case at arbitration. For the purposes of this Franchise Agreement in general and this Article specifically, the “Prevailing Party” will be the Party that has obtained the greatest net judgment in terms of money or money equivalent. If money or money equivalent has not been awarded, then the Prevailing Party will be that Party that has prevailed on a majority of the material issues decided. The “net judgment” is determined by subtracting the smallest award of money or money equivalent from the largest award. If there is a mixed decision involving an award of money or money equivalent and equitable relief, the arbitrator using his or her reasonable judgment will award the above fees to the Party that it deems has prevailed over the other Party. This award applies to all matters decided by the arbitrator, including matters pertaining to misrepresentation or fraud.

16.6 Disputes Not Subject to the Mediation or Arbitration

a. Claims or disputes relating primarily to the Marks, to any intellectual property licensed to you, to any matter governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.), are subject to court proceedings in a court of competent jurisdiction. Only the portion of any claim or dispute identified in this Section is subject to court action, but only to the extent

that such action is necessary to protect the Marks, the intellectual property, and any matters governed by the Lanham Act.

b. Matters relating solely to the collection of money by one Party against the other are not subject to a face-to-face meeting, mediation, or arbitration. Such matters include collection efforts against you or us solely for the failure to make timely payment of any amount due to the other. In such an event, such matter may be brought in a court of competent jurisdiction and venue. If however one Party to such action pleads another claim, cross-claim, counter-claim or affirmative defense based on anything other than the mere collection of money, or if the other Party alleges facts concerning fraud or any other equitable defense, then the entire matter, including the collection-of-money effort will be subject to the alternative dispute resolution procedures of this Article.

c. To the extent that either of us seeks injunctive relief prior to the initiation of any alternative dispute resolution requirements under this Franchise Agreement, the same may be applied for to a court of competent jurisdiction. Only the application for injunctive relief will be heard by the court, and the mere fact that the court exercised jurisdiction in considering the injunction will not serve to eliminate the alternative dispute resolution requirements of this Article 16. If the temporary injunction is granted, then the Party that made the application must begin the alternative dispute resolution process under this Article.

16.7 Other Matters

We each understand and specifically agree that any matters concerning the relationship between us and any dispute arising as a result, will be determined on an individual basis and will not be brought as a class action, or with multiple unrelated franchisees (whether as a result of attempted consolidation, joinder, or otherwise). This is prudent from a business standpoint because, (i) the mediation and arbitration procedures function most effectively on an individual case basis; (ii) there are significant factors present in each individual franchisee's situation which should be respected; and (iii) class-wide or multiple plaintiff disputes do not foster quick, amicable, and economic dispute resolutions.

16.8 One Year Limitation of Action

a. Except for an alleged violation of the Marks or any intellectual property licensed to you (which may be brought at any time), and except for the enforcement of our right to indemnification under Article 14 and subsection (c) just below, **YOU AND WE ARE LIMITED TO BRINGING ANY ARBITRATION AGAINST THE OTHER WITHIN ONE YEAR OF THE DATE THAT THE FACTS WHICH GIVE RISE TO THE CLAIM WERE DISCOVERED OR ONE YEAR FROM THE DATE THAT SUCH FACTS REASONABLY SHOULD HAVE BEEN DISCOVERED.** The one-year period begins to run and will not be tolled merely because the claiming party was unaware of legal theories, statutes, regulations, or case law upon which the claim might be based.

b. Notwithstanding the foregoing, if any federal or state law provides for a shorter limitation period than is described in this Section, then such a shorter period will govern.

c. This Article will not apply to issues of indemnification above, and such actions under the indemnification covenant may be brought within the period provided by any limitation-of-action statute under the laws of the state in which our headquarters is then located.

16.9 Survival of Obligations

Each provision of this Article 16 will be self-executing and continue in full force and effect subsequent to and notwithstanding the Transfer, expiration, termination, rescission, or finding of unenforceability of this Agreement (or any part of it) for any reason.

ARTICLE XVII

17.1 Insurance is Required and Minimum Coverage

Before you open, and then no later than 30 days before each renewal or expiration date of a policy, you will purchase and maintain in full force during each Term, an insurance policy or policies protecting you and us, and the officers, directors, partners, and employees of both you and us against any loss, liability, personal injury, death, property damage or expense whatsoever arising or occurring upon or in connection with the operation of the Business. We and our officers, directors, members, partners, and employees will be named as an additional insured on all such policies using the latest version of ISO endorsement CG 2010 or the combination of the latest version of ISO endorsements CG 2033 and CG 2037 (or their combined equivalent). The coverage afforded to the additional insureds must be written on a primary basis, and will not require or contemplate contribution by any other policy or policies obtained by, or available to, an additional insured.

b. At the time you first obtain insurance, and within 30 days of each renewal, you will deliver to us the actual policy or policies of insurance or endorsements issued by the insurer (and not the broker) evidencing the proper coverage with limits not less than those required hereunder.

c. All policies must expressly provide that not less than 30 days prior written notice must be given to us in the event of a material alteration to termination, non-renewal, or cancellation of the coverage evidenced by such policies.

d. You will obtain the following insurance with the following minimum coverages. You can elect to purchase insurance with greater coverage or limits:

i. General liability insurance having a combined annual single limit for any form of injury and property damage of \$1,000,000 per occurrence and 2,000,000 in the aggregate;

ii. Automobile liability insurance in reference to the vehicle or vehicles that are used in the operation of the Business, and automobile liability coverage for owned, non-owned, scheduled and hired vehicles having limits for bodily injuries of \$500,000 per person and \$1,000,000 per accident, and property damage limits of \$50,000 per occurrence;

iii. Employer's liability and worker's compensation insurance is mandatory regardless of being required by state law in the state in which the Business is found;

iv. Business interruption insurance of not less than \$30,000.00 per month for loss of income and other expenses with a limit of not less than nine months of coverage;

v. Professional liability insurance with coverage of at least \$1,000,000 per occurrence and \$1,000,000 annual aggregate; and,

vi. Excess liability umbrella coverage for general and automobile liability coverage in an amount of not less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate;

e. Such policy or policies must be written by an insurance company rated A-minus or better, in Class 10 or higher, by Best Insurance Ratings Service and satisfactory to us in accordance with standards and specifications set forth in the Franchisee Manuals or otherwise in writing, from time to time, and will include, at a minimum, the coverage found above.

17.2 No Limitations on Coverage and Primacy of Your Insurance

a. Your obligation to obtain and maintain, or cause to be obtained and maintained, the foregoing policy or policies in the amounts specified will not be limited in any way by reason of any insurance that may be maintained by us, nor will your performance of these obligations relieve you of liability under the indemnity provisions set forth herein.

b. Although we require certain insurance coverage and may recommend other coverages, we do not guarantee that the required or recommended insurance will be adequate to protect all of your assets. You should consult with an insurance professional to determine what coverage, in addition to the minimum required coverage, may be needed for you and your Business.

c. Your insurance policies will contain a provision stating that your insurance coverage is primary to any coverage maintained by us, and we will be entitled to recover under your policies for any loss sustained by us.

17.3 Franchisor May Procure Insurance Coverage

Should you, for any reason, fail to procure or maintain the insurance required by this Agreement, as described from time to time by the Franchisee Manuals or otherwise in writing, we have the right and authority (but no obligation) to procure such insurance and to charge the same to you; said charges, together with a reasonable fee for our expenses in so acting, will be immediately payable to us by you.

ARTICLE XVIII

misrepresentation based on any such oral representations or commitments and that no modifications of this Agreement are effective except those in writing and signed by both Parties.

c. We do not authorize and will not be bound by any representation of any nature other than those expressed in this Agreement. 18.5 No Waiver

A waiver by a Party of any term, covenant or condition contained in this Agreement is not a waiver in the future of the enforcement of such term, covenant or condition, and the failure of a Party to exercise a right or remedy granted to it under this Agreement will not constitute or be considered to imply a further waiver by a Party of enforcement of the same or any other condition, covenant, right, or remedy. No custom, usage, concession, or practice on the part of a Party that varies from the literal terms of this Franchise Agreement will preclude at any time the strict enforcement of this Agreement (upon due notice) in accordance with its terms.

18.6 No Right to Set Off or Third Party Beneficiaries

a. You are not allowed to set off amounts owed to us for any fees, or other amounts due hereunder, against any monies owed to you, nor will you, in any event, withhold such amounts due to any alleged nonperformance by us hereunder, which right of set-off is hereby expressly waived by you.

b. All of our obligations under this Agreement are solely and exclusively for the benefit you and us, and no other party is entitled to rely on, enforce, benefit from, be deemed to be a third-party beneficiary, or otherwise obtain relief either directly or by subrogation.

18.7 Invalidity

If any provision of this Agreement is held invalid, and if such provision is modified by the arbitrator to eliminate the invalid element, then the provision as modified will be a part of this Franchise Agreement as though originally included. The remaining provisions of this Franchise Agreement will not be affected by such modification. If any provision cannot be modified, then it will be stricken, and the rest of the Franchise Agreement will remain in full force and effect.

RELEASE FOR CRIMINAL AND CREDIT CHECK

CREDIT AND CRIMINAL BACKGROUND CHECK RELEASE FORM

I understand that an initial and ongoing credit and criminal background check is a condition of being considered as a franchise candidate (and franchisee) of Ringside Development Company d/b/a Bio-One Colorado, Inc. (RDC).

I consent to RDC obtaining my criminal conviction history from any law enforcement agency, criminal background service provider, municipality, state, or the FBI. I understand that RDC will obtain this information at the time I apply to become a franchisee and during the term of my franchise agreement. The criminal history record, as received from the reporting entity may include, but not be limited to, arrest and conviction data, plea bargains, deferred adjudication, as well as social security verification. It may also include information regarding driving history. I understand that I will have a limited opportunity to review the criminal history, and a process is available for clarification if I dispute the record as received.

I further consent to RDC obtaining my credit history from all three credit reporting agencies. I understand that RDC will obtain this information at the time I apply to become a franchisee and during the term of my franchise agreement.

I hereby release and agree to indemnify RDC and its officers, directors, employees, and agents harmless from and against any and all liability, expense (including court cost and attorneys' fees) and claims for damage of any nature whatsoever resulting from the investigation of my background in connection with my application to become, and ongoing performance as a franchisee.

I certify that the information provided in this form is true and complete. I understand that false or misleading information given in my application to purchase a franchise, any subsequent written documents, any interview(s), any other documents given to RDC, or on this form will render my application void, and will result in my not being able to purchase a franchise or may result in the termination of my franchise. I authorize you to make a criminal background investigation and other such investigations as are necessary for arriving at the decision to permit me to purchase a franchise or to retain my rights as a franchisee.

I further understand and agree that should any criminal or credit background checks be done during the term of the franchise agreement disclose any material change in my status, the same may result in the termination of my franchise.

Initials

Notwithstanding the foregoing, any misuse by Franchisor of any information obtained during such background check that results in damage or injury to the below-signed shall permit the below-signed such rights as may be available.

RDC will keep this form on file for the term of my franchise agreement and for a period of two (2) years following its termination for any reason.

COVENANTS

1. Franchisee, for and on behalf of itself, its officers, directors, shareholders, and employees, and on behalf of any parent corporation or subsidiary, business entity, successor, assignee, and their officers, directors, shareholders, and employees, (Franchisee Parties) and Guarantor for himself or herself and for and on behalf of its family members and for and in consideration of: the Franchisor granting to the Franchisee the right to do the following; _____; and for other good and valuable consideration, all of which is deemed to be adequate by all Parties hereto, do each (personally, jointly and severally) from the beginning of time to the Effective Date of this Release, release, indemnify, and forever forgive and discharge Franchisor and Franchisor's officers, directors, shareholders, agents and employees (Franchisor Parties), from any and all: equitable or legal claims; claims sounding in federal law or state statute; causes of action; complaints; direct, indirect, punitive or consequential damages; judgments; business losses; awards; injury, or any other right or action (separately and together a "Claim" or the "Claims") which relate in any way to: (i) the manner and method by which Franchisor delivered the FDD to Franchisee, and Guarantor (ii) the content, or lack of content of the FDD (as such content may have been required by any applicable state or federal law); (iii) the performance or failure of performance of

Franchisor or Franchisor Parties in reference to any federal-required or state-required disclosure obligations and requirements; (iv) any oral, written, express or implied promises, statements, disclosures and the like relating in any way to the Franchise Agreement or the franchise relationship between the Franchisor and Franchisor Parties, Franchisee, Guarantor and the Franchise Parties; (v) the performance or the failure to perform of Franchisor or any Franchisor Party under the Franchise Agreement; (vi) the performance or failure to perform of Franchisor or any Franchisor Party under any other oral or written, express or implied agreement, covenant, or document whether or not found in the Franchise Agreement; and, (vii) any other Claim sounding in equity or law. Notwithstanding the foregoing, nothing in this Release is intended to disclaim any representations made in the Franchise Disclosure Document.

2. Franchisee for itself and on behalf of the Franchisee Parties and Guarantor each agree and expressly states that this Release was made in contemplation of not only known Claims and the consequences thereof but also in contemplation of the possibility that each such Party identified in this paragraph may or will sustain future damages presently unknown to them and which accrued on or before the Effective Date of this Release but which were not asserted until after that date. By executing this Release Franchisee for itself and on behalf of the Franchisee Parties intend to release Franchisor and the Franchisor Parties, jointly and severally from liability for any and all known, unknown and unforeseen Claims, losses, expenses, damages, costs, liabilities, business losses, and the consequences thereof.

3. Franchisee for itself and on behalf of the Franchisee Parties assume any and all risk that the facts and law may be, or may become, different from the facts and law as known to them, or believed to be known by them as of the date of this Release, and each agrees that if the execution of this Release was made on the basis of mistake (mutual or unilateral) that each will forever waive any right to claim that entering into this Release resulted from a mistake of any kind, thereby waiving all claims based upon the doctrine of mistake.

4. Franchisee for itself and on behalf of the Franchisee Parties and Guarantor deliver this Release with the intent that Franchisor rely upon the same. Should any condition, covenant, or clause herein be considered to be unenforceable, any tribunal of competent jurisdiction shall be permitted to amend the Release to the least extent possible so as to form an enforceable covenant, or if such amendment cannot be fashioned then to excise the offending clause, covenant, or condition so as to form an enforceable Release, which shall be binding upon the Parties to the fullest extent permissible.

5. Notwithstanding the terms of this Release, nothing herein relieves any Party of the obligation to maintain the confidentiality of any confidential, trade secret, proprietary, or similar information of any other Party. The terms of this Release are and will remain confidential and will not be disclosed by any Party, except as required by legal process, and except as required to be disclosed in Franchisor's Franchise Disclosure Document.

6. In the event of a dispute concerning this Release, the Parties agree that the alternative dispute resolution provisions of the Franchise Agreement found at Article 16 are incorporated herein by this reference as if fully set forth here and the same will be the manner by which any such dispute is resolved.

7. If any mandatory provisions of the governing state law limit or prohibit the use of this Release, or which in any manner impose different rights or obligations as are found herein, then such mandatory provisions of state law are incorporated in the Franchise Agreement and this Release by reference and shall prevail over any inconsistent terms in this Release. If no such law exists, or if such law exists but permits the Franchisee to agree to abide by the terms of this Release, or if by accepting the alternative dispute resolution covenants of the Franchise Agreement found at Article 16, the state law is

preempted by the federal law applicable to such dispute resolution, then the Franchisee for itself and on behalf of the Franchisee Parties and Guarantor each agree to abide by the terms of this Release. Notwithstanding the foregoing, excluded from this release are claims arising from representations in the FDD.

8. Notwithstanding anything herein to the contrary:

a. Release of Unknown Claims and Waiver of California Law. The Franchisee, Franchisee Parties, and Guarantors acknowledge that they are aware and informed that the laws of California may purport to limit or reduce the effect of a general release with respect to claims not known or suspected by them at the time of execution of the release, such as Section 1542 of the Civil Code of the State of California which provides that:

“A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release which, if known by him, must have materially affected his or her settlement with the debtor.”

Franchisee, Franchisee Parties, and each Guarantor waives and relinquishes every right or benefit which they have, or may have, under Section 1542 of the Civil Code of the State of California and under any similar provisions of any other law (as may be applicable to this Release), to the fullest extent that the Franchisee, Franchisee Parties, and Guarantors, may lawfully waive such right or benefit pertaining to the subject matter of this Release. In connection with such waiver and relinquishment, with respect to the Released Claims, the Franchisee, Franchisee Parties, and Guarantors each acknowledge that they are aware and informed that they may hereafter discover facts in addition to or different from those that they now know or believe to be true with respect to the subject matter of this Release, but that it is the Franchisee's, Franchisee Party's, and Guarantor's intention to settle and release fully, finally and forever, all claims, disputes, and differences, known or unknown, suspected or unsuspected, which now exist, may exist or heretofore existed, and in furtherance of such intention, the release given herein shall be and remain in effect as a full and complete release, notwithstanding the discovery or existence of any such additional or different facts that would have affected the release of all Released Claims. Franchisee and each Franchise Party and Guarantor agree to defend and indemnify Franchisor from any and all claims arising out of, directly or indirectly, the assertion by Franchisee, each Franchise Party, and each Guarantor, (or any person or entity by, through, or on their behalf) of any Released Claims, positions, defenses, or arguments contrary to this Section 6(a) above.

b. Release of Unknown Claims and Waiver of South Dakota Law. The Franchisee and each Franchise Party and Guarantor acknowledge that each is aware and informed that the laws of South Dakota may purport to limit or reduce the effect of a general release with respect to claims not known or suspected by them at the time of execution of the release, such as South Dakota Codified Laws § 20-7-11, which provides as follows:

“A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.”

Franchisee and each Franchise Party and Guarantor, waive and relinquish every right or benefit which they have, or may have, under § 20-7-11 of the South Dakota Codified Laws, and under any similar provisions of any other law (as may be applicable to this Release), to the fullest extent that they may lawfully waive such right or benefit pertaining to the subject matter of this Release. In connection with such waiver and relinquishment, with respect to the Released Claims, Franchisee and each

Franchisee Party and Guarantor acknowledge that they are aware and informed that they may hereafter discover facts in addition to or different from those that Franchisee and each Franchisee Party and Guarantor now know or believe to be true with respect to the subject matter of this Release, but that it is their intention to settle and release fully, and finally and forever, all Released Claims, disputes and differences, known or unknown, suspected or unsuspected, which now exist, may exist or heretofore existed, and in furtherance of such intention, the release given herein shall be and remain in effect as a full and complete release, notwithstanding the discovery or existence of any such additional or different facts that would have affected the release of all Released Claims. Franchisee and each Franchisee Party and Guarantor agree to defend and indemnify Franchisor and the Franchisor Affiliates from any and all Released Claims arising out of, directly or indirectly, the assertion by the Franchisee and the Franchisee Affiliates (or any person or entity by, through, or on behalf of Releasor) of any Released Claims, positions, defenses, or arguments contrary to this Section 1 (b) of this Release.

9. Additional Provisions

a. Each such Party represents that the execution and delivery of this Release is the duly authorized and binding act of such Party.

b. The Recitals are incorporated herein by this reference.

c. This Release shall be interpreted in accordance with the laws of the state of Colorado without regard to any conflict of laws provision to the contrary. Enforcement of this Release is to be under the alternative dispute resolution provisions of the Franchise Agreement found at Article 16 as though such Article was incorporated in its entirety herein.

d. Each Party shall fully cooperate with all other Parties with respect to the performance of this Release. Each Party will execute, acknowledge and deliver such further documents that may reasonably be required in order to perform this Release effectively and to evidence the release of all obligations and liabilities of the Parties as more fully stated herein.

e. This Release may be executed in one or more counterparts, each of which will be deemed to be an original, but all of which together will constitute one and the same instrument, without the necessity of production of the others. An executed signature page delivered via facsimile transmission or electronic signature shall be deemed as effective as an original executed signature page.

EXHIBIT 6
STATE ADDENDA

CALIFORNIA ADDENDUM TO FRANCHISE AGREEMENT

This Addendum to the Franchise Agreement, agreed to this ____ day of _____, 20__, between Ringside Development Company d/b/a Bio-One Colorado, Inc, and _____, amends and revises said Franchise Agreement as follows:

1. In recognition of the requirements of the California Franchise Investment Law, Cal. Corp. Code §§31000-3516 and the California Franchise Relations Act, Cal. Bus. And Prof. Code §§20000-20043, the Franchise Agreement is amended as follows:

a. The California Franchise Relations Act provides rights to Franchisee concerning termination or nonrenewal of the Franchise Agreement, which may supersede provisions in the Franchise Agreement.

b. That part of Article 10 of the Franchise Agreement, which terminates the Franchise Agreement upon the bankruptcy of the Franchisee, may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101, *et seq.*).

c. That part of the Franchise Agreement that contains a covenant not to compete, which extends beyond the expiration or termination of the Agreement, may not be enforceable under California Law.

d. The Franchise Agreement is governed by Colorado Law. This requirement may be unenforceable under California Law.

e. The Franchise Agreement requires litigation to be conducted in Colorado. This provision might not be enforceable for any cause of action arising under California law.

f. The Franchise Agreement requires binding arbitration. The arbitration will occur within 15 miles of our then-current headquarters that now is in Greenwood Village, Colorado, with the prevailing party's costs and expenses to be borne by the other party. Prospective franchisees are encouraged to consult legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code §20040.5, Code of Civil Procedure §1281, and the Federal Arbitration Act) to any provisions of the Franchise Agreement restricting venue to a forum outside of the State of California.

g. The Franchise Agreement may contain a liquidated damages clause. Under California Civil Code §1671, certain liquidated damages clauses are unenforceable.

h. You must sign a general release if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516.) California Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§ 20000 through 20043).

i. The California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise if the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

3. In California, we agree that we will defer collecting the IFF and any other fees that are described in this Article until we have provided you with all of our pre-opening services (Article 5), and you are open for business. At that time, all fees to us will be due.

4. Each provision of this Addendum will be effective only to the extent that the jurisdictional requirements of the California Investment Law and/or the California Franchise Relations Act are met independently of this Addendum. To the extent this Addendum is deemed to be inconsistent with any terms or conditions of said Franchise Agreement or exhibits or attachments thereto, the terms of this Addendum will govern. Notwithstanding the foregoing, if the choice of law, jurisdiction or venue provisions of Article 16 preempt state law, then the terms of the Franchise Agreement will prevail.

IN WITNESS WHEREOF, each of the undersigned hereby acknowledges having read this Addendum and understands and consents to be bound by all of its terms.

STATE ADDENDA

STATE OF CALIFORNIA

Section 31125 of the Franchise Investment Law requires us to give you a disclosure document approved by the Department of Business Oversight before we ask you to consider a material modification of your Franchise Agreement.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT

The Franchise Agreement requires you to resolve disputes with us by mediation and arbitration only in Colorado. Out-of-state mediation and arbitration may force you to accept a less favorable settlement for disputes. It may also cost you more to mediate and arbitrate in Colorado than in your own state.

The Franchise Agreement states that Colorado law governs the agreement, and this law may not provide the same protections and benefits as local law. You may want to compare these laws.

ITEM 1 is amended to provide the following:

In California, you must obtain a Trauma Scene Waste Management Practitioner (TSW) permit from the California Department of Health. This requires the filing of a form and fee. See generally, <https://www.cdph.ca.gov/Programs/CEH/DRSEM/Pages/EMB/MedicalWaste/Trauma-Scene.aspx>, which is the page from the California Department of Public Health that describes this procedure.

ITEM 2 is amended to provide the following:

The franchisor, any person or franchise broker listed in Item 2 of the disclosure document are not subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

ITEM 3 is amended to state the following:

The franchisor, any person or franchise broker in Item 2 of the UFDD is not subject to any currently effective order of any national securities association or national securities exchange, as defined by the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

ITEM 4 is amended to state the following:

No person previously identified in Item 2 of this Disclosure Document has been involved as a debtor in proceedings under the U.S. Bankruptcy Code.

ITEM 5 is amended to state the following:

We will refrain from collecting the IFF or any other fees from you until we have delivered all of our pre-opening services (Item 11), and you are open for business. At that time, we will collect all pre-opening fees that are due to us.

ITEM 12 is amended to state that we reserve the right to establish alternative channels of distribution without compensation to the franchisee.

ITEM 17 of the Disclosure document is amended to add the following:

The California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise if the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A., Sec. 101 et seq.)

The Franchise Agreement requires Franchisee to sign a general release as a condition of transfer. This general release excludes claims arising under California law and will exclude any claims arising from representations in the FDD.

The Franchise Agreement contains a covenant not to compete, which extends beyond the term of the agreement. This provision might not be enforceable under California law.

The Franchise Agreement requires litigation to be conducted by arbitration held in Denver, Colorado. This provision might not be enforceable for any cause of action arising under California law.

The Franchise Agreement requires the application of the laws of the state of Colorado. This provision might not be enforceable under California law.

The Franchise Agreement may contain a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516).

Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professional Code Sections 2000 through 20043).

The Franchise Agreement requires binding arbitration. The arbitration will occur no further than 15 miles from our then-current headquarters that now is Greenwood Village, Colorado, with the costs being borne by the prevailing party. Prospective franchisees are encouraged to consult legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of the Franchise Agreement restricting venue to a forum outside the State of California.

In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.
- With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days notice of termination (with 60 days to cure) and 180 days notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.
- The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes, or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.
- Minnesota considers it unfair not to protect the franchisee's right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).
- Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.
- The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

RINGSIDE DEVELOPMENT COMPANY DBA BIO-ONE INC.

Notes to Financial Statements

December 31, 2019

Note 1 - Description of Business and Summary of Significant Accounting Policies

Ringside Development Company dba Bio-One Inc. (the "Company"), an Arizona corporation, was incorporated on May 27, 2010. On March 24, 2016, the Company registered as a foreign corporation in Colorado as Bio-One Colorado, Inc. The Company is engaged in the business of franchising Bio-One franchises across the United States. Bio-One provides crime and trauma scene services.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents. There were no cash equivalents as of December 31, 2019, 2018, and 2017. The Company continually monitors its positions with, and the credit quality of, the financial institutions with which it invests. As of the balance sheet date, and periodically throughout the year, the Company has maintained balances in various operating accounts in excess of federally insured limits of 250,000.

Restricted Cash

The Company established and has collected contributions for a National Branding Fund pursuant to the Franchise Disclosure Document and individual franchise agreements, which are segregated in a separate bank account.

Accounts Receivable

Accounts receivable primarily consist of amounts due from franchisees for royalties and National Branding Fund fees earned by the Company but not yet collected as well as unbilled miscellaneous billings for items such as insurance, training, and expendable equipment. Interest and late fees may also be charged on overdue accounts. An account is considered past due based on stated invoice terms. The Company has not experienced significant losses related to receivables from individual franchisees and believes all accounts to be collectible. Therefore, the Company has not provided an allowance for uncollectible accounts as of December 31, 2019, 2018, and 2017.

Concentrations of Credit Risk

The Company grants credit in the normal course of business to franchisees in the United States. The Company periodically performs credit analysis and monitors the financial condition of its franchisees to reduce credit risk. The Company performs ongoing credit evaluations of its franchisees but generally does not require collateral to support accounts receivable.

RINGSIDE DEVELOPMENT COMPANY DBA BIO-ONE INC.

Notes to Financial Statements

December 31, 2019

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Concentrations of Credit Risk (continued)

The Company considers any franchisee with a balance in excess of 10% of accounts receivable or revenue to be a concentration. There were no concentrations of accounts receivable or revenue as of and for the years ended December 31, 2019 and 2018.

Property and Equipment

Property and equipment are stated at cost. Depreciation is provided utilizing the straight-line method over the estimated useful lives for owned assets and the shorter of the estimated economic life or related lease terms for leasehold improvements. Construction in progress is included in property and equipment. These assets begin depreciating when placed in service.

Life Insurance Policies

The Company has recorded the amount that would be realized upon discontinuance and surrender of various insurance contracts for franchise owners and employees as a non-current asset. Premiums paid and changes in the net cash surrender value are recorded in operating expenses. Variations between individual contracts are minimal.

Income Taxes

The Company recognizes deferred tax liabilities and assets based on the differences between the tax basis of assets and liabilities and their reported amounts in the financial statements that will result in taxable or deductible amounts in future years.

The Company evaluates its tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions will more likely than not be sustained by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold are not recorded as a tax benefit or expense in the current year. Interest and penalties, if applicable, are recorded in the period assessed as general and administrative expenses. However, no interest or penalties have been assessed as of December 31, 2019, 2018, and 2017.

The Tax Cuts and Jobs Act ("Tax Act") was signed into law on December 22, 2017. The Tax Act includes significant changes to the U.S. corporate income tax system, including a federal corporate rate reduction from 35% to 21%; limitations on the deductibility of interest expense and executive compensation; eliminating the corporate alternative minimum tax ("AMT") and changing how existing AMT credits can be realized; changing the rules related to uses and limitations of net operating loss carryforwards created in tax years beginning after December 31, 2017; and the transition of U.S. international taxation from a worldwide tax system to a territorial tax system.

RINGSIDE DEVELOPMENT COMPANY DBA BIO-ONE INC.

Notes to Financial Statements

December 31, 2019

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

As a result of the reduction in the federal tax rate, the Company is required to revalue its ending deferred tax liabilities and assets as of December 31, 2017, as well as evaluate whether a valuation allowance is needed for deferred tax assets. The impact of the change in federal tax rate is included in income tax expense (benefit) on the statements of operations. During the year ended December 31, 2017, approximately \$44,000 of the change in deferred tax asset on the balance sheets and the related income tax expense (benefit) on the statements of operations was due to the change in the federal statutory rate.

Shipping and Handling

Costs associated with the shipping and handling of the Company's product are included in general and administrative expenses.

Franchise Operations

The Company enters into franchise agreements with unrelated third parties to build and operate crime scene clean-up companies using the Bio-One brand. The franchisees are required to operate their companies in compliance with their franchise agreements, which includes adherence to operating and quality control procedures established by the Company.

As of January 1st of 2019, 2018, and 2017, the number of franchised locations was 74, 50, and 24, respectively. As of December 31st of 2019, 2018, and 2017, the number of franchised locations was 95, 74, and 50, respectively.

Initial Franchise Fees and Related Franchise Costs

Initial franchise fees paid by franchisees are recognized as revenue when all material services and conditions required to be performed by the Company have been substantially completed, which is generally when the franchise commences operations. Initial franchise fees collected by the Company before all material services and conditions are substantially performed are recorded as deferred franchise revenue. These franchise fees are non-refundable except in certain circumstances. In 2016, the Company determined that the Federal Trade Commission could potentially assert that the Company was out of compliance with certain Federal Trade Commission requirements for franchisors. No such assertion was ultimately made by the Federal Trade Commission. Regardless, the Company offered all current franchisees as of November 2016 the opportunity to rescind their franchise agreement in exchange for a refund of their initial franchise fee. During the year ended December 31, 2017, the Company paid \$156,541 in rescissions fees, which are presented as a reduction of total revenues on the statements of operations. In conjunction with the rescissions, for franchisees that chose not to rescind, the Company offered a one percentage point discount in royalty payments and a 20% discount on other purchased goods from the Company for the year ended December 31, 2017.

Deferred franchise costs represent certain costs incurred to develop new franchises and are expensed when the related revenue is recognized, generally when the franchise commences operations. Franchise costs will not be deferred in excess of the amount to be recognized.

RINGSIDE DEVELOPMENT COMPANY DBA BIO-ONE INC.

Notes to Financial Statements

December 31, 2019

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

License Fees

License fees provide third parties the right to use the Company's brand over an agreed-upon term. License fees collected by the Company are recorded as deferred franchise fee revenue and recognized ratably over the term. These license fees are non-refundable.

Area Director Marketing Agreements

In the past, the Company offered area director marketing agreements that provided the area director a non-exclusive right to sell and open franchises in a defined geographic territory in the U.S. and required that the area director be responsible for advertising, soliciting, and screening prospective franchisees. The agreements stipulate a minimum number of new franchised locations to be opened each year. In addition, the area director was responsible for providing on-site opening assistance and providing quality assurance services to franchises in the defined area. The Company agreed to pay the area director a portion of the initial franchise fee as defined by the agreement for each new franchised location sold by the area director and 50% of the royalties received by the Company from each franchise within the defined area. The agreement was for a period of 10 years, with the option to extend for an additional 10 years after certain restrictive performance criteria are met. All franchised locations opened by the area director were required to pay the Quick Start Package ("QSP") fee, as defined in the agreement, to the Company. The Company agreed that it would defer revenue associated with the area director marketing agreement, recognizing it ratably over the term of the agreements. These agreements are no longer offered as of January of 2018.

QSP Revenues

In some instances, franchisees are required by the Company to purchase from the Company an intimal package of equipment, tools, and supplies needed to open a franchised location. This package of equipment is described as a QSP. The revenue from the sale of a QSP is recognized by the Company when the QSP is shipped to franchisees.

Franchise Royalties

Pursuant to the various franchise agreements, U.S. franchisees are required to pay the Company royalties based on a percentage of sales of 7%, which are recognized when earned.

National Branding Fund

Under the terms of the standard franchise agreement, the Company may establish a National Branding Fund (the "Fund") and charge a fee of up to 2% of each franchisee's gross receipts to pay for marketing costs that benefit multiple franchisees. The Fund is used to promote the brand. Fund revenues and expenses are recognized in equal amounts as marketing expenses are incurred. Any amounts collected but unspent at the end of the year are recorded as deferred revenue - marketing fees on the accompanying balance sheets. The Company recognizes national branding fees collected as deferred revenue - marketing fees until a related expense has been incurred, at which time revenue is recognized. The Company records related advertising expenses as they are incurred.

December 31, 2019

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Accounting Pronouncements issued but Not Yet Adopted or Currently in Effect Revenue from Contracts with Customers (Topic 606)

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers (Topic 606), which is a comprehensive new revenue recognition standard that will supersede existing revenue recognition guidance. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customer in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. FASB issued ASU 2015-14 that deferred the effective date for the Company until annual periods beginning after December 15, 2018 which is December 31, 2019. Earlier adoption is permitted subject to certain limitations. The amendments in this update are required to be applied retrospectively to each prior reporting period presented or with the cumulative effect being recognized at the date of initial application. The Company has implemented the comprehensive new revenue standard.

In November 2015, the FASB issued ASU No. 2015-17, *Income Taxes (Topic 740), Balance Sheet Classification of Deferred Taxes*. The amendments under the new guidance require that deferred tax liabilities and assets be classified as non-current in a classified statement of financial position. The guidance is effective for financial statements issued for annual periods beginning after December 15, 2017, and interim period within those annual periods. The amendments in this ASU may be applied either prospectively to all deferred tax liabilities and assets or retrospectively to all periods presented. The Company adopted this guidance effective December 31, 2017 on a retrospective basis.

Subsequent Events

The Company has evaluated all subsequent events through the auditors' report date, which is the date the financial statement were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

Note 2: Income Taxes

The Company's temporary differences are comprised mainly of deferred revenue and deferred franchise costs. The Company's effective tax rate differs from the U.S. federal statutory tax rate due to a graduated federal tax rate adjustment, state taxes, and permanent differences.

Components of income tax expense (benefit) reflected on the statements of operations are as follows:

	2019	2018	2017
Current	\$ 4,906	\$ 204,374	\$ 26,057
Deferred	26,361	(26,802)	103,845

Litigation

In the normal course of business, the Company may be party to litigation. The Company has not been party to any litigation as of the auditors' report date, which is the date the financial statements were available to be issued. The Company maintains insurance to cover certain actions.

Note 4: Employee Benefit Plan

Effective January 1, 2015, the Company adopted the Ringside Development Company Profit Sharing Plan (the "Plan") to provide retirement benefits for its employees. The Plan provides for employee elective deferrals and discretionary employer profit sharing contributions. In 2016, the Company amended the Plan to add a 3% employer safe-harbor contribution to be effective January 1, 2017. The total profit sharing contribution to the Plan for the year ended December 31, 2019 was \$140,713, of which \$119,383 was contributed to the Plan, and \$21,330 was payable as of December 31, 2019.

Notes to Financial Statements

December 31, 2018

Note 1 - Description of Business and Summary of Significant Accounting Policies

Ringside Development Company dba Bio-One Inc. (the "Company"), an Arizona corporation, was incorporated on May 27, 2010. On March 24, 2016, the Company registered as a foreign corporation in Colorado as Bio-One Colorado, Inc. The Company is engaged in the business of franchising Bio-One franchises across the United States. Bio-One provides crime and trauma scene services.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents. There were no cash equivalents as of December 31, 2018, 2017, and 2016. The Company continually monitors its positions with, and the credit quality of, the financial institutions with which it invests. As of the balance sheet date, and periodically throughout the year, the Company has maintained balances in various operating accounts in excess of federally insured limits of 250,000.

Restricted Cash

The Company established and has collected contributions for a National Branding Fund pursuant to the Franchise Disclosure Document and individual franchise agreements, which are segregated in a separate bank account.

Accounts Receivable

Accounts receivable primarily consist of amounts due from franchisees for royalties and National Branding Fund fees earned by the Company but not yet collected as well as unbilled miscellaneous billings for items such as insurance, training, and expendable equipment. Interest and late fees may also be charged on overdue accounts. An account is considered past due based on stated invoice terms. The Company has not experienced significant losses related to receivables from individual franchisees and believes all accounts to be collectible. Therefore, the Company has not provided an allowance for uncollectible accounts as of December 31, 2018, 2017, and 2016.

Concentrations of Credit Risk

The Company grants credit in the normal course of business to franchisees in the United States. The Company periodically performs credit analysis and monitors the financial condition of its franchisees to reduce credit risk. The Company performs ongoing credit evaluations of its franchisees but generally does not require collateral to support accounts receivable.

Notes to Financial Statements

December 31, 2018

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Concentrations of Credit Risk (continued)

The Company considers any franchisee with a balance in excess of 10% of accounts receivable or revenue to be a concentration. There were no concentrations of accounts receivable or revenue as of and for the years ended December 31, 2018 and 2017. The following table detail the concentrations of accounts receivable and revenues as of and for the year ended December 31, 2016.

As of and for the year ended December 31, 2016:

	<u>Percent of Accounts Receivable</u>	<u>Percent of Revenues</u>
Franchise A	10%	4%
Remaining twenty-three franchisees	90%	96%

Property and Equipment

Property and equipment are stated at cost. Depreciation is provided utilizing the straight-line method over the estimated useful lives for owned assets and the shorter of the estimated economic life or related lease terms for leasehold improvements. Construction in progress is included in property and equipment. These assets begin depreciating when placed in service.

Life Insurance Policies

The Company has recorded the amount that would be realized upon discontinuance and surrender of various insurance contracts for franchise owners and employees as a non-current asset. Premiums paid and changes in the net cash surrender value are recorded in operating expenses. Variations between individual contracts are minimal.

Income Taxes

The Company recognizes deferred tax liabilities and assets based on the differences between the tax basis of assets and liabilities and their reported amounts in the financial statements that will result in taxable or deductible amounts in future years.

The Company evaluates its tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions will more likely than not be sustained by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold are not recorded as a tax benefit or expense in the current year. Interest and penalties, if applicable, are recorded in the period assessed as general and administrative expenses. However, no interest or penalties have been assessed as of December 31, 2018, 2017, and 2016.

The Tax Cuts and Jobs Act ("Tax Act") was signed into law on December 22, 2017. The Tax Act includes significant changes to the U.S. corporate income tax system, including a federal corporate rate reduction from 35% to 21%; limitations on the deductibility of interest expense and executive compensation; eliminating the corporate alternative minimum tax ("AMT") and changing how existing AMT credits can be realized; changing the rules related to uses and limitations of net operating loss carryforwards created in tax years beginning after December 31, 2017; and the transition of U.S. international taxation from a worldwide tax system to a territorial tax system.

RINGSIDE DEVELOPMENT COMPANY DBA BIO-ONE INC.

Notes to Financial Statements

December 31, 2018

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

As a result of the reduction in the federal tax rate, the Company is required to revalue its ending deferred tax liabilities and assets as of December 31, 2017, as well as evaluate whether a valuation allowance is needed for deferred tax assets. The impact of the change in federal tax rate is included in income tax expense (benefit) on the statements of operations. During the year ended December 31, 2017, approximately \$44,000 of the change in deferred tax asset on the balance sheets and the related income tax expense (benefit) on the statements of operations was due to the change in the federal statutory rate.

Reclassifications

Certain amounts in the 2016 financial statements have been reclassified to conform to the 2017 presentation. These reclassifications had no effect on previously reported results of operations or retained earnings.

Shipping and Handling

Costs associated with the shipping and handling of the Company's product are included in general and administrative expenses.

Franchise Operations

The Company enters into franchise agreements with unrelated third parties to build and operate crime scene clean-up companies using the Bio-One brand. The franchisees are required to operate their companies in compliance with their franchise agreements, which includes adherence to operating and quality control procedures established by the Company.

As of January 1st of 2018, 2017, and 2016, the number of franchised locations was 50, 24, and 24, respectively. As of December 31st of 2018, 2017, and 2016, the number of franchised locations was 74, 50, and 24, respectively.

Initial Franchise Fees and Related Franchise Costs

Initial franchise fees paid by franchisees are recognized as revenue when all material services and conditions required to be performed by the Company have been substantially completed, which is generally when the franchise commences operations. Initial franchise fees collected by the Company before all material services and conditions are substantially performed are recorded as deferred franchise revenue. These franchise fees are non-refundable except in certain circumstances. In 2016, the Company determined that the Federal Trade Commission could potentially assert that the Company was out of compliance with certain Federal Trade Commission requirements for franchisors. No such assertion was ultimately made by the Federal Trade Commission. Regardless, the Company offered all current franchisees as of November 2016 the opportunity to rescind their franchise agreement in exchange for a refund of their initial franchise fee. During the years ended December 31, 2017 and 2016, the Company paid \$156,541 and \$414,019, respectively, in rescissions fees, which are presented as a reduction of total revenues on the statements of operations. In conjunction with the rescissions, for franchisees that chose not to rescind, the Company offered a one percentage point discount in royalty payments and a 20% discount on other purchased goods from the Company for the year ended December 31, 2017.

Deferred franchise costs represent certain costs incurred to develop new franchises and are expensed when the related revenue is recognized, generally when the franchise commences operations. Franchise costs will not be deferred in excess of the amount to be recognized.

RINGSIDE DEVELOPMENT COMPANY DBA BIO-ONE INC.

Notes to Financial Statements

December 31, 2018

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

License Fees

License fees provide third parties the right to use the Company's brand over an agreed-upon term. License fees collected by the Company are recorded as deferred franchise fee revenue and recognized ratably over the term. These license fees are non-refundable.

Area Director Marketing Agreements

The area director marketing agreement provides the area director a non-exclusive right to sell and open franchises in a defined geographic territory in the U.S. and requires that the area director be responsible for advertising, soliciting, and screening prospective franchisees. The agreements may also stipulate a minimum number of new franchised locations to be opened each year. In addition, the area director is responsible for providing on-site opening assistance and providing quality assurance services to franchises in the defined area. The Company pays the area director a portion of the initial franchise fee as defined by the agreement for each new franchised location sold by the area director and 50% of the royalties received by the Company from each franchise within the defined area. The agreements are for a period of 10 years, with the option to extend for an additional 10 years after certain restrictive performance criteria are met. All franchised locations opened by the area director are required to pay the Quick Start Package ("QSP") fee, as defined in the agreements, to the Company. The Company defers revenues associated with the area director marketing agreements, recognizing it ratably over the term of the agreements.

QSP Revenues

In some instances, franchisees are required by the Company to purchase from the Company an intimal package of equipment, tools, and supplies needed to open a franchised location. This package of equipment is described as a QSP. The revenue from the sale of a QSP is recognized by the Company when the QSP is shipped to franchisees.

Franchise Royalties

Pursuant to the various franchise agreements, U.S. franchisees are required to pay the Company royalties based on a percentage of sales of 7%, which are recognized when earned.

National Branding Fund

Under the terms of the standard franchise agreement, the Company may establish a National Branding Fund (the "Fund") and charge a fee of up to 2% of each franchisee's gross receipts to pay for marketing costs that benefit multiple franchisees. The Fund is used to promote the brand. Fund revenues and expenses are recognized in equal amounts as marketing expenses are incurred. Any amounts collected but unspent at the end of the year are recorded as deferred revenue - marketing fees on the accompanying balance sheets. The Company recognizes national branding fees collected as deferred revenue - marketing fees until a related expense has been incurred, at which time revenue is recognized. The Company records related advertising expenses as they are incurred.

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Accounting Pronouncements issued but Not Yet Adopted or Currently in Effect Revenue from Contracts with Customers (Topic 606)

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers (Topic 606), which is a comprehensive new revenue recognition standard that will supersede existing revenue recognition guidance. The core principle of the guidance is that an entity should recognize revenue to depict the transfer of promised goods or services to customer in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. FASB issued ASU 2015-14 that deferred the effective date for the Company until annual periods beginning after December 15, 2018 which is December 31, 2019. Earlier adoption is permitted subject to certain limitations. The amendments in this update are required to be applied retrospectively to each prior reporting period presented or with the cumulative effect being recognized at the date of initial application. The Company is currently evaluating the impact of this ASU on its financial statements.

In November 2015, the FASB issued ASU No. 2015-17, *Income Taxes (Topic 740), Balance Sheet Classification of Deferred Taxes*. The amendments under the new guidance require that deferred tax liabilities and assets be classified as non-current in a classified statement of financial position. The guidance is effective for financial statements issued for annual periods beginning after December 15, 2017, and interim period within those annual periods. The amendments in this ASU may be applied either prospectively to all deferred tax liabilities and assets or retrospectively to all periods presented. The Company adopted this guidance effective December 31, 2017 on a retrospective basis.

Subsequent Events

The Company has evaluated all subsequent events through the auditors' report date, which is the date the financial statement were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

Note 2: Income Taxes

The Company's temporary differences are comprised mainly of deferred revenue and deferred franchise costs. The Company's effective tax rate differs from the U.S. federal statutory tax rate due to a graduated federal tax rate adjustment, state taxes, and permanent differences.

Components of income tax expense (benefit) reflected on the statements of operations are as follows:

	2018	2017	2016
Current	\$ 204,374	\$ 26,057	\$ 144,498
Deferred	(26,802)	103,845	(154,648)

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies

Ringside Development Company dba Bio-One Inc. (the "Company"), an Arizona corporation, was incorporated on May 27, 2010. On March, 24, 2016, the Company registered as a foreign corporation in Colorado as Bio-One Colorado, Inc. The Company is engaged in the business of franchising Bio-One franchises across the United States. Bio-One provides crime and trauma scene services.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents. There were no cash equivalents as of December 31, 2017, 2016, and 2015. The Company continually monitors its positions with, and the credit quality of, the financial institutions with which it invests. As of the balance sheet date, and periodically throughout the year, the Company has maintained balances in various operating accounts in excess of federally insured limits.

Restricted Cash

The Company established and has collected contributions for a National Branding Fund pursuant to the Franchise Disclosure Document and individual franchise agreements, which are segregated in a separate bank account.

Accounts Receivable

Accounts receivable primarily consist of amounts due from franchisees for royalties and National Branding Fund fees earned by the Company but not yet collected as well as unbilled miscellaneous billings for items such as insurance, training, and expendable equipment. Interest and late fees may also be charged on overdue accounts. An account is considered past due based on stated invoice terms. The Company has not experienced significant losses related to receivables from individual franchisees and believes all accounts to be collectible. Therefore, the Company has not provided an allowance for uncollectible accounts as of December 31, 2017, 2016, and 2015.

Concentrations of Credit Risk

The Company grants credit in the normal course of business to franchisees in the United States. The Company periodically performs credit analysis and monitors the financial condition of its franchisees to reduce credit risk. The Company performs ongoing credit evaluations of its franchisees but generally does not require collateral to support accounts receivable.

RINGSIDE DEVELOPMENT COMPANY DBA BIO-ONE INC.

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Concentrations of Credit Risk (continued)

The Company considers any franchisee with a balance in excess of 10% of accounts receivable or revenue to be a concentration. There were no concentrations of accounts receivable or revenue as of and for the year ended December 31, 2017. The following tables detail the concentrations of accounts receivable and revenues as of and for the years ended December 31, 2016 and 2015.

As of and for the year ended December 31, 2016:

	<u>Percent of Accounts Receivable</u>	<u>Percent of Revenues</u>
Franchisee A	10 %	4 %
Remaining twenty-three franchisees	90 %	96 %

As of and for the year ended December 31, 2015:

	<u>Percent of Accounts Receivable</u>	<u>Percent of Revenues</u>
Franchisee B	15 %	8 %
Franchisee C	12 %	5 %
Remaining twenty-two franchisees	73 %	87 %

Property and Equipment

Property and equipment are stated at cost. Depreciation is provided utilizing the straight-line method over the estimated useful lives for owned assets and the shorter of the estimated economic life or related lease terms for leasehold improvements. Construction in progress is included in property and equipment. These assets begin depreciating when placed in service.

Life Insurance Policies

The Company has recorded the amount that would be realized upon discontinuance and surrender of various insurance contracts for franchise owners and employees as a non-current asset. Premiums paid and changes in the net cash surrender value are recorded in operating expenses. Variations between individual contracts are minimal.

Income Taxes

The Company recognizes deferred tax liabilities and assets based on the differences between the tax basis of assets and liabilities and their reported amounts in the financial statements that will result in taxable or deductible amounts in future years.

RINGSIDE DEVELOPMENT COMPANY DBA BIO-ONE INC.

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Income Taxes (continued)

The Company evaluates its tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions will more likely than not be sustained by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold are not recorded as a tax benefit or expense in the current year. Interest and penalties, if applicable, are recorded in the period assessed as general and administrative expenses. However, no interest or penalties have been assessed as of December 31, 2017, 2016, and 2015.

The Tax Cuts and Jobs Act ("Tax Act") was signed into law on December 22, 2017. The Tax Act includes significant changes to the U.S. corporate income tax system, including a federal corporate rate reduction from 35% to 21%; limitations on the deductibility of interest expense and executive compensation; eliminating the corporate alternative minimum tax ("AMT") and changing how existing AMT credits can be realized; changing the rules related to uses and limitations of net operating loss carryforwards created in tax years beginning after December 31, 2017; and the transition of U.S. international taxation from a worldwide tax system to a territorial tax system.

As a result of the reduction in the federal tax rate, the Company is required to revalue its ending deferred tax liabilities and assets as of December 31, 2017, as well as evaluate whether a valuation allowance is needed for deferred tax assets. The impact of the change in federal tax rate is included in income tax expense (benefit) on the statements of operations. During the year ended December 31, 2017, approximately \$44,000 of the change in deferred tax asset on the balance sheets and the related income tax expense (benefit) on the statements of operations was due to the change in the federal statutory rate.

Reclassifications

Certain amounts in the 2016 and 2015 financial statements have been reclassified to conform to the 2017 presentation. These reclassifications had no effect on previously reported results of operations or retained earnings.

Shipping and Handling

Costs associated with the shipping and handling of the Company's product are included in general and administrative expenses.

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Franchise Operations

The Company enters into franchise agreements with unrelated third parties to build and operate crime scene clean-up companies using the Bio-One brand. The franchisees are required to operate their companies in compliance with their franchise agreements, which includes adherence to operating and quality control procedures established by the Company.

The following table summarizes the number of the franchised locations in operation:

	December 31,		
	2017	2016	2015
Franchised locations open at beginning of year	24	24	13
Franchised locations opened during the year	26	16	12
Franchised locations with ceased operations during the year	-	(16)	(1)
Franchised locations in operation as of the end of the year	<u>50</u>	<u>24</u>	<u>24</u>

Initial Franchise Fees and Related Franchise Costs

Initial franchise fees paid by franchisees are recognized as revenue when all material services and conditions required to be performed by the Company have been substantially completed, which is generally when the franchise commences operations. Initial franchise fees collected by the Company before all material services and conditions are substantially performed are recorded as deferred franchise revenue. These franchise fees are non-refundable except in certain circumstances. In 2016, the Company determined that the Federal Trade Commission could potentially assert that the Company was out of compliance with certain Federal Trade Commission requirements for franchisors. No such assertion was ultimately made by the Federal Trade Commission. Regardless, the Company offered all current franchisees as of November 2016 the opportunity to rescind their franchise agreement in exchange for a refund of their initial franchise fee. During the years ended December 31, 2017 and 2016, the Company paid \$156,541 and \$414,019, respectively, in rescission fees, which are presented as a reduction of total revenues on the statements of operations. In conjunction with the rescissions, for franchisees that chose not to rescind, the Company offered a one percentage point discount in royalty payments and a 20% discount on other purchased goods from the Company for the year ended December 31, 2017.

Deferred franchise costs represent certain costs incurred to develop new franchises and are expensed when the related revenue is recognized, generally when the franchise commences operations. Franchise costs will not be deferred in excess of the amount to be recognized.

RINGSIDE DEVELOPMENT COMPANY DBA BIO-ONE INC.

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

License Fees

License fees provide third parties the right to use the Company's brand over an agreed-upon term. License fees collected by the Company are recorded as deferred franchise fee revenue and recognized ratably over the term. These license fees are non-refundable.

Area Director Marketing Agreements

The area director marketing agreement provides the area director a non-exclusive right to sell and open franchises in a defined geographic territory in the U.S. and requires that the area director be responsible for advertising, soliciting, and screening prospective franchisees. The agreements may also stipulate a minimum number of new franchised locations to be opened each year. In addition, the area director is responsible for providing on-site opening assistance and providing quality assurance services to franchises in the defined area. The Company pays the area director a portion of the initial franchise fee as defined by the agreement for each new franchised location sold by the area director and 50% of the royalties received by the Company from each franchise within the defined area. The agreements are for a period of 10 years, with the option to extend for an additional 10 years after certain restrictive performance criteria are met. All franchised locations opened by the area director are required to pay the Quick Start Package ("QSP") fee, as defined in the agreements, to the Company. The Company defers revenues associated with the area director marketing agreements, recognizing it ratably over the term of the agreements.

QSP Revenues

In some instances, franchisees are required by the Company to purchase from the Company an initial package of equipment, tools, and supplies needed to open a franchised location. This package of equipment is described as a QSP. The revenue from the sale of a QSP is recognized by the Company when the QSP is shipped to franchisees.

Franchise Royalties

Pursuant to the various franchise agreements, U.S. franchisees are required to pay the Company royalties based on a percentage of sales of 7%, which are recognized when earned.

National Branding Fund

Under the terms of the standard franchise agreement, the Company may establish a National Branding Fund (the "Fund") and charge a fee of up to 2% of each franchisee's gross receipts to pay for marketing costs that benefit multiple franchisees. The Fund is used to promote the brand. Fund revenues and expenses are recognized in equal amounts as marketing expenses are incurred. Any amounts collected but unspent at the end of the year are recorded as deferred revenue - marketing fees on the accompanying balance sheets. The Company recognizes national branding fees collected as deferred revenue - marketing fees until a related expense has been incurred, at which time revenue is recognized. The Company records related advertising expenses as they are incurred.

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Recently Issued Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2014-09, *Revenue from Contracts with Customers*, which amended revenue recognition guidance to clarify the principles for recognizing revenue from contracts with customers. The guidance requires an entity to recognize revenue to depict the transfer of goods or services to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods or services. The guidance also requires expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. Additionally, qualitative and quantitative disclosures are required about customer contracts, significant judgments and changes in judgments, and assets recognized from the costs to obtain or fulfill a contract. ASU No. 2014-09 is effective for privately held entities for annual reporting in fiscal years that begin after December 15, 2018. The Company has begun the process of evaluating the impact of this change in revenue recognition on its financial statements. This standard is expected to have a significant change as to the recognition of the Company's various sources of revenue and various disclosures related to those revenues. This evaluation will continue to be addressed in anticipation of adoption on January 1, 2019.

In November 2015, the FASB issued ASU No. 2015-17, *Income Taxes (Topic 740), Balance Sheet Classification of Deferred Taxes*. The amendments under the new guidance require that deferred tax liabilities and assets be classified as non-current in a classified statement of financial position. The guidance is effective for financial statements issued for annual periods beginning after December 15, 2017, and interim periods within those annual periods. The amendments in this ASU may be applied either prospectively to all deferred tax liabilities and assets or retrospectively to all periods presented. The Company adopted this guidance effective December 31, 2017 on a retrospective basis.

Subsequent Events

The Company has evaluated all subsequent events through the auditors' report date, which is the date the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

Note 2 - Income Taxes

The Company's temporary differences are comprised mainly of deferred revenue and deferred franchise costs. The Company's effective tax rate differs from the U.S. federal statutory tax rate due to a graduated federal tax rate adjustment, state taxes, and permanent differences.

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies

Ringside Development Company dba Bio-One Inc. (the "Company"), an Arizona corporation, was incorporated on May 27, 2010. On March, 24, 2016, the Company registered as a foreign corporation in Colorado as Bio-One Colorado, Inc. The Company is engaged in the business of franchising Bio-One franchises across the United States. Bio-One provides crime and trauma scene services.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents. The Company continually monitors its positions with, and the credit quality of, the financial institutions with which it invests. There were no cash equivalents as of December 31, 2016, 2015, and 2014.

Restricted Cash

The Company established and has collected contributions for a National Marketing Fund pursuant to the Franchise Disclosure Document and individual franchise agreements, which are segregated in a separate bank account.

Accounts Receivable

Accounts receivable primarily consist of amounts due from franchisees for royalties and marketing fund fees earned by the Company but not yet collected as well as unbilled miscellaneous billings for items such as insurance, training, and expendable equipment. Interest may also be charged on overdue accounts. Interest of \$681, \$516, and \$4,202 was charged during the years ended December 31, 2016, 2015, and 2014, respectively, and is included on the accompanying statements of operations. An account is considered past due based on stated invoice terms. The Company has not experienced significant losses related to receivables from individual franchisees and believes all accounts to be collectible. Therefore, the Company has not provided an allowance for uncollectible accounts as of December 31, 2016, 2015, and 2014.

Concentrations of Credit Risk

The Company grants credit in the normal course of business to franchisees in the United States. The Company periodically performs credit analysis and monitors the financial condition of its franchisees to reduce credit risk. The Company performs ongoing credit evaluations of its franchisees but generally does not require collateral to support accounts receivable.

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Concentrations of Credit Risk (continued)

The Company considers any franchisee with a balance in excess of 10% of accounts receivable or revenue to be a concentration. The following tables detail the concentration of accounts receivable and revenues.

As of and for the year ended December 31, 2016:

	<u>Percent of Accounts Receivable</u>	<u>Percent of Revenues</u>
Franchisee A	10 %	4 %
Remaining twenty-three franchisees	90 %	96 %

As of and for the year ended December 31, 2015:

	<u>Percent of Accounts Receivable</u>	<u>Percent of Revenues</u>
Franchisee B	15 %	8 %
Franchisee C	12 %	5 %
Remaining twenty-two franchisees	73 %	87 %

As of and for the year ended December 31, 2014:

	<u>Percent of Accounts Receivable</u>	<u>Percent of Revenues</u>
Franchisee D	44 %	6 %
Franchisee E	15 %	2 %
Franchisee F	8 %	19 %
Franchisee G	7 %	18 %
Franchisee H	- %	16 %
Franchisee I	6 %	12 %
Remaining seven franchisees	20 %	27 %

Income Taxes

The Company has elected to be treated as a C corporation for income tax purposes and recognizes deferred tax liabilities and assets based on the differences between the tax basis of assets and liabilities and their reported amounts in the financial statements that will result in taxable or deductible amounts in future years. The Company's temporary differences result primarily from cash basis tax recognition.

RINGSIDE DEVELOPMENT COMPANY DBA BIO-ONE INC.

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Income Taxes (continued)

The Company evaluates its tax positions taken or expected to be taken in the course of preparing the Company's tax returns to determine whether the tax positions will more likely than not be sustained by the applicable tax authority. Tax positions not deemed to meet the more-likely-than-not threshold are not recorded as a tax benefit or expense in the current year. Interest and penalties, if applicable, are recorded in the period assessed as general and administrative expenses. However, no interest or penalties have been assessed as of December 31, 2016.

Franchise Operations

The Company enters into franchise agreements with unrelated third parties to build and operate crime scene clean-up companies using the Bio-One brand within a defined geographical area. The franchisees are required to operate their companies in compliance with their franchise agreements, which includes adherence to operating and quality control procedures established by the Company.

The following table summarizes the number of the franchise locations in operation:

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Initial Franchise Fees and Related Franchise Costs

Initial franchise fees paid by franchisees are recognized as revenue when all material services and conditions required to be performed by the Company have been substantially completed, which is generally when the franchise commences operations. Initial franchise fees collected by the Company before all material services and conditions are substantially performed are recorded as deferred franchise revenue. These franchise fees are non-refundable except in certain circumstances. As a result of the Company being out of compliance with certain Federal Trade Commission requirements for franchisors, the Company offered all current franchisees the opportunity to rescind their franchise agreement in exchange for a refund of their initial franchise fee. During the year ended December 31, 2016, the Company paid \$414,019 in rescission fees, which are presented net against franchise fees on the statements of operations. In conjunction with the rescissions, for franchisees that chose not to rescind, the Company offered a one percentage point discount in royalty payments and a 20% discount on other purchased goods from the Company for the year ending December 31, 2017.

License Fees

License fees provide third parties the right to use the Company's brand over an agreed-upon term. License fees collected by the Company are recorded as deferred franchise fee revenue and recognized ratably over the term. These license fees are non-refundable.

Area Director Marketing Agreements

The area director marketing agreement provides the area director a non-exclusive right to sell and open franchises in a defined geographic territory in the U.S. and requires that the area director be responsible for advertising, soliciting, and screening prospective franchisees. The agreements also stipulate a minimum number of new franchised locations to be opened each year. In addition, the area director is responsible for providing on-site opening assistance and providing quality assurance services to franchises in the defined area. The Company pays the area director 50% of the initial franchise fee for each new franchised location sold by the area director and 50% of the royalties received by the Company from each franchise within the defined area. The agreements are for a period of 10 years, with the option to extend for an additional 10 years after certain restrictive performance criteria are met. All franchised locations opened by the area director are required to pay the Quick Start Package ("QSP") fee, as defined in the agreements, to the Company. The Company defers revenues associated with the area director marketing agreements, recognizing it ratably over the term of the agreements.

QSP Revenues

In some instances, franchisees are required by the Company to purchase from the Company an initial package of equipment, tools, and supplies needed to open a franchise location. This package of equipment is described as a QSP. The revenue from the sale of a QSP is recognized by the Company when the QSP is shipped to franchisees.

RINGSIDE DEVELOPMENT COMPANY DBA BIO-ONE INC.

Notes to Financial Statements

Note 1 - Description of Business and Summary of Significant Accounting Policies (continued)

Franchise Royalties

Pursuant to the various franchise agreements, U.S. franchisees are required to pay the Company royalties based on a percentage of sales of 7%, which are recognized when earned.

Marketing Fund

Under the terms of the standard franchise agreement, the Company may establish a National Marketing Fund (the "Fund") and charge a fee of up to 2% of each franchisee's gross receipts to pay for marketing costs that benefit multiple franchisees. The Fund is used to promote the brand. Fund revenues and expenses are recognized in equal amounts as marketing expenses are incurred. Any amounts collected but unspent at the end of the year are recorded as deferred revenue - marketing fees on the accompanying balance sheets. The Company recognizes national marketing fees collected as deferred revenue - marketing fees until a related expense has been incurred, at which time revenue is recognized. The Company records related advertising expenses as they are incurred.

Recently Issued Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board issued Accounting Standards Update ("ASU") No. 2014-09, *Revenue from Contracts with Customers*, which amended revenue recognition guidance to clarify the principles for recognizing revenue from contracts with customers. The guidance requires an entity to recognize revenue to depict the transfer of goods or services to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods or services. The guidance also requires expanded disclosures relating to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. Additionally, qualitative and quantitative disclosures are required about customer contracts, significant judgments and changes in judgments, and assets recognized from the costs to obtain or fulfill a contract. ASU No. 2014-09 is effective for privately held entities for annual reporting in fiscal years that begin after December 15, 2018. In the normal course of adoption of a new accounting standard, the Company has begun the process of evaluating the impact of this change in revenue recognition on its financial statements. This standard is expected to have a significant change as to the recognition of the Company's various sources of revenue and various disclosures related to those revenues. This evaluation will continue to be addressed over the next two years in anticipation of adoption on January 1, 2019.

Subsequent Events

The Company has evaluated all subsequent events through the auditors' report date, which is the date the financial statements were available for issuance. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

RINGSIDE DEVELOPMENT COMPANY DBA BIO-ONE INC.

Notes to Financial Statements

Note 2 - Income Taxes

The Company recognizes deferred tax liabilities and assets for the expected future tax consequences of events that have been included in the financial statements or tax returns. Deferred tax liabilities and assets are determined based on the differences between financial statements and the tax basis of assets and liabilities using the enacted tax rates in effect for the year in which the differences are expected to reverse. The measurement of deferred tax assets is reduced, if necessary, by the amount of any tax benefits that are not expected to be realized based on available evidence.

The Company's temporary differences are comprised mainly of accrual to cash adjustments. The Company's effective tax rate differs from the U.S. federal statutory tax rate due to a graduated federal tax rate adjustment, state taxes, and permanent differences.

Components of income tax (benefit) expense reflected on the statements of operations are as follows:

	For the Years Ended December 31,		
	2016	2015	2014
Current	\$ 144,498	\$ 107,819	\$ 22,151
Deferred	(154,648)	(21,778)	(14,343)
	<u>\$ (10,150)</u>	<u>\$ 86,041</u>	<u>\$ 7,808</u>

Note 3 - Commitments and Contingencies

Litigation

In the normal course of business, the Company is party to litigation from time to time. The Company maintains insurance to cover certain actions and believes that resolution of such litigation will not have a material adverse effect on the Company.

Note 4 - Employee Benefit Plan

Effective January 1, 2015, the Company adopted the Ringside Development Company Profit Sharing Plan (the "Plan") to provide retirement benefits for its employees. The Plan provides for employee elective deferrals and employer profit sharing contributions. There is no profit sharing contribution to the Plan as of December 31, 2016. The total profit sharing contribution to the Plan for the year ended December 31, 2015 was \$80,000, of which \$32,250 was contributed to the Plan and \$47,750 was payable as of December 31, 2015. In 2016, the Company amended the Plan to add a 3% employer safe-harbor contribution to be effective January 1, 2017.

SUMMARY OF YOUR RIGHTS UNDER THE FAIR CREDIT REPORTING ACT

The Federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under the FCRA. For more information, including information about additional rights, go to www.ftc.gov/credit or write to: Consumer Response Center, Room 130-A, Federal Trade Commission, 600 Pennsylvania Ave. N.W., Washington, D.C. 20580.

- **You must be told if information in your file has been used against you.** Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.
- **You have the right to know what is in your file.** You may request and obtain all the information about you in the files of a consumer-reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
 - a person has taken adverse action against you because of information in your credit report;
 - you are the victim of identity theft and place a fraud alert in your file;
 - your file contains inaccurate information as a result of fraud;
 - you are on public assistance;
 - you are unemployed but expect to apply for employment within 60 days.

In addition, by September 2005 all consumers will be entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.ftc.gov/credit for additional information.

- **You have the right to ask for a credit score.** Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender
- **You have the right to dispute incomplete or inaccurate information.** If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See www.ftc.gov/credit for an explanation of dispute procedures.
- **Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information.** Inaccurate, incomplete or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.

- **Consumer reporting agencies may not report outdated negative information.** In most cases, a consumer-reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.
- **Access to your file is limited.** A consumer-reporting agency may provide information about you only to people with a valid need --usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
- **You must give your consent for reports to be provided to employers.** A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to www.ftc.gov/credit.
- **You may limit “prescreened” offers of credit and insurance you get based on information in your credit report.** Unsolicited “prescreened” offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt-out with the nationwide credit bureaus at 1-888-5-OPTOUT (1-888-567-8688).
- **You may seek damages from violators.** If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.
- **Identity theft victims and active duty military personnel have additional rights.** For more information, visit www.ftc.gov/credit.

States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. Federal enforcers are:
