What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

1. **Out-of-State Dispute Resolution.** The Franchise Agreement requires you to resolve disputes with the franchise by mediation and/or litigation only in New York. Out-of-state mediation and/or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate and/or litigate with the franchise in New York than in your own state.
2. **Short Operating History.** The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
3. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
4. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
5. **Mandatory Minimum Payments.** You must make minimum advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

REQUIRED BY THE STATE OF MICHIGAN

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

- (a) A prohibition of the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure each failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchised business are not subject to compensation. This subsection applies only if (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months' notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that mediation or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of mediation, to conduct mediation at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualification or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the

franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless a provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

Blue Sage Franchising, Inc., a Delaware corporation, is offering prospective Franchisees the opportunity to own and operate a Unit Franchise in accordance with the terms described in this Disclosure Document. To simplify the language in this Disclosure Document, the terms, “We,” “Us,” or “the Company” means Blue Sage Franchising, Inc., the franchisor (but not the Company’s officers, directors, agents or employees). “You” or “Franchisee” means the person who buys a franchise from us. The term “Unit Franchise(s)” mean(s) one or several BlueSage Longevity Labs® single-unit franchises. The owner(s) or operator(s) of a Unit Franchise(s) is referred to as a “Unit Franchisee(s)” or simply as a “Franchisee(s)”. If you are a corporation, partnership, limited liability company, or other entity, your principal shareholders, partners or members will be referred to as “Owners”. Unless otherwise indicated, the term “Franchised Business” means a Unit Franchise.

The Franchisor, and any Parents Predecessor and Affiliates.

Blue Sage Franchising, LLC was formed as a Delaware limited liability company on February 1, 2024. On April 10, 2025, the company was converted from a Delaware limited liability company to a Delaware corporation, under the name Blue Sage Franchising, Inc. We have no parents or predecessors.

Our principal business and mailing address is 2659 East Gulf to Lake Highway, Ste. 301, Inverness, FL 34453. Our telephone number is (212) 799-1605. Our agent for service of process is disclosed in **Exhibit A**.

We have one (1) affiliate, SRS Wellness, LLC (dba SRS Dermatology), located at 11 Irving Place, Woodmere, NY 11598. Our affiliate is owned and operated by Suzanne Sirota Rozenberg, D.O., our Chief Medical Officer. It began operating its business in June 2014. Our affiliate operates a business substantially similar to the type of business that will be operated or managed by Unit Franchises.

Neither we, nor our affiliate, offer goods or services to our franchisees, or offer franchises in any other lines of business.

Our Business.

We currently offer two types of businesses: 1) Unit Franchises; and 2) Area Representative Businesses (“Area Representative(s)”). We began offering both types of franchise in September 2024. We are not currently engaged in any other lines of business.

We offer Unit Franchises to persons or legal entities that meet our qualifications, and are willing to undertake the investment and effort to own and operate Franchised Businesses that will own, operate and/or manage a business from a specific location that specializes in providing wellness and aesthetics services and products (such as such as medical aesthetics, weight loss therapy including semaglutide/tirzepatide, hormone replacement therapy, platelet rich plasma (PRP) therapy, regenerative biologics therapy, bioimpedance scanning featuring body composition, galvanic skin response and baseline cardiovascular, DNA testing, IV infusions, sexual wellness therapy, acoustic wave therapy, skincare products and supplements) to the general public through licensed medical and healthcare professionals. These location(s) where these services are offered are referred to as a “Longevity Lab” or “Longevity Labs”. Longevity Labs may also offer or provide peptides, red light therapy, ozone therapy, hyperbaric chamber, plunge pool, and infrared sauna options. Other treatments available at Longevity Labs include Botox and fillers for anti-aging, micro-needling and AQUAGOLD microinjection systems, including hair restoration and removal, microdermabrasion and laser treatments. We may add or remove the types of products and services offered by Unit Franchises at Longevity Lab Businesses. If you are an unlicensed person, you may own and operate a Longevity Lab only if it is permissible under applicable law, otherwise, you may only manage a Longevity Lab for a licensed person or entity that is authorized to own and operate a Longevity Lab. You must consult independent legal counsel in your state to ensure the legality of your ownership or management.

You may purchase your franchise as a new, start-up, or you may begin utilizing the BlueSage Longevity Labs® franchise system at an existing wellness and aesthetic business (referred to as an “Add-On Longevity Lab”).

Area Representatives Businesses have a continuing right to solicit potential purchasers for Unit Franchises in a defined territory. Area Representatives also provide development and ongoing franchise support services to the Unit Franchises within a defined territory. Depending on your area, you may have an existing Area Representative that assists us with your Unit Franchise. If your Unit Franchise is located in an area where we have an Area Representative, the Area Representative will provide, on our behalf, certain franchise sales and support services to you. Area Representative Businesses are offered under a separate offering and not included as part of this franchise offering for Unit Franchises.

Professional Corporation/Management Company Structure

Except where unlicensed ownership and operation of a Longevity Lab is allowed by applicable law, each Longevity Lab must be owned and operated by one or more licensed wellness and aesthetic professionals that will provide wellness and aesthetic services in the state in which the Longevity Lab is located. In those states that require a Professional Corporation (“P.C.”) (or similar entity, such as a professional limited liability company structure) to own and/or operate a Longevity Lab, you as a potential franchisee will, in those circumstances, supply management and general business services to the P.C. who will in turn, own and operate the Longevity Lab. We expect that these licensed wellness and aesthetic professionals will form a “P.C.”, and will operate the P.C. with or as permitted under local and state laws.

To operate a Unit Franchise, you must enter into a Franchise Agreement with us (attached as **Exhibit B** of this Disclosure Document). You must operate your Unit Franchise at a site we approve. You will operate your Unit Franchise in complete accordance with the standards and procedures designated by the Company (the “System”), and according to our operations manual for Unit Franchises (“Manual”), as it may be changed from time to time.

If you are not a licensed wellness and aesthetic professional, in addition to signing the Franchise Agreement with us, before you begin operating the Franchised Business, you must enter into a management agreement (“Management Agreement”) with a P.C. A copy of our form of Management Agreement is available in our Manual. Under a Management Agreement, an unlicensed Unit Franchisee will provide a P.C. with management, administrative services and general business and operational support consistent with the System and generally supports the P.C.’s Longevity Lab and its delivery of wellness and aesthetic services and related products to patients at a Longevity Lab; consistent and in compliance with all applicable laws and regulations. Subject to changes that may be required by laws of the state where you will operate your Unit Franchise, you must use our applicable standard form of Management Agreement. While we provide you a generic form of Management Agreement, you are responsible for ensuring that it complies with the laws and regulations of your state. If needed, you may negotiate the monetary terms and certain other discretionary business terms of your relationship as a management company for the P.C. who owns and operates the Longevity Lab and who delivers wellness and aesthetic services for your Unit Franchise. You must obtain our written approval of the final Management Agreement prior to signing it with a P.C. Prior to entering into any agreement with a P.C., you must also submit information about the P.C. and its licensed professionals, and their credentials, for our approval. You must maintain a current, conforming and compliant Management Agreement with a valid and approved P.C. who is in regulatory good standing at all times during the operation of the Franchised Business.

The P.C. is responsible to employ and control wellness and aesthetic professionals and staff of the Longevity Lab who provide actual wellness and aesthetic services to be delivered at the Longevity Lab where you operate your Franchised Business. An unlicensed Franchisee may NOT provide nor direct the administering of any actual wellness and aesthetic services, nor supervise, direct, control or suggest to the P.C. or its licensed wellness and aesthetic professionals the manner in which the P.C. provides or administers actual wellness and aesthetic services to its patients (except as described below under “Waiver of Management Agreement.”). Due to various federal and state laws regarding the practice of medicine, and the ownership and operation of medical- and healthcare-related businesses that provide wellness and aesthetic services, it is critical that any unlicensed Franchisees do not engage in

practices that are, or may appear to be, the practice of medicine. The P.C. is responsible for, and must offer all wellness and aesthetic services in accordance with all applicable laws and regulations, and a conforming Management Agreement and the System.

You must also ensure that your relationship with the P.C. for which you manage the Longevity Lab complies with all laws and regulations. The P.C. who owns the Longevity Lab must comply with all laws and regulations and secure and maintain in force all required licenses, permits and certificates relating to the operation of a Longevity Lab. Franchisees may assist the P.C. in its effort to comply with such laws and regulations, but must do so under the direction of the P.C. Each state has medical, nursing, physician assistant, naturopathic, chiropractic and other boards that determine rules and regulations regarding their respective members and the scope of services that may legally be offered by their members. The laws and regulations generally include requirements for the medical providers to hold required state licenses and registrations to work as medical professionals or healthcare providers in the state where the Longevity Lab is located, and to hold required certifications by, or registrations in, any applicable professional association or registry. If a state or jurisdiction has such laws or regulations, these laws and regulations are likely to vary from state to state, and these may change from time to time.

Ownership and Operations of Longevity Labs By Licensed Medical or Healthcare Professionals

Depending on the laws of your state, if you are a licensed medical or healthcare professional and/or have your own P.C., you may not be required to execute a Management Agreement in order to operate a Unit Franchise. However, you must agree that you will ensure that you will operate your Longevity Lab in compliance with all applicable federal and state requirements and will only offer those BlueSage Longevity Labs® products and services that are permitted under your wellness and aesthetic license. You may purchase and operate your Franchise as a new start-up (a “Start-up Unit Franchise”), or may convert an existing wellness and aesthetic practice (a “Conversion Unit Franchise”).

Ownership and Operation of Longevity Labs By Unlicensed Persons Without a P.C.

In certain states, it may be permissible under the existing laws that may be applicable to wellness and aesthetic professionals and/or practices, such as Longevity Labs, for an unlicensed person to both own and operate a Longevity Lab and a Unit Franchise, including hiring medical and healthcare professionals and personnel and to provide wellness and aesthetic services to patients at the Longevity Lab. If you determine that the laws that would apply to a Longevity Lab in your state would permit you to do so, you may request that we waive certain of the requirements of the Franchise Agreement related to separating the operation of the medical and healthcare aspects of the Longevity Lab from the management aspects. In particular, you (i) may not need to enter into a Management Agreement with a P.C. that, as a separate entity, would otherwise operate the Longevity Lab and provide all wellness and aesthetic services, and (ii) you would not be restricted from hiring and supervising medical or healthcare professionals. Any waiver, or any modification of our standards, would be subject to compliance with all applicable laws and regulations. If we agree to do a waiver, you must enter into an Amendment to Waive Management Agreement (“Waiver Agreement”) (**Exhibit H** of this Disclosure Document). Under the Waiver Agreement, you agree that, instead of entering into the Management Agreement with a separate P.C., you will (a) operate the Longevity Lab, including performing all responsibilities and obligations of the “P.C.” under the Management Agreement, and (b) manage the Longevity Lab as required in the Franchise Agreement and by performing all the responsibilities and obligations of the “Company” under the Management Agreement in conformity and compliant with all applicable laws and regulations.

You are responsible for operating in full compliance with all laws that apply to a Unit Franchise and Longevity Lab, and you must make your own determination as to your legal compliance obligations. Additionally, the laws applicable to your Longevity Lab may change, and if there are any medical and healthcare regulations or other laws that would render your operation of the Longevity Lab through a single entity (or otherwise) in violation of any medical or healthcare regulation or law, you must immediately advise us of such change and of the your proposed corrective action to comply with medical and healthcare regulations and law, including (if applicable) entering into a Management Agreement with a P.C.. Similarly, if we discover any such laws, upon providing you

notice of such laws, you agree to make such changes as are necessary to comply with medical regulations, including (if applicable) entering into a Management Agreement with a P.C.

Regardless of whether you are licensed or an unlicensed person or entity, if we grant you the right to operate a Franchised Business, neither we nor you are engaging in the practice of medicine, nursing, chiropractic or any other profession that requires specialized training or certification, and you, as Franchisee, must not engage in the practice of medicine, nursing, chiropractic or any other profession that requires specialized training or certification, unless you are properly licensed to do so. The Franchise Agreement and Management Agreement will not interfere with, affect or limit the independent exercise of medical judgment by the P.C. and its professional medical or healthcare staff. It will be your responsibility for researching all applicable laws, and we strongly advise that you consult with an attorney and/or contact local, state and federal agencies before signing a Franchise Agreement with us, or a Management Agreement with a P.C., or any other agreements, to determine your legal obligations and evaluate the possible effects on your costs and operations.

Under our Franchise Agreement, the Company gives you the right to establish and operate a Unit Franchise at a site approved by the Company. The Franchise Agreement gives you the right to operate a Unit Franchise under the trademark “Blue Sage Longevity Labs and other marks designated by the Company from time to time (all referred to as the “Marks”). Under the Agreement, unless prohibited by law, you must offer all products and services that we may specify and may not offer any products or services we have not authorized.

It is anticipated that most Longevity Labs associated with Franchised Businesses will be located where traditional medical practices are located. However, in the future we may offer the right to operate a Franchised Business in a “Non-Traditional Site.” For purposes of this Disclosure Document, a “Non-Traditional Site” means any site or channel that generates customer traffic flow that is independent from the general customer traffic flow of the surrounding area, including on or within the confines or premises of military bases, shopping malls or centers, office complexes, airports, school campuses, train stations, or hospitals.

Market and Competition.

The market for Unit Franchises includes all individuals who desire wellness and aesthetic services. BlueSage Longevity Labs® target demographic encompasses both men and women aged between 25 and 75, with annual incomes of \$100,000 or higher, typically possessing a college degree or higher level of education. This target group is characterized by a willingness to invest \$10,000 or more annually in wellness and aesthetic services, driven by a proactive approach to maintaining health, appearance, and vitality. They are typically highly committed to enhancing their well-being and preserving youthfulness through advanced wellness and aesthetic treatments. Within this overall group, our company has developed several client personas and distinct profiles, which represent general traits, needs, and problems found in target demographics

If you open a Franchise Business, the competition for the Longevity Lab associated with your Franchised Business will include other businesses or professionals offering similar products and services to individuals. These competitors may include other wellness and aesthetic businesses and medspas, physical therapy specialists, and other medical facilities and franchises. Your Franchised Business may also face competition from businesses or professionals who operate multi-disciplinary medical and/or health practices, which offer medical and health services to their clients or patients.

Laws and Regulations.

You are responsible for operating in full compliance with all laws that apply to your Franchised Business and any Longevity Labs that you own, operate and/or manage. The medical industry is heavily regulated. These laws may include federal, state and local regulations relating to: the practice of medicine, nursing, chiropractic, or other professional services, and the operation and licensing of medical and healthcare professionals or facilities; the relationship of providers and suppliers of health care services, including anti-kickback laws (including the Federal Medicare Anti-Kickback Statute and similar state laws); restrictions or prohibition on fee splitting; physician self-referral restrictions (including the federal “Stark Law” and similar state laws); payment systems for medical benefits

available to individuals through insurance and government resources (including Medicare and Medicaid); privacy of patient records, including the Health Insurance Portability and Accountability Act of 1996(HIPAA); use of medical devices; and advertising of medical services. While not all of these laws and regulations will be applicable to all Longevity Labs, depending on location and services provided, it is important to be aware of and compliant with the regulatory framework. You should ensure that all employees that will work with patients in your Franchised Business undergo a background check.

You must secure and maintain in force all required licenses, permits and certificates relating to the operation of the Franchised Business and the other licenses applicable to Longevity Labs. You must not employ any person in a position that requires a license unless that person is currently licensed by all applicable authorities and a copy of the license or permit is in your business files and displayed as may be required. You must comply with all state and local laws and regulations regarding the management of any Longevity Lab.

You must also ensure that your relationship with any P.C. for which you manage Longevity Labs complies with all laws and regulations, and that the P.C. complies with all laws and regulations and secures and maintains in force all required licenses, permits and certificates relating to the operation of a Longevity Lab. Each state has medical, nursing, physician assistant, naturopathic, chiropractic and other boards that determine rules and regulations regarding their respective members and the scope of services that may legally be offered by their members. The laws and regulations generally include requirements for the medical providers to hold required state licenses and registrations to work as medical or healthcare providers in the state where the Longevity Lab is located, and to hold required certifications by, or registrations in, any applicable professional association or registry. If a state or jurisdiction has such a law or regulation, these laws and regulations are likely to vary from state to state, and these may change from time to time.

It is your obligation to consult with a local attorney to determine whether you will be required to work with a P.C. in order to operate a Franchised Business. You understand that it is your responsibility to operate your Unit Franchise in compliance with the laws and regulations of your state. This may mean that you may have to alter the structure of your franchise and begin working with a P.C., if the state you operate in does not allow, or decides to no longer allow, an unlicensed person from owning and/or operating a Longevity Lab.

Some states may permit an unlicensed person to own and operate a Longevity Lab, but require you to first obtain a license or permit. You understand that it is your responsibility to obtain all necessary licenses or permits to operate your Unit Franchise.

In addition, you must operate the Franchised Business in full compliance with all applicable laws, ordinances and regulations, including, without limitation, government regulations relating to occupational hazards, health, HIPAA, EEOC, OSHA, discrimination, employment, sexual harassment, worker's compensation and unemployment insurance and withholding and payment of federal and state income taxes, social security taxes and sales and service taxes. You agree to execute all documents, including documents with us, our agents, affiliates, etc., or others, to ensure compliance with any applicable laws, whether such laws are applicable now or in the future. You should consult with your attorney concerning those and other local laws and ordinances that may affect the operation of your Franchised Business.

INITIAL FEES

Initial Franchise Fees.

You must pay to us an initial fee (“Initial Franchise Fee”) of \$55,000 upon signing your Franchise Agreement for each Unit Franchise you purchase. The Initial Franchise Fee is non-refundable.

Payment of Fees.

The Initial Franchise Fees are fully earned and non-refundable in all or in part in consideration of administrative and other expenses incurred by us in entering into the Franchise Agreement and for our lost or deferred opportunity to enter into the Franchise Agreement with others. There is no financing available from us for the payment of the Initial Franchise Fee. We reserve the right to modify the Initial Franchise Fees in the future to reflect the changing costs of doing business and changes in the value of a Unit Franchise. We may also discount the Initial

Franchise Fee: (i) if we are unable to locate a Franchisee in a particular area we consider desirable; or (ii) based on other subjective factors we deem important to the System. We have no set criteria to define how much or when we would discount the Initial Franchise Fee.

Explanatory Notes

- (1) Except for some product and service purchases and advertising cooperative payments, all fees are uniform, and are imposed by, collected by, and payable to us. We have in the past, and may in the future, waive or defer some of the fees set forth in the table. However, we will not do so unless we determine in our sole and absolute discretion that it is in the best interest of the franchise system as a whole. All fees are non-refundable.
- (2) You must pay all amounts due to us by automatic debit. After you sign the documents we require to debit your business checking account automatically for the amounts due, we will debit your bank account for the Royalty Fee, Advertising Fee, and other amounts you owe us, including administrative fees. You must make funds available for withdrawal from your account before each due date.

If you do not report accurately your Unit Franchise's gross revenues, then we may debit your account for one hundred twenty percent (120%) of the Royalty Fee and Advertising Fee amounts that we debited during the previous day. If the Royalty Fee and Advertising Fee amounts we debit are less than the Royalty Fee and Advertising Fee amounts you actually owe us (once we determine the franchise's actual gross revenues for the day), then we will debit your account for the balance on the day we specify. If the Royalty Fee and Advertising Fee amount we debit is greater than the Royalty Fee and Advertising Fee amount you actually owe us, then we will credit the excess amount, without interest, against the amount we otherwise would debit from your account during the following day.

- (3) "Gross Revenues" means the total of all revenue and receipts derived from the operation of the franchise, including all amounts received at or away from the Unit Franchise, or through the business the Unit Franchise conducts (such as fees for wellness and aesthetic services, fees for the sale of any service or product, gift certificate sales, and revenue derived from products sales, whether in cash or by check, credit card, debit card, barter or exchange, or other credit transactions); and excludes only sales taxes collected from customers and paid to the appropriate taxing authority, and all customer refunds and credits the franchise actually makes. For Franchisees that operate as the management company for a P.C. and any of its Unit Franchises under a Management Agreement, "gross revenues" includes all revenues and receipts of the P.C. and any of its Unit Franchises, even if those revenues are not recognized on the books of the Franchisee.
- (4) The monthly fee for our POS and EMR Systems is currently \$450. The monthly fee for access to our CRM and LMS is currently \$299. The monthly Technology Fee for access to our Intranet, access to email, webpage hosting, webpage widgets, landing pages, and automation software for your franchise is currently \$299/month. We will charge a one-time set up fee for the franchisee unit website/SEO of \$900. We reserve the right to increase these fees upon thirty (30) days prior written notice.
- (5) In addition to products and services that you are required to purchase from us, we or our affiliates may offer you products and services to assist you in connection with the operation of your franchise (e.g., site location, recruiting, and/or HR services). We or our affiliates, as applicable, may charge you a fee if you choose to use us or our affiliates in connection with any such products or services.
- (6) You must reimburse us for expenses incurred by us in investigating and processing any proposed transfer to a new owner where the transfer is not finalized for any reason, and you will be responsible for all expenses we incur including but not limited to attorneys' fees we incur, up to a total of \$5,000. If you are in default of your Franchise Agreement, or any other agreement with us, we may deny you the right to transfer the Franchise and/or in addition to the Transfer Fee, should we permit the transfer, we may require you to pay any amounts we deem necessary, in our sole discretion, to cure the default(s), provided that the default(s) is/are curable. For transfers of an ownership interest of less than five percent (5%) or transfers of any ownership interest to a spouse, child, sibling, or parent, or a trust or similar entity, which do not result in creation of a controlling ownership stake, you must pay an administrative fee of \$2,500.
- (7) Any Unit Franchise relocation site needs to be approved by the Company in the same manner as the approval of the Unit Franchise's initial site and must be within the same trading areas as the previous Unit Franchise

location, as same is determined by us in our sole and absolute discretion. The relocation fee is due to the Company within a week after the site approval by the Company.

- (8) You must pay the termination fee, plus any costs and attorneys' fees incurred by us, if you improperly attempt to terminate or close your Unit Franchise or Franchise Agreement before your term expires, or we terminate your Franchise Agreement for any reason set forth in the Franchise Agreement. We may also recover from you any damages suffered by us (e.g., lost future revenues) resulting from your improper or wrongful termination of the franchise. Termination fees may be unenforceable in certain states.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases of Goods and Services

You must purchase certain products, supplies, insurance, inventory, signage, fixtures, furniture, equipment, décor software and other specified items under specifications and standards that we periodically establish in our Manual or other notices we send to you from time to time. These specifications are established to provide standards for performance, durability, design and appearance and support the System. You must purchase such products, supplies, insurance, etc. required for the operation of your Franchised Business solely from suppliers (including distributors, manufacturers, and other sources) who have been approved in writing by the Company, as set forth in the Manual. You are not allowed to purchase any item from an unapproved supplier. When selecting suppliers, we consider all relevant factors, including the quality of goods and services, service history, years in business, capacity of supplier, financial condition, terms and other requirements consistent with other supplier relationships. We maintain written lists of approved items of equipment, fixtures, inventory, and supplies (by brand name and/or by standards and specifications) and lists of approved suppliers for those items. All such suppliers and approved vendors will be listed in the Manual, which must always be followed, even as modified and updated by the Company. We will notify you whenever we establish or revise any of our standards or specifications, or if we designate approved suppliers for products, equipment or services.

We are currently an approved supplier of the intranet and email system that you must use for your BlueSage Longevity Labs® franchise. We may become a supplier of other required goods and services in the future. There are no approved suppliers in which any of our officers owns an interest. We may become the required supplier for digital marketing and advertising services in the future. If we do, you will be required to discontinue using other suppliers for these services. You must comply with our requirements to purchase or lease real estate, goods, and services according to our specifications and/or from approved suppliers to be eligible to renew your franchise. Failure to comply with these requirements will render you ineligible for renewal, and may be a default allowing us to terminate your franchise.

Approval of Alternative Suppliers

We do not have any specific written criteria for alternative supplier selection and do not intend at this time to prepare one. Therefore, we will not furnish its criteria for supplier approval to Franchisees. If you would like to purchase any items from any unapproved supplier, then you must submit to us a written request for approval of the

proposed supplier. We will approve or disapprove your request within 30 days. We have the right to inspect the proposed supplier's facilities, and require that product samples from the proposed supplier be delivered, at our option, either directly to us, or to any independent, certified laboratory that we may designate, for testing. We may charge you a supplier evaluation fee (not to exceed the actual cost of the inspection and the actual cost of the test) to make the evaluation. We reserve the right to periodically re-inspect the facilities and products of any approved supplier, and revoke our approval if the supplier does not continue to meet any of our criteria.

Revenue from Franchisee Purchases

In 2025, we received no revenue from Franchisee required purchases from required vendors/suppliers.

Copies of any required vendor agreements are attached in **Exhibit J**. The exact form of these agreements may change from time to time.

In the year ending December 31, 2025, we received no revenue from sale of required products and services to Franchisees. The cost of purchasing required products and services to our specifications will represent approximately 35-60% of your total purchases in establishing your franchise and approximately 25% of your total purchases during the operation of your franchise.

We may receive revenue or other consideration from any other suppliers for goods and services that we require or advise you to purchase. In the event we enter agreements with any such suppliers, we anticipate that any revenue or other consideration received will include certain promotional allowances, rebates, volume discounts, and other payments, that may range from zero to ten percent (0 -10%) of the amount of the goods or services you purchase from the supplier. We expect that at least some of these arrangements will generally allow us to obtain discounts from standard pricing, and that it may facilitate our ability to pass along a portion of the savings to you.

Negotiated Prices, Cooperatives and Material Benefits

We negotiate price terms and other purchase arrangements with suppliers for you for some items that we require you to lease or purchase in developing and operating your Unit Franchise. There currently are no purchasing and distribution cooperatives. We do not provide any material benefits to you if you buy from sources we approve.

Advertising Specifications

You must obtain our approval before you use any advertising and promotional materials, signs, forms and stationary unless we have prepared or approved them prior to their proposed use. You must purchase certain advertising and promotional materials, brochures, fliers, forms, business cards and letterhead from approved vendors only. Further, you must not engage in any advertising of your Franchised Business unless we have previously approved the medium, content and method.

Records

All of your bookkeeping and accounting records, financial statements, and all reports you submit to us must conform to our requirements. All reports must be submitted in a timely manner in accordance with the dates we set from time to time.

Computer-Related Equipment and Software

You must purchase for each Unit Franchise a computer system (hardware) and operating software that we specify from time to time. You must use our POS and EMR Software, our Intranet and email systems, and LMS and CRM system. We reserve the right to increase the cost of these different items after providing you thirty (30) days prior written notice. You will be required to have access to a broadband Internet connection at all time. The POS system is operated by software, so you are not required to purchase any equipment, like cash registers, to operate

your Unit Franchise. You are responsible for the cost to purchase and maintain any other software licenses or programs that we may require you to use in connection with your franchise.

Insurance Requirements

Before you open the Franchise and during any Term of this Agreement, you must maintain in force, under policies of insurance written on an occurrence basis issued by carriers with an A.M. Best rating of A-VIII or better approved by us, and in such amounts as we may determine from time to time: (1) comprehensive public, sexual harassment, professional, product, medical malpractice and motor vehicle liability insurance against claims for bodily and personal injury, death and property damage caused by or occurring in conjunction with the operation of the Franchise or otherwise in conjunction with your conduct of the Franchise Business pursuant to this Agreement, under one or more policies of insurance containing minimum liability coverage amounts as set forth in the Manual; (2) general casualty insurance, including theft, cash theft, fire and extended coverage, vandalism and malicious mischief insurance, for the replacement value of the Franchise and its contents, and any other assets of the Franchise; (3) worker's compensation and employer's liability insurance as required by law, with limits equal to or in excess of those required by statute; (4) business interruption insurance for a period adequate to reestablish normal business operations, but in any event not less than six (6) months; (5) any other insurance required by applicable law, rule, regulation, ordinance or licensing requirements; and (6) umbrella liability coverage with limits of not less than \$1,000,000/\$3,000,000 or such other amounts that we may establish. We may periodically increase or decrease the amounts of coverage required under these insurance policies, and/or require different or additional kinds of insurance, including excess liability insurance, to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards, or other relevant changes in circumstances.

Item 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations:

Before you open your Unit Franchise for business, we or our designee will:

1. Review and approve or disapprove the proposed site for your Unit Franchise ("Premises"). Unless we agree otherwise, you must locate and select a proposed site for the Premises that is acceptable to us as suitable for the operation of a Unit Franchise. We do not typically own the Premises where our franchisees operate their Franchised Business. Your proposed site must be submitted in accordance with our policies and procedures and must be reviewed and approved by us. Factors that we consider in selecting and approving sites include, the location of the site to existing Unit Franchises, population density, and other businesses in the area. Approval of a proposed site shall be at our sole and absolute discretion and shall not constitute, nor be deemed, a judgment as to the likelihood of success of a Unit Franchise at such location, or a judgment as to the relative desirability of such location in comparison to other locations. We will approve or disapprove any proposed site within fifteen (15) business days of receipt of a completed site submission package, as same may be defined and modified by us from time to time in our sole and absolute discretion. Your failure to submit a completed site approval package and request and secure our approval of a proposed site in a timely manner shall not be reason for extending the date for opening set forth in your Franchise Agreement. If you fail to pick a site that we approve, we may terminate your Franchise Agreement. (Franchise Agreement – Sections 3.1).

2. You must obtain lawful possession of the Premises by executing a lease for the Premises ("the Lease") after our approval of the Premises associated with the site submittal package and approved site. The Lease

for the Premises must include the form of Addendum to Lease, attached as Exhibit 3 to the Franchise Agreement. Before executing a lease, you must submit it to us for our approval. We will approve or disapprove the lease for your Premises within fifteen (15) days of receipt of your request for approval. (Franchise Agreement – Sections 3.1)

3. Identify the products, materials, supplies, and services you must use to develop and operate your Unit Franchise, the minimum standards and specifications that you must satisfy in developing and operating the franchise, and the designated and approved suppliers from whom you must or may buy or lease these items (which might be limited to or include us and/or our affiliates). (Franchise Agreement – Section 3.1).

4. Grant you access to our primary operations manual for Unit Franchises along with other materials which contain our mandatory and suggested specifications, standards and procedures for operating your Unit Franchise (collective referred to as our “Manual”). (Franchise Agreement – Section 5.1-5.2). **Exhibit C** to this Disclosure Document sets forth the Table of Contents for our Manual, which consists of approximately 83 pages. Our Manual contains our System Standards and information about your other obligations under the Franchise Agreement. This manual and other digital training systems/programs are located our Learning Management System (LMS).

We may modify the contents of the Manual periodically to reflect changes in System Standards, or send out other electronic communications to you about changes or updates to the System, the Manual, and our policies and procedures. You are required to be in compliance with the most current version of our Manual, as well as our most current policies and procedures. The Manual is confidential, and you may not copy, duplicate, record or otherwise reproduce any part of it. You may ask to view our Manual at our corporate headquarters before purchasing your Unit Franchise, but must first sign our Non-Disclosure Agreement (**Exhibit E** of this Disclosure Document) promising not to reveal any of the information contained in the Manual without our permission.

5. Provide you with specifications for the computer system for your Unit Franchise (Franchise Agreement – Section 3.4). See below for additional information about these specifications.

6. No later than thirty (30) days before your Unit Franchise opens for business, provide to you, other members of your management team, and any agents you employ our initial training program for Unit Franchises (Franchise Agreement – Section 5.1). You (if you are an individual) or at least one of your Owners as defined in your Franchise Agreement (if you are a legal entity), your general manager (if we agree for you to have a general manager), any licensed wellness and aesthetic professional practicing at the Unit Franchise (to the extent permitted by applicable law), and other members of your management team that we designate must complete this initial training program to our satisfaction. The training program includes classroom instruction at our headquarters in Atlantic Beach, NY, and on-the-job training at either a training facility or a location we designate. There will be no tuition charge for these training programs for any persons who attend, but you must pay any wages or compensation owed to, and all travel, lodging, meal, and transportation expenses incurred by, all of your personnel who attend the training programs. All persons who attend our initial training program must complete it to our satisfaction.

7. Provide at our expense an opening supervisor to assist you with the Unit Franchise’s operational efficiency, staff training, Unit Franchise setup and opening of your Unit Franchise for one (1) day before the opening of your first Unit Franchise and for one (1) day after the opening of your first Unit Franchise (Franchise Agreement – Section 3.6).

Time to Open:

We will agree on the time you must open your Unit Franchise for business when you sign your Franchise Agreement, but we typically will require you to open no more than two hundred and forty (240) days after you sign your Franchise Agreement. Factors affecting this length of time before you open include locating a site for the Premises and signing a lease, construction or remodeling of the site (if required), completion of required training, financing arrangements, local ordinance and building code compliance, delivery and installation of equipment, and hiring and training of your staff, securing of all manner of permits and operational licenses and approvals.

If you are delayed from opening your Unit Franchise by the opening deadline in your Franchise Agreement, you must provide us with a written request to extend the deadline, which we may grant or deny in our sole discretion. The request must state: (1) that a delay is anticipated; (2) the reasons which caused the delay; (3) the efforts that you are making to proceed with the opening; and (4) an anticipated opening date. In considering the request, we will not unreasonably withhold our consent to a delay if you have been diligently pursuing the opening.

Unless we agree to extend the opening deadline, if you do not open your Franchise for business by the deadline, you will be considered in default of your Franchise Agreement. Upon receipt of written notice from us of your default, you must cure your default by opening your Franchise for business no more than ninety (90) days after receipt of notice of the default, or one hundred and eighty (180) days after the original opening deadline, whichever occurs first. If you fail to cure your default, we have the right to terminate your Franchise. (Franchise Agreement – Section 3.1 and 15).

Post-Opening Obligations:

After your Unit Franchise opens for business, we or our designee will:

1. Provide you with guidance and assistance in the following areas: (a) the products and services authorized for sale by the Unit Franchise, and specifications, standards, and operating procedures used by Unit Franchises; (b) purchasing approved equipment, furniture, furnishings, signs, products, operating materials, and supplies; (c) development and implementation of local advertising and promotional programs; (d) administrative, bookkeeping, accounting, inventory control and general operating and management procedures; (e) establishing and conducting employee training programs at the Unit Franchise; (f) changes in any of the above that occur from time to time; and (g) specify any approved brands, types and/or models of equipment, furniture, fixtures, and signs (Franchise Agreement – Section 5.1).

2. Continue lending to you a copy of our Manual (Franchise Agreement – Sections 5.1-5.2).

3. Allow you to use our Marks and confidential information in operating your Unit Franchise (Franchise Agreement – Sections 7 and 9). You must use the Marks and confidential information only as authorized in the Franchise Agreement and our Manual.

4. Indemnify you against damages for which you are held liable in any proceeding arising out of your use of our Marks in compliance with the Franchise Agreement, and reimburse you for costs you incur in defending against any such claim (Franchise Agreement – Section 7.5).

5. As we deem appropriate, provide you with supplemental training programs (Franchise Agreement – Section 4.2). We may hold training programs for you and your staff regarding new techniques, services or products, and other appropriate subjects. We may decide to hold these training programs at our own initiative, or in response to your request for additional or special training. We will determine the location, frequency, and instructors of these training programs. We may, but do not currently, charge you a daily attendance fee in an amount to be set by us for each owner, officer, director, manager, or employee of yours who attends any mandatory or optional training program. You must pay this fee to us in a lump sum before the training program begins. You must pay for all travel, lodging, meal, and personal expenses related to your attendance and the attendance of your personnel.

6. Review and approve or disapprove your advertising, marketing, and promotional materials (Franchise Agreement – Section 11.2).

7. As we deem advisable, conduct inspections and/or audits of your Unit Franchise, including evaluations of its training methods, techniques, and equipment; its staff; and the services rendered to its customers (Franchise Agreement – Section 13.1). We may provide you with additional guidance and training based on the results of these inspections and/or audits.

8. If requested by you, we may provide you with one of our employees or agents to assist you with the operation of your Unit Franchise (“Unit Franchise Assistance”). You will be responsible to pay us a daily fee (currently set at \$300). We reserve the right to adjust this fee as we deem appropriate) in addition to the actual costs (including but not limited to travel, meals, lodging, car rental, etc.) for the Store Assistance (Franchise Agreement – Section 5.1).

Advertising and Marketing:

Advertising by You

In addition to contributions to the Ad Fund, you must spend the greater of (a) One Thousand Five Hundred and No/100 Dollars (\$1,500.00) or (b) five percent (5%) of your Gross Revenues for each month during the term of your Franchise Agreement (the “Minimum Local Advertising Requirement”).

You may only use advertising material that is approved by us. We have the right to require you to use one or more required suppliers for your local advertising. We may require you to spend all or a portion of the Minimum Local Advertising Requirement with such required suppliers. We reserve the right to collect such amounts directly from you via EFT to pay such required suppliers. You must provide us (in a form we approve or designate) evidence of your required local advertising, marketing and promotional expenditures by the thirtieth (30th) day of each month, for the preceding calendar month, along with a year-to-date report of the total amount spent on local advertising. Any advertising or marketing material that you intend to use must receive prior written approval from us. If you do not receive our written disapproval within fifteen (15) days from the date the materials are delivered to us, then the materials will be deemed approved. The approval of the marketing or advertising material is valid for one year (Franchise Agreement – Section 11.2).

You are required to join and participate in any Advertising Cooperative (“Co-op”) covering your Unit Franchise that may be established and duly formed. A Co-op is an association of all Franchisees whose Franchised Businesses are located within a Designated Market Area (“DMA”). A DMA is a geographic area around a city in which the radio and television stations based in that city account for a greater proportion of the listening/viewing public than those based in the neighboring cities. One function of the Co-op is to establish a local advertising pool, of which the funds must be used for Unit Franchise’s advertising only and for the mutual benefit of each Co-op member. We have the right to specify the manner in which any Co-ops are organized and governed, and require any and all Co-ops to be legal entities of the state where they are located. We may require Co-ops to be changed, dissolved or merged. Co-ops must operate according to written bylaws which have been approved by us. Co-ops must provide us with a copy of their organizational documents and bylaws prior to commencing any marketing or other activities. Currently, each Franchisee must contribute to a Co-op according to the Co-op’s rules and regulations, and bylaws, as determined by its members. Franchisor-owned outlets will have the same voting rights and franchisee-owned outlets in the Co-op. Amounts contributed to Co-ops may be considered as spent for local advertising, if appropriately documented and spent according to our defined criteria for local advertising, and therefore may be applied towards the Minimum Local Advertising Requirement. There is no minimum fee that must be charged for a Co-op, however, the maximum fee will not exceed your Minimum Local Advertising Requirement. There is no minimum Co-op fee that must be charged to Co-op members. We reserve the right to require each Co-op to prepare annual or periodic financial statements and to provide such statements to the Co-op members. We also reserve the right to determine the amount to be contributed by each member of the Co-op, as necessary. (Franchise Agreement – Section 11.3).

Advertising by Us

We may create one or several national and/or regional advertising funds (the “Ad Fund(s)”) for our Unit Franchises (both Franchisee-owned and Company-owned) to accomplish those advertising and promotional programs we deem necessary or appropriate for the Unit Franchises (Franchise Agreement – Section 11.1). However, we may choose to use only one Ad Fund to meet the needs of regional, multi-regional, and national advertising and promotional programs. Each Unit Franchise must contribute to the Ad Funds for their area such amounts that we periodically require. The current contribution amount is one percent (1%) of your Gross Revenues. The maximum

contribution to the Ad Funds we may require from you is two percent (2%) of your Gross Revenues. Any Unit Franchise owned by us will contribute to the Ad Funds on the same basis as you.

We will direct all marketing programs financed by the Ad Funds, and will have sole discretion over the creative concepts, materials and endorsements used by the Ad Funds, and the geographic, market, and media placement and allocation of the Ad Funds. We have the sole discretion to use the Ad Funds to pay the costs of administering regional, multi-regional, and/or national advertising programs, including purchasing direct mail and other media advertising; employing advertising agencies and supporting public relations, market research, and other advertising and marketing firms; and paying for advertising and marketing activities that we deem appropriate, including the costs of participating in any national or regional trade shows. We may in our discretion use Ad Funds to engage in advertising and promotional programs that benefit only one or several regionals, and not necessarily all Unit Franchises. We will not use the Ad Funds for advertising that is principally a solicitation for the sale of franchises.

The Ad Funds will be accounted for separately from our other funds, and will not be used to pay any of our general operating expenses, except for salaries, administrative costs, and overhead that we incur in activities reasonably related to the administration of the Ad Funds and their marketing programs, including preparing advertising and marketing materials, and collecting and accounting for contributions to the Ad Funds. We may spend in any fiscal year an amount greater or less than the aggregate contributions to the Ad Fund in that year, and the Ad Funds may borrow from us or other lenders to cover the Ad Funds' deficits, or invest any surplus for future use by the Ad Funds. We will prepare an annual statement of monies collected and costs incurred by each Ad Fund, and will provide it to you upon written request. We are not required to and will not have the Ad Fund audited. We have no obligation to conduct advertising for the franchise system aside from our use of the Ad Fund.

During our fiscal year ending December 31, 2025, disbursements from the Ad Fund were spent as follows: 0% for production of advertisements and other promotional materials, 0% for research, 0% for advertising media, 0% for public relations, and 0% for general and administrative expenses.

We may cause any Ad Fund to be incorporated or operated through an entity separate from us when we deem appropriate, and the entity will have the same rights and duties as we do under the Franchise Agreement. If established, the Ad Funds will be intended to enhance recognition of the Marks and to enhance the franchise opportunities available through our franchises. Although we will endeavor to use the Ad Funds to develop advertising and marketing materials and programs and place advertising that will benefit all Unit Franchises, we do not have to ensure that the Ad Funds' expenditures in or affecting any geographic area are proportionate or equivalent to the contributions made by Unit Franchises in that geographic area, or that any Unit Franchise will benefit from the development of advertising and marketing materials or the placement of advertising by the Ad Funds directly or in proportion to the Unit Franchise's contribution to the Ad Funds. We assume no direct or indirect liability or obligation to you or any other Unit Franchise in connection with the establishment of an Ad Fund, or the collection, administration, or disbursement of monies paid into any Ad Fund.

We may suspend contributions to, and the operations of, any Ad Fund for any period we deem appropriate, and may terminate the Ad Fund upon thirty (30) days' written notice to you. All unspent monies held by the Ad Fund on the date of termination will be distributed to us, our affiliates, and you and our other Franchisees in proportion to each party's respective contributions to the Ad Fund during the preceding twelve (12) month period. We may reinstate a terminated Ad Fund upon the same terms and conditions set forth in the Franchise Agreement upon thirty (30) days' advance written notice to you.

As of December 31, 2025, we had no Co-ops. Each Co-op must be operated according to their respective bylaws. We have the right to specify the manner in which all Co-ops are organized and governed, and may require all Co-ops to be legal entities of the state where they are located.

As of December 31, 2025, we had no advertising councils. We may, in our sole discretion, change or dissolve any advertising councils or similar organization which we have formed or organized.

As of the date of December 31, 2025, we had no advisory boards. We may, in our sole discretion, change or dissolve any advisory councils or similar organization which we have formed or organized.

We, or our designated supplier, may become the required supplier of some or all digital marketing and advertising services. If we do, you will be required to discontinue using any of your current suppliers for this service upon expiration of any existing contracts for these services, or within thirty (30) days after receiving notice from us that we will be providing these services, whichever occurs first. Any amounts paid to us as the required supplier of digital marketing and advertising services may be applied towards the Minimum Local Advertising Requirement.

Computer System:

You must use the computer hardware and software (collectively, “Computer System”) that we periodically designate to operate your Unit Franchise (Franchise Agreement – Sections 3.4 and 6.6). You must obtain the Computer System, software licenses, maintenance and support services, and other related services from the suppliers we specify (which may include or be limited to us and/or our affiliates). The initial cost to establish your computer system is between \$6,000 and \$10,000. You are responsible for all costs and monthly fees associated with any such software licenses or programs, including any updates. We may periodically modify the specifications for, and components of, the Computer System. These modifications and/or other technological developments or events may require you to purchase, lease, and/or obtain by license new or modified computer hardware and/or software, and obtain service and support for the Computer System. The Franchise Agreement does not limit the frequency or cost of these changes, upgrades, or updates. We have no obligation to reimburse you for any Computer System costs. Within sixty (60) days after you receive notice from us, you must obtain the components of the Computer System that we designate and ensure that your Computer System, as modified, is functioning properly.

You will have sole responsibility for: (1) the acquisition, operation, maintenance, updating, and upgrading of your Computer System in accordance with the standards set forth in the Manual, as they may be updated from time to time; (2) the manner in which your Computer System interfaces with our computer system and those of other third parties; and (3) any and all consequences that may arise if your Computer System is not properly operated, maintained and upgraded. We do not expect that the annual cost (if any) to maintain, update or upgrade your computer system to exceed \$1,500. We have no contractual obligation to maintain, repair, update, or upgrade your Computer System.

Your Computer System must be capable of supporting our required software, with Internet capability, and accessible by us remotely. You may also be required to purchase certain customer contact software and financial software, and to pay monthly charges associated with your Computer System. The specification regarding the required hardware and software for your Computer System are contained in the Manual.

You must use our POS and EMR Software, our intranet and email system, and LMS and CRM system. You must purchase any required software from us or the vendor we specify. We reserve the right to increase the cost of each software after providing you thirty (30) days prior written notice. You are responsible for the cost to purchase and maintain any other software licenses or programs that we may require you to use in connection with your franchise.

We will have independent access to the information that will be generated and stored on your Computer System, such as sales data and data about customers subject to restrictions imposed by HIPAA or other state or federal privacy laws relating to patient records. Other than this, there are no limitations on when or how we may access such information.

Item 12

TERRITORY

You will select for our approval the location of the Premises for your Unit Franchise according to the requirements and within the time specified in the Franchise Agreement.

We will grant you a protected territory (“the Protected Territory”). We will define the Protected Territory in an addendum to the Franchise Agreement after you select and we approve the site for your Unit Franchise. Typically, the Protected Territory will include the greater of a three (3) mile radius or 150,000 households, as defined by the natural traffic and trade patterns of your approved site. We will describe the Protected Territory using either longitude and latitude coordinates or a map that will show in general terms the fixed geographical boundaries (such as rivers, streets or highways). The geographic size of the Protected Territory will vary based upon population density and a variety of demographic factors. In dense urban areas, the Protected Territory may encompass a city block or less, and at Non-Traditional Sites, we might limit your Protected Territory to the site of your Unit Franchise. In less dense suburban areas, the Protected Territory could include an entire municipality. For purposes of this Agreement, a “Non-Traditional Site” means any site or channel that generates customer traffic flow that is independent from the general customer traffic flow of the surrounding area, including on or within the confines or premises of military bases, shopping malls or centers, airports, stadiums, major industrial or office complexes, parking lots or structures, mobile vehicles, airports, hotels, resorts, school campuses, train stations, travel plazas, toll roads, casinos, hospitals, theme parks, and sports or entertainment venues. We would expect to grant franchises for Non-Traditional Sites in self-contained locations such as college or university campuses, airports, hospitals, or sports arenas. We will not modify your Protected Territory during the franchise term. If you intend to renew or transfer the franchise, and your Protected Territory is larger than our then-current standard size for territories or the then-current demographics of your Protected Territory have changed, then we may reduce the size of your Protected Territory on renewal or require your transferee to operate the Unit Franchise in a smaller territory. If we reduce the Protected Territory, we will give you or your transferee the option (as applicable) to develop the remaining territory.

You are prohibited from soliciting or accepting orders from consumers outside your Protected Territory through any channels of distribution, such as the Internet, catalog sales, telemarketing or other direct marketing, to make sales outside your Protected Territory.

If you are in full compliance with the Franchise Agreement, then during the Franchise Agreement’s term, neither we nor our affiliates will operate or grant a franchise for the operation of another BlueSage Longevity Labs® Unit Franchise or Company-owned BlueSage Longevity Labs® franchise within your Protected Territory (except for BlueSage Longevity Labs® Unit Franchises at Non-Traditional Sites) that offers the same or similar goods or services under the same or similar trademarks as long as you continuously exert your best efforts to promote and enhance the business of the Franchise.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. We will not be required to compensate you for soliciting or accepting orders from customers within your Protected Territory through any channels of distribution.

We must approve the relocation of your franchised business. We will apply the same criteria for the relocation of a franchised business as we apply when determining the location of a new franchise.

The Franchise Agreement does not grant you any options, rights of first refusal, or similar rights to acquire additional franchises.

Other Company Reserved Rights

We and our affiliates reserve the right to engage in any activities we deem appropriate that your Franchise Agreement does not expressly prohibit, whenever and wherever we desire, including the right to (1) own, acquire, site build, or

operate, for our own account, or grant to others the right to operate, Unit Franchise on terms and conditions and at locations we deem appropriate outside of your Protected Territory; (2) to grant Area Representative franchises which may encompass the area where your site is located; (3) provide or grant other persons the right to provide goods and services that are similar to and/or competitive with those provided by Unit Franchises through alternative channels of distribution, including, but not limited to, sales via mail order, catalog, toll-free telephone numbers, and electronic means, including the Internet under the Marks or trademarks and services marks other than the Marks; (4) acquire the assets or ownership interest of businesses providing products and services similar to those provided at Unit Franchises, and franchising, licensing, or creating similar arrangements with respect to those acquired businesses, wherever those businesses or their Franchisees or licensees are located; and (5) being acquired (regardless of the form of transaction) by a business providing products and services similar to those provided at Unit Franchises or another business. Neither we nor any of our affiliates plan to operate or franchise businesses under a different trademark that will sell similar goods or services to those of the franchisee.

Item 13

Item 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Franchisees are expected to participate in the direct operation of their franchise on a full-time basis. If they cannot, then they are obligated to have a fully trained Manager operate the franchise. The Manager is not required to have an equity interest. However, we believe that a person with an equity interest can best ensure that our standards of quality and competence are maintained. The Franchise Agreement requires that you, or a designated Manager, be directly involved in the day-to-day operations and utilize your best efforts to promote and enhance the performance of the Franchised Business. While in most cases Franchisees will seek additional assistance for the labor-intensive portions of the business, we have built our reputation on Franchisee participation and believe it is crucial for continued success. In any case, when making decisions relating to the operation of the Unit Franchise, the Franchisees should keep in mind that at least one licensed wellness and aesthetic professional must be present in the Unit Franchise at all times, during the hours of business of the Unit Franchise.

Any Manager you employ at the launching of your franchise operations must complete the initial management-training course required by the Company. All subsequent Managers must be trained fully according to our standards by either the Franchisee or the Company. However, the Company may charge a fee for this additional training.

Each Principal Owner who holds an interest in the Franchisee must personally guarantee all of the obligations of the Franchisee under the Franchise Agreement. (See Exhibit 2 to the Franchise Agreement for the form of Guaranty and Assumption of Obligations.) The Guaranty and Assumption of Obligations must be executed by the spouse(s) of the Franchisee, and all its owners, partners, etc. You must submit your operating agreement and statement of legal formation if you are an LLC and the appropriate corporate documents if you are incorporated. You are obligated to maintain them in good standing and submit copies of the by-laws and resolutions as may be required.

Any persons who have or may have an operating interest in the Franchisee or the franchise must execute our Confidentiality Agreement (See **Exhibit E**). You must have each Manager or any other person who receive or has access to training and other Confidential Information under the System, including employees, sign our Brand Protection Agreement (See **Exhibit E**). The covenants must be in a form satisfactory to us, and must provide that we are a third-party beneficiary of, and have the independent right to enforce the covenants. You may not transfer any interest in the Franchise, the franchise agreement, or the lease for the Premises of the Franchise, without our prior written consent.

Item 16

RESTRICTIONS ON WHAT THE FRANCHISE OWNER MAY SELL

You must operate the Franchised Business in strict conformity with all prescribed methods, procedures, policies, standards, and specifications of the System, as set forth in the Manual and in other writings by the Company from time to time. You must use the Premises only for the operation of your Franchised Business and may not operate any other business at or from the Premises without the express prior written consent of the Company.

The Company requires you to offer and sell only those goods and services that the Company has approved. The Company maintains a written list of approved goods and services in its Manual, which the Company may change from time to time. If you sell unapproved goods or services or fail to report them, we have the right to charge you fees, and if you continue to do so after written notice is given to you, the Company may terminate your franchise.

You must offer all goods and services that the Company designates as required for all franchises. In addition, the Company may require you to comply with other requirements (such as state or local licenses, training, marketing, insurance) before the Company will allow you to offer certain services.

We reserve the right to designate additional required or optional goods and services in the future and to withdraw any of our previous approvals. In that case, you must comply with the new requirements. There are no express limitations on our right to designate additional or operational goods and services; however, such goods and services will be reasonably related to our franchise system or model.

We do not currently have any restrictions or conditions that limit access to customers to whom the Franchisee may sell goods or services

Franchised Business Exclusivity Obligations

You, the Franchisee, are specifically prohibited and not authorized to offer products or services identical or similar to the products or services offered by us through any means or through any other entity in which you may have an interest, other than your franchise, unless prohibited by applicable law.

It began operating its business in June 2014. Its operates a business substantially similar to the type of business that will be operated or managed by Unit Franchises.
2. The Gross Sales in the chart do not reflect the actual potential net income of a BlueSage Longevity Labs® Unit Franchise and should not be relied upon in calculating profitability. There are a number of fixed and variable costs associated with a BlueSage Longevity Labs® Unit Franchise that are not reflected in the table above and that vary among individual BlueSage Longevity Labs® Unit Franchises. These costs, which are significant, include costs described in Items 6 and 7 of this Disclosure Document, inventory costs, equipment costs, labor costs, rent and other occupancy costs, taxes, utilities, insurance, royalty fees, advertising, supplies, bad debt, warranty expenses, charge card expenses, equipment rental, taxes, debt service, depreciation on equipment and property, legal and accounting fees, regulatory compliance, management costs, general administrative expenses, pre-opening organization costs, employee benefits and repairs and maintenance. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchise business.

3. The information in the chart was compiled based on actual reported sales by our affiliate's Woodmere, NY location. We have not independently audited or verified the accuracy of these numbers.
4. A particular BlueSage Longevity Labs® Unit Franchise's financial performance may be affected by numerous factors that may vary due to the individual characteristics of the BlueSage Longevity Labs® Unit Franchise. These factors include: competition from other medical providers, appreciation and acceptance of the services and products the BlueSage Longevity Labs® Unit Franchise offers in its community, a franchisee's experience, business development and managerial skills, advertising programs, personnel and cost controls, geographic and socioeconomic conditions in the franchisee's area, business cycles and performance of the economy locally, nationally and world-wide.

Written substantiation for the financial performance representations made in this Item 19 will be made available to the prospective franchisee upon reasonable request.

We encourage you to consult with your financial advisors in reviewing the information in this Item 19, in particular, in estimating the categories and amount of additional expenses that may be incurred in establishing and operating a BlueSage Longevity Labs® Unit Franchise.

Some outlets have sold this amount. Your individual results may differ. There is no assurance you'll sell as much.

Other than the preceding financial performance representation, we do not make any representations about your future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Cathy Galligan, COO, 2659 East Gulf to Lake Highway, Ste. 301, Inverness, FL 34453, (212) 799-1605, Email: cgalligan@bluesageinc.com, the Federal Trade Commission, and the appropriate state regulatory agencies.

BLUE SAGE LONGEVITY LABS® FRANCHISE AGREEMENT

This Franchise Agreement (this or the “Agreement”) is being entered into effective as of the ____ day of _____, 20__ (the “Agreement Date”). The parties to this Agreement are Blue Sage Franchising, Inc. , a Delaware corporation (“we,” “us,” the “Company”); _____, (“you” or “Franchisee”), and, if you are a partnership, corporation, or limited liability company, your “Owners” (defined below).

1. INTRODUCTION.

This Agreement has been written in an informal style in order to make it more easily readable and to be sure that you become thoroughly familiar with all of the important rights and obligations the Agreement covers before you sign it. This Agreement includes several exhibits, all of which are legally binding and are an integral part of the complete Franchise Agreement. If you are a corporation, partnership or limited liability company, you will notice certain provisions that are applicable to those principal shareholders, partners or members on whose business skill, financial capability and personal character we are relying in entering into this Agreement. Those individuals will be referred to in this Agreement as “Owners.”

Through the expenditure of considerable time, effort and money, we and our affiliates have devised a system for the establishment and operation of a BlueSage Longevity Labs® franchise business model, at a location that offers wellness and aesthetic services to the public. It is our mission to provide the general public with products and services focused on wellness solutions and aesthetic services. The Unit Franchise environment is intended to be a professional medical environment of the highest caliber with a comfortable, accessible feel for all patients (all of these characteristics, amongst others, are referred to in this Agreement as the “System”). This business model includes a unit model that offers all of our franchised services and products (individually, a “Unit Franchise” and collectively, “Unit Franchises”). We refer to the owner(s) of Unit Franchise(s) generally as a “franchisee(s)”. We identify the System by the use of certain trademarks, service marks and other commercial symbols, including the marks “ Blue Sage Longevity Labs®” and certain associated designs, artwork and logos, which we may change or add to from time to time (the “Marks”).

From time to time we grant to persons who meet our qualifications, franchises to own and operate a Unit Franchise business that will operate and/or manage Unit Franchises as BlueSage Longevity Labs® (as allowed by applicable law) that specialize in providing wellness and aesthetic services and products (such as such as medical aesthetics, weight loss, hormone replacement therapy, platelet rich plasma therapy, stem cell therapy, cardiovascular bio impedance & body composition, galvanic skin response, DNA testing,

IV infusions, hormone therapy, and acoustic wave therapy, skincare products and supplements) to the general public through licensed wellness and aesthetic professionals at a health facility or clinic (referred to as “Unit Franchise(s)”). Unit Franchises will also provide peptides, platelet-rich plasma (PRP), red light therapy, ozone therapy, hyperbaric chamber, salt and snow rooms, and infrared sauna options. Other treatments offered include Botox and fillers for anti-aging, microneedling and AQUAGOLD microinjection systems, and microdermabrasion and Aerolase Neo Elite laser treatments. We may add or remove the types of products and services offered by Unit Franchises.

This Agreement is being presented to you because of the desire you have expressed to obtain the right to develop, own, and be franchised to operate a Unit Franchise (we will refer to your Unit Franchise as the “Franchise” or the “Franchised Business”). You may purchase your franchise as a new, start-up Unit Franchise (a “New Unit Franchise or Franchise”), or you may begin utilizing the BlueSage Longevity Labs® franchise system at an existing wellness and aesthetic Unit Franchise (referred to as an “Add-On Unit Franchise or Franchise”). In signing this Agreement, you acknowledge that you have conducted an independent investigation of the Blue Sage Longevity Labs® franchise business model, and recognize and acknowledge that, like any other business, the nature of it may evolve and change over time, AND that an investment in a BlueSage Longevity Labs® franchise involves business risks, and that the success of this business venture is primarily dependent on YOUR business abilities and efforts.

We expressly disclaim making, and you acknowledge that you have not received nor have you relied on, nor consider any of the information supplied to be, any guarantee, express or implied, as to your potential revenues, profits, performance or likelihood of success of BlueSage Longevity Labs® franchise business venture contemplated by this Agreement. You acknowledge that there have been no representations by us or our affiliates or our or their respective officers, directors, members, employees, or agents that are inconsistent with the statements made in our current Franchise Disclosure Document concerning the Franchised Business, or the provisions of this Agreement. You further represent to us that as an inducement of our entering into this Agreement with you, there have been no misrepresentations to us in your application for the rights granted by this Agreement, or in the financial information provided by you and your Owners.

2. GRANT OF FRANCHISE.

2.1 Term; Reference to Exhibit 1.

You have applied for a franchise to own and operate a BlueSage Longevity Labs® Unit Franchise, and we have approved your application in reliance on all of the representations you made in that application. As a result, and subject to the provisions of this Agreement, we grant to you a Franchise to operate a BlueSage Longevity Labs® Unit Franchise that offers the products, services, and proprietary programs of

ours, all to be used in accordance with all elements, rules and regulations of the System, that we may require for **Error! Unknown document property name.** BlueSage Longevity Labs® Unit Franchise and in accordance with all manner of law and applicable regulations as relate to the wellness and aesthetic profession.

You must operate the Franchise at a mutually agreeable site (the “Premises”) that is approved by the Company and which is to be identified and secured by you after the signing of this Agreement, and to thereafter use the System and the Marks in the operation of that Franchise, for a term of ten (10) years (the “Initial Term”) in strict accordance with its terms. The Initial Term will begin on the Agreement Date. (For convenience, the expiration date of the Initial Term is listed on **Exhibit 1.**) Termination or expiration of this Agreement will constitute a termination or expiration of your Franchise. (All references to the “term” of this Agreement refer to the period from the Agreement Date to the date on which this Agreement actually terminates or expires.)

2.2 Full Term Performance.

You specifically agree to be obligated to operate the Franchise, perform the obligations of this Agreement, and continuously exert your best efforts to promote and enhance the business of the Franchise for the full term of this Agreement.

2.3 Management Agreement with Professional Corporation – Non-Licensed Franchisees.

Where required by state law, if you are not a licensed wellness and aesthetic professional, prior to commencing operations of the Franchised Business, you must enter into a management agreement (“Management Agreement”) with a duly formed and licensed professional corporation (or a professional limited liability company, if permitted in the state in which the Unit Franchise is located), (a “P.C.”), whereby you will provide to the P.C., non- wellness and aesthetic directive management and administrative services and support, consistent with the System and the lawful operation of a P.C., all of which shall at all times be in compliance with all applicable laws and regulations as relates to the practice of medicine. A form of Management Agreement, is included as an Exhibit to our Disclosure Document.

The P.C. shall employ and control the wellness and aesthetic professionals and other related personnel that will provide the actual wellness and aesthetic services required to be delivered at and through the Unit Franchise. You shall not provide any actual wellness and aesthetic services, nor shall you, direct, control or suggest to the P.C. or its wellness and aesthetic professionals or employees the manner in which the P.C. provides or may provide actual wellness and aesthetic services to its patients or market to the public that anyone other than the P.C. is the owner/operator of the wellness and aesthetic practice to whom you provide management and business services.

Due to various federal and state laws regarding the practice of medicine, and the ownership and operation of medical practices and health care businesses that provide wellness and aesthetic services, you understand and acknowledge that you, as an unlicensed Franchisee, shall not engage in any practice that is, or may appear to be, the practice of medicine. You acknowledge that the P.C. must offer all wellness and aesthetic services in accordance with all manner of law and regulation and that the Management Agreement and your relationship with the P.C. shall also be in accordance with all law and regulation and the System.

It is your responsibility to, promptly and timely, source a duly formed and licensed P.C. for your Unit Franchise and enter into an approved Management Agreement with that P.C. Failure to do so will result in your inability to open your Unit Franchise. You must submit the duly formed P.C. and the credentials of the wellness and aesthetic professional or other authorized healthcare professionals of the licensed P.C. for our review and approval. You must enter into a management agreement with the P.C. for your Unit Franchise using our standard form of Management Agreement. While you must use our standard form of Management Agreement with the P.C., you may negotiate the monetary terms, and with our written consent, certain other terms of the agreement with the P.C. We will not unreasonably withhold our approval to request changes in the Management Agreement if such changes are consistent with applicable law and regulation and the System. You must obtain our written approval of the final Management Agreement prior to your execution. You shall ensure that the P.C. offers all wellness and aesthetic services in accordance with the Management Agreement and the System and is compliant with all manner of law and regulation. You must have a Management Agreement in effect with a P.C. at all times during the operation of the Franchised Business and during the Initial Term of this Agreement.

If you are a licensed wellness and aesthetic professional, or part of a P.C. owned by licensed wellness and aesthetic professional, depending on the laws of your state, you may not be required to execute a Management Agreement in order to own and operate a Unit Franchise. However, you are still responsible for compliance with all manner of law and regulation applicable to the operation of a Unit Franchise and your Unit Franchise, and agree only to offer those BlueSage Longevity Labs® products and services that are permitted under your wellness and aesthetic license.

2.4 Waiver of Management Agreement.

In certain states, it may be permissible under existing law applicable to wellness and aesthetic professionals and/or practices or Unit Franchises, for an unlicensed person to both own and operate a Unit Franchise and a Unit Franchise. Certain of those laws may also allow an unlicensed person or non-P.C. to hire wellness and aesthetic professionals and other professional personnel to provide wellness and aesthetic services to patients at the Unit Franchise in accordance with applicable laws and regulations. If you determine that the laws that would apply to a Unit Franchise in your state would permit you to do so, you may request that we waive certain of the requirements of the Franchise Agreement related to the separating

of the ownership and/or operation of the wellness and aesthetic aspects of the Unit Franchise from the general business management aspects. In particular, you, under those circumstances (i) would not enter into a Management Agreement with a P.C. that, as a separate entity, would otherwise operate the Unit Franchise and provide all wellness and aesthetic services, and (ii) you would not be restricted from hiring and supervising wellness and aesthetic professionals in accordance with that state's regulation. Please be advised that any waiver, or modification of any of the other referenced requirements, will remain subject to compliance with all applicable laws and regulations. In such an event, and if we agree that such a waiver is appropriate, you must enter into an Amendment to Waive Management Agreement ("Waiver Agreement"), a copy of which is attached as an exhibit to our Disclosure Document. Under the Waiver Agreement, you will agree that, in lieu of entering into the Management Agreement with a P.C., you will (a) cause the Unit Franchise to operate in accordance with all manner of law and regulation as relates to the practice of medical and the standards for operating a wellness and aesthetic Unit Franchise, and (b) manage the Unit Franchise as required in this Agreement, the System, and by performing all the responsibilities and obligations of the "Company" under the Management Agreement.

You are responsible for operating in full and complete compliance with all laws that apply to operating/managing a Unit Franchise in the state of your Unit Franchise. You must conduct your own diligence and make your own determination as to the required regulatory standards to be legally compliant to own or manage or operate a Unit Franchise at your Unit Franchise. Please be advised, the laws applicable to your Unit Franchise may change. If there are any wellness and aesthetic regulations or other laws that would render your operation of the Unit Franchise through a single entity (or otherwise) in violation of any applicable wellness and aesthetic regulation, you must immediately advise us of such change and of your proposed corrective action to comply with current wellness and aesthetic regulations, including (if applicable), but not limited to, entering into a Management Agreement with a P.C. Similarly, if we discover a change in any such law or regulation applicable to your Unit Franchise, upon providing you notice of such law or regulation, you agree to immediately make such changes as are necessary to comply with the applicable wellness and aesthetic regulation, including (if applicable), but not limited to, entering into a Management Agreement with a P.C.

2.5 Selection of Premises; Protected Territory; Reservation of Rights.

You and we will mutually select the location of the Premises upon or after the signing of this Agreement. You acknowledge that the Franchise granted by this Agreement gives you the right to operate your Franchise only at the Premises. We will grant you a protected territory ("the Protected Territory"). The Protected Territory is set forth in Exhibit 1 to this Agreement. Typically, the Protected Territory will include the greater of a three (3) mile radius or 150,000 households as defined by the natural traffic and

trade patterns of your approved site. We will describe the Protected Territory using either longitude and latitude coordinates or a map that will show in general terms the fixed geographical boundaries (such as rivers, streets or highways). The geographic size of the Protected Territory will vary based upon population density and a variety of demographic factors. In dense urban areas, the Protected Territory may encompass a city block or less, and at Non-Traditional Sites, we might limit your Protected Territory to the site of your Unit Franchise. In less dense suburban areas, the Protected Territory could include an entire municipality. For purposes of this Agreement, a “Non-Traditional Site” means any site or channel that generates customer traffic flow that is independent from the general customer traffic flow of the surrounding area, including on or within the confines or premises of military bases, shopping malls or centers, airports, stadiums, major industrial or office complexes, parking lots or structures, mobile vehicles, airports, hotels, resorts, school campuses, train stations, travel plazas, toll roads, casinos, hospitals, theme parks, and sports or entertainment venues. We would expect to grant franchises for Non-Traditional Sites in self-contained locations such as college or university campuses, airports, hospitals, or sports arenas.

We will not modify your Protected Territory during the franchise term. If you intend to renew or transfer the franchise, and your Protected Territory is larger than our then-current standard size for territories or the then-current demographics of your Protected Territory have changed, then we may reduce the size of your Protected Territory on renewal or require your transferee to operate the Unit Franchise in a smaller territory. If we reduce the Protected Territory, we will give you or your transferee the option (as applicable) to develop the remaining territory.

If you are in full compliance with the Franchise Agreement, then during the Franchise Agreement’s term, neither we nor our affiliates will operate or grant a franchise for the operation of another Unit Franchise or Company-owned Unit within your Protected Territory that offers the same or similar goods or services under the same or similar trademarks. Because we retain the ability to operate or grant others the right to operate Unit Franchises at Non-Traditional Sites in your Protected Territory, you will not receive an exclusive territory. You may face competition from other Franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You may also face competition from affiliates that offer similar products and services within your Protected Territory.

We and our affiliates reserve the right to engage in any activities we deem appropriate that your Franchise Agreement does not expressly prohibit, whenever and wherever we desire, including the right to (1) own, acquire, site build, or operate, for our own account, or grant to others the right to operate Unit Franchises on terms and conditions and at locations we deem appropriate outside of your Protected Territory; (2) to grant Area Representative franchises which may encompass the area where your site is located; (3) provide or grant other persons the right to provide goods and services that are similar to and/or

competitive with those provided by Unit Franchises through any distribution channel, including, but not limited to, sales via mail order, catalog, toll-free telephone numbers, and electronic means, including the Internet under the Marks or trademarks and services marks other than the Marks; (4) acquire the assets or ownership interest of businesses providing products and services similar to those provided at Unit Franchises, and franchising, licensing, or creating similar arrangements with respect to those acquired businesses, wherever those businesses or their Franchisees or licensees are located; and (5) being acquired (regardless of the form of transaction) by a business providing products and services similar to those provided at Unit Franchises or another business.

2.6 Renewal of Franchise.

(a) Franchisee's Right to Renew. Subject to the provisions of subparagraph 2.6(b) below, and provided you are not in default of any material terms of this Agreement or any other agreement(s) you may have with us, and if you have substantially complied with all provisions of this Agreement and all other agreements between us, then upon the expiration of the Initial Term, you will have the right to renew the Franchise for one (1) additional term of ten (10) years (the "Renewal Term"). Notwithstanding the foregoing, such right of renewal is expressly conditioned upon your having refreshed and refurbished the Premises, including the replacement of fixtures, furnishings, wall decor, furniture, equipment, and signs and otherwise modify the Franchise to be in compliance with current specifications and standards then applicable for Unit Franchises within thirty (30) days prior to the commencement of the Renewal Term.

(b) Notice of Deficiencies and Other Requirements. At least one (1) year before the expiration of the Initial Term, we agree to give you written notice of any deficiencies in your operation or in the historical performance, marketing and revenue generation of the Franchise that could cause us not to renew the Franchise. Such notice will state what actions, if any, you must take to correct the deficiencies in your operation of the Franchise or of the Premises, and will specify the time period in which those deficiencies must be corrected or other requirements satisfied so that we may grant a renewal. Renewal of the Franchise will be conditioned upon your correction of the cited deficiencies and on your compliance with all the terms and conditions of this Agreement up to the date of expiration. If you are in default of any provisions of the Agreement or related agreements, you will not be granted a right to renew your Franchise. If we send a notice of non-renewal, it will state the reasons for our refusal to renew.

(c) Renewal Agreement. Should you choose to seek to renew the Franchise, you must provide us with written notice of that intent no earlier than two (2) years and no later than one (1) year before the expiration of the Initial Term. Should you be granted a right to renew the Franchise as set forth above, the Company, you and your Owners must execute the then current form of Franchise Agreement and any ancillary agreements with appropriate modification memorializing that a renewal fee will be due and

payable and not the current, initial franchise fee. Said renewal fee shall equal 25% of the then-current initial franchise fee for a Blue Sage Longevity Labs Unit Franchise.

2.7 Personal Guaranty by Owners; Reference to Exhibit 2.

Each of the Owners and their spouses (where applicable), will be required to execute a personal guaranty (the “Guaranty”), guaranteeing the Franchise’s liabilities and obligations to the Company. A copy of the Guaranty and Assumption of Obligations is incorporated herein as **Exhibit 2**.

3. DEVELOPMENT AND OPENING OF THE FRANCHISE

3.1 Site Approval; Lease or Purchase of Premises; Opening Timeline; Reference to Exhibit 3.

(a) You must locate and select a proposed site for the Premises that is acceptable and approved by us as suitable for the operation of a Unit Franchise. Your proposed site must be submitted with the required documentation in accordance with our policies and procedures, and must be reviewed and approved by us. Approval of a proposed site shall be at our sole and absolute discretion and shall not constitute, nor be deemed, a judgment as to the likelihood of success of a Unit Franchise at such location, or a judgment as to the relative desirability of such location in comparison to other locations. We will approve or disapprove a proposed site within ten business (10) days of receipt of a completed site submission package, as same may be defined and modified by us from time to time in our sole and absolute discretion. Your failure to submit a completed site approval package with the required information, and/or failure to secure an approval from us for a proposed Site for the Premises in a timely manner shall NOT be reason for extending the Opening Deadline set forth in this Franchise Agreement.

(b) Following our approval of your site submittal package, you must obtain lawful possession of the Premises by executing a lease for the Premises (“the Lease”). Prior to your executing the Lease, and as a condition of our approval, be advised that the Lease for the Premises **MUST** include the form of Addendum to Lease, attached as Exhibit 3 to the Franchise Agreement, and which provides us amongst other things, requisite notice from the Landlord to the Franchisor for any defaults under your lease, and expressly permits us to take possession of the Premises under certain conditions and/or if this Agreement is terminated or if you violate the terms of the Lease. Before executing a lease, you must submit it to us for our approval. You agree that you will not execute a lease without our advance written approval of the lease terms which must specifically include the designated form of Franchisor rider or additional required lease language. We will approve or disapprove the lease for your Premises within fifteen (15) days of receipt of your request for approval.

(c) Unless we agree otherwise, you must open your franchise for business no later than the Opening Deadline set forth in Exhibit 1 to this Agreement. **If no Opening Deadline is set forth in Exhibit**

1, then the Opening Deadline shall be deemed to be two-hundred and forty (240) days from the Agreement Date. If you are delayed from opening your Unit Franchise by the Opening Deadline, you must immediately provide us with a written request to extend the deadline, which we may grant or deny in our sole discretion. The request must state: (1) that a delay is anticipated; (2) the reasons which caused the delay; (3) the efforts that you are making to proceed with the opening; and (4) an anticipated opening date. In considering the request, we will not unreasonably withhold our consent to a delay if you have been diligently pursuing the opening.

Unless we agree to extend the Opening Deadline, if you do not open your Franchise for business by the Opening Deadline, you will be considered in default of your Franchise Agreement. Upon receipt of written notice from us of such default, you must cure such default by opening your Franchise for business no more than ninety (90) days after receipt of such notice, or one hundred and eighty (180) days after the Opening Deadline, whichever occurs first. If you fail to cure your default, we have the right to immediately terminate your Franchise.

3.2 Prototype and Construction Plans and Specifications.

We will furnish to you prototypical, generic schematic plan together with a set of specifications for your Blue Sage Longevity Labs Unit Franchise reflecting our requirements for design, decoration, furnishings, furniture, layout, equipment, fixtures and signs for BlueSage Longevity Labs® Unit Franchises. You will be responsible for retaining a licensed architect designated or approved by us, who will then prepare architectural and/or mechanical and engineering plans and specifications, as may be required by, and which comply with, all applicable ordinances, building codes, permit, and lease requirements applicable to the Premises. You must submit final construction plans and specifications to us for our approval before you begin construction at the Premises, and must construct the Unit Franchise and secure all manner of construction and operational approvals in accordance with those approved plans and specifications.

3.3 Development of the Franchise.

You agree at your own expense to do the following by the Opening Deadline defined in Exhibit 1: (1) secure all financing required operating and development capital to fully develop, fund and operate the Franchise in accordance with this Agreement and the System; (2) obtain all required building, utility, sign, health, sanitation and business permits and licenses and any other required permits and licenses necessary to operate a Unit Franchise at the location; (3) construct the Unit Franchise according to the approved construction plans and specifications; (4) decorate the Unit Franchise in compliance with the approved plans and specifications; (5) purchase and install all required equipment, furniture, furnishings and signs;

(6) cause the training requirements of Section 4 to be completed; (7) purchase an opening inventory of products and other supplies and materials; (8) provide proof, in a form satisfactory to us, that your operation of the Franchise at the Unit Franchise does not violate any applicable state or local zoning or land use laws, ordinances, or regulations, or any restrictive covenants that apply to such location; (9) provide proof, in a form satisfactory to us, that you (and/or your General Manager, as defined in Section 4.1, if any) are legally authorized and have all licenses necessary to perform all of the services to be offered by your Franchise, and that your organizational structure is consistent with all legal requirements, including but not limited to any required affiliation with a P.C. and/or management company; (10) provide proof, in a format satisfactory to us, that you have obtained all required insurance policies, and have named us, as an additional insurance under all such policies; (11) submit to us a completed copy of the grand opening checklist we provide to you; (12) do any other acts necessary to open the Franchise for business; (13) obtain our approval to open the Franchise for business; (13) engage all necessary staff, including but not limited to medical directors and/or other medical professionals, required by law to legally operate your franchise; and (14) open the Franchise for business.

3.4 Computer System.

(a) General Requirements. You agree to exclusively use in the development and operation of the Franchise the computer terminals/billing systems and operating software (“Computer System”) that we specify from time to time. You acknowledge that we may modify such specifications and the components of the Computer System from time to time. As part of the Computer System, we may require you to obtain specified computer hardware and/or software, including without limitation a license to use point of sale software developed by us or others. Our modification of such specifications for the components of the Computer System may require you to incur costs to purchase, lease and/or obtain by license new or modified computer hardware and/or software, and to obtain service and support for the Computer System during the term of this Agreement. You acknowledge that we cannot estimate the future costs of the Computer System (or additions or modifications thereto), and that the cost to you of obtaining the Computer System (or additions or modifications thereto), including software, may not be fully amortizable over the remaining term of this Agreement. Nonetheless, you agree to incur such costs in connection with obtaining the computer hardware and software comprising the Computer System (or additions or modifications thereto). Within sixty (60) days after you receive notice from us, you agree to obtain the components of the Computer System that we designate and require. You further acknowledge and agree that we and our affiliates have the right to charge a reasonable systems fee for software or systems installation services; modifications and enhancements specifically made for us or our affiliates that are licensed to you; and other maintenance and support Computer System-related services that we or our

affiliates furnish to you. You will have sole responsibility for: (1) the acquisition, operation, maintenance, and upgrading of your Computer System; (2) the manner in which your Computer System interfaces with our computer system and those of third parties; and (3) any and all consequences that may arise if your Computer System is not properly operated, maintained, and upgraded).

(b) Required Software. As a Franchisee of BlueSage Longevity Labs®, you must use the any software that we specify from time to time. You will be required to install such software onto the Computer System and use in the daily operation of the Franchise. In addition, we may, at any time and from time to time, contract with one or more software providers, business service providers, or other third parties (individually, a “Service Provider”) to develop, license, or otherwise provide to or for the use and benefit of you and other Unit Franchises, certain software, software applications, and software maintenance and support services related to the Computer System that you must or may use in accordance with our instructions with respect to your Computer System. We reserve the right to develop proprietary software to use in connection with your Franchise.

You are responsible for paying vendors and/or use for any such software. We or they may increase the cost of these of such software after providing you thirty (30) days prior written notice.

You will be required to have access to a broadband Internet connection at all time. You are responsible for the cost to purchase and maintain any other software licenses or programs that we may require you to use in connection with your Franchise.

3.5 Equipment, Furniture, Fixtures, Furnishings and Signs.

You agree to use in the development and operation of the Franchise only those brands, types, and/or models of equipment, furniture, fixtures, furnishings, and signs we have approved.

3.6 Franchise Opening.

You agree not to open the Franchise for business until: (1) all of your obligations under Paragraphs 3.1 through 3.4 of this Section have been fulfilled; (2) we determine that the Franchise has been constructed, decorated, furnished, equipped, and stocked with materials and supplies in accordance with plans and specifications we have provided or approved; (3) you and any of your Franchise’s employees whom we require complete our pre-opening Initial Training (as defined herein) to our satisfaction; (4) the Initial Franchise Fee (as defined herein) and all other amounts due to us have been paid; (5) you have furnished us with copies of all insurance policies required by Paragraph 10.8 of this Agreement, or have provided us with appropriate alternative evidence of insurance coverage and payment of premiums as we

The opening supervisor will be on site one (1) day before the opening of your first Unit Franchise and for one (1) day after the opening of your first Unit Franchise.

4. TRAINING.

4.1 General Manager.

At your request, we may, but are not obligated to, agree for you to employ a general manager to operate the Franchise (“General Manager”). The term “General Manager” means an individual with primary day-to-day responsibility for the Franchise’s operations, and may or may not be you (if you are an individual) or an Owner, officer, director, or employee of yours (if you are other than an individual). We may or may not require that the General Manager have an equity interest in the Franchise. The General Manager will be obligated to devote his or her full time, best efforts, and constant personal attention to the Franchise’s operations, and must have full authority from you to implement the System at the Franchise. You must not hire any General Manager or successor General Manager without first receiving our written approval of such General Manager’s qualifications. Each General Manager and successor General Manager must attend and complete our Initial Training (as defined herein). No General Manager may have any interest in or business relationship with any business competitor of your franchise. Each General Manager must sign a written agreement, in a form approved by us, to maintain confidential our Confidential Information described in Paragraph 9.1, and to abide by the covenants not to compete described in Paragraph 9.3. You must forward to us a copy of each such signed agreement. If we determine, in our sole discretion, during or following completion of the Initial Training program, that your General Manager (if any) is not qualified to act as General Manager of the Franchise, then we have the right to require you to choose (and obtain our approval of) a new individual for that position.

4.2 Training.

You acknowledge that it is very important to the operation of the Franchise that you and your employees receive appropriate training. To that end, you agree as follows:

(a) No later than thirty (30) days before the Franchise opens for business, you must attend our initial training program for your Franchise (the “Initial Training”) at the time and place we designate. You (if you are an individual) or at least one of your Owners (if you are a legal entity) must

complete the Initial Training to our satisfaction. If you employ a General Manager other than yourself or one of your Owners, that General Manager must also complete the Initial Training to our satisfaction. Other employees may complete the Initial Training at your sole discretion and expense, provided you first obtain our approval and subject to availability of facilities and materials. The Initial Training may include classroom instruction and Unit Franchise operation training, and will be furnished at our training facility in Atlantic Beach, NY, your Unit Franchise, and/or at another certified training location we designate. Our Initial Training programs may be different for each employee depending on their responsibilities at the Franchise. There will be no tuition charge for the persons whom we require to attend any Initial Training program or for any additional personnel of your choosing. All persons who attend our Initial Training must attend and complete the Initial Training to our satisfaction. If we, in our sole discretion, determine that any General Manager or employee who attends any Initial Training program is unable to satisfactorily complete such program, then you must not allow that person to work at your Unit Franchise, and must identify a substitute General Manager or employee who must enroll in the Initial Training program within fifteen (15) days thereafter, and complete the Initial Training to our satisfaction.

(b) You agree to attend, or to have your General Manager (if applicable) and/or other employees who you have had attend our Initial Training, complete such additional training programs at places and times as we may request from time to time during the term of this Agreement.

(c) In addition to providing the Initial Training described above, we reserve the right to offer and hold such additional ongoing training programs and Franchisee meetings regarding such topics and at such times and locations as we may deem necessary or appropriate. If at any time we determine that you have under-reported the Franchise's gross revenues or underpaid any Royalty Fee or Advertising Fee due us under this Agreement, then we will be authorized to initiate immediately a debit to the Account in the appropriate amount, plus applicable interest, in accordance with the foregoing procedure. Any overpayment will be credited, without interest, against the Royalty Fee, Advertising Fee, and other amounts we otherwise would debit from your account during the following reporting period. Our use of electronic funds transfers as a method of collecting Royalty Fees and Advertising Fees due us does not constitute a waiver of any of your obligations to provide us with weekly reports as provided in Section 12, nor shall it be deemed a waiver of any of the rights and remedies available to us under this Agreement.

6.9 Application of Payments.

When we receive a payment from you, we have the right in our sole discretion to apply it as we see fit to any past due indebtedness of yours due to us or our affiliates, whether for Royalty Fees, Advertising Fees, purchases, interest, or for any other reason, regardless of how you may designate a particular payment should be applied.

Accordingly, you and your successors, assigns, shareholders, partners and members, may not transfer any interest in you, in this Agreement or any related agreement, in the Unit Franchise, without our prior written consent. Any purported transfer not having our prior written consent will be void.

(b) We will not unreasonably withhold our consent to a transfer of any interest in you, this Agreement, any related agreement, or the Unit Franchise, but if a transfer, alone or together with other previous, simultaneous or proposed transfers, has the effect of transferring either a controlling interest in or operating control of you, this Agreement, any related agreement, or the Unit Franchise, we may, in our sole discretion, require as conditions to our consent that, except in the event of a Permitted Transfer (defined below) these do not apply:

(i) You are in substantial compliance with the terms of this Agreement;

(ii) The transferee (including any person with a beneficial interest in the transferee if it is a legal entity) has demonstrated to our satisfaction that it meets the then-current standards which we would normally apply to any prospective franchisee; including, but not limited to, meeting our educational, personal, managerial and Unit Franchise standards; possesses a good moral character and a good business reputation; has the aptitude and ability to operate the Unit Franchise (as may be shown by prior related experience); has adequate financial resources and capital to operate the Unit Franchise; is financially responsible and has a good credit rating; will be likely in our sole and absolute judgment to comply with the terms of the then-current standard franchise agreement and Operations Manual; and has no direct or indirect connection with any actual or potential competitor of us or any of our franchisees;

(iii) Your debts to us and others relating to the Unit Franchise have been satisfied;

(iv) You and the transferor have signed a general release, in a form we prescribe or that is

satisfactory to us, of any claims against us and our partners, shareholders, officers, directors, employees and agents, in their corporate and individual capacities;

(v) The transferee (including any person with a beneficial interest in the transferee if it is a legal entity) has entered into a written consent to transfer agreement, in a form satisfactory to us;

(vi) The transferee (including any person with a beneficial interest in the transferee if it is a legal entity) executes our then-current standard franchise agreement for a term equal to the remaining portion of the term on the transferor's franchise agreement and signs all related agreements (including any guaranty agreements). The then-current franchise agreement may contain terms substantially different from those in this Agreement, including different fees (all then-current fees, except as stated herein must be paid by transferee), advertising contributions, training requirements and territory. Transferee will not pay the Grand Opening fee. Depending on the then-current demographics of the Territory, and on our then-current standards for territories, if the Territory is larger than our then-current standard territory, we may require the transferee to accept a transfer territory smaller than the Territory.

(vii) The transferee and its general manager, if any, have agreed to successfully complete (at the transferee's expense and to our satisfaction) any then-current initial training programs;

(viii) You or the transferor has paid us a transfer fee equal to \$15,000. You must reimburse us for reasonable expenses incurred by us in investigating and processing any proposed transfer to a new transferee where the transfer is not consummated for any reason, including but not limited to any attorneys' fees we incur (not to exceed \$5,000) plus costs and expenses. If you are in default of this Agreement, or any other agreement with us, in addition to the transfer fee, we may require you to pay any amounts we deem necessary, in our sole discretion, to cure the default, provided that the default is curable;

(ix) We have decided not to exercise our right of first refusal, if any, under Section 14.4;

(x) You have updated your equipment and Premises to our then-current specifications in the Operations Manual;

(xi) We have determined that the material terms of the transfer, including the price and terms of payment, will not be so burdensome as to adversely affect the operation of the Unit Franchise by the transferee; and

(xii) If any part of the sale price of any transferred interest is to be financed, the transferor will have agreed that all obligations of the transferee under any promissory notes, agreements or security interests reserved by the transferor in the assets of the Unit Franchise will be subordinate to the obligations of the transferee to pay marketing and consulting fees, advertising contributions, and other amounts due to us and our affiliates, and to comply with the franchise agreement signed by the transferee.

(c) No transfer in the nature of a grant of a security interest in you, this Agreement, any related agreement, the Unit Franchise or the Premises will be permitted without our prior written consent, which we may grant or withhold in our sole discretion. If we consent to a transfer in the nature of a grant of a security interest, and if the holder of the security interest later seeks to exercise your right or assume the interest of you in the Unit Franchise, this Agreement, any related agreement, you or the Premises due to a default under any documents related to the security interest, we will have the option to purchase the rights of the secured party by paying all sums then due to the secured party, and the secured party will sign an agreement to that effect before any transfer takes place.

(d) A “Permitted Transfer” under Section 14.2 is defined as either (i) a transfer of an ownership interest in you or your entity of less than five percent (5%), or (ii) a transfer of any ownership interest in you or your entity to a spouse, child, sibling, or parent, or a trust or similar entity created for the benefit of any of the foregoing persons, provided that neither (i) nor (ii) may result in the creation of a controlling ownership stake in the transferee, whether through one or an aggregated series of such transfers. You must provide us with written notice of any Permitted Transfer in you or your entity. Any individual who becomes an owner in you due to a Permitted Transfer must (if they have not already) sign a personal guaranty agreement (“Guaranty”) in the form found in Exhibit 2 to this Agreement. You and any owners who previously signed a Guaranty will not be released from a signed Guaranty upon a Permitted Transfer, unless otherwise agreed to by us in writing. You and we will amend Exhibit 4 of this Agreement if a Permitted Transfer occurs. You must pay an administrative fee of \$2,500 for any Permitted Transfers.

14.3 Transfer to Franchisee’s Legal Entity. If a proposed transfer is to a legal entity you control, our consent to the transfer may, in our sole discretion, be conditioned on the following requirements:

- (a) The legal entity’s activities will be confined exclusively to operating the Unit Franchise;
- (b) You will own a majority stock interest, partnership or membership interest in the legal entity, and will act as its principal operating officer, partner or member;
- (c) Each stock certificate or certificate of interest in the legal entity will have conspicuously endorsed on its face a statement in a form satisfactory to us that it is held subject to, and that further transfer is subject to, all restrictions on transfers in this Agreement;
- (d) All shareholders, partners, or members will jointly and severally guarantee the legal entity’s performance and will bind themselves to the terms of this Agreement and any related agreements
- (e) You will maintain a then-current list of all partners, members or shareholders and beneficial owners of any class of stock, and furnish the list to us on request; and

(f) Copies of the transferee's Certificate and Articles of Incorporation, Certificate and Articles of Organization, Certificate and Agreement of Partnership, By-Laws, resolution authorizing entry into this Agreement and any other significant governing documents, promptly will be furnished to us.

14.4 Our Right of First Refusal.

(a) If you or any other person or entity at any time determines to sell an interest in you, the Unit Franchise or the Premises, you agree to immediately submit to us a true and complete copy of the offer (and any proposed ancillary agreements). The offer must apply only to an interest in you, the Unit Franchise or the Premises. It must not include the purchase of any of your other property or rights (or those of your shareholder, partner, or member), but if the offeror proposes to buy any other of your property or rights (or those of a shareholder, partner or member) under a separate, contemporaneous offer, the price and terms of purchase offered to you (or to your shareholder, partner or member) for the interest in you, the Franchise or the Premises will reflect the bona fide price offered and will not reflect any value for any other property or rights. To be a valid, bona fide offer, the proposed purchase price must be in a dollar amount and the proposed buyer must submit with its offer an earnest money deposit equal to five percent (5%) or more of the offering price. We will have the right, exercisable by written notice delivered to you, or the person or entity involved, within thirty (30) days after receipt of the copy of the offer, to purchase the interest for the price and on the terms in the offer, but we may substitute cash, a cash equivalent or marketable securities of equal value for any form of payment proposed in the offer. Our credit will be deemed equal to the credit of any proposed purchaser, and we will have not less than sixty (60) days to prepare for closing. We will be entitled to purchase the interest subject to all customary representations and warranties given by the seller of the assets of a business or voting stock of an incorporated business, as applicable, including representations and warranties as to ownership, condition and title to stock and/or assets, liens and encumbrances relating to the stock and/or assets, validity of contracts, and liabilities, contingent or otherwise, of any corporation whose stock is purchased. If we do not exercise our right of first refusal, you or the person or entity involved may complete the sale to the purchaser under the terms of the offer subject to our consent to the transfer under Section 14.2(b), but if the sale to the purchaser is not completed within one hundred twenty (120) days after receipt of the offer by us, or if there is a material change in the terms of the sale, we will have an additional right of first refusal for thirty (30) days on the same terms as were applicable to the initial right of first refusal.

(b) If the transfer is a Permitted Transfer, we will not have any right of first refusal as provided in Section 14.4(a), unless the proposed transferee has a direct or indirect connection with any actual or potential competitor of us or any of our franchisees. However, written notification of this type of transfer must be provided to us by the transferor at least thirty (30) days before consummation of that transfer.

14.5 Transfer On Death, Permanent Incapacity or Dissolution. On the death or permanent incapacity of any person with an interest in you, this Agreement, any related agreement, the Franchise or the Premises, or on your dissolution if you are a legal entity, the executor, administrator, personal representative or trustee (“personal representative”) of that person or entity will transfer his, her or its interest to a third party reasonably acceptable to us within one hundred eighty (180) days after assuming that capacity. Any transfer of this type, including a transfer by devise or inheritance, will be subject to the same requirements as other transfers under this Agreement, but if the transfer is to a spouse, child or parent, the fee required under Section 14.2(b) (viii) will not be required. If the personal representative has, in good faith, proposed a transferee and we, in good faith, do not approve the proposed transferee, the personal representative will be given additional time, not to exceed one hundred eighty (180) days, to propose another transferee for our approval. If the personal representative is unable to meet these conditions, the personal representative of that deceased person will have an additional sixty (60) days to dispose of the interest, which disposition will be subject to the requirements for transfers in this Agreement, including the requirements of this Section 14. If the interest is not disposed of within the additional sixty (60) days (or such additional time as we otherwise agree), we may terminate this Agreement.

14.6 Interim Operation of Unit Franchise on Death or Permanent Disability. Pending transfer on your death or permanent incapacity (or your principal operating officer, partner or member, if you are a legal entity), we will have the option to operate the Unit Franchise on your behalf until an approved transferee is able to assume the operation of the Unit Franchise, for a period of up to twelve (12) months without the consent of you, your personal representative or your successor in interest. All funds from the operation of the Unit Franchise during the period of operation by us will be kept in a separate fund, and all expenses we incur, including compensation, other costs and travel and living expenses (the “Management Expenses”), will be charged to the fund. As compensation for services provided, we will charge the fund the full amount of the Management Expenses incurred during the period of our operation. We will only have a duty to utilize reasonable efforts in operating the Unit Franchise, and will not be liable to you or your principals for any debts, losses or obligations incurred by the Unit Franchise, or to any creditor for any equipment, inventory, products, supplies or services purchased for the Unit Franchise during any period in which it is operated by us.

14.7 Non-Waiver of Claims. Our consent to a transfer of any interest in you, this Agreement, any related agreement, the Franchise or the Premises will not be a waiver of any claims we may have against the transferring party, nor will it be a waiver of our right to demand the transferee’s compliance with the terms of this Agreement.

14.8 Effect of Consent to Transfer.

Our consent to a proposed Transfer pursuant to this Section 14 will not constitute a waiver of any claims we may have against you or any Owner, nor will it be deemed a waiver of our right to demand exact compliance with any of the terms or conditions of this Agreement by the Proposed New Owner.

14.9 Consent Not Unreasonably Delayed.

If all the conditions are met to transfer the FA or any interest therein, we will not unreasonably delay granting our consent to the transfer.

15. TERMINATION OF THE FRANCHISE.

We have the right to terminate this Agreement effective immediately upon delivery of notice of termination to you, if:

(a) you fail to open your Franchise for business by the Opening Deadline, subject to the extension set forth in Section 3.1(c); or

(b) you abandon, surrender, transfer control of, lose the right to occupy the Premises for your Franchise, or the lease for your Franchise is terminated for any reason; or

(g) you use, sell, distribute or give away any unauthorized services or products on three or more occasions within any consecutive (12) month period; or

(n) you fail to timely notify of any event, action or other action identified in Section 10.6, which is reasonably likely to adversely affect the reputation of the Company, the Franchise, and/or the goodwill associated with the Marks; or

(o) you or any of your employees violate any health or safety law, ordinance or regulation, or operate the Franchise in a manner that presents a health or safety threat, hazard or danger to your customers or the public, which hazard, threat or danger you acknowledge is determined by our commercial business judgment; or

In addition, if, in the opinion of our legal counsel, any provision of this Agreement is contrary to law, then you and we agree to negotiate in good faith an amendment that would make this Agreement conform to the applicable legal requirements. If you and we are unable to reach an agreement on the applicable legal requirements, or if fundamental changes to this Agreement are required to make it conform to the legal requirements, then we reserve the right to terminate this Agreement upon notice to you, in which case all of the post-termination obligations set forth in Section 16 shall apply.

In the event that we terminate this Agreement under this Section or other applicable provisions of this Agreement, we shall be entitled, in those states in which termination fees are enforceable, to receive from you a termination fee in the amount equal to one-half (1/2) of our then-current initial franchise fee for new Blue Sage Longevity Labs Unit Franchises (the “Termination Fee”). The Termination Fee shall be payable by you in addition to any damages payable to us, including loss of future revenues, resulting from your improper or wrongful breach or other termination of this Agreement. We shall be entitled to recover all costs, including attorneys’ fees, incurred in connection with the termination and collection of the Termination Fee.

If you do not take the actions we request within thirty (30) days after notice from us, we have the right to enter the Premises and make the required changes at your expense, and you agree to reimburse us for those expenses on demand.

You agree that on termination or expiration of the Franchise you will immediately cease to use any of the Confidential Information, and agree not to use it in any business or for any other purpose. For purposes of this Section 16.6(a), the fair market of any purchased items shall not include any value attributable to any of the following: 1) the Franchise or any rights granted under this Agreement or the Lease; 2) goodwill attributable to the Marks; or 3) our brand image and other intellectual property; and 3) any patient lists. In the event

we assume the management of the Franchise, we may charge you (in addition to the Royalty Fee and Advertising Fee contributions due under this Agreement), all expenses we incur, including compensation, other costs and travel and living expenses, along with a reasonable management fee in an amount that we may specify, equal to up to ten percent (10%) of the Franchise's gross revenues during the period we are managing the Franchise, plus our direct out-of-pocket costs and expenses, as compensation for our management services. 17. ENFORCEMENT.

17.1 Invalid Provisions; Substitution of Valid Provisions.

To the extent that the non-competition provisions of Sections 9.3 and 14.5 are deemed unenforceable because of their scope in terms of area, business activity prohibited, or length of time, you agree that the invalid provisions will be deemed modified or limited to the extent or manner necessary to make that particular provisions valid and enforceable to the greatest extent possible in light of the intent of the parties expressed in that such provisions under the laws applied in the forum in that we are seeking to enforce such provisions.

If any lawful requirement or court order of any jurisdiction (1) requires a greater advance notice of the termination or non-renewal of this Agreement than is required under this Agreement, or the taking of some other action which is not required by this Agreement, or (2) makes any provision of this Agreement or any specification, standard, or operating procedure we prescribed invalid or unenforceable, then the advance notice and/or other action required or revision of the specification, standard, or operating procedure will be substituted for the comparable provisions of this Agreement in order to make the modified provisions enforceable to the greatest extent possible. You agree to be bound by the modification to the greatest extent lawfully permitted.

17.2 Unilateral Waiver of Obligations.

Either you or we may, by written notice, unilaterally waive or reduce any obligation or restriction of the other under this Agreement. The waiver or reduction may be revoked at any time for any reason on ten (10) days' written notice.

Whenever this Agreement requires our advance approval or consent, you agree to make a timely written request for it. Our approval or consent will not be valid unless it is in writing.

17.4 Lien.

To secure your performance under this Agreement and indebtedness for all sums due us or our affiliates, we shall have a lien upon, and you hereby grant us a security interest in, the following collateral and any and all additions, accessions, and substitutions to or for it and the proceeds from all of the same: (a) all inventory now owned or after-acquired by you and the Franchise, including but not limited to all inventory and supplies transferred to or acquired by you in connection with this Agreement; (b) all accounts of you and/or the Franchise now existing or subsequently arising, together with all interest in you and/or the Franchise, now existing or subsequently arising, together with all chattel paper, documents, and instruments relating to such accounts; (c) all contract rights of you and/or the Franchise, now existing or subsequently arising; and (d) all general intangibles of you and/or the Franchise, now owned or existing, or after-acquired or subsequently arising. You agree to execute such financing statements, instruments, and other documents, in a form satisfactory to us, that we deem necessary so that we may establish and maintain a valid security interest in and to these assets.

17.5 No Guarantees.

If in connection with this Agreement we provide to you any waiver, approval, consent, or suggestion, or if we neglect or delay our response or deny any request for any of those, then we will not be deemed to have made any warranties or guarantees upon which you may rely, and will not assume any liability or obligation to you.

17.6 No Waiver.

If at any time we do not exercise a right or power available to us under this Agreement or do not insist on your strict compliance with the terms of the Agreement, or if there develops a custom or practice that is at variance with the terms of this Agreement, then we will NOT be deemed to have waived our right to demand or exact compliance with any of the terms of this Agreement at a later time. Similarly, any failure to act as to any particular breach or series of breaches under this Agreement by us, or of any similar term in any other agreement between us and any other BlueSage Longevity Labs® franchisee will not affect our rights with respect to any later breach or to assert our rights as to that or any subsequent or ongoing breach. It will also not be deemed to be a waiver of any breach of this Agreement for us to accept payments that are past due to us under this Agreement.

The parties to this Agreement will not be considered to be in default of any obligations hereunder, other than the obligation of a party to make payment of amounts due to the other party, if the failure of performance is due to a force majeure, including drought, flood, earthquake, storm, fire, lightening, epidemic, war, riot, civil disturbance, sabotage, theft, vandalism, strike or labor difficulty, or casualty to equipment. If any party is affected by a force majeure event, such party will give written notice within fourteen (14) days to the other party stating the nature of the event, its anticipated duration and any action being taken to avoid or minimize its effect. The suspension of performance will be of no greater scope and no longer duration than is required, and the non-performing party will use its best efforts to remedy its inability to perform. The obligation to pay any amount in a timely manner is absolute and will not be subject to these force majeure provisions, except to the extent prohibited by governmental rule or regulation.

17.7 Cumulative Remedies.

The rights and remedies specifically granted to either you or us by this Agreement will not be deemed to prohibit either you or us from exercising any other right or remedy provided under this Agreement, or permitted by law or equity.

17.8 Specific Performance; Injunctive Relief.

Provided we give you the appropriate notice, we will be entitled, without being required to post a bond, to the entry of temporary and permanent injunctions and orders of specific performance to (1) enforce the provisions of this Agreement relating to your use of the Marks and non-disclosure and non-competition obligations under this Agreement; (2) prohibit any act or omission by you or your employees that constitutes a violation of any applicable law, ordinance, or regulation; constitutes a danger to the public; or may impair the goodwill associated with the Marks or Blue Sage Longevity Labs Unit Franchises or outlets operating under or using the Marks; or (3) prevent any other irreparable harm to our interests. If we obtain an injunction or order of specific performance, then you shall pay us an amount equal to the total of our costs of obtaining it, including without limitation reasonable attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, and any damages we incur as a result of the breach of any such provision. You further agree to waive any claims for damage in the event there is a later determination that an injunction or specific performance order was issued improperly.

17.9 MEDIATION AND LITIGATION.

(a) Mediation. During the term of this Agreement certain disputes may arise that you and we are unable to resolve, but that may be resolvable through mediation. To facilitate such resolution, you and we agree to submit any claim, controversy or dispute between us or any of our affiliates (and their respective

owners, officers, directors, agents, representatives and/or employees) and you (and your owners, agents, officers, directors, representatives and/or employees) arising out of or related to (a) this Agreement or any other agreement between us and you, (b) our relationship with you, or (c) the validity of this Agreement or any other agreement between us and you, to mediation before either of us may file a lawsuit under Section 17.9(b) as it relates to any claim, controversy or dispute.

The costs and expenses of the mediation, including the mediator's compensation and expenses (but excluding attorneys' fees incurred by either party), will be paid by the Party (you or us) who seeks resolution of the dispute with the first Five Thousand Dollars be paid to the Mediation Service by the Party seeking resolution of a dispute, and the remaining amount, if any, being paid equally by both Parties.

(2) Mediation will consist of two parts. The first is to attempt to come to a mutual agreement on how best to exit under the circumstances. If this cannot be met then we move to the second, which is to have us use our best efforts during an eight (8) month period of time to sell the franchise. We will use our digital marketing sources to focus in your specific area to get potential candidates for us to sell your franchise to. This will happen before any other type of legal action is taken by either party.

(3) Notwithstanding the foregoing provisions of this Section 17.9, your and our agreement to mediate shall not apply to any controversies, disputes or claims related to or based on the Marks or the Confidential Information. Moreover, regardless of your and our agreement to mediate, you and we each have the right to seek temporary restraining orders and temporary or preliminary injunctive relief if warranted by the circumstances of the dispute.

(b) Litigation. With respect to any controversies, disputes or claims that are not fully resolved through mediation as provided in section 17.9(a) above, the parties irrevocably agree to submit themselves to the jurisdiction of the Superior Court of Nassau County, New York or the U.S. District Court for the District of New York and hereby waive any and all objections to personal or subject matter jurisdiction in these courts. ADDENDUM TO LEASE AGREEMENT

This Addendum to Lease Agreement (this “Addendum”), is entered into effective on this _____ day of _____, 20____, (the “Effective Date”) by and between _____, a _____ (the “Lessor”), and _____, a _____ (the “Lessee”) (each a “Party” and collectively, the “Parties”).

RECITALS

WHEREAS, the Parties hereto have entered into a certain Lease Agreement, dated on the _____ day of _____, 20____ (the “Agreement”), and pertaining to the premises located at _____ (the “Premises”);

WHEREAS, Lessor acknowledges that Lessee intends to operate BlueSage Longevity Labs® franchise from the Premises pursuant to a Franchise Agreement (the “Franchise Agreement”) with Blue Sage Franchising, Inc. (“Franchisor”) under the name BlueSage Longevity Labs® or other name designated by Franchisor (“Franchised Business”); and

WHEREAS, the Parties now desire to amend the Lease Agreement in accordance with the terms and conditions contained herein.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein set forth and each act done and to be done pursuant hereto, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, do hereby represent, warrant, covenant and agree as follows:

1. Remodeling and Decor. The above recitals are hereby incorporated by reference. Lessor agrees that Lessee shall have the right to remodel, equip, paint and decorate the interior of the Premises and to display the proprietary marks (“Marks”) and signs on the interior and exterior of the Premises as Lessee is reasonably required to do pursuant to the Franchise Agreement and any successor Franchise Agreement under which Lessee may operate a Franchised Business on the Premises.

2. Assignment. Lessee shall have the right to assign all of its right, title and interest in and to the Lease Agreement to Franchisor or its parent, subsidiary, or affiliate, (including another franchisee) at any time during the term of the Lease, including any extensions or renewals thereof, without first obtaining Lessor’s consent, pursuant to the terms of the Collateral Assignment of Lease attached hereto as **Exhibit A**. However, no assignment shall be effective until such time as Franchisor or its designated affiliate gives Lessor written notice of its acceptance of the assignment, and nothing contained herein or in any other

document shall constitute Franchisor or its designated subsidiary or affiliate a party to the Lease Agreement, or guarantor thereof, and shall not create any liability or obligation of Franchisor or its parent unless and until the Lease Agreement is assigned to, and accepted in writing by, Franchisor or its parent, subsidiary or affiliate. In the event of any assignment, Lessee shall remain liable under the terms of the Lease. Franchisor shall have the right to reassign the Lease to another franchisee without the Landlord's consent in accordance with Section 4(a).

3. Default and Notice.

(a) In the event there is a default or violation by Lessee under the terms of the Lease Agreement, Lessor shall give Lessee and Franchisor written notice of the default or violation within ten (10) days after Lessor receives knowledge of its occurrence. If Lessor gives Lessee a default notice, Lessor shall contemporaneously give Franchisor a copy of the notice. Franchisor shall have the right, but not the obligation, to cure the default. Franchisor will notify Lessor whether it intends to cure the default and take an automatic assignment of Lessee's interest as provided in Paragraph 4(a). Franchisor will have an additional fifteen (15) days from the expiration of Lessee's cure period in which it may exercise the option to cure, but is not obligated to cure the default or violation.

(b) All notices to Franchisor shall be sent by registered or certified mail, postage prepaid, to the following address:

Blue Sage Franchising, Inc.
Attention: Cathy Galligan, COO
2659 East Gulf to Lake Highway, Ste. 301,
Inverness, FL 34453
E-mail: cgalligan@bluesageinc.com

Franchisor may change its address for receiving notices by giving Lessor written notice of the new address. Lessor agrees that it will notify both Lessee and Franchisor of any change in Lessor's mailing address to which notices should be sent.

(c) Following Franchisor's approval of the Lease Agreement, Lessee agrees not to terminate, or in any way alter or amend the same during the Initial Term of the Franchise Agreement or any Interim Period thereof without Franchisor's prior written consent, and any attempted termination, alteration or amendment shall be null and void and have no effect as to Franchisor's interests thereunder; and a clause to the effect shall be included in the Lease.

4. Termination or Expiration.

(a) Upon Lessee's default and failure to cure the default within the applicable cure period, if any, under either the Lease Agreement or the Franchise Agreement, Franchisor will, at

its option, have the right, but not the obligation, to take an automatic assignment of Lessee's interest in the Lease Agreement and at any time thereafter to re-assign the Lease Agreement to a new franchisee without Lessor's consent and to be fully released from any and all liability to Lessor upon the reassignment, provided the franchisee agrees to assume Lessee's obligations and the Lease Agreement. Upon notice from Franchisor to Lessor requesting an automatic assignment, Lessor will, at the cost of Franchisor, take appropriate actions to secure the leased premises including but not limited changing the locks and granting Franchisor sole rights to the Premises.

(b) Upon the expiration or termination of either the Lease Agreement or the Franchise Agreement (attached), Lessor will cooperate with and assist Franchisor in securing possession of the Premises and if Franchisor does not elect to take an assignment of the Lessee's interest, Lessor will allow Franchisor to enter the Premises, without being guilty of trespass and without incurring any liability to Lessor, to remove all signs, awnings, and all other items identifying the Premises as a Franchised Business and to make other modifications (such as repainting) as are reasonably necessary to protect BlueSage Longevity Labs® marks and system, and to distinguish the Premises from a Franchised Business. In the event Franchisor exercises its option to purchase assets of Lessee or has rights to those through the terms and conditions any agreement between Lessee and Franchisor, Lessor shall permit Franchisor to remove all the assets being purchased by Franchisor.

5. Consideration; No Liability.

(a) Lessor hereby acknowledges that the provisions of this Addendum are required pursuant to the Franchise Agreement under which Lessee plans to operate its business and Lessee would not lease the Premises without this Addendum. Lessor also hereby consents to the Collateral Assignment of Lease from Lessee to Franchisor as evidenced by Exhibit A.

(b) Lessor further acknowledges that Lessee is not an agent or employee of Franchisor and Lessee has no authority or power to act for, or to create any liability on behalf of, or to in any way bind Franchisor or any affiliate of Franchisor, and that Lessor has entered into this Addendum with full understanding that it creates no duties, obligations or liabilities of or against Franchisor or any affiliate of Franchisor.

6. Sales Reports. If requested by Franchisor, Lessor will provide Franchisor with whatever information Lessor has regarding Lessee's sales from its Franchised Business.

7. Amendments. No amendment or variation of the terms of the Lease or this Addendum shall be valid unless made in writing and signed by the Parties hereto.

8. Reaffirmation of Lease. Except as amended or modified herein, all of the terms, conditions and covenants of the Lease Agreement shall remain in full force and effect and are incorporated herein by reference and made a part of this Addendum as though copied herein in full.

9. Beneficiary. Lessor and Lessee expressly agree that Franchisor is a third party beneficiary of this Addendum.

NORTH DAKOTA ADDENDUM TO FRANCHISE AGREEMENT

1. Articles 2.6 and 14.5 each contain a provision requiring a general release as a condition of renewal or transfer of the franchise. Such release is subject to and will exclude claims arising under the North Dakota Franchise Investment Law.

2. Article 17.8 of the Franchise Agreement stipulates that the franchisee shall pay all costs and expenses incurred by the franchisor in enforcing the agreement. The Commissioner has determined this to be unfair, unjust, and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. The provision shall be changed to read that the prevailing party in any enforcement action is entitled to recover all costs and expenses including attorney's fees. is amended to provide that the prevailing party in any enforcement action is entitled to recover all costs and expenses, including attorney's fees.

3. Article 17.9 will be amended to state that mediation involving a franchise purchased in North Dakota must be held in a location mutually agreed on prior to the mediation, or if the parties cannot agree on a location, at a location to be determined by the mediation.

4. Article 9.3 is amended to add that covenants not to compete on termination or expiration of a Franchise Agreement are generally not enforceable in the State of North Dakota except in limited circumstances provided by North Dakota law.

5. Article 17.9 will be amended to add that any claim or right arising under the North Dakota Franchise Investment Law may be brought in the appropriate state or federal court in North Dakota, subject to the mediation provision of the Agreement.

6. Article 17.11 will be amended to state that, in the event of a conflict of law, to the extent required by the North Dakota Franchise Investment Law, North Dakota law will prevail.

7. Article 17.10 requires the franchisee to waive a trial by jury, as well as exemplary and punitive damages. These requirements are not enforceable in North Dakota pursuant to Section 51-19-09 of the North Dakota Franchise Investment Law, and are therefore not part of the Franchise Agreement.

8. Article 17.10 requirement that the franchise consent to a limitation of claims period of one year is not consistent with North Dakota law. The limitation of claims period under the Franchise Agreement shall therefore be governed by North Dakota law.

9. Each provision of this Addendum will be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the North Dakota Franchise Investment Law, N.D. Cent. Code §§ 51-19-01 through 51-19-17, are met independently without reference to this Addendum.

VIRGINIA ADDENDUM TO FRANCHISE AGREEMENT

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchise to cancel a franchise without reasonable cause. If any grounds for default or terminated stated in the franchise agreement does not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchise to use undue influence to induce a franchisee to surrender any rights given to him under the franchise. If any provision of the franchise agreement involved the use of undue influence by the franchisor to induce the franchisee to surrender any rights given to him under the franchise, that provision may not be enforceable.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

The Virginia State Corporation Commission's Division of Securities and Retail Franchising requires us to defer payment of the initial franchise fee and other initial payments owed by franchisees to the franchisor until the franchisor has completed its pre-opening obligations.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed, and delivered this Virginia Addendum to the Franchise Agreement on the same date as the Franchise Agreement was executed.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, THE FRANCHISE AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed, and delivered this Washington Addendum to the Franchise Agreement on the same date as the Franchise Agreement was executed.

Independent Auditor's Report

To the Members of
Blue Sage Franchising, Inc.

Opinion

We have audited the accompanying financial statements of Blue Sage Franchising, Inc. (the Company), which comprise the balance sheets as of December 31, 2025 and 2024 and the related statements of operations, stockholders' equity (deficit), and cash flows for the year ended December 31, 2025 and period from February 01, 2024 to December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2025 and 2024, and the results of its operations and its cash flows for the year ended December 31, 2025 and period from February 01, 2024 to December 31, 2024 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Blue Sage Franchising, Inc.
Notes To Financial Statements
December 31, 2025 and 2024

1. COMPANY AND NATURE OF OPERATIONS

Blue Sage Franchising, Inc. (the Company) was established in the state of Delaware as a limited liability company on February 01, 2024. The Company was formed to offer franchise opportunities to entrepreneurs seeking to operate their own business through a franchise model. The Company grants qualified individuals the right to operate a franchise unit specializing in providing healthcare services and products to the general public, with a focus on wellness solutions and aesthetic services, at a specified location under the “Blue Sage Longevity Labs” trademark.

Effective April 11, 2025, the Company converted from a Delaware limited liability company (Blue Sage Franchising, LLC) to a Delaware corporation (Blue Sage Franchising, Inc.). In connection with this conversion, the Company elected to change its federal tax classification from a partnership to an S-Corporation.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies is presented to assist the reader in understanding and evaluating the Company’s financial statements. The financial statements and notes are representations of the Company’s management, which is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of financial statements.

A. Basis of Accounting

The Company’s financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”).

B. Cash and Cash Equivalents

For purposes of the Statement of cash flows, cash equivalents include bank accounts and cash in transit for bank deposits with maturities of three months or less to be cash equivalents.

C. Accounts Receivable

Accounts Receivable arise primarily from initial franchise fees and are carried at their estimated collectible amounts, net of any estimated allowances for credit losses.

The measurement and recognition of credit losses involves the use of judgement. The management’s assessment of expected credit losses includes consideration of current and expected economic conditions, market and industry factors affecting the Company’s customers (including their financial condition), the aging of account balances, historical credit loss experience, customer concentration, and customer creditworthiness. Management evaluates its experience with historical losses and then applies this historical loss ratio to financial assets with similar characteristics. The Company’s historical loss ratio or its determination of risk pools may be adjusted for changes in customer, economy, market or other circumstances. The company may also establish an allowance for credit losses for specific receivables when it is probable that the receivable will not be collected, and the loss can be reasonably estimated. Amounts are written off against the allowance when they are considered to be uncollectible, and reversal of previously reserved amounts are recognized if a specifically reserved item is settled for an amount exceeding the previous estimate.

As of December 31, 2025 and 2024, the allowance for credit losses is considered material and accordingly, an allowance for credit losses has been recorded.

D. Property and Equipment

Property and equipment are stated at cost less accumulated depreciation. Depreciation is computed primarily using the straight-line method over the estimated useful lives of the assets, which is 5 years.

E. Federal Income Taxes

The Company has elected to be taxed for U.S. Federal, and to the extent applicable, U.S. State purposes under the provisions of Subchapter S of the Internal Revenue Code. Accordingly, federal income tax liabilities relating to the Company's profits are the stockholders' responsibility; therefore, no provision has been made for federal income taxes.

F. Concentration of Credit Risk

The Company maintains cash and cash equivalents with major financial institutions. At various times during the year, the total amount on deposit might exceed the \$250,000 limit insured by the Federal Deposit Insurance Corporation (FDIC). The Company believes that it mitigates credit risk by depositing cash with financial institutions having high credit ratings.

G. Use of Estimates

The preparation of the Company's financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, costs, and expenses during the reporting period. Actual results could differ significantly from those estimates. It is at least reasonably possible that a change in the estimates will occur in the near term.

H. Advertising and Marketing

Advertising and marketing costs are charged to operations in the year incurred.

I. Revenue Recognition

Revenue is recognized in accordance with ASC Topic 606, Revenue from Contracts with Customers. The Company adopted ASU 2021-02 Franchisors - Revenue from Contracts with Customers (Subtopic 952-606) effective with the application of ASC Topic 606. The ASU provides a practical expedient to ASU2014-09 Revenue from contracts with Customers (Topic 606). The new guidance allows franchisors to simplify the application of the guidance about identifying performance obligations for franchisors that perform pre-opening services by allowing a franchisor to account for pre-opening services as distinct if they are consistent with those included in a predefined list of pre-opening services.

Franchise Fees

The franchise arrangement between the Company and each franchise owner is documented in the form of a franchise agreement and, in select cases, a development agreement. The franchise arrangement requires the Company as franchisor to perform various activities to support the brand and does not involve the direct transfer of goods and services to the franchise owner as a customer. Activities performed by the Company before opening are distinguished from the franchise license. Therefore, the Company recognizes franchise fees as two performance obligations. The nature of the Company's promise in granting the franchise license is to provide the franchise owner with access to the brand's intellectual property over the term of the franchise arrangement.

The transaction price in a standard franchise arrangement consists of (a) franchise/development fees; (b) Marketing, brand development and royalties Fees and (c) IT Fees; (d) Annual Conference Fees. The Company utilize ASC 606 five-steps revenue recognition model as follows:

- Identify the contract with the customer.
- Identify the performance obligation in the contract.
- Determine the transaction price.
- Allocate the transaction price to the performance obligations.
- Recognize revenue when (or as) each performance obligation is satisfied.

The terms of the Company's franchise agreement will be as follows:

- The Company will grant the right to use the Company name, trademark and system in the franchisee's franchise development business.
- The franchisee is obligated to pay a non-refundable initial franchise fee.
- The franchisee is obligated to pay a daily royalties, marketing, IT, and annual conference fees. Certain other fees are also outlined in the agreement.

Franchise revenues are recognized by the Company from the following different sources: The Company recognizes franchise fees as two (2) performance obligations. The first, pre-opening services, including access to manuals, assistance in site selection, and initial training, have been determined to be distinct services offered to franchisees. Pre-opening services are earned over a period of time using an input method of completion based on costs incurred for each franchisee at the end of each year.

The second, access to the franchise license, has been determined to be distinct. The amount allocated to the franchise license is earned over time as performance obligations are satisfied due to the continuous transfer of control to the franchisee. Franchise and development fees are paid in advance of the franchise opening, typically when entering into a new franchise or development agreement. Fees allocated to the franchise license are recognized as revenue on a straight-line basis over the term of each respective franchise agreement. Initial franchise agreement terms are typically 10 years while successive agreement terms are typically 10 years.

Variable Considerations

Franchise agreements contain variable considerations in the form of royalty fees and brand development (advertising). These fees are based on franchisee sales and are recorded as revenue and recognized as these services are delivered because the variable payment relates specifically to the performance obligation of using the license. The Company collects funds from franchisees to manage the brand level advertising, marketing, and development program. The fee is based on a percentage of the gross sales less any amount paid towards sales tax, payable daily.

Contracts Assets and Liabilities Balances

The Company incurs costs that are directly attributable to obtaining a contract, for example, commission fees, broker fees, and referral fees. Under ASC 606, costs that are directly associated with obtaining a contract are to be capitalized and recognized over the term of the agreement. Capitalized costs are included in deferred expenses on the accompanying balance sheet. As such, direct franchise license costs are recognized over the franchise and renewal term, which is the performance obligation, and is typically the franchise agreement's term. If a customer is terminated, the remaining deferred expense will be recognized to expenses.

Deferred revenue consists of the remaining initial franchise fees to be amortized over the life of the franchise agreements. Deferred revenue is a result of the collection of the initial franchise fee at the time of the signing of the franchise agreement and will fluctuate each year based on the number of franchise agreements signed.

J. Recent Accounting Pronouncements

FASB ASU No. 2016-02 – Leases (Topic 842) is effective for the calendar year 2022. The standard requires lessees to recognize right-of-use assets and liabilities for most leases with terms longer than twelve months. The Company has evaluated the impact of this standard on its financial statements and determined that it doesn't have any lease that meet the requirement to recognize a right-of-use asset and liability because the Company doesn't have any long-term leases.

In June 2016, the FASB issued ASU No. 2016-13, Financial Instruments – Credit Losses (Topic 326): Measurements of Credit Losses on Financial Instruments. ASU 2016-13, along with subsequent clarifications and improvements (collectively, ASC 326), replaces the incurred loss impairment methodology in prior U.S. GAAP with a methodology that instead reflects a current estimate of all expected credit losses on financial assets, including receivables. ASC 326 requires that the Company measure and recognize expected credit losses at the time the asset is recorded, while considering a broader range of information to estimate credit losses including country specific macroeconomic conditions that correlate with historical loss experience, delinquency trends and aging behavior of receivables, among others. ASC 326 is effective for the Company on inception. There was no impact on the Company's financial statements as a result of the implementation of this standard.

3. CASH AND CASH EQUIVALENTS

The Company maintains its cash balance in U.S. noninterest-bearing transaction accounts which are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. On December 31, 2025 and 2024, the Company's cash balance didn't exceed the FDIC insurance limit. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

The Company considers all cash in the bank and investments in highly liquid debt instruments with maturities of three months or less to be cash equivalents. As of December 31, 2025 and 2024, the Company had approximately \$29,085 and \$39,597 respectively in cash in its bank accounts.

Blue Sage Franchising, LLC
December 31, 2024
Notes To Financial Statements

1. COMPANY AND NATURE OF OPERATIONS

Blue Sage Franchising, LLC (the Company) was established in the state of Delaware as a limited liability Company on February 1, 2024, for the purpose of offering franchise opportunities to entrepreneurs who want to own their own business as a franchise. The Company provide the qualified individual the right to operate a franchise unit that specialize in providing the general public with healthcare services and products focused on wellness solutions and aesthetic services at a specific location under “Blue Sage Longevity Labs” mark.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies is presented to assist the reader in understanding and evaluating the Company’s financial statements. The financial statements and notes are representations of the Company’s management, which is responsible for their integrity and objectivity. These accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of financial statements.

A. Basis of Accounting

The Company’s financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America (“GAAP”).

B. Cash and Cash Equivalents

For purposes of the Statement of cash flows, cash equivalents include bank accounts and cash in transit for bank deposits with maturities of three months or less to be cash equivalents.

C. Federal Income Taxes

The Company is organized as a limited liability company and is a disregarded entity for income tax purposes. The Company’s accounts are included in the tax return of its members, and all taxes are assessed and paid at the individual member level. Therefore, no income tax liability for federal or state taxes has been recorded in the financial statement.

D. Concentration of Credit Risk

The Company maintains cash and cash equivalents with major financial institutions. At various times during the year, the total amount on deposit might exceed the \$250,000 limit insured by the Federal Deposit Insurance Corporation (FDIC). The Company believes that it mitigates credit risk by depositing cash with financial institutions having high credit ratings.

E. Use of Estimates

The preparation of our Company’s financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of our financial statements and the reported amounts of revenues, costs, and expenses during the reporting period. Actual results could differ significantly from those estimates. It is at least reasonably possible that a change in the estimates will occur in the near term.

F. Marketing and Advertising

Marketing and advertising costs are charged to operations in the year incurred.

G. Revenue Recognition

Revenue is recognized in accordance with ASC Topic 606, Revenue from Contracts with Customers. The Company adopted ASU 2021-02 Franchisors - Revenue from Contracts with Customers (Subtopic 952-606) effective with the application of ASC Topic 606. The ASU provides a practical expedient to ASU2014-09 Revenue from contracts with Customers (Topic 606). The new guidance allows franchisors to simplify the application of the guidance about identifying performance obligations for franchisors that perform pre-opening services by allowing a franchisor to account for pre-opening services as distinct if they are consistent with those included in a predefined list of pre-opening services.

Franchise Fees

The franchise arrangement between the Company and each franchise owner is documented in the form of a franchise agreement and, in select cases, a development agreement. The franchise arrangement requires the Company as franchisor to perform various activities to support the brand and does not involve the direct transfer of goods and services to the franchise owner as a customer. Activities performed by the Company before opening are distinguished from the franchise license. Therefore, the Company recognizes franchise fees as two performance obligations. The nature of the Company's promise in granting the franchise license is to provide the franchise owner with access to the brand's intellectual property over the term of the franchise arrangement.

The transaction price in a standard franchise arrangement consists of (a) franchise/development fees; (b) Marketing, brand development and royalties Fees and (c) IT Fees; (d) Annual Conference Fees. The Company utilize ASC 606 five-steps revenue recognition model as follows:

- Identify the contract with the customer.
- Identify the performance obligation in the contract.
- Determine the transaction price.
- Allocate the transaction price to the performance obligations.
- Recognize revenue when (or as) each performance obligation is satisfied.

The terms of the Company's franchise agreement will be as follows:

- The Company will grant the right to use the Company name, trademark and system in the franchisee's franchise development business.
- The franchisee is obligated to pay a non-refundable initial franchise fee.
- The franchisee is obligated to pay a daily royalty, marketing, IT, and annual conference fees. Certain other fees are also outlined in the agreement.

Franchise revenues are recognized by the Company from the following different sources: The Company recognizes franchise fees as two (2) performance obligations. The first, pre-opening services, including access to manuals, assistance in site selection, and initial training, have been determined to be distinct services offered to franchisees. Pre-opening services are earned over a period using an input method of completion based on costs incurred for each franchisee at the end of each year.

The second, access to the franchise license, has been determined to be distinct. The amount allocated to the franchise license is earned over time as performance obligations are satisfied due to the continuous transfer of control to the franchisee. Franchise and development fees are paid in advance of the franchise opening, typically when entering into a new franchise or development agreement. Fees allocated to the franchise license are recognized as revenue on a straight-line basis over the term of each respective franchise agreement. Initial franchise agreement terms are typically 10 years while successive agreement terms are typically 10 years.

Variable Considerations

Franchise agreements contain variable considerations in the form of royalty fees and brand development (advertising). These fees are based on franchisee sales and are recorded as revenue and recognized as these services are delivered because the variable payment relates specifically to the performance obligation of using the license. The Company collects funds from franchisees to manage the brand level advertising, marketing, and development program. The fee is based on a percentage of the gross sales, less any amount paid towards sales tax, payable daily.

Contracts Assets and Liabilities Balances

The Company incurs costs that are directly attributable to obtaining a contract, for example, commission fees, broker fees, and referral fees. Under ASC 606, costs that are directly associated with obtaining a contract are to be capitalized and recognized over the term of the agreement. Capitalized costs are included in deferred expenses on the accompanying balance sheet. As such, direct franchise license costs are recognized over the franchise and renewal term, which is the performance obligation, and is typically the franchise agreement's term. If a customer is terminated, the remaining deferred expense will be recognized to expenses.

Deferred revenue consists of the remaining initial franchise fees to be amortized over the life of the franchise agreements. Deferred revenue is a result of the collection of the initial franchise fee at the time of the signing of the franchise agreement and will fluctuate each year based on the number of franchise agreements signed.

The Company didn't generate any revenue as of the balance sheet date but will be implementing ASC 606 to recognize its revenue once a sale has been made.

H. Recent Accounting Pronouncements

FASB ASU No. 2016-02 – Leases (Topic 842) is effective for the calendar year 2022. The standard requires lessees to recognize right-of-use assets and liabilities for most leases with terms longer than twelve months. The Company has evaluated the impact of this standard on its financial statements and determined that it doesn't have any lease that meets the requirement to recognize a right-of-use asset and liability because the Company doesn't have any long-term leases.

3. CASH AND CASH EQUIVALENTS

The Company maintains its cash balance in U.S. noninterest-bearing transaction accounts which are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. On December 31, 2024, the Company's cash balance didn't exceed the FDIC insurance limit.

The Company considers all cash in the bank and investments in highly liquid debt instruments with maturities of three months or less to be cash equivalents. As of December 31, 2024, the Company had approximately \$ 39,597 in cash in its bank accounts.

4. RELATED PARTY TRANSACTIONS

Global Business Advisory Inc. shares common ownership with the Company. As of December 31, 2024, the Company has a \$39,300 balance from to this related party for expenses paid on behalf of the related party.

As of December 31, 2024 the Company had a \$38,183 balance due to its members which represent expenses paid on behalf of the Company.

5. MARKETING AND ADVERTISING

Marketing and advertising costs for the period from February 1, 2024 to December 31, 2024 were \$9,706. These costs were expensed as incurred.

6. SUBSEQUENT EVENTS

Management has evaluated subsequent events through February 25, 2025, which is the date the financial statements were available to be issued. The Company did not have any material recognizable subsequent events that would require adjustment to, or disclosure in, the financial statements.

You agree that we may apply for such injunctive relief, without bond, but upon due notice, in addition to such further and other relief as may be available at equity or law, and the sole remedy of yours, in the event of the entry of such injunction, will be the dissolution of such injunction, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived hereby). If a court requires the filing of a bond notwithstanding the preceding sentence, the parties agree that the amount of the bond shall not exceed \$1,000. None of the remedies available to us under this Agreement are exclusive of any other, but may be combined with others under this Agreement, or at law or in equity, including injunctive relief, specific performance and recovery of monetary damages. Any claim, defense or cause of action that you may have against us or against Franchisee, regardless of cause or origin, cannot be used as a defense against our enforcement of this Agreement.

(b) This Agreement will be governed by, construed and enforced under the laws of the State of New York and the courts in that state shall have jurisdiction over any legal proceedings arising out of this Agreement.

(c) Each section of this Agreement, including each subsection and portion thereof, is severable. “*Competitive Business*” means any business that provides healthcare services and products focused on wellness solutions and aesthetic services.

“*Copyrights*” means all works and materials for which we or our affiliate has secured common law or registered copyright protection and that we allow BlueSage Longevity Labs® franchisees to use, sell or display in connection with the marketing and/or operation of a BlueSage Longevity Labs® Unit Franchise, whether now in existence or created in the future.

“*Intellectual Property*” means, collectively or individually, our Marks, Copyrights, Know-how and System.

“*Know-how*” means all of our trade secrets and other proprietary information relating to the development, construction, marketing and/or operation of a BlueSage Longevity Labs® Unit Franchise, including, but not limited to, methods, techniques, specifications, procedures, policies, marketing strategies and information comprising the System and the Manuals.

“*Marks*” means the logotypes, service marks, trademarks and trade dress now or hereafter involved in the operation of a BlueSage Longevity Labs® Unit Franchise, including “BlueSage Longevity Labs®.”

“*Prohibited Activities*” means any or all of the following: (i) owning, operating or having any other interest (as an owner, partner, director, officer, employee, manager, consultant, shareholder, creditor, representative, agent or in any similar capacity) in a Competitive Business (other than owning an interest of five percent (5%) or less in a publicly traded company that is a Competitive Business); (ii) diverting or attempting to divert any business from us (or one of our affiliates or franchisees); and/or (iii) inducing any customer of ours (or of one of our affiliates or franchisees) to transfer their business to you or to any other person that is not then a franchisee of ours.

“*Restricted Period*” means the period of time that you are a general manager or manager of Franchisee and for a period of two (2) years thereafter; provided, however, that if a court of competent jurisdiction determines that this period of time is too long to be enforceable, then the “Restricted Period” means the period of time that you are a general manager or manager of Franchisee and for a period of one (1) year thereafter.

“*Restricted Territory*” means the geographic area (a) within fifty (50) miles of the Franchisee’s current location(s); or (b) within fifty (50) miles of any BlueSage Longevity Labs® franchise in operation or development on the date that you cease to be a general manager or manager of the Franchisee; however, if a court of competent jurisdiction determines that fifty (50) miles is too large to be enforceable, then the “Restricted Territory” means that area shall mean twenty-five (25) miles, or such other period that the court deems reasonable.

“*System*” means our system for the operation of a BlueSage Longevity Labs® Unit Franchise, the distinctive characteristics of which include logo, trade secrets, concept, style, trade dress, confidential operations manual and operating system.

(iii) **Intellectual Property.** You agree: (i) you will not use the Know-how in any business or capacity other than the BlueSage Longevity Labs® Unit Franchise operated by Franchisee; (ii) you will maintain the confidentiality of the Know-how at all times; (iii) you will not make unauthorized copies of documents containing any Know-how; you will take such reasonable steps as we may ask of you from time to time to prevent unauthorized use or disclosure of the Know-how; and (v) you will stop using the Know-how immediately if you are no longer a general manager or manager of Franchisee. You further agree that you will not use the Intellectual Property for any purpose other than the performance of your duties for Franchisee and within the scope of your employment with Franchisee.

3. Unfair Competition During Relationship. You agree not to unfairly compete with us at any time while you are an employee of Franchisee by engaging in any Prohibited Activities.

4. Unfair Competition After Relationship. You agree not to unfairly compete with us during the Restricted Period by engaging in any Prohibited Activities; provided, however, that the Prohibited Activity relating to having an interest in a Competitive Business will only apply with respect to a Competitive Business that is located within the Restricted Territory. If you engage in any Prohibited Activities during the Restricted Period, then you agree that your Restricted Period will be extended by the period of time during which you were engaging in the prohibited activity.

5. Immediate Family Members. You acknowledge that you could circumvent the purpose of this Agreement by disclosing Know-how to an immediate family member (i.e., spouse, parent, sibling, child, or grandchild). You also acknowledge that it would be difficult for us to prove whether you disclosed the Know-how to family members. Therefore, you agree that you will be presumed to have violated the terms of this Agreement if any member of your immediate family (i) engages in any Prohibited Activities during any period of time during which you are prohibited from engaging in the Prohibited Activities or (ii) uses or discloses the Know-how. However, you may rebut this presumption by furnishing evidence conclusively showing that you did not disclose the Know-how to the family member.

8. Miscellaneous.

(a) If we hire an attorney or file suit against you because you have breached this Agreement and prevail against you, you agree to pay our reasonable attorneys' fees and costs in doing so.

(b) This Agreement will be governed by, construed and enforced under the laws of the State of New York and the courts in that state shall have jurisdiction over any legal proceedings arising out of this Agreement.

(c) Each section of this Agreement, including each subsection and portion thereof, is severable. (d) You and we both believe that the covenants in this Agreement are reasonable in terms of scope, duration and geographic area. However, we may at any time unilaterally modify the terms of this Agreement upon written notice to you by limiting the scope of the Prohibited Activities, narrowing the definition of a Competitive Business, shortening the duration of the Restricted Period, reducing the geographic scope of the Restricted Territory and/or reducing the scope of any other covenant imposed upon you under this Agreement to ensure that the terms and covenants in this Agreement are enforceable under applicable law.

If Debtor is a registered organization (e.g., corporation, limited partnership, limited liability company), it is advisable to examine Debtor's current filed charter documents to determine Debtor's correct name, organization type, and jurisdiction of organization.

1b. **Individual Debtor.** "Individual" means a natural person and a sole proprietorship, whether or not operating under a trade name. Don't use prefixes (Mr., Mrs., Ms.). Use suffix box only for titles of lineage (Jr., Sr., III) and not for other suffixes or titles (e.g., M.D.). Use married woman's personal name (Mary Smith, not Mrs. John Smith). Enter individual Debtor's family name (surname) in Last Name box, first given name in First Name box, and all additional given names in Middle Name box.

For both organization and individual Debtors: Don't use Debtor's trade name, DBA, AKA, FKA, Division name, etc. in place of or combined with Debtor's legal name; you may add such other names as additional Debtors if you wish (but this is neither required nor recommended).

1c. An address is always required for the Debtor named in 1a or 1b.

1d. Debtor's taxpayer identification number (tax ID #) – social security number or employer identification number – may be required in some states.

1e,f,g. "Additional information re organization Debtor" is always required. Type of organization and jurisdiction of organization as well as Debtor's exact legal name can be determined from Debtor's current filed charter document. Organizational ID #, if any, is assigned by the agency where the charter document was filed; this is different from taxpayer ID #; this should be entered preceded by the 2-character U.S. Postal identification of state of organization if one of the United States (e.g., CA12345, for a California corporation whose organizational ID # is 12345); if agency does not assign organizational ED #, check box in item 1g indicating "none."

Note: If Debtor is a trust or a trustee acting with respect to property held in trust, enter Debtor's name in item 1 and attach Addendum (Form UCC1Ad) and check appropriate box in item 17. If Debtor is a decedent's estate, enter name of deceased individual in item 1b and attach Addendum (Form UCC1Ad) and check appropriate box in item 17. If Debtor is a transmitting utility or this Financing Statement is filed in connection with a Manufactured-Home Transaction or a Public-Finance Transaction as defined in applicable Commercial Code, attach Addendum (Form UCC1Ad) and check appropriate box in item 18.

2. If an additional Debtor is included, complete item 2, determined and formatted per Instruction 1. To include further additional Debtors, or one or more additional Secured Parties, attach either Addendum (Form UCC1Ad) or other additional page(s), using correct name format. Follow Instruction 1 for determining and formatting additional names.

3. Enter information for Secured Party or Total Assignee, determined and formatted per Instruction 1. If there is more than one Secured Party, see Instruction 2. If there has been a total assignment of the Secured Party's interest prior to filing this form, you may either (1) enter Assignor S/P's name and address in item 3 and file an Amendment (Form UCC3) [see item 5 of that form]; or (2) enter Total Assignee's name and address in item 3 and, if you wish, also attaching Addendum (Form UCC1Ad) giving Assignor S/Ps name and address in item 12.

4. Use item 4 to indicate the collateral covered by this Financing Statement. If space in item 4 is insufficient, put the entire collateral description or continuation of the collateral description on either Addendum (Form UCC1Ad) or other attached additional page(s).

5. If filer desires (at filer's option) to use titles of lessee and lessor, or consignee and consignor, or seller and buyer (in the case of accounts or chattel paper), or bailee and bailor instead of Debtor and Secured Party, check the appropriate box in item 5. If this is an agricultural lien (as defined in applicable Commercial Code) filing or is otherwise not a UCC security interest filing (e.g., a tax lien, judgment lien, etc.), check the appropriate box in item 5, complete items 1-7 as applicable and attach any other items required under other law.

6. If this Financing Statement is filed as a fixture filing or if the collateral consists of timber to be cut or as-extracted collateral, complete items 1-5, check the box in item 6, and complete the required information

(items 13, 14 and/or 15 on Addendum (Form UCC1Ad)..

7. This item is optional. Check appropriate box in item 7 to request Search Report(s) on all or some of the Debtors named in this Financing Statement. The Report will list all Financing Statements on file against the designated Debtor on the date of the Report, including this Financing Statement. There is an additional fee for each Report. If you have checked a box in item 7, file Search Report Copy together with Filing Officer Copy (and Acknowledgment Copy). Note: Not all states do searches and not all states will honor a search request made via this form; some states require a separate request form.
8. This item is optional and is for filer's use only. For filer's convenience of reference, filer may enter in item 8 any identifying information (e.g., Secured Party's loan number, law firm file number, Debtor's name or other identification, state in which form is being filed, etc.) that filer may find useful.

**AMENDMENT TO
WAIVE MANAGEMENT AGREEMENT**

**AMENDMENT TO
FRANCHISE AGREEMENT
WAIVER OF MANAGEMENT AGREEMENT**

THIS AMENDMENT ("Amendment") is made and entered into on this ____ day of _____, 20____, by and between Blue Sage Franchising, Inc., a Delaware corporation ("Franchisor" or "we" or "us"), and _____, a _____ ("Franchisee" or "you").

RECITALS

A. We and you are parties to a Blue Sage Franchising, Inc. Franchise Agreement dated as of the same date as this Amendment (the "Franchise Agreement"), which pertains to the management and operation of a "BlueSage Longevity Labs®" business at a facility operating under the name "BlueSage Longevity Labs®" (which is referred to as a "Unit Franchise") (together the management and operation of a Unit Franchise will be referred to as the "Franchised Business") with the "Territory" as described in the Franchise Agreement. Your Unit Franchise will be located and operated in the state of _____.

B. We and you wish to amend the terms of the Franchise Agreement as described below.

C. All capitalized terms not defined in this Amendment will have the meaning set forth in the Franchise Agreement, or the Management Agreement (as defined below).

AGREEMENT

NOW THEREFORE, we and you, in consideration of the undertakings and commitments of each party to the other party set forth herein and in the Franchise Agreement, and for other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, mutually agree as follows:

1. Franchisee's Representations and Warranties:

a. You understand and agree that you are solely responsible for operating in full compliance with all laws that apply to your Franchised Business. The laws regulating the wellness and aesthetic industry include without limitation, federal, state and local regulations relating to: the practice of medicine and the operation and licensing of wellness and aesthetic services; the relationship of providers and suppliers of health care services, on the one hand, and physicians and Unit Franchisees, on the other, including anti-kickback laws; restrictions or prohibition on fee splitting; physician self-referral restrictions; payment systems for medical benefits available to individuals through insurance and government resources; privacy of patient records; use of medical devices; and advertising of medical services (together such are, "Medical Regulations").

b. You represent and warrant to us that: (1) you have conducted independent research regarding the Medical Regulations that are applicable to wellness and aesthetic services generally, and the Franchised Business specifically in the Territory, including retaining the services of qualified professional advisers as necessary; (ii) you have verified that under the Medical Regulations applicable to your Franchised Business, you are permitted to both manage the Unit Franchise and operate the Unit Franchise, including hiring any wellness and aesthetic practice and other personnel and providing wellness and aesthetic services to patients at the Unit Franchise.

c. You have requested that, based on your representations and warranties to us as to the Medical Regulations applicable to your Franchised Business, we waive the requirements of the Franchise Agreement that you (i) enter into a management agreement with a P.C., which as a separate entity would operate the Unit Franchise and provide all wellness and aesthetic services, and (ii) you refrain from

providing any wellness and aesthetic services to patients or hiring and supervising medical providers, subject to all applicable Medical Regulations.

d. You acknowledge and agree that we are entering into this Amendment in reliance your representations and warranties. You understand and agree that your obligations to operate in compliance with Medical Regulations will continue throughout the term of the Franchise Agreement, and if there are any changes in Medical Regulations that would render your operation of the Unit Franchise in violation of any Medical Regulation, you will immediately advise of such change and of your proposed corrective action to comply with Medical Regulations, including (if applicable) entering into a management agreement with a P.C.

e. You acknowledge and agree that by requesting us to permit you to perform all of the activities and obligations of the P.C. (rather than signing a management agreement with a P.C. that would operate the Unit Franchise), you will incur all costs of both managing and operating the Unit Franchise, including those costs that would otherwise be borne by the P.C. (such as obtaining all necessary licensing and certification for practicing medicine and compensation of wellness and aesthetic professionals). You have researched the costs associated with both managing and operating the Unit Franchise.

2. Based on your representations and warranties to us above, you and we agree as follows:

a. Notwithstanding anything to the contrary in the Franchise Agreement, including Section 1.2, you are not required by the Franchise Agreement to enter into a Management Agreement with a P.C., provided that you comply with applicable Medical Regulations.

b. Notwithstanding anything to the contrary in the Franchise Agreement, including Section 1.2, you are not restricted from providing wellness and aesthetic services to the Unit Franchise's patients, or from hiring and supervising the wellness and aesthetic professionals and employees who are legally authorized to provide wellness and aesthetic services to patients of the Unit Franchise.

c. Instead of entering into the Management Agreement with a separate P.C., you agree to be solely responsible for operating the Unit Franchise and providing, or arranging for and supervising the provision of, wellness and aesthetic services to the patients of the Unit Franchise. You, therefore, agree that you will perform all responsibilities and obligations of the "P.C." as set forth in our form of Management Agreement (the "Management Agreement"), a copy of which shall be made available to you upon request and after you have signed our confidentiality agreement.

d. Instead of entering into the Management Agreement with a separate P.C., you agree to be solely responsible for providing the management and support services necessary for operating the Unit Franchise. You, therefore, agree that you will perform all responsibilities and obligations of the "Company" as set forth in the Management Agreement, which are hereby incorporated into this Amendment.

e. Any reference in the Franchise Agreement to an obligation of, or requirement applicable to, the P.C. will be your obligation.

f. Any reference in the Franchise Agreement to the "Franchised Business" will include your activities in both managing and operating the Unit Franchise.

3. Except as otherwise amended above, the Franchise Agreement is otherwise in full force and effect.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed, and delivered this Amendment in duplicate on the day and year first above written.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

Neither we nor any person or franchise broker identified in Item 2 is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a *et seq.*, suspending or expelling such persons from membership in that association or exchange.

The California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination and non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control. We may not terminate your franchise except for good cause, and we must give you a notice of default and a reasonable opportunity to cure the defects (except for certain defects specified in the statute, for which no opportunity to cure is required by law). The statute also requires that we give you notice of any intention not to renew your franchise at least 180 days before expiration of the Franchise Agreement.

You must sign a general release if you renew or transfer your franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

Each party further waives trial by jury and, to the extent permitted by law, all claims arising out of or relating to the Franchise Agreement must be brought within one year from the date on which you or we knew or should have known of the facts giving rise to such claims (except for claims relating to nonpayment or underpayment of amounts you owe us).

The Franchise Agreement requires mediation. The mediation will occur at the office of the American Arbitration Association Office closest to our principal executive offices. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

THIS DISCLOSURE DOCUMENT CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR A STATEMENT OF ALL RIGHTS, CONDITIONS, RESTRICTIONS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

Item 20 of this Disclosure Document will be amended by the addition of the following paragraph:

As of the dates listed in Attachment 1, this franchise offering is or will be effective in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington and Wisconsin. No states have refused, by order or otherwise, to register these franchises. No states have revoked or suspended the right to offer these franchises. The proposed registration of these franchises has not been involuntarily withdrawn in any state.

As a result of franchisor's financial condition, the State of Hawaii has required the franchisor to defer receipt of the Initial Franchise Fee and other payments to franchisor or its affiliates until the franchisor has met all of its pre-opening obligations and the Franchise is open for business.

REQUIRED BY THE STATE OF ILLINOIS

Item 17 of this disclosure document is supplemented by the addition of the following paragraphs at the end of the chart:

Illinois law governs the Franchise Agreement.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Franchisees' rights upon Termination and Non-Renewal are set forth in sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with section 41 of the Illinois Franchise Disclosure Act any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois franchise Disclosure Act or any other law of Illinois is void.

RETAIN AN EXPERIENCED ATTORNEY WHO WILL LOOK OUT FOR YOUR BEST INTERESTS IN THIS BUSINESS VENTURE.

REQUIRED BY THE STATE OF INDIANA

The Franchise Agreement contains a covenant not to compete that extends beyond the termination of your franchise. This provision may not be enforceable under Indiana law.

Indiana law makes unilateral termination of your franchise unlawful unless there is a material violation of the Franchise Agreement and the termination is not done in bad faith.

If Indiana law requires the Franchise Agreement and all related documents to be governed by Indiana law, then nothing in the Franchise Agreement or related documents referring to New York law will abrogate or reduce any of your rights as provided for under Indiana law.

Indiana law prohibits a prospective general release of claims subject to the Indiana Deceptive Franchise Practices Law.

Although the Franchise Agreement requires mediation to be held at the office of the American Arbitration Association closest to our principal executive offices, mediation held pursuant to the Franchise Agreement must take place in Indiana if you so request. If you choose Indiana, we have the right to select the location in Indiana.

REQUIRED BY THE STATE OF MARYLAND

Item 17 of the FDD is amended as follows:

The general release required as a condition of renewal, sale, and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

Any provision in the franchise agreement which provides for termination upon bankruptcy of the franchisee may not be enforceable under federal bankruptcy law (11 U.S.C. Section 101 et seq.). Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

This franchise agreement provides that disputes are resolved through mediation. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

A franchisee may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

REQUIRED BY THE STATE OF MINNESOTA

We will protect your right to use the Marks and/or indemnify you from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the Marks.

Minn. Rule 2860.4400D prohibits us from requiring you to assent to a general release. Any release you sign as a condition of renewal or transfer will not apply to any claims you may have under the Minnesota Franchise Law.

With respect to franchises governed by Minnesota law, we will comply with Minn. Stat. Sec. 80C.14, subds. 3, 4 and 5 which require, except in certain specified cases, that you be given 90 days' notice in advance of termination (with 60 days to cure) and 180 days' notice in advance of nonrenewal of the Franchise Agreement.

Minn. Stat. § 80C.17, Subd. 5, states that no civil action pertaining to a violation of a franchise rule or statute can be commenced more than three years after the cause of action accrues

Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in this Disclosure Document or the Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction. Under Minnesota law, we cannot require you to consent to injunction relief; however, we may seek injunctive relief from the Court.

Minn. Rule Part 2860.4400J prohibits us from requiring you to waive your rights to a jury trial or waive your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction, or consenting to liquidated damages, termination penalties or judgment notes.

REQUIRED BY STATE OF NEW JERSEY

Liquidated damages are void if unreasonable under the totality of the circumstances, including whether a statute governs the relationship and concerns liquidated damages clauses; and the common practice in the industry.

2. The following is to be added at the end of Item 3:

Except as provided above, the following applies to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

A. No such party has an administrative, criminal, or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.

B. No such party has pending actions other than routine litigation incidental to the business that is significant in the context of the number of franchisees and the size, nature, or financial condition of the franchise system or its business operations.

C. D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation, or trade practice law resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the "Summary" sections of Item 17(c), titled "Requirements for a franchisee to renew or extend," and Item 17(m), entitled "Conditions for franchisor approval of transfer":

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; this proviso intends that the non-waiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the "Summary" section of Item 17(d), titled "Termination by a franchisee": "You may terminate the agreement on any grounds available by law."

5. The following is added to the end of the "Summary" sections of Item 17(v), titled "Choice of forum," and Item 17(w), titled "Choice of law":

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or the franchisee by Article 33 of the General Business Law of the State of New York.

6. Franchise Questionnaires and Acknowledgements--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earliest of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

REQUIRED BY THE STATE OF NORTH DAKOTA

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of your franchise. This provision may not be enforceable under North Dakota law.

Although the Franchise Agreement provides that the place of mediation will be located at the office of the American Arbitration Association closest to our principal executive offices, we agree that the place of mediation will be a location that is in close proximity to the site of your Franchised Business.

The Franchise Agreement requires that you consent to the jurisdiction of a court in close proximity to our principal executive offices. This provision may not be enforceable under North Dakota law because North Dakota law precludes you from consenting to jurisdiction of any court outside of North Dakota.

Although the Franchise Agreement provides that it will be governed by and construed in accordance with the laws of the State of New York, we agree that the laws of the State of North Dakota will govern the construction and interpretation of the Franchise Agreement.

A contractual requirement that you sign a general release may be unenforceable under the laws of North Dakota.

Although the Franchise Agreement requires the franchisee to consent to a waiver of trial by jury, the Commissioner has determined that a requirement requiring the waiver of a trial by jury to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. This provision is not enforceable in North Dakota.

Although the Franchise Agreement requires the franchisee to consent to a waiver of exemplary and punitive damages, the Commissioner had determined these types of provisions to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. This provision is not enforceable in North Dakota.

Although the Franchise Agreement requires the franchisee to consent to a limitation of claims period within one year, the Commissioner had determined this to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. The limitation of claims period is therefore governed by North Dakota law.

To the extent any provision of the Franchise Agreement requires you to consent to a waiver of exemplary or punitive damages, the provision will be deemed null and void.

REQUIRED BY THE STATE OF RHODE ISLAND

Even though our Franchise Agreement says the laws of New York apply, § 19-28.1-14 of the Rhode Island Franchise Investment Act provides that “A provision in a franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.”

REQUIRED BY THE STATE OF VIRGINIA

The following provisions supersede any inconsistent provisions in the disclosure document and apply to all franchises offered and sold in the State of Virginia:

1. Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the franchise agreement and the Franchise Agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

2. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

REQUIRED BY THE STATE OF WASHINGTON

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

8. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

9. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

10. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

11. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by

independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

12. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

13. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

14. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

16. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

17. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

18. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

19. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

20. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

21. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

22. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

23. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

19. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

20. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

21. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.
