What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit D. Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. Out-of-State Dispute Resolution. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Pennsylvania. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Pennsylvania than in your own state. Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

Item 1

The Franchisor, and any Parents, Predecessors and Affiliates

To simplify the language in this Disclosure Document, “Buck’s” or “we” means Buck’s Pizza Franchising Corporation, Inc., the franchisor. “You” means the person who buys the franchise described in this Disclosure Document. If the person buying the franchise is a corporation, partnership, limited liability company, or other entity, “you” also includes the owners of the corporation, partnership, limited liability company or other entity. Owners of an entity that buys a franchise must sign a Personal Guaranty in the form attached to the Franchise Agreement as Exhibit A.

Buck’s is a Pennsylvania corporation that was incorporated on September 16, 1994. We do business under our corporate name. We do not do business under any other name. Our principal business address is 53 Industrial Drive, P.O. Box 405, DuBois, Pennsylvania 15801. Our agent for service of process in Pennsylvania is Krassenstein & Associates Professional Corporation, 7500 Brooktree Road, Wexford, Pennsylvania 15090. Our agent for service of process in certain other states is disclosed in Exhibit D. We do not have any predecessors. We have an affiliate, Buck’s Pizza of DuBois, LLC (“Buck’s DuBois”) which was formed on April 1, 2010 and has a principal business address of 53 Industrial Drive, P.O. Box 405, DuBois, Pennsylvania 15801.

Under this Disclosure Document, we franchise the right to operate restaurants under the name “Buck’s Pizza”. Buck’s DuBois operates two Buck’s Pizza restaurants.

Under a separate Disclosure Document, we offer franchises for area director marketing businesses in which the area director acts as our sales representative within a defined geographic area to solicit and identify prospective Buck’s Pizza franchisees and to provide support before, during, and after a Buck’s Pizza restaurant opens. We are not engaged in any business other than franchising Buck’s Pizza restaurants and area director businesses.

As a Buck’s Pizza franchisee, you will operate a Buck’s Pizza restaurant that will sell and offer delivery of pizza, sandwiches, chicken wings and tenders, pasta dishes, salads and other food items. The market for the food items you will sell is well developed.

In addition to laws and regulations that apply to businesses generally, you will be subject to specific regulations that apply to the operation of restaurants in your area, including federal, state and local health regulations. You should also be aware of federal, state and local labor regulations, including minimum-age and minimum-wage laws.

In the event of a pandemic or other public health emergency such as COVID 19, franchisees may experience significant levels of disruption in consumer demand for restaurant services, supply chain, employee availability and other aspects of operating a Buck’s Pizza franchise, as well as an impact on operating costs. Business operations may be affected by applicable laws, rules or orders of various governmental authorities in connection with any such public health emergency, including shelter-at-home edicts and mandatory restaurant closures.

If you open a Buck’s Pizza franchise, your competition will consist of other food service operations offering prepared foods to be eaten on-site, for carry-out, and for delivery to local homes and businesses.

We began selling Buck's Pizza franchises on October 24, 1994. We own and operate multiple businesses of the type to be operated by the franchisees. We have never offered franchises in any other line of business.

Item 2

Business Experience

President: Josh Benton

Josh Benton became President of Buck's on October 1, 2015. Josh Benton joined Buck's in February of 2003 and was part of the training staff. In addition to training, Josh's role has been largely in marketing and operations. He later oversaw the building and start-up of the two corporate restaurants.

Chairman of the Board: Lance Benton

Lance Benton became Chairman of the Board on October 1, 2015. Before that time he served as President of Buck's from July 1, 1999 to September 30, 2015. Mr. Benton is also a shareholder of Buck's.

Secretary/Treasurer: Evelyn Benton

Evelyn Benton was appointed Secretary/Treasurer of Buck's on July 1, 1999. She also served as President of Buck's from its inception in 1994 to June 30, 1999. Mrs. Benton is also a shareholder of Buck's.

Area Directors are listed on Exhibit B.

Item 3

Litigation

No litigation is required to be disclosed in this Disclosure Document.

Item 4

Bankruptcy

No bankruptcies are required to be disclosed in this Disclosure Document.

Item 5

Initial Fees

If you plan to own and operate a single Buck's Pizza restaurant, you must pay a \$20,000 Initial Franchise Fee to Buck's in a lump sum upon signing the Franchise Agreement. If you plan to own and operate more than one Buck's Pizza restaurant, you must pay an additional Initial Franchise Fee of \$15,000 to Buck's in a lump sum upon signing the Franchise Agreement for the 2nd Buck's Pizza restaurant you plan to open, and an additional Initial Franchise Fee of \$10,000 in a lump sum upon signing the franchise agreements for the 3rd and each additional Buck's Pizza restaurant you plan to open. These Initial Franchise Fees are not refundable under any circumstances.

In limited instances when a Buck's Pizza restaurant has been closed or in other similar circumstances, Buck's has the right to allow qualified franchisees to reinstate the Buck's Pizza franchise for an amount different than our standard Initial Franchise Fee. In these cases, the franchisee must pay this nonrefundable fee, if any, upon signing the then-current Buck's Pizza Franchise Agreement for the location to be reinstated.

In addition, Buck's is a member of the International Franchise Association and participates in its VetFran Program. Under the VetFran Program, we will reduce the Initial Franchise Fee by 50% if you, or a majority of the shareholders, members or partners if the franchisee is a legal entity, were honorably discharged from the U.S. Army, Navy, Air Force, Marines or Coast Guard within 5 years before signing the Franchise Agreement.

Complete and detailed uniformity under many varying conditions may not always be possible, practical, or in the best interest of BUCK'S. Accordingly, we have the right to vary the requirements for any franchisee based upon the circumstances of a particular franchisee, site or location, population density, business potential, existing business practice, competitive circumstance or any other condition that we deem to be of importance to the operation of such franchisee's business. We are not required to grant to you a like or other variation as a result of any variation from standard operations, specifications or requirements granted to any other franchisee. BUCK'S franchisees operate under a number of different forms of agreement that were entered into at different times and, consequently, the obligations and rights of the parties to other agreements may differ materially in certain instances.

Item 6

Note 2. Royalty Fee. You must pay a weekly royalty fee of 5% of gross sales of the prior week, payable on Monday of each week. "Gross sales" means the receipts from all sales at your restaurant of food products, beverages and other products and services authorized for sale by us, excluding only sales taxes and other applicable taxes, coupons and similar discounts. These fees apply for each Buck's Pizza restaurant that you operate.

Note 3. Late Payment Fee. If you fail to pay any amount that you owe us, including your royalty fee, when it is due, you will be subject to a late fee of 1 ½% per month of the amount due.

Note 4. Transfer Fee. We have the right to charge a transfer fee of \$5,000 if you sell your franchise. There is no charge if the franchise is transferred to a corporation or other entity of which you are the sole owner.

Note 5. Advertising Fee. Although there is no national advertising program in effect as of the date of this Disclosure Document, Buck's reserves the right to implement such a program at any time. If implemented, the advertising program will require you to contribute no more than 2% of gross sales on a weekly basis to a national advertising fund. The national advertising fund, if implemented, will be used to prepare and maintain national and local advertising, marketing and public relations activities. For more information concerning advertising, see Item 11.

Note 6. Audit Fee. Buck's has the right to inspect and audit your business and records at no charge to you. However, if we must make 2 inspections due to your repeated failure to comply with your franchise agreement, or if an audit reveals that you have underreported gross sales in any calendar year, you must reimburse us for our costs in connection with the inspection or audit.

TOTAL ⁹	\$165,450 to \$345,400			

NOTES:

1. See Item 5 for additional information about the Initial Franchise Fee. The Initial Franchise Fee is not refundable.

2. For training requirements generally, see Item 11. This estimate assumes automobile transportation to the training site. Costs of commercial transportation, if necessary, would be higher and would vary according to distance and mode of transportation. Refundability of these amounts will depend on the policies of the service providers.

3. If you do not own an adequate location for your Buck's Pizza restaurant, you must lease such a location. You will need a minimum of 1,200 square feet of space. Costs vary widely depending upon the location, size and condition of the space. Most Buck's Pizza franchisees will pay \$1,000 to \$2,500 per month; the estimate provided is for 3 months of rental payments. In addition, most landlords require a security deposit of at least one month's rent. Refundability of these amounts will depend upon arrangements made with your landlord.

4. You must purchase the equipment necessary to operate your restaurant. The equipment necessary will vary depending on your needs of and the territory in which your restaurant is located. All equipment must meet our specifications and be obtained only from approved suppliers. See Item 8 for additional information concerning equipment. Refundability of amounts paid for equipment will depend on arrangements made with the vendor.

5. You may incur expenses for the buildout of your restaurant. If you lease your location, you may be able to negotiate a construction allowance from your landlord that may cover some of the buildout/leasehold improvement expenses. Generally, amounts paid for these improvements are not refundable, but any refunds would be determined by the vendor or contractor.

6. You will need an initial supply of inventory such as ingredients, paper items, order forms and the like. Before opening, you must order supplies that will cost approximately \$8,000 to \$10,000. The estimate provided is for this initial supply. After opening, supplies are typically ordered weekly; their total cost over your initial 3 months of operation will range from \$19,000 to \$79,000 depending on your sales volume (see Note 8 below). All supplies and inventory must meet our standards and specifications (see Item 8). Refundability for amounts paid will depend on vendor policy.

7. Insurance costs may vary in different localities. This estimate is for 1 year of business and liability insurance coverage and worker's compensation. Refundability of premiums paid will depend on arrangements made with your insurance carrier. We recommend but do not require that any insurance policy include business interruption insurance. The estimate provided does not include the higher cost of business interruption insurance that expressly includes potential business interruption due to pandemic-related losses.

8. This is an estimate only of the range of initial start-up expenses you may incur. The amount of additional funds you will need depends on a variety of factors, including the size of your territory, your management skills, economic conditions, competition in your area, your sales volume, and other factors. This estimate includes estimated royalty payments and inventory costs for the first 3 months your restaurant is open. The estimated cost provided does not include the cost of personal protective equipment which may be recommended or required by government regulation in the event of a future pandemic or other public health emergency.

9. There are no other direct or indirect payments to Buck's in conjunction with the purchase of the franchise. You should review these figures carefully with a business advisor before making any decision to purchase this franchise. The information provided in the Table applies to the opening of a single Buck's Pizza restaurant. If you purchase more than one franchise, the figures should be adjusted upward to reflect the number of Buck's Pizza restaurants you will open.

Item 8

Restrictions on Sources of Products and Services

You must use in the operation of your franchise only ingredients, products, cooking materials, containers, packaging materials, utensils, uniforms, menus, forms, cleaning and sanitation materials and other supplies and materials that conform to the standards and specifications we establish. We may require you to purchase these items only from approved suppliers. No franchisor officer owns an interest in any supplier.

If you want to use any ingredients, supplies or materials not previously approved by Buck's, or purchase these items from a supplier not previously approved by Buck's, you must comply with our procedures for approval. These procedures may be set forth in the Operating Manual or otherwise provided in writing. Currently, you must submit a written request to us, setting forth in detail the ingredients, supplies or materials you want to use. If you want to use a supplier not currently approved by us, you must arrange for the proposed supplier to request from us a list of our requirements for attaining the status of "Approved Vendor" and an Approved Vendor application that the proposed supplier would submit to obtain "Approved Vendor" status. We will review the supplier's application and determine whether that supplier meets our specifications for "Approved Vendor" status. Our criteria for supplier approval are available upon your written request. We will notify you, and, if applicable, the proposed supplier of our decision within 30 days of receiving your request or the proposed supplier's application. If we deny the request, we will provide the reasons for our denial. If we fail to respond within 30 days, the request will be deemed approved.

Although Buck's has not experienced disruptions to our supply chain due to unforeseen events in the past, there is no assurance that Buck's or our franchisees will not experience such disruptions in the future as a result of a pandemic such as COVID-19 or other public health emergency or other unforeseen events.

We have made arrangements with certain approved suppliers to provide products to our franchisees at favorable rates. These suppliers, who are not affiliated with Buck's, have agreed to pay Buck's a fee based on the quantity of products purchased by our franchisees. Currently Buck's receives the following rebates from approved suppliers for purchases made by our franchisees, and refunds these rebates to the franchisees: 5¢ per pound of cheese from Sofo Foods; 15¢ per pound of wings; 5¢ per pound of pepperoni; 8¢ per pound of sausage; 50¢ per case of buns; 5¢ per pound of steak; 5¢ per pound of pork roll; and 75¢ per case of shells. Sofo Foods also provides a 1% rebate to Buck's on all purchases made by our franchisees, which Buck's also refunds to our franchisees. Buck's also receives the following rebates from approved suppliers for purchases made by our franchisees: \$1.00 per case of pizza sauce, and 9% of all paid invoices for pizza boxes. We do not remit rebates for pizza sauce and pizza boxes to our franchisees. Although franchisees must use only approved suppliers, they are not required to purchase only from suppliers who pay a fee to Buck's. In 2021, our revenues from franchisee purchases and leases, including rebates, from approved suppliers was \$57,576. This amount represents approximately 12.5% of our total revenues in 2021. Our affiliate, Buck's Pizza of DuBois, LLC, did not derive any revenues from franchisee

purchases or leases in 2021. Other than the rebates from purchases franchisees make from approved suppliers as described above, we do not provide any material benefit (such as renewing or granting additional franchises) to franchisees based on the purchase of particular products or services or use of approved suppliers.

You must also use in the operation of your franchise only those brands and models of equipment, fixtures, furniture, and signs that meet our specifications and are obtained from approved suppliers. Our specifications include standards for design, appearance, function, performance, serviceability and warranties. Specifications and standards are available to franchisees who submit a written request. In the year ending December 31, 2021, our revenues from the sale of equipment, uniforms and business forms to our franchisees was \$0 of our total revenues of \$455,289.00, which amount is included in the combined total revenues of \$3,317,939 of Buck's Pizza Franchising Corporation, Inc. and our affiliate, Buck's Pizza of DuBois, LLC. The cost of equipment, fixtures, furniture and signs purchased in accordance with our specifications represents approximately 70% of your total purchases in connection with the establishment of your restaurant. The cost of purchases and leases in accordance with our specifications represents approximately 70% of a franchisee's total purchases in the ongoing operation of a franchisee's restaurant. As of the date of this Disclosure Document, there are no purchasing or distribution cooperatives available to our franchisees.

Item 11

Franchisor's Assistance, Advertising, Computer Systems, and Training

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations. Before you open your business, we or our designee will:

1. Designate your exclusive territory (Franchise Agreement, Section 2A). You select your business site within your exclusive territory.
2. Assist you in site selection by providing you with guidelines concerning local competition, population density, and typical lease costs in your area. We must approve any lease for your location before you sign it (Franchise Agreement, Section 3A). In the event we cannot agree on your location after making good faith efforts to do so, we have the option in our sole discretion to terminate the franchise agreement and refund to you any fees paid.

3. Provide specifications for the equipment, fixtures and furniture to be used in your restaurant (Franchise Agreement, Section 3C).

4. Before, or within 6 months after you open your business, furnish an initial training program as described below in this Item 11 (Franchise Agreement, Section 5A).

5. Provide a representative to assist you with opening your business for such period of time as we deem necessary (Franchise Agreement, Section 3D).

6. Lend you 1 copy of our Operating Manual that contains mandatory and suggested specifications, standards and procedures for operating your restaurant. This manual is confidential and remains our property. We may modify this manual, but the modification will not alter your status and rights under the Franchise Agreement. (Franchise Agreement, Section 7). No modification of the Operating Manual will be made which would impose an unreasonable economic burden on you, or unreasonably increase your obligations, unless such modifications are required by law in the event of a pandemic or other public health emergency.

Typical length of time before opening. Franchisees typically open their businesses within 30 to 90 days after they sign a Franchise Agreement. The factors that affect this time period are the ability to obtain a lease; ability to obtain financing; ability to obtain building, zoning or other permits; compliance with local ordinances and restrictions; weather conditions; availability, delivery and installation of equipment, fixtures, and signs; and completion of required training.

Continuing Assistance. During the operation of the franchised business, we or our designee will:

1. Provide assistance and on the job training to you in operating your restaurant. This training consists of demonstrating all aspects of the operation of your restaurant and such other assistance and training as we think necessary to ensure the smooth opening and initial operation of your restaurant. BUCK'S shall provide such operational and promotional supervision and assistance to you at BUCK'S headquarters in DuBois, Pennsylvania as BUCK'S shall deem appropriate in connection with the opening of your restaurant. We are not obligated to provide this assistance to you for a specific period of time. (Franchise Agreement, Section 5B).

2. Suggest retail prices for items to be sold at your restaurant. However, you have the sole right to determine the prices actually charged. (Franchise Agreement, Section 6H).

3. Provide access to additional training at times, places and fees determined by us. (Franchise Agreement, Section 5A). Currently we do not have regularly scheduled additional training programs that must be attended by franchisees. At present, attendance at additional training is optional.

Advertising Programs. Buck's will make available to you advertising materials that we prepare internally. Materials available through us include newspaper and mailer inserts, banners, and coupons. We determine the cost of these items. You may develop advertising materials for your own use, at your own cost. These advertising materials must be completely factual and must conform to the highest standards of ethical advertising. You are not required to seek our approval before using most advertising materials you develop; provided, however, that any website you develop to promote or advertise your Buck's Pizza restaurant will be subject to our prior approval as described below. Any website will be deemed "advertising" under the Franchise Agreement and will be subject to our prior written approval and compliance with all provisions of the Franchise

Agreement concerning use of our trademarks. The term “website” means an interactive electronic document, contained in a network of computers linked by communications software, that you operate or authorize others to operate and that refers to Buck’s Pizza and/or the Buck’s Pizza system for doing business. This includes internet use and world wide web home pages. In connection with any website, you will be subject to the following rules: (i) you must submit to us a sample of the website format and information, including proposed electronic links to other websites, in the form and manner we may reasonably require, before you establish the website and make it available for public viewing and use; (ii) you must comply with our standards for websites as set forth in our operating manual or otherwise in writing; (iii) you must submit any proposed material revisions to your website, including electronic links to other websites, to us for our prior written approval; (iv) if we so request, you must establish your website as part of our website and/or establish electronic links to our website; and (v) immediately upon the termination or expiration of the Franchise Agreement for any reason, you must immediately take all necessary or appropriate action to remove all references to Buck’s Pizza, the franchised business and/or our trademarks, and take all other action reasonably requested by us to inform the public that you are no longer associated with Buck’s Pizza. This action may include changing the URL of your website to automatically forward public users to the Buck’s Pizza website.

Buck’s does not currently maintain a national advertising program and does not require franchisees to make contributions to any such fund. However, we reserve the right to implement a national advertising program and may require franchisees to make regular contributions to a fund established under such a program. If a national advertising fund is implemented, we will administer and maintain the fund with our sole discretion over the creative concepts, materials, endorsements, frequency, and type of media, and the placement and allocation of fund resources. The advertising fund will be used to meet all costs of maintaining, administering, directing and preparing national, regional or local advertising materials, programs and public relations activities, including the costs of preparing and conducting television, radio, magazine, billboard, newspaper, speeches, public appearances, trade shows, and video and audio tapes, and other media programs and activities. The advertising fund may be used to employ advertising agencies, public relations firms and individuals, as well as marketing and management consultants and specialists to assist you with all aspects of the advertising and marketing efforts of the Buck’s Pizza system. We do not promise that expenditures from the advertising fund will be proportionate or equivalent to your contribution or that any Buck’s Pizza franchisee will benefit directly or pro rata from this fund. (Franchise Agreement, Section 10).

The advertising fund, if implemented, may collect fees from all franchisees who sign Franchise Agreements on or after the date of this Disclosure Document. If implemented, the advertising fund will be accounted for separately from the other funds of Buck’s, and all payments to the advertising fund must be spent on advertising, promotion, development, public relations, administration and marketing of goods and services. If a national advertising fund is implemented, Buck’s does not intend to expend funds from the advertising fund for the promotion of franchise sales. We may spend in any fiscal year an amount greater or less than the actual contributions in that year and we may make interest-bearing loans to the advertising fund to cover any deficits of the fund and cause the fund to invest any surplus for future use. We do not promise to audit the fund. If you wish to obtain a periodic accounting once the fund is implemented, you must submit a written request to us. Within 30 business days of receiving your request, we will provide an unaudited financial statement indicating how amounts contributed to the fund have been spent. You may be required to contribute the amounts described in Item 6.

Electronic Cash Registers and Computer Systems. We suggest you use in the operation of your restaurant the computer hardware and software that we periodically specify and require. Currently, we require you to use the PrISM™ for Windows cash register and point-of-sale (“POS”) system (the “System”) available through Microworks POS Solutions, Inc. (“MPSI”). You will use the System for functions such as recording sales transactions, delivery mapping, accounting, business management, reporting, word processing and e-mail.

We have not approved any comparable equivalent computer and POS system. The System can be purchased from MPSI at 2112 Empire Boulevard, Suite 2A, Webster, NY 14580; contact Tim Frieda at 800-787-2068 x 120. The current cost of purchasing the System is approximately \$16,300. You must also secure a high-speed internet connection.

MPSI provides a user-support contract for a yearly subscription fee. This fee (after the first 12 months, which is free) is currently \$700 but is subject to change at MPSI’s discretion. Periodic software upgrades are also available from MPSI at a current cost of \$100 per POS station. The upgrade fee is also subject to change at the discretion of MPSI. We recommend, but do not require, that you purchase a user-support contract. We may, at our discretion, require you to upgrade the cash register/POS system at your expense in order to bring your restaurant into compliance with our system standards.

We have the right, as often as we deem appropriate, including on a daily basis, to access the computer systems that you must maintain in connection with the operation of your restaurant and to retrieve all information relating to your restaurant. There are no contractual limitations on our right to access data. (Section 6E, Franchise Agreement)

Training Program.

Before the restaurant opens, we will provide initial training on operating a Buck's Pizza restaurant to you and up to 2 of the restaurant's managers and/or assistant managers. We will train you for approximately 3 weeks at BUCK'S headquarters in DuBois, Pennsylvania, although training may be longer depending on the attendees' skills, experience and needs. This initial on-the-job training is mandatory and must be attended by the franchisee and its principals. The initial on-the-job training program must be completed to our satisfaction. We will help you and provide you on-site support at the restaurant for up to 2 weeks during its opening period. In addition to the initial training program, your Initial Franchise Fee entitles you to an additional classroom training program, which we will provide at your request. The duration of the classroom training is one day. All classroom training takes place at our headquarters in DuBois, Pennsylvania. You must pay all of your own travel and living expenses incurred in attending this training. We may also provide periodic training classes for franchisees at a cost we will determine. We reserve the right to require you to attend any such periodic training courses, and you must pay all your own travel and living expenses incurred in attending such training, as well as our cost of providing such training.

In addition to training provided by Buck's, you will be responsible for meeting the food safety education and certification requirements in your local area, including all costs and fees involved in meeting those requirements. In most locations, such requirements may be met through the ServSafe ® certification programs provided by the National Restaurant Association Educational Foundation.

We reserve the right to modify our initial training program and any ongoing training, whether in the classroom or on-site, to comply with all applicable government laws, regulations and guidelines in the event of a pandemic such as COVID-19 or other public health emergency.

Our training program is conducted by Lance Benton, Nathan Benton, Joshua Benton, or one of our management team. Lance Benton opened his first pizza shop in 1977. He was a multi-unit

operator and subsequently advised, trained and assisted others in all areas of operation, including management of employees, cost of goods and all other operational aspects of the restaurant. Nathan Benton has been involved in various aspects of pizza shop operations since 1985 and has accumulated experience in all training categories. Joshua Benton graduated in 2000 with a degree in civil engineering and worked in that field until joining us in February of 2003.

Training materials consist of our Operating Manual, demonstrations, hands-on practice, and other materials.

Item 12

Territory

You will receive an exclusive territory. Your territory is determined by us based on various factors including geography, population density, political borders, and ability to deliver to patrons in the area. Your ability to deliver to patrons in the area is determined by population density, traffic patterns and the amount of time necessary to deliver orders. There is no minimum territory.

You will operate from a single location within your territory. You will select the location for your restaurant but we must approve the location you select and any lease for the location. You must obtain our approval before relocating. We will approve the relocation of your restaurant if you are in compliance with the franchise agreement, the proposed new location meets our current site selection criteria, and you bear the cost of relocation. As long as you are not in default under your franchise agreement, we will not operate restaurants or grant franchises for a similar or competitive business using our trademark within your territory. We are not restricted from establishing other franchises or company-owned outlets or other channels of distribution, including the internet, selling similar products or services in your territory under a different trademark. However, we have no plans to do so at this time. We need not provide compensation to you in the event we solicit or accept orders within your territory under a different trademark. You will not be restricted in soliciting sales or accepting orders from any area or category of customer. You do not receive the right to acquire additional franchises within your territory.

There is no minimum sales quota. So long as you are not in default under your Franchise Agreement, you will retain rights to your territory even if the population increases.

Item 13

Trademarks

Buck's grants you the non-exclusive right to operate a restaurant under the name "BUCK'S PIZZA". You may also use our other current or future trademarks to operate your restaurant. By "trademark", Buck's means trade names, trademarks, service marks, logos and other commercial symbols used to identify your restaurant. Buck's principal trademark, "Buck's Pizza", is registered on the principal register of the United States Patent and Trademark Office.

Registration was issued on July 22, 1997 (Registration number 2,082,092) in international class 42. We filed a Declaration of Use and Declaration of Incontestability with the United States Patent and Trademark Office on October 10, 2002, which were accepted and acknowledged on August 2, 2005. We filed a Declaration of Use of Mark in Commerce and Application for Renewal of Registration on October 20, 2006, both of which were accepted on January 9, 2007. We filed a Combined Declaration of Use/Application for Renewal of Registration on November 17, 2016, which was accepted on January 26, 2017. We intend to file all additional required affidavits and declarations in due course. In addition, registration was issued on October 9, 2007 (Registration number 3305385) in international class 30. We filed a Combined Declaration of Use and Incontestability Under Sections 8 and 15 on June 5, 2013, which was accepted on June 18, 2013. We filed a Combined Declaration of Use/Application for Renewal of Registration on November 17, 2016, which was accepted on February 6, 2017. We intend to file all additional required affidavits and declarations in due course.

You must follow our rules when you use our trademarks. You cannot use our trademarks as part of a corporate name, internet domain or e-mail name, or with modifying words, designs or symbols. You may not use our trademarks in connection with the sale of any unauthorized product or service or in any other manner not authorized by us in writing. Your usage of our trademarks and any goodwill established by your use is to our exclusive benefit and you retain no right in our trademarks when the franchise is terminated or expires.

There are no currently effective material determinations of the United States Patent and Trademark Office, Trademark Trial and Appeal Board, the Trademark Administration of this state or of any court of which we are aware concerning our trademarks. We are not aware of any pending infringement, opposition or cancellation or pending material litigation involving our trademarks. There are no agreements currently in effect that significantly limit our rights to use or license the use of the trademarks in a manner material to the franchise.

You must notify us immediately when you learn about an infringement of or challenge to your use of our trademarks. We will take the action we think appropriate. If we decide to take action to enforce our rights to the trademarks, we have the right to control the litigation or administrative proceedings involved, and you must cooperate with us in the proceedings. If we do not decide to take this action, we may, in our discretion, authorize you in writing to institute such action. If you initiate such action, you must do so at your own expense. The Franchise Agreement does not require us to participate in your defense or to indemnify you for expenses or damages if you are made a party to a proceeding involving our trademarks. You must modify or discontinue the use of our trademarks if we modify or discontinue them, and we have the right to require you to adopt and use different trademarks. You will not have any right to compensation or otherwise under the Franchise Agreement if we require you to modify or discontinue using our trademark.

We do not actually know of either superior prior rights or infringing uses that could materially affect your use of our principal trademarks, except as follows:

William E. Buchholz, 219 Cottage Grove Road, Madison, Wisconsin 53716 is currently doing business as Buck's Pizza at two locations in Madison, Wisconsin: 219 Cottage Grove Road and 525 S. Midvale Road. Mr. Buchholz registered the trademark "Buck's Pizza" with the state of Wisconsin effective July 2, 1997, at which time only the 219 Cottage Grove Road location was in operation. We believe that our federally registered principal trademark gives us the right to use the Buck's Pizza name in the state of Wisconsin outside the area in which Mr. Buchholz originally conducted business. We have been in discussions with Mr. Buchholz to resolve this matter in an amicable manner. We are not currently marketing franchise opportunities or selling franchises in Madison, Wisconsin.

Item 14

Patents, Copyrights, and Proprietary Information

No patents or copyrights are material to the franchise. We consider the Operations Manual, recipes, and related materials to be proprietary and confidential, to be used only as described in the Franchise Agreement. We claim copyrights in the Operations Manual, advertising and marketing materials, and similar items used in operating the franchise. We have not registered these copyrights with the United States Registrar of Copyrights but need not do so to protect them. You may use these items only as we specify while operating your franchise (and must stop using them if we so direct you).

Item 15

Obligation to Participate in the Actual Operation of the Franchise Business

You, or a qualified manager hired by you, must conduct the day-to-day operations of your restaurant. You must, even if you hire a manager for your restaurant, thoroughly familiarize yourself with the standards and methods of operating your restaurant, and you must complete our mandatory training program as described in Item 11. You must not rely on the efforts of others in order to derive profit from your restaurant. If you hire management personnel to conduct the day-to-day operations of your restaurant, such personnel must sign a Confidentiality Agreement in the form attached as Exhibit B to the Franchise Agreement. If you are a corporation, limited liability company or partnership, we do not require that your management personnel own an equity interest in the entity.

Item 16

Restrictions on What the Franchisee May Sell

You must offer all menu items and services that we designate as required for all franchisees. We have the right to add additional menu items and services that you must offer. There are no limits on our right to add these additional menu items and services. You may not offer for sale any product or services that we have not approved. You are not restricted from soliciting any customers, no matter who they are or where they are located.

Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides that actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Buck's Pizza Franchising Corporation, Inc. FDD

EXHIBIT A

FRANCHISE AGREEMENT

BUCK'S PIZZA FRANCHISING CORPORATION, INC.
FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (this "Agreement") is made by and between BUCK'S PIZZA FRANCHISING CORPORATION, INC., a Pennsylvania corporation ("BUCK'S") and

_____,
whose principal address is

_____ ("Franchisee")
and shall become effective as stated in Section 2A hereof.

1. PREAMBLES

BUCK'S has developed a concept of restaurants specializing in the sale of pizza, submarine sandwiches, pasta dishes, chicken wings and tenders, salads, beverages and other items by carry-out, home delivery and sometimes dine-in, which are operated with uniform formats, signs, equipment, layout, systems, methods, procedures and designs, and are known as "BUCK'S PIZZA" restaurants. BUCK'S is the sole owner of the right, title and interest together with all goodwill associated with the trade name and service mark "BUCK'S PIZZA" and associated logos and such other trademarks, service marks, logos and commercial symbols as may be designated by BUCK'S in writing (the "Marks"). BUCK'S has developed through the expenditure of considerable money, time and effort, a body of knowledge pertaining to the establishment and operation of such restaurants using proprietary recipes, formulas, food preparation procedures, business methods and policies. Franchisee acknowledges that it does not presently know these recipes, formulas, food preparation procedures, business methods or policies, nor does Franchisee have access to such body of knowledge. BUCK'S grants to qualified persons franchises to own and operate such restaurants offering the products and services authorized and approved by BUCK'S and utilizing its business systems, formats, methods, specifications, standards, operating procedures, operating assistance and Marks. Franchisee has applied to BUCK'S for a franchise to operate a restaurant within the territory as defined in Section 2.A. hereof and to use the Marks in the operation thereof. Such application has been approved by BUCK'S in reliance upon all of the representations made therein.

Franchisee understands the risks of being in business and the risks of operating a Buck's Pizza franchise, and is able to bear such risks. Franchisee acknowledges that the success of the business to be operated by it under this Agreement depends primarily upon its efforts and abilities and the services of those it chooses to employ. Other factors beyond the control of either Franchisee or BUCK'S affecting success include, but are not limited to, competition, interest rates, economic conditions, government policies, weather, consumer trends, inflation, labor costs, lease terms, market conditions, and other conditions which may be difficult to anticipate, assess or identify.

A. Grant of Franchise; Term

Subject to the provisions of this Agreement, BUCK'S hereby grants to Franchisee, and Franchisee hereby accepts, the right to operate a BUCK'S PIZZA restaurant (the "Restaurant"), and further grants to Franchisee an exclusive license to use the Marks in the operation thereof within the boundaries of _____ (the "Territory") for a term of ten (10) years, commencing on the date this Agreement is signed by BUCK'S (the "Term"). The rights granted to Franchisee from BUCK'S pursuant to this Agreement, including the license of the Marks, shall be known as the "Franchise". Termination or expiration of this Agreement shall constitute the termination or expiration of the Franchise.

B. Renewal of Franchise

Franchisee shall have the right to renew the Franchise for an additional term of ten (10) years, subject to satisfaction of each of the following conditions:

(i) Franchisee shall have demonstrated to BUCK'S satisfaction its ability to maintain possession of the premises on which the Restaurant is located pursuant to an extension or renewal of the lease for the Restaurant;

Franchisee acknowledges that BUCK'S approval of a proposed site and any information furnished to Franchisee regarding any proposed site shall not constitute a representation or warranty of any kind, express or implied, as to the suitability of the proposed site for a BUCK'S PIZZA restaurant, and BUCK'S approval of such site merely indicates that the site meets the current standard site selection criteria. If Franchisee fails or refuses to initiate within five (5) days after receipt of such notice, and thereafter continue, a bona fide program to undertake and complete any such required maintenance within the timetable set by BUCK'S, such failure or refusal shall be considered a breach entitling BUCK'S to terminate the Franchise. BUCK'S may from time to time suggest retail prices to Franchisee for the products and services of the Restaurant. Franchisee, however, shall have the sole right to determine the prices to be charged from time to time by the Restaurant and no such guidance from BUCK'S shall be deemed or construed to impose upon Franchisee any obligation to charge any fixed, minimum or maximum prices for any product or service offered for sale by the Restaurant. No employee or representative of BUCK'S has the authority to modify or abrogate the provisions of this Paragraph.

Franchisee shall at all times during the Term maintain in force, at its sole expense, public and product liability and general casualty insurance (including fire and extended coverage) with coverage of a minimum of one million dollars (\$1,000,000), "non-owned auto" motor vehicle liability insurance with coverage of a minimum of one million dollars (\$1,000,000), workman's compensation, and such other insurance as BUCK'S requires, under one or more policies of insurance and issued by insurance carriers meeting the minimum classification from time to time prescribed by BUCK'S. All public and product liability and motor vehicle liability insurance policies shall name BUCK'S as an additional insured and shall provide notification to BUCK'S in the event of their cancellation or material alteration. Franchisee shall at all times

operate the Restaurant strictly in accordance with the Operating Manual. Franchisee acknowledges that all requirements and information contained in the Operating Manual, including periodic amendments and modifications thereto, are necessary and reasonable to preserve the identity, reputation and goodwill developed by BUCK'S and the value of the Franchise. The entire contents of the Operating Manual shall remain confidential and the property of BUCK'S, and Franchisee shall not copy the Operating Manual or any portion thereof or permit others to do so. BUCK'S shall have the right to add to and otherwise amend or modify the Operating Manual from time to time, if deemed necessary by BUCK'S to improve the standards of service, product quality or the efficient operation of the Restaurant, to protect or maintain the goodwill associated with the Marks or to meet competition, provided that no such addition or modification shall alter Franchisee's fundamental status and rights under this Agreement. Franchisee shall comply with all provisions of the Operating Manual as amended or modified from time to time. Franchisee's failure to comply with the Operating Manual shall be deemed a breach of this Agreement, and, at the option of BUCK'S, this Agreement shall be subject to termination in accordance with the provisions of Section 14 hereof.

8. RESPONSIBILITIES OF AREA DIRECTOR

BUCK'S reserves the right to retain the services of an area director ("Area Director") or other representative in the Territory. In such event, the Area Director or other representative, on behalf of BUCK'S, will perform such sales, assistance, and/or supervisory services directed by BUCK'S. Franchisee agrees in advance to any such delegation and assignment by BUCK'S or any portion or all of BUCK'S obligations and rights under this Agreement. Franchisee also acknowledges that it is not a third party beneficiary of any Area Director Marketing Agreement or other agreement between BUCK'S and any Area Director or other representative.

Franchisee shall maintain the absolute confidentiality of all such information during and after the Term, disclosing such information to its employees only to the extent necessary for the operation of the Restaurant in accordance with this Agreement, and shall not use any such information in any other business or in any manner not specifically authorized or approved in writing in advance by BUCK'S. Franchisee agrees never unreasonably to contest the validity of BUCK'S exclusive ownership of and right to such trade secrets, including without limitation such recipes and formulae, whether now existing or hereafter acquired or invented, used or developed, by BUCK'S and/or Franchisee. Franchisee acknowledges that any new concept, process or improvement or any slogan developed by it in the operation or promotion of the Restaurant becomes the sole property of BUCK'S. Any management personnel hired by Franchisee to manage the day-to-day operations of the Restaurant shall be required by Franchisee to execute the Confidentiality Agreement attached hereto as Exhibit B, and Franchisee shall take all reasonable precautions to prevent its employees and others from doing any act which would violate this Section.

B. National Advertising Fund

Franchisee may be required to pay to BUCK'S an advertising fee of up to two percent (2%) of Franchisee's gross sales on a weekly basis to be used exclusively for the development, marketing, promotion and placement of advertising in various media for the benefit of the Buck's Pizza franchise system. If such advertising program is implemented, BUCK'S will maintain and administer the advertising fund using its sole discretion. Franchisee's right to use the Marks is derived solely from this Agreement and is limited to the operation of the Restaurant in compliance with this Agreement in the Territory, and by all mandatory standards, specifications and operating procedures prescribed by BUCK'S from time to time during the Term. All usage of the Marks by Franchisee and any goodwill established thereby shall inure to the exclusive benefit of BUCK'S. Franchisee shall not at any time during or after the Term hereof contest the validity or ownership of the Marks or assist any other person in contesting the validity or ownership of the Marks. After the termination or expiration of the Franchise, Franchisee shall not directly or indirectly at any time or in any manner identify itself, any restaurant or any other business as a

B. Limitations on Franchisee's Use of Marks

Franchisee shall use the Marks in full compliance with rules prescribed from time to time by BUCK'S, and Franchisee acknowledges that BUCK'S right to regulate the use of the Marks includes, without limitation, any use of the Marks in any form of electronic media. Franchisee shall not use any Marks as part of any corporate name, internet domain or "e-mail" name, or with any prefix, suffix or other modifying words, terms, designs or symbols (other than logos licensed to Franchisee hereunder and the notation specified in Paragraph C of this Section 12), nor shall Franchisee use any Marks in connection with the sale of any unauthorized product or service or in any other manner not expressly authorized in writing by BUCK'S.

C. Notations

Franchisee agrees that when the Marks are affixed to the pizza products, sandwiches, salads and products related thereto or to accompanying packaging or point of sale displays, or used in advertising or promotional materials, the Marks shall be accompanied by either of the following: (a) the registered service mark notice (a circled "R") immediately following the use of the Mark; or (b) an asterisk immediately following the use of the Mark and the following legend, preceded by an asterisk, printed on or in such packaging, displays, advertisements and materials: “*Registered service marks of Buck's Pizza Franchising Corporation, Inc.” A suitably abbreviated form of the notation, approved by BUCK'S, may be used where space restrictions so require.

BUCK'S shall be entitled to retain the full proceeds of any action undertaken by BUCK'S to protect and defend its rights in and to the Marks. Franchisee shall communicate only with BUCK'S counsel regarding any action hereunder, and Franchisee shall cooperate with BUCK'S and lend whatever assistance BUCK'S or its counsel may deem necessary or advisable to protect, defend, and/or maintain the interests of BUCK'S in any litigation or other proceeding, or otherwise to protect, defend, and/or maintain the interests of BUCK'S in the Marks.

Such inspections shall be made at BUCK'S expense, provided that if BUCK'S is required to make two (2) inspections in connection with Franchisee's repeated or continuing failure to comply with this Agreement, or if any inspection reveals that reported sales for any calendar year are less than ninety-eight percent (98%) of the actual sales for that period, Franchisee shall pay promptly to BUCK'S all costs of making all further inspections in connection with such failure to comply, and all costs of the investigation that revealed such underreporting of sales, including without limitation travel expenses, room, board and compensation of BUCK'S employees or agents. In addition to the foregoing, Franchisee shall permit BUCK'S authorized personnel to enter the Restaurant at all reasonable times, with or without advance notice, to inspect and test all of the products produced for sale under the Marks for the purpose of determining the quality of such products.

A termination of this Agreement and the Franchise by Franchisee without complying with the foregoing requirement or for any reason other than BUCK'S breach of this Agreement and failure to cure such breach within thirty (30) days after receipt of written notice specifying the breach shall be deemed a termination by Franchisee without cause and not in accordance with the provisions of this Agreement, and, at BUCK'S option, shall be deemed invalid.

- (d) is convicted, or if any officer, director or partner of Franchisee is convicted of a felony, a crime involving moral turpitude, or commits any act that BUCK'S determines is reasonably likely to have an adverse effect on the Marks, the goodwill associated therewith, or BUCK'S interest therein;
- (e) fails to comply with the in-term covenant against competition;
- (f) discloses the contents of the Operating Manual or any trade secrets or other confidential information provided to Franchisee by BUCK'S, except in the manner permitted by this Agreement and by the Operating Manual;
- (g) fails for any reason, including strikes by labor organizations or the placement of picket lines, to continuously and actively operate the Restaurant;
- (h) suffers cancellation of or fails to renew or extend the lease or sublease for or otherwise fails to maintain possession of the premises occupied by the Restaurant and fails to secure suitable alternative premises approved by BUCK'S within fifteen (15) days of such cancellation or failure to renew or extend;
- (i) fails to pay, when due, any royalty fee or make other payments to BUCK'S, or make payments to other suppliers of the Restaurant;
- (j) intentionally understates or underreports gross sales;
- (k) violates any health, safety, child labor or sanitation law, ordinance or regulation or operates the Restaurant in a manner that presents a health or safety hazard to its customers, employees or the public;
- (l) makes an unauthorized assignment of this Agreement, the Franchise or ownership of Franchisee;
- (m) has made any material misrepresentation on its application for the Franchise; or
- (n) commits any one of the curable breaches listed in the immediately following paragraph more than once during any twelve-month period.

(2) With opportunity to cure. BUCK'S may, at its option, terminate this Agreement after providing written notice of any of the following events of breach or default to Franchisee and providing Franchisee with thirty (30) days to cure such breach or default. If Franchisee fails to cure the breach or default within such time in a manner reasonably acceptable to BUCK'S, BUCK'S may, at its option, send a notice of termination to Franchisee upon the expiration of the foregoing thirty (30) days, which notice shall become effective three (3) business days after being sent by certified mail, return receipt requested, if Franchisee:

- (a) fails to make any payment upon any evidence of indebtedness to BUCK'S when due;
- (b) defaults in the performance of any of its obligations or covenants under this Agreement or any other agreement between it and BUCK'S, other than as set forth above in Section 14B(1); or
- (c) fails to operate its business in compliance with the provisions of the Operating Manual, as amended or modified from time to time.

15. RIGHTS AND OBLIGATIONS UPON TERMINATION OR EXPIRATION

A. Payment of Amounts Owed to BUCK'S

Franchisee shall pay to BUCK'S within seven (7) days after the effective date of termination or expiration of the Franchise such Royalty Fees, amounts owed for products purchased by Franchisee from BUCK'S or any affiliated company, and all other amounts owed to BUCK'S and any affiliated company which are then unpaid. In the event of termination for any default by Franchisee, such sums shall include all damages, costs and expenses, including reasonable attorneys' fees, incurred by BUCK'S as a result of the default, which obligations shall give rise to and remain, until paid in full, a lien in favor of BUCK'S against any and all of the assets of the Franchise at the time of default.

B. Return of Manuals and Information/Nondisclosure

Upon termination or expiration of the Franchise, Franchisee shall not use, or disclose to others, anything in the Operating Manual or any trade secret, operating instruction, or business practice of BUCK'S. At Franchisee's sole expense, Franchisee shall return to BUCK'S the Operating Manual, all copies, summaries and extracts from it, all amendments and modifications to it, and all other material containing any trade secret, operating instruction, or business practice of BUCK'S relating to the operation of the Restaurant, all of which are acknowledged to be trade secrets of BUCK'S. These trade secrets, operating instructions, and business practices include, without limitation, uniform standards, specifications, policies, and procedures for BUCK'S PIZZA restaurants, whether in print or electronic form. Franchisee shall deliver to BUCK'S a full and complete copy of all data recorded using the System, which includes, by way of example and without limitation, customer lists, bookkeeping records and financial information. Franchisee agrees that all such data shall be the property of BUCK'S and that BUCK'S shall have the right to access, retrieve and remove all such data from the System. Franchisee shall retain no copy or record of any of the foregoing, except for Franchisee's copy of this Agreement, any correspondence between the parties, and any other documents Franchisee reasonably needs for compliance with applicable laws.

C. Cancellation of Assumed Names/Transfer of Telephone Numbers/Internet Presence

Franchisee shall upon termination or expiration of the Franchise take all actions as may be necessary or be required to cancel all assumed name or equivalent registrations relating to its use of any Marks, as well as transfer to BUCK'S or its designee, at Franchisee's sole expense, all rights which Franchisee has in any telephone numbers and all classified and other directory listings for the

Restaurant. Franchisee acknowledges that as between BUCK'S and Franchisee, BUCK'S has the sole rights to and interest in all telephone numbers and directory listings associated with any Marks and authorizes BUCK'S to direct the telephone company and all listing agencies to transfer same to BUCK'S or its designee, should Franchisee fail or refuse to do so, and the telephone company and all listing agencies may accept such direction, or this Agreement, or any Conditional Assignment of Telephone Number, Telephone Listings and Internet Presence in the form attached as Exhibit C and executed prior to the date of termination, as conclusive of the exclusive rights of BUCK'S in such telephone numbers and directory listings and its authority to direct their transfer, and Franchisee releases and indemnifies these companies from any damage or loss because they follow BUCK'S instructions. Upon execution of this Agreement or at any time thereafter, Franchisee shall execute any written authorizations or preapproved authorizations in such form as BUCK'S may prescribe directing the telephone company and any listing agencies to transfer all telephone numbers and directory listings to BUCK'S or its designee upon the occurrence of any termination or expiration of the Franchise. In addition, if applicable, Franchisee shall take such action as may be required to remove from the Internet all sites referring to Franchisee's former BUCK'S PIZZA franchise or any of the Marks and to cancel or assign to BUCK'S or its designee all rights to any domain names for any sites on the Internet that refer to Franchisee's former BUCK'S PIZZA franchise or any of the Marks.

D. Signs and Appearance of the Premises

Upon the relocation, termination or expiration of the Franchise, Franchisee shall at its sole expense immediately make such removals or changes in signs and colors as BUCK'S shall reasonably request so as to distinguish effectively said premises from their former appearance and from any other BUCK'S PIZZA restaurant. If Franchisee shall fail to make such changes forthwith, then BUCK'S may enter upon such premises and make such changes at Franchisee's sole expense and BUCK'S conduct shall not be considered a trespass nor shall BUCK'S be held liable for any damages as a result thereof. BUCK'S shall have the option, but shall not be obligated, to purchase the signs of the Restaurant, and other tangible items in usable form bearing the Marks within fifteen (15) days after the effective date of termination or expiration of the Franchise, at a price equal to their fair market value.

E. Franchisee's Covenants Not To Compete

Franchisee shall not during the Term have any direct or indirect interest as an owner (except of companies whose securities are publicly traded and listed), partner, director, officer, employee, consultant, investor, franchisor, franchisee, guarantor, representative or agent, or in any other capacity, in any other restaurant or business selling pizza, sandwiches, salads or other similar food products (except other Restaurants operated under franchise agreements heretofore or hereafter entered into between Franchisee and BUCK'S) without the prior written approval of BUCK'S. If this Agreement expires or the Franchise is terminated for any reason, Franchisee shall not for a period of two (2) years commencing on the effective date of termination or expiration of the Franchise, have any direct or indirect interest as an owner (except of companies whose securities are publicly traded and listed), partner, director, officer, employee, consultant, investor, franchisor, franchisee, guarantor, representative or agent, or in any other capacity, in any other restaurant or business selling pizza, sandwiches, salads or other similar food products located within a radius of five (5) miles of the Restaurant or of any other BUCK'S PIZZA restaurant.

F. BUCK'S Option To Purchase Restaurant

Upon the termination or expiration of the Franchise, except upon termination by Franchisee for cause pursuant to Paragraph A of Section 14 hereof, BUCK'S shall have the option, exercisable for thirty (30) days, to purchase all of the assets of the Restaurant except delivery vehicles (the "Assets"). The purchase price for the Assets shall be their fair market value at the time of termination or expiration. The purchase price for the Assets shall be paid in three (3) equal installments payable thirty (30), sixty (60) and ninety (90) days after the date of purchase by BUCK'S, without interest. At the closing of the purchase of the Assets, Franchisee and BUCK'S shall each execute and deliver all documents necessary to vest title in BUCK'S or its nominee free and clear of all liens and encumbrances, except those assumed by BUCK'S.

G. Continuing Obligations

All obligations of BUCK'S and Franchisee which expressly or by their nature survive the expiration or termination of the Franchise, including without limitation the provisions set forth in Section 9 and Section 15 of this Agreement, shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of the Franchise and until they are satisfied in full or by their nature expire.

16. ASSIGNMENT, SALE, TRANSFER AND ENCUMBRANCE

A. By BUCK'S

The rights, duties and obligations of BUCK'S hereunder shall be fully assignable by BUCK'S and shall inure to the benefit of any assignee or other legal successor to the interest of BUCK'S herein. The provisions of this Agreement shall inure to the benefit of and be binding upon BUCK'S representatives, successors, heirs and assigns.

B. Franchisee May Not Sell, Assign or Transfer Without Approval

This Agreement and the Franchise are personal to Franchisee and neither this Agreement, the Franchise, nor any part of the ownership of Franchisee (which shall mean and include voting stock, securities convertible thereto, proprietorship and general partnership interests) may be voluntarily, involuntarily, directly or indirectly sold, assigned or otherwise transferred or encumbered by Franchisee or its owners (if applicable) (including, without limitation, by will, declaration of or transfer in trust or the laws of intestate succession) without the prior written approval of BUCK'S, and any such assignment, transfer or encumbrance without such approval shall constitute a breach hereof. This Agreement does not give Franchisee the right to grant a subfranchise or similar right.

C. BUCK'S Approval of Assignment

If Franchisee is in full compliance with this Agreement, permission to sell, assign or otherwise transfer this Agreement, the Franchise, or all or any part of the ownership of or in Franchisee, shall not be unreasonably withheld by BUCK'S, subject to satisfaction of all of the following conditions:

- (1) The proposed transferee shall assume all of Franchisee's obligations incurred in connection with this Agreement, and, if the proposed transferee is a corporation, partnership or other business entity, the proposed transferee's owners shall guarantee such obligations.
- (2) Franchisee or the proposed transferee shall pay all fees and other amounts owned to BUCK'S or its affiliates which are then due and unpaid.
- (3) The proposed transferee shall have sufficient business experience, aptitude and financial resources to own and operate the Restaurant and otherwise meet all of BUCK'S requirements for new franchisees then in effect.
- (4) The lessor or sublessor of the Premises shall have consented to the lease or sublease of the premises on which the Restaurant is located to the proposed transferee, if such consent is required by the terms of the lease or sublease.
- (5) The proposed transferee (including without limitation any transferee proposing to acquire all or any part of the ownership interest of or in Franchisee) shall have executed BUCK'S then-current form of franchise agreement, and all ancillary agreements then used by BUCK'S in the grant of licenses for BUCK'S PIZZA restaurants.
- (6) Franchisee or the proposed transferee shall have completed or agreed to complete any cleaning, repair, remodeling, upgrading, painting or decoration of the Restaurant as required by BUCK'S.
- (7) Franchisee or the proposed transferee shall pay to BUCK'S a transfer and training fee in the amount of Five Thousand Dollars (\$5,000).
- (8) Franchisee and its owners shall execute a general release, in form satisfactory to BUCK'S, releasing BUCK'S and each of its affiliates, officers, directors, shareholders, employees and agents from liability which may arise out of or in connection with this Agreement or Franchise.
- (9) If the proposed transferee already owns one or more BUCK'S PIZZA restaurants, such Franchisee shall be in full compliance with Franchisee's existing franchise agreements with respect thereto and all other agreements then in effect between the proposed transferee and BUCK'S or its affiliates.
- (10) Franchisee shall have entered into an agreement with BUCK'S providing that all obligations of the proposed transferee to make installment payments of the purchase price or interest thereon to Franchisee or to any of Franchisee's owners shall be subordinate to the obligations of the transferee to comply with all of its obligations to BUCK'S and its affiliates.

D. Sale, Assignment or Transfer to Partnership, Corporation or Other Entity

If Franchisee is in full compliance with this Agreement, Franchisee may assign this Agreement and the Franchise to a corporation, partnership or other business entity, subject to BUCK'S prior written approval. BUCK'S will not unreasonably withhold its approval to such assignment, subject to the following conditions: (i) the proposed assignee shall be actively managed by Franchisee; (ii) Franchisee shall own or control all of the equity and voting power of the proposed assignee; (iii) the proposed assignee shall conduct no business other than the Restaurant and other BUCK'S PIZZA

Restaurants under franchise agreements with BUCK'S; (iv) all shareholders, partners and other owners of the proposed assignee shall personally guarantee the performance of this Agreement by signing the guaranty which is attached hereto as Exhibit A and agreeing to be bound jointly and severally by all provisions hereof. The signatories to this Agreement from time to time represent and warrant that: (i) they are the proprietors of Franchisee; or (ii) they are all of the persons required to sign the Guaranty pursuant to this Paragraph. If Franchisee is or becomes a corporation, partnership or other business entity, all issued and outstanding stock certificates of such corporation or other evidence of ownership interest shall bear a legend reflecting or referring to the restrictions of this Section 16.

E. BUCK'S Right Of First Refusal

If Franchisee or the owners of Franchisee propose to sell the Restaurant (or its assets) or part or all of the ownership of Franchisee, Franchisee or its owners shall obtain and deliver a bona fide, executed written offer to purchase same to BUCK'S, which shall, for a period of thirty (30) days from the date of delivery of such offer, have the right, exercisable by written notice to Franchisee or its owners, to purchase the Restaurant (or its assets) or such ownership interest for the price and on the terms and conditions contained in such offer, provided that BUCK'S may substitute the cash equivalent of any form of payment proposed in such offer. If BUCK'S does not exercise this right of first refusal, the offer may be accepted by Franchisee or its owners, subject to the prior written approval of BUCK'S as provided in this Section 16, provided that if such offer is not so accepted within thirty (30) days of the date thereof, BUCK'S shall again have the right of first refusal herein described. This Paragraph shall not apply to transfers described in Paragraph D of this Section 16.

17. ENFORCEMENT

A. Judicial Enforcement, Injunction and Specific Performance

The parties acknowledge and agree that the rights of Franchisee under this Agreement are of a specialized and unique character and that irreparable damage will result to BUCK'S if Franchisee fails or refuses to perform its obligations under this Agreement. Therefore, in addition to any other rights which it may have at law or in equity, BUCK'S shall be entitled, without bond when the law permits, or with bond in compliance with the law, to temporary and permanent injunctions and orders of specific performance enforcing the provisions of this Agreement relating to Franchisee's use of the Marks, BUCK'S confidential and proprietary information, the obligations of Franchisee upon termination or expiration of this Agreement, and the sale, transfer or assignment of the Franchise, the Restaurant or Franchisee, or any interest in any of them, and to prohibit any act or omission by Franchisee which constitutes a breach of this Agreement or a violation of any applicable law, ordinance or regulation, or which is dishonest or misleading to customers or prospective customers of the Restaurant, or to other restaurants operated by BUCK'S franchisees, or constitutes a danger to employees or customers of the Restaurant, or to the public, or may impair the goodwill associated with the Marks and BUCK'S PIZZA restaurants. If BUCK'S secures any such injunction or order of specific performance, Franchisee agrees to pay to BUCK'S, in addition to the actual damages sustained by BUCK'S as a result of Franchisee's breach or default, an amount equal to the aggregate of its cost of obtaining such relief, including, without limitation, reasonable attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, bond fees, other litigation expenses and travel and living expenses, and any damages incurred by BUCK'S in pursuing its rights and remedies hereunder or as a result of the breach of any such provision.

B. Governing Law

Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. 1051 et seq.), this Agreement and the Franchise shall be governed by the internal laws of the Commonwealth of Pennsylvania. The parties hereby consent to the exclusive jurisdiction and venue of the State and Federal Courts in Allegheny County, Pennsylvania, and the parties further agree that any judgment may be enforced in any other jurisdiction.

C. Severability and Substitution of Valid Provisions

All provisions of this Agreement are severable and this Agreement shall be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein and all partially valid and enforceable provisions shall be enforced to the extent valid and enforceable. If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination of or refusal to renew this Agreement than is required hereunder or the taking of some other action not required hereunder, or if under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any specification, standard or operating procedure prescribed by BUCK'S is invalid or unenforceable, the prior notice and/or other action required by such law or rule shall be substituted for the notice requirements hereof, or such invalid or unenforceable provision, specification, standard or operating procedure shall be modified to the extent required to be valid and enforceable. If any covenant in this Agreement which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited and/or length of time, but would be enforceable by reducing any part or all thereof, the parties agree that the same shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought. Such modifications to this Agreement shall be effective only in such jurisdiction and this Agreement shall be enforced as originally made and entered into in all other jurisdictions.

D. Waiver of Punitive Damages

Except with respect to Franchisee's obligation to indemnify BUCK'S pursuant to Section 18 of this Agreement, the parties agree that neither party shall be liable to the other for special, incidental, consequential or punitive damages, and agree that in the event of a dispute between the parties, the party making a claim shall be limited to recovery of any actual damages sustained by it, except to the extent such limitation of damages is prohibited by state or federal law or otherwise provided in this Agreement.

E. Limitations of Claims

Notice of any and all claims arising out of this Agreement or the relationship among BUCK'S, Franchisee and/or its owners must be made within one (1) year from the occurrence of the facts giving rise to such claim.

F. Costs and Attorneys' Fees

The party prevailing in a judicial proceeding or appeal thereof shall be awarded its costs and expenses including, but not limited to, reasonable accounting, paralegal, expert witness and attorneys' fees, whether incurred prior to, in preparation for or in contemplation of the filing of any written demand, claim, action, hearing or proceeding to enforce the obligations of this Agreement.

18. INDEPENDENT CONTRACTORS AND INDEMNIFICATION

BUCK'S and Franchisee are independent contractors. BUCK'S and Franchisee acknowledge and agree that the relationship created by this Agreement, and the relationship between Franchisee and BUCK'S, is not a fiduciary relationship nor one of principal and agent. Furthermore, BUCK'S has no relationship with Franchisee's employees, and no rights, duties, or responsibilities with regard to their employment by Franchisee. Franchisee shall conspicuously identify itself at the premises of the Restaurant and in all dealings with others as the owner of the Restaurant. Neither BUCK'S nor Franchisee shall make any agreements, representations or warranties in the name of or on behalf of the other or that their relationship is other than franchisor and franchisee. BUCK'S shall not be liable for any damages to any person or property arising directly or indirectly out of the operation of the Restaurant, including but not limited to those damages which may occur while Franchisee or its employees are making or returning from making deliveries or which may arise out of Franchisee's employment practices or relationships. Franchisee shall defend, indemnify and save harmless BUCK'S and its agents, representatives, shareholders, directors, officers and employees from and against all liability, injury, loss, cost (including attorneys' fees), damages and expense of any type that arises in connection with Franchisee's operation of the Restaurant, including but not limited to acts or omissions arising out of the maintenance or use of a motor vehicle or while making a delivery or returning from making a delivery. BUCK'S shall have no liability for any sales, use, excise, income, property or other taxes levied upon the Restaurant or its assets or in connection with the services performed or sales made or business conducted by the Restaurant. Franchisee shall indemnify BUCK'S against and shall reimburse BUCK'S for all such obligations, damages and taxes for which it is held liable and for all costs reasonably incurred by BUCK'S in the defense of any such claim brought against it or in any action in which it is named as a party, including, without limitation, reasonable attorneys' fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses. BUCK'S shall have the right to defend any such claim against it. The indemnities and assumptions of liabilities and obligations herein shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

19. MISCELLANEOUS

A. Waiver of Obligations

No acceptance by BUCK'S of any payment by Franchisee and no failure, refusal or neglect of BUCK'S or Franchisee to exercise any right under this Agreement or to insist upon full compliance by the other with its obligations hereunder or with any specification, standard or operating procedure or rule shall constitute a waiver of any provision of this Agreement.

B. Franchisee May Not Withhold Payments Due BUCK'S

Franchisee shall not, on grounds of the alleged nonperformance by BUCK'S of any of its obligations hereunder, withhold payment of any Royalty Fees, amounts due to BUCK'S for products purchased by Franchisee or any other amounts due BUCK'S.

C. Rights of Parties Are Cumulative

The rights of BUCK'S and Franchisee hereunder are cumulative and no exercise or enforcement by BUCK'S or Franchisee of any right or remedy hereunder shall preclude the exercise or enforcement by BUCK'S or Franchisee of any other right or remedy hereunder, at law or in equity.

D. Adaptations and Variances.

Complete and detailed uniformity under many varying conditions may not always be possible, practical, or in the best interest of BUCK'S. Accordingly, we have the right to vary the requirements for any franchisee based upon the circumstances of a particular franchisee, site or location, population density, business potential, existing business practice, competitive circumstance or any other condition that we deem to be of importance to the operation of such franchisee's business. We are not required to grant to you a like or other variation as a result of any variation from standard operations, specifications or requirements granted to any other franchisee. Franchisee acknowledges that it is aware that BUCK'S other franchisees operate under a number of different forms of agreement that were entered into at different times and that, consequently, the obligations and rights of the parties to other agreements may differ materially in certain instances from Franchisees' rights and obligations under this Agreement.

E. Binding Effect

This Agreement is binding upon the parties hereto and their respective executors, administrators, heirs, successors and permitted assigns; provided, however, that Franchisee may assign this Agreement only in accordance with Section 16 hereof.

F. Amendment/Modification

No amendment or other modification of this Agreement shall be valid or binding on either party hereto unless reduced to writing and executed by the parties hereto. However, BUCK'S reserves the right to modify the Operating Manual from time-to-time, in its sole discretion, and Franchisee shall comply with all such modifications.

G. Construction

The preambles, recitals and exhibits hereto are a part of this Agreement, which constitutes the entire agreement of the parties. There are no other oral or written understandings or agreements between BUCK'S and Franchisee relating to the subject matter of this Agreement. The headings of the several paragraphs hereof are for convenience only and do not define, limit or construe the contents of such paragraphs. Whenever this Agreement requires BUCK'S advance approval or consent, Franchisee shall make a timely written request for approval, and BUCK'S approval must be obtained in writing. Except where this Agreement expressly obligates BUCK'S reasonably to approve or not unreasonably to withhold its approval of any action or request by Franchisee, BUCK'S shall have the absolute right to refuse any request or to withhold its approval of any action or omission by Franchisee. If two or more persons are at any time the franchisee hereunder, whether or not as partners or joint venturers, their obligations and liabilities to BUCK'S shall be joint and several. References to "affiliate" herein shall mean any company directly or indirectly owned or controlled by BUCK'S that sells products or services or otherwise transacts business with Franchisee. The term "Franchisee" as used herein is applicable to one or more persons, a corporation or a partnership or other business

entity, as the case may be, and the singular usage includes the plural and the masculine and neuter usages include the other and the feminine.

H. Notices

All written notices permitted or required to be delivered by the provisions of this Agreement or of the Operating Manual shall be deemed so delivered three (3) days after being placed in the United States mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid and addressed to the party to be notified at its most current principal business address of which the notifying party has been notified.

I. Release

By signing this Agreement, Franchisee hereby acknowledges that neither Franchisee nor any of its owners has any claim of any type against BUCK'S, or any shareholder, director, officer, employee or agent of BUCK'S, and Franchisee and each of its owners (if applicable) hereby releases each of such parties from all claims, including any alleged breach of franchise or other laws, and any alleged breach of agreement, oral or written.

20. ACKNOWLEDGEMENTS. Franchisee acknowledges the following:

THE SUCCESS OF THE BUSINESS VENTURE BEING UNDERTAKEN BY FRANCHISEE BY VIRTUE OF THIS AGREEMENT IS NOT GUARANTEED AND SUCCESS IS DEPENDENT ON NUMEROUS VARIABLE FACTORS AND FRANCHISEE'S BUSINESS SKILL. FRANCHISEE ACKNOWLEDGES THAT NEITHER BUCK'S NOR ITS OFFICERS, EMPLOYEES OR AGENTS HAVE MADE ANY REPRESENTATIONS AS TO THE ACTUAL, AVERAGE, PROJECTED OR FORECASTED SALES, PROFITS OR EARNINGS OF FRANCHISEE.

FRANCHISEE HAS READ THIS FRANCHISE AGREEMENT, INCLUDING ALL EXHIBITS HERETO, AND BEEN ADVISED BY A REPRESENTATIVE OF BUCK'S TO DISCUSS THE PROVISIONS THEREOF WITH AN ATTORNEY OF FRANCHISEE'S CHOICE PRIOR TO ITS EXECUTION BY FRANCHISEE. FRANCHISEE HAS RECEIVED A COPY OF THIS AGREEMENT AND RELATED DOCUMENTS, FULLY COMPLETED, AT LEAST FOURTEEN (14) BUSINESS DAYS PRIOR TO ITS EXECUTION OR THE PAYMENT OR DEPOSIT OF ANY FUNDS BY FRANCHISEE TO BUCK'S.

FRANCHISEE HAS BEEN PROVIDED WITH AND HAS READ A FRANCHISE DISCLOSURE DOCUMENT AS REQUIRED BY THE FEDERAL TRADE COMMISSION AND APPLICABLE STATE LAW RELATING TO THE OFFER OF THE FRANCHISE GRANTED HEREIN AT LEAST FOURTEEN (14) BUSINESS DAYS PRIOR TO THE DATE HEREOF, OR BEFORE PAYMENT OF ANY CONSIDERATION. FRANCHISEE STATES THAT IT HAS CONDUCTED AN INDEPENDENT REVIEW AND INVESTIGATION OF THE BUSINESS ARRANGEMENT CONTEMPLATED BY THIS AGREEMENT, AND TAKEN ALL CONSULTATIONS WITH LEGAL AND FINANCIAL ADVISORS OF ITS OWN CHOOSING AND THAT IT DEEMS NECESSARY TO DETERMINE THAT IT IS LEGALLY AND FINANCIALLY PREPARED TO ASSUME THE RISKS INVOLVED IN BECOMING A FRANCHISEE OF BUCK'S.

FRANCHISEE IS AWARE THAT SOME PRESENT OR FUTURE FRANCHISEES OF BUCK'S MAY OPERATE UNDER DIFFERENT FORMS OF AGREEMENTS, AND CONSEQUENTLY THAT FRANCHISEE'S AND BUCK'S OBLIGATIONS AND RIGHTS WITH RESPECT TO THIS AGREEMENT MAY DIFFER MATERIALLY IN CERTAIN CIRCUMSTANCES FROM THE OBLIGATIONS AND RIGHTS AGREED TO BY BUCK'S AND OTHER FRANCHISEES. THE ACTUAL RESULTS OF THE OPERATIONS OF A RESTAURANT MAY VARY CONSIDERABLY AMONG FRANCHISEES.

NO REPRESENTATIONS OF BUCK'S OR ITS OFFICERS, EMPLOYEES OR AGENTS REGARDING THE BUSINESS ARRANGEMENT CONTEMPLATED BY THIS AGREEMENT ARE CONTRARY TO THE TERMS OF THIS AGREEMENT AND, AS AN INDUCEMENT TO BUCK'S TO ENTER INTO THIS AGREEMENT, FRANCHISEE HAS MADE NO MISREPRESENTATIONS IN OBTAINING THE FRANCHISE.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound hereby, have executed and delivered this Agreement on the date set forth below, to be effective upon execution by BUCK'S.

The undersigned expressly agree that the validity of this Guaranty and each of our obligations hereunder shall not, under any circumstances whatsoever, be terminated, affected or impaired by reason of the assertion by Buck's against said Franchisee of any of the rights or remedies reserved to it by the Agreement.

The undersigned further agree that this Guaranty shall remain and continue in full force and effect as to any renewal, modification or extension of the Agreement and any assignment or transfer of the Agreement by Buck's, whether or not any or all of us shall have received any notice of or consent to such renewal, modification, extension, assignment or transfer.

Receipt by Buck's of payment with knowledge of the breach of any provision of the Agreement shall not be deemed a waiver of such breach.

The undersigned further agree that their liability under this Guaranty shall be primary, joint and several, and that in any right of action which may accrue to Buck's under the Agreement, Buck's may, at its option, proceed against any or all of the undersigned without having commenced any action against or having obtained any judgment against said Franchisee. This Personal Guaranty shall be governed by the internal laws of the Commonwealth of Pennsylvania, and the undersigned hereby consent to the exclusive jurisdiction and venue of the state and federal courts in Allegheny County, Pennsylvania.

Independent Auditor's Report

Board of Directors

BUCK'S PIZZA FRANCHISING CORPORATION, INC.

DuBois, Pennsylvania

Opinion

We have audited the accompanying combined financial statements of Buck's Pizza Franchising Corporation, Inc. & Buck's Pizza of DuBois, LLC (Pennsylvania S corporations), which comprise the combined balance sheets as of December 31, 2021 and 2020, and the related combined statements of income, stockholders' equity, and cash flows for the years then ended, and the related notes to the combined financial statements.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Buck's Pizza Franchising Corporation, Inc. & Buck's Pizza of DuBois, LLC as of December 31, 2021 and 2020, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Buck's Pizza Franchising Corporation, Inc. & Buck's Pizza of DuBois, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the combined financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of combined financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the combined financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Buck's Pizza Franchising Corporation, Inc. & Buck's Pizza of DuBois, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Buck's Pizza Franchising Corporation, Inc. & Buck's Pizza of DuBois, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Buck's Pizza Franchising Corporation, Inc. & Buck's Pizza of DuBois, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Combined Financial Statements

For the Years Ended December 31, 2021 and 2020

Note 1. Summary of Significant Accounting Policies

A. Nature of Operations

Buck's Pizza Franchising Corporation, Inc. (the Corporation) was organized and incorporated on September 16, 1994 in Pennsylvania. The Corporation operates as a Buck's Pizza franchisor and has approximately 10 franchises operating in 6 states of the United States. Buck's Pizza of DuBois, LLC (the LLC) was organized and incorporated on April 1, 2010 in Pennsylvania. Buck's Pizza of DuBois operates as a pizza restaurant with three locations.

Buck's Pizza Franchising Corporation, Inc. and Buck's Pizza of DuBois, LLC (the Companies) are under common ownership but are separate legal entities. These financial statements represent the combined balance sheets, statements of income, stockholders' equity and cash flows of the two companies.

B. Basis of Combination

The combined financial statements include the accounts of Buck's Pizza of DuBois, LLC. All significant intercompany accounts and transactions have been eliminated in the combination.

C. Income Taxes

The stockholders' have elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code for both entities. For Federal and Pennsylvania corporate income tax purposes, profits and losses flow from the Corporation and LLC to the stockholders' individual tax returns. The tax returns are generally open for audit for the years ending December 31, 2020, 2019 and 2018.

D. Basis of Accounting

The Companies record income and expenses on the accrual basis of accounting. Income is recognized when earned and expenses are recorded as incurred.

E. Use of Estimates

The preparation of combined financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the combined financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

BUCK'S PIZZA FRANCHISING CORPORATION, INC.

Notes to Combined Financial Statements (Continued)

For the Years Ended December 31, 2021 and 2020

Note 1. Summary of Significant Accounting Policies (Continued)

F. Trade Accounts Receivable

Accounts receivable consist of extensions of credit to franchisees for various pizza products and equipment sold as well as royalties due. Management reviews trade receivables on an individual basis to determine collectability. Management reduces the carrying amount of receivables by an allowance for doubtful accounts that reflects their best estimate of amounts that will not be collected. The Corporation does not currently recognize or accrue interest on any unpaid trade receivables balance.

G. Fixed Assets

Fixed assets are recorded at cost. Depreciation is recorded over the estimated useful life of the assets on a straight-line basis.

H. Cash and Cash Equivalents

For purposes of the Statements of Cash Flows, the Companies consider all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

I. Deposits Held in Financial Institutions

The Companies maintain cash balances in multiple banks located in Pennsylvania. Cash balances at times may have exceeded the \$250,000 Federal Deposit Insurance Corporation (FDIC) coverage limit during the year. The uninsured balances at December 31, 2021 and 2020 were \$132,060 and \$-0-, respectively.

J. Advertising

The Companies expense advertising costs as they are incurred. Advertising expenses for the year ended December 31, 2021 and 2020 was \$195,597 and \$175,678, respectively.

K. Consideration from Suppliers

The Corporation's management has made arrangements with certain approved suppliers to provide products to the Corporation's franchisees at favorable rates. These suppliers, who are not affiliated with the Corporation, have agreed to pay a fee to the Corporation based on the quantity of products purchased by their franchisees. These supplies include various pizza toppings and other food and beverage products. At the end of each quarter the Corporation reimburses each store for a percentage of the rebates received.

Notes to Combined Financial Statements (Continued)

For the Years Ended December 31, 2021 and 2020

Note 1. Summary of Significant Accounting Policies (Continued)

L. Reclassifications

Certain amounts in the prior year may have been reclassified to conform to current year financial presentation.

M. Inventories

Inventories consist primarily of store supplies, food, and equipment valued by the weighted average method and are adjusted to the lower of cost or market value. Provisions are recorded to reduce inventory for obsolete or slow-moving inventory based on assumptions about future demand and marketability of products, the impact of new product introductions, product spoilage, and specific identification of items, such as product discontinuance.

N. Revenue Recognition

The Corporation earns revenue through sales at their company owned franchises, royalties (Note 12), rebates (Note 1K) and franchise fee income (Note 12).

Sales at company owned franchises are recorded at the time of sale.

The LLC sells gift cards that are redeemable at any of its company owned restaurants. The gift cards do not include an expiration date and are refillable. Revenue from the sale of gift cards is recognized upon redemption. Based on the history with similar gift cards, the LLC currently expects that 3% of the cards will not be redeemed (breakage). The LLC recognizes income from the breakage over a five-year period. Unredeemed gift card balances included in current liabilities at December 31, 2021 and 2020 were \$53,793 and \$50,987, respectively.

O. Recently Issued Accounting Standards

The following accounting pronouncements were recently issued by the FASB:

Adopted

In January 2021, the FASB issued Accounting Standards Update (“ASU”) No. 2021-02, Franchisors - Revenue from Contracts with Customers (Topic 952-606-25-2). This ASU provides a practical expedient that permits a franchisor that is not a public business entity to account for certain specified pre-opening services as distinct from the franchise licenses. The core principle of the new guidance is that an entity will recognize pre-opening services as a one-time performance obligation. The provisions of ASU 2021-02 are now effective for annual reporting periods beginning after December 15, 2020. The effects of adopting Topic 2021-02 had no material effects on the combined financial statements.

Note 1. Summary of Significant Accounting Policies (Continued)

O. Recently Issued Accounting Standards (Continued)

Pending

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842). This ASU requires that a lease liability and related right-of-use-asset representing the lessee's right to use or control the asset be recorded on the balance sheet upon the commencement of all leases except for short-term leases. Leases will be classified as either finance leases or operating leases, which are substantially similar to the classification criteria for distinguishing between capital leases and operating in existing lease accounting guidance. As a result, the effect of leases on the Combined Statement of Income, Combined Statement of Shareholder's Equity and the Combined Statement of Cash Flows will be substantially unchanged from the existing lease accounting guidance. The ASU is effective for fiscal years beginning after December 15, 2021. Early adoption is permitted. The Companies are currently evaluating the full effect that the adoption of this standard will have on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the combined financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the combined financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the combined financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Buck's Pizza Franchising Corporation, Inc. & Buck's Pizza of DuBois, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combined financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Buck's Pizza Franchising Corporation, Inc. & Buck's Pizza of DuBois, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.
