STATE COVER PAGE

Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrator listed in Exhibit A for information about the franchisor or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHTS YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW.

Please consider the following RISK FACTORS before you buy this franchise:

1. THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH US BY ARBITRATION ONLY IN THE SAN FRANCISCO AREA, CALIFORNIA. OUT OF STATE ARBITRATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST YOU MORE TO ARBITRATE WITH US IN CALIFORNIA THAN IN YOUR OWN STATE.
2. THE FRANCHISE AGREEMENT REQUIRES THAT CALIFORNIA LAW GOVERNS THE AGREEMENT, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTIONS AND BENEFITS AS LOCAL LAW. YOU MAY WANT TO COMPARE THESE LAWS.
3. YOU MUST MAKE MINIMUM ROYALTY AND ADVERTISING PAYMENTS, REGARDLESS OF YOUR SALES LEVELS. YOUR INABILITY TO MAKE THESE PAYMENTS MAY RESULT IN TERMINATION OF YOUR FRANCHISE AND LOSS OF YOUR INVESTMENT.
4. YOUR SPOUSE MUST SIGN A DOCUMENT THAT MAKES YOUR SPOUSE LIABLE FOR ALL FINANCIAL OBLIGATIONS UNDER THE FRANCHISE AGREEMENT EVEN THOUGH YOUR SPOUSE HAS NO OWNERSHIP INTEREST IN THE FRANCHISE. THIS GUARANTEE WILL PLACE BOTH YOUR AND YOUR SPOUSE'S MARITAL AND PERSONAL ASSETS, PERHAPS INCLUDING YOUR HOUSE, AT RISK IF YOUR FRANCHISE FAILS.
5. THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.

We may use the services of one or more FRANCHISE BROKERS or referral sources to assist us in selling our franchise. A franchise broker or referral source represents us, not you. We pay this person a fee for selling our franchise or referring you to us. You should make sure to do your own investigation of the franchise.

However, we are currently experimenting with incorporating the Drop-Off Services into the Building Kidz System. ~~We are also in the process of converting these seven units under the Building Kidz Marks. All seven~~ These units are located in the Sacramento, California metropolitan statistical area. ~~They~~ and five others like these units, will be referred to in this Franchise Disclosure Document as the “**Sacramento Converted Schools**,” located at:

- a. 7511 W. Stockton Blvd, Sacramento, CA 95823
- b. 1941 Zinfandel Drive, Rancho Cordova, CA 95670
- c. 8073 Greenback Ln, Citrus Heights, CA 95610
- d. 5041 Robert J Mathews Pkwy, #200, El Dorado Hills, CA 95762
- e. 945 Roseville Parkway, Roseville, CA 95678

Parents, Predecessors and Affiliates

We do not have any predecessors, nor do we have a parent that offer franchises or other services to any franchisee. We have two affiliates (“**Affiliates**”) that operate two businesses similar to the type of business you will operate, as described below:

- ~~1. Building Kidz, Inc. has been operating since 2003 and operates the Pacifica campus located at 830 Rosita Road, Pacifica, CA 94044~~
- ~~2. Building Kidz Inc. of South San Francisco has been operating since 2005 and operates the campus at 600 Grand Ave, South San Francisco, CA 94080. Building Kidz, Inc. shares the same principal business address as we do. The principal address of Building Kidz Inc. of South San Francisco is 600 Grand Avenue, South San Francisco, CA 94080. 94080 which is also its principal address.~~

Building Kidz Worldwide, India Pvt. Ltd. has been operating since 2018 and operates the campus at NS-2, C Block Sector-54 Suncity, Gurugram 122002, India which is also its principal address.

None of our affiliates offer franchises in this or any other line of business.

The Franchise

A Building Kidz franchise gives you the right to operate a child care center and learning center for children as young as infants up to 12 years old (“**Building Kidz School**”). At our infant, toddler, preschool, and school age Building Kidz Schools, our children grow physically, emotionally, linguistically, socially, and cognitively. Building Kidz is unique in that our proprietary curriculums, references, and highly qualified faculty combine a world class academic setting with a specialization in Performing Arts. In addition to the integration of Performing Arts to teach academic elements such as teaching mathematics and science through dance and music, our campuses offer weekly music, dance, theater, and integrated theater classes and weekly foreign language classes. ~~Additionally~~ Also, our preschoolers, from the age of 3, typically perform a winter recital and a Broadway style production annually. We deliver a safe and nurturing environment for the children in our care, typically from 7 am to 6 pm. The staff at our Building Kidz Schools are well trained in the field of early childhood education and all facility members are required to be certified in First Aid and CPR. In addition to infant and toddler care, we deliver an exceptional readiness for kindergarten program, a private kindergarten program, and after school programs (currently up to 6th grade). Toddlers as young as 24 months gain a basic introduction to letters, phonics, numbers, shapes, colors, and motor skill development. Preschoolers develop reading and writing skills. Kindergarteners learn logical thinking and basic math. In our after school program, elementary school children are educated in advanced levels of Geography, Science, History, Moral Studies, Mathematics, and Technology basics.

With our advanced written permission, you may acquire an existing child care and learning center (“**Pre-Existing Location**”) to convert into a Building Kidz School. If that Pre-Existing Location was originally designed to operate under a different model than a Building Kidz School or offer additional services, we may permit you to continue to operate that Pre-Existing Location under that different model for a limited period of time (“**Approved Transition Period**”) while you convert the Pre-Existing Location into a fully compliant Building Kidz School. In such an instance, we have the right to require you to sign an addendum that establishes the length of the Approved Transition Period and outlines your rights and obligations during the Approved Transition Period.

~~Once we completely convert the Sacramento Converted Schools to Building Kidz Schools, subject to our right to experiment with the Drop-Off Services, we~~ We or our Affiliate may offer some or all of the Sacramento Converted Schools for sale to interested franchisees. If we are still experimenting with the Drop-Off Services at the time of the sale, franchisees who purchase one or more of the Sacramento Converted Schools will be permitted to continue testing the Drop-Off Services at those locations for a limited period of time (“**Test Period**”). In such an instance, we have the right to require you to sign an addendum that establishes the length of the Test Period and gives us the right to terminate the Drop-Off Services if we deem, in our sole discretion, that the Drop-Off Services are not beneficial to the Building Kidz System or the Building Kidz image. We currently have one franchisee operating under such conditions.

If, in our sole discretion, you possess the necessary business operational skills and financial resources, you may request the right to become an area developer (“**Area Developer**”) and will obtain the rights to develop additional Building Kidz Schools (“**Area Development Rights**”) within a defined territory (“**Development Territory**”) pursuant to a prescribed schedule (“**Development Schedule**”). If you sign an area developer agreement (“**Area Developer Agreement**”) you must agree to develop a minimum of five Building Kidz Schools, and you will pay us an area development fee (“**Area Development Fee**”), which will be defined by the area developer fee calculation (“**Area Developer Fee Calculation**”), at the execution of the Area Developer Agreement. You will not be required to pay any additional Initial

Franchise Fees to open any of the Building Kidz Schools contemplated by the Area Developer Agreement. However, you will be required to pay Franchisor a pre-opening activity fee (“**Pre-Opening Activity Fee**”), which will be defined by the Area Developer Fee Calculation, prior to the opening of each Building Kidz School to be developed under the Area Developer Agreement. An Area Developer may not open any Building Kidz School until, among other things, the then-current form of franchise agreement for such Building Kidz School has been executed by both the Area Developer and us. Each franchise agreement may be in a different form than the franchise agreement included in this offering.

We began offering Area Developer Agreements in December 2017.

Franchisees operate under the Building Kidz business system (“**System**”) and the Building Kidz trademark as well as other trade names, service marks, trademarks, logos, and commercial symbols we authorize (“**Marks**”). Our franchise agreement is attached as **Exhibit B** to this disclosure document (“**Franchise Agreement**”). Under the Franchise Agreement, you will operate a Building Kidz School within the Territory described in the Agreement. The Franchise Agreement gives you certain protections against the location of other Building Kidz Schools within your Territory.

Competition

Building Kidz Schools target their services to the general public. You may have to compete with other educational facilities including franchised operations, national chains, and independently owned companies offering similar services to customers. The market for early childhood education services is developed and highly competitive.

The market is seasonal as we see decreases in revenue during the months of July and August. You will also face other normal business risks that could have an adverse effect on your Building Kidz School. These include industry developments, such as pricing policies of competitors, and supply and demand. Another risk factor is our dependence on key personnel, the loss of whom could have an adverse effect on us. Our ability to fulfill our obligations under our Franchise Agreement depends in part on our present and future financial condition. Litigation risks also exist, including future litigation that may not be foreseeable.

Industry Specific Regulation

Franchisees will be subject to local, county and state licensing regulations for the operation of businesses in general and, for this type of business in particular. Certain states may require specific certification with instructional duties. In addition, your Building Kidz School may be considered a "school" which will fall under applicable zoning codes that would entail additional requirements such as, but not limited to, separate bathrooms for boys and girls, an outdoor play area, water fountains, and special exit doors equipped with panic bars and accommodations for disabled persons. Franchisees may be regulated by a state or local Department of Education, Department of Social Services, or similar agencies. Franchisees should consult with governmental agencies and lawyers about any special requirements that may apply to them or their Building Kidz School. Each Franchisee must become familiar with the regulations of the state in which its Building Kidz School will be operated in regarding child care centers, as well as any city, municipality, or county laws that may apply.

You should seek legal counsel to understand the regulations that apply to you. Apart from state regulations, franchisees should keep in mind that there may be local zoning laws that might restrict or prohibit running a child care business in a particular location within a municipality or county. These laws can apply to Building Kidz Schools which may be classified as “schools” under applicable zoning codes, and may impose additional requirements, such as separate bathrooms for boys and girls, water fountains,

special exit doors equipped with panic bars, and accommodations for disabled persons. Each municipality or county will have its own local zoning ordinances and policies regarding the placement of child care centers and related issues. Even if a child care center is permissible under the municipal or county zoning ordinance, you may be required to obtain a compliance certificate from the local zoning authority. Franchisees should investigate the zoning regulations of the municipality or county in which the franchisee intends to open a Building Kidz School, and franchisees should obtain all necessary permits and compliance certificates before opening a child care facility. Building Kidz recommends that franchisees read the applicable zoning requirements for the franchisee's intended town, city, county or other locality, and to visit the locality's permitting office, before purchasing a franchise. Franchisees should schedule a meeting with the permitting / zoning department for their locality to clearly understand the local requirements.

Many jurisdictions also have daycare or childcare laws which require licensing, bonding, insurance, building code, safety, teacher-to-student ratios, hours, health (e.g., immunizations), instructor licensing, fingerprinting, criminal background checks and other similar requirements.

Federal. Examples of other federal laws affecting many small businesses are wage and hour, occupational health and safety, equal employment opportunity, taxes, hazardous materials communication to employees, hazardous waste and environmental, and the Americans With Disabilities Act.

State. State laws may cover the same topics as federal laws. Examples of other state laws affecting many small businesses include environmental, occupational health and safety, fire, taxes, health, and building and construction laws.

Local. Local laws may cover the same topics as federal and state laws. Examples of other local laws affecting many small businesses include health and sanitation, building codes, fire codes, permits, and waste disposal.

The above are examples of some, but not all of the laws that may be applicable to the franchised business described in the Disclosure Document. The Franchise Agreement places the responsibility for complying with all applicable laws and regulations upon you, the franchisee. You should research these requirements before you invest.

ITEM 3 Litigation

Building Kidz Worldwide, LLC., v. Golden Stone, Inc., JAMS Ref. No. 1100086841 (San Francisco, California, filed February 14, 2017). Golden Stone Inc. (“**GS**”) purchased a Building Kidz School from our affiliate, Building Kidz, Inc. (“**BKI**”), pursuant to a Business Purchase Agreement and entered into a Franchise Agreement with us effective as of August 29, 2016. Almost immediately, GS defaulted on its obligations under the Business Purchase Agreement with BKI and the franchise agreement with us. As a result, we and BKI filed a Demand for Arbitration against GS on February 14, 2017. Our demand included the following nine claims for relief: (1) breach of the Franchise Agreement by GS; (2) breach of personal guaranties by the owners of GS; (3) breach of the Business Purchase Agreement by GS; (4) breach of oral agreements by the owners of GS; (5) fraudulently inducing us to enter into the Franchise Agreement; (6) recession of the Business Purchase Agreement; (7) breach of the implied covenant of good faith and fair dealings by GS; (8) unjust enrichment; and (9) conversion by GS.

On February 22, 2017, GS filed a Response to Demand and Counter-Claims with the arbitration service in which GS denies all allegations and asserts four counter-claims against us. GS’s four counter claims include (1) violations of the California Franchise Investment Law; (2) fraud; (3) violation of the Unfair Competition Law; and (4) breach of the Business Purchase Agreement. We denied these allegations and vigorously disputed them.

The parties entered into a Settlement Agreement and Mutual Release on April 7, 2017. In that agreement the parties agreed to rescind all contracts, the promissory note was cancelled, and Building Kidz paid the defendants \$348,000 to repurchase the school and reimburse the defendants for certain improvements made to the property.

On May 2, 2017, the parties to the above referenced action filed a Request for Dismissal With Prejudice requesting that JAMS dismiss the claims and counterclaims with prejudice and terminate the above titled action. Pursuant to that stipulation, JAMS closed its file in this matter on May 2, 2017.

Other than this action, no litigation is required to be disclosed in this Item.

ITEM 4 Bankruptcy

No bankruptcy is required to be disclosed in this Item.

Notes:

- (1) Initial Franchise Fee. If you sign a Franchise Agreement, the Initial Franchise Fee will be \$50,000. The Initial Franchise Fee is due in full at the time you sign the Franchise Agreement. If you are an honorably discharged veteran of the U.S. Armed Forces, please see Item 5 for information regarding an applicable discount of the Initial Franchise Fee. If you sign an Area Developer Agreement, you must pay an Area Development Fee. You will pay the Area Development Fee at the time you sign the Area Development Agreement (See ITEM 5).
- (2) Refundable Expenses. Of the above estimates, we know only that the fees paid to us are not refundable under any circumstances. The other expenses may or may not be refundable depending on the terms and conditions related to each expense.
- (3) Franchisor Financing. We do not provide financing for any of the above expenses.
- (4) Estimates Based on Company Schools. The initial investment estimates in the table are based on costs related to franchisor's company schools and pro-forma costs. These estimates are for guidance purposes only. You should develop your own estimates and be confident with those estimates before deciding to invest in a franchise.
- (5) Real Property Lease. For a franchise, the approximate size of the building itself will generally be between 2,000 and 10,000 square feet. Franchises will generally be located in leased properties. Rent will vary widely from location to location, but a triple-net (NNN) lease should range from \$60,000 to \$300,000 per year, which should include common area maintenance, property taxes and insurance.
- (6) Construction Costs. This item assumes build-out of an existing structure. We will provide you with general model plans, specifications, and standards which you will need to adapt for your location. Construction costs may be beyond this range in certain cases or localities, if you acquire a piece of real property and construct your Building Kidz School from the ground up.
- (7) Equipment/Signage/Furniture/Fixtures. These line items are for the standard furniture, fixtures and equipment, including interior and exterior signs, and the hardware associated with the Computer System. The front lobby must be painted according to our standards, include specific signage and boards, and we reserve the right to require you to mount one or more flat panel televisions to display marketing videos.
- (8) Grand Opening Costs. We may recommend that you spend more than the contractually required amount for your Grand Opening, depending on such factors as market concentration, level of competition, and the size of your school. Though not required, such recommendations will be made based on our expertise in developing brand recognition and your failure to follow such

recommendations may result in a slower-than-normal ramp-up period and less market share than expected.

(9) Remote visibility security system. We have partnered with Watch Me Grow, who will provide secure and remote access for us to be able to evaluate quality of instruction and care (with audio and video) at each location. See our Operations Manual of further details about camera requirements by location.

(10) LTLE Set-Up. LTLE is a set of infrastructural elements that are built and assembled inside of the classroom and mimic real-world activities (i.e. shopping in a grocery store, visiting a fire station, etc.). The cost range identified in this Item 7 table varies based upon the size of the Building Kidz School you will open.

(11) (8) Additional Funds. This is an estimate of the funds for a 3-month period needed to cover start-up costs such as various pre-opening expenses including initial employee wages, insurance premiums, licenses, permit costs, recruitment, advertising expenses, electricity, telephone, and other supplies. These figures are estimates, and we cannot guarantee that you will not have additional expenses opening the franchise and starting the business. Your costs will depend on a number of factors including but not limited to the following examples: the number of franchises that you operate; your management skill, experience, and business acumen; local economic conditions; the local market; the prevailing wage rate; and competition.

- (1) Initial Franchise Fee. If you sign a Franchise Agreement, the Initial Franchise Fee will be \$50,000. The Initial Franchise Fee is due in full at the time you sign the Franchise Agreement. If you are an honorably discharged veteran of the U.S. Armed Forces, please see Item 5 for information regarding an applicable discount of the Initial Franchise Fee. If you sign an Area Developer Agreement, you must pay an Area Development Fee. You will pay the Area Development Fee at the time you sign the Area Development Agreement (See ITEM 5).
- (2) School Purchase Price. The School Purchase Price ranges listed are preliminary estimates based on our internal projected growth, including near-term growth, while the schools are under our management and operation. The actual School Purchase Price may vary significantly based on its actual performance, as well as a variety of variables including, but not limited to, capacity, enrollment, tuition, marketplace, and other business considerations at the time of purchase.
- (3) Refundable Expenses. Of the above estimates, we know only that the fees paid to us are not refundable under any circumstances. The other expenses may or may not be refundable depending on the terms and conditions related to each expense.
- (4) Initial Marketing Cost. Although franchisees will not be required to conduct a standard grand opening, they will incur costs for rebranding printed materials and other related activities.
- (5) Real Property Lease. For a franchise, the approximate size of the leased spaces is between 2,400 and 4,300 square feet. The monthly rent for the Sacramento Converted Schools, inclusive of common area maintenance, property taxes, and insurance, is \$4,080 to \$12,115. The rent for each of the Sacramento Converted Schools is locked in for 12 months from the Sacramento Purchase Date and has a graduated annual rent increase thereafter.
- (6) Equipment, Fixtures, and Construction Costs. The schools will not require any improvements to be compliant with the Building Kidz System. However, franchisees may wish to make capital investments to increase capacity.
- ~~(7) —~~ Additional Funds. Although we anticipate the schools to be cash flow positive at the time of sale, the franchisee must have funds available to cover deficits when bills are due before cash comes in. Additionally, franchisees must have funds available to account for any unforeseen business changes. This number does not account for any location improvements.

Notes:

- (1) Area Development Fee. If you sign an Area Developer Agreement, the Area Development Fee will be based on the Area Developer Fee Calculation described in Item 5. The Area Development Fee is due in full at the time you sign the Area Developer Agreement and is fully earned by us when the Area Developer Agreement is signed by you and is not refundable for any reason. The low end of the range represents the Area Development Fee attributable to a Development Schedule for five Building Kidz Schools, the minimum required under an Area Developer Agreement. While we do not have a maximum number of Building Kidz Schools, we generally do not grant more than ten in an Area Developer Agreement. Therefore, the high end of the range represents a Development Schedule with ten Building Kidz Schools. After payment of the Area Development Fee, you will not be required to pay any additional Initial Franchise Fees to open any Building Kidz Schools contemplated by the Area Developer Agreement. (See ITEM 5).
- (2) Pre-Opening Activity Fee. The Pre-Opening Activity Fee is due and payable any time before each Building Kidz School is scheduled to open under the Development Schedule, and is based on the Area Developer Fee Calculation described in Item 5. The Pre-Opening Activity Fee is fully earned upon payment and is not refundable for any reason (See ITEM 5).
- (3) Refundable Expenses. Of the above estimates, we know only that the fees paid to us are not refundable under any circumstances. The other expenses may or may not be refundable depending on the terms and conditions related to each expense.
- (4) Franchisor Financing. We do not provide financing for any of the above expenses.
- (5) Estimates Based on Company Schools. The initial investment estimates in the table are based on costs related to franchisor's company schools and pro-forma costs. These estimates are for guidance purposes only. You should develop your own estimates and be confident with those estimates before deciding to invest in a franchise.

- (9) Grand Opening Costs. We may recommend that you spend more than the contractually required amount for your Grand Opening for some or all of the schools you operate as an Area Developer, depending on such factors as market concentration, level of competition, and the size of your school. Though not required, such recommendations will be made based on our expertise in developing brand recognition and your failure to follow such recommendations may result in a slower-than-normal ramp-up period and less market share than expected.
- (10)(9)-Additional Funds. This is an estimate of the funds for a 3-month period needed to cover start-up costs such as various pre-opening expenses including initial employee wages, insurance premiums, licenses, permit costs, recruitment, advertising expenses, electricity, telephone, and other supplies. These amounts are based on the experience of Affiliates for opening a Building Kidz School and include the initial three (3) month startup phase of the franchised business. The amounts used for this estimate include payroll costs during the first three (3) months of operation, excluding the owner drawing a salary, and do not include standard preopening expenses, Royalty Fees, contributions payable under the Franchise Agreement, or debt service, and assume that none of your expenses are offset by any sales generated during the startup phase. These figures are estimates, and we cannot guarantee that you will not have additional expenses opening the franchise and starting the business. Your costs will depend on a number of factors including but not limited to the following examples: the number of franchises that you operate; your management skill, experience, and business acumen; local economic conditions; the local market; the prevailing wage rate; and competition.

ITEM 8

Restrictions on Sources of Products and Services

You must purchase or lease and install all equipment, furniture, fixtures, and other goods required by us (“**Required Goods**”), which include:

- Furniture
- Equipment, including computer hardware for the office and iPads for use in classrooms ~~with Brightwheel~~ (approximately 1 iPad Mini per classroom)
- Learning Through Life Experiences (LTLE)
- Remote visibility & security system
- ~~Signs~~ Signage
- Décor items
- Promotional material incorporating our trademarks
- Building Kidz sweatshirts ~~and~~ & smocks
- Welcome Kits – backpack & bed in a sack
- Procure software
- Brightwheel Software
- QuickBooks
- Access to customized CRM

- Supplies
- Food and beverage
- Other products and goods.

All Required Goods must conform to the standards and specifications in our Operations Manual or otherwise in writing, unless you have first obtained our written consent to do otherwise. You must obtain all Required Goods solely from our designated or approved suppliers. Our criteria for supplier approval may be found in the Operations Manual. Among other things, these approved suppliers have adequate quality controls and the capacity to supply your needs reliably and promptly, and have shown the ability to meet our then-current standards and specifications.

Currently, neither the franchisor nor any of its affiliates are the supplier of the Required Goods, however, we reserve the right to become a designated or approved supplier, or for one or more of our Affiliates to become a designated or approved supplier, or for one or more of our officers to acquire an ownership interest in a designated or approved supplier.

We will make available to franchisees our criteria for approving designated or approved suppliers from time to time. Franchisees may contract with alternative suppliers who meet the franchisor's criteria. If you wish to purchase, lease, or use any products or other items from an unapproved supplier, you must submit a written request for approval, or must request the supplier to do so. We have to approve any supplier in writing before you make any purchases from that supplier. We can require that our representatives be permitted to inspect the supplier's facilities, and that samples from the supplier be delivered, either to us or to an independent entity for testing. You must pay a vendor/equipment approval fee, and the actual cost of our test and/or inspection. We reserve the right to re-inspect the facilities and products of any approved supplier and to revoke our approval if the supplier fails to continue to meet our then-current standards. Our supplier approval procedure does not obligate us to approve any particular supplier. However, we will notify you within 30 days after we complete the inspection and evaluation process of our approval or disapproval of any proposed supplier. We reserve the right to revoke our acceptance of any alternative supplier if we become dissatisfied with the supplier, for any reason in our sole discretion.

Currently we do not issue specifications to designated or approved suppliers to modify their products for our use.

We estimate that the proportion of required purchases and leases by the franchisee to all purchases and leases by the franchisee of goods and services in establishing and operating the franchised businesses will be 25% of estimated initial startup costs and 1% of monthly revenues thereafter.

We may receive discounts on some products used in the franchise system. These discounts will be made available to you if you make your purchases through the appropriate purchasing process. We do not undertake any obligation to negotiate the proportional price reductions as each supplier has their own position on the granting of (and tracking/accounting for) price reductions and/or rebates (which are described below). In addition to the discounts described above, we may receive rebates from some of our designated suppliers as a result of our franchisees' required purchases from these suppliers. We estimate these rebates, if granted, will range from 1% to 5% of franchisees' purchases. We do not receive rebates from all of our designated suppliers. Any rebates received serve to partially reimburse us for our costs in the initial sourcing, approval, and ongoing monitoring of these suppliers' compliance with our quality standards. During our last fiscal year, which ended December 31, 2017, we did not collect any revenue from designated or approved suppliers based on required purchases or leases from our franchisees.

We do not currently use purchasing or distribution cooperatives, but may do so in the future.

We may negotiate purchase arrangements with suppliers, including price terms, for the benefit of franchisees.

We will not provide material benefits (for example, renewal or granting additional franchises) to a franchisee based on a franchisee's purchase of particular products or services or use of particular suppliers.

We have the right to add categories and adjust the amounts required periodically as we deem necessary. You are required to comply with all property, liability, and other insurance required in the Operations Manual at all times. You must also procure and maintain all other insurance required by state or federal law.

We require you to use a computer system ("**Computer System**") in your Building Kidz School. You can use any computer system, as long as it meets our minimum standards for processor speed, RAM and hard drive capacity, has a Windows® operating system (currently Windows 7) that is upgraded periodically to reflect the current operating system specified in our Operations Manual, has high-speed internet connectivity (DSL or Broadband) and certain business productivity tools provided by Microsoft Office. You will need to purchase iPads (approximately 1 per classroom) for use with Brightwheel software to enable uploading and management of content through Brightwheel software.

ITEM 10 Financing

We do not offer direct or indirect financing. We do not guarantee your note, lease or obligation.

ITEM 11 Franchisor's Assistance, Advertising, Computer Systems, and Training

Except as listed below, we are not required to provide you with any assistance.

(1) FRANCHISOR'S PRE-OPENING OBLIGATIONS.

Site Selection. If you do not already have one, we will work with you to find and acquire an appropriate site for your Franchised location. However, you are ultimately responsible for locating a site and negotiating the purchase or lease of the site. We have a right of final approval over any site selected by you, and you may not sign a lease for the franchised location without our approval. We do not own the premises leased for franchised locations. We will have 30 days from the date you submit a potential site for each Franchised location to advise you whether the site satisfies our minimum site criteria. If we do not provide you with an affirmative approval of the site within that 30 day period, we will be deemed to have denied the proposed site. The franchise is granted for a single, specific location. We may provide information about site characteristics, proximity factors, and lease provisions. We may (but are not obligated to) visit sites that you have identified and provide advice.

We will consider as factors in selecting or approving sites the following, among others: regulatory requirements (for example, your state Community Care Licensing Division), general location and neighborhood, traffic patterns, parking, play areas, physical characteristics of existing buildings, and lease terms. While we do not currently charge a Relocation Processing Fee, we reserve the right to do so in the

future. If you request to move your Building Kidz School to a new Franchised Location, we may charge you a Relocation Processing Fee in connection with your relocation.

Once you have submitted a site to us for final approval, we will approve or disapprove of the site within 20 business days after receiving the request and all final background materials requested by us. If we cannot agree on a location for your Building Kidz School, you will be in default, and we reserve the right to terminate your Franchise Agreement.

You are required to begin looking for sites for your Building Kidz School promptly after signing the Franchise Agreement; however, we will generally not authorize a site until you have completed training. If you have not opened a Building Kidz School 570 days after you sign the Franchise Agreement, we have the right (but not the obligation) to terminate your franchise.

We are not obligated to help you in conforming the site premises to local ordinances and building codes and obtaining any required permits. Regarding the construction, remodeling, or decoration of the premises, we will provide requirements for color schemes and will provide guidance on layout. While you are solely responsible for these matters, we may work with you in managing the construction, remodeling, or decorating of the premises.

Hiring and Training Employees. We will share with you our best practices in hiring, training, and retaining employees but you are solely responsible for hiring employees and making all employment decisions. Your employees are not to be considered our employees for any reason. We will provide initial training prior to opening for up to two people at our headquarters. We will provide instructors, training material, breakfast, and lunch for every day of training. You are responsible for all other expenses, including the cost of your travel, lodging, and additional meals. Before you open your Building Kidz School, you must successfully complete the entire training to our satisfaction. Additional training will be charged as per the Additional Training Fee.

Necessary Equipment, Signs, Fixtures, and Supplies. We have the right, but not the obligation, to process orders for all necessary supplies and equipment directly and may work with suppliers for ordering and delivery. We will provide written specifications for these items, but we will neither deliver nor install these items.

Please refer to Franchise Agreement, Section 10.

(2) TIME NEEDED TO OPEN FOR BUSINESS.

The first payment of consideration for the franchise is the Initial Franchise Fee which is due upon signing the Franchise Agreement. Typically, the time between signing the Franchise Agreement and the opening of your Building Kidz School is 6-128 months. Factors affecting this time period include time needed to schedule, attend and successfully complete our training program, finding an appropriate site, lease negotiations, time to comply with various permit and licensing requirements, time for delivery and installation of equipment and furniture items as well as interviewing and hiring teachers. Unless we agree otherwise, you must commence business operations within 570 days after the date you sign the Franchise Agreement. We require you to put up signage within 30 days after opening for business.

Please refer to Franchise Agreement, Section 9.

(3) FRANCHISOR'S OBLIGATIONS DURING THE OPERATION OF THE FRANCHISE.

We will provide your entire school curriculum and updates to the curriculum. We will provide best practices regarding hiring guidelines and training materials for employees. We will provide guidance in

local marketing and advertising strategies to raise awareness and drive enrollment. We will host a homepage on the Building Kidz website and promote new openings on our website. We will provide guidance and support in obtaining information for developing competitive pricing for your locality, and assist in creating pricing tables for the services offered. As part of our initial training, we will train you in the procedures and systems that we use for administrative, bookkeeping and accounting operations. We will provide guidance in resolving the operating problems encountered by the franchisee as needed from time to time.

Please refer to Franchise Agreement, Section 11.

(4) ADVERTISING PROGRAM FOR THE FRANCHISE SYSTEM.

We expect advertising for the franchise system to consist of, among other things, search engine optimization, search engine marketing, newspaper and/or radio advertisements, co-marketing with organizations focused on the performing arts, co-marketing with elementary schools that do not compete with us, establishing a membership with local chambers of commerce, networking, updates to the Building Kidz website, and more. We expect advertising and media coverage to be local and regional. We plan to prepare our advertising materials in-house, through our own advertising department. We are not required to spend any amount on advertising in the area or territory where any franchisee is located. We do have a budget for corporate advertising, however, which we will spend on regions that we expect to benefit the most from the marketing and advertising efforts.

Local Advertising. You will engage in local advertising as required by Franchise Agreement and the Operations Manual, at your sole expense. You will submit to us evidence of the completion of your advertising requirements within 30 days after expiration of the applicable advertising period. You may not advertise or use our trademarks in any fashion on the internet or via other means of advertising without our express written consent.

You may use your own advertising and marketing material, but only after receiving written approval from us. We will use our best efforts to approve or disapprove of materials submitted by you within 30 days after receipt. Advertising materials that differ from previously approved materials only in such variables as date or price will be considered to be previously approved. Even if we have approved specified materials, we may later withdraw our approval if we believe it necessary to make the advertising conform to changes in the franchise system or to correct unacceptable features of the advertising.

You will be required to spend \$500 per month if the capacity of your Building Kidz School is 75 children or fewer, or \$750 per month if the capacity of your Building Kidz School is 76 children or more, for local advertising. However, if the enrollment of your Building Kidz School is 90% of capacity or greater, as defined in the Operations Manual, and has at least 10% of capacity on your waitlist, you will only be required to maintain a basic Yelp page for your Building Kidz School, and to pay the costs thereof, and will have no other minimum local advertising cost until the enrollment or waitlist percentages fall below the listed percentages. Any advertising cooperative contributions will be credited as part of your required local advertising obligations. The following costs incurred by you will not be included within the required expenditures for local advertising:

1. Incentive programs for employees or agents;
2. Research expenditures;
3. Food costs incurred in any promotion;
4. Salaries and expenses of employees, including salaries and expenses for attendance at advertising meetings or activities;

5. Charitable, political or other contributions or donations;
6. On-campus materials consisting of fixtures or equipment;
7. Seminar and educational costs and expenses of employees.

Advertising Councils. The franchise system currently does not have advertising councils.

Advertising Cooperatives. The franchise system currently does not have advertising cooperatives; however we reserve the right to do so in the future. We may designate any geographic area in which two or more franchisees are located as a region for purposes of establishing an advertising cooperative. The members of the cooperative for any area will consist of all Building Kidz Schools in that area, whether company-owned or franchised. Company owned or Affiliate owned outlets have the option of contributing to the cooperative, on the same basis as those for franchised outlets, if the company owned or Affiliate owned outlet deems a benefit in contributing. We will control the cooperatives, including all decision making and voting, and we have the right to form, dissolve, merge or change the structure of the cooperatives. If a cooperative is established for a geographic area where your Building Kidz School is located, you must sign all documents we request and become a member of the cooperative according to the terms of the documents. We will make the governing documents for the cooperative available to franchisees.

If a cooperative is formed in your area, you must contribute to the cooperative the amounts required by its governing documents; however, you will not be required to contribute more than 1.5% of your Gross Revenue during each month to the cooperative; additionally, we will credit any cooperative payments toward satisfaction of your local advertising requirement. Note that even if your local advertising requirement is reduced based on your obtaining 90% capacity, you still must contribute to the cooperative the total amounts required by the governing documents. Under certain special promotional programs, we may require that cooperative payments be contributed to the advertising fund. Any cooperative formed in your area must maintain and administer your payments to the cooperative in accordance with its governing documents. If formed, each cooperative will be obligated to prepare an annual financial statement reporting its expenditures for the previous year to its members. The cooperatives will not use any funds for advertising that is principally a solicitation for the sale of franchises.

Advertising Fund. We have established an advertising fund (“**Advertising Fund**”) to promote the Building Kidz brand and our system of Building Kidz Schools. All franchisees must contribute 1% of Gross Revenue on a monthly basis to the Advertising Fund; and we may increase your contribution to 1.5% of Gross Revenue on 30 days’ written notice to you. Franchisor-owned or Affiliate owned outlets are not required to contribute to the Advertising Fund but may choose to do so. Your monthly contributions to the Advertising Fund will be used solely for marketing and advertising initiatives including internet, website development and support, search engine optimization, social media, television, radio, magazine, newspaper and other general advertising campaigns; direct mail and outdoor billboard advertising; public relations activities; employing advertising agencies; and costs of our personnel and other departmental costs for advertising that we may administer or prepare internally. We may also use the Advertising Fund to defray our reasonable administrative costs and any overhead that we may incur in the administration or direction of the fund and related programs. The monthly contributions to the Advertising Fund and its earnings will not otherwise benefit us.

We direct all promotional programs and have sole discretion to approve or disapprove the creative concepts, materials, and media used in the programs and their placement and allocation. The Advertising Fund is intended to maximize brand awareness, general public recognition and acceptance of our trademarks (including, without limitation, maintenance and remediation efforts to prevent the potential devaluation of our trademarks) and improve the collective success of all franchised Building Kidz Schools. We and our designated agents are not required to manage the Advertising Fund so as to ensure

(a) that your benefits from those expenditures are equivalent or proportionate to your contribution or (b) that any particular franchisee benefits directly or pro rata from the promotional programs.

We will administer the Advertising Fund and maintain the Advertising Fund in a separate bank account. The Advertising Fund will not be audited, but we will prepare financial statements for the Advertising Fund which will be available to the franchisees on written request. Periodic accounting of how advertising fees are spent will not be provided. Unused funds within a fiscal year in the Advertising Fund will carry over to the following fiscal year, or we may, in our discretion, return unused funds to the contributors in proportion to the respective amounts paid by them, without interest, on the basis of their respective contributions. The franchisor will not use any amount of the Advertising Fund to solicit new franchise sales. We reserve the right to loan the Advertising Fund money at a reasonable interest rate. We have the right to terminate the Advertising Fund at any time. We had franchisees operating during our last fiscal year, which ended December 31, 2017, and we collected contributions to the Advertising Fund in the amount of \$58,270 and spent 60% on production, 38% on media placement, and 2% on fund administrative costs.

Social Media. We have sole discretion and control over any profile or other presence using or relating to our trademarks that are maintained on social media, including without limitation Facebook, Twitter or other similar outlets that currently exist or may exist in the future. We may (but are under no obligation to) establish guidelines for the social media presence of franchisees. In that event, you must comply with the standards, protocols and restrictions that we impose.

Please refer to Franchise Agreement, Sections 4,10.

(5) COMPUTER SYSTEMS.

We require you to use a computer system (“**Computer System**”) in your Building Kidz School. You can use any computer system, as long as it meets our minimum standards for processor speed, RAM and hard drive capacity, has a Windows® operating system (currently Windows 7) that is upgraded periodically to reflect the current operating system specified in our Operations Manual, has high-speed internet connectivity (DSL or Broadband) and certain business productivity tools provided by Microsoft Office. You will need to purchase iPads (approximately 1 per classroom) for use with Brightwheel software to enable uploading and management of content through Brightwheel software.

We must approve all software that you use. We require you to use the following software programs and capabilities (some of these may come bundled with your laptop or desktop computer):

- High-speed Internet connectivity (DSL or Broadband),
- Microsoft Office Suite (includes by MS Word, Excel, Outlook) for word processing, spreadsheets and email communications,
- Acrobat Reader (this program can be downloaded for free) for reading files that are in portable document format (PDF),
- Browser Internet Explorer/Mozilla Firefox/Google Chrome/Safari,
- Accounting Software QuickBooks Pro or comparable software, and
- A child care management software which allows for electronic sign in and sign out of children, operational analysis, financial analysis, tuition debits, and related functionality to ensure security.

You will need to purchase the following hardware, if you do not already own it:

- Printer/fax machine/scanner (we recommend an all-in-one machine from Canon, Dell, HP, Epson or Brother manufacturers); you must be able to print in color,
- A projector with a computer interface (we recommend one manufactured by Dell, Sony, Infocus, Mitsubishi or Optoma), and
- A wireless router and network interface cards (we recommend one manufactured by Linksys, Netgear or DLink). In addition, Wi-Fi extenders may be required to cover the entire building.

Your cost of purchasing or leasing the computer system will vary greatly depending on the items you already own and what you need to buy. Nevertheless, we estimate that the total cost for your Computer System will range from \$1,300 to \$7,000. You are responsible for your Computer System, and we will not provide any ongoing maintenance, repairs, upgrades, or updates to your Computer System. You may be required to update to the newest version of an operating system from time to time. The cost of the upgrade will depend on the cost of the operating system at that time. In general, you will update or upgrade the various programs used on your computer, just as any computer user does. There is no contractual limit on the frequency or cost of this updating process, but it is usually a nominal expense, which we estimate to be less than \$500 per year. We might also ask you to implement other software or hardware related to system improvements to better manage children and staff records. If we do so, you may be required to pay a monthly or annual fee for the software or hardware we will require.

The annual cost of Computer System maintenance, updating, upgrading, and support contracts will vary depending on the Computer System purchased. The monthly fees for ProCare, CRM, and Brightwheel are included in ITEM 6.

We will have access to the ProCare, CRM, and Brightwheel systems, which will give us visibility into registered children, attendance data, and end-customer information. We have the right to inspect your books, records, data and financial statements, and this right includes access to the software programs used to compile this information.

We have the right to independently access your electronic information and data through our proprietary data management and intranet system, and to collect and use your electronic information and data in any manner we choose to promote the development of the System and the sale of franchises. There is no contractual limitation on our right to receive or use information through our proprietary data management and intranet system.

Please refer to Operations Manual Section 2.

(6) OPERATIONS MANUAL

After you sign the Franchise Agreement, we will loan you a copy of our confidential and proprietary operations manual (“**Operations Manual**”). The Operations Manual contains 1108 pages. You may find a copy of the Table of Contents for the Operations Manual attached as **Exhibit H**.

Please refer to Franchise Agreement, Section 9.

If you are an individual, you must be the “**Managing Owner.**” If you are a business entity, you must appoint a shareholder, member, or partner (if applicable) to be your “**Managing Owner.**” The Managing Owner (and, if you are a business entity, all principals who own or control at least 20% of the entity or, if no one individual controls 20% then all owners of the entity) must attend and successfully complete to our satisfaction our training program (“**Franchisee Training Program**”). The Franchisee Training Program will consist of approximately two weeks of training in Building Kidz methods, techniques, and curriculum applications, which may occur at any time after you sign your Franchise Agreement, but prior to the grand opening of the location of your Building Kidz School. The classroom portion of the Franchisee Training Program currently is provided at our business headquarters (303 Vintage Park Drive, Foster City, CA 94404). The on-the-job portion is currently provided at our business headquarters but may also be partially provided onsite at any one of the Building Kidz School campuses. If you are purchasing an existing Building Kidz School, Sacramento Converted School or Pre-Existing Location, the length, timing, and place of the Franchisee Training Program will be determined on a case-by-case basis.

The methods and techniques taught during the Franchisee Training Program include, without limitation, the following: building enrollment; local advertising, marketing and promotion; accounting, insurance requirements, budgeting and controlling costs; reporting and record keeping; facilities maintenance; snack and meal planning; recruiting, hiring and employee scheduling; health and safety matters; state licensing and regulation matters; and the Building Kidz curriculum.

We will provide initial training prior to opening for up to three people, including your Managing Owner, at our headquarters at no additional cost to you. We will provide instructors, training material, breakfast, and lunch for every day of training, at our cost. You are responsible for all other expenses, including the wages of all of your attendees, and the cost of travel, lodging, and food (beyond the breakfast and lunch provided by us each training day).

The Franchisee Training Program is offered periodically or on an as needed basis.

Before you open your Building Kidz School, your Managing Owner must successfully complete the entire Franchise Training Program provided at our corporate headquarters or elsewhere to our satisfaction. In addition, you must appoint a qualified site director (“**Director**”) (who may be, but is not necessarily, the Managing Owner) who will be responsible for the day-to-day operations of your Building Kidz School. Before your grand opening, if we determine that additional training is required for the initial Director of your Building Kidz School, the initial Director must complete a site director specific training program, which will be tailored to that specific Director’s needs, to our satisfaction; and, if we determine such training is required, all subsequent Directors must complete a site director specific training program, which will be tailored to each specific Director’s needs, before they start working as a Director on your campus. We reserve the right to charge you a fee (“**Additional Training Fee**”) for training each subsequent Director that you choose for your Building Kidz School. Additional training programs or refresher courses, such as ECE courses, are not required, but are highly recommended.

Please refer to Franchise Agreement, Section 10.

We have the right to conduct quality control inspections (“**QC Inspections**”) of your Building Kidz School. The QC Inspections are divided into sections. If your school fails the same section of a QC Inspection more than once in any rolling twelve-month period, or fails the entire QC Inspection three consecutive times in any 12 month period, or is issued a citation from any government body, and is subsequently issued another citation for the same or similar violation within any rolling twelve-month period, we may require you to attend, at your expense, additional and/or remedial training. We may charge the Additional Training Fee for this training. We may also require additional, more frequent, QC Inspections to ensure compliance at your expense.

ITEM 12

Territory

Your Franchise Agreement will specify a nonexclusive territory (“**Territory**”) which you will be granted after execution of a Franchise Agreement. Generally, we will grant you a minimum radius of one-half mile from the front door of your Building Kidz School. We reserve the right, however, to grant you a smaller radius in densely populated markets and to grant you a larger radius protection if you are operating in a suburban or rural area. The specific boundaries of your Territory may include municipal or county boundaries, roads, or natural geographic boundaries (such as water or mountain ranges). The actual size of your Territory will vary depending upon the availability of contiguous markets, our long range plans, your financial and operational resources, and market conditions. A written description of your Territory will be inserted in **Attachment I** to the Franchise Agreement before you sign. If the site of your Building Kidz School has not been identified as of the signing of the Franchise Agreement,

Attachment I to the Franchise Agreement will be marked as “To Be Determined,” and your Territory will be determined upon site identification.

Other than as designated in the Franchise Agreement, and as specified below, there are no other circumstances that permit us to modify your rights involving the Territory. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we or our Affiliates own, or from other channels of distribution or competitive brands that we control. Your Territory is merely a geographical protection and does not provide you any exclusive rights to market to customers living or working in your Territory. You may service a customer residing or working inside or outside of your Territory. Similarly, other franchise owners of Building Kidz Schools may service and market to customers residing in or working in your Territory.

You must operate your Building Kidz School at the specific Franchised Location designated in the Franchise Agreement. You cannot move your Franchised Location without our prior written approval. Our approval of a Franchised Location is based on a variety of factors, including the demographics of the proposed new location. Our approval of your Franchised Location does not guarantee the success of your

Building Kidz School. If you request to move your Building Kidz School to a new Franchised Location, we may charge you a Relocation Processing Fee in connection with your relocation.

Except as provided below and within the Franchise Agreement, we will not grant another franchise in your Territory. Customers from your Territory may purchase services from other Building Kidz Schools. We reserve for ourselves the exclusive right to market any other products or services utilizing the Marks or other marks utilizing alternative distribution channels, including over the Internet. We are not required to compensate you for any solicitation or acceptance of orders inside your Territory via alternative channels of distribution.

If you sign an Area Developer Agreement to purchase Area Development Rights, you will acquire the temporary right to develop Building Kidz Schools in a Development Territory described in a Development Schedule, which you and we must agree upon. The Development Schedule will require you to open at least one new Building Kidz School in your Development Territory every 12 months. We will have 30 days from the date you submit a potential site for each new Building Kidz School to advise you whether the site satisfies our minimum site criteria. If we do not advise you that the proposed site satisfies our minimum site criteria, you must select another site that does satisfy such criteria. Your failure to satisfy the terms of the Development Schedule may result in the termination of your Area Developer Agreement, the reduction of your Area Developer Rights, or the loss or reduction of your Development Territory, at our discretion. When and if the Development Schedule has been finally satisfied or expires by its terms, you may no longer have rights to your Development Territory, and each Building Kidz School may be limited to its individual Territory.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

From time to time we are approached, or we approach, large corporations or corporate enterprises (such as business or industrial parks) to discuss the establishment of a Building Kidz School. Any Location that is on or near the premises of a company or corporation which all of the customers of the Location are affiliated with the company or corporation, and which Franchisor or a franchisee or affiliate of Franchisor have an agreement with said company or corporation to operate multiple Locations in disparate geographic areas, all with the intent of servicing said company or corporation’s employees, subcontractors, and/or other affiliated parties is defined as a “**National Account Location**.” We reserve the right to establish, or allow an Affiliate or another franchisee to establish, a National Account Location

anywhere, including within the boundaries of a franchisee's Territory, and you agree in the Franchise Agreement to permit us to do so.

Rights We Reserve Under the Franchise Agreement:

As noted above, and as specified in the Franchise Agreement, we will not establish, franchise or license others to establish a Building Kidz School in the Territory, except a National Account Location, during the term of the Franchise Agreement so long as you are in compliance with the Franchise Agreement. However, and despite those promises and obligations, we and our Affiliates retain all rights with respect to Building Kidz Schools, the System, the Marks, the sale of similar or dissimilar services, and any other activities we deem appropriate whenever and wherever we desire, including:

1. to own, franchise, license or operate Building Kidz Schools at any location outside of the Territory, regardless of the proximity to your Building Kidz School, and even if the Territory of another Building Kidz School "overlaps" a portion of your Territory. We will not establish within your Territory another franchisee or company-owned outlet, except a National Account Location, which may use the Marks;
2. to own, franchise, or operate one or more Building Kidz Franchises at a National Account Location located anywhere, including inside your Territory;
3. to use the Marks and the System to sell any products or services, similar to those which you will sell, through any alternate channels of distribution within or outside of the Territory. This includes, but is not limited to, retail locations and other channels of distribution such as stores, shops, kiosks, malls, airports, and college campuses, at special events, and other channels of distribution such as, television, mail order, catalog sales, wholesale to unrelated retail outlets, or over the Internet. We exclusively reserve alternative channels of distribution such as the Internet, catalog sales, telemarketing or other direct marketing, as channels of distribution for us. You may not independently use alternative channels of distribution to make sales within or outside your Territory;

4. to use and license the use of other proprietary and non-proprietary marks or methods which are not the same as or confusingly similar to the Marks, whether in alternative channels of distribution or in the operation of a business offering educational services, at any location, including within the Territory, which may be similar to or different from the business operated by you;
5. to purchase or be purchased by, or merge or combine with, any business, including a business that competes directly with the Building Kidz Business you operate, wherever located;
6. to acquire and convert to the System operated by us any businesses offering services and products related to providing educational services, including such businesses operated by competitors or otherwise operated independently or as part of, or in association with, any other system or chain, whether franchised or corporately owned and whether located inside or outside of the Territory; and
7. to implement multi-area marketing programs including regional pricing and service programs, which may allow us or others to solicit or sell to clients, or otherwise dictate service and pricing strategy, anywhere. We also reserve the right to issue mandatory policies to coordinate these multi-area marketing programs including the right to establish minimum or maximum pricing for such programs, as permitted by law.

At this time, we do not offer to franchisees any options, rights of first refusal, or similar rights to acquire additional franchises. We reserve the right to offer options, rights of first refusal and similar rights at any time in our sole discretion, on such terms as we determine.

ITEM 13 Trademarks

We grant you the nonexclusive right to use our Marks, including the names “BUILDING KIDZ SCHOOL”. You must also use our other current or future Marks only as we may designate to operate your Building Kidz School. You must indicate, as required in the Franchise Agreement and specified in the Operations Manual, that you are an independent operator of the Building Kidz School and shall use the appropriate trademark and copyright marks as indicated by us.

The Marks and the System are owned by our Affiliate, Building Kidz, Inc., and are licensed to us and our Affiliates. Building Kidz, Inc. has granted us a non-exclusive license (“**Intellectual Property License**”) to use the intellectual property for purposes of franchising the System around the world. The Intellectual Property License extends for an unlimited time period, commencing April 1, 2015, provided that we are not in default or do not materially breach the Intellectual Property License by engaging in any activity which damages the Marks or the goodwill of the System.

Building Kidz, Inc. has registered the following Marks on the Principal Register of the United States Patent and Trademark Office (“**USPTO**”):

Mark	Registration Number	Registration Date	Register
	4807123	September 8, 2015	Principal

Periodically we also grant you the right to use other common law trademarks which are owned by Building Kidz, Inc. and licensed to us. We do not have a federal registration for those common law trademarks. By not having a Principal Register federal registration for our common law marks, we do not have certain presumptive legal rights granted by registration. You must follow our rules when you use any of the Marks. You may not use any of the Marks alone or with modifying words, designs or symbols as part of a corporate name or in any form on the Internet, including, but not limited to URLs, domain names, email addresses, locators, links, metatags or search techniques except as we license to you. You may not use any of the Marks in connection with the sale of an unauthorized product or service or in a manner not authorized by us in writing. Guidelines regarding proper trademark use and notices are described in the Operations Manual and will be updated from time to time at our discretion.

There is no currently effective determination of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, the trademark administrator of this state or any court, or any pending interference, opposition or cancellation proceeding, or any pending material litigation involving the Marks which are relevant to your use of these Marks. All required affidavits have been filed.

No currently effective litigation affects our use or ownership rights in a trademark. No currently effective agreements limit our right to use or license the use of our trademarks. All required affidavits have been filed.

We will control any arbitration or proceeding.

In the event of any infringement of, or challenge to, your use of any name, mark or symbol, you must notify us within 3 days, and we will have the sole discretion to take any such action we deem appropriate in order to fulfill our obligation to preserve and protect the ownership, identity and validity of the Marks. We are not obligated to protect your rights to use the Marks. We are not obligated to participate in your defense and/or indemnify you for expenses or damages if you are party to an administrative or judicial proceeding involving the Marks if the proceeding is resolved unfavorable to you. Furthermore, we are not obligated to indemnify you for any losses of any kind that you may incur in connection with any infringement of, or challenge to, our or your rights to use the Marks. If it becomes advisable at any time, in our sole discretion, to modify or discontinue the use of any name or mark and/or use one or more additional or substitute names or marks, you must pay for the tangible costs (such as replacing signs and materials) associated with such a change. You must not directly or indirectly contest our right to our Marks, trade secrets or business techniques that are part of our business.

We do not know of any infringing uses that could materially affect your use of our Marks. You should understand that there could be other businesses using trademarks, trade names, or other commercial symbols similar to our Marks with superior rights to our rights. Before starting your Building Kidz School, you should research this possibility, using telephone directories, trade directories, Internet directories, or otherwise in order to avoid the possibility of having to change the name of your Building Kidz School.

We will take whatever action we deem appropriate, in our sole and absolute discretion, to protect our rights in and to the Copyrighted Works, Confidential Information or Trade Secrets, which may include payment of reasonable costs associated with the action. However, the Franchise Agreement does not require us to take affirmative action in response to any apparent infringement of or challenge to your use of any Copyrighted Works, Confidential Information or Trade Secrets or claim by any person of any rights in any Copyrighted Works, Confidential Information or Trade Secrets. You must not directly or indirectly contest our rights to any of our Copyrighted Works, Confidential Information or Trade Secrets. ITEM 15

Obligation to Participate in the Actual Operation of the Franchise Business

Unless we agree otherwise in writing, your Managing Owner must personally participate (on a full time basis) in the direct operation of your franchise. This is required under the terms of the Franchise Agreement, and we recommend it as well. The Managing Owner will be responsible for overseeing and supervising the business. If you are a business entity, your Managing Owner is not required to have any equity interest in your franchise. If you are a corporation, limited liability company, or partnership, your owners and, if applicable, their spouses or domestic partners must personally guaranty your obligations under the Franchise Agreement and agree to be bound personally by every contractual provision, including the Confidentiality Agreement, whether containing monetary or non-monetary obligations. If you sign an Area Developer Agreement, if applicable, your spouse or domestic partner must personally guaranty your obligations under the Area Developer Agreement and agree to be bound personally by every contractual provision contained therein, whether containing monetary or non-monetary obligations. A Director, or qualified assistant site director (“**Assistant Director**”) must be on site for all operating hours. The Director or Assistant Director must be involved in the day-to-day operations of your Building Kidz School.

We may recommend staffing levels at your Building Kidz School, and require specific personnel, employee qualifications, training, dress, and appearance.

If there is a change to your Managing Owner or Director, we must approve any new Managing Owner or Director for your franchise prior to the new Managing Owner or Director starting work. The new Managing Owner must successfully complete our training program at your cost and you may be required to pay the Additional Training Fee. We will assess if the new Director has been trained as per our standards and may require the new Director to attend a Director-specific training at our headquarters, at your cost. If you (with our approval) train the Managing Owner or Director, then only abbreviated training by us is necessary and we have the right to reduce the Additional Training Fee. We will assess if the new Managing Owner or Director is trained as in accordance with our standards and may require for the new Managing Owner or Director to attend a full training at our headquarters. We may require that your Managing Owner or Director and staff sign our standard Confidentiality Agreement.

ITEM 16

Restrictions on What the Franchisee May Sell

There are no contractual limits on our right to make changes or improvements to services (or products) offered as part of our system. All learning center programs, curriculums, services and products must meet our then-current standards and specifications, as specified in our Operations Manual or otherwise in writing.

With our advanced written permission, you may acquire ~~a~~ Pre-Existing Location to convert into a Building Kidz School. If that Pre-~~Existing~~Existing Location was originally ~~designated~~designed to operate under a different model than a Building Kidz School, we may permit you to continue to operate that Pre-Existing Location under that different model for a limited Approved Transition Period while you convert the Pre-Existing Location into a fully compliant Building Kidz School. In such an instance, we have the right to require you to sign an addendum that establishes the length of the Approved Transition Period and outlines your rights and obligations during the Approved Transition Period.

ITEM 18

Public Figures

We currently do not use any public figure to promote our franchise.

ITEM 19

Financial Performance Representations

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in ITEM 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this ITEM 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Some outlets have earned this amount. Your individual results may differ. There is no assurance you will earn as much.

The following information is derived from the operation of ~~two Affiliate-owned~~ eight Franchise outlets ("~~Affiliate-Owned Franchise~~ Franchise Locations") ~~and four Franchise outlets ("Franchise Locations")~~ during the period extending from January 1, ~~2017~~ 2018 through December 31, ~~2017~~ 2018 ("~~Reporting Period~~ Reporting Period") who satisfied the reporting criteria ("~~Reporting Criteria~~ Reporting Criteria"). In order to satisfy the Reporting Criteria a location must: (i) have been in operation as an Affiliate-Owned Location ~~for the entire Reporting Period,~~ or a Franchise Location for the entire Reporting Period; and (ii) have provided us with their operations data for the entire Reporting Period. We have ~~two additional affiliate to franchised conversion locations~~ six additional Affiliate-Owned Locations, referred to in this Franchise Disclosure Document as the Sacramento Converted Schools, that did not satisfy the Reporting Criteria because they were not ~~Franchise~~ Affiliate-Owned Locations for the entire Reporting Period. Therefore, those ~~two affiliate to franchised conversion locations~~ six Affiliate-Owned Locations were not included in this ITEM 19. ~~We also had one new franchised location that opened after January 1, 2017 and therefore did not have operations data for the entire Reporting Period. Therefore, that franchised location did not satisfy the Reporting Criteria and was not included in this ITEM 19.~~ All Locations disclosed in this ITEM 19 are different in their geographic location, length of time in operation, degree of competition, and services. This is not a forecast of future financial performance.

~~"EBITDA" is defined as earnings before interest, taxes, depreciation, and amortization.~~

Notes:

1. For purposes of Tables 1, 2, and 3, the term “EBITDA” is defined as earnings before interest, taxes, depreciation and amortization. The average and median revenue, expense, and EBITDA information provided in the tables above was prepared from the sales records and reports, as generated by our Franchisees’ accounting system. In addition, we relied upon our eight Franchise Locations who met the Reporting Criteria to provide us with their business expenses in order to calculate the EBITDA numbers reflected in these three charts and the underlying data. We do not know of an instance, nor do we have reason to believe, that the manager of any Franchise Location would overstate or understate the Franchise Location’s revenues or expenses in the manager’s report. However, these revenue and expense numbers have not been audited and we have not independently verified these numbers. The EBITDA numbers include the gross profit minus all ordinary and recurring operating expenses, except interest, income taxes, depreciation and amortization. The EBITDA percentages reflect the percentage of revenue remaining after all operating expenses, except interest, taxes, depreciation, and amortization have been deducted from our total revenue.
2. ~~4-~~ The information in Table 1 on Franchise System Wide Averages and Medians provided above is based on the actual operating performance, during the twelve-month period ending December 31, 2017,2018, of ~~four~~eight Franchise Locations that have been operational for at least ~~1~~ year. The information in Table 1 is comprised of the averages of the data contained in Table 2 and Table 3 combined. Two of the ~~four~~ (50%) Franchise Campuses represented in Table 1 had capacities, revenues, expenses, EBITDAs, and EBITDA Margins~~one year. Four of the eight (50%) Franchise Locations represented in Table 1 had capacities, revenues and EBITDA margins above the average. Two of the ~~four~~ (50%) Franchise Campuses represented in Table 1 had capacities, revenues, expenses, EBITDAs, and EBITDA Margins above the medians~~eight (25%) Franchise Locations represented in Table 1 had expenses above the average and five of the eight (62.5%) Franchise Locations showed EBITDA above the average. Four of the eight (50%) Franchise Locations represented in Table 1 had capacities, revenues, expenses and EBITDAs above the medians. Three of the eight (37.5%) Franchise Locations represented in Table 1 had EBITDA Margins above the median. The highest revenue earned by a ~~Franchised-Campus~~Franchise Location was \$2,544,905,2,622,236, and lowest revenue earned by a Franchise ~~Campus~~Location was \$445,955.481,099.
3. ~~2-~~ The information in Table 2 on Affiliate to Franchise ~~Campus~~Location Conversions provided above is based on the actual operating performance, during the twelve-month period ending December 31, 2017,2018, of the ~~three~~six Affiliate-owned ~~Campuses~~Locations that were sold to Franchisees in Northern California. The revenue and expense numbers represent the actual revenue earned, and expenses incurred before interest, taxes, depreciation, and amortization, by each of the ~~three~~six reporting ~~Campuses~~in 2017. TwoFranchise Locations in 2018. Three of the ~~three~~six (6650%) reporting ~~Campuses~~Franchise Locations in Table 2 had average EBITDA and EBITDA Margins, higher than the average. One of the ~~three~~six (3316.5%) reporting ~~Campuses~~Franchise Locations in Table 2 had an average years as a ~~Franchised~~Franchise Location, capacity, years in the system, revenue, and expenses higher than the average. ~~One~~Two of the ~~three~~six (33%) reporting ~~Campuses~~Franchise Locations in Table 2 had a median capacity, years in the system, years as a ~~Franchised~~Franchise Location, revenue, expenses, EBITDA, and EBITDA margin, higher than the median. The highest revenue earned by a reporting ~~Campus~~Franchise Location in Table 2 was \$2,544,905,2,622,236, and lowest revenue earned by a Franchise ~~Campus~~Location was \$445,955.493,639.
4. ~~3-~~ The information in Table 3 on ~~Acquired and Converted Franchised Campuses~~Capacity and Full Time Equivalency Analysis provided above is based on the actual operating performance, during the twelve-month period ending December 31, 2017, of the ~~one~~ Campus that was acquired by a Franchisee from an independent operator and converted to a Building Kidz School. The

~~school was operated as a Building Kidz School Franchised Location for the entire twelve-month period ending December 31, 2017. The Campus is located in Northern California. The revenue and expense numbers represent the actual revenue earned, and expenses incurred before interest, taxes, depreciation, and amortization, by the Campus in 2017. 2018, of the eight Franchise Locations that were operating for of 2018. The Averages by Capacity table represents the performance of the eight Franchise Locations during 2018 based upon whether the Franchise Location had a student capacity above or below 85 students. The Averages by FTE % table represents the performance of the eight Franchise Locations during 2018 based upon whether the Franchise Location operated above or below 80% of the such Franchise Location's capacity. We chose the 80% threshold based upon industry data which indicates that once a Franchise Location reaches 80% capacity, additional students can be added without adding a material amount of additional expenses to support such students.~~

- ~~4. The information in Table 4 on Affiliate-Owned Locations provided above is based on the actual operating performance of the two Corporate Locations that operated in Northern California for the twelve-month period ending December 31, 2017. The information in Table 4 is not based on any Building Kidz franchised locations. Because the representation relates to the actual operating performance of our Affiliate-Owned Locations, Building Kidz franchised outlets will share some of the same characteristics, including, degree of competition, services or goods sold, and services supplied by us. However, the Affiliate-Owned Locations were not subject to the Royalty Fee, Advertising Fee or any other fees due to Building Kidz under the Franchise Agreement.~~
- ~~5. The information in Table 5 on Affiliate-Owned Locations adjusted as if subject Franchised Location Fees, provided above is based on the actual operating performance of the two Corporate Locations that operated in Northern California for the twelve-month period ending December 31, 2017, adjusted to show each locations' expenses, EBITDA, and EBITDA margin as if those locations were subject to the Royalty Fee, Advertising Fee, and other fees due to Building Kidz under the Franchise Agreement of a Franchised Location. The adjustments made include a 7% Royalty Fee, a 1% Advertising Fee, an increased adjustment to each locations' Local Advertising expense, and an increased adjustment to each locations' technology fee expense. In order to understand Table 3, it is important that you understand the concepts of "Capacity" and "Full Time Equivalency." A preschool is certified by the state in which the school operates to serve a certain number of children, which is referred to the Capacity of the school. A school's Full Time Equivalency is determined by multiplying the Capacity number by two. In other words, each child who is enrolled in your Franchise Location on a full-time (all day) basis is counted as occupying two spots in your Capacity. For example, if your Franchise Location has a Capacity of 100, the Full Time Equivalency would be 200. Assuming 20 students enrolled on a part-day basis, and 80 students enrolled on a full-day basis, your Franchise Location would be operating at 90% of its Full Time Equivalency (20 students * 1) plus (80 students * 2) equals 180. 180 divided by 200 equals a Full Time Equivalency of 90%.~~
- ~~6. The average and median revenue, expense, and EBITDA information provided in the tables above was prepared from the sales records and reports, as generated by our Franchisee's or Affiliate's accounting system. We do not know of an instance, nor do we have reason to believe, that the manager of any Affiliate-Owned Location would overstate or understate the Affiliate-Owned Location's revenues or expenses in the manager's report. However, these revenue and expense numbers have not been audited and we have not independently verified these numbers. The EBITDA numbers include the gross profit minus all ordinary and recurring operating expenses, except interest, income taxes, depreciation and amortization. The EBITDA percentages reflect the percentage of revenue remaining after all operating expenses, except interest, taxes, depreciation, and amortization have been deducted from our total revenue.~~

6. ~~7.~~ We recommend that the prospective franchisee make his or her own independent investigation to determine whether or not a Building Kidz School may be profitable. We further recommend that prospective franchisees consult with professional advisors before executing any agreement. Your accountant can help you develop your own estimated costs for your Building Kidz School.
7. ~~8.~~ We have written substantiation in our possession to support the information appearing in this Financial Performance Representation. Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request. Franchisees or former franchisees listed in this franchise disclosure document may also be a source of information.
8. ~~9.~~ A franchisee's ability to achieve any level of annual sales revenues or expenses from the sale of Building Kidz products and services will depend on these factors and others, including the franchisee's level of expertise.
9. ~~10.~~ You must receive approval from us before selling any product or service other than our authorized services or products. Therefore, your income from miscellaneous sources may not be similar to those of our Affiliate-Owned Locations disclosed above.
10. ~~11.~~ Allowances should also be made for legal, accounting, loan interest and other additional costs not reflected in this Financial Performance Representation.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Sanjay Gehani (303 Vintage Park Drive, Suite 130, Foster City, CA 94404; (408) 205-7674; Sanjayg@buildingkidz.com), the Federal Trade Commission, and the appropriate state regulatory agencies.

- d) to offer the services or products, or grant others the right to offer the services or products, whether using the Marks or other trademarks or service marks, through alternative channels of distribution, including without limitation, retail locations and other channels of distribution (other than Building Kidz Schools) such as stores, shops, kiosks, malls, airports, and college campuses, at special events and other channels of distribution such as television, mail order, catalog sales, wholesale to unrelated retail outlets, or over the Internet, whether inside or outside the Territory;
- e) to any websites utilizing a domain name incorporating the word "**Building**" or "**Kidz**" or similar derivatives thereof. Franchisor retains the sole right to market on the Internet and use the Marks on the Internet, including all use of websites, social networking sites, domain names, URL's, directory addresses, metatags, linking, advertising, and co-branding, and other arrangements. Franchisee may not independently market on the Internet, or use any domain name, social networking site, address, locator, link, metatag, or search technique, with words or symbols similar to the Marks or otherwise establish any presence on the Internet without Franchisor's prior written approval. Franchisor intends that any Franchisee website be accessed only through Franchisor's home page. Franchisee will provide Franchisor with content for Franchisor's Internet marketing, and will sign Internet and intranet usage agreements, if any. Franchisor retains the right to approve any linking or other use of its website;
- f) to acquire businesses that are the same as or similar to the Building Kidz School and operate such businesses regardless of where such businesses are located, including

inside the Territory and to be acquired by any third party which operates businesses that are the same as or similar to the Building Kidz School regardless of where such businesses are located, including inside the Territory; and

g) to implement multi-area marketing programs, including regional pricing and service programs which may allow Franchisor or others to solicit or sell clients or otherwise dictate service and pricing strategy, anywhere. Franchisor reserves the right to issue mandatory policies to coordinate such multi-area marketing programs, including the right to establish minimum or maximum pricing for such programs, as permitted by law.

2.4 Business Records. Franchisee acknowledges and agrees that Franchisor owns all business records (“**Business Records**”) with respect to customers and other service professionals of, and/or related to, the Franchise including, without limitation, all databases and customer lists (whether in print, electronic, or other form), including all names, addresses, telephone numbers, e-mail addresses, customer purchase records, and all other records contained in the database, and all other Business Records created and maintained by Franchisee. Franchisee further acknowledges and agrees that, at all times during and after the termination, expiration, or cancellation of this Agreement, Franchisor may access such Business Records, and may utilize, transfer, or analyze such Business Records as Franchisor determines to be in the best interest of the System, in Franchisor’s sole discretion. Franchisee acknowledges and agrees that Franchisee neither has, nor will acquire, any vested or property right or interest with respect to the Business Records. Franchisee further acknowledges and agrees that any goodwill occurring in the Franchise as the result of customers shall be considered the property of Franchisor.

2.5 Relocation. Franchisee may relocate the Franchise from the Designated Campus to a new Designated Campus only with Franchisor’s prior written consent, which will not be unreasonably withheld. In giving its consent, Franchisor will consider the following: (i) whether Franchisee is in good standing under this Agreement and any other agreement with Franchisor, including the Operations Manual; (ii) whether Franchisee has signed a copy of the Franchise Agreement that is currently effective at the time of relocation; (iii) whether Franchisee agrees to and has the financial capacity to construct and equip the new premises to meet Franchisor’s then applicable standards and policies; (iv) whether Franchisee pays Franchisee’s required relocation fees and costs; (v) whether Franchisor has given its approval of the new site; and (vi) such other factors as Franchisor deems applicable. Prior to the relocation, Franchisee must pay Franchisor’s then-applicable relocation fee, which fee is nonrefundable and covers Franchisor’s reasonable costs related to the relocation.

3. Term of Franchise. The term of this Agreement is as provided in the table above, subject to earlier termination as provided in this Agreement.

4. Fees, Royalties and Other Charges.

4.1. Initial Franchise Fee. Franchisee shall pay at the time Franchisee signs this Agreement, an initial franchise fee (“**Initial Franchise Fee**”) equal to \$50,000.00. The Initial Franchise Fee is fully earned upon execution of this Agreement and is not refundable for any reason.

4.2. Pre-Opening Activity Fee. Anytime prior to the date Franchisee opens for business, Franchisee must pay to Franchisor a pre-opening activity fee (“**Pre-Opening Activity Fee**”) of \$25,000. The Pre-Opening Activity Fee is fully earned upon payment and is not refundable for any reason.

4.3. Royalties. Royalties will begin to accrue at the earlier of (i) the day Franchisee open the Designated Campus, or (ii) 570 days after Franchisee signs this Agreement. At the time royalties begin to

accrue, Franchisee will pay to Franchisor the greater of 7% of the Franchisee's Gross Revenue, or the Minimum Royalty, due on the 10th day of each month for the preceding month's Gross Revenue. Franchisor may require that Franchisee (and its officers) submit a signed certification of Gross Revenue with each payment of royalties. "**Gross Revenue**" means all revenues received or sales made by or through the Franchise, excluding amounts collected and paid out for governmental sales or excise taxes, and reduced by documented refunds.

4.4. Advertising Fund and Advertising Cooperative. Franchisee will pay, separately from the Royalty payment, to Franchisor for its advertising fund and advertising cooperative the amounts provided in the table above, due on the 10th day of each month for the preceding month's Gross Revenue.

4.5. Local Advertising Requirement. Franchisee must spend at least \$500 per month if the capacity of its Building Kidz School is 75 children or fewer, or \$750 per month if the capacity of its Building Kidz School is more than 75 children, for local advertising ("**Local Advertising Requirement**"). However, if enrollment at Franchisee's Building Kidz School is 90% of capacity or greater, as defined in the Operations Manual, and the Building Kidz School has at least 10% of capacity on the waitlist, Franchisee will not have a minimum monthly Local Advertising Requirement for as long as Franchisee's Building Kidz School retains those capacities. Notwithstanding the foregoing, Franchisee must always maintain a Yelp page with capabilities for videos and pictures to be displayed, or similar program as defined in the Operations Manual, and will pay the costs incurred therefrom. Any Advertising Cooperative contributions will be credited as part of Franchisee's Local Advertising Requirement. The following costs incurred by Franchisee will not be credited towards the Local Advertising Requirement: (i) incentive programs for employees or agents; (ii) research expenditures; (iii) food costs incurred in any promotion; (iv) salaries and expenses of employees, including salaries and expenses for attendance at advertising meetings or activities; (v) charitable, political, or other contributions or donations; (vi) on-campus materials consisting of fixtures or equipment; or (vii) seminar and educational costs and expenses of employees.

4.6. Other Fees. Franchisee will pay such other fees and charges as required by Franchisor in the Operations Manual or otherwise in Franchisor's policies in effect from time to time. These charges may include, for example, a monthly website hosting fee, website maintenance fee, and Technology Fee. Franchisor may change the amount, payment terms, and other terms of these fees and charges from time to time in its sole discretion.

4.7. First Month's Payments. Except as otherwise set forth in Section 4.3 regarding Franchisee's failure to open and operate the Designated Campus in a timely manner, Franchisee will commence to owe royalties, advertising fund, advertising cooperative and like amounts due under this Agreement at opening of the Franchise for business.

4.8. Late Payments. Franchisee will pay to Franchisor a late charge of \$150 for any payment not received by Franchisor when due, and all late amounts will bear interest at 10% per year accruing from the date due.

5. Financial Statements; Tax Returns. Franchisee must provide Franchisor with the following financial statements and tax returns within each specified time frame:

5.1. Regular Reports. Franchisee will give Franchisor regular reports of the Franchise's business and finances for a month no later than the 10th day of the following month. Franchisee will use such formats as may be required in the Operations Manual from time to time.

5.2. Financial Statements. In addition, within 60 days after the close of each calendar year of Franchisee, Franchisee must submit to Franchisor a copy of Franchisee's financial statements ("**Financial Statements**") for the Franchisee's previous calendar year. The Financial Statements must include Franchisee's income statement, expenses, balance sheet, and statement of retained earnings or partnership account. The Financial Statement must be reviewed by a certified public accountant licensed to practice in the state in which Franchisee operates its Building Kidz Designated Campus, who will prepare the statement in accordance with GAAP.

5.3. Tax Returns. Franchisee will submit to Franchisor, within 90 days of the end of Franchisee's fiscal year, copies of its federal, state, and local income, sales, and property tax returns.

6. Audits. Franchisor may audit Franchisee's books and records (including tax returns) during normal working hours. If an audit discloses an underpayment of amounts due to Franchisor, Franchisee will immediately pay these amounts to Franchisor plus accrued interest on the underpaid amount at the rate provided in the Section, "**Late Payments**" above. If (i) the underpayment exceeds 5% of the total amount due for any period, or (ii) Franchisee fails to provide in a timely manner any reports or supporting records, or (iii) Franchisee fails to follow recommendations made by the auditor by the deadlines provided in an audit report; then: Franchisee will reimburse Franchisor, due within 30 days after Franchisor's demand, for all related expenses actually incurred by Franchisor, including legal fees, accounting fees, travel costs, room and board, per diem charges and other associated expenses plus a \$1,000 penalty.

7. Inspections. Franchisor may audit classrooms and the Franchise remotely through video and audio recording devices for quality assurance purposes. Franchisor may conduct quality control inspections of the Franchise during normal business hours, with or without prior notice, including inspections of Franchisee's books, records and computer and accounting systems. If Franchisor notifies Franchisee of any deficiencies, Franchisee must immediately correct the deficiencies. Franchisor's inspection rights are more expansively set forth in the Operations Manual and may be modified at any time.

8. Review and Access to Business Bank Account. Franchisor must at all times have read only access to view the business bank account used by Franchisee to operate the Designated Campus. Franchisor must at all times have debit access to debit the business bank account used by Franchisee to operate the Designated Campus for each month's royalties, and any other amounts due to Franchisor, from time to time. Before opening, Franchisee must sign and deliver to Franchisor, and Franchisee's bank, all required documents that permit Franchisor to debit Franchisee's business bank account for these stated purposes.

9. Operations Manual. Franchisee will operate the Franchise in compliance with Franchisor's Operations Manual and with all applicable laws. Franchisor may revise the Operations Manual from time to time in its sole discretion. Franchisee is bound by Franchisor's existing Operations Manual and all future revisions to and future versions of the Operations Manual, all of which are incorporated into this Agreement. Franchisee understands that the Operations Manual, and changes to it, may require Franchisee's purchase of fixtures, equipment, supplies, training, advertising, etc., and may regulate the Franchise's staffing levels, and require specific personnel, employee qualifications, training, dress, and appearance, and otherwise may require Franchisee to spend money or alter its operations. Franchisee will immediately conform to all changes at its own expense. Franchisee's failure to comply with the Operations Manual at any time will constitute default under this Franchise Agreement.

10. Specific Obligations of Franchisee.

10.1. Managing Owner and Director. The Managing Owner must personally participate on a full time, 40 hours per week, basis in the direct operation of the Franchise. If the Franchisee is an

individual, the “**Managing Owner**” is the Franchisee. If Franchisee is a legal entity, it must appoint a shareholder, member, or partner (as applicable) to be its “**Managing Owner.**” The Managing Owner will be responsible for overseeing and supervising the Franchise and must complete Franchisor’s initial franchisee training. Additionally, Franchisee must appoint a qualified site director (“**Director**”) (who may be, but is not necessarily, the Managing Owner). A Director or qualified assistant site director (“**Assistant Director**”) must be on site for all operating hours and be involved in the direct day-to-day operations of the Franchise. The Franchisor has the right, but not the obligation, to approve any new Managing Owner or Director for the Franchise prior to the new Managing Owner or the Director starting work. Franchisor will assess if the new Managing Owner or the Director is trained as per Franchisor’s standards and may require for the new Managing Owner to attend additional training or the Director to attend a Director-specific training at Franchisor’s headquarters, at the expense of Franchisee. Franchisee will keep Franchisor informed of the identity of each Director and, if applicable, each Assistant Director.

10.2. Franchise Site. Franchisee may not operate the Franchise on any site except with the prior written consent of Franchisor. Franchisee will submit to Franchisor for approval a written description of the proposed site and premises, plus the lease for the site. Franchisor at its option may visit the site. In the event that, at Franchisee’s request, Franchisor makes more than one visit to proposed sites during the site selection process, Franchisee will reimburse Franchisor for its expenses in inspecting the proposed site or sites, immediately upon Franchisor’s submission of invoice to Franchisee. The site and premises will comply with all applicable requirements in the Operations Manual, as well as all applicable laws and regulations, including for square footage, access, parking, signage, etc. Once the site is approved by Franchisor and the lease is signed, the site will be referred to as the Designated Campus and the address will be added to **Attachment I**.

10.3. Opening for Business. Franchisee must be open for business within 570 days after the date Franchisee signs this Agreement. Franchisee may not open the Franchise to the public without Franchisor’s prior written approval. By its approval, Franchisor and its management state only their belief that the Franchise is prepared to open, but they make no warranty that the Franchisee will be successful.

10.4. Franchisee Advertising. Franchisee will engage in local advertising as required by the Operations Manual, at Franchisee’s expense. Franchisee may use its own advertising and marketing material, but only after approval from Franchisor per the procedures in the Operations Manual. Franchisee may not advertise or use Franchisor’s trademarks in any fashion on the internet or via other means of advertising without Franchisor’s express written consent.

10.5. Purchase of Required Items. Franchisee will purchase the goods and services required in the Operations Manual or otherwise in Franchisor’s policies, from time to time. Franchisee must obtain all required purchases solely from Franchisor’s approved suppliers. Franchisee may contract with alternative suppliers who meet Franchisor’s criteria and approval, as provided in the Operations Manual.

10.6. Insurance. Franchisee (at Franchisee’s expense) will maintain the property, liability and other insurance required in the Operations Manual.

11. Obligations of Franchisor. Provided that Franchisee is in good standing under this Agreement and any other agreement with Franchisor, including the Operations Manual, Franchisor will provide training, services and operating know-how to Franchisee as set forth in the Operations Manual. Franchisor will use its best efforts to make its personnel available for consultation throughout the term of the Franchise in a timely manner for no additional charge except reimbursement of direct costs. Franchisor will supervise all franchisees to assure, as much as reasonable, uniform compliance with Franchisor’s standards and policies.

11.1. Advertising Fund. Franchisor will administer an advertising fund to pool advertising money from the franchisees for the promotion of the Franchise's goods and services, including internet, websites, search engine optimization, social media, television, radio, magazine, newspaper and other general advertising campaigns; direct mail and outdoor billboard advertising; public relations activities; employing advertising agencies; and costs of personnel and other departmental costs for advertising that Franchisor may administer or prepare internally. Franchisor may use the fund to defray its reasonable administrative costs and any overhead that it may incur in the administration or direction of the fund and related programs.

Franchisor will have sole control and discretion over its advertising and the advertising fund. Franchisor and its designated agents are not required to manage the fund so as to ensure (a) that any franchisee's benefits from those expenditures are equivalent or proportionate to its contribution or (b) that any franchisee benefits directly or pro rata from the promotional programs. Franchisor is not required to spend any amount on advertising in the area or territory where Franchisee is located. Because the benefits of advertising are difficult to measure with precision, Franchisor reserves the unqualified right to determine, in its reasonable discretion, how advertising money may be spent; the only condition is that the money be used in a manner that is reasonably related to the general promotion of the franchise system. Advertising fund money will not be used to solicit the sale of franchises.

The fund will not be audited, but Franchisor will prepare financial statements for the fund which will be available to the Franchisee on written request. Periodic accounting of how advertising fees are spent will not be provided. Unused funds within a fiscal year in the advertising fund will carry over to the following fiscal year, or Franchisor may, in its discretion, return unused funds to the contributors in proportion to the respective amounts paid by them, without interest, on the basis of their respective contributions. Franchisor may, in its discretion, loan money to the fund if the fund does not have sufficient resources to pay for an advertising or promotional program deemed necessary or advantageous by Franchisor. The Franchisor may terminate the fund at any time.

11.2. Advertising Cooperatives. Franchisor may, in its sole discretion, establish local and regional advertising cooperatives. Franchisor may designate any geographic area in which two or more franchisees are located as a region for purposes of establishing an advertising cooperative. Franchisor will control the cooperatives, including all decision making and voting, and it may, at its sole discretion, form, dissolve, merge or change the structure of the cooperatives. If a cooperative is established for a geographic area where this Franchise campus is located, Franchisee must sign all documents that Franchisor requests and Franchisee must become a member of the cooperative according to the terms of the documents. Franchisor may require that cooperative money be contributed to the advertising fund. Each cooperative will be obligated to prepare an annual financial statement reporting its expenditures for the previous year to its members. Advertising cooperative money will not be used to solicit the sale of franchises.

12. Non-Competition Covenants. Franchisee acknowledges that Franchisee and its owners will receive valuable training and Confidential Information (as defined in the Operations Manual) that Franchisee otherwise would not receive or have access to but for the rights licensed to Franchisee under this Agreement. Franchisee agrees to the following non-competition covenants:

12.1. In-Term Competition. Franchisee may not, during the term of this Agreement or while operating a Building Kidz School, at any location, participate directly or indirectly, in the ownership (except for ownership of not more than 5% of the outstanding stock, voting and non-voting, of a corporation, the stock of which is traded on a national securities exchange), management, operation or

control of, or be employed by or connected with in any manner (including as an independent contractor or consultant) any business that engages in any activities the same or similar to those of the Franchise or those offered by the Franchisor, which include educational activities and services to children up to the age of 12 years old. The parties agree that a breach of this covenant will cause irreparable damage to the Franchisor such that a remedy at law will be inadequate, and the Franchisor will be entitled to injunctive relief without the necessity of proving actual damages

12.2. Post-Term Covenant not to Compete. Franchisee may not, for a period of two years after the expiration or termination of this Agreement, regardless of the cause of termination, or within two years of the sale of its Franchise, at any location, participate directly or indirectly, in the ownership (except for ownership of not more than 5% of the outstanding stock, voting and non-voting, of a corporation, the stock of which is traded on a national securities exchange), management, operation or control of, or be employed by or connected with in any manner (including as an independent contractor or consultant) any business that engages in any activities the same or similar to those of the Franchise or those offered by the Franchisor, which include educational activities and services to children up to the age of 12 years old, or otherwise competes with Franchisor or other franchisees in the system. The parties agree that a breach of this covenant will cause irreparable damage to the Franchisor such that a remedy at law will be inadequate, and the Franchisor will be entitled to injunctive relief without the necessity of proving actual damages.

12.3. Non-Solicitation. Franchisee may not, directly or indirectly, solicit or otherwise attempt to induce or in any manner influence any person or entity with whom Franchisor or other franchisees conduct business, to terminate or modify his, her, or its business relationship with Franchisor or other franchisees, or to compete with Franchisor or other franchisees.

13. Transfer of Franchise. Franchisee may not transfer or assign any of its rights or interests in this Franchise except as follows.

13.1. Transfer upon Death of Franchisee. Upon the death of a Franchisee who is an individual, Franchisee's rights and interest in this Franchise may be transferred to Franchisee's spouse, adult child, parent or adult sibling, subject to Franchisor's required conditions below. Within 10 days after Franchisee dies, Franchisee's legal representative will notify Franchisor in writing of their plans for the Franchise including any proposed transfers to family or non-family members. Franchisor will have the right to terminate the Franchise if the Franchise is not transferred to surviving family per this paragraph or to non-family per the next paragraph within 120 days after death.

13.2. Transfer Outside of Family. For all transfers of the Franchise other than as provided in the Section above ("**Transfer upon Death of Franchisee**"), Franchisor must approve the transfer and provide Franchisee with written consent for the transfer to be effective. Franchisee will deliver to Franchisor written notification of the proposed transfer, including the identity of the transferee and all terms of the transfer, no more than 60 days and no less than 30 days prior to the transfer.

13.3. Conditions for Consent to Transfer. For all transfers (including a transfer upon the death of Franchisee), Franchisor's consent is subject to these conditions:

13.3.1 Transfer Fee. Prior to the transfer, Franchisee must pay Franchisor's transfer fee, which is fifty percent (50%) of the then current Initial Franchise Fee, and which fee is nonrefundable and covers Franchisor's reasonable costs related to the transfer. However, if the transfer occurs upon the death of Franchisee pursuant to Section 13.1, no Transfer Fee will be owed to Franchisor.

13.3.2 Transferee's Capacity to act as a Franchisee. Franchisor must be satisfied that the transferee meets all of the criteria of character, business experience, financial responsibility, net worth, and other standards that Franchisor customarily applies to new franchisees at the time of transfer.

13.3.3 Cure of Defaults. Franchisee must pay all outstanding debts to Franchisor, and Franchisee's must cure all outstanding defaults under this Agreement, the Operations Manual and any other agreement between the parties.

13.3.4 Transferee Signs Franchise Agreements. The transferee must sign the then-current form of franchise agreement and other franchise documents required by Franchisor.

13.3.5 Training. Transferee must complete Franchisor's then-current initial training program to Franchisor's satisfaction.

13.3.6 Release of Claims. Franchisee must sign a general release of claims in favor of Franchisor.

13.4. Right of First Refusal. Except for transfers pursuant to Section 13.1 or transfers to immediate family members of Franchisee, if Franchisee and a third party ("**Third Party**") agree to make a transfer of the Franchise to such Third Party ("**Offer to Transfer**"), Franchisee must first present Franchisor the right to purchase the Franchise from Franchisee according to the terms and conditions set forth in the Offer to Transfer ("**Franchisor's Right of First Refusal**"). To do so, Franchisee must deliver to Franchisor a writing, signed by Franchisee, the Third Party, and any other individuals or entities needed to effectuate the transaction, that contains the purchase price, payment terms, and any other material terms and conditions of the Offer to Transfer ("**Written Offer to Transfer**"). If Franchisor does not respond to the Written Offer to Transfer within thirty days of its receipt of the Written Offer to Transfer, Franchisor will have waived its rights to exercise Franchisor's Right of First Refusal. Franchisee must discontinue its due diligence related to the transfer and discontinue negotiations with the Third Party until Franchisor either notifies Franchisee of Franchisor's intent to exercise Franchisor's Right of First Refusal, or that Franchisor has waived its rights to exercise Franchisor's Right of First Refusal.

13.4.1 Exercise of Franchisor's Right of First Refusal. If Franchisor exercises Franchisor's Right of First Refusal and provides Franchisee with a notice of its intent to purchase ("**Notice of Intent to Purchase**"), Franchisor will begin negotiating the terms of Franchisor's purchase of Franchisee's Franchise, provided, however, Franchisor will have the right to substitute equivalent cash for any noncash consideration included in the Written Offer to Transfer or to modify the price if modification of the price is justified by any due diligence Franchisor conducts. Accordingly, Franchisee acknowledges and agrees that once Franchisee submits the Written Offer to Transfer to us, Franchisee cannot modify the purchase price included in such Written Offer to Transfer, even if Franchisee or the Third Party perform due diligence after Franchisee submitted to Franchisor the Written Offer to Transfer, and such due diligence results in Franchisee or the Third Party desiring a modification to the purchase price. In addition, unless otherwise agreed to in writing by Franchisor and Franchisee, Franchisor will prepare the transaction documents to effectuate the transaction described in the Written Offer to Transfer.

13.4.2 Waiver Notice of Franchisor's Right of First Refusal. If Franchisor refuses to accept the Written Offer to Transfer and provides Franchisee with a waiver notice ("**Waiver Notice**"), Franchisor's Right of First Refusal will lapse and be of no further force or effect for that particular Written Offer to Transfer only. The proposed transfer to the Third Party will be governed by Section 13.3 as well as the provisions of this subsection. Within thirty days after Franchisee's receipt of the Waiver Notice, Franchisee must provide Franchisor will all of the information Franchisor needs to evaluate the Third Party's application to join Franchisor's franchise system. If Franchisor approves the Third Party's

application, Franchisee and the Third Party must then effectuate the transaction described in the Written Offer to Transfer within sixty days of Franchisor's approval. If Franchisee and the Third Party fail to effectuate the transaction within such sixty day-period, the transfer of Franchisee's right to operate the Franchise pursuant to the Written Offer to Transfer will not be permitted by Franchisor. In the event that any of the terms and conditions set forth in the Written Offer to Transfer change within such sixty day-period, or Franchisee presents or receives a new Offer to Transfer to the same Third Party or any other third party at any time during or after such sixty day-period, Franchisee must first offer the same to Franchisor in accordance with this Section 13.4.

13.5. Other Transfer Terms. Franchisor will promptly respond to all notices of transfer, although Franchisor's failure to respond or silence will not be deemed its consent. For all transfers (including a transfer to family upon the death of a Franchisee) Franchisor may refuse to recognize the transfer and/or may terminate the Franchise, if Franchisee or the transferee fails to comply with any part of this Section, "**Transfer of Franchise.**" If Franchisor consents to a transfer, then Franchisee may transfer the Franchise only to the named transferee and only on the terms stated in the notice. Consent to a particular transfer will not constitute consent to any other transfer.

13.6. Definition of Transfer. "**Transfer**" means any sale, assignment, gift, or other change in ownership of any part of the rights and obligations of this Agreement, the Franchise, the lease for the Franchise site, or of an ownership interest in Franchisee constituting more than 33%, whether by a single transaction or cumulatively over a series of transactions.

14. Renewal of Franchise. Upon the expiration of each then-existing term of the Franchise, Franchisee will have the option to renew the Franchise on the same terms as franchises that Franchisor is customarily granting at the time of renewal. Franchisee's option to renew is conditioned on all of the following:

14.1. Franchisor does not have legal grounds to terminate or otherwise not to renew the Franchise, including that Franchisee has not violated this Agreement, Franchisor's Operations Manual or any other agreement Franchisee may have with Franchisor.

14.2. Franchisee delivers to Franchisor written notice of Franchisee's intent to renew not more than 240 days and not less than 180 days prior to the expiration of the then-existing term.

14.3. Franchisee signs a new Franchise Agreement. The new Franchise Agreement will be in the same form as Franchisor is then offering to new franchisees. The new Franchise Agreement may contain materially different terms from those contained in this Franchise Agreement, including higher franchise fees and costs.

14.4. Before the renewal term begins, Franchisee at its own expense remodels the Franchise premises to meet Franchisor's then-applicable standards and policies.

14.5. Franchisee signs a general release of claims on Franchisor's form.

14.6. Franchisee pays Franchisor's successor fee of ten thousand dollars (\$10,000).

14.7. If Franchisee does not sign a new Franchise Agreement prior to the expiration of this Agreement and continues to accept the benefits of this Agreement after the expiration of this Agreement, then at the option of Franchisor, this Agreement may be treated either as (i) expired as of the date of expiration with Franchisee then operating without a franchise to do so and in violation of Franchisor's rights; or (ii) continued on a month-to-month basis ("**Interim Period**") until one party provides the other with written notice of such party's intent to terminate the Interim Period, in which case the Interim Period

will terminate 30 days after receipt of the notice to terminate the Interim Period. In the latter case, all obligations of Franchisee shall remain in full force and effect during the Interim Period as if this Agreement had not expired, and all obligations and restrictions imposed on Franchisee upon expiration of this Agreement shall be deemed to take effect upon termination of the Interim Period.

15. Termination of Franchise. The parties may terminate this Agreement as follows:

15.1. Termination by Franchisee. Franchisee may not terminate this Agreement for any reason without Franchisor's advanced written consent, which Franchisor has the right to grant or deny for any reason or no reason.

15.2. Termination by Franchisor. Franchisor may terminate this Agreement as provided below. Franchisor will give written notice of termination to Franchisee at Franchisee's address in the table above. When an event of default appears to fall within one or more cure periods, the cure period with the lesser number of days will apply.

15.2.1 Default of this Agreement; Cure Period of 30 Days. Franchisor may terminate this Agreement for Franchisee's failure to conduct its business in substantial conformity with Franchisor's standards and policies, including the Operations Manual, or with any obligation imposed on Franchisee by this Agreement or any other agreement between Franchisor and Franchisee. Franchisor will give Franchisee 30 days after written notice of default to cure Franchisee's failure in this paragraph.

15.2.2 Monetary Default; Cure Period of 5 Days. Franchisor may terminate this Agreement for Franchisee's failure to pay any franchise fee or other amount due to Franchisor or its affiliates. Franchisor will give Franchisee 5 days after written notice of default to cure Franchisee's failure in this paragraph.

15.2.3 Other Defaults; No Cure Period. Franchisor may immediately terminate this Agreement for any of the following defaults:

- A. Franchisee or the business to which the Franchise relates is declared bankrupt or judicially determined to be insolvent, or all or a substantial part of the assets thereof are assigned to or for the benefit of any creditor, or Franchisee admits its inability to pay its debts as they come due.
- B. Franchisee abandons the Franchise by failing to operate the business for 5 consecutive days during which Franchisee is required to operate the business or any shorter period after which it is not unreasonable under the facts and circumstances for Franchisor to conclude that Franchisee does not intend to continue to operate the Franchise unless such failure to operate is due to fire, flood, earthquake or other similar causes beyond Franchisee's control.
- C. Franchisor and Franchisee agree in writing to terminate the Franchise.
- D. Franchisee makes any material misrepresentation relating to the acquisition of the Franchise or Franchisee engages in conduct which reflects materially and unfavorably upon the operation and reputation of the Franchise business or system.
- E. Franchisee fails, for a period of 10 days after notification of noncompliance, to comply with any federal, state or local law or regulation applicable to the operation of the Franchise.

- F. Franchisee, after curing any prior failure or default, engages in the same noncompliance whether or not such noncompliance is corrected after notice.
- G. Franchisee repeatedly fails to comply with one or more requirements of the Franchise, whether or not corrected after notice.
- H. 15.4. ~~15.3.~~ Effect of Expiration or Termination of Franchise. Upon expiration or termination of this Agreement for any reason, all rights and obligations between the parties under this Agreement will terminate, except those obligations of Franchisee which specifically or by their nature survive termination, and except as follows.

Termination of this Agreement will not relieve Franchisee of any obligation to pay money to Franchisor that matured by the effective date of termination, or of any monetary obligations imposed on Franchisee under this Agreement or any other contract between the parties, for the term of this Agreement or such contract, whether those obligations are past, present or future, and explicitly including Franchisee's payment of royalties, advertising fund contributions, and other amounts due under this Agreement for its full contractual term, beginning on the date of execution of this Agreement and ending on the date that is 10 years from the date Franchisee first opens its Designated Campus.

In addition, upon expiration or termination of this Agreement, Franchisee and all of Franchisee's officers, directors, shareholders, and partners will:

15.4.1 ~~15.3.1~~ Immediately deliver to Franchisor final reports of the Franchise's business and finances as of the date of termination or expiration.

15.4.2 ~~15.3.2~~ Immediately pay Franchisor all amounts that Franchisee owes to Franchisor.

~~15.4.3~~ ~~15.3.3~~ Immediately stop using Franchisor's trademarks, trade names, signs, advertising, website, e-mail, and telephone listings, stop using all materials and products of any kind which are identified or associated with Franchisor, and disconnect all telephone numbers that were used for the Franchise.

~~15.4.4~~ ~~15.3.4~~ Refrain from making any representation or suggestion that Franchisee is approved, associated or identified with Franchisor in any manner whatsoever.

~~15.4.5~~ ~~15.3.5~~ Immediately stop using, and take all steps necessary to amend or cancel any registration or filing that contains any of Franchisor's names and marks so as to delete the names and marks and all references to anything associated with Franchisor.

~~15.4.6~~ ~~15.3.6~~ Immediately return to Franchisor all customer lists, customer leads, materials containing trade secrets or confidential information, and all documents relating to the business practices of Franchisor including the Operations Manual.

~~15.4.7~~ ~~15.3.7~~ Refrain from using, disclosing or exhibiting any confidential information, trade secret, customer list or customer lead of Franchisor to any individual or entity other than Franchisor and refrain from copying or reproducing any such material.

16. Guaranty. If the Franchisee is an individual, Franchisee and, if applicable, Franchisee's spouse or domestic partner, must personally guarantee the Franchisee's obligations under this Agreement and agree to be bound personally by every contractual provision, whether containing monetary or non-monetary obligations. If the Franchisee is a corporation, limited liability company or other entity, its owners and, if applicable, their spouses or domestic partners, must personally guarantee the Franchisee's obligations under this Agreement and agree to be bound personally by every contractual provision, whether containing monetary or non-monetary obligations.

17. Indemnification. To the fullest extent permitted by law, Franchisee will indemnify, defend, and protect Franchisor, and hold Franchisor harmless from any claim, proceeding, loss, cost, damage, expense and liability (including court costs and reasonable attorneys' fees and specifically including reasonable attorneys' fees incurred by Franchisor in enforcing this indemnification and waiver provision against Franchisee) incurred in connection with Franchisee's operation of the Franchise or its business or its business premises, including any default by Franchisee in the performance of any term of this Agreement or Franchisor's Operations Manual. The provisions of this indemnification provision will survive the expiration or termination of this Agreement regarding any claims or liability occurring prior to expiration or termination and will not be limited by reason of any insurance carried by Franchisor and Franchisee.

17.1. Franchisee must notify Franchisor immediately if Franchisee is served with a complaint in any legal proceeding that is in any way related to the Franchise or if Franchisee becomes aware that it is the subject of any complaint to or investigation by a governmental licensing authority or consumer protection agency.

18. Franchisor IP, Trademarks & Names, and Confidential Information. Franchisor reserves the right to change its names, logos and trademarks, and its patents, copyrights and trade secrets (collectively, "IP"), when it reasonably believes that the changes will benefit its franchise system. Franchisee will promptly conform, at its own expense, to any such changes. Franchisor has no obligation to protect Franchisee's right to use the IP, or protect Franchisee against claims of infringement or unfair competition arising out of the use of the IP. Franchisee must notify Franchisor of the use of, or claims of rights to, any IP, especially trademarks, that are identical to or confusingly similar to that associated with the Franchise; however, Franchisor has no obligation to take affirmative action when notified of these uses or claims.

Franchisor has the exclusive right as against all franchisees to control any administrative proceedings or litigation involving IP. Franchisor may take the action it deems appropriate (including no action) and control exclusively any litigation, USPTO proceeding, or other administrative proceeding arising from any infringement, challenge, or claim. Franchisee must assist Franchisor as Franchisor may require in any such litigation or proceeding, and Franchisee will be reimbursed for its costs of taking any action that Franchisor may require. Franchisor is not obligated to participate in the defense of Franchisee and/or to indemnify it for expenses or damages if Franchisee is a party to any litigation or proceeding involving IP, or if the litigation or proceeding are resolved unfavorably to Franchisee. Franchisor may require Franchisee to modify or discontinue using IP, including trademarks, at any time for any reason, and Franchisee must comply with these directions within a reasonable time after receiving notice. Franchisee has no rights with respect thereto, nor is Franchisor required to reimburse Franchisee for its expenses of changing its Franchise signs, etc., or for any loss of revenue due to any modified or discontinued trademark, or for its expenses of promoting a modified or substitute trademark. Franchisee must follow Franchisor's rules when it uses any of Franchisor's IP, including giving proper notices of trademark and service mark registration and obtaining fictitious name registrations required by law. Franchisee may not use any of Franchisor's trademarks in its corporate or legal business name; with modifying words, terms, designs, or symbols (except for those licensed to it by Franchisor); in selling any unauthorized services or products; or as part of any domain name, homepage, electronic address, or otherwise in connection with a website.

The Operations Manual contains the Franchisor's trade secrets and Confidential Information, including information about its business systems. Franchisee must keep confidential all of Franchisor's trade secrets and Confidential Information. The trade secrets and Confidential Information are valuable assets of Franchisor and are disclosed to Franchisee, on the condition that Franchisee and, if applicable, Franchisee's spouse or domestic partner, and Franchisee's owners, officers, partners, etc., if Franchisee is a business entity, and employees agree to maintain the information in confidence by entering into a confidentiality agreement that Franchisor can enforce. Franchisee must promptly disclose to Franchisor all ideas, concepts, techniques or materials concerning its Building Kidz School, whether or not protectable intellectual property and whether created by or for Franchisee. All of said ideas etc. will be deemed to be Franchisor's sole and exclusive property, part of the system, and works made-for-hire for Franchisor. To the extent any item does not qualify as a "work made-for-hire," Franchisee assigns ownership of that item, and all related rights to that item, to Franchisor and must take whatever action (including signing assignment or other documents) that Franchisor requests to show its ownership or to help it obtain intellectual property rights in the item.

19. Covenants, Representations, and Warranties of Franchisee.

Franchisee covenants, represents, and warrants as follows and acknowledges that Franchisor is relying upon such covenants, representations and warranties in making its decision to enter into this Agreement.

19.1. Franchisee acknowledges that it has received, has had ample time to read, and has read this Agreement, and all related agreements with Franchisor. Franchisee acknowledges that Franchisor has advised it to obtain independent legal and accounting advice with respect to this Agreement and the transactions arising out of this Agreement. Franchisee further acknowledges that it has had an adequate opportunity to be advised by legal, accounting and other professional advisors of its own choosing regarding all pertinent aspects of the Franchised Business, Franchisor and this Agreement.

19.2. Franchisee has, or has made firm arrangements to acquire funds to commence, open and operate the Franchised Business and it is financially and otherwise able to accept the risks attendant upon entering into this Agreement.

19.3. Franchisee understands that the audited financial statements (“**Audited Financial Statements**”) of Franchisor attached to the Franchise Disclosure Document as Exhibit F have been prepared by a licensed certified public accountant in accordance with Generally Accepted Accounting Principles (“**GAAP**”) in the United States governing the preparation of Audited Financial Statements as of the effective date of the Franchise Disclosure Document. Franchisee further acknowledges that GAAP accounting rules and standards may change over time, and that Audited Financial Statements prepared under new GAAP accounting rules or standards could result in Audited Financial Statements that report results that appear different in the future or change the Audited Financial Statements previously used in a Franchise Disclosure Document. Franchisee represents and warrants to Franchisor that Franchisee reviewed the Audited Financial Statements of Franchisor attached to the Franchise Disclosure Document and to the extent that Franchisee is relying on the Audited Financial Statements as they are currently prepared as the basis for making Franchisee’s decision to purchase the Building Kidz School, future changes in those Financial Statements due to changes in GAAP will not affect the Franchisee’s decision.

19.4. All statements made by Franchisee in writing in connection with its application for this franchise were, to the best of its knowledge, true when made and continue to be true as of the date of this Agreement.

19.5. There are no material financial obligations of Franchisee, whether actual or contingent, which are outstanding as of the date of this Agreement other than those disclosed to Franchisor by Franchisee in writing.

19.6. Franchisee is not a party to nor subject to any court or administrative order or action of any governmental authority which would limit or interfere in any way with the performance by Franchisee of its obligation hereunder.

19.7. Franchisee is not a party to any litigation or legal proceedings other than those which have been disclosed to Franchisor by Franchisee in writing.

19.8. Franchisee represents that it is not a party to nor subject to agreements that might conflict with the terms of this Agreement and agrees not to enter into any conflicting agreements during the Term or any Successor Terms.

19.9. Franchisee represents that neither Franchisee nor Franchisee’s owners, if Franchisee is a legal entity, have been accused of or convicted of a crime against a child or any form of physical violence or sexual assault against any person.

19.10. Franchisee agrees and acknowledges that it has not been induced to enter into this Agreement in reliance upon, nor as a result of, any statements, representations, warranties, conditions, covenants, promises or inducements, whatsoever, whether oral or written, and whether directly related to the contents hereof or collateral thereto, made by Franchisor, its officers, directors, agents, employees or contractors except as provided herein. Franchisee acknowledges that the Franchise has been granted in reliance upon the information supplied to Franchisor in Franchisee’s application for a Franchise.

19.11. Franchisee and its owners agree to comply with and/or to assist Franchisor to the fullest extent possible in Franchisor’s efforts to comply with Anti-Terrorism Laws (as defined below). In connection with such compliance, Franchisee and its owners certify, represent, and warrant that none of

their property or interests is subject to being “blocked” under any of the Anti-Terrorism Laws and that Franchisee and its owners are not otherwise in violation of any of the Anti-Terrorism Laws.

(a) Franchisee and its owners certify that none of them, their respective employees, or anyone associated with Franchisee is listed in the Annex to Executive Order 13224 (which can be accessed at <http://www.treasury.gov/resource-center/sanctions/Documents/13224.pdf>). Franchisee agrees not to hire (or, if already employed, retain the employment of) any individual who is listed in the Annex.

(b) Franchisee certifies that it has no knowledge or information that, if generally known, would result in Franchisee, its owners, their employees, or anyone associated with Franchisee to be listed in the Annex to Executive Order 13224.

(c) Franchisee is solely responsible for ascertaining what actions it must take to comply with the Anti-Terrorism Laws, and Franchisee specifically acknowledges and agrees that its indemnification responsibilities set forth in this Agreement pertain to its obligations under this Section 17.

(d) Any misrepresentation under this Section or any violation of the Anti-Terrorism Laws by Franchisee, its owners, agents, its employees shall constitute grounds for immediate termination of this Agreement and any other agreement Franchisee has entered with Franchisor or any of Franchisor’s affiliates.

“**Anti-Terrorism Laws**” means Executive Order 13224 issued by the President of the United States, the Terrorism Sanctions Regulations (Title 31, Part 595 of the U.S. Code of Federal Regulations), the Foreign Terrorist Organizations Sanctions Regulations (Title 31, Part 597 of the U.S. Code of Federal Regulations), the Cuban Assets Control Regulations (Title 31, Part 515 of the U.S. Code of Federal Regulations), the USA PATRIOT Act, and all other present and future federal, state and local laws, ordinances, regulations, policies, lists and any other requirements of any governmental authority (including, without limitation, the United States Department of Treasury Office of Foreign Assets Control and any government agency outside the U.S.) addressing or in any way relating to terrorist acts and/or acts of war.

20. Miscellaneous.

20.1. Cross Default. Franchisee’s default under or violation of the Operations Manual, Guaranty, Confidentiality Agreement or other agreements, policies or documents in effect from time to time between Franchisor and Franchisee, will constitute a default under this Franchise Agreement by Franchisee, and will permit Franchisor’s exercise of its remedies for default under this Agreement.

20.2. Relationship of Parties. Franchisee is an independent legal entity and will make this fact clear in dealing with suppliers, lessors, government agencies, employees, customers, and others. Franchisee may not expressly or impliedly hold itself out as an employee, partner, shareholder, joint venturer or representative of Franchisor, nor may it expressly or impliedly suggest that it has the power to bind Franchisor or to incur any liability on Franchisor’s behalf. Franchisee will conspicuously display a sign that states that “This franchise is independently owned and operated.” Franchisee’s business cards, stationery, purchase order forms, invoices, leases, tax returns, and other business documents must clearly identify Franchisee as an independent legal entity.

20.3. Assignment by Franchisor. Franchisor may assign this Agreement or any rights or obligations created by it at any time without Franchisee’s consent upon the following conditions: (i) the

assignee is financially responsible as determined in Franchisor's reasonable discretion; (ii) Franchisor reasonably believes that the assignee is capable of performing Franchisor's obligations under this Agreement; and (iii) the assignee expressly agrees in writing to assume Franchisor's obligations under this Agreement.

20.4. Non-Exclusive Remedies; Survival. Franchisor's rights under this Agreement, including its rights at termination or expiration, are not its exclusive remedies. Franchisor will have all equitable and legal remedies available to it, including injunctive relief and the right to recover damages as compensation for lost profits. Termination or expiration of this Agreement will not end any obligation of either party that existed prior to termination or expiration, and all obligations of the parties which by their terms or by reasonable implication are to be performed in whole or in part after termination or expiration will survive termination and expiration.

20.5. Notices. Notices hereunder may be given only by personal delivery, e-mail or overnight courier. Notices to a party will be sent to the address set forth for such party on the signature page. A party may change its address for purposes of notices by providing the other parties with the new address in writing. Notices will be effective when received or one day after the date of forwarding by overnight courier.

20.6. Entire Agreement. This Agreement constitutes the entire agreement between the parties pertaining to the matters set forth herein and supersedes all prior and contemporaneous agreements, representations, and understandings of the parties. Nothing in this Agreement or any related agreement is intended to disclaim the representations we made in the franchise disclosure document.

20.7. Amendments, Waivers. No supplement, modification, or amendment of this Agreement will be binding unless executed in writing by all parties. No waiver of any of the provision of this Agreement will constitute a waiver of any other provision, whether or not similar, nor will any waiver constitute a continuing waiver. No waiver will be binding unless executed in writing by the party making the waiver.

20.8. Governing Law; Jurisdiction. This Agreement will be governed by and construed under California law without reference to conflicts of law principles.

20.9. Arbitration. Any dispute, claim or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of this agreement to arbitrate, will be determined by arbitration in the San Francisco Bay Area, California before one arbitrator. The arbitration will be administered by JAMS pursuant to its Streamlined Arbitration Rules and Procedures. Judgment on the award may be entered in any court having jurisdiction. This clause will not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. The parties will share equally in the costs of arbitration; except that each party will be responsible for its own attorneys' fees. These arbitration provisions will survive the termination or expiration of this Agreement.

20.10. Attorneys' Fees. The prevailing party will be entitled to the recovery of all attorneys' fees and court, arbitration and like costs (including costs of collection) in the event of any suit or other proceeding with respect to the subject matter or enforcement of this Agreement.

20.11. Equitable Relief. Nothing contained in this Agreement will bar the right of either party to obtain injunctive relief.

20.12. Binding Provisions. This Agreement binds the parties and their respective heirs, executors, administrators, personal and legal representatives, successors, and assigns.

20.13. Severability. Each provision herein will be considered severable. If, for any reason, any provision is determined to be invalid and contrary to any existing or future law, such invalidity will not impair the operation of or affect those portions of this Agreement which are valid, and such provision shall be curtailed and limited only to the extent necessary to bring it within the requirements of the law.

20.14. Counterparts. This Agreement may be executed in counterparts all of which together will constitute one document. This Agreement may be executed ~~by facsimile~~ electronically.

FRANCHISOR HAS MADE NO REPRESENTATIONS, WARRANTIES OR PROMISES OF ANY KIND TO INDUCE YOU TO SIGN THIS AGREEMENT EXCEPT THOSE SPECIFICALLY STATED IN THE FRANCHISE DISCLOSURE DOCUMENTS THAT HAVE BEEN GIVEN TO YOU. FRANCHISEE ACKNOWLEDGES THAT NEITHER FRANCHISOR NOR ANY OTHER PERSON HAS GUARANTEED THAT FRANCHISEE WILL SUCCEED IN THE OPERATION OF THE FRANCHISE OR HAS PROVIDED ANY SALES OR INCOME PROJECTIONS OF ANY KIND TO YOU. WHEREAS, Building Kidz, Inc. has licensed and granted to Franchisor the exclusive right and license to sub-license and police the use of the System and the Marks;

WHEREAS, Franchisor continues to develop, expand, use, control and add to the Marks and the System for the benefit of and exclusive use by Franchisor and its franchisees in order to identify for the public the source of the products and services marketed thereunder and to represent the System’s high standards of quality and service;

WHEREAS, Area Developer desires to obtain the exclusive right to develop, construct, manage and operate a series of Building Kidz Schools under the development schedule described in **Schedule B** attached hereto (“**Development Schedule**”) and within the territory described in **Schedule A** attached hereto (“**Development Territory**”), under the System and Marks, as well as to receive the training and other assistance provided by Franchisor in connection therewith;

WHEREAS, Area Developer hereby acknowledges that it has read this Agreement and Franchisor’s Unit Franchise Disclosure Document (“**Franchise Disclosure Document**”), and that it has

no knowledge of any representations about the Building Kidz School or about Franchisor or its franchising program or policies made by Franchisor or by its officers, directors, shareholders, employees or agents that are contrary to the statements in Franchisor's Franchise Disclosure Document or to the terms of this Agreement, and that it understands and accepts the terms, conditions and covenants contained in this Agreement as being reasonably necessary to maintain Franchisor's high standards of quality and service and the uniformity of those standards at all facilities that operate pursuant to the System and thereby to protect and preserve the goodwill of the System and the Marks; and

WHEREAS, Area Developer understands and acknowledges the importance of Franchisor's uniformly high standards of quality and service and the necessity of operating the Building Kidz Schools in strict conformity with Franchisor's quality control standards and specifications.

NOW, THEREFORE, the parties, in consideration of the promises, undertakings and commitments of each party to the other party set forth herein, hereby mutually agree as follows:

1. GRANT

1.1 Appointment. Franchisor hereby grants to Area Developer the right and license to develop, construct, operate and manage _____ (____) Building Kidz Schools in strict accordance with the System and under the Marks within the Development Territory described in **Schedule A**. Each Building Kidz School shall be operated according to the terms of a franchise agreement ("**Franchise Agreement**") with respect thereto.

1.2 Development Territory; Reservation of Rights. If Area Developer complies with the terms of this Agreement, the Development Schedule and the Franchise Agreement for each Building Kidz School opened and operated by Area Developer, then Franchisor will not franchise or license others, nor will it itself directly or indirectly develop, own, lease, construct or operate in any manner, any Building Kidz Schools in the Development Territory during the term of this Agreement. Franchisor reserves the right, among others:

(a) to own, franchise, or operate Building Kidz Schools at any location outside of the Development Territory, regardless of the proximity to the Development Territory or to any specific Building Kidz School location in the Development Territory, so long as such Building Kidz School is not located within the specific Development Territory granted to the individual Building Kidz School location;

(b) to own, franchise or operate one or more Building Kidz Schools at a designated National Account Location (as such term is defined in the unit Franchise Agreement) located anywhere, including inside the Development Territory;

(c) to use the Marks and System to sell any products, similar to those that Area Developer will sell, through alternative channels of distribution within or outside of the Development Territory, other than through Building Kidz Schools located in the Development Territory. This includes, but is not limited to, all other channels of distribution such as television, mail order, catalog sales, wholesale sale to unrelated retail outlets, or over the Internet. The Internet is a channel of distribution reserved exclusively to Franchisor, and Area Developer may not independently market on the Internet or conduct e-commerce;

(d) to use and license the use of other proprietary and non-proprietary marks or methods that are not the same as or confusingly similar to the Marks, whether in alternative channels of distribution or in the operation of a child care center, at any location, including within

the Development Territory, which may be the same as, similar to or different from the Building Kidz Schools developed by Area Developer;

(e) to purchase or be purchased by, or merge or combine with, any businesses wherever located, including a business that competes directly with Area Developer's Building Kidz Schools;

(f) to acquire and convert to the System operated by Franchisor any business offering services and products related to providing educational services, including such businesses operated by competitors or otherwise operated independently or as part of, or in association with, any other system or chain, whether franchised or corporately owned, and whether located inside or outside of the Development Territory; and

(g) to implement multi-area marketing programs, including regional pricing and service programs, that may allow Franchisor or others to solicit or sell to customers anywhere. Franchisor also reserves the right to issue mandatory policies to coordinate such multi-area marketing programs including the right to establish minimum or maximum pricing for such programs, as permitted by law.

1.3 Governing Agreement. This Agreement is not a Franchise Agreement and Area Developer shall have no right to use, in any manner, the Marks or System by virtue of this Agreement. Each Building Kidz School will be governed by the individual Franchise Agreement executed by Franchisor and Area Developer for each Building Kidz School.

1.4 Investment. The principal owner of the Area Developer must contribute some amount of its personal capital to the development of each Building Kidz School and must own at least a fifty-one percent (51%) equity interest in each Building Kidz School developed under this Agreement.

2. TERM

2.1 Initial Term. Unless sooner terminated pursuant to the provisions of Section 6, the term of this Agreement shall expire at the earlier of the date that the last Building Kidz School identified on **Schedule A** is opened for business or _____ () years from the Effective Date.

2.2 Renewal. Area Developer acknowledges and agrees that Area Developer will not have any renewal rights to this Development Agreement.

3. FEES, TRAINING, FRANCHISE AGREEMENT

3.1 Fees. Area Developer shall pay upon execution of this Agreement an area development fee ("**Area Development Fee**"), which will be defined by the area developer fee calculation ("**Area Developer Fee Calculation**") below. Franchisor acknowledges and agrees that Area Developer will not be required to pay any additional Initial Franchise Fees to open any of the Building Kidz Schools contemplated by this Agreement. However, Area Developer acknowledges and agrees that it will pay to Franchisor a pre-opening activity fee ("**Pre-opening Activity Fee**") of twenty-five thousand dollars (\$25,000.00), which will be discounted based on the Area Developer Fee Calculation, prior to the opening of each Building Kidz School to be developed hereunder. All amounts collected shall be deemed fully earned immediately upon receipt and shall be non-refundable.

Area Developer Fee Calculation:

1. If your Area Developer Agreement requires you to open ten or more Franchised Businesses within five years, your Area Developer Fee will be calculated by multiplying the amount of required Franchised Business openings by \$40,000 (forty thousand dollars), and all Pre-Opening Activity fees will be discounted by 20%.
2. If your Area Developer Agreement requires you to open more than five but less than ten Franchised Businesses within five years, or if your Area Developer Agreement requires you to open ten or more Franchised Businesses within ten years, your Area Developer Fee will be calculated by multiplying the amount of required Franchised Business openings by \$45,000 (forty-five thousand dollars), and all Pre-Opening Activity fees will be discounted by 10%.
3. If your Area Developer Agreement requires you to open five or more, but less than ten, Franchised Businesses within ten years, your Area Developer Fee will be calculated by multiplying the amount of required Franchised Business openings by \$47,500 (forty-seven thousand five hundred dollars), and all Pre-Opening Activity fees will be discounted by 5%.

3.2 Training Program. The terms of the Franchise Agreement notwithstanding, Franchisor shall provide Area Developer with Franchisor's then-current training program (as defined in the Franchise Agreement) and, in Franchisor's sole discretion, on-site opening assistance for the first two (2) Building Kidz Schools to be developed hereunder. Thereafter, Franchisor shall provide only the training program, and then only for one (1) Managing Owner or Director of each additional Building Kidz School, if necessary, and will not provide on-site assistance. Instead, Area Developer shall, after the opening of its first Building Kidz School, begin assembly of its own Building Kidz School opening assistance team, and said team must be fully trained and in place prior to the opening of the third (3rd) Building Kidz School hereunder. After the opening of the second (2nd) Building Kidz School, Area Developer's Building Kidz School opening team must provide on-site opening assistance as stipulated by Franchisor and continue to provide said assistance for each and every Building Kidz School to be opened by Area Developer under the Development Schedule.

3.3 Franchise Agreement. Area Developer shall not open any Building Kidz School until, among other things, the Pre-opening Activity Fee for said Building Kidz School has been paid in full and the then-current form of Franchise Agreement for such Building Kidz School has been executed by both Area Developer and Franchisor.

4. DEVELOPMENT

4.1 Development Schedule. Area Developer shall open and continuously operate the Building Kidz Schools in accordance with the System, and the Development Schedule set forth in **Schedule B**.

4.2 Excess Building Kidz Schools. In the event that Area Developer opens and operates a greater number of Building Kidz Schools than is required to comply with the current period of the Development Schedule, the requirements of the succeeding period(s) shall be deemed to have been satisfied to the extent of such excess number of Building Kidz Schools. Area Developer will be permitted to open Building Kidz Schools in excess of the number of Building Kidz Schools set forth in the Development Schedule only if Area Developer receives Franchisor's written consent to do so.

4.3 Monthly Reports. Area Developer agrees that it shall provide to Franchisor a monthly report of its activities and progress in developing and establishing Building Kidz Schools as provided herein. The monthly reports shall be submitted no later than the fifth (5th) day following the end of the

preceding month during the term of this Agreement. Area Developer's failure to submit required monthly reports in a timely manner shall constitute a default of this Agreement.

5. LOCATION OF BUILDING KIDZ SCHOOLS

5.1 Site Approval. With respect to each Building Kidz School to be developed under this Agreement:

(a) As soon as Area Developer locates a site within the Development Territory that it believes is suitable for a Building Kidz School, Area Developer shall submit to Franchisor such information about the proposed location including, without limitation, lease terms, land acquisition terms, demographic criteria and preliminary site plans showing building orientation, proposed unit location, parking layout, and certain other information, as Franchisor may require from time to time. If Area Developer proposes that another entity will operate the Building Kidz School, Area Developer must also submit information to Franchisor regarding the proposed franchisee entity. Franchisor reserves the right to request as much additional information regarding the site and the proposed franchisee entity as it deems necessary, in its sole discretion, and Area Developer agrees to provide such information immediately upon request. Franchisor may approve or reject, in its sole discretion, any location or franchisee entity submitted by Area Developer.

(b) The approval of the site location or franchisee entity shall *not* constitute final approval of the site for the Building Kidz School, or of the entity proposed as franchisee. Upon receipt of the site location approval, Area Developer should make an offer to secure the site via purchase or lease, which offer must be contingent upon final approval by Franchisor of the site and of the proposed franchisee entity.

(c) Should Franchisor provide final site approval and approve of the proposed franchisee entity for a Building Kidz School, Franchisor and Area Developer (or its affiliate) shall promptly enter into a Franchise Agreement for such Building Kidz School before the date Area Developer signs a lease for the approved site location, which agreement shall be in the form of Franchisor's then-current form of Franchise Agreement. The terms of the Franchise Agreement will then govern the further development and build-out of the Building Kidz School.

5.2 Building Kidz School Location. The location of each Building Kidz School shall be selected by Area Developer, within the Development Territory, subject to Franchisor's prior approval as set forth in this Section 5, which approval shall take into account all relevant demographic information then available to Franchisor. The establishment of any proposed site by Area Developer prior to approval of Franchisor shall be the sole risk and responsibility of Area Developer and shall not obligate Franchisor in any way to approve the same. The approval of a proposed site by Franchisor does not in any way constitute a warranty or representation by Franchisor as to the suitability of such site for location of a Building Kidz School.

6. DEFAULT AND TERMINATION

6.1 Conditions for Default. Area Developer shall be in default under this Agreement should Area Developer (or its affiliate):

(a) fail to comply with the Development Schedule;

- (b) fail to perform any of its obligations under this Agreement or any Franchise Agreement;
- (c) cease to be a Franchisee of Franchisor in good standing; or
- (d) fail to comply with the provisions on transfer contained in this Agreement.

6.2 Remedies and Termination Rights. Upon such default, Franchisor shall have the right, at its option, and in its sole discretion, to do any or all of the following:

- (a) terminate this Agreement;
- (b) terminate the territorial exclusivity granted to Area Developer;
- (c) reduce the size of Area Developer's Development Territory or the number of Building Kidz Schools Area Developer may develop in the Development Territory; or
- (d) accelerate the Development Schedule on immediate written notice.

In addition, if any Franchise Agreement issued to Area Developer, whether or not issued pursuant to this Agreement, is terminated for any reason, Franchisor shall have the right to terminate this Agreement on immediate written notice to Area Developer. For purposes of this Section 6, any Franchise Agreement issued by Franchisor to Area Developer or its affiliates, or any Entity (as defined in Section 7.7) or joint venture, or their affiliates, in which Area Developer or any stockholder, partner or joint venturer of Area Developer, has any direct or indirect ownership or participation interest, shall be deemed a Franchise Agreement issued to Area Developer.

7. ASSIGNMENT

7.1 By Franchisor. Franchisor shall have the absolute right to transfer or assign all or any part of its rights or obligations hereunder to any person or legal entity that assumes its obligation under this Agreement and Franchisor shall thereby be released from any and all further liability to Area Developer.

7.2 By Area Developer. Area Developer understands and acknowledges that the rights and duties set forth in this Agreement are personal to Area Developer and are granted in reliance upon the personal qualifications of Area Developer or Area Developer's principals. Area Developer has represented to Franchisor that Area Developer is entering into this Agreement with the intention of complying with its terms and conditions and not for the purpose of transferring the development rights hereunder.

- (a) Neither Area Developer nor any partner, member, or shareholder thereof shall, without Franchisor's prior written consent, directly or indirectly assign, transfer, convey, give away, pledge, mortgage or otherwise encumber any interest in this Agreement or in Area Developer. Any such proposed assignment occurring by operation of law or otherwise, including any assignment by a trustee in bankruptcy, without Franchisor's prior written consent, shall be a material default of this Agreement.
- (b) Any assignment, transfer or other disposition by Area Developer of a Building Kidz School within the Development Territory will be governed by the Franchise Agreement to which such Building Kidz School is bound.

(c) Area Developer acknowledges and agrees that any proposed assignment must be of Area Developer's entire right, title and interest in this Agreement and the Development Territory and that Area Developer may not attempt to retain any development rights for any reason after approval of such assignment by Franchisor without Franchisor's express written permission, which may be granted or denied in Franchisor's sole discretion.

7.3 Assignment Procedure. Subject to the other provisions of this Section 7, if Area Developer wishes to sell, transfer or otherwise assign any portion, or all, of the Development Territory, or this Agreement, Area Developer shall notify Franchisor, which may approve or disapprove the same in its sole discretion, and in addition Franchisor may require any or all of the following as conditions of its approval:

(a) All of Area Developer's accrued monetary obligations and all other outstanding obligations to Franchisor, its affiliates and suppliers must be fully paid and satisfied;

(b) Area Developer must not be in default of any provision of its Franchise Agreements, any amendments thereof or successors thereto, or any other agreement between Area Developer and Franchisor, its subsidiaries, parents, or affiliates;

(c) Area Developer and each of its affiliates, shareholders, members, partners, officers and directors must execute a general release, the consideration for which shall be the approval of the transfer, in a form satisfactory to Franchisor, of any and all claims against Franchisor and its parents, subsidiaries, and affiliates, officers, directors, shareholders and employees, in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances;

(d) The transferee must enter into a written assignment in a form satisfactory to Franchisor, assuming and agreeing to discharge all of Area Developer's obligations under the relevant Franchise Agreements and, if deemed necessary by Franchisor, the transferee's principals, individually, shall guaranty the performance of all such obligations in writing in a form satisfactory to Franchisor;

(e) The transferee must demonstrate to Franchisor's satisfaction that the transferee meets Franchisor's educational, managerial and business standards; possesses a good moral character, business reputation and credit rating; has the aptitude and ability to operate the Building Kidz Schools (as may be evidenced by prior related experience or otherwise); has at least the same managerial and financial acumen required of new area developers and shall have sufficient equity capital, as determined by Franchisor in Franchisor's sole discretion, to operate the Building Kidz Schools; and

(f) At Franchisor's option, the transferee must execute or, upon Franchisor's request, shall cause all interested parties to execute, for a term ending on the expiration date of the Franchise Agreement(s) and with such renewal term as may be provided by the Franchise Agreement(s), the standard form of Franchise Agreement then being offered to new area developers and franchisees, and such other ancillary agreements as Franchisor may require for the Building Kidz Schools, which agreements shall supersede the Franchise Agreements between Area Developer and Franchisor in all respects and the terms of which agreements may materially differ from the terms of the Franchise Agreements, including, without limitation, the implementation of other fees and different royalty rates.

7.4 Liability. Area Developer and its principals must remain liable for all direct and indirect obligations to Franchisor in connection with the Building Kidz Schools prior to the effective date of transfer and will continue to remain responsible for their obligations or nondisclosure, noncompetition and indemnification as provided in the Franchise Agreements and guaranty, and shall execute any and all instruments reasonably requested by Franchisor to further evidence such liability.

7.5 Guaranty. Area Developer and its principals, and, if applicable, Area Developer and its principals' spouses or domestic partners, must personally guaranty the Area Developer's obligations under this Agreement and agree to be bound personally by every contractual provision, whether containing monetary or non-monetary obligations

7.6 Transfer Fee. Area Developer or its approved transferee shall pay to Franchisor, at the time of said transfer, a Transfer Fee equal to ten thousand dollars (\$10,000.00) for each Building Kidz School to be transferred, unless the transferee is already a Building Kidz franchisee, in which case the Transfer Fee is one thousand five hundred dollars (\$1,500.00) for each Building Kidz School to be transferred, or unless the transferee is the child, parent, sibling, spouse or domestic partner of Area Developer, in which case the Transfer Fee is waived, to cover Franchisor's administrative and other expenses in connection with the transfer of the Building Kidz Schools by Area Developer. The Transfer Fee described in this Section 7.6 is independent of the transfer fee required to transfer each franchise agreement. Therefore, Area Developer or its approved transferee must also pay the transfer fee required by each franchise agreement to be transferred.

7.7 Right of First Refusal. If Area Developer or its principals shall at any time determine to sell, transfer or otherwise dispose of all or part of the rights under this Agreement or an ownership interest in Area Developer, and Area Developer or its principals shall obtain a bona fide, executed written offer from a responsible and fully disclosed purchaser, Area Developer shall notify Franchisor in writing of each such offer, and Franchisor shall have the right and option, exercisable within a period of thirty (30) days from the date of delivery of such offer, by written notice to Area Developer or its owners, to purchase the rights under this Agreement or such ownership interest for the price and on the terms and conditions contained in said purchaser's offer. If Franchisor does not exercise its right of first refusal, Area Developer or its principals may complete the sale of Area Developer or such ownership interest, subject to Franchisor's approval of the purchaser and all other conditions set forth in this Section 7.7, provided that if such sale is not completed within one hundred twenty (120) days after delivery of such offer to Franchisor, Franchisor shall again have the right of first refusal herein provided. In the event that Area Developer wishes to publicly offer its shares in any partnership or corporation that has an ownership interest in Area Developer, said public offering shall be subject to the approval of Franchisor, such approval to not be unreasonably withheld.

7.8 Entity Ownership. If Area Developer is a corporation, partnership, limited liability company, or any other form of business or association ("**Entity**"), each shareholder, member, manager, or partner ("**Controlling Person**") that is granted the rights to serve as Area Developer hereunder shall be a party to a shareholders agreement, operating agreement, or partnership agreement that shall provide, among other things, that upon any dissolution of the Entity, or upon any divorce decree among the parties who are also Controlling Persons, that ownership of the shares, membership interest, or partnership interest shall be transferred to the Controlling Person, for agreed upon consideration, which has primary responsibility for sales and marketing activities, typically the president, following any such dissolution or decree. The form and content of the shareholders agreement, operating agreement, or partnership agreement must be approved by Franchisor prior to execution.

8. CONFIDENTIALITY

8.1 Scope. Nothing contained in this Agreement shall be construed to require Franchisor to divulge to Area Developer any trade secrets, techniques, methods or processes except the material contained in Franchisor's manuals and training materials ("**Confidential Information**"), and then only pursuant to the terms, conditions and restrictions contained in the applicable Franchise Agreement. Area Developer acknowledges that its knowledge of Franchisor's know-how, processes, techniques, information and other proprietary data are derived entirely from information disclosed to it by Franchisor and that such information is proprietary, confidential and a trade secret of Franchisor. Area Developer agrees to adhere fully and strictly to the confidentiality of such information and to exercise the highest degree of diligence in safeguarding Franchisor's trade secrets during and after the term of this Agreement. Area Developer shall divulge such material only to its employees and agents and only to the extent necessary to permit the efficient operation of the Building Kidz Schools. It is expressly agreed that the ownership of all such items and property is and shall remain vested solely in Franchisor.

8.2 Disclosure. Area Developer agrees that all terms of this Agreement shall remain confidential and that Area Developer shall not make any public announcement, issue any press release or publicity, make any confirmation of statements made by third parties concerning the terms of this Agreement, or make any other disclosures other than the existence of this Agreement without the prior written consent of Franchisor unless compelled by law or ordered to do so by a court of competent jurisdiction. It is agreed and understood that Area Developer may disclose the terms of this Agreement to its professional advisors and lenders. Franchisor shall be free to make such disclosure of the terms of this Agreement as it determines, in its sole discretion, to be in the best interest of Franchisor or the System.

9. NONCOMPETITION

9.1 Competition During Term. Area Developer and its owners, members, managers, partners or shareholders, officers, directors, agents, beneficial owners, principal employees, and immediate family members, including a domestic partner, if any, shall execute Franchisor's standard Nondisclosure and Noncompetition Agreement before beginning any development efforts or otherwise having access to Franchisor's Confidential Information. Area Developer acknowledges that, pursuant to this Agreement, Area Developer will receive valuable specialized Confidential Information and information regarding the business of Franchisor and its System. Area Developer covenants that during the term of this Agreement and subject to the post-term provisions contained herein, except as otherwise approved in writing by Franchisor, Area Developer shall not, either directly or indirectly, for itself or through, on behalf of or in conjunction with any person, persons, partners or corporations:

(a) Divert or attempt to divert any business or customer of the Building Kidz Schools to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with Franchisor's Marks or the System;

(b) Employ or seek to employ any person who is at that time employed by Franchisor or by Area Developer or any other area developer or franchisee of Franchisor, or otherwise directly or indirectly induce such person to leave his or her employment; or

(c) Own, maintain, engage in, be employed by, advise, assist, invest in, franchise, make loans to or have any interest in any business that is the same as or substantially similar to the Building Kidz School.

9.2 Post-Term Competition. Area Developer covenants that, except as otherwise approved in writing by Franchisor, Area Developer shall not, for a continuous uninterrupted period commencing upon the expiration or termination of this Agreement, regardless of the cause for termination, and continuing for two (2) years thereafter, either directly or indirectly, for itself or through, on behalf of or in conjunction with any person, persons, partnership or corporation, own, maintain, engage in, be employed by, advise, assist, invest in, franchise, make loans to, or have any interest in any business that is the same as or substantially similar to the Building Kidz School and that is located within a radius of twenty five (25) miles of the Development Territory hereunder or the location of any area developer, or any company-owned or franchised Building Kidz School under the System that is in existence on the date of expiration or termination of this Agreement. However, Sections 9.1 and 9.2 shall not apply to ownership by Area Developer of less than a five percent (5%) beneficial interest in the outstanding equity securities of any publicly-held corporation. The parties further agree that this provision shall not apply to the continued ownership and operation of any Building Kidz Schools, by Area Developer or its approved affiliate, which were developed pursuant to the terms of this Agreement for so long as such Building Kidz Schools are operated pursuant to a valid Franchise Agreement.

9.3 Independent Covenants. The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If any or all portions of any covenant in this Section 9 is held unreasonable or unenforceable by a court, arbitrator or agency having valid jurisdiction in an unappealed final decision to which Franchisor is a party, Area Developer expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section 9.

9.4 Modification. Area Developer understands and acknowledges that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Sections 9.1 and 9.2 in this Agreement, or any portion thereof, without Area Developer's consent, effective immediately upon receipt by Area Developer of written notice thereof, and Area Developer agrees that it shall forthwith comply with any covenant as so modified, which shall be fully enforceable.

9.5 Defenses. Area Developer expressly agrees that the existence of any claims it may have against Franchisor, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by Franchisor of the covenants in this Section 9. Area Developer agrees to pay all costs and expenses (including reasonable attorneys' fees) incurred by Franchisor in connection with the enforcement of this Section 9 provided Franchisor prevails in any or all of its claims against Area Developer.

9.6 Irreparable Injury. Area Developer acknowledges that Area Developer's violation of the terms of this Section 9 would result in irreparable injury to Franchisor for which no adequate remedy at law may be available, and Area Developer accordingly consents to the issuance of an injunction, without the requirement of posting a bond, by any court of competent jurisdiction or arbitrator having jurisdiction over this Agreement prohibiting any conduct by Area Developer in violation of the terms of this Section 9.

9.7 Additional Covenants. At Franchisor's request, Area Developer shall require and obtain execution of covenants similar to those set forth in this Section 9 (including covenants applicable upon the termination of a person's relationship with Area Developer) from any or all of the following persons:

- (a) all directors and Managers of the Building Kidz School;

(b) all officers, directors and holders of a beneficial interest of five percent (5%) or more of the securities of Area Developer and of any corporation directly or indirectly controlling Area Developer if Area Developer is a corporation; and

(c) the members or general partners and any limited partners (including any corporation, and the officers, directors and holders of a beneficial interest of five percent (5%) or more of the securities of any corporation that controls, directly or indirectly, any general or limited partner) if Area Developer is a limited liability company or general or limited partnership.

9.8 Form. All covenants required by this Section 9 must be in forms satisfactory to Franchisor, including, without limitation, specific identification of Franchisor as a third party beneficiary of such covenants with the independent right to enforce them.

10. DISPUTE RESOLUTION

10.1 Arbitration. The parties agree that all controversies, claims and disputes between them arising out of or relating to this Agreement, the rights and obligations of the parties hereto, or any other claims or causes of action relating to the performance of either party, and the purchase of the franchise by Area Developer shall be finally resolved by submitting such matter to binding arbitration under the Streamlined Arbitration Rules and Procedures of JAMS (“JAMS”). The arbitrator shall be selected in accordance with standard JAMS procedure. In accordance with the terms of the Federal Arbitration Act, the Arbitrator shall hear the dispute in San Francisco, California. Each party shall bear its own costs and attorney fees and one-half of the arbitrator’s expenses. The decision of the arbitrator shall be final and binding. Area Developer knows, understands, and agrees that it is the intent of the parties that any arbitration between Franchisor and Area Developer shall be of Area Developer’s individual claims and that the claims subject to arbitration shall not be arbitrated in conjunction with the claims of other area developers or franchisees or on a class-wide basis, and Area Developer hereby waives any right it may assert to have its claims arbitrated in conjunction with the claims of other area developers or franchisees or on a class-wide basis.

10.2 Preliminary Injunction. Notwithstanding any provision contained in this Section 10, Franchisor may, at its sole option, institute an action or actions for temporary or preliminary injunctive relief or seeking any other temporary or permanent equitable relief against Area Developer that may be necessary to protect its trademarks or other rights or property. However, in Franchisor’s sole discretion, the final right of determination of the ultimate controversy, claim or dispute shall be decided by arbitration as aforesaid and recourse to the courts shall thereafter be limited to seeking an order to enforce an arbitral award. In no event shall Area Developer be entitled to make, Area Developer shall not make, and Area Developer hereby waives, any claim for money damages by way of set-off, counterclaim, defense or otherwise based upon any claim or assertion by Area Developer that Franchisor has unreasonably withheld or unreasonably delayed any consent or approval to a proposed act by Area Developer under any of the terms of this Agreement. Area Developer’s sole remedy for any such claim shall be an action or proceeding to enforce any such provisions, for specific performance or declaratory judgment.

11. CONSTRUCTION, MODIFICATION, ENFORCEMENT

11.1 Entire Agreement. This Agreement constitutes the entire understanding of the parties with respect to the development of the Development Territory, and there are no other representations, warranties, or other agreements expressed or implied; provided, however, nothing in any agreement is intended to disclaim the express representations made in the Franchise Disclosure Document, its exhibits

and amendments. This Agreement shall supersede all prior existing agreements between the parties concerning the subject matter of this Agreement.

11.2 Modification. This Agreement shall not be modified except by a written agreement signed by the parties hereto.

11.3 Conflict. Where this Agreement and any Franchise Agreement between the parties conflict with respect to initial training, the amount or payment terms of Initial Franchise Fees or equity interests held by Area Developer or operating partners and Managers, the terms of this Agreement shall govern.

11.4 Force Majeure. In the event that Area Developer is unable to comply with the Development Schedule due to strike, riot, civil disorder, war, failure to supply, fire, natural catastrophe or other similar events beyond its control, and upon notice to Franchisor, the Development Schedule and this Agreement shall be extended for a corresponding period, not to exceed ninety (90) days.

11.5 Subfranchise. Under no circumstances do the parties intend that this Agreement be interpreted in such a way as to grant Area Developer any rights to grant sub-franchises in the Development Territory.

11.6 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of California, which laws shall govern in the event of any conflict of laws, except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 *et. seq.*). The parties expressly consent to personal jurisdiction in the State of California and agree that, except as otherwise set forth in Section 10, the state and federal court(s) located in Los Angeles, California will have exclusive jurisdiction for the purposes of carrying out this provision. Anything to the contrary in this Section 11.6 notwithstanding, the parties expressly agree that this Agreement is not intended to confer on any area developer that is not a resident of the State of California the benefit of the California Franchise Investment Law, the California Franchise Relations Law, or any other California law providing specific protection to franchisees residing or operating in the State of California.

12. RELATIONSHIP OF PARTIES

12.1 Independent Contractor. It is acknowledged and agreed that Area Developer and Franchisor are independent contractors and nothing contained herein shall be construed as constituting Area Developer as the agent, partner or legal representative of Franchisor for any purpose whatsoever. Area Developer shall enter into contracts for the development of the Development Territory contemplated by this Agreement at its sole risk and expense and shall be solely responsible for the direction, control and management of its agents and employees. 1. The Guarantors do hereby jointly and severally unconditionally guaranty the full, prompt and complete performance of Area Developer under the terms, covenants and conditions of the Agreement, including without limitation, compliance with all confidentiality requirements, protection and preservation of confidential information, compliance with all non-compete provisions, compliance with the terms of any and all other agreements executed by Area Developer in order to open and operate the Building Kidz School, and the complete and prompt payment of all indebtedness to Franchisor under the Agreement. 4. Franchisor, its successors and assigns, may from time to time, without notice to the undersigned: (a) resort to the undersigned for payment of any of the indebtedness, whether or not it or its successors have resorted to any property securing any of the indebtedness or proceeded against any other of the undersigned or any party primarily or secondarily liable on any of the indebtedness; (b) release or compromise any indebtedness of any of the undersigned hereunder or any indebtedness of any party or parties primarily or secondarily liable on any of the indebtedness; (c) extend, renew or credit any of the indebtedness for any period (whether or not longer than the original period); (d) alter, amend or exchange any of the indebtedness; or (e) give any other form of indulgence, whether under the Agreement or otherwise.

5. The undersigned further waive presentment, demand, notice of dishonor, protest, nonpayment and all other notices whatsoever, including without limitation: notice of acceptance hereof; notice of all contracts and commitments; notice of the existence or creation of any liabilities under the

Agreement and of the amount and terms thereof; and notice of all defaults, disputes or controversies between Area Developer and Franchisor resulting from the Agreement or otherwise, and the settlement, compromise or adjustment thereof.

6. This Guaranty shall be enforceable by and against the respective administrators, executors, successors and assigns of the Guarantors and the death of any Guarantor shall not terminate the liability of such Guarantor or limit the liability of the other Guarantors hereunder.

7. If more than one person has executed this Guaranty, the term “the undersigned,” as used herein shall refer to each such person, and the liability of each of the undersigned hereunder shall be joint and several and primary as sureties.

GUARANTY

PERSONAL GUARANTY

Guarantor:		Date:	
Franchisee:		Franchisor:	Building Kidz Worldwide, LLC

The Guarantor identified in the table above, to induce Building Kidz Worldwide, LLC, as Franchisor, to enter into the Building Kidz Franchise Agreement with the above named Franchisee, unconditionally, jointly and severally, personally guaranties to Franchisor, its successors, or its assignees, the prompt full payment and performance of all obligations of Franchisee that are or may become due and owing to Franchisor, including all obligations arising out of the Franchise Agreement or any other agreement between the parties and all extensions or renewals of it in the same manner as if the Franchise Agreement was signed between Franchisor and the undersigned directly, as Franchisee.

The undersigned expressly waives notice of the acceptance by Franchisor to or for the benefit of Franchisee, of the purchase of inventory and goods by Franchisee, the maturing of bills and the failure to pay the same, the incurring by Franchisee of any additional future obligations and liability to Franchisor, and any other notices and demands. This Personal Guaranty will not be affected by the modification, extension, or renewal of any agreement between Franchisor and Franchisee, the taking of a note or other obligation from Franchisee or others, the taking of security for payment, the granting of an extension of time for payment, the filing by or against Franchisee of bankruptcy, insolvency, reorganization, or other debtor relief afforded Franchisee under the Federal Bankruptcy Act or any other state or federal statute or by the decision of any court, or any other matter, whether similar or dissimilar to any of the foregoing; and this Personal Guaranty will cover the terms and obligations of any modifications, notes, security agreements, extensions, or renewals. The obligations of the undersigned will be unconditional in spite of any defect in the validity of the Franchisee's obligations or liability to Franchisor, or any other circumstances whether or not referred to in this Guaranty that might otherwise constitute a legal or equitable discharge of a surety or guarantor.

This is an irrevocable, unconditional, and absolute guaranty of payment and performance and the undersigned agrees that liability under this guaranty will be immediate and will not be contingent upon the exercise or enforcement by Franchisor of whatever remedies it may have against the Franchisee or others, or the enforcement of any lien or realization upon any security Franchisor may at any time possess.

The undersigned agrees that any current or future indebtedness by the Franchisee to the undersigned will always be subordinate to any indebtedness owed by Franchisee to Franchisor. The undersigned will promptly modify any financing statements on file with state agencies to specify that Franchisor's rights are senior to those of Guarantor.

The undersigned further agrees that as long as the Franchisee owes any money to Franchisor (other than royalty and advertising fund payments that are not past due), the Franchisee will not pay and the undersigned will not accept payment of any part of any indebtedness owed by Franchisee to any of the undersigned, either directly or indirectly, without the consent of Franchisor.

Any dispute, claim or controversy arising out of or relating to this Guaranty or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of this agreement to arbitrate, will be determined by arbitration in the San Francisco Bay Area, California before one arbitrator. The arbitration will be administered by JAMS pursuant to its Streamlined Arbitration Rules and Procedures. Judgment on the award may be entered in any court having jurisdiction. This clause will not preclude parties from seeking provisional remedies in aid of arbitration from a court of appropriate jurisdiction. The parties will share equally in the costs of arbitration; except

that each party will be responsible for its own attorney's fees. These arbitration provisions will survive the termination or expiration of this Agreement.

This Guaranty is binding on and benefits the parties and their heirs, successors, and assigns. This Guaranty represents the entire understanding between the parties regarding its subject matter. This Guaranty may not be modified except by a written instrument signed by both parties. Failure by Franchisor to enforce any rights under this Guaranty may not be construed as a waiver of such rights. Any waiver, including a waiver of default, in any one instance may not constitute a continuing waiver or a waiver in any other instance. This Guaranty will be governed by and construed under California law without reference to conflicts of law principles. The prevailing party will be entitled to the recovery of all attorneys' fees and court, arbitration and like costs (including costs of collection) in the event of any suit or other proceeding with respect to the subject matter or enforcement of this Guaranty. If this Guaranty is signed by more than one individual, each person signing this Guaranty will be jointly and severally liable for the obligations created in it. This Guaranty will remain in full force and effect until all obligations arising out of and under the Franchise Agreement, including all renewals and extensions, are fully paid and satisfied.

INDEPENDENT AUDITORS' REPORT

Board of Directors and Members of
Building Kidz Worldwide LLC:

REPORT ON FINANCIAL STATEMENTS

I have audited the accompanying balance sheet of Building Kidz Worldwide LLC (a partnership) as of December 31, 2018 and 2017 (as restated) and the related statements of operations, changes in owner's equity and cash flows for the years then ended. These financial statements are the responsibility of the Company's management.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with generally accepted auditing standards as accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, I express no such opinion.

An audit also includes evaluating appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

OPINION

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Building Kidz Worldwide LLC (a limited liability company) as of December 31, 2018 and 2017 (as restated) and the results of operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ORGANIZATION AND NATURE OF BUSINESS

Building Kidz Worldwide LLC is a licensor and franchisor in the business of day care, kindergarten, nursery and child care facilities. The Company was registered under the laws of the State of California for the purpose of offering franchise opportunities to entrepreneurs who want to own and operate their own Building Kidz operation as a franchise. REVENUE RECOGNITION

Initial franchise fees will be recorded as income when the company provides substantially all the initial services agreed upon in the franchise agreement or when the franchise has commenced operations, whichever comes first. Therefore, no provision or liability for income taxes has been included in these financial statements.

MEMBERS CAPITAL

The LLC is authorized to issue 1,000,000 Class A units with voting rights, and 1,000,000 Class B units that have no voting rights. On April 6, 2015, the LLC issued 300,000 Class A units for a consideration of \$300K and 100,000 Class A units in lieu of intangibles contributed to one of its members.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 RESTATEMENT

The Company incorrectly included a deposit of \$840,400 for a facility in California and associated debt incorporated in this transaction. The ownership of this Company also owns an operating company, which undertook the project. The transaction was a unnoticed clerical error and was not reversed until early 2018.

NOTE 3 DISCLOSURE ABOUT FAIR VALUE OF FINANCIAL INSTRUMENTS

The Company estimates that the fair value of all financial instruments at December 31, 2018 and 2017, as defined in FASB 107, does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying balance sheet. The estimated fair value amounts have been determined by the Company using available market information and appropriate valuation methodologies. Considerable judgment is required in interpreting market data to develop the estimates of fair value, and accordingly, the estimates are not necessarily indicative of the amounts that the Company could realize in a current market exchange.

NOTE 4 FRANCHISE AGREEMENT

The terms of the Company's franchise agreement will be as follows:

- A. The Company will grant the right to use the Company name, trademark and system in the franchisee's franchise development business.
- B. The franchisee is obligated to pay a non-refundable initial franchise fee.
- C. The franchisee is obligated to pay a monthly royalty fee. Certain other fees are also outlined in the agreement.

INDEPENDENT AUDITORS' REPORT

Board of Directors and Members of
Building Kidz Worldwide LLC:

REPORT ON FINANCIAL STATEMENTS

I have audited the accompanying balance sheet of Building Kidz Worldwide LLC (a partnership) as of December 31, 2017 and 2016 and the related statements of operations, changes in owner's equity and cash flows for the years then ended. These financial statements are the responsibility of the Company's management.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with generally accepted auditing standards as accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, I express no such opinion.

An audit also includes evaluating appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

OPINION

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Building Kidz Worldwide LLC (a limited liability company) as of December 31, 2017 and 2016 and the results of operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

BUILDING KIDZ WORLDWIDE LLC
NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ORGANIZATION AND NATURE OF BUSINESS

Building Kidz Worldwide LLC is a licensor and franchisor in the business of day care, kindergarten, nursery and child care facilities. The Company was registered under the laws of the State of California for the purpose of offering franchise opportunities to entrepreneurs who want to own and operate their own Building Kidz operation as a franchise. The Company registered on August 27, 2015 (inception).

BASIS OF PRESENTATION

The financial statements are presented on the accrual basis of accounting.

REVENUE RECOGNITION

Initial franchise fees will be recorded as income when the company provides substantially all the initial services agreed upon in the franchise agreement or when the franchise has commenced operations, whichever comes first. If the fee is received over a period of time and the Company has no reasonable basis for estimating the collectability of the fee, the Company will use the installment method of recognition of the initial fee as revenue.

COMPANY INCOME TAXES

The Company, with the consent of its members, has elected to be a partnership. The Company does not incur income taxes; instead, its earnings are included in the members' personal income tax returns and taxed depending on their personal tax situations. Therefore, no provision or liability for income taxes has been included in these financial statements.

MEMBERS CAPITAL

The LLC is authorized to issue 1,000,000 Class A units with voting rights, and 1,000,000 Class B units that have no voting rights. On April 6, 2015, the LLC issued 300,000 Class A units for a consideration of \$300K and 100,000 Class A units in lieu of intangibles contributed to one of its members.

INTANGIBLES

The LLC members entered into an operating agreement in April 2015, and accepted a members' contribution of license and brand name (classified as an intangible) in exchange for the issuance of 100,000 Class A units. The fair value of the Class A units issued in this share-based transaction is more reliably measurable than the fair value of the license received. Based upon the issuance price of the Class A units (\$1 per share), management recorded the value of the intangible at \$100K.

The Company estimates that the fair value of all financial instruments at December 31, 2017 and 2016, as defined in FASB 107, does not differ materially from the aggregate carrying values of its financial instruments recorded in the accompanying balance sheet. The estimated fair value amounts have been determined by the Company using available market information and appropriate valuation methodologies. Considerable judgment is required in interpreting market data to develop the estimates of fair value, and accordingly, the estimates are not necessarily indicative of the amounts that the Company could realize in a current market exchange.

NOTE 3 COMMITMENTS AND CONTINGENCIES

The Company does not carry general liability or worker's compensation coverage, nor is it self-insured.

- C. The franchisee is obligated to pay a monthly royalty fee. Certain other fees are also outlined in the agreement.

NOTE 5 NOTE PAYABLE – MEMBER

In 2017, the Company purchased a facility for \$840,400. To purchase this asset, the Company received a loan from one member. The note is due upon demand and is non-interest bearing. The Company paid \$168,904 back on the loan during 2017.

**ADDENDUM TO THE OFFERING CIRCULAR
PURSUANT TO THE CALIFORNIA FRANCHISE INVESTMENT LAW
FOR RESIDENTS OF THE STATE OF CALIFORNIA**

The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise be delivered together with the offering circular.

None of the franchisor, any person or franchise broker in Item 2 of the FDD is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

California Business and Professions Code 20000 through 20043 provides rights to the franchisee concerning termination or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law. (11 U.S.C.A. Sec. 101 et seq.).

The franchise agreement does not contain a covenant not to compete which extends beyond the termination of the franchise. This type of provision, were it present, may not be enforceable under California law.

The franchise agreement does not contain a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The franchise agreement requires binding arbitration. The arbitration will occur in the San Francisco Bay Area, California with the costs being borne equally by franchisor and franchisee.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the laws of California. This provision may not be enforceable under the laws of other states.

Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

You must sign a general release if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

THEREFORE, THERE IS NO OPERATING HISTORY TO ASSIST YOU IN JUDGING WHETHER OR NOT TO MAKE THIS INVESTMENT.

IF APPLICABLE, YOUR SPOUSE OR DOMESTIC PARTNER MUST ALSO SIGN A CONFIDENTIALITY AGREEMENT AND A PERSONAL GUARANTY, MAKING YOUR SPOUSE OR DOMESTIC PARTNER INDIVIDUALLY LIABLE FOR YOUR FINANCIAL OBLIGATIONS UNDER THE AGREEMENT. THE PERSONAL GUARANTY WILL PLACE YOUR SPOUSE'S MARITAL ASSETS AND PERSONAL ASSETS, OR YOUR DOMESTIC PARTNER'S PERSONAL ASSETS AT RISK IF YOUR FRANCHISE FAILS.

In California Franchisees are advised to become familiar with the regulations of the State of California concerning child care centers. In California, topics covered in the regulations include, but are not limited to, daycare or childcare laws, student ratios, hours, health, instructor licensing, fingerprinting, criminal background checks, and other similar requirements. The regulations can be found on the webpage of the California Department of Social Services, entitled "Child Care Regulations" at <http://www.cdss.ca.gov/inforesources/Letters-Regulations/Legislation-and-Regulations/Community-Care-Licensing-Regulations/Child-Care>. California franchisees are advised to click through the sub-links provided at this webpage and read the regulations of the State of California regarding child care centers. As of the date of this franchise disclosure document, the relevant sub-links found on this webpage are as follows:

Child Care Centers

- Title 22, Div 12, Chap 1, Art 1-2 - Child Care Centers
- Title 22, Div 12, Chap 1, Art 3 - Child Care Centers
- Title 22, Div 12, Chap 1, Art 4-5, Child Care Centers
- Title 22, Div 12, Chap 1, Art 6, Child Care Centers
- Title 22, Div 12, Chap 1, Art 6 (Cont.) - Child Care Centers
- Title 22, Div 12, Chap 1, Art 7 - Child Care Centers
- Title 22, Div 12, Chap 1, Subchapter 2 - Child Care Centers - Infant Centers and
Subchap 3, Child Care Centers - School-Age Day Care
- Title 22, Div 12, Chap 1, Subchap 4 - Child Care Centers for Mildly Ill Children

Apart from state regulations, franchisees should keep in mind that there may be local zoning laws that might restrict or prohibit running a child care business in a particular location within a municipality or county in the State of California. These laws can apply to centers which may be classified as "schools" under applicable zoning codes, and may impose additional requirements, such as separate bathrooms for boys and girls, water fountains, special exit doors equipped with panic bars, and accommodations for disabled persons. Each municipality or county will have its own local zoning ordinances and policies regarding the placement of child care centers and related issues. Even if a child care center is permissible under the municipal or county zoning ordinance, you may be required to obtain a compliance certificate from the local zoning authority. Franchisees should investigate the zoning regulations of the municipality or county in which the franchisee intends to open a franchise, and franchisees should obtain all necessary permits and compliance certificates before opening a child care facility. Building Kidz recommends that franchisees read the applicable zoning requirements for the franchisee's intended town, city, county or

other locality, and to visit the locality's permitting office, before purchasing a franchise. Franchisees should schedule a meeting with the permitting / zoning department for their locality to clearly understand the local requirements.

WASHINGTON ADDENDA TO THE FRANCHISE AGREEMENT AND AREA DEVELOPER AGREEMENT

Item 5 of the Franchise Disclosure Document, Section 4.1 of the Franchise Agreement, and Section 3.1 of the Area Developer Agreement are revised to include the following:

In lieu of an impound of franchise fees, Franchisor will not require or accept payment of any initial fees until the franchisee (a) has received all initial training that it is entitled to under the franchise agreement or offering circular, and (b) is open for business.

Because the Franchisor has material pre-opening obligations with respect to each franchised business the franchisee opens under the Area Developer Agreement, franchisee will only be required to pay Franchisor proportionally with respect to each franchised business opened under the Area Developer Agreement.

The state of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

The undersigned does hereby acknowledge receipt of this addendum. Dated this _____ day of _____ 20_____.
