What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by litigation only in Alabama. Out-of-state litigation may force you to accept a less favorable settlement for disputes. It may also cost more to litigate with the franchisor in Alabama than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**THE FOLLOWING APPLIES ONLY TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed franchisee to meet the franchisor's then current reasonable qualifications or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor

The franchisor is Chester's International, LLC ("we," "us," or "our"). "You" means the person to whom we grant a franchise. We are an Alabama limited liability company formed in October 2002 under the name Chester's Supply Company, LLC (we changed to "National Flour Mills and Supply Company, LLC" in April 2004 and changed again to our current name in November 2009). Our principal business address is 2020 Cahaba Road, Mountain Brook, Alabama 35213. We operate under our corporate name, the CHESTER'S® trademark, and the other trademarks described in Item 13 (the "Marks") and no other name.

We grant franchises for quick-service Restaurants operating primarily under the CHESTER'S name that sell chicken and sides ("Restaurants"). We began offering CHESTER'S Restaurant franchises in January 2008. However, our former affiliate, also named Chester's International, LLC (the "First Chester's"), whose principal business address was 3500 Colonnade Parkway, Suite 325, Birmingham, Alabama 35243, offered CHESTER'S Restaurant franchises from approximately March 1, 2004 through December 2007. The CHESTER'S Restaurant franchises offered in this disclosure document are primarily for Restaurants to be located within and operated as part of other existing retail businesses, such as supermarkets and convenience stores (our "Restaurant-in-Store" concept), although we occasionally offer franchises for CHESTER'S Restaurants to be located at food court, strip mall, or other non-traditional locations (such as sports arenas or stadiums). Certain information appearing in this disclosure document, for example, outlet information in Item 20, covers all CHESTER'S Restaurants, regardless of their locations, because they operate under the same brand and sell the same products. We distinguish between these types of locations when necessary.

Before the First Chester's began offering CHESTER'S Restaurant franchises on approximately March 1, 2004, our former affiliate, Giles Enterprises, Inc. ("Giles"), whose address was 2750 Gunter Park Drive West, Montgomery, Alabama 36121, licensed existing retail operators to operate quick-service chicken and sides restaurants similar to the Restaurant opportunity offered in our disclosure document in a program called the "CHESTER FRIED® Total Program" (the "Licensed Restaurants"). Giles began licensing operators to operate Licensed Restaurants in 1974; as of December 31, 2019, there were approximately 81 Licensed Restaurants remaining in the United States. Operators of Licensed Restaurants generally did not receive all the benefits of a CHESTER'S Restaurant franchise and also were not subject to all the same restrictions and obligations. For example, Licensed Restaurants did not pay a franchise or any other initial fee. Also, most Licensed Restaurants continue to operate under the "CHESTER FRIED®" name. We are now the licensor of those Licensed Restaurants. Operators of Licensed Restaurants might be able to convert their units to franchised Restaurants if they satisfy our standards for a CHESTER'S Restaurant franchisee. If they want to convert, they will sign our Agreement. There is no conversion agreement or similar document they must sign. In addition, in certain parts of the United States, we may continue to allow certain experienced food service operators, and chain accounts who already operate one or more Licensed Restaurants, to develop

and operate additional Licensed Restaurants. We generally anticipate doing so only when the experienced food service operator or chain account prefers (for its own business reasons) not to acquire a CHESTER'S Restaurant franchise. With this exception, we focus on offering and granting CHESTER'S Restaurant franchises. Licensed Restaurants will continue to operate for many years and might compete with you if they are located in the same geographic area where your Restaurant is located. Neither we nor any current affiliate operates or has operated any Licensed Restaurants or CHESTER'S Restaurants. The First Chester's briefly operated a CHESTER'S Restaurant from 2005 to 2006.

Our Affiliate, Wynn's Grain & Spice, LLC ("Wynn's"), currently manufactures consumables, including the blended products (breeding, batter dip, and marinades) used to prepare chicken sold under the Marks. Wynn's sells these products to us, and we sell them to unaffiliated third party distributors and grocery wholesalers for resale to franchisees. We manufacture packaging and other paper materials used by franchisees and also sell them to unaffiliated third party distributors and grocery wholesalers for resale to franchisees. While franchisees generally buy these consumables, packaging, and paper materials from those third-party distributors and grocery wholesalers, they also may purchase directly from us. Wynn's also currently sells to non-Chester's food service operators (directly or through unaffiliated distributors) chicken-related food products that are similar to the food products you will buy from us or unaffiliated distributors and wholesalers and then use in operating your Restaurant. We also currently sell to non-Chester's food service operators (directly or through unaffiliated distributors) chicken cooking equipment that is similar to the equipment you will buy from us or unaffiliated distributors and then use in operating your Restaurant. These food service operators may not use any Mark that you may use under your Agreement. They will sell chicken products as a menu item under their own trade names and brands as part of their existing retail foodservice businesses. Wynn's' principal business address is 2750 Gunter Park Drive, West Montgomery, Alabama 36109. Wynn's has never operated a Chester's Restaurant or offered franchises in any line of business.

In addition to the Restaurant franchises offered in this disclosure document, from November 2013 to March 2015 we offered (through a separate franchise disclosure document) franchises for Area Director marketing businesses. An Area Director acts as our sales representative within a defined geographic area and solicits and identifies prospective CHESTER'S Restaurant franchisees; assists in locating and securing sites for, and then constructing and developing, Restaurants; and provides additional support before and after the Restaurants open. Area Directors operate under our Area Director Marketing Agreement. The Area Director is not a party to, and has no rights or obligations under, your Agreement. However, if your proposed Restaurant is located in an area where one of our Area Directors operates, that Area Director will perform certain services on our behalf relating to you and your Restaurant. Despite the functions they perform, Area Directors have no management responsibility relating to the sale of franchises or the operation of our franchise system. While we no longer offer franchises for Area Director marketing businesses, there were 3 Area Director marketing businesses in operation as of December 31, 2019. Except for the CHESTER'S CHICKEN ON THE FLY Restaurant franchise discussed below, we have not offered franchises in any other line of business.

We have no business activities other than those described above. If we have an agent in your state for service of process, we disclose that agent in Exhibit A.

Our Predecessors and Affiliates

Other than Wynn's discussed above, we have no parent companies or affiliates disclosable in this Item. As noted earlier, our predecessor for the CHESTER'S franchise program was the First Chester's. We acquired all existing CHESTER'S Agreements, the Marks, and related assets and obligations from the First Chester's by operation of law effective as of December 31, 2007 as a result of our merger with the First Chester's and another affiliate. We were the surviving entity in the merger. The First Chester's offered CHESTER'S Restaurant franchises from approximately March 1, 2004 through December 2007. There were 44 CHESTER'S Restaurant franchises in operation as of December 31, 2007. The First Chester's never offered franchises in any other line of business.

Franchise Rights Offered

We grant you the right to establish and operate a franchised CHESTER'S Restaurant at a specific location in a specific market according to our system (the "System"), which we may improve and develop over time. Your Restaurant will be located within the existing retail premises where you already operate a business like a supermarket or convenience store or at a food court, strip mall, or other non-traditional location (such as a sports arena or stadium). Restaurants offer a special selection of menu items like bone-in chicken, chicken filet, chicken filet sandwiches, chicken tenders, and an assortment of side orders like fried potatoes, vegetables, biscuits, toast, and salads. From 2008 to 2014, we also offered franchises for CHESTER'S CHICKEN ON THE FLY Restaurants, a small, self-service "grab 'n go" concept that operates from a modular kiosk-type unit within a retail business's existing space and whose operations are not as expansive as those of a typical CHESTER'S Restaurant. While we no longer offer that franchise, there were 5 CHESTER'S CHICKEN ON THE FLY Restaurants in operation as of December 31, 2019 (appearing at the end of Item 20).

The restaurant business, particularly the quick-service restaurant business, is highly competitive and often affected by changes in taste, eating habits, and local and national economic conditions. The principal bases of competition are quality and price of food products offered, but name identification, site selection, speed of service, advertising, and attractiveness of facilities also are important. Your competition will include other quick-service restaurants close to your Restaurant, including franchised and non-franchised national and regional restaurant chains, and secondary competition, including coffee shops, budget restaurants, grocery stores offering prepared foods, and convenience stores serving hot food. Your competition also may include Licensed Restaurants and other CHESTER'S Restaurants located in your geographic area. Competition for management and other operating personnel is intense within the industry. Sales generally are seasonally affected and might be lower during winter months or in certain areas (for example, vacation areas).

Industry-Specific Regulations

There are no regulations that apply specifically to the industry in which CHESTER'S Restaurants operate. However, you must comply with laws that apply generally to all businesses. Each franchised Restaurant will be subject to local health inspection authorities that govern food handling, temperatures, and other health considerations; federal, state, and local building and zoning codes; and immigration, tax, unemployment, workers compensation, discrimination, and disability laws. You should investigate all these laws.

Total (excluding real estate lease and purchase costs)	\$12,385 - \$252,543			

- Except for security deposits, no payment above is refundable.

* Because the initial brand standard training program occurs at your Restaurant, we do not anticipate that your trainees will incur any travel, lodging, or living expenses while attending the initial brand standard training program. Also, before you open your Restaurant, we will conduct a restaurant readiness review assessment at no additional charge to you. However, if we determine that your Restaurant has not passed the assessment and we undertake the assessment multiple times, then beginning with the 4th assessment, we may charge you for the costs and expenses that we incur in conducting an assessment. Currently, we estimate this cost to be approximately \$500 per assessment.

¹ The figures in the chart estimate your insurance costs during the first 3 months of operation. You might need to pay the entire annual premium in advance. Costs might vary among underwriters and be based on how long you have been in business, your financial condition, your prior risks, and Restaurant location.

² All Restaurant-in-Store franchises will be located within your existing space, so in that case you should have no significant additional rent/lease obligations unless you pay percentage rent. For a CHESTER'S Restaurant at a food court, strip mall or other non-traditional locations (such as a sports arena or stadium), we assume that you will lease the building or space for the Restaurant. However, if you currently own the building in which the Restaurant will be located, you should incur no rental costs. While we anticipate that the average in-line/food court Restaurant size will be 1,200 square feet, your Restaurant's size will depend on the location you choose. If you lease space from a third-party landlord, your monthly rent will depend on the location, the demand for the location among prospective lessees, general rental rates in that geographic area, whether the landlord adds tenant build-out allowances into the rent, and similar factors. You might have to pay base rent and percentage rent based on Restaurant gross sales. If utilities, taxes, and insurance are included in rent, then the rent also might increase. You also should expect to pay a security deposit equal to 1 or 2 months' rent.

³ If you operate a Restaurant-in-Store other than in a supermarket under the CHESTER'S Mark, this figure assumes the Restaurant will have 600 square feet. If you operate a CHESTER'S Restaurant at a food court or strip mall location, this figure assumes that the Restaurant will have 1,200 square feet. The costs to build out an existing facility for your

Restaurant depends on whether an existing food or deli-type facility is being converted, whether a drive-thru window is being added, the Restaurant's square footage and dimensions, whether seating is added, kitchen size, adequate hood systems and HVAC (heating, ventilation, and air conditioning), and other factors. If you operate under the CHESTER'S Mark in a supermarket, this figure assumes you have an existing deli-type facility and are capable of serving hot foods.

⁴ If you operate under the CHESTER'S Mark, you must buy or lease certain equipment, including kitchen and serving line equipment, a decor package, refrigeration and installation, point-of-sale materials, a safe, menu-boards, miscellaneous small wares, and signage. The Restaurant's equipment package depends on the presence of existing food service or deli-type facilities, square footage and anticipated volumes, the menu format, and whether a drive-thru window is being added.

⁵ Giles, our former affiliate, manufactures the required fryers, breadings and batter table, hot cases, landing table, and oil removal caddy. As of this disclosure document's issuance date, you may purchase these items from us or an unaffiliated third party food service equipment supplier. However, we may require you to buy these items from specified exclusive sources (including us or our affiliates) at the prices the source decides to charge.

⁶ We provide a list of approved suppliers from whom you can purchase furnishings, fixtures, signage, and equipment.

⁷ We estimate that the range given will cover initial product inventory and cleaning, office, and general supplies to open the Restaurant.

⁸ You currently must purchase required breadings, marinades and paper products. We are the primary supplier of these products, which are manufactured specially for the CHESTER'S System, and sell these proprietary items to unaffiliated suppliers who then resell them to our franchisees. We license certain suppliers to prepare breadings and marinades using our proprietary formulas. As of this disclosure document's issuance date, you may purchase these items from us or from an unaffiliated third party supplier. However, we may require you to buy these items from specified exclusive sources (including us or our affiliates) at the prices the source decides to charge.

⁹ This estimates the funds needed to cover your initial expenses for the first 3 months of operation (other than the items identified separately in the table). It includes payroll costs but not any draw or salary for you. However, this is only an estimate, and it is possible you will need additional working capital during the first 3 months you operate your Restaurant and for a longer time period after that. This 3-month period is not intended, and should not be interpreted, to identify a point at which your Restaurant will break even. We cannot guarantee when or if your Restaurant will break even. Your costs will depend on your management skill, experience, and business acumen; local economic conditions; the prevailing wage rate; competition; and your Restaurant's sales during the initial period. We have relied on our principals' many collective years of experience in the food service equipment and supply industry, and outside consultants, to compile this Additional Funds estimate. You should review all figures in this Item 7 carefully.

with a business advisor before you decide to acquire the franchise. Neither we nor our affiliates offer financing directly or indirectly for any part of the initial investment. The availability and terms of third party financing depend on the availability of financing generally, your creditworthiness and collateral, and lending policies of financial institutions. The estimate does not include any finance charge, interest, or debt service obligation.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Real Estate. You need not purchase or lease any real estate from us or our affiliates.

Restaurant Build-Out. You must develop the Restaurant in compliance with our System and ensure that all plans and specifications comply with our requirements, applicable laws, and lease requirements. We will give you required and recommended specifications and layouts for a CHESTER'S Restaurant. You must give us, and we have the right to review and approve, all plans and specifications before you begin constructing the Restaurant.

You must buy all food items, ingredients, equipment, furnishings, supplies, materials, and other items used or offered for sale at the Restaurant only from suppliers (including manufacturers, distributors, and other sources) that satisfy our then-current standards and specifications; possess adequate quality controls and capacity to supply your needs promptly and reliably; and have received our approval. With respect to our and our affiliates' trade secret or proprietary food products and other branded items, we may limit suppliers to us, our affiliates and/or other specified exclusive sources, in which case you must acquire those trade secret or proprietary food products and other branded items during the franchise term only from us, our affiliates and/or the other specified exclusive sources at the prices we and they decide to charge. We may restrict your sources of trade secret and proprietary food products and other branded items in order to protect trade secrets, assure quality, assure a reliable supply of products that meet our standards, achieve better purchase and delivery terms, control use of the Marks by third parties, and monitor the manufacture, packaging, processing, and sale of these items.

You currently must purchase proprietary seasonings, specially formulated pre-prepared mixes (breading, batter dip, and marinades) that are required ingredients of various menu items, branded fresh and frozen poultry, frozen potato wedges, and paper products (packaging, napkins, cups, etc.) from our designated suppliers. We are the primary supplier of all proprietary seasonings, specially formulated pre-prepared mixes, and paper products that are manufactured specially for the CHESTER'S System. We sell these proprietary items to unaffiliated suppliers who then resell them to our franchisees. We also license certain unaffiliated suppliers to make the proprietary seasonings and specially formulated pre-prepared mixes, branded fresh and frozen poultry products, and frozen potato wedges (but not paper products) for sale to franchisees. These items also are available directly from us. So, we are currently an approved (but not the only) direct supplier of these items.

We encourage you to purchase new equipment and fixtures for the Restaurant. We currently are the designated supplier for the core equipment package (fryers, breading and batter table, hot display case, landing table, and oil removal caddy) approved for use in the Restaurant.

In limited circumstances, however, we may allow you to purchase the core equipment package from another designated supplier. We are also an approved (but not the only) supplier for other equipment and fixtures, which are also available through designated suppliers. While we encourage you to purchase new equipment and fixtures, you can purchase used equipment (which need not be purchased from an approved supplier) if it has been in service for less than 2 years and otherwise meets our quality standards. Besides the items described above, we also currently are an approved (but not the only) supplier of marketing materials. Except for us, in which our officers naturally own an interest, our officers do not own an interest in any supplier.

The cost of food items, ingredients, equipment, furnishings, supplies, materials, and other items may vary among Restaurants. These cost variations are due to your Restaurant's proximity to the supplier's distribution center, the number of deliveries scheduled to your area each week, actual transportation costs, and other factors.

If you desire to purchase products from non-approved suppliers, you or the proposed supplier must submit to us a written request for approval together with evidence of compliance with our specifications. We have the sole right to determine whether the proposed supplier is approved. We have the right to require that our representatives first inspect the supplier's facilities and that samples be delivered for testing. We will, within 30 days after your request, notify you of our approval or disapproval of the proposed supplier. You must not buy, sell, or use the proposed supplier's products until you receive our written approval. You must use products purchased from approved suppliers only to operate the Restaurant and for no other purpose.

Our criteria for supplier approval include (a) adequate quality controls assuring ability consistently to produce products of desired quality in flavor, size, appearance, and texture, (b) sufficiently high sanitation rating of facilities producing products, (c) financial stability, (d) ability consistently and promptly to produce desired quality and quantity of products, (e) full compliance with all government regulations and specifications, (f) positive reputation in restaurant community and ethical operation of organization, and (g) competitive pricing. As noted above, there are certain items for which sources are restricted. We have no intention or obligation to approve alternative or additional suppliers for these products.

You must permit us or our agent at any reasonable time to remove samples of food or non-food items from your Restaurant without payment to determine whether the samples meet our then-current standards and specifications.

Formulae for proprietary seasonings and specially formulated pre-prepared mixes are not available to you, other franchisees, or non-designated suppliers. Standards and specifications for other food and paper products are not uniformly issued to franchisees but are available for specific products upon a franchisee's written request. We determine the standards and specifications for those food and paper products, sometimes in consultation with suppliers, to assure our desired quality of ingredients, size, flavor, and appearance and our desired quantities for each product. We issue and modify standards and specifications through consumer research and internal product testing.

We may occasionally revoke our approval of particular products or suppliers when we determine that those products or suppliers no longer meet our standards. If we notify you that we have revoked approval of a product or supplier, you must stop selling any disapproved products and stop purchasing from any disapproved supplier. We and our affiliates have the right to receive payments from suppliers on account of their actual or prospective dealings with you and other franchisees and to use all amounts received without restriction for any purposes we deem appropriate (unless we and our affiliates agree otherwise with the suppliers). Certain suppliers to our franchisees (who sell directly to franchisees or indirectly through distributors in the supply chain) have agreed to pay us license fees on franchisee purchases of shortening products, blended proprietary items, paper goods, and signs and promotional items. These fees range from 0.5% to 25% of their gross sales depending on the particular item.

During 2019, we received a total of \$34,825,047 from direct franchisee purchases of certain equipment and proprietary food products and from purchases by unaffiliated suppliers and grocery wholesalers to whom we sold certain equipment and proprietary food products for resale to our franchisees. That is 91.3% of our total revenue of \$38,134,928. These figures are from our audited financial statements. Our affiliates did not receive any revenue from direct franchisee purchases and leases during 2019. We estimate that the cost of your purchases from designated or approved suppliers will be approximately 70% to 95% of the total cost to establish, and approximately 20% to 30% of the total annual cost to operate, your Restaurant.

We do not provide material benefits to you (for example, renewal or granting additional franchises) for purchasing particular products or services or using particular suppliers. We negotiate purchase agreements, including price terms, with suppliers for some items described in this Item 8 (shortening, breadings supplies, frozen poultry, potato wedges, paper goods, packaging, and equipment). In doing so, we seek to promote the overall interests of our franchise system and our interests as the franchisor. There are no purchasing or distribution cooperatives in our system.

Computer Hardware and Software. You currently need not obtain any special electronic cash registers or computer system.

Insurance. You must have the types and amounts of insurance coverage appropriate in your market for the Restaurant's business activities, which must include at least \$1 million of comprehensive general liability coverage.

ITEM 10 **FINANCING**

We do not offer direct or indirect financing. We do not guarantee your note, lease, or obligation.

ITEM 11
FRANCHISOR’S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND
TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations

Before you open your Restaurant, we (and/or one of our Area Directors) will:

1. Give you information about the Restaurant’s layout requirements and signs. [Agreement — Section 6]
2. Review and approve your plans and specifications for the Restaurant and conduct a restaurant readiness review assessment. [Agreement — Section 6]
3. Provide an initial brand standard training program (described below) to instruct you and your employees about required procedures and techniques to operate the Restaurant. [Agreement — Sections 4 and 7]
4. Give you access to one copy of our confidential manuals (the “Manuals”). [Agreement — Section 13] The Manuals for a CHESTER’S Restaurant have 506 pages. The table of contents is in Exhibit C.
5. Give you advice regarding operating the Restaurant and new developments, techniques, and improvements in areas of restaurant management, food preparation, sales promotion, and service. [Agreement — Section 4]
6. Sell you equipment, signage, and various food items. [Agreement — Sections 5, 6, and 9]

Continuing Obligations

During your operation of the Restaurant, we (and/or one of our Area Directors) will:

1. Provide periodic brand standard training programs we deem appropriate. [Agreement — Sections 4 and 7]
2. Give you advice regarding operating the Restaurant and new developments, techniques, and improvements in areas of restaurant management, food preparation, sales promotion, and service. [Agreement — Section 4]
3. Prepare point-of-purchase materials for you (only for Restaurant-in-Store franchises operated under the CHESTER’S Mark). [Agreement — Section 5]
4. Periodically inspect the Restaurant. [Agreement — Section 11]
5. Let you use our Marks. [Agreement — Section 12]

6. Let you use our confidential information. [Agreement — Section 13]
7. Sell you equipment, signage, and various food items. [Agreement — Sections 5, 6, and 9]

Site Selection

We first must approve your site before signing the Agreement, even if you already have a site picked out for the Restaurant. When you approach us, we will give you our site selection criteria for a Restaurant. Factors we consider in evaluating Restaurant sites include (1) a site's visibility from adjacent traffic arteries, (2) ease of entry from and exit to adjacent streets, (3) the size, density, and income levels of population in the surrounding area, (4) the rental market in the area, (5) types of nearby businesses, (6) projected cost of leasehold improvements, and (7) proximity to another franchised Restaurant or to a Licensed Restaurant. We must accept all sites before you may sign any lease, sublease, or other document for the site. We will evaluate the information you give us about a site. Our review process might or might not involve a physical site inspection. We will not take an unreasonable amount of time to review your proposed site. However, we need not respond within any particular time. We will either accept or reject your proposed site. We will not unreasonably withhold our acceptance of a site but can reject one we consider inappropriate. Although we have the right to accept or reject a Restaurant's location, we will not select or designate a Restaurant site for you. Therefore, you must actively conduct the site selection process. You have sole risk for your location's business and financial suitability. As noted above, we will not sign the Agreement if you have not yet located the Restaurant's site.

We anticipate that it takes approximately 2 to 4 months after the Agreement is signed and you pay the start-up fee (if applicable) before the Restaurant is ready to open. Factors affecting this timeframe include construction and remodeling schedules; local ordinance and/or building code compliance; schedules for installing equipment and signs; completing brand standard training programs; delivering and stocking inventory; and other events beyond your control. You must open the Restaurant for business within 6 months after signing the Agreement.

Computer Hardware and Software

You need not buy or use any new electronic cash registers or computer system for the Restaurant and may use your current systems. However, you must send us quarterly reports regarding the Restaurant's sales, labor costs, and profits in the format we specify. [Agreement — Section 14] If you do not already have your own point-of-sale system with Excel and email capability, you can send us paper copies of required reports. We do not have independent access to information generated and stored in new or current systems.

Training

Before the Restaurant opens, your manager and the employees we designate must attend and complete our initial brand standard training program to our satisfaction. [Agreement — Sections 4 and 7] The initial brand standard training program will occur at the Restaurant, so we

do not anticipate any travel, lodging, and living expenses for your trainees. You and your employees must pay all expenses incurred in attending brand standard training programs that are not at the Restaurant. We may provide additional brand standard training programs we deem appropriate. With our prior written approval, your training managers may train new and additional Restaurant employees.

The initial brand standard training program will last up to 4 days and includes classroom instruction and/or on-the-job training. We conduct training on an as-needed basis at your Restaurant. Training should be scheduled so that your trainees successfully complete the initial brand standard training program and graduate about 1 week before the Restaurant opens.

Lisa Leano has been with the CHESTER'S organization as our Franchise Business Consultant since December 2014 and, since 2016, coordinates all of our initial brand standards training programs. Lisa has over 20 years of experience in the restaurant industry as General Manager, Certified Training Manager, and Area Supervisor with several quick-service restaurant concepts.

Direct supervision of classroom and in-restaurant training is provided by staff and Area Directors with previous CHESTER'S Restaurant management and training experience. Each staff person will train in the particular area(s) in which he or she has experience. Instructional materials include a set of Restaurant Training Guides, handouts, and charts. The subjects currently taught in our brand standard training program are as follows:

Advertising

We do not require franchisees to contribute to or participate in a Marketing Promotions Fund.

If you operate a Restaurant-in-Store franchise in a convenience store, at a food court/strip mall location or other non-traditional location (such as a sports arena or stadium), or at a similar retail business, you must pay us a quarterly fee of \$175 for point-of purchase materials we will prepare and periodically send you. If you operate your Restaurant-in-Store franchise at a supermarket, we do not charge you a quarterly fee for point-of-purchase materials that we may prepare and periodically send you. You also must advertise your Restaurant at your own expense on a reasonable number of DOT signs on nearby interstates (for non-supermarket locations). However, if no DOT signs are available for advertising activities, you need not conduct this advertising until they become available. We and you periodically will discuss and reasonably determine the availability of DOT signs for advertising. We need not spend any amount on advertising in your market area. In all cases, we may review and approve (or disapprove) all advertising and promotional materials you propose to use. You may not use any advertising or promotional materials we have not approved or have disapproved. While there is no contractual timeframe within which we must respond, we expect to respond to you within 30 days. You may not without our prior written approval develop, maintain, or authorize any website that mentions the Marks. [Agreement — Sections 5 and 8]

There currently are no advertising cooperatives or franchisee advertising councils in our System. If we choose to form them (although our Agreement does not address this issue), we likewise would have the power at any time to change, dissolve, or merge them.

ITEM 12 **TERRITORY**

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You also do not have any type of non-exclusive territory. We and our affiliates have the right at all times during the franchise term to engage in any and all activities we deem appropriate, at any time or place and through any distribution channels we choose (such as the Internet, catalog sales, telemarketing, or other direct marketing sales). We need not pay you any compensation if we solicit or accept orders from any customers, regardless of their location.

If you operate a Restaurant-in-Store franchise, you will operate your Restaurant within your existing business premises. If you will operate a food court/strip mall franchise or other non-traditional franchise (such as at a sports arena or stadium), you will operate your Restaurant from a site you lease in a food court, strip mall, sports arena, or stadium. We may terminate the Agreement if you fail to open the Restaurant within 6 months after the Agreement's effective date. You may operate only from the accepted location and may not relocate within your existing business premises or elsewhere without our prior written permission. Whether we will permit relocation depends on the specific circumstances and what we consider to be in your

Restaurant's and our system's best interests. We do not expect relocation to occur often because the Restaurant typically is located in your existing business premises. You are not restricted from advertising away from your location if all sales are made at the location. You may, with our prior written approval, solicit sales and orders from your franchised location for delivery to a remote location (including catering). You have no right to use other channels of distribution to make sales away from your location (although this should not be an issue because you sell freshly-prepared, hot products).

Except as described below, neither we nor any affiliate has established, or presently intends to establish, other franchised or company-operated restaurants or another distribution channel (such as the Internet, catalog sales, telemarketing, or other direct marketing sales) selling or leasing similar products or services under a different trade name or trademark (although we have the right to do so, as noted above). As described in Item 1 above, the First Chester's and Giles licensed retail operators to operate restaurants or sell chicken products under the CHESTER FRIED Total Program. We are now the licensor of those Licensed Restaurants. Those retail operators may continue using the CHESTER FRIED trademark if they satisfy certain standards and procedures. In certain parts of the United States, we may continue to allow certain experienced food service operators, and chain accounts who already operate one or more Licensed Restaurants, to develop and operate additional Licensed Restaurants. We generally anticipate doing so only when the experienced food service operator or chain account prefers (for its own business reasons) not to acquire a CHESTER'S Restaurant franchise.

As noted in Item 1, from 2008 to 2014, we also offered franchises for CHESTER'S CHICKEN ON THE FLY Restaurants, which sell the identical products sold by CHESTER'S Restaurants, but from a small, self-service kiosk-type unit within a retail business's existing space. While we no longer offer this franchise, there were 5 CHESTER'S CHICKEN ON THE FLY Restaurants in operation as of December 31, 2019. We do not operate any CHESTER'S CHICKEN ON THE FLY Restaurants. We do not maintain (or plan to maintain) physically separate offices or training facilities for the CHESTER'S CHICKEN ON THE FLY business.

We do not anticipate any material conflicts (in terms of customers and franchisor support) between the CHESTER'S Restaurant franchises offered in this disclosure document and CHESTER FRIED or CHESTER'S CHICKEN ON THE FLY locations because the Restaurants operating at these various locations generally focus on different customer groups. Nevertheless, we will use reasonable efforts to resolve any conflicts that do arise because it is in our best interests to do so.

As noted in Item 1, we sell to non-Chester's food service operators (directly or through unaffiliated distributors) chicken cooking equipment that is similar to the equipment you will buy from us or unaffiliated distributors and then use in operating your Restaurant. Wynn's, an affiliate of ours, also sells chicken-related food products (under the Wynn's Grain & Spice name) to non-Chester's food service operators (directly or through unaffiliated distributors). In addition to Wynn's, another affiliate of ours, BirdShack, LLC ("BirdShack"), also sells chicken related food products (under the BirdShack name) to non-Chester's food service operators (directly or through unaffiliated distributors). These operators may not use any Mark you may use under your Agreement. They will sell chicken products as a menu item under their own

trade names and brands as part of their existing retail foodservice businesses, or under the Bird Shack name. These operators sell their chicken products from their own physical premises, although they might engage in some off-premises advertising that competes with your advertising. We do not anticipate any material conflicts between CHESTER'S Restaurant franchises and these other food service operators in terms of customers and support, although we will use reasonable efforts to resolve any conflicts that do arise. We and Wynn's have no separate offices at our principal places of business for these activities. BirdShack's principal place of business is the same as ours (2020 Cahaba Road, Mountain Brook, Alabama 35213).

Besides what we describe above, we sell and may continue to sell equipment, and Wynn's and BirdShack sell and may continue to sell consumable products (breeding, etc.), to food or equipment distributors (as applicable) or directly to restaurant operators that compete with you, although these other operators will not use any trademarks owned by us or our affiliates (other than BirdShack).

You have no options, rights of first refusal, or similar rights to acquire additional franchises. Continuation of your franchise does not depend on your achieving a certain sales volume, market penetration, or other contingency.

ITEM 13 **TRADEMARKS**

You may use certain Marks in operating the Restaurant. The principal Mark for CHESTER'S Restaurant franchises is CHESTER'S and Design (appearing on the cover page of this disclosure document). The First Chester's registered this Mark on the United States Patent and Trademark Office's (USPTO) Principal Register on November 1, 2005 (Registration Number 3,011,320). We acquired the Mark as part of the merger described in Item 1. The Mark generally covers batter, marinade, breeding, and mixes in international class 30; restaurant services, food preparation services, and operating free-standing food preparation and vending stands, all in international class 43; and computerized on-line ordering and retail services in the field of restaurant and food preparation equipment, paper products and packaging, and providing advice in the field of establishing and operating restaurants and free-standing food stands, all in international class 35. We have filed all required affidavits for this Mark. We also have renewed the registration of this Mark.

Other related trademarks that we own include the following:

Mark	Registration Number	Registration Date	Register	Renewed
CHESTER FRIED (and design)	1,884,056	Mar. 14, 1995	Principal	Yes
CHESTER FRIED (and design)	1,883,471	Mar. 14, 1995	Principal	Yes

Mark	Registration Number	Registration Date	Register	Renewed
CHESTER FRIED	2,773,644	Oct. 14, 2003	Principal	Yes

All of these trademarks are registered on the USPTO's Principal Register. All required affidavits of use have been or will be filed. We also have renewed the registrations of all of these trademarks.

You must follow our rules when you use the Marks, including giving proper notices of trademark and service mark registration and obtaining fictitious or assumed name registrations required by law. You may not use any Mark in your corporate or legal business name; with modifying words, terms, designs, or symbols (except for those we license to you); in selling any unauthorized products or services; or as part of any unauthorized domain name, homepage, electronic address, or otherwise in connection with a website.

There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, and no pending infringement, opposition, or cancellation proceedings or material litigation, involving the principal Marks. We do not actually know of either superior prior rights or infringing uses that could materially affect your use of the Marks in any state. No agreement limits our right to use or license the Marks.

The Agreement does not require us to protect your right to use the Marks listed above or to protect you against claims of infringement or unfair competition from your use of the Marks. You have no contractual obligation to notify us of any apparent infringement or challenge to your use of any Mark or of any person's claim of any rights in any Mark. In all these cases, we may take the action we deem appropriate (including no action). Because we own the Marks, we would expect to control exclusively any litigation, USPTO proceeding, or other administrative proceeding arising from any infringement, challenge, or claim. We have no obligation to participate in your defense and/or indemnify you for expenses or damages if you are a party to an administrative or judicial proceeding involving a Mark we license to you or if the proceeding is resolved unfavorably toward you. You must cooperate with us in defending or settling litigation. Our Agreement does not address our right to change the Marks during the franchise term.

ITEM 14

PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

No patents or patent applications are material to the franchise. We claim copyrights in our Manuals (which contain our trade secrets), Website, menus and menu-boards, construction plans and specifications, advertising materials, specifications, training handbooks, and other items used in operating CHESTER'S Restaurants. We have not registered these copyrights with the United States Copyright Office but need not do so at this time to protect them. You may use these items only as we specify while operating your Restaurant (and must stop using them if we so direct you). We also have developed certain trade dress for the CHESTER'S System in which

we claim proprietary rights, including color schemes, patterns, designs, and décor. You might use some aspects of this trade dress at your Restaurant.

There currently are no effective adverse determinations of the USPTO, the United States Copyright Office, or any court regarding the copyrighted materials. No agreement limits our right to use or allow others to use the copyrighted materials. We do not actually know of any infringing uses of our copyrights that could materially affect your use of the copyrighted materials in any state.

We need not protect or defend copyrights, although we intend to do so if in the system's best interests. We may control any action we choose to bring, even if you voluntarily bring the matter to our attention. We need not participate in your defense and/or indemnify you for damages or expenses in a proceeding involving a copyright.

Our Manuals and other materials contain our confidential information (some of which constitutes trade secrets under applicable law). You may not use our confidential information in an unauthorized manner. You must take reasonable steps to prevent its improper disclosure to others and use non-disclosure agreements with those having access. You must keep the Manuals at the Restaurant and make sure they are current. If there is a dispute over the Manuals' contents, our master copies control.

You must not, either during or after the franchise term, communicate, divulge, or use for anyone else's benefit any confidential information, knowledge, or know-how concerning the method of operating the Restaurant that is communicated to you; techniques; recipes; formulas; processes; designs; financial information; and other information of which you become aware while operating the Restaurant. We will disclose proprietary recipes and preparation methods necessary for you to operate the Restaurant but need not disclose the contents of proprietary seasonings, ingredients, and mixes purchased from designated or approved suppliers.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE
ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You need not participate in the Restaurant's day-to-day operations, and we do not necessarily recommend that you do so. However, if you do not do so, you must employ a manager to participate in the Restaurant's day-to-day operations. Your manager must devote the necessary time and efforts to supervise and conduct the Restaurant's operation. Your manager and other Restaurant employees must attend and complete our initial brand standard training program to our satisfaction. All who do so will be considered certified in our brand standard training program. Your manager and other on-site employees need not have an equity interest in the Restaurant or you but must agree in writing to preserve confidential information to which they have access.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer and sell all menu items and products, and perform all services, we periodically require for CHESTER'S Restaurants operated at your type of location. You may not offer or sell any menu items or products, or perform any services, we have not authorized. We periodically may change required and/or authorized menu items and services. There are no limits on our right to do so. Once a menu item, product, or service has become unauthorized, your Restaurant no longer may offer or sell it. You must operate the Restaurant in compliance with all applicable federal, state, and local laws, ordinances, and regulations.

ITEM 18 **PUBLIC FIGURES**

We do not use any public figure to promote our franchise.

ITEM 19 **FINANCIAL PERFORMANCE REPRESENTATIONS**

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

This Item 19 contains information regarding the historical gross sales reported by franchisees of certain CHESTER'S Restaurants that operated for the full 2019 calendar year. All 970 reporting CHESTER'S Restaurants operated within a convenience store, supermarket, or travel plaza (a convenience store on an interstate or major highway that provides services to trucks as well as gas to cars). These CHESTER'S Restaurants are referred to in this Item as "In-Store CHESTER'S Restaurants." As discussed elsewhere in this disclosure document, we also occasionally offer franchises for CHESTER'S Restaurants to be located in food court/strip mall locations and non-traditional locations (such as a sports arena or stadium). This Item does not contain information regarding those latter types of CHESTER'S Restaurants because they have characteristics that differentiate them materially from In-Store CHESTER'S Restaurants. (For instance, CHESTER'S Restaurants located in food court locations and other traditional strip center locations are much larger than In-Store CHESTER'S Restaurants.)

Chart A below reports the average and median daily gross sales (during 2019) for 970 franchised In-Store CHESTER'S Restaurants that were open during all of 2019. As mentioned below, there were a total of 1,226 franchised CHESTER'S Restaurants open as of the end of

2019. One of those operated in food court/strip mall locations and non-traditional locations (such as a sports arena or stadium) and is not included in this Item 19. All of the remaining 1,225 locations were In-Store CHESTER'S Restaurants open as of the end of 2019. Of those 1,225 In-Store CHESTER'S Restaurants, 61 were open during all of 2019 (in Alabama, Arkansas, California, Colorado, Connecticut, Georgia, Iowa, Idaho, Kentucky, Louisiana, Missouri, Mississippi, Montana, Nevada, Oklahoma, Tennessee, Texas, Wisconsin), but did not report their gross sales and therefore are excluded from Chart A. There were another 194 In-Store CHESTER'S Restaurants that opened during 2019 but were not open for the full year; therefore, they too are not included. (Also excluded are the 150 In-Store CHESTER'S Restaurants that closed during 2019, irrespective of when they opened (of which 4 operated for less than 12 months.) The 970 Restaurants whose average and median daily gross sales are disclosed in Chart A were located in the States of Alabama (18), Arizona (7), Arkansas (108), California (42), Colorado (12), Connecticut (1), Florida (10), Georgia (24), Idaho (4), Illinois (39), Indiana (23), Iowa (60), Kansas (36), Kentucky (30), Louisiana (17), Maine (21), Maryland (1), Massachusetts (3), Michigan (18), Minnesota (28), Mississippi (49), Missouri (55), Montana (18), Nebraska (37), Nevada (3), New Hampshire (7), New Jersey (2), New Mexico (7), New York (8), North Carolina (5), North Dakota (16), Ohio (8), Oklahoma (19), Oregon (4), Pennsylvania (18), Puerto Rico (3), South Carolina (8), South Dakota (14), Tennessee (25), Texas (87), US Virgin Islands (1), Utah (1), Vermont (5), Virginia (7), Washington (20), West Virginia (9), Wisconsin (24), and Wyoming (8). These 970 CHESTER'S Restaurants had been open for an average of approximately 65.47 months and a median of approximately 63 months as of December 31, 2019. They averaged 700 square feet with a high of 1,200 square feet and a low of 600 square feet.

While these CHESTER'S Restaurants are not concentrated in a particular market area, you should consider the fact that the greater the number of Restaurants operating in a state or other market area, the greater the goodwill and public recognition of our trademarks in that area are likely to be. The lower the number of Restaurants operating in a state or other market area, the lesser the goodwill and public recognition of our trademarks in that area are likely to be. Positive goodwill and public recognition of trademarks likely will impact sales. You should consider the nature of the area in which you are interested in acquiring a franchise.

The figures below do not reflect the cost of sales, operating expenses, or other costs and expenses, such as sales tax, discounts, allowances, and returns, that must be deducted from the gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your CHESTER'S Restaurant. Franchisees or former franchisees, listed in the disclosure document, may be one source of this information.

As mentioned above, as of December 31, 2019, there were 1,226 franchised CHESTER'S Restaurants open and operating in the United States – of those, 1,225 were In-Store CHESTER'S Restaurants and 1 was in a food court location, strip mall, or other non-traditional location. There were another 84 Agreements signed as of December 31, 2019, for CHESTER'S Restaurants to be operated in the United States that were not yet open as of that date, all of which we expect to be In-Store CHESTER'S Restaurants. The gross sales of (a) the 194 franchised In-Store CHESTER'S Restaurants that opened during 2019 and therefore were not open during all

of 2019, (b) the 61 franchised In-Store CHESTER'S Restaurants that were open during all of 2019 but did not report their gross sales, and (c) the 150 In-Store CHESTER'S Restaurants that closed during 2019 (of which 4 were open for less than 12 months) are not included in the average and median daily gross sales information provided in Chart A below.

Chart A below relates the average and median daily gross sales of the 970 franchised In-Store CHESTER'S Restaurants that were open and operating during all of 2019 and reported their gross sales. Gross sales are defined as all revenue the franchisee received from operating the Restaurant but excluding taxes, refunds, credits, and discounts. The daily gross sales for the one-year period ending December 31, 2019, for these locations ranged from a low of \$100 to a high of \$3,000 with an average of approximately \$689.41 and a median of approximately \$600.

CHART A

Average and Median Daily Gross Sales for In-Store CHESTER'S Restaurants Open During all of 2019

	High	Low	Average	#/% Units Above Average	Median
Daily Gross Sales	\$3,000	\$100	\$689.41	424/44%	\$600

Note 1: Average and median daily gross sales are computed based upon the number of days each Restaurant reported to be open during 2019.

Note 2: We did not receive annual gross sales numbers from any Restaurant this year. Therefore, we cannot calculate the annual gross sales for Restaurants, as their hours and days of operation vary from location to location.

We will provide to all franchisees, in our capacity as franchisor, the same services that we provided to CHESTER'S Restaurants during 2019. However, we do not provide certain services to franchisees that the owner of a business normally provides, such as financing, accounting, legal, personnel, construction, and management services. The availability of these services to a franchisee, as well as their costs and quality, likely will affect operations. The In-Store CHESTER'S Restaurants referenced above offered the same products to the public as will new In-Store CHESTER'S Restaurants that franchisees will operate under the Agreement disclosed in this disclosure document.

Written substantiation of all financial performance information presented in this Item will be made available to you upon reasonable request. The actual performance of your own CHESTER'S Restaurant will be affected by numerous factors, including amount of time in business; lease terms; financing costs; taxes; labor costs; supply costs; local and regional economic and regulatory conditions; population density; your management skills and business acumen; competition; your ability to promote and market a CHESTER'S Restaurant; how hard you are willing to work; and the degree of adherence to our methods and procedures. The states

in which CHESTER'S Restaurants actually operated for one year or more as of December 31, 2019 are identified above.

Our management prepared this information based on daily gross sales reported by franchisees but did not independently audit that information. This schedule was prepared without an audit. Prospective franchisees or sellers of franchises should be advised that no certified public accountant has audited these figures or expressed his/her opinion with regard to their contents or form.

Other Differentiating Factors

Operating results of the CHESTER'S Restaurants to be operated by franchisees under Agreements with us also are likely to be affected by the following:

- (a) Differing rent and related expenses for which the franchisee is obligated;
- (b) The "CHESTER'S Restaurant" concept is not yet recognized or established in the franchisee's market;
- (c) Economic conditions in the franchisee's market;
- (d) Competition from other businesses offering the same, similar, or competitive products;
- (e) Different leasehold improvement or financing costs;
- (f) Different levels of employee wages, fringe benefits, and other costs;
- (g) Different costs on a local basis of obtaining products and supplies; and
- (h) Different locations.

Some In-Store CHESTER'S Restaurants have sold this amount. Your individual results may differ. There is no assurance that you'll sell as much.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Blue Akers, 2020 Cahaba Road, Mountain Brook, Alabama 35213, (800) 646-9403, the Federal Trade Commission, and the appropriate state regulatory agencies.

ITEM 20
OUTLETS AND FRANCHISEE INFORMATION

All year-end numbers appearing in the tables below are as of December 31 in each year. These tables include all franchised CHESTER’S Restaurants, regardless of the types of locations in which they operate, because they operate under the same brand and sell the same products. (The tables do not include the CHESTER’S CHICKEN ON THE FLY Restaurants or the Licensed Restaurants operated by retail foodservice businesses under the “CHESTER FRIED Total Program.” A chart of the total number of CHESTER’S CHICKEN ON THE FLY Restaurant locations in the United States as of December 31, 2019 (including the type of location) appear at the end of this Item 20.)

CHESTER'S RESTAURANT AGREEMENT

CHESTER'S INTERNATIONAL, LLC
AGREEMENT FOR CHESTER'S IN-STORE RESTAURANT AND/OR
SUPERMARKET/NON-TRADITIONAL (NON-SUPERMARKET) LOCATIONS

This Restaurant-in-Store Agreement for Supermarket/Non-Traditional (Non-Supermarket) locations (the "**Agreement**") is made and entered into as of _____, 20____, ("**Effective Date**") between Chester's International, LLC, an Alabama limited liability company whose principal business address is 2020 Cahaba Road Mountain Brook, Alabama 35223 ("**we,**" "**us,**" or "**our**"), and _____ ("**you**" or "**your**") for the following type of Restaurant to be operated at _____ (the "**Location**"):

[CHECK APPLICABLE BOX]

- ☐ A CHESTER'S Restaurant-In-Store ☐ A CHESTER'S Non-Traditional Restaurant (Non-Supermarket)
☐ A CHESTER'S Restaurant in Supermarket

1. **Chester's System.** We have developed and own a distinctive system (the "**Chester's System**") for establishing and operating quick-service restaurants and "grab-n-go" concepts, including distinctive design, color schemes and layout; a special selection of menu items; procedures and techniques for food preparation, packaging, and presentation; methods of inventory and operation; and distinctive advertising and promotional programs; all of which we may change and further develop from time to time. We identify the Chester's System by certain trademarks and logos, including CHESTER'S® ("**Marks**"). You desire to operate the type of restaurant referenced above under the Chester's System and to obtain a license from us for that purpose.

2. **License Grant.** We hereby grant you the right and license, and you undertake the obligation, to operate the type of CHESTER'S restaurant referenced above (the "**Restaurant**") at the Location for the term specified below in association with the Marks and in compliance with the Chester's System. This license is non-exclusive. You have no territorial protection. We and our affiliates reserve the right at all times during this Agreement's term to engage in any and all activities that we deem appropriate, at any time or place, without any restrictions.

3. **Term.** This Agreement's term is five (5) years from the date above. You agree to operate the Restaurant for the full five (5) year term. We and you may renew or extend the license at the end of the five (5) year term only upon mutual written consent, which neither party is required to give. We will not consent to such renewal or extension unless you correct any deficiencies in your operation of the Restaurant identified by us and you agree to upgrade, remodel and redecorate the premises of the Restaurant as specified by us to conform to the current image of a Chester's Restaurant and the Chester's System.

4. **Our Advice and Assistance.** We will provide an initial brand standard training program at the Location at our cost to instruct you and your employees on proper Restaurant procedures and techniques. We may provide additional training programs we deem appropriate. We will advise you as we deem appropriate regarding the Restaurant's operation and new developments, techniques, and improvements in areas of Restaurant management, food preparation, sales promotion, and service.

5. **Fees.** If you operate a CHESTER'S Restaurant in Supermarket, we do not charge you a start-up fee. If you operate a CHESTER'S Restaurant-In-Store or a CHESTER'S Non-Traditional Restaurant (Non-Supermarket), you agree to pay us a \$3,500 start-up fee when you sign this Agreement. The start-up fee is not refundable under any circumstances, as it is earned upon receipt.

If you operate a CHESTER'S Restaurant-In-Store, a CHESTER'S Non-Traditional Restaurant (Non-Supermarket), or similar retail business you must pay us a quarterly fee of \$175 by credit card or automated clearing house ("**ACH**") transfer. This quarterly fee is for point-of-purchase materials that we will prepare and periodically send you. We may increase this quarterly fee to \$200 from \$175, effective immediately upon delivery of notice to you. If you operate a CHESTER'S Restaurant in Supermarket, we do not charge you a quarterly fee for point-of-purchase materials that we may prepare and periodically send you.

6. **Restaurant Development and Restaurant Readiness Review.** You are responsible for developing the Restaurant in compliance with the Chester's System and ensuring that all plans and specifications comply with our requirements, applicable laws, and lease requirements. You must provide, and we have the right to review and approve, all plans and specifications before you begin developing the Restaurant. You must buy or lease all required fixtures, furniture, equipment, and signs for the Restaurant and an opening inventory of required and authorized products, materials, and supplies. You may not open the Restaurant for business without our prior written approval, which approval is subject to your Restaurant's satisfactory completion of our restaurant readiness review assessment. If we determine in our sole judgment that we must undertake more than one restaurant readiness review for your Restaurant, then we may, at our option, charge you for the costs and expenses that we incur in conducting such restaurant readiness review beginning with the fourth (4th) such review. Our rights and remedies under the immediately preceding sentence are in addition to, and do not limit, our other rights and remedies under this Agreement and under applicable law. You also may not open the Restaurant for business until all construction requirements are satisfied. However, you must open the Restaurant for business within one hundred eighty (180) days after the date of this Agreement. You acknowledge that no approvals, consents, waivers, conditions, or the like by us or our agents or brokers (whether under this Section or otherwise) warrant the success of the Restaurant or the appropriateness or suitability of the particular items or matters so approved.

7. **Training.** Once we determine in our sole judgment that the Restaurant has satisfactorily completed our restaurant readiness review process, described in Section 6, then before the Restaurant may begin operations, certain of your employees (the number and level of which we may specify) must satisfactorily complete our initial brand standard training program at the Location. With our prior written approval, your trained managers may train new and additional Restaurant employees. We may charge you for additional or special guidance, assistance, or training you need or request.

8. **Operational Standards.** You must operate the Restaurant in compliance with our prescribed standards of quality, cleanliness, appearance, and service; maintain in sufficient supply, and use at all times, only the ingredients, products, materials, supplies, and paper goods that conform to our standards and specifications; offer for sale only the menu items, products, and services that we have expressly approved in writing; discontinue selling any menu items, products, or services that we disapprove in writing; use only those methods of food handling, preparation, and packaging that we specify; and comply with all federal, state, and local laws, rules, and regulations.

9. **Sourcing.** You must purchase all food items, ingredients, equipment, furnishings, supplies, materials, and other items used or offered for sale at the Restaurant only from suppliers (including manufacturers, distributors, and other sources) that satisfy our then-current standards and specifications; possess adequate quality controls and capacity to supply your needs promptly and reliably; and have received our approval. With respect to our and our affiliates' trade secret or proprietary food products and other branded items, we have the right to limit suppliers to us, our affiliates and/or other specified exclusive sources, in which case you must acquire those trade secret or proprietary food products and other branded items during this Agreement's term only from us, our affiliates and/or the other specified exclusive sources at the prices we or they decide to charge. We and our affiliates have the right to

receive payments from suppliers on account of their actual or prospective dealings with you and other licensees and to use all amounts we receive without restriction for any purposes we deem appropriate (unless we and our affiliates agree otherwise with the suppliers).

10. **Branded Items**. All advertising and promotional materials, signs, decorations, paper goods (including disposable food containers, napkins, and menus), forms, stationery, and other items used in connection with the Restaurant's operation must bear the Marks in the form, color, location, and manner we specify.

11. **Inspections**. We and our agents may enter the Location at any time during regular business hours to conduct inspections. You agree to cooperate with our representatives during those inspections.

12. **Use of Marks**. You may use only the Marks we designate and may use them only in the manner we authorize. You must obtain our prior written approval of all your proposed uses of the Marks. Your right to use the Marks ends automatically when this Agreement expires or is earlier terminated. We own all of the Marks and the goodwill associated with them and have the sole right to protect and defend them as we deem appropriate. You may never contest the validity or our ownership of the Marks.

13. **Manuals and Maintaining Confidentiality**. You will operate the Restaurant in compliance with our confidential manuals (the "Manuals"), which contain system standards, specifications, operating procedures, and rules, all of which we may modify periodically for business purposes. The Manuals and the information they contain are proprietary and confidential, and you must use reasonable efforts to maintain their confidentiality. You may not during or after this Agreement's term communicate, divulge, or use for anyone else's benefit any confidential information, knowledge, or know-how concerning the Chester's System. We and you agree that any materials, guidance or assistance that we provide with respect to employment-related policies or procedures, whether in the Manuals or otherwise, are solely for your optional use. Those materials do not form part of the mandatory operational standards. You will determine to what extent, if any, these materials, guidance, or assistance should apply to your employees. You acknowledge that we do not dictate or control labor or employment matters for franchisees and their employees. You are solely responsible for determining the terms and conditions of employment for all of your employees, for all decisions concerning the hiring, firing and discipline of your employees, and for all other aspects of your Restaurant's labor relations and employment practices.

14. **Reporting**. You must send us quarterly reports regarding the Restaurant's sales, labor costs, and profits in the format we specify (other than employee-related information).

15. **Advertising**. If you operate a CHESTER'S Restaurant-In-Store, CHESTER'S Non-Traditional Restaurant (Non-Supermarket), or similar retail business (as opposed to a CHESTER'S Restaurant in Supermarket), you must advertise the Restaurant, at your own expense, on a reasonable number of DOT signs on nearby interstates. However, if no such DOT signs are available for such advertising activities as of this Agreement's Effective Date, you need not conduct this type of advertising until the DOT signs become available. We and you periodically will discuss and reasonably determine the availability of DOT signs for advertising. Regardless of where you operate your Restaurant, we may review and approve (or disapprove) all advertising and promotional materials you propose to use. You may not use any advertising or promotional materials that we have not approved or have disapproved. You may not develop, maintain, or authorize any website that mentions the Marks.

16. **Insurance**. You must obtain and maintain the types and amounts of insurance coverage appropriate in your market for the Restaurant's business activities, which must include at least \$1 million of comprehensive general liability coverage.

17. **Assignment**. We may change our ownership or form and/or assign this Agreement to a third party without restriction. If we assign this Agreement, we will have no liability for events or performance arising after the effective date of the assignment. You may not transfer this Agreement without our prior written consent, which we may grant or withhold as we deem best. If your controlling ownership interest or actual management control is transferred, or if you sell substantially all of your assets, that will be considered a transfer of this Agreement for purposes of our approval rights. If such a transfer occurs without our approval, we may terminate this Agreement, effective immediately upon delivery of notice.

18. **Termination**. In addition to our termination rights in Section 17, we may terminate this Agreement, effective immediately upon delivery of notice to you, if you fail to comply with any provision of this Agreement and do not correct that failure within twenty (20) days after our delivery of notice of default. If your default is by nature non-curable, we may terminate this Agreement without giving you any opportunity to cure. You have no contractual right to terminate this Agreement.

19. **Post-Term Obligations**. When this Agreement expires or is terminated, you must immediately stop operating the Restaurant under the Chester's System and Marks; not thereafter represent to the public or hold yourself out as a present or former licensee of ours; immediately and permanently stop using any confidential methods, procedures, and techniques associated with the Chester's System and Marks; follow our instructions to de-identify the Restaurant from the Chester's System within the timeframe we specify; promptly pay all monies due to us and our affiliates; and immediately deliver to us (at no cost to us) all Manuals, brochures, invoices, and other materials bearing the Marks.

20. **Paying Taxes**. You must promptly pay when due all taxes incurred in operating the Restaurant. You agree to notify us in writing within 10 days after the commencement of any action, suit, or proceeding that may adversely affect the Restaurant's operation or financial condition or the Marks.

21. **Indemnification**. You agree to indemnify, defend, and hold harmless us and our officers, directors, owners, and employees against any and all claims and damages arising directly or indirectly from, as a result of, or in connection with your operation of the Restaurant (including attorneys' fees incurred in defending them). We and you are independent contractors; nothing in this Agreement is intended to make either you or us a general or special agent, joint venturer, partner, or employee of the other for any purpose. You agree to identify yourself conspicuously in all dealings with customers, suppliers, public officials, Restaurant personnel, and others as the Restaurant's independent owner and operator. You also agree to communicate clearly with your employees in employment agreements, manuals, handbooks, and other materials that you, and not us or our affiliates, are the employer of all Restaurant employees.

22. **Notices**. All notices and other formal communications required or permitted under this Agreement shall be in writing and deemed properly delivered (a) on the day delivered, if delivered personally, or (b) three (3) business days after being mailed, if mailed first class, postage prepaid, registered or certified mail, return receipt requested, or (c) one business day after drop-off, if sent via a reputable overnight courier service, to us at the address on page one of this Agreement or to you at the Location. Any party may change its address for notices by written notice given as provided in this section.

23. **Entire Agreement**. This Agreement and the Manuals (which may be periodically modified) constitute the entire, full, and complete agreement between us and you concerning the subject matter of this Agreement and supersede all prior agreements, no other representations having induced you to sign this Agreement. No amendment, change, or variance from this Agreement will be binding on either party unless mutually agreed to in writing by the parties' authorized officers or agents. Nothing in this Agreement or in any related agreement is intended to disclaim the representations we made in our franchise disclosure document (if required to have been delivered to you).

24. **Severability.** If, for any reason, any provision or part of a provision in this Agreement is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, that will not impair the operation of, or otherwise affect, the rest of this Agreement that remains intelligible, which will continue to be given full force and effect and bind the parties.

25. **Waiver of Punitive Damages and Jury Trial.** EXCEPT FOR YOUR OBLIGATION TO INDEMNIFY US FOR THIRD PARTY CLAIMS, AND EXCEPT FOR OUR CLAIMS AGAINST YOU FOR MIS-USE OF OUR INTELLECTUAL PROPERTY, WE AND YOU (AND YOUR OWNERS) WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN YOU AND US, THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS. WE AND YOU IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER YOU OR US.

26. **Governing Law.** Except to the extent governed by United States federal law, this Agreement, the license, and all claims arising from or relating to the relationship between you and us shall be governed, interpreted, and construed under the laws of the State of Alabama, without reference to principles of conflicts of law. However, if the laws of the state where the Restaurant is located require interpretation and construction of this Agreement pursuant to the laws of that state, then this Agreement shall be deemed modified to comply with the applicable provision of that state law regarding such interpretation and construction.

27. **Additional Representations.**

[YOU ARE TO INITIAL THE FOLLOWING REPRESENTATIONS ONLY IF **BOTH** ARE APPLICABLE]

____ You represent as of the date of this Agreement that you, any of your current directors or principal officers, or any current directors or principal officers of your parent or affiliate has more than two (2) years of experience at any time in the past in the same type of business represented by this Agreement.

Montgomery, Alabama

We have audited the accompanying financial statements of Chester's International, LLC, which comprise the balance sheets as of December 31, 2019 and 2018, and the related statements of income, changes in members' equity, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Chester's International, LLC, as of December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

CHESTER'S INTERNATIONAL, LLC

Notes to Financial Statements December 31, 2019 and 2018

NOTE 1 - Summary of significant accounting policies

Nature of business

Chester's International, LLC distributes breeding products and packaging supplies which are marketed throughout the United States and abroad.

Basis of accounting

The Company maintains its accounting records and prepares its financial statements on the accrual basis.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue is measured based on a consideration specified in a contract with a customer, and excludes any sales incentives. The Company recognizes revenue when it satisfies a performance obligation by transferring control over a product or service to a customer.

Taxes assessed by a government authority that are both imposed on and concurrent with a specific revenue-producing transaction, that are collected by the Company from a customer, are excluded from revenue.

The Company adopted the requirements of the new guidance under ASC 606 as of January 1, 2019, utilizing the modified retrospective method of transition. As a result of the adoption, the Company recorded a cumulative adjustment to members' equity as of January 1, 2019. The Company applied the new guidance using the practical expedient provided under Topic 606 which allows the guidance to only be applied to contracts that were not complete as of January 1, 2019. This resulted in changes to accounting policies for revenue recognition, contract liabilities detailed below.

Previously, the Company recognized revenue for all products when the customers took delivery of the products and formally accepted them. Under Topic 606, the Company recognizes revenue when a customer obtains control over the product. Customers do not take control of the product until it is completed and shipped. Therefore, the Company continues to recognize revenue for such contracts when products are delivered to customers and customers formally accept them. Franchise fee agreements are for a term of 5 years. Franchise start-up fees are due and payable upon signing of the agreement and are nonrefundable and the Company will recognize the revenue from these franchise fees over the five-year life of the contract with the franchisee. The impact of adopting the guidance was an increase of \$27,916 to revenue from deferred revenues over the five-year term of the contract. There were no charges to expenses when implementing this guidance.

Report on the Financial Statements

We have audited the accompanying financial statements of Chester's International, LLC, which comprise the balance sheet as of December 31, 2018 and 2017, and the related statements of income, changes in stockholders' equity, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Chester's International, LLC as of December 31, 2018 and 2017, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements December 31, 2018 and 2017

NOTE 1 - Summary of significant accounting policies

Nature of business

Chester's International, LLC distributes breeding products and packaging supplies which are marketed throughout the United States and abroad.

Basis of accounting

The Company maintains its accounting records and prepares its financial statements on the accrual basis.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Advertising

Costs for print media advertising are expensed when incurred.

Cash equivalents

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Inventories

Raw materials, work in progress, and finished goods inventories are stated at the lower of cost or market determined by the first-in, first-out method. Finished goods inventories are valued at production costs represented by materials, labor and overhead.

Property, plant and equipment

Property, plant and equipment items are carried at cost. Depreciation is charged to income over the estimated useful lives of the assets using straight-line and accelerated methods. Repairs and maintenance are charged to expense as incurred and renewals and betterments are capitalized.

3. Our website has not been reviewed or approved by the California Department of Business Oversight. Any complaints concerning the content of the website may be directed to the California Department of Business Oversight at www.dbo.ca.gov.

4. The following is added to the State Cover Page of the Franchise Disclosure Document as an additional risk factor:

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

5. Item 3 of the Franchise Disclosure Document is amended to provide that neither the franchisor, nor any person in Item 2 of the Franchise Disclosure Document, is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in that association or exchange.

6. The following paragraphs are added at the end of the chart in Item 17 of the Franchise Disclosure Document:

California Business and Professions Code Sections 20000 through 20043 provide rights to franchisees concerning transfer, termination or nonrenewal of a franchise. If the Agreement contains a provision that is inconsistent with the law, the law will control.

The Agreement requires application of the laws of the State of Alabama. This provision might not be enforceable under California law.

7. There are no bankruptcy or release provisions in our franchise documents.

ILLINOIS

1. The following statements are added to the end of Item 17:

Except for federal law, Illinois law governs the Franchise Agreement.

In conformance with Section 4 of the Illinois Franchise Disclosure Act, any provision in a franchise agreement that designates jurisdiction and venue in a forum outside of the State of Illinois is void. However, a franchise agreement may provide for arbitration to take place outside of Illinois.

Franchisees' rights upon termination and non-renewal are set forth in Sections 19 and 20 of the Illinois Franchise Disclosure Act.

In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

With respect to franchises governed by Minnesota law, we will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4 and 5 which require, except in certain specified cases, that you be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Agreement.

Minn. Stat. § 80C.21 and Minn. Rule Part 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the Franchise Disclosure Document or Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes 1984, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by laws of the jurisdiction.

NEW YORK

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT A OR YOUR PUBLIC LIBRARY FOR SOURCES OF INFORMATION.

REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN THAT ANYTHING IN THE FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND NEW YORK STATE DEPARTMENT OF LAW, BUREAU OF INVESTOR PROTECTION AND SECURITIES, 28 LIBERTY STREET, 21ST FLOOR, NEW YORK, NEW YORK 10005. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS WHICH ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is added at the end of Item 3:

- D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Sections 687.4 and 687.5 be satisfied.

**RIDER TO THE CHESTER'S INTERNATIONAL, LLC
AGREEMENT
FOR USE IN WASHINGTON**

This Rider is made and entered into as of the ____ day of _____, 20__ (the "Effective Date") (regardless of the dates of the parties' signatures) by and between **CHESTER'S INTERNATIONAL, LLC**, an Alabama limited liability company ("we," "us, or our), and _____ ("Licensee," "you," or "your").

1. **BACKGROUND.** We and you are parties to that certain Agreement dated _____ 20__ that has been signed concurrently with the signing of this Rider (the "Agreement"). This Rider is annexed to and forms part of the Agreement. This Rider is being signed because (a) the offer or sale of the franchise for the Restaurant that you will operate under the Agreement was made in the State of Washington, (b) you are a resident of Washington, and/or (c) the Restaurant will be located or operated in Washington.

2. **ADDITION OF PARAGRAPHS.** The following paragraphs are added to the end of the Agreement:

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

The undersigned does hereby acknowledge receipt of this Rider.

IN WITNESS WHEREOF, the parties have executed and delivered this Rider effective on the date stated on the first page above.
