No such advertising cooperatives currently exist Although Franchisor has only one company-owned Store currently in operation, it is possible that, at some point in the future, Franchisor may open additional company-owned Stores, and that such Stores may have a controlling vote in one or more advertising cooperatives In that case, Franchisor would be able to control the amount of the contributions to be made by members of such cooperatives

Explanatory Notes

1 ***Initial Franchise Fee*** This number represents the Initial Franchise Fee for franchises purchased under individual Franchise Agreements The Franchisor offers a $10,000 discount on the Initial Franchise Fee to veterans of the United States Armed Forces opening a single Store The Franchisor may, in its discretion, provide other discounts to franchisees under circumstances it deems appropriate If you sign an Area Development Agreement, the Initial Franchise Fee you pay will vary, depending on the number of Stores to be developed

2 ***POS/Computer System, Cash Registers and Scales*** You must purchase at least one POS system/cash register and one scale Depending on the size and sales volume of your Store, you may want to have as many as four registers and scales You must purchase the POS system and cash registers specified in our Operations Manual

3 ***Leasehold Improvements*** The cost of leasehold improvements will vary depending on many factors, including (i) the size, layout and existing condition of the premises, (ii) pre-construction costs (such as demolition of existing walls and removal of existing improvements and fixtures), and (iii) cost of materials and labor, which may vary based on geography and location These amounts are based on the cost of adapting your space to meet our architectural and design plans and the cost of other leasehold improvements These figures are our best estimate based on remodeling with finish-out rates These amounts may vary substantially based on local conditions, including the availability and prices of labor and materials These costs may also vary depending on whether any of these costs will be paid by the landlord

4 *Fixtures and Equipment* All fixtures and equipment that you purchase for your Store must be approved by us The fixtures and equipment you need include, under our low end estimate refrigerated display case, chocolate conveyor line, two 225 pound chocolate tanks, two chocolate pumps, shelving and display cases, freezers, refrigerators, party tables and chairs, storage racks and telecommunications equipment Approximately $70,000 to $76,000 of our estimate is attributable to equipment you must purchase from our affiliate Our affiliates provide franchisees with payment terms of net 30 days from invoice date No interest accrues on the outstanding balance due if paid within such thirty-day period Please refer to Item 5 for more Information

Under our high end estimate, the fixtures and equipment include all of the equipment and fixtures described above, plus, at your option, and depending on the size and location of your Store and anticipated traffic, a chocolate fountain, M&M display, Jelly Belly display, Pucker Powder display, lollipop displays and a fudge machine

5 ***Architect Fees*** You must hire a qualified architect, whom we have approved or designated for use by our Franchisees, to adapt our standardized plans and specifications to your approved location

6 ***Rent*** If you do not own adequate real property, you must lease property for your Store A typical Chocolate Works® Store will need approximately 1,500 to 2,500 square feet of space for a strip center or free-standing location Lease costs will vary widely and may be

significantly higher than projected in this table depending on factors such as property location, population density, economic climate, prevailing interest rates and other financing costs, and conditions of the property You should investigate all of these costs in the area where you wish to establish a Store We reserve the right to lease, or have one of our affiliates lease, and sublease the property to you

Landlords may vary the base rental rate and charge rent based on a percentage of gross revenue In addition to base rent, the lease may require you to pay common area maintenance charges, your proportionate share of the real estate taxes and insurance, and your proportionate share of other charges The actual amount you pay under the lease will vary depending on the size of the Store, the types of charges that are allocated to tenants under the lease, your ability to negotiate with landlords and the prevailing rental rates in the geographic region and particular locale of your Store

If you choose to purchase real property on which to build your Store, your initial investment may be higher than what we estimate above If you purchase real property, we cannot estimate how this purchase will affect your total initial investment

7 ***Insurance*** The estimate represents approximately three months of coverage for the insurance you must have for your Store Insurance costs will vary depending upon factors such as the size and location of the Store

8 ***Opening Inventory and Supplies*** You must purchase all chocolate truffles, and all bulk chocolate from us or our affiliates All other products and all furniture, fixtures and equipment must be purchased from us, our affiliates or third-party suppliers designated or approved by us You will need to re-stock your initial inventory on an as needed basis as food items and other supplies are used The amount and cost of your initial and subsequent orders for all of these items will vary depending on various factors, including the size and anticipated volume and mix of your Store's sales

9 ***Signage*** The estimates include the costs for interior and exterior signage The cost of signage may vary significantly depending on the location of your Store, market conditions and local codes In some instances the use of additional or larger signage may be possible, with our prior written approval The costs of these optional items are not included in the line item total above

10 ***Initial Training Expenses*** We provide initial training at our training facility for up to three people, one of whom must be you, at no additional charge These estimates include only your out-of-pocket costs associated with attending our initial training program, including travel, lodging, meals and applicable wages for the first three trainees These amounts do not include any fees or expenses for training any other personnel Your costs may vary depending on your selection of lodging and dining facilities and mode and distance of transportation The lower end of our estimate assumes that the trainees live within driving distance of our training facility

11 ***Grand Opening Advertising Program*** You will spend $10,000 for a grand opening advertising campaign to promote the opening of your Store All advertisements used in your grand opening advertising campaign must be approved by us The campaign will be conducted in the first 90 days after your Store opens If we believe that the size or location of your Store or other factors we deem relevant call for the expenditure of more than $10,000 in connection with your grand opening, we may require you to contribute up to $5,000 to fund additional advertising, marketing and promotional activities At our request if we do not approve your campaign, you must give us the money for your grand opening advertising campaign and we will conduct the campaign on your behalf

12 ***Professional Fees*** We expect that you will retain an attorney and an accountant to

assist you with evaluating this franchise offering, forming your business entity, and negotiating your lease or purchase agreement for the approved location

13 Additional Funds This is an estimate of your start-up expenses for an initial three-month period, excluding payroll costs, and does not include any revenue that your Store may earn in the first three months of operation These figures are estimates only and we cannot guarantee that you will not have additional expenses starting your business You will need capital to support ongoing expenses, such as payroll, utilities, royalty fees and local advertising if these costs are not covered by sales revenue for your first three months of operation The amount of revenue you generate in the first three months of operation may depend, in part, on the time of year your Store opens Your expenses will depend on factors such as how much you follow our methods and procedures, your management skill, experience and business acumen, local economic conditions (including the local market for our products or services), the prevailing wage rate, competition and the sales level reached during the initial period These are only estimates and your costs may vary based on actual rental prices in your area and other site-specific requirements or regulations The *Advertising Fund,* because your contributions to the Advertising Fund are monthly payment, our estimate includes your first three months of contributions to the Advertising Fund We relied upon our predecessor's 4 years of experience in preparing these figures The costs outlined in this Item 7 are not intended to be a forecast of the actual cost to you or to any particular Franchisee

We have not included a separate table for the initial investment if you sign an Area Development Agreement If you become an Area Developer, you will pay an Area Development Fee which is applied pro rata to the Franchise Fees due for each Store to be developed after the first The amount of the Area Development Fee will depend on the number of Stores to be developed under the Area Development Agreement, and will be calculated as follows If Area Developer plans on opening 2 locations the fees would be ($70,000), 100% of the Franchise Fee for the first Store to be developed plus 50% of the reduced Franchise Fee for each additional Store to be opened under that agreement and is due to us on signing the Area Development Agreement Other than the Area Development Fee, actual start-up costs pertaining to the actual Stores opened under the Area Development Agreement are as estimated above, subject to potential increases over time or other changes in circumstances If you sign an Area Development Agreement, your professional fees such as legal and financial fees may be higher between $5,000 and $7,500 The approximate cost for a vehicle to view potential sites, oversee the build-outs, supervise multiple locations, etc will be $2,100 for 3 months The Total Initial Investment for 2 stores would be $240,500-$406,600 with a Total Investment of $317,600-486,200

You will not receive an exclusive territory You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control

You may not relocate your Store without our prior approval, which will not be unreasonably withheld Our approval should not be considered a guaranty that the new site will be successful Our review of a proposed relocated site is based on the same factors we use in reviewing your initial site The Store at the relocated site must be open to the public as soon as is practical, but not more than 90 days after the original location closes

You may sell our Products and related merchandise and services, including chocolate making parties and other events, to retail customers who visit your Store and to Institutional Customers, wherever located You may conduct promotional activities or sell our products or services through your page on our website You may advertise or sell products or services through catalogs or by mail directed to customers or prospective customers within your Territory You may place advertisements in printed media and on television and radio that are targeted to customers and prospective customers located anywhere You have no options, rights of first refusal, or similar rights to acquire additional franchises

During the term of the Area Development Agreement, we will not establish or operate, and we will not grant a franchise for the operation of, Chocolate Works® Stores within the Development Area to anyone else, except as described below These rights will not prevent our Franchisees located outside the Development Area from advertising in publications that may be distributed to customers located within your Development Area We have the right to terminate your designation if you are not in full compliance with all of the terms and conditions of the Area Development Agreement and all of the Franchise Agreements

If you do not comply with a deadline under the Development Schedule (a 'Missed Deadline"), you will be in default under the Area Development Agreement For one Missed Deadline, we will provide you with an opportunity to cure your default and we will notify you of a new deadline for that one Missed Deadline (without changing the remainder of the Development Schedule) If you fail to come into compliance by that new deadline, or if a second Missed Deadline occurs, we may terminate your Area Development Agreement, or we may elect to take one or more of the following actions

19 7 Liquidated Damages

Upon termination of this Agreement according to its terms and conditions by us with cause, or if you terminate this Agreement without cause, you agree to pay to us within fifteen (15) days after the effective date of this Agreement's termination, in addition to the amount, owed hereunder, liquidated damages equal to twice the aggregate "Royalty Fee" we earned from your Store during the twelve (12) months of operation before the termination

The parties hereto acknowledge and agree that it would be impracticable to determine precisely the damages we would incur from this Agreement's termination and the loss of cash flow from Royalty Fees due to, among other things, the complications of determining what costs, if any, we might have saved and how much the Royalty Fees would have grown over what would have been this Agreement's remaining term The patties hereto consider this liquidated damages provision to be a reasonable, good faith pre-estimate of those damages

The liquidated damages provision only covers our damages from the loss of cash flow from the Royalty Fees It does not cover any other damages, including damages to our reputation with the public

and landlords and damages arising from a violation of any provision of this Agreement other than the Royalty Fee section You and each of your Owners agree that the liquidated damages provision does not give us an adequate remedy at law for any default under, or for the enforcement of, any provision of this Agreement other than the Royalty Fee section

20 1 If any provision of this Agreement relating to the covenants to refrain from operating, owning or assisting a Competitive Business during the term of this Agreement is declared or made invalid or unenforceable by judicial action, legislation or other government action, we, if we believe in our sole discretion that the continuation of this Agreement would not be in our best interests, may terminate this Agreement upon sixty (60) days' written notice to you

20 2 All other provisions of this Agreement are severable and this Agreement will be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein and partially valid and enforceable provisions will be enforced to the extent valid and enforceable To the extent the post-transfer restrictive covenants or post-termination restrictive covenants contained herein are deemed unenforceable by virtue of their scope in terms of geographic area, business activity prohibited and/or length of time, but may be made enforceable by reductions of either or any thereof, you and we agree that the same will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought If any applicable and binding law or rule of any jurisdiction requires a grater prior notice of the termination of this Agreement or refusal to grant a Renewal Franchise than is required hereunder, or requires the taking of some other action not required hereunder, or if under any applicable and binding law or rule of any jurisdiction any provision of this Agreement or any specification, standard or operating procedure we prescribe is invalid or unenforceable, the prior notice and/or other action required by such law or rule will be substituted for the comparable provisions hereof In such case, we will have the right in our sole discretion to modify such invalid or unenforceable provision, specification, standard, or operating procedure to the extent required to be valid and enforceable Such modifications to this Agreement will be effective only in such jurisdiction and this Agreement will be enforced as originally made and entered into in all other jurisdictions
