This Disclosure Document summarizes certain provisions of your franchise agreement and other information in plain English. Read this Disclosure Document and all accompanying agreements carefully. You must receive this Disclosure Document at least 14 calendar days before you sign a binding agreement with, or make any payment to, the franchisor or an affiliate in connection with the proposed franchise sale. **Note, however, that no governmental agency has verified the information contained in this document.**

You may wish to receive your Disclosure Document in another format that is more convenient for you. To discuss the availability of disclosure in different formats, contact Josh Wall at 17725 Katy Freeway, Suite 200, Houston, Texas 77094, (281) 675-6100, Josh.Wall@cbac.com.

The terms of your contract will govern your franchise relationship. Do not rely on the Disclosure Document alone to understand your contract. Read all of your contracts carefully. Show your contracts and this Disclosure Document to an advisor, like a lawyer and/or an accountant.

Buying a franchise is a complex investment, and as with any investment, there is the possibility of losing your investment. The information in this Disclosure Document can help you make an informed business decision. More information on franchising, such as *"A Consumer's Guide to Buying a Franchise"*, which may help you understand how to use this Disclosure Document, is available from the Federal Trade Commission ("FTC"). STATE COVER PAGE

Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT

Call the state administrators listed in Exhibit E for information about the franchisor, about other franchisors, or about franchising in your state

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHTS YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW

Please consider the following RISK FACTORS before you buy this franchise

- 1 THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH US BY BINDING ARBITRATION ONLY IN TEXAS. OUT-OF-STATE ARBITRATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST YOU MORE TO ARBITRATE WITH US IN TEXAS THAN IN YOUR OWN STATE
- 2 THE FRANCHISE AGREEMENT STATES THAT TEXAS LAW GOVERNS THE AGREEMENT, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTIONS AND BENEFITS AS LOCAL LAW. YOU MAY WANT TO COMPARE LAWS
- 3 YOUR SPOUSE MUST SIGN A SPOUSE'S CONSENT AND AN ACKNOWLEDGMENT CONSENTING TO THE FINANCIAL OBLIGATIONS UNDER THE FRANCHISE AGREEMENT. THIS WILL PLACE YOUR SPOUSE'S MARITAL AND PERSONAL ASSETS AT RISK IF YOUR FRANCHISE FAILS
- 4 THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE

other similar automotive repair and service facilities. The types and numbers of competitors vary from location to location and from time to time.

The Market

The market for your services will be the general public. The need for automotive repair and service varies from time to time due to a large number of factors which include things such as the condition of the local, regional or national economy, seasonal changes, the cost of regulatory compliance, the cost of fuel and the cost of new automotive vehicles. Other factors that may have a significant impact on the market in the future include technological advances that impact the construction of automotive vehicles, powering of motor vehicles, and the basic methods of travel used in the United States. Significant changes in the laws, rules and regulations that govern the automotive industry may have a dramatic impact on the market for your services.

You should investigate whether there are regulations and requirements that may apply in the geographic area in which you are interested in locating your franchise, determine the impact any such regulations and requirements could have on a franchise in that location and should consider both their effect and cost of compliance in determining whether you want to pursue having a franchise in that location.

INITIAL FEES

Franchise Agreement

You must pay CBAC an initial franchise fee of \$135,000. This initial franchise fee is paid in two installments. The first installment is in the amount of \$85,000 and is due at the earlier of your signing the Franchise Agreement or your signing the Receipt and Acknowledgement Agreement, a copy of which is attached as Exhibit K. The second installment is in the amount of \$50,000 and is due on or before three business days after CBAC informs you in writing that the building permits have been obtained, the land has been purchased, or the land has been leased for the building where your franchise will operate. You may be able to include the second installment in your small business financing.

CBAC is a proud participant of the International Franchise Association's Veterans Transition Franchise Initiative and has established the following "IFA VetFran Program." If you are a current or former member of the United States Armed Forces and have been or will be honorably discharged then CBAC offers you a discount of 10% of the initial franchise fee. Upon receipt of your DD Form 214 "Certificate of Release or Discharge from Active Duty," CBAC will apply the discount to the second installment of the initial franchise fee. You will pay \$85,000 at the earlier of your signing the Franchise Agreement or your signing the Receipt and Acknowledgement Agreement. Your second installment will be in the amount of \$36,500 and will be due on or before three business days after CBAC informs you in writing that building permits have been obtained, the land has been purchased, or the land has been leased for the building where your franchise will operate.

CBAC may not be able to purchase the Land that you have approved and CBAC has agreed to attempt to acquire. CBAC agrees to notify you in writing if it determines, for any reason, that it will not purchase the Land. CBAC will then give you the option of either (a) choosing another location where CBAC is willing to attempt to acquire the Land where your franchise will operate, or (b) having your Down Payment refunded to you.

In the event a Termination Event occurs prior to CBAC executing a Contract for the acquisition of the Land, then CBAC will deduct the reasonable costs that it has incurred in processing your application, selecting the site for the franchise, and preparing to enter into the franchise relationship with you, and return any remainder to you, provided that such deduction will not exceed \$25,000. "Termination Event" means any of the following (i) you do not qualify for the necessary financing to open and operate your Franchise, (ii) you choose not to proceed with the decision to open a franchise on the Land, and/or (iii) you are unable to complete any of your other obligations that are conditions to your owning and operating a CBAC franchise. "Contract" means a contract for (a) the acquisition of land in the general area of the Location, (b) the lease of land in the general area of the location, or (c) a contract for the acquisition of an existing business. "Land" means the land that will be purchased or leased for the construction of a building and other improvements that will be used for the operation of your franchise.

In the event a Termination Event occurs after CBAC has executed a Contract but prior to CBAC (a) submitting site plans to the appropriate authority for approval in connection with the

purchase of the Land, or (b) performing due diligence in connection with the acquisition of the Land, then CBAC will deduct \$25,000 from your initial \$85,000 deposit and refund \$60,000 to you

In the event a Termination Event occurs after CBAC has executed a Contract and either (a) has submitted site plans to the appropriate authority for approval in connection with the purchase of the Land, or (b) has performed due diligence in connection with the acquisition of the Land, then CBAC will retain all of your initial \$85,000 deposit

You must pay the remaining amount of your franchise fee as provided in the Franchise Agreement to be entered into between you (or an entity formed and owned by you for the sole purpose of owning and operating the Franchise) and CBAC. The initial franchise fee is non-refundable except under a Termination Event, as described above.

The amount of the initial franchise fees paid previously have been uniform for all parties who became franchisees during the same time period (except for those parties who qualify for the IFA VetFran Program). The initial franchise fee paid during our fiscal year ended on December 31, 2017 was \$135,000 and for the period up to April 13, 2018 was \$135,000.

Prior to opening, you must purchase certain equipment and software from CBAC that will be used to operate the franchise. This will include the equipment listed on Exhibit C to the Franchise Agreement and the software described below, at a current total cost of approximately \$212,000 to \$220,000. We may add or delete items to be purchased from us once the site for your CBA franchise has been selected. The equipment will include a shuttle vehicle that will be used to transport customers of your CBA franchise. The equipment is purchased by us in order to obtain better pricing than individual purchasers could obtain, and we only charge you our cost. The costs for equipment purchases are refundable prior to delivery.

The software that must be purchased from CBAC and used to operate your CBA franchise includes point-of-sale and accounting software at a one-time current cost of approximately \$8,400 and QuickBooks, which includes a QuickBooks user license, "Accounting Link", remote access, installation and testing, at a current cost of approximately \$1,250. As indicated, these software costs are included in the above described total amount. The fees for software purchases are refundable prior to store opening.

We may add or delete items which must be purchased through CBAC, and costs are subject to change.

The fee for these services is currently \$500 per month and will be \$550 per month starting July 1, 2018. CBAC offers additional tax filing services for monthly sales and use tax filings and annual personal property tax renditions, and the fees for these services are \$25.00 per month and \$75.00 per year respectively. CBAC offers full charge bookkeeping, the fee for this service is \$800.00 per month. Additionally, as indicated above, CBAC provides IT support services for a fee of \$200 per month. The fees for all of these services may be increased in the future, in the sole discretion of CBAC.

5 Each franchise location will do all of its own local advertising, and the cost of advertising is an operating expense to the franchisee. All marketing must be done according to the CBA Marketing Guide (a copy of which will be delivered to you when you receive your copy of the Confidential Operations Manual) and in conjunction with and approved by the CBAC Marketing Department. CBAC has established a national marketing program and may from time to time establish a regional marketing program (if a media market contains at least 3 or more stores). Each franchisee in that region or in the nation will be required to pay its prorated share of the advertising program. CBAC will deposit those payments into a marketing fund for that particular program. At this time, CBAC collects \$5,000 per year for the National Marketing Fund to be used to benefit its franchisees.

6 If you sell your operating company, the purchaser must be approved by CBAC prior to any transfer of the franchise license being allowed. You must complete and submit an application to transfer your franchise license. At the time you submit the application, you must pay CBAC a \$2,500 application fee. This fee covers the administrative costs incurred by CBAC in reviewing the application. This fee is nonrefundable and earned immediately upon receipt. If CBAC decides to approve the transferee, you will be required to pay an additional \$27,500 transfer fee to CBAC to cover the costs associated with determining whether or not to approve

the transferee, interviewing the appropriate parties, administering and overseeing the transfer process and providing appropriate training. The application and transfer fees are unapproved expenses.

7 If you authorize CBAC to find an outside buyer – one who is not currently a Christian Brothers Automotive franchisee, you will be responsible for paying CBAC a Brokerage transaction fee, which is either the greater of 7% of the gross value of the business transaction or \$50,000. This fee is earned and payable upon closing of the transaction between you and the buyer and is in addition to the Transfer fee due and payable to CBAC, which is currently \$30,000 per business.

8 You will be required to make lease payments to CBAC or an affiliate in an amount set out in a Commercial Lease Agreement or a Commercial Sub-Lease Agreement negotiated between you and CBAC or an affiliate. The initial term of the lease will be 15 years, and the initial monthly lease payment will be approximately \$14,000 to \$25,000 for base rent, plus all triple net costs (insurance, maintenance and property tax, sales tax and common area maintenance if applicable), this amount will vary depending on items such as the cost of the construction of improvements. The high end of this range reflects locations where the land, development and construction costs are significantly higher than CBAC's average costs. You will not be required to give a security deposit to CBAC or an affiliate, but you will be required to pay all insurance premiums, property taxes, repairs & maintenance, and utilities owed in connection with your use and operation of the leased premises, plus all other costs, if any, specified in the Commercial Lease Agreement or the Commercial Sub-Lease Agreement. Each year the base rent will increase by 1 5% on the anniversary of your lease commencement.

Notes

1 You must pay CBAC an initial franchise fee of \$135,000. This initial franchise fee is paid in two installments. The first installment is in the amount of \$85,000 and is due at the earlier of your signing the Franchise Agreement or your signing the Receipt and Acknowledgement Agreement. The second installment is in the amount of \$50,000 and is due on or before three business days after CBAC informs you in writing that building permits have been obtained, the land has been purchased, or the land has been leased for the building where your franchise will operate.

In the event a Termination Event occurs prior to CBAC executing a Contract for the Land, then CBAC will deduct the reasonable costs that it has incurred in processing your application, selecting the site for the Land, and preparing to enter into the franchise relationship with you, and return any remainder to you, provided that such deduction will not exceed \$25,000. "Termination Event" means any of the following (i) you do not qualify for the necessary financing to open and operate your Franchise, (ii) you notify CBAC in writing that you choose not to proceed with the decision to open the selected store, and/or (iii) you are unable to complete any of your other obligations that are conditions to your owning and operating a CBAC franchise. "Contract" means a contract for (a) the acquisition of land in the general area of the Location, (b) the lease of land in the general area of the location, or (c) a contract for the acquisition of an existing business.

In the event a Termination Event occurs after CBAC has executed a Contract but prior to CBAC (a) submitting site plans to the appropriate authority for approval in connection with the purchase of the Land, or (b) performing due diligence in connection with the acquisition of the Land, then CBAC will deduct \$25,000 from your initial \$85,000 deposit and return \$50,000 to you

In the event a Termination Event occurs after CBAC has executed a Contract and either (a) has submitted site plans to the appropriate authority for approval in connection with the purchase of the Land, or (b) has performed due diligence in connection with the acquisition of the Land, then CBAC will retain all of your initial \$85,000 deposit. If at any time prior to the opening date of your franchise, CBAC terminates its relationship with you, CBAC will return the amount of the initial franchise fee that you have paid. Except as provided in the previous sentences, the initial franchise fee is not refundable under any circumstances. CBAC does not finance any fee.

CBAC is a proud participant of the International Franchise Association's Veterans Transition Franchise Initiative and has established the following "IFA VetFran Program". If you are a current or former member of the United States Armed Forces and have been or will be honorably discharged then CBAC offers you a discount of 10% of the initial franchise fee. Upon receipt of your DD Form 214 "Certificate of Release or Discharge from Active Duty", CBAC will apply the discount to the second installment of the initial franchise fee. You will pay \$85,000 at the earlier of your signing the Franchise Agreement or your signing the Receipt and Acknowledgement Agreement. Your second installment will be in the amount of \$36,500.00 and will be due on or before three business days after CBAC informs you in writing that building permits have been obtained, the land has been purchased, or the land has been leased for the building where your franchise will operate.

If you have been referred to CBAC by a current franchisee, CBAC will pay \$2,500 to the referring franchisee if you enter into a franchise agreement with CBAC. This is part of CBAC's franchisee referral program. CBAC will be glad to discuss the details of this franchisee referral program with you upon request. Existing franchisees who provide references to prospective franchisees are not acting as our agent and do not speak for us, despite the receipt of a referral fee. We do not control what these existing franchisees may say, and cannot guarantee the accuracy of any statement made by them to you.

2. Either CBAC or an entity affiliated with CBAC or contracted by CBAC, will purchase real property and construct the building the franchise will operate from, or CBAC will lease the land and building for the franchise from an unaffiliated party. You will lease or sublease the building and property from CBAC or an affiliate for a period of fifteen (15) years for rent of approximately \$14,000 to \$25,000 per month for base rents. This amount will vary due to the cost of constructing the improvements and the underlying financing costs. On a case by case basis, CBAC may, in its sole discretion, decide to sell a site and building to a franchisee or to an unrelated third party. Any such sale to a franchisee will be contingent upon and result in an amendment to the franchise agreement revising the terms that CBAC deems appropriate, provided that such amendment shall not change the percentage of the Split Profits that you will receive or the term of your franchise agreement. Any such sale to a third party will result in CBAC leasing the site and building from such third party and continuing to sub-lease it to you.

CBAC may also, in its sole discretion and on a case by case basis, decide to contract for an unaffiliated party to acquire land and construct the building for a franchise which CBAC then leases from that unaffiliated party. We do not currently anticipate requiring a security deposit at startup and generally attempt to provide up to a six month rent free period. Consequently, we do not expect your initial funds to include rent. This is subject to change and will vary depending on the financial terms negotiated on each construction project. When the monthly lease payments do begin, they will be between \$14,000 and \$25,000 for base rent amounts, depending on a variety of factors. In addition to the base rent, you will be required to pay other fees and expenses related to the real property such as property taxes, assessments, common area maintenance fees, and property owners' associations' fees.

CBAC will charge project development, construction management, and legal fees of up to 5% of project costs for each project. These fees will be included in the cost of construction of the improvements.

3 You must purchase equipment and software from us. The equipment is listed on Exhibit C to the Franchise Agreement. Other items of equipment may be identified after the site has been selected. This equipment will include a shuttle vehicle that will be used to transport customers of the franchise. See Item 5 and Item 8 for more information about the equipment and software that will be needed to operate the franchise.

4 You must purchase a CBAC-approved shuttle vehicle. This may be either a Chevrolet Impala or a Chevrolet Traverse 2-wheel drive vehicle. If you wish to purchase an All-Wheel Drive ("AWD") vehicle, it may be a used Chrysler 300 AWD, Dodge Durango AWD or a Chevrolet Traverse AWD. If you choose to purchase a Chevrolet Traverse AWD, you must be aware that the cost will likely exceed the estimated investment set forth in the table above. The shuttle vehicle can be new or pre-owned as long as it is less than four years old upon purchase. The approved shuttle vehicle must be wrapped with a CBAC-approved graphic wrap by our approved vendor. The cost of the wrap can be financed with the purchase or lease of the shuttle vehicle.

5 You must display and maintain a sign for your franchise. CBAC will select the sign, the location for the sign and the company to build and install the sign. The cost of this sign is included in your project cost or a construction loan. All costs and expenses related to maintaining, repairing and/or replacing the sign will be your obligation on an ongoing basis throughout the term of your lease.

6 You must purchase inventory to begin your business. The types of inventory you will be required to purchase are described on Exhibit J to this Disclosure Document. Inventory prices are subject to change.

7 You must pay security deposits to the local utility companies. You must call them to determine the amounts and methods of payment.

8 We estimate that you will spend between \$5,000 and \$35,000 per year on insurance premiums and licenses. Normally, these premiums can be financed on a monthly payment plan that will reduce the initial cash outlay to approximately \$5,000, depending on your

providers and your credit worthiness. You will need to carry any and all forms of insurance that may be required by law, required in the Franchise Agreement, required in your commercial lease or sublease agreement, specified by CBAC from time to time, and/or as are reasonably necessary to carry on a business of this type. The types of insurance will include Key Man Life, workers compensation, property/casualty, and renter's coverage(s) and errors and omissions/liability/malpractice coverage(s). You are required to maintain at all times errors and omission/malpractice business coverage limits of not less than \$2,000,000. The coverage premiums for these policies will vary between insurance companies, and will also vary depending on factors such as projected volume, fees, loss history, and experience rate. If you finance any aspect of your franchise business, your lender may require additional insurance. Group health insurance coverage for employees is an optional expense. Disability, dental, vision, or supplemental insurance for you or your employees is an unapproved expense for purposes of calculating Split Profits.

9 CBAC requires that if you market/advertise in any local medium that it be done according to the CBAC Marketing Guide and in conjunction with and approved by the CBAC Marketing Department. You should budget between \$20,000 to \$30,000 per year for marketing/advertising in your first year of business.

10 CBAC estimates you will spend between \$15,000 to \$20,000 for marketing/advertising from about 30 days prior to store opening until about 60 days after store opening.

11 CBAC estimates that you will spend between \$30,000 to \$40,000 over the first three months of the operation of the franchise on items such as general office supplies, employees, vendors and utilities. These expenditures are often categorized as expenditures made from working capital. These amounts are estimates. They will, to a considerable degree, represent discretionary expenses that you may or may not choose to incur. You can choose to spend more than this, but it will increase your total up-front investment and may require you to increase your down payment if you are financing.

12 You will spend about \$7,500 to \$10,000 for pre-opening traveling for training, including general travel expenses such as flight, rental car, hotel and food costs for a period of approximately 30 to 45 days.

13 You will need to make estimated payments of \$2,000 to \$15,000 at or near startup for miscellaneous expenses which include items such as financing or application fees, legal or professional fees, extra office supplies and extra inventory or supplies that are unique to your location which may consist of some of the items described in Note 5 above.

14 CBAC estimates that your total initial start-up expenses will be between \$464,250 and \$560,400. These figures are estimates only, and CBAC does not warrant, represent or guarantee that you will not incur additional expenses as you start your business. Some of these additional expenses may be optional to you, but others may be necessitated by circumstances that are particular to the location or other aspects of your business. Your costs will depend on factors such as how vigorously CBAC's methods, policies and procedures are followed, your

management skills, experience, and business acumen, local economic conditions, the prevailing wage rate, the time of year you open and the quantity and quality of the competition

15 CBAC relied on the experience of its management to compile these estimates. You must review these figures carefully with a business advisor before making any decision to apply to become a CBAC franchisee.

16 Except as set out in this Item 7, no fee or payment to CBAC or to equipment vendors is refundable.

17 CBAC does not offer direct or indirect financing to you for any items in connection with your initial investment.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Lease Relationship

You are required to lease or sublease the land and building for the franchise from CBAC. CBAC will either own the land and building or lease the land and building from an affiliate or from a third party. The terms of the lease are contained in the Commercial Lease or Sublease Agreement that is attached as Exhibit D to the Franchise Agreement which is attached as Exhibit B to this Disclosure Document.

Approval of Suppliers

We specify certain furniture, fixtures, equipment, inventory, supplies and other materials and items that you must have before opening and must maintain for as long as you own your franchise, including automotive repair/service equipment, tools and supplies, as well as office supplies. We also specify certain services that must be used in the development and operation of your franchise. All services, furniture, fixtures, equipment, inventory, supplies and other materials required to develop and operate your automotive repair facility must be procured from us, or from suppliers that we designate or approve. We may designate ourselves or an affiliate as an exclusive supplier of any product or service. We will provide you with our Confidential Operations Manual and various bulletins and notices that will contain the specifications, standards and restrictions for your purchase of such products, materials and services. As we determine consumer preferences and trends in the marketplace, or develop new marketing techniques, technologies, products and services, we anticipate that we will formulate new policies and modify our existing standards and specifications. We will notify you of these changes through amendments to the Confidential Operations Manual, articles, newsletters or other bulletins.

We and our affiliates may derive revenue as a result of the sale of any product or service to our franchisees.

We may negotiate volume purchase agreements with some vendors for the purchase of services, products, equipment, fixtures and inventory needed to operate your automotive repair facility. We have negotiated purchase agreements with certain vendors to supply equipment,

parts, insurance, software and start-up supplies, if geographically feasible, to our franchisees at competitive prices

We and/or our affiliates may receive payments, such as rebates, or other compensation from suppliers on account of the suppliers' dealings with us, you, or other franchisees. If we do receive such payments from suppliers, we may use the amounts that we receive for any purpose that we deem appropriate.

Prior to opening, you must purchase certain equipment and software from us that will be used to operate the franchise. This will include the equipment listed on Exhibit C to the Franchise Agreement (with the exception of the shuttle vehicle) and the software described below, at a current total cost of approximately \$215,000 to \$223,000. The equipment is purchased by us in order to obtain better pricing than individual purchasers could obtain, and we only charge you our cost. The costs for equipment purchases are refundable prior to delivery.

The software that must be purchased from us and used to operate your CBA franchise includes point-of-sale and accounting software at a one-time current cost of approximately \$8,400 and QuickBooks, which includes a QuickBooks user license, "Accounting Link", remote access, installation and testing, back-office security and training, at a current cost of approximately \$2,550. As indicated, these software costs are included in the above described total amount. The fees for software purchases are refundable prior to store opening.

We may add or delete items which must be purchased through us at any time, including once the site for your CBA franchise has been selected, and all costs are subject to change.

For the year ended December 31, 2017, our total revenue was \$44,748,468, of which \$1,074,500 or approximately 2.4% was received from franchisees in payment to us for accounting and administrative services, and of which \$24,998,681 or approximately 56% was received from franchisees as a result of real estate sublease and lease payments to us. We also received a total of \$88,096 from franchisees or required vendors as a result of purchases of equipment and related products directly from us.

CBAC received rebates from approved vendors in the amount of \$732,171 during the year ending December 31, 2017. These rebates were used to fund the costs of the Annual Franchise Convention/Meeting for franchisees, "Mastering the Difference" workshop for service managers and technicians, meetings of the Franchise Exchange Committee, and the costs to administer the purchasing program.

We do not currently have any affiliates selling or leasing required products or services to franchisees.

If you wish to procure any items from a supplier other than us or a supplier we designate, you must obtain our approval in the manner set forth in Section 9.07 of the Franchise Agreement which basically requires that you identify the proposed supplier, its name and address, and the items you desire to purchase from that supplier. If product specifications for the item are not in the Confidential Operations Manual, we will furnish the specifications to you at your request. We may condition our approval on the supplier agreeing in writing (a) not to disclose any confidential information regarding us or our operations, (b) to comply faithfully with our

specifications for the items it sells, (c) to sell any materials bearing our marks only to our franchisees, (d) on the supplier demonstrating to our reasonable satisfaction that it is able to supply equipment, fixtures and/or inventory meeting our specifications on a continuing basis, and (e) that the supplier is, and will continue to be, of good standing in the business community with respect to its financial soundness and the reliability of its product and service. Within 60 days after our receipt of a written request to approve a supplier and our receipt of all other information which we request in order to evaluate that supplier, we will attempt to notify you in writing whether or not such supplier is deemed approved by CBAC. No supplier will be approved unless and until CBAC has notified you in writing that such supplier is approved. We have the right to disapprove or withdraw our approval of any supplier at any time by providing you with written notice of our disapproval or withdrawal of approval. We do not charge any fees to secure our approval of suppliers. We do not negotiate purchaser arrangements with suppliers for the benefit of franchisees. However, from time to time, we negotiate with suppliers for the franchisees with the option but not the obligation to enter into these agreements. There are currently no purchasing or distribution cooperatives in our franchise system.

We do not provide or withhold material benefits to you (such as renewal rights or the right to open additional automotive repair facilities) based on whether or not you purchase through the sources we designate or approve. However, purchases of unapproved products or from unapproved vendors in violation of the Franchise Agreement will entitle us, among other things, to terminate your Franchise Agreement.

We estimate that approximately 95% of your expenditures for leases and purchases of equipment and supplies in establishing your automotive repair facility and approximately 2% of your expenditures for leases and purchases of supplies on an ongoing basis will be for goods and services which are subject to sourcing restrictions (that is, for which suppliers must be approved by us, or which must meet our standards or specifications).

No officer or director of CBAC owns an interest in an approved supplier of equipment, fixtures and/or inventory.

Advertising

You may not use any advertising material for local advertising unless we have expressly approved it in writing before publication or use, and it complies with our requirements concerning format, content and media.

Records

All of your bookkeeping and accounting records, financial statements, and all reports you submit to us must conform to our requirements.

Computer Equipment

We presently require you to purchase or lease the computer hardware or software that is described in Item 11. The Franchise Agreement allows CBAC, from time to time in its discretion, to establish such sales or financial data reporting systems as CBAC considers appropriate for the accurate and expeditious reporting of financial data. You must fully

cooperate with us in implementing any such system at each automotive repair facility. You must equip the automotive repair facility (or facilities) with such sales or financial recording devices as we may require. These requirements may include sales recording cash registers or devices that will telecommunicate gross sales or financial data directly to us on a daily or other frequent basis.

Insurance

To standardize insurance coverage and to afford you and CBAC protection against insurable risks, we may prescribe minimum standards and limits for insurance coverage to be purchased by you. Such standards and limits may be set forth in the Confidential Operations Manual, the Sub-Lease Agreement, or by other written notice. You must promptly provide us with certificates of insurance evidencing such coverage and copies of the underlying policies, including all endorsements, no later than ten (10) days prior to the Opening Date, and you must again furnish us with those certificates and policies whenever any coverage is renewed and/or replaced. All costs for such insurance will be borne by you. All insurance purchased by you must name CBAC (and where requested, its lenders and/or landlords) as an additional insured, and must provide that CBAC will be given at least thirty (30) days' prior written notice of any termination, amendment, cancellation, or modification thereof.

FRANCHISOR'S ASSISTANCE,

Except as listed below, CBAC is not required to provide you with any assistance.

The references to "Items" are to Items in this Disclosure Document. The references to "Articles and Sections" are to Articles and Sections in the Franchise Agreement attached as Exhibit B to this Disclosure Document.

Pre-Opening Obligations

We have the following obligations to you before you open your automotive repair facility for business:

1 CBAC will select a site for your franchise business and present it to you for your approval. In selecting the site, CBAC considers such factors as demographics, access, traffic, competition, visibility, natural and man-made boundaries and existing customer base. CBAC or an entity affiliated with CBAC will purchase the site and construct the building to be leased to your franchise. If an affiliate of CBAC purchases the site and constructs the building that will be used for your franchise, CBAC will lease the site and building from that affiliate and will sublease the site and building to you. If CBAC purchases the site and constructs the building, CBAC will lease the building and land to you, but you will not have a right of first refusal, an option to purchase or any other right to acquire the land and building. You will have options to extend the lease for three five-year periods subject to the conditions referred to in Item 17 and contained in the Franchise Agreement. If you finance any acquisition or operational aspect of your franchise business, you will incur application fees, loan fees, closing costs and other related financing costs. CBAC may alternately lease the facility from an unaffiliated third party instead of purchasing directly, as mentioned in Note 2 to Item 7 (Section 9.05).

2 CBAC will construct the premises and direct you in selecting the decorations for the premises (Item 7, Note 2 and Section 9.05).

3 Signage will be provided as part of the project cost. You are required to purchase all other fixtures, equipment and office furniture. CBAC will furnish you with specifications for those fixtures, equipment and office furniture (Item 7, Notes 3 and 4 and Section 9.05).

4 CBAC will assist and consult with you as you recruit, hire and train at least one Service Manager and three technicians. All final hire decisions are made by you, as CBAC will only make recommendations when consulted. CBAC will provide required direct training for your Service Manager. The Service Manager must be approved by CBAC. You will be responsible for hiring all of your employees. During training, you will be provided a template for

an Employee Handbook/Manual, which is purely a recommendation and not a mandatory document. You are responsible for all content of the Employee Handbook/Manual and for the enforcement of your employment policies (Section 9 03)

5 If CBAC does not select a site that is approved by you on or before 150 days from the date you pay CBAC the initial franchise fee, you will not be obligated to purchase a franchise from CBAC nor enter into any other business relationship with CBAC. Unless you have otherwise agreed in writing, any fees that you have previously paid to CBAC in connection with the purchase of the franchise will be returned to you, minus any out of pocket expenses that have been incurred by CBAC (Item 5 and Section 4 01)

6 We will conduct an initial training program as described in this Item under the heading "Training" (Section 9 03)

7 We will loan to you one copy of our Confidential Operations Manual to use during the term of the Franchise Agreement. The Confidential Operations Manual contains our standard operational procedures, policies, rules and regulations with which you must comply (Section 6)

Time Before Opening

The time between the first payment of consideration by a franchisee and the opening of the franchise business has ranged from 3 to 48 months, but the average timeframe is typically between 18-24 months. The factors that affect this time include negotiating acceptable purchase terms, resolving site specific title issues, financing delays, building permits, zoning and local ordinances, weather conditions, material shortages, construction delays and delays in the installation of fixtures, equipment and signs. This time period may be closer to six months in the event there is an available location that is about to commence construction or that has already started construction.

Post-Opening Obligations

We have the following obligations to you during the operation of your business

1 We will assist you (i) in establishing systems to price services and parts you will offer to customers, (ii) in establishing systems to order parts, and (iii) in establishing and maintaining relationships with suppliers of the parts and services you will need for your customers (Sections 9 07 and 9 08)

2 We will provide you with on-site training during the early weeks your franchise business is open and provide initial training at CBAC's offices. If you need to hire a replacement Service Manager, CBAC will assist and consult with you as you recruit, hire and train the Service Manager. During the initial year of operating your Franchised Business, CBAC performs these services at no additional cost to you. CBAC must approve your initial Service Manager and all replacements. All replacements must also be trained as required by CBAC (Section 9 03)

3 We will continue to attempt to improve CBAC's procedures and systems for operating the automotive repair and maintenance business. As it develops new procedures and systems, CBAC will provide you with information and when appropriate, training concerning these new systems and procedures. (Section 10.18)

4 We will assist you in negotiating the purchase of parts and materials and in establishing prices to charge your customers for the products and services you furnish them. We will not establish maximum, minimum or other pricing requirements with respect to our Franchisees, unless the pricing requirements have been established in a franchise agreement that has been reviewed and approved by the SBA and listed on the Franchise Registry. (Sections 9.07 and 9.08)

5 We will assist you in establishing systems and procedures for administrative, bookkeeping, accounting, payroll and inventory control matters. (Section 9.04)

6 We will have personnel available to assist you in operating problems that arise after you begin to operate the franchise business. (Section 9.06)

7 We will provide regular coaching with a designated Performance Consultant during your first year in business and on an ongoing basis throughout the life of your franchise at our option.

National Marketing Fund

CBAC has an established National Marketing Fund ("NMF"). You must comply with CBAC's requirements concerning the NMF. The dual purpose of the NMF is to drive customer traffic into CBA Automotive Repair Facilities and to promote and enhance the awareness and perception of the brand, image, identity and/or patronage of "CBA" Automotive Repair Facilities owned/operated by franchisees and by us. The sums you and other franchisees contribute to the NMF will be deposited in a separate operating bank account and will be segregated on our books. These deposits will not be commingled with our general operating revenues, except for the temporary period between the date a franchisee makes a payment that includes its NMF contribution and the date CBAC transfers that amount to the NMF bank account. We have the authority to require up to \$20,000 per calendar year from each franchisee as the contribution to the NMF (which would be 1.33% of total revenue of a store with \$1,500,000 of gross revenue). The current annual contribution is \$5,000. If we spend less than the total of all contributions to the NMF during any fiscal year, we may accumulate such sums for use in later years. We will furnish to you within 120 days after the end of each of our fiscal years, during which we have established and funded the Marketing Fund, an unaudited report certified as correct by a CBAC officer showing the NMF balance at the beginning of the year, the total amount contributed by franchisees, including CBAC owned franchises, and the amount actually expended for the year and remaining balance or deficit in the NMF at the end of the fiscal year.

During 2017, the NMF was approximately spent in the following categories: 31% for Brand Strategy & Development projects, 19% for Digital Marketing activities, 27% on Advertising & PR Awareness efforts, and 23% for efforts Supporting Success & Performance. These percentage figures may change from year to year.

We will work to spend an amount equal to the NMF revenue received or allocated by us for national, regional or local advertising, public relations, brand awareness /strengthening and promotional campaigns (typically in media such as digital marketing, direct mail advertising, newspapers, radio, and cable and local television) The advertising/marketing efforts may be developed in-house and/or with the support of a national or regional advertising agency This sum may also be spent for other items such as testing new advertising tactics, national discount/offer funding, call performance tracking, online reputation management, online directory listings management, conducting market research, the development of customizable franchisee marketing resources, travel costs for the marketing team to visit with franchisees and attend marketing conferences that provide additional marketing training to keep us up-to-date on the latest marketing trends, performing marketing vendor/solution audits, branded promotional items, the production and purchase of advertising artwork, commercials, musical jingles, print advertisements, point of sale materials, media advertising, outdoor advertising artwork, and direct mail brochures Some of the NMF may also be allocated to reimburse us or our affiliates for the internal expenses of operating a marketing department and administration of our advertising program, but we may not allocate more than 15% of all NMF contributions to the internal expenses incurred by us and our affiliates (actual direct costs incurred for the production of advertising is not subject to the 15% limitation) We determine, in our sole discretion, all matters relating to such advertising, public relations and promotional campaigns We are not required to allocate or expend NMF Contributions for the benefit of any particular franchisee or group of franchisees on a pro rata or proportional basis Upon request, we will make available to you an annual accounting of the most up-to-date NMF balance sheet The NMF is not used to solicit new franchise sales We do not audit the NMF

Local Advertising

As of the date of this Disclosure Document, CBAC utilizes the range of 1% to 3% of gross revenue as a suggested metric for determining the amount you should spend on local advertising This percentage range does not include the NMF contribution and the costs associated with our approved and recommended customer relationship management tool If CBAC establishes a minimum in the future, you must spend that required minimum on local advertising However, you must receive written approval from the CBAC Marketing Department before you may use any advertising material (including print, digital or broadcast media) that has not been created and/or approved by the CBAC marketing team and/or before you conduct any advertising activities costing over \$1,000 Any advertising or marketing materials found to be outside CBAC brand standard guidelines will be deemed out of compliance and considered an unapproved marketing expense CBAC will furnish you with written suggestions for local advertising, and CBAC's marketing team will be glad to discuss any comments or advertising ideas you have (Sections 8 04 and 8 05)

New Store Opening Advertising

In preparation for the opening of a new Automotive Repair Facility, we may require that you work with our marketing team to develop a new store opening plan for the location The plan may include both pre- and post-opening activities such as the purchase of local market media, direct mail, digital marketing, collateral and signage printing, promotional giveaway items, community non-profit partnerships and hosting a ribbon-cutting event In this situation,

you should be prepared to spend up to \$20,000 on new store advertising activities recommended and approved by the marketing department. This expenditure is in addition to the suggested amount you may spend on local advertising.

Regional Marketing Groups

As of the date of this Disclosure Document, CBAC has or will be establishing regional marketing groups ("RMG"). You must participate in any co-operative marketing program for the region or metropolitan area in which your Automotive Repair Facility is located. CBAC may change, dissolve or merge RMGs in its sole discretion. If CBAC establishes a RMG in your region, you will be required to participate. CBAC has the authority to establish a RMG fund ("RMGF") and to require each franchisee in a particular RMG to contribute up to \$20,000 per calendar year to the RMGF. If we operate an Automotive Repair Facility located in a region in which a RMG has been established, we will participate in this RMG on the same basis, with the same voting rights, as franchisees. RMGs will be organized according to written governing documents for the exclusive purpose of administering regional advertising programs and developing (subject to our approval) standardized promotional materials for use by the members in regional advertising and promotion. If your Automotive Repair Facility is outside the region or metropolitan area of an existing RMG, but may benefit from the media coverage of that RMG, your participation in the RMG is optional and will be decided between you and the RMG members. The RMGs will be required to prepare annual financial statements available for CBAC's and the members' review. If the RMG is using advertising or marketing dollars on tactics that have not been approved by the CBAC marketing department, your store is not required to participate in this RMG.

Marketing Advisory Council

We may, in our discretion, form a marketing council made up of franchisees and franchisor representatives. Franchisees will be chosen to participate in the council based on a number of factors which will include performance and length of time operating a CBA franchise. The council will act in an advisory capacity only and will not have decision making authority. Once a marketing advisory council has been formed, we reserve the right to change or dissolve it at any time.

Promotional Campaigns

We may periodically conduct promotional campaigns on a national or regional basis to promote products or marketing themes. You must participate in all promotional campaigns that we may establish for the region or metropolitan area in which your Automotive Repair Facility is located. (Section 8.02)

Website

CBAC has established and currently maintains a website for the benefit of the CBA organization. Its primary and secondary purposes are to promote the Christian Brothers brand name digitally and to drive customer traffic into our locations. Your Automotive Repair Facility will be provided a localized microsite within the CBAC website structure. You may use this localized website to promote your location within your protected service area using only CBAC

approved vendors to populate the site with local content. You will not be allowed to establish a unique website outside of the CBAC website structure with any third party.

Training

Prior to opening or taking over operations of your franchise business, the Principal Operator and Service Manager of the franchise must have attended and successfully completed our management training courses to our satisfaction. This training will be conducted both through an online training portal and at our offices in Houston, Texas or at some other location we designate. Training programs are offered periodically as needed to meet the demands of new and existing franchisees. To ensure proper brand standards, your Principal Operator and Service Manager must be approved by us in writing before participating in our management training courses.

We may periodically offer additional training programs to you and your Service Manager, covering such subjects as new products or procedures, operating techniques, new methods, marketing, bookkeeping, accounting and general operating procedures and the establishment, use, development and improvement of computer systems and overall skill development. Attendance by you and/or your Service Manager may be mandatory or optional, at our discretion. There is no charge for mandatory training courses, however we may charge for optional training courses. All expenses (such as travel, room and board) that you and your personnel incur while attending or obtaining all training will be borne entirely by you.

Our training staff consists of 25 persons, who have accumulated over 225 years of experience with CBAC in various operational capacities, and over 325 years of related automotive experience or education. Currently, our training is led by David J. Domine. Mr. Domine has over 14 years of experience in the automotive repair and maintenance industry. We may use additional instructors on our training staff to conduct our training programs. Our additional instructors generally have a minimum of 5 years of operations experience and strong training and development skills and abilities.

Our training staff also includes existing, established and successful Christian Brothers Automotive franchisees as part of our Certified Field Trainer (CFT) program. The CFT program supplements the current training program in two ways:

1. The new Principal Operator will train under a CFT at the retail location operated by the CFT for two weeks either before or after completing both the online courses and the two weeks training at our offices in Houston, Texas. The new Principal Operator will gain on-the-job experience by working in an operating CBA facility and performing the duties of a successful CBA franchisee.

2. The CFT will accompany the new Principal Operator during one week of business operations near the opening of the new repair facility. The CFT will help the new Principal Operator implement the Christian Brothers Automotive systems and evaluate the staff.

Instructional materials include our Confidential Operations Manual, Playbook and related materials. New Principal Operators must complete 120 hours of online training, a two week (90 hours) training program which will be held at our offices in Houston, Texas or at some other

location we designate, and a two week (115 hours) training program under the supervision of and at a franchise location operated by a CFT. All of this training must be completed before any New Principal Operator will be allowed to serve as a Principal Operator of a franchise. The Service Manager must complete both 48 hours of online training and a one week (50 hours) training program at our office in Houston, Texas. Both the Principal Operator and Service Manager will complete a one and a half week (75 hours) training program on location at the place of business. The Principal Operator will complete a 3-day (18 hours) course at our office in Houston, Texas between the 8th month and 13th month of business operation. (Approximate hours that a Principal Operator spends in classroom training and on-the job training are depicted below.)

We will have the right to access all information and financial data recorded by the system for audit and sales verification purposes. The approximate initial cost to you for this equipment is \$23,000 which is included in the initial equipment cost estimate. We currently do not require that you maintain contracts for hardware and software maintenance, support and upgrade services for the computer equipment. We reserve the right to change our specifications in the future to take advantage of technological advances or to adapt the system to meet operational needs and changes. We may require you to bring any computer hardware and software, related peripheral equipment, communications systems into conformity with our then-current standards. Confidential Operations Manual

Attached as Exhibit C is a copy of the table of contents of our Confidential Operations Manual as of April 13, 2018, which indicates the total number of pages in the Confidential Operations Manual.

CBAC will grant you online access to our Confidential Operations Manual which contains mandatory and suggested specifications, standards and procedures. This manual is confidential and remains our property. You will be obligated to keep this information confidential (Section 7.01). CBAC will modify the manual from time to time and furnish you with the modifications. You will be required to comply with the modified manual and with the provisions of the Franchise Agreement (Article 6). CBAC will permit you to review the Confidential Operations Manual after signing a franchise agreement.

ITEM 12 **TERRITORY**

Franchise Agreement

In conjunction with the establishment of your franchise you will be granted an exclusive geographic area, consisting of an identifiable geographic territory, which will be designated as your "Territory." You will operate from one location and must receive CBAC's permission before relocating. You will not have the right to operate your franchise outside of your Territory. CBAC will not operate or grant franchises for a similar or competitive business within your area. Except when advertising cooperatively with appropriate franchisees, neither you, nor CBAC can

advertise or solicit customers within another franchisee's territory. You may solicit customers outside of your Territory as long as you are not soliciting customers within another franchisee's territory. You must sell all products and services through your CBA location. You are prohibited from selling any products or services through alternative channels of distribution such as the Internet, catalog sales, telemarketing or other direct marketing sales. We reserve the right to sell products within and outside your Territory through alternative distribution channels, and you will not receive compensation for such sales. You do not receive the right to acquire additional franchises within your area. There is no minimum sales quota that you must meet to retain the rights to your Territory, but if your franchise agreement is terminated, you will lose all rights to your Territory. You maintain the rights to your area even though the population increases. The approximate size of a territory will be similar to the area that is in a circle with an approximate 3 mile radius around the location. Your exact territory size will be set in Exhibit A to the Franchise Agreement you enter into with CBAC. The square footage within your franchise territory may vary significantly in size and shape depending on a number of different variables.

CBAC reserves the right to decide on a case by case basis in its sole discretion whether to grant a franchisee the right to acquire, own and operate more than one franchise.

CBAC reserves the right to establish company-owned CBA locations using the CBA trademark and business system at any location outside of your territory, in its sole discretion.

Neither we nor any parent or affiliate has established, or presently intends to establish, other franchised or company-owned locations offering similar products or services under a different trade name or trademark, but we reserve the right to do so in the future, without first obtaining your consent.

You must explicitly use and follow CBAC's Brand Manual.

You must modify or discontinue use of a trademark if CBAC modifies or discontinues it. If this happens, the tangible costs of compliance will be an Approved Expense Item (as defined

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

CBAC does not presently possess any patents or copyrights. However, CBAC anticipates copyrighting certain of its publications and materials in the future, including its Confidential Operations Manual and some of its internal forms.

You do not receive the right to use an item covered by a patent or copyright, but you can use the proprietary information contained in CBAC's Confidential Operations Manual. The Confidential Operations Manual is described in Item 11.

Although CBAC has not filed an application for a copyright registration for its Confidential Operations Manual, it claims a copyright with regard to the information contained therein, and the information is proprietary. Items 7, 8 and 11 of this Franchise Disclosure Document describe limitations on the use of the Confidential Operations Manual and other materials by you and your employees. You must also promptly tell us when you learn about any actual or threatened unauthorized use of the proprietary information. CBAC is not obligated to take any action, but CBAC will respond to this information as it deems appropriate. You are not allowed to disclose to unauthorized third parties, any information or materials deemed or understood to be proprietary, including promotional materials, software, client lists, product or service information, financial performance information, or advertising expense information.

You may not divulge or use any confidential information concerning our methods or procedures during or after the term of the Franchise Agreement. Information made available to you may not be divulged to any person other than your employees or financial advisors who reasonably need access to such information for fulfilling their employment or contractual responsibilities. All employees or financial advisors to whom the information, or any part of it, is made available must be informed of this obligation of confidence.

Upon our request, you, your Service Manager and any other authorized party of yours who has access to any confidential information must sign a written agreement (on the standard form found in CBAC's Confidential Operations Manual) imposing an obligation of confidence regarding the Confidential Operations Manual or other confidential information (Section 7.01 of the Franchise Agreement). If the franchisee is a corporation, limited liability company or limited partnership, we may require your shareholders, members and limited partners to sign a similar written agreement.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL
OPERATION OF THE FRANCHISE BUSINESS

CBAC requires that the "Principal Operator" or "You" personally supervise the Franchised Business. In addition, the business must also be supervised by your Service Manager. Your Service Manager cannot have an interest in or business relationship with any of CBAC's competitors. The Service Manager may be required to sign a written agreement to maintain the confidentiality of the trade secrets and proprietary information of your franchise and of CBAC, and the covenant not to compete described in Item 17 and Section 16. You and your Service Manager must successfully complete our training program.

Your Service Manager will be responsible for assisting you in the day to day operation of your CBAC franchise, but you are obligated to provide supervision of the ongoing conduct of the business, including the Service Manager, to the degree reasonably necessary: (i) to insure the fulfillment of your obligations as the franchisee, (ii) to be aware of the ongoing activities of your Service Manager and employees, and (iii) to assure that any inquiries or complaints of the franchise's customers regarding franchise services or products are immediately addressed, and satisfactorily resolved. You cannot appoint a third party to fulfill your obligations as a franchisee unless you first obtain CBAC's prior written consent. CBAC has complete discretion as to whether or not it will approve such an appointment. If CBAC does approve your appointment, it will not relieve you of any of your obligations to CBAC. You will be completely responsible for assuring that the daily operations of your Franchised Business are managed so that it complies with all of the requirements of the Franchise Agreement and of the Confidential Operations Manual. The Franchised Business must be open from 7:00 AM to 6:00 PM Monday through Friday of each week. In addition, upon opening, new franchisees will be required to be open for business from 8:00 AM to 2:00 PM on Saturdays, for at least 6 months and until the franchise has satisfied requirements to be closed on Saturdays. You will not be permitted to engage in any enterprises or activities that interfere with your complying with these requirements. Neither you nor your spouse may campaign for or hold a public office. CBAC has determined that to do so may negatively impact the performance of your Franchised Business and the reputation of CBAC and our brand.

Your spouse must sign a spousal acknowledgement to the Franchise Agreement.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

CBAC requires you to offer and sell only those products and services that CBAC has approved.

You must offer all products and services that CBAC designates as required for all of CBAC's franchisees. These required goods and services are currently all goods and services necessary to perform repair and maintenance work on motor vehicles. Parts, supplies and equipment used in your CBAC business must be approved by CBAC (See Item 8).

CBAC has the right to add, delete and change the automotive services that you may or must offer, in our unrestricted discretion, and this may require you to purchase additional equipment. There are no limits on CBAC's right to do so except that the investment required of you (for such additional equipment, supplies, inventory) will not exceed \$40,000 per year.

ITEM 17

RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

ITEM 18 PUBLIC FIGURES

CBAC does use any public figures to promote the franchise opportunity

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The Federal Trade Commission's (FTC) Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document Financial performance information that differs from that included in Item 19 may be given only if (1) a franchisor provides the actual records of an existing outlet you are considering buying, or (2) a franchisor supplements the information

provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances

We have compiled the following information from our audited financial statements, and from sales reports and financial statements provided by our franchisees. The figures related to our franchisees' results were not obtained from financial statements prepared in accordance with Generally Accepted Accounting Principles (GAAP), but are believed to be reliable, however the statements have not been verified beyond receipt of such statements. Written substantiation of the data used in preparing the below figures will be made available to you upon reasonable request. The CBA stores reported below offer substantially the same products and services to the public as you will as a franchisee operating a franchised unit.

The units included in the below averages have sold the reported amounts. Your individual results may differ. There is no assurance you will sell as much. You should conduct an independent investigation of the costs and expenses you will incur in operating your CBA store. Franchisees or former franchisees, if any, listed in this Disclosure Document, may be one source of this information.

The following tables and figures relate to the 152 CBA stores that were open and operating for the entire 2016 and 2017 years. This includes one CBA store operated by us, and 151 CBA stores operated by franchisees, and does not include the 6 CBA stores that were opened in 2016 or the 15 CBA stores that were opened in 2017. The following tables and figures also relate to the 158 CBA stores that were open and operating for the entire 2017 year. This includes one CBA store operated by us, and 157 CBA stores operated by franchisees, and does not include the 15 CBA stores that were opened in 2017.

Many factors, including location, management capabilities, local market conditions, and other factors, are unique to each franchise and may significantly impact the financial performance of your franchise.

The expenses identified in this statement may not be the only expenses that you will incur in connection with the operation of your franchise. We encourage you to consult with your own accounting, business, and legal advisors to assist you to identify the expenses you likely will incur in connection with your franchise, to prepare your budgets, and to assess the likely or potential financial performance of your franchise. We also encourage you to contact existing franchise operators to discuss the business.

In developing your budget for your franchise, you are cautioned to make necessary allowance for changes in financial results to income, expenses, or both, that may result from operation of your franchise during periods of, or in geographic areas suffering from, economic downturns, inflation, unemployment, or other negative economic influences.

Historical costs do not necessarily correspond to future costs because of factors such as inflation, changes in minimum wage laws, location, financing, construction costs, lease-related costs, and other variables. For example, costs such as rent, cam charges, taxes, interest, insurance and utilities vary from franchise to franchise. All information should be evaluated in

light of current market conditions including such cost and price information as may then be available

Notes

1 Schedule 19 1A provides a year over year comparative analysis of the same 157 franchise-owned stores and how they performed in Gross Sales in the year ending December 31, 2016 compared to how the same stores performed in the year ending December 31, 2017. These 157 stores were open the entire calendar year of 2016 and 2017 and do not include stores that were open a partial year in 2016 or 2017.

2 Schedule 19 3 provides results for the included CBA stores by age of the business in 5 distinct categories: Gross Sales, Cost of Goods Sold (COGS), Gross Profit (GP), General & Administrative Expenses (G&A), Net Operating Income (NOI) and Total Owner Benefit (TOB) for the year ending December 31, 2017. Gross Sales is defined as all gross revenue derived from labor, parts and sub-contracted labor/parts and supplies. Cost of Goods Sold (COGS) is defined as all technician labor, parts costs and all sub-contracted labor/parts associated with Gross Sales. Gross Profit (GP) is defined as profit after COGS are paid, but before G&A Expenses are paid. General and Administrative Expenses (G&A) is defined as general overhead expenses for the business including, but not limited to rent, utilities, office salaries, taxes, etc. NOI is defined as income (earnings) before depreciation, amortization, interest, royalty expenses and expenses for franchisee bonuses (profit splits). 1st Year Stores are defined as opened between January 1, 2016 and December 31, 2016. 2nd Year Stores are defined as opened between January 1, 2015 and December 31, 2015. 3rd Year Stores are defined as opened between January 1, 2014 and December 31, 2014 and 4th Year Stores are defined as opened between January 1, 2013 and December 31, 2013. 5th Year + Stores are defined as opened between August 1, 1982 and December 31, 2012. 12 of the 157 stores had a negative NOI in 2017 (ranging from -\$3,325 NOI to -\$245,538 NOI) including 1 in 1st Year Stores, 2 in 2nd Year Stores, 2 in 3rd Year Stores, 2 in 4th Year Stores and 5 in 5 Year + Stores.

3 "Total Owner Benefit" is defined as the sum of the owner's salary and any cash distribution or bonus the owner took during the calendar year. It does not, however, include the owner's benefit of major medical health insurance premiums valued at up to approximately \$13,000 per year for a married couple with dependent children nor does it include the owner's

benefit of principle reduction on any commercial debt service the owner has from the original business loan valued at approximately \$25,000 per year

10 04 Franchisee and Principal Operator Participation in and Responsibility for the Operation of the Franchised Business Although Franchisor retains the right to establish and periodically modify System standards, which Franchisee has agreed to maintain in the operation of the Franchised Business, Franchisee retains the right and sole responsibility for the day-to-day management and operation of the Franchised Business and the implementation and maintenance of System standards at the Franchised Business Franchisee acknowledges that it is solely responsible for all aspects of the Franchised Business's operations, including employee and human resources matters Franchisee further acknowledges that any controls implemented by Franchisor are for the protection

of the System and the Marks and not to exercise any control over the day-to-day operation of the Franchised Business. The Principal Operator is completely responsible for assuring that the daily operations of the Franchised Business are managed so that the Franchised Business complies with all of the requirements of this Agreement and of the Confidential Operations Manual. If Franchisee is a business entity, the Principal Operator must own at least fifty-one (51%) percent of the ownership interest of such business entity and must have and maintain control of the business entity for as long as such entity is the Franchisee pursuant to the terms of this Agreement. Franchisee agrees to open the Franchised Business to provide services to the public on or before five days after receipt of notice from Franchisor that the Franchised Business is operational. Franchisee, its Principal Operator, and the spouse of the Principal Operator each agree not to campaign for nor hold any public office. The failure of the Principal Operator to comply with the terms of this section will constitute a material breach of this Agreement.

10 05 Qualifications of Franchisee's Employees Franchisee shall be solely responsible for all employment decisions and functions of the Franchised Business, including those related to hiring, firing, wage and hour requirements, recordkeeping, scheduling, supervision, and discipline of employees, in addition to compliance with all applicable federal, state, and local laws, rules and regulations. 10 06 Indemnification Franchisee must defend, indemnify, and hold harmless Franchisor and its affiliates, and their successors and assigns, and each of their respective direct and indirect owners, directors, officers, managers, employees, agents, attorneys, and

representatives (collectively, the "Indemnified Parties"), from and against all Losses (defined below) which any of the Indemnified Parties may suffer, sustain, or incur as a result of a claim asserted or threatened or inquiry made formally or informally, or a legal action, investigation, or other proceeding brought, by a third party and directly or indirectly arising out of the Franchised Business's operation, Franchisee's conduct of business under this Agreement, Franchisee's breach of this Agreement, or Franchisee's noncompliance or alleged noncompliance with any law, ordinance, rule, or regulation, including any allegation that Franchisor or another Indemnified Party is a joint employer or otherwise responsible for Franchisee's acts or omissions relating to Franchisee's employees. Franchisor will promptly notify Franchisee of any claim that may give rise to a claim of indemnity under this provision, provided, however, that its failure to provide such notice will not release Franchisee from its indemnification obligations under this Section except to the extent Franchisee is actually and materially prejudiced by such failure.

Franchisee has the right, upon written notice delivered to the Indemnified Party within 15 days thereafter assuming full responsibility for Losses resulting from such claim, to assume and control the defense of such claim, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of such counsel's fees and disbursements. If (a) the Indemnified Party has been advised by counsel that there are one or more legal or equitable defenses available to it that are different from or in addition to those available to Franchisee and, in the Indemnified Party's reasonable opinion, Franchisee's counsel could not adequately represent the interests of the Indemnified Party because such interests could be in conflict with

Franchisee's interests, or (b) Franchisee does not assume responsibility for such Losses in a timely manner or fails to defend a claim with counsel reasonably satisfactory to the Indemnified Party as contemplated above, then the Indemnified Party will have the right to employ counsel of its own choosing, and Franchisee must pay the fees and disbursements of such Indemnified Party's counsel as incurred. In connection with any claim, the Indemnified Party or Franchisee, whichever is not assuming the defense of such claim, will have the right to participate in such claim and to retain its own counsel at such party's own expense. Franchisee or the Indemnified Party (as the case may be) agrees to keep the other reasonably apprised of, and respond to any reasonable requests concerning, the status of the defense of any claim, and Franchisee and the Indemnified Party agree to cooperate in good faith with each other with respect to the defense of any such claim. Franchisee may not, without the Indemnified Party's prior written consent, (1) settle or compromise any claim or consent to the entry of any judgment with respect to any claim which does not include a written release from liability of such claim for the Indemnified Party and its affiliates, direct and indirect owners, directors, managers, employees, agents and representatives, or (2) settle or compromise any claim in any manner that may adversely affect the Indemnified Party other than as a result of money damages or other monetary payments which will be paid by Franchisee. No claim which is being defended in good faith by Franchisee in accordance with this Section may be settled by the Indemnified Party without Franchisee's prior written consent. Notwithstanding anything to the contrary in this Section, if a claim involves the Marks, Franchisee agrees that Franchisor has the exclusive right to assume the defense of such

claim, at Franchisee's expense with counsel selected by Franchisor, but reasonably satisfactory to Franchisee

Franchisee has no obligation to indemnify or hold harmless an Indemnified Party for any Losses to the extent they are determined in a final, unappealable ruling issued by a court or arbitrator with competent jurisdiction to have been caused solely and directly by the Indemnified Party's gross negligence, willful misconduct, or willful wrongful omissions, so long as the claim to which those Losses relate is not asserted on the basis of theories of vicarious liability (including agency, apparent agency, or joint employment) or Franchisor's failure to compel Franchisee to comply with this Agreement

For purposes of this Section, "Losses" include all obligations, liabilities, damages (actual, consequential, or otherwise), and defense costs that any Indemnified Party incurs. Defense costs include, without limitation, accountants', arbitrators', attorneys', and expert witness fees, costs of investigation and proof of facts, court costs, travel and living expenses, and other expenses of litigation, arbitration, and alternative dispute resolution.

Franchisee's obligations in this Section will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. An Indemnified Party need not seek recovery from any insurer or other third party, or otherwise mitigate its Losses, in order to maintain and recover fully a claim against Franchisee under this Section. Franchisee agrees that a failure to pursue a recovery or mitigate a Loss will not reduce or alter the amounts that an Indemnified Party may recover from Franchisee under this Section.

If, in any judicial proceeding or arbitration, a tribunal shall refuse to enforce as drafted all of the separate covenants and provisions included herein, such unenforceable covenants and provisions shall be reformed by the tribunal so as to fall within permissible legal limits and shall not by necessity invalidate the entire covenant. Franchisee expressly agrees to be bound by any lesser covenant subsumed within the terms of this Section 16.01 as if the resulting covenant were separately stated in and made a part hereof.
- (e) A breach or violation of the Covenant Not to Compete contained in Section 16.01 by Franchisee shall entitle the Franchisor, as a matter of right, without the posting of any bond, to an injunction issued by any court of competent jurisdiction, restraining any further or continued breach or violation of this covenant. Such

right to an injunction shall be cumulative and in addition to, and not in lieu of, any other remedies to which the Franchisor may show itself justly entitled

- (f) During any period in which Franchisee is in breach of the Covenant Not to Compete in Section 16.01, the time period of said covenant shall be extended and tolled for an amount of time that Franchisee is in breach thereof

- (a) This Agreement is to be construed as to form, substance and procedure in accordance with the laws of the State of Texas, without regard for its choice of law provisions.

- (b) It is agreed that if any provision of this Agreement is capable of two constructions, one of which would render the provision void and the other which would render the provision valid, then the provision shall have the meaning which renders it valid
- (c) Since the words "Franchisor" and "Franchisee" herein may be applicable to one or more parties, the singular shall include the plural, and the masculine shall include the feminine and neuter. If there shall be more than one (1) party or person referred to as Franchisee hereunder, then their obligations and liabilities hereunder shall be joint and several
- (d) Unless otherwise stated, Franchisor reserves the right to withhold its consent hereunder for any reason or no reason whatsoever
- (e) Each of the Parties hereby agrees that it has carefully reviewed this Agreement and has had ample opportunity to seek legal advice and input. Consequently, the rule of construction that ambiguities and unclear phrases are construed against the drafting party or in the light most favorable to the non-drafting party shall not apply

20.02 Severability Nothing contained in this Agreement shall be construed as requiring the commission of any act contrary to law. Whenever there is any conflict between any provisions of this Agreement and any present or future statute, law, ordinance or regulation contrary to which the Parties have no legal right to contract, the latter shall prevail, but in such event the provision of this Agreement thus affected shall be curtailed and limited only to the extent necessary to bring it within the requirement of the law. Franchisor shall not, however, be precluded from contesting the validity, enforceability or

application of such laws or regulations in any action, arbitration, hearing or dispute relating to this Agreement or the rescission or termination thereof. In the event that any article, paragraph, sentence or clause of this Agreement shall be held to be indefinite, invalid or otherwise unenforceable, the entire Agreement shall not fail on account thereof and the balance of the Agreement shall continue in full force and effect.

- 20 03 Lien on Franchisee's Property In the event of any judgment against Franchisee in favor of Franchisor, or of any default under this Agreement by Franchisee, a lien in favor of Franchisor against any and all of the personal property, furnishings, equipment, signs, inventory, fixtures or other assets owned and/or claimed by Franchisee and used in or related to the Franchised Business at the time of the judgment or default shall arise. Franchisee hereby grants and conveys a lien upon and a security interest in and to all of Franchisee's accounts, inventory, equipment, fixtures, furniture and other property of any kind or nature now or hereafter acquired. Such lien amount shall be for the amount of the default or of the judgment, but said amount shall also include costs and expenses for collection (including reasonable attorney's fees) or incurred by Franchisor as a result of the default. Said lien shall remain in effect until all amounts owing to Franchisor by Franchisee have been paid in full.

21 COSTS OF ENFORCEMENT

- 21 01 Ability to Recover Litigation Costs If any action at law or in equity is necessary to enforce or interpret the terms of this Agreement, including but not limited to actions to obtain an injunction, compel arbitration and/or to defend against claims made by the other party, the prevailing party shall be entitled to reasonable attorneys' fees, costs and necessary disbursements in addition to any other relief to which the party may be entitled.

22 ACKNOWLEDGMENTS

22 01 Franchisee's Acknowledgments, Warranties and Representations Franchisee

acknowledges, warrants and represents to Franchisor that

- (a) No representation has been made by Franchisor (or any employee, agent or salesman thereof) and relied upon by Franchisee as to the future or past income, expenses, sales volume or potential profitability, earnings or income of the business franchised hereby
- (b) Franchisee acknowledges that Franchisor has disclosed that Franchisor currently has 135 franchises as of April 15, 2015 that are doing business, and Franchisor has disclosed the name of the principal of each such franchise, and the address and telephone number of each franchise. Consequently, prior to the execution of this Agreement, Franchisee has had the opportunity to contact existing franchisees of Franchisor
- (c) Franchisee has had the opportunity to independently investigate, analyze and construe both the business opportunity being offered hereunder, and the terms and provisions of this Agreement itself, utilizing the services of attorneys, accountants or other advisors (if Franchisee so elects)
- (d) No representation or statement has been made by Franchisor (or any employee, agent or salesman thereof) and relied upon by Franchisee regarding the future growth of the customer base of the franchise network, the anticipated income, earnings and growth of Franchisor, or, the viability of the business opportunity conveyed hereunder

- (e) Franchisor (or its affiliates) has certain rights reserved to it to grant franchises to others, to market any of Franchisor's System products at wholesale and retail, and, to otherwise use the System, Marks and Know-How, techniques and procedures, all as expressly set forth in Section 2.04 of this Agreement
- (f) Franchisee has received from Franchisor a copy of Franchisor's Disclosure Document, together with a copy of all proposed agreements relating to the sale of the franchise, at least ten (10) business days prior to the execution of this Agreement or at least ten (10) days prior to the payment by Franchisee to Franchisor of any consideration in connection with the sale or proposed sale of the franchise conveyed hereunder, whichever is earlier
- (g) If a location for the premises of the business franchised hereby has been identified at the date of execution of this Agreement, Franchisee has had ample opportunity and the means to independently investigate, review and analyze said location, the shopping center, mall or other building in which it is contained, the market area in which it is located, and all other facts relevant to the selection of the site for Franchisee's Franchised Business, as well as the Commercial Sub-Lease for such location. If no location has been identified, Franchisee has the ability to accomplish the foregoing independent investigative measures, and covenants and agrees that it will do so prior to accepting any such lease. Franchisor's suggestions, selection or approval of any location neither imply nor constitute any representation or indication by Franchisor that such location will be profitable or successful. Franchisee understands that site selection is difficult, risky and not subject to quantification. Franchisor's experience in selecting sites (or in assisting

Franchisee in selecting sites) does not mean that Franchisor has the ability to select, suggest or approve any sites that will be profitable or successful. No representation or statement has been made by Franchisor (or its agents and salesmen) and relied upon by Franchisee contravening the contents of this subparagraph. Franchisee further covenants and agrees that no such future representation or statement, if any, will be relied upon by him.

- (h) Franchisee has been advised to consult with its own attorney and advisors with respect to the legal, financial and other aspects of this Agreement, the business franchised hereunder, and the prospects for that business. Franchisee has either consulted with such advisors or has deliberately declined to do so.

23 WAIVER OF CONSUMER RIGHTS

23 01 Waiver of Consumer Rights Franchisee waives any and all of Franchisee's rights under the Texas Deceptive Trade Practices-Consumer Protection Act, Section 17.41 et seq., of the Texas Business & Commerce Code, a law that gives consumers special rights and protections. After consultation with an attorney of Franchisee's own selection, Franchisee voluntarily consents to this waiver.

24 DISPUTE RESOLUTION AGREEMENT

24 01 Dispute Resolution Agreement

- (a) If a dispute, controversy or claim arises between or among any or all of the parties, including without limitation any dispute, controversy or claim that arises out of or relates to this Agreement or any other agreement, instrument, or relationship between the parties, or the breach, termination or invalidity of the Agreement or any such other agreement or instrument, AND including but not

limited to a claim based on or arising out of a claim for tortious interference or other tortious or statutory claims arising before, during or after termination of this Agreement and including any dispute that involves any or all of the parties and any employee, officer, director, supervisor or member of management of either party hereto (collectively the "Dispute"), and if the Dispute cannot be settled through direct discussions, the parties agree to resolve the Dispute by binding arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules (the "Rules"), and judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. Any arbitration hereunder shall be pursuant to the applicable rules of the American Arbitration Association as set out above except to the extent modified in this Section. The parties acknowledge that this Agreement and/or the dealings of the parties involve interstate commerce and that the Federal Arbitration Act applies to any arbitration hereunder.

- (b) The parties expressly agree that any court with jurisdiction may order the consolidation of any arbitrable dispute, controversy or claim under this Agreement with any related arbitrable dispute, controversy or claim not arising under this Agreement, as the court may deem necessary in the interests of justice or efficiency or on such other grounds as the court may deem appropriate, provided that the consolidated disputes, controversies and claims are to be resolved in arbitration.

- (c) The site of the arbitration shall be in Houston, Texas, and shall take place in the offices of the American Arbitration Association or such other place as the parties may agree
- (d) The parties agree that the federal and state courts located in the State of Texas and City of Houston shall have exclusive jurisdiction and venue over an action brought to enforce and/or challenge the rights and obligations created in or arising from this agreement to arbitrate, and each of the parties hereto irrevocably submits to the jurisdiction and venue of said courts. Notwithstanding the above, application may be made by a party to any court of competent jurisdiction wherever situated for confirmation and enforcement of any award and the entry of whatever orders are necessary for such confirmation and enforcement
- (e) Process in any action arising out of or relating to this Agreement may be served on any party to the Agreement anywhere in the world by delivery in person or by registered or certified mail, return receipt requested
- (f) To the fullest extent permitted by applicable law, the parties to this Agreement agree that neither party shall be entitled to any damages in the nature of punitive, exemplary or statutory damages in excess of compensatory damages or any form of damages in excess of compensatory damages, and the parties hereby waive all rights to any damages in the nature of punitive, exemplary or statutory damages. Any arbitrator or arbitrators deciding any disputes hereunder will not have the authority to award and are specifically divested of any power to award any damages in the nature of punitive, exemplary or statutory damages or any other damages in excess of compensatory damages or any form of damages in excess of

compensatory damages, and may not, in any event, make any ruling, finding or award that does not conform to the terms and conditions of the Agreement

- (g) Neither the parties nor the arbitrator(s) may disclose to any person not involved in the arbitration the existence, content, or results of any arbitration hereunder without the prior written consent of all parties
- (h) The parties agree that all questions concerning the arbitrator(s)' jurisdiction shall be decided by the arbitrator(s)
- (i) A party or parties against whom any final award is entered by the arbitrator(s) agrees to pay the prevailing party all reasonable costs, charges and expenses, including but not limited to arbitration filing fees, arbitrator fees, reasonable attorney and expert fees, incurred and to be incurred in connection with said arbitration, any action to compel arbitration and/or compliance with the terms of this section, and/or the confirmation and enforcement of the arbitration award. The arbitrator(s) shall include such costs, charges and expenses as part of the final award. This agreement to arbitrate is intended to be binding upon the signatories hereto, their principals, successors, assigns, subsidiaries or affiliates.
- (j) The arbitrator(s) shall determine the rights and obligations of the parties according to applicable federal laws and to the substantive laws of the State of Texas (excluding conflicts of laws principles)
- (k) The arbitrator(s) is directed to consider any defense that all or part of the claim is not timely by reason of laches or statute of limitations as a preliminary issue and to render an award determining the merits of such claim before considering the substantive merits of the arbitration claim, unless the arbitrator(s) determines that

the merits of such claim of laches or statute of limitations is so intertwined with the substantive merits of the arbitration claim as to make impractical the determination of the claim of laches or limitations as a preliminary matter

- (l) The arbitrator(s) shall hear and determine any preliminary issue of law asserted by a party to be dispositive of any claim, in whole or part, in the manner of a court hearing a motion to dismiss for failure to state a claim or for summary judgment, pursuant to such terms and procedures as the arbitrator(s) deems appropriate
- (m) It is the intent of the parties that, barring extraordinary circumstances, any arbitration shall be concluded within three months of the date the statement of claim is received by the arbitrator(s). Unless the parties otherwise agree, once commenced, hearings shall be held five days a week, four weeks a month, with each hearing day to begin at 9 00 A M and to conclude at 5 00 P M. These time limits can be extended or altered by an agreement of the parties or by a determination of the arbitrator that such extension or alteration is in the interests of justice. The arbitrator shall use his or her best efforts to issue the final award or awards within a period of thirty days after closure of the proceedings, but failure to do so shall not be a basis for challenging the award
- (n) The procedure to be followed in any arbitration hereunder shall be as prescribed herein and in such directives that shall be issued by the arbitrator(s) following consultation with the parties. Unless otherwise agreed by the parties, the procedures shall provide for the submission of briefs by the parties, the introduction of documents and the oral testimony of witnesses, cross-examination of witnesses, oral arguments, the closure of the proceedings and such other

matters as the arbitrator(s) may deem appropriate. Further, the arbitrator(s) shall regulate all matters relating to the conduct of the arbitration not otherwise provided for in this Agreement or in the Rules.

- (o) In the event a party, having been given notice and opportunity, shall fail or shall refuse to appear or participate in an arbitration hereunder or in any stage thereof, the proceedings shall nevertheless be conducted to conclusion and final award. Any award rendered under such circumstances shall be as valid and enforceable as if all parties had appeared and participated fully at all stages.
- (p) The parties agree that discovery shall be limited and shall be handled expeditiously. Discovery procedures available in litigation before the courts shall not apply in an arbitration conducted pursuant to this Agreement. However, each party shall produce relevant and non-privileged documents or copies thereof requested by the other parties within the time limits set and to the extent required by order of the arbitrator(s). All disputes regarding discovery shall be resolved by the arbitrator.
- (q) It is the intent of the parties that the testimony of witnesses be subject to cross-examination. It is agreed that the direct testimony of a witness may be submitted by sworn affidavit, provided that such affiant be subject to cross-examination, and that such affidavit be produced to all parties not less than ten (10) days before the hearing or other proceeding in which the affidavit is submitted to the arbitrator(s).
- (r) Strict rules of evidence shall not apply in an arbitration conducted pursuant to this Agreement. The parties may offer such evidence as they desire and the

arbitrator(s) shall accept such evidence as the arbitrator(s) deems relevant to the issues and accord it such weight as the arbitrator(s) deems appropriate

- (s) No witness or party may be required to waive any privilege recognized at law
- (t) The parties recognize that any violation of Articles 7 and/or 16 would cause irreparable injury to the party who would suffer from such violations, and therefore the parties agree that in addition to such other rights as may exist in favor of the party who would suffer from such violation and notwithstanding the agreement to arbitrate, the party who would suffer from such violation may apply to any court of law or equity having jurisdiction to enforce the specific performance of the foregoing provisions and for injunctive relief against any act that would violate any such provisions
- (u) The parties expressly agree that prior to the selection of the arbitrator(s), nothing in this Agreement shall prevent the parties from applying to a court that has jurisdiction as provided in this Agreement for injunctive relief. After the arbitrator(s) is selected, he or she shall have the authority and jurisdiction to make such orders as are necessary to maintain the status quo and/or to preserve and protect property, and such orders, by the arbitrator(s) may be immediately and specifically enforced by a court having jurisdiction over the parties as provided in this Agreement

COMMERCIAL SUB-LEASE AGREEMENT

See next page for start of Commercial Sub-Lease Agreement

COMMERCIAL SUB-LEASE AGREEMENT

- 1 **Parties** This commercial sub-lease agreement (the "Lease") is entered into between **CHRISTIAN BROTHERS AUTOMOTIVE CORPORATION** ("Lessor"), and _____ ("Tenant")

- 2 **Premises** The Premises sub-leased by Tenant from Lessor consists of the land described on Exhibit "A" attached hereto together with the building and all other improvements located thereon and appurtenances thereto (the "Premises") The Lessor leases Premises from _____ ("Owner") The term "Owner" includes any subsequent owner of the Premises

- 3 **Term and Renewals** The initial term of this Lease commences on the date designated in a written notice to Tenant from Lessor as the date that the Premises is substantially completed for Tenant to conduct its business (the "Commencement Date") and ends on the last day of the Initial Rental Period If no written notice of the Commencement Date exists, then the date on any certificate of occupancy issued by a governing body will be the Commencement Date If no written notice and no certificate of occupancy exist, then the Commencement Date shall be the date that is one week prior to the date that Tenant first opens for business to the public, on the Premises "Initial Rental Period" will be the period starting on the Commencement Date and ending fifteen years thereafter

Renewals Lessor grants Tenant three consecutive options to extend the term of the Lease for five-year periods, provided that if the Lessor is unable to successfully obtain a necessary renewal from the Owner, Tenant shall not be entitled to exercise any option where the renewal period will exceed the period Lessor is entitled to lease the Premises To exercise an option, on or before one hundred and eighty days (180 days) prior to the expiration of the then-current Lease term, Tenant must deliver a written notice (the "Exercise Notice") to Lessor that Tenant is exercising the option and commits to lease the Premises for an additional five-year term Upon timely receipt by Lessor of the Exercise Notice, the Lease shall be extended for five years beyond the end of the then-current Lease term

- 4 **Use of Premises** The Premises will be occupied and used solely by Tenant in connection with the operation of its automotive repair business

- 5 **Possession** Tenant will take possession of the Premises within five days of receiving notice that the Premises are ready for occupancy

- 6 **Payment of Rent** Tenant will pay Lessor the following amounts during the following periods (a) \$14,000-25,000 per month for the first one year period of this Lease (exact amount will be as Lessor notifies Tenant is necessary to make the monthly payment to the Owner) commencing on the date defined below (First Rental Payment Date) and on the first day of each calendar month thereafter, and (b) on each one year anniversary of this Lease, the rent for the next one year period of this Lease will be established by increasing the amount of the rent that was paid for the previous one year period by one and one-half percent For example, at the end of the first year of the Lease, the rent paid

for the initial one year period will be multiplied by one hundred and one and one-half percent and the product will become the rent for the next one year period (x multiplied by $101.5\% = y$, where x = rent for previous one year period and y = rent for subsequent one year period), at the end of the second one year period, the rent for that period will be multiplied by one hundred and one and one-half percent and the product will become the rent for the third one year period. This process will be continued at the end of each one year period of the Lease (including all renewals and extensions) to establish the rent for the next one year period.

Rent is payable in advance and without demand at Lessor's offices located at 17725 Katy Freeway, Suite 200, Houston, Texas 77094, on or before the 1st day of each month beginning on the first day of the seventh month after the Commencement Date, without a grace period ("First Rental Payment Date"). For example if the Commencement Date is January 14, 2018, the first payment of Rent shall be due on August 1, 2018. The first rental payment will be in an amount equal to (a) the monthly rent prorated for the actual number of days from the Commencement Date to the end of the first month, plus (b) the Rent for the seventh month. If all rent is not paid on or before the 10th day of each month thereafter, Tenant must pay a late charge of \$200.00 plus \$10 per day until all past due rent is paid. Tenant further agrees to pay a \$20.00 charge for each rent check returned unpaid, and delinquent charges will accrue as if no check had been given until such check is made good. Notwithstanding any notations on a check, all payments by Tenant will be applied first to non-rent items due, if any, and then to rent.

Lessor may require that all sums due under this Lease be paid in cash, money order, cashier's check or by automatic payment from Tenant's account. If requested by Lessor, Tenant agrees to execute and deliver to Lessor the authorizations, agreements and other documents and instructions necessary or appropriate to authorize automatic payment from Tenant's bank account of the rent due under this Lease each month. If the amount of the rent payment changes at any time during the term of this Lease or renewals, Lessor agrees to notify Tenant of the change and the amount of the new payment, and Tenant agrees to execute and deliver to Lessor any and all authorizations and agreements necessary to adjust the amount of such automatic payment, if needed.

Tenant and Lessor agree that all rights of Tenant and all duties and obligations of Lessor in this Lease are conditioned on rent being paid on time. Tenant's right of possession and all of Lessor's obligations are expressly conditioned on prompt payment of rent, and use of the premises by Tenant is conditioned on prompt payment of rent.

- 7 **Security Deposit** Tenant has not paid any security deposit in connection with this Lease.
- 8 **Condition of Premises** Tenant agrees to thoroughly inspect and then accept the Premises as is (subject to any punch list items set out in a writing delivered to Lessor on or before the Commencement Date of this Lease), and from then on, Lessor makes no express or implied warranties as to the condition of the Premises. Tenant acknowledges that Tenant is solely responsible for maintaining all utilities in a good and safe condition and for maintaining the Premises in a safe and habitable

condition Tenant agrees to surrender the Premises at the end of the term of this Lease and any extension thereof in the same condition as of the date of possession, reasonable wear and tear excepted. Reasonable wear means wear which occurs without negligence, carelessness, accident or abuse. Tenant will make no alterations or improvements to the Premises without the prior written permission of Lessor. Lessor agrees not to grant any easements on the Premises or any portion thereof during the term of this Lease that would materially interfere with Tenant's operation of its business on the Premises, unless Tenant consents in writing to any such encumbrance or grant.

- 9 **Compliance** Tenant must strictly comply with all pertinent laws, ordinances, statutes, deed restrictions and regulations whatsoever, of any governmental body or subdivision, incident to its occupancy of the Premises and its use thereof. Without limiting the foregoing, Tenant agrees to not use, store or dispose of any Hazardous Materials on the Premises nor allow the use, storage or disposal of any Hazardous Substances on the Premises except for Permitted Hazardous Materials. Tenant covenants and agrees that its use, storage and disposal of Permitted Hazardous Materials shall be done in compliance with all Environmental Laws. "Hazardous Materials" means any materials and/or substances (a) that are described or defined as hazardous or dangerous by any Environmental Laws, or (b) the use, storage and/or disposal of which are regulated or prohibited by any Environmental Laws. "Permitted Hazardous Materials" means any Hazardous Materials that Tenant uses in the normal course of the business of Tenant, provided such use is in compliance with all Environmental Laws. "Environmental Laws" means any applicable federal, state and/or local environmental laws, rules and regulations. Tenant will at the close of business each day to the extent possible, park vehicles in the available space in the building. Tenant will use its best efforts to not park nor store any vehicle outside of the building for more than two consecutive days.
- 10 **Maintenance, Taxes and Assumption of Responsibilities** Tenant agrees to maintain the Premises and pay all real and personal property taxes and all other taxes due on the Premises from the Commencement Date of the Lease and pay all costs and fees incurred in connection with Tenant's use of the Premises. Tenant must pay Lessor for any property damage caused by Tenant, Tenant's employees, guests or other occupants. If Lessor notifies Tenant in writing that any of the improvements located on the Premises are not being properly maintained including without limitation that the exterior or interior paint is unsatisfactory, or that any surface, wall, or wall covering, any area of the roof, flooring or landscaping is in an unsatisfactory condition, Tenant must remedy such situation on or before two weeks from the date of such notice or be in default under the terms of this Lease. Both parties acknowledge that the rent would be higher if the responsibilities in this Lease were allocated differently. This assumption of responsibility and liability by Tenant is entered into knowingly, voluntarily, and for consideration and is an express waiver of any statutory or common law obligation of Lessor.
- 11 **Subletting** Tenant will not sublet or make an assignment without the prior written consent of Lessor. If Lessor grants such permission, Tenant will remain fully liable for any and all liabilities and/or damages that arise at anytime that are related to or connected with such sublease or assignment.

- 12 **Nuisance** Tenant will not permit any nuisance to be created on the Premises
- 13 **Utilities** Tenant will pay for all utilities used on the Premises
- 14 **Entry by Lessor or Owner** Lessor or Owner or other persons engaged to do so by Lessor or Owner may enter the Premises during reasonable times and for reasonable purposes, including, but not limited to the following purposes inspections, repairs, preventive maintenance, emergency safety or fire inspections, prevention of property damage, enforcement of Lessor or Owner's lien, inspectors, fire marshals, lenders, appraisers or insurance agents Lessor or Owner will leave written notice of each entry made in the absence of Tenant
- 15 **Nonwaiver** Failure by Lessor to enforce or demand performance of any obligation of Tenant hereunder, or to seek remedy for breach thereof, will not operate to waive or excuse defaults of other obligations nor further defaults of the same obligation
- 16 **Status of Title to Premises** Tenant agrees to take the leasehold estate in the Premises subject to all matters of record on the date of this Lease Tenant accepts this Lease subject and subordinate to any mortgage or deed of trust existing or hereafter placed upon the Premises, and to any renewals and extensions thereof, provided, however, no holder of any such lien or other interest in the Premises shall have the right to interfere with the use and occupancy of the Premises by Tenant or violate the terms of this Lease, while Tenant is not in default of this Lease agreement Lessor agrees to use its reasonable efforts following the execution hereof to obtain a non-disturbance and attornment agreement ("SNDA") from Owner's present lender or mortgagee and any future lender or mortgagee, in form and substance reasonably satisfactory to Lessor Tenant agrees to execute the SNDA and to execute an estoppel certificate if requested by Owner or Owner's lender or mortgagee
- 17 **Default by Lessor** Upon default by Lessor of any obligation imposed hereunder, Tenant shall have the right to enforce specific performance of this Lease and/or to recover Tenant's actual damages from Lessor as Tenant's exclusive remedies Tenant shall not have the right to terminate this Lease or to withhold or offset rent because of a default by Lessor Before Lessor shall be considered in default, Tenant must give Lessor notice of such default and reasonable opportunity for Lessor to cure such default, which reasonable opportunity shall not be less than thirty (30) days
- 18 **Default By Tenant** The following shall be a default by Tenant
 - (a) the failure to timely pay any amounts due hereunder, provided Lessor agrees to provide Tenant written notice of failure to pay such amounts due hereunder and five days to cure such default, provided further Lessor is only obligated to provide such notice and opportunity to cure monetary defaults by Tenant once during any calendar year and thereafter any failure to timely pay any amounts due hereunder during that same calendar year shall be an immediate default, and
 - (b) the breach of or failure to comply with any provision of this Lease (other than the monetary obligation described in subparagraph (a) above), and the failure to cure such

breach within a reasonable time from the earlier of (i) the date Lessor notifies Tenant in writing of such breach, or (ii) the date Tenant becomes aware of such breach. The reasonableness of the time period for curing such default shall be determined by considering the nature of the default and the materials, labor and utilities or other resources for cure of the default.

(c) In addition to the other defaults set out in this Lease the following shall constitute defaults under this Lease: (i) the filing of bankruptcy or any other insolvency proceedings by Tenant, (ii) the filing of an involuntary bankruptcy petition by creditors of Tenant, and (iii) Tenant's giving notice of intent to vacate the Premises prior to the expiration of the Lease. In the event of Tenant's filing of bankruptcy or any other insolvency proceedings, abandonment of the Premises, or giving of notice of intent to vacate prior to the expiration of the Lease term, Lessor is not obligated to give Tenant notice of such default nor any opportunity to cure such a default.

(d) Cross Default with Franchise Agreement. Any default by Tenant under the franchise agreement between Tenant and Christian Brothers Automotive Corporation will also constitute a default with this Lease Agreement.

In the event of any default hereunder by Tenant and the expiration of any applicable cure period, Lessor may, at Lessor's election:

- (1) Terminate Tenant's possession of the Premises by giving Tenant one day's written notice to vacate and Lessor is entitled to possession by eviction suit. Such election will not relieve Tenant of the obligation to pay all rent due during the remainder of the Lease term.
- (2) Declare all remaining rent through the end of the Lease term or renewal or extension period immediately due and payable in its entirety without the requirement of notice or demand to Tenant of Lessor's election to so accelerate the rent. Such right of acceleration is in lieu of having rental for the entire lease term payable at the beginning of the Lease.
- (3) Declare this Lease forfeited and terminated. Tenant will lose all rights, titles, and interests in and to any improvements to the Premises made or caused to be made by Tenant. All rights and remedies given Lessor hereunder will be, to the extent not in conflict with each other, cumulative and exercisable at the election of Lessor. The exercise, or failure to exercise, any right or remedy of Lessor hereunder will not alter or diminish Lessor's right to exercise any other right or remedy given Lessor by this agreement or by law.

- 19 **Holdover.** If Tenant holds over and fails to vacate on or before the contracted move-out date (end of Lease term, or any renewal or extension period, or the move-out date agreed to by the parties), Tenant will be liable to pay rents for the holdover period and Tenant hereby indemnifies Lessor and/or prospective tenants or purchasers for damages (i.e., lost rentals or profits of sale, and attorney's fees). Rents during the holdover period are due on a daily basis at a rate two times the rate of the previous term just ended.

20 **Abandonment** Tenant will be conclusively deemed to have abandoned the Premises and all personal property located thereon or therein if Tenant has been evicted by judicial process or Tenant remains absent from the Premises for five consecutive days while Tenant is in default of any obligation hereunder. **Upon such abandonment, Lessor may remove and make such disposition of any and all personal property found upon the Premises as provided for in paragraph 21 below.** Such right of Lessor is without prejudice to Lessor's right to elect to exercise Lessor's landlord's lien rights. In the event Tenant's abandonment of the Premises is caused by a Force Majeure (as defined below), Tenant shall not be deemed to have abandoned the Premises for the purposes of this Section provided that (i) Tenant gives Lessor written notice of the Force Majeure within twenty-four hours of the occurrence of the Force Majeure, and (ii) Tenant uses all reasonable diligence to remove the Force Majeure as quickly as practicable. For the purposes of this Section "Force Majeure" shall mean any of the following: an act of God, war, public riot, lightning, fire, storm, flood, explosion, and governmental action, provided such event prevents Tenant from reasonably operating its business on the Premises.

21 **Contractual Lien** All personal property on the Premises (except property exempt by statute) is hereby subjected to a contractual lien in favor of Lessor to secure payment of rent and of any damages occasioned by Tenant's default.

In order to enforce said lien, Lessor may peacefully enter the Premises and remove and store all non-exempt property therein. Lessor is entitled to reasonable charges for packing, removing and storing property taken hereunder. If Tenant is not present when property is removed hereunder, written notice of Lessor's entry will be left at the Premises. Lessor may sell all property subject to Lessor's lien at public or private sale after giving Tenant ten (10) days written notice by certified mail of the time and place of such sale. If Tenant fails to furnish Tenant's address to Lessor, said sale may be held without notice to Tenant, provided, however, that Tenant will be informed as to the time and place of said sale upon request. Sale will be to the highest cash bidder and Lessor will credit the proceeds thereof first to all costs and expenses incident to the removal, storage and sale of the property and then in mitigation of other damages hereunder. Any excess realized from such sale over said expenses and damages will be mailed to Tenant at such address as Tenant may furnish, or, if no address is furnished, will be held for delivery to Tenant for thirty (30) days following the date of the sale, after which time, if Tenant has not requested payment, Tenant will be deemed to have abandoned any right thereto and such excess will become the property of Lessor. The foregoing lien rights may be exercised by Lessor with or without resort to judicial proceedings. The contractual lien provided herein is in addition to, and not in lieu of, any landlord's or other lien provided by law. Lessor and Owner agree to and do hereby subordinate their liens to (a) any liens now existing or hereafter created or arising in favor of a lending bank for Tenant's operating assets, and (b) any purchase money security interests ("PMSI") but only as such PMSI pertain to specific goods or pieces of equipment owned by Tenant and financed by the beneficiary of such liens.

22 **Notices** Except as expressly set forth to the contrary in this Lease, all notices, requests or consents provided for or permitted to be given under this Lease must be in writing and

must be delivered to the recipient in person, by courier or mail or by email or by facsimile, or similar transmission, a notice, request or consent given under this Lease is effective on receipt by the Person to receive it. All notices, requests and consents to be sent to a party to this Lease must be sent to or made at the addresses, telecopy number and/or email address given for that party below or such other address, telecopy number or email address as that party may specify by notice to the other parties to this Lease. Whenever any notice is required to be given by law or this Lease, a written waiver thereof, signed by the party entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice. Except as may be otherwise required herein or specified by law, all notices required or permitted hereunder to be given to Tenant shall be given to Tenant, at

prior to Commencement date and then to the Premises thereafter, provided, however, that Tenant may furnish Lessor such other address as Tenant may elect and require notice as provided above to such address. All written notices required or permitted to be given to Lessor must be given by certified mail, return receipt requested, addressed to or by personal delivery to 17725 Katy Freeway, Suite 200, Houston, Texas 77094, Attention Mark A Carr, provided Lessor may furnish Tenant such other address as Lessor may elect and require notice as provided above to such address. Tenant and Lessor shall furnish each other with email and/or telecopy contact information to be used for the purposes of delivering notices pursuant to this Section 22.

- 23 **Liability, Indemnity and Insurance** Neither the Lessor nor Owner is liable to Tenant, Tenant's employees, guests or other occupants or persons on the Premises for personal injury, property damage or other losses to such persons or their property caused by other persons, theft, burglary, assault, other crimes, intoxication, fire, water, wind, rain, smoke, drowning, or any other causes. Tenant agrees to indemnify, defend and hold harmless Lessor and Owner from and against any and all injury, loss or damage of whatever nature, to persons or property arising out of the use or occupancy of the Premises, or out of any act, omission or negligence of anyone including without limitation, the Owner, Lessor, Tenant and/or any of their respective agents, servants, representatives, employees, contractors, invitees and licensees whether with or without the express or implied consent of Owner, Lessor, or Tenant.

Tenant shall, during the Term of this Lease commencing on the date hereof, procure and maintain, at its own cost and expense, a fire and extended coverage policy of insurance insuring the improvements on the Premises and all of Tenant's equipment, trade fixtures,

furniture and furnishings, personal property, inventory and contents against fire, vandalism, and malicious mischief and such other perils, as are from time to time included in a standard extended coverage endorsement in an amount equal to the full replacement cost thereof, endorsed to name the Lessor and the Owner (and upon Lessor's request any lender of Lessor and/or Owner) each as an additional insured and loss payee on a primary and non-contributory basis. Tenant shall also obtain and maintain twelve (12) months of business interruption insurance in such amounts as are determined appropriate by Lessor. Solely with respect to the Premises, Tenant further agrees to obtain and keep in force during the term of this Lease at Tenant's own cost and expense, commercial general liability insurance on an occurrence basis with a minimum limit of One Million Dollars (\$1,000,000) per occurrence, Two Million Dollars (\$2,000,000) general aggregate, and \$1,000,000 in the form of an umbrella, each of which is to be endorsed to name the Lessor and the Owner (and upon Lessor's request any lender of Lessor and/or Owner) each as an additional insured on a primary and non-contributory basis. Tenant shall obtain and maintain a business or commercial automobile liability policy covering all vehicles used in Tenant's business operations with limits of not less than One Million Dollars (\$1,000,000) per each accident and endorsed to name the Lessor and the Owner (and upon Lessor's request any lender of Lessor and/or Owner) each as an additional insured on a primary and non-contributory basis. Where such is required by Lessor and/or by Owner, Tenant shall obtain and also maintain earthquake insurance and flood insurance covering the Premises with each type of insurance covering the full replacement cost of the Premises and all improvements thereto and thereon or the maximum available under a national insurance program. Tenant shall obtain and also maintain workers' compensation insurance with statutory limits, and employers' liability insurance with limits of not less than One Million Dollars (\$1,000,000) per occurrence. All of the policies evidencing the foregoing coverage must be endorsed as required under any state, federal, or other applicable law. Tenant must also obtain and maintain all of the types of insurance and in the amounts required in the most current Confidential Operations Manual. Owner and Tenant each waive any and all rights to recover against the other or the other's agents or employees for any loss or damage to such waiving party arising from any cause covered by any property insurance required to be carried pursuant to this Section 23 or any other property insurance actually carried by such party to the extent of the limits of such policy. Tenant, from time to time, will cause its insurers to issue appropriate waiver of subrogation rights endorsements with respect to all property and liability insurance policies carried in connection with the Premises or the contents of the Premises. All policies of insurance described in this Section 23 which Tenant is required to procure and maintain will be issued by responsible insurance companies, having a claims-paying ability rating of "A" or higher as ascribed by S&P, be considered equivalent to a NAIC 1 or other rating acceptable to the Securities Valuation Office of the National Association of Insurance Commissioners, and in all other respects be reasonably acceptable to Lessor and qualified and licensed to do business in the state in which the Premises are situated. Tenant acknowledges that it is obligated to obtain and maintain all of the insurance required in this Section 23 and that such obligation shall not be diminished by a change in the ownership of the Premises. If Tenant fails to acquire or maintain the insurance required pursuant to this Lease or to pay the premiums for such insurance and deliver the certificates of coverage after notice from

Lessor, such failure is a default hereunder and Lessor may, in addition to other rights and remedies available to Lessor, acquire such insurance and/or pay the requisite premiums therefor. Such premiums so paid by Lessor will be reimbursable and payable by Tenant immediately upon written demand therefor made to Tenant by Lessor.

The types of insurance required by Lessor hereunder can be expanded and the amounts of insurance required by Lessor hereunder can be increased at any time by Lessor notifying Tenant of the type and amount of insurance that must be obtained and/or the amount by which an existing policy must be increased. Tenant must obtain such increased insurance coverage (type and/or amount) as promptly as is reasonably possible. Where a provision in this section requires insurance coverage to be in the full replacement cost of the insured property, the full replacement cost shall be an amount sufficient in Lessor's determination to completely cover the replacement cost of such insured property.

Tenant must deliver to Lessor copies of the insurance policies and certificates of such insurance certifying that the same is in full force and effect. Tenant hereby releases Lessor and Owner to the extent of Tenant's insurance coverage, from any and all liability for any loss or damage caused by fire or any of the extended coverage casualties, even if such fire or other casualty are brought about by the fault or negligence of Lessor or Owner, its servants or agents, provided, however, this release will be in force and effect only with respect to loss or damage occurring during such time as Tenant's policies of fire and extended coverage contain (or would contain, if Tenant had made a reasonable effort to obtain same) a clause to the effect that this release will not affect policies or the right of Tenant to recover thereunder. Tenant agrees that its fire and extended coverage insurance policies will include such a clause so long as the same is obtainable without extra cost, or if extra cost is chargeable therefore, so long as Lessor or Owner pays such extra cost. If extra cost is chargeable, then Tenant will advise Lessor thereof, and the amount thereof, and Lessor or Owner may pay the same but is not obligated to do so. Tenant should maintain such insurance on its contents as it deems necessary or advisable. To the extent any lender that has financed or refinanced Owner's acquisition and improvement of the Leased Premises ("Lender") is listed as a co-insured or additional insured, Lessor will subordinate its rights in any insurance proceeds to the Lender. Lessor or Owner may insure the Premises with such insurance as it deems necessary or advisable.

In the event Tenant retains or requests Lessor's or Owner's employees or contractors to render services not contemplated in this agreement, or without the prior knowledge and consent of Lessor or Owner expressed in writing, such employees or contractors are deemed to be the agents of Tenant whether or not compensated by Tenant, Lessor or Owner, and Tenant agrees to hold harmless and indemnify Lessor or Owner for and from all liability for the acts or omissions of such persons.

- 24 **General** This Lease contains the entire agreement of the parties. **No oral agreements or representations have been made.** Tenant waives and releases all claims, if any, of misrepresentation and fraudulent inducement. This Lease may be modified only in writing signed by all parties. A declaration by an arbitrator of the invalidity of any part of this Lease or any attachment hereto will not invalidate the remainder. Tenant may not

withhold rent or offset against rent This Lease is to be construed under and in accordance with the laws of the State of Texas This agreement is binding upon and inures to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors and assigns

- 25 **Condemnation** If the whole of the Premises shall be taken or condemned by a competent authority for a public or quasi-public use or purpose, then the term of this Lease shall cease as of the date possession of the Premises shall be required for said public use, and any rent paid in advance of such date shall be refunded to Tenant In the event only a portion of the Premises is so taken or condemned, Lessor shall use any of the funds received by Lessor from such taking to make such repairs or alterations as may be reasonably necessary to restore the Premises to substantially the same condition as it was prior to the taking, provided, however, Lessor shall not be obligated to expend more than any amount Owner or Lessor receives from the condemning authority for the taking of and residual damage to the Premises In the event the condemning authority takes the whole, or such a substantial part of the Premises as to render the Premises unsuitable for continuing the operation of an automotive repair facility, Tenant may terminate this Lease upon written notice as of the date the condemning authority is entitled to possession, and neither party shall have any further obligation to the other hereunder Rent shall be apportioned to the date of termination or the date of taking, whichever is earlier In the event of any taking all sums allowed or paid on account thereof shall belong to and shall be paid to Owner or Lessor, it being the intention of the parties that there be no diminution, by reason of the existence of the Lease in the amount to be received by Owner or Lessor
- 26 **Destruction** In the event the Premises are partially or totally destroyed or damaged by fire or other casualty, whether or not covered by insurance, Tenant shall be obligated to rebuild or restore or at Lessor's discretion, allow Lessor to use the available insurance proceeds to rebuild or restore the Premises to substantially the condition they were in prior to such destruction or damage and pursuant to the plans and specifications provided by Lessor, and all insurance proceeds shall be available to Lessor or Tenant for such purpose and there shall be no abatement of rent, provided, however, that if such destruction or damage occurs during the last twelve months (12) months of the initial Term or any extension term, Tenant shall have the right, at its option, to terminate this Lease by giving written notice of such termination to Lessor within sixty (60) days after such destruction or damage, provided that Lessor shall be entitled to all of the insurance proceeds Any and all insurance proceeds not applied to rebuild the Premises as stated above shall be payable to Lessor
- 27 **Dispute Resolution** Lessor and Tenant agree that any and all disputes between Tenant, Lessor and Owner will be resolved pursuant to the Dispute Resolution Agreement attached as Exhibit "B" to and made a part of this Lease
- 28 **State Specific Provisions**

NONE FOR TEXAS BUT ANY OTHER STATE WILL HAVE STATE SPECIFIC PROVISIONS INSERTED IN THIS SECTION

- 29 **Counterparts** This Lease may be executed and delivered (including by facsimile or Portable Document Format (pdf) transmission) in any number of counterparts with the same effect as if all signatories had signed the same document. Facsimile and other electronic copies of manually signed originals shall have the same effect as manually-signed originals and shall be binding on the undersigned parties. Each counterpart shall be deemed an original, but all counterparts must be construed together to constitute one and the same instrument.

Re Acknowledgement and Receipt

Dear Mr and Mrs [Franchisee's Last Name]

The purpose of this letter is to document the understanding between you and Christian Brothers Automotive Corporation ("CBAC") as of the date of this letter. You are in the process of becoming a franchisee of CBAC, and in connection with this process, you have requested that your franchise (the "Franchise") be in the [Location] area (the "Location"). CBAC is in the process of purchasing Land or acquiring an Existing Business and is incurring expenses in connection with that purchase. "Land" means real property that is located in the general area of the Location. "Existing Business" means an operating CBAC franchise business in the general market of the Location. In order to proceed, CBAC has requested that you pay \$85,000 (the "Down Payment") of your initial franchise fee at this time. You have requested CBAC's assurance that the Down Payment will be applied to the franchise fee described in the Franchise Disclosure Document. To document these agreements, CBAC and you are affirming the following understanding and agreeing to the following terms:

- 1 You will pay CBAC \$85,000 on the date you sign this letter. CBAC will sign this letter after receiving your payment, and CBAC's signature will constitute its acknowledgement of the receipt of your Down Payment.
- 2 You acknowledge that CBAC may not be able to purchase the Land or acquire an Existing Business. CBAC agrees to notify you in writing if it determines, for any reason, that it will not purchase the Land or acquire an Existing Business. CBAC will then give you the option of either (a) choosing another one of the locations which CBAC has determined to establish a franchise or acquire another existing CBAC franchise business, or (b) having your Down Payment returned.
- 3 In the event a Termination Event occurs prior to CBAC executing a Contract for the Land or the Existing Business, then CBAC will deduct the reasonable costs that it has incurred in processing your application, selecting the site for the Land, determining the viability of acquiring an Existing Business and preparing to enter into the franchise relationship with

you, and return any remainder to you, provided that such deduction will not exceed \$25,000 "Termination Event" means any of the following (i) you do not qualify for the necessary financing to open and operate your Franchise, (ii) you choose not to proceed with the decision to open the selected store, (iii) you choose not to proceed with the decision to acquire the Existing Business from CBAC, and/or (iv) you are unable to complete any of your other obligations that are conditions to your owning and operating a CBAC franchise "Contract" means a contract for either (a) the acquisition of land in the general area of the Location, or (b) a contract for the acquisition of an existing business

- 4 In the event a Termination Event occurs after CBAC has executed a Contract but prior to CBAC (a) submitting site plans to the appropriate authority for approval in connection with the purchase of the Land, or (b) performing due diligence in connection with the acquisition of an Existing Business, then CBAC will deduct \$25,000 from your initial \$85,000 deposit and return \$60,000 to you
- 5 In the event a Termination Event occurs after CBAC has executed a Contract and either (a) has submitted site plans to the appropriate authority for approval in connection with the purchase of the Land, or (b) has performed due diligence in connection with the acquisition of an Existing Business, then CBAC will retain all of your initial \$85,000 deposit
- 6 You acknowledge that you will pay the remaining amount of your franchise fee as provided in the Franchise Agreement to be entered into between you (or an entity formed and owned by you for the sole purpose of owning and operating the Franchise) and CBAC

If you agree to the forgoing, please acknowledge your agreement by executing each counterpart of this letter agreement in the space provided below, retain one copy for your files, and return the other counterpart to the attention of the undersigned at your earliest convenience.
