What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

Please consider the following RISK FACTORS before you buy this franchise:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by litigation only in Florida. Out-of-state litigation may force you to accept a less favorable settlement for disputes. It may also cost more to litigate with the franchisor in Florida than in your own state.
2. YOU MUST MAKE MINIMUM ROYALTY AND ADVERTISING PAYMENTS REGARDLESS OF YOUR SALES LEVELS. YOUR INABILITY TO MAKE THE PAYMENTS MAY RESULT IN TERMINATION OF YOUR FRANCHISE AND LOSS OF YOUR INVESTMENT.
3. THE FRANCHISOR HAS THE RIGHT TO BUY BACK YOUR FRANCHISED BUSINESS AT ANY TIME AFTER THE 60TH MONTH FOR FIVE TIMES NORMALIZED EBITDA (EARNINGS BEFORE INCOME TAXES, DEPRECIATION AND AMORTIZATION).
4. THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.

We use the services of one or more FRANCHISE BROKERS or referral sources to assist us in selling our franchise. A franchise broker or referral source represents us, not you. We pay this person a fee for selling our franchise or referring you to us. You should be sure to do your own investigation of the franchise.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS
THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE
FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE
PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.**

1. Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

2. A provision that permits a franchisor to terminate a franchise before the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

3. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

4. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

5. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

6. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(a) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(b) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(c) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(d) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

7. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

8. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000.00, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Franchisor

The Franchisor is CHHJ Franchising L.L.C. (“we,” “our” or “us”), a Delaware limited liability company that was formed on October 20, 2006 and has its principal place of business at 4411 West Tampa Bay Boulevard, Tampa, Florida 33614. We do business under our corporate name and under the trademarks College Hunks Hauling Junk® and College Hunks Moving®. We will refer to the person who buys a franchise as “you” or “your” throughout this Disclosure Document. If you are a business entity, “you” or “your” also includes each partner, shareholder and/or other owner of that entity.

We are offering franchises for the operation of businesses operating under the Marks which provide junk removal services and/or moving services, including relocating items from one location to another and/or picking up unwanted items from residential and commercial clients and taking it to the appropriate landfill or transfer station for appropriate disposal or recycling. We presently do not operate a business of the type being franchised or any other type of business. We have never offered franchises in any other line of business. We began offering franchises in mid-2007.

Our agents for service of process are listed in Exhibit “A” to this Disclosure Document.

Our Parents, Predecessors and Affiliates

We have no predecessors. Our parent company is Friedman and Soliman Enterprises, LLC (“F&S” or “Parent”), a Maryland limited liability company that was formed on March 25, 2005 and is located at 4411 West Tampa Bay Boulevard, Tampa, Florida 33614. F&S owns the Marks listed in Item 13 of this Disclosure Document and has licensed them to us, including the rights to sublicense the Marks to our franchisees. F&S has never offered franchises in this or any other line of business. F&S does not operate a business of the type to be operated by you. F&S does not provide products or services to our franchisees, nor does it guaranty our performance under the Franchise Agreement.

Currently, we have three affiliates who own and operate College Hunks Hauling Junk® and/or College Hunks Moving® locations. First, our affiliate CHHJ, LLC (“CHHJ”) currently owns and operates a College Hunks Hauling Junk® and College Hunks Moving® in Maryland. Additionally, our affiliate Mansari LLC currently owns and operates a College Hunks Hauling Junk® and College Hunks Moving® in Florida. In 2019, an additional affiliate, CHHJ New Jersey, LLC became the owner and operator of a College Hunks Hauling Junk® location and College Hunks Moving® location in New Jersey. We consider these locations “Company” locations as detailed in Item 20.

Our affiliate, Trash Butler LLC (“Trash Butler”), is a Florida limited liability company that was formed on May 21, 2013 and shares our principal business address at 4411 West Tampa Bay Boulevard, Tampa, Florida 33614. It provides doorstep valet trash pickup service, under the “TRASH BUTLER®” trademark and trade name, for apartment complexes and multi-family housing communities. Uniformed trash valets pick up bagged garbage at the door and take it to the on-site dumpsters or compactors up to 5 times a week. In certain instances, Trash Butler may subcontract these services to our franchisees, although it is not obligated to do so. Trash Butler has been designated as a National Account (see Item 12). Trash Butler has never offered franchises in this or any other line of business. It does not operate a business of the type to be operated by you. Trash Butler does not provide products or services to our franchisees, nor does it guaranty our performance under the Franchise Agreement.

Our affiliate NOR, LLC (“NOR”) is a Florida limited liability company that was formed on January 1, 2020 and shares our principal business address at 4411 West Tampa Bay Boulevard, Tampa, Florida

33614. NOR now owns and operates the CHC Bookkeeping Program. All franchisees are required to participate in the CHC Bookkeeping Program which provides bookkeeping services for your Franchised Business. NOR has never offered franchises in this or any other line of business. It does not operate a business of the type to be operated by you. Except as disclosed herein, NOR does not provide products or services to our franchisees. NOR does not guaranty our performance under the Franchise Agreement.

We do not have any other affiliates that are required to be disclosed in this Item.

The System

Our system includes a method of providing junk removal services and/or moving services for residential and commercial clients; color scheme and custom lettered vehicles; materials and supplies; designated call center (“**First Contact Sales & Loyalty Center**” or “**SLC**”); proprietary software; methods, specifications and procedures for operations; procedures for management control; training and assistance; and merchandising, advertising and promotional programs, and client service procedures, all of which may be changed, improved and further developed (collectively, the “**System**”). Our SLC is a centralized office that receives orders for service from clients via telephone, e-mail, fax or other electronic booking method designated by us. The SLC then forwards the request for service to the appropriate franchisee based upon the client’s location. The SLC will schedule appointments, maintain a comprehensive client database, and may conduct follow-up calls with all clients to verify the client’s satisfaction with the service, and provide you with detailed reports so that you may more effectively manage your Franchised Business.

We currently offer College Hunks Moving® (moving services) as part of the College Hunks Hauling Junk® Franchised Business. The College Hunks Moving® services may also include packing items for clients as well as the sale of boxes and packing materials. If you will provide College Hunks Moving® services as part of your Franchised Business, you will need to have additional equipment, training, insurance and a different type of vehicle. Providing College Hunks Moving® services is currently optional for our franchisees, but we reserve the right to require all franchisees to provide College Hunks Moving® services in the future. We also reserve the right to split the College Hunks Moving® services portion of your Franchised Business into a separate franchise opportunity in the future.

The System is identified by certain trade names, service marks, trademarks, logos, emblems and indicia of origin, including the marks “College Hunks Hauling Junk®,” “College Hunks Moving®,” “The Junk Hunk®” (our company mascot) and the other marks listed in Item 13 of this Disclosure Document (collectively, the “**Marks**”). Our Parent owns the Marks, the toll-free number 1-800-Junk-USA® and the websites www.1800junkusa.com, www.collegehunks.com, www.collegehunkshaulingjunk.com, and www.collegehunksfranchise.com (collectively, the “**Proprietary Marks**”). Our Parent has licensed the Proprietary Marks to us so that we may sublicense them to our franchisees. Our Parent reserves the right to operate businesses and to license others to operate businesses other than the Franchised Businesses using the 1-800-Junk-USA® trademark, telephone number and website anywhere, including within your Designated Territory.

The Franchise Offered

You will have the opportunity to purchase a College Hunks Hauling Junk® franchise, a College Hunks Moving® franchise or both, depending on your financial ability and your professional experience. The College Hunks Hauling Junk® concept and College Hunks Moving® concept are two separate but similar business models. They must be budgeted for properly and treated as two separate businesses. However, if you purchase both concepts, there are some shared resources, vendors, and expenses that can be enjoyed between the two businesses for economies of scale.

We grant College Hunks Hauling Junk® and/or College Hunks Moving® franchises to qualified candidates for the right to develop and operate a Franchise for an area that we mutually agree on, that provides junk removal and/or moving services, including relocating items from one location to another and/or picking up unwanted items from residential and commercial clients and taking it to the appropriate landfill or transfer station for appropriate disposal or recycling, plus other related services (“**Franchised Business**”). You must sign our Franchise Agreement (the “**Franchise Agreement**”) in the form attached as Exhibit “C” to this Disclosure Document. The Franchise Agreements grants you the right to develop and operate a single Franchised Business at an approved location.

We also offer a “small market” franchise for Zones that have between 5,000 and 299,999 in population and a conversion franchise for business operators in a similar business (junk removal and/or moving services) who wish to convert their businesses to our System.

Market and Competition

You will offer your services to residential and commercial customers. In general, the industry for junk removal and moving services is competitive but quite fragmented. Your competition will come primarily from other junk removal and/or moving businesses, which may include moving companies. In some markets, these businesses are locally based, and other markets may include regional or national chains as competitors. Private waste removal and disposal businesses compete on the basis of many factors, such as price, service, location, speed of service and marketing programs. These businesses are often affected by other factors as well, such as changes in economic conditions and seasonal fluctuations. This FDD was issued during the COVID-19 pandemic. As of the date of issuance, it is too early to determine whether the pandemic will have any long-term effects on the industry. You may also compete with municipal waste removal agencies.

Industry Specific Laws

You must comply with all local, state and federal laws that apply to your Franchised Business operations, including, for example, health, environmental and waste disposal, licensing, EEOC, OSHA, DOT, discrimination, employment and labor, sexual harassment and tax laws.

Specifically, you must comply with all applicable laws related to moving services and/or junk removal and disposal. If you provide moving services, you may have to apply for and receive specific authority to conduct moving services across state lines. If you provide junk removal and disposal services, your Franchised Business will remove and haul non-hazardous junk for disposal, re-use, and recycling. Neither we nor your Franchised Business will be in the business of hauling liquids, gasses, or flammable or hazardous waste.

Moving companies and junk hauling companies are highly regulated industries governed by federal, state, and in some instances, local law. Most states have transportation agencies that oversee the state’s laws, regulations, and licensing requirements, although the responsible agency may differ from state to state. We have made no investigation, and are under no obligation to make any investigation, regarding the existence or requirements of any such state or local laws, ordinances, regulations, taxes or other restrictions applicable in your or any Designated Territory. You should know that state laws and regulations can vary significantly from one state to the next, which may impact the length of time and the expense required to receive the applicable licenses and permits for the opening and operation of your Franchised Business. For example, California law requires moving companies to register with the California Public Utilities Commission. The U.S. Department of Transportation’s Federal Motor Carrier Safety Administration administers federal laws relating to this industry and requires registration for interstate moves. There may also be restrictions on licensing related to your drivers and your trucks, and you may

have to obtain special permits related to junk hauling, dumping, and/or moving. These are merely some examples of the requirements you may have to meet.

In addition to statutes and regulations specific to the junk-hauling and moving industries, you must comply with all federal, state, and local data privacy and security laws which may apply to your Franchised Business. Federal, state, and local laws regulate the requirements for protection and use of customer data, including personal and payment related information. As a part of your Franchised Business, you may collect information related to your consumers on our behalf. While we own all the data that you collect, as further set forth in Item 8, you must ensure that all of your collection and retention methods comply with such laws. We have made no independent investigation into such requirements, and it is entirely your responsibility to ensure your own compliance with these laws.

It is your responsibility to conduct the necessary due diligence regarding whether there are any special license requirements or other laws that pertain to or affect your Franchised Business, or whether any city, town, or other governmental agency has issued or granted an exclusive right or license to another garbage or waste hauler that would bar your operation in all or a portion of your Designated Territory, or whether there may exist any special restrictions that may limit your right to access a local transfer site or landfill.

In addition to those described previously, there may be other laws and regulations applicable to the operation of your Franchised Business within a particular state and we urge you to ask an attorney about all of the laws and regulations that can impact your operation of a College Hunks Hauling Junk® and/or College Hunks Moving® Franchised Business within the Designated Territory licensed to you.

Aaron Kube v. CHHJ Franchising L.L.C., United States District Court, Central District of California (Case No. 8:19-cv-1398). On July 8, 2019, the plaintiff filed suit for Breach of Contract, Violation of the California Franchise Relations Act, and Violation of the Florida Deceptive and Unfair Trade Practices Act, based on the defendant's decision not to renew the plaintiff's franchise agreement, which expired in March 2020. The defendant's decision not to renew was based on the plaintiff's noncompliance with the franchise agreement, which the plaintiff denies. On September 30, 2019, the case was stayed pending arbitration. Currently, no arbitration has been filed and the parties are in settlement negotiations.

Other than the above matter, no litigation is required to be disclosed in this Item.

The initial franchise fee is imposed uniformly among franchisees, based on the number of Zones purchased. The initial franchise fee includes the initial license fee for the proprietary software you must use. The initial franchise fee is payable in a lump sum when you sign the Franchise Agreement and is fully earned and non-refundable. However, if, during or at the end of initial training, we determine at our sole option that you are not qualified to own a franchise, then we: (i) may terminate the Franchise Agreement; and (ii) will refund the initial franchise fee (without interest), less the amount of any broker fees or commissions paid or payable by us in connection with the franchise sale and amounts incurred by us in providing initial training, provided you and your owners execute an agreed termination of the Franchise Agreement and general release in the form prescribed by us.

If you are a qualified U.S. veteran, we will discount the initial franchise fee by \$7,500. A qualified U.S. veteran must have at least a 51% interest in your Franchised Business at all times. If you receive this

discount and at any time during the initial term fail to satisfy the requirement that a U.S. veteran own at least a 51% interest in your Franchised Business, then you will be required to pay the balance of the initial franchise fee.

If you choose to purchase either a College Hunks Hauling Junk® franchise or a College Hunks Moving® franchise without purchasing the other franchise concept, then we may sell the other franchise concept within your Designated Territory. However, provided you are in full compliance with the terms and conditions of your Franchise Agreement and satisfy our then-current criteria for franchisees of the applicable franchise concept, we will notify you of the proposed sale of the franchise concept to a third party in your Designated Territory and you will have ten days following such notice to exercise your right to acquire the franchise concept for an initial franchise fee of \$35,000. Alternatively, and subject to availability in your Designated Territory and provided you satisfy the foregoing conditions for acquiring another franchise concept, you may at any time subsequent to purchasing either franchise concept elect to purchase the other franchise concept for an initial franchise fee of \$35,000. In either instance, the \$35,000 initial franchise fee for the additional franchise concept is payable upon execution of the amendment to your Franchise Agreement reflecting the right to operate the additional franchise concept and is fully earned by us when paid and non-refundable.

If you qualify to operate multiple Zones and wish to purchase one additional Zone that is contiguous to your Designated Territory at the same time you sign the Franchise Agreement, you must pay us a deposit of \$10,500, which will be applied toward the initial franchise fee for the additional Zone in the amount of \$35,000. The deposit is fully earned when paid and non-refundable. Provided you operate your Franchised Business for at least six months in accordance with the terms and conditions of the Franchise Agreement, including without limitation our standards, you may request to complete the purchase of the additional Zone that is contiguous to your Designated Territory. You must complete the purchase of the additional Zone prior to the first anniversary of the date your Franchised Business commences operations. To apply for the additional Zone, you must: (i) be in full compliance with the terms and conditions of your Franchise Agreement and all other agreements with us or our affiliates; (ii) complete our then-current form of franchise expansion application that may be posted in our Operations Manual or otherwise made available to you in writing; and (iii) meet our then-current criteria, including, but not limited to, demonstrated financial ability and minimum revenue/performance criteria for your existing Zone(s). We may periodically change the qualifications and criteria for purchasing additional Zones. The balance of the initial franchise fee for the additional Zone is payable upon signing the amendment to the Franchise Agreement for the right to operate the additional Zone and is fully earned by us when paid and non-refundable. If you have not purchased the additional Zone prior to the first anniversary of the date of the opening of your Franchised Business, we will begin marketing the additional Zone for sale. Your deposit will not be refunded.

If you do not purchase the rights to an additional Zone at the same time you sign the Franchise Agreement, you may purchase an additional Zone at the then-current initial franchise fee, subject to availability and your satisfaction of the criteria described above. This fee is non-refundable.

You may also choose to purchase a fraction of a Zone that is contiguous to your Designated Territory, either initially or during the term of your Franchise Agreement. The cost of a fractional Zone is \$15,000 for each additional 100,000 in population. If you wish to acquire a fractional Zone after your Franchised Business has started operations, you must complete a franchise expansion application and meet our then-current criteria to acquire an additional Zone, as described above.

We currently limit the number of Zones you may purchase to one Zone with an option to purchase a second Zone within six months, subject to your eligibility and compliance with the conditions described above. After you commence operation of your Franchised Business, the total number of Zones will depend,

among other things, on the performance of your existing Zones, your ability to capitalize your Franchised Business and maintain the negotiated truck roll-out schedule, and other criteria that we may determine from time to time.

“Small Market” Franchise Agreement

We also offer a “small market” franchise for Zones that have between 5,000 and 299,999 in population. A small market franchisee must offer both junk removal and moving services. If you are purchasing a small market franchise, the initial franchise fee will be calculated as 15% of the population in the Zone you are purchasing. For example, if your small market Zone has a population of 90,000 people, the initial franchise fee you will pay will be 15% of 90,000, or \$13,500. The initial franchise fee is fully earned when paid to us and non-refundable. The initial franchise fee includes the initial license fee for the proprietary software you must use. The initial franchise fee is imposed uniformly on all franchisees who elect to purchase a small market Zone, but the amount of the initial franchise fee will vary depending upon the population. We reserve the right to require you to expand your Designated Territory if we determine that the number of people is not enough to sustain your Franchised Business in accordance with our standards, in which case you will purchase the additional area for a fee equal to 15% of the population in the additional area. In addition, you may choose to purchase additional areas (designated by zip code) if these areas are available. You will pay the same rate of 15% of the population in the area you purchase.

Conversion Franchise

We also offer a conversion franchise for business operators in a similar business (junk removal and/or moving services) who wish to convert their businesses to our System. If you are purchasing a conversion franchise, you will pay us an initial franchise fee that is equal to our then-current initial franchise fee reduced by an amount equal to 10% of the total sales for the previous year for your existing business, but in no event will the discount exceed \$30,000. For example, if the initial franchise fee is \$40,000 and your moving business generated \$200,000 in revenue during the previous year, the initial franchise fee will be reduced by \$20,000, making your initial franchise fee \$20,000. The initial franchise fee is fully earned when paid to us and non-refundable. The initial franchise fee includes the initial license fee for the proprietary software you must use. The initial franchise fee is uniformly imposed on all franchisees but the amount of such initial franchise fee will vary depending upon the total sales of the existing business upon which with discount is calculated.

Affiliate or Company-Owned Zones

Our affiliates may, at their sole option, offer to sell Zones they currently operate to new or prospective franchisees. The purchase price for the affiliate-operated Zone will be the initial franchise fee (\$40,000 or \$60,000 for a new franchisee in the System or \$40,000 for an existing franchisee who is purchasing an additional Zone) plus a premium equal to or one-half of (as determined by the affiliate selling the Zone) of the annual Gross Sales of the Zone being purchased during the 12-month period preceding the purchase. For example, for the sale to a new franchisee of a standard Zone offering both moving and junk removal, if the Gross Sales in the affiliate or company-owned Zone during the preceding 12-month period were \$50,000, then the purchase price would be the initial franchise fee of \$60,000 plus a maximum premium of \$50,000. If less than a 12-month operating history is available, the Gross Sales to date will be converted to an annualized sales amount by multiplying the average monthly Gross Sales for the period of operation by 12 to determine the purchase price.

There are no other payments to or purchases from us or any affiliate that you must make before your Franchised Business opens.

Performance Refund

If you own at least one standard Zone and fail to reach \$180,000 in Gross Sales during your first 18 months of operations, and you have fully complied with the System and have not at any time been in default of the Franchise Agreement, you may surrender your Designated Territory and cease operations of your Franchised Business. In such case, we will refund 50% of the initial franchise fee paid to us by you for your first Zone (i.e. \$20,000 if you purchased moving or junk removal, or \$30,000 if you purchased both services), provided you submit a notice to us in writing within ten days of the expiration of the 18-month period of operation of your Franchised Business that you wish to exercise this exit/refund option and provide us with information and documentation related to the operation of your Franchised Business as we may reasonably request. We will review your request to exit the System to confirm your eligibility (including without limitation that you have fully complied with the System and the terms and conditions of your Franchise Agreement) and notify you within 30 days whether such request is approved or rejected. If we approve, then you must sign an agreed termination of the Franchise Agreement and general release in the form prescribed by us. We will issue refund the 50% of initial franchise fee within 90 days of our receipt of the signed agreed termination and general release, provided you have fully complied and continue to comply with all post-term covenants and obligations in your Franchise Agreement.

Performance Incentive

If you purchase a brand-new Zone (not a Zone that has previously been owned and developed) and reach \$600,000 in Gross Sales during your first 12 months of operation in said Zone, and you have fully complied with the System and have not at any time been in default of the Franchise Agreement, we will pay you a marketing incentive of \$5,000. You must submit to us a request in writing that you wish to exercise this incentive within ten days following the expiration of the 12-month period of operation of your Franchised Business. We will review your request to confirm your eligibility for the Performance Incentive (including without limitation that you have fully complied with the System and the terms and conditions of your Franchise Agreement) and notify you within 30 days whether such request is approved or rejected. If approved, we will issue a credit in the amount of \$5,000 against amounts payable to us for the Brand Development Fee or the Continuing Royalty Fee within 90 days of our acceptance of your request. This Performance Incentive applies to all additional brand-new Zones that are purchased after the original brand-new Zone.

Deposit Agreement

In limited instances, we may require you to pay a deposit to us in an amount that is equal to 30% of your initial franchise fee. In that case, you must sign a Deposit Agreement, which will be provided to you upon signing the Franchise Agreement. The deposit you pay to us under the Deposit Agreement is not refundable but will be applied toward the initial fee you must pay to us for the franchise you purchase.

- (1) Unless otherwise noted in the chart, all fees are imposed uniformly on all franchisees and payable to us and are non-refundable.
- (2) **“Gross Sales”** means and includes the actual gross revenues billed to clients of a franchisee in connection with all products and/or services sold and/or performed for such clients, whether for cash, check, barter, debit or credit card, plus any other revenues derived from the operation of your Franchised Business and all amounts received by the franchisee from any activities or services (whether authorized or unauthorized) that are in any way associated with the Proprietary Marks or the System, or from the sale of any unauthorized products or services (whether or not such sales are made through your Franchised Business) that are competitive with products or services offered or sold by us or our affiliates, but excluding (i) federal, state or municipal sales, use, service or excise taxes collected from clients and paid to the appropriate taxing authorities and (ii) client refunds. Gross Sales also includes revenue that would have been collected had the client actually paid for services rendered but did not, regardless of if the service was performed gratuitously by the franchisee or if the client refused to pay for service rendered (whether through returned checks, stop payment on a credit card or check, etc.). Gross Sales does not currently include revenues from re-sale items, consignments, recycling, scrap, etc., but we reserve the right, in our sole discretion, upon 30 days’ prior notice to you, to include such revenues in the definition of Gross Sales. If we elect to include these types of revenue in Gross Sales, we will provide the franchisee with systems and training regarding the re-sale of such items. Although we do not currently include recycling/scrap related revenue in Gross Sales for purposes of the Continuing Royalty Fee and/or Brand Development Fee, you are required to report recycling/scrap revenue to us on the 2nd and 17th day of the month (or as otherwise provided in the Manual from time to time).

- (3) The Continuing Royalty Fee is the brand licensing fee that you pay to us for being part of our growing national brand and for the use of the Marks. If, at the end of any year of operations, the total of all Continuing Royalty Fees paid to us that year is less than the “**Minimum Annual Royalty**” amount for that year, you must pay us an amount equal to the difference between the Minimum Annual Royalty and the total of all Continuing Royalty Fees actually paid to us for that year. The amount of such difference (if any) must be paid to us on or before February 15th of the calendar year immediately following the applicable calendar year of operations. In the event you operate less than a full year in Year 1, we will pro-rate the Minimum Annual Royalty for Year 1 by the number of days your Franchised Business was open compared to 365 days in a year. If you operate more than one Zone and exceed the Minimum Annual Royalty for one Zone but fail to achieve the Minimum Annual Royalty for another Zone, the excess royalty from one Zone will not offset the minimum royalty deficiency due from any other Zone. If you operate both the College Hunks Hauling Junk® and College Hunks Moving® lines of business, you must achieve the Minimum Annual Royalty for each line of business found in the chart below. If you operate both the College Hunks Hauling Junk® and College Hunks Moving® lines of business, the excess royalty from one line of business will not offset a minimum royalty deficiency due from the other line of business. The Minimum Annual Royalty amounts are as follows:

Year of Operations	Move Minimum Annual Royalty	Junk Minimum Annual Royalty
1	\$16,100 per Zone	\$8,050 per Zone
2	\$17,787 per Zone	\$8,893 per Zone
3	\$19,473 per Zone	\$9,737 per Zone
4	\$21,467 per Zone	\$10,733 per Zone
5	\$22,540 per Zone	\$11,270 per Zone
6	\$ 23,613 per Zone	\$11,807 per Zone
7	\$24,840 per Zone	\$12,420 per Zone
8	\$26,067 per Zone	\$13,033 per Zone
9	\$27,293 per Zone	\$13,647 per Zone
10	\$28,673 per Zone	\$ 14,337 per Zone

For illustration purposes, the minimum annual gross revenue required to achieve the Minimum Annual Royalty for the College Hunks Hauling Junk® and College Hunks Moving® lines of business is found below:

Year of Operations	Move Minimum Gross Revenue Required to Achieve Minimum Annual Royalty	Junk Minimum Gross Revenue required to Achieve Minimum Annual Royalty

9	\$389,905 per Zone	\$194,952 per Zone
10	\$409,619 per Zone	\$204,810 per Zone

- (4) The Support Fee covers technology (HunkWare software license and ongoing software development), client surveys, software, communication automation, live chat, customer service response and follow up, helpdesk, management, etc. The Appointment Fee is charged for each appointment scheduled or booked by the SLC. The Appointment Fee is the sales funnel for your business.
- (5) The Brand Development Fee is used for brand development and to build scalable marketing solutions on a system-wide basis. See Item 11 for a description of the Brand Development Fund.
- (6) If we terminate your Franchise Agreement for cause, you must pay us within 15 days after the effective date of termination liquidated damages equal to the average monthly Royalty Fees you owed to us during the 12 months of operation preceding the effective date of termination multiplied by 24 months. Liquidated damages apply only if we terminate your Franchise Agreement due to your non-compliance with the terms of and your obligations under the Franchise Agreement and your failure to cure such default within the timeframe required.
- (7) There currently are no advertising cooperatives. If an advertising cooperative is formed by us for your area or formed by franchisees and approved by us for your area, you must join the cooperative. Each Franchised Business and Franchisor (or Franchisor's affiliate)-owned business (each, an "Outlet") in the cooperative will have one vote, regardless of the number of Zones owned by the Outlet. Contributions to the cooperative will be determined by majority vote of the cooperative members. If the members vote to have contributions be a percentage of Gross Sales, then the percentage to be contributed shall not be greater than one-half of the local advertising requirement. If the members vote to have contributions on a fixed fee basis, then each member must contribute the fixed fee for each Zone owned by that member, and the fixed fee cannot exceed one-half of the local advertising requirement, unless agreed to by unanimous vote of the cooperative members. We must approve of the contribution methods and amounts after the cooperative members have determined them.
- (8) Non-compliance fees will be charged for non-compliance with the Franchise Agreement or any of the procedures, standards and specifications described in the Manual. This fee is a sliding scale, which may be, in our sole discretion, as low as \$50 or as high as the \$10,000 limit. The amount of the fee will be determined by us in our sole discretion based upon several factors, including the materiality of the non-compliance, the number of events of non-compliance, the diligence of your attempts to cure, if curable, and our then current System standards. This includes, but is not limited to, reporting requirements, failure to attend training or conventions, truck maintenance and safety standards, employee appearance and uniforms, and First Contact Sales & Loyalty Center requirements (such as time to contact customers, missed appointments, etc.). Each event of non-

compliance also constitutes an event of default under your Franchise Agreement, allowing us to exercise any remedies we may have under the Franchise Agreement, including termination.

- (9) We may require any and all fees payable under the Franchise Agreement to be paid to us by electronic funds transfer. You must sign any forms that we or your bank require to electronically transfer funds from your bank operating account to us for payment of these fees.
- (10) **CPI-U Adjustment.** All fixed dollar amounts used in the Franchise Agreement will be adjusted as of January 1 of each year in proportion to the changes in the Index, subject to an annual Inflation Adjustment, not to exceed an increase of 2% per year; except to round upwards to the nearest whole dollar. The term "Inflation Adjustment" refers to our right to increase a fee, or obligation to decrease a fee, based upon an increase or decrease in the Index. The Index refers to the CPI-U (U.S. Average, all items) maintained by U.S. Department of Labor (or such equivalent index as may be adopted in the future) between January 1, 1995 and January of the then-current year, or a comparative index we may select if the Index is no longer published. Each adjustment will be made effective on January 1 based on the January Index, but the 1st adjustment will not be made until at least 12 months following your Franchise Agreement Date. Our failure to adjust any fixed dollar amounts due to changes in the Index at any time does not constitute a waiver of its right to do so at any other time, including for past periods. However, we will not impose such adjustments retroactively.
- (11) If you elect to participate in the resale program in connection with the sale of your Franchised Business, you will pay a fee to us of 3%-8% of the purchase price that you accept for your Franchised Business depending upon whether you also retain the services of a third party broker to whom you must pay a fee. We reserve the right to require you to enter into a separate franchise resale program agreement in a form prescribed by us.

- (1) Unless otherwise noted, all fees payable to us are nonrefundable under any circumstances. (See Item 5 for information regarding the limited refund of the initial franchise fee.) Whether refund of fees paid to third parties are available will depend on your negotiation with each party. Our estimate assumes that you are purchasing one Zone only. If you open multiple Zones, the initial investment would be higher. The high end of the estimated initial investment assumes that you are purchasing both the College Hunks Hauling Junk® and College Hunks Moving® concepts. The above table also applies to the “small market” franchise for Zones and a conversion franchise for business operators in a similar business.
- (2) All fees are payable to us, unless otherwise stated.
- (3) Franchise Fee. The initial franchise fee is discussed in detail in Item 5. If you are purchasing a standard Zone, the initial franchise fee is \$40,000 to \$60,000. This does not reflect the potential

investment for a small market fee which is less than the standard Zone fee. If you are purchasing a small market franchise, the initial franchise fee will be calculated as \$0.15 per person in the Zone you are purchasing, and the Initial Franchise Fee will range from \$750 to \$49,999.90. If you are purchasing a conversion franchise, you will pay us an initial franchise fee that is equal to our then-current initial franchise fee reduced by an amount equal to 10% of the total sales for the previous year for your existing business, but in no event will you pay less than \$5,000.

- (4) Rent; Lease, Utility and Security Deposits. You will need an office space of approximately 200 to 300 square feet for your Franchised Business. The costs for your rental and security deposits will depend on, among other things, the size of the space you choose to rent and your creditworthiness. We do not permit that you operate your Franchised Business from your home. However, you may operate from your home while you are searching for an office, but you must be operating your franchise from an office within 90 days of opening. If you purchase a conversion franchise and your existing office is from your home, you must operate your franchise from an office.
- (5) Signage. Your truck will need to be wrapped with the branded vehicle wraps that we specify from a supplier we designate. You will also need to letter your vehicles in accordance with local ordinances, our guidelines and the Operations Manual. Our estimate represents the painting and signage costs for one truck. If you purchase both concepts, you will need painting and signage for at least two trucks. If you are a conversion franchise, you must paint your existing trucks to our specifications.
- (6) Service Vehicle. Our estimate represents the down payment on a service vehicle. If you purchase your truck outright instead of leasing or financing it, you will pay between \$45,000 and \$63,000. Our current service vehicle specifications are included in our Operations Manual and are subject to change. The truck you must use in the College Hunks Hauling Junk® concept must have our custom designed dump bed. Our custom dump body manufacturer and specifications are separate from the truck manufacturer's specifications and design. The estimated cost of the dump body is approximately \$16,000 to \$22,000, and the estimated costs for the truck is between \$30,000 and \$45,000. The estimate includes the cost to lease or finance the truck and have the dump body built and installed but does not include any amounts if you have an older truck that needs to be retrofitted to meet the new clean diesel rules that took effect in 2010. We anticipate that diesel truck prices are expected to continue to increase as a result of the new diesel standards, and we reserve the right to approve alternative vehicle options if they meet our performance standards and brand consistency. See Item 12 for requirements for you to purchase or lease additional trucks for your Franchised Business. The estimated lease amount for the first 3 months of operation is between \$3,000 and \$4,000. We reserve the right to modify the required vehicle and introduce new vehicle specifications and retrofit requirements such as roll-off containers. If you wish to purchase a used truck for your Franchised Business, the truck must be approved by us before you purchase it. If you purchase a conversion franchise, you may still be required to purchase new vehicles or truck equipment to match our current specifications.

If you purchase the College Hunks Moving® concept, you will need a different style truck. If you will offer moving services, you will incur an additional \$5,000 to \$40,000 for a used truck, depending on the age and condition of the truck, or from \$45,000 to \$80,000 for a new truck. Any moving truck you purchase or lease must meet our specifications for size, appearance, and performance. If you wish to purchase a used moving truck, the truck must be approved by us before you purchase it. These estimates assume that these vehicles are financed. If you purchase the vehicles for cash, your initial investment costs would be higher.

- (7) Equipment and Hand Tools. Our list of required equipment is provided in the Operations Manual. The required tools include hand tools, global positioning system (GPS) for navigation purposes, outward and inward facing vehicle cameras, credit card processor, cleaning tools and other materials. The cost of uniforms is also included in this estimate. If you purchase a conversion franchise, you must purchase our required uniforms.
- If you purchase the College Hunks Moving® concept, you must also purchase appliance dollies, 4-wheel dollies, piano boards, rubber bands, moving pads (72" x 80"), and other miscellaneous inventory such as marketing inventory, wall map, packing supplies, and boxes. We estimate that the initial cost of these items will be between \$2,000 and \$5,000.
- (8) Office Equipment and Supplies. The office equipment you must purchase and maintain includes a computer, printer/fax/copier, initial marketing materials, truck supplies, and miscellaneous office supplies, and may include office furniture.
- (9) Business Licenses & Permits. The costs estimated above include an estimate for the required dump permits, in addition to other business licenses and permits you may be required to have by your local government. If you purchase the College Hunks Moving® concept, you will have separate license and permit requirements. If you purchase a conversion franchise, you will not incur this additional expense unless you add the College Hunks Moving® concept. Moving license requirements vary significantly state by state with some states having very rigorous and expensive licensing requirements. You are encouraged to investigate your state's moving license requirements.
- (10) Professional Fees. You will need to have an attorney and an accountant and possibly other professionals.
- (11) Insurance. The figures in the chart are your premiums if paid monthly. In some instances, an insurance carrier may require you to pay the premiums annually in one lump sum, or you may pay your premiums quarterly or semi-annually. In the case of such annual premium payments, multiply the monthly payment by 12, for a lump sum payment of between \$6,000 to \$60,000. The low end of our estimate assumes that you are purchasing one concept and your Franchised Business will have one truck; the high end of our estimate assumes that you are purchasing both concepts and your Franchised Business will have two or more trucks and the additional insurance required to provide moving services, such as cargo insurance and employee dishonesty insurance. You must obtain the amounts and types of coverage which meet our minimum specifications.
- (12) Training. The figures in the chart are your expenses during initial training. You will have salary, travel and lodging expenses. For this training program, we provide instructors and instructional materials, but you will need to arrange for transportation, lodging and food for yourself and one other trainee. The cost will depend on the distance you must travel and the type of accommodations you choose.
- (13) Business Ramp-Up Advertising. You must conduct a business ramp-up (grand opening) advertising campaign to promote your Franchised Business within the first 180 days of commencing each service (moving and junk removal), and the advertising you need may include media buys and promotional items including point-of-sale items and merchandise. The required amount you must spend for business ramp-up is \$10,000 per service per Zone (i.e. \$10,000 for moving and \$10,000 for junk removal). We must approve your business ramp-up advertising campaign before you use it, and the programs/materials must be spread over each 180-day period from the date you begin providing each service. We may require you to pay this money to us and

we will spend it on your behalf using the marketing methods that we have identified as being most effective.

- (14) **Additional Funds.** You will need capital to support ongoing expenses, such as payroll, utilities, vehicle fuel and maintenance, and local advertising if these costs are not covered by sales revenue during the start-up phase, which we estimate to be 6 months. New businesses often generate a negative cash flow. We estimate that the amount given will be sufficient to cover ongoing expenses for the start-up phase of the business, which we estimate to be 3 months. This is only an estimate and there is no guarantee that additional working capital will not be necessary during the start-up phase or after. Additional funds relate only to costs associated with operating your Franchised Business and do not cover any owners' draw or personal, "living," unrelated business or other expenses you may have, such as debt service on any loans, state sales and/or use taxes on goods and services, and a variety of other amounts not expressly described and included in the Notes above.
- (15) The estimates provided above assume that you will have one Service Vehicle and own one Zone. ***If you choose to purchase both concepts and/or multiple Zones, your initial investment will be significantly higher.*** We relied upon our principals' and affiliates' experience in providing junk removal since 2005 and moving services since 2011 when preparing these figures. However, these figures are merely estimates and there is no assurance that additional working capital will not be necessary during this initial 3-month phase or at any time after the initial 3 months. Your costs will depend on the factors described in Note 14 above as well as your management skill, experience and business knowledge; local economic conditions; and local market and competition for services. The costs outlined in this Item 7 are not intended to be a forecast of the actual cost to you or to any particular franchisee.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Purchases from Us or our Affiliates

Currently, you must use the proprietary software we specify for your Franchised Business, which is hosted by our approved proprietary software provider as specified in our Confidential Operations Manual (the "**Operations Manual**"). We are the only approved supplier of our proprietary software, but we do not earn a profit by providing this item to you or charge you a separate fee for the license. Rather, the cost of the initial license for the proprietary software is included in the initial franchise fee. The ongoing costs for upgrades and operations are included in the SLC Support Fee.

We are also an approved supplier of certain printed advertising materials, internet advertising and direct mail advertising, and in the future, we may be an approved supplier for packing materials such as boxes and tape. We reserve the right to earn a profit from the sale of certain items to our franchisees.

You must also participate in the CHC Bookkeeping Program operated by our affiliate, NOR, which shall be the exclusive service provider of the bookkeeping services for your Franchised Business. Currently those services include, but are not limited to, recording and reconciling payroll, recording accounts payable and receivable, preparing your month-end reports, and reconciling your bank and credit card statements. A full list of all the current services provided by NOR is set forth in the Operating Manual and may be updated from time to time. As described in more detail in Item 6, NOR will charge you a monthly fee for such services based on your monthly revenue to cover the costs and expenses of operating the CHC Bookkeeping Program, including personnel costs. NOR may earn a profit from the provision of such bookkeeping services.

We and our affiliate, NOR, are approved suppliers as described above. None of our other affiliates are currently suppliers of any products or services provided in establishing or operating your Franchised Business and do not currently derive any revenue from franchisees' required purchases or leases. There are no other approved suppliers in which any of our officers owns an interest.

Approved Suppliers

In addition to your required purchase or lease of your service vehicle, there may be other required purchases from designated or approved suppliers. Our specifications for your service vehicle will be included in our Operations Manual and are subject to change. The make and model of your approved service vehicles for providing junk removal services and moving services are found in our list of approved suppliers. If you are opening a new franchise, the model year of your service vehicle(s) must be the year in which you begin operating your Franchised Business or newer. If you purchase an existing Franchise Business and you find that you need to add additional service vehicles, then the model year of your service vehicle(s) must be the year in which you begin operating your Franchised Business or newer. Eventually you must own at least one service vehicle for each Zone you have in your Designated Territory and for each franchise concept you purchase. You may choose to have more than one service vehicle for each Zone, but each additional service vehicle must be approved by us and our approval may be subject to a review of the performance of your Franchised Business' operations. Each service vehicle must have a vehicle wrap in the design we designate which must be purchased from a supplier we approve. You must have a smartphone (with calendar and scheduling capabilities) for scheduling and communicating while on the road, and you must maintain a cell phone for your Franchised Business.

The cost of those items that you must purchase from us or our designated suppliers represents between 55% to 80% of the total purchases you will make in connection with the establishment of your Franchised Business and between 30% to 35% of the total purchases you will make on a continuing basis in operating your Franchised Business.

During 2019, neither we nor our affiliates received any rebates or other revenue or benefits from suppliers arising out of franchisees' purchases of goods or services. However, we did receive a total of \$182,500 of voluntary sponsorship funds from various suppliers utilized to help defray our costs of organizing and producing our annual franchise reunion, but these were neither required payments nor were they based on franchisees' required purchases of products or services. There were 30 sponsors that contributed at least \$1,500 in voluntary sponsorship funds.

During 2019, we collected no payments from franchisees where we acted as a "pass through" to facilitate the franchisees' purchases of products and services from third party suppliers and vendors for direct mail advertising, uniforms, promotional products, software, and internet marketing.

We require all of your appointments to be scheduled, processed, reviewed and delivered by the designated First Contact Sales & Loyalty Center ("SLC"). The SLC will disperse all jobs to you and our other franchisees based upon the location where the job originates. You are also permitted to take on jobs if you generate leads on your own, but you must report all information in our proprietary software before performing any jobs that you or your employees generate in accordance with the terms of the Franchise Agreement.

You must purchase or lease equipment, including products and related supplies, that meet our minimum standards and specifications or are from suppliers that we approve, and if we develop any proprietary products or equipment in the future, you must purchase these from us or our designated supplier. For example, you must operate your Franchised Business using only our proprietary software. Currently,

you must purchase a computer that is able to run our software program, a power bar with surge protector and combination laser printer/scanner.

We will notify you in our Operations Manual or by other communications of our standards and specifications and/or names of approved suppliers. There are currently no purchasing or distribution cooperatives, but we may have them in the future and we expect to be paid fees from these vendors or approved suppliers. We may negotiate with vendors and suppliers to provide pricing benefits for us, our affiliates and our franchisees. In doing so, we seek to promote the overall interests of our franchise system and our interests as the franchisor. We may limit the number of approved vendors or approved suppliers with whom you and other franchisees may deal.

Standards and Specifications

We have developed standards and specifications for services provided by you. You must operate your Franchised Business according to these standards. These standards will guide you in the performance of the College Hunks Hauling Junk® and College Hunks Moving® products and services provided in operating your Franchised Business. We formulate our specifications and standards according to industry standards and standard business practices.

We do not provide any material benefit to franchisees for use of approved suppliers. We may negotiate purchase arrangements with some of our suppliers (including price terms) for the benefit of our franchisees, but we are under no obligation to do so. The arrangements we negotiate may include that approved suppliers pay us a sponsorship fee to help pay for the costs of an annual franchisee convention or fees, rebates, or other compensation for our administrative, procurement and consulting services. We do not currently receive payment, in the form of preferred pricing, from any suppliers due to these suppliers' transactions with us or our franchisees.

You may sell junk removal services and moving services that are approved by us and which strictly conform to our Operations Manual. All products and services approved by us must be offered for sale on a continuous basis at your Franchised Business at the time and in the manner required by us. No sale of any product or service except those products or services approved by us may be solicited, accepted, or made at or from your Franchised Business. If requested by us on at least 30 days' notice as part of a general program or standardization effort by us, the marketing of a particular product or service must be discontinued. Then this product or service is no longer an approved product or service.

We have established a "mystery shopper" program and you must participate in the program. A significant level of negative feedback from your customers or an unsatisfactory result of a mystery shop will be a default under your Franchise Agreement, and we may require you to participate in enrichment training. We will pay for the costs related to any mystery shop, except that if we find a significant amount of negative feedback has occurred, we reserve the right to require you to pay for additional mystery shopping services in addition to your participation in enrichment training.

We may occasionally conduct market research and testing to determine consumer trends and salability of new products, materials and services. You must cooperate by participating in our market research programs, test marketing new products and services and providing timely reports and other relevant information regarding marketing research. In connection with test marketing, you must purchase a reasonable quantity of products to be tested and effectively promote and make a reasonable effort to sell the products, materials and services. We may also require you to sign an agreement with us authorizing the test marketing.

In addition to the purchases or leases described above, you must obtain and maintain, at your own expense, the insurance coverages that we periodically require. Our required insurance coverages will be included in the Operations Manual and may change during the term of your Franchise Agreement and based on the franchise concept(s) you purchase. We may regulate the types, amounts, terms and conditions of insurance coverage required for your Franchised Business and standards for underwriters of policies providing required insurance coverage; our protection and rights under the policies as an additional named insured; required or impermissible insurance contract provisions; assignment of policy rights to us; periodic verification of insurance coverage that must be furnished to us; our right to obtain insurance coverage at your expense if you fail to obtain required coverage; our right to defend claims; and similar matters relating to insured and uninsured claims. We have established a captive insurance program for certain types of insurance. Currently, only automobile, general liability, and workers' compensation insurance may be placed into the captive insurance program. Participation in the captive program is voluntary. We have sole discretion in determining who is admitted into the captive program. We base our decision to accept you into the captive program on a variety of factors, such as premium amounts, operational experience, and safety awareness and training. You will be required to sign a separate agreement before being admitted into the captive program.

You currently must maintain the following minimum insurance coverages: (1) comprehensive general liability insurance and comprehensive product liability insurance against claims for bodily and personal injury, death, and property damage caused by or occurring in conjunction with the operation of your Franchised Business or your conduct of business under the Franchise Agreement under one or more policies of insurance containing minimum liability coverage of \$1,000,000 per occurrence and \$2,000,000 aggregate; (2) Workers' Compensation or other employer's liability insurance as well as any other insurance as may be required by statute or rule in the state(s) in which your Franchised Business is located or operates; and (3) automobile liability coverage, including coverage of owned, non-owned and hired vehicles of \$1,000,000 per occurrence, and these automobile liability amounts must be maintained for each service vehicle. We recommend, but do not require, that your comprehensive general liability policy include employment practices coverage and that you obtain technology errors and omissions coverage, including network security/privacy.

If you will offer moving services, then, in addition to the insurance described above, you must also obtain cargo insurance for damage or loss to the cargo while it is being moved, and coverage while items are being loaded, unloaded or otherwise in your possession. We currently require you to maintain cargo insurance coverage of \$50,000 per truck, regardless of the truck's size or the amount of property being moved. If you will offer moving services; we recommend, but do not require, that you obtain: (a) employee dishonesty insurance of not less than \$10,000; and (b) a third-party dishonesty bond of not less than \$10,000.

In addition to the insurance requirements described above, we recommend, but do not require that you obtain the following additional insurance for your Franchised Business: (1) general casualty insurance including fire and extended coverage, vandalism, theft, burglary and malicious mischief insurance for the replacement value of your Franchised Business and its contents; and (2) an umbrella policy.

You must maintain all required policies in force during the entire term of the Franchise Agreement and any renewal terms. We may periodically increase or decrease the amounts of coverage required under these insurance policies and require different or additional kinds of insurance at any time, including excess liability insurance, to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards, or other relevant changes in circumstances. Each insurance policy must name us (and, if we request, our directors, employees or shareholders) as additional insureds and must provide us with 30 days' advance written notice of any material modification, cancellation or expiration of the policy.

We reserve the right to obtain from your insurance carrier(s) periodic reports of losses (such as monthly, quarterly and/or annually), and you must authorize your insurance carrier(s) to provide us with these reports.

Advertising

Brand Development Fund

We maintain a brand development fund (the “Fund”). The Fund will deduct a biweekly, non-refundable Brand Development Fee which will be 2% of your Gross Sales. The Fund will be used for brand development, including online bookings, on a system-wide basis. We will determine, in our fully unrestricted discretion, the manner in which the Fund will be spent. Some portion of the Fund may be used for creative concept production, marketing surveys, test marketing and related purposes. We have the right to direct all advertising activities of the Fund with sole discretion over creative concepts, materials and media used, as well as their placement and allocation and we will employ agencies, including advertising and public relations agencies, as we determine will best achieve the goals of the Fund and these agencies will be paid from the Fund. We also have the right to determine, in our sole discretion, the composition of all geographic and market areas for the implementation of these advertising and promotional activities. In 2018, no percentage of the Fund was used principally for the solicitation of new franchise sales.

The Fund is intended to maximize general public recognition in all media of the Proprietary Mark and patronage of College Hunks Hauling Junk® and College Hunks Moving® Franchised Businesses, and we have no obligation to ensure that expenditures of the Fund in or affecting any geographic area are proportionate or equivalent to payments of the Brand Development Fee by franchisees operating in that geographic area, or that any Franchised Business will benefit directly or in proportion to the Brand Development Fees paid for the development of advertising and marketing materials or the placement of advertising. We have the right to reimburse ourselves out of the Fund for the total costs (including indirect costs) of developing, producing, implementing and/or distributing any advertising programs and materials and collecting the Brand Development Fee, including accounting, collection, bookkeeping, reporting and legal expenses incurred with respect to the administration and development of the Fund; and, in addition, for the services provided, we are entitled to receive out of the Fund an administrative fee equal to 20% of the amounts actually expended to cover our related services, salaries, supplies and overhead expenses.

The Fund is not our asset, and it is not a trust. We do not owe you any fiduciary obligations because we maintain the Fund. We may spend in any calendar year an amount greater or less than the aggregate contributions made by all Franchised Businesses contributing to the Fund in that year. We may make loans to the Fund (and the Fund may borrow from us or other lenders) bearing reasonable interest to cover any deficits of the Fund or cause the Fund to invest surplus for future use. Any money remaining in the Fund at the end of any year will carry forward to be used in the next year.

Any Franchised Businesses owned by us or by our affiliates will contribute to the Fund on the same basis as you. Funds from the Brand Development Fees paid will be accounted for separately from our other funds. These funds will not be used to defray any of our general operating expenses, except as described in the paragraph above. We will prepare and furnish to you upon written request an unaudited annual statement of Funds collected and costs incurred. You may obtain an accounting of the Fund by requesting same in a written request to us.

We may elect, at our sole option, to incorporate the Fund or operate it through a separate entity. The Fund is intended to maximize general public recognition and patronage of all College Hunks Hauling Junk® and College Hunks Moving® businesses and the Proprietary Marks for the benefit of all College Hunks Hauling Junk® and College Hunks Moving® businesses. We have no obligation to ensure that expenditures by the Fund are proportionate or equivalent to contributions by College Hunks Hauling Junk® or College Hunks Moving® businesses or that any College Hunks Hauling Junk® or College Hunks Moving® business will benefit directly or in proportion to its contribution to the Fund from the conduct of marketing programs or the placement or advertising.

We have the right, but no obligation, to use collection agents and institute legal proceedings to collect Fund contributions at the Fund's expense. We also may forgive, waive, settle and compromise all claims by or against the Fund.

We may at any time defer or reduce the Brand Development Fee and, upon 30 days' prior written notice to you, reduce or suspend the Brand Development Fee and Fund operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Fund. If we terminate the Fund, we will distribute all unspent monies to all businesses in the System (whether franchised or operated by us or our affiliates) in proportion to their respective Brand Development Fees paid during the preceding 12-month period. If we reinstate the Fund, it will be maintained as described above.

During 2019, the Fund expended monies for advertising as follows:

Item	Percentage Expended
Software	4%

Local Advertising

You must spend no less than \$1,500 for moving service advertisement per Zone and \$1,100 for junk hauling per Zone, or 8% of Gross Sales, whichever is greater, each month on local advertising and marketing. This amount does not include the cost of any marketing collateral or supplies. At our discretion, we may request, and you must provide, reports and receipts evidencing the placement of advertising. Additional marketing strategies include, but are not limited to, "parketing" and Zip Code Influenced Guerilla Marketing Attack ("Z.I.G.M.A.").

Your advertising promotion and marketing must be completely clear, factual and not misleading and conform to the highest standards of ethical advertising and marketing and the advertising and marketing policies that we periodically prescribe. Before you use them, you must send to us for approval samples of all advertising, promotional and marketing materials which we have not prepared or previously approved. If you do not receive written or verbal approval within 20 days after we receive the materials, they are deemed to be disapproved. You may not use any advertising, promotional or marketing materials that we

have not approved in writing. Advertising promotional or marketing materials which we must approve include any such materials published in any form of electronic media, including the Internet, mobile applications, social media pages, content and email marketing, influencer marketing, banner ads and text message marketing. You may not operate any web site involving, referring to or in any way related to a competitive business. You may not use the Marks as part of any domain name, electronic address or search engine and cannot maintain your own website under any circumstances.

Any and all advertising we approve for your use in your local market will become our property upon our approval and we may use this advertising for our own purposes. You must advertise your Franchised Business using the telephone number and website address we specify.

If we determine that you are not complying with the minimum local advertising requirements, we may require that you remit to us the minimum local advertising spend we will conduct local advertising on your behalf using the marketing methods that we have identified as being the most effective, provided we do not guarantee that any such methods will increase your sales, satisfy any minimum return on investment or otherwise be successful.

Advertising Cooperatives

We may, at our sole option, establish an advertising cooperative (“Cooperative”) for any area where there are two or more Franchised Businesses in operation, or we may approve a Cooperative formed by franchisees within an area. The purpose of a Cooperative is to conduct advertising campaigns for the Franchised Businesses located in that area. Contributions to a Cooperative will be determined by majority vote of the members of the Cooperative. Any amounts paid to a Cooperative will count as part of your local advertising requirement, but if the amount you contribute to a Cooperative is less than the amount you must spend on local advertising, you must still spend the difference locally.

If a Cooperative for your area was established before you began to operate your Franchised Business, then when you open your Franchised Business, you must immediately join that Cooperative. If a Cooperative for your area is established after you begin to operate your Franchised Business, then you will have 30 days to join the new Cooperative. An individual Franchised Business will not be required to be a member of more than one Cooperative. If we (or an affiliate) contribute to a Cooperative, we will have the same voting rights for our business as do our franchisees with respect to their Franchised Businesses. Each Franchised Business in the Cooperative, regardless of the number of Zones owned by the Franchised Business, will have one vote on Cooperative matters.

The Cooperative members will determine who will administer the Cooperative. The written governing documents will be available for review by you. Cooperatives do not need to prepare annual or periodic financial statements, but if they are prepared, they may be reviewed by you. We will have the power to require cooperatives to be formed, changed, dissolved or merged, and we will have final approval on the contribution methods (i.e., percentage of Gross Sales versus flat fee) and contribution amounts.

As of the date of this Disclosure Document, there are no advertising Cooperatives in existence.

Business Ramp-Up Advertising

You must submit a written plan for a business ramp-up advertising campaign. This business ramp-up advertising is to be conducted by you in connection with the grand opening of your Franchised Business and must be conducted during the first 180 days of commencing each service (i.e. junk hauling and moving) that you provide. If your plan is not approved by us, we may request that you remit to us the funds for your business ramp-up advertising campaign and we will conduct the campaign on your behalf in your local

market using the marketing methods that we have identified as being most effective, provided that we do not guarantee any minimum return on investment, sales or success of such campaign.

Advisory Councils

We reserve the right to develop one or more advisory councils for the System. If we develop a franchisee advisory council program, you must actively participate in all council activities, follow the guidelines as stated in any council bylaws drafted by us, and pay all reasonable dues and assessments levied by the council program, which shall count toward your Local Advertising requirement described above. The purpose of the council program shall include exchanging ideas between franchisees, exchanging ideas between franchisees and us, and providing suggestions for improving the overall quality of the System. Franchisee representatives are nominated for the council and voted to serve on the council by other franchisees in the System. Any council formed will not have decision making authority but is a means of providing insight, recommendations and communication between us and franchisees. We will have the right to form, change, merge or dissolve any council at any time.

We currently have one advisory council which includes 11 franchisee representatives and 5 franchisor representatives.

Internet and Social Media

You must strictly comply with our social media policies relating to Internet websites, including your participation in social or networking websites (such as Facebook, YouTube, Yelp, LinkedIn, Twitter, Pinterest, Snapchat and Instagram), the promotion of your Franchised Business on the Internet, and the use of the Proprietary Marks on the Internet. Our policies will be included in our Operations Manual and may be periodically updated.

Site Selection and Opening

We estimate that between 120 and 150 days will elapse from the date you sign the Franchise Agreement to the opening of your Franchised Business for business. We will establish your Designated Territory and each additional Zone you may purchase based on population, as determined by the most recently published data from the U.S. Census Bureau (or any other source we decide to use). Your Franchised Business must be opened for business not later than 150 days after you sign the Franchise Agreement. Notwithstanding the foregoing, variations in state and local laws and licensing requirements may significantly affect the timeframe in which you can open your Franchised Business. Upon your submission to us of evidence of these requirements and your diligent efforts to comply with them, we may, in our sole discretion, agree to waive and/or alter these timeframes to accommodate such requirements.

You will need to lease approximately 200 to 300 square feet of office space for your Franchised Business. No site selection assistance is provided but the office location is subject to our acceptance based on our current standards for office space. You cannot use your or any other residence as the office for your Franchised Business. You may not open your Franchised Business for business until: (1) we determine that your Franchised Business has been equipped and stocked with materials and supplies in accordance with plans and specifications we have approved; (2) the initial training program has been completed to our satisfaction by the initial trainees; (3) the initial franchise fee and all other amounts due to us have been paid; (4) you have furnished us with all certificates of insurance required by the Franchise Agreement; (5) you have obtained all required governmental permits, licenses and authorizations necessary for the operation of your Franchised Business; (6) you are in full compliance with all the terms of the Franchise Agreement; and (7) all items in our opening checklist have been complied with to our satisfaction.

Training Programs (HUNK UNIVERSITY)

Before your Franchised Business's opening and within 30 days of signing the Franchise Agreement, we will provide a mandatory training program in the operation of your Franchised Business to you and one additional person (for a maximum of 2 people) at our Hunk University. Approximately 5 to 15 days of training will be conducted at our headquarters in Tampa, Florida. The cost of the training program is included in your initial franchise fee and will be provided to you and one additional person. All attendees must complete the training program to our satisfaction. However, you must pay for all costs of travel, food, lodging, wages and other incidental expenses incurred by you and your employees in attending the training program. (Franchise Agreement - Section 5.3.) In addition, we may elect to provide up to 3 days of additional on-site training during the first 3 months of operations of your Franchised Business, and periodically as we deem necessary. If you fail to complete the training program to our satisfaction, we may elect to terminate the Franchise Agreement and keep the entire initial franchise fee.

We will also provide additional training programs, refresher courses or "on-the-job" training at a mutually convenient time. We also reserve the right to conduct driver safety training program(s) and general safety training program(s), in our sole discretion, at a mutually convenient time. You must pay us our then-current per diem fee for each of our representatives conducting this training for each day the training continues. The per person cost of the class or training will be determined by us based on the cost of the instructor's fee, travel, lodging, food and materials associated with the training topic. You must also pay all expenses of travel, lodging, meals, meeting rooms and materials incurred by our representatives. (Franchise Agreement - Section 5.4.)

When we decide to hold it, you or your representative must attend our annual convention and pay an attendance fee, currently estimated to be \$500 per person, plus travel and lodging.

The materials we use in conducting our training program includes our Operations Manual, Software Manual, and any other materials that we believe will be beneficial in the training process. There currently are no fixed (*i.e.*, monthly or bi-monthly) training schedules, but we anticipate providing training 4 times a year. We project the following training schedule:

Notes:

- (1) It is the nature of the business that all aspects of the training are integrated so there are no definitive starting and stopping times. We reserve the right to modify the training program at any time to accommodate the individual needs and/or experience of a particular trainee.
- (2) On-the-job training described above includes hands-on practice and roleplay hosted at our Tampa headquarters, as well as firsthand experience at our Tampa Corporate location.
- (3) All of our instructors are part of our corporate team. Their bios are listed in Item 2. Laura Butcaris has primary responsibility for providing the initial training program. She has 4 years' experience delivering the training program and 12 years' relevant experience in training. The minimum experience of the instructors in the field that is relevant to the subject taught and our operations is from 3 to 15 years.

- (4) If you are an existing franchisee and you wish to offer moving services, you must receive our moving training. We will not charge you a separate fee for this training, but you must pay for all expenses you and your other trainees incur while attending this additional training.

Enrichment Training

We may require you to participate in a form of enrichment training if your Franchised Business is not performing satisfactorily. You must pay us an enrichment training fee of \$500 per person. You are also responsible all expenses you and your trainees occur, including but not limited to, salaries, lodging, food, and travel. Enrichment training may include any or all of the following: (1) that you must attend additional training at our headquarters; (2) that we may send one of our trainers to your Franchised Business to provide additional training; (3) that we may require you to visit another Franchised Business for additional training; and (4) that we may require you to participate in periodic conference calls. Your Franchised Business will be deemed to not be performing satisfactorily if you are in default of your obligations under the Franchise Agreement, the Manual, or the System standards.

Computer Systems and Software

Currently, you must purchase a computer whose configuration satisfies the minimum standards set forth in the Operations Manual and utilize the required and proprietary software and other technology systems that we designate. In addition, you must have a software or hardware firewall for your computer system, as well as a maintenance contract for your computer. You must provide us with your user ID and password for your QuickBooks account for audit and inspection purposes.

You must maintain a dedicated business e-mail account for your Franchised Business. We currently require Microsoft® Office 365. We will create and assign the e-mail account to you for use during the term of the Franchise Agreement, and we will have administrative access to your business e-mail account. You will be responsible for the per user cost associated with e-mail and Office 365 accounts that we establish for your Franchised Business. Neither you, nor any of your owners or employees, are permitted to use an e-mail address that is not associated with our CHHJ.com URL for your College Hunks Hauling Junk® and/or College Hunks Moving® franchised business.

The proprietary software, which will be used by our franchisees and which you must use in the operation of your Franchised Business, is hosted by our approved software developer as specified in our Operations Manual. The proprietary software performs certain functions for operating your business: booking jobs, client management, fee reporting, and other resources for your Franchised Business. We will, periodically, provide maintenance and upgrades for the proprietary software, and the costs for these are included in the SLC Support Fee, but neither we nor our affiliates will provide you with any other updates, upgrades or maintenance for your computer and other components of your technology system.

There are no specific contractual obligations limiting the frequency or cost of your obligation to acquire upgrades and updates for the computer or other components of your technology system or to replace obsolete or worn out hardware or equipment. The frequency could be annually or bi-annually; they would be at your cost. We estimate that the initial cost of your computer system will be between \$500 and \$1,000.

You must have a high-speed Internet service provider approved by us with Internet access and e-mail. We will use these methods to communicate with our franchisees. You must periodically access our Intranet for updates, information and communications.

The data concerning jobs performed by us, our affiliates and our franchisees will primarily be maintained on the central computer used by the First Contact Sales & Loyalty Center, however, we reserve

the right to request additional data and records from you. All data collected will be solely our property, and we reserve the right to share reports and performance information of any franchisee with other franchisees in the System for comparison and development. Except for your business e-mail and QuickBooks account, we do not have direct access to the data on your computer. However, we may in the future require that you install and maintain systems that permit us to access and retrieve electronically any information stored in your computer system, including information concerning the Gross Sales of your Franchised Business. Any personal information inadvertently obtained from you or your computer system will not be provided to any other franchisee or any third party. At all times you must independently investigate and comply with all federal, state, and local laws regarding data privacy, protection, and security, including without limitation, any requirements regarding collection of the personally identifiable information of your customers. You must immediately inform us in writing of any requests you may receive from customers regarding the collection, processing, storage, or use of such personally identifiable information.

You must participate in the CHC Bookkeeping program, which will provide our affiliate NOR and us access to your financial information which we may use in connection with any profitability benchmarking programs we develop or designate from time to time for College Hunks Hauling Junk® and/or College Hunks Moving® businesses. Profitability benchmarking systems are designed to measure the financial performance of franchisees and the overall franchise system and may be used to collect and prepare financial performance information for our franchise disclosure document or for any other purpose that we deem appropriate. There are no restrictions on our right to use information collected or obtained in connection with any profitability benchmarking programs or contained in any other reports or information that you submit to us or our affiliates under the Franchise Agreement or the Operations Manual.

Operations Manual

Attached to this Disclosure Document as Exhibit “F” is the Table of Contents of the Operations Manual, which includes multiple volumes. The Operations Manual (all volumes) includes approximately 560 pages.

ITEM 12 TERRITORY

Franchise Agreement

We will grant you a Designated Territory within which to operate your Franchised Business, which will be the first (or only) Zone you purchase. We will establish your Designated Territory and each additional Zone you may purchase based on population, as determined by the most recently published data from the U.S. Census Bureau (or any other source we decide to use). We anticipate that each standard Zone will have a population of between 300,000 to 400,000 people. During the term of your Franchise Agreement, when we refer to your “**Designated Territory**,” it will include all contiguous Zones you purchase. Your Designated Territory, including each Zone, will be listed on Exhibit “A” to your Franchise Agreement. This exhibit will be updated to reflect any additional Zone you purchase as well as your truck rollout schedule (see below). The Designated Territory size will not be reduced or increased due to any change in population of any Zones during the term of your Franchise Agreement. Notwithstanding the foregoing, in the event you fail to comply with any of your obligations under the Franchise Agreement or the standards and specifications in the Manual, we may reduce the size of your Designated Territory or revoke your right to any protections from sales of other franchisees in your Designated Territory either temporarily or permanently during the term of your Franchise Agreement. (Franchise Agreement, Sections 18.1.9 and 18.1.10)

We currently offer College Hunks Moving® (moving services) as part of the College Hunks Hauling Junk® Franchised Business. The College Hunks Moving® services may also include packing services for customers as well as sales of boxes and packing materials. If you provide College Hunks Moving® services as part of your Franchised Business, you must acquire additional equipment, insurance and the vehicle we require for performance of such services and satisfy our then-current training requirements for College Hunks Moving® services. Providing College Hunks Moving® services is currently optional for our franchisees, but we reserve the right to require all franchisees to provide College Hunks Moving® services in the future. We also reserve the right to split the College Hunks Moving® services portion of your Franchised Business into a separate system / franchise opportunity in the future.

We (and any affiliates that we periodically might have) will not establish, nor allow another franchise owner to establish, another Franchised Business located within your Designated Territory, except that if you only purchase one of the franchise concepts being offered in this Disclosure Document (i.e., College Hunks Hauling Junk® franchise or College Hunks Moving® franchise) and not both, we have the right to operate such other franchise concept, or to grant a franchise to another franchisee to operate such other concept, within your Designated Territory. If you are in full compliance with the terms and conditions of your Franchise Agreement, we will notify you of the proposed sale of a franchise for the other franchise concept in your Designated Territory. You will have 10 days after receipt of our notice to purchase the other franchise concept, provided you: (a) meet our then-current qualifications for purchasing the additional franchise concept; (b) demonstrate, to our reasonable satisfaction, your financial capability to purchase or lease the additional truck(s) and equipment required for the operation of the additional franchise concept; (c) complete any required training for the additional franchise concept within the time period we specify; and (d) pay the additional initial franchise fee for such franchise concept and enter into an amendment to your franchise agreement reflecting the additional Zone in a form prescribed by us. If you elect not to exercise your right to purchase the other franchise concept or fail to respond to our notice within the ten-day period following our notice, then we may operate or grant a franchise to another franchisee to operate such franchise concept within your Designated Territory. If you are not in full compliance with the terms and conditions of your Franchise Agreement, you will not be offered the opportunity to purchase the other concept and we may operate or grant a franchise to anyone else for the operation of such concept within your Designated Territory. Notwithstanding the foregoing, any jobs already scheduled and assigned to another Franchised Business (or us) in your Designated Territory as of the Commencement of Business (as defined below) of your Franchised Business will remain with that Franchised Business (or us). Any jobs scheduled on or after the Commencement of Business of your Franchised Business will belong to your Franchised Business.

While we encourage you to expand to your maximum potential, if you wish to acquire additional Zones and/or Franchised Businesses, you must meet certain minimum qualifications before you will be eligible to purchase additional Zone(s) or acquire another Franchised Business. Our approval of your request to purchase additional Zone(s) or another Franchised Business is not a guarantee that any Zone or such Franchised Business will be profitable or otherwise be successful. We do not grant you any options or rights of first refusal to acquire additional Zone(s) or franchises unless agreed to in writing at the time of signing the Franchise Agreement. You may request consent to purchase an additional contiguous Zone at the time you sign your Franchise Agreement (in which case you will pay the deposit described in Item 5 if we consent to the purchase of such additional Zone). If you purchase an option to develop an additional Zone, then you must exercise your right to develop such additional Zone on or before the first anniversary of the date on which your Franchised Business opened for business to the public. You must have completed at least six full months of operation of your Franchised Business before you may complete the purchase of such additional Zone, subject to the following: you must (i) be in full compliance with the terms and conditions of your Franchise Agreement and all other agreements with us or our affiliates; (ii) complete our then-current form of franchise expansion application that may be posted in our Operations Manual or otherwise made available; and (iii) meet our then-current criteria for purchasing additional Zones,

including, but not limited to, demonstrated financial ability and minimum revenue/performance criteria for your existing Zone(s). We may periodically change the qualifications and criteria for purchasing additional Zones.

If, after the signing of your Franchise Agreement, you wish to purchase additional (contiguous) Zones or another Franchised Business during the term of your Franchise Agreement, you must submit our then-current form of franchise expansion application included in our Operations Manual or otherwise made available. You will not be eligible to purchase any additional Zone(s) or another Franchised Business unless you meet our then-current qualifications and criteria. As of the date of this Disclosure Document, these qualifications and criteria include the following:

- (a) Your current Franchised Business must be in operation for at least 6 months before you may apply to purchase additional Zone(s) and at least 12 months before you may apply to acquire a new Franchised Business;
- (b) You must demonstrate, to our reasonable satisfaction, that you have minimum “liquid capital” equal to 6 months of operating capital for the entirety of the Designated Territory (including the additional Zone(s) or new Franchised Business you wish to purchase), based on your reasonable projections. The term “liquid capital” means all cash, loans, and lines of credit for your Franchised Business, and other assets that can be liquidated in less than one week;
- (c) You must submit a business plan, an annual financial statement for your Franchised Business for the most recently completed fiscal year, a year-to-date profit and loss statement, a balance sheet as of the end of the calendar month preceding your request to purchase the additional Zone(s) or new Franchised Business, and current personal net worth statements for your owners, to demonstrate your financial ability to operate multiple Zones and/or another Franchised Business; and
- (d) You must be in good standing and full compliance with your existing Franchise Agreement and all other agreements relating to your Franchised Business (such as financing documents, vehicle or equipment leases, etc.), and any other agreements between you (or your affiliates) and us (or our affiliates).

We reserve the right to grant or refuse to grant an additional Zone or Franchised Business, in our sole discretion. We will make our determination of whether or not to grant additional Zone(s) or a new Franchised Business based on our own assessment of each franchisee’s individual qualifications.

If we approve your request to acquire additional Zone(s) after you commence operations of your Franchised Business as described above, we may require you to sign our then- current form of Franchise Agreement and ancillary agreements (which may contain terms that are materially different from your existing Franchise Agreement), which will replace and supersede your existing Franchise Agreement. The term of the new Franchise Agreement may, in our sole discretion, be modified to expire on the expiration date of your existing Franchise Agreement.

You must sign a separate Franchise Agreement for each office and physical location you establish and operate, and you must have at least one office per 4 Zones. For example, if you purchase 5 Zones, you must have 2 offices and 2 separate Franchise Agreements.

Except for your right of first refusal to acquire the other franchise concept within your Designated Territory (if you do not initially purchase both the College Hunks Hauling Junk® and College Hunks Moving® concepts offered under this Disclosure Document), you do not receive any options, rights of first refusal, or similar rights to acquire additional franchises or territories.

You must use your best efforts to promote and increase the sales and services of your Franchised Business to maximize distribution and sale of products and services in your Designated Territory and to solicit potential clients and accounts for junk removal and/or moving services within such Designated Territory. Except for the Minimum Annual Royalty described below, continuation of your territorial rights does not depend on your achieving a certain sales volume, market penetration, or other contingency.

Each year during the term of your Franchise Agreement, you must generate a minimum amount of Gross Sales to meet our Minimum Annual Royalty requirements. If you fail to achieve the level of Gross Sales to generate the Minimum Annual Royalty amount, you must pay us an amount equal to the difference between the Minimum Annual Royalty and the total of all Continuing Royalty Fees actually paid to us for that year. In addition, we may, at our option, take back a Zone (if you have purchased multiple Zones), take back the line of business, and/or remove exclusivity from all or a portion of your Designated Territory, if you fail to generate the level of Gross Sales that correspond to the Minimum Annual Royalty Amount a second or subsequent time.

The Minimum Annual Royalty amounts are as follows and vary depending on the type of franchise services offered:

Year of Operations	Move - Minimum Annual Royalty (Per Zone)*	Junk - Minimum Annual Royalty (Per Zone)*
1	\$16,100	\$8,050
2	\$17,787	\$8,893
3	\$19,473	\$9,737
4	\$21,467	\$10,733
5	\$22,540	\$11,270
6	\$23,613	\$11,807
7	\$24,840	\$12,420
8	\$26,067	\$13,033
9	\$27,293	\$13,647
10	\$28,673	\$14,337

The minimum annual gross revenue required to achieve the Minimum Annual Royalty for the College Hunks Hauling Junk® and College Hunks Moving® lines of business is below:

Year of Operations	Move Minimum Gross Revenue Required to Achieve Minimum Annual Royalty	Junk Minimum Gross Revenue required to Achieve Minimum Annual Royalty
1	\$230,000 per Zone	\$115,000 per Zone
2	\$254,095 per Zone	\$127,048 per Zone
3	\$278,190 per Zone	\$139,095 per Zone
4	\$306,667 per Zone	\$153,333 per Zone
5	\$322,000 per Zone	\$161,000 per Zone
6	\$337,333 per Zone	\$168,667 per Zone

7	\$354,857 per Zone	\$177,429 per Zone
8	\$372,381 per Zone	\$186,190 per Zone
9	\$389,905 per Zone	\$194,952 per Zone
10	\$409,619 per Zone	\$204,810 per Zone

*Continuing Royalty Fees paid in excess of the Minimum Annual Royalty in any Zone that you operate is neither applied to nor will it offset any shortfall due to us in any other Zone. If you operate both the College Hunks Hauling Junk® and College Hunks Moving® lines of business, you must achieve the Minimum Annual Royalty for each line of business found in the chart below. If you operate both the College Hunks Hauling Junk® and College Hunks Moving® lines of business, the excess royalty from one line of business will not offset a minimum royalty deficiency due from the other line of business.

The first year of operations begins on the “Commencement of Business,” which is the date that your Franchised Business first receives any revenues or provides any Services, whichever occurs first. The first year of operations ends on December 31st of the year your Franchised Business first receives any revenues or provides any services. The Minimum Annual Royalty for Year 1 is pro-rated by the number of days your Franchised Business was open compared to 365 days in a year. Each subsequent year of operations is measured from January 1st to December 31st.

If the Franchise Agreement relates to the renewal of an existing franchise, the Minimum Annual Royalty will be the amount set forth under year 10 of the initial term of the franchise for the entire renewal term. Similarly, if the Franchise Agreement relates to the transfer of an existing franchise, the initial Minimum Annual Royalty (and any increases) will be based on the number of years the franchise has been in operation as of the effective date of the Franchise Agreement.

These minimums should not be deemed to be a projection or estimation of how much profit or revenue you might be able to generate from your Designated Territory. These minimums have been established to promote maximizing the revenues generated from your Designated Territory and to increase market penetration so as to build brand-equity within the Designated Territory. Because a Franchised Business may be considered seasonal in some areas of the country, you should consider that your Franchised Business may earn less revenue during certain times of the year.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. You will be granted limited exclusivity to operate your Franchised Business within the Designated Territory, subject to certain rights reserved to us (as set forth below) and provided you do not fail to generate the level of Gross Sales that correspond to the Minimum Annual Royalty Amount described, in which case we may exercise our right to modify or remove your exclusivity in the Designated Territory, or take back the line of business which failed to generate the level of Gross Sales that correspond to the Minimum Annual Royalty. We reserve the right to:

- (1) to establish and operate, and grant rights to other franchise owners to establish and operate, Franchised Businesses or similar businesses at any locations outside of the Designated Territory and on any terms and conditions we deem appropriate;
- (2) to offer and sell, and grant rights to other franchise owners to offer and sell, any junk removal, moving and/or related products or services identical or similar to, or dissimilar from, those your

Franchised Business sells, outside of your Designated Territory, whether identified by the Proprietary Marks or other trademarks or service marks, through any distribution channels we deem best;

- (3) to purchase or otherwise acquire the assets or controlling ownership of one or more businesses identical or similar to your Franchised Business (and/or franchise, license, and/or similar agreements for these businesses), some or all of which might be located within the Designated Territory;
- (4) to be acquired (regardless of the form of transaction) by a business identical or similar to Franchised Businesses, except that if we are acquired by a competing business that has one or more outlets located within your Designated Territory, you will have the option (to be exercised within 30 days after our notice to you regarding the acquisition) to request that we buy back your Franchised Business according to the buyback provisions described below and in Article XXIII of the Franchise Agreement; and
- (5) to engage in any other business activities not expressly prohibited by the Franchise Agreement, anywhere.

You may relocate your Franchised Business only with our prior written approval. Our approval will be based upon many factors, including the then-current viability of the proposed location and demographics (including population, size of the space and rental costs relating to the proposed location), number of residential homes, traffic patterns, size of the premises, lease terms, competition, and similar factors. This approval should not be construed as an assurance or guaranty that the new site will be successful or profitable. If we approve the relocation of your Franchised Business, the new location must be within your Designated Territory.

You may use the Internet to advertise only in compliance with the Franchise Agreement and the Operations Manuals. You may not engage in any promotional activities or sell any junk removal, moving or related services, directly or indirectly, on or through the Internet or other alternative distribution channels, such as catalog sales or telemarketing, including toll-free numbers, directed to or received from clients or prospective clients. You may place advertisements in printed media and on television and radio that are targeted to clients and prospective clients located within your Designated Territory, as determined and approved by us, and such advertisements will not be deemed to be in violation of the Franchise Agreement if those advertisements, because of the natural circulation of the printed media or reach of television and radio, are viewed by prospective clients located outside your Designated Territory. However, you may not make any sales or perform services for clients outside your Designated Territory unless the First Contact Sales & Loyalty Center directs those leads to you because the First Contact Sales & Loyalty Center will determine which franchisee will perform these services.

You may not directly solicit or service clients located outside of your Designated Territory. In limited circumstances, we may approve your providing services to clients in an unassigned Zone. Notwithstanding the foregoing, we reserve the right to require you to service clients who are outside of your Designated Territory but within a 15-mile radius of the Designated Territory. If the job is at a location greater than the 15-mile radius, you have the choice whether you wish to provide the services.

Neither we nor our affiliates have established, or presently intend to establish, other franchised or company-owned outlets that provide similar products or services under a different trade name or trademark, but we reserve the right to do so in the future without first obtaining your consent. In addition, our Parent reserves the right to use the “1-800-Junk-USA” toll-free number, website and proprietary mark for businesses that offer similar services anywhere, including within your Designated Territory.

Our affiliate has established and operates a doorstep valet trash pickup service under the trademark and trade name “Trash Butler®,” which contracts with apartment complexes and multi-unit housing communities to pick up bagged garbage placed outside residents’ doors and take it to on-site dumpsters or compactors up to 5 times per week. In certain instances, Trash Butler may subcontract these services to our franchisees, although it is not obligated to do so. Trash Butler has been designated as a National Account. Trash Butler may provide doorstep valet trash pickup services to apartment complexes and multi-unit housing communities within your Designated Territory and the territories of other franchisees. We do not consider Trash Butler® businesses to be competitive with College Hunks Hauling Junk® and/or College Hunks Moving® businesses, since Trash Butler provides limited valet trash pickup services and does not provide junk removal or moving services. Trash Butler does not currently offer franchises and has no present plans to do so.

Service Vehicle Roll-out Schedule

You must purchase or lease the service vehicles (i.e., junk removal trucks and/or moving trucks) required by us to be used in the operation of your Franchised Business. We anticipate that each franchisee will add service vehicles to better service your Franchised Business and its clients. However, you must adhere to the following vehicle roll-out schedule and may not add additional service vehicles, or dispose of existing service vehicles, without our prior consent, which we will not unreasonably withhold.

- (1) You must commence operations of your Franchised Business with one new service vehicle for each service provided (i.e., junk removal and/or moving). For example, if you purchase the College Hunks Hauling Junk® brand only, then you must start operating with one junk truck. If you purchase the College Hunks Hauling Junk® and the College Hunks Moving® brands, then you must commence operations with one junk truck and one moving truck. You must always have at least one branded service vehicle in operation for each service provided.
- (2) You must add a second service vehicle for each service provided (i.e., junk removal and/or moving) when your Franchised Business achieves Gross Sales of \$18,000 or more for such service (i.e., junk removal or moving) in any given month. You must then add an additional service vehicle whenever the average Gross Sales per service vehicle equals \$18,000 or more in any given month, for such service.
- (3) Notwithstanding the above, you must have at least one service vehicle in operation for each service provided (i.e., junk removal and/or moving) per Zone no later than the commencement of your third year of operations, regardless of the level of Gross Sales. If you fail to do so, then you will automatically forfeit your rights to any Zone(s) for which you do not have a dedicated junk truck and/or moving truck, as applicable, in operation.
- (4) You may add additional service vehicles to better serve your clients, with our advance written consent, which we will not unreasonably withhold. You must provide any information that we request to assist us in making our determination.
- (5) You may be required to add additional service vehicles as a condition of purchasing additional Zone(s) during the term of your Franchise Agreement, as determined by us. We may also require you to add additional service vehicles as a condition to the grant of a renewal Franchise Agreement upon expiration of your existing Franchise Agreement.

We anticipate that you will add service vehicles at the rate of at least one service vehicle per brand each year. If you purchase two Zones of the College Hunks Hauling Junk® and College Hunks Moving® brands, then each year you would add one junk service vehicle and one moving service vehicle. We reserve

the right to alter these basic requirements for particular franchisees based on their particular circumstances. Your failure to meet these service vehicle roll-out requirements constitutes a material default under the Franchise Agreement. New roll-out requirements will be set when you renew your Franchise Agreement. Similarly, new roll-out requirements will be set when adding Zone(s) mid-term.

National and Regional Accounts

We have developed a National or Regional Accounts program (“**National Accounts Program**”) for the benefit of all Franchised Businesses. A “National or Regional Account” means any client that has employees or offices in two or more locations and in more than one Zone, or which qualifies for corporate pricing for commercial services. The locations of some of the National or Regional Accounts may be in your Zone and they may have locations in other Zones located in another franchisee’s designated territory. Under the National Accounts Program, we and our affiliates may solicit customers located in your Zone, whether or not you currently provide services to them, in order to develop them as National or Regional Accounts. If the National or Regional Account contracts directly with us, then you will serve as subcontractor. You must use your best efforts to perform services for National or Regional Accounts located in your Designated Territory on the terms and conditions specified by us for those National or Regional Accounts. These terms may vary from National or Regional Account to National or Regional Account, depending on the situations and circumstances.

You must participate in the National Accounts Program if it is possible to do so in your Designated Territory. However, some National or Regional Accounts, for whatever reason, may decide that they do not want to do business with you. If that happens, we will cooperate with you to the fullest extent we deem practicable to resolve the National or Regional Account’s concerns. However, if after we exercise what we believe to be reasonable efforts to resolve the concerns, the National or Regional Account continues to refuse to do business with you, then we, or our affiliate or any other franchisee designated by us may provide services for that National or Regional Account in your Designated Territory. In addition, we or our affiliate or any other franchisee designated by us, may perform services for any National or Regional Account located in your Designated Territory for whom you have declined to provide services for any reason. Neither we, nor our affiliates or any of our franchisees, will be liable or obligated to pay you any compensation for doing so and neither we, nor our affiliates or any of our franchisees, will be considered in breach of any provision of your franchise agreement or any other agreement between the parties. You must release us and such other franchisees from any liability or obligation to you for providing services to such National or Regional Accounts. We will indemnify, defend and hold you harmless from and against any claims brought by a National or Regional Account arising out of our performance of services for the National or Regional Account in your Designated Territory.

For purposes of coordinating efforts and results of National or Regional Accounts, you must timely provide us with copies of all reports, forms and notices relating to performing services for National or Regional Accounts that we may specify from time to time. You must also coordinate with us any solicitations you conduct that may have potential for development as National or Regional Accounts. A National or Regional Account may require you to conform to certain billing terms, practices and formats. Various National or Regional Accounts may require billing and collection procedures that differ from those specified in your Franchise Agreement. You must comply with any of the billing and collection procedures specified in our various National or Regional Account agreements. We may require that all contracts, invoices, and billings for products and services be submitted to the National or Regional Account or any other centralized billing service which we or the applicable National or Regional Account designate. If you receive any payments from any National or Regional Account which requires centralized billing, you must immediately remit such payments directly to the centralized billing service, the National or Regional Account, or any third party designated by us, without any deduction, and must also endorse any checks payable to the entity which we designate. When centralized billing is required by a National or Regional

Account, we will deduct the amount of continuing royalty payment and any other fees due us and remit the remaining balance to you on a semi-monthly basis. Although we will utilize commercially reasonable efforts to collect amounts due from customers, you are responsible to assist in the collection efforts. We do not warrant or guarantee collection of amounts due.

If you participate in the National Accounts Program, you must not charge greater fees for services and products which we specify as the maximum for such National or Regional Account. We may establish discounts, commissions, price structures (including maximum charges for products and services), and performance and maintenance standards for National or Regional Accounts. We will not compensate you for soliciting or accepting orders from inside your Designated Territory.

Due to the need to ensure adherence to the System standards in performing services for National or Regional Accounts, you will not be eligible to participate in the National Accounts Program unless you are in full compliance with your Franchise Agreement and the Operations Manual.

Leased Zip Codes

You and we may agree that you be permitted to service clients in zip code(s) (the “**Leased Zip Codes**”) outside of the Designated Territory, provided such clients are not located in another franchisee’s designated territory. You must pay a monthly leasing fee of \$50 for Leased Zip Codes (the “**Temp Zone Leasing Fee**”) and sign an amendment to the Franchise Agreement in a form prescribed by us. We may terminate your right to service clients in the Leased Zip Codes upon 30-days written notice for any reason. You may stop providing services in any of the Leased Zip Codes upon 30-days written notice for any reason. Your services in each of the Leased Zip Codes must be in full compliance with the terms and conditions of your Franchise Agreement and your operations in your Designated Territory (including the scope of services offered, pricing and estimating tools and criteria). For all your operations in each of the Leased Zip Codes, if we determine that it is necessary to protect our brands standards and relationships with neighboring franchisees, we may require that you adhere to certain minimum and/or maximum pricing guidelines for your service offerings. You will not be eligible to service clients in the Leased Zip Codes unless you are in good standing under the term of your Franchise Agreement and meet our then-current qualifications and criteria for expansion.

Buy-Back Option

We have the right, at any time after the 60th month of your operation of your Franchised Business, to buy back your Franchised Business (all Zones) for a purchase price that is 5 times normalized EBITDA (earnings before income, taxes, depreciation and amortization). The buyback provision does not apply if your Franchise Agreement is terminated (due to your failure to complete initial training or other default) or if we choose to not renew your Franchise Agreement.

F&S owns the Marks listed in Item 13 of this Disclosure Document and has licensed them to us, including the rights to sublicense the Marks to our franchisees.

There are no agreements currently in effect which limit our right to use or to license others to use the Proprietary Marks, except for the trademark license agreement with our parent as described above.

You must promptly notify us of any suspected unauthorized use of the Proprietary Marks, any challenge to the validity of the Proprietary Marks, or any challenge to our ownership of, our right to use and to license others to use, or your right to use, the Proprietary Marks. In the event of any litigation relating to your use of the Proprietary Marks, you must sign any and all documents and do any acts as may, in our

opinion, be necessary to carry out the defense or prosecution, including becoming a nominal party to any legal action. We will reimburse you for your out-of-pocket costs in doing these acts unless the litigation arises from or is related to your use of the Proprietary Marks in any manner that is inconsistent or unauthorized under the terms of your Franchise Agreement, in which case you will be solely responsible for all such out-of-pocket costs.

There are no infringing uses actually known to us that could materially affect your use of the Proprietary Marks in the United States.

You must conspicuously post a sign and include on all written materials (including without limitation advertisements and promotional materials, invoices, stationery, business cards, employee handbooks, payroll checks and employment applications) and on your service vehicles the following: “Independently owned and operated by: [Insert Your Name].”

We reserve the right to modify the Proprietary Marks or substitute different proprietary marks for use in identifying the System and the businesses operating under it, at our sole discretion. If we designate any modified or substituted proprietary mark, you must implement the modified or substituted proprietary mark at your own expense.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents and Copyrights

There are no patents that are material to the franchise. You do not receive the right to use an item covered by a copyright, but you can use the proprietary and confidential information that is in our Operations Manual. The Operations Manual is described in Item 11 and below. Although we have not filed an application for a copyright registration for the Operations Manual, we claim a copyright and the information in it is proprietary and confidential.

You must also promptly tell us when you learn about unauthorized use of any patents, proprietary, and confidential information. We are not obligated to take any action but will respond to this information as we think appropriate. We have the sole right to direct and control any administrative proceeding or litigation involving any patents, the proprietary and confidential information. We have the right, but not the obligation, to take action against uses by others that may constitute infringement of any patents, the proprietary and confidential information. We may defend you against any third-party claim, suit or demand arising out of your use of any patents, the proprietary and confidential information. If we, in our sole discretion, determine that you have used any patents, the proprietary and confidential information in accordance with your Franchise Agreement, the cost of the defense, including the cost of any judgment or settlement, will be borne by us. If we determine that you have not used any patents, the proprietary and confidential information in accordance with your Franchise Agreement, the cost of the defense, including the cost of any judgment or settlement, will be yours. In the event of any litigation relating to your use of any patents, the proprietary and confidential information, you must sign any and all documents and do any acts as may, in our opinion, be necessary to carry out the defense or prosecution, including becoming a nominal party to any legal action. Except if this litigation is the result of your use of any patents, the proprietary and confidential information in a manner inconsistent with the terms of your Franchise Agreement, we will reimburse you for your out-of-pocket costs in doing these acts.

There are no infringing uses actually known to us that could materially affect your use of the any patents or our proprietary and confidential information in the United States.

Operations Manual

You must operate your Franchised Business according to the strict standards, methods, policies and procedures specified in the Operations Manual. One copy of the Operations Manual is loaned to you by us for the term of the Franchise Agreement after you complete our initial training program to our satisfaction. We may make the Operations Manual available electronically.

You must treat the Operations Manual, any other of our manuals which are used in the operation of your Franchised Business, and the information in them as confidential, and must use all reasonable efforts to maintain this information as secret and confidential. You must not copy, duplicate, record, or otherwise reproduce these materials, in whole or in part, or otherwise give them to any unauthorized person. The Operations Manual will remain our sole property and must be kept in a secure place at your Franchised Business.

We may revise the contents of the Operations Manual, and you must comply with each new or changed standard. You must make sure that the Operations Manual is kept current at all times. In the event of any dispute as to the contents of the Operations Manual, the terms of the master copy maintained by us at our corporate office will be controlling.

Confidential Information

You must not, during the term of the Franchise Agreement or after the term of the Franchise Agreement, communicate, divulge or use for the benefit of any other person, partnership, association, or corporation any confidential information, knowledge or know-how concerning the methods of operation of your Franchised Business which may be communicated to you or which you may learn because of your operation under the terms of the Franchise Agreement. Confidential information includes: (a) price lists, product and service offerings, sales volumes, sourcing and vendors, marketing plans, business methods and strategies; (b) proprietary computer software functions, capabilities, code, manuals, fixes, work arounds, revision plans, and any proprietary equipment, products and services that we have developed or may develop in the future; (c) client lists, client identities, client contacts and client preferences (including identities and plans for approaching potential clients); and (d) leasing plans, rates and information. You may divulge this confidential information only to those of your employees who have access to and who operate your Franchised Business. Any and all information, knowledge, know-how, techniques and other data which we designate as confidential will be deemed confidential for purposes of the Franchise Agreement.

At our request, you must have your manager and any personnel having access to any of our confidential information sign agreements that say that they will maintain the confidentiality of information they receive in connection with their employment by you at your Franchised Business. The agreements must be in a form satisfactory to us, including specific identification of us as a third-party beneficiary of the covenants with the independent right to enforce them and that they prohibit any direct or indirect ownership in a competing business.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

During the entire term of the Franchise Agreement, one of your owners must be designated as your “Managing Owner,” responsible personally for devoting his or her full time and best efforts to the supervision and operation of your Franchised Business and to whom we may give, and from whom we may receive, direction. You must identify your Managing Owner before you sign the Franchise Agreement.

The Managing Owner must complete our initial training program (see Item 11) and maintain at least a 51% ownership interest in your Franchised Business. If the Managing Owner transfers his or her ownership interest in you (with our approval and subject to the transfer provisions of the Franchise Agreement) during the franchise term, you must designate a new Managing Owner (whom we must approve) and have that new Managing Owner attend and satisfactorily complete our initial training program within the timeframe we specify. Your Franchised Business must at all times be under the direct supervision of your Managing Owner or an approved manager who has successfully completed training. The Managing Owner and/or the manager must devote sufficient time and attention to perform their duties, including a minimum of 30 hours per week of their physical presence to oversee and actively supervise the operation of your Franchised Business during operating hours.

We recommend, but do not require, that you (or your Managing Owner) actively and directly supervise the day-to-day operations of your Franchised Business. If your approved manager will be responsible for supervising the day-to-day operations of your Franchised Business, we may, in our sole discretion, require him or her to have at least a 10% ownership interest in your Franchised Business. If the approved manager is terminated, leaves your employ or otherwise fails to devote his or her full time and best efforts to the management and operation of your Franchised Business, you must, within 30 days, hire a new manager who must successfully complete the initial training program within the timeframe we specify and satisfy our then-current criteria for management personnel. You, your owners and your managers may not engage in any other business activities that would compete with your Franchised Business, adversely affect your Franchised Business, or conflict with your or their obligations under the Franchise Agreement.

Your employees are under your day-to-day control in implementing and maintaining our system standards and specifications in the operation of your Franchised Business. We do not control the forms of employment agreements you use with your employees and are not responsible for your labor relations or employment practices. You have sole responsibility and authority for your labor relations and employment practices, including, among other things, employee hiring, promotion, disciplinary action, termination, scheduling, rates of pay, other benefits, work assigned and working conditions. You must communicate clearly with your employees in any employment agreements, human resource manuals, written and electronic correspondence, paychecks, and other materials that you (and only you) are their employer and that we, as the franchisor of College Hunks Hauling Junk® and College Hunks Moving® businesses, are not their employer and do not engage in any employer-type activities (including those described above) for which only you are responsible.

We require that you obtain from your manager and other key employees their written agreement to preserve any confidential information to which they have access and not to compete with the College Hunks Hauling Junk® and College Hunks Moving® system while employed by you and for 2 years after their employment ends. A form of Employee Non-Competition and Non-Disclosure Agreement is attached as Exhibit “B” to the Franchise Agreement. We also have the right to require you to obtain covenants against the use and disclosure of any confidential information and covenants not to compete from your owners and personnel.

Each of your owners holding more than 10% of the legal or beneficial ownership interests in the business and/or who are active in the business must personally guarantee your obligations to us under the Franchise Agreement and related agreements. These guarantees will be substantially in the form of the Principal Owner’s Guaranty attached as Exhibit “C” to the Franchise Agreement. You must also complete and deliver to us a Principal Owner’s Statement, in the form attached as Exhibit “F” to the Franchise Agreement, which describes all of your owners and their interests in you.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must use your Franchised Business solely for the operation of College Hunks Hauling Junk® and College Hunks Moving®, as applicable. You must keep your Franchised Business open and in normal operation for the minimum hours and days as we specify. You must not use or permit the use of your Franchised Business for any other purpose or activity at any time without first obtaining our written consent. You must operate your Franchised Business in strict conformity with the methods, standards and specifications we may require in the Operations Manual or in writing. You must not change the standards, specifications and procedures without our prior written consent.

You must perform those jobs given to you by the First Contact Sales & Loyalty Center; you must offer only products and services that we authorize; you must offer all goods and services that we designate as required for College Hunks Hauling Junk® and/or College Hunks Moving® businesses; you may not change our standards and specifications without our prior written consent; and you must stop selling and offering for sale any products and services which we may, in our discretion, disapprove in writing at any time. We have the right to change the types of authorized products and services, and there are no limits on our right to make changes. If we introduce a new product or service for the System and if you fail to incorporate the new product or service into your Franchised Business, we may sell these products and services in your Designated Territory and you will not earn a portion of these sales, or we may terminate your Franchise Agreement. If you receive a request for services that is not generated through the First Contact Sales & Loyalty Center, you may not perform the requested services until you provide all applicable information to the First Contact Sales & Loyalty Center.

We may add additional products and services to the System, such as roll-off containers. We may designate that these additional products and services are optional for our franchisees, or we may designate them as mandatory.

In addition, you must only use the proprietary software, the supplies and suppliers that we have approved for use at your Franchised Business.

The System may periodically be supplemented, improved or modified by us. You must comply with all of our reasonable requirements concerning modifications to the System, including offering and selling new or different products or services as specified by us.

You may not sell any competing goods or services, and you may not offer conflicting services, such as free pick-ups, or other products or services that we currently offer or may offer in the future, such as reusable moving boxes, moving or storage containers, or storage services.

We anticipate expanding the products and services to be offered by Franchised Businesses over a period of years, which may include any product or service associated with the preparation of a commercial or residential move and the transportation of tangible items to one or multiple locations, and/or waste management services.

You may not directly solicit or service clients located outside of your Designated Territory.

ITEM 18 PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

HISTORICAL FINANCIAL PERFORMANCE INFORMATION

The following charts provide information regarding the annual gross sales, gross profit, profit margin, EBITDA, and certain expense and annual performance metrics for franchised outlets and outlets owned by our affiliates. These businesses (both franchised and affiliate-owned) provide substantially the same products and services as the Franchised Business offered in this Disclosure Document. Likewise, they receive substantially the same services as those we provide for the Franchised Business offered in this Disclosure Document, except our affiliates receive centralized accounting, financial and management services.

The charts below present information for only those outlets that responded to a survey or are a part of our bookkeeping program and were in operation for at least 12 full months as of the end of the applicable reporting period. This includes 79 franchised and 2 affiliate-owned outlets in 2019 (representing 69% (81/117) of all outlets in existence at the end of 2019). Note that two outlets were transferred to affiliates of

the franchisor in late 2019 but are reflected in the numbers for franchised locations given that most of the year they operated as such. Further, note that 21 of these 118 locations were not surveyed because they were open less than 12 months in 2019. Therefore, the information includes 84% (81/97) of all outlets that were open a full 12 months in 2019.

Our affiliate CHHJ owns and operates the College Hunks Moving® and College Hunks Hauling Junk® business located in Rockville, Maryland (“**DC Corporate Location**”), which has been in operation since 2005 and currently provides junk removal and moving services in Washington, DC, and Maryland (a total of 5 Zones). Our affiliate Mansari LLC owns and operates the College Hunks Moving® and College Hunks Hauling Junk® business located in Tampa, Florida (“**Tampa Corporate Location**”), which has been in operation since 2008 and provides junk removal and moving services in Tampa, Florida (a total of 3 Zones). These locations operate under a franchise agreement with us and pay royalties, First Contact Sales & Loyalty Center fees, and Brand Development Fees on the same basis as our franchisees. These operations are both “absentee owner” businesses, meaning they all have full-time general managers operating the business.

Unless otherwise specified, “Gross Sales” or “Gross Revenue” means the actual gross revenues billed to clients or what would have been billed to clients if payment had been collected for products and services, plus any other revenue derived from the operation of the business. The Gross Sales/Gross Revenue information is based on the same Gross Sales used to calculate royalties and other fees under the Franchise Agreement. The franchised outlets and affiliate-owned outlets report gross receipts information to us based upon a uniform reporting system. However, none of the information supplied to us has been audited.

Material Assumptions: The data presented in the above data set is based upon the system-wide operation of junk removal service vehicles during the 2019 fiscal year. Such service vehicles may have been operated by franchisees or our affiliates and may be operated as part of a College Hunks Moving® and College Hunks Hauling Junk® business or a business offering only College Hunks Hauling Junk® services. The average revenue per job is based upon the system-wide average for the 2019 fiscal year of \$348 per job, with a median of \$339 per job based on a range of \$683 per job at the highest and \$218 per job as the lowest. The “jobs per day” metric assumes that the service vehicle used for junk removal operates a single standard Zone with only one such service vehicle. The Workers Compensation Rate is established by the state and will vary depending upon the state in which you operate your Franchised Business. Otherwise,

the data presented is based upon historical information related to the operation of franchised College Hunks Moving® and College Hunks Hauling Junk® businesses.

In addition, the junk removal service vehicles included in the above data set may be the only service vehicle providing junk removal services in the Designated Territory or one of multiple such service vehicles.

* Your payroll costs will vary based on the compensation you establish, minimum wage requirements in the state in which you operate the Franchised Business, the number of junk removal jobs performed and whether your employees work full time or part-time.

** The above income and expense figures relate to income from the operation of a junk removal service vehicle and costs related to the operation of such service vehicle together with Continuing Royalty Fees, Brand Development Fees, and First Contact Sales & Loyalty Center Fees attributable to the operation of such service vehicle. The data does not include the operating expenses that you may incur in the operation of the Franchised Business, including, for example, rent, insurance and utilities.

As of the last day of the 2019 fiscal year, there were [0] College Hunks Moving® businesses with operations of at least 12 months that provided only moving services. The average revenue per job is based upon the system-wide average for the 2019 fiscal year of \$841 per job. The “jobs per day” metric assumes that the service vehicle providing moving services operates in a single standard Zone that utilizes only one service vehicle to provide moving services. The Workers Compensation Rate is established by the state and will vary depending upon the state in which you operate your Franchised Business. Otherwise, the data presented is based upon historical information related to the operation of franchised College Hunks Moving® and College Hunks Hauling Junk® businesses.

Some College Hunks Hauling Junk businesses have earned these amounts. Your individual results may differ. There is no assurance you will earn as much.

Results may vary among College Hunks Hauling Junk businesses depending upon prevailing economic or market area conditions, demographics, geographic location, interest rates, your capitalization level, the amount and terms of any financing that you may secure, the property values and lease rates, your business and management skills, staff strengths and weaknesses, the cost and effectiveness of your marketing activities and weather/seasonal factors.

We strongly urge you to consult with your financial advisor or personal accountant concerning the financial analysis that you should make in determining whether or not to purchase a College Hunks Hauling Junk® and/or College Hunks Moving® Franchise.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Nick Friedman at 4411 West Tampa Bay Boulevard, Tampa, Florida 33614 and (800) 586-5872, the Federal Trade Commission, and the appropriate state regulatory agencies.

STATE SPECIFIC ADDENDA

EXHIBIT B

ADDENDUM TO THE CHHJ FRANCHISING L.L.C. DISCLOSURE DOCUMENT REQUIRED BY THE STATE OF CALIFORNIA

CALIFORNIA APPENDIX

The following provisions supersede the Disclosure Document and apply to all franchises offered and sold in the State of California.

California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination or non-renewal of a franchise. If the Franchise Agreement contains provisions that are inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law (11 U.S.C.A. Sec. 101 et seq.).

The Franchise Agreement contains covenants not to compete which extend beyond the termination of the agreements. These provisions may not be enforceable under California law.

Section 31125 of the California Corporation Code requires the franchisor to provide you with a Disclosure Document before asking you to agree to a material modification of an existing franchise.

Neither the franchisor, any person or franchise broker in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 79a et seq., suspending or expelling such persons from membership in such association or exchange.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Florida with the costs being borne by the franchisee and franchisor. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5 Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the laws of Florida. This provision may not be enforceable under California law.

You must sign a general release if you renew or transfer your franchise. California Corporation Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

DISCLOSURE DOCUMENT REQUIRED BY
THE STATE OF ILLINOIS

The following provisions supersede the Disclosure Document and apply to all franchises offered and sold in the State of Illinois.

The following item is required to be included within the Disclosure Document and shall be deemed to supersede the language that is in the Disclosure Document itself:

Section 4 of the Illinois Franchise Disclosure Act (“Act”) dictates that “any provision in the franchise agreement which designates jurisdiction or venue in a forum outside of this State is void with respect to any cause of action which otherwise is enforceable in this State, provided that a franchise agreement may provide for arbitration in a forum outside of this State.” Therefore, the Act supersedes any contrary provisions contained in the Franchise Agreement.

Illinois law governs the Franchise Agreement.

Any releases and/or waivers that we request you to sign must conform with Section 41, Waivers Void, of the Illinois Franchise Disclosure Act of 1987 which states that “any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of this Act or any other law of this State is void. This Section shall not prevent any person from entering into a settlement agreement or executing a general release regarding potential or actual lawsuits filed under any of the provisions of this Act, nor shall it prevent the arbitration of any claim pursuant to the provisions of Title 9 of the United States Code.” The appropriate sections of Franchise Agreement is amended accordingly.

Under Illinois law, a franchise agreement may not provide for a choice of law of any state other than Illinois. Accordingly, Items 17(v) and (w) are amended to state “Illinois.” The appropriate sections of the Franchise Agreement are amended accordingly.

Section 19, Termination of a Franchise, of the Illinois Franchise Disclosure Act of 1987 (“Act”) subsection (a) states that “It shall be a violation of this Act for a franchisor to terminate a franchise of a franchised business located in this State prior to the expiration of its term except for “good cause” as provided in subsection (b) and (c) of this Section.” Items 12 and 17 (o) of the Franchise Disclosure Document and Section 18.8 of the Franchise Agreement are amended to state that Franchisor or its designee shall have the option to purchase Franchisee’s franchised business only if the Franchise Agreement was terminated for “good cause” or upon expiration of its term.

Section 20.13 of the Franchise Agreement is amended to comply with Section 27 of the Act to allow any and all claims and actions arising out of or relating to these Agreements, the relationship of Franchisor and Franchisee or Franchisee’s operation of the Franchise brought by Franchisee against Franchisor shall be commenced within three (3) years from the occurrence of the facts giving rise to such claim or action, within one (1) year after the Franchisee becomes aware of the facts or circumstances indicating Franchisee may have a claim for relief, or ninety (90) days after delivery to Franchisee of a written notice disclosing the violation, or such claim or action will be barred.

Article 22 of the Franchise Agreement and Item 12 of the Disclosure Document is amended to comply with Section 20 of the Act which states that “it shall be a violation of this Act for a franchisor to refuse to renew a franchise of a franchised business located in this State without compensating the franchisee either by repurchase or by other means for the diminution in the value of the franchised business caused by the

expiration of the franchise where: (a) the franchisee is barred by the franchise agreement (or by the refusal of the franchisor at least 6 months prior to the expiration date of the franchise to waive any portion of the franchise agreement which prohibits the franchisee) from continuing to conduct substantially the same business under another trademark, service mark, trade name or commercial symbol in the same area subsequent to the expiration of the franchise; or (b) the franchisee has not been sent notice of the franchisor's intent not to renew the franchise at least 6 months prior to the expiration date or any extension thereof of the franchise.

ARTICLE II GRANT OF FRANCHISE AND LICENSE

2.1 Grant

Subject to the provisions of this Agreement and all documents or other agreements ancillary thereto (the “**Agreement**”):

2.1.1 Franchisor hereby grants to Franchisee, and Franchisee hereby accepts, the franchise and license to operate a Franchised Business within the Designated Territory as shown on Exhibit “A” hereto, as such Exhibit “A” may be modified from time to time in the event that Franchisee purchases additional Zones or if Franchisee is in default of this Agreement pursuant to ARTICLE XVII and Franchisor exercises its right to reduce the Designated Territory as a result of such Event of Default pursuant to Section 18.1.9. Franchisor may condition any purchase of additional Zones upon Franchisee’s satisfaction of Franchisor’s then-current criteria and reserves the right to refuse to sell additional Zones to Franchisee for any reason it deems appropriate, including, without limitation, Franchisee’s financial performance in its existing Zones, payment history, and compliance with this Agreement and Franchisor’s standards.

2.1.2 Franchisee agrees to use the Proprietary Properties solely for the Franchised Business and for no other purpose and only for the type of Franchised Business checked and initialed on the cover of this Agreement.

ARTICLE III FRANCHISEE RESTRICTIONS AND FRANCHISOR’S RESERVED RIGHTS

3.1 Franchisee’s Restrictions

Franchisee’s activities are limited to offering and selling those Services permitted under the System from the Designated Territory. Franchisee has been granted no right of ownership in and/or to any part or all of the Proprietary Properties.

3.2 Rights Reserved to Franchisor

Franchisor, including without limitation, any of Franchisor’s affiliates, reserves the right:

(a) to schedule Services in the Designated Territory to be provided by other franchisees or by Franchisor until Franchisee commences business in accordance with Section 9.2, regardless of whether such Services are performed prior to or after the Commencement of Business;

(b) to exclusively own and control the Proprietary Properties;

(c) to grant additional franchises, whether similar or dissimilar to the franchise granted hereby, anywhere it deems reasonably appropriate, subject to the limitations set forth below;

(d) to engage fully and freely and without limitation in each and every aspect of the business of selling related services, products and equipment;

(e) to offer to the public-at-large, separately, jointly or with others, all related services and/or products of every type and kind;

(f) to employ and exploit the Proprietary Marks, Copyrights, Know How, and Software in connection with such offerings;

(g) to establish and operate, and grant rights to other franchise owners to establish and operate, Franchised Businesses or similar businesses at any locations outside of the Designated Territory and on any terms and conditions Franchisor deems appropriate;

(h) to offer and sell, and grant rights to other franchise owners to offer and sell, any junk removal, moving and/or related products or services identical or similar to, or dissimilar from, those Franchisee's Franchised Business sells, outside of your Designated Territory, whether identified by the Proprietary Marks or other trademarks or service marks, through any distribution channels Franchisor deems best;

(i) to purchase or otherwise acquire the assets or controlling ownership of 1 or more businesses identical or similar to the Franchised Business (and/or enter into franchise, license, and/or similar agreements for such businesses), some or all of which might be located within the Designated Territory;

(j) to be acquired (regardless of the form of transaction) by a business identical or similar to College Hunks Hauling Junk® or College Hunks Moving®, even if the other business operates, franchises and/or licenses competitive businesses anywhere; provided, however, that in the event of a sale or merger by Franchisor with a competitive franchise network, chain or other business, and if such sale or merger would result in a competing business being located in Franchisee's Designated Territory, Franchisee shall have the option, to be exercised within 30 days after notice from Franchisor concerning such sale or merger, to request that Franchisor buy back the Franchised Business according to the terms and conditions set forth in Article XXII below; and

(k) to engage in any other business activities not expressly prohibited by this Agreement.

3.3 National or Regional Account

Franchisor has developed a National or Regional Accounts program ("**National Accounts Program**") for the benefit of all Franchised Businesses. A "**National or Regional Account**" means any client or potential client that has employees or offices in 2 or more locations and in more than 1 Zone, or which qualifies for corporate pricing for commercial services, as determined by Franchisor in its sole discretion. The locations of some of the National or Regional Accounts may be in Franchisee's Designated Territory and they may have locations in other zones outside of Franchisee's Designated Territory. Accordingly, regardless of any contrary provision of this Agreement, the parties agree as follows:

(a) **Territorial Rights:** Franchisee agrees that Franchisor and its affiliates may solicit customers located in Franchisee's Designated Territory, whether or not Franchisee then currently provides services to them, in order to develop them as National or Regional Accounts. Franchisor and its affiliates may do so without violating any of Franchisee's territorial rights within the Designated Territory.

(b) **Service Standards:** Franchisee must sign and deliver to Franchisor its standard form of National Accounts Program "Participation Agreement." Franchisee will perform services for National or Regional Accounts located in its Designated Territory in accordance with Franchisor's standards and the terms and conditions specified by Franchisor for each National or Regional Account. The terms and conditions may vary from National or Regional Account to National or Regional Account, depending on the situation and circumstances, and will be determined by Franchisor in its sole discretion. Franchisor may require Franchisee to coordinate its efforts with Franchisor, its affiliate, and/or other franchisees with respect to National or Regional Accounts.

(c) **Alternative Services:** Franchisee recognizes that some National or Regional Accounts, for whatever reason, may decide that they do not want to do business with Franchisee. If that happens, Franchisor will cooperate with Franchisee to the fullest extent Franchisor deems practicable to resolve the National or Regional Account's concerns. However, if after Franchisor exercises what it believes to be reasonable efforts to resolve the concerns, the National or Regional Account continues to refuse to do business with Franchisee, then Franchisee agrees that Franchisor or its affiliate or any other franchisee designated by Franchisor may provide services for that National or Regional Account in Franchisee's Designated Territory, with no compensation to Franchisee or liability of Franchisor. Franchisee also agrees that Franchisor, its affiliate, or any franchisee designated by Franchisor may perform services for any National or Regional Account located in Franchisee's Designated Territory for whom Franchisee has declined to provide services. Neither Franchisor nor any of its affiliates or franchisees will be liable for or obligated to pay Franchisee any compensation for providing such services, and neither Franchisor nor any of its affiliates or franchisees will be considered in breach of any provision of this Agreement or any other agreement between the parties. Franchisee releases Franchisor, its affiliates, and such other franchisees from any liability or obligation to Franchisee for providing services to such National or Regional Accounts in accordance with the terms of this Agreement and any policies and procedures that Franchisor develops and implements from time to time for National or Regional Accounts. Franchisor will indemnify, defend and hold Franchisee harmless from and against any claims brought by a National or Regional Account arising out of Franchisor's or its affiliate's performance of services in Franchisee's Designated Territory.

(d) **Billing Reports and Forms:** For purposes of coordinating efforts and results of National or Regional Accounts, Franchisee must timely provide Franchisor with copies of all reports, forms and notices relating to performing services for National or Regional Accounts that Franchisor may specify from time to time. Franchisee also agrees to coordinate with Franchisor any solicitations Franchisee conducts that may have potential for development as National or Regional Account. A National or Regional Account may require Franchisee to conform to certain billing terms, practices and formats. Franchisee recognizes that various National or Regional Accounts may require billing and collection procedures that differ from those specified in this Agreement. Franchisee agrees to comply with any of the billing and/or collection procedures specified in Franchisor's various National or Regional Accounts agreements. For example, Franchisor may require Franchisee to participate in a centralized billing and collection procedure through which all billing for a National or Regional Account will be conducted through a centralized billing service or through the National or Regional Account. Accordingly, Franchisor may require that all contracts, invoices, and billings for products and services be submitted to the National or Regional Account or any other centralized billing service which Franchisor or the applicable National or Regional Account designates. If Franchisee receives any payments in connection with any National or Regional Account which requires centralized billing, Franchisee must immediately remit such payments directly to the centralized billing service, National or Regional Account, or third party designated by Franchisor, without any deduction, and must also endorse any checks payable to the entity which Franchisor designates. When centralized billing is required by a National or Regional Account, Franchisor will deduct the amount of the Continuing Royalty Fee and any other fees due to Franchisor and then remit the remaining balance to Franchisee on a semi-monthly basis. If Franchisor provides centralized billing and collection services, Franchisor will utilize commercially reasonable efforts to collect amounts due from customers but Franchisee is also responsible for assisting in the collection efforts. Franchisor does not warrant or guarantee collection of any amounts due.

(e) **Pricing:** If Franchisee elects to provide services for a National or Regional Account, then Franchisee may not charge greater fees for services and products than the pricing established for such National or Regional Account. Franchisee acknowledges and agrees that Franchisor may set discounts, commissions, price structures (including maximum charges for products and services), and performance and maintenance standards for National or Regional Accounts.

(f) **Commission:** Franchisor may require Franchisee to pay a commission or other fee to Franchisor or its designee (the “**National Account Commission**”), in addition to the Continuing Royalty Fee, as a cost of securing National or Regional Accounts, servicing National or Regional Accounts, and/or administering the National Accounts Program. The amount of the National Account Commission will be determined by Franchisor and described in the applicable National or Regional Account Participation Agreement or the Manual.

ARTICLE IV TERM AND RENEWAL

4.1 Term

The term of this Agreement shall be 10 years commencing on the date hereof, unless sooner terminated in accordance with the provisions of this Agreement (the “**Initial Term**”).

4.2 Renewal Term and Conditions

Provided that Franchisee has satisfied each of the following conditions (all of which shall be referred to as the “**Renewal Conditions**”) as determined by Franchisor in its sole discretion, Franchisee shall have the option, but not the obligation, to enter into a renewal Franchise Agreement for one additional term of 10 years (the “**Renewal Term**,” together with the Initial Term being collectively referred to in this Agreement as the “**Term**”):

4.2.1 Franchisee gives Franchisor written notice of its intent to renew (the “**Renewal Notice**”) not less than 180 days, but not more than 240 days, prior to the expiration of the Initial Term;

4.2.2 Prior to the giving of the Renewal Notice and for the remainder of the Initial Term, Franchisee has fully performed all of Franchisee’s obligations under this Agreement;

4.2.3 Prior to the giving of the Renewal Notice and for the remainder of the Initial Term, Franchisee is not in default of any provision of this Agreement or any other agreement with Franchisor, its affiliates, subsidiaries, and designees;

4.2.4 Franchisee has not received more than two (2) Notices of Default from Franchisor during the Initial Term;

4.2.5 Prior to the giving of the Renewal Notice and for the remainder of the Initial Term, Franchisee is not in default of any provision of any other agreement relating to the operation of the Franchised Business with any third-party, including without limitation, Franchisee’s landlord, lenders, creditors, vendors, or other suppliers, if any;

4.2.6 Franchisee meets Franchisor’s then-current standards for accepting new franchisees, including without limitation, credit worthiness, access to capital, and criminal history;

4.2.7 Franchisee has satisfied all monetary obligations to Franchisor, its affiliates, subsidiaries, and designees, if any, and shall have materially met such obligations in a timely and responsible manner throughout the Initial Term;

4.2.8 Franchisee has secured the right to continue operating the Office, as defined in Section 9.1.2 herein, for the Franchised Business, either by renewed lease, sublease or other document, or by providing evidence of a written commitment from Franchisee’s landlord to renew the lease or sublease for a period at least equal to the Renewal Term;

4.2.9 Franchisee has attended all Annual Conventions (as defined in Section 5.6) during the Initial Term, unless attendance was excused by Franchisor;

4.2.10 Franchisee executes Franchisor's then current Franchise Agreement which shall govern the operation of the Franchised Business during the Renewal Term, and which may substantially differ from the terms of this Agreement, including without limitation, an increase in the percentage royalty fee and/or minimum royalty fee for any such Renewal Term;

4.2.11 Franchisee, at the commencement of the Renewal Term, satisfies:

- (a) Franchisor's then-current standards applicable to the System;
- (b) the requirements of the then-current Franchise Agreement and all other agreements ancillary thereto, including without limitation, a new Service Vehicle roll-out schedule, which may require Franchisee to acquire additional Service Vehicle(s);
- (c) Franchisor's then-current training requirements, including Franchisee's demonstrable ability to perform all services which are part of the System at the time of renewal; and
- (d) Franchisor's requests for disclosure of or access to information to evaluate Franchisee's ability to perform its obligations during the Renewal Term;

4.2.12 Franchisee executes a general release of any and all claims against Franchisor and its officers, directors, shareholders, agents, contractors, and employees, in their corporate and individual capacities, arising out of or related to the Agreement (the "**General Release**"); and

4.2.13 Franchisee pays Franchisor a renewal fee of \$5,000.

4.3 Renewal Procedure

4.3.1 Effect of Renewal Notice. Within 30 days after receipt of Franchisee's Renewal Notice, Franchisor will determine whether, at the time of receiving the Renewal Notice, Franchisee has complied with all the Renewal Conditions, and after making its determination deliver to Franchisee, one or more of the following:

- (a) If Franchisee has met the Renewal Conditions, then Franchisor will provide: (i) its written consent to Franchisee's Renewal Notice (the "**Renewal Consent**"), which shall be contingent and conditioned upon Franchisee's continued and ongoing satisfaction of the Renewal Conditions, and (ii) a copy of its then-current Disclosure Document, including its then-current Franchise Agreement (the "**Renewal Franchise Agreement**") (collectively the "**Renewal FDD**"), which Franchisee shall acknowledge receipt of in writing;
- (b) A request for additional information to assist Franchisor in determining whether Franchisee has met the Renewal Conditions; or
- (c) Franchisor's notice of non-renewal based upon Franchisee's failure to satisfy the Renewal Conditions.

4.3.2 Franchisee Obligations upon Receipt of Renewal Consent. If Franchisor provides Franchisee with its Renewal Consent, then Franchisee shall:

(a) No sooner than 14 days but no more than 20 days after receipt of the Renewal FDD, notify Franchisor in writing as to whether Franchisee elects to execute the Renewal Franchise Agreement (“**Election Notice**”);

(b) Prior to the expiration of the Initial Term, but in no event more than 7 days before such expiration date, return to Franchisor 3 executed copies of both the Renewal Franchise Agreement and the General Release.

4.3.3 Failure to Execute Renewal Franchise Agreement. If Franchisee fails to sign the Renewal Franchise Agreement by the date this Agreement expires or sooner, Franchisor may, in its sole discretion, either:

(a) revoke Franchisor’s Renewal Consent, thereby eliminating and nullifying Franchisee’s option to renew; or

(b) charge Franchisee \$50 per day for every day the Renewal Franchise Agreement is not signed after this Agreement has expired.

4.4 Non-Renewal

If Franchisor determines, in its sole discretion, that Franchisee has failed to satisfy any of the conditions in Section 4.2 or to strictly comply with its obligations under Section 4.3, then: (a) Franchisee’s failure shall be deemed an election by Franchisee not to renew; and (b) if Franchisor has issued a Renewal Consent, such Renewal Consent will be deemed automatically be rescinded without further notice or action by Franchisor.

4.5 Notice Requirement

If applicable law requires that Franchisor give notice of expiration to Franchisee prior to the expiration of the Initial Term, this Agreement shall be deemed to remain in effect on a month-to-month basis until Franchisor has given to Franchisee that notice of expiration so required and the applicable period required to pass before the notice becomes effective shall have expired.

ARTICLE V DUTIES OF FRANCHISOR

5.1 Confidential Operations Manual and Intranet

5.1.1 Franchisor shall, in conjunction with Franchisor’s training program and in conformity with the terms and conditions of this Agreement, provide to Franchisee 1 copy of Franchisor’s Confidential Operations Manual (the “**Manual**”). Use of any part or all of the Manual shall be only as permitted under this Agreement and during the term thereof, as may be extended from time to time.

5.1.2 At Franchisor’s option, Franchisor may post the Manual and other communications on a restricted intranet or other website to which Franchisee will have access. If Franchisee does so, Franchisee must periodically monitor the site for any updates to the Manual or other standards, specifications and procedures. Any passwords or other digital identifications necessary to access the Manual on such a site will be deemed to be part of the Confidential Information. Further, Franchisee agrees that he/she will establish the channels of communication with Franchisor and his/her clients as required by Franchisor from time to time, including e-mail, internet and other electronic forms of communication, and that he/she will acquire and maintain any computer or other components necessary for the transmission of such communications. For brand consistency and uniformity, Franchisor shall have the

right to control all e-mail addresses used in the operation of the Franchised Business. Franchisor may, at its option, assign or designate the e-mail address(es) that Franchisee must use in the operation of the Franchised Business and Franchisee shall reimburse Franchisor for the cost of such e-mail address(es).

5.1.3 Franchisor must establish one or more websites to advertise, market and promote Franchised Businesses, the services they offer and sell, and/or the Franchised Business franchise opportunity. When Franchisor establishes such a website, Franchisor will designate a web page within the website for each Franchised Business. Franchisor will implement and periodically modify standards for any such website and individual web pages. Franchisee will not establish a website for his/her Franchised Business, other than the web page(s) designated to describe Franchisee's Franchised Business which are located within Franchisor's website.

5.2 Additional Materials

In addition to any other items offered to Franchisee, Franchisor may from time to time furnish to Franchisee other documents and information comprising Copyrights or Know How, including instructions, data, materials, forms or other information developed by Franchisor in connection with the operation of the System. Franchisor shall have the right to incorporate such matters in its Manual and Franchisee shall be required to conduct the operations of the Franchised Business in accordance therewith.

5.3 Initial Training

5.3.1 Timing. With respect to new franchisees (and not renewal franchisees), within 30 days after the execution of this Agreement, Franchisor will offer and Franchisee will thereafter be required to satisfactorily complete an initial training program (the "**Training Program**") of between 5 and 15 days at Franchisor's "Hunk University" in Tampa, Florida, or at such location(s) as Franchisor shall designate. Such Training Program will include operational, management and marketing training pertaining to the System.

5.3.2 Attendees. The Training Program will be offered to Franchisee (or its Managing Owner and one of Franchisee's managers only) for a maximum of 2 people. Otherwise, attendance by your employees is optional and you must pay us a training fee (the "**Training Fee**") of \$500 per person attending training in excess of 2 people. If Franchisee is a Business Entity, its duty to complete the Training Program shall be discharged by the completion of such Training Program, to Franchisor's satisfaction, by the Managing Owner.

5.3.3 Cancellations. All cancellations after registration but before the Training Program must be done 4 weeks in advance of the date the Training Program is set to begin. If Franchisee fails to timely cancel its registration, then Franchisee must attend the Training Program.

5.3.4 Failure to Qualify. Franchisee shall be in default of its obligations under this Agreement if: (i) as explicitly set forth in Section 17.3.5, Franchisee (or its Managing Owner) fails to satisfactorily complete the Training Program and such failure is not cured within thirty (30) days of the close of the Training Program; or (ii) as explicitly set forth in Section 17.1.16, Franchisor determines, in its sole discretion, either during or upon completion of the Training Program, that Franchisee (or its Managing Owner) is not qualified or otherwise suitable to own and operate the Franchised Business in accordance with Franchisor's standards. ("Qualification Defaults").

5.3.5 Qualification Defaults. Upon the occurrence of either Qualification Defaults, Franchisor shall have the right to exercise any of the remedies set forth in ARTICLE XVIII hereto, including without limitation, termination of the Franchise Agreement. If Franchisor elects to terminate this Agreement, then, provided Franchisee and its owners sign a mutual termination Agreement, including a General Release in Franchisor's favor, then Franchisor will refund the Initial Franchise Fee (without

interest) paid to Franchisor under Section 8.1 below, less the amount of any brokers' fees or commissions paid or payable by Franchisor to any third parties in connection with the grant of the franchise to Franchisee and Franchisor's costs to provide the Initial Training Program.

5.3.6 Optional On-Site Training. In addition to the Training Program, Franchisor may elect to provide up to 3 days of additional training at Franchisee's Office (as defined in Section 9.1.2) within the first 3 months of operations of Franchisee's Franchised Business, and from time to time as Franchisor deems necessary. Franchisor will pay no compensation for any services performed by Franchisee, its Managing Owner or any of its personnel in the course of training. Franchisee shall pay all reasonable expenses incurred in connection with and during such training, including, but not limited to transportation, meals, lodging, wages and other expenses. Franchisor reserves the right to determine the subject matter and content of its initial Training Program and any periodic enrichment or refresher training programs. Franchisor reserves the right to elect or decline to train any number of individuals representing any number of franchises individually, or at the same time.

5.3.7 Training in the Event of Transfer. In the event of a valid and complete assignment of the Franchised Business by Franchisee to a third party (as provided for hereafter), Franchisor shall train such third party designated by it in the same manner and under the same circumstances as those described above, except that the new franchisee must pay to Franchisor its then-current training fee for each individual required or designated to be trained (in addition to any fees or other requirements attendant to the assignment).

5.3.8 Training of Franchisee Personnel. In the event Franchisee hires any personnel to sell Services pursuant to the requirements of this Agreement and the specifications set forth in the Manual, Franchisee shall be solely responsible for training said personnel. For any manager or replacement manager hired by Franchisee during the Term, Franchisor may require that such manager be sent to Franchisor's Training Program to be trained directly by Franchisor and its personnel. All costs associated with sending the manager to the Training Program, including the costs of the Training Program itself, shall be the sole responsibility of Franchisee. The manager must complete the Training Program to Franchisor's satisfaction. Before any manager may begin to act in a management role in Franchisee's Franchised Business, the manager must be reviewed and approved by Franchisor. Franchisee is solely responsible for training all of its employees and ensuring they are fully trained to perform their duties. Franchisor does not require Franchisee's employees to attend its Training Program. Franchisor may waive the training requirements of any manager if it shall determine, in its sole discretion, that any such manager has the skill, experience and/or training necessary to operate in accordance with the System.

5.4 Additional Assistance and Training

5.4.1 Additional Training During Term. Franchisor shall provide such additional advisory assistance and training as Franchisor deems advisable in the operation of the System, on such terms and conditions as Franchisor determines and sets forth in its Manual or otherwise. Franchisor may, in its sole and exclusive discretion, cause its representatives to telephone or visit Franchisee from time to time for the purpose of rendering advice and consultation with respect to the operation of the Franchised Business, assessing Franchisee's overall performance and determining whether Franchisee is conducting the Franchised Business in compliance with the standards of the System. Franchisee shall comply with all such requests and visitations, and provide all information requested.

5.4.2 Costs of Additional Training. Franchisee shall reimburse Franchisor for its costs in providing such training. Franchisor will determine the cost on a per person basis based upon the instructor's fee and the travel, lodging, food and materials costs associated with the training topic.

5.4.3 Third-Party Providers. Franchisor reserves the right to conduct or designate a third-party provider to conduct driver safety training and general safety training in its sole and exclusive discretion. Examples of training programs include, but are not limited to, pre-trip and post-trip inspections of Service Vehicles, enhanced motor vehicle reporting standards, periodic vehicle inspection requirements and driver scoring. Notwithstanding Franchisor providing such training, either directly or through a designee, Franchisee is and will remain solely responsible for complying with applicable law in providing the Services. Franchisee's and its personnel's participation in any such training will be at Franchisee's sole cost and expense.

5.5 Enrichment Training

Franchisor reserves the right to require Franchisee to participate in a form of enrichment training if the Franchised Business, in Franchisor's sole opinion and discretion, is not performing satisfactorily. Franchisee's participation in enrichment training shall be at Franchisee's sole expense. Franchisee must pay Franchisor an enrichment training fee (the "**Enrichment Training Fee**") of \$500 per person. Enrichment training may include, but is not limited to, that: (1) Franchisee must attend additional training at Franchisor's headquarters; (2) Franchisor may send 1 of its trainers to the Franchised Business to provide additional training on-site; (3) Franchisor may require Franchisee to visit another Franchised Business for additional training and/or to observe its operations; and/or (4) Franchisor may require Franchisee to participate in periodic conference calls.

5.6 Annual Convention

On an annual basis and at Franchisor's discretion, at Franchisee's cost and expense (including Franchisor's then-current annual convention fee, currently estimated to be \$500 per person), Franchisee or one member of Franchisee's staff is required to attend Franchisor's annual convention at a location determined by Franchisor ("**Annual Convention**"). Attendance at this convention is required, unless excused by Franchisor in its sole discretion.

5.7 Approved Suppliers and Vendors

Franchisor shall, at all times during the Term, provide information pertaining to sources of supply of any products, materials, supplies and services which must be used in the System. Franchisee may only use approved suppliers or approved vendors for products, materials, supplies and services in the course of operating its Franchised Business.

5.8 Software

5.8.1 Franchisor or a third party will license to Franchisee the Software, as may be made available from time to time and made part of the System. In connection therewith, Franchisee may be required to execute a software license agreement provided by the third-party vendor and such other license agreements which may be applicable to additional or revised software used in the System, and shall be required to pay any initial licensing fees. Franchisee shall not be required to pay a separate fee related to upgrades or maintenance of the Software. Any and all warranties for such Software shall be provided by the third-party vendor and not by Franchisor.

5.8.2 In addition to the other training specified in this Agreement, Franchisor or its designee will provide during the Term, at Franchisee's request and subject to an additional charge to Franchisee, technical advice on the use of the Software as Franchisor, in its sole discretion, determines to be reasonably necessary.

5.8.3 Franchisee agrees to participate in any profitability benchmarking program(s) developed or designated by Franchisor from time to time and further agrees to provide any and all information requested by Franchisor in connection therewith. Profitability benchmarking systems are designed to measure the financial performance of franchisees and the overall franchise system and may be used to collect and prepare financial performance information for Franchisor's franchise disclosure document or for any other purpose. There are no restrictions on Franchisor's rights to use information collected or obtained in connection with any profitability benchmarking program(s) or contained in any other reports or information submitted to Franchisor under the terms of this Agreement or the Manual.

5.9 Computer Hardware

Franchisor shall specify the particular computer hardware and peripheral equipment which Franchisee must purchase or lease and maintain at all times during the operation of the Franchised Business. Franchisee shall also apply for and maintain such credit card, debit card and other non-cash payment systems as Franchisor designates or approves. Franchisor may require Franchisee to maintain service and support contracts for the computer system and/or any credit card, debit card or other non-cash payment system, and to periodically update, upgrade or make other changes that Franchisor requires. Franchisor reserves the right to designate the vendor(s) for such items. Franchisor reserves the right to receive commissions, rebates or other benefits from any vendors or suppliers, for its sole and exclusive benefit.

5.10 Pricing

Franchisor reserves the right, at any time and from time to time, to establish maximum, minimum, or other pricing requirements on the prices that Franchisee may charge clients for products or services, to the fullest extent allowed by applicable law, which may include regional and/or demographic variations. Franchisor will notify Franchisee of any maximum, minimum or other pricing requirements (including, without limitation, temporary promotional pricing), which will be deemed effective upon receipt, unless otherwise stated in the notice. Franchisee is obligated to inform Franchisor of (i) all prices charged for services and products sold by Franchisee and (ii) any modifications made to any suggested pricing.

5.11 Brand Development Fund Administration

Franchisor or its designee shall administer the Brand Development Fund as is more fully described in Section 11.2.

5.12 Force Majeure

Delays in the performance by either party or its designee of any obligations hereunder which are not the fault of or within the reasonable control of such party including, without limitation, fire, flood, natural disasters, acts of God, governmental acts or orders, or civil disorders, shall not give rise to a default by such party hereunder. Rather the time of performance of any such obligations will be extended for the period of such delay or for such other reasonable period of time as may be appropriate in the circumstances.

5.13 Intranet

Franchisor may produce and distribute communications to its franchisees via its intranet system and all franchisees must subscribe to this intranet service. To access Franchisor's intranet, Franchisee will be provided with a password. This password is to be considered confidential information and is to be revealed only to those of Franchisee's employees who must have access to the intranet. In the event Franchisee loses the password or the password is otherwise compromised, Franchisee shall notify Franchisor of such event as soon as practicable, and Franchisor will take steps necessary to provide Franchisee with a new password for access to the intranet.

5.14 First Contact Sales & Loyalty Center

5.14.1 Franchisor or its designee will own, operate and maintain a national First Contact Sales & Loyalty Center (“SLC”), which will operate for the benefit of all franchisees in the System and which Franchisee must use. The SLC will derive the majority of Franchisee’s appointments from its advertising and networking. The SLC will use its best efforts to maintain a staff sufficient to generate and drive business to its franchisees. Franchisee shall be required to pay applicable Support Fees and Appointment Fees, as described in Sections 8.4 and 8.5, for the services provided by the SLC. Franchisor reserves the right to discontinue operation of the SLC and, in such event, the Support Fees and Appointment Fees shall no longer apply.

5.14.2 All business generated by Franchisee within his/her Designated Territory and all inquiries made of Franchisee from potential clients must be recorded in the required client loyalty software not later than the end of the royalty reporting period in which such business was generated or inquiry was made. In addition, Franchisee shall provide such information to the SLC not later than the end of such reporting period for scheduling, tracking and follow-up with the client, including client inquiries received via Franchisor’s “800” number and/or website as well as inquiries and requests for service provided to Franchisee directly.

5.14.3 Franchisee acknowledges and agrees that the SLC is intended to provide a uniform process for placement of orders for Services and handling of clients throughout the System, and to maintain a complete client database which provides management reports to franchisees. Franchisor undertakes no obligation to ensure that any particular franchisee (including Franchisee) benefits on a pro-rata basis from the SLC.

5.15 Refresher Training

5.15.1 To develop and maintain cooperation and friendship with other franchisees, to enhance the ability to operate the Franchised Business properly, to learn the most recent developments in business methods for the Franchised Business and to take instructions from Franchisor on new or revised procedures or requirements, Franchisor reserves the right to require Franchisee to attend an annual refresher training course conducted by Franchisor for franchisees, to be held at a location to be determined by Franchisor.

5.15.2 Franchisee will pay Franchisor’s then-current charge for refresher training (currently \$500), and Franchisee shall be responsible for his/her own travel expenses, meals and lodging, including those of his/her manager(s). However, Franchisor shall be under no obligation to conduct such program until, in Franchisor’s sole and absolute discretion, it is advisable to do so.

5.15.3 Franchisee’s manager(s) must attend and complete, at Franchisee’s expense, all training sessions described herein, in addition to Franchisee and to the same extent as Franchisee.

5.16 Franchisee Directory

To assist Franchisee in maintaining contact with other franchisees, Franchisor shall publish, from time to time, a directory of the names, addresses and telephone numbers of every franchisee in the System. Franchisor reserves the right to post such directory on Franchisor’s intranet. To assist in the efficient operation of the Franchised Business, Franchisor shall provide, and Franchisee shall assist Franchisor in the continuous development and maintenance of the directory.

5.17 Service Requests

5.17.1 Inside Designated Territory. In the event Franchisor receives any service requests via its website, or by other means, which are from potential clients who are physically located within the Designated Territory of any franchisee, Franchisor shall direct such orders to any of the franchisees owning such Designated Territory. If Franchisee is unable to complete such request for service for the client, Franchisor shall have the right to fulfill such order itself or direct same to another franchisee, without compensating Franchisee for his/her failed efforts. Franchisee shall not directly solicit or service any clients outside of the Designated Territory without Franchisor's prior written consent.

5.17.2 Outside Designated Territory. If the SLC receives a request for Services from a client within an unassigned Zone, but said Zone is within a radius of 15 miles from Franchisee's Designated Territory, Franchisor may require Franchisee to provide the Services to said client and to pay the Appointment Fee referenced in Section 8.5. If the client is outside the 15-mile radius of Franchisee's Designated Territory, Franchisee shall have the option whether or not to provide Services to said client.

5.18 Supply Manual

Franchisor will publish and distribute from time to time a supply manual designating suggested and/or required sources of supply for forms, signs, cards, stationery and other items and/or services necessary to operate the Franchised Business. The suggested and/or required source of supply for items and services may be Franchisor, an affiliate of Franchisor, or an independent supplier. Franchisee must purchase all products or services from the designated supplier, which may be Franchisor (or its affiliate), or if no such supplier is designated then a supplier approved by Franchisor (or its affiliate) to provide the product or service. The supply manual may, at Franchisor's option, be included as part of the Manual.

5.19 Approved Vendor Program

In addition to Franchisor's approval of suppliers, Franchisor may develop certain programs and terms under which Franchisor, its affiliates, certain franchisees or others receive certain negotiated benefits or terms from approved or designated suppliers ("**Approved Vendor Programs**"). Franchisee shall follow all of Franchisor's policies and procedures for participation in or termination of Approved Vendor Programs ("**Program Rules**"). Franchisor can refuse or terminate Franchisee's participation in Approved Vendor Programs without terminating this Agreement. Program Rules may require Franchisee to agree, and Franchisee shall agree, to only place or display in connection with the Franchised Business such signs, emblems, lettering, logos and display materials that Franchisor periodically approves or prescribes in connection with Approved Vendor Programs. Franchisor may, in connection with Approved Vendor Programs, designate one or more approved suppliers as an exclusive or the exclusive supplier or suppliers of types, models or brands of any products or services that Franchisor approves as meeting its standards and specifications for College Hunks Hauling Junk and/or College Hunks Moving businesses, and Franchisor may require such approved vendor(s) or other approved vendors to pay to Franchisor or its affiliates, in a manner Franchisor designates, rebates, commissions or other benefits as a condition of Franchisor's designation of them as approved vendors or permission for them to serve as an approved supplier for the System (collectively, "**Approved Vendors**"). Franchisor may require, and certain approved suppliers that Franchisor designates as Approved Vendors may require, that Franchisee agree to enter into certain agreements with them (subject to Franchisor's approval) in connection with their designation as Approved Vendors or approved suppliers or Franchisee's participation in the Approved Vendor Program (the "**Approved Vendor Agreements**"). Franchisor may require that Franchisor be a party to such Approved Vendor Agreements with Approved Vendors. Franchisee acknowledges and agrees that: (a) monies or other remuneration that Franchisor receives in connection with Approved Vendor Programs or other benefits it receives from Approved Vendors or approved suppliers is fair and appropriate compensation to Franchisor in connection with its active efforts to evaluate them as Approved Vendors or

approved suppliers, Franchisor's ongoing efforts to monitor and evaluate whether they continue to meet Franchisor's requirements for participation as Approved Vendors or approved suppliers, and Franchisor's administration of Approved Vendor Programs; and (b) such monies or remuneration are fully earned by Franchisor. Franchisor and its affiliates may retain all revenue and other remuneration they receive from Approved Vendors and approved suppliers without restriction (unless the supplier or vendor requires otherwise). Franchisor, in its sole judgment, may concentrate purchases with one or more Approved Vendors or approved suppliers to obtain lower prices, advertising support and/or services for the benefit of Franchisor, its affiliates, and/or franchisees, or for any other reason that Franchisor deems appropriate, and establish supply facilities or servicing capabilities owned by Franchisor or its affiliates which Franchisor may designate as a Approved Vendor or approved supplier. In such instances, Franchisor may limit the number of Approved Vendors or approved suppliers with whom Franchisee may deal, designate sources that Franchisee must use, and refuse any request by Franchisee for another approved supplier or approved vendor of any applicable product or service.

5.20 CHC Bookkeeping Program

At all times during the Term, Franchisee must participate in the CHC Bookkeeping Program operated by our affiliate. In connection with this participation, Franchisee must execute an agreement with our affiliate governing the terms and conditions of the CHC Bookkeeping Program in the form attached as Exhibit G hereto.

5.21 Artwork and Templates

Franchisor will provide Franchisee initially and periodically throughout the Term with electronic artwork and templates for various documents Franchisee will use in the operation of the Franchised Business and for advertising purposes. Franchisor reserves the right to require Franchisee to reimburse Franchisor's expenses to provide the artwork and templates to Franchisee.

6.2 Confidential Information

Franchisee shall at all times treat the Manual, any other manuals created for or approved for use in the operation of the Franchised Business, and the information contained therein as confidential Know How, and shall use all efforts to maintain such information as secret and confidential in accordance with the terms and conditions governing Know How and Copyrights, including, without limitation, the following: Franchisee shall not, at any time, without Franchisor's prior written consent, copy, duplicate, record, or otherwise reproduce the foregoing materials, in whole or in part, nor otherwise make the same available to any unauthorized person. The persons who are authorized shall include Franchisee's management personnel who have executed the Employee Non-competition and Non-Disclosure Agreement that will not otherwise contain any terms or conditions of employment that will be provided ancillary to this Franchise Agreement.

6.3 Sole Property of Franchisor

The Manual shall at all times remain the sole property of Franchisor and shall be returned to Franchisor immediately upon expiration or termination of this Agreement.

6.4 Revisions

The Franchisor may, from time to time, revise the contents of the Manual when it reasonably considers such revisions to be necessary to improve or maintain the standards of the System and Franchisee expressly agrees to comply with each new or changed standard, provided, however, that such revisions are made for all franchisees and are reasonable in nature. Any revisions to the contents of the Manual shall be deemed effective 7 days after the date of mailing or providing same electronically of such revisions to Franchisee, unless otherwise specified by Franchisor.

Franchisee acknowledges the contents of the Manual and any revisions or modifications made thereto shall constitute additional provisions of and modifications to this Agreement as if fully set forth herein.

6.5 Franchisee to Keep Current

Franchisee shall at all times ensure that his/her copy of the Manual, if such Manual is provided to Franchisee in hard copy format, is kept current and up to date, and in the event of any dispute as to the contents of the Manual, the terms of the master copy of the Manual maintained by Franchisor at its home office shall be controlling.

6.6 Modification of Standards

Franchisor and Franchisee acknowledge there may be circumstances that require Franchisee to modify the implementation of the standards and guidelines set forth in the Manual. The Franchisor and Franchisee recognize the Manual is an operational guideline for conducting Franchisee's business operations and, although Franchisee shall use his/her best efforts to faithfully follow the standards and guidelines set forth in the Manual, Franchisor shall be permitted to modify the operational standards and guidelines so that Franchisee's business is best served. To the extent any of the standards of the System or other resources in the Manual address personnel or employment matters, those are not mandatory but are merely recommendations, suggestions or guidelines. System standards do not include any mandatory requirements on your employee's wages, working conditions, hours, staffing levels, shift timing or other terms of employment; but may specify uniforms and appearance to meet brand standards.

6.7 Improvements

To the extent that any improvements, inventions or discoveries are made by Franchisee, or Franchisee's employees or agents, during the course of this Agreement and relating to the Proprietary Properties or System ("**improvements**"), such improvements shall be deemed assigned to and owned by Franchisor for the purpose of improving the entirety of the franchised network and the provision of services in accordance with the System. All documents and other information concerning any such improvements shall be disclosed to Franchisor promptly after creation or invention. Franchisor shall, in its sole discretion, decide whether such improvements are worthy of inclusion in the System and the best and most practical method of implementation and protection. Franchisee shall execute all documents reasonably necessary to perfect Franchisor's ownership in and to any such improvements and shall cooperate with Franchisor in the creation, implementation, use and protection thereof.

ARTICLE VII
PROPRIETARY MARKS, TRADE NAMES AND COPYRIGHTED MATERIALS

7.1 License

The license granted in Section 2.1 hereof does not grant Franchisee any right, title or interest, at law or in equity, in or to any of the Proprietary Properties, including the Proprietary Marks, Copyrights, and Know How, except as provided by said license. Further, such license applies only to those portions of the Proprietary Properties which have been, or may be, designated in writing by Franchisor for use by Franchisee in conjunction with the operation of the Franchised Business. Franchisee shall not represent to others or conduct himself/herself in any manner that might indicate to others, that he/she possesses any other legal or equitable rights in or to the Proprietary Properties by virtue of the license granted hereunder. Execution of this Agreement by Franchisee shall further set forth Franchisee's consent that the Proprietary Marks, Copyrights and Know How are valid and enforceable (without defense or recourse). Franchisee represents and warrants that he/she will not attack the validity or enforceability of any of the Proprietary Properties, or assist another in any such attack, during the course of this Agreement or thereafter. The terms of this paragraph shall survive termination or expiration of this Agreement for any reason, in addition to any of the other remedies or survival provisions otherwise contained herein.

7.2 Quality Standards

Franchisee agrees that the nature and quality of: all services rendered by Franchisee in connection with Franchisor's Proprietary Marks; all goods sold by Franchisee under Franchisor's Proprietary Marks; and all related advertising, promotional and other related use of Franchisee's Proprietary Marks by Franchisee shall conform to standards set by and be under the control of Franchisor.

7.3 Quality Maintenance

Franchisee agrees to cooperate with Franchisor in facilitating Franchisor's control of the nature and quality of Franchisor's Proprietary Marks, to permit reasonable inspection of Franchisee's operation, and to supply Franchisor with specimen of all uses of Franchisee's Proprietary Marks upon request. Franchisee shall comply with all applicable laws and regulations and obtain all appropriate government approvals pertaining to the sale, distribution and advertising of services and goods which may be covered by this Agreement.

7.4 No Act in Derogation

Franchisee shall not do or permit any act in derogation of any of the rights of Franchisor to its Proprietary Properties.

7.5 No Dispute

Franchisee shall not contest or dispute Franchisor's title to any part or all of the Proprietary Properties.

7.6 Use of Proprietary Properties

Franchisee shall use the Proprietary Properties solely in accordance with this Agreement and the Manual. Franchisee agrees to use Franchisor's Proprietary Marks only in the form and manner and with appropriate legends as prescribed from time to time by Franchisor, and not to use any other service marks or trademark in combination with any of Franchisor's Proprietary Marks without prior written approval of Franchisor.

7.7 Identification of Franchisee

7.7.1 Franchisee shall not use the Proprietary Properties, or any words, phrases, symbols, trade dress, colors, logos or materials which Franchisor deems confusingly similar thereto, in his/her trade name (or for any other purpose) without Franchisor's prior written approval. In that connection, Franchisee shall identify himself/herself to the public as doing business as College Hunks Hauling Junk® and/or College Hunks Moving® as designated on the cover of this Agreement.

7.7.2 During the Term, Franchisee shall identify himself/herself as the independent owner of the Franchised Business in conjunction with any use of the Proprietary Marks, including, but not limited to, on invoices, order forms, receipts, business stationery, contracts with all third parties or entities, employee handbooks, employee applications and payroll as well as the display of such notices in such content and form and at such conspicuous locations as Franchisor may designate in writing.

7.8 Discontinuance of Use

In addition to all post-termination provisions contained in this Agreement, Franchisee agrees that after the expiration or termination of this Agreement, Franchisee shall discontinue the use of the cellular telephone number(s) of the Franchised Business and shall not advertise in any telephone directory under the names College Hunks Hauling Junk® or College Hunks Moving® or any other name, phrase or logo used by the System, discontinue use of any or all of the Proprietary Properties, and not use any words, phrases, logos, designs, colors, trade dress or the like that in any manner may cause client confusion, or resemble, be confusingly similar to, or be a colorable imitation of the Proprietary Properties. Additionally, upon demand of Franchisor, Franchisee shall direct his/her local telephone company to transfer such telephone number(s) to Franchisor or its designee by utilization of the Conditional Assignment of Telephone Numbers and Listings and Internet Addresses to be executed by Franchisee, the form of which is annexed hereto as Exhibit "B." If Franchisee fails promptly to direct his/her telephone company to effect such transfer, Franchisee hereby irrevocably appoints Franchisor as his/her attorney-in-fact to so act.

7.9 Franchisor to Defend

If Franchisee receives notice of or learns of any actual or potential claim, suit or demand that has been or may be asserted against him/her or Franchisor involving any alleged infringement, unfair competition, or similar matter relating to the use of the Proprietary Properties, Franchisee shall promptly notify Franchisor of any such actual or potential claim, suit or demand. Thereupon, Franchisor shall promptly take such action as it may deem necessary in its sole discretion to address any such claim. Franchisor shall have the sole right to defend compromise or settle any such claim, using attorneys of its own choosing, and Franchisee agrees to cooperate fully with Franchisor in connection with the defense of any such claim. Franchisor shall protect, defend and indemnify Franchisee in connection with such claim unless the claim, suit or demand arises out of or relates to Franchisee's use of the Proprietary Properties in violation of this Agreement, the Manual or otherwise.

7.10 Notification of Infringement

7.10.1 If Franchisee learns of any unauthorized use of the Proprietary Properties, Franchisee shall promptly notify Franchisor of the facts relating to such alleged infringing use. Franchisor shall, in its discretion, determine whether or not to take any action with respect to such information. Franchisee shall have no right to take any action with respect to any unauthorized use of the Proprietary Properties without the prior written consent of Franchisor.

7.10.2 Franchisee agrees to notify Franchisor of any unauthorized use of Franchisor's Proprietary Marks by others promptly as it comes to Franchisee's attention. Franchisor shall have the sole

right and discretion to bring infringement or unfair competition proceedings involving Franchisor's Proprietary Marks.

7.11 Limited License

7.11.1 Franchisee understands and agrees that the limited license to use the Proprietary Properties granted hereby applies only to such properties as are designated by Franchisor, together with those which may hereafter be designated by Franchisor in writing. Franchisee expressly understands and agrees that he/she is bound not to represent in any manner that he/she has acquired any ownership or equitable rights in any of the Proprietary Properties by virtue of the limited license granted hereunder, or by virtue of Franchisee's use or creation of any of the Proprietary Properties, or upon any other basis.

7.11.2 If it becomes advisable at any time, in the discretion of Franchisor, to modify or discontinue use of any aspect of the Proprietary Properties and/or to adopt or use one or more additional or substitute items, then Franchisee shall be obligated to comply with any such instruction by Franchisor, will not be liable to Franchisee for any expenses, losses or damages sustained by Franchisee as a result of any such addition, modification, substitution or discontinuation, and Franchisee covenants not to commence or join in any litigation or other proceeding against Franchisor for any of these expenses, losses or damages.

ARTICLE VIII PAYMENTS TO FRANCHISOR

8.1 Initial Franchise Fee

8.1.1 Amount. The Initial Franchise Fee (less any prior deposits paid), regardless of which line of business or number of Zones purchased (as described below), is payable in a lump sum upon execution of this Agreement; is deemed fully earned upon execution of this Agreement; and is not refundable, in whole or in part, except as otherwise provided in Section 5.3 above. The Initial Franchise Fee is, in part, compensation to grant Franchisee a Zone within which to operate the Franchised Business, which Zone will be Franchisee's Designated Territory. The amount of the Initial Franchisee fee payable is as follows:

(a) *Initial Franchise Fee – Standard Zone*. Upon execution of this Agreement and to initiate the franchise rights conveyed hereunder, Franchisee shall pay to Franchisor an Initial Franchise Fee of \$_____. If Franchisee is purchasing a standard Zone and either the College Hunks Hauling Junk® or the College Hunks Moving® concept (but not both), the Initial Franchise Fee payable hereunder is \$40,000. If Franchisee is purchasing both the College Hunks Hauling Junk® and the College Hunks Moving® concepts, then the Initial Franchise Fee payable hereunder is \$60,000. If Franchisee is a qualified United States veteran and provided that Franchisee shall at all times own a minimum of 51% of the Franchised Business, Franchisor shall reduce the Initial Franchise Fee by \$7,500.

(b) *Initial Franchise Fee – Small Market Zone*. Franchisee may elect to purchase a small market Zone, in which event the Initial Franchise Fee payable hereunder will be calculated as 15% of the population in the Zone; provided, however, that in no event shall the Designated Territory include less than 5,000 people and provided, further, that Franchisor has the right to require Franchisee to purchase a larger number of qualified households for the Zone if Franchisor believes, using its reasonable business judgment, that the population is insufficient to sustain a reasonable volume of business. In addition, Franchisee may choose to purchase additional areas at the same rate (designated by zip code) if these areas are available.

(c) *Initial Franchise Fee – Conversion Franchise*. If Franchisee is currently in a similar business and wishes to convert his/her existing business to a Franchised Business, Franchisee

shall pay an Initial Franchise Fee in the amount of \$ _____. The Initial Franchise Fee that Franchisee shall pay hereunder is calculated as the then-current Initial Franchise Fee of \$40,000 less 10% of Franchisee's total revenue from its existing business in the previous year; provided, however, that in no event shall such discount exceed \$30,000, making the minimum Initial Franchise Fee \$10,000.

8.1.2 In the event Franchisee wishes to purchase 1 or more additional Zone(s), either simultaneous with the execution of this Agreement or at any time during the Term, such Zone(s) must be contiguous to Franchisee's Designated Territory and Franchisee must pay the additional fee specified in Section 8.1.3 or 8.1.4, as applicable, and must also meet Franchisor's then-current qualifications for franchisees who wish to own multiple Zones. Franchisor does not grant Franchisee any options or rights of first refusal to acquire additional Zone(s) after the Franchise Agreement is signed. Franchisor reserves the right to grant or deny the sale of additional Zone(s) to Franchisee, in Franchisor's sole discretion. Franchisor does not guarantee the success of any Zone, and Franchisor will not reserve a Zone for future purchase. Franchisee will be required to operate at least 1 office per 4 Zones that it owns and must sign a separate Franchise Agreement for each office. Thus, the maximum number of Zones that Franchisee may own and operate pursuant to this Agreement shall be 4. Unless otherwise agreed in writing by Franchisor, Franchisee will not be eligible to purchase additional Zone(s) during the Term unless:

(a) Franchisee is in full compliance with its obligations under this Agreement and all other agreements relating to the Franchised Business (including, without limitation, any financing documents and vehicle or equipment leases), and any other agreements between Franchisee (or its affiliates) and Franchisor (or its affiliates);

(b) Franchisee completes and submits Franchisor's then-current form of franchise expansion application;

(c) Franchisee satisfies Franchisor's then-current expansion qualifications and criteria, including, without limitation (i) minimum specified levels of "liquid capital" (as defined in Section 9.1.3) for the entirety of the Designated Territory (including Franchisee's existing Zone(s) and the additional Zone(s) to be purchased); and (ii) minimum specified levels of gross revenues for each of Franchisee's existing Zone(s); and

(d) Franchisee submits an annual financial statement for the Franchised Business for the most recently completed fiscal year, a year-to-date profit and loss statement, a balance sheet as of the end of the calendar month preceding the date of Franchisee's request, and current personal net worth statements for Franchisee's owners, in form and substance reasonably satisfactory to Franchisor.

If Franchisee purchases any additional Zone(s) after Franchisee commences operations of the Franchised Business, as a condition to Franchisee's request, Franchisor may require Franchisee to terminate this Agreement and execute Franchisor's then-current form of Franchise Agreement covering all Zones. The term of the new Franchise Agreement may, at Franchisor's sole discretion, be modified to expire when this Agreement would have expired under Section 4.1 above.

8.1.3 If Franchisee elects to purchase additional standard size Zones at the same time this Agreement is executed, then Franchisee must pay Franchisor fully earned and non-refundable deposit of \$10,500. The total cost of an additional Zone is \$35,000. The remaining \$24,500 will become due when the additional Zone is granted approval for commencement of operations. Franchisee may request approval for commencement of the second contiguous Zone if they have been operating the first Zone for a minimum of 6 months. To do so, Franchisee must (i) be in good standing under the Franchise Agreement and all other agreements with Franchisor; (ii) complete Franchisor's then-current form of franchise expansion application that may be posted in our Operations Manual or otherwise made available; and (iii) meet Franchisor's then-current criteria, including, but not limited to, demonstrated financial ability and minimum

revenue/performance criteria for Franchisee's existing Zone(s). If Franchisee has not been approved to commence operations in the additional Zone within 12 months of the Commencement of Business, Franchisee will forfeit its ownership rights to that Zone. The deposit of \$10,500 will not be refunded to Franchisee if Franchisee fails to qualify to commence operations in the additional Zone within 12 months of the Commencement of Business. We may periodically change the qualifications and criteria for purchasing additional Zones.

8.1.4 If Franchisee elects to purchase additional Zones after this Agreement is executed and while the Franchised Business is being operated, then the cost for each additional Zone shall be \$40,000 or Franchisor's then-current additional Zone fee, whichever is higher, for each additional Zone Franchisee purchases. The additional Zone fee(s) shall be non-refundable. To do so, Franchisee must (i) be in good standing under the Franchise Agreement and all other agreements with Franchisor; (ii) complete Franchisor's then-current form of franchise expansion application that may be posted in our Operations Manual or otherwise made available; and (iii) meet Franchisor's then-current criteria, including, but not limited to, demonstrated financial ability and minimum revenue/performance criteria for Franchisee's existing Zone(s). We may periodically change the qualifications and criteria for purchasing additional Zones.

8.1.5 If Franchisee elects to purchase an additional fraction of a Zone, whether at the same time this Agreement is executed or during the Initial Term, then the cost for such fractional Zone shall be \$15,000 for each additional 100,000 people. The additional fractional Zone fee shall be payable upon execution of this Agreement or upon Franchisor's approval of Franchisee's purchase of the additional fractional Zone, as applicable, and is non-refundable, except as otherwise provided in Section 5.3 above. Application and approval will follow the same process as outlined above in Sections 8.1.2 and 8.1.3.

8.1.6 During the Initial Term, and if Franchisee has chosen to purchase only one of the business concepts initially, Franchisee may purchase the other business concept for an additional fee of \$35,000, provided the other concept is then available for purchase within the Designated Territory and has not been sold to another franchisee, and further provided that Franchisee satisfies Franchisor's then-current criteria. This additional concept fee is payable when Franchisor approves Franchisee to purchase the additional concept and is not refundable. If Franchisee is not in good standing under this Agreement, Franchisee will not have the option to purchase the additional concept.

8.1.7 All of Franchisee's Zones (or fractional Zones) which together will comprise the Designated Territory shall be listed on Exhibit "A" hereto, which such Exhibit "A" shall be amended from time to time in the event Franchisee purchases additional Zones (or fractional Zones), except that Franchisor, in its sole discretion, may require Franchisee to terminate this Agreement and sign Franchisor's then-current form of Franchise Agreement as provided in Section 8.1.1, if Franchisee purchases additional Zone(s) after Franchisee commences operations of the Franchised Business.

8.1.8 In the event Franchisee obtains from a lender a loan ("**Loan**") in which funding is provided with the assistance of the United States Small Business Administration ("**SBA**"), Franchisee agrees to execute any additional documentation required as a condition for obtaining the SBA assisted financing.

8.2 Continuing Royalty Fee; Minimum Annual Royalty

8.2.1 In addition to the Initial Franchise Fee, Franchisee shall pay Franchisor a semi-monthly Continuing Royalty Fee equal to 7% of the Gross Sales generated, billed but not collected, earned, derived and/or received by the Franchised Business ("**Continuing Royalty Fee**") for the prior period's operations. The Continuing Royalty Fee is payable on the 3rd and 18th days of each month, or the next business day if either such day is not a business day. The Continuing Royalty Fee payable on the 3rd day

of each month is calculated based on Gross Sales generated in the period from the 16th day of the previous calendar month to the last day of such month. The Continuing Royalty Fee payable on the 18th day of each month is calculated based on Gross Sales generated in the period from the 1st day through the 15th day of the current month.

8.2.2 As used in this Agreement, the term “**Gross Sales**” shall mean and include the actual gross revenues billed to clients of Franchisee in connection with the Services and/or products sold and/or performed for such clients, whether for cash, check, barter, debit or credit card, plus any other revenues derived from the operation of the Franchised Business and all amounts received by Franchisee from any activities or services (whether authorized or unauthorized) that are in any way associated with the Proprietary Marks or the System, or from the sale of any unauthorized products or services (whether or not such sales are made through the Franchised Business) that are competitive with products or services offered or sold by Franchisor or its affiliates, but excluding (i) federal, state or municipal sales, use, service or excise taxes collected from clients and paid to the appropriate taxing authorities and (ii) client refunds. Gross Sales also includes revenue that would have been collected had the client actually paid for services rendered but didn’t, regardless of if the service was performed gratuitously by the franchisee or if the client refused to pay for service rendered (whether through returned checks, stop payment on a credit card or check, etc.). Gross Sales does not currently include revenues from re-sale items, consignments, recycling, scrap, etc., but Franchisor reserves the right, in its sole discretion, upon 30 days’ prior notice to Franchisee, to include such revenues in the definition of Gross Sales. If Franchisor elects to include these types of revenue in Gross Sales, Franchisor shall provide Franchisee with systems and training regarding the re-sale of such items.

8.2.3 If at the end of any year of operations of the Franchised Business, the total of all Continuing Royalty Fees paid by Franchisee to Franchisor during the previous year of operations is less than the Minimum Annual Royalty for that year, Franchisee shall pay to Franchisor an amount equal to the difference between the Minimum Annual Royalty and the total of all Continuing Royalty Fees actually paid to Franchisor for that year, calculated on an actual per Zone basis. The amount of such difference (if any) shall be paid to Franchisor on or before February 15th immediately following the end of the calendar year of operations and shall be paid by electronic funds transfer or as otherwise directed by Franchisor. Any royalty paid by Franchisee or its affiliates from one zone will not offset the amount of the minimum royalty shortfall due to Franchisor from any other zone owned by it. If Franchisee operates both the College Hunks Hauling Junk® and College Hunks Moving® lines of business, Franchisee must achieve the Minimum Annual Royalty for each line of business found in the chart below. If Franchisee operates both the College Hunks Hauling Junk® and College Hunks Moving® lines of business, the excess royalty from one line of business will not offset a minimum royalty deficiency due from the other line of business. For purposes of this Agreement, the “Minimum Annual Royalty” shall be:

Time Period*	Minimum Annual Royalty (Per Zone) - Junk**	Minimum Annual Royalty (Per Zone) - Move**
Year 1	\$8,050	\$16,100
Year 2	\$8,893	\$17,787
Year 3	\$9,737	\$19,473
Year 4	\$10,733	\$21,467
Year 5	\$11,270	\$22,540
Year 6	\$11,807	\$23,613
Year 7	\$12,420	\$24,840
Year 8	\$13,033	\$26,067
Year 9	\$13,647	\$27,293
Year 10***	\$14,337	\$28,673

* Year 1 begins on the Commencement of Business and ends on December 31 of that year. Year 2 begins on January 1 and then each Year is the calendar year. The Minimum Annual Royalty for Year 1 is prorated by the number of days the Franchised Business was open compared to 365 days in a year.

** The Minimum Annual Royalty is calculated by multiplying the amount set forth in the chart by the number of Zones in the Designated Territory.

*** Notwithstanding the above, if this Agreement relates to the renewal of an existing franchise, the Minimum Annual Royalty shall be the amount set forth under “Year 10,” which shall apply during the entire Renewal Term of this Agreement. If this Agreement relates to the transfer of an existing franchise, the Minimum Annual Royalty (and any increases) shall be determined by the number of years the Franchised Business has been in operation as of the effective date of this Agreement.

THESE MINIMUM ANNUAL ROYALTY AMOUNTS SHOULD NOT BE DEEMED OR CONSTRUED TO CONSTITUTE A PROJECTION OR ESTIMATION OF THE LEVEL OF GROSS SALES OR REVENUE THE FRANCHISEE MIGHT BE ABLE TO GENERATE FROM THE OPERATION OF THE FRANCHISED BUSINESS.

8.2.4 Continuing Royalty Fees attributable to Gross Sales earned or achieved for Services sold and/or performed outside of a Franchisee’s Zone(s) do not count towards the calculation of the Minimum Annual Royalty.

8.3 Brand Development Fee

In addition to the Initial Franchise Fee and Continuing Royalty Fee, Franchisee shall pay to Franchisor a brand development fee (the “**Brand Development Fee**”) (to be expended as provided in Section 11.2) in an amount equal to 2% of Franchisee’s Gross Sales during the previous 2-week period. The Brand Development Fee is payable at the same time and in the same manner as the Continuing Royalty Fee.

8.4 Support Fee

Franchisee shall be required to pay to Franchisor a support fee (“**Support Fee**”) for the administration of the First Contact Sales & Loyalty Center (including but not limited to staffing and equipment purchases), maintenance and upgrades to the Software, and maintenance fees for any intranet maintained by or on behalf of Franchisor. The Support Fee equals (i) \$799 per month for junk-only franchises or (ii) \$945 per month for moving franchises or moving/junk franchises. The Support Fee is payable at the same time and in the same manner as the Continuing Royalty Fee.

8.5 Appointment Fee

In addition to the Support Fee, Franchisee will pay \$19 per scheduled appointment by the SLC (the “**Appointment Fee**”). Franchisee will not be required to pay the Appointment Fee for self-generated sales, self-booked sales, online bookings, or jobs that cancel prior to the day of the scheduled appointment. The Appointment Fee will be billed by Franchisor each month and is due 10 days after invoice is sent. The Appointment Fee covers the per-appointment set by the SLC and is due whether or not a sale results from the appointment but will not be charged if a client cancels prior to the day of the scheduled appointment. “Per booking” or “per appointment” means a booked move, booked moved labor, booked junk removal estimate, booked general labor, booked in-home estimate, booked junk removal consultation, or any job, appointment, or estimate booked by the SLC regardless of the nature of the job, appointment or estimate.

Franchisee will be able to submit a request for refund of the Appointment Fee if an appointment is improperly scheduled. Franchisor reserves the right to reject Franchisee's unreasonable requests for refund. Franchisor may monitor the system-wide cancellation average and to audit Franchisee's cancellations to determine their validity. If Franchisor determines that Franchisee has submitted misleading or invalid cancellations, Franchisee shall be in material default of this Agreement. Franchisee is responsible for performing confirmation calls with clients at least the day prior to the scheduled appointment to minimize day-of cancellations. If there is a day-of cancellation that Franchisee feels was booked incorrectly, Franchisee can submit an incident report request for refund.

8.6 Providing Services to Clients Outside the Designated Territory

8.6.1 Franchisee and Franchisor may agree that Franchisee is permitted to service clients in zip code(s) (the "**Temporary Zones**") outside of the Designated Territory, provided such clients are not located in another franchisee's designated territory. Franchisee's services in the Temporary Zones must be fully consistent with this Agreement and Franchisee's operations in its Designated Territory including (without limitation) scope of services offered, pricing, and estimating tools and criteria. You will not be eligible to lease any Temporary Zones unless you are in good standing under your Franchise Agreement and meet our then-current qualifications and criteria for expansion. The Franchisee will pay a monthly leasing fee of \$50 for leased zip codes (the "**Temp Fee**"). The Franchisor may terminate Franchisee's right to the service clients in the Temporary Zones upon 30-days written notice for any reason. Franchisee may terminate Franchisee's right to service clients in the Temporary Zones for any reason upon 30-days written notice to Franchisor. Your services in the Leased Zip Codes must be fully consistent with your Franchise Agreement and your operations in your Designated Territory (including the scope of services offered, pricing and estimating tools and criteria). For all your operations in the Leased Zip Codes, if we determine that it is necessary to protect our brand standards and relationships with neighboring franchisees, we may require that you adhere to certain pricing levels for your service offerings. Franchisee shall pay Franchisor a semi-monthly Continuing Royalty Fee equal to 8% of the Gross Sales generated, billed but not collected, earned, derived and/or received by the Franchised Business for the prior period's operations outside of the Designated Territory. The Continuing Royalty Fee for Gross Sales generated, billed but not collected, earned, derived and/or received by the Franchised Business for the prior period's operations outside of the Designated Territory will be due at the same time and in the same manner as Gross Sales generated, billed but not collected, earned, derived and/or received by the Franchised Business for the prior period's operations inside of the Designated Territory. Nothing in this Section or any other provision of this Agreement shall be construed to allow Franchisee to provide Services outside the Designated Territory without Franchisor's prior written consent.

8.6.2 Notwithstanding anything to the contrary in Section 8.6.1 or any other section of this Agreement, Franchisee must immediately cease providing Services in any unassigned Zone upon 30 days' receipt of notice from Franchisor to stop. If Franchisee fails to do so, Franchisor may terminate this Agreement.

8.6.3 Franchisee is not permitted to provide Services within a designated territory assigned to another franchisee or reserved for Franchisor or its affiliate. If Franchisee provides any Services within a designated territory assigned to another franchisee or reserved for Franchisor or its affiliate, without the prior written consent of such person, Franchisor may terminate this Agreement.

8.7 Commencement of the Business

Franchisee's obligations to pay the Continuing Royalty Fee, the Support Fee and the Brand Development Fee accrues on the day that Franchisee commences operation of the Franchised Business. "**Commencement of the Business**" is defined as the first day on which the Franchised Business receives revenues, offers services, or conducts any of the activities contemplated by this Agreement.

8.8 Right of Set Off

Franchisee agrees to pay promptly, when due, all taxes and assessments that may be assessed or otherwise due against Franchisee's income, premises, equipment and/or supplies used in connection with Franchisee's business, to discharge all liens and encumbrances of every kind and character created or placed upon or against any of said property and to pay all accounts and other indebtedness of every kind incurred by Franchisee in the conduct of said business. In the event Franchisee should default in making any such payment, Franchisor shall be authorized, but not required, to pay the same on Franchisee's behalf, and Franchisee covenants promptly to reimburse Franchisor for any such payment. Franchisor shall also maintain the right of set off to permit deductions of any such amounts from payments that may be due Franchisee hereunder. Any such amounts advanced by Franchisor shall be due and payable immediately on Franchisee's receipt of written demand from Franchisor.

8.9 Default

Any default by Franchisee in the timely payment of any indebtedness of Franchisee owing to Franchisor, or to any affiliate of Franchisor, or the default by Franchisee in the payment of any indebtedness of Franchisee with respect to which Franchisor or any of the affiliates of Franchisor is a guarantor, co-signer, endorser or obligor, shall constitute a breach of this Franchise Agreement, rendering the same subject to termination in accordance with the provisions of Article XVII hereof.

8.10 Application of Funds

Franchisee waives any and all existing and future claims and set offs against any amounts due Franchisor hereunder, which amounts shall be paid when due regardless of any other claims which Franchisee may have against Franchisor. However, Franchisor shall be entitled to apply or cause to be applied against amounts due to it any amounts which may from time to time be held by Franchisor on Franchisee's behalf or be owed to Franchisee by Franchisor. Notwithstanding any designation by Franchisee, Franchisor shall use sound business judgment and be reasonable in applying any payments received from Franchisee, whether designated as payable to Franchisor, the Brand Development Fund or otherwise, to any past due or other indebtedness of Franchisee for continuing fees payable hereunder, purchases, interest or otherwise. Franchisor may set off from any amounts that may be owed to Franchisee any amount that Franchisee owes to Franchisor or with respect to any payment. In particular, Franchisor may retain any amounts it has received for Franchisee's account (whether rebates or other funds and whether paid by or due from suppliers or otherwise) as a credit and payment against any amounts that Franchisee owes or will owe to Franchisor or with respect to any Brand Development Fee. Franchisor may do so without notice at any time. However, Franchisee does not have the right to offset or withhold payments owed to Franchisor for amounts purportedly due Franchisee from Franchisor. Franchisor may condition Franchisee's participation in any program (including, but not limited to, any program involving payments from third party suppliers or otherwise) as Franchisor determines in its reasonable discretion, including, but not limited to, Franchisee being a franchisee in good standing and not in default under this or any other agreement with Franchisor. Franchisee agrees that he/she will not withhold any amounts otherwise due Franchisor as a result of any dispute of any nature but will pay such amounts to Franchisor and only thereafter seek reimbursement.

8.11 Interest on Late Payments

All Continuing Royalty Fees, Brand Development Fees, Support Fees, Appointment Fees, lease payments, amounts due for purchases by Franchisee from Franchisor, and any other amounts which Franchisee owes to Franchisor shall bear interest after the due date at the annual rate of 18% or the maximum rate of interest allowed by applicable state law, and interest shall accrue from the original due date until payment is received in full. Franchisee acknowledges that this Section 8.11 shall not constitute

Franchisor's agreement to accept such payments after same are due or a commitment by Franchisor to extend credit to, or otherwise finance Franchisee's Franchised Business. Further, Franchisee acknowledges that his/her failure to pay all amounts when due shall constitute grounds for termination of this Agreement.

8.12 Application of Payments

Notwithstanding any designation by Franchisee, Franchisor shall have sole discretion to apply any payments by Franchisee to any of his/her past due indebtedness for Continuing Royalty Fees, Brand Development Fees, Support Fees, Appointment Fees, purchases from Franchisor or its affiliates, interest or any other indebtedness.

8.13 Method of Payment - Electronic Funds Transfer

Franchisee shall deliver to Franchisor any and all reports, statements and/or other information required under Article XII below at the time and in the format reasonably requested by Franchisor. Franchisee shall establish an arrangement for electronic funds transfer or deposit of any payments required under this Section. Franchisee shall execute Franchisor's current form of "Authorization Agreement for Prearranged Payments (Direct Debits)," a copy of which is attached to this Agreement as Exhibit "D," together with any other forms required by Franchisor's or Franchisee's bank, and Franchisee shall comply with the payment and reporting procedures specified by Franchisor in the Manual. Franchisee expressly acknowledges and agrees that Franchisee's obligations for the full and timely payment of Continuing Royalty Fees, Brand Development Fees, Support Fees or Appointment Fees (and all other amounts provided for in this Agreement) shall be absolute, unconditional, fully earned, and due upon Franchisee's generation and receipt of Gross Sales. Franchisee shall not for any reason delay or withhold the payment of all or any part of those or any other payments due hereunder, put the same in escrow or set-off same against any claims or alleged claims Franchisee may allege against Franchisor, the Brand Development Fund, any advertising cooperative or others. Franchisee shall not, on grounds of any alleged non-performance by Franchisor or others, withhold payment of any fee, including without limitation Continuing Royalty Fees, Brand Development Fees, Support Fees or Appointment Fees, nor withhold or delay submission of any reports due hereunder, including but not limited to sales reports.

8.14 Payments Made to Franchisor Directly

Franchisor may require at any point during the Term that all payments owed by customers of Franchisee to be paid directly to Franchisor or Franchisor's designated third-party vendor. If Franchisor requires such direct payment, Franchisee agrees to take any actions necessary to assign payment of revenues from Franchisee to Franchisor or Franchisor's designated third-party vendor. Franchisor will then subtract from any such customer payment all amounts owed to Franchisor or its affiliates by Franchisee, including without limitation, any Continuing Royalty Fees, Brand Development Fees, Support Fees, and Appointment Fees, then remit to Franchisee by electronic transfer the net amount of such customer payments after such obligations are satisfied.

8.15 CPI Adjustment

All fixed dollar amounts used in the Franchise Agreement will be adjusted as of January 1 of each year in proportion to the changes in the Index, subject to an annual Inflation Adjustment, not to exceed an increase of 2% per year; except to round upwards to the nearest whole dollar. The term "Inflation Adjustment" refers to Franchisor's right to increase a fee, or obligation to decrease a fee, based upon an increase or decrease in the Index. The Index refers to the Consumer Price Index (U.S. Average, all items) maintained by U.S. Department of Labor (or such equivalent index as may be adopted in the future) between January 1, 1995 and January of the then-current year, or a comparative index Franchisor may select if the Index is no longer published. Each adjustment will be made effective on January 1 based on the January

Index, but the 1st adjustment will not be made until at least 12 months following your Franchise Agreement Date. Franchisor's failure to adjust any fixed dollar amounts due to changes in the Index at any time does not constitute a waiver of its right to do so at any other time, including for past periods. However, Franchisor will not impose such adjustments retroactively.

8.16 Performance Refund

If Franchisee owns at least one full Zone and fails to reach \$180,000 in Gross Sales during the first 18 months of operations, and Franchisee has followed the System and complied with this Agreement and the Manual with no material defaults, Franchisee may exit the business and Franchisor will refund 50% of the Initial Franchise Fee paid by Franchisee for its 1st Zone (i.e. \$20,000 if Franchisee purchased moving or junk removal, or \$30,000 if Franchisee purchased both moving and junk removal). Franchisee must submit a request in writing to Franchisor at 18 months if Franchisee wishes to exercise this exit/refund option. Franchisor will review Franchisee's request and notify Franchisee within 30 days after receipt of Franchisee's request. If Franchisor approves the request, then Franchisee must sign a mutual termination and general release at that time. Franchisor will refund the 50% of the Initial Franchise Fee within 90 days of acceptance of Franchisee's request and after Franchisor has received the signed mutual termination and release, and provided Franchisee has fulfilled its post-term obligations under the Franchise Agreement. Franchisee must be in full compliance with this Agreement and the Manual, and must have followed the System entirely, in order to qualify for this refund.

8.17 Performance Incentive

If you purchase a brand-new Zone (not a Zone that has previously been owned and developed) and reach \$600,000 in Gross Sales during your first 12 months of operations in said Zone, and you have followed the System with no material defaults, we will pay you a marketing incentive of \$5,000. You must submit a request in writing at 12 months if you wish to exercise this incentive. If you purchase and open an additional brand-new Zone after commencement of the first brand new Zone, you will have another 12 months from the commencement date of the additional Zone to reach \$600,000 in Gross Sales in said zone to request an additional marketing incentive of \$5,000. This Performance Incentive applies to all additional brand-new Zones that are purchased after the original brand-new Zone. We will review your request and notify you within 30 days of your request. If approved, we will credit amounts payable to us for the Brand Development Fund by \$5,000 within 90 days of acceptance of your request. You must be in full compliance with your franchise agreement, and you must have followed the system entirely in order to qualify for this incentive credit.

ARTICLE IX OBLIGATIONS OF FRANCHISEE

9.1 Obligations of Franchisee

Each component of the System is vital to Franchisor, to the network of other franchisees of the System and to the operation of the Franchised Business, as well as to the members of the purchasing public who have come to rely upon Franchisor and its network for reliability and promptness. Compliance with each such component is of the essence to this Agreement. Hence, Franchisee undertakes to conduct the Franchised Business at all times in full compliance with the System and each of its components. It is expressly understood and agreed that such services include, but are not limited to, providing junk removal and/or moving services to Franchisee's clients and such other related services as may be authorized by Franchisor to be offered from time to time. Franchisor may, from time to time, conduct market research and testing to determine consumer trends and salability of new products and services. Franchisee must cooperate by participating in Franchisor's market research programs, test marketing new products and related services and providing timely reports and other relevant information regarding marketing research.

In connection with such test marketing, Franchisee must execute any agreement required by Franchisor related to such test marketing, purchase a reasonable quantity of products to be tested and effectively promote and make a reasonable effort to sell such products and related services.

9.1.1 Franchisee shall operate the Franchised Business in an efficient and professional manner in accordance with the highest ethical and moral standards. Franchisee shall, as well, comply with all recommendations and standards of quality and service prescribed from time to time by Franchisor in the Manual or otherwise. Franchisee may not discriminate against anyone to whom the Franchised Business provides Services and may not refuse any request for Services from within the Designated Territory. Notwithstanding the foregoing, Franchisee reserves the right to refuse a request for Services only if the Services request will compromise the safety of Franchisee, its employees and/or the client.

9.1.2 Franchisee shall obtain a physical commercial office space (the “**Office**”) separate from its residence from which to operate the Franchised Business. The Office must be dedicated to the Franchised Business and not share office space with another business whether or not affiliated. All service calls for the Franchised Business will emanate from the Office. Franchisee acknowledges and understands that Franchisor does not provide site selection assistance. However, the location, characteristics and facilities of the Office are subject to Franchisor’s acceptance which will not be unreasonably withheld. The Office must be located within Franchisee’s Designated Territory.

9.1.3 Franchisee shall, at all times during the Term, keep the Franchised Business adequately capitalized to operate the Franchised Business. Franchisee is required to maintain the minimum liquid capital required by Franchisor, which shall not be less than the equivalent of 6 months of operating capital for the entirety of the Designated Territory. The term “**liquid capital**” shall include all cash, loans, lines of credit of the Franchised Business, or such other assets as can be liquidated in less than 1 week.

9.2 Development of Business

After execution of this Agreement and payment of the Initial Franchise Fee, Franchisee must equip the Franchised Business, complete the Training Program (as required by Section 5.3 of this Agreement), and commence operation of the Franchised Business no later than 150 days after this Agreement is executed. Franchisee will not be permitted to commence operation of the Franchised Business until Franchisee has all the required licenses, permits, resources and equipment to operate the Franchised Business as determined by Franchisor, which includes, without limitation, Service Vehicles to operate the Franchised Business. If Franchisee will operate the College Hunks Hauling Junk® and the College Hunks Moving® lines of business, both the College Hunks Hauling Junk® and the College Hunks Moving® lines of business must be fully operational no later than ninety (90) days after the Commencement of Business.

Upon written request to Franchisor, Franchisor may extend the deadlines in this Section 9.2 for such period of time that Franchisor deems appropriate in its sole discretion, provided, however, that the cause of delay is beyond the reasonable control of Franchisee, Franchisee has exercised reasonable due diligence to comply with this Section 9.2, and Franchisee provides evidence or documentation of such cause with its request. Reasonable cause for delay may include, by way of illustration, strikes, fires and acts of God or other causes which Franchisee could not, by the exercise of due diligence, have reasonably avoided; provided, however, that any such cause shall not relieve Franchisee of his/her requirement to pay fees to Franchisor as described herein.

9.3 Compliance with Laws and Good Business Practices

9.3.1 At all times during the Term, Franchisee shall:

(a) secure and maintain in force in its name all required licenses, permits and certificates relating to the operation of his/her Franchised Business;

(b) operate his/her Franchise in full compliance with all applicable laws, ordinances and regulations, including without limitation all government regulations relating to environmental protection, occupational hazards and health, worker's compensation insurance, unemployment insurance and withholding and payment of federal and state income taxes, social security taxes and sales taxes;

(c) independently investigate or hire a professional to advise Franchisee on the legal and regulatory requirements for operation of the Franchised Business;

(d) in all dealings with his/her clients, suppliers, Franchisor and the public, adhere to the highest standards of honesty, integrity, fair dealing and ethical conduct;

(e) refrain from any business or advertising practice which may be injurious to the business of Franchisor and the goodwill associated with the Proprietary Marks and other Franchised Businesses; and

(f) wear, and require its employees to wear, any uniforms that Franchisor determines, in the best interests of the System, to have all of its franchisees and their employees wear (all other matters pertaining to employment are suggestions or recommendations only).

9.3.2 Anti-Terrorism Laws. Without limiting the generality of this Section 9.3, Franchisee certifies that neither Franchisee nor its owners, employees or anyone associated with Franchisee is listed in the Annex to Executive Order 13224. (The Annex is available at <http://www.treasury.gov/offices/enforcement/ofac/sdn>.) Franchisee agrees not to hire or have any dealings with a person listed in the Annex. Franchisee certifies that it has no knowledge or information that, if generally known, would result in Franchisee, its owners, employees, or anyone associated with Franchisee being listed in the Annex to Executive Order 13224. Franchisee agrees to comply with and/or assist Franchisor to the fullest extent possible in Franchisor's efforts to comply with the Anti-Terrorism Laws (as defined below). In connection with such compliance, Franchisee certifies, represents, and warrants that none of its property or interests are subject to being "blocked" under any of the Anti-Terrorism Laws and that Franchisee and its owners are not otherwise in violation of any of the Anti-Terrorism Laws. Franchisee is solely responsible for ascertaining what actions must be taken by Franchisee to comply with all such Anti-Terrorism Laws, and Franchisee specifically acknowledges and agrees that Franchisee's indemnification responsibilities as provided in Article XIII of this Agreement pertain to Franchisee's obligations under this Article IX. Any misrepresentation by Franchisee under this Section or any violation of the Anti-Terrorism Laws by Franchisee, its owners, or employees shall constitute grounds for immediate termination of this Agreement and any other agreement Franchisee has entered into with Franchisor or one of Franchisor's affiliates in accordance with the terms of this Agreement. As used herein, "**Anti-Terrorism Laws**" means Executive Order 13224 issued by the President of the United States, the Terrorism Sanctions Regulations (Title 31, Part 595 of the U.S. Code of Federal Regulations), the Foreign Terrorist Organizations Sanctions Regulations (Title 31, Part 597 of the U.S. Code of Federal Regulations), the Cuban Assets Control Regulations (Title 31, Part 515 of the U.S. Code of Federal Regulations), the USA PATRIOT Act, and all other present and future federal, state and local laws, ordinances, regulations, policies, lists and any other requirements of any Governmental Authority (including, without limitation, the United States Department of Treasury Office of Foreign Assets Control) addressing or in any way relating to terrorist acts and acts of war.

9.4 Franchisee to Supervise

9.4.1 Franchisee's Participation. During the Term, Franchisee (or its Managing Owner) shall be responsible personally for devoting his or her full time and best efforts to the supervision and operation of the Franchised Business, unless otherwise agreed in writing by Franchisor. If Franchisee is or at any time becomes a Business Entity, an owner who owns and controls at least 51% of the ownership interests in the Business Entity ("**Managing Owner**") shall successfully complete the Training Program and fulfill the requirements set forth in this Section 9.4. Franchisor may give direction to, and receive direction from, the Managing Owner regarding all aspects of the Franchised Business and all matters pertaining to this Agreement and all related agreements. If Franchisee's Managing Owner transfers his/her ownership interest (with Franchisor's approval), Franchisee must designate a new Managing Owner (whom Franchisor must approve) that must attend and satisfactorily complete Franchisor's Training Program within the timeframe Franchisor specifies.

9.4.2 Management of the Franchised Business. The Franchised Business must at all times be under the direct supervision of Franchisee (or its Managing Owner) or an approved manager who has successfully completed the Training Program. Franchisee (or its Managing Owner) and/or the manager must devote sufficient time and attention to performing their duties under this Agreement, including a minimum of 30 hours per week of their physical presence to oversee and actively supervise the operation of the Franchised Business during operating hours. If Franchisee (or its Managing Owner) will not actively and directly supervise the operation of the Franchise Business, Franchisor may, in its sole discretion, require that the approved manager have at least a 10% ownership interest in the Franchised Business. If the approved manager is terminated, leaves the employ of Franchisee or otherwise fails to devote his or her full time and best efforts to the management and operation of the Franchised Business, Franchisee must, within 30 days from such event, hire a new manager (approved by Franchisor) who must successfully complete the Training Program within the timeframe Franchisor specifies.

9.4.3 No Competing or Conflicting Activities. If, at any time during the Term, Franchisee or its owners/principals wish to engage in or operate any other type of business which may distract from the Franchised Business or potentially conflict with Franchisee's obligations hereunder, Franchisee must receive Franchisor's written approval before proceeding with such other business. Franchisee shall provide Franchisor with a business plan that will describe in substantial detail how the Franchised Business will be operated according to the terms of this Agreement and Franchisor's requirements while simultaneously operating another business. If Franchisor reasonably believes that such other business will compete with the Franchised Business, adversely affect the operation of the Franchised Business, or conflict with Franchisee's obligations under this Agreement, Franchisor may disapprove such other business. Franchisor's approval will not be unreasonably withheld. Franchisor reserves the right to approve participation in another business by any of Franchisee's principals and/or affiliates who are involved in the operation of the Franchised Business. Franchisee (and its owners and affiliates) may operate or engage in an additional business without Franchisor's prior consent, provided that such business does not compete with or distract from the Franchised Business, adversely affect the Franchised Business, or conflict with Franchisee's (or its owners') obligations under this Agreement.

9.5 Service Vehicle

Franchisee shall be obligated to purchase or lease the Service Vehicle(s) required by Franchisor to be used in the operation of the Franchised Business, the specifications for which are set forth in the Manual and are subject to change from time to time. All Service Vehicle(s) utilized in your Franchised Business must meet our System standards and must meet our specifications for equipment, safety, layout, appearance, decor and model. The Service Vehicle(s) must be wrapped and otherwise decorated in accordance with our System standards, which will include utilizing logos and designs that we specify or approve. We may

require you to obtain equipment, wrapping and other decorative services for your Service Vehicle(s) from suppliers that we designate. You must also upgrade, maintain and replace your Service Vehicle(s) periodically in accordance with System standards that we specify in the Manuals and otherwise from time to time, including appearance, logos, wraps, colors and signage. For purposes of this Section 9.5, a Service Vehicle used to provide junk removal services under the College Hunks Hauling Junk® brand is referred to as a “**junk truck**,” and a Service Vehicle used to provide moving services under the College Hunks Moving® brand is referred to as a “**moving truck**.” Franchisee acknowledges and agrees that Franchisor’s standards and specifications for moving trucks may be different from the standards and specifications for junk trucks. If Franchisee wishes to purchase used Service Vehicle(s), such Service Vehicle(s) must be no more than eight years old, and must be approved by Franchisor prior to purchase, which approval will not be unreasonably withheld. If Franchisee is opening a new Franchised Business, Franchisee must acquire a Service Vehicle(s) of the model year or newer in which they are commencing operations of the Franchised Business. If Franchisee is purchasing an existing location (transfer) and Franchisee determines that an additional Service Vehicle(s) is to be purchased at the time Franchisee is purchasing the Franchised Business, then Franchisee must acquire a Service Vehicle(s) of the model year or newer in which they take over operations of the Franchised Business.

9.5.1 Number of Service Vehicles.

(a) Franchisee shall commence operation of the Franchised Business with at least 1 Service Vehicle for each service provided (i.e., junk removal and/or moving). For example, if you purchase the College Hunks Hauling Junk® brand only, then you must start operating with one junk truck. If you purchase the College Hunks Hauling Junk® and the College Hunks Moving® brands, then you must commence operations with one junk truck and one moving truck. Franchisee must maintain at all times at least one Service Vehicle for each service provided.

(b) Franchisee shall add a 2nd junk truck or moving truck, as applicable, for each service provided (i.e., junk removal and/or moving) when the Franchised Business achieves Gross Sales of \$18,000 or more for such service (i.e., junk removal or moving) in any given month. Franchisee shall thereafter add an additional junk truck and/or moving truck, as applicable, whenever its average Gross Sales per existing Service Vehicle for such service equal \$18,000 or more in any given month. Notwithstanding the foregoing, if Franchisee owns 3 or more Zones, Franchisee shall have at least 1 Service Vehicle in operation for each service provided (i.e., junk removal and/or moving) per Zone no later than the commencement of the 3rd year of operations, regardless of the level of Gross Sales, or Franchisee will automatically forfeit its rights to any Zone(s) for which Franchisee does not have a junk truck and/or moving truck, as applicable, in operation.

(c) Franchisee may add additional Service Vehicles to better serve his/her clients, subject to the advance written consent of Franchisor. Franchisor shall not unreasonably withhold its consent allowing Franchisee to add a Service Vehicle, but may request, and Franchisee shall provide, any information relating to Franchisee’s Franchised Business to assist Franchisor in making its determination.

(d) If Franchisee purchases additional Zone(s) during the Term, Franchisor may require Franchisee to add additional Service Vehicle(s) sooner than would otherwise be required under this Section, as a condition of acquiring such Zone(s). Franchisor may also require Franchisee to acquire additional Service Vehicle(s) as a condition of the grant of a renewal Franchise Agreement upon expiration of this Agreement.

9.5.2 Use of Service Vehicle. Franchisee and his/her employees, agents and independent contractors shall travel to clients’ and prospective clients’ residential or small commercial properties only in Service Vehicles that have been acquired, designed, equipped, painted, decal, wrapped, decorated

and/or otherwise outfitted as specified and approved by Franchisor and no others. It is acknowledged that such restriction is necessary to present a uniform appearance to the public and preserve the goodwill associated with the Proprietary Marks. Franchisee understands and acknowledges that the Service Vehicle(s) shall only be used for projects and work approved and/or authorized by Franchisor, and for no other purpose. At Franchisor's direction, all Service Vehicles must utilize tracking or telematics systems using the software and equipment specified by Franchisor. Franchisee must grant and otherwise enable Franchisor to access the tracking, location and related data for each Service Vehicle as Franchisor determines appropriate. Franchisor reserves the right to require Franchisee to place vehicle cameras on, and in, the Service Vehicle(s).

9.5.3 Condition. Franchisee shall maintain his/her Service Vehicle(s) in good working order, performing scheduled maintenance as recommended by the manufacturer and repairing all malfunctions promptly. Franchisee shall also ensure that each Service Vehicle is equipped with all of the items and accessories required by Franchisor, as well as displaying approved wrapping, signage and logos. Franchisee shall be required to replace a Service Vehicle: (a) at least every 7 years, or earlier, depending on the age and condition of the Service Vehicle; and (b) whenever directed by Franchisor if the Service Vehicle does not meet its then current standards.

9.5.4 Cleanliness and Appearance. Franchisee shall keep all of its Service Vehicle(s) neat and clean, and consistent with the image of the Franchised Business as a professionally operated junk removal and/or moving services business.

9.5.5 Indemnification: Independent Contractor. All Service Vehicles must maintain in a conspicuous place signage approved by Franchisor that the Franchised Business is independently owned and operated by Franchisee pursuant to an agreement with Franchisor. Nothing in this Agreement is intended to create a fiduciary relationship between Franchisee and Franchisor or to cause Franchisee to be an agent, legal representative, subsidiary, joint venture, partner, employee or servant of Franchisor for any purpose whatsoever. It is understood and agreed that Franchisee is an independent contractor and is in no way authorized to make any contract, warranty or representation or to create any obligation on behalf of Franchisor.

9.5.6 Disposition. Under no circumstances shall Franchisee allow a Service Vehicle to come into the possession of anyone who is not a College Hunks Moving® or College Hunks Hauling Junk® franchisee without first removing and/or obliterating all the logos, signage and Proprietary Marks. When Franchisee disposes of any Service Vehicle, he/she must give Franchisor prior written notice of such disposition, including verification of the removal of all logos, signage and Proprietary Marks. In addition, during the Term, Franchisee may not, without Franchisor's written consent, assign or sublet a lease for any Service Vehicle.

9.5.7 Safe Driving. Franchisee shall hire and use only safe and courteous drivers of his/her Service Vehicle(s) and shall maintain at all times during the Term such automobile insurance policies and coverage amounts as may be prescribed in the Manual from time to time. Franchisor reserves the right to require Franchisee to put any and all of Franchisee's employees who operate or ride within a Service Vehicle through a driver safety class and/or driver safety training.

9.5.8 Compliance with Law. Franchisee shall at all times cause himself/herself and his/her employees, agents and independent contractors, along with all Service Vehicles, to be in full compliance with all applicable laws and regulations pertaining to all Service Vehicles, including, but not limited to, any requirements relating to licensing of drivers.

9.5.9 Taxes and License Fees. Franchisee shall promptly pay all license and use charges and taxes assessed on or pertaining to his/her Service Vehicle(s) and shall hold Franchisor harmless therefrom.

9.5.10 Inspection. Franchisor, by its agents, employees and attorneys, shall have the right at all times during regular business hours, and without prior notice to Franchisee, to inspect the interior and exterior of Franchisee's Service Vehicle(s) to ascertain if Franchisee is in compliance with his/her obligations under this Agreement and the Manual. Such inspection(s) may include, without limitation, verification of correct registration, licensing and insurance. Franchisee shall cooperate, and shall cause his/her employees to cooperate, fully with such inspection(s), and shall give his/her permission as may be necessary to allow Franchisor to obtain government and insurance company records pertaining to ownership and/or operation of the Service Vehicle(s), and promptly deliver the information and documentation referred to herein to Franchisor, upon Franchisor's request.

9.5.11 Reports. Franchisee shall, when adding a Service Vehicle to the Franchised Business, report to Franchisor in writing the identity of the Service Vehicle Franchisee is adding. Also, Franchisee shall, from time to time as requested by Franchisor or pursuant to this Agreement, report to Franchisor in writing the identity of all Service Vehicles Franchisee is then using in connection with the Franchised Business. Franchisee shall also report to Franchisor in writing each time Franchisee disposes of any Service Vehicle, setting forth the date of disposition, the name and address of the purchaser, and a description of the measures taken to obliterate all resemblance to a College Hunks Hauling Junk® or College Hunks Moving® Service Vehicle. These reports shall also include such other information as Franchisor may reasonably require, and shall be made on such forms, and at such times, as prescribed by Franchisor.

9.5.12 Lease of Service Vehicle. In the event Franchisee leases his/her Service Vehicle(s), rather than purchasing them, the following shall apply:

(a) Franchisee shall provide Franchisor with a copy of the proposed lease offer for the Service Vehicle for Franchisor's approval. Upon execution of the lease for the Service Vehicle(s), Franchisee shall provide Franchisor with copies of all lease documents, including the vehicle identification number for each Service Vehicle.

9.5.13 Purchase of Service Vehicle. If Franchisee purchases his/her Service Vehicle(s), rather than leasing them, the form of any purchase contract and/or financing documents shall contain the following provisions:

(a) a provision which requires any lender concurrently to provide Franchisor with a copy of any written notice of deficiency or default under the terms of the loan sent to Franchisee or its affiliate as the purchaser; and

(b) a provision granting Franchisor, at its option, the right (but not the obligation) to cure any deficiency or default under the loan should Franchisee fail to do so, within 10 days after the expiration of any period in which Franchisee may cure such default or deficiency. Franchisee shall thereafter reimburse Franchisor for such amounts immediately upon demand.

9.6 Acknowledgments

Franchisee acknowledges that he/she is one of a number of franchisees, each of whose success depends in substantial part on the integrity, reputation and marketing efforts of each other franchisee. Franchisee further acknowledges that the value of the Proprietary Marks and of membership in the System to Franchisee, to Franchisor and to each other franchisee depends on the maintenance of uniform standards

of quality, integrity and appearance. Franchisee further acknowledges that any action which impairs the reputation and goodwill of the Proprietary Marks, impairs or adversely affects the objectives of Franchisor or brings Franchisor into disrepute, or departs from the uniform practices specified by Franchisor, will be likely to injure all members of the System.

9.7 Franchisor's Directives

Franchisee agrees that he/she will at all times adopt and follow all Franchisor's directives concerning the appearance of Franchisee's premises and Service Vehicles, the quality and appearance of goods and services offered, the appearance of Franchisee and his/her staff, other business practices and other matters likely to affect the public perception of the System as a unified and reliable network of companies. Franchisee will offer all of, and only, the goods and services which Franchisor authorizes for College Hunks Hauling Junk® and/or College Hunks Moving® businesses.

9.8 Variances

Complete and detailed uniformity under many varying conditions may not be possible or practicable, and Franchisor therefore reserves the right and privilege, at the sole and absolute discretion of Franchisor and as Franchisor may deem in the best interest of all concerned in any specific instance, to vary standards to accommodate special needs of Franchisee, or those of any other franchisee, based upon the peculiarities of a particular site or location, density of population, business potential, population of trade area, existing business practices, requirements of local law or local custom, or any other condition which Franchisor deems to be of importance to the successful operation of such franchisee's business. Further, Franchisor may from time to time allow certain franchisees to depart from normal System standards and routines in certain respects in order to experiment with or test new products or services, equipment, Service Vehicles, designs, procedures and the like. In no event shall such variance, or such testing, be deemed a waiver of any of Franchisor's rights, or an excuse from performance of any of Franchisee's duties hereunder. Franchisor may at any time require Franchisee to commence full compliance with all of Franchisor's standards and procedures. Franchisor shall not under any circumstances be required to grant any variance to Franchisee. Nothing contained in this Article is intended to confer on Franchisee any right to compel Franchisor to grant a variance to Franchisee or to grant, withdraw or modify any variance given to any other franchisee. Such matters shall at all times remain within the sole and absolute discretion of Franchisor.

9.9 Client Referrals

The First Contact Sales & Loyalty Center is the primary scheduling database and will be the central point of contact for all customers. Franchisee must either: (a) refer prospective customers to the designated SLC; or (b) only if it has fully entered all required information into our designated software and platforms (currently HunkWare), Franchisee may book and perform Services for customers who have not previously had any contact with the SLC. The SLC's records will be dispositive in determining customer first contact.

9.10 Former Franchisees

Franchisee acknowledges that former franchisees (those whose franchise agreements have expired or have been terminated) are in a position to compete unfairly with Franchisee and/or other members of the System, and to cause great injury to the reputation of the System and/or the Proprietary Marks. Franchisee therefore agrees as follows:

9.10.1 Franchisee will not sell, loan, give or otherwise transfer or deliver to any former franchisee, or allow any former franchisee to copy or otherwise obtain, any confidential business information about the System; any advertising or promotional materials produced by the Brand

Development Fund or by Franchisor or which bear any of the Proprietary Marks; any other materials or publications of Franchisor, including, without limitation, the Manual; any directory or roster of franchisees or approved suppliers, any other client lists or mailing lists pertaining in any way to the System; or any other information about the Franchised Business or the System which is not available to the public.

9.10.2 Franchisee will not refer prospective clients to any former franchisee.

9.10.3 Franchisee will not notify or advise any former franchisee of, or in any other way assist any former franchisee in learning about, the date, time and place of any meetings of franchisees.

9.10.4 If Franchisee observes any former franchisee using any of the Proprietary Marks in any way, or utilizing business premises or motor vehicles from which the Proprietary Marks and/or distinctive color scheme have not been completely obliterated, Franchisee shall immediately report such observation to Franchisor, along with all details available to Franchisee.

9.10.5 Franchisee shall in general have no dealings with any former franchisees of the System.

9.10.6 The provisions of Section 9.10 of this Agreement shall apply to Franchisee as soon as Franchisee is on notice of the expiration or termination of another franchise agreement. Franchisee shall be deemed to be on such notice when:

(a) Franchisee receives a new Franchisee Directory in which such franchise does not appear; or

(b) Franchisee receives written notice from Franchisor that 1 or more particular franchise agreements have expired or have been terminated.

9.11 Computer System

9.11.1 Computer Hardware. Franchisee shall (at his/her sole cost and expense) purchase or lease and maintain throughout the Term computer hardware and peripheral equipment meeting Franchisor's specifications. Franchisee understands and acknowledges that such computer hardware is required to utilize the Software. Franchisee shall provide to Franchisor any user IDs and passwords related to Franchisee's computer system as Franchisor requires. Franchisor reserves the right to require Franchisee to install and maintain systems that permit Franchisor to access and retrieve electronically any information stored in Franchisee's computer system, including, without limitation, information concerning the Gross Sales of the Franchised Business.

9.11.2 Technology Changes. Franchisee acknowledges and agrees that changes to technology are dynamic and not predictable within the Term. In order to provide for inevitable but unpredictable changes to technological needs and opportunities, Franchisee agrees that Franchisor shall have the right to establish reasonable new standards (in writing) for the implementation of technology in the System. Franchisee agrees to abide by and fully adopt and implement, at its expense, any reasonable new technology standards established by Franchisor from time to time. There are no contractual limits on this obligation.

9.12 Data Ownership, Use, and Protection.

9.12.1 Ownership. Franchisee agrees and acknowledges that, with the exception of its personnel records and information relating to its employees, Franchisor is the sole owner of any data collected or processed by Franchisee in relation to the Franchised Business, including, without limitation,

any information relating to customers, sales, profitability (“Franchisor Data”). Franchisor grants Franchisee a limited license to use the Franchisor Data during the Term for the sole purpose of operating the Franchised Business, which license shall be automatically revoked upon the earlier of the termination or expiration of this Agreement;

9.12.2 Data and Consumer Protection Laws. Franchisee represents, warrants and covenants that it is familiar with the requirements of, and that it has been, is and will continue at all times to be, in compliance with all consumer protection, data protection, privacy and cybersecurity laws applicable to the Franchised Business, the System, Franchisor or Franchisee, including but not limited to the Regulation 2016/679 of the European Parliament and of the Council on the protection of natural persons with regard to the Processing of Personal Data and on the free movement of such data (General Data Protection Regulation) (“GDPR”), the California Consumer Privacy Act of 2018 (“CCPA”), the Telephone Consumer Protection Act of 1991 (“TCPA”), the Controlling the Assault of Non-Solicited Pornography and Marketing Act (the “CAN-SPAM Act”), the Telemarketing Sales Rule (“TSR”) and the Junk Fax Prevention Act, any regulations related thereto, and similar federal, state and local privacy-related and telemarketing-related laws, rules, regulations and ordinances (collectively “Data Protection Laws”). In the event that Franchisee receives notice of a potential violation of any Data Protection laws from any person or entity, Franchisee shall notify Franchisor by e-mail at legalandbrandprotection@chhj.com within fifteen (15) calendar days following Franchisee’s receipt of such notice, action or investigation. Additionally, Franchisee shall take such actions and execute such documents, disclosures, and notices as required by law or as requested by Franchisor that are necessary for compliance with any of the Data Protection Laws by Franchisor. Franchisee will reimburse Franchisor for all costs and damages incurred in connection with Franchisee’s non-compliance with the Data Protection Laws.

9.12.3 Individual Rights Requests. Franchisee shall promptly notify Franchisor, and in any case within two (2) days of receipt, unless specifically prohibited by laws applicable to Franchisee, if Franchisee receives (i) any requests from an individual with respect to the consumer’s personally identifiable information, including opt-out requests, requests for access and/or rectification, erasure, restriction, requests for data portability and all similar requests; or (ii) any complaint relating to the processing of personally identifiable information, including allegations that the processing infringes on an individual’s rights (“Individual Rights Requests”). Franchisee will provide relevant information and assistance reasonably requested by Franchisor to demonstrate Franchisee’s compliance with its obligations under this Agreement and assist Franchisor in meeting its obligations under Data Protection Laws regarding: (i) ensuring the security of Franchisor Data; and (ii) the carrying out of privacy and data protection impact assessments and related consultations of data protection authorities. Franchisee agrees that it will inform Franchisor if it believes that any Franchisor instructions made in the context of an audit or inquiry regarding the collection or processing of Franchisor Data pursuant to this Agreement would violate applicable law. If Franchisee develops any online presence, in compliance with the Manual, Franchisee shall be solely responsible for ensuring such online presence is maintained with accurate disclosures and policy notices and complies with Data Protection Laws.

9.12.4 Protection of Data. Franchisee shall and shall cause its employees and representatives to implement, maintain and enforce adequate administrative, electronic, technical, physical, logical, and other security measures and safeguards consistent with the most stringent and protective of the following: (a) industry best practices; (b) any applicable Franchisor policies (c) the information security policies of Franchisee; and (d) applicable laws in order to: (i) prevent unauthorized access, use or disclosure of the Franchisor Data and Confidential Information of Franchisor (including during storage, transmission and disposal); (ii) protect against any anticipated threats or hazards to the security or integrity of the Franchisor Data and Confidential Information of Franchisor; (iii) limit access to the Franchisor Data and Confidential Information of Franchisor to those personnel of Franchisee who have a reasonable need for such information; and (iv) ensure the proper, secure and lawful storage, transmission and disposal of the

Franchisor Data and Confidential Information within possession or control of Franchisee, its employees, or other representatives. Franchisee shall and shall cause its employees, or other representatives to encrypt all Franchisor Data during storage and transmission. Franchisor may, from time to time, notify Franchisee of additional, new or updated security requirements; provided, that Franchisee shall be responsible for any Franchisee costs required to implement such requirements. Franchisee shall and shall cause its employees and representatives to comply with such new security requirements within sixty (60) days of notice thereof. Franchisee shall ensure that Franchisor Data is not physically transferred to, accessed by, or otherwise processed by any personnel or systems outside of the United States or any country or territory where the Franchised Business is located; provided, however, that Franchisor shall have unlimited access to such Franchisor Data.

9.12.5 Unauthorized Disclosure of Data. Franchisee agrees to monitor its system for unauthorized access and to implement an incident response policy that specifies actions to be taken when Franchisee detects or becomes aware of such unauthorized access to its information systems. As part of such response programs, Franchisee agrees to notify Franchisor, by telephone, within twenty four (24) hours upon becoming aware of any breach, or attempted or suspected breach, of its security related to areas, locations, or computer systems which contain any Franchisor Data or other Confidential Information, including (without limitation) any instance of theft, loss, unauthorized access, alteration or destruction by fraud, deception, or other malfeasance or inadvertent access (a “Security Incident”). For the avoidance of doubt, a Security Incident will include, without limitation, a ransomware attack, distributed denial-of-service attack or any other similar incident whereby a third party obtains control over Franchisee’s systems. In the event of any such Security Incident, Franchisee shall further provide to Franchisor, in writing, such details concerning the Security Incident as Franchisor may reasonably request and shall reasonably cooperate with Franchisor, its regulators and law enforcement to assist in regaining possession of such Confidential Information and prevent its further unauthorized use, and take (and document) any necessary remedial actions as may be required to prevent other or further Security Incidents. All information relating to the Security Incident must be retained by Franchisee until Franchisor has consented in writing to its destruction. If requested by Franchisor and subject to Franchisor’s confidentiality obligations, Franchisee shall permit Franchisor and its agents to access Franchisee’s facilities and/or the affected hardware or software, as applicable, to conduct a forensic analysis of such Security Incident. Depending upon the type and scope of the Security Incident, Franchisor personnel may participate in: (i) interviews with Franchisee’s employees and subcontractors involved in the Security Incident; and (ii) review of all relevant records, logs, files, reporting data, systems, Franchisee devices, and other materials as otherwise required by Franchisor. If Franchisor determines that it may need to notify any individual(s) as a result of such Security Incident (unless such Security Incident was solely caused by Franchisor’s negligence), Franchisee shall bear all direct and indirect costs associated with such determination including, without limitation, the costs associated with remedial measures (including, without limitation, notice to affected individuals, credit monitoring services, identity restoration services, fraud insurance, the establishment of a call center to respond to customer inquiries and any forensic analysis required to determine the scope of the Security Incident). Franchisee’s obligations under this Section and any breach by Franchisee of the obligations in this Section shall not be subject to any limitations on damages suffered by Franchisor. No limitation or exclusion in the Agreement shall limit Franchisor’s rights to recover from Franchisee damages, losses or sanctions suffered by Franchisor to the extent of amounts recovered by, or sanctions awarded to, a third party which are caused by Franchisee’s breach of the obligations in this Section, regardless of how such amounts or sanctions awarded to such third party are characterized.

9.12.6 PCI Compliance. Without limiting any other obligation of Franchisee under this Agreement, Franchisee acknowledges and agrees that it is responsible for securing data related to any and all payment methods by customers (“Payment Card Data”) and that the following provisions shall apply:

(a) Franchisee shall and shall cause its employees and representatives to comply with (a) the most current version of the Payment Card Industry Data Security Standards (including the payment application data security standards), as amended or updated from time to time (the “PCI Security Standards”) and (b) the requirements set forth herein for the handling of Payment Card Data and any such related obligations as reasonably requested by Franchisor from time to time.

(b) Franchisee acknowledges and agrees that Payment Card Data may only be used for assisting in completing a card transaction, for fraud control services, or as otherwise permitted by Franchisor. Franchisee shall handle all Payment Card Data in accordance with the PCI Security Standards, applicable law and the requirements of the agreements between Franchisee and processors of Payment Card Data.

(c) In the event of a Security Incident with respect to Payment Card Data, in addition to the obligations of Franchisee set forth in this Section 9.12, Franchisee shall and shall cause its employees and representatives to promptly provide Franchisor or its designee (e.g., Visa, MasterCard, American Express, Discover), and the issuing financial institution and their respective designees access to the facilities and all pertinent records of Franchisee and its employees and representatives to conduct a review of Franchisee’s compliance with the requirements set forth in this Section. Franchisee shall and shall cause its employees and representatives to cooperate fully with any reviews of their facilities and records provided for in this paragraph. Franchisee agrees to keep confidential any breach of security involving Payment Card Data and will direct all public communications regarding such breach to Franchisor.

(d) Franchisee is responsible for securing and protecting the confidentiality of Payment Card Data in its possession for as long as the Payment Card Data is maintained, including after expiration or termination of this Agreement.

9.13 Authorized Products and Services

9.13.1 The reputation and goodwill of Franchisor is based upon and can be maintained and enhanced only by the provision of high-quality Services and other related products and services. Franchisee agrees, therefore, that he/she will only offer such Services and other products and services that Franchisor shall authorize for the Franchised Business, including but not limited to any newly developed proprietary products or equipment by Franchisor. Franchisee further agrees that he/she will not sell his/her client list(s) or client contracts, or otherwise use his/her client list(s) for any purpose other than in connection with the operation of his/her Franchised Business. Franchisee agrees that he/she will not, without the prior written approval by Franchisor, offer or sell any type of service or offer, sell or use any product that is not authorized by Franchisor for the Franchised Business. Franchisee further agrees that any equipment used in Franchised Businesses shall not be used for any purpose other than the operation of his/her Franchised Business in compliance with this Agreement, the Manual, and Franchisor’s written directives. Franchisee shall not offer or sell (i) any products or services that are competitive with the products and services offered by College Hunks Hauling Junk® or College Hunks Moving® businesses; or (ii) any products or services that are competitive with other products and services offered (now or in the future) by Franchisor or its affiliates, such as re-usable moving boxes, moving or storage containers, and storage services.

9.13.2 Subject to the provisions of Section 5.19 above, in the event Franchisee proposes to offer for sale through the Franchised Business any products or services not previously designated or approved by Franchisor, then Franchisee must first submit the proposed product or service to Franchisor for consideration and approval. Franchisor will consider the proposed product or service and respond to Franchisee within a reasonable time as to whether or not the product or service is approved for sale through the Franchised Business. Franchisor reserves the right to make alterations to the proposed product or service as a condition of approval. Franchisee acknowledges and agrees that, with respect to any change,

amendment, or improvement in the System or proposed products or services for which Franchisee requests Franchisor's approval: (i) Franchisor shall have the right to incorporate the proposed change into the System and shall thereupon obtain all right, title, and interest therein without compensation to Franchisee, (ii) Franchisor shall not be obligated to approve or accept any request to implement change, and (iii) Franchisor may from time to time revoke its approval of particular change or amendment to the System, and upon receipt of written notice of such revocation, Franchisee shall modify its activities in the manner described by Franchisor. It is understood and agreed that information, improvements to the System or techniques prepared, compiled or developed by Franchisee, its employees or agents during the Term and relating to the Franchised Business, whether developed separately or in conjunction with Franchisor, shall be considered as part of the Know How. Franchisee hereby grants to Franchisor an irrevocable, worldwide, exclusive, royalty-free license, with the right to sub-license such product or service.

9.14 Approved Products and Supplies

Franchisee agrees that all products and supplies used in his/her Franchised Business shall comply with Franchisor's specifications and quality standards. In order to maintain uniformity of concept and quality, all proprietary materials and forms used by Franchisee shall be purchased from Franchisor or its affiliates in accordance with the terms and procedures set forth in the Manual. The use or sale of unapproved products or services shall constitute a material and incurable breach of this Agreement. The Franchisor shall provide Franchisee with a list of approved products and supplies and shall from time to time issue revisions thereto. If Franchisee wishes to use any type or brand of product or supply item or wishes to purchase products or supplies from a supplier that is not currently approved by Franchisor, Franchisee shall notify Franchisor of his/her desire to do so and submit to Franchisor specifications, photographs, samples and/or other information requested by Franchisor. Franchisor shall, within a reasonable time, determine whether such products, supplies or such supplier meets its specifications and standards and notify Franchisee whether he/she is authorized to use such product or supply item or purchase from such supplier.

9.15 Employees

Franchisee is solely responsible for hiring, training and supervising its employees and independent contractors and must hire sufficient personnel to fully staff its Franchised Business in order to operate in accordance with standards of the System and uphold and represent the System to the highest standards. Franchisee's employees shall be under Franchisee's day-to-day control in implementing and maintaining Franchisor's System standards and specifications in the operation of the Franchised Business. Franchisor does not control the forms of employment agreements Franchisee uses with its employees and is not responsible for Franchisee's labor relations or employment practices. Franchisee has sole responsibility and authority for Franchisee's labor relations and employment practices, including, among other things, employee selection, promotion, termination, hours worked, rates of pay, other benefits, work assigned, discipline, and working conditions. Franchisee shall communicate clearly with its employees in any employment agreements, human resource manuals, written and electronic correspondence, paychecks, and other materials that Franchisee (and only Franchisee) is their employer and that CHHJ Franchising L.L.C., as franchisor of the College Hunks Hauling Junk® and College Hunks Moving® franchise system, is not their employer and does not engage in any employer-type activities (including those described above) for which only Franchisee is responsible.

9.16 Employee Training

Franchisee shall offer such continuing training programs to his/her managers as are specified in the Manual.

9.17 Advertising

Franchisee shall comply with all of the obligations regarding advertising as are set forth in Article XI of this Agreement.

9.18 Hours of Operation

The Franchisee shall operate his/her Franchised Business during those hours prescribed in the Manual.

9.19 Inspection

9.19.1 Franchisor or any of its authorized agents or representatives may, upon reasonable notice, inspect the Franchised Business during normal business hours to determine whether it is in compliance with this Agreement and with the System, including compliance with the minimum liquid capital provisions set forth in Section 9.1.3.

9.19.2 Further, Franchisee understands and consents to Franchisor's ability to access all files, data, accounts, reports and the like resulting from Franchisee's transmission of any required reports to Franchisor via computer.

9.19.3 If any such inspection should reveal that the Franchised Business is not adequately capitalized, such event shall be considered a default of this Agreement and Franchisee shall have 30 days within which to cure said default by bringing the capitalization of the Franchised Business up to required levels. Franchisee must, within said 30-day period, provide Franchisor with evidence that the Franchised Business has been adequately capitalized.

9.20 Reports

Franchisee shall submit to Franchisor such reports regarding the Franchised Business as Franchisor may prescribe in the Manual from time to time.

9.21 Good Faith

Franchisee shall act in good faith and use his/her best efforts to comply with his/her obligations under this Agreement and shall cooperate with Franchisor in accomplishing the purposes of this Agreement. Further, Franchisee shall not directly or indirectly engage in any activities which would be detrimental to or interfere with the operation or reputation of the Franchised Business, Franchisor, the System, or the operations of any other franchisee.

9.22 Ethics

Franchisee agrees to conduct his/her business in a manner that complies with the terms and intent of this Agreement; with national, state and local laws, regulations and ordinances; and with Franchisor's Code of Ethics (if and when adopted and published by Franchisor). Franchisee hereby authorized any federal, local or state body regulating or supervising junk removal practices or moving practices to release to Franchisor information related to complaints and to any disciplinary actions taken based upon Franchisee's practices. Franchisee agrees to notify Franchisor within 5 business days of any such complaints or disciplinary actions. Franchisee also agrees to maintain all permits, certificates and licenses (necessary for his/her franchise operation) in good standing and in accordance with applicable laws and regulations.

9.23 Customer Satisfaction; Operation of Franchised Business

Franchisee agrees to comply with Franchisor's requirements related to customer satisfaction as set forth in the Manual. Franchisee further agrees to participate in other customer satisfaction programs initiated by Franchisor, which may include a "mystery shop" program. In addition, Franchisee shall use its best efforts to ensure that the Franchised Business is performing satisfactorily, in Franchisor's opinion. If Franchisor does not believe that the Franchised Business is performing satisfactorily, Franchisee agrees to participate in enrichment training, as described in Article V above. Franchisor shall pay for costs related to a "mystery shop" program, provided that Franchisee is operating its Franchised Business satisfactorily. If Franchisor determines that a significant amount of negative feedback has occurred related to Franchisee's Franchised Business, Franchisor reserves the right, in its discretion, to require Franchisee to pay for all costs of additional mystery shopper services, which Franchisee agrees to pay when incurred and which shall be in addition to Franchisee's obligation to participate in and pay costs related to enrichment training.

9.24 Forms of Payment

Franchisee agrees that the only forms of payment it may accept from clients are check and credit card, unless otherwise approved in writing by Franchisor, in its sole discretion. Franchisee understands and acknowledges that this restriction, including the restriction that neither Franchisee nor any of its employees may accept cash as a form of payment, is for the benefit and safety of Franchisee and its employees. Franchisee shall apply for and maintain, at its expense, any credit card, debit card and/or other non-cash payment systems that Franchisor periodically requires. Franchisor reserves the right to designate the vendor(s) and/or service provider(s) for such payment systems.

9.25 Hazardous Materials

Franchisee will not deal in any way with any hazardous materials, including, but not limited to, oil or gasoline (except in connection with the operation of the Service Vehicle(s)); asbestos, any materials containing or contaminated with PCBs; liquid waste or sludge of any sort; septic tank sludge or waste; solvents, liquid paints or chemicals; and any other item which may be considered a "hazardous material," as such term is defined by the laws applicable to the Designated Territory or designated by us in the Manual.

9.26 Business Entity

If Franchisee is, or at any time becomes, a Business Entity, Franchisee agrees and represents that:

9.26.1 Franchisee has the authority to execute, deliver and perform its obligations under this Agreement and is duly organized or formed and validly existing in good standing under the laws of the state of its incorporation or formation;

9.26.2 Franchisee's organizational or governing documents will recite that the issuance and transfer of any ownership interests in the Business Entity are restricted by the terms of this Agreement, and all certificates and other documents representing ownership interests in Franchisee will bear a legend referring to the restrictions of this Agreement;

9.26.3 The Principal Owner's Statement attached hereto as Exhibit "F" completely and accurately describes all of Franchisee's owners and their respective interests in the Business Entity and lists each person who has voting or management rights and obligations. Franchisee agrees to promptly sign and deliver to Franchisor a revised Exhibit "F" to reflect any permitted changes in the information (no ownership changes may be made without Franchisor's prior written approval);

9.26.4 Each owner that is active in the Franchised Business or has legal or beneficial ownership of more than 10% or more of Franchisee's ownership interests (e.g., stock, membership interests, etc.) at any time during the Term shall sign and deliver to Franchisor a Principal Owner's Guaranty in the form attached hereto as Exhibit "C," undertaking personally to be bound, jointly and severally, by all of the provisions of this Agreement and any related agreements between Franchisor and Franchisee;

9.26.5 Upon Franchisor's request, Franchisee shall promptly furnish true and correct copies of all documents and contracts governing the rights, obligations and powers of Franchisee's owners and agents (like articles of incorporation/organization and partnership, operating or shareholder agreements).

ARTICLE X INSURANCE

10.1 Insurance Coverages

Prior to opening the Franchised Business for business, Franchisee must obtain the insurance coverages required by Franchisor under policies of insurance issued by carriers having an A.M. Best rating of "A" or better. Franchisor's then-current insurance requirements are contained in the Manual and are subject to change during the Term. Franchisee agrees to comply with any modified insurance requirements. As of the date of this Agreement, Franchisee shall purchase and maintain the following: (1) comprehensive general liability insurance and comprehensive product liability insurance against claims for bodily and personal injury, death, and property damage caused by or occurring in conjunction with the operation of the Franchised Business or Franchisee's conduct of business pursuant to this Agreement under 1 or more policies of insurance containing minimum liability coverage of \$1,000,000 per occurrence and \$2,000,000 aggregate; (2) Workers' Compensation or other employer's liability insurance as well as such other insurance as may be required by statute or rule in the state(s) in which the Franchised Business is located or operates; (3) automobile liability coverage, including coverage of owned, non-owned and hired vehicles, of \$1,000,000 per occurrence. Franchisee must maintain all required policies in force at all times during the Initial Term and any renewals thereof. Franchisor may periodically increase or decrease the amounts of coverage required under these insurance policies and require different or additional kinds of insurance at any time, including excess liability insurance, to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards, or other relevant changes in circumstances. Each insurance policy must name Franchisor (and, if Franchisor so requests, the directors, employees or shareholders of Franchisor) as additional insureds and must provide Franchisor with 30 days' advance written notice of any material modification, cancellation, or expiration of the policy.

Franchisor recommends that Franchisee obtain the following additional coverages: (1) general casualty insurance including fire and extended coverage, vandalism, theft, burglary and malicious mischief insurance for the replacement value of the Franchised Business and its contents; (2) employment practices liability insurance; (3) technology errors and omissions coverage, including network security/privacy covering liability for loss or damage due to an act, error, omission, or negligence and for claims arising from unauthorized access; and (4) an umbrella insurance policy.

If Franchisee will provide moving services from the Franchised Business, then Franchisee agrees to purchase cargo insurance for damage or loss to the cargo while it is being moved, and coverage while items are being loaded, unloaded or otherwise in Franchisee's possession. Such cargo insurance shall have minimum coverage of \$50,000 per Service Vehicle, regardless of the Service Vehicle's size or the amount of property being moved. We recommend, but do not require Franchisee to also obtain: (1) employee dishonesty insurance of not less than \$10,000; and (2) a third-party dishonesty bond of not less than \$10,000.

Before the expiration of the term of each insurance policy, Franchisee must furnish Franchisor with a Certificate of Insurance for each policy to be maintained for the upcoming term, along with evidence of the payment of the premium for each. If Franchisee does not maintain the required insurance coverage, or does not furnish Franchisor with satisfactory evidence of the required insurance coverage and the payment of the premiums for same, Franchisor may obtain, at its option and in addition to its other rights and remedies under this Agreement (including termination), any required insurance coverage on Franchisee's behalf. If Franchisor does that, Franchisee agrees to fully cooperate with Franchisor in its effort to obtain the insurance policies, promptly execute all forms or instruments required to obtain or maintain the insurance, allow any inspections of the Franchised Business which are required to obtain or maintain the insurance and pay to Franchisor, on demand, any costs and premiums Franchisor incurs.

10.2 Obligation to Maintain Insurance Coverage

Franchisee's obligation to maintain insurance coverage, as described in this Agreement, will not be reduced in any manner by reason of any separate insurance Franchisor maintains on its own behalf, nor will Franchisor's maintenance of that insurance relieve Franchisee of any obligations under this Article X.

10.3 Reports of Losses

Franchisor reserves the right to obtain from Franchisee's insurance carrier(s) periodic reports of losses (such as monthly, quarterly and/or annually), and Franchisee shall authorize his/her insurance carrier(s) to provide Franchisor with such reports.

10.4 Captive Insurance Program

Franchisor has created a captive insurance program. If Franchisee obtains some or all of its insurance coverages through a captive insurance program, Franchisee must participate in the captive insurance program specified or otherwise approved by Franchisor. Franchisor may also specify the broker or any other providers Franchisee must use in connection with the captive insurance program. Franchisee's ability to participate in the captive insurance program will be subject to the qualifications specified by the captive insurance program provider and Franchisor. Franchisee's participation in the captive insurance program will also be subject to any requirements specified by Franchisor, which may include, but are not limited to, accident reporting deadlines, cooperation in claims reviews, participation in risk control meetings and training programs, equipping all Service Vehicles with onboard telematics and cameras specified by Franchisor, and allowing Franchisor access to information reported to or provided by the captive insurance provider (such as claims made, premiums paid, and risk analysis and control information). Franchisor may also require Franchisee to sign a separate agreement or addendum with Franchisor and the payment of fees and/or the reimbursement of expenses to Franchisor as a condition of participating in the captive insurance program.

ARTICLE XI ADVERTISING

11.1 Approval by Franchisor

Franchisee shall use for his/her advertising and Promotional Activities only those materials, concepts and programs which have been furnished or approved in advance by Franchisor by specification in the Manual or otherwise. Franchisee acknowledges that Franchisor may be one of, or the only, approved supplier for certain advertising and promotional materials and programs.

11.2 Brand Development Fund

Franchisor has created and will maintain and administer a system-wide brand development fund (the “**Brand Development Fund**”) for such brand development activities, materials and programs as Franchisor may deem necessary or appropriate. The responsibility for creation and administration of the Brand Development Fund shall remain with Franchisor. Online bookings as well as advertising and Promotional Activities (collectively, “**Promotional Activities**”) conducted by the Brand Development Fund shall be funded by Brand Development Fees paid by Franchisee to Franchisor, and Franchisee agrees to participate in any Promotional Activities. Franchisor shall have the sole right to determine, in its sole discretion, the composition of all geographic and market areas for the implementation of advertising and Promotional Activities of the Brand Development Fund.

Franchisee’s Brand Development Fees shall be placed in the Brand Development Fund, managed by Franchisor. Franchisor will spend the majority of contributions to the Brand Development Fund on any of the following: (1) website development and advertising, (2) local or regional advertising, media, promotion or marketing or local or regional public relations programs, (3) other activities connected to the promotion and marketing of the Proprietary Marks and the System; or (4) retaining advertising and/or public relations agencies or personnel in relation to developing advertising. Franchisor may also spend a portion of the contributions to the Brand Development Fund to engage in test marketing, to conduct research, surveys of advertising effectiveness, produce new commercials and other promotional and advertising materials and programs, or other purposes deemed beneficial by Franchisor for the general recognition of the Proprietary Marks and the System. Franchisor shall be entitled to: (i) reimburse itself out of the Brand Development Fund for the total costs (including indirect costs) of developing, producing, implementing and/or distributing any advertising programs or materials and collecting Brand Development Fees, including accounting, collection, bookkeeping, reporting and legal expenses incurred with respect to the administration and development of the Brand Development Fund; and (ii) charge the Brand Development Fund an administrative fee equal to 20% of the amounts actually expended to cover Franchisee’s related services, salaries, supplies, and overhead expenses.

All sums paid by franchisees to the Brand Development Fund, and any income earned thereon, shall be accounted for separately and shall be used only for the purposes specified herein. Franchisee shall, upon his/her written request, receive on an annual basis within 120 days after the end of each fiscal year a report describing the activity of the Brand Development Fund, which report is not required to be audited. Franchisor shall be entitled to reimburse itself for reasonable accounting, collection, bookkeeping, reporting and legal expenses incurred with respect to the Brand Development Fund. Franchisor shall not be liable for any act or omission with respect to the Brand Development Fund which is consistent with this Agreement or done in good faith.

The Brand Development Fund is not Franchisor’s asset. The Brand Development Fund is not a trust, and Franchisor does not owe Franchisee fiduciary obligations because of Franchisor’s maintaining, directing or administering the Brand Development Fund or for any other reason. Franchisor may spend in any fiscal year an amount greater or less than the aggregate contribution of Franchised Businesses to the Brand Development Fund in that year and Franchisor may make loans to the Brand Development Fund (and the Brand Development Fund may borrow from Franchisor or other lenders) bearing reasonable interest to cover any deficits of the Brand Development Fund or cause the Brand Development Fund to invest any surplus for future use by the Brand Development Fund. Any monies remaining in the Brand Development Fund at the end of any fiscal year shall carry forward to be spent in the next year. Franchisor may incorporate the Brand Development Fund or operate it through a separate entity whenever Franchisor deems appropriate. The successor entity will have all of the rights and duties specified in this Subsection.

Franchisee understands and acknowledges that the Brand Development Fund is intended to maximize general public recognition and patronage of the Franchised Businesses and the Proprietary Marks for the benefit of all Franchised Businesses. Franchisor undertakes no obligation to ensure that expenditures by the Brand Development Fund are proportionate or equivalent to contributions by Franchised Businesses or that any Franchised Business will benefit direct or in proportion to its contribution to the Brand Development Fund from the conduct of marketing programs or the placement of advertising.

Franchisor has the right, but no obligation, to use collection agents and institute legal proceedings to collect Brand Development Fees at the Brand Development Fund's expense. Franchisor also may forgive, waive, settle and compromise all claims by or against the Brand Development Fund. Except as expressly provided in this Subsection, Franchisor assumes no direct or indirect liability or obligation to Franchisee for collecting amounts used in maintaining, directing or administering the Brand Development Fund.

Franchisor may at any time defer or reduce the Brand Development Fee of a Franchised Business, and upon 30 days' prior written notice to Franchisee, reduce or suspend Brand Development Fees and operations for one or more periods of any length and terminate (and, if terminated, reinstate) the Brand Development Fund. If Franchisor terminates the Brand Development Fund, Franchisor will distribute all unspent monies to all Franchised Businesses (whether franchised or operated by Franchisor or its affiliates) in proportion to their respective Brand Development Fund contributions during the preceding 12-month period. If Franchisor elects to reinstate the Brand Development Fund, any reinstated Brand Development Fund shall be maintained as described herein.

11.3 Business Ramp-Up Advertising

Franchisee shall provide Franchisor with a written plan, for Franchisor's approval, for a business commencement, launch and ramp-up advertising campaign (the "**Ramp-Up Campaign**") to be incurred in connection with the opening and initial operations of the Franchised Business and spend not less than \$10,000 per service, per Zone on such Ramp-Up Campaign. The Ramp-Up Campaign for the move service shall be conducted within the first 180 days of the move service of the Franchised Business being open for business. The Ramp-Up Campaign for the junk removal service shall be conducted within the first 180 days of the junk removal service of the Franchised Business being open for business. Franchisee will conduct the Ramp-Up Campaign strictly in accordance with the programs specified by Franchisor. At Franchisor's option, it may require Franchisee to pay to Franchisor the amount for Franchisee's Ramp-Up Campaign, and Franchisor shall spend such money on Franchisee's behalf.

11.4 Local Advertising

In addition to the contributions to the Brand Development Fund described above, Franchisee shall also be required to spend no less than \$1,500 for moving service advertisement, per Zone, and \$1,100 for junk hauling advertisement, per Zone, or 8% of Gross Sales, whichever is greater, each month on local advertising and marketing. Such amount does not include the cost of marketing collateral and supplies. Franchisor may, from time to time, offer Franchisee approved local marketing plans and materials on the same terms and conditions as Franchisor is then offering to its other franchisees. Prior to their use by Franchisee, samples of all local marketing materials not prepared or previously approved by Franchisor shall be submitted to Franchisor for written approval, which approval shall not be unreasonably withheld; provided that Franchisee's advertising and/or marketing materials shall only list the phone number specified by Franchisor and not any other phone number, and further provided that such advertising and/or marketing materials will only reference Franchisor's website and the telephone number of the First Contact Sales & Loyalty Center. Once approved, such advertising or marketing materials will become Franchisor's property which Franchisor may use for its own purposes. Upon request from Franchisor, Franchisee shall provide Franchisor with verification of all expenditures for local advertising within 30 days of such request. If

Franchisee fails to provide such local advertising verification or if Franchisor determines that Franchisee has not expended the required minimum for local advertising, then Franchisor reserves the right to require Franchisee to give Franchisor the money that Franchisee is required to spend on local advertising as described herein, and Franchisor shall advertise in Franchisee's local area on Franchisee's behalf. In such event, Franchisor will provide reports of such local advertising to Franchisee.

11.5 Cooperative Advertising

Franchisor has the right, in its sole discretion, to designate any region or area in which 2 or more Franchised Businesses are operating as an area in which to establish an advertising cooperative (the "**Cooperative**"). If a Cooperative is formed among franchisees within a region, the Cooperative must receive Franchisor's approval, which will not be unreasonably withheld. The Cooperative will conduct advertising campaigns for the Franchised Businesses located in that region. Contributions to a Cooperative are determined by majority vote of the Franchised Businesses in the Cooperative. Any amounts paid to a Cooperative will count as part of Franchisee's local advertising requirement; provided, however, that in the event any contribution to a Cooperative is less than the amount Franchisee is required to expend for local advertising, Franchisee shall nevertheless be required to spend the difference locally.

Each Franchised Business owned by franchisees, Franchisor or Franchisor's affiliate(s) that are members of a Cooperative will have 1 vote on Cooperative matters, regardless of the number of Zones owned by such Franchised Business. Subject to Franchisor's approval, the members of the Cooperative shall determine the contributions to be made to the Cooperative by each Franchised Business. If the members choose to base contributions on a percentage of Gross Sales, then the percentage to be contributed shall not exceed 1/2 of Franchisee's local advertising requirement. Alternatively, if the members choose to require a flat fee contribution, then the flat fee shall be assessed and payable on each Zone owned by each Franchised Business (therefore, a Franchised Business that has 3 Zones will pay 3 times the amount to be paid by a Franchised Business that has 1 Zone). In either case, the fee contribution shall not exceed 1/2 of Franchisee's local advertising requirement, unless otherwise agreed to by the unanimous vote of the members of the Cooperative.

If a Cooperative for Franchisee's area was established before Franchisee began to operate his/her Franchised Business, then Franchisee shall immediately join that Cooperative upon the opening of the Franchised Business. If a Cooperative for Franchisee's area is established after Franchisee begins to operate the Franchised Business, Franchisee will have 30 days to join the new Cooperative. An individual Franchised Business will not be required to be a member of more than one Cooperative. If Franchisor (or its affiliate) contribute to a Cooperative, Franchisor (or its affiliate) will have the same voting rights as other Franchised Businesses in the Cooperative.

11.6 Social Media Policy

Franchisee shall strictly comply, and ensure that its owners and employees comply, with Franchisor's social media policy, as described in the Manual and as it may be amended or updated from time to time, related to social and/or networking internet websites, including, but not limited to, Facebook, MySpace, YouTube, Yelp, LinkedIn, Twitter and Instagram.

ARTICLE XII REPORTING AND FINANCIAL MANAGEMENT REQUIREMENTS

12.1 Record Keeping

Franchisee shall keep true and accurate records, including those which may be specified by Franchisor from time to time, from which all sums payable under this Agreement and the dates of accrual

thereof may be readily determined. Franchisee shall keep such records on his/her business premises at all times, unless Franchisor permits them to be kept at another location. In any event, Franchisee shall at all times inform Franchisor of any change in the location of Franchisee's said records. Franchisee shall be required to make all data and records available to Franchisor upon request. All data retrieved by Franchisor from Franchisee shall become Franchisor's property. Franchisor reserves the right, in its sole discretion, to share Franchisee's data, including but not limited to reports and performance information but excluding any personal data, with other franchisees in the System for purposes of comparison and development.

12.2 Reporting Systems

Franchisee agrees to utilize such accounting, reporting and financial control systems as Franchisor may direct.

12.2.1 Franchisee shall maintain on forms approved or provided by Franchisor a monthly sales report and monthly profit and loss statement accurately reflecting the operations and condition of said business.

12.2.2 Franchisee shall employ such methods of filing, record-keeping, bookkeeping, accounting and reporting as Franchisor shall from time to time reasonably require, and shall be responsible for all costs associated therewith. In that connection, Franchisee must utilize Franchisor's required standard chart of accounts and its specified accounting software program and version.

12.2.3 Franchisee shall adopt and shall strictly adhere to such methods for control and protection of cash receipts (and of records pertaining thereto) as Franchisor may from time to time direct.

12.3 Reports

To enable Franchisor to verify the Continuing Royalty Fees, Support Fees, Brand Development Fees and other payments due hereunder and to monitor the progress of Franchisee and Franchisee's compliance with this Agreement, in addition to reports otherwise required under this Agreement, Franchisee shall provide to Franchisor written reports in such form and at such times as Franchisor may prescribe. In addition, Franchisor shall, at all times, have on-line access to Franchisee's reports.

12.3.1 Franchisee shall be required to provide the following reports to Franchisor:

(a) By 1:00 P.M. Eastern Standard Time (or such time designated in the Manual) on the 3rd and 18th day of the month, a report of the sales and income of Franchisee's Franchised Business for the previous period, including such detail and in the format required by Franchisor. Such report shall include all revenue included in Gross Sales and such other revenues (for example, re-sales, consignments, scrap, recycle, etc.) as Franchisor may specify. For the report due to Franchisor on the 3rd of each month, the period on which the report is based shall include the 16th day of the previous month through the end of the previous month. For the report due to Franchisor on the 18th day of the month, the period on which the report is based shall include the 1st through 15th days of the current month;

(b) By the 8th day of the month, a report on all disposal, team, fuel, and marketing costs for the previous month;

(c) By the 20th day of each month, an income report for the Franchised Business, including such detail and in the format required by Franchisor; and

(d) By April 15th of each year, an annual income statement prepared on a calendar year basis, including such detail and in the format required by Franchisor.

(e) Franchisor reserves the right to require Franchisee to submit his/her reports at any frequency it chooses, such as weekly, monthly, quarterly, etc.

12.3.2 Reports shall be deemed timely made if personally delivered to the offices of Franchisor, electronically transmitted to and received by Franchisor, or postmarked by the U.S. Postal Service (with proper first-class postage prepaid) on or before the required date.

12.3.3 If Franchisor is not satisfied with the timeliness, content, accuracy or sufficiency of Franchisee's reports or statements, then Franchisee must engage third party accounting services approved by Franchisor.

12.4 Audit

Franchisor and its authorized representatives shall have the right at all times during the business day to enter Franchisee's Franchised Business or any other location where books and records relative to the Franchised Business are kept, and to inspect, copy and audit such books and records, including, without limitation, Franchisee's state and federal income tax returns and state sales and use tax and personal property tax returns, and Franchisee hereby waives any privileges with regard to any tax returns. Franchisee shall cooperate completely and in good faith with such audit and shall provide and explain all records requested by such auditor or necessary to provide information sought by such auditor.

12.4.1 In the event that any such inspection or audit reveals a variance of more than 2% from amounts reported by Franchisee to Franchisor, Franchisee shall pay the amount of the deficiency or \$500, whichever is greater, and shall reimburse Franchisor for the cost of such audit. In addition to any other rights it may have, including the right of termination of this Agreement, Franchisor may conduct such further periodic audits and/or inspections of Franchisee's books and records as it reasonably deems necessary for up to 1 year thereafter at Franchisee's sole expense, including, without limitation, reasonable professional fees, travel, and lodging expenses directly related thereto.

12.4.2 If such audit or inspection discloses that Franchisee has underpaid any sums due Franchisor under this Agreement, Franchisee shall pay the same immediately, plus interest charges. If such audit or inspection reveals any overpayment by Franchisee, the amount thereof shall be credited against continuing fees next falling due.

12.4.3 In the event that there is a deficiency, this deficiency shall be considered a material default of this Agreement and Franchisor shall have the right to terminate this Agreement without providing Franchisee the opportunity to cure the default.

ARTICLE XIII INDEPENDENT CONTRACTOR AND INDEMNIFICATION

13.1 Independent Parties

It is understood and agreed by the parties hereto that this Agreement does not create a fiduciary relationship between them, that Franchisee is, and shall at all times be and remain, an independent contractor, and that nothing in this Agreement is intended to constitute either party as an agent, legal representative, subsidiary, joint venturer, partner, employee, or servant of the other for any purpose whatsoever.

13.2 Independent Contractor

During the Initial Term and any renewal hereof, Franchisee shall hold himself/herself out to the public as an independent contractor operating the business pursuant to a franchise granted by Franchisor. Franchisee shall take such affirmative action as may be necessary to indicate same, including, without limitation, exhibiting a notice of that fact in a conspicuous place on the Service Vehicle, business cards, and letterhead, the content of which Franchisor reserves the right to specify.

13.3 Indemnification by Franchisee

Franchisee agrees at all times to defend, at his/her own cost, and to indemnify and hold harmless to the fullest extent permitted by law, Franchisor, its corporate parent, the corporate subsidiaries, affiliates, successors, assigns, and designees of either entity and the respective directors, officers, employees, agents, shareholders, designees, and representatives of each (Franchisor and all others hereinafter referred to collectively as “**Indemnitees**”) from all losses and expenses (as hereinafter defined in this Section 13.3) incurred in connection with any action, suit, proceeding, claim, demand, investigation, or formal or informal inquiry (regardless of whether same is reduced to judgment) or any settlement thereof which arises out of or is based upon any of the following: (i) Franchisee’s infringement or any other violation of any patent, trademark or copyright or other proprietary right owned or controlled by third parties; (ii) Franchisee’s violation or breach of any contract, federal, state, or local law, regulation, ruling, standard, or directive or of any industry standard, including without limitation Data Protection Laws, the PCI Security Standards, Department of Transportation laws, or laws and regulations related to Franchisee’s employment of its personnel; (iii) libel, slander or any other form of defamation by Franchisee; (iv) Franchisee’s violation or breach of any warranty, representation, agreement, or obligation in this Agreement; (v) any acts, errors, or omissions of Franchisee or any of his/her agents, servants, employees, contractors, partners, proprietors, affiliates, or in any manner in connection with the Franchised Business; (v) the inaccuracy, lack of authenticity, or omission of any information by Franchisee; (vi) any service provided by Franchisee at, from, or related to the operation at the Approved Location or from the Service Vehicle; or (vii) any services provided by any affiliated or non-affiliated participating entity. For the purpose of this Section, the term “losses and expenses” shall be deemed to include all losses, compensatory, exemplary or punitive damages, fines, charges, costs, expenses, lost profits, attorneys’ fees, experts’ fees, court costs, settlement amounts, judgments, compensation for damages to Franchisor’s reputation and goodwill, costs of or resulting from delays, financing, costs of advertising material and media time/space, and costs of changing, substituting, or replacing same, and any and all expenses of recall, refunds, compensation, public notices, and other such amounts incurred in connection with the matters described. Franchisee agrees to give Franchisor notice of any such action, suit, proceeding, claim, demand, inquiry, or investigation. Franchisor reserves the right to assume the defense for such action, suit, proceeding, claim demand, inquiry or investigation, at Franchisee’s expense. The foregoing indemnification shall not apply to losses or expenses arising from Franchisor’s gross negligence or willful misconduct.

13.3.1 At the expense and risk of Franchisee, Franchisor may elect to assume (but under no circumstance is obligated to undertake) the defense and/or settlement of any such action, suit, proceeding, claim, demand, inquiry or investigation, provided that Franchisor will seek the advice and counsel of Franchisee and shall keep Franchisee informed with regard to any such proposed or contemplated settlement(s). Such an undertaking by Franchisor shall in no manner or form diminish Franchisee’s obligation to indemnify Franchisor and to hold it harmless.

13.3.2 All losses and expenses incurred under this Section 13.3 shall be chargeable to and paid by Franchisee pursuant to his/her obligations of indemnity under this Section, regardless of any actions, activity or defense undertaken by Franchisor or the subsequent success or failure of such actions, activity or defense.

13.3.3 The Indemnitees do not assume any liability whatsoever for acts, errors, or omissions of those with whom Franchisee may contract, regardless of the purpose. Franchisee shall hold harmless and indemnify the Indemnitees for all losses and expenses which may arise out of any acts, errors, or omissions of these third parties.

13.3.4 Under no circumstances shall the Indemnitees be required or obligated to seek recovery from third parties or otherwise mitigate their losses in order to maintain a claim against Franchisee. Franchisee agrees that the failure to pursue such recovery or mitigate loss will in no way reduce the amounts recoverable by the Indemnitees from Franchisee.

13.4 Indemnification by Franchisor

Franchisor agrees at all times to defend, at its own cost, and to indemnify and hold harmless to the fullest extent permitted by law Franchisee from all losses and expenses (as hereinafter defined in this Section 13.4) incurred in connection with any action, suit, proceeding, claim, demand, investigation, or formal or informal inquiry (regardless of whether same is reduced to judgment) or any settlement thereof which arises out of or is based upon any of the following: (i) a third party claim that Franchisee's authorized use of the Proprietary Properties infringes on the patent, trademark or copyright owned or controlled by such third party or otherwise violates such third party's intellectual property rights; or (ii) Franchisor's violation or breach of any applicable federal, state, or local law or regulation in the performance of its obligations under this Agreement. For the purpose of this Section 13.4, the term "losses and expenses" shall be deemed to include all losses; compensatory, exemplary, or punitive damages awarded to such third party claimant in a final, unappealable judgment; fines, charges, costs, expenses, attorneys' fees, experts' fees, court costs, settlement amounts and non-appealable judgments. Franchisor agrees to give Franchisee notice of any such action, suit, proceeding, claim, demand, inquiry, or investigation. The foregoing indemnification shall not apply to losses or expenses arising from Franchisee's gross negligence or willful misconduct.

ARTICLE XIV CONFIDENTIAL INFORMATION

14.1 Types of Confidential Information

Franchisee shall not, during the Term or at any time thereafter, communicate, divulge, or use for the benefit of any other person, persons, partnership, association or corporation any confidential information or Know How concerning, among other things, client identities and information, as well as the methods of operation of the Franchised Business hereunder which may be communicated to Franchisee, or of which Franchisee may become apprised, by virtue of the operation of the Franchised Business at the Approved Location or from the Service Vehicle under this Agreement ("Confidential Information"). Franchisee shall divulge such Confidential Information only to such of his/her employees or officers and directors who must have access to it in order to operate the Franchised Business. Any and all information, knowledge and know how, including, without limitation, the materials, equipment, specifications, techniques, and other data which Franchisor designates as confidential shall be deemed confidential for purposes of this Agreement, except information which Franchisee can demonstrate came to his/her attention prior to disclosure thereof by Franchisor; or which, at the time of disclosure by Franchisor to Franchisee, had become a part of the public domain through publication or communication by others; or which, after disclosure to Franchisee by Franchisor, becomes a part of the public domain through publication or communication by others.

14.2 Disclosure and Limitations on Use

Franchisee shall require all personnel having access to the Confidential Information provided by Franchisor, or otherwise playing a role in the solicitation or provision of the Services or related services to clients, to execute covenants that they will maintain the confidentiality of information they received in connection with their employment or engagement by Franchisee, in a form acceptable to Franchisor. It is expressly understood that Franchisor is designated as a third-party beneficiary of such covenants with the independent right to enforce them.

14.3 Confidentiality Obligations

Franchisee acknowledges that any actual or threatened failure to comply with the requirements of this Article XIV will cause Franchisor to suffer immediate and irreparable injury, non-compensable by the payment of mere money damages, permitting Franchisor with or without notice to seek immediate injunctive relief. Franchisee agrees to pay all court costs and reasonable attorneys' fees incurred by Franchisor when Franchisor seeks to obtain specific performance or an injunction against violation of the requirements of this Article XIV.

ARTICLE XV COVENANTS NOT TO COMPETE

15.1 In-Term Covenants

Franchisee specifically acknowledges that, pursuant to this Agreement, Franchisee shall receive valuable training and confidential information, including, without limitation, information regarding the promotional, operational, sales, and marketing methods and techniques of Franchisor and the System, and that the covenants not to compete set forth below are fair and reasonable and will not impose any undue hardship on Franchisee, since Franchisee has other considerable skills, experience, and education which afford Franchisee the opportunity to derive income from other endeavors. Franchisee covenants that during the Term and for a period of 2 years thereafter, except as otherwise approved in writing by Franchisor, Franchisee shall not, either directly or indirectly, for himself/herself, or through, on behalf of, or in conjunction with any person, persons, or legal entity:

15.1.1 Divert or attempt to divert any business or client of the Franchised Business hereunder to any competitor, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Proprietary Marks and the System;

15.1.2 Directly or indirectly, persuade or entice, or attempt to persuade or entice any employee or consultant of another Franchised Business to participate in any manner in the formation of any competing business, or to do any other act that is inconsistent with the interests of the System;

15.1.3 Own, maintain, advise, help, invest in, make loans to, be employed by, engage in, or have any interest in any business (including any business operated by Franchisee prior to entry into this Agreement) that offers and sells, in whole or in part, services that are the same or similar to the services offered and sold and the activities conducted by Franchisee pursuant to this Agreement, and any other type of service which Franchisee may be authorized to render hereunder and sell any other products and services which Franchisee may be authorized to sell hereunder.

15.2 Post-Term Covenants

15.2.1 Franchisee covenants that, except as otherwise approved in writing by Franchisor, Franchisee shall not, for a continuous uninterrupted period commencing upon the expiration or termination of this Agreement, regardless of the cause for termination, or upon transfer of this Agreement or the Franchised Business pursuant to Article XVI hereof, and continuing for 2 years thereafter (and in case of any violation of this covenant, for 2 years after the violation ceases), either directly or indirectly, for himself/herself, or through, on behalf of, or in conjunction with any person, persons, partnership, or corporation, own, maintain, advise, help, invest in, make loans to, be employed by, engage in, or have any interest in any business specializing, in whole or in part, in the activities conducted by Franchisee or any other type of service which Franchisee may be authorized to render hereunder:

- (a) Within a radius of 20 miles of Franchisee's Designated Territory; or
- (b) Within a radius of 20 miles of the Designated Territory of any business using the System and/or the Proprietary Marks, whether franchised or owned by Franchisor or its subsidiary or affiliated companies.

Notwithstanding the foregoing, if this Agreement is for a conversion franchise, the provisions of this Section 15.2.1 shall be waived.

15.2.2 Franchisee shall not, for a continuous uninterrupted period commencing upon the expiration or termination of this Agreement, regardless of the cause for termination, or upon transfer of this Agreement or the Franchised Business pursuant to Article XVI hereof, and continuing for 2 years thereafter (and in case of any violation of this covenant, for 2 years after the violation ceases), either directly or indirectly, make any disparaging or otherwise derogatory comments or statements, orally or in writing, including, without limitation, any e-mails, text messages or other form of communication, to others concerning the character or business practices of, or in any way tending to harm the reputation and standing of, Franchisor or its affiliates or their respective officers, directors, owners, employees, representatives, agents, successors or assigns. Notwithstanding the foregoing, the provisions of this Section 15.2.2 shall not prevent or restrict Franchisee from making any truthful statement in connection with any legal proceeding or investigation by any governmental authority.

15.3 Directives.

In the event of any dispute related to this Article XV, Franchisee shall direct any third-party construing this Section, including without limitation any court, mediator, master, or other party acting as trier of fact or law:

15.3.1 to conclusively presume that the restrictions set forth in this Article XV are reasonable and necessary in order to protect (i) Franchisor's legitimate business interests, including without limitation the interests of Franchisor's other franchisees; (ii) the confidentiality of Franchisor's Confidential Information; (iii) the integrity of the System; (iv) Franchisor's investment in the System; (v) the investment of other franchisees in the System; and (vi) the goodwill associated with the System;

15.3.2 to conclusively presume that the restrictions set forth in this Article XV will not unduly burden Franchisee's or its owners' ability to earn a livelihood;

15.3.3 to construe this Article XV under the laws governing distribution contracts between commercial entities in an arms-length transaction, and not under laws governing employment contracts; and

15.3.4 to conclusively presume that any violation of the terms of this Article XV (i) was accompanied by the misappropriation and inevitable disclosure of Confidential Information; and (ii) constitutes a deceptive and unfair trade practice and unfair competition.

15.4 Interpretation of Covenants

The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Article XV is held unreasonable or unenforceable by a court or agency having valid jurisdiction in any unappealed final decision to which Franchisor is a party, Franchisee expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law as if the resulting covenant were separately stated in and made part of this Article XV. Franchisee agrees to pay all damages, costs, and expenses (including reasonable attorney's fees) Franchisor may incur in enforcement of this Article XV. If Franchisee fails to comply with the covenants in this Article XV, then the restrictive period will be extended for each day of noncompliance. Franchisor has the right to reduce the scope of any restrictive covenant set forth in this Article IX at any time, by giving notice to Franchisee.

15.5 Franchisor May Amend

Franchisee understands and acknowledges that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Sections 15.1 and 15.2 of this Agreement, or any portion thereof, without Franchisee's written consent, effective immediately upon receipt by Franchisee of written notice thereof. Franchisee agrees that he/she shall comply forthwith with any covenant as so modified, which will be fully enforceable notwithstanding the provisions of this Article XV.

15.6 Existence of Claim

Franchisee expressly agrees that the existence of any claim that he/she may have against Franchisor, whether or not arising from this Agreement, shall not constitute a defense to the enforcement by Franchisor of the covenants in this Article XV.

15.7 Injunction

Franchisee acknowledges that any threatened or actual failure to comply with the requirements of this ARTICLE XV would cause Franchisor to suffer immediate and irreparable injury for which no adequate remedy at law is available.

15.8 Additional Covenants

At Franchisor's request, Franchisee shall require and obtain execution of covenants identical in scope to those set forth in this Article XV (including covenants applicable upon the termination of a person's relationship with Franchisee) from any or all of the following persons:

15.8.1 Any key persons employed by Franchisee who have received training from Franchisor (it being understood that employees with the rank of "Operations Manager" and above will be considered "key persons");

15.8.2 All officers, directors and holders of a beneficial interest of 5% or more of the securities of Franchisee, and of any entity directly or indirectly controlling Franchisee, if Franchisee is a corporation or limited liability company;

15.8.3 The general partners and any limited partners (including any corporation or limited liability company, and the officers, directors, and holders of a beneficial interest of 5% or more of the

securities of any corporation which controls, directly or indirectly, any general or limited partner), if Franchisee is a partnership; and

15.8.4 Each covenant required to be executed pursuant to this Section 15.8 shall be on a form supplied by Franchisor, including, without limitation, specific identification of Franchisor as a third-party beneficiary of such covenants with the independent right to enforce them. Failure by Franchisee to obtain execution of a covenant required by this Section 15.8 shall constitute a default under Article XVII hereof.

ARTICLE XVI ASSIGNMENT AND RIGHT OF FIRST REFUSAL

16.1 Assignment by Franchisor

Franchisor shall have the right, without the need for Franchisee's consent, to assign, transfer or sell its rights under this Agreement to any person, partnership, corporation or other legal entity provided that the transferee agrees in writing to assume all obligations undertaken by Franchisor herein and Franchisee receives a statement from both Franchisor and its transferee to that effect. Upon such assignment and assumption, Franchisor shall be under no further obligation hereunder, except for accrued liabilities, if any. Franchisee further agrees and affirms that Franchisor may go public; may engage in a private placement of some or all of its securities; may merge, acquire other corporations, or be acquired by another corporation; and/or may undertake a refinancing, recapitalization, leveraged buyout or other economic or financial restructuring. With regard to any of the above sales, assignments and dispositions, Franchisee expressly and specifically waives any claims, demands or damages arising from or related to the loss of Franchisor's name, Proprietary Marks (or any variation thereof) and System and/or the loss of association with or identification of CHHJ Franchising L.L.C. as Franchisor under this Agreement. Franchisee specifically waives any and all other claims, demands or damages arising from or related to the foregoing merger, acquisition and other business combination activities including, without limitation, any claim of divided loyalty, breach of fiduciary duty, fraud, breach of contract or breach of the implied covenant of good faith and fair dealing.

Franchisee agrees that Franchisor has the right, now or in the future, to purchase, merge, acquire or affiliate with an existing competitive or non-competitive franchise network, chain or any other business, regardless of the location of that chain's or business' facilities, and to operate, franchise or license those businesses and/or facilities as College Hunks Moving® facilities operating under the Proprietary Marks or any other marks following Franchisor's purchase, merger, acquisition or affiliation, regardless of the location of these facilities, which Franchisee acknowledges may be proximate to Franchisee's location.

If Franchisor assigns its rights in this Agreement, nothing herein shall be deemed to require Franchisor to remain in the business of providing junk removal services or to offer or sell any products or related services to Franchisee.

Franchisee acknowledges that Franchisor may assign this Agreement as part of a sale, transfer or other disposition of all or part of the System to an entity or entities which engage(s) in similar or competitive businesses. Franchisee acknowledges that any such successor shall be deemed to possess, in addition to all other rights, those specific rights reserved to Franchisor in Section 3.2 hereof; provided, however, that in the event of a sale or merger by Franchisor with a competitive franchise network, chain or other business, and if such sale or merger would result in a competing business being located in Franchisee's Designated Territory, Franchisee shall have the option, to be exercised within 30 days after notice from Franchisor concerning such sale or merger, to request that Franchisor buy back the Franchised Business according to the terms and conditions set forth in ARTICLE XXIII below.

16.2 Assignment by Franchisee

Neither Franchisee's interest in this Franchise Agreement nor any of his/her rights or privileges hereunder, nor the Franchised Business nor any interest therein, may be assigned, transferred, shared or divided, voluntarily or involuntarily, directly or indirectly, without the prior written consent of Franchisor, which shall not be unreasonably withheld, and without Franchisee first complying with Section 16.2.1 hereof. (The use of the term "**assignment**" herein encompasses any actual or purported assignment, sale, transfer or other arrangement having the purpose or effect of shifting ownership or control interests in the Franchised Business.) Any actual or purported assignment of this Agreement or of the Franchised Business in violation of the terms hereof shall be null and void and shall constitute an incurable breach of this Agreement. The actual or purported transfer in the aggregate of more than 50% of the Franchised Business or the ownership or voting rights in Franchisee shall be deemed to be an "assignment" hereunder.

16.2.1 If the assignment is of this Agreement or a controlling interest in Franchisee or the Franchised Business, or is one of a series of transfers which in the aggregate constitute the transfer of this Agreement or a controlling interest in Franchisee or the Franchised Business, Franchisor's consent (such consent not to be unreasonably withheld) to the assignment shall be subject to the following conditions:

(a) The assignee must demonstrate that it has the skills, qualifications, licensing and economic resources necessary, in Franchisor's judgment, to conduct the Franchised Business and to fulfill its obligations to Franchisee and to Franchisor.

(b) The assignee must expressly assume in writing all of the obligations of Franchisee under this Franchise Agreement.

(c) As of the date of any such assignment, Franchisee shall have fully complied with all of his/her obligations to Franchisor, whether under this Agreement or any other agreement, arrangement or understanding with Franchisor.

(d) The assignee must execute a new Franchise Agreement in the form and on the terms and conditions then being offered by Franchisor to franchisees (except that the assignee shall not be obligated to pay another Initial Franchise Fee). The term of such new Franchise Agreement shall expire on the expiration date of this Franchise Agreement.

(e) Franchisee shall pay Franchisor a transfer fee equal to \$15,000 for Franchisee's entire Designated Territory.

(f) The assignee shall satisfactorily complete the training then required of all new franchisees.

(g) Franchisor shall be furnished copies of the executed contract between Franchisee and any such assignee and all related documentation.

(h) The Franchisee must have executed a general release in a form satisfactory to Franchisor of any and all claims against Franchisor, its subsidiaries, affiliates, and designees, and its officers, directors, shareholders and employees in their corporate and individual capacities, including, without limitation, claims arising under federal, state and local laws, rules and ordinances.

(i) The assignee shall not be affiliated in any way with a competitor of Franchisor.

16.2.2 Upon the death of Franchisee, or in the event Franchisee is determined to suffer any legal incapacity (or, if Franchisee is a corporation, limited liability company or partnership, then upon the death or legal incapacity of the shareholder, member or partner responsible for the operation of Franchised Business), the transfer of Franchisee's interest to his/her heirs, legatees, personal representatives or conservators, surviving partner(s) or fellow shareholder(s), as applicable, shall not constitute an "assignment" hereunder and shall not give rise to Franchisor's right of first refusal to purchase the Franchised Business as set forth in Section 16.4 hereof, if the following conditions are met:

(a) The heirs, legatees, personal representatives, conservators, surviving partner(s) or fellow shareholder(s), as applicable, meet Franchisor's standards for qualification of new franchisees and agree in writing to be bound by the terms and conditions of this Agreement.

(b) Within 90 days after the death or incapacity of Franchisee (or, if Franchisee is a corporation, limited liability company or a partnership, within 90 days after the death or incapacity of the principal shareholder, member or partner of Franchisee responsible for the operation of the Franchised Business), a person designated by Franchisee's heirs, legatees, personal representative(s), conservator(s), surviving partners or fellow shareholders or members, as applicable, shall have satisfactorily completed Franchisor's then-current training requirements. If at the time of such death or incapacity Franchisee has employed a manager who has satisfactorily completed any version of Franchisor's Training Program, this requirement shall be deemed satisfied.

(c) In order to prevent any interruption of the Franchised Business operations which would cause harm to the Franchised Business, thereby depreciating the value thereof, Franchisee authorizes Franchisor, who may, at its option, in the event that Franchisee is absent for any reason or is incapacitated by reason of illness and is unable, in the sole and reasonable judgment of Franchisor, to operate the Franchised Business, operate the Franchised Business for so long as Franchisor deems necessary and practical, and without waiver of any other rights or remedies Franchisor may have under this Agreement. All monies from the operation of the Franchised Business during such period of operation by Franchisor shall be kept in a separate account, and the expenses of the Franchised Business, including reasonable compensation and expenses for Franchisor's representative, shall be charged to said account. If, as herein provided, Franchisor temporarily operates the Franchised Business franchised herein for Franchisee, Franchisee agrees to indemnify and hold harmless Franchisor and any representative of Franchisor who may act hereunder, from any and all acts which Franchisor may perform, as regards the interests of Franchisee or third parties.

16.3 Transfer to a Corporation or Limited Liability Company

In the event Franchisee desires to transfer his/her interests herein to a corporation or limited liability company formed by Franchisee solely for the convenience of ownership, Franchisee must obtain the prior written consent of Franchisor, which consent shall be granted if:

16.3.1 Franchisee shall be the owner of all the voting stock of the corporation or all of the membership interests, as applicable, or, if Franchisee comprises more than 1 individual, each such individual shall have the same proportionate ownership interest in the corporation or limited liability company as it held in Franchised Business prior to the contemplated transfer; and

16.3.2 Appropriate forms of corporate resolutions, minutes and/or consents, which have been duly adopted, are furnished to Franchisor prior to the transfer.

16.4 Right of First Refusal

The right of Franchisee to assign, transfer or sell his/her interest in this Agreement (voluntarily or by operation of law) and/or the Franchised Business, as provided above, shall be subject to Franchisor's right of first refusal with respect thereto. (Franchisor shall maintain the option of waiving this right in writing.) That is, Franchisor shall have the right to be offered by Franchisee the opportunity to purchase such interest in this Agreement and/or the Franchised Business on the terms and conditions which have been offered to and accepted by a third party in a wholly arms-length transaction. Franchisor's right of first refusal shall be exercised in the following manner:

16.4.1 Franchisee shall serve upon Franchisor a written notice setting forth all of the terms and conditions of the proposed assignment which shall specify the purchase price established by the parties and include reasonably complete information concerning the identity, financial standing and character of the proposed purchaser. Franchisee shall attach to such notice a copy of a binding agreement between Franchisee and the proposed purchaser, which agreement shall, however, be subject to cancellation if Franchisor exercises its right of first refusal hereunder or disapproves of the proposed transfer under Section 16.2.

16.4.2 Within 30 days after Franchisor's receipt of such notice (or, if Franchisor shall request additional information, within 30 days after receipt of such additional information), Franchisor may, at its option, purchase the Franchised Business upon the terms and conditions specified in the notice and the agreement attached thereto.

16.4.3 If Franchisor shall elect not to exercise its right of first refusal and shall consent to an assignment, Franchisee shall, subject to the provisions of this Article, be free to assign this Agreement and/or the Franchised Business to such proposed assignee on the terms and conditions specified in said notice and the agreement attached thereto. If, however, the terms of such agreement shall be materially modified after submission thereof to Franchisor, Franchisor shall have such right to evaluate such modified agreement for an additional 30 days and, if it chooses to do so, exercise its right of first refusal with respect thereto.

16.5 Franchisor Must Approve

Franchisee shall not have the right to pledge, encumber, hypothecate or otherwise give any third party any security interest in this Agreement or in the Proprietary Properties or the Franchised Business in any manner whatsoever without the express written permission of Franchisor, which permission may be withheld for any reason.

16.6 Addition of Principal

If, at any time during the Term, Franchisee wishes to add a person to this Agreement, whether as "Franchisee" or as one of Franchisee's Principals, Franchisee agrees to pay Franchisor a fee equal to \$2,500 to reimburse Franchisor for all costs related to such addition unless such person is a spouse or children of Franchisee or its Principals. In any event, any additional person must meet Franchisor's qualifications and standards for franchisees.

ARTICLE XVII DEFAULT

17.1 Events of Default Without Right to Cure

Immediately upon the occurrence of any of the following events, all of which shall constitute an Event of Default, Franchisor may, but shall not be obligated to, exercise any of the remedies provided for in Article XVIII including, but not limited to termination of this Agreement, without providing Franchisee any notice or opportunity to cure:

17.1.1 Franchisee abandons the Franchised Business altogether, or a portion thereof, by failing to operate such business, or a portion thereof, for a period of 10 consecutive days, or any shorter period after which it is reasonable for Franchisor to conclude that Franchisee does not intend to continue to operate the Franchised Business, unless such failure to operate is due to fire, flood, earthquake, or other similar causes beyond the reasonable control of Franchisee;

17.1.2 Franchisee fails to commence operations within the time limits set forth in Section 9.2;

17.1.7 Franchisee makes any material misrepresentation relating to the creation, acquisition or operation of the Franchised Business or engages in conduct which reflects materially and unfavorably upon the operation and reputation of the Franchised Business, Franchisor or the System;

17.1.8 Franchisee fails to obtain or maintain the insurance required by this Agreement;

17.1.9 Franchisee fails (i) on three or more separate occasions within any 12-month period to comply with any of its obligations under this Agreement, the standards and specifications set forth in the Manual or other rules, policies, or procedures established by Franchisor in writing, or (ii) on two or more separate occasions within any 6-month period to comply with the same obligations under this Agreement, or with the same standard or specification set forth in the Manual, or other rules, policies, or procedures established by Franchisor in writing. 17.1.17 Franchisor determines, in its sole discretion, either during or upon completion of the Training Program, that Franchisee (or its Managing Owner) is not qualified or otherwise suitable to own and operate the Franchised Business in accordance with Franchisor's standards;

17.1.18 Franchisee participates in any business or in the marketing of any service or product under a name or mark which, in Franchisor's opinion, is confusingly similar to any of the

Proprietary Marks or if Franchisee (or any of its equity holders, directors, officers, partners or employees) acquires any interest in a business similar to the Franchised Business, except that Franchisee or such other persons may own less than 5% of the shares of any company listed on any national or regional securities exchange or whose shares are traded through a recognized exchange;

17.3 Events of Default with a 30-day Right to Cure

17.3.1 Franchisee breaches or fails to perform or observe any covenant, duty or obligation contained in this Agreement, the System, or the Manual other than those Events of Default set forth in Sections 17.1 and 17.2; provided, however, that if Franchisee has commenced to diligently and expeditiously cure such failure within the 30-day period following notice of the breach or failure as determined in the sole discretion of Franchisor, such initial 30-day period shall be extended for a period of time as is commercially reasonable under the circumstances (not to exceed 90 days from the notice of breach) as long as Franchisee is diligently and expeditiously pursuing a cure;

17.3.2 Franchisee violates or fails to comply with any local, state, or federal law that in any manner relates to or impacts the provision of or ability to provide junk removal and/or moving and related services hereunder by Franchisee, its owners, or managers;

17.3.3 Franchisee commits act or omission that threatens the ability of Franchisee to comply with any local, state, or federal law that in any manner relates to or impacts the provision of or ability to provide junk removal and/or moving and related services hereunder by Franchisee, its owners, or managers;

17.3.4 Franchisee is put on notice of a potential charge or allegation that it, its owners, or its managers has or have violated or failed to comply with any local, state, or federal law that in any manner relates to or impacts the provision of or ability to provide junk removal and/or moving and related services hereunder and Franchisee fails to inform Franchisor of the existence of such threat, charge, or allegation;

17.3.5 Franchisee (or its Managing Owner): (i) registers for the Training Program or any enrichment training and fails to attend without timely cancelling; (ii) fails to register for or attend the Training Program or any required enrichment training; or (iii) fails to satisfactorily complete the Training Program or any required enrichment training;

17.3.6 Franchisee fails or refuses to adhere to the Service Vehicle roll out schedule described in Section 9.5.1; or

17.3.7 Franchisee fails, refuses, or neglects to promptly submit certificates of insurance to Franchisor as required under this Franchise Agreement.

17.4 Definition.

The actions, occurrences, and breaches described in Sections 17.1, 17.2, and 17.3 shall constitute an “**Event of Default**” under this Agreement.

17.5 No Waiver.

In no event shall any failure of Franchisor to provide notice or enforce any available remedy upon the occurrence of an Event of Default be deemed a waiver of Franchisor’s right to exercise any such remedy or its right to enforce all obligations and full performance of this Agreement as described herein.

17.6 Default by Owners.

Any action or omission by any owner or shareholder, director or officer of a corporate or limited liability company franchisee, or any partner of a franchisee conducting business as a partnership, shall be deemed an action or omission by Franchisee for purposes of determining whether Franchisee is in default pursuant to this Article XVII.

ARTICLE XVIII TERMINATION AND REMEDIES

18.1 Remedies Upon Event of Default.

Upon the occurrence of any Event of Default, and subject to any applicable cure period, Franchisor may immediately exercise any of all of the following remedies, in addition to all other rights and remedies available to Franchisor under this Agreement or the law:

18.1.1 Terminate this Agreement;

18.1.2 Suspend Franchisee’s access to the SLC, provided, however, that Franchisee shall remain responsible for all costs of participation;

18.1.3 Suspend Franchisee’s access to any advertising, marketing materials, or assistance provided by Franchisor;

18.1.4 Remove Franchisee from Franchisor’s website and any other advertising materials used for the System;

18.1.5 Suspend or terminate any fee reductions which Franchisor may have agreed to during the Term of this Agreement or any amendment to this Agreement;

18.1.6 Require Franchisee to undergo additional audits or inspections at Franchisee’s sole expense;

18.1.7 Require Franchisee, its Managing Owner, or its Managers to participate in additional training at Franchisee’s sole expense;

18.1.8 Revoke or suspend the provision of any operational support that this Agreement otherwise requires Franchisor to provide, including without limitation, information technology and network services, and the provision or supply of any services or products for which Franchisor is an approved supplier;

18.1.9 Revoke or suspend Franchisee's right to operate in any Zone for the remainder of the Term or such other time period Franchisor determines in its sole discretion, without refunding any fee paid for such rights, even if such revocation or suspension causes the population in Franchisee's Designated Territory to drop below the minimum population otherwise provided for;

18.1.10 Rescind the exclusivity of Franchisee's protected rights to sell or operate in all or a portion of Franchisee's Designated Territory;

18.1.11 If Franchisee has the right to operate both junk removal and moving lines of business, terminate Franchisee's right to operate either line of business, in Franchisor's sole discretion;

18.1.12 If the Event of Default is pursuant to Section 17.1.14, require Franchisee to pay a penalty fee equal to 20% of any job revenue received for the first occurrence, 50% of the job revenue received for the second occurrence, and 100% of the job revenue received for the third (or any subsequent) occurrence;

18.1.13 Take any action to cure a breach or default on Franchisee's behalf and require Franchisee to reimburse Franchisor for all costs and expenses (including the allocation of any internal costs) for such action, plus a 10% administrative fee;

18.1.14 Require Franchisee to have audited financial statements prepared annually during the Term;

18.1.15 Exercise Franchisor's step-in rights pursuant to Section 24.9;

18.1.16 Revoke or suspend Franchisee's right to participate in the National Accounts' Program;

18.1.17 Assess Franchisee a non-compliance fee of up to \$10,000 per violation or default; or

18.1.18 Reduce, modify, suspend, or otherwise terminate any other of Franchisee's rights under this Agreement while such default or non-compliance continues or for such other period of time that Franchisor, in its sole discretion deems appropriate, provided, however, that Franchisee shall remain responsible for all fees and obligations under this Agreement.

Unless Franchisor expressly terminates this Agreement, Franchisor's exercise of any of the foregoing remedies will not constitute an actual or constructive termination of this Agreement. During any suspension period, Franchisee must continue to pay all fees and other amounts due under, and otherwise comply with this Agreement and all related agreements. If Franchisor rescinds any suspension of Franchisee's rights, Franchisee will not be entitled to any compensation for any fees, expenses, or losses Franchisee might have incurred due to Franchisor's exercise of any suspension right provided in this Section 18.1.

18.2 Election of Remedies.

If Franchisor exercises its right not to terminate this Agreement but to implement any remedies in Section 18.1, Franchisor may at any time after the appropriate cure period has lapsed (if any) terminate this Agreement without giving Franchisee any additional cure period.

18.3 General Provisions Concerning Default and Termination.

In any proceeding in which the validity of any termination of this Agreement or Franchisor's refusal to provide its consent to renew this Agreement is contested, each party may cite to and rely upon all defaults or violations of this Agreement, not only the defaults or violations referenced in any written notice. Franchisee agrees that Franchisor has the right and authority (but not the obligation) to notify any landlord, supplier, vendor or lender associated with the Franchised Business or any of Franchisee's owners, partners, directors, or shareholders if Franchisee is in default under or Franchisor has terminated this Agreement.

18.4 Limitation on Rights of Termination

Notwithstanding anything to the contrary contained in this Article, if any valid, applicable law or regulation of a competent governmental authority having jurisdiction over this franchise and the parties hereto shall limit Franchisor's rights of termination hereunder or shall require longer notice periods than those set forth above, this Agreement shall be deemed amended to satisfy the minimum notice periods or restrictions upon such termination required by such laws and regulations; provided, however, that such constructive amendment shall not be deemed a concession by Franchisor that the grounds for termination set forth herein do not constitute "good cause" for termination within the meaning ascribed to that term by any applicable law or regulation. Franchisor shall not be precluded from contesting the validity, enforceability or application of such laws or regulations in any action, hearing or proceeding relating to this Agreement or the termination thereof.

ARTICLE XIX POST-TERM OBLIGATIONS AND RIGHTS

19.1 Discontinue Use of Proprietary Properties

In the event of termination or expiration of this Franchise Agreement, Franchisee shall forthwith discontinue the use of the Proprietary Marks, Know How, Copyrights and Software, and Franchisee shall not thereafter operate or do business under any name or in any manner that might tend to give the general public the impression that he/she is in any manner affiliated with Franchisor or a College Hunks Moving® business, or any business similar thereto, and Franchisee shall not thereafter use, in any manner, or for any purpose, directly or indirectly, any of Franchisor's confidential information, knowledge or know-how concerning the operation, products, services, trade secrets, procedures, policies, techniques or materials or by virtue of the relationship established by this Agreement, including, without limitation, the following:

19.1.1 Standards, specifications or descriptions of Franchisor's products and services;

19.1.2 Franchisor's Manual and any supplements thereto;

19.1.3 Any forms, advertising matter, marks, devices, signs, insignia, slogans or designs used from time to time in connection with the Franchised Business;

19.1.4 Any copyrights, trademarks, trade names and patents now or hereafter applied for or granted in connection therewith, or any marks, logos, words or phrases confusingly similar thereto or colorable imitations thereof;

19.1.5 Any telephone number listed in any telephone directory under the name College Hunks Moving® or any similar designation or directory listing which relates to the Franchised Business; and

19.1.6 Any and all of the systems, procedures, techniques, criteria, concepts, designs, advertising and promotional techniques, products or service specifications, and all other components, specifications and standards which comprise (or in the future may comprise) part of the System.

19.2 Cancellation of Name

Upon termination or expiration of this Agreement, Franchisee shall take such action as may be necessary to cancel any assumed name or equivalent registration which contains any name or mark identical or similar to College Hunks Moving® or any other name, trademark or service mark of Franchisor, and Franchisee shall furnish Franchisor with proof of discharge of this obligation within 30 days following the termination or expiration of this Agreement.

19.3 Franchisor is Attorney-in-Fact

Franchisor may, if Franchisee fails or refuses to do so, execute in Franchisee's name and on Franchisee's behalf any and all documents necessary to cause discontinuation of Franchisee's use of the name College Hunks Moving® or any other related or similar name or use thereunder, and Franchisor is thereby irrevocably appointed by Franchisee as Franchisee's attorney-in-fact to do so.

19.4 Continuation of Obligations

The expiration or termination of this Franchise Agreement shall be without prejudice to the rights of Franchisor against Franchisee, and such expiration or termination shall not relieve Franchisee of any of his/her obligations to Franchisor existing at the time of expiration or termination or terminate those obligations of Franchisee which by their nature survive the expiration or termination of this Agreement.

19.5 Cease Using Telephone Numbers

Upon termination or expiration of this Agreement, Franchisee shall cease and desist from using the 1-800 telephone number and any other telephone (including cellular telephone) number(s) listed in any telephone directory under the name College Hunks Moving® or any other name similar thereto and, upon demand of Franchisor, shall direct the telephone company servicing the Franchised Business to transfer said telephone number(s) to Franchisor, or to such other person or persons at such location or locations as Franchisor shall direct.

19.6 Payment of Sums Due

Upon termination or expiration of this Agreement, Franchisee shall promptly pay all sums owing to Franchisor (and its subsidiaries, affiliates or designees). In the event of termination based upon a default of Franchisee, such sums shall include all damages, costs and expenses (including actual attorneys' fees) incurred by Franchisor as a result of the default. The obligation created hereunder shall give rise to and remain, until paid in full, a lien in favor of Franchisor against any and all of the personal property, furnishings, equipment, signs, inventory, fixtures or other assets owned by Franchisee at the time of default.

19.7 Post-Term Covenants

Upon termination or expiration of this Agreement, Franchisee shall comply with the post-term covenants not to compete set forth in Article XV hereof.

19.8 Franchisor May Purchase

Upon termination or expiration of this Agreement for any reason whatsoever, Franchisor or its designee shall have the option (but not the obligation) for a period of 60 days from such termination or

expiration to purchase all of Franchisee's right, title and interest in the Franchised Business (including, without limitation, equipment, Service Vehicles, inventory and supplies) for a purchase price (the "**Purchase Price**") equal to the lesser of: (i) the depreciated book value of all tangible assets in place and owned by Franchisee as of the date of Franchisor's (or its designee's) exercise of such option; or (ii) the fair market value of all such assets as determined by the application of generally accepted accounting principles less the total of (a) the amount of any indebtedness remaining against or secured by any such assets; (b) the amount of any indebtedness or obligation owed by Franchisee to Franchisor, its affiliates, subsidiaries or designees; (c) the amount of any indebtedness or obligation for which Franchisee or the Franchised Business is liable (directly or indirectly, contingently or otherwise) and for which Franchisor is or may become liable (directly or indirectly, contingently or otherwise) upon acquiring the Franchised Business or otherwise; and (d) all amounts advanced by Franchisor, or which Franchisor has paid, or which Franchisor has become obligated to pay, on behalf of Franchisee for any reason whatsoever (including, without limitation, interim sums required to be advanced for operations prior to the date of Franchisor's (or its designee's) exercise of the option granted hereunder).

19.8.1 If the parties cannot agree upon the Purchase Price within a reasonable time, an independent appraiser shall be designated by Franchisor, and his determination of the Purchase Price shall be binding on Franchisor and Franchisee. The cost of such appraisal shall be borne equally by the parties and Franchisee's portion will be reflected by reduction in the purchase price.

19.8.2 If Franchisor exercises its option to purchase the Franchised Business, the Purchase Price shall be payable as follows:

(a) 10% of the Purchase Price shall be paid at the closing of the purchase transaction by bank or certified check.

(b) The balance of the Purchase Price shall be paid over a period of 3 years in 36 equal monthly installments, the first monthly installment being made on the 10th day of the month following the month in which the initial payment is made. The obligation to make monthly installment payments shall be evidenced by a series of 36 negotiable promissory notes of Franchisor payable to the order of Franchisee, each bearing interest from the date of the closing at the published "**Prime Rate**" charged by Chase Manhattan Bank, New York, New York, to its most substantial commercial clients and containing provisions to the effect that should any note be unpaid for more than 10 days after written notice of default, the remaining notes shall forthwith become due and payable without any further notice; provided, however, that Franchisor or any holder in due course shall have the right at any time after the calendar year in which the closing takes place to prepay the notes in multiples of \$1,000 in inverse order of maturity, together with interest to the date of payment.

19.8.3 If Franchisor exercises its option to purchase the Franchised Business, Franchisee agrees fully to cooperate in effectuating such transaction and undertakes to use his/her best efforts to provide Franchisor and its designees with all such data and documentation as reasonably may be required to give effect to the purposes of this Section.

19.8.4 In the event Franchisor does not elect to exercise the foregoing option to purchase the Franchised Business, Franchisee shall immediately return to Franchisor all materials which bear any of the Proprietary Marks, trade names or copyrighted material. Franchisee shall also destroy any and all materials not otherwise required to be returned to Franchisor in accordance with this Agreement or the Manual. Contemporaneously, Franchisee shall return to Franchisor all copies in his/her possession of materials and documents (including, among other things, the Manual, corporate records and files, correspondence, brochures, agreements, and disclosure statements) relating to the grant or operation of the Franchised Business.

19.9 Discontinue Use; Modification

Upon expiration or termination, Franchisee shall immediately discontinue the use of each and every aspect of the Proprietary Properties, including the Proprietary Marks and trade dress, including the custom designs on vehicles, advertisements, brochures, tee shirts, clothing, or any other article of commercial or other use, and Know How, and thereafter shall no longer use or have the rights to use the Proprietary Properties, or any colorable or confusingly similar variations thereof, or any word, logo or figure similar to the Proprietary Marks or Know How. In the event of expiration or termination, Franchisee will be responsible for the payment of all legal fees, court costs, collection fees and interest incurred in enforcing this Agreement. In the event of any litigation between the parties hereto with respect to the subject matter hereof, the party in any such litigation in whose favor a judgment is entered shall be entitled to have and recover, and the other party agrees to pay, its reasonable attorneys' fees and expenses, in addition to any award to which may be otherwise entitled. In addition, Franchisee understands and agrees that he/she shall immediately repaint any and all Service Vehicles that show markings similar to, or that would cause confusion of the public as misrepresenting, any connection to Franchisor or the System.

19.10 Assignment of Lease for Service Vehicle

At Franchisor's option, and subject to the lessor's consent, Franchisee shall assign to Franchisor any interest which Franchisee has in any lease or sublease for the Service Vehicle(s). Franchisor may exercise such option at or within 30 days after the termination or expiration of this Agreement. Franchisor may exercise its rights to acquire the lease or sublease for the Service Vehicle(s) even if Franchisor elects not to purchase the assets of the Franchised Business pursuant to Section 19.8 above. In the event Franchisor does not elect to exercise its option to acquire the lease or sublease for the Service Vehicle(s) under this Section 19.10, or to purchase the Service Vehicle(s) under Section 19.8, Franchisee shall make such modifications or alterations to the Service Vehicle(s) as are necessary to remove all signage and obliterate all Proprietary Marks to Franchisor's reasonable satisfaction.

19.11 Liquidated Damages

Upon termination of this Agreement by Franchisor pursuant to Article XVIII, Franchisee agrees to pay to Franchisor within 15 days after the effective date of this Agreement's termination, in addition to the amounts owed hereunder, liquidated damages equal to the average monthly Continuing Royalty Fee Franchisee paid or owed to Franchisor during the 12 months immediately preceding termination multiplied by 24, being the number of months in 2 full years.

The parties hereto acknowledge and agree that it would be impracticable to determine precisely the damages Franchisor would incur from this Agreement's termination and the loss of cash flow from Continuing Royalty Fees due to, among other things, the complications of determining what costs, if any, Franchisor might have saved and how much the Continuing Royalty Fees would have grown over what would have been this Agreement's remaining term. The parties hereto agree that such amount is not a penalty, but instead is a reasonable, good faith pre-estimate of Franchisor's damages caused by the early termination of the Franchise Agreement.

The liquidated damages provision only covers Franchisor's damages from the loss of cash flow from the Continuing Royalty Fees. It does not cover any other damages, including damages to its reputation with the public and damages arising from a violation of any provision of this Agreement other than the Continuing Royalty Fee section. Franchisee and each of its owners agree that the liquidated damages provision does not give Franchisor an adequate remedy at law for any default under, or for the enforcement of, any provision of this Agreement other than the Continuing Royalty Fee section. This liquidated damages provision will not limit Franchisor's right to injunctive relief or other damages relating to any violations of this Agreement or the law.

ARTICLE XX MODIFICATION OF SYSTEM

20.1 Modification of System Standards

Franchisee understands and agrees that the System must not remain static if it is to meet (without limitation) presently unforeseen changes in technology, competitive circumstances, demographics, populations, consumer trends, societal trends and other market place variables, and if it is to best serve the interests of Franchisor, Franchisee, and the network of all other franchisees. Accordingly, Franchisee expressly understands and agrees that Franchisor may from time to time change the components of the System, including, but not limited to, altering the products, programs, services, methods, standards, forms, policies and procedures of that System; abandoning the System altogether in favor of another system in connection with a merger, acquisition, other business combination or for other reasons; adding to, deleting from or modifying those products, programs and services which Franchisee's Franchised Business is authorized and required to offer; modifying or substituting entirely the building, premises, vehicles, equipment, signage, trade dress, decor, color schemes and uniform specifications and all other unit construction, design, appearance and operation attributes which Franchisee is required to observe hereunder; and changing, improving, modifying or substituting the Proprietary Properties. Franchisee expressly agrees to comply with any such modifications, changes, additions, deletions, substitutions and alterations; provided, however, that such changes shall not materially and unreasonably increase Franchisee's obligations hereunder.

Franchisee shall accept, use and effectuate any such changes or modifications to, or substitution of, the System as if they were part of the System at the time that this Agreement was executed.

Notwithstanding the foregoing, Franchisee shall be obligated to replace his/her Service Vehicle at least once every 7 years, depending on the age and condition of said Service Vehicle.

20.2 Waiver

Except as provided herein, Franchisor shall not be liable to Franchisee for any expenses, losses or damages sustained by Franchisee as a result of any of the modifications contemplated hereby. Franchisee hereby covenants not to commence or join in any litigation or other proceeding against Franchisor or any third party complaining of any such modifications or seeking expenses, losses or damages caused thereby. Finally, Franchisee expressly waives any claims, demands or damages arising from or related to the foregoing activities including, without limitation, any claim of breach of contract, breach of fiduciary duty, fraud, and/or breach of the implied covenant of good faith and fair dealing.

21.4 Limitations

21.4.1 Liability. THE FRANCHISOR MAKES NO REPRESENTATIONS, WARRANTIES OR GUARANTEES, EITHER EXPRESS OR IMPLIED, CONCERNING THE SLC SERVICES PROVIDED UNDER THIS AGREEMENT, AND EXPRESSLY DISCLAIMS ANY WARRANTIES OF FITNESS FOR A PARTICULAR USE OR PURPOSE, THE WARRANTY OF MERCHANTABILITY AND ANY OTHER WARRANTY IMPLIED BY LAW. THE FRANCHISOR’S

EXCEPT AS EXPRESSLY SET FORTH IN OR CONTEMPLATED BY THIS AGREEMENT, IN ANY INSTANCE INVOLVING PERFORMANCE OR NONPERFORMANCE BY THE FRANCHISOR WITH RESPECT TO SLC SERVICES PROVIDED HEREUNDER, **THE FRANCHISEE'S SOLE REMEDY SHALL BE REFUND OF A PRO RATA PORTION OF THE PRICE PAID FOR SLC SERVICES WHICH WERE NOT PROVIDED. AT THE OPTION OF THE FRANCHISOR, EXCEPT AS EXPRESSLY SET FORTH IN OR CONTEMPLATED BY THIS AGREEMENT, IN THE CASE OF REFUND FOR LOST SERVICES, CREDIT WILL BE ISSUED ONLY FOR PERIODS OF LOST SERVICE GREATER THAN 24 HOURS.** THESE LIMITATIONS OR LIABILITY SHALL APPLY REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, WARRANTY, STRICT LIABILITY OR TORT, INCLUDING WITHOUT LIMITATION NEGLIGENCE OF ANY KIND, WHETHER ACTIVE OR PASSIVE, AND SHALL SURVIVE.

To the extent that Franchisee shall wish that any information or materials be treated as confidential by the Company, Franchisee must label such information or materials in writing as confidential or, if such materials are disclosed orally by Franchisee to the Company, provide written summaries of any such disclosed information or materials together with notice of the confidential nature of such information or materials within 5 days of oral disclosure thereof. Notwithstanding the foregoing, the Company shall have no obligation of confidentiality with respect to any information or materials disclosed to it which (a) was already known to it at the time of its receipt hereunder; (b) is or becomes generally available to the

public other than by means of the Company's breach of its obligations under this Agreement; (c) is independently obtained from a third party whose disclosure violates no duty of confidentiality; or (d) is independently developed by or on behalf of the Company without use of or reliance on any confidential information furnished to it under this Agreement.

ARTICLE XXII MISCELLANEOUS

22.1 Severability and Substitution of Valid Provisions

Except as expressly provided to the contrary herein, each section, paragraph, term and provision of this Agreement, and any portion thereof, shall be considered severable and if, for any reason, any such portion of this Agreement is held to be invalid, contrary to, or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency or tribunal with competent jurisdiction in a proceeding to which Franchisor is a party, that ruling shall not impair the operation of, or have any other effect upon, such other portions of this Agreement as may remain otherwise intelligible, which shall continue to be given full force and effect and bind the parties hereto, although any portion held to be invalid shall be deemed not to be a part of this Agreement from the date the time for appeal expires, if Franchisee is a party thereto; otherwise upon Franchisee's receipt of written notice of non-enforcement thereof from Franchisor. If any covenant herein which restricts competitive activity is deemed non-enforceable by virtue of its scope in terms of area, business activity prohibited and/or length of time, but would be enforceable by reducing any part or all thereof, Franchisee and Franchisor agree that same shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought. If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination of or refusal to enter into a successor franchise agreement than is required hereunder, or the taking of some other action not required hereunder, or if under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any specification, standard or operating procedure prescribed by Franchisor is invalid or unenforceable, the prior notice and/or other action required by such law or rule shall be substituted for the comparable provisions hereof, and Franchisor shall have the right, in its sole discretion, to modify such invalid or enforceable provision, specification, standard or operating procedure to the extent required to be valid and enforceable. Such modification(s) to this Agreement shall be effective only in such jurisdiction, unless Franchisor elects to give it greater applicability, and shall be enforced as originally made and entered into in all other jurisdictions. Franchisee agrees to be bound by any such modification to this Agreement.

22.2 Waiver of Obligations

The Franchisor and Franchisee may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice thereof to the other. Any waiver granted by Franchisor shall be without prejudice to any other rights Franchisor may have, will be subject to continuing review by Franchisor and may be revoked, in Franchisor's sole discretion, at any time and for any reason, effective upon delivery to Franchisee of 10 days' prior written notice. The Franchisor and Franchisee shall not be deemed to have waived or impaired any right, power or option reserved by this Agreement by virtue of any custom or practice of the parties at variance with the terms hereof; any failure, refusal or neglect of Franchisor or Franchisee to exercise any rights under this Agreement or to insist upon exact compliance by the other with its obligations hereunder; any waiver, forbearance, delay, failure or omission by Franchisor to exercise any right, power or option, whether of the same, similar or different nature, with respect to other College Hunks Hauling Junk® Franchised Businesses; or the acceptance by Franchisor of any payments due from Franchisee after any breach of this Agreement.

Neither Franchisor nor Franchisee shall be liable for loss or damage or deemed to be in breach of this Agreement if its failure to perform its obligations results from: (1) transportation shortages, inadequate supply of equipment, merchandise, supplies, labor, material or energy, or the right to acquire or use any of the foregoing in order to accommodate or comply with the orders, requests, regulations, recommendations or instructions of any federal, state or municipal government or any department or agency thereof; (2) compliance with any law, ruling, order, regulation, requirement or instruction of any federal, state, or municipal government or any department or agency thereof; (3) acts of God; (4) fires, strikes, embargoes, war or riot; or (5) any other similar event or cause. Any delay resulting from any of said causes shall extend performance accordingly or excuse performance, in whole or in part, as may be reasonable, except that said causes shall not excuse payments of amounts owed at the time of such occurrence or payment of Continuing Royalty Fees, Brand Development Fees, Support Fees, Appointment Fees or lease payments due thereafter.

22.3 Rights of Parties are Cumulative

The rights of Franchisor and Franchisee hereunder are cumulative and no exercises or enforcement by Franchisor or Franchisee of any right or remedy hereunder shall preclude the exercise or enforcement by Franchisor or Franchisee of any other right or remedy hereunder or which Franchisor or Franchisee is entitled by law to enforce.

22.4 Costs and Attorneys' Fees

If (i) Franchisor or Franchisee commences any action or proceeding, whether by judicial or quasi-judicial action or otherwise, for the purpose of enforcing or preventing the breach of any provision hereof, or for a declaration of the party's rights or obligations hereunder, and Franchisor prevails wholly or partially on such efforts, or (ii) any amounts due from Franchisee to Franchisor are, at any time, collected by or through an attorney at law or collection agency, Franchisee shall be liable to, and promptly reimburse, Franchisor for all of costs and expenses that Franchisor incurred in connection therewith, including, but not limited to, court costs and reasonable attorney's fees.

22.5 Mediation.

During the Term, certain disputes may arise between Franchisee and Franchisor that may be resolvable through mediation. To facilitate such resolution, you and we agree that each party must, before commencing any proceeding, submit the dispute for non-binding mediation at a mutually agreeable location (if you and we cannot agree on a location, the mediation will be conducted at our headquarters) to one mediator, appointed under the American Arbitration Association's Commercial Mediation Rules. The mediator will conduct a mediation in accordance with such rules. You and we agree that any statements made by either you or us in any such mediation proceeding will not be admissible in any subsequent legal proceeding. Each party will bear its own costs and expenses of conducting the mediation and share equally the costs of any third parties who are required to participate. Nevertheless, both you and we have the right in a proper case to obtain temporary restraining orders, temporary or preliminary injunctive relief, and any other equitable relief from a court of competent jurisdiction. However, the parties must immediately and contemporaneously submit the dispute for non-binding mediation. If any dispute between the parties cannot be resolved through mediation within 45 days following the appointment of a mediator, the parties must submit the dispute to litigation subject to the terms and conditions hereof.

22.6 Litigation

22.6.1 Jurisdiction. Franchisee consents and agrees that the following courts shall have personal jurisdiction over Franchisee in all lawsuits relating to or arising out of this Agreement and related agreements and hereby waives any defense Franchisee may have of lack of personal jurisdiction in any such

lawsuit filed in these courts: (A) all courts included within the state court system of the State of Florida; and (B) all the United States District Courts sitting within the State of Florida.

22.6.2 Venue. Franchisee consents and agrees that venue shall be proper in any of the following courts in all lawsuits relating to or arising out of this Agreement and related agreements and hereby waives any defense Franchisee may have of improper venue in any such lawsuits filed in these courts: (i) the Thirteenth Judicial Circuit Court in Hillsborough County, Florida; and (ii) the United States District Court for the Middle District of Florida, Tampa Division. In the event any of these courts are abolished, Franchisee agrees that venue shall be proper in the state or federal court in Florida which most closely approximates the subject-matter jurisdiction of the abolished court as well as any of these courts which are not so abolished. All lawsuits filed by Franchisee against Franchisor relating to or arising out of this Agreement and related agreements shall be required to be filed in one of these courts; provided, however, that if none of these courts has subject-matter jurisdiction over such a lawsuit, such lawsuit may be filed in any court in Florida having such subject-matter jurisdiction if in-personam jurisdiction and venue in such court are otherwise proper. Lawsuits filed by Franchisor against Franchisee may be filed in any of the courts named in this Section 22.6.2 or in any court in which jurisdiction and venue are otherwise proper.

22.6.3 Service of Process. In all lawsuits relating to or arising out of the Agreement and related agreements, Franchisee consents and agrees that Franchisee may be served with process outside the State of Florida in the same manner as service may be made within the State of Florida by any person authorized to make service by the laws of the state, territory, possession, or country in which service is made or by any duly qualified attorney in such jurisdiction, and Franchisee hereby waives any defense Franchisee may have of insufficiency of service of process relating to such service. This method of service shall not be the exclusive method of service available in such lawsuits and shall be available in addition to any other method of service allowed by law.

22.6.4 Waiver. Franchisee agrees that Franchisor may apply for such injunctive relief, without bond and without proving actual damages, but upon due notice, in addition to such further and other relief as may be available at equity or law, and Franchisee's sole remedy, in the event of the entry of such injunction, shall be the dissolution of such injunction, if warranted, upon hearing duly held (all claims for damages by reason of the wrongful issuance of any such injunction being expressly waived).

22.6.5 Effect. FRANCHISEE AGREES THAT THIS SECTION 22.6 APPLIES TO ALL AGREEMENTS BETWEEN FRANCHISEE (OR ITS AFFILIATES) AND FRANCHISOR ENTERED INTO PRIOR TO THE EFFECTIVE DATE AND SUPERSEDES ANY PROVISION REGARDING JURISDICTION AND VENUE IN ANY SUCH PRIOR AGREEMENT.

22.7 Compulsory Counterclaims

Franchisee and Franchisor agree that, in any proceeding between the Parties, each must submit or file any claim which would constitute a compulsory counterclaim (as defined by the United States Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim which is not submitted or filed as required is forever barred.

22.8 Governing Law

Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 *et seq.*) or other federal law, this Agreement, the Franchise and the relationship of the parties shall be governed by the laws of the State of Florida, without regard for its conflicts of laws principles.

22.9 Waiver of Punitive Damages

The parties waive to the fullest extent permitted by law any right to or claim for any punitive or exemplary damages, except punitive or exemplary damages authorized by applicable federal statute. The parties agree that, in the event of a Dispute, the party making a claim shall be limited to recovery of any actual damages it sustains.

22.10 Waiver of Jury Trial

Each party irrevocably waives trial by jury in any action, proceeding or counterclaim, whether at law or in equity, brought by either party.

22.11 Franchisee May Not Withhold Payments

Franchisee agrees that he/she will not, on grounds of the alleged nonperformance by Franchisor of any of its obligations hereunder, withhold payment of any Continuing Royalty Fees, Brand Development Fees, Support Fees, Appointment Fees, lease payments, amounts due to Franchisor for purchases by Franchisee or any other amounts due to Franchisor.

22.12 Binding Effect

This Agreement is binding upon the parties hereto and their respective executors, administrators, heirs, assigns and successors in interest. Subject to Franchisor's right to modify the Manual, this Agreement shall not be modified except by written agreement signed by Franchisee and Franchisor.

22.13 Limitations of Claims

Any and all claims, except claims for monies due Franchisor, arising out of or relating to this Agreement or the relationship among the parties hereto shall be barred unless an action or legal proceeding is commenced within one year from the date Franchisee or Franchisor knew or should have known of the facts giving rise to such claims.

22.14 Private Disputes

Any dispute and any litigation or legal proceedings will be conducted and resolved on an individual basis only and not as part of a consolidated, common, or class action. Any such proceeding will not be consolidated with any other proceeding involving any other person, except for disputes involving affiliates of the parties to this Agreement.

22.15 Construction

The preambles and exhibits are a part of this Agreement, which together with the Manual, constitutes the entire agreement of the parties, and there are no other oral or written understandings or agreements between Franchisor and Franchisee relating to the subject matter of this Agreement; provided, however, that nothing in this or any related agreement is intended to disclaim the representations made by Franchisor in the Disclosure Document that was furnished to Franchisee by Franchisor. The term "**Franchisee**" as used herein is applicable to one or more persons, a corporation, limited liability company or a partnership, as the case may be, and the singular usage includes the plural and the masculine and neuter usages include the other and the feminine. If two or more persons are at any time Franchisee hereunder, their obligations and liabilities to Franchisor shall be joint and several. References to "Franchisee" and "transferee" which are applicable to an individual or individuals shall mean the principal owner(s) of the equity or operating control of Franchisee or the transferee, if Franchisee or the transferee is a corporation,

limited liability company or partnership. References to “**controlling interest**” in Franchise shall mean greater than 50% of the equity or voting control of Franchisee. The term “**affiliate**” means any Business Entity directly or indirectly owned or controlled by a person, under common control with a person or controlling a person. The headings of the several sections and paragraphs hereof are for convenience only and do not define, limit or construe the contents of such sections or paragraphs. The word “**control**” means the power to direct or cause the direction of management and policies. The word “**owner**” means any person holding a direct or indirect, legal or beneficial ownership interest or voting rights in another person (or a transferee of this Agreement), including any person who has a direct or indirect interest in Franchisee or this Agreement and any person who has any other legal or equitable interest, or the power to vest in himself any legal or equitable interest, in the revenue, profits, rights or assets of Franchisee and/or the Franchised Business.

Except where this Agreement expressly obligates Franchisor reasonably to approve or not unreasonably to withhold its approval of any action or request by Franchisee, Franchisor has the absolute right to refuse any request by Franchisee or to withhold its approval of any action by Franchisee that requires Franchisor’s approval. Nothing in this Agreement is intended, nor shall be deemed, to confer any rights or remedies upon any person or legal entity not a party hereto.

22.16 Withholding Consent

In no event will Franchisee make any claim, whether directly, by way of setoff, counter-claim, defense or otherwise, for money damages or otherwise, by reason of any withholding or delaying of any consent or approval by Franchisor. Franchisee’s sole remedy for any such claim is to submit it to a mediation or litigation as described in this Agreement and, if mediation fails to resolve such matter, for a court of competent jurisdiction to order Franchisor to grant such consent.

ARTICLE XXIII FRANCHISOR’S BUY-OUT OPTION

23.1 Franchisor’s Rights

Franchisee grants Franchisor the option to purchase all of the assets of the Franchised Business or all ownership interests in the Franchised Business (at Franchisor’s option and which Franchisor may assign to an affiliate) any time after the 60th month of operation of the Franchised Business on the following terms and conditions. Nothing in this Article shall require Franchisor to exercise the buyback option described herein or to use the valuation formula described below if this Agreement is terminated by Franchisor or if Franchisor chooses to not renew this Agreement because Franchisee was not in compliance at the time of renewal.

23.1.1 Option Period: Unless otherwise provided for in this Agreement Franchisor may exercise its option to acquire the Franchised Business at any time after 60 months following the opening date of the Franchised Business.

23.1.2 Exercise: To exercise its option, Franchisor shall give Franchisee written notice (the “**Acquisition Notice**”) of Franchisor’s intention to do so. The Acquisition Notice shall be sent to Franchisee at least 120 days prior to the anticipated closing date.

23.1.3 Purchase Price: The parties will work together to determine the valuation to set the purchase price. The parties will utilize good faith and commercially reasonable efforts to determine said valuation. The purchase price will be determined 30 days prior to closing and will be determined as the Entity Value as determined below.

23.1.4 **Entity Value:** Entity Value shall be equal to 5 times Normalized EBITDA, as defined below.

23.1.5 **Normalized EBITDA:** Normalized EBITDA is defined as follows: EBITDA (Earnings Before Income, Taxes, Depreciation and Amortization) as calculated in accordance with generally accepted accounting principles for the trailing 12-month period prior to the month in which the Acquisition Notice is received. EBITDA will be normalized for the following items: (a) related party transactions as defined by generally accepted accounting principles to be restated at current arm's length market rates; (b) excess owners' compensation to be normalized to expected ongoing management expenses; (c) operating leases for containers will be restated as if they were capital leases, increasing EBITDA, with the related lease obligation to be included as a debt obligation of the Franchised Business; and (d) all other lease obligations will be treated in accordance with generally accepted accounting principles. Net Proceeds to Franchisee will be Entity Value plus or minus net working capital (current assets less current liabilities as defined by generally accepted accounting principles) acquired by Franchisor, less all other debt obligations, liabilities, and contingent liabilities of the Franchised Business as defined by generally accepted accounting principles, which are assumed in writing by Franchisor, less the agreed upon value of the container operating leases obligations used to calculate Normalized EBITDA which Franchisor agrees to are to be assumed in writing. Franchisee must be able to show satisfaction of debts, acceptable to Franchisor, for all liabilities of the Franchised Business Franchisor does not agree to assume in writing.

23.1.6 **Releases.** Franchisor will provide a release of liability to Franchisee for all future liabilities of the Franchised Business. Franchisee will not be relieved of any undisclosed or unassumed liabilities prior to closing and for the final settlement of all claims or contingencies at the time of closing.

23.1.7 **CPA.** In case of any disagreement on any of the calculations or determinations, the determination by Franchisor's independent certified public accountants will be final and conclusive.

23.1.8 **Representations and Warranties.** Franchisor shall be entitled to all customary representations and warranties to ensure that Franchisor receives full and complete title to all of the assets or ownership interests it purchases, in such form and content as Franchisor reasonably requires.

23.1.9 **Cooperation.** Franchisee shall cooperate with Franchisor in preparing for the sale of the Franchised Business if Franchisor exercises its repurchase option as described herein. Moreover, Franchisee shall cooperate with Franchisor in furnishing Franchisor with the necessary information to accurately calculate the purchase price.

23.1.10 **Continuing Obligations.** All obligations and covenants under this Agreement which expressly or by their nature survive the expiration or termination of this Agreement shall continue in full force and effect until they are satisfied in full or by their nature expire.

23.2 Applicability of Other Provisions

If Franchisor elects to exercise this buy-out of Franchisee's rights pursuant to this Article, all post-term covenants not to compete contained in Article XV shall be applicable.

ARTICLE XXIV GENERAL PROVISIONS

24.1 Relationship; Acknowledgments

Franchisee and Franchisor agree that there does not exist any fiduciary, trust or similar relationship between Franchisee and Franchisor, that the relationship between Franchisee and Franchisor is a normal

commercial relationship between independent businesspeople intended for mutual but independent economic benefit, and is not in any sense nor is intended to be a fiduciary, trust or similar relationship.

24.1.1 Franchisee acknowledges that he/she and each of its owners (if Franchisee is a corporation, limited liability company or partnership) and investors has read this Agreement and Franchisor's Disclosure Document and all exhibits, and that Franchisee and its owners understand and accept the terms, conditions, and covenants contained in this Agreement as being necessary to maintain Franchisor's high standards of quality and service and the uniformity of those standards at all College Hunks Moving® businesses and thereby to protect and preserve the goodwill of the Proprietary Marks and the System.

24.1.2 Franchisee and Franchisor, each agreeing on the critical practical business importance of their relationship being governed solely by written documents signed by Franchisee and Franchisor (including any concurrently executed written personal guarantees, Statement of Prospective Franchisee and/or exhibits, schedules, addenda, promissory note(s), security agreement(s) or other written documents signed by the party to be bound thereby, all of which will be deemed to be part of this Agreement for the purposes of this Section 24.1.2) and not wishing to create misunderstanding confusion and possible conflict through reference to any alleged prior and/or contemporaneous oral and/or written representations, understandings, agreements or otherwise, jointly intend and agree that (i) this Agreement contains the final, complete and exclusive expression of the terms of the parties' agreement and entirely supersedes and replaces any and all prior and/or concurrent understandings, agreements, inducements, prior course(s) of dealing, representations (financial or otherwise), promises, options, rights of first refusal, guarantees, warranties (express or implied) or otherwise (whether oral or written) between Franchisee and Franchisor, (ii) there are no prior and/or concurrent understandings, agreements, inducements, course(s) of dealing, representations (financial or otherwise), promises, options, rights of first refusal, guarantees, warranties (express or implied) or otherwise (whether oral or written) which are not fully expressed in this Agreement, and (iii) no prior and/or concurrent understandings, agreements, inducements, course(s) of dealing, representations (financial or otherwise), promises, options, rights of first refusal, guarantees, warranties (express or implied) or otherwise (whether oral or written) of any kind or nature whatsoever have been made by Franchisor or anyone else, nor have been relied upon by Franchisee nor will have any force or effect. Franchisor expressly disclaims any understandings, agreements, inducements, course(s) of dealing, representations (financial or otherwise), promises, options, rights of first refusal, guarantees, warranties (express or implied) or otherwise (whether oral or written) which are not fully expressed in this Agreement. Nothing in this or any related agreement, however, is intended to disclaim the representations made by Franchisor in the Franchise Disclosure Document that was furnished to Franchisee by Franchisor.

24.1.3 Franchisee acknowledges and represents that he/she has not been promised, nor has Franchisor or any of its representatives, employees or agents made any promises, representations and/or warranties, nor has Franchisee received or relied on any promises, representations or warranties, that (i) any payments by Franchisee are refundable at Franchisee's option, (ii) Franchisor will repurchase any rights granted hereunder (or any associated business) or will be able to assist Franchisee in any resale, (iii) Franchisee will succeed in the Franchised Business, (iv) Franchisee will achieve any particular sales, income or other levels of performance, (v) Franchisee will have any exclusive rights of any type other than as specifically set forth herein, or (vi) Franchisee will receive any level of advertising (television or otherwise), marketing assistance, site location, development or other services, operational assistance or otherwise other than as expressly set forth in this Agreement. No contingency, condition, prerequisite, prior requirement, or otherwise (including, but not limited to, obtaining financing, obtaining a site or otherwise) exists with respect to Franchisee fully performing any or all of his/her obligations under this Agreement.

24.1.4 Franchisee has not received or relied on (nor has Franchisor or any of its representatives, employees or agents provided) any: sales, income or other projections of any kind or nature

or any statements, representations, data, charts, tables, spreadsheets or mathematical calculations or otherwise which stated or suggested any level or range of actual or potential sales, costs, income, expenses, profits, cash flow, tax effects or otherwise, and neither Franchisor nor any of its representatives, employees or agents made, nor has Franchisee relied on, any promises, representations or warranties as to any profits Franchisee may realize in the operation of the Franchised Business, nor has Franchisee received or relied on any representations regarding any working capital or other funds necessary to reach any “break-even” or any other financial level. Franchisor is unable, and does not attempt, to predict, forecast or project future performance, revenues, profits or otherwise of any Franchised Business. If any such information, promises, representations and/or warranties has been provided to Franchisee, it should not be relied on, Franchisor will not be bound by it, and, if Franchisee does rely on such information, promises, representations and/or warranties, Franchisee does so at his/her own risk.

24.1.5 Franchisee acknowledges and agrees that the success of the business venture contemplated to be undertaken hereunder is speculative, is and will be dependent upon Franchisee’s personal efforts, that entry into any business enterprise is always associated with risk and that no assurance of success has been or can be given to Franchisee. Franchisee acknowledges and represents that he/she has entered into this Agreement and made an investment only after (i) making an independent investigation of the opportunity, including having received a list, in connection with the presentation of Franchisor’s Disclosure Document, of (and having spoken with) other franchisees currently operating College Hunks Moving® businesses (if applicable), and (ii) having had an opportunity to have this transaction and all related documents reviewed by an attorney and a financial advisor of his/her own choosing, such review having been strongly recommended by Franchisor. Franchisee acknowledges that he/she and each person signing as Franchisee (and/or having any investment and/or interest in the Franchised Business) has received, reviewed, understood and fully read and all questions have been answered regarding a copy of Franchisor’s Disclosure Document with all exhibits at least 14 calendar days prior to the earlier of Franchisee’s and/or any such person (a) signing any binding documents or (b) paying any sums.

24.1.6 Franchisee understands that Franchisor is relying on Franchisee to bring forward in writing at this time any matters inconsistent with any of the matters set forth in this Article XXIV or otherwise so that Franchisor can correct any misunderstandings and Franchisee agrees that if any of the statements or matters set forth in this Article XXIV or otherwise are not true, correct and complete, Franchisee will make a written statement regarding such next to Franchisee’s signature below so that Franchisor may address and resolve any such issue(s) at this time and before either party goes forward.

24.1.7 Franchisee acknowledges and agrees that in all of his/her dealings with Franchisor, the officers, directors, employees, and agents of Franchisor acted only in a representative capacity and not in an individual capacity. Franchisee further acknowledges that this Agreement, and all business dealings between Franchisee and such individuals as a result of this Agreement, are solely between Franchisee and Franchisor. Franchisee further represents to Franchisor, as an inducement to Franchisor’s entry into this Agreement, that Franchisee has made no misrepresentations in obtaining the Franchised Business.

24.2 Notices

Except as otherwise provided in this Agreement, any notice, demand or communication provided for herein shall be in writing, signed by the party giving the same, and will be deemed to have been duly given or made if (a) delivered in person or by commercial airborne courier service (including by FedEx, UPS or other nationally recognized courier); (b) deposited in the United States mail, first-class postage prepaid, certified mail, return receipt requested; or (c) delivered by e-mail (with a confirming copy delivered by commercial airborne courier service). If intended for Franchisor, the notice shall be addressed to it at 4411 West Tampa Bay Blvd, Tampa, FL 33614. If intended for Franchisee, the notice shall be addressed to Franchisee at the address set forth on page one. For notices sent to a party via e-mail, the notice shall be

sent to the most recent e-mail address on file and need not indicate or include a physical mailing address within the e-mail. Either party may change its address for notice purposes by giving the other party written notice, as herein provided, of such change. Franchisee agrees that Franchisor's revisions to the Manual or issuance of directives shall not be considered "notices" under this Agreement, and Franchisor may issue such revisions or directives by any manner it chooses, including, without limitation, e-mail.

24.3 Gender

Reference to Franchisee as male, female, or no gender shall include male or female franchisee, general or limited partnership, joint venture, corporation, trust, or any other association or business entity, as relevant in the context.

24.4 Headings

Headings and captions contained herein are for convenience of reference only and shall not be taken into account in construing or interpreting this Agreement.

24.5 References

Any reference herein to any paragraph or other part of this Agreement shall be deemed to include a reference to every subordinate part and/or subparagraph thereof.

24.6 Time of the Essence

It is acknowledged and agreed by both parties that any delay in the performance of its obligations hereunder would irreparably and irrevocably injure the other party in the conduct of its business and the value of its property. The parties therefore agree that time is of the essence of this Agreement. Except as otherwise specifically permitted herein, no extension of time shall be implied, nor any delay allowed, in the timely and complete performance of all covenants herein contained.

24.7 Survival of Terms

Each provision of this Article XXIV and those provisions hereinabove provided relating to covenants against post-termination/expiration use of the Proprietary Marks, Know How, Copyrights and Software will be deemed to be self-executing and continue in full force and effect subsequent to and notwithstanding the expiration, termination, setting aside, cancellation, rescission, unenforceability or otherwise of this Agreement (or any part of it) for any reason, will survive and will govern any claim for rescission or otherwise. Each provision of this Agreement will be construed as independent of, and severable from, every other provision; provided that if any part of this Agreement is deemed unlawful in any way, the parties agree that such provision will be deemed interpreted and/or modified to the minimum extent necessary to make such provision lawful or, if such construction is not permitted or available, the remainder of this Agreement will continue in full force and effect. Each party reserves the right to challenge any law, rule or judicial or other construction which would have the effect of varying or rendering ineffective any provision of this Agreement.

24.8 Operation in the Event of Absence or Disability

In order to prevent any interruption of the Franchised Business operations which would cause harm to the Franchised Business, thereby depreciating the value thereof, Franchisee authorizes Franchisor, who may, at its option, in the event that Franchisee is absent for any reason or is incapacitated by reason of illness and is unable, in the sole and reasonable judgment of Franchisor, to operate the Franchised Business, operate the Franchised Business for so long as Franchisor deems necessary and practical, and without

waiver of any other rights or remedies Franchisor may have under this Agreement. All monies from the operation of the Franchised Business during such period of operation by Franchisor shall be kept in a separate account, and the expenses of the Franchised Business, including reasonable compensation and expenses for Franchisor's representative, shall be charged to said account. If, as herein provided, Franchisor temporarily operates the Franchised Business franchised herein for Franchisee, Franchisee agrees to indemnify and hold harmless Franchisor and any representative of Franchisor who may act hereunder, from any and all acts which Franchisor may perform, as regards the interests of Franchisee or third parties.

24.9 Step-In Rights

If Franchisor determines in its sole judgment that the operation of the Franchised Business is in jeopardy, or if a default occurs, then in order to prevent an interruption of the Franchised Business which would cause harm to the System and thereby lessen its value, Franchisee authorizes Franchisor to operate his/her business for as long as Franchisor deems necessary and practical, and without waiver of any other rights or remedies which Franchisor may have under this Agreement. In the sole judgment of Franchisor, Franchisor may deem Franchisee incapable of operating the Franchised Business if, without limitation, Franchisee is absent or incapacitated by reason of illness or death; Franchisee has failed to pay when due or has failed to remove any and all liens or encumbrances of every kind placed upon or against Franchisee's Business; or Franchisor determines that operational problems require that Franchisor operate Franchisee's Business for a period of time that Franchisor determines, in its sole discretion, to be necessary to maintain the operation of the Franchised Business as a going concern.

Franchisor shall keep in a separate account all monies generated by the operation of Franchisee's Business, less the expenses of the Franchised Business, including reasonable compensation and expenses for Franchisor's representatives. In the event of the exercise of the step-in rights by Franchisor, Franchisee agrees to hold harmless Franchisor and its representatives for all actions occurring during the course of such temporary operation. Franchisee agrees to pay all of Franchisor's reasonable attorneys' fees and costs incurred as a consequence of Franchisor's exercise of its step-in rights. Nothing contained herein shall prevent Franchisor from exercising any other right which it may have under this Agreement, including, without limitation, termination.

24.10 Referral Fee

Franchisor will pay to Franchisee the sum of ten thousand dollars (\$10,000.00) ("Referral Fee") if: (a) Franchisee refers a candidate to Franchisor for consideration as a franchisee in the College Hunks Hauling Junk® and College Hunks Moving® system, (b) Franchisor approves the candidate as a Franchisee in the College Hunks Hauling Junk® and College Hunks Moving® system, (c) the candidate signs a Franchise Agreement, (d) the candidate pays the full Initial Franchise Fee, and (e) candidate commences operation of the Franchised Business without committing any material defaults. The Referral Fee will be paid by Franchisor to Franchisee within ninety (90) days of the candidate's Commencement of Business.

ARTICLE XXV SECURITY INTEREST

25.1 Collateral

In consideration of the benefits arising under the Franchise Agreement, Franchisee grants to Franchisor a security interest ("**Security Interest**") in all of the furniture, fixtures, equipment, Service Vehicles, signage, and realty (including Franchisee's interests under all real property and personal property leases) of the Franchised Business, together with all similar property now owned or hereafter acquired, additions, substitutions, replacements, proceeds, and products thereof, wherever located, used in connection

with the Franchised Business. All items in which a security interest is granted are referred to as the “Collateral.”

25.2 Indebtedness Secured

25.2.1 The Security Interest is to secure payment of the following (the “Indebtedness”):

- (a) All amounts due under this Agreement or otherwise by Franchisee;
- (b) All sums which Franchisor may, at its option, expend or advance for the maintenance, preservation, and protection of the Collateral, including, without limitation, payment of rent, taxes, levies, assessments, insurance premiums, and discharge of liens, together with interest, or any other property given as security for payment of the Indebtedness;
- (c) All expenses, including reasonable attorneys’ fees, which Franchisor incurs in connection with collecting any or all Indebtedness secured hereby or in enforcing or protecting its rights under the Security Interest and this Agreement; and
- (d) All other present or future, direct or indirect, absolute or contingent, liabilities, obligations, and indebtedness of Franchisee to Franchisor or third parties under this Agreement, however created, and specifically including all or part of any renewal or extension of this Agreement, whether or not Franchisee executes any extension agreement or renewal instruments.

25.2.2 Franchisor’s security interest, as described herein, shall be subordinated to any financing related to Franchisee’s operation of the Franchised Business, including, but not limited to, any real property mortgage, equipment leases, and Service Vehicles leases or financing; provided, however, that Franchisor may require Franchisee and any lender or lessor to execute an intercreditor and subordination agreement, in form satisfactory to Franchisor, containing any or all of the following provisions, as determined by Franchisor:

- (a) a provision which requires any lender or mortgagee concurrently to provide Franchisor with a copy of any written notice of deficiency or default under the terms of the loan or mortgage sent to Franchisee or its affiliates;
- (b) a provision granting Franchisor, at its option, the right (but not the obligation) to cure any deficiency or default under the loan or mortgage should Franchisee (or its affiliate) fail to do so, within 10 days after the expiration of any period in which Franchisee (or its affiliate) may cure such default or deficiency; and
- (c) a provision which expressly states that any default under the loan or mortgage, if not cured within the applicable time period, constitutes grounds for termination of this Agreement and any default under this Agreement, if not cured within the applicable time period, also constitutes a default under the loan or mortgage.

25.2.3 Prior to their execution, Franchisee shall provide Franchisor with copies of any proposed financing agreements related to Franchisee’s operation of the Franchised Business, including, but not limited to, any real property mortgage, equipment leases, or Service Vehicle leases or financing documents. Franchisee shall not sign any proposed financing agreements or contracts until Franchisor has consented to such financing agreements in writing, which consent will not be unreasonably withheld but which consent may be conditioned on Franchisee’s and the lender’s or lessor’s execution and delivery to Franchisor of an intercreditor and subordination agreement pursuant to Section 25.2.2 above.

25.3 Additional Documents

Franchisee will from time to time as required by Franchisor join with Franchisor in executing any additional documents and one or more financing statements pursuant to the Uniform Commercial Code (and any assignments, extensions, or modifications thereof) in form satisfactory to Franchisor.

25.4 Possession of Collateral

Upon default and termination of Franchisee's rights under this Agreement, Franchisor shall have the immediate right to possession and use of the Collateral.

25.5 Franchisor's Remedies in Event of Default

Franchisee agrees that, upon the occurrence of any default set forth above, the full amount remaining unpaid on the Indebtedness secured shall, at Franchisor's option and without notice, become due and payable immediately, and Franchisor shall then have the rights, options, duties, and remedies of a secured party under, and Franchisee shall have the rights and duties of a debtor under, the Uniform Commercial Code of Florida (or other applicable law), including, without limitation, Franchisor's right to take possession of the Collateral and without legal process to enter any premises where the Collateral may be found. Any sale of the Collateral may be conducted by Franchisor in a commercially reasonable manner. Reasonable notification of the time and place of any sale shall be satisfied by mailing to Franchisee pursuant to the notice provisions set forth herein.

25.6 Special Filing as Financing Statement

This Agreement shall be deemed a security agreement and a financing statement. 1. **Scope of Guaranty.** In consideration of and as an inducement to our signing and delivering the Agreement, each of you signing this Guaranty personally and unconditionally: (a) guarantee to Franchisor and its successors and assigns that the Business Entity will punctually pay and perform each and every undertaking, agreement, and covenant set forth in the Agreement; and (b) agree to be personally bound by, and personally liable for the breach of, each and every provision in the Agreement.

2. **Waiver.** Each of you waive:

- (a) acceptance and notice of acceptance by us of your obligations under this Guaranty;
- (b) notice of demand for payment of any indebtedness or nonperformance of any obligations guaranteed by you;
- (c) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations guaranteed by you;
- (d) any right you may have to require that an action be brought against the Business Entity or any other person as a condition of your liability;
- (e) all rights to payments and claims for reimbursement or subrogation which you may have against the Business Entity arising as a result of your execution of and performance under this Guaranty; and
- (f) all other notices and legal or equitable defenses to which you may be entitled in your capacity as guarantors.

3. **Rights of Franchisor.** Each of you agree that Franchisor shall have the full right, in our sole discretion, and without any notice to or consent from you, from time to time, and at any time, and without affecting, impairing or discharging in whole or in part, your liability hereunder:

- (a) to make any change, amendment or modification whatsoever in any of the terms and conditions of the Agreement;
- (b) to extend in whole or in part by renewal or otherwise, and on one or any number of occasions, the term of the Agreement;
- (c) to settle, compromise, release, surrender, modify or impair, and to enforce and exercise or fail or refuse to enforce or exercise any claims, rights, or remedies of any kind or nature against the Business Entity or any other party or the Business Entity's debts or transactions, or any collateral or security held by Franchisor;

(d) to enter into any alteration or modification of the Agreement regardless of whether said alteration or modification would increase the extent of your obligations hereunder, or make performance by the Business Entity or you more difficult; and

(e) to take other guarantees, collateral or security with respect to your obligations hereunder.

4. **Consents and Agreements.** Each of you consent and agree that: (a) your direct and immediate liability under this Guaranty are joint and several; (b) you must render any payment or performance required under the Agreement upon demand if the Business Entity fails or refuses punctually to do so; and (c) this Guaranty will continue and is irrevocable during the term of the Agreement and, if required by the Agreement, after its termination or expiration.

5. **Scope of Liability.** This Guaranty and your liability hereunder shall remain and continue in full force and effect notwithstanding:

(a) the non-liability of the Business Entity for any reason whatsoever of payment or performance of the Guaranteed Obligations or any part thereof;

(b) the release of the Business Entity from the observance of any of the covenants, terms, or conditions contained in the Agreements by operation of law;

(c) any extension of time, credit or other indulgence which Franchisor may from time to time grant to Business Entity or to any other person, including, without limitation, the acceptance of any partial payment or performance or the compromise;

(d) any defenses or rights of set off or counterclaims which the Business Entity may assert; and

(e) any failure of Franchisor to inform you of any facts Franchisor may now or hereafter know about the Business Entity, the Agreement, or the franchise contemplated in connection therewith, it being understood and agreed that Franchisor has no duty to so inform; it being the intention that you shall remain liable hereunder until the guaranteed obligations of the Business Entity shall have been fully paid, performed and observed by the Business Entity.

6. **Effect of Delay.** No failure, omission or delay on the part of Franchisor in exercising any rights hereunder or in taking any action to collect or enforce performance of your obligations hereunder or in enforcing performance of any covenant, term or condition to be performed under the Agreement, either against the Business Entity or any other party, shall operate as a waiver of any such right or in any manner prejudice the rights of Franchisor against you.

7. **Direct Obligations.** Each of you hereby covenant and agree to comply with and abide by the restrictive covenants and non-disclosure provisions contained in ARTICLE XIV and ARTICLE XV of the Agreement to the same extent as and for the same period of time as Franchisee is required to comply with and abide by such covenants and provisions. These obligations shall survive any expiration or termination of this Guaranty or the Agreement. Each of you acknowledge that it is owner or affiliate of the Business Entity and is serving in a managerial capacity in the operation of the Business Entity.

8. **Successors and Assigns.** This Guaranty shall bind and inure to the benefit of the parties hereto and their respective heirs, administrators, executors and successors, shall be construed equally between the parties.

9. **Governing Law.** This Guaranty, the Agreement, and related agreements are accepted by Franchisor in the State of Florida and shall be governed by, construed in accordance with and enforced in accordance with the laws thereof, which laws shall prevail in the event of any conflict.

10. **Enforcement.** The parties hereto agree that it is in their best interest to resolve disputes between them in an orderly fashion and in a consistent manner. Therefore, the parties hereby agree as follows:

(a) **Jurisdiction.** The following courts shall have personal jurisdiction over each of you in all lawsuits relating to or arising out of this Guaranty and the Agreement, and each of you hereby waives any defense you may have of lack of personal jurisdiction in any such lawsuit filed in these courts: (i) all courts included within the state court system of the State of Florida; and (ii) all the United States District Courts sitting within the State of Florida.

(b) **Venue.** Venue shall be proper in any of the following courts in all lawsuits relating to or arising out of this Guaranty and the Agreement and each of you hereby waives any defense it may have of improper venue in any such lawsuits filed in these courts: (i) the Thirteenth Judicial Circuit Court in Hillsborough County, Florida; and (ii) the United States District Court for the Middle District of Florida, Tampa Division. In the event any of these courts are abolished, each of you agrees that venue shall be proper in the state or federal court in Florida which most closely approximates the subject-matter jurisdiction of the abolished court as well as any of these courts which are not so abolished. All lawsuits filed by any of you against Franchisor relating to or arising out of this Guaranty, the Agreement, and related agreements shall be required to be filed in one of these courts; provided, however, that if none of these courts has subject-matter jurisdiction over such a lawsuit such lawsuit may be filed in any court having such subject-matter jurisdiction in the State of Florida if in-personam jurisdiction and venue in such court are otherwise proper. Lawsuits filed by Franchisor against any of you may be filed in any of the courts named in this subparagraph (b) or in any court in which jurisdiction and venue are otherwise proper.

(c) **Service of Process.** In all lawsuits relating to or arising out of this Guaranty and the Agreement, each of you consents and agrees that you may be served with process outside the State of Florida in the same manner as service may be made within the State of Florida by any person authorized to make service by the laws of the state, territory, possession or country in which service is made or by any duly qualified attorney in such jurisdiction, and each of you hereby waives any defense you may have of insufficiency of service of process relating to such service. This method of service shall not be the exclusive method of service available in such lawsuits and shall be available in addition to any other method of service allowed by law.

(d) You shall pay all reasonable attorneys' fees and associated costs incurred by Franchisor in the enforcement of this Guaranty.

11. **Effectiveness.** Your obligations under this Guaranty are effective on the Agreement Date, regardless of the actual date of signature. Terms not otherwise defined in this Guaranty have the meanings as defined in the Agreement.

12. **Modification.** No provision hereof shall be modified or limited except by written agreement signed by each of you and Franchisor.

13. **Severability.** In case any one or more provisions of this Guaranty shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof.

Each of you now sign and deliver this Guaranty effective as of the date of the Agreement regardless of the actual date of signature.

- (C) Franchisee fails to comply with any other provision of this Agreement.

10.2. Termination or other Remedies. In the event of any default by Franchisee, hereunder, Operator shall be entitled, immediately upon delivery of notice to Franchisee, to either: (a) terminate this Agreement; or (b) suspend delivery of any of the Services to Franchisee until such time that Operator, in its sole discretion, deems reasonable.

11. Effect of Delay. No failure, omission, or delay on the part of Operator in exercising any rights hereunder or in taking any action to collect or enforce performance of Franchisee's obligations hereunder or in enforcing performance of any covenant, term or condition to be performed under this Agreement, shall operate as a waiver of any such right or in any manner prejudice the rights of the Operator.

12. Acknowledgements of Franchisee. Franchisee acknowledges and agrees that the Services provided by Operator under this Agreement are limited and do not replace Franchisee's need to engage an accountant or tax professional to ensure compliance with tax and other applicable laws. Operator disclaims any representations or warranties that the Services will satisfy or ensure compliance with any legal obligations, laws, or regulations. This disclaimer applies to, but is not limited to, federal, state, and local income, payroll, sales tax and other tax laws, the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the Gramm-Leach-Bliley Act of 1999, the Sarbanes-Oxley Act of 2002, or other federal or state statutes or regulations. Franchisee is advised to consult with tax, accounting, and/or legal representatives to ensure that Franchisee is in compliance with all applicable laws. Franchisee acknowledges that it is solely responsible for and is not relying on Operator for compliance with applicable laws.

13. Successors and Assigns. This Agreement shall bind and inure to the benefit of the parties hereto and their respective heirs, administrators, executors and successors, shall be construed equally between the parties.

14. Governing Law. This Agreement is accepted by Operator in the State of Florida and shall be governed by, construed in accordance with and enforced in accordance with the laws thereof, which laws shall prevail in the event of any conflict.

15. Enforcement. The parties hereto agree that it is in their best interest to resolve disputes between them in an orderly fashion and in a consistent manner. Therefore, the parties hereby agree as follows:

15.1. **Jurisdiction.** The following courts shall have personal jurisdiction over Franchisee in all lawsuits relating to or arising out of this Agreement, and Franchisee hereby waives any defense Franchisee may have of lack of personal jurisdiction in any such lawsuit filed in these courts: (i) all courts included within the state court system of the State of Florida; and (ii) all the United States District Courts sitting within the State of Florida.

15.2. **Venue.** Venue shall be proper in any of the following courts in all lawsuits relating to or arising out of this Agreement and the Agreement and Franchisee hereby waives any defense it may have of improper venue in any such lawsuits filed in these courts: (i) the Thirteenth Judicial Circuit Court in Hillsborough County, Florida; and (ii) the United States District Court for the Middle District of Florida, Tampa Division. In the event any of these courts are abolished, Franchisee agrees that venue shall be proper in the state or federal court in Florida which most closely approximates the subject-matter jurisdiction of the abolished court as well as any of these courts which are not so abolished. All lawsuits filed by Franchisee against Operator relating to or arising out of this Agreement shall be required to be filed in one of these courts; provided, however, that if none of these courts has subject-matter jurisdiction over such a lawsuit such lawsuit may be filed in any court having such subject-matter jurisdiction in the State of Florida if in-personam jurisdiction and venue in such court are otherwise proper. Lawsuits filed by Operator against Franchisee may be filed in any of the courts named in this Section 15.2 or in any court in which jurisdiction

and venue are otherwise proper.

15.3. **Service of Process.** In all lawsuits relating to or arising out of this Agreement and the Agreement, Franchisee consents and agrees that Franchisee may be served with process outside the State of Florida in the same manner as service may be made within the State of Florida by any person authorized to make service by the laws of the state, territory, possession or country in which service is made or by any duly qualified attorney in such jurisdiction, and Franchisee hereby waives any defense Franchisee may have of insufficiency of service of process relating to such service. This method of service shall not be the exclusive method of service available in such lawsuits and shall be available in addition to any other method of service allowed by law.

16. **Enforcement Costs.** If the Operator is required to enforce this Agreement in any judicial proceeding or any appeals, Franchisee must reimburse the Operator for its enforcement costs. Enforcement costs include reasonable accountants', attorneys', attorney's assistants', and expert witness fees, costs of investigation and proof of facts, court costs, filing fees, other litigation expenses and travel and living expenses, whether incurred prior to, in preparation for, or in contemplation of the filing of any written demand, claim, action, hearing or proceeding to enforce this Agreement.

17. **Effectiveness.** Your obligations under this Agreement are effective on the Effective Date of the Franchise Agreement, regardless of the actual date of signature. Terms not otherwise defined in this Agreement have the meanings as defined in the Franchise Agreement. **Modification.** No provision hereof shall be modified or limited except by written agreement signed by each of Franchisee and Operator.

19. **Severability.** In case any one or more provisions of this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof.

ADDENDUM TO THE CHHJ FRANCHISING L.L.C. FRANCHISE AGREEMENT REQUIRED BY THE STATE OF ILLINOIS

This Addendum to the Franchise Agreement between CHHJ Franchising L.L.C. ("Franchisor") and _____ ("Franchisee") is dated _____, 20 _____. Capitalized terms not defined in this Addendum have the meanings given in the Franchise Agreement. Notwithstanding anything which may be contained in the Franchise Agreement to the contrary, the Franchise Agreement is amended to include the following:

1. The following item is required to be included within the Disclosure Document and shall be deemed to supersede the language that is in the Disclosure Document itself:

Section 4 of the Illinois Franchise Disclosure Act ("Act") dictates that "any provision in the franchise agreement which designates jurisdiction or venue in a forum outside of this State is void with respect to any cause of action which otherwise is enforceable in this State, provided that a franchise agreement may provide for arbitration in a forum outside of this State." Therefore, the Act supersedes any contrary provisions contained in the Franchise Agreement.

2. Illinois law governs the Franchise Agreement.

3. Any releases and/or waivers that we request you to sign must conform with Section 41, Waivers Void, of the Illinois Franchise Disclosure Act of 1987 which states that "any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of this Act or any other law of this State is void. This Section shall not prevent any person from entering into a settlement agreement or executing a general release regarding potential or actual lawsuits filed under any of the provisions of this Act, nor shall it prevent the arbitration of any claim pursuant to the provisions of Title 9 of the United States Code." The appropriate sections of the Franchise Agreement are amended accordingly.

4. Under Illinois law, a franchise agreement may not provide for a choice of law of any state other than Illinois. Accordingly, Items 17(v) and (w) are amended to state "Illinois." The appropriate sections of the Franchise Agreement are amended accordingly.

5. Section 19, Termination of a Franchise, of the Illinois Franchise Disclosure Act of 1987 ("Act") subsection (a) states that "It shall be a violation of this Act for a franchisor to terminate a franchise of a franchised business located in this State prior to the expiration of its term except for "good cause" as provided in subsection (b) and (c) of this Section." Items 12 and 17 (o) of the Franchise Disclosure Document and Section 19.8 of the Franchise Agreement are amended to state that Franchisor or its designee shall have the option to purchase Franchisee's franchised business only if the Franchise Agreement was terminated for "good cause" or upon expiration of its term.

6. Section 4 of the Illinois Franchise Disclosure Act ("Act") dictates that "any provision in the franchise agreement which designates jurisdiction or venue in a forum outside of this State is void with respect to any cause of action which otherwise is enforceable in this State, provided that a franchise

agreement may provide for arbitration in a forum outside of this State.” Therefore, the Act supersedes any contrary provisions contained in the Franchise Agreement.

7. Section 22.13 of the Franchise Agreement is amended to comply with Section 27 of the Act to allow any and all claims and actions arising out of or relating to these Agreements, the relationship of Franchisor and Franchisee or Franchisee’s operation of the Franchise brought by Franchisee against Franchisor shall be commenced within three (3) years from the occurrence of the facts giving rise to such claim or action, within one (1) year after Franchisee becomes aware of the facts or circumstances indicating Franchisee may have a claim for relief, or ninety (90) days after delivery to Franchisee of a written notice disclosing the violation, or such claim or action will be barred.

8. Article XXIII of the Franchise Agreement and Item 12 of the Disclosure Document is amended to comply with Section 20 of the Act which states that “it shall be a violation of this Act for a franchisor to refuse to renew a franchise of a franchised business located in this State without compensating the franchisee either by repurchase or by other means for the diminution in the value of the franchised business caused by the expiration of the franchise where: (a) the franchisee is barred by the franchise agreement (or by the refusal of the franchisor at least 6 months prior to the expiration date of the franchise to waive any portion of the franchise agreement which prohibits the franchisee) from continuing to conduct substantially the same business under another trademark, service mark, trade name or commercial symbol in the same area subsequent to the expiration of the franchise; or (b) the franchisee has not been sent notice of the franchisor’s intent not to renew the franchise at least 6 months prior to the expiration date or any extension thereof of the franchise.

FRANCHISE AGREEMENT REQUIRED BY THE STATE OF WASHINGTON

This Addendum to the Franchise Agreement between CHHJ Franchising L.L.C. ("Franchisor") and _____ ("Franchisee") is dated _____, 20____. Capitalized terms not defined in this Addendum have the meanings given in the Franchise Agreement. Notwithstanding anything which may be contained in the Franchise Agreement to the contrary, the Franchise Agreement is amended to include the following:

1. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

2. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

3. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. 4. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Management
CHHJ Franchising, LLC

CHHJ FRANCHISING, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019, 2018, AND 2017

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

CHHJ Franchising, LLC (the Company), a wholly owned subsidiary of Friedman and Soliman Enterprises, LLC (the Parent or Member), is a limited liability company formed in the state of Delaware on October 20, 2006. The Company was formed to grant the rights to own and operate "College Hunks Hauling Junk," "College Hunks Moving," and "1-800-Junk-USA," businesses that provide junk removal services, including picking up of unwanted items from residential or commercial customers and taking it to the appropriate landfill or transfer station for appropriate disposal or recycling, as well as moving services (Franchised Business). The Company grants each franchisee a nontransferable right and license to use the Franchised Business, the proprietary marks, and to provide services in accordance with the Franchised Business. The Franchised Business consists of certain trade names, service marks, trademarks, logos, and emblems.

Basis of Accounting

The Company's financial statements have been prepared on the accrual basis of accounting and, accordingly, reflect all significant balance sheet accounts, including receivables, prepaid expenses, payables, and other liabilities.

Cash

For purposes of the statement of cash flows, the Company considers all highly liquid financial instruments purchased with a maturity of three months or less to be cash equivalents.

Restricted Cash

Restricted cash consists of escrow account for receipts received from franchisees and sponsors specifically designated to be used for the annual Company reunion event which is held the following year in February.

Accounts Receivable and Due from Related Parties

Trade accounts receivable and due from related parties are periodically evaluated for collectability based on past credit history and current financial condition. The Company uses the allowance method of accounting for bad debts for financial reporting purposes. Uncollectible amounts are charged against the allowance account when such receivables are deemed to be uncollectible. Management considers all accounts receivable and due from related parties at December 31, 2019, 2018, and 2017 to be collectible. Accordingly, the allowance for bad debt is reported at zero.

Other Receivables

Other receivables consist of balances owed by franchisees for royalties and/or franchise/zone purchases. Interest income on these loans is accrued based on agreements with the franchisees. Balances owed by franchisees due within 12 months is considered current portion based on the signed agreements.

CHHJ FRANCHISING, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019, 2018, AND 2017

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Deferred and Capitalized Franchise Costs

Deferred franchise costs represent commissions that are direct and incremental to the Company and are direct costs incurred in conjunction with the sale of a franchise. These costs are recognized as an expense when the respective revenue is recognized, which is generally over the term of the related franchise agreement.

Capitalized franchise costs are costs associated with franchisees that have signed franchise agreements but have not yet opened their location. These costs include commissions paid to sales representatives and consulting services provided by the Company. The accounting for capitalized franchise cost changed with the adoption of created Topic 606, *Revenue from Contracts with Customers*.

Property and Equipment

Property and equipment are stated at cost, less accumulated depreciation. Depreciation is provided at rates intended to distribute the cost of property and equipment over their estimated service lives of three to 15 years using the straight-line basis, and includes items purchased under the capital leases detailed in Note 3. Leasehold improvements are amortized over the shorter of the estimated useful life or the lease term of the related asset. Upon disposition of assets, the related cost and accumulated depreciation and amortization are eliminated, and any gain or loss is included in operations. Expenditures for major improvements are capitalized. Maintenance and repairs are expensed.

Deferred Franchise Revenue

Deferred franchise fees represent franchise fees received that have not been fully earned and will be recognized in future periods.

Concentration of Credit Risk

Substantially all cash is deposited in one financial institution. At times, amounts on deposit may be in excess of the FDIC insurance limit. The Company performs periodic credit evaluations of its customers' financial condition and generally grants credit on an unsecured basis.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Advertising Costs

Advertising costs are expensed as incurred. As part of the franchise agreement, the Company maintains a Brand Development Fund (the Fund) for the purpose of advertising the Franchised Business on a regional and national basis. Franchisees contribute 1% - 2% of their gross revenues to the fund on a monthly basis.

As the Company has an agency relationship with respect to the Fund and the funds collected are only to be used for national, regional and/or local advertising, publicity and promotion of the CHHJ brands, all amounts collected are recorded as a liability against which the allowable costs are charged. As of December 31, 2019, 2018, and 2017 there was a liability outstanding related to the Fund of approximately \$2,500, \$147,000, and \$34,000, respectively, which is included in other liabilities.

The Company may elect to subsidize the fund to support marketing efforts. The Fund is not included in the financial statements, although the Company's contributions to the Fund are included as advertising expenses in the statements of operations.

During the years ended December 31, 2019, 2018, and 2017, the Company collected approximately \$2,131,500, \$1,473,000, and \$991,000, respectively, and expensed advertising and marketing costs of \$2,134,000, \$1,326,000, and \$1,025,000, respectively, as incurred.

Adoption of New Accounting Standards

The Financial Accounting Standards Board (FASB) issued new guidance that created Topic 606, *Revenue from Contracts with Customers*, in the Accounting Standards Codification (ASC). Topic 606 supersedes the revenue recognition requirements in FASB ASC 605, *Revenue Recognition*, and requires the recognition of revenue when promised goods or services are transferred to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods or services. The new guidance also added Subtopic 340-40, *Other Assets and Deferred Costs—Contracts with Customers*, to the ASC to require the deferral of incremental costs of obtaining a contract with a customer.

The Company adopted the requirements of the new guidance as of January 1, 2019, utilizing the modified retrospective method of transition. As a result, the Company recorded a cumulative adjustment to retained earnings as of January 1, 2019, to reflect the effect of the new guidance. The comparative financial information presented has not been restated and continues to be reported under the accounting standards in effect for those periods.

The primary impact of ASC 606 on the Company's revenue recognition policies is a change in the accounting for initial franchising fees and related commissions and other opening expenses. Upon the initial sale of a franchise, the Company is obligated to provide franchisees access to certain proprietary programs, written materials, trademarks, tools and support associated with their franchise business. The Company previously recorded the initial franchising fees as revenue and the related expenses at the opening of the franchisees' operations. Beginning in January 2019, under ASC 606, initial franchise fees have been recognized as the Company satisfies the performance obligation over the franchise term on a straight-line basis, which is generally ten years. The unrecognized portion of initial franchising fees is recorded as deferred franchise revenue. Similarly, expenses are an incremental cost of obtaining a contract under ASC 606, which are capitalized as deferred franchise costs and amortized over the term of the franchise agreement.

Revenue Recognition

The Company generates revenue primarily through royalties, advertising, franchise fees, call center fees, and bookkeeping service fees.

Royalties and Advertising Fund Revenue

The Company collects royalties, as stipulated in the franchise agreement, currently equal to 7% of gross sales and a marketing and advertising fee currently 2% of gross sales. Royalties, including franchisee contributions to advertising funds, are calculated as a percentage of bi-monthly sales. The royalties, inclusive of advertising fund contributions, represent sales-based royalties that are related entirely to the Company's performance obligation under the franchise agreement and are recognized as bi-monthly franchisee store level sales occur. Royalties are collected semi-monthly. Marketing and advertising fees are reported as other revenue in the statements of operations.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

Franchise Fees

The Company requires the entire non-refundable initial franchise fee to be paid upon execution of a franchise agreement, which typically has an initial term of ten years. Initial franchise fees are recognized ratably on a straight-line basis over the term of the franchise agreement. The Company does not start to recognize revenue until all the terms of the franchise agreement are met which is generally the start of operations for the franchisee. The Company's cost of services under the franchise agreement include: training of franchisees and staff, site selection, the right to use trademarks and proprietary information, and ongoing operations support. The Company provides no financing to franchisees and offers no guarantees on their behalf. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation.

Call Center Fees

The Company requires a franchisee to pay to the Company, a support fee for the administration of the First Contact Sales & Loyalty Center (SLC). The support fee ranges from \$799-\$945 per month. The Support Fee is payable at the same time and in the same manner as the Royalty Fee. There is no Support Fee due for the first 6 months from the agreement date unless this agreement results from a renewal or transfer, then it applies immediately. In addition to the support fee, franchisees will pay \$19 per scheduled appointment by the SLC. The appointment fee is billed at the end of the month and is due 10 days after invoice is sent. Revenue is recognized monthly, as services are performed.

Bookkeeping Service Fees

The Company provides bookkeeping services to franchisees that participate in the CHC Bookkeeping Program. The bookkeeping services range from \$300-\$850 per month based on the monthly revenue of the franchisee. The services are provided on a biweekly and monthly basis and recognized as services are performed. Services that are not covered in the CHC Bookkeeping Program are provided at an additional hourly rate. Bookkeeping Service Fees are reported as other revenue in the statements of operations.

Reclassifications

Certain amounts in the 2017 & 2018 financial statements have been reclassified to conform to the 2019 presentation. These reclassifications do not affect net income or equity as previously reported. Management elected to move certain expenses from other expense to operating expense and elected to move certain income account from a contra operating expense to other income.

Income Taxes

The Company is a single member limited liability company under applicable federal and state statutes. As such, it is treated for tax purposes as a disregarded entity. Accordingly, there is no provision for federal or state income taxes.

Under the Income Taxes Topic of the FASB Accounting Standards Codification, the Company has reviewed and evaluated the relevant technical merits of its tax positions in accordance with accounting principles generally accepted in the United States of America for accounting for uncertainty in income taxes, and determined that there are no uncertain tax positions that would have a material impact on the financial statements of the Company.

The Company evaluates its tax positions for uncertainty on an annual basis and believes it has no uncertain tax positions as of December 31, 2019, 2018, and 2017. The tax returns for the years 2013 to 2018 is subject to income tax examination.

NOTE 2 REVENUE DISCLOSURES

Franchising Fees, Royalty Fees, and Advertising Revenue

The Company currently franchises its concept across the country. The franchise arrangement is documented in the form of a franchise agreement. The franchise arrangement requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the franchisee, but instead represent a single performance obligation, which is the transfer of the franchise license. The intellectual property subject to the franchise license is symbolic intellectual property as it does not have significant standalone functionality, and substantially all of the utility is derived from its association with the Company's past or ongoing activities.

The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's symbolic intellectual property over the term of the license. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation. The transaction price in a standard franchise arrangement primarily consists of (a) initial franchise fees; (b) continuing franchise fees (royalties); and (c) advertising fees. Since the Company considers the licensing of the franchising right to be a single performance obligation, no allocation of the transaction price is required.

The Company recognizes the primary components of the transaction price as follows:

- Franchise fees are recognized as revenue ratably on a straight-line basis over the term of the franchise agreement commencing with the execution of the franchise agreement. As these fees are typically received in cash at or near the beginning of the franchise term, the cash received is initially recorded as a contract liability until recognized as revenue over time.
- The Company is entitled to royalties and advertising fees based on a percentage of the franchisee's gross sales as defined in the franchise agreement. Royalty and advertising revenue are recognized when the franchisee's sales occur.
