What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with us by arbitration and/or litigation only in Minneapolis, Minnesota, or at such other place as may be mutually agreeable to the parties. Out-of-state arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with us in Minneapolis, Minnesota than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**NOTICE REQUIRED
BY
STATE OF MICHIGAN**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

THE MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Item 1: The Franchisor, and any Parents, Predecessors, and Affiliates

To simplify the language in this franchise disclosure document (“disclosure document”), “ADQ” means American Dairy Queen Corporation, the franchisor. “You” means the person who buys the franchise. If the franchisee is a corporation, partnership or other entity, “you” may also mean its owners. Certain provisions of the franchise agreement apply to your owners and will be noted in this disclosure document.

ADQ is a Delaware corporation incorporated in 1962. ADQ’s principal business address is 8000 Tower, Suite 700, 8331 Norman Center Drive, Bloomington, MN 55437. ADQ has not had any predecessors during the 10-year period immediately before the close of its most recent fiscal year. ADQ does business under its corporate name and the trade names “Dairy Queen” and “DQ.”

ADQ is a wholly-owned subsidiary of its parent corporation, International Dairy Queen, Inc. (“IDQ”), whose principal business address is the same as ADQ’s. IDQ is a wholly-owned subsidiary of its parent corporation, Berkshire Hathaway, Inc., whose principal business address is 1440 Blackstone Plaza, Omaha, Nebraska 68131.

ADQ’s affiliates that offer franchises in any line of business or provide products or services to franchisees are: Unified Supply Chain, Inc. (“USCI”); DQF, Inc. (“DQF”); DQGC, Inc. (“DQGC”) and federal Canadian corporation Dairy Queen Canada Inc. (“DQC”). In addition, the following ADQ affiliate owns and operates DQ Grill & Chill® restaurants: DQ Training Restaurants, LLC (“DQTR”). The principal business address for USCI, DQF, DQGC and DQTR is the same as ADQ. The principal business address for DQC is 1111 International Boulevard, Suite 601, Burlington, Ontario, Canada L7L 6W1.

ADQ’s agents for service of process are disclosed in Exhibit A of this disclosure document.

Description of the Franchises Being Offered

ADQ offers franchises for the development of DQ® Treat stores. A DQ® Treat store is a quick service food establishment with indoor seating (and outdoor, in certain locations) from which you will sell the full line of approved DQ® soft-serve, treat, and beverage menu items, and a limited number of approved food items, and which will be operated under the DQ® and other marks that ADQ may designate (the “Trademarks”).

ADQ offers DQ® Treat franchises for captive venue (“Captive-venue”) locations, which are locations in shopping malls or centers (enclosed or open air, such as a lifestyle center) with a minimum of 500,000 square feet of gross leasable area, transportation terminals, hospitals, college and university facilities, parks and recreation areas, office buildings and other locations that cater to high volume walking traffic. ADQ also offers DQ® Treat franchises for “Street” locations, which are defined as freestanding, streetscape or strip mall locations with less than 500,000 gross leasable area.

In connection with your authorized franchise, you will: (1) use ADQ’s nationally recognized trademarks and service marks; (2) obtain access to the distinctive operational and management attributes of the Dairy Queen® system; (3) participate in many of ADQ’s national and regional sales promotion programs, as well as any special programs ADQ establishes for DQ® Treat franchisees;

and (4) receive the benefits of association with a nationally recognized franchise system, including various forms of training, opening and operational assistance (see Item 11).

Single Unit Franchise

The single unit DQ® Treat franchise is a license to operate a single DQ® Treat store at an authorized location under the terms of the operating agreement (also referred to as the franchise agreement) included in this disclosure document as Exhibit B.

If you are a current franchisee of an existing DQ® restaurant that has a contractual right to renew the existing franchise at the end of its initial term, and you meet ADQ's qualifying criteria for renewal, you will be required to sign the franchise agreement and the renewal addendum included in Exhibit B.

If you are purchasing or otherwise acquiring an existing DQ® Treat store, and you meet ADQ's qualifying criteria and requirements to obtain ADQ's consent for the transfer, you will be required to sign the franchise agreement included in Exhibit B.

Conversion Program

If you operate an existing Dairy Queen® soft-serve-only or limited non-system food ("NSF") store, and meet all of ADQ's qualifying criteria, ADQ may allow you to convert your store to a DQ® Treat store by signing the franchise agreement and the applicable conversion addendum included in Exhibit C. The conversion addenda allow you to, among other things, carry over from your old agreement to the new agreement the protected territory and the continuing license fee for products made with soft-serve as an ingredient. Franchisees converting an existing Dairy Queen® soft-serve-only store or an NSF store to a DQ® Treat store are referred to as "conversion franchisees" and the locations are referred to as "conversions."

Dairy Queen® soft-serve-only stores are different from the DQ® Treat franchise currently offered by ADQ because they are under franchise agreements entered into over 30 years ago and have no rights to carry DQ® food items.

Franchise Ownership and Franchisee Qualifications

You may own the franchise as an individual or through an entity such as a corporation, limited liability company or limited partnership. If more than one individual signs the operating agreement, you must designate one of the individuals as the Controlling Owner. If you sign the operating agreement as an entity, one of the individual owners of the entity must own 51% or more of the equity and voting interests in the entity and that person will serve as the Controlling Owner. ADQ may make an exception to the requirement that an entity have an individual owner that owns and controls 51% or more of the entity if (a) the entity is an existing franchisee whose ownership was approved by ADQ prior to April 1, 2026, (b) there are no changes to the ownership structure previously approved for the entity, (c) the entity has 3 or more existing DQ® restaurants in operation, and (d) you designate one individual as the Controlling Owner. In all cases, the Controlling Owner must have the authority to (1) bind the franchisee entity in any dealings with ADQ and its affiliates and (2) direct any action necessary to ensure that the restaurant is operated

in compliance with the operating agreement and System Standards. See Item 15 for more information related to Controlling Owner requirements.

Whether you are applying to hold the franchise as an individual or as an entity, all owners must meet ADQ's then current eligibility requirements to own a franchise, including financial, operational, criminal and credit history, legal, and other factors. These requirements apply whether you are building a new restaurant or buying an existing restaurant.

Market

Dairy Queen® products appeal to the general public, although certain products are targeted for particular customers. Your principal competition will be other quick service and fast casual food restaurants and specialty ice cream treat outlets, specialty fruit beverage (primarily smoothies), snack food, or treat establishments, including members of other regional and national chains and franchise systems. Sales of Dairy Queen® products may be seasonal in areas of the United States with cooler climates during part of the year. The market for quick service food restaurants, specialty ice cream treat outlets, and specialty fruit beverage, snack food and treat establishments is well developed and highly competitive.

Licenses and Permits

In addition to laws and regulations that apply to businesses generally, DQ® Treat stores are subject to various federal, state and local government regulations, including those relating to site location and building construction; privacy and data security; food and menu labeling; storage, preparation and sale of food and beverage products including packaging and certain ingredient restrictions (*e.g.*, those relating to trans fat); dairy and meat products; and health, sanitation and safety. ADQ strongly encourages you to investigate these regulations and other laws that may be applicable to your business before you purchase the franchise. It is your sole responsibility to abide by any applicable laws and regulations, and to obtain and keep in place all necessary licenses and permits.

Business of ADQ

ADQ's business includes administering its franchise system, establishing and conducting sales promotion programs for DQ® products and providing various services to its franchisees (see Items 8 and 11). In addition, since ADQ's incorporation, ADQ has operated DQ® restaurants and stores on an interim basis. ADQ does not operate any company-owned DQ® Treat stores as of the date of this disclosure document, although, as explained further below, ADQ's affiliate, DQTR, owns and operates two DQ Grill & Chill® restaurants.

In addition to the franchise offered under this franchise disclosure document, ADQ offers franchises for other concepts through separate franchise disclosure documents:

- **DQ Grill & Chill®.** ADQ offers single and multiple unit franchises for the operation of DQ Grill & Chill® restaurants, which are quick service food restaurants with indoor seating (and outdoor, in certain locations) from which a franchisee sells the full line of approved soft-serve, treat, food and beverage menu items.

- **Texas DQ® Restaurant.** Due to historical factors unique to Texas, ADQ offers single and multiple unit franchises in Texas for DQ® restaurants with a food menu different than the DQ Grill & Chill® food menu, which is called “Texas Country Food.” The DQ® restaurant multiple unit franchises permit a franchisee to establish and operate a specific number of DQ® restaurants at authorized locations in Texas within a specific geographic or trade area under separate franchise agreements for each restaurant.

In November 2021, ADQ’s affiliate, Orange Julius of America (OJA), transferred and assigned all of its right, title and interest in and to its Orange Julius® and other trademarks, as well as all of its right, title and interest in and to the Orange Julius® franchise system and existing Orange Julius® franchise agreements, to ADQ. Since that time, ADQ’s business has included administering the Orange Julius® franchise system, establishing and conducting sales promotion programs for Orange Julius® products, and providing various services to Orange Julius® franchisees. ADQ is not offering or issuing any new Orange Julius® franchises. OJA was dissolved in December 2021.

In the past ADQ issued standard and urban territory franchises in the United States, which are territory franchises that allow the territory operator to develop the Dairy Queen®/Brazier® (and now DQ Grill & Chill®) and Dairy Queen®/Limited Brazier® (now DQ® Treat) businesses within a defined geographical area (“territory”) either directly or in some cases through subfranchising to third parties. ADQ occasionally acquires a territory operator’s interest in various restaurant and store franchise agreements through negotiated acquisitions of territorial subfranchising rights. Also in the past, ADQ issued Dairy Queen® soft-serve-only franchises (a store featuring approved Dairy Queen® soft-serve treat products which may or may not sell non-system food), Dairy Queen®/Limited Brazier® franchises (a store featuring approved Dairy Queen® soft-serve treat products and a limited number of approved food items), Dairy Queen®/Brazier® franchises (a restaurant featuring approved Dairy Queen® soft-serve treat products and a full menu of Brazier® food items), and Dairy Queen®/Fuel Center franchises (a franchise specifically offered for locations operated in conjunction with or adjacent to a fuel dispensing or travel business). For these franchises that ADQ no longer offers, there may be existing franchisees that were granted licenses under these franchise programs (including territory operators who continue to develop and operate or subfranchise).

ADQ’s Affiliates

IDQ’s business includes the limited sale of products (see Item 8) to the various franchise systems that its subsidiaries operate. DQF owns certain real estate parcels including one or more parcels on which DQTR operates restaurants. USCI acts as the “supply chain entity” and sources certain products and equipment (see Item 8) to the various franchise systems that IDQ’s subsidiaries operate. DQGC provides gift card services to franchisees. IDQ, DQF, USCI and DQGC do not and have not issued franchises or conducted a company-operated DQ® Treat store.

DQTR owns and operates two DQ Grill & Chill® restaurants in Minnesota, one of which serves as a training facility for ADQ personnel and franchisees. DQTR has conducted the DQ® business since June 2003. DQTR has entered into agreements with ADQ substantially similar to the form franchise agreement in place at the time for other franchised locations. DQTR does not and has not issued franchises in any line of business.

ADQ has offered a number of international franchise programs over the years under the DQ®, Dairy Queen®, and DQ Grill & Chill® trademarks, including an international territory program, an international multiple unit development program and an international store program.

DQC has conducted the Dairy Queen® business and issued various DQ® franchises in Canada since 1953. DQC holds exclusive area franchising rights in Canada through licensing agreements with ADQ, under which DQC exercises exclusive rights to license the registered trade name and DQ® trademark and certain other trademarks owned by ADQ. DQC issues franchises for DQ Grill & Chill® restaurants, and DQ® Treat locations. While DQC no longer offers Dairy Queen®/Brazier®, Dairy Queen®/Limited Brazier® stores and Dairy Queen® soft-serve-only franchises, there may be existing franchised locations of these types.

The following table summarizes the franchises issued by ADQ and its affiliates that were operating as of December 31, 2025. Taking into account all the various franchise programs, the DQ® system includes over 7,880 DQ® restaurants and stores on a global basis.

Item 3: Litigation**Pending Cases**

Project Lonestar, Inc. vs. American Dairy Queen Corporation (United States District Court, Northern District of Texas, Dallas Division, #3:25-cv-00339-L, filed February 11, 2025). Project Lonestar, Inc. initiated a lawsuit against American Dairy Queen Corporation seeking injunctive relief and damages. On April 9, 2025, Plaintiff filed an amended complaint alleging breach of contract, interference with contract and/or interference with prospective business relationship by ADQ, and fraud related to the transfer process for several of their franchised restaurants. ADQ denies the claims and has asserted counterclaims against Project Lonestar, Inc., Elite Restaurant Group Inc. and Elite Ltd. for unpaid license, advertising, and termination fees. Discovery is underway, and ADQ will continue to vigorously defend itself and pursue its claims.

State of Rhode Island Office of the General Treasurer, individually and on behalf of all similarly situated persons v. Domino's Pizza, Inc., Russell J. Weiner, Sandeep Reddy, Joseph H. Jordan, and Arthur P. D'Elia (United States District Court for the Eastern District of Michigan, #2:24-CV-12477-LVP-APP, filed April 10, 2025). On September 20, 2024, plaintiff Scott Bender filed a putative federal securities class action against Domino's, its Chief Executive Officer, Russell Weiner, and its Chief Financial Officer, Sandeep Reddy (together with Domino's and Mr. Weiner, collectively, "Defendants") on behalf of a class consisting of all persons and entities that purchased or otherwise acquired Domino's securities between December 7, 2023 and July 17, 2024. Bender alleges that, throughout the putative class period, Defendants made materially false and/or misleading statements and/or failed to disclose materially adverse facts concerning Domino's likelihood of meeting its previously issued long-term guidance for annual global net store growth. Bender further alleges that, following the news of downwardly revised net store growth guidance and the decline in the market value of Domino's securities, the members of the purported class suffered losses and damages. The complaint asserts the following causes of action: (i) violations of Section 10(b) of the U.S. Securities Exchange Act of 1934 (the "Exchange Act") and Rule 10b5 promulgated under the Exchange Act, against all Defendants; and (ii) violations of Section 20(a) of the Exchange Act, against Mr. Weiner and Mr. Reddy. On February 10, 2025, following competing motions to be named as lead plaintiff, the Court issued an order naming the State of Rhode Island Office of the General Treasurer as the lead plaintiff in this action, and naming Rhode Island's counsel as lead plaintiffs' counsel. On April 11, 2025, plaintiffs filed an amended class

action complaint naming two additional individual defendants, including Arthur D’Elia who now serves as ADQ’s Chief Operating Officer, US and Canada. Mr. D’Elia served as Domino’s Executive Vice President, International from May 2022 until he resigned from the position in October 2024. Plaintiffs allege that Mr. D’Elia also made false and/or misleading statements about Domino’s global net store growth during the putative class period and includes Mr. D’Elia in its assertions of violations of Section 10(b), Rule 10b5, and Section 20(a) of the Exchange Act. Mr. D’Elia and the other defendants intend to vigorously defend these claims. ADQ and its affiliates are not parties to this lawsuit.

Mr. D’Elia and the other defendants also have been named as defendants in a number of derivative lawsuits filed by various plaintiffs (“Derivative Lawsuits”). The Derivative Lawsuits include Patrick Ayers, Derivatively on behalf of Domino’s Pizza, Inc. v. Russell Weiner, et al (Case No. 2:25-cv-10289-SJM-APP, United States District Court for the Eastern District of Michigan); Daran Joshi, Derivatively on behalf of Nominal Defendant Domino’s Pizza, Inc. v. C. Andrew Ballard, et al (Case No. 2:25-cv-10704-GAD-EAS, United States District Court for the Eastern District of Michigan); Christopher Kassner, Derivatively on behalf of Nominal Defendant Domino’s Pizza, Inc. v. C. Andrew Ballard, et al (Case No. 25-000482-CB, 22nd Judicial Circuit, Washtenaw County, Michigan); King Wah Philip Chu, Derivatively on behalf of Domino’s Pizza Inc. vs. Russell J. Weiner, et al (Case No. 25-001352-CB, 22nd Judicial Circuit, Washtenaw County, Michigan) and Michael Walker, derivatively on behalf of Domino’s Pizza, Inc. vs Russell Weiner, et al (Case No. 2:26-cv-10501-RJW-KGA, United States District Court for the Eastern District of Michigan). The Derivative Lawsuits are follow-on lawsuits arising from the allegations made in the *Rhode Island* securities action and alleged, among other things, breaches of fiduciary duties owed to Domino’s resulting in unjust enrichment to the individual defendants. The Derivative Lawsuits have been stayed pending the outcome of a motion to dismiss filed in the *Rhode Island* action. Mr. D’Elia and the other defendants also intend to vigorously defend these claims. ADQ and its affiliates are not parties to any of these lawsuits.

American Dairy Queen Corporation vs. Estate of Josephine K. Ridl and Josephine K. Ridl Lifetime Trust (State of Minnesota First Judicial District Court, Carver County, #10-cv-251007, filed July 21, 2025). American Dairy Queen Corporation (“ADQ”) initiated this litigation after its franchisee passed away and the franchise was terminated for abandonment after the store was closed and was not repaired and reopened, and the franchisee’s estate failed to complete a transfer of the franchise with ADQ’s consent, as required by the franchise agreement. In its Complaint, ADQ asserts claims for breach of contract against the franchisee’s estate, trademark infringement against the estate and the property owner, and other violations of law against both defendants. ADQ seeks damages, a declaration that the franchise agreement is terminated, injunctive relief enjoining the defendants’ trademark infringement, and other relief. On July 24, 2025, the court entered an Order granting ADQ a temporary injunction requiring the defendants immediately cease all use of ADQ’s trademarks. Defendants subsequently filed an Answer and Counterclaim seeking damages for alleged breach of contract for wrongful termination, declaratory judgment that they have not abandoned the franchise, injunctive relief prohibiting termination of the franchise and other relief. ADQ denies defendants’ claims and intends to vigorously defend against them.

Oshlo-Wilkinson Dairy Queen vs. American Dairy Queen Corporation (District Court of Pottawattamie County, Iowa, #LACV127235, filed Nov. 11, 2025). The plaintiff initiated this suit

claiming that ADQ is breaching its contract with Oshlo-Wilkinson and is violating the Iowa Franchise Act by not allowing a transfer of rights to another party. The issues in the case are whether Oshlo-Wilkinson has the contractual and exclusive right to sublicense DAIRY QUEEN restaurants in Pottawattamie County, Iowa, and whether ADQ has the contractual right to consent or to condition Oshlo-Wilkinson's transfers of DAIRY QUEEN restaurants. Plaintiff seeks damages and declaratory relief. ADQ denies the claims and will vigorously defend itself.

Concluded Cases

Rodney Johnson and Food Ventures, Inc. vs. American Dairy Queen Corporation (American Arbitration Association, No. 01-16-0005-3571, filed December 9, 2016). Claimants, a DQ Grill & Chill franchisee and its owner, initiated this arbitration claiming that ADQ unlawfully encroached upon their franchise by franchising another DQ Grill & Chill restaurant in what they allege is too close a proximity to their restaurant. Claimants alleged that the encroachment caused a decline in their restaurant's sales and profitability. They claimed that ADQ's actions violated the Washington Franchise Investment Protection Act and the Washington Consumer Protection Act and alleged breach of contract, breach of the implied covenant of good faith and tortious interference with business expectancy. On August 5, 2017, the parties entered into a settlement agreement under which claimants are allowed to pay ADQ a reduced royalty fee and advertising fee for set periods and avoid the modernization requirement for the next transfer of the franchise since the restaurant recently had been remodeled to current image. ADQ also paid claimants \$25,000.

American Dairy Queen Corporation. vs. Universal Investment Corporation f/k/a Neos Corporation (United States District Court, Western District of Wisconsin, No: 16-cv-323, filed May 16, 2016). ADQ commenced this action against the defendant franchisee seeking a declaratory judgment that ADQ properly terminated defendant's franchise agreement after defendant failed to comply with numerous contractual requirements and then failed to timely cure its defaults of the franchise agreement after notice from ADQ. ADQ also sought injunctive relief and damages under the Lanham Act for defendant's infringement of ADQ's trademarks. Defendant counterclaimed against ADQ alleging claims for violation of the Wisconsin Fair Dealership Law, tortious interference with contract, and several counts of intentional breach of contract. On August 25, 2017, the court granted ADQ's motion for partial summary judgment and dismissed defendant's claim for tortious interference. The parties settled the remaining claims on December 11, 2017 with defendant agreeing to relinquish any remaining rights he may have to use ADQ's trademarks and systems under, and to the termination of, his franchise agreement and the territory agreements for four territories in Iowa in exchange for a mutual release of claims and a payment of \$425,000 from ADQ.

M & M Petroleum Too, Inc. vs. American Dairy Queen Corporation (American Arbitration Association, #01-19-0003-3181, filed October 18, 2019). ADQ terminated Petitioner's franchise rights effective October 21, 2019 for failure to submit accounts receivable balances, store monthly reports and fees and other documents contractually required under the Operating Agreement to be submitted to ADQ. Petitioner alleged wrongful termination and requested a stay of the termination pending a determination of Petitioner's rights under the Operating Agreement. Petitioner also claimed damages for breach of contract and attorneys' fees. ADQ denied Petitioner's claims and

counterclaimed for breaches of the operating agreement. The parties reached a settlement on March 12, 2020 under which they agreed to terminate the operating agreement effective April 15, 2020 and both parties agreed to waive their claims for damages, including ADQ's claims for any unpaid fees owed by Petitioner.

White Enterprise, Inc. vs. American Dairy Queen Corporation (American Arbitration Association, Case No. 01-20-0000-3584, filed January 30, 2020). Claimant commenced this action January 30, 2020 alleging a breach of contract and implied covenant of good faith and fair dealing. In addition, Claimant seeks a declaratory judgment requiring ADQ to provide Claimant with the full benefits of ADQ's sales promotion program including point-of-sale and other store-level materials without the requirement of pledging to the higher national marketing fund commitment level. The parties reached a settlement on May 15, 2020 under which they agreed that, effective January 1, 2021, Claimant shall pay to ADQ a sales promotion fee of 2.5% of gross sales and ADQ shall provide Claimant with the full benefits available under the National Marketing Fund ("NMF") or any equivalent marketing program ADQ may make available to U.S. franchisees in the future.

Item 4: Bankruptcy

No bankruptcy is required to be disclosed in this Item.

Item 5: Initial Fees

Initial Franchise Fee

You must pay ADQ a \$25,000 initial franchise fee for a single franchise, the first \$10,000 of which is a non-refundable deposit due when you submit a franchise application, which is included in this disclosure document as Exhibit D. The balance of the initial franchise fee is due when ADQ approves the franchise application and issues a written consent letter. You do not pay an initial

franchise fee if you are a conversion franchisee, or an existing Orange Julius® franchisee converting an Orange Julius® location to a DQ® Treat location.

The initial \$10,000 deposit is not refundable and the balance of the initial franchise fee is refundable only in the following instances: (1) if you withdraw your application after ADQ has approved it but before you commence construction; (2) if your required training attendees fail to successfully complete the training program and your approval is cancelled (see Item 11 for information on required training attendees); (3) if your site is not designated and ADQ does not consent to the site within 90 days after the date ADQ approves your application; or (4) if you have not commenced construction within 180 days from the franchise agreement effective date. In these instances, ADQ has the right to cancel any agreements that have been signed with ADQ without opportunity to cure.

ADQ may charge a reduced, non-refundable initial franchise fee in certain situations, including: (1) when a franchisee is opening a franchise in a previously closed location; (2) certain Captive-venue locations, including those in airports, colleges and universities, and with certain national food service operators specializing in providing food service in these types of locations; and (3) for operators with multiple DQ® locations who have developed one or more new franchises with ADQ in the past five years, who have an ADQ certified multi-unit operator training program, and have a full time construction supervisor on staff.

Neither ADQ nor its affiliates finance any part of an initial franchise fee.

Other Fees and Payments Made to ADQ or Its Affiliates Prior to Opening

In certain circumstances, you may be required to pay other fees or amounts to ADQ or its affiliates prior to opening. If you pay a reduced or no initial franchise fee, you may be required to pay ADQ fees that otherwise are included in the initial franchise fee, such as training fees, a design intent plans fee, a construction consultation fee and opening services fees. See Item 7 for details.

Item 6: Other Fees

OTHER FEES

Type of Fee	Amount ⁽¹⁾	Due Date ⁽⁵⁾	Remarks
Continuing License Fee	5% of Gross Sales Conversions and renewals see footnote ⁽²⁾	On or before the 10 th day of each month for the previous month	“Gross Sales” means the total revenues and receipts from the sale of all products sold by your store, whether paid for by cash, credit, gift card or otherwise, including sales of all products under any of the Trademarks as well as sales of other products, services and merchandise, whether or not identified by other brand names, and excluding sales taxes and revenues and receipts arising directly from the sale of gift cards. ADQ may reduce the continuing license fee for specialty Captive-venue locations that charge admission or ticket for entrance, such as airports and sports stadiums.
Sales Promotion Program Fee	5% - 6% of Gross Sales of all other products Conversions see footnote ⁽³⁾	On or before the 10 th day of each month for the previous month ⁽⁷⁾	Currently, the sales promotion program fee for Orange Julius® branded products is 5% for Street locations and 1.25% for Captive-venue locations. ADQ has the right to determine the percentage you must pay within the ranges, without regard to the sales promotion program fees paid by other DQ® restaurants and stores. ADQ will let you know at least 90 days in advance of any fee adjustment. ADQ may reduce the sales promotion program fee for specialty Captive-venue locations that charge admission or ticket for entrance, such as airports and sports stadiums.
Lease-Required Sales Promotion Fees	Will vary under circumstances	When due	In addition to the sales promotion program fees above, you must pay all sales promotion fees and comply with all sales promotion requirements required by your lease or sublease.

Type of Fee	Amount ⁽¹⁾	Due Date ⁽⁵⁾	Remarks
Transfer Fee (for franchise agreement)	\$6,000	When you submit transfer application	Effective January 1, 2030, and each 5 years thereafter, the transfer fee increases by \$500. If ADQ refuses to consent to your proposed transfer or exercises its right of first refusal, ADQ will return the transfer fee, less any actual expenditures or disbursements that ADQ makes in direct connection with processing the proposed transfer.
Renewal Fee (for franchise agreement)	\$1,000 times number of years under renewal term (but not to exceed \$10,000)	At time of renewal	Any partial year of the renewal term will count as a full year for purposes of calculating the renewal fee. For example, if at the end of the initial term of the franchise agreement, you enter into a renewal franchise agreement with a term of 7½ years, you will be required to pay a renewal fee of \$8,000.
Audit and Recordkeeping Costs	Your contractual percentage continuing license fees and percentage sales promotion program fees times the amount of understated Gross Sales, plus any other amounts owed to us	After audit revealing understatement of Gross Sales by 3% or more	If an initial evaluation or audit reveals an understatement of Gross Sales by 3% or more, you must pay all costs for the audit, including salaries, outside accountant and attorneys' fees, copying costs, postage, travel, meals, and lodging ("audit costs"), plus audit costs for any additional audits within 2 years after the initial evaluation or audit.
Termination Fee (for franchise agreement)	One of the following: (1) Two times the continuing license fee due for the last 12 months of active operations; (2) If the location did not operate for a full 12 months, 24 times the average monthly continuing license fee when location was open; or (3) If less than 24 months remain on the franchise agreement, the number of months remaining, times the average monthly continuing license fees due for the last 12 months of active operations. Late Fees	\$50 per delinquent report or payment	When due	ADQ has the right to require you to pay a service charge for each delinquent report or payment.
Additional Training Fees	Will vary based on circumstances ⁽⁴⁾	When incurred	You must at all times have the required number of trained managers. If you have a trained manager leave, you must replace them with a new manager that has completed ADQ's initial and ongoing training requirements. If you pay a training fee to enroll a trainee in a training program and cancel more than 21 days before the training program begins, ADQ will refund the training fee less any expenses ADQ has incurred in connection with the trainee's registration. ADQ will not refund any of the training fee if you cancel less than 21 days before the training program begins.
Gift Card Program Fees	Currently, 3% of total gift card redemptions	When incurred	Gift card program fees are allocated based on a shared cost model between franchisees and the national marketing fund ("NMF"). Currently, franchisees pay fees equaling 3% of total gift card redemptions, which ADQ estimates will be about \$200 per year per location. NMF covers the balance of the gift card program's costs. In the future, the percentage allocation of costs between franchisees and NMF may change.
Costs and Attorneys' Fees	Will vary under circumstances	When incurred	You must pay ADQ for its costs and attorneys' fees in obtaining injunctive or other relief for the enforcement of the franchise agreement.
Training Materials	\$150 - \$500	As materials are provided	ADQ has the right to produce and require you to periodically purchase certain store training materials for use with your employees. These may include written publications, materials provided through other mediums, and other items.
Trainee Substitution Fee	\$0 - \$250	Upon substitution of new trainee	You must pay a trainee substitution fee of \$250 if you substitute a new individual to attend training less than 21 days before a training class or program begins.

- (1) Except where otherwise noted, all fees are payable to ADQ or one of ADQ's affiliates, are uniformly imposed and are nonrefundable.
- (2) If you are a conversion franchisee who signs the soft-serve only conversion addendum in Exhibit C, you will carry over your continuing license fee for DQ® soft-serve products (*i.e.*, keep the same rate as your soft-serve only agreement for these products) and pay 5% of gross sales for all other products. If you are a conversion franchisee who signs the NSF conversion addendum in Exhibit C, you pay the same continuing license fee on soft-serve products as contained in your existing DQ® franchise agreement. You do not pay a continuing license fee on food menu products for the first 36 full months after the Effective Date. Starting with the 37th full month, you must pay a continuing license fee of 5% of "Food Sales" minus "Base Food Sales." Food Sales and Base Food Sales are defined in the applicable conversion addendum.

If you are renewing a franchise agreement entered into prior to April 2007 that contains a 6% continuing license fee and a requirement to modernize, you must sign the Renewal Addendum included in Exhibit B and your continuing license fee will remain at 6% until the modernization is complete, when it will be decreased to 5%.

- (3) If you are a conversion franchisee who signs the soft-serve only conversion addendum in Exhibit C, or a conversion franchisee who signs the NSF conversion addendum in Exhibit C, you must pay a sales promotion program fee as follows: for years 1-3 of the new franchise agreement you must pay the sales promotion program fee in your current franchise agreement but not less than 3.5%; for year 4, you must pay the sales promotion program fee in your current agreement but not less than 4%; and for years 5 through the remainder of the term of the franchise agreement, you must pay the sales promotion program fee of 5-6% of Gross Sales, determined in the same manner as disclosed in the table above.
- (4) See Item 11 for more information regarding ADQ's training requirements and Item 7, footnote 5, for information on costs to send additional managers through training,
- (5) If you pay or report late, ADQ may require you to remit amounts due through a weekly payment program. You must pay all business debts, liens and taxes promptly when due. If you fail to do so, ADQ may pay them and is entitled to immediate reimbursement from you.

- (1) The initial investment amounts do not include the cost of land, and the amounts in several categories will vary depending on building size, whether you lease or own the space or building, and whether you are a new or conversion franchisee, among other factors.
- (2) Except where otherwise noted, all fees paid to ADQ or its affiliates are nonrefundable. Third party lessors, contractors, and suppliers determine if payments to them are refundable.
- (3) See Item 5 for conditions when the initial franchise fee is refundable, or when you may pay a reduced or no initial franchise fee in certain circumstances.
- (4) There are three required components to the initial training required prior to opening: (1) the MTRA; (2) SERVSAFE certification; and (3) ADQ's training program, which is made up of three phases and includes training on topics related to products, equipment, service and financial basics for managers. The MTRA costs \$200/person, a SERVSAFE course costs \$200-\$400/person, and ADQ's training program costs \$3,100/person. If you are a current franchisee that already has at least one existing DQ® Treat location open and operating for a minimum of two years and you are developing an additional restaurant under ADQ's additional restaurant development (ARD) program, you may be permitted with operational approval to have training candidates with a certain level of experience test out of Product and Equipment Training (Phase 1), in which case the cost of the remaining phases of ADQ's training program is \$2,300/person, or test out of both Product and Equipment Training, and Service, Management and Financial Basics Training (Phases 1 and 2), in which case the cost of the remaining phase of ADQ's training program is \$1,000/person. ADQ will be eliminating this test out option later in 2026. When that happens, current franchisees that already have at least one existing DQ location open and operating for a minimum of two years and are developing an additional restaurant under ADQ's ARD program may be permitted to have training candidates with a certain level of experience and operational approval complete the first two phases of ADQ's training program at one of their existing restaurants and online, and then complete the Accelerated Manager Development Program and pass a proficiency assessment, in lieu of attending training at a certified training location, in which case the cost is \$500/person. If you pay the full initial franchise fee, you can send one person to ADQ's training program without paying a training fee.

The low end of the range assumes you pay for one person to obtain SERVSAFE certification and do not need to send anyone for training at a certified training location. The high end of the range assumes you pay for one person to take the MTRA, obtain SERVSAFE certification and attend ADQ's training program at a certified training location.

The MTRA fee is nonrefundable. If a training attendee cancels a scheduled MTRA more than one business day before the scheduled MTRA, the MTRA fee will be applied to the next scheduled MTRA for that attendee. If a training attendee fails to cancel at least one business day before the scheduled MTRA or fails to appear at the testing facility, the MTRA fee will be forfeited.

In limited instances, you may be required to pay ADQ a fee for on-site pre-opening and opening assistance. Availability of this assistance is at ADQ's discretion, and you must pay for the full opening program as determined by ADQ. The fee is approximately \$800 per day, per person that provides assistance, which is due prior to the time the on-site pre-opening and opening assistance is rendered. The total due can vary widely, depending on various factors such as your and your crew's level of experience, the number of ADQ personnel providing assistance, and the extent and duration of assistance provided.

- (5) The total amount of travel and living expenses will vary depending on the number of training attendees and the types of training completed by your training attendees; these estimates assume you send one person to all three training components. ADQ estimates you will pay approximately \$0-\$250/person for the MTRA (the MTRA is generally available at locations reasonably close to prospective franchisees), \$0-\$400/person for a SERVSAFE course, and \$0 - \$8,000/person for all phases of ADQ's training program.
- (6) The estimates include site work, buildout, mechanical and other related fees, but does not include land costs. A Captive-venue location will have approximately 600-1,400 square feet and will ordinarily be a leased space within a larger structure. A Street location will have approximately 1,000-1,800 square feet and will ordinarily be owned. The initial investment for leasehold improvements will vary depending upon local labor costs, anticipated traffic through the store, and whether the building is a completed structure immediately adaptable to installation of necessary fixtures and equipment or whether it is a location where construction is in progress. These variables affect how obligations will be distributed between landlord and tenant under different lease agreements and the costs of acquisition and construction. ADQ must approve the leasehold improvements prior to construction, including the graphics and signage for the store front.

In the rare event that ADQ or one of its affiliates agrees to sign a prime lease for the premises and sublease the premises to you, ADQ or its affiliate will charge you the cost of the prime lease, all deposits required by the landlord, a lease administration fee and any lease costs to buy out a previous lessee of the location. You must pay all leasehold improvement and equipment costs. See Item 10.

If you purchase land and building for a Street location, the land costs will generally vary from \$250,000 to \$620,000 or more. ADQ does not typically provide the necessary land or building for Street locations and your budget must allow for the initial cash outlays and long term investment obligations necessary to acquire the land and building. The total cost of the real property for a Street location will vary depending on many variables including restaurant location and lot size; building size; site improvement costs; soil and environmental conditions; federal, state and local building codes and fees; health department requirements; local labor, materials and interest costs; union labor requirements; inflation and other factors. Down payment requirements and initial financing or commitment expenses are negotiated individually and vary too widely to realistically predict.

- (7) You usually will be required to pay one month base rent as a security deposit to the landlord and may be required to pay an additional security deposit under a sublease. ADQ estimates base rent for 750 square feet will be \$3,500 to \$7,000 or more per month, plus approximately 8% to 12% of gross sales in excess of a specified amount to which base rent is credited; actual rent will vary based on store size, geographic location, costs assumed by the landlord and other economic factors. Leases also usually impose an obligation toward common area maintenance costs, insurance charges, real estate taxes and special assessments, HVAC charges, utility charges, water and sewer charges, security charges, trash removal charges, mall charges, promotional and marketing charges, food court charges and improvements, and charges for membership in a merchants association.
- (8) ADQ requires that it consult with and assist you on all preopening construction and equipment installation for the franchised premises, and that you sign the construction consultation services agreement included in this disclosure document as Exhibit G. ADQ will not provide this service if you do not retain the services of a general contractor licensed to work in the city and state in which the project is located. ADQ will not charge the construction consultation services fee if you pay the full initial franchise fee, but you must pay this fee if you pay a reduced or no initial franchise fee (for example, as a conversion franchisee). You are responsible for any additional costs due to delays or complications beyond ADQ's control, and for any deviations or escalations in any leasehold improvements or construction costs, including any additional costs to comply with all federal, state, or local requirements.
- (9) ADQ will provide you with design criteria information to assist you, your architects and engineers in preparing building plans. In the rare event that ADQ or one of its affiliates is the prime lessee of your store premises, you must purchase design intent plans designated by ADQ (see Item 5). If you develop a freestanding Street location, you may be required to purchase ADQ's prototypical design intent plans for Street locations if they are available, for a fee of \$3,000 (which is included in your initial franchise fee for new and ARD locations). These plans are valid for 6 months from the date of issuance. In either case, you must sign the design services agreement included in this disclosure document as Exhibit F, and will need to hire an architect to prepare building plans for your store. Your architect must conform any design intent plans or design criteria information that ADQ provides (which are designed to meet Minnesota Building Code) to local, state and federal laws and building code requirements, including the Americans With Disabilities Act.

The building plans must be full architectural, mechanical, electrical, plumbing and food service drawings showing equipment layout, manufacturer and model numbers and bearing the seal of a registered architect in the state where your store will be located; building plans for a Street location must also include full structural, and final site and grading plan. You must submit your store building plans for ADQ's approval before you begin construction, and your architect must obtain any local building plan approval. ADQ must approve in writing any proposed alterations to design intent plans, design criteria information or previously approved building plans. Further, if your local architect makes any revisions to ADQ's design intent plans or design criteria information, those revisions become the property of ADQ and its affiliates, and ADQ and its affiliates have the right to use those plans in any manner in the future.

- (10) Your investment in equipment and fixtures is highly variable for your store. The investment depends to a great extent on the size of the building or space and whether you are in a Captive-venue or Street location. The investment also depends on the size and location of your store, the anticipated traffic through the store, local labor costs, current prices charged by equipment suppliers, discretionary expenditures, inflation, financing costs and similar factors beyond ADQ's or your control. Equipment payments generally are not refundable. Investment obligations beyond the initial cash outlay requirements will be necessary and you may finance at your discretion.

Market forces will determine loan repayment totals and interest on borrowings will be determined by market forces at the time of any financing transaction.

- (11) You must purchase the training inventory used by you and your employees at your store during ADQ's on-site opening assistance.
- (12) This amount includes utility and security deposits and business licenses. Deposits are generally refundable, but license fees are not. For a Street location, you may be required to submit an impact study to a local government agency to receive necessary local permits and approvals for your store. These estimates may be significantly higher in some unique jurisdictions where local authorities may require fees in excess of \$100,000 for electrical, sewer/water and/or other miscellaneous connections.
- (13) This amount is an estimate for attorneys' fees in connection with your purchase of the franchise and purchase or lease of the franchised premises.
- (14) This amount is projected to cover initial operating expenses for one store for three months, such as managerial salaries, rent, debt service, local advertising, taxes, freight, office expenses, security, Payment Card Industry ("PCI") compliance, monthly service and support fees related to components of the EPOS system, credit card processing, internet connection, and/or authorized music systems, but you may have additional expenses starting the business. This amount does not include hourly labor or food costs beyond the opening inventory costs listed. Your costs will depend on factors such as adherence to ADQ's systems and procedures, management skills and experience, business acumen, local economic conditions, the local market for DQ® products, competition, employee compensation, the number of employees, and the sales level reached during the initial period.
- (15) This total is an estimate of your initial investment for a single store and is based on ADQ's estimate of nationwide average costs, market conditions prevailing as of the date of this disclosure document, and ADQ's and its predecessors' experience in the business since 1940. You should review this amount carefully with a business advisor before making any decision to enter into a franchise agreement. For determining your initial cash position, you should anticipate that local lending institutions ordinarily require a 20% equity position on all leasehold improvements and possibly 25% on all equipment.

ADQ cautions you to allow for inflation, discretionary expenditures, fluctuating interest rates and other costs of financing, and local market conditions, which can be highly variable and can result in substantial, rapid and unpredictable increases in costs. You must bear any deviation or escalation in costs from the estimates in this Item or estimates that ADQ gives during any phase of the development process.

- (16) If you are a conversion franchisee or a franchisee converting an existing facility that was a different restaurant brand, you may not incur all of the expenses listed in this Item 7. Conversion costs may vary significantly, depending on the type (i.e., Captive-venue or Street location) and condition of the facility, the prior use of the building, and other costs that might be incurred to rectify deferred maintenance issues and/or to make other facility upgrades that are not directly related to the conversion but that are completed at the same time.

Item 8: Restrictions on Sources of Products and Services

Required Purchases

You must maintain and comply with ADQ's quality standards to protect the uniform image and quality of products and services throughout the DQ® system.

While you are not required to purchase or lease real estate from ADQ or its affiliates, you must obtain ADQ's consent to the location of your store, and ADQ has the right but not the obligation to approve the lease for the store premises prior to execution. You must construct and equip your store according to the then-current design, specifications and standards and must ensure that your building plans comply with the Americans With Disabilities Act and all other federal, state and local laws.

You must modernize your building, premises, equipment, signage and grounds to conform to ADQ's then-current standards for similarly situated new DQ® restaurants when you renew your franchise, on transfer of the franchise under certain circumstances, and every 10 years or any shorter period required by any applicable lease or sublease for the premises.

You may only use or purchase products approved by ADQ that meet ADQ's specifications. For purposes of this Item 8, "products" includes products, services, ingredients, supplies, signage, fixtures, furnishings, advertising and sales promotion materials, and equipment (including hardware and software for a computerized electronic point-of-sale ("EPOS") system or other computer systems, communications equipment, or electronic services providers). Approved products must meet ADQ's specifications, and are manufactured, provided or prepared by ADQ approved manufacturers, suppliers or distributors. ADQ periodically identifies approved products for use in DQ® locations, and has the right to periodically change the list of approved products, and to update and alter the specifications for approved products.

ADQ always has the right to designate a single approved manufacturer, supplier or distributor for the following products: (1) soft drinks; (2) third party branded products; (3) products relating to limited time offers and special promotions; (4) equipment, including EPOS equipment and all related point-of-sale and web based software and back-office hardware and software; (5) any product you purchase where ADQ does not receive a fee or payment from the manufacturer with respect to the sale of that product, other than payments from vendors for marketing; and (6) the Orange Julius® proprietary powders and frozen orange juice concentrate.

For other products not listed in (1) - (6) above, as long as there is not in place an agreement for a "unified purchasing program," a franchisee may make written request for approval of a specific product, service or piece of equipment of an additional, qualified manufacturer, supplier or alternate distributor, pursuant to ADQ's then current policies and procedures.

ADQ has received and offered proposals to create a unified purchasing program as a joint effort between ADQ and a cooperative association of DQ® restaurant and store operators, to benefit the entire DQ® system in the United States. For any period during which there is an agreement for a unified purchasing program: (1) ADQ will designate as approved the manufacturers, suppliers or distributors properly selected within the structure of that program; and (2) ADQ has the right to designate a single approved manufacturer, supplier and/or distributor of any approved products.

ADQ has currently designated ParTech, Inc. as the sole supplier of the required EPOS hardware and software that you must purchase for your restaurant. You will be required to sign an agreement with ParTech for the purchase of the equipment, software subscription services, installation and other services (“ParTech Participation Agreement”) when you sign your franchise agreement. ADQ also has designated (a) Fiserv (formerly, FirstData Merchant Services) as the sole supplier of payment card processing and related services you must purchase, (b) Verifone as the sole supplier of certain payment card data encryption services that you must purchase; (c) ValueLink, LLC as the sole supplier of the gift cards and related services you must purchase, (d) Olo Inc. as the sole supplier of the DQ Mobile Ordering System; (e) Punchh Inc. as the sole supplier of the DQ Mobile Loyalty platform that you must purchase; (f) Scale Computing (formerly, Acumera) as the sole supplier of managed firewall services you must purchase and (g) Cineplex Digital Media Inc. as the sole supplier of the digital menu boards you must purchase. Copies of the ParTech Participation Agreement and the participation agreements that you must sign and/or agree to the terms with ValueLink, Olo, Punchh, Scale Computing and Cineplex are included in this disclosure document as Exhibit E. When you sign the franchise agreement, you must also sign the then-current participation agreements offered by the other suppliers listed above. ADQ has the right to designate suppliers in place of or in addition to these suppliers.

The franchise agreement requires you to purchase and maintain liability insurance at a minimum limit of liability that ADQ designates periodically. You also must purchase and maintain any other insurance required by law or by any agreement related to the franchised business. You must furnish copies of all insurance certificates to ADQ. ADQ has arranged with a third party insurer to make certain insurance, including liability insurance, available to qualifying franchisees.

ADQ may require you to periodically purchase restaurant training materials from ADQ. See Item 6 and 11 for more information.

ADQ estimates that the purchase or lease of equipment (including computer and EPOS system hardware and software), signage, fixtures, furnishings, products, ingredients, supplies, advertising and sales promotion materials (see Item 11 for information on advertising and sales promotion materials), and services which meet ADQ’s specifications represent approximately 80% to 90% of the cost to establish the franchised business (excluding land) and 25% - 35% of the cost to operate the franchised business.

ADQ provides no material benefit (such as renewal or granting additional franchise rights) based on your purchase of particular products or services or use of particular suppliers, but your franchise agreement obligates you to use products and services approved by ADQ. ADQ considers a number of factors when determining whether you might qualify for an additional franchise, including compliance with your franchise agreement and support of ADQ’s programs and policies.

Approval of Alternate Suppliers

ADQ has the right to approve the manufacturer, supplier or distributor of any approved products you purchase. If there is no agreement in place for a unified purchasing program, you may request approval in writing of a specific product from an alternate manufacturer, supplier, or distributor, of products other than those listed in (1) – (6) in the “Required Purchases” section above in this Item 8. ADQ only approves alternate manufacturers for products if doing so will not create an

inordinate number of manufacturers of the product, and the manufacturer meets ADQ's then-current requirements. ADQ will not make product specifications available to you, but upon request will provide summary specifications to you to provide to a manufacturer to determine if there is an interest in producing the product. ADQ will provide a manufacturer with detailed written specifications for the product, or, if detailed written specifications are not available, ADQ will provide the manufacturer with a parameter specification or information about a comparison product for purposes of obtaining approval of the alternate manufacturer. ADQ may require you and the manufacturer to sign a non-disclosure agreement before providing information on specifications.

ADQ uses the following criteria, which ADQ may change periodically, when evaluating an alternate product or manufacturer:

- Compliance with ADQ's specifications
- Ability to supply a large number of restaurants or geographic areas
- Ability of facility to meet ADQ's requirements and accessibility for periodic evaluations
- Completion of a successful facility inspection by ADQ and/or a designated third party auditor that, depending on the product, may need to be certified by a Global Food Safety Initiative (GFSI) recognized scheme
- Acceptable food defense plan, supplier specification, HACCP plan, product recall process, 24 hour contact information, and allergen control program
- Manufacturer attendance at meeting with ADQ's Research & Development staff to review specifications and related procedures
- Compliance with other requirements as may be periodically implemented

ADQ (or a third party product evaluator) may charge the evaluation cost to you or the manufacturer. ADQ may also charge the manufacturer for the cost of periodic reviews of existing products and manufacturing facilities, and may require the manufacturer to submit products and make payments to third-party product or facility evaluators. Fees charged are based on a schedule of fees as may be established periodically by ADQ or the third-party evaluator.

The manufacturer must provide samples (ultimately from a production run), product labels, and packaging for the alternate product. ADQ or a third party product evaluator will conduct an evaluation of one or more samples to determine if the manufacturer's product conforms to ADQ's specifications. The evaluation may take from 90 – 180 days or significantly more, depending on the complexity of the product, the specifications, the comparison product, and the manufacturing process, as well as the manufacturer's ability to provide samples and any required modifications on a timely basis. Before final approval, ADQ may require that a product successfully complete a field and distribution test where the product moves through a warehouse and is used in DQ® restaurants and stores, which may take an additional 30 – 60 days or more. ADQ will notify you and the manufacturer of the approval or rejection of the manufacturer or product. If the manufacturer or product is not approved, ADQ or a third party product evaluator will notify you and the manufacturer of the basis for the decision.

The manufacturer will be required to sign an approved products contract with ADQ that may be terminated on 90 days' notice, or that ADQ may terminate sooner if the manufacturer is in violation of any of the terms of the contract or if the product is discontinued for use in the DQ® system.

Supply Chain

IDQ is involved in the purchasing and distribution business through its wholly-owned subsidiary, Unified Supply Chain, Inc. (“USCI”). In 2004, IDQ made the commitment to reduce its average margins over an eleven year period, culminating with a maximum average margin (as defined below) of 2.5%. In 2015, IDQ made an additional commitment that in 2016 it would permanently eliminate supply chain margin service fees received from manufacturers and distributors of equipment and smallwares, and that it would further reduce its maximum average supply chain margin to 1.5% by 2025. The 2004 and 2015 commitments are together referred to as the “margin commitment.” This margin commitment refers to amounts received after deducting costs associated with developing and supplying products (such as tooling depreciation and rentals), technology tools, obsolete inventory and expedited freight. IDQ/ADQ made this margin commitment on a permanent basis to benefit all existing and future franchisees. Under the margin commitment, USCI has received margins between 0% and 8.5%, and under the new commitment the margins will be between 0% and 6.5%. For 2026, the maximum average margin is 1.5%. In addition, IDQ/ADQ made a commitment that should IDQ ever divest USCI, the buyer will be obligated to honor the margin commitment, unless the buyer, as a franchisee cooperative, chooses to establish a different margin structure supported by a majority of its members.

“Margin,” for purposes of this Item, means the management service fee payments that USCI receives from vendors based on the warehouse landed cost of products within the scope of the margin commitment, in place of the margin that IDQ/USCI historically realized when IDQ/USCI was in the buy-sell (inventory ownership) position with respect to products used in the operations of DQ® restaurants and stores.

The scope of what is included in the margin commitment is food, paper, packaging, ready to decorate cakes, and other products managed through the USCI authorized warehouse system in the U.S., but does not include IDQ supply products, uniforms, and items not used in the operation of a restaurant. Manufactured frozen novelties have been excluded from the scope, and instead are under a separate margin schedule. In 2026, service fee payments relating to manufactured novelties will not exceed an average margin of 1.5%. National payments from vendors for marketing will flow through NMF and are not in the scope of the margin commitment.

USCI manages all of the components of the supply chain process, but is no longer in the purchase order process between distributors and vendors related to most purchases in the U.S. distribution system. ADQ, USCI or its affiliates negotiate purchase and sale arrangements (including price terms) with suppliers and distributors that benefit the DQ® system, which may include national account programs for products and services. However, ADQ and its affiliates do not negotiate on behalf of individual franchisees.

USCI obtains commitments from strategically located, independently owned warehouses to carry approved products, and to make them available to DQ® restaurants and stores within a particular area. USCI may require its authorized warehouses to carry a full line of products sourced by USCI, and may require that the warehouses sell to DQ® franchisees only those products that are sourced by USCI. Some products sourced and managed in the supply chain by USCI are the only approved products of their type because of a lack of franchisee requests for approval of an alternate supplier,

the lack of incentives for others to engage in the supply or distribution of the product, or for other similar reasons.

An independent accounting firm annually reviews certain performance measures of USCI and USCI shares this information with its advisory council made up of elected or appointed franchisees, the Supply Chain Advisory Council (“SCAC”), which is further described in Item 20. The SCAC is given access to financial information of USCI to allow them to give valuable input to the management of USCI.

ADQ or its affiliates may sell advertising and sales promotion materials, and other food and non-food products used in the franchised business to franchisees, to authorized warehouses, or otherwise for use in the DQ® system.

There are one or more purchasing or distribution cooperatives in the DQ® system that may be involved in the distribution of certain products used in the franchised business.

Payments from Suppliers

During the 2025 fiscal year, IDQ derived revenues of \$41,178,777 from the net sale of products, marketing kits, real estate finance and rental income, insurance, and supplier service fees. This amount equals 15% of IDQ’s total revenues of \$266,139,027, based on IDQ’s consolidated statement of income for the year ended December 31, 2025. Consolidated financial statements are included in this disclosure document as Exhibit K, and include the accounts of IDQ and its subsidiaries described in Item 1. The revenues reflect purchases by DQ® and Orange Julius® franchisees.

IDQ and its affiliates receive fees or payments from some third party suppliers that may or may not be reasonably related to services IDQ or its affiliates provide to the suppliers. Some arrangements with third party suppliers require IDQ or its affiliates to perform services, such as administrative, technical, quality assurance, advisory, data collection, customer service, or promotion forecasting services. Presently, IDQ and its affiliates receive fees and payments from third party suppliers ranging from 0% to 10% of each supplier’s sales to franchisees or warehouses in the U.S. of the following items which are used in the operation of DQ® restaurants or stores: products, services, ingredients, supplies, equipment, uniforms, signage, fixtures, furnishings, advertising and sales promotion materials. These fees and payments are calculated as a percentage and paid as a percentage or as a flat fee amount. This range, and the amounts listed below, may be adjusted in the future. Also, USCI authorized warehouses pay a fee to USCI of up to 0.5% of their gross sales of product moving through the DQ® system.

IDQ and its affiliates may receive fees and payments from third party suppliers in greater amounts with respect to items not used in the operation of DQ® restaurants or stores, such as items sold under a merchandise licensing program or other similar arrangement. For example, ADQ may grant a license to a manufacturer to allow it to place ADQ’s trademarks on sportswear or advertising specialty products.

Although not considered revenue, ADQ and its affiliates received payments in 2025 from third party suppliers that were accounted for as DQ® national or DMA advertising fund receipts totaling

approximately \$2,053,267, which includes \$690,000 from various third party vendors, and \$1,363,267 from soft drink vendors. As of the date of this disclosure document, ADQ anticipates that ADQ and its affiliates will receive similar amounts from third party suppliers in 2026. These payments may be percentage payments based on sales to franchisees, lump sums, reimbursements, or other similar types of payment. ADQ or its affiliates may also receive payments in connection with conferences hosted by ADQ or its affiliates, or in connection with other unique activities or initiatives, and these funds may, in consultation with the franchisee SCAC, be used in various ways to benefit the DQ® or Orange Julius® systems.

Fee and payment arrangements in foreign countries may be different than arrangements in the U.S.

Ownership Interest in Suppliers

As of December 31, 2025, some ADQ officers own an interest in the following companies that supply products or services to ADQ's franchisees: Cargill, Microsoft Corporation, Verizon Wireless, Google Analytics/Firebase, Kimberly-Clark Corporation, Wells Fargo, Olo, Microsoft Azure, Uber Technologies Inc., Pepsico.. As noted in Item 1, ADQ's parent company is IDQ, which is a wholly-owned subsidiary of Berkshire Hathaway, Inc. ("Berkshire"), a holding company owning a large number of subsidiaries engaged in diverse businesses. ADQ officers may own shares of Berkshire, although officers do not own interests in the individual subsidiaries. Depending on Berkshire's portfolio, certain subsidiaries may supply products or services to the DQ® system.

Item 10: Financing

Although they may have done so in the past, ADQ and its affiliates generally do not offer financing arrangements or similar assistance to franchisees, except as explained below. Neither ADQ nor its affiliates finance any part of the initial franchise fee.

Neither ADQ nor its affiliates will offer site acquisition, equipment or leasehold financing services to you for the establishment of your franchised business. You must obtain necessary financing through third parties. ADQ periodically arranges with third party finance companies or banks to make financing programs available to franchisees. These arrangements ordinarily involve no more than arranging to put franchisees in contact with sources of financing available. There is no assurance that financing will be offered in any particular instance. If financing is offered, the financial institution independently establishes the amount, terms, interest rate and duration. Neither ADQ nor any of its affiliates receive any payments in exchange for such referrals or the placement of any financing. It is solely your responsibility to locate and obtain, on whatever terms you can arrange, any required financing for the establishment of your franchised business.

Item 11: Franchisor's Assistance, Advertising, Computer Systems, and Training

Except as listed below, ADQ is not required to provide you with any assistance.

Pre-opening Assistance. Before you open your store, ADQ will:

1. Provide you with design information or prototypical design intent plans described in Item 7 (design services agreement included as Exhibit F).
2. Advise you in the selection of a contractor for the construction of your store facility, assist you in the negotiation of construction bids and assist you with equipment installation at the appropriate time if you purchase or are otherwise entitled to receive ADQ's construction consultation services, as described in Item 7 (construction consultation services agreement included as Exhibit G).
3. Furnish or make available to you, through the ADQ website or otherwise, confidential lists of approved equipment, signage, fixtures and furnishings (franchise agreement section 6.4(A)).
4. Provide the mandatory training program described later in this Item 11 (franchise agreement section 7.1).
5. Provide on loan to you, a hard copy or electronic or online access to ADQ's system standards and operations manual and resource guides ("Operations Manual") (franchise agreement section 6.11). The Operations Manual is confidential and proprietary and you must keep it confidential as stated in Item 14 of this disclosure document. The tables of contents for ADQ's current Operations Manual is included in this disclosure document as

Exhibit H. The current number of pages devoted to each subject is indicated on the tables of contents and the total number of pages in the Operations Manual is 54.

Ongoing Assistance. During the operation of your store, ADQ will:

1. Provide on-site pre-opening and opening assistance (franchise agreement section 2.2) for up to 24 person days.
2. Periodically update the Operations Manual and notify you of any additions or modifications to the Operations Manual (franchise agreement section 6.11).
3. Periodically publish updated lists of approved products, ingredients, services, and equipment to assist you in purchasing approved products (franchise agreement section 6.4).
4. Periodically make available to you, electronically or otherwise, an in-restaurant training program for use in training your employees (franchise agreement section 7.4).
5. Periodically hold or sponsor meetings for you and other franchisees (franchise agreement section 7.7).
6. Establish, organize and prescribe advertising and sales promotion activities (franchise agreement section 8.1).

Advertising and Marketing

ADQ establishes and conducts sales promotion activities generally for the promotion of the DQ® system, brand and products. It also establishes and conducts sales promotion activities for the promotion of the Orange Julius® system, brand and products. ADQ does not have any fiduciary obligations to franchisees with respect to the funds, nor any obligation to spend any amount on sales promotion in the area or territory where you are located, for a particular component or type of DQ® business, for any particular products, or for any individual restaurant or store. ADQ has the sole right to determine how the sales promotion program fees will be spent, and the sales promotion program fees are not held by ADQ in trust.

Fees

ADQ's sales promotion activities are funded by the sales promotion program fees you and other DQ® franchisees must pay. Depending on your sales promotion program fee rate, all or a portion of the sales promotion program fees you pay may go to the national marketing fund ("NMF"), and a portion may go to regional or designated [TV] market area ("DMA") level sales promotion activities, "pooled" accounts for the benefit of a certain type of DQ® restaurant or store, or toward activities at an individual store level. ADQ has the right to establish and periodically change how the sales promotion program fees are allocated and spent without notice to you.

You must pay a sales promotion program fee up to 6% of Gross Sales on Orange Julius® branded products and 5% - 6% of Gross Sales on all other products, except as otherwise stated below. At the time of this disclosure document, the sales promotion program fee for Orange Julius® branded products is 5% for Street locations and 1.25% for Captive-venue locations. ADQ has the right to

increase the sales promotion program fee to an amount within the applicable range upon 90 days' notice. If you are a conversion franchisee, you must pay a sales promotion program fee as set forth in the applicable conversion addendum in Exhibit C.

Company-operated restaurants will pay a sales promotion program fee on the same basis as similar franchisees for the DMA in which those restaurants are located, as described in Item 6. Other franchisees pay greater, lesser or no sales promotion program fees.

ADQ receives a portion of the sales promotion program fee payments made by franchisees to compensate ADQ for the sales promotion, marketing and administrative services that ADQ provides (the "management fee"). Currently, the management fee is computed as 7% of sales promotion program fee payments received. ADQ does not take a management fee on sales promotion program fees above 3% of gross sales. For those franchisees that pay sales promotion program fees to territory operators, the territory operators remit all or some of those fees to ADQ and territory operators may retain a portion of the management fee, depending on the arrangement the territory operator has with the franchisee. In addition, ADQ takes 7% of all outside vendor payments received from agreements negotiated by ADQ. As a voluntary corporate contribution, 1/7 of ADQ's total management fees are currently credited on an annual basis to the DQ® national marketing program budget for use as ADQ designates.

Sales Promotion Activities

Sales promotion activities may be national, regional or local in scope. ADQ's marketing department is responsible for the development of the sales promotion activities for all DQ® brands, including system marketing calendars ("SMCs"). The SMCs, and the creative and sales promotion materials created in support of the SMCs, are designed to increase consumer awareness and drive trial of DQ® products and promotions, build the customer base, increase customer visit frequency, and build the DQ® brand overall. The SMCs consist of promotions and events designed to allow the DQ® system, on a market by market or national basis as determined by ADQ, to convey a uniform marketing message. The SMCs are used as the foundation for media plans in the DQ® system. Other sales promotion activities include creative materials, tie-in promotions, new product introductions, and system promotions. ADQ uses various forms of media to promote the DQ® system, brand and products, which may include broadcast or cable television, radio, newspaper inserts, ads in newspaper/shoppers, magazines, billboards, various in-store materials, exterior merchandising, various local restaurant marketing materials, online communication, social media, electronic or mobile media, and new forms of media depending on the objectives. Because you sell a smaller number of DQ® items from your DQ® Treat store compared to some of the other DQ® concepts, such as a DQ Grill & Chill® restaurant, your sales promotion materials will not include all DQ® materials nor may all DQ® promotional activities apply to your DQ® Treat store. ADQ currently uses various national, regional and local advertising and public relations agencies to assist it in the strategic development, production and placement of many of the national and earned media activities and other sales promotion activities.

ADQ may spend sales promotion program fees by component or type of DQ® restaurant or store, by local market or region, or for concept-specific marketing production, materials and programs and promotions. ADQ has the right to develop specialized marketing pools or programs in the future. Finally, ADQ may also set aside some of the sales promotion program fees paid by

individual stores to be spent by those individual stores at the local level, in accordance with a reimbursement program or online credit system. ADQ has the right to determine the allocation of sales promotion program fees, materials and activities as between national, regional, local, or individual store efforts, and this allocation can change with or without notice to you.

You may use only the sales promotion or other advertising materials that ADQ furnishes or makes available to you, or other materials that ADQ approves for use in your sales promotion activities. Examples of sales promotion and other advertising materials that ADQ must approve prior to your use include menu board transparencies, counter mats, counter mat inserts, posters, billboard paper or vinyl, newspaper inserts, lawn signs, banners, menu board or register toppers, window clings, cake freezer merchandising, stanchions/display point-of-purchase, TV and radio creative, online communication, electronic or mobile media, loyalty programs, and direct mail. ADQ will not unreasonably withhold approval of any sales promotion or other advertising materials that you propose to use, as long as your materials are factually accurate, current, in good condition, in good taste, of like quality to and not in conflict with sales promotion and other advertising materials ADQ furnishes or makes available to you, and accurately depict the products and Trademarks. Any social media advertising or mobile marketing you do must comply with ADQ's social media policy. ADQ owns, can use and permit others to use any sales promotion or other advertising materials, ideas, concepts or programs you develop. As of the date of this disclosure document, ADQ does not require you to participate in any formal local or regional advertising cooperative.

National Marketing Fund

ADQ administers national sales promotion activities (including point of purchase materials) through a dedicated NMF. Sales promotion program fees are used at the national level through the NMF to develop and pay for the production of creative and other materials to support the SMCs, and also to fund national media and various other sales promotion activities, including, at ADQ's discretion, consumer loyalty programs, consumer feedback programs, online or mobile ordering or delivery programs, and similar activities at the national level, as well as other activities within the overall DQ® system. The NMF is funded principally from an allocation of the sales promotion program fees paid by participating restaurants and stores. The percentage allocated to the NMF may vary between restaurants and stores and between markets. ADQ has the right to establish and periodically change the amount of sales promotion program fees that are allocated to an NMF with or without notice to you.

Sales promotion and other advertising and merchandising materials produced by the NMF are, by design, licensed only to current NMF participating restaurants and stores and may not be transferred to or used in any way by or in non-NMF participating restaurants and stores. This means that if a franchisee owns both participating-NMF and non-participating-NMF restaurants or stores, NMF materials may only be displayed in those restaurants and stores paying the NMF fee.

Franchise Advisory Council

The franchise advisory councils include an Operations Advisory Council ("OPAC"), Technology Advisory Council ("TAC"), US Marketing Advisory Council ("MAC") and Canadian Marketing Advisory Council ("CMAC"). These councils advise ADQ and DQC on matters related to

restaurant operations, technology, marketing, advertising and other matters, but solely in an advisory capacity. The MAC includes eleven franchisee advisors. In 2026, ten are elected, including one territory operator representative, and one is appointed by ADQ. Starting in 2027, six are elected, including one territory operator representative, and five are appointed by ADQ. The CMAC has eight franchisee advisors. In 2026, seven are elected and 1 is appointed by DQC. Starting in 2027, four are elected and four are appointed by DQC. The OPAC and the TAC are each comprised of eight franchisee advisors appointed by ADQ and DQC, six from the US and two from Canada. ADQ has the power to form, change, or dissolve the councils, and has the right to change how franchisee membership on the councils is determined.

Use of Funds

The accounting for the funds used for DQ® national and DMA activities and materials are reviewed by an independent national accounting firm on an annual basis. This “review” consists principally of applying analytical procedures to the financial data and of making inquiries of persons responsible for financial and accounting matters. ADQ currently makes available to DQ® franchisees a copy of the annually prepared statements of contributions, expenditures and balance for the national (NMF), DMA (consolidated) and individual DMA in which your restaurant is located along with the Independent Accountants’ Review Report. In addition, each DMA can request that an audit of its DMA activities be conducted at the expense of that DMA. Orange Julius® sales promotion program fees are accounted for by ADQ on an annual basis and a statement of contributions, expenditures and balance is prepared by ADQ and available for review. ADQ annually convenes a committee from the MAC to conduct their own review of the accounting for the marketing funds applicable to each system.

Use of the combined sales promotion payments from all types of DQ® businesses in the 2025 fiscal year is as follows:

Percentage spent on Production	<u>17.7</u>	%
Percentage spent on Media Placement	<u>70.9</u>	%
Percentage spent on Administrative Expenses	<u>4.0</u>	%
Percentage spent on Other ⁽¹⁾	<u>7.5</u>	%
TOTAL	<u>100.0</u>	%

- (1) Includes amounts spent on audits, the Children’s Miracle Network, certain point-of-sale items, research and the franchise advisory councils’ expenses.

The above percentages vary if you calculate the allocations at the individual restaurant level, by area or group of restaurants, or by type of DQ® business.

Use of the payments made to Orange Julius® sales promotion programs in the 2025 fiscal year is as follows:

Percentage spent on Production	<u>76.2</u>	%
Percentage spent on Media Placement	<u>0.0</u>	%
Percentage spent on Administrative Expenses	<u>23.3</u>	%
Percentage spent on Other	<u>0.5</u>	%
TOTAL	<u>100.0</u>	%

Except as described in this paragraph, DQ® and Orange Julius® sales promotion program fees not spent in a fiscal year will be carried over for future use. In addition to its other programs, ADQ has the right to offer a local reimbursement or online credit program to certain franchisees if ADQ determines that the reimbursement is warranted for a particular restaurant or store. The availability of this program for a restaurant or store may be for a variable period of time and a variable amount of money, depending on the individual circumstances. If ADQ establishes such a program for your store, you may request reimbursement (or online credit, depending on the system available) of all eligible types of local media, promotions and promotional items you purchase up to the amount that has been determined by ADQ for your store. Unreimbursed funds at the end of the applicable period will not be carried over for future use by the particular restaurant, but will be used for other sales promotion activities in the DQ® and Orange Julius® systems, as determined by ADQ.

DQ® sales promotion program fees are not used for advertising principally directed at the sale of franchises.

Electronic Cash Registers; Computer Systems

You must purchase, install and maintain an electronic point-of-sale (“EPOS”) system at your store, as designated by ADQ. The EPOS system includes designated hardware, software, peripherals, a managed firewall and installation. If you are opening a new restaurant, you must purchase all of the components of the EPOS system from ADQ’s designated vendors (see Item 8). The estimated initial cost to purchase the EPOS system hardware and installation from ADQ’s designated supplier ParTech, Inc., and hardware for the Scale Computing managed firewall will range from \$24,800 to \$30,700.

The EPOS system is an electronic cash and credit management system, which provides an interface for processing customer orders, collecting and managing information about the nature of sales transactions, and providing financial records of those transactions. The optional backoffice software provides certain reports, product inventory management, and time and attendance functionality for your employees. The EPOS system will collect and report to ADQ a variety of information including overall sales, sales levels by item, item menu pricing, product movement statistics, individual unit and category sales data (including by flavor and size), various financial information to prepare store reports, and other information.

Neither ADQ nor any affiliate is obligated to provide ongoing maintenance, repairs, upgrades or updates to you. You are required to purchase from ADQ’s designated vendor and pay for ongoing hardware warranty services for your EPOS system for \$74 to \$155 a month depending on the warranty package you choose. In addition, as part of the ongoing software fees you will pay to some of the designated vendors, the vendors are obligated to provide certain maintenance and repair services for their software. You are required to make periodic upgrades and updates to the

EPOS system, and there are no contractual limitations on the frequency and cost of this requirement.

In addition to the initial costs for the EPOS system, there are required monthly service fees for the ParBrink, Olo and Punchh software for the EPOS system and mobile app ranging from \$416 to \$490 a month. You also must pay Olo a per transaction fee of 0.25% for each order processed by Olo. Help desk and software support costs are included in this monthly fee. Copies of the participation agreements that you must sign with these vendors are included in this disclosure document as Exhibit E.

To enable ADQ's access to your EPOS system, you must install one DSL or cable/broadband internet connection, or other necessary communication access device, that is exclusively designated and permanently connected to your EPOS system. There are no contractual limitations on ADQ's right to access the information generated by your EPOS system, although ADQ may choose not to poll information from all restaurants and stores. You must have access at all times to the internet, and must maintain and regularly use an active email account or other form of electronic communication that ADQ designates and keep ADQ informed of your contact information.

You must purchase and maintain a monthly subscription service for credit card processing, which includes the TransArmor solution encryption, from ADQ's designated provider Fiserv (formerly, First Data) and you must sign the merchant processing application and agreement included in this disclosure document as Exhibit F. The cost for the credit card processing services is approximately 2% - 5% of the total amount of each sale made using an approved credit card and the cost for the TransArmor Solution is \$19.95 per month. You must also purchase and pay for Verifone payment card data encryption services at a cost of approximately \$10 per terminal per month and Verifone payment device warranty at a cost of approximately \$80 per device for a 3 year warranty. You must also purchase and maintain a managed firewall service from ADQ's designated provider Scale Computing (formerly, Acumera). The cost for these services is approximately \$51 per month. Also, you must comply with the Payment Card Industry (PCI) Data Security Standards: <https://www.pcisecuritystandards.org/>. While you are not required to hire a third party contractor to ensure compliance with the PCI Data Security Standards (unless otherwise required to do so by your card processor), ADQ recommends you do so and estimates the initial cost of this to be \$200 - \$2,000, with an ongoing monthly fee of up to \$100.

You are required to participate in the system-wide gift card program administered by ValueLink, LLC and DQGC, and must sign the gift card participation agreement included in this disclosure document as Exhibit E. Gift card program fees are allocated based on a shared cost model between franchisees and the NMF. Currently, franchises pay fees equaling 3% of total gift card redemptions, which ADQ estimates will be about \$200 per year per location. NMF covers the balance of the gift card program's costs. In the future, the percentage allocation of costs between franchisees and NMF may change. These costs are in addition to any costs incurred by you in purchasing gift cards.

All of the fees referenced in this section are to subject to change from time to time.

Site Selection and Development Time

You must locate and obtain a site that meets ADQ's standards and criteria and that is acceptable to ADQ within 90 days after the date ADQ approves your franchise application. The general site selection and evaluation criteria you should consider include the quality of the trade area and the strategic fit of the site within the trade area, residential and daytime employment, attributes of the trade area that generate potential traffic and traffic patterns, ease of ingress and egress, pedestrian access and convenience, physical attractiveness of the host building or real estate, end-cap with drive-thru capability on shopping centers and fuel centers, demographic information and consumer behavior information, competition, signage, site and building design requirements or restrictions, local marketing support and similar factors. You must obtain ADQ's approval of the building plans and location prior to commencing construction of the store. In certain circumstances, ADQ may identify a site and may assist in purchase or lease negotiations. You are under no obligation to accept the proposed site. ADQ's identification of, or consent to, a site does not constitute a guarantee, recommendation, assurance or endorsement as to the success of the site or your store. ADQ's consent indicates only that ADQ believes that the particular site falls within its criteria as of the time period encompassing the evaluation. Application of site criteria that have been effective for other sites does not predict the potential success of any specific site.

From the time you submit a site to ADQ for consideration, ADQ will generally respond within 60 days, or less, depending on the status of negotiations to secure the site, the level of ADQ's involvement in the identification of the site, and other factors. If you and ADQ are unable to agree to a site within 90 days of ADQ's approval of your franchise application, ADQ has the right to retract the application approval and to refund your initial franchise fee less the non-refundable deposit of \$10,000.

The typical length of time between ADQ's acceptance of the franchise agreement and the opening of your business varies from 4 to 8 months. This period can be longer or shorter depending upon the time of year, availability of and securing financing, preparation of full building plans for permitting, municipality approval process, how quickly your site is identified and secured, development stage of the shopping center or mall, local construction delays, how soon your managers are selected and attend training, or other factors. You should not expend funds or make any other commitment in connection with the franchise and should not resign from employment, relocate or take any similar action until ADQ's final acceptance of your application and written approval of the franchise.

Training

There are currently four required components to training: (1) the MTRA; (2) SERVSAFE certification; (3) ADQ's training program for initial certification, which is made up of 3 phases and (4) continuing education units required to maintain certification. Your designated manager and one assistant manager if you are developing your first DQ® Treat store, or your designated manager if you are an ARD franchisee, must successfully complete all initial and ongoing components to maintain status as a certified manager.

ADQ's training program is summarized in the tables below, and ADQ has the right to periodically alter the training program.

- (1) Phases 1 and 2 of ADQ's training program include instruction on products, equipment, service, management and financial fundamentals for managers and last about 2 ½ weeks. We recommend that you have your required attendees begin the training process at least 3 months prior to the time you will open or begin operating the restaurant to ensure adequate time for completion of all required components. Both phases must be completed prior to your opening or the time you begin operating the restaurant. If you are a current franchisee that already has at least one existing DQ® location open and operating for a minimum of two years and you are developing an additional restaurant under ADQ's ARD program, you may be permitted to have training candidates with a certain level of experience and operational approval test out of Phases 1 and/or 2 (until the test out option is eliminated later in 2026) or complete the first two phases of ADQ's training program at one of your existing restaurants and online and then pass a proficiency assessment, in lieu of attending Phase 1 and Phase 2 training at a certified training location. See Item 7 for costs.
- (2) After successfully completing Phases 1 and 2 of ADQ's training program, regardless of whether that training takes place at a certified training location or one of your existing restaurants, your required attendees must participate in the Accelerated Manager Development Program. The Accelerated Manager Development Program requires attendees to complete a pre-assessment to determine the areas in which they require additional training. Training may include topics related to ADQ system standards and policies, emergency and crisis management, project and change management, managing the business, building bench strength, PAR Ops (financial, scheduling and inventory management tools), leadership and other topics. Depending on the results of the pre-assessment, the attendee will be required to successfully complete one or more training modules consisting of online e-learning self-study, virtual webinars and coaching sessions, in-restaurant application activities, knowledge tests and skills assessments. The program can take up to 12 weeks

to complete depending on attendee diligence and performance, the majority of which must be completed before you open or begin operating the restaurant.

- (3) Beginning in the second year after opening, your designated manager and assistant managers must complete 10 to 12 continuing education units (“CEUs”) each year in order to maintain their active certification status. CEUs are completed using training modules, online coursework, virtual webinars and coaching sessions, or other continuing education content made available on the Dairy Queen Learning Link (“DQLL”) or through other platforms or programs as ADQ may designate or approve from time to time. ADQ has the right to modify CEU requirements, including the required number of units, deadlines, content, delivery methods, and costs from time to time.
- (4) Phases 1 and 2 occur in DQ® locations certified and designated by ADQ and owned by either franchisees or ADQ’s affiliates. The Accelerated Manager Development Program is conducted online and virtually, except for the on-the-job training activities conducted in a certified training location or other ADQ-approved location.
- (5) The instructional materials used are reference material packets, workbooks, hands-on demonstrations and practice in the training location, e-learning modules, virtual webinars and coaching sessions, application activities, exams, product knowledge tests, and skill assessments. Phases 1 and 2 are taught by restaurant training specialists, and the Accelerated Manager Development Program is taught by field training consultants. Students are required to bring a laptop computer or tablet capable with internet access to in-store training and use a laptop computer or tablet for all self-guided and virtual webinar sessions. You are responsible for ensuring all required attendees have access to a functioning laptop or table with reliable highspeed internet, a webcam, and audio capabilities sufficient to participate in virtual components of the training program. ADQ is not responsible for delays caused by inadequate equipment.

Your required attendees must successfully complete each phase of ADQ’s training program to ADQ’s satisfaction to obtain and maintain their certified manager status. ADQ will evaluate your required attendees based on attendance, participation, presentations, progress in the training program, leadership, and other similar factors. Attendees who fail to fulfill these standards, or who violate ADQ’s code of conduct for the training program, may be prohibited from completing ADQ’s training program. You will not be allowed to open and operate your store until all required attendees complete all required training components.

Angie Ballinger oversees all of ADQ’s training programs and has done so in her capacity as Vice President, Restaurant Training & Curriculum since April 2024. As of the date of this disclosure document, in addition to Ms. Ballinger, ADQ’s training department consists of 6 field training consultants, who have experience ranging from 8 to 40 years, and 20-40 restaurant training specialists who may be employed by ADQ or a franchisee. Although experience varies among restaurant training specialists, all are required to successfully complete ADQ’s certified trainer training program.

Prior to attending ADQ’s training program, your required trainees must pass the MTRA, which is administered by a third party at a location designated by ADQ. The MTRA measures leadership, customer service, decision-making, prioritizing and business math, and may be modified by ADQ at any time. If a trainee fails the MTRA, the test may be repeated after 30 days; if the trainee fails the MTRA on the second attempt, the test may be repeated after one year. No trainee may repeat the MTRA more than three times. Your required attendees must also have current SERVSAFE

certification, which will only be recognized by ADQ if received through a course that is part of or equivalent to the National Restaurant Association's SERVSAFE program. SERVSAFE courses are offered online, and at various universities, vocational schools and community colleges.

You must pay for ADQ's training program (either through the initial franchise fee or otherwise, depending on your circumstances) prior to sending any attendees. You are responsible for paying any training fees, costs, travel, living expenses, salaries, benefits and other expenses associated with sending your attendees to ADQ's training program, the MTRA, and a SERVSAFE course; see Item 7 for a cost estimate.

If you receive a default notice and the default relates, in whole or in part, to your failure to meet any operational standards, ADQ has the right to require you to comply with ADQ's additional training requirements at your expense and at the then-current training fees as a condition of curing the default.

The franchisee's Controlling Owner (as defined in the franchise agreement) must, at your expense, attend all meetings ADQ holds or sponsors in your area or region including all DMA or other marketing area meetings, and all meetings relating to new products or product preparation procedures, new DQ® system programs, new operational procedures or programs, training, store management, financial management, sales or sales promotion, or similar topics.

Item 12: Territory

Rights under Franchise Agreement

When you enter into a franchise agreement, you are granted the right to operate a single store at an authorized location that ADQ has consented to in writing. You are not granted any minimum area or territory. If you must relocate because the franchised premises are condemned, exercise of a relocation right by your landlord, or some other reason that ADQ approves, you may relocate on the following conditions: (1) the new location must be acceptable to ADQ, reasonably suited for a DQ® Treat location, consistent with ADQ's site selection guidelines, and within the same building or venue as the authorized location if a Captive-venue location, or within a 500 meter radius of the authorized location if a Street location; (2) the new site must not infringe on the rights of any other DQ® franchisee; (3) the new store must be under construction within 30 days if a Captive-venue location or 180 days if a Street location; (4) after construction commences, the new store must be open and operating within 90 days if a Captive-venue location or 120 days if a Street location; and (5) the new store must be constructed and equipped in accordance with ADQ's then current standards and specifications.

You do not have any options, rights of first refusal or similar rights to acquire additional franchises.

ADQ does not grant exclusive territories to any franchisee under the terms of a franchise agreement. In the past, ADQ did grant franchise agreements with protected territories, including territory operator agreements, which allow territory operators to operate restaurants and stores for their own account and to subfranchise third parties to operate restaurants and stores within their territories. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that ADQ owns, or from other channels of distribution or competitive

brands that ADQ controls. Consider carefully the implications of a site-only franchise, and review closely the section below regarding ADQ's and its affiliates' rights.

ADQ's and its Affiliates' Rights

ADQ and its affiliates have the right to operate and grant others the right to operate competing business under the Trademarks, any affiliate's trademarks, or any other trademarks at any location but your store's authorized location. These locations may include freestanding buildings and facilities, strip centers, shopping malls, and other similar locations. These locations also may include transportation terminals, sports facilities, recreation areas, hotels, hospitals, campus facilities, and other non-traditional locations. You do not have any right to exclude, control or impose conditions on the location or development of future restaurants or stores franchised by others or owned and operated by ADQ or its affiliates.

ADQ and its affiliates also have the right to sell or distribute, themselves or through designees, products and services through any distribution channels or methods, including the internet (or any other existing or future form of electronic commerce such as social media, mobile applications, third party platforms and the metaverse), catalog sales, telemarketing or other direct marketing and pre-packaged retail sales using the Trademarks, or any other trademarks, service marks, trade names and commercial symbols, without any compensation to franchisees.

There are no territorial or customer restrictions on your sales from your store, and you are not required to compensate other franchisees, nor are you entitled to receive compensation from other franchisees or ADQ based on sales from a restaurant or store. You are not, however, granted any right under any franchise agreement to sell products and menu items identified by the Trademarks, or any of ADQ's affiliates' trademarks, or any other trademarks: (1) at any location other than your store; or (2) through resale or any other channels or methods of distribution, including the internet (or any other existing or future form of electronic commerce such as social media, mobile applications, third party platforms and the metaverse), catalog sales, telemarketing or other direct marketing and pre-packaged retail sales, except as ADQ may authorize or require in writing for all or part of the franchise system.

As described in Item 1, ADQ and its affiliates offer franchises under different trademarks that sell some, but not all, products similar to those you will offer in your DQ® Treat store.

- **DQ Grill & Chill®.** ADQ offers single and multiple unit franchises under the DQ Grill & Chill® trademarks, which sell substantially the same soft-serve and treat products, but with a full food menu containing certain similar food products.
- **Texas DQ® Restaurant.** ADQ offers single and multiple unit DQ® restaurant franchises in Texas under the DQ® trademark, which sell substantially the same soft-serve and treat products, but not the same food products.

Neither ADQ nor its affiliates own or operate any DQ® Treat stores, Texas DQ® restaurants, or Orange Julius® stores. ADQ's affiliate, DQTR, owns and operates DQ Grill & Chill® restaurants, as described in Item 1. The DQ Grill & Chill®, DQ® Treat, Texas DQ® restaurant, and Orange Julius® franchises are all site-only franchises with no territory rights granted to franchisees

(although certain multiple unit DQ Grill & Chill®, DQ® Treat or Texas DQ® restaurant franchisees may have a development or trade area under a multi-unit agreement). However, there are no territorial or customer restrictions on these franchisees' sales from their stores or restaurants. The principal business address for ADQ is 8000 Tower, Suite 700, 8331 Norman Center Drive, Bloomington, MN 55437, and the companies have their combined training facilities and offices at that address.

ADQ occasionally is called upon to decide whether to grant a license for a new restaurant or store (whether under the DQ®, Dairy Queen®, or a different ADQ or affiliate trademark, as described above) in proximity to an existing store or restaurant. ADQ makes no commitment that ADQ will not establish new restaurants or stores in proximity to existing stores or restaurants. Nevertheless, there may be circumstances under which ADQ, acting within its exclusive and absolute right, may choose not to establish a new restaurant or store in proximity to an existing restaurant, as a means to resolve conflicts between franchisor and franchisee and the franchisees of each system and within each system.

As mentioned above, territory operators have the right to operate restaurants and stores for their own account and to subfranchise third parties to operate restaurants and stores within their territories. Territory operators may or may not have their own development and site clearance programs. Further, it is important to note that territory operators are not obligated to follow ADQ factors or guidelines when granting a license to operate a restaurant or store in close proximity to existing DQ® restaurants or stores.

Item 13: Trademarks

The franchise agreement licenses you to use certain DQ®, Dairy Queen® and other ADQ trademarks (the "Trademarks"). Listed below are the principal Trademarks, which are registered with the United States Patent and Trademark Office. ADQ also claims common law trademark rights for all of the Trademarks. ADQ has filed or intends to file all required affidavits and renewals for the trademarks listed below.

Principal Trademarks	U.S. Reg. No.	Principal/ Supplemental Register	Date of Registration
DAIRY QUEEN	0728894	Principal	03/20/62
DQ	3211469	Principal	02/20/07
	3046169	Principal	01/17/06
ORANGE JULIUS	3247123	Principal	05/29/07
	3624481	Principal	05/19/09

ADQ identifies the Trademarks that you are licensed to use in the Operations Manual or otherwise in writing. ADQ has the right to change the Trademarks you are licensed to use periodically through changes to the Operations Manual, or otherwise in writing, any of which may be communicated electronically. Your use of the Trademarks and any goodwill is to ADQ's exclusive

benefit and you retain no rights in the Trademarks other than a license to use the Trademarks during the term of your franchise agreement. You retain no rights in the Trademarks upon termination of your franchise agreement. You are not permitted to make any changes or substitutions of any kind in or to the use of the Trademarks unless ADQ directs in writing.

There are currently no effective material determinations by the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, or any state trademark administrator or court, nor any pending infringement, opposition or cancellation proceeding. There is no pending material federal or state court litigation regarding ADQ's use or ownership rights in the Trademarks. There are currently no effective agreements that significantly limit ADQ's rights to use or license the use of the Trademarks in a manner material to the franchise. ADQ does not know of either superior prior rights or infringing uses that could materially affect your use of the principal trademarks in the state where your franchised business will be located.

ADQ is not obligated to protect your right to use the Trademarks, or to protect you against infringement or unfair competition claims arising out of your use of the Trademarks, or to participate in your defense or indemnify you. ADQ has the right to control any litigation related to the Trademarks and the right to decide to pursue or settle any infringement actions related to the Trademarks. You must notify ADQ promptly of any infringement or unauthorized use of the Trademarks of which you become aware and cooperate with any action that ADQ undertakes; however, ADQ is not required by the franchise agreement to take affirmative action when notified of such uses. If ADQ determines that a claim by a party that its rights to use the Trademarks are superior and requires changes or substitutions to the Trademarks, you must immediately make the changes or substitutions required by ADQ at your expense. You do not have any rights under the franchise agreement if ADQ requires you to modify or discontinue using a trademark.

Item 14: Patents, Copyrights, and Proprietary Information

There are no patents or copyrights currently registered or pending patent applications that are material to the franchise offered, although ADQ claims copyright ownership and protection for the franchise agreement and other franchise related agreements, the Operations Manual, and for various sales promotional and other materials published.

There are no current material determinations of the United States Copyright Office, the United States Patent and Trademark Office, or a court regarding the patent or copyright, nor any material proceeding pending in the United States Patent and Trademark Office or any court. There are currently no agreements in effect that limit the use of any patents or copyrights in a manner affecting you. ADQ knows of no patent or copyright infringement that could materially affect you.

ADQ is not obligated to protect you against infringement or unfair competition claims arising out of your use of any patents or copyrights, or to participate in your defense or indemnify you. ADQ has the right to control any litigation related to any patents and copyrights and the right to decide to pursue or settle any infringement actions related to the patents or copyrights. You must notify ADQ promptly of any infringement or unauthorized use of the patents and copyrights of which you become aware and cooperate with any action that ADQ undertakes; however, ADQ is not required by the franchise agreement to take affirmative action when notified of such uses. You do

not have any rights under the franchise agreement if ADQ requires you to modify or discontinue using any subject matter covered by a patent or copyright.

You must keep all proprietary information confidential during and after the term of the franchise agreement, including the Operations Manual and product preparation materials. You must not duplicate or disseminate any proprietary information to any party other than, your employees who need to know such proprietary information, and you must comply with all changes to the Operations Manual at your cost. Upon termination of your franchise agreement, you must return all proprietary information to ADQ, including all copies of the Operations Manual and the product preparation materials then in your possession or control or previously disseminated to your employees, and all other copyright material. You must notify ADQ immediately if you learn about an unauthorized use of proprietary information, although ADQ is not required by the franchise agreement to take any action and has the right to determine the appropriate response to any unauthorized use of proprietary information.

Item 15: Obligation to Participate in the Actual Operation of the Franchise Business

As described in Item 1 of this disclosure document, you may own the franchise as an individual or through an entity such as a corporation, limited liability company or limited partnership. If more than one individual signs the operating agreement, you must designate one of the individuals as the Controlling Owner. If you sign the operating agreement as an entity, one of the individual owners of the entity must own 51% or more of the equity and voting interests in the entity and that person will serve as the Controlling Owner. ADQ may make an exception to the requirement that an entity have an individual owner that owns and controls 51% or more of the entity if (a) the entity is an existing franchisee whose ownership was approved by ADQ prior to April 1, 2026, (b) there are no changes to the ownership structure previously approved for the entity, (c) the entity has 3 or more existing DQ® restaurants in operation, and (d) you designate one individual as the Controlling Owner. In all cases, the Controlling Owner must have the authority to (1) bind the franchisee entity in any dealings with ADQ and its affiliates and (2) direct any action necessary to ensure that the restaurant is operated in compliance with the operating agreement and System Standards.

The Controlling Owner does not need to manage the restaurant on a day-to-day basis but you must have one designated manager and one assistant manager (ARD franchisees only need a designated manager) at the restaurant who have completed ADQ's training requirements in Item 11. Designated and assistant managers must personally invest their full time and attention and devote their best efforts to the on-premises general management of the day-to-day operations of the location, and meet ADQ's store or retail management experience requirements. Designated and assistant managers may not participate in the active operation or management of any other business.

You must ensure that any designated or assistant managers with access to confidential information (as defined in the franchise agreement) abide by the confidentiality obligations in the franchise agreement. Also, a designated manager cannot directly or indirectly operate, permit to be operated, or hold any interest in a competitive business.

If the franchisee will be a business entity, all of its owners must sign the personal undertaking and guarantee attached to the franchise agreement. You must identify your owners and the Controlling Owner in the Ownership Addendum and notify ADQ in writing of any change in the owners or Controlling Owner.

Item 16: Restrictions on What the Franchisee May Sell

ADQ requires you to offer and sell only those goods and services that ADQ has approved (see Items 8 and 9). In addition, you may offer and sell these approved goods and services only from your store (see Item 12). Any failure to comply with these requirements or to meet product quality standards may result in termination of your franchise agreement (see Item 17).

You must carry the required menu items that ADQ designates for your business. If you are a conversion franchisee, you must cease selling any non-system food items. ADQ has the right to determine the authorized menu for your store, based upon ADQ's evaluation of various factors, including customs or circumstances of a particular site or location, density of population, population of trade area, existing business practices, lease restrictions, and any other condition that ADQ deems to be of importance to the operation of your business or to the DQ® system. There are no limits on ADQ's right to make modifications to the approved menu and ingredients periodically through the Operations Manual, system bulletin or otherwise in writing, any of which may be communicated electronically. To the fullest extent the law allows, ADQ may require you to offer items on the menu at the maximum, minimum, or other prices that ADQ specifies. In order to carry certain optional menu items as approved by ADQ, ADQ has the right to require you to attend specialized training and/or purchase additional equipment. You might have to pledge additional funds to be used for advertising the optional products in your trade area. Other stores may carry different menu items than you carry in your store.

You must not sell, offer for sale or otherwise handle alcoholic or intoxicating beverages or controlled substances upon the store premises. You must not have or use, or permit the presence or use of, ATM, video game machines or vending machines or any like coin-operated or electronic device or machine upon the store premises. In addition, you must not offer, sell, use or participate in, any lottery or gambling device of any nature at or from the store premises. Your store must be smoke-free for all customers and employees, and you must post signs on all doors and throughout the store that announce the smoke-free policy.

ADDENDUM TO DISCLOSURE DOCUMENT
FOR THE STATE OF CALIFORNIA

The following information applies to franchises and franchisees subject to the California Franchise Investment Act. Item numbers correspond to those in the main body.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

1. ADQ's website is located at www.dq.com.

OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AND COMPLAINTS CONCERNING THE CONTENTS OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT WWW.DFPI.CA.GOV.

2. SECTION 31125 OF THE CALIFORNIA CORPORATIONS CODE REQUIRES US TO GIVE YOU A DISCLOSURE DOCUMENT, IN A FORM CONTAINING THE INFORMATION THAT THE COMMISSIONER MAY BY RULE OR ORDER REQUIRE, BEFORE A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.
3. Item 3. In addition to the information required by Item 3, neither the Franchisor, or any person in Item 2 of the FDD is subject to any currently effective order of any National Securities Association or National Securities Exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.
4. Items 6 and 17. The Operating Agreement may contain a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.
5. Item 17.

The prevailing party is entitled to recover its reasonable attorneys' fees and costs of the arbitration. You are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.
- E. The Operating Agreement requires you to execute a general release of claims upon renewal or transfer of the Operating Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order there under is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 – 20043).
- F. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

ADDENDUM TO DISCLOSURE DOCUMENT
FOR THE STATE OF NORTH DAKOTA

The following information applies to franchises and franchisees subject to North Dakota statutes and regulations. Item numbers correspond to those in the main body.

1. Item 6.

The North Dakota Securities Commissioner has determined that to require franchisees to consent to liquidated damages or termination penalties is unfair, unjust, or inequitable within the intent of the North Dakota Franchise Investment Law. As a result, the termination fee provision in Item 6 of the Disclosure Document is deleted in its entirety.

2. Item 17.

- A. Covenants not to compete during the term of and upon termination or expiration of the Operating Agreement are enforceable only under certain conditions according to North Dakota law. If the Operating Agreement contains a covenant not to compete that is inconsistent with North Dakota law, the covenant may be unenforceable.
- B. Notwithstanding anything contained in Paragraph 12 of the Operating Agreement, any arbitration proceeding shall take place in the city nearest to the authorized location in which the American Arbitration Association shall maintain an office and facility for arbitration, or at such other location as may be mutually agreed upon by the parties. Any provision requiring franchisees to consent to the jurisdiction of courts outside North Dakota or to consent to the application of laws of a state other than North Dakota may be unenforceable under North Dakota law. If the laws of a state other than North Dakota govern, to the extent that such law conflicts with North Dakota law, North Dakota law will control.
- C. Any general release the franchisee is required to assent to as a condition of renewal is not intended to nor shall it act as a release, estoppel or waiver of any liability ADQ may have incurred under the North Dakota Franchise Investment Law.
- D. The Operating Agreement includes a waiver of exemplary and punitive damages. This waiver may not be enforceable under North Dakota law.
- E. The Operating Agreement requires the franchisee to consent to a waiver of trial by jury. This waiver may not be enforceable under North Dakota law.

3. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.

2. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. If any ground for default or termination stated in the franchise agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

3. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. FOR THE STATE OF WASHINGTON

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Disclosure Document regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. Conflict of Laws. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

2. Franchisee Bill of Rights. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including in the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. Site of Arbitration, Mediation and/or Litigation. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. General Release. A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise likewise void except as provided for in RCW 19.100.220(2).

5. Statute of Limitations and Waiver of Jury Trial. Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. Transfer Fees. Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. Termination by Franchisee. The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. Certain Buy-Back Provisions. Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during

the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. Fair and Reasonable Pricing. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. Franchisor's Business Judgement. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. Attorneys' Fees. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. Noncompetition Covenants. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

15. Nonsolicitation Agreements. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. Questionnaires and Acknowledgements. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made

by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

DQ® TREAT OPERATING AGREEMENT

This agreement is between American Dairy Queen Corporation, a Delaware corporation whose principal office is located at 8000 Tower, Suite 700, 8331 Norman Center Drive, Bloomington, MN 55437 (“Company”), and the Licensee listed on the cover page to this agreement, and is effective as stated in section 15.15.

Background

- Company and its predecessors and affiliates have expended considerable time, effort, skill and financial resources in developing the System (defined in section 16).
- Company owns, or licenses from its affiliates, the Trademarks (defined in section 16) used in connection with the System.
- Licensee desires to obtain the right to develop and operate one DQ® Treat restaurant using the System.

Therefore, the parties agree as follows:

Terms and Conditions

1. **CAPITALIZED TERMS.** Capitalized terms have the definitions given them in section 16.
2. **GRANT OF LICENSE.**
 - 2.1 **Authorized Location.** Subject to the terms and conditions of this agreement, Company grants to Licensee the right and license to establish and operate the Restaurant identified by the Trademarks. Licensee accepts this license and will operate the Restaurant in compliance with the System and this agreement.
 - 2.2 **Pre-opening Requirements.** Licensee must use Company’s pre-opening assistance, including in-restaurant training and Restaurant opening schedules and procedures, demonstrate that Licensee satisfies Company’s dry-run training requirement, and meet other pre-opening requirements specified by Company. Licensee may not open or commence operation of the Restaurant until Company notifies Licensee that all pre-opening requirements have been met. Company is not liable for any damages arising out of Licensee’s failure to open the Restaurant by a particular date.
 - 2.3 **Limited License.** The license granted by this agreement is limited to the right to operate one Restaurant at the Authorized Location, and does not include:
 - (A) An exclusive area or protected territory within which Company or its affiliates agree not to issue competing franchises or operate competing businesses;

- (B) Any right to sell or distribute products and menu items identified by the Trademarks at any location other than the Authorized Location or through any other channels or methods of distribution, including the internet (or any other existing or future form of electronic commerce such as social media, mobile applications, third party delivery and other platforms and the metaverse) and pre-packaged retail or catalog sales, except as Company may authorize or require as part of the System;
- (C) Any right to sell or distribute products and menu items identified by the Trademarks to any person or entity for resale or further distribution, except as Company may authorize or require as part of the System; or
- (D) Any right to sublicense, or exclude, control or impose conditions on the location or development of future restaurants or stores.

2.4 Reservation of Rights. Company reserves all rights not expressly granted to Licensee under this agreement. Company and its affiliates have the right to operate and grant others the right to operate competing businesses at any location but the Authorized Location, as determined by Company or its affiliates. These locations may include freestanding buildings and facilities, strip centers, shopping malls, and other similar locations. These locations also may include transportation terminals, sports facilities, recreation areas, hotels, hospitals, campus facilities, and other non-traditional locations. In addition, Company and its affiliates have the right to sell or distribute, themselves or through designees, products identified by the Trademarks, or any other trademarks, service marks, trade names and commercial symbols, through any distribution channels or methods, including the internet (or any other existing or future form of electronic commerce such as social media, mobile applications, third party delivery and other platforms and the metaverse) and pre-packaged retail or catalog sales.

3. TRADEMARK STANDARDS AND REQUIREMENTS. The Trademarks are the exclusive property of Company or its affiliates, and Licensee's right to use the Trademarks is conditioned upon the following terms:

3.1 Trademark Ownership. The Trademarks are valuable property owned or licensed by Company, and Company or its affiliates are the exclusive owner of all right, title, and interest in and to the Trademarks. Licensee's use of the Trademarks inures to the benefit of Company or its affiliates. Licensee disclaims all right, title and interest in or to the goodwill and the Trademarks and agrees that the goodwill and Trademarks are the exclusive property of Company or its affiliates. Licensee will not, during or after the term of this agreement, engage in any direct or indirect conduct that would infringe upon, harm or contest the rights of Company or its affiliates in any of the Trademarks or the goodwill associated with the Trademarks.

3.2 Trademark Use. Licensee may only use the Trademarks in connection with the Restaurant, and must not use, or permit the use of, any other trademarks, trade names or service marks. Licensee must use the Trademarks, in the form

and manner prescribed by Company in writing, only in connection with the products and services specified or approved periodically by Company that meet Company's standards of quality, mode and condition of storage, production and sale, and portion and packaging. Licensee must comply with all trademark, trade name and service mark notice marking requirements. Licensee acknowledges the value of System uniformity and agrees that Licensee's failure to comply with the System will adversely affect the value of the Trademarks.

3.3 Restaurant Identification.

- (A) Licensee must not use any of the Trademarks as part of its business entity name.
- (B) Licensee must only use the DQ® mark and no other mark or words as the trade name of the Restaurant, unless Company otherwise directs.
- (C) Licensee cannot use any additional words with the Trademarks without Company's prior written consent.
- (D) Licensee may use the Trademarks on various materials, such as business cards, stationery and checks, on the condition that Licensee:
 - (1) Accurately depicts the Trademarks on the materials;
 - (2) Includes a statement on the materials indicating that the business is independently owned and operated by Licensee; and
 - (3) Makes available to Company, upon its request, a copy of any materials depicting the Trademarks.
- (E) Licensee must post a prominent sign in the Restaurant identifying Licensee as a franchisee of Company in a format reasonably acceptable to Company, which includes an acknowledgment that the Restaurant is independently owned and operated by Licensee and the Trademarks are owned by Company and used by Licensee under a license issued by Company.

3.4 Restrictions on Internet and Website Use. Company retains the sole right to advertise the System on the internet and to create, operate, maintain and modify, or discontinue the use of, websites (including pages and profiles on social media websites) using the Trademarks. Licensee has the right to access Company's website. Except as Company may authorize in writing, however, Licensee will not: (1) link or frame Company's website; (2) conduct any business or offer to sell or advertise any products or services on the internet (or any other existing or future form of electronic communication); and (3) create or register any internet domain name in connection with the Restaurant. Licensee will not register, as internet domain names, any of the Trademarks now or hereafter owned by Company or any abbreviation,

acronym or variation of the Trademarks, or any other name that could be deemed confusingly similar.

3.5 Trademark Litigation. In the event any person or entity improperly uses or infringes the Trademarks, Company or its affiliates will control all litigation and determine whether to institute, prosecute or settle a suit, the terms of settlement, and whether to take any other action. Licensee must promptly notify Company of any improper use or infringement of which Licensee is aware, promptly inform Company of any claim arising out of Licensee's use of any Trademark, and cooperate with any action taken by Company in response.

3.6 Substitutions. If a party claims superior rights to use any of the Trademarks and Company determines that the claim is legally meritorious, then upon receiving written notice from Company, Licensee will, at its expense, immediately make such changes and use such substitutions to the Trademarks as Company requires.

4. TERM AND RENEWAL.

4.1 Term. The term of this agreement starts on the Effective Date and, unless earlier terminated under section 13, runs for:

- (A) 15 years after the target opening date, as determined by Company, if for a new DQ Treat franchise;
- (B) The lesser of 15 years or the remaining term of the transferring licensee's operating agreement, if this agreement is signed as a requirement of a transfer; or
- (C) The lesser of the renewal term specified in the expiring operating agreement or the remaining term of Licensee's lease for the restaurant, if this agreement is signed as a requirement of renewal.

4.2 Expiration Date. Company will designate the expiration date of this agreement on the cover page and the date designated by Company shall control.

4.3 Renewal. If the following conditions are met, Licensee may renew its license for an additional renewal term, which will be the shorter of 15 years or the period that Licensee has the right to maintain possession of the Restaurant premises:

- (A) Licensee gives Company written notice of its intent to renew between 3 - 6 months before the expiration of the term;
- (B) Licensee signs Company's then current operating agreement. The terms of the then current operating agreement may differ materially from this agreement, including higher or additional fees;

- (C) Licensee has complied with the modernization and replacement provisions of section 5.5;
- (D) Licensee is in good standing, including that it has satisfied all monetary obligations on a timely basis, and does not have a history of substantial noncompliance with the System or this agreement;
- (E) Licensee has the right to maintain possession of the Restaurant premises, and has provided written proof of its ability to remain in possession of the premises throughout the renewal period if leasing or subleasing;
- (F) Licensee pays Company a non-refundable renewal fee of \$1,000 times the number of years (including partial years) included in the renewal term, but not more than \$10,000, which is due 30 days before expiration of this agreement. For example, if the renewal operating agreement is for 7½ years, the renewal fee would be \$8,000;
- (G) Licensee and each Principal Owner sign a general release, in a form acceptable to Company, of all claims against Company and its affiliates, officers, directors, employees, and agents; and
- (H) Company approves the location where the Restaurant will be operated during the renewal period.

5. FACILITY STANDARDS AND MAINTENANCE. Company may periodically establish quality standards regarding the business operations of DQ® restaurants and stores to protect the distinction, goodwill and uniformity symbolized by the Trademarks and System. Accordingly, Licensee must maintain and comply with Company's quality standards and abide by the following conditions:

5.1 Restaurant Facility. The Restaurant must be constructed and equipped in accordance with Company's current approved specifications and standards pertaining to equipment, inventory, signage, fixtures, location, accessory features and design and layout of the Restaurant. Licensee must not commence construction of the Restaurant, or purchase or lease a location for the development of the Restaurant, until Company has given written consent to Licensee's building plans and the location. Licensee must complete the construction of the Restaurant in accordance with the approved building plans and otherwise satisfy all building plan and site work requirements without any unauthorized alterations. If Licensee enters into a lease for the Restaurant premises, Licensee must provide the lease and all lease exhibits to Company within 5 days of its execution. Licensee must obtain all necessary permits, licenses and architectural seals, and in all other respects comply with applicable legal requirements relating to the premises, building, signs, equipment and premises, including the Americans With Disabilities Act. Company's consent to building plans or a site does not guarantee compliance with any legal requirements or the Restaurant's success at that site. Company will furnish Licensee with lists of required and approved equipment, signage, fixtures and furnishings. Licensee must not use the Restaurant premises or Authorized

Location for any purpose other than the operation of the Restaurant during the term of this agreement. After the expiration or termination of this agreement, Licensee must not use the Restaurant premises or Authorized Location in violation of section 14.6.

- 5.2 Future Alteration.** Any replacement, reconstruction, addition or modification in the building, premises, interior or exterior decor or image, equipment or signage of the Restaurant to be made after Company's consent is granted for initial plans, whether at the request of Licensee or of Company, must be made in accordance Company's then current specifications and standards. Licensee must not commence any replacement, reconstruction, addition or modification until Licensee has received Company's written consent to Licensee's revised building plans. Company owns any alterations or improvements made by or on behalf of Licensee to the building plans.
- 5.3 Maintenance.** Licensee must maintain the building, premises, grounds, equipment and signage used in the operation of the Restaurant in good condition and in accordance with requirements established periodically by Company, and any reasonable schedules prepared by Company based upon periodic evaluations of the premises by Company's representatives. Within 90 days after the receipt of a report based on an evaluation, Licensee must effect the items of maintenance designated in the report, including the repair of defective items or the replacement of irreparable or obsolete items of equipment and signage.
- 5.4 Relocation.** If it becomes necessary to replace or relocate the Restaurant because of the condemnation of the Authorized Location, the exercise of a replacement or relocation right by Licensee's landlord, or for some other reason approved by Company, then Company will grant Licensee authority to replace or relocate upon the following conditions:
- (A) The new location must be:
 - (1) Acceptable to Company;
 - (2) Reasonably suited for a Restaurant;
 - (3) In a location that is consistent with Company's current site selection guidelines; and
 - (4) If the Restaurant is a Captive-venue Location, within the same building or venue as the Authorized Location, or if the Restaurant is a Street Location, within a 500 meter radius of the Authorized Location.
 - (B) The new site must not infringe on the rights of any other licensee or sublicensee of Company.

- (C) After Licensee discontinues operation of the Restaurant at the Authorized Location, the new Restaurant must be under construction within 30 days if a Captive-venue Location, or 180 days if a Street Location.
- (D) After construction commences, the new Restaurant must be open and operating within 90 days if a Captive-venue Location, or 120 days if a Street Location.
- (E) The new Restaurant must be constructed and equipped in accordance with Company's then current standards and specifications.

5.5 Modernization or Replacement. Licensee must modernize, refurbish or replace the building, premises, equipment, signage and grounds as is necessary to reasonably conform them to Company's then current standards for similarly situated new restaurants of the type developed under this agreement, upon renewal of this agreement, upon transfer of this agreement under the circumstances described in section 11, and every 10 years or any shorter period required by the lease for the premises. The requirements of this section 5.5 are reasonable and necessary to ensure continued public acceptance and patronage of DQ® restaurants and to avoid deterioration or obsolescence in connection with the operation of the business.

5.6 Lease.

- (A) To the extent that Company assists Licensee with any lease negotiations, Licensee acknowledges that Company or an affiliate:
 - (1) has not made any representations or warranties to Licensee with respect to whether Company's or its affiliate's negotiation with the landlord will be successful, whether the lease terms or site are adequate or appropriate, nor that the Authorized Location will be ready for occupancy or opening by any specified date; and
 - (2) neither Company nor an affiliate are responsible or liable to Licensee for damages arising out of any failure by Company or its affiliate to obtain the landlord's agreement to enter into a lease, the landlord's failure to enter into a lease with Licensee, or for the failure of the Authorized Location to be ready for occupancy or opening by any specified date.
- (B) If Licensee has signed a sublease for the Restaurant premises and Company or its affiliate and the landlord are unable to agree to a prime lease, Company may declare this agreement null and void, and all deposits, including the initial franchise fee, will be returned to Licensee minus the greater of a \$2,500 cancellation fee or Company's actual expenses incurred in connection with processing Licensee's application and providing services for Licensee's benefit.

6. PRODUCTS AND OPERATIONS STANDARDS AND REQUIREMENTS.

Licensee must not offer or sell any other product or service at the Restaurant without Company's prior written consent.
- 6.2 Authorized Ingredients and Supplies.** Licensee must only use in the operation of the Restaurant and in the preparation of products the ingredients, recipes, formulas and supplies specified by Company. Licensee must prepare products in the portions, sizes, appearance and packaging specified by Company in the Operations Manual or otherwise communicated in writing. Licensee must secure at its own expense all necessary permits or approvals for the use and sale of all products, supplies and ingredients in and from the Restaurant. All supplies, including cones, cups, containers, eating utensils, and napkins, and all other customer service materials of all descriptions and types must meet the reasonable standards of uniformity and quality as now or hereafter are set by Company.
- 6.3 Powders.** The Powders are secret formulas. Their composition or formula will not be, and is not required to be, disclosed to Licensee. Licensee must not resell (at retail or otherwise), make, manufacture, alter, adulterate or dilute the Powders, or any substitute for the Powders, or similar products and must maintain in secrecy any information it acquires about the Powders. Company may refer to the Powders by other terms, including compounds. Licensee must purchase exclusively from Company's designated supplier (which may be Company or an affiliate) the Powders and the frozen orange juice concentrate used in Orange Julius® products.
- 6.4 Approved Products, Services, and Equipment.**
- (A) Company will periodically publish lists of approved products (including ingredients of approved products), approved services, and approved equipment (including an approved menu board system (dine in and drive-thru, if applicable)). Licensee must use only the approved products, approved services, and approved equipment in the Restaurant described in the approved products, services, and equipment lists, as they may be periodically modified by Company. Licensee may not test, offer, or sell any new or unapproved products without Company's prior written consent.
- (B) **Although they may be approved by Company, Company makes no warranties and expressly disclaims all warranties, including warranties of merchantability and fitness for a particular purpose, with respect to products (including**

ingredients), services, equipment (including the EPOS System, any required Computer Systems, and any menu board system), supplies, fixtures, furnishings, or other approved items.

- (C) Company has the right to approve the manufacturer, supplier and/or distributor of any approved products (or the ingredients of any approved products), approved services and any approved equipment. Under all circumstances, Company has the right to designate a single approved manufacturer, supplier and/or distributor of:
 - (1) Soft drink products;

 - (6) The Powders and frozen orange juice concentrate.
- (D) Company has the right to designate a single approved manufacturer, supplier and/or distributor of any other approved products (or the ingredients of any approved products), approved services and any approved equipment but for products, services, and equipment not described in sections 6.4(C) (1) - (6), as long as there is not in place an agreement for a unified purchasing program between Company and a cooperative association of DQ® restaurant and store operators to benefit the entire Franchise System in the United States, Licensee may make written request for approval of a specific product, service, or piece of equipment of an additional, qualified manufacturer, supplier or alternate distributor, pursuant to Company's then current policies and procedures.

6.5 EPOS System, Computer Systems, and Internet.

- (A) **EPOS System and Computer Systems.** Licensee must purchase, install and maintain at its own expense an EPOS System and the Computer Systems at the Restaurant. Licensee must purchase the EPOS System and Computer Systems from a source or sources designated by Company. Company may designate a single source from whom Licensee must purchase the EPOS System or Computer Systems, and any components thereof or associated service. As part of the EPOS System or Computer Systems, Licensee may be required to license software from Company, an affiliate or a third party, and Licensee also may be required

to pay a software licensing or user fee and support fee in connection with Licensee's use of the EPOS System or Computer Systems. Licensee may periodically be required to enter into license agreements related to Licensee's use of components of the EPOS System or Computer Systems. Licensee will be required to use and, at Company's discretion, pay for all future updates, supplements and modifications to the EPOS System or Computer Systems. Licensee must allow Company access to Licensee's EPOS System and the Computer Systems, and the data and information they collect and store, at such times and in such a manner as Company periodically designates. Licensee must keep all financial information and customer data produced by or otherwise located on Licensee's EPOS System or Computer Systems secure at all times.

- (B) **Internet Access.** Licensee must have access at all times to the internet (or future form of electronic communication) at the Restaurant through an established service provider. Licensee must purchase, install and maintain a minimum of one DSL or cable/broadband internet connection and (if required by Company) one additional phone line or other future required communication access device that are exclusively designated and permanently connected to the EPOS System and any required Computer Systems. If the Restaurant is in an area without DSL or cable/broadband internet access, Company may require Licensee to install either a satellite connection, up to three additional phone lines, or any other communication access device or devices necessary to enable Company to communicate with the Restaurant on the same basis as with other newly built DQ® locations. Company may designate the specifications of any future required communication access device or method.
- (C) **Electronic Communication.** Licensee must maintain and regularly use an active email account or other form of electronic communication designated by Company, and keep Company informed of Licensee's contact information.

subject to any sanitary or health inspection by any governmental authorities under which it may be rated in one or more classification, it must be maintained and operated so as to be rated in the highest available health and sanitary classification by the inspecting governmental agency. If Licensee fails to be rated in the highest classification or receives any notice that it is not in compliance with all applicable health and sanitary standards, it must immediately notify Company of the failure or noncompliance and resolve all non-compliant issues.

6.8 Evaluations. Company or its authorized representative may enter the Restaurant at any time during the business day to:

- (A) Make periodic evaluations and to ascertain compliance with this agreement;

6.9 Period of Operation.

- (A) **Open to the Public.** Subject to any contrary requirements of local law, the Restaurant must be open to the public and operated at least 12 hours each day of the year, with the exception of New Year's Day, Easter Day, Thanksgiving Day, and Christmas Day. Any variance must be authorized in writing by Company. However, if the Restaurant is in a Captive-venue Location that sets operating hours, then Restaurant must only be open during the required operating hours of that Captive-venue Location.
- (B) **Voluntary Abandonment.** If Licensee voluntarily abandons the franchise, in addition to the other remedies provided for in this agreement, Company may terminate this agreement under section 13.2(C). The following events constitute voluntary abandonment:
 - (1) The Restaurant is closed for 5 consecutive days or more without Company's prior written consent.

If the Restaurant closed during rebuilding or repair, then the rebuilt or repaired Restaurant must open within 120 days (if a Captive-venue Location) or 270 days (if a Street Location) of the date of occurrence of its destruction or damage.

6.10 Operating Procedures. Licensee must comply with the required standards, procedures, techniques, and management systems described in the Operations Manual relating to the development and operation of the Restaurant, including product preparation, menu, storage, uniforms, financial management, equipment, facility maintenance, and sanitation. Licensee must promptly notify Company of any claim or litigation in which Licensee is involved that arises from the operation of the Restaurant.

6.11 Operations Manual. Company will provide on loan to Licensee, during the term of this agreement, a hard copy or electronic or online access to the Operations Manual. The Operations Manual will contain mandatory and suggested specifications, standards and operating procedures that Company develops for DQ® restaurants and information relating to Licensee's other obligations. Any required specifications, standards and operating procedures exist to protect Company's interest in the System and the Trademarks and to create a uniform customer experience, and not for the purpose of establishing any control or duty to take control over those matters that are reserved to Licensee. Company may add to, and otherwise modify, the Operations Manual to reflect changes in authorized products and services, the Company required maximum, minimum, or other prices for Menu items, and specifications, standards and operating procedures of a DQ® restaurant. Company will provide Licensee with notification of any additions and modifications to the Operations Manual. The master copy of the Operations Manual that Company maintains at its principal office or on its website will control if there is a dispute involving the contents of the Operations Manual. Licensee must, at its expense, comply with all provisions of the Operations Manual.

6.12 Proprietary or Confidential Information.

(A) **Use and Restrictions.** Licensee does not acquire any interest in Confidential Information, other than the right to use it in developing and operating the Restaurant under this agreement. The use or duplication of the Confidential Information in any other business constitutes an unfair method of competition. The Confidential Information is proprietary and is Company's trade secret. Licensee will:

- (1) not use the Confidential Information in any other business or capacity;
- (2) maintain the absolute confidentiality of the Confidential Information during and after the term of this agreement;
- (3) not make unauthorized copies of any Confidential Information disclosed in written form nor input or use any Confidential Information in any open source artificial intelligence program;
- (4) adopt and implement all reasonable procedures Company directs to prevent unauthorized use or disclosure of the Confidential Information, including restrictions on disclosure to Restaurant employees;

(B) **Compelled Disclosure.** The restrictions on Licensee's disclosure and use of the Confidential Information will not apply to disclosure of Confidential Information in judicial or administrative proceedings to the extent Licensee is legally compelled to disclose this information, if Licensee uses its best efforts to maintain the confidential treatment of the Confidential Information, and provides Company the opportunity to obtain an appropriate protective order or other assurance satisfactory to Company of confidential treatment for the information required to be disclosed.

6.13 Improvements. If the Licensee, Owners or Licensee's employees or agents conceive or develop any ideas, concepts, products, recipes, process methods, techniques, improvements, or additions relating to the development or operation of a DQ® restaurant or the System, or any new trade names, service marks or other commercial symbols, or associated logos relating to the operation of the Restaurant, or any advertising or promotion ideas related to the Restaurant, then:

- (A) Licensee must fully and promptly disclose these to Company;
- (B) they are Company's property, and Licensee and Licensee's Owners, agents or employees must sign all documents necessary to evidence the assignment of these items to Company without compensation;

- (C) Company has the perpetual right to use and authorize others to use these items without any obligation to Licensee for royalties or other fees; and

6.14 Website and Other Online Communication. Company may require Licensee, at Licensee's expense, to participate in websites or other online communication methods (collectively "online communication") that Company sponsors or that are branded with any of the Trademarks. Company will determine the content and use of online communication and will establish the rules under which licensees generally, or Licensee in particular, must participate. Company retains all rights relating to any online communication and may alter or terminate any online communication at any time. Licensee's general conduct on any online communication is subject to this agreement. Licensee's access codes, identification codes and information Licensee receives through access to Company's websites are considered Confidential Information. Licensee's right to participate in online communication, or otherwise use the Trademarks or System on the internet, terminates when this agreement expires or terminates.

6.15 Payment Methods. Licensee must allow its customers to pay for products by credit card, gift card, or other means or method of payment (electronic or otherwise) that Company periodically designates. Licensee must purchase and maintain at its own expense a subscription or other service contracts necessary to facilitate payment by any means or method of payment designated by Company. 7. PERSONNEL AND SUPERVISION STANDARDS.

7.1 Pre-opening Training. Licensee must at its own expense comply with all of Company's pre-opening training requirements for the Restaurant within 6 months prior to the Restaurant opening. If Licensee fails to comply with Company's pre-opening training requirements to Company's reasonable satisfaction, Licensee cannot open or operate the Restaurant.

7.2 Ongoing Training. Licensee, its Controlling Owner and its employees must meet Company's ongoing training requirements at Licensee's expense.

- 7.5 Supervision.** Licensee must maintain and operate the Restaurant at the Authorized Location under Licensee's active and continuous supervision in compliance with the System, on the terms of this agreement. At all times for the Restaurant, Licensee must designate a Controlling Owner that meets Company's requirements and must have a Designated Manager and one Assistant Manager if the Restaurant is Licensee's first DQ® treat restaurant, or only a Designated Manager if the Restaurant is Licensee's second or more DQ® treat restaurants, who have all successfully completed all training required by Company prior to starting any management duties. Any new or replacement Designated Manager or Assistant Manager must meet Company's then current training requirements for DQ® treat restaurant managers.
- 7.6 Staffing.** Licensee must require all Restaurant employees to work in clean uniforms approved by Company, at Licensee's cost or at the employee's cost at Licensee's election. No employee of Licensee is or will be deemed an employee of Company for any purpose. Licensee will hire all employees of the Restaurant, and be exclusively responsible for the terms of their employment, compensations, scheduling, benefits, disciplining and all other personnel decisions respecting Restaurant employees without any influence or advice from Company. Licensee will implement a training program for Restaurant employees in compliance with Company's requirements. Licensee will maintain at all times a staff of trained employees sufficient to operate the Restaurant in compliance with Company's standards.
- 7.7 Attendance at Meetings.** The Controlling Owner must, at Licensee's expense, attend all meetings Company holds or sponsors in Licensee's area or region, including all designated market area or other marketing area meetings for the marketing area in which the Restaurant is located, and all meetings related to new products or product preparation procedures, new System programs, new operational procedures or programs, training, restaurant management, financial management, sales or sales promotion, or similar topics. If the Controlling Owner is unable to attend a meeting, Licensee must notify Company prior to the meeting and cause a substitute person from Licensee's operations acceptable to Company to attend and represent Licensee at the meeting. Company strongly recommends that key employees of Licensee also attend meetings described in this subparagraph.
- 7.8 Cost of Training and Meetings.** Licensee is responsible for any applicable tuition or fee, the salaries, wages, benefits, travel and living expenses, and other related costs for all individuals affiliated with Licensee and the

Restaurant who attend any initial training, ongoing training, other training and meetings described in this section 7.

8. **SALES PROMOTION ACTIVITIES.** Licensee will actively promote the Restaurant, abide by Company's advertising requirements, and comply with the following provisions:

- 8.1 **Sales Promotion Activities and Fees.** Company may periodically establish, organize, and prescribe sales promotion activities, and Licensee must pay to Company or Company's designee the sales promotion program fee in section 9.3 regardless of whether other Company licensees pay greater, lesser, or no sales promotion program fees. Company has the sole right to determine how the sales promotion program fees will be spent, including the selection of promotional materials and activities. Company and its affiliates have no fiduciary obligation to DQ® licensees with respect to the sales promotion activities or expenditures of sales promotion program fees. The sales promotion program fees are not held by Company in trust. Company will make a good faith effort to expend the fees in the general best interests of the DQ® brand or Franchise System (or one or more components thereof). Company will make available upon request the sales promotion activities receipts and expenditures from the fees collected. Company is not required to audit the sales promotion receipts and expenditures.
- 8.2 **Administration Expenses.** Company may use a portion of the sales promotion program fees to compensate itself or its affiliates for the expense of administering and promoting sales promotion activities.
- 8.3 **Approved Materials.** Licensee must only use the sales promotion or other advertising materials that Company furnishes or makes available to Licensee, or that Company approves for use in Licensee's sales promotion activities.

(A) **Company Provided Materials.**

- (1) Company may periodically make available sales promotion or other advertising materials to Licensee at a reasonable cost. Licensee must purchase these materials; however, Company may at its option periodically include the cost of these materials in the sales promotion program fee paid under section 9.3.
- (2) Licensee cannot transfer sales promotion or advertising materials that Company furnishes or makes available to Licensee to any third party or allow a third party to use them. Sales promotion and other advertising materials produced by the national marketing fund ("NMF") administered by Company are licensed only to current NMF participating DQ® restaurants and stores, and may not be transferred to or used in any way by or in non-NMF participating DQ® restaurants and stores.

- (B) **Licensee Developed Materials.** Licensee must submit all sales promotion or other advertising materials developed by Licensee to Company for Company's written approval prior to use.
- (1) Examples of sales promotion or advertising materials that Company must approve include menu board transparencies, counter mats, counter mat inserts, posters, billboard paper or vinyl, newspaper inserts, lawn signs, banners, menu board or register toppers, window clings, cake freezer merchandising, stanchions/display point-of-purchase, TV and radio creative, online communication, electronic or mobile media, loyalty programs, and direct mail.
 - (2) Company will not unreasonably withhold approval of any sales promotion or other advertising materials that Licensee proposes to use, as long as Licensee's materials are factually accurate, current, in good condition, in good taste, of like quality to and not in conflict with sales promotion and other advertising materials Company furnishes or makes available to Licensee, and accurately depict the products and Trademarks.
 - (3) Company owns and can use and permit others to use any sales promotion or other advertising materials, ideas, concepts or programs developed by Licensee.

9. FEES, REPORTING, AND AUDIT.

9.1 Initial Franchise Fee. Licensee must pay to Company an initial franchise fee of \$25,000, which has been paid prior to or upon the date of execution of this agreement. Except as described in this agreement, the initial franchise fee is not refundable.

9.2 Continuing License Fee. Licensee must pay to Company monthly a continuing license fee of 5% of Gross Sales.

9.3 Sales Promotion Program Fee.

- (A) Licensee must pay to Company monthly a sales promotion program fee of:
- (1) For Orange Julius® branded products, up to 6% of Gross Sales. The current fee is 5% for Street Locations, and 1.25% for Captive-venue Locations;
 - (2) For all other products, 5% - 6% of Gross Sales.
- (B) Company will determine the exact percentage to be paid by Licensee within the ranges in section 9.3(A) without regard to the amount that any other licensee of Company may pay. Company will let Licensee know at least 90 days in advance of imposing any requirement that Licensee pay a higher percentage within the applicable range.

- (C) Licensee must also pay all sales promotion fees required by any lease or sublease for the Restaurant premises, and must comply with all sales promotion requirements of Licensee's lease or sublease. If Licensee is Company's or an affiliate's sublessee, then Licensee must to pay the required lease sales promotion fees to Company in addition to the fee payable under section 9.3(A), even if the landlord delays or fails to enforce prompt compliance with all lease requirements.

9.4 Computations and Remittances.

- (A) Subject to section 9.6, all amounts due under this agreement, except the initial franchise fee, must be computed at the end of each month's operation and paid as described in section 9.7 to Company within 10 days after the end of the month. Licensee must certify the computation in the manner and form specified by Company, and Licensee must supply to Company supporting or supplementary materials as Company reasonably requires to verify the accuracy of Licensee's remittances.
- (B) Licensee waives all existing and future claims to offset against amounts due under this agreement, which amounts must be paid when due. Company may apply or cause to be applied against amounts due to Company (or any of its affiliates) amounts which are held by Company or its affiliates on Licensee's behalf or owed to Licensee by Company or its affiliates.

9.5 Weekly Payment. If Licensee fails to timely make any payment or timely submit any monthly report due to Company, then Company may require Licensee to pay continuing license and sales promotion program fees on a weekly basis. If Company requires weekly payment, then:

- (A) Company will establish a reasonable estimate of the amount of continuing license and sales promotion program fees that Licensee must pay to Company each month. Based on this estimate, Company will establish the amount that Licensee must pay to Company each week.
- (B) Company will credit all payment amounts it receives from Licensee against the continuing license and sales promotion program fees due from Licensee to Company at the end of each month's operations.
- (C) Company will submit to Licensee a monthly reconciliation of Licensee's continuing license and sales promotion program fees account showing the credits to Licensee's account from amounts collected by Company through the weekly payments. If Licensee fails to submit reports under section 9.9, then Company may make the reconciliation in conformance with Company's determination as to amounts due. Unless Licensee provides evidence in a form satisfactory to Company of the correct amounts due within 14 days after Company provides notice to Licensee, then Company's reconciliation will be conclusive as to the amounts due to Company from Licensee. Licensee must pay any amounts due immediately at the end of

the 14 days. If Company determines that Licensee has overpaid continuing license or sales promotion program fees, Company will remit to or credit Licensee an amount equal to the excess fees collected at the time the reconciliation is provided to Licensee.

- (D) Company will collect, via the method described in section 9.7, all weekly payments and any amounts due to Company after Company's reconciliation.
- (E) Company may periodically revise the amount that Licensee is required to pay to Company each week if Company determines that the amount is too low or high as compared to the actual continuing license and sales promotion program fees due to Company from Licensee each month.

9.6 Electronic Funds Transfer. Licensee must sign an electronic transfer of funds authorization, or other documents that Company designates periodically, to authorize and direct Licensee's bank or financial institution to transfer either electronically or through some other method of payment Company designates, directly to the account of Company or its affiliates and to charge to the account of Licensee all amounts due to Company or its affiliates from Licensee. Licensee's authorizations permit Company or its affiliates to designate the amount to be transferred from Licensee's account. Licensee must maintain a balance in its account sufficient to allow Company and its affiliates to collect the amounts owed to them when due. Licensee is responsible for any penalties, fines or other similar expenses associated with the transfer of funds described in this subparagraph. Company may require Licensee to pay as described in this section, regardless of whether Company imposes the same requirement on other DQ® licensees.

9.7 Interest; Late Fees. All amounts owed by Licensee to Company or its affiliates under this agreement will bear interest at the lesser of 18% per annum or the maximum rate of interest permitted by governing law. Company may also charge Licensee a \$50 fee for each late report or payment owed to Company under this agreement. This fee is not interest or a penalty, but compensates Company for increased administrative and management costs due to late payment. A payment is late if:

- (A) It is not received by Company on or before the date due;
- (B) The payment is received by Company on or before the date due, but is not honored by Licensee's bank or financial institution; or
- (C) There are insufficient funds in Licensee's bank account on or after the due date to collect a payment by the method of payment described in section 9.7.

- (A) **Monthly Report.** Licensee must electronically (or using another method periodically required by Company) complete and submit to Company monthly reports with information from the previous calendar month on Company's then-current form. - (C) **Sales Tax and Other Information.** If requested by Company to verify Licensee's Gross Sales, Licensee must submit copies of its most recent sales tax return and all Business Records required by Company under Company's then-current audit policies.
- (D) **Right to Use Information.** Licensee must allow Company electronic and manual access to all Business Records and Licensee hereby consents to Company's use in any manner permitted by law, of the Business Records and other information relating to the Restaurant that Licensee submits to Company, or that Company obtains through review of Licensee's Business Records or by accessing Licensee's EPOS System or Computer Systems. Company may share this information with third parties, including consultants, and existing and potential franchisees.

Licensee must provide this information to Company according to reporting formats, methodologies and time schedules periodically established by Company. Upon Company's request, Licensee must submit tax returns relating to the Restaurant to Company.

9.10 Audit.

- (A) **On-site Audit.** Company or its authorized representative may at all times during the business day enter the premises where Licensee keeps its Business Records, and evaluate, copy and audit the Business Records.
- (B) **Off-site Audit.** In addition to or instead of an on-site audit, Company may require Licensee to give Company, at Licensee's expense, copies of the Business Records requested by Company.
- (C) **Understatement of Gross Sales.** In addition to any other rights Company may have, if any audit reveals that the Restaurant's Gross Sales have been understated by 3% or more, Licensee must reimburse Company for all costs of the audit, including salaries, outside accountant fees, outside attorneys' fees, copying costs, postage, travel, meals, and lodging ("audit costs"), and for all audit costs incurred in connection any additional periodic on-site or off-site audits of the Business Records that Company reasonably deems necessary for up to 2 years after the initial audit. Upon Company's request, Licensee must submit tax returns for all Owners to Company. If Licensee intentionally understates or underreports Gross Sales, continuing license fees, or sales promotion program fees, or if an additional audit conducted within the 2-year period reveals an understatement or variance of 3% or more, in addition to any other remedies provided for in this agreement, at law or in equity, Company may terminate this agreement in accordance with section 13.2(C).
- (D) **Sales Reconstruction.** In order to verify the information supplied by Licensee in the Business Records, Company may reconstruct Licensee's sales through the inventory extension method or any other reasonable method of analyzing and reconstructing sales. Licensee will accept a reconstruction of sales unless Licensee provides evidence in a form satisfactory to Company of Licensee's actual sales within 14 days from the date that Company provides notice to Licensee of the understatement. Any amounts payable to Company because of the understatement are due immediately at the end of the 14 days.

10. LICENSEE'S OTHER OBLIGATIONS.

10.1 Payment of Debts.

- (A) Licensee must pay promptly when due all:

- (1) Payments, obligations, assessments and taxes due and payable to Company and its affiliates, vendors, suppliers, lessors, federal, state or local governments, or creditors in connection with the Restaurant;

- (B) If Licensee defaults on any payment listed in section 10.1(A), Company may pay it on Licensee's behalf and Licensee must promptly reimburse Company on demand for the payment.

10.2 Liability and Indemnification. Licensee waives all claims against Company for damages to property or injuries to persons arising out of the operation of the Restaurant. Licensee must fully protect, indemnify and defend Company and its affiliates and hold them harmless from and against any and all claims, demands, damages, and liabilities of any nature whatsoever arising in any manner, directly or indirectly, out of or in connection with or incidental to the Restaurant (regardless of cause or any concurrent or contributing fault or negligence of Company) or any breach or failure to comply with this agreement.

10.3 Insurance.

- (A) Licensee must purchase and maintain at its own expense liability insurance at a minimum limit of liability designated periodically by Company, but not less than \$2,000,000 per occurrence, or a higher amount that Company may in the future require of similarly situated franchisees or that a lessor of the Restaurant premises may require. The insurance coverage must start on the earlier of the date Licensee takes possession of the Authorized Location or the date Licensee begins operating the Restaurant, and continue through the later of the Expiration Date or the date the Restaurant closes. Licensee must annually, or any shorter period of time at Company's request, deliver to Company a certificate of insurance and additional insured and other endorsements showing compliance with this section 10.3. The insurance coverage must:
- (1) Insure Licensee, Company, Company's affiliates and any other person or entity designated by Company by name from liability for any and all such damage and injury;
 - (2) Be written with a company rated no less than "A" by AM Best Insurance Rating;
 - (3) Name International Dairy Queen, Inc. and its affiliates as an additional insured; and

- (4) Provide that Company will be given 30 days' prior written notice of material change in or termination or cancellation of the policy.
- (B) Licensee must purchase and maintain workers' compensation insurance and all additional insurance that may be required by law or other agreement related to the Restaurant.
- (C) If Licensee does not procure and maintain the required insurance coverage, Company may procure insurance coverage for Licensee and charge the cost to Licensee, together with a reasonable fee for Company's expenses in doing so, payable by Licensee immediately upon notice.
- (D) Licensee's obligation to obtain and maintain these insurance policies in the amounts specified is not limited in any way by reason of any insurance that Company may maintain, nor does Licensee's procurement of required insurance relieve Licensee of liability under the indemnity obligations described in Section 10.2 of this Agreement. Licensee's insurance procurement obligations under this Section are separate and independent of Licensee's indemnity obligations.
- (E) Company does not represent or warrant that any insurance that Licensee is required to purchase will provide adequate coverage for Licensee. The requirements of insurance specified in this Agreement are for Company's protection. Licensee should consult with its own insurance agents, brokers, attorneys and other insurance advisors to determine the level of insurance protection it needs and desires, in addition to the coverage and limits required by Company.

10.4 Compliance with Laws. Licensee must at all times maintain the Restaurant premises and conduct the Restaurant in compliance with all applicable laws, regulations, codes and ordinances, including labor and employment laws. In addition, Licensee must comply with all privacy policies, data protection and security, and breach response policies that Company may establish. Licensee must notify Company immediately of any suspected data breach at or in connection with the Restaurant. Licensee is an independent business and responsible for control and management of the Restaurant, including matters such as hiring and discharging Licensee's employees, and setting and paying wages and benefits of Licensee's employees, and scheduling employees. Company has no power, responsibility or liability in respect to these or related matters. Licensee has had an opportunity to obtain legal advice regarding, and currently complies with, all applicable legal requirements that prohibit unfair, fraudulent or corrupt business practices, including U.S. and other legal requirements that are designed to combat terrorism and terrorist activities. In addition, neither Licensee nor Owner is named as a "specially designated national" or "blocked person" as designated by the United States Department of the Treasury's Office of Foreign Assets Control.

- 10.5 In-Term Noncompete.** During the term of this agreement, Licensee, the Designated Manager, a Principal Owner, or an officer or director of a Principal Owner owning a 20% or greater interest in Licensee cannot, without Company's prior written consent, directly or indirectly operate, permit to be operated, or hold any interest in any Competitive Business.

11. TRANSFER OF FRANCHISE.

- 11.1 Consent Required.** Company enters this agreement with specific reliance upon the financial qualifications, personal experience, skills, and managerial and financial qualifications of the Licensee and its Owners. Because of this, no transfer may be made in whole or part, whether in one or more transactions, without Company's consent.

- 11.2 Definition of Transfer.** A "transfer" is defined as a sale (including an installment sale), lease, pledge, contract for deed, option agreement, assignment, bequest, gift, transfer of interest upon death or disability, management agreement (or any other arrangement pursuant to which Licensee or an Owner turns over all or part of the daily operation of the Restaurant to a person or entity who shares in the losses or profits of the Restaurant in a manner other than as an employee or agent of Licensee), or disposal of the Restaurant, any assets, revenues or profits of the Restaurant (except in the ordinary course of business), or any direct or indirect ownership interest in this agreement, the Restaurant, the Licensee, or an Owner to any other person or entity (a "transferee"). If Licensee or any Owner is a trust, a "transfer" also includes any modification, amendment, revocation or restructuring of the trust (including but not limited to any change in the roles of or individuals named as beneficiaries, trustees, grantors, settlors or other similar positions of the trust) that would result in any change of control of Licensee or any Owner.

- 11.3 Requirements for a Transfer.** The following requirements must be satisfied before Company will consent to any direct or indirect transfer or proposed transfer of this agreement, the Restaurant, or any ownership interest in this agreement, the Restaurant, the Licensee, or an Owner:

- (A) **Application.** Licensee must immediately notify Company of a proposed transfer, promptly submit to Company a transfer request and release of information form and provide Company with a complete application for consent to transfer at least 90 days before the effective date of the transfer. The transfer request and release of information form and application must be completed on Company's then-current forms and accompanied by all other documents required by Company.

- (B) **Right of First Refusal.**

- (1) **Offer.** In the event of a proposed transfer, Licensee must give Company a copy of the purchase agreement or other written statement with the terms of the offer, signed by both the offeror

and Licensee, along with such additional information concerning the transaction as Company may reasonably require, which may include a copy of the lease, financial information, tax returns and other documents typically provided to a buyer. Company has the right (at its option, upon written notice to Licensee) to assign to a third party Company's right of first refusal.

- (2) **Insolvency.** If the proposed transfer results from Licensee's insolvency or the filing of any petition by or against Licensee under a bankruptcy or insolvency law ("bankruptcy"), Licensee must first offer to sell to Company Licensee's interest in this agreement and the land, building, equipment, furniture and fixtures, and leasehold interest used in the operation of Licensee's Restaurant ("bankruptcy assets"). The purchase price of the bankruptcy assets will be established by a qualified appraiser selected by the parties. If the parties cannot agree upon an appraiser, upon petition of either party, one will be appointed by a judge of the United States District Court in the Authorized Location's state. Licensee or Licensee's legal representative must deliver to Company a written statement incorporating the appraiser's report. The transaction documents will be prepared by Company, and will be as customary for this type of transaction.
 - (3) **Acceptance and Closing.** Company has 30 days from Company's receipt of the statement setting forth the third-party offer and such other information requested by Company, or the appraiser's report to accept the offer by delivering written notice of acceptance to Licensee. Company's acceptance will be on the same price and terms set forth in the statement except that Company may substitute equivalent cash for any noncash consideration and the terms will include the customary representations and warranties as to ownership, condition of and title to assets, loans and encumbrances on the assets, validity of contracts and agreements and contingent and other liabilities afforded the assets. Company has 30 days after accepting the offer to close on the sale.
 - (4) **Failure to Accept.** If Company fails to accept the offer within the 30 day period, Licensee has 60 days to effect the disposition described in the statement delivered under 11.3(B)(1) or 11.3(B)(2) to Company if the transfer is otherwise in compliance with section 11. Licensee cannot effect any other transfer of Licensee, this agreement or the Restaurant without first complying with the right of first refusal requirements.
- (C) **Security Interest.** Neither Licensee nor an Owner may retain a security or other financial interest in the property to be transferred without Company's prior written consent and except upon conditions

acceptable to Company. Licensee must inform Company if Licensee or an Owner proposes to retain a security or other financial interest.

- (D) **Transferee Requirements.** The transferee must meet Company's then current requirements for transferees, including those relating to financial position and management and operational experience.
- (E) **Transfer Fee.**
 - (1) **Amount.** Licensee must pay Company a transfer fee of \$6,000, which is due when Licensee submits the application for consent of the transfer. The transfer fee increases by \$500 on January 1, 2030, and on each 5-year anniversary of that date.
 - (2) **Refund.** If Company exercises its right of first refusal or does not consent to a proposed transfer, Company will return the transfer fee to Licensee, minus any actual expenditures or disbursements made by Company in direct connection with evaluating or processing the proposed transfer, together with an itemized statement of these costs. The transfer fee is not refundable in whole or in part except as expressly stated in this agreement.
- (F) **Payment of Amounts Owed.** All amounts owed by Licensee to Company or any of Company's affiliates, Licensee's suppliers, or any landlord for the Restaurant premises and Authorized Location, or upon which Company or any of Company's affiliates have any contingent liability, must be paid in full.
- (G) **Compliance with Agreement.** Licensee must be in full compliance with the terms of this agreement, including providing Company with all reports required in sections 9.9 and 9.10 through the effective date of the transfer.
- (H) **Guarantee.** All Owners of transferee must sign Company's then current form of undertaking and guarantee. In addition, if Company allows Licensee or an Owner to retain a security or other financial interest in this agreement or the Restaurant after the transfer, then Licensee and the Owner must guarantee the performance of this agreement until the security or other financial interest terminates.
- (I) **General Release.** Licensee, each Owner, and each guarantor must sign a general release of all claims arising out of or relating to this agreement, Licensee's Restaurant, or the parties' business relationship, in the form designated by Company, releasing Company and its affiliates.
- (J) **Training.** The transferee must, at Licensee's or transferee's expense, comply with Company's then current training requirements for DQ® Treat restaurants.

- (K) **Financial Reports and Data.** Company may require Licensee to prepare and furnish to transferee or Company financial reports and other data relating to the Restaurant and its operations as Company deems reasonably necessary or appropriate for transferee or Company to evaluate the Restaurant and the proposed transfer. Company may confer with proposed transferees and furnish them with information concerning the Restaurant and proposed transfer without being held liable to Licensee, except for intentional misstatements made to a proposed transferee. Any information furnished by Company to proposed transferees is for the sole purpose of permitting the transferees to evaluate the Restaurant and proposed transfer and will not be construed in any manner or form whatsoever as financial performance representations or claims of success or failure.
- (L) **Then Current Operating Agreement.** Transferee must sign Company's then current operating agreement, which may have materially different terms and conditions, including higher or additional fees.
- (M) **Facility Items and Modernization.** Licensee must complete the repairs, maintenance, and other similar items at the Restaurant that Company specifies in writing. In addition, if Licensee has not completed a modernization under section 5.5 in the past 10 years, then Licensee must complete the modernization prior to the effective date of the transfer. If Licensee has completed a modernization under section 5.5 in the past 10 years, then transferee will be required to complete the next modernization by the date Licensee would have been required to modernize under this agreement.
- (N) **Transfer Agreement.** Licensee (and each Owner) must sign an agreement, in form satisfactory to Company, in which Licensee and each Owner covenant to observe the post-termination covenant not to compete and all other applicable post-termination obligations described in this agreement.
- (O) **Other Conditions.** Company may expand upon, and provide more details related to, the conditions for transfer and our consent as described in this Section 11.3, and may do so in the Operations Manual or otherwise in writing. Licensee and each transferee must comply with any other conditions that Company reasonably requires periodically as part of its transfer procedures.

11.4 Consent Not Unreasonably Withheld. As long as Licensee and transferee meet Company's applicable requirements for a transfer, Company will not unreasonably withhold consent for the transfer.

11.5 Transfer Void. Any attempted transfer by Licensee without Company's prior written consent or otherwise not in compliance with the terms of this agreement is void and gives Company the right at its option to either default

and terminate this agreement, or to consent to the transfer and collect from Licensee and the guarantors a transfer fee equal to two times the transfer fee provided for in section 11.3(E)(1).

11.6 Transfer by Company. Company can transfer, in whole or in part, its interest in this agreement without Licensee's consent. Following the effective date of any assignment, Licensee will look solely to the transferee or assignee, and not to Company, for the performance of all obligations under this agreement.

12. DISPUTE RESOLUTION.

12.1 Arbitration. Subject to section 12.2, any dispute between Licensee and Company, or any of their affiliates, arising under, out of, in connection with or in relation to this agreement, any lease or sublease for the Restaurant or Authorized Location, the parties' relationship, or the Restaurant must be submitted to binding arbitration under the authority of the Federal Arbitration Act ("FAA"). Any state laws attempting to prohibit arbitration or void out of state forums for arbitration are preempted by the FAA. The dispute must be arbitrated in accordance with the then current rules and procedures and under the auspices of the American Arbitration Association ("AAA"), except to the extent the rules and procedures are modified below.

- (A) The then-current AAA Large, Commercial Case Rules apply where the matter in controversy in the arbitration proceeding is at least \$500,000. The matter in controversy is defined not only by the amount of the demand, but also by the value of the matter to the parties to the arbitration. The AAA will decide the amount of the matter in controversy, subject to a challenge of the AAA decision by either party to the arbitrator(s).
- (B) The arbitrator(s) has the power to rule on his or her own jurisdiction, including any objections with respect to the existence, scope, or validity of the arbitration agreement or to the arbitrability of any claim or counterclaim. The arbitrator(s) has the power to determine the existence or validity of a contract of which an arbitration clause forms a part. Such an arbitration clause will be treated as an agreement independent of the other terms of the contract. A decision by the arbitrator(s) that the contract is null and void will not for that reason alone render invalid the arbitration clause.
- (C) Multiparty arbitration is specifically prohibited, and any arbitration will be on an individual basis alone; the arbitration may not be consolidated or otherwise joined with any other proceeding. The arbitrator will have no authority or power to proceed with any claim as a multiparty proceeding or a class action or to otherwise join or consolidate any claim with any other claim or any other proceeding involving third parties.

- (D) The arbitration must take place in Minneapolis, Minnesota, or at another place mutually agreed upon by the parties.
- (E) Except as may be required by law, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration under this section 12.1 without the prior written consent of both parties.
- (F) Except for the appeal process described in section 12.1(G), the decision of the arbitrator(s) will be final and binding on all parties to the dispute; however, the arbitrator(s) will have no authority or power to: (i) stay the effectiveness of any pending termination of this agreement; (ii) assess punitive or exemplary damages; or (iii) make any award that extends, modifies or suspends any lawful term of this agreement or any reasonable standard of business performance set by Company. The arbitrator(s) must also follow the applicable law and may not disregard the law based on principles of justice or equity which are not a specific part of the applicable law. A judgment may be entered upon the arbitration award by any state or federal court in Minnesota or the state of the Authorized Location.
- (G) Any award rendered by the arbitrator(s) may be appealed pursuant to the AAA's Optional Appellate Arbitration Rules in effect as of the Effective Date of this agreement ("Appellate Rules"). Any award will, at a minimum, be a reasoned award. The award will not be considered final until after the time for filing the notice of appeal pursuant to the Appellate Rules has expired. Appeals must be initiated within thirty days of receipt of an award, as defined by Rule A-3 of the existing Appellate Rules, by filing a notice of appeal with any AAA office. The appeal tribunal may affirm, reverse, or modify the award of the arbitrator(s), or return the matter to the arbitrator(s) for further action. A final award may be entered once the appeal process is complete or the time for filing an appeal has expired, and a judgment may be entered upon the arbitration award in accordance with the procedures identified in section 12.1(F).

12.2 Injunctive Relief. The Restaurant is one of a large number of restaurants and stores identified by the Trademarks selling similar products to the public. The failure on the part of a single licensee to comply with the terms of its agreement could cause irreparable damage to Company or to some or all of Company's other licensees. Therefore, in the event of a breach or threatened breach of any of the terms of this agreement by a party, the other party is entitled to an injunction from a court of law restraining the breach or to a decree of specific performance, without showing or proving any actual damage, together with recovery of reasonable attorneys' fees and other costs incurred in obtaining the equitable relief, until a final and binding determination is made by the arbitrators. The arbitrator(s) has no authority to award interim, injunctive, or other equitable relief pending conclusion of the arbitration proceeding. Any equitable remedies are in addition to, not in lieu of, all other remedies or rights which the parties might otherwise have by virtue of any breach of this agreement by the other party. Company and its affiliates have the right to commence a civil action in any court of competent jurisdiction against Licensee or take other appropriate

action to obtain injunctive relief (whether temporary, preliminary or permanent) to compel Licensee's compliance with trademark standards and requirements to protect the goodwill of the Trademarks (including enforcement of the non-compete provisions in section 10.5 and 14.6) without having to file an arbitration demand.

12.3 Attorneys' Fees. The prevailing party in any action or proceeding arising under, out of, in connection with, or in relation to this agreement, any lease or sublease for the Restaurant or Authorized Location, the parties' relationship, or the Restaurant is entitled to recover its reasonable attorneys' fees and costs.

12.4 Jury Trial. The parties irrevocably waive any right they may have to a jury trial.

13. DEFAULT AND TERMINATION.

13.1 Default. Licensee is in default of this agreement if Company determines that Licensee or any Owner or guarantor has breached any of the terms of this agreement or any other agreement between Licensee and Company or its affiliates, which includes:

- (A) Making any false report to Company;
- (B) Failure to submit to Company the lease (if applicable) for the Authorized Location prior to the Restaurant opening;
- (C) Failure to submit any required report when due;
- (D) Intentionally understating or underreporting, or failure to pay when due any amounts required to be paid to Company or any of Company's affiliates whether under this agreement or otherwise or to any third party as required by this agreement;
- (E) Licensee, an Owner, or a guarantor being charged with any felony or misdemeanor which brings or tends to bring any of the Trademarks into disrepute or impairs or tends to impair the goodwill of any of the Trademarks;
- (F) Failing an evaluation under section 6.8, or failure to abide by Company's standards and requirements in connection with the operation of the Restaurant;
- (G) Violation of the Licensee's confidentiality obligations under this agreement;
- (H) Filing of tax or other liens which may affect this agreement, or voluntary or involuntary bankruptcy, by or against Licensee or any Principal Owner or guarantor, insolvency, making an assignment for the benefit of creditors or any similar voluntary or involuntary arrangement for the disposition of assets for the benefit of creditors; or

- (I) Failure to meet any requirements or specifications established by Company with respect to product quality, physical property, conditions of equipment or materials used, products manufactured, Menu, or use of approved products, packaging or promotional materials.

13.2 Termination. Company can terminate this agreement in accordance with the following provisions:

- (A) **Opportunity to Cure.** Except as set out in sections 13.2(B) and (C), Licensee has (i) 10 days from the date of a written notice of default to cure a default for failure to submit any required report when due or to pay when due any amounts required to be paid to Company or any of Company's affiliates and (ii) 30 days from the date of a written notice of default to cure any other default under this agreement. Licensee's failure to cure a default within the cure period will provide Company with good cause to terminate this agreement, and the termination will be accomplished by mailing or delivering to Licensee written notice of termination that will identify the grounds for the termination.
- (B) **Twenty-Four Hours to Cure.** If a default under this agreement materially impairs the goodwill associated with any of the Trademarks or the operation, maintenance or construction of the Restaurant results in a threat or danger to the public health or safety (for example, violating any of Company's zero tolerance policies or food safety requirements), then Licensee will have 24 hours after Company provides notice of the default to cure the default. Company has the right to require Licensee to close the Restaurant immediately upon notice and keep it closed until such time as the default is cured. If the default is not cured within 24 hours, or Licensee fails or refuses to close the Restaurant upon notice from Company, the termination will be effective immediately upon notice of termination. Notwithstanding any notice provisions under this agreement, notices under this section are deemed received when, as shown in Company's records, actual notice was given to the Controlling Owner, a Principal Owner, the Designated Manager, or the person designated to receive notices under section 15.3(B), whether delivered personally, by phone, fax, email, or reputable overnight service.
- (C) **Immediate Termination.** Licensee has no right to cure the following defaults and this agreement terminates immediately on Company's issuance of written notice of termination:
 - (1) Licensee's loss of the right to occupy the Restaurant premises;
 - (2) If the Restaurant is destroyed or damaged, Licensee's failure to repair and reopen for operation the Restaurant at the Authorized Location within 270 days of the date of occurrence of the destruction or damage (as described in section 6.9(C));

- (3) Licensee's failure to relocate and reopen in accordance with and within the time periods and conditions set forth in section 5.4;
 - (4) Voluntary abandonment as defined in section 6.9(B);
 - (5) Insolvency of Licensee or a Principal Owner or guarantor, or Licensee's or a Principal Owner's or guarantor's making an assignment or entering into any similar arrangement for the benefit of creditors;
 - (6) Conviction of Licensee or any Owner, the Designated Manager or a guarantor of an offense directly related to the Restaurant;
 - (7) Intentionally understating or underreporting Gross Sales, continuing license fees or sales promotion program fees as described in section 9.11(c);
 - (8) Any default by Licensee which is the third default within any consecutive 12-month period; or
 - (9) Licensee or an Owner is named as a specially designated national or blocked person as designated by the United States Department of the Treasury's Office of Foreign Assets Control.
- (D) **Termination Fee.** Upon Company's termination of this agreement for any reason under section 13.2, Licensee must pay to Company, within 30 days of the date of the termination, a termination fee as calculated below to compensate Company for anticipated and reasonably estimated lost profits. This subparagraph is not applicable to any termination or cancellation of a franchise agreement for an Authorized Location that did not open. The termination fee will be calculated as follows:
- (1) Two times the continuing license fees payable to Company for the last 12 months of the Restaurant's active operations;
 - (2) If the Restaurant opened but did not operate for a full 12 months before the date of termination, 24 multiplied by the average monthly continuing license fees payable to Company from the date of opening through the date of termination; or
 - (3) If there are less than 24 months remaining on the term, the number of months remaining on the term multiplied by the average monthly continuing license fees payable to Company for the last 12 months of the Restaurant's active operations.
- (E) **Effect of Other Laws.** Any valid, applicable law or regulation establishing permissible grounds, cure rights, or minimum periods of notice for termination of this franchise supersedes any provision of this agreement less favorable to Licensee than the law or regulation.

13.3 Termination by Licensee. Licensee may terminate this agreement as a result of a breach by Company of a material provision of this agreement after Licensee provides Company written notice of the breach that identifies the grounds for the breach, and Company fails to cure the breach within 30 days after Licensee provides written notice to Company. The termination will be effective 60 days after Licensee provides written notice of the breach to Company. Licensee's termination of this agreement under this section 13.3 does not release or modify Licensee's post-term obligations under section 14.

14. POST-TERM OBLIGATIONS. Upon the expiration or termination of this agreement:

14.1 Reversion of Rights. All rights of Licensee to use the Trademarks, all other rights and licenses granted under this agreement, and the right and license to conduct business under the Trademarks at the Authorized Location revert to Company without further act or deed of any party. All right, title and interest of Licensee in, to and under this agreement and any operational goodwill become the property of Company.

14.2 Stop Using Trademarks.

- (A) Licensee must immediately stop using and displaying the Trademarks and any point-of-sale materials and other sales promotion and advertising materials furnished, made available or approved by Company, and must stop using Company's Confidential Information (including the Operations Manual). Licensee must immediately return to Company all copies of the Operations Manual and any other Confidential Information in Licensee's possession or control, or previously disseminated to Licensee's employees.
- (B) Subject to section 14.5, Licensee must, within 20 days, at Licensee's expense, remove or obliterate all Restaurant signage, displays, photos and other materials in Licensee's possession at the Authorized Location or elsewhere that bear any of the Trademarks or names or material confusingly similar to the Trademarks. Licensee must also, within 20 days, alter the appearance of the Restaurant, including removal or substantial modification of any trade dress, so as to differentiate the Restaurant unmistakably from duly licensed restaurants and stores identified by the Trademarks.
- (C) If Licensee does not comply with section 14.2(B) within 20 days, Company may enter the Authorized Location and remove all Restaurant signage, displays, photos or any other materials in Licensee's possession at the Authorized Location or elsewhere that bear any of the Trademarks or names or material confusingly similar to the Trademarks, and Licensee must reimburse Company for Company's costs incurred in connection with this removal.
- (D) If, despite not being permitted to do so, Licensee owns or controls any domain name registrations in connection with the Restaurant or that include any of the Trademarks, Licensee agrees to promptly transfer

ownership of such domain names to Company and execute any documents the domain name registry requires in connection with the transfer of these domain name registrations to Company.

14.3 Liable for Obligations. Licensee remains liable for its obligations under any applicable lease or sublease for the Restaurant premises and Authorized Location, and its other applicable obligations under this agreement or any other agreement between Licensee and Company or Company's affiliates.

14.4 Amounts Owed. Licensee must pay all sums due to Company, its affiliates or designees, or that Licensee owes to third parties which have been guaranteed by Company or any of its affiliates, within 10 days of the termination or expiration of this agreement.

14.5 Purchase Option. Company may purchase or designate a third party to purchase any or all of the assets of the Restaurant that are owned by Licensee or any of Licensee's affiliates including the land, building, equipment, fixtures, signage, furnishings, supplies, leasehold, leasehold improvements, and inventory of the Restaurant, upon the following conditions:

- (A) Company must give Licensee written notice of its intent to exercise its purchase rights under this section 14.5 within 30 days after the date of the expiration or termination of this agreement.
- (B) The purchase will be at a price determined by a qualified appraiser paid for by Company and selected with the consent of both parties. The price determined by the appraiser will be the reasonable fair market value of the assets based on their continuing use in, as, and for the operation of a DQ® Treat restaurant and the appraiser will designate a price for each category of asset (e.g., land, building, equipment, fixtures, etc. but not good will). If the parties cannot agree upon an appraiser, either party may petition a judge of the United States district court for the district in which the Authorized Location is located to appoint an appraiser.
- (C) Within 45 days after Company's receipt of the appraisal report, Company must inform Licensee if Company or Company's designee intends to purchase any or all of the assets at the price in the appraisal report. Company or its designated purchaser and Licensee must complete and close the purchase of the designated assets in a commercially reasonable time and manner. Company may reduce the price paid for the assets by any unpaid portion of the termination fee due under section 13.2(D) of this agreement.
- (D) Upon Company's or its designated purchaser's exercise of the purchase option and tender of payment, Licensee agrees to sell and deliver, and cause its affiliates to sell and deliver, the purchased assets to Company or its designated purchaser, free and clear of all encumbrances, and to execute and deliver, and cause its affiliates to execute and deliver, to Company or its designated purchaser a bill of sale for the assets or any

other documents as may be commercially reasonable and customary to effectuate the sale and transfer of the assets being purchased.

14.6 Post-Term Noncompete. Licensee and the Principal Owners cannot directly or indirectly (including acting as a lessor, lessee, officer, director, partner, employee, consultant, shareholder or lender) own, operate, lease, engage in, conduct, have any interest in, or assist any other person or entity to engage in, any Competitive Business for one year after the date of expiration or termination by either party with or without cause (i) within 500 meters of the Authorized Location if the Restaurant is a Street Location, or (ii) within the building or venue that the Authorized Location was in if the Restaurant is a Captive-venue Location.

14.7 Confidentiality. Licensee and its and Owners must comply with the confidentiality provisions of section 6.12.

14.8 Time Period for Bringing Claims. Claims by Company for underreporting Gross Sales, for indemnification, or for claims related to Company's rights under the Trademarks are subject only to the applicable state or federal statute of limitation. Any other claim arising out of or relating to this agreement, the relationship of the parties, Company's operations relating to the Franchise System, or Licensee's operation of the Restaurant will be barred unless filed before the expiration of the earlier of:

- (A) The time period for bringing an action under any applicable state or federal statute of limitations;
- (B) One year after the date upon which a party discovered, or should have discovered, the facts giving rise to an alleged claim; or
- (C) Two years after the first act or omission giving rise to an alleged claim.

15. GENERAL PROVISIONS.

15.1 Severability. Should one or more clauses of this agreement be held to be void or unenforceable for any reason by any court of competent jurisdiction, such clause or clauses are deemed to be separable in such jurisdiction and the remainder of this agreement is deemed valid and in full force and effect and the terms of this agreement will be equitably adjusted so as to compensate the appropriate party for any consideration lost because of the elimination of such clause or clauses. It is the intent and expectation of each of the parties that each provision of this agreement will be honored, carried out and enforced as written. Consequently, each of the parties agrees that any provision of this agreement sought to be enforced in any proceeding hereunder shall, at the election of the party seeking enforcement and notwithstanding the availability of an adequate remedy at law, be enforced by specific performance or any other equitable remedy.

15.2 Waiver; Integration. No waiver by Company of any breach by Licensee, nor any delay or failure by Company to enforce any provision of this agreement, will

be deemed to be a waiver of any other or subsequent breach or be deemed an estoppel to enforce Company's rights with respect to that or any other or subsequent breach. Subject to Company's rights to modify standards and as otherwise provided in this agreement, this agreement cannot be waived, altered or rescinded, in whole or in part, except by a writing signed by Licensee and Company. - (A) **Applicable Law and Waiver.** Subject to Company's rights under federal trademark laws and the parties' rights under the Federal Arbitration Act under section 12, the parties' rights under this agreement and the relationship between the parties is governed by, and will be interpreted in accordance with, the laws (statutory and otherwise) of the state in which the Authorized Location is located. Licensee waives, to the fullest extent permitted by law, the rights and protections that might be provided through the laws of any state relating to franchises or business opportunities, other than those of the state in which the Authorized Location is located.
 - (B) **Exercise of Rights.** Whenever this agreement provides that Company has a certain right, that right is absolute and the parties intend that Company's exercise of that right will not be subject to any limitation or review. Company may operate, administrate, develop, and change the System in any manner that is not specifically precluded by the provisions of this agreement.
 - (C) **Reasonable Business Judgment.** Whenever Company reserves or is deemed to have reserved discretion in a particular area or where Company agrees or is deemed to be required to exercise its rights reasonably or in good faith, Company will satisfy its obligations whenever it exercises Reasonable Business Judgment (as defined below) in making its decision or exercising its rights. A decision or action by Company will be deemed to be the result of "Reasonable Business Judgment," even if other reasonable or even arguably preferable alternatives are available, if Company's decision or action is intended, in whole or significant part, to promote or benefit the Franchise System (or one or more components of it) generally even if the decision or action also promotes a financial or other individual interest of Company.

Examples of items that will promote or benefit the Franchise System include enhancing the value of the Trademarks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization, and improving the competitive position of the Franchise System (or one or more components of it). Neither Licensee nor any third party (including, without limitation, a trier of fact) will substitute its judgment for Company's Reasonable Business Judgment.

15.9 Venue. Any cause of action, claim, suit or demand allegedly arising from or related to the terms of this agreement or the relationship of the parties that is not subject to arbitration under section 12, must be brought in the Federal District Court for the District of Minnesota or in Hennepin County District Court, Fourth Judicial District, Minneapolis, Minnesota. Both parties hereto irrevocably admit themselves to, and consent to, the jurisdiction of said courts. The provisions of this subparagraph survive the termination of this agreement. Licensee is aware of the business purposes and needs underlying the language of this subparagraph, and with a complete understanding thereof, agrees to be bound in the manner set forth.

15.10 Waiver of Punitive Damages. Licensee and Company and their affiliates waive, to the fullest extent permitted by law, the right to or claim for any punitive or exemplary damages against the other and in the event of any dispute between them, each is limited to the recovery of actual damages sustained by it.

15.11 Relationship of the Parties. Licensee and Company are independent contractors. Neither party is the agent, legal representative, partner, subsidiary, joint venturer or employee of the other. Neither party can obligate the other or represent any right to do so. This agreement does not reflect or create a fiduciary relationship or a relationship of special trust or confidence.

15.12 Force Majeure. A failure of performance of this agreement by any party will not be deemed a breach of this agreement if it arose from a cause beyond the control of and without the negligence of the party, provided that the party uses reasonable best efforts to perform the obligations as soon as possible under the circumstances. Such causes include acts of God, lockouts, strikes, wars, riots, and acts of government.

15.13 Adaptations and Variances. Complete and detailed uniformity under many varying conditions may not always be possible, practical, or in the best interest of the Franchise System. Accordingly, Company may vary the Menu and other standards, specifications, and requirements for any licensed restaurant or store or licensee based upon the customs or circumstances of a particular franchise or operating agreement, site or location, population density, business potential, trade area population, existing business practice, competitive circumstance, or any other condition that Company deems to be of importance to the operation of such restaurant or store, Licensee's business, or one or more components of the Franchise System. Company is not required to grant to Licensee a like or other variation as a result of any variation from standard menus, specifications or

requirements granted to any other restaurant or store or licensee. Licensee acknowledges that it is aware that other licensees of Company operate under a number of different forms of franchise agreement or operating agreement that were entered into at different times and that, consequently, the obligations and rights of the parties to such other agreements may differ materially in certain instances from Licensee's rights and obligations under this agreement. Company may periodically modify or rescind any requirement, standard or specification prescribed by Company under this agreement to adapt the System to changing conditions, competitive circumstances, business strategies, business practice innovations, and technological changes as Company deems appropriate.

15.14 Notice of Potential Profit. Company or its affiliates may make available goods, products, or services to Licensee for use in the Restaurant and may make a profit on the sale of these items. Company or its affiliates may receive and retain consideration from suppliers or manufacturers for services rendered, license rights, or sales of goods, products, or services to Licensee. The consideration may or may not be related to services performed and Company or its affiliates is entitled to these profits or consideration.

15.15 Effective Date. Company will fill in the "Effective Date" of this agreement in the space provided on the cover page. If no Effective Date is listed, the Effective Date is the date when this agreement has been signed by both Licensee and the President or a Vice President of Company.

This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington. 1.

Conflict of Laws. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

2. Franchisee Bill of Rights. RCW 19.100.180 may supersede the franchise agreement in your relationship with the franchisor including in the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. Site of Arbitration, Mediation and/or Litigation. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. General Release. A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise likewise void except as provided for in RCW 19.100.220(2).

5. Statute of Limitations and Waiver of Jury Trial. Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. Transfer Fees. Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. Termination by Franchisee. The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. Certain Buy-Back Provisions. Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during

the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. Fair and Reasonable Pricing. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. Franchisor's Business Judgement. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. Attorneys' Fees. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. Noncompetition Covenants. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

15. Nonsolicitation Agreements. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. Questionnaires and Acknowledgements. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state

franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

The undersigned parties do hereby acknowledge receipt of this addendum.

FRANCHISE APPLICATION PROCEDURE

American Dairy Queen Corporation (“Company”) would like to take this opportunity to thank you for your application for a new franchise. It is important to remember that this is an APPLICATION ONLY which must be reviewed and approved through Company’s Development Review Committee (DRC) before any franchise rights are awarded to you. The DRC review includes the following:

Ownership and Management Structure

You may apply to own the proposed franchise as an individual or through an entity such as a corporation, limited liability company or limited partnership. If more than one individual is applying to own the franchise, whether individually or through an entity, you must designate one of the individuals as the Controlling Owner. The Controlling Owner must own 51% or more of the franchise or the equity and voting shares or other ownership interests of the proposed franchisee entity. Spouses may jointly qualify as the Controlling Owner so long as, together, they own 51% or more of the proposed franchisee. Company may make an exception to the requirement that an entity have an individual owner that owns and controls 51% or more of the entity if (a) the entity is an existing franchisee whose ownership was approved by Company prior to April 1, 2026, (b) there are no changes to the ownership structure previously approved for the entity, (c) the entity has 3 or more existing DQ® restaurants in operation, and (d) you designate one individual as the Controlling Owner. In all cases, the Controlling Owner must have the authority to (1) bind the proposed franchisee in any dealings with Company and its affiliates and (2) direct any action necessary to ensure that the restaurant is operated in compliance with the operating agreement and Company’s system standards.

Applicant Qualification

Whether you are applying to hold the franchise as an individual or as an entity, all applicants must meet Company’s current eligibility requirements to own a franchise, including financial, operational, criminal and credit history, and other factors, and attend discovery day at Company’s Franchisee Support Center in Minneapolis, MN or other in-person meetings as Company requires.

Financial Qualification

Minimum requirements for liquid assets and the amount of equity to be invested in the development of a single, new location are:

	Liquid Assets	Equity In Project
<i>DQ Grill & Chill®</i> & <i>DQ®</i> Texas Restaurant	\$400,000	\$300,000
<i>DQ®</i> Treat	\$175,000	\$125,000

The actual equity necessary for a project may be greater depending upon lender requirements, actual cost of applicant’s project, etc.

Trade Area Review & Site Qualification

Review of applicants’ proposed trade area and site.

You will be notified in writing of the successful completion of your review process and any conditions to that approval and consent.

IMPORTANT:

You are not awarded a franchise and have no license rights unless and until you are in receipt of an Operating Agreement signed by a Vice President of Company. This Application or any other document or verbal advice is not to be construed as, and is not, an Operating Agreement or the grant of a franchise or license rights. Do not make any financial or contractual commitments or incur any expenses relative to this Application until you have received written notification that your Application has been approved and you have received Company's consent. If circumstances warrant, any options or lease proposals should be drafted contingent on Company's approval and consent. Any expenses you incur prior to execution of an Operating Agreement are done at your own risk.

Restaurant Opening Timeline Considerations

Company support of your proposed project is focused on maintaining an efficient timeline from acceptance of your application through opening. If you are applying for a *DQ Grill & Chill* or *DQ Texas* franchise and your application is approved, you may be eligible to participate in the Timeline Incentive Program, which provides an incentive for you to open your restaurant within the planned timeline.

Lender Capabilities and Requirements:

You are solely responsible for identifying and gaining commitment from a lender that enables you to manage your project within the opening timeline requirements as stated in the consent letter if consent is granted (i.e. SBA preferred and express lenders and providers with the ability to expedite lending). Company has no obligation to assist you with financing and will not adjust timelines based on your inability to timely secure appropriate financing.

Feasibility Information and Requirements:

Prior to consent, you will be required to secure feasibility information to assess necessary design and governmental approval requirements. The reliability and accuracy of the information you provide us could directly impact your project's required opening timeline. Therefore, it is essential that you provide us with reliable and accurate information on feasibility prior to consent. Company has no obligation to adjust timelines based upon your inability to timely secure any necessary design or governmental approvals.

Company may, but is not obligated to, obtain a site investigation report ("SIR") for your proposed project, which may include information related to zoning, permitting, parking and loading, signage, environmental, traffic and roadway, utility and other site related requirements, restrictions and

processes. If Company obtains an SIR for your project, it is doing so for its own information and purposes. Company may, but it is not obligated to, share the SIR or certain information from the SIR with you. If Company does share the information with you, you understand and agree that the information is not a substitute for you doing your own research and due diligence on the site and project, that Company makes no warranties or guarantees that the information in the SIR is accurate or complete, and that you should not rely on the information in the SIR in determining whether to move forward with the project.

Company does not disclose financial performance information (actual or potential sales, profits, earnings or financial success) to franchise applicants other than as set forth in its FDD or as otherwise authorized by applicable law. Company strongly recommends that you contact several franchise operators in your state to discuss financial performance of restaurants of the type in which you are interested. to Participation Agreement**

TERMS & CONDITIONS OF SALE

1. Terms and Conditions. These Terms and Conditions of Sale (“Terms”) shall apply to the sale by PAR of the Equipment, Installation Services, Advance Exchange Services and On-Site Remedial Maintenance Services to Participating Location. These Terms constitute the agreement between PAR and Participating Location with respect to Participating Location’s purchase and PAR’s sale of the Equipment, Installation Services, Advance Exchange Services and On-Site Remedial Maintenance Services, to the exclusion of any pre-printed or contrary terms of any purchase order (or similar document) and supersedes and cancels any prior discussions, understandings, or representations between PAR and Participating Location. No addition to or modification of these Terms shall be binding upon either party unless expressly agreed to by PAR and Participating Location in writing, and, if these Terms are deemed an offer, acceptance is expressly limited to these Terms. Capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in Section 8(g) below.

2. Sales Order/Purchase Orders. Participating Location will purchase the Equipment, Installation Services, Advance Exchange Services and/or On-Site Remedial Maintenance Services from PAR by submitting PAR’s Sales Order (“Sales Order”) or a written purchase order (“Purchase Order”) to PAR. These Terms will apply to the Sales Order or any Purchase Order and supersedes any different or additional terms on Participating Location’s Purchase Order(s). Purchase Orders issued by Participating Location to PAR are solely for the purpose of identifying the Equipment, Installation Services, Advance Exchange Services and/or On-Site Remedial Maintenance Services to be purchased, requesting delivery dates and quantities, specifying the ship-to and bill-to addresses, and specifying the applicable price for the Equipment, Installation Services, Advance Exchange Services and/or On-Site Remedial Maintenance Services; all other terms on such Participating Location Purchase Order(s) shall have no force or effect. Sales Orders/Purchase Orders are subject to acceptance by PAR (which acceptance may be evidenced by PAR’s shipment of the Equipment or performance of the services). All Sales Orders/Purchase Orders are non-cancellable by Customer. Notwithstanding the foregoing, if PAR agrees to cancel any Sales Order/Purchase Order, PAR may condition such cancellation on Customer paying a 10% restocking fee for any Equipment or other items returned to PAR.

3. Purchase & Sale of Equipment.

(a) Sale of Equipment. PAR will sell Participating Location the Equipment described in the Sales Order/Purchase order (the “Equipment”).

(b) Equipment Purchase Price. The purchase price for the Equipment shall be the purchase price set forth in the Sales Order/Purchase Order (the “Purchase Price”).

(c) Shipping. PAR shall ship the Equipment to the location identified on the Sales Order/Purchase Order. PAR shall have the option of selecting the carrier, the route and method of shipment.

(d) Title and Risk of Loss. The Equipment is delivered D.D.P. Participating Location (Participating Location’s applicable address) per Incoterms 2010. Title to and risk of loss of the Equipment shall pass to Participating Location at delivery, and delivery shall mean at the time the Equipment is unloaded by carrier at applicable Participating Location’s ship-to address and signed for by an authorized representative of Participating Location. Delivery will be made with instruction for inside delivery only with signature required by an authorized representative of Participating Location; provided however, if a Participating

Location has limited hours of operation when an authorized representative may not be present to sign for the delivery, the Participating Location should inform PAR of such limited hours when placing its order with PAR. If there is no representative at the Participating Location to accept and sign for the delivery, then the carrier will take the Equipment back and attempt to make delivery two (2) more times to the Participating Location. After the third attempt, the Equipment will be returned to PAR by the carrier and the Participating Location will be required to pay to PAR any additional shipping charge or other charges, including any rescheduling fees, prior to any further attempt at delivery of the Equipment.

(e) **Taxes and Other Fees.** Participating Location shall be responsible for the payment of all taxes, withholding, duties and other governmental assessments upon or with respect to the sale, purchase, use, receipt or shipment of the Equipment (other than taxes based solely on PAR's net income), including, without limitation, sales or use tax or similar taxes, provided that PAR will not invoice Participating Location for taxes to the extent Participating Location has provided PAR with evidence that Participating Location is exempt from paying and/or PAR is exempt from collecting such tax.

(f) **Payment and Invoice.** All amounts for the Purchase Price of the Equipment; cost(s) (if any) of Installation Services, Advance Exchange Services, and On-Site Remedial Maintenance Services (only the first month of such equipment support services, as applicable) set forth in the Sales Order/Purchase Order, shipment (as contemplated by subsection (c) above) and taxes and other fees (as contemplated by subsection (e) above) shall be pre-paid by Participating Location via ACH. No earlier than the date of installation of the Equipment, PAR will issue its invoice indicating pre-payment of all amounts due under these Terms. Any abort, reschedule or cancellation fees will be invoiced separately or refunded to Participating Location as applicable. Ongoing monthly payments for Advance Exchange Services and/or On-Site Remedial Maintenance Services must be made by ACH. All sums not paid when due will accrue interest daily at the lesser of an annual rate of 18% (1.5% per month), or the highest rate permissible by law on the unpaid balance until paid in full.

4. Equipment and Equipment Installation Services.

(a) **Embedded Operating System.** If the Equipment contains an embedded operating system from Microsoft the terms and conditions of the end user license agreement ("[Microsoft EULA](https://support.partech.com/terminals.php)") is located at <https://support.partech.com/terminals.php> and is incorporated into and made a part of these Terms and shall be applicable to Participating Location, and Participating Location hereby accepts such Microsoft EULA and the terms thereof.

(b) **Installation Services.** PAR will provide the Installation Services set forth in the Sales Order/Purchase Order (the "[Installation Services](#)") as follows: the Equipment will be installed by PAR or by an installation subcontractor(s) certified by PAR at the location identified on the Sales Order/Purchase Order. Installation of the Equipment shall be deemed to be complete when PAR or its installation subcontractor notifies Participating Location that the Equipment has been properly installed and is ready for use. PAR will use commercially reasonable efforts to perform the Installation Services in accordance with the time schedule set forth in the Sales Order/Purchase Order.

(c) **Participating Location Responsibilities.** If the Sales Order/Purchase Order includes Installation Services, the Participating Location agrees that Participating Location is responsible for the preparation of the space in which the Equipment will be installed, including confirming the space satisfies PAR's specifications as to environment, power, HVAC, and other requirements as described in PAR's pre-installation guide (the "[Pre-Installation Checklist](#)"). Site preparation, in accordance with the Pre-Installation Checklist, must be completed prior to installation. If PAR or its certified installation subcontractor(s) arrives at the Participating Location at which the Equipment is to be installed and the Participating Location is not prepared for installation in accordance with the Pre-Installation Checklist, the Participating Location

will be charged an abort fee; or if PAR fails to arrive at the Participating Location or does not complete the installation due to the fault of PAR, then Participating Location will receive a credit as set forth on the Sales Order. Additionally, Participating Location shall be responsible for the payment of all fees for electrical work that must be performed by a licensed electrician, required by law in connection with the Installation Services, or any fees to comply with applicable government imposed environmental regulations including but not limited to elimination of certain chemical content and recycling fees.

5. Advance Exchange Services.

(a) Advance Exchange Services. PAR will provide the advance exchange services as to the Equipment (“AE Equipment”) identified and set forth in the Sales Order/Purchase Order (the “Advance Exchange Services”) as follows: PAR will provide 24/7 support, tracking and dispatch services and fully operational replacement Equipment for the AE Equipment, in accordance with this Section 5. The Advance Exchange Services include parts, labor, and materials to maintain, repair and replace the AE Equipment under normal use and service, and is provided for AE Equipment during the Advance Exchange Warranty Period (defined in Section 7(b)(i) below), except New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the Friday after Thanksgiving Day and Christmas Day.

(c) Shipment of Replacement Equipment. PAR will ship replacement Equipment to Participating Location’s ship-to address, freight prepaid, with next day delivery within the United States for requests received prior to 4:00 p.m. (Eastern Time), Monday through Friday and 12:00 p.m. (Eastern Time), Saturday. Replacement Equipment will be shipped by a premium air freight carrier when PAR determines such method of shipment is appropriate. Participating Location must acknowledge receipt of replacement Equipment by signing the freight carrier air bill or similar shipping/delivery documentation accompanying the replacement Equipment.

(d) Return of Defective AE Equipment. PAR will provide Participating Location with a pre-paid shipping label and packaging instructions for the return of the defective AE Equipment to PAR. Participating Location will return the defective AE Equipment to PAR using the corresponding replacement Equipment packaging (PAR will ship replacement Equipment in reusable packaging). Participating Location should be prepared to return ship the defective AE Equipment within two (2) business days of Participating Location’s receipt of the replacement Equipment; however, the defective AE Equipment must be returned to PAR no later than 14 days of Participating Location’s receipt of the replacement Equipment. If Participating Location fails to return the defective AE Equipment within such 14-day period, PAR will notify Participating Location that it has not received the return of the defective AE Equipment, and if Participating Location does not return such defective AE Equipment within 14 days after such notification, Participating Location will be required to purchase the replacement Equipment and pay a 10% restocking fee; and, if Participating Location fails to pay the invoice for such replacement Equipment, then the Equipment Warranty on the replacement Equipment will be ineffective until Participating Location’s account is current. PAR reserves the right to charge Participating Location PAR’s then-current time-and-materials rates for Advance Exchange Services provided to Participating Location when PAR determines that the root cause of the defective AE Equipment was as a result of events or circumstances described in Section 7(b)(ii) below. If PAR determines that more than 50% of the AE Equipment returned by Participating Location in any consecutive six (6) month period was not defective, Participating Location will be invoiced diagnostic and handling fees for each subsequent defective AE Equipment returned where no defect is found.

6. On-Site Remedial Maintenance Services (If Applicable)

Maintenance will consist of the repair or replacement of parts deemed necessary by PAR to return RMS Equipment to good operating condition. PAR reserves the right to refuse to perform RMS Services when, in PAR’s judgment, conditions at the Participating Location present a hazard to the safety or health of PAR’s employees. Maintenance materials, tools, documentation, replaced parts, diagnostic and test equipment provided by PAR shall remain PAR’s property.
- iii. **Call Priorities and Response/Restoration Times.**

7. General Terms.

(a) New or Equivalent. The Equipment, replacement Equipment provided through Advance Exchange Services, and any parts PAR furnishes may not be newly manufactured and may contain used components; the foregoing does not impact the Equipment Warranty. Equipment that has been replaced (or parts thereof) shall be PAR property.

(b) Limited Warranty: Limitation of Liability. (i) PAR warrants to Participating Location that (A) (1) for a period of five (5) years from date of Activation of the SSS in such location (the "Advance Exchange Warranty Period") and (2) for a period of one (1) year from date of Activation of the SSS in such location for Equipment that is not AE Equipment (the "Depot Warranty Period", and collectively with the Advance Exchange Warranty Period, the "Equipment Warranty Period") the Equipment will be free of defects in materials and workmanship normal use and service (the "Equipment Warranty"), and (B) for a period of 30 days from the completion of installation (the "Installation Warranty Period"), the installation was performed in accordance with PAR's then current installation procedures and will be free from defect in workmanship normal use and service (the "Installation Warranty"). EXCEPT AS EXPRESSLY SET FORTH IN THE IMMEDIATELY PRECEDING SENTENCE, PAR DISCLAIMS ANY AND ALL WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NONINFRINGEMENT OF

THIRD PARTY INTELLECTUAL PROPERTY RIGHTS. IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY CONSEQUENTIAL OR INDIRECT DAMAGES WHATSOEVER INCLUDING WITHOUT LIMITATION DAMAGES FOR LOSS OF BUSINESS, LOST PROFITS, DAMAGE TO GOODWILL OR REPUTATION, BUSINESS INTERRUPTION, OTHER INDIRECT PECUNIARY LOSS OR OTHER INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES, WHETHER ARISING OUT OF BREACH OF CONTRACT, WARRANTY, TORT (INCLUDING WITHOUT LIMITATION NEGLIGENCE, FAILURE TO WARN OR STRICT LIABILITY), CONTRIBUTION, INDEMNITY, SUBROGATION OR OTHERWISE, EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE LIKELIHOOD OF SUCH DAMAGES.

(ii) Without limiting the foregoing, (A) the Equipment Warranty shall be rendered null and void or the Equipment will not be covered under AE Service or RMS Service and Participating Location will be subject to all labor, material and expenses, if: (1) the Equipment (including AE Equipment or RMS Equipment) is placed in an operating environment, which differs from the operating environment in which the Installation Services were performed and is not in compliance with the requirements specified by PAR or the original equipment manufacturer (unless such Installation Services were performed at a Participating Location that was not in compliance with the Pre-Installation Checklist and such services were authorized by PAR); (2) the Equipment (including the AE Equipment or RMS Equipment) or any component part is installed or repaired by a third party not certified or authorized by PAR and such installation or repair directly causes the Equipment failure; provided however, this will not apply to installations of AE Equipment by Participating Location or installations or repairs performed by a Participating Location or an authorized third party that is certified by PAR; (3) the Equipment (including the AE Equipment or RMS Equipment) was not used under normal operating conditions or in accordance with any labels, instructions or specifications of PAR or the original equipment manufacturer; or (4) use of any equipment in connection with the Equipment without PAR's consent that directly causes an Equipment failure; (5) any software loaded onto the Equipment without PAR's consent that directly causes an Equipment failure; (6) changes made by the Participating Location to the Equipment or the Equipment's software without PAR's consent that directly causes an Equipment failure; and (7) the Equipment (including the AE Equipment) is subject to dropping, striking (including harsh blows from either persons or objects), misuse, neglect, negligence, accident or vandalism, or deliberate act that directly cause an Equipment failure, including but not limited to: (w) issues as a result of Participating Location's store environment (e.g. foreign objects or substances on or leaking into the Equipment, steam) which can be resolved by relocating the Equipment without materially disrupting Participating Location's operations or environment; (x) improper handling or storage of the Equipment (including the AE Equipment) after acceptance of delivery and prior to installation; or (y) casualty, which shall include but not be limited to, fire, water, wind, flood, lightning, civil disturbance, war, terrorism or other catastrophes or similar causes; (B) PAR shall not be liable for any damage resulting from the failure of the Equipment (including AE Equipment) to comply with local laws or regulations; and (C) Participating Location will be responsible for the cost of a return visit for RMS Service if prompt and safe access to the RMS Equipment is not allowed or is materially hampered by the Participating Location upon the field service technician's arrival at the Participating Location.

(c) EACH PARTY'S MAXIMUM ANNUAL LIABILITY TO THE OTHER PARTY.

NEITHER PARTY'S AGGREGATE ANNUAL CALENDAR YEAR (JANUARY 1 TO DECEMBER 31) LIABILITY TO THE OTHER PARTY IN CONNECTION WITH THIS PARTICIPATION AGREEMENT INCLUSIVE OF ALL SCHEDULES HERETO (INCLUDING ALL DIRECT, CONSEQUENTIAL OR INDIRECT DAMAGES WHATSOEVER) WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, WARRANTY, TORT (INCLUDING WITHOUT LIMITATION NEGLIGENCE, FAILURE TO WARN OR STRICT LIABILITY) OR OTHERWISE, SHALL EXCEED \$50,000. THE LIMITATIONS IN SECTION (b) ABOVE AND THIS SECTION (c) DO NOT APPLY TO EITHER PARTY'S LIABILITY FOR ITS (OR ITS RESPECTIVE AGENTS AND/OR SUBCONTRACTORS) GROSS NEGLIGENCE OR WILFULL MISCONDUCT, WILFUL FAILURE TO COMPLY WITH LAW, FRAUD, INTELLECTUAL PROPERTY INFRINGEMENT, BODILY INJURY

(INCLUDING DEATH) OR DAMAGE TO OR LOSS OF ANY TANGIBLE PROPERTY.

(d) Exclusive Remedy. Participating Location's exclusive remedies and PAR's sole liability with respect to the Equipment, including, without limitation, for breach of the limited warranty set forth in subsection (b) above, is expressly limited to repair or replacement of the Equipment. These exclusive remedies shall not be deemed to have failed in their essential purpose so long as PAR is willing to repair or replace the defective Equipment. These exclusive remedies are not limited to defects in hardware, software and/or services, but "defects" includes defects/mistakes in firmware, preset data programmed by PAR, and defects in documentation. PARTICIPATING LOCATION ACKNOWLEDGES AND AGREES THAT THE REMEDIES HEREUNDER ARE PARTICIPATING LOCATION'S SOLE AND EXCLUSIVE REMEDIES WITH RESPECT TO ANY CLAIM BY PARTICIPATING LOCATION IN CONNECTION WITH OR RELATING TO THE EQUIPMENT PROVIDED HEREUNDER. THE LIMITATIONS IN THIS SECTION DO NOT APPLY TO PAR'S LIABILITY FOR ITS (OR ITS RESPECTIVE AGENTS AND/OR SUBCONTRACTORS) GROSS NEGLIGENCE OR WILLFUL MISCONDUCT, VIOLATION OF LAW, FRAUD, INTELLECTUAL PROPERTY INFRINGEMENT, BODILY INJURY (INCLUDING DEATH) OR DAMAGE TO OR LOSS OF ANY TANGIBLE PROPERTY.

(e) Warranty Claims. To make a claim for a breach of Warranty (a "Warranty Claim"), Participating Location must notify PAR of a defect or breach during the applicable Warranty Period by calling 1-800-458-6898. No return of the Equipment (including AE Equipment) will be accepted without a Return Material Authorization ("RMA") number provided by PAR's Sales Administration Department (at 800-448-6505). If the defect or breach is not discovered and the Warranty Claim made within the applicable Warranty Period, the Warranty Claim shall be waived. The required notice of defect or breach must specify the facts constituting the defect or breach and the existence of the defect or breach must be verified by PAR. Participating Location agrees to return any allegedly defective Equipment to PAR, and PAR will, at its option and expense (including shipment via ground transportation), either replace the defective Equipment or repair the defective Equipment at PAR's facility (depot repair). Participating Location agrees to be responsible for the proper packing of any Equipment returned to PAR for repairs and to assume the entire risk of loss or damages during return of any allegedly defective or defective Equipment to PAR directly caused by the improper packing of any Equipment returned to PAR. Any replacement Equipment supplied by PAR in connection with the Equipment Warranty is subject to the same warranty for the remaining original Equipment Warranty Period.

(f) Force Majeure. PAR and Participating Location shall not be liable for, and shall not be deemed to have breached these Terms in the event of, any failure or delay in performance when such failure or delay is caused by conditions beyond PAR or Participating Location's reasonable control, including without limitation war, strike, labor dispute, fire, flood, earthquake, tornado, hurricane, government action or intervention, embargo or blockade, explosion, terrorist threats or acts, civil unrest, shortage of raw materials, breakdown, shortage or non-availability of transportation facilities or equipment or any other national or regional emergency or act of God. If PAR declares a force majeure event hereunder, the Sales Order/Purchase Order shall continue in effect for a period of 60 days from such declaration. After the expiration of such 60-day period, PAR may cancel any unperformed portion of the Sales Order/Purchase Order upon written notice to Participating Location without liability to Participating Location.

(g) Default and Indemnification. If PAR is unable to modify or replace the Equipment or Services or procure a license, despite its commercially reasonable efforts, then PAR shall refund any applicable price or fees paid by Participating Location in the case of Equipment less a depreciated amount of the price or fees paid by Participating Location for said Equipment based on a five (5) year straight line depreciation or in the case of Services, refund any pro-rata amount of any pre-paid fees made by Participating Location for such Services.  - ii. allows PAR to control, and cooperates with PAR in, the defense and any related settlement.

If such a claim is made, PAR could continue to enable Participating Location to use the Licensed Software or SSS or to modify it. If PAR determines that these alternatives are not reasonably available, PAR may terminate the SSS (without any liability to Participating Location except with respect to PAR’s indemnification obligations herein) upon prior notice to Participating Location and with the return of any prepaid and unused SSS Service Fees. Notwithstanding the foregoing, PAR will not have any indemnification obligations hereunder to the extent such infringement is caused by: the modification of the SSS by Participating Location or a third party at Participating Location’s request; the use of the SSS in conjunction with equipment or software not provided or approved by PAR; or use of the SSS inconsistent with its intended purpose or which is not in conformance with PAR’s reasonable instructions. Notwithstanding the foregoing, PAR is not liable to defend, indemnify or hold harmless

Participating Location for any Losses directly arising from: (y) the negligent or willful misconduct of the Participating Location; or (z) any violation of Law by Participating Location or its sub-contractors and their respective officers, directors, employees, agents, suppliers, successors and assigns or any of their respective employees, officers, directors, agents or representatives.

- c. **Entire Agreement and Changes.** These SSS Terms and the order constitute the entire agreement between the parties, and supersede all prior or contemporaneous negotiations, agreements and representations, whether oral or written, related to this subject matter. The sole terms and conditions governing the purchase of the SSS from PAR are contained in these SSS Terms and any terms or conditions contained on the face or back of any Participating Location purchase order or other document shall be without effect. No modification or waiver of any term of these SSS Terms is effective unless both parties sign it.
- d. **No Assignment.** Neither Participating Location or PAR may assign or transfer these SSS Terms or an order to a third party, without prior written consent of the other party, which shall not be unreasonably withheld; provided, however, these SSS Terms with all orders may be assigned as part of a merger, or sale of all or substantially all of the business or assets, of a party.

Participating Location's use of the Licensed Software or SSS to process mobile/on-line ordering for food/beverage orders, payment processing, restaurant reservations and the processing of such transactions on a wireless handheld computing device and on internet web pages is covered by PAR's license agreement with Ameranth, as long as Participating Location is using the Licensed Software or SSS to process these transactions, and Participating Location is paying PAR a transaction processing fee. If Participating Location is using its own proprietary software or third-party software integrated to the Licensed Software or SSS to process these transactions, Participating Location's use is not covered by PAR's license agreement with Ameranth, and Participating Location would need a separate license agreement (or other authorization) from Ameranth to Participating Location or a third party that Participating Location licenses from to process such transactions. If Participating Location has questions about the application of the Ameranth patents to Participating Location's own proprietary software or any third-party software, Participating Location should obtain legal advice before Participating Location develops any integration.

The exchange rate for Participating Locations in Canada who elect to pay in CAD will be set for the spot rate of USD/CAD by the Wall Street Journal as reported by <http://www.wsj.com/public/page/news-currency-currencies-trading.html> on the Effective Date of the Master Hardware and Software Agreement between ParTech, Inc. and American Dairy Queen Corporation. The exchange rate will be maintained by PAR for a period of one (1) year from February 1, 2019 and then revised annually thereafter. On January 1 (or the next business day) of each year thereafter, the new exchange rate shall be determined based on an

average of the spot rate over the prior calendar year (January 1 – December 31) of USD/CAD by the Wall Street Journal as reported by on <http://www.wsj.com/public/page/news-currency-currencies-trading.html> and communicated to Participating Location in writing via email within five (5) days of such determination. The new exchange rate will be calculated on an annual basis for the remainder of the Term of your Participation Agreement. The annually calculated new exchange rate will take effect February 1 of the then current calendar year, and will apply to purchases of Equipment, Installation Services, existing and new purchases of Subscription Software Services, existing and new purchases of PARPay Services, existing and new purchases of Advance Exchange Services, and existing and new purchases of On-Site Remedial Maintenance Services.

The Equipment sold under this Sales Order has a limited useful life. As Subscription Software Services advance, improve, and change, Equipment sold under this Sales Order may no longer be able to meet the minimum operating requirements required to run the Subscription Software Services. In the future it will be necessary to purchase new Equipment as the PAR Solution evolves. The exact timing as to when the Equipment sold under this Sales Order will no longer effectively operate the Subscription Software Services and will therefore need to be replaced has not yet been determined. The average life cycle of today's typical Equipment configurations sold by PAR is 5-7 years.

See below for additional fees that may be incurred by Participating Location in connection with the Installation Services with regards to permits, installation delays, rescheduling, aborts, revisits, or out of scope activities and may be separately invoiced by PAR to Participating Location.

Hardware Maintenance Services. Participating Location may elect from two (2) different Equipment coverage options (Tier A or Tier B) based on the type of Equipment that the Participating Location wants to cover under the hardware maintenance services. The options are:

Tier A: As defined in Schedule D-1 of the Participation Agreement

Tier B: As defined in Schedule D-1 of the Participation Agreement

Once Participating Location elects either Tier A or Tier B, then the Participating Location must choose either Advance Exchange Services or On-Site Remedial Maintenance Services for such Equipment.

Participating Location may later elect to switch from Tier A to Tier B, or Tier B to Tier A. Participating Location may also later elect to switch from Advance Exchange Services to On-Site Remedial Maintenance Services, or from On-Site Remedial Maintenance Services to Advance Exchange Services. If Participating Location wants to make any such change, they must notify PAR via email at contractadmin@partech.com or via telephone at 1-800-448-6505, extension 6274. If a Participating Location elects to switch from Tier A to Tier B, then the Equipment not covered under Tier A must be certified by PAR to be in proper operating condition prior to becoming eligible for Tier B. Such certification and any resulting repairs or adjustments to bring the Equipment not covered under Tier A into proper operating condition shall be at a rate of \$300 plus the agreed upon time and material rates for any necessary repairs. If the Equipment not covered under Tier A needs repair, at Participating Location's option, Participating Location may either have the Equipment repaired or purchase new Equipment. Once the Equipment is accepted by PAR and becomes eligible for hardware maintenance services, the Equipment will be covered under Tier B Advance Exchange and/or On-Site Remedial Maintenance Services as selected by the Participating Location. Additionally, if a Participating Location's hardware maintenance services have lapsed for more than three (3) months, then Participating Location's Equipment must be certified by PAR as set forth herein before becoming eligible for hardware maintenance services. If Participating Location elects to change hardware maintenance service Tiers and/or switch from Advance Exchange Services to On-Site Remedial Maintenance Services such election will become effective on the first day of the calendar month after 60 days from its notification to PAR of such election (so long as in the case of switching from Tier A to Tier B, all Equipment which was not previously covered by hardware maintenance services has been certified as eligible for hardware maintenance services by PAR).

These Authorized Operator Terms & Conditions (“AO T&Cs”) govern the use of the Services by the authorized *DQ*® franchisee that is accessing or using the Services (“Authorized Operator”).

On 09/28/2023, Olo, Inc. (“Olo”) and American Dairy Queen Corporation (“Customer”) entered into a Master Services Agreement (as amended, supplemented or otherwise modified from time to time, the “Master Services Agreement”). Olo and Customer have also entered into one or more Order Forms (as amended, supplemented or otherwise modified from time to time, each an “Order Form” and, collectively with the Master Services Agreement, the “Agreement”) in connection with Olo’s provision of Services (as defined in the Agreement) to Customer and its Authorized Operators.

Authorized Operator desires to use the Services in accordance with the terms of the Agreement and intends to adopt certain terms of the Agreement, including certain liability provisions, for Olo to bill Authorized Operator directly with respect to fees and charges incurred in connection with Authorized Operator’s use of the Services. Authorized Operator’s access to and use of the Service is conditioned on its acceptance of and compliance with these AO T&Cs. By accessing or using the Service, Authorized Operator agrees to be bound by these AO T&Cs.

1. Adoption and Amendments. Authorized Operator hereby adopts and approves the terms of the Agreement, subject to the amendments specified in this Section 1 below (such amended Agreement, the “Adopted Agreement”), and agrees to be bound by the terms of the Adopted Agreement:

 - d. The Adopted Agreement shall exclude any terms in the Agreement relating to rights or obligations applicable to Customer Data, press releases, Customer Trademarks, obligations with respect to franchisees, or service credits.  - e. The Adopted Agreement shall only include any fees or charges under the Agreement that are (i) charged on a per location or per transaction/order/unit basis, and (ii) applicable to the use of the Services by the Authorized Operator or by locations operated by the Authorized Operator (including any fees or charges associated with transactions/orders/units conducted with locations owned or operated by the Authorized Operator). All other fees or charges set forth in the Agreement shall be deemed deleted in the Adopted Agreement.
 - f. Subject to clause (d) of this Section 1, the Adopted Agreement shall automatically incorporate any change, supplement, amendment, amendment and restatement, or other modifications made to the Agreement by Olo and Customer and the Adopted Agreement shall be deemed to have been changed or modified accordingly; provided, that Customer will be solely responsible for notifying Authorized Operator of any modifications to the Agreement (including, for clarity, pricing updates and changes

with respect to Services that are mutually agreed in writing by Customer and Olo). Authorized Operator hereby ratifies such changes or modifications.

- a.** Authorized Operator represents and warrants that:
 - i.** Authorized Operator is a franchisee or licensee of Customer and Customer has authorized the Authorized Operator to use the Services;
 - ii.** Authorized Operator has received a copy of the Agreement from Olo or Customer and is familiar with the terms and conditions therein;
 - iii.** Authorized Operator (i) has the legal power and authority to enter into this Agreement; (ii) it will not violate, or use the Services in violation of any applicable Laws, including any applicable privacy laws, or any third party right; and (c) it will use the Services in compliance with its agreements with third parties; and
 - iv.** these AO T&Cs are a legal, valid and binding obligation on Authorized Operator, Customer and Olo and are enforceable against Authorized Operator, Customer and Olo in accordance with its terms.
- b.** Authorized Operator will promptly provide Olo with information Olo reasonably requires in connection with onboarding and deployment of the Services. In connection with its use of the Services under the Adopted Agreement, Authorized Operator agrees to facilitate the timely implementation and deployment of the Services in good faith, including complying with the following implementation requirements:
 - i.** Update bank account name, routing number and account number through Olo Dashboard Portal for Electronic Funds Transfer (EFT) billing; and

- c.** Authorized Operator is responsible for providing complete and accurate billing and contact information to Olo, and notifying Olo promptly of any changes to such information.

 - i.** the termination of the Agreement,
 - ii.** the termination of the franchise agreement between Customer and Authorized Operator,
 - iii.** Authorized Operator no longer owning or operating the franchised location, in which case these AO T&Cs shall terminate as to such franchised location only,
 - iv.** Olo providing written notice of termination to Authorized Operator following three (3) months of non-payment; or

- v. Authorized Operator providing thirty (30) days' prior written notice of termination to Olo.

- 2.3 **Distribution; Card Authorization Equipment.** Operated Locations, Participating Franchisee or Sub-Franchisee will actively promote the Program. Operated Locations, Participating Franchisee or Sub-Franchisee will request an Authorization in advance of each transaction. Operated Locations, Participating Franchisee or Sub-Franchisee will provide and maintain (i) all POS devices, telecommunications facilities and other equipment (collectively, "**Card Authorization Equipment**") required for Operated Locations, Participating Franchisee or Sub-Franchisee to electronically transmit Card transaction data from Designated Locations to GIFT; and (ii) any development, programming or other modifications to the Card Authorization Equipment as necessary to access and use Services and Service modifications. A "**POS**" is a

EXECUTION

point of sale terminal, device or system certified to GIFT specifications. The parties will test the Card Authorization Equipment for functionality prior to Program launch.

- 2.4 **Designated Locations.** Operated Locations, Participating Franchisee or Sub-Franchisee shall participate in the Program in each of its Designated Locations. Information regarding Operated Locations, Participating Franchisee or Sub-Franchisee's Designated Locations is set forth in the Schedule of Designated Locations, attached hereto as **Exhibit B**. During the Term, Operated Locations, Participating Franchisee or Sub-Franchisee shall notify GIFT of any changes necessary to keep **Exhibit B** updated, including, without limitation, any restaurant transfers or closures, and this Participation Agreement shall no longer apply with respect to such Designated Locations and, to the extent that Operated Locations, Participating Franchisee or Sub-Franchisee acquires an additional Designated Location, this Participation Agreement shall apply with respect to such new Designated Location. Each time Card Transactions are authorized at a Designated Location of Operated Locations, Participating Franchisee or Sub-Franchisee, Operated Locations, Participating Franchisee or Sub-Franchisee represents and warrants that **Exhibit B** is a complete list of its Designated Locations, and that the information contained therein is true and correct.
- 2.5 **Program Procedures.** The processes and procedures by which Operated Locations, Participating Franchisee or Sub-Franchisee sells Cards and enables use of Cards at Designated Locations are also part of the Program, and Operated Locations, Participating Franchisee or Sub-Franchisee shall be solely responsible that such processes and procedures comply with the Program Procedures, as defined below. Client is solely responsible for defining and implementing those processes and procedures, including those relating to the sale of Cards, service fees (if any), Card redemption, merchandise returns or refunds and Cardholder dispute resolution (collectively, "**Program Procedures**"). Operated Locations, Participating Franchisee or Sub-Franchisee understands that GIFT has no obligation to process any transaction for any card other than Cards supported under the Program.
- 2.6 **Cardholder Fees.** Fees assessed to Cardholders in connection with Cards, including any transaction, maintenance or inactivity fees, shall be as established by Client. Operated Locations, Participating Franchisee or Sub-Franchisee shall not assess any fee or surcharge for purchase, use, activation or any other transaction in respect of a Card unless otherwise defined in the Program Procedures.
- 2.7 **Terminals.** Each Operated Location's, Participating Franchisee's and Sub-Franchisee's Designated Locations must use a terminal certified to GIFT's specifications (the "**Terminal**") for Card Transactions. In the event an Operated Locations, Participating Franchisee or Sub-Franchisee does not currently own, rent or lease the Terminals, it will need to acquire Terminals in accordance with the pricing indicated on **Addendum #1**, attached hereto. Should an Operated Location's, Participating Franchisee's or Sub-Franchisee's Designated Location currently operate one or more point of sale terminals that support Card Transactions and are certified to GIFT's specifications and Client's Program Procedures, such Designated Location may use such certified terminals for Card Transactions.

3 Fees and Charges.

- 3.1 **Fees.** Participating Franchisee or Sub-Franchisee shall pay, in accordance with **Exhibit C**, the Program fees set forth on **Exhibit C** to this Participation Agreement ("**Program Fees**"). Participating Franchisee or Sub-Franchisee agrees that all Program Fees shall be paid by an ACH debit from the Participating Franchisee or Sub-Franchisee Account as set forth in the form of **Exhibit A**, and Participating Franchisee or Sub-Franchisee authorizes Client and its service providers, including GIFT, to debit and/or credit funds from or to the Participating Franchisee or Sub-Franchisee Account for such purpose, on or about the 15th calendar day of each month, for so long as this Participation Agreement is in effect.
- 3.2 **Fee Adjustments.** Program Fees are subject to adjustment if necessary to pass through any increases or decreases in costs associated with the Program. Any such adjustment resulting in an increase in cost associated with Program Fees shall become effective upon thirty (30) days notice to Participating Franchisee or Sub-Franchisee.

- 4 **Term.** The "**Term**" begins when the Participation Agreement is signed by the parties and continues for so long as the Agreement is in effect, provided, however, that to the extent GIFT is required to provide commercially reasonable

EXECUTION

support services following a termination of the Agreement, the provisions of this Participation Agreement shall remain in effect, but only to the extent necessary for GIFT to perform such services and for Operated Locations, Participating Franchisee or Sub-Franchisee to fulfill its obligations in connection with such services. Notwithstanding anything herein to the contrary, Participating Franchisee or Sub-Franchisee has the right to terminate this Participation Agreement, without cause and without any penalty fee, upon no less than sixty (60) days' prior written notice to GIFT, with a copy of such notice to Client.

5 Termination for Cause.

- 5.1 Either party has the right to terminate this Participation Agreement immediately in the event that the other party is guilty of a material breach of this Participation Agreement, and such breach remains uncured thirty (30) days following receipt of notice thereof. GIFT will provide a copy of such notice of termination to Client.
- 5.2 GIFT may terminate this Participation Agreement upon notice to Operated Locations, Participating Franchisee or Sub-Franchisee: (i) if Operated Locations, Participating Franchisee or Sub-Franchisee or the Program causes GIFT to violate any law or regulation and Operated Locations, Participating Franchisee or Sub-Franchisee or Client fails to cure the condition causing such violation within ten (10) business days after notice; (ii) if Operated Locations, Participating Franchisee or Sub-Franchisee fails to pay any amount due within ten (10) days after receipt of notice; (iii) if GIFT determines, in its sole discretion, that a material adverse change has occurred in the financial condition of Operated Locations, Participating Franchisee or Sub-Franchisee; (iv) in whole or in part, in one or more jurisdictions, if the ACH Settlement Services cause GIFT or its Affiliated Processor to violate any law or regulation and Operated Locations, Participating Franchisee or Sub-Franchisee or Client fails to cure the condition causing such violation within ten (10) business days after notice; (v) if GIFT is informed that Operated Locations, Participating Franchisee or Sub-Franchisee no longer operates as a franchisee of Client; or (vi) if Client instructs GIFT in writing to immediately terminate the Participation Agreement. GIFT will provide a copy of such notice of termination to Client. GIFT's obligation to provide the Services will be suspended during the cure periods referenced in clauses (i) and (iv).
- 5.3 Either party may also terminate this Participation Agreement immediately in the event that the other party shall go into liquidation, suffer the appointment of a receivership of its assets, go into bankruptcy, voluntarily or involuntarily, or otherwise take advantage of any insolvency laws, or upon any voluntary or involuntary sale, transfer, or other disposition of substantially all of the assets of the other party. GIFT will provide a copy of such notice of termination to Client.

6 Termination of Agreement. Termination or expiration of the Agreement results in immediate termination of this Participation Agreement with no notice required.

7 Termination of Franchise Agreement(s). Termination or expiration of Operated Location's, Participating Franchisee's or Sub-Franchisee's franchise agreement(s) with Client ("**Franchise Agreement**") results in immediate termination of this Participation Agreement with respect to the Designated Locations covered by the terminated or expired Franchise Agreement, with no notice required.

8 Exclusivity. During the Agreement term: (i) GIFT will be the sole and exclusive provider of the Services to Operated Locations, Participating Franchisee or Sub-Franchisee; and (ii) Operated Locations, Participating Franchisee or Sub-Franchisee will not, directly or indirectly, offer or promote any other proprietary, closed network, online gift card program. Nothing in the foregoing shall restrict or prohibit Operated Locations, Participating Franchisee or Sub-Franchisee from accepting any Visa, MasterCard, American Express, Discover or other universally accepted credit or debit card or from participating in any "open network" gift card program with other merchants. For purposes of clarification, a "closed network" program refers to a program in which a gift card is accepted only by the issuing merchant, and an "open network" program refers to a program in which a single gift card is accepted by more than one unaffiliated merchants. During the Term of this Agreement, Operated Locations, Participating Franchisee or Sub Franchisee shall have the right to accept a mail issued gift card.

9 Confidentiality. "Confidential Information" includes this Participation Agreement and any information obtained by one party ("**Recipient**") regarding the other party ("**Discloser**") or their respective businesses, including all

confidential or proprietary concepts, Software, documentation, reports, data, specifications, Card Data, computer software, source code, object code, flow charts, databases, inventions, know-how, show-how and trade secrets, whether or not patentable or copyrightable. Confidential Information will not include information that: (i) is or becomes in the public domain through no fault of Recipient; (ii) was received from a third party free of any obligation of confidence to Recipient's knowledge; (iii) was in Recipient's possession prior to receipt from Discloser;

(iv) is required to be disclosed by law, regulation or court order after giving Discloser as much advance notice as practical; or (v) is independently developed by Recipient's employees, consultants or agents without use of or reference to the Discloser's Confidential Information. Participation Agreement will be used by Recipient only to exercise its rights and to perform its obligations under this Participation Agreement. Recipient will use reasonable care to safeguard Confidential Information. Recipient will return or destroy Confidential Information within a reasonable period after request, except that GIFT may retain Card Data, subject to this **Section 9**, to comply with any legal or regulatory requirements or any potential audit requests or requirements. Breach of the restrictions on use or disclosure of Confidential Information will result in immediate and irreparable harm to Discloser and money damages will be inadequate to compensate for that harm. Discloser will be entitled to equitable relief in addition to all other available remedies to redress any breach. Except as expressly provided herein, no license is granted to Recipient under any Discloser patent, trademark, copyright, trade secret or other proprietary right.

10 Indemnification.

- 10.1 **General.** Subject to the limitations set forth in **Sections 11**, each party will indemnify the other, its Affiliates, and their respective directors, officers, employees, and agents from and against any and all third party claims, losses, liabilities and damages (including reasonable attorneys' fees and costs of settlement) resulting from or arising out of its failure to comply with this Participation Agreement. Operated Locations, Participating Franchisee or Sub-Franchisee further agrees to indemnify GIFT, its directors, officers, employees, and agents from and against any and all third party claims, losses, liabilities and damages (including reasonable attorneys' fees and costs of settlement) resulting from or arising out of GIFT's compliance with Operated Locations, Participating Franchisee or Sub-Franchisee's instructions, orders or specifications. "**Affiliate**" means, with respect to either party, any entity controlling, controlled by or under common control with such party.
- 10.2 **Intellectual Property.** GIFT agrees to indemnify Operated Locations, Participating Franchisee or Sub-Franchisee, its directors, officers, employees and agents from and against all third party claims, losses, liabilities and damages (including reasonable attorneys' fees and costs of settlement) resulting from or arising out of any allegation that GIFT's Software misappropriate or infringe such third party's U.S. copyright, trademark, patent or other intellectual property right, except to the extent that such allegation arises from (i) Operated Locations, Participating Franchisee or Sub-Franchisee's use of Software other than in compliance with this Agreement and any documentation supplied by GIFT, (ii) Operated Locations, Participating Franchisee or Sub-Franchisee's use of Software in combination with other software, equipment, systems, services, processes, components or elements not provided by GIFT, if the infringement or misappropriation would not have occurred but for such use or combination, or (iii) modifications or development requested by Client or Operated Locations, Participating Franchisee or Sub-Franchisee, using designs, instructions or specifications provided or approved by Client or Operated Locations, Participating Franchisee or Sub-Franchisee. Operated Locations, Participating Franchisee or Sub-Franchisee agrees to indemnify GIFT, its directors, officers, employees and agents from and against all third party claims, losses, liabilities and damages (including reasonable attorneys' fees and costs of settlement) resulting from or arising out of any allegation that materials supplied by Client or Operated Locations, Participating Franchisee or Sub-Franchisee (including trademarks, artwork, designs and specifications) misappropriate or infringe such third party's U.S. copyright, trademark, patent or other intellectual property right, except to the extent that such allegation arises from GIFT's use of such materials other than in compliance with (a) this Agreement or (b) any relevant instructions supplied by Client or Operated Locations, Participating Franchisee or Sub-Franchisee.

11 Limitation of Liability; Disclaimer of Warranties.

- 11.1 **Limitation.** Except for **Section 10.2**. Above, GIFT'S, and its suppliers' and processor's, cumulative aggregate liability to Client and Operated Locations, Participating Franchisee and Sub-Franchisees and all other operated locations, participating franchisee and sub-franchisees under the Agreement this Participation Agreement and all participation agreements will be limited to actual direct damages and, in any event, will not: (i) exceed \$3,000,000; or (ii) include any liability for claims arising out of or relating to the cards issued to Participating Franchisees from Client. For example, if Client and two additional Operated Locations, Participating Franchisee and Sub-Franchisees participate in the Program, GIFT'S cumulative aggregate liability to Client and such Operated Locations, Participating Franchisee and Sub-Franchisees for actual direct damages will not exceed \$3,000,000 and will not include any liability for claims arising out of or relating to services and/or items supplied by Client or third parties.
- 11.2 **Exclusion.** In no event will any party to this Participation Agreement, their affiliates, or any of their respective officers, directors, employees, or agents be liable for lost profits, lost business opportunities, lost revenues, exemplary, punitive, special, incidental, indirect or consequential damages or the like, each of which is excluded by agreement of the parties regardless of whether such damages were foreseeable or whether a party has been advised of the possibility thereof.
- 11.3 **Disclaimer.** This is a service agreement. Except as expressly provided in this Participation Agreement, GIFT disclaims all representations and warranties, express or implied, including any warranties of quality, suitability, merchantability, fitness for a particular purpose or noninfringement.
- 11.4 **Time Limitation.** Operated Locations, Participating Franchisee or Sub-Franchisee may not assert any cause of action against GIFT under this Participation Agreement that was or reasonably should have been discovered by Operated Locations, Participating Franchisee or Sub-Franchisee more than one year prior to the filing of a suit or the commencement of arbitration proceedings alleging such cause of action.
- 11.5 **Compliance with Law.** Operated Locations, Participating Franchisee or Sub-Franchisee will comply with all laws and regulations applicable to its business.

12 Pre-condition to Liability. Prior to bringing any claim against GIFT under this Participation Agreement, Participating Franchisee or Sub-Franchisee shall provide Client with written notice detailing the claim ("**Notice of Claim**"), and Client shall have the right to pursue such claim on Operated Location's, Participating Franchisee's or Sub-Franchisee's behalf by providing Operated Location, Participating Franchisee or Sub-Franchisee with written notice of the same within ten (10) business days after receiving the Notice of Claim. If Client elects to pursue such claim on Operated Location's, Participating Franchisee's or Sub-Franchisee's behalf, Operated Location, Participating Franchisee or Sub-Franchisee may participate in the claim with Client at Operated Location's, Participating Franchisee's or Sub-Franchisee's election. Any resolution of a claim brought by Client on Operated Location's, Participating Franchisee's or Sub-Franchisee's behalf shall be binding on Operated Location, Participating Franchisee or Sub-Franchisee. If Client elects not to pursue such claim on Operated Location's, Participating Franchisee's or Sub-Franchisee's behalf, Operated Location, Participating Franchisee or Sub-Franchisee may pursue such claim on its own behalf.

13 Miscellaneous.

- 13.1 **Notices.** Notices will be effective upon receipt if they are received in writing, by registered or certified mail, postage prepaid, return receipt requested or by overnight delivery to the President of the other party at its address on the signature page.
- 13.2 **Independent Contractor; Third Party Beneficiaries.** The parties are independent contractors. Neither party shall have any authority to bind the other. This Participation Agreement is entered into solely for the benefit of GIFT and Operated Locations, Participating Franchisee or Sub-Franchisee, and will not confer any rights upon any person not expressly a party to this Participation Agreement, including Cardholders. GIFT may subcontract with others to provide Services provided that no such use of subcontractors will relieve GIFT of its obligations under this Agreement.
- 13.3 **Complete Agreement.** This Participation Agreement is the complete and exclusive understanding of the

EXECUTION

parties with respect to its subject matter. Except as expressly provided herein, no modification or waiver of this Participation Agreement will be valid unless in writing signed by each party. A party's waiver of a breach of any term will not be a waiver of any subsequent breach of the same or another term.

- 13.4 **Assignment.** Operated Locations, Participating Franchisee or Sub-Franchisee may not assign its rights or delegate its obligations under this Participation Agreement without GIFT's prior written consent.

14 Governing Law; Arbitration. The laws of the State of Delaware, excluding its rules on conflicts of laws, will govern this Participation Agreement. Subject to **Section 12**, all disputes will be submitted to the American Arbitration Association (the "AAA") for resolution before a panel consisting of three arbitrators, one of which will be selected by Participating Franchisee or Sub-Franchisee, one by GIFT and the third selected by mutual agreement of the first two. Arbitration will be conducted in accordance with the Commercial Arbitration Rules of the AAA then in effect. The decision of the arbitrators will be binding upon the parties; except that disputes arising out of **Section 9** will not be subject to arbitration, and may be brought to a court for judicial resolution. Judgment upon any arbitration award or decision may be entered in any court having jurisdiction. Arbitration will be held in Denver, Colorado. Each party will pay its own arbitration expenses and one-half of the fee of the arbitrators and the administrative fee of the AAA. The Colorado Rules of Evidence will apply to such arbitration. The arbitrators will be required to render a decision based on the terms of this Participation Agreement and applicable law.

SERVICES ARE PROVIDED UNDER THIS AGREEMENT ONLY IF SPECIFIED IN AN APPLICABLE ORDER. CUSTOMER MAY OBTAIN ADDITIONAL SERVICES BY ENTERING INTO ADDITIONAL ORDERS. PUNCHH RESERVES ALL RIGHTS NOT EXPRESSLY GRANTED UNDER THIS AGREEMENT. PUNCHH SHALL USE COMMERCIALY REASONABLE EFFORTS: (I) TO MAINTAIN THE AVAILABILITY OF THE SERVICE, SUBJECT TO DOWNTIME BY REASON OF FORCE MAJEURE OR FOR THE PURPOSE OF PERFORMING MAINTENANCE OR IMPLEMENTING UPGRADES OR MODIFICATIONS (SEE EXHIBIT A SERVICE LEVEL AGREEMENT FOR FULL DESCRIPTION OF AVAILABILITY OF THE SERVICE); AND (II) TO RESPOND WITHIN A REASONABLE TIME TO CUSTOMER'S REASONABLE REQUESTS FOR SUPPORT OR CUSTOMER'S IDENTIFICATION OF ANY MATERIAL ERRORS OR DEFECTS IN THE SERVICE.

2.1 PROFESSIONAL SERVICES. CUSTOMER MAY ELECT TO PURCHASE PROFESSIONAL SERVICES FROM PUNCHH. THE PROVISION OF SUCH PROFESSIONAL SERVICES WILL BE SUBJECT TO ADDITIONAL FEES AND WILL BE GOVERNED BY TERMS AND CONDITIONS AGREED TO UNDER A SEPARATE SOW, WHICH WILL REFER TO AND BE INCLUDED AS PART OF THIS AGREEMENT.

3. PURPOSE AND PRIMARY ACTIVITIES.

3.1 Punchh Endorsement. Customer shall endorse Punchh as the preferred provider of the Customer's loyalty program in the United States and Canada and permit Punchh to participate in approved marketing activities to promote the Services to its franchise system.

3.2 Franchisees and this Agreement. Punchh will bill Customer at a system-wide level and not at a franchisee level, for all Participating Locations that participate in Customer's National Marketing program. However, Punchh will enter into applicable Participation Agreements with participating franchisee locations that participate in Customer's National Marketing program whereby the Participating Location shall be responsible for compliance with the applicable provision under the terms and conditions set forth therein. For clarity, except for Customer-owned locations, Customer is not liable or responsible for any actions by Participating Locations, but only for directly billing such Participating Locations that participate in Customer's National Marketing program and remitting the undisputed fees to Punchh. Punchh agrees to take all commercially reasonable efforts to provide complete invoices to Customer at the time payment is due, and may not be able to seek recovery for unbilled fees that Punchh, due to Punchh's own fault, failed to bill in a timely manner (as set forth in each Order). Punchh will bill Participating Locations that do not participate in Customer's National Marketing program directly. Punchh will enter into applicable Participation Agreements with (a) Participating Locations that do not participate in Customer's National Marketing program (a schedule of which will be updated from time to time in writing by Customer and provided to Punchh), which require payment directly to Punchh, in addition to compliance with the applicable provision under the terms and conditions set forth therein, and (b) Franchisees that are Participating in the National Marketing program but to ensure contractual privity between Customer's Franchisees and Punchh in the event of a Franchisee's breach of this Agreement. For clarity, Customer is not liable or responsible for any actions by the Participating Locations that do not participate in Customer's National Marketing program, including but not limited to such Participating Location's failure to pay Punchh for the Services. Customer will provide Punchh with an updated list of stores that do not participate in Customer's National Marketing program on an annual basis, and Punchh will bill those stores directly as of the beginning of the next calendar year. In the event that the number of Participating Locations that are Non-National Marketing program participants increases by more than 25% year-over-year, Punchh reserves the right, in its sole discretion, to charge reasonable administrative fees to manage the direct billing obligations of Punchh that may be passed through to the Participating Locations utilizing the services.

4. PLATFORM.

4.1 Access. All access to the Platform by Customer will be as specified in the Order(s) and SOW(s). All access to the Platform is solely for Customer's own Internal business purposes, in accordance with the Terms and Conditions and Documentation.

4.2 Accounts. Customer may establish accounts for Authorized Users (each, an "Account"). Each Account may be used only by the Authorized Users for whom the Account is created. Customer remains responsible for the security of the username and password for each Account and for all use of the Services through each Account. Customer will notify Punchh immediately of any unauthorized uses of any Account or any other breaches of security.

4.3 Restrictions. Punchh Technology, as well as the Punchh Analytics (as defined below), constitute valuable trade secrets of Punchh. Customer will not, and will not permit any third party to: (1) access or attempt to access the Punchh Technology or Punchh Analytics, except as expressly provided in this Agreement; (2) use the Punchh Technology or Punchh Analytics in any unlawful manner or take any action that could damage, disable, overburden or impair the Punchh Technology; (3) use automated scripts to collect information from or otherwise interact with the Punchh Technology or Punchh Analytics; (4) alter, modify, reproduce, create derivative works of the Punchh Technology or Punchh Analytics; (5) distribute, sell, resell, lend, loan, lease, license, sublicense or transfer any of rights to access or use the Punchh Technology or Punchh Analytics or otherwise make the Punchh Technology or Punchh Analytics available to any third party; (6) reverse engineer, disassemble, decompile, or otherwise attempt to derive the method of operation of the

Punchh Technology or the methods through which the Punchh Analytics is provided; (7) attempt to circumvent or overcome any technological protection measures intended to restrict access to any portion of the Punchh Technology or Punchh Analytics; (8) interfere with the operation or hosting of the Punchh Technology or Punchh Analytics; (9) alter, obscure or remove any copyright notice, copyright management information or proprietary legend contained in or on the Punchh Technology or Punchh Analytics; or (10) use or access the Punchh Technology or Punchh Analytics for any prohibited end uses under Applicable Laws.

5. LICENSES.

5.1 Customer Content. Except as set forth in Section 5.2 hereunder, Customer grants to Punchh a non-exclusive, non-transferable, royalty-free, worldwide license(including authorization to issue the App on the applicable app stores in order to perform the Services, but without the right to sublicense), to reproduce, digitize, adapt, modify, transmit, distribute, perform, publicly display, create derivative works of, and otherwise use all information, data, text, visuals, graphics, artwork, animation, video content, and other content or materials identified or made available by Customer or its Authorized Users for use in connection solely with Punchh performing the Services or Professional Services ("**Customer Content**").

5.2 Customer Marks. During the Term, Customer grants to Punchh a non-exclusive, non-transferable, royalty-free, worldwide license to use the trademarks, service marks, fonts, logos and trade names of Customer specified in writing by Customer ("**Customer Marks**") in connection with performing the Services under this Agreement. 6. THIRD-PARTY AGREEMENTS. PUNCHH MAY RELY ON THIRD-PARTY PROVIDERS TO PROVIDE CERTAIN SERVICES. ALL SUCH SERVICES ARE PROVIDED UNDER THE TERMS OF THIS AGREEMENT UNLESS PUNCHH PROVIDES THE CUSTOMER WITH A SEPARATE AGREEMENT APPLICABLE TO SUCH SERVICES (A "**THIRD PARTY AGREEMENT**"). THE TERMS OF ANY APPLICABLE THIRD-PARTY AGREEMENT WILL APPLY TO THE SERVICES COVERED BY THAT THIRD-PARTY AGREEMENT INDEPENDENT OF THE TERMS OF THIS AGREEMENT. THE CUSTOMER WILL BE SOLELY LIABLE TO ANY THIRD-PARTY PROVIDER PARTY FOR ANY THIRD-PARTY AGREEMENT THAT CUSTOMER OR ITS AUTHORIZED USERS BREACH. PURSUANT TO SCHEDULE B, PUNCHH REMAINS LIABLE FOR ANY ACTIONS OF ITS SUBCONTRACTORS, AND FOR FURTHER CLARITY, CUSTOMER SHALL NOT BE LIABLE TO FOR ANY PUNCHH-AUTHORIZED THIRD-PARTY PROVIDER UTILIZED BY PUNCHH IN PERFORMING THE SERVICES OR PROFESSIONAL SERVICES WHICH CUSTOMER HAS NOT ENTERED INTO A THIRD PARTY AGREEMENT WITH.

7. FEES AND PAYMENT.

7.1 Fees. Customer, or Customer's Franchisee(s) as applicable, shall pay Punchh the applicable Fees for the Services specified in each Order. If Customer elects to add features to an Order, additional fees may apply. Any discounts applied to an Order are specific to such Order.

7.2 Payment. All Fees specified in each Order are due and payable upon signing of such Order unless otherwise specified in such Order. The Customer agrees to pay the fees via ACH direct debit in accordance with the terms set out in the applicable Order and will occur upon Customer's receipt of the invoice ("**Payment Period**"), unless otherwise specified on such invoice. Customer will notify Punchh of any disputes in writing within sixty (60) days after the due date of such invoice and provide reasonable detail of the basis for such dispute within the Payment Period. Punchh may not backbill or make similar billing adjustments for Services that it failed, due to Punchh's oversight more than sixty (60) days after issuing the invoice in which such amounts should have been included. Delinquent payments for undisputed Fees on invoices that require no further revision, and that remain past due are subject, in Punchh's sole discretion, to late payment fees of 1.5% of the overdue balance per month (or the maximum amount permitted by law, whichever is lower) starting sixty (60) days after a payment's due date. All Fees paid are irrevocable and non-refundable, except as provided herein.

If Customer's account is past due sixty (60) days or more after Customer receives notice thereof (except with respect to, and only applicable to the disputed amount, Fees for which there is a reasonable and good faith dispute that is being addressed pursuant to this Section 6.2), Punchh may suspend the Services upon written notice (email communication is acceptable) without liability until such amounts are paid in full, in addition to all of its other rights or remedies available under the Agreement, at law or in equity.

7.3 Taxes. Fees are exclusive of all taxes, levies, tariffs, and duties imposed by taxing authorities, and Customer is responsible for all such taxes, including sales, uses, excise, import, export or any similar tax or fee to comply with any applicable government imposed environmental regulations, excluding withholding or taxes based solely on Punchh's income.

8. OWNERSHIP.

8.1 Customer Content. Punchh acknowledges that Customer or its licensors will remain the sole owners of all Customer Content and all Intellectual Property Rights therein. Punchh will not acquire any rights in the Customer Content by virtue of this Agreement, except as set forth in this Agreement or an applicable Order or under this Agreement.

8.2 Customer Marks. Punchh acknowledges that Customer or its licensors will remain the sole owners of all Customer Marks and all Intellectual Property Rights therein. Punchh will not acquire any rights in the Customer Marks by virtue of this Agreement, except as may be expressly set forth in an Order or under this Agreement.

Punchh shall indemnify, defend, and hold harmless Customer, its affiliates and franchisees, and each of their respective officers, directors, employees, and agents (together, a "Customer Indemnitee") from and against any actions, liabilities, damages, obligations, costs and expenses (including reasonable attorneys' fees and costs) incurred or suffered by a Customer Indemnitee arising out of, related to, or in connection with any Claim by a third-party that the Punchh Platform or any of the Punchh Services and Documentation contemplated under this Agreement infringes or misappropriates such third-party's U.S. or Canadian patent claim, copyright, or trade secret ("Infringement Claim").

14.1.i. If the Punchh Platform or Punchh Services, or Documentation (each, an "Infringing Item") is or may become the subject of a claim under Section 14.1 above, Punchh may, at its option, and at no additional cost to Customer, (i) modify or replace the affected parts so the Infringing Item becomes non-infringing, (ii) obtain a license for Customer's continued use so the Infringing Item is no longer infringing, or (iii) terminate this Agreement and refund Customer for any prepaid and unused recurring fees and pay reasonable transition, implementation, and replacement costs incurred by Customer (prorated to consider the remainder of the Term length). Punchh shall have no obligation with respect to any such Claim to the extent caused by (a) Customer's combination of software or hardware from third-parties not provided by Punchh (or not expressly approved in writing by Punchh) that are not intended for or reasonably contemplated to be used by the Customer or with the Customer's environment or application and that combination results in a Claim, or (b) Customer's use of a prior version of the Punchh Services or Documentation if the Claim would have been avoided had such prior version not been used by Customer, subject to and contingent upon, Punchh providing to Customer at least sixty (60) days prior written notice (of as much advance notice as is feasible given the nature of the Claim) of (1) the potential infringement Claim and (2) an updated, implementation-ready version of the Punchh Services or Documentation, at no additional cost to Customer. Section 14.1 and subsection 14.1.i states the entire liability of Punchh, and Customer's sole and exclusive remedy, for any infringement involving the Punchh Platform, the Punchh Services or the Documentation.

15. LIMITATION OF LIABILITY. SUBJECT TO A CLAIM FOR INFRINGEMENT AS SET FORTH IN SECTION 14.1, EXCEPT FOR DAMAGES AS A RESULT OF EITHER PARTY'S BREACH OF ITS CONFIDENTIALITY OBLIGATIONS UNDER SECTION 9 HEREIN, OR DUE TO THE FRAUD, WILLFUL MISCONDUCT OR GROSS NEGLIGENCE OF A PARTY (OR THAT CANNOT OTHERWISE BE LIMITED BY APPLICABLE LAW), IN NO EVENT WILL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR (A) ANY LOST PROFITS OR CONSEQUENTIAL, INDIRECT, PUNITIVE, EXEMPLARY, SPECIAL, OR INCIDENTAL DAMAGES ARISING FROM OR RELATING TO THIS AGREEMENT, WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE, EVEN IF ONE OR BOTH PARTIES KNEW OR SHOULD HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES; AND (B) EACH PARTY'S TOTAL CUMULATIVE LIABILITY ARISING FROM OR RELATING TO THIS AGREEMENT WILL NOT EXCEED THE AMOUNT OF PAYMENTS ACTUALLY MADE BY CUSTOMER TO PUNCHH UNDER THIS AGREEMENT DURING THE 18 MONTH PERIOD PRECEDING THE TRANSACTION OR EVENT GIVING RISE TO THE CLAIM.

15.1 MAXIMUM CAP FOR DATA BREACH CLAIMS. FOR FIRST OR THIRD PARTY CLAIMS ARISING OUT OF A DATA BREACH (AS DEFINED IN THE DPA) CAUSED BY PUNCHH, PUNCHH'S TOTAL CUMULATIVE LIABILITY UNDER THIS AGREEMENT (INCLUDING ALL DIRECT, CONSEQUENTIAL, OR INDIRECT DAMAGES WHATSOEVER) SHALL NOT EXCEED TWENTY MILLION DOLLARS (\$20,000,000).

16. CONSUMER COMMUNICATIONS. CUSTOMER REPRESENTS, WARRANTS AND COVENANTS THAT IT WILL BE

SOLELY RESPONSIBLE AND LIABLE FOR (I) THE CONTENT OF CONSUMER COMMUNICATIONS, INCLUDING ANY CUSTOMER CONTENT THEREIN, AND (II) OBTAINING ALL CONSENTS REQUIRED BY THE TELEPHONE CONSUMER PROTECTION ACT OF 1991 (47 U.S.C. § 227) AND ANY OTHER APPLICABLE LAWS TO SEND, TRANSMIT OR OTHERWISE DISTRIBUTE ANY CONSUMER COMMUNICATIONS TO INDIVIDUALS (COLLECTIVELY, "**CONSUMER COMMUNICATIONS CONTENT AND CONSENTS**"). REGARDLESS OF ANY CURRENT OR PRIOR ASSISTANCE THAT PUNCHH PROVIDED TO CUSTOMER REGARDING CONSUMER COMMUNICATIONS CONTENT AND CONSENTS, INCLUDING ANY ASSISTANCE RELATED TO ANY "OPT-IN" OR "OPT-OUT" CONSENT MECHANISMS, PUNCHH WILL NOT BE RESPONSIBLE OR LIABLE FOR, AND CUSTOMER AGREES TO INDEMNIFY, DEFEND AND HOLD HARMLESS PUNCHH AND ITS RELATED INDEMNITEES FROM AND AGAINST ANY CLAIMS INCURRED OR SUFFERED BY PUNCHH AND ITS RELATED INDEMNITEES IN CONNECTION WITH, CONSUMER COMMUNICATIONS CONTENT AND CONSENTS.

Punchh will provide proof of insurance satisfactory to Customer within 30 days of execution of this Agreement, and at any time during the term of the Agreement at Customer's request. The policies may not be cancelled or non-renewed without 30 days prior written notice to Customer. The general liability and umbrella policies must name Customer, its Affiliates, and Franchisees as additional insured parties with the Additional Insured Vendor Endorsement. The amounts and types of insurance below are the minimum required by Customer and Punchh may obtain insurance with greater limits or broader coverage as Punchh considers appropriate based on a comprehensive risk analysis reviewed at least annually or on substantial business change.
- a. **Commercial General Liability.** On an occurrence form containing limits of at least \$5,000,000 per occurrence/\$5,000,000 general aggregate, protecting against property damage, bodily injury and personal injury claims arising from the exposures of premises or ongoing operations, independent contractors, and contractual liability.

 - d. **Cyber Liability/Supplier Liability (Errors and Omissions) Insurance.** On a claims-made form with a limit of \$40,000,000 in the aggregate including coverage for losses arising out of failure of security, unauthorized disclosure of private information, failure to protect private information from misappropriation, damage/loss/theft of or to data, degradation and downtime. Punchh agrees to increase its Cyber Liability/Supplier Liability (Errors and Omissions) Insurance during the Term of the Agreement as the number of Participating Locations purchasing the Services increases as follows:
 - a. 3,000 Participating Locations = \$50,000,000 in the aggregate
 - b. 5,000 Participating Locations = \$60,000,000 in the aggregate

18. **GENERAL.**

Any attempt to assign or transfer this Agreement without such consent will be null and of no effect. Subject to the foregoing, this Agreement will bind and inure to the benefit of each party's permitted successors and assigns.

18.2 Governing Law and Jurisdiction. This Agreement will be governed by and construed in accordance with the laws of Delaware, excluding conflict of law principles. Any legal action or proceeding arising under this Agreement will be brought exclusively in the federal or state courts located in the State of Delaware, and the parties hereby irrevocably consent to personal jurisdiction and venue therein.

18.6 Data Security Audit and Reporting. Any exceptions noted on the SSAE report or other audit reports will be promptly addressed with the development and implementation of a corrective action plan by Punchh's management. Repeated instances of the same exception(s) noted on any successive report that have a material impact to Customer as a result of the failure of the exception to be remedied from the prior report, will be considered a material breach of this Agreement.

EXHIBIT A – SERVICE LEVEL AGREEMENTS

1. Definitions

The following capitalized terms shall be given the meaning set forth below. Capitalized terms not defined below will have the meaning ascribed to them in the Terms.

- 1.1 “API Average Response Time” is the average response time in milliseconds during a calendar month for a named collection of API methods chosen by Punchh for monitoring purposes, as measured by third party performance and monitoring services contracted by PAR Punchh at its sole discretion (the “Monitoring Service”). Response time measurements that occur during conditions arising from the Exclusions defined in this Schedule may be excluded from the calculation of an API Average Response Time.
- 1.2 “Emergency Maintenance” means an unplanned and unavoidable period that is necessary for the purposes of maintaining the integrity or operation of the Services and for which there is not enough time to declare Scheduled Maintenance.
- 1.3 “Monthly Unavailable Percentage” is the percentage of time during a calendar month during which the Services are Unavailable as defined in this Service Level Commitment. This is calculated by dividing the sum of the length of time(s), in minutes, during which the Services were deemed Unavailable by the total number of minutes in the month.
- 1.4 “Monthly Uptime Percentage” is calculated by subtracting from 100% the “Monthly Unavailable Percentage”.
- 1.5 “Platform Fees” means the recurring fees paid for access to the Punchh Services, which excludes Professional Services fees and fees for non-recurring services.
- 1.6 “Scheduled Maintenance” means a period used for the purpose of maintaining or improving the Services, occurring within a standard Punchh maintenance window and announced at least 48 hours in advance, or occurring within any period of time approved in advance by Customer.
- 1.7 “Services” has the same meaning as defined in the Terms for Punchh services.
- 1.8 “Service Level” is a contractual performance metric. The Service Levels are defined in Section 3 of this Schedule.
- 1.9 “SLA Violation” means a failure to meet a defined Service Level.
- 1.10 “Unavailable”. The Punchh Services shall be deemed Unavailable if they are not available for use according to third party performance and monitoring services contracted by Punchh at its sole discretion (the “Monitoring Service”) for any continuous period of 3 minutes or more. In no case shall the Services be deemed Unavailable during or due to any condition arising from the Exclusions defined in this Schedule.
- 1.11 “Warrantable Usage Rate” means a metric defining a rate of use of a specific Punchh service or feature, for example campaign messages sent per hour or mobile API requests per second. The Warrantable Usage Rates in this document may be amended at any time by mutual agreement in writing (email acceptable). Unless otherwise agreed, Warrantable Usage Rates are solely used to define usage that constitutes an Exclusion for purposes of calculating SLAs.

2. Exclusions

Notwithstanding anything to the contrary, no SLA Violation shall be deemed to have occurred with respect to any Unavailability, suspension or termination of the Services that:

- (i) Is caused by factors outside of Punchh's reasonable control, including, without limitation, any force majeure event or internet access or related problems beyond the demarcation point of Punchh or its direct hosting subcontractor (AWS);
- (ii) Results from any action or inaction on the part of Customer, including any unpaid amounts due and owing to Punchh for the Punchh Services, or any third party (other than Punchh's subcontractors);
- (iii) Results from Punchh's suspension, limitation, or termination of Customer's right to use the Punchh Services in accordance with the Terms;
- (iv) Occurs during Scheduled Maintenance;
- (v) Occurs during Emergency Maintenance;
- (vi) Results from problems or issues related to alpha, beta, preview, test, or otherwise not generally available features;
- (vii) Occurs in a portion or portions of the Punchh Services that Customer did not use or attempt to use at least once during the measurement period;
- (viii) Results from Punchh taking action to protect its systems and data (e.g., from an attack or other security incident); or
- (ix) Occurs while the Customer is exceeding a Warrantable Usage Rate or results from the Customer having exceeded a Warrantable Usage Rate ((i)-(ix) collectively, the "Exclusions").

3. Service Level Commitment (on a calendar month basis)

SERVICE LEVEL	SERVICE CREDITS
Consumer Facing App (e.g., mobile app) Availability $\geq 98\%$ and $< 99.5\%$	5% of the monthly Platform Fees
Availability $\geq 95\%$ and $< 98\%$	10% of the monthly Platform Fees

Gift Card API Average Response Time $> 1000\text{ms}$	15% of the monthly Platform Fees
Payment API Average Response Time $> 1000\text{ms}$	15% of the monthly Platform Fees

4. Warrantable Usage Rates

minute window	requests/second for that window.
API request rate $\leq$ 4,000 requests/minute averaged over a one-hour window	The count of all API Requests in a one-hour (60 minute) window divided by 60 to yield the average requests/minute for that window.
Peak API request rate $<$ 200 requests/second	The instantaneous rate of API Requests measured in requests per second.
Campaign messages sent (messages per day) $\leq$ 1 million	The total number of messages (email, push, or SMS) sent in a calendar day using Pacific Standard Time for day start and end times.

5. Service and Support Process and Expectations

Punchh has two types of Support for PAR Punchh Services. These are **DevOps** and **Technical Support**.

A. DevOps: DevOps' main purpose is to ensure overall Services are available and accessible.

DevOps is responsible for 24/7 Services Monitoring, Maintenance and Triage. DevOps interacts with Customer via an accessible Status page, only when a Service Outage is experienced. It is Customer's responsibility to subscribe to Status page and subsequent notices. The default location for this page is <http://status.punchh.com>, although this may vary by Customer.

B. Technical Support: Technical Support provides a communication path for Customer to submit Problems and/or Questions, and to have a dialog around resolution of said Problems and/or Questions. Support is only available during Support Hours, unless expressly outlined below. A Problem means there is an actual problem with the functionality of the platform OR configuration issue caused by Punchh. A Question means there is a question asked, or there is a configuration issue caused by Customer (or Customer's approved 3rd party).

Submitting a Ticket. Although there are multiple means of submitting a Ticket to Technical Support, only one process allows Customer to designate any level or Priority/Severity. Submissions outside the approved means listed will result in lower Priority, equating to slower Response Times. Response Times are defined as the written or verbal response from Punchh that is NOT an automated reply to a ticket submission. The approved submission method is via the Support Portal at <https://support.punchh.com>. Technical Support will meet Service Level for a Customer's Contracted Technical Support Service Level Tier as may be attached hereto in a separate table.

Technical Support will meet Service Level for a Customer's Contracted Tier.

DATA PROCESSING ADDENDUM

That Data Processing Addendum ("DPA") effectively dated September 23, 2023 referring to Punchh's services and obligations shall apply to the terms of this Agreement and is incorporated into the Agreement. Unless otherwise defined in this DPA, interpretations and defined terms set forth in the Agreement apply to the interpretation of this DPA. To the extent any terms of the Agreement conflict with this DPA, the terms of this DPA will control.

EXHIBIT C

PARTICIPATION AGREEMENT

This Participation Agreement (this "Participation Agreement") is made effective as of the signature date of the Participating Location (as defined herein) below (the "Participation Agreement Effective Date") and is entered into by and between the undersigned franchisee entity (each, a "Participating Location") and Punchh Inc., with an address of 8383 Seneca Turnpike New Hartford, New York 13413 or Punchh (Canada) Inc. (collectively, "Punchh"); Punchh and Participating Location are sometimes referred to herein individually as a "Party" and collectively as the "Parties").

RECITALS

- A. American Dairy Queen Corp. and Dairy Queen Canada, Inc. (collectively, "Customer") and Punchh entered into a certain Master Services Agreement with an effective date of _____, as may be amended from time to time (the "Agreement").
- B. The Agreement contemplates the provision of certain products and services by Punchh to Participating Locations, including the execution of this Participation Agreement and the payment of applicable fees by Participating Locations that are not participating in the Dairy Queen® National Marketing Fund, in order to receive Punchh products and services for use of the Dairy Queen® loyalty program.
- C. The purpose of this Participation Agreement is to create a direct relationship between Punchh and Participating Locations to establish contractual privity and allow for direct billing, as applicable.

NOW THEREFORE, in consideration of the promises contained in this Participation Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Participating Location and Punchh agree as follows:

- 1. Incorporation of the Agreement. This Participation Agreement is entered into under the provisions of the Agreement, and except as provided in this Participation Agreement or as specified in the Agreement, all of the terms and conditions of the Agreement, as may be amended in a writing signed by Punchh and Customer (for clarity, Participating Locations are not permitted to request or make amendments to the Agreement) and as specifically referenced in Section 4 below, are incorporated into this Participation Agreement by this reference, as if fully set forth herein. Except as specifically set forth hereunder, Participating Location hereby agrees to be bound by terms and conditions (including obligations of "Customer" therein) of the Agreement, as if Participating Location was a signatory to the Agreement (and as such Punchh shall have all rights against the undersigned as if the undersigned was Customer pursuant to the Agreement). For clarification, while Participating Location agrees to be bound by terms and conditions of the Agreement, a Participating Location is not equivalent to Customer and Customer retains all rights accruing to it in the Agreement, including any ownership rights in Section 7 (Ownership) and Section 8 (Data). In the event of any inconsistency between the terms of this Participation Agreement and the Agreement, the Agreement shall control as to the subject matter of this Participation Agreement. Capitalized terms used in this Participation Agreement, to the extent not otherwise defined in this Participation Agreement, shall have the meanings ascribed in the Agreement.
- 2. Term. The term of this Participation Agreement will commence on the Participation Agreement Effective Date and will continue thereafter until the expiration or termination of the Agreement

between Punchh and Customer, unless this Participation Agreement is terminated earlier in accordance with the terms of the Agreement itself or pursuant to the termination provisions of the Agreement that are incorporated into this Participation Agreement by reference.

3. Fees for the Participating Locations.

- a. For Participating Locations that DO participate in the National Marketing Fund. You will not be direct billed, as Customer will be collecting your respective payment and providing it to Punchh directly and any billing obligations of Customer will not apply to your Participating Locations.
- b. For Participating Locations that DO NOT participate in the National Marketing Fund. You are required to complete the ACH Authorization Form and Customer Information Form attached as Schedule A to this Participation Agreement. To clarify, the customer referenced on the ACH Authorization Form and the Customer Information Form is the Participating Location, not "Customer" under the Agreement. The amount of the ACH direct debit to Punchh by the Participating Location shall depend upon the Participating Location's election of which loyalty product was selected by Participating Location in the onboarding process, payable per month for the applicable Loyalty Platform Fees, *plus* taxes, and pass-through third-party expenses required to utilize the platform (e.g., SendGrid and Twilio) which will be billed separately per the terms of the Order. Section 6.2 of the Agreement regarding the ability of Punchh to suspend Services in the event your account is 60 days or more overdue following notice shall apply to this Participation Agreement.

4. Applicable Agreement Provisions.

- a. This Participation Agreement shall include the following sections from the Agreement to bind Participating Location as if they were the Customer: Section 1 (Definitions), Section 2 (Services), Section 4 (Platform), Section 6 Fees and Payment), Section 9 (Confidentiality), Section 11 (Representations and Warranties), Section 12 (Disclaimer), Section 14 (Indemnification), Section 15 (Limitation of Liability), Section 16 (Consumer Communications), and Section 18 (General).
- b. Any other Section that is only applicable to or exercisable by Customer due to Customer's rights as the franchisor and to the nature of the franchise relationship shall be further excluded from this Participation Agreement.
- c. Participating Location agrees to complete and provide, on an ongoing basis within three (3) business days of any change in information, the ACH form provided by Punchh.

5. Governing Law. This Participation Agreement will be governed by and construed in accordance with the laws of Delaware, excluding conflict of law principles. Any legal action or proceeding arising under this Participation Agreement will be brought exclusively in the federal or state courts located in the State of Delaware, and the parties hereby irrevocably consent to personal jurisdiction and venue therein.

6. Notices. All notices required or permitted under this Participation Agreement will be in writing and delivered by confirmed electronic transmission, by courier or overnight delivery services, or by certified mail, and in each instance will be deemed given upon receipt. All communications will be sent to the addresses set forth in this Participation Agreement or to such other address as may be specified by either party to the other in accordance with this Section. Notices to Punchh shall include a copy to legal@partech.com.

7. Counterparts. This Participation Agreement may be executed in one or more counterparts, all of

which taken together shall constitute one single agreement between the Parties hereto. If any signature is delivered by e-mail delivery of a ".pdf" format data file, such signature will create a valid and binding obligation of the Party executing (or on whose behalf such signature is executed) with the same force and effect as if such ".pdf" signature page was an original thereof.

8. Miscellaneous. The Parties agree that the Participating Location is individually entering into this Participation Agreement solely on its own behalf and therefore, neither American Dairy Queen Corp., Dairy Queen Canada, Inc. or any other affiliate of American Dairy Queen Corp. or Dairy Queen Canada, Inc. shall be liable to Punchh for any payments due and owing by the Participating Location for products or services provided by Punchh under this Participation Agreement (except as may be specifically agreed in a writing signed by Punchh and Customer) or for any other obligations of the Participating Location under this Participation Agreement.

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties, intending to be legally bound, agree as follows:

1. Definitions. The following definitions apply to this Agreement:

- 1.1. "Location". Means the physical location or locations from where Participating Location is utilizing the Services.

- 1.3. "Participating Location Equipment" refers to equipment that Participating Location acquires from a source other than Acumera and is used in conjunction with the Service.
- 1.4. "Equipment" means equipment at Participating Location's Location(s) that is directly provided and/or maintained by Acumera and used in conjunction with the Services.
- 1.5. "Services" refers to any services provided to Participating Location by Acumera. The current description of the Services is provided at: www.Acumera.com/description-of-services. The Description of Services is subject to change.
- 1.6. "PCI-DSS" refers to the Payment Card Industry Data Security Standard which is an information security standard for organizations that handle credit cards. The PCI-DSS standard is mandated by the card brands and administered by the Payment Card Industry Security Standards Council.
- 1.7. "Party" means a party to this Agreement.

2. Work Orders and Contract Documents. Services will be provided to locations as indicated on each Work Order ("Work Order"), SOW, Service Fees and Pricing Exhibit, and/or other applicable contract document. By submitting a Work Order, SOW and/or Service Fees and Pricing Exhibit, Participating Location agrees that the Work Order immediately becomes a part of and is governed by this Agreement. Acumera is not obligated to provide any Services until a completed Work Order or SOW has been submitted by Participating Location and accepted by Acumera. This Agreement, and any Exhibits and addenda together with any applicable Work Order, governs the services provided by Acumera to Participating Location.

3. Setup. Participating Location shall be responsible for the installation and setup of Participating Location Equipment including software, operating-system patches, or new or different operating-system versions. Participating Location shall be responsible for keeping scheduled installation appointments or timely rescheduling. Remote setup of the Equipment by Acumera shall take place Monday through Friday, 7:00 a.m. through 7:00 p.m. EST; additional costs may be assessed to Participating Location for evening and weekend setup and for set up delays caused by non- standard or incomplete configuration requests.

4. Costs at Location. Participating Location is solely responsible for all costs at its Location(s), including without limitation, personnel, wiring, computer equipment, Internet access, electrical power and the like, necessary for the use of the Acumera Services and Equipment. Participating Location is solely responsible for any third- party fees

not specifically covered under this Agreement or any Work Order, including, but not limited to, fees incurred to facilitate installation, Participating Location's IT or technical assistance, or any other third-party fees expended.

5. **Equipment.** Acumera may provide Equipment to Participating Location to facilitate performance of Services. If any such Equipment fails during the Term of this agreement as a result of misuse, abuse, the fault or negligence of Participating Location or a third party, or due to an Act of God, it will be replaced by Acumera after payment to Acumera by Customer of the replacement cost of the item. Title to any Equipment passes to Customer upon shipment (FOB Origin). If any Equipment is not received by the Participating Location or is damaged in the shipping process, Acumera will replace that Equipment with no additional charge to the Participating Location. If the Equipment fails for reasons other than misuse, abuse, or the fault or negligence of Participating Location or a third party, or an Act of God, it will be replaced by Acumera without additional payment from the Customer.
6. **Maintenance.** In the routine process of managing and maintaining deployed Equipment, Acumera may occasionally perform remote maintenance activities on Equipment, such as a firmware update etc., that may result in the Equipment being reset and unavailable and/or result in a loss of connectivity at a Location for a short period of time. Except in the case of emergency or in the process of troubleshooting a critical service issue, Acumera will perform this type of work during planned maintenance windows which take place each day between 1AM and 5AM local time and for which Acumera will use commercially reasonable efforts to give eight (8) hours or more notice that the maintenance will be performed and Equipment may be unavailable.
7. **Location List.** The locations covered by this Agreement shall be specified in a Work Order or on a Location List which, if applicable, will be attached as an Exhibit hereto. The addition of a new Location to this Agreement will require the submission of an Addendum to the Agreement adding the Location in the form attached as Exhibit "A", New Location Addendum.
8. **Term.** The term of this Agreement is thirty six (36) months plus any partial first month beginning on the date Service commences. ("Initial Term"). The Agreement shall automatically be renewed after the Initial Term on the applicable anniversary of the Effective Date for subsequent one (1) year periods (each, a "Renewal Term"). The Initial Term and all Renewal Terms shall collectively be referred to as the "Term."
9. **Location Term.** The Term for any Location(s) is the same as Paragraph 8 above, except as follows: The Location Term begins on the date Service commences at that Location. The Location Term(s) is independent and does not run coterminous with any other Location Term unless the date of commencement of Service is the same.
10. **Fees and Payment.**
 - 10.1. **Fees and Invoicing.** Participating Location agrees to pay all recurring charges and non-recurring charges, (collectively, the "Fees") as indicated in any Work Order or SOW. Participating Location agrees that recurring charges commence upon installation of the equipment and/or commencement of Services at a Location and non-recurring charges upon shipment of the Equipment to a Location. Acumera will invoice for install/set up fees and shipping and handling charges on the firewall shipping date. The pricing is confidential and may not be disclosed to third parties. Any partial month at the beginning of the Term will be invoiced to Participating Location on a pro-rated basis. Invoicing, which will occur one month in advance, begins upon shipment. Payments shall be made to Acumera via credit card or auto ACH debit and shall be paid fifteen (15) days from invoice date, or if such due date falls on a weekend or holiday, on the first business day after such due date. ACH or credit card payment shall be set up with Participating Location prior to the commencement of Service. Fees are non-refundable. Participating Location may pay on a monthly basis, or on an annual up-front basis according to preference.
 - 10.2. **Additional or Change in Fees.** Acumera may introduce additional services or features during the Term with associated Fees, which Participating Location may elect not to utilize. If Participating Location does not elect to use the additional services or features, then Participating Location will not be charged any additional fees. For Fees related to the Core Services as described in an applicable Work Order, Acumera will use commercially reasonable efforts to maintain the Fees at the price specified in the Work Order for the duration of the Participating Location's term. However, Acumera may increase such Fees once per year as necessary to accommodate unforeseen increases in its costs, subject to a maximum annual increase equal to the lesser of 2% or the amount of Consumer Price Index ("CPI") increase calculated based on the immediately preceding unadjusted 12 months (10/01 through 9/30), derived from the U.S. Department of Labor, Bureau of Labor Statistics web site, <https://www.bls.gov/news.release/cpi.nr0.htm>.
 - 10.3. **Overdue Payments.** At Acumera's discretion, any undisputed payment not received from Participating Location by the due date may accrue late charges at the rate of one and a half percent (1.5%) of the outstanding balance per month, or at the maximum rate permitted by law, whichever is lower, from the date such payment was due until the date paid.

- 10.4. Suspension of Service.** If Participating Location's account is fifteen (15) days or more overdue, in addition to any of its other rights or remedies, Acumera reserves the right to suspend the Service provided to Participating Location, without liability to Acumera, until such amounts are paid in full; provided, however, that prior to any such suspension, Acumera shall provide Participating Location with at least ten (10) days' prior written notice that payment is overdue and the date upon which Services will be suspended if payment is not received. Acumera may require an activation fee to change or resume a suspended Account.
- 10.5. Payment of Fees.** In the event of Participating Location's breach of the terms of this Agreement, including without limitation, failure to pay any sum due hereunder, in addition to other remedies and recoveries provided for hereunder (e.g., for early termination), Participating Location shall reimburse Acumera for all attorney's fees, court, collection and other costs incurred by Acumera in the enforcement of Acumera's rights hereunder and Acumera may keep any deposits or other payments made by Participating Location.
- 11. Billing Disputes.** To dispute an Invoice, or a portion thereof, Participating Location must, within thirty (30) days of the date on the Invoice ("Dispute Due Date"), submit a written claim fully documenting the reasons for the dispute (the "Claim") via certified or overnight mail, return receipt requested, to the address below. After receipt of the Claim, Acumera shall undertake an investigation of the Claim, so long as Participating Location has not waived its rights pursuant to this paragraph to make the Claim. At the conclusion of the investigation, Acumera will notify Participating Location of any amount determined by Acumera to be correctly charged and such amount will become immediately due and owing. If the Claim is not sent by the Dispute Due Date, Participating Location waives all rights to dispute the applicable Charges, unless otherwise provided by law. All billing disputes must be sent to the Billing Department at the address listed in the first paragraph of this Agreement, and to bcreceivables@acumera.com
- 12. Taxes.** Federal, state, local, county, municipal and other governmental or regulatory agencies may assess taxes, including, without limitation, excise, franchise, sales, value-added, use, personal and real property taxes, surcharges, tariffs or fees (collectively, "Taxes") on Participating Location's purchase or use of the Services or Equipment. These Taxes may change from time-to-time, with or without notice to Participating Location. Participating Location is responsible for the payment of all applicable Taxes now in force or enacted in the future. The Taxes are in addition to the amounts paid for the Services and Equipment. If Participating Location is exempt from any or all Taxes, it must provide Acumera with an original certificate that satisfies applicable legal requirements attesting to its tax-exempt status. Tax exemption shall only apply from and after the date that Acumera receives such valid certificate. If any amounts paid by Participating Location for the Services are refunded by Acumera to the Participating Location, applicable Taxes may not be refundable.
- 13. Termination.**
- 13.1. Master Termination.** If Dairy Queen terminates the Master Agreement for an uncured material Breach of Contract, this Agreement will terminate immediately and no further fees will be due for Products or Services under this Agreement. Acumera may, at Acumera's option and expense, require Participating Location to return Products supplied under this Agreement. Termination shall not relieve Participating Location of the obligation to pay any Fees accrued or payable to Acumera prior to the effective date of termination. Should Participating Location elect to continue to use Acumera's Services past the date of termination of the Master Agreement, the portions of this Agreement which do not concern duties of Dairy Queen will remain in full force and effect, and Participating Location is responsible for all fees incurred as long as Services are being used. In no case will this Agreement extend beyond the Initial Term, if the Master Agreement has been terminated prior to the end of the Initial Term, or beyond the end of the current Renewal Term, if the Master Agreement has been terminated after the end of the Initial Term.
- 13.2. Termination.** Either party may terminate this Agreement for any reason or for no reason at the end of a Term or Location Term by giving written notice to the other party not less than thirty (30) days prior to the end of the then current Term. Participating Location may terminate this Agreement only in accordance with the termination conditions set forth in this Agreement.
- 13.3. Early Termination.** If Participating Location desires to terminate this Agreement prior to the end of the Initial Term or Initial Location Term ("Early Termination"), Participating Location shall give Acumera notice, pursuant to Section 23, of its intent to terminate early thirty (30) days prior to the desired termination date. Termination shall not relieve Participating Location of the obligation to pay any Fees accrued or payable to Acumera prior to the effective date of termination. Participating Location shall also be responsible for paying an early termination charge according to the following schedule:

Months Paid Under this Agreement	Termination Fee*
0-12	\$1000
12 - 24	\$500

- 13.4. Termination for Breach.** Either party may terminate this Agreement at any time by giving thirty (30) days written notice ("Breach Notice") of termination to the other party in the event that the other party: (i) breaches the terms or conditions of this Agreement including, but not limited to, payment of the Monthly Service Fee, and fails to remedy such breach within thirty (30) days of the date of the Breach Notice; or (ii) becomes insolvent, makes an assignment for the benefit of creditors, is adjudged bankrupt, or if a receiver is appointed over such party's assets. In the event Acumera terminates this Agreement due to Breach, Participating Location agrees to pay an early termination charge according to Paragraph 13.3.
- 13.5. Termination for Change in Service.** In the event Acumera provides Participating Location with written notice pursuant to section 23 herein that it is no longer able to provide a material aspect of its Services, including but not limited to the Data Breach Financial Protection Program located at www.Acumera.com/DBFP, and Acumera is unable to provide suitable alternative Services within thirty (30) days of notice of same, Participating Location shall within thirty (30) days of the date of such notice have the right to terminate this Agreement without penalty or early termination charge. In the event of such termination, Participating Location shall provide notice of termination to Acumera pursuant to section 23 herein.
- 14. Self-Service Portal Access/Communication/Participating Location Responsibilities/Data Access.**
- 14.1.** In the context of performing the services purchased through each Work Order, Acumera may grant self-service portal access ("Access") to and communicate with only those employees or agents of Participating Location ("Contacts") who are specified in the Account Permissions section of each Work Order or who have been added as Contacts by the person designated in each Work Order as Participating Location's Administrative Contact. The Access of Contacts will be limited by the permissions granted to them by the Administrative Contact.
- 14.2.** By Access, Participating Location is responsible for the review, download, and distribution of scans and logs.
- 14.3.** With respect to Access, Participating Location agrees to be bound by the Terms of Use and Privacy located at <http://www.Acumera.com>.
- 14.4.** Participating Location authorizes Acumera to share scan results, logs and other data regarding POS, PCI and compliance with Dairy Queen. No personal cardholder data is intentionally seen by Acumera, and no personal data from either Participating Locations or employees will be shared within this process without prior authorization.
- 15. Privacy and Confidentiality.** In the course of providing the deliverables, Acumera may be given access to, or be provided with, confidential information about Participating Location's business and/or Participating Location's website ("Business Information"), and personal information about Participating Location, Participating Location's employees, Participating Location's account and/or card holders and/or Participating Location's website ("Personal Information"). Participating Location authorizes such access and disclosure of Participating Location's Business Information to Acumera. Acumera will use reasonable efforts to keep Participating Location's Business Information confidential and will not disclose Participating Location's Business Information to any third party. To the extent that access to Personal Information by Acumera occurs, Participating Location authorizes such access and authorizes Acumera to use such Personal Information for the sole purpose of providing the services contemplated by this Agreement. Acumera will not use any such Personal Information for any other purposes than those specifically related to providing the services contemplated by this Agreement. As a Service Provider as defined under PCI-DSS regulations, Acumera acknowledges it is responsible for the security of cardholder data that it possesses, stores, processes, or transmits on behalf of the Participating Location, or to the extent it impacts the security of the Participating Location's cardholder data environment. Participating Location acknowledges that it is responsible for the security of cardholder data that is in its possessions or that it stores, processes, or transmits while it is in Participating Location's possession or care. Participating Location further acknowledges that it is responsible for complying with any applicable regulations.
- 16. Intellectual Property.** The intellectual property associated with any Equipment installed at Participating Location's Location(s) is and remains Acumera's property. By its possession and use, Participating Location acquires no rights or interests of any kind in the intellectual property and hereby expressly covenants that it will not disclose anything about Acumera's intellectual property or allow any physical access to Acumera's intellectual property. If Participating Location is subject to a claim or demand that the Services infringe a third party's property rights, Acumera will: (1) procure for Participating Location the right to continue to use the Services, replace the Services, or modify the Services to avoid infringement; and (2) indemnify Participating Location against damages and costs (including reasonable attorney's fees and legal expenses) incurred in connection with the alleged infringement.

17. Responsibility for PCI-DSS Compliance and Network Security. Acumera supplies and manages the firewall and the configuration of that firewall required to provision its services. Acumera establishes firewall configuration and policy based on PCI-DSS recommendations, generally accepted industry best practices and in consultation with Dairy Queen. Participating Location acknowledges that:

- 17.1. Once Dairy Queen and Acumera have established security configurations and policies for the Dairy Queen system, Acumera will not honor Participating Location requests to configure Equipment in ways that are contrary to those established configurations and policies unless and until Acumera receives a Configuration Exception from Dairy Queen.
- 17.2. "Configuration Exception" shall mean a written exception to a configuration policy from Dairy Queen, describing the Participating Location and the requested exception in sufficient detail to allow Acumera to fulfill the request.
- 17.3. Dairy Queen has agreed to respond to the request for a Configuration Exception within 2 business days.
- 17.4. Participating Locations may request information on Dairy Queen's established security configurations and policies from Dairy Queen.
- 17.5. Acumera may honor such approved Participating Location requests to configure the firewall and/or network in ways that may be contrary to Acumera's or PCI-DSS recommendations or may not adhere to generally accepted data security best practices and acknowledges that Acumera has no liability for any issues that may arise due to the fulfillment of these requests.
- 17.6. In accordance with PCI-DSS standards, Acumera recommends segmentation of the card data environment (CDE) to isolate it away from all other segments containing non-CDE network traffic.
- 17.7. Acumera will not entertain requests from Participating Locations to allow non-CDE network traffic within the CDE, unless and until Participating Location receives a Configuration Exception from Dairy Queen and provides it to Acumera.
- 17.8. Acumera does not recommend opening firewall ports to allow traffic or access for non-business related needs, including, by example, the use of insecure remote access tools , and Acumera will not carry out any request by a Participating Location to do so, unless and until Participating Location receives a Configuration Exception from Dairy Queen and provides it to Acumera.
- 17.9. Acumera provides both internal and external vulnerability scanning services administered by the third-party ASV for those Participating Locations subscribing to those services. Acumera provides limited advisory services to assist with the completion of PCI-DSS. Notwithstanding the aforementioned, Acumera does not warrant or assume any legal liability or responsibility concerning Participating Location's compliance with the PCI Data Security Standard. Acumera, is not responsible for the completion of Participating Location's Self-Assessment Questionnaire (SAQ), the filing or refiling of failed external ASV scan exceptions, the failure of scans due to Participating Location premise IP address changes, or any other PCI-DSS requirement that requires Participating Location's action or attestation.

Further, Participating Location acknowledges and agrees that Participating Location's use of Acumera's services does not guarantee PCI compliance or that the implementation of those services alone will make Participating Location's systems secure from unauthorized access. Participating Location is responsible for PCI compliance and notification of any suspected breach of its systems and Acumera is not responsible for any fines, penalties or registration fee imposed by any payment card association or its acquiring bank for Participating Location's failure to be PCI compliant.

18. Limitation on Liability.

- 18.1. **Limitation on Direct Damages.** EACH PARTY'S TOTAL AGGREGATE LIABILITY (INCLUDING THE LIABILITY OF ANY AFFILIATE, SUPPLIER, EMPLOYEE OR AGENT), AND THE SOLE AND EXCLUSIVE REMEDY FOR ANY CLAIM OF ANY TYPE WHATSOEVER ARISING OUT OF OR IN CONNECTION WITH ANY SERVICES PROVIDED HEREUNDER, SHALL BE LIMITED TO PROVEN DIRECT DAMAGES CAUSED BY THE OTHER PARTY IN AN AMOUNT NOT TO EXCEED THE FEES PAID BY PARTICIPATING LOCATION TO ACUMERA IN THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO A CLAIM HEREUNDER. UNDER NO CIRCUMSTANCES IS ACUMERA LIABLE FOR SERVICE FAILURES THAT ARE BEYOND THE REASONABLE CONTROL OF ACUMERA.

- 18.2. No Indirect Damages.** IN NO EVENT SHALL EITHER PARTY HAVE ANY LIABILITY TO THE OTHER PARTY OR ANY THIRD PARTY FOR ANY LOST PROFITS, LOSS OF DATA, LOSS OF USE, COSTS ASSOCIATED WITH INTEGRATION, INTERRUPTION OF BUSINESS, COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, OR FOR ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES HOWEVER CAUSED AND, WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, WHETHER OR NOT THE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.
- 18.3.** THE LIMITATIONS IN THIS SECTION 18 DO NOT APPLY TO EITHER PARTY'S LIABILITY FOR ITS (OR ITS RESPECTIVE AGENT'S AND/OR SUBCONTRACTOR'S) GROSS NEGLIGENCE OR WILFULL MISCONDUCT, WILFUL FAILURE TO COMPLY WITH LAW, FRAUD.
- 18.4. Managed Firewall/SD-WAN Exclusions** In no event shall Acumera have any liability to Participating Location for any data breach that occurs:
- h. during any period in which the Acumera-provided or Acumera-approved firewall or SD-WAN device has yet to be initially connected or is disconnected or has been circumvented;
 - i. due to the failure to implement a security measure as recommended by PCI-DSS Standards;
 - j. in any Participating Location environment where POS system data traffic is not configured to be on an isolated network segment through the Acumera firewall;
 - k. when Participating Location requests that the isolated network segment containing POS data traffic is granted access to any system or service not directly related to processing POS transactions. However, this exclusion will not apply unless Participating Location received a Configuration Exception from Dairy Queen;
 - l. when Dairy Queen mandates implementation of a configuration, policy or procedure that Acumera recommends against (if Dairy Queen has been notified of the recommendation);
 - m. through any firewall in use, whether provided by Acumera or otherwise acquired by Participating Location, that has not passed its most recent Approved Scanning Vendor's scan (unless the issue has already been remediated);
 - n. in a manner that industry-standard firewall technology employed at time of breach is not able to prevent.
- 18.5.** In no event shall Acumera have any liability to Participating Location or any third party for Participating Location's VoIP system performance, including, but not limited to phone registration failures, call quality, dropped calls or other issues regardless of whether the VoIP traffic is configured to pass through the Acumera firewall. Participating Location acknowledges that Acumera does not provide and does not manage Participating Location's Internet circuit and is not responsible for the performance of said circuit and assumes no liability for issues with Internet speed or performance related to the Internet circuit. Furthermore, Participating Location's acknowledges that if their Internet connectivity is not a terrestrial (land-based) high-speed always-on cable, broadband, fiber, or dedicated circuit (i.e. T1 or similar), Acumera services may not perform optimally and that under such circumstances Acumera shall have no liability to Participating Location for issues caused by any inadequate or faulty Internet circuit.
- 18.6. ASV Scan Exclusion.** If applicable to the Services contracted pursuant to this Participation Agreement or any contract document(s), Acumera may agree to launch certain ASV scans and/or file or re-file external ASV scanning exceptions on behalf of the Participating Location following a specific request from Participating Location. In no event shall Acumera have any liability to Participating Location or any third-party related to launching said scan(s) or for filing or re-filing external ASV scanning exceptions on behalf of Participating Location. Participating Location is solely responsible for the validity of the information provided to Acumera in support of the filed exception(s). Participating Location further agrees to defend and indemnify Acumera in the event said information is inaccurate or changes without proper notification to Acumera.
- 18.7. VoIP Exclusion.** If applicable to the Services contracted pursuant to this Participation Agreement or any contract document(s), in no event shall Acumera have any liability to Participating Location or any third-party for Participating Location's VoIP system performance, including, but not limited to phone registration failures, call quality, dropped calls or other issues regardless of whether the VoIP traffic is configured to pass through the Acumera Equipment. Participating Location acknowledges that Acumera does not

provide and does not manage Participating Location's Internet circuit and is not responsible for the performance of said circuit and assumes no liability for issues with Internet speed or performance related to the Internet circuit. Furthermore, Participating Location acknowledges that if their Internet connectivity is not a terrestrial (land-based) high-speed always-on cable, broadband, fiber, or dedicated circuit (i.e. T1 or similar), Acumera services may not perform optimally and that under such circumstances Acumera shall have no liability to Participating Location for issues caused by any inadequate or faulty Internet circuit. Customer acknowledges that if cellular data services are utilized by Customer, either for backup or primary connectivity, by a third-party, not covered under in this Agreement, Acumera shall not be responsible for any charges, including overage charges, incurred by Participating Location associated with the use of those services, including but not limited to circumstances where the data flows through the Equipment and/or the Equipment is managed or co-managed by Acumera to accommodate failover/failback or restrict the flow of said data.

- 18.8. Cellular Usage and Over Charge Fees.** Participating Location understands that there is a probability that an over usage will result when any traffic traverses a cellular backup circuit. Participating Location understands that it is solely responsible for paying any and all overage fees and associated taxes and fees that result from over usage associated with any of their devices, activated or not at the time of invoicing, regardless of the circumstances that caused the over usage to occur.
- 18.9.** The foregoing limitations, exclusions and disclaimers shall apply, regardless of whether the claim for such damages is based in contract, warranty, strict liability, negligence, tort or otherwise. Insofar as applicable law prohibits any limitation herein, the parties agree that such limitation will be automatically modified, but only to the extent so as to make the limitation permitted to the fullest extent possible under such law. The parties agree that the limitations on liabilities set forth herein are agreed allocations or risk constituting in part the consideration for Acumera's provision of Services to Participating Location, and such limitations will apply notwithstanding the failure of essential purpose of any limited remedy and even if a party has been advised of the possibility of such liabilities.
- 19. Data Breach Financial Protection Program.** The Data Breach Financial Protection Program ("DBFP") is provided through the North American Data Security Risk Purchasing Group ("NADSRPG") and administered by RGS Limited LLC ("RGS"). The DBFP grants membership in the NADSRPG for merchants whose merchant ID numbers ("MIDS") are provided to the NADSRPG on a monthly basis. General information relating to the DBFP may be found at: www.Acumera.com/DBFP. Full details of the DBFP are set out at www.nadsrpg.com. By entering this Agreement Participating Location confirms he/she has read and agrees to the terms of the Program as set out on the www.nadsrpg.com webpage describing the limitations and requirements relating to coverage and claims (including requirements to be satisfied in order for payments to be made under the DBFP). The DBFP's standard policy provides levels of up to \$100,000 per MID/\$500,000 per Merchant of coverage per breach occurrence subject to the terms and conditions set out on the webpage. The total liability in relation to the DBFP is limited to the Program's stated amount of coverage. Participating Location hereby acknowledges that Acumera is merely facilitating access to the DBFP by providing MID reporting and payment services for Participating Location in connection with provision of the Services hereunder and Acumera shall in no way be held liable or responsible for any loss or damage of Participating Location or any merchant arising in connection with the Program.
- 20. No Benefit to Others.** The representations, warranties, covenants, and agreements contained in this Agreement are for the sole benefit of the parties and their respective successors and permitted assigns, and they are not to be construed as conferring any rights on any other persons.
- 21. Assignment.** Neither Participating Location nor Acumera may assign or transfer this Agreement to a third party without the prior written consent of the other party, which shall not be unreasonably withheld; provided, however, the Agreement may be assigned as part of a merger, or sale of all or substantially all of the business or assets, of either party.
- 22. Integration; Amendment; Headings; Construction; Counterparts.** This Agreement contains the entire agreement of the parties and there are no other promises or conditions in any other agreement, oral or written. Term. The Services listed above commence on the day each instance of the Service becomes active. The Term for each instance of the Service is based on the deployment date of that particular instance of the Service, and is not necessarily coterminous with other Services. The Term for each service is in accordance with Section 10 of the MSA or CNSA.

Software. Any Software provided is subject to the End User License Agreement ("EULA") located at <http://www.acumera.com/eula>. The EULA is subject to change and Customer is responsible for review and compliance with current EULA.

Intrusion Detection/Prevention System (IPS) and Data Throughput. As is the case with all IPS systems, enabling IPS could have an impact on the speed of data through the firewall/CXD. Net Acumerasurion shall have no liability to Customer for issues or inconvenience caused by slow data throughput through a Acumera provided firewall or other network device.

Cellular Backup Service, Cellular Data Usage, Pooling and Under/Over Usage. Cellular services provided to Customer Acumera are provided expressly as a temporary backup circuit to be used at Customer's location only in circumstances where the primary data circuit becomes inoperable. Customer is expressly prohibited from using Acumera Cellular Backup Service as a replacement for or in place of Customer's primary data circuit at any Location. In the event Customer's primary circuit becomes inoperable, it is the Customer's responsibility to engage their primary data circuit provider to repair inoperable circuits and restore connectivity as quickly as possible. When Cellular Backup Service is purchased, Acumera configures deployed CXDs and Firewalls to automatically failover to the backup cellular circuit in circumstances where the primary circuit is detected to be inoperable and to fail back when the primary circuit is restored. Acumera further reserves the right to configure deployed firewalls to limit the throughput of data traffic through the cellular backup circuit to critical functions such as credit card processing and customer should have no expectation that all location connectivity will be available or operate at typically experienced speeds when the backup cellular circuit is in use. Customer is expressly prohibited from using a Acumera deployed cellular gateway if removed from its configured connection to the firewall. Customer acknowledges that they are responsible for all Over Usage.

Customer expressly understands and agrees that it has no contractual relationship whatsoever with the underlying wireless service provider or its affiliates or contractors and that Customer is not a third-party beneficiary of any agreement between customer and the underlying carrier. Customer hereby waives any and all claims or demands therefor.

Individual Locations ("IL") that subscribe to a pooled cellular failover plan, are combined with other related Locations associated with the same individual Legal Entity ("LE") to create a "Data Pool." An LE consists of an individual legal entity contracted with Acumera and their subset of associated Locations within that legal entity that subscribe to a Acumera cellular failover plan. Every billing cycle, each IL first uses its plan's included domestic data usage ("Included Usage"). If an IL does not use all its Included Usage, it creates an underage in the amount of the unused MB of data usage ("Under Usage"). If an IL uses more than its Included Usage, it creates an overage in the amount of the excess MB of data usage ("Over Usage"). The Data Pool's Under Usage amounts for each IL and Over Usage amounts for each IL are then aggregated respectively within the LE and the totals are compared. If the aggregate Under Usage amount exceeds the aggregate Over Usage amount for the LE, then those ILs incurring an Over Usage will not be charged an overage fee. Any excess Under Usage will be forfeited. If the aggregate Over Usage amount exceeds the aggregate Under Usage amount for the LE, then each IL incurring Over Usage will be billed an Overage Fee for their individual Over Usage on a per MB basis at the additional cellular data rate defined above. Any partial MBs are rounded up to the next whole MB. CUSTOMER UNDERSTANDS THAT THERE IS A PROBABILITY THAT AN OVER USAGE WILL RESULT WHEN ANY TRAFFIC TRAVERSES THE CELLULAR BACKUP CIRCUIT. CUSTOMER UNDERSTANDS THAT IT IS SOLELY RESPONSIBLE FOR PAYING ANY AND ALL OVERAGE FEES AND ASSOCIATED TAXES AND FEES THAT RESULT FROM OVER USAGE ASSOCIATED WITH ANY OF THEIR DEVICES, ACTIVATED OR NOT AT THE TIME OF INVOICING, REGARDLESS OF THE CIRCUMSTANCES THAT CAUSED THE OVER USAGE TO OCCUR.

Unlimited data plans are excluded from pooling. In the event location(s) within an ownership group have both limited plans for some locations and unlimited plans for others, pooling calculations will be performed using only the data plans for locations subscribed to limited plans.

Unless otherwise specified, all Acumera devices utilize a Cat1 cellular modem and throughput is capped at 10Mbps regardless if the device is connected to a 4G or 5G network.

SIEM Disclaimer. IF SIEM SERVICES ARE APPLICABLE TO THE AGREEMENT, ACUMERA MAY PERFORM REMEDIATION ACTIONS BASED ON RESPONSES TO CERTAIN THREAT THRESHOLDS AND CONFIGURATIONS PRE-DETERMINED BY ACUMERA AND CUSTOMER. CUSTOMER RECOGNIZES AND ACKNOWLEDGES THAT THREATS ARE CONSTANTLY EVOLVING AND EMERGING, AND WHILE ACUMERA WILL TAKE COMMERCIALY REASONABLE ACTIONS TO MODIFY ITS SOFTWARE AS NECESSARY, THIS SERVICE IS NOT A GUARANTEE OR WARRANTY THAT A SYSTEM CANNOT OR WILL NOT BE BREACHED. ACUMERA SERVICES ARE INTENDED TO BE A COMPONENT OF A BROADER NETWORK SECURITY PLATFORM. FURTHER, ACUMERA DOES NOT GUARANTEE OR WARRANTY THAT THERE WILL NOT BE UNINTENDED CONSEQUENCES RELATED TO REMEDIATION ACTIONS, INCLUDING BUT NOT LIMITED TO TERMINATION OF SYSTEMS, APPLICATIONS OR PROCESSES BELIEVED TO BE MALICIOUS ACTIVITY.

ACUMERA SHALL NOT BE LIABLE FOR CLAIMS BASED ON MODIFICATIONS OR ADAPTATIONS PERFORMED BY ANYONE OTHER THAN ACUMERA OR ITS REPRESENTATIVES. IN ADDITION, ACUMERA SHALL NOT BE LIABLE FOR CLAIMS BASED ON THE FAILURE TO INSTALL, PROPERLY INSTALL, OR RE-INSTALL A SENSOR ON A CUSTOMER ENDPOINT, AS INSTALLATION OF SENSORS IS SOLELY CUSTOMER'S RESPONSIBILITY. FURTHER, ACUMERA SHALL NOT BE LIABLE FOR ANY CLAIMS INCLUDING, BUT NOT LIMITED TO, CLAIMS FOR INFRINGEMENT FOR EQUIPMENT NOT MANUFACTURED BY AND/OR OWNED BY ACUMERA.

High-Risk Use. CUSTOMER SHALL NOT USE THE SOFTWARE IN ANY APPLICATION OR SITUATION WHERE A SOFTWARE FAILURE COULD LEAD TO DEATH OR SERIOUS BODILY INJURY OF ANY PERSON, OR TO SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGE ("HIGH RISK ACTIVITIES"). ACUMERA AND ITS LICENSORS SPECIFICALLY DISCLAIM ANY EXPRESS OR IMPLIED WARRANTY OF FITNESS FOR HIGH-RISK ACTIVITIES, AND ACUMERA AND ITS LICENSORS SHALL HAVE NO LIABILITY OF ANY NATURE AS A RESULT OF ANY SUCH USE OF THE SOFTWARE.

The foregoing limitations, exclusions and disclaimers shall apply, regardless of whether the claim for such damages is based in contract, warranty, strict liability, negligence, tort or otherwise. Insofar as applicable law prohibits any limitation herein, the parties agree that such limitation will be automatically modified, but only to the extent so as to make the limitation permitted to the fullest extent possible under such law. The parties agree that the limitations on liabilities set forth herein are agreed allocations or risk constituting in part the consideration for Acumera's provision of Services to Customer, and such limitations will apply notwithstanding the failure of essential purpose of any limited remedy and even if a party has been advised of the possibility of such liabilities.

Circuit Monitoring and Repair Services. Acumera will monitor designated end-user data circuits for connectivity. The end-user circuit is defined as the copper or fiber loop from the end user site (excluding any CPE). Upon detecting an outage, Acumera will generate an internal trouble ticket, typically within 6 minutes of detecting the outage. Acumera will provide email notification and attempt to contact the site during normal business hours to conduct local trouble shooting. In general, the process includes verifying power, modem/router light status and power cycling device(s). Note, there are some variables depending on last mile circuit type. If it is determined that there are no issues with the local environment and service has not been restored, Acumera will contact the circuit provider to open a service ticket. The Acumera support group will work with the provider through issue resolution. Certain last mile events will require a provider technician dispatch. When this occurs, it is common for the customer to experience a multi-day outage until the provider can isolate and solve the issue. In the event either party's performance is delayed, prevented, obstructed, or inhibited due to any Act of God, fire, casualty, flood, war, strike, lockout, epidemic, destruction or non-elective shut-down of facilities, riot, insurrection, governmental acts or directives, or any cause beyond either party's reasonable control, Acumera's performance will be excused and there will be no grounds for a declaration of default by either party.

Installation Appointment Cancellation and Turn-Away Fees. It is the Customer's responsibility to keep scheduled installation appointments. Remote installation appointment cancellations made less than two (2) business days in advance will result in a \$150 rescheduling fee. On-site Installation appointment cancellations made less than two (2) business days in advance will result in a \$250 rescheduling fee. On-site installation appointments cancelled on the day scheduled for will result in an additional \$75 turn-away fee (\$325 total).

Expedited Installations. Acumera's standard turn-around to schedule and complete an installation, once all of the necessary documents and signatures have been completed and provided to Acumera by Customer, is ten (10) business days. Expedited turn-arounds are offered and can be completed in as little as three (3) business days subject to an Expedited Installation fee indicated above. Expedited installations cannot be scheduled until all of the necessary documents and signatures have been completed and provided to Acumera by Customer.

Remote Installations. Acumera will provide installation services in one (1) hour windows for CXD installs and two (2) hour windows for Firewall installs. Should the installation take longer than the scheduled window, Customer agrees to pay for any additional time needed to complete an installation at the additional hours fees noted in the schedule above. Additional hour fees are per additional hour billed in hourly increments. Business hour remote installations occur Monday through Friday between 7AM and 7PM EST local time. Extended hour remote installations that occur on weeknights occur Monday through Friday between 7PM and 12AM local time. Extended hour remote installations that occur on weekends occur Saturday and Sunday between 7AM and 5PM EST. The prices for access point, cellular gateway and switch installations assume the installation of these devices occurs at the time of firewall or CXD Installation and exclude any cabling required.

Customer Requirements for Remote Installations:

- Installations take place during standard business hours (Monday thru Friday 7am to 7pm). Installations outside of standard business hours will be charged the Extended Hours rate indicated above.
- Customer must choose a location for the CXD or Firewall and any other Acumera provided equipment to be installed. Location(s) must be elevated, clean and such that the equipment is unlikely to be damaged due to spills or other misuse. CXD or Firewall location must be in close proximity to the customer's Internet modem/router and other network gear that must be connected to the CXD or Firewall.
- Acumera requests a 2-week lead time from the submission of all required paperwork (CNSAs, SOWs, Work Order, etc.) to ensure proper scheduling and material procurement.
- A list of all business applications must be provided to Acumera prior to installation to ensure the CXD or Firewall is configured properly to allow those applications to function as before.
- Contact information for vendors providing various connected systems (networked) must be provided to Acumera in the event troubleshooting is necessary to restore connectivity or troubleshoot other issues after the firewall installation.
- Customer must provide Acumera installation technician with Login credentials (username and password) for any existing routers, modems or firewalls currently in use at location.
- If a remote installation is to be performed, Customer must have administrative privileges for and access to a PC on the location's existing network.

Remote Installation Scope of Work:

- Customer will place/mount the CXD, firewall or other equipment (if applicable) in a suitable location (see requirements below), plug it in and connect appropriate patch cables for the Internet modem/router, POS device(s) and other connected systems to the CXD or firewall and vice versa and to patch panel (if any) as necessary for proper security configuration/segmentation.
- If an external wireless access point(s) is to be installed, customer will locate a suitable location and mount the access point(s). Customer will install PoE injector and connect it to cable running to access point(s).
- If an external cellular gateway is provided, the cellular gateway should be mounted on the wall near the firewall and must NOT be placed to rest directly on top of the firewall or any other electronic equipment as connectivity to the cellular network will be unreliable.
- Acumera installation technician will work remotely with on-site customer contact to configure the CXD or firewall.
- Acumera will work with an on-site contact to have them test each application specified for connectivity and to ensure they are functioning as they were prior to the installation of Acumera Services. - Post-install connectivity or access issues associated with Business applications that Acumera was not made aware of prior to installation. Acumera can only configure for and test applications that we are aware of and cannot troubleshoot or resolve issues where contact with another vendor is needed but not provided.

Acumera will provide on-site installation services in one (1) hour windows for CXD installs and two (2) hour windows for Firewall installs. Should the installation take longer than the scheduled window, Customer agrees to pay for any additional time needed to complete an installation at the additional hours fees noted in the schedule above. Additional hour fees are per additional hour billed in hourly increments. Business hour on-site installations occur Monday through Friday between 7AM and 7PM EST. Extended hour on-site installations that occur on weeknights occur Monday through Friday between 7PM and 12AM EST. The prices for access point, cellular gateway and switch installations assume the installation of these devices occurs at the time of firewall or CXD installation and exclude any cabling required.

Customer Requirements for On-Site Installations:

- All requirements listed above for remote installations
- All areas of work to be completed will be accessible to installer with minimal delays.
- On-Site installations take place during standard business hours (Monday thru Friday 7am to 7pm). Installations outside of standard business hours will be charged the Extended Hours On-Site rate indicated above.

Acumera is not responsible if applications are not functioning as they were prior to installation if they are not identified by the on-site contact for testing.

On-site Installation Out of Scope Work: The customer shall negotiate directly with Onsite Engineer/technician for any work that is considered to be out of scope including labor and materials as required. On-site installation work is subject to the conditions noted below:

Technical or other notes:

ACKNOWLEDGEMENT

Customer submits this work order and acknowledges the following terms:

1. Providing the information requested on this Work Order accurately and completely is critical for Acumera to successfully perform the installation and configuration of our services. Information that is inaccurate or missing will likely result in delays installing Acumera services and will likely cause greater business disruption during and after the installation.
2. This Participation Agreement (the “**Agreement**”) is entered into on _____, between the customer named on the signature page of this Agreement (“**Customer**”) and Cineplex Digital Media Inc., successor to EK3 Technologies Inc. (“**Vendor**”), pursuant to that certain Master Service Agreement and Software License dated December 16, 2015, as amended (the “**MSA**”), between Vendor and American Dairy Queen Corporation (“**ADQ**”). Pursuant to the MSA, ADQ has engaged Vendor to provide to Participating Sites (as defined in the MSA), certain services relating to the ADQ interior digital menu board signage program (the “**DMB Program**”). All capitalized terms used in this Agreement have the definitions given to them in the MSA unless otherwise defined herein.

In consideration of the mutual covenants herein contained and other good and valuable consideration (the receipt and sufficiency of which is hereby acknowledged), the parties covenant and agree as follows:

1. Vendor shall provide the Services to operate the DMB Program at the Customer’s Participating Site.
2. Customer shall pay the fees set forth in Schedule A attached hereto in the manner set forth therein. To activate the commencement of the Services, Customer shall deliver an executed copy of this Agreement to Vendor, together with payment of the total fees for Equipment and Installation and one year’s worth of monthly Services for the Participating Site, on a pro-rated basis for the remainder of the calendar year. Vendor will then invoice the Customer for the annual Service fees for the following year on or before the start of the next calendar year, or date to be determined by Vendor in its sole discretion, and Customer shall pay such amounts within thirty (30) days of receipt of the invoice. If Vendor changes its billing practice from billing on the anniversary of the Installation Date to a fixed date or other payment cycle, it shall provide Customer with at least sixty (60) days prior written notice. If Customer’s total annual fees are greater than \$300, and Customer pays the total balance owing in advance of the due date will receive a 2% discount off their total annual fees.
3. Customer acknowledges and agrees that the Service fees are non-refundable in the event the franchise is sold or assigned, and that all paid-up Service fees will be transferred to the new owner once this Agreement has been successfully assigned. Service fees will be refunded on a pro-rata basis in the event that a store closes.
4. For Participating Sites in Canada, CDN will use an US/Canadian exchange rate of 1.21 (\$100 USD = \$121 CDN). The exchange rate shall be reviewed quarterly against the rate set by the Bank of Canada, and the fees will be adjusted if the rate is five points above or below the exchange rate set out above. CDN will provide thirty (30) days prior written notice of any fee adjustments.

5. This Agreement begins when fully executed by both Customer and Vendor, and continues for a period of five (5) years, unless earlier termination of this Agreement or the expiration or termination of the MSA. Customer may terminate this Agreement for convenience, upon thirty (30) days written notice to CDM. In the event Customer terminates this Agreement for convenience, CDM will refund, on a pro-rated basis, any fees previously paid for services that have not been delivered as of the date of termination of this Participation Agreement. In the event of termination by Customer, Customer shall reimburse Vendor for any warranties that were paid in advance on behalf of Customer on a pro-rated basis from the amount paid by Customer prior to the date of termination (this amount will be provided by Vendor to Customer when notice of termination is given to Vendor).
6. Vendor will use all commercially reasonable efforts to make the Subscription Services available 24/7/365, except for (a) planned maintenance; (b) any unavailability caused by circumstances described in Section 8 below; or (c) any unavailability caused by any failure on the part of ADQ, Customer or any other person (other than Vendor and its contractors). their capacity, including the provision of relevant information and completion of rudimentary tasks as reasonably requested by the Level 1 Help Desk service representative. Customer will ensure that any dispatched technician to the Participating Site is provided with immediate access to the equipment interfacing with or connecting to the Subscription Services and is otherwise provided with such assistance or resources as they might reasonably request.

- f) Routine cleaning and aesthetic maintenance of all Equipment, including the removal of dust, grime or dirt using a non-abrasive cleaning agent, and the replacement of Media Player filters if and when required.
 - g) Complying with all operating, maintenance and other instruction or best practices contained in documentation, including any Equipment user manual or otherwise made known to them.
8. Customer will be charged additional fees of one hundred fifty U.S. dollars (US\$150) per hour for any work Vendor Support Team performs on non-Eligible Incidents. Customer will be charged additional fees of one hundred fifty U.S. dollars (US\$150) per hour for any work Vendor Support Team performs on equipment not purchased through Vendor. Customer will be charged additional fees of one hundred fifty U.S. dollars (US\$150) per hour for any work Vendor Support Team performs on equipment purchased through Vendor but whose warranty has expired.
9. Neither Vendor nor its contractors will be liable to Customer for failure or delay in fulfilling any of its obligations if that failure or delay is attributable to circumstances beyond its reasonable control, including any act of God, fire, labour dispute or government measure.
10. The Subscription Services and the software comprised therein constitute Vendor's valuable intellectual property. Customer agrees not to sell, share, distribute, or transfer the Subscription Services or the software comprised therein or any copies thereof to or with any person in any manner. Customer also agrees not to attempt to copy, reverse engineer or decompile the software comprised in Subscription Services in any way.
11. Any non-public information pertaining to Customer or Vendor, which comes into the other's possession will be held in confidence and not used for any purpose unrelated to this Agreement.
12. Vendor will indemnify Customer against any claim by a third party that the Subscription Services or Software infringe the intellectual property rights of that third party and for any damages, costs and expenses (including reasonable attorney fees) attributable to Vendor's gross negligence or willful misconduct in performing services under this Participation Agreement.

13. Customer will indemnify Vendor and its affiliated and subsidiary companies and their respective officers, directors, employees, agents, suppliers, successors and assignees from and against any and all third party claims and the damages, losses, fines, penalties, costs, and other amounts (including reasonable attorneys' fees actually incurred) arising from or in connection with any actual or threatened third party claim, demand, investigation or cause of action (each, a "Claim") arising from or relating to bodily injury (including death) or damage to or loss of any tangible property unless caused by the acts, negligence, or Omissions of the Vendor, its employees, contractors, representatives or those for whom it is responsible at law.
14. Customer shall maintain at its own sole expense throughout the Term of this Participation Agreement a comprehensive general liability insurance policy with minimum coverage of at least one million dollars (\$1,000,000) per occurrence and at least two million dollars (\$2,000,000) in the aggregate, covering bodily and personal injury, including death, and property damage. Such coverage shall cover Vendor as an additional insured. Customer will provide copies of all insurance policies evidencing such coverage to the Vendor upon request. Customer's failure to maintain the required insurance coverage shall constitute a material breach of this Agreement.
15. If Customer breaches any of the Customer's obligations under this Agreement, Vendor may suspend or terminate the Customer's right to access and use the Subscription Services and software.
16. Customer may not assign any of Customer's rights or obligations under this Agreement to any person without the prior written consent of Vendor.
17. Customer agrees that all terms and conditions described in this Agreement are binding and will therefore abide to its provisions.

The parties have executed this Agreement on the date first written above.

2. CODE COMPLIANCE

- A. All Plans provided by ADQ are subject to final review and approval by the developer and/or landlord as well as the local building officials for Licensee's restaurant/store location.
 - B. The Plans provided by ADQ are per Minnesota code and may not comply with specific state and local requirements throughout the country. IT IS THE LICENSEE'S RESPONSIBILITY TO VERIFY THE COMPLIANCE OF THESE PLANS WITH LOCAL, STATE AND FEDERAL LAWS AND BUILDING CODE REQUIREMENTS AND TO REVISE THE PLANS ACCORDINGLY. THE COST TO REVISE SUCH PLANS IS TO BE BORNE BY THE LICENSEE.
 - C. Under the Americans with Disabilities Act ("Act"), certain handicap accessibility requirements are placed on any "person" who owns, leases, leases to, or operates a place of public accommodation. As an owner, lessor, or operator of a restaurant, ADQ Licensees are liable for failures to accommodate disabled people as provided for in the Act. While ADQ employs its best efforts to see that all plans prepared by it comply with the ADA Accessibility Guidelines, it is not an insurer of and does not guarantee compliance, and cannot be responsible for failures by Licensees, their architects, or their contractors to construct buildings that comply with the Act. Consequently, you are advised to seek your own legal counsel in regard to ADA Accessibility Compliance and to ensure that the contractors with whom you work are aware, knowledgeable about, and committed to producing buildings in compliance with the Act.
3. The purpose of the Plans is to establish the design and construction standards for the prototype building. These Plans identify the brand image, design components and DQ® standards required and include:
- A. Site design
 - B. Equipment layout and specifications
 - C. Exterior and interior building finishes
 - D. Exterior and interior details
 - E. Exterior Signage
 - F. Structural drawings to be utilized for establishing structural component sizes and spans.
 - G. Mechanical design
 - H. Electrical design
 - I. Plumbing design
4. It is the responsibility of the Licensee and its licensed professionals to determine the most appropriate building structural system for the selected site. The Plans specify wood construction, however, an alternative system may be utilized that does not alter the building image and brand identity.

5. OWNERSHIP AND MODIFICATIONS TO THE PLANS--If the Plans are modified by anyone other than ADQ, Licensee shall submit a copy of the modified plans to ADQ for review and written approval. Construction of a modified building shall not commence without plan approval from ADQ. ADQ must approve in writing any proposed alteration to previously approved building plans, including those ADQ or designee prepares. Further, if your local architect makes revisions to ADQ Plans, these revisions shall become the property of ADQ, and ADQ has the right to use those plans in any manner in the future.
6. EXPIRATION OF PLANS-- Plans provided by ADQ are valid for six months from the date of issuance. After the six-month time period, Plans will no longer be valid unless Licensee has obtained a written extension from ADQ.
7. ACKNOWLEDGMENT OF LICENSEE'S CONSTRUCTION RESPONSIBILITIES--See attached Exhibit "A."
8. TO PROCEED, you must first sign this agreement and the attached Non-Disclosure Letter, and send them to:

AMERICAN DAIRY QUEEN CORPORATION

Unless your store is a new ARD or NRD restaurant for which you paid the full, applicable initial franchisee fee, you must include a check made payable to "American Dairy Queen Corporation" for payment of the base fee of \$3,000.00 indicated above.

9. LIABILITY AND INDEMNIFICATION--Licensee waives all claims against ADQ for damages to property or injuries to persons arising out of the design and/or construction of Licensee's building pursuant to this Agreement or in any way relating to the Plans or this Agreement. Licensee must fully protect, indemnify and defend ADQ and its affiliates and hold them harmless from and against any and all claims, demands, damages, and liabilities of any nature whatsoever arising in any manner, directly or indirectly, out of, in connection with, or incident to the Plans, the franchised location, this Agreement (regardless of cause or any concurrent or contributing fault or negligence of ADQ) or any breach or failure to comply with this Agreement.
10. INSURANCE--Licensee must purchase and maintain at its own expense liability insurance in an amount equal to the greater of (a) \$2,000,000 per occurrence or a higher amount that ADQ may in the future require of similarly situated Licensees, (b) the amount the lessor of the Restaurant premises may require or (c) the amount required under Licensee's operating agreement for the location. The insurance coverage must start no later than the date Licensee begins construction. Licensee must deliver to ADQ a certificate of insurance and additional

insured and other endorsements showing compliance with this section. The insurance coverage must:

- A. Insure Licensee, ADQ, ADQ's affiliates and any other person or entity designated by ADQ by name from liability for any and all such damage and injury;
- B. Be written with a company rated no less than "A" by AM Best Insurance Rating;
- C. Name ADQ and its affiliates as an additional insured; and
- D. Provide that ADQ will be given 30 days' prior written notice of material change in or termination or cancellation of the policy.

ADQ does not represent or warrant that any insurance that Licensee is required to purchase will provide adequate coverage for Licensee. The requirements of insurance specified in this Agreement are for ADQ's protection. Licensee should consult with its own insurance agents, brokers, attorneys and other insurance advisors to determine the level of insurance protection it needs and desires, in addition to the coverage and limits required by ADQ.

11. **DISCLAIMER**--ADQ makes no warranty or representation regarding the Plans or any services or workmanship undertaken pursuant to those Plans. It is essential that Licensee performs its own due diligence to determine whether architects, contractors, and others are qualified and right for the needs of the project. It is Licensee's sole responsibility to ensure that it complies with all applicable federal, state, and local laws, codes and regulations.

ACKNOWLEDGMENT OF LICENSEE'S CONSTRUCTION RESPONSIBILITIES

GENERAL

1. ENVIRONMENTAL SURVEYS/SOILS TESTING--It is the sole responsibility of Licensee to perform all environmental surveys of the property, including soils tests, and ADQ expressly disclaims any responsibility or liability for the environmental surveys. Soils tests shall include recommendations on building footings, foundation, and parking lot construction. It is STRONGLY recommended by ADQ that a qualified expert perform any tests prior to the purchase or lease of any property.
2. SITE INFORMATION--If a site feasibility drawing was prepared by ADQ for the location, its intent is to show, on a preliminary basis only, the relationship of the building and parking lot within the site. It is not a construction document but rather a guide for a civil engineer. Licensee should contract with a civil engineer to prepare drawings for the location. These drawings should include, but are not limited to:
 - A. Topography and boundary survey
 - B. Drainage/water retention plan
 - C. Final site and grading plan setting building floor slab elevation
 - D. Utilities connections from the building to sources off site
 - E. Site details (i.e., curb detail, parking lot section, culvert/ drain details, etc.)

BIDDING THE PROJECT

1. It is recommended that Licensee secure at least three bids from qualified, licensed contractors for the project. The contractors should submit an A.I.A. document A305-Contractor's Qualification Statement with their bid. This will provide background information on the contractor.
2. Items required by the contractors to bid the project include the drawings, specifications, owner supplied civil drawings, and a copy of the soils report.
3. It is ADQ's recommendation that Licensee require the bidding contractors to include in their bids to Licensee a performance bond equal in price to that of the proposed contract sum. This requirement should be made known to the bidding contractors at the time of letting the project out for bid.

SITE WORK

1. A provision has been made within the drawings for landscaping. It is recommended that Licensee contract with a local landscape architect to prepare the drawings and incorporate them into the site drawings. This should be a part of the general contractor's price, and Licensee should ensure contractors provide bids for this work.
2. Site lighting is indicated on the site feasibility plan. Refer to the plan electrical sheets for exact specifications of light fixtures. Verify local code requirements for specific lighting regulations.
3. The trash enclosure matches the aesthetics of the building. Licensee should inform the site engineer so that a detail can be provided within the site documents.
4. If Licensee is contemplating an underground sprinkler system in the future, a 4" PVC pipe should be laid underneath the drive aisles adjacent to landscape areas to facilitate waterlines without trenching the new paving.

BUILDING PLANS

1. No provision has been made for a floor safe. If one is desired by Licensee, he/she needs to inform the contractors at bid letting.
2. The footing and foundation depths on the drawings are illustrative only. Foundation requirements are to be made on a site specific basis and are dependent on local codes, ordinances and soils test results.
3. If a washer and dryer will be used in the building, electrical and plumbing connections need to be provided. Licensee should communicate this requirement to contractors prior to bidding.
4. The HVAC units on the roof are sized based on design load calculations and an average yearly temperature in the state of Minnesota. Heat loss/heat gain calculations need to be made by a mechanical engineer taking into consideration design load at the store location. The size of the unit may have to be adjusted. The need for a heat loss/gain calculation should be brought to the attention of the bidding contractors.
5. If a fireplace for the interior or exterior is to be installed (upon approval by ADQ) all specifications must comply with governing codes and regulations including safety protections from heat.

LICENSEE SUPPLIED ITEMS

1. There are several building components Licensee is to provide to the general contractor, which Licensee can purchase through N. Wasserstrom & Sons or its designee. Because of long lead time requirements, it is essential that Licensee order these items prior to ground break so as to not impede construction. These items may include:
 - A. D.T. window
 - B. Walk-in cooler/freezer
 - C. Soft serve machines
 - D. Magnetic loop drive-thru detection system
 - E. Fryers
 - F. Clamshell Grill
2. If Licensee is to supply any other items related to the construction of the store, these items should be identified prior to requesting bids in order to avoid double bidding. These items may include but are not limited to the following:
 - A. Mood/Muzak (music system)
 - B. Integrated Technology Platform
 - C. Soft Drink System
 - D. Linen Supply (toilet accessories, hand washing supplies)
 - E. Menu Boards
 - F. Signage
 - G. Grease Retrieval
 - H. Exhaust Hoods
 - I. Décor Items

Concept: _____

City/State/Zip: _____

1. Scope of Construction Consultation Services: The activities described in Exhibit “A” attached.

2. Cost of Services: The cost of the construction coordination services will vary depending primarily upon: (1) whether your project involves construction of a new restaurant or the relocation/replacement of an existing restaurant; and (2) whether your new restaurant is in a freestanding building or a leased multi-tenant structure such as an enclosed mall, open air shopping center, strip center, C-Store or non-traditional site.

New Units: If you are constructing a new (NRD/ARD) freestanding restaurant, the cost of the service is \$7,500. If your new restaurant is located in a multi-tenant structure (such as an enclosed mall, open air shopping center, C-Store, strip center) to which you will only be making tenant improvements, the cost of the services is \$5,000. The full fee must be paid when you sign this Agreement. **If you paid a full NRD/ARD initial franchise fee to ADQ, the cost of the service is included in the initial franchise fee.** If your project is cancelled, you will receive: (1) a refund of the entire fee if your building plans have not been submitted to ADQ for review; or (2) a refund of the fee less \$1,500 at any time before construction begins; or (3) no refund after construction begins.

Replacements, Relocations and Remodels: If you are replacing, relocating or remodeling your existing *DQ* restaurant facility, the cost of the service will be \$7,500. 3. To Proceed: Sign and date this agreement and send to American Dairy Queen Corporation, 8000 Tower, Suite 700, 8331 Norman Center Drive, Bloomington, MN 55437, Attn: Construction Department.

4. Acknowledgment: The undersigned acknowledges that ADQ’s obligation under this agreement shall be limited to providing construction consultation services in concert with the project’s selected general contractor and architect for the construction of, and installation of equipment, in the restaurant. ADQ is not responsible for the actual construction of the restaurant, installation of equipment therein, delays in construction, construction or architectural errors or omissions, cost overruns, change orders or any consequential costs, expenses, injuries or damages arising out of or relating to any of those events or conditions, or to the actual construction of, or installation of equipment in the restaurant. ADQ will not provide construction consultation services on projects that are not under contract with, and

under the supervision and control of, a general contractor licensed to work in the city and state where the project is located. Furthermore, the Licensee understands that the scope of services to be provided are specifically limited to those that are described in the attached Exhibit "A" and are not intended to provide a "turn-key" service to the Licensee. ADQ is not responsible for ensuring that the restaurant to be constructed complies with building standards or legal requirements, including, but not limited to, architectural, structural, mechanical, electrical, accessibility (including without limitation those under the Americans with Disabilities Act), and other standards.

5. Additional Billing: If ADQ's construction consultant must be on site for purposes of consulting longer than specified in Exhibit "A" due to delays or complications beyond the control of ADQ, the Licensee agrees to pay ADQ an additional sum of \$200.00 per day for each day the construction consultant is available on site. Should the construction consultant have to make a return visit, related travel expenses, including, but not limited to, air travel, meals and lodging, will be added to the daily \$200.00 fee.

6. Liability and Indemnification: Licensee waives all claims against ADQ for damages to property or injuries to persons arising out of the design and/or construction of Licensee's building. Licensee must fully protect, indemnify and defend ADQ and its affiliates and hold them harmless from and against any and all claims, demands, damages and liabilities of any nature whatsoever arising in any manner, directly or indirectly, out of, in connection with, or incident to the franchised location, this Agreement (regardless of cause or any concurrent or contributing fault or negligence of ADQ) or any breach or failure to comply with this Agreement.

7. Insurance: Licensee must purchase and maintain at its own expense liability insurance in an amount equal to the greater of (a) \$2,000,000 per occurrence or a higher amount that ADQ may in the future require of similarly situated Licensees, (b) the amount the lessor of the Restaurant premises may require or (c) the amount required under Licensee's operating agreement for the location. The insurance coverage must start no later than the date Licensee begins construction. Licensee must deliver to ADQ a certificate of insurance and additional insured and other endorsements showing compliance with this section. The insurance coverage must:

- A. Insure Licensee, ADQ, ADQ's affiliates and any other person or entity designated by ADQ by name from liability for any and all such damage and injury;
- B. Be written with a company rated no less than "A" by AM Best Insurance Rating;
- C. Name ADQ and its affiliates as an additional insured; and
- D. Provide that ADQ will be given 30 days' prior written notice of material change in or termination or cancellation of the policy.

ADQ does not represent or warrant that any insurance that Licensee is required to purchase will provide adequate coverage for Licensee. The requirements of insurance specified in this Agreement are for ADQ's protection. Licensee should consult with its own insurance agents, brokers, attorneys and other insurance advisors to determine the level of insurance protection it needs and desires, in addition to the coverage and limits required by ADQ.

CONSTRUCTION CONSULTATION SERVICES AGREEMENT

THE SERVICES PROVIDED ARE AS FOLLOWS:

1. Consult with the Licensee in the plan review process and with state and local regulatory agencies relevant to compliance with building, health and fire codes. It is the Licensee's sole responsibility to ensure that the plans conform to all state and local codes. (Construction plans and specifications provided by ADQ are design intent drawings based on Minnesota state codes.) (Site-specific changes will need to be made to the plans by the local architect hired by the Licensee).
2. Review availability of utilities (i.e. gas, electricity, sewer and water) to the site/space with the Licensee. Freestanding locations may require, at ADQ's discretion, an on-site visit relative to building location, ingress, egress, sign locations, parking and landscape requirements.
3. Review construction bids with the Licensee and consult with the Licensee in selecting a general contractor for the project, considering price, reputation, and ability to perform. The actual selection of the qualified contractor is the Licensee's sole responsibility.
4. Assist the Licensee and bidding general contractors in reviewing plans and information gathered in the above-mentioned functions to facilitate the submission of more accurate and competitive bids to the Licensee. ADQ recommends that all contract documents be completed on AIA forms.
5. Consult with the Licensee to obtain the required permits from the state and local authorities. It is the Licensee's and/or contractors sole responsibility to obtain permits. It is also the responsibility of the Licensee or contractor to submit the application with proper fee and time allowance to obtain necessary permits on a timely basis. Failure to do so may delay construction.
6.
 - A. Scope of Services for freestanding locations:
Review conditions and work progress with the Licensee and contractor to avoid non-compliance with plans, delays or additional costs. Means of review will be by actual on-site inspections conducted by ADQ personnel or a third party retained by ADQ that consist of a pre-construction inspection or an underground inspection at ADQ's discretion based on the project's needs, rough-in inspection and punch list inspection. Review will also include digital photos, phone conversations and e-mail communication with the general contractor, job superintendent, Licensee and field personnel on a regular basis.
 - B. Scope of Services for tenant improvements in multi-tenant structures:
Review conditions and work progress with the Licensee and general contractor in an effort to avoid non-compliance with plans, delays or additional costs. Means of review will be by actual on-site inspections conducted by ADQ personnel or a third party retained by ADQ that consist of a rough-in inspection and a punch list inspection. Review will also include digital photos, phone conversations and e-mail communication with the general contractor, job superintendent, Licensee and field personnel on a regular basis.
 - C. Scope of Services for Remodel Locations:
Review of conditions and work progress with the Licensee and contractor to avoid non-compliance with plans, delays or additional costs. Means of review will be by digital photos, phone conversations and e-mail communication with the general contractor, job superintendent, Licensee and field personnel on a regular basis. Review will also consist of up to three actual on-site inspections that consist of a pre-construction or an underground inspection at ADQ's discretion based on the project's needs, rough-in and punch list inspection conducted by ADQ personnel or a third party retained by ADQ.
7. Consult with the Licensee on handling payments to the general contractor when payment applications are made. Money should be disbursed per the construction contract guidelines. Owner must determine whether lien waivers have been obtained and is responsible for obtaining partial and final lien waivers.

8. Consult with the Licensee concerning the process of unloading equipment, initial equipment inspection and acceptance of equipment. The Licensee is solely responsible for determining if items are missing or damaged and for filing any and all claims with the appropriate parties.
9. The Licensee is responsible for the unloading, placement, installation and hook up of all approved equipment. This is to be accomplished through the general contractor, subcontractors and laborers. The ADQ construction consultant will consult with the Licensee concerning the supervision of the equipment installation process. The Licensee is solely responsible for requiring that the general contractor, subcontractor and laborers are available, as determined by the construction consultant, at the appropriate times to comply with the installation schedule. Failure to make such arrangements may delay the equipment installation.
10. For new locations (but not remodels) certain pieces of equipment require a breaking-in period of several days' running time. The Licensee acknowledges that he/she is solely responsible for the final adjustments to these pieces of equipment and is aware that this may require hiring local trade services. The Licensee is required to employ a qualified technician to make proper adjustments to the soft serve machine(s), shake machine(s), *Mr. Misty*® machine, ice machines, display freezers, walk-in cooler/freezers, fryers, chain broilers and other items. Final equipment adjustments should occur once the machines have been operated with actual product.
11. Provide a project final punch list of shortcomings and deficiencies in relation to approved construction plans, addenda, change orders, construction contract and workmanship. Consultant will review all punch list items with the Licensee, Operations field force and general contractor prior to leaving the job site. It is the Licensee's responsibility to ensure that the general contractor completes all punch list items prior to final payment.
12. Consult with the Licensee in obtaining the final approvals of the necessary agencies for building occupancy. The contractor is responsible for contacting the required agencies to make final inspections for the purpose of obtaining the occupancy permit.
13. Consult with the Licensee regarding construction warranty work the contractor may be required to provide. For equipment warranty, the Licensee must work with its equipment vendor.
14. Consult with the Licensee at the Licensee's request to verify that the proper documentation is received from the general contractor (i.e. lien releases, inspection reports) prior to project closeout.

GENERAL NOTES:

1. All design changes to the building and equipment must be made prior to ADQ final plan approval, obtaining final bids and signing of the construction contract. Changes made after signing the contract may result in additional costs to Licensee. **NO CHANGES ARE TO BE MADE WITHOUT NOTIFYING THE CONSTRUCTION CONSULTANT AND OBTAINING WRITTEN APPROVAL FROM ADQ.**
2. All locally furnished approved equipment should be made available to the general contractor to keep construction on schedule. No unapproved equipment will be installed.
3. Bids can be influenced by local governing regulations and requirements, developers' design criteria, and actual site as built conditions. The general contractor shall include all items in the bid. However, because of timing or unforeseen circumstances, some of these items may be added to the total construction cost via approved change orders and paid by the Licensee.
4. ADQ does not assume any responsibility for construction cost overruns or costs associated with opening delays. All construction costs, late fees, rental commencement charges, etc., associated with the project opening are the sole responsibility of the Licensee.

International Dairy Queen, Inc. and Subsidiaries

(A Wholly Owned Subsidiary of Berkshire Hathaway Inc.)

Consolidated Financial Statements as of
December 31, 2025 and 2024, and for the
Years Ended December 31, 2025, 2024, and 2023,
and Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of International Dairy Queen, Inc.

Opinion

We have audited the consolidated financial statements of International Dairy Queen, Inc. and subsidiaries (the "Company"), a wholly owned subsidiary of Berkshire Hathaway, Inc., which comprise the consolidated balance sheets as of December 31, 2025 and 2024, and the related consolidated statements of operations and comprehensive income, changes in stockholder's equity, and cash flows for each of the three years in the period ended December 31, 2025, and the related notes to the consolidated financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025 and 2024, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

INTERNATIONAL DAIRY QUEEN, INC. AND SUBSIDIARIES

(A Wholly Owned Subsidiary of Berkshire Hathaway Inc.)

Notes to Consolidated Financial Statements

In thousands

1. NATURE OF BUSINESS

International Dairy Queen, Inc. (the “Company”) is a wholly owned subsidiary of Berkshire Hathaway Inc. (“Berkshire”). The Company is engaged in developing, licensing, franchising, and servicing a system of approximately 7,800 retail restaurants featuring over-the-counter sales of dairy desserts, food, and blended fruit drinks. On December 31, 2025 and 2024, the Company operated two Dairy Queen restaurants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation—The consolidated financial statements were prepared in accordance with generally accepted accounting principles (GAAP) in the United States of America and include the accounts of the Company and its affiliates after elimination of all significant intercompany balances and transactions. The Company’s fiscal year ends on December 31.

Unadopted Accounting Pronouncements— In December 2023, the FASB issued ASU 2023-09, *Income Taxes (Topic 740): Improvements to Income Tax Disclosures*, which requires disclosure of specific categories meeting a quantitative threshold within the income tax rate reconciliation, as well as disaggregation of income taxes paid by jurisdiction. This ASU, which can be applied either prospectively or retrospectively, is effective for annual periods beginning after December 15, 2025, with early adoption permitted. The Company is currently evaluating the impact of the ASU and expect to include updated income tax disclosures in the fiscal 2026 Financial Statements.

Cash and Cash Equivalents—Cash equivalents include all short-term investments with an original maturity of 90 days or less. Cash and cash equivalents are recorded at cost, which approximates their fair value.

Notes and Accounts Receivable—Accounts and notes receivable consist primarily of service fees, franchise sales fees, and advertising fees due principally from franchisees and gift card receivables. Accounts receivable are recorded net of an allowance for expected credit losses. The allowance is recognized in an amount equal to anticipated future write-offs. The Company estimates future write-offs based on delinquencies, aging trends, industry risk trends, its historical experience and current trends.

Cash Pooling Receivable from Affiliate—In 2022, the Company began participating in a centralized cash management program (cash pooling) with an affiliate, BH Finance LLC (BH Finance), a wholly owned subsidiary of Berkshire. The agreement with BH Finance allows for day-to-day cash borrowing not to exceed \$10 million with no limit on invested amounts with BH Finance. Loans to the Company bear interest at the one-month SOFR rate. Loans by the Company to BH Finance bear interest at a rate established by BH Finance. The agreement automatically renews on December 31 of each year unless either party gives notice to the other party at least ninety days prior to the renewal date, in which case the amounts must be repaid. Amounts owed to the Company are shown as cash pooling receivable from affiliate.

Inventories—Inventories consist primarily of marketing material created or purchased for resale and are carried at the lower of cost (first-in, first-out) or net realizable value.

Property and Equipment—Property and equipment is stated at historical cost. Depreciation and amortization of property and equipment are computed on the straight-line method over the estimated useful lives of the assets or the remaining term of the lease for leasehold improvements. Estimated useful lives range from 3 to 10 years for equipment, the shorter of 20 years or remaining lease term for leasehold improvements, and 15 to 40 years for buildings. Significant improvements that extend the lives of property and equipment are capitalized. Costs for repairs and maintenance are charged to expense as incurred. When property is retired or otherwise disposed of, the recorded cost of the assets and their related accumulated depreciation are removed from the Consolidated Balance Sheets and any related gains or losses are included in income.

Recoverability of Long-Lived Assets—The Company reviews the recoverability of long-lived assets, such as property and equipment, for impairment whenever events or changes in circumstances indicate the carrying value of an asset or group of assets may not be recoverable. The Company determines potential impairment by comparing the carrying value of the assets with the net undiscounted cash flows expected to be provided by operating activities of the business or related products. If the sum of the expected future net undiscounted cash flows is less than the carrying value, the Company determines whether an impairment loss should be recognized. An impairment loss is measured by comparing the amount by which the carrying value exceeds the fair value of the assets. Impairment losses on long-lived assets held for sale are determined in a similar manner, except that fair values are reduced for the cost to dispose of the assets. The measurement of impairment requires the Company to estimate future cash flows and the fair value of long-lived assets. The Company did not record any long-lived asset impairments for the years ended December 31, 2025, 2024, and 2023.

Goodwill and Intangibles—Goodwill and indefinite-lived intangibles are recorded in accordance with Accounting Standards Codification (ASC or the “Codification”) 350, *Intangibles—Goodwill and Other*, and ASC 805, *Business Combinations*. The Company evaluates goodwill and indefinite-lived intangibles for impairment at least annually. The Company did not record any goodwill or intangible impairments for the years ended December 31, 2025, 2024, and 2023. Costs associated with the acquisition or development of software for internal use are capitalized and amortized over the expected useful life of the software, generally from 3 to 7 years.

Leases—Leases are recorded in accordance with ASC 842, *Leases* which requires a lessee to recognize a liability to make lease payments and an asset for the right to use the underlying asset for the lease term. A right of use asset and lease liability is recognized for all leases with lease terms greater than one year. Right of use assets are classified as operating lease assets and represent the right to use an underlying asset for the lease term. Lease liabilities are classified as operating lease liabilities and represent the obligation to make lease payments under the lease. Operating lease liabilities are measured based on the non-cancellable lease term using a risk-free interest rate for highly liquid market securities. Operating lease assets are reviewed for impairment whenever events or changes in circumstances indicate that an operating lease asset’s carrying amount may not be recoverable.

Committed Advertising—The Company facilitates the collection of sales promotion funds from franchisees and administers programs to spend the funds for the purpose of growing sales and profits at franchised locations. Contributions to the advertising and marketing funds represent distinct performance obligations to administer the collection, spending and reporting of committed advertising activity. Franchise Advertising Committees, consisting of franchisee-elected representatives independent of the Company, approve annual promotional calendars and associated budgets and monitor performance against these budgets through periodic reporting. As a result, the Company acts as an agent of the committed advertising funds and thus records receipts and disbursements from the funds net on the balance sheet. Committed advertising, when in a net liability position, represents unexpended amounts received from franchisees to finance advertising programs. When in a net asset position, it represents expended amounts to be received from franchisees.

Revenue Recognition—Revenue is recognized when a good or service is transferred to a customer. A good or service is transferred as the customer obtains control of that good or service. Revenues are based on the consideration expected to be received in connection with the Company’s promises to deliver goods and services to its customers. Contracts include various combinations of products and services which generally are capable of being distinct and accounted for as separate performance obligations. Substantially all of the Company’s

revenues are recognized at a point in time which is when services are provided. Sales are recognized net of any taxes collected from customers which are subsequently remitted to governmental authorities.

Service fees represent continuing license fees paid by franchisees and are based on sales activity at franchised locations. Service fee revenue is recognized as the usage of the license occurs which corresponds with the sales at franchised restaurants. Incentives offered by the company are recognized as a long-term asset and amortized over the period of expected economic benefit from the investment. See footnote 5 for incentive programs offered by the Company.

Other fees and franchise sales includes fees related to supply chain, new store development and the administration of franchise contracts. Supply chain fees are recognized at a point in time as products are sold by vendors and distributors to franchised locations. New store development fees are recognized as revenue when the Company's obligations regarding services to be performed in opening a restaurant are fulfilled which is generally at the time the restaurant is opened. Fees associated with the administration of franchise contracts principally relate to sales promotion management fees and fees assessed upon transfer and termination of franchise agreements. Such fees are recognized at a point in time when the services are performed. Sales promotion management fees are recognized as a percentage of sales promotion funds reported as Committed Advertising. Such funds are generated in conjunction with the sales of products at franchised locations and are managed by the Company to provide advertising programs on behalf of its franchisees. The management fees represent revenues of the Company that are earned upon its performance obligation to oversee the collection and administration of sales promotion funds.

A portion of the fees associated with the renewal of franchise agreements and new store development are recognized over the contractual term of the agreement during which time the Company is obligated to provide continuing licensing rights. Unearned revenue, representing a contract liability, is recorded when revenue is recognized subsequent to invoicing and represents revenue related to sales of licensing rights in certain geographic areas, revenue associated with contract renewals, and revenue associated with store openings in which the Company is not required to provide store opening services to franchisees. Unearned revenue is generally invoiced at the beginning of each contract period for multi-year agreements and recognized ratably over the life of the agreement. Unearned revenue is denoted as deferred franchise income on the consolidated balance sheets.

Sales by company-owned restaurants and sales of advertising kits represent the sales of products to customers in restaurants that are owned by the Company and the sale of in-store promotional materials to franchised locations and are recognized at a point in time when

control of the product transfers to the customer, which coincides with customer pickup or product delivery or acceptance, depending on terms of the arrangement.

Income Taxes—The Company is included in the consolidated federal tax return of Berkshire. The provision for income taxes included in these consolidated financial statements is prepared on a separate company basis with certain modifications to eliminate the effects of inconsistent conclusions related to realizability as a result of inclusion in the Berkshire consolidated return.

The Company accounts for income taxes under the asset and liability method, which requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been included in the consolidated financial statements. Under this method, deferred tax assets and liabilities are determined based on the differences between the consolidated financial statements and tax basis of assets and liabilities using enacted tax rates in effect for the year in which the differences are expected to reverse. The effect of a change in tax rates on deferred tax assets and liabilities is recognized in income in the period that includes the enactment date.

In 2025, the Company adopted immediate expensing of qualifying research and experimental (“R&E”) expenditures incurred in the United States, consistent with the provisions enacted under the One Big Beautiful Bill Act (OBBBA). As a result, domestic R&E costs that were previously capitalized are now fully expensed as incurred, reducing current period taxable income and eliminating related deferred tax liabilities. The Company will continue to monitor any additional guidance or regulatory developments related to OBBBA.

In general, it is the Company’s practice and intention to permanently reinvest the earnings of its Canadian subsidiaries and that position has not changed following payment of the transition tax under the Tax Act. No deferred taxes have been provided for withholding taxes or other taxes that would result upon repatriation of undistributed foreign earnings of approximately \$11.1 million and \$8.8 million as of December 31, 2025, and 2024, respectively.

The Company records net deferred tax assets to the extent it believes these assets will more likely than not be realized. In making such determination, the Company will consider all available positive and negative evidence, including scheduled reversals of deferred tax liabilities, projected future taxable income, tax planning strategies, and recent financial operations. In the event the Company were to determine that it would be able to realize its deferred income tax assets in the future in excess of the net recorded amount, the Company would make an adjustment to the valuation allowance, which would reduce the provision for income taxes. As of December 31, 2025 and 2024, the Company had a valuation allowance of \$3.7 million.

Unredeemed Gift Card Liabilities—The Company sells stored value gift cards of various denominations at Dairy Queen restaurants and other retail stores. Cash receipts from gift card sales are classified as a current liability on the Company's consolidated balance sheets. As gift cards are presented for redemption at Dairy Queen franchised restaurants, the liability is reduced through reimbursement to franchisees for the value redeemed. Based on historical redemption rates, a percentage of gift cards will never be redeemed, and the estimated value of unredeemed gift cards is recognized as gift card breakage reducing the liability. The Company recognizes gift card breakage over time in proportion to actual gift card redemptions. Breakage is recognized as a contribution to the Committed Advertising fund less management fees.

Concentration of Credit Risk—Financial instruments that potentially subject the Company to concentrations of credit risk consist principally of cash equivalent investments, accounts and notes receivable, and cash pooling receivable from affiliate.

The Company places its cash equivalent investments with high-credit-quality financial institutions, with original maturities of 90 days or less and, by policy, limits the amount of credit exposure of any one financial institution. Accounts receivable are generally unsecured; however, concentrations of credit risk with respect to these receivables are limited due to the large number of franchisees and their dispersion across many different geographic areas. Notes receivable are generally secured by the equipment purchased or the existing franchise agreement.

Use of Estimates—The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements, the reported amounts of revenues and expenses during the reporting period and accompanying notes. Accounts affected by significant estimates include service fee accruals, tax contingencies, and allowance for credit losses. Actual results could differ from those estimates.

Foreign Currency Translation—The financial statements of subsidiaries located outside the United States are measured using the local currency as the functional currency. Assets and liabilities of these subsidiaries are translated at the rates of exchange at the balance sheet date. Income and expense items are translated at average monthly rates of exchange. The resultant translation adjustments are included in accumulated other comprehensive loss, a separate component of stockholder's equity.

Comprehensive Income—The Company’s comprehensive income consists of net income and foreign currency translation adjustments related to its investment in its Canadian subsidiary.

Retained Deficit—The Company has paid dividends to Berkshire in excess of net income and has resulted in a retained deficit on the consolidated balance sheets as of December 31, 2025 and 2024.

4. GOODWILL AND OTHER INTANGIBLES

As discussed in Note 2, the Company accounts for goodwill under the provisions of ASC 350 and ASC 805. The Codification requires business combinations to be accounted for using the purchase method of accounting and broadens the criteria for recording intangible assets other than goodwill.

Franchise rights reacquired prior to January 1, 2005, are classified in the consolidated balance sheets as goodwill. The Codification requires franchise rights reacquired subsequent to January 1, 2005, to be recognized as an intangible asset apart from goodwill. Intangibles include any reacquired franchise rights and trademarks/trade names acquired after January 1, 2005.

The Company tests goodwill and indefinite lived intangible assets for impairment on an annual basis, or more frequently if events or changes in circumstances indicate that the asset might be impaired, based on several factors, including operating results, business plans, and future estimated cash flows. The Company has elected to perform its annual tests for indications of goodwill and intangible asset impairment as of December 31 of each year. Impairment testing is done at a reporting unit level. An impairment loss is recognized when the carrying amount of the reporting unit's net assets exceeds the estimated fair value of the reporting unit. The estimated fair value is determined using a discounted future cash flow analysis.

The net carrying value of goodwill as of December 31, 2025 and 2024, includes \$1.2 million of accumulated impairment. The changes in the carrying value of goodwill for the years ended December 31 were as follows:

The Company has a deferred compensation plan that enables U.S. officers of the Company to defer a specified percentage of their cash compensation into mutual funds within a rabbi trust. The Company accounts for this deferred compensation plan in accordance with ASC 710, *Compensation*. All the funds within the plan are classified as Level 1 in accordance with ASC 820, *Fair Value Measurements and Disclosures*. This classification is based on the ability of these mutual funds to actively trade with enough frequency and volume to enable pricing information to be obtained on an ongoing basis. The Company didn't make any contributions to the plan for the years ended December 31, 2025, 2024, and 2023.

The Company periodically offers an incentive program for franchisees who invest in their stores, including remodels, technology investments, or building new stores. The programs typically offer an incentive equal to the lesser of a percentage of specific capital costs of improving or building a restaurant or a specified incentive dollar limit. The incentives generally are amortized over the period of expected increased economic benefit resulting from the investment, which ranges from 3 to 7 years, depending on the scope of the project and recorded as a reduction of service fee revenue. If a location that was awarded an incentive subsequently closes, the Company's policy is to recognize the remaining unamortized portion of the incentive in the year of the location closure. Amortization for the years ended December 31, 2025, 2024, and 2023, was \$2,521, \$3,234 and \$3,834 respectively and is
