What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Texas. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Texas than in your own state.
2. **Financial Condition** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
3. **Short Operating History.** The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
4. **Unregistered Trademark.** The primary trademark that you will use in your business is not federally registered. If the franchisor's right to use this trademark in your area is challenged, you may have to identify your business and its products or services with a name that differs from that used by other franchisees or the franchisor. This change can be expensive and may reduce brand recognition of the products or services you offer.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

Our name is Chowrastha Franchise, LLC. Our principal business address is 15851 Rolater Rd, Frisco, Texas 75035. We do not have any parent entities. We do not have any affiliates that offer franchises in any line of business. We do have an Affiliate that provides products to our Franchisees.

Our Predecessors

We do not have any predecessors.

Our Business Name

We use the names “Chowrastha Franchise, LLC” and “Desi Chowrastha”. We do not intend to use any other names to conduct business.

Agent for Service of Process

Our agent for service of process in Texas is A Registered Agent, Inc., and the agent’s principal business address is 15851 Rolater Rd, Frisco, Texas 75035. Our agents for service of process in other states are disclosed in Exhibit A.

Business Organization

We are a Texas Limited Liability Company. We were formed on 8/21/2024.

Information About Our Business and the Franchises Offered

We do not operate businesses of the type being franchised, but our Affiliate companies do.

We do not have any other business activities. We have not offered franchises in other lines of business.

We currently offer franchises for two types of System concepts: (i) A “Restaurant Only” model which has an exterior storefront, limited to plentiful seating, a “back of house” support area, and generally offers a full range of our core menu items (biryani, veggies and meats, curries, chaats and dosas, other snack-style foods, and various teas); and (ii) A “Restaurant / Convenience Store” model which offers all of the traditional offerings of the Restaurant Only model but also

provides more expansive selection of menu items and wares for sale to its customers that may be customarily found in supermarkets, convenience and grocery stores.

If you meet our qualifications and are approved by us, you (individuals, partnerships, corporations, limited liability companies, and the owners of partnerships, corporations, and limited liability companies will be referred to as “you”) will sign a franchise agreement (the “Franchise Agreement”). If the franchise is owned by more than one individual or a corporation, partnership, or limited liability company, we require that there be an owner, shareholder, partner, or member (who is reasonably acceptable to us) who will have responsibility and decision-making authority regarding the Chowrastha Restaurant’s operations and your business. If the franchisee is a corporation, partnership, or limited liability company, we will require all owners, shareholders, partners, or members to personally sign the guarantee provision in the Franchise Agreement guaranteeing the legal entity’s obligations under each agreement.

If you sign a Multi-Unit Development Agreement (attached as Exhibit C to this disclosure document), you will develop multiple Desi Chowrastha outlets, on an agreed-upon schedule. For each future unit franchise, we will require you to sign our then-current form of franchise agreement, which may be different from the form of franchise agreement included in this disclosure document.

The market for retail business that feature, and service quick service and fast casual Indian foods is intensely competitive based on factors such as location, price, service, and product quality, and is often affected by changes in consumer taste, economic conditions, population, and advertising. Competition in the restaurant business is generally intense and you can expect to compete with other Indian restaurants in a wide variety of service formats.

Laws and Regulations

Operation of a Small Business will require you to be aware of federal, state and local regulations that are common to all businesses and those laws specifically applicable to the restaurant business, including laws pertaining to food handling and safety, liquor, food labeling, sanitation, and weights and measurements, if applicable. You should also be aware of federal, state, and local employment laws and regulations, specifically including minimum wage and wage requirements. In addition, you may be required to obtain restaurant, business, occupational, food handling and other miscellaneous licenses. Some states also have laws regarding who may secure these licenses. You should consult with your own advisors and the government agencies for information on how these laws apply to you. Local law requirements vary by location.

You alone are responsible for investigating and complying with all applicable laws and regulations, despite any information that we may give you.

Prior Business Experience

We have offered franchises since September 2024. None of our affiliates has offered franchises in other lines of business. One of our affiliates, Chowrastha, LLC provides specialty food products to our franchisees.

Item 5 INITIAL FEES

Initial Franchise Fee

You will pay us an initial franchise fee when you sign the Franchise Agreement of \$75,000. The initial franchise fee is earned and non-refundable in consideration of administrative and other expenses we incur in entering into the Franchise Agreement.

Development Fee

If you elect to enter into a Development Agreement, you will pay us a development fee (“Development Fee”) at the time you execute the Development Agreement. The Development Fee will be an amount equal to \$20,000 multiplied by the number of Restaurants (other than the first Restaurant) you agree to develop. Before signing a Development Agreement, you and we will agree on the area in which you will open the Restaurants (the “Development Area”), the number of Restaurants to be developed, and a development schedule. Typically, depending on the size of the agreed-upon Development Area, our multi-unit developers would agree to develop from 2 to 5 Restaurants over a period of 1 to 4 years. That means that the typical Development Fee would range from \$20,000 to \$30,000. For each Franchise Agreement you must sign under the Development Agreement, other than your first Franchise Agreement, we credit the balance of the Development Fee, in \$20,000 increments, toward the initial franchise fee that is due as Franchise Agreements are signed. We will fully earn the Development Fee when you pay it, and you must pay us the fees in one lump sum. These fees are uniform and non-refundable.

Opening Inventory Purchase

When you purchase the franchised business, you will be required to purchase a portion of your opening inventory from our Affiliate, Chowrastha, LLC. For the Restaurant Model, this will be a \$5,000 purchase of food product and for the Restaurant/Convenience Store Model the opening food product purchase through Chowrastha, LLC will be \$25,000. These costs are uniform and non-refundable.

Notes

1. All fees payable to us or our affiliates are not refundable. Whether any of the other payments are refundable will depend on the arrangement between you and the supplier.
2. Our current initial franchise fee is \$75,000, payable when you sign a Franchise Agreement.
3. Plans, Development and Permits accounts for the costs associated with getting permitted and approved to open your restaurant business in your market. These expenses will vary greatly depending on your market and the permitting process for your location.
4. Leasehold improvements will include the cost of construction and build out of your location. This estimate includes freight, installation, and applicable state and local taxes. In addition to normal variances, the range for this item will be impacted by whether the Chowrastha Restaurant includes a drive-thru component, which typically requires additional items to accommodate the additional ordering and service platform.

5. Furniture, Fixtures and Equipment includes the cost of the restaurant furniture, fixtures and kitchen equipment to open and operate the location of the franchised business. In addition to normal variances, the range for this item will be greatly impacted by whether the Chowrastha Restaurant includes a drive-thru component which requires installation of drive-thru menu boards.

6. The cost of signage will be for purchasing and installing the signage for restaurant business. The range for this item will be impacted by whether the Chowrastha Restaurant includes a drive-thru component.

7. The IT and POS System includes the expenses to purchase the hardware and software needed to operate the restaurant business. These specific technology requirements are detailed further in Item 11.

8. The cost of acquiring or leasing a location for your Chowrastha Restaurant will vary significantly depending upon the market in which the proposed site is located. A suitable building for a traditional Chowrastha Restaurant will range in size from approximately 2,500 square feet to 5,000 square feet (up to 600 additional square feet if we allow a drive-thru component) and will likely cost from \$25 to \$55 per square foot per year. Local market conditions, changes in the economy and inflation will all contribute to your real property costs. The location of the parcel of real property, its relationship to and the nature of any adjoining uses, and its accessibility will affect both its size and price. Lease agreements vary, but usually require the lessee to pay for maintenance, insurance, taxes and any other charges or expenses for the land and building and the operation of the Chowrastha Restaurant or they may require that you reimburse the landlord for its proportionate share of these payments (plus interest) made on your behalf. Some lease agreements will also require you to pay minimum monthly rent or percentage rent. You must get our approval of your proposed lease before signing it.

8. This range of investment accounts for your opening three months of rent for the location of the franchised business.

9. This range of investment accounts for your security deposit on the location you lease for the operation of the franchised business. If you choose to purchase the location, your costs would be considerably higher. The rent deposit may be refundable under the terms of the lease.

10. This range of investment accounts for your food costs and opening inventory order to open and operate the restaurant location. Due to differences in local laws, prices, suppliers, geography and commercial practices, you may elect to carry a larger inventory. Local costs will greatly affect this investment. Of this total investment in inventory, you will be required to pay \$5,000 to our Affiliate, Chowrastha, LLC for the restaurant model and \$25,000 for the restaurant and convenient store model.

11. In addition to your contribution to the National Advertising Fund, you must spend a minimum of \$5,000 on a grand opening advertising program that we have approved (see Item 11). The grand opening program for the Chowrastha Restaurants includes the obligation to retain a local public relations firm, approved by us, for three months.

12. This estimate covers the cost for payroll for management and staff training before the opening of your Chowrastha Restaurant (estimate of \$23,000 to \$40,000). Your costs will vary substantially based on the salary you pay your employees, which will be impacted by local market conditions and prevailing wage rates in your geographic area. Our estimate also includes your costs (including, wages, travel and lodging) to send 3 to 4 individuals to attend our initial training program (estimate of \$25,000 to \$32,000). Currently, we estimate the cost of grand opening training to range from \$5,000 to \$10,000. None of these expenses are paid to us, they are an estimate of costs associated with the opening and training of your staff.

13. Typical pre-opening expenses include salaries and living expenses for you and your managers in training, training expenses incurred for staff, pre-opening training menus, related pre-opening marketing and personnel ads. Additionally, you will likely have to prepay or make deposits for various utilities such as gas, electricity, sewer, water, telephone, and garbage disposal. You must obtain state and local licenses, including liquor licenses (see Note 11), business licenses, vending machine licenses, and games licenses. You may have to post bonds in order to obtain certain governmental permits.

14. You must, at your own expense, keep in force insurance policies for each Chowrastha Restaurant. We reserve the right to change types and amounts of coverage. This estimate is based on our current requirements which include: “all risk” property insurance (replacement cost basis; no coinsurance clause), business interruption insurance (loss of income for at least 12 months; franchisor reimbursement for Royalties, National Advertising Fund and other administered fund for events causing closing for more than 48 hours; 60-day period of indemnity), automobile liability (\$1,000,000 combined single limit each accident; owned, non-owned and hired autos), workers compensation (statutory limits) and employers liability (\$1,000,000 each accident/disease each employee/policy limit), and comprehensive general liability with product and completed operations, broad form contractual liability, personal injury and advertising injury, property damage, and fire and water damage legal liability (at least \$500,000 per occurrence, \$2,000,000 products/completed operations, \$1,000,000 liquor liability per occurrence, and \$2,000,000 general aggregate; per location aggregate endorsement required for policies covering multiple locations). You must provide us with a certificate of insurance naming us and our designated affiliates and our and their respective principals, officers, directors, managers, owners, employees, agents, representatives and independent contractors as additional insureds and provide us with 30 days prior written notice of material changes to or cancellation of the policy. Your insurance policies must contain a waiver of subrogation in favor of the additional insureds and provide primary coverage with any insurance policies we maintain being noncontributory. Your lease agreement may require higher insurance limits than those stated above. You will likely have to prepay all or a portion of the first year’s premiums for insurance. The estimate above assumes that you will prepay the annual insurance premiums for your first year of operations.

15. The cost to obtain a liquor license varies greatly depending on the licensing authority involved and the local liquor license resale market, if any. Generally, liquor-licensing systems fall into two categories: (a) quota-based systems, and (b) non-quota-based systems. In quota-based systems, the total number of licenses available in a municipality, county or other defined territory is set according to the number of people within the territory. For example, state law may limit the total number of licenses available to one per every two thousand persons. Once the licensing authority has issued the total number of licenses according to the population, the licensing agency will not issue any additional new licenses until a new census is taken that shows an increase in population or until an existing permit expires or is revoked. Most often in quota-based systems, parties seeking licenses will not wait for the next census or wait for a license to expire. Instead, they will purchase a license from an existing licensee. In such situations, the cost of obtaining a license can be substantially greater than the cost of obtaining a license directly from the licensing authority. The new licensee will not only pay fixed license fees to the state, but it will also pay the purchase price to the transferor plus fees for attorney’s services and service providers. The licensing agency may or may not regulate the price. The price may simply be set by the market for licenses in a particular location, and that could inflate the price significantly. You should carefully review the system of liquor licensing in your state and review the expected range of costs, if your Chowrastha Restaurant is located in a quota state. In state systems that are not quota-based, the cost of obtaining a state license is usually limited to the fee prescribed by statute or administrative regulation, plus fees for attorney’s services and service providers. However, there may be additional costs imposed by a need to obtain a municipal and/or county liquor license, conditional use permit or other governmental approval. There are also federal tax permits required.

16. You must pay a design firm to prepare layout and dimensions and preliminary drawings, and to prepare final plans for construction based upon the standardized design and specifications that we provide. You may use a local design firm so long as the local design firm meets our qualifications. The cost of design, plans, and permits will vary depending on store type, building conditions, local, state, and federal requirements and the scope of work. Costs listed are average based on completing design work for a standard layout; sites not brought to basic standards will incur additional expenses. Local, municipal, county and state regulation may require that you obtain licenses and permits to operate the Chowrastha Restaurant.

17. Our estimates of the amounts needed to cover your additional funds for the start-up phase (3 months from the date the Chowrastha Restaurant opens for business) of your Chowrastha Restaurant include: replenishing your inventory, lease payments, initial advertising and promotional expenditures, payroll for managers and other employees, uniforms, utilities and other variable costs. These figures are estimates and we cannot assure you there will not be additional funds. Your actual cost will depend on factors including management skill, experience, business acumen, local economic conditions, local market for casual dining, prevailing wage rates, competition and the sales level reached during the start-up phase. These amounts do not include any estimates for debt service on loans that you obtain to finance your Chowrastha Restaurant.

18. Your actual costs will depend on factors such as: geography, the availability of sites; your Chowrastha Restaurant size and location; construction costs; your discretionary expenditures; the availability of leasing or financing arrangements; your credit rating; and other factors. The estimated initial investment figures shown above for constructing and opening a Chowrastha Restaurant are based primarily on the costs incurred by our affiliates in opening Chowrastha Restaurants since our inception in 2021. Our experience with adding drive-thru components is limited, we have one location in operation with a drive through; during the 2022 fiscal year, only one Chowrastha Restaurant operated with a drive-thru component. Because the figures listed in the chart above are only estimates, it is possible both to reduce and to exceed costs in any of the areas listed above. Actual costs will vary depending on physical size and current condition of the premises. In addition, actual costs may substantially exceed these estimates in a major metropolitan market. To avoid excessive construction costs, we require that you pick contractors carefully by obtaining several competitive bids beforehand. These estimates do not include extensive exterior renovations.

You should review all figures in this Item 7 carefully with a business advisor before you decide to purchase the franchise. Neither we nor our affiliates offer financing directly or indirectly for any part of the initial investment. The availability and terms of financing depend on the availability of financing generally, your creditworthiness and collateral, and lending policies of financial institutions. The estimate does not include any finance charge, interest, or debt service obligation.

YOUR ESTIMATED INITIAL INVESTMENT MULTI-UNIT DEVELOPMENT AGREEMENT

Type of Expenditure	Amount	Method of Payment	When Due	To Whom Payment is Made
Development Fee for Multiple Restaurants ¹	\$20,000 - \$80,000	Lump Sum	On Execution	Us
Total Estimated Initial Investment ²	\$566,000 - \$2,300,000			

Notes

1. Actual costs will depend on the number of Restaurants specified in the Development Schedule. Development Fee equals \$20,000 times the number of Restaurants (excluding the 1st one) that you agree to open. For example, if you agree to open two Restaurants, the Development Fee would be \$20,000; if you agree to open 5 Restaurants, the Development Fee would be \$20,000 x 4, or \$80,000. For each Franchise Agreement you must sign under the Multi-Unit Development Agreement, other than your first Franchise Agreement, we credit the balance of the Development Fee, in \$20,000 increments, toward the initial franchise fee that is due as Franchise Agreements are signed. The Development Fee is non-refundable.

2. As described further in Item 1, for each Restaurant that you develop pursuant to the terms of a Multi-Unit Development Agreement, you must execute an individual Franchise Agreement, and incur the costs associated with developing a Chowrastha Restaurant under the terms of that Franchise Agreement. The estimate provided above does not include an estimate of any costs incurred under the terms of any individual Franchise Agreement. We do not provide an estimate in this Disclosure Document of the investment or costs associated with developing a Chowrastha Restaurant at any future date, which may be impacted by a number of factors, including changes to our System Standards and the prevailing market rates for goods and services.

Unless we agree to extend the deadline, you will be in default and we may terminate your franchise agreement.

Our Post-Opening Obligations

After you open your business:

Our obligation. We will maintain the brand website. We will use the Marketing Fund only for marketing and related purposes and costs. Media coverage is primarily local. We use outside vendors and consultants to produce advertising. We are not required to spend any amount of advertising in the area or territory where any particular franchisee is located. We will maintain the brand website (which may be paid for by the Marketing Fund). We have no other obligation to conduct advertising.

Your own advertising material. You may use your own advertising or marketing material only with our approval. To obtain our approval, you must submit any proposed advertising or marketing material at least 14 days prior to use. If we do not respond, the material is deemed

rejected. If you develop any advertising or marketing materials, we may use those materials for any purpose, without any payment to you.

Advertising council. We do not have an advertising council composed of franchisees. The franchise agreement does not give us the power to form an advertising council.

Local or Regional Advertising Cooperatives. We do not currently have any local or regional advertising cooperatives. We have the right to require you to participate in a local or regional advertising cooperative. We will define the area of the cooperative based on media markets, or other geographic criteria that we deem appropriate. Each franchisee in the area would have one vote per outlet (unless the franchisee is in default under its franchise agreement). The amount you must contribute to the cooperative will be determined by vote of the members, but not less than 1% and not more than 5% of gross sales. If our own outlets are members of a cooperative, they must contribute to the cooperative on the same basis as franchisees, and they will vote on the same basis as other members. We administer the cooperative, but we have the right to delegate responsibility for administration to an outside company such as an advertising agency or accounting firm, or to the franchisee members of the cooperative. We have the right to require the cooperative to operate from written bylaws or other governing documents that we determine. The documents are not currently available for you to review. Cooperatives will prepare annual financial statements which will be made available for review only by us and by the members of cooperative. We have the power to require cooperatives to be formed, changed, dissolved, or merged.

Brand Fund. You and all other franchisees must contribute to our Marketing Fund. Your contribution is .5% of gross sales per month, but with 90 days notice we have the right to increase this to 1% of Gross Sales. We reserve the right to have other franchisees contribute a different amount or at a different rate. Outlets that we own are not obligated to contribute to the Marketing Fund. We administer the fund. The fund is not audited. We will make unaudited annual financial statements available to you upon request.

Because we are a new franchisor, we did not spend any money from the Marketing Fund in our most recently concluded fiscal year.

If less than all marketing funds are spent in the fiscal year in which they accrue, the money will remain in the Marketing Fund to be spent in the next year.

No money from the Marketing Fund is spent principally to solicit new franchise sales.

Market introduction plan. You must develop a market introduction plan and obtain our approval of the plan at least 30 days before the projected opening date of your business.

Required spending. After you open, you must spend up to 1% of gross sales each month on marketing your business.

Point of Sale and Computer Systems

We require you to buy (or lease) and use a point-of-sale system and computer system as follows:

You must purchase an entire computing system approved by us to ensure compliance with our System Standards. The system currently consists of software, POS terminals, a POS server, cash drawers, printers, a personal computer including Microsoft Office, a managed switch, kitchen video monitors, remote printers, magnetic swipe-card, pin or chip readers, DSL or other high-speed connections, managed security services, firewall, office printer/scanner, related cabling and a maintenance contract.

Your computer system will enable you to collect information about customer orders, sales by hour/day/period and inventory. We will have the ability to access your cash system and computer. There are no contractual limitations on our and our affiliates' right to access this information and data.

You must purchase all of the above items from our approved vendor. Your cost to purchase the entire system will range between \$21,900 and \$39,500 (see Item 7), depending on many factors. You will be responsible for paying for access to our approved suppliers of hosted software services for an annual amount of approximately \$1,861 per year. The annual cost for IT help desk services and hardware depot program will be approximately \$1,765 per year, although this amount may change from time to time. We currently estimate that the annual cost of maintenance, updating, upgrading of the Computer System as it presently exists will range from \$0 to \$4,000.

The system will include our currently required POS/CRM system, credit card processing system, and accounting platform, such as QuickBooks. These systems will generate or store data such as inventory/product details, sales transactions, client, employee, scheduling, reporting, and accounting information.

You must give us independent access to the information that will be generated or stored in these systems. The information that we may access will include sales, customer data, and reports. There is no contractual limitation on our right to access the information.

Training classes will be scheduled in accordance with the needs of new franchisees. We anticipate holding training classes in advance of the opening of the franchisee's location, doing so remotely, at a Affiliate Owned location, and at the franchisee's location once sufficient build-out has been completed and close to being open, as elaborated on in the additional questions below. This may change as we start to bring on more franchisees.

The instruction materials consist primarily of our Onboarding Checklist which contains links organized by section for all applicable written procedures, training videos and a shadowing/coaching checklist and approval process all required to successfully and fully complete the necessary training. Additional instructional material will be provided consisting of additional similar training (additional procedures, additional video training, additional checklists, etc.) for "higher-level" functions required of the franchisee and/or the individual acting as the owner/operator and/or manager of the franchisee.

Training classes will be led by the franchisor(s) and/or its delegate(s), such as a Affiliate Owned-employed, tenured individual who has been delegated to lead some or all aspects of training (i.e. a manager / assistant manager / senior employee who works at a Affiliate Owned (franchisor) location). Some aspects of training classes will be self-directed and led by the franchisee themselves as they follow the training structure in place which would include video training and the aforementioned instructional materials created by the franchisor/Affiliate Owned (so in that sense, it is still being led by the franchisor/Affiliate Owned/its delegate(s), just done remotely and/or by pre-recorded materials listed in the Onboarding/Training structure).

The instructor, of the franchisor(s) have experience dating back to the establishment of Affiliate Owned. Franchisor/Affiliate Owned delegate(s) may have various lengths of experience depending on the individual delegate, but they would typically have minimally one year of experience, if not more, and have had successfully completed both their own training and facilitation of others' training in the past; the delegate(s) would typically be in a management role at a Affiliate Owned location or be a "senior," tenured employee if not in a formal management position.

There is no fee for up to 3 people to attend training. You must pay the travel and living expenses of your employees or managers attending training.

You must attend training. You may send any additional persons to training that you want (up to the maximum described above). You must complete training to our satisfaction at least four weeks before opening your business. You will be required to pass a test which evaluates your understanding for the content and franchise operating content as covered in the training program.

Should you fail to pass the test or complete the initial training, we have the right to terminate the franchise agreement with no refund of the initial franchise fee.

Your business must at all times be under your on-site supervision or under the on-site supervision of a general manager who has completed our training program. If you need to send a new general manager to our training program, we will charge a fee, which is currently \$350 per day. Otherwise, we do not currently require additional training programs or refresher courses, but we have the right to do so.

Item 12 TERRITORY

Your Location

Your franchise is for a specific location. If the specific location is not known at the time you sign a franchise agreement, then your location is subject to our approval.

Grant of Territory

Your franchise agreement will specify a territory, which will be determined by us. Your territory will have a population of approximately 50,000 people. Your territory will usually be specified as a radius around your location; however, we may use other boundaries (such as county lines or other political boundaries, streets, geographical features, or trade area).

Relocation; Establishment of Additional Outlets

You do not have the right to relocate your business, and we have no obligation to approve any request for relocation. Our policy is to approve relocation of a franchisee's business on case-by-case basis, considering factors such as changes in demographics, profitability of your current business, or a loss of your premises due to circumstances beyond your control.

The franchisee does not have the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing, or other direct marketing, to make sales outside your territory.

You do not have the right to establish additional franchised outlets unless you sign a Multi-Unit Development Agreement ("MUDA") in the form attached as Exhibit C to this disclosure document. If you and we sign a MUDA, then you will have the right to establish a mutually-agreed number of additional outlets on a mutually-agreed schedule. Under the MUDA, your right to develop additional outlets is subject to (1) you must comply with the mutually-agreed development schedule, (2) you must have sufficient financial and organizational capacity to develop, open, operate, and manage each additional Desi Chowrastha business, (3) you must be in compliance with all brand requirements at your open Desi Chowrastha business(es), and (4) you must not be in default under any other agreement with us. We will approve the location of future sites and territories for those sites, and our then-current standards for sites and territories will apply. You are not obligated to develop additional outlets under the MUDA, and you may terminate it any

time without penalty. If you do not meet your development schedule in the MUDA, we have the right to terminate your right to develop additional outlets.

Options to Acquire Additional Franchises

You do not receive any options, rights of first refusal, or similar rights to acquire additional franchises.

Territory Protection

In your franchise agreement, we grant you an exclusive territory. In your territory, we will not establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service marks as a Desi Chowrastha outlet. The continuation of your territorial protection does not depend on achieving a certain sales volume, market penetration, or other contingency. There are no circumstances that permit us to modify your territorial rights.

If you sign a MUDA, you do not receive an exclusive territory as an area developer. Therefore, with respect to a MUDA, we make the following disclosure: You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Restrictions on Us from Soliciting or Accepting Orders in Your Territory

There are no restrictions on us from soliciting or accepting orders from consumers inside your territory. We reserve the right to use other channels of distribution, such as the internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory using our principal trademarks or using trademarks different from the ones you will use under your franchise agreement. We do not pay any compensation to you for soliciting or accepting orders from inside your territory.

Soliciting by You Outside Your Territory

There are no restrictions on you from soliciting or accepting orders from consumers outside of your territory, except that all marketing and advertising is subject to our approval.

Competition by Us Under Different Trademarks

Neither we nor any of our affiliates operates, franchises, or has plans to operate or franchise a business under a different trademark selling goods or services similar to those you will offer. However, the franchise agreement does not prohibit us from doing so.

The franchise agreement does not require us to take affirmative action when notified of these uses or claims. We have the right to control any administrative proceedings or litigation involving a trademark licensed by us to you.

If you use our trademarks in accordance with the franchise agreement, then (i) we will defend you (at our expense) against any legal action by a third-party alleging infringement by your use of the trademark, and (ii) we will indemnify you for expenses and damages if the legal action is resolved unfavorably to you.

Under the franchise agreement, we may require you to modify or discontinue using a trademark, at your expense.

Desi Chowrastha Franchise Group may charge Franchisee \$500 for any instance of non-compliance with the System Standards or this Agreement (other than Franchisee’s non-payment of a fee owed to Desi Chowrastha Franchise Group) which Franchisee fails to cure after 30 days’ notice. Thereafter, Desi Chowrastha Franchise Group may charge Franchisee \$250 per week until Franchisee ceases such non-compliance. This fee is a reasonable estimate of Desi Chowrastha Franchise Group’s internal cost of personnel time attributable to addressing the non-compliance, and it is not a penalty or estimate of all damages arising from Franchisee’s breach. The non-compliance fee is in addition to all of Desi Chowrastha Franchise Group’s other rights and remedies (including default and termination under Section 14.2).

4.6 Reimbursement. Desi Chowrastha Franchise Group may (but is never obligated to) pay on Franchisee’s behalf any amount that Franchisee owes to a supplier or other third party. Franchisee acknowledges that Desi Chowrastha Franchise Group has the right to remotely access Franchisee's point-of-sale system to calculate Gross Sales.

(c) Late Fees and Interest. If Franchisee does not make a payment on time, Franchisee shall pay a \$100 "late fee" plus interest on the unpaid amount at a rate equal to 18% per year (or, if such payment exceeds the maximum allowed by law, then interest at the highest rate allowed by law).

(f) Application. Desi Chowrastha Franchise Group may apply any payment received from Franchisee to any obligation and in any order as Desi Chowrastha Franchise Group may determine, regardless of any designation by Franchisee.

(g) Obligations Independent; No Set-Off. The obligations of Franchisee to pay to Desi Chowrastha Franchise Group any fees or amounts described in this Agreement are not dependent on Desi Chowrastha Franchise Group's performance and are independent covenants by Franchisee. Franchisee shall make all such payments without offset or deduction.

(h) Taxes. Franchisee will be responsible for all sales taxes, use taxes, and other taxes imposed on the fees payable by Franchisee to Desi Chowrastha Franchise Group or its affiliates and on services or goods furnished to Franchisee by Desi Chowrastha Franchise Group or its affiliates, unless the tax is an income tax assessed on Desi Chowrastha Franchise Group or its affiliates for doing business in the state where the Business is located.

- (viii) Franchisee or any Owner slanders or libels Desi Chowrastha Franchise Group or any of its employees, directors, or officers;
- (ix) Franchisee refuses to cooperate with or permit any audit or inspection by Desi Chowrastha Franchise Group or its agents or contractors, or otherwise fails to comply with Section 10.5 or Section 11.2;
- (x) the Business is operated in a manner which, in Desi Chowrastha Franchise Group's reasonable judgment, constitutes a significant danger to the health or safety of any person, and Franchisee fails to cure such danger within 48 hours after becoming aware of the danger (due to notice from Desi Chowrastha Franchise Group or otherwise);
- (xi) Franchisee has received two or more notices of default and Franchisee commits another breach of this Agreement, all in the same 12-month period;
- (xii) Desi Chowrastha Franchise Group (or any affiliate) terminates any other agreement with Franchisee (or any affiliate) due to the breach of such other agreement by Franchisee (or its affiliate) (provided that termination of a Multi-Unit Development Agreement with Franchisee or its affiliate shall not give Desi Chowrastha Franchise Group the right to terminate this Agreement);
- (xiii) Franchisee or any Owner is charged with, pleads guilty or no-contest to, or is convicted of a felony; or
- (xiv) Franchisee or any Owner is accused by any governmental authority or third party of any act, or if Franchisee or any Owner commits any act or series of acts, that in Desi Chowrastha Franchise Group's opinion is reasonably likely to materially and unfavorably affect the Desi Chowrastha brand.

14.3 Effect of Termination. Upon termination or expiration of this Agreement, all obligations that by their terms or by reasonable implication survive termination, including those pertaining to non-competition, confidentiality, indemnity, and dispute resolution, will remain in effect, and Franchisee must immediately:

- (i) pay all amounts owed to Desi Chowrastha Franchise Group based on the operation of the Business through the effective date of termination or expiration;
- (ii) return to Desi Chowrastha Franchise Group all copies of the Manual, Confidential Information and any and all other materials provided by Desi Chowrastha Franchise Group to Franchisee or created by a third party for Franchisee relating to the operation of the Business, and all items containing any Marks, copyrights, and other

proprietary items; and delete all Confidential Information and proprietary materials from electronic devices;

- (iii) notify the telephone, internet, email, electronic network, directory, and listing entities of the termination or expiration of Franchisee's right to use any numbers, addresses, domain names, locators, directories and listings associated with any of the Marks, and authorize their transfer to Desi Chowrastha Franchise Group or any new franchisee as may be directed by Desi Chowrastha Franchise Group, and Franchisee hereby irrevocably appoints Desi Chowrastha Franchise Group, with full power of substitution, as its true and lawful attorney-in-fact, which appointment is coupled with an interest; to execute such directions and authorizations as may be necessary or appropriate to accomplish the foregoing; and
- (iv) cease doing business under any of the Marks.

14.4 Remove Identification. Within 30 days after termination or expiration, Franchisee shall at its own expense "de-identify" the Location so that it no longer contains the Marks, signage, or any trade dress of a Desi Chowrastha business, to the reasonable satisfaction of Desi Chowrastha Franchise Group. Franchisee shall comply with any reasonable instructions and procedures of Desi Chowrastha Franchise Group for de-identification. If Franchisee fails to do so within 30 days after this Agreement expires or is terminated, Desi Chowrastha Franchise Group may enter the Location to remove the Marks and de-identify the Location. In this event, Desi Chowrastha Franchise Group will not be charged with trespass nor be accountable or required to pay for any assets removed or altered, or for any damage caused by Desi Chowrastha Franchise Group.

14.5 Liquidated Damages. If Desi Chowrastha Franchise Group terminates this Agreement based upon Franchisee's default (or if Franchisee purports to terminate this Agreement except as permitted under Section 14.1), then within 10 days thereafter Franchisee shall pay to Desi Chowrastha Franchise Group a lump sum (as liquidated damages and not as a penalty) calculated as follows: (x) the average Royalty Fees that Franchisee owed to Desi Chowrastha Franchise Group under this Agreement for the 52-week period preceding the date on which Franchisee ceased operating the Business; multiplied by (y) the lesser of (1) 104 or (2) the number of weeks remaining in the then-current term of this Agreement. If Franchisee had not operated the Business for at least 52 weeks, then (x) will equal the average Royalty Fees that Franchisee owed to Desi Chowrastha Franchise Group during the period that Franchisee operated the Business. The "average Royalty Fees that Franchisee owed to Desi Chowrastha Franchise Group" shall not be discounted or adjusted due to any deferred or reduced Royalty Fees set forth in an addendum to this Agreement, unless this Section 14.5 is specifically amended in such addendum. Franchisee acknowledges that a precise calculation of the full extent of Desi Chowrastha Franchise Group's damages under these circumstances is difficult to determine and the method of calculation of such damages as set forth in this Section is reasonable. Franchisee's payment to Desi Chowrastha Franchise Group under this Section will be in lieu of any direct monetary damages that Desi Chowrastha Franchise Group may incur as a result of Desi Chowrastha Franchise Group's loss of Royalty Fees that would have been owed to Desi Chowrastha Franchise Group after the date of termination; however, such payment shall be in addition to all damages and other amounts arising under Section 14.3 and Section 14.4, Desi Chowrastha Franchise Group's right to injunctive relief for enforcement of Article 13, and any attorneys' fees and other costs and expenses to which Desi Chowrastha

Franchise Group is entitled under this Agreement. Except as provided in this Section, Franchisee's payment of this lump sum shall be in addition to any other right or remedy that Desi Chowrastha Franchise Group may have under this Agreement or otherwise.

14.6 Purchase Option. When this Agreement expires or is terminated, Desi Chowrastha Franchise Group will have the right (but not the obligation) to purchase any or all of the assets related to the Business, and/or to require Franchisee to assign its lease or sublease to Desi Chowrastha Franchise Group. To exercise this option, Desi Chowrastha Franchise Group must notify Franchisee no later than 30 days after this Agreement expires or is terminated. The purchase price for all assets that Desi Chowrastha Franchise Group elects to purchase will be the lower of (i) the book value of such assets as declared on Franchisee's last filed tax returns or (ii) the fair market value of the assets. If the parties cannot agree on fair market value within 30 days after the exercise notice, the fair market value will be determined by an independent appraiser reasonably acceptable to both parties. The parties will equally share the cost of the appraisal. Desi Chowrastha Franchise Group's purchase will be of assets only (free and clear of all liens), and the purchase will not include any liabilities of Franchisee. The purchase price for assets will not include any factor or increment for any trademark or other commercial symbol used in the business, the value of any intangible assets, or any goodwill or "going concern" value for the Business. Desi Chowrastha Franchise Group may withdraw its exercise of the purchase option at any time before it pays for the assets. Franchisee will sign a bill of sale for the purchased assets and any other transfer documents reasonably requested by Desi Chowrastha Franchise Group. If Desi Chowrastha Franchise Group exercises the purchase option, Desi Chowrastha Franchise Group may deduct from the purchase price: (a) all amounts due from Franchisee; (b) Franchisee's portion of the cost of any appraisal conducted hereunder; and (c) amounts paid or to be paid by Desi Chowrastha Franchise Group to cure defaults under Franchisee's lease and/or amounts owed by Franchisee to third parties. If any of the assets are subject to a lien, Desi Chowrastha Franchise Group may pay a portion of the purchase price directly to the lienholder to pay off such lien. Desi Chowrastha Franchise Group may withhold 25% of the purchase price for 90 days to ensure that all of Franchisee's taxes and other liabilities are paid. Desi Chowrastha Franchise Group may assign this purchase option to another party.

ARTICLE 15. TRANSFERS

15.1 By Desi Chowrastha Franchise Group. Desi Chowrastha Franchise Group may transfer or assign this Agreement, or any of its rights or obligations under this Agreement, to any person or entity, and Desi Chowrastha Franchise Group may undergo a change in ownership and/or control, without the consent of Franchisee.

15.2 By Franchisee. Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that Desi Chowrastha Franchise Group entered into this Agreement in reliance on Franchisee's business skill, financial capacity, personal character, experience, and business ability. Accordingly, Franchisee shall not conduct or undergo a Transfer without providing Desi Chowrastha Franchise Group at least 60 days prior notice of the proposed Transfer, and without obtaining Desi Chowrastha Franchise Group's consent. In granting any such consent, Desi Chowrastha Franchise Group may impose conditions, including, without limitation, the following:

- (i) Single Unit of Desi Chowrastha Franchise Group receives a transfer fee equal to \$10,000 or for a Multi-Unit Franchise, the greater of 1% of the purchase price or \$25,000, plus applicable goods and services taxes plus any broker fees and other out-of-pocket costs incurred by Desi Chowrastha Franchise Group;
- (ii) the proposed assignee and its owners have completed Desi Chowrastha Franchise Group's franchise application processes, meet Desi Chowrastha Franchise Group's then-applicable standards for new franchisees, and have been approved by Desi Chowrastha Franchise Group as franchisees;
- (iii) the proposed assignee is not a Competitor;
- (iv) the proposed assignee executes Desi Chowrastha Franchise Group's then-current form of franchise agreement and any related documents, which form may contain materially different provisions than this Agreement (provided, however, that the proposed assignee will not be required to pay an initial franchise fee);
- (v) all owners of the proposed assignee provide a guaranty in accordance with Section 2.5;
- (vi) Franchisee has paid all monetary obligations to Desi Chowrastha Franchise Group and its affiliates, and to any lessor, vendor, supplier, or lender to the Business, and Franchisee is not otherwise in default or breach of this Agreement or of any other obligation owed to Desi Chowrastha Franchise Group or its affiliates;
- (vii) the proposed assignee and its owners and employees undergo such training as Desi Chowrastha Franchise Group may require;
- (viii) Franchisee, its Owners, and the transferee and its owners execute a general release of Desi Chowrastha Franchise Group in a form satisfactory to Desi Chowrastha Franchise Group; and
- (ix) the Business fully complies with all of Desi Chowrastha Franchise Group's most recent System Standards.

15.3 Transfer for Convenience of Ownership. If Franchisee is an individual, Franchisee may Transfer this Agreement to a corporation or limited liability company formed for the convenience of ownership after at least 15 days' notice to Desi Chowrastha Franchise Group, if, prior to the Transfer: (1) the transferee provides the information required by Section 2.3; (2) Franchisee provides copies of the entity's charter documents, by-laws (or operating agreement) and similar documents, if requested by Desi Chowrastha Franchise Group, (3) Franchisee owns all voting securities of the corporation or limited liability company, and (4) Franchisee provides a guaranty in accordance with Section 2.5.

15.4 Transfer upon Death or Incapacity. Upon the death or incapacity of Franchisee (or, if Franchisee is an entity, the Owner with the largest ownership interest in Franchisee), the executor, administrator, or personal representative of that person must Transfer the Business to a third party approved by Desi Chowrastha Franchise Group (or to another person who was an Owner at the

time of death or incapacity of the largest Owner) within nine months after death or incapacity. Such transfer must comply with Section 15.2.

15.5 Desi Chowrastha Franchise Group's Right of First Refusal. Before Franchisee (or any Owner) engages in a Transfer (except under Section 15.3, to a co-Owner, or to a spouse, sibling, or child of an Owner), Desi Chowrastha Franchise Group will have a right of first refusal, as set forth in this Section. Franchisee (or its Owners) shall provide to Desi Chowrastha Franchise Group a copy of the terms and conditions of any Transfer. For a period of 30 days from the date of Desi Chowrastha Franchise Group's receipt of such copy, Desi Chowrastha Franchise Group will have the right, exercisable by notice to Franchisee, to purchase the assets subject of the proposed Transfer for the same price and on the same terms and conditions (except that Desi Chowrastha Franchise Group may substitute cash for any other form of payment). If Desi Chowrastha Franchise Group does not exercise its right of first refusal, Franchisee may proceed with the Transfer, subject to the other terms and conditions of this Article.

15.6 No Sublicense. Franchisee has no right to sublicense the Marks or any of Franchisee's rights under this Agreement.

15.7 No Lien on Agreement. Franchisee shall not grant a security interest in this Agreement to any person or entity. If Franchisee grants an "all assets" security interest to any lender or other secured party, Franchisee shall cause the secured party to expressly exempt this Agreement from the security interest.

ARTICLE 16. INDEMNITY

16.1 Indemnity. Franchisee shall indemnify and defend (with counsel reasonably acceptable to Desi Chowrastha Franchise Group) Desi Chowrastha Franchise Group, its parent entities, subsidiaries and affiliates, and their respective owners, directors, officers, employees, agents, successors and assignees (collectively, "Indemnitees") against all Losses in any Action by or against Desi Chowrastha Franchise Group and/or any Indemnatee directly or indirectly related to, or alleged to arise out of, the operation of the Business. Notwithstanding the foregoing, Franchisee shall not be obligated to indemnify an Indemnatee from Actions arising as a result of any Indemnatee's intentional misconduct or negligence. Any delay or failure by an Indemnatee to notify Franchisee of an Action shall not relieve Franchisee of its indemnity obligation except to the extent (if any) that such delay or failure materially prejudices Franchisee. Franchisee shall not settle an Action without the consent of the Indemnatee. This indemnity will continue in effect after this Agreement ends.

16.2 Assumption. An Indemnatee may elect to assume the defense of any Action subject to this indemnification, and control all aspects of defending the Action, including negotiations and settlement, at Franchisee's expense. Such an undertaking shall not diminish Franchisee's obligation to indemnify the Indemnitees.

ARTICLE 17. DISPUTE RESOLUTION

17.1 Arbitration.

(a) Disputes Subject to Arbitration. Except as expressly provided in subsection (c) and (d), any controversy or claim between the parties (including any controversy or claim arising out of or relating to this Agreement or its formation and including any question of arbitrability) shall be resolved by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, including the Optional Rules for Emergency Measures of Protection. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction.

(b) Location. The place of arbitration shall be the city and state where Desi Chowrastha Franchise Group's headquarters are located.

(c) Injunctive Relief. Either party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Either party also may, without waiving any remedy or right to arbitrate under this Agreement, seek from any court having jurisdiction any interim or provisional injunctive relief.

(d) Intellectual Property Claims. Either party may bring a claim involving an alleged infringement of any of Desi Chowrastha Franchise Group's intellectual property rights in a court authorized to hear such claims under Section 17.5 of this Agreement.

(e) Confidentiality. All documents, information, and results pertaining to any arbitration or lawsuit will be confidential, except as required by law or as required for Desi Chowrastha Franchise Group to comply with laws and regulations applicable to the sale of franchises.

(f) Performance During Arbitration or Litigation. Unless this Agreement has been terminated, Desi Chowrastha Franchise Group and Franchisee will comply with this Agreement and perform their respective obligations under this Agreement during the arbitration or litigation process.

17.2 Damages. In any controversy or claim arising out of or relating to this Agreement, each party waives any right to punitive or other monetary damages not measured by the prevailing party's actual damages, except damages expressly authorized by federal statute and damages expressly authorized by this Agreement.

17.3 Waiver of Class Actions. The parties agree that any claims will be arbitrated, litigated, or otherwise resolved on an individual basis, and waive any right to act on a class-wide basis.

17.4 Time Limitation. Any arbitration or other legal action arising from or related to this Agreement must be instituted within two years from the date such party discovers the conduct or event that forms the basis of the arbitration or other legal action. The foregoing time limit does not apply to claims (i) by one party related to non-payment under this Agreement by the other party, (ii) for indemnity under Article 16, or (iii) related to unauthorized use of Confidential Information or the Marks.

17.5 Venue Other Than Arbitration. For any legal proceeding not required to be submitted to arbitration, the parties agree that any such legal proceeding will be brought in the United States District Court where Desi Chowrastha Franchise Group's headquarters is then located. If there is no federal jurisdiction over the dispute, the parties agree that any such legal proceeding will be brought in the court of record of the state and county where Desi Chowrastha Franchise Group's headquarters is then located. Each party consents to the jurisdiction of such courts and waives any objection that it, he or she may have to the laying of venue of any proceeding in any of these courts.

17.6 Legal Costs. In any legal proceeding (including arbitration) related to this Agreement or any guaranty, the non-prevailing party shall pay the prevailing party's attorney fees, costs and other expenses of the legal proceeding. "Prevailing party" means the party, if any, which prevailed upon the central litigated issues and obtained substantial relief.

ARTICLE 18. MISCELLANEOUS

18.1 Relationship of the Parties. The parties are independent contractors, and neither is the agent, partner, joint venturer, or employee of the other. Desi Chowrastha Franchise Group is not a fiduciary of Franchisee. Desi Chowrastha Franchise Group does not control or have the right to control Franchisee or its Business. Any required specifications and standards in this Agreement and in the System Standards exist to protect Desi Chowrastha Franchise Group's interest in the System and the Marks, and the goodwill established in them, and not for the purpose of establishing any control, or duty to take control, over the Business. Desi Chowrastha Franchise Group has no liability for Franchisee's obligations to any third party whatsoever.

18.2 No Third-Party Beneficiaries. This Agreement does not confer any rights or remedies upon any person or entity other than Franchisee, Desi Chowrastha Franchise Group, and Desi Chowrastha Franchise Group's affiliates.

18.3 Entire Agreement. This Agreement constitutes the entire agreement of the parties and supersedes all prior negotiations and representations. Nothing in this Agreement or in any related agreement is intended to disclaim the representations made by Desi Chowrastha Franchise Group in its franchise disclosure document.

18.4 Modification. No modification or amendment of this Agreement will be effective unless it is in writing and signed by both parties. This provision does not limit Desi Chowrastha Franchise Group's rights to modify the Manual or System Standards.

18.5 Consent; Waiver. No consent under this Agreement, and no waiver of satisfaction of a condition or nonperformance of an obligation under this Agreement will be effective unless it is in writing and signed by the party granting the consent or waiver. No waiver by a party of any right will affect the party's rights as to any subsequent exercise of that right or any other right. No delay, forbearance or omission by a party to exercise any right will constitute a waiver of such right.

18.6 Cumulative Remedies. Rights and remedies under this Agreement are cumulative. No enforcement of a right or remedy precludes the enforcement of any other right or remedy.

18.7 Severability. The parties intend that (i) if any provision of this Agreement is held by an arbitrator or court to be unenforceable, then that provision be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded, and (ii) if an unenforceable provision is modified or disregarded, then the rest of this Agreement will remain in effect as written.

18.8 Governing Law. The laws of the state of Texas (without giving effect to its principles of conflicts of law) govern all adversarial proceedings between the parties. The parties agree that any Texas law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 18.8.

18.9 Notices. Any notice will be effective under this Agreement only if made in writing and delivered as set forth in this Section to: (A) if to Franchisee, addressed to Franchisee at the notice address set forth in the Summary Page; and (B) if to Desi Chowrastha Franchise Group, addressed to 15851 Rolater Rd, Frisco, Texas 75035. Any party may designate a new address for notices by giving notice of the new address pursuant to this Section. Notices will be effective upon receipt (or first rejection) and must be: (1) delivered personally; (2) sent by registered or certified U.S. mail with return receipt requested; or (3) sent via overnight courier. Notwithstanding the foregoing, Desi Chowrastha Franchise Group may amend the Manual, give binding notice of changes to System Standards, and deliver notices of default by electronic mail or other electronic communication.

18.10 Holdover. If Franchisee continues operating the Business after the expiration of the term without a renewal agreement or successor franchise agreement executed by the parties in accordance with Section 3.2, then at any time (regardless of any course of dealing by the parties), Desi Chowrastha Franchise Group may by giving written notice to Franchisee (the “Holdover Notice”) either (i) require Franchisee to cease operating the Business and comply with all post-closing obligations effective immediately upon giving notice or effective on such other date as Desi Chowrastha Franchise Group specifies, or (ii) bind Franchisee to a renewal term of 5 years, and deem Franchisee and its Owners to have made the general release of liability described in Section 3.2(vi).

18.11 Joint and Several Liability. If two or more people sign this Agreement as “Franchisee”, each will have joint and several liability.

18.12 No Offer and Acceptance. Delivery of a draft of this Agreement to Franchisee by Desi Chowrastha Franchise Group does not constitute an offer. This Agreement shall not be effective unless and until it is executed by both Franchisee and Desi Chowrastha Franchise Group.

ARTICLE 19. CERTIFICATION OF FRANCHISOR’S COMPLIANCE

By signing this Agreement, Franchisee acknowledges the following:

- (1) Franchisee understands all the information in Desi Chowrastha Franchise Group’s Disclosure Document.
- (2) Franchisee understands the success or failure of the Business will depend in large part upon Franchisee’s skills, abilities and efforts and those of the persons

- (3) That no person acting on Desi Chowrastha Franchise Group's behalf made any statement or promise regarding the costs involved in operating a Desi Chowrastha franchise that is not in the Disclosure Document or that is contrary to, or different from, the information in the Disclosure Document.
- (4) That no person acting on Desi Chowrastha Franchise Group's behalf made any claim or representation to Franchisee, orally, visually, or in writing, that contradicted the information in the Disclosure Document.
- (5) That no person acting on Desi Chowrastha Franchise Group's behalf made any statement or promise regarding the actual, average or projected profits or earnings, the likelihood of success, the amount of money Franchisee may earn, or the total amount of revenue a Desi Chowrastha franchise will generate, that is not in the Disclosure Document or that is contrary to, or different from, the information in the Disclosure Document.
- (6) That no person acting on Desi Chowrastha Franchise Group's behalf made any statement or promise or agreement, other than those matters addressed in this Agreement, concerning advertising, marketing, media support, market penetration, training, support service, or assistance that is contrary to, or different from, the information contained in the Disclosure Document.
- (7) Franchisee understands that this Agreement contains the entire agreement between Desi Chowrastha Franchise Group and Franchisee concerning the Desi Chowrastha franchise, which means that any oral or written statements not set out in this Agreement will not be binding. GUARANTY AND NON-COMPETE AGREEMENT

This Guaranty and Non-Compete Agreement (this “Guaranty”) is executed by the undersigned person(s) (each, a “Guarantor”) in favor of Chowrastha Franchise, LLC, a Texas Limited Liability Company (“Desi Chowrastha Franchise Group”).

Background Statement: _____ (“Franchisee”) desires to enter into a Franchise Agreement with Desi Chowrastha Franchise Group for the franchise of a Desi Chowrastha business (the “Franchise Agreement”; capitalized terms used but not defined in this Guaranty have the meanings given in the Franchise Agreement). Guarantor owns an equity interest in Franchisee. Guarantor is executing this Guaranty in order to induce Desi Chowrastha Franchise Group to enter into the Franchise Agreement.

Guarantor agrees as follows:

1. Guaranty. Guarantor hereby unconditionally guarantees to Desi Chowrastha Franchise Group and its successors and assigns that Franchisee shall pay and perform every undertaking, agreement and covenant set forth in the Franchise Agreement and further guarantees every other liability and obligation of Franchisee to Desi Chowrastha Franchise Group, whether or not contained in the Franchise Agreement. Guarantor shall render any payment or performance required under the Franchise Agreement or any other agreement between Franchisee and Desi Chowrastha Franchise Group upon demand from Desi Chowrastha Franchise Group. Guarantor waives (a) acceptance and notice of acceptance by Desi Chowrastha Franchise Group of this Guaranty; (b) notice of demand for payment of any indebtedness or nonperformance of any obligations of Franchisee; (c) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed; (d) any right Guarantor may have to require that an action be brought against Franchisee or any other person or entity as a condition of liability hereunder; (e) all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Franchisee arising as a result of the execution of and performance under this Guaranty by the undersigned; (f) any law which requires that Desi Chowrastha Franchise Group make demand upon, assert claims against or collect from Franchisee or any other person or entity (including any other guarantor), foreclose any security interest, sell collateral, exhaust any remedies or take any other action against Franchisee or any other person or entity (including any other guarantor) prior to making any demand upon, collecting from or taking any action against the undersigned with respect to this Guaranty; and (g) any and all other notices and legal or equitable defenses to which Guarantor may be entitled.

2. Confidential Information. With respect to all Confidential Information Guarantor shall (a) adhere to all security procedures prescribed by Desi Chowrastha Franchise Group for maintaining confidentiality, (b) disclose such information to its employees only to the extent necessary for the operation of the Business; (c) not use any such information in any other business or in any manner not specifically authorized or approved in writing by Desi Chowrastha Franchise Group, (d) exercise the highest degree of diligence and make every effort to maintain the confidentiality of all such information during and after the term of the Franchise Agreement, (e) not copy or otherwise reproduce any Confidential Information, and (f) promptly report any

unauthorized disclosure or use of Confidential Information. Guarantor acknowledges that all Confidential Information is owned by Desi Chowrastha Franchise Group or its affiliates (except for Confidential Information which Desi Chowrastha Franchise Group licenses from another person or entity). Guarantor acknowledges that all customer data generated or obtained by Guarantor is Confidential Information belonging to Desi Chowrastha Franchise Group. This Section will survive the termination or expiration of the Franchise Agreement indefinitely.

3. Covenants Not to Compete.

(a) Restriction - In Term. During the term of the Franchise Agreement, Guarantor shall not directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor.

(b) Restriction – Post Term. For two years after the Franchise Agreement expires or is terminated for any reason (or, if applicable, for two years after a Transfer by Guarantor), Guarantor shall not directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor located within five miles of Franchisee's Territory or the territory of any other Desi Chowrastha business operating on the date of termination or transfer, as applicable. If the Franchise Agreement is terminated before the Territory is determined, then the area of non-competition will be the Development Area and the territory of any other Desi Chowrastha business operating on the date of termination.

(c) Interpretation. Guarantor agrees that each of the foregoing covenants is independent of any other covenant or provision of this Guaranty or the Franchise Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any court or arbitrator, then the parties intend that the court or arbitrator modify such restriction to the extent reasonably necessary to protect the legitimate business interests of Desi Chowrastha Franchise Group. Guarantor agrees that the existence of any claim it or Franchisee may have against Desi Chowrastha Franchise Group shall not constitute a defense to the enforcement by Desi Chowrastha Franchise Group of the covenants of this Section. If Guarantor fails to comply with the obligations under this Section during the restrictive period, then the restrictive period will be extended an additional day for each day of noncompliance.

4. Modification. Guarantor agrees that Guarantor's liability hereunder shall not be diminished, relieved or otherwise affected by (a) any amendment of the Franchise Agreement, (b) any extension of time, credit or other indulgence which Desi Chowrastha Franchise Group may from time-to-time grant to Franchisee or to any other person or entity, or (c) the acceptance of any partial payment or performance or the compromise or release of any claims.

5. Governing Law; Dispute Resolution. This Guaranty shall be governed by and construed in accordance with the laws of the state of Texas (without giving effect to its principles of conflicts of law). The parties agree that any Texas law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 6. The provisions of Article 17 (Dispute Resolution) of the Franchise Agreement apply to and are incorporated into this Guaranty as if fully set forth herein. Guarantor shall pay to Desi Chowrastha Franchise Group all costs incurred by Desi Chowrastha

Franchise Group (including reasonable attorney fees) in enforcing this Guaranty. If multiple Guarantors sign this Guaranty, each will have joint and several liability.

Store #	Deadline for Opening	Total # of Stores to be Open and Operating on Deadline	Initial Franchise Fee

For each additional Desi Chowrastha franchise, Franchisee shall execute Desi Chowrastha Franchise Group’s then-current standard form of franchise agreement no later than three business days after Franchisee leases or acquires a location. This MUDA does not give Franchisee the right to construct, open, or operate

Franchisee acknowledges that it does not have exclusive rights to develop, open or operate Desi Chowrastha businesses in the Development Area.

If Desi Chowrastha Franchise Group terminates this MUDA for Franchisee’s default, Franchisee shall not be liable to Desi Chowrastha Franchise Group for lost future revenues or profits from the unopened Desi Chowrastha businesses. Franchisee may terminate this MUDA at any time.

6. Conditions. Franchisee’s right to develop each Desi Chowrastha franchise after the Store #1 is subject to the following:

- (i) Franchisee must possess sufficient financial and organizational capacity to develop, open, operate, and manage each additional Desi Chowrastha business, in the reasonable judgment of Desi Chowrastha Franchise Group, and
- (ii) Franchisee must be in full compliance with all brand requirements at its open Desi Chowrastha businesses, and not in default under any Franchise Agreement or any other agreement with Desi Chowrastha Franchise Group.

7. Dispute Resolution; Miscellaneous. The laws of the State of Texas (without giving effect to its principles of conflicts of law) govern all adversarial proceedings between the parties. The parties agree that any Texas law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 7. INDEPENDENT ACCOUNTANT AUDIT REPORT

To the Management of CHOWRASTHA FRANCHISE, LLC

Opinion

We have audited the financial statements of CHOWRASTHA FRANCHISE, LLC (the "Company"), which comprise the Balance Sheet as of December 31, 2024, the related Profit & Loss Statement, the related Statement of Cashflows, the related Statement of Shareholders' Equity, and the related notes for the twelve-month period then ended. (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2024, and the results of its operations and its cash flows for the twelve-month period ended December 31, 2024 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

CHOWRASTHA FRANCHISE, LLC
NOTES TO FINANCIAL STATEMENTS
For The Year Ended December 31, 2024

NOTE A – ORGANIZATION AND NATURE OF ACTIVITIES

CHOWRASTHA FRANCHISE, LLC (the “Company”) was incorporated under the laws of the State of Texas for the purpose of offering franchise opportunities to entrepreneurs who want to own their own local ‘Desi Chowrastha’ location, as a franchise.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). As a result, the Company records revenue when earned and expenses when incurred. The Company has adopted the calendar year as its basis of reporting.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosures of contingent assets and liabilities and other items, as well as the reported revenues and expenses. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and any cash equivalents include all cash balances, and highly liquid investments with maturities of three months or less when purchased.

Franchisee Receivables

The Company’s franchisee receivables primarily result from initial franchise fees, royalty fees, brand development contributions and training fees charged to franchisees. Timing of revenue recognition may be different from the timing of invoicing to customers. The Company records an accounts receivable when revenue is recognized prior to invoicing, or unearned revenue when revenue is recognized after invoicing. The Company reports these receivables at net realizable value.

Management determines the allowance for doubtful accounts based on historical losses, current expectations, and economic conditions. On a continuing basis, management analyzes delinquent accounts receivable and, once these accounts receivable are determined to be uncollectible, they are written off through a charge against an existing allowance account. The allowance account is reviewed regularly and adjusted against earnings as appropriate. The Company determined that an allowance on outstanding franchisee receivables of \$0 was necessary as of December 31, 2024. Franchisee bad debt expense was \$0 for the year ended December 31, 2024. Franchisee amounts written off were \$0 for the year ended December 31, 2024.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Fixed Assets and Depreciation

Property and Equipment is stated at cost. Accounting principles generally accepted in the United States of America require that property and equipment be depreciated using the straight-line method. Expenditures for normal repairs and maintenance are charged to operations as incurred.

The Company reviews long-lived assets for impairment whenever events or circumstances indicate that the carrying value of such assets may not be fully recoverable. Impairment is present when the sum of the undiscounted estimated future cash flows expected to result from use of the assets is less than carrying value. If impairment is present, the carrying value of the impaired asset is reduced to its fair value. As of December 31, 2024, no impairment loss has been recognized for long-lived assets.

Fair Value of Financial Instruments

Financial Accounting Standards Board ("FASB") guidance specifies a hierarchy of valuation techniques based on whether the inputs to those valuation techniques are observable or unobservable. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect market assumptions. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are as follows:

- Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 1 primarily consists of financial instruments whose value is based on quoted market prices such as exchange-traded instruments and listed equities.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly (e.g., quoted prices of similar assets or liabilities in active markets, or quoted prices for identical or similar assets or liabilities in markets that are not active).
- Level 3 - Unobservable inputs for the asset or liability. Financial instruments are considered Level 3 when their fair values are determined using pricing models, discounted cash flows or similar techniques and at least one significant model assumption or input is unobservable.

As of December 31, 2024, the carrying amounts of the Company's financial assets and liabilities reported in the balance sheets approximate their fair value.

CHOWRASTHA FRANCHISE, LLC
NOTES TO FINANCIAL STATEMENTS
For The Year Ended December 31, 2024

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Revenue Recognition

Revenues are primarily derived from franchise fees (one-time and recurring monthly fees). In accordance with Accounting Standards Codification (ASC) Topic 606, Revenue will be recognized when persuasive evidence of an arrangement exists, delivery has occurred, or services have been rendered, the seller's price to the buyer is fixed or determinable, and collectability is reasonably assured. The determination of whether fees are fixed or determinable and collection is reasonably assured involves the use of assumptions. Arrangement terms and customer information are evaluated to ensure that these criteria are met prior to recognition of revenue.

Specifically for franchisors, The Financial Accounting Standards Board (FASB) has issued an Accounting Standards Update (ASU) to ASC 606, Franchisors—'Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient' in 2021 which provides a new practical expedient that permits private company franchisors to account for preopening services provided to a franchisee as distinct from the franchise license if the services are consistent with those included in a predefined list within the guidance. The Company has elected to adopt this new standard.

Unearned Revenue

The Company's primary performance obligation under the franchise agreement mainly includes granting certain rights to access the Company's intellectual property and a variety of activities relating to opening a franchise unit, including initial training and other such activities commonly referred to collectively as "pre-opening activities", which are recognized as a single performance obligation. The Company expects that certain pre-opening activities provided to the franchisee will not be brand specific and will provide the franchisee with relevant general business information that is separate and distinct from the operation of a company-branded franchise unit. The portion of pre-opening activities that will be provided that is not brand specific is expected to be distinct as it will provide a benefit to the franchisee and is expected not to be highly interrelated or interdependent to the access of the Company's intellectual property, and therefore will be accounted for as a separate distinct performance obligation. All other pre-opening activities are expected to be highly interrelated and interdependent to the access of the Company's intellectual property and therefore will be accounted for as a single performance obligation, which is satisfied by granting certain rights to access the Company's intellectual property over the term of each franchise agreement.

The Company estimates the stand-alone selling price of pre-opening activities using an adjusted market assessment approach. The Company will first allocate the initial franchise fees and the fixed consideration, under the franchise agreement to the standalone selling price of the training services that are not brand specific and the residual, if any, to the right to access the Company's intellectual property. Consideration allocated to pre-opening activities, which are not brand specific are recognized ratably as those services are rendered. Consideration allocated to pre-opening activities included under Accounting Standards Update (ASU) to ASC 606, Franchisors—'Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient' is recognized when the related services have been rendered.

The remaining franchisee fee not allocated to pre-opening activities are recorded as Unearned Revenue and will be recognized over the term of the franchise agreement.

CHOWRASTHA FRANCHISE, LLC
NOTES TO FINANCIAL STATEMENTS
For The Year Ended December 31, 2024

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Income Taxes

The Company applies ASC 740 Income Taxes ("ASC 740"). Deferred income taxes are recognized for the tax consequences in future years of differences between the tax bases of assets and liabilities and their financial statement reported amounts at each period end, based on enacted tax laws and statutory tax rates applicable to the periods in which the differences are expected to affect taxable income. Valuation allowances are established, when necessary, to reduce deferred tax assets to the amount expected to be realized. The provision for income taxes represents the tax expense for the period, if any and the change during the period in deferred tax assets and liabilities.

Commitments and Contingencies

The Company may be subject to pending legal proceedings and regulatory actions in the ordinary course of business. The results of such proceedings cannot be predicted with certainty, but the Company does not anticipate that the final outcome, if any, arising out of any such matter will have a material adverse effect on its business, financial condition or results of operations. As of December 31, 2024, the Company has not reported any lawsuit or known plans of litigation by or against the Company.

NOTE C – CONCENTRATIONS OF RISK

Financial instruments that potentially subject the Company to credit risk consist of cash and cash equivalents. The Company places its cash and any cash equivalents with a limited number of high-quality financial institutions and do not exceed the amount of insurance provided on such deposits.

NOTE D – SUBSEQUENT EVENTS

Management has evaluated subsequent events through June 4, 2025, the date on which the financial statements were available to be issued. Management has determined that none of the events occurring after the date of the balance sheet through the date of Management's review substantially affect the amounts and disclosure of the accompanying financial statements.

CONSENT

Omar Alnuaimi, CPA, consents to the use in the Franchise Disclosure Document issued by CHOWRASTHA FRANCHISE, LLC ("Franchisor") on June 5, 2025, as it may be amended, of my report dated June 4, 2025, relating to the Balance Sheet as of December 31, 2024, the related Profit & Loss Statement, the related Statement of Cashflows, and the related Statement of Shareholders Equity for the 12-month period then ended of Franchisor.

INDEPENDENT ACCOUNTANT AUDIT REPORT

To the Management of CHOWRASTHA FRANCHISE, LLC

Opinion

We have audited the financial statements of CHOWRASTHA FRANCHISE, LLC (the "Company"), which comprise the Balance Sheet as of August 15, 2024, and the related notes for the period then ended. (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at August 15, 2024, and the results of its operations and its cash flows for the period ended August 15, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Unearned Revenue

The Company's primary performance obligation under the franchise agreement mainly includes granting certain rights to access the Company's intellectual property and a variety of activities relating to opening a franchise unit, including initial training and other such activities commonly referred to collectively as "pre-opening activities", which are recognized as a single performance obligation. The Company expects that certain pre-opening activities provided to the franchisee will not be brand specific and will provide the franchisee with relevant general business information that is separate and distinct from the operation of a company-branded franchise unit. The portion of pre-opening activities that will be provided that is not brand specific is expected to be distinct as it will provide a benefit to the franchisee and is expected not to be highly interrelated or interdependent to the access of the Company's intellectual property, and therefore will be accounted for as a separate distinct performance obligation. All other pre-opening activities are expected to be highly interrelated and interdependent to the access of the Company's intellectual property and therefore will be accounted for as a single performance obligation, which is satisfied by granting certain rights to access the Company's intellectual property over the term of each franchise agreement.

The Company estimates the stand-alone selling price of pre-opening activities using an adjusted market assessment approach. The Company will first allocate the initial franchise fees and the fixed consideration, under the franchise agreement to the standalone selling price of the training services that are not brand specific and the residual, if any, to the right to access the Company's intellectual property. Consideration allocated to pre-opening activities, which are not brand specific are recognized ratably as those services are rendered. Consideration allocated to pre-opening activities included under Accounting Standards Update (ASU) to ASC 606, Franchisors—'Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient' is recognized when the related services have been rendered.

The remaining franchisee fee not allocated to pre-opening activities are recorded as Unearned Revenue and will be recognized over the term of the franchise agreement.

Income Taxes

The Company, with the consent of its shareholders, has elected to be an S-Corporation (for tax purposes). In lieu of corporate income taxes, the shareholder(s) of an S-Corporation is taxed based on its proportionate share of The Company's taxable income. Therefore, no provision or liability for income taxes has been included in these financial statements.

Commitments and Contingencies

The Company may be subject to pending legal proceedings and regulatory actions in the ordinary course of business. The results of such proceedings cannot be predicted with certainty, but the Company does not anticipate that the final outcome, if any, arising out of any such matter will have a material adverse effect on its business, financial condition or results of operations. As of August 15, 2024, the Company has not reported any lawsuit or known plans of litigation by or against the Company.

THIS REQUIREMENT PLACES THE MARITAL ASSETS OF THE SPOUSES DOMICILED IN COMMUNITY PROPERTY STATES – ARIZONA, CALIFORNIA, IDAHO, LOUISIANA, NEVADA, NEW MEXICO, TEXAS, WASHINGTON AND WISCONSIN AT risk IF YOUR FRANCHISE FAILS.

1. The following paragraph is added to the end of Item 3 of the Disclosure Document:

Neither franchisor nor any person or franchise broker in Item 2 of this disclosure document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in that association or exchange.

2. The following paragraph is added to the end of Item 6 of the Disclosure Document:

With respect to the Late Fee described in Item 6, this Item is amended to disclose that the maximum rate of interest permitted under California law is 10%.

3. The following paragraphs are added at the end of Item 17 of the Disclosure Document:

The Franchise Agreement requires franchisee to sign a general release of claims upon renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring a franchise to waive compliance with any provision of that law or any rule or order thereunder is void.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Frisco, Texas, with the costs being borne equally by Franchisor and Franchisee. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the laws of Texas. This provision may not be enforceable under California law.

4. The following paragraph is added at the end of Item 19 of the Disclosure Document:

The earnings claims figures do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your Desi Chowrastha business. Franchisees or former franchisees, listed in the offering circular, may be one source of this information.

INDIANA RIDER TO FRANCHISE AND MULTI-UNIT DEVELOPMENT AGREEMENT

This Rider amends the Franchise and Multi-Unit Development Agreement dated _____ (the “Agreement”), between Chowrastha Franchise, LLC, a Texas Limited Liability Company (“Desi Chowrastha Franchise Group”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Indiana Acts” means the Indiana Franchise Act and the Indiana Deceptive Franchise Practices Act.

2. Certain Provisions Modified. Any provision of the Agreement which would have any of the following effects is hereby modified to the extent required for the Agreement to be in compliance with the Indiana Acts:

(1) Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or services or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This subdivision does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor.

(2) Allowing the franchisor to establish a franchisor-owned outlet engaged in a substantially identical business to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement; or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.

(3) Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.

(4) Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee.

(5) Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by the Indiana Deceptive Franchise Practices Act or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subsection (5) does not apply to arbitration before an independent arbitrator.

(6) Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers prior to the franchisee's receipt of an official price increase

notification. A sales contract signed by a private retail consumer shall constitute evidence of each order. Price changes applicable to new models of a product at the time of introduction of such new models shall not be considered a price increase. Price increases caused by conformity to a state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this subsection (6).

(7) Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this subsection (7) includes any material violation of the franchise agreement.

(8) Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This chapter shall not prohibit a franchise agreement from providing that the agreement is not renewable upon expiration or that the agreement is renewable if the franchisee meets certain conditions specified in the agreement.

(9) Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three years or in an area greater than the exclusive area granted by the franchise agreement or, in absence of such a provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.

(10) Limiting litigation brought for breach of the agreement in any manner whatsoever.

(11) Requiring the franchisee to participate in any (A) advertising campaign or contest; (B) promotional campaign; (C) promotional materials; or (D) display decorations or materials; at an expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

3. Effective Date. This Rider is effective as of the Effective Date.

MINNESOTA RIDER TO FRANCHISE AND MULTI-UNIT DEVELOPMENT AGREEMENT

This Rider amends the Franchise and Multi-Unit Development Agreement dated _____ (the “Agreement”), between Chowrastha Franchise, LLC, a Texas Limited Liability Company (“Desi Chowrastha Franchise Group”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Minnesota Act” means Minnesota Statutes, Sections 80C.01 to 80C.22.

2. Amendments. The Agreement is amended to comply with the following:

Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

The franchisor will protect the franchisee’s rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Minnesota considers it unfair to not protect the franchisee’s right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.

The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5, and therefore the applicable provision of the Agreement is amended to state “No action may be commenced pursuant to Minnesota Statutes, Section 80C.17 more than three years after the cause of action accrues.”

3. Effective Date. This Rider is effective as of the Effective Date.
