What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Wisconsin. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Wisconsin than in your own state.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than $100,000, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

You will compete for customers with independent owners, national chains, regional chains, and franchised businesses, offering sewer and drain cleaning, televised sewer inspections, hydro-jetting and sewer backup cleaning.

Laws and Regulations

Operation of a Small Business will require you to be aware of federal, state and local regulations that are common to all businesses including federal, state, and local employment laws and regulations, specifically including minimum wage and wage requirements.

Three common regulatory models:

- Full Plumbing License Required
  Many states classify sewer and drain cleaning as plumbing work
- Specialty Drain Cleaning License
  Some states allow a limited license for cleaning only (no repairs)
- Minimal Licensing (Limited Scope Work)
  Basic cleaning may be unregulated, but sewer work usually is

In stricter states, any paid drain cleaning requires a licensed plumber with apprenticeship and exams.

When You Need a Plumbing License

You will almost always need a plumbing contractor or master plumber license if you:

- Work on main sewer lines
- Use hydro-jetting equipment
- Remove roots or major obstructions
- Perform repairs, replacements, or modifications
- Open or alter piping systems

Work involving permanent plumbing systems is typically regulated and requires licensing.

Plumbing License Structure (Typical)

Most states use a tiered system:

1. Apprentice – Works under supervision
2. Journeyman – Can perform work under a master
3. Master Plumber – Can pull permits and supervise
4. Contractor License – Required to operate a business

Becoming licensed usually requires 4–5 years of apprenticeship and passing exams.

Business Licensing Requirements

Contractor License (Business-Level Requirement)

Even if you personally hold a plumbing license, your business may also need a contractor license.

- Required in most states to advertise services
- Often tied to a licensed master plumber on staff
- May include:
    - Financial review
    - Background checks
    - Insurance verification

Many states require a licensed contractor to offer services commercially.

Permits and Code Compliance

Plumbing Codes

Work must comply with:

- Uniform Plumbing Code (UPC)
- or International Plumbing Code (IPC)

These codes regulate:

- Sewer connections
- Drainage systems
- Inspection procedures

These codes are adopted at state or local level and govern technical standards.

Permits

You may need permits for:

- Sewer line repairs or replacement
- Excavation work
- Connection to municipal systems

Permits are issued by:

- City building departments

- Local utility authorities

Inspection & Camera Services Regulations

If your business offers video pipe inspection (CCTV):

- Typically allowed under plumbing or drain cleaning license
- Some states require certification for:
    - Sewer inspection reporting
    - Municipal compliance (for real estate transactions)

Additional considerations:

- Data/reporting standards
- Documentation for insurance or real estate

Insurance Requirements (Critical)

Most jurisdictions require or strongly expect:

General Liability Insurance

- Covers property damage and injury
- Typically $1M minimum

Workers' Compensation

- Required if you have employees

Commercial Auto Insurance

- Required for service vehicles

Surety Bond

- Often required for contractors
- Protects customers from incomplete or faulty work

Bond requirements can range from a few thousand to $50,000+ depending on location.

OSHA & Safety Compliance (Federal)

Because this is a high-risk trade, OSHA regulations apply.

Key requirements:

- Confined space safety (for sewer access)
- Hazard communication (chemicals, gases)
- PPE (gloves, respirators, eye protection)
- Equipment safety training

Failure to comply can result in fines and liability exposure.

Environmental & Waste Regulations

Sewer and drain work often involves environmental compliance.

Waste Disposal

- Proper disposal of sludge, debris, and wastewater

EPA Compliance

- Especially for:
  - Industrial properties
  - Hazardous materials

Stormwater Regulations

- Prevent contamination of public systems

Local Regulations (Very Important)

Many requirements are set at the city or county level, including:

- Contractor registration
- Additional permits
- Local licensing exams
- Inspection requirements

Some cities (e.g., Chicago, NYC, Los Angeles) have stricter rules than their states.

Hiring & Staffing Requirements

If you employ technicians:

- Must work under licensed plumber (in many states)
- May require:

- Apprentice registration
- Supervision documentation

Larger businesses often must have a licensed master plumber responsible for all work.

Key Legal Distinction: Cleaning vs. Repair

One of the most important regulatory distinctions is:

Cleaning (Less Regulated in Some Areas)

- Snaking drains
- Removing clogs
- Routine maintenance

Repair/Modification (Highly Regulated)

- Pipe replacement
- Sewer line repairs
- Structural plumbing changes

Once work involves altering pipes, it is almost always considered licensed plumbing work.

You alone are responsible for investigating and complying with all applicable laws and regulations, despite any information that we may give you. You should consult with a legal advisor about legal requirements that may apply to your business.

Additional initial franchise fees (see Note 14)	$25,000 - $100,000	Check or wire transfer	Upon signing the MUDA	Us
Business planning and miscellaneous expenses	$1,000 - $5,000	Check	As incurred	Vendors and suppliers
Total	$127,000 - $323,000			This is the total estimated initial investment to enter into a Multi-Unit Development Agreement for the right to own a total of 2 or 5 locations.

Notes

1. The Franchise Fee is due and payable at the time of executing the Franchise Agreement. Your lease security deposit and utility deposits will usually be refundable unless you owe money to the

landlord or utility provider. None of the other expenditures in this table will be refundable. Neither we nor any affiliate finances any part of your initial investment.

2. The low end of the investment range assumes you are operating the business from your home. Our estimates in this table assume you pay one month rent plus a security deposit before you open for business. For this to occur, you would need to negotiate a "free rent" period for the time it takes to build out your business. We expect that you will rent your location. If you choose to purchase real estate instead of renting, your costs will be significantly different.

3. The Market Introduction Program is the advertising and expense associated with advertising and promoting the new business launch/opening. These costs are primarily advertising costs, but may include costs paid to a marketing agency to execute the advertising campaign.

4. The Furniture, Fixtures and Equipment includes the furniture and fixtures, design elements and the equipment needed to operate the business.

5. The cost of computer systems includes the hardware and software needed to operate the business. These items are detailed in Item 11.

6. Insurance includes the cost of insurance necessary to operate the business. The Insurance coverage amounts of types of insurance are included in Item 8.

7. This range of investment accounts for your investment in the vehicle to be used for the operation of your business. The low end of the investment accounts for your financing the vehicle and the high end assumes you pay cash for your vehicle.

8. The signage amount accounts for the cost to wrap your vehicle and if you have a location that allows for signage some basic signage on your location.

9. This includes the cost of basic office supplies and expenses needed to operate the business such as pens, paper and other basic office supplies.

10. Licenses and Permits includes the cost of the licensing and permitting needed to operate the business in your market. This does not include the cost of the plumbing licenses if you are required to carry a plumbing license to operate the business in your market.

11. The Professional Fees include the cost of your attorney and CPA and any other professional service providers who will help support you in opening and establishing your business. We also recommend that you have a Franchise Attorney review the Franchise Agreement prior to making your investment and these costs are all included in this investment range.

12. The cost of training is included in your Initial Franchise Fee, but you will be responsible for the cost of travel, food and lodging needed to attend training. This range of investment includes this cost and will vary depending on where you are located and the type of accommodations you choose.

13. This includes any other required expenses you will incur before operations begin and during the initial period of operations, such as payroll, additional inventory, rent, and other operating

expenses in excess of income generated by the business. It does not include any salary or compensation for you. In formulating the amount required for additional funds, we relied on the following factors, basis, and experience: the development of an Econo Sewer & Drain business by our affiliate, and our general knowledge of the industry.

14. This estimate assumes you sign a Multi-Unit Development Agreement for two to five franchises. The franchise fee for your first unit is counted in the "Estimated Initial Investment – Franchise Agreement" table. Your initial franchise fees are reduced to $25,000 for the second and each additional franchise. You will pay all franchise fees upon signing the MUDA.

Item 8

Us or our Affiliates as Supplier

Ownership of Suppliers

None of our officers owns an interest in any supplier to our franchisees.

Alternative Suppliers

If you want to use a supplier that is not on our list of approved suppliers, you must request our approval in writing. We will grant or revoke approvals of suppliers based on criteria appropriate to the situation, which may include evaluations of the supplier's capacity, quality, financial stability, reputation, and reliability; inspections; product testing, and performance reviews. Our criteria for approving suppliers are not available to you. We permit you to contract with alternative suppliers who meet our criteria only if you request our approval in writing, and we grant approval. There is no fee for us to review or approve an alternate supplier. We will provide you with written notification of the approval or disapproval of any supplier you propose within 30 days after receipt of your request. We may grant approvals of new suppliers or revoke past approvals of suppliers on written notice to you, or by updating our Manual.

Issuing Specifications and Standards

We issue specifications and standards to you for applicable aspects of the franchise in our Manual and/or in written directives. We may issue new specifications and standards for any aspect of our brand system, or modify existing specifications and standards, at any time by revising our Manual and/or issuing new written directives (which may be communicated to you by any method we choose). We will generally (but are not obligated to) issue new or revised specifications only after thorough testing in our headquarters, in company-owned outlets, and/or a limited market test in multiple units.

Revenue to Us and Our Affiliates

We currently do not derive revenue from the required purchases and leases by franchisees. However, the franchise agreement does not prohibit us from doing so.

We estimate that the required purchases and leases to establish your business are 50% to 80% of your total purchases and leases to establish your business.

We estimate that the required purchases and leases of goods and services to operate your business are 50% to 80% of your total purchases and leases of goods and services to operate your business.

Payments by Designated Suppliers to Us

We do not currently receive payments from any designated suppliers based on purchases by you or other franchisees.

However, the franchise agreement does not prohibit us from doing so.

No purchasing or distribution cooperative currently exists.

Negotiated Arrangements

We do negotiate purchase arrangements with suppliers, including price terms, for the benefit of franchisees.

Item 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Our Pre-Opening Obligations

Before you open your business:

A. *Your site.* We will review and advise you regarding potential locations that you submit to us. You must assume all costs, liabilities, expenses and responsibility in connection with: (i) locating, obtaining and developing a premises for your location; and (ii) construction, equipping, remodeling and/or building out the premises for use as a location, all in accordance with our System Standards. If the Authorized Location for your franchise business has not been identified at the time the Franchise Agreement is signed, we will assign you a Designated Market Area. (Section 5.4). If you sign a Multi-Unit Development Agreement, we will approve the location of future sites and territories for those sites, and our then-current standards for sites and territories will apply. We are not obligated to further assist you in locating a site or negotiating the purchase or lease of the site.

(i) We generally do not own your premises.

(ii) If your site is not already known and approved by us when you sign your franchise agreement, then we and you will specify in your franchise agreement the area in which you must select a site (Franchise Agreement, Summary Page). We do not select your site. Your site is subject to our approval. To obtain our approval, you must provide all information and documents about the site that we require.

(iii) We require that you conduct, at your request, an evaluation of the demographics of the market area for the location. Ideally, the Authorized Location of your franchise business will be a major, national-tenant anchored commercial retail center that meets our then-current requirements for population density, demographics, available parking, traffic flow and entrance/exit from the site.

(iv) The factors we consider in approving sites are general location and neighborhood, competition, trade area demographics, traffic patterns, parking, size, physical characteristics of existing buildings, and lease terms. We also have the right and opportunity to review any lease or purchase agreement for a proposed location before you enter into such an agreement.

(v) The time limit for us to approve or disapprove your proposed site is 30 days after you submit all of our required documents and information. (Section 6.1). If we and you cannot agree on a site, you will be unable to comply with your obligation to develop and open the franchise by the deadline stated in the franchise agreement. Unless we agree to extend the deadline, you will be in default and we may terminate your franchise agreement.

(vi) We are not obligated to assist you in conforming the premises of your site to local ordinances and building codes and obtaining any required permits. This will be your responsibility.

Length of Time to Open

The typical length of time between signing the franchise agreement and the opening of your business is 3 months. Factors that may affect the time period include your ability to obtain a lease, obtain financing, develop your location, obtain business permits and licenses, and hire employee/team members.

Our Post-Opening Obligations

After you open your business:

A. *Developing products or services you will offer to your customers*. Although it is our intent and practice to refine and develop products or services that you will offer to your customers, the franchise agreement does not obligate us to do so.

B. *Hiring and training employee/team members*. We will provide you with our suggested staffing levels (Section 5.2), suggested guidelines for hiring employee/team members (Section 5.2), and operational instructions in the Manual which you can use as part of training new employee/team members (Section 5.3). (Section 5.5)

D. *Establishing prices*. (Section 5.5). We have the right to require you to offer products and services at specific prices we determine if we are promoting such products and services on a national, regional, or local market basis, for the duration of the promotion (but only to the extent permitted by applicable law).

E. *Establishing and using administrative, bookkeeping, accounting, and inventory control procedures.* We will provide you our recommended procedures for administration, bookkeeping, accounting, and inventory control (Section 5.5). We may make any such procedures part of required (and not merely recommended) procedures for our system.

F. *Marketing Fund*. We will administer the Marketing Fund (Section 5.5). We will prepare an unaudited annual financial statement of the Marketing Fund within 120 days of the close of our fiscal year and will provide the financial statement to you upon request. (Section 9.3)

G. *Website*. We will maintain a website for the Econo Sewer & Drain brand, which will include your business information and telephone number. (Section 5.5)

Advertising

Our obligation. We will use the Marketing Fund only for marketing and related purposes and costs. Media coverage is primarily local. We use outside vendors and consultants to produce advertising. We are not required to spend any amount of advertising in the area or territory where any particular franchisee is located. We will maintain the brand website (which may be paid for by the Marketing Fund). We have no other obligation to conduct advertising.

Your own advertising material. You may use your own advertising or marketing material only with our approval. To obtain our approval, you must submit any proposed advertising or marketing material at least 14 days prior to use. If we do not respond, the material is deemed rejected. If you develop any advertising or marketing materials, we may use those materials for any purpose, without any payment to you. You must first obtain our advanced written approval before any form of co-branding, or advertising with other brands, products or services. You must strictly follow the social media guidelines, code of conduct, and etiquette as set forth in the Manual regarding social media activities. Any use of social media by you pertaining to the Location must be in good taste and not linked to controversial, unethical, immoral, illegal or inappropriate

content. You will promptly modify or remove any online communication pertaining to the Location that does not comply with the Franchise Agreement or the Manual.

Advertising council. We do not have an advertising council composed of franchisees. The franchise agreement does not give us the power to form an advertising council.

Local or Regional Advertising Cooperatives. We do not currently have any local or regional advertising cooperatives. We have the right to require you to participate in a local or regional advertising cooperative. We will define the area of the cooperative based on media markets, or other geographic criteria that we deem appropriate. Each franchisee in the area would have one vote per outlet (unless the franchisee is in default under its franchise agreement). The amount you must contribute to the cooperative will be determined by vote of the members, but not less than 1% and not more than 5% of gross sales. If our own outlets are members of a cooperative, they must contribute to the cooperative on the same basis as franchisees, and they will vote on the same basis as other members. We administer the cooperative, but we have the right to delegate responsibility for administration to an outside company such as an advertising agency or accounting firm, or to the franchisee members of the cooperative. We have the right to require the cooperative to operate from written bylaws or other governing documents that we determine. The documents are not currently available for you to review. Cooperatives will prepare annual financial statements which will be made available for review only by us and by the members of cooperative. We have the power to require cooperatives to be formed, changed, dissolved, or merged.

Advertising Fund. You and all other franchisees must contribute to our Marketing Fund. Your contribution is 1% of gross sales per month. We reserve the right to have other franchisees contribute a different amount or at a different rate. Outlets that we own are not obligated to contribute to the Marketing Fund. We administer the fund. The fund is not audited. We will make unaudited annual financial statements available to you upon request.

Because we are a new franchisor, we did not spend any money from the Marketing Fund in our most recently concluded fiscal year.

If less than all marketing funds are spent in the fiscal year in which they accrue, the money will remain in the Marketing Fund to be spent in the next year.

No money from the Marketing Fund is spent principally to solicit new franchise sales.

Market introduction plan. You must develop a market introduction plan and obtain our approval of the plan at least 30 days before the projected opening date of your business. In addition to the Local Advertising Requirement, you will be required to spend $2,500 to $5,000 in connection with pre-opening sales activities and other initial launch promotional activities designed to increase visibility of your location/franchise business within your Designated Territory. You may be required to spend all of some portion of these funds on products/services received form an Approved Supplier we designated or approve, and all materials used in connection with your grand opening campaign must be approved by us if not previously designated for use.

We expect that you will typically be required to spend these amounts in the 30-60 days prior to opening and in the 30-day period following the opening of your location/franchise

business. Your Pre-Sales Phase and Opening Support Program must commence once your real estate lease is signed. The Opening Support Program is provided by our third-party Approved Supplier and is currently overseen by our internal marketing and sales departments. Participation in the Opening Support Program is mandatory, and we may require you to spend certain amounts on services or content that is supplied by one (1) or more of our Approved Supplier(s). The Initial Marketing Spend will not count towards your Local Advertising Requirement.

Required spending. After you open, you must spend at least 8% of gross sales each month on marketing your business.

We require you to purchase, lease and maintain such computer hardware and software, dedicated high speed communications equipment and services, dedicated telephone and power lines, modem(s), speakers, and other computer-related accessories or peripheral equipment as we may specify, for the purpose of, among other functions, recording sales, scheduling, and other functions that we require. You must provide such assistance as may be required to connect your computer system with a computer system used by us. We will have the right, on an occasional or regular basis, to retrieve such data and information from your computer system as we, in our sole and exclusive discretion, consistent with consumer privacy laws, deem necessary. You must operate your computer system in compliance with certain security standards specified and modified by us. In view of the interconnection of computer systems and the necessity that such systems be compatible with each other, you expressly agree that you will strictly comply with our System Standards for all item(s) associated with your
computer system and will otherwise operate your computer system in accordance with our System Standards.

To ensure full operational efficiency and optimal communication capability between and among computer systems installed by you, us, and other franchisees, you agree, at your expense, to keep your computer system in good maintenance and repair, and following our determination that it will be economical or otherwise beneficial to the System to promptly install such additions, changes, modifications, substitutions and/or replacement to your computer hardware, software, communications equipment and services, telephone and power lines, and other computer-related facilities, as we direct.

We are not obligated to provide any ongoing maintenance, repairs, upgrades, or updates. We do require you enter into such contract with a third party for the above platforms/system.

We estimate that the annual cost of any optional or required maintenance, updating, upgrading, or support contracts will be $3,000 to $6,000 per year which includes the monthly software license fees.

Training classes will be scheduled in accordance with the needs of new franchisees. We anticipate holding training classes in advance of the opening of the franchisee's location, doing so remotely, at a corporate location, and at the franchisee's location once sufficient build-out has been completed and close to being open, as elaborated on in the additional questions below. This may change as we start to bring on more franchisees.

The instruction materials consist primarily of our Onboarding Checklist which contains links organized by section for all applicable written procedures, training videos, learning checks referred to as Knowledge Reviews (automatically graded with correct answers provided, with a structure in place requiring successful completion via a minimum score threshold), and a shadowing/coaching checklist and approval process all required to successfully and fully complete the necessary training. Additional instructional material will be provided consisting of additional similar training (additional procedures, additional video training, additional checklists, etc.) for "higher-level" functions required of the franchisee and/or the individual acting as the owner/operator and/or manager of the franchisee.

Training classes will be led by the franchisor(s) and/or its delegate(s), such as a corporate-employed, tenured individual who has been delegated to lead some or all aspects of training (i.e. a manager / assistant manager / senior employee who works at a corporate (franchisor) location). Some aspects of training classes will be self-directed and led by the franchisee themselves as they

follow the training structure in place which would include video training and the aforementioned instructional materials created by the franchisor/corporate (so in that sense, it is still being led by the franchisor/corporate/its delegate(s), just done remotely and/or by pre-recorded materials listed in the Onboarding/Training structure).

The instructor, of the franchisor(s) have experience dating back to the establishment of corporate. Franchisor/corporate delegate(s) may have various lengths of experience depending on the individual delegate, but they would typically have minimally one year of experience, if not more, and have had successfully completed both their own training and facilitation of others' training in the past; the delegate(s) would typically be in a management role at a corporate location or be a "senior," tenured employee if not in a formal management position.

There is no fee for up to 2 people to attend training. You must pay the travel and living expenses of your employee/team members or managers attending training.

You and one additional general manager must attend training. You may send any additional persons to training that you want (up to the maximum described above). You must complete training to our satisfaction at least four weeks before opening your business. You will be required to pass a test which evaluates your understanding for the content and franchise operating content as covered in the training program. Should you fail to pass the test or complete the initial training, we have the right to terminate the franchise agreement with no refund of the initial franchise fee.

Your business must at all times be under your on-site supervision or under the on-site supervision of a general manager who has completed our training program. If you need to send a new general manager to our training program, we will charge a fee, which is currently $500 per day. Otherwise, we do not currently require additional training programs or refresher courses, but we have the right to do so.

Item 12
TERRITORY

Your Location

Your franchise is for a specific location. If the specific location is not known at the time you sign a franchise agreement, then your location is subject to our approval.

Grant of Territory

Your franchise agreement will specify a territory, which will be determined by us. Your territory will have a population of approximately 100,000-250,000 people. Your territory will usually be specified as a radius around your location; however, we may use other boundaries (such as county lines or other political boundaries, streets, geographical features, or trade area).

Relocation; Establishment of Additional Outlets

You do not have the right to relocate your business, and we have no obligation to approve any request for relocation. Our policy is to approve relocation of a franchisee's business on case-

by-case basis, considering factors such as changes in demographics, profitability of your current business, or a loss of your premises due to circumstances beyond your control.

You do not have the right to establish additional franchised outlets unless you sign a Multi-Unit Development Agreement ("MUDA") in the form attached as Exhibit C to this disclosure document. If you and we sign a MUDA, then you will have the right to establish a mutually-agreed number of additional outlets on a mutually-agreed schedule. Under the MUDA, your right to develop additional outlets is subject to (1) you must comply with the mutually-agreed development schedule, (2) you must have sufficient financial and organizational capacity to develop, open, operate, and manage each additional Econo Sewer & Drain business, (3) you must be in compliance with all brand requirements at your open Econo Sewer & Drain business(es), and (4) you must not be in default under any other agreement with us. We will approve the location of future sites and territories for those sites, and our then-current standards for sites and territories will apply. If you do not meet your development schedule in the MUDA, we have the right to terminate your right to develop additional outlets.

Options to Acquire Additional Franchises

You do not receive any options, rights of first refusal, or similar rights to acquire additional franchises.

Territory Protection

In your franchise agreement, we grant you an exclusive territory. In your territory, we will not establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service marks as an Econo Sewer & Drain outlet. The continuation of your territorial protection does not depend on achieving a certain sales volume, market penetration, or other contingency. There are no circumstances that permit us to modify your territorial rights.

If you sign a MUDA, you do not receive an exclusive territory as an area developer. Therefore, with respect to a MUDA, we make the following disclosure: You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Restrictions on Us from Soliciting or Accepting Orders in Your Territory

There are no restrictions on us from soliciting or accepting orders from consumers inside your territory. We reserve the right to use other channels of distribution, such as the internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory using our principal trademarks or using trademarks different from the ones you will use under your franchise agreement. We do not pay any compensation to you for soliciting or accepting orders from inside your territory.

Soliciting by You Outside Your Territory

There are no restrictions on you from soliciting or accepting orders from consumers outside of your territory, except that all marketing and advertising is subject to our approval.

Competition by Us Under Different Trademarks

Neither we nor any of our affiliates operates, franchises, or has plans to operate or franchise a business under a different trademark selling goods or services similar to those you will offer. However, the franchise agreement does not prohibit us from doing so.

The franchise agreement obligates you to notify us of the use of, or claims of rights to, a trademark identical to or confusingly similar to a trademark licensed to you. The franchise agreement does not require us to take affirmative action when notified of these uses or claims. You (and your owners, if the franchise is owned by an entity) must protect the confidentiality of our Brand Standards Manual and other proprietary information, and you must use our confidential information only for your franchised business. We may require your managers and key employee/team members to sign confidentiality agreements.

You may not advertise, offer for sale or sell, any products and/or services that we have not authorized. We may change the types of authorized products and services at any time in our discretion. Franchisee acknowledges that a precise calculation of the full extent of Econo Sewer & Drain Franchising's damages under these circumstances is difficult to determine and the method of calculation of such damages as set forth in this Section is reasonable. Franchisee's payment to Econo Sewer & Drain Franchising under this Section will be in lieu of any direct monetary damages that Econo Sewer & Drain Franchising may incur as a result of Econo Sewer & Drain Franchising's loss of Royalty Fees and Marketing Fund Contributions that would have been owed to Econo Sewer & Drain Franchising after the date of termination; however, such payment shall be in addition to all damages and other amounts arising under Section 14.3 and Section 14.4, Econo

If the parties cannot agree on fair market value within 30 days after the exercise notice, the fair market value will be determined by an independent appraiser reasonably acceptable to both parties. The parties will equally share the cost of the appraisal. Econo Sewer & Drain Franchising's purchase will be of assets only (free and clear of all liens), and the purchase will not include any liabilities of Franchisee. The purchase price for assets will not include any factor or increment for any trademark or other commercial symbol used in the business, the value of any intangible assets, or any goodwill or "going concern" value for the Business. Econo Sewer & Drain Franchising may withdraw its exercise of the purchase option at any time before it pays for the assets. Franchisee will sign a bill of sale for the purchased assets and any other transfer documents reasonably requested by Econo Sewer & Drain Franchising. If Econo Sewer & Drain Franchising exercises the purchase option, Econo Sewer & Drain Franchising may deduct from the purchase price: (a) all amounts due from Franchisee; (b) Franchisee's portion of the cost of any appraisal conducted hereunder; and (c) amounts paid or to be paid by Econo Sewer & Drain Franchising to cure defaults under Franchisee's lease and/or amounts owed by Franchisee to third parties. If any of the assets are subject to a lien, Econo Sewer & Drain Franchising may pay a portion of the purchase price directly to the lienholder to pay off such lien. Econo Sewer & Drain Franchising may withhold 25% of the purchase price for 90 days to ensure that all of Franchisee's taxes and other liabilities are paid. Econo Sewer & Drain Franchising may assign this purchase option to another party.

ARTICLE 15. TRANSFERS

15.1 By Econo Sewer & Drain Franchising. Econo Sewer & Drain Franchising may transfer or assign this Agreement, or any of its rights or obligations under this Agreement, to any person or entity, and Econo Sewer & Drain Franchising may undergo a change in ownership and/or control, without the consent of Franchisee.

15.2 By Franchisee. Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that Econo Sewer & Drain Franchising entered into this Agreement in reliance on Franchisee's business skill, financial capacity, personal character, experience, and business ability. Accordingly, Franchisee shall not conduct or undergo a Transfer without providing Econo Sewer & Drain Franchising at least 60 days prior notice of the proposed Transfer, and without obtaining Econo Sewer & Drain Franchising's consent. In granting any such

consent, Econo Sewer & Drain Franchising may impose conditions, including, without limitation, the following:

(i) Econo Sewer & Drain Franchising receives a transfer fee equal to $10,000 plus any broker fees and other out-of-pocket costs incurred by Econo Sewer & Drain Franchising;

(ii) the proposed assignee and its owners have completed Econo Sewer & Drain Franchising's franchise application processes, meet Econo Sewer & Drain Franchising's then-applicable standards for new franchisees, and have been approved by Econo Sewer & Drain Franchising as franchisees;

(iii) the proposed assignee is not a Competitor;

(iv) the proposed assignee executes Econo Sewer & Drain Franchising's then-current form of franchise agreement and any related documents, which form may contain materially different provisions than this Agreement (provided, however, that the proposed assignee will not be required to pay an initial franchise fee);

(v) all owners of the proposed assignee provide a guaranty in accordance with Section 2.5;

(vi) Franchisee has paid all monetary obligations to Econo Sewer & Drain Franchising and its affiliates, and to any lessor, vendor, supplier, or lender to the Business, and Franchisee is not otherwise in default or breach of this Agreement or of any other obligation owed to Econo Sewer & Drain Franchising or its affiliates;

(vii) the proposed assignee and its owners and employee/team members undergo such training as Econo Sewer & Drain Franchising may require;

(viii) Franchisee, its Owners, and the transferee and its owners execute a general release of Econo Sewer & Drain Franchising in a form satisfactory to Econo Sewer & Drain Franchising; and

(ix) the Business fully complies with all of Econo Sewer & Drain Franchising's most recent System Standards.

15.3 Transfer for Convenience of Ownership. If Franchisee is an individual, Franchisee may Transfer this Agreement to a corporation or limited liability company formed for the convenience of ownership after at least 15 days' notice to Econo Sewer & Drain Franchising, if, prior to the Transfer: (1) the transferee provides the information required by Section 2.3; (2) Franchisee provides copies of the entity's charter documents, by-laws (or operating agreement) and similar documents, if requested by Econo Sewer & Drain Franchising, (3) Franchisee owns all voting securities of the corporation or limited liability company, and (4) Franchisee provides a guaranty in accordance with Section 2.5.

15.4 Transfer upon Death or Incapacity. Upon the death or incapacity of Franchisee (or, if Franchisee is an entity, the Owner with the largest ownership interest in Franchisee), the executor,

administrator, or personal representative of that person must Transfer the Business to a third party approved by Econo Sewer & Drain Franchising (or to another person who was an Owner at the time of death or incapacity of the largest Owner) within nine months after death or incapacity. Such transfer must comply with Section 15.2.

15.5 Econo Sewer & Drain Franchising's Right of First Refusal. Before Franchisee (or any Owner) engages in a Transfer (except under Section 15.3, to a co-Owner, or to a spouse, sibling, or child of an Owner), Econo Sewer & Drain Franchising will have a right of first refusal, as set forth in this Section. Franchisee (or its Owners) shall provide to Econo Sewer & Drain Franchising a copy of the terms and conditions of any Transfer. For a period of 30 days from the date of Econo Sewer & Drain Franchising's receipt of such copy, Econo Sewer & Drain Franchising will have the right, exercisable by notice to Franchisee, to purchase the assets subject of the proposed Transfer for the same price and on the same terms and conditions (except that Econo Sewer & Drain Franchising may substitute cash for any other form of payment). If Econo Sewer & Drain Franchising does not exercise its right of first refusal, Franchisee may proceed with the Transfer, subject to the other terms and conditions of this Article.

15.6 No Sublicense. Franchisee has no right to sublicense the Marks or any of Franchisee's rights under this Agreement.

15.7 No Lien on Agreement. Franchisee shall not grant a security interest in this Agreement to any person or entity. If Franchisee grants an "all assets" security interest to any lender or other secured party, Franchisee shall cause the secured party to expressly exempt this Agreement from the security interest.

ARTICLE 16. INDEMNITY

16.1 Indemnity. Franchisee shall indemnify and defend (with counsel reasonably acceptable to Econo Sewer & Drain Franchising) Econo Sewer & Drain Franchising, its parent entities, subsidiaries and affiliates, and their respective owners, directors, officers, employee/team members, agents, successors and assignees (collectively, "Indemnitees") against all Losses in any Action by or against Econo Sewer & Drain Franchising and/or any Indemnitee directly or indirectly related to, or alleged to arise out of, the operation of the Business. Notwithstanding the foregoing, Franchisee shall not be obligated to indemnify an Indemnitee from Actions arising as a result of any Indemnitee's intentional misconduct or negligence. Any delay or failure by an Indemnitee to notify Franchisee of an Action shall not relieve Franchisee of its indemnity obligation except to the extent (if any) that such delay or failure materially prejudices Franchisee. Franchisee shall not settle an Action without the consent of the Indemnitee. This indemnity will continue in effect after this Agreement ends.

16.2 Assumption. An Indemnitee may elect to assume the defense of any Action subject to this indemnification, and control all aspects of defending the Action, including negotiations and settlement, at Franchisee's expense. Such an undertaking shall not diminish Franchisee's obligation to indemnify the Indemnitees.

ARTICLE 17. DISPUTE RESOLUTION

17.1 Arbitration.

(a) Disputes Subject to Arbitration. Except as expressly provided in subsection (c) and (d), any controversy or claim between the parties (including any controversy or claim arising out of or relating to this Agreement or its formation and including any question of arbitrability) shall be resolved by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, including the Optional Rules for Emergency Measures of Protection. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction.

(b) Location. The place of arbitration shall be the city and state where Econo Sewer & Drain Franchising's headquarters are located.

(c) Injunctive Relief. Either party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Either party also may, without waiving any remedy or right to arbitrate under this Agreement, seek from any court having jurisdiction any interim or provisional injunctive relief.

(d) Intellectual Property Claims. Either party may bring a claim involving an alleged infringement of any of Econo Sewer & Drain Franchising's intellectual property rights in a court authorized to hear such claims under Section 17.5 of this Agreement.

(e) Confidentiality. All documents, information, and results pertaining to any arbitration or lawsuit will be confidential, except as required by law or as required for Econo Sewer & Drain Franchising to comply with laws and regulations applicable to the sale of franchises.

(f) Performance During Arbitration or Litigation. Unless this Agreement has been terminated, Econo Sewer & Drain Franchising and Franchisee will comply with this Agreement and perform their respective obligations under this Agreement during the arbitration or litigation process.

17.2 Damages. In any controversy or claim arising out of or relating to this Agreement, each party waives any right to punitive or other monetary damages not measured by the prevailing party's actual damages, except damages expressly authorized by federal statute and damages expressly authorized by this Agreement.

17.3 Waiver of Class Actions. The parties agree that any claims will be arbitrated, litigated, or otherwise resolved on an individual basis, and waive any right to act on a class-wide basis.

17.4 Time Limitation. Any arbitration or other legal action arising from or related to this Agreement must be instituted within two years from the date such party discovers the conduct or event that forms the basis of the arbitration or other legal action. The foregoing time limit does not apply to claims (i) by one party related to non-payment under this Agreement by the other party, (ii) for indemnity under Article 16, or (iii) related to unauthorized use of Confidential Information or the Marks.

17.5 Venue Other Than Arbitration. For any legal proceeding not required to be submitted to arbitration, the parties agree that any such legal proceeding will be brought in the United States District Court where Econo Sewer & Drain Franchising's headquarters is then located. If there is no federal jurisdiction over the dispute, the parties agree that any such legal proceeding will be brought in the court of record of the state and county where Econo Sewer & Drain Franchising's headquarters is then located. Each party consents to the jurisdiction of such courts and waives any objection that it, he or she may have to the laying of venue of any proceeding in any of these courts.

17.6 Legal Costs. In any legal proceeding (including arbitration) related to this Agreement or any guaranty, the non-prevailing party shall pay the prevailing party's attorney fees, costs and other expenses of the legal proceeding. "Prevailing party" means the party, if any, which prevailed upon the central litigated issues and obtained substantial relief.

ARTICLE 18. MISCELLANEOUS

18.1 Relationship of the Parties. The parties are independent contractors, and neither is the agent, partner, joint venturer, or employee of the other. Econo Sewer & Drain Franchising is not a fiduciary of Franchisee. Econo Sewer & Drain Franchising does not control or have the right to control Franchisee or its Business. Any required specifications and standards in this Agreement and in the System Standards exist to protect Econo Sewer & Drain Franchising's interest in the System and the Marks, and the goodwill established in them, and not for the purpose of establishing any control, or duty to take control, over the Business. Econo Sewer & Drain Franchising has no liability for Franchisee's obligations to any third party whatsoever.

18.2 No Third-Party Beneficiaries. This Agreement does not confer any rights or remedies upon any person or entity other than Franchisee, Econo Sewer & Drain Franchising, and Econo Sewer & Drain Franchising's affiliates.

18.3 Entire Agreement. This Agreement constitutes the entire agreement of the parties and supersedes all prior negotiations and representations. Nothing in this Agreement or in any related agreement is intended to disclaim the representations made by Econo Sewer & Drain Franchising in its franchise disclosure document.

18.4 Modification. No modification or amendment of this Agreement will be effective unless it is in writing and signed by both parties. This provision does not limit Econo Sewer & Drain Franchising's rights to modify the Manual or System Standards.

18.5 Consent; Waiver. No consent under this Agreement, and no waiver of satisfaction of a condition or nonperformance of an obligation under this Agreement will be effective unless it is in writing and signed by the party granting the consent or waiver. No waiver by a party of any right will affect the party's rights as to any subsequent exercise of that right or any other right. No delay, forbearance or omission by a party to exercise any right will constitute a waiver of such right.

18.6 Cumulative Remedies. Rights and remedies under this Agreement are cumulative. No enforcement of a right or remedy precludes the enforcement of any other right or remedy.

18.7 Severability. The parties intend that (i) if any provision of this Agreement is held by an arbitrator or court to be unenforceable, then that provision be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded, and (ii) if an unenforceable provision is modified or disregarded, then the rest of this Agreement will remain in effect as written.

18.8 Governing Law. The laws of the state of Wisconsin (without giving effect to its principles of conflicts of law) govern all adversarial proceedings between the parties. The parties agree that any Wisconsin law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 18.8.

18.9 Notices. Any notice will be effective under this Agreement only if made in writing and delivered as set forth in this Section to: (A) if to Franchisee, addressed to Franchisee at the notice address set forth in the Summary Page; and (B) if to Econo Sewer & Drain Franchising, addressed to 2101 Lathrop Ave, Racine, WI 53405. Any party may designate a new address for notices by giving notice of the new address pursuant to this Section. Notices will be effective upon receipt (or first rejection) and must be: (1) delivered personally; (2) sent by registered or certified U.S. mail with return receipt requested; or (3) sent via overnight courier. Notwithstanding the foregoing, Econo Sewer & Drain Franchising may amend the Manual, give binding notice of changes to System Standards, and deliver notices of default by electronic mail or other electronic communication.

18.10 Holdover. If Franchisee continues operating the Business after the expiration of the term without a renewal agreement or successor franchise agreement executed by the parties in accordance with Section 3.2, then at any time (regardless of any course of dealing by the parties), Econo Sewer & Drain Franchising may by giving written notice to Franchisee (the "Holdover Notice") either (i) require Franchisee to cease operating the Business and comply with all post-closing obligations effective immediately upon giving notice or effective on such other date as Econo Sewer & Drain Franchising specifies, or (ii) bind Franchisee to a renewal term of 5 years, and deem Franchisee and its Owners to have made the general release of liability described in Section 3.2(vi).

18.11 Joint and Several Liability. If two or more people sign this Agreement as "Franchisee", each will have joint and several liability.

18.12 No Offer and Acceptance. Delivery of a draft of this Agreement to Franchisee by Econo Sewer & Drain Franchising does not constitute an offer. This Agreement shall not be effective unless and until it is executed by both Franchisee and Econo Sewer & Drain Franchising.

ARTICLE 19. CERTIFICATION OF FRANCHISOR'S COMPLIANCE

By signing this Agreement, Franchisee acknowledges the following:

(1) Franchisee understands all the information in Econo Sewer & Drain Franchising's Disclosure Document.

(2) Franchisee understands the success or failure of the Business will depend in large part upon Franchisee's skills, abilities and efforts and those of the persons Franchisee employs, as well as many factors beyond Franchisee's control such as weather, competition, interest rates, the economy, inflation, labor and supply costs, lease terms, and the marketplace.

(3) That no person acting on Econo Sewer & Drain Franchising's behalf made any statement or promise regarding the costs involved in operating an Econo Sewer & Drain franchise that is not in the Disclosure Document or that is contrary to, or different from, the information in the Disclosure Document.

(4) That no person acting on Econo Sewer & Drain Franchising's behalf made any claim or representation to Franchisee, orally, visually, or in writing, that contradicted the information in the Disclosure Document.

(5) That no person acting on Econo Sewer & Drain Franchising's behalf made any statement or promise regarding the actual, average or projected profits or earnings, the likelihood of success, the amount of money Franchisee may earn, or the total amount of revenue an Econo Sewer & Drain franchise will generate, that is not in the Disclosure Document or that is contrary to, or different from, the information in the Disclosure Document.

(6) That no person acting on Econo Sewer & Drain Franchising's behalf made any statement or promise or agreement, other than those matters addressed in this Agreement, concerning advertising, marketing, media support, market penetration, training, support service, or assistance that is contrary to, or different from, the information contained in the Disclosure Document.

(7) Franchisee understands that this Agreement contains the entire agreement between Econo Sewer & Drain Franchising and Franchisee concerning the Econo Sewer & Drain franchise, which means that any oral or written statements not set out in this Agreement will not be binding. 2. Confidential Information. With respect to all Confidential Information Guarantor shall (a) adhere to all security procedures prescribed by Econo Sewer & Drain Franchising for maintaining confidentiality, (b) disclose such information to its employee/team members only to the extent necessary for the operation of the Business; (c) not use any such information in any other business or in any manner not specifically authorized or approved in writing by Econo Sewer & Drain Franchising, (d) exercise the highest degree of diligence and make every effort to maintain the confidentiality of all such information during and after the term of the Franchise Agreement, (e) not copy or otherwise reproduce any Confidential Information, and (f) promptly report any

5. Limitation of Liability. Franchisee's commitment to develop Econo Sewer & Drain businesses is in the nature of an option only. If Econo Sewer & Drain Franchising terminates this MUDA for Franchisee's default, Franchisee shall not be liable to Econo Sewer & Drain Franchising for lost future revenues or profits from the unopened Econo Sewer & Drain businesses. Franchisee may terminate this MUDA at any time.

Franchisee shall not Transfer this MUDA without the prior written consent of Econo Sewer & Drain Franchising, and any Transfer without Econo Sewer & Drain Franchising's prior written consent shall be void. STATE ADDENDA TO DISCLOSURE DOCUMENT

CALIFORNIA ADDENDUM TO DISCLOSURE DOCUMENT

California Corporations Code, Section 31125 requires the franchisor to give the franchisee a disclosure document, approved by the Department of Business Oversight, prior to a solicitation of a proposed material modification of an existing franchise.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE OFFERING CIRCULAR.

OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF BUSINESS OVERSIGHT. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF BUSINESS OVERSIGHT AT www.dbo.ca.gov.

THESE FRANCHISES HAVE BEEN REGISTERED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF CALIFORNIA. SUCH REGISTRATION DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE COMMISSIONER OF BUSINESS OVERSIGHT NOR A FINDING BY THE COMMISSIONER THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

ALL THE OWNERS OF THE FRANCHISE WILL BE REQUIRED TO EXECUTE PERSONAL GUARANTEES. THIS REQUIREMENT PLACES THE MARITAL ASSETS OF THE SPOUSES DOMICILED IN COMMUNITY PROPERTY STATES – ARIZONA, CALIFORNIA, IDAHO, LOUISIANA, NEVADA, NEW MEXICO, TEXAS, WASHINGTON AND WISCONSIN AT risk IF YOUR FRANCHISE FAILS.

1. The following paragraph is added to the end of Item 3 of the Disclosure Document:

   Neither franchisor nor any person or franchise broker in Item 2 of this disclosure document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in that association or exchange.

2. The following paragraph is added to the end of Item 6 of the Disclosure Document:

   With respect to the Late Fee described in Item 6, this Item is amended to disclose that the maximum rate of interest permitted under California law is 10%.

3. The following paragraphs are added at the end of Item 17 of the Disclosure Document:

   The Franchise Agreement requires franchisee to sign a general release of claims upon renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring a franchise to waive compliance with any provision of that law or any rule or order thereunder is void.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Racine, Wisconsin, with the costs being borne equally by Franchisor and Franchisee. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the laws of Wisconsin. This provision may not be enforceable under California law.

4. The following paragraph is added at the end of Item 19 of the Disclosure Document:

The earnings claims figures do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your Econo Sewer & Drain business. Franchisees or former franchisees, listed in the offering circular, may be one source of this information.

- The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.

INDIANA RIDER TO FRANCHISE AND MULTI-UNIT DEVELOPMENT AGREEMENT

This Rider amends the Franchise and Multi-Unit Development Agreement dated _____ (the "Agreement"), between Econo Sewer & Drain Franchising, LLC, a Wyoming Limited Liability Company ("Econo Sewer & Drain Franchising") and _____, a _____ _____ ("Franchisee").

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The "Indiana Acts" means the Indiana Franchise Act and the Indiana Deceptive Franchise Practices Act.

2. Certain Provisions Modified. Any provision of the Agreement which would have any of the following effects is hereby modified to the extent required for the Agreement to be in compliance with the Indiana Acts:

(1) Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or services or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This subdivision does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor.

(2) Allowing the franchisor to establish a franchisor-owned outlet engaged in a substantially identical business to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement; or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.

(3) Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.

(4) Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee.

(5) Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by the Indiana Deceptive Franchise Practices Act or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subsection (5) does not apply to arbitration before an independent arbitrator.

(6) Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers prior to the franchisee's receipt of an official price increase

notification. A sales contract signed by a private retail consumer shall constitute evidence of each order. Price changes applicable to new models of a product at the time of introduction of such new models shall not be considered a price increase. Price increases caused by conformity to a state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this subsection (6).

(7) Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this subsection (7) includes any material violation of the franchise agreement.

(8) Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This chapter shall not prohibit a franchise agreement from providing that the agreement is not renewable upon expiration or that the agreement is renewable if the franchisee meets certain conditions specified in the agreement.

(9) Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three years or in an area greater than the exclusive area granted by the franchise agreement or, in absence of such a provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.

(10) Limiting litigation brought for breach of the agreement in any manner whatsoever.

(11) Requiring the franchisee to participate in any (A) advertising campaign or contest; (B) promotional campaign; (C) promotional materials; or (D) display decorations or materials; at an expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

3. Effective Date. This Rider is effective as of the Effective Date.

2. Amendments. The Agreement is amended to comply with the following:

Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statues, Section 80C.12, Subd. 1(g).

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.

The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5, and therefore the applicable provision of the Agreement is amended to state "No action may be commenced pursuant to Minnesota Statutes, Section 80C.17 more than three years after the cause of action accrues."
