What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, and/or litigation only in California. Out-of-state mediation, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in California than in your own state.
2. **Short Operating History.** The franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchisor with a longer operating history.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

Notes

1. Your lease security deposit and utility deposits will usually be refundable unless you owe money to the landlord or utility provider. None of the other expenditures in this table will be refundable. Neither we nor any affiliate finances any part of your initial investment.

2. Our estimates in this table assume you pay one month rent plus a security deposit before you open for business. For this to occur, you would need to negotiate a “free rent” period for the time it takes to build out your business. We expect that you will rent your location. If you choose to purchase real estate instead of renting, your costs will be significantly different.

3. This includes any other required expenses you will incur before operations begin and during the initial period of operations, such as payroll, additional inventory, rent, and other operating expenses in excess of income generated by the business. It does not include any salary or compensation for you. In formulating the amount required for additional funds, we relied on the following factors, basis, and experience: the development of a Fire Island Grill business by our affiliate, and our general knowledge of the industry.

4. This estimate assumes you sign a MUDA for two to five franchises. The franchise fee for your first unit is counted in the “Estimated Initial Investment – Franchise Agreement” table. You will pay all franchise fees upon signing the MUDA.

Item 8

Item 10 FINANCING

We do not offer direct or indirect financing. We do not guarantee your note, lease or obligations.

Item 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Our Pre-Opening Obligations

Before you open your business:

A. *Your site.* We will review and advise you regarding potential locations that you submit to us. (Section 5.4). If you sign a MUDA, we will approve the location of future sites and territories for those sites, and our then-current standards for sites and territories will apply. We are not obligated to further assist you in locating a site or negotiating the purchase or lease of the site.

- (i) We generally do not own your premises.
- (ii) If your site is not already known and approved by us when you sign your franchise agreement, then we and you will specify in your franchise agreement the area in which you must select a site (Franchise Agreement, Summary Page). We do not select your site. Your site is subject to our approval. To obtain our approval, you must provide all information and documents about the site that we require.
- (iii) The factors we consider in approving sites are general location and neighborhood, competition, trade area demographics, traffic patterns, parking, size, physical characteristics of existing buildings, and lease terms.

- (iv) The time limit for us to approve or disapprove your proposed site is 30 days after you submit all of our required documents and information. (Section 6.1). If we and you cannot agree on a site, you will be unable to comply with your obligation to develop and open the franchise by the deadline stated in the franchise agreement. Unless we agree to extend the deadline, you will be in default and we may terminate your franchise agreement.
- (v) We are not obligated to assist you in conforming the premises of your site to local ordinances and building codes and obtaining any required permits. This will be your responsibility.

B. *Constructing, remodeling, or decorating the premises.* We will provide you with a set of our standard building plans and specifications and/or standard recommended floor plans, and our specifications for required décor. (Section 5.4)

C. *Hiring and training employees.* We will provide you with our suggested staffing levels (Section 5.2), suggested guidelines for hiring employees (Section 5.2), operational instructions in the Manual which you can use as part of training new employees (Section 5.3), and our initial training program described below. Our opening support (as described below) includes assisting you in training employees. All hiring decisions and conditions of employment are your sole responsibility.

D. *Necessary equipment, signs, fixtures, opening inventory, and supplies.* We will provide you a list of our specifications and approved suppliers for equipment, signs, fixtures, opening inventory, and supplies necessary to open your business. (Section 5.4) We do not provide these items directly; we only provide the names of approved suppliers. We do not deliver or install these items.

E. *Brand Standards Manual.* We will give you access to our Brand Standards Manual (Section 5.1).

F. *Initial Training Program.* We will conduct our initial training program. (Section 5.4). The current initial training program is described below.

G. *Market introduction plan.* We will advise you regarding the planning and execution of your market introduction plan. (Section 5.4)

H. *On-site opening support.* We will have a representative provide on-site support for at least 3-7 days in connection with your business opening. This support will include training for your initial employees. (Section 5.4)

Length of Time to Open

The typical length of time between signing the franchise agreement and the opening of your business is 1 year. Factors that may affect the time period include your ability to obtain a lease, obtain financing, develop your location, obtain business permits and licenses, and hire employees.

Our Post-Opening Obligations

After you open your business:

A. *Developing products or services you will offer to your customers.* Although it is our intent and practice to refine and develop products or services that you will offer to your customers, the franchise agreement does not obligate us to do so.

B. *Hiring and training employees.* We will provide you with our suggested staffing levels (Section 5.2), suggested guidelines for hiring employees (Section 5.2), and operational instructions in the Manual which you can use as part of training new employees (Section 5.3). All hiring decisions and conditions of employment are your sole responsibility.

C. *Improving and developing your business; resolving operating problems you encounter.* If you request, we will provide advice to you (by telephone or electronic communication) regarding improving and developing your business, and resolving operating problems you encounter, to the extent we deem reasonable. If we provide in-person support in response to your request, we may charge a fee (currently \$600 per day) plus any out-of-pocket expenses (such as travel, lodging, and meals for our employees providing onsite support). (Section 5.5)

D. *Establishing prices.* Upon your request, we will provide recommended prices for products and services. (Section 5.5)

E. *Establishing and using administrative, bookkeeping, accounting, and inventory control procedures.* We will provide you our recommended procedures for administration, bookkeeping, accounting, and inventory control (Section 5.5). We may make any such procedures part of required (and not merely recommended) procedures for our system.

F. *Marketing Fund.* We will administer the Marketing Fund (Section 5.5). We will prepare an unaudited annual financial statement of the Marketing Fund within 120 days of the close of our fiscal year and will provide the financial statement to you upon request. (Section 9.3)

G. *Website.* We will maintain a website for the Fire Island Grill brand, which will include your business information and telephone number. (Section 5.5)

Advertising

Our obligation. We will use the Marketing Fund only for marketing and related purposes and costs. Media coverage is primarily local. We use outside vendors and consultants to produce advertising. We are not required to spend any amount of advertising in the area or territory where any particular franchisee is located. We will maintain the brand website (which may be paid for by the Marketing Fund). We have no other obligation to conduct advertising.

Your own advertising material. You may use your own advertising or marketing material only with our approval. To obtain our approval, you must submit any proposed advertising or marketing material at least 14 days prior to use. If we do not respond, the material is deemed

rejected. If you develop any advertising or marketing materials, we may use those materials for any purpose, without any payment to you.

Advertising council. We do not have an advertising council composed of franchisees. The franchise agreement does not give us the power to form an advertising council.

Local or Regional Advertising Cooperatives. We do not currently have any local or regional advertising cooperatives. We have the right to require you to participate in a local or regional advertising cooperative. We will define the area of the cooperative based on media markets, or other geographic criteria that we deem appropriate. Each franchisee in the area would have one vote per outlet (unless the franchisee is in default under its franchise agreement). The amount you must contribute to the cooperative will be determined by vote of the members, but not less than 1% and not more than 5% of gross sales. If our own outlets are members of a cooperative, they must contribute to the cooperative on the same basis as franchisees, and they will vote on the same basis as other members. We administer the cooperative, but we have the right to delegate responsibility for administration to an outside company such as an advertising agency or accounting firm, or to the franchisee members of the cooperative. We have the right to require the cooperative to operate from written bylaws or other governing documents that we determine. The documents are not currently available for you to review. Cooperatives will prepare annual financial statements which will be made available for review only by us and by the members of cooperative. We have the power to require cooperatives to be formed, changed, dissolved, or merged.

Advertising Fund. You and all other franchisees must contribute to our Marketing Fund. Your contribution is 1% of gross sales per week. We reserve the right to have other franchisees contribute a different amount or at a different rate. Outlets that we own are not obligated to contribute to the Marketing Fund. We administer the fund. The fund is not audited. We will make unaudited annual financial statements available to you upon request. Because we are a new franchisor, we did not spend any money from the Marketing Fund in our most recently concluded fiscal year. If less than all marketing funds are spent in the fiscal year in which they accrue, the money will remain in the Marketing Fund to be spent in the next year. No money from the Marketing Fund is spent principally to solicit new franchise sales.

Market introduction plan. You must develop a market introduction plan and obtain our approval of the plan at least 30 days before the projected opening date of your business.

Required spending. After you open, you must spend at least 2% of gross sales each month on marketing your business.

Point of Sale and Computer Systems

We require you to buy (or lease) and use a point-of-sale system and computer system as follows:

Toast POS: Toast is an iCloud solution that has a low cost of entry compared to other solutions. It is easy to operate and provides up to the minute data. With this solution, Toast must be the credit card processor. These systems will generate or store data such as sales data, customer information, employee and labor information, inventory, financial reports, menu mix, on line ordering, loyalty and gift cards.

We estimate that these systems will cost between \$3,000 and \$5,000 to purchase. We are not obligated to provide any ongoing maintenance, repairs, upgrades, or updates. We do require you enter into any such contract with a third party. You must upgrade or update any system when we determine. There is no contractual limit on the frequency or cost of this obligation. We estimate that the range of monthly cost of any optional or required maintenance, updating, upgrading, or support contracts will be between \$225-\$350. You must give us independent access to the information that will be generated or stored in these systems. The information that we may access will include sales, customer data, and reports. There is no contractual limitation on our right to access the information.

Your Location

Your franchise is for a specific location. If the specific location is not known at the time you sign a franchise agreement, then your location is subject to our approval.

Non-exclusive Territory

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, and from other channels of distribution or competitive brands that we control. But we grant you a right of first refusal to open any additional outlets that would be within 3 miles of your location.

Relocation; Establishment of Additional Outlets

You do not have the guaranteed right to relocate your business, and we have no obligation to approve any request for relocation. Our policy is to approve relocation of a franchisee's business on case-by-case basis, considering factors such as changes in demographics, profitability of your current business, or a loss of your premises due to circumstances beyond your control.

You do not have the right to establish additional Franchised Businesses unless you sign a MUDA in the form attached as Exhibit C to this disclosure document. If you and we sign a MUDA, then you will have the right to establish a mutually-agreed number of additional outlets on a mutually-agreed schedule, within a protected development area. Under the MUDA, your right to develop additional outlets is subject to (1) you must comply with the mutually-agreed development schedule, (2) you must have sufficient financial and organizational capacity to develop, open, operate, and manage each additional Fire Island Grill business, (3) you must be in compliance with all brand requirements at your open Fire Island Grill business(es), and (4) you must not be in default under any other agreement with us. We will approve the location of future sites and territories for those sites, and our then-current standards for sites and territories will apply. You are not obligated to develop additional outlets under the MUDA, and you may terminate it any time without penalty. If you do not meet your development schedule in the MUDA, we have the right to terminate your right to develop additional outlets.

To the Management of FIG FRANCHISING, LLC

We have audited the accompanying financial statements of FIG FRANCHISING, LLC, which comprise the Balance Sheet as of December 31, 2021, the related Profit & Loss Statement, the related Statement of Cashflows, and the related Statement of Shareholders Equity for the 12-month period then ended.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of FIG FRANCHISING, LLC as of December 31, 2021, and the results of its operations and its cash flows for the period then ended in accordance with accounting principles generally accepted in the United States of America.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

FIG FRANCHISING, LLC
NOTES TO FINANCIAL STATEMENTS
For The Year Ended December 31, 2021

NOTE A – ORGANIZATION AND NATURE OF ACTIVITIES

FIG FRANCHISING, LLC (“The Company”) was incorporated under the laws of the State of California for the purpose of offering franchise opportunities to entrepreneurs who want to own and operate their own Fire Island Grill operation, as a franchise.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). As a result, the Company records revenue when earned and expenses when incurred. The Company has adopted the calendar year as its basis of reporting.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosures of contingent assets and liabilities and other items, as well as the reported revenues and expenses. Actual results could differ from those estimates.

Significant Risks and Uncertainties

The Company is subject to customary risks and uncertainties including, but not limited to, the need for protection of proprietary technology, dependence on key personnel, costs of services provided by third parties, the need to obtain additional financing, and limited operating history. The Company has not yet produced significant revenues and also has unknown impacts from the ongoing COVID-19 pandemic.

Cash and Cash Equivalents

Cash and any cash equivalents include all cash balances, and highly liquid investments with maturities of three months or less when purchased.

FIG FRANCHISING, LLC
NOTES TO FINANCIAL STATEMENTS
For The Year Ended December 31, 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Fair Value of Financial Instruments

Financial Accounting Standards Board (“FASB”) guidance specifies a hierarchy of valuation techniques based on whether the inputs to those valuation techniques are observable or unobservable. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect market assumptions. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are as follows:

- Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 1 primarily consists of financial instruments whose value is based on quoted market prices such as exchange-traded instruments and listed equities.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly (e.g., quoted prices of similar assets or liabilities in active markets, or quoted prices for identical or similar assets or liabilities in markets that are not active).
- Level 3 - Unobservable inputs for the asset or liability. Financial instruments are considered Level 3 when their fair values are determined using pricing models, discounted cash flows or similar techniques and at least one significant model assumption or input is unobservable.

As of December 31, 2021, the carrying amounts of the Company’s financial assets and liabilities reported in the balance sheets approximate their fair value.

Income Taxes

The Company, with the consent of its shareholders/partners, has elected to be a Partnership (for tax purposes). In lieu of corporate income taxes, the shareholders/partners of a Partnership are taxed based on their proportionate share of The Company’s taxable income. Therefore, no provision or liability for income taxes has been included in these financial statements.

Commitments and Contingencies

The Company may be subject to pending legal proceedings and regulatory actions in the ordinary course of business. The results of such proceedings cannot be predicted with certainty, but the Company does not anticipate that the final outcome, if any, arising out of any such matter will have a material adverse effect on its business, financial condition or results of operations. As of December 31, 2021, the Company has not reported any lawsuit or known plans of litigation by or against the Company.

FIG FRANCHISING, LLC
NOTES TO FINANCIAL STATEMENTS
For The Year Ended December 31, 2021

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Revenue Recognition

Revenues are primarily derived from franchise fees (one-time and recurring monthly fees). In accordance with Accounting Standards Codification (ASC) Topic 606, Revenue will be recognized when persuasive evidence of an arrangement exists, delivery has occurred, or services have been rendered, the seller's price to the buyer is fixed or determinable, and collectability is reasonable assured. The determination of whether fees and fixed or determinable and collection is reasonable assured involves the use of assumptions. Arrangement terms and customer information are evaluated to ensure that these criteria are met prior to recognition of revenue.

Specifically for franchisors, The Financial Accounting Standards Board (FASB) has issued an Accounting Standards Update (ASU) to ASC 606, Franchisors—'Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient' in 2021 which provides a new practical expedient that permits private company franchisors to account for preopening services provided to a franchisee as distinct from the franchise license if the services are consistent with those included in a predefined list within the guidance. The Company has elected to adopt this new standard for 2021 and onward.

NOTE C – CONCENTRATIONS OF RISK

Financial instruments that potentially subject the Company to credit risk consist of cash and cash equivalents. The Company places its cash and any cash equivalents with a limited number of high-quality financial institutions and do not exceed the amount of insurance provided on such deposits.

NOTE D – SUBSEQUENT EVENTS

Management has evaluated subsequent events through February 1, 2022, the date on which the financial statements were available to be issued. Management has determined that none of the events occurring after the date of the balance sheet through the date of Management's review substantially affect the amounts and disclosure of the accompanying financial statements.

Fair Value of Financial Instruments

Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect market assumptions. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The determination of whether fees and fixed or determinable and collection is reasonable assured involves the use of assumptions. Arrangement terms and customer information are evaluated to ensure that these criteria are met prior to recognition of revenue.

Specifically for franchisors, ASC 606 requires the allocation of the initial franchise fee on a straight-line basis over the term of the franchise agreement unless the franchisor demonstrates that certain pre-opening services comprise a "distinct" deliverable. In accordance with ASC 606, The Company recognizes initial franchise fees on a straight-line basis over the term of the franchise agreement as the franchise deliverables/services are deemed complete/delivered upon the termination/completion of the franchise agreement.

The Financial Accounting Standards Board (FASB) has issued a proposed Accounting Standards Update (ASU) to ASC 606, Franchisors—'Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient' in mid 2020. This practical expedient is still in the proposed stage with FASB; however, FASB voted to finalize this update in December 2020. As a result, The Company intends to adopt this update to ASC 606 once this update becomes a final standard in 2021.

NOTE C – CONCENTRATIONS OF RISK

Financial instruments that potentially subject the Company to credit risk consist of cash and cash equivalents. The Company places its cash and any cash equivalents with a limited number of high-quality financial institutions and do not exceed the amount of insurance provided on such deposits.

2.1 Grant. FIG grants to Franchisee the right to operate a Fire Island Grill business solely at the Location. If no Location is stated on the Summary Page when this Agreement is signed, then the parties will determine the Location in accordance with Section 6.1. Franchisee shall develop, open and operate a Fire Island Grill business at the Location for the entire term of this Agreement.

2.2 Right of First Refusal. Franchisee shall have a right of first refusal to open additional locations within 3 miles of their Location. If Franchisor receives interest from a prospective franchisee to open another Fire Island Grill location within 3 miles of Franchisee’s Approved Location, Franchisor will provide Franchisee with written notice of such interest. Franchisee will have 15 days to exercise its right to open the additional location. If no written response is received by Franchisor within the 15 day time period, Franchisee will be deemed to have waived this right of first refusal and Franchisor will have the option to sell the additional franchised location to any interested party.

2.3 Franchisee Control. Franchisee represents that Attachment 1 (i) identifies each owner, officer and director of Franchisee, and (ii) describes the nature and extent of each owner’s interest in Franchisee. If any information on Attachment 1 changes (which is not a Transfer), Franchisee shall notify FIG within 10 days.

2.4 Principal Executive. Franchisee agrees that the person designated as the “Principal Executive” on the Summary Page is the executive primarily responsible for the Business and has decision-making authority on behalf of Franchisee. The Principal Executive must have at least 10% ownership interest in Franchisee. The Principal Executive does not have to serve as a day-to-day general manager of the Business, but the Principal Executive must devote substantial time and attention to the Business. If the Principal Executive dies, becomes incapacitated, transfers his/her interest in Franchisee, or otherwise ceases to be the executive primarily responsible for the Business, Franchisee shall promptly designate a new Principal Executive, subject to FIG’s reasonable approval.

2.5 No Conflict. Franchisee represents to FIG that Franchisee and each of its Owners (i) are not violating any agreement (including any confidentiality or non-competition covenant) by entering into or performing under this Agreement, (ii) are not a direct or indirect owner of any Competitor, and (iii) are not listed or “blocked” in connection with, and are not in violation under, any anti-terrorism law, regulation, or executive order.

ARTICLE 3. TERM

3.1 Term. This Agreement commences on the Effective Date and continues for 10 years.

3.2 Successor Agreement. When the term of this Agreement expires, Franchisee may enter into a successor agreement subject to the following conditions prior to each expiration:

- (iii) Franchisee has made or agrees to make (within a period of time acceptable to FIG) renovations and changes to the Business as FIG requires (including a Remodel, if applicable) to conform to the then-current System Standards;
- (iv) Franchisee and its Owners execute FIG's then-current standard form of franchise agreement and related documents, which may be materially different than this form (including, without limitation, higher and/or different fees), except that Franchisee will not pay another initial franchise fee and will not receive more renewal or successor terms than described in this Section; and
- (v) Franchisee and each Owner executes a general release (on FIG's then-standard form) of any and all claims against FIG, its affiliates, and their respective owners, officers, directors, agents and employees.

(b) Market Cooperative Contribution. If the Business participates in a Market Cooperative, then Franchisee shall contribute to the Market Cooperative a percentage of Gross Sales (or other amount) determined by the Market Cooperative, not to exceed 5%.

4.7 Replacement / Additional Training Fee. If Franchisee sends an employee to FIG's training program after opening, FIG will not charge any additional training fees. But Franchisee is Responsible for any travel, food, hotel other costs associated in attending our training.

4.9 Non-Compliance Fee. FIG may charge Franchisee \$500 for any instance of non-compliance with the System Standards or this Agreement (other than Franchisee's non-payment of a fee owed to FIG) which Franchisee fails to cure after 30 days' notice. Thereafter, FIG may charge Franchisee \$250 per week until Franchisee ceases such non-compliance. This fee is a reasonable estimate of FIG's internal cost of personnel time attributable to addressing the non-compliance, and it is not a penalty or estimate of all damages arising from Franchisee's breach. The non-compliance fee is in addition to all of FIG's other rights and remedies (including default and termination under Section 14.2).

4.10 Payment Terms.

(a) Method of Payment. Franchisee shall pay the Royalty Fee, Marketing Fund Contribution, and any other amounts owed to FIG by pre-authorized bank draft or in such other manner as FIG may require. Franchisee shall comply with FIG's payment instructions.

(b) Calculation of Fees. Franchisee shall report weekly Gross Sales to FIG by Tuesday of the following week. If Franchisee fails to report weekly Gross Sales, then FIG may withdraw estimated Royalty Fees and Marketing Fund Contributions equal to 125% of the last Gross Sales reported to FIG, and the parties will true-up the actual fees after Franchisee reports Gross Sales. Franchisee acknowledges that FIG has the right to remotely access Franchisee's point-of-sale system to calculate Gross Sales.

(c) Late Fees and Interest. If Franchisee does not make a payment on time, Franchisee shall pay a \$100 "late fee" plus interest on the unpaid amount at a rate equal to 18% per year (or, if such payment exceeds the maximum allowed by law, then interest at the highest rate allowed by law).

(d) Insufficient Funds. FIG may charge \$30 for any payment returned for insufficient funds (or, if such amount exceeds the maximum allowed by law, then the fee allowed by law).

(e) Costs of Collection. Franchisee shall repay any costs incurred by FIG (including reasonable attorney fees) in attempting to collect payments owed by Franchisee.

(f) Application. FIG may apply any payment received from Franchisee to any obligation and in any order as FIG may determine, regardless of any designation by Franchisee.

(g) Obligations Independent; No Set-Off. The obligations of Franchisee to pay to FIG any fees or amounts described in this Agreement are not dependent on FIG's performance and are independent covenants by Franchisee. Franchisee shall make all such payments without offset or deduction.

ARTICLE 5. ASSISTANCE

(b) In-Person Support. If FIG provides in-person support in response to Franchisee's request, FIG may charge its then-current fee (currently \$600 per day) plus any out-of-pocket expenses (such as travel, lodging, and meals for employees providing onsite support).

(ii) When FIG accepts the Location, it will issue a Location Acceptance Letter in the form of Attachment 2 which states the Location.

(iii) **FIG's advice regarding or acceptance of a site is not a representation or warranty that the Business will be successful, and FIG has no liability to Franchisee with respect to the location of the Business.**

6.2 Lease. In connection with any lease between Franchisee and the landlord of the Location:

(i) if requested by FIG, Franchisee must submit the proposed lease to FIG for written approval, (ii) the term of the lease (including renewal terms) must be for a period of not less than the term of this Agreement, and (iii) Franchisee shall use commercially reasonable efforts to obtain the landlord's signature to a rider to the lease in the form required by FIG.

In the event of any dispute as to the contents of the Manual, FIG’s master copy will control.

FIG may vary or waive any System Standard for any one or more Fire Island Grill franchises due to the peculiarities of the particular site or circumstances, density of population, business potential, population of trade area, existing business practices, applicable laws or regulations, or any other condition relevant to the performance of a franchise or group of franchises. Franchisee is not entitled to the same variation or waiver.

11.9 Temporary Public Safety Closure. If FIG discovers or becomes aware of any aspect of the Business which, in FIG's opinion, constitutes an imminent danger to the health or safety of any person, then immediately upon FIG's order, Franchisee must temporarily cease operations of the Business and remedy the dangerous condition. FIG shall have no liability to Franchisee or any other person for action or failure to act with respect to a dangerous condition.

If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any arbitrator or court, then the parties intend that the arbitrator or court modify such restriction to the extent reasonably necessary to protect the legitimate business interests of FIG. Franchisee agrees that the existence of any claim

- (x) the Business is operated in a manner which, in FIG's reasonable judgment, constitutes a significant danger to the health or safety of any person, and Franchisee fails to cure such danger within 48 hours after becoming aware of the danger (due to notice from FIG or otherwise);
- (xi) Franchisee has received two or more notices of default and Franchisee commits another breach of this Agreement, all in the same 12-month period;
- (xii) FIG (or any affiliate) terminates any other agreement with Franchisee (or any affiliate) due to the breach of such other agreement by Franchisee (or its affiliate) (provided that termination of a Multi-Unit Development Agreement with Franchisee or its affiliate shall not give FIG the right to terminate this Agreement);
- (xiii) Franchisee or any Owner is charged with, pleads guilty or no-contest to, or is convicted of a felony; or
- (xiv) Franchisee or any Owner is accused by any governmental authority or third party of any act, or if Franchisee or any Owner commits any act or series of acts, that in FIG's opinion is reasonably likely to materially and unfavorably affect the Fire Island Grill brand.

14.3 Effect of Termination. Upon termination or expiration of this Agreement, all obligations that by their terms or by reasonable implication survive termination, including those pertaining to non-competition, confidentiality, indemnity, and dispute resolution, will remain in effect, and Franchisee must immediately:

- (i) pay all amounts owed to FIG based on the operation of the Business through the effective date of termination or expiration;
- (ii) return to FIG all copies of the Manual, Confidential Information and any and all other materials provided by FIG to Franchisee or created by a third party for

Franchisee relating to the operation of the Business, and all items containing any Marks, copyrights, and other proprietary items; and delete all Confidential Information and proprietary materials from electronic devices;

- (iii) notify the telephone, internet, email, electronic network, directory, and listing entities of the termination or expiration of Franchisee's right to use any numbers, addresses, domain names, locators, directories and listings associated with any of the Marks, and authorize their transfer to FIG or any new franchisee as may be directed by FIG, and Franchisee hereby irrevocably appoints FIG, with full power of substitution, as its true and lawful attorney-in-fact, which appointment is coupled with an interest; to execute such directions and authorizations as may be necessary or appropriate to accomplish the foregoing; and
- (iv) cease doing business under any of the Marks.

14.4 Remove Identification. Within 30 days after termination or expiration, Franchisee shall at its own expense "de-identify" the Location so that it no longer contains the Marks, signage, or any trade dress of a Fire Island Grill business, to the reasonable satisfaction of FIG. Franchisee shall comply with any reasonable instructions and procedures of FIG for de-identification. If Franchisee fails to do so within 30 days after this Agreement expires or is terminated, FIG may enter the Location to remove the Marks and de-identify the Location. In this event, FIG will not be charged with trespass nor be accountable or required to pay for any assets removed or altered, or for any damage caused by FIG.

14.5 Liquidated Damages. If FIG terminates this Agreement based upon Franchisee's default (or if Franchisee purports to terminate this Agreement except as permitted under Section 14.1), then within 10 days thereafter Franchisee shall pay to FIG a lump sum (as liquidated damages and not as a penalty) calculated as follows: (x) the average Royalty Fees and Marketing Fund Contributions that Franchisee owed to FIG under this Agreement for the 52-week period preceding the date on which Franchisee ceased operating the Business; multiplied by (y) the lesser of (1) 104 or (2) the number of weeks remaining in the then-current term of this Agreement. If Franchisee had not operated the Business for at least 52 weeks, then (x) will equal the average Royalty Fees and Marketing Fund Contributions that Franchisee owed to FIG during the period that Franchisee operated the Business. The "average Royalty Fees and Marketing Fund Contributions that Franchisee owed to FIG" shall not be discounted or adjusted due to any deferred or reduced Royalty Fees and Marketing Fund Contributions set forth in an addendum to this Agreement, unless this Section 14.5 is specifically amended in such addendum. Franchisee acknowledges that a precise calculation of the full extent of FIG's damages under these circumstances is difficult to determine and the method of calculation of such damages as set forth in this Section is reasonable. Franchisee's payment to FIG under this Section will be in lieu of any direct monetary damages that FIG may incur as a result of FIG's loss of Royalty Fees and Marketing Fund Contributions that would have been owed to FIG after the date of termination; however, such payment shall be in addition to all damages and other amounts arising under Section 14.3 and Section 14.4, FIG's right to injunctive relief for enforcement of Article 13, and any attorneys' fees and other costs and expenses to which FIG is entitled under this Agreement. Except as provided in this Section, Franchisee's payment of this lump sum shall be in addition to any other right or remedy that FIG may have under this Agreement or otherwise.

14.6 Purchase Option. When this Agreement expires or is terminated, FIG will have the right (but not the obligation) to purchase any or all of the assets related to the Business, and/or to require Franchisee to assign its lease or sublease to FIG. To exercise this option, FIG must notify Franchisee no later than 30 days after this Agreement expires or is terminated. The purchase price for all assets that FIG elects to purchase will be the lower of (i) the book value of such assets as declared on Franchisee's last filed tax returns or (ii) the fair market value of the assets. If the parties cannot agree on fair market value within 30 days after the exercise notice, the fair market value will be determined by an independent appraiser reasonably acceptable to both parties. The parties will equally share the cost of the appraisal. FIG's purchase will be of assets only (free and clear of all liens), and the purchase will not include any liabilities of Franchisee. The purchase price for assets will not include any factor or increment for any trademark or other commercial symbol used in the business, the value of any intangible assets, or any goodwill or "going concern" value for the Business. FIG may withdraw its exercise of the purchase option at any time before it pays for the assets. Franchisee will sign a bill of sale for the purchased assets and any other transfer documents reasonably requested by FIG. If FIG exercises the purchase option, FIG may deduct from the purchase price: (a) all amounts due from Franchisee; (b) Franchisee's portion of the cost of any appraisal conducted hereunder; and (c) amounts paid or to be paid by FIG to cure defaults under Franchisee's lease and/or amounts owed by Franchisee to third parties. If any of the assets are subject to a lien, FIG may pay a portion of the purchase price directly to the lienholder to pay off such lien. FIG may withhold 25% of the purchase price for 90 days to ensure that all of Franchisee's taxes and other liabilities are paid. FIG may assign this purchase option to another party.

ARTICLE 15. TRANSFERS

15.1 By FIG. FIG may transfer or assign this Agreement, or any of its rights or obligations under this Agreement, to any person or entity, and FIG may undergo a change in ownership and/or control, without the consent of Franchisee.

15.2 By Franchisee. Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that FIG entered into this Agreement in reliance on Franchisee's business skill, financial capacity, personal character, experience, and business ability. Accordingly, Franchisee shall not conduct or undergo a Transfer without providing FIG at least 60 days prior notice of the proposed Transfer, and without obtaining FIG's consent. In granting any such consent, FIG may impose conditions, including, without limitation, the following:

- (i) FIG receives a transfer fee equal to \$2,000;
- (ii) the proposed assignee and its owners have completed FIG's franchise application processes, meet FIG's then-applicable standards for new franchisees, and have been approved by FIG as franchisees;
- (iii) the proposed assignee is not a Competitor;
- (iv) the proposed assignee executes FIG's then-current form of franchise agreement and any related documents, which form may contain materially different provisions

than this Agreement (provided, however, that the proposed assignee will not be required to pay an initial franchise fee);

- (vi) Franchisee has paid all monetary obligations to FIG and its affiliates, and to any lessor, vendor, supplier, or lender to the Business, and Franchisee is not otherwise in default or breach of this Agreement or of any other obligation owed to FIG or its affiliates;
- (vii) the proposed assignee and its owners and employees undergo such training as FIG may require;
- (viii) Franchisee, its Owners, and the transferee and its owners execute a general release of FIG in a form satisfactory to FIG; and
- (ix) the Business fully complies with all of FIG's most recent System Standards.

15.3 Transfer for Convenience of Ownership. If Franchisee is an individual, Franchisee may Transfer this Agreement to a corporation or limited liability company formed for the convenience of ownership after at least 15 days' notice to FIG, if, prior to the Transfer: (1) the transferee provides the information required by Section 2.3; (2) Franchisee provides copies of the entity's charter documents, by-laws (or operating agreement) and similar documents, if requested by FIG, and (3) Franchisee owns all voting securities of the corporation or limited liability company.

15.4 Transfer upon Death or Incapacity. Upon the death or incapacity of Franchisee (or, if Franchisee is an entity, the Owner with the largest ownership interest in Franchisee), the executor, administrator, or personal representative of that person must Transfer the Business to a third party approved by FIG (or to another person who was an Owner at the time of death or incapacity of the largest Owner) within nine months after death or incapacity. Such transfer must comply with Section 15.2.

15.5 FIG's Right of First Refusal. Before Franchisee (or any Owner) engages in a Transfer (except under Section 15.3, to a co-Owner, or to a spouse, sibling, or child of an Owner), FIG will have a right of first refusal, as set forth in this Section. Franchisee (or its Owners) shall provide to FIG a copy of the terms and conditions of any Transfer. For a period of 30 days from the date of FIG's receipt of such copy, FIG will have the right, exercisable by notice to Franchisee, to purchase the assets subject of the proposed Transfer for the same price and on the same terms and conditions (except that FIG may substitute cash for any other form of payment). If FIG does not exercise its right of first refusal, Franchisee may proceed with the Transfer, subject to the other terms and conditions of this Article.

15.6 No Sublicense. Franchisee has no right to sublicense the Marks or any of Franchisee's rights under this Agreement.

15.7 No Lien on Agreement. Franchisee shall not grant a security interest in this Agreement to any person or entity. If Franchisee grants an "all assets" security interest to any lender or other secured party, Franchisee shall cause the secured party to expressly exempt this Agreement from the security interest.

ARTICLE 16. INDEMNITY

16.1 Indemnity. Franchisee shall indemnify and defend (with counsel reasonably acceptable to FIG) FIG, its parent entities, subsidiaries and affiliates, and their respective owners, directors, officers, employees, agents, successors and assignees (collectively, “Indemnitees”) against all Losses in any Action by or against FIG and/or any Indemnatee directly or indirectly related to, or alleged to arise out of, the operation of the Business. Notwithstanding the foregoing, Franchisee shall not be obligated to indemnify an Indemnatee from Actions arising as a result of any Indemnatee’s intentional misconduct or negligence. Any delay or failure by an Indemnatee to notify Franchisee of an Action shall not relieve Franchisee of its indemnity obligation except to the extent (if any) that such delay or failure materially prejudices Franchisee. Franchisee shall not settle an Action without the consent of the Indemnatee. This indemnity will continue in effect after this Agreement ends.

16.2 Assumption. An Indemnatee may elect to assume the defense of any Action subject to this indemnification, and control all aspects of defending the Action, including negotiations and settlement, at Franchisee’s expense. Such an undertaking shall not diminish Franchisee’s obligation to indemnify the Indemnitees.

ARTICLE 17. DISPUTE RESOLUTION

17.1 Mediation.

(a) Disputes Subject to Mediation. Except as expressly provided in subsection (c) and (d), any controversy or claim between the parties (including any controversy or claim arising out of or relating to this Agreement or its formation and including any question of arbitrability) shall be resolved by mediation administered by an impartial mediator listed with the American Arbitration Association, and in accordance with its Model Standards of Conduct.

(b) Location. The place of arbitration shall be the city and state where FIG’s headquarters are located.

(c) Confidentiality. All documents, information, and results pertaining to the mediation will be confidential, except as required by law or as required for FIG to comply with laws and regulations applicable to the sale of franchises.

(d) Performance During Mediation. Unless this Agreement has been terminated, FIG and Franchisee will comply with this Agreement and perform their respective obligations under this Agreement during the mediation process.

17.2 Damages. In any controversy or claim arising out of or relating to this Agreement, each party waives any right to punitive or other monetary damages not measured by the prevailing party’s actual damages, except damages expressly authorized by federal statute and damages expressly authorized by this Agreement.

17.3 Waiver of Class Actions. The parties agree that any claims will be mediated, litigated, or otherwise resolved on an individual basis, and waive any right to act on a class-wide basis.

17.4 Time Limitation. Any arbitration or other legal action arising from or related to this Agreement must be instituted within two years from the date such party discovers the conduct or event that forms the basis of the arbitration or other legal action. The foregoing time limit does not apply to claims (i) by one party related to non-payment under this Agreement by the other party, (ii) for indemnity under Article 16, or (iii) related to unauthorized use of Confidential Information or the Marks.

17.5 Venue Other Than Arbitration. For any legal proceeding not required to be submitted to arbitration, the parties agree that any such legal proceeding will be brought in the United States District Court where FIG's headquarters is then located. If there is no federal jurisdiction over the dispute, the parties agree that any such legal proceeding will be brought in the court of record of the state and county where FIG's headquarters is then located. Each party consents to the jurisdiction of such courts and waives any objection that it, he or she may have to the laying of venue of any proceeding in any of these courts.

17.6 Legal Costs. In any legal proceeding (including arbitration) related to this Agreement, the non-prevailing party shall pay the prevailing party's attorney fees, costs and other expenses of the legal proceeding. "Prevailing party" means the party, if any, which prevailed upon the central litigated issues and obtained substantial relief.

ARTICLE 18. MISCELLANEOUS

18.1 Relationship of the Parties. The parties are independent contractors, and neither is the agent, partner, joint venturer, or employee of the other. FIG is not a fiduciary of Franchisee. FIG does not control or have the right to control Franchisee or its Business. Any required specifications and standards in this Agreement and in the System, Standards exist to protect FIG's interest in the System and the Marks, and the goodwill established in them, and not for the purpose of establishing any control, or duty to take control, over the Business. FIG has no liability for Franchisee's obligations to any third party whatsoever.

18.2 No Third-Party Beneficiaries. This Agreement does not confer any rights or remedies upon any person or entity other than Franchisee, FIG, and FIG's affiliates.

18.3 Entire Agreement. This Agreement constitutes the entire agreement of the parties and supersedes all prior negotiations and representations. Nothing in this Agreement or in any related agreement is intended to disclaim the representations made by FIG in its franchise disclosure document.

18.4 Modification. No modification or amendment of this Agreement will be effective unless it is in writing and signed by both parties. This provision does not limit FIG's rights to modify the Manual or System Standards.

18.5 Consent; Waiver. No consent under this Agreement, and no waiver of satisfaction of a condition or nonperformance of an obligation under this Agreement will be effective unless it is in writing and signed by the party granting the consent or waiver. No waiver by a party of any right will affect the party's rights as to any subsequent exercise of that right or any other right. No delay, forbearance or omission by a party to exercise any right will constitute a waiver of such right.

18.6 Cumulative Remedies. Rights and remedies under this Agreement are cumulative. No enforcement of a right or remedy precludes the enforcement of any other right or remedy.

18.7 Severability. The parties intend that (i) if any provision of this Agreement is held by an arbitrator or court to be unenforceable, then that provision be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded, and (ii) if an unenforceable provision is modified or disregarded, then the rest of this Agreement will remain in effect as written.

18.8 Governing Law. The laws of the state of California (without giving effect to its principles of conflicts of law) govern all adversarial proceedings between the parties. The parties agree that any California law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 18.8.

18.9 Notices. Any notice will be effective under this Agreement only if made in writing and delivered as set forth in this Section to: (A) if to Franchisee, addressed to Franchisee at the notice address set forth in the Summary Page; and (B) if to FIG, addressed to 350 Loire Valley Drive, Simi Valley CA 93065. Any party may designate a new address for notices by giving notice of the new address pursuant to this Section. Notices will be effective upon receipt (or first rejection) and must be: (1) delivered personally; (2) sent by registered or certified U.S. mail with return receipt requested; or (3) sent via overnight courier. Notwithstanding the foregoing, FIG may amend the Manual, give binding notice of changes to System Standards, and deliver notices of default by electronic mail or other electronic communication.

18.10 Holdover. If Franchisee continues operating the Business after the expiration of the term without a renewal agreement or successor franchise agreement executed by the parties in accordance with Section 3.2, then at any time (regardless of any course of dealing by the parties), FIG may by giving written notice to Franchisee (the “Holdover Notice”) either (i) require Franchisee to cease operating the Business and comply with all post-closing obligations effective immediately upon giving notice or effective on such other date as FIG specifies, or (ii) bind Franchisee to a renewal term of 5 years and deem Franchisee and its Owners to have made the general release of liability described in Section 3.2(vi).

18.11 Joint and Several Liability. If two or more people sign this Agreement as “Franchisee”, each will have joint and several liability.

18.12 No Offer and Acceptance. Delivery of a draft of this Agreement to Franchisee by FIG does not constitute an offer. This Agreement shall not be effective unless and until it is executed by both Franchisee and FIG.

This Rider amends the _____ Agreement dated _____ (the “Agreement”), between FIG Franchising, LLC, a California limited liability company (“FIG”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Indiana Acts” means the Indiana Franchise Act and the Indiana Deceptive Franchise Practices Act.

2. Certain Provisions Modified. Any provision of the Agreement which would have any of the following effects is hereby modified to the extent required for the Agreement to be in compliance with the Indiana Acts:

(1) Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or services or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This subdivision does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor.

(2) Allowing the franchisor to establish a franchisor-owned outlet engaged in a substantially identical business to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement; or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.

(3) Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.

(4) Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee.

(5) Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by the Indiana Deceptive Franchise Practices Act or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subsection (5) does not apply to arbitration before an independent arbitrator.

(6) Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers prior to the franchisee's receipt of an official price increase notification. A sales contract signed by a private retail consumer shall constitute evidence of each order. Price changes applicable to new models of a product at the time of introduction of such new

models shall not be considered a price increase. Price increases caused by conformity to a state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this subsection (6).

(7) Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this subsection (7) includes any material violation of the franchise agreement.

(8) Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This chapter shall not prohibit a franchise agreement from providing that the agreement is not renewable upon expiration or that the agreement is renewable if the franchisee meets certain conditions specified in the agreement.

(9) Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three years or in an area greater than the exclusive area granted by the franchise agreement or, in absence of such a provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.

(10) Limiting litigation brought for breach of the agreement in any manner whatsoever.

(11) Requiring the franchisee to participate in any (A) advertising campaign or contest; (B) promotional campaign; (C) promotional materials; or (D) display decorations or materials; at an expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

MINNESOTA RIDER TO _____ AGREEMENT

This Rider amends the _____ Agreement dated _____ (the “Agreement”), between FIG Franchising, LLC, a California limited liability company (“FIG”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Minnesota Act” means Minnesota Statutes, Sections 80C.01 to 80C.22.

2. Amendments. The Agreement is amended to comply with the following:

Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

The franchisor will protect the franchisee’s rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Minnesota considers it unfair to not protect the franchisee’s right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.

The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5, and therefore the applicable provision of the Agreement is amended to state “No action may be commenced pursuant to Minnesota Statutes, Section 80C.17 more than three years after the cause of action accrues.”

3. Effective Date. This Rider is effective as of the Effective Date.

- 3. Waivers of New York Law Deleted.** Any condition, stipulation, or provision in the Agreement purporting to bind Franchisee to waive compliance by FIG with any provision of New York General Business Law, or any rule promulgated thereunder, is hereby deleted.

RIDER TO _____ AGREEMENT**

The state of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

FIG and Franchisee desire that Franchisee develop multiple Fire Island Grill businesses.

1. Multi-Unit Commitment.

(a) Development Schedule; Fee. Franchisee shall develop and open Fire Island Grill businesses on the following schedule:

Store #	Deadline for Opening	Total # of Stores to be Open and Operating on Deadline	Franchise Fee
1	As stated in Franchise Agreement	1	\$_____

3		3	\$_____
4		4	\$_____
5		5	\$_____
Total Franchise Fees:			

(b) Payment. Upon execution of this MUDA, Franchisee shall pay the total Franchise Fee to FIG. The Franchise Fee is non-refundable.

2. Form of Agreement. For Store #1, Franchisee and FIG have executed the Franchise Agreement simultaneously with this MUDA. For each additional Fire Island Grill franchise, Franchisee shall execute FIG’s then-current standard form of franchise agreement no later than three business days after Franchisee leases or acquires a location. This MUDA does not give Franchisee the right to construct, open, or operate a Fire Island Grill business, and Franchisee acknowledges that Franchisee may construct, open, and operate each Fire Island Grill business only pursuant to a separate franchise agreement executed pursuant to this MUDA for each such Fire Island Grill business.

3. Development Area. Franchisee shall locate each Fire Island Grill business it develops under this MUDA within the following area: _____

(the “Development Area”). Franchisee will have exclusive rights to develop, open or operate Fire Island Grill businesses in the Development Area while this agreement is effective.

FIG may terminate this MUDA by giving notice to Franchisee, without opportunity to cure if Franchisee fails to satisfy the development schedule

5. Limitation of Liability. Franchisee’s commitment to develop Fire Island Grill businesses is in the nature of an option only. If FIG terminates this MUDA for Franchisee’s default, Franchisee shall not be liable to FIG for lost future revenues or profits from the unopened Fire Island Grill businesses. Franchisee may terminate this MUDA at any time.

6. Conditions. Franchisee’s right to develop each Fire Island Grill franchise after the Store #1 is subject to the following:

- (i) Franchisee must possess sufficient financial and organizational capacity to develop, open, operate, and manage each additional Fire Island Grill business, in the reasonable judgment of FIG, and
- (ii) Franchisee must be in full compliance with all brand requirements at its open Fire Island Grill businesses, and not in default under any Franchise Agreement or any other agreement with FIG.

7. Dispute Resolution; Miscellaneous. The laws of the State of California (without giving effect to its principles of conflicts of law) govern all adversarial proceedings between the parties. The parties agree that any California law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 7. Franchisee shall not Transfer this MUDA without the prior written consent of FIG, and any Transfer without FIG’s prior written consent shall be void. The provisions of Article 17 (Dispute Resolution) and Article 18 (Miscellaneous) of the Franchise Agreement apply to and are incorporated into this MUDA as if fully set forth herein.
