What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out of state Litigation.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Florida. Out- of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Florida than in your own state.
2. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.
3. **Short Operating History.** The Franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
4. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

1. The low end of the estimates for renting space and signage and assumes you already own or lease property to store the RVs, that you do not have any signage and that the RV owner pays any storage

charges. Ordinarily you would charge the owner of the RV for storage, and you would not need to lease office or building space or incur any charges for signage.. The high end of this estimate assumes you will lease a garage-type storage and office space consisting of approximately a ½ acre lot.

The low end of the estimates for renting space and signage and assumes you already own or lease property to store the RVs, that you do not have any signage and that the RV owner pays any storage charges. Ordinarily you would charge the owner of the RV for storage, and you would not need to lease office or building space or incur any charges for signage. If you do lease space and/or an office, your cost could be significantly higher. However, the high end of this estimate assumes you lease storage space. lease

2. You must use a vehicle and trailer appropriate for your business. They must be in excellent or better condition, clean, dent-free, and otherwise presenting a professional appearance. The low end of this estimate assumes you are subcontracting out towing trailers for renters and the renter pays a fee for pickup and delivery. The high estimate assumes you purchase a tow vehicle for use in the business.

3. We recommend that you purchase an accounting platform such as QuickBooks. You must purchase Whiparound software, As of the issuance date of this Disclosure Document, the subscription fee is approximately \$400 annually. Item 11 contains a more detailed description of computer systems.

4. The low end of this estimate assumes you do not need any licenses or permits. In some cases, you may need a special use permit for a home-based business. You should thoroughly investigate any such local permit or license requirements.

5. This includes any other required expenses you will incur before operations begin and during the initial period of operations, such as payroll, additional inventory, rent, and other operating expenses in excess of income generated by the business. It does not include any salary or compensation for you. In formulating the amount required for additional funds, we relied on the following factors, basis, and experience: the development of a Fireside RV Rental business by our affiliate, and our general knowledge of the industry. The RV renters ordinarily pay for most incidental charges such as cleaning and deliveries. This estimate only includes cleaning supplies and related materials.

6. We relied on the approximately six years of our affiliate's experience in the RV rental business to compile this estimate. Additional operating expenses may be incurred in connection with the ongoing operation of your business and periodic reinvestment may be necessary following the initial start-up phase.

- (xiv) Franchisee fails to meet the minimum performance requirements as set forth in Section 2.3 of this Agreement, or,
- (xv) Franchisee or any Owner is accused by any governmental authority or third party of any act, or if Franchisee or any Owner commits any act or series of acts, that in Fireside RV Franchising's opinion is reasonably likely to materially and unfavorably affect the Fireside RV Rental brand.

14.3 Effect of Termination. Upon termination or expiration of this Agreement, all obligations that by their terms or by reasonable implication survive termination, including those pertaining to non-competition, confidentiality, indemnity, and dispute resolution, will remain in effect, and Franchisee must immediately:

- (i) pay all amounts owed to Fireside RV Franchising based on the operation of the Business through the effective date of termination or expiration;
- (ii) return to Fireside RV Franchising all copies of the Manual, Confidential Information and any and all other materials provided by Fireside RV Franchising to Franchisee or created by a third party for Franchisee relating to the operation of the Business, and all items containing any Marks, copyrights, and other proprietary items; and delete all Confidential Information and proprietary materials from electronic devices;

- (iii) notify the telephone, internet, email, electronic network, directory, and listing entities of the termination or expiration of Franchisee's right to use any numbers, addresses, domain names, locators, directories and listings associated with any of the Marks, and authorize their transfer to Fireside RV Franchising or any new franchisee as may be directed by Fireside RV Franchising, and Franchisee hereby irrevocably appoints Fireside RV Franchising, with full power of substitution, as its true and lawful attorney-in-fact, which appointment is coupled with an interest; to execute such directions and authorizations as may be necessary or appropriate to accomplish the foregoing; and
- (iv) cease doing business under any of the Marks.

14.4 Remove Identification. Within 30 days after termination or expiration, Franchisee shall at its own expense "de-identify" the Location so that it no longer contains the Marks, signage, or any trade dress of a Fireside RV Rental business, to the reasonable satisfaction of Fireside RV Franchising. Franchisee shall comply with any reasonable instructions and procedures of Fireside RV Franchising for de-identification. If Franchisee fails to do so within 30 days after this Agreement expires or is terminated, Fireside RV Franchising may enter the Location to remove the Marks and de-identify the Location. In this event, Fireside RV Franchising will not be charged with trespass nor be accountable or required to pay for any assets removed or altered, or for any damage caused by Fireside RV Franchising.

14.5 Purchase Option. When this Agreement expires or is terminated, Fireside RV Franchising will have the right (but not the obligation) to purchase any or all of the assets related to the Business, and/or to require Franchisee to assign its lease or sublease to Fireside RV Franchising. To exercise this option, Fireside RV Franchising must notify Franchisee no later than 30 days after this Agreement expires or is terminated. The purchase price for all assets that Fireside RV Franchising elects to purchase will be the lower of (i) the book value of such assets as declared on Franchisee's last filed tax returns or (ii) the fair market value of the assets. If the parties cannot agree on fair market value within 30 days after the exercise notice, the fair market value will be determined by an independent appraiser reasonably acceptable to both parties. The parties will equally share the cost of the appraisal. Fireside RV Franchising's purchase will be of assets only (free and clear of all liens), and the purchase will not include any liabilities of Franchisee. The purchase price for assets will not include any factor or increment for any trademark or other commercial symbol used in the business, the value of any intangible assets, or any goodwill or "going concern" value for the Business. Fireside RV Franchising may withdraw its exercise of the purchase option at any time before it pays for the assets. Franchisee will sign a bill of sale for the purchased assets and any other transfer documents reasonably requested by Fireside RV Franchising. If Fireside RV Franchising exercises the purchase option, Fireside RV Franchising may deduct from the purchase price: (a) all amounts due from Franchisee; (b) Franchisee's portion of the cost of any appraisal conducted hereunder; and (c) amounts paid or to be paid by Fireside RV Franchising to cure defaults under Franchisee's lease and/or amounts owed by Franchisee to third parties. If any of the assets are subject to a lien, Fireside RV Franchising may pay a portion of the purchase price directly to the lienholder to pay off such lien. Fireside RV Franchising may withhold 25% of the purchase price for 90 days to ensure that all of Franchisee's taxes and other liabilities are paid. Fireside RV Franchising may assign this purchase option to another party.

TRANSFERS

15.1 By Fireside RV Franchising. Fireside RV Franchising may transfer or assign this Agreement, or any of its rights or obligations under this Agreement, to any person or entity, and Fireside RV Franchising may undergo a change in ownership and/or control, without the consent of Franchisee.

15.2 By Franchisee. Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that Fireside RV Franchising entered into this Agreement in reliance on Franchisee's business skill, financial capacity, personal character, experience, and business ability. Accordingly, Franchisee shall not conduct or undergo a Transfer without providing Fireside RV Franchising at least 60 days prior notice of the proposed Transfer, and without obtaining Fireside RV Franchising's consent. In granting any such consent, Fireside RV Franchising may impose conditions, including, without limitation, the following:

- (i) the proposed assignee and its owners have completed Fireside RV Franchising's franchise application processes, meet Fireside RV Franchising's then-applicable standards for new franchisees, and have been approved by Fireside RV Franchising as franchisees;
- (ii) the proposed assignee is not a Competitor;
- (iii) the proposed assignee executes Fireside RV Franchising's then-current form of franchise agreement and any related documents, which form may contain materially different provisions than this Agreement (provided, however, that the proposed assignee will not be required to pay an initial franchise fee);
- (iv) all owners of the proposed assignee provide a guaranty in accordance with Section 2.5;
- (v) Franchisee has paid all monetary obligations to Fireside RV Franchising and its affiliates, and to any lessor, vendor, supplier, or lender to the Business, and Franchisee is not otherwise in default or breach of this Agreement or of any other obligation owed to Fireside RV Franchising or its affiliates;
- (vi) the proposed assignee and its owners and employees undergo such training as Fireside RV Franchising may require;
- (vii) Franchisee, its Owners, and the transferee and its owners execute a general release of Fireside RV Franchising in a form satisfactory to Fireside RV Franchising;
- (viii) the Business fully complies with all of Fireside RV Franchising's most recent System Standards, including without limitation resolving any pending rental disputes and chargebacks with past rentals and refurbishing and repairing any RVs used in the business ; and
- (ix) Franchisee pays Franchisor a transfer fee in the amount of Five Thousand Dollars (\$5,000) except in the case of a Transfer for the convenience of ownership as set forth in Section 15.3 of this Agreement.

15.3 Transfer for Convenience of Ownership. If Franchisee is an individual, Franchisee may Transfer this Agreement to a corporation or limited liability company formed for the convenience of ownership after at least 15 days' notice to Fireside RV Franchising, if, prior to the Transfer: (1) the transferee provides the information required by Section 2.3; (2) Franchisee provides copies of the entity's charter documents, by-laws (or operating agreement) and similar documents, if requested by Fireside RV Franchising, (3) Franchisee owns all voting securities of the corporation or limited liability company, and (4) Franchisee provides a guaranty in accordance with Section 2.5.

15.4 Transfer upon Death or Incapacity. Upon the death or incapacity of Franchisee (or, if Franchisee is an entity, the Owner with the largest ownership interest in Franchisee), the executor, administrator, or personal representative of that person must Transfer the Business to a third party approved by Fireside RV Franchising (or to another person who was an Owner at the time of death or incapacity of the largest Owner) within nine months after death or incapacity. Such transfer must comply with Section 15.2.

15.5 Fireside RV Franchising's Right of First Refusal. Before Franchisee (or any Owner) engages in a Transfer (except under Section 15.3, to a co-Owner, or to a spouse, sibling, or child of an Owner), Fireside RV Franchising will have a right of first refusal, as set forth in this Section. Franchisee (or its Owners) shall provide to Fireside RV Franchising a copy of the terms and conditions of any Transfer. For a period of 30 days from the date of Fireside RV Franchising's receipt of such copy, Fireside RV Franchising will have the right, exercisable by notice to Franchisee, to purchase the assets subject of the proposed Transfer for the same price and on the same terms and conditions (except that Fireside RV Franchising may substitute cash for any other form of payment). If Fireside RV Franchising does not exercise its right of first refusal, Franchisee may proceed with the Transfer, subject to the other terms and conditions of this Article.

15.6 No Sublicense. Franchisee has no right to sublicense the Marks or any of Franchisee's rights under this Agreement.

15.7 No Lien on Agreement. Franchisee shall not grant a security interest in this Agreement to any person or entity. If Franchisee grants an "all assets" security interest to any lender or other secured party, Franchisee shall cause the secured party to expressly exempt this Agreement from the security interest.

INDEMNITY

16.1 Indemnity. Franchisee shall indemnify and defend (with counsel reasonably acceptable to Fireside RV Franchising) Fireside RV Franchising, its parent entities, subsidiaries and affiliates, and their respective owners, directors, officers, employees, agents, successors and assignees (collectively, "Indemnitees") against all Losses in any Action by or against Fireside RV Franchising and/or any Indemnatee directly or indirectly related to, or alleged to arise out of, the operation of the Business. Notwithstanding the foregoing, Franchisee shall not be obligated to indemnify an Indemnatee from Actions arising as a result of any Indemnatee's intentional misconduct or negligence. Any delay or failure by an Indemnatee to notify Franchisee of an Action shall not relieve Franchisee of its indemnity obligation except to the extent (if any) that such delay

or failure materially prejudices Franchisee. Franchisee shall not settle an Action without the consent of the Indemnitee. This indemnity will continue in effect after this Agreement ends.

16.2 Assumption. An Indemnitee may elect to assume the defense of any Action subject to this indemnification, and control all aspects of defending the Action, including negotiations and settlement, at Franchisee's expense. Such an undertaking shall not diminish Franchisee's obligation to indemnify the Indemnitees.

DISPUTE RESOLUTION

17.1 Arbitration.

(a) Disputes Subject to Arbitration. Except as expressly provided in subsection (c) and (d), any controversy or claim between the parties (including any controversy or claim arising out of or relating to this Agreement or its formation and including any question of arbitrability) shall be resolved by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, including the Optional Rules for Emergency Measures of Protection. Judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction.

(b) Location. The place of arbitration shall be the city and state where Fireside RV Franchising's headquarters are located.

(c) Injunctive Relief. Either party may apply to the arbitrator seeking injunctive relief until the arbitration award is rendered or the controversy is otherwise resolved. Either party also may, without waiving any remedy or right to arbitrate under this Agreement, seek from any court having jurisdiction any interim or provisional injunctive relief.

(d) Intellectual Property Claims. Either party may bring a claim involving an alleged infringement of any of Fireside RV Franchising's intellectual property rights in a court authorized to hear such claims under Section 17.5 of this Agreement.

(e) Confidentiality. All documents, information, and results pertaining to any arbitration or lawsuit will be confidential, except as required by law or as required for Fireside RV Franchising to comply with laws and regulations applicable to the sale of franchises.

(f) Performance During Arbitration or Litigation. Unless this Agreement has been terminated, Fireside RV Franchising and Franchisee will comply with this Agreement and perform their respective obligations under this Agreement during the arbitration or litigation process.

17.2 Damages. In any controversy or claim arising out of or relating to this Agreement, each party waives any right to punitive or other monetary damages not measured by the prevailing party's actual damages, except damages expressly authorized by federal statute and damages expressly authorized by this Agreement.

17.3 Waiver of Class Actions. The parties agree that any claims will be arbitrated, litigated, or otherwise resolved on an individual basis, and waive any right to act on a class-wide basis.

17.4 Time Limitation. Any arbitration or other legal action arising from or related to this Agreement must be instituted within two years from the date such party discovers the conduct or event that forms the basis of the arbitration or other legal action. The foregoing time limit does not apply to claims (i) by one party related to non-payment under this Agreement by the other party, (ii) for indemnity under Article 16, or (iii) related to unauthorized use of Confidential Information or the Marks.

17.5 Venue Other Than Arbitration. For any legal proceeding not required to be submitted to arbitration, the parties agree that any such legal proceeding will be brought in the United States District Court where Fireside RV Franchising's headquarters is then located. If there is no federal jurisdiction over the dispute, the parties agree that any such legal proceeding will be brought in the court of record of the state and county where Fireside RV Franchising's headquarters is then located. Each party consents to the jurisdiction of such courts and waives any objection that it, he or she may have to the laying of venue of any proceeding in any of these courts.

17.6 Legal Costs. In any legal proceeding (including arbitration) related to this Agreement or any guaranty, the non-prevailing party shall pay the prevailing party's attorney fees, costs and other expenses of the legal proceeding. "Prevailing party" means the party, if any, which prevailed upon the central litigated issues and obtained substantial relief.

MISCELLANEOUS

18.1 Relationship of the Parties. The parties are independent contractors, and neither is the agent, partner, joint venturer, or employee of the other. Fireside RV Franchising is not a fiduciary of Franchisee. Fireside RV Franchising does not control or have the right to control Franchisee or its Business. Any required specifications and standards in this Agreement and in the System Standards exist to protect Fireside RV Franchising's interest in the System and the Marks, and the goodwill established in them, and not for the purpose of establishing any control, or duty to take control, over the Business. Fireside RV Franchising has no liability for Franchisee's obligations to any third party whatsoever.

18.2 No Third-Party Beneficiaries. This Agreement does not confer any rights or remedies upon any person or entity other than Franchisee, Fireside RV Franchising, and Fireside RV Franchising's affiliates.

18.3 Entire Agreement. This Agreement constitutes the entire agreement of the parties and supersedes all prior negotiations and representations. Nothing in this Agreement or in any related agreement is intended to disclaim the representations made by Fireside RV Franchising in its franchise disclosure document.

18.4 Modification. No modification or amendment of this Agreement will be effective unless it is in writing and signed by both parties. This provision does not limit Fireside RV Franchising's rights to modify the Manual or System Standards.

18.5 Consent; Waiver. No consent under this Agreement, and no waiver of satisfaction of a condition or nonperformance of an obligation under this Agreement will be effective unless it is in writing and signed by the party granting the consent or waiver. No waiver by a party of any right will affect the party's rights as to any subsequent exercise of that right or any other right. No

delay, forbearance or omission by a party to exercise any right will constitute a waiver of such right.

18.6 Cumulative Remedies. Rights and remedies under this Agreement are cumulative. No enforcement of a right or remedy precludes the enforcement of any other right or remedy.

18.7 Severability. The parties intend that (i) if any provision of this Agreement is held by an arbitrator or court to be unenforceable, then that provision be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded, and (ii) if an unenforceable provision is modified or disregarded, then the rest of this Agreement will remain in effect as written.

18.8 Governing Law. The laws of the state of Florida (without giving effect to its principles of conflicts of law) govern all adversarial proceedings between the parties. The parties agree that any Florida law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 18.8.

18.9 Notices. Any notice will be effective under this Agreement only if made in writing and delivered as set forth in this Section to: (A) if to Franchisee, addressed to Franchisee at the notice address set forth in the Summary Page; and (B) if to Fireside RV Franchising, addressed to 1827 SW 67th Drive, Okeechobee, FL 34974. Any party may designate a new address for notices by giving notice of the new address pursuant to this Section. Notices will be effective upon receipt (or first rejection) and must be: (1) delivered personally; (2) sent by registered or certified U.S. mail with return receipt requested; or (3) sent via overnight courier. Notwithstanding the foregoing, Fireside RV Franchising may amend the Manual, give binding notice of changes to System Standards, and deliver notices of default by electronic mail or other electronic communication.

18.10 Holdover. If Franchisee continues operating the Business after the expiration of the term without a renewal agreement or successor franchise agreement executed by the parties in accordance with Section 3.2, then at any time (regardless of any course of dealing by the parties), Fireside RV Franchising may by giving written notice to Franchisee (the “Holdover Notice”) either (i) require Franchisee to cease operating the Business and comply with all post-closing obligations effective immediately upon giving notice or effective on such other date as Fireside RV Franchising specifies, or (ii) bind Franchisee to a renewal term of 5 years, and deem Franchisee and its Owners to have made the general release of liability described in Section 3.2(vi).

18.11 Joint and Several Liability. If two or more people sign this Agreement as “Franchisee,” each will have joint and several liability.

18.12 No Offer and Acceptance. Delivery of a draft of this Agreement to Franchisee by Fireside RV Franchising does not constitute an offer. This Agreement shall not be effective unless and until it is executed by both Franchisee and Fireside RV Franchising.

GUARANTY AND NON-COMPETE AGREEMENT

This Guaranty and Non-Compete Agreement (this “Guaranty”) is executed by the undersigned person(s) (each, a “Guarantor”) in favor of Fireside RV Franchising, LLC, a Florida limited liability company (“Fireside RV Franchising”).

Background Statement: _____ (“Franchisee”) desires to enter into a Franchise Agreement with Fireside RV Franchising for the franchise of a Fireside RV Rental business (the “Franchise Agreement,” capitalized terms used but not defined in this Guaranty have the meanings given in the Franchise Agreement). Guarantor owns an equity interest in Franchisee. Guarantor is executing this Guaranty in order to induce Fireside RV Franchising to enter into the Franchise Agreement.

Guarantor agrees as follows:

1. Guaranty. Guarantor hereby unconditionally guarantees to Fireside RV Franchising and its successors and assigns that Franchisee shall pay and perform every undertaking, agreement and covenant set forth in the Franchise Agreement and further guarantees every other liability and obligation of Franchisee to Fireside RV Franchising, whether or not contained in the Franchise Agreement. Guarantor shall render any payment or performance required under the Franchise Agreement or any other agreement between Franchisee and Fireside RV Franchising upon demand from Fireside RV Franchising. Guarantor waives (a) acceptance and notice of acceptance by Fireside RV Franchising of this Guaranty; (b) notice of demand for payment of any indebtedness or nonperformance of any obligations of Franchisee; (c) protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed; (d) any right Guarantor may have to require that an action be brought against Franchisee or any other person or entity as a condition of liability hereunder; (e) all rights to payments and claims for reimbursement or subrogation which any of the undersigned may have against Franchisee arising as a result of the execution of and performance under this Guaranty by the undersigned; (f) any law which requires that Fireside RV Franchising make demand upon, assert claims against or collect from Franchisee or any other person or entity (including any other guarantor), foreclose any security interest, sell collateral, exhaust any remedies or take any other action against Franchisee or any other person or entity (including any other guarantor) prior to making any demand upon, collecting from or taking any action against the undersigned with respect to this Guaranty; and (g) any and all other notices and legal or equitable defenses to which Guarantor may be entitled.

2. Confidential Information. With respect to all Confidential Information Guarantor shall (a) adhere to all security procedures prescribed by Fireside RV Franchising for maintaining confidentiality, (b) disclose such information to its employees only to the extent necessary for the operation of the Business; (c) not use any such information in any other business or in any manner not specifically authorized or approved in writing by Fireside RV Franchising, (d) exercise the highest degree of diligence and make every effort to maintain the confidentiality of all such information during and after the term of the Franchise Agreement, (e) not copy or otherwise reproduce any Confidential Information, and (f) promptly report any unauthorized disclosure or

use of Confidential Information. Guarantor acknowledges that all Confidential Information is owned by Fireside RV Franchising or its affiliates (except for Confidential Information which Fireside RV Franchising licenses from another person or entity). Guarantor acknowledges that all customer data generated or obtained by Guarantor is Confidential Information belonging to Fireside RV Franchising. This Section will survive the termination or expiration of the Franchise Agreement indefinitely.

3. Covenants Not to Compete.

(a) Restriction - In Term. During the term of the Franchise Agreement, Guarantor shall not directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor.

(b) Restriction – Post Term. For two years after the Franchise Agreement expires or is terminated for any reason (or, if applicable, for two years after a Transfer by Guarantor), Guarantor shall not directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor located within thirty miles of Franchisee’s Territory or the territory of any other Fireside RV Rental business operating on the date of termination or transfer, as applicable. If the Franchise Agreement is terminated before the Territory is determined, then the area of non-competition will be the Development Area and the territory of any other Fireside RV Rental business operating on the date of termination.

(c) Interpretation. Guarantor agrees that each of the foregoing covenants is independent of any other covenant or provision of this Guaranty or the Franchise Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any court or arbitrator, then the parties intend that the court or arbitrator modify such restriction to the extent reasonably necessary to protect the legitimate business interests of Fireside RV Franchising. Guarantor agrees that the existence of any claim it or Franchisee may have against Fireside RV Franchising shall not constitute a defense to the enforcement by Fireside RV Franchising of the covenants of this Section. If Guarantor fails to comply with the obligations under this Section during the restrictive period, then the restrictive period will be extended an additional day for each day of noncompliance.

4. Modification. Guarantor agrees that Guarantor’s liability hereunder shall not be diminished, relieved or otherwise affected by (a) any amendment of the Franchise Agreement, (b) any extension of time, credit or other indulgence which Fireside RV Franchising may from time-to-time grant to Franchisee or to any other person or entity, or (c) the acceptance of any partial payment or performance or the compromise or release of any claims.

5. Governing Law; Dispute Resolution. This Guaranty shall be governed by and construed in accordance with the laws of the state of Florida (without giving effect to its principles of conflicts of law). The parties agree that any Florida law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 6. The provisions of Article 17 (Dispute Resolution) of the Franchise Agreement apply to and are incorporated into this Guaranty as if fully set forth herein. Guarantor shall pay to Fireside RV Franchising all costs incurred by Fireside RV Franchising

(including reasonable attorney fees) in enforcing this Guaranty. If multiple Guarantors sign this Guaranty, each will have joint and several liability.

INDEPENDENT ACCOUNTANT AUDIT REPORT

To the Management of FIRESIDE RV FRANCHISING, LLC

Opinion

We have audited the financial statements of FIRESIDE RV FRANCHISING, LLC (the "Company"), which comprise the Balance Sheet as of December 31, 2024 & December 31, 2023, the related Profit & Loss Statements, the related Statements of Cashflows, the related Statements of Shareholders' Equity, and the related notes for the twelve-month periods then ended. (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2024 & December 31, 2023, and the results of its operations and its cash flows for the twelve-month periods then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.

FIRESIDE RV FRANCHISING, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 & DECEMBER 31, 2023

NOTE A – ORGANIZATION AND NATURE OF ACTIVITIES

FIRESIDE RV FRANCHISING, LLC (the “Company”) was incorporated under the laws of the State of Florida for the purpose of offering franchise opportunities to entrepreneurs who want to own and operate their own management company providing camper and RV rentals services, under the brand “Fireside RV Rental”, as a franchise.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“US GAAP”). As a result, the Company records revenue when earned and expenses when incurred. The Company has adopted the calendar year as its basis of reporting.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosures of contingent assets and liabilities and other items, as well as the reported revenues and expenses. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and any cash equivalents include all cash balances, and highly liquid investments with maturities of three months or less when purchased.

Franchisee Receivables

The Company’s franchisee receivables primarily result from initial franchise fees, royalty fees, brand development contributions and training fees charged to franchisees. Timing of revenue recognition may be different from the timing of invoicing to customers. The Company records an accounts receivable when revenue is recognized prior to invoicing, or unearned revenue when revenue is recognized after invoicing. The Company reports these receivables at net realizable value.

Management determines the allowance for doubtful accounts based on historical losses, current expectations, and economic conditions. On a continuing basis, management analyzes delinquent accounts receivable and, once these accounts receivable are determined to be uncollectible, they are written off through a charge against an existing allowance account. The allowance account is reviewed regularly and adjusted against earnings as appropriate. The Company determined that an allowance on outstanding franchisee receivables of \$0 was necessary as of December 31, 2024, & December 31, 2023. Franchisee bad debt expense was \$0 for the year ended December 31, 2024, & December 31, 2023. Franchisee amounts written off were \$0 for the year ended December 31, 2024, & December 31, 2023.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Fixed Assets and Depreciation

Property and Equipment is stated at cost. Accounting principles generally accepted in the United States of America require that property and equipment be depreciated using the straight-line method. Depreciation in these financial statements reflects accelerated depreciation methods used for the tax return. The effects of these departures from accounting principles generally accepted in the United States of America on financial position, results of operations, and cash flows have not been determined. Expenditures for normal repairs and maintenance are charged to operations as incurred.

The Company reviews long-lived assets for impairment whenever events or circumstances indicate that the carrying value of such assets may not be fully recoverable. Impairment is present when the sum of the undiscounted estimated future cash flows expected to result from use of the assets is less than carrying value. If impairment is present, the carrying value of the impaired asset is reduced to its fair value. As of December 31, 2024, & December 31, 2023, no impairment loss has been recognized for long-lived assets.

Fair Value of Financial Instruments

Financial Accounting Standards Board ("FASB") guidance specifies a hierarchy of valuation techniques based on whether the inputs to those valuation techniques are observable or unobservable. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect market assumptions. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are as follows:

- Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 1 primarily consists of financial instruments whose value is based on quoted market prices such as exchange-traded instruments and listed equities.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly (e.g., quoted prices of similar assets or liabilities in active markets, or quoted prices for identical or similar assets or liabilities in markets that are not active).
- Level 3 - Unobservable inputs for the asset or liability. Financial instruments are considered Level 3 when their fair values are determined using pricing models, discounted cash flows or similar techniques and at least one significant model assumption or input is unobservable.

As of December 31, 2024, & December 31, 2023, the carrying amounts of the Company's financial assets and liabilities reported in the balance sheets approximate their fair value.

FIRESIDE RV FRANCHISING, LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 & DECEMBER 31, 2023

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Revenue Recognition

Revenues are primarily derived from franchise fees (one-time and recurring monthly fees). In accordance with Accounting Standards Codification (ASC) Topic 606, Revenue will be recognized when persuasive evidence of an arrangement exists, delivery has occurred, or services have been rendered, the seller's price to the buyer is fixed or determinable, and collectability is reasonable assured. The determination of whether fees and fixed or determinable and collection is reasonable assured involves the use of assumptions. Arrangement terms and customer information are evaluated to ensure that these criteria are met prior to recognition of revenue.

Specifically for franchisors, The Financial Accounting Standards Board (FASB) has issued an Accounting Standards Update (ASU) to ASC 606, Franchisors—'Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient' in 2021 which provides a new practical expedient that permits private company franchisors to account for preopening services provided to a franchisee as distinct from the franchise license if the services are consistent with those included in a predefined list within the guidance. The Company has elected to adopt this new standard.

Unearned Revenue

The Company's primarily performance obligation under the franchise agreement mainly includes granting certain rights to access the Company's intellectual property and a variety of activities relating to opening a franchise unit, including initial training and other such activities commonly referred to collectively as "pre-opening activities", which are recognized as a single performance obligation. The Company expects that certain pre-opening activities provided to the franchisee will not be brand specific and will provide the franchisee with relevant general business information that is separate and distinct from the operation of a company-branded franchise unit. The portion of pre-opening activities that will be provided that is not brand specific is expected to be distinct as it will provide a benefit to the franchisee and is expected not to be highly interrelated or interdependent to the access of the Company's intellectual property, and therefore will be accounted for as a separate distinct performance obligation. All other pre-opening activities are expected to be highly interrelated and interdependent to the access of the Company's intellectual property and therefore will be accounted for as a single performance obligation, which is satisfied by granting certain rights to access the Company's intellectual property over the term of each franchise agreement.

The Company estimates the stand-alone selling price of pre-opening activities using an adjusted market assessment approach. The Company will first allocate the initial franchise fees and the fixed consideration, under the franchise agreement to the standalone selling price of the training services that are not brand specific and the residual, if any, to the right to access the Company's intellectual property. Consideration allocated to pre-opening activities, which are not brand specific are recognized ratably as those services are rendered. Consideration allocated to pre-opening activities included under Accounting Standards Update (ASU) to ASC 606, Franchisors—'Revenue from Contracts with Customers (Subtopic 952-606): Practical Expedient' is recognized when the related services have been rendered.

The remaining franchisee fee not allocated to pre-opening activities are recorded as Unearned Revenue and will be recognized over the term of the franchise agreement.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)

Income Taxes

The Company, with the consent of its shareholders, intends to elect to be an S-Corporation (for tax purposes). In lieu of corporate income taxes, the shareholder(s) of an S-Corporation is taxed based on its proportionate share of The Company's taxable income. Therefore, no provision or liability for income taxes has been included in these financial statements.

Commitments and Contingencies

The Company may be subject to pending legal proceedings and regulatory actions in the ordinary course of business. The results of such proceedings cannot be predicted with certainty, but the Company does not anticipate that the final outcome, if any, arising out of any such matter will have a material adverse effect on its business, financial condition or results of operations. As of December 31, 2024, & December 31, 2023, the Company has not reported any lawsuit or known plans of litigation by or against the Company.

NOTE C – CONCENTRATIONS OF RISK

Financial instruments that potentially subject the Company to credit risk consist of cash and cash equivalents. The Company places its cash and any cash equivalents with a limited number of high-quality financial institutions and do not exceed the amount of insurance provided on such deposits.

NOTE D – SUBSEQUENT EVENTS

Management has evaluated subsequent events through March 5, 2025, the date on which the financial statements were available to be issued. Management has determined that none of the events occurring after the date of the balance sheet through the date of Management's review substantially affect the amounts and disclosure of the accompanying financial statements.

To the Management of FIRESIDE RV FRANCHISING, LLC

We have audited the accompanying financial statements of FIRESIDE RV FRANCHISING, LLC (the "Company"), which comprise the Balance Sheet as of December 31, 2022.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of FIRESIDE RV FRANCHISING, LLC as of December 31, 2022, in accordance with accounting principles generally accepted in the United States of America.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

ALL THE OWNERS OF THE FRANCHISE WILL BE REQUIRED TO EXECUTE PERSONAL GUARANTEES. THIS REQUIREMENT PLACES THE MARITAL ASSETS OF THE SPOUSES DOMICILED IN COMMUNITY PROPERTY STATES – ARIZONA, CALIFORNIA, IDAHO, LOUISIANA, NEVADA, NEW MEXICO, TEXAS, WASHINGTON AND WISCONSIN AT risk IF YOUR FRANCHISE FAILS.

1. The following paragraph is added to the end of Item 3 of the Disclosure Document:

Neither franchisor nor any person or franchise broker in Item 2 of this disclosure document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in that association or exchange.

The Franchise Agreement requires binding arbitration. The arbitration will occur in Okeechobee, Florida, with the costs being borne equally by Franchisor and Franchisee. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the laws of Florida. This provision may not be enforceable under California law.

4. The following paragraph is added at the end of Item 19 of the Disclosure Document:

The earnings claims figures do not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your Fireside RV Rental business. Franchisees or former franchisees, listed in the offering circular, may be one source of this information.

INDIANA RIDER TO FRANCHISE AGREEMENT

This Rider amends the Franchise Agreement dated _____ (the “Agreement”), between Fireside RV Franchising, LLC, a Florida limited liability company (“Fireside RV Franchising”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Indiana Acts” means the Indiana Franchise Act and the Indiana Deceptive Franchise Practices Act.

2. Certain Provisions Modified. Any provision of the Agreement which would have any of the following effects is hereby modified to the extent required for the Agreement to be in compliance with the Indiana Acts:

(1) Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or services or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This subdivision does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor.

(2) Allowing the franchisor to establish a franchisor-owned outlet engaged in a substantially identical business to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement; or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.

(3) Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.

(4) Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee.

(5) Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by the Indiana Deceptive Franchise Practices Act or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subsection (5) does not apply to arbitration before an independent arbitrator.

(6) Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers prior to the franchisee's receipt of an official price increase notification. A sales contract signed by a private retail consumer shall constitute evidence of each

order. Price changes applicable to new models of a product at the time of introduction of such new models shall not be considered a price increase. Price increases caused by conformity to a state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this subsection (6).

(7) Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this subsection (7) includes any material violation of the franchise agreement.

(8) Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This chapter shall not prohibit a franchise agreement from providing that the agreement is not renewable upon expiration or that the agreement is renewable if the franchisee meets certain conditions specified in the agreement.

(9) Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three years or in an area greater than the exclusive area granted by the franchise agreement or, in absence of such a provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.

(10) Limiting litigation brought for breach of the agreement in any manner whatsoever.

(11) Requiring the franchisee to participate in any (A) advertising campaign or contest; (B) promotional campaign; (C) promotional materials; or (D) display decorations or materials; at an expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

3. Effective Date. This Rider is effective as of the Effective Date.

MINNESOTA RIDER TO FRANCHISE AGREEMENT

This Rider amends the Franchise Agreement dated _____ (the “Agreement”), between Fireside RV Franchising, LLC, a Florida limited liability company (“Fireside RV Franchising”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Minnesota Act” means Minnesota Statutes, Sections 80C.01 to 80C.22.

2. Amendments. The Agreement is amended to comply with the following:

Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.

The franchisor will protect the franchisee’s rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Minnesota considers it unfair to not protect the franchisee’s right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.

The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5, and therefore the applicable provision of the Agreement is amended to state “No action may be commenced pursuant to Minnesota Statutes, Section 80C.17 more than three years after the cause of action accrues.”

3. Effective Date. This Rider is effective as of the Effective Date.

4. A new Section 18.13 is added to the Franchise Agreement. “No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any

franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed with the franchise.”

There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitation period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
