What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends that franchise or has verified the information in this document. To find out if your state has a registration requirements, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreements requires you to resolve disputes with the franchisor by mediation and/or litigation where our current headquarters are located. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate or litigate with the franchisor where its headquarters is located than in your own state.
2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor

FranNet, LLC (“**FranNet**”, “**we**”, or “**us**”) is a limited liability company formed under New Jersey law in October, 2006. Our principal business address is 6844 Bardstown Road, Unit 645, Louisville, Kentucky 40291. We do business under the name “**FranNet**”. Our business is limited to offering the franchises that are described in this Disclosure Document. We do not offer franchises or engage in any other line of business, nor have we done so prior to the date of this Disclosure Document. We began franchising in January, 2010. Our predecessor, FranNet Franchising, LLC began franchising in December 2006.

Our agents for service of process are listed in **Exhibit A**.

Our Parent, Predecessors and Affiliates

Howard Bassuk, the founder of the FranNet system, began offering FranNet consulting services in 1987 through his company, Hobassco, Inc. (“Hobassco”). Hobassco’s principal address was 2385 Camino Vida Roble, Suite 114, Carlsbad, California 92011. Hobassco had granted rights to operate businesses under the name “**FranNet**” throughout the United States through offices that were individually owned and operated by associates, under various business arrangements.

In 1999, Hobassco assigned its rights to the name “**FranNet**” to Franchise Network Mutual Benefit Corporation (“**FNMB**”). In 2001, Hobassco assigned its rights for future growth of the office network to FranNet Development Group, LLC (“**FDG**”). **FDG**’s principal business address was 2385 Camino Vida Roble, Suite 114, Carlsbad, California 92011. **FDG** has since operated the business through additional offices located throughout the United States, under the name “**FranNet**”. These offices were also independently owned and operated by associates under various business arrangements.

Neither Hobassco nor **FDG** has ever operated a business of a type substantially similar to those offered in this disclosure document nor offered franchises in any line of business. Hobassco and **FDG** are our predecessors (“**Predecessors**”). Neither Hobassco nor **FDG** offered franchises in any other line of business.

Effective as of January 1, 2010, FranNet Franchising, LLC, a wholly owned subsidiary of FranNet, LLC merged into FranNet, LLC. We assumed all of the assets and liabilities of FranNet Franchising, LLC, including all outstanding franchise agreements. FranNet Franchising, LLC offered franchises from December, 2006 through December, 2009. FranNet Franchising, LLC’s address was 10302 Brookridge Village Blvd., Suite 201, Louisville, Kentucky 40291. FranNet Franchising, LLC never operated a business of a type substantially similar to those offered in this Disclosure Document. FranNet Franchising, LLC never offered franchises in any other line of business.

Other than as described above, we have no parents, predecessors, or affiliates that offer franchises in any line of business or that provide products or services to our franchisees.

We have never offered franchises in any other line of business. We do not engage, and have never engaged, in any business activities or any other line of business other than as described in this disclosure document. We do not have any Affiliate that is offering franchises in any line of business or that will be providing products or services to you. All of our principal owners have been FranNet associates for many years.

The Franchise Offered

General. We grant franchises to establish and operate a FranNet business (the “**Franchised Business**” or the “**FranNet Business**”) operating under the System (defined below) and identified by the Marks (defined below) under a franchise agreement (the “**Franchise Agreement**”). The **Franchised Business** is a third party referral network engaged in the business of consulting with and representing franchisors, potential franchisors, licensors, and other business opportunity companies (all of which we refer to as “**Franchisors**”) in connection with the sale of their franchises, licenses, business opportunities and existing re-sales of same (all of which we refer to as “**Franchise**” or “**Franchises**”). In the course of conducting business, our franchisee recruits and meets with potential franchisees (“**Prospects**”) and exchanges information with them to help determine what type of Franchise and which Franchisors may be most suitable.

The FranNet System. Through the expenditure of considerable time and effort, we have acquired experience, skills, methods, techniques and knowledge relating to the representation of Prospects of Franchises as well as the growth and development of Franchisors identifying, evaluating and introducing Prospects (the “**Services**”), and have developed methods, formats and procedures (all of which

we refer to as the “System”). We identify FranNet and various components of the System by certain trademarks, service marks and other commercial symbols, including the mark “**FranNet**” (which we refer to as the “Marks”). These businesses which offer the Services and other related programs and services as we designate periodically under the Marks are known as “FranNet Businesses.” We may, in the future, develop, enhance or modify various aspects of the System or adopt other trademarks, service marks or other commercial symbols which you must use as a Franchisee.

The Franchised Business will be operated in accordance with our confidential, proprietary Operations Brand Standards Manuals (the “Manuals”) to be loaned to you. You will also be provided with the right to use the Marks. In addition, as part of the franchise system, we have formed a FranNet Franchise Advisory Council (“Council”) that (through its Board) will manage the FranNet Marketing Program. The Council will consist of all FranNet franchisees and associates, and one person designated by us.

The Franchise Offering. This Disclosure Document describes the offer of franchises for new FranNet Businesses. To become a franchisee, you must operate your FranNet Business in accordance with our standards and specifications, and you must sign a Franchise Agreement. A copy of the Franchise Agreement that you must sign is attached to the Franchise Disclosure Document as Exhibit “B”.

Market and Competition. The Franchised Business represents the Franchisor in certain of its sales transactions, and targets potential Franchisees primarily by means of seminars, referrals and the Internet. The market for third party referral networks and franchise consulting services, including those that will be offered by the Franchised Business, is developing and competitive. Traditionally, the Franchisor’s franchise sales department performed these services. As franchising continues to grow, Franchisors are increasingly turning towards franchise consulting service providers for qualified, pre-screened Prospects. The Franchised Business will compete with other local and national third party referral networks.

Industry Specific Laws and Regulations. Your Franchised Business will be subject to laws and regulations that are applicable to businesses generally, and also to a Federal Trade Commission regulation (“Franchise Rule”) and various state laws regulating the offer and sale of franchises (which require, in part, that a franchise disclosure document containing certain information be provided to Prospects at prescribed times before the sale of a Franchise).

Unless otherwise indicated below, all of the fees listed above are uniform, non-refundable, and are imposed by, payable to, and collected by us.

1. We will pay you a commission on a weekly basis, subject to any off-set or deduction for any amounts owed to us by you, based on the Gross Consulting Income received by us due to your efforts on the following terms, conditions and schedule:

(a) Standard Engagement Income. For any Gross Consulting Income produced by you from the activity of referring a Prospect to a Franchisor, who subsequently enters into a Franchise Agreement with that Franchisor and, as a result, a referral fee is paid to Us, you will receive a commission as follows for the Engagements or Gross Consulting Income attributable to you from such transaction during any calendar year. On any Gross Consulting Income produced by you up to \$500,000 during any calendar year, you will receive a commission of 90% of the Gross Consulting Income paid to Us. On any Gross Consulting Income produced by you that is more than \$500,000 and up to \$750,000 during any calendar year, you will receive a commission of 95% of the Gross Consulting Income paid to Us. On any Gross Consulting Income produced by you in excess of \$750,000 and up to \$1,000,000 during any calendar year, you will receive a commission of 97.5% of the Gross Consulting Income paid to Us. On any Gross Consulting Income produced by you in excess of \$1,000,000 during any calendar year, you will receive a commission equal to 100% of the Gross Consulting Income paid to Us.

(b) Royalty Engagement Income. You will receive fifty percent (50%) of the Gross Consulting Income from a Percentage of Royalties ("Residual Fees").

(c) Other Income. For any Gross Consulting Income produced by you that is based on any activities other than those listed above will generate a commission being paid to you of 75% of the Gross Consulting Income received by us from that source.

The term "Gross Consulting Income" means all income derived or accrued from any benefit granted under the Franchise Agreement and includes the income events identified in this Note 1, above.

2. You must participate in the Marketing Program which will be administered by the Council, with a monthly contribution of \$292.23 for each consultant in your office (you and any of your employees and independent contractors/associates). This payment may be adjusted for inflation annually, but not by more than 10% total in any calendar year, unless the Council, on behalf of all Franchisees, implements a program(s) causing additional fees to be paid. You must make payment for the upcoming month directly to the Marketing Fund for the Marketing Program by the 1st day of each month beginning with the first month following your completion of the initial training program and continuing for the duration of the term of the Franchise Agreement. If any payment is late, we will have the right, in addition to our other rights and remedies, to deny you access to any and all leads, programs and/or materials created by, and benefits of, the Marketing Program until your payment has been made. Your monthly contribution is required for the term of the Franchise Agreement, regardless of whether you have a period of inactivity due to health or other issues.

3. We may offer you services not offered under the terms of the Franchise Agreement on an optional basis which you may or may not elect to utilize. If you elect to utilize these services, you must pay for these services within 10 days of the payment due date.

4. In addition to the monthly marketing fees described in Note 2 above, there may be services utilized by you which may be recommended or required by the Council for marketing purposes, in accordance with its policies and procedures. You must pay for these services within 10 days of the payment due date.

5. During the term of the Franchise Agreement, you must maintain the errors and omissions insurance coverage required by the Franchise Agreement at your sole expense, including E & O Insurance from our carrier. If we offer group coverage for errors and omissions insurance, you must participate and pay your pro-rata share of the premium (based on the number of consultants covered). If you do not maintain the required insurance coverage, we may obtain, at our option and in addition to our other rights and remedies under the Franchise Agreement, any required insurance coverage on your behalf and at your cost. Any insurance payments due to us will be payable on the 1st day of each month beginning with the first month following your completion of the initial training program and continuing for the duration of the term of the Franchise Agreement. You are required to keep your E & O Insurance active for the term of the Franchise Agreement, regardless of whether you have a period of inactivity due to health or other issues.

6. Insurance premiums due to us which are not paid within 10 days of the due date will be subject to a late fee equal to the lesser of: 10% of the delinquent amount or the highest applicable legal rate for open account business credit in your state.

7. If there is a transfer under the Franchise Agreement (as described in Item 17 and the Franchise Agreement), you must pay to us a transfer fee of \$5,000 plus any additional legal expenses and any out-of-pocket costs paid to third parties who participate in training the transferee.
8. If you enter into a successor Franchise Agreement, you must pay to us a successor franchise fee in an amount equal to 25% of our then-current initial franchise fee (or, if no franchises are then being offered, 25% of the initial franchise fee most recently charged).
9. You must indemnify, defend and hold us, our affiliates, members, shareholders, directors, officers, managers, employees, agents, successors and assigns, harmless against and to reimburse us for all obligations, damages and taxes described in Franchise Agreement, for which we are held liable and for all costs we incur in the defense of any claim brought against us, including actual and consequential damages, attorneys', accountants' and expert witness fees, cost of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses.
10. You must pay all expenses (including accounting, attorneys', expert witness and arbitrators' fees and costs) incurred by us (a) to remedy any of your defaults of, or enforce any of our rights under, the Franchise Agreement; (b) to effect termination of the Franchise Agreement; and (c) to collect any amounts due under the Franchise Agreement.
11. You must pay to us a Technology Fee of \$233.33 per calendar month. We reserve the right to increase this fee by up to 30%. You must pay this fee to us by the 1st day of each month beginning with the first month following your completion of the initial training program and continuing for the duration of the term of the Franchise Agreement. You must pay the Technology Fee as required for the term of the Franchise Agreement, regardless of whether you have a period of inactivity due to health or other issues.
12. We will provide you with two email accounts when you become a FranNet franchisee. If you choose to obtain additional email accounts after the first two, you will incur a monthly fee of \$35 per each additional email account.
12. This amount covers the cost of testing new products or inspecting new suppliers that you propose to us.
13. We may, as we deem appropriate in our discretion, develop additional and refresher training courses, and require you to attend such courses. You will be required to pay our then-current additional training fee (as well as any other expenses incurred in connection with such additional training).
14. You will pay to us an initial training fee of \$5,000 to attend our initial training program, as further detailed in Item 5. If you choose to hire or engage additional consultants (employees or independent contractors/associates), you must pay us \$2,500 in order for FranNet to train them.
15. If we terminate your Franchise Agreement for cause, you must pay us within 15-days after the effective date of termination liquidated damages equal to: 10% of your Gross Consulting Income during the 12 months or operation preceding the effective date of termination, (a) multiplied by 2 (2 full years); or (b) if less than 2-years remains on the term of the Franchise Agreement, the amount set forth in (a) above divided by 24 (the number of months in 2 full years) multiplied the number of months remaining in the term of the Franchise Agreement, had it not been terminated.
16. If you fail to meet your sales quota performance level, as detailed in Item 12 and the Franchise Agreement, we may, at our option, require you to pay to us the shortfall amount as well as an additional fee of ten percent (10%).
17. If you fail to attend a FranNet National Meeting without good cause and prior written approval from us, you will be in default of the Franchise Agreement and will incur our then-current penalty fee.

NOTES

1. You must pay to us an initial franchise fee ranging from \$15,000 to \$25,000 for a single, new FranNet Business to be operated under an individual Franchise Agreement.
2. This estimate includes the cost of a telephone, email, a laptop computer and required software. The low end of this estimate assumes that you will use equipment you already own. See Item 11 for further information.
3. You must purchase the supplies for your FranNet Business office. This estimate includes the costs of stationary, brochures, business cards, and envelopes.

4. This estimate includes the initial training fee for 1 person. The low-end assumes you will attend the training virtually, and the high-end includes estimates for costs of travel, food and lodging for 1 person to attend the initial training program in Bee Cave, Texas, or another location designated by us. We estimate that the training course will be for 5 days. We reserve the right to offer any portion of the training program virtually or otherwise via remote learning.

5. You must participate in the FranNet Marketing Program, with a monthly contribution of \$292.23 per person in your office (you and any of your employees and independent contractors/associates). You must make payment for the upcoming month directly to the Marketing Fund for the Marketing Program by the 1st day of each month beginning with the first month following your completion of the initial training program and continuing for the duration of the term of the Franchise Agreement. We may increase the monthly Marketing and other contribution amounts for inflation, but the marketing fees will not be increased by more than 10% total in any calendar year unless the Council implements a program(s) causing additional fees to be paid. This estimate is for the first 3 calendar months of operations.

6. Before you begin operating your FranNet Business, you must purchase the insurance coverage required by the Franchise Agreement, and described in Note 5 to Item 6, above. The cost of the business insurance coverage will vary from state to state and will depend on your prior loss experience, if any, and/or the prior loss experience of your insurance carrier in the state or locale in which you operate, and national or local market conditions. We anticipate that you must pay your insurance carrier or agent a full or pro-rata share of this annual premium in advance. The estimate provided in the chart above ranges is for a full annual premium. The amount you pay may be less if you only pay the premium in installments.

7. You must pay us a Technology Fee of \$233.33 per calendar month, which covers your use of an on-line customer relationship management software system that includes tools for email marketing. This system is necessary for your access to all forms, templates and training materials needed for your FranNet Business. This estimate is for the first 3 calendar months of operations. We reserve the right to increase this fee by up to 30%.

8. You will be required to complete our third-party sales training program, Sandler Training, within six months of opening for business. Sandler Training is a nine-week virtual training program, but may also be made available to you in the form of a two-day bootcamp in Cleveland, Ohio. The estimate does not include costs of travel and lodging you may incur if you choose to complete the training in-person rather than virtually.

9. In addition to the marketing contribution described in Items 6 and 11, you are required to spend a minimum of \$5,000 on additional marketing programs over the course of your first calendar year in operations.

10. The need for additional funds varies, depending on a variety of factors. We estimate the monies described in the chart will be necessary during the first 6 months of the operation of your FranNet Business in order to stabilize the business. We have relied upon the expenditures paid by, and the experience of, our principal owners in determining this estimate. We do not offer direct or indirect financing to franchisees for any items described above.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must operate the FranNet Business in accordance with our standards and consistent with the image of a FranNet business as a professional and efficiently operated business. Mandatory standards and operating procedures we prescribe for FranNet businesses in the Operations Brand Standards Manuals or otherwise communicated to you in writing will constitute provisions of the Franchise Agreement.

All Franchisors represented by you and other franchisees must first be approved by us, and all contracts with Franchisors will be negotiated by us. Regional or local opportunities may arise where a Franchisor not yet ready to be considered for our national inventory, or which may have a specific market need, may come to your attention. Before you may provide Services to this Franchisor, you must request and obtain our consent. You may not provide Services to this Franchisor until consent is obtained in writing from us.

During the term of the Franchise Agreement, you must maintain errors and omissions insurance coverage at your sole expense and under policies of insurance issued and administered by carriers approved by us in minimum amounts as we may prescribe from time to time. If we offer group insurance coverage, you must participate and pay your pro-rata share of the premium (based on the number of consultants covered, which includes you and all of your employees and associates). We do not make a profit on your purchase of insurance. We recommend that you speak with your own insurance provider to determine what, if any, other policies may be appropriate for your specific Franchised Business, which may include general liability, umbrella, automobile or other policies.

You must also purchase or lease the computer hardware and software we require for use in your Business, and use our designated vendor for your customer relationship manager (see Item 11 for further information).

Neither we nor persons affiliated with us are currently approved suppliers. Neither we, nor any of our officers, own an interest in any supplier.

We formulate and modify specifications and standards imposed upon franchisees by evaluating our prior operational experience, and the market acceptance of Franchises. We need not issue our specifications and standards to franchisees or approved suppliers, nor are criteria for supplier approval made available to franchisees. If we do issue specifications on equipment, computer hardware, or software, we will provide these specifications in written or electronic communication to you. If we designate one supplier for a particular product or service, you may not contract with another supplier for that product or service without our prior written consent. We may revoke approval for a supplier at any time by giving you written notice. We do not require you to obtain our approval for obtaining goods and services from any computer supplier. We do not charge a fee to secure approval of any supplier. If you want to contract with an alternate supplier, you must make a request in writing. We will approve or disapprove of a request to contract with an alternate supplier within 30 days of request. If you don't receive a notification from us within that 30 day period, the supplier is deemed disapproved. We may ask you to submit samples or information so that we can make an informed decision whether goods, equipment, supplies or the supplier meet our specifications and quality standards. In evaluating a supplier that you propose to us, we consider not only the quality of the particular product at issue, but also the supplier's production and delivery capability, overall business reputation and financial condition. We may provide you or any alternate supplier you propose with a copy of our then-current specifications for any product(s) you wish the supplier to supply, provided the supplier enters into a confidentiality and non-disclosure agreement in the form we specify. We may also inspect a proposed supplier's facilities and test its products, and request that you reimburse our actual costs associated with testing/inspection. If we approve any supplier, we will not guarantee your performance of any supply contract with that supplier under any circumstances. We may re-inspect and/or revoke our approval of a supplier or item at any time and for any reason to protect the best interests and goodwill of our System and Proprietary Marks. The revocation of a previously-approved product or alternative supplier is effective immediately when you receive written notice from us of revocation and, following receipt of our notice, you may not place any new orders for the revoked product, or with the revoked supplier.

We estimate that the proportion of your required purchases from suppliers approved by us to all your purchases of goods and services in establishing the Franchised Business will be approximately 2% - 10%, and in operating the Franchised Business will be approximately 1% - 5%. There are no purchasing or distribution cooperatives related to our franchisees. We do not provide any material benefit to franchisees for use of approved suppliers. Other than contracts with Franchisors, we do not negotiate purchase arrangements with our suppliers for the benefit of our franchisees. We do not currently derive revenue or receive any material benefit from any suppliers due to these suppliers' transactions with us or our franchisees.

Our net revenues in the fiscal year ending December 31, 2025, from franchisees for products or services that franchisees are required to purchase from us or suppliers approved by us, or under our specifications, was \$0, representing approximately 0% of our total revenues.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations

Before the FranNet Business opens, we are required by the Franchise Agreement to provide the following to you:

1. We will loan to you during the term of the Franchise Agreement our confidential, proprietary Systems Documentation Materials, including all system and procedures for dealing with Prospects and Franchisors (the "Operations Brand Standards Manuals", or "Manuals") (Franchise Agreement, Sections 3 and 5.2);

2. We will provide to you our initial training program (Franchise Agreement, Section 4.1); and
3. We will provide you with the specifications for your use of the Proprietary Marks (Franchise Agreement, Section 6).
4. We do not select a site for your office. You are not required to have a dedicated office separate from your home.

5. We do not provide you with opening inventory and supplies. We may provide you with designated suppliers and/or specifications for certain of these items via the Manual.

Continuing Obligations

After the FranNet Business opens, we are required by the Franchise Agreement to provide the following to you:

1. We will periodically provide you with guidance and assistance with respect to (a) the marketing of the services offered by FranNet Businesses, (b) information about the Franchisors represented by FranNet, (c) general operating procedures, and (d) changes in any of the above that occur periodically. This guidance and assistance will, in our discretion, be furnished in the form of the Operations Brand Standards Manuals, bulletins, written reports and recommendations, other written publications and materials, electronic mail and telephone consultations (Franchise Agreement, Section 5.1). We are not obligated to set the minimum and/or maximum pricing at which you must sell products and services, but we reserve the right to do so in our discretion;

2. We will pay your commissions and other compensation as set forth in Exhibit B to the Franchise Agreement (Franchise Agreement, Section 3); and

3. We will provide you with continuing training sessions (Franchise Agreement, Section 4).

Advertising Programs

FranNet Marketing Program. You must participate in the FranNet Marketing Program (“Marketing Program”) which produces leads to franchisees operating a FranNet business and conducts various marketing activities specified by the Council, including engagement of a public relations on-line service, payment of our association dues (including International Franchise Association and Canadian Franchise Association dues); maintaining, administering, directing, conducting, and preparing advertising, marketing, public relations materials, sales materials and or promotional programs and materials; and payment of other costs that the Council believes are appropriate to enhance, promote and protect the System and brand (see Items 6 and 7 for further information). (Franchise Agreement, Section 11.2.) The Marketing Program may place local, regional or national advertising and may conduct any other activity that the Council feels is an effective method to produce leads for Prospects. Since we do not operate a FranNet Business, we do not participate in the FranNet Marketing Program, except we assign one member to the Council in an advisory capacity only. We do not guarantee that you will benefit from the Marketing Program in proportion to your contributions to the Marketing Program.

The Marketing Program is administered entirely by the Council (Franchise Agreement, Section 11.2). The members of the Council are selected by vote of all franchisees. The Council has the power to decide on the use of the Marketing Program, and is advisory to us on other issues. The Council will operate under written documents which must be approved by us in advance in writing. We have no right to change or dissolve the Council. The Marketing Program may place local, regional or national advertising, and may conduct any other activity that the Council believes is an effective method to produce leads for Prospects. (Franchise Agreement, Section 11.2.3). The Council will assign all appropriate leads produced from the activities funded by the Marketing Program to the appropriate franchisee (Franchise Agreement, Section 11.3)

We may obtain leads for Prospects from the internet, print publications, Franchisors or other sources. We reserve the unconditional right to refuse to allow you to participate in the Marketing Program and the internet lead program previously described if you are in breach of the Franchise Agreement or any other agreement materially affecting us (Franchise Agreement, Section 11.4). The source of the advertising is from a national advertising agency or public relations firm. We do not intend to use any monies contributed to the Marketing Program for the solicitation of the sale of franchises.

The Marketing Program is funded by contributions from all franchisees (Franchise Agreement, Section 11.2.1). You will participate in the Marketing Program, with a monthly contribution of \$292.23 per month per person. These contribution amounts will not be increased by more than 10% total in any calendar year, unless the Council implements a program(s) causing additional fees to be paid. Certain franchisees may be required to contribute at a different rate based on the acquisition costs of leads. The Marketing Program’s financial statements will be available for review by franchisees on written request, but it will not be audited. All sums paid by you to the Marketing Program will be maintained in an account separate from our other monies and will not be used to defray any of

our expenses, except as otherwise described in Section 11.2.1 of the Franchise Agreement. We are not obligated to make expenditures for you which are equivalent or proportionate to your contribution, or to ensure that any particular franchisee benefits directly or from expenditures by the Marketing Program. It is anticipated that all contributions to and earnings of the Marketing Program fund will be expended for advertising and/or promotional purposes during the taxable year within which the contributions are made. If, however, excess amounts remain in the Marketing Program fund at the end of the taxable year, all expenditures in the following taxable year(s) will be made first out of accumulated earnings from previous years, next out of earnings in the current year, and finally from contributions. The Council will have sole discretion to establish the budget for the Marketing Program, including the monthly marketing contribution. You acknowledge that monies in the Marketing Program are not a trust or asset of ours, and that neither we nor the Council are a trustee of the Marketing Program or the monies in it or a fiduciary to you with respect to them. (Franchise Agreement, Section 11.2.1).

In the 2025 calendar year, 37.99% of the Marketing Program Funds were allocated for Operating Expenses, 31.65% for Outsourcing, 24.83% for Partnerships and Sponsorships, and 5.53% for Canada Outsourcing.

You must not solicit or accept marketing contributions, payments or support from a Franchisor (except you and a Franchisor may participate in a local event or trade show in your market and the Franchisor may contribute monetarily to that event). You must refer to us any expressions of interest, made by a Franchisor to you, for providing any marketing contributions, payments or support (Franchise Agreement, Section 11).

Advertising. Before you use or disseminate advertising and promotional materials which were not prepared or approved by us, you must submit samples of the materials to us for our review and approval. We retain the right to require that you cease using any advertising or promotional materials that violate any state or federal laws, rules or regulations or that we consider to constitute an unauthorized use of our Marks. (Franchise Agreement, Section 11). We have a “social media policy” describing how you may utilize social media websites or applications such as Facebook, LinkedIn, and Twitter in operating your FranNet Business. You must comply with our requirements in connection with your use of social media. You are not required to participate in a local or regional advertising cooperative. We are not required to spend any amount on advertising in your region.

Web Site. We will have the right, but not the obligation, to establish and maintain a Web Site (which may promote the Marks and/or the System, or serve as an intranet, extranet, or other means of electronic communication within the System). We will have the sole right to control all aspects of the Web Site, including its design, content, functionality, links to other websites, legal notices, and policies and terms of usage. We will also have the right to discontinue operation of the Web Site at any time without notice to you. Except as we otherwise approved in advance in writing, you must not establish or maintain a separate Web Site, or otherwise maintain a presence or advertise on the Internet or any other public computer network in connection with the FranNet Business. If we grant this approval, you must establish and operate the Web Site in accordance with our standards and policies provided to you in the Operations Brand Standards Manuals or otherwise in writing. (Franchise Agreement, Section 11.10).

Operations Brand Standards Manuals

You must operate the FranNet Business in accordance with the Operations Brand Standards Manuals provided to you, which will typically be provided to you in digital format. We may revise the contents of the Operations Brand Standards Manuals, and you must comply with each new or changed standard. You must at all times ensure that your copy of the Operations Brand Standards Manuals is kept current and up to date. The Table of Contents of the Operations Brand Standards Manuals is attached to this offering circular as Exhibit F. The total number of pages and the number of pages devoted to each topic are reflected in the Table of Contents. The total number of pages in the Brand Standards Manual is 114.

Operating Capital

You must maintain operating capital, including established and unused lines of credit, equal to at least \$25,000.

Typical Length of Time Between Signing Franchise Agreement and Opening Franchised Business

We anticipate the typical length of time between signing the Franchise Agreement or the first payment of consideration for the Franchised Business and opening a FranNet Business will be 90 days. The factors that affect this time are your ability to complete the initial required training course to our satisfaction.

Training Program

Within 3 months of signing the Franchise Agreement and before you commence operation of your FranNet Business, you and your associates or employees whose responsibilities include communicating or meeting with Prospects must attend and complete, to our satisfaction, our initial training program concerning the System and the operation of a FranNet Business. The initial training program will consist of approximately 5 days of training and will take place at our training facility in Bee Cave, Texas, or another city designated by us. We reserve the right to offer any portion of the initial training program virtually or otherwise via remote learning. Instructional materials for the training program are course material, software instruction, office management material, and other promotional literature. Training programs are conducted every quarter on an as-needed basis. All training will be conducted by an experienced employee of FranNet or a franchisee, and also may be performed by third parties, such as a business coach. Each instructor will have a minimum of 5 years' experience in the subjects they are teaching and as an employee of FranNet, as a FranNet franchisee, or as a business coach. Our supervising instructors are Merri Cronk, who has 21 years of experience, and Karen Anderson, who has 15 years of experience.

All of your employees and associates whose responsibilities will include communicating or meeting with Prospects must also attend and complete the initial training program to our satisfaction before the employee's or associate's communication or meeting with any Prospect. We may provide you with optional continuing training sessions at our training facility in Bee Cave, Texas, or other locations we may designate from time to time. In addition, you and any of your employees or associates who meet with Prospects must attend at least one FranNet National Meeting for Franchisees annually.

For all training programs, seminars and meetings required by the Franchise Agreement, you will be responsible for (1) any training fee imposed by us or a third-party providing training to you, your employees, and associates, and (2) any and all expenses incurred by you, your employees, and associates in attending these programs and seminars, including the costs of transportation, lodging, meals, and wages.

In addition to our initial training program detailed in the chart above, you will be required to complete a third-party sales training course ("Sandler Training") within six months of opening for business. The tuition cost to attend Sandler Training is \$1,950 per attendee. Sandler Training is a virtual, 9-week training program; however, it may also be made available via a 2-day, in-person bootcamp in Cleveland, Ohio. If you elect to attend in person rather than virtually, you will also incur additional costs and expenses for travel and lodging.

We may, as we deem appropriate in our discretion, develop additional and refresher training courses, and require you to attend such courses. You will be required to pay our then-current additional training fee (as well as any other expenses incurred in connection with such additional training).

Computer Hardware/Software

You must maintain a laptop or comparable computer with reliable high-speed Internet access capable of supporting our systems and electronic communications. You are responsible for installing, maintaining, and upgrading your computer hardware and software as reasonably necessary to operate the FranNet Business and to communicate with us. There are no limitations on the cost and frequency of upgrades of the computer hardware or software. You are not required to purchase any maintenance or support contracts for your computer system.

We currently require that you use our designated vendor for customer relationship management software. We do not provide, maintain, or have independent access to your computer hardware or software. You are not required to purchase maintenance or support contracts for your computer system. You are not required to upgrade computer hardware or software unless changes we require result in your inability to communicate with us. The cost of computer hardware and software will vary depending on the equipment you already own and market conditions.

ITEM 12 **TERRITORY**

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

You do not receive and FranNet does not grant you an exclusive or protected territory or trading area. Except as set forth below, you may work with any Prospect regardless of their domicile and may solicit or accept orders from Prospects via the internet, catalog sales, telemarketing or other forms of direct marketing. Certain FranNet franchisees have franchise agreements that provide for exclusive or protected territories that will prohibit you from working with Prospects who reside in those territories. FranNet will maintain a list of franchisees which have territorial restrictions and the scope of those restrictions.

You must meet the annual minimum production schedule as a quota, which will be specified in your Franchise Agreement as a dollar amount or number of deals. In the event that you do not meet the production schedule, at our option, we will have the right to any or all of the following remedies: (1) suspend our performance and obligations under the Franchise Agreement; (2) require payment of the shortfall amount as well as a fee of ten percent (10%); and/or (3) upon 30 days' prior notice, terminate the Franchise Agreement. You are required to meet your quota throughout the term of the Franchise Agreement, regardless of whether you have a period of inactivity due to health or other issues.

You may work with any Prospect referred to you by a friend, relative, or other prior relationship, regardless of their domicile. FranNet maintains relationships with certain national and/or local market sources ("National Relationships") and that leads generated through National Relationships are subject to FranNet's National Relationship lead policy described in the Operations Brand Standards Manuals or otherwise in writing from time to time. Currently, these policies provide that if a virtual prospect resides in the exclusive or protected territory of a participating legacy franchisee, you will remit to such franchisee, or we may withhold from you and pay on your behalf, a referral fee equal to 10% of the Commission (the "Referral Fee") when a deal is closed with such virtual prospect. However, we agree that you will not be required to pay the Referral Fee and that we will make such Referral Fee payment on your behalf from our own funds. All purchased leads, and all other leads that we generate from the internet, will be routed through our leads disbursement system in accordance with our internet lead policy described in the Operations Brand Standards Manuals or otherwise in writing from time-to-time, except those specifically restricted.

No more than one FranNet franchisee may participate in job fairs, expos or other similar marketing opportunities. You may not participate in any job fair, expo or other similar marketing opportunity that is within the protected territory of legacy franchisee. If you wish to exhibit in a job fair, expo, or other similar marketing opportunity, you must first verify that no other FranNet franchisee as registered to exhibit or participate in such opportunity. You are encouraged to enlist the participation of other FranNet franchisees to share the cost of these events.

We retain the following rights, through affiliates or directly, to: (1) sell (or authorize others to sell) services that are competitive with the Services authorized for FranNet Businesses, including through businesses using the Marks, regardless of its proximity to you; (2) operate and grant to others the right to operate FranNet Businesses regardless of its proximity to you; (3) sell (or authorize others to

sell) Services through other channels of distribution to Franchisors, which may include via the Internet; and (4) engage in all other activities that the Franchise Agreement does not expressly prohibit. You will not be compensated for any of these activities.

As described in Item 1, our Predecessors entered into various business arrangements with independent associates who operate under the name “FranNet” and provide franchise-consulting services. To some extent, you may have to compete with these associates. We have not established, nor do we presently intend to establish, other franchises or company-owned outlets, or other channels of distribution selling or leasing similar products or services under a different trade name or trademark; but, we retain the right to do so without providing any compensation to you. Neither we nor our affiliates are restricted from establishing other franchises or company-owned outlets or other channels of distribution selling or leasing similar products or services under the Marks or a different mark.

ITEM 13 **TRADEMARKS**

You will be granted the right, by the Franchise Agreement, to establish and operate a Franchised Business under the Mark “FranNet” and other trademarks, trade names, and service marks as we may designate as part of the System (collectively, the “Marks”).

We have registered the following Marks on the Principal Register of the United States Patent and Trademark Office (“USPTO”) the following mark:

FRANNET, LLC
FRANCHISE AGREEMENT

This Agreement is entered into as of _____, 20__ (“Effective Date”). The parties to this Agreement are you, _____ as Franchisee, and us, FRANNET, LLC, as Franchisor, a New Jersey limited liability company, with our principal office at 6844 Bardstown Road, Unit 645, Louisville, KY 40291.

1 INTRODUCTION

This Agreement has been written in an informal style to make it more easily understandable and to help you become thoroughly familiar with all of the important rights and obligations contained in this Agreement before you sign it. In this Agreement, we refer to FRANNET, LLC as “we”, “us” or “ourselves”, or in some cases as “FranNet” or the “Franchisor.” We refer to you as “you” or in some cases as “Franchisee.”

We are engaged in the business of consulting with and representing franchisors, potential franchisors, licensors, and other business opportunity companies (all of which we refer to as “Franchisors”) in connection with the sale of their franchises, business opportunities, licenses and existing resales of same (all of which we refer to as “Franchise” or “Franchises”). In the course of conducting our business, we recruit and meet with potential franchisees (“Prospects”) and exchange information with them to help determine what type of Franchise and which Franchisors may be most suitable.

Through the expenditure of considerable time and effort, we have acquired experience, skills, methods, techniques and knowledge relating to the representation of Prospects of Franchises as well as the growth and development of Franchisors identifying, evaluating and introducing Prospects (the “Services”), and have developed methods, formats and procedures (all of which we refer to as the “System”). We identify FranNet and various components of the System by certain trademarks, service marks and other commercial symbols, including the mark “FranNet” (which we refer to as the “Marks”). The businesses which offer the Services and such other related programs and services as we designate from time to time under the Marks are known, and referred to in this Agreement, as “FranNet Businesses.” We may, in the future, develop, enhance or modify various aspects of the System or adopt other trademarks, service marks or other commercial symbols which you must use as a Franchisee.

You recognize the benefits derived from being identified with us, and acknowledge and appreciate the distinctive and valuable significance to the public of the System and the Marks and understand the importance of our high and uniform standards of quality, appearance, and service to the value of the System.

2 GRANT OF FRANCHISE

2.1 Grant

Subject to the provisions of this Agreement, we grant to you a license the “Franchised Business” or “your Franchise”) to operate a FranNet Business (the “Business” or “your Business”).

2.2 Term of Franchise

You will have the right to use the Marks and the System in the operation of your Business for a term of ten (10) years, beginning on the Effective Date of this Agreement (the “Effective Date”) subject to your rights to enter into a successor Franchise Agreement as described in Section 16. Termination or expiration of this Agreement will constitute a termination or expiration of your license. The license granted to you by this Agreement is for the opportunity to operate your Business and to use the Marks and the System only for the purpose of operating a FranNet Business.

FranNet will maintain a list of franchisees which have territorial restrictions and the scope of those restrictions. You agree to comply with FranNet’s restrictions as updated from time-to-time.

You may work with any Prospect referred to you by a friend, relative, or other prior relationship, regardless of their domicile. You agree and acknowledge that FranNet maintains relationships with certain national and/or local market sources (“National Relationships”) and that leads generated through National Relationships are subject to FranNet’s National Relationship lead policy described in the Operations Brand Standards Manuals or otherwise in writing from time to time. 2.5 Our Territorial Restrictions

Regardless of any of the foregoing, we retain the following rights, through affiliates or directly, without granting any rights to you, to:

If you wish to have additional consultants complete the initial training program, you will incur an additional training fee of \$2,500 per consultant. You will pay to us ongoing periodic premiums for your pro-rata share (based on the number of Franchisees, employees and associates/independent contractors covered) of premiums for errors and omissions insurance coverage, if we offer group coverage for such insurance as described in Section 10.3 below. The first premium is due on the 1st of the calendar month following the month when you complete initial training. Premiums not paid within ten (10) days of the due date will be subject to a late fee equal to the lesser of: ten percent (10%) of the delinquent amount or the highest applicable legal rate for open account business credit in your state. You acknowledge that your failure to pay all amounts when required under this Agreement shall constitute grounds for termination of this Agreement. The current pro rata charge per franchisee/employee/associate for 2026 is \$523. You will be charged \$523 multiplied by the number of consultants in your office (including you and all of your employees and associates/independent contractors) as of January 1, 2026. 9.6 Services Approved by Council

In addition to the monthly marketing fees described above, there may be services utilized by you which may be recommended or required by the Council for marketing purposes, in accordance with its policies and procedures. You agree that you will operate your Business in accordance with our standards and consistent with the image of a FranNet Business as a professional and efficiently operated business. Mandatory standards and operating procedures we prescribe from time to time for FranNet Businesses in the Operations Brand Standards Manuals, or otherwise communicate to you in writing, will constitute provisions of this Agreement as if fully set forth in this Agreement.

10.2 Compliance with Laws and Good Business Practices

10.3 Insurance

During the term of this Agreement, you must maintain errors and omissions insurance coverage at your sole expense and under policies of insurance issued and administered by carriers approved by us. The insurance policies must name FranNet LLC as an additional insured and must provide coverage for anyone in your office that works with Franchisors or Prospects. The policy must provide not less than ten (10) days' notice of cancellation or non-renewal to us. We will attempt to arrange group policies providing errors and omissions insurance coverage. If we offer group coverage, you must participate and pay your pro-rata share of the premium (based on the number of consultants covered, including franchisees, their employees and associates). Such insurance coverage shall be maintained in such minimum amounts as we prescribe. We may periodically increase or decrease the amounts of coverage and require different or additional kinds of insurance at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances. If you do not maintain the required insurance coverage, we may obtain, at our option and in addition to our other rights and remedies under this Agreement, any required insurance coverage on your behalf and at your cost.

10.4 Production Schedule

You are required to meet the minimum production schedule as an annual quota, as described in Exhibit "B." In the event that you do not meet the commission quota in any period, at our option, we have the right to any or all of the following remedies: (1) suspend our performance and obligations under the Franchise Agreement; (2) require payment of the shortfall amount as well as a fee of ten percent (10%); and/or (3) upon 30 days' prior notice, terminate the Franchise Agreement. All sums paid by you to the Marketing Program will be maintained in an account separate from our other monies and will not be used to defray any of our expenses, except as otherwise described herein. We are not obligated to make expenditures for you which are equivalent or proportionate to your contribution, or to ensure that any particular franchisee benefits directly or from expenditures by the Marketing Program. It is anticipated that all contributions to and earnings of the Marketing Program fund will be expended for advertising and/or promotional purposes during the taxable year within which the contributions are made. You acknowledge that monies in the Marketing Program are not a trust or asset of ours, and that neither we nor the Council are a trustee of the Marketing Program or the monies in it or a fiduciary to you with respect to them. The Marketing Program’s financial statements will be available for review by franchisees on written request, but the financial statements will not be audited.

11.1.2 Franchisee Participation. You will participate in the Marketing Program, with a monthly contribution, currently Two Hundred Ninety-Two Dollars and Twenty-Three Cents (\$292.23) per consultant in your office (you and any of your employees and independent contractors/associates), for each month as described in this Section 11.2. Said contribution amounts will not

be increased by more than ten percent (10%) total in any calendar year, unless the Council implements a program(s) causing additional fees to be paid. You shall make payment for the upcoming month directly to the Marketing Fund for the Marketing Program by the 1st day of each month beginning with the first month following your completion of the initial training program and continuing for the duration of the term hereof. Payments are considered late if received after the first (1st) day of such month. If any payment is late, we will have the right, in addition to our other rights and remedies hereunder, to deny you access to any and all leads, programs and/or materials created by, and benefits of, the Marketing Program until such payment has been made. The Council shall have sole discretion to establish the budget for the Marketing Program, including the monthly marketing contribution.

11.1.3 Current Status. The Marketing Program may place local, regional or national advertising, and may conduct any other activity that the Council feels is an effective method to produce leads for Prospects.

11.2 Additional Marketing Programs

In addition to your participation in the Marketing Program described above, you must expend a minimum of \$5,000 on marketing in your first year of operations. You must obtain our approval of all marketing items, methods and media you use in connection with such marketing. We reserve the right to require you to conduct this marketing in a manner, or through vendors, that we direct from time-to-time.

11.3 Lead Generation/Lead Assignment

You must comply with our marketing and lead generation policies as described in the Operations Brand Standards Manual or in other communication from us to you, including but not limited to, policies relating to marketing and lead generation from seminars, webinars, trade shows, the internet, and personal referrals. Currently, these policies provide that if a virtual prospect resides in the exclusive or protected territory of a participating legacy franchisee, you will remit to such franchisee, or we may withhold from you and pay on your behalf, a referral fee equal to 10% of the Commission (the "Referral Fee") when a deal is closed with such virtual prospect. However, we agree that you will not be required to pay the Referral Fee and that we will make such Referral Fee payment on your behalf from our own funds. No more than one FranNet franchisee may participate in job fairs, expos or other similar marketing opportunities. You may not participate in any job fair, expo or other similar marketing opportunity that is within the protected territory of legacy franchisee. If you wish to exhibit in a job fair, expo, or other similar marketing opportunity, you must first verify that no other FranNet franchisee is registered to exhibit or participate in such opportunity. You are encouraged to enlist the participation of other FranNet franchisees to share the cost of these events.

11.4 Program Changes

The Council will operate pursuant to written governing documents which must be approved in advance by us in writing. We reserve the unconditional right to refuse to allow you to participate in the Marketing Program and the internet lead program described above, if you are in breach of this Agreement (including without limitation late payments hereunder) or any other agreement materially affecting us.

11.5 Non-Solicitation

You expressly agree that you will not solicit or accept marketing contributions, payments or support from a Franchisor, except that nothing herein shall prevent you and a Franchisor from agreeing to participate in a local event or trade show and with the Franchisor contributing monetarily to that event. Any expressions of interest, made by a Franchisor to you, for providing any such marketing contributions, payments or support will be referred by you to us.

11.6 Separate Identity

If you use the System or the Marks to sell a franchise not approved by Franchisor; to resell an existing franchise; or in any way use the Mark or System for any other purpose, including, but not limited to, consulting, you must pay us a percentage of the fee earned in an amount not less than the fee on the Commission Schedule.

11.7 Approval of Promotional Materials Required

Before you use or disseminate advertising and promotional materials which were not prepared or approved by us, you must submit samples of such materials to us. 11.8 Approval of Franchisors Required

Regional or local opportunities may arise where a Franchisor not yet ready to be considered for our national inventory, or which may have a specific market need, may come to your attention. Before you may provide Services to this Franchisor, you must request and seek consent from us. You may not provide Services to this Franchisor until consent is obtained in writing from us and our Vice President of Operations. Once approved, you may represent this Franchisor as if within our national inventory and derive the same fees for the same services. You acknowledge and agree that your failure to comply with the provisions of this Section 11.8 shall constitute a material breach of this Agreement.

11.9 Website

11.9.1 You specifically acknowledge and agree that any Web Site (as defined below) will be deemed “advertising” under this Agreement, and will be subject to (among other things) our approval under Section 11.7 above. As used in this Agreement, the term “Web Site” means an interactive electronic

- 11.9.2 We will have the right, but not the obligation, to establish and maintain a Web Site (which may, without limitation, promote the Marks and/or the System, or serve as an intranet, extranet, or other means of electronic communication within the System). We will have the sole right to control all aspects of the Web Site, including without limitation its design, content, functionality, links to other websites, legal notices, and policies and terms of usage. We will also have the right to discontinue operation of the Web Site at any time without notice to you.
- 11.9.3 Except as approved in advance in writing by us, you must not establish or maintain a separate Web Site, or otherwise maintain a presence or advertise on the Internet or any other public computer network in connection with the Business. Upon the expiration or earlier termination of this Agreement, you must promptly return the Software to us. You may not retain any copies of the Software. You and we may each maintain a copy of the Contact Information. Notwithstanding the foregoing, in the event you transfer the Franchise Agreement in compliance with Section 13 below, you may transfer the right to use the Software and the Contact Information to an approved transferee, subject to our continuing rights therein. You must pay us \$233.33 per calendar month, in advance, for use of the Software. We reserve the right to increase this fee. If you wish to open more than two email accounts, you will be required to pay us the then-current monthly fee

for each additional account.

11.10.2 We reserve the right to suspend your use of the Software, including but not limited to your email account, microsite, and Software logins for non-payment of fees in a timely manner as outlined in this agreement or for non-compliance with providing insurance certificates, seller disclosure forms, or W-9 forms as requested.

Therefore, except as otherwise specifically provided herein, neither this Agreement (or any interest in it), any material asset nor any part or all of the ownership of your Business may be transferred without our prior written approval, and any such transfer without our approval shall constitute a breach of this Agreement and convey no rights or interests.

The transfer will be subject to all of the terms and conditions for transfers under Section 13.3 of this Agreement.

13.5 Effect of Consent to Transfer

Our consent to a proposed transfer pursuant to Section 13 of this Agreement will not constitute a waiver of any claims we may have against you, nor will it be deemed a waiver of our right to demand exact compliance with any of the terms or conditions of this Agreement by any transferee.

13.6 Addition of Additional Sales Personnel by You

You may add additional sales personnel in if they (a) enter into a written agreement acceptable to us, protecting our Confidential Information; and (b) complete training to our satisfaction and adhere to professional standards as required by us in the Brand Standards Manuals.

If any such default is not cured within the specified time, or such longer period as applicable law may require, this Agreement shall terminate without further notice to you, effective immediately upon the expiration of the applicable cure period or such longer period as applicable law may require. Defaults which are susceptible of cure hereunder include the following illustrative events:

The parties consider this liquidated damages provision to be a reasonable, good faith, estimate of those damages. This provision only covers FranNet's damages from the loss of revenue, it does not cover any other damages, including damages to FranNet's reputation with the public or franchisors and damages arising from a violation of any provision of this Agreement. You and each of your owners agree that the liquidated damages provision does not give FranNet an adequate remedy at law for any default under, or for the enforcement of, any provision of this Agreement other than the loss of Gross Consulting Income less the commissions payable to you.

15 RIGHTS AND OBLIGATIONS UPON TERMINATION OR EXPIRATION OF THE FRANCHISE

15.1 Payment of Amounts Owed to Us

You agree to pay us within fifteen (15) days after the effective date of termination or expiration of this Agreement, or any later date that the amounts due to us are determined, any fees and other amounts owed to us or our affiliates which are then unpaid.

15.4 Continuing Obligations

All obligations under this Agreement (whether yours or ours) which expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect after and notwithstanding its expiration or termination until they are satisfied in full or by their nature expire. You will also be responsible for insuring that all of your employees and independent contractors comply with all of the post-termination obligations contained in this Agreement.

15.5 Non-Competition Covenant

- 15.5.1 During the term of this Agreement, you agree that neither you nor any member of your immediate family will (except with our written consent) maintain any direct or indirect ownership interest in or business affiliation with, or provide any services to, any entity that operates a similar business in the United States or Canada;

You will account for and pay the 10% of post-termination gross revenues to FranNet on the fifteenth day of each month on the post-termination gross revenues of the competitive business during the previous month. FranNet will have the right to audit the books and records of the competing business to confirm your compliance with this Section 15.5.3, upon notice to you.
- 15.5.4 The parties agree that each of the forgoing covenants are construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section is held unreasonable or unenforceable by a court or agency having valid jurisdiction in any unappealed final decision to which FranNet is a party, you expressly agree to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law as if the resulting covenant were separately stated in and made a part of this Article 15.5.

- 15.5.5 You acknowledge that any threatened or actual failure to comply with the requirements of this Section 15 would cause FranNet to suffer immediate and irreparable harm for which no adequate remedy at law may be available, and you hereby consent to the *ex parte* entry of an injunction, without bond, prohibiting any conduct by you in violation of this Section 15. FranNet may further avail itself of any other legal or equitable rights and remedies which it may have under this Agreement, statute, common law, in equity, or otherwise.

16 SUCCESSOR FRANCHISE

Provided you have a history of compliance with this Agreement, and in the absence of bona fide defaults by you for two (2) years, you have the right, subject to our consideration and your compliance with this Section, to enter into a successor franchise for an unlimited number of successor terms of five (5) years each, upon expiration of the then-current Franchise Agreement. You will be required to (a) execute our then-current form of successor Franchise Agreement and all other agreements and documents then customarily used by us in the grant of franchises for FranNet Businesses, (b) execute a general release of all claims against us, and (c) pay a successor franchise fee in an amount equal to twenty-five percent (25%) of our then-current initial franchise fee (or, if no franchises are then being offered, twenty-five percent (25%) of the initial franchise fee most recently charged). In determining your compliance history, we will consider a variety of factors, including whether you have substantially complied with the terms of this Agreement, and have paid all monies owed to us and our affiliates. In our discretion, we may waive our requirement that no defaults have occurred within the past two years. You must request the successor franchise not more than one hundred eighty (180) days and not less than sixty (60) days before the expiration of the then-current Franchise Agreement.

17 MISCELLANEOUS

17.1 Severability and Substitution of Valid Provisions

Except as expressly provided above, each section, paragraph, term, and provision of this Agreement, and any portion thereof, will be considered severable and if for any reason any such provision of this Agreement is held to be invalid, contrary to or in conflict with any applicable present or future law or regulation, that ruling will not impair the operation of, or have any other effect upon, such other portions of this Agreement as may remain otherwise intelligible, which will continue to be given full force and effect and bind the parties to this Agreement. If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination of or refusal to renew this Agreement than is required under this Agreement, or the taking of some other action not required under this Agreement, we will have the right, in our sole discretion, to modify such invalid or unenforceable provision to the extent required to be valid and enforceable.

17.2 Waiver of Obligations

No failure by us to take action on account of any default by you, whether in a single instance or repeatedly, will constitute a waiver of any such default or the performance required of

you. Our failure or election not to enforce any term of this Agreement against one or more of our franchisees will not be deemed a waiver of any of your obligations under this Agreement. No express waiver by us of any provision or performance hereunder or of any default by you will be construed as a waiver of any other or future provision, performance or default.

17.3 Mediation

You must first bring any claim or dispute between you and us to our management, after providing notice to us, and make every effort to resolve the dispute internally. You must exhaust this internal dispute resolution procedure before you may bring your dispute before a third-party. This agreement to first attempt resolution of dispute internally shall survive termination or expiration of this Agreement.

At our option, all claims or disputes between you and us (or our affiliates) arising out of, or in any way relating to, this Agreement or any other agreement by and between you and us (or our affiliates), or any of the parties' respective rights and obligations arising from such agreement, which are not first resolved through the internal dispute resolution procedure set forth herein, will be submitted first to mediation to take place in the city and state where our current headquarters are located and under the auspices of the American Arbitration Association ("AAA"), in accordance with AAA's Commercial Mediation Rules then in effect. Before commencing any legal action against us or our affiliates with respect to any such claim or dispute, you must submit a notice to us, which specifies, in detail the precise nature and grounds of such claim or dispute. We will have a period of thirty (30) days following receipt of such notice within which to notify you as to whether we or our affiliates elect to exercise the option to submit such claim or dispute to mediation. You may not commence any action against us or our affiliates with respect to any such claim or dispute in any court unless we fail to exercise our option to submit such claim or dispute to mediation, or such mediation proceedings have been terminated either: (i) as the result of a written declaration of the mediator(s) that further mediation efforts are not worthwhile; or (ii) as a result of a written declaration by us. Our right to mediation, as set forth herein, may be specifically enforced by us. Each party will bear its own cost of mediation and we will share mediator fees equally. This agreement to mediate will survive any termination or expiration of this Agreement. The parties will not be required to first attempt to mediate a controversy, dispute, or claim through mediation as set forth herein if such controversy, dispute, or claim concerns an allegation that a party has violated (or threatens to violate, or poses an imminent risk of violating): (i) any federally protected intellectual property rights in the Proprietary Marks, the System, or in any Confidential Information or other confidential information; (ii) any of the restrictive covenants contain in this Agreement; and (iii) any of your payment obligations under this Agreement.

17.4 Cumulative Remedies

The rights and remedies specifically granted by this Agreement to either party will not be deemed to prohibit either party from exercising any other right or remedy provided under this Agreement or permitted by law or equity.

17.5 Costs and Attorneys' Fees

You must promptly reimburse us for all expenses (including accounting, attorneys', expert witness and arbitrators' fees and costs) incurred by us (a) to remedy any of your defaults of, or enforce any of our rights under, this Agreement; (b) to effect termination of this Agreement; and (c) to collect any amounts due under this Agreement.

If two or more persons are at any time franchisees under this Agreement, whether or not as partners or joint venturers, their obligations and liabilities to us are joint and several. Time is of the essence in this Agreement. Both parties may execute multiple copies of this Agreement, and each executed copy will be deemed an original.

COMMISSIONS AND OTHER COMPENSATION

You will be paid a commission by us subject to any off-set as a deduction owed to us by you, based on the Gross Consulting Income received by us due to your efforts, on the following terms, conditions and schedule:

- a. **Standard Engagement Income.** For any Gross Consulting Income produced by you from the activity of referring a Prospect to a Franchisor, who subsequently enters into a Franchise Agreement with that Franchisor and, as a result, a referral fee is paid to Us, you will receive a commission as follows for the Engagements or Gross Consulting Income attributable to you from such transaction during any calendar year. On any Gross Consulting Income produced by you up to \$500,000 during any calendar year, you will receive a commission of 90% of the Gross Consulting Income paid to Us. On any Gross Consulting Income produced by you that is more than \$500,000 and up to \$750,000 during any calendar year, you will receive a commission of 95% of the Gross Consulting Income paid to Us. On any Gross Consulting Income produced by you in excess of \$750,000 and up to \$1,000,000 during any calendar year, you will receive a commission of 97.5% of the Gross Consulting Income paid to Us. On any Gross Consulting Income produced by you in excess of \$1,000,000 during any calendar year, you will receive a commission equal to 100% of the Gross Consulting Income paid to Us.
- b. **Royalty Engagement Income.** You will receive fifty percent (50%) of the Gross Consulting Income from a Percentage of Royalties ("Residual Fees")
- c. **Other Income.** Any Gross Consulting Income produced by you that is based on any activities other than those listed above will generate a commission being paid to you of seventy-five percent (75%) of the Gross Consulting Income from that source.
- d. **Income Recognized as Received.** The commission that we pay you will be based on Gross Consulting Income received by us. We will not use any form of accrual accounting to recognize Gross Consulting Income that may be due and payable at some future date in determining the commissions to you. Any commission payable to you based on the above, shall be vested and will be payable upon receipt by us, even if the Gross Consulting Income is received by us after the termination of this Agreement. Notwithstanding the foregoing, in the event, in any calendar year, the total of such commissions is less than One Thousand Dollars (\$1,000.00), we will no longer have any obligation to continue making future payments under this provision.
- e. **Refunds.** A Franchisor may elect, in certain cases, to refund part or all of the fees paid to it by a Prospect referred to the Franchisor by you. As a result, we may be obligated to refund all or part of the Gross Consulting Income paid to it. In such event, we will compute the percentage of refund as it applies to the Gross Consulting Income it receives on the referral. You agree that you will immediately repay us this same percentage of the commission it received on the referral or, in the event there are other commissions payable to you, authorize us to offset that amount against your payment of commissions.

f. Collection of Gross Consulting Income. In the event Gross Consulting Income is due you from a Franchisor as a result of you referring a client to that Franchisor, and the Franchisor fails to make those payments then we, with your assistance, will take whatever action we deem necessary to collect those monies. We have no obligation to commence legal proceedings against a Franchisor to recover monies owed by a Franchisor to you or us. However, to the extent those collection activities require the expenditure of funds, it is only the net amount collected by us (the “Net Gross Consulting Income”) which shall be used as the basis of commissions payable to you, if it is collected by us.

Independent Auditors' Report

To the Members of
FranNet, LLC and Subsidiary

Opinion

We have audited the accompanying consolidated financial statements of FranNet, LLC and Subsidiary (New Jersey corporations), which comprise the consolidated balance sheets as of December 31, 2025 and 2024, and the related consolidated statements of income and changes in members' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of FranNet, LLC and Subsidiary as of December 31, 2025 and 2024, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of FranNet, LLC and Subsidiary and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FranNet, LLC and Subsidiary's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FranNet, LLC and Subsidiary's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FranNet, LLC and Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

FRANNET, LLC AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note 1. Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations:

The consolidated financial statements include the accounts of FranNet, LLC and its subsidiary ZorNetwork, LLC (herein referred to as the “Company”). Intercompany transactions and balances have been eliminated in the consolidation.

FranNet, LLC and ZorNetwork, LLC are limited liability companies organized in the state of New Jersey. The Company offers licenses to operate new FranNet franchises and conversion licenses to existing FranNet businesses. FranNet businesses offer specialized franchise-consulting services to franchisors, potential franchisors, licensors, and other business opportunity companies in connection with the sale (or resale) of their franchises, licenses, and business opportunities. ZorNetwork, LLC, was organized during 2015 as a separate entity for franchise sales and development and was owned by FranNet, LLC. During the year ended 2024, management made the decision to cease ZorNetwork, LLC operations.

The Company, as franchisor, offers five and ten-year nonexclusive franchise agreements which are sold at fees ranging from \$5,000 to \$10,000. As of December 31, 2025 and 2024, the Company had 40 and 41 FranNet franchisees, respectively. The agreements may be extended for an unlimited number of successor terms of five or ten years each. The agreements provide the license to offer consulting services to franchisors, potential franchisors, licensors, and other business opportunity companies in connection with the sale of their franchises, business opportunities, licenses and existing resales. When an individual franchise is sold, the Company agrees to provide certain services to the licensee. Generally, these services include training, operational guidance and operation manuals, and provide specification for the Marks - certain trademarks, service marks and other commercial symbols, including the mark “FranNet.” As provided in the agreements, the franchisees make payments to the Company for license fees, insurance premiums and other services provided by the Company. The Company may terminate an agreement if the franchisee fails to comply with any of its provisions. A one-year non-competition provision in the agreements becomes effective upon termination or expiration.

Summary of significant accounting policies:

This summary of significant accounting policies of the Company is presented to assist in understanding the Company’s consolidated financial statements. The consolidated financial statements are representations of the Company’s management who is responsible for the integrity and objectivity of the consolidated financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the consolidated financial statements.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Basis of accounting:

The Company uses the accrual method of accounting for reporting income and expenses. Under this method, income is recorded as it is earned and expenses are recorded as incurred, resulting in proper matching of income and expenses to determine net income for a specific period of time.

Use of estimates:

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash, cash equivalents, and restricted cash:

All highly liquid investments with a maturity of three months or less when purchased are considered cash equivalents. There are no cash equivalents as of December 31, 2025 and 2024.

The Company is required to maintain, in a separate account, the quarterly contributions of the licensees for the marketing program. The funds are restricted for use for advertising and/or promotional purposes.

Contracts receivable:

Contracts receivable represent contract assets and consist of amounts due from franchise-consulting services provided to franchisors. Contracts receivable are reported on the balance sheet at historical value adjusted for any charge offs and the allowance for credit losses. Contract receivables are charged off in the period in which they are deemed to be uncollectible. The allowance for credit losses reflects management's best estimate of probable losses determined on the basis of historical collection experience, known troubled accounts and current economic conditions. There were no credit losses recorded for the years ending December 31, 2025 and 2024. Additionally, at December 31, 2025 and 2024, management determined that no allowance for credit losses was necessary.

In estimating expected credit losses for current contracts receivable, the Company elected the practical expedient in ASU 2025-05, *Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses for Accounts Receivable and Contract Assets For Private Companies and Certain Not-For-Profit Entities*, to assume current conditions persist throughout the forecast period, rather than developing complex reasonable and supportable forecasts.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Property and equipment:

Property and equipment are stated at cost. Expenditures for additions are capitalized; expenditures for maintenance and repairs will be charged to expense as incurred. Depreciation is provided using the straight-line method over the estimated useful lives of the assets. The estimated useful lives are as follows:

Furniture and equipment	3-10 years
Leasehold improvements	5-39 years
Software	3 years

The Company's policy is to expense assets costing \$1,000 or less. Upon retirement or disposal of assets, the cost and accumulated depreciation are eliminated from the accounts and the resulting gain or loss is credited or charged to operations.

Goodwill and intangibles:

The Company accounts for acquisitions of businesses that occur from time to time in accordance with accounting principles generally accepted in the United States of America. Intangibles acquired in such transactions that have a determinable life, such as trademarks, are amortized over the remaining useful life of each, which range from 2 - 8 years. Goodwill from such acquisitions represents the excess of the cost of a business acquired over the net of the amounts assigned to assets acquired and liabilities assumed. Amounts assigned to goodwill are based on independent appraisals or internal estimates. Goodwill is not amortized and is evaluated annually or whenever there is a triggering event for any impairment loss.

Deposits and deferred revenue:

Deferred revenue represents amounts received under various contracts in advance of providing the services, as well as deposits on the spring meeting.

Revenue recognition:

Contract revenue is derived principally from the following:

Commission income – revenues from commissions which are fees paid by third-party franchisors when a prospect has entered a franchise agreement;

Meeting income and marketing income – revenues from marketing services provided and training meetings held for individuals associated with FranNet;

Franchisor membership and Zor admin income – revenue from five or ten year license agreements with individuals who license the ability to offer franchising services on behalf of FranNet as well as administrative services provided to the franchisors;

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Residual and retainer income – revenue from monthly retainers paid by franchises and residual revenue from those retainers;

Subscription income – revenue from providing data to franchisors Franchise Sales Organizations to aid in territory management and lead nurturing;

Referral and lead income – revenue from providing franchise referrals or leads to other companies;

Training income – revenue generated from training FranNet associates.

Generally, contracts contain one performance obligation for a set fee. Performance obligations include the delivery of franchising services, stake in a franchise, and marketing and training services provided to franchisors.

The Company has determined that the nature, amount, timing and uncertainty of contract revenues and cash flows are affected by the economy, public health regulations, and general industry environment. The opening balances of contracts receivable for the years ended December 31, 2025 and 2024 were \$290,112 and \$611,807, respectively. The opening balances of deferred revenue were \$316,688 and \$430,448 for the years ended December 31, 2025 and 2024, respectively.

Revenue recognized over time

The Company recognizes the revenue from FranNet franchise license fees over time as performance obligations are satisfied; such revenue is included with other income in the consolidated financial statements. The transaction price is based on the terms of the contracts and is the amount of consideration the Company expects to be entitled in exchange for services rendered. Revenue is derived from five or ten year contracts where services are provided to licensees for the entire contract period and is included in the residual and retainer income on the consolidated statements of income and changes in members' equity. Revenue is recognized on a straight line method over the course of the contract, as management believes this to be the best measure of progress on the contract. Contract amounts are billed monthly as services are provided. The consolidated balance sheets as of December 31, 2025 and 2024 have \$67,271 and \$71,203, respectively, of unearned revenue related to these contracts in deposits and deferred revenue.

Revenue recognized at a point in time

The Company recognizes the revenue from all other sources at a point in time when the services are provided to the customers, satisfying the performance obligation. The transaction price is based on contracted rates at the time the services are provided. Amounts are typically billed at the time the service is provided and is generally due within 10 days of billing.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The following table disaggregates the Company's contract revenue based on the timing of satisfaction of performance obligations for the year ended December 31:

	<u>2025</u>	<u>2024</u>
Performance obligations satisfied over time	.17%	.27%
Performance obligations satisfied at a point in time	99.83%	99.73%

Advertising:

Advertising costs are charged to expense as incurred. Total advertising costs charged to expense for the years ended December 31, 2025 and 2024 was \$119,608 and \$131,276, respectively.

Income taxes:

The Company has elected to be taxed as a partnership. The election provides for the members to report the income or losses of the Company on their personal income tax returns. Therefore, no provision or liability for federal or most state income taxes has been made.

The Company has no tax position at December 31, 2025 for which the ultimate deductibility is highly certain but for which there is uncertainty about the timing of such deductibility.

Foreign currency transactions:

The Company experienced a net foreign currency transaction loss of \$(6,350) and \$(2,538) in 2025 and 2024, respectively. This amount is included in operating expenses in the accompanying consolidated financial statements.

Leases:

The Company evaluates its contracts at inception to determine if an arrangement is or contains a lease. Operating and financing leases with a duration over 12 months are recorded as operating or financing lease right-of-use (ROU) assets and operating or financing lease liabilities on the consolidated balance sheets. The Company has no operating or finance leases. Short-term leases (i.e. leases with an initial term of 12 months or less that do not contain a purchase option that is likely to be exercised) are not recorded on the consolidated balance sheets as the Company elected to apply the short-term lease exception to these leases.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Date of management's review:

Management has evaluated events and transactions occurring subsequent to the consolidated balance sheet date of December 31, 2025 for items that should be potentially recognized or disclosed in these consolidated financial statements. The evaluation was conducted through the date of the report, which is the date these consolidated financial statements were available to be issued.

Independent Auditors' Report

To the Members of
FranNet, LLC and Subsidiary

Opinion

We have audited the accompanying consolidated financial statements of FranNet, LLC and Subsidiary (New Jersey corporations), which comprise the consolidated balance sheets as of December 31, 2024 and 2023, and the related consolidated statements of income and changes in members' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of FranNet, LLC and Subsidiary as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of FranNet, LLC and Subsidiary and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FranNet, LLC and Subsidiary's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FranNet, LLC and Subsidiary's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FranNet, LLC and Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

FRANNET, LLC AND SUBSIDIARY

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note 1. Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations:

The consolidated financial statements include the accounts of FranNet, LLC and its subsidiary ZorNetwork, LLC (herein referred to as the “Company”). Intercompany transactions and balances have been eliminated in the consolidation.

FranNet, LLC and ZorNetwork, LLC are limited liability companies organized in the state of New Jersey. The Company offers licenses to operate new FranNet franchises and conversion licenses to existing FranNet businesses. FranNet businesses offer specialized franchise-consulting services to franchisors, potential franchisors, licensors, and other business opportunity companies in connection with the sale (or resale) of their franchises, licenses, and business opportunities. ZorNetwork, LLC, was organized during 2015 as a separate entity for franchise sales and development and was owned by FranNet, LLC. During the year ended 2024, management made the decision to cease ZorNetwork, LLC, operations.

The Company, as franchisor, offers five and ten-year nonexclusive franchise agreements which are sold at fees ranging from \$5,000 to \$10,000. As of December 31, 2024 and 2023, the Company had 41 FranNet franchisees. The agreements may be extended for an unlimited number of successor terms of five or 10 years each. The agreements provide the license to offer consulting services to franchisors, potential franchisors, licensors, and other business opportunity companies in connection with the sale of their franchises, business opportunities, licenses and existing resales. When an individual franchise is sold, the Company agrees to provide certain services to the licensee. Generally, these services include training, operational guidance and operation manuals, and provide specification for the Marks - certain trademarks, service marks and other commercial symbols, including the mark “FranNet.” As provided in the agreements, the franchisees make payments to the Company for license fees, insurance premiums and other services provided by the Company. The Company may terminate an agreement if the franchisee fails to comply with any of its provisions. A one-year non-competition provision in the agreements becomes effective upon termination or expiration.

Summary of significant accounting policies:

This summary of significant accounting policies of the Company is presented to assist in understanding the Company’s consolidated financial statements. The consolidated financial statements are representations of the Company’s management who is responsible for the integrity and objectivity of the consolidated financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the consolidated financial statements.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Basis of accounting:

The Company uses the accrual method of accounting for reporting income and expenses. Under this method, income is recorded as it is earned and expenses are recorded as incurred, resulting in proper matching of income and expenses to determine net income for a specific period of time.

Use of estimates:

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash, cash equivalents, and restricted cash:

All highly liquid investments with a maturity of three months or less when purchased are considered cash equivalents. There are no cash equivalents as of December 31, 2024 and 2023.

The Company is required to maintain, in a separate account, the quarterly contributions of the licensees for the marketing program. The funds are restricted for use for advertising and/or promotional purposes.

Contracts receivable:

Contracts receivable are due under contracts and reported on the consolidated balance sheet at historical value adjusted for any charge offs and the allowance for current expected credit losses (CECL). Contracts receivables are charged off in the period in which they are deemed to be uncollectable. The allowance for current expected credit losses reflects management's best estimate of probable losses determined principally on the basis of historical experience, known troubled accounts and expectations of current and future economic conditions. At December 31, 2024 and 2023, management determined that no allowance for current expected credit losses was necessary.

Property and equipment:

Property and equipment are stated at cost. Expenditures for additions are capitalized; expenditures for maintenance and repairs will be charged to expense as incurred. Depreciation is provided using the straight-line method over the estimated useful lives of the assets. The estimated useful lives are as follows:

Furniture and equipment	3-10 years
Leasehold improvements	5-39 years
Software	3 years

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The Company's policy is to expense assets costing \$1,000 or less. Upon retirement or disposal of assets, the cost and accumulated depreciation are eliminated from the accounts and the resulting gain or loss is credited or charged to operations.

Goodwill and intangibles:

The Company accounts for acquisitions of businesses that occur from time to time in accordance with accounting principles generally accepted in the United States of America. Intangibles acquired in such transactions that have a determinable life, such as trademarks, are amortized over the remaining useful life of each, which range from 2 - 8 years. Goodwill from such acquisitions represents the excess of the cost of a business acquired over the net of the amounts assigned to assets acquired and liabilities assumed. Amounts assigned to goodwill are based on independent appraisals or internal estimates. Goodwill is not amortized and is evaluated annually or whenever there is a triggering event for any impairment loss.

Deposits and deferred revenue:

Deferred revenue represents amounts received under various contracts in advance of providing the services, as well as deposits on the spring meeting.

Revenue recognition:

Contract revenue is derived principally from the following:

Commission income – revenues from commissions which are fees paid by third-party franchisors when a prospect has entered a franchise agreement;

Meeting income and marketing income – revenues from marketing services provided and training meetings held for individuals associated with FranNet;

Franchisor membership and Zor admin income – revenue from five or ten year license agreements with individuals who license the ability to offer franchising services on behalf of FranNet as well as administrative services provided to the franchisors;

Residual and retainer income – revenue from monthly retainers paid by franchises and residual revenue from those retainers;

Subscription income – revenue from providing data to franchisors Franchise Sales Organizations to aid in territory management and lead nurturing;

Referral and lead income – revenue from providing franchise referrals or leads to other companies;

Training income – revenue generated from training FranNet associates.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Generally, contracts contain one performance obligation for a set fee. Performance obligations include the delivery of franchising services, stake in a franchise, and marketing and training services provided to franchisors.

The Company has determined that the nature, amount, timing and uncertainty of contract revenues and cash flows are affected by the economy, public health regulations, and general industry environment. The opening balances of contracts receivable for the years ended December 31, 2024 and 2023 were \$611,807 and \$176,559, respectively. The opening balances of deferred revenue were \$430,448 and \$126,604 for the years ended December 31, 2024 and 2023, respectively.

Revenue recognized over time

The Company recognizes the revenue from FranNet franchise license fees over time as performance obligations are satisfied. The transaction price is based on the terms of the contracts and is the amount of consideration the Company expects to be entitled in exchange for services rendered. Revenue is derived from five or ten year contracts where services are provided to licensees for the entire contract period and is included in the residual and retainer income on the consolidated statements of income and changes in members' equity. Revenue is recognized on a straight line method over the course of the contract, as management believes this to be the best measure of progress on the contract. Contract amounts are billed monthly as services are provided. The consolidated balance sheets as of December 31, 2024 and 2023 have \$71,203 and \$78,620, respectively, of unearned revenue related to these contracts in deposits and deferred revenue.

Revenue recognized at a point in time

The Company recognizes the revenue from all other sources at a point in time when the services are provided to the customers, satisfying the performance obligation. The transaction price is based on contracted rates at the time the service are provided. Amounts are typically billed at the time the service is provided and is generally due within 30 days of billing.

The following table disaggregates the Company's contract revenue based on the timing of satisfaction of performance obligations for the year ended December 31:

	<u>2024</u>	<u>2023</u>
Performance obligations satisfied over time	12%	11%
Performance obligations satisfied at a point in time	88%	89%

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Income taxes:

The Company has elected to be taxed as a partnership. The election provides for the members to report the income or losses of the Company on their personal income tax returns. Therefore, no provision or liability for federal or most state income taxes has been made.

The Company has no tax position at December 31, 2024 for which the ultimate deductibility is highly certain but for which there is uncertainty about the timing of such deductibility.

Foreign currency transactions:

The Company experienced a net foreign currency transaction loss of \$(2,538) and \$(6,190) in 2024 and 2023, respectively. This amount is included in operating expenses in the accompanying consolidated financial statements.

Leases:

The Company evaluates its contracts at inception to determine if an arrangement is or contains a lease. Operating and financing leases with a duration over 12 months are recorded as operating or financing lease right-of-use (ROU) assets and operating or financing lease liabilities on the balance sheets. The Company has no operating or finance leases. Short-term leases (i.e. leases with an initial term of 12 months or less that do not contain a purchase option that is likely to be exercised) are not recorded on the consolidated balance sheets as the Company elected to apply the short-term lease exception to these leases.

Date of management review:

Management has evaluated events and transactions occurring subsequent to the consolidated balance sheet date of December 31, 2024 for items that should be potentially recognized or disclosed in these consolidated financial statements. The evaluation was conducted through the date of the report, which is the date these consolidated financial statements were available to be issued.

- (e) A provision that permits the Franchisor to refuse to renew a Franchise on terms generally available to other Franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the Franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a Franchisor to refuse to permit a transfer of ownership of a Franchise, except for good cause. This subdivision does not prevent a Franchisor from exercising a right of first refusal to purchase the Franchise. Good cause shall include, but is not limited to: (i) The failure of the proposed transferee to meet the Franchisor's then current reasonable qualifications or standards; (ii) The fact that the proposed transferee is a competitor of the Franchisor or subfranchisor; (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations; and

(iv) The failure of the Franchisee or proposed transferee to pay any sums owing to the Franchisor or to cure any default in the Franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the Franchisee to resell to the Franchisor items that are not uniquely identified with the Franchisor. This subdivision does not prohibit a provision that grants to a Franchisor a right of first refusal to purchase the assets of a Franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the Franchisor the right to acquire the assets of a Franchise for the market or appraised value of such assets if the Franchisee has breached the lawful provisions of the Franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the Franchisor to directly or indirectly convey, assign, or otherwise transfer its obligation to fulfill contractual obligations to the Franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Any questions regarding this Notice should be directed to the Michigan Department of Attorney General, 670 Law Building, Lansing, Michigan 48913, (517) 373-7117.

**ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT OF FRANNET, LLC
FOR THE STATE OF MINNESOTA**

THIS ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT (“Addendum”), sets forth modifications to the Franchise Disclosure Document (“FDD”) for purposes of offering franchises in the State of Minnesota (the “State”).

THESE FRANCHISES HAVE BEEN REGISTERED UNDER THE MINNESOTA FRANCHISE ACT. REGISTRATION DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE COMMISSIONER OF COMMERCE OF MINNESOTA OR A FINDING BY THE COMMISSIONER THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

THE MINNESOTA FRANCHISE ACT MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WHICH IS SUBJECT TO REGISTRATION WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, AT LEAST 7 DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST 7 DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION, BY THE FRANCHISEE, WHICHEVER OCCURS FIRST, A COPY OF THIS PUBLIC OFFERING STATEMENT, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE FRANCHISE. THIS PUBLIC OFFERING STATEMENT CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR AN UNDERSTANDING OF ALL RIGHTS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

1. WHEREAS, the State has certain laws and regulations affecting the sale of franchises; and
2. WHEREAS, **FranNet, LLC** desires to comply with all such applicable laws and regulations of the State.

NOW, THEREFORE, the FDD is hereby modified as follows solely to the extent that the laws of the State apply to either the parties or the transactions described, without acknowledging the application of such laws:

1. ITEM 17 is modified by adding the following paragraph:

Minn. Rule Part 2860.4400J prohibits a franchisee from waiving his rights to a jury trial or waiving his rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction, or consenting to liquidated damages, termination penalties or judgment notes.

2. ITEM 17 is modified by adding the following paragraph:

Minn. Stat. §80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the offering circular or franchise agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

3. ITEM 12 is modified by adding the following paragraph:

The franchisor will protect the franchisee’s right to use the trademarks, service marks, trade names, logotypes or other commercial symbols and/or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the Contours Express name.

4. ITEM 17 is modified by adding the following paragraph:

With respect to franchises governed by Minnesota law, the franchisor will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4 and 5 which require, except in certain specified cases, that a franchisee be given 90 days notice of termination (with 60 days to cure) and 180 days notice for non-renewal of the franchise agreement.

5. Minn. Rule 2860.4400D prohibits a franchisee to assent to a general release. Any release assented to by a franchisee must exclude claims under the Minnesota Franchise Law.

6. Notwithstanding the provisions of Section 17.11 of the Franchise Agreement, any limitations of claims must comply with Minn. Stat. §80C.17, Subd. 5.

7. No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT OF FRANNET, LLC
FOR THE STATE OF NEW YORK**

1. The following information is added to the cover page of the Franchise Disclosure Document:

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT A OR YOUR PUBLIC LIBRARY FOR RESOURCES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. IF YOU LEARN ANYTHING IN THIS FRANCHISE DISCLOSURE DOCUMENT IS UNTRUE, CONTACT THE FEDERAL TRADE COMMISSION AND THE APPROPRIATE STATE OR PROVINCIAL AUTHORITY. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CANNOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS THAT ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is to be added at the end of Item 3:

Except as provided above, the following applies to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

- A. No such party has an administrative, criminal, or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.
- B. No such party has pending actions other than routine litigation incidental to the business that is significant in the context of the number of franchisees and the size, nature, or financial condition of the franchise system or its business operations.
- C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the ten years immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law; fraud; embezzlement; fraudulent conversion or misappropriation of property; or unfair or deceptive practices or comparable allegations.
- D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation, or trade practice law resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the "Summary" sections of Item 17(c), titled "Requirements for a franchisee to renew or extend," and Item 17(m), entitled "Conditions for franchisor approval of transfer":

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; this proviso intends that the nonwaiver provisions of General Business Law Sections 687(4) and 687(5) be satisfied.

4. The following language replaces the "Summary" section of Item 17(d), titled "Termination by a franchisee": "You may terminate the agreement on any grounds available by law."

5. The following is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum,” and Item 17(w), titled “Choice of law”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or the franchisee by Article 33 of the General Business Law of the State of New York.

6. Franchise Questionnaires and Acknowledgements--No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
7. Receipts--Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earliest of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

**ADDENDUM TO THE FRANNET, LLC FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE
AGREEMENT REQUIRED BY THE STATE OF NORTH DAKOTA**

For franchises and franchisees subject to the North Dakota Franchise Investment Law, the following information replaces or supplements the corresponding disclosures in the main body of the text of FranNet, LLC Franchise Disclosure Document and corresponding provisions of the Franchise Agreement:

Item 17.

The North Dakota Securities Commissioner has determined that it is unfair and inequitable under the North Dakota Franchise Investment Law to the franchisor to require the franchisee to sign a general release upon renewal of the Franchise Agreement. Therefore, the requirement that the franchisee signs a release upon renewal of the Franchise Agreement is deleted from Item 17(c), and any other place it appears in the Franchise Disclosure Document and the Franchise Agreement.

The Commissioner has determined that any requirement for franchisees to consent to termination or liquidated damages is unfair, unjust, and inequitable within the intent of the North Dakota Franchise Investment Law. Any references in the Disclosure Document requiring franchisees to consent to termination penalties or liquidated damages are deleted in Disclosure Document and Franchise Agreement.

Covenants not to compete such as those mentioned in Item 17 of the Franchise Disclosure Document and the Franchise Agreement are generally considered unenforceable in the State of North Dakota.

Under the North Dakota Franchise Investment Law, any provision requiring franchisees to consent to the jurisdiction of courts outside North Dakota or to consent to the application of laws of a state other than North Dakota is void. Any mediation or arbitration will be held at a site agreeable to all parties. The laws of North Dakota will govern any dispute.

The Franchise Agreement includes a waiver of exemplary and punitive damages. That requirement will not apply to North Dakota franchisees and is deemed deleted in each place it appears in the Franchise Disclosure Document and Franchise Agreement.

The Franchise Agreement requires franchisees to consent to a waiver of trial by jury. That requirement will not apply to North Dakota franchisees and is deemed deleted in each place it appears in the Franchise Disclosure Document and Franchise Agreement.

The Franchise Disclosure Document and Franchise Agreement state that franchisees must consent to the jurisdiction of courts in the Commonwealth of Pennsylvania. That requirement will not apply to North Dakota franchisees and is deemed deleted in each place it appears in the Franchise Disclosure Document and Franchise Agreement.

The Franchise Agreement requires franchisees to consent to a limitation of claims within one year. That requirement will not apply to North Dakota franchisees and, instead, the statute of limitations under North Dakota law will apply.

For North Dakota franchisees, the prevailing party in any enforcement action is entitled to recover all costs and expenses, including attorneys' fees.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Each provision of this Addendum to the Franchise Disclosure Document shall be effective only to the extent, with respect to such provision, the jurisdictional requirements of the North Dakota Franchise Investment Law are met independently, without reference to this Addendum to the Franchise Disclosure Document, and only to the extent such provision is a then valid requirement of the statute.

This Addendum is being entered into in connection with the Franchise Agreement. In the event of any conflict between this Addendum and the Franchise Agreement, the terms and conditions of this Addendum shall apply.

IN WITNESS WHEREOF, the undersigned have executed this Addendum as of the date Franchisor signs below.

VIRGINIA
ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

In recognition of the restrictions contained in Section 13.1-564 of the Virginia Retail Franchising Act, the Franchise Disclosure Document and Franchise Agreement for FranNet, LLC for use in the Commonwealth of Virginia shall be amended as follows:

- (1) Under §13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the franchise agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.
- (2) Under subsection D of §13.1-559 of the Virginia Retail Franchising Act, for all franchises located in Virginia, the franchise contract or agreement offered or entered into pursuant to terms of this chapter shall be governed by the laws of the Commonwealth of Virginia.
- (3) Under subdivision A 4 of §13.1-563 of the Virginia Retail Franchising Act, it is unlawful to offer or enter into a franchise agreement that restricts the right of a franchisee to engage in the business of offering, selling, or distributing goods or services at retail after termination or expiration of the franchise agreement. However, subsection B of § 13.1-563 of the Act provides that if a franchisee sells a franchise at a mutually agreed upon price to a third party or back to the franchisor, such sale may include a term restricting the right of such franchisee to engage in the business of offering, selling, or distributing goods or services at retail for a period of no more than two years after such sale.
- (4) No statement, questionnaire, or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

**ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT AND ALL
RELATED AGREEMENTS**

STATE OF WASHINGTON

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.
9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. **Franchisor's Business Judgment.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).
18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.
19. Based on our financial condition, the State of Washington has required a financial assurance. In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business.

The undersigned hereby acknowledge and agree that this addendum is hereby made part of and incorporated into the foregoing Franchise Agreement.
