What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit E.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in California. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in California than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

NOTES

(1) **Initial Franchise Fee:** The initial Franchise Fee is \$30,000.00 and is refundable as described in Item 5 of this Disclosure Document. Refundability of the remaining portions of the initial Franchise Fee following investment expenses is provided by the Franchise Agreement Paragraph II(B) and VIII(I)(3) and in Item 5 of this Disclosure Document.

(2) **Real Estate:** If You do not own a location which is approved for establishing a FUJI GRILL restaurant, You must rent a suitable location. These figures are based upon leased restaurant premises. The rent estimate contemplates one (1) month rent plus a security deposit equal to one month's rent, and is based upon rental expenses in Orange County and Los Angeles County, California. The rent expense for a FUJI GRILL restaurant facility will vary based upon factors such as location, square footage, age and condition of the structure, common area charges, lease arrangements and other factors. The prototypical FUJI GRILL restaurant will be approximately 1000 to 1300 square feet.

The low end estimate represents a lease rate of \$2.50-\$3.00 per square foot for two months.

(3) Utility Deposits Utility companies generally require You to place a deposit before installing (or turning on) telephone, gas, electricity, water and related utility services. Some of these deposits may be provided by landlord. These deposits may also be refundable depending upon Your agreements with the utility companies.

(4) Leasehold Improvements: The cost of construction and leasehold improvements depends upon the size and condition of the premises, the local cost of construction and the location of the facility. The range of figures set forth is the estimated costs of a reasonable renovation or improvements. The low estimate assumes that the landlord provides a partial build-out allowance. The high estimate represents a cash outlay if You do not receive any build-out allowance in the lease. No extended payment terms are considered in this estimate. Improvements may involve structural changes, interior plumbing changes, electrical reconfigurations, partitions, flooring, décor, venting, relocation of walls, windows and doors. Your cost for real estate improvements may also vary depending on location, condition of premises and local building codes. These deposits may also be refundable depending upon Your agreements with the utility companies.

(5) Signs and Menu Board: This is the estimated range of costs to You for acquiring all interior and exterior signs for the franchised location from an approved supplier, and a menu board for the interior of the facility. These deposits may also be refundable depending upon Your agreements with the utility companies.

(6) Kitchen Equipment: The kitchen equipment required to operate a FUJI GRILL restaurant includes grills, refrigerators, steam counters, ventilation hoods and other such equipment. You may purchase or lease approved brands and models from approved suppliers. The cost of the equipment will depend on such things as financing terms, the size of the facility and equipment, the brands purchased and other factors. These deposits may also be refundable depending upon Your agreements with the utility companies.

(7) Furniture and Fixtures: These estimates represent purchase costs of typical restaurant furniture and fixtures. Fixtures include counters, tables, chairs, wall coverings and decorations. The cost of fixtures will vary depending on the seating capacity of the facility, the lease/purchase terms available to You, the layout of the facility and other factors. These deposits may also be refundable depending upon Your agreements with the utility companies.

(8) Architect, Interior Design and Permits: This is the estimated range for the costs of having an architect and a design professional create the finished plans from the modifications You deem necessary or desire to make in the prototypical design of a FUJI GRILL restaurant. The changes and modifications to the basic restaurant design and specifications may be necessitated by the size or configuration of the property where Your restaurant is to be located, or the traffic or health requirements of the local authorities. The architect will produce finished plans which after approval by the

Company, can be used to secure proper building permits and likewise utilized in construction of the restaurant. The Company will recommend architects familiar with the construction of quick service restaurant facilities, but costs will vary depending upon the professional experience of the architect, the location of the facility and the number of architectural and structural changes necessary to build Your restaurant. These deposits may also be refundable depending upon Your agreements with the utility companies.

(9) POS System and Software: The Company will provide You with a list of approved suppliers of Point of Sale cash terminals which are compatible with the FUJI GRILL System. You must purchase a POS cash terminal which is compatible with the Company's system, and likewise operate under the software designated by the Company. This is the range of estimated costs for compatible POS systems. Any proprietary software will be provided to You at no added cost to You. These deposits may also be refundable depending upon Your agreements with the utility companies.

(10) Initial Inventory: This estimate is based upon Your initial inventory including cups, napkins, bowls, sauces, menu items, food stocks, ingredients, spices, beverages, cleaning supplies and other materials and supplies utilized in the operation of, or sold at the restaurant. The initial inventory will vary according to anticipated sales volume and current market prices for food and supplies. Your initial inventory may be purchased from FUJI GRILL, designated suppliers or approved suppliers in accordance with the Franchise Agreement and the Operation Manual. These deposits may also be refundable depending upon Your agreements with the utility companies.

(11) Insurance – Liability & Workers' Comp.: This estimate is based upon a 25% down payment of the annual premiums for general liability, workers' compensation and property and casualty insurance. These deposits may also be refundable depending upon Your agreements with the utility companies.

(12) Grand Opening Advertising: You must spend a minimum of \$1,500.00 during the first month of operation for advertising and promotion. These deposits may also be refundable depending upon Your agreements with the utility companies.

(13) Office Supplies, Equipment & Miscellaneous: This is the range of expenses that is estimated will be incurred when purchasing office equipment and related supplies. Both the low and high estimate assume a straight purchase of the supplies and equipment, and not a partial payment based upon a financing agreement. These deposits may also be refundable depending upon Your agreements with the utility companies.

(14) Professional Fees, Fees and Licenses: These are the estimated costs to acquire the necessary local business permits, attorney/accountant fees, the cost of establishing bank accounts, etc. These deposits may also be refundable depending upon Your agreements with the utility companies.

(15) Uniforms: These are the estimated costs to lease appropriate uniforms for Your initial staff which includes cleaning by the supplier. These deposits may also be refundable depending upon Your agreements with the utility companies.

(16) Opening Cash Drawer: This is the recommended amount which should be on hand in the cash drawer when the restaurant opens for business.

(17) Additional Funds: This is the estimated amount of working capital that we recommend that You should have to operate Your Franchised Business during the initial three months of operation, in addition to the specific other items listed in Item 7. This recommended level is the minimum recommended level of funding that the Company recommends that You should have on hand to cover operating expenses including employee wages, Your salary or draw, rent, inventory, utilities, supplies and advertising for three months of operation. However, FUJI GRILL cannot guarantee that this estimated amount will be sufficient. Additional working capital may be required if sales are low and the costs of operation are high. The disclosure laws require us to include this estimate of all costs and expenses to operate Your franchise during the “initial phase” of Your operation, which is defined as 3 months, or longer period if “reasonable for the industry.” This estimate is based upon what we estimate is required to cover the initial three month period. YOU SHOULD REVIEW THESE FIGURES CAREFULLY WITH A BUSINESS ADVISOR BEFORE MAKING ANY DECISION TO PURCHASE THE FRANCHISE.

(18) FUJI GRILL does not offer, either directly or indirectly, financing to You for any of these items.

8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

A. Approval of Suppliers and Supplies.

We specify certain fixtures, equipment, supplies, menu items, spices, sauces and other ingredients and items that You must have prior to opening Your restaurant, and which You must maintain for as long as You operate a franchised FUJI GRILL. All fixtures, equipment, supplies and other materials required to operate Your restaurant must be procured from us, or from suppliers that we have designated or approved. The Company will give You an Operation Manual with various bulletins and notices that contain specifications, standards and restrictions for Your purchase of products and services. As we determine consumer preferences and trends in the marketplace, or develop new marketing techniques, technologies, products and services, we anticipate that we will formulate and modify our standards and specifications that we consider appropriate and useful. We will notify You of these changes through amendments to the Operation Manual, articles, newsletters or other bulletins.

The Company will also provide You with a list of suggested manufacturers, suppliers and distributors for the franchised restaurant (“Suppliers List”), and a listing of approved inventory, products, fixtures, furniture, equipment, signs, stationery, supplies and other items or services necessary to operate the Franchised Business (“Approved Supplies List”). We may also revise the Suppliers List and Approved Supplies List from time to time in our sole discretion and such revisions shall be submitted to You.

No officer of FUJI GRILL owns an interest in any supplier on the Supplier's List. If You propose to offer for sale at the Franchised Business any brand of product, or to use in the operation of Franchised Business any brand of food ingredient or other material or service which is not on these Lists, You must first notify Franchisor of the desire to utilize the unapproved ingredient, material or service and shall upon request by Franchisor submit samples and other such information we require for examination and/or testing to determine whether the unapproved product, material or service meets our specifications and quality standards. You may be charged for the actual cost of the test and in all cases, not to exceed ONE THOUSAND DOLLARS (\$1,000.00). The Company then has a reasonable period (not to exceed 60 days) in which to conduct the test and give its approval or disapproval to the product to You in writing. The Company also reserves the right, at its option, to re-inspect the products of any supplier of an approved item and to revoke its approval of any item which fails to continue to meet any of FUJI GRILL's criteria. All inventory, products, items and supplies used in the operation of the Franchised Business which are not specifically required to be purchased from the Approved Supplies List or from the Approved Suppliers List shall conform to the specifications and quality standards established by Franchisor, the FUJI GRILL System or the Operations Manual. Specifications and standards are available to You through the Franchise Agreement and the Operation Manual. Specifications and standards of quality are formulated on the basis of the Company's experience in display cooking of Japanese style food in a quick counter service environment, along with the business projections from the Company's advisors. These standards may be modified as needed, depending on the Company's or Your improvements, on industry practices and changing market or legal requirements. Your franchised restaurant must at all times maintain an inventory of ingredients, food, beverages, and other products, materials and supplies which will permit the operation of Your FUJI GRILL restaurant at maximum capacity. Franchise Agreement Paragraph IX(N). Most of Your purchases will be made from the Company or from the Supplier's List.

We apply the following general criteria in approving or revoking a proposed supplier:

1. Ability to reliably provide product;
2. Quality of products and services;
3. The Supplier's production and delivery capability;
4. Proximity to the Franchised Restaurants so as to be able to insure timely delivery of product; and,
5. Dependability of the Supplier.

Although purchasing arrangements for products, materials and supplies are not yet in place, the Company will attempt to negotiate the best possible rates for purchases of products and materials with suppliers. Franchise Agreement Paragraph VIII(G)(2). FUJI GRILL has not and does not derive revenue from Your purchase or lease of

property, goods, services, supplies, fixtures, equipment, inventory, or computer hardware and software from approved sources of supply.

The Company may in the future derive revenue from leases of software it develops or from sales of Trademarked or Trade Secret Food Products, whether sold by the Company or by licensed suppliers. The Company's revenue from such leases and sales of products will be derived by receiving a percentage of the net profit from such required purchase or lease (not to exceed 2%), but no such agreement is now in place. While the Company's total revenue generally and revenue from such required leases or purchases is now zero, the Company projects that eventually up to 20% of the Company's total annual revenues will come from sale of restricted products, depending upon who manufactures the product and the number of franchisees buying it.

The Company may in the future to license the manufacture of its software and Trademarked Products, and to allow You to manufacture the sauces for Your own use. As volume of product reaches levels warranting commercial production, the Company plans to license the production of its sauces to assure uniformity, and any additional food products it may develop. Further on an occasional basis, the Company may incur additional costs and expenses to develop or improve certain products or services for the benefit of the FUJI GRILL brand (including but not limited to, goods, equipment, computer hardware and software, and support services). The Company may seek to recover all or a portion of these additional costs and expenses from our franchisees and/or the approved suppliers. If such a recovery is obtained from the approved suppliers, it may be reflected in the prices they quote for these products or services.

The estimated proportion of any required purchases and leases to be made by You in relation to all purchases and leases to be made by You may be as high as 1:3. For example, for every 4 purchases or leases made by You, only 1 must be a required purchase or lease by You.

Your purchase of restricted products should cost You less than 2% of Your start-up costs, and not more than 5% of Your ongoing expenses. In the case of Trade Secret Food Products, such as FUJI GRILL Teriyaki Sauce, the Company will derive revenues equal to its cost of production plus a 2% markup, which fund, and those derived from software, will be retained by the Company. During the fiscal year ending December 31, 2015, FUJI GRILL did not market any private label or Trade Secret Food Products to franchisees, and had no revenue from any required purchases from franchisees during this period. FUJI GRILL has no purchasing or distribution cooperatives. FUJI GRILL does not provide any material benefits to a franchisee based on your use of approved sources of supply. The Company does not negotiate purchase arrangements with suppliers for the benefit of any of its franchisees.

B. Approved List of Architects and Contractors.

To ensure that each FUJI GRILL restaurant meets the local building codes and is properly permitted, let alone comply with the minimum construction requirements and specifications if there are architectural modifications required, the Company has

approved of several local architects. These are design professionals who are familiar with the basic or prototypical FUJI GRILL restaurant, and can efficiently make the architectural modifications needed to meet the individual franchisee's needs as applied to its restaurant at the Approved Location. Likewise, we will provide you with a list of approved contractors familiar with the construction of FUJI GRILL restaurants in your local territory. We will provide you with these lists upon your execution of the Franchise Agreement, as time is of the essence in getting the restaurant open.

You will have to utilize the services of one of the approved architects and one of the approved contractors on the lists. The architect will produce the finished plans and architectural drawings to present to the local municipality where the restaurant is located to obtain licenses and permits, including a valid building permit for all necessary construction. Moreover, these finished plans will also serve as the construction documents for the build-out or modification of Your restaurant. The contractor will build the Franchised Business according to the finished plans and within the applicable building codes. Franchise Agreement Paragraphs VIII(B)(1-3) and IX(C-D).

C. Advertising.

You may not use any advertising material for local advertising unless we have expressly approved it in writing prior to publication or use, and it complies with our requirements regarding format, content and media. Franchise Agreement Paragraph IX(R). If You submit local advertising for review, FUJI GRILL will generally communicate its approval or rejection of the submittal within 10 calendar days. If the submitted ad creates legal issues which need to be submitted to legal counsel for review, notice of the approval or rejection could take up to 30 days following its submittal. Franchise Agreement, Paragraph IX(R) (p. 35).

D. Records and Reports.

All of Your bookkeeping and accounting records, financial statements, and all reports You submit must conform to our requirements as set forth in the Agreement or in the Operation Manual.

You must retain for a period of at least three years all records related to the Franchised Business including daily sales reports, invoices, payroll records, sales tax records and returns, records of cash receipts, disbursement journals, general ledgers and any other financial records that the Company designates, or may be required by law. Franchise Agreement Paragraph IX(S).

You must transmit to the Company on or before the 10th day of each quarter, a profit and loss statement and balance sheet for the preceding quarter just ended and a fiscal year-to-date report. Additionally, You must, at Your expense, submit to the Company within 90 days after the end of each fiscal year a profit and loss statement for that fiscal year and a balance sheet as of the last day of the fiscal year just ended, prepared on an accrual basis, including all adjustments necessary for a fair presentation of the financial statements. You must certify the financial statements submitted as being

true and correct. The Company reserves the right to require that annual financial statements, prepared in accordance with generally accepted accounting standard, be reviewed and/or audited by an independent certified public accountant at the Company's expense. Franchise Agreement Paragraph IX(S).

You must submit to the Company other periodic reports, forms and records as specified, and in the manner and time as specified in the Manual.

E. Computer Equipment.

You must purchase a computer system meeting the specifications and standards set forth by the Company. This includes Point of Sale ("POS") cash register(s) or terminals, so that all Net Sales and sales information, and related sales activities are recorded on the POS equipment. Further, the Company shall have full access to all of the data recorded on the POS equipment and other computer equipment located at Your restaurant by means of direct access whether in person or by telephone/modem or other automated processing methodology. Franchise Agreement Paragraph IX(S). The estimated cost to purchase the cash register and the related software for the register is \$3,000, with annual maintenance of about \$250 per register. FUJI GRILL does not derive any revenue from Your purchase or lease of such computer equipment.

F. Software.

Company may develop custom designed Software for conducting accounting, inventory control, point-of-sale functions and related activities ("Software") as these pertain to the operation of a FUJI GRILL restaurant as part of the FUJI GRILL System. If developed, the Software will be proprietary and the confidential information of the Company. You must comply with Company's standards and specifications developed regarding the Software, as provided in the Manual. This proprietary Software is in an ongoing developmental and testing stage and upgrades may be implemented into the System at the Company's discretion. The Company will lease the Software to You at the then-current rates published in the Manual. Because the Software has not yet been developed, THE COMPANY CANNOT ESTIMATE YOUR INITIAL OR ONGOING COSTS RELATIVE TO THE PURCHASE OR LEASE OF THE SOFTWARE. Franchise Agreement Paragraph VIII(N). The Company expects to be the sole supplier of its proprietary Software. FUJI GRILL does not derive any revenue from Your purchase or lease of such software.

G. Trademarked Products.

Company may develop certain Trademarked Products ("Trademarked Products") that are specially developed or private labeled merchandise and products bearing the FUJI GRILL Marks, such as FUJI GRILL Teriyaki Sauce. You must carry an adequate supply or representative inventory of these products. You must purchase Trademarked Products only from designated sources which manufacture the Trademarked Products to the Company's precise specifications. Franchise Agreement Paragraph VIII(L). FUJI GRILL does not derive any revenue from Your purchase or lease of such Trademarked Products.

H. Trade Secret Food Products.

The Company has developed Trade Secret Food Products, and will continue to develop and own proprietary lists of products in the operation of Your restaurant. You must use the Trade Secret Food Products at all times in the operation of the franchise. Company will manufacture, supply and sell Trade Secret Food Products to You and disclose the formula for, and the methods of preparing the Trade Secret Food Products to a limited number of suppliers who are authorized to manufacture the Trade Secret Food Products to Company's precise specifications, and to then sell the Trade Secret Food Products to You. Company may also authorize You to manufacture Your own sauce until there is sufficient volume to warrant licensing its production. You must acknowledge that You will purchase and use the Trade Secret Food Products only from the Company or a limited number of authorized suppliers. Franchise Agreement Paragraphs VIII(L) and IX(O). FUJI GRILL does not derive any revenue from Your purchase or lease of such Trade Secret Food Products.

I. Insurance.

As Your expense, You must obtain and maintain insurance protecting You, Your restaurant, the Company and the Company's officers, directors and employees against loss, liability, personal injury, death, property damage or expense concerning the Franchised Business as the Company may reasonably require for its own and Your protection. The insurance policies will contain certain Company approved clauses and waivers. The Company must be named as an additional insured on each policy or policies. Franchise Agreement Paragraph IX(V).

The liability insurance may not be limited in any way by reason of any insurance that the Company may maintain on its own. Within 90 days of signing the Franchise Agreement, but at the latest by the date You acquire an interest in the real property on which You will develop and operate Your Franchised Business, You must furnish the Company with an Accord Form Certificate of Insurance showing compliance with the Company's insurance requirements. The certificate will state that the policy or policies will not be cancelled or materially altered without at least 30 days written notice to Company. The certificate will reflect proof of payment of premium(s). Maintenance of the insurance and Your performance of the obligations under the insurance provisions of the Franchise Agreement will not relieve You of liability under the Franchise Agreement's indemnity provisions. Franchise Agreement Paragraph IX(V). The Company may modify the minimum insurance requirements and notify You of the changes in writing. Franchise Agreement Paragraph IX(V).

10. FINANCING

FUJI GRILL does not offer direct or indirect financing. FUJI GRILL does not guarantee Your note, lease or obligation.

No FUJI GRILL document that You must sign contains any waiver of defenses, other legal rights (e.g. confession of judgment), or bars franchisees from asserting a defense against the lender, the lender's assignee FUJI GRILL.

FUJI GRILL does not sell, assign, or discount to a third party, any note, contract, or other document signed by You.

FUJI GRILL does not receive any direct or indirect payment or other consideration from any person or lender for the placement of financing.

11. FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, FUJI GRILL is not required to provide you with any assistance.

A. *Pre-Opening Obligations.* FUJI GRILL has the following obligations to You before You open Your restaurant for business:

1. Methods Used to Select the Location of Franchisee's Business.

You must select the site for Your FUJI GRILL restaurant within the area designated in the Franchise Agreement, and the Company must first approve this site as an Authorized Location for Your Franchised Business. Franchise Agreement Paragraphs II(B) and IX(A).

The Company will assist You in locating a site for Your enterprise if You request assistance. Franchise Agreement Paragraph II(B), VIII(A) and IX(A).

FUJI GRILL uses informal procedures to analyze and approve YOUR territory and to determine site feasibility. In this regard some of the factors we consider in analyzing a proposed site include general location, visibility of the location, neighborhood, traffic patterns, parking, size of the facility, physical characteristics and condition of existing buildings, condition of adjacent buildings and character of their operation, distance from competition, proximity to residential or commercial settings and lease terms. We will approve or disapprove of any site You select as a proposed location for Your franchised restaurant within 7 days of Your submittal a written description and photographs of the proposed site to the Company. Franchise Agreement Paragraph II(B). Failure to agree on a site, and to secure an approved lease for a FUJI GRILL restaurant at that location within 90 days after signing the Franchise Agreement, unless extended by mutual written agreement, will allow You or us to terminate the Franchise Agreement, and refund Your initial franchise fee, less certain charges. Franchise Agreement Paragraph II(B).

2. FUJI GRILL will assist You in analyzing Your market area, using informal procedures, to determine site feasibility, and generally assist You in choosing an Authorized Location. Franchise Agreement, Paragraph II(B). You will select the site, but we have final approval of the site selection, which approval will not be unreasonably withheld. Franchise Agreement, Paragraph II(B). Generally, FUJI GRILL does not own the franchise site and lease it back to you. If You request that we offer assistance in this regard You may not construe our assistance as a guarantee or other assurance that the site will be successful. Some of the factors we consider in approving the site as an Authorized Location include general location, neighborhood, traffic patterns, parking, size and physical characteristics of existing buildings and lease terms. If You do not purchase or lease a site for Your restaurant within 90 days after execution of Your Franchise Agreement, we may terminate Your Agreement. Franchise Agreement, Paragraphs II(B)(2) and VIII(A).

3. FUJI GRILL must approve the lease for the Authorized Location, and such approval will not be unreasonably withheld. You must submit a copy of the lease to FUJI GRILL for review and approval. Review and approval by FUJI GRILL does not include review and approval of the legal sufficiency of the lease and must not be considered an assurance that Your rights are adequately protected. Your attorney should review the lease. AS A CONDITION TO FUJI GRILL APPROVING A LEASE, THE LANDLORD MUST: 1) approve of FUJI GRILL as a prospective assignee under the lease; 2) must agree to provide FUJI GRILL with information related to operation of the Franchised Business upon request; 3) to provide FUJI GRILL with any deficiency notice or lease default at the same time as You would receive such a notice, and to allow us to cure any such default within 15 days; 4) allow the display of FUJI GRILL'S Marks on the premises; 5) agree that the leased premises be used for operating a FUJI GRILL restaurant. Franchise Agreement, Paragraph II(B)(5).

4. When You sign the Franchise Agreement we will provide You with the basic plans and specifications for the architectural layout, signage and interior décor of a prototypical Fuji Grill restaurant. Franchise Agreement, Paragraph VIII(B).

5. After You have reviewed the basic plans and specifications, if You make any architectural modifications to the basic plans we will review Your modifications and approve or reject them in a reasonable manner and time. Franchise Agreement, Paragraph IX(C).

6. We will also provide You with a list of approved architects and contractors in the local area of Your proposed restaurant at the time of Your signing the Franchise Agreement. Franchise Agreement, Paragraph VIII(B)(2-3) and IX(C)(2). After obtaining our approval of any architectural modifications to the basic prototypical plans, You must have finished plans drawn by an architect which conform to local building codes, and have them approved and permitted by the local building authorities, but we must first review and approve the architect's plans prior to Your expending anything on permits regarding construction. Franchise Agreement, Paragraph VIII(B)(3) and IX(C). You must then retain an approved contractor to build the modifications, tenant improvements or build-outs to the premises at the site of the Approved Location in conformance with the finished plans and building permits. Construction must be completed within 180 days following execution of the Franchise Agreement, or You will be in breach of the Agreement. Franchise Agreement, Paragraph IX(C).

7. Upon signing the Franchise Agreement FUJI GRILL will also provide You with an Approved Suppliers List and an Approved Suppliers List. Initial equipment, supplies, fixtures, signs and inventory may be obtained and purchased in the quantities listed from the suppliers listed, as FUJI GRILL does not supply these supplies or equipment. Franchise Agreement, Paragraphs VIII(L) and IX(N).

8. We will loan You one copy of our confidential operation manual to use during the term of the Franchise Agreement. This manual contains our standard operational policies, procedures, rules and regulations for running a FUJI GRILL restaurant with which You must comply. Franchise Agreement, Paragraphs VIII(G), IX(M) and IV.

9. We will conduct an initial training program before opening of Your restaurant for Yourself and another employee for up to four weeks as described in Item 11 E below. Franchise Agreement, Paragraph VIII(H).

B. *Typical Length of Time Before Commencing Operation.*

The typical length of time between the signing of the Franchise Agreement and the opening of the Franchised Business is approximately six months.

The date of opening Your restaurant may exceed the six month period provided that You and the Company agree to such an extension in writing. Some of the factors which delay opening are unreasonable failure or refusal of local authorities to issue permits and licenses, weather conditions, shortages or delays in manufacture, procurement or delivery of fixtures, equipment, supplies and signs through no fault of the Franchisee.

The Franchise Agreement requires that You commence operations no later than 180 days after signing the Agreement, however, this can be modified by both parties agreeing to an extension of time in writing. Franchise Agreement Paragraph II(C) and IX(A).

C. *Post Opening Obligations.* We have the following obligations to You during the operation of Your Franchised Business:

1. We will provide You with the following ongoing assistance:
 - a. We will regulate the standard of quality with respect to products, procedures for service and sale of menu items, and other food and beverage items which have been approved by the Company throughout the Company's franchised locations. Franchise Agreement, Paragraph VIII(D-F). This also includes proper administration of the facility, bookkeeping, accounting, inventory control, general supervision of customers and employees and general operating procedures, site condition and appearance and updating You on new products/services, procedures and overall improvements in the FUJI GRILL SYSTEM;
 - b. We will provide continuing education for previously trained employees and initial training of new managers. Each Franchise is expected to provide one employee or supervisor for two days of continuing education each year. This education includes a review of the most current operation manual, plus reviews and demonstrations of food preparation, food presentation and the latest food service techniques, customer service procedural review, a review of restaurant marketing, advertising and promotion, record keeping and reporting update, review of the most current sanitation and safe food handling techniques, repair and maintenance issues, ordering and inventory control, employee and human resource issues, staff scheduling, vendor relations and financial management. This continuing education is provided at the corporate headquarters in Orange, California, and each franchise pays for its representative to the annual continuing education training. See Item 6 above and Franchise Agreement, Paragraphs VIII(H), IX(G).
 - c. FUJI GRILL will continue to publish a list of suggested sources of supplies which are necessary to operate the Franchised Business, and we will from time to time negotiate with suppliers to provide the best available rates to You for the purchase of products, supplies, equipment and materials on the approved list of suppliers. Franchise Agreement, Paragraph VIII(F).
 - d. During the first week of operation of the Franchised Business, and during the week immediately preceding the opening of Your restaurant, FUJI GRILL will furnish to You, at no cost to You, one of FUJI GRILL's representatives to facilitate the successful opening of the

Franchised Business. The representative assists You in establishing procedures and techniques essential to operating a FUJI GRILL Restaurant. Franchise Agreement, Paragraphs VIII(H-I).

e. FUJI GRILL provides, to the extent required in FUJI GRILL's judgment, a continuing advisory service which includes consultation on promotional, business or operational problems, and analysis of Your service, sales, marketing, and financial data. This may involve periodic visits to Your restaurant. We will continue to provide general consultation and assistance at Your request to the extent we are able to assist regarding the general operation of Your restaurant, including assistance in determining the appropriate prices for the menu items, food and other products offered to the public at Your restaurant. Franchise Agreement, Paragraph VIII(J).

f. FUJI GRILL, or its designated suppliers, will provide You with FUJI GRILL Trademarked Products and proprietary food products. The sale of proprietary food products may include a profit to FUJI GRILL. Franchise Agreement, Paragraphs VIII(D) and IX(O).

g. FUJI GRILL tests and approves or withholds approval of new products and suggested menu items, and will advise You of all new products and menu items that satisfy our high standards of quality. You may then offer these new products and menu items for sale. Franchise Agreement, Paragraphs VIII(F and L).

h. We will review the System from time to time to determine if the adoption of new or modified trade names, trademarks, service marks, copyrighted materials, new Menu Items, new products, new equipment or new techniques are appropriate. If so determined we will communicate this information to You in a reasonable and timely fashion.

D. *Advertising Program.*

1. As a Franchisee, You are required to spend a minimum of 1% of Your Net Sales, or \$1,000.00 per month, whichever is greater, on local advertising and FUJI GRILL has the right to review proposed advertising materials desired to use prior to publication. This is in addition to the Advertising Fund contribution you are required to make each month as described in Section D.1.a. below. Franchise Agreement, Paragraph VII(D). If You submit local advertising for review, FUJI GRILL will generally communicate its approval or rejection of the submittal within 10 days. If the submitted ad creates legal issues which need to be submitted to legal counsel for review, notice of the approval or rejection could take up to 30 days following its submittal. Franchise Agreement, Paragraph IX(R).

2. The Company has established its Advertising Fund. As such, You must contribute an amount not to exceed 1% of Your Net Sales. This contribution is in

additional to the local advertising You are required spend each month, which is the greater of 1% of Your Net Sales or \$1,000. The Company will direct all advertising programs with sole discretion over the creative concepts, materials and media used in these programs and their placement and allocation. The media includes print, television or other media and may be local, regional or national in scope. The Company is not obligated to make expenditures from the Advertising Fund which are equivalent or proportionate to Your contribution. For each of its Company-owned restaurants offering products and services similar to Your franchised restaurant, if any, Company will contribute to the Advertising Fund on the same basis as You. The Advertising Fund may be used for the cost of creating, producing and distributing advertising and promotion, in any form, in any media of FUJI GRILL restaurants, including any public relations and marketing activities that are reasonable. Company will conduct all advertising in-house, but may use a national or regional advertising agency in the future. Company will not be compensated for providing services to the Advertising Fund. Company's expenses in administering the Advertising Fund and Company's costs in creating, producing and distributing advertising and promotion in-house, including salaries of Company's employees, if any, may be paid from the Advertising Fund. An accounting of the operation of the Advertising Fund will be prepared annually and will be made available to You on request. The Company reserves the right, to require that this annual accounting include an audit of the operation of the Advertising Fund prepared by an independent certified public accountant Company selects and said audit shall be prepared at the expense of the Advertising Fund. All contributions to the Advertising Fund will be expended during the same calendar year in which the contributions were made. All expenditures in the following fiscal years will be made first out of any current interest or other earnings of the Advertising Fund, next out of any accumulated earnings and finally from principal. Funds not spent in the year in which they were contributed will be kept in the fund and used for advertising costs in the following year. Company may terminate the Advertising Fund at any time once all monies in the Advertising Fund have been expended for advertising or promotional purposes. Franchise Agreement Paragraph VII(C-D).

3. No part of the Advertising Fund will be used to solicit new franchisees.

E. *Electronic Cash Registers/Computer Systems.*

As a Franchisee, You must use a computerized point-of-sale cash register, or terminal. Franchise Agreement Paragraph IX(S). We currently require that You use a Panasonic Ethernet Color KVS terminal with a JS 5500 workstation including a #750 cash drawer (or updated equivalents of these models). We will consider alternate equipment that meets all the specifications of this Panasonic product. Neither Company, nor any third party have any obligation to maintain or repair Your point of sale cash register, or any other of Your equipment. Optional service contracts are currently available from Appel Company in Van Nuys, California. This recommended equipment is upgradeable, but the cost of the upgrade is dependent upon the features selected and Your negotiations with the distributor or dealer.

This terminal records all sales information, and the Company may independently access Your terminal's information, and any other data kept or recorded in the course of Your operation of Your franchised restaurant at any time. Franchise Agreement Paragraph IX(S).

The Company's current distributor for this type of cash terminal is Aldelo Systems, Inc., 4641 Spyres Way, Suite 4, Modesto, CA 95356, (209) 338-5481.

You must maintain Your cash register at Your cost. You must also update and upgrade Your software and hardware when the Company requires. There is no contractual limit on the cost or frequency of software or hardware upgrades. Company has no obligation to upgrade You, or to assist You with obtaining any of the items or services dealing with hardware or software. Franchise Agreement Paragraph IX(S). The estimated cost to purchase the cash register and the related software for the register is \$3,000, with annual maintenance of about \$250 per register.

The Company has not yet developed software for supporting and operational systems, and does not expect to do so for another few years. The Company will not decide which computer hardware requirements are to be utilized by Franchisees until the development of its software. Because the Software has not yet been developed, THE COMPANY CANNOT ESTIMATE YOUR INITIAL OR ONGOING COSTS RELATIVE TO THE PURCHASE OR LEASE OF THE SOFTWARE. Franchise Agreement Paragraph VIII(N).

b. Franchisor has expended time, effort and capital to develop and protect proprietary recipes, formulae and menus ("Trade Secret Food Products") utilized by FUJI GRILL which are included in and are part of the System.

c. Franchisor has also expended time, effort and capital to develop certain presentation, packaging, food and beverage presentations, marketing techniques and standards for all Menu Items and Trade Secret Food Products which are included in and are part of the System.

d. Franchisor has also expended time, effort, and money to develop and protect business plans, operating and marketing procedures and a confidential Operation Manual developed in connection with the operation of a FUJI GRILL Restaurant which are included in and are part of the System.

e. The System developed and owned by Franchisor is also comprised of distinguishing characteristics, including, without limitation, distinctive exterior and interior layout, design, color scheme, exclusive signage, decorations, furnishings and materials, the combination of which are unique to FUJI GRILL.

2. Franchisor is the owner of and has rights and title to the trade name, service marks, distinctive associated logo[s], trademarks and identifying commercial symbol and design "FUJI GRILL" and the hereinabove articulated System, and the goodwill connected thereto; and other additional trademarks, trade names, service marks, and other commercial symbols that are now designated or may hereafter be

designated by Franchisor as part of the System (the "Marks"). Franchisor has the right to use and to franchise the use of the Marks for restaurant and food take-out services as described herein.

3. In its business operations, Franchisor maintains high standards of quality for its food products such that valuable goodwill is attached to the Marks. Franchisor shall continue to develop, use and control said Marks for the benefit and use of itself and Franchisees in order to identify for the public the source of food products and services marketed thereunder, and representing the System's high standards or quality regarding Menu Items, Trademarked products, operations, food products, ingredients, appearance and service.

4. Franchisor desires and intends to grant franchises to qualified persons and entities to own and operate FUJI GRILL restaurants offering food products and services approved by Franchisor, including the authorized utilization of the System and Marks.

B. Franchisee:

1. Franchisee desires to obtain the right to own and operate a FUJI GRILL Restaurant using the identity, System and Marks of Franchisor upon the terms and conditions set forth herein.

2. Franchisee represents that it understands the importance of maintaining the high and uniform standards of quality and customer service associated with the operation of the FUJI GRILL restaurant in conformance with Franchisor's standards and specifications.

C. Parties:

1. The Parties acknowledge that Franchisor expressly disclaims the making of, and Franchisee acknowledges that it has not received nor relied upon any warranty, guarantee, express or implied, as to revenues, profits or success of the business undertaking set forth in this Agreement. Franchisee acknowledges that it has read this Agreement and has no knowledge of any of the representations made by Franchisor, its officers, directors, shareholders, employees, and/or agents that are contrary to the terms set forth herein.

NOW, THEREFORE, in consideration of the foregoing and the promises contained herein, the Parties agree as follows:

I. FRANCHISE AND TERM

A. Grant of Franchise.

Franchisor hereby grants to Franchisee the right to use the Marks and the System of Franchisor to operate a FUJI GRILL restaurant featuring Menu Items and

Trademarked Products in Franchisee's operation of carry-out, delivery and on-premises dining services (the "Franchised Business") on the terms and conditions set forth in this Agreement. The Franchisee shall not sell any FUJI GRILL products at wholesale, nor shall Franchisee operate a commissary or otherwise engage in mass distribution or sale of FUJI GRILL Menu Items or Trademarked Products and shall only use said items and products solely in connection with the Franchised Business in accordance with the System.

1. Authorized Location.

Franchisee shall be responsible for providing a suitable site to operate the Franchised Business as described herein, either by purchase or lease of the site which shall be identified herein as the "Authorized Location" of the Franchised Business.

The Franchised Business controlled by this Agreement shall be operated only at the following Authorized Location:

a. If the Authorized Location has not been determined as of the date of Franchisee's signing of this Agreement, Franchisee shall follow the procedures set forth herein to select a site as an authorized location for a FUJI GRILL restaurant within Franchisee's Authorized Territory. A lease for the Authorized Location must be approved by Franchisor in accordance with section II(B)(5) below and entered into within ninety (90) days from the execution of this Franchise Agreement. Likewise, the FUJI GRILL restaurant which is the Franchised Business must be ready to open to the public within one hundred eighty (180) days of execution of this Agreement.

b. Every FUJI GRILL franchise is granted for a specific Authorized Location and is not transferable to any other location without the prior written consent of Franchisor. In order for the Franchisee to operate a FUJI GRILL Restaurant in an additional location a separate franchise agreement must be signed and an additional franchise fee must be paid.

2. Franchisee's Authorized Territory.

So long as Franchisee is not in default under this Agreement, Franchisor will not grant any other person or entity a franchise to operate, nor will Franchisor operate, a FUJI GRILL Restaurant within the Franchisee's Authorized Territory which is the area described on Exhibit "A" attached hereto and incorporated herein by reference. The designation of Franchisee's Authorized Location or Authorized Territory does not grant exclusivity of marketing territory or clientele. All FUJI GRILL Restaurants may sell their products to any customer.

3. Franchisor's Reservations.

Franchisor reserves the right to offer and sell at wholesale, both within and outside the Authorized Territory, products and services which comprise, or may in the future comprise, part of the System. Franchisor also reserves the right to sell products and services which are not part of the System at wholesale or retail, both within and outside the Authorized Territory.

B. Term.

1. Initial Term.

This Agreement shall be in effect and binding for an initial term commencing on the date of its execution and continuing until the tenth (10th) annual anniversary of the execution of this Agreement by all of the parties thereto, unless sooner terminated as provided herein.

2. Renewal Term.

If Franchisee is not in default under this Agreement, Franchisee shall have the right to renew the Agreement for two (2) successive five (5) year periods on the same terms and conditions on which Franchisor is then customarily granting new franchises; or, if Franchisor is not granting any new franchises, then on the same terms and conditions on which Franchisor is then customarily granting renewal franchises. The Franchisee shall provide Franchisor written notice of its intent to renew the term of the Agreement not more than one hundred eighty (180) calendar days nor less than ninety (90) calendar days prior to the expiration of the preceding term.

As a condition of renewal, Franchisee, at its sole cost and expense, shall remodel, redecorate, or otherwise update its business premises to conform with the then current physical appearance of new, comparably located FUJI GRILL Restaurants, to the extent that the remodel work can be accomplished within the architectural and design limitations and requirements of the Authorized Location. All plans for any remodel work performed pursuant to this Agreement must be approved in writing by Franchisor prior to the commencement of any construction. In the event that Franchisee agrees to perform remodel work and the agreed work is not completed within one year after the renewal date, this franchise shall automatically expire at the end of the one year period.

3. Refusal to Renew.

Notwithstanding the foregoing provisions, Franchisor shall not be obligated to renew this Franchise Agreement if:

a. Franchisor has determined in good faith to cease carrying on its business through franchises in the area which includes the Authorized Location, and has given Franchisee at least one hundred eighty (180) calendar days notice of intent

not to renew and has otherwise complied with applicable law concerning renewal of franchises; or

b. Experience has shown that over any consecutive twelve (12) month period, Franchisee has repeatedly failed to make payments and reports within ten (10) business days of the date they are actually due or has repeatedly and unreasonably been in material default of this Agreement; or

c. Franchisee's revenues have been consistently low as compared with all franchisees similarly situated over the past 2-year period and Franchisee has consistently demonstrated an unwillingness to take remedial actions recommended by Franchisor to improve Franchisee's sales and marketing methods.

II. DETERMINING THE AUTHORIZED LOCATION

A. Authorized Location Established at the Time Parties Execute Agreement.

If an Authorized Location has been set forth in paragraph I(A)(1) herein, Franchisee shall operate the FUJI GRILL restaurant, the Franchised Business, only at the identified Authorized Location, and the Parties' execution of this agreement is evidence of the Franchisor's approval of the identified location as an Authorized Location.

B. Authorized Location Not Established at the Time Parties Execute Agreement.

If, however, there is no specifically identified Authorized Location at the time when the Parties executed this agreement, Franchisee shall be responsible for purchasing or leasing a suitable site for a FUJI GRILL restaurant within ninety (90) days after execution of this agreement and obtaining the approvals from Franchisor necessary to assure that the site selected is an Authorized Location for the Franchised Business.

1. Site Selection of Authorized Location.

Franchisee is responsible for selecting an appropriate site for the operation of the FUJI GRILL restaurant prior to commencement of any construction or operations. All sites which are candidates for development by FRANCHISEE shall be in locations suitable to a FUJI GRILL and shall constitute premises appropriate in size and basic design for a FUJI GRILL restaurant. The location of said site, with a description of the site and photographs of the location and the condition of its premises (the "Site Survey"), must be submitted to and approved in writing by the Franchisor as the Authorized Location for the Franchised Business articulated in this Agreement prior to Franchisee's commencement of any operations at the site.

a. Franchisor Assistance.

If requested by Franchisee, Franchisor shall use reasonable efforts and its marketing experience to help analyze Franchisee's market area, using informal procedures, to determine traffic patterns, business opportunities, site feasibility and generally to assist Franchisee in determining feasibility of possible sites for an Authorized Location. Franchisor must approve any site and Franchisor shall have seven (7) days after identification of a physical site and submission of the Site Survey by Franchisee, to reject the site. If Franchisor does not reject the physical site within 7 days, Franchisee must still obtain full written approval of the site, including compliance with subparagraph 2 below [II(B)(2)], in compliance with this section of the Agreement before the physical site becomes an Authorized Location.

While Franchisor will utilize its experience and expertise in evaluating sites as possible Authorized Locations, nothing contained in Franchisor's analysis or approval of a site as an Authorized Location shall be interpreted as an indicator or a guarantee of Franchisee success at the location. Regardless of any assistance provided by Franchisor, it remains the sole responsibility of Franchisee to select a suitable site and otherwise secure an Authorized Location for Franchisee's Franchised Business.

In the event no acceptable site is established within ninety (90) days or such other time as provided by these Parties, then, on notice from Franchisor or Franchisee, this Agreement may be terminated and a fee, for the services of the Franchisor requested, through date of termination, may be charged against the Franchisee, or the Relocation Fee, as applicable at the rate of THREE HUNDRED FIFTY DOLLARS (\$350.00) per day, or any fraction thereof, for services rendered by Franchisor's staff. On termination, the remaining balance of the fee, after charges, shall be refunded to the Franchisee. Upon return of said amount, Franchisor shall be fully and forever released from any claims or causes of action Franchisee may have under or pursuant to this Agreement and any right, title or interest of Franchisee in the Marks or the System and any rights shall automatically revert to Franchisor. A copy of the release form is attached hereto as Exhibit E.

2. Franchisor General Approval in 90 Day Timeframe.

a. Establishing a FUJI GRILL restaurant which qualifies as a Franchised Business at an Authorized Location requires that the Franchisee obtain written approval of the proposed site and the condition of the premises, the terms and conditions upon which the site is leased or owned (with possible amendments to any lease as stated below), approval of any general modifications to the basic architectural plans and specifications for a FUJI GRILL restaurant which are contemplated or required to effectively establish a facility compatible with the FUJI GRILL System, specific approval of finalized architectural plans for a FUJI GRILL restaurant at the Authorized Location and verification that Franchisee has obtained all required licenses and permits to operate a FUJI GRILL restaurant at the site. The Parties hereto agree that Franchisee may not commence any development, construction or operation of a FUJI GRILL restaurant until the written approvals from Franchisor as set forth herein are obtained.

b. Franchisee shall be responsible for purchasing a suitable site, or leasing same, at Franchisee's option. Said purchase or lease shall occur within ninety (90) days after date of execution hereof, in the case of a new franchise, or, in the case of the relocation/rebuilding of a restaurant, within ninety (90) days of the termination, destruction, condemnation, or prior Agreement, unless the Parties otherwise agree in writing.

Final site approval of Franchisor may be withheld for any business reason in the sole discretion of the Franchisor. Franchisor's approval of the site location and condition of the Premises may also be made contingent upon its approval of the terms and purchase or lease, as applicable and set forth in paragraph 5 below [II(B)(5)], and/or approval of the plans for the development of the restaurant at the proposed site as set forth in paragraphs 3, 6 and C below [II(B)(3 and 6) and II(C)], at Franchisor's option.

3. Franchisor Approval of Architectural Modifications.

Franchisor will provide to Franchisee a set of basic architectural designs or plans for a prototype FUJI GRILL restaurant pursuant to the FUJI GRILL System per paragraph VIII(B) below. Franchisor will also provide to Franchisee the basic specifications to be utilized as the minimum standards for the establishment of a FUJI GRILL restaurant according to the FUJI GRILL System. Franchisee shall then apply and tailor the prototypical architectural designs and specifications to the specific site under consideration, making whatever modifications to these designs and specifications that Franchisee deems appropriate. All modifications to the basic architectural design of a FUJI GRILL restaurant required or contemplated by Franchisee at the site, must be approved in writing by the Franchisor prior to any operation of the Franchised Business. These architectural modifications and site improvements are conditions at the site which in Franchisee's opinion require modifications to the prototypical architectural plans and specifications provided by Franchisor for the development of a facility compatible with the FUJI GRILL System (including restaurant dimensions, exterior design, materials, interior design and layout, equipment, fixtures, furniture, trade dress, signs and décor), provided that said proposed modifications to Franchisor's prototypical plans and specifications are made only to the extent required to comply with applicable local ordinances, building codes, and permit requirements. Once Franchisee's general architectural modifications have been approved by Franchisor, Franchisee shall then submit these proposed modifications to a local architect, selected from a list approved by Franchisor, for finalized adaptation and creation of the final plans for the Franchised Business at the Authorized Location pursuant to paragraphs VIII(B)(1-2) and IX(C), below.

4. Franchisor Verification of Licensing Requirements.

Franchisee shall also obtain all required zoning changes, if any, to operate a FUJI GRILL restaurant, and likewise, shall obtain the necessary business, building, health, sanitation, utility and sign permits and licenses required to establish a FUJI GRILL restaurant at the Authorized Location, per paragraph IX(C)(1) below. Franchisee shall provide copies of the required licenses and permits to Franchisor prior to undertaking any

operation at the site, and Franchisor will then confirm to Franchisee that these licenses and permits are in good order, per paragraphs VIII(B)(1) and IX(C)(1) below.

5. Franchisor Review and Approval of Real Property Agreements.

At or about the same time Franchisee submits the site survey, basic architectural modifications and licensing certifications for Franchisor review, Franchisee shall also submit the lease for the premises (if site is to be leased), or a purchase agreement for the premises (if site is to be purchased). If Franchisee owns the site Franchisee shall submit to Franchisor proof of title to the premises, and any encumbrances thereupon.

For any site which is to be a leased, Franchisor shall have prior approval of the lease, and approval shall be conditioned upon the inclusion in the lease of terms acceptable to the Franchisor, which at Franchisor's option shall contain provisions including, but not limited to:

a. A provision reserving to Franchisor the right, at Franchisor's election, to receive an assignment of the leasehold interest upon termination or expiration of the franchise grant;

b. A provision which expressly requires the lessor to provide to Franchisor all sales and other information lessor may have related to the operation of the Franchised Business, as Franchisor may request;

c. A provision which requires the lessor concurrently to provide to Franchisor a copy of any written notice of deficiency or default under the lease sent to Franchisee and which grants to Franchisor, in its sole discretion, the right (but not obligation) to cure any deficiency under the lease within fifteen (15) business days after the expiration of the period in which Franchisee had to cure any such default should Franchisee fail to do so;

d. A provision which evidences the right of Franchisee to display the Marks in accordance with the specifications required by Franchisor's Operation Manual or prototypical plans and specifications, subject only to the provisions of applicable law;

e. A provision that the Premises be used for the operation of a Franchised Business; and

f. A provision which expressly states that any default under the lease shall constitute default under this agreement.

These lease provisions shall be obtained by Franchisee and submitted to Franchisor not later than ninety (90) days after execution of this Agreement.

6. Approval of Finished Architectural Plans.

After determining the general architectural modifications needed to construct and operate a FUJI GRILL restaurant at the Authorized Location, and obtaining Franchisor's approvals, Franchisee shall select a local architect, recommended and/or approved by Franchisor, to prepare finished plans suitable for use as construction documents and for obtaining approvals required by local building authorities and in compliance with local building codes, pursuant to paragraphs VIII(B)(3) and IX(C) below. When the finished plans are completed, a copy will be presented to Franchisor for approval. After Franchisor approves these finished plans, Franchisee may then obtain the necessary building permits and licenses required to commence construction or build-out, and then begin actual construction of the Franchised Business.

C. Further Preparation of Site.

After obtaining Franchisor's written approval of the finished plans for Franchised Business at the Authorized Location Franchisee may then proceed to purchase or lease equipment, fixtures, furniture. Franchisee may also retain contractors and execute installation and decoration agreements for the Franchised Business, in compliance with the finished plans and specifications previously approved by Franchisor, and in conformance with all applicable building codes, ordinances and permits. Franchisee may also obtain all customary contractors' sworn statements and partial and final waivers of liens for construction, remodeling, decorating and installation services, and otherwise complete the development of the Fuji Grill restaurant per this Agreement. Said further preparation following written approval of the finished plans by the Franchisor shall be completed not later than one hundred eighty (180) days after execution of this Agreement, or after the date of termination, destruction, condemnation or agreement to relocate as set forth below.

D. Relocation.

As seen from the preceding paragraphs it is the intention of the Parties that the Franchisee operate the Franchised Business only in the Authorized Location. However, if the lease for the site of the Franchised Business at the Authorized Location expires or terminates without fault of the Franchisee, or if the site is destroyed, condemned or otherwise rendered unusable, or as otherwise may be agreed upon in writing by Franchisor and Franchisee, Franchisor shall grant permission for relocation of the Franchised Business at a location and site acceptable to the Franchisor, pursuant to the procedures described herein. Any such relocation shall be at Franchisee's sole expense and Franchisor shall have the right to charge Franchisee a relocation fee in the sum of EIGHT THOUSAND FIVE HUNDRED DOLLARS (\$8,500.00) payable on Franchisee's application to Franchisor to relocate as a condition to Franchisor's approval. Said fee is a nonrefundable fee, subject only to Franchisee's failure to establish a relocation site for the restaurant, and Franchisee may be charged for Franchisor's assistance with site selection, if any, at the rate set forth in Paragraph 1(a), before the balance, if any, is refunded.

E. Full Compliance Required.

Execution of the Franchise Agreement by the Franchisor shall not constitute approval, promise of approval, or waiver of any term or condition to be performed by Franchisee under Paragraphs II or IX hereof, notwithstanding that Franchisee may have submitted documentation regarding site selection, lease/purchase terms for a site, or plans for development, or any of these categories of documentation, concurrently with the execution of this Agreement. Nor shall a concurrent submission of any or all of the foregoing documentation, plans or leases, constitute complete consideration for Franchisee's signature hereto. The Franchisee further understands that successful completion of the performance required of the Franchisee under paragraph II shall not constitute Franchisor's approval, promise of approval, or waiver of Franchisee's full performance of all of Franchisee's other obligations under this Agreement.

III. PROPRIETARY MARKS

A. Franchisee acknowledges that Franchisor is the owner of all right, title and interest, together with all the goodwill, of the Marks. Franchisee further acknowledges that Franchisee's right to use the Marks is derived solely from this Agreement and is limited to the conduct of the Franchised Business by Franchisee pursuant to and in compliance with this Agreement, the FUJI GRILL System, and all applicable standards, specifications and operating procedures prescribed by Franchisor from time to time during the term of this Agreement. Any unauthorized use of the Marks by Franchisee is a breach of this Agreement and an infringement of the rights of Franchisor in and to the Marks. Franchisee acknowledges that all usage of the Marks by Franchisee and any goodwill established by Franchisee's use of the Marks shall inure to the exclusive benefit of Franchisor, and that this Agreement does not confer any goodwill or other interest in the Marks upon Franchisee. Franchisee shall not, at any time during the term of this Agreement or after its termination or expiration, contest the validity or ownership of any of the Marks or assist any other person in contesting the validity or ownership of the Marks. All provisions of this Agreement applicable to the Marks apply to any and all additional trademarks, service marks and commercial symbols authorized for use by and licensed to Franchisee by Franchisor.

B. Franchisee shall not use any Mark or portion of any Mark as part of a corporate or trade name or with any prefix, suffix, or other modifying words, terms, designs or symbols, or in any modified form. Franchisee shall not use any Mark in connection with the sale of any unauthorized product or service or in any other manner not expressly authorized in writing by Franchisor. Franchisee shall give such notices of trademark and service mark registrations as Franchisor specifies and obtain such fictitious or assumed name registrations as may be required under applicable law.

C. Franchisee shall promptly notify Franchisor of any claim, demand or cause of action based upon or arising from any attempt by any other person, firm, partnership or corporation to use the Marks or any colorable imitation thereof. Franchisee shall also notify Franchisor of any action, cause of action, claim, lawsuit or demand against Franchisee relating to the Marks within ten (10) days after Franchisee receives

initial notice of said action, claim, lawsuit or demand. Upon receipt of timely notice of an action, claim, lawsuit or demand against Franchisee relating to the Marks, Franchisor may assert any legal remedy on its behalf that it deems appropriate, and shall have the right to control all action taken against said action, claim, lawsuit or demand. Franchisor shall have no obligation to defend, indemnify or hold Franchisee harmless as to any claim, demand or action against Franchisee arising out of the use of the Mark on any grounds. Franchisor shall have the exclusive right to contest or bring action against any third party regarding the third party's use of any of the Marks and shall exercise such right in its sole discretion. In any defense or prosecution of any litigation relating to the Marks or components of the System undertaken by the Franchisor, Franchisee shall cooperate with Franchisor and execute any and all documents and take all actions as may be desirable or necessary in the opinion of their counsel, to carry out such defense or prosecution. Both Parties shall make every effort consistent with the foregoing to protect, maintain and promote the Marks as identifying the System and only the System. NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, MAY BE MADE AT THIS TIME AS TO THE USE, EXCLUSIVE OWNERSHIP, VALIDITY OR ENFORCEABILITY OF THE MARKS IN THE FRANCHISOR, EXCEPT THE PRINCIPAL MARK, WHICH HAS BEEN REGISTERED UNDER LAW.

D. If it becomes advisable at any time, in Franchisor's sole discretion, for Franchisor to modify or discontinue use of any Mark, and/or use one (1) or more additional or substitute trade names, trademarks, service marks or other commercial symbols, Franchisee shall comply with Franchisor's directions within a reasonable time after notice to Franchisee of such modifications by Franchisor. Franchisee hereby waives any rights or recourse against, and covenants not to sue Franchisor for any loss or damages from the loss of, loss of use of, or modification of any Mark. Franchisee shall defend, indemnify and hold Franchisor harmless for any claim, demand or action arising out of Franchisee's unauthorized modification, alteration or misuse of any Mark by the Franchisee.

E. In order to preserve the validity and integrity of the Marks and copyrighted materials licensed herein and to assure that Franchisee is properly employing the same in the operation of its Franchised Business, Franchisor or its agents shall have the right of entry and inspection of the Franchised Business at the Authorized Location and the operating procedures at said location at all reasonable times. Franchisor shall have the right to observe the manner in which Franchisee is rendering its FUJI GRILL services and conducting its operations, to confer with Franchisee's employees and customers, and to select Menu Items, Trademarked Products, ingredients, food and non-food products, beverages and other items, products and supplies for test of content and evaluation purposes in order to make certain that the Menu Items, Trademarked Products, ingredients, food and non-food products, beverages and other items, products, materials and supplies are satisfactory and meet the quality control provisions and performance standards established by Franchisor.

F. Franchisee shall not establish a Web site on the Internet using any domain name containing the words "FUJI GRILL" or any variation thereof without prior written

consent from Franchisor. Franchisor retains the sole right to advertise on the Internet and create a Web site using "FUJI GRILL" domain name. Franchisee acknowledges that Franchisor is the owner of all rights, title and interest in and to such domain names as Franchisor shall designate in the Operation Manual. Franchisor retains the right to pre-approve Franchisee's use of linking and framing between Franchisee's Web pages and all other Web sites. If requested by Franchisor, Franchisee shall, within five (5) days, dismantle any frames and links between Franchisee's Web pages and any other Web sites.

IV. CONFIDENTIAL OPERATION MANUAL

A. Franchisor shall loan to Franchisee during the term of this Agreement and any renewal thereof one (1) copy of the FUJI GRILL Operation Manual ("Manual" or "OPERATION MANUAL") containing specifications, standards, operating procedures and rules prescribed by Franchisor for FUJI GRILL restaurants and information relative to other obligations of Franchisee hereunder. The manual is also used to convey from Franchisor to Franchisee advancements and new developments in sales, marketing, operational techniques and other items and procedures relevant to the operation of the Franchised Business. Franchisor retains the right to add to and otherwise modify the Manual from time to time, to make changes in the specifications, standards, operating procedures and rules prescribed by Franchisor for FUJI GRILL restaurants, provided that no such addition or modification shall alter any term or provision hereof, or any agreement referred to herein.

B. The Manual shall at all times remain the sole property of the Franchisor and shall promptly be returned upon the expiration or other termination of Agreement.

C. Franchisee acknowledges that the Operation Manual contains proprietary information of Franchisor and shall be kept confidential by Franchisee both during the term of this Agreement and any renewal thereof. Further, Franchisee agrees that the Operation Manual and its contents shall be kept confidential subsequent to the expiration and/or termination of this Agreement, if termination occurs. Franchisee shall at all times also ensure that its copy of the Manual be available at the Premises and in a current and up-to-date manner, and likewise promises that at no time shall the Manual be used or provided to unauthorized personnel. Franchisee shall maintain the Manual in a locked location at the Authorized Location, and shall only grant authorized personnel, as defined in the Manual, access to the key or lock combination of such location. In the event of any dispute as to the contents of the Manual, the terms of the master copy of the Manual maintained by Franchisor at Franchisor's home office shall be controlling.

V. CONFIDENTIAL INFORMATION

A. Franchisee acknowledges that its entire knowledge of the operation of a FUJI GRILL restaurant including, without limitation, the method of preparation of Menu Items, Trademarked Product and other food products, and other specifications, product formulae, standards and operating procedures of a FUJI GRILL restaurant is derived from information disclosed to Franchisee by Franchisor and that such information is

proprietary, confidential and the trade secret of Franchisor. In addition, any enhancements, adaptations, derivative works, modifications or new processes ("Improvements") developed by Franchisee, its owners or employees for use in the processes, services or products of FUJI GRILL Copyrighted Works, Manual or System shall constitute proprietary information of Franchisor. "Trade Secrets" refer to the whole or any portion of know-how, knowledge, methods, recipes, formulae, specifications, processes, procedures and/or Improvements regarding the FUJI GRILL restaurant and the System that is valuable and secret in the sense that it is not generally known to competitors of Franchisor. Franchisee shall maintain the absolute confidentiality of all such information during and after the term of this Agreement, and shall not use any such information in any other business or in any manner not specifically authorized or approved in writing by Franchisor.

B. Franchisee shall divulge such confidential information as described herein only to the extent, and only to such of its employees, as must have access to it in order to operate the Franchised Business. Any and all information, knowledge and know-how including, without limitation, drawings, materials, equipment, techniques, restaurant systems, product formulae, recipes and other data which Franchisor designates as confidential shall be deemed confidential for purposes of this Agreement, except information which Franchisee can demonstrate lawfully came to its attention prior to disclosure thereof by Franchisor; or which, at the time of disclosure by Franchisor to Franchisee, had lawfully become a part of the public domain, through publication or communication by others; or which, after disclosure to Franchisee by Franchisor, lawfully becomes a part of the public domain, through publication or communication by others.

C. Due to the special nature of the confidential information, Marks and Operation Manual of Franchisor, Franchisee hereby acknowledges that Franchisor shall be entitled to immediate equitable remedies including, but not limited to, restraining orders and injunctive relief in order to safeguard such proprietary, confidential and special information of Franchisor and that money damages alone would be an insufficient remedy with which to compensate Franchisor for any breach of the terms of Paragraphs III, IV and V of this Agreement. Franchisee, each owner of Franchisee, and all persons employed in the operation of the Franchised Business by the Franchisee shall execute a Proprietary Information Non-Disclosure Agreement in the form and format prescribed by the Franchisor (a copy of said non-disclosure agreement is attached hereto as Exhibit B), on the execution of the Franchise Agreement. The Franchisee shall have a continuing responsibility thereafter to obtain the signature of each person employed in any manner in the operation of the Franchised Business by the Franchisee, and of each person to whom, or all partners, shareholders or members of each business entity to which any interest in the Franchisee is sold or transferred at any time thereafter, for any cause or reason. Signatures required hereunder shall be an express term of, and constitute a material consideration for the sale/transfer, or employment, as applicable. Compliance herewith is a condition to, and in consideration of the grant of the Franchised Business, and a violation thereof at any time by the Franchisee, constitutes a default hereunder.

D. Franchisee acknowledges and agrees that Franchisor owns or is the licensee of the owner of the copyrighted works and may further create, acquire or obtain licenses for certain copyrights in various works of authorship used in connection with the operation of Franchised Business including, but not limited to, all categories of works eligible for protection under the United States Copyright Law, all of which shall be deemed to be "Copyrighted Works" under this Agreement. Such Copyrighted Works include, but are not limited to, the Operation Manual, advertisements, promotional materials, posters and signs, and may include all or part of the Marks, Software, trade dress and other portions of the System. Franchisor intends that all works of authorship related to the System which are created in the future shall be owned by it.

1. Franchisor may authorize Franchisee to use the Operation Manual, marketing material, artwork, including the Software and other items subject to copyright projection;

2. The Copyrighted Works are the valuable property of Franchisor or its licensors;

3. Franchisee's right to use the Copyrighted Works are granted solely on the condition that Franchisee complies with the terms of Paragraph VII of this Agreement; and

4. Franchisee will use the Copyrighted Works only as Franchisor designates.

E. Franchisee must promptly notify Franchisor when Franchisee learns of an unauthorized use of the confidential information or any Copyrighted Work. Franchisor does not have to take any action against any unauthorized user of the confidential information or Manual, but will respond to this information as Franchisor deems appropriate and shall control any action taken. Franchisee shall cooperate with Franchisor and execute any and all documents and take all actions as may be directed by Franchisor in the course of preparing or participating in any action. If it becomes necessary or desirable to the Franchisor to modify or discontinue use of any copyright or proprietary information, Franchisee shall comply within a reasonable time after notice. Franchisee hereby waives any rights or recourse against, and covenants not to sue Franchisor for any loss or damages as a result of the loss, or loss of use of any copyright of proprietary information. Franchisor shall have no obligation to defend, indemnify or hold Franchisee harmless as to any claim, demand or action against Franchisee in connection with, or arising out of the use of any confidential information, or the copyright, on any grounds.

F. If Franchisee makes or acquires any Improvements to the process, services or products of FUJI GRILL Copyrighted Works, Manual or System, Franchisee agrees to release any interest in, and transfer all right, title or claim in and to such Improvements to Franchisor, on demand, in accordance with the agreement of the Parties entitled, "Release and Assignment of Rights to Improvements Agreement," (a copy of which is attached hereto as Exhibit C) in consideration of the grant of the Franchised Business made under this Agreement and without the payment of additional consideration by Franchisor.

Franchisor may include any Improvements made or acquired by Franchisor in the FUJI GRILL Copyrighted Works, Manual and the System for use by all FUJI GRILL Franchisees or Franchisor. If Franchisor seeks patent protection or copyright registration for any such Improvements, it shall do so at its own expense. Franchisee shall also execute or have the creator of said Improvements execute all documents necessary to enable Franchisor to apply for intellectual property rights protection and to secure all rights to such Improvements. Franchisee shall assign or have the authors assign to Franchisor any intellectual property rights in such Improvements, pursuant to the Release and Assignment of Rights to Improvements Agreement, and shall require all owners of at least 10% interest in the Franchisee, and each person employed in the operation of the Franchised Business by the Franchisee, to execute same, on the execution of the Franchise Agreement. The Franchisee shall have a continuing responsibility thereafter to obtain the signature of each person employed in any matter in the operation of the Franchised Business by the Franchisee, and of each person to whom, or all partners, shareholders or members of each business entity to which any interest in the Franchisee is sold or transferred at any time thereafter, for any cause or reason. Signatures required hereunder shall be an express term, and constitute a material consideration for the sale/transfer, or employment, as applicable. Compliance herewith is a condition to, and in consideration of the grant of the Franchised Business, and a violation thereof at any time by Franchisee constitutes a default hereunder. Franchisee agrees to the requirements of this Paragraph in recognition of the benefits that can be derived by FUJI GRILL Franchisees from the Improvements made by other FUJI GRILL Franchisees. The provisions of this Paragraph shall not constitute consent by Franchisor to the modification by Franchisee of any FUJI GRILL Copyrighted Works, Manual or the System or the creation of any derivative work based on any FUJI GRILL copyright and Franchisee must obtain Franchisor's express written consent prior to making such modification or derivative work.

VI. DEVELOPMENT OF THE SYSTEM

Franchisor reserves the right to add to, develop and improve the FUJI GRILL System ("System") presently identified by the Marks, including, without limitation, new and modified trade names, marks and other proprietary information, specifications for food storage, preparation and service equipment, computer hardware and software, food products, Menu Items and techniques for the improved operation of all FUJI GRILL restaurants. Some Improvements may be mandated by law. Other improvements or modifications may occur through the ongoing improvement of the Franchised Business by the Franchisor. Franchisee shall pay for the cost of acquiring and/or incorporating said Improvements into each restaurant owned by the Franchisee, within the time established in the Operation Manual. The cost of acquiring and/or incorporating Improvements to the Franchisee may not exceed the sum of TEN THOUSAND DOLLARS (\$10,000.00) per year, or the total sum of TWENTY-FIVE THOUSAND DOLLARS (\$25,000.00) (both figures shall be adjusted subject to increases in the Department of Labor Consumer Price Index [CPI]) during the initial term of this Agreement. No Franchisee shall be required to incur any cost for the acquisition/incorporation of Improvements, beyond the investment made to open a FUJI GRILL restaurant, for a period of at least (1) year after the date of opening.

VII. ADVERTISING

Recognizing the value of advertising and the importance of the standardization of advertising and promotion to the furtherance of the goodwill and the public image of the FUJI GRILL Franchised Business, Franchisee agrees as follows:

A. Franchisee shall submit to Franchisor or its designated agency, for its prior approval, all promotional materials and advertising to be used by Franchisee including, but not limited to, newspapers, radio, television and internet advertising, specialty and novelty items, signs, containers and boxes. In the event written disapproval of said advertising and promotional material is not given by Franchisor to Franchisee within thirty (30) days from the date such material is received by Franchisor, said materials shall be deemed approved. Failure by Franchisee to conform with the provisions for submission of advertising and promotional materials, and any subsequent non-action by Franchisor to require Franchisee to cure or remedy this failure and default, shall not be deemed a waiver of future requirements to submit promotional materials and advertising, nor shall it be deemed a waiver of any other provision of this Agreement. The submission of advertising to Franchisor for approval shall not affect Franchisee's right to determine the prices at which Franchisee sells its products or services. Franchisor also reserves the right, at its option, to revoke its approval of advertising at any time the advertising fails to continue to meet Franchisor's criteria.

B. Franchisee shall spend a minimum of ONE THOUSAND FIVE HUNDRED DOLLARS (\$1,500.00) on newspaper, direct mail advertising, and other advertising or promotional items through other media including, without limitation, product samples, during the two or three weeks prior to the opening of the Franchised Business to the general public ("Grand Opening Advertising"). Such Grand Opening Advertising shall be conducted in accordance with the Manual.

C. As Franchisor has established the system-wide FUJI GRILL Advertising and Development Fund ("Advertising Fund"), each calendar month Franchisee shall contribute to the Advertising Fund an amount not to exceed one percent (1%) of the Net Sales derived from the Franchised Business, as defined in Paragraph X(B)(2) of this Agreement. Franchisee's required payments to the Advertising Fund shall be made at the same time, in the same manner as and in addition to the Royalty Fee provided in Paragraph X herein. Such payment shall be made in addition to and exclusive of any sums that Franchisee may be required to spend on local advertising and promotion. The Advertising Fund shall be maintained and administered by Franchisor or its designee, as follows:

1. Franchisor shall direct all advertising programs with sole discretion over the creative concepts, materials and media used in such programs and the placement and allocation thereof. Franchisee agrees and acknowledges that the Advertising Fund is intended to maximize general public recognition and acceptance of the Marks for the benefit of the System and that Franchisor and its designee undertake no obligation in administering the Advertising Fund to make expenditures for Franchisee which are

equivalent or proportionate to its contribution, or to ensure that any particular Franchisee benefits directly pro rata from the placement of advertising by the Advertising Fund.

2. The Advertising Fund may be used to cover the cost of creating, producing and distribution of advertising and promotion, in any form, in any media, of the FUJI GRILL restaurants, including such related public relations and marketing activities as are reasonable to that end. Advertising Funds shall be maintained in an account separate from all other funds of the Franchisor. Franchisor may receive a reasonable fee for its services to administer, create, produce, direct, and distribute advertising and promotional activities.

3. It is anticipated that all contributions to the Advertising Fund shall be expended for advertising and promotional purposes during Franchisor's fiscal year when contributions are made. If, however, excess amounts remain in the Advertising Fund at the end of each fiscal year, all expenditures of the Advertising Fund in the following fiscal year(s) shall be made first out of any current interest or other earnings of the Advertising Fund, next out of any accumulated earnings and finally from principal.

4. Although Franchisor intends the Advertising Fund to be of perpetual duration, Franchisor maintains the right to terminate the Advertising Fund. The Advertising Fund shall not be terminated, however, until all monies in the Advertising Fund have been expended for advertising and promotional purposes.

5. An accounting of the operation of the Advertising Fund shall be prepared annually and shall be made available to Franchisee upon request. Franchisor reserves the right, at its option, to require that such annual accounting include an audit of the operation of the Advertising Fund prepared by an independent certified public accountant selected by Franchisor and prepared at the expense of the Advertising Fund.

6. Each FUJI GRILL restaurant operated by Franchisor offering products and services similar to the Franchised Business shall make contributions to the Advertising Fund equivalent to the contributions required of Franchised Business within the System.

7. The media selected by the Advertising Fund to advertise and promote the interests of FUJI GRILL may be print, radio, television or other, and may be local, regional or national, at Franchisor's discretion. Franchisor may conduct said advertising through in-house operations or through an agency.

D. Franchisee shall also spend each calendar month on local advertising and promotion, an additional amount equal to ONE THOUSAND DOLLARS (\$1,000.00) or one percent (1%) of Net Sales, whichever is greater, as defined in Paragraph X(B)(2) of this Agreement and in the Operation Manual. Franchisee shall make all local advertising and promotion expenditures pursuant to Franchisor's guidelines as stated in the Operation Manual. Any deviation from such guidelines requires prior approval by Franchisor or Franchisor's designed advertising agency. Franchisor reserves the right, in Franchisor's sole discretion, to require Franchisee to contribute up to one hundred percent (100%) of

the required local advertising expenditures to cooperative advertising as provided in Paragraph VII(E) of this agreement below. Within thirty (30) days of the end of each month, Franchisee shall furnish to Franchisor, in a manner approved by Franchisor, an accurate accounting of Franchisee's expenditures on local advertising and promotion for the preceding month just ended. Franchisor shall provide guidelines for local advertising and any deviation from such guidelines requires the prior approval of Franchisor or Franchisor's designated advertising agency.

E. Franchisee shall not advertise or use in advertising or any other form of promotion, the copyrighted materials, trademarks, service marks or other symbols of Franchisor without the appropriate © or ® registration marks or the designation "TM" or "SM", for trademark or service mark, where applicable.

VIII. OBLIGATIONS OF FRANCHISOR

A. Site Approval and Assistance.

As noted in paragraph II(B)(1) above Franchisee is responsible for submitting a site acceptable to Franchisor as a proposed site to operate a FUJI GRILL restaurant as a Franchised Business, and Franchisor retains the right to approve or reject the submitted site as an Authorized Location. The approval of Franchisor shall be provided in good faith and be based upon Franchisor's experience in operating and franchising of FUJI GRILL restaurants, and said written approval must be obtained by Franchisee prior to Franchisee's commencement of any operations as a Franchised Business.

Upon request from Franchisee, Franchisor shall assist Franchisee to analyze Franchisee's market area, using informal procedures and experience, to determine site feasibility, and to assist Franchisee in choosing candidate sites for an Authorized Location per paragraph II(B)(1)(a) above. While Franchisor will utilize its experience and expertise in evaluating physical sites, nothing contained herein shall be interpreted as an indication of or guarantee of success for the location. Franchisee assumes all risk related to the selection of a site, including its suitability for success or failure. Final site selection as an Authorized Location shall be subject to the approval of Franchisor, which approval may be withheld for any business reason. Approval shall be obtained by Franchisee giving Franchisor written notice of the proposed location along with such additional information as described in the site survey described in paragraph II(B)(1) above.

B. Provide Basic Plans and Specifications for Architectural Lay-Out and Interior Décor.

At the time of execution of this Agreement Franchisor will provide to Franchisee prototypical architectural plans showing the basic architectural design and configuration of a prototype FUJI GRILL restaurant. Franchisor will also provide the basic specifications for construction of a prototype FUJI GRILL restaurant in accordance with the Fuji Grill System. These plans and specifications are provided as a guide for

assessment of the location. They are basic concepts but not finalized for construction, making improvements, furnishing and equipping the proposed Franchised Business. These plans and specifications are designations of a prototype FUJI GRILL restaurant, and are not actual construction documents appropriate for any specific location. Franchisee may then utilize these basic documents to tailor the prototype architectural plans and specifications for its specific and individualized use at Franchised Business operated by Franchisee at the Authorized Location.

1. List of Approved Architects.

Franchisor will also provide Franchisee with a list of architects in the general area of Franchisee's Territory which have been approved by Franchisor as design professionals who are familiar with the basic plans and specifications of a FUJI GRILL restaurant, and who have the needed skills and ability to adapt and incorporate any architectural modifications or changes in the specifications in the design and construction of the prototypical FUJI GRILL restaurant necessitated by the site or desired by the Franchisee at the Authorized Location. The professionals on the list shall also be competent in the adaptation of FUJI GRILL prototypical plans and specifications to local building codes.

2. Approval of Architect's Finished Plans of Franchised Business at Authorized Location.

Upon completion of the Architect's finished plans including all of the proposed modifications and improvements for the proposed Franchised FUJI GRILL restaurant, which also incorporate the requirements of all applicable local building codes, Franchisee shall provide Franchisor with a copy of said finished plans, prior to obtaining the necessary permits and licenses to begin construction. Franchisor shall review the finished plans, and no actual construction or premises improvement may commence on the proposed restaurant until Franchisor gives written approval of the finished plans submitted by Franchisee. Following approval of the finished plans by Franchisor Franchisee shall then proceed to obtain the necessary permits and licenses to commence construction, and shall also retain an approved contractor. Franchisor must receive and approve the finished plans in a timely manner so that the necessary building permits may be obtained and construction or modification of the premises can be completed to enable the restaurant to open to the public within 180 days of execution of this Agreement.

3. List of Approved Contractors.

After Franchisee has determined what architectural modifications are to be made to the prototypical plans, if any, Franchisor will provide Franchisee with a list of approved contractors who are located in the general area of the Approved Location, and are experienced in the construction or build-out of fast food restaurants in Franchisee's Territory. Franchisee, at its own expense will select one of the approved contractors to do the actual building of the Franchised Business at the Approved Location in accordance with the final architectural plans submitted by the architect and in compliance with all local building codes and permits.

C. Lease Approval.

If the Franchised Business is to be operated pursuant to a lease Franchisee shall submit a copy of the lease or proposed lease for the Authorized Location, along with such additional information as Franchisor may request, to Franchisor. Franchisor shall review the lease and make recommendations for inclusion of terms and conditions into the lease of provisions particular to the franchise relationship as indicated in paragraph II(B)(5) above. Approval may be withheld for any business reason. Review and approval of a lease by Franchisor does not include review or approval of the legal sufficiency of the lease and shall not be interpreted as an assurance that the rights or interests of the Franchisee are adequately protected.

D. Proprietary Food Products.

Franchisor or its designated suppliers shall provide Franchisee with FUJI GRILL Menu Items, recipes and mixes which are secret and proprietary food products of Franchisor. The sale of proprietary food products to Franchisee may include a markup or profit to Franchisor.

Franchisor may also make some inventory and supply items available for purchase by Franchisee, which may include a markup or profit to Franchisor. Franchisee is not required to purchase any inventory or supply items from Franchisor, except as stated herein, or in the Operation Manual. Franchisee may purchase other inventory and supplies to whatever extent Franchisee determines to be in its best interest.

All inventory, products and materials and other items and supplies used in the operation of the Franchised Business which are not specifically required to be purchased in accordance with Franchisor’s Approved Supplies List or in compliance with the Operation Manual shall conform to the specifications and quality standards set by Franchisor which are in place when the Franchised Business opens to the public. Franchisor reserves the right to established new specifications and quality standards from time to time, and when so established shall inform Franchisee of the new standard.

Franchisor requires that the Franchised Business shall at times maintain an on-hand inventory of ingredients, food and beverage products and other products, materials and supplies sufficient to operate the FUJI GRILL restaurant at maximum capacity, or as specified in the Operation Manual.

G. Confidential Operation Manual.

As stated in paragraph IV above, Franchisor shall loan Franchisee a copy of the FUJI GRILL Confidential Operation Manual. Franchisor may from time to time revise the contents of the Confidential Operation Manual so as to convey to Franchisee

advancements and new developments in sales, marketing, operational techniques and other items and procedures relevant to the operation of the Franchised Business.

Franchisor will send new pages or completely revised Confidential Operation Manuals to Franchisee, at no cost to Franchisee.

H. Training and Assistance.

Franchisor will conduct a comprehensive training program in the management and operation of the Franchised Business for the Franchisee, as specifically designated below. The Franchisee or Franchisee's designated manager must attend and successfully complete the first portion of the training program to the satisfaction of Franchisor prior to the opening of the Franchised Business. There is no charge for the training program. However, Franchisee is responsible for all travel, food, lodging, and other expenses incurred by Franchisee or Franchisee's manager in connection with attendance at the training program.

If Franchisee or Franchisee's designated manager fail to complete the training program to the satisfaction of Franchisor, then Franchisor shall have the right to terminate this Franchise Agreement and all rights granted to Franchisee hereunder as described below.

1. Approximately four (4) weeks prior to Franchisee's commencement of operations, Franchisor shall make an initial training program available to any two (2) employees of Franchisee. The initial training program shall be up to four (4) weeks in duration. The selected candidates are required to attend and successfully complete such program. The initial training program shall be conducted at Franchisor's headquarters or other location agreed upon by the Parties and consists of two weeks of training. Said training program shall include classroom training and on-the-job training at a FUJI GRILL restaurant and shall cover the material aspects of the operation of a FUJI GRILL restaurant, including financial controls, general bookkeeping procedures, food preparation, service and operational techniques, familiarization with recipes and cooking procedures, marketing and advertising techniques, sanitation and maintenance procedures, deployment of labor, basic human resources and personnel management, customer service, maintenance of quality standards and an understanding of the FUJI GRILL Operation Manual. 2. The second two weeks of initial training shall occur at the Franchised Business. For up to one (1) week immediately preceding the initial opening of the Franchised Business, and for one (1) week after the opening of the restaurant, Franchisor shall furnish to Franchisee one (1) of Franchisor's representatives for the purpose of assisting and facilitating the opening of the Franchised Business. 3. If Franchisor determines, in its sole discretion, that Franchisee or the other persons designated as training candidates by Franchisee are unable to satisfactorily complete the initial training program, Franchisor shall have the right to terminate this Agreement in the manner provided for herein, despite the fact that a restaurant site has been established, and all other terms have been complied with as of the date Franchisor gives notice to Franchisee of cancellation for failure to satisfactorily complete training. Franchisee shall have thirty (30) days from the Franchisor's notice of the training default to cure the default, and within the thirty (30) day period after notice of training default to the Franchisee, Franchisor shall offer such additional training, upon request by Franchisee, at the Franchisor's rate for services set forth herein. Franchisee's compliance with the additional training requirements after Franchisor's notice of training default, shall require completion of FUJI GRILL training to the satisfaction of the Franchisor, and payment in full to the Franchisor, on demand, for the cost of the additional training at the rate of FIVE HUNDRED DOLLARS (\$500.00) per day, or any fraction thereof. On termination of this Agreement, the remaining balance of the Franchise Fee, after charges, shall be refunded to the Franchisee. Upon return of said amount, Franchisee shall be fully and forever released from any claims or causes of action Franchisee may have under or pursuant to this Agreement and any right, title or interest of Franchisee in the Marks, and any such rights shall automatically revert to the Franchisor.

4. Franchisor from time to time, and in its sole discretion, may provide or may require that previously-trained and experienced franchisees, their managers and/or employees attend and successfully complete refresher training programs or seminars to be conducted at Franchisor's location. Attendance at such refresher training programs or seminars shall be at Franchisee's sole expense, provided, however, that attendance shall not be required by Franchisee or its employees at more than two (2) such programs in any calendar year, and shall not exceed five (5) business days in duration during any calendar year.

Continuing education is conducted at corporate headquarters and all franchised restaurants are expected to send one representative, and Franchisee shall cover the expenses incurred by the attending representative.

6. If Franchisee designates new or additional managers after the initial training program, Franchisor shall provide training to such managers at the rate set forth above. Any and all designated managers shall be required to successfully complete

the training program provided at Franchisor's headquarters or such other location designated by Franchisor. Franchisee shall bear all costs incurred by Franchisee's employees in attending such training program.

The costs for the provision of the representative from Franchisor for any period in excess of the two (2) week period provided by Franchisor shall be borne by Franchisee pursuant to paragraphs 2 and 3 above [VIII(H)(2 and 3)].

J. Advisory Services.

Franchisor may provide to the extent required in Franchisor's sole judgment a continuing advisory service which may include, but is not limited to, consultation on promotional, business or operational problems, and analysis of Franchisee's service, sales, marketing, and financial data. Field representatives will be available for additional consultation and assistance requested by Franchisee on a fee basis by appointment only.

In order to monitor the manufacture, packaging, processing and sale of the Trademarked Products, Franchisor shall: (i) manufacture, supply and sell the Trademarked Products to Franchisor's franchisees; and/or (ii) disclose the designs or specifications of the Trademarked Products to a limited number of suppliers who shall be authorized by Franchisor to manufacture the Trademarked Products to Franchisor's precise specifications and to sell the Trademarked Products to Franchisor's franchisees. Franchisee acknowledges that Franchisee shall be required to use the Trademarked Products.

Franchisor will test and approve new products and menu items from time to time during the term of this Agreement. All new products and menu items that satisfy the high standards of quality established and maintained by Franchisor, and which Franchisor in its sole discretion deems to be marketable, will be made available to Franchisee and may thereafter be offered and sold by Franchisee in the operation of the Franchised Business.

Franchisor shall have the right to disapprove any proposed advertising and promotional materials submitted by Franchisee. However, any materials not disapproved in writing by Franchisor within ten (10) business days shall be deemed approved. IX. OBLIGATIONS OF FRANCHISEE

A. Site Selection and Opening.

Franchisee acknowledges and agrees that the franchised FUJI GRILL restaurant which is the subject of this Agreement is to be open to the public and fully operational within six (6) months [for purposes of this Agreement the six month period is equal to 180 days] from the date of execution of this Agreement by the Parties. As such, Franchisee shall not delay in selecting possible physical sites for the location of its Franchised Business. Franchisee shall select an appropriate physical site for the construction or build-out and operation of a FUJI GRILL restaurant in conformity with the FUJI GRILL System, with or without the assistance of Franchisor, and be fully prepared to open the facility to the public within one hundred and eighty (180) days of execution of this Agreement.

The Site Survey (consisting of a written description and photographs of the proposed site) for all possible locations must be submitted to Franchisor for approval by Franchisor per paragraph II(B)(1) above. If and when Franchisor provides written approval of the site submitted by Franchisee said site shall then become the Authorized Location of the Franchised Business.

The Authorized Location shall be used solely for the purpose of conducting a FUJI GRILL Franchised Business during the term of this Agreement, or any extension thereof.

B. Lease.

If the Authorized Location is held by Franchisee pursuant to a lease, Franchisee shall execute a lease approved by Franchisor for the operation of the Franchised Business at the Authorized Location within ninety (90) days after the date of this Agreement. Said lease shall also be in conformance with the provisions of paragraph II(B)(5) above.

If Franchisee fails to perform these obligations relative to the lease for any reason whatsoever, Franchisor shall have the option by written notice to cancel this Franchise Agreement and retain such portion of the initial franchise fee as has been paid by Franchisee to the date of cancellation, in the discretion of the Franchisor.

C. Architectural Modifications.

At the time of execution of this Agreement Franchisee shall receive from Franchisor a basic set of plans and specifications for a prototypical FUJI GRILL restaurant which conforms with the FUJI GRILL System per paragraph VIII(B) above.

The plans and specifications provided by Franchisor are not suitable for construction or application to local municipalities for appropriate building permits, and must be further modified and adapted by Franchisee to the Authorized Location. Franchisee shall also receive from Franchisor a list of approved architects in area per paragraph VIII(B) above.

Franchisee shall examine and analyze the basic plans and specification for a prototypical FUJI GRILL restaurant in light of the Authorized Location selected for its Franchised Business, making whatever modifications or adjustments which Franchisee believes are appropriate and necessary to the operation of its Franchised Business at the Authorized Location.

Franchisee will then submit the specific changes and modifications of the prototypical architectural plans and specifications which Franchisee believes to be required for the individualized operation of the Franchised Business at the Authorized Location to Franchisor for written approval. If Franchisor approves of the modifications Franchisee shall then retain at its own expense an approved architect to finalize the modifications and to create a set of finished plans and specifications for the construction of the Franchised Business at the Authorized Location. Said finished plans shall also meet all applicable building codes.

If Franchisor does not approve the suggested modifications of Franchisee, Franchisor shall explain why and work with Franchisee to create modifications which both Franchisee and Franchisor approve. Failure to reach agreement between these Parties on the requisite architectural modifications to allow for full and complete construction of the Franchised Business at the Authorized Location to be ready to open within 180 days of execution of this Agreement shall constitute a dissolution of this Agreement, absent a written modification to the contrary executed by both Parties.

1. Local Architectural Review and Building Code Compliance.

Franchisee agrees that prior to the commencement of any construction build-outs or improvements of the site Franchisee must, at its own expense, have any agreed upon architectural modifications in the prototype plans and specifications which are to be applied to Franchisee's proposed FUJI GRILL restaurant incorporated into a new set of finished plans prepared by a licensed architect. Said finished plans shall also incorporate all applicable building codes, and be suitable for use as construction plans. These finished architectural plans for the Franchised Business must then be first approved by Franchisor in writing, and then approved by the local building authority. All permits associated with the construction, renovation or improvement of the Authorized Location in accordance with the finished plans must also be obtained by Franchisee.

Even if Franchisee proposes no architectural modifications or changes from the basic prototypical plans and specifications provided by Franchisor, Franchisee must still, at its own expense, have a licensed architect, who has been previously approved by Franchisor, prepare a set of finished plans for the restaurant which Franchisee proposes to operate as its Franchised Business at the Authorized Location. Said finished plans shall incorporate all of the required provisions of any applicable building code, and be suitable

for use as construction plans. Said plans for the Franchised Business must then be approved first by Franchisor in writing, and then by the local building authority. All necessary permits for construction, renovation or improvement in accordance with said finished plans must also be obtained by Franchisee.

D. Restaurant Construction, Layout and Improvements.

Upon approval of the lease and the finished plans for architectural changes at the Authorized Location, as set forth above, Franchisee, at its own costs, will select an approved contractor and will commence construction and installation of the tenant improvements, trade fixtures, displays, and interior decor in accordance with the generalized space plan, work flow and general layout of a typical FUJI GRILL Restaurant as set forth in the prototype plans and specifications provided by Franchisor, and any approved architectural modifications. Franchisee shall not make any further changes to the restaurant layout or design without the prior written consent of Franchisor.

Franchisee shall complete the FUJI GRILL restaurant as the Franchised Business at the Authorized Location, and be ready to open the premises to the public, within one hundred eighty (180) days from the date of execution of this Agreement, or as otherwise agreed upon by these Parties.

E. Manager.

The Franchised Business shall at all times be under the direct, on-premises supervision of Franchisee or a trained and competent full-time manager who shall have direct authority to conduct all business operations of the Franchised Business. If Franchisee employs a full-time manager, Franchisee acknowledges that it shall remain obligated to supervise the operations of the Franchised Business as agreed upon by Franchisee and Franchisor. In the event Franchisee operates more than one (1) franchise, at least one (1) trained and competent employee referred to above shall act as a full-time manager. Franchisee shall keep Franchisor informed at all times of the identity of any manager(s) of the Franchised Business. Prior to appointing any person to the position of manager, the Franchisee shall advise Franchisor of the appointment with sufficient lead-time to allow the appointee to complete the initial training program set forth in Paragraph VIII(I) above, prior to assuming any duties as a manager. Franchisee shall pay all expenses incurred by the designated manager, including the cost of training by Franchisor at the rate of FIVE HUNDRED DOLLARS (\$500.00) per day, for each day of training, or fraction thereof. Except as expressly provided for in this Agreement, Franchisor shall have no obligation to train Franchisee, its owners, managers or employees.

Upon the death, disability, or termination of employment of the manager, Franchisee shall designate a successor manager within sixty (60) days. The successor manager must promptly complete the training program or otherwise satisfy Franchisor's requirements regarding management experience.

F. Standards of Quality.

In order to ensure that all Menu Items produced by Franchisee meet Franchisor's high standards of taste, texture, appearance and freshness, and in order to protect Franchisor's goodwill and Marks, the Menu Items and other food products shall be prepared only by properly trained personnel strictly in accordance with Franchisor's recipes, cooking techniques and processes as designated by Franchisor in its training and in its Operation Manual, and shall be sold only at retail to customers in conformity with Franchisor's marketing plan and concept. Franchisee acknowledges that such recipes, cooking techniques and processes are integral to the FUJI GRILL System and failure to adhere to such recipes, cooking techniques and processes (including the handling and storage of both ingredients and fully prepared Menu Items) shall be detrimental to the System and the Marks.

G. Quality Control.

Franchisee recognizes that it is essential to the proper marketing of FUJI GRILL products and to the preservation and promotion of its reputation and acceptance by the public at large, that certain uniform operating procedures, standards of quality and appearance of premises and merchandise be maintained. Accordingly, Franchisee agrees that:

1. Franchisee shall comply with all requirements set forth in the FUJI GRILL Operation Manual. Compliance with all terms, specifications and conditions in the Manual, and its amendments and all procedures, rules and policies shall be required of Franchisee as a term and condition to Franchisee's rights hereunder. Franchisee shall comply with the entire FUJI GRILL System including, but not limited to, the requirements of this Paragraph.

2. Franchisee will serve all menu items which Franchisor deems appropriate to take full advantage of the potential market and to achieve standardization in the FUJI GRILL franchise system;

3. Franchisee will not serve any items which are not set forth in the Confidential Operation Manual unless approved in writing by Franchisor;

4. Franchisee shall adhere to all specifications contained in the Confidential Operation Manual or as otherwise prescribed by Franchisor as to ingredients, methods of preparation and service, and standards of cleanliness, health and sanitation.

5. All food, drink and other items will be served and sold in packaging that meets Franchisor's specifications.

6. Franchisee shall use only displays, trays, napkins, boxes, bags, wrapping paper, labels, forms and other paper and plastic products imprinted with the Marks and colors as prescribed from time to time by Franchisor.

7. In order to ensure that all Menu Items produced by Franchisee meet Franchisor's high standards of taste, texture, appearance and freshness, and in order to protect Franchisor's goodwill and Marks, the Menu Items and other food products shall be prepared only by properly trained personnel strictly in accordance with Franchisor's recipes, cooking techniques and processes as designated by Franchisor in the Operation Manual, and shall be sold only at retail to customers in conformity with Franchisor's marketing plan and concept. Franchisee acknowledges that such recipes, cooking techniques and processes are integral to the FUJI GRILL System and failure to adhere to such recipes, cooking techniques and processes (including the handling and storage of both ingredients and fully prepared Menu Items) shall be detrimental to the System and the Marks.

8. Franchisee shall participate in annual continuing education as provided by Franchisor. Franchisee shall send at least one representative to Franchisor's continuing education course. Franchisee shall be responsible for the representative's attendance and associated expenses of the representative for no more than two (2) days of continuing education per year.

9. H. Opening of Business.

Franchisee shall commence business operations as a Franchised Business open to the public not less than one hundred eighty (180) days after execution of this Agreement, or as otherwise required or approved in writing by Franchisor, including the requirements of paragraph II(B)(5) herein relating to the securing of a lease for the Authorized Location. Prior to such opening, Franchisee shall have procured all necessary licenses, permits and approvals to operate a FUJI GRILL restaurant open to the public including, but not limited to, business, construction, health and safety permits, hired and trained the personnel to staff the restaurant, made all of the improvements to the facility approved by Franchisor and purchased the initial inventory.

If Franchisee for any reason fails to commence operation as herein provided, absent Franchisee being precluded from doing so by force majeure, within 180 days after the execution of this Agreement or written modification of this period by the Parties, such

If at any time in Franchisor's judgment the general state of repair or the appearance of the Premises or its equipment, fixtures, signs or décor does not meet Franchisor's quality control and standards therefore, Franchisor shall so notify Franchisee, specifying the action to be taken by Franchisee to correct such deficiency. At all times, Franchisor shall have access to Franchisee's Premises at such reasonable times and intervals, with or without notice, to inspect same for the purposes of this Paragraph. Further, Franchisee acknowledges that its failure to pay all amounts when due shall constitute a material default of, and grounds for termination of this Agreement.

T. Confidentiality.

Franchisee shall at all times treat as confidential and shall not at any time disclose, copy, duplicate, record or otherwise reproduce, in whole or in part, or otherwise

make available to any unauthorized person or source, the contents of the Confidential Operation Manual. Franchisee shall pay to Franchisor each week without offset, credit or deduction of any nature, for so long as this Agreement shall be in effect, a Royalty Fee equal to five percent (5%) of the Net Sales derived from the Franchised Business. Said Royalty Fee shall be paid weekly in the manner specified below or as otherwise stated in the Operation Manual.

1. Each week, Franchisee shall submit to Franchisor in such form as prescribed in the Manual, a correct statement, signed by Franchisee, of Franchisee's Net Sales for the preceding week ended Sunday. All Royalty Fees, advertising contributions, amounts due for purchases by Franchisee from Franchisor, and other amounts which Franchisee owes to Franchisor

shall bear interest after due date at the highest applicable legal rate for open account business credit, not to exceed one and one-half percent (1.5%) per month unless otherwise limited by applicable law, from the date payment was due to the date payment is received by Franchisor. Franchisee acknowledges that this Paragraph shall not constitute agreement by Franchisor to accept such payments after same are due or a commitment by Franchisor to extend credit to, or otherwise finance Franchisee's operation of, the Franchised Business. Further, Franchisee acknowledges that its failure to pay all amounts when due shall constitute grounds for termination of this Agreement, as provided in Paragraph XIV hereof, notwithstanding the provisions of this Paragraph.

D. Application for Past Indebtedness.

Notwithstanding any designation by Franchisee, Franchisor shall have the sole discretion to apply any payments by Franchisee to any past due indebtedness of Franchisee for Royalty Fees, advertising contributions, purchases from Franchisor, interest or any other indebtedness.

This Agreement and all rights hereunder may also be assigned and transferred by Franchisee and, if so, shall be binding upon and inure to the benefit of Franchisee's successors and assigns, subject to the following conditions and requirements, and Franchisor's right of first refusal as set forth herein:

1. Franchisee shall give Franchisor written notice of any intent to sell, assign, transfer, or convey any interest in this Agreement, in the franchise granted hereby, any assets of the franchise, or in any proprietorship, partnership or corporation which owns any interest in the franchise at least forty-five (45) days prior to taking any action with respect to the intended transfer, per paragraph XIII below. No Franchisee, partner (if Franchisee is a partnership), member (if Franchisee is a limited liability company), or shareholder (if Franchisee is a corporation), shall, without the prior written consent of Franchisor, by operation of law or otherwise, sell, assign, transfer, convey, give away or encumber to any person, firm or corporation, any legal or beneficial interest in this Agreement, in the Franchised Business granted hereby, or in any proprietorship, partnership or corporation which owns any interest in the Franchised Business. Any purported transfer or assignment not having the prior written consent of Franchisor shall be null and void and shall constitute material default under this Agreement. The term "transfer" hereunder shall include any change in the form by which the Franchisee does business, including change from proprietor to partnership, corporation, Limited Liability Company or other association, or from any business form, above, to any other, wherein the Franchisee elects to continue the Franchised Business after the change. Any decision to continue the franchise after change in business form shall be restricted by, and subject to the Franchisor's right of first refusal per the terms of this Paragraph and Paragraph XIII.

2. Franchisor shall not unreasonably withhold its consent to any transfer when requested; provided, however, that the following conditions and requirements shall first be met to the full satisfaction of Franchisor:

(a) Franchisee shall first extend a Right of First Refusal to Franchisor per the terms of Paragraph XIII below.

(b) No fractional interest in the license granted by this Franchise Agreement may be created or transferred. The rights and duties created by the Franchise Agreement are unitary and may not be divided in any way.

(c) The proposed transferee or its principals must meet Franchisor's reasonable requirements for satisfactory net worth, education, competent business experience and qualifications, good credit rating, and to be of good moral character, as applied by Franchisor on a non-discriminatory basis in selecting new franchisees, and must have or obtain before transfer all licenses required by law for operation of the Franchised Business. Franchisee shall provide Franchisor with such information as Franchisor may require to make a reasoned determination concerning each such proposed transferee(s). Franchisee shall also provide such information to Franchisor concurrently with notice of transfer and offer of sale as required by Paragraph XIII below. Said financial information shall be sufficient to the satisfaction of the Franchisor to make a determination of the matters set forth in this Paragraph. Failure to provide information to the satisfaction of the Franchisor hereunder shall extend all performance deadlines of the Franchisor's Right of First Refusal under Paragraph XIII until satisfactory information is received.

(d) The proposed transferee, or one of its principals, and its designated manager, if applicable, must have attended and satisfactorily completed Franchisor's initial training course.

(e) The proposed transferee (or its owners, if the proposed transferee is not an individual) must have duly executed an agreement to be bound by, and to assume and perform all the duties of the Franchisee under the Franchise Agreement.

(f) All maintenance, repairs, and renovation required to bring the Franchisee's premises at the Authorized Location into compliance with Franchisor's standards must have been completed.

(g) Franchisee shall have fully paid and satisfied all of Franchisee's obligations to Franchisor, and the transferee or Franchisee shall have fully paid in full to Franchisor a non-refundable transfer fee of one-half of the then-current initial franchise fee (\$15,000.00) on or before the date of execution of the agreement(s) under subparagraph (l) below by the transferee.

(h) Consent by Franchisor to a transfer of the franchise shall not constitute or be interpreted as consent for any future transfer hereof.

(i) The term of said agreements required pursuant to subparagraph (l) [XI(B)(2)(l)] below shall be for the un-expired term of this Agreement and for any extensions or renewals as provided herein.

(j) Any offer or acceptance of offer by Franchisee to transfer the franchise hereunder, shall contain an express provision that the offer or acceptance, as applicable, is subject to the terms of this Paragraph, and the Franchisor's Right of First Refusal under Paragraph XIII below.

(k) Further, in the event that any of Franchisee's rights under this Agreement are, or become, the property of or are held by a corporation or a limited liability company or similar entity (the "Business Entity"), then any issuance, redemption, or transfer of the equity or voting securities of the Business Entity, or any disposition of the assets of the Business Entity in one transaction or in a series of transactions which, in the aggregate, result in more than a twenty-five percent (25%) change in the beneficial ownership of the Business Entity shall be deemed to be a transfer which requires the Consent of Franchisor. The relevant documents of Business Entity and all certificates or documents evidencing ownership of this Business Entity shall contain the following provision:

"The transfer of ownership in this Business Entity is subject to the restrictive provisions of a Franchise Agreement with FUJI GRILL, INC. Reference is made to the Franchise Agreement for all particulars."

In the event that any of Franchisee's rights under this Agreement are, or become, the property of or are held by a general or limited partnership (the "Partnership"), then the admission of a new partner, or the redemption, purchase, liquidation, or transfer of a Partnership interest, or any disposition of the assets of the Partnership, in one transaction or in a series of transactions which, in the aggregate, result in more than a twenty-five percent (25%) change in the beneficial ownership of Partnership shall be deemed to be a transfer which requires the consent of Franchisor. The partnership Agreement shall contain the following provision:

"This transfer of a legal or beneficial interest in the partnership is subject to the restrictive provisions of a Franchise Agreement with FUJI GRILL, INC. Reference is made to the Franchise Agreement for all particulars."

(l) The Parties to the transfer (Franchisor, Franchisee and "Transferee" [i.e. the recipient of the transferred Franchised Business at the Authorized Location]) shall execute all of the following within ninety (90) days of the receipt by the Franchisee of the Franchisor's refusal to purchase the franchise:

(1) A new Franchise Agreement under which the Franchisor is then granting franchise to transferee(s) and other standard ancillary agreements, including an individual and personal guarantee if new Franchisee is a partnership, corporation or a limited liability company, a copy of said guarantee is attached hereto as Exhibit "D" and Paragraph XVI(O). Likewise, any transferee shall receive the caveats as may be required by Franchisor under Paragraph XVI(T) below, and requisite Proprietary Information Non-Disclosure, and Release and Assignment of Rights to Improvements Agreements referenced herein, on the forms then used by the Franchisor which are incorporated herein as Exhibits "B" and "C" respectively.

(2) Franchisee shall also execute a general release, in a form prescribed by the Franchisor, of any and all existing claims against Franchisor, its officers, directors, agents and employees, except such claims as may not be waived by law. A copy of said general release is attached hereto as Exhibit "E."

3. In the case of any transfer hereunder on which the date of execution under subparagraph (l) [XI(B)(2)(l)] above, falls within the period of notice required for non-renewal under Paragraph II, above, and the Parties have failed to execute same before notice of non-renewal under law is required, Franchisor, at its option, may extend the current term of the franchise under California Business and Professions Code, Section 20026 for a sufficient time past date of execution to enable Franchisor to give sufficient notice of non-renewal under law in the event the Parties fail to execute their agreements timely.

4. Franchisee shall not, without prior written consent of Franchisor, place in, on or upon the location of the Franchised Business, or in any communication media, any form of advertising, or list with any business, real estate broker, agent or attorney any information relating to the sale of the Franchised Business or the rights granted hereunder.

5. No sale, assignment, transfer, conveyance, encumbrance or gift of any interest in this Franchise Agreement, or in the franchise granted hereby, shall relieve Franchisee, or the shareholders or partners participating in any transfer, of the obligations of the covenant not to compete contained in paragraph IX(U) of this Franchise Agreement, unless expressly waived in writing by Franchisor.

C. Transfer by Franchisee – Name Change Only.

If Franchisee has amended or changed its name (but not its organizational structure) and such amendment or change is not deemed a transfer as set forth in paragraph XI.B.2.(l) of this Agreement, this Agreement and all rights hereunder may also be assigned and transferred by Franchisee and, if so, shall be binding upon and inure to the benefit of Franchisee's successors and assigns; provided, however, that the Franchisee timely complies with and the transfer is made pursuant to and consistent with paragraphs XI.B.2. (including obtaining Franchisor's prior written consent), XI.B.3., XI.B.4. or XI.B.5. above, and the non-refundable transfer fee will be reduced to \$1,500.00.

D. Transfer by Franchisee – Assets Only (Not Franchise Agreement).

If Franchisee desires to transfer, sell or assign the assets (but not the Franchise Agreement) to a third party and such transfer is not deemed a transfer as set forth in paragraph XI.B.2.(l) of this Agreement, then Franchisee may do so provided Franchisee timely complies with and the transfer is made pursuant to and consistent with paragraph XI.B. above (including obtaining Franchisor's prior written consent), and paragraph XV below, including the termination of the Agreement.

E. Death of Franchisee.

The death of the Franchisee during the term of this Agreement shall affect a transfer of the interests held by the Franchisee to the Franchisee's heirs, survivors or estate per the terms set forth in paragraph XII below.

F. Right of First Refusal in Franchisor.

If at any time during the term of this Agreement, Franchisee receives a bona fide offer to purchase or transfer the franchise, which offer Franchisee is willing to accept, Franchisee shall give Franchisor written notice of the terms of the offer and the name of the offeror pursuant with the terms and conditions set forth in paragraph XIII below.

G. Hold Harmless Relative to Franchisee's Transfer.

Franchisee shall defend, indemnify and hold Franchisor harmless against any claim by a transferee or proposed transferee arising out of, or in connection with any transfer or attempted transfer of the franchise between Franchisee and said transferee under the terms of this Paragraph including any exercise of Franchisor's rights thereunder that may affect the transfer.

XII. DEATH OR INCAPACITY OF FRANCHISEE

A. Upon the death of the Franchisee, if the Franchisee is an individual, or upon the death of the majority shareholder or partner of Franchisee if Franchisee is a corporation or a partnership, the surviving spouse, adult children, or estate of the decedent shall have the right to operate the Franchised Business under the terms of this Agreement for a period of one hundred eighty days (180) from the date of said death. During that time, the surviving spouse, adult children, or estate of the decedent must either:

1. Satisfy all of the qualifications for a transferee or purchaser of a FUJI GRILL franchise as stated above, except that no transfer fee or initial franchise fee shall be charged; or

2. Subject to Franchisor's Right of First Refusal, sell, transfer, or assign the franchise to a person who satisfies all of the qualifications for a transferee or purchaser of a FUJI GRILL franchise.

B. The failure of the spouse, heirs or estate to perform the obligations set forth in paragraph A [XII(A)] above within the 180 day time limit, or failure to comply with one or more of Franchisee's obligations during said time limit shall constitute grounds for termination of the Franchise Agreement with proper notice hereunder.

C. If the Franchisee suffers an incapacitating disability, the Franchisor shall allow the spouse or attorney-in-fact of the person disabled, the same opportunities afforded the survivors of a decedent under Paragraphs A and B above, subject to the same

terms and conditions. Disability, hereunder, shall be defined as the precipitous substantial loss of/impairment to the ability of the Franchisee to devote the equivalent time, personal attention and effort to administer the franchise after the disabling event, that the Franchisee devoted to the franchise before the disabling event. Franchisee acknowledges the possibility of the sale of the franchise hereunder, before recovery from the disability, but consents thereto, despite the fact that a recovery may follow the sale. Franchisee further acknowledges and agrees that “loss” or “impairment” as used herein as constituting a disability hereunder, shall be a determination made at the sole discretion of the Franchisor, exercised in a reasonable manner, and with all due regard to available medical information and advice.

XIII. RIGHT OF FIRST REFUSAL PROCEDURES

A. If at any time during the term of this Agreement, Franchisee receives an offer from a third party to purchase, transfer or assign the franchise (“Offer”), which offer Franchisee is willing to accept, Franchisee shall first provide Franchisor written notice of the terms of the offer, including the purchase price and the terms of payment, and shall contain an express term that said offer is subject to the terms of transferability as set forth in Paragraph XI above, and the name or identity of the offeror. Said written notice shall be provided to Franchisor at least forty-five (45) days prior to the proposed date of sale, assignment or transfer.

B. Franchisor may elect to purchase the franchise on the same terms as contained in the notice of offer transmitted by Franchisee by giving notice back to Franchisee within thirty (30) calendar days after receipt of Franchisee's written notice of said offer. If Franchisor elects to purchase the franchise, Franchisor shall give written notice of its intent to exercise its rights hereunder to the Franchisee and to the proposed transferee. Franchisee hereby also agrees that Franchisor may pay the purchase price stated in the offer in cash, in lieu of any other term of payment in the offer, at Franchisor's option. Franchisor shall tender payment to Franchisee within ninety (90) days after giving notice of its intent to exercise its right of first refusal regarding said offer.

If Franchisor fails to give written notice of election within thirty (30) calendar days, or if Franchisor fails to tender payment as stated above following its election of its right of first refusal, Franchisee may sell to the offeror on the terms offered, subject to the provisions relating to transferability as set forth in paragraph XI above.

C. The sale of the franchise to any proposed transferee hereunder, may proceed only on such terms of payment as were presented to the Franchisor, or for cash. Transfer, sale or payments on any other terms must again be presented first to the Franchisor pursuant to paragraph A above [XIII(A)].

D. Nothing in this Paragraph XIII shall be construed to relieve the Franchisee and transferee from compliance with the terms and provisions of Paragraph XI above, as a condition to the completion of the transfer, after Franchisor's refusal to purchase.

XIV. TERMINATION AND DEFAULTS

A. Termination by Franchisee.

Prior to the termination of the initial term (as defined in paragraph I.B.1.) or prior to the termination of any renewal term (as defined in paragraph I.B.2.), if Franchisee is in substantial compliance with this Agreement and Franchisor materially breaches this Agreement and fails to cure such breach within a reasonable time after written notice thereof is delivered to Franchisor, Franchisee may terminate this Agreement for cause. Such termination shall be effective thirty (30) days after delivery to Franchisor of written notice that such breach has not been cured and that Franchisee elects to terminate the Agreement. A termination of this Agreement by Franchisee for any reason other than breach of this Agreement by Franchisor and Franchisor's failure to cure such breach within a reasonable time after receipt of written notice thereof shall be deemed a termination by Franchisee without cause.

B. Termination by Franchisor.

1. Franchisor may terminate the Franchise Agreement upon any of the following circumstances:

a. Upon seventy (70) days' prior written notice, if Franchisee fails to substantially comply with the lawful requirements imposed upon Franchisee under this Franchise Agreement and fails to cure such breach within the seventy (70) day notice period;

b. If Franchisee fails to pay any franchise fees or other amounts due to the franchisor or its affiliate within five (5) days after receiving written notice that such fees are overdue; or

c. Immediately, and without an opportunity to cure such default, if Franchisee does any of the following:

(1) Franchisee or the business to which the franchise relates has been the subject of an order for relief in bankruptcy, judicially determined to be insolvent, all or a substantial part of the assets thereof are assigned to or for the benefit of any creditor, or the Franchisee admits his, her or its inability to pay his or her debts as they come due;

(2) Franchisee abandons the franchise by failing to operate the business for five (5) consecutive days during which the Franchisee is required to operate the business under the terms of this Agreement, or any shorter period after which it is not unreasonable under the facts and circumstances for the Franchisor to conclude that the Franchisee does not intend to continue to operate the business, unless

such failure to operate is due to fire, flood, earthquake, or other similar causes beyond the Franchisee's control;

(3) Franchisee makes any material misrepresentations relating to the acquisition of the business or Franchisee engages in conduct which reflects materially and unfavorably upon the operation and reputation of the Franchised Business or system;

(4) Franchisee fails, for a period of ten (10) days after notification of noncompliance, to comply with any federal, state, or local law or regulation, including, but not limited to, all health, safety, building, and labor laws or regulations applicable to the operation of the franchise;

(5) Franchisee, after curing any failure in accordance with Section XIV.B.1.a. above engages in the same noncompliance whether or not such noncompliance is corrected after notice;

(6) Franchisee repeatedly fails to comply with one or more requirements of this Agreement, whether or not corrected after notice;

(7) The Franchisee's franchise or the business premises of the franchise are seized, taken over, or foreclosed by a government official in the exercise of his or her duties, or seized, taken over, or foreclosed by a creditor, lienholder, or lessor, provided that a final judgment against the Franchisee remains unsatisfied for thirty (30) days (unless a supersedeas or other appeal bond has been filed); or a levy of execution has been made upon the license granted by the Agreement or upon any property used in the Franchisee's business, and it is not discharged within five (5) days of such levy;

(8) Franchisee is convicted of a felony or any other criminal misconduct which is relevant to the operation of the franchise;

(9) Franchisor makes a reasonable determination that continued operation of the franchise by Franchisee will result in an imminent danger to public health or safety.

C. Mutual Termination.

Franchisee and Franchisor can terminate the Agreement by mutual written Agreement.

D. Conformance With Law.

To the extent that any of the provisions of this Section provide for periods of notice less than those required by applicable federal, state or local law, or provide for terminations, cancellation, non-renewal or the like other than in accordance with applicable law, such provisions shall, to the extent such are not in conformance with

applicable law, not be effective, and Franchisor and Franchisee agree to comply with applicable law in connection with each of these matters.

XV. RIGHTS AND DUTIES OF PARTIES UPON EXPIRATION OR TERMINATION.

Upon termination or expiration of this Franchise Agreement or the franchise for any reason, all rights of the Franchisee under the Franchise Agreement shall immediately terminate, but Franchisee agrees that the following duties shall survive termination of the Franchise Agreement:

A. Franchisee shall immediately cease to operate the Franchised Business under this Agreement, and shall not thereafter, directly or indirectly, represent to the public or hold himself out as a present or former franchisee of Franchisor.

B. Franchisee shall promptly pay Franchisor all sums owing under the terms of this Agreement, including all damages, costs, expenses, and reasonable attorneys' fees, incurred by Franchisor by reason of default on the part of Franchisee, whether or not the expenses occur before or after the termination or expiration of the franchise.

C. Franchisee shall immediately cease to use the Marks in advertising, forms, manuals, slogans, signs or in any other manner whatsoever. Franchisee shall not represent or advertise that Franchisee was formerly a FUJI GRILL franchisee, or that Franchisee did business under the Marks. Franchisee shall deliver to Franchisor, or its duly authorized representative, all materials and papers upon which the Marks appear. Franchisee will not, at any time, adopt or use any word or mark which is similar to or confusing with the Marks.

D. Franchisee shall ensure, at its own expense, that all mention of the Marks in connection with Franchisee is removed at the earliest possible time from all telephone and other directories, directory assistance records, building directories, signboards, membership rosters and every other place and publication.

E. Franchisee shall take all action necessary to cancel any assumed name or equivalent registration which contains any of the marks, and shall furnish Franchisor with satisfactory evidence of cancellation.

F. Franchisee shall immediately and permanently cease to use, by advertising or in any manner whatsoever, any confidential methods, procedures and techniques.

G. Franchisee shall, in the event it continues to operate or subsequently begins to operate any other business, not use any reproduction, counterfeit, copy or colorable imitation of the Marks either in connection with such other business or the promotion thereof, which is likely to cause confusion, mistake or deception, or which is likely to dilute Franchisor's exclusive rights in and to the Marks and shall not utilize any designation of origin or description or representation which falsely suggests or represents association or connection with Franchisor so as to constitute unfair competition.

Franchisee shall make such modifications or alterations to the Premises (including, without limitation, the changing of telephone number) immediately upon termination or expiration of this Agreement as may be necessary to prevent any association between Franchisor or the System and any business thereon subsequently operated by Franchisee or others, and shall make such specific additional changes thereto as Franchisor may reasonably request for that purpose, including, without limitation, removal of all distinctive physical and structural features identifying the System.

H. Franchisee shall immediately turn over to Franchisor all manuals, including the Operation Manual, customer lists, records, files, instructions, ingredient lists, recipes, brochures, agreements and any and all other materials provided by Franchisor to Franchisee relating to the operation of the Franchised Business (all of which are acknowledged to be Franchisor's property). Franchisee shall also turn over to Franchisor such documents and records as may be reasonably necessary or important to the continuation of business at the Authorized Location, including customer and vendor lists, leases and other contracts and legal documents or lists of outstanding payables and receivables.

I. Franchisor shall have the option to acquire any sign or sign faces bearing the Marks under subparagraph M below [XV(M)].

J. Franchisee hereby acknowledges that all telephone and facsimile numbers and Internet and electronic mail addresses used in the operation of the Franchised Business constitute assets of the Franchisor. Upon termination or expiration of this Agreement, Franchisee hereby assigns to Franchisor or its designee all Franchisee's right, title and interest in and to said telephone numbers and facsimile numbers and Internet addresses, and Franchisee shall notify the telephone company and all listing agencies of the termination or expiration of Franchisee's right to use any telephone numbers and facsimile numbers and Internet and electronic mail addresses and any regular, classified or other telephone directory listing associated with the Marks and authorize a transfer of same to or at the direction of Franchisor.

K. At the request of Franchisor, Franchisee shall assign all its interest in equipment or fixture leases and manufacturer and supplier agreements to Franchisor or its designee, and the assignee shall assume all continuing obligations thereunder.

L. At the request of Franchisor, Franchisee shall assign all its interest in any lease for the Authorized Location to Franchisor or its designee, and the assignee shall assume all continuing obligations thereunder.

M. Franchisee shall comply with the promises of confidentiality and the covenants regarding competition as set forth in paragraphs IX(T-U) herein which apply after termination of this Agreement.

N. Except where specifically released, all obligations of Franchisor and Franchisee which expressly or by their nature survive the expiration or termination of this

Agreement may be enforced by arbitration or other legal remedy, in accordance with the terms hereof.

O. Except as provided below, Franchisor shall purchase from the Franchisee, at the value of price paid, minus depreciation, all inventory, supplies, equipment, fixtures, and furnishings purchased or paid for under the terms of this Agreement or any ancillary or collateral agreement by Franchisee to Franchisor or its approved suppliers and sources, that are, at the time of the notice of termination or nonrenewal, in the possession of Franchisee or used by Franchisee in the franchise business. Franchisor shall have the right to receive clear title to and possession of all items purchased from the franchisee under this section. However, Franchisor will not be required to purchase any personalized items, inventory, supplies, equipment, fixtures, or furnishings not reasonably required to conduct the operation of the franchise business in accordance with this Agreement or any ancillary or collateral agreement or to which Franchisee, at the cessation of operation of the franchise business by Franchisee, cannot lawfully, or does not, grant Franchisor clear title and possession upon Franchisor's payment to Franchisee for the inventory, supplies, equipment, fixtures, or furnishings. Notwithstanding the above:

1. Franchisor's obligation under this section shall not apply when (a) Franchisor and Franchisee mutually agree to terminate or not renew the Agreement; (b) Franchisee declines a bona fide offer of renewal from the Franchisor; (c) Franchisor does not prevent Franchisee from retaining control of the principal place of the franchise business; (d) the franchise is terminated or not renewed due to a publicly announced and nondiscriminatory decision by Franchisor to completely withdraw from all franchise activity within the relevant geographic market area in which the franchise is located. For the purpose of this section "relevant geographic market area" shall have the same meaning as in California Business & Professions Code Section 20999; (e) any inventory, supplies, equipment, fixtures, or furnishings that are sold by Franchisee between the date of the notice of termination or nonrenewal, and the cessation of operation of the Franchisee's business, by Franchisee, pursuant to the termination or nonrenewal;

P. Upon the termination or nonrenewal of this Agreement, Franchisor may offset against the amounts owed to Franchisee any amounts owed by Franchisee to Franchisor.

XVI. MISCELLANEOUS

A. Governing Law.

1. This Agreement, and the rights of the Parties hereunder, takes effect upon execution of this Agreement by Franchisor and Franchisee and shall be construed, interpreted and governed by the laws of the State of California except to the extent it is governed by the United States Trademark Act of 1946 (Lanham Act, 15, U.S.C. Sections 1051 et seq.). Nothing herein contained shall be deemed to waive the

right of either party to obtain injunctive relief against threatened conduct that will cause loss or damage under the usual equity rules including the applicable rules for obtaining a preliminary injunction provided an appropriate bond against damages be provided.

2. Franchisee acknowledges that this agreement is entered into in Orange County, California, and that any action sought to be brought by either party, except those claims required to be submitted to arbitration shall be brought in the appropriate state or federal court with jurisdiction over Orange County, California. The Parties do hereby waive all questions of personal jurisdiction or venue for the purposes of carrying out this provision.

3. No right or remedy conferred upon or reserved to Franchisor or Franchisee by this agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy herein or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy.

4. Nothing herein contained shall bar Franchisor's right to obtain injunctive relief against threatened conduct that shall cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions.

B. Waiver.

Waiver of any default or breach of this Agreement by either Franchisee or Franchisor shall not be interpreted as a waiver of any subsequent default or breach.

Also, any failure of Franchisor to exercise any power reserved to it hereunder, or Franchisor's failure to insist upon strict compliance by Franchisee with any obligation or condition hereunder, and no custom or practice of the Parties in variance with the terms hereof, shall constitute a waiver of Franchisor's right to demand exact compliance with the terms hereof at any time thereafter. Waiver by Franchisor of any particular default by Franchisee shall not affect or impair Franchisor's right with any respect to any subsequent default of the same or of a different nature; nor shall any delay, waiver, forbearance or omission of Franchisor to exercise any power or rights arising out of any breach or default by Franchisee of any of the terms, provisions, or covenants hereof, affect or impair Franchisor's right to declare any subsequent breach or default. Subsequent acceptance by Franchisor of any payment(s) due hereunder shall not be deemed to be a waiver by Franchisor of its right to declare a default resulting from Franchisee's failure to make any other payment(s) hereunder.

Franchisee in its relationship with Franchisor hereunder is an independent contractor.

1. Nothing in this Agreement creates an agency or employment relationship between the Parties, nor is Franchisee a legal representative, joint venture, or partner of Franchisor for any purpose whatsoever. Franchisee shall make no representation to third Parties that it is an agent of Franchisor and it is understood between the Parties hereto that Franchisee shall be an independent contractor and is in no way authorized to make any contract, agreement, warranty or representation on behalf of Franchisor, or to create any obligation, express or implied, on behalf of Franchisor.

Such loss, claims, costs, expenses, damages and liabilities shall include, without limitation, those arising from latent or other defects in the Franchised Business, whether or not discoverable by Franchisor, and those arising from the death or injury to any person or arising from damage to the property of Franchisee or Franchisor, their agents or employees or any third person, firm or corporation, whether or not such losses, claims, costs, expenses, damages, or liabilities were actually or allegedly caused wholly or in part through the active or passive negligence of Franchisor or any of its agents or employees or resulted from any strict liability imposed on Franchisor or any of its agents or employees.

K. Entire Agreement.

This Agreement, together with its exhibits, and any agreements required to be signed under the terms hereof, shall be construed together and constitute the entire agreement between Franchisor and Franchisee relating to the complete rights, duties and obligations of the Parties. All agreements binding on these Parties are incorporated into this Agreement and its exhibits, and this Agreement supersedes any and all prior agreements of these Parties, if any.

Franchisee further warrants that no other representation has induced Franchisee to execute this Agreement, other than as stated herein, and there are no representations, inducements, promises or agreements, oral or otherwise, between the Parties not embodied in said Agreement. Statements or representations not incorporated into this Agreement, in writing, were neither relied upon, nor form a part of, this Agreement. However, nothing in the Franchise Agreement or in any related agreement, however, is intended to disclaim the representations Franchisor made to Franchisee in the Franchise Disclosure Document that Franchisor furnished to Franchisee.

L. Severability and Construction.

1. PARTIES: The parties to this agreement are FUJI GRILL, INC., hereafter, COMPANY; and

hereafter YOU or YOUR; YOUR (a) partners, if you are a partnership, (b) shareholders, if YOU are a corporation, or (c) members, if YOU are a limited liability company, hereafter as applicable, OWNERS, or PERSONS WITH AN OWNERSHIP INTEREST (said terms may be used interchangeably); and all persons not identified above, who are employed in any manner in the operation of the Franchise by YOU, hereafter EMPLOYEES. The effective date of this Agreement shall coincide with the date of COMPANY'S execution of a Franchise Agreement with YOU. That date shall be [_____]. This Agreement shall remain effective for the duration of the term of the Franchise, and any renewals thereof.

THIRD PARTY BENEFICIARY: All promises in this Agreement between YOUR OWNERS/PERSONS WITH AN OWNERSHIP INTEREST, YOUR EMPLOYEES, and YOU, made now, or consented to, by later signature to a copy of this Agreement, are made at the request of COMPANY, in consideration of the grant of the Franchise to YOU, and are expressly intended for the benefit of the COMPANY.

SIGNATURES: All signatures on this Agreement that YOU obtained before the execution of a Franchise Agreement with COMPANY are effective only upon COMPANY'S execution of this Agreement, and the execution of a Franchise Agreement with YOU, on or before the effective date above. COMPANY'S signature hereon is required to make this agreement binding on COMPANY. YOUR compliance hereunder is a condition to the execution of the Franchise Agreement by COMPANY, but does not bind the COMPANY to the execution of a Franchise Agreement.

In consideration of the grant of a Franchise from COMPANY, YOU agree to obtain the signatures of all YOUR OWNERS, and all YOUR EMPLOYEES, on the terms and conditions following:

OWNERS: YOU shall obtain the signature of each OWNER on this Agreement, or copy thereof, on or before the date of execution of a Franchise Agreement with COMPANY, as a condition to COMPANY'S execution of the Franchise Agreement. Thereafter, in the event that any OWNER or PERSON WITH AN OWNERSHIP INTEREST of 10% or more in YOU seeks to sell or transfer all or any part of said ownership interest, the sale or transfer shall be expressly conditioned upon, and made in consideration of the execution of this Agreement by the recipient transferee, or by all of its partners, shareholders or members, if the transferee is a partnership, corporation or limited liability company, respectively.

EMPLOYEES: YOU shall obtain the signature, on this Agreement, or copy thereof, of each person YOU employ in any manner in the operation of the Franchise, on or before the execution of a Franchise Agreement with COMPANY, as a condition to COMPANY's execution of a Franchise Agreement. Signing this Agreement shall be an express term of, and be given in consideration for said employment. After execution of a Franchise Agreement with COMPANY, YOU shall obtain the signature on this Agreement, or copy thereof, of each person YOU employ prior to employing same. No term or condition of this Agreement is intended to create an express or implied employment relationship between COMPANY and any person employed by YOU. YOU establish all terms and conditions of employment for your employees, once employed.

DEFINITIONS:

The following terms apply:

(a) The term, "proprietary information" means information that is not known by actual or potential competitors of the COMPANY, or not generally available to the public, that has been created, developed or become known to the COMPANY, or in which COMPANY has acquired or been assigned property rights, and has material, or potential material economic value to COMPANY, now or in the future. It includes trade secrets, discoveries, developments, designs, improvements, formulas, programs, processes, techniques, research, data, customer and supplier lists and all modifications, enhancements thereof, and such marketing, sales and financial information to which the undersigned may have access or become aware by reason of their relationship to YOU.

(b) The term “rights” means all patents, trademarks, service marks and copyrights of COMPANY.

CONFIDENTIALITY: You, and each of YOUR OWNERS and EMPLOYEES, acknowledge a duty to observe and protect the rights YOU have acquired from COMPANY to use its proprietary information that is:

- (a) related, useful or applicable to the operation of YOUR Franchise,
- (b) acquired or learned by the undersigned, while doing work for, or making use of the equipment, supplies, products or systems of the Franchise,
- (c) related, useful or applicable to the business of YOUR customers or clients, or those of COMPANY, which may become known to or retained by the undersigned in the course of their relationship with YOU.

TERMS OF NON-DISCLOSURE: Each person who signs this Agreement, promises:

- (a) to keep all proprietary information of COMPANY in strictest confidence,
- (b) not to disclose, use, induce or assist in the use or disclosure of any proprietary information under any circumstances, except in the course of doing work for the Franchisee, as an OWNER or EMPLOYEE,
- (c) to take all reasonable precautions to prevent any unauthorized person or entity from having access to, obtaining, or being furnished with any proprietary information.
- (d) to disclose to YOU any knowledge of unauthorized release or use of the proprietary information.

The promises above apply both during, and after termination of ownership of, or employment with YOU, and apply without regard to whether the termination was voluntary or involuntary.

Each person signing below further understands and agrees to hold any proprietary information that YOU may receive from any third party at any time in the future, for which YOU have a duty to maintain its confidentiality, in the strictest of confidences, and not to disclose, use, induce or assist in the use or disclosure of said information, except as may be necessary in the course of working for YOU.

TERMINATION OF RELATIONSHIP: Each person signing this Agreement as an OWNER or EMPLOYEE, promises to prevent any person from using or taking, and shall deliver only to YOU, without demand, all proprietary information, and all other materials and property of any nature belonging to YOU, or acquired, prepared or produced during employment with YOU, in his/her care, custody or control, upon termination of ownership of, and/or employment with YOU, as applicable. At all times after termination, the said undersigned agrees to remain bound by, and hereby affirms his/her duty to observe all promises made to YOU under the paragraph above entitled.

TERMS OF NON-DISCLOSURE.

NON WAIVER: No waiver of a breach, failure of a condition, or any right or remedy contained in, or granted by the terms of this Agreement shall be effective, unless the same is in writing and signed by the party against whom the waiver is asserted. No waiver shall constitute a continuing waiver of any other breach, failure, right or remedy.

SUCCESSORS: The terms of this Agreement are binding upon all successors of COMPANY, and all heirs, beneficiaries and persons or entities who become successors to any OWNER, by operation of law.

MODIFICATION: No term or provision of this Agreement shall be modified by any party or parties, without the prior written consent of COMPANY.

PHOTOCOPIES: A photocopy of this Agreement with signatures affixed as of the date of execution of a Franchise Agreement by COMPANY shall be a sufficient restatement of the terms herein as to constitute a “copy” of this Agreement, as that term is used above, to which the signatures of any later OWNER or EMPLOYEE may be affixed.

ENFORCEMENT/INDEMNIFICATION: YOU shall enforce all promises in this Agreement by your OWNERS and your EMPLOYEES, forthwith upon breach, at your sole expense. YOU shall indemnify COMPANY against any loss or damage resulting from a breach hereof by YOUR OWNER(S) or EMPLOYEE(S), and for the expense, including attorneys fees, of any proceeding instituted by COMPANY for any breach hereof by YOUR OWNER(S) or EMPLOYEE(S), on demand. COMPANY reserves the right to exercise all rights it may have under law. Any later determination that a term or provision of this Agreement is invalid or unenforceable, will not affect all

rights under the remaining terms or provisions.

ATTORNEYS FEES: The prevailing party in any dispute to enforce the terms hereof shall be entitled to reasonable attorneys fees and legal costs.

EXHIBIT D TO THE FRANCHISE AGREEMENT

CONTINUING GUARANTY

CONTINUING GUARANTY

This GUARANTY is given this [____] day of [_____], [____], by

hereafter GUARANTOR, or the UNDERSIGNED, for and in consideration of the execution of a Franchise Agreement (hereafter "AGREEMENT"), by FUJI GRILL, INC., hereafter COMPANY, granting a franchise to:

hereafter FRANCHISEE.

By his/her signature hereto, the UNDERSIGNED, for him/herself, successors and personal representatives, jointly and severally, unconditionally guarantees to COMPANY, and its successors, to pay and perform, when due, each and every undertaking, promise and covenant of the FRANCHISEE set forth in the AGREEMENT, as presently written, and as may changed, added to or modified, from time to time, under the terms thereof.

The liability of each GUARANTOR under this guaranty is unlimited. This guaranty is a continuing guaranty covering every indebtedness, liability and obligation of the FRANCHISEE to COMPANY, including that arising under successive transactions, which may continue, renew, or modify the indebtedness, liability or obligation in accordance with the AGREEMENT. The liability of the UNDERSIGNED, and each of them, is not contingent upon, nor in consideration of the liability of any other person or GUARANTOR hereto, and the release of any GUARANTOR or other person shall not act as a release, or otherwise affect the continuing liability of all remaining GUARANTORS hereunder.

The liability of each GUARANTOR under this guaranty is not affected by, and COMPANY has full authority and discretion hereunder, with or without notice to, knowledge or consent of GUARANTOR, to undertake, or agree to:

(a) the extension of time, other forbearance or indulgence in favor of FRANCHISEE, the acceptance of partial payment or performance therefrom, the compromise or release of any claim against, or the acceptance, release, substitution, alteration or loss of any security given by FRANCHISEE;

(b) the renewal, extension or modification of any indebtedness, liability, or obligation of the FRANCHISEE under the AGREEMENT, or the loss, impairment or waiver of any rights against FRANCHISEE thereunder by COMPANY;

(c) the discharge of any indebtedness, liability or obligation of the FRANCHISEE by operation of law;

(d) the assignment of the Guaranty by COMPANY;

(e) the addition, substitution or release of any co-guarantor.

Each GUARANTOR hereby waives notice of acceptance of guaranty, of any transaction, or creation, renewal or modification of any indebtedness, liability, or obligation entered into in reliance hereon; notice of demand, presentment or protest upon default or non-performance by FRANCHISEE; the right that COMPANY first proceed against FRANCHISEE, a co-guarantor or any other person, or to first proceed against or exhaust any security or other property of FRANCHISEE, before proceeding against the undersigned for the enforcement of the guaranty; all rights under California Civil Code §2809, which provides that a guarantor's liability not exceed his original obligation, and all rights, to the extent applicable, under California Civil Code, Sections 2810, 2815, 2819, 2839, 2845, 2847-2850, 2899 and 3433, to the fullest extent permitted by law; any applicable defenses under U.S. Bankruptcy Code, Sections 364 and 1111(b)(2); and all applicable statutes of limitation, as a defense or defenses to the obligations under this Guaranty.

The UNDERSIGNED further waives, to the extent applicable, and agrees not to assert any claim under Title 11, Section 101 of the United States Code, that he/she may not or later have against FRANCHISEE for any payment or transfer that the UNDERSIGNED is obligated to make to COMPANY under this Guaranty. The obligations of the UNDERSIGNED include all amounts paid to COMPANY by FRANCHISEE that are later recovered from COMPANY in a legal proceeding.

Any indebtedness of FRANCHISEE now or later owed to the GUARANTOR,

and any security received by the GUARANTOR from the FRANCHISEE in consideration of the GUARANTOR'S signature hereto, is subordinated to the GUARANTOR'S obligations hereunder, and shall be collected, enforced and received by the GUARANTOR as trustee for the COMPANY, and paid thereto on demand, without affecting GUARANTOR'S obligations hereunder.

COMPANY shall have no duty to advise or inform the UNDERSIGNED of the financial condition of FRANCHISEE, or of circumstances bearing on the risk of non-payment or performance. On COMPANY'S reasonable request, the UNDERSIGNED shall provide complete and current financial information about the UNDERSIGNED in the form and format requested.

This Guaranty is assignable with any one of several, or all of the indebtedness, liability and obligations that it guarantees, and when so assigned, GUARANTORS shall be bound, as set forth herein, to the transferees.

The UNDERSIGNED herewith warrants to COMPANY that the FRANCHISEE is authorized to execute the AGREEMENT.

If there is more than one signatory to the AGREEMENT, or more than one GUARANTOR, the terms "FRANCHISEE" and "GUARANTOR" shall refer to all, or any one or more of the persons within the term.

The UNDERSIGNED shall, without demand, reimburse COMPANY for all costs and expenses, including attorneys fees, incurred in the enforcement hereof, in the enforcement of the indebtedness, liability or obligations of the FRANCHISEE to COMPANY under the AGREEMENT or the engagement of counsel by COMPANY during a restructuring or "workout" of the indebtedness.

RELEASE AND WAIVER OF RIGHTS

RELEASE AND WAIVER OF RIGHTS

This instrument is executed this [____] day of [_____], [____] at [_____], California by and between FUJI GRILL, INC., hereafter, COMPANY, and

hereafter FRANCHISEE, whereby the parties intend to release and extinguish their rights and claims against each other.

IN CONSIDERATION of their mutual promises below, the parties agree as follows:

Except as otherwise provided below, each party, on its behalf, and on behalf of its successors, assigns and personal representatives, as applicable, hereby fully releases and discharges the other, and its successors, assigns and personal representatives, as applicable, from all rights, obligations, claims, demands, liabilities and actions which each, and its successors above, may have now, or acquire after the signing hereof, against the other, arising out of, or in any manner connected with: (1) the Franchise Agreement entered into on _____, by and between COMPANY and FRANCHISEE, as renewed and amended from time to time, and all ancillary or related agreements between the parties that were signed thereunder, and (2) the operation of the Franchise.

With full knowledge of, and despite the fact that California Civil Code, Section 1542 expressly provides that:

A general release does not extend to claims which creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor, each party hereby releases all others of all rights, obligations, claims, demands, liabilities and actions, whether known or unknown, foreseen, unforeseen, patent or latent, suspected or unsuspected, which each, and its successors above, may have now, or acquire after the signing hereof, against the other, arising out of, or in any manner connected with said Franchise

Agreement, above.

This release is freely and voluntarily made by both parties hereto. **Except as otherwise provided below**, each party understands and agrees to assume all loss, damage and liability for injury arising out of the relationship of the parties under the Franchise Agreement above that has occurred, or may occur to said party at any time after the execution hereof.

Both parties intend that this Release and Waiver of Rights constitutes a full and final resolution of all claims either may have, or may acquire against the other. **This release, however, does not relieve the FRANCHISEE of the obligation not to divulge information, trade secrets, ingredients, recipes, cooking techniques and processes, used in the Menu Items and other food and beverage products used in the system or any information stated in the Manual, and to respond in damages, if any, that result.**

This Release effects a settlement of claims which are contested or denied. Nothing herein shall be construed to be an admission by any party of any liability of any kind to the other, except as created or referred to herein.

Should any action or other proceeding be instituted to enforce the terms hereof, the prevailing party shall be entitled to reimbursement of reasonable attorneys' fees from the other.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTE 1: ORGANIZATION AND NATURE OF BUSINESS

Fuji Grill, Inc. (the “Company”), incorporated in California in November 2003, is primarily engaged in franchise operations to authorize and manage franchises sold by the Company. The franchisees are granted the right to operate Japanese restaurants under the brand name “FUJI GRILL”.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Franchise Operations:

The franchise agreements representing opened stores at December 31, 2020 consist of following:

	Number of Stores
At January 1, 2018	7
Stores opened	1
Stores closed	(1)
At December 31, 2018	7
Stores opened	—
Stores closed	—
At December 31, 2019	7
Stores opened	—
Stores closed	—
At December 31, 2020	7

The Company typically grants a franchise the right to open one or more franchise stores. Under the franchise agreement, a franchise is required to pay a non-refundable franchise fee, which is range from \$15,000 to \$30,000. Thereafter, the franchisee pays royalties of 5% of its net sales to the Company. Franchise agreements generally have an initial term of ten years and franchisee will have the right to extend the term of agreement for another ten years.

Revenue Recognition:

The Company adopted Topic 606 on December 31, 2018 using the modified retrospective transition method. The adoption of this standard update resulted in no tax impact. The Company adopted Topic 606 only for contracts with remaining performance obligations as of December 31, 2018, under the modified retrospective transition method.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition: (continued)

Comparative information from prior year periods has not been adjusted and continues to be reported under the accounting standards in effect for those periods under Topic 605. The adoption changed the timing of recognition of initial franchise fees, development fees, the reporting of advertising fund contributions and related expenditures.

The cumulative effects of the changes made to the Balance Sheets as of December 31, 2018, for the adoption of Topic 606 were as follows:

	Balance at December 30, 2018	Adjustments Due to ASC 606	Balance at December 31, 2018
Liabilities:			
Deferred franchise fee revenue	\$ —	\$ 57,065	\$ 57,065
Stockholder's equity:			
Retained earnings	\$ 19,780	\$ (57,065)	\$ (37,285)
(accumulated deficit)			

The Company sells individual franchises. The franchise agreements typically require the franchisee to pay an initial, non-refundable fee prior to opening the respective location(s), and continuing royalty fees on a weekly basis based upon a percentage of franchisee net sales. The initial term of franchise agreements are typically 10 years. Subject to the Company's approval, a franchisee may generally renew the franchise agreement upon its expiration. If a contract is terminated prior to its term, it is a breach of contract and a penalty is assessed based on a formula reviewed and approved by management. Revenue generated from a contract breach is termed settlement income by the Company and included in licensing fees and other income.

Under the terms of our franchise agreements, the Company typically promises to provide franchise rights, pre-opening services such as blueprints, operational materials, planning and functional training courses, and ongoing services, such as management of the marketing fund. Under ASC 605, initial franchise fees paid by franchisees for each arrangement were deferred until the store opened and were recognized as revenue in their entirety on that date. Upon adoption of Topic 606, the Company determined that certain pre-opening activities, and the franchise rights and related ongoing services, represented two separate performance obligations. The franchise fee revenue has been allocated to the two separate performance obligations using a residual approach. Revenue allocated to franchise rights and ongoing services is deferred until the store opens, and recognized on a straight line basis over the duration of the agreement, as this ensures that revenue recognition aligns with the customer's access to the franchise right.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition: (continued)

Royalty income is recognized during the respective franchise agreement based on the royalties earned each period as the underlying franchise store sales occur. Adoption of ASC 606 will not change when the royalty revenue is recognized, this new guidance did not impact the recognition of royalty income.

Impact of the Adoption of ASC 606

The adoption changed the timing of recognition of initial franchise fees. In accordance with the new revenue standard requirements, the following tables summarize the effects of the new standard on the Company's Balance Sheet and Statement of income for the year ended December 31, 2020.

	As reported December 31, 2020	Effect of change	Balance without ASC 606 adoption

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Restricted Cash:

The Company has restricted cash of \$18,531, \$51,646 and \$47,746 at December 31, 2020, 2019 and 2018, respectively, which is in the accounts held by the bank, to be used for the purpose of marketing.

Property and Equipment:

Property and equipment are stated at cost. Depreciation is computed using the straight-line method based on the estimated useful lives of the assets, generally ranging five to ten years. Leasehold improvements are amortized on the straight-line method over shorter of lease term or estimated useful life of assets. Repair and maintenance are expensed as incurred. Expenditures that increase the value or productive capacity of assets are capitalized.

Intangible Assets:

The Company amortizes intangible asset with finite lives on a straight-line basis over their estimated useful lives. Intangible assets consist of patent and goodwill which was stated at its development costs and is amortized over the period of fifteen years using the straight-line method.

Impairment of Long-Lived Assets:

Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of the assets to the future net cash flows expected to be generated by the asset.

Impairment of Long-Lived Assets: (continued)

If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value less selling expenses. Management determined that there was no impairment in the value of long-lived assets for the years ended December 31, 2020, 2019 and 2018, respectively.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Tax:

The Company, with consent of its shareholder, has elected under the Internal Revenue Code to be an S corporation. In lieu of corporate income taxes, the shareholder of an S corporation is responsible for reporting the income or loss based on its respective share of the Company's revenues and expenses for income tax purpose. Accordingly, no provision or liability for income taxes has been included in the accompanying financial statements. The Company accounts for uncertainties in income tax law under a comprehensive model for the financial statement recognition, measurement, presentation and disclosure of uncertain tax positions taken or expected to be taken in income tax returns as prescribed by Generally Accepted Accounting Principles ("GAAP").

The tax effects of a position are recognized only if it is more-likely-than-not to be sustained. Recognized income tax positions are measured at the largest amount that is greater than 50% likely of being sustained. Changes in recognition or measurement are reflected in the period in which the change in judgement occurs. As of December 31, 2020, the Company had not recorded any liability for uncertain tax positions.

Recently Issued Accounting Pronouncements:

In February 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-02, *Lease (Topic 842)*, which requires lessees to recognize leases on-balance sheet and disclose key information about leasing agreements. The new standard establishes a right of use ("ROU") model that requires a lessee to recognize a ROU asset and lease liability on the balance sheet for all leases with a term longer than 12 months. Leases will be classified as finance or operating, with classification affecting the pattern and classification of expense recognition in income statement. The Company expects that this standard will not have material effect on the financial statements.

NOTE 3: CONCENTRATIONS IN CASH

The Company maintains cash balances at a bank where amounts on deposit may exceed \$250,000 throughout the year. Accounts at the institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. The Company has not experienced losses in such account and believes it is not exposed to any significant credit risk on cash.

California State Addendum to the Franchise Disclosure Document

Any prospective Fuji Grill franchisee must note that:

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

In addition, note:

- A. The franchisor, any person or franchise broker in Item 2 of the FDD is not subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.
- B. OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION at www.dfpi.ca.gov.
- C. California Business and Professions Code 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.
- D. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law. (11 U.S.C.A. Sec. 101 et seq.)
- E. The franchise agreement contains a covenant not to compete, which extends beyond the termination of the franchise. This provision may not be enforceable under California law.
- F. The franchise agreement requires binding arbitration. The arbitration will occur at Orange County, California, with the costs initially being

borne equally by Fuji Grill and its franchisee, but upon judgment or final resolution of the arbitration the arbitrator may award the prevailing party its reasonable attorney's fees, costs and expenses incident to such action, in addition to any other relief to which such party may be entitled. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

- G. The franchise agreement requires application of the laws of California, except to the extent it is governed by the United States Trademark Act of 1946 (Lanham Act, 15, U.S.C. Sections 1051 et seq.). This provision may not be enforceable under California law.
- H. Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.
- I. You must sign a general release of claims if you transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 Voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).
