STATE COVER PAGE

Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrator listed in Exhibit G for information about the franchisor, or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHTS YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW.

Please consider the following RISK FACTORS before you buy this franchise:

1. THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH US BY LITIGATION ONLY IN SOUTH DAKOTA. OUT-OF-STATE LITIGATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST YOU MORE TO LITIGATE WITH US IN SOUTH DAKOTA THAN IN YOUR OWN STATE.

2. THE FRANCHISE AGREEMENT STATES THAT SOUTH DAKOTA LAW GOVERNS THE AGREEMENT, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTIONS AND BENEFITS AS LOCAL LAW. YOU MAY WANT TO COMPARE THESE LAWS.

3. YOU WILL NOT RECEIVE AN EXCLUSIVE TERRITORY. YOU MAY FACE COMPETITION FROM OTHER FRANCHISEES, FROM UNITS THAT WE OWN, OR FROM OTHER CHANNELS OF DISTRIBUTION OR COMPETITIVE BRANDS THAT WE CONTROL.

4. THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.

We use the services of one or more FRANCHISE BROKERS or referral sources to assist us in selling our franchise. A franchise broker or referral source represents us, not you. We pay this person a fee for selling our franchise or referring you to us. You should be sure to do your own investigation of the franchise.

1. THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The franchisor is ORION FOOD SYSTEMS, L.L.C. ("ORION"), a South Dakota limited liability company located at 2930 West Maple Street, Sioux Falls, South Dakota 57107; (605) 336-6961; inforequest@orionfoods.com; www.hotstuffpizza.com; formerly known as Hot Stuff Foods, L.L.C. ("HSF"), a South Dakota limited liability company also located at 2930 West Maple Street, Sioux Falls, South Dakota 57107. Orion Food Systems, L.L.C. changed its name to Hot Stuff Foods, L.L.C. on January 18, 2005. Hot Stuff Foods, L.L.C. changed its name back to Orion Food Systems, L.L.C. on January 3, 2011. ORION's Federal Tax ID Number has remained unchanged with these corporate name changes. ORION conducts business under its corporate name.

ORION's predecessor is Orion Food Systems, Inc. ("OFSI"), 2930 West Maple Street, Sioux Falls, South Dakota 57107, which was incorporated in South Dakota on October 20, 1993. As part of a corporate reorganization and change in ultimate ownership in February 2002, OFSI merged into a newly formed limited liability company named Orion Food Systems South Dakota, L.L.C., and that company's name then was changed to Orion Food Systems, L.L.C. On February 1, 2006, ORION's management completed a management buyout with financial backing from Allied Capital Corporation, a business development company, which was an investor in ORION. On April 1, 2010, Allied Capital Corporation was acquired by Ares Capital Corporation, another business development company. On October 30, 2006, ORION acquired Lettieri's Inc., a company that produced branded and private label food products for convenience store customers. On January 1, 2007, Lettieri's Inc. was merged with ORION, and was an operating division of ORION. Effective as of January 1, 2012, ORION formed a new, wholly-owned subsidiary, Lettieri's, LLC, a Delaware limited liability company, and contributed all of its assets related to the Lettieri's operating division of ORION to Lettieri's, LLC. On February 25, 2014, ORION sold Lettieri's, LLC. In December, 2014, Ares Capital Corporation sold ORION to One Rock Capital Partners, LLC.

ORION's parent is Orion Food Systems Holdings, LLC, a Delaware limited liability company with its principal business address of 30 Rockefeller Plaza, 54th Floor, New York, NY 10112.

ORION and its predecessors offered non-franchise licenses for "Hot Stuff Pizza" and various other food service businesses from 1986, and have offered franchises for "Hot Stuff Pizza" and various other food service businesses since 1994. ORION's predecessor and former affiliates Hot Stuff Food Systems, 2930 West Maple Street, Sioux Falls, South Dakota 57107, and Moose Bros. Food Systems ("Moose Bros."), 2404 Marrietta Place, Sioux Falls, South Dakota 57107 (both unincorporated divisions of Orion Enterprises, Inc., OFSI's predecessor, 2930 West Maple Street, Sioux Falls, South Dakota 57107), have owned and operated food service businesses under the "Hot Stuff Pizza," "Moose Bros." and other names since 1994.

Before late 1995, licenses and franchises for the ORION Hot Stuff Pizza and Smash Hit Subs Brands were granted by OFSI under its then-current name of Hot Stuff Food Systems, Inc. and licenses for Moose Bros., Cinnamon Street Bakery, Eddie Peppers, and Chix Chicken Brands were granted by Moose Bros. Food Systems. ORION currently franchises ORION Brands in various formats under this Disclosure Document, most typically under the "Hot Stuff Pizza" Brand name and/or Brand names such as "Hot Stuff Subs," "Smash Hit Subs," "SmashHits Deli," "Cinnamon Street Bakery," "C-Street Café," "C-Street Bakery," "C-Street Grille," "Eddie Peppers," "Chix Chicken", "Gourmet Grub Hot Stuff Pizza," "Chopz by Hot Stuff," and "Game Time Sports Grill" (along with from time to time other Brands listed below). ORION formerly offered non-franchise licenses and franchises under the Smash Hit Subs, SmashHits Deli, Cinnamon Street Bakery, C-Street Café, C-Street Bakery, C-Street Grille, Eddie Peppers, and Game Time Sports Grill Brands in a Disclosure Document geared towards accounts to be operated in hospitals, colleges, universities, and the like. ORION discontinued use of that Disclosure

Document in 2011. Until 2006, ORION also offered non-franchise licenses and franchises under the Nap's Alabama BBQ, Mean Gene's Burgers, Mean Gene's Pizza, and Asian Creations Brand. ORION formerly offered non-franchise licenses for very small-scale fully assembled frozen food Products with very limited support from ORION under the Hot Stuff Foods Xpress name from February 2010 through October 2011. ORION has offered franchises for the "Päävo's Pizza" Brand under a different Disclosure Document since February 2014.

ORION and its predecessors and affiliates do not offer, and have not offered, franchises in any other line of business. ORION may reacquire franchise units from time to time. In November, 2011, ORION reacquired a franchise unit located in Sioux Falls, South Dakota. ORION no longer operates such franchise unit. The South Dakota agent for service of process for ORION is CT Corporation System, 319 South Coteau Street, Pierre, South Dakota 57501-3108. A list of all agents for service of process is located within Exhibit J of this Disclosure Document.

ORION owns a proprietary system of know-how, processes, procedures, standards and specifications for a network of food service businesses selling food items which ORION or its affiliate distributes through food service units located in a host business (the "System"). The ORION program is licensed under a short-form franchise agreement (see Exhibit A; referred to as the "Franchise Agreement"). It and ORION's Operations Manual, Operations Manual Charts and Product Procedures Manual, and such other operations or product manuals/menus/charts we periodically implement (the "System Manual") describe the System. Even though we describe the ORION franchise here in simplified terms, the Franchise Agreement is the legal and binding contract that sets out the rights and obligations of ORION and you. ORION DOES NOT AUTHORIZE ANY OTHER INFORMATION, PROMISE OR REPRESENTATION TO BE COMMUNICATED TO YOU THAT IS NOT CONTAINED IN THIS DISCLOSURE DOCUMENT OR THE ATTACHED FRANCHISE AGREEMENT, OR IN PRINTED FRANCHISE SALES LITERATURE PREPARED BY ORION, AND YOU SHOULD NOT RELY UPON ANY OTHER INFORMATION PROVIDED BY OR FOR ORION IN DECIDING WHETHER TO PURCHASE AN ORION FRANCHISE.

ORION owns various names, Trademarks, stylized logos, slogans, and symbols used in the System. See Item 13. The predominant brand identification of the franchised facility in most cases is "Hot Stuff Pizza," and/or "Hot Stuff Foods," and/or "Hot Stuff Subs," and/or "Smash Hit Subs" or a related trademark designated by ORION, with certain additional food lines and Brands as designated by ORION in an exhibit to the Franchise Agreement.

We refer to the franchisee as "you" in this Disclosure Document. If you are a corporation, partnership or other organization, "you" may include the organization's owners.

ORION and its affiliates manufacture and distribute a proprietary line of food, packaging and related items ("Ingredients") and other items ("Supplies") used to prepare a proprietary line of food products ("Products") for sale to the public. You will be licensed to develop and operate a food service business for ordering, storing, preparing, merchandising and selling Products authorized for the ORION program, from a unit ("Unit") at an authorized location generally located within a host business such as a convenience store, grocery store, shopping mall, college, university, hospital, business and industry site, military base or the like (a "Host Facility"). We will grant you a franchise only for the particular Brand(s) designated in Attachment A to the Franchise Agreement, as well as such additional Products for such Brands that we designate periodically (as listed in the System Manual or in other written notices from us). The Franchise Agreement is identical for all Units, except for Attachment A, which lists the ORION Brand(s) you may install and operate at a particular location, and Attachment B, which lists the menu for any ORION Brand(s) (other than Hot Stuff Pizza, Hot Stuff Subs, Smash Hit Subs, Chopz by Hot Stuff, Gourmet Grub Hot Stuff Pizza, Chix Chicken, Chix Chicken Express and Game Time Sports Grill) that

you may install and operate at a particular location. The Unit may consist of various points of production, storage, and Product distribution throughout your Host Facility. You must purchase from us your requirements for food and related Products and supplies for your Unit. You may use our Trademarks only to advertise or sell Products we authorize. You must sell all of the required Products included on the menu (see Attachment B of the Franchise Agreement) of the ORION program for all Brands listed on Attachment A of the Franchise Agreement. (See Items 6, 8 and 16.) The standard term of the Franchise Agreement is five years from the date the Unit opens for business (the "Commencement Date"). ORION offers in some circumstances a reduced term of one to four years to franchisees who do not wish to participate in ORION's "Free on Loan" program (see Item 10) and who purchase all or substantially all of the equipment needed to operate a Unit.

ORION may change the System, Brands, menu, operations standards, and Ingredient, Supply, Product, facility, equipment and fixture requirements during the term of the franchise. You may have to make additional investments in the franchised business periodically during the term of the franchise if ORION makes changes or if the Unit's equipment or facilities wear out or become obsolete, or for other reasons.

The market in which you will operate is highly competitive, and vulnerable to the general state of the global, national, regional or local economy and to continuing changes in customer perception and choices of eating opportunities. You will compete with other national and local businesses offering competitive goods and services, including members of established national or regional franchise systems and other chains, some of which may be larger, older and better financed than ORION. You may also compete with the other ORION programs described above in the food service industry. Your business also will be affected by its location, including location and visibility of the Unit within the premises in which it is situated, the locations of competing food service businesses, your financial and managerial capabilities, your promotion of the Unit, availability of labor, changes that may occur in market traffic patterns, demographic or cultural conditions, consumer values and behavior and other factors.

Before training begins, you must obtain, and at all times during the term of the franchise you must keep in force, all necessary licenses and permits required by public authorities. You must comply with all federal, state, and local restaurant, food safety and handling, sanitation, menu and food labeling, public accommodations, building codes, fire safety, labor and all other laws, rules, and regulations regulating the Franchise, the Unit, and the business operated from it. You should also familiarize yourself with federal, state and local laws of a more general nature, which may affect the operation of your franchise.

ORION may, as it determines, establish and modify or discontinue a referral program where ORION employees, existing franchisees, former franchisees, or third parties may be compensated in goods, services, or currency for referring a qualified potential Host Facility for a Unit to ORION that results in the opening of a such a Unit.

You must not take any actions to construct, establish, operate or advertise the Unit until you and an ORION officer properly sign a Franchise Agreement for a Unit at a location to which ORION consents, and you receive written authorization from ORION to open the Unit. Also, your Unit(s) must be physically separated from any facility or work area that stores, handles, or displays any non-ORION supplied uncooked meat, poultry, eggs or seafood items.

On June 7, 2010 HSF filed a Complaint seeking damages it sustained after Cody Ventures transferred their fifteen franchises located throughout Missouri to another party without prior authorization, resulting in premature termination of the related Franchise Agreements. Cody Ventures also failed to return "Free on loan" equipment in its possession, and owned by HSF, at the time of termination. Notes to Table, above:

A. The Training Expenses include costs for sampling, labor hours expended in excess of the typical ongoing labor schedule, and any ancillary supplies you may need over and above materials purchased from ORION in the Opening Inventory supplied by ORION.

B. Installation of your Unit in a retail facility you own or lease should require no additional investment in real property. Utility hookups are needed; electric service (150 to 300 amps) is required; an exhaust hood, vent and fire suppression system is sometimes required. The cost for each of these items typically ranges from $1,500 to $7,000 each. Costs could increase substantially if new or separate electric

lines must be provided to support the Unit. Frozen, refrigerated and dry storage space is required, as is a food preparation counter.

C. Before training begins, you must acquire and install in the Unit equipment, signage, fixtures, furnishings and related items you purchase from ORION or other approved sources that meets ORION's specifications in accordance with ORION's standards. ORION estimates that the total cost of such items will range from $20,000 to $50,000 for a typical Unit where you pay for all costs, including ORION's Installation Assistance Fee. Costs are expected to be at the low end of this range if the host facility already has walk-in cooler and freezer storage capacity and necessary sinks and plumbing available for use by your business or stoves or other appliances that may be used to prepare or merchandise Products. Costs may tend toward the high end of the range if additional coolers, freezers, electric lines or other new utility service are needed. Your costs may be substantially higher should you operate more than one ORION Brand. To assure uniformity, and common standards of trademark usage throughout the System, you must purchase all signage and cabinetry which bears the Trademarks of the ORION Brand(s) you open or otherwise incorporates ORION's distinctive trade dress from sources which ORION expressly authorizes in advance. In addition to any other equipment you may be required to purchase, you may be required to purchase the components and software related to the IGNG System that meets the standards and specifications we establish and is from sources we designate, which may include us or our affiliates. The Equipment Expense includes the Installation Assistance Fee described in Item 5. Also see Items 8, 10 and 11.

In all cases, the ORION unit(s) must be completely physically separated from any area or facility of the host business where non-ORION supplied raw meat, poultry, eggs or seafood is handled, stored or displayed.

This estimate does not include your cost to hire a qualified contractor (if needed) to install ORION equipment, signage, utilities, fixtures and furnishings. The contractor must follow lay-outs and designs ORION provides to install all equipment, signage, cabinetry and related items; ORION must approve all changes in advance and in writing. A representative of ORION will provide consultation to the contractor before and during installation of the Unit, either on site or remotely by telephone or electronic means. Your cost for a contractor to install the Unit could be as high as $2,500 or more. If the Unit, with all fixtures and equipment, is not completely installed before training begins, you must pay ORION's expenses, if any, caused by the delay.

You must pay for all equipment, signage, fixtures, furnishings and related items you purchase from ORION in accordance with ORION's requirements. You must typically pay a deposit equal to 90% of the total charges before we ship such items to you and the remaining 10% within 10 days after the Unit opens for business. You must pay all freight costs for such items shipped to you. We will not transfer title to such items to you or your financier until we receive payment in full for all such items you purchase from us.

D. You must purchase an initial inventory of food, paper goods and other supplies from ORION or its affiliates, at an estimated cost to you of approximately $5,000 to $16,000. These costs can vary depending on the ORION Brands to be operated from your Unit. For example, if you are opening only the Hot Stuff Pizza Brand in your Unit, your estimated cost of purchasing these items is $5,000 to $16,000. If you open both the Hot Stuff Pizza and the Hot Stuff Subs/Smash Hit Subs/Chopz by Hot Stuff, Chix Chicken, Chix Chicken Express, Gourmet Grub Hot Stuff Pizza or Game Time Sports Grill Brands in your Unit, your estimated cost of purchasing these items is $7,500 to $16,000. Before your Unit opens for business, you also must promote the Unit with a Grand Opening Kit/Re-Grand Opening Kit we provide. This Kit has a value of $500 and ORION will provide this Kit to you free of charge. Substantial ongoing costs will be required for replenishment of food and packaging inventory.

E. Installation of your Unit at a retail facility you own or lease should require no additional security deposits, utility deposits or business licenses, but may require you to obtain a food permit if you do not already have one. The costs to obtain a food permit will likely vary dramatically depending on the state, county and city where you are located, and we have no way of providing a single estimate of such costs, if applicable.

F. You must add ORION and your Unit to your existing liability insurance policies. We will not grant you a franchise unless you already have coverage that we deem adequate. If you do not already carry acceptable coverage, ORION estimates that initial premiums for the required commercial general liability insurance, product liability and auto insurance will be approximately $1,500 to $5,000 per year. The cost of other coverages, including your discretionary purchases, varies widely. Liability insurance costs may be higher if you add inside seating.

G. This estimates your total expenses, including labor costs, food and supply costs (less initial inventory), promotional expenses, and quality control expenses, over an arbitrary initial start-up period of three months. These figures are estimates only and ORION does not guarantee that you will not have additional expenses starting and operating the business. Your costs will depend on factors such as the degree to which you follow ORION's methods and procedures for operating your Unit, your management skill, experience and business acumen, general economic conditions, the prevailing wage rate, and competition. Other costs and fees are described in Item 6. This estimate does not imply that the Unit will be successful, profitable, or operate at breakeven, within this period or at any time. ORION has relied upon its more than 20 years of experience in the business to compile these estimates.

H. Depending on the location and current condition of the Unit, you may incur substantial costs for plumbing, electrical, ventilation and other leasehold improvements. ORION does not assist you with these improvements. You must arrange and pay for these items with providers you choose, at your expense. Costs for these improvements may vary dramatically, depending on your facility, seasonality, geographic conditions, local market and economic factors, scheduling and availability. All Units must comply with appropriate and applicable federal, state, local or other governmental rules and regulations.

I. All payments made to us or our affiliates are non-refundable. Payments made to third parties may be refundable based on your individual contract or business dealings with those third parties.

8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must purchase from ORION or its affiliate your entire requirement of available Ingredients and Supplies for preparation of Products, and certain packaging and sales promotion materials, for your Unit. ORION or its affiliates will initially set and retains the right to periodically change prices for Ingredients and Supplies. Prices may vary by region and/or in some instances additional distribution charges or purchase surcharges may be added to your orders. See Item 6. To assure uniformity, and common standards of trademark usage, throughout the System, you must purchase all signage and cabinetry which bears ORION's Trademarks or otherwise incorporates ORION's trade dress from sources ORION expressly authorizes in advance, which may include ORION or its affiliates. ORION may, in its sole discretion, require you to use the IGNG System at your Unit. If ORION requires you to use the IGNG System at your Unit, you must purchase the hardware and software related to the IGNG System that that allows you to track customer traffic at each public entrance to the Host Facility, scan and report all items made, discarded, and sold at the Unit, and report such other designated business information ORION requires, all in accordance with the IGNG System and that meets the standards and specifications ORION establishes and is from such sources as ORION designates, which may include ORION or its affiliates. If ORION requires you to use the IGNG System, you must also purchase such data communication services (including, but not limited to, an internet connection and/or cellular service)

needed to operate the IGNG System that allow you to transmit the information collected thereby to ORION, all in accordance with the standards and specifications we establish or from sources we designate. Non-approved suppliers may not be used for these purchases. ORION's executive management owns interests in Orion Food Systems, L.L.C.

ORION, or its affiliates, expects to derive revenue and profits from sales of their goods, equipment and services to franchisees. In the fiscal year ended March 31, 2018, ORION's revenues from required purchases from all franchisees in all of its programs were $79,190,328 or 81.2% of its total revenues of $97,532,162 during that period. ORION's affiliates did not receive any revenue from direct franchisee purchases and leases during such fiscal year. ORION estimates that your expense for required purchases (including Ingredient costs, Supplies, and required advertising materials) will account for up to 85% of the total expenses to establish your Unit, and 43% to 59% of the total ongoing expenses to operate your Unit on an ongoing basis. Your ongoing expenses include expenses for labor, utilities, equipment depreciation, supplies, insurance, and services (among others) in addition to required purchases. There are currently no purchasing or distribution cooperatives.

You also must purchase or lease other goods, services, supplies, fixtures, equipment and certain inventory used in the Unit that meet standards and specifications ORION establishes, or purchase certain items only from sources ORION designates. Unless ORION requires you to purchase or obtain products or services from a designated source of supply, you may obtain authorized goods and services from any available source of supply. ORION has no supplier approval process. No officer or director of ORION owns an interest in any designated supplier.

You will maintain a commercial general liability insurance policy, including product liability, and motor vehicle, with coverages required by law and a minimum of $1,000,000 aggregate single limit coverage, or such higher limit we may set, through reputable insurers, naming ORION as an additional insured (and naming ORION as a loss payee for any equipment ORION provides to you "Free on Loan," as described in Item 10).

Unit. You must provide a Unit that is designed, constructed, signed and equipped before training begins in accordance with ORION's standards and specifications or with products ORION authorizes. If you fail to fully install and equip the Unit at a site to which ORION consents, hire initial employees, obtain all necessary licenses and permits, or provide any items necessary for training to begin on the date scheduled, you must pay ORION's expenses, if any, caused by the delay and your franchise may be terminated.

Your Unit must be physically and completely segregated and isolated from any area, fixture or facility that is used to receive, handle, prepare, cook, merchandise, display or sell any non-ORION supplied uncooked meat, poultry, eggs or seafood.

Product Standards. You must offer all the Products, as ORION periodically requires, and prepare and assemble each item using only Ingredients, formulas, recipes and procedures ORION specifies. All available food products, Ingredients and Supplies must be purchased from ORION or its affiliate or designee. All other materials and customer convenience items must be specifically authorized by ORION or meet standards and specifications ORION establishes.

Standards and specifications for establishing and operating the Unit also are described in the System Manual, and you are bound by the Franchise Agreement to operate the Unit in accordance with the System Manual, as revised periodically by ORION. ORION may establish different requirements for different Brands, and/or points of distribution within the Host Facility, and/or for Units located in

different types of Host Facility businesses, and may change the standards and specifications periodically during the term of the franchise.

You must take all measures necessary to avoid and prevent any situation or occurrence which might pose a risk or threat to public health or safety, or which might cause injury, illness or death to customers, employees, visitors or guests at the Unit or Host Facility, including representatives of ORION. You must notify ORION immediately of, and take all steps necessary to remedy and cure, any such situation or occurrence. We may order your Unit closed temporarily if we think that is necessary to resolve any issue that we regard as a risk to health or safety.

Although ORION establishes various standards and specifications for the goods and services that go into establishing and operating your Unit, and periodically may seek certain supply commitments for the benefit of the System from various suppliers, ORION currently does not approve or disapprove suppliers as such (as distinguished from the goods or services they supply) and therefore currently maintains no criteria for approving suppliers or communicating approval or revocation of approval of suppliers to franchisees. ORION may establish these criteria in the future. You may be directed to vendors able to supply portions of your requirements for certain items used in the ongoing operation of the Unit. ORION does not derive income solely from purchases made by franchisees from third party suppliers. Third party suppliers may make contributions to System sales promotion, advertising or other programs. ORION also reserves the right to receive fees or other consideration in exchange for rights licensed or services rendered or goods sold to third parties, including vendors. ORION does not guarantee the availability of independent sources of supply for any particular product or service required to establish or operate a Unit. ORION does not normally negotiate purchase arrangements with Suppliers for the direct benefit of Franchisees. ORION does not provide material benefits such as granting additional franchises based on a Franchisee's purchase of particular Products or Services from ORION. All Franchisees are expected to purchase all required Ingredients, Supplies, and Products that pertain to the ORION Brand(s) their Unit operates unless previously agreed to in writing with ORION.

10. FINANCING

In select cases where ORION, in its sole discretion, deems it advantageous, ORION may offer financing to you under one or more of the programs described below.

ORION has in the past offered limited equipment procurement assistance, as described below, under the "Free on Loan" program. This program is offered at ORION's sole discretion, and ORION may change or discontinue it at any time for any reason. ORION may provide "Free on Loan" Equipment to creditworthy Units opened under this Disclosure Document in certain geographic areas and where ORION deems it advantageous to do so. In evaluating potential sites for the "Free on Loan" program, ORION considers existing and potential quick service restaurant competition from non-ORION businesses and applies performance, financial and operational standards that are more stringent than for other ORION Units. If you have a potential "Free on Loan" site, you and your site are subject to ORION's qualification and approval processes.

Financing under the "Free on Loan" program is available periodically only in certain geographical areas typically for potential franchisees and Units directly identified by and pre-qualified by ORION and which are not under any third party obligations that prevent them from complying with the

terms and conditions of the Franchise Agreement. It is available only to those who meet ORION's highest creditworthiness standards and open a new Unit generally within a qualified Host Facility that does not already contain an ORION Unit and which typically will not operate ORION Brands other than Hot Stuff Pizza, Hot Stuff Subs, Smash Hit Subs, or the like. Convenience Store Host Facilities must generally generate daily sales of non-fuel items of greater than $2,000, serve an average of 750 customers inside the store per day, have 10 or more available parking spaces, have sufficient available freezer capacity (or acquire the same) to support the Brand, and be approved financially and from a distribution standpoint. Convenience Store Host Facilities that sell at least 100,000 gallons of gasoline per year are preferred, but not required. Host Facilities in the healthcare or similar setting must have a minimum of 100 beds and the food service operation within the Host Facility building or similar setting must have 400 customers or more per day. Host Facilities in an education setting must have a minimum of 1,000 students and operate a food service business with a minimum of 400 customers per day. Host Facilities in the healthcare or education settings that have 5,000 employees/patients/clients/visitors per day are preferred, but are not required. In any venue, the Unit's Host Facility must generally be in a location with a great enough customer traffic to achieve and maintain average minimum purchases of $1,200 per week ($5,200 per month or $62,400 annually) (evaluated annually at the end of each Operational Year) of authorized Ingredients, Supplies or Products, using the ORION System. ORION will provide "Free on Loan" Units with one of several standard equipment packages, depending on the size and needs of the project, any or all of which ORION may change periodically (the "Equipment Package"). ORION will typically provide a portion of these standard packages "Free on Loan." You are responsible for purchasing the remainder of the standard package. Your cost to purchase these items may be reduced periodically depending on the number of Units you are opening in a mutually agreeable period of time. All other expenses concerning the establishment of the Unit including any other additional equipment you may purchase, all fees, and all leasehold improvement expenses, are solely your responsibility.

If you are a "Free on Loan" Unit franchisee, you must sign an Equipment Agreement (see Exhibit B). ORION retains ownership of the "Free on Loan" portion of the Equipment Package, which ORION will provide you. You may use that portion of the Equipment Package without charge during the initial term of the Franchise Agreement, if you remain in compliance with the Franchise Agreement and the Equipment Agreement and if you achieve and maintain the performance thresholds described below and as outlined in the Equipment Agreement. ORION does not charge you interest or finance charges for your use of such portion of the Equipment Package or require you to grant any security interest to ORION, and no person (other than you) is required to guarantee your obligations under the Equipment Agreement. You must pay the Installation Assistance Fee and all other installation fees to establish a new "Free on Loan" Unit and must pay for all freezers and coolers, tile work, sinks and smallware utensils required by ORION. You are also solely responsible for all leasehold improvement work for the "Free on Loan" Unit, including all expenses incurred, plus the timely scheduling and completion of the work by qualified contractors. The Equipment Agreement provides that you disclaim certain warranties and agree that ORION will not be liable for certain claims and/or damages.

New ORION "Free on Loan" Units must achieve and maintain average minimum purchase volumes of ORION Ingredients, Supplies or Products of $1,200 per week ($5,200 per month or $62,400 annually) (evaluated annually at the end of each Operational Year) throughout the term of the franchise. If such Units fail to achieve and maintain such average minimum purchase volumes, ORION may require you to relocate the "Free on Loan" Unit (at your expense) to another qualified Host Facility owned by you under a transferred or new Franchise Agreement; or to purchase the equipment on an "as-is, where-is" basis, at a purchase price determined by ORION (plus all sales and other applicable taxes) and continue to operate the "Free on Loan" Unit as an ORION franchise; or to return the Equipment Package to ORION's home office and warehouse facility in Sioux Falls, South Dakota at your expense, ensuring that all portions of the Equipment Package are clean and in good working order on delivery to ORION (normal wear and use excepted) and as such close the "Free on Loan" Unit subject to the various termination

consequences and post-termination provisions set forth in the Franchise Agreement. Upon any other default under the Equipment Agreement, ORION may terminate the Equipment Agreement and/or Franchise Agreement and similarly require you to either so return the "Free on Loan" portion of the Equipment Package to ORION or so purchase the such portion of the Equipment Package from ORION, subject to the various termination consequences and post-termination provisions set forth in the Franchise Agreement. Should you fail to return any equipment to ORION when required, then ORION will have the right to enter the Host Facility, remove such equipment and return it to ORION's home office and warehouse facility, and you will be required to indemnify ORION for all costs incurred by ORION in connection therewith. You will also indemnify ORION for all costs incurred with respect to repairing and/or cleaning any equipment that is not returned to ORION in clean and good working order.

ORION, at its sole discretion, may offer similar limited equipment procurement assistance under the "Free on Loan" program if you qualify and are remodeling and refurbishing your existing Unit. The Equipment Package in these circumstances may vary by Brand and by condition of the Unit. All other expenses concerning the remodeling and refurbishment of the Unit, including all fees and leasehold improvement expenses, are solely your responsibility. You must sign an Equipment Agreement (see Exhibit B) which permits you to use the Equipment Package at the remodeled Unit without charge, if you remain in compliance with the Franchise Agreement and the Equipment Agreement and if you achieve and maintain the performance thresholds described above and as outlined in the Equipment Agreement. Existing Franchisees who are remodeling and refurbishing their existing Unit and receive limited equipment procurement assistance under the "Free on Loan" program may be required to achieve and maintain average minimum purchase volumes of ORION Ingredients, Supplies and Products based on their then-current weekly average, rather than the average minimum purchase volumes set forth above.

In select cases where ORION, in its sole discretion, deems it advantageous, ORION may offer equipment procurement assistance under its "Equipment Into Food" program to Units opened under this Disclosure Document instead of, or in addition to, the "Free on Loan" program described above. The criteria for determining whether a potential Unit is eligible to receive equipment procurement assistance under its "Equipment Into Food" program is identical to that described for the "Free on Loan" program listed above. If ORION, in its sole discretion, elects to offer equipment procurement assistance under its "Equipment Into Food" program, ORION will determine what portion of the equipment will be purchased under the "Equipment Into Food" program. If you are a "Equipment Into Food" franchisee, you must purchase the portion of the equipment subject to the "Equipment Into Food" program and sign an Equipment Purchase Agreement (see Exhibit C). "Equipment Into Food" franchisees must purchase the entire requirement of available Orion Ingredients, packaging, Products and Supplies required for the Unit at a cost equal to ORION's standard prices for similarly-situated customers with similar conditions and operating parameters, plus an additional $0.50 surcharge for each Personal Size Dough Disk/Doughball/Finished Pizza purchased from ORION, and an additional $1.00 surcharge for each Medium Size and Large Size Dough Disk,/Doughball/Finished Pizza purchased from ORION, which such surcharges will be used as repayment of the equipment purchase price. In addition, any rebates such franchisee may earn from ORION shall also be credited towards the outstanding balance of the equipment purchase price until the equipment purchase price has been paid in full. Upon receipt of payment in full of the equipment purchase price, ORION will remove the above-described surcharges and return the franchisee to the appropriate Ingredient, packaging, Product and Supply pricing applicable to the Unit. The equipment purchase price will be payable in full if the Equipment Purchase Agreement or the Franchise Agreement for the Unit is terminated. All expenses concerning the establishment of the Unit including any other additional equipment you may purchase, all fees, and all leasehold improvement expenses, are solely the franchisee's responsibility. ORION does not charge franchisees interest or finance charges for any equipment purchased pursuant to the "Equipment Into Food" program or require such franchisees to grant any security interest to ORION, and no person (other than the franchisee) is required to guarantee the obligations under the Equipment Purchase Agreement. Franchisees must pay

the Installation Assistance Fee and all other installation fees to establish a Unit participating in the "Equipment Into Food" program, and must pay for all freezers and coolers, tile work, sinks and smallware utensils required by ORION. Franchisees are also solely responsible for all leasehold improvement work for the "Equipment Into Food" Unit, including all expenses incurred, plus the timely scheduling and completion of the work by qualified contractors. The Equipment Purchase Agreement provides that the franchisee will be responsible for maintaining such equipment in good and substantial repair. Upon any default under the Equipment Purchase Agreement and/or Franchise Agreement, ORION may terminate the Equipment Agreement and/or Franchise Agreement, upon which franchisee must pay ORION the then-current outstanding balance of the equipment purchase price within 10 days of the termination date.

In select cases where ORION, in its sole discretion, deems it advantageous, ORION may offer initial Ingredient credits to Units opened under this Disclosure Document instead of, or in addition to, the "Free on Loan" program and/or "Equipment Into Food" program described above. The criteria for determining whether a potential Unit is eligible to receive such initial Ingredient credits is identical to that described for the "Free on Loan" program listed above. If ORION, in its sole discretion, elects to offer initial Ingredient credits to a Unit opened under this Disclosure Document, ORION will typically provide such Unit a certain amount, as determined by ORION in its sole discretion, of initial Ingredients to such Unit, at no cost to such Unit. Such Unit will not be required to sign any additional agreements with respect to such initial Ingredient credits.

ORION has no past or present practice or intent of selling, assigning or discounting to a third party any note, contract or other instrument you sign. ORION may pledge its interest in these instruments to third parties to secure its various obligations to third parties.

All ORION-sponsored financing programs are offered at ORION's sole discretion, and ORION or the credit provider may change or discontinue any financing program at any time for any reason.

11. FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, ORION is not required to provide you with any assistance.

Before you open your Unit, ORION's principal assistance and the related obligations of both the franchisor and franchisee are as follows:

(a) Your right to establish and operate an ORION Franchise is granted for a specific Host Facility which is described in the introductory paragraph of the Franchise Agreement before it is signed. Prior to entering into a Franchise Agreement, ORION will conduct a site survey of the proposed Host Facility where the Unit will be located and evaluate your application and the site survey to determine if the site is awarded an ORION Franchise, and for such sites assist you with equipment shipping and handling, layout and design of your Unit, pre-installation coordination of equipment needs, and (for an extra fee) installation supervisory consultation and training (as described below). You must pay us an Installation Assistance Fee for providing this assistance – Franchise Agreement, Section 11. All equipment, signage, fixtures, furnishings and related items must be acquired from ORION or other approved sources, and must meet ORION's specifications and be in accordance with ORION's standards. See Items 5 and 7. ORION will typically notify you whether the Host Facility is awarded an ORION Franchise within 39 days of completing the site survey. If the proposed Host Facility is not approved by ORION, then you will not be awarded an ORION Franchise for the proposed Host Facility. ORION does not assist you with locating a Host Facility

for the operation of a Unit, nor does it assist you with the negotiating of a purchase or a lease for a Host Facility site. In reviewing the proposed Host Facility, ORION considers, among other items, the following factors: location, visibility, surrounding businesses, current business needs, population, zoning, and the condition of the property and facilities. Convenience Store Host Facilities must generally generate daily sales of non-fuel items of greater than $2,000, serve an average of 750 customers inside the store per day, have 10 or more available parking spaces, have sufficient available freezer capacity (or acquire the same) to support the Brand, and be approved financially and from a distribution standpoint. Convenience Store Host Facilities that sell at least 100,000 gallons of gasoline per year are preferred, but not required. Host Facilities in the healthcare or similar setting must have a minimum of 100 beds and the food service operation within the Host Facility building or similar setting must have 400 customers or more per day. Host Facilities in an education setting must have a minimum of 1,000 students and operate a food service business with a minimum of 400 customers per day. Host Facilities in the healthcare or education settings that have 5,000 employees/patients/clients/visitors per day are preferred, but are not required. In any venue, the Unit's Host Facility must generally be in a location with a great enough customer traffic to achieve and maintain purchases of $1,200 per week ($5,200 per month or $62,400 annually) (evaluated annually at the end of each Operational Year) of authorized ORION Ingredients, Supplies or Products, using the ORION System. ORION does not at this time own or lease any Host Facility and has no leases with a franchisee;

(b) advise you with your acquisition of necessary federal, state or local licenses or permits – Franchise Agreement, Section 11;

(c) advise you with proper display and maintenance of the Trademarks, and procuring initial inventories and supplies – Franchise Agreement, Section 11. The initial inventories and supplies must be acquired from ORION or its affiliates in accordance with ORION's specifications. See Items 5 and 7;

(d) train you in the major aspects of establishing and operating your Unit - Franchise Agreement, Section 11. ORION's Vice Presidents of Franchise Business and/or District Managers will coordinate the training program at the site of your Unit. Training will be conducted or assisted by other members of ORION's Operating and Education staff. Instructional materials consist primarily of the ORION System Manual described below. Training will be conducted as close to the mutually agreed upon projected opening of your Unit as is practical (usually within three to five days before opening), and in accordance with ORION's training and scheduling requirements. For new Units, ORION generally provides a minimum of 40 trainer-hours per Unit, normally conducted over five trainer-days. Shorter training programs are provided in certain other circumstances. You and the Unit's manager(s), must successfully complete training in accordance with ORION's specifications and to the satisfaction of ORION's Operations and Education Department. You must bear your own travel, room and board expenses (if any) to attend training. ORION will not pay you during training. Trainings for franchisees opening multiple sites may be conducted at one Unit. A list of ORION's Education staff may be found on Exhibit H.

ORION also provides assistance in labor controls, marketing and product inventory maintenance before your Unit opens for business usually three to six weeks before opening. These pre-opening meetings are usually held at your business office. After your Unit opens, we provide additional assistance in Hazard Analysis Critical Control Point, Brand recipes, inventory control, cleanliness, labor controls and marketing. This assistance is provided in periodic visits to your Unit by operations staff.

(e) provide you copies (where applicable) of instructional video materials and the System Manual, comprised of the Operations Manual, Operations Manual charts, Product Procedures Manual, and such other operations or product manuals/menus/charts we periodically implement, all of which ORION may change periodically – Franchise Agreement, Section 10. The System Manual is updated periodically and the topics and number of pages devoted to each subject matter may change. The System Manual also includes information on other ORION Brands that may be operated from your Unit.

(f) The table of contents of the current Operations Manual, Operations Manual Charts and Product Procedures Manual is set forth on Exhibit K.

During the operation of your Unit, ORION will provide ongoing operations counseling in the principal aspects of operating the Unit, including Unit safe and effective Ingredient handling, storage, rotation and quality; Product preparation, packaging, merchandising, and quality; Unit sanitation and cleanliness practices and procedures; Unit financial and operational performance; advertising and promotional techniques; customer service; employee training; development and implementation of inventory and cost control techniques; compliance with the System and the System Manual; and other general guidance and advice regarding the Unit and Brand(s), through various means - Franchise Agreement, Section 11. These ongoing operational consultations are designed to help you grow your business, and to also help you identify and correct any problems you may experience in the operation of your franchise.

ORION manufactures Ingredients used in Products. **You must purchase your requirements for Ingredients for your Unit from ORION or its affiliate or designee.**

We commit to visit your Unit in person at least 12 times per Operational Year, on mutually agreed dates, to provide on-site consultative assistance to your franchise operation. An "Operational Year" is the period of time from the Commencement Date or the anniversary of that date to the next anniversary of the Commencement Date. See Franchise Agreement, Sections 3 and 11. ORION does not charge you a fee for these visits. ORION may reduce, modify, or eliminate our on-site operational support if you fail to achieve and maintain the level of purchases prescribed for your Unit (see Items 6 and 10). Each day that we visit your Unit shall count as one visit for purposes of this commitment. For example, if we visit your Unit for three consecutive days, such visit shall count as three visits for purposes of this commitment.

ORION does not charge or collect sales promotion fees, and the Franchise Agreement does not obligate you to contribute to an advertising fund. You must purchase from ORION and/or from its designee certain promotional materials and you must use these promotional materials to promote the ORION Brands operated at your Unit. These materials cost between $75 - $250 per ORION Brand operated per quarter. See Item 6. ORION uses proceeds from sales promotion materials to defray the cost of producing these items.

Most System advertising is developed by ORION and/or by an advertising agency hired by ORION. Advertising may be in print, on radio and/or television and/or Internet or other computer-related media, and generally is local or regional in scope. You may develop advertising materials for your own use, at your own expense, but ORION must approve the materials, and media (including print, audio, video and computer-transmitted) use, in writing before you use them. ORION will notify you within 30 days whether it approves materials you submit.

ORION is not required to spend any amounts on advertising in the area or territory in which any particular Franchise is located. No advertising council composed of Franchisees currently exists. No local or regional advertising cooperatives made up of Franchisees currently exists.

ORION reserves the right to add or change electronic reporting system ("ERS") requirements at its discretion. We have established a proprietary system and method for tracking customer traffic at Host Facilities and reporting items made, discarded and sold at Units the ("Intelligent Grab n Go System" or "IGNG System"). We may, in our sole discretion, require you to use the IGNG System at your Unit. If we require you to use the IGNG System at your Unit, we will grant to you a non-exclusive, non-transferable license to use the IGNG System and related components and software pursuant to a separate license agreement (the "IGNG License Agreement") (see Exhibit D), and you must enter into the IGNG License Agreement and utilize the IGNG System in connection with your operation of the Unit. If we require you to use the IGNG System at your Unit, you must purchase and install, at your expense, the

components and related software that allows you to track customer traffic at each public entrance to the Host Facility, scan and report all items made, discarded, and sold at the Unit, and report such other designated business information we require, all in accordance with the IGNG System and such other standards and specifications we establish (as we and may from time to time modify). If we require you to use the IGNG System at your Unit, you must also purchase such data communication services (including, but not limited to, an internet connection and/or cellular service) needed to operate the IGNG System that allow you to transmit the information collected thereby to ORION, all in accordance with the standards and specifications we establish or from sources we designate. ORION estimates that the total cost of such purchases will range from $3,000 to $5,000. Neither ORION nor any affiliate or third party has any obligation to provide ongoing maintenance, repairs, upgrades or updates for the IGNG System or its components or related software. ORION may require you to upgrade or update your IGNG System during the term of the Franchise Agreement, and there are no limitations in the Franchise Agreement or other agreements on the frequency or cost of your obligation to upgrade or update. You will allow us to have access to the IGNG System and the information obtained thereby, at such times as we require, for purposes of obtaining information relating to the Unit operations which is available through the proper operation of the IGNG System, and there is no contractual limitations on ORION's right to access the information obtained by the IGNG System.

Typically, the length of time between the signing of the Franchise Agreement and the opening of your Unit is approximately 77.8 days (with 77.8 days being the average for Units opened during our fiscal year ending March 31, 2018). Convenience Store Host Facilities must generally have a population of greater than 1,500 people within a five-mile radius, generate daily sales of non-fuel items of greater than $2,000, serve an average of 750 customers inside the store per day, have 10 or more available parking spaces, and have sufficient available freezer capacity (or acquire the same) to support the Brand. Convenience Store Host Facilities that sell at least 100,000 gallons of gasoline per year are preferred, but not required. Host Facilities in the healthcare or similar setting must have a minimum of 100 beds and the food service operation within the Host Facility building or similar setting must have 400 customers or more per day. Host Facilities in an education setting must have a minimum of 1,000 students and operate a food service business with a minimum of 400 customers per day. Host Facilities in the healthcare or education settings that have 5,000 employees/patients/clients/visitors per day are preferred, but are not required. In any venue, the Unit's Host Facility must generally be in a location with a great enough customer traffic to achieve and maintain average minimum purchases of $1,200 per week ($5,200 per month or $62,400 annually) (evaluated annually at the end of each Operational Year) of authorized Ingredients, Supplies or Products, using the ORION System. You must choose with our consent the location of the Unit within the Host Facility – Franchise Agreement, Section 1. The Unit must be installed and equipped in conformity with the final layout and design prepared by ORION and franchisee – Franchise Agreement, Section 7.

12. TERRITORY

You will not receive an exclusive territory, territorial protections against competition or any other exclusive rights. You may face competition from other franchisees, from units that we own, or from other channels of distribution or competitive Brands that we control.

ORION and its affiliates may use or license others to use the System, Trademarks and Brands, including those listed in Attachment A of your Franchise Agreement, at any other location (including in your market area). ORION in the past has offered franchises and/or non-franchise licenses under variations of the Brands listed in this Disclosure Document, as well as other Brands including "Moose Bros.," "Pizza Patrol," "Stone Willy Pizza House," "Mean Gene's Pizza," and "MacGregor's Market". Some of these franchises are still in operation, but none is owned by ORION. ORION has offered non-franchise licenses for very small-scale fully assembled frozen food Products with very limited support

from ORION under the "Hot Stuff Foods Xpress" Brand from February 2010 through October 2011. ORION and its affiliates also currently sells and intends to continue selling certain Brands of its pizza, sandwich, bakery, and associated Products through brokers and distributors, and through joint marketing arrangements with other food product providers. ORION and its affiliates may also offer, market, distribute and sell (or license others to offer, market, distribute and sell our) pizza, sandwich, bakery or other products, under any trademark, through other systems or through other channels of distribution, including brokers, distributors and joint marketing arrangements with other food product providers, through the internet, and by direct sale, mail order and telemarketing, at, from or to any location. (including in your market area). These activities may result in the sale of ORION products and/or similar or competing products to competitors in your market area. ORION is not required to compensate you for any of the above-described business activities. ORION has no system or method for resolving conflicts between ORION's franchisees and any of these third parties, and does not maintain any separate offices or facilities for any of its Brands.

ORION also franchises/licenses others to operate outlets under other brands, including the "Päävo's Pizza" brand. These outlets currently sell and will continue to sell food items (including pizza, sandwich and bakery items) and associated products, and may compete with your Unit in the food service industry. One or more of these competing outlets may already be located in proximity to your proposed Unit. ORION has no system or method for resolving conflicts between franchisees/licensees of any of these concepts. The principal business address for these other concepts is the same as ORION's principal business address stated in Item 1. ORION does not currently maintain or plan to maintain physically separate offices or training facilities for these other concepts.

You will select, with our consent, the precise location for the Unit within your Host Facility. Our consent is not a guarantee or assurance as to the availability, suitability or prospects of a Unit.

ORION may consent to the relocation of a Unit to a new Host Facility. The relocation site must meet ORION's then-current system standards required for approval to open a new Unit. The relocated Unit must be opened within 90 days of the closing of the original Unit. The relocated Unit must also conform with ORION's then-current system standards and participate in ORION's then-current Marketing programs applicable for the opening of a new Unit at the then-current cost to the franchisee. We may require you to enter into ORION's then-current franchise agreement, for the relocated Unit, under the then-current franchise Disclosure Document, both of which may differ from this Disclosure Document and the sample agreement contained within it.

ORION also may express interest in the acquisition of other non-ORION related businesses or systems to improve the equity of ORION as a business entity, increase economies of scale, and ultimately build the equity in the ORION Brands and Trademarks. These entities may operate a franchise or business that will sell similar goods or services under a trademark different than those currently registered by ORION.

You do not have an option, right of first refusal, or other right to acquire additional franchises without ORION's prior, express, award of such a franchise.

In October 2017, ORION applied for federal registration of the trademark "IMPULSE SMOOTHIES." The United States Patent and Trademark Office assigned this application serial number 87/645034, and as of the date of this Disclosure Document, has not registered it. Therefore, this trademark does not have many legal benefits and rights as a federally registered trademark. If our right to use the trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses.

There is no currently effective material determination of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, no pending infringement, opposition or cancellation proceedings, and no pending material litigation involving ORION's principal Trademarks. No agreements limit ORION's right to use or license others to use ORION's Trademarks in any manner relevant to this offering.

You must use ORION's Trademarks only in the manner set forth in the Franchise Agreement and System Manual, and as specified periodically by ORION. ORION may change or discontinue any program or promotion for any of the Trademarks, and periodically may add, alter or delete Trademarks from the list of Trademarks licensed to you. You may not use any of the Trademarks as part of a corporate, partnership or trade name.

You are not obligated to notify us if you learn of another's use of, or claims of rights to, a trademark identical to or confusingly similar to a Trademark licensed to you. ORION reserves sole discretion to determine what steps, if any, are to be taken in any instance of unauthorized use or infringement of any of its Trademarks and has complete control of any administrative proceeding, litigation or settlement with any claim of an infringement, unfair competition or unauthorized use of the Trademarks. ORION is not obligated to protect your use of the Trademarks or to protect or indemnify you against claims of infringement or unfair competition. ORION does not guarantee that there are no prior users of a licensed mark whose rights to its or their trademarks in their immediate trade area are superior to the rights of ORION to use and license others to use the Trademarks listed above. As of the date of this Disclosure Document, ORION is not aware of any prior rights or infringing uses that could materially affect your use of any of its Trademarks in the state where your Unit will be located.

ORION may require you to update, modify, change, or replace signage or other items, at your expense, incorporating the Trademarks granted to you to use in the Franchise Agreement should such Trademarks be modified, changed, or deleted during the initial or any renewal term of the Franchise Agreement.

14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

In June, 2016, ORION filed a utility patent application with the United States Patent and Trademark Office directed towards protecting ORION's proprietary technology related to systems and methods of Grab and Go Food Merchandising. The United States Patent and Trademark Office assigned this application serial number 62/347602. If ORION requires you to use the IGNG System at your Unit, ORION will grant to you a non-exclusive, non-transferable license to use the technology described in this patent application pursuant to the IGNG License Agreement.

ORION permits you to use proprietary information in applicable components of the System Manual, the copyright to which is owned by ORION. Although ORION has not applied for federal copyright registration of the System Manual or its individual components, the information in the System Manual is proprietary and ORION owns and claims the copyright in the entire System Manual, in various advertising and sales promotion materials, and in customer convenience and other materials used to operate and promote your Unit, in both paper and electronic form. You will use all copyrighted materials only to operate the Unit under the Franchise Agreement and as authorized by ORION. ORION will disclose to you certain confidential or proprietary information and trade secrets associated with the System. You will use all confidential and proprietary information, trade secrets and System information we impart to you only to operate the Unit under the Franchise Agreement, and you will keep this information strictly confidential during and after the initial term and any renewal term(s) of the Franchise Agreement.

ORION is not obligated to defend you against claims from your use of patented or copyrighted items. You may have to modify or discontinue use of the items if challenged. There are no current material determinations or pending proceedings of the United States Patent and Trademark Office, United States Copyright Office, or court in the United States regarding any patent or copyright matter. ORION is currently not a party to any agreement that limits the use of any patent, patent application, or copyright. ORION is not aware of any patent or copyright infringements that could materially affect it or any Franchisee.

15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You, or your designated Unit manager, must devote your, or his or her, full time and attention and best efforts to successfully manage and operate your Unit. If a manager operates your Unit, the manager must successfully complete ORION's training program before assuming responsibility for your Unit and meet the standards set by ORION. You will train the managers and employees of the Unit, as needed, to ensure that all sales of Products, beverages, food and other items from the Unit and other designated business information we require is accurately recorded and reported. Your manager is not required to maintain an equity interest in your Unit. Your Unit must be open for business for at least 12 business hours each day that the Host Facility is open for business, except for reasons beyond your reasonable control, or with ORION's prior written consent.

16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must confine your business at the Unit to the operation of an authorized type of food service facility. You may not conduct any other business or activity at the Unit itself. You may not deliver Products, or sell Products or Ingredients in other than ready-to-eat form, unless specifically authorized by ORION to sell Products that may be frozen, thawed, or in an uncooked state for a "Take and Bake" or similar program. You may identify your business at the Unit only by the trademark designated by ORION for the applicable Brands. You must offer the full menu required by ORION in the applicable

pages of Attachment B of the Franchise Agreement for the Brands operated at the Unit listed on Attachment A of the Franchise Agreement. ORION may change the menu for any Brand at its sole discretion. You may not offer or sell any product or service from the Unit except those ORION authorizes. ORION may periodically change the menu items, products or services that are required and/or authorized to be offered or sold from the Unit at its sole discretion, and there are no limits on our right to do so. Your Unit must be open for business each day of the year (subject to local law, strikes or casualty) and for the number of hours we require or that the Host Facility is open for business, except for reasons beyond your reasonable control, or with ORION's prior written consent. See Items 12 and 15.

18. PUBLIC FIGURES

ORION does not use any public figures to endorse or advertise the ORION Brands.

19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Based upon sales and costs of goods records received from franchisees, Table 1 below sets forth financial performance information based on the unaudited information provided during ORION's 2018 fiscal year (March 26, 2017 to March 31, 2018) by 471 U.S.A. eligible reporting ORION Units. As of May 23, 2018, a total of 471 of 989 total possible Units provided usable sales and costs of goods sold records to ORION for ORION's 2018 fiscal year. The information provided by these 471 reporting Units were used to develop the information for this Item 19. The 989 total possible Units include all ORION Units operational as of March 31, 2018, the end of ORION's 2018 fiscal year, other than the franchise units operating under ORION's "Päävo's Pizza" franchise program, and other than those operating on US Military Bases both domestic and foreign, and those that closed during ORION's 2018 fiscal year (63 Units closed during ORION's 2018 fiscal year; of these 63 Units, 6 Units closed after being open less than 12 months). None of the Units included in Table 1 below show to us any known or obvious deficiencies in the information reported by the franchisee to ORION.

The oldest eligible reporting Unit opened for business in March 1987. The newest eligible reporting Unit opened for business in March 2018; not all eligible reporting Units were therefore operational during the entirety of ORION's 2018 fiscal year. The 471 eligible reporting Units consist of the Units that utilized a system for scanning and reporting to ORION items made, discarded, and sold at the Unit as well as other related business information, during ORION's 2018 fiscal year. Not all Units utilized this system during ORION's 2018 fiscal year, and the financial performance information included in Table 1 below does not include financial performance information for any Units that did not utilize this system during ORION's 2018 fiscal year. The 471 eligible reporting Units submitted 126,164 daily sales and cost of goods sold reports for ORION's 2018 fiscal year utilizing this system. These sales and costs of goods sold reports were compiled and summarized to obtain the financial performance information for each reporting Unit during ORION's 2018 fiscal year. A total of 179 of the 471 eligible reporting Units (38%) achieved or surpassed the stated (average) annual Gross Profit percentage of 58.9%. A total of 130 of the 471 eligible reporting Units (27.6%) achieved or surpassed the stated (median) monthly annual Gross Profit percentage of 59.7%.

Note that, as described in further detail herein, the financial performance information included in Table 1 below is based on sales and cost of goods sold information provided to ORION by the reporting Units. Accordingly, the financial performance information set forth in Table 1 below is based solely upon the sales and costs of goods sold information uniformly made available to ORION and the methodologies described in the notes to the table. There is likely additional financial performance information that was not uniformly reported or otherwise made available to ORION that could materially and adversely affect the financial performance information reported on Table 1. As a result, the financial performance information set forth in Table 1 below does not represent, and should not be interpreted to represent, a summary of the total financial performance of the reporting Units with respect to their operation of the

Units. The financial performance information set forth in Table 1 also does not distinguish between new and existing Units, and ORION has not analyzed what, if any, differences exist between new and existing Units.

Table 1 and the notes to such table, together with additional qualifying information and disclosures, follow below.

This table is based on ORION's Fiscal Year 2018 performance data supplied by Units operating within Convenience Stores, Grocery Stores and other facilities. See additional notes in Item 19 for other information concerning this table.

Table 1 Notes

Table 1 above refers to 463 eligible reporting Convenience Store Units, and 8 eligible reporting Grocery Store Units or those operating in other facilities, of 989 total Units possible.

Table 1 represents the reported average/median annualized and monthly performance for the 471 Units in the overall group, as well as the reported highest/lowest annualized and monthly Retail Revenue for the 471 Units in the overall group.

(1) Retail Revenue:

We believe that all revenue information supplied on Table 1 includes only revenues derived by the reporting Units from the sale of ORION Products during ORION's 2018 fiscal year. Reporting Units were instructed to provide "gross revenues," not factoring in any discounts given or sales tax collected in association with the sale of ORION Products. All stated Retail Revenue values should only include recorded sales of ORION Products. Neither ancillary promotional items sold in conjunction with ORION Products, nor "lift" derived from the sale of additional inside, beverage, fuel, or other revenue sources achieved from the operation of the Hot Stuff Pizza or other ORION Brands, should be included in the Retail Revenue values. The stated values are the reported average/median monthly or annualized values for Retail Revenue for the reporting Units. The highest Retail Revenue and lowest Retail Revenue included for the reporting Units is also shown on the tables.

(2) Cost of Goods Sold:

The stated values on Table 1 is the reported average/median monthly or annualized Cost of Goods Sold for the reporting Units shown on the table during ORION's 2018 fiscal year. Cost of Goods Sold is the franchisee's cost of food and packaging items purchased from ORION and used to prepare finished products sold to the end consumer. The stated values include the franchisee's costs of food and packaging items for ORION Products they sold and ORION Products made and later sampled. It does not include the franchisee's costs of goods for ORION Products made and later discarded or the franchisee's costs of any unused Ingredients. The stated values do not include the cost of any food or packaging items purchased or obtained by the reporting Units from parties other than ORION in connection with operating the Unit or preparing ORION Products.

(3) Gross Profit:

This is our calculation of reported Retail Revenue less Cost of Goods Sold.

General Notes

The tables must be read with the cautionary statements below and the explanatory notes included above.

Neither ORION nor any independent public accountants have audited or otherwise undertaken to verify information reported to it by its franchisees and licensees. See Item 20 for information on the ORION System.

The table above reflects reported average/median financial performance information with varying levels of operational expertise assumed, as described herein, and based on the information described above.

Some Units have achieved the results from operations stated in the table. Your individual results may differ. There is no assurance that you'll achieve the results from operations stated in the table.

Factors such as the accessibility, visibility, traffic flows, structure, physical layout, design and location of the Host Facility will affect your business performance. Similar factors pertaining to the location of the Unit within the Host Facility, the commitment and capabilities of the management of the Host Facility and the Unit's local competitive circumstances and market share, and other factors are unique to each Unit and may significantly impact the financial performance of the Unit and the contribution from ORION's marketing programs. Seasonality may be a factor for some franchisees.

Prices we charge for ORION-sourced products will vary over time.

You must develop your own business plan and budget for a proposed ORION Unit including capital budgets, financial statements, projections and other elements appropriate to the particular circumstances of the proposed business. You are encouraged to consult with your own accounting, business, and legal advisors in doing so. In developing the business plan, you are cautioned to make necessary allowances for changes in financial results to income, expenses, or both, that may result from variation from the circumstances set forth in the table and notes, because of geographical location and/or seasonality factors, or because of operation of your Unit in an unusual location, in different areas or in new market areas, of an unusual size, decor or arrangement, or during periods of or in areas suffering from economic downturns, inflation, labor shortages, unemployment, or negative economic influences.

Other than the preceding financial performance representation, ORION does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Tim Schendel, Orion Food Systems, L.L.C., 2930 West Maple Street, P.O. Box 85210, Sioux Falls, SD 57118-5210, 1-877-648-6227, the Federal Trade Commission, and the appropriate state regulatory agencies.

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (the "Agreement"), dated _____, ____, is made between ORION FOOD SYSTEMS, L.L.C. ("ORION", "we", "us") and _____ _____ of _____ _____("Franchisee", "you"), to establish and operate one Unit, using the proprietary ORION System, Trademarks and Brands franchised from us, under the terms and conditions listed below, only at the following location: _____ _____(the "Host Facility").

ORION produces and distributes a line of proprietary food ("Ingredients") and packaging ("Packaging") items and certain materials ("Supplies") used to prepare and package a distinctive and proprietary line of prepared food items ("Products") for resale to the public at a station or facility (the "Unit") typically located within a host business or other facility ("Host Facility"). ORION licenses a distinctive food service business for ordering, storing, preparing, merchandising and selling the Products under several distinct brands (the "Brands") identified by various ORION trademarks (the "Trademarks") and using a collection of business techniques, trade dress, operating methods and confidential and proprietary ORION know-how and techniques (the "Trade Secrets") (collectively, the "Method"). Units are identified by various Trademarks and may consist of various points of production, storage and Product merchandising located throughout the Host Facility, as we periodically authorize, and shall include any location where any Product merchandisers, warmers or coolers are located within a Host Facility, any associated Product preparation areas devoted to ORION Brands, any Ingredient and Supply storage areas devoted to ORION Brands, and the cabinetry and any other fixtures and furnishings to which ORION's Brands or Trademarks have been affixed. Our distinctive food service business, trade dress and Method is referred collectively to as the "System." You wish to establish and operate a retail food service business operating from the Unit at the Host Facility using our Method, Ingredients, Supplies, Products, Trademarks and Trade Secrets, and featuring only the Products offered under the Brands listed in Attachment A, all in accordance with the terms of this Agreement. In consideration of the foregoing and the undertakings herein, the parties agree:

1. GRANT, RESERVATIONS AND REPRESENTATIONS.

(a) We grant you a non-exclusive license during the term of this Agreement to use those portions of the System and those Trademarks pertaining to the Brands listed on Attachment A to install and operate one Unit located within the Host Facility. You will select, with our consent, the precise location for the Unit within your Host Facility.

(b) We reserve all rights not specifically granted to you in this Agreement. You will not receive an exclusive territory, any territorial protections or any other exclusive rights pursuant to this Agreement. You may face competition from other third-party brands and chains, from other ORION franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

2. ACCEPTANCE OF FRANCHISE.

(a) You represent that you have fully and truthfully completed our application and provided information to us concerning the Host Facility that is accurate and complete.

(b) You accept the franchise granted in Section 1 and agree to use your best efforts to install, open and continuously operate the Unit during the initial and any renewal terms strictly in accordance with this Agreement, our training and System requirements, and the

Operations Manual, Operations Manual Charts, Product Procedures Manual, and such other operations or product manuals/menus/charts we periodically implement (the "System Manual(s)") we will lend to you.

(c) You must open the Unit within 90 days of the Effective Date of this Agreement (which is the date that you sign this Agreement) (subject to extension only at ORION's absolute discretion), or you may be deemed to have abandoned and terminated this Agreement.

(d) You will prepare and sell only those Products offered under the Brands listed in Attachment A that we designate periodically (as listed in the System Manual(s), Attachment B and/or in other written notices from us, and which are subject to change periodically at our absolute discretion) at your Unit, and will use only the Ingredients and Supplies we provide or approve (as identified in our System Manual(s), order forms, and elsewhere), all of which must be identified only by those Trademarks we authorize. You acknowledge that this franchise is for the distribution and sale of a line of proprietary food Ingredients that we produce or distribute, together with related Supplies and items we distribute. You acknowledge that you will have materially breached this Agreement if you purchase food products from other sources and use those items to prepare and merchandise Products identified by or associated with any Brand listed in Attachment A, or any associated Trademark.

3. TERM.

(a) This Agreement is in effect, unless sooner terminated under Section 17, for an initial term of five years, beginning on the date the Unit opens for business (or for existing Units converting to this Agreement, the date both of us execute this Agreement) (the "Commencement Date") and expiring at 11:59 p.m. local time on the fifth anniversary of the Commencement Date (the "Initial Expiration Date"). An "Operational Year" of the Agreement is the period from the Commencement Date, or its anniversary, to the next anniversary of the Commencement Date.

(b) This Agreement will renew for one additional renewal term of five years on the Initial Expiration Date, if and only if you are not in breach of this Agreement (or any related agreement) at the Initial Expiration Date, and if neither of us has given the other written notice at least 90 days before the Initial Expiration Date that it does not wish to renew this Agreement. A successor agreement may be executed at the conclusion of the initial term only by our mutual consent and using the form of Agreement we are then using for renewal franchises (the terms of which may differ substantially from this Agreement).

4. TRADEMARKS. Our Trademarks (including our distinctive trade dress for the Unit) are our exclusive and valuable property. You will use our Trademarks *only* to identify Products and services that we authorize, and strictly in the precise manner, colors and form we authorize. You will sell only our Products under our Trademarks. You acknowledge that you will have materially breached this Agreement if you sell other goods under our Trademarks or from the Unit. We reserve the authority periodically to add, remove, modify or replace any Trademark for the Brands listed on Attachment A, and if we do so you agree to promptly alter or

your possession or to be shipped to you, and we will not transfer to you title to any equipment we may sell to you or to your financier until we receive payment in full for all equipment you purchase from us.

(c) Our preferred method of payment is via electronic debits from your account. We may establish and periodically change credit and payment terms. We may also require deposits; refuse orders; require prepayment; require certified payments; ship C.O.D. and require you to authorize us to debit your account electronically before shipment and/or delivery; or halt shipments in transit if (i) you have not paid all of our prior invoices in full, or (ii) we believe these steps are necessary to secure payment. Our allocation of supplies or refusal to place, ship or deliver orders to you does not entitle you to obtain Ingredients, Products or Supplies from unauthorized sources. You have no right to set-off of amounts due to you for purchases made from us.

(d) Interest shall accrue on any unpaid past due amounts you owe us or our affiliates from the date due until paid, at a rate of the lower of: (i) 18% per year; or (ii) the maximum contract rate of interest allowed by law. You will use Trade Secret and System information we impart to you only to operate the Unit under this Agreement, and you will keep this information strictly confidential during and after the initial term and any renewal term(s). You agree that the disclosure or unauthorized or improper use of the Trade Secrets and System information may cause us or other ORION franchisees irreparable harm, and you agree not to engage in such practices. (a) Either party has good cause to terminate this Agreement only if the other party fails to cure an intentional, material, repeated, or continuous breach within 30 days of its receipt of written notice from the other specifying the breach and demanding cure, or seven days in cases of failure to pay sums of money that are due.

(b) We have good cause to terminate this Agreement, and may terminate this Agreement immediately upon delivery of notice to you, without your opportunity to cure, if: (i) you fail any three Unit inspections, by failing one or more critical areas in an inspection, as defined periodically by us in our sole discretion, in a consecutive 12-month period; (ii) you abandon this Agreement by failing to open the Unit within 90 days of the date of this Agreement, by removing the Unit or any Brands listed in Attachment A operating from it or any of its equipment from the Host Facility, by failing to operate the Unit for three or more consecutive days without our prior written consent, or by failing to order and receive delivery of Ingredients, Supplies and Products from us for 45 or more consecutive days without our prior written consent; (iii) you perform an Unauthorized Transfer; (iv) you misrepresent or omit material information on your application; (v) the Unit and/or its Host Facility is destroyed or rendered unusable by wind, fire, flood or other natural or man-made calamity and is not repaired in such a manner as to meet our facility and equipment requirements, and reopened within 60 days of closure; (vi) you become insolvent or bankrupt by any definition; (vii) you, any manager of the Unit, or any of your employees fail to successfully complete any required training; (viii) you (or one of your principal officers, directors, managers, partners, members or shareholders) are convicted or plead guilty or no contest to any charge or violation of any law relating to the Unit, or of any felony; or (ix) you perform any act, or fail to take any action, the result of which impairs or threatens to impair the health or safety of employees, customers, visitors, or invitees of the Unit or that impairs or threatens to impair the goodwill associated with ORION, ORION's System, the Brands listed in Attachment A operating at the Unit, and/or ORION's Trademarks.

(c) Notices are deemed received when delivered personally or one business day after being sent by certified mail, facsimile, or overnight express to the party's address listed in this Agreement.

18. TERMINATION CONSEQUENCES. Upon termination of this Agreement, all rights licensed hereunder automatically revert to us, and, in addition to all other legal and equitable rights and remedies to which we are then entitled, you will promptly:

(a) close the Unit and stop using the System and Trademarks, any materials containing or depicting the System or Trademarks, and any other name or trademark confusingly similar to the Trademarks;

(b) remove and (unless otherwise agreed to by us) return to us, at your expense, all items, signage and equipment bearing our Trademarks or copyrights, eliminate our trade dress from the Host Facility, and return to us, at your expense, the System Manual(s) and any other confidential information provided by us ("de-Brand" the Host Facility); and

(c) pay us all sums you then owe us.

We may pursue all available remedies at law and in equity to recover, for example, lost profits, legal fees and expenses, and any other damages for any breach of this Agreement. If you do not comply fully with this Section within 30 days of the termination date, you hereby authorize us to enter the Host Facility premises to remove any of our trademarked and/or copyrighted materials and eliminate our trade dress without liability to you.

Neither termination nor expiration of this Agreement limits or excuses your obligations hereunder which by their terms survive termination or expiration of this Agreement.

19. INTERPRETATION. This Agreement (in conjunction with the corresponding Franchise Disclosure Document, your application, the IGNG License Agreement (if applicable) and any accompanying Equipment Agreement (if applicable)) is the complete and final expression of our agreement relative to the Unit. No conduct alters the requirements of this Agreement. All rights and remedies are cumulative. This Agreement supersedes and cancels any other understanding or agreement previously made between you and us for this Unit. This Agreement may be waived, modified, or varied only by a written document prepared by us and signed by the authorized representatives of both parties. Our acquiescence in or waiver of any breach of any provision of this Agreement is not a waiver of any other or later breach. If any provision of this Agreement is or becomes illegal or unenforceable, it shall be reformed to the least extent necessary to be lawful and enforceable in the opinion of a court of competent jurisdiction. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the Franchise Disclosure Document that we furnished to you.

20. GOVERNING LAW. This Agreement is made in South Dakota and shall be governed by South Dakota law (except that the South Dakota Franchise Act (SDCL T.37, Ch. 5B), SDCL Sec. 53-9-8 and South Dakota laws governing liquidated damages and covenants restricting competition shall apply only to franchisees to whom such South Dakota laws apply).

21. DISPUTE RESOLUTION. **Disputes that we are unable to resolve directly will be resolved in a civil proceeding. Trial by jury is waived. Suit shall be brought in Sioux Falls, South Dakota, in the U.S. District Court, District of South Dakota, Southern Division, unless such court lacks jurisdiction to hear such suit, in which case suit shall be brought in the state court for Minnehaha County, South Dakota. No exemplary or punitive damages may be sought or awarded, and no claim may be pursued on a class or consolidated basis. Both parties consent to personal and subject matter jurisdiction in the courts defined in this paragraph and waive any objection on any basis to jurisdiction or venue in such courts.**

22. RELATIONSHIPS. You are an independent contractor, and not an employee, agent, partner, or joint venturer of ORION or its affiliates. This Agreement does not create a fiduciary relationship between us. We owe no implied duties to you. You represent and warrant that there is no third-party agreement that impairs your ability to enter into and perform under this Franchise Agreement.

23. FDD DISCLOSURE. You acknowledge receipt of our Franchise Disclosure Document at least 14 calendar days before execution of this Agreement. You acknowledge receipt of this Agreement with all applicable blanks completed and with all applicable Attachments, Addendums and Exhibits at least seven calendar days before execution of this Agreement. You also acknowledge that we have recommended and that you have had an opportunity to review this Agreement and our Franchise Disclosure Document with your lawyer, accountant and/or other business advisor before the execution of this Agreement and all other related agreements. We do not authorize any information, promise, or representation to be communicated to you concerning the offer of this franchise that is not contained in our Franchise Disclosure Document or this Franchise Agreement or in printed franchise sales literature prepared by us, and you should not rely upon any other information purportedly provided by or for us in deciding whether to purchase an ORION franchise.

PLEASE INDICATE YOUR ACCEPTANCE BY SIGNING AND RETURNING THIS COPY OF THIS AGREEMENT. YOU REPRESENT AND WARRANT THAT YOU ARE AUTHORIZED TO EXECUTE THIS AGREEMENT FOR THE FRANCHISEE. THIS AGREEMENT TAKES EFFECT ON THE DATE YOU SIGN IT IN THE FORM WE SENT IT, AND THE TERM BEGINS ON THE DAY THAT THE UNIT DESCRIBED IN THIS AGREEMENT OPENS FOR BUSINESS.

CALIFORNIA ADDENDUM
ORION FOOD SYSTEMS, L.L.C.
FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

Item 17 of the Disclosure Document is amended by adding the following language:

California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order thereunder is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000 - 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 - 20043).

California Business and Professions Code 20000 through 20043 provides rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

Neither ORION, any person nor franchise broker in Item 2 or Exhibit I of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling these persons from membership in any association or exchange.

The earnings claims figures do not reflect operating expenses, or other costs or expenses (other than costs of goods sold) that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchise business. Franchisees or former franchisees, listed in the Disclosure Document, may be one source of this information.

The franchise agreement contains a liquidated damages clause under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The franchise agreement requires application of the laws of South Dakota. This provision may not be enforceable under California law.

The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law. (11 U.S.C.A. Sec. 101 et seq.)

We will comply with all appropriate laws governing any direct financing offered by us to the franchisee including, if applicable, the California Finance Lenders Law.

Section 31125 of the California Corporations Code requires us to give you a Disclosure Document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

The last two pages of the Disclosure Document (following the exhibits and attachments) is a document acknowledging receipt of the Disclosure Document by you (one copy for you and one to be signed for us).

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code section 20040.5,

Code of Civil Procedure section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the state of California.

The California Franchise Investment Law requires that a copy of all proposed agreements relating to the sale of the franchise be delivered together with the Disclosure Document.

Payment of all initial fees is postponed until after all of franchisor's initial obligations are complete and franchisee is open for business.

EXHIBIT B

EQUIPMENT AGREEMENT

ORION EQUIPMENT AGREEMENT

THIS EQUIPMENT AGREEMENT (the "Agreement") dated _____, is made between ORION FOOD SYSTEMS, L.L.C., a South Dakota limited liability company ("ORION") and _____ _____("Franchisee"). This Agreement is issued under ORION's "Free on Loan" program.

ORION and Franchisee are parties to a Franchise Agreement (the "Franchise Agreement") for a food service business located at _____ (the "Unit"). All terms described herein shall have the same meanings as those in the corresponding Franchise Agreement and Franchise Disclosure Document.

ORION provides for Franchisee's use, and Franchisee agrees to use, the equipment described in Appendix A attached to this Agreement (the "Equipment"), subject to the following:

1. Possession and Responsibilities.

(a) Subject to the terms of this Agreement, Franchisee shall have exclusive possession, control and use of the Equipment and assumes responsibility for the operation and maintenance of the Equipment from the date the Equipment is installed at the Unit until either this Agreement is terminated or the Franchise Agreement is terminated.

(b) Franchisee shall be solely responsible to the public and to all applicable regulatory agencies for compliance with any relevant laws or regulations with respect to the Equipment, and shall be solely responsible for compliance with all requirements of Franchisee's liability insurance carriers.

(c) Franchisee is responsible for installation of the Equipment at its sole responsibility and expense. ORION may oversee installation when available and at its sole discretion.

2. Use of Equipment. The Equipment shall, at all times, be the sole and exclusive property of ORION. Franchisee shall have no right or property interest therein, except for the right to use the Equipment in the normal operation of its business with respect to the ORION Brands in the Unit in Franchisee's Host Facility under the Franchise Agreement for the Unit. Franchisee may use the Equipment only to prepare and sell those Products offered under the ORION Brands listed in Attachment A of the Franchise Agreement for the Unit.

3. Performance Obligations.

(a) Franchisee agrees that its continuing right to use the Equipment is conditional upon Franchisee's compliance with this Agreement, the Franchise Agreement for the Unit, and ORION's System. Franchisee's failure to abide by these terms and conditions are grounds for termination of this Agreement and/or the Franchise Agreement for the Unit for good cause by ORION, and Franchisee shall be subject to the various termination consequences associated therewith.

(b) If the Equipment is installed at an existing Unit, such Unit must achieve and maintain its then-current average of weekly purchases of Ingredients, Supplies and Products from Orion, as evaluated annually during the term of the Franchise Agreement. If the Equipment is installed at a new Unit, such Unit must achieve and maintain average minimum purchases of $1,200 per week (evaluated annually at the end of each Operational Year,

and based on the number of purchases made by Franchisee during such Operational Year, divided by the number of weeks in such Operational Year) of Ingredients, Supplies, and Products from ORION, as evaluated annually during the term of the Franchise Agreement. If the Unit fails to achieve and maintain the applicable average minimum purchases described above, Franchisee shall, at ORION's option, either (i) if ORION terminates this Agreement and the Unit's Franchise Agreement for cause as a result of Franchisee's failure to achieve and maintain such average minimum purchases, Franchisee shall return the Equipment, at Franchisee's sole responsibility and expense, to ORION's home office and warehouse facility ensuring that all portions of the Equipment are clean and in good working order on delivery to ORION (normal wear and use excepted), (ii) purchase the Equipment on an "as-is, where-is" basis, without warranty except as to title, at a purchase price equal to the fair market value of the Equipment, as determined by ORION in its sole and absolute discretion, pay all sales and other applicable taxes in connection therewith, and continue to operate the Unit as an ORION franchise, or (iii) relocate the Equipment and Unit to another ORION authorized qualified replacement Host Facility that Franchisee owns, as the successor Host Facility, in accordance with the Franchise Agreement and at Franchisee's sole responsibility and expense. Should Franchisee fail to return the Equipment to ORION in accordance with clause (i) of the foregoing sentence, then ORION shall have the right to enter the Host Facility, remove such Equipment and return it to ORION's home office and warehouse facility, and Franchisee shall indemnify ORION for all costs incurred by ORION in connection therewith. Franchisee shall also indemnify ORION for all costs incurred with respect to repairing and/or cleaning any Equipment that is not returned to ORION in clean and good working order.

(c) Upon termination of this Agreement or the Franchise Agreement, Franchisee shall, within 30 days after such termination, at ORION's sole option, either (i) return the Equipment in clean and working order to ORION's home office and warehouse facility, at Franchisee's sole responsibility and expense and subject to the various termination consequences and post-termination provisions set forth in the Franchise Agreement for the Unit, or (ii) purchase the Equipment from ORION on an "as-is, where-is" basis, with no warranty except as to the title, at a purchase price equal to the fair market value of the Equipment, as determined by ORION in its sole and absolute discretion, and pay all applicable sales and other taxes in connection therewith, subject to the various termination consequences and post-termination provisions set forth in the Franchise Agreement for the Unit. Should Franchisee fail to return the Equipment to ORION in accordance with clause (i) of the foregoing sentence, then ORION shall have the right to enter the Host Facility, remove such Equipment and return it to ORION's home office and warehouse facility, and Franchisee shall indemnify ORION for all costs incurred by ORION in connection therewith. Franchisee shall also indemnify ORION for all costs incurred with respect to repairing and/or cleaning any Equipment that is not returned to ORION in clean and good working order.

4. **Title**. ORION shall retain title to the Equipment and remain the sole and absolute owner of the Equipment, and nothing contained in this Agreement shall enable the Franchisee to acquire any right, title or other interest in or to the Equipment except as provided herein. Franchisee shall not pledge, lend, create a security interest in or encumbrance on, sublet, assign or part with possession of the Equipment or any part thereof, or create or suffer the creation of any lien, security interest or other encumbrance or claim on or with respect to the Equipment by or through Franchisee or attempt in any manner to dispose thereof, or remove the Equipment or any part thereof, from the Unit without ORION's prior written permission. Franchisee authorizes ORION to file applicable UCC financing statements to record ORION's and Franchisee's respective interests in the Equipment.

5. **Condition and Maintenance of Equipment**. Franchisee shall, at its sole expense, keep and maintain the Equipment in good and substantial repair throughout the term of this Agreement. Franchisee must at all times keep the Equipment insured in the amount of its full replacement cost against fire, theft and such other hazards as ORION requires, with any loss payable to ORION or to ORION's assignee. Franchisee agrees to return the Equipment when required by this Agreement, in a clean and uncontaminated condition, and in as good condition and working order as when received, ordinary wear and tear being excepted.

6. **Termination**. Except as provided elsewhere in this Agreement, either party may terminate this Agreement only for good cause and upon notice to the other party as follows. Either party has good cause to terminate if the other party fails to cure an intentional, material, repeated, or continuous breach of this Agreement within 30 days of its receipt of written notice from the other specifying the breach and demanding cure, or seven days in cases of failure to pay sums of money that are due. ORION has good cause to terminate this Agreement, and may terminate this Agreement immediately upon delivery of notice to Franchisee, without Franchisee's opportunity to cure, if Franchisee performs any act, or fails to take any action, the result of which impairs or threatens to impair the health or safety of employees, customers, visitors or invitees of the Unit or that impairs or threatens to impair the

goodwill associated with ORION, ORION's System, ORION's Brands operating at the Unit, and/or ORION's Trademarks.

7. **Observance of Laws**. Franchisee shall observe all safety rules and regulations applicable to the Equipment, and shall pay all fines that may be duly and lawfully imposed or assessed by any public authority by reason of the Franchisee's failure to comply with these rules, regulations and orders and/or with the requirements of this Agreement.

8. **Substitution of Equipment**. If the Equipment becomes worn out, damaged by accident, or rendered unusable, then Franchisee must replace the Equipment at Franchisee's sole expense, and Franchisee's obligations under this Agreement as to the remaining Equipment shall remain unchanged.

9. **Assignment**. Franchisee may assign this Agreement to an ORION-approved transferee of the franchise and business under the transfer terms and conditions of the Franchise Agreement for this Unit. Franchisee may not assign, transfer, sell, or delegate this Agreement or any interest in the Equipment under any other circumstances. ORION may transfer its interest in this Agreement at its discretion.

10. **Waiver**. ORION's acquiescence in or waiver of any breach by Franchisee or failure by Franchisee to perform punctually any provision of this Agreement is not a waiver of any other or later breach or failure to perform punctually or of any right or remedy available to ORION under this Agreement.

11. **Disclaimer of Warranties**. THE EXPRESS WARRANTIES HEREIN CONTAINED ARE IN LIEU OF ANY AND ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE WARRANTY OF MERCHANTABILITY AND OF FITNESS FOR ANY PARTICULAR PURPOSE. ORION SHALL NOT BE LIABLE FOR DAMAGES, INCLUDING SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS), ARISING OUT OF OR IN CONNECTION WITH THE PERFORMANCE OF THE EQUIPMENT OR ITS USE BY FRANCHISEE, AND SHALL NOT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS), ARISING OUT OF OR IN CONNECTION WITH ORION'S FAILURE TO PERFORM ITS OBLIGATIONS HEREUNDER

Franchisee agrees that ORION, its employees and agents shall not be liable to Franchisee for any claim from Franchisee or from a third party for any liability, claim, loss, damage or expense of any kind or nature caused directly or indirectly, by: (i) the inadequacy of any Equipment for any purpose, (ii) any deficiency or defect in any Equipment, (iii) the use or performance of any Equipment, (iv) any interruption or loss of service, use or performance of any Equipment, or (v) any loss of business or other special, incidental, indirect or consequential damages whether or not resulting from any of the foregoing. Franchisee agrees, at all times, to indemnify and hold ORION, its employees and agents harmless against all actions, claims, demands, costs, damages or expenses of any kind which may be brought or made against ORION or which ORION may pay or incur by reason of Franchisee's use of the Equipment or its negligent performance of or failure to perform any of its obligations under this Agreement.

12. **Governing Law and Amendment**. This Agreement shall be governed by and construed in accordance with the laws of the State of South Dakota, except with respect to conflicts of law principles. Disputes will be resolved in a civil proceeding. Trial by jury is waived. Suit shall be brought in and all actions shall be venued in Sioux Falls, South Dakota, in the U.S. District Court, District of South Dakota, Southern Division, unless such court lacks jurisdiction to hear such suit, in which case suit shall be brought in the state court for Minnehaha County, South Dakota. If any provision of this Agreement is or becomes illegal or unenforceable, it shall be reformed to the least extent necessary to be lawful and enforceable. No exemplary or punitive damages may be sought or awarded, and no claim may be pursued on a class or consolidated basis. This Agreement does not create a fiduciary relationship. ORION owes no implied duties to Franchisee. This Agreement shall not be modified or amended except by written agreement executed by the parties.

Please indicate your acceptance by signing and returning the copy of this Agreement. You represent and warrant that you are authorized to execute this Agreement for the Franchisee.

EQUIPMENT PURCHASE AGREEMENT

EQUIPMENT PURCHASE AGREEMENT

This **EQUIPMENT PURCHASE AGREEMENT** dated _____, is made between ORION FOOD SYSTEMS, L.L.C., ("Orion" or "Franchisor,"), located at 2930 West Maple Street, Sioux Falls, SD 57107, and _____ ("_____" or "Franchisee") located at _____, collectively "the parties".

Orion and Franchisee are parties to an Orion Franchise Agreement (the "Franchise Agreement') for a food service business located at _____ (the "Unit").

In consideration of the mutual promises contained in this Agreement, Orion hereby sells to Franchisee, and Franchisee purchases, the equipment described in Appendix A ("Equipment"), for the total purchase price set forth therein, subject to any change orders agreed to by Franchisee and Orion and subject to the following:

1. **Title, Possession and Responsibilities.**

   (a) Subject to the terms of this Agreement, Orion sells, and Franchisee purchases the Equipment as of the date the Equipment is delivered to Franchisee.

   (b) Franchisee takes ownership of the Equipment and assumes responsibility for the operation and maintenance of the Equipment from the date the Equipment is delivered to Franchisee in good and working order. Franchisee shall be responsible for all upkeep and maintenance of the Equipment after delivery. Franchisee will be solely responsible to the public and to all regulatory agencies having jurisdiction over the operation of the Equipment for compliance with any applicable laws, taxes or regulations.

   (c) During the term of the Franchisee Agreement, Franchisee will use the Equipment primarily for the purpose of operating Franchisee's business under the Franchise Agreement at the Unit.

2. **Payment.** The "Payment Period" of this Agreement is a period beginning on the delivery date of the Equipment and ending when the Equipment Purchase Price is paid in full. For purposes of this Agreement, the Equipment Purchase Price, means the total purchase price of the Equipment described in Appendix A, supplemented by any change orders agreed to by Franchisee and Orion. During the Payment Period, Franchisee will purchase from Orion the entire requirements of available Orion Ingredients, Packaging, Products, and Supplies (as defined in the Franchise Agreement) required for the Unit at a cost equal to Orion's standard prices for similarly-situated customers with similar conditions and operating parameters (which may differ from other Orion customers) of Orion Ingredients, Packaging, Products, and Supplies (as published periodically by Orion) plus an additional $0.50 surcharge for each Personal Size Dough Disk/Doughball/Finished Pizza purchased from Orion, and an additional $1.00 surcharge for each Medium Size and Large Size Dough Disk,/Doughball/Finished Pizza purchased from Orion, such surcharges shall be payment for the Equipment Purchase Price of the Equipment described herein. For purposes of clarification, Orion and Franchisee agree that only the revenue received from the above-described surcharges shall be used to pay the Equipment Purchase Price. Until the outstanding balance of the Equipment Purchase Price has been paid by Franchisee to Orion in full, any rebates Franchisee may earn from Orion shall also be credited towards the outstanding balance of the Equipment Purchase Price. Franchisee may also terminate the Payment Period through payment to Orion of the then remaining outstanding balance of the Equipment Purchase Price. Upon receipt of payment in full of the Equipment Purchase Price, Orion shall remove the above-described surcharges and return Franchisee to the appropriate Ingredient, Packaging, Product, and Supply pricing applicable to this Unit.

3. **Performance Obligations.**

   (a) Franchisee agrees that its continuing rights under this Agreement are conditioned upon Franchisee's compliance with the Franchise Agreement and with Orion's System. Failure to abide by these terms and conditions are grounds for termination of this Agreement and/or the Franchise Agreement for good cause by Orion, with all the consequences thereto.

(b) If this Agreement or the Franchise Agreement is terminated by either party before the Payment Period expires or is terminated early in accordance with Section 3, Franchisee will, purchase the Equipment at the then current outstanding balance of the Equipment Purchase Price with payment due within 10 days of the termination date.

4. **Condition and Maintenance of Equipment.** The Equipment will be in good and functional operating condition upon delivery, and Franchisee will, at its sole expense, keep and maintain the Equipment in good and substantial repair.

5. **Observance of Laws.** Franchisee will observe all safety rules and other requirements of regulatory bodies having jurisdiction with respect to the Equipment and will pay all fines that may be duly and lawfully imposed or assessed by reason of the Franchisee's failure to comply with these rules, regulations and orders.

6. **Substitution of Equipment.** If the Equipment becomes worn out, damaged by accident, or rendered unusable for the purposes stated herein and in the Franchise Agreement, then Franchisee must replace the Equipment at Franchisee's expense, and Franchisee's obligations under this Agreement will remain unchanged. The replacement Equipment is automatically added to Appendix A.

7. **Warranties.** Orion passes along any and all applicable manufacturer's warranties for the Equipment described herein.

8. **Governing Law and Dispute Resolution.** This Agreement is made in South Dakota and shall be governed by South Dakota law. Disputes that we are unable to resolve directly will be resolved in a civil proceeding. Trial by jury is waived. IGNG LICENSE AGREEMENT

ORION IGNG LICENSE AND USE AGREEMENT

THIS ORION IGNG LICENSE AND USE AGREEMENT (the "Agreement") dated _____, is made between ORION FOOD SYSTEMS, L.L.C., a South Dakota limited liability company ("ORION") and _____ _____("Licensee"). This Agreement is issued for use with ORION's "intelligent Grab n Go™" or "IGNG" system.

ORION and Licensee are parties to a Franchise Agreement (the "Franchise Agreement") for a food service business located at _____ (the "Unit" or the "Franchise Unit"). All terms described herein shall have the same meanings as those in the corresponding Franchise Agreement and Franchise Disclosure Document.

ORION provides for Licensee's use, and Licensee agrees to use, the components of the IGNG system (the "IGNG System"), subject to the following:

1. **IGNG System Components**. The IGNG System consists of several distinct components including one or more pairs of traffic counting devices (one pair for each public entrance to the Host Facility), a computerized scanning system including a scanner and a printer, the "dashboard" reporting and analytical tools and software associated with access to the IGNG System data, and any devices and software needed to establish an internet connection between the IGNG System and ORION's IGNG server(s), both at the Franchise Unit and at Franchisee's business address. The word "scanner" means the hand-held barcode scanner, bar code scanner cradle, bar code cradle power supply, bar code cradle serial cables, bar code scanner battery, and any other related equipment. The word "software" means any dashboards, reports, analytical tools provided by ORION to Licensee operating on or connected to ORION's IGNG server(s) (the "Software"). The IGNG System may in the future also include a merchandising camera which can be networked to one or more of the components of the network infrastructure. Use of the analytical and reporting capabilities of the IGNG System further includes some form of computing device, internet connection and user access to ORION's IGNG servers.

2. **IGNG System**. The IGNG System includes equipment and methods to:

   (a) scan a bar code corresponding to an ORION Product producing a label for that Product that may be affixed to the Product's packing and recording that Product as having been made and the date and time the Product was made. Should a Product need to be discarded at the end of its useful shelf life it is similarly scanned and noted as discarded. This information is also stored. The information concerning the number and type of Products made and discarded is used to determine the number and type of Products sold by daypart and can be used to determine the Franchise Unit's estimated sales in dollars and number of Products sold, the discard in dollars and Products not sold, an estimated cost of goods sold in Products and number of Products sold, and the estimated gross profit dollars and percentage of Products sold.

(b) use traffic counting devices at each public entrance to determine an estimated number of customers in the Host Facility by date and time.

(c) use analytical and reporting Software features of the IGNG System to compare the estimated sales and the estimated customer traffic information in numerical and graphical views to help ORION's staff and the Licensee make more informed decisions concerning the number and type of ORION Products to offer for sale and the time such Products should be available for sale based on the Host Facility traffic Patterns.

3. **Grant of License**. ORION grants to Licensee and Licensee accepts a non-exclusive License to use the IGNG System, the IGNG System components, and Software only for purposes of operating the ORION Franchise Unit listed herein and until either this Agreement is terminated or the Franchise Agreement for the Unit is terminated. Licensee agrees to comply with ORION's IGNG System requirements and procedures which may change from time to time at ORION's sole discretion. Licensee agrees that it will not use or permit the IGNG System to be used for any purpose other than operating the ORION Franchise Unit described herein in accordance with the terms and conditions established by ORION. Licensee agrees that its continuing right to use the IGNG System is conditional upon Licensee's compliance with this Agreement, the Franchise Agreement for the Unit, and ORION's System. Licensee's failure to abide by these terms and conditions are grounds for termination of this Agreement and/or the Franchise Agreement for the Unit for good cause by ORION, and Licensee shall be subject to the various termination consequences associated therewith.

4. **IGNG System and Software**.

(a) Licensee agrees to purchase and install, at Licensee's expense, all equipment, components and software required by ORION to operate the IGNG System in accordance with the standards and specifications established from time to time by ORION, including without limitation, such equipment, components and software needed for Licensee to track customer traffic at each public entrance to the Host Facility, scan and report all items made, discarded, and sold at the Unit, and report such other designated business information ORION requires from time to time. All such equipment, components and software must meet the standards and specifications ORION establishes and/or be from sources ORION designates. ORION may sell these items to Licensee at a profit, and prices are subject to change. All such equipment, components and software must be installed and maintained by competent contractors, at Licensee's expense. Licensee will operate and maintain such equipment, components and software strictly in accordance with the standards and specifications established by ORION, and Licensee agrees to install any upgrade or change to such equipment, components or software that ORION may periodically specify, at Licensee's expense. Licensee must also purchase and maintain, at Licensee's expense, such data communication services (including, but not limited to, an internet connection and/or cellular service) that are needed to operate the IGNG System and that allow Licensee to transmit the information collected thereby to ORION, all in accordance with the standards and specifications ORION establishes and/or from sources ORION designates.

(b) Licensee agrees that the IGNG System is ORION's exclusive and valuable property. Licensee agree that ORION has established trademark rights to various forms of the IGNG name and/or name and design. Licensee agrees that ORION has filed for patent protection on the IGNG System and has a patent pending on the same. Licensee agrees that it shall not contest ORION's ownership and/or rights to the associated trademarks and patent. Licensee agrees that it shall not delete any copyright notices or legends on or in the Software. Licensee agrees not to decompile, modify, reverse engineer, dissemble, or otherwise copy or

reproduce to the Software or create derivative works based on the Software. Licensee agrees that ORION and its suppliers own all rights, title, and interest to the IGNG System and Software including all copyright and other proprietary and intellectual property rights. This License grants Licensee no right, title, or interest in any intellectual property owned or licensed by ORION, including, but not limited to the Software. Licensee agrees that it will use the Software for its own use only, and will not rent, loan, lend, or in any way commercially sell the Software and/or IGNG System. The IGNG System and its components may contain software licensed from third parties. All rights in any third party software, including any ownership rights, are reserved and remain with the third parties.

5. **Termination**. Except as provided elsewhere in this Agreement, either party may terminate this Agreement only for good cause and upon notice to the other party as follows. Either party has good cause to terminate if the other party fails to cure an intentional, material, repeated, or continuous breach of this Agreement within 30 days of its receipt of written notice from the other specifying the breach and demanding cure, or seven days in cases of failure to pay sums of money that are due. Additionally, ORION has good cause to terminate this Agreement, and may terminate this Agreement immediately upon delivery of notice to Licensee, without Licensee's opportunity to cure, if (i) Licensee is in breach of this Agreement, (ii) the ORION Franchise Agreement for this Unit is terminated, or (iii) if Licensee performs any act, or fails to take any action, the result of which impairs or threatens to impair the health or safety of employees, customers, visitors or invitees of the Unit or that impairs or threatens to impair the goodwill associated with ORION, ORION's System, ORION's Brands operating at the Unit, and/or ORION's Trademarks. Upon termination of this Agreement, all rights granted herein immediately revert to ORION, Licensee shall immediately cease any further use of the IGNG System, Licensee shall allow ORION access to shut down the IGNG System (whether on site or by remote access), and Licensee shall return any and all copies of the Software and related documentation stored on any media.

6. **Observance of Laws**. Licensee shall observe all safety rules and regulations applicable to the IGNG System and components, and shall pay all fines that may be duly and lawfully imposed or assessed by any public authority by reason of the Licensee's failure to comply with these rules, regulations and orders and/or with the requirements of this Agreement.

7. **Assignment**. Licensee may assign this Agreement to an ORION-approved transferee of the franchise and business under the transfer terms and conditions of the Franchise Agreement for this Unit. Licensee may not assign, transfer, sell, or delegate this Agreement or any interest in the IGNG System under any other circumstances. ORION may transfer its interest in this Agreement at its discretion.

8. **Waiver**. ORION's acquiescence in or waiver of any breach by Licensee or failure by Licensee to perform punctually any provision of this Agreement is not a waiver of any other or later breach or failure to perform punctually or of any right or remedy available to ORION under this Agreement.

9. **Disclaimer of Warranties**. THE EXPRESS WARRANTIES HEREIN CONTAINED ARE IN LIEU OF ANY AND ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE WARRANTY OF MERCHANTABILITY AND OF FITNESS FOR ANY PARTICULAR PURPOSE. ORION SHALL NOT BE LIABLE FOR DAMAGES, INCLUDING SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS), ARISING OUT OF OR IN CONNECTION WITH THE PERFORMANCE OF THE IGNG SYSTEM AND IGNG SYSTEM COMPONENTS OR ITS USE BY LICENSEE, AND SHALL NOT BE LIABLE FOR ANY SPECIAL, INCIDENTAL,

INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS), ARISING OUT OF OR IN CONNECTION WITH ORION'S FAILURE TO PERFORM ITS OBLIGATIONS HEREUNDER.

10. **Governing Law and Amendment**. This Agreement shall be governed by and construed in accordance with the laws of the State of South Dakota, except with respect to conflicts of law principles. Disputes will be resolved in a civil proceeding. Trial by jury is waived. Suit shall be brought in and all actions shall be venued in Sioux Falls, South Dakota, in the U.S. District Court, District of South Dakota, Southern Division, unless such court lacks jurisdiction to hear such suit, in which case suit shall be brought in the state court for Minnehaha County, South Dakota. If any provision of this Agreement is or becomes illegal or unenforceable, it shall be reformed to the least extent necessary to be lawful and enforceable. No exemplary or punitive damages may be sought or awarded, and no claim may be pursued on a class or consolidated basis. This Agreement does not create a fiduciary relationship. ORION owes no implied duties to Licensee. This Agreement shall not be modified or amended except by written agreement executed by the parties.

Please indicate your acceptance by signing and returning the copy of this Agreement. You represent and warrant that you are authorized to execute this Agreement for the Licensee.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Orion Food Systems, L.L.C. and Subsidiaries as of March 31, 2018, March 25, 2017 and March 26, 2016 and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

The summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

New Accounting Pronouncements

In July 2015, The Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-11, Simplifying the Measurement of Inventory, which requires that inventory be measured at the lower of cost or net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less reasonably predictable costs of completion, disposal, and transportation. This requirement is effective for fiscal years beginning after December 15, 2017 and should be applied prospectively with earlier application permitted as of the beginning of an interim or annual reporting period. The Company adopted ASU 2015-11 on March 26, 2017. The adoption had no effect on the balance sheets, statements of operations or statements of cash flows of the Company.

Cash and Cash Equivalents

The Company considers all highly liquid financial instruments with initial maturities of three months or less when purchased to be cash equivalents. Cash balances held at financial institutions may be in excess of federal insured limits. The Company periodically assesses the financial institutions and believes the risk of any loss is minimal.

Restricted Cash

Pursuant to debt agreements, the Company is required to maintain a restricted cash account in the amount of future capital lease interest payments as established at the time of the agreements.

Accounts Receivable

Trade accounts receivable are recorded at the invoiced amount and bear interest on past due amounts. Interest is charged at 18% and is recorded as collected. Standard franchisee credit terms are net ten days from receipt of delivery of food products and supplies. Typically for equipment, a deposit equal to 50% of the total equipment charge is due at the time of signing the agreement, another 40% of the total is due before shipping and the remaining is due within ten days after the installation date. Rebate programs are available to franchisees and any amounts due under these programs are a component of accounts receivable. Management determines the allowance for doubtful accounts based on an estimate of amounts considered uncollectible and historical collection experience. On a continuing basis, management analyzes delinquent receivables, and once these receivables are determined to be uncollectible, they are written off against the allowance. The allowance for doubtful accounts was $10 at March 31, 2018 and March 25, 2017 and $25 at March 26, 2016.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Inventories

Inventories consist of raw materials, finished goods held for resale and merchandising station inventories, and are stated at the lower of cost or net realizable value, with cost determined on the average cost method which approximates the first-in, first-out ("FIFO") basis. The Company records an allowance for excess or obsolete inventories based on specific identification of slow-moving or expired inventory.

Property, Plant and Equipment

Property, plant and equipment are stated at cost and are depreciated using the straight-line method or accelerated methods over their estimated useful lives or over the shorter of the estimated useful lives or lease term of the assets. The estimated useful lives used for computing depreciation are as follows:

	Years
Buildings and improvements	5 to 40
Equipment	2 to 10
Store furniture and fixtures	2 to 5
Automobiles	2 to 4
Tractors, trailers and copiers under capital leases	3 to 10

Major renewals or betterments are capitalized, while repair and maintenance expenditures are charged to operations as incurred. The cost and related accumulated depreciation of property, plant and equipment sold or disposed of are eliminated from their respective accounts, and the resulting gain or loss is included in operations.

Intangible Assets

Intangible assets include trademark/tradenames and franchise agreements. The intangible assets are amortized using the straight-line method over their estimated useful lives as described in Note D.

Long-Lived Assets Impairment Assessments

The Company evaluates the carrying value of its long-lived assets whenever events or circumstances indicate the carrying value of assets may exceed their recoverable amounts. For long-lived assets, this evaluation is based on the expected future undiscounted operating cash flows of the related assets. If an asset, which is expected to be held and used, is determined to be impaired, the asset would be written down to its fair market value based on the present value of the discounted cash flows related to such asset or other indicators of fair value. There was no impairment of long-lived assets for any period presented.

Goodwill

Goodwill is the excess purchase price over the fair market value of assets acquired in business combinations at the date of acquisition. The Company has elected to amortize goodwill on a straight-line basis over 10 years. In addition, the company evaluates goodwill for impairment on a total entity basis upon the occurrence of one or more triggering events.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Deferred Financing Costs

Debt issuance costs incurred in connection with obtaining financing are deferred and amortized over the term of the related financing agreement using the effective interest method. Deferred financing costs are included within long-term debt on the balance sheets and amortization of deferred financing costs is included as a component of interest expense in the statements of operations.

Revenue Recognition

Revenue is primarily derived from the sale of food products. Sales of food products, equipment and operating supplies are recognized at the time the shipment is received by the customer. Sales and use taxes billed to customers are recorded on a net basis in the statements of operations. Installation fees received in connection with the establishment of a franchise are recognized when internal training and other obligations relating to the sale are satisfied by the Company. There are no ongoing franchise or service fees.

Store Opening Costs

Expenditures for the initial set-up and training of staff in connection with opening a store are expensed as incurred.

Advertising Costs

The Company expenses advertising costs as incurred. Advertising costs were $653, $695 and $838 for the years ended March 31, 2018, March 25, 2017 and March 26, 2016. Advertising costs are included as a component of selling and distribution expenses in the statements of operations.

Research and Development Costs

Research and development costs are expensed as incurred. Research and development costs of $853, $621 and $309 are included within general and administration expenses in the statements of operations for the years ended March 31, 2018, March 25, 2017 and March 26, 2016.

Shipping and Handling Costs

Shipping and handling costs that are billed separately to customers are included within cost of sales and shipping and handling costs not billed separately to customers are included in selling and distribution expenses in the statements of operations. Shipping and handling costs in cost of sales were $146, $185 and $179 for the years ended March 31, 2018, March 25, 2017 and March 26, 2016. Shipping and handling costs included within selling and distribution expenses were $7,481, $7,357 and $6,246 for the years ended March 31, 2018, March 25, 2017 and March 26, 2016.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Income Taxes

The Company is included in the consolidated federal and state tax returns Orion Food Systems Holdings, L.L.C.

Orion Food Systems Holdings, L.L.C. follows the asset and liability method of accounting for income taxes whereby deferred tax assets and deferred tax liabilities are recognized for the effects of taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. The deferred taxes, income tax receivable (liability) and related benefit (expense) are reflected in the financial statements as if the Company filed federal and state tax returns separately from the consolidated group. There is no reserve for uncertain tax positions recorded on the Company's financial statements as of March 31, 2018, March 25, 2017 and March 26, 2016.

Fair Value of Financial Instruments

The Company considers that the carrying amounts of financial instruments, including accounts receivable, accounts payable and accrued liabilities, approximate fair value due to their short maturities. The carrying amount of long-term debt approximates fair value based on interest rates currently available for debt with similar terms and maturities. Interest on the outstanding revolving and long-term debt is payable at rates which approximate fair value.

Use of Estimates

The preparation of financial statement in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Company evaluated its March 31, 2018 financial statements for subsequent events through May 22, 2018, the date the financial statements were available to be issued. The Company is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

Interest on the term loan is variable and was 5.75% at March 31, 2018. The term loan agreement requires an annual prepayment of 75% of the Company's excess cash flow for the first fiscal year after the acquisition date and 50% of the excess cash flow for each fiscal year thereafter until the term loan is repaid in full as defined in the agreement. Each mandatory prepayment is due 30 days following the delivery of the audited financial statements to the lender for the prior fiscal year. The mandatory prepayments are applied to the outstanding installments of the term loan payable in the inverse order of maturity. During the year ended March 25, 2017 an excess cash flow prepayment of $1,210 was made. There is no excess cash flow prepayment due at March 31, 2018.

Second Amendment Term Loan

The Company had the option to draw additional term loans in an aggregate amount not to exceed $6,000 in connection with the payment of a portion of the earn-out pursuant to the acquisition of the company that occurred on December 24, 2014. Capex loans

The Company has the option to draw funds up to $4,000 pursuant to capex loans until December 31, 2018 in which the lender will make one or more advances to the Company for capital expenditures. Such advances are not to exceed $1,500 in any calendar year for the remainder of the agreement. Any such advances on capex loans shall be interest only for advances made in the respective calendar year. The principal amount of the capex loan shall convert to a new term loan on the last day of each respective calendar year and be payable in equal monthly installments over seven years. Interest is variable on the capex loans and was 5.88% at March 31, 2018. As of March 31, 2018, the Company has borrowed $2,400 on the capex loan since the inception of the credit agreement. The capex loans mature on December 24, 2019, at which time any remaining principal is due.

Revolving Credit Agreement

In December of 2014, the Company entered into a revolving credit agreement with a lender. The revolving credit agreement allows for maximum borrowings of $5,000, subject to a defined borrowing base that is based on accounts receivable and inventories. Due to these borrowing base restrictions, $4,736 was available to the Company on this revolving credit agreement as of March 31, 2018. There was no balance on the revolving credit agreement as of March 31, 2018. This revolving credit agreement bears interest at the Company's option of Prime + 2.5% or LIBOR + 3.5%. Any amounts outstanding on the revolving credit agreement are due in full on December 24, 2019.

The Company has the option to post letters of credit from the revolving loan commitment as defined in the agreement. As of March 31, 2018, there are no issued letters of credit outstanding.

The Term Loan A, Second Amendment Term Loan, Capex loans and Revolving Credit Agreement are collateralized by substantially all assets of the Company and contain covenants that require the Company to maintain certain financial levels and ratios. As of March 31, 2018, the Company was in compliance with these financial levels and ratios.

Senior Subordinated Term Loan

The Company entered into a senior subordinated note payable with a lender for $9,000 in connection with the acquisition of the Company on December 24, 2014. The loan bears 10% cash interest and 1% deferred interest. The deferred interest is compounded quarterly and capitalized as principal on the first business day of each calendar quarter during the term of the note. There was $302 of capitalized interest at March 31, 2018. The principal balance of the loan, plus accrued and unpaid interest, is payable on June 23, 2020. At March 31, 2018, the Company had net operating loss carryforwards for U.S. federal income tax purposes of $4,923 which will expire during fiscal years 2035 through 2038. A valuation allowance has been recorded with respect to net deferred tax assets, including net operating loss carryforwards, as future realization of benefits is uncertain. On December 22, 2017, the Tax Cuts and Jobs Act was enacted into law, which reduced the federal corporate income tax rate to 21% for tax years beginning after 12/31/2017. This change in the federal tax rate decreased the Company's net operating loss carryforwards, but had no effect on the balance sheets, statements of operations or statements of cash flows of the Company.

The Company is subject to income taxes in the U.S. federal jurisdiction and various state jurisdictions and evaluates its income tax positions on an annual basis. Management has determined that there are no uncertain tax positions requiring disclosure at March 31, 2018, March 25, 2017 and March 26, 2016. The policy of the Company is to recognize interest accrued related to unrecognized tax benefits in interest expense and penalties in income tax expense. STATE ADDENDUM

CALIFORNIA ADDENDUM
ORION FOOD SYSTEMS, L.L.C.
FRANCHISE DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

Item 17 of the Disclosure Document is amended by adding the following language:

California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order thereunder is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000 - 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 - 20043).

California Business and Professions Code 20000 through 20043 provides rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

Neither ORION, any person nor franchise broker in Item 2 or Exhibit I of the Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling these persons from membership in any association or exchange.

The earnings claims figures do not reflect the operating expenses or other costs or expenses (other than costs of goods sold) that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchise business. Franchisees or former franchisees, listed in the Disclosure Document, may be one source of this information.

The franchise agreement contains a liquidated damages clause under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The franchise agreement requires application of the laws of South Dakota. This provision may not be enforceable under California law.

The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law. (11 U.S.C.A. Sec. 101 et seq.)

We will comply with all appropriate laws governing any direct financing offered by us to the franchisee including, if applicable, the California Finance Lenders Law.

Section 31125 of the California Corporations Code requires us to give you a Disclosure Document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

The last two pages of the Disclosure Document (following the exhibits and attachments) is a document acknowledging receipt of the Disclosure Document by you (one copy for you and one to be signed for us).

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code section 20040.5, Code of Civil Procedure section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the state of California.

Orion advertises on the internet. Our website has not been reviewed or approved by the California Department of Business Oversight. Any complaints concerning the content of this website may be directed to the California Department of Business Oversight at www.dbo.ca.gov.

These franchises have been registered under the Franchise Investment Law of the state of California. Such registration does not constitute approval, recommendation or endorsement by the Commissioner of Business Oversight nor a finding by the Commissioner that the information provided herein is true, complete and not misleading.

In the event California law is determined to apply, the maximum interest rate permitted under California law for any loan or forbearance varies, but is generally 10% per annum, subject to various exceptions (including an exception for credit sales).

The California Franchise Investment Law requires that a copy of all proposed agreements relating to the sale of the franchise be delivered together with the Disclosure Document.

Payment of all initial fees is postponed until after all of franchisor's initial obligations are complete and franchisee is open for business.
