What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit F.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Sioux Falls, South Dakota. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Sioux Falls, South Dakota than in your own state.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

1. THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The franchisor is ORION FOOD SYSTEMS, L.L.C. ("ORION"), a South Dakota limited liability company located at 2930 West Maple Street, Sioux Falls, South Dakota 57107; (605) 336-6961; inquiries@orionfoods.com; olmfoods.com; www.hotstuffpizza.com; formerly known as Hot Stuff Foods, L.L.C. ("HSF"), a South Dakota limited liability company also located at 2930 West Maple Street, Sioux Falls, South Dakota 57107. Orion Food Systems, L.L.C. changed its name to Hot Stuff Foods, L.L.C. on January 18, 2005. Hot Stuff Foods, L.L.C. changed its name back to Orion Food Systems, L.L.C. on January 3, 2011. ORION's Federal Tax ID Number has remained unchanged with these corporate name changes. ORION conducts business under its corporate name.

ORION's parent is Orion Food Systems Holdings, LLC, a Delaware limited liability company with its principal business address of 30 Rockefeller Plaza, 54th Floor, New York, NY 10112 ("ORION Holdco").

ORION's predecessor is Orion Food Systems, Inc. ("OFSI"), 2930 West Maple Street, Sioux Falls, South Dakota 57107, which was incorporated in South Dakota on October 20, 1993. As part of a corporate reorganization and change in ultimate ownership in February 2002, OFSI merged into a newly formed limited liability company named Orion Food Systems South Dakota, L.L.C., and that company's name then was changed to Orion Food Systems, L.L.C. On February 1, 2006, ORION's management completed a management buyout with financial backing from Allied Capital Corporation, a business development company, which was an investor in ORION. On April 1, 2010, Allied Capital Corporation was acquired by Ares Capital Corporation, another business development company. On October 30, 2006, ORION acquired Lettieri's Inc., a company that produced branded and private label food products for convenience store customers. On January 1, 2007, Lettieri's Inc. was merged with ORION, and was an operating division of ORION. Effective as of January 1, 2012, ORION formed a new, wholly-owned subsidiary, Lettieri's, LLC, a Delaware limited liability company, and contributed all of its assets related to the Lettieri's operating division of ORION to Lettieri's, LLC. On February 25, 2014, ORION sold Lettieri's, LLC. In December, 2014, Ares Capital Corporation sold ORION to One Rock Capital Partners, LLC.

ORION and its predecessors offered non-franchise licenses for "Hot Stuff Pizza" and various other food service businesses from 1986, and have offered franchises for "Hot Stuff Pizza" and various other food service businesses since 1994. ORION's predecessor and former affiliates Hot Stuff Food Systems, 2930 West Maple Street, Sioux Falls, South Dakota 57107, and Moose Bros. Food Systems ("Moose Bros."), 2404 Marrietta Place, Sioux Falls, South Dakota 57107 (both unincorporated divisions of Orion Enterprises, Inc., OFSI's predecessor, 2930 West Maple Street, Sioux Falls, South Dakota 57107), have owned and operated food service businesses under the "Hot Stuff Pizza," "Moose Bros." and other names since 1994.

Before late 1995, licenses and franchises for the ORION Hot Stuff Pizza and Smash Hit Subs Brands were granted by OFSI under its then-current name of Hot Stuff Food Systems, Inc. and licenses for Moose Bros., Cinnamon Street Bakery, Eddie Peppers, and Chix Chicken Brands were granted by Moose Bros. Food Systems. ORION currently franchises ORION Brands in various formats under this Disclosure Document, most typically under the "Hot Stuff Pizza" Brand name and/or Brand names such as "Hot Stuff Kitchen," "Hot Stuff Subs," "Smash Hit Subs," "SmashHits Deli," "Cinnamon Street Bakery," "C-Street Café," "C-Street Bakery," "C-Street Grille," "Eddie Peppers," "Chix Chicken", "Gourmet Grub Hot Stuff Pizza," "Chopz by Hot Stuff," and "Game Time Sports Grill" (along with from time to time other Brands listed below). ORION formerly offered non-franchise licenses and franchises under the Smash Hit Subs, SmashHits Deli, Cinnamon Street Bakery, C-Street Café, C-Street Bakery, C-Street Grille, Eddie Peppers, and Game Time Sports Grill Brands in a Disclosure Document geared towards accounts to be operated in hospitals, colleges, universities, and the like. ORION discontinued use of that Disclosure Document in

2011. Until 2006, ORION also offered non-franchise licenses and franchises under the Nap's Alabama BBQ, Mean Gene's Burgers, Mean Gene's Pizza, and Asian Creations Brand. ORION formerly offered non-franchise licenses for very small-scale fully assembled frozen food Products with very limited support from ORION under the Hot Stuff Foods Xpress name from February 2010 through October 2011. ORION previously offered franchises for the "Päävo's Pizza" Brand under a different Disclosure Document, but discontinued the use of that Disclosure Document in 2020.

In April 2019, ORION Holdco acquired Land Mark Products, Inc. ("Land Mark"). Land Mark has offered non-franchise licenses for certain food (including pizzas, sandwiches, appetizers, burritos, breakfast croissants and biscuit sandwiches) and associated products, primarily under the "Piccadilly Circus Pizza" brand, since 1977. As of November 15, 2022, Land Mark had approximately 300 non-franchise licensed locations. Land Mark also produces and distributes other food and associated products, primarily under the "Day'N Night Bites" brand. Land Mark's principal place of business is 2084 220th St., Milford, Iowa 51351.

ORION and its predecessors and affiliates do not offer, and have not offered, franchises in any other line of business. ORION may reacquire franchise units from time to time. In November, 2011, ORION reacquired a franchise unit located in Sioux Falls, South Dakota. ORION no longer operates such franchise unit. The South Dakota agent for service of process for ORION is CT Corporation System, 319 South Coteau Street, Pierre, South Dakota 57501-3108. A list of all agents for service of process is located within Exhibit I of this Disclosure Document.

ORION owns a proprietary system of know-how, processes, procedures, standards and specifications for a network of food service businesses selling food items which ORION or its affiliate distributes through food service units located in a host business (the "System"). The ORION program is licensed under a short-form franchise agreement (see Exhibit A; referred to as the "Franchise Agreement"). It and ORION's Operations Manual – Field Service Guide, and such other operations or product manuals/menus/charts we periodically implement (the "System Manual") describe the System. Even though we describe the ORION franchise here in simplified terms, the Franchise Agreement is the legal and binding contract that sets out the rights and obligations of ORION and you. ORION DOES NOT AUTHORIZE ANY OTHER INFORMATION, PROMISE OR REPRESENTATION TO BE COMMUNICATED TO YOU THAT IS NOT CONTAINED IN THIS DISCLOSURE DOCUMENT OR THE ATTACHED FRANCHISE AGREEMENT, OR IN PRINTED FRANCHISE SALES LITERATURE PREPARED BY ORION, AND YOU SHOULD NOT RELY UPON ANY OTHER INFORMATION PROVIDED BY OR FOR ORION IN DECIDING WHETHER TO PURCHASE AN ORION FRANCHISE.

ORION owns various names, Trademarks, stylized logos, slogans, and symbols used in the System. See Item 13. The predominant brand identification of the franchised facility in most cases is "Hot Stuff Pizza," and/or "Hot Stuff Kitchen," or a related trademark designated by ORION, with certain additional food lines and Brands as designated by ORION in an exhibit to the Franchise Agreement.

We refer to the franchisee as "you" in this Disclosure Document. If you are a corporation, partnership or other organization, "you" may include the organization's owners.

ORION and its affiliates manufacture and distribute a proprietary line of food, packaging and related items ("Ingredients") and other items ("Supplies") used to prepare a proprietary line of food products ("Products") for sale to the public. You will be licensed to develop and operate a food service business for ordering, storing, preparing, merchandising and selling Products authorized for the ORION program, from a unit ("Unit") at an authorized location generally located within a host business such as a convenience store, grocery store, shopping mall, college, university, hospital, business and industry site or the like (a "Host Facility"). We will grant you a franchise only for the particular Brand(s) designated in Attachment

A to the Franchise Agreement, as well as such additional Products for such Brands that we designate periodically (as listed in the System Manual or in other written notices from us). The Franchise Agreement is identical for all Units, except for Attachment A, which lists the ORION Brand(s) you may install and operate at a particular location. The Unit may consist of various points of production, storage, and Product distribution throughout your Host Facility. You must purchase from us your requirements for food and related Products and supplies for your Unit. You may use our Trademarks only to advertise or sell Products we authorize. You must sell all of the required Products included on the menu (see www.olmfoods.com for our current menu and menu standards) of the ORION program for all Brands listed on Attachment A of the Franchise Agreement. (See Items 6, 8 and 16.) The standard term of the Franchise Agreement is five years from the date the Unit opens for business (the "Commencement Date"). ORION offers in some circumstances a reduced term of one to four years to franchisees who do not wish to participate in ORION's "Free on Loan" program (see Item 10) and who purchase all or substantially all of the equipment needed to operate a Unit.

ORION may change the System, Brands, menu, operations standards, and Ingredient, Supply, Product, facility, equipment and fixture requirements during the term of the franchise. You may have to make additional investments in the franchised business periodically during the term of the franchise if ORION makes changes or if the Unit's equipment or facilities wear out or become obsolete, or for other reasons.

The market in which you will operate is highly competitive, and vulnerable to the general state of the global, national, regional or local economy and to continuing changes in customer perception and choices of eating opportunities. You will compete with other national and local businesses offering competitive goods and services, including members of established national or regional franchise systems and other chains, some of which may be larger, older and better financed than ORION. You may also compete with the other ORION or Land Mark programs described above in the food service industry. Your business also will be affected by its location, including location and visibility of the Unit within the premises in which it is situated, the locations of competing food service businesses, your financial and managerial capabilities, your promotion of the Unit, availability of labor, changes that may occur in market traffic patterns, demographic or cultural conditions, consumer values and behavior and other factors.

Before training begins, you must obtain, and at all times during the term of the franchise you must keep in force, all necessary licenses and permits required by public authorities. You must comply with all federal, state, and local restaurant, food safety and handling, sanitation, menu and food labeling, public accommodations, building codes, fire safety, labor and all other laws, rules, and regulations regulating the Franchise, the Unit, and the business operated from it. You should also familiarize yourself with federal, state and local laws of a more general nature, which may affect the operation of your franchise. ORION may, as it determines, establish and modify or discontinue a referral program where ORION employees, existing franchisees, former franchisees, or third parties may be compensated in goods, services, or currency for referring a qualified potential Host Facility for a Unit to ORION that results in the opening of a such a Unit.

You must not take any actions to construct, establish, operate or advertise the Unit until you and an ORION officer properly sign a Franchise Agreement for a Unit at a location to which ORION consents, and you receive written authorization from ORION to open the Unit.

Notes to Table, above:

A. The Training Expenses include costs for sampling, labor hours expended in excess of the typical ongoing labor schedule, and any ancillary supplies you may need over and above materials purchased from ORION in the Opening Inventory supplied by ORION.

B. Installation of your Unit in a retail facility you own or lease should require no additional investment in real property. Utility hookups are needed; electric service (150 to 300 amps) is required; an exhaust hood, vent and fire suppression system is sometimes required. The cost for each of these items typically ranges from $1,500 to $7,000 each. Costs could increase substantially if new or separate electric lines must be provided to support the Unit. Frozen, refrigerated and dry storage space is required, as is a food preparation counter.

C. Before training begins, you must acquire and install in the Unit equipment, signage, fixtures, furnishings and related items you purchase from ORION or other approved sources that meets ORION's specifications in accordance with ORION's standards. ORION estimates that the total cost of such items will range from $20,000 to $52,000 for a typical Unit where you pay for all costs, including ORION's Installation Assistance Fee. Costs are expected to be at the low end of this range if the host facility already has walk-in cooler and freezer storage capacity and necessary sinks and plumbing available for use by your business or stoves or other appliances that may be used to prepare or merchandise Products. Costs may tend toward the high end of the range if additional coolers, freezers, electric lines or other new utility service are needed. Your costs may be substantially higher should you operate more than one ORION Brand. To assure uniformity, and common standards of trademark usage throughout the System, you must purchase

all signage and cabinetry which bears the Trademarks of the ORION Brand(s) you open or otherwise incorporates ORION's distinctive trade dress from sources which ORION expressly authorizes in advance. In addition to any other equipment you may be required to purchase, you may be required to purchase the components and software related to the IGNG System that meets the standards and specifications we establish and is from sources we designate, which may include us or our affiliates. The Equipment Expense includes the Installation Assistance Fee described in Item 5. Also see Items 8, 10 and 11.

This estimate does not include your cost to hire a qualified contractor (if needed) to install ORION equipment, signage, utilities, fixtures and furnishings. The contractor must follow lay-outs and designs ORION provides to install all equipment, signage, cabinetry and related items; ORION must approve all changes in advance and in writing. A representative of ORION will provide consultation to the contractor before and during installation of the Unit, either on site or remotely by telephone or electronic means. Your cost for a contractor to install the Unit could be as high as $2,500 or more. If the Unit, with all fixtures and equipment, is not completely installed before training begins, you must pay ORION's expenses, if any, caused by the delay.

You must pay for all equipment, signage, fixtures, furnishings and related items you purchase from ORION in accordance with ORION's requirements. You must typically pay a deposit equal to 90% of the total charges before we ship such items to you and the remaining 10% within 10 days after the Unit opens for business. You must pay all freight costs for such items shipped to you. We will not transfer title to such items to you or your financier until we receive payment in full for all such items you purchase from us.

D. You must purchase an initial inventory of food, paper goods and other supplies from ORION or its affiliates, at an estimated cost to you of approximately $5,000 to $16,000. These costs can vary depending on the ORION Brands to be operated from your Unit. For example, if you are opening only the Hot Stuff Pizza Brand or Hot Stuff Kitchen Brand in your Unit, your estimated cost of purchasing these items is $5,000 to $16,000. Substantial ongoing costs will be required for replenishment of food and packaging inventory.

E. Installation of your Unit at a retail facility you own or lease should require no additional security deposits, utility deposits or business licenses, but may require you to obtain a food permit if you do not already have one. The costs to obtain a food permit will likely vary dramatically depending on the state, county and city where you are located, and we have no way of providing a single estimate of such costs, if applicable.

F. You must add ORION and your Unit to your existing liability insurance policies. We will not grant you a franchise unless you already have coverage that we deem adequate. If you do not already carry acceptable coverage, ORION estimates that initial premiums for the required commercial general liability insurance, product liability and auto insurance will be approximately $1,500 to $5,000 per year. The cost of other coverages, including your discretionary purchases, varies widely. Liability insurance costs may be higher if you add inside seating.

G. This estimates your total expenses, including labor costs, food and supply costs (less initial inventory), promotional expenses, and quality control expenses, over an arbitrary initial start-up period of three months. These figures are estimates only and ORION does not guarantee that you will not have additional expenses starting and operating the business. Your costs will depend on factors such as the degree to which you follow ORION's methods and procedures for operating your Unit, your management skill, experience and business acumen, general economic conditions, the prevailing wage rate, and competition. Other costs and fees are described in Item 6. This estimate does not imply that the Unit will

be successful, profitable, or operate at breakeven, within this period or at any time. ORION has relied upon its more than 20 years of experience in the business to compile these estimates.

H. Depending on the location and current condition of the Unit, you may incur substantial costs for plumbing, electrical, ventilation and other leasehold improvements. ORION does not assist you with these improvements. You must arrange and pay for these items with providers you choose, at your expense. Costs for these improvements may vary dramatically, depending on your facility, seasonality, geographic conditions, local market and economic factors, scheduling and availability. All Units must comply with appropriate and applicable federal, state, local or other governmental rules and regulations.

I. All payments made to us or our affiliates are non-refundable. Payments made to third parties may be refundable based on your individual contract or business dealings with those third parties.

8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must purchase from ORION or its affiliate your entire requirement of available Ingredients and Supplies for preparation of Products, and certain packaging and sales promotion materials, for your Unit. ORION or its affiliates will initially set and retains the right to periodically change prices for Ingredients and Supplies. Prices may vary by region and/or in some instances additional distribution charges or purchase surcharges may be added to your orders. See Item 6. To assure uniformity, and common standards of trademark usage, throughout the System, you must purchase all signage and cabinetry which bears ORION's Trademarks or otherwise incorporates ORION's trade dress from sources ORION expressly authorizes in advance, which may include ORION or its affiliates. ORION may, in its sole discretion, require you to use the IGNG System at your Unit. If ORION requires you to use the IGNG System at your Unit, you must purchase the hardware and software related to the IGNG System that that allows you to track customer traffic at each public entrance to the Host Facility, scan and report all items made, discarded, and sold at the Unit, and report such other designated business information ORION requires, all in accordance with the IGNG System and that meets the standards and specifications ORION establishes and is from such sources as ORION designates, which may include ORION or its affiliates. If ORION requires you to use the IGNG System, you must also purchase such data communication services (including, but not limited to, an internet connection and/or cellular service) needed to operate the IGNG System that allow you to transmit the information collected thereby to ORION, all in accordance with the standards and specifications we establish or from sources we designate. Non-approved suppliers may not be used for these purchases. ORION's executive management owns interests in Orion Food Systems, L.L.C.

ORION, or its affiliates, expects to derive revenue and profits from sales of their goods, equipment and services to franchisees. In the fiscal year ended March 26, 2022, ORION's revenues from required purchases from all franchisees in all of its programs were $83,774,589.66 or 72.0% of its total revenues of $116,411,492.31 during that period. ORION's affiliates did not receive any revenue from direct franchisee purchases and leases during such fiscal year. ORION estimates that your expense for required purchases (including Ingredient costs, Supplies, and required advertising materials) will account for up to 85% of the total expenses to establish your Unit, and 43% to 59% of the total ongoing expenses to operate your Unit on an ongoing basis. Your ongoing expenses include expenses for labor, utilities, equipment depreciation, supplies, insurance, and services (among others) in addition to required purchases. There are currently no purchasing or distribution cooperatives.

You also must purchase or lease other goods, services, supplies, fixtures, equipment and certain inventory used in the Unit that meet standards and specifications ORION establishes, or purchase certain items only from sources ORION designates. Unless ORION requires you to purchase or obtain products or services from a designated source of supply, you may obtain authorized goods and services from any

available source of supply. ORION has no supplier approval process. No officer or director of ORION owns an interest in any designated supplier.

You will maintain a commercial general liability insurance policy, including product liability, and motor vehicle, with coverages required by law and a minimum of $1,000,000 aggregate single limit coverage, or such higher limit we may set, through reputable insurers, naming ORION as an additional insured (and naming ORION as a loss payee for any equipment ORION provides to you "Free on Loan," as described in Item 10).

Unit. You must provide a Unit that is designed, constructed, signed and equipped before training begins in accordance with ORION's standards and specifications or with products ORION authorizes. If you fail to fully install and equip the Unit at a site to which ORION consents, hire initial employees, obtain all necessary licenses and permits, or provide any items necessary for training to begin on the date scheduled, you must pay ORION's expenses, if any, caused by the delay and your franchise may be terminated.

Product Standards. You must offer all the Products, as ORION periodically requires, and prepare and assemble each item using only Ingredients, formulas, recipes and procedures ORION specifies. All available food products, Ingredients and Supplies must be purchased from ORION or its affiliate or designee. All other materials and customer convenience items must be specifically authorized by ORION or meet standards and specifications ORION establishes.

Standards and specifications for establishing and operating the Unit also are described in the System Manual and at www.olmfoods.com, and you are bound by the Franchise Agreement to operate the Unit in accordance with the System Manual, as revised periodically by ORION. ORION may establish different requirements for different Brands, and/or points of distribution within the Host Facility, and/or for Units located in different types of Host Facility businesses, and may change the standards and specifications periodically during the term of the franchise.

You must take all measures necessary to avoid and prevent any situation or occurrence which might pose a risk or threat to public health or safety, or which might cause injury, illness or death to customers, employees, visitors or guests at the Unit or Host Facility, including representatives of ORION. You must notify ORION immediately of, and take all steps necessary to remedy and cure, any such situation or occurrence. We may order your Unit closed temporarily if we think that is necessary to resolve any issue that we regard as a risk to health or safety.

Although ORION establishes various standards and specifications for the goods and services that go into establishing and operating your Unit, and periodically may seek certain supply commitments for the benefit of the System from various suppliers, ORION currently does not approve or disapprove suppliers as such (as distinguished from the goods or services they supply) and therefore currently maintains no criteria for approving suppliers or communicating approval or revocation of approval of suppliers to franchisees. ORION may establish these criteria in the future. You may be directed to vendors able to supply portions of your requirements for certain items used in the ongoing operation of the Unit. ORION does not derive income solely from purchases made by franchisees from third party suppliers. Third party suppliers may make contributions to System sales promotion, advertising or other programs. ORION also reserves the right to receive fees or other consideration in exchange for rights licensed or services rendered or goods sold to third parties, including vendors. ORION does not guarantee the availability of independent sources of supply for any particular product or service required to establish or operate a Unit. ORION does not normally negotiate purchase arrangements with Suppliers for the direct benefit of Franchisees. ORION does not provide material benefits such as granting additional franchises based on a Franchisee's purchase of particular Products or Services from ORION. All Franchisees are expected to purchase all required

Ingredients, Supplies, and Products that pertain to the ORION Brand(s) their Unit operates unless previously agreed to in writing with ORION.

10. FINANCING

In select cases where ORION, in its sole discretion, deems it advantageous, ORION may offer financing to you under one or more of the programs described below.

ORION has in the past offered limited equipment procurement assistance, as described below, under the "Free on Loan" program. This program is offered at ORION's sole discretion, and ORION may change or discontinue it at any time for any reason. ORION may provide "Free on Loan" Equipment to creditworthy Units opened under this Disclosure Document in certain geographic areas and where ORION deems it advantageous to do so. In evaluating potential sites for the "Free on Loan" program, ORION considers existing and potential quick service restaurant competition from non-ORION businesses and applies performance, financial and operational standards that are more stringent than for other ORION Units. If you have a potential "Free on Loan" site, you and your site are subject to ORION's qualification and approval processes.

Financing under the "Free on Loan" program is available periodically only in certain geographical areas typically for potential franchisees and Units directly identified by and pre-qualified by ORION and which are not under any third party obligations that prevent them from complying with the terms and conditions of the Franchise Agreement. It is available only to those who meet ORION's highest creditworthiness standards and open a new Unit generally within a qualified Host Facility that does not already contain an ORION Unit and which typically will not operate ORION Brands other than Hot Stuff Pizza, Hot Stuff Kitchen or the like. Convenience Store Host Facilities must generally generate daily sales of non-fuel items of greater than $2,000, serve an average of 750 customers inside the store per day, have 10 or more available parking spaces, have sufficient available freezer capacity (or acquire the same) to support the Brand, and be approved financially and from a distribution standpoint. Convenience Store Host Facilities that sell at least 100,000 gallons of gasoline per year are preferred, but not required. Host Facilities in the healthcare or similar setting must have a minimum of 100 beds and the food service operation within the Host Facility building or similar setting must have 400 customers or more per day. Host Facilities in an education setting must have a minimum of 1,000 students and operate a food service business with a minimum of 400 customers per day. Host Facilities in the healthcare or education settings that have 5,000 employees/patients/clients/visitors per day are preferred, but are not required. ORION will provide "Free on Loan" Units with one of several standard equipment packages, depending on the size and needs of the project, any or all of which ORION may change periodically (the "Equipment Package"). ORION will typically provide a portion of these standard packages "Free on Loan." You are responsible for purchasing the remainder of the standard package. Your cost to purchase these items may be reduced periodically depending on the number of Units you are opening in a mutually agreeable period of time. All other expenses concerning the establishment of the Unit including any other additional equipment you may purchase, all fees, and all leasehold improvement expenses, are solely your responsibility.

If you are a "Free on Loan" Unit franchisee, you must sign an Equipment Agreement (see Exhibit B). ORION retains ownership of the "Free on Loan" portion of the Equipment Package, which ORION will provide you. You may use that portion of the Equipment Package without charge during the initial

term of the Franchise Agreement, if you remain in compliance with the Franchise Agreement and the Equipment Agreement and if you achieve and maintain the performance thresholds described below and as outlined in the Equipment Agreement. ORION does not charge you interest or finance charges for your use of such portion of the Equipment Package or require you to grant any security interest to ORION, and no person (other than you) is required to guarantee your obligations under the Equipment Agreement. You must pay the Installation Assistance Fee and all other installation fees to establish a new "Free on Loan" Unit and must pay for all freezers and coolers, tile work, sinks and smallware utensils required by ORION. You are also solely responsible for all leasehold improvement work for the "Free on Loan" Unit, including all expenses incurred, plus the timely scheduling and completion of the work by qualified contractors. The Equipment Agreement provides that you disclaim certain warranties and agree that ORION will not be liable for certain claims and/or damages.

New ORION "Free on Loan" Units must achieve and maintain average minimum purchase volumes of ORION Ingredients, Supplies or Products of $1,200 per week ($5,200 per month or $62,400 annually) (evaluated annually at the end of each Operational Year) throughout the term of the franchise. If such Units fail to achieve and maintain such average minimum purchase volumes, ORION may require you to relocate the "Free on Loan" Unit (at your expense) to another qualified Host Facility owned by you under a transferred or new Franchise Agreement; or to purchase the equipment on an "as-is, where-is" basis, at a purchase price determined by ORION (plus all sales and other applicable taxes) and continue to operate the "Free on Loan" Unit as an ORION franchise; or to return the Equipment Package to ORION's home office and warehouse facility in Sioux Falls, South Dakota at your expense, ensuring that all portions of the Equipment Package are clean and in good working order on delivery to ORION (normal wear and use excepted) and as such close the "Free on Loan" Unit subject to the various termination consequences and post-termination provisions set forth in the Franchise Agreement. Upon any other default under the Equipment Agreement, ORION may terminate the Equipment Agreement and/or Franchise Agreement and similarly require you to either so return the "Free on Loan" portion of the Equipment Package to ORION or so purchase the such portion of the Equipment Package from ORION, subject to the various termination consequences and post-termination provisions set forth in the Franchise Agreement. Should you fail to return any equipment to ORION when required, then ORION will have the right to enter the Host Facility, remove such equipment and return it to ORION's home office and warehouse facility, and you will be required to indemnify ORION for all costs incurred by ORION in connection therewith. You will also indemnify ORION for all costs incurred with respect to repairing and/or cleaning any equipment that is not returned to ORION in clean and good working order.

ORION, at its sole discretion, may offer similar limited equipment procurement assistance under the "Free on Loan" program if you qualify and are remodeling and refurbishing your existing Unit. The Equipment Package in these circumstances may vary by Brand and by condition of the Unit. All other expenses concerning the remodeling and refurbishment of the Unit, including all fees and leasehold improvement expenses, are solely your responsibility. You must sign an Equipment Agreement (see Exhibit B) which permits you to use the Equipment Package at the remodeled Unit without charge, if you remain in compliance with the Franchise Agreement and the Equipment Agreement and if you achieve and maintain the performance thresholds described above and as outlined in the Equipment Agreement. Existing Franchisees who are remodeling and refurbishing their existing Unit and receive limited equipment procurement assistance under the "Free on Loan" program may be required to achieve and maintain average minimum purchase volumes of ORION Ingredients, Supplies and Products based on their then-current weekly average, rather than the average minimum purchase volumes set forth above.

In select cases where ORION, in its sole discretion, deems it advantageous, ORION may offer initial Ingredient credits to Units opened under this Disclosure Document instead of, or in addition to, the "Free on Loan" program described above. The criteria for determining whether a potential Unit is eligible to receive such initial Ingredient credits is identical to that described for the "Free on Loan" program listed

above. If ORION, in its sole discretion, elects to offer initial Ingredient credits to a Unit opened under this Disclosure Document, ORION will typically provide such Unit a certain amount, as determined by ORION in its sole discretion, of initial Ingredients to such Unit, at no cost to such Unit. Such Unit will not be required to sign any additional agreements with respect to such initial Ingredient credits.

ORION has no past or present practice or intent of selling, assigning or discounting to a third party any note, contract or other instrument you sign. ORION may pledge its interest in these instruments to third parties to secure its various obligations to third parties.

All ORION-sponsored financing programs are offered at ORION's sole discretion, and ORION or the credit provider may change or discontinue any financing program at any time for any reason.

11. FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, ORION is not required to provide you with any assistance.

Before you open your Unit, ORION's principal assistance and the related obligations of both the franchisor and franchisee are as follows:

(a) Your right to establish and operate an ORION Franchise is granted for a specific Host Facility which is described in the introductory paragraph of the Franchise Agreement before it is signed. Prior to entering into a Franchise Agreement, ORION will conduct a site survey of the proposed Host Facility where the Unit will be located and evaluate your application and the site survey to determine if the site is awarded an ORION Franchise, and (for an extra fee) installation supervisory consultation and training (as described below). You must pay us an Installation Assistance Fee for providing this assistance – Franchise Agreement, Section 11. All equipment, signage, fixtures, furnishings and related items must be acquired from ORION or other approved sources, and must meet ORION's specifications and be in accordance with ORION's standards. See Items 5 and 7. ORION will typically notify you whether the Host Facility is awarded an ORION Franchise within 39 days of completing the site survey. If the proposed Host Facility is not approved by ORION, then you will not be awarded an ORION Franchise for the proposed Host Facility. ORION does not assist you with locating a Host Facility for the operation of a Unit, nor does it assist you with the negotiating of a purchase or a lease for a Host Facility site. In reviewing the proposed Host Facility, ORION considers, among other items, the following factors: location, visibility, surrounding businesses, current business needs, population, zoning, and the condition of the property and facilities. Convenience Store Host Facilities must generally generate daily sales of non-fuel items of greater than $2,000, serve an average of 750 customers inside the store per day, have 10 or more available parking spaces, have sufficient available freezer capacity (or acquire the same) to support the Brand, and be approved financially and from a distribution standpoint. Convenience Store Host Facilities that sell at least 100,000 gallons of gasoline per year are preferred, but not required. Host Facilities in the healthcare or similar setting must have a minimum of 100 beds and the food service operation within the Host Facility building or similar setting must have 400 customers or more per day. Host Facilities in an education setting must have a minimum of 1,000 students and operate a food service business with a minimum of 400 customers per day. Host Facilities in the healthcare or education settings that have 5,000 employees/patients/clients/visitors per day are preferred,

but are not required. ORION does not at this time own or lease any Host Facility and has no leases with a franchisee;

(b) advise you with proper display and maintenance of the Trademarks, and procuring initial inventories and supplies – Franchise Agreement, Section 11. The initial inventories and supplies must be acquired from ORION or its affiliates in accordance with ORION's specifications. See Items 5 and 7;

(c) train you in the major aspects of establishing and operating your Unit - Franchise Agreement, Section 11. ORION's Director of Sales Effectiveness and/or ORION's Field Training Manager will coordinate the training program at the site of your Unit. Training will be conducted or assisted by other members of ORION's Operating and Education staff. Instructional materials consist primarily of the ORION System Manual described below. Training will be conducted as close to the mutually agreed upon projected opening of your Unit as is practical (usually within three to five days before opening), and in accordance with ORION's training and scheduling requirements. For new Units, ORION generally provides a minimum of 30 trainer-hours per Unit, normally conducted over four trainer-days. Shorter training programs are provided in certain other circumstances. You and the Unit's manager(s), must successfully complete training in accordance with ORION's specifications and to the satisfaction of ORION's Operations and Education Department. You must bear your own travel, room and board expenses (if any) to attend training. ORION will not pay you during training. Trainings for franchisees opening multiple sites may be conducted at one Unit. A list of ORION's Education staff may be found on Exhibit G.

The number of hours of training depends can vary depending on such variables as: Staffing, Menu Size, & Number of Sessions. Training is hands-on and should be uninterrupted. We recommend that employees be fully engaged during training in order to take full advantage of the training provided by our Trainers. ORION also provides assistance in labor controls, marketing and product inventory maintenance before your Unit opens for business usually three to six weeks before opening. These pre-opening meetings are usually held at your business office. After your Unit opens, we provide additional assistance in Hazard Analysis Critical Control Point, Brand recipes, inventory control, cleanliness, labor controls and marketing. This assistance is provided in periodic visits to your Unit by operations staff.

(d) provide you copies (where applicable) of instructional video materials and the System Manual, comprised of the Operations Manual – Field Service Guide and such other operations or product manuals/menus/charts we periodically implement, all of which ORION may change periodically – Franchise Agreement, Section 10. The System Manual is updated periodically and the topics and number of pages devoted to each subject matter may change. The System Manual also includes information on other ORION Brands that may be operated from your Unit.

(e) The table of contents of the current Operations Manual – Field Service Guide is set forth on Exhibit J.

During the operation of your Unit, ORION will provide ongoing operations counseling in the principal aspects of operating the Unit, including Unit safe and effective Ingredient handling, storage, rotation and quality; Product preparation, packaging, merchandising, and quality; Unit sanitation and cleanliness practices and procedures; Unit financial and operational performance; advertising and promotional techniques; customer service; employee training; development and implementation of inventory and cost control techniques; compliance with the System and the System Manual; and other general guidance and advice regarding the Unit and Brand(s), through various means - Franchise Agreement, Section 10. These ongoing operational consultations are designed to help you grow your business, and to also help you identify and correct any problems you may experience in the operation of your franchise.

ORION manufactures Ingredients used in Products. **You must purchase your requirements for Ingredients for your Unit from ORION or its affiliate or designee.**

We commit to visit your Unit in person (or perform “virtual visits” with you by electronic means) at least 4 times per Operational Year, on mutually agreed dates, to provide on-site consultative assistance to your franchise operation. An "Operational Year" is the period of time from the Commencement Date or the anniversary of that date to the next anniversary of the Commencement Date. See Franchise Agreement, Sections 3 and 10. ORION does not charge you a fee for these visits. Each day that we visit your Unit

shall count as one visit for purposes of this commitment. For example, if we visit your Unit for three consecutive days, such visit shall count as three visits for purposes of this commitment.

The Franchise Agreement does not obligate you to contribute to an advertising fund. ORION will provide you with periodic marketing and promotional materials. You must use these materials to promote the franchised business. ORION will normally introduce these sales promotion materials to you periodically throughout the year, and we will bill you for them on a quarterly basis. The cost to you is $250 per calendar quarter. See Item 6. ORION uses proceeds from sales promotion materials to defray the cost of producing these items.

Most System advertising is developed by ORION and/or by an advertising agency hired by ORION. Advertising may be in print, on radio and/or television and/or Internet or other computer-related media, and generally is local or regional in scope. You may develop advertising materials for your own use, at your own expense, but ORION must approve the materials, and media (including print, audio, video and computer-transmitted) use, in writing before you use them. ORION will notify you within 30 days whether it approves materials you submit.

ORION is not required to spend any amounts on advertising in the area or territory in which any particular Franchise is located. No advertising council composed of Franchisees currently exists. No local or regional advertising cooperatives made up of Franchisees currently exists.

ORION reserves the right to add or change electronic reporting system ("ERS") requirements at its discretion. We have established a proprietary system and method for tracking customer traffic at Host Facilities and reporting items made, discarded and sold at Units the ("Intelligent Grab n Go System" or "IGNG System"). We may, in our sole discretion, require you to use the IGNG System at your Unit. If we require you to use the IGNG System at your Unit, we will grant to you a non-exclusive, non-transferable license to use the IGNG System and related components and software pursuant to a separate license agreement (the "IGNG Agreement") (see Exhibit C), and you must enter into the IGNG Agreement and utilize the IGNG System in connection with your operation of the Unit. If we require you to use the IGNG System at your Unit, you must purchase and install, at your expense, the components and related software that allows you to track customer traffic at each public entrance to the Host Facility, scan and report all items made, discarded, and sold at the Unit, and report such other designated business information we require, all in accordance with the IGNG System and such other standards and specifications we establish (as we and may from time to time modify). If we require you to use the IGNG System at your Unit, you must also purchase such data communication services (including, but not limited to, an internet connection and/or cellular service) needed to operate the IGNG System that allow you to transmit the information collected thereby to ORION, all in accordance with the standards and specifications we establish or from sources we designate. ORION estimates that the total cost of such purchases will range from $3,000 to $5,000. Neither ORION nor any affiliate or third party has any obligation to provide ongoing maintenance, repairs, upgrades or updates for the IGNG System or its components or related software. ORION may require you to upgrade or update your IGNG System during the term of the Franchise Agreement, and there are no limitations in the Franchise Agreement or other agreements on the frequency or cost of your obligation to upgrade or update. You will allow us to have access to the IGNG System and the information obtained thereby, at such times as we require, for purposes of obtaining information relating to the Unit operations which is available through the proper operation of the IGNG System, and there is no contractual limitations on ORION's right to access the information obtained by the IGNG System.

Typically, the length of time between the signing of the Franchise Agreement and the opening of your Unit is approximately 81 days (with 97.9 days being the average for Units opened during our fiscal year ending March 26, 2022). The Unit must be installed and equipped in conformity with the final layout and design prepared by ORION and franchisee – Franchise Agreement, Section 7.

12. TERRITORY

You will not receive an exclusive territory, territorial protections against competition or any other exclusive rights. You may face competition from other franchisees, from units that we own, or from other channels of distribution or competitive Brands that we control.

ORION and its affiliates may use or license others to use the System, Trademarks and Brands, including those listed in Attachment A of your Franchise Agreement, at any other location (including in your market area). ORION in the past has offered franchises and/or non-franchise licenses under variations of the Brands listed in this Disclosure Document, as well as other Brands including "Moose Bros.," "Pizza Patrol," "Stone Willy Pizza House," "Mean Gene's Pizza," "MacGregor's Market" and "Päävo's Pizza". Some of these franchises are still in operation, but none is owned by ORION. ORION offered non-franchise licenses for very small-scale fully assembled frozen food Products with very limited support from ORION under the "Hot Stuff Foods Xpress" Brand from February 2010 through October 2011. ORION and its affiliates also currently sells and intends to continue selling certain Brands of its pizza, sandwich, bakery, and associated Products through brokers and distributors, and through joint marketing arrangements with other food product providers. These outlets currently sell and will continue to sell food items (including pizza, sandwich and bakery items) and associated products, and may compete with your Unit in the food service industry (including your market area). One or more of these competing outlets may already be located in proximity to your proposed Unit. The principal business address for these other concepts is the same as ORION's principal business address stated in Item 1. ORION does not currently maintain or plan to maintain physically separate offices or training facilities for these other concepts.

Land Mark (an affiliate of ORION) also licenses others to sell its food (including pizzas, sandwiches, appetizers, burritos, breakfast croissants and biscuit sandwiches) and associated products from outlets under other brands, including the "Piccadilly Circus Pizza" brand. Land Mark and its affiliates also currently sells and intends to continue selling its food and associated products under other brands, including "Day'N Night Bites", through brokers and distributors. These food items and associated products may compete with your Unit in the food service industry (including your market area), and may already be sold from outlets or locations located in proximity to your proposed Unit. The principal business address for Land Mark's operations is 2084 220th St., Milford, Iowa 51351.

ORION and its affiliates (including Land Mark) may also offer, market, distribute and sell (or license others to offer, market, distribute and sell our) pizza, sandwich, bakery or other products, under any trademark, through other systems or through other channels of distribution, including brokers, distributors and joint marketing arrangements with other food product providers, through the internet, and by direct sale, mail order and telemarketing, at, from or to any location. (including in your market area).

The above-described business activities may result in the sale of ORION products and/or similar or competing products to competitors in your market area. ORION is not required to compensate you for any of the above-described business activities. ORION has no system or method for resolving conflicts between ORION, ORION's franchisees and any of these other third party relationships, and does not maintain any separate offices or facilities for any of the ORION Brands.

You will select, with our consent, the precise location for the Unit within your Host Facility. Our consent is not a guarantee or assurance as to the availability, suitability or prospects of a Unit.

ORION may consent to the relocation of a Unit to a new Host Facility. The relocation site must meet ORION's then-current system standards required for approval to open a new Unit. The relocated Unit must be opened within 90 days of the closing of the original Unit. The relocated Unit must also conform with ORION's then-current system standards and participate in ORION's then-current Marketing programs applicable for the opening of a new Unit at the then-current cost to the franchisee. We may require you to enter into ORION's then-current franchise agreement, for the relocated Unit, under the then-current franchise Disclosure Document, both of which may differ from this Disclosure Document and the sample agreement contained within it.

ORION also may express interest in the acquisition of other non-ORION related businesses or systems to improve the equity of ORION as a business entity, increase economies of scale, and ultimately build the equity in the ORION Brands and Trademarks. These entities may operate a franchise or business that will sell similar goods or services under a trademark different than those currently registered by ORION.

You do not have an option, right of first refusal, or other right to acquire additional franchises without ORION's prior, express, award of such a franchise.

The United States Patent and Trademark Office assigned this application serial number 87/645034, and as of the date of this Disclosure Document, has not registered it. In September 2021, ORION applied for federal registration of the trademark "HOT STUFF KITCHEN." The United States Patent and Trademark Office assigned this application serial number 93/039307, and as of the date of this Disclosure Document, has not registered it. Therefore, this trademark does not have many legal benefits and rights as a federally registered trademark. If our right to use the trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses.

There is no currently effective material determination of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, no pending infringement, opposition or cancellation proceedings, and no pending material litigation involving ORION's principal Trademarks. No agreements limit ORION's right to use or license others to use ORION's Trademarks in any manner relevant to this offering.

You must use ORION's Trademarks only in the manner set forth in the Franchise Agreement and System Manual, and as specified periodically by ORION. ORION may change or discontinue any program or promotion for any of the Trademarks, and periodically may add, alter or delete Trademarks from the list of Trademarks licensed to you. You may not use any of the Trademarks as part of a corporate, partnership or trade name.

You are not obligated to notify us if you learn of another's use of, or claims of rights to, a trademark identical to or confusingly similar to a Trademark licensed to you. ORION reserves sole discretion to determine what steps, if any, are to be taken in any instance of unauthorized use or infringement of any of its Trademarks and has complete control of any administrative proceeding, litigation or settlement with any claim of an infringement, unfair competition or unauthorized use of the Trademarks. ORION is not obligated to protect your use of the Trademarks or to protect or indemnify you against claims of infringement or unfair competition. ORION does not guarantee that there are no prior users of a licensed mark whose rights to its or their trademarks in their immediate trade area are superior to the rights of ORION to use and license others to use the Trademarks listed above. As of the date of this Disclosure Document, ORION is not aware of any prior rights or infringing uses that could materially affect your use of any of its Trademarks in the state where your Unit will be located.

Although ORION has not applied for federal copyright registration of the System Manual or its individual components, the information in the System Manual is proprietary and ORION owns and claims the copyright in the entire System Manual, in various advertising and sales promotion materials, and in customer convenience and other materials used to operate and promote your Unit, in both paper and electronic form. You will use all copyrighted materials only to operate the Unit under the Franchise Agreement and as authorized by ORION. ORION will disclose to you certain confidential or proprietary information and trade secrets associated with the System. You will use all confidential and proprietary information, trade secrets and System information we impart to you only to operate the Unit under the Franchise Agreement, and you will keep this information strictly confidential during and after the initial term and any renewal term(s). FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (the "Agreement"), dated _____, ____, is made between ORION FOOD SYSTEMS, L.L.C. ("ORION", "Orion Land Mark", "OLM", "we", "us") and _____ of _____ _____("Franchisee", "you"), to establish and operate one Unit, using the proprietary OLM System, Trademarks and Brands franchised from us, under the terms and conditions listed below, only at the following location: _____

_____

(the "Host Facility").

OLM produces and distributes a line of proprietary food ("Ingredients") and packaging ("Packaging") items and certain materials ("Supplies") used to prepare and package a distinctive and proprietary line of prepared food items ("Products") for resale to the public at a station or facility (the "Unit") typically located within a host business or other facility ("Host Facility"). OLM licenses a distinctive food service business for ordering, storing, preparing, merchandising, and selling the Products under several distinct brands (the "Brands") identified by various OLM trademarks (the "Trademarks") and using a collection of business techniques, trade dress, operating methods and confidential and proprietary OLM know-how and techniques (the "Trade Secrets") (collectively, the "Method"). Units are identified by various Trademarks and may consist of various points of production, storage and Product merchandising located throughout the Host Facility, as we periodically authorize, and shall include any location where any Product merchandisers, warmers or coolers are located within a Host Facility, any associated Product preparation areas devoted to OLM Brands, any Ingredient and Supply storage areas devoted to OLM Brands, and the cabinetry and any other fixtures and furnishings to which OLM's Brands or Trademarks have been affixed. Our distinctive food service business, trade dress and Method is referred collectively to as the "System." You wish to establish and operate a retail food service business operating from the Unit at the Host Facility using our Method, Ingredients, Packaging, Supplies, Products, Trademarks and Trade Secrets, and featuring only the Products offered under the Brands authorized in Attachment A, all in accordance with the terms of this Agreement. In consideration of the foregoing and the undertakings herein, the parties agree:

1. GRANT, RESERVATIONS AND REPRESENTATIONS. We grant you a non-exclusive license during the term of this Agreement to use the System and those Trademarks pertaining to the Brands listed on Attachment A to install and operate one Unit at a mutually agreeable location within the Host Facility. We reserve all rights not specifically granted to you in this Agreement. You will not receive an exclusive territory, any territorial protections or any other exclusive rights pursuant to this Agreement. You may face competition from other third party brands and chains, from other OLM franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we supply or control.

2. ACCEPTANCE OF FRANCHISE.

(a) You represent that you have fully and truthfully completed our application and provided us accurate and complete information concerning the Host Facility.

(b) You accept the franchise granted in Section 1 and agree to install, open and continuously operate the Unit during the initial and any renewal terms strictly in accordance with this Agreement, our training and System requirements, and the Operations Manual – Field Service Guide and such other operations or product manuals/menus/charts we periodically implement (including the standards as listed at www.olmfoods.com) (the "System Manual").

(c) You must open the Unit within 90 days of the date you sign this Agreement (subject to extension only at OLM's absolute discretion), or you may be deemed to have abandoned and terminated this Agreement.

(d) You must comply with all System standards that we outline at www.olmfoods.com while the Unit operates.

(e) Our grant of this franchise and our consent to the location of the Unit is not a guarantee or assurance as to its suitability, prospects, or profitability.

3. TERM. This Agreement is in effect, unless sooner terminated, for an initial term of five years, beginning on the date the Unit opens for business (or for existing Units converting to this Agreement, the date both of us execute this Agreement) (the "Commencement Date") and expiring at 11:59 p.m. local time on the fifth anniversary of the Commencement Date (the "Initial Expiration Date"). An "Operational Year" of the Agreement is the period from the Commencement Date, or its anniversary, to the next anniversary of the Commencement Date. This Agreement will renew for one additional renewal term of five years on the Initial Expiration Date, if and only if you are not in breach of this Agreement (or any related agreement) at the Initial Expiration Date, and if neither of us has given the other written notice at least 90 days before the Initial Expiration Date that it does not wish to renew this Agreement. A successor agreement may be executed at the conclusion of the initial term only by our mutual consent and using the form of Agreement we are then using and the terms of which may differ substantially from this Agreement.

4. TRADEMARKS. Our Trademarks (including our distinctive trade dress for the Unit) are our exclusive and valuable property. You will use our Trademarks *only* to identify Products and services that we authorize, and strictly in the precise manner, colors and form we authorize as outlined at www.olmfoods.com. You may not use the Trademarks in any advertising without our prior express written permission. Your use of our Trademarks inures solely to our benefit, and all goodwill associated at any time with our Trademarks is solely our property. You may not use our Trademarks as part of your corporate or business entity name or part of an e-mail or I.P. address, internet domain name, home page or uniform resource locator. You will not contest our ownership or registration of the Trademarks, or undertake or fail to take any action, the consequences of which is to impair the goodwill of our Trademarks or to jeopardize our ownership of the Trademarks and their associated goodwill. You will sell only our Products under our Trademarks. You acknowledge that you will have materially breached this Agreement if you sell other goods under our Trademarks or from the Unit. We reserve the right to periodically add, remove, modify, or replace any Trademark for the Brands listed on Attachment A, and if we do so you agree to promptly alter or replace at your own cost any signage, trade dress and other items as we may designate to reflect such changes.

5. INGREDIENTS AND PRODUCT STANDARDS AND OBLIGATIONS.

(a) We will sell you, at a profit, and you will purchase from us, the entire stock of the available Ingredients, Packaging, Products and Supplies required to operate the Unit and authorized Brands for as long as the Unit operates. Our prices are subject to change at our sole discretion.

(b) You will follow our proprietary Method and System and our Ingredient, Packaging, Supply, Product, and menu specifications, and use only our Method and the Ingredients we supply or approve to assemble and prepare Products according to our formulas and specifications, conforming to our standards of quality, portion, appearance, taste, and packaging, for as long as the Unit operates to ensure brand equity, taste profile, traceability, and food safety. (d) You acknowledge that this franchise is for the distribution and sale of a line of proprietary food Ingredients and Products that we produce or distribute, together with related Supplies and items we distribute. You acknowledge that you will have materially breached this Agreement if you purchase food products from other sources and use those items to prepare and merchandise Products identified by or associated with any Brand authorized for you your use as listed in Attachment A, or any associated Trademark of those Brands.

(e) We may, in our discretion, periodically change any of our System requirements, Ingredients, Packaging, Supplies, Products, Trademarks, equipment, Trade Secrets and procedures and, upon our notification to you, you will promptly conform the Unit, Brand(s) and the business conducted at the Unit to the revised requirements at your cost. Our then current requirements are listed at www.olmfoods.com.

Our allocation of supplies or refusal to place, ship or deliver orders to you does not entitle you to obtain Ingredients, Packaging, Products or Supplies from unauthorized sources. You have no right to set-off of amounts due to you for purchases made from us.

(b) You must pay for all equipment you purchase from us in accordance with the terms and conditions we periodically establish. You will sign security agreement(s) and financing statements for us to file to record our ownership of any "Free on Loan" Equipment in your possession or to be shipped to you.

(c) Interest shall accrue on any unpaid past due amounts you owe us or our affiliates from the date due until paid, at a rate of the lower of: (i) 18% per year; or (ii) the maximum contract rate of interest allowed by law. You also will pay all costs, including reasonable attorneys' and litigation expense fees, we incur collecting these past due amounts from you or in enforcing this Agreement.

10. SYSTEM KNOW-HOW AND CONFIDENTIALITY. We will provide you with the distinctive food service business processes associated with the Method and System and appropriate to the Brands you are authorized to operate at your Unit, using our confidential and proprietary know-how and techniques. We will loan you one copy of the System Manual(s) applicable to the Brands. The System Manual may also be found at www.olmfoods.com. We may change the System and the System Manual(s) periodically. You will promptly conform to these new standards at your cost after notification. In any dispute concerning the contents of the System Manual(s), the version we maintain at our headquarters shall be considered the governing version. You will return any copies of the System Manual(s) in your possession to us in their entirety upon expiration, termination or transfer of this Agreement. We reserve our rights to pursue legal remedies for your unauthorized use or disclosure of proprietary or confidential information contained in the System Manual(s). You will use Trade Secret and System information we impart to you only to operate the Unit under this Agreement, and you will keep this information strictly confidential during and after the initial term and any renewal term(s). You agree that the disclosure or unauthorized or improper use of the Trade Secrets and System information may cause us or other OLM franchisees irreparable harm, and you agree not to engage in such practices. Neither termination nor expiration of this Agreement limits or excuses your obligations hereunder which by their nature survive termination or expiration of this Agreement.

11. OLM SERVICES.

(a) Before the Unit opens for business, we will conduct a site survey of the proposed Host Facility and will perform other tasks necessary to evaluate your qualifications as a franchisee and the proposed site's qualifications for a Unit. Our evaluation is not a representation or guaranty of the success or suitability of the proposed Host Facility or the proposed Unit. Before your Unit opens for business, we will also advise you with proper display and maintenance of the Trademarks, and procuring initial inventories and supplies. You will obtain, schedule and pay your own on-site contractor for your installation and leasehold improvement needs. You are solely responsible, at your expense, for ensuring that all of the necessary equipment installations, leasehold improvements and license and permit requirements necessary to open and operate the Unit and Brand(s) are completed before training begins.

(b) Before the Unit opens for business, we will also provide training (described in our Franchise Disclosure Document) at your Unit suitable for the number and type of Brands that you are authorized to operate. You will not be required to pay us a fee for this initial training, but you must bear any costs incurred by you in connection with this training. You and the initial manager of the Unit must successfully complete our training program, at your expense, before opening your Unit. Your Unit must be equipped and ready to open before your initial training is scheduled to begin; if it is not ready, you must pay our expenses caused by the delay. We may, in our reasonable discretion, require retraining of you and any Unit manager(s) and employees

while the Unit operates and you will be billed for such retraining as described in our Franchise Disclosure Document.

(c) We will provide you periodic ongoing operations counseling as described at www.olmfoods.com. You will allow us free access to the Host Facility during its normal hours of operation to photograph and inspect the Unit and Host Facility and to inventory, examine, copy, and audit the Unit's books and records, Ingredients, Packaging, Supplies and Products. We will advise you periodically on principal aspects of Unit operations. One of our representatives will visit your Unit (or perform "virtual visits" with you by electronic means) during its normal business hours at least 4 times per Operational Year unless (i) we are prevented from doing so due to reasons beyond our reasonable control, including fire, flood, severe weather conditions, war, terrorism or sabotage, accident, labor disputes, governmental laws or regulations, sickness or mechanical failure, or pandemic (ii) the visit is conducted away from the Unit in another location with the participation of you or your principal decision-makers, (iii) you are in breach of this Agreement at the time of the missed deadline, or (iv) as of the last business day of any quarter of the Operational Year, you are more than 30 days late on any payment or report due to us. We will not charge you a separate fee for these visits. Each calendar day that we visit your Unit shall count as one visit for purposes hereunder.

12. UNIT RECORDS AND REPORTING.

(a) You must accurately record all Unit transactions on the forms or a media we designate and in the manner we specify, and make periodic reports to us listing the Unit's sales, cost of sales of the Products for the Brands operated and, the number, type and variety of Products sold for these Brands, and Unit expenses such as labor hours and labor costs, advertising and marketing, quality control discard, sampling and discounts and other expenses (such as equipment depreciation, Unit utilities, Unit supplies and Unit services). You agree to provide such reports as required by us as described at www.olmfoods.com. We may change our reporting standards periodically, and you will promptly conform to the new standards. We will keep information you report to us confidential, but we are free to use such information and to compile it into statistical aggregates that do not reveal to third parties your identity or data specifically identifiable to your business unless required by law or court order.

(b) If we require you to use the IGNG System at your Unit, you must utilize the IGNG System and record and transmit all information collected by the IGNG System in accordance with the standards and specifications we establish.

13. CLEANLINESS STANDARDS. You will take all measures necessary to prevent contamination of Ingredients, Packaging, Supplies, and Products and prevent risks to public or employee health and safety at or near the Unit. You will operate the Unit in a clean, orderly, and safe manner, in accordance with all applicable laws, regulations and codes relating to restaurants, food safety and handling, sanitation, menu and food labeling, public accommodations, building codes, fire safety or labor. You will also operate the Unit in accordance with the System as outlined at www.olmfoods.com and the System Manual. You will keep the Unit location and equipment clean and well maintained, in accordance with the requirements outlined above and the equipment manufacturer's requirements. You will notify us in writing within twenty-four (24) hours if you receive any notice that you or the Unit is not in compliance with all applicable health or sanitary laws, regulations, or standards. We reserve the right to order the temporary closing of your Unit to minimize or mitigate public health or safety risks and you agree to comply immediately with any such order and to cooperate in remediation. You will not deliver or sell Products from the Unit that are not "ready to eat," unless specifically authorized by us to sell Products that may be

frozen, thawed, or in an uncooked state for a "Take and Bake" or similar program. You will promptly inform us of any insurance or other claim or incident involving the Unit or its Products.

14. MARKETING. You will conduct regular local sales promotion programs, using materials and media we expressly authorize, and always conforming to the Trademark requirements. You will promote the authorized Brands at your Unit for as long as it operates with periodic sales promotion materials we produce or authorize. We will normally introduce these sales promotion materials to you periodically throughout the year, and we will bill you for them on a quarterly basis. The cost to you for these materials is $250 per calendar quarter. You agree to participate fully in and to honor all short-term promotional campaigns and limited time product offers that we originate for your authorized Brands.

15. INSURANCE AND INDEMNIFICATION.

(a) You will maintain a commercial general liability insurance policy, including product liability, and motor vehicle, with coverages required by law and a minimum of $1,000,000 aggregate single limit coverage, or such higher limit we may set, through reputable insurers, naming us as an additional insured (and naming us as a loss payee for any equipment we provide to you "Free on Loan," as described in our Franchise Disclosure Document), throughout the initial term and any renewal term(s) of this Agreement. Upon our request, you will provide to us a certificate of the then-current coverage. You or your insurance company must notify us in writing no less than 30 days before any modification or cancellation of your policy. If you fail to buy the required insurance, we may do so on your behalf, and you will reimburse us for the cost of such insurance.

(b) You will defend, indemnify, and hold harmless OLM, its affiliates and their respective directors, officers, agents and employees from all suits, claims, demands, liabilities, and costs, including attorneys' fees, in tort, contract, or otherwise, arising out of or in connection with your operation of the Unit, except to the extent caused by our gross negligence. You waive and release all claims against OLM, its affiliates and their respective directors, officers, agents, and employees for damages to property or injuries to persons arising out of or in connection with operation of the Unit, except to the extent caused by our gross negligence.

16. RELOCATION AND TRANSFER. You will not relocate, delegate, sublicense, transfer, or assign any interest in this Agreement, the Unit or its operations or the Host Facility, directly or indirectly, without our consent, which we may grant or withhold in our absolute discretion. We may transfer our interest in this Agreement at our discretion. You will use your best efforts to promptly complete a transfer to which we consent in accordance with this Section. The proposed transferee, if approved, must, at our discretion, either enter into a new franchise agreement with us or sign an amendment to this Agreement assuming your obligations for the unexpired term of this Agreement. You will have breached and abandoned this Agreement if you change ownership of the Host Facility or the Unit without properly transferring this Agreement in accordance with this Section (an "Unauthorized Transfer").

17. TERMINATION.

(a) Except as provided elsewhere in this Agreement, either party may terminate this Agreement for good cause and upon notice to the other party as follows:

(i) Either party has good cause to terminate this Agreement only if the other party fails to cure an intentional, material, repeated, or continuous breach within 30 days of its receipt of written notice from the other specifying the breach and demanding cure, or seven days in cases of failure to pay sums of money that are due.

(ii) We have good cause to terminate this Agreement, and may terminate this Agreement immediately upon delivery of notice to you, without your opportunity to cure, if: (i) you fail any three Unit inspections, by failing one or more critical areas in an inspection, as defined periodically by us in our sole discretion, in a consecutive 12-month period; (ii) you abandon this Agreement by failing to open the Unit within 90 days of the date of this Agreement, by removing the Unit or any Brands listed in Attachment A operating from it or any of its equipment from the Host Facility, by failing to operate the Unit for three or more consecutive days without our prior written consent, or by failing to order and receive delivery of Ingredients, Packaging, Supplies and Products from us for 45 or more consecutive days without our prior written consent; (iii) you perform an Unauthorized Transfer; (iv) you misrepresent or omit material information on your application; (v) the Unit and/or its Host Facility is destroyed or rendered unusable by wind, fire, flood or other natural or man-made calamity and is not repaired in such a manner as to meet our facility and equipment requirements, and reopened within 60 days of closure; (vi) you become insolvent or bankrupt by any definition; (vii) you, any manager of the Unit, or any of your employees fail to successfully complete any required training; (viii) you (or one of your principal officers, directors, managers, partners, members or shareholders) are convicted or plead guilty or no contest to any charge or violation of any law relating to the Unit, or of any felony; or (ix) you perform any act, or fail to take any action, the result of which impairs or threatens to impair the health or safety of employees, customers, visitors, or invitees of the Unit or that impairs or threatens to impair the goodwill associated with ORION, ORION's System, the Brands listed in Attachment A operating at the Unit, and/or ORION's Trademarks.

(iii) Notices are deemed received when delivered personally or one business day after being sent by certified mail, facsimile, or overnight express to the party's address listed in this Agreement.

(b) Franchisee may terminate this Agreement without cause with 60 days advance written notice to OLM, subject to the termination consequence provisions outlined below.

18. TERMINATION CONSEQUENCES. Upon termination of this Agreement, all rights licensed hereunder automatically revert to us, and, in addition to all other legal and equitable rights and remedies to which we are then entitled, you will promptly:

(a) close the Unit and stop using the System and Trademarks, any materials containing or depicting the System or Trademarks, and any other name or trademark confusingly similar to the Trademarks;

(b) "De-Brand" the Host Facility by removing, at your expense, all items, signage, and equipment bearing our Trademarks or copyrights, and eliminate our trade dress from the Host Facility, within 30 days of the termination date;

(c) pay us all sums you then owe us within 10 days of the termination date;

(d) return to us, at your expense, all copies of the System Manual and any other confidential information provided by us within 10 days of the termination date;

(e) return to us, at your expense, any “Free on Loan” equipment provided to you to our headquarters in Sioux Falls, SD within 30 days of the termination date;

(f) immediately stop using the IGNG System; and

(g) if this Agreement was terminated prior to the then applicable Expiration Date, you will pay us an early termination fee of $1,000 per month for each month of the then remaining term as of the termination date. This early termination fee is payable in full no later than 30 days after the termination date.

We may pursue all available remedies at law and in equity to recover, for example, unpaid sums due, early termination fees, legal fees and expenses, and any other damages for any breach of this Agreement. If you do not comply fully with this Section within 30 days of the termination date, you hereby authorize us to enter the Host Facility premises to remove any of Trademarks or copyrights.

Neither termination nor expiration of this Agreement limits or excuses your obligations hereunder which by their terms survive termination or expiration of this Agreement.

19. INTERPRETATION. This Agreement (in conjunction with the corresponding Franchise Disclosure Document, your application, the IGNG License Agreement (if applicable) and any accompanying Equipment Agreement (if applicable)) is the complete and final expression of our agreement relative to the Unit. No conduct alters the requirements of this Agreement. All rights and remedies are cumulative. This Agreement supersedes and cancels any other understanding or agreement previously made between you and us for this Unit. This Agreement may be waived, modified, or varied only by a written document prepared by us and signed by the authorized representatives of both parties. Our acquiescence in or waiver of any breach of any provision of this Agreement is not a waiver of any other or later breach. If any provision of this Agreement is or becomes illegal or unenforceable, it shall be reformed to the least extent necessary to be lawful and enforceable in the opinion of a court of competent jurisdiction.

20. GOVERNING LAW. This Agreement is made in South Dakota and shall be governed by South Dakota law (except that the South Dakota Franchise Act (SDCL T.37, Ch. 5B), SDCL Sec. 53-9-8 and South Dakota laws governing liquidated damages and covenants restricting competition shall apply only to franchisees to whom such South Dakota laws apply).

21. DISPUTE RESOLUTION**. Disputes that we are unable to resolve directly will be resolved in a civil proceeding. Trial by jury is waived. Suit shall be brought in Sioux Falls, South Dakota, in the U.S. District Court, District of South Dakota, Southern Division, unless such court lacks jurisdiction to hear such suit, in which case suit shall be brought in the state court for Minnehaha County, South Dakota. No exemplary or punitive damages may be sought or awarded, and no claim may be pursued on a class or consolidated basis. Both parties consent to personal and subject matter jurisdiction in the courts defined in this paragraph and waive any objection on any basis to jurisdiction or venue in such courts.**

22. RELATIONSHIPS. You are an independent contractor, and not an employee, agent, partner, or joint venturer of OLM or its affiliates. This Agreement does not create a fiduciary relationship between us. We owe no implied duties to you. You represent and warrant that there is no third-party agreement that impairs your ability to enter into and perform under this Franchise Agreement.

23. FDD DISCLOSURE. You acknowledge receipt of our Franchise Disclosure Document at least 14 calendar days before execution of this Agreement. You acknowledge receipt of this Agreement with all applicable blanks completed and with all applicable Attachments, Addendums and Exhibits at least seven calendar days before execution of this Agreement. You also acknowledge that we have recommended and that you have had an opportunity to review this Agreement and our Franchise Disclosure Document with your lawyer, accountant and/or other business advisor before the execution of this Agreement and all

other related agreements. We do not authorize any information, promise, or representation to be communicated to you concerning the offer of this franchise that is not contained in our Franchise Disclosure Document or this Franchise Agreement or in printed franchise sales literature prepared by us, and you should not rely upon any other information purportedly provided by or for us in deciding whether to purchase an OLM franchise.

PLEASE INDICATE YOUR ACCEPTANCE BY SIGNING AND RETURNING THIS COPY OF THIS AGREEMENT. YOU REPRESENT AND WARRANT THAT YOU ARE AUTHORIZED TO EXECUTE THIS AGREEMENT FOR THE FRANCHISEE. THIS AGREEMENT TAKES EFFECT ON THE DATE YOU SIGN IT IN THE FORM WE SENT IT, AND THE TERM BEGINS ON THE DAY THAT THE UNIT DESCRIBED IN THIS AGREEMENT OPENS FOR BUSINESS.

Equipment Agreement

ORION EQUIPMENT AGREEMENT

THIS EQUIPMENT AGREEMENT (the "Agreement") dated _____, is made between ORION FOOD SYSTEMS, L.L.C., a South Dakota limited liability company ("ORION") and _____ _____("Franchisee"). This Agreement is issued under ORION's "Free on Loan" program.

ORION and Franchisee are parties to a Franchise Agreement (the "Franchise Agreement") for a food service business located at _____ (the "Unit"). All terms described herein shall have the same meanings as those in the corresponding Franchise Agreement and Franchise Disclosure Document.

ORION provides for Franchisee's use, and Franchisee agrees to use, the equipment described in Appendix A attached to this Agreement (the "Equipment"), subject to the following:

1. Possession and Responsibilities.

(a) Subject to the terms of this Agreement, Franchisee shall have exclusive possession, control and use of the Equipment and assumes responsibility for the operation and maintenance of the Equipment from the date the Equipment is installed at the Unit until either this Agreement is terminated or the Franchise Agreement is terminated.

(b) Franchisee shall be solely responsible to the public and to all applicable regulatory agencies for compliance with any relevant laws or regulations with respect to the Equipment, and shall be solely responsible for compliance with all requirements of Franchisee's liability insurance carriers.

(c) Franchisee is responsible for installation of the Equipment at its sole responsibility and expense. ORION may oversee installation when available and at its sole discretion.

2. Use of Equipment. The Equipment shall, at all times, be the sole and exclusive property of ORION. Franchisee shall have no right or property interest therein, except for the right to use the Equipment in the normal operation of its business with respect to the ORION Brands in the Unit in Franchisee's Host Facility under the Franchise Agreement for the Unit. Franchisee may use the Equipment only to prepare and sell those Products offered under the ORION Brands listed in Attachment A of the Franchise Agreement for the Unit.

3. Performance Obligations.

(a) Franchisee agrees that its continuing right to use the Equipment is conditional upon Franchisee's compliance with this Agreement, the Franchise Agreement for the Unit, and ORION's System. Franchisee's failure to abide by these terms and conditions are grounds for termination of this Agreement and/or the Franchise Agreement for the Unit for good cause by ORION, and Franchisee shall be subject to the various termination consequences associated therewith.

(b) If the Equipment is installed at an existing Unit, such Unit must achieve and maintain its then-current average of weekly purchases of Ingredients, Supplies and Products from Orion, as evaluated annually during the term of the Franchise Agreement. If the Equipment is installed at a new Unit, such Unit must achieve and

maintain average minimum purchases of $1,200 per week (evaluated annually at the end of each Operational Year, and based on the number of purchases made by Franchisee during such Operational Year, divided by the number of weeks in such Operational Year) of Ingredients, Supplies, and Products from ORION, as evaluated annually during the term of the Franchise Agreement. If the Unit fails to achieve and maintain the applicable average minimum purchases described above, Franchisee shall, at ORION's option, either (i) if ORION terminates this Agreement and the Unit's Franchise Agreement for cause as a result of Franchisee's failure to achieve and maintain such average minimum purchases, Franchisee shall return the Equipment, at Franchisee's sole responsibility and expense, to ORION's home office and warehouse facility ensuring that all portions of the Equipment are clean and in good working order on delivery to ORION (normal wear and use excepted), (ii) purchase the Equipment on an "as-is, where-is" basis, without warranty except as to title, at a purchase price equal to the fair market value of the Equipment, as determined by ORION in its sole and absolute discretion, pay all sales and other applicable taxes in connection therewith, and continue to operate the Unit as an ORION franchise, or (iii) relocate the Equipment and Unit to another ORION authorized qualified replacement Host Facility that Franchisee owns, as the successor Host Facility, in accordance with the Franchise Agreement and at Franchisee's sole responsibility and expense. Should Franchisee fail to return the Equipment to ORION in accordance with clause (i) of the foregoing sentence, then ORION shall have the right to enter the Host Facility, remove such Equipment and return it to ORION's home office and warehouse facility, and Franchisee shall indemnify ORION for all costs incurred by ORION in connection therewith. Franchisee shall also indemnify ORION for all costs incurred with respect to repairing and/or cleaning any Equipment that is not returned to ORION in clean and good working order.

(c) Upon termination of this Agreement or the Franchise Agreement, Franchisee shall, within 30 days after such termination, at ORION's sole option, either (i) return the Equipment in clean and working order to ORION's home office and warehouse facility, at Franchisee's sole responsibility and expense and subject to the various termination consequences and post-termination provisions set forth in the Franchise Agreement for the Unit, or (ii) purchase the Equipment from ORION on an "as-is, where-is" basis, with no warranty except as to the title, at a purchase price equal to the fair market value of the Equipment, as determined by ORION in its sole and absolute discretion, and pay all applicable sales and other taxes in connection therewith, subject to the various termination consequences and post-termination provisions set forth in the Franchise Agreement for the Unit. Should Franchisee fail to return the Equipment to ORION in accordance with clause (i) of the foregoing sentence, then ORION shall have the right to enter the Host Facility, remove such Equipment and return it to ORION's home office and warehouse facility, and Franchisee shall indemnify ORION for all costs incurred by ORION in connection therewith. Franchisee shall also indemnify ORION for all costs incurred with respect to repairing and/or cleaning any Equipment that is not returned to ORION in clean and good working order.

4. **Title**. ORION shall retain title to the Equipment and remain the sole and absolute owner of the Equipment, and nothing contained in this Agreement shall enable the Franchisee to acquire any right, title or other interest in or to the Equipment except as provided herein. Franchisee shall not pledge, lend, create a security interest in or encumbrance on, sublet, assign or part with possession of the Equipment or any part thereof, or create or suffer the creation of any lien, security interest or other encumbrance or claim on or with respect to the Equipment by or through Franchisee or attempt in any manner to dispose thereof, or remove the Equipment or any part thereof, from the Unit without ORION's prior written permission. Franchisee authorizes ORION to file applicable UCC financing statements to record ORION's and Franchisee's respective interests in the Equipment.

5. **Condition and Maintenance of Equipment**. Franchisee shall, at its sole expense, keep and maintain the Equipment in good and substantial repair throughout the term of this Agreement. Franchisee must at all times keep the Equipment insured in the amount of its full replacement cost against fire, theft and such other hazards as ORION requires, with any loss payable to ORION or to ORION's assignee. Franchisee agrees to return the Equipment when required by this Agreement, in a clean and uncontaminated condition, and in as good condition and working order as when received, ordinary wear and tear being excepted.

6. **Termination**. Except as provided elsewhere in this Agreement, either party may terminate this Agreement only for good cause and upon notice to the other party as follows. Either party has good cause to terminate if the other party fails to cure an intentional, material, repeated, or continuous breach of this Agreement within 30 days of its receipt of written notice from the other specifying the breach and demanding cure, or seven days in cases of failure to pay sums of money that are due. ORION has good cause to terminate this Agreement, and may terminate this Agreement immediately upon delivery of notice to Franchisee, without Franchisee's opportunity to cure, if Franchisee performs any act, or fails to take any action, the result of which impairs or threatens to impair the health

or safety of employees, customers, visitors or invitees of the Unit or that impairs or threatens to impair the goodwill associated with ORION, ORION's System, ORION's Brands operating at the Unit, and/or ORION's Trademarks.

7. **Observance of Laws**. Franchisee shall observe all safety rules and regulations applicable to the Equipment, and shall pay all fines that may be duly and lawfully imposed or assessed by any public authority by reason of the Franchisee's failure to comply with these rules, regulations and orders and/or with the requirements of this Agreement.

8. **Substitution of Equipment**. If the Equipment becomes worn out, damaged by accident, or rendered unusable, then Franchisee must replace the Equipment at Franchisee's sole expense, and Franchisee's obligations under this Agreement as to the remaining Equipment shall remain unchanged.

9. **Assignment**. Franchisee may assign this Agreement to an ORION-approved transferee of the franchise and business under the transfer terms and conditions of the Franchise Agreement for this Unit. Franchisee may not assign, transfer, sell, or delegate this Agreement or any interest in the Equipment under any other circumstances. ORION may transfer its interest in this Agreement at its discretion.

10. **Waiver**. ORION's acquiescence in or waiver of any breach by Franchisee or failure by Franchisee to perform punctually any provision of this Agreement is not a waiver of any other or later breach or failure to perform punctually or of any right or remedy available to ORION under this Agreement.

11. **Disclaimer of Warranties**. THE EXPRESS WARRANTIES HEREIN CONTAINED ARE IN LIEU OF ANY AND ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE WARRANTY OF MERCHANTABILITY AND OF FITNESS FOR ANY PARTICULAR PURPOSE. ORION SHALL NOT BE LIABLE FOR DAMAGES, INCLUDING SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS), ARISING OUT OF OR IN CONNECTION WITH THE PERFORMANCE OF THE EQUIPMENT OR ITS USE BY FRANCHISEE, AND SHALL NOT BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS), ARISING OUT OF OR IN CONNECTION WITH ORION'S FAILURE TO PERFORM ITS OBLIGATIONS HEREUNDER

Franchisee agrees that ORION, its employees and agents shall not be liable to Franchisee for any claim from Franchisee or from a third party for any liability, claim, loss, damage or expense of any kind or nature caused directly or indirectly, by: (i) the inadequacy of any Equipment for any purpose, (ii) any deficiency or defect in any Equipment, (iii) the use or performance of any Equipment, (iv) any interruption or loss of service, use or performance of any Equipment, or (v) any loss of business or other special, incidental, indirect or consequential damages whether or not resulting from any of the foregoing. Franchisee agrees, at all times, to indemnify and hold ORION, its employees and agents harmless against all actions, claims, demands, costs, damages or expenses of any kind which may be brought or made against ORION or which ORION may pay or incur by reason of Franchisee's use of the Equipment or its negligent performance of or failure to perform any of its obligations under this Agreement.

12. **Governing Law and Amendment**. This Agreement shall be governed by and construed in accordance with the laws of the State of South Dakota, except with respect to conflicts of law principles. Disputes will be resolved in a civil proceeding. Trial by jury is waived. Suit shall be brought in and all actions shall be venued in Sioux Falls, South Dakota, in the U.S. District Court, District of South Dakota, Southern Division, unless such court lacks jurisdiction to hear such suit, in which case suit shall be brought in the state court for Minnehaha County, South Dakota. If any provision of this Agreement is or becomes illegal or unenforceable, it shall be reformed to the least extent necessary to be lawful and enforceable. No exemplary or punitive damages may be sought or awarded, and no claim may be pursued on a class or consolidated basis. This Agreement does not create a fiduciary relationship. ORION owes no implied duties to Franchisee. This Agreement shall not be modified or amended except by written agreement executed by the parties.

Please indicate your acceptance by signing and returning the copy of this Agreement. You represent and warrant that you are authorized to execute this Agreement for the Franchisee.

IGNG Agreement

ORION IGNG LICENSE AND USE AGREEMENT

THIS ORION IGNG LICENSE AND USE AGREEMENT (the "Agreement") dated _____, is made between ORION FOOD SYSTEMS, L.L.C., a South Dakota limited liability company ("ORION") and _____ _____("Licensee"). This Agreement is issued for use with ORION's "intelligent Grab n Go™" or "IGNG" system.

ORION and Licensee are parties to a Franchise Agreement (the "Franchise Agreement") for a food service business located at _____ (the "Unit" or the "Franchise Unit"). All terms described herein shall have the same meanings as those in the corresponding Franchise Agreement and Franchise Disclosure Document.

ORION provides for Licensee's use, and Licensee agrees to use, the components of the IGNG system (the "IGNG System"), subject to the following:

1. **IGNG System Components**. The IGNG System consists of several distinct components including one or more pairs of traffic counting devices (one pair for each public entrance to the Host Facility), a computerized scanning system including a scanner and a printer, the "dashboard" reporting and analytical tools and software associated with access to the IGNG System data, and any devices and software needed to establish an internet connection with the IGNG System and the applicable server(s), both at the Franchise Unit and at Franchisee's business address. The word "scanner" means the hand-held barcode scanner, bar code scanner cradle, bar code cradle power supply, bar code cradle serial cables, bar code scanner battery, and any other related equipment. The word "software" means any dashboards, reports, analytical tools provided by ORION to Licensee in connection with the operation of the IGNG System (the "Software"). The IGNG System may in the future also include a merchandising camera which can be networked to one or more of the components of the network infrastructure. Use of the analytical and reporting capabilities of the IGNG System further includes some form of computing device, internet connection and user access to the applicable servers.

2. **IGNG System**. The IGNG System includes equipment and methods to:

   (a) scan a bar code corresponding to an ORION Product producing a label for that Product that may be affixed to the Product's packing and recording that Product as having been made and the date and time the Product was made. Should a Product need to be discarded at the end of its useful shelf life it is similarly scanned and noted as discarded. This information is also stored. The information concerning the number and type of Products made and discarded is used to determine the number and type of Products sold by daypart and can be used to determine the Franchise Unit's estimated sales in dollars and number of Products sold, the discard in dollars and Products not sold, an estimated cost of goods sold in Products and number of Products sold, and the estimated gross profit dollars and percentage of Products sold.

(b) use traffic counting devices at each public entrance to determine an estimated number of customers in the Host Facility by date and time.

(c) use analytical and reporting Software features of the IGNG System to compare the estimated sales and the estimated customer traffic information in numerical and graphical views to help ORION's staff and the Licensee make more informed decisions concerning the number and type of ORION Products to offer for sale and the time such Products should be available for sale based on the Host Facility traffic Patterns.

3. **Grant of License**. ORION grants to Licensee and Licensee accepts a non-exclusive License to use the IGNG System, the IGNG System components, and Software only for purposes of operating the ORION Franchise Unit listed herein and until either this Agreement is terminated or the Franchise Agreement for the Unit is terminated. Licensee agrees to comply with ORION's IGNG System requirements and procedures which may change from time to time at ORION's sole discretion. Licensee agrees that it will not use or permit the IGNG System to be used for any purpose other than operating the ORION Franchise Unit described herein in accordance with the terms and conditions established by ORION. Licensee agrees that its continuing right to use the IGNG System is conditional upon Licensee's compliance with this Agreement, the Franchise Agreement for the Unit, and ORION's System. Licensee's failure to abide by these terms and conditions are grounds for termination of this Agreement and/or the Franchise Agreement for the Unit for good cause by ORION, and Licensee shall be subject to the various termination consequences associated therewith.

4. **IGNG System and Software**.

(a) Licensee agrees to purchase and install, at Licensee's expense, all equipment, components and software required by ORION to operate the IGNG System in accordance with the standards and specifications established from time to time by ORION, including without limitation, such equipment, components and software needed for Licensee to track customer traffic at each public entrance to the Host Facility, scan and report all items made, discarded, and sold at the Unit, and report such other designated business information ORION requires from time to time. All such equipment, components and software must meet the standards and specifications ORION establishes and/or be from sources ORION designates. ORION may sell these items to Licensee at a profit, and prices are subject to change. All such equipment, components and software must be installed and maintained by competent contractors, at Licensee's expense. ORION shall have no liability for any damages, losses, claims, costs or expenses resulting from or related to the installation. Licensee will operate and maintain such equipment, components and software strictly in accordance with the standards and specifications established by ORION, and Licensee agrees to install any upgrade or change to such equipment, components or software that ORION may periodically specify, at Licensee's expense. Licensee must also purchase and maintain, at Licensee's expense, such data communication services (including, but not limited to, an internet connection and/or cellular service) that are needed to operate the IGNG System and that allow Licensee to transmit the information collected thereby to ORION, all in accordance with the standards and specifications ORION establishes and/or from sources ORION designates. Licensee shall be solely responsible for ensuring that Licensee's computer systems, networks, power supply and other infrastructure complies with all requirements specified by ORION for proper use and functioning of the IGNG System. Licensee shall provide adequate training, instruction and warnings to its employees, agents and representatives ("Representatives") on the use of the IGNG System.

(b) Licensee agrees that the IGNG System is ORION's exclusive and valuable property. Licensee agree that ORION has established trademark rights to various forms of the IGNG name and/or

name and design. Licensee agrees that it shall not contest ORION's ownership and/or rights to the associated trademarks.

(c) ORION retains sole and exclusive ownership of all Software. The Software is provided to Licensee under a license permitting use of the Software only with the IGNG System. The Software is subject to modification from time to time by ORION, which modification may include discontinuation of one or more components of the Software. Licensee may authorize any of its Representatives to use the Software (each, a "User") as contemplated herein. The IGNG System may also include certain third party software and materials, which may be subject to additional third party terms and conditions ("Third Party Terms"). By using the IGNG System, Licensee agrees to abide by all Third Party Terms, which may be subject to modification from time to time. Access to any cloud web administration Software may also be subject to additional terms of use, which may be modified from time to time by ORION, and Licensee's and its User's continued use of such Software constitutes its acceptance thereof. Licensee is solely responsible for each User's compliance with this Agreement and any applicable terms, including any Third Party Terms.

(d) Components of the IGNG System collect, store and transmit information, including without limitation information related to how users interact with it, ordering activities, and analytic information ("Usage Data"). Licensee acknowledges and agrees that ORION retains the sole and exclusive ownership of all right, title and interest in and to the Usage Data. Usage Data may be automatically transmitted to cloud web administration Software via wireless connection with Licensee's network or other method. By default, the IGNG System is configured to automatically transmit Usage Data via Licensee's network. Licensee is not required to permit the Equipment to transmit Usage Data in order to use the Equipment, but without such transmission, the IGNG System will be of limited functionality to Licensee.

(e) As between the parties, Licensee owns all right, title and interest in and to all Confidential Information (as hereinafter defined) of Licensee and any other information provided by Licensee in connection with, generated from, or based upon, Licensee's use of the IGNG System, excluding any Usage Data ("Licensee Data"). ORION shall use the Licensee Data only as set forth in this Agreement and ORION's privacy policy (which may be modified by ORION from time to time and a current version of which is available upon request). Notwithstanding the foregoing, Licensee hereby grants to ORION a non-exclusive, worldwide, royalty-free, fully paid up, sublicensable, transferrable, perpetual and irrevocable license to de-identify and/or aggregate the Licensee Data and use such data ("Anonymized Data") for ORION's business purposes or any other legally permissible purpose provided such Anonymized Data does not include personally identifiable information.

(f) When any equipment, components or Software related to the IGNG System is connected to Licensee's network, Licensee acknowledges that ORION may, but is not required to, automatically update the Software or otherwise automatically provide patches, fixes or modifications to the Software (collectively, "Updates") from time to time. Licensee agrees to receive these Updates without any additional notice and acknowledges that such Updates may result in changes to or loss of IGNG System functionality.

(g) In addition to other restrictions in this Agreement, Licensee will not, and will not permit others to: (a) decompile, reverse engineer, disassemble, attempt to derive the source code of, or decrypt the Software; (b) make any modification, improvement, adaptation, enhancement or derivative work from the Software; (c) violate any applicable laws, rules or regulations in connection with Licensee's access or use of the Software; (d) remove, alter or obscure any proprietary notice (including any notice of copyright or trademark) of ORION or its affiliates,

partners, suppliers or the licensors of the Software; (e) use the Software for any purpose for which it is not designed or intended; (f) install, use or permit the Software to exist on more than one computer, including any mobile device; (g) distribute the Software; (h) rent or time-share the Software or make the Software available over a network or other environment permitting access or use by multiple users or devices; (i) use the Software for creating a product, service or software that is, directly or indirectly, competitive with or in any way a substitute for any services, product or software offered by ORION; (j) engage in any activity with the Software that interferes with, disrupts, damages, or accesses in an unauthorized manner the servers, networks, or other properties or services of ORION or any third-party service provider; or (k) use any proprietary information or interfaces of ORION or ORION Intellectual Property Rights in the design, development, manufacture, licensing or distribution of any Software, accessories or devices for use with the Software.

(h) Licensee agrees that it shall not delete any copyright notices or legends on or in the Software. Licensee agrees not to decompile, modify, reverse engineer, dissemble, or otherwise copy or reproduce to the Software or create derivative works based on the Software. Licensee agrees that ORION and its suppliers own all rights, title, and interest to the IGNG System and Software including all copyright and other proprietary and intellectual property rights. This License grants Licensee no right, title, or interest in any intellectual property owned or licensed by ORION, including, but not limited to the Software. Licensee agrees that it will use the Software for its own use only, and will not rent, loan, lend, or in any way commercially sell the Software and/or IGNG System. The IGNG System and its components may contain software licensed from third parties. All rights in any third party software, including any ownership rights, are reserved and remain with the third parties.

5. **Pricing, Payment and Delivery**.

(a) Each purchase of equipment, components or Software from ORION shall be documented in quotation provided by ORION (each, a "Quote"). Each Quote shall be a part of and be governed by the terms and conditions of this Agreement. If there is a conflict between this Agreement and any Quote, the terms of the Quote shall control solely with respect to the subject matter of such Quote. Licensee shall pay ORION the amounts as set forth in the Quote for the equipment, components and/or Software specified in the Quote as follows (unless otherwise specified in the Quote): 50% up front, 40% at time of shipment, and the remainder upon delivery. ORION's standard method of payment is via electronic debits from Licensee's account ("ACH"). ORION may establish and periodically change credit and payment terms based on Licensee's financial application and payment history.

(b) All equipment and components purchased from ORION will be delivered EXW (Incoterms 2020) ORION's facility. Licensee acknowledges and agrees that, while ORION will use commercially reasonable efforts to comply with requested delivery dates and performance dates agreed to between the parties, such dates are estimates only and ORION will have no liability for failure to deliver the IGNG System on or before such dates. Unless Licensee has provided to ORION written notification that a component of the IGNG System has a Material Defect (defined below), Licensee shall be deemed to have accepted the IGNG System upon the earlier to occur of (i) written notice of acceptance by Licensee to ORION or (ii) ten (10) days following delivery of the IGNG System.

6. **Warranty**.

(a) ORION warrants that (i) the Software will function in all material respects with the terms of this Agreement and the specifications during the term of the Agreement; and (ii) the equipment

and components will be free of material defects in materials or workmanship for the period of time specified by the manufacturer. If, during the warranty period specified in the preceding sentence, a component of the IGNG System fails to operate in any material respect in accordance with such warranty and such failure materially impairs Licensee's use of the IGNG System (a "Material Defect"), then Licensee shall promptly notify ORION of the Material Defect. If ORION agrees that there is a Material Defect, then ORION agrees to repair or replace the applicable component of the IGNG System that has the Material Defect at no charge within a reasonable period of time after being notified of the same by Licensee. ORION'S OBLIGATION TO REPAIR OR REPLACE THE DEFECTIVE COMPONENT CONSTITUTES LICENSEE'S SOLE AND EXCLUSIVE REMEDY AGAINST ORION FOR (i) ANY MATERIAL DEFECT IN OR WITH THE IGNG SYSTEM; AND/OR (ii) ANY OTHER DEFECT, NON-CONFORMITY OR FAILURE IN OR WITH THE IGNG SYSTEM. Notwithstanding the foregoing, on-site labor is not included in the warranty above unless otherwise agreed by ORION.

(b) The above warranty will not apply to any IGNG System component if such component has been: (i) subjected to abuse, misuse, neglect, negligence, accident, improper testing, improper installation, improper storage, improper handling, abnormal physical stress, abnormal environmental conditions or use contrary to any instructions issued by ORION; (ii) reconstructed, repaired, or altered by any person other than ORION or its Representatives; or (iii) used with any third-party product, hardware or product that has not been previously approved in writing by ORION.

(c) EXCEPT FOR THE FOREGOING WARRANTY, ORION MAKES NO WARRANTY WHATSOEVER WITH RESPECT TO THE IGNG SYSTEM AND ORION DISCLAIMS ALL OTHER EXPRESS AND IMPLIED WARRANTIES, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT OR WARRANTY THAT THE IGNG SYSTEM WILL BE UNINTERRUPTED, ACCURATE, RELIABLE, SECURE, OR ERROR-FREE. LICENSEE ACKNOWLEDGES THAT IT HAS NOT RELIED UPON ANY REPRESENTATION OR WARRANTY MADE BY ORION, OR ANY OTHER PERSON ON ORION'S BEHALF, EXCEPT AS SPECIFICALLY PROVIDED IN THIS SECTION. LICENSEE ACKNOWLEDGES AND AGREES THAT IT ASSUMES AND ACCEPTS ALL RISK ASSOCIATED WITH ANY REMOTE SERVICES AND ACCESS. ANY SUPPORT SERVICES ARE PROVIDED BY ORION "AS-IS", ORION MAKES NO GUARANTEES THAT IT WILL PROVIDE OR CONTINUE TO PROVIDE SUPPORT OR UPDATES, NOR DOES IT MAKE ANY REPRESENTATIONS THAT IT WILL BE ABLE TO OR WILL UNDERTAKE TO CORRECT ANY ERRORS OR PROBLEMS WITH THE PROPER FUNCTIONING OF THE IGNG SYSTEM.

7. **Ownership**.

(a) The IGNG System (including the equipment, components and Software) shall at all times be and remain the sole and exclusive property of ORION. Licensee shall have no rights or property interest in the IGNG System, except for the right of use the IGNG System in accordance with the terms of this Agreement. The equipment and components are and shall remain the personal property of ORION regardless of whether such equipment and components are installed on or attached to real property, and the parties agree that the equipment and components are licensed by ORION, and Licensee does not have any ownership interest in the equipment and components. Licensee agrees that it will not remove any labels that are affixed to the equipment or components, including without limitation any warning labels or any labels stating that the equipment or components are owned by ORION or its licensors. Licensee agrees it will not

sell, transfer or otherwise dispose of the IGNG System. Licensee shall keep the IGNG System free and clear of all liens, claims and encumbrances.

(b) "Intellectual Property Rights" means any and all: (i) ideas, trade secrets, know-how, inventions (whether or not patentable), discoveries, improvements, technology, business and technical information, databases, data compilations and collections, tools, methods, processes, techniques, and other confidential and proprietary information and all industrial designs; (ii) trademarks, service marks, brands, certification marks, collective marks, logos, trade dress, trade names, and other similar indicia of source or origin, together with the goodwill connected with the use of and symbolized thereby; (iii) works of authorship (whether or not copyrightable); (iv) internet domain names and social media tags and handles; (v) software, firmware, programming code, source code, object code, electronic databases and all other computer or machine instructions and electronic compilations of data or information; (vi) all other types and forms of intellectual property or industrial property whether registered or unregistered; and (vii) any and all rights in, arising out of, or associated with any of the foregoing in any jurisdiction throughout the world. Licensee acknowledges and agrees that ORION (or, as applicable, its licensors) retains the sole and exclusive ownership of all right, title and interest in and to the IGNG System and all use guides, operating manuals, and similar and related documentation and all copies thereof, including all Intellectual Property Rights therein ("ORION's Intellectual Property Rights"). Licensee shall use ORION's Intellectual Property Rights solely for purposes of using the IGNG System and only in accordance with this Agreement and the instructions of ORION. Licensee shall not acquire any ownership interest in any of ORION's Intellectual Property Rights under this Agreement; provided that if Licensee nonetheless acquires any Intellectual Property Rights in or relating to any ORION Technology Package whether by operation of law or otherwise, such rights are deemed and are hereby irrevocably assigned to ORION (or, as applicable, its licensors) without further action by either of the parties. Licensee agrees to execute any documents and take any other action reasonably requested by ORION to confirm or affect the foregoing assignment of rights to ORION. Any goodwill derived from the use by Licensee of ORION's Intellectual Property Rights inures solely to the benefit of ORION or its licensors, as the case may be.

(c) Licensee hereby grants to ORION the right to use Licensee's name and logo in its marketing materials and other communications.

(d) Except as expressly set forth in this Section, in no event shall this Agreement be deemed to grant to either party a license to use any trademark, trade name, or logo of the other party for any purpose whatsoever.

8. **Confidentiality**.

(a) Each party shall treat as confidential and proprietary any information, whether transmitted orally or in writing or other tangible form, which a party (the "Disclosing Party") provides to the other party (the "Receiving Party") or which may come within the knowledge of the Receiving Party in the course of its performance of this Agreement, including without limitation any: (i) trade secrets, pending patents, and other intellectual property; (ii) programs and related documentation; (iii) business or technical data such as information regarding plans, plants, processes, products, costs, equipment, operations, suppliers or customers; (iv) specifications, drawings, samples, and models; and (v) deliverables, works of authorship and other creative works produced hereunder (collectively "Confidential Information"). Confidential Information shall not include any information that (A) is or becomes generally available to and known by the public other than as a result of, directly or indirectly, any breach of this Agreement by the Receiving Party or any of its Representatives; (B) is or becomes

available to the Receiving Party on a non-confidential basis from a third-party source, provided that such third party is not and was not prohibited from disclosing such Confidential Information; (C) was known by or in the possession of the Receiving Party prior to disclosure by the Disclosing Party as evidenced by written documentation that was in existence prior to such disclosure; or (D) was or is independently developed by the Disclosing Party without reference to or use of, in whole or in part, any of the Confidential Information as evidenced by written documentation created contemporaneously with such independent development.

(b) The Receiving Party shall not disclose or use any of the Disclosing Party's Confidential Information except as reasonably necessary to perform its obligations or exercise its rights under this Agreement, except with the Disclosing Party's prior written permission. The Receiving Party shall limit dissemination of the Disclosing Party's Confidential Information to those of its Representatives, including auditors or legal representatives, who may reasonably require the same for purposes of assisting in the Receiving Party's performance of its obligations under this Agreement or providing professional services to such party. Each party agrees to protect the Disclosing Party's Confidential in the same manner that it protects its own Confidential Information of like kind, but in no event using less than a reasonable standard of care. The Receiving Party shall protect any of the Disclosing Party's Confidential Information in accordance with this Agreement for so long as it retains such Confidential Information. The foregoing obligation shall survive expiration or termination of this Agreement. The Receiving Party shall be responsible for any violation of the foregoing obligation by its Representatives. The provisions of this Section will not affect any nondisclosure or confidentiality agreement entered into between the parties prior to the date hereof, which shall remain in full force and effect.

9. **Termination**. Except as provided elsewhere in this Agreement, either party may terminate this Agreement only for good cause and upon notice to the other party as follows. Either party has good cause to terminate if the other party fails to cure an intentional, material, repeated, or continuous breach of this Agreement within 30 days of its receipt of written notice from the other specifying the breach and demanding cure, or seven days in cases of failure to pay sums of money that are due. Additionally, ORION has good cause to terminate this Agreement, and may terminate this Agreement immediately upon delivery of notice to Licensee, without Licensee's opportunity to cure, if (i) Licensee is in breach of this Agreement, (ii) the ORION Franchise Agreement for this Unit is terminated, (iii) if Licensee performs any act, or fails to take any action, the result of which impairs or threatens to impair the health or safety of employees, customers, visitors or invitees of the Unit or that impairs or threatens to impair the goodwill associated with ORION, ORION's System, ORION's Brands operating at the Unit, and/or ORION's Trademarks, or (iv) Licensee becomes insolvent, makes an assignment for the benefit of creditors, files or has filed against it a petition in bankruptcy, has a receiver appointed for its assets or is dissolved or liquidated. Upon termination of the Agreement, ORION shall have the right to obtain return of the IGNG System, in whole or in part, in good repair, condition, and working order, reasonable wear and tear excepted. Unless otherwise agreed in writing, Licensee is responsible for the removal and de-installation of the IGNG System and for delivering the IGNG System to ORION to the location designated by ORION. Licensee shall also promptly return to ORION all documents and tangible materials (and any copies) containing, reflecting, incorporating or based on ORION's Confidential Information, permanently erase all of ORION's Confidential Information from its computer systems, and certify in writing to ORION that it has complied with the requirements of this clause. The expiration or termination of this Agreement shall not affect or impair any of a party's rights or remedies under this Agreement or the terms of this Agreement which by their nature are intended to survive expiration or termination of this Agreement.

10. **Liability**.

(a) Licensee shall defend, indemnify and hold harmless ORION, its affiliates and their respective directors, officers, agents and Representatives from all suits, claims, demands, liabilities and costs, including attorneys' fees, in tort, contract, or otherwise, arising out of or in connection with Licensee's and its Users' use of the IGNG System, except to the extent caused by ORION's gross negligence or willful misconduct. Licensee waives and releases all claims against ORION for damages arising out of or in connection with operation of the IGNG System, except to the extent caused by ORION's gross negligence or willful misconduct.

(b) NEITHER PARTY NOR ITS RESPECTIVE REPRESENTATIVES SHALL BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE OR ENHANCED DAMAGES, LOST PROFITS OR REVENUES OR DIMINUTION IN VALUE, ARISING OUT OF OR RELATING TO ANY BREACH OF THIS ADDENDUM, REGARDLESS OF (i) WHETHER SUCH DAMAGES WERE FORESEEABLE, (ii) WHETHER OR NOT SUCH PARTY WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND (iii) THE LEGAL OR EQUITABLE THEORY (CONTRACT, TORT, OR OTHERWISE) UPON WHICH THE CLAIM IS BASED, AND NOTWITHSTANDING THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE.

(c) ORION'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT, WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT OR OTHERWISE, SHALL NOT EXCEED THE TOTAL OF THE AMOUNTS PAID TO ORION FOR THE IGNG SYSTEM PURSUANT TO THIS AGREEMENT IN THE TWELVE (12) MONTH PERIOD IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE LIABILITY.

11. **Observance of Laws**. Licensee shall, and shall ensure its Representatives, observe all laws, rules and regulations applicable to the IGNG System and components, and shall pay all fines that may be duly and lawfully imposed or assessed by any public authority by reason of the Licensee's or its Representatives' failure to comply with these rules, regulations and orders and/or with the requirements of this Agreement.

12. **Export Regulation**. Licensee acknowledges that the IGNG System, including any Software, documentation and any related technical data included with, or contained in, such IGNG System, and any products utilizing any such IGNG System, software, documentation, or technical data (collectively, "Regulated Products") may be subject to USA export control laws and regulations, including the Export Administration Regulations for which the Export Control Reform Act of 2018 provides permanent statutory authority, and the International Traffic in Arms Regulations administered by the US Department of State. Licensee shall not, and shall not permit any third parties to, directly or indirectly, export, re-export, or release any Regulated Products to any jurisdiction or country to which, or any party to whom, the export, re-export or release of any Regulated Products is prohibited by applicable federal or foreign law.

13. **Assignment**. Licensee may assign this Agreement to an ORION-approved transferee of the franchise and business under the transfer terms and conditions of the Franchise Agreement for this Unit. Licensee may not assign, transfer, sell, or delegate this Agreement or any interest in the IGNG System under any other circumstances. ORION may transfer its interest in this Agreement at its discretion.

14. **Waiver**. ORION's acquiescence in or waiver of any breach by Licensee or failure by Licensee to perform punctually any provision of this Agreement is not a waiver of any other or later breach or failure to perform punctually or of any right or remedy available to ORION under this Agreement.

15. **Governing Law and Amendment**. This Agreement shall be governed by and construed in accordance with the laws of the State of South Dakota, except with respect to conflicts of law principles. Disputes will be resolved in a civil proceeding. Trial by jury is waived. Suit shall be brought in and all actions shall be venued in Sioux Falls, South Dakota, in the U.S. District Court, District of South Dakota, Southern Division, unless such court lacks jurisdiction to hear such suit, in which case suit shall be brought in the state court for Minnehaha County, South Dakota. If any provision of this Agreement is or becomes illegal or unenforceable, it shall be reformed to the least extent necessary to be lawful and enforceable. No exemplary or punitive damages may be sought or awarded, and no claim may be pursued on a class or consolidated basis. This Agreement does not create a fiduciary relationship. ORION owes no implied duties to Licensee. This Agreement shall not be modified or amended except by written agreement executed by the parties.

16. **Independent Contractor**. The parties are independent contracting parties and nothing in this Agreement shall be deemed to make either party an agent, employee or joint venturer of the other party.

17. **Force Majeure**. Neither party will be liable for any failure or delay in performance under this Agreement caused by unforeseeable events beyond that party's control and where the failure or delay is through no fault of the affected party and could not have been reasonably avoided ("Force Majeure"). Dates by which performance obligations are scheduled to be met will be extended for a period equal to the time lost due to any delay so caused, provided that notice of the Force Majeure event is given in writing within 15 days after the Force Majeure event begins. Such notice shall identify the nature of the Force Majeure event, its expected duration and the probable impact on the performance of the affected party's obligations.

18. **Notices**. Except as otherwise provided herein, any notice or other communication between the parties regarding the matters contemplated by this Agreement may be sent by U.S. mail (first-class, airmail, or express mail), commercial courier, or electronic mail, in each case delivered to the address set forth above for the recipient or at such other addresses as the parties may designate in writing.

19. **Counterparts and Electronic Transactions**. This Agreement or any Quote may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement. Photocopies, facsimile transmissions, and other reproductions of the executed original (with reproduced signatures) will be deemed original counterparts of this Agreement. The parties expressly consent to electronic transactions. Electronic signatures and electronically transmitted documents are binding, and any signature of this Agreement or any Quote through electronic means shall constitute execution of the Agreement or Quote by such party.

20. **Severability**. If any provisions of this Agreement shall be prohibited or unenforceable by any applicable law, the provision shall be ineffective only to the extent and for the duration of the prohibition of unenforceability without invalidating any of the remaining provisions.

21. **Entire Agreement**. This Agreement embodies the entire agreement and understanding between Supplier and Perrigo with respect to the subject matter of this Agreement and supersedes all prior oral or written agreements and understandings relating to the subject matter of this Agreement. No statement, representation, warranty, covenant or agreement of any kind, including any terms included in or located on a purchase order, invoice, or website, not expressly set forth in this Agreement shall affect, or be used to interpret, change or restrict, the express terms and provisions of this Agreement.

Please indicate your acceptance by signing and returning the copy of this Agreement. You represent and warrant that you are authorized to execute this Agreement for the Licensee.

Independent Auditor's Report

To the Board of Directors
Orion Foods Systems, L.L.C.
Sioux Falls, South Dakota

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Orion Foods Systems, L.L.C. (a South Dakota Limited Liability Company) (the Company), which comprise the balance sheets as of March 26, 2022, March 27, 2021, and March 28, 2020, and the related statements of operations, member's deficit, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Company as of March 26, 2022, March 27, 2021, and March 28, 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audits.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Orion Food Systems, L.L.C. (the "Company") is a subsidiary of Orion Food Systems Holdings, L.L.C., and is a franchisor and licensor of retail food service concepts and manufactures and distributes products for sale in retail food service locations under its own brands as well as for others. Additionally, the Company manufactures food products for sale by others under private label, licensing and contract manufacturing agreements. Under a franchise agreement, a franchisee is allowed to use the products, recipes and trademarks of the Company. There is no revenue derived from a franchise agreement, revenue is primarily derived from the sale of food products. Additionally, there are no commitments or obligations resulting from a franchise agreement. The Company had 1,037 independently owned franchisees as of March 26, 2022, 1,084 at March 27, 2021 and 1,093 at March 28, 2020.

The summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

Cash and Cash Equivalents

The Company considers all highly liquid financial instruments with initial maturities of three months or less when purchased to be cash equivalents. Cash balances held at financial institutions may be in excess of federal insured limits. The Company periodically assesses the financial institutions and believes the risk of any loss is minimal.

Restricted Cash

The Company is required to establish an account in the amount of $260 to serve as collateral for its commercial credit cards.

Accounts Receivable

Trade accounts receivable are recorded at the invoiced amount and bear interest on past due amounts. Interest is charged at 18% and is recorded as collected. Standard franchisee credit terms are net ten days from receipt of delivery of food products and supplies. Typically for equipment, a deposit equal to 50% of the total equipment charge is due at the time of signing the agreement, another 40% of the total is due before shipping and the remaining is due within ten days after the installation date. Non-franchisee customers have varying credit terms, ranging from net ten days to net thirty days. Management determines the allowance for doubtful accounts based on an estimate of amounts considered uncollectible and historical collection experience. On a continuing basis, management analyzes delinquent receivables, and once these receivables are determined to be uncollectible, they are written off against the allowance. The allowance for doubtful accounts was $8 at March 26, 2022, $5 at March 27, 2021 and $7 at March 28, 2020.

Inventories

Inventories consist of raw materials, finished goods held for resale and equipment, and are stated at the lower of cost or net realizable value, with cost determined on the average cost method which approximates the first-in, first-out ("FIFO") basis. The Company records an allowance for excess or obsolete inventories based on specific identification of slow-moving or expired inventory.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Property, Plant and Equipment

Property, plant and equipment are stated at cost and are depreciated using the straight-line method or accelerated methods over their estimated useful lives or over the shorter of the estimated useful lives or lease term of the assets. The estimated useful lives used for computing depreciation are as follows:

	Years
Buildings and improvements	5 to 40
Equipment	2 to 10
Store furniture and fixtures	2 to 5
Automobiles	2 to 4
Tractors, trailers and copiers under capital leases	3 to 10

Major renewals or betterments are capitalized, while repair and maintenance expenditures are charged to operations as incurred. The cost and related accumulated depreciation of property, plant and equipment sold or disposed of are eliminated from their respective accounts, and the resulting gain or loss is included in operations.

Intangible Assets

Intangible assets include trademark/tradenames and franchise agreements. The intangible assets are amortized using the straight-line method over their estimated useful lives as described in Note D.

Long-Lived Assets Impairment Assessments

The Company evaluates the carrying value of its long-lived assets whenever events or circumstances indicate the carrying value of assets may exceed their recoverable amounts. For long-lived assets, this evaluation is based on the expected future undiscounted operating cash flows of the related assets. If an asset, which is expected to be held and used, is determined to be impaired, the asset would be written down to its fair market value based on the present value of the discounted cash flows related to such asset or other indicators of fair value. There was no impairment of long-lived assets for any period presented.

Goodwill

Goodwill is the excess purchase price over the fair market value of assets acquired in business combinations at the date of acquisition. The Company has elected to amortize goodwill on a straight-line basis over 10 years. In addition, the Company evaluates goodwill for impairment on a total entity basis upon the occurrence of one or more triggering events.

Deferred Financing Costs

Debt issuance costs incurred in connection with obtaining financing are deferred and amortized over the term of the related financing agreement using the effective interest method. Deferred financing costs are included within long-term debt on the balance sheets and amortization of deferred financing costs is included as a component of interest expense in the statements of operations.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Revenue Recognition

The Company accounts for customer revenues under Accounting Standards Codification (ASC) 606, Revenue from Contracts with Customers. Revenue is primarily derived from the sale of food products. Sales of food products, equipment and operating supplies are recognized at the time the product is received by the customer, at either shipping point or destination depending on agreed upon terms. Sales and use taxes billed to customers are recorded on a net basis in the statements of operations. Installation fees received in connection with the establishment of a franchise are recognized when internal training and other obligations relating to the sale are satisfied by the Company. There are no ongoing franchise or service fees.

Provisions for estimated customer discounts, estimated returns, and other customer rebates are recognized as a reduction in revenue in the same period the related sales are recorded. The contract liability for sales returns and other customer rebates is estimated based upon the Company's historical experience.

The following table provides information about receivables and contract liabilities from contracts with customers:

	March 26, 2022	March 27, 2021	March 28, 2020	March 31, 2019
Trade Accounts Receivable	$ 7,418	$ 4,523	$ 4,983	$ 4,379
Liability for customer rebates, included in Accrued liabilities	$ 1,319	$ 746	$ 837	$ 764
Customer Prepayments	$ 108	$ 225	$ 129	$ 141

Store Opening Costs

Expenditures for the initial set-up and training of staff in connection with opening a store are expensed as incurred.

Advertising Costs

The Company expenses advertising costs as incurred. Advertising costs were $163, $226 and $345 for the years ended March 26, 2022, March 27, 2021 and March 28, 2020. Advertising costs are included as a component of selling and distribution expenses in the statements of operations.

Research and Development Costs

Research and development costs are expensed as incurred. Research and development costs of $336, $460 and $755 are included within general and administration expenses in the statements of operations for the years ended March 26, 2022, March 27, 2021 and March 28, 2020.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Shipping and Handling Costs

Amounts billed separately to customers for shipping and handling are included within revenue and the related shipping and handling cost are included within cost of sales in the statements of operations. Shipping and handling costs not billed separately to customers are included in selling and distribution expenses in the statements of operations. Shipping and handling costs in cost of sales were $108, $101 and $263 for the years ended March 26, 2022, March 27, 2021 and March 28, 2020. Shipping and handling costs included within selling and distribution expenses were $9,870, $8,157 and $8,952 for the years ended March 26, 2022, March 27, 2021 and March 28, 2020.

Income Taxes

The Company is included in the consolidated federal and state tax returns of Orion Food Systems Holdings, L.L.C.

Orion Food Systems Holdings, L.L.C. follows the asset and liability method of accounting for income taxes whereby deferred tax assets and deferred tax liabilities are recognized for the effects of taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. The deferred taxes, income tax receivable (liability) and related benefit (expense) are reflected in the financial statements as if the Company filed federal and state tax returns separately from the consolidated group. There is no reserve for uncertain tax positions recorded on the Company's financial statements as of March 26, 2022, March 27, 2021 and March 28, 2020.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent Events

The Company evaluated its March 26, 2022 financial statements for subsequent events through May 19, 2022, the date the financial statements were available to be issued. The Company is not aware of any subsequent events which would require recognition or disclosure in the financial statements.
