What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit I.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risks be highlighted:

1. Out -of-State Dispute Resolution. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Ohio. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Ohio than in your own state.

2. Sales Performance Requirement. A franchisee will be required to achieve a minimum sales volume each quarter. If you fail to achieve the minimum quarterly gross sales for two consecutive quarters the franchisor has the right to terminate the franchise agreement or reduce the geographic size of your territory. Refer to item 12 for complete details.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

We use the services of one or more FRANCHISE BROKERS or referral sources to assist us in selling our franchise. A franchise broker or referral source represents us, not you. We pay the franchise broker a fee for selling our franchise or referring you to us. You should make sure to do your own investigation of the franchise.

DISCLOSURE APPLICABLE TO FRANCHISEES
COVERED BY THE MICHIGAN FRANCHISE INVESTMENT LAW

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than five years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least six months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Any question regarding the notice should be directed to the Michigan Department of Attorney General, Consumer Protection Division, Franchise Section, P.O. Box 30213, Lansing, Michigan, 48909; Telephone (517) 373-7117.

SALTIRE BRANDS LLC

Item 1 THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Franchisor, Business Form, Names, Address. In order to make this disclosure document easier to understand, "House Doctors", "we" or "Saltire Brands" means the franchisor, Saltire Brands LLC. "You" means the person, corporation, partnership, or other entity that buys the franchise. If the franchise is purchased by a corporation, partnership or limited liability company, certain provisions of the franchise agreement will also apply to the owners and will be noted.

House Doctors is an Ohio limited liability company that was organized on May 25, 2012 as H.D. Acquisition Enterprises LLC. On June 29, 2012, we changed our name from H.D. Acquisition Enterprises LLC to Saltire Brands LLC. Our principal business address is 400 Techne Center Drive, Suite 400, Milford, Ohio 45150. We do business under the name HOUSE DOCTORS. Our agents for service of process are listed in Exhibit H.

Our Business Activities and the Franchises to be Offered in this State. We offer franchises to operate a business under the trade name HOUSE DOCTORS (or HOUSE MEDIC in certain markets) in a specified territory ("Territory"). As a House Doctors franchisee, you will provide residential and commercial property maintenance, repair, and remodeling services. You will offer services such as carpentry, painting, drywall installation and repair, wall papering, and other similar maintenance, repair and remodeling services. You will offer your services to businesses and to the general public, particularly homeowners and owners of residential rental properties, through direct mail advertising and through referral sources such as real estate agents, relocation companies, and mortgage lenders. You will compete with specialty contractors (such as painters and carpenters) as well as other home repair services in the same geographic area, including those that may be franchised by other national franchise companies. You must be prepared to follow all of our standards and specifications for the quality of the services you will provide, customer relations, vehicles and employee uniforms. Depending on the location of your franchise, you may experience a decline in sales during the months of December, January and February.

We will train you to operate the franchised business. Although not required, prior experience in general construction or building trades is helpful. The role of a House Doctors franchisee is not to perform the services themselves, but to manage the daily operations of the franchised business. The services will be performed by your employees. You may operate the franchised business from an office in your home or from leased office space.

House Doctors does not operate businesses of the type being franchised. Our business activities consist of selling and supporting franchises that offer residential and commercial property maintenance, repair, and remodeling services. We have begun offering franchises of this type since 2012. We have never operated any franchises. We have never offered franchises in any other business.

Industry Regulations. Each state, county, or municipality may have different licensing requirements for performing repair and/or remodeling services. We are aware of the following states which may require a license for performing some types of home repairs and/or remodeling: Arizona, Florida, California, Maryland, Massachusetts, Minnesota, Nevada, New Jersey, Oregon, Utah, Virginia, Washington, and certain counties in Florida. There may be other states, counties, or municipalities that also require a license. In addition, local building permits may be required for certain home improvement projects. You will be responsible for investigating and complying with the licensing requirements that apply in your territory. You will also be responsible for complying with employment, workers' compensation, insurance,

corporate, tax, and similar laws and regulations, as well as any federal, state, or local laws of a more general nature that may affect the operation of your franchised business. You should consult with your attorney and local, state, and federal government agencies before entering into an agreement to buy a House Doctors franchise to determine all legal requirements with which you must comply, in order to evaluate their effects on you and the cost of compliance.

Parents and Affiliates. We do not have any parent or affiliate companies.

Predecessors. We have one predecessor, H.D. Franchising Systems, LLC ("HDFS"), whose principal business address is 575 Chamber Drive, Milford, Ohio 45150. Saltire Brands purchased the franchise assets of HDFS as of June 14, 2012. These assets included the House Doctors franchise agreements and related agreements held by HDFS at that time. We did not assume any liabilities of HDFS except for obligations under certain agreements (such as franchise agreements) accruing on or after June 14, 2012. HDFS offered House Doctors franchises of the same type that we are offering, but, upon the sale of assets to us, HDFS is no longer in that business. HDFS offered these House Doctors franchises since 1997. HDFS never offered franchises in any other line of business, but HDFS had and, to our knowledge, still does have, an affiliate, the HomeTeam Inspection Service, Inc. ("HomeTeam") that franchises home inspection services. HDFS has offered these home inspection franchises since 1992. We do not offer home inspection franchises.

Historic information provided in this disclosure document about HDFS was provided to us by HFDS.

Nothing in the Franchise Agreement or other attachments is intended to disclaim the representations made in this disclosure document.

Except as disclosed above, we do not have any predecessors.

Item 5 INITIAL FEES

License Fee and Territory Fee.

License Fee and Territory Fee. You must pay an Initial License Fee of $20,000 and a Territory Fee of $45,000. (All dollar figures are in U.S. currency.) We reserve the right, in our sole discretion, to charge a higher or lower Territory Fee if the Territory granted is greater or smaller than the usual size of a Territory (the usual size is approximately 60,000 qualified households). We anticipate that the increase or decrease, if any, would be $0.75 per qualified household. Both fees are entirely non-refundable and are uniform for all franchises currently being offered. Both fees become part of our general funds with no limit on their use. You must pay the License Fee and the Territory Fee in a lump sum when you sign the franchise agreement.

VetFran Discount. We participate in the Veterans Transition Franchise Initiative, also known as "VetFran." VetFran is a voluntary effort of International Franchise Association members to encourage franchise ownership by veterans of the U.S. military by offering financial incentives. Notes:

1. Imposed by and payable to House Doctors.

2. "Gross Sales" means all income (recognized on an accrual basis), whether cash or credit (and regardless of collection), less all refunds and discounts to customers and any sales or excise taxes.

3. For purposes of determining the Minimum Quarterly Royalties and the Minimum Quarterly Advertising Contributions, Year 1 is the period that begins on the Opening Date and ends on the last day of the calendar quarter in which the first anniversary of the Opening Date occurs. Year 2 is the one-year period that begins on the first day of the calendar quarter (that is, January 1, April 1, July 1 or October 1) following the end of Year 1. Years 3, 4, and later years are the following 12-month periods. For instance, for an Opening Date of May 23, 2009, Year 1 begins on that date and will end June 30, 2010; Year 2 begins on July 1, 2010 and ends June 30, 2011; Year 3 begins on July 1, 2011 and ends on June 30, 2012; and so on. Year 1, Year 2 and each of the following 12-month periods are referred to as "Numbered Years" in this disclosure document.

   "Opening Date" means the date when the franchised business first becomes open for business. The quarters to which the Minimum Quarterly Royalties apply are the calendar quarters beginning on January 1, April 1, July 1 and October 1, except that for Year 1, the first quarter begins on the Opening Date and ends on the last day of the first calendar quarter that starts after the Opening Date.

   If you are entering into an agreement for a Successor Franchise, the Minimum Quarterly Royalties and the Minimum Quarterly Advertising Contribution will be based on the Year 4 and ongoing requirements for the entire term of your successor franchise agreement.

   The figures in the table above are not financial performance representations or projections or estimates of potential earnings, sales, or revenues.

4. Payable to House Doctors national advertising fund.

5. To generate customers for your franchised business, you must conduct, at your expense, advertising and promotion directly related to your franchised business within your local trading area and on the internet ("Local Advertising"). You must spend at least $3,000 in each calendar month on Local Advertising. If you fail to spend at least the minimum amount required for Local Advertising in any one quarter, you will be in default of your franchise agreement, and we will have the right to terminate your franchise or reduce the size of your territory unless you cure the default by paying the deficiency to the national advertising fund within one month after notice from us.

6. Either House Doctors or the advertising cooperative will determine the amount of your monthly cooperative advertising contribution, but it cannot exceed 4% of your Gross Sales unless a majority of the cooperative members agree on a higher contribution. Your cooperative contribution will be credited toward your required Local Advertising expenditure, but not toward your advertising contribution. Each member of an advertising cooperative will have one vote per franchise. Each franchise operated by House Doctors or an affiliate of House Doctors in an area in which an advertising cooperative has been established will contribute to the cooperative on the same basis as other members of that cooperative.

7. Late fees on royalty payments are payable to House Doctors. Late fees on advertising contribution payments are payable to the national advertising fund.

8. Interest on royalty payments is payable to House Doctors. Interest on advertising contribution payments is payable to the national advertising fund.

9. Interest accrues from the date payment was due.

10. The royalties, advertising contributions, or other fees you pay to us may be all or partially subject to state or local sales or use tax, depending upon the law in your state. If we are required to pay these taxes in your state, you must add the tax to your royalty fees or advertising contributions.

11. All fees are non-refundable (except as noted for the Successor Franchise Fee in some circumstances) and uniformly imposed on all new franchisees. Some House Doctors franchisees signed a different form of franchise agreement that may not require them to pay the same minimum royalty, minimum advertising contribution, minimum local advertising, cooperative advertising, or successor franchise fees. In addition, some franchisees signed a different form of franchise agreement that requires them to pay a different transfer fee.

We reserve the right, in our sole discretion, to charge a higher or lower Territory Fee if the Territory is greater or smaller than the usual size of a Territory (the usual size is approximately 60,000 qualified households). We anticipate that the increase or decrease, if any, would be $0.75 per qualified household.

2. Computer Equipment. Computer equipment will include a desktop or notebook computer with Windows 8 or 10 operating system, a CD/DVD drive, a color laser printer and a computer tablet (such as an iPad), and Microsoft Office Home and Business.

3. Service Vehicles. Your franchised business may begin with one or two service vehicles, depending upon the time of year it is opened and your geographical territory. As your franchised business grows, you may want to add additional service vehicles. Consulting with your personal financial advisor is recommended to determine if you should lease or purchase initial and subsequent vans. We estimate the cost of purchasing and outfitting a service vehicle is $24,000 to $25,000 and the figures in the table reflect a deposit and three months payments for one to two vehicles.

4. Tools and Equipment. You may purchase tools and equipment such as ladders and hand tools from any approved supplier, which are listed in the operations manual, which also contains a list of the tools and equipment you will need to operate your franchised business.

5. Telephone Deposit. Your telephone service provider will typically require a normally refundable deposit for commercial service. You are required to have a separate business telephone land line for your House Doctors franchise and either an employee to answer your line or a manned answering service at all times during regular business hours.

6. Training. The initial training will be held virtually or in-person, as determined by House Doctors. We do not charge a fee for the initial training, but you must pay the expenses of travel, lodging, food, wages, and workers' compensation for you and your employees during the training program, if applicable. These expenses will range from $0 to $2,000, depending upon the distance and method of travel and the availability and quality of your hotel accommodations and living expenses during the training program, as applicable. As of the date of this Disclosure Document, we are conducting our training programs virtually due to the Covid-19 pandemic. Therefore, franchisees are not incurring travel expenses.

7. Real Estate and Improvements. You may operate your franchise from an office in your home if permitted by local zoning laws. You may also operate your franchise from rented office or warehouse space in a commercial or light industrial area, in which case you may incur expenses for improvements or other real estate costs. The estimated range in the chart does not include rent. You can anticipate requiring no more than 300 square feet for an office, a 100 square foot storage bay, and a parking space for each service vehicle. Based upon a combined range of $9.60 to $24.00 per square foot, you should expect to pay $4,800 to $12,000 per year for rent. It is difficult to estimate lease acquisition costs because of the wide variation in these costs from one location to another. Lease costs will vary based upon variance in square footage, cost per square foot and required maintenance costs. The estimates do not include real estate taxes. The terms of your lease will depend on the size, location, condition and desirability of the premises. Rent payments may or may not include site preparation and build-out costs, which will depend

on the arrangements that you negotiate with your landlord. You should not require significant, or perhaps any, build-out or improvements. You should expect the landlord to require the first month's rent and a security deposit equal to one month's rent. Amounts paid as rent are typically not refundable, but a security deposit may be refunded. If you purchase and/or construct a site for the franchised business, your initial costs will be significantly greater than the estimates above.

8. Insurance. You must obtain and maintain the types and amounts of insurance coverage we require. We must be named as an additional insured on these policies. We estimate that the average annual cost for the required insurance coverage will be between $1,500 and $3,000. The premium is typically due prior to the effective date of the coverage unless your insurance company offers installment payment terms. Insurance costs will vary depending upon the location and size of your office, the number of employees, the amount of your payroll, and other factors, and may change from time to time due to changes in insurance rates. You must also maintain workers' compensation coverage and any other insurance that may be required by law in your territory. The cost for worker's compensation coverage and other insurance is not included in the above chart.

9. Permits and Licenses. We are aware of the following states that require a license for performing some types of home repairs and/or remodeling: Arizona, Florida, California, Maryland, Massachusetts, Minnesota, Nevada, New Jersey, Oregon, Utah, Virginia, Washington, and certain counties in Florida. There may be other states, counties, or municipalities that also require a license. You will be responsible for investigating and complying with the licensing requirements that apply in your territory. The cost will vary from one locality to another.

10. Bookkeeping Services. You will be required to use a bookkeeping service designated by us for at least your first 12 months of operation. The bookkeeping service fee includes an online subscription to QuickBooks.

11. Business Management Software. The business management software is a customized software supplied by a third-party supplier. Currently, the cost is $100 per month for up to 6 users and $25/per additional user. We reserve the right to upgrade this software, modify the price structure and/or change the software provider.

12. Additional Funds. You should have approximately $32,000 to $52,000 of additional funds for such items as payroll expenses, initial supplies and operating expenses for the first three months of operation. These funds also include $3,000 per month for the first three months required local advertising spend and include marketing materials such as business cards, letterhead, envelopes, brochures, brochure holders, folders, door hangers, post cards, pens, magnets and yard signs, placing advertisements in local media, distributing promotional brochures, internet advertising, SEO and SEM, home and trade shows and a direct mail campaign. In formulating the amount required for additional funds, we relied upon our experience and that of our predecessor in franchising home repair, maintenance, and remodeling businesses since 1995. These figures are estimates and House Doctors cannot guarantee that you will not have additional expenses starting the business. Your costs will depend on factors such as: how closely you follow our methods and procedures; your management skill, experience and business acumen; local economic conditions; the local market for our services; the prevailing wage rate; competition; and the sales level reached during this initial phase. You may also incur expenses for business license fees, legal fees, accounting fees, and local permits and operating authorizations necessary to start your business, which may vary considerably from one area to another.

13. Total. The total figure listed in the above chart does not include compensation for your time or labor. Neither does the total figure take into account any finance charges, interest, debt service, or other costs which you may incur to finance all or any portion of your investment. In addition to the initial investment itemized in the chart above, you must have additional monies available, whether in cash or through a line of credit, or have other assets that you can liquidate or against which you can borrow, to

cover your personal living expenses and any operating losses sustained during the initial phase of your business (see Note 11 above). You should review these figures carefully with a business advisor before making any decision to purchase the franchise.

14. Non-Refundable. All expenditures are non-refundable unless specifically noted otherwise.

15. Successor Franchise. A "Successor Franchise" is a House Doctors franchise that you may be granted under section 2.2 of the franchise agreement, as a successor to your initial House Doctors franchise, for an additional ten-year term upon the expiration of this agreement. The disclosures in the above table refer only to the investment required to begin the operation of your franchise when you originally purchase it. Except for the Successor Franchise Fee, there is no additional investment required for a Successor Franchise.

Item 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

System Standards. A fundamental requirement of your joining and remaining a part of the House Doctors system will be your commitment to the operation of your franchise in accordance with our system standards. During the term of the franchise agreement, you must, at all times, develop, maintain and operate your House Doctors franchise in full compliance with all House Doctors system standards, as we may modify and supplement them in the future.

We may require you to purchase from us or from our affiliate or designated suppliers any equipment, supplies, materials, products and services that you use in operating your House Doctors franchise. We will provide you, in the operations manual or other written or electronic form, with a list of services and products that must be purchased from designated sources and, if required, a list of designated suppliers (which might include us, an affiliate of ours, or another supplier we designate) after you sign your franchise agreement, and we have the right to add or delete services, products, or suppliers from the list. If we or one of our affiliates is an approved supplier, you may be required to sign a purchase, lease, or supply agreement. We formulate and modify our specifications and standards for products and services based upon our research of the optimal products and services you will need to operate your House Doctors franchise, our investigation of the available suppliers for each product and service, and our general business experience.

Suppliers. We will provide you with a list of approved suppliers for the products and services you will need to operate your House Doctors franchise. Other suppliers may be approved by sending us a written request for approval by certified mail, return receipt requested, along with a sample of the supplier's product. We are not required to notify you of our approval or disapproval within a specific time period, but we will try to notify you within 15 days after we receive all the necessary information. We will base our approval of suppliers upon a variety of factors, including their ability to meet our standards and specifications, their quality controls, their capacity to supply our franchisees' needs promptly and reliably, and their prices. Because of price discounts, benefits or other legitimate sales incentives, we may require you to participate with us or with other House Doctors franchisees when purchasing certain products or services to be sold or used in your House Doctors franchise. We do not charge a fee for approving suppliers. We may revoke approval of any approved supplier by written notice to you at any time if the quality of the product and the supplier's financial condition and ability to satisfy your requirements do not continue to meet our satisfaction. Except as disclosed in this Item 8, neither we nor any affiliate of ours is currently an approved supplier. There are no suppliers in which an officer of ours owns an interest.

Materials Bearing Our Marks. Your marketing and promotional materials, business cards, business stationery, and other items bearing our service marks, logos and names, must comply with specifications for content, size, typeface, color, and material. These specifications are contained in the manuals. You may purchase these items from any approved supplier.

You may purchase certain marketing materials and specialty items (such as clothing, coffee cups, golf towels, etc.) bearing our service marks, logos and names. You may purchase these items from any approved supplier. Neither we nor any affiliate of ours will derive revenue from your purchases of marketing materials and specialty items.

Service Vehicles. Your service vehicles must meet our system standards and specifications. You will start with one vehicle for your first service technician. You may want to acquire additional vehicles as your franchised business grows.

Insurance. Before opening the franchised business, you must obtain, and maintain at all times during the term of your franchise agreement, the following insurance coverages:

- All-Risk Insurance on all furniture, fixtures, equipment, supplies and other property used in the operation of the franchised business, for their full replacement cost.
- Commercial General Liability Insurance covering claims for bodily and personal injury, death, and property damage with a minimum per occurrence limit of $1,000,000 and a minimum general aggregate limit of $2,000,000.
- Automobile Liability Insurance for owned, hired, and non-owned vehicles with a minimum combined single limit of $1,000,000.
- Employee Dishonesty Insurance with a minimum limit of $10,000.
- Worker's Compensation Insurance that complies with the statutory requirements of the state in which the franchised business is located and Employers' Liability Insurance with a minimum limit of $100,000 or, if greater, the statutory minimum limit if required by state law.

All insurance policies must name House Doctors as an additional insured, and no policy may have a deductible of more than $5,000. You cannot open your franchise until you have obtained all the required insurance coverages. If you fail to obtain and maintain this insurance coverage, we have the right to obtain it on your behalf and to charge you for the cost, plus interest. We have the right to increase the minimum coverage, decrease the maximum deductible, or require different or additional kinds of insurance to reflect inflation, changes in standards of liability, higher damage awards, or other relevant changes in circumstances. We must give you at least 30 days' written notice. Neither we nor any affiliate of ours will derive revenue from your insurance purchases.

Computer Hardware and Software. To operate your House Doctors franchise, you will need a computer system and certain required computer programs. The specifications for the computer system are contained in the operations manual. You will be required to use third-party, web-based operations software of our choosing. Currently, we require that our franchisees use mHelpDesk, a web-based field services management software, which is the only software approved by us for this purpose. In the future, you may be required to purchase or lease other proprietary software from us or from a third party designated by us.

Bookkeeping Services. You will be required to use a bookkeeping service designated by us during at least the first twelve months of your operation. Currently, that bookkeeping service is FranBooks.

Revenue from Franchisee Purchases. As a result of the sale of all required purchases and leases of products and services to House Doctors franchisees in calendar year 2020, we derived $420,075 in revenue, representing about 39.68% of the total revenue of Saltire Brands, LLC of $1,058,605 as reflected on the audited statement of operations of Saltire Brands for the year ended December 31, 2020.

In our fiscal year from January 1st, 2020 to December 31, 2020, none of Saltire Brands' revenues were derived from vendors or suppliers that sell or lease products or services to House Doctors franchisees. Some suppliers made payments to the House Doctors National Advertising Fund (the "NAF") for sponsorships or display space at the annual convention of House Doctors. We may use these fees to defray the costs for the convention, but there are no specific restrictions on their use. In calendar year 2020, the NAF received $8,730 from suppliers for sponsorships or display space at the national convention held by House Doctors. All of the fees were contributed to the NAF.

We estimate that the cost of goods and services purchased or leased in accordance with the specifications described above will represent approximately 20% to 30% of your initial investment to commence the operation of your House Doctors franchise (the exact percentage will depend upon the amount of your other variable start-up expenses), and approximately 12% to 20% of your operating expenses. Except as described above, we have not established any other specifications or designated suppliers for the equipment and supplies necessary to operate your House Doctors franchise. We will provide you with a list of approved suppliers and suggested equipment and supplies after you purchase your franchise. Except as described above, we do not offer or sell equipment or supplies to franchisees or derive revenue from franchisees' purchases of equipment or supplies from other suppliers, although we have the right to and may do so in the future. We do not receive any payments or other benefits from suppliers as a result of purchases by franchisees. We do not provide material benefits to a franchisee based upon the franchisee's use of designated or approved sources. Except as described above, you are not required to purchase any goods or services from any particular supplier.

Cooperatives. We may, in our business judgment, designate any geographical area in which at least two franchises are located for the purpose of establishing a local or regional marketing or advertising cooperative. If we form this type of cooperative in your area, you will be required to join. However, as of the date of this disclosure document, we do not have any purchasing or distribution cooperatives.

Arrangements with Vendors. We have negotiated arrangements with certain vendors to provide products and services to our franchisees at reduced prices. Although full retail prices for these products and services will vary from one area of the country to another, the prices applicable to House Doctors franchisees are generally more favorable than full retail prices. These arrangements are subject to change without notice. These arrangements now include the two vendors listed below, which you are required to use:

1. mHelpDesk, which is a web-based field services management software.

2. FranBooks, which is a bookkeeping service that we currently require you to use during the first 12 months of your operation.

   Except as disclosed above, we do not receive any payments or other benefits from suppliers as a result of purchases by franchisees, although we have the right to and may do so in the future. Although each of the suppliers listed above are approved suppliers, you are not required to purchase any goods or services from them.

Item 10 FINANCING

We do not offer direct or indirect financing, except as described below. We do not guarantee any of your notes, leases or obligations.

In some cases, we will provide interim financing for payment of the initial franchise fee for a franchisee that has applied for or is getting long-term financing from a bank (usually in the form of an SBA loan) or a retirement plan. The obligation to pay us will be evidenced by a promissory note in the form of Exhibit P (the "Note"). The amount financed may range from $30,000 to $50,000. The full amount of the amount loaned will be due when the franchisee receives the long-term financing or a date certain specified in the Note, whichever is earlier. We will not charge interest, except upon default; after default, the interest rate will be 18% per year, or (if lower) the highest rate permitted by applicable law. The Note may be prepaid without penalty. Upon default: (a) we may accelerate the obligation to pay the entire amount due, (b) franchisee may be required to pay court costs and attorneys' fees incurred in collecting the debt, and (c) we may terminate the franchise agreement. In the Note, the franchisee is required to waive notice and the right to a jury trial.

If you seek to obtain financing that is assisted by the U.S. Small Business Administration ("SBA"), the SBA may require House Doctors and you to enter into an addendum to the Franchise Agreement in a form specified by the SBA. That current form we use is attached as Exhibit R. Franchisor may, in its discretion, refuse to agree to this addendum, with the result that SBA-assisted financing will not be available to the franchisee. Certain provisions of this addendum are summarized in Item 17.n below.

Item 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Assistance. Before you open your business, we will provide the following assistance:

1. When the parties sign the franchise agreement, we grant you the right to operate a franchise business within the territory designated in the franchise agreement. (Franchise Agreement §§ 1.1 and 1.2).

2. We will provide a list of all equipment necessary to operate your franchise (Franchise Agreement § 6.1).

3. We will provide a set of templates for advertisements, marketing/promotional materials, business cards and stationary (Franchise Agreement § 6.1). We will either provide you with copies of these items at the time of your initial training or provide you with instructions for downloading them after you complete the initial training program.

4. We will provide you with approved and readily available sources for purchasing supplies, advertising and marketing materials, computer hardware and software, and other items necessary to operate your franchise. (Franchise Agreement § 6.1).

5. We will loan you a copy of our operations manual, which contains mandatory and suggested specifications, standards, and procedures (Franchise Agreement § 6.3). This manual is confidential and remains our property. You will receive a copy of the manual when you begin the initial training program. The manual may consist of one or more volumes and may be provided digitally via the franchise intranet, compact disk, DVD or other medium. We may modify the manual from time to time, but the modification will not alter your status and rights under the franchise agreement. The total number of pages in the manuals is 187. The table of contents is listed on Exhibit M.

6. We will provide you with business and reporting forms you will use in your franchised business to report your sales, order supplies, otherwise communicate with us and otherwise. Upon your request, we will provide you with specifications for the proper preparation of the business and reporting forms, which you may purchase from a supplier who has complied with our approval guidelines. (Franchise Agreement § 6.2).

7. We will provide the initial training program either virtually or at our training facility in Milford, Ohio, as reasonably determined by us, for up to two people, one of which must be the Franchisee or a principal of the Franchisee, or Designated Manager who is responsible for the general oversight and management of the franchised business (Franchise Agreement §§ 6.1 and 7.1).

Paragraphs 1 through 7 above refer to assistance and materials we provide to new franchisees before they open their franchise. If you are acquiring a Successor Franchise, you already received these materials and assistance before you opened your House Doctors franchise. You will be permitted to continue to use our operations manual and proprietary operations software, on loan or under license, respectively, to operate your Successor Franchise.

Length of Time to Open Franchise. Franchisees typically begin operating their franchises three to six months after they sign a franchise agreement or pay the Initial License Fee, whichever occurs first. The factors that affect this time are the availability and timing of your financing, your previous employment commitments (if any), and your ability to complete our training program, hire and train personnel, and schedule your initial marketing campaign. You must open your franchise within six months after you sign the franchise agreement or we have the right to terminate your franchise without refunding any fees you have paid (Franchise Agreement §§ 7.6 and 13.1).

Ongoing Assistance. During the operation of the franchised business, we will provide the following assistance:

1. We will provide you with periodic assistance to the extent we deem necessary (Franchise Agreement § 6.1).

2. We will provide you with periodic communications including emails, newsletters, bulletins and such other materials, information, and assistance as we may deem necessary (Franchise Agreement § 6.1).

3. We may periodically modify and supplement the system standards. (Franchise Agreement § 7.2).

4. We will approve or designate suppliers for furnishings, fixtures, signs, supplies and other products, materials and services required for the operation of your franchised business. (Franchise Agreement § 7.5).

5. If we establish a contract for the provision of services to a "Special Account" that includes facilities located in your territory, we will give you the first option of providing those services in your territory. A "Special Account" is a business with physical facilities in territories of more than one franchisee. (Franchise Agreement § 1.5).

6. We may periodically develop (or have others develop) proprietary computer applications for use in your franchised business, which you may be required to purchase or license. (Franchise Agreement § 7.18).

7. We may modify the computer hardware and software that you are required to have for the management and operation of your franchised business to maximize the operation of the software or foster the

efficient operation and management of your franchised business and you are required to make these changes. (Franchise Agreement § 7.18).

8. We may periodically add products and services to the products and services that you are permitted or required to offer in your franchised business. (Franchise Agreement § 7.3).

Advertising. You are required to conduct advertising and promotion directly related to your franchised business within your local trading area, and to spend a certain amount for these expenses each month (Franchise Agreement § 11.8). We are not required to advertise the services offered by House Doctors franchisees, and we are not required to spend any amount on advertising in your territory. We will provide you with a number of pre-approved advertisements for use in various media, but you are free to use your own advertising material so long as we approve it first. If you wish to use an advertisement that we have not provided and that has not been previously approved, or advertise in a medium or with an advertiser that has not been previously approved, you must submit it to us by certified mail, return receipt requested, for approval. Unless we notify you that the advertisement is not acceptable within 15 days after we receive it, you may assume that it is acceptable. The approval of advertising will be made on a case-by-case basis using purely subjective criteria. All of your advertising in any medium must be conducted in a dignified manner, be completely accurate and truthful, conform to standards and requirements listed in the operations manual and to all applicable laws and regulations regarding consumer advertising, and contain a notice that your franchise is independently owned and operated. Any advertisement that you develop for your House Doctors franchise automatically becomes our property, and we may use it for our other franchisees without compensating you (Franchise Agreement §§ 8.8 and 11.6). There is no advertising council that advises us specifically on advertising policies.

House Doctors Web Site. Although not required to do so by the franchise agreement, we maintain a web site to promote our franchisees' services and the sale of our franchises and to provide contact information for House Doctors locations. We will include your franchise contact information on separate pages on the House Doctors web site at no cost to you. You may not establish your own web site, web page, or URL for your franchised business or that uses any of our trademarks. You may not advertise your services or use our trademarks in any listing, banner, advertisement, or any other service or link on or to the Internet, World Wide Web, Internet service providers, electronic mail services, communication providers, search engines, or similar services, without our prior written approval (Franchise Agreement §§ 8.5, 11.6 and 11.7).

Advertising Cooperatives. We have the power to form, change, dissolve, or merge local or regional marketing and advertising cooperatives in geographical areas with two or more House Doctors franchises. Advertising cooperatives may be established for areas covered by advertising media relevant to particular geographic markets, Metropolitan or Micropolitan Statistical Areas, the home repair industry, or our advertising strategy, in our discretion. If we establish an advertising cooperative in an area, each franchise within the cooperative area must join and contribute to the cooperative each month. Your cooperative contribution will be credited toward your required Local Advertising expenditure, but not toward your national advertising contribution. Either House Doctors or the cooperative will determine the amount of your monthly contribution, but it cannot exceed 4% of your Gross Sales unless a majority of the cooperative members agree on a higher contribution. The members of each cooperative will be responsible for its administration, subject to our approval. Each member of an advertising cooperative will have one vote per franchise. Each cooperative will operate from written governing documents and must prepare monthly financial statements, all of which will be available for its members' review. Each franchisor-owned location in an area in which an advertising cooperative has been established will contribute to the cooperative on the same basis as other members of that cooperative. As of the date of this disclosure document, we have not established any advertising cooperatives (Franchise Agreement § 11.9).

Local Advertising. You must spend at least $3,000 in each calendar month on Local Advertising. Local Advertising expenditures must be made directly by you. (Franchise Agreement § 11.8)

National Advertising Fund. Each franchisee is required to pay a weekly advertising contribution of 2% of Gross Sales to a national advertising fund (the "Fund"), with a Minimum Quarterly Advertising Contribution of $1,000 in Year 1, $1,500 in Year 2, $2,000 in Year 3 and $2,500 in Year 4 and thereafter. Year 1 is the period that begins on the date when the franchise business first becomes open for business (the "Opening Date") and ends on the last day of the calendar quarter on which the first anniversary of the Opening Date occurs. Year 2 is the one-year period that begins on the first day of the calendar quarter following the end of Year 1. Year 3 and later years are the following 12-month periods. If the weekly advertising contributions that you pay during each calendar quarter is less than Minimum Quarterly Advertising Contributions, you must also pay the difference to the Fund by the fifteenth day of the next calendar quarter. All advertising contributions are maintained in a separate account and must be spent on advertising, promotion and marketing of the services provided by House Doctor franchises, public relations, the development of the House Doctors brands, plus administrative costs associated with the maintenance of the Fund. House Doctors is reimbursed for any postage or labor provided to the Fund. Each franchisor-owned location, if any, will contribute to the Fund on the same basis as franchisees (Franchise Agreement §§ 5.3, 5.4 and 11.2).

The Fund is administered and distributed by us. The Fund is not audited, but an unaudited annual financial statement of the Fund is available to any franchisee after March 1 of each year. During the one-year period ending on December 31, 2020, the Fund's total receipts were $239,414 and total expenses were $186,426, of which 59% was spent for creative development, administrative and management expenses including national and local public relations including managing branding and trademark reputation across all media including internet, social media, LinkedIn, Facebook, Twitter, Pinterest, and blogs for advertising on behalf of franchisees and Indeed, Monster, Craig's List, and Facebook for recruitment support on behalf of franchisees, 2% was spent for customer retention, emailing programs, directory submissions and other advertising on behalf of franchisees, 4% for general and other administration costs including: national relationships, dues and subscriptions, and training, 14% for franchisee meetings, 3% for internet and website costs, 13% for public relations and 5% for technology.

Our current policy is to use the Fund for the development of new advertising, promotional and marketing materials, to advertise the services provided by franchisees in print, electronic, internet and other media and to provide for public relations to develop and protect the House Doctors brands, and to cover related administrative and management expenses, and to use outside companies for any of these activities. However, we have the right to change this policy at any time and to use the Fund to place advertising in any national, regional, or local media (including broadcast, print, electronic, internet, or other media). We are not required to spend any amount on advertising in your territory. No portion of the Fund is used for advertising that is principally a solicitation for the sale of franchises. If all advertising contributions are not spent in the fiscal year in which they accrue, expenditures made from the Fund in the following year(s) will be made first out of accumulated earnings from previous years (if any), next out of earnings in the current year, and finally from contributions. Except as disclosed above, neither we nor any affiliate of ours receives any payment from the Fund.

Computer System. To operate your House Doctors franchise, you will need a late model desktop or notebook computer with the most recent operating system. We also recommend a color laser printer, Microsoft Office Home and Business (includes Outlook, Word, Excel & PowerPoint) and a computer tablet (such as an iPad or Android). The minimum hardware and software specifications are listed in the operations manual. In most cases a more recent version of a required software application will be acceptable. Hardware should be no more than three years old.

You will also need a high-speed Internet connection. (such as DSL, cable, or satellite) for communication and file transfer. Neither House Doctors nor any affiliate of House Doctors will derive revenue from the required Internet connection.

In addition to the software listed above, you are required to obtain and use management software of our choosing to maintain information about your customers, prepare job proposals and invoices, manage your service technicians, and maintain the financial records of the franchised business. You will be required to enter into a terms of use agreement with a software provider of our choice and pay a license fee. Currently, we require that our franchisees use mHelpDesk, a web-based field services management software, which is the only software approved by us for this purpose. The license fee is currently $100 per month.

You will also use your computer system to: (a) access Internet sites (browsers such as Internet Explorer, Chrome, Firefox or Safari), and communicate with prospective and current customers, suppliers, the franchisor, and others via e-mail (Outlook), and (b) access our Intranet system, which is intended to be used by a franchisee to communicate with us and other franchisees, access our operations manual and for other purposes (in order for the franchisee to have access to our Intranet system, the franchisee is required to sign the Terms of Use Agreement for the House Doctors Franchisee Intranet System in the form of Exhibit E to this disclosure document).

You must provide us with independent access to all of the information that will be generated and stored on your computer system if we request it. There are no contractual limitations on our right to access the information. You are contractually required to upgrade and update your computer system as we require during the term of the franchise. There are no limits on the costs you may incur to upgrade or update. We currently do not require you to purchase a maintenance, repair, update, or upgrade service contract for your computer system, but we have the right to do so in the future. We do not know the annual cost of any optional or required maintenance, repair, updating, upgrading, or support contracts. Neither we nor any of our affiliates or any third party is obligated to provide ongoing maintenance, repairs, upgrades, or updates to your computer system.

Location of Franchised Business. You will operate the franchised business from a single office site. We do not select or approve a site, or provide you with assistance in selecting a site, for the franchised business. We do not impose any restrictions upon the location of your office. We recommend that, initially, you operate your franchise from your home, provided that doing so will not violate any zoning or building code or other ordinance. After your business matures and grows, you may wish to rent modest office or warehouse space. If you elect not to operate your franchise from your home, the location should be geographically convenient to the more densely populated areas of your territory and to major thoroughfares. You are not required to operate the franchised business from a site within your territory, but you must maintain a business address in your territory, the telephone number for your franchise must be listed under an address or other location in your territory, and you are not permitted to advertise, solicit, offer, provide, or sell any goods or services in another franchisee's territory. You must provide us with the address of the location and notify us promptly of any change (Franchise Agreement Article 3).

Training. Before you open your franchised business, we will provide five days of training for up to two people, either virtually or at our corporate headquarters in Milford, Ohio, as reasonably determined by us. The initial training program is mandatory as described in the following sentence. Either the franchisee or the person designated by franchisee as responsible for the general oversight and management of the franchised business, must complete the initial training program to our satisfaction within six months after you sign the franchise agreement, or we have the right to terminate your franchise without refunding any fees you have paid. Training is typically scheduled on a monthly basis subject to demand. We do not charge a fee for the initial training program, but you are responsible for paying the costs of travel, lodging, meals and

compensation for you and your employees during the training program, as applicable. The agenda of the initial training program is listed below.

Our operations manual serves as the instructional material for the initial training program. The names and qualifications of the training instructors are:

- Jim Hunter has been our President since June 2012 and was CEO of HDFS from 2007 to 2012. He owned and operated a KWIK KOPY printing franchise in Glasgow, Scotland, for 10 years, and was Vice President of the Canadian master franchisor, the MR. HANDYMAN brand handyman franchises.

- Doug Beasley has been our Vice President of Operations since January 2020. Prior to that, he was Vice President of Operations with IFD, Inc. – a distributor of Invisible Fence Brand Products from July 1998 until February 2019, where he led a dealer training program, sales training program and customer service/call center training, as well as marketing responsibilities from PPC to Social Media and PR Crises/Management. Mr. Beasley graduated from Wright State University, Dayton, Ohio in 1986 with a BS in Marketing.

- Brittney Bowman has been our Marketing Manager since December 2019. Prior to that, she was Marketing Representative for Saltire Brands from December 2018 to December 2019. Ms. Bowman graduated from the University of Cincinnati Carl H. Hinder College of Business with a BS in Marketing in December 2019.

- Donna Davidson has been our Vice President since January 2018. Prior to that, she was Director of Franchise Development for Saltire Brands from March 2014 to December 2018. For the 20 years prior, she honed her skills in franchising as a Unit Manager, Regional Manager, Franchise Consultant, Area Director of Training and Operations, and Director of Franchise Development in the Health and Wellness Industry.

At the present time, we do not provide or require you to attend additional training programs after your successful completion of the initial training program, although we have the right to require additional training and to charge you a reasonable fee for it (Franchise Agreement § 7.1).

Annual Convention. Although we are not required to do so by the franchise agreement, we plan to hold an annual convention for House Doctors franchisees. We charge a fee to attend the convention. The current fee for each attendee is $798 and is due to be paid before the event. This fee goes towards paying for accommodation, meals, entertainment, audio visual, meeting rooms and any guest speakers. You must also pay your own travel expenses to attend the convention. Since our conventions are designed to benefit your business, you are required to attend the annual convention and pay the convention fees. You will be required to pay the convention fee for one attendee for each convention that neither you nor your Designated Manager attends. (Franchise Agreement § 7.19).

Item 12 TERRITORY

We will grant you a protected territory ("Territory") delineated by Postal Codes. (That is, delineated by ZIP Codes. ZIP Code[SM] is a service mark of the United States Postal Service in the United States and other countries.) You may not provide products or services at a job site located in another franchisee's territory. Although you have no right to do so under the franchise agreement, we may permit you to operate your franchise in areas outside your territory that are not part of the territory of another House Doctors franchisee. You do not acquire any rights to any areas outside your territory, however, and you must immediately stop operating your franchise in any area that becomes part of another franchisee's territory. You may not establish a web site, web page or URL for your franchised business or using any of our trademarks. You may not advertise your services or use our trademarks in any listing, banner, advertisement, or any other service or link on or to the Internet, World Wide Web, Internet service providers, electronic mail services, communication providers, search engines, or similar services, without our prior written approval. There are no other restrictions on your right to solicit or accept orders from customers outside of your territory.

So long as you are not in breach of the franchise agreement or other agreement with us, we will not operate or establish or authorize another to operate or establish another House Doctors franchise in your protected territory. Nor may we, either directly or through a franchise or an affiliate, provide products or services (using any channel of distribution) under the Marks at a job site located in your territory. We have the right to operate or franchise a business in your territory that uses any channel of distribution to sell goods or services similar to those that you will offer, so long as it does so under different trademarks from the ones you will use under the franchise agreement. However, neither we nor any affiliate of ours presently operates or franchises, or plans to operate, franchise or acquire, a business under a different trademark that sells or will sell goods or services similar to those that you will offer. Your territorial protection also does not include marketing, advertising and promotional activities—other House Doctors franchises (no matter who owns them) may advertise and promote their services in media that are distributed, circulated or broadcast in your territory. Similarly, you may advertise and promote your services in media that are distributed, circulated or broadcast outside your territory (including territories of other House Doctors franchisees), so long as you do not provide products or services at a job site located in another franchisee's territory.

We have the exclusive right to control business with Special Accounts, subject to your right to participate in Special Account business in your territory. A "Special Account" is a business or other organization with offices, stores, plants, buildings or other physical facilities that are not confined to the territory of a single House Doctors franchisee or company-owned or affiliated business. If we negotiate a contract or arrangement with a Special Account, you will have the option to provide the services to the facilities of the Special Account in your territory at the prices and subject to the contract requirements we negotiate with the Special Account. If you accept the project, we will collect amounts due from the Special Account and pay

you the amount due for services you provided to the Special Account, less the amount of the royalties and advertising contributions you owe us on the amount collected, which we will retain for our own account. All amounts you receive from Special Account work are included in Gross Sales for purposes of calculating your royalties. If you decline to service a Special Account, we have the unfettered right to fulfill the contract requirements to the Special Account in the territory in any manner we choose, including through another House Doctors franchisee, a company-owned or affiliated business, or a third-party contractor. If a Special Account requests that someone other than you provide services in the territory, we may revoke your right to provide the services and may fulfill the contract requirements to the Special Account in the territory in any manner we choose.

We retain all rights not specifically granted to you by your franchise agreement, including the right to operate a House Doctors outlet anywhere *outside* your franchise territory, or license other House Doctors outlets or other businesses substantially similar to a House Doctors outlet (whether under the HOUSE DOCTORS or HOUSE MEDIC trademark or other trademarks) to operate anywhere *outside* your franchise territory, regardless of the proximity of those office locations to you or your office, or the impact those outlets may have upon your franchised business. Except as described in the preceding paragraphs of this Item 12, there are no other restrictions on us from soliciting or accepting orders from customers inside your territory.

We will grant you a protected territory as described in this Item 12 above. However, as described in this Item 12, there are exceptions to your exclusive rights to the territory. Therefore, you will not receive an exclusive territory. You may face competition from outlets that we own, or from other channels of distribution or competitive brands we control.

Your franchise territory will be a single, undivided geographic area, containing approximately 60,000 qualified households. The precise definition of a "qualified household" will differ from one market to another depending upon the unique demographic characteristics of each market. We have the right to specify a larger or smaller territory according to market size, demographic data, or other relevant factors, but we also have the right to charge a higher Territory Fee if we grant a larger territory. We obtain our demographic information from U.S. Census Bureau data and a geographic information system application licensed by Environmental Systems Research Institute, Inc. If for any reason the boundaries or numbers of any ZIP Codes assigned to you are altered or any other boundary of your territory changes, you must notify us and we will re-define the boundaries of your franchise territory to correspond as nearly as possible to your original. Our decision will be final and binding.

You will be required to achieve a minimum sales volume each quarter during the term of your franchise agreement ("Minimum Quarterly Gross Sales"). The Minimum Quarterly Gross Sales as of the date of this disclosure document are listed in the following table:

Minimum Quarterly Gross Sales Year 1	$50,000
Minimum Quarterly Gross Sales Year 2	$75,000
Minimum Quarterly Gross Sales Year 3	$100,000
Year 4 & ongoing for the term of the franchise agreement	$125,000

Year 1 is the period that begins on the date when the franchise business first becomes open for business (the "Opening Date") and ends on the last day of the calendar quarter on which the first anniversary of the Opening Date occurs. Year 2 is the one-year period that begins on the first day of the calendar quarter following the end of Year 1. Year 3 and later years are the following 12-month periods.

The figures in the table above are not financial performance representations or projections or estimates of potential earnings, sales, or revenue.

If you are entering into an agreement for a Successor Franchise, the Minimum Quarterly Gross Sales will be based on the Year 4 and ongoing requirements for the entire term of your successor franchise agreement.

If you fail to achieve the Minimum Quarterly Gross Sales for two consecutive calendar quarters, we have the right to terminate your franchise agreement or reduce the size of your territory. Except for that, your rights to your territory are not dependent upon your achievement of a certain sales volume, market penetration, or other contingency. If the U.S. Postal Service alters the boundary or number of any Postal Code(s) assigned to you, we will re-define the boundaries of your territory to correspond as nearly as possible to your original territory. Our decision on this matter will be final. We do not have any other right to alter your territory without your consent. You maintain the rights to your territory even if the population increases. We will not change the boundaries of your territory if we grant you a Successor Franchise, even if the number of qualified households in your territory has increased or decreased since you originally purchased your franchise. There are no other circumstances that would permit us to modify your territorial rights.

You will operate the franchised business from a single office site. We do not select or approve a site, or provide you with assistance in selecting a site, for your office. We do not impose any restrictions upon the location of your office. You may operate your franchise from an office in your home, provided that doing so will not violate any zoning or building code or other ordinance. You may also operate your franchise from rented office or warehouse space. Your office is not required to be located within your territory, but you must maintain a business address in your territory, and the telephone number for your franchise must be listed under an address or other location in your territory. Your office should be geographically convenient to the more densely populated areas of your territory and to major thoroughfares. You may relocate your office at any time without our approval, so long as you promptly provide us with the address of the new location. Although, given the geographic size of a typical territory, it is neither necessary nor advisable to operate your franchised business from more than one location, we do not prohibit you from doing so long as you provide us with the address of each location.

Your franchise agreement does not give you any option, right of first refusal, or similar right to acquire additional franchises.

Item 13 TRADEMARKS

If you purchase a House Doctors franchise, you will use our trademarks to identify your residential and commercial property maintenance, repair and remodeling franchise. You may use no other name or trademark without our written approval. Our principal trademarks are the word marks HOUSE DOCTORS and HOUSE MEDIC (you will use one or the other, but not both—HOUSE MEDIC is used only in markets where someone else's prior use of the HOUSE DOCTORS name precludes us from using it or licensing its use) and the logo on the cover of this disclosure document. We have registered all of our Principal trademarks with the U.S. Patent and Trademark Office (see the tables below), except that, while we have registered the word mark HOUSE MEDIC HANDYMAN SERVICE on this Principal Register, we have not registered the mark HOUSE MEDIC with the U.S. Patent and Trademark Office.

Registration Number	Description of Mark	Registration Date
1,940,058	HOUSE DOCTORS Word Mark	December 5, 1995 (Note 1)
2,040,516	HOUSE MEDIC HANDYMAN SERVICE Word Mark	February 25, 1997 (Note 1)
3,509,622	HOUSE DOCTORS HANDYMAN PROFESSIONALS | HOME IMPROVEMENTS Design Mark with Color Claim	September 30, 2008

Note 1: These registrations have been renewed and remain in effect.

We have registered the following mark on the Supplemental Register of the U.S. Patent and Trademark Office. We have filed all required affidavits in connection with the registration listed below.

Registration Number	Description of Mark	Registration Date
3,175,694	AMERICA'S TRUSTED NAME IN HOME REPAIR. Word Mark	November 21, 2006 (Note 1)

Note 1: This registration has been renewed and remains in effect.

You must follow our rules when you use these marks. You may not use a name or mark as part of a corporate name. You may not use a name or mark with modifying words, designs or symbols other than those which we license to you. You may not use any of the marks in connection with the sale of an unauthorized product or service or in a manner not authorized by House Doctors. You may not use a name or mark on or as part of any web site, domain name, URL, web page, electronic mail address, listing, banner, advertisement or any other service or link on, to, or with the Internet, World Wide Web, Internet service providers, electronic mail services, communication providers, search engines, or other similar services. You may not register a name or mark as a trademark, service mark, or Internet domain name. You must not use, in advertising or any other form of promotion, any of our trademarks or commercial symbols without the appropriate notices which we or the law may require, including ®, **SM**, or other trademark notice.

You must notify us immediately when you learn about any infringement of or challenge to your use of any of our marks. We will take whatever action we think appropriate—we are not required to take any affirmative action. We are not required to protect your right to use our marks or protect you against claims of infringement or unfair competition arising out of your use of our marks. We are not required to participate in your defense or indemnify you for your expenses or damages if you are a party to an administrative or judicial proceeding involving any of our marks, or if the proceeding is resolved unfavorably to you. We have the right to control any administrative proceedings or litigation involving any of our marks.

You must modify or discontinue your use of a mark and adopt any new or replacement marks at your expense if we modify or discontinue a mark or adopt a new or replacement mark. We are not required to reimburse you for your costs if you do. You must not directly or indirectly contest our right to our service marks, trade secrets or business techniques that are part of our business.

There are no effective determinations of the U.S. Patent and Trademark Office, Trademark Trial and Appeal Board, the trademark administrator of this state or any court, no pending infringement, opposition or

cancellation, nor any pending material litigation involving our marks that are material to a House Doctors franchise.

No currently effective agreements significantly limit our right to use or license the use of the trademarks listed in this Item 13 in a manner material to your franchise.

We are aware of the following third-party uses of our marks. Any franchisees in or around these geographic areas could be materially affected by these infringing uses.

1. An individual named Phillip J. Severson operates a home improvement, remodeling, and/or repair business under the name THE HOUSE DOCTOR in the Seville, Ohio, area. We believe that this use infringes upon our rights in our HOUSE DOCTORS mark and that our rights are superior so as to enable us to prevent Mr. Severson's use of the name.

2. A company named The Whole House Doctor, LLC operates a home improvement, remodeling, and/or repair business at 1827 Lake Point Drive, Winston Salem, North Carolina, 27103. We believe that this use may infringe upon our rights in our HOUSE DOCTORS mark and that our rights are superior so as to enable us to prevent The Whole House Doctor, LLC's use of the name.

3. An individual named Robert E. Vecchio claims to have been operating a home improvement and/or repair business under the name THE HOUSE DOCTOR in the greater Cleveland area since 1975. Mr. Vecchio has claimed a superior prior right to use the name in his trading area. Although we have not agreed upon or established the exact boundaries of Mr. Vecchio's trading area, Mr. Vecchio may be able to prevent us from using or licensing the use of the HOUSE DOCTORS mark in certain areas.

4. A company named House Doctor, Inc. claims to have been operating a home repair business under the name HOUSE DOCTOR in Omaha, Nebraska since 1992. House Doctor, Inc. has claimed a superior prior right to use the name in their trading area, which House Doctors, Inc. claims extends for a radius of approximately 60 miles around Omaha, Nebraska. Although we have not agreed upon or established the exact boundaries of House Doctors, Inc.'s trading area, House Doctors, Inc. may be able to prevent us from using or licensing the use of the HOUSE DOCTORS mark in certain areas.

5. A company named Professional House Doctors, Inc. claims to have been operating a home inspection/environmental engineering business under the name PROFESSIONAL HOUSE DOCTORS in Des Moines, Iowa since 1994. Professional House Doctors, Inc. has claimed a superior prior right to use the name in their trading area, which Professional House Doctors, Inc. claims consists of the greater Des Moines, Iowa area. We have not agreed upon or established any boundaries of Professional House Doctors, Inc.'s trading area; however, Professional House Doctors, Inc. may be able to prevent us from using or licensing the use of the HOUSE DOCTORS mark in certain areas.

6. An individual named Ron Shadwell claims to have been operating a home improvement or repair business under the name THE HOUSE MEDIC in New Castle, Delaware, since 1991. Mr. Shadwell has reasonably established a superior prior right to use the mark in his trading area. Mr. Shadwell's continued use of the mark may prevent us from using or licensing the use of the HOUSE MEDIC mark in Mr. Shadwell's market.

7. An individual in Phoenix, AZ, Aaron Fullbright, is using the name "House Doctors Handyman Service, LLC" for a one-man handyman service. Mr. Fullbright claims he purchased the rights to the name locally through the Arizona state licensing board. We reserve the right to seek to have Mr. Fullbright change his business name by contacting the licensing board with our trademark information.

8. An individual named Phillip J. Severson operates a home improvement, remodeling, and/or repair business under the name THE HOUSE DOCTOR in the Seville, Ohio, area. We believe that this use infringes upon our rights in our HOUSE DOCTORS mark and that our rights are superior so as to enable us to prevent Mr. Severson's use of the name

9. An individual by the name Lou Gostkowski of "A1 House Doctor" operates a home repair and improvement business in Sewell, NJ. Since the use of the name was established in 2004, we believe that this use infringes upon our rights in our HOUSE DOCTORS mark and that our rights are superior so as to enable us to prevent Mr. Gostkowski's use of the name.

10. "The House Doctor Contractor, LLC" of Roswell, GA owned by Parmar Rajendra, was formed in August of 2013. Mr. Rajendra was notified by the home office and our attorney to cease and desist from using the brand name based on registration of the trademark. As of April 2016, Mr. Rajendra has not agreed to change his company's name verbally or in writing. We are considering next steps to force a name change. No website for this business exists to our knowledge, only a listing on Angie's List.

11. South Shore House Doctors in Scituate, MA owned by Jason Harris was notified of a trade name infringement. South Shore House Doctors opened approximately 15 years ago, has no webpage and is not currently in an active franchise market. Our intent is to pursue a cease and desist of our tradename through additional requests and pursuing trademark infringement on 3rd party websites that have picked up Mr. Harris' business name.

12. In June of 2015, House Doctor of New York, LLC, located on Long Island, NY (Nausau County) was notified of a tradename infringement. However, the business owner, Gerard Colonna, provided documentation showing the business started in March of 1984 using the name 'House Doctor', 11 years prior to our registration date of Dec. 1995. Mr. Colonna is not interested in changing the name at this time. We will most likely have to use the alternative brand name in this market for the time being.

13. Mike Fountain, owner of "House Doctors MD, Inc.," located in Poynette, WI, started House Doctors MD, Inc. on March 18th, 1998. Mr. Fountain was notified of a trademark infringement in June 2015. Mr. Fountain claims House Doctors MD, Inc. provides "general contracting and large remodeling projects" outside the "home repair and handyman" business that House Doctors Franchisees provide. House Doctors MD, Inc. engaged a local attorney and prevailed in maintaining their website presence with GoDaddy.com unless we pursued further legal action against them. We may renew this action against House Doctors M.D., Inc. if we determine that we have an eminent interest or if we have a new franchisee in this area of the State of Wisconsin. We trademarked the name three years prior to House Doctors MD, Inc. being formed.

14. "5280 House Doctors", a home repair and remodeling company was found in the Henderson, CO area in March 2016. Supporting trademark information was sent to the owner, Mr. Luke Miller. After a discussion and email, Mr. Miller committed to changing 5280 House Doctors' name. The "5280" designation refers to the "Mile High City".

15. "The Doctor House", home repair business located in Fairfax, VA. This business is owned by Carlos A. Camayo. A formal letter was sent in August 2015 asking Mr. Camayo to cease and desist using the tradename. Several follow-up conversations have not resulted in a favorable solution to the franchisor. Mr. Camayo does not fully comprehend how he is in violation of any trademark laws when the business name is not "House Doctors" but "The Doctor House". We have not determined whether to take any further steps on this matter.

16. A company named The House Doctor in Burien, WA owned by Rodney Joyner has been in the home repair and improvement business since January 1993. Mr. Joyner does not intend to change the House Doctor name. We would most likely need to use the alternative name, House Medic, in this market should an interest occur in the near future.

17. A business named The House Doctor Home Improvement, Inc., of Boulder, CO is owned by Daya S. Khalsa. Mr. Khalsa has owned the business since January 2000. Mr. Khalsa realizes he is faced with a name change since our registered trademark predates The House Doctor Home Improvement, Inc.'s incorporation date.

18. An independent business named House Doctor of Houston started in 2000, owned by Jehangir (John) Daruvalla of Houston, TX. Mr. Daruvalla communicated he would change the House Doctor of Houston name to The Home Doctor. Mr. Daruvalla's web page reflects this, however, Mr. Daruvalla is still using the name "House Doctor" in some of his marketing. If we decide to pursue this legally based on our trademark date predating the start of Mr. Daruvalla's business, we are confident we would prevail. We are in ongoing communication with Mr. Daruvalla regarding this matter.

Except as disclosed above, we do not have actual knowledge of any infringing uses that could materially affect your use of our marks. Except as disclosed above, no agreements limit our right to use or license the use of our marks. We believe that there may be other home improvement and/or repair businesses using the name HOUSE DOCTOR or HOUSE DOCTORS whose use predates our first use of the name HOUSE DOCTORS. We and our franchisees may not be able to use the name HOUSE DOCTORS in the market areas of other home improvement and/or repair businesses using the name HOUSE DOCTOR or similar names.

Item 14 PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We have no patents or patent applications that are material to the franchise, no obligation to protect any patent or patent application and no obligation to defend or indemnify you against claims arising from any use by you of any patent or patent application.

We have not obtained any copyright registrations, but we claim common law copyrights in our operations manual (which contains proprietary information), marketing materials, and any other original or proprietary works we have developed. All such materials will bear copyright notices. We will retain all rights and interests in such materials. There are no agreements currently in effect which significantly limit our rights to use or license the use of these copyrights in any manner material to the franchise.

There are no effective determinations of the U.S. Copyright Office, no pending infringement, opposition or cancellation, nor any pending material litigation involving any of the items or information in which we claim copyrights that are material to a House Doctors franchise.

You must notify us immediately when you learn about any infringement of or challenge to your use of any item or information in which we claim a copyright. We will take whatever action we think appropriate. We are not required to defend you against a claim against your use of any item or information in which we claim a copyright or indemnify you for your liability or expenses arising from your defense of such a claim. We are not obligated to protect any of our copyrights.

You must not use, in advertising or any other form of promotion, any of our copyrighted materials, trademarks, or commercial symbols without the appropriate notices which we or the law may require, including © or other copyright registration notice. You must discontinue your use, at your expense, of any item or information in which we claim a copyright if any party demonstrates to our satisfaction a superior

right to the use of such item or information. We are not required to reimburse you for your costs if you do. You must not directly or indirectly contest our right to any item or information in which we claim a copyright.

We have a distinctive system for the operation of a residential and commercial property maintenance, repair, and remodeling business. Our system includes pricing methods, management techniques, proposal and management forms/formats, specifications, procedures, knowledge and expertise in the operation of a home repair, maintenance, and remodeling business, much of which is not commonly known to the public or to our competitors, gives us an advantage over competitors who do not know or use it, and which we have identified or may identify as proprietary and confidential information. We will disclose proprietary and confidential information to you in the operations manual, during ongoing training seminars, and in guidance furnished to you during the term of your franchise agreement.

You will not acquire any interest in any proprietary and confidential information we may communicate to you, other than the right to utilize it in the operation of your franchised business during the term of your franchise agreement. The information is disclosed to you solely on the condition that you (1) will not use it in any other business or capacity; (2) will maintain the absolute confidentiality of the information during and after the term of your franchise agreement; (3) will not make unauthorized copies of any portion of the operations manual or any other written communication from us; and (4) will adopt and implement all reasonable procedures we may require to prevent unauthorized use or disclosure of the information, including restrictions on disclosure of the information to employees of the franchised business and the use of nondisclosure and noncompetition clauses in employment agreements. All shareholders, officers, directors, partners, members, managers, or trustees of the franchisee are presumed to have access to proprietary and confidential information and must sign a Nondisclosure and Noncompetition Agreement to maintain the confidentiality of the proprietary and confidential information and conform with the noncompetition covenants in this agreement. A copy of the Nondisclosure and Noncompetition Agreement is attached to this disclosure document as Exhibit D.

Item 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

At all times you (or a designated manager) shall devote your (or the designated manager's) full time, energy, and best efforts to the management and operation of the franchised business. The franchised business must at all times be under the direct supervision of you or designated manager. The designated manager must be approved by us and must have successfully completed our training program. No designated manager or individual franchisee or owner of a non-individual franchisee may compete with us or own an interest in any competitor of ours anywhere during the term of your franchise agreement or within your franchise territory for one year after the expiration or termination of your franchise agreement. Each designated manager or owner of a non-individual franchisee must sign a Guaranty and Assumption of Obligations (a copy is attached to this disclosure document as Exhibit C) personally guaranteeing all of the franchisee's obligations under the franchise agreement, and a Nondisclosure and Noncompetition Agreement (Exhibit D) to maintain the confidentially of any confidential information about us, our system, or your franchised business that may be disclosed to him or her.

Item 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

There are no restrictions on the goods or services that you may offer for sale, except as described below in this Item 16.

You must operate your franchised business under the trade name HOUSE DOCTORS (or, in certain markets, HOUSE MEDIC). You may use no other names for your franchised business without our approval.

You may not use the premises on which the franchised business is located for any purpose other than the operation of a House Doctors franchise and the sale of authorized products and services without our approval (this restriction does not apply if you operate the franchised business from your home).

You may offer and sell only those goods and services that we have approved in writing. You must offer all goods and services that we designate as required for all franchisees. These required services are residential and commercial property maintenance, repair, and remodeling services. Item 18 PUBLIC FIGURES

We do not use any public figure to promote our franchises.

Item 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to disclose information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in

this Item 19, for example, by providing information about performance at a particular location or under particular circumstances.

The below financial performance representation is an historic representation about the franchise system's outlets.

Also set forth below are the highest, lowest and average Gross Sales in 2020 by certain Franchisees by quartile. The Bar Charts also show the Total Gross Sales by certain Franchisees by quartile 2016-2020. Additionally, information regarding average and median invoice for 2020 by certain Franchisees is also set forth below. All of the information in this Item 19 is based on data voluntarily made available to us by Franchisees, including data that was pulled from the Franchisee's job scheduling programs that was input by the Franchisees or their staff. The data is unaudited. The data from all Franchisees that had information fully available has been included however the quartile charts do not reflect the Gross Sales of all the franchisees. We only included data from Franchisees that were part of the system as of the beginning of each calendar year and remained part of the system as of the end of the calendar year. We did not include data from Franchisees that entered or left the system during that year. We did not include data from Franchisees that never reported fully during that year. We did not include data from Franchisees who were not following the system standards as per our operating manual during that year. For 2016, the quartiles include Franchisees that owned 17 territories out of a total of 33 territories or 51% of the system that year. For 2017, the quartiles include Franchisees that owned 20 territories out of a total of 33 territories or 60% of the system that year. For 2018, the quartiles include Franchisees that owned 20 territories out of a total of 33 territories or 60% of the system that year. For 2019, the quartiles include Franchisees that owned 22 territories out of a total of 35 territories or 62% of the system that year. For 2020, the quartiles include Franchisees that owned 22 territories out of a total of 38 territories or 57% of the system that year.

Explanatory Notes For 2020 Quartile Charts Above:

Gross Sales means total revenue derived from the sale of goods and services less sales tax, discounts, allowances and returns. The four "quartile" charts above show the Gross Sales for the year 2020 achieved by the House Doctors locations (all of which were franchisee-owned) who fully submitted

their numbers over that year, were open for the full year, were not in the transfer process, were not operating one man handyman businesses. The quartile charts were derived by taking these franchised operations and dividing them into four even groups based on their Gross Sales, with the franchised operations achieving the highest Gross Sales being in the first quartile chart, the next highest being in the second quartile chart, and so forth. All charts are shown in U.S. dollars.

Explanatory Notes For 4 Quartile Bar Charts Below:

Gross Sales means total revenue derived from the sale of goods and services less sales tax, discounts, allowances and returns. The 4 Bar Charts show the Total Gross Sales of each quartile over the last 5 years, 2016-2020 (Quartiles are made up of certain Franchised Locations as described above). The revenues shown were reported by the franchised locations who were included in each quartile for those years, all of which were franchisee-owned. Each Year is calculated independently so franchised locations may have moved in the quartiles. We've also included the highest, lowest and median in each quartile each year. All Graphs are shown in U.S. dollars.

*As reported by Franchisee Scheduling Programs **2020***	**Invoice**	**Margin**
Average	$1308	69%
Median	$1011	71%

Explanatory Notes For Invoice, Jobs, & Margin Table 2020:

Average Invoice was calculated by taking the franchisees total reported invoices & dividing them by the number of franchisees reporting.

Average Margin was calculated by taking the franchisees total reported margins & dividing them by the number of franchisees reporting.

Margin is reported through the scheduling program for the jobs completed. The margin is calculated for each job by the job costing part of the scheduling program where it subtracts the costs input by the franchisee or their staff to directly produce the service, most usually labor, material & sub-contractor costs, from the price the customer is charged. The franchisee or their staff input this data. It is not audited.

The margin calculation does not take into account the cost of any additional labor, additional materials, additional sub contractor costs, marketing costs, office costs, vehicle costs, royalties, rent & insurance costs and any other costs that may be incurred when running the business.

We have also shown the **Median Invoice & Median Margin** as reported by the program. The Median was calculated by sorting the invoices & margins highest to lowest then choosing the middle one in each case.

Some outlets have obtained these results. Your individual results may differ. There is no assurance that you will obtain these results.

In 2020, the COVID-19 virus impacted local, regional and national economies. Our franchised businesses were generally deemed essential businesses under governmental orders and were therefore generally able to continue operating while following CDC, other federal and state issued guidelines. For the year, when we compare our Systemwide US Gross Sales 2020 to our Systemwide US Gross Sales 2019 we show an increase of just over 9%. As of the date of this Disclosure Document, we do not intend to make any changes to our business model as a result of the COVID-19 pandemic.

We strongly urge you to consult with your financial advisor or personal accountant concerning the financial analysis that you should make in determining whether or not to purchase a House Doctors franchise.

Written substantiation of the data used in preparing these sales figures will be made available to you upon reasonable request. The information presented above has not been audited.

Other than the preceding financial performance representations, we do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Jim Hunter, President, at 400 Techne Center Drive, Suite 101, Milford, Ohio 45150, (513) 831-0100, the Federal Trade Commission, and the appropriate state or territorial regulatory agencies.

Note 1: This table reflects projected openings by us (Saltire Brands) as of December 31, 2020, for our fiscal year ending December 31, 2021.

No company-owned locations are projected to be opened in our current fiscal year (2021). The number of new franchised locations projected to be opened in our current fiscal year (2021), as presented in the table above, is an estimate based on the best information we have as of the date of this disclosure document. There is no assurance that the actual number of openings, or the states in which we projected the openings, will be the same as our estimates.

A list of the name, address and telephone number of all House Doctors franchisees is attached to this disclosure document as Exhibit K. A list of the name, last known city, state, and business telephone number of every House Doctors franchisee who has had their franchise terminated, canceled, not renewed, or otherwise voluntarily or involuntarily ceased to do business under the franchise agreement during the most recently completed fiscal year, or who has not communicated with us within 10 weeks of the date of this disclosure document, is attached as Exhibit L.

If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

The franchises being offered in connection with the franchise disclosure document may include previously owned outlets now under our control. In such case, additional information for such outlets for the last five fiscal years is provided in Exhibit O.

In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with the House Doctors system. While we encourage you to speak with current and former franchisees, be aware that not all such franchisees will be able to communicate with you. Some franchisees have signed confidentiality clauses in the last three years.

As of the date of this disclosure document, there are no other trademark-specific franchisee organizations associated with the House Doctors franchise system that we have created, sponsored, or endorsed, and there are no independent trademark-specific franchisee organizations that have asked to be included in our disclosure document.

Item 21 FINANCIAL STATEMENTS

Attached in Exhibit J are our audited financial statements for the years ended December 31, 2018, December 31, 2019, and December 31, 2020.

THIS FRANCHISE AGREEMENT is between SALTIRE BRANDS LLC, an Ohio limited liability company ("Franchisor"), and the Franchisee identified on Exhibit A attached hereto and by this reference incorporated herein.

PREAMBLE:

A. Franchisor has a system and is in the process of further developing a system for the establishment and operation of a distinctive type of business that offers residential and commercial property maintenance, repair and remodeling services.

B. The System (as defined in section 19.47) consists of distinctive methods for marketing and advertising; specially designed business forms and procedures for the efficient operation of a Franchise (as defined in section 19.24); operating manuals and a training course; proprietary software; and procedures for the provision of the Franchisee's services.

C. Franchisor has registered the service mark HOUSE DOCTORS®, and other Marks (as defined in section 19.29) with the United States Patent and Trademark Office, uses other Marks that are not registered with the United States Patent and Trademark Office and claims the right to use the Marks, any derivatives of the Marks, and certain other logos, designs, trade names, business names, trademarks, and commercial symbols in connection with the operation of the System.

D. Franchisor continues to develop, use and control the use of the Marks in order to identify to the public the source of products and services marketed thereunder and through the System, and to represent the System's standards of quality, appearance and services.

E. Franchisor has granted and will continue to grant other parties the right and license to operate a Franchise and to use the Marks and the System under other franchise agreements.

F. Franchisee understands and acknowledges the importance of Franchisor's standards of quality, service and appearance, of operating a Franchise in conformity with Franchisor's standards and specifications as presented in Franchisor's manuals and updates, and of preserving the confidentiality of the System.

G. Franchisee desires to purchase and operate a Franchise in accordance with all of the terms and conditions of this agreement.

THEREFORE, the parties agree as follows:

ARTICLE 1

APPOINTMENT

1.1 Grant of Franchise. Franchisor hereby grants to Franchisee, upon the terms and conditions in this agreement, the right and franchise, and Franchisee undertakes the obligation, to operate the Franchised Business (as defined in section 19.15) using the System, and a license to use the Marks and the System as they may be changed, improved and further developed from time to time, only within the Territory (as defined in section 1.2). Franchisee specifically acknowledges that its Franchise is granted subject to the conditions in sections 1.2 through 1.5 and 8.6 and otherwise as provided in this agreement.

1.2 Territory. The "Territory" is the geographical area described in Exhibit B of this agreement. Franchisor may from time to time determine the size, demographics and other criteria for the geographical area that constitute a Territory. Franchisor has the right to reduce the size of the Territory in accordance

with section 7.7. If for any reason the boundaries or numbers of any ZIP Code(s) that comprise the Territory are moved, altered or eliminated, or any other boundary of the Territory changes (such as the re-routing of a road used as a boundary, for example), Franchisee shall promptly notify Franchisor and Franchisor shall re-define the boundaries of the Territory to correspond as nearly as possible, in Franchisor's Business Judgment, to the original Territory. Franchisor's decision will be final and binding upon Franchisor and Franchisee.

1.3 Territorial Rights and Limitations. So long as Franchisee is in Good Standing (as defined in section 19.22) during the term of this agreement, Franchisor shall not operate or establish or authorize another to operate or establish a House Doctors Franchise in the Territory.

1.4 Reserved Rights of Franchisor. Franchisor specifically reserves all rights not expressly granted to Franchisee in this agreement. Without limiting the generality of the preceding sentence, Franchisor has the right to: (i) own, acquire, establish and operate, and license others to establish and operate, businesses substantially similar to the Franchised Business, whether under the Marks or other proprietary marks, at any location outside the Territory; (ii) develop, acquire, operate and license a system of Competitive Businesses with units located in the Territory, so long as those units do not use the Marks; and (iii) offer and provide services to Special Accounts (subject only to the provisions of section 1.5 below). Other House Doctors Franchisees (as defined in section 19.25) may conduct or participate in advertising and promotional activities that target or are directed to potential customers who reside or work in the Territory (including commercials on television and radio stations that broadcast, and advertisements in newspapers and magazines that circulate, in the Territory).

1.5 Special Accounts. Franchisor has the exclusive right to contract with any Special Account (as defined in section 19.43) for provision of Special Account Services (as defined in section 19.44) regardless of where the account is headquartered and regardless of whether Franchisee or any other House Doctors Franchisee has provided services to the Special Account before Franchisor entered into the contract with the Special Account. If Franchisor establishes a contract for the provision of Special Account Services that include facilities of the Special Account located in the Territory, Franchisor shall offer Franchisee the first option of providing the services to the Special Account at those facilities in the Territory at the prices and subject to the contract requirements negotiated by Franchisor with the Special Account. If Franchisee accepts the project, unless otherwise agreed by Franchisor, Franchisor will collect all amounts due from the Special Account and remit to Franchisee the amount due for services the Franchisee provided to the Special Account, less the amount of Royalties and Advertising Contributions due Franchisor on the amount collected, which Franchisor will retain for its own account. All amounts collected from Special Accounts on Franchisee's behalf or by Franchisee from Special Accounts will be included in Franchisee's Gross Sales for purposes of calculating Royalties and Advertising Contributions due under this agreement. If Franchisee declines to accept the project, Franchisor will have the unfettered right to fulfill the contract requirements to the Special Account in the Territory in any manner it deems suitable in its Business Judgment, including through another House Doctors Franchisee, a Franchisor- or Affiliate-owned business, or a third-party contractor. Additionally, if at any time a Special Account for any reason requests that services in the Territory be provided by someone other than Franchisee, Franchisor may revoke Franchisee's option or right to provide or continue to provide the services, and may fulfill the contract requirements to the Special Account in the Territory in any manner Franchisor deems suitable in its Business Judgment.

ARTICLE 2

TERM; SUCCESSOR FRANCHISE

2.1 Term. Unless earlier terminated as provided in this agreement, the term of this agreement is ten years commencing on the Effective Date (as defined in section 19.13) and ending on the Expiration Date (as defined in section 19.14).

2.2 Successor Franchise. Except for the Post-Termination Provisions (as defined in section 19.39), Franchisee's rights and Franchisor's obligations under this agreement terminate at the Expiration Date. Nothing in this agreement gives Franchisee any right to renew this agreement for an additional term, but, subject to subparagraphs (a) through (f) of this section 2.2, for a period of one year before the Expiration Date, Franchisee will be eligible for a Successor Franchise (as defined in section 19.45) for the Territory, also for a ten-year term to commence the day after the Expiration Date of this agreement. Any Successor Franchise will be on the terms of Franchisor's then-current franchise agreement (which may materially differ, in economic and other aspects, from this agreement and its requirements), but start-up terms (*e.g.*, initial training, phase in of Minimum Quarterly Gross Sales, etc.) will not apply, and Franchisee will not be required to pay another Initial License Fee or Territory Fee (although Franchisee will be required to pay a Successor Franchise Fee). Franchisor will not award Franchisee a Successor Franchise unless and until Franchisee complies with the following conditions:

(a) Franchisee gives Franchisor a written request for a Successor Franchise at least six months, but not more than one year, before the Expiration Date. Within thirty days after its receipt of a timely request, Franchisor shall confirm, in writing, Franchisee's eligibility or ineligibility for a Successor Franchise. If Franchisee has failed to comply with all of the conditions listed in this section 2.2 at the time Franchisor receives the request, Franchisor has the right to refuse to grant Franchisee a Successor Franchise. If Franchisee is ineligible to obtain a Successor Franchise, but the ineligibility is caused by a non-compliance that can be cured, and Franchisor, in its Business Judgment, is willing to consider granting Franchisee a Successor Franchise, Franchisor will notify Franchisee accordingly. Franchisee will be eligible for a Successor Franchise if Franchisee cures the noncompliance within thirty days after Franchisor notifies Franchisee of its ineligibility. Neither Franchisee's request to obtain a Successor Franchise nor Franchisor's failure to advise Franchisee of its ineligibility will affect or impair Franchisor's right to terminate this agreement under Article 13.

(b) Franchisee is in Good Standing and has substantially complied with all of the material terms and conditions of all agreements between Franchisee (or its Principals or Affiliates, as defined in sections 19.40 and 19.3, respectively) and Franchisor (or any of the Franchisor-Related Persons, as defined in section 19.20) during the respective terms thereof.

(c) At least sixty days before the Expiration Date, Franchisee executes Franchisor's then-current form of franchise agreement, which will supersede this agreement in all respects.

(d) At least sixty days before the Expiration Date, unless prohibited by the laws of the state in which Franchisee resides or the Franchised Business is located, Franchisee and each of its Principals and Remote Principals (as defined in sections 19.40 and 19.41) signs and delivers to Franchisor its then-current form of General Release (as defined in section 19.21).

(e) At least thirty days before the Expiration Date, Franchisee complies with Franchisor's then-current qualification and training requirements, including any training requirements specifically designed for Successor Franchisees.

(f) Franchisee pays Franchisor the Successor Franchise Fee (as defined in section 19.46) at the same time that Franchisee gives Franchisor the written request required by section 2.2(a). If Franchisor refuses to grant Franchisee a Successor Franchise, Franchisor shall, at the same time Franchisor notifies Franchisee of the refusal, refund the Successor Franchise Fee paid by Franchisee. The Successor Franchise Fee is not refundable under any other circumstances.

2.3 Continued Operation Following Expiration. Franchisee has no right to continue to operate the Franchised Business after the Expiration Date unless Franchisee is granted a Successor Franchise in accordance with section 2.2. If Franchisor permits Franchisee to continue to operate the Franchised Business after the Expiration Date but before the execution of a Successor Franchise Agreement as required by section 2.2(c), then the temporary continuation of the Franchised Business will be on a month-to-month basis, and will be terminable at the will of Franchisor by giving Franchisee written notice of termination at least thirty days before the termination is effective. If the laws of the jurisdiction in which the Franchisee or the Franchised Business are located require a longer notice period, the thirty-day period will be deemed modified to be the shortest notice period required by the laws of such jurisdiction.

ARTICLE 3

LOCATION OF BUSINESS

Franchisee shall lease, purchase or otherwise secure a suitable Franchise Premises (as defined in section 19.19) for the operation of the Franchised Business. Franchisee may operate the Franchised Business from Franchisee's residence (whether or not Franchisee resides within the Territory) if permitted by, and so long as Franchisee fully complies with, all applicable building, zoning and licensing laws, ordinances, requirements and restrictions. If Franchisee resides outside the Territory, Franchisee must obtain, before opening the Franchised Business, and maintain at all times during the term of this agreement, a mailing address located within the Territory. If Franchisee does not operate the Franchised Business from Franchisee's residence, the Franchise Premises must be located within the Territory. Franchisee shall provide Franchisor with the address of the Franchise Premises prior to opening the Franchised Business, and shall notify Franchisor promptly of any change in the location of the Franchise Premises.

ARTICLE 4

INITIAL FEES

4.1 Initial License Fee. Franchisee shall pay Franchisor an Initial License Fee of $20,000. The Initial License Fee is fully earned, due and payable to Franchisor upon the execution of this agreement. The Initial License Fee is not refundable.

4.2 Territory Fee. Franchisee shall pay Franchisor a Territory Fee of $45,000 upon the execution of this agreement. The Territory Fee is fully earned upon the execution of this agreement and is not refundable.

ARTICLE 5

RECURRING FEES

5.1 Royalty. In consideration of Franchisee's continued right to use the Marks and the System, Franchisee shall pay Franchisor, as a weekly Royalty:

(a) 6% of Franchisee's Gross Sales attributable to sales of services (labor), and

(b) 4% of Franchisee's Gross Sales attributable to sales of goods (materials).

All Royalty payments for each weekly reporting period are due by the following Thursday. The weekly reporting period begins on Monday and ends the following Sunday.

5.2 Minimum Quarterly Royalty. Franchisee shall pay Franchisor, on a quarterly basis, the Royalties payable under section 5.1 or a Minimum Quarterly Royalty, whichever is greater. The Minimum Quarterly Royalty is currently $3,000 in Year 1, $5,000 in Year 2, $6,500 in Year 3, and $7,500 in Year 4 and thereafter. If the Royalties payable on Franchisee's actual Gross Sales during a calendar quarter are less than Franchisee's Minimum Quarterly Royalties, then Franchisee shall pay Franchisor the difference by the fifteenth day of the next calendar quarter. Minimum Quarterly Royalty payments are due on January 15, April 15, July 15, and October 15 of each year.

5.3 Advertising Contribution. Franchisee shall pay to Franchisor, or to any Advertising Fund established under Article 11, a weekly Advertising Contribution of 2% of Franchisee's Gross Sales. All Advertising Contributions for each weekly reporting period are due by the following Thursday.

5.4 Minimum Quarterly Advertising Contribution. Franchisee shall pay Franchisor, on a quarterly basis, the Advertising Contribution payable under section 5.3 or a Minimum Quarterly Advertising Contribution, whichever is greater. The Minimum Quarterly Advertising Contribution is currently $1,000 in Year 1, $1,500 in Year 2, $2,000 in Year 3, $2,500 in Year 4 and thereafter. If the Advertising Contribution payable on Franchisee's actual Gross Sales during each calendar quarter is less than Franchisee's Minimum Quarterly Advertising Contribution, then Franchisee shall pay Franchisor the difference by the fifteenth day of the next calendar quarter. Minimum Quarterly Advertising Contribution payments are due on January 15, April 15, July 15, and October 15 of each year.

5.5 Late Payments and Reports.

(a) Franchisee shall pay to Franchisor (or to the Advertising Fund, as the case may be) a $20.00 late fee on each payment of any kind that is not received by Franchisor within five days after its due date.

(b) Any payment of any kind that is not received by Franchisor within thirty days after its due date will bear interest at the rate of 18% per annum, or the highest rate allowed by law, whichever is lower, from the date payment was due until the date the payment is received by Franchisor, regardless of any subordinate agreement that may be in effect to postpone payment of any fees.

(c) Franchisee shall pay Franchisor a $25.00 late fee each time any report required by section 7.10 or otherwise by this agreement is not received by Franchisor by its due date and time.

5.6 Gross Sales. The term "Gross Sales" means all sales and other income, whether cash or credit (and regardless of collection in the case of credit), less (i) refunds and discounts made to customers in good faith and in accordance with Franchisor's policies, and (ii) sales or excise taxes that are separately stated and that

Franchisee may be required to and does collect from customers and pays to any federal, state, or local taxing authority.

5.7 Electronic Funds Transfer.

(a) Franchisee shall make all payments to Franchisor, the Advertising Funds, or any Affiliate of Franchisor, including Royalties, Advertising Contributions, interest, late fees and legal expenses, through an electronic depository transfer account ("EDT Account") established at a national banking institution approved by Franchisor. Within six months after the Effective Date and before opening the Franchised Business, Franchisee shall establish the EDT Account and execute and deliver to Franchisor an authorization for electronic funds transfer (in substantially the form attached to this agreement as Exhibit D or a form prescribed by or acceptable to Franchisor's and Franchisee's bank) for direct debits from the EDT Account. At all times thereafter during the term of this agreement, Franchisee shall ensure that Franchisor has access to Franchisee's EDT Account for purposes of receiving electronic funds transfer payments, and Franchisee shall comply with procedures specified by Franchisor and perform such acts as may be necessary to accomplish payment by electronic funds transfer. Franchisee hereby authorizes Franchisor to initiate debit entries and credit correction entries to the EDT Account for payment of Royalties, Advertising Contributions, legal expenses, interest, late fees and other any amounts payable to Franchisor or any Affiliate of Franchisor. Franchisee shall make funds available in its EDT Account in sufficient amounts to meet its obligations as they become due. If any debit properly initiated by Franchisor from Franchisee's EDT Account is denied or charged back due to nonsufficient funds or the closing of the EDT Account, Franchisee shall pay Franchisor a $25.00 charge-back fee and reimburse Franchisor for all bank and transaction charges incurred by Franchisor as the result of the charge-back. Once established, Franchisee may not close the EDT Account without Franchisor's consent.

(b) If Franchisee has not timely reported Franchisee's Gross Sales to Franchisor for any reporting period, then Franchisor shall debit Franchisee's EDT Account an amount equal to the late fee prescribed by section 5.5(c), plus 125% of the amounts payable by Franchisee for the Royalty and Advertising Contribution for the last reporting period for which Franchisee reported its Gross Sales. If the amounts debited are less than the amounts Franchisee actually owes (once Franchisor determines Franchisee's true Gross Sales for the reporting period), Franchisor shall debit the EDT Account for the balance of the Royalty and Advertising Contribution due on the date specified by Franchisor. If the amounts debited are greater than the amounts Franchisee actually owes (once Franchisor determines Franchisee's true Gross Sales for the reporting period), Franchisor shall credit the excess (without interest) against the amount Franchisor otherwise would debit from the EDT Account the week after Franchisor determines Franchisee's true Gross Sales for the reporting period. Nothing in this paragraph is to be construed to waive, postpone or suspend Franchisee's obligations to submit any reports, records, or other materials required by this agreement. Franchisee acknowledges that its failure to accurately report Gross Sales when due constitutes grounds for the termination of this agreement, notwithstanding this paragraph.

5.8 Convention Fee. If Franchisor holds a national convention for House Doctors Franchisees as described in section 7.19, Franchisee shall pay Franchisor the convention fees as specified in Section 7.19.

5.9 Taxes on Amounts Paid to Franchisor. All payments required to be made by Franchisee to Franchisor shall be the gross amount determined according to the applicable paragraph, without deduction for any sales, use, withholding, gross receipts, income, or other taxes that may be levied or assessed on the payments by any state, county, or municipality in which the Franchised Business is located or operates, in which Franchisee resides, or which otherwise possesses the power to tax Franchisee or the Franchised

Business. Franchisee shall remit to the appropriate taxing authorities all sales, use, withholding, gross receipts, or other taxes (other than income taxes) levied or assessed on amounts paid by Franchisee to Franchisor which would otherwise be due from Franchisor, shall promptly deliver to Franchisor receipts of applicable governmental authorities showing that all such taxes were properly paid in compliance with applicable law, and shall indemnify and defend Franchisor and hold Franchisor harmless from and against all liability for such taxes (including interest and penalties thereon). Franchisee shall fully and promptly cooperate with Franchisor to provide such information and records as Franchisor may request in connection with any application by Franchisor to any taxing authority with respect to any tax credits.

5.10 Successor Franchise Agreement. The Minimum Quarterly Royalties and the Minimum Quarterly Advertising Contributions for a Successor Franchise will be based on Year 4 and ongoing requirements for the entire term of the Successor Franchise Agreement.

5.11 Application of Payments. As to Franchisee and any Affiliate of Franchisee, Franchisor has the right to: (i) apply any payments received to any past due, current, future or other indebtedness of any kind in Franchisor's Business Judgment, regardless of how payment is designated by Franchisee or any other person; (ii) set off, from any amounts that may be owed by Franchisor, any amount owed to Franchisor or any Advertising Funds; and (iii) retain any amounts received for Franchisee's account (and/or that of any Affiliate of Franchisee), whether rebates from suppliers or otherwise, as a payment against any amounts owed to Franchisor. Franchisor can exercise any of the foregoing rights in connection with amounts owed to or from Franchisor, any Franchisor-Related Person, and/or any Advertising Funds.

5.12 Currency. Unless otherwise specified, all references to money in this agreement mean United States Dollars.

ARTICLE 6

DUTIES OF FRANCHISOR

6.1 Assistance by Franchisor. Franchisor, at its sole expense and cost, shall provide the following assistance and materials to Franchisee:

(a) the initial training described in section 7.1 for up to two individuals, one of whom must be either Franchisee or the Designated Manager;

(b) a list of all equipment necessary to operate the Franchised Business;

(c) a current set of advertising and promotional templates;

(d) approved and readily available sources for purchasing supplies, advertising and marketing materials, computer hardware and software, and other items necessary for the operation of the Franchised Business;

(e) periodic assistance to the extent Franchisor deems necessary in its Business Judgment; and

(f) periodic newsletters, bulletins, and such other materials, information and assistance as Franchisor may from time to time deem necessary in its Business Judgment.

6.2 Business Forms. Franchisor shall furnish Franchisee with the business and reporting forms for use by Franchisee in the Franchised Business. Upon request, Franchisor will provide Franchisee with specifications for the proper preparation of the business and reporting forms, which Franchisee may purchase from a supplier who has complied with Franchisor's supplier approval guidelines as described in

section 7.5. Because all business and reporting forms will bear the Marks, Franchisor may require any supplier to execute a license agreement specifying the manner in which the Marks are to be imprinted, the required text on the forms, and other necessary specifications and standards for the preparation of the forms.

6.3 Manual. Franchisor shall loan Franchisee, at no charge to Franchisee, one copy of Franchisor's current Manual as described in Article 9, which may consist of one or more volumes and may be provided digitally via the Franchisee Intranet, compact disk, DVD or other medium.

ARTICLE 7

DUTIES OF FRANCHISEE

7.1 Training. Within six months after the Effective Date and before opening the Franchised Business, either Franchisee or the Designated Manager shall complete, to Franchisor's satisfaction, Franchisor's initial training program for new franchisees, either virtually or at Franchisor's corporate headquarters or other facility designated by Franchisor, as reasonably determined by Franchisor. If Franchisee or the Designated Manager fails to complete the initial training program to Franchisor's satisfaction within six months after the Effective Date, then Franchisor may terminate this agreement without refunding any money paid by Franchisee. Franchisee or the Designated Manager also shall attend and complete, to Franchisor's satisfaction, all additional training programs reasonably required by Franchisor from time to time. Franchisor, at its option, may charge Franchisee a fee for any additional training. Training programs may be held, in Franchisor's Business Judgment, virtually, at Franchisor's corporate headquarters, a convention or national or regional meeting site, or any other facility designated by Franchisor. In connection with all such training, Franchisee is responsible for all expenses incurred by Franchisee or its trainees, including the cost of travel, lodging, meals, wages and training fees charged by Franchisor.

7.2 System Standards. Franchisee acknowledges and agrees that every detail of the System is important, not only to Franchisee but also to Franchisor and other House Doctors Franchisees, in order to develop and maintain high and uniform operating standards, to increase the demand for the products and services sold by all House Doctors Franchisees, to establish and maintain a reputation for providing uniform, efficient, and high-quality services, and to protect the goodwill of all House Doctor franchises. Franchisee further acknowledges and agrees that a fundamental requirement of the System, this agreement, and other House Doctors Franchises is adherence by all House Doctors Franchisees to the System Standards (as defined in section 19.48). Accordingly, Franchisee shall comply with each and every System Standard, as periodically modified and supplemented by Franchisor in its Business Judgment, during the term of this agreement. Franchisee further agrees that System Standards prescribed from time to time in the Manual or otherwise communicated to Franchisee in writing will constitute provisions of this agreement as if fully set forth in this agreement. All references to this agreement include all System Standards as periodically modified.

7.3 Authorized Products and Services. Franchisee shall offer and sell all Authorized Products and Services (as defined in section 19.5) and only Authorized Products and Services. Franchisor may unilaterally add products or services to the Authorized Products and Services in its Business Judgment at any time. Franchisor may also designate any Authorized Products and Services as optional. Franchisee shall offer and honor a one-year warranty on Franchisee's services as described in the Manual from time to time.

7.4 Equipment.

(a) Franchisee shall purchase and install, at Franchisee's expense, all fixtures, furnishings, signs, the Communication and Information System described in section 7.18, the service vehicles described in section 7.4(b), and other equipment specified by the System Standards as modified from time to time; and shall not permit the installation of any fixtures, furnishings, signs, software, or equipment that do not conform to the System Standards as modified from time to time.

(b) To protect the best interests of all franchisees, Franchisor has established specifications and guidelines for the acceptable appearance and use of all House Doctors service vehicles and signage, including the color and use of the House Doctors logo decals. Franchisee shall use the service vehicles solely for the operation of the Franchised Business in compliance with this agreement. Franchisee shall ensure that its service vehicles present a professional image in conformance with the System Standards, and shall maintain them in good repair and safe condition, which may include the repair or replacement of damaged, worn-out or obsolete equipment, signs and service vehicles. Franchisee shall modify, re-equip and refurbish its service vehicles at reasonable intervals as Franchisor directs, to accommodate changes in the System Standards as required of new House Doctors Franchisees (provided that Franchisee will have a reasonable time period remaining under this agreement to amortize the costs of service vehicle improvements). Franchisee shall place or display on the service vehicles only signs, emblems, lettering, logos, and display and marketing materials approved by Franchisor. If at any time in Franchisor's Business Judgment, the general state of repair, appearance or cleanliness of Franchisee's service vehicles, or any fixtures, equipment, or signs used in the Franchised Business, do not meet Franchisor's standards, Franchisor will notify Franchisee, specifying the action required to correct the deficiency. If Franchisee does not correct the deficiency within thirty days, Franchisor has the right (in addition to Franchisor's rights under Article 13) to prohibit Franchisee from using any substandard service vehicle, and the right, but not the obligation, to correct the deficiencies on Franchisee's behalf, and Franchisee shall reimburse Franchisor upon demand for all costs incurred by Franchisor to correct the deficiencies.

7.5 Supplier Approval. Franchisee shall purchase all furnishings, fixtures, signs, supplies and other products, materials and services required for the operation of the Franchised Business solely from suppliers (including manufacturers, distributors, wholesalers and brokers) who have been approved or designated by Franchisor. Franchisor will base its approval of suppliers upon a variety of factors, including their ability to meet Franchisor's then current standards and specifications; their quality controls; their capacity to supply Franchisee's needs promptly and reliably; and their prices. Franchisee recognizes that because of price discounts, benefits or other legitimate sales incentives, Franchisor may require Franchisee to participate with Franchisor or other House Doctors Franchisees when purchasing certain items, products or services to be sold or utilized in the Franchised Business. If Franchisee desires to purchase any items from an unapproved supplier, Franchisee shall submit to Franchisor a written request for approval or request the supplier itself to do so. Franchisor shall have the right to require that its representatives be permitted to inspect the supplier's facilities, and that samples from the supplier be delivered, at Franchisor's option, either to Franchisor or to an independent certified laboratory designated by Franchisor, for testing, and the actual cost for the tests shall be paid by Franchisee or the supplier. Franchisor will try to notify Franchisee of Franchisor's approval or disapproval within fifteen days after Franchisor receives all information requested by Franchisor. Franchisor has the right, in its Business Judgment, to reinspect the facilities and products of any approved supplier, and to revoke its approval upon the supplier's failure to continue to meet any of Franchisor's criteria. Franchisor and its Affiliates have the right to receive rebates, discounts, allowances, and other payments from suppliers in respect of group purchasing programs and otherwise on

account of the suppliers' dealings with Franchisee and other House Doctors Franchisees, which Franchisor is entitled to retain and use without restriction for any purpose and without accounting to Franchisee.

7.6 Business Operation. Franchisee shall open the Franchised Business no later than six months after the Effective Date, or, with Franchisor's prior written approval, such longer period as may be required to comply with governmental licensing requirements. Franchisee shall notify Franchisor of the Opening Date on or before the Opening Date. After the Opening Date, Franchisee shall maintain the Franchised Business in continuous operation during the term of this agreement. Franchisee shall not use or permit the use of the Franchise Premises for any purpose or activity other than the operation of the Franchised Business without first obtaining the written consent of Franchisor. This restriction does not apply if the Franchise Premises is located in Franchisee's residence.

7.7 Minimum Quarterly Gross Sales

a) Franchisee's Gross Sales for each calendar quarter must equal or exceed the applicable "Minimum Quarterly Gross Sales" as established by Franchisor from time to time. Franchisee's failure to achieve or exceed the Minimum Quarterly Gross Sales for two consecutive calendar quarters is a material breach of this agreement, for which Franchisor, in addition to its other legal and equitable remedies, may terminate this agreement in accordance with section 13.2 or reduce the geographic size of the Territory. The current Minimum Quarterly Gross Sales are set forth in the table below:

Minimum Quarterly Gross Sales Year 1	$50,000
Minimum Quarterly Gross Sales Year 2	$75,000
Minimum Quarterly Gross Sales Year 3	$100,000
Year 4 & ongoing for the term of this franchise agreement	$125,000

(b) For purposes of this franchise agreement:

(i) "Year 1" is the period that begins on the Opening Date and ends on and includes the last day of the calendar quarter in which the first anniversary of the Opening Date occurs; "Year 2" is the one-year period that begins on and includes the first day of the calendar quarter following the end of Year 1; Years 3, 4 and later years are the following twelve month periods. For example, for an Opening Date of May 23, 2009, Year 1 begins on that date and ends on June 30, 2010; Year 2 begins on July 1, 2010 and ends on June 30, 2011; Year 3 begins on July 1, 2011 and ends on June 30, 2012; and so on. Year 1, Year 2 and each other such year is referred to as a "Numbered Year" in this franchise agreement.

(ii) The quarters to which the Minimum Quarterly Gross Sales will apply are calendar quarters beginning, respectively, on January 1, April 1, July 1 and October 1; except, for Year 1, the first quarter begins on the Opening Date and ends on the last day of the first calendar quarter that starts after the Opening Date. For example, for an Opening Date of May 23, the first quarter

to which Minimum Quarterly Gross Sales applies begins on May 23 and ends on September 30, and the second quarter to which Minimum Quarterly Sales applies begins on October 1 and ends on December 31.

c) Franchisor may adjust the Minimum Quarterly Gross Sales table from time to time. Such adjustments will be based on the performance of Franchisor's franchisees.

d) The Minimum Quarterly Gross Sales for a Successor Franchisee will be based on the Year 4 and ongoing requirements for the entire term of Successor Franchisee franchise agreement.

e) Franchisee acknowledges that the Minimum Quarterly Gross Sales amounts in the above table do not constitute, and are not in the nature of, "earnings claims" or "financial performance representations." Franchisor disclaims any representation, warranty, or guarantee that Franchisee can or will achieve levels of sales necessary to comply with the Minimum Quarterly Gross Sales amounts above, or any other level or range of sales, income, or other measures of performance. As a practical business matter, Franchisor is unable to reliably estimate or predict the future financial or other results of any House Doctors Franchisee, and is unable to reliably estimate or predict Franchisee's potential results.

Franchisee specifically understands that section 7.7 above permits Franchisor to terminate this franchise agreement or reduce the size of Franchisee's Territory if Franchisee fails to achieve or exceed the applicable Minimum Quarterly Gross Sales for two consecutive quarters.

_____ Initials of Franchisee or individual signing on behalf of Franchisee

7.8 Management of Franchised Business. At all times during the term of this agreement, Franchisee or the Designated Manager shall devote his or her full time, energy, and best efforts to the management and operation of the Franchised Business. The Franchised Business must at all times be under the direct supervision of Franchisee or the Designated Manager.

7.9 Payment of Liabilities and Taxes. Franchisee shall pay its distributors, lessors, contractors, suppliers, trade creditors, employees, and other creditors promptly as the debts and obligations to such parties become due, and pay all taxes on real and personal property, leasehold improvements, and fixtures and equipment, and all sales and use, income, payroll and other taxes promptly when due, and shall hold Franchisor harmless therefrom. All taxes shall be paid directly to the appropriate taxing authority prior to the delinquent date. If Franchisee fails to pay any such obligations promptly as they become due, or if any taxes become delinquent, Franchisor, in addition to its other remedies provided in this agreement, may pay any obligation or tax on behalf of Franchisee, together with any late charges, penalties, and interest, if any, and Franchisee shall, upon demand, reimburse Franchisor for any sums Franchisor has paid, together with interest at the rate of 18% per annum, or the highest rate allowed by law, whichever is less, from the date of payment by Franchisor to the date of reimbursement by Franchisee.

7.10 Records and Reports. Franchisee shall maintain and preserve, for at least six years after the date of their preparation, full, complete and accurate books and records of account, prepared in accordance with generally accepted accounting principles, and customer files and records, all in the form and manner prescribed by Franchisor in the Manual or otherwise in writing. In connection with its maintenance of such accounts and records, Franchisee, at its expense, shall:

(a) Submit to Franchisor, by 5:00 p.m. Eastern Time on Wednesday of each week, a Gross Sales report in the form prescribed by Franchisor, certified by Franchisee or by the Designated Manager, accurately reflecting Franchisee's Gross Sales during the preceding weekly reporting period ending on Sunday, and such other data or information as Franchisor may require;

(b) Submit to Franchisor, by the last day of each calendar month, an income statement, certified by Franchisee or by the Designated Manager as accurately reflecting the results of operations of the Franchised Business for the preceding calendar month;

(c) Submit to Franchisor, by April 30 of each year, an income statement and balance sheet, certified by Franchisee or by the Designated Manager as accurately reflecting the results of operations of the Franchised Business for the preceding calendar year and the financial condition of the Franchised Business as of December 31 of the preceding calendar year, together with such other information as may be prescribed by Franchisor;

(d) Submit to Franchisor signed copies of the federal income tax return for the previous tax year, as filed with the Internal Revenue Service, of Franchisee and of any Affiliate of Franchisee, on or before April 30 of each year or, if the taxpayer has received an extension of time to file and Franchisee submits to Franchisor a signed, file-stamped copy of IRS Form 4868 or 2688, as applicable, by April 30, then within fifteen days after the final due date for such return, but in no event later than October 30 of each year;

(e) Submit to Franchisor, within one month after the end of each calendar quarter, an itemized report of Franchisee's Local Advertising expenditures for each month in such quarter (and, if requested by Franchisor, receipts for all Local Advertising expenditures) as required by section 11.8;

(f) Submit to Franchisor, within ten days after request, such other forms, reports, bank statements, customer files, records, information and data as Franchisor may reasonably request;

(g) Use only the chart of bookkeeping accounts prescribed by Franchisor in the Manual or otherwise communicated to Franchisee;

(h) Purchase and install such equipment as Franchisor may require to automate the reporting of financial information and the payment of recurring fees by Franchisee pursuant to this agreement, including Internet or intranet reporting and pre-authorization of electronic funds transfer or bank debit; and

(i) At all times during the term of this agreement and for a period of three years after the termination or expiration of this agreement, permit Franchisor or its designated agents at all reasonable times to examine, at Franchisor's expense and at such location as Franchisor may reasonably select, Franchisee's books and records of account, bank statements, canceled checks, customer files, federal, state and local income tax, sales tax, and payroll tax returns, and any other information or records pertaining to the Franchised Business or which Franchisee is required to maintain under this agreement (hereafter referred to as Franchisee's "Business Records"). If, as a result of any inspection, Franchisor determines that Franchisee has understated its Gross Sales (as defined in section 5.6) in any report to Franchisor, then Franchisee shall immediately pay the Royalty and Advertising Contribution payable on the amount of the understatement, plus the late fee and interest imposed by section 5.5. In addition, if, as a result of any inspection, Franchisor determines that Franchisee has understated its Gross Sales by 3% or more for any weekly period, or if an inspection is prompted by Franchisee's failure to maintain any records or to timely submit

any report or other information required by this agreement, then Franchisee shall reimburse Franchisor for all costs and expenses of the inspection (including wages paid by Franchisor to its employees, travel expenses, and reasonable accounting and legal expenses). The foregoing remedies are in addition to any other remedies Franchisor may have under this agreement or at law or in equity. Franchisor may also, at all times during the term of this agreement and for a period of three years after the termination or expiration of this agreement, retain an independent party to audit Franchisee's Business Records. The terms of this paragraph will survive the expiration, termination or cancellation of this agreement.

7.11 Insurance.

(a) Before opening the Franchised Business and thereafter at all times during the entire term of this agreement, Franchisee, at its own expense, shall obtain and keep in force by advance payment of premium:

(1) All-Risk Insurance on all furniture, fixtures, equipment, supplies and other property used in the operation of the Franchised Business, for its full replacement cost;

(2) Commercial General Liability Insurance covering claims for bodily and personal injury, death, and property damage with a minimum per occurrence limit of $1,000,000 and a minimum general aggregate limit of $2,000,000;

(3) Automobile Liability Insurance for owned, hired, and non-owned vehicles with a minimum combined single limit of $1,000,000;

(4) Employee Dishonesty Insurance with a minimum limit of $10,000; and

(5) Worker's Compensation Insurance that complies with the statutory requirements of the state in which the Franchised Business is located and Employers' Liability Insurance with a minimum limit of $100,000 or, if greater, the statutory minimum limit if required by state law.

(b) Franchisee shall maintain such other insurance as may be required by statute or rule of the state or locality in which the Franchised Business is located and operated, and as may be required by any lease to which Franchisee is a party. All policies of insurance that Franchisee is required to maintain hereunder shall contain a separate endorsement naming Franchisor as an additional insured, as its interest may appear, and shall have a deductible of not more than $5,000. All insurance shall be placed with an insurance carrier or carriers approved in writing by Franchisor and shall not be subject to cancellation except upon ten days written notice to Franchisor. Franchisee shall submit to Franchisor, before opening the Franchised Business, certifications of insurance (with a copy of the original policy and endorsements attached) and a workers' compensation certificate of premium payment, showing full compliance with the requirements of this paragraph, and shall keep current certifications (that is, copies of policies and endorsements) on deposit with Franchisor at all times during the term of this agreement. Franchisee shall not open or operate the Franchised Business until Franchisee has complied with all of the requirements of this paragraph. If Franchisee fails to comply with these requirements, Franchisor has the right (but is not obliged) to obtain the required insurance and keep it in force and effect, and Franchisee shall pay Franchisor, upon demand, the cost thereof, together with interest thereon at the rate of 18% per annum, or the highest rate allowed by law, whichever is less. Franchisor, upon not less than thirty days written notice to Franchisee, may reasonably increase the minimum coverage for any insurance required hereunder, decrease the maximum deductible, or require different or additional

kinds of insurance coverage to reflect inflation, changes in standards of liability, higher damage awards, or other relevant changes in circumstances. The terms of this paragraph will survive the expiration, termination or cancellation of this agreement.

7.12 Non-Individual Franchisee. If Franchisee is not an individual, it shall comply with the following requirements before its execution of this agreement:

(a) Franchisee shall be newly organized and its articles of incorporation or organization, bylaws, partnership agreement, or operating agreement shall provide that its activities are confined exclusively to operating the Franchised Business.

(b) Franchisee shall provide Franchisor with written information about each Principal of Franchisee and the interest of each on Exhibit A hereto, and shall promptly notify Franchisor of any changes in any such information during the term of this agreement;

(c) All Principals of Franchisee shall enter into a Guaranty and Assumption of Obligations, in a form satisfactory to Franchisor, unconditionally guaranteeing the full payment and performance of Franchisee's obligations to Franchisor.

(d) Each ownership certificate of Franchisee must have conspicuously endorsed upon its face the following legend:

> "The transfer, sale or pledge of these shares is subject to the terms and conditions of a Franchise Agreement with Saltire Brands LLC."

If Franchisee is a partnership or limited liability company without certificates evidencing ownership, Franchisee shall provide Franchisor with acceptable evidence that its partnership or operating agreement or other organizational documents contain provisions acceptable to Franchisor prohibiting the Transfer (as defined in section 19.53) of any Ownership Interest in Franchisee (as defined in section 19.37) other than in compliance with the terms of this agreement. Franchisee shall not cause or permit any such provision to be deleted or modified during the term of this agreement.

(e) Franchisee shall furnish Franchisor for its approval copies of Franchisee's articles of incorporation or organization, by-laws, partnership agreement, and/or operating agreement, as the case may be, and other organizational documents, including the resolutions of its Principals or governing board authorizing the execution of this agreement.

(f) Franchisee's name may not contain any of the Marks or any colorable variation thereof.

7.13 Compliance with Law. Franchisee shall comply with all laws, regulations and requirements of federal, state, municipal, and other governmental entities and agencies (including fictitious or assumed name statutes, Title VII of the Civil Rights Act, the Americans with Disabilities Act, the Age Discrimination in Employment Act, and any other federal, state or local employment laws), and obtain and maintain any and all licenses and permits required by any governmental agencies or otherwise necessary to conduct the Franchised Business in any jurisdiction in which it operates. Franchisee agrees and acknowledges that Franchisee alone is responsible for compliance with the obligations under this paragraph and that Franchisor has no obligation to Franchisee or any other person for Franchisee's compliance under this paragraph. Franchisee specifically acknowledges and agrees that its indemnification responsibilities in Article 17 include Franchisee's obligations under this paragraph. In connection with its obligations under this paragraph, Franchisor hereby consents for Franchisee to disclose to Franchisee's legal counsel, for the

purpose of ensuring compliance with and enforceability under state and local law, any and all forms, agreements and other documents provided by Franchisor for use in the Franchised Business.

7.14 Compliance with USA Patriot Act. Franchisee certifies that neither Franchisee nor any of its Affiliates, Principals or employees is listed in the Annex to Executive Order 13224 ("the Annex"). Franchisee shall not hire or have any dealings with a person listed in the Annex. Franchisee certifies that it has no knowledge or information that, if generally known, would result in Franchisee or any of its Affiliates, Principals or employees being listed in the Annex. Franchisee shall comply with and/or assist Franchisor to the fullest extent possible in Franchisor's efforts to comply with the Anti-Terrorism Laws (as defined in section 19.4). In connection with such compliance, Franchisee certifies, represents and warrants that none of its property or interests is subject to being "blocked" under any of the Anti-Terrorism Laws and that Franchisee and its Affiliates and Principals are not otherwise in violation of any of the Anti-Terrorism Laws. Franchisee is solely responsible for ascertaining what actions must be taken by Franchisee to comply with all Anti-Terrorism Laws, and Franchisee specifically acknowledges and agrees that its indemnification responsibilities in Article 17 include Franchisee's obligations under this section 7.14. Any misrepresentation by Franchisee under this paragraph or any violation of the Anti-Terrorism Laws by Franchisee, its Affiliates, Principals or employees, will constitute grounds for immediate termination of this agreement and any other agreement between any Franchisor-Related Person and Franchisee or any of its Affiliates, Principals or employees.

7.15 Customer Dispute Resolution. Franchisee acknowledges that customer satisfaction is essential to Franchisee's success as well as the reputation and success of the Marks, the System and other House Doctors Franchisees. Accordingly, Franchisee agrees to: (i) use its best efforts to ensure the satisfaction of each of Franchisee's customers; (ii) use good faith in all dealings with customers, potential customers, referral sources, suppliers and creditors; (iii) respond to customer complaints in a courteous, prompt, and professional manner; (iv) use its best efforts to promptly and fairly resolve customer disputes in a mutually-agreeable manner; and (v) honor, in accordance with their terms, all written product and service warranties provided by Franchisee in connection with its Franchised Business. If Franchisee fails to resolve a dispute with a customer, for any reason whatsoever, Franchisor, in its Business Judgment and for the sole purpose of protecting the goodwill and reputation of the Marks, may (but shall not be obligated to) investigate the matter and require Franchisee to take such actions as Franchisor may deem necessary or appropriate to resolve the dispute fairly and promptly. Nothing contained in this section or in any other provision of this agreement shall be construed to impose liability upon Franchisor to any third party for any action by or obligation of Franchisee.

7.16 Background Review of Employees. Franchisee acknowledges and understands that Franchisee's employees will be entering the homes of Franchisee's customers and other persons to sell and provide Authorized Products and Services. Accordingly, to ensure the safety of Franchisee's customers and other persons, and to protect Franchisor's Marks and the reputation of the System: (a) before hiring any prospective employee, Franchisee shall conduct a background review of the prospective employee history, and update each employee's background review from time to time; and (b) Franchisee shall not hire any individual or retain any employee for any position involving entrance to any residence if the prospective employee's background review indicates, in Franchisee's reasonable judgment, a propensity for violence, dishonesty, or negligent, reckless or careless behavior. Franchisor is not liable to Franchisee, any employee or prospective employee of Franchisee, or any other person for any act or omission of Franchisee or any employee or agent of Franchisee. Franchisee specifically acknowledges and agrees that its indemnification responsibilities in Article 17 include Franchisee's (i) obligations under this paragraph (ii) any claims, demands or actions arising from any act or omission of Franchisee or any employee or agent of Franchisee

relating to refusal to hire, negligent hiring, or employment discrimination, and (iii) claims asserted by third parties for intentional torts allegedly committed by any employee or agent of Franchisee.

7.17 Designated Manager. Franchisee shall designate, subject to Franchisor's reasonable approval, a "Designated Manager" who will be responsible for general oversight and management of the operations of the Franchised Business on behalf of Franchisee. The Designated Manager must attend and successfully complete the initial training program and such other training programs as Franchisor may from time to time require during the term of this agreement. Franchisee acknowledges and agrees that Franchisor has the right to rely upon the Designated Manager to have been given, by Franchisee, decision-making authority and responsibility regarding all aspects of the Franchised Business. If the person designated as the Designated Manager dies, becomes incapacitated, leaves Franchisee's employ, transfers his/her interest in Franchisee, or otherwise ceases to supervise the operations of the Franchised Business, Franchisee shall promptly designate a new Designated Manager, subject to Franchisor's reasonable approval.

7.18 Communication and Information System. To ensure the efficient management and operation of the Franchised Business and the transmission of data to and from Franchisor, Franchisee, at its own expense, shall install, prior to opening the Franchised Business, and shall maintain and utilize during the term of this agreement, the Communication and Information System specified by the System Standards from time to time.

(a) As used in this agreement, the term "Communication and Information System" means: computer hardware (including one or more computers and/or other computer components); computer software for the management and operation of the Franchised Business and reporting and sharing information with Franchisor; and communication systems (including digital and analog modems, satellite, cable and other systems).

(b) Franchisee shall lease and/or purchase its Communication and Information System only from suppliers that Franchisor has approved in writing pursuant to section 7.5. Franchisee shall not install, or permit to be installed, any devices, software or other programs not approved by Franchisor for use with the Communication and Information System.

(c) Franchisor may from time to time develop or authorize others to develop proprietary computer applications for use in the System, which Franchisee may be required to purchase and/or license and use in the operation of the Franchised Business. Franchisee shall execute any license, sublicense or maintenance agreement required by Franchisor or any other approved licensor or supplier of proprietary computer applications designated by Franchisor. Franchisee agrees that Franchisor has no liability to Franchisee or any other person for any damages, costs or expenses caused by Third-Party Software (as defined in section 19.52).

(d) If required by Franchisor, Franchisee shall obtain and maintain a contract with a supplier that Franchisor has approved in writing for software maintenance, support, and upgrade services for Franchisee's Communication and Information System and to provide Franchisee with such assistance as Franchisee and Franchisee's employees may require. Franchisee acknowledges that Franchisor may be one of, or the only, approved supplier for such services, and if Franchisee obtains these services from Franchisor, then Franchisee shall pay Franchisor any fees, if any, required by Franchisor for the services. Notwithstanding Franchisor's right to provide such services, this paragraph does not obligate Franchisor to provide any such services or support for the hardware or software used in the Communication and Information System.

(e) Franchisor may modify the Communication and Information System specifications as needed from time to time to maximize the operation of the software, to maintain access to the

Franchisee Intranet, or to foster the efficient operation and management of the Franchised Business. Franchisee shall make all Enhancements to its Communication and Information System in the manner and when specified by Franchisor in accordance with section 9.3.

(f) Franchisee shall have the sole and complete responsibility for the manner in which Franchisee's Communication and Information System interfaces with other systems, including those of Franchisor and other third parties, as well as any and all consequences that may arise if Franchisee's Communication and Information System is not properly operated, maintained and upgraded.

(g) Franchisee shall: (a) promptly enter into its Communication and Information System and maintain all information required to be entered and maintained by Franchisor; (b) provide to Franchisor such reports as Franchisor may reasonably request from the data so collected and maintained, and (c) permit Franchisor to access Franchisee's Communication and Information System at all times by any commercially available means specified by Franchisor from time to time. Franchisee shall cooperate with Franchisor, and shall execute all documents required by Franchisor, to permit access to Franchisee's Communication and Information System and data contained therein. The reporting requirements in this section are in addition to and not in lieu of the reporting requirements in section 7.10.

(h) Any and all data collected or provided by Franchisee, downloaded from Franchisee's Communication and Information System, or otherwise collected from Franchisee by Franchisor or provided to Franchisor, is and will be owned exclusively by Franchisor, who has the right to use the data in any manner without compensation to Franchisee. Franchisee is hereby licensed, without additional compensation, to use such data solely for the purpose of operating the Franchised Business. This license will automatically and irrevocably expire, without additional notice or action by Franchisor, when this agreement terminates or expires.

(i) Franchisee shall maintain at least one dedicated telephone line for use exclusively by the Franchised Business. Each telephone line shall have service features as required by Franchisor in the Manual or otherwise communicated to Franchisee from time to time. Franchisor may require Franchisee to provide a full-time employee or answering service to answer Franchisee's telephone during regular business hours. All lines shall be operational and functional before opening the Franchised Business and thereafter at all times. The telephone number for the Franchised Business must be listed in a white-pages telephone directory under the Trade Name and an address or other location within the Territory.

(j) Before opening the Franchised Business and thereafter at all times, Franchisee shall obtain and maintain a high-speed Internet connection. Franchisee hereby authorizes Franchisor to communicate with Franchisee via electronic mail.

(k) Franchisor has the right, but not the obligation, to establish a Franchisee Intranet (as defined in section 19.17) in its Business Judgment. If required by Franchisor, Franchisee shall establish and maintain access to and use the Franchisee Intranet in the manner specified by Franchisor. Franchisor may, in its Business Judgment, use the Franchisee Intranet to provide various forms of training and other assistance to Franchisee, to provide access to the Manual and updates thereto, for House Doctors Franchisees to file financial and other reports required by Franchisor, for general communications between Franchisor and House Doctors Franchisees and among House Doctors Franchisees, and for such other purposes as Franchisor may authorize or require from time to time. Franchisee shall use the Franchisee Intranet for those purposes

designated by Franchisor and shall execute the Terms of Use Agreement (as defined in section 19.49), as it may be modified by Franchisor from time to time. Franchisee understands that the Franchisee Intranet may be inaccessible if Franchisee does not agree to or abide by any required Terms of Use, maintain the required Communication and Information System, or maintain a high-speed connection to the Franchisee Intranet. Franchisor is not responsible for any damages incurred by Franchisee in such event or that may arise due to any Internet service provider failing to provide service.

7.19 Attendance at Franchisee Meetings and Conventions. Franchisor may, but is not obligated to, hold a national convention and national and/or regional meetings with Franchisor's personnel and House Doctors Franchisees at locations designated by Franchisor, to provide additional training, exchange sales, operating and marketing ideas and methods, introduce new software, marketing programs, promotional items and/or products, and for any other purpose determined by Franchisor. Franchisee or the Designated Manager shall attend all national and/or regional meetings designated by Franchisor as mandatory. Since our conventions are designed to benefit the franchise businesses and introduce franchisees to any new improvements in the House Doctors model, attendance at the conventions is mandatory and Franchisee shall pay the convention attendance fees (which are designated by Franchisor). In addition to any fees Franchisee must pay for convention attendees, Franchisee will also be required to pay the convention attendance fee for one attendee for each convention that neither Franchisee nor its Designated Manager attends. Nothing in this agreement is to be construed to require Franchisor to hold, provide, sponsor, host or organize any conventions or meetings.

7.20 Covenants of Employees and Agents. Franchisee shall require each of its management employees (except those individuals required to execute a Nondisclosure and Noncompetition Agreement pursuant to section 15.9), at the time of the commencement of their association with Franchisee, to execute an "Engagement Agreement" containing provisions:

(a) requiring that all Confidential Information (as defined in section 10.1) that may be acquired by or imparted to the person in connection with their association with Franchisee (including the Manual, any proprietary software provided by Franchisor, and all information contained therein) be held in strict confidence and used solely for the benefit of Franchisee or Franchisor during their association with Franchisee and at all times thereafter;

(b) prohibiting the person, during their association with Franchisee, from diverting or attempting to divert any business or customer of the Franchised Business or of any other House Doctors Franchisee to any Competitive Business (as defined in section 19.9), by direct or indirect inducement or otherwise;

(c) prohibiting the person, during their association with Franchisee, from doing or performing, directly or indirectly, any act injurious or prejudicial to the goodwill associated with the Marks and the System;

(d) prohibiting the person, during their association with Franchisee, from employing or seeking to employ any person who is at that time employed by Franchisor, Franchisee, or any other House Doctors Franchisee, or otherwise directly or indirectly inducing or attempting to induce such person to leave his or her employment; and

(e) prohibiting the person, during their association with Franchisee and for a continuous period of one year (or the maximum period permitted or enforced by the laws of the state in which the Franchised Business is located, if such period is less than one year, but in no event less than six months) after the termination of their association with Franchisee, from operating, owning,

maintaining, promoting, engaging in, or performing services for (as an employee or otherwise) a Competitive Business.

Franchisee shall provide Franchisor with executed copies of all Engagement Agreements required by this section. Franchisee may not grant any person enumerated above access to any confidential aspect of the System or the Franchised Business before their execution of an Engagement Agreement. All Engagement Agreements required by this section must be in a form satisfactory to Franchisor and must specifically identify Franchisor as a third-party beneficiary with the independent right to enforce the agreement. Franchisee's failure to obtain the execution of all Engagement Agreements required by this section and provide copies thereof to Franchisor is a material breach of this agreement.

7.21 Disclosure of Information About Franchisee. Franchisee acknowledges that Franchisor may from time to time be required or find it necessary to disclose to third parties certain information about Franchisee and Franchisee's Principals, including personally identifiable information such as names, addresses, and telephone numbers, and information collected by Franchisor under sections 7.10, 7.18, and other provisions of this agreement. Franchisee hereby consents to Franchisor's collection, use, and disclosure of any information pertaining to the Franchised Business (including personally identifiable information of Franchisee and Franchisee's Principals) for Franchisor's reasonable business purposes and for any purpose described in Franchisor's privacy policy (as may be amended from time to time), subject to the limitations of this paragraph. Without limiting the generality of the foregoing sentence, Franchisee hereby consents to: (i) the collection, use and disclosure of any information about Franchisee and Franchisee's Principals (including personally identifiable information) to develop, modify, and enhance the System, to conduct credit checks or other personal history investigations, to develop general franchisee profiles, to comply with federal and state franchise disclosure and/or registration laws, and to otherwise comply with any applicable law; (ii) the transfer of any information (including personally identifiable information) to any third party in order for Franchisor to fulfill its obligations under this agreement or attempt to obtain any benefit for Franchisor, Franchisee, or the System as a whole; and (iii) the release to Franchisee's landlord, lenders or prospective landlords or lenders, of any financial or operational information relating to Franchisee and/or the Franchised Business (without obligating Franchisor to do so). If Franchisor discloses financial information of Franchisee in a franchise disclosure document, Franchisor shall not identify Franchisee or disclose any personally identifiable information of Franchisee in connection with the financial information. "Personally identifiable information" is any information about a person that can be used to uniquely identify, contact or locate the person.

ARTICLE 8

INTELLECTUAL PROPERTY

8.1 Use by Franchisee. Franchisee's right to use Franchisor's Marks, any proprietary software provided by Franchisor, other materials in which Franchisor claims a copyright, trademark, or other right to exclusive use, trade secrets, and other Intellectual Property (as defined in section 19.27) as granted in this agreement is limited to their use in connection with the operation of the Franchised Business within the Territory, and otherwise as described in this agreement and as authorized in the Manual or as may be prescribed in writing by Franchisor from time to time. Franchisee shall use only the name listed on Exhibit B (the "Trade Name") as the trade name of the Franchised Business, shall use only the trademark listed on Exhibit B as its primary trademark to identify and distinguish the services offered by Franchisee, and shall use no other trade name, business name, or trademark in connection with the Franchised Business without Franchisor's prior written consent.

8.2 Exclusive Property of Franchisor. Franchisee acknowledges Franchisor's exclusive right, title and interest in and to its Intellectual Property, and the identification, schemes, standards, specifications, operating procedures, and other concepts embodied in the System. Franchisee is a "related company" within the meaning of 15 U.S.C. § 1127 and Franchisee's use of the Marks pursuant to this agreement inures to the benefit of Franchisor. Except as expressly provided by this agreement, Franchisee shall acquire no right, title or interest therein, and any and all goodwill associated with the System and the Intellectual Property shall inure exclusively to Franchisor's benefit. Upon the expiration or termination of this agreement, no monetary amount will be designated as attributable to goodwill associated with Franchisee's use of the System or the Intellectual Property.

8.3 Infringement by Franchisee. Franchisee acknowledges that its use of the Intellectual Property outside of the scope of this agreement without Franchisor's prior written consent is an infringement of Franchisor's rights, title and interest in and to its Intellectual Property, and that its use of the Marks after the expiration or termination of this agreement without Franchisor's prior written consent constitutes trademark counterfeiting. During the term of this agreement and after its expiration or termination, Franchisee shall not, directly or indirectly, commit an act of infringement or counterfeiting or contest, or aid in contesting, the validity or ownership of the Intellectual Property or take any other action in derogation thereof. The provisions of this paragraph will survive the expiration, termination or cancellation of this agreement.

8.4 Infringement by Others. Franchisee shall promptly notify Franchisor of any use of any Intellectual Property, any colorable variation thereof, or any other property in which Franchisor has or claims a proprietary interest, by any person other than Franchisor, its representatives and agents, or other House Doctors Franchisees. Franchisee shall promptly notify Franchisor of any litigation instituted by any person against Franchisor or Franchisee involving the Intellectual Property. If Franchisor, in its Business Judgment, undertakes the defense, prosecution, or settlement of any litigation relating to the Intellectual Property, Franchisee shall execute all documents and render any assistance as Franchisor, in its Business Judgment, determines necessary to carry out such defense, prosecution or settlement. Franchisee acknowledges that the nature of trademark and intellectual property law makes it impossible for Franchisor to guarantee or warrant the exclusivity of Franchisor's right to use any of the Marks, and that nothing in this agreement or in any other document or promotional material provided by Franchisor to Franchisee or to any other party may be construed to guarantee, warrant, or imply that Franchisor's right to use any of the Marks is exclusive or superior to the rights of any other person. If any person demonstrates, to Franchisor's sole satisfaction, a superior right to use any of the Intellectual Property, Franchisee shall, upon demand by Franchisor, discontinue its use of such Intellectual Property and, in the case of the Trade Name or any of the Marks, adopt, at Franchisee's sole cost and expense, any replacement trade name or mark(s), if any, selected by Franchisor, and Franchisor will have no liability to Franchisee therefor.

8.5 Improper Use of Marks. Franchisee shall not use any of the Marks, or any derivative or colorable variation thereof: (i) as part of Franchisee's corporate, company, or partnership name; (ii) on or as part of any Website (as defined in section 19.55), domain name, URL, web page, electronic mail address, listing, banner, advertisement or any other service or link on, to or with the Internet, World Wide Web, Internet service providers, electronic mail services, communication providers, search engines, social media sites, or other similar services; (iii) with any prefix, suffix, or other modifying words, terms, designs, or symbols (including the word "Inc."); (iv) after the expiration or termination of this agreement; (v) in any modified form; or (vi) on paychecks or other payments written to its employees. Franchisee shall not register any of the Marks, or any derivative or colorable variation thereof, as a service mark, trademark, or Internet domain name, or hold out or otherwise employ the Marks to perform any activity or to incur any obligation or indebtedness in such a manner as could reasonably result in making Franchisor liable therefor or which

may harm, tarnish, or impair Franchisor's reputation, name, service or Marks. If Franchisor provides Franchisee with any contracts, agreements, forms or other documents that contain any of the Marks, Franchisee shall not alter or modify such contracts, agreements, forms or documents without Franchisor's prior written consent. The provisions of this paragraph will survive the expiration, termination or cancellation of this agreement.

8.6 Non-exclusive Use. Franchisee expressly acknowledges and agrees that its license to use the Intellectual Property is non-exclusive, and Franchisor reserves all rights not expressly granted to Franchisee in this agreement, including those described in section 1.5.

8.7 Use by Others. Franchisee shall not permit any third party to imprint the Marks on any products, materials, documents and supplies utilized by Franchisee in connection with the operation of the Franchised Business without first obtaining the consent of Franchisor and, at Franchisor's option, requiring the party to execute a license agreement as specifically described in section 6.2.

8.8 Ownership of Future Intellectual Property. All rights to any Intellectual Property that Franchisee acquires, obtains, develops, or creates for, in connection with, or which relates to, the Franchised Business during the term of this agreement (including all advertising, marketing, promotional, public relations, or sales concepts, plans, programs, activities, materials, or Websites proposed or developed by Franchisee for the Franchised Business, whether or not they bear the Marks) are the sole property of Franchisor, free and clear of any claim by Franchisee or anyone claiming under Franchisee. Franchisor may use and authorize the use of any Intellectual Property to which this paragraph applies by other House Doctors Franchisees without any compensation to Franchisee. If for any reason, Franchisee and not Franchisor is deemed to own any rights to any Intellectual Property to which this paragraph applies, then this agreement will operate as an agreement to irrevocably transfer and assign all rights in and to that Intellectual Property to Franchisor. Franchisee hereby irrevocably transfers and assigns to Franchisor all rights, title and interest in and to all Intellectual Property to which this paragraph applies (including copyrights, as "works made for hire" under the U.S. Copyright Act). Franchisee shall take no steps to appropriate for itself any Intellectual Property to which this paragraph applies. Franchisee shall, at Franchisor's request, execute all assignments, certificates or other instruments (and, if necessary, require its independent contractors to execute such documents as well) as Franchisor may from time to time deem necessary or desirable to evidence, establish, maintain, perfect, protect, enforce or defend its rights, title or interest in or to Intellectual Property to which this paragraph applies, or to otherwise effect the provisions of this paragraph.

ARTICLE 9

OPERATIONS MANUAL

9.1 Business Operations. In order to protect the reputation and goodwill of Franchisor and to maintain uniform standards of operation under the Marks, Franchisee shall conduct its operations hereunder in accordance with the Manual (as defined in section 19.30), as the same may be amended or modified from time to time. Franchisor will provide a copy or electronic access to thereof during the of this Agreement.

9.2 Confidentiality. The Manual shall at all times remain the sole property of Franchisor. Franchisor treats as confidential and proprietary the Manual and all information contained therein. Franchisee also shall treat as confidential and proprietary the Manual and all information contained therein, and shall use all reasonable efforts to maintain such information as confidential and proprietary. Franchisee shall also ensure that its employees treat as confidential and proprietary the Manual and all information contained therein. Franchisee shall not at any time copy, duplicate, record, or otherwise make the same available to

any unauthorized person. The provisions of this paragraph will survive the expiration, termination or cancellation of this agreement.

9.3 Modification. Franchisor has the right to add to or otherwise modify the Manual from time to time in its Business Judgment to reflect changes in the industry, marketing techniques or any of the System Standards, or advances in computer technology, so long as no addition or modification alters Franchisee's fundamental status and rights under this agreement. Without limiting the generality of the foregoing sentence, Franchisor has the right, during the term of this agreement, to require Franchisee to make Enhancements to the Communication and Information System at Franchisee's expense, and Franchisee agrees to acquire (or acquire the right to use for the remainder of the term of this agreement), within 120 days after receipt of written notice from Franchisor, the Enhancement specified by Franchisor and to take all actions as may be necessary to enable it to operate as specified by Franchisor. Any Enhancement may require Franchisee to incur costs to purchase, lease, and/or license new or modified computer hardware and/or software or other equipment and to obtain different and/or additional service and support services during the term of this agreement. Franchisee acknowledges that Franchisor cannot estimate the costs of future maintenance or Enhancements to the Communication and Information System or other items, and that any maintenance or Enhancement required by Franchisor may involve additional investment by Franchisee during the term of this agreement. Franchisee shall at all times insure that its copy of the Manual is kept secure, current, and up to date, and in the event of any dispute as to the contents of the Manual, the terms of the master copy of the Manual maintained by Franchisor at Franchisor's home office will be controlling. Upon Franchisor's request, Franchisee shall cooperate in the efficient return of all Manuals that have been identified by Franchisor as obsolete. As used in this agreement, "Enhancement" is a defined term that includes any modification, upgrade, update, enhancement or replacement of all or any part of the Communication and Information System.

ARTICLE 10

CONFIDENTIAL INFORMATION

10.1. Definition. "Confidential Information" means any confidential and/or proprietary information and/or trade secrets relating to Franchisor, the System, the Franchised Business, or other House Doctors Franchisees, and includes the following overlapping categories of information: (a) System business methods, techniques, specifications, standards, procedures, and formats; (b) Franchisor policies, procedures, information, concepts, systems, and knowledge of and experience in franchise development and operation, including the information comprising the System; (c) marketing programs for House Doctors Franchises; (d) the Communication and Information System, each component thereof (including all aspects—including code, functions, menus, and screen views—of any proprietary software developed or owned by Franchisor or any Affiliate of Franchisor), and all future Enhancements thereto; (e) the financial condition, results of operations, and other financial information about Franchisor, Franchisee, the Franchised Business, and/or other House Doctors Franchisees; and (f) all information about all past, present and future customers and suppliers of the Franchised Business, including contact, statistical, financial, and personally identifiable information, and all lists. Franchisee may acquire Confidential Information from Franchisor through the Manual, through training, guidance, and assistance provided by Franchisor, through the operation of the Franchised Business, or from other House Doctors Franchisees. Confidential Information is not intended to include any information that: is or subsequently becomes publicly available other than by the breach of a legal obligation; was known to Franchisee before becoming a House Doctors Franchisee; or became known to Franchisee independently of Franchisee's relationship with Franchisor and other than through Franchisee's breach of a legal obligation.

10.2. Ownership of Confidential Information. Franchisee agrees that Franchisor owns and controls (i) all domain names and uniform resource locators ("URLs") containing any of the Marks (or any derivative or colorable variation thereof) or relating to any House Doctors Franchise (including the Franchised Business), and (ii) all Confidential Information (which may include trade secrets belonging to Franchisor). Franchisee's only interest in any Confidential Information or proprietary information (even if not Confidential Information) is the right to use it pursuant to this agreement.

10.3. Use of Confidential Information. Franchisee agrees that Franchisee's relationship with Franchisor does not give Franchisee the right to use the Confidential Information for any purpose other than the development and operation of the Franchised Business in accordance with this agreement, and that the use of the Confidential Information in any other business would constitute unfair competition. Franchisee shall: (a) not use the Confidential Information in any other business or capacity; (b) maintain the absolute secrecy and confidentiality of the Confidential Information during and after the term of this agreement; (c) not make unauthorized copies of any portion of the Confidential Information; and (d) adopt and implement all reasonable procedures Franchisor prescribes from time to time to prevent unauthorized use or disclosure of or access to the Confidential Information. Franchisee shall divulge the Confidential Information only to those employees and agents of Franchisee who must have access to it in order to operate the Franchised Business in accordance with this agreement or to provide professional services or advice to Franchisee. In connection therewith, Franchisee is fully responsible for ensuring that its employees and agents comply with this section. The provisions of this paragraph will survive the expiration, termination or cancellation of this agreement.

10.4. Remedies. Franchisee acknowledges that any failure to comply with section 10.3 will cause Franchisor irreparable injury, and Franchisee consents to the issuance of, and agrees to pay all reasonable legal expenses incurred by Franchisor in obtaining, specific performance of or any injunction by a court of competent jurisdiction against a violation of, the requirements of section 10.3. This remedy is in addition to any other remedies that may be available to Franchisor. Franchisor understands that an individual shall not be held criminally liable or civilly liable under any United States federal or state trade secret law for the disclosure of a trade secret that: (1) is made (a) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney, and (b) solely for the purpose of reporting or investigating a suspected violation of law; or (2) made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. Disclosures to attorneys, made under seal, or pursuant to court order are also protected in certain circumstances under 18 U.S.C. § 1833.

10.5. Preservation of Confidentiality. Franchisee shall require Franchisee's Principals, Remote Principals, directors, officers, and management employees, at the time of the commencement of their association with Franchisee, to execute confidentiality agreements, in a form approved by Franchisor, requiring that all Confidential Information that may be acquired by or imparted to such persons be held in strict confidence and used solely for the benefit of Franchisee and Franchisor, at all times during their association with Franchisee and thereafter. Franchisee shall require each prospective purchaser of the Franchised Business, of the license granted under this agreement, or of any interest in Franchisee, before disclosing any Confidential Information to such person, to execute a confidentiality agreement, in a form approved by Franchisor, requiring that all Confidential Information that may be disclosed to such person in connection with his or her investigation of Franchisee or the Franchised Business will be held in strict confidence and used solely to evaluate the contemplated transaction. All confidentiality agreements described in this paragraph must include a specific identification of Franchisor as a third-party beneficiary with the independent right to enforce the agreement.

ARTICLE 11

ADVERTISING

Recognizing the value of marketing and the importance of consistency of advertising and promotion to the furtherance of the goodwill and public image of the System and the development of Franchisor's brands, the parties agree that Franchisor shall conduct, determine, maintain, and administer all national and/or regional marketing funds that are or may hereafter be established under section 11.2, and has sole discretion over the concepts, materials, media, type, nature, scope, frequency, place, form, copy, layout, and content of all national, regional, and local advertising, and accordingly agree as follows:

11.1 Advertising Contribution. As required in sections 5.3 and 5.4, Franchisee shall contribute to such national and/or regional marketing funds (collectively, the "Advertising Funds") as Franchisor may establish for marketing for the System.

11.2 Advertising Funds. Franchisor has the right, in its Business Judgment, to establish one or more Advertising Funds, both national and/or regional, and to designate any geographical area as a region for establishing regional Advertising Funds. Franchisor shall maintain and administer the Advertising Funds as follows:

(a) Franchisee agrees and acknowledges that the Advertising Funds are intended to maximize general public recognition and acceptance of the Marks for the benefit of all Franchises within the System or within a region, as the case may be, and that Franchisor is not obligated in administering the Advertising Funds to make expenditures for Franchisee that are equivalent or proportionate to Franchisee's contributions or to ensure that any particular House Doctors Franchisee benefits directly or pro rata from the placement of advertising.

(b) The Advertising Funds are not and will not be assets of Franchisor. The Advertising Funds, all contributions thereto, and any earnings thereon, shall be used exclusively to meet any and all costs of maintaining, administering, managing, researching, directing and preparing advertising, promotional and/or public relations activities, including but not limited to the costs of preparing and conducting marketing and public relations campaigns in various media; managing branding and trademark reputation across various media; direct mail, outdoor billboard and other advertising; marketing surveys and other public relations activities; employing advertising, public relations and other agencies to assist therein; product development; developing and providing promotional and other marketing materials for House Doctors Franchisees; developing and improving websites and Internet activities; preparing and conducting meetings and training; and developing and using technology.

(c) Franchisor shall, for each of its company-owned locations (if any), make contributions to the Advertising Funds on the same basis as assessments required of comparable House Doctors Franchisees.

(d) Franchisee shall contribute to the Advertising Funds by separate check made payable to HOUSE DOCTORS NATIONAL ADVERTISING FUND or such other designation as Franchisor may from time to time prescribe. All contributions by Franchisee to the Advertising Funds shall be maintained in an account separate from the other moneys of Franchisor. The contributions may not be used to defray any of Franchisor's general expenses, except for reasonable salaries, overhead and administrative, accounting, legal (including the defense of any claims against Franchisor and/or Franchisor's designee regarding the management of the Advertising Funds) and other costs, if any,

as Franchisor may incur in activities reasonably related to the administration or direction of the Advertising Funds or marketing programs for House Doctors Franchisees and the System, including the costs of enforcing contributions to the Advertising Funds required under this agreement and the costs of preparing a statement of operations. The Advertising Funds and their earnings will not otherwise inure to the benefit of Franchisor. Franchisor shall maintain separate bookkeeping accounts for each Advertising Fund. Franchisor may loan money to the Advertising Funds.

(e) It is anticipated that all contributions to and earnings of the Advertising Funds shall be expended for marketing, promotional and/or other permitted purposes during the taxable year within which the contributions are made. If, however, excess amounts remain in the Advertising Funds at the end of such taxable year, all expenditures in the following taxable year(s) shall be made first out of accumulated earnings from previous years, next out of earnings in the current year, and finally from contributions.

(f) Franchisee agrees that Franchisor (and any designee of Franchisor) will have no direct or indirect liability or obligation to Franchisee, the Advertising Funds, or otherwise with respect to the management, maintenance, direction, or administration of the Advertising Funds. Franchisee further agrees that Franchisor will not be liable for any act or omission, whether with respect to the Advertising Funds or otherwise, that is consistent with this agreement or other information provided to Franchisee, or that is done in subjective good faith. Franchisee and Franchisor, each having a mutual interest and agreeing on the critical practical business importance of their relationship being governed solely by written instruments signed by the parties to be bound (and not having either party subject to the uncertainty inherent in the application of legal or other concepts not expressly agreed to in writing by both parties), agree that their rights and obligations with respect to the Advertising Funds and all related matters are governed solely by this agreement, and that neither this agreement nor the Advertising Funds are in the nature of a "trust," "fiduciary relationship" or similar special arrangement, but is only an ordinary commercial relationship between independent businesspersons for their independent economic benefit.

11.3 Termination of Advertising Funds. Although Franchisor intends the Advertising Funds to be of perpetual duration, Franchisor has the right to terminate any Advertising Fund. No Advertising Fund may be terminated, however, until all moneys in the Advertising Fund have been expended for marketing and/or promotional purposes or returned to House Doctors Franchisees in Good Standing on the basis of their respective contributions during the one-year period immediately preceding the termination.

11.4 Marketing Materials. Franchisee shall obtain and maintain an adequate supply of brochures, pamphlets, and special promotional materials of such kind and size as Franchisor may reasonably require from time to time in the Manual or otherwise in writing.

11.5 Delegation of Franchisor's Duties. Franchisor has the right to delegate and redelegate its responsibilities and duties under this agreement to any designee(s) of its chosing, but shall retain the right of final approval of all marketing programs at all times.

11.6 Approval of Advertising. All advertising by Franchisee in any medium must be conducted in a dignified manner, conform to such standards and requirements as Franchisor may specify from time to time in writing, conform to all applicable laws and regulations relating to consumer advertising, be completely accurate and truthful, and give notice that the Franchised Business is independently owned and operated. Franchisee shall submit to Franchisor (by certified mail, return receipt requested), for Franchisor's prior approval (except with respect to prices to be charged), samples of all advertising and promotional plans and

materials, including signs, and all other materials displaying the Marks that Franchisee desires to use and that have not been prepared or previously approved by Franchisor. Unless Franchisee receives a written objection thereto from Franchisor within fifteen days after Franchisor's receipt thereof, Franchisor will be deemed to have given the required approval. Franchisee shall display the Marks in the manner prescribed by Franchisor on all signs and all other advertising and promotional materials used in connection with the Franchised Business. The word "advertising" as used in this agreement includes signs (including signs on vehicles), uniform resource locators ("URLs"), e-mail addresses, Internet listings, banners, advertisements, pay-per-click programs, and other services or links on or with the Internet, World Wide Web, Internet service providers, electronic mail services, communication providers, search engines (including Google.com and Yahoo.com), social media sites (including FaceBook, LinkedIn, Plaxo, MySpace, Twitter and Naymz) and similar services. Additionally, in order to present a unified and consistent image to consumers, Franchisor has the sole and exclusive right, but not the obligation, to own and control any and all Internet Websites or web pages relating to or bearing the Marks, the System, or the Franchised Business, and to control other advertising, marketing and promotional activities relating to the Marks, the System, or the Franchised Business that are national or international in scope.

11.7 Website. Franchisee specifically acknowledges and agrees that a Website is "advertising" under this agreement, and is subject to (among other things) Franchisor's approval under section 11.6. In connection with any Website, Franchisee agrees to the following:

(a) Franchisor has the right, but is not obligated, to establish and maintain a Website, which may, without limitation, promote the Marks, the System, any or all of the Authorized Products and Services, House Doctors franchised or company-owned locations, and/or the offer and sale of House Doctors Franchises. Franchisor has the sole right to control all aspects of the Website, including its design, content, functionality, links to the websites of third parties, legal notices and policies and terms of usage. Franchisor also has the right to discontinue the operation of the Website at any time.

(b) Franchisee shall not establish a separate Website.

(c) Franchisee shall not establish or permit or aid any other person to establish any links to any Website or any other electronic or computer-generated advertising or communication arrangement that Franchisor may establish.

(d) Franchisor has the right, but is not obligated, to designate one or more web page(s) to describe Franchisee, the Franchised Business, and/or Franchisee's location, with such web page(s) to be located within Franchisor's Website. Franchisee shall comply with Franchisor's policies and terms of use with respect to the creation, maintenance and content of any such web pages, and Franchisor has the right to limit and/or discontinue the content and/or operation of such Website and web pages.

(e) Franchisor has the right to modify the provisions of this section 11.7 relating to Websites as Franchisor in its Business Judgment determines is necessary or appropriate for the best interests of the System.

11.8 Local Advertising. Franchisee shall spend at least the Minimum Monthly Local Advertising Amount during each calendar month. The Minimum Monthly Local Advertising Amount is currently $3,000. Local Advertising expenditures must be made directly by Franchisee. Franchisee's failure to spend at least the aggregate Minimum Monthly Local Advertising Amounts for three months in any one quarter will constitute a material default of this agreement. Franchisee may cure the default by paying to the Advertising Fund, within one month after notice from Franchisor, the difference between the Minimum Monthly Local

Advertising Amounts for the relevant periods less Franchisee's actual Local Advertising expenditures for the same periods. Franchisee may not use any advertising or promotional plans or materials (including circulars, brochures, flyers, newspaper and direct mail advertisements, and radio and television commercials) without Franchisor's prior approval pursuant to the procedures in section 11.6.

11.9 Advertising Cooperatives. Franchisor may, in its Business Judgment, designate any geographical area in which at least two House Doctors Franchises are located for the purpose of establishing a local or regional marketing and advertising cooperative (a "Cooperative"). Franchisee shall take appropriate steps to establish and participate in a Cooperative if required to do so by Franchisor. If a Cooperative for the geographical area in which the Franchised Business is located has already been established when Franchisee opens the Franchised Business, then Franchisee shall immediately become a member of the Cooperative under the terms of its governing documents. If a Cooperative for the geographical area in which the Franchised Business is located is established during the term of this agreement, Franchisee shall immediately become a member of the Cooperative, and take all steps necessary to become a member. In no event shall Franchisee be required to be a member of more than one Cooperative for the Franchised Business established under this agreement. The following provisions apply to each Cooperative:

(a) Each Cooperative will be organized and governed in a form and manner prescribed or approved by Franchisor in writing, and will commence operations on a date specified by Franchisor. Any disputes arising between Franchisee and the Cooperative or other House Doctors Franchisees in the Cooperative will be resolved in accordance with the rules and procedures in the Cooperative's governing documents.

(b) Each Cooperative will be organized for the exclusive purpose of administering local or regional marketing programs and developing, subject to Franchisor's approval, standardized promotional materials for use by the members in local advertising and promotion.

(c) No advertising or promotional plans or materials may be used by a Cooperative or furnished to its members without the prior approval of Franchisor pursuant to the procedures in section 11.6.

(d) Each month that a Cooperative is in existence for Franchisee's geographical area, Franchisee shall contribute to the Cooperative an amount specified by Franchisor or the Cooperative (the "Cooperative Contribution"). Franchisee's Cooperative Contribution will be credited towards Franchisee's Minimum Monthly Local Advertising Amounts required by section 11.8, but will not be credited towards the Advertising Contribution required by section 11.1.

(e) Franchisor or the members of the Cooperative will determine the amount of the Cooperative Contribution in accordance with its governing documents, but the Cooperative Contribution may not exceed 4% of Franchisee's Gross Sales unless the members of the Cooperative, by a majority vote conducted in accordance with its rules, bylaws, or other governing documents, agree to a Cooperative Contribution in excess thereof. Franchisee shall pay its Cooperative Contribution, together with any statements or reports that Franchisor or the Cooperative (with Franchisor's prior written approval) may require, on a date each month determined by the Cooperative, but no later than the tenth day of each month.

(f) For each Franchise operated by Franchisor or an Affiliate of Franchisor in a geographical area for which a Cooperative has been established, Franchisor shall make a Cooperative Contribution on the same basis as assessments required of comparable House Doctors Franchisees that are members of the same Cooperative.

(g) Cooperatives established by Franchisor are intended to be of perpetual duration. However, Franchisor maintains the right to terminate any Cooperative. Franchisor shall use any unexpended monies from the terminated Cooperative only for advertising or promotional purposes for the System.

ARTICLE 12

TRANSFERABILITY OF INTEREST

12.1 Transfer by Franchisor. Franchisor has the right to transfer or assign all or any part of its rights and/or obligations under this agreement to any person, including a subfranchisor specifically responsible for assisting Franchisee. Franchisee shall execute any forms that Franchisor may reasonably request to effectuate any transfer or assignment by Franchisor.

12.2 Transfer by Franchisee.

(a) Franchisee understands and acknowledges that its rights and duties in this agreement are personal to Franchisee, and that Franchisor has entered into this agreement in reliance upon Franchisee's business skills and financial capacity. Accordingly, neither Franchisee, any Principal or Remote Principal of Franchisee, or any immediate or remote successor to any part of Franchisee's interest in the Franchise granted under this agreement, may Transfer any interest in this agreement, in the Franchised Business or the Franchise granted under this agreement, or in Franchisee, without the prior written consent of Franchisor. Any purported Transfer, by operation of law or otherwise, not having the written consent of Franchisor, is null and void and constitutes a material breach of this agreement, for which Franchisor may then terminate without opportunity to cure pursuant to Article 13.

(b) Except as provided in sections 12.2(c) and (d), Franchisor shall not unreasonably withhold its consent to a Transfer, but Franchisor, in its Business Judgment, may require as conditions to Franchisor's consent:

(1) All of Franchisee's accrued monetary obligations to Franchisor or any of its Affiliates and all other outstanding obligations related to the Franchised Business (including obligations under any promissory note in favor of Franchisor or its Affiliates) must be satisfied.

(2) The transferee must attend a discovery day at Franchisor's headquarters.

(3) Franchisee, its Principals, and Remote Principals must execute a General Release effective as of the date of Transfer.

(4) The transferee must execute a General Release of any and all claims against Franchisor with respect to any representations regarding the Franchise, the business conducted pursuant thereto, or any other matter, which may have been made to the transferee by Franchisee or any of its Principals, Remote Principals, directors, officers, employees, or agents.

(5) The transferee must demonstrate to Franchisor's satisfaction that it meets Franchisor's educational, managerial and business standards; possesses a good moral character, business reputation, and credit rating; has the aptitude and ability to conduct the

Franchised Business (as may be evidenced by prior related business experience or otherwise), and has adequate financial resources and capital to operate the business.

(6) The transferee must execute Franchisor's then-current form of franchise agreement and such ancillary agreements as Franchisor may require, for a term ending on the Expiration Date or two years from the effective date of the Transfer, whichever is later.

(7) The transferee or its Designated Manager must successfully complete, within a reasonable period of time after the closing of the Transfer but before the transferee assumes the day-to-day operation of the Franchised Business, Franchisor's initial training program for new franchisees or similar training program then in effect for House Doctors Franchisees. Franchisor shall provide initial training program and all related materials at no cost to the transferee, but the transferee will be responsible for all transportation, lodging, meals and other expenses related to initial training program.

(8) Franchisor must approve the material terms and conditions of the Transfer, including that the price and terms of payment are not so burdensome as to adversely affect the operation of the Franchised Business by the transferee.

(9) Franchisee has provided Franchisor with an opportunity to exercise Franchisor's right of first refusal under section 12.4 of this agreement, and Franchisor has declined to exercise that right.

(10) All of the transferee's obligations to Franchisee must be subordinated to transferee's obligations to Franchisor (whether arising before or after the date of the Transfer), and Franchisee and the transferee must execute any and all instruments reasonably required by Franchisor to evidence the subordination.

(11) The transferee must assume, for a period of one year after the Transfer, all of Franchisee's customers warranty obligations for work performed before the Transfer.

(12) Franchisee must comply with the requirements of section 10.5 relating to the disclosure of Confidential Information to a prospective transferee.

(13) Either Franchisee or the transferee must pay Franchisor the Transfer Fee (as defined in section 19.54) plus Franchisor's actual expenses, to cover the administrative, legal and other expenses incurred by Franchisor (including but not limited to any broker commissions) in connection with the Transfer. No Transfer Fee will be required if the transferee is: (i) a spouse, domestic partner, parent or direct lineal descendant or sibling of Franchisee or one of its Principals; (ii) a Principal of Franchisee; or (iii) a Business Organization formed solely for the convenience of ownership or tax purposes or to limit Franchisee's liability for debts of the Franchised Business in accordance with section 12.3, if the entire Franchised Business and all of Franchisee's interest in this agreement are Transferred to the Business Organization and, immediately after the Transfer, Franchisee or one or more of the individuals listed in clause (i) of this subparagraph will beneficially own 100% of the Ownership Interests in the Business Organization.

(c) Notwithstanding any other provision of this section 12.2, neither Franchisee, any Principal or Remote Principal, or any immediate or remote successor to any part of Franchisee's interest in the Franchise granted under this agreement, shall pledge, mortgage, grant a security interest, or otherwise encumber any interest in this agreement, in the Franchise granted under this agreement,

or in Franchisee (whether or not in connection with an absolute Transfer of an interest in the Franchised Business). Franchisor is not obliged to consent to any such Transfer.

(d) Notwithstanding any other provision of this section 12.2, neither Franchisee, any Principal or Remote Principal, or any immediate or remote successor to any part of Franchisee's interest in the Franchise granted under this agreement, shall Transfer any interest in this agreement, in the Franchise granted under this agreement, or in Franchisee to a person that owns, operates, franchises, develops, consults with, manages, is involved in, or controls a Competitive Business. If Franchisor refuses to permit a Transfer under this paragraph, the sole remedy of Franchisee, its Principals and Remote Principals will be to have a mediator or court determine whether the proposed transferee's business is a Competitive Business.

(e) In connection with any proposed Transfer, Franchisee shall comply with any laws that apply to the Transfer, including state and federal laws governing the offer and sale of franchises. Franchisee shall indemnify and defend the Franchisor-Related Persons and hold them harmless against any and all claims arising and expenses incurred (including attorney fees) directly or indirectly from, as a result of, or in connection with any alleged failure on Franchisee's part to comply with any franchise law or other law applicable to a Transfer.

(f) In connection with any proposed Transfer, Franchisor has the right to communicate with any prospective transferee and to make available for inspection by any prospective transferee all or any part of Franchisor's records relating to this agreement, the business operations, financial condition, contracts and history of the Franchised Business under Franchisee's ownership, or the history of the relationship of the parties, without any liability to Franchisee or its Affiliates, Principals, Remote Principals, directors, officers, employees or agents. Franchisee hereby specifically consents to such disclosure by Franchisor and absolutely releases and agrees to hold Franchisor harmless from and against any claim, loss or injury resulting therefrom.

12.3 Transfer to Controlled Entity. Franchisee may Transfer all of its interest in the Franchised Business to a Business Organization formed solely for the convenience of ownership or tax purposes, or to limit Franchisee's liability for debts of the Franchised Business, without Franchisor's consent, upon Franchisee's written notice to Franchisor and compliance with the following requirements:

(a) The transferee entity must be newly organized and its articles of incorporation or organization, bylaws, partnership agreement, or operating agreement must provide that its activities are confined exclusively to operating the Franchised Business.

(b) Franchisee shall beneficially hold a Controlling Interest in the transferee entity, shall not diminish his/her Ownership Interest therein, except as may be required by law, and shall act as its principal executive and operating officer, partner, or member.

(c) Franchisee shall provide Franchisor, on a form satisfactory to Franchisor, with written information about each Principal of the transferee entity and the Ownership Interest thereof, and shall agree to promptly notify Franchisor of any changes in any such information during the term of this agreement.

(d) The transferee entity shall designate a Designated Manager in compliance with section 7.17.

(e) Franchisee, the transferee entity and all of its Principals shall enter into an agreement, in a form satisfactory to Franchisor, under which Franchisee assigns and the transfer entity assumes all of Franchisee's rights and obligations under this agreement.

(f) All Principals of the transferee entity must enter into a Guaranty and Assumption of Obligations, in a form satisfactory to Franchisor, unconditionally guaranteeing the full payment and performance of the transferee entity's obligations to Franchisor and a Nondisclosure and Noncompetition Agreement in a form satisfactory to Franchisor.

(g) Each ownership certificate of the transferee entity must have conspicuously endorsed upon its face the following legend:

> "The transfer, sale or pledge of these shares is subject to the terms and conditions of a Franchise Agreement with Saltire Brands LLC."

If Franchisee is a partnership or limited liability company without certificates evidencing ownership, Franchisee shall provide Franchisor with acceptable evidence that its partnership or operating agreement or other organizational documents contain provisions acceptable to Franchisor prohibiting the Transfer of any Ownership Interest in Franchisee other than in compliance with the terms of this agreement. Franchisee shall not cause or permit any such provision to be deleted or modified during the term of this agreement.

(h) Franchisee shall furnish Franchisor for its approval copies of the transferee entity's articles of incorporation or organization, by-laws, partnership or operating agreement, and other governing documents, including the resolutions of its Principals or governing board authorizing the execution of this agreement.

(i) The name of the transferee entity may not consist of or contain any of the Marks.

(j) Franchisee shall reimburse Franchisor for actual legal costs incurred by Franchisor in approving and effecting the Transfer.

12.4 Franchisor's Right of First Refusal. Before Franchisee may complete a Transfer, Franchisee or its Principals shall first obtain a bona fide, executed, written offer from a responsible and fully disclosed purchaser and shall submit an exact copy thereof to Franchisor. For a period of thirty days after the date of delivery of the offer to Franchisor, Franchisor will have the right, exercisable by written notice to Franchisee or any of its Principals, to purchase the rights or interests to be transferred in the offer for the same price and on the same terms and conditions contained in the offer, except that Franchisor may substitute equivalent cash for any form of payment proposed in the offer. Any purchase by Franchisor must be completed within sixty days after Franchisee's receipt of Franchisor's written notice of its intent to purchase. If Franchisor does not exercise its right of first refusal, Franchisee or its Principals may complete the Transfer to the bona fide purchaser, subject to Franchisor's approval of the purchaser as provided in section 12.2. If the sale to that purchaser is not completed within one hundred twenty days after the delivery of the offer to Franchisor, Franchisor will again have the right of first refusal herein provided.

12.5 Right of Franchisee's Heirs Upon Death, Disability or Dissolution of Franchisee. A Transfer to the heirs, surviving spouse, conservators, or personal or other legal representative of Franchisee or a Principal of Franchisee (collectively, "Involuntary Transferees") upon the death, dissolution or legal disability of Franchisee or its Principal, shall not be subject to Franchisor's right of first refusal under section 12.4 or right to terminate for failure to obtain written approval under section 12.2(a), so long as the Involuntary Transferees (i) satisfy Franchisor that they are qualified to act as Franchisee pursuant to section

12.2(b)(5) herein or retain an individual or entity to operate and manage the Franchised Business who is so qualified and who is approved in writing by Franchisor, and (ii) perform all other applicable acts required under section 12.2 herein. The Transfer must be made within one hundred eighty days after the death, disability or dissolution of Franchisee or Franchisee's Principal, as the case may be. Any subsequent Transfer by any Involuntary Transferees will be subject to Franchisor's right of written approval under section 12.2 and to Franchisor's right of first refusal under section 12.4. A Transfer to Involuntary Transferees does not require the payment of the Transfer Fee required by section 12.2(b)(13), but Franchisee shall pay any legal costs incurred by Franchisor to approve and effect the Transfer.

ARTICLE 13

TERMINATION

13.1 Termination Without Opportunity to Cure. Franchisor may terminate this agreement upon notice to Franchisee, with immediate effect and without opportunity to cure, upon the occurrence of any of the following events:

(a) Franchisee or the Designated Manager fails to complete the initial training program described in section 7.1 to Franchisor's satisfaction within six months after the Effective Date;

(b) Franchisee fails to open the Franchised Business within six months after the Effective Date (or, with Franchisor's prior written approval, such longer period as may be required to comply with governmental licensing requirements);

(c) after opening the Franchised Business, Franchisee abandons it or otherwise fails to maintain it in continuous operation;

(d) Franchisee is declared bankrupt or insolvent or Franchisee is the debtor in a voluntary or involuntary bankruptcy proceeding under the U.S. Bankruptcy Code;

(e) a receiver is appointed for Franchisee or for any part of its property, or Franchisee makes any assignment for the benefit its creditors, if not dismissed within fifteen days;

(f) after Franchisee's receipt of a notice of noncompliance (regardless of the source of the notice) applicable to the Franchised Business, Franchisee fails, within the time limit stated in the notice (or, if no time limit is stated or referred to in the notice, within thirty days) to comply with any federal, state or local law or regulation applicable to the operation of the Franchised Business, unless Franchisee in good faith and with due diligence disputes the allegation of noncompliance;

(g) any Transfer or attempted Transfer that fails to comply with the provisions of Article 12;

(h) Franchisee maintains false books or records or submits any false report, record or document to Franchisor, knowing the same to be false;

(i) the Franchised Business or Franchise Premises are seized, taken over, or foreclosed by a government official in the exercise of his duties or by a creditor, lienholder or lessor of Franchisee;

(j) a final judgment against Franchisee remains unsatisfied for thirty days (unless a supersedeas or other appeal bond has been filed);

(k) a levy of execution has been made upon the license granted by this agreement or upon any property used in the Franchised Business, which is not discharged within fifteen days;

(l) a material misrepresentation by Franchisee relating to the acquisition of its Franchise;

(m) any conduct or activity by Franchisee or any Principal, Remote Principal, director, or officer of Franchisee, that is reasonably likely to have an adverse effect or reflect unfavorably on the Franchised Business, Franchisor, the System, the Marks, or the goodwill associated therewith, including a felony conviction of Franchisee or any Principal, Remote Principal, director or officer of Franchisee;

(n) within the same one-year period, Franchisee breaches any term of this agreement after having breached the same term three times (provided that Franchisee was given notice of the first three breaches and an opportunity to cure as required herein);

(o) Franchisee breaches section 15.1 after having breached that section (though not necessarily the same subsection thereof) twice at any time (provided that Franchisee was given notice of the first two breaches and an opportunity to cure as required herein); or

(p) Franchisor reasonably determines that the continued operation of the Franchised Business by Franchisee will result in immediate danger to public health or safety.

13.2 Termination with Opportunity to Cure. This agreement will automatically terminate thirty days (or such longer period as may be required by applicable law) after Franchisee's receipt of written notice of any of the following events of default, unless Franchisee cures the default within the thirty-day period (or such longer period as may be required by applicable law):

(a) Franchisee fails to pay when due any sum it is required to pay under this agreement or any other agreement or instrument between Franchisee and any Franchisor-Related Person;

(b) Franchisee fails to furnish when due any report required by this agreement;

(c) Franchisee fails to attain the Minimum Quarterly Gross Sales quotas required by section 7.7 for two consecutive calendar quarters (unless cured as provided in section 5.2 or unless the parties mutually agree on a reduction of the size of the Territory in lieu of termination);

(d) Franchisee fails to spend in any quarter at least the aggregate Minimum Monthly Local Advertising Amounts for the three months in that quarter (unless cured as provided in section 11.8);

(e) Franchisee fails to operate its Franchise in compliance with the terms of this agreement, the Manual, or the System Standards;

(f) Franchisee breaches or fails to perform any provision of this agreement not otherwise described in section 13.1, or breaches or fails to perform any provision of any other agreement between Franchisee and any Franchisor-Related Person; or

(g) Franchisee understates its Gross Sales in any report submitted to Franchisor.

13.3 Failure to Cure Default. If Franchisee fails to cure any default within the applicable time period stated in section 13.2, Franchisee shall indemnify Franchisor for all damages, costs and expenses incurred by Franchisor as a result of Franchisee's default, including reasonable attorney and accounting fees. This paragraph applies regardless of whether or not Franchisor exercises its right to terminate this agreement. Termination of this agreement by Franchisor in accordance with this Article 13 does not prejudice any other legal or equitable rights or remedies Franchisor may have. This paragraph will survive the expiration, termination or cancellation of this agreement.

ARTICLE 14

OBLIGATIONS UPON TERMINATION

14.1 Upon the termination or expiration of this agreement, for any reason, Franchisee shall take the following actions:

(a) Franchisee shall immediately and permanently cease to operate the Franchised Business and shall not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former House Doctors Franchisee.

(b) Franchisee shall immediately and permanently cease all use of the Marks and any derivative or confusingly similar variation thereof.

(c) Franchisee shall immediately and permanently cease to use, by advertising or in any manner whatsoever, any equipment, materials, confidential methods, procedures, or techniques associated with the System or which display the Marks or any other distinctive forms, slogans, signs, symbols, or devices associated with or belonging to Franchisor. Without limiting the generality of the preceding sentence, Franchisee's obligations under this paragraph include (i) permanently discontinuing all Internet advertising, including FaceBook, LinkedIn, Plaxo, MySpace, Twitter, Naymz, Service Magic, Google, and pay-per-click programs, containing any of the Marks or any derivative or confusingly similar variation thereof, and (ii) permanently removing or obscuring from the exterior of all vehicles belonging to Franchisee or used in the operation of the Franchised Business, the Trade Name, the Marks, and all telephone numbers used in connection with the Franchised Business.

(d) Franchisee shall make such modifications or alterations to the Franchise Premises (including changing all telephone numbers), including the improvements thereon, as may be necessary or requested by Franchisor to prevent the operation of any business on the Franchise Premises that might be deemed substantially similar to that of Franchisor or any other House Doctors Franchisee. If Franchisee fails or refuses to comply with the requirements of this section, Franchisor has the right to enter the Franchise Premises, without being guilty of trespass or any other tort or crime, for the purposes of making or causing to be made such changes as may be required at the expense of Franchisee (this sentence does not apply if the Franchise Premises is located in Franchisee's residence).

(e) Franchisee shall promptly turn over to Franchisor, at Franchisee's expense, all sales literature, brochures, mailers, advertisements, commercials and promotional materials bearing any of the Marks, and complete, accurate and legible copies of all customer lists, records, correspondence and agreements, and all financial and other business records relating to the Franchised Business, in the same medium as the information was stored by Franchisee.

(f) Franchisee shall promptly return to Franchisor, at Franchisee's expense, all training and operating Manuals, computer disks, policies, procedures, bulletins, memoranda, notices and instructions provided to Franchisee by Franchisor under Articles 6 and 9 or otherwise relating to the Franchised Business (all of which Franchisee acknowledges to be Franchisor's sole property), together with all copies thereof.

(g) Franchisee shall promptly delete all Confidential Information (including proprietary software) relating to the Franchised Business from all computers (whether or not owned by Franchisee and including computers owned by Principals, Remote Principals, officers, directors, employees, and

relatives of Franchisee or any of the foregoing persons) and return to Franchisor the original disks for all proprietary software.

(h) At Franchisor's option, Franchisee shall either cancel or assign to Franchisor or Franchisor's designee, all of Franchisee's right, title and interest in and to all (i) telephone numbers used for the Franchised Business or otherwise listed under the Trade Name or any of the Marks, and all related Yellow Pages, White Pages and other business listings, and (ii) Websites, web pages, listings, banners, URLs, advertisements or any other services and links related to the Franchised Business or use of the Marks on or with the Internet, World Wide Web, Internet service providers, electronic mail services, communication providers, social media sites, search engines or other similar services.

(i) Franchisee shall immediately pay all sums due and owing to Franchisor, whether pursuant to this agreement or otherwise, including any unpaid Advertising Contributions and Royalties.

(j) Franchisee shall promptly take such action as may be necessary to cancel any fictitious or assumed name or equivalent registration that contains the Trade Name or any of the other Marks, and furnish Franchisor with evidence satisfactory to Franchisor of compliance with this obligation within thirty days after the termination or expiration of this agreement.

(k) If Franchisee's general liability insurance policy required by section 7.11 is a "claims made" policy, Franchisee shall obtain and maintain in effect tail coverage for the insurance policy to extend the period in which claims may be asserted for a period of time not less than the applicable statute of limitations in the jurisdiction in which the Franchised Business is located, or for two years, whichever is less, and furnish Franchisor with a certificate of insurance evidencing compliance with this obligation within thirty days after the termination or expiration of this agreement and at least thirty days before each renewal date thereafter.

14.2 Franchisee does hereby irrevocably constitute and appoint Franchisor as the true and lawful agent and attorney-in-fact, coupled with an interest, for Franchisee to carry out Franchisee's obligations under this Article 14. Franchisee agrees to promptly execute, acknowledge and deliver to Franchisor any and all such documents as may be required to carry out Franchisee's obligations hereunder. The provisions of this Article 14 will survive the expiration, termination or cancellation of this agreement.

ARTICLE 15

RESTRICTIVE COVENANTS

15.1 Franchisee's Covenants During Term of Franchise Agreement. Franchisee specifically acknowledges that, pursuant to this agreement, Franchisee will receive valuable specialized training and Confidential Information, including information regarding the design, development and operation of the Franchised Business, and the sales, promotional, and marketing methods and techniques of Franchisor and the System. Accordingly, during the term of this agreement, Franchisee shall not, either directly or indirectly, for itself or through, on behalf of, or in conjunction with, any person (including the spouse or children of Franchisee or any Principal or Remote Principal):

(a) divert or attempt to divert any business or customer of the Franchised Business or of any other House Doctors Franchisee to any Competitive Business, by direct or indirect inducement or otherwise, or do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with the Marks and the System;

(b) employ or seek to employ any person who is at that time employed by Franchisor or any other House Doctors Franchisee, or otherwise directly or indirectly induce or attempt to induce such person to leave his or her employment;

(c) own, maintain, engage in or have any interest in any Competitive Business;

(d) offer, sell, or provide any Authorized Products or Services at site located within a franchise territory licensed to another House Doctors Franchisee, or otherwise infringe upon rights granted under franchise agreements with other House Doctors Franchisees; or

(e) aid, assist or provide goods or services to any Competitive Business.

15.2 Post-Termination Noncompetition. Franchisee shall not, for a continuous and uninterrupted period commencing upon the expiration or termination of this agreement (regardless of the cause for termination) and continuing for ONE YEAR thereafter, directly or indirectly, for itself or through, on behalf of, or in conjunction with any person (including the spouse or children of Franchisee or any Principal or Remote Principal), own, maintain, operate, engage in, or have any interest in, any Competitive Business that is located or operates within the geographical boundaries of the Territory. This covenant will survive the expiration, termination or cancellation of this agreement. The time period referred to in this section will be stayed during any violation or breach of the terms of this section.

15.3 Post-Termination Nonsolicitation. For a continuous and uninterrupted period commencing upon the expiration or termination of this agreement (regardless of the cause for termination) and continuing for TWO YEARS thereafter, Franchisee shall not, directly or indirectly, for itself or through, on behalf of, or in conjunction with any person (including the spouse or children of Franchisee or any Principal or Remote Principal), solicit, contact, or otherwise communicate with any person who was a customer of the Franchised Business at any time, for the purpose of promoting, advertising, or offering Authorized Products and Services or other products or services that had been offered by the Franchised Business. The time period referred to in this section will be stayed during any violation or breach of the terms of this section. The provisions of this section will survive the expiration, termination or cancellation of this agreement.

15.4 Exception for Publicly Traded Company. Section 15.2 does not apply to the beneficial ownership of less than 1% of the outstanding equity securities of any Business Organization that is registered under the Securities and Exchange Act of 1934.

15.5 Covenants Independent and Severable. Each of the covenants in sections 15.1 through 15.3 is to be construed as independent of any other provision of this agreement. If all or any portion of a covenant in this Article 15 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Franchisor is a party, Franchisee expressly agrees to be bound by any lesser covenants subsumed within the terms of the unreasonable or unenforceable covenant that imposes the maximum duty permitted by law, as if the resulting covenants were separately stated in and made a part of this Article 15.

15.6 Reduction of Covenants by Franchisor. Franchisor has the right, in its Business Judgment, to reduce the scope of any covenant in this Article 15, or any portion thereof, without Franchisee's consent, effective immediately upon receipt by Franchisee of written notice thereof, and Franchisee agrees that it shall comply forthwith with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of section 18.3 hereof.

15.7 Claims Against Franchisor No Defense. Franchisee expressly agrees that the existence of any claims it may have against Franchisor, whether or not arising from this agreement, will not constitute a defense to the enforcement by Franchisor of the covenants in this Article 15.

15.8 Injunctive Relief. Franchisee acknowledges that Franchisee's violation of the terms of this Article 15 would result in irreparable injury to Franchisor for which no adequate remedy at law may be available; and Franchisee accordingly consents to the issuance of, and agrees to pay all court costs and reasonable legal expenses incurred by Franchisor in obtaining, an injunction prohibiting any conduct by Franchisee in violation of the terms of this Article 15.

15.9 Nondisclosure and Noncompetition Agreements. At the request of Franchisor, Franchisee shall provide Franchisor with an executed "Nondisclosure and Noncompetition Agreement" containing covenants similar in substance to those in this Article 15 (including covenants applicable upon the termination of a person's relationship with Franchisee), from each of the Principals, officers, and directors of Franchisee and the Principals, officers, and directors of any non-individual Principal of Franchisee. With respect to each person who becomes associated with Franchisee in one of those capacities after the Effective Date, Franchisee shall require and obtain a Nondisclosure and Noncompetition Agreement from them and promptly provide Franchisor with an executed copy thereof. Franchisee shall not grant any person holding any of the foregoing positions access to any confidential aspect of the System or the Franchised Business before they execute a Nondisclosure and Noncompetition Agreement. All Nondisclosure and Noncompetition Agreements required by this section must be in form satisfactory to Franchisor, including the specific identification of Franchisor as a third-party beneficiary with the independent right to enforce it. Franchisee's failure to obtain the execution of any Nondisclosure and Noncompetition Agreement required by this section and provide them to Franchisor will be a material breach of this agreement.

ARTICLE 16

DISPUTE RESOLUTION

16.1 Injunctive Relief. Notwithstanding any provision of this agreement to the contrary, Franchisor expressly reserves the right, without first complying with the mandatory mediation provisions of section 16.2, to seek temporary and permanent injunctions and orders of specific performance from a court of competent jurisdiction to enforce the provisions of this agreement relating to (a) Franchisee's use of the Marks; (b) Franchisee's obligations upon the termination or expiration of this agreement; (c) Franchisee's obligations under Article 15; (d) a Transfer or attempted Transfer in violation of Article 12; or (e) as necessary to prohibit any act or omission by Franchisee or its agents (i) that would constitute a violation of any applicable law, ordinance, or regulation, (ii) that is dishonest or misleading to Franchisor, another House Doctors Franchisee, or a customer of Franchisee, or (iii) that may harm, tarnish, or impair Franchisor's reputation, name, services or Marks.

16.2 Mediation. Except as provided in section 16.1, if a dispute arises between the parties, and if the dispute cannot be settled through negotiation, the parties shall first try in good faith to settle the dispute by mediation administered by the American Arbitration Association under its Commercial Mediation Procedures before resorting to arbitration, litigation, or other dispute resolution procedure. The mediation proceedings will take place at the American Arbitration Association location nearest Franchisor's principal place of business (presently Milford, Ohio).

16.3 **WAIVER OF JURY TRIAL. EACH PARTY IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER PARTY.**

16.4 **PUNITIVE DAMAGES. THE PARTIES AGREE TO WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, THE RIGHT TO OR CLAIM OF ANY MULTIPLE, PUNITIVE, OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN THEM, EACH WILL BE LIMITED TO THE RECOVERY OF ACTUAL DAMAGES SUSTAINED BY IT.**

16.5 Governing Law. This agreement was accepted and executed by Franchisor in Ohio. The laws of the State of Ohio (excluding Franchise Laws as defined in section 19.18, unless the jurisdictional requirements thereof are met independently without reference to this section) govern all aspects of this agreement, without reference to Ohio conflict of laws principles, except (i) to the extent governed by the U.S. Trademark Act of 1946 and other applicable federal laws, and (ii) if any provision of this agreement would be unenforceable under Ohio law but enforceable under the laws of the state in which Franchisee resides, then the laws of the state in which Franchisee resides will govern that provision. Ohio law will prevail in the event of any conflict of laws, except as specifically provided otherwise by applicable Franchise Laws of other states. If any provision of this agreement relating to the termination, non-renewal or assignment of the franchise, or to choice of law, jurisdiction or venue, is inconsistent with any applicable Franchise Law of another state, then the applicable Franchise Law of the other state will govern. Any addendum to this agreement required by a regulatory authority or agency of another state for the purpose of disclosing or effecting salient provisions of that state's Franchise Laws is hereby made a part hereof.

16.6 Jurisdiction and Venue. All suits, actions or other proceedings between Franchisee and any of the Franchisor-Related Persons must be litigated only in the county or federal judicial district in which Franchisor's principal place of business is located (presently Clermont County, Ohio, and the Southern District of Ohio, Western Division). Franchisee consents and agrees that the following courts have personal jurisdiction over Franchisee in all lawsuits with any of the Franchisor-Related Persons, and hereby submits to the jurisdiction of the following courts and irrevocably waives any defense Franchisee may have of lack of personal jurisdiction in any lawsuit filed in these courts: (a) all courts included within the state court system of the State of Ohio; and (b) all courts of the United States of America sitting within the State of Ohio, including all United States District Courts within the State of Ohio. Franchisee consents and agrees that venue is proper in any of the following courts in all lawsuits between Franchisee and any of the Franchisor-Related Persons, and hereby irrevocably waives any right Franchisee may have to transfer or change the venue in any such lawsuits filed in these courts: (a) the state court of the county where Franchisor has its principal place of business (presently Clermont County, Ohio); and (b) the United States District Court for the Southern District of Ohio, Western Division. In the event any of these courts are abolished, Franchisee agrees that venue will be proper in the state or federal court in Ohio that most closely approximates the subject matter jurisdiction of the abolished court, as well as any of these courts that are not so abolished. Any lawsuit filed by Franchisee against any of the Franchisor-Related Persons, or by any of the Franchisor-Related Persons against Franchisee, must be filed exclusively in one of these courts, except that any claim for injunctive relief may be brought by Franchisor where Franchisee is located, in which proceeding Franchisor may also assert any other mandatory or permissible claim it may have against Franchisee. This exclusive choice of jurisdiction and venue provisions does not restrict the ability of the parties to confirm or enforce arbitration awards in any appropriate jurisdiction or the full faith and credit of any judgment obtained. In all lawsuits between Franchisee and any of the Franchisor-Related Persons, Franchisee may be served with process outside the State of Ohio in the same manner that service may be made within the State of Ohio by any person authorized to make service by the laws of the state, territory, possession or country in which service is made, or by any duly qualified attorney in that jurisdiction. Franchisee hereby waives any defense it may have of insufficiency of service of process if service is made as provided in this paragraph. This method of service is not exclusive, and service of process may be made by any other method allowed by law.

16.7 Cost of Enforcement or Defense. If a claim for amounts owed by Franchisee or its Affiliate to Franchisor or its Affiliate is asserted in any arbitration or judicial proceeding or appeal thereof, or if Franchisor or Franchisee is required to enforce this agreement in an arbitration or judicial proceeding or appeal thereof, the party prevailing in the proceeding will be entitled to reimbursement of its costs and expenses, including reasonable accounting and legal expenses, arbitration administrative charges, arbitrators' compensation, and any other costs and expenses, whether incurred before, in preparation for, or in contemplation of the filing of any written demand, claim, action, hearing, or proceeding to enforce the obligations of this agreement. If Franchisor incurs expenses (including attorney and accounting fees) in connection with Franchisee's failure to pay when due amounts owing to Franchisor, to submit when due any reports, information, or supporting records or otherwise to comply with this agreement, Franchisee shall reimburse Franchisor for any such costs and expenses that it incurs.

16.8 Mediation of Disputes Between Franchisees. In the event of a dispute between Franchisee and another House Doctors Franchisee relating to or arising from (i) the violation by Franchisee of any restriction or covenant in section 1.3 or Article 15, or (ii) the violation by the other House Doctors Franchisee of a parallel covenant contained in its agreement with Franchisor, then Franchisee shall first attempt in good faith to settle the dispute by confidential, non-binding mediation before a mediator referred by American Arbitration Association ("AAA") (or any other organization upon which the parties mutually agree) and selected by the parties, in accordance with AAA's Commercial Mediation Procedures (or the procedures of such other organization), at a location to be selected by the mediator, before resorting to arbitration, litigation, or any other dispute resolution procedure (other than direct negotiation by the parties or their representatives). Franchisee shall pay all costs of mediation, unless the other House Doctors Franchisee's franchise agreement contains a clause similar to this section, in which case the parties shall equally share the costs of mediation. Franchisor may, at its option, be a party to the mediation, but will not be obligated to pay any of the costs.

ARTICLE 17

INDEPENDENT CONTRACTOR; INDEMNIFICATION

17.1 Independent Contractor. This agreement does not create a fiduciary relationship between the parties. The parties are independent contractors, and nothing in this agreement is intended to create a partnership, joint venture, employment or agency relationship between Franchisor and Franchisee for any purpose, or to authorize Franchisee to make any contract, agreement, warranty or representation on Franchisor's behalf or to incur any debt or other obligation in Franchisor's name. Franchisor will in no event assume liability for, or be deemed liable hereunder as a result of, any such action by Franchisee. Franchisor is not liable to any third party for any act or omission of Franchisee (including any claim or action against Franchisee for negligent hiring, sexual harassment, or employment discrimination) or any claim or judgment arising therefor against Franchisee. Neither this agreement nor Franchisor's course of conduct is intended, nor may anything in this agreement (nor Franchisor's course of conduct) be construed, to state or imply that Franchisor is the employer of Franchisee, Franchisee's employees and/or Franchisee's independent contractors. Franchisee shall post signage in the spaces where notices are provided to Franchisee's employees clearly stating that Franchisee is an independently owned and operated business and that Franchisor is not the employer of Franchisee's employees. **FRANCHISEE SHALL DISPLAY PROMINENTLY AT THE FRANCHISE PREMISES, ON ALL SERVICE VEHICLES, ON ALL CORRESPONDENCE WITH THIRD PARTIES, AND IN ANY PRINTED MATERIALS BEARING ITS NAME OR BUSINESS LOCATION, A STATEMENT THAT THE FRANCHISED BUSINESS IS INDEPENDENTLY OWNED AND OPERATED BY FRANCHISEE.**

17.2 Franchisee's Independent Operation. Nothing in this agreement permits or authorizes Franchisor to direct, limit, or otherwise control Franchisee's professional judgment or the professional judgment of Franchisee's employees who provide professional services at, from or through the Franchised Business. Franchisee at all times will be responsible for the operation of the Franchised Business and activities occurring at the Franchised Business. Franchisee shall have the sole right, authority, control and responsibility to choose, hire, fire, train, discipline, supervise, give direction to, determine work schedules and conditions, set and provide compensation or benefits for and manage its own employees and independent contractors; Franchisor shall not dictate or control, have responsibility for, or have any obligations in regard to, any of the foregoing or any other labor or employment matters for Franchisee and its employees or independent contractors. Franchisor and its affiliates shall not be an employer or co-employer of Franchisee or of any of Franchisee's employees or independent contractors. Franchisee will require each of its employees to sign a disclaimer acknowledging that such employee understands that Franchisee is his or her employer and that the Franchisor is not his or her employer.

17.3 Indemnification. Franchisee shall indemnify, defend, and reimburse the Franchisor-Related Persons and hold each of them harmless from and against any and all claims, debts, liabilities or obligations arising directly or indirectly from, as a result of or in connection with Franchisee's operation of the Franchised Business (excluding, however, claims arising from (i) Franchisee's proper reliance on or use of procedures or materials provided by Franchisor, or (ii) Franchisor's negligence), and shall pay all costs (including attorney and accounting fees) incurred by the Franchisor-Related Persons in defending against and/or responding to them. Franchisor has the right to defend any such claim against Franchisor in any manner Franchisor chooses in its Business Judgment. This indemnity will continue in full force and effect after the expiration or termination of this agreement.

ARTICLE 18

GENERAL TERMS

18.1 Integration. This agreement, together with its exhibits, constitutes the entire agreement between the parties relating to the subject matter hereof, and any prior agreements and understandings between the parties relating to the same subject are hereby superseded and merged into this agreement. Nothing in the Agreement or in any related agreement is intended to disclaim the representations we made in the franchise disclosure document.

18.2 Express Agreement. The parties acknowledge that their business relationship is based solely upon this agreement and agree that it should be enforced according to its express provisions. The language of this agreement is to be construed according to its plain meaning, and not strictly against a party because it drafted this agreement. Neither party intends or expects that either party's rights and obligations in this agreement will be defined or determined to be other than as expressly written, or that additional obligations will be imposed on either party that it has not expressly assumed in writing. It would be contrary to the parties' intentions and expectations to impose any doctrine, rule of interpretation, or implied covenant, such as an "implied covenant of good faith and fair dealing."

18.3 Modification. This agreement may be modified or amended only by a written instrument signed by each of the parties.

18.4 Binding Effect; Assignment. This agreement is binding upon and inures to the benefit of the parties and their respective legal representatives, heirs, successors, and assigns, except that Franchisee may not

assign any of its rights or interest in this agreement without first complying with the provisions of section 12.2.

18.5 Section Headings and Numbers. The headings in this agreement are for reference purposes only and do not affect the meaning or interpretation of any provision of this agreement. All references to section and article numbers mean section and article numbers of this agreement unless another document is specified.

18.6 Notices. All payments must be made to the addresses listed below. All notices, requests, demands and other communications required or permitted under this agreement must be in writing, addressed as provided in this section 18.6, made by personal delivery, or by certified mail, postage prepaid, return receipt requested, or by ordinary mail, postage prepaid, or by overnight delivery service with proof of delivery, and will be effective upon actual receipt or refusal thereof or, if by ordinary mail, forty-eight hours after deposit in the United States mail, postage prepaid.

or to such other person or address as Franchisee may from time to time furnish to Franchisor.

18.7 Severability.

(a) If any provision of this agreement, in whole or in part (or the application of any provision to a specific situation), is held, by the final judgment of a court of competent jurisdiction after appeal or the time for appeal has expired, to be invalid, unenforceable or in violation of any federal, state or local law, regulation or ordinance applicable to this agreement, the invalidity is to be limited to the specific provision in question or portion thereof (or to the situation in question), and this agreement is to be construed and applied in such manner as to minimize the invalidity. All other provisions of this agreement will otherwise remain in full force and effect.

(b) If any applicable and binding law or regulation of any jurisdiction requires a greater prior notice of the termination of this agreement or refusal to grant a Successor Franchise than is required hereunder, or the taking of some other action not required hereunder, or if under any applicable and binding law or regulation of any jurisdiction any provision of this agreement or any specification, standard, or operating procedure prescribed by Franchisor is invalid or unenforceable, then the prior notice and/or other action required by such law or regulation shall be substituted for the comparable provisions hereof, and Franchisor has the unlimited right to modify the invalid or unenforceable provision, specification, standard, or operating procedure to the extent required to be valid and

enforceable. Franchisor shall be bound by any promise or covenant imposing the maximum duty permitted by law that is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part of this agreement, that may result from striking from any of the provisions hereof, or from any specification, standard, or operating procedure prescribed by Franchisor, any portion or portions that a court may hold to be unreasonable and unenforceable in a final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order. Any such modifications to this agreement will be effective only in such jurisdiction, unless Franchisor elects to give them greater applicability, and are to be enforced as originally made and entered into in all other jurisdictions.

18.8 No Waiver. No failure of one party to exercise any power reserved to it under this agreement, or to insist upon strict compliance by the other party with any provision of this agreement, and no custom or practice of the parties in variance with the terms of this agreement, constitutes a waiver of a party's right to demand exact compliance with the terms of this agreement. A waiver by one party of any particular default by the other party is not binding unless in writing and executed by the party sought to be charged, and does not affect or impair the non-defaulting party's right with respect to any subsequent default of the same or of a different nature; nor does any delay, waiver, forbearance, or omission of one party to exercise any power or right arising out of any breach or default by the other party of any provision of this agreement, affect or impair the non-defaulting party's rights, nor shall such constitute a waiver by the non-defaulting party of any right under this agreement or of the right to declare any subsequent breach or default. Subsequent acceptance by Franchisor of any payment(s) due under this agreement will not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any provision of this agreement.

18.9 Counterparts. This agreement may be executed in two or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

18.10 Survival of Post-Termination Provisions. All Post-Termination Provisions of this agreement will survive the termination or expiration of this agreement or the Franchise granted under this agreement, regardless of whether the provisions specifically state so.

18.11 No Third-Party Beneficiaries. Except as may be specifically provided otherwise in and with respect to specific provisions of this agreement, nothing in this agreement is intended or will be deemed to confer any rights or remedies upon any person not a party hereto.

18.12 Interpretation. If there is an inconsistency between the terms of this agreement and the Manual, the terms of this agreement will control. Throughout this agreement, the singular includes the plural and vice versa, and the masculine includes the feminine or neuter and vice versa, wherever and whenever the context may require. The word "including" will be construed to include the words "without limitation."

18.13 Exercise of Business Judgment. In this agreement, the phrases "sole and absolute discretion," "sole discretion" and "Business Judgment" (as defined in section 19.6) mean that Franchisor has the wholly unrestricted right to make decisions and take (or refrain from taking) actions. In exercising its discretion, Franchisor will use its judgment based on its assessment of the interests it considers appropriate and is not required to consider Franchisee's individual interests or the interests of any other House Doctors Franchisee. Franchisor, Franchisee, and all other House Doctors Franchisees have a collective interest in working within a franchise system with the flexibility to adjust to changing business conditions, including the competitive environment, regulatory developments, and emerging business opportunities. Therefore the ultimate decision-making responsibility for the System must be vested in Franchisor. So long as

Franchisor acts in compliance with the requirements of this agreement, it has no liability for the exercise of its discretion in accordance with the provisions of this agreement.

18.14 Representations of Franchisee. **Franchisee makes the following representations:**

(a) Franchisee has received Franchisor's franchise disclosure document and exhibits thereto (including a list of House Doctors Franchisees, Franchisor's financial statements attached to the franchise disclosure document, and a copy of this agreement) at least fourteen days before the execution of any agreement or payment of any money relating to the Franchise.

(b) Other than disclosures made in Franchisor's franchise disclosure document received by Franchisee, no agent, salesperson, director, officer, or employee of Franchisor, or any other individual on Franchisor's behalf, has made any representations, warranties, inducements, claims, pro formas, forecasts, estimates, or any other statement regarding net or gross profits or net or gross sales of House Doctors Franchises generally or of any specific House Doctors Franchise.

(c) In connection with its decision to purchase a House Doctors Franchise and enter into this agreement, Franchisee has not relied upon any representation, warranty, inducement, claim, pro forma, forecast, estimate, or any other statement made by Franchisor, its agents, directors, officers, employees, or salesmen, or any other individual on behalf of Franchisor regarding financing, net or gross profits or net or gross sales of House Doctors Franchisor's generally or of any specific House Doctors Franchise, or any other material fact relating to the development of House Doctors Franchises in the area in which Franchisee intends to locate its Franchise, or any other matter pertaining to Franchisor, other than disclosures made in Franchisor's franchise disclosure document received by Franchisee.

(d) At the time Franchisee signs this agreement, there is no other written or unwritten agreement, representation, understanding, proviso, or warranty made by Franchisor or any person associated with Franchisor, other than those contained in either this agreement, an addendum hereto, or Franchisor's franchise disclosure document received by Franchisee.

(e) Franchisee acknowledges that Franchisor has not made any of the following representations: (i) That Franchisee will be provided with retail outlets or accounts, or assistance in establishing retail outlets or accounts, for the sale or distribution of goods or services supplied by Franchisor, a third person with whom Franchisee is advised or required to do business by Franchisor or a person affiliated with Franchisor (the "goods or services"); (ii) That the Franchisee will be provided locations, or assistance in finding locations, for vending machines, electronic games, racks, display cases, currency-operated amusement machines or devices, or any other similar equipment or displays; (iii) That the Franchisee can earn a profit in excess of the Initial License Fee; (iv) That there is a market for the goods or services; (v) That the Franchisor, an affiliated person, or other person will refund the Initial License Fee or other payment (or evidence of payment obligation) made by the Franchisee or repurchase any of the goods or services, products, equipment or supplies supplied by Franchisor or other person recommended by Franchisor, if the Franchisee is dissatisfied with the Franchise, upon termination or nonrenewal of this Franchise or otherwise; (vi) That the Franchisor, an affiliated person or other person will purchase any finished goods or other products to be sold by the Franchisee, or any finished goods or other products made,

produced, fabricated, grown, bred or modified by the Franchisee utilizing the goods or services supplied by Franchisor, an affiliated person or another person with whom the Franchisee is advised or required to do business by Franchisor; (vii) That the Franchisor guarantees that the Franchisee will derive income from this Franchise; (viii) Any oral, written or visual representation concerning potential sales, income, or gross or net profit (other than, if at all, as set forth in Item 19 of a franchise offering circular previously received by Franchisee); (ix) That the Franchisee's Initial License Fee or any promise to pay is protected from loss or that any payment or promise to pay by Franchisee is a secured investment; nor (x) That the Franchisee's Initial License Fee or any promise to pay is secured in any manner.

Franchisee specifically understands that Franchisor is relying upon the truthfulness and accuracy of the representations in subparagraphs (a) through (e) above, and understands that Franchisor would not enter into this agreement with Franchisee if Franchisor was aware that any of the representations are false, inaccurate or incomplete.

_____ Initials of Franchisee or individual signing on behalf of Franchisee

(f) Franchisee understands that Franchisor's salesmen are not authorized to bind Franchisor in any way, and that any agreement between Franchisor ad Franchisee must be signed by an authorized officer of Franchisor.

(g) Franchisee understands that all or any part of the Territory previously may have been part of the franchise territory of another House Doctors Franchisee.

ARTICLE 19

DEFINITIONS

To simplify this agreement and make it easier to read and understand, certain terms have been defined below and will be capitalized throughout the agreement. Capitalized words that are not defined below are defined in the section where they first appear.

19.1. "Advertising Contribution" means the recurring fee Franchisee is required to make under section 5.3 to any Advertising Fund established under section 11.2.

19.2. "Advertising Fund" means a branding, marketing, or advertising fund established under section 11.2.

19.3. "Affiliate" means a person that controls, is controlled by, or is under common control with another person. As to Franchisee, it includes an owner of any interest in Franchisee or the Franchised Business, any employee or agent of Franchisee, and any person controlled by any of the foregoing.

19.4. "Anti-Terrorism Laws" means Executive Order 13224 issued by the President of the United States, the Terrorism Sanctions Regulations (Title 31, Part 595 of the U.S. Code of Federal Regulations), the Foreign Terrorist Organizations Sanctions Regulations (Title 31, Part 597 of the U.S. Code of Federal Regulations), the Cuban Assets Control Regulations (Title 31, Part 515 of the U.S. Code of Federal Regulations), the "Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001" (the "USA PATRIOT Act"), and all other present and future federal, state and local laws, ordinances, regulations, policies, lists, and other requirements of any

governmental authority (including the United States Department of Treasury Office of Foreign Assets Control) addressing or in any way relating to terrorist acts and acts of war.

19.5. "Authorized Products and Services" are those products and services that Franchisee is permitted and required to offer and provide (currently including residential and commercial property maintenance, repair, and remodeling services), as more specifically described in the Manual.

19.6. "Business Judgment" means that Franchisor is allowed to exercise its judgment however it considers to be appropriate in its sole and unfettered discretion (except that it may not do so arbitrarily), and has the unrestricted right to make decisions and take or refrain from taking actions (except that it may not do so arbitrarily), and has the right to do so even if a particular decision/action may have negative consequences for Franchisee, another House Doctors Franchisee, or a group of House Doctors Franchisees. The exercise of Business Judgment is critical to Franchisor's role as the franchisor of the System and to Franchisor's goals for the continuing improvement of the System. This definition is not intended to incorporate principles related to the application of the business judgment rule in a corporate law context.

19.7. "Business Organization" means a corporation, limited liability company, limited liability partnership, limited company, partnership of any kind, joint venture, unincorporated association, or other organization formed for a commercial purpose.

19.8. "Communication and Information System" means the computer and communications system described in section 7.18 that Franchisee is required to purchase and use in the operation of the Franchised Business.

19.9. "Competitive Business" means a business that offers or sells, or franchises or licenses others to operate a business that offers or sells, residential or commercial property maintenance, repair, or remodeling services or any other products or services similar to those offered as part of the System or in which Confidential Information could be used to the disadvantage of Franchisor, its Affiliates, or other House Doctors Franchises, or that is competitive with the services or products offered by House Doctors Franchises.

19.10. "Confidential Information" is defined in section 10.1.

19.11. "Controlling Interest" means the direct or indirect ownership (legal or beneficial) or control of more than 50% of the equity, profits, or voting control of a Business Organization.

19.13. "Effective Date" means the date this agreement becomes effective as defined on the signature page.

19.15. "Franchised Business" means the House Doctors Franchise that Franchisee is licensed to operate under this agreement.

19.16. "Franchisee" means, in addition to the person or persons identified as "Franchisee" on Exhibit A, all Principals and Remote Principals of a Business Organization that executes this agreement as Franchisee, and all persons who succeed to the interest of the original Franchisee by permitted transfer or operation of law. By signing this agreement, each of the Principals and Remote Principals of the Business Organization that executes this agreement as Franchisee, acknowledges and accepts the duties and obligations imposed upon each of them, individually, by this agreement. All Principals and Remote Principals of Franchisee must, by separate agreement, personally guarantee all of Franchisee's obligations to Franchisor. If two or more individuals are the "Franchisee" under this agreement, their liability to Franchisor is joint and several.

19.17. "Franchisee Intranet" is the electronic system established and maintained by Franchisor or its designee to provide private and secure communications between Franchisor, Franchisee, other House Doctors Franchisees, and other authorized users as determined by Franchisor in its Business Judgment, including House Doctors Franchisees who enter into and abide by the Terms of Use Agreement, as described in section 7.18(k).

19.18. "Franchise Law" means a statute, regulation or rule that (i) regulates the sale of franchises, franchise investments or business opportunities; (ii) regulates the relationship between a franchisor and a franchisee or between a business opportunity seller and purchaser; or (iii) requires the delivery, filing or registration of a pre-sale franchise or business opportunity disclosure document.

19.21. "General Release" is a release, in the form prescribed by Franchisor at the time the release is to be delivered, of any and all claims, liabilities and obligations of any nature, including those existing as of, and/or arising before, the date of the release, however arising, whether known or unknown, whether against Franchisor and/or any or all of the Franchisor-Related Persons, the Advertising Fund (as defined in section 11.2), or any other branding, marketing, or advertising fund, and whether by Franchisee, any Principal or Remote Principal of Franchisee, and/or any Affiliate of any of the foregoing. A copy of Franchisor's current General Release language (which is subject to change) is attached as Exhibit D.

19.22. "Good Standing" means that Franchisee and each of its Principals and Affiliates are not in default of any obligation to Franchisor and/or any of the Franchisor-Related Persons, whether arising under this agreement or any other agreement between Franchisee (and/or each of its Principals and Affiliates) and Franchisor (and/or any of the Franchisor-Related Persons), under the Manual, or under other System Standards (collectively, the "Obligations"). Franchisee is not in Good Standing if Franchisee has been in default of any Obligation and the default is incurable by nature or part of a series of repeated defaults as defined in this agreement.

distinctive standards, methods, procedures, and specifications developed by Franchisor for the promotion and provision of services, distinctive advertising, specially-designed business forms for efficient business operation, operating manuals, and training courses, all of which may be supplemented, modified, or withdrawn by Franchisor from time to time.

Franchisor may specify the types of advertising and promotional activities and costs that do not qualify as "Local Advertising," including, by way of example and not limitation, the face value of promotional coupons, cash donations, the cost of products or services donated or provided at a discount to charitable organizations, and telephone directory listings and advertisements.

19.29. "Marks" are the trademarks, service marks, trade names, trade dress, and other commercial symbols that Franchisor or its Affiliate uses or may adopt to identify the products and/or services offered under the System, including the HOUSE DOCTORS® and HOUSE MEDIC™ service marks. "Marks" do not include trademarks, service marks, trade names, trade dress, and other commercial symbols used to identify the products and/or services offered by franchisees of another system (even if they are Competitive Businesses) acquired by Franchisor or its Affiliate.

19.30. "Manual" means the HOUSE DOCTORS operating manual and other items that Franchisor may provide in the future, including other manuals and all books, computer programs, pamphlets, memoranda, and other publications prepared by or on behalf of Franchisor, as may be added to, modified, or withdrawn by Franchisor from time to time, containing the standards, methods, procedures, and specifications of the System.

19.38. "Person", whether or not capitalized, includes a corporation, limited liability company, partnership of any kind, joint venture, unincorporated association, estate, trust, charitable organization, government, governmental body and agency, commission, and any other entity and organization, as well as an individual.

19.39. "Post-Termination Provisions" are those obligations in this agreement that are intended by their nature to survive the expiration, transfer, repurchase, or termination of this agreement (for any reason), including confidentiality, noncompetition, indemnification, de-identification, interpretation, and dispute resolution provisions in sections 2.3, 5.8, 7.10, 8.2, 8.3, 9.2, 10.2, 10.3, 13.3, 15.3, 15.4, 15.9, and Articles 14, 16, 17 and 18.

GENERAL RELEASE LANGUAGE

1. Release – General Provisions. Franchisee and each of the Principals and Remote Principals of Franchisee, and all Affiliates of any of them, on their own behalf and on behalf of their respective successors, assigns, and anyone claiming through or under them (collectively referred to as the "Releasing Parties"), hereby waive, release, acquit, and forever discharge each and all of the Franchisor-Related Persons of and from any and all manner of action or actions, cause or causes of action, in law or in equity, suits, debts, liens, liabilities, claims, demands, damages, losses or expenses, of any nature whatsoever, known or unknown, fixed or contingent, which they have, or may hereafter have, against the Franchisor-Related Persons, individually or collectively, including all matters, causes or things whatsoever, that were or have been, or could have in any way been alleged in any pleadings filed in any suit or arbitration (the "Claims").

2. Without limiting the generality of paragraph 1, the Releasing Parties intend this release, as it pertains to Claims by them or to anyone claiming through or under them, to cover, encompass, relinquish, and extinguish all Claims against the Franchisor-Related Persons, including all Claims arising from any misrepresentation in or omission from any disclosure document received by Franchisee or any of the Affiliates, Principals, or Remote Principals of Franchisee, or from a violation of the Sherman Antitrust Act, the Federal Trade Commission Act, the Federal Trade Commission Trade Regulation Rule entitled *Disclosure Requirements and Prohibitions Concerning Franchising* (16 CFR Part 436), any amendment or successor to any of the foregoing statutes or regulations, or any other federal or state (including the state in which the principal office of the Franchised Business is located and the state in which Franchisee was organized) securities, franchise, business opportunity, antitrust, consumer protection, or unfair or deceptive trade practices law or regulation.

3. The Releasing Parties expressly acknowledge and agree that the Claims each of them is releasing include any and all claims of every nature and kind whatsoever, whether known or unknown, suspected or unsuspected, foreseen or unforeseen, accrued or contingent, intentional or unintentional, and liquidated or unliquidated. The Releasing Parties specifically waive the protection afforded by any statute or law in any jurisdiction, the purpose, substance, or effect of which is to provide that a general release does not extend to claims, material or otherwise, which do not exist or which the person giving the release does not know or suspect to exist at the time of executing the release. The Releasing Parties intend for this release to be as broad as is permitted by law and unqualifiedly general in scope and effect, and that any Claims against any of the Franchisor-Related Persons are hereby forever canceled and forgiven.

4. For California Franchisees. The Releasing Parties acknowledge that they are familiar with the provisions of California Civil Code Section 1542 and intend this release to cover, encompass, release, and extinguish, among others, all claims and matters that might otherwise be reserved by California Civil Code section 1542, which provides as follows:

> "A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR."

THE RELEASING PARTIES, BEING AWARE OF CALIFORNIA CIVIL CODE SECTION 1542, HEREBY EXPRESSLY WAIVE ALL OF THEIR RIGHTS THEREUNDER, AS WELL AS UNDER ANY OTHER STATUTES OR COMMON LAW PRINCIPLES OF SIMILAR EFFECT OF ANY APPLICABLE JURISDICTION (INCLUDING THE STATE IN WHICH THE PRINCIPAL OFFICE OF THE FRANCHISED BUSINESS IS LOCATED AND THE STATE IN WHICH FRANCHISEE WAS ORGANIZED).

5. Risk of Mistake. The Releasing Parties expressly assume the risk of any mistake of fact or fact of which they may be unaware or that the true facts may be other than any facts now known or believed to exist by them, and it is their intention to forever settle, adjust and compromise any and all present and future disputes with respect to all matters from the beginning of time to the date of this document, finally and forever, and without regard to who may or may not have been correct in their understanding of the facts, law or otherwise. All releases given by the Releasing Parties are intended to constitute a full, complete, unconditional and immediate substitution for any and all rights, claims, demands and causes of action that exist, or might have existed, on the date of this release. The Releasing Parties represent and warrant that they have made such independent investigation of the facts, law and otherwise pertaining to all matters discussed, referred to or released in or by this release as the Releasing Parties, in their independent judgment, believe necessary or appropriate. The Releasing Parties have not relied on any statement, promise, or representation, whether of fact or law, or lack of disclosure of any fact or law, by the Franchisor-Related Persons or anyone else, not expressly set forth herein, in executing this document and the related releases.

6. No Assignment or Transfer of Interest. The Releasing Parties represent and warrant that there has been, and there will be, no assignment or other transfer of any interest in any Claims that the Releasing Parties may have against any or all of the Franchisor-Related Persons, all Claims having been fully and finally extinguished, and the Releasing Parties shall forever indemnify and hold the Franchisor-Related Persons harmless from any liability, claims, demands, damages, losses, costs, expenses or legal fees incurred by any of the Franchisor-Related Persons as a result of any person asserting any interest in any of the Claims or any voluntary, involuntary or other assignment or transfer, or any rights or claims under any assignment, transfer, or otherwise. It is the intention of the parties that this indemnity does not require payment by any of the Franchisor-Related Persons as a condition precedent to recovery against the Releasing Parties under this indemnity.

7. Legal expenses. If the Releasing Parties, or any person acting for or on behalf of, the Releasing Parties or claiming to have received, by assignment or otherwise, any interest in any of the Claims, commence, join in, or in any manner seek relief through any suit or other legal or equitable proceeding arising out of, based upon or relating to any of the Claims released hereunder, or in any manner asserts against all or any of the Franchisor-Related Persons any of the Claims released hereunder, the Releasing Parties shall pay all legal expenses and other costs incurred by any of the Franchisor-Related Persons in defending or otherwise responding to said suit or assertion, directly to the Franchisor-Related Persons incurring such costs.

8. Date of Releases; Joint and Several Liability. The releases granted hereunder will be deemed effective as to each of the Releasing Parties as of the date this document is signed by each of the Releasing Parties. The liabilities and obligations of each of the Releasing Parties (and any other person providing releases to the Franchisor-Related Persons) will be joint and several.

5. CONFIDENTIALITY OF CERTAIN INFORMATION

All provisions of the Franchise Agreement pertaining to Confidential Information apply to all content located on the Franchisee Intranet.

6. CONDUCT

(a) Franchisee may not use the Franchisee Intranet for any purpose that is unlawful or prohibited by this agreement. Any unauthorized use of the Franchisee Intranet is expressly prohibited, and Franchisor reserves the right remove inappropriate material and to deny access to the Franchisee Intranet to Franchisee if Franchisee or any of its employees use the Franchisee Intranet for an unauthorized purpose.

(b) Franchisee is responsible for all User Content that Franchisee or its employees post or make available on the Franchisee Intranet, including all messages, e-mail, data, text, photographs, graphics, video, and other materials or information transmitted via the Franchisee Intranet (except information that Franchisor posts), whether posted for general viewing or transmitted privately. If Franchisee or its employees upload, post, e-mail or otherwise transmit any User Content, Franchisee is responsible for its compliance with this agreement. Franchisor does not screen, edit or control User Content, and Franchisor does not accept responsibility for its truthfulness, accuracy, or suitability. Under no circumstances will Franchisor be liable in any way for any User Content, including errors or omissions in any User Content, or for any loss or damage of any kind incurred as a result of the use of any User Content posted, e-mailed or otherwise transmitted via the Franchisee Intranet.

(c) Franchisee may not use the Franchisee Intranet to:

(1) upload, post, e-mail or otherwise transmit any User Content that is unlawful, harmful, threatening, abusive, harassing, defamatory, vulgar, obscene, invasive of another's privacy, hateful, or racially, ethnically, or otherwise offensive;

(2) impersonate any Person;

(3) disguise the authorship or origin of any User Content Franchisee transmits;

(4) upload, post, e-mail or otherwise transmit any User Content that Franchisee does not have a right to transmit under any law or under contractual or fiduciary relationships (such as inside information or Confidential Information);

(5) upload, post, e-mail or otherwise transmit any User Content that infringes any patent, trademark, trade secret, copyright or other proprietary rights of any Person;

(6) upload, post, e-mail or otherwise transmit any unsolicited or unauthorized advertising, promotional materials, "junk mail," "spam," "chain letters," or any other form of solicitation;

(7) upload, post, e-mail or otherwise transmit any material that contains software viruses or any other computer code, files or programs designed to interrupt, destroy or limit the functionality of any computer software or hardware or telecommunications equipment;

(8) disrupt the normal flow of dialogue, cause a screen to "scroll" faster than normal, or otherwise act in a manner that negatively affects other users' ability to engage in orderly exchanges;

(9) interfere with or disrupt servers or networks connected to the Franchisee Intranet;

(10) "stalk" or otherwise harass another; or

(11) collect or store personal data about other users.

(d) Franchisor has the right in its Business Judgment to block or remove any objectionable User Content that Franchisee transmits or makes available via the Franchisee Intranet. Without limiting the generality of the foregoing, Franchisor may remove any User Content that violates this agreement or the Franchise Agreement or that is otherwise objectionable.

(e) Franchisor stores and preserves User Content and may disclose it if required by law or in the good faith belief that such disclosure is reasonably necessary (a) to comply with legal process, (b) to enforce this agreement or any other agreement to which Franchisor are a party, (c) to respond to claims that any User Content violates the rights of third-parties, or (d) to protect the rights, property and personal safety of Franchisor, its employees and franchisees, and their employees and/or suppliers and venders.

(f) Franchisor may transmit and store Franchisee's User Content over various networks, computer servers and other technological means, and Franchisor may modify Franchisee's User Content to conform and adapt it to technical requirements of connecting networks or devices.

(g) Franchisor will immediately suspend or terminate the rights of any User ID that Franchisor believes, in its Business Judgment, is being used to disseminate "spam" or other unsolicited bulk e-mail.

7. LICENSE TO REPUBLISH USER CONTENT

Franchisee grants Franchisor a royalty-free, perpetual, irrevocable, non-exclusive, fully assignable, worldwide right and license to use, reproduce, modify, adapt, publish, translate, create derivative works from, distribute, perform and display all or any part of the User Content that Franchisee transmits and/or to incorporate it with and into other works in any form, media, or technology now known or later developed.

8. RIGHT TO MODIFY

Franchisor has the right to modify the Franchisee Intranet as appropriate or necessary in its Business Judgment and to modify the Terms of Use Agreement governing the use of the Franchisee Intranet in the same manner that Franchisor modifies, amends or supplements the Manual. This agreement and any modifications to it constitute a part of the Manual. Franchisor has the right at any time and from time to time to modify or discontinue, temporarily or permanently, the Franchisee Intranet (or any of its features), with or without notice. 10. USE AND STORAGE

Franchisor may establish general practices and limits concerning use of the Franchisee Intranet, including the maximum number of days that e-mail messages, message board postings or other uploaded User Content will be retained on or by the Franchisee Intranet, the maximum number of e-mail messages that may be sent from or received by an account, the maximum size of any e-mail message that may be sent from or received by an account, the maximum disk space that will be allotted on Franchisor's servers on Franchisee's behalf, and the maximum number of times (and the maximum duration for which) Franchisee may access the Franchisee Intranet in a given period. Franchisor disclaims any responsibility or liability for the deletion or failure to store any messages and other communications or other User Content maintained or transmitted by the Franchisee Intranet. Franchisor has the right to change these general practices and limits at any time, in its Business Judgment, with or without notice.

Any violation or breach of this agreement by Franchisee or its employees will be deemed a breach of the Franchise Agreement. In addition to any other rights or remedies Franchisor may have, if Franchisee repeatedly breaches this agreement, Franchisor may terminate Franchisee's password, e-mail account or other use of the Franchisee Intranet and thereafter supply Franchisee with paper copies of the Manual, bulletins and other materials that Franchisor is required to provide Franchisee under the Franchise Agreement. Franchisor is not liable to Franchisee or any third party for any termination or suspension of Franchisee's access to the Franchisee Intranet. Access to Franchisee Intranet will be terminated upon termination or expiration of the Franchise Agreement, Franchisee's abandonment of the Franchised Business, or if Franchisee otherwise leaves the System.

ADDENDUM FOR SUCCESSOR FRANCHISE AGREEMENT

SUCCESSOR FRANCHISE ADDENDUM

TO HOUSE DOCTORS FRANCHISE AGREEMENT

This addendum is between SALTIRE BRANDS LLC ("Franchisor") and _____ _____ ("Franchisee").

PREAMBLE:

A. Franchisee has been operating a House Doctors Franchise under a franchise agreement with Franchisor (the "Prior Franchise Agreement") that was executed on _____ and will expire on _____.

B. Franchisee has requested and Franchisor has agreed to grant Franchisee a Successor Franchise under section 2.2 of the Prior Franchise Agreement.

C. Accordingly, simultaneously with their execution of this addendum, Franchisor and Franchisee are entering into Franchisor's current form of House Doctors franchise agreement (the "Franchise Agreement").

D. This addendum modifies certain aspects of the Franchise Agreement to reflect the fact that Franchisee is obtaining a Successor Franchise and that it is an experienced operator of a House Doctors Franchise, and to delete and/or waive the provisions of the Franchise Agreement that are intended to apply only to new franchisees.

THEREFORE, the parties hereby amend the Franchise Agreement and agree as follows:

1. Amendment of Franchise Agreement; Defined Terms. This addendum is an integral part of, and is incorporated into, the Franchise Agreement. Nevertheless, this addendum supersedes any inconsistent or conflicting provisions of the Franchise Agreement. The parties hereby ratify and affirm the Franchise Agreement in all other respects. Capitalized terms used but not defined in this addendum are defined in the Franchise Agreement.

2. Effective Date. The "Effective Date" and the first day of the term of the Franchise Agreement and this addendum is the day after the expiration date of the Prior Franchise Agreement, regardless of the actual date that the agreements were signed.

3. Option to Acquire Successor Franchise. Notwithstanding anything to the contrary in section 2.2 of the Franchise Agreement, Franchisee has the right to be granted one Successor Franchise if Franchisee complies with the conditions in subparagraphs (a) through (f) of section 2.2.

4. Initial Franchise Fee. No Initial Franchise Fee or Territory Fee is required for a Successor Franchise. Accordingly, Article 4 of the Franchise Agreement is inapplicable and is hereby deleted in its entirety.

5. Training and Operating Assistance. Franchisor has already satisfied its obligations under sections 6.2 and 6.3 and subparagraphs (a) through (f) of section 6.1 of the Franchise Agreement to provide Franchisee with initial training, and other pre-opening assistance, and to loan Franchisee a copy of the Manual. However, Franchisee shall comply with Franchisor's current training requirements, including any refresher training programs or training requirements specifically designed for Successor Franchisees.

6. Business Operation. Franchisee has already opened the Franchised Business before the Effective Date. Accordingly, the first sentence of section 7.6 of the Franchise Agreement, which gives Franchisee six months after the Effective Date to open the Franchised Business, is hereby deleted.

7. Minimum Gross Sales. The Minimum Quarterly Gross Sales throughout the entire term of the Successor Franchise Agreement is $_____. Section 7.7 of the Franchise Agreement is hereby amended accordingly.

8. Exclusive Relationship. Franchisee represents that, except for other House Doctors Franchises operated under franchise agreements with Franchisor, neither Franchisee nor any Affiliate, Principal, or Remote Principal of Franchisee, nor any member of the immediate families of any Affiliate, Principal, or Remote Principal of Franchisee: (a) have any Ownership Interest in any Competitive Business; (b) have any Ownership Interest in any Person that grants franchises or licenses to others to operate Competitive Businesses; or (c) perform services as a director, officer, manager, employee, consultant, representative, agent or otherwise for any Competitive Business or any Person that grants franchises or licenses to others to operate Competitive Businesses.

9. Releases. Simultaneously with the execution of this addendum, Franchisee and each of its Principals and Remote Principals must sign and deliver to Franchisor a General Release in the form attached to the Franchise Agreement as Exhibit C.

10. Transfers. The Franchise Agreement requires that Franchisor's then-current form of Franchise Agreement and ancillary agreements be executed in connection with any Transfer. Accordingly, in the event of a Transfer, the transferee will be required to sign Franchisor's standard form of Assignment and Assumption Agreement and execute Franchisor's then-current franchise agreement, which require the transferee to assume all of Franchisee's obligations under the Franchise Agreement. However, this addendum will automatically be cancelled and will no longer apply in any manner, so that the transferee will be bound by the Franchise Agreement alone, without reference to this addendum. The parties recognize that the accommodations made by Franchisor in this addendum are personal to Franchisee.

11. Remaining Terms Unaffected. All terms of the Franchise Agreement not deleted, modified or waived by this addendum remain binding on the parties.

The parties are signing this addendum on the dates below.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Saltire Brands, LLC dba House Doctors as of December 31, 2020 and 2019, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Saltire Brands, LLC dba House Doctors and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of Saltire Brands, LLC dba House Doctors internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Saltire Brands, LLC dba House Doctors ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

SALTIRE BRANDS, LLC DBA HOUSE DOCTORS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2020 AND 2019

NOTE 1 – NATURE OF COMPANY AND OPERATIONS

Saltire Brands, LLC dba House Doctors (the "Company") was formed on May 25, 2012 as an Ohio limited liability company. The Company is a franchisor that offers franchises to operate a residential and commercial property maintenance, repair, and remodeling services business under the trade name Saltire Brands, LLC dba House Doctors (or House Medic in certain markets). The Company also provides training and supervisory and administrative services for the franchisees.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accounting and reporting policies of the Company conform with accounting principles generally accepted in the United States of America ("GAAP") as contained in the Accounting Standards Codification ("ASC") issued by the Financial Accounting Standards Board ("FASB"). The financial statements of the Company have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. A summary of significant accounting policies follow and are described below to enhance the usefulness of the financial statements to the reader.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For balance sheet purposes, the Company considers all highly liquid debt instruments, with a maturity of 3 months or less at date of purchase to be cash equivalents. There were no cash equivalents as of December 31, 2020 and 2019.

Restricted Cash

Restricted cash consists of cash held for the franchisees' advertising fund. Franchisees contribute a percentage of their sales to the advertising fund. The Company does not recognize the receipt of these funds, nor does it recognize related expenses. Therefore, they are not included in these financial statements. The fund available to franchisees for advertising is recorded as a payable on the Company's balance sheet.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable

Accounts receivable are stated at net realizable value. The Company provides an allowance for doubtful accounts based on management's periodic review of accounts. Accounts are considered delinquent when payments have not been received within the agreed upon terms, and are written off when management determines that collection is not probable. The allowance for doubtful accounts was $ 1,000 and $1,000 at December 31, 2020 and 2019, respectively.

Goodwill

The Company acquired substantially all the assets of the Saltire Brands, LLC dba House Doctors franchise system from H.D. Franchising Systems, LLC on June 14, 2012, which resulted in the recognition of goodwill in the amount of $97,000. Goodwill represents the excess of cost over fair value of assets of the House Doctors franchise system acquired. Effective 2014 the Company adopted the amendment to ASC 350 *Intangibles-Goodwill and Other,* allowing the Company to amortize goodwill on the straight-line method over ten years.

Fixed Assets

Fixed assets are stated at cost. Depreciation of fixed assets is recorded using the straight-line method over the estimated useful lives of the assets. Maintenance and repair costs are expensed as incurred. The Company capitalizes furniture and equipment with amounts over $500.

The estimated useful lives of fixed assets are as follows:

Furniture and equipment	3-5 years
Auto	5 years

Revenue Recognition

The Company franchises Saltire Brands, LLC dba House Doctors. The Company executes franchise agreements for each franchisee which sets out the terms of the arrangement. The franchise agreements require the franchisee to pay an initial, nonrefundable fee and continuing fees based upon a percentage of sales. Subject to the Company's approval and payment of a renewal fee, a franchisee may generally renew the franchise agreement upon its expiration.

Franchise Fees – We required the entire non-refundable initial franchise fee to be paid upon execution of a franchise agreement. Initial franchise fees are recognized upon execution of the franchise agreement by the franchisee. Our services under the franchise agreement include: training of franchisees and staff, site selection, construction/vender management and ongoing operations support. The services we provide are highly interrelated with the franchise license and as such are considered to represent a single performance obligation.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition (Continued)

Royalties and Advertising Fund Revenue – We collect royalties from our franchisees, as stipulated in the franchise agreement, equal to 6% of gross service sales and 4% of gross material sales, as well as a marketing and advertising fee equal to 2% of gross sales. Royalties, including franchisee contributions to advertising funds, are calculated as a percentage of sales over the term of the franchise agreement. The franchise agreement royalties, inclusive of advertising fund contributions, represent sales-based royalties that are related entirely to our performance obligation under the franchise agreement and are recognized as franchisee clinic level sales occur. Royalties and marketing and advertising fees are collected weekly.

Income Taxes

The Company, with the consent of its Member, has elected to be formed as a limited liability company. The operating agreement of the Company, construed under Ohio laws, states that the Company will be treated as a partnership for federal and state income tax purposes. In lieu of paying taxes at the company level, the members of a limited liability company are taxed on their proportionate share of a company's taxable income. Therefore, no provision or liability for federal or state income taxes has been included in the accompanying financial statements.

The Company follows the provisions of *Accounting for Uncertainty in Income Taxes* as required by the ASC standards. The Company recognizes the financial statement benefit of a tax position only after determining that the relevant tax authority would be more likely than not sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement with the relevant tax authority. The Company does not believe the financial statements include any uncertain tax positions. The Company's tax returns for 2015 through 2019 are subject to examination by the Internal Revenue Service (IRS); however, the Company has not been informed that the IRS intends to conduct such examinations.

Concentrations of Credit Risk

The Company's financial instruments that are exposed to concentrations of credit risk consist primarily of cash. The Company places its cash with high credit quality financial institutions. At times such cash may be in excess of FDIC insurance limits.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

In conformity with the ASC standards, the Company has evaluated for disclosure all subsequent events and transactions through March 19, 2021, which was the date the financial statements were available to be issued for the year ended December 31, 2020.

The Company received funds in the form of a loan from the Paycheck Protection Program, a forgivable loan program offered through the United States government Small Business Administration to help small businesses retain employees. As of January 8, 2021, this loan has been forgiven.

NOTE 8 – NEW ACCOUNTING STANDARDS

In May, 2014, the FASB issued ASU 2014-09, Revenue from Contracts with Customers. The standard's core principle is that an organization will recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the organization expects to be entitled in exchange for those goods or services. This standard also includes expanded disclosure requirements that result in an entity providing users of financial statements with comprehensive information about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contract with customers. The standard was adopted for the entity's year ending December 31, 2020.

In February 2016, the FASB issued ASU 2016-2, Leases. The standard requires all leases with terms over 12 months to be capitalized as a right-of-use asset and lease liability on the balance sheet at the date of lease commencement. Leases will be classified as either finance or operating, which will be relevant for the pattern of expense recognition. This standard will be effective for the company's year ending December 31, 2021.

NOTE 9 – RISKS AND UNCERTAINTIES

In March of 2020, the World Health Organization declared the outbreak of the COVID-19 a pandemic which continues to spread throughout the United States. COVID-19 has caused a severe negative impact on the world economy and has contributed to significant declines and volatility in financial markets. The duration and impact of the COVID-19 pandemic, as well as the effectiveness of government and central bank responses, remains unclear at this time. It is not possible to reliably estimate the duration and severity of these consequences, as well as their impact on the financial position and results of the Company for future periods. Management is carefully monitoring the situation and evaluating its options as circumstances evolve.

Report on the Financial Statements

We have audited the accompanying financial statements of House Doctors (an Ohio single member limited liability company) which comprise the balance sheets as of December 31, 2019 and 2018, and the related statements of income, member's equity and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United State of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statement to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentations of the financial statements.

HOUSE DOCTORS
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2019 AND 2018

NOTE 1 – NATURE OF COMPANY AND OPERATIONS

House Doctors (the "Company") was formed on May 25, 2012 as an Ohio limited liability company. The Company is a franchisor that offers franchises to operate a residential and commercial property maintenance, repair, and remodeling services business under the trade name House Doctors (or House Medic in certain markets). The Company also provides training and supervisory and administrative services for the franchisees.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accounting and reporting policies of the Company conform with accounting principles generally accepted in the United States of America ("GAAP") as contained in the Accounting Standards Codification ("ASC") issued by the Financial Accounting Standards Board ("FASB"). The financial statements of the Company have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. A summary of significant accounting policies follow and are described below to enhance the usefulness of the financial statements to the reader.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For balance sheet purposes, the Company considers all highly liquid debt instruments, with a maturity of 3 months or less at date of purchase to be cash equivalents. There were no cash equivalents as of December 31, 2019 and 2018.

Restricted Cash

Restricted cash consists of cash held for the franchisees' advertising fund. Franchisees contribute a percentage of their sales to the advertising fund. The Company does not recognize the receipt of these funds, nor does it recognize related expenses. Therefore, they are not included in these financial statements. The funds available to franchisees for advertising is recorded as a payable on the Company's balance sheet.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable

Accounts receivable are stated at net realizable value. The Company provides an allowance for doubtful accounts based on management's periodic review of accounts. Accounts are considered delinquent when payments have not been received within the agreed upon terms, and are written off when management determines that collection is not probable. The allowance for doubtful accounts was $1,000 and $1,000 at December 31, 2019 and 2018, respectively.

Goodwill

The Company acquired substantially all the assets of the House Doctors franchise system from H.D. Franchising Systems, LLC on June 14, 2012, which resulted in the recognition of goodwill in the amount of $97,000. Goodwill represents the excess of cost over fair value of assets of the House Doctors franchise system acquired. Effective 2014 the Company adopted the amendment to ASC 350 *Intangibles-Goodwill and Other,* allowing the Company to amortize goodwill on the straight-line method over ten years.

Fixed Assets

Fixed assets are stated at cost. Depreciation of fixed assets is recorded using the straight-line method over the estimated useful lives of the assets. Maintenance and repair costs are expensed as incurred. The Company capitalizes furniture and equipment with amounts over $500.

The estimated useful lives of fixed assets are as follows:

Furniture and equipment	3-5 years
Auto	5 years

Revenue Recognition

The Company franchises House Doctors. The Company executes franchise agreements for each franchisee which sets out the terms of the arrangement. The franchise agreements require the franchisee to pay an initial, nonrefundable fee and continuing fees based upon a percentage of sales. Subject to the Company's approval and payment of a renewal fee, a franchisee may generally renew the franchise agreement upon its expiration.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Company, with the consent of its Member, has elected to be formed as a limited liability company. The operating agreement of the Company, construed under Ohio laws, states that the Company will be treated as a partnership for federal and state income tax purposes. In lieu of paying taxes at the company level, the members of a limited liability company are taxed on their proportionate share of a company's taxable income. Therefore, no provision or liability for federal or state income taxes has been included in the accompanying financial statements.

The Company follows the provisions of *Accounting for Uncertainty in Income Taxes* as required by the ASC standards. The Company recognizes the financial statement benefit of a tax position only after determining that the relevant tax authority would be more likely than not sustain the position following an audit. For tax positions meeting the more-likely-than-not threshold, the amount recognized in the financial statements is the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement with the relevant tax authority. The Company does not believe the financial statements include any uncertain tax positions. The Company's tax returns for 2015 through 2019 are subject to examination by the Internal Revenue Service (IRS); however, the Company has not been informed that the IRS intends to conduct such examinations.

Concentrations of Credit Risk

The Company's financial instruments that are exposed to concentrations of credit risk consist primarily of cash. The Company places its cash with high credit quality financial institutions. At times such cash may be in excess of FDIC insurance limits.

Subsequent Events

In conformity with the ASC standards, the Company has evaluated for disclosure all subsequent events and transactions through March 9, 2020, which was the date the financial statements were available to be issued for the year ended December 31, 2019.

NOTE 8 – NEW ACCOUNTING STANDARDS

In May, 2014, the FASB issued ASU 2014-09, Revenue from Contracts with Customers. The standard's core principle is that an organization will recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the organization expects to be entitled in exchange for those goods or services. This standard also includes expanded disclosure requirements that result in an entity providing users of financial statements with comprehensive information about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contract with customers. The standard will be effective for the entity's year ending December 31, 2020.

In February 2016, the FASB issued ASU 2016-2, Leases. The standard requires all leases with terms over 12 months to be capitalized as a right-of-use asset and lease liability on the balance sheet at the date of lease commencement. Leases will be classified as either finance or operating, which will be relevant for the pattern of expense recognition . This standard will be effective for the company's year ending December 31, 2021.

STATE-SPECIFIC ADDENDUM

Explanatory Notes.

1. The following state disclosure addenda provide additional information in regard to franchise activities that are subject to the franchise laws of the particular state identified. For instance, if our offer or sale to you of a franchise is subject to the California franchise law, the California state disclosure addendum would be applicable to you, but if our offer or sale to you of a franchise were not subject to the California franchise law, the California state disclosure addendum would not be applicable to you.

2. Each of the following agreement riders is applicable only to franchisees that are covered by the franchise laws of the identified state.

FOR RESIDENTS OF THE STATE OF CALIFORNIA

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

None of the franchisor or any person or franchise broker listed in Item 2 of the disclosure document or this addendum is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a, et seq., suspending or expelling such persons from membership in such association or exchange.

California law may require an interest rate lower than 10%, in which case the interest rate will be the highest rate allowed by law.

California Business and Professions Code 20000 through 20043 provides rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 *et seq.*).

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The franchise agreement requires application of the laws of the State of Ohio. This provision may not be enforceable under California law.

Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the California Corporations Commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

You must sign a general release if you renew or transfer your franchise. Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

Spousal Liability: You spouse will be liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your home, at risk if your franchise fails.

(i) Franchisee must sign a general release if it renews or transfers its franchise. California Corporations Code §31512 voids a waiver of a franchisee's rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). Business and Professions Code §20010 voids a waiver of a

franchisee's rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

4. Franchisee is required to obtain the necessary licenses from the California Contractors State License Board.

5. No disclaimer, questionnaire, clause, or statement signed by a franchisee in connection with the commencement of the franchise relationship shall be construed or interpreted as waiving any claim of fraud in the inducement, whether common law or statutory, or as disclaiming reliance on or the right to rely upon any statement made or information provided by any franchisor, broker or other person acting on behalf of the franchisor that was a material inducement to a franchisee's investment. This provision supersedes any other or inconsistent term of any document executed in connection with the franchise.

6. To the extent this addendum is inconsistent with any terms or conditions of the franchise agreement or exhibits or attachments thereto, the terms of this addendum govern.

The parties are signing this addendum concurrently with the franchise agreement to which it is attached.

HAWAII ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT

The following items apply to prospective franchisees to whom the Hawaii Franchise Investment Law applies:

1. The following is added to the Cover Page of the franchise disclosure document.

THESE FRANCHISES HAVE BEEN FILED UNDER THE FRANCHISE INVESTMENT LAW OF THE STATE OF HAWAII. FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS OR A FINDING BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR, AT LEAST SEVEN DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST SEVEN DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE, OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE OFFERING CIRCULAR, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE.

THIS OFFERING CIRCULAR CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR A STATEMENT OF ALL RIGHTS, CONDITIONS, RESTRICTIONS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

2. The franchisor's agent for service of process in Hawaii is (or will be upon filing of this disclosure document in Hawaii): Commissioner of Securities, 335 Merchant Street, Room 203, Honolulu, HI 96813.

3. The following information applies to prospective Franchisees to whom the Hawaii Franchise Investment Law, Hawaii Revised Statutes, Title 26, Chapter 482E applies. Hawaii Revised Statutes, Title 26, Chapter 482E, Section 482E-6, provides as follows:

Sec. 482E-6. Without limiting the other provisions of this chapter, the following specific rights and prohibitions shall govern the relation between the franchisor or subfranchisor and its franchisees:

(1) The parties shall deal with each other in good faith.

(2) For the purposes of this chapter and without limiting its general application, it shall be an unfair or deceptive act or practice or an unfair method of competition for a franchisor or subfranchisor to:

(A) Restrict the right of the franchisees to join an association of franchisees.

(B) Require a franchisee to purchase or lease goods or services of the franchisor or from designated sources of supply unless such restrictive purchasing agreements are

reasonably necessary for a lawful purpose justified on business grounds. Suppliers suggested or approved by a franchisor as meeting its standards and requirements shall not be deemed designated sources of supply.

(C) Discriminate between franchisees in the charges offered or made for royalties, goods, services, equipment, rentals, advertising services, or in any other business dealing, unless and to the extent that any classification of or discrimination between franchisees is:

(i) Based on franchises granted at materially different times, and such discrimination is reasonably related to such differences in time;

(ii) Is related to one or more programs for making franchises available to persons with insufficient capital, training, business experience, education or lacking other qualifications;

(iii) Is related to local or regional experimentation with or variations in product or service lines or business formats or designs;

(iv) Is related to efforts by one or more franchisees to cure deficiencies in the operation of franchise businesses or defaults in franchise agreements; or

(v) Is based on other reasonable distinctions considering the purposes of this chapter and is not arbitrary.

(D) Obtain money, goods, services, anything of value, or any other benefit from any other person with whom the franchisee does business on account of such business unless the franchisor advises the franchisee in advance of the franchisor's intention to receive such benefit.

(E) Establish a similar business or to grant a franchise for the establishment of a similar business at a location within a geographical area specifically designated as the exclusive territory in a franchise previously granted to another franchisee in a currently effective agreement, except under the circumstances or conditions prescribed in such agreement. The fact that other franchisees or the franchisor may solicit business or sell goods or services to people residing in such geographical territory shall not constitute the establishment of a similar business within the exclusive territory.

(F) Require a franchisee at the time of entering into a franchise to assent to a release, assignment, novation, or waiver which would relieve any person from liability imposed by this chapter. Any condition, stipulation or provision binding any person acquiring any franchise to waive compliance with any provision of this chapter or a rule promulgated hereunder shall be void. This paragraph shall not bar or affect the settlement of disputes, claims or civil suits arising or brought under this chapter.

(G) Impose on a franchisee by contract, rule, or regulation, whether written or oral, any unreasonable and arbitrary standard of conduct.

(H) Terminate or refuse to renew a franchise except for good cause, or in accordance with the current terms and standards established by the franchisor then equally applicable to all franchisees, unless and to the extent that the franchisor satisfies the burden of proving that any classification of or discrimination between franchisees is reasonable, is

based on proper and justifiable distinctions considering the purposes of this chapter, and is not arbitrary. For purposes of this paragraph, good cause in a termination case shall include, but not be limited to, the failure of the franchisee to comply with any lawful, material provision of the franchise agreement after having been given written notice thereof and an opportunity to cure the failure within a reasonable period of time.

(I) Refuse to permit a transfer of ownership of a franchise, or of a proprietorship, partnership, corporation or other business entity that is a franchisee or subfranchisor, except for good cause. For purposes of this paragraph good cause shall include, but not be limited to:

(i) The failure of a proposed transferee to meet any of the franchisor's or subfranchisor's reasonable qualifications or standards then in effect for a franchisee or subfranchisor;

(ii) The fact that the proposed transferee or any affiliated person of the proposed transferee is a competitor of the franchisor or subfranchisor;

(iii) The inability or unwillingness of the proposed transferee to agree in writing to comply with and be bound by all lawful obligations imposed by the franchise, including without limitation all instruction and training obligations, and to sign the current form of franchise agreement used by the franchisor or subfranchisor; and

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor and to cure any default in the franchise agreement or other agreements with the franchisor existing at the time of the proposed transfer.

A franchisor or subfranchisor shall have thirty days after being notified in writing of a proposed transfer to approve or disapprove in writing a proposed transfer of ownership or control of a franchise, or of a proprietorship, partnership, corporation or other business entity that is a franchisee or subfranchisor, stating its reason for disapproval. If a franchisor or subfranchisor fails to approve or disapprove a proposed transfer in writing within such period, the franchisor or subfranchisor shall be deemed to have approved such transfer.

(3) Upon termination or refusal to renew the franchise the franchisee shall be compensated for the fair market value, at the time of the termination or expiration of the franchise, of the franchisee's inventory, supplies, equipment and furnishings purchased from the franchisor or a supplier designated by franchisor; provided that personalized materials which have no value to the franchisor need not be compensated for. If the franchisor refuses to renew a franchise for the purpose of converting the franchisee's business to one owned and operated by the franchisor, the franchisor, in addition to the remedies provided in this paragraph, shall compensate the franchisee for the loss of goodwill. The franchisor may deduct from such compensation reasonable costs incurred in removing, transporting and disposing of the franchisee's inventory, supplies, equipment, and furnishings pursuant to this requirement, and may offset from such compensation any moneys due the franchisor.

(4) The provisions of this chapter shall apply to all written or oral arrangements with the franchisee including but not limited to the franchise offering, the franchise agreement, sales of goods or services, leases and mortgages of real or personal property, promises to pay, security interest, pledges, insurance contracts, advertising contracts, construction or

installation contracts, servicing contracts, and all other such arrangements in which the franchisor or subfranchisor has any direct or indirect interest.

(5) In any proceedings damages may be based on reasonable approximations but not on speculation.

WASHINGTON ADDENDUM TO FRANCHISE AGREEMENT

The Franchise Agreement to which this addendum is attached is amended as follows to comply with the Washington Franchise Investment Protection Act:

1. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.

2. RCW 19.100.180 may supersede the franchise agreement in your relationship with the Franchisor, including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the Franchisor, including the areas of termination and renewal of your franchise.

3. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site shall be either in the State of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. Transfer fees are collectable to the extent that they reflect the Franchisor's reasonable estimated or actual costs in effecting a transfer.

7. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed $100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed $250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the franchise agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

8. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

9. To the extent this addendum is inconsistent with any terms or conditions of the Franchise Agreement or exhibits or attachments thereto, the terms of this addendum govern.

SBA FORM ADDENDUM

SBA ADDENDUM TO FRANCHISE AGREEMENT[1]

THIS ADDENDUM ("Addendum") is made and entered into on _____, 20__, by and between _____ ("Franchisor"), located at _____ _____ and _____ _____ ("Franchisee"), located at_____ _____.

Franchisor and Franchisee entered into a Franchise Agreement on _____, 20__, (such Agreement, together with any amendments, the "Franchise Agreement"). Franchisee is applying for financing(s) from a lender in which funding is provided with the assistance of the U.S. Small Business Administration ("SBA"). SBA requires the execution of this Addendum as a condition for obtaining SBA-assisted financing.

In consideration of the mutual promises below and for good and valuable consideration, the receipt and sufficiency of which the parties acknowledge the parties agree that notwithstanding any other terms in the Franchise Agreement or any other document Franchisor requires Franchisee to sign:

CHANGE OF OWNERSHIP

- If Franchisee is proposing to transfer a partial interest in Franchisee and Franchisor has an option to purchase or a right of first refusal with respect to that partial interest, Franchisor may exercise such option or right only if the proposed transferee is not a current owner or family member of a current owner of Franchisee. If the Franchisor's consent is required for any transfer (full or partial), Franchisor will not unreasonably withhold such consent. In the event of an approved transfer of the franchise interest or any portion thereof, the transferor will not be liable for the actions of the transferee Franchisee.

FORCED SALE OF ASSETS

- If Franchisor has the option to purchase the business personal assets upon default or termination of the Franchise Agreement and the parties are unable to agree on the value of the assets, the value will be determined by an appraiser chosen by both parties. If the Franchisee owns the real estate where the franchise location is operating, Franchisee will not be required to sell the real estate upon default or termination, but Franchisee may be required to lease the real estate for the remainder of the franchise term (excluding additional renewals) for fair market value.

COVENANTS

- If the Franchisee owns the real estate where the franchise location is operating, Franchisor has not and will not during the term of the Franchise Agreement record against the real estate any restrictions on the use of the property, including any restrictive covenants,

1 While relationships established under license, jobber, dealer and similar agreements are not generally described as "franchise" relationships, if such relationships meet the Federal Trade Commission's (FTC's) definition of a franchise (see 16 CFR § 436), they are treated by SBA as franchise relationships for franchise affiliation determinations per 13 CFR § 121.301(f)(5).

branding covenants or environmental use restrictions. If any such restrictions are currently recorded against the Franchisee's real estate, they must be removed in order for the Franchisee to obtain SBA-assisted financing.

EMPLOYMENT

- Franchisor will not directly control (hire, fire or schedule) Franchisee's employees. For temporary personnel franchises, the temporary employees will be employed by the Franchisee not the Franchisor.

As to the referenced Franchise Agreement, this Addendum automatically terminates when SBA no longer has any interest in any SBA-assisted financing provided to the Franchisee.

Except as amended by this Addendum, the Franchise Agreement remains in full force and effect according to its terms.

Franchisor and Franchisee acknowledge that submission of false information to SBA, or the withholding of material information from SBA, can result in criminal prosecution under 18 U.S.C. 1001 and other provisions, including liability for treble damages under the False Claims Act, 31 U.S.C. §§ 3729-3733

Note to Parties: This Addendum only addresses "affiliation" between the Franchisor and Franchisee. Additionally, the applicant Franchisee and the franchise system must meet all SBA eligibility requirements.
