The franchised business is an iNX®-branded business providing commercial facility maintenance services.

The total investment necessary to begin operation of an iNX® franchise ranges from $109,825 to $356,795. This includes an Initial Franchise Fee of $9,995 and a Territory Fee that ranges between $56,350 and $266,900, which you must pay to us before the Business Start Date (the date on which you have met all of the requirements to open the Franchised Business). The Territory Fee depends on the size of your Territory and is equal to the product of $0.016 times the estimated population count in your Territory.

How much will I need to invest?	Items 5 and 6 list fees you will be paying to the franchisor or at the franchisor's direction. Item 7 lists the initial investment to open. Item 8 describes the suppliers you must use.
Does the franchisor have the financial ability to provide support to my business?	Item 21 or Exhibit J includes financial statements. Review these statements carefully.
Is the franchise system stable, growing, or shrinking?	Item 20 summarizes the recent history of the number of company-owned and franchised outlets.
Will my business be the only iNX franchise in my area?	Item 12 and the "territory" provisions in the franchise agreement describe whether the franchisor and other franchisees can compete with you.
Does the franchisor have a troubled legal history?	Items 3 and 4 tell you whether the franchisor or its management have been involved in material litigation or bankruptcy proceedings.
What's it like to be an iNX franchisee?	Item 20 or Exhibits G and H list current and former franchisees. You can contact them to ask about their experiences.
What else should I know?	These questions are only a few things you should look for. Review all 23 Items and all Exhibits in this disclosure document to better understand this franchise opportunity. See the table of contents.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-state dispute resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation and/or litigation only in Oregon. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate or litigate with the franchisor in Oregon than in your own state.

2. **Personal Guaranty/Spousal Consent.** Each person who owns 20% or more of the equity in the franchisee entity must execute a personal guaranty of the franchisee's obligations under the franchise agreement, and their spouse (if applicable) must sign a spousal consent agreeing that the guaranty will be binding on marital assets. This requirement places the personal and marital assets of the franchise owner(s) at risk.

3. **No Right to Reject Customer.** The size, number, and location of customer accounts offered to you are solely within the franchisor's discretion. If you reject an account that the franchisor offers you, the franchisor has no obligation to replace that account.

4. **Loss of Customer.** If you lose a customer account for any reason, the franchisor is not obligated to replace it.

5. **Accounts.** The franchisor has no contractual obligation to recruit customer accounts for your franchised business.

6. **Billing for Customers.** The franchisor performs billing and collection for all services that you provide to your customers, regardless of whether you or the franchisor recruits that customer. If customer accounts that you service do not pay, you suffer the loss of nonpayment. If the franchisor takes action to collect payments, the franchisor does so solely at your expense. However, your share of the franchisor's collection costs will never exceed your share of the revenue owed, even if the franchisor collects less.

7. **Pricing of Customer Accounts.** The franchisor determines the amount to be charged for your services by bidding on customer accounts. You have no say in that determination. You have a limited right to decline a proposed customer account. However, if you agree to service a customer account and the franchisor prices a customer account too low, even by mistake, you still must service the customer under the price the franchisor negotiates, even if you will lose money doing so.

8. **Location of Customers.** Generally, all job sites that you service will be in your Territory. Depending on the size of your Territory, you may have to service multiple customers that may be located far apart. You may lose Accounts that you cannot properly service, and the franchisor is under no obligation to replace them.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

SPECIAL MICHIGAN NOTICE

The following provisions apply only to transactions governed by the Michigan Franchise Investment Law ("MFIL"). The State of Michigan requires each franchisor to include the following notice in franchise disclosure documents in connection with Michigan franchise sales.

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you:

(1) A prohibition on the right of a franchisee to join an association of franchisees.

(2) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in the MFIL. This will not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(3) A provision that permits a franchisor to terminate a franchise before the expiration of its term except for good cause. Good cause will include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice of it and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(4) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years; and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

(5) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(6) A provision requiring that arbitration or litigation be conducted outside this state. This will not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(7) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause will include, but is not limited to:

   a. The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

   b. The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

   c. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

   d. The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(8) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(9) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Office of the Attorney General, Consumer Protection Division, Attn: Franchise Section, G. Mennen Williams Building, 525 W. Ottawa Street, Sixth Floor, Lansing, Michigan 48933, telephone (517) 373-7117.

iNX® FRANCHISE DISCLOSURE DOCUMENT

ITEM 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

A. Terminology

In this Disclosure Document, "iNX," "we," "us" and "our" each refers to iNX Building Maintenance Solutions, Inc., a California corporation. "You" means the business entity (for example, corporation, partnership or limited liability company) that buys the franchise and executes a Franchise Agreement with us. "You" also includes the owners of the franchisee business entity.

Throughout this Disclosure Document, we capitalize terms and assign them special definitions. The definitions appear in the sentence in which we first use the term. Many of the definitions also appear in alphabetical order at the beginning of the Franchise Agreement (**Exhibit C** to this Disclosure Document).

B. The Company, Our Parents, Predecessor and Affiliates

We were incorporated in California on July 15, 2002, under the name "INEX Corporation." On March 20, 2003, we changed our name to "iNX Building Maintenance Solutions, Inc." We conduct business under the trade name "iNX Building Maintenance Solutions." We have no predecessor or parent company. We have no affiliate that offers franchises in any line of business or provides products or services to our franchisees.

Our principal business address is 1001 Wilshire Blvd, #1430, Los Angeles, California 90017. **Exhibit B** to this Disclosure Document lists state officials that serve as our agents for service of process if we do business in those states.

C. Our Prior Experience

We have been offering commercial facility maintenance service franchises since May 2003. We have never offered any other type of franchise business. We conduct no other business activities and do not operate a business of the type being franchised.

D. The Franchises that We Offer

We award franchises permitting you to own and operate a business ("**Franchised Business**") providing commercial facility maintenance services to business customers with properties in your Territory. Before you sign the Franchise Agreement, we will mutually designate as your "**Territory**" a geographic area that includes a population of at least 7,500 businesses according to the most recent data on commercial building counts published by Co-Star or such other source as we may designate. In most cases, we delineate your Territory by reference to a group of contiguous U.S. Postal ZIP Code Sectional Areas that includes at least the minimum business population. See Item 12 for additional disclosures regarding your Territory.

We refer to the permissible services that you may or must perform collectively as "**Authorized Services**." Authorized Services include commercial cleaning services and other specified facility maintenance services for all types of properties excluding occupied personal residences. This includes commercial properties (for example, retail stores, shopping centers and strip malls, medical and educational buildings, hospitals, hotels, and offices), government-owned properties, and various types of industrial properties (manufacturing and warehouse facilities), as well as common area space in residential communities (for example, high-rise apartment buildings and homeowner association communities) and

unoccupied residential units (after a tenant moves out and before a new tenant moves in). In the future, we may include as Authorized Services additional commercial facility maintenance programs and services (for example, building maintenance, security, and landscaping services). You may be required to offer such additional services, and may need to purchase additional equipment and/or hire additional personnel with experience in those areas if your existing management does not have the required expertise. We describe Authorized Services in greater detail in our Brand Standards Manual ("**Manual**"), to which you will receive access when you sign the Franchise Agreement (**Exhibit C**).

You must perform Authorized Services according to the "**iNX System**," which broadly describes the business and operating methods, technical knowledge, standards of performance, training programs and marketing strategies that we deliver or license to you under the Franchise Agreement and the right to use the iNX names, logos and trademarks (collectively, the "**Licensed Marks**").

As a "**Network Member**" (a term that refers to each iNX franchisee and affiliate that operates an iNX business), we will provide you with your own credentials to our "**Network Portal**," which is non-public electronic communications channel that we control to which we limit access rights to Network Members. We post an electronic version of the Manual, marketing materials and other information about mandatory and optional standards, specifications, methods, and procedures that comprise the iNX System on the Network Portal and also use it as a communications channel to facilitate communication with individual or groups of Network Members.

We are responsible for marketing Authorized Services and recruiting new commercial facility maintenance service customers with locations in your Territory (we refer to such customers as "**Accounts**"). However, you play an important role in the sales process. You are responsible for (i) meeting with each prospective lead that we develop at the prospective Account's place of business ("**First Time Consult**" or "**FTC**"); (ii) inspecting the prospective Account's physical place of business to evaluate the suitability of the job opportunity based on the services, equipment, processes, frequency of service, scheduling requirements, restrictions, and other service conditions for the Authorized Services (collectively, "**Scope of Work**") requested by the prospective Account and the contemplated financial terms of the arrangement to the extent they are known at that time; and (iii) completing and delivering to us a written First Time Consult report with your conclusion as to whether the prospective Account would be a good fit for your Franchised Business.

You must deliver the FTC report for each prospective Account in your Territory immediately (and in all cases, within 24 hours) after you complete the First Time Consult interview. We ask you to evaluate the proposed Scope of Work (including whether it includes services beyond what we identify in the Manual as Authorized Services), the proposed financial terms if identified, and the non-financial terms of the opportunity (including your observations of the physical condition of the prospective customer's job site, the prospective customer's adherence to customarily observed safety protocols).

We, alone, make the final decision on a prospective customer's suitability, taking into account the input that you provide to us in the FTC report that you deliver to us and our own evaluation of the prospect's business reputation and financial condition.

- If your FTC report concludes that you do not believe the prospect is a good fit, we will not proceed further with the prospect. Your rejection of more than 10% of the prospective Accounts that we present to you in any 13-week period is grounds permitting us, at our option, to reduce or terminate your exclusivity in the Territory or to terminate this Agreement.

- If your FTC report express interest in accepting the job opportunity, we, alone, will negotiate the terms of the contract with the prospective Account ("**Account Contract**").

Before we offer a proposed Account a proposed Account Contract, we work with you to summarize our mutual understanding regarding the Scope of Work and other material terms of the job proposal in an "**Account Acceptance Agreement**" or "**AAA**." The AAA serves as the written contract between you and us that memorializes your agreement to perform the Scope of Work in a specific Account Contract that we enter into with an Account. Each AAA will specify the Scope of Work, the aggregate monthly amount for which we will invoice the Account for the Scope of Work ("**Account Volume**"), and the payment terms for the Business Generation Fee (as described in Item 6). Your execution of the AAA signifies your agreement to ensure that you and your employees will perform the Scope of Work at the Account's place of business in a manner that satisfies our obligations under the Account Contract and adheres to the brand standards of the iNX System. You and we will sign a separate AAA for each Account that you indicate is a good fit, using our then-current form of AAA in the Manual. However, the AAA will not become effective unless and until the corresponding Account Contract becomes effective. Your failure to agree to terms with respect to more than 10% of the proposed AAAs that we present to you in any 13-week period is grounds permitting us, at our option, to reduce or terminate your exclusivity in the Territory or to terminate the Franchise Agreement.

Once you sign an AAA for a particular Account, we will present the prospective Account with an Account Contract on the same substantive terms and conditions as the AAA between you and us. If the prospective Account executes the Account Contract without changes, the AAA that you have previously signed will, at that time, become a binding agreement. We will notify you as soon as each Account Contract becomes effective so that you can add the Account to your Franchised Business' work schedule and prepare to begin work at the Account's business premises. Failure to perform the Scope of Work specified in an AAA is a material event of default under the Franchise Agreement.

Under the terms of the AAA that you sign, you agree that we and an Account may modify the Account Contract at any time and for any reason (including changes to service requirements, price, or payment terms). We will notify you about all changes reasonably promptly so that you may adjust your work schedules and business plans. The Franchise Agreement defines "**Material Scope of Work Changes**" to mean changes to the Scope of Work under a proposed Account Contract that (1) are requested more than 120 days after the most recent FTC for the Account; or (2) would increase or decrease by 10% or more the price that the Account will pay for the Scope of Work, compared to the price in the most recent AAA accepted by you with respect to the Account. You agree that all changes that we and the Account agree to make to a proposed Account Contract that are not Material Scope of Work Changes will automatically become part of the AAA following written notice to you from us (which may be by email or other electronic communication) describing the change.

If the prospective Account proposes Material Scope of Work Changes to a proposed Account Contract, or any changes to the Scope of Work under an existing Account Contract, we will present you with an amendment to the AAA incorporating the changes and give you the opportunity to agree to the amendment. Your failure to notify us in writing within 4 hours after receiving the proposed amendment of your objection to the changes will signify your agreement to the amendment, in which case you will be deemed to agree to amend the AAA for the Account. For the sake of customer satisfaction and retention it is essential that you respond promptly to proposed changes. We believe 4 hours is a reasonable time period in which to respond.

Occasionally, an Account may request a non-recurring Scope of Work ("**Non-Recurring Services**"). Non-Recurring Services are performed under a Non-Recurring Service Agreement between us and the Account. If an Account requests Non-Recurring Services, we will present you with a proposed sales order for the Non-Recurring Services. Your failure to notify us of your objections within 4 hours after receiving the sales order shall signify your agreement to perform the Non-Recurring Services for the price and other material terms in the sales order.

Under the AAA, you agree to allow us exclusively to handle all customer billing and collection even if you originate the Account relationship. We typically bill Accounts monthly in advance for recurring services. We typically bill Accounts in arrears following completion of service or shipment of supplies for non-recurring services and supplies.

Within 5 days after the end of each accounting month, we will send you a "**Franchise Revenue Statement**" for each AAA then in effect that identifies (i) the specific services that the Franchised Business performed for an Account during the prior month according to the information that you have entered into our designated enterprise resource applications (described in Items 6 and 11); (ii) the amount that we have invoiced the Account for your services; and (iii) the calculation of how much we will pay you for the services that you performed to the Account for the accounting month according to the net difference between the AAA price and the fees, advances and other payments payable to us that we describe in Item 6.

- We remit payment to you of the amount shown in the Franchise Revenue Statement by no later than 45 days after the end of each accounting month.

- Unless you notify us of any error in the Franchise Revenue Statement by the 15th day of the month in which you receive it, you are deemed to approve all information in the Franchise Revenue Statement.

We refer to the amount that we bill Accounts for the Scope of Work in the Account Contract as "**Billed Revenue**" and the amount of the payments that we receive from Accounts as "**Collected Revenue**." Item 6 further explains "**Billed Revenue**" and "**Collected Revenue**" and discloses certain fees that you must pay to us as a percentage of Billed Revenue. We do not guarantee that an Account will pay the full Billed Revenue, but will credit you for 100% of the Billed Revenue for the Account (less the fees, advances and other payments that we describe in Item 6), subject to adjustments under the reconciliation procedure described below.

If there is a discrepancy between Billed Revenue and Collected Revenue with respect to any Account, approximately 90 days from the date appearing on our monthly invoice to the Account, we will prepare and send you a reconciliation statement to "true up" Billed Revenue and Collected Revenue ("**Reconciliation Statement**").

- When a Reconciliation Statement shows that Collected Revenue for an accounting month is less than Billed Revenue for that month, the Reconciliation Statement will provide a calculation of your corrected net payment for the accounting month, including a breakdown of (i) the excess Billed Revenue that we have overpaid to you, which we may deduct on your next Franchise Revenue Statement; and (ii) the credit due to you for the extra Service Fees and Non-Recurring Service Fees that you previously paid to us on the Billed Revenue (which we will apply as a credit to reduce the excess Billed Revenue). You must repay us the amount by which (i) exceeds (ii), either (x) within 5 days after you receive the Reconciliation Statement; or (y) by deduction on your next Franchise Revenue Statement.

- We may, in our discretion, allow you to repay us some or all of the excess Billed Revenue (less any credit) in up to 12 equal monthly installments with 10% annual interest by signing a promissory note in the form of **Exhibit E**. If an Account later pays us the additional amount that it owes, we will credit the payment we receive (net of any fees for collections) to the then-outstanding balance under the promissory note, but will not refund any interest that you have already paid to us. If the later payment satisfies the balance due under the promissory note, will credit any excess on your next Franchise Revenue Statement.

- We extend different payment terms to Accounts for various reasons, but in most cases we know within 60 days from the invoice date whether we anticipate a payment problem with an Account.

We may in our discretion consult with you to obtain your input on any billing and collections matters affecting the Accounts you service. However, under the terms of each AAA, you agree that we alone exclusively control all Account billing and collection decisions, even for Accounts with respect to which you generated the original lead. Since our fees and repayment of advances to you depend on an Account's timely payment, we share your interest in receiving timely payment of the full amount of Billed Revenue from Accounts. We may deduct our reasonable collection costs from Collected Revenue. Your share of our reasonable collection expenses will not exceed your share of the Billed Revenue.

We do not guarantee that, during any period during the term of the Franchise Agreement: (i) we will offer you a minimum number of AAAs or prospective Accounts; (ii) each AAA that we offer you will provide for a minimum amount of Billed Revenue for the Scope of Work described in the AAA; or (iii) you will receive a minimum amount of Collected Revenue.

As we explain in Item 12, during the term of your Franchise Agreement, we agree not to perform Authorized Services or appoint another Network Member to perform Authorized Services in your Territory subject to certain retained rights, which we describe in Item 12.

We do not forbid you from engaging in lead generation activities to identify and recruit new Accounts, subject to the following conditions: (i) if we identify a preferred lead generation service provider, you must engage our designated service provider and pay any related fees; (ii) you must refer all leads to our Sales department, which will contact the lead, conduct discovery on the Account, and set the First Time Consult appointment for you; (iii) the only services that you may offer to prospective Accounts are services then within the scope of Authorized Services; (iv) you must complete a First Time Consult and submit an FTC report identifying the proposed Scope of Work and providing your assessment of the Account; (v) you must inform the prospective Account that you lack authority to enter into a contract with them and that they will be required to enter into an Account Contract with us to receive services; and (vi) you agree that we, alone, have the sole right to decide if we will offer the prospective Account an Account Contract based on our own evaluation of the prospective Account's business reputation and financial condition after taking into consideration your First Time Consult report. You have no right to solicit prospective Accounts that we identify as an Enterprise Account or that ask you to perform Authorized Services outside of your Territory.

If your efforts are primarily responsible for introducing us to a prospective Account with which we have no prior relationship and the prospect signs an Account Contract with us (and you sign a corresponding AAA), we will discount the Business Generation Fee payable for the new Account by 10% to reflect your efforts in making the introduction. If your efforts are more significant in helping us develop a new Account, we will discount the Business Generation Fee payable under the corresponding AAA by 50%. We alone decide if your involvement in helping us procure a new Account Contract merits the 10% or 50% discount.

We retain the exclusive right to sell cleaning supplies to Accounts in your Territory that purchase and take delivery of supplies at a location in your Territory, whether the supplies bear the iNX brand or a third-party brand.

E. Market for Your Products and Services and Description of Your Competition

The market for commercial facility maintenance services consists of business customers of all sizes. Your principal competitors will be local, regional and national commercial facility maintenance service

providers including American Building Maintenance and companies that operate franchise programs like Jani-King and Coverall.

F. Law and Regulations

You must comply with all federal, state, and local laws and regulations that apply, directly or indirectly, to your Franchised Business, including Occupational Safety and Health Administration ("OSHA") regulations. You must strictly follow all laws and regulations relating to employment laws, unemployment insurance, workers' compensation insurance, and withholding and payment of payroll taxes. You must keep current all licenses, permits, bonds, and deposits required by any government agency in the operation of your Franchised Business.

Some states have specific laws that regulate businesses that employ janitors. For example, California's Property Service Workers Protection Act regulates employers of janitors. It applies to every employer with at least one "covered worker," broadly defined as an employee, independent contractor or franchisee who enters into a contract, subcontract, or Franchise Agreement to provide janitorial services. Employers must register annually with the California Department of Labor Standards Enforcement, and maintain accurate records of specific information regarding covered workers for 3 years. The law also mandates that all employers and janitorial workers complete in-person sexual violence and harassment prevention training at least once every other year. The law forbids an employer from registering or renewing its registration if it has not fully satisfied a final judgment for unpaid wages or made appropriate tax contributions. It also imposes liability on "successor employers" for any back wages and penalties owed to the predecessor employer's employees. A different California law, the Displaced Janitor Opportunity Act, requires certain successor contractors that are awarded janitorial or building maintenance contracts to hire the previous contractor's employees for a certain amount of time, with limited exceptions. You are solely responsible for investigating any laws in your Territory that specifically regulate janitorial businesses and for complying with these laws.

California law also regulates sanitization and disinfecting services under its Pest Control Board. You may be required, in order to provide some types of cleaning services to your customers, to obtain a state Qualified Applicator License and a state pest control business license and to register with county authorities in the counties included in your Territory. More information about this is available at https://www.cdpr.ca.gov/.

We are not aware of any other laws or regulations specifically applicable to businesses offering basic commercial facility maintenance services. However, if the Scope of Work that you agree to perform includes certain building or grounds maintenance services, it is possible that you will need a contractor's license. If so, you will be subject to the laws and regulations applicable to general building contractors. You should consult with an attorney in your state to determine applicable licensing requirements.

You are responsible for investigating all laws applicable to your Franchised Business and complying with them at your own expense.

G. Your Owner's Obligations

You, the franchisee, must be a business entity in good standing under the laws of the state in which the business entity is incorporated or organized, which signifies that you may transact business as a business entity. The business entity may not own any assets or engage in any other business activities during the term of the Franchise Agreement that are unrelated to the iNX franchise. The bank accounts that you use to operate the franchise business may not include revenue or income from sources unrelated to your performance of Authorized Services or used to pay operating expenses unrelated to the iNX franchise.

Each person who owns at least 20% of the outstanding equity of the franchisee business entity (each, a "**Primary Owner**") must personally jointly and severally guaranty your obligations under the Franchise Agreement by signing a personal guaranty in the form attached as **Schedule 3** to the Franchise Agreement. At least one of your Primary Owners must be responsible for supervising the overall operation of your Franchised Business and the performance of your duties under the Franchise Agreement.

You must designate a "**General Manager**" for the Franchised Business, who is responsible for supervising day-to-day activities of your Franchised Business, and an "**Operations Manager**," who is responsible for supervising the execution of work by employees who perform a Scope of Work at an Account's place of business. Unless you obtain our prior written approval, the General Manager and Operations Manager must be different individuals. We anticipate that in most cases, your Primary Owner will serve as the Franchised Business' General Manager during at least in the first year after the Business Start Date. An Operations Manager may not own an interest in the franchisee business entity.

As the Franchised Business grows, you will need to expand your team to include a Assistant General Manager and Assistant Operations Manager. Your Primary Owner(s), General Manager, Operations Manager, Assistant General Manager (if applicable), and Assistant Operations Manager (if applicable) are collectively referred to as your "**Management Group**." Each individual in the Management Group must execute our Confidentiality and Non-Competition Agreement and complete our initial training program to our satisfaction.

INITIAL FEES

Initial fees are fees that you must pay to us before the "**Business Start Date**," which is the date on which you have met all of the requirements to open the Franchised Business and are approved by us to begin providing Authorized Services to Accounts under this Agreement. We will specify the Business Start Date on the completion certificate(s) that we issue to your Primary Owner, General Manager and Operations Manager (or on the last such completion certificate if those individuals complete the initial training program at different times), all of whom must successfully complete our initial training program, which we describe in Item 11. Before the Business Start Date, you must also provide us with evidence that you have all required insurance and business permits to perform Authorized Services. Fees that you pay to us after the Business Start Date are disclosed in Item 6.

When you sign the Franchise Agreement, you must pay us (1) an initial franchise fee of $9,995 for the franchise rights; and (2) a Territory Fee equal to the product of $0.016 times the estimated population count in the Territory (which we mutually agree upon before you sign the Franchise Agreement) based on the most recent data published by Co-Star or another supplier we designate. See additional disclosures in Item 12.

All initial fees described in this Item 5 are non-refundable. We determine the amount of initial fees in a uniform manner as to all franchises currently being granted. However, we reserve the right to negotiate different terms based on our assessment of individual circumstances. The initial fees that we charged during our last fiscal year were uniform.

ITEM 6

OTHER FEES

Site Pre-Inspection Fee	$500 You must also pay us our travel expenses for our representative to visit the site	When you submit the proposed location for our written approval (if we determine that a site visit is required to assess the location); travel expenses are invoiced after the travel is completed. Client Retention Fee	An amount equal to the initial Account Volume under the terminated Account Contract	Deducted from your monthly Collected Revenue (in the same way that you pay Service Fees).	You pay this fee only if you elect to pay the Business Generation Fee for a new Account over time, and the new Account terminates within the first 18 months of service. No Client Retention Fee will be due if the termination of the Account Contract is the result of any of the following events affecting the Account: business closure, relocation outside the Territory, or acquisition by another entity.

TYPE OF FEE	AMOUNT	DUE DATE	REMARKS

You only pay Workers Compensation insurance premiums to us if you cannot secure Workers Compensation insurance through a professional employer organization ("**PEO**") that you select or through Van Beurden, a third party services provider that we recommend (see Item 8). The Manual specifies the types of insurance policies and minimum requirements per insurance policy.
Insurance Administration Fee	$333.33 per year You may finance the Insurance Administration Fee in 12 equal monthly installments with interest at the rate of 10% per annum on the monthly declining balance.	Deducted from your monthly Billed Revenue (in the same way that you pay Service Fees).	The Insurance Administration Fee is per policy. The Manual identifies to specific insurance policies that you must carry.
Subscription to Web-based Time and Attendance Application	The then-current fees charged by the third-party service provider (currently $4 per user/employee per month for the application, $0.10 per call for telephone calls)	Deducted from your monthly Billed Revenue (in the same way that you pay Service Fees).	The amount you pay us is equal to the amount that we pay to the third party service provider. We do not mark up these fees.
Enterprise Resource Applications Access Fee	Our then-current fee specified in the Manual, currently $50 per month	Deducted from your monthly Billed Revenue (in the same way that you pay Service Fees).	See discussion in Item 8. This fee is subject to increase by up to 10% per year.
Annual Meeting Registration Fee	Our then-current registration fee identified in the Manual, which at this time is $500 per person.	60 days before the Annual Meeting begins.	We charge a Registration Fee only when we conduct a live meeting for Network Members in person. The hourly fee is subject to increase by up to 10% per year.

TYPE OF FEE	AMOUNT	DUE DATE	REMARKS
Non-Recurring Service Fee (for non-recurring services requested by an Account)	25% of Billed Revenue invoiced to the Account for the Non-Recurring Services.	Deducted from your monthly Billed Revenue (in the same way that you pay Service Fees). We identify in your monthly Franchise Revenue Statement the Billed Revenue and the Non-Recurring Service Fee for Non-Recurring Services performed during an accounting month.	This hourly fee is subject to increase by up to 10% per year. Only payable if you agree to and actually perform the Non-Recurring Services. The Non-Recurring Service Fee does not apply to Billed Revenue on which you pay us a Service Fee. You do not pay a Business Generation Fee for Non-Recurring Services.
Non-Compliance Fees See Note 3	Note 3 lists the Non-Compliance Fees, which vary according to the specific "Performance Standards" default that you commit.	Deducted from your monthly Billed Revenue (in the same way that you pay Service Fees).	We may increase the Non-Compliance Fees by up to 10% per year.
Advances for New Accounts ("**New Account Start-Up Advance**")	At your written request, we may agree to pay you an advance per Account equal to up to one month of the Billed Revenue payable by a new Account in your Territory per the terms of the Account Contract. For each advance that we agree to pay you, you must repay us for the principal amount of the advance in not more than 6 equal monthly installments with interest at the rate of 10% per year on the monthly declining balance. We determine the amount of the advance and repayment terms.	We deduct each installment from your monthly Billed Revenue (in the same way that you pay Service Fees). We deduct the first installment in the first month after we make the advance, which may take place before we bill the new Account for Billed Revenue.	See additional disclosures in Item 10. We determine the repayment term, which will not exceed 6 equal monthly installments, but may be less. A New Account Start-up Advance applies to the situation where you ask us to pay you an advance of Billed Revenue before we issue our first invoice to the Account for a Scope of Work (and after the Account has signed the Account Contract). This advance is designed to help you with initial expenses to staff up to handle a larger Scope of Work for a new Account.
Advance Before Payment Due Date ("**Advance Before Payment Due Date**")	At your written request, we may agree to pay you an advance equal to up to one month of the total net amount due and payable to you per the Franchise Revenue Statement. We determine the amount of the advance. We will charge you a one-time advance fee per advance, which is subject to change, but is currently equal to 3% of the amount that we advance.	Deducted from your monthly Billed Revenue (in the same way that you pay Service Fees).	See additional disclosures in Item 10. The Advance Before Payment Due Date applies to the situation where you ask us to pay you an advance after the end of an accounting period and before we issue an invoice to the Account for the Scope of Work that you have completed per the Account Contract. In other words, this advance would be paid to you at your request before 45 days after the end of an accounting month and repaid out of Billed Revenue.
Equipment Leasing	At your written request, we may advance your equipment leasing costs for equipment that you need access to in order to perform Authorized Services. You must repay us for all leasing expenses that we incur together with 10% interest.	Deducted from your monthly Billed Revenue (in the same way that you pay Service Fees).	See Items 10 and 11

TYPE OF FEE	AMOUNT	DUE DATE	REMARKS

Transfer Fee (payable in connection with an Event of Transfer)	Calculated based on your most recent monthly Billed Revenue as the sum of 25% of the first $20K in Billed Revenue per accounting month; then 10% for Billed Revenue over $20K per accounting month. The minimum Transfer Fee is $5,000. If you ask us to help you identify a qualified buyer, we may increase the Transfer Fee by 20%.	Before we grant our consent.	See Note 4.
Interest on Late Payments	1.5% per month or the highest rate allowed by applicable law, whichever is less	Upon invoice	
Management Fee (applicable in case of a death or permanent incapacity of a Primary Owner if there is no replacement Primary Owner who qualifies as a General Manager)	Management Fee equal to 10% of the first $100,000 and 5% over $100,000 of aggregate Billed Revenue per month (all Accounts). Additionally, you must reimburse us for our reasonable and direct overhead expenses (excludes indirect expenses and salary for our personnel).	Payable each day based on the prior day's work.	We may elect to manage the Franchised Business only under specific conditions. Payment of the Management Fee is in addition to payment of all other obligations and fees required to be paid to us under the Franchise Agreement on Billed Revenue during our management. Service Fees, Non-Recurring Service Fees, and all other fees and deductions apply during the period that we manage your Franchised Business.
Webmaster Fee (Payable only if you request changes to your subpage content. See additional disclosures in Item 11.)	If you request changes to the content on your subpage after its initial setup, we may charge a Webmaster Fee for the time that it takes our webmaster to input your changes according to the then-current hourly rate posted in the Manual, which currently is $195/hour.	Within 30 days after the date of our invoice.	We do not impose any fee to set up your subpage initially. We may increase the webmaster fee by up to 10% per year.

TYPE OF FEE	AMOUNT	DUE DATE	REMARKS
In-person consultation after the Business Start Date (if we agree to furnish in-person assistance at your request in your Territory)	If furnishing in-person assistance at your request in your Territory requires our representative to travel more than one hour each way to reach the agreed-upon location (based on the representative's actual place of departure), you must pay us: (i) our then-current daily consultation fee (currently $750 per person for up to 8 hours per day; not prorated); (ii) reimbursement of reasonable travel expenses (including air and ground transportation, lodging, meals, and miscellaneous travel-related personal charges); and (iii) an amount equal to one-half of the then-current per person daily consultation fee for each travel day that requires more than one hour of travel.	You must pay 100% of the then-current daily fee before our representative begins travel to the mutually agreed-upon location and pay 100% of the travel expenses incurred by us in delivering in-person assistance within 30 days of invoice.	Scheduling is by mutual agreement. We may increase the daily in-person consultation fee by up to 10% per year.
Technology Fee (if implemented)	We may, at any time on 30 days' notice, begin collecting a monthly Technology Support Fee for access to various technology platforms. We anticipate that the cost will vary depending on the platforms involved and the number of users you register.	Deducted from your monthly Billed Revenue (in the same way that you pay Service Fees).	At this time, we furnish access to certain applications on our Learning Management System platform ("**LMS**") without charge. If we begin charging a Technology Fee, we will specify the amount in the Manual, and the fee will be subject to increase by up to 10% per year.

We impose and collect all of the above payments. Payments to us are not refundable.

Note 1: "**Billed Revenue**" means the total amount that we invoice to an Account following the end of an accounting month for the Scope of Work that the Franchised Business performs for the Account during the accounting month, regardless of whether our efforts or your efforts were primarily responsible for identifying and recruiting the Account. Billed Revenue excludes the proceeds from our sale of cleaning products to your Accounts.

"**Collected Revenue**" is the actual amount that we collect from Accounts on an invoice for the Scope of Work performed by the Franchised Business. We initially calculate Service Fees as a percentage of Billed Revenue, not Collected Revenue. We account for Billed Revenue using the accrual basis, not cash basis, of accounting. We deduct Service Fees from the Billed Revenue that we remit to you within 45 days after the end of each accounting month. If there is a discrepancy between Billed Revenue and Collected Revenue, we will issue a Reconciliation Statement approximately 90 days after the invoice date to "true up" the Billed Revenue and Collected Revenue and adjust the Service Fees and other fees and deductions due to us for the accounting month according to Collected Revenue. We alone handle all billing and collection activities vis-à-vis Accounts. We remit payments to your designated operating bank account by utilizing a designated automated clearinghouse ("ACH") system.

Note 2: The Business Generation Fee is a fee that you owe us when we sign a new Account Contract or a modification to an existing Account Contract. For new Account Contracts, the fee is one month of Billed Revenue, also referred to as the Account Volume, multiplied by 225% if you pay in a single payment and 360% if you choose to pay the fee in 36 equal monthly installments. You may choose either payment option for each Account Contract.

Business Generation Fees are not refundable once paid. When you sign an AAA, you accept the risk that an Account may cancel its Account Contract at any time or reduce the original Scope of Work. Paying a Business Generation Fee does not guarantee that the Account Contract will remain in force for a minimum period of time or pay you a minimum amount of Billed Revenue. However, if an Account cancels an Account Contract before the Business Generation Fee is fully paid, cancellation will cancel all remaining unpaid Business Generation Fees under that specific Account Contract. If the Account terminates within the first 18 months of service, you must pay us a Client Retention Fee as described below.

If you elect to pay the Business Generation Fee for an Account Contract over 36 months, and if the Account modifies the Scope of Work under that Account Contract (such that Billed Revenue increases or decreases going forward) before you have paid the entire Business Generation Fee, we will adjust the Business Generation Fee. We recalculate the Business Generation Fee based on the new Billed Revenue under the modified Account Contract as follows:

- If an Account decreases the Scope of Work in the Account Contract, the Business Generation Fee payable for each of the remaining months will be equal to 10% of the revised monthly Billed Revenue under the Account Contract. We do not adjust the portion of the Business Generation Fee already paid.

- If an Account increases the Scope of Work in the Account Contract, you will (i) continue to pay the Business Generation Fee on the original Billed Revenue as originally calculated for each of the remaining months; and (ii) pay an additional Business Generation Fee on the increase in monthly Billed Revenue, calculated as if the increased Billed Revenue were a new Account Contract. You may choose to pay the additional Business Generation Fee either in a single payment (225% multiplied by the increase in monthly Billed Revenue) or over 36 months (360% multiplied by the increase in monthly Billed Revenue).

The Business Generation Fee is subject to these additional conditions:

- If you elect to pay the Business Generation Fee in one payment, your payment is due by the last Wednesday of the month following the month in which the Account signs the new Account Contract, and shall be made (i) by deduction on your Franchise Revenue Statement; and (ii) if the deduction will be insufficient to pay the Business Generation Fee in full, the remaining balance by automated clearing house transfer received by us by the due date. If you elect to pay the Business Generation Fee over time, we will deduct each payment from the net Billed Revenue payable for the month in which the payment is due. If you elect to pay the Business Generation Fee in one payment, but fail to pay the Business Generation Fee in full before the next month's Franchise Revenue Statement, then we will automatically convert the Business Generation Fee for that Account to the monthly payment plan. The Business Generation Fee compensates us for recruiting the customer, negotiating the terms of the Account Contract, and accepting the risk that the Account may cancel the Account Contract before you pay the full Business Generation Fee.

- If you engage in independent lead generation activities and introduce us to a prospective new Account, we discount the Business Generation Fee by either 10% or 50% depending on your level of involvement. You may choose either of the payment options with respect to the discounted Business Generation Fee.

- We may increase the Business Generation Fee multiplier each year during the Franchise Agreement term by an amount not to exceed two percent (2%) of the prior year's multiplier.

- If you elect to pay the Business Generation Fee for a new Account over time, and the new Account terminates within the first 18 months of service, you must pay us a fee equal to the initial Account Volume under the Account Contract ("**Client Retention Fee**"); provided, however, that no Client Retention Fee will be due and payable if the termination of the Account Contract is the result of any of the following events affecting the Account: business closure, relocation outside the Territory, or acquisition by another entity.

Our form of Account Contract permits post-contract increases in the Account Volume that an Account must pay each month under certain circumstances due to increased costs. If Account Volume under an Account Contract increases in this circumstance, you will pay an additional Business Generation Fee for the increase in Account Volume, in an amount equal to one month's increase in Account Volume. We will deduct that additional amount from Billed Revenue on your next Franchise Revenue Statement. We do not refund any portion of the Business Generation Fee previously paid to us or adjust the amount of your remaining payments if there is a decrease in labor costs.

Note 3: You must operate your Franchised Business in accordance with our performance standards, which we explain in the Manual. We dedicate significant time and resources to convey a unified iNX brand message that emphasizes exceptional customer service and consistent quality assurance so that Accounts can depend on the iNX brand to signify a certain service level and remain loyal to the iNX brand. Any iNX Network Member that fails to conduct business in a manner consistent with our customer service standards threatens to harm the iNX brand reputation to the detriment of all Network Members.

Performance Standards and corresponding fines ("**Non-Compliance Fees**") may change over time, and will be specified in the Manual The following chart identifies the current Performance Standards and Non-Compliance Fees if you fail to comply with a Performance Standard in servicing an Account:

PERFORMANCE STANDARDS - SERVICE		
Description of Non-Compliance	**Citation Due Date**	**Charge Per Incident**
Quality Assurance Form: Failure to submit a properly completed quality assurance form when due.	10 days after due date	$95
Failure to render all of the services contracted for by an Account within the scope of the AAA.	10 days after due date	$95
Account/Customer complaints: Failure to respond to a complaint received from an Account.	4 hours after receipt	$95
Missed or late appointments: Missing or showing up more than 30 minutes late to an appointment according to the service schedule agreed upon by Franchisee and the Account.	Appointment Time	$95
Employee substitutions without notice: If the employee of yours who actually performs services at the premises of an Account is not identified by you as the employee that will perform or has performed services.	By end of the same day on which services are performed by a different employee	$95
Your employee's failure to report his or her time on the job accurately or use the required time/attendance software (e.g., where an employee fails to "clock in" or "clock out" at the time they report and falsifies the actual time they work).	Per violation; the violation takes place when the employee submits a false time on the job report	$95
Franchise or Staff Uniform Violations: Allowing an employee who is not dressed in the uniform required by the Manual to perform services at the premises of an Account.	Per occurrence	$95
Unresolved Complaints or Quality Assurance Corrections: Failure to resolve a complaint from an Account to the reasonable satisfaction of the Account.	5 days from due date	$250

Your employee's failure to use an authorized company email address for email communications with iNX customers.	Per violation	$95
Failure to close a service order for additional services provided within 24 hours of providing service.	24 hours after services are provided	$95
PERFORMANCE STANDARDS - SAFETY		
Description of Non-Compliance	**Citation Due Date**	**Charge Per Incident**
Missed Mandatory Franchise Safety Meetings: Failure to attend any mandatory Franchise Safety Meeting for which we have provided no less than 30 days prior written notice. We may conduct franchise safety meetings in person or using remote video technology (like Zoom, Microsoft Teams).	Appointment date/time	$250
Staff or Facility Safety Equipment Not In Use or Not Available: Allowing an employee to perform services at the premises of an Account without proper personal protective equipment (goggles, masks, gloves).	Per occurrence	$250
Unsafe Work Conditions or Work Procedures: Allowing an employee to perform services at the premises of an Account under work conditions, or directing an employee to perform services following work procedures, that pose an unreasonable risk to the employee's personal safety.	Per occurrence	$250
PERFORMANCE STANDARDS – REPORTING WORK INJURIES		
Description of Non-Compliance	**Timeline**	**Charge Per Incident**
Failure to Report On-the-job Injuries involving your employees or members of the public	1st Occurrence per annum	$1,000
Failure to Report On-the-job Injuries involving your employees or members of the public	2nd Occurrence per annum	$5,000

The goal of Non-Compliance Fees is to motivate each Network Member to implement best practices in your Franchised Business' dealings with Accounts, employees and the general public to protect the integrity and reputation of our Licensed Marks and the goodwill that we have established with Accounts. You, alone, are responsible for implementing procedures and training and supervising your employees to comply with all Performance Standards.

If more than one Performance Standard default takes place, we may issue a separate citation notice per Performance Standard default. However, we agree not to issue a citation notice more than 90 days after the compliance deadline shown in the column marked "Citation Due Date."

By issuing a citation notice**,** you agree that we may deduct from the Collected Revenue payable to you the particular Non-Compliance Fee corresponding to the Performance Standard default that we describe in the Citation Notice. We agree to accept your payment of the Non-Compliance Fee as our sole remedy and will not issue a notice of default or pursue termination of the Franchise Agreement based on the same Performance Standard default described in the citation notice.

The Franchise Agreement sets a maximum number of Performance Standard defaults subject to the Citation Notice process. It provides that, after you receive either (i) 6 citation notices from us during any 12 month period whether they relate to the same or different Performance Standards; or (ii) 2 citation notices at any time based on your failure to report a workplace injury by the applicable Citation Due Date, whichever occurs first, we may issue a final citation notice. The final citation notice relieves us from having to accept payment of a Non-Compliance Fee as our sole remedy after the date of the final citation notice if you commit a new default (whether the new default relates to a Performance Standard or some other

material breach of the Franchise Agreement). Instead, we may serve you with a written notice of default in accordance with the Franchise Agreement.

Note 4: The Franchise Agreement defines what constitutes an "Event of Transfer." You may not transfer or delegate performance of an AAA to another franchisee.

Note 5: You must select and secure commercial business premises in your Territory within 90 days after the Franchised Business reaches the standard we specify in the Manual (currently 75 full-time equivalent employees). We anticipate that most Network Members will rent "flex space," a term that covers a wide range of commercial real estate including shared workspace, warehouse/office combination space, and light industrial space. Your business premises must be large enough to accommodate a desk and enough storage or warehouse space to store sufficient quantities of cleaning chemicals, solutions, cleaning materials, cleaning equipment and tools, employee uniforms, personal protective equipment, and supplies to service Accounts and avoid shortages. The space must allow sufficient privacy to conduct conversations without risk of having Account Data or other Confidential Information overheard by or available to unauthorized parties. Once you occupy business premises, you must keep the Franchised Business' books and records and perform administrative duties for the Franchised Business at the business premises. We impose minimal requirements for the business office's design, appearance and signage. You are solely responsible for investigating and evaluating potential sites in your Territory and submitting them to us for our approval following the procedures that we describe in Item 11. If, when you submit the address of the proposed business premises to us for approval, we determine that an in-person site review is needed, then you must pay us our then-current site pre-inspection fee ("**Site Pre-Inspection Fee**") as specified in the Manual and including our travel expenses to your proposed location.

THE ITEM 7 NOTES ARE AN INTEGRAL PART OF ITEM 7

Item 7 explains the estimated initial investment to open and begin operating a Franchised Business from the date that you sign the Franchise Agreement through the end of the "initial period," which we define as the first 3 months after the Business Start Date (defined in Item 5).

The low and high initial investment estimates rest on the following assumptions. You should adjust your own initial investment estimates if any of these assumptions do not apply to you:

A. The range shown for the Territory Fee is based on the product of $0.016 times the estimated population count in the Territory, which we anticipate may range approximately from 56,350 to $266,900.

B. We do not require you to occupy a business office for the Franchised Business until you reach the standard specified in the Manual, currently 75 full time equivalent employees. We assume that you will move into your business office after the initial period ends. We therefore exclude rent and related expenses attributable to the business office (e.g., lease security deposit, furnishings, shelving, lighting, and other improvements typical for a "flex" work space that includes storage). We impose no minimum size requirements. In budgeting your first year's operating costs, you should allow for rent, security deposit, and costs of these improvements.

C. You incur no expenses to buy or lease a vehicle specifically to operate the Franchised Business. We assume that you already own or lease a suitable vehicle for any local travel associated with operating the Franchised Business and that your employees use their own vehicles to travel to and from an Account's place of business. The only incremental vehicle-related expenses during the initial period that we include in this Item 7 are for fuel and parking, which are included in the Additional Funds estimate.

D. One of your Primary Owners serves as your General Manager during the initial period.

E. You enroll two people in the initial training program before the Business Start Date (you and a designated Operations Manager).

F. Other than hiring and paying salary to a designated Operations Manager, our estimates do not include any allowance for payroll since our franchisees almost never employ other workers during the initial period, nor does it include an allowance for salary or distributions to the Principal Owners.

G. You own a computer with an operating system meeting our minimum requirements that we describe in Item 11 and incur no incremental expenses to lease or purchase computer hardware specifically attributable to the iNX franchise.

H. We cannot estimate the Billed Revenue for Authorized Services that you perform during the initial period. Therefore, Item 7 excludes any allowance for Service Fees, Business Generation Fees or other similar fees payable during the initial period because they are measured as a percentage of Billed Revenue, which we cannot estimate.

We based these estimates on our experience and that of our franchisees since 2003.

The Item 7 chart is accompanied by the following detailed notes that explain each expense category and the variables that influence the low and high initial investment estimates. These notes are an integral part of Item 7. None of the expenses shown in the Item 7 table is normally refundable.

NOTES

Note 1: The low estimate assumes that you do not seek assistance to help you evaluate potential General Manager and Operations Manager candidates. The high estimate assumes that a supplier spends 10 hours working with you during the interview and evaluation process. You and the supplier should mutually determine the scope of work so that you can budget for this expense.

Note 2: We do not charge a separate training fee to deliver the initial training program before you may launch franchise operations. We base our estimates on two management-level employees attending the initial training program: a Primary Owner, who will serve as the Franchised Business' initial General Manager, and a second management-level employee who is the designated Operations Manager. You are solely responsible for paying the travel expenses to the Los Angeles, California area for the "on the job" portion of the initial training program. Your expenses attributable to training during the initial period will depend on the distance that your Primary Owner and designated Operations Manager must travel from their respective residences to the training location and the type of accommodations that he or she chooses. The low estimate assumes that both individuals reside locally and drive daily to the "on the job" training location and the high estimate allows for economy-class air travel, 5 nights of hotel, ground transportation, and daily meals for two people.

Note 3: This category covers costs for upright and backpack vacuums, brooms, mops, mop heads, mop buckets and ringers, rags, chemical cleaning solutions, gloves, and dustpans. The high estimate also includes costs for a side-by-side cleaner and power washer.

Note 4: This category includes fees for a business license, fictitious business name registration fee, and a $500 janitorial license fee applicable to employers of janitorial workers in California to register with the California Department of Labor Standards Enforcement. The janitorial license fee applies if you operate the Franchised Business in California. If you operate outside of California, you must investigate if the state or local laws in your Territory imposes a similar requirement and, if it does, you should include the fee in your budget. This category also includes an allowance for fees and costs to engage an attorney to help you secure business licenses, form a new business entity to serve as the franchisee, and review this Disclosure Document and the franchise contracts before you buy the franchise.

Note 5: The estimates cover the cost of comprehensive liability and casualty insurance, including auto liability insurance, janitorial bond, and workers' compensation insurance meeting our current minimum requirements. As we disclose in Items 6 and 8, you must purchase policies through our designated insurance broker and pay us the premium costs, which we will remit to our broker. We disclose low and high estimates of insurance premium costs for required insurance during the initial period.

Note 6: The category of "Additional Funds" includes miscellaneous expenses that you will incur during the first three months after the Business Start Date for operating costs like telephone and cell phone usage and service charges, office supplies, additional uniforms and identification badges, and additional equipment and supplies to replenish stock as needed during the initial period. Additional Funds also includes an allowance for payroll for your Operations Manager, vehicle fuel and parking, and legal fees to engage an attorney to review this Disclosure Document and the exhibits including the Franchise Agreement.

As noted earlier, the Additional Funds category does not include an allowance for expenses attributable to locating, building-out or operating from approved commercial business premises in the

Territory or payment of the Site Pre-Inspection Fee since we do not require that you move into approved business premises during the initial period, although you may choose to do so.

The Additional Funds category addresses expenses during the initial period, but exclude Service Fees and Non-Recurring Service Fees payable during the initial period, and deductions for advances and other charges taken out of Billed Revenue and Collected Revenue during the initial period.

You should review the Item 7 figures and notes carefully with a business advisor before making any decision to purchase the franchise. We cannot guarantee that you will not have higher expenses or other categories of expenses to start the Franchised Business. You should not plan to draw income from operations during the start-up and development stage of your franchise, which may extend beyond the initial period (first 3 months after the Business Start Date). You should have additional funds available in reserve, either in cash or through a bank line of credit, or have other assets which you may liquidate or against which you may borrow to cover other expenses, losses or unanticipated events during the start-up and development stage of the Franchised Business and beyond until cash flow from operations is sufficient to support ongoing operation expenses. We cannot estimate your cash flow needs.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

A. General

In operating your Franchised Business, you must follow our comprehensive specifications for the iNX System. These specifications cover all aspects of operation including the delivery of Authorized Services. The imposition of uniform standards promotes public awareness of the Licensed Marks and protects and enhances the reputation and public acceptance of the iNX brand name, which benefits all Network Members. We may revise our uniform operating standards at our discretion as frequently as we believe is necessary through written supplements to the Manual, which we post on the Network Portal or through other written or electronic communications. At this time, we notify our franchisees about changes that we make to the Manual by email. The Manual will indicate if a particular operating requirement is mandatory or optional. You must conform to all changes that we make in our mandatory specifications at your cost within the time we allow.

B. Required Purchases from Us or Designated Third Party Suppliers

1. You must buy all cleaning products, cleaning equipment, and business cards from third party vendors that we designate in the Manual. All items must meet the specifications in the Manual.

2. We will license specific time/attendance and enterprise resource software applications that you must use in operating your Franchised Business. These applications perform various core business functions including staff scheduling, tracking staff time, billing, accounting, and cataloging cleaning equipment. See Item 6 for the fees that you will pay us for subscriptions to these applications.

3. You must purchase and maintain general liability insurance, casualty insurance, commercial auto, an umbrella policy, and a janitorial bond each of which must meet our specifications through our insurance administration program. In addition to paying the premiums for these policies, you must pay us an annual insurance administration fee for our services in identifying insurance companies, negotiating group policies, collecting your payment of premiums and paying insurance carriers these premiums, as we describe in Item 6.

4. We require all Network Members to outsource specific human resources and insurance services. Our designated supplier is currently Van Beurden Insurance, which maintains a principal business address in Kingsburg, California ("**Van Beurden**"). The designated provider directly handles, or arranges with its own subcontractors to perform, a variety of services for our franchisees, including payroll processing services, human resources services, workers compensation insurance coverage, and workers compensation mitigation support services. We have negotiated preferred pricing terms with Van Beurden for the benefit of all iNX franchisees. We do not derive any income, revenue or other material benefits on account of your transactions with Van Beurden.

5. You may engage in lead generation activities to identify and recruit new Accounts in your Territory. However, if the Manual identifies that we have entered into a master agreement with a preferred lead generation service provider, you must engage our designated service provider and pay any fees that the third party provider charges for its services directly to that firm. At this time, we have no arrangements in place to receive any revenue from a designated third party lead generation service provider on account of their dealings with our franchisees, but we may receive revenue in the future.

C. Enterprise Account Program

We have established an Enterprise Account Program to meet the requirements of Accounts that maintain places of businesses that are located in territories assigned to different Network Members that desire delivery of a common set of Authorized Services across the Enterprise Account's business properties. Like all Accounts, we negotiate the price, delivery methods and other material terms of sale under which all Network Members will deliver Authorized Services to an Enterprise Account and its branch locations, offices, properties or divisions (collectively, "**Branch Locations**") without any duty to consult with you or other Network Members.

Your participation in the Enterprise Account Program is optional. By executing the Franchise Agreement, you are deemed to "opt in" to the Enterprise Account Program. At any time during the term of the Franchise Agreement, you may "opt out" of the Enterprise Account Program effective on no less than 60 days written notice to us.

- Choosing to remain opted in means that you agree to perform the Scope of Work at the contract price for each Enterprise Account with Branch Locations in your Territory with which we sign an Account Contract before the effective date of your opt-out notice (if you serve one).

- An election to opt out means that, after the effective date of your opt-out notice, you have elected not to participate in the Enterprise Account Program for all Enterprise Accounts with which we execute into an Account Contract after the effective date of your opt-out notice. Your election will not cancel or modify any AAA entered into with us for an Enterprise Account before the effective date of your opt-out notice.

- We will not begin to offer you Enterprise Accounts until after the first 60 days from the Business Start Date so that you have the opportunity to opt out of the Enterprise Account Program if you prefer not to participate in it and service Enterprise Accounts in your Territory.

You must sign and return to us an AAA for each Enterprise Account within 24 hours after we notify you that we have executed an Account Contract with an Enterprise Account that has business properties in your Territory to memorialize your agreement to perform the Scope of Work and comply with the material terms. We explain the Enterprise Account Program rules in greater detail in Item 12.

D. Approval of Third Party Vendors

In situations where we recommend, but do not designate the use of particular software applications, goods, services or third party vendors, we do not extend material benefits to a franchisee based on the franchisee's decision to follow our recommendations.

If we designate a particular vendor, which may include us or an affiliate of ours, from whom you must purchase, license or lease particular applications, goods or services, we may treat your failure to abide by these mandatory requirements as a material breach of the Franchise Agreement.

We may impose new mandatory requirements, update our specifications, or designate new mandatory vendors during the term of the Franchise Agreement through updates to the Manual or by other written communications. In updating our standards, specifications and criteria for new vendors, we consider (i) our franchisees' operations and experiences; (ii) competitive changes; (iii) feedback from Accounts on their preferences and changing requirements; and (iv) technological developments affecting the commercial facility maintenance service industry. We communicate changes to our standards and specifications to you in writing, usually through updates to the Manual, and notify you by email when we make changes to the Manual. Upon request, our specifications will also be made available to vendors. We will allow you a reasonable amount of time after giving you written notice of the change in which to adopt the new mandatory requirement or begin purchasing from the new designated vendor at your expense. A reasonable time period will be at least 30 days or, in our discretion, longer depending on the circumstances.

We evaluate and designate vendors based primarily on price, business reputation, ability to meet our quality specifications, reliability of delivery and customer service, and response and delivery time. Our designation or approval of a particular third party vendor does not constitute a representation or warranty of the fitness or merchantability of the applications, goods or services licensed, sold or leased by the vendor.

You may apply to us for approval to purchase goods or services from vendors other than the ones that we designate. In deciding whether to issue approval, we will consider the quality and reputation for reliability of the vendor you propose. At this time, we do not have any established practice or procedure for reviewing requests to approve alternative vendors other than we will not unreasonably deny requests. We do not impose any fee to review a proposed vendor. There is no set period of time within which we must reply to a request to approve a new vendor (no franchisee has ever asked us to approve an alternative vendor). However, we generally reply to a franchisee's request for approval of an alternative vendor within 30 days following receipt of the request.

E. Purchasing Arrangements

We negotiate purchasing arrangements with designated vendors, including price terms, for the benefit of all Network Members. We do not provide material benefits, such as renewal or granting additional franchises, to you based on your voluntary use of designated sources. There are no franchisee purchasing or distribution cooperatives.

F. Revenue From Third Parties on Account of Franchisee Transactions

In our most recent fiscal year, which is the 2024 calendar year, we received no revenue from third party suppliers on account of their transactions with our franchisees. Approximately 35% to 70% of your startup expenses and 3% to 10% of your ongoing expenses, other than fees disclosed in Items 5 and 6, will be for purchases from designated suppliers or according to our specifications.

G. Additional Disclosure re: Suppliers

At this time, no officer of the Company owns an interest in any required, recommended or approved vendor other than equity in a vendor that is a public company.

ITEM 10

FINANCING

A. Business Generation Fee

At your request, we may, in our sole discretion, agree to finance some or all of the Business Generation Fees that you must pay us for our services in locating Accounts in your Territory and offering you one or more AAAs. Financing terms permit repayment of the principal balance over a term of up to 36 months at 10% interest per year. If we agree to offer financing, you must sign a promissory note in the form of **Exhibit E** to the Disclosure Document.

As we explain in Item 6, we will deduct your monthly installment payments due under the promissory note from Billed Revenue. We may call the entire note and unpaid interest then due and payable and thereafter increase interest to 15% per year if (i) your Billed Revenue in a given month is insufficient to cover an entire installment and you fail to pay use the remaining amount of the installment due to us within five days after we give you written notice of default; (ii) after curing a default due to late payment of an installment twice within any 12 month period, your Billed Revenue is inadequate to pay an installment and we issue a third notice of default within the same 12 month period; or (iii) the Franchised Business' assets are attached by one of your creditors, you fail to pay taxes when due and payable, you license to operate the Franchised Business is suspended if your Territory is in a jurisdiction that requires you to hold a license (see Item 1), or you become insolvent or begin a liquidation or bankruptcy proceeding. If we or a subsequent holder employ an attorney to collect the amount due under the note, you must pay reasonable costs and attorney fees. The note is secured by you interest in the Billed Revenue that we collect from your customers under the Franchise Agreement.

B. Overpayment of Billed Revenue

As we explain in Item 1, if a reconciliation statement shows that Collected Revenue for an accounting month is less than Billed Revenue for that accounting month, the reconciliation statement will provide a calculation of your corrected net payment for the accounting month. The reconciliation statement will provide a breakdown of (i) the excess Billed Revenue that we have overpaid to you; and (ii) the credit due to you for the extra Service Fees and Non-Recurring Service Fees that you previously paid to us on the Billed Revenue. You must repay us the amount by which (i) exceeds (ii) within 5 days after you receive the reconciliation statement. At your request, we may, in our sole discretion, agree to finance some or all of this amount over a term of up to 12 months at 10% interest per year. If we agree to offer financing, you must sign a promissory note in the form of **Exhibit E** to the Disclosure Document.

C. New Account Start-up Advance

As we disclose in Item 6, at your request, we may, in our sole discretion, agree to advance to you an amount equal to up to one month's Billed Revenue that a new Account promises to pay to us under a new Account Contract to help you meet your labor and other expenses for taking on a new Scope of Work under a new AAA. Your obligation to repay the advance will be memorialized in a promissory note in the form of **Exhibit E**. The note will bear interest at 10% per year and provide for a term that will be up to 6 months, but may be less, with the first installment due beginning the month after you start work under the AAA at the Account's place of business. As we explain in Item 6, we will deduct your monthly installment payments due under the promissory note from your Billed Revenue.

D. Advance Before Payment Due Date

As we disclose in Item 6, at your request, we may, in our sole discretion, agree to pay you an advance equal to up to one month's Billed Revenue representing the aggregate Billed Revenue net of fees and other deductions for all Accounts under Account Contracts for which you have signed a corresponding AAA. The Franchise Revenue Statement will show the current balance of this advance. This advance applies to the situation where you ask us to pay you your share of Billed Revenue after the end of an accounting period and before the date when your payment is due to you. In lieu of interest, we charge you a one-time advance fee per advance equal to 3% of the amount that we advance. As we explain in Item 6, we will deduct the sum of the advance and the 3% advance fee from your Billed Revenue.

E. Insurance Premiums

Under our insurance administration program, we will, at your request, advance any down payment required by the insurance broker for your policy, pay the insurer and deduct the premium in equal monthly installments from your Collected Revenue throughout the policy period. Your obligation to repay us for the sums that we advance will be memorialized in a promissory note in the form of **Exhibit E**. The note will bear interest at 10% per year on any amounts that we advance for you under this program.

F. Equipment Financing

At your request, to help you lease equipment that you will need to operate the Franchised Business and perform Authorized Services, we may, in our sole discretion, arrange with a third party for an equipment lease and advance your equipment leasing costs, which you must repay us together with 10% interest out of your Billed Revenue. See additional disclosures in Item 6. (Franchise Agreement Section 4.1).

G. Disclosures Applicable to All Financing Offered by Us

Except as we disclose in Item 10, we do not offer direct or indirect financing to our franchisees nor will we guarantee your obligations to third parties.

As we explain in Item 6, we will deduct the monthly installment payments due under each promissory note from the Billed Revenue that we collect from your customers. We may call the entire note and unpaid interest then due and payable and thereafter increase interest to 15% per year until the entire principal and all accrued interest is paid in full if (i) Billed Revenue for any accounting period is inadequate to pay an installment and you fail to pay the installment within five days after we give you written notice of default; (ii) after curing a default due to late payment of an installment twice within any 12 month period, your Billed Revenue is inadequate to pay an installment and we issue a third notice of default within the same 12 month period; or (iii) the Franchised Business' assets are attached by one of your creditors or you fail to pay taxes when due or your Franchised Business is suspended or you become insolvent or begin a liquidation or bankruptcy proceeding. If we or a subsequent holder must employ an attorney to enforce the note, you must pay reasonable costs and attorney fees. In addition to accelerating repayment, your failure to pay any installment when due under a promissory note payable to us constitutes a breach of the Franchise Agreement and grounds for termination.

Each promissory note is secured by your interest in the Billed Revenue that we collect from the Accounts for which you perform Authorized Services.

The personal guaranty that your owners sign applies to your obligations under each promissory note that you sign that is due and payable to us. You may pre-pay any promissory note without penalty.

Termination of the Franchise Agreement for any reason will operate to accelerate the maturity date under all promissory notes that are outstanding on the effective date of termination. This means that, on the effective date of termination of the Franchise Agreement, you must pay us the outstanding principal and interest then due and accrued under each promissory note that you have signed that has a balance due to us.

You do not waive any legal rights under any promissory note that you sign in our favor memorializing your agreement to repay financing that we extend to you.

At this time, we do not intend to sell, assign or discount to a third party any promissory notes memorializing financing that we extend to franchisees.

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

A. Pre-Opening Obligations

We provide the following support services after you execute the Franchise Agreement and before the Business Start Date:

Initial Training

We will provide an initial training program during which we will provide instruction to your management-level employees and Primary Owner in the different duties of a General Manager and Operations Manager and to your responsibilities under the Franchise Agreement. (Franchise Agreement Section 4.7). We disclose additional information in this Item 11 regarding our initial training program and who must attend it.

Manual

We will provide you with user access credentials to our Network Portal where, among other things, we post the Manual. (Franchise Agreement Section 4.13). The Manual contains detailed information on your rights and duties under the Franchise Agreement and the operating methods and requirements of the iNX System. As of the issuance date, the Manual is approximately 121 pages. We attach as **Exhibit I** a copy of the table of contents of our current version of the Manual indicating the approximate number of pages devoted to each subject and total number of pages in the Manual.

Designated Suppliers

We will provide you a list of approved or designated vendors of specified products that you may or must use to perform Authorized Services in the cleaning process and in operating your Franchised Business. (Franchise Agreement Section 5.4). We will provide this information in the Manual, by posting communications on the Network Portal, or in writing.

Forms and Templates

Through the Network Portal, we will provide you with access to downloadable business forms, art work for stationery and business cards and professionally designed marketing materials for your local use. (Franchise Agreement Section 4.13).

Interview and Testing Services

At your request, we will help you evaluate potential General Manager and Operations Manager candidates before the Business Start Date and as vacancies arise during the Term, for which we charge the Interview and Testing Services Support Fee that we describe in Item 6. You are not obligated to seek our help in evaluating General Manager or Operations Manager candidates. We do not make or approve your hiring decisions.

B. Site Selection

As we explain in the notes to Item 6, one the Franchised Business reaches the standard specified in the Manual (currently, 75 full time equivalent employees), you must operate the Franchised Business from commercial business premises in the Territory. Before you enter into a lease for the business premises, we must approve its location and suitability. The Manual identifies our minimal requirements for the location, functions, design and appearance of your business premises including signage requirements. We anticipate that most Network Members will rent some type of "flex space" that combines room for a desk and storage or warehouse space. Generally speaking, you will meet with prospective and existing Accounts at their place of business, not at your business premises. You will mainly use the business premises to conduct administrative duties for the Franchised Business and store cleaning supplies and equipment, personal protective equipment, and employee uniforms.

To request our approval of proposed business premises, you must submit a site inspection request form that identifies the proposed business premises' street address, describes the basic physical attributes of the proposed business premises, identifies co-tenants (for shared space) or adjoining tenants in the same building or complex, lists the material occupancy terms under the proposed lease, and is accompanied by interior and exterior photographs of the business premises space and payment of the Site Pre-Inspection Fee if we determine that a site visit is required (see Item 6). We will be deemed to disapprove the proposed business premises unless we notify you of our approval in writing within 30 days after receiving your written request. You should not enter into a lease or other binding commitments with respect to the proposed business premises before you receive notice of our approval.

We will not approve a proposal to locate a business office within a retail business. The exterior and interior of the building, furnishings in a shared suite, and adjacent parking must all visually appear to be in good condition and repair, well lit, free of debris, secure, and communicate a professional image. Beyond these general criteria, we currently have no minimum specifications for building size, location, office furnishings, color schemes (other than for the Licensed Marks) or other details. You must safeguard Account Data and other Confidential Information (both defined in Item 14) in accordance with our policies and applicable law and using commercially reasonable protections. If you work in a public space and wish to transmit sensitive Account Data electronically, you must use a secure WiFi connection and observe commercially reasonable security precautions.

You may not relocate the approved business premises without obtaining our approval of the new location in accordance with the approval process in place at that time and paying us the then-current Site Pre-Inspection Fee, if we determine that a site visit is necessary.

We intend to list the street address of all Network Partner offices on the iNX Website. In the past, we allowed our franchisees to maintain the office of the Franchised Business in their primary residence and did not require our franchisees to operate from business premises. We will not list a franchisee's primary residence as a Network Partner office on the iNX Website.

Any use of the Licensed Marks to identify your Franchised Business in any format (e.g., whether on signs, vehicle wraps, business cards, banners or marketing materials that you create) must meet the brand guidelines in the Manual and requires our prior written approval before use.

C. Time Before Opening

The Business Start Date marks the date when you may begin performing Authorized Services. As we disclose in Item 5, the Business Start Date is the date when your Primary Owner, General Manager and Operations Manager (if all different people) successfully complete our initial training program. To mark this date, we refer to the date on the completion certificate that we issue to signify your Management Group's successful completion of the initial training program (and if we issue separate completion certificates to each individual who attends the initial training program, the last completion date is the Business Start Date). We will not begin recruiting and marketing activities to identify prospective Accounts in your Territory until after the Business Start Date.

The Business Start Date effectively marks the "opening date" of the Franchised Business. We estimate the typical length of time between signing the Franchise Agreement and the Business Start Date is 120-180 days. The actual Business Start Date will depend on how long it takes after the Effective Date of the Franchise Agreement for you to hire an Operations Manager and secure business permits and insurance and for us to schedule the initial training program for your Management Group. Before the Business Start Date, you must provide us with evidence that you have all required insurance and business permits to perform Authorized Services.

D. Post-Opening Obligations

Time and Attendance and Enterprise Resource Applications

We will provide you with a subscription to our designated cloud-based time and attendance and enterprise resource software applications for which we hold master subscriptions with third party service providers. You will use these applications to enter data that we use to prepare Account invoices and document specific service activities. We have remote access and administrator rights to the data that you enter at all times and, likewise, you have access to see the Account invoices that we generate for Billed Revenue attributable to the Franchised Business. We use the enterprise resource applications to monitor the generation of Billed Revenue, but have no ability to modify the employee records that you maintain to satisfy applicable law. (Franchise Agreement Section 4.1).

Accounts

As we explain in Item 1, once we identify a potentially suitable customer in your Territory and you confirm your interest in accepting the job opportunity, we will offer you a separate AAA to document the terms under which you agree to perform a specific Scope of Work for the Account that is identified in the AAA if the Account executes an Account Contract. Once we determine a bid price to offer the prospective Account for a Scope of Work, we will secure your approval of the Scope of Work and bid price before we make a formal proposal to the prospective Account. The Scope of Work and pricing in the AAA will be substantially similar to the Scope of Work and pricing in the Account Contract with the Account. You will execute the AAA before the Account executes the Account Contract, but the AAA will not become effective unless and until the prospective Account signs the Account Contract. When the AAA becomes effective, you must pay us the Business Generation Fee described in Item 6 of this Disclosure Document and in Section 6.6 of the Franchise Agreement. See additional disclosures in Item 1 regarding your performances duties pertaining to new customer recruiting and accepting the AAAs that we present to you. (Franchise Agreement Section 4.1).

Billing and Collection Service

We will provide billing and collection services to you for all Accounts, even those that you originate, and invoice the Account no less frequently than once each month for the amount due for the Scope of Work that you performed during the accounting period. (Franchise Agreement Section 4.6). We also provide you with a downloadable QuickBooks-compatible file each month with the Billed Revenue and Collected Revenue information for your Franchised Business and the amount of our fees, advances, and other deductions taken, which you can download into the Franchised Business' bookkeeping and accounting records that you maintain.

New Account Start-up Advance

At your request, to assist you in getting ready to perform a Scope of Work for a new Account, we may, in our sole discretion, agree to advance to you an amount equal to up to one month of the Billed Revenue that the Account agrees to pay to us under an Account Contract to help you meet your labor and other startup expenses. See additional disclosures in Items 6 and 10. (Franchise Agreement Section 4.1).

Equipment Financing

At your request, to help you lease equipment that you will need to operate the Franchised Business and perform Authorized Services, we may, in our sole discretion, advance your equipment leasing costs, which you must repay to us with 10% interest out of your Billed Revenue. See additional disclosures in Item 6. (Franchise Agreement Section 4.1).

Limited Cash Flow Protection

Each month, we will pay you an amount equal to the Billed Revenue that we invoice Accounts for the Scope of Work that you complete for them during the last accounting period. We do not charge you any interest if it turns out that the Billed Revenue that we advance to you is more than the Collected Revenue that an Account pays us. Afterwards, approximately 90 days after the invoice date to an Account, we will send you a reconciliation statement that "trues up" the Billed Revenue payment that we have advanced to you against the actual Collected Revenue that we receive from the Account. We explain the "true up" process in Item 1. Under this program, we advance to you a sum equal to the amount that we expect an Account to pay us although we do not guaranty this payment. (Franchise Agreement Section 4.1).

Advance Before Payment Due Date

This advance applies to the situation where you ask us to pay you an advance of Billed Revenue after the end of an accounting period and before the date that we credit you with your share of the Billed Revenue for the Scope of Work that you have completed per the Account Contract. We determine the amount of the advance. If we agree to make the advance at your request, we determine the amount of the advance. You must repay us for the advance with interest on the terms that we disclose in Items 6 and 10. (Franchise Agreement Section 4.1).

Insurance Administration

Under our insurance administration program, we will interface with our designated insurance broker on your behalf and assist you in completing the necessary forms to secure insurance coverage for the Franchised Business, advance the amount of any down payment required by the insurance broker, and remit monthly payments to the insurer. You must pay us for the insurance premiums and the insurance administration fee that we describe in Item 6. (Franchise Agreement Section 5.7).

If at any point during the term of the Franchise Agreement you fail to maintain the minimum required insurance coverage for the Franchised Business as specified in the Manual, we may, but are not obligated to, obtain such coverage on your behalf. If we elect to obtain coverage on your behalf, you must reimburse us for 125% of our cost to obtain the insurance; we may deduct this amount from Billed Revenue and Collected Revenue. (Franchise Agreement Section 6.16.1.5).

Consultation

We will provide you with continuing operating assistance to respond to your questions or requests for specific assistance. (Franchise Agreement Section 4.8). If we agree at your request to provide assistance in your Territory, you must pay us a daily assistance fee and reimburse us for our reasonable travel expenses, as we disclose in Item 6. (Franchise Agreement Section 4.4).

Skills Certification Programs

In the future, we may develop specific skills certification programs that provide you with instruction in premium commercial facility maintenance services that meet specific industry standards. We may designate certain skills certificates as optional and others as mandatory for your General Manager and Operations Manager, in our sole discretion, depending on our future marketing activities, competition in your market area, and the specific industries that our marketing targets. To secure a specific skills certificate, you must enroll your General Manager and Operations Manager in the additional training programs that we designate, which we or a third party may deliver, and your General Manager and Operations Manager must complete the program satisfactorily. In some cases, qualifying for a skills certificate may require that you invest in specific equipment. We will provide you with a reasonable amount of time to complete and secure a mandatory skills certification. To maintain certain certifications, you may need to submit periodically to testing or pass other recertification conditions. You bear all costs to qualify and maintain optional and mandatory skills certifications. (Franchise Agreement Section 4.3).

Enterprise Account Program

We cultivate relationships with prospective Enterprise Accounts and administer the Enterprise Account Program, which we describe in Items 8 and 12. (Franchise Agreement Section 4.1.6).

Ongoing Marketing Support

We provide marketing services to promote brand awareness of the Licensed Marks. See additional disclosures in this Item 11. (Franchise Agreement Section 5.6).

Training Programs

We repeat the "live" portion of the initial training program on an as-needed basis. By mutual arrangement, you may enroll other Primary Owners or non-owner management personnel whom you wish to qualify as a member of your Management Group in the "live" training session if they did not attend the same session delivered to your Primary Owner and management personnel before the Business Start Date. See Item 6 and additional disclosures in this Item 11. (Franchise Agreement Section 4.7).

Annual Conference

We may hold an Annual Conference for Network Members virtually using remote conferencing and streaming services or similar technology or in-person at a venue that we designate in the United States. Your General Manager, Operations Manager and, if different, at least one Primary Owner must attend the Annual Conference. We determine the agenda, which may cover subjects that include industry trends,

customer lead generation and sales techniques, updates to Authorized Services, performance standards, marketing programs, and other iNX System changes since the preceding Annual Conference. You are solely responsible for the salaries and any travel expenses of your personnel who attend the Annual Conference including transportation, lodging, food, and other personal charges. You must pay a per person registration fee in the amount that we disclose in Item 6 to help us cover the cost of the Annual Conference. In lieu of a Network-wide Annual Conference, we may conduct a series of regional meetings. Typically, the Annual Conference or regional meetings series will not exceed 3 days/year. We may also offer optional regional meetings and best practice workshops at the times and locations that we select. (Franchise Agreement Section 4.8).

iNX Website Subpage

We will maintain a separate subpage for your Franchised Business that is linked to our website and will update the subpage with information that you provide to us. (Franchise Agreement Section 4.13).

E. Marketing Services

We engage in various types of marketing activities that are designed to solicit new Accounts for our franchisees. These activities include one-on-one personal business solicitation in the form of meetings, telemarketing sales, internet advertising, print advertising, direct mail, and other forms of digital and traditional marketing. We may utilize our own employees or outsource lead generation activities to third parties in our discretion. We are not obligated to spend a minimum amount of money, resources or personnel time on activities designed to solicit new Accounts or generate leads for new Accounts in your Territory.

If our marketing efforts produce leads in your Territory that meet certain preliminary criteria that we set, we will notify you and involve you in the sales process as we explain in Item 1. Before we offer a prospective Account an Account Contract, we will obtain your agreement to perform the Scope of Work for the price and on the other material terms in the Account Contract. You will indicate your agreement by executing an AAA with us per Account, which will not become effective unless and until the Account executes the corresponding Account Contract. When the AAA becomes effective, you must pay us the Business Generation Fee for the Account Contract, which we describe in Item 6. We deposit Business Generation Fees into our general operating account, which we may use without restriction. Business Generation Fees may, but need not, be used to advertise and promote the iNX brand, Licensed Marks or Network Members.

We do not collect marketing or advertising fees under the Franchise Agreement. Consequently, you will not make contributions into any type of marketing or advertising fund that we administer for the benefit of Network Members. You will not have to participate in a regional advertising cooperative. The Franchise Agreement does not require you to spend a minimum amount on local marketing. Business Generation Fees are not marketing fees. We do not account to you for the money that we spend on marketing activities to generate new Accounts.

There is no franchisee advisory council to advise us on advertising.

As noted in this Item 11, we will provide you with sample business forms, art work for stationery and business cards and samples of professionally designed marketing materials.

If you choose to engage in local marketing or marketing activities, the activities that you undertake must be completely truthful, conform to the highest standard of ethical advertising and comply with any applicable laws and regulations. You must submit to us copies of all marketing, promotional and advertising materials that you propose to use at least 10 days before the proof approval deadline or desired

date of first use. We will review the materials within a reasonable time and will promptly notify you whether we approve or reject the materials. Our failure to reply by the end of 10 days signifies our disapproval. We may not withhold our approval unreasonably.

F. Computer Equipment

You will need a personal computer capable of running Windows 10 or higher, with Internet access and the ability to send and receive email, generate and store documents, and access the cloud-based business software applications that we require you to use to operate the Franchised Business and the Network Portal. You may purchase any personal computer model meeting our minimum specifications from any supplier of your choice. We anticipate the initial cost of a personal computer meeting our minimum specifications will be $2,000 or less. Your annual costs to maintain and upgrade the computer should be under $100 year unless technology developments make it more economical to replace computer hardware with a later model in order to utilize mandatory cloud-based applications efficiently.

You and each of the members of your work crew must carry a cell phone during the work day capable of receiving text messages and emails.

You must use the cloud-based time and attendance and enterprise resource applications that we designate and pay us the subscription fees that we disclose in Item 6 of this Disclosure Document.

We estimate that the total cost to maintain computer equipment, pay subscription fees, pay for cell phone services for you and your work crew, and related technology costs will be approximately $1,600 a year.

There is no requirement to have a "cash register" or "point of sale" system comparable to what retail businesses use to record their gross sales.

We will issue unique access credentials to the Network Portal to your Primary Owner, General Manager, Operations Manager and any other employees that you designate. However, they may not share their credentials with anyone else and must treat their credentials as Confidential Information. By accessing information on the Network Portal, they agree to our terms of use. Access to certain areas of the Network Portal may be restricted to your Primary Owner and General Manager.

We will enroll the Primary Owner and up to two additional individuals whom you designate as your proposed General Manager and Operations Manager (if you will not serve as the General Manager after the Business Start Date) in our initial training program to begin on a mutually convenient date within the first 120 days after you sign the Franchise Agreement. The primary instructional materials for the initial training program is the Manual. We do not impose a training fee to deliver training before the Business Start Date or for using training materials. All persons who participate in the initial training program must sign our Confidentiality and Non-Competition Agreement (**Exhibit C, Schedule 5**) before we begin the initial training program.

We deliver part of the classroom portion of our initial training program via video conference and another part by providing you access to our Learning Management System ("**LMS**"), as indicated in the chart. Your Primary Owner and your General Manager and Operations Manager (if you will not serve as the General Manager after the Business Start Date) may each complete the classroom portion remotely from your respective residences or any other location with secure WIFI connection.

We deliver the "on-the-job" portion of our initial training program at one or more customer sites in the Greater Los Angeles area although we may designate different locations in the United States in the future. We expect you to begin the training program within 120 days after signing the Franchise Agreement.

We administer a certificate test for each portion of the initial training program and issue a completion certificate to each person who you enroll in the initial training program upon their successful completion. At least one Primary Owner and your General Manager and Operations Manager (if you will not serve as the General Manager after the Business Start Date) must each successfully complete both the classroom and "on-the-job" portions of the initial training program to our satisfaction before you may begin operating your Franchised Business.

Our initial training program curriculum includes "train-the-trainer" instruction to help your General Manager and Operations Manager acquire the skills to teach your employees who perform commercial facility maintenance services at an Account's workplace proper cleaning techniques that meet the iNX System standards. We may also require that each of your employees whom you assign to perform Authorized Services at the premises of an Account must successfully complete a cloud-based video training program that explains our standards and specifications for performing Authorized Services. We make on-line training videos available to your employees; access is currently without charge but may be subject to a fee in the future. We will provide you with feedback regarding employee mastery of the training materials that you can address any deficiencies and delivery appropriate support to your employees.

Our training program is under the supervision of our Chief Operating Officer, Aaron Laredo, whose experience with us is described in Item 2 of this disclosure document.

After the Business Start Date, if you wish to qualify an additional or replacement manager as a member of your Management Group, we will enroll them in the next available initial training program. You must pay a per person training fee in the amount that we disclose in Item 6.

After the Business Start Date, we may periodically offer continuing education programs that utilize different delivery formats, including offering live instruction, remote computer-based tutorials, and field training, and require that the members of your Management Group complete designated courses or training to our satisfaction at your sole expense in order to retain their General Manager and Operations Manager designation. However, we will not require that the members of your Management Group complete more than 5 days each of mandatory live, in-person training per year including time spent at an Annual Conference. There is no limit on the number of hours of remote computer-based training that we may require the members of your Management Group to complete annually.

You are responsible for the travel expenses and salary of your employees during training programs that they attend. We do not compensate you or your employees for any work that you or they perform during training.

ITEM 12

TERRITORY

A. Your Territory

As we explain in Item 1, before you sign the Franchise Agreement, we will mutually designate a geographic area, which we refer to as your "**Territory**," that includes a population of at least 7,788 businesses according to the most recent data on commercial building counts published by Co-Star or equivalent database that we have chosen. We intend to delineate your Territory by reference to a group of contiguous U.S. Postal ZIP Codes. We alone determine the size of the Territory that we offer each franchisee based on each franchisee's business experience, financial condition, presence of competitors, local economic conditions and other factors that we feel are relevant to each geographic area. You must locate your Franchised Business's office in your Territory. You may not perform Authorized Services outside of your Territory.

During the term of your Franchise Agreement, we will not directly or indirectly perform Authorized Services at a job site in your Territory or award franchise rights to anyone that authorizes them to perform Authorized Services at a job site in your Territory. However, we may engage in certain activities in your Territory during the term of the Franchise Agreement as we explain in this Item 12. As a result of our reserved rights (and only to the extent of our reserved rights), you will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Unless we mutually agree to amend your Franchise Agreement, except as described below, we will not alter the boundaries of your Territory during the term of your Franchise Agreement regardless of changes in the number of businesses in your Territory. If you exercise a renewal option, you will retain the same Territory boundaries during the renewal term that we assign to you in the original Franchise Agreement unless we mutually agree to change these boundaries in writing. We will not agree to adjust your Territory's boundaries in connection with renewal in a manner that invades the territorial rights of other Network Members.

Your franchise rights are contingent on fulfilling your obligations under the Franchise Agreement. This includes, among other things, employing a General Manager and Operations Manager who each successfully complete our initial training program before the Business Start Date. It is also contingent on abiding by restrictions against engaging in a Competitive Business.

You must also meet the following minimum performance requirements applicable to the process of securing new Accounts, which we measure every rolling 13-week period during the Franchise Agreement term from and after the Business Start Date:

- During every rolling 13-week period during the Franchise Agreement term from and after the Business Start Date, you must keep at least 95% of all appointments that you or we (with your approval) set with prospective Accounts.

- During every rolling 13-week period during the Franchise Agreement term from and after the Business Start Date, you must submit a First Time Consult report to us within 24 hours of your meeting with the prospective Account at the prospect's place of business 100% of the time,

except in the event of extenuating circumstances approved by us in advance. Your written evaluation must express your opinion regarding the suitability of the opportunity according to the contemplated Scope of Work. If you conclude that the prospective Account is unsuitable, your report must specify your reasons.

- Beginning one year after the Business Start Date and continuing throughout the Term and any Renewal Term, you must maintain an average public review score of 3.6 or greater for both Google and Yelp reviews of the Franchised Business.

- During every rolling 12-month period from and after the Business Start Date, the Churn Rate for the Franchised Business must not exceed the greater of (i) 15%; and (ii) if the mean Churn Rate for all Network Members exceeds 15% during the 12-month period, then 125% of the mean Churn Rate for all Network Members for such 12-month period. "**Churn Rate**" means, for each Network Member: (a) the total Account Volume for Accounts that ended their Account Contracts during the 12-month period; divided by (b) the total Account Volume for all Accounts as of the beginning of the 12-month period.

Finally, your franchise rights are also contingent on maintaining an average "**Net Promoter Score**" or "**NPS**" of at least 50, which we measure over a rolling 26 week period beginning after the end of the first 26 weeks from the Business Start Date. The Manual explains our system for determining a Network Member's NPS. The NPS is generated by a customer survey tool that helps us measure customer loyalty according to how Accounts rate your performance. We ask Accounts questions on a 0 to 10 rating scale (where 10 is "extremely likely" and 0 is "not at all likely") that explore the likelihood that they would recommend you or another iNX Network Member to a friend or colleague. Based on their responses, we categorize Accounts into one of three groups: Promoters (9–10 rating), Passives (7–8 rating), and Detractors (0–6 rating). The percentage of Detractors is then subtracted from the percentage of Promoters to obtain the NPS. A NPS can be as low as minus 100 (everybody is a detractor) or as high as plus 100 (everybody is a promoter). We may terminate your Franchise Agreement if you fail to maintain an average NPS of 50 over a rolling 26 weeks beginning after the end of the first 26 weeks from the Business Start Date.

You understand and agree that we may (i) modify the NPS criteria at any time; (ii) substitute a different customer satisfaction measurement tool for Net Promoter; or (iii) use additional customer satisfaction tools besides Net Promoter to benchmark your performance. In the case of (ii) or (iii), you understand that any new tools that we choose may utilize a different ranking system that unlike Net Promoter is not based on a scale of 100. However, for purposes of determining your satisfaction of this minimum performance requirement, you must maintain an average score according of at least 75% of the maximum possible score during every rolling 26-week period from and after the Business Start Date.

If you fail to meet any one of the above minimum performance requirements, we may give you written notice of your default, and may elect any of the following remedies, in our sole discretion: (a) we may terminate your exclusivity in the Territory; (b) we may unilaterally reduce the size of your Territory; or (c) we may terminate the Franchise Agreement.

B. Enterprise Account Program

Once we enter into an Account Contract with a company that we identify as an Enterprise Account, we have the exclusive right to offer, market, and sell Authorized Services to all Branch Locations of the Enterprise Account and its divisions that the Enterprise Account designates. You may not offer, market or sell Authorized Services to the Enterprise Accounts' local locations in your Territory without our prior written consent. We alone determine which customers qualify as Enterprise Accounts. We identify Enterprise Accounts on the Network Portal and update this list as we add new Enterprise Accounts. You are responsible for monitoring updates to the Network Portal to identify all current Enterprise Accounts.

We negotiate the price, delivery methods and other material terms of sale under which Network Members will deliver Authorized Services to an Enterprise Account and its Branch Locations without any duty to consult with you or other Network Members.

Your participation in the Enterprise Account Program is optional, as we explain in Item 8. During any period that you elect to participate, within 24 hours after we notify you that we have executed an Account Contract with an Enterprise Account that has Branch Locations in your Territory, you must sign and return to us an AAA for the Enterprise Account, including your designation of the payment method for any Business Generation Fee associated with the Account Contract.

Although we have the exclusive right to offer, market and sell Authorized Services to all Branch Locations of an Enterprise Account with which we have entered into an Account Contract, we will only undertake to perform, or allow another Network Member to perform, Authorized Services for an Enterprise Account's locations in your Territory if the Enterprise Account notifies us that it does not want to work with you for any reason. The AAA that you sign with us for an Enterprise Account allows us to reassign the Enterprise Account's locations in your Territory to another Network Member or perform the Authorized Services ourselves effective immediately once we give you written notice that the Enterprise Account requests reassignment for any reason or for no reason (i.e., with or without cause). An Enterprise Account's request for reassignment does not automatically constitute your failure to participate in the Enterprise Account Program. However, if we determine that the reason for the Enterprise Account's reassignment request relates to acts or omissions by you that constitute a breach of the Franchise Agreement, we may terminate the Franchise Agreement.

We will use our reasonable business judgment in pursuing collection from Enterprise Accounts of outstanding invoices, but we are not obligated to (i) allocate payments that we collect from an Enterprise Account in a specific manner or in proportion to the outstanding receivable owed to each Network Member for Authorized Services rendered; or (ii) initiate collection proceedings against an Enterprise Account. We are not liable to you for any bad debt or nonpayment by an Enterprise Account. We may charge you for our collection costs, in an amount not to exceed your share of the Billed Revenue invoiced to an Enterprise Account.

C. Our Retained Rights

We reserve all rights that we do not award to you. This includes the right to establish a separate iNX franchise program directed at providing cleaning services to occupied personal residences, which is a category that we exclude from the scope of Authorized Services. If we were to launch a separate occupied residential franchise program, we do not have to offer you franchise rights for the same Territory that we assign to you under the commercial franchise program described in this Disclosure Document.

We also reserve the exclusive right to create and sell a line of iNX-branded cleaning products for residential and commercial use, which we may sell directly or through third party retail outlets, online marketplaces, and other trade channels in our sole discretion including from locations in your Territory and to customers who reside or work in your Territory. We have no obligation to share the revenue from these activities with you.

Because we exclusively may offer, market and sell Authorized Services to all Branch Locations of an Enterprise Account in your Territory with which we have entered into an Account Contract, we exclude these locations from your territorial rights. However, we will not perform or appoint another Network Member or a subcontractor to perform Authorized Services at an Enterprise Account's Branch Locations in your Territory unless (a) you opt out of the Enterprise Account Program; or (b) the Enterprise Account requests reassignment. The substitution of another Network Member or a subcontractor does not affect our

right to terminate your Franchise Agreement if we determine that you are in breach of the Franchise Agreement.

Our award to you of a franchise to operate the Franchised Business in the Territory does not obligate us to award you another iNX franchise if you apply for one or to enlarge the boundaries of your Territory. If we do agree to offer you another iNX franchise, you must sign our then-current Franchise Agreement, which may be materially different than the form of Franchise Agreement attached to this Disclosure Document. The award of franchise rights does not confer any type of right of first refusal to franchisees to purchase a new franchise for a territory that shares a common border with your Territory.

Nothing in the Franchise Agreement limits our right to use all, or parts, of the iNX System including the Licensed Marks for any purpose.

At this time, we do not sell, lease or distribute any goods or services under another brand name which might be considered to be competitive with Authorized Services or iNX-branded cleaning products and we have no present plan to do so in the future.

ITEM 13

TRADEMARKS

The Franchise Agreement authorizes you to operate the Franchised Business using our "**Licensed Marks**," which collectively are the specific trademarks, service marks, trade names logotypes, slogans, and other commercial symbols that we designate in writing at any time. "**Licensed Marks**" include all of the rights that we or our affiliates now or in the future own under applicable law in all patents, copyrights, trademarks, service marks, trade names, software configurations, industrial designs, trade secrets law and other forms of intellectual property, whether the rights exist on the date you sign your Franchise Agreement or we acquire, develop or create the rights afterwards. As we explain in Item 1, the term "iNX System" includes the Licensed Marks.

Our principal Licensed Mark, "**iNX**," appears on the cover page of this Disclosure Document and is registered on the Principal Register of the United States Patent and Trademark Office ("USPTO") as both a word mark and a design mark as follows:

REGISTRATION NUMBER	TRADEMARK/ SERVICE MARK	INTERNATIONAL CLASS AND GOODS/SERVICES	REGISTRATION DATE
5,027,099	iNX	Class 35 - Business administration services in the field of janitorial services and building maintenance services; Franchising, namely, offering business management assistance in the establishment and operation of janitorial services and building maintenance businesses.	August 23, 2016
2,982,851	iNX (design mark as shown on the cover page of this Disclosure Document)	Classes 35, 37 and 41 - Business administration services in the field of janitorial services and building maintenance services; Franchising, namely, offering business management assistance in the establishment and operation of janitorial services and building maintenance businesses; janitorial services; training in the field of janitorial services.	August 9, 2005; renewed March 23, 2016

No agreements limit our rights to use or license the use of our Licensed Marks or trade name.

We are not aware of any superior prior rights or infringing uses that could materially affect your use of the Licensed Marks in this state or the state where your Franchised Business is to be operated.

Under the Franchise Agreement, you must notify us immediately when you learn about any threatened or actual claim of infringement or challenge to your use of any of any of the components of the iNX System including the Licensed Marks. We have sole discretion to decide if we will take any action. If we decide to take action, we, alone, will take the action we think is appropriate and control the handling of any negotiations, settlement or defense of the third party claim. As long as you are using the Licensed Marks in accordance with the Franchise Agreement, at our cost, we will defend you against any third party claim that challenges your right to use the Licensed Marks or iNX System. We agree to defend you at our expense and pay any settlement or damages that you are held liable for, and reimburse you for your direct costs if a court orders you to cease using or modify the Licensed Marks. However, under no circumstance are we responsible to pay you for consequential or punitive damages, or for any lost profits or for your legal fees to engage independent legal counsel.

You must modify or discontinue the use of any of the Licensed Marks if we notify you in writing about a change, which we may make at any time and for any reason. Except in connection with third party claims, you must bear the cost to change the Licensed Marks or other elements of the iNX System if we adopt new Licensed Marks, discontinue the use of a particular Licensed Mark or make other modifications to the iNX System.

You may not directly or indirectly contest our rights in or to the iNX System or the Licensed Marks.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We own no patents material to the operation of the franchise and there are no applications that we have filed that are currently pending seeking to register a patent material to the operation of the franchise.

Although we have not registered a copy of the Manual with the United States Copyright Office, we consider the Manual and all marketing materials or instructional materials that we furnish to you (unless we expressly indicate otherwise) to be our property under common law copyright doctrines.

There are no currently effective determinations of the USPTO or any state or federal court, nor any pending infringement, opposition, or cancellation proceedings or pending material litigation in the United States of which we are aware involving any matters in which we claim a copyright.

As we explain in Item 13, you must notify us immediately when you learn about an infringement or challenge to your use of the Licensed Marks, a term that includes our intellectual property rights in Confidential Information. As long as you use our Confidential Information in accordance with the Franchise Agreement, we will defend you at our cost against any third party claim that challenges your right to use our intellectual property. We agree to defend, pay any damages for which you are held liable to a third party, and reimburse you for any direct costs that you incur if a court orders you to cease using specific intellectual property rights and proprietary information. However, under no circumstance are we responsible for any of your consequential or punitive damages or lost profits.

Under the terms of the Franchise Agreement, we own all Account Data that you may learn about, collect and store relating to the Franchised Business or that is developed or generated in connection with your operation of the Franchised Business. In return, and solely for purposes of performing your obligations under the Franchise Agreement, the Franchise Agreement gives you a license to use certain Account Data during the term of your Franchise Agreement. "**Account Data**" means any and all information (regardless

of how you or we obtain, record, store, or maintain it) that relates to an Account, including, but not limited to, the identity or name of the Account, contact information for the Account and its representatives, Account locations and services provided, and information regarding pricing, billing and collections, whether you or we are responsible for development and identifying the Account and whether the information is in electronic, written or another format. You must use, maintain and store Account Data consistent with our privacy policies, which we articulate in the Manual or otherwise in writing. We treat all Account Data that you generate or compile in operating your Franchised Business as "**Confidential Information**," a term that identifies a broad class of information that gives either one or both of us an advantage over third party competitors because the information is not generally known to the public or readily ascertainable by others through proper means. You may not use Account Data for any purpose unrelated to the Franchised Business or make a market in or attempt to sell or license Account Data to third parties for any purpose.

While the Franchise Agreement is in effect, neither you nor we may use or disclose Account Data in a manner that is detrimental to your ongoing relationship with the Account.

Once the Franchise Agreement terminates for any reason or expires, your license to use Account Data will end. You may only retain a copy of Account Data for the Accounts to which you provided Authorized Services during the last 24 months of the Franchise Agreement term if applicable law requires that you retain this information, in which case you may only retain it for the purposes and duration specified in applicable law. During this time period, you must continue to treat Account Data as Confidential Information.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

Either one of your Primary Owners or a non-owner management level employee whom you designate as the General Manager of the Franchised Business must personally supervise your Franchised Business. We recommend, but do not require, that your General Manager have an equity interest in the entity that executes the Franchise Agreement.

While the Franchise Agreement does not specifically require that one of your Primary Owners personally devote full time and attention to the day-to-day operation of the Franchised Business, we select franchisees where at least one Primary Owner expresses their intention to participate actively in the operation of the Franchised Business as the General Manager with the goal of maximizing the Franchised Business' opportunities and profit potential. We will not award franchises to applicants looking to buy a passive investment.

You must also designate another management-level employee to serve as the Operations Manager of the Franchised Business, who is responsible for supervising the performance of work by employees at an Account's place of business. Unless you obtain our prior written approval, the General Manager and Operations Manager must be different individuals. The Operations Manager may not own equity in the business entity franchisee.

You, your General Manager (if not the same person), and your Operations Manager must complete our initial training program to our satisfaction before the Business Start Date. There may not be a vacancy in the General Manager or Operations Manager positions. To avoid a vacancy situation, we recommend that you qualify more than one individual for each position.

You are responsible for training your own employees whom you assign to perform Authorized Services at an Account's place of business in our standards and specifications. Each employee must

successfully complete a cloud-based video training program and earn a certification of completion before you may dispatch them to job sites, as we explain in Item 11.

You must conduct business in a manner that informs clients, the general public, and any employees that you hire that you own and operate your Franchised Business as our licensee and as an independent contractor, and not as our agent or employee.

As we disclose in Item 8, you must outsource the performance of specific human resources services to our preferred provider. This requirement provides our Accounts with confidence that the franchisee responsible for performing services consistent with the AAA is in compliance with its legal responsibilities as an employer of the individuals who perform work at the Account's premises. Providing Accounts with this assurance benefits all Network Members and the goodwill that the public associates with our Licensed Marks. Besides the services that you must outsource to our preferred provider, you may outsource the performance of other human resource services to any approved third party services provider. The human resources provider that you engage may be treated by law as a co-employer of your employees. However, by engaging a third-party provider, you are not relieved of liability under applicable law as the employer of record of your employees.

You must operate the Franchised Business as a business entity and each Primary Owner of the franchisee entity must sign our form of personal guaranty and furnish current personal financial information to us. Our current form of personal guaranty is attached as **Schedule 3** to the Franchise Agreement.

If you are married, your spouse will be asked to execute a Spousal Consent (**Exhibit C, Schedule 4**) acknowledging that your obligations under the Franchise Agreement are binding upon the marital community.

We require all individuals and other "**Covered Persons**" who require or receive access to Confidential Information including Account Data in order to perform their job for you must sign our current form of Confidentiality and Non-Competition Agreement (**Exhibit C, Schedule 5**). The term "**Covered Person**" means (i) Franchisee; (ii) each Affiliate of Franchisee; (iii) each individual who is (a) a General Manager, Operations Manager, Assistant General Manager, Assistant General Manager; or (b) an Owner, officer, director, member or manager of a limited liability company, trustee, or general partner of the Business Entities included in (i) and (ii); and (iv) the spouse, adult children, parents, or siblings of the individuals included in (iii).

The Confidentiality and Non-Competition Agreement also forbids each Covered Person from directly or indirectly owning or engaging in a "**Competitive Business,**" which the Franchise Agreement defines as any business that performs commercial facility maintenance services for customers. The non-competition agreement applies (i) during the term of the Franchise Agreement anywhere in the world; and (ii) for one year after the termination or expiration of the Franchise Agreement or an Event of Transfer of the Franchise Agreement anywhere in and within a 15 mile radius outside of (x) your former Territory; or (y) the territory of another Network Member.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

We engage in marketing activities to develop Accounts for your Franchised Business to identify prospective Accounts and ultimately to enter into Account Contracts with them. As we explain in Item 1, before we offer a prospective Account a proposed Account Contract, we work with you to summarize our mutual understanding regarding the Scope of Work and other material terms of the job proposal in the AAA, which serves as the written contract between you and us that memorializes your agreement to perform

the Scope of Work in the Account Contract if the Scope of Work and other material terms in the Account Contract that the Account ultimately signs are substantively identical to the AAA. Your execution of the AAA signifies your agreement to ensure that the Scope of Work that you and your employees perform at the Account's place of business is completed in a manner that satisfies our obligations under the Account Contract and adheres to the iNX System. You and we will sign a separate AAA for each Account on the then-current form of AAA in the Manual. The AAA will not become effective unless and until the prospective Account signs the corresponding Account Contract. Once you sign an AAA, you must relay any requests by the Account for additional services to us.

You may engage in lead generation and recruiting activities to identify new Accounts by promoting Authorized Services, subject to the conditions set out in Item 1 and subject to our prior approval of any local marketing materials that you choose to use to promote the Franchised Business.

You may not sell cleaning products, equipment, supplies, or any other products or services to customers independent of performing Authorized Services for an Account at the Account's place of business. You may not offer or perform Authorized Services for any customer with which we have not signed an Account Contract.

The Franchise Agreement does not limit our right to change the goods and services we authorize you to offer to prospective Accounts or to modify the iNX System.

As we explain in Item 11, we may in the future develop specific skills certification programs for premium commercial facility maintenance services and require that the General Manager and Operations Manager of your Franchised Business qualify for, secure and maintain specific skills certificates so that you can offer and perform the premium services.

ITEM 17

RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

This table lists certain important provisions of the franchise and related agreements. You should read these provisions in the agreements attached to this Disclosure Document.

b. Renewal or extension of the term	3.2	If you meet the renewal requirements and we are awarding new iNX franchise in the United States at the time, you may renew the franchise for two consecutive 10-year terms on the same terms and conditions as franchises that we are then awarding to new franchisees at the time of renewal, as modified by the Renewal Addendum (Franchise Agreement, **Schedule 7**).
c. Requirements for franchisee to renew or extend	3.3	To exercise each renewal option, you must sign our then-current Franchise Agreement, which may have materially different terms and conditions than the expiring Franchise Agreement. Additionally, you must be in good standing, provide sufficient notice, and sign our form of general release.
d. Termination by franchisee	8.1	You may terminate only for a material breach that we do not cure within the period allowed by the Franchise Agreement, or other grounds permitted by applicable law.
e. Termination by franchisor without cause		Not applicable
f. Termination by franchisor with cause	8.2	We may terminate only upon an uncured or non-curable material default.

PROVISION	SECTION	SUMMARY
g. "Cause" defined - curable defaults	8.3	You have 10 days to cure a default based on non-payment or violation of applicable law (unless the violation pertains to public health or safety, in which case the length of the cure period may be shorter) and 30 days to cure any other default that the Franchise Agreement does not identify is not curable.
h. "Cause" defined -non-curable defaults	8.2	Non-curable defaults include: failure to complete all requirements to open the Franchised Business within 180 days; abandonment of the Franchised Business; material misrepresentation in your application to acquire the franchise; completing or attempting to complete an unauthorized Event of Transfer as defined in the Franchise Agreement or unauthorized subcontracting; 3 notices of default during any 24-month period (need not involve the same default) even if you cure the prior defaults in a timely manner; misuse of Account Data or other Confidential Information as defined in the Franchise Agreement; misuse of the Licensed Marks or other components of the iNX System; conduct that creates a danger to public health and safety; felony conviction; or directly or indirectly engaging in a Competitive Business.

Additionally, the selling franchisee and each Covered Person must abide by the non-competition agreement that applies for one year after the termination or expiration of the Franchise Agreement or an Event of Transfer (see r. below).

PROVISION	SECTION	SUMMARY
p. The Franchise Agreement defines what constitutes Incapacity. Following this contingency, we allow the heirs or representatives of the deceased or incapacitated Primary Owner 180 days in which to qualify another Primary Owner of the franchisee business entity as a General Manager (if there is another Primary Owner at that time) or complete a sale of the Franchised Business to a qualified buyer, subject to the same conditions as any other Event of Transfer. We may assume management of the Franchised Business for up to 180 days, and we may extend the management period for up to one year after the death or Incapacity.

v. Choice of forum	13.2.2, 13.3	Any court of competent jurisdiction for obtaining provisional remedies; Multnomah County Circuit Court or the U.S. District Court for the District of Oregon for other disputes not resolved by mediation (subject to applicable state law).

ITEM 18

PUBLIC FIGURES

We do not use any public figure in our trade name or symbol. We do not use the endorsement of any public figure to promote the sale of franchises, nor is there any public figure who is involved in the management or control of our company.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We provide the following information regarding the actual Gross Revenue of all franchisees operating continuously throughout the last three years - 2022, 2023, and 2024. Unlike the limited territorial exclusivity granted with the franchises offered under this disclosure document, the franchisees whose results are reflected in this Item 19 do not have any territorial exclusivity. Each "Reporting Group" includes all of the franchisees that operated throughout that calendar year. The 10 franchisees included in the 2024 "Reporting Group" were included in the prior years; in each of the three years, we exclude one franchisee that operated during part but not all of that year.

We define Gross Revenue to mean the aggregate of all revenue and income attributable to or derived from the operation of the business, regardless of the form of payment. Gross Revenue includes the actual proceeds received from the sale of all products and services of any kind as well as any proceeds from business interruption insurance. Gross Revenue excludes: (i) sales taxes and other taxes collected from customers and paid to the appropriate taxing authority; (ii) refunds and credits made in good faith to arms' length customers; and (iii) the amount of any dishonored or returned checks and charge-backs or reversals of credit card transactions with customers. Gross Revenue does not reflect operating expenses, including fees that franchisees pay to us.

TERMS AND CONDITIONS

1. DEFINITIONS

Capitalized terms appearing in this Agreement are either defined where they are first used or have the following meaning:

1.1. "**AAA**" means Account Acceptance Agreement, which is the written contract between you and us that memorializes your agreement to perform the specific Scope of Work described in a specific Account Contract that we enter into with an Account. You will enter into a separate AAA for each Account; each AAA will specify the Account Volume, Scope of Work, and the payment terms for the Business Generation Fee for the Account Contract to which it relates. Your approval of the AAA signifies your agreement to ensure that the Scope of Work that you and your employees perform at the Account's place of business in a manner that satisfies our obligations under the Account Contract and adheres to the brand standards of the iNX System.

1.2. "**Account**" is the commercial facility maintenance service customer identified in an Account Contract, Non-Recurring Service Agreement, or AAA.

1.3. "**Account Contract**" is the written contract between us and an Account that memorializes our agreement to assign a Network Member to perform a specific recurring Scope of Work for the Account at the Account's place of business in exchange for agreed-upon consideration payable to us.

1.4. "**Account Data**" means any information (regardless of how you or we obtain, record, store, or maintain it) that relates to an Account, including, but not limited to, the identity or name of the Account, contact information for the Account and its representatives, Account locations and services provided, and

information regarding pricing, billing, and collections. You must use, maintain, and store Account Data consistent with our privacy policies, which we articulate in the Manual or otherwise in writing.

1.5. "**Account Volume**" means the aggregate monthly Billed Revenue for which we will invoice an Account and that you can earn by performing the Scope of Work specified in the AAA.

1.6. "**Accounting Month**" means the accounting period that we specify for invoicing Accounts, and is currently a calendar month. We may change the accounting period for all or specified Accounts at any time, without prior notice for new Accounts and upon no less than 30 days' written notice for existing Accounts.

1.7. "**Affiliate**" means a Business Entity that controls, is controlled by, or is under common control with a party to this Agreement.

1.8. "**Applicable Law**" means and includes applicable common law and all statutes, laws, rules, regulations, ordinances, policies, and procedures established by any governmental authority with jurisdiction over the activities of either party to this Agreement in effect on or after the Effective Date, as they may be amended from time to time.

2.1.3. In accepting the award of rights, you agree at all times to (i) faithfully, honestly and diligently perform your obligations under this Agreement; (ii) continuously exert your best efforts to maximize the Billed Revenue that your Franchised Business generates by continually looking for opportunities to add new Accounts and expand the Scope of Work that you perform for Accounts; and (iii) promote and enhance the reputation and goodwill associated with the iNX System. You understand and agree that your strict and punctual performance of all obligations in this Agreement and the Manual is a condition of this license. Your use of the iNX System for any purpose, or in any manner, not permitted by this Agreement is a breach of this Agreement.

As a result, we will not operate, or grant another Network Member the right to operate, an iNX commercial facility maintenance service business in the Territory using the iNX System during the Term. You may not offer to perform, or perform, Authorized Services outside of the Territory.

2.3.2. You understand and agree that although the Territory on the Effective Date is based on the estimated population count in the Territory according to the most recent data on commercial building counts published by Co-Star, or an equivalent database that we have chosen, the boundaries of your Territory will remain the same throughout the Term, regardless of any increases or decreases in this population. In entering into this Agreement, you accept the risk that the population in the Territory may decline after the Effective Date.

2.4. Our Reserved Rights in Your Territory. We reserve all rights with respect to the Licensed Marks and the iNX System that are not granted to you by this Agreement. We retain the right to engage in all activities that this Agreement does not expressly prohibit, including the following:

2.4.1. We may establish a separate franchise program identified by the Licensed Marks offering cleaning and maintenance services exclusively for occupied residential properties, which is a property category that we exclude from the scope of Authorized Services. You agree that we may use, and authorize others to use, improvements that you suggest, initiate, or originate, without having to pay you any compensation. You understand and agree that nothing in this Agreement constitutes or may be construed as our consent or permission to your modifying the iNX System or any portion or component of the iNX System. Any modification that you desire to propose or make to the iNX System shall require our prior written consent.

2.5.2. You understand and agree that we may modify the iNX System and any of its components from time to time in our sole discretion. We will give you written notice of all changes either by supplements to the Manual or otherwise in writing or electronically. You must, at your own cost and expense, promptly adopt all changes, use only those parts of the iNX System specified by iNX, and promptly discontinue the use of any parts of the iNX System that iNX directs to be discontinued. Except as we direct, you must not change, modify or alter the iNX System or any portion or component thereof, or creating any derivative work based on any element of our Intellectual Property Rights.

2.5.3. You recognize that modifications that we may make to the iNX System may necessitate that you make capital expenditures during the Term in amounts that we cannot forecast on the Effective Date. Nothing in this Agreement limits the frequency of changes or the cost of implementing changes that we may make to the iNX System during the Term. You understand and agree that we have no ability to identify with specificity the nature of future improvements or their expected cost, and you accept the risk that future improvements may be imposed that will require you to make significant capital expenditures in an amount that is unknown on the Effective Date and that you may not be able to amortize fully over the period of time then remaining in the Term.

2.6. Additional Programs and Services. In the future, we may expand the iNX System to include additional commercial facility maintenance programs and services as Authorized Services (for example, building maintenance, security, and landscaping services). You may be required to offer such additional services, and may need to purchase additional equipment and/or hire additional personnel with experience in those areas if your existing Management Group does not have the required expertise.

2.7. Deviations from the iNX System. We may allow other Network Members to deviate from the iNX System in individual cases in the exercise of our sole discretion. You understand and agree that you have no right to object to any variances that we may allow to other Network Members, and have no claim against us for not enforcing the standards of the iNX System uniformly. You understand and agree that we have no obligation to waive, make any exceptions to, or permit you to deviate from, the uniform standards of the iNX System. Any exception or deviation that we allow you must be in writing and executed by us in order to be enforceable against us.

3. TERM AND RENEWAL

3.1. Term. The initial term of this Agreement ("**Term**") begins on the Effective Date and will expire without notice at the close of business 10 years after the Effective Date, unless this Agreement is sooner terminated in accordance with the procedures for termination.

3.2. Renewal Term. Unless this Agreement is terminated for any reason before the last day of the Term (or the first Renewal Term), you will have two consecutive options to renew the franchise, each for a period of 10 years beginning on the next day after the last day of the expiring Term or first 10-year renewal term (each 10-year period is referred to as the "**Renewal Term**" and each option to renew is referred to as a "**Renewal Option**"). You understand that each Renewal Option is subject to the condition that we must be awarding iNX franchises to new franchisees in the United States at the time when you are permitted to exercise the Renewal Option. If we are not awarding iNX franchises to new franchisees in the United States at the time when you are permitted to exercise the unexercised Renewal Option, the Renewal Option shall be nullified as if it had never been awarded and this Agreement shall expire on the last day of the Term or the first Renewal Term, as applicable.

3.3. Conditions to Exercising Renewal Options. In order to exercise each Renewal Option, you must comply the following conditions:

3.3.1. You must give us written notice of your election to renew (the "**Renewal Notice**") at least 9 months, but not more than 12 months, before the last day of the Term. A Renewal Option shall be cancelled if you do not timely and effectively exercise the Renewal Option. The second Renewal Option is automatically null and void upon cancellation of the first Renewal Option for any reason.

3.3.2. Each Renewal Notice must be accompanied by payment of a non-refundable renewal fee ("**Renewal Fee**") equal to 40% of our then-current Initial Franchise Fee.

3.3.3. You may not be in default under this Agreement at the time you give us your Renewal Notice or on the first day of the applicable Renewal Term. Further, you must not have received more than 3 notices of default during any 24 Accounting Month period during the Term that is then expiring whether or not the notices relate to the same or to different defaults, and whether or not you timely cured each default.

3.3.4. To exercise each Renewal Option, you must execute our then-current form of Franchise Agreement for the Renewal Term, which shall supersede this Agreement in all respects except as follows: (i) you will not have the renewal rights set forth in our then-current Franchise Agreement, but shall instead have the renewal rights in this Agreement; (ii) you will not be required to pay the Initial Franchise Fee stated in the then-current Franchise Agreement, but shall instead pay the Renewal Fee; (iii) you must complete any training that we then require Network Members exercising a Renewal Option to complete, instead of the initial training program that we then offer to new Network Members; and (iv) your General Manager and Operations Manager must be up to date with all mandatory skills certifications we then require for the Authorized Services you offer. You understand and agree that our then-current Franchise Agreement may be materially different from this Agreement, including requiring payment of additional or different fees to us. If you exercise a Renewal Option, the boundaries of your Territory will remain unchanged during the Renewal Term unless we mutually agree to change these boundaries in writing.

3.3.5. You must execute and deliver a general release, in form satisfactory to us, of any and all claims against us, our Affiliates and our respective officers, directors, shareholders, employees and agents.

3.4. Ineffective Exercise of Renewal Option. Your failure to execute and deliver the then-current Franchise Agreement and release required by this Section within 30 days after we deliver them to you for execution shall be deemed an election by you not to exercise the Renewal Option. If you fail to satisfy any renewal condition in a timely manner, this Agreement will expire on the last day of the then-current Term or first Renewal Term without further notice from us; provided, however, you will

remain obligated to comply with all provisions of this Agreement that expressly, or by their nature, survive the expiration or termination of this Agreement.

3.5. Extension.

3.5.1. If, when you deliver a Renewal Notice, we are not offering iNX franchises to new franchisees in the United States, we may, in our sole discretion, offer to extend the terms and conditions of this Agreement for a period of our choosing, up to the length of the then-current Renewal Term. We may require you to pay an extension fee in an amount up to 40% of our then-current Initial Franchise Fee.

3.5.2. If, when you deliver a Renewal Notice, we are in the process of revising, amending or renewing our Franchise Disclosure Document or registration to sell franchises under Applicable Law and cannot lawfully offer you our then-current form of Franchise Agreement, we may, in our sole discretion, offer to extend the terms and conditions of this Agreement on a month-to-month basis following the expiration of the Term or first Renewal Term for a maximum period of 12 months. If, after 12 months, we still cannot lawfully offer you our then-current form of Franchise Agreement, and you then satisfy all of the conditions for exercising a Renewal Option, we may, in our sole discretion, offer to extend the terms and conditions of this Agreement for a period of our choosing, up to the remainder of the then-current Renewal Term.

4.1.1.3. You have no right to solicit any prospective Account that the Manual identifies as an Enterprise Account or that asks you to perform Authorized Services outside of your Territory.

4.1.1.4. You understand and agree that we have the sole right to negotiate prices and payment terms for Authorized Services with any leads that you generate. 4.1.1.5. If we are able to reach a preliminary agreement regarding an Account Contract with a prospective Account that you propose, we will offer you an AAA for the prospective Account in accordance with this Agreement. If your efforts are primarily responsible for introducing us to a prospective Account with which we have no prior relationship, and the prospective Account signs an Account Contract with us and you sign a corresponding AAA, we will discount the Business Generation Fee payable to us for the new Account by 10% to reflect your efforts in making the introduction. If your efforts are more significant in helping us develop a new Account Contract, we will discount the Business Generation Fee payable for the corresponding AAA by 50%. We alone decide if your involvement in helping us procure a new Account Contract merits the 10% or 50% discount, and our decision is final and binding on you.

4.1.2. ***Account Sales and Pricing.***

4.1.2.1. We will give you written notice when we identify a new prospective Account in your Territory that we believe meets our minimum criteria so that you can meet with and complete a First Time Consult with the prospective Account. You must complete and deliver to us a written FTC report for each prospective Account in your Territory immediately and, in all cases, within 24 hours after you complete the First Time Consult interview. You understand and agree that the prompt completion of a First Time Consult and written report is essential to the process of generating new business and preserving the reputation of the iNX System for customer-centric services, and that 24 hours after the First Time Consult interview is a reasonable time period to complete and deliver the FTC report to us.

4.1.2.2. If your FTC report concludes that the prospective Account would not be a good fit for the Franchised Business, we will not proceed further with the prospective Account. Your FTC report must specify your reasons for this conclusion. Your rejection of more than 10% of the prospective Accounts that we present to you in any 13-week period shall be grounds permitting us, at our option, to reduce or terminate your exclusivity in the Territory or to terminate this Agreement.

4.1.2.3. If your FTC report concludes that the prospective Account would be a good fit for the Franchised Business, we alone will negotiate the terms of the Account Contract with the Account.

4.1.2.4. You agree that we alone may decide if we will offer a prospective Account an Account Contract based on our own evaluation of the prospective Account's business reputation and financial condition after taking into consideration your First Time Consult report. We are not obligated to offer a prospective Account an Account Contract based solely on your conclusion that the prospective Account would be a good fit for your Franchised Business.

4.1.3. ***Account Acceptance Agreement and Account Contract.***

4.1.3.1. Before we enter into an Account Contract with a prospective Account, we will share a copy of the proposed Account Contract with you together with the proposed AAA. The

proposed AAA will memorialize your agreement to perform a Scope of Work on the financial terms set forth in the proposed Account Contract. You and we will enter a separate AAA for each Account. Your approval of an AAA confirms your agreement to ensure that the Scope of Work that you perform at the Account's place of business is completed in a manner that satisfies our obligations under the Account Contract and adheres to the quality standards of the iNX System. You must sign the proposed AAA as soon as possible and, in all cases, within 24 hours of receipt of the proposed AAA. Your failure to sign the AAA within 24 hours shall be deemed a rejection of the Account. You understand and agree that for the sake of customer satisfaction and retention it is essential that you respond promptly and that 24 hours is a reasonable time period in which to accept the AAA. Your failure to agree to terms with respect to more than 10% of the proposed AAAs that we present to you in any 13-week period is grounds permitting us, at our option, to reduce or terminate your exclusivity in the Territory or to terminate the Franchise Agreement.

4.1.3.2. Once you sign an AAA for a particular Account, we will present the prospective Account with an Account Contract on the same substantive terms and conditions as the AAA between you and us. You are not a party to the Account Contract that we execute with an Account. You agree that all changes that we and the Account agree to make to a proposed Account Contract that are not Material Scope of Work Changes will automatically become part of the AAA following written notice to you from us (which may be by email or other electronic communication) describing the change.

4.1.3.3. If the prospective Account proposes Material Scope of Work Changes to a proposed Account Contract, we will provide you with a revised AAA reflecting the Material Scope of Work Changes. Your failure to notify us of your objection within 4 hours after receiving an amended AAA proposing Material Scope of Work Changes shall signify your approval, in which case the AAA will be deemed amended. You understand and agree that for the sake of customer satisfaction and retention it is essential that you respond promptly to proposed Material Scope of Work Changes and that 4 hours is a reasonable time period in which to respond.

4.1.3.4. The effective date of each AAA is the same effective date as the corresponding Account Contract. We will notify you as soon as each Account Contract becomes effective so that you can add the Account to your Franchised Business' work schedule and prepare to begin work at the Account's business premises on the terms of the Account Contract.

4.1.4. ***Changes to an Existing Account Contract.***

4.1.4.1. Under the terms of the AAA that you sign, you agree that, once an Account Contract becomes effective, we and an Account may modify the Account Contract at any time and for any reason. For example, we and the Account may agree to change the original Scope of Work in a manner that results in changes to service requirements, price, or payment terms. We will notify you about all changes reasonably promptly so that you may adjust your work schedules and business plans. Our notification will be in writing (for example, by email, text message, or an instant messaging system).

4.1.4.2. If we and the Account agree to make changes to an existing Account Contract, we will present you with a revised AAA. Your failure to notify us within 4 hours after receiving an amended AAA shall signify your approval, in which case the AAA will be deemed amended. You understand and agree that for the sake of customer satisfaction and retention it is essential that you respond promptly to proposed changes and that 4 hours is a reasonable time period in which to respond.

4.1.5. ***Billing and Collection Activities; Franchise Revenue Statement.***

4.1.5.1. Each AAA that you sign for a specific Account will specify the Account Volume, Scope of Work, and payment terms for the Business Generation Fee. Failure to perform the Scope of Work specified in an AAA is a default under this Agreement.

4.1.5.2. We do not guarantee that an Account will pay the full Billed Revenue that we invoice the Account for the Scope of Work that you perform. However, we will credit you for 100% of the Billed Revenue for an Account less the sum of the fees, advances and other payments due to us under this Agreement, subject to adjustments using the reconciliation procedure in Section 4.1.5.4 below.

4.1.5.3. Within 5 days after the end of each Accounting Month, we will send you a Franchise Revenue Statement for each Account in your Territory that you are then servicing, identifying (i) the specific Scope of Work that the Franchised Business performed for the Account during the prior Accounting Month according to the information that you have entered into the enterprise resource applications; (ii) the Billed Revenue that we have invoiced the Account for those services; and (iii) the calculation of how much we will pay you for the Accounting Month, based on the net difference between the Billed Revenue per Account and the sum of all fees, advances and other payments due to us for the Accounting Month in accordance with this Agreement.

4.1.5.3.1. By no later than 45 days after the end of each Accounting Month, we will remit payment to you of the amount shown in the Franchise Revenue Statement, net of any advances and other amounts then owed to us by you.

4.1.5.3.2. Unless you notify us of an error in the Franchise Revenue Statement by the 15th day of the month in which you receive it, you are deemed to approve all information in the Franchise Revenue Statement.

4.1.5.4. If there is a discrepancy between Billed Revenue and Collected Revenue with respect to any Account, approximately 90 days from the date appearing on our monthly invoice to the Account, we will prepare and send you a Reconciliation Statement to "true up" Billed Revenue and Collected Revenue. When a Reconciliation Statement shows that Collected Revenue for an Accounting Month is less than Billed Revenue for that Accounting Month, the Reconciliation Statement will provide a calculation of your corrected net payment for the Accounting Month including a breakdown of (i) the excess Billed Revenue that we have overpaid to you for the Accounting Month, which we may deduct on your next Franchise Revenue Statement; and (ii) the credit due to you for the extra Service Fees and Non-Recurring Service Fees that you previously paid to us on the higher Billed Revenue (which we will apply as a credit to reduce the excess Billed Revenue). You must repay us the amount by which (i) exceeds (ii), either (x) within 5 days after you receive the Reconciliation Statement; or (y) by deduction on your next Franchise Revenue Statement. At your request, we may, in our sole discretion, agree to finance some or all of the excess Billed Revenue, less any credit, in up to 12 equal monthly installments with 10% annual interest if you sign our form of promissory note. If an Account later pays us the additional amount that it owes to us for the Accounting Month in question, we will credit the payment we receive (net of any fees for collections) to the then-outstanding balance due to us under the promissory note (but will not refund any interest that you have already paid to us under the note) and, if the payment satisfies the amounts due under the promissory note, will credit any excess on your next Franchise Revenue Statement.

4.1.5.5. We may in our discretion consult with you to obtain your input on any billing and collections matters affecting the Accounts you service. However, under the terms of each AAA (even for Accounts with respect to which you generated the original lead), you agree that we alone in

our sole discretion control all Account billing and collection decisions, including whether to initiate a collection action against a delinquent Account or terminate the Account Contract for nonpayment. You acknowledge that we have a mutual interest in receiving timely payment of the full amount of Billed Revenue from Accounts. We may deduct our reasonable collection costs from your Collected Revenue. Your share of our reasonable collection expenses will not exceed your share of Billed Revenue due and payable by an Account to us.

4.1.6. ***Enterprise Account Program.***

4.1.6.1. We have designed the Enterprise Account Program to meet the requirements of Accounts with operations in multiple markets that desire (i) the delivery of a common set of Authorized Services across the Enterprise Account's Branch Locations; and (ii) standardized prices, centralized billing, common delivery times and other standard processing requirements.

4.1.6.2. Your participation in the Enterprise Account Program is optional. By executing this Agreement, you are deemed to "opt in" to the Enterprise Account Program. At any time during the Term, you may "opt out" of the Enterprise Account Program effective on no less than 60 days written notice to us. The effective date of your opt-out notice shall be 60 days after your notice is deemed given to us in accordance with this Agreement unless your opt-out notice specifies a later date.

4.1.6.2.1. Choosing to remain in the opt-in status means that you agree to perform the Scope of Work at the contract price that we have agreed with each Enterprise Account with one or more Branch Locations in your Territory with which we sign an Account Contract before the effective date of your opt-out notice (if you serve one).

4.1.6.2.2. An election to opt out means that, after the effective date of your opt-out notice, you have elected not to participate in the Enterprise Account Program for all Enterprise Accounts with which we execute into an Account Contract after the effective date of your opt out notice. Your election will not cancel or modify any AAA entered into with us for an Enterprise Account before the effective date of your opt-out notice.

4.1.6.2.3. We will not begin to offer you Enterprise Accounts until after the first 60 days from the Business Start Date so that you have the opportunity to opt out of the Enterprise Account Program.

4.1.6.3. The following terms and conditions apply to the Enterprise Account Program on the Effective Date of this Agreement, with the understanding that we may eliminate the Enterprise Account Program or modify it through updates to the Manual:

4.1.6.3.1. Once we enter into an Account Contract with an individual or entity that we identify as an Enterprise Account, we have the exclusive right to offer, market, and sell Authorized Services to all of the Branch Locations that the Enterprise Account designates. You may not offer, market, or sell Authorized Services to the Enterprise Accounts' Branch Locations in your Territory without our prior written consent. We alone determine which Accounts qualify as Enterprise Accounts. We will identify current Enterprise Accounts on the Network Portal and update this list as we add new Enterprise Accounts. You are responsible for monitoring updates to the Network Portal to identify all current Enterprise Accounts.

4.1.6.3.2. Like all Accounts, we negotiate the price, delivery methods and other material terms of sale under which all Network Members will deliver Authorized Services to the

Branch Locations of an Enterprise Account without any duty to consult with you or other Network Members.

4.1.6.3.3. Within 24 hours after we provide you with a copy of the Account Contract that we have executed with an Enterprise Account with Branch Locations in your Territory, you must (i) sign and return to us an AAA for the Enterprise Account; and (ii) designate your payment method for the Business Generation Fee, if one is associated with the Enterprise Account.

4.1.6.3.4. Although we have the exclusive right to offer, market and sell Authorized Services to all Branch Locations of an Enterprise Account with which we have entered into an Account Contract, we will only undertake to perform, or allow another Network Member to perform, Authorized Services for an Enterprise Account's Branch Locations in your Territory if the Enterprise Account notifies us that it does not want to work with you for any reason. The AAA that you sign with us for an Enterprise Account will allow us to reassign the Enterprise Account's locations in your Territory to another Network Member or perform the Authorized Services ourselves effective immediately once we give you written notice that the Enterprise Account has requested reassignment for any reason or for no reason (i.e., with or without cause).

4.1.6.3.5. An Enterprise Account's request for reassignment does not automatically constitute your failure to participate in the Enterprise Account Program or breach of this Agreement. However, the Enterprise Account's request for reassignment does not preclude us from investigating the reason for its request. If we determine that the reason for the Enterprise Account's reassignment request relates to acts or omissions by you that constitute a breach of this Agreement, we may terminate this Agreement in accordance with the procedures for termination.

4.1.6.3.6. We will use our reasonable business judgment in pursuing collection from Enterprise Accounts of outstanding invoices, but we are not obligated to (i) allocate payments that we collect from an Enterprise Account in a specific manner or in proportion to the outstanding receivable owed to each Network Member for Authorized Services rendered; or (ii) initiate collection proceedings against an Enterprise Account.

4.1.6.3.7. We are not liable to you for any bad debt or nonpayment by an Enterprise Account. As we may do in pursuing collection of unpaid Billed Revenue from non-Enterprise Accounts, we may charge you for our collection costs in pursuing collection of unpaid Billed Revenue from an Enterprise Account in an amount not to exceed your share of the Billed Revenue invoiced to the Enterprise Account.

4.1.6.3.8. We do not guarantee that during each Accounting Month or any other period during the Term (i) we will offer you a minimum number of AAAs for Enterprise Account locations in your Territory; (ii) each AAA for an Enterprise Account location in your Territory will provide for a minimum amount of Billed Revenue for the Scope of Work described in the AAA; or (iii) you will receive a minimum amount of Collected Revenue on account of the Scope of Work performed for Enterprise Account locations in your Territory.

4.1.6.3.9. If you are a party to an AAA with an Account with respect to its Branch Locations in your Territory and that Account later becomes an Enterprise Account, you understand and agree that your existing AAA with that Account will automatically terminate and be replaced by a new AAA requiring your execution that conforms to the terms and conditions of our master Account Contract with the new Enterprise Account. The effective date of termination of your AAA is the date that we add the Enterprise Account to our Network Portal. In entering into this Agreement, you accept the risk that any Account that is the subject of an AAA that you enter into with us may in the future become

an Enterprise Account. If this occurs, you will have no claim against us based on the termination of your AAA or the offer of a materially different AAA for the Enterprise Account's Branch Locations in your Territory.

4.1.6.3.10. We will attempt to generate relationships with prospective Enterprise Accounts and administer the Enterprise Account Program. However, you acknowledge and agree that you are entering into this Agreement with the understanding that we make no representation or guarantee that we will offer you any AAAs for Enterprise Account locations in your Territory.

4.2. Initial Training.

4.2.1. Immediately following the Effective Date of this Agreement, we will mutually schedule both the "virtual streaming" classroom and job-site "field" portions of our initial training program that we offer to new Network Members on the Effective Date, which will start within the first 120 days after the Effective Date. We will designate the location for the training days conducted at job sites, which may require overnight travel by your personnel at your expense.

4.2.2. Except with our approval in our sole discretion, you may enroll in our initial training program only individuals who are a Primary Owner or the designated General Manager or Operations Manager of the Franchised Business. At least one of the individuals whom you enroll in our initial training program before the Business Start Date must be your designated General Manager and another person must be your designated Operations Manager. Unless you obtain our prior written approval, (i) the designated General Manager and Operations Manager must be different individuals; and (ii) the designated Operations Manager may not own an interest in the Franchisee Business Entity. We do not impose any tuition or training fee in connection with delivering the initial training program to the Primary Owner, General Manager, and Operations Manager of the Franchised Business before the Business Start Date, but may charge our then-current training fee if we approve your enrollment of additional individuals.

4.2.3. After the Business Start Date, you may request permission to enroll additional individuals in our then-current initial training program in order to qualify them as a General Manager, Assistant General Manager, Operations Manager, or Assistant Operations Manager. Enrollment will be scheduled at a mutually convenient time subject to our other training commitments and, as a condition to enrollment, you must pay our then-current per person training fees in accordance with this Agreement.

4.2.4. We may modify our initial training program at any time without prior notice to you including by adding, deleting, shortening or lengthening modules; changing the method of delivering instruction; changing the location for field training; changing curriculum content; replacing or adding instructors; increasing the training fees payable to enroll individuals in our initial training program after the Business Start Date; and designating different modules of our initial training program as mandatory or optional.

4.2.5. No person will be allowed to enroll in our initial training program unless they sign our form of Confidentiality and Non-Competition Agreement.

4.2.6. You are entirely responsible for the salaries and travel expenses of your Management Group and any other permitted trainees to attend our initial training program, including transportation, lodging, food, and other personal charges during the entire period of time that they travel to and attend our initial training program. Furthermore, you understand and agree that we will not pay compensation for any services performed by trainees during our initial training program.

4.2.7. Your Primary Owner, General Manager and Operations Manager must each complete our initial training program to our satisfaction before we will begin recruiting and marketing activities to identify prospective Accounts in your Territory. To signify the successful completion of our initial training program by these individuals, we will issue each one a written completion certificate. Our evaluation of an individual's performance during the initial training program and determination that they have satisfactorily completed our initial training program requirements does not constitute a warranty, guarantee, or endorsement by us of the individual's skills, performance ability or business acumen. We have no responsibility for the operating results of the Franchised Business or the performance of your Management Group or other employees or agents.

4.3. Continuing Education.

4.3.1. After the Business Start Date, we may periodically offer continuing education programs that utilize different delivery formats, including offering live instruction at the Annual Conference, remote computer-based tutorials, and field training, and require that members of your Management Group complete designated courses or training to our satisfaction at your sole expense in order to retain their qualification as General Manager, Operations Manager, Assistant General Manager, or Assistant Operations Manager (as applicable). However, we will not require that the members of your Management Group each complete more than 5 days of mandatory live, in-person training per year, including time spent at an Annual Conference. There is no limit on the annual number of hours of remote computer-based training that we may require the members of your Management Group to complete.

4.3.2. You may be required by Applicable Law to obtain and maintain in force other certifications or licenses related to the operation of the Franchised Business. You are solely responsible for completing any training program and application process involved in obtaining all such certifications and licenses, including payment of any associated fees.

4.3.3. In the future, we may also develop specific skills certification programs in the delivery of premium commercial facility maintenance services that meet specific industry standards. We may designate certain skills certificates as optional and others as mandatory for your Management Group, in our sole discretion, depending on our future marketing activities, competition in your market area, and the specific industries that our marketing targets. To secure a specific skills certificate, you must enroll your Management Group in the additional training programs that we designate, which we or a third party may deliver, and your Management Group must each complete the program to our satisfaction. In some cases, qualifying for a skills certificate may require that you invest in specific equipment. We will provide you with a reasonable amount of time to complete and secure the mandatory skills certifications that we designate. To maintain certain certifications, your Management Group may need to submit periodically to testing or pass other recertification conditions. You must pay us our then-current per person training fee and reimburse our reasonable travel expenses (including expenses for air and ground transportation, lodging, meals, and miscellaneous travel-related personal charges). You bear all costs to qualify and maintain optional and mandatory skills certifications and for the salaries and travel expenses of your Management Group during the time they spend to secure specific skills certificates. The time that it takes your personnel to secure specific skills certificates (whether optional or mandatory) is excluded from the limit on the maximum number of mandatory in-person training days per year.

4.4. Ongoing Consultation and Advice.

4.4.1. In addition to undertaking lead generation activities in your Territory, we will provide consultation and advice in response to your inquiries about specific administrative and operating issues that you bring to our attention. We have sole discretion to determine the length and method for

communicating our consultation or advice, which may differ in duration or from the methods used for other Network Members and that we may deliver by telephone, electronic communication, or in person.

4.4.2. After the Business Start Date, you may request in-person consultation assistance at one or more locations in your Territory from one of our representatives with the understanding that nothing in this Agreement obligates us to furnish assistance that cannot be delivered by remote means (for example, by electronic communication or by telephone). If we agree to furnish in-person assistance at your request at a mutually agreed-upon location in your Territory that requires our representative to travel more than one hour each way to reach the agreed-upon location (based on the representative's actual place of departure), you must pay us the following sums: (i) our then-current daily fee (currently $750 per person for up to 8 hours of time per day spent per our representative without proration for less than 8 hours), which we may increase by up to 10% annually on no less than 30 days' written notice; (ii) reimbursement of our reasonable travel expenses, including expenses for air and ground transportation, lodging, meals, and miscellaneous travel-related personal charges; and (iii) an amount equal to one-half of the then-current per person daily fee for each travel day that our representative spends more than one hour traveling to or from the agreed-upon meeting place and the representative's actual place of departure. We will include applicable daily fees and travel expenses on your next Franchise Revenue Statements.

4.5. Approved Service Provider for HR Services.

4.5.1. Before the Business Start Date and throughout the remainder of the Term, you must engage the services of a third-party service provider approved by us in writing ("**HR Provider**") to handle the specific human resources and workers compensation insurance services that we identify in the Manual (which we collectively refer to in this Agreement as "**HR Services**"). Nothing in this Agreement limits or restricts your right to outsource to the HR Provider that we designate from time to time.

4.5.2. We will recommend at least one independent HR Provider with which we have negotiated standard service terms for some or all HR Services for the benefit of all Network Members. Through updates to the Manual, we may revoke our approval of a previously recommended HR Provider for any reason and recommend a different HR Provider. In this instance, we will allow you 30 days after we implement the change to engage a new HR Provider and complete the engagement documents required by the new HR Provider.

4.5.3. Our recommendation or designation of an HR Provider does not make us liable for the HR Provider's advice nor constitute a guarantee or warranty that the HR Provider will perform HR Services in compliance with Applicable Law, in a timely manner, or in accordance with the contract between you and the HR Provider. In all cases, you are solely responsible for complying with and enforcing the terms of your agreement with the HR Provider.

4.5.4. You understand and agree that your engagement of a HR Provider to provide HR Services does not relieve you of liability under Applicable Law as the employer of record of your employees or result in our becoming a co-employer (with you or the HR Provider) of your employees. Your indemnity obligations in this Agreement include claims, expenses, or liabilities that we incur or suffer on account of any acts or omissions by the HR Provider.

4.6. Technology Support. In exchange for your payment of the technology fees that we describe in this Agreement, we will furnish you with a subscription to (i) the specific cloud-based time and attendance software application that you must use to record certain employee data in accordance with the Manual; and (ii) one or more specific cloud-based enterprise resource applications that we designate and require you to use under our master subscription to record certain data for each Account serviced by the Franchised Business (which may include staff time worked, billing, accounting, cleaning equipment, and

other information). We have remote access and administrator rights to the applications described in (i) and (ii). You will be able to see the invoices that we generate for each Account that reflect Billed Revenue attributable to the Franchised Business.

4.7. iNX Website and Network Portal.

4.7.1. We alone shall own and control the design and functionality of the iNX Website and the separate subpage that we create for the Franchised Business. We will issue you a unique email address that uses the iNX Website's domain name and populates your subpage with content displaying information about the Franchised Business comparable to what we post to the subpages of other Network Members in good standing. All subpage content that you submit to us must be consistent with the guidelines in the Manual. We will not charge you to set up the subpage initially, but may charge you a webmaster fee for content changes that you desire to make during the Term based on the then-current hourly rates in the Manual for the time spent by our webmaster to accomplish your requested changes. We may increase the webmaster fee by up to 10% annually. Your proposed new subpage content shall be treated as Local Marketing and is subject to our prior written approval.

4.7.2. We will provide the individuals in your Management Group with their own credentials to our Network Portal where we post a variety of information in addition to the Manual and that we use as a communication channel with Network Members. Your access to the Network Portal allows you access to sample business forms; art work for stationery, business cards and Local Marketing; and samples of professionally designed marketing materials. Each individual who is included in the Management Group must execute our Confidentiality and Non-Competition Agreement.

4.8. Annual Conference. Not more often than once annually, we may conduct an Annual Conference of all Network Members (or, at our election, a series of regional conferences for Network Members depending on their Territory) for up to 3 days to discuss matters of strategic importance to Network Members and the iNX System. We will determine the conference date, location and agenda, which may include industry trends, lead generation and sales techniques, training in new software applications that we require you to use, performance standards, marketing programs, and changes to the iNX System since the preceding Annual Conference. We will give you at least 120 days prior written notice of the conference date, location, and other pertinent details so that you have adequate time to schedule travel. At least one Primary Owner and your designated General Manager must attend the Annual Conference. You are solely responsible for (i) paying us the then-current per person registration fee before the Annual Conference begins, in an amount and at the time specified in the Manual; and (ii) paying the salary and any travel expenses of your personnel who attend the Annual Conference, including transportation, lodging, food, and other personal charges.

5. FRANCHISEE'S PERFORMANCE

5.1. Business Start Date. Before the Business Start Date, you must provide us with evidence that you have all required insurance and business permits to perform Authorized Services in your Territory. We will not be required to begin recruiting and marketing activities to identify prospective Accounts in your Territory, and you may not begin lead generation activities or perform Authorized Services, until after the Business Start Date (assuming that you have complied with the insurance and permit requirements before then).

5.2. Authorized Services.

5.2.1. You agree to perform all of the Authorized Services that we identify in the Manual according to the quality standards, performance requirements and procedures in the Manual as we may

update the iNX System at any time through Manual updates. We may revise the list of Authorized Services through updates to the Manual as frequently as we deem necessary in our sole discretion to promote the iNX System and respond to competitive and marketplace changes and Account preferences. The specific Authorized Services that you must perform for an individual Account will depend on the specific Scope of Work that we negotiate with the Account, which we will memorialize in the Account Contract and AAA relating to the Account.

5.2.2. You acknowledge that Authorized Services include a non-exhaustive list of Non-Recurring Services that Accounts may ask us to perform, which we identify in the Manual.

5.2.2.1. If an Account in your Territory asks us to perform Non-Recurring Services, we will present you with a sales order that identifies the Scope of Work for the Non-Recurring Services that the Account asks us to perform. Your failure to notify us of your objections within 4 hours after receiving the sales order shall signify your agreement to perform the Non-Recurring Services for the price and other material terms in the sales order and according to the quality standards, performance requirements and procedures in the Manual.

5.2.2.2. If an Account in your Territory asks you to perform Non-Recurring Services, you must (i) notify us of the request; and (ii) notify the Account that you may not perform the Non-Recurring Services until the Account executes a Non-Recurring Service Agreement with us. We will present you with a sales order within 24 hours after receiving written notice from you describing the Scope of Work for the Non-Recurring Services. Your failure to notify us of your objections within 4 hours after receiving the sales order shall signify your approval of the Scope of Work. If you approve the sales order, we will prepare a Non-Recurring Service Agreement for the Non-Recurring Services in accordance with the sales order and provide it to the Account for signature.

5.2.2.3. If a prospective customer in your Territory asks us or you to perform Non-Recurring Services, we may schedule a First Time Consult for you to visit the customer and assess the proposed Scope of Work. You must submit your FTC report to us within 24 hours of the First Time Consult indicating whether you are willing to perform the Non-Recurring Services. If you agree to perform the Non-Recurring Services, we will present you with a sales order. Your failure to notify us of your objections within 4 hours after receiving the sales order shall signify your agreement to perform the Non-Recurring Services for the price and other material terms in the sales order and according to the quality standards, performance requirements and procedures in the Manual.

5.2.2.4. Unless you approve a sales order for Non-Recurring Services and the Account executes a Non-Recurring Service Agreement with us, you have no right to any payment if you perform Non-Recurring Services. Additionally, any failure by you to notify us of Non-Recurring Services will constitute a breach of this Agreement.

5.2.2.5. You understand and agree that for the sake of customer satisfaction and retention it is essential that you respond promptly to sales orders and that 4 hours is a reasonable time period in which to respond.

5.3. Franchisee Business Entity and Assumed Name.

5.3.1. You agree to remain in good standing as a Business Entity in the jurisdiction of your organization or formation throughout the Term with the unrestricted right to perform all duties under this Agreement without the need to obtain the prior approval of a third party.

5.3.2. During the Term, the Franchisee Business Entity may not engage in other business or commercial activities or investments unrelated to your duties under this Agreement. However, nothing in this Agreement forbids a Covered Person from engaging in other business and commercial activities during or after the Term subject to the restrictions in this Agreement pertaining to the operation of a Competitive Business.

5.3.3. Before the Business Start Date, we will assign the Franchised Business an Assumed Name that provides you with a unique identification as a Network Member. You must use the Assumed Name in conducting the Franchised Business and comply with any registration duties imposed by Applicable Law on persons that do business using a fictitious business name. You must promptly cancel any registration of the Assumed Name upon the expiration or termination of this Agreement.

5.4. Franchised Business Operations.

5.4.1. You must operate the Franchised Business in strict compliance with the iNX System, as described in the Manual from time to time.

5.4.2. The Franchised Business shall at all times be under the direct, personal supervision of a General Manager. The General Manager must report directly to your Primary Owner if the General Manager is not a Primary Owner, and the Operations Manager must report directly to the General Manager. Your General Manager must serve as our primary point of contact with you. Both your General Manager and Operations Manager must devote full time and attention to the Franchised Business in executing their separate job duties on your behalf.

5.4.2.1. There may not be a vacancy in the General Manager or Operations Manager positions during the Term. Nothing in this Agreement prevents you from qualifying more than one individual as a General Manager at the same time. However, you may only designate one General Manager at a time for the Franchised Business. You must notify us in writing of any changes in your designated General Manager during the Term promptly after the change occurs.

5.4.2.2. Your first designated General Manager and Operations Manager must each complete our initial training program to our reasonable satisfaction before the Business Start Date. After the Business Start Date, you must arrange to enroll any subsequent proposed General Manager or Operations Manager in our initial training program immediately after hiring, and that individual must complete our initial training program to our reasonable satisfaction within 60 days, in order to qualify as a General Manager or Operations Manager, respectively.

5.4.2.3. It shall be a breach of this Agreement for you to allow a vacancy in the position of General Manager of the Franchised Business, unless the vacancy is due to the death or Incapacity of a Primary Owner who is serving in the capacity as the General Manager of the Franchised Business and you comply with the requirements in Section 10.7 below.

5.4.2.4. In the event of a temporary absence of your General Manager from the Franchised Business for up to 21 consecutive days (for example, due to illness or vacation), your Assistant General Manager (if applicable) may act for the General Manager in the General Manager's absence, provided that (i) the Assistant General Manager meets all of our then-current qualifications for a General Manager; and (ii) you notify us of the General Manager's absence either in advance or within 24 hours after the absence begins.

5.4.2.5. In order to facilitate efficient sales and marketing efforts, your General Manager and Assistant General Manager (if applicable) must maintain their respective online

calendars regularly and keep them up-to-date so that we can schedule calls and meetings for you with Accounts.

5.4.3. You must employ or retain a sufficient number of competent employees and cause each of them to receive appropriate training to perform their job or work duties in accordance with the standards and specifications of the iNX System. During the Term, your General Manager and Operations Manager are responsible for training your employees, except for the training we provide to your Management Group under Sections 4.2 and 4.3 above or as otherwise specified in this Agreement.

5.4.3.1. All of your employees whose duties include communicating with prospective and existing Accounts shall have sufficient literacy and fluency in the English language, in our judgment, to interact with Accounts.

5.4.3.2. During their work hours, all employees must present a neat and clean appearance and wear the uniforms that we designate for their jobs, in the color, style and design then specified by us. You are solely responsible for purchasing and furnishing your employees with the uniforms that we designate from the third-party vendor that we designate.

5.4.3.3. You are solely responsible for the acts and omissions of your employees, including your Management Group, arising during the course of their employment.

5.4.3.4. You are solely responsible for the salaries and expenses of your Owners, management and employees according to your own policies during the entire period that they are employed by you. You are solely responsible for establishing employment policies, compensation, and employment policies for your employees and must notify your employees before and at the time of hire or engagement and afterwards that they are employed solely by you and are not our employees. You agree that this Agreement does not impose any controls, or otherwise impinge, on your sole discretion to make decisions pertaining to the employment policies, compensation or benefits, work conditions, or other performance requirements of your employees.

5.4.4. You must pay all of the operating expenses of the Franchised Business in a timely manner and understand and agree that your failure to do so could materially harm the reputation of the Licensed Marks and our ability to generate new Accounts on favorable terms for the benefit of all Network Members. If you have a bona fide dispute with any supplier or vendor that you believe justifies non-payment or partial payment, you must promptly notify the supplier or vendor and us at the same time of the particulars of your claim and diligently pursue resolution of the claim or prosecution of appropriate legal action. Any trade debt that remains unpaid for more than 60 days after the date it is due shall constitute a breach of this Agreement unless, before the end of the 60-day period (i) you and the supplier or vendor agree to alternative payment terms; or (ii) you initiate appropriate legal action to contest the trade debt. We have no liability for your debts or obligations to third parties.

5.4.5. In conducting the Franchised Business and communicating with us, other Network Members, Accounts and other members of the public, at your sole expense, you must cause your employees to use the email address that we assign to them that is associated with the iNX Website and not use any other email address.

5.4.6. In your communications with your employees, prospective and actual Accounts, vendors, suppliers, and the general public you must conspicuously identify yourself as the independent owner of the Franchised Business operating under a license from us in a manner that we specify in the Manual. This includes identifying the legal name of the Franchisee Business Entity followed by "doing business as [YOUR ASSUMED NAME] under a license from iNX BUILDING MAINTENANCE

SOLUTIONS, INC." on any business or telephone directory listings; emails sent by persons acting on your behalf; bank checks; service vehicle signs; employee handbooks prepared by you for your employees; postings for new hires; paychecks; and other types of communications identified in the Manual. You may not suggest or imply that you own the Intellectual Property Rights or are a subsidiary, parent, division, shareholder, partner, consultant, joint venturer, agent, or employee of our company.

5.4.7. In operating the Franchised Business, you must use and maintain in good working order at your sole cost computer equipment meeting the minimum configuration and operating system specifications that we identify in the Manual and the specific time and attendance software application and enterprise resource applications that we designate, and may not license or use any other software applications in place of the applications that we designate, as we may change or update these applications as frequently as we deem necessary in our sole discretion by adding, deleting and upgrading applications. You may not copy or allow any unauthorized third-party access to these applications. You must upgrade your computer system as necessary at your sole expense in order to run all designated software applications at an optimal speed and receive full functionality of the applications for the purposes that we require.

5.4.7.1. We cannot and do not guarantee that Account Data or any other Confidential Information pertinent to the Franchised Business that you store on the software application that we designate will be invulnerable from attacks by third-party computer hackers, viruses or other causes of disruption or malfunction. If you become aware or suspect that any Account Data or other Confidential Information may be the subject of an attack, virus or other cause of disruption, compromise, security breach or malfunction, you must notify us immediately and cooperate with our instructions and take reasonable commercial measures at your own expense to protect the integrity of the software applications and confidentiality of Confidential Information and prevent any virus from being passed on to us, another Network Member or any Account. We will notify you if we become aware or suspect that any Account Data or other Confidential Information may be the subject of an attack, virus or other cause of disruption, compromise, security breach or malfunction.

5.4.7.2. WE MAKE NO WARRANTY OR REPRESENTATION, EITHER EXPRESSED OR IMPLIED, REGARDING MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE APPLICATIONS THAT WE REQUIRE YOU TO USE NOW OR IN THE FUTURE AND DISCLAIM ALL WARRANTIES OR REPRESENTATIONS THAT ARE EXPRESSED OR IMPLIED UNDER APPLICABLE LAW.

5.4.7.3. WE HAVE NO LIABILITY FOR ANY DISRUPTION IN YOUR ABILITY TO ACCESS ANY DESIGNATED APPLICATIONS DUE TO AN EVENT OF FORCE MAJEURE. WE MAKE NO REPRESENTATIONS OR WARRANTIES THAT COMMUNICATIONS FACILITATED BY THE USE OF ANY DESIGNATED APPLICATIONS WILL BE UNINTERRUPTED OR ERROR FREE.

5.4.7.4. NEITHER WE NOR ANY THIRD-PARTY LICENSOR OF ANY SOFTWARE APPLICATIONS THAT NOW OR IN THE FUTURE ARE PART OF iNX SYSTEM SHALL BE LIABLE FOR ANY DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF OR INABILITY TO ACCESS ANY DESIGNATED SOFTWARE APPLICATIONS EVEN IF WE ARE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. WE ARE NOT RESPONSIBLE FOR ANY COSTS INCLUDING LOST PROFITS, LOSS OF USE, LOSS OF DATA, THE COST OF RECOVERING SOFTWARE OR DATA, THE COST OF SUBSTITUTE SOFTWARE OR CLAIMS BY THIRD PARTIES RELATED TO YOUR USE OF DESIGNATED SOFTWARE APPLICATIONS.

5.4.8. After the Business Start Date, you must submit to us on or before the date specified in the Manual the financial, operational and statistical reports and information that we may require so that we may (i) provide you with consultation and advice in accordance with this Agreement; (ii) monitor your compliance with this Agreement and your operating costs, expenses and profitability; (iii) develop chain-wide statistics; (iv) develop new operating procedures; and (v) implement changes in the iNX System to respond to competitive and marketplace changes or to improve and enhance the reputation of the Licensed Marks and consumer awareness and identity of Network Members generally.

5.4.8.1. Without limiting the types of reports that we may require, we may ask you to submit financial reports documenting the revenue and expenses of the Franchised Business, prepared in accordance with the accounting, recordkeeping and bookkeeping procedures and in the format prescribed in the Manual. Each financial report shall include not only the financial results of each individual Accounting Month, but also cumulative information for the year-to-date, together with such additional information as we may reasonably request. If we request financial reports, you must prepare and deliver them to us within 15 days after the end of each Accounting month or as otherwise specified in the Manual.

5.4.8.2. Additionally, within 10 days after request, you must provide us with a copy of (i) your federal and state income tax returns and payroll reports submitted to governmental authorities including quarterly tax returns demonstrating your compliance with Applicable Laws including employer payroll laws; and (ii) the personal federal and state income tax returns of each of your Primary Owners.

5.5. Franchise Office.

5.5.1. You must select and secure a location to serve as the Franchise Office within 90 days after the Franchised Business reaches 75 full-time equivalent employees, or as otherwise specified in the Manual. You acknowledge and agree that that you must obtain our prior written approval of the Franchise Office location. The Franchise Office must be located in the Territory and allow sufficient privacy to conduct conversations without risk of having Account Data or other Confidential Information overheard by or available to unauthorized parties. The office must have a desk, secure internet access, be large enough to accommodate the daily needs of the business, and follow the standards as outlined in the Manual.

5.5.2. To obtain our approval, you must apply in writing with the street address and a description of the proposed Franchise Office location, supported by photographs or other documentation demonstrating that the proposed location meets the standards for a Franchise Office as set out in the Manual, and pay us our then-current Site Pre-Inspection Fee (if we determine that a site visit is required to assess the proposed location). Unless we provide you with our written approval within 30 days after receiving your written request, we will be deemed to disapprove the proposed location.

5.5.3. You must furnish the Franchise Office in good taste and keep all office furniture, furnishings and equipment in good condition and repair so that the Franchise Office reflects favorably upon the public image and reputation of the Licensed Marks. Upon our request, you must provide us with photographs of the exterior and interior space to demonstrate your compliance with this obligation.

5.5.4. You may not relocate the approved business premises without obtaining our prior written approval of the new location, in accordance with the approval process in place at that time.

5.6. Local Marketing.

5.6.1. You must comply with our written guidelines for Local Marketing set forth in the Manual if you engage in Local Marketing. Our written guidelines for Local Marketing may include the requirement that Local Marketing contain notices of the iNX Website domain name or similar information indicating the availability of iNX franchises in the manner that we designate. All Local Marketing must be clear, factual, and not misleading and must conform to Applicable Law, the highest standards of ethical advertising and marketing, and our written guidelines and other marketing policies that we prescribe from time to time.

5.6.2. You may not use, disseminate, broadcast or publish any Local Marketing in any media channel (whether print, broadcast, electronic or digital, including, but not limited to, third-party and social media websites) without first obtaining our written approval of the copy, proposed media, method of distribution, and marketing plan for the proposed Local Marketing. To apply for our approval of a proposed Local Marketing, you must submit a true and correct copy, sample or transcript of the proposed Local Marketing, together with a written business plan that explains the proposed media plan, promotional event or other intended use of the proposed Local Marketing. We have 10 days from the date of receipt in which to approve or disapprove of the submitted materials. If written approval is not received by the end of 10 days, we will be deemed to have rejected the proposed Local Marketing. If written approval is given on or before the end of 10 days, you may use the proposed Local Marketing, but only in the exact form submitted to us.

5.6.3. All social media and other forms of public or private online communications must comply with our social media networking policy in the Manual. You understand that we have the absolute right to forbid you from posting any content pertaining to the Franchised Business or your relationship to us on a third-party social media channel. In our discretion, if we approve your request to post content on third-party social media sites, you must give us administrator access rights that authorizes us to manage or take down the site or specific content if we determine in our reasonable judgment that you are not complying with our social media policy. Our right to take down content shall not be our sole remedy in the event of your breach of our social media policy.

5.6.4. At your expense, you must immediately remove from circulation and cease using any previously approved Local Marketing if we determine, in our sole discretion, that continued circulation or use may, or will, damage the integrity or reputation of the Licensed Marks, is otherwise necessary to protect the reputation and goodwill associated with the iNX System and our reasonable business interests, or otherwise violates this Agreement.

5.6.5. You may not maintain your own website promoting the Franchised Business or use the Licensed Marks in any domain name.

5.6.6. You must participate in system-wide marketing programs identified by us, including loyalty card programs, social media programs, Account and marketing surveys and direct marketing programs.

5.7. Insurance.

5.7.1. Before the Business Start Date, you must secure the specific types of insurance policies providing the coverage that we specify in the Manual through our designated insurance broker and pay us the insurance premium costs and Insurance Administration Fee required by this Agreement. You must keep all required insurance policies in full force and effect during the Term.

5.7.2. We alone shall determine minimum insurance requirements including deductible limits. You understand and agree that we may increase the minimum insurance requirements, establish and change deductible limits, require that you secure and maintain additional forms of insurance, and otherwise modify the insurance requirements in this Agreement based upon inflation, general industry standards, our experience with claims, or for other commercially reasonable reasons. You must comply with any change imposed by us within 30 days after written notice from us and shall submit written proof of compliance to us upon request.

5.7.3. You understand and agree that the minimum insurance requirements that we specify do not constitute a representation or warranty by us that the minimum coverage and specific types of insurance will be sufficient for the Franchised Business. Nothing in this Agreement prohibits you from securing additional coverage limits or other types of insurance protection for the Franchised Business as long as the additional insurance coverage that you obtain on your own names us as an Additional Insured.

5.8. Compliance with Applicable Law.

5.8.1. You are solely responsible for investigating the Applicable Laws that apply to the operation of the Franchised Business. You must at all times operate the Franchised Business in strict compliance with Applicable Laws. If we share any forms or materials with you as examples of forms or materials that we or another Network Member may use or recommend, this does not constitute an express or implied representation that the forms or materials comply with the Applicable Laws that govern your Franchised Business and you are solely responsible for adapting the forms and materials as you determine is necessary in order to comply with the Applicable Laws.

5.8.2. At your sole expense, you must secure and maintain in good standing all necessary licenses, permits, and certificates required to operate the Franchised Business lawfully and provide us with proof of compliance promptly following our request.

5.9. Audits and Inspections.

5.9.1. We and our representatives shall have full access to examine, audit, and copy your business records relating to the Franchised Business, including your federal and state income tax returns and sales tax returns, bank statements (including deposit slips and canceled checks for bank accounts that you use to deposit Billed Revenue or pay the expense of the Franchised Business), data stored on your computers, and any other documents and information that we reasonably request in order to verify your compliance with this Agreement and Applicable Law. You must comply with our reasonable requests for additional information within 10 days after receiving our written request.

5.9.2. In addition to our audit rights described in this Agreement, you expressly authorize us and our representatives, at any reasonable time, without prior notice, to observe the performance of your employees on job sites and your employees' methods of interactions with Accounts in order to verify your compliance with this Agreement and Applicable Law.

5.10. Complaints and Other Actions.

5.10.1. You must promptly report to us any incidents involving personal injury or property damage sustained by an Account or its employees, or by your employees, or at an Account location, if the injury or damage directly or indirectly arises out of acts or omissions by your employees or agents.

5.10.2. You must promptly submit to us upon receipt copies of (i) notices, complaints or other types of formal or informal communications received from Accounts about the performance or non-

performance of Authorized Services or interactions with any member of your Management Group or any of your other employees; (ii) formal complaints filed by your employee relating to your alleged violation of Applicable Law; and (iii) notices, complaints or other types of formal or informal communications received from any government agency relating to your alleged violation of Applicable Law and you hereby authorize the government agency to provide the same information directly to us upon our request.

5.10.3. You must promptly notify us of any written threat, or the actual commencement, of any action, suit, or proceeding against you or any Personal Guarantor that might adversely affect the operation or financial condition of the Franchised Business, and provide us with a copy of all relevant documents.

5.11. Minimum Performance Requirements.

5.11.1. Throughout the Term, you must meet the minimum performance standards in the operation of the Franchised Business:

5.11.1.1. During every rolling 13-week period from and after the Business Start Date, you must keep at least 95% of all appointments that you or we (with your approval) set with prospective Accounts in the Territory.

5.11.1.2. During every rolling 13-week period from and after the Business Start Date, except in the event of extenuating circumstances approved by us in advance, you must submit a First Time Consult report to us within 24 hours of your meeting with the prospective Account at the prospect's place of business 100% of the time.

5.11.1.3. During every rolling 26-week period from and after the Business Start Date, you must maintain an average aggregate Net Promoter Score of at least 50. Net Promoter is a proprietary management tool owned by third parties unrelated to us that measures customer satisfaction, which we use by having Accounts periodically rate your performance according to criteria that we deem relevant. You understand and agree that we may (i) modify the Net Promoter criteria at any time; (ii) substitute a different customer satisfaction measurement tool for Net Promoter; or (iii) use additional customer satisfaction tools besides Net Promoter to benchmark your performance. In the case of (ii) or (iii), you understand that any new tools that we choose may utilize a different ranking system that unlike Net Promoter is not based on a scale of 100. However, for purposes of determining your satisfaction of this minimum performance requirement, you must maintain an average score according of at least 50% of the maximum possible score during every rolling 26-week period from and after the Business Start Date.

5.11.1.4. Beginning one year after the Business Start Date and continuing throughout the Term and any Renewal Term, you must maintain an average public review score of 3.6 or greater for both Google and Yelp reviews of the Franchised Business.

5.11.1.5. During every rolling 12-month period from and after the Business Start Date, the Churn Rate for the Franchised Business must not exceed the greater of (i) 15%; and (ii) if the mean Churn Rate for all Network Members exceeds 15% during the 12-month period, then 125% of the mean Churn Rate for all Network Members for such 12-month period. For purposes of this Section, "**Churn Rate**" means, for each Network Member: (a) the total Account Volume for Accounts that ended their Account Contracts during the 12-month period; divided by (b) the total Account Volume for all Accounts as of the beginning of the 12-month period.

5.11.2. If you fail to meet any one of the above minimum performance requirements, we may give you written notice of your default, and may elect any of the following remedies, in our sole

discretion: (a) we may terminate your exclusivity in the Territory; (b) we may unilaterally reduce the size of your Territory; or (c) we may terminate this Agreement pursuant to Section VIII of this Agreement.

6. FRANCHISEE'S FINANCIAL OBLIGATIONS TO iNX

In addition to any fees or deductions identified elsewhere in this Agreement, in consideration of the license awarded to you pursuant to this Agreement, you must make the following payments to us. You agree that we may deduct these payments from Billed Revenue and Collected Revenue paid to you. Your financial obligations due to us are not refundable and are fully earned by us when paid or taken in the form of deductions.

6.1. Initial Franchise Fee. Concurrently with your execution of this Agreement, you must pay us the sum of $9,995 as an initial franchise fee ("**Initial Franchise Fee**").

6.2. Territory Fee. Concurrently with your execution of this Agreement, you must pay us a Territory Fee equal to the product of $0.016 times the estimated population count in the Territory shown on **Schedule 1** (which reflects our mutual agreement based on the database described in Section 2.3.2).

6.3. Site Pre-Inspection Fee. If, when you submit to us the address of the proposed Franchise Office for our written approval, we determine that an in-person site review is needed, then you must pay us our then-current site pre-inspection fee as specified in the Manual ("**Site Pre-Inspection Fee**") as well as reimburse our reasonable travel expenses, including expenses for air and ground transportation, lodging, meals, and miscellaneous travel-related personal charges travel expenses.

6.4. Service Fees. Out of Billed Revenue that we pay to you per Accounting Month for each Account in your Territory during the Term after the Business Start Date, excluding Billed Revenue specifically attributable to Non-Recurring Services, we may deduct and retain as a Service Fee an amount equal to 15% of Billed Revenue ("**Service Fee**"). In the event of a discrepancy between Billed Revenue and Collected Revenue, within 90 days after we invoice an Account for Billed Revenue due under the Account Contract for an Accounting Month, we will issue you a Reconciliation Statement that will "true up" the actual Service Fee due from you for the Accounting Month with respect to the Account based on the actual Collected Revenue that we have received from the Account for the Accounting Month as of the Reconciliation Statement date if that amount is less than Billed Revenue.

6.5. Non-Recurring Service Fee. Out of Billed Revenue that we pay to you per Accounting Month for any Non-Recurring Services completed for an Account in your Territory during the Term after the Business Start Date, excluding Billed Revenue that is not specifically attributable to Non-Recurring Services, we may deduct and retain as a Non-Recurring Service Fee an amount equal to 25% of Billed Revenue ("**Non-Recurring Service Fee**"). In the event of a discrepancy between Billed Revenue and Collected Revenue, within 90 days after we invoice an Account for Billed Revenue due under the Account Contract for the Accounting Month, we will issue you a Reconciliation Statement that will "true up" the actual Non-Recurring Service Fee due from you for the Accounting Month with respect to the Account based on the actual Collected Revenue that we have received from the Account for the Non-Recurring Services as of the Reconciliation Statement date if that amount is less than Billed Revenue, as provided in this Agreement.

6.6. Business Generation Fee.

6.6.1. For each Account Contract that you accept by entering into an AAA with us, you must pay us a one-time Business Generation Fee. The Business Generation Fee for each Account Contract is calculated as follows:

6.6.1.1. If you elect to pay the Business Generation Fee in a single payment, the Business Generation Fee will be equal to 225% multiplied by the Account Volume under the Account Contract.

6.6.1.2. If you elect to pay the Business Generation Fee over time, the Business Generation Fee will be equal to 360% multiplied by the Account Volume under the Account Contract, and will be due and payable in 36 equal monthly installments.

6.6.2. Business Generation Fees are not refundable once paid. When you sign an AAA, you accept the risk that an Account may cancel its Account Contract at any time or reduce the original Scope of Work. Paying a Business Generation Fee does not guarantee that the Account Contract will remain in force for a minimum period of time or pay you a minimum amount of Billed Revenue. However, if an Account cancels an Account Contract before the Business Generation Fee is fully paid, cancellation will cancel all remaining unpaid Business Generation Fees under that specific Account Contract. If the Account terminates within the first 18 months of service, you must pay us a Client Retention Fee as provided in Section 6.19 below.

6.6.3. If you elect to pay the Business Generation Fee for an Account Contract over 36 months, and if the Account modifies the Scope of Work under that Account Contract (such that Billed Revenue increases or decreases going forward) before you have paid the entire Business Generation Fee, we will adjust the Business Generation Fee. We recalculate the Business Generation Fee based on the new Billed Revenue under the modified Account Contract as follows:

6.6.3.1. If an Account decreases the Scope of Work in the Account Contract, the Business Generation Fee payable for each of the remaining months will be equal to 10% of the revised monthly Billed Revenue under the Account Contract. We do not adjust the portion of the Business Generation Fee already paid.

6.6.3.2. If an Account increases the Scope of Work in the Account Contract, you will (i) continue to pay the Business Generation Fee on the original Billed Revenue as originally calculated for each of the remaining months; and (ii) pay an additional Business Generation Fee on the increase in monthly Billed Revenue, calculated as if the increased Billed Revenue were a new Account Contract. You may choose to pay the additional Business Generation Fee either in a single payment (225% multiplied by the increase in monthly Billed Revenue) or over 36 months (360% multiplied by the increase in monthly Billed Revenue).

6.6.4. The Business Generation Fee is subject to these additional conditions:

6.6.4.1. If you elect to pay the Business Generation Fee in one payment, your payment is due to us by the last Wednesday of the month following the Accounting Month in which the Account signs a new Account Contract corresponding to an AAA that you have approved, and shall be made (i) by deduction on your Franchise Revenue Statement; and (ii) if the deduction will be insufficient to pay the Business Generation Fee in full, the remaining balance by automated clearing house (ACH) transfer received by us by the due date. If you elect to pay the Business Generation Fee over time, we will deduct each payment from the net Billed Revenue payable for the month in which the payment is due. If you elect to pay the Business Generation Fee in one payment, but fail to pay the Business Generation Fee in full before the next month's Franchise Revenue Statement, then we will automatically convert the Business Generation Fee for that Account to the monthly payment plan. The Business Generation Fee compensates us for our services in recruiting the customer, negotiating the terms of the Account Contract, and, if applicable, accepting the risk that an Account may cancel the Account Contract before you fully pay us the Business Generation Fee owed.

6.6.4.2. If we agree to discount the Business Generation Fee based on our evaluation of your independent lead generation activities, you may still choose either of the two payment options with respect to the discounted Business Generation Fee.

6.6.4.3. We may increase the Business Generation Fee multiplier each year during the Term by an amount not to exceed two percent (2%) of the prior year's multiplier rate.

6.6.5. Our Account Contract permits post-contract increases in the Account Volume that an Account must pay each month under certain circumstances due to increased costs. If Account Volume under an Account Contract increases in this circumstance, you will pay an additional Business Generation Fee for the increase in Account Volume, in an amount equal to one month's increase in Account Volume. We will deduct that additional amount from Billed Revenue on your next Franchise Revenue Statement. We do not refund any portion of the Business Generation Fee previously paid to us or adjust the amount of your remaining payments if there is a decrease in labor costs.

6.7. Insurance-Related Fees.

6.7.1. You must pay us the then-current Insurance Administration Fee specified in the Manual ("**Insurance Administration Fee**"), which is due and payable in accordance with this section.

6.7.2. You must pay us an amount equal to the aggregate cost of the premiums for the types of insurance policies that you must purchase through us (which we identify in the Manual), which premium is due and payable in accordance with this section. This obligation shall include Workers Compensation insurance premiums for the Franchised Business if you cannot secure Workers Compensation insurance through the third-party service provider that we designate.

6.7.3. The Insurance Administration Fee and each of the insurance premiums described in this Section (including Workers Compensation insurance if not purchased from our designated third-party service provider) shall be paid to us as a deduction from Billed Revenue either (i) no less than 30 days after the date of our invoice; or (ii) at your request, we may, in our sole and absolute discretion, agree to allow you to pay the premiums in 12 equal monthly installments with interest at the rate of 10% per annum by signing our form of promissory note.

6.8. Technology Subscription Fees. Each Accounting Month, you must pay us (i) the then-current per person user fees charged by the third-party service provider of the designated time and attendance software application; and (ii) the then-current monthly subscription fees for use of the designated enterprise resource applications, both of which we may deduct from Billed Revenue each Accounting Month after the Business Start Date.

6.9. Technology Support Fee. On no less than 30 days' written notice, we may begin collecting a Technology Support Fee to cover our cost to provide access to our Learning Management System and other online platforms and applications. If we impose a Technology Support Fee, we will deduct the amount due from Billed Revenue on your monthly Franchise Revenue Statement. We may increase the Technology Support Fee annually by an amount not to exceed 10% of the prior year's Technology Support Fee.

6.10. Training Fees. You must pay us an amount equal to our then-current per person training fee set forth in the Manual for each day of training that we agree to deliver to a replacement or additional General Manager or Operations Manager that you wish to qualify after the Business Start Date without proration for a partial day. We may deduct this payment from Billed Revenue any time after we schedule the training dates and before the start of training.

6.11. Annual Conference Registration Fee. You must pay us our then-current per person registration fee for the Annual Conference in an amount and at a time specified in the Manual. We may collect payment as a deduction from Billed Revenue after we announce the date of the Annual Conference and before it begins.

6.12. Non-Compliance Fees.

6.12.1. The Manual identifies specific Performance Standards that you must meet in performing a Scope of Work for an Account. The Performance Standards taken as a whole articulate minimum requirements of the iNX System that you must follow in your business dealings with Accounts, employees and the general public in order to protect the integrity and reputation of the Licensed Marks and our reputation and goodwill with Accounts. The goal of imposing Non-Compliance Fees is to provide you with an incentive to implement and maintain best practices at all times in performing your duties under this Agreement.

6.12.2. We may increase each Non-Compliance Fee annually during the Term by an amount not to exceed 10% per year over the amount of the prior year's Non-Compliance Fee.

6.12.3. For each Performance Standard, the Manual not only describes the Performance Standard, but also identifies the maximum time period within which you must correct a Performance Standard deficiency and the Non-Compliance Fee that we may charge you if you fail to meet this deadline. We refer to the deadline as the "**Citation Due Date**." You are responsible for implementing procedures and training and supervising your employees to comply with all Performance Standards. If at any time you are unsure about our expectations in measuring compliance with a Performance Standard, you must bring this to our attention and seek advice from us.

6.12.4. If we are informed and reasonably believe that you have not complied with a Performance Standard by the applicable Citation Due Date, we may give you written notice of your Performance Standard default ("**Citation Notice**"), and may then deduct from Billed Revenue the amount of the Non-Compliance Fee corresponding to the particular Performance Standard default that is identified in the Citation Notice.

6.12.5. We may revise the Performance Standards at any time through updates to the Manual including adding new Performance Standards and corresponding compliance deadlines and imposing a separate Non-Compliance Fee for each new Performance Standard.

6.13. New Account Start Up Advance. At your written request, we may, in our sole and absolute discretion, agree to pay you an advance equal to up to one month of Billed Revenue payable by an Account under the Account Contract before we issue our first invoice to the Account for a Scope of Work (but after the Account has signed an Account Contract with us). For each advance that we agree to pay to you, you must repay us the principal amount of the advance in up to 6 equal monthly installments together with interest at the rate of 10% per annum by signing our form of promissory note, and we may allow you to delay the beginning of the repayment period for up to 4 months, provided that interest will continue to accrue during the delay period. We will determine the amount of the advance and number of installments in our sole discretion and may deduct each installment of principal and interest due under the note from Billed Revenue in the same way that you pay Service Fees.

6.14. Advance Before Payment Due Date. At your written request, we may, in our sole and absolute discretion, agree to pay you an advance per Account equal to up to one month of the total net amount due and payable to you per the Franchise Revenue Statement. For each advance that we agree to pay to you pursuant to this section, we may impose a fee equal to 3% of the amount that we advance. We

may deduct and retain an amount equal to the entire advance plus the 3% fee from Billed Revenue after the Account's payment date.

6.15. Management Fee. If we elect to manage the Franchised Business after the death or Incapacity of your Primary Owner, you must pay us a Management Fee equal to 10% of the first $100,000 in Billed Revenue and 5% of Billed Revenue over $100,000 each Accounting Month for all Accounts of the Franchised Business ("**Management Fee**"). Additionally, you must reimburse us for our reasonable and direct overhead expenses in operating the Franchised Business on your behalf excluding indirect expenses and salary for our personnel. Payment of the Management Fee is in addition to payment of all other obligations and fees required to be paid to us under this Agreement on Billed Revenue during the period that we manage the Franchised Business.

6.16. Payment Method.

6.16.1. Any payments that you make to us during the Term (other than through deductions that this Agreement permits us to take from Billed Revenue and Collected Revenue) must be made through the electronic payment system that we designate, which uses pre-authorized transfers from your designated operating account to us through automated clearing house (ACH), or by another equivalent payment system that we designate in the Manual or otherwise in writing.

6.16.1.1. You must give your bank instructions in a form provided or approved by us and obtain the bank's agreement to follow the instructions to effectuate the electronic payment. Your bank may not withdraw, modify or cancel its agreement to abide by our instructions without obtaining our written consent.

6.16.1.2. You must also execute any other documents or agreements reasonable or necessary to establish or maintain the electronic payment system as we or the bank may reasonably request from time to time. You understand that we may modify the electronic payment system at any time upon written notice and agree to promptly adopt the changes that we impose at your sole expense, which may include changes to the bank instructions.

6.16.1.3. You must maintain sufficient funds in the designated operating account at all times during the Term to ensure full payment of all fees and other payments required by this Agreement when due. If a payment cannot be made due to insufficient funds in your operating account, we may, in our sole discretion, declare a breach of this Agreement in which case we may (i) terminate this Agreement in accordance with the procedures for termination, or (ii) require that you direct your bank to send us a monthly or periodic statement showing all account activity at the same time that it sends these statements to you or give us electronic access to your account activity if the bank makes electronic access available to its account holders.

6.16.1.4. Notwithstanding any designation that you may give to a payment that you make, we have sole discretion to apply any payments that we receive from you to any past due indebtedness owed to us or our Affiliates in the amounts and in such order as we will determine.

6.16.1.5. If at any point during the Term you fail to maintain the minimum required insurance coverage for the Franchised Business as specified in the Manual (including, without limitation, worker's compensation insurance), we may, but are not obligated to, obtain such coverage on your behalf. If we elect to obtain coverage on your behalf, you must reimburse us for 125% of our cost to obtain the insurance; we may deduct this amount from Billed Revenue and Collected Revenue.

6.16.2. Unless you notify us in writing within 3 days after we debit your operating account of an error in the amount that we have debited, you are barred forever from challenging the amount that we debit. However, if at any time we discover that the amounts that we have debited from your operating account are less than the amounts actually due to us, we may immediately debit your operating account for the balance. We agree that, if the amount that we debit from your operating account exceeds the amount actually due to us at the time, we will credit the excess to your next payment of Service Fees.

6.16.3. You must bear all costs to establish and maintain the required electronic payment system meeting our requirements and all fees and charges resulting from insufficient funds being in your bank accounts at the time funds are withdrawn to pay obligations owed to us.

6.17. Late Charge. If you fail to pay any fees or other amounts due to us under this Agreement on or before the date payment is due, which may occur whenever your Billed Revenue is inadequate to allow us to deduct and retain the full amount due to us under this Agreement, we may impose a late charge equal to the product of the total amount owed to us multiplied by 1.5% per month (but not exceeding the maximum legal rate of interest then permitted under Applicable Law) starting on the date payment was due and continuing until the entire sum and late charge is paid in full. You understand and agree that the late charge is not an agreement by us to accept payment after the date payment is due or a commitment by us to extend credit to, or otherwise finance, your obligations to us. Your failure to pay all amounts when due to us shall constitute grounds for termination of this Agreement in accordance with the requirements of this Agreement notwithstanding your obligation to pay a late charge.

6.18. Gross Receipts or Equivalent Taxes. You must pay us the amount of any state or local sales, use, gross receipts, or similar tax imposed by any state or local government on any Service Fees or other fees or payments due to us under this Agreement regardless of whether the state or local tax is imposed directly on us, is required to be withheld by you from amounts due to us under this Agreement, or is otherwise required to be collected by you from us. You must pay us the amount of taxes due and owing by the same date and in the same manner as payment of the Service Fees. Your obligation under this Section will not be reduced or offset by any type of claim, credit or deduction of any kind. This provision will not apply to our liability for income or comparable taxes measured by income that we receive on account of our relationship with you.

6.19. Client Retention Fee. If you elect to pay the Business Generation Fee for a new Account over 36 months, and the new Account terminates within the first 18 months of service, you must pay us a fee equal to one times the initial Account Volume under the Account Contract ("**Client Retention Fee**"); provided, however, that no Client Retention Fee will be due and payable if the termination of the Account is the result of any of the following events affecting the Account: closure of the business, relocation of the business outside the Territory, acquisition of the Account by another entity, or another situation that we determine in our sole discretion warrants waiving the client retention fee.

6.20. Security Interest. To secure your performance under this Agreement, you hereby grant to us a security interest in and to all of your tangible and intangible property used to operate the Franchised Business. We will record appropriate financing statements to protect and perfect our rights as a secured party under Applicable Law. Except with our prior written consent, which we will not unreasonably withhold, it shall be a breach of this Agreement for you to grant another person a security interest in your tangible or intangible assets of the Franchised Business, even if that security interest is subordinate to our security interest.

7. COVENANTS

7.1. Competition. You affirm that it is fair and reasonable for the covenants in this Section pertaining to involvement with a Competitive Business to apply to you and all Covered Persons based on the fact that, by entering into this Agreement, we have provided your Management Group with access to Confidential Information and special training allowing them to develop special skills to own, operate, and perform Authorized Services. As a result, you agree as follows:

7.1.1. During the Term and any Renewal Term, it shall be a breach of this Agreement for you, any Affiliate of yours, or any Covered Person, directly or indirectly, to own (either beneficially or of record), engage in, or render services to, whether as an investor, partner, lender, director, officer, manager, employee, consultant, representative, or agent, a Competitive Business located anywhere in the United States; provided, however, the restrictions stated in this paragraph shall not apply to any Covered Person for a period longer than one year from the date the Covered Person ceases to be an officer, director, Owner, member, manager (if the Franchisee Business Owner is a limited liability company), trustee, general partner, or General Manager or otherwise associated in any capacity with you.

7.1.2. For a period of one year from the effective date of expiration or termination of this Agreement, it shall be a breach of this Agreement for you, any Affiliate of yours, or any Covered Person, directly or indirectly, to own (either beneficially or of record), engage in, or render services to, either as an investor, partner, lender, director, officer, manager, employee, consultant, representative, or agent, any Competitive Business that is located anywhere (i) in your former Territory or within a 15-mile radius from the boundary lines of your Former Territory; or (ii) in the territory of any other Network Member. However, the restrictions in this paragraph shall not apply to any Covered Person for longer than one year from the date that the Covered Person ceases to be an officer, director, Owner, member, manager (if the Franchisee Business Owner is a limited liability company), trustee, general partner, or General Manager or otherwise associated in any capacity with you.

7.2. Local Law. If any restriction regarding a Competitive Business is void or unenforceable under California law, but would be enforceable as written or as modified under the laws of the state in which the Territory is located (the "**Local Law**"), the parties agree that the Local Law shall govern any dispute concerning or involving the construction, interpretation, validity, or enforcement of the provisions regarding a Competitive Business, but only with respect to that subject. You expressly authorize us to modify the scope of any void or unenforceable covenant in order to conform it to the Local Law. You furthermore expressly agree, on behalf of yourself and each Covered Person, to be bound by any modified covenant conforming to the Local Law as if originally stated in this Agreement.

7.3. Interference. Neither you, any Affiliate of yours, or any Covered Person may, directly or indirectly, divert, or attempt to divert, any business or Account of the Franchised Business to any competitor by direct or indirect inducement or perform any act that directly or indirectly could, or may, injure or prejudice the goodwill and reputation of the Licensed Marks or the iNX System.

7.4. Survival. The covenants in this Article shall survive the termination, expiration or an Event of Transfer of this Agreement.

7.5. Other Matters.

7.5.1. The covenants in this Article do not forbid you, any Affiliate of yours, or any Covered Person, directly or indirectly, from owning 5% or less of the equity or beneficial interests of a Competitive Business whose shares are publicly traded on a national or foreign stock exchange.

7.5.2. You acknowledge that the restrictions in this Article are reasonable and necessary to protect our legitimate business interests.

7.5.3. You must cause each Covered Person to execute our form of Confidentiality and Non-Competition Agreement with us substantially in the form of **Schedule 5** and containing restrictions substantively identical to the provisions of this Article.

7.5.4. You understand and agree that we will suffer irreparable injury not capable of precise measurement in money damages if you, any Affiliate of yours, or any Covered Person, directly or indirectly, breaches the covenants in this Article. Accordingly, in the event a breach occurs, you, on behalf of yourself, your Affiliates, and each Covered Person, hereby consent to issuance or entry of Provisional Remedies without the requirement that you or any of them post a bond or comparable security. You further agree that the award of Provisional Remedies in the event of such breach is reasonable and necessary to protect the goodwill and reputation of the Licensed Marks and iNX System.

8. DEFAULT AND TERMINATION

8.1. Termination by You.

8.1.1. You may terminate this Agreement by written notice to us for any reason constituting good cause, provided that termination is accomplished in accordance with the requirements of this Agreement. Any attempt by you to terminate this Agreement other than on the grounds, or according to the procedures, stated in this Agreement shall be void.

8.1.2. Good cause means that we have committed a material and substantial breach of this Agreement that we do not cure within the period allowed by this Agreement. Your written notice must specify with particularity the matters cited to be in default and provide us with a minimum of 30 days in which to cure the default. Additional time to cure must be provided as is reasonable under the circumstances if a default cannot reasonably be cured by us within the minimum 30-day period. Your written notice of termination of this Agreement for good cause shall not excuse you from continuing to perform your obligations under this Agreement during the cure period.

8.2. Termination by Us Without Opportunity to Cure. We may terminate this Agreement, in our sole discretion and election, effective immediately upon our delivery of written notice of termination to you based upon the occurrence of any of the following events, which shall be specified in our written notice, and you will have no opportunity to cure a termination based on any of the following events:

8.2.1. If you fail to complete all requirements to open the Franchised Business (including, but not limited to, completion of our initial training program by you and your Management Group and submission of business licenses and certificates of insurance) and obtain our approval to begin providing Authorized Services to Accounts under this Agreement as of a Business Start Date that is within 180 days of the Effective Date;

8.2.2. If you fail or refuse to pay us, on or before the date payment is due, or maintain insufficient funds in your bank account to enable us to receive in full all fees and payments due to us by the date that payment is due, and the default continues for a period of 10 days after written notice of default is given by us to you;

8.2.3. If you fail or refuse to submit any report or financial statement on or before the date due, and the default continues for a period of 10 days after written notice of default is given by us to you;

8.2.4. If you fail to obtain or maintain the minimum required insurance coverage for the Franchised Business as specified in the Manual, and the default continues for a period of 10 days after written notice of default is given by us to you;

8.2.5. If any person who is required by this Agreement to personally guarantee your obligations fails or refuses to execute and deliver to us our form of Personal Guaranty or deliver the financial statements required by this Agreement for a period of 10 days after written notice of default is given by us to you;

8.2.6. If you commit an event of default under any agreement between you and us or promissory note pertaining to the Franchised Business or your obligations under this Agreement which, by its terms, cannot be cured or which you fail to cure within the allowed time period;

8.2.7. If, after we issue a Final Citation Notice, you commit a new default (whether the new default relates to a Performance Standard or some other breach of this Agreement) and fail to cure the new default within 30 days after written notice of default;

8.2.8. If you make any general arrangement or assignment for the benefit of creditors or become a debtor as that term is defined in 11 U.S.C. § 1101 or any successor statute, unless, in the case where a petition is filed against you, you obtain an order dismissing the proceeding within 60 days after the petition is filed; or if a trustee or receiver is appointed to take possession of all, or substantially all, of the assets of the Franchised Business, unless possession of the assets is restored to you within 60 days following the appointment; or should all, or substantially all, of the assets of the Franchised Business or the franchise rights be subject to an order of attachment, execution or other judicial seizure, unless the order or seizure is discharged within 60 days following issuance;

8.2.9. If any of your Owners or other duly authorized representative makes a material misrepresentation or omission in obtaining the franchise rights, or if you or any Owner, officer, director, member, manager (if the Franchisee Business Owner is a limited liability company), or general partner is convicted of or pleads no contest to a felony charge or engages in any conduct or practice that, in the exercise of our reasonable business judgment, reflects unfavorably upon or is detrimental or harmful to the good name, goodwill, or reputation of us, the Licensed Marks, or the iNX System;

8.2.10. If you fail to comply with the conditions governing an actual or attempted Event of Transfer;

8.2.11. If an order is made or resolution passed for the winding-up or the liquidation of the Franchisee Business Entity or if you adopt or take any action to dissolve or liquidate your assets;

8.2.12. If you have received from us, during any consecutive 24 month period, 3 or more notices of default (whether or not the notices relate to the same or to different defaults and whether or not each default is timely cured by you);

8.2.13. If you make any unauthorized use, publication, duplication, or disclosure of any Confidential Information or any portion of the Manual, or if any person required by this Agreement to execute a Confidentiality Agreement with us or with you breaches the Confidentiality Agreement during the time period that the person is employed or engaged by you;

8.2.14. If you or your Affiliate or any Covered Person breaches any covenant in Section 7 of this Agreement;

8.2.15. If you, without our prior written consent, fail to operate the Franchised Business for a period of five consecutive days for reasons that are not due to an event of Force Majeure, or for any shorter period that makes it reasonable under the facts and circumstances for us to conclude that you do not intend to continue to operate the Franchised Business in the regular course as required by this Agreement;

8.2.16. If you materially misuse or make an unauthorized use of any of the components of the iNX System or commit any other act that does, or can reasonably be expected, in the exercise of our reasonable business judgment, to impair the goodwill or reputation of us or the iNX System;

8.2.17. If you fail to comply with any Applicable Law within 10 days after being notified of non-compliance, unless the violation involves public health and safety, in which case the length of the cure period shall be reasonable under the circumstances, but need not exceed 10 days;

8.2.18. If you reject more than 10% of the prospective Accounts that we present to you in any 13-week period;

8.2.19. If you fail to satisfy one of the minimum performance requirements identified in this Agreement, which is measured over either a rolling 13 or 26 week period; or

8.2.20. If we make a reasonable determination in the exercise of our reasonable business judgment that your continued operation of the Franchised Business will result in imminent danger to public health and safety.

8.3. Termination by Us with Right to Cure.

8.3.1. If you breach, or refuse to fulfill or perform, any obligation arising under this Agreement not identified in Subsection 8.2 above, or fail or refuse to adhere to any mandatory operating procedure, specification or standard prescribed by us in the Manual or otherwise communicated to you, we may terminate this Agreement, in our sole discretion and election, effective at the close of business 30 days after giving written notice of default to you, which specifies the grounds of default, if you fail to cure the default cited in the notice by the end of the 30-day cure period. We may indicate our decision to terminate by written notice given to you any time before, or after, the end of the 30-day cure period including in the original notice of default.

8.3.2. If a default cannot reasonably be cured within 30 days, you may apply to us for additional time to complete the cure. The length of the additional cure period, if any, that we allow must be stated in a writing signed by us. The additional cure period, if any, shall, in our estimation, be sufficient in duration to enable a reasonable person acting diligently to complete the cure within the extended period. If we grant you an extension and if you do not complete the required cure within the extended cure period, termination of this Agreement shall be effective at the close of business on the last day of the extended cure period without further notice from us.

8.4. Effect of Termination. In any proceeding in which the validity of termination of this Agreement is at issue, we are not limited to the reasons set forth in the notice of default or termination given to you.

9. RIGHTS AND DUTIES OF PARTIES UPON EXPIRATION OR TERMINATION

9.1. Your Obligations. Upon expiration or termination of this Agreement, we will stop performance of our obligations under this Agreement and you must comply with the following duties:

9.1.1. You must immediately pay us (a) the then-outstanding principal balance and accrued interest under all promissory notes you have executed in our favor; and (b) any other amounts then owed to us or our Affiliate. Late charges shall continue to accrue until all amounts due are paid in full.

9.1.2. If the termination is based upon your default, you must also pay us all damages, costs and expenses resulting from your default, and reimburse us for our reasonable fees to retain attorneys, accountants, or other experts to enforce our rights under this Agreement, whether or not mediation or judicial action is commenced.

9.1.3. Your payments shall be accompanied by all reports required by us regarding business transactions and the results of operations through the later of the following: (a) the effective date of expiration or termination of this Agreement; and (b) the date that you cease operation of the Franchised Business and fully comply with your obligations under this Section 9.

9.1.4. You must permanently cease using, in any manner whatsoever, the iNX Intellectual Property and the iNX System, and may not engage in conduct that suggests or implies that you are, or were, an authorized Network Member or remain associated with the iNX System. You must stop using and remove, at your sole expense, all signage, trade dress, materials, and other physical objects that display the Licensed Marks or are associated with the iNX System.

9.1.5. You must cancel all Local Marketing and other promotional activities that identify you or the former Franchised Business as a Network Member or associate the former Franchised Business with the iNX System, including all social media accounts and other materials that display or include your email address, subpage address, or the iNX Website URL. You must notify appropriate government authorities that you are no longer doing business under the Assumed Name and cancel any fictitious business name registration relating to your use of the Licensed Marks.

9.1.6. You must immediately cease using and, within 48 hours after the expiration or termination of this Agreement, return to us any physical copies of any portion of the Manual in your possession.

9.1.7. Within 48 hours after the expiration or termination of this Agreement, you must provide us with evidence satisfactory to us that all information in your possession that comprises or contains Confidential Information has been permanently removed from your computer, erased, or destroyed.

9.1.8. You must execute and deliver a general release, in form satisfactory to us, of any and all claims against us, our Affiliates, and our respective officers, directors, shareholders, employees, and agents.

9.1.9. You will be allowed to retain a copy of business records that contain Account Data only if and to the extent that Applicable Law requires you to retain these records. Otherwise, you may not retain any record or copy of information that includes Account Data.

9.1.10. You must keep and maintain all records pertaining to the results of your operation of the Franchised Business for 7 years after the effective date of expiration or termination of this Agreement, and allow us to inspect those records to verify your compliance with your obligations under this Agreement.

9.1.11. You must comply, and cause Covered Persons to comply, with all covenants in this Agreement that by their terms or by implication apply after the expiration or termination of this Agreement.

9.2. Our Rights. Upon the expiration or termination of this Agreement:

9.2.1. We will immediately cancel all password and authorized user credentials issued to your Management Group permitting access to the Network Portal and cancel all subscriptions giving you the right to access licensed software applications.

9.2.2. We will immediately cancel your email address with the iNX Website domain and take down the subpage for the Franchised Business hosted on the iNX Website.

9.3. Personal Guaranty. Upon the expiration or termination of this Agreement, we may enforce the Personal Guaranty executed by any Personal Guarantor to secure payment and performance of your obligations under this Agreement, including those that arise upon or survive the expiration or termination of this Agreement.

9.4. Option to Purchase Physical Assets.

9.4.1. We have the option, but not the obligation, to purchase all, or any, of the physical assets of the Franchised Business, including equipment, supplies, and inventory, by serving you with written notice of our election within 30 days after the effective date of expiration or termination of this Agreement. The purchase price for the assets that we select shall be your original cost less depreciation taken according to generally accepted accounting principles and less any financing that you owe to third parties for which the asset is pledged as security. We shall have the absolute right to set off from the purchase price all sums that you then owe to us or our Affiliates, including damages, costs and expenses and reasonable attorneys' fees in enforcing a default and termination. The right to set off shall not limit our remedies under this Agreement or Applicable Law. Our failure to serve written notice of our election within 30 days after the effective date of expiration or termination of this Agreement shall signify our decision not to purchase any of your physical assets.

9.4.2. If we give timely notice to you, you must, within 10 days after you receive our notice, furnish us with documentation substantiating the original cost of each asset that we identify in our notice and the amount of depreciation that you have taken in your federal and state income tax returns. Within 10 days after we receive this information from you, we will notify you of the particular assets that we will purchase and calculate the purchase price for the items in accordance with this Section, and within 10 days after giving this notice, we will pay you the purchase price, less permitted set-offs.

9.4.3. We also have the option, but not the obligation, to replace you as lessee under all, or any, equipment lease for equipment that is part of the physical assets of the Franchised Business by indicating that we are including leased equipment in the notice that we provide to you within 30 days after the effective date of expiration or termination of this Agreement. Within 10 days after receiving our notice, you must deliver a true and correct copy of the equipment leases and allow us the opportunity, at a mutually scheduled time, to inspect the leased equipment that we indicate we wish to purchase. Within 10 days following our receipt of this documentation, we will complete any inspection that we choose to make and notify you of the particular leased equipment for which we are prepared to assume the equipment lease. Within 10 days after receiving our notice, you must obtain the consent of the equipment lessor to our assumption of the lease. When we sign any documents required by the equipment lessor to assume the lease, we will agree to indemnify you from any liabilities arising under the equipment lease after the effective date of our assumption of the lease. Our assumption of the equipment lease will not relieve you from obligations to the lessor that exist before the effective date of our assumption of the lease.

9.4.4. You must deliver title and possession of the physical assets that we (i) purchase when we pay you the net purchase price free and clear of all liens and encumbrances not approved by us in writing; and (ii) lease on the effective date of our assumption of the lease.

9.5. Survival of Obligations. All obligations of the parties that expressly, or by their nature, survive the expiration or termination of this Agreement shall continue in full force and effect after the effective date of expiration or termination of this Agreement until they are satisfied in full. You remain fully liable for any and all obligations of the Franchised Business, whether incurred before, or after, the effective date of expiration or termination of this Agreement, including payments to suppliers and independent contractors, salaries to employees, and taxes.

9.6. Third-Party Rights; Available Remedies.

9.6.1. No person acting for the benefit of your creditors or any receiver, trustee in bankruptcy, sheriff or any other officer of a court, or other person in possession of your assets or business shall have the right to assume your obligations under this Agreement without our prior consent.

9.6.2. Our right to terminate this Agreement shall not be our exclusive remedy in the event of your default, and we will be entitled, in our sole discretion and election, alternatively or cumulatively, to affirm this Agreement in the event of your default and obtain damages arising from the default, injunctive relief to compel you to perform your obligations under this Agreement or to prevent you from breaching this Agreement, and any other remedy available under Applicable Law.

10. ASSIGNMENT AND TRANSFER

10.1. Assignment by Us. You acknowledge that we maintain a staff to manage and operate the iNX System and that staff members can change from time to time. You represent that you have not signed this Agreement in reliance on any shareholder, director, officer, or employee remaining with us in that capacity for any time period. We are free to transfer and assign all of our rights under this Agreement to any person or Business Entity without prior notice to you or your prior written consent if the assignee agrees in writing to assume our obligations under this Agreement. Upon the assignment and assumption, we have no further obligation to you.

10.2. Delegation of Duties. In addition to our right to assign this Agreement, we have the absolute right to delegate performance of any portion or all of our obligations under this Agreement to any third-party designee of our own choosing, whether the designee is our Affiliate, agent, or an independent contractor. In the event of a delegation of duties, the third-party designee shall perform the delegated functions in compliance with this Agreement. When we delegate our duties to a third party (in contrast to when we transfer and assign our rights under this Agreement to a third party that assumes our obligations), we will remain responsible for the performance of the third party to whom our duties are delegated.

10.3. Assignment by You; In General. You understand and agree that the franchise rights awarded by this Agreement are personal and are awarded in reliance upon, among other considerations, the individual or collective character, skill, aptitude, attitude, experience, business ability and financial condition, and capacity of Franchisee's Owners as well as Franchisee's officers, directors, LLC managers and members, trustees, and partners, as applicable.

10.3.1. Without our prior written consent, you may not, directly or indirectly, attempt or complete an Event of Transfer either voluntarily or by operation of law except in accordance with this Agreement. We agree not to withhold our consent unreasonably if you satisfy the conditions applicable to an Event of Transfer. We will exercise reasonable business judgment in evaluating if you have satisfied all

applicable conditions. Any attempted or purported transfer that fails to comply with the requirements of this Agreement is null and void and a material default of this Agreement.

10.3.2. Our consent to an Event of Transfer is not a representation of the fairness of the terms of any contract between you and the proposed transferee, a guarantee of the Franchised Business's or transferee's prospects for success, or a waiver of any claims that we or our Affiliates may have against you or any Personal Guarantor.

10.3.3. Unless you obtain our prior written consent, which we may withhold in our sole discretion, you must include in the same proposed Event of Transfer transaction all of your rights, title, and interest in and to any other Franchise Agreement then in effect by and between us and either you or an Affiliate of yours pertaining to another Franchised Business that is either open and operating or has been signed, but has not yet reached its Business Start Date.

10.4. Our Right of First Refusal.

10.4.1. If you or an Owner to whom an offer is directed (the "**Individual Transferor**"), receives a bona fide written offer ("**Third-Party Offer**") from a third-party purchaser to acquire any Ownership Interest or otherwise complete a transaction which, if consummated, will result in an Event of Transfer, you or the Individual Transferor shall, within 5 days after receiving the Third-Party Offer and before accepting it, apply to us in writing for our consent to complete the proposed Event of Transfer on the terms of the Third-Party Offer. Additionally, the following conditions shall apply:

10.4.1.1. You, or the Individual Transferor, shall attach to your application for consent to complete the proposed Event of Transfer (i) a complete copy of the Third-Party Offer (including all material terms); (ii) information relating to the proposed transferee's experience and personal, business and financial qualifications; (iii) a copy of the transferee's current financial statement; (iv) the transferee's proposed business plan for the Franchised Business; and (v) any other information material to the Third-Party Offer, proposed transferee, proposed Event of Transfer or that we reasonably request.

10.4.1.2. We or our nominee shall have the right, exercisable by written notice ("**Notice of Exercise**") given to you or the Individual Transferor, within 30 days following receipt of the Third-Party Offer, all supporting information, and the application for consent, to notify you or the Individual Transferor that we will purchase or acquire the rights, assets, equity, or interests proposed to be assigned on the same terms and conditions set forth in the Third-Party Offer, except that we may (i) substitute cash for any form of payment proposed in the offer discounted to present value based upon the rate of interest stated in the Third-Party Offer; (ii) deduct from the purchase price the amount of any commission or fee otherwise payable to any broker or agent in connection with the Third-Party Offer; (iii) deduct all amounts then due and owing from you to us or our Affiliates; and (iv) convert the offer from an equity purchase to a purchase of Franchisee's assets and stated liabilities only. If we give timely Notice of Exercise, the assets or equity interests that we purchase from you or the Individual Transferor must be free and clear of liens. If any asset or equity interests are pledged as security for financing that is then unpaid, we may further deduct from the purchase price the remaining amount payable under the terms of financing.

10.4.1.3. The closing shall take place: (i) either virtually or at an appropriate location in Portland, Oregon or as otherwise agreed (ii) at a mutually agreed upon date and time, but not later than 90 days following our receipt of the Third-Party Offer, all supporting information, and the application for our consent to complete the proposed Event of Transfer.

10.4.1.4. At the closing, you or the Individual Transferor shall deliver to us the same documents, affidavits, warranties, indemnities, and instruments as would have been delivered by you or the Individual Transferor to the transferee pursuant to the Third-Party Offer. Additionally, you and the Individual Transferor shall deliver a general release, in form satisfactory to us, of any and all claims against us, our Affiliates, and our respective officers, directors, shareholders, employees, and agents.

10.4.1.5. All costs, fees, document taxes, and other expenses incurred in connection with consummation of the transaction with us shall be allocated between you or the Individual Transferor and us in accordance with the terms of the Third-Party Offer, and any costs not allocated shall be paid by you or the Individual Transferor.

10.5. Conditions of Assignment to Third Party.

10.5.1. If we do not exercise our right of first refusal, you may not complete the Event of Transfer unless you obtain our prior written consent. An Event of Transfer or attempt to complete an Event of Transfer that takes place in violation of this provision is a breach of this Agreement.

10.5.2. As a condition to our consent to an Event of Transfer, the following conditions must be satisfied:

10.5.2.1. The proposed transferee must submit a completed franchise application to us and meet our then-current qualifications for new iNX franchisees, including qualifications pertaining to financial condition, credit rating, business experience, moral character, and reputation. Our evaluation of the proposed transferee's financial condition shall take into account the amount the proposed transferee is obligated to pay to you to consummate the Event of Transfer.

10.5.2.2. As of the date consent is requested and through the date of closing of the proposed transfer and assignment, you may not be in default under this Agreement and must be current with all monetary obligations owed to third parties, including our Affiliates.

10.5.2.3. The proposed transferee must be a Business Entity in good standing and agree to confine its business activities to operating the Franchised Business after the closing of the Event of Transfer and not invest its assets or resources except to perform duties under this Agreement with us. The proposed transferee must execute all other documents and agreements required by us to consummate the Event of Transfer.

10.5.2.4. The proposed transferee shall execute our then-current Franchise Agreement that we are offering to new iNX franchisees. If we are not then awarding new iNX franchises, we will allow the proposed transferee to execute appropriate documentation agreeing to assume all of your obligations under this Agreement arising on or after the closing date of the Event of Transfer.

10.5.2.5. You must pay us, at the time you submit your application for our consent to complete the proposed Event of Transfer, a transfer fee equal to the greater of (i) $5,000; or (ii) calculated based on your most recent monthly Billed Revenue as the sum of 25% of the first $20,000 of Billed Revenue for the most recent Accounting Month plus 10% of Billed Revenue over $20K for that Accounting Month. You further agree that if we identify the proposed transferee at your request, you must pay us a transfer fee that is 20% more than the greater of (i) or (ii). You acknowledge that we may determine that is necessary for us to provide additional assistance to transition Accounts in connection with an Event of Transfer, and that the Transfer Fee is intended in part to compensate us for such additional costs. The Transfer Fee is fully earned when paid. However, we will refund the Transfer Fee, less $1,500, if we

determine that the proposed transferee does not meet our then-current qualifications for new iNX franchisees and refuse to consent to the proposed Event of Transfer.

10.5.2.6. You must execute and deliver a general release, in form satisfactory to us, of any and all claims against us, our Affiliates, and our respective officers, directors, shareholders, employees, and agents.

10.5.2.7. The proposed transferee must execute all other documents and agreements required by us to consummate the Event of Transfer. Each person who as of the closing of the Event of Transfer owns 20% or more of the outstanding Ownership Interests in the transferee must execute our then-current form of Personal Guaranty.

10.5.2.8. Your right to receive the sales proceeds from the proposed transferee shall be subordinate to the proposed transferee's and your duties owed to us and our Affiliates under this Agreement as of the effective date of the Event of Transfer. All contracts by and between you and the proposed transferee shall expressly include a subordination provision permitting payment of the sales proceeds to you only after any outstanding obligations that the proposed transferee owes to us and our Affiliates are fully satisfied.

10.5.2.9. Until the proposed transferee satisfies minimum training requirements, you must remain responsible for day-to-day management of the Franchised Business. The proposed transferee must qualify at least one General Manager and one Operations Manager within 60 days after the Event of Transfer closing date by completing, to our satisfaction, our initial training program training course that we then offer to new Network Members. You will remain responsible for operation and management of the Franchised Business until the buyer qualifies at least one General Manager and Operations Manager.

10.5.2.10. Neither our exercise of our right of first refusal, our consent to an Event of Transfer, nor your consummation of an Event of Transfer shall operate to release you or any Personal Guarantor from the obligations that expressly, or by their nature, survive the expiration or termination of this Agreement, including the provisions regarding non-disclosure of Confidential Information and the covenants pertaining to a Competitive Business.

10.5.3. You may only complete the Event of Transfer to the proposed transferee on the terms identified in the Third-Party Offer or as otherwise stated in your application for consent. If there is any material change in the terms of the Third-Party Offer after you apply to us for our consent, we have a right of first refusal to accept the new terms subject to the conditions stated in this Section.

10.5.4. If we consent to the Event of Transfer to the proposed transferee, the transfer must close within 60 days from the date the Third-Party Offer is first submitted to us unless you request in writing, and we agree to grant, an extension of time to close the Event of Transfer, which consent we agree not to unreasonably withhold. If we refuse to grant the extension of time, you must again offer us the opportunity to exercise our right of first refusal subject to the conditions stated in this Section.

10.6. Business Entity Franchisee.

10.6.1. On or before the Effective Date of this Agreement, you must furnish to us a copy of your articles of incorporation, by-laws, operating agreement, partnership agreement or other governing agreement, and a list of all persons owning an Ownership Interest of the Franchisee Business Entity. You must additionally compete **Schedule 2** to this Agreement with information current as of the Effective Date. During the Term, you must promptly provide us with a copy of any amendments to, or changes in, your

articles of incorporation, by-laws, operating agreement, partnership agreement or other governing agreement and changes to the information on **Schedule 2**.

10.6.2. You must maintain stop transfer instructions against the transfer on your records of any Ownership Interest. Each certificate representing an Ownership Interest must bear a legend, in the form stated in the Manual, that the Ownership Interest is held, and further assignment or transfer of the Ownership Interest is, subject to all restrictions imposed upon an Event of Transfer in this Agreement.

10.7. Death or Incapacity.

10.7.1. Subject to the provisions of this Section, if an Event of Transfer occurs due to the death or Incapacity of a Primary Owner, your remaining Owners (collectively referred to as the "**Successor**") shall have 180 days from the date of death to complete the sale or assignment of the interest to a qualified, approved third party pursuant to the procedures applicable to an Event of Transfer. At the end of the 180-day period, if the Successor has not qualified a replacement General Manager or obtained our consent to complete the Event of Transfer, we may, at our election, terminate this Agreement.

10.7.2. Immediately following the date of death or Incapacity, if the Successor cannot identify one of its employees that has previously qualified as a General Manager, we will have the absolute right, but not the obligation, to assume day-to-day management of the Franchised Business for your account. If there is no substitute General Manager whom you can nominate or whom we are willing to approve, we will notify you within 5 days after we become aware of the death or Incapacity whether we will elect to assume day-to-day management on your behalf. If we make this election, you agree that, in exchange for our management services, we will be entitled to receive the Management Fee during the period of our management (including travel days to the Territory) and be reimbursed for (i) all of our direct costs and expenses in rendering management services; and (ii) our reasonable travel expenses, including expenses for air and ground transportation, lodging, meals, and miscellaneous travel-related personal charges. For the sake of clarity, the Management Fee is in addition to, not in lieu of, the Service Fees and other fees and payments due and payable by you to us under this Agreement. We may pay ourselves the Management Fee on or before the 5th day of each Accounting Month during the management period out of the cash flow of the Franchised Business.

10.7.3. This Agreement shall otherwise continue in full force and effect during the period of our day-to-day management. The Successor's failure or refusal to cooperate with our right to turn management of the Franchised Business over to us during the interim period if required by this Section shall constitute a breach of this Agreement.

10.7.4. The parties recognize that our right to manage the Franchised Business is primarily intended to facilitate an orderly transition of ownership with minimal disruption to the Franchised Business's continuous operation. If we elect to manage the Franchised Business, we will do so only until the Successor obtains our consent to the Event of Transfer, but in no event longer than 180 days. By mutual agreement, the period of our management may be extended for longer than 180 days, but in no event will it extend beyond one year from the date of death or Incapacity. If the Successor cannot obtain our consent to a proposed transferee by the end of one year, we may terminate this Agreement.

10.7.5. You acknowledge that we recommend that the Franchised Business at all times have more than one person qualified to serve as a General Manager so that, in the event of the death or Incapacity of a Primary Owner who is your designated General Manager, you are not left without a qualified General Manager. We have no liability to you if we elect not to manage the Franchised Business following the death or Incapacity of a Primary Owner and this leaves you without a qualified General Manager.

10.7.6. During the time that we manage the Franchised Business, we will periodically discuss the status of the Franchised Business's operations and financial results with the Successor and provide suitable current information about the Franchised Business's performance as the Successor may reasonably require to account for the financial condition of the Franchised Business.

11. RELATIONSHIP OF PARTIES AND INDEMNIFICATION

11.1. Independent Owner. This Agreement does not create a fiduciary relationship between the parties, nor does it make either party a general or special agent, joint venturer, partner, or employee of the other for any purpose. With respect to all matters, your relationship to us is as an independent contractor. You are the independent owner of the Franchised Business and in sole control of all aspects of its operation, and must conduct your business using your own judgment and sole discretion, subject only to the provisions of this Agreement. You must conspicuously identify yourself in all advertising and all dealings with Accounts, vendors, suppliers, employees, and other third parties as the sole owner of the Franchised Business operating under a license from us in the format that we prescribe in this Agreement and in the Manual.

11.2. Indemnification by You.

11.2.1. You must indemnify and hold us, our Affiliates, and our respective officers, directors, shareholders, employees, agents, successors, and assigns, harmless from and against any and all costs, expenses, losses, liabilities, damages, causes of action, claims, and demands whatsoever, arising from or relating to the Franchised Business, whether or not arising from bodily injury, personal injury or property damage, infringement (other than Third-Party Claims within the scope of our agreement to indemnify you as set forth in his Agreement), or any other violation of the rights of others, or in any other way, subject to the provisions of this Agreement.

11.2.2. We have the right to retain our own counsel to defend any third-party claim asserted against us that is covered by this indemnification agreement.

11.2.3. Your indemnification and defense obligations shall survive the expiration or termination of this Agreement or an Event of Transfer, regardless of the reason that this Agreement ends.

11.2.4. Your indemnification obligations shall extend to (i) all claims for actual, consequential, and punitive damages; (ii) claims for lost profits; (iii) costs of investigation; (iv) costs and expenses incurred in defending any claim within the scope of your indemnification including attorneys and other professional fees, court costs, and travel and living expenses necessitated by the need or desire to appear before (or witness the proceedings of) courts or tribunals (including arbitration tribunals), or government or quasi-governmental entities (including those incurred by our attorneys, experts and advisors); (v) costs and expenses for any refunds, compensation or public notices; (vi) claims based on alleged "vicarious," "principal/agent," "misclassification," "joint employer," or other legal theories as a result of our status as the owner of the Licensed Marks; and (vii) costs and expenses that we or any of the indemnified parties incur as a result of any litigation or insolvency proceedings involving you (whether or not you are a party in the proceeding).

11.2.5. The scope of your indemnification obligations shall apply regardless of whether a claim brought against us, our Affiliates, or any of the indemnified individuals is reduced to final judgment or results in settlement. The indemnified parties shall have the right to retain their own counsel to defend any third-party claim that is covered by this indemnification agreement. The scope of your indemnification obligations shall not be limited by decisions that an indemnified party makes in connection with their defense.

11.2.6. If a final judgment results in a finding that an indemnified party's liability is due to the indemnified party's gross negligence, willful misconduct, or criminal acts, any costs or expenses paid or incurred by you pursuant to your indemnification obligation shall promptly be reimbursed in full by the indemnified party to you except to the extent that the final judgment finds you jointly liable, in which event your indemnification obligation will extend to any finding of your comparative or contributory negligence.

11.2.7. You must give us written notice of any claim, matter, inquiry, or investigation that could be the basis for a claim for indemnification promptly after you have actual knowledge or are deemed to have constructive knowledge of the claim, matter, inquiry, or investigation. You must fully cooperate with us in connection with our handling of the claim, matter, inquiry, or investigation. We have no duty to seek recovery from third parties to mitigate our losses or reduce your liability under your indemnification obligation.

12. PERSONAL GUARANTY

12.1. Scope. Each person who is or becomes a Primary Owner shall promptly furnish any financial information reasonably required by us and execute our Personal Guaranty in the form attached as **Schedule 3**. The Personal Guaranty requires the Personal Guarantor to agree, jointly and severally, to personally guarantee Franchisee's obligations owed to us under this Agreement.

12.2. Default. An event of default under this Agreement shall occur if, within 10 days after our written request, a Personal Guarantor fails or refuses to deliver to us: (i) a duly executed Personal Guaranty, and (ii) true, correct, and current financial information as we may from time to time request.

13. DISPUTE RESOLUTION

13.1. Agreement to Mediate Disputes. Except as otherwise provided in subparagraph B of this Section, neither party to this Agreement shall bring an action or proceeding to enforce or interpret any provision of this Agreement, or seeking any legal remedy based upon the relationship created by this Agreement or an alleged breach of this Agreement, until the dispute has been submitted to mediation conducted in accordance with the procedures stated in this Agreement.

13.1.1. The mediation shall be conducted pursuant to the rules of JAMS ("**Mediation Service**"). Either party may initiate the mediation ("**Initiating Party**") by notifying the Mediation Service in writing, with a copy to the other party ("**Responding Party**"). The notice shall describe with specificity the nature of the dispute and the Initiating Party's claim for relief. Thereupon, both parties will be obligated to engage in the mediation, which shall be conducted in accordance with the Mediation Service's then-current rules, except to the extent the rules conflict with this Agreement, in which case this Agreement shall control.

13.1.2. The mediator must be either a practicing attorney with experience in business format franchising or a retired judge, with no past or present affiliation or conflict with any party to the mediation. You and we each agree that the mediator and the Mediation Service's employees shall be disqualified as a witness, expert, consultant, or attorney in any pending or subsequent proceeding relating to the dispute that is the subject of the mediation.

13.1.3. The fees and expenses of the Mediation Service, including the mediator's fee and expenses, shall be shared equally by the parties. Each party shall bear its own attorney's fees and other costs incurred in connection with the mediation irrespective of the outcome of the mediation or the mediator's evaluation of each party's case.

13.1.4. The mediation conference shall commence within 30 days after selection of the mediator. Regardless of whether we or you are the Initiating Party, the mediation shall be conducted in Portland, Oregon, unless the parties otherwise agree or as required by Applicable Law.

13.1.5. The parties shall participate in good faith in the entire mediation, including the mediation conference, with the intention of resolving the dispute, if at all possible. The parties shall each send at least one representative to the mediation conference who has authority to enter into a binding contract on that party's behalf and on behalf of all principals of that party who are required by the terms of the parties' settlement to be personally bound by it. You and we mutually recognize and agree, however, that the mediator's recommendations and decision shall not be binding on either one of us or our principals or representatives.

13.1.6. The mediation conference shall continue until its conclusion, which is deemed to occur when: (i) a written settlement is reached, (ii) the mediator concludes, after a minimum of 8 hours of mediation, and informs the parties in writing, that further efforts would not be useful, or (iii) the parties agree in writing that an impasse has been reached. Neither party may withdraw before the conclusion of the mediation conference.

13.1.7. The mediation proceeding will be treated as a compromise settlement negotiation. All offers, promises, conduct, and statements, whether oral or written, made in the course of the mediation proceeding by any party or their agents, experts, counsel, employees, or representatives, and by the mediator and the Mediation Service's employees, are confidential. Such offers, promises, conduct, and statements may not be disclosed to any third party and are privileged and inadmissible for any purpose, including impeachment, under applicable federal and state laws or rules of evidence; provided however, that evidence otherwise discoverable or admissible shall not be rendered not discoverable or inadmissible as a result of its use in the mediation. If a party informs the mediator that information is conveyed in confidence by the party to the mediator, the mediator will not disclose the information.

13.1.8. If one party breaches this Agreement by refusing to participate in the mediation or not complying with the requirements for conducting the mediation, the non-breaching party may immediately file suit and take such other action to enforce its rights as permitted by Applicable Law and the breaching party shall be obligated to pay: (i) the mediator's fees and costs; (ii) the non-breaching party's reasonable attorneys' fees and costs incurred in connection with the mediation; and (iii) to the extent permitted by Applicable Law, the non-breaching party's reasonable attorneys' fees and costs incurred in any suit arising out of the same dispute, regardless of whether the non-breaching party is the prevailing party. Additionally, the breaching party shall forfeit any right to recover their attorneys' fees and costs should it prevail in the lawsuit. The parties agree that the foregoing conditions are necessary in order to encourage meaningful mediation as a means for efficiently resolving any disputes that may arise.

13.2. Exceptions to Duty to Mediate Disputes.

13.2.1. The obligation to mediate shall not apply to any disputes, controversies or claims between the parties (whether or not they involve any other person or Business Entity) where (i) the monetary relief sought is under $10,000; or (ii) either party seeks Provisional Remedies to preserve the status quo or prevent irreparable injury, including a claim for Provisional Remedies to preserve the status quo pending the completion of a mediation proceeding. In connection with any application for Provisional Remedies, each party may conduct discovery on an expedited basis. The party awarded interim or injunctive relief shall not be required to post bond.

13.2.2. Additionally, notwithstanding a party's duty to mediate disputes under this Agreement, a party may file an application before any court of competent jurisdiction seeking Provisional

Remedies whether or not the mediation has already commenced. An application for Provisional Remedies shall neither waive nor excuse a party's duty to mediate under this Agreement. However, once a party files an application for Provisional Remedies, the time period for mediation in this Agreement shall be tolled pending the court's ruling on the application for Provisional Remedies. The party that is awarded Provisional Remedies shall not be required to post bond or comparable security.

13.3. Judicial Relief.

13.3.1. You and we each agree that (i) all disputes arising out of or relating to this Agreement that are not resolved by negotiation or mediation, and (ii) all claims that this Agreement expressly excludes from mediation, shall be brought exclusively in Multnomah County Circuit Court or the United States District Court for the District of Oregon, except as otherwise agreed, and you give your advance consent to submit to the personal jurisdiction of those state and federal courts.

13.3.2. To the fullest extent that you may effectively do so under Applicable Law, you waive the defense of an inconvenient forum to the maintenance of an action in the courts identified in this Section and agree not to commence any action of any kind against us, our Affiliates, or our and our Affiliates' respective officers, directors, shareholders, LLC managers and members, employees, agents, or property arising out of or relating to this Agreement, except in the courts identified in this Section.

13.4. Expedited Discovery. In connection with any application for Provisional Remedies, each one of us may conduct discovery on an expedited basis.

13.5. WAIVER OF JURY TRIAL. YOU AND WE EACH HEREBY WAIVE OUR RESPECTIVE RIGHT TO TRIAL BY JURY OF ANY CAUSE OF ACTION, CLAIM, COUNTERCLAIM, OR CROSS-COMPLAINT IN ANY ACTION, PROCEEDING AND/OR HEARING BROUGHT BY EITHER ONE OF US ON ANY MATTER WHATSOEVER ARISING OUT OF, OR IN ANY WAY CONNECTED WITH, THIS AGREEMENT, THE RELATIONSHIP CREATED BY THIS AGREEMENT, THE USE OF THE iNX SYSTEM, OR ANY CLAIM OF INJURY OR DAMAGE, OR THE ENFORCEMENT OF ANY REMEDY UNDER ANY LAW, STATUTE, REGULATION, EMERGENCY, OR OTHERWISE, NOW OR HEREAFTER IN EFFECT, TO THE FULLEST EXTENT PERMITTED UNDER APPLICABLE LAW.

13.6. Choice of Law. Except as otherwise provided in this Agreement with respect to the possible application of Local Law in enforcing the provisions addressing operation of a Competitive Business, the parties agree that California law shall govern the construction, interpretation, validity, and enforcement of this Agreement and shall be applied in any mediation or judicial proceeding to resolve all disputes between them, except to the extent the subject matter of the dispute arises exclusively under federal law, in which event the federal law shall govern.

13.7. Limitations Period. To the extent permitted by Applicable Law, any legal action of any kind arising out of or relating to this Agreement or its breach, including, without limitation, any claim that this Agreement or any of its parts is invalid, illegal or otherwise voidable or void, must be commenced by no later than one year from the date of the act, event, occurrence, or transaction that constitutes or gives rise to the alleged violation or liability; provided, however, the applicable limitations period shall be tolled during the course of any mediation that is initiated before the last day of the limitations period with the tolling beginning on the date that the Responding Party receives the Initiating Party's demand for mediation and continuing until the date that the mediation is either concluded, or suspended due to a party's failure or refusal to participate in the mediation in violation of this Agreement.

13.8. Punitive or Exemplary Damages. On behalf of each one of us and on behalf of our respective Affiliates, directors, officers, shareholders, Owners, LLC managers and members, Personal Guarantors, employees, and agents, as applicable, the parties waive, to the fullest extent permitted by Applicable Law, any right to, or claim for, punitive or exemplary damages against the other and agree that, in the event of a dispute between them, each party is limited to recovering only the actual damages proven to have been sustained by that party.

13.9. Liquidated Damages.

13.9.1. If this Agreement is terminated due to your breach, you agree that we may recover liquidated damages calculated in the manner provided in this Section ("**Liquidated Damages**"). The calculation of Liquidated Damages is based on our mutual good faith estimate of the amount of time it would take us to find a replacement franchisee for the Territory and for the replacement to generate Service Fees and other revenue payable to us equivalent to the amounts that you have paid or should have paid to us before the effective date of termination.

13.9.2. We mutually agree that Liquidated Damages shall be equal to the product of the average monthly Service Fees paid, or that should have been paid, to us during the last 24 Accounting Months immediately before the effective date of termination of this Agreement, times 24. If the termination occurs before the end of the first 24 Accounting Months after the Business Start Date, the parties will compute the average monthly Service Fees paid, or that should have been, during the period of operation before the effective date of termination and multiply this average by 24.

13.9.3. The amount of Liquidated Damages shall not be reduced by any claims that you have against us for set off or otherwise. Furthermore, the Liquidated Damages calculation shall not be affected by the fact that during the calculation period Service Fees may not have been paid or had been forgiven, setoff, or waived by us for any reason.

13.9.4. We each acknowledge and agree that the method for calculating Liquidated Damages represents our mutual reasonable endeavor to estimate a fair average compensation for our loss due to your breach and a decision to provide for Liquidated Damages spares both of us the cost and inconvenience of having to prove our actual damages and engage expert witnesses to support this burden of proof.

13.10. Attorneys' Fees. Except as expressly provided in this Agreement, in any action or proceeding brought to enforce any provision of this Agreement or arising out of or in connection with the relationship of the parties hereunder, the prevailing party shall be entitled to recover against the other its reasonable attorneys' fees and court costs in addition to any other relief awarded by the court. As used in this Agreement, the "**prevailing party**" is the party who recovers greater relief in the action.

13.11. Waiver of Collateral Estoppel. You and we each agree that we should be able to settle, mediate, litigate, or compromise disputes in which either one of us, but not both of us, may be, or become, involved with third parties without having the dispute affect their rights and obligations to each other under this Agreement. You and we each agree, therefore, that a decision by an arbitrator or judge in any third-party proceeding or action in which either you or us, but not both, is a party shall not prevent the party to the proceeding or action from making the same or similar arguments, or taking the same or similar positions, in any proceeding or action between us where we are both parties. You and we each waive the right to assert that principles of collateral estoppel prevent the other from raising any claim or defense in an action or proceeding in which we are both parties, even if the other lost a similar claim or defense in another third-party action or proceeding in which either you or us, but not both, was a party.

13.12. Waiver of Class Action Relief. You and we each agree that any mediation or litigation initiated or brought by either party against the other will be conducted on an individual, not on a class-wide, basis. You hereby agree to waive any class action proceeding or counterclaim in respect of any dispute against us or our Affiliates, or our and our Affiliates' respective officers, directors, shareholders, LLC managers and members, employees, agents, attorneys, accountants, associates or guarantors, successors or assigns, whether at law or equity.

13.13. Survival. The covenants and obligations in this Section 13 shall survive the termination, expiration or an Event of Transfer of this Agreement.

14. FRANCHISEE'S REPRESENTATIONS

To induce us to enter into this Agreement with you, you acknowledge, agree, and represent to us as follows:

14.1. Your Owners. **Schedule 2** is a true and correct list of your Owners and their Ownership Interest as of the Effective Date. During the Term, you must notify us of all changes to **Schedule 2** promptly after they occur (whether the change involves adding new Owners, deleting Owners, updating the percentage Ownership Interest that each Owner owns, or making any other changes to **Schedule 2**).

14.2. Acceptance of Conditions. You have read this Agreement and our Franchise Disclosure Document and understand and accept the terms, conditions, and covenants in this Agreement as being reasonably necessary to maintain our standards of service and quality and to protect and preserve our rights in the iNX System and the goodwill associated with the Licensed Marks.

14.3. Independent Investigation. You have conducted an independent investigation of the business contemplated by this Agreement. You recognize that the iNX System may evolve and change over time and that we may modify the iNX System at any time and for any reason without prior notice to you or your consent if we believe, in our sole discretion, the modification will benefit Network Members generally and strengthen consumer awareness of, and confidence in, the Licensed Marks. You are aware that we cannot predict the nature of future changes to the iNX System or the amount of your future investment to adopt future changes.

14.4. No Representations.

14.4.1. By executing this Agreement, you represent and warrant that no person acting on our behalf has made any representations or promises to you that are not in this Agreement, including representations or promises about actual or potential sales, earnings, gross profits, or net profits that you can expect to earn by acquiring an iNX franchise. No representations have been made by us, our Affiliates or our respective officers, directors, owners, employees, or agents that are contrary to statements made in this Agreement or in the Franchise Disclosure Document delivered to you before your execution of this Agreement.

14.4.2. You acknowledge that you are entering into this Agreement without any promise or guarantee that during each Accounting Month or any other period during the Term (i) we will offer you a minimum number of AAAs; (ii) each AAA that we offer you will provide for a minimum amount of Billed Revenue for the Scope of Work described in the AAA; or (iii) you will receive a minimum amount of Collected Revenue.

14.5. Signatory Status. The person executing this Agreement as or on behalf of Franchisee, and each Personal Guarantor, is a United States citizen or a lawful resident alien of the United States.

14.6. Status of Franchisee. You understand that, as a condition of the franchise license, you must remain duly organized as a Business Entity and in good standing under the laws of the state where you are incorporated or organized for as long as this Agreement is in effect and you own the franchise license.

14.7. Application and Financial Information. All financial and other information provided to us in connection with your application to acquire an iNX franchise license is true and correct, and no material information or fact has been omitted that is necessary in order to make the information disclosed not misleading.

14.8. Success of Franchised Business. You understand and agree that owning the Franchised Business involves business risks and the success of the Franchised Business will depend on your management's investment of time, capital, and personnel; the business abilities and experience of your management; your marketing efforts; local competition; consumer preferences; inflation; labor costs; prevailing economic conditions; and similar types of market conditions, any or all of which may change over time and are difficult to anticipate. You are not entering into this Agreement based upon any express or implied guarantee or assurance that the Franchised Business will be successful or profitable.

14.9. Anti-Terrorism Representations. You represent that none of your assets are currently subject to being blocked under, and you are not otherwise in violation of, any Anti-Terrorism Laws. You agree to comply with and assist us to the fullest extent possible in our efforts to comply with Anti-Terrorism Laws. Any violation of, or "blocking" of assets under, any Anti-Terrorism Laws will constitute a breach of this Agreement and grounds for immediate termination without an opportunity to cure. "Anti-Terrorism Laws" means Executive Order 13224 issued by the President of the United States, the USA PATRIOT Act, and all other present and future Applicable Law addressing or relating to acts of war or terrorism.

15. MISCELLANEOUS

15.1. Notices.

15.1.1. All communications required or permitted to be given by one party to the other under this Agreement must be in writing and shall, if properly addressed to the other party, be deemed to be given on the earliest of: (i) the time and date when delivered by hand; (ii) the time and date when delivered by email, if confirmation of transmission is received or can be established by the sender; (iii) one business day after delivery to a reputable national overnight delivery service; or (iv) five days after being sent by U.S. certified or registered mail, postage prepaid, return receipt requested. A "**business day**" means weekdays only, excluding Saturdays, Sundays and holidays. Notices shall be directed to the address shown on **Schedule 1** for the party and its representative.

15.1.2. When time is measured according to a specified number of hours following notice from us, we will give notice either in person or by email.

15.1.3. Either party may change its address for receiving notices by giving appropriate written notice to the other. All communications required or permitted to be given by a party in writing may be given electronically by the sender to the other party's designated email address in **Schedule 1** or as subsequently changed by written notice.

15.1.4. All payments and reports required to be delivered to us must be directed to us at the above address or to an electronic address or account otherwise designated by us. Notwithstanding our agreement regarding when notices shall be deemed to be given, any required payment or report not actually received by us on the date it is due shall be deemed delinquent.

15.2. Time of the Essence. Time is of the essence of this Agreement with respect to each and every provision of this Agreement in which time is a factor.

15.3. Waiver. Any waiver granted by us to you excusing or reducing any obligation or restriction imposed on you by this Agreement shall be in writing and shall be effective immediately when we deliver the writing unless the writing specifies a later effective date. No waiver granted by us, and no action taken by us, with respect to any third party shall limit our right to take action of any kind, or not to take action, with respect to you. Any waiver granted by us to you shall be without prejudice to any other rights we may have. The rights and remedies granted to us are cumulative. No delay on our part in the exercise of any right or remedy that we have under Applicable Law shall operate as a waiver of that right or remedy, and no single or partial exercise by us of any right or remedy shall preclude us from fully exercising the right or remedy or any other right or remedy. Our acceptance of any payments made by you after a breach of this Agreement will not be, nor be construed as, a waiver by us of any breach by you of any term, covenant, or condition of this Agreement.

15.4. Section Headings: Language. The Section headings used in this Agreement are inserted for convenience only and shall not be deemed to affect the meaning or construction of any of the terms, provisions, covenants, or conditions of this Agreement. The language used in this Agreement shall in all cases be construed simply according to its fair meaning and not strictly for or against you or us. The singular usage includes the plural and the masculine and neuter usages include the other and the feminine. If two or more Business Entities are at any time identified as the Franchisee hereunder, whether or not as partners or joint venturers, their obligations and liabilities to us shall be joint and several. Nothing in this Agreement is intended, nor shall it be deemed, to confer any rights or remedies upon any person or Business Entity not a party hereto.

15.5. Binding on Successors. The covenants, agreements, terms, and conditions contained in this Agreement shall be binding upon, and shall inure to the benefit of, the successors, permitted assigns, heirs, and personal representatives of each party.

15.6. Validity; Conformity with Applicable Law; Interpretation.

15.6.1. Wherever possible, each provision of this Agreement shall be interpreted in such manner as to be valid under Applicable Law, but if any provision of this Agreement shall be invalid or prohibited under Applicable Law, the provision shall be ineffective only to the extent of the prohibition or invalidity without invalidating the remainder of the particular provision or the remaining provisions of this Agreement. If the provisions of this Agreement provide for periods of notice less than those required by Applicable Law, or provide for termination, cancellation, non-renewal, or the like other than in accordance with Applicable Law, these provisions shall be deemed to be automatically amended to conform them to the provisions of Applicable Law.

15.6.2. If any provision of this Agreement is deemed unenforceable by virtue of its scope in terms of geographic area, business activity prohibited, or length of time, but could be made enforceable by reducing any or all thereof, the provision may be modified by a mediator or court so that it may be enforced to the fullest extent permissible under the choice of law adopted by this Agreement or other Applicable Law.

15.6.3. In this Agreement the words "**includes**" and "**including**" and words of similar effect shall be read to mean "without limitation" and will not be deemed to limit the general effect of the words that precede them.

15.7. Amendments. No amendment, change, modification, or variance to or from the terms and conditions set forth in this Agreement shall be binding on any party unless it is set forth in writing and duly executed by us and you.

15.8. Withholding of Consent; Our Business Judgment.

15.8.1. Except where this Agreement expressly requires us to exercise our reasonable business judgment in deciding to grant or deny approval of any action or request by you, we have the absolute right to refuse any request by you or to withhold our approval of any action by you in our sole discretion. Further, whenever our prior consent or approval is required by this Agreement, our consent or approval must be evidenced by a writing signed by our duly authorized representative in order to be enforceable against us unless this Agreement expressly states otherwise.

15.8.2. Each one of us recognizes, and any mediator or judge is affirmatively advised, that certain provisions of this Agreement describe our right to take (or refrain from taking) certain actions in our sole discretion and other actions in the exercise of our reasonable business judgment. Where this Agreement expressly requires that we make a decision based upon our reasonable business judgment, we will evaluate the overall best interests of all Network Members and our own business interests. If we make a decision reasonably based on our business judgment, neither a mediator nor a judge shall substitute his or her judgment for the judgment exercised by us. The mere fact that one could reach a different decision than the one made by us is not a basis for finding that we made our decision without the exercise of reasonable business judgment. Our duty to exercise reasonable business judgment in making certain decisions does not restrict or limit our right under this Agreement to make other decisions based entirely on our sole discretion as permitted by this Agreement. Our sole discretion means that we may consider any set of facts or circumstances that we deem relevant in rendering the decision.

15.9. Entire Agreement. This Agreement, including the Schedules attached hereto, and all agreements or documents that are expressly incorporated in or made part of this Agreement, including the Manual, sets forth the entire agreement between the parties, and supersedes any and all prior agreements, understandings, and discussions between the parties pertaining to its subject matter. However, nothing in this Agreement or any related agreement is intended to disclaim our representations in the Franchise Disclosure Document delivered to you before your execution of this Agreement.

15.10. Force Majeure. Neither party is responsible for any failure to perform its obligations under this Agreement if and to the extent that its performance is prevented or delayed due to an event of Force Majeure. Upon completion of the event of Force Majeure, the party whose performance is affected must as soon as reasonably practicable recommence the performance of their obligations under this Agreement. Furthermore, the party whose performance is prevented or delayed shall use their reasonable efforts to mitigate the effect of the event of Force Majeure on their performance. An event of Force Majeure does not relieve a party or a Personal Guarantor from liability for prompt payment of any amount due, or any other obligation, that arose before the onset of the event of Force Majeure.

15.11. Covenant and Condition. Each provision of this Agreement performable by you must be construed as both a covenant and a condition.

15.12. Consent of Spouse or Domestic Partner. The spouse or domestic partner of each Personal Guarantor shall execute a Spousal Consent in the form of **Schedule 4**.

15.13. Effectiveness. This Agreement shall become effective only upon execution by both us and you.

15.14. Further Assurances. Each party agrees to execute and deliver such additional documents and instruments and to perform such additional acts as may be necessary or appropriate to effectuate, carry out, and perform the terms, provisions, and conditions of this Agreement.

15.15. Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but such counterparts together shall constitute one and the same instrument.

15.16. Electronic Signatures. The parties accept the use of an electronic signature in lieu of a manual signature and agree that an electronic signature will be binding on a party to the same extent as if the party signed this Agreement manually.

15.17. Confidentiality and Public Announcements. In addition to the provisions regarding Confidential Information, the parties agree that no public announcement or any other disclosure regarding the existence or terms of this Agreement, the names or any other identifying information regarding the parties or any individual who owns or is associated with a party, or the nature of the parties' negotiations shall be disclosed in any way or made public unless (i) the other party gives its prior written consent; or (ii) if disclosure is required by Applicable Law.

PERSONAL GUARANTY ("Guaranty")

The undersigned ("**Guarantor**") is an Owner of _____, a _____ [*add name of Franchisee Business Entity and state of organization/formation*], the party identified as "**Franchisee**" in that certain Franchise Agreement dated _____ ("**Agreement**") entered into with us, iNX BUILDING MAINTENANCE SOLUTIONS, INC., a California corporation ("**iNX**"). The Agreement requires each person who is an Owner of Franchisee to execute our form of Personal Guaranty. Guarantor represents that it has had an opportunity to review the Agreement and intends to be legally bound by this Guaranty. All capitalized terms in this Guaranty shall have the same meaning given to them in the Agreement and Guarantor incorporates those definitions into this Guaranty by this reference.

A. **Unconditional Guaranty**. For other good and valuable consideration, Guarantor absolutely, irrevocably and unconditionally guarantees to iNX and its successors and assigns the full and punctual payment and performance of all present and future obligations of Franchisee to iNX arising under or pursuant to the Agreement including, without limitation, Franchisee's repayment of any promissory note for financing provided by iNX to Franchisee.

B. Guarantor's obligations under this Guaranty are primary obligations of Guarantor. If Franchisee breaches the Agreement, iNX may proceed first and directly against Guarantor without first (i) proceeding against Franchisee or any other Owner who also is a guarantor of Franchisee's obligations to iNX; (ii) exhausting any other remedies that iNX may have under Applicable Laws; or (iii) taking possession of any collateral that Franchisee has pledged as security for Franchisee's performance of the Agreement. Guarantor's obligations under this Guaranty are not subject to any counterclaim, recoupment, set-off, reduction, or defenses based on claims that Guarantor may have against Franchisee.

C. This Guaranty shall not be affected, impaired, modified, waived or released due to (i) the invalidity or unenforceability of any provision of the Agreement, (ii) the bankruptcy, reorganization, dissolution, liquidation or similar proceedings involving or affecting Franchisee, (iii) Franchisee's sale or other disposition of its assets used to operate the Franchised Business; or (iv) any agreement between iNX and Franchisee agreeing to modify the provisions of the Agreement. Guarantor unconditionally waives, to the fullest extent permitted by Applicable Laws, all notices that Applicable Laws may require iNX to give to Guarantor in order for iNX to preserve or enforce its rights under this Guaranty. Guarantor shall not exercise any right to subrogation, reimbursement or contribution against Franchisee. If Guarantor lends money to Franchisee, Guarantor's right to repayment is subordinate to Franchisee's obligations to iNX.

D. **Payments by Guarantor**. All payments by Guarantor pursuant to this Guaranty shall be made in immediately available funds, in lawful money of the United States, and sent to iNX at the address for giving notices specified in the Agreement.

E. **Duration of Guaranty**. This Guaranty shall survive the effective date of expiration or termination of the Agreement and any Event of Transfer of the Agreement.

F. **Guarantor's Covenants**. While the Agreement is in effect, Guarantor shall: (i) cause Franchisee to remain in good standing under the laws of the state of its incorporation or organization; (ii) cause Franchisee to have full power and authority to execute contracts and incur obligations in its own name without needing third-party approvals; (iii) not directly or indirectly, voluntarily or by operation of law, attempt to sell, assign, transfer, pledge, gift, encumber or alienate any of the equity or voting interests of Franchisee that Guarantor owns without causing Franchisee to comply with the Event of Transfer

procedures in the Agreement; and (iv) furnish iNX with accurate and complete personal financial information reasonably promptly following iNX's request or if there is a material change in any financial information previously furnished to iNX.

G. **Miscellaneous Provisions**: Guarantor shall notify iNX immediately of any changes in its contact information shown below its signature so that iNX has current contact information for Guarantor for as long as this Guaranty is in effect.

H. Guarantor agrees to resolve any dispute with iNX arising out of the interpretation or enforcement of this Guaranty pursuant to the same dispute resolution procedures in the Agreement to which Franchisee is bound, and hereby incorporates the "Dispute Resolution" section in the Agreement into this Guaranty by this reference. Guarantor reaffirms the statements in Section 14 of the Agreement.

I. If Franchisee has more than one Owner, Guarantor's obligations under this Guaranty will be joint and several together with all other Guarantors.

J. Guarantor's agreements in this Guaranty shall bind Guarantor's personal representatives, heirs and successors and shall inure to the benefit of iNX and its successors and assigns. Any waiver granted by iNX to Guarantor must be in writing and will be effective upon iNX's delivery of the writing to Guarantor or upon the specific effective date specified in the writing, and only to the extent specifically allowed in such writing. No waiver granted by iNX shall limit iNX's right to take action of any kind, or not to take action, with respect to Guarantor. Any waiver granted by iNX to Guarantor is without prejudice to any other rights iNX may have. No delay on iNX's part in exercising any right or remedy shall constitute a waiver by iNX, and no partial exercise by iNX of any right or remedy shall preclude iNX from fully exercising the same or any other right or remedy.

CONFIDENTIALITY AND NON-COMPETITION AGREEMENT

This **CONFIDENTIALITY AND NON-COMPETITION AGREEMENT** ("**Agreement**") is made as of _____ ("Effective Date") by _____ ("**Undersigned Party**") in favor of iNX Building Maintenance Solutions, Inc. ("**iNX**") with reference to the following facts:

A. iNX and _____ ("**Franchisee**") are parties to that certain iNX Franchise Agreement ("Franchise Agreement") entered into by and between them on or before the Effective Date of this Agreement.

B. The Franchise Agreement obligates Franchisee to (i) confine disclosure of Confidential Information that belongs to iNX to those members of its management, employees and agents who require access to the Confidential Information in order to perform the functions for which they have been hired and to enable Franchisee to perform its obligations under the Franchise Agreement; and (ii) observe and implement reasonable procedures to prevent the unauthorized or inadvertent use, publication or disclosure of iNX's Confidential Information including requiring that members of Franchisee's management, employees and other agents execute iNX's form of Confidentiality Agreement. Additionally, before iNX will deliver training to one of Franchisee's employees, the employee must execute iNX's form of Confidentiality Agreement.

C. Additionally, the Franchise Agreement obligates Franchisee to cause each individual who is or becomes a Covered Person to agree in writing to specific restrictions regarding Competitive Businesses.

D. The Undersigned Party acknowledges that, based on the Undersigned Party's relationship with Franchisee, the Undersigned Party's failure or refusal to execute this Agreement would cause Franchisee to be in breach of its obligations under the Franchise Agreement.

NOW, THEREFORE, the Undersigned Party having read this Agreement and being familiar with the terms of the Franchise Agreement, hereby agrees as follows:

I. DEFINITIONS

A. The Undersigned Party represents that he or she has had the opportunity to become familiar with the terms of the Franchise Agreement and agrees that any capitalized terms that are not defined in this Agreement shall have the meaning given to them in the Franchise Agreement and incorporates these definitions into this Agreement. The words "**includes**" and "**including**" and words of similar effect will not be deemed to limit the general effect of the words that precede them. The language in this Agreement shall not be presumptively construed either in favor of or against iNX or the Undersigned Party. The headings within this Agreement are for the purpose of reference only and shall not limit or otherwise affect any of the terms of this Agreement. All references to Confidential Information in this Agreement refers exclusively to iNX's Confidential Information.

II. NONDISCLOSURE OF CONFIDENTIAL INFORMATION

A. The Undersigned Party agrees not to use, disclose, duplicate, sell, reveal, divulge, publish, furnish or communicate, either directly or indirectly, any Confidential Information to any other person without iNX's prior written consent or if doing so would constitute a breach of the Franchise Agreement if committed by Franchisee.

B. The Undersigned Party agrees not to use any Confidential Information for his or her own personal gain or to further the purposes of others, whether or not the Confidential Information has been conceived, originated, discovered or developed, in whole or in part, by the Undersigned Party or represents the Undersigned Party's work product. To the extent the Undersigned Party has assisted in the preparation of any information that iNX considers to be its Confidential Information or has prepared or created, or contributed to the preparation or creation of such information, the Undersigned Party hereby assigns any rights that he or she may have in such information as creator to iNX including all ideas made or conceived by the Undersigned Party.

C. The Undersigned Party acknowledges that the use, publication or duplication of iNX's Confidential Information for any purpose not authorized by the Franchise Agreement constitutes an unfair method of competition by the Undersigned Party and a material and substantial breach of the Franchise Agreement by Franchisee, which potentially could result in the termination of the Franchise Agreement and Franchisee's liability to iNX under Applicable Law.

D. The provisions of this Section shall apply forever for as long as Confidential Information meets the conditions in the Franchise Agreement and qualifies as Confidential Information and survives the expiration or termination of all contracts between iNX and Franchisee.

E. The provisions concerning non-disclosure of Confidential Information shall not apply if disclosure of Confidential Information is legally compelled in a judicial or administrative proceeding as long as the Undersigned Party has used its best efforts to provide iNX with a reasonable the opportunity to obtain an appropriate protective order or other assurance satisfactory to iNX of confidential treatment for the information required to be disclosed. If the Undersigned Party believes that he or she is or may be legally required to disclose Confidential Information, the Undersigned Party agrees to notify iNX as soon as possible and give iNX a reasonable time to respond and defend against or mitigate disclosure of Confidential Information.

III. RETURN OF MATERIALS CONTAINING CONFIDENTIAL INFORMATION

A. When the Undersigned Party severs its relationship with Franchisee, the Undersigned Party shall surrender to Franchisee all materials in the possession relating or concerning any Confidential Information.

IV. AGREEMENTS REGARDING COMPETITIVE BUSINESSES: APPLICABLE ONLY IF THE UNDERSIGNED PARTY IS A COVERED PERSON

A. While the Franchise Agreement is in effect and the Undersigned Party is a Covered Person, the Undersigned Party shall not, directly or indirectly, own, join, support or become affiliated in any capacity with any Competitive Businesses located anywhere in the United States whether as an investor, partner, lender, director, officer, manager, employee, consultant, independent contractor, broker, representative or agent. This restriction includes owning any interest in a Competitive Business (either

beneficially or of record) or engaging in or rendering services to a Competitive Business located anywhere in the United States. If the Undersigned Person is a Covered Person, the restrictions in this Section shall not apply to the Undersigned Party for a period longer than 24 months from the date the Covered Person ceases to be an officer, director, shareholder, member, manager, trustee, owner, general partner, employee or otherwise associated in any capacity with Franchisee. The Undersigned Party acknowledges that these restrictions are reasonable and necessary to protect iNX's legitimate business interests, which include taking reasonable measure to prevent iNX's Confidential Information from benefiting the interests of a company that is a competitor of iNX.

B. While the Franchise Agreement is in effect and the Undersigned Party is a Covered Person, the Undersigned Party shall not, directly or indirectly divert, or attempt to divert, any business or customer of the Franchised Business to any competitor by direct or indirect inducement or perform any act that directly or indirectly could, or may, injure or prejudice the goodwill and reputation of the Licensed Marks or the iNX System.

C. The Undersigned Party acknowledges and agrees that the covenants in this Section are independent of the other covenants and provisions of this Agreement. If any provision in this Section is void or unenforceable under California law, but would be enforceable as written or as modified under the laws of the state in which Franchisee's Territory is located (the "Local Laws"), the Local Laws shall govern any dispute between the Undersigned Party and iNX concerning or involving the construction, interpretation, validity or enforcement of the restrictions in this Agreement regarding a Competitive Business applicable to the Undersigned Party. The Undersigned Party authorizes iNX to revise the scope of any void or unenforceable covenant to the Local Laws so that it is enforceable and agrees to be bound by any modified covenant conforming to the Local Laws as if originally stated in this Agreement.

D. The Undersigned Party acknowledges that the Franchise Agreement defines "Competitive Business" to mean any business, regardless of the nature of the business or if it is a Business Entity or sole proprietorship, that performs janitorial or facility maintenance services to non-residential Accounts for compensation.

V. IRREPARABLE HARM

A. The Undersigned Party acknowledges and agrees that iNX will suffer irreparable injury not capable of precise measurement in monetary damages if it violates the restrictions regarding Confidential Information, or, if the Undersigned Party is a Covered Person, the restrictions regarding Competitive Businesses. If either breach occurs, the Undersigned Party consents to the issuance of interim relief including an injunction, without iNX having to post bond or comparable security, as reasonable and necessary for the protection of iNX's legitimate business interests.

VI. DISPUTE RESOLUTION

A. The Undersigned Party agrees that any dispute arising out of this Agreement shall be resolved pursuant to the Section of the Franchise Agreement captioned "DISPUTE RESOLUTION" and incorporates those provisions into this Agreement and agrees to be bound by them. The governing law of this Agreement is the same as the governing law of the Franchise Agreement.

VII. MISCELLANEOUS

A. The Undersigned Party represents that it has been provided with a copy of, and read, the relevant provisions of the Franchise Agreement.

B. The Undersigned Party agrees to comply with and assist iNX to the fullest extent possible in iNX's efforts to comply with all Anti-Bribery Laws and Anti-Money Laundering Laws in existence now or enacted after the Effective Date

C. Any waiver granted to the Undersigned Party by iNX excusing or reducing any obligation or restriction imposed under this Agreement shall be evidenced by a writing executed by iNX in order to be effective and shall only be effective to the extent specifically allowed in such writing. No waiver granted by iNX shall constitute a continuing waiver. Any waiver granted by iNX shall be without prejudice to any other rights iNX may have. The rights and remedies granted to iNX are cumulative. No delay on the part of iNX in exercising any right or remedy shall preclude iNX from fully exercising such right or remedy or any other right or remedy.

D. This Agreement sets forth the entire agreement made by the Undersigned Party pertaining to the subject matter hereof, fully superseding any and all prior agreements or understandings that may exist between the Undersigned Party and the iNX pertaining to such subject matter. No amendment, change, modification or variance to or from the terms and conditions set forth in this Agreement shall be binding on the Undersigned Party unless it is set forth in a writing and duly executed by the Undersigned Party and iNX.

E. This Agreement shall be binding on the Undersigned Party's heirs, executors, successors and assigns as though originally executed by such persons.

Schedule 7

RENEWAL ADDENDUM INSTRUCTIONS

- This Renewal Addendum may only be signed by an existing iNX franchisee in connection with exercising the Renewal Option in the franchisee's original Franchise Agreement.

- This Renewal Addendum to Franchise Agreement must be signed by the iNX franchisee concurrently with executing the then-current iNX Franchise Agreement at the time the iNX franchisee exercises the Renewal Option.

RENEWAL ADDENDUM TO FRANCHISE AGREEMENT

This RENEWAL Addendum ("Addendum") is made and entered into on _____ ("Effective Date") by and between iNX Building Maintenance Solutions, Inc. ("iNX," "our," "we," or "us"), a California corporation, and _____, a _____ [franchisee's legal name] ("you," "your," or "Franchisee") with reference to the following facts:

RECITALS

A. You and we are parties to that certain Franchise Agreement ("**Original Franchise Agreement**") pursuant to which we have awarded you a license to use the iNX System to operate a Franchised Business for the Term defined in the Original Franchise Agreement.

B. The Original Franchise Agreement grants you two consecutive options to renew the iNX franchise, each for a period of 10 years beginning on the next day after the last day of the expiring Term or first 10-year renewal term (each 10-year period is referred to as the "**Renewal Term**" and each option to renew is referred to as a "**Renewal Option**") subject to your satisfying specific conditions in the Original Franchise Agreement. Among the conditions to exercising the Renewal Option is the requirement that you execute our current form of Franchise Agreement at the time you give us the Renewal Notice ("**New Franchise Agreement**"). The Original Franchise Agreement requires that we amend the New Franchise Agreement in order to reflect the fact that you are exercising a Renewal Option.

C. You have given us a Renewal Notice indicating your desire to renew the franchise license and willingness to execute the New Franchise Agreement concurrently with this Addendum. This Renewal Addendum memorializes our agreement regarding the modifications to the New Franchise Agreement that shall apply during the Renewal Term consistent with the requirements of the Original Franchise Agreement.

D. By entering into this Addendum, we acknowledge that you have satisfied the conditions for exercising the Renewal Option.

NOW, THEREFORE, we each agree as follows:

I. DEFINITIONS; RECITALS; FULL FORCE AND EFFECT

A. Definitions. In this Addendum, the following terms shall have the same meaning given to them in the Original Franchise Agreement and the parties incorporate those definitions by this reference: iNX System; Renewal Notice; Renewal Option; Renewal Term; Term; and Territory.

B. Other Definitions. All other capitalized terms appearing in this Addendum shall either have the definition assigned to the term in this Addendum or in the New Franchise Agreement.

C. Recitals. We hereby incorporate the provisions in the Recitals as part of our agreement.

D. Full Force and Effect. Except as expressly amended by this Addendum, all provisions in the New Franchise Agreement shall apply to us and govern our relationship throughout the Renewal Term for all purposes. In the event of any conflict between the New Franchise Agreement and this Addendum, this Addendum shall control.

II. GRANT OF LICENSE FOR RENEWAL TERM; AMENDMENTS TO CURRENT FRANCHISE AGREEMENT

A. License. In consideration for your payment of the Renewal Fee identified in the Original Franchise Agreement, we hereby grant to you, and you accept, the right and license to use the iNX System to operate the Franchised Business for the Renewal Term on the terms and conditions in the New Franchise Agreement as amended by this Addendum.

B. Term; Renewal Options. The Term of the New Franchise Agreement is the Renewal Term and the provisions of the New Franchise Agreement awarding any renewal options shall not apply and are fully superseded by the provisions in this Addendum. We each acknowledge that the Original Franchise Agreement awarded you two consecutive options to renew the franchise, each for a period of 10 years beginning on the next day after the last day of the expiring Term or first Renewal Term. We agree that, unless the New Franchise Agreement is terminated sooner, when the second Renewal Term expires, you will have no further right to renew the license awarded by the Original Franchise Agreement. If you wish to continue to operate as our licensee, you must at that time apply to us to purchase a new license to use the iNX System to operate a Franchised Business on the terms and conditions in our then-current Franchise Agreement if we are still awarding franchises at the time. The decision to award you a new license shall be left to our sole discretion. You understand that we may discontinue our franchise program in the United States at any time and for any reason and, if we do so, your Renewal Option shall be nullified as if it never was awarded and this Agreement shall expire on the last day of the Term or the first Renewal Term as appropriate.

C. Fees. Because you are entering into this Addendum in connection with exercising a Renewal Option, upon execution of the New Franchise Agreement, you are not required to pay the initial franchise fee stated in the New Franchise Agreement, but shall instead pay us the Renewal Fee specified in the Original Franchise Agreement. You are obligated to pay us all other fees specified in the New Franchise Agreement.

D. Training. Because you are executing the New Franchise Agreement in connection with exercising a Renewal Option, you are not required to complete, and are not offered the opportunity to participate in, the initial training program that we offer to new iNX franchisees. However, as a condition of this Addendum, you must satisfy our then-current training requirements, if any, for renewing franchisees at your sole expense.

E. Territory. During the Renewal Term, your Territory shall be the same geographic area identified in the Original Franchise Agreement. However, it shall be subject to our reserved rights as set forth in the New Franchise Agreement.

III. ENTIRE AGREEMENT

A. No amendment, change, modification or variance to or from the terms and conditions in this Addendum shall be binding unless set forth in a writing that is duly executed by both of us.

B. This Renewal Addendum together with the New Franchise Agreement and any exhibits, and any agreements that this Addendum expressly incorporates by reference sets forth the entire agreement

between us pertaining to the renewal of your franchise license. Nothing in this Addendum is intended to disclaim the representations that we have made in our Franchise Disclosure Document delivered to you before the Effective Date of this Addendum.

IN WITNESS WHEREOF, the parties have executed this Schedule as of the Effective Date.

Schedule 8

INTELLECTUAL PROPERTY RIGHTS TERMS OF USE

A. Defined Terms. Any capitalized terms used but not defined in these Intellectual Property Terms of Use ("**Terms of Use**")shall have the meaning given to them in the Franchise Agreement.

B. Ownership. You agree not to contest or assist any other person to contest the validity of our Intellectual Property Rights in and to the iNX System or its components either during the Term or after the effective date of expiration or termination of the Franchise Agreement.

C. Use of the iNX System.

1. In operating the Franchised Business, you must (i) use only the elements of the iNX System that we designate and only in the manner that we authorize; (ii) use the iNX System only in connection with the operation of the Franchised Business and not in connection with other unrelated activities; (iii) display notices of trademark and service mark registrations in the exact manner that we specify; (iv) use the specific Assumed Name that we assign to you and obtain fictitious or assumed name registrations for the Assumed Name as required by Applicable Law; and (v) prominently post notices to Accounts, suppliers, vendors, employees and others with whom you deal informing them that you are the independent owner of the Franchised Business operating under a license from us.

2. Except for using the Assumed Name as the fictitious business name of the Franchised Business, you may not use the Licensed Marks (i) with any prefix, suffix or other modifying words, terms, designs, colors or symbols; (ii) in any modified form; (iii) in connection with the sale of any unauthorized goods or services; (iv) in any manner not expressly authorized in writing by us; or (v) in any manner that may result in our liability for your debts or obligations.

3. You may not cover up, remove, or alter any patent, copyright, trademark, or other notices that we require you to use to signify our ownership of the Intellectual Property Rights.

4. We reserve the right to: (i) modify or discontinue licensing any of our Intellectual Property Rights or components of the iNX System; (ii) add new names, marks, designs, logos or commercial symbols to the Licensed Marks and require that you use them and remove names, marks, designs, logos or commercial symbols that we discontinue within a reasonable time after receiving notice from us; (iii) modify or discontinue practices or requirements that we include as part of the iNX System as of the Effective Date; (iv) modify the Assumed Name previously assigned to you and assign a new Assumed Name to you; or (v) require that you follow new practices or requirements as part of the iNX System in operating the Franchised Business. You must comply, at your sole expense, with our directions regarding changes in the iNX System within a reasonable time after written notice from us. We are not liable to you for any cost, expense, loss, or damage that you incur to comply with our directions and adopt changes to the iNX System including changes to the Licensed Marks or Assumed Name.

5. You understand and agree that any unauthorized use of the iNX System or its components will constitute both a breach of the Franchise Agreement and an infringement of our Intellectual Property Rights.

D. Manual.

1. As part of the franchise license, you have the limited right to use our Manual during the Term. The Manual is, and at all times will remain, our sole property, and we own all Intellectual Property Rights in its content.

2. The Manual contains both mandatory and recommended specifications, standards, procedures, rules, and other information pertinent to the iNX System and your obligations under the Franchise Agreement. The Manual, as modified by us from time to time, is an integral part of the Franchise Agreement, and all provisions now or hereafter in the Manual or otherwise communicated to you in writing are expressly incorporated in this Agreement by this reference and made a part hereof. You must fully comply with all mandatory requirements now or hereafter included in the Manual and understand and agree that a breach of any mandatory requirement in the Manual is a breach of the Franchise Agreement and grounds for termination of the Franchise Agreement.

3. You must treat all information in the Manual as our Confidential Information and use all reasonable efforts to keep the information secret. Without our prior written consent, you may not copy, duplicate, print, record or otherwise reproduce the Manual, in whole or in part, or otherwise make the Manual available to your employees who do not require access to its contents in order to carry out their work duties. Any misuse of the Manual or other Confidential Information by your employees or contractors to whom access is given constitutes a breach by you of the Franchise Agreement.

4. If we furnish any portion of the Manual to you in a printed "hard" copy rather than in electronic or digital format, you must take adequate precautions to ensure that the copies are kept in a secure place to prevent their inadvertent disclosure to persons not authorized to have the information in order to perform their work duties.

5. If the Manual is furnished in electronic or digital format by, for example, posting the Manual on the Network Portal, you understand that we will issue separate access passwords to the individuals in your Management Group. You will be in breach of the Franchise Agreement if any person with authorized user credentials to the Network Portal shares their authorized user credentials with anyone else including other personnel in your organization or otherwise misuses the Manual or other Confidential Information.

6. We may modify the Manual from time to time to reflect changes that we implement in the mandatory and recommended specifications, components, standards, and operating procedures of the iNX System. All revisions will be reflected in written or electronic supplements to the Manual or in other written or electronic communications delivered to you, and each supplement or communication shall become effective when it is posted on the Network Portal or on the date specified by us. If updates are provided by "hard" copy (as opposed to electronically), you must insert any updated pages in your copy of the Manual upon receipt and remove superseded pages and return them to us within 5 days following receipt. You must adjust your operations to reflect all revisions that we make to mandatory specifications, standards, operating procedures, and rules at your sole expense.

7. Unless the Franchise Agreement designates a different time period in which to adopt changes that we may make to the iNX System through updates to the Manual, we will allow you a reasonable amount of time to adopt changes, which will be no less than 30 days from the date a Manual update becomes effective, unless we indicate a longer period in writing.

E. Confidential Information.

1. You acknowledge that we may disclose Confidential Information to you during the Term in various ways including by providing you with access to the Manual; delivering training programs; sharing information about prospective and existing Accounts; licensing the use of Account Data; sharing data about the performance of Network Members as a whole or groups of Network Members for purposes of improving marketing and competitive strategies; sharing business plans and other competitively sensitive information; and through the performance of our obligations and the exercise of our rights under t the

Franchise Agreement. You acquire no interest in any Confidential Information that we may share with you other than a license to use the Confidential Information to operate the Franchised Business subject to the terms of the Franchise Agreement.

2. Your use, publication, or duplication of Confidential Information for any purpose not authorized by the Franchise Agreement constitutes an unfair method of competition by you and, additionally, grounds for termination of the Franchise Agreement.

3. You agree to: (i) confine disclosure of Confidential Information to your employees and agents who require access in order to perform their duties to you; and (ii) observe and implement reasonable procedures that we may prescribe to prevent the unauthorized or inadvertent use, publication or disclosure of Confidential Information, including requiring that any person given access to Confidential Information, who is not otherwise required to sign a Confidentiality and Non-Competition Agreement, executes our current form of Confidentiality Agreement with you. Upon request from us, you must deliver to us a true copy of each executed Confidentiality Agreement for our records. We may terminate the Franchise Agreement if any person required by the Franchise Agreement to execute a Confidentiality Agreement breaches the Confidentiality Agreement. All duties in the Franchise Agreement pertaining to Confidential Information shall survive the expiration, termination, or the consummation of an Event of Transfer of the Franchise Agreement.

4. The provisions concerning non-disclosure of Confidential Information shall not apply if disclosure of Confidential Information is legally compelled in a judicial or administrative proceeding if you have used your best efforts to provide us with a reasonable opportunity to obtain an appropriate protective order or other assurance satisfactory to us of confidential treatment for the information required to be disclosed.

F. Account Data.

1. You understand and agree that we own all Account Data even if you are responsible for identifying and recruiting the Account or the Account Data is developed or generated primarily or entirely because of your efforts. You understand and agree that the Franchise Agreement awards you a license to use Account Data during the Term solely to conduct the Franchised Business in accordance with the Franchise Agreement. You may not use Account Data for any purpose unrelated to the Franchised Business or make a market in or attempt to sell or license Account Data to third parties for any purpose. All Account Data is our Confidential Information. While the Franchise Agreement is in effect, neither you nor we may use or disclose Account Data in a manner that is detrimental to our ongoing relationship with an Account.

2. You may retain a copy of Account Data for only the Accounts to which you provided Authorized Services during the last 24 months of the Term if Applicable Law requires that you retain this information, in which case you may retain the information only for the purposes and duration specified in Applicable Law. During this time period, you must continue to treat Account Data as Confidential Information.

3. The expiration or termination of the Franchise Agreement for any reason shall automatically terminate your license to use Account Data, and you must comply with the obligations regarding Confidential Information that take effect upon the termination or expiration of the Franchise Agreement or consummation of an Event of Transfer.

G. Defense of the iNX System.

1. We have the sole right to handle disputes with third parties challenging our Intellectual Property Rights or rights in, or your use of, the iNX System or its components.

2. You must immediately notify us in writing if you receive notice, or are informed, of any: (i) improper use of any of the components of the iNX System; (ii) use by any third party of any mark, design, logo or commercial symbol that may be confusingly similar to any of the Licensed Marks; (iii) use by any third party of any business practice that unfairly simulates the iNX System in a manner likely to confuse or deceive the public; or (iv) claim, challenge, suit or demand asserted against you based upon your use of any of the components of the iNX System or our Intellectual Property Rights. A legal proceeding, use, demand, or threat encompassing the subject matters described in (i), (ii), (iii) and (iv) is collectively referred to as a "**Third-Party Claim**."

3. We have sole discretion to take the action that we deem appropriate with respect to a Third-Party Claim including to take no action, and the sole right to control any legal proceeding or negotiation arising out of a Third-Party Claim. You may not settle or compromise any Third-Party Claim and must agree to be bound by our decisions over how to handle a Third-Party Claim. You must cooperate fully with us and execute the documents and perform the actions that may, in our sole discretion, be necessary, appropriate or advisable in the defense of a Third-Party Claim.

4. Except as provided in these Terms of Use, we agree to defend you against the Third-Party Claim if you have notified us immediately after learning of the Third-Party Claim and fully cooperate in our defense of the Third-Party Claim. Your rights under these Terms of Use shall be your sole and exclusive remedy in the event of any Third-Party Claim involving any element of the iNX System.

5. Because we will defend the Third-Party Claim, you are not entitled to be reimbursed for legal or other professional fees or costs paid to independent legal counsel or others in connection with the matter.

6. Notwithstanding our agreement to defend you under the conditions stated in these Terms of Use, you understand and agree that we are not liable to indemnify or reimburse you for any liability, costs, expenses, damages or losses that you may suffer or sustain as a result of the Third-Party Claim, with the exception that we will (i) reimburse you for your actual direct costs to change any materials that bear the Licensed Marks or change any property incorporating any other feature of the iNX System that is found to infringe the rights of a third party, and (ii) if a judgment is rendered against you, indemnify you for the amount of any damages awarded as part of the judgment.

7. You must assign to us any claims that you may have against the third party asserting the infringement claim.

8. You, on behalf of yourself and your Affiliates and Owners, hereby waive any claim against us, our Affiliates, and our respective officers, directors, shareholders, employees and agents for lost profits or consequential damages of any kind based on Third-Party Claims involving the iNX System.

9. Our indemnity obligations under these Terms of Use shall not extend to any Third-Party Claim arising out of or relating, directly or indirectly, to your misuse of the iNX System. Furthermore, our obligations under these Terms of Use shall not extend to any Third-Party Claim arising out of or relating to any form of misuse of the iNX System by your Owners, employees or agents.

5. If the Franchise Agreement requires or permits litigation to be brought in a venue or forum outside of the State of Illinois, the provision shall not be effective for a Franchise Agreement entered into with an Illinois resident for a Franchised Business located in Illinois.

6. With respect to any provision contained in (a) the Franchise Agreement; (b) an amendment thereto; or (c) a related document required to be signed by Franchisee to obtain the franchise, if and to the extent that the provision constitutes a representation by Franchisee that is inconsistent with the requirements of the Illinois Act, the provision will be deleted and will be of no force or effect.

7. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting

on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

8. This State Addendum shall be effective only to the extent that the jurisdictional requirements of the Illinois Act are met independently of and without reference to this State Addendum. This State Addendum shall have no effect if the jurisdictional requirements of the Illinois Act are not met.

9. The Franchise Agreement shall be given full force and effect as amended by this State Addendum.

INDIANA ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT

The Indiana Securities Division requires the following specific disclosures to be made to prospective Indiana franchisees:

1. Indiana has a statute, the Indiana Deceptive Practices Act (the "**Indiana Act**"), which makes it unlawful for a franchise agreement with an Indiana resident or nonresident who will operate a franchise in Indiana to contain any of the following provisions:

a. Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where the goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or service or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute the improper designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute an improper designation. This paragraph does not apply to goods, supplies, inventories, or services that are manufactured or trademarked by, or for, the franchisor.

b. Allowing the franchisor to establish a franchisor-owned business that is substantially identical to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement, or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.

c. Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.

d. Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for and transmitted to the franchisee.

e. Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by Indiana law or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This paragraph does not apply to arbitration before an independent arbitrator.

f. Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers before the franchisee's receipt of an official price increase notification. A sales contract signed by a private retail consumer shall constitute evidence of each order. Price changes applicable to new models of a product at the time of introduction of such new models shall not be considered a price increase. Price increases caused by conformity to state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this paragraph.

g. Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this paragraph includes any material violation of the franchise agreement.

h. Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This paragraph shall not prohibit a franchise agreement from providing that the agreement is not renewable meets certain conditions specified in the agreement.

i. Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three (3) years or in an area greater than the exclusive area granted by the franchise agreement or, in the absence of an exclusive area provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.

j. Limiting litigation brought for breach of the agreement in any manner whatsoever.

k. Requiring the franchisee to participate in any (i) advertising campaign or contest; (ii) promotional campaigns; (iii) promotional materials; or (iv) display decorations or materials, in each case at any expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

l. Requiring a franchisee to enter into an agreement providing the franchisor with any indemnification for liability caused by the franchisee's proper reliance on or use of procedures or materials provided by the franchisor or by the franchisor's negligence.

m. Requiring a franchisee to enter into an agreement reserving the right to injunctive relief and any specific damages to the franchisor, limiting the remedies available to either party without benefit of appropriate process or recognizing the adequacy or inadequacy of any remedy under the agreement.

2. It is unlawful for any franchisor who has entered into any franchise agreement with a franchisee who is either a resident of Indiana or a nonresident operating a franchise in Indiana to engage in any of the following acts and practices in relation to the agreement:

a. Coercing the franchisee to:

(1) Order or accept delivery of any goods, supplies, inventories, or services which are neither necessary to the operation of the franchise, required by the franchise agreement, required by law, nor voluntarily ordered by the franchisee.

(2) Order or accept delivery of any goods offered for sale by the franchisee which includes modifications or accessories which are not included in the base price of those goods as publicly advertised by the franchisor.

(3) Participate in an advertising campaign or contest, any promotional campaign, promotional materials, display decorations, or materials at an expense to the franchisee over and above the maximum percentage of gross monthly sales or the maximum absolute sum required to be spent by the franchisee provided for in the franchise agreement; and absent a maximum expenditure provision in the franchise agreement, no such participation may be required; or

(4) Enter into any agreement with the franchisor or any designee of the franchisor, or do any other act prejudicial to the franchisee, by threatening to cancel or fail to renew any agreement between the franchisee and the franchisor. Notice in good faith to any franchisee of the franchisee's violation of the terms or provisions of a franchise or agreement does not constitute a violation of this paragraph.

b. Refusing or failing to deliver in reasonable quantities and within a reasonable time after receipt of an order from a franchisee for any goods, supplies, inventories, or services which the franchisor has agreed to supply to the franchisee, unless the failure is caused by acts or caused beyond the control of the franchisor.

c. Denying the surviving spouse, heirs, or estate of a deceased franchisee the opportunity to participate in the ownership of the franchise under a valid franchise agreement for a reasonable time after the death of the franchisee, provided that the surviving spouse, heirs, or estate maintains all standards and obligations of the franchise.

d. Establishing a franchisor-owned business that is substantially identical to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement, or if no exclusive territory is designated, competing unfairly with the franchisee within a reasonable area. However, a franchisor shall not be considered to be competing when operating a business either temporarily for a reasonable period of time, or in a bona fide retail operation which is for sale to any qualified independent person at a fair and reasonable price, or in a bona fide relationship in which an independent person has made a significant investment subject to loss in the business operation and can reasonably expect to acquire full ownership of such business on reasonable terms and conditions.

e. Discriminating unfairly among its franchisees or unreasonably failing or refusing to comply with any terms of a franchise agreement.

f. Obtaining money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than compensation for services rendered by the franchisor, unless the benefit is promptly accounted for and transmitted to the franchisee.

g. Increasing prices of goods provided by the franchisor which the franchisee had ordered for retail consumers before the franchisee's receipt of a written official price increase notification. Price increases caused by conformity to a state or federal law, the revaluation of the United States dollar in the case of foreign-made goods or pursuant to the franchise agreement are not subject to this paragraph.

h. Using deceptive advertising or engaging in deceptive acts in connection with the franchise or the franchisor's business.

3. Regardless of anything set forth in the Franchise Agreement, you do not waive any right under Indiana statutes with regard to prior representations made in the Disclosure Document.

4. The Franchise Agreement is amended to provide that it will be governed and construed in accordance with the laws of the State of Indiana.

5. Any provision of the Franchise Agreement that is unlawful pursuant to the Indiana Act is deemed to be amended to the extent necessary to cause the Franchise Agreement to comply with the Indiana Act.

6. Indiana residents and non-residents that acquire a license to operate a Franchised Business under the iNX System in a designated geographic area in the State of Indiana will enter into the Indiana State Addendum to Franchise Agreement in the form attached to this Exhibit.

DISCLOSURES REQUIRED BY MICHIGAN LAW

The State of Michigan requires each franchisor to include the following notice in offering circulars distributed in connection with Michigan franchise sales:

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you:

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver or estoppel which deprives a franchisee of rights and protections provided in this act. This will not preclude a franchisee, after entering into a Franchise Agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise before the expiration of its term except for good cause. Good cause will include the failure of the franchisee to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice of it and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This will not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause will include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the Franchise Agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this franchise disclosure document on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to:

MINNESOTA ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT

For Minnesota residents and nonresidents acquiring a license to operate a Franchised Business under the iNX System in a designated geographic area in the State of Minnesota, the applicable sections of the Disclosure Document are amended to reflect the following wherever appropriate:

1. We will not refuse to renew the Franchise Agreement in order to convert your Franchised Business to an operation that will be owned by us or one of our affiliates.

2. Minn. Stat. Sec. 80C.21 declares void any condition, stipulation or provision purporting to bind a person to waive compliance with the Minnesota franchise law (Minn. Stat. sections 80C.01 to 80C.22 and the rules promulgated thereunder (the "**Minnesota Act**")). To the extent that any of the contracts that you sign with us contain a general release, or require you to sign a general release at a later date, in favor of us or our affiliates, the general release will not operate to extinguish claims arising under, or relieve any person from liability imposed by, the Minnesota Act.

3. The Minnesota Act protects your right to require that the venue of any dispute not subject to binding arbitration be in Minnesota and that Minnesota law govern all contracts with us. It furthermore protects your right to a jury trial. To the extent any contract that you sign with us is inconsistent with the Minnesota Act, the contract shall be modified to conform to the Minnesota Act.

4. If any contract that you sign with us contains procedures for terminating the contract that are inconsistent with the Minnesota Act, the contract shall be modified to add the following:

> "Provided, however, with respect to franchises governed by Minnesota law, iNX agrees to comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4 and 5 which, as of the date of this Agreement, require, except in certain specified cases enumerated in the referenced statute, that we give you a minimum of 90 days' notice of termination (with a minimum of 60 days to cure) and a minimum of 180 days' notice for non-renewal of the Franchise Agreement."

5. If any contract that you sign with us requires you to consent to our obtaining injunctive relief, the contract shall be amended to provide that, pursuant to Minn. Rule 2860.4400J, you cannot give such advance consent; provided, however, nothing shall prevent us from applying to a venue or forum for injunctive relief.

6. If any contract that you sign with us contains a limitations period for bringing claims against us which is shorter than the limitations period provided under the Minnesota Act, the contract shall be modified to conform to the Minnesota Act.

7. The Minnesota Act requires us to indemnify you from any loss, costs or expenses that you might incur arising out of a third party challenge to your authorized use of the iNX System. Minn. Stat. Sec. 80C.12, Subd. 1(g) considers it unfair for a franchisor not to protect a franchisee's right to use the licensed marks.

8. Minnesota residents and nonresidents that acquire a license to operate a Franchised Business under the iNX System in a designated geographic area in the State of Minnesota will enter into the Minnesota State Addendum to Franchise Agreement in the form attached to this Exhibit.

STATE ADDENDUM TO FRANCHISE AGREEMENT

This **STATE ADDENDUM TO FRANCHISE AGREEMENT** ("State Addendum") is made and entered into on _____, _____ by and between **iNX BUILDING MAINTENANCE SOLUTIONS, INC. ("iNX", "we", "our" or "us")** and _____ ("**you**" or "**your**"), subject to the following recitals:

R E C I T A L S

A. You are a resident of the State of Minnesota or a non-resident that is acquiring a license to operate a Franchised Business under the iNX System in a designated geographic area in the State of Minnesota.

B. We mutually desire to amend the Franchise Agreement in order to comply with the requirements of Minnesota law.

C. All capitalized terms in this State Addendum shall have the same meaning assigned to them in the Franchise Agreement.

NOW, THEREFORE, for valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged by us, we agree as follows:

1. The above recitals are incorporated by us and made a part of this State Addendum.

2. We agree that any provision in the Franchise Agreement that requires you to provide us with a general release in violation of the Minnesota Act is illegal and of no force or effect.

3. The Franchise Agreement provisions that require venue in a state other than Minnesota for the resolution of disputes, declares that the laws of a state other than Minnesota shall govern the Franchise Agreement, or requires you to waive your right to a jury trial, the applicable provision shall be amended to add the following:

> "Pursuant to Minn. Stat. Sec. 80C.21 and Minn. Rule Part 2860.4400J, nothing in this Agreement shall in any way abrogate or reduce your rights under Minnesota Statutes, Chapter 80C, or require you to waive his or her right to a jury trial, or require you to waive any other rights to any procedure, forum or remedies provided for by Minnesota law."

4. We agree that if any provision in the Franchise Agreement contains procedures for terminating the Franchise Agreement which are inconsistent with the Minnesota Act, the applicable provision shall be amended to add the following:

> "Provided, however, with respect to franchises governed by Minnesota law, we agree to comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4 and 5 which, as of the date of this Agreement, require, except in certain specified cases, that we give you a minimum of 90 days' notice of termination (with a minimum of 60 days to cure) and a minimum of 180 days' notice for non-renewal of the Franchise Agreement."

Rule 2860.4400J, you cannot give such consent in advance; provided, however, this provision shall not operate to prevent us from applying to a court for injunctive relief.

6. Notwithstanding anything to the contrary in the Franchise Agreement, we agree to defend and indemnify you against liability or claims in connection with your authorized use of the iNX System. You shall not be responsible for the costs of any litigation to protect or defend the iNX System unless your unauthorized use of the iNX System is the proximate cause of the litigation.

7. If any provision in the Franchise Agreement contains a limitations period for bringing claims against us which is shorter than the limitations period provided under the Minnesota Act, the applicable provision is amended to conform to the Minnesota Act.

8. With respect to any provision contained in (a) the Franchise Agreement; (b) an amendment thereto; or (c) a related document required to be signed by Franchisee to obtain the franchise, if and to the extent that the provision constitutes a representation by Franchisee that is inconsistent with the requirements of the Minnesota Act, the provision will be deleted and will be of no force or effect.

9. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

10. This State Addendum shall be effective only to the extent that the jurisdictional requirements of the Minnesota Act are met independently of and without reference to this State Addendum. This State Addendum shall have no effect if the jurisdictional requirements of the Minnesota Act are not met.

11. The Franchise Agreement shall be given full force and effect as amended by this State Addendum.

VIRGINIA ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT

Any provision in the Franchise Agreement that provides for termination of the Franchise Agreement if you file for bankruptcy protection or are declared a bankrupt may not be enforceable under federal bankruptcy law (11 U.S.C. 101 et seq.).

Additional Disclosures. The following statements are added to the information that we disclose in Item 17:

1. Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the Franchise Agreement do not constitute "reasonable cause," as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

2. Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to use undue influence to induce a franchisee to surrender any right given to him under the franchise. If any provision of the Franchise Agreement involves our use of undue influence to induce you to surrender any rights under the Franchise Agreement, that provision may not be enforceable.

WASHINGTON ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. Conflict of Laws. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. Franchisee Bill of Rights. RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. Site of Arbitration, Mediation, and/or Litigation. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. General Release. A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. Statute of Limitations and Waiver of Jury Trial. Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. Transfer Fees. Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. Termination by Franchisee. The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. Certain Buy-Back Provisions. Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise

agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. Fair and Reasonable Pricing. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. Franchisor's Business Judgment. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. Attorneys' Fees. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. Noncompetition Covenants. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed $100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed $250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. Nonsolicitation Agreements. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. Questionnaires and Acknowledgments. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

R E C I T A L S

A. You are a resident of the State of Wisconsin or a non-resident that is acquiring a license to operate a Franchised Business under the iNX System in a designated geographic area in the State of Wisconsin.

B. We mutually desire to amend the Franchise Agreement in order to comply with the requirements of Wisconsin law.

C. All capitalized terms in this State Addendum shall have the same meaning assigned to them in the Franchise Agreement.

NOW, THEREFORE, for valuable consideration, the receipt and sufficiency of which is hereby mutually acknowledged by us, we agree as follows:

1. The above recitals are incorporated by us and made a part of this State Addendum.

2. The Wisconsin Fair Dealership Law, Wis. Stats. Ch. 135, Sec. 32.06 et seq. (the "**Wisconsin Law**"), provides certain rights to dealers, which extend to franchisees. In particular, and without limitation, the Wisconsin Law prohibits the termination, cancellation, nonrenewal or substantial change of competitive circumstances (as defined by the Wisconsin Law and by case law) of a dealership or franchise agreement without good cause. The Wisconsin Law further provides that 90 days prior written notice of the proposed termination, cancellation, nonrenewal or substantial change of competitive circumstances must be given to the dealer. The Wisconsin Law allows the dealer 60 days to cure the deficiency and if the deficiency is cured, the notice is void. To the extent that the Wisconsin Law conflicts with any provision of the Franchise Agreement, the provisions of the Wisconsin Law shall control.

3. With respect to any provision contained in (a) the Franchise Agreement; (b) an amendment thereto; or (c) a related document required to be signed by Franchisee to obtain the franchise, if and to the extent that the provision constitutes a representation by Franchisee that is inconsistent with the requirements of the Wisconsin Law, the provision will be deleted and will be of no force or effect.

4. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

5. This State Addendum shall be effective only to the extent that the jurisdictional requirements of the Wisconsin Law are met independently of and without reference to this State Addendum. This State Addendum shall have no effect if the jurisdictional requirements of the Wisconsin Law are not met.

6. The Franchise Agreement shall be given full force and effect as amended by this State Addendum.

IN WITNESS WHEREOF, the parties have executed this State Addendum on the date first above written.

PROMISSORY NOTE

PROMISSORY NOTE ("**Note**")

Date: _____ $_____ [principal amount of Note]

FOR VALUE RECEIVED, the undersigned, _____, a _____ [*add name of Franchisee Business Entity and state of organization/formation*], which is the party that is identified as "**Franchisee**" in that certain Franchise Agreement dated _____ ("Agreement") entered into with iNX BUILDING MAINTENANCE SOLUTIONS, INC., a California corporation ("iNX"), promises to pay to iNX or to its order the principal amount stated above and on **Schedule A** together with interest thereon at the per annum rate shown on **Schedule A**, in the number of installments shown on **Schedule A**, with the first payment due and payable on or before the date shown on **Schedule A** and thereafter on or before the first date of each calendar month in the amounts shown on the amortization Schedule on **Schedule A**.

Payments. Franchisee must make payments in lawful money of the United States of America and in immediately available funds. Computations of interest will be based on a year of 360 days but will be calculated for the actual number of days in the period for which interest is charged.

All payments under this Note will be made to iNX at 1001 Wilshire Blvd, #1430, Los Angeles, CA 90017, or at any other address that iNX instructs Franchisee to use in writing. iNX is entitled to deduct Franchisee's monthly payments, in whole or in part, from payments received from Franchisee's customers.

This Note may be prepaid in whole or in part, without penalty, at the option of Franchisee and without the consent of iNX. All payments will be applied first to accrued and unpaid interest and then to the principal balance outstanding.

Security. Payment of this Note is secured by the security agreement in the Franchise Agreement. As additional security for repayment, each of Franchisee's Owners has executed a Personal Guaranty in favor of iNX.

Event of Default. Each of the following is an event of default ("Event of Default") under this Note: (i) iNX fails to receive any payment within 5 days after the date payment is due; (ii) Franchisee makes a material misrepresentation or omission to induce iNX to make this loan to Franchisee; (iii) Franchisee breaches any of its obligations under the Franchise Agreement; or (iv) the Franchise Agreement is terminated for any reason.

Remedies for an Event of Default. If an Event of Default occurs, iNX may at its option, by written notice to Franchisee, declare the entire principal balance of this Note, together with all accrued interest, immediately due and payable and exercise any other rights and remedies provided under applicable law. An Event of Default shall constitute a default under the Franchise Agreement and grounds permitting iNX to terminate the Franchise Agreement. If an Event of Default occurs, Franchisee agree to pay all reasonable attorney's fees and costs of collection whether or not iNX files a formal action to the fullest extent permitted by applicable law.

Dispute Resolution. This Note will be governed by the laws of the State of California excluding its conflict of law rules. The exclusive jurisdiction and venue of any legal action instituted by any party to this Note will be the County of Los Angeles, California.

The prevailing party in any action (i) to collect payment on this Note, (ii) in any dispute that arises as to its enforcement, validity, or interpretation, whether or not legal action is instituted or prosecuted to judgment,

or (iii) to enforce any judgment obtained in any related legal proceeding, will be entitled to all costs and expenses incurred including its attorney fees.

Additional Provisions. Time is of the essence of this Note. Franchisee hereby waives demand for payment, presentment for payment, protest, notice of nonpayment or dishonor, and any and all other notices and demands that may be provided for under applicable law. The terms of this Note may not be waived, modified or amended except by an instrument in writing signed by both Franchisee and iNX. iNX's failure to exercise or delay in exercising any right or remedy under this Note or applicable law shall operate as a waiver. iNX's rights and remedies under this Note are cumulative and not exclusive of any rights, remedies, powers or privileges provided by applicable law. The terms of Schedule A are incorporated into and part of this Note.

Assignment. iNX may assign and transfer this Note to any person or entity without prior notice to or consent of Franchisee. Franchisee may not assign or delegate its obligations under this Note under any circumstance.

The headings within this Release are for the purpose of reference only and shall not limit or otherwise affect any of the terms of this Release.

2.3 **Binding on Successors**. The provisions of this Release shall inure to the benefit of, and shall be binding upon, the heirs, administrators, assigns and successors-in-interest of each of the parties.

2.4 **Integration**. This Release is entered into pursuant to the terms of the Franchise Agreement and constitutes an integration of the entire understanding and agreement of the parties with respect to its subject matter. Any representations, warranties, promises or conditions, whether written or oral, not specifically and expressly incorporated in this Release, shall not be binding on any of the parties. Each party acknowledges that, in entering into this Release, it has not relied on any representations, warranty, promise or condition not specifically and expressly set forth in this Release. INDEPENDENT AUDITOR'S REPORT

To the Stockholder and Board of Directors
iNX Building Maintenance Solutions, Inc.
Arroyo Grande, California

Opinion

We have audited the accompanying financial statements of iNX Building Maintenance Solutions, Inc. (a California corporation), consisting of the balance sheet as of December 31, 2024 and the related statements of operations and retained earnings (accumulated deficit) and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of iNX Building Maintenance Solutions, Inc. as of December 31, 2024, and December 31, 2023 the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of iNX Building Maintenance Solutions, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements

The financial statements of iNX Building Maintenance Solutions, Inc. as of December 31, 2023 and for the year then ended were audited by other auditors whose report dated March 2, 2024 expressed an unmodified opinion on those statements.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of iNX Building Maintenance Solutions, Inc.'s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about iNX Building Maintenance Solutions, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control matters that we identified during the audit.

Other Matter - Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules to statements of operations are presented for the purpose of additional analysis and are not required parts of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the

financial statements themselves, and other additional procedures in accordance with auditing principles generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of iNX Building Maintenance Solutions, Inc. (the Company) is presented to assist in understanding the Company's financial statements. The financial statements and notes are representations of the Company's management, who is responsible for their integrity and objectivity.

Nature of Operations

iNX Building Maintenance Solutions, Inc. ("the Company") provides building maintenance and offers franchise opportunities to the general public primarily in Southern California. The Company offers franchises under its trade name, iNX Building Maintenance Solutions, Inc. A franchise includes, but is not necessarily limited to, initial customers, additional customer offerings, training, administrative services and a license to use specified trade names and trademarks. The Company's franchise offering is registered with and regulated by the California Department of Financial Protection and Innovation and is required to follow certain regulatory guidelines.

Basis of Presentation

The financial statements of the Company are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Cash and Cash Equivalents

The Company considers all highly liquid temporary investments with an original maturity of three months or less to be cash equivalents.

Accounts Receivable

The Company's accounts receivable consist of amounts due from the Company's clients for cleaning and janitorial services provided. Accounts receivable are carried at their estimated collectible amounts. The Company provides for uncollectible accounts in the year they are determined to be uncollectible. Based on management's evaluation of accounts receivable, an allowance for doubtful accounts of $19,357 and $20,629 has been recorded as of December 31, 2024 and 2023, respectively.

Revenue Recognition

The Company accounts for its revenue in accordance with Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers, issued by the Financial Accounting Standards Board (FASB) in May 2014. ASU 2014-09 provides a single, principles-based five-step model to be applied to all contracts with customers. ASU 2014-09 generally provides for the recognition of revenue in an amount that reflects the consideration to which an entity expects to be entitled, net of allowances for estimated returns, discounts or sales incentives, as well as taxes collected from customers that are remitted to government authorities, when control over the promised goods or services are transferred to the customer.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition (Continued)

The majority of the Company's revenue comes from cleaning and janitorial services the company is contracted to provide. Such services are performed by the Company's franchisees at the company's direction. The Company contracts directly with all customers, establishes prices for services, and collects payments for services provided. The Company has the ability to use its franchisees or other subcontractors to perform the services and is ultimately responsible for the quality of the services performed. Consequently, the Company has determined it is the principal to the contracts and recognizes the revenue for the services performed. Such revenue is recorded as services are rendered.

The Company also derives revenue from its franchisees for training and various other fees. Such revenue is recognized as the training is performed or when the fees are earned.

The Company has elected to expense incremental costs to obtain new contracts when incurred because the amortization period for these costs is one year or less. Bid, proposal, and selling and marketing costs (including advertising costs), as well as legal costs incurred in connection with the pursuit of new contracts, are not incremental as the Company would have incurred those costs even if it did not obtain the contract. Such costs are expensed in the period they are incurred.

Advertising and Marketing

Advertising and marketing costs are expensed as incurred. Advertising expense for the years ended December 31, 2024 and 2023 was $385,501 and $320,837, respectively.

Income Taxes

The Company, with the consent of its stockholder, has elected under the Internal Revenue Code to be classified as a Subchapter S corporation for federal and state income tax purposes. The income or loss of the Company is included in the federal and state income tax returns of the stockholder. California taxes the net income of Subchapter S corporations at a rate of 1.5%, subject to a minimum tax of $800. Accordingly, the Company's financial statements include a provision for California income taxes only.

Use of Estimates

The preparation of financial statements in conformity with the U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Reclassifications

Certain reclassifications have been made to the financial statements for the year ended December 31, 2023 in order to conform to the current year presentation. Such reclassifications have no effect on the previously reported assets and liabilities as of December 31, 2023 or the net loss for the year then ended.

2. FRANCHISE ACTIVITY

The Company entered into no new franchise agreements during the years ended December 31, 2024 and 2023. Three franchisees ceased operations during the year ended December 31, 2024 and one franchisee ceased operations during the year ended December 31, 2023.

3. NOTES RECEIVABLE

Notes receivable represent marketing fees financed for franchisees by the Company. For each new service account secured by the Company on a franchisee's behalf, some franchisees are obligated to pay marketing or business generation fees to the Company. If the franchisee prefers, the Company offers financing for certain marketing fees for up to 36 months at an interest rate of 10% per annum.

Based on management's evaluation, all outstanding notes receivable are collectible.

4. ECONOMIC CONCENTRATIONS

At times, account balances may exceed insured limits. The Company has not experienced any losses on these accounts, and management believes the Company is not exposed to any significant risk related to its cash accounts.

Borrowings under the agreement are secured by substantially all of the Company's assets and are personally guaranteed by the Company's stockholder.

The associated notes are payable in combined monthly installments totaling $5,296, including interest at rates ranging from 10.68% to 11.28%. The notes mature between September and December 2026. As of December 31, 2023, no borrowing were outstanding on the line of credit.

As of December 31, 2024, the Company has two additional lines of credit with two banks. The first line provides for borrowings up to $100,000, bearing interest at the bank's prime rate plus 1.25% per annum, and is subject to renewal every year, at the bank's option, for a fee of $150. The applicable interest rate at December 31, 2024 is 9%. The second line provides borrowings up to $98,000, bearing interest at the bank's prime rate plus 1% per annum, and is subject to renewal every year, at the bank's option, for a fee of $250. 7. ACCRUED GUARANTEES

The Company offers a six-month guarantee on service contracts offered to some franchisees, effective immediately after the sale. The accrued guarantee liability was $17,885 and $6,721 at December 31, 2024 and 2023, respectively.

The equipment is in the possession of and used by the Company's franchisees; therefore, receivables from the franchisees are also recorded on the Company's balance sheet. The monthly payment for these financing agreements is submitted by the Company and reimbursed by the franchisees. Management believes the receivables from the franchisees are fully collectible.

INDEPENDENT AUDITOR'S REPORT

The Board of Directors and Stockholder
iNX Building Maintenance Solutions, Inc.

Opinion

We have audited the accompanying financial statements of iNX Building Maintenance Solutions, Inc. (a California corporation), which comprise the balance sheet as of December 31, 2023, and the related statements of operations, stockholders' equity and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of iNX Building Maintenance Solutions, Inc. as of December 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of iNX Building Maintenance Solutions, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Matter

The 2022 financial statements of the Company were audited by other auditors, whose report dated March 14, 2023 expressed an unmodified opinion on those statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about iNX Building Maintenance Solutions, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of iNX Building Maintenance Solutions, Inc.'s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about iNX Building Maintenance Solutions, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedules to statements of operations are presented for the purpose of additional analysis and are not required parts of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing principles generally accepted in the United States of America. NOTE 1: NATURE OF OPERATIONS AND BASIS OF PRESENTATION

Nature of Operations

iNX Building Maintenance Solutions, Inc. (the "Company") provides building maintenance and offers franchise opportunities to the general public primarily in Southern California. The Company sells franchises under its trade name, iNX Building Maintenance Solutions, Inc. A franchise includes, but is not necessarily limited to, initial customers, additional customer offerings, training, administrative services and a license to use specified trade names and trademarks. The Company's franchise offering is registered with, and regulated by the California Department of Financial Protection and Innovation and is required to follow certain regulatory guidelines.

Basis of Presentation

The accompanying financial statements have been prepared in accordance with Accounting Principles Generally Accepted in the United States of America ("GAAP"), as contained within the Financial Accounting Standards Board Accounting Codification. In the opinion of the Company's management, the financial statements reflect all adjustments, which are normal and recurring in nature, necessary for fair financial presentation.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentrations of Credit Risk

Financial instruments that potentially subject the Company to concentrations of credit risk consist mainly of trade receivables and notes receivable from franchisees. The Company performs ongoing credit evaluations of its customers and franchisees and generally does not require collateral. The Company maintains reserves for potential losses for uncollectable accounts, and such losses have historically been within management's expectations.

The Company maintains its cash in bank accounts, which are insured by the Federal Deposit Insurance Corporation ("FDIC"). The standard FDIC insurance amount is $250,000 per depositor, per insured bank. At times, the Company's cash balances may exceed the federally insured limits. The Company has not experienced any losses on these accounts and believes it is not exposed to any significant credit risk on cash.

The Company earns the majority of its revenues from interior and exterior cleaning and janitorial programs for commercial, industrial and professional clients. No single customer represented more than 10% of total revenues during the years ended December 31, 2023 and 2022.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

The Company considers all highly liquid temporary investments with an original maturity of three months or less to be cash equivalents. The Company considered certificates of deposits as cash for the purpose of statement of cash flows.

Accounts Receivable

The Company's accounts receivable as of December 31, 2023 were comprised of amounts due from the Company's clients for cleaning and janitorial services provided. Account receivables are carried at their estimated collectible amounts. Individual receivable accounts deemed uncollectible are written off against the allowance for uncollectible accounts. Based on the Company's past debt history and the evaluation of collectability of the current accounts receivable, the Company had $20,629 and $47,412 allowance for doubtful accounts as of December 31, 2023 and 2022, respectively.

Revenue Recognition

The Company accounts for its revenue in accordance with Accounting Standards Codification ("ASC") Topic 606: *Revenue from Contracts with Customers ("ASC 606").* ASC 606 provides a single, principles-based five-step model to be applied to all contracts with customers. ASC 606 generally provides for the recognition of revenue in an amount that reflects the consideration to which an entity expects to be entitled, net of allowances for estimated returns, discounts or sales incentives, as well as taxes collected from customers that are remitted to government authorities, when control over the promised goods or services are transferred to the customer.

The majority of the Company's revenue comes from cleaning and janitorial services the company is contracted to perform that are performed by their franchisees at the company's discretion.. The Company contracts directly with all of the customers, establishes the prices for services, collects the fees for services provided, has the ability to use its franchisees or other subcontractors to perform the services and is ultimately responsible for the quality of the services performed. Consequently, the Company has determined it is the principal to the contracts and recognizes the revenue for the services performed. Such revenue is recorded at a point in time when the services are rendered.

The Company also derives revenue from its franchisees for training, and various other fees. Such revenue is recognized at a point in time when the training is performed or when the fees are earned.

The Company has elected to expense incremental costs to obtain new contracts when incurred because the amortization period for these costs is one year or less. Bid, proposal, and selling and marketing costs (including advertising costs), as well as legal costs incurred in connection with the pursuit of new contracts, are not incremental, as the Company would have incurred those costs even if it did not obtain the contract. Such costs are expensed in the period they are incurred.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Advertising and Marketing

The Company incurs advertising and marketing costs to attract and retain customers for its franchisees. Advertising and marketing costs are expensed as incurred and included in general and administrative expenses on the statement of operations. The Company incurred advertising and marketing costs in the amount of $291,151 and $260,720 for the years ended December 31, 2023 and 2022, respectively.

Income Taxes

The Company has elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code for federal and California purposes. Under those provisions the Company does not pay federal corporate income taxes on its taxable income. Instead, the stockholders are liable for individual federal and California income taxes on their respective shares of the Company's taxable income.

The corporation tax law, under Chapter 2 of California law, imposes an income tax on all S-corporations conducting business in the state. The rate of tax for the Company's December 31, 2023 and 2022 years was 1.5%, or $800 minimum.

The Company files income tax returns in the U.S. federal jurisdiction, state of California. The Company's federal income tax returns for tax years 2020 and beyond remain subject to examination by the Internal Revenue Service. The Company's income tax returns for the tax years 2019 and beyond remain subject to examination by the Franchise Tax Board.

Adoption of New Accounting Pronouncements

In June 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-13, Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments, and subsequent amendments to the initial guidance under ASU 2018-19, ASU 2019-04, ASU 2019-05 and ASU 2019-10, which amends the current approach to estimate credit losses on certain financial assets. This ASU requires immediate recognition of management's estimates of current expected credit losses. Under the prior model, losses were recognized only as they were incurred, which FASB has noted delayed recognition of expected losses that might not yet have met the threshold of being probable. The standard is applicable to all financial assets (and net investment in leases) that are not accounted for at fair value through net income, such as trade receivables, loans, debt securities, and net investment in leases, thereby bringing consistency in accounting treatment across different types of financial instruments and requiring consideration of a broader range of variables when forming loss estimates. Subsequent changes in the valuation allowance are recorded in current earnings and reversal of previous losses are permitted. The Company adopted this standard as of January 1, 2023, and it did not have a material impact on the financial statements.

In March 2022, the FASB issued ASU 2022-02, Financial Instruments – Credit Losses (Topic 326): Troubled Debt Restructurings and Vintage Disclosures, which amends the accounting for credit losses on financial instruments. This amendment eliminates the recognition and measurement

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

guidance on troubled debt restructurings for creditors that have adopted the new credit losses guidance in ASC 326 and requires enhanced disclosures about loan modifications for borrowers experiencing financial difficulty. This guidance became effective for the Company on January 1, 2023. This ASU did not have a material impact on the financial statements.

The Company's financial assets are limited to trade receivables and amounts receivable from franchisees. The Company estimates its reserves based on historical loss information. Management believes that historical loss information is a reasonable base on which to determine expected credit losses for trade receivables and amounts receivable from franchisees held at the reporting date because the composition of these assets at the reporting date is consistent with that used in developing the historical credit-loss percentages. However, the Company will continue to monitor and adjust the historical loss rates to reflect the effects of current conditions and forecasted changes.

Recently Issued Accounting Pronouncements Not Yet Adopted

In March 2022, the FASB issued ASU 2022-01, Derivatives and Hedging (Topic 815): Fair Value Hedging – Portfolio Layer Method, which clarifies the guidance in ASC 815 on fair value hedge accounting of interest rate risk for portfolios of financial assets. The ASU amends the guidance in ASU 2017-12 (released on August 28, 2017) that, among other things, established the "last-of-layer" method for making the fair value hedge accounting for these portfolios more accessible. ASU 2022-01 renames that method the "portfolio layer" method and addresses feedback from stakeholders regarding its application. This ASU is effective for the Company beginning January 1, 2024 and is not expected to have a material impact on the financial statements.

In March 2023, the FASB issued ASU No. 2023-01, Leases (Topic 842): Common Control Arrangements. This amendment responds to private company stakeholders' concerns about applying Topic 842 to related party arrangements between entities under common control. The amendment requires entities to determine whether a related party arrangement between entities under common control is a lease, and if classified as a lease, the entity is required to account for the lease on the same basis as an arrangement with an unrelated party. Additionally, the amendment provides guidance for accounting for leasehold improvements associated with common control leases. The amendment is effective for fiscal years beginning after December 15, 2023 with early adoption permitted. This standard is not expected to have a material impact on the Company's financial statements.

In August 2023, the FASB issued ASU 2023-05, Business Combinations—Joint Venture Formations (Subtopic 805-60): Recognition and Initial Measurement, under which an entity that qualifies as either a joint venture or a corporate joint venture as defined in the FASB ASC master glossary is required to apply a new basis of accounting upon the formation of the joint venture. Specifically, the ASU provides that a joint venture or a corporate joint venture (collectively, "joint ventures") must initially measure its assets and liabilities at fair value on the formation date. This ASU is effective for the Company beginning January 1, 2025 and is not expected to have a material impact on the financial statements.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Recently Issued Accounting Pronouncements Not Yet Adopted

In December 2023, the FASB issued ASU 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosures, under which entities must consistently categorize and provide greater disaggregation of information in the rate reconciliation. They must also further disaggregate income taxes paid. ASU 2023-09 enhances annual income tax disclosures to address investor requests for more information about the tax risks and opportunities present in an entity's worldwide operations. This ASU is effective for the Company beginning January 1, 2026 and is not expected to have a material impact on the Company's financial statements.

Reclassifications

Certain reclassifications have been made to the consolidated financial statements for the year ended December 31, 2022 in order to conform to the current year presentation. Such reclassifications have no effect on the previously reported assets and liabilities as of December 31, 2022 or the net loss for the year then ended.

NOTE 3: ACCRUED GUARANTEES

The Company offers a six-month guarantee on all service contracts sold to the franchisees, effective immediately after the sale. If the customer terminates the service contract at no fault of the franchisee within the six-month guaranty period, the Company will pay the franchisee the value of the remaining contract until the six-month period ends. The accrued guaranteed liability was $6,721 and $3,178 at December 31, 2023 and 2022, respectively.

NOTE 4: NOTES PAYABLE AND OTHER RECEIVABLES

The Company currently has six contracts for the financing of various equipment used by the franchisees for the janitorial business. The two stockholders have provided personal guaranties on these financing agreements. The equipment is in the possession of and used by the Company's franchisees, as such, receivables from the franchisees are also recorded on the Company's balance sheet. Monthly payment for these financing agreements is submitted by the Company and reimbursed by the franchisees monthly. Management believes these receivables from the franchisees are fully collectible.

Monthly payments on these financing agreements range from $119 to $463 and terminate on various dates through October 2025. These agreements bear interest at rates ranging between 10.82% and 13.5%.
