Prior Experience

The first L & L Drive-Inn restaurant was opened in 1959 on Liliha Street in Honolulu where the Honolulu Trolley ended its run and looped back into the heart of the downtown area. The restaurant was purchased by Eddie Flores, Jr. ("Flores") and

Johnson Kam ("Kam") in 1976. Flores and Kam incorporated the local fast food concept of plate lunches, usually purchased from independent vendors in mobile lunch wagons and over the years turned the business into a chain operation with multiple fixed locations. In 1991, L & L Franchise, Inc. was formed and the company started to expand L & L Drive-Inn operations through franchised operations in Hawaii.

Flores and Kam attribute their success to a decentralized system of ownership in which each restaurant is a separate legal entity and profit center, run by certain owners in each legal entity. Flores and Kam have recognized hard working and loyal employees by offering them the opportunity to own their own franchises.

Beginning in 1996, L & L experimented with a Chinese fast food restaurant concept called Chopsticks Express. Some of the L & L Drive-Inns in Hawaii have included the Chopsticks Express concept in their operations as well as a Japanese ramen restaurant concept called Tanuki Ramen and a Filipino fast food concept called Flores Filipino Mixed Plate. L & L Franchise, Inc. presently has no plan to incorporate any of these concepts into L & L Hawaiian Barbecue.

In 1999,Flores and Kam formed a California corporation known as Puente Hills L& L, Inc. with Derryck and Elaine Tom to operate an L & L Hawaiian Barbecue restaurant at the Puente Hills Mall in the City of Industry, California. In 2000, a second L & L Hawaii Barbecue location was opened in Huntington Beach, California by Derryck and Elaine Tom under the entity name of Huntington Beach L & L, Inc. Thereafter, additional L & L Hawaiian Barbecue franchise restaurants have opened under the names or service marks of L & L Hawaiian Barbecue, L & L Hawaiian Grill and L & L Drive-Inn. The addresses, telephone numbers and contact persons for each L & L franchisee is listed in Exhibit F to the Franchise Agreement.

The competition for the L & L Hawaiian Barbecue business presently are Asian-American fast food or take out restaurants in shopping malls and strip malls selling multi-choice Asian-American or teriyaki sauce or marinated meat meals. The general market for the food and products to be offered by a franchisee is the low cost, fast food, dine in and takeout market interested in Hawaiian, Asian and ethnic food.

The market for restaurant services is well-established but highly competitive. There are many single location, family-operated barbecue restaurants and numerous regional and national restaurant systems currently operating and/or offering franchises for barbecue style restaurants which feature menu items similar to those offered by L & L Franchise System Restaurants. Additionally, the Restaurants will compete for the dining dollar with the full range of other types of food service operations.

Applicable Regulations

The restaurant industry is heavily regulated. Many of the laws, rules and regulations that apply to business generally have particular applicability to restaurants. All L & L

Franchise System Restaurants must comply with federal, state and local laws applicable to the operation and licensing of a restaurant business, including obtaining all applicable health permits and/or inspections and approvals by municipal, county or state health departments that regulate food service operations. Your L & L Franchise System Restaurant must also meet applicable municipal, county, state and federal building codes and handicap access codes. You should consider these laws and regulations when evaluating your purchase of a franchise.

Generally applicable laws and regulations include tax rules, labor laws, menu labeling laws, business license requirement, laws on construction of business premises, zoning rules, requirements for parking and access, the American with Disabilities Act, federal and state civil rights and anti-discrimination law export control laws pertaining to technology, and laws on storage, preparation, packaging, labeling and sales of food to the public.

Federal and state laws affecting businesses generally include smoking restrictions, public posting of notices regarding health hazards (e.g., tobacco smoke or other carcinogens), fire safety and emergency preparedness laws, use of certain food containers, rules on use, storage and disposal of waste, insecticides and other hazardous materials, environmental laws that may impact the operation of restaurants (Like laws on recycling and regulating the use of certain types of containers and materials potentially harmful to the environment), and standards regarding sanitation, employee health and safety. Some areas have or are considering proposals to regulate indoor air quality. Many places have laws against smoking inside restaurants.

A new trend is state and local laws requiring posting and disclosure of nutritional information at restaurants. The Health Care Reform Bills that became law in March 2010 contain provisions that require disclosure of nutrition and calorie information in chains of more than 20 restaurants.

The U.S. Food and Drug Administration, the U.S. Department of Agricultural and state and local health departments administer and enforce regulations that govern food preparation and service and restaurant sanitary conditions. State and local agencies inspect restaurants to ensure that they comply with these laws and regulations.

The Federal Clean Air Act and various state laws require certain state and local areas to meet national air quality standards limiting emissions of ozone, carbon monoxide and particulate matters, including caps on emissions from commercial food preparation. Some state and local governments have also adopted, or are considering, proposals that would regulate indoor air quality, including the limitation of smoking tobacco products in public places such as restaurants.

The Franchise Offered

We offer the right to operate one L & L Franchise System Restaurant. A copy of the

Franchise Agreement is attached to this Disclosure Document as Exhibit A. In certain items of this Disclosure Document we will refer to specific provisions of the Franchise Agreement.

L & L Franchise System Restaurant customers are the general public, and L & L products are likely to be sold primarily to persons seeking a fresh meal that can be eaten onsite or served at home. Our meals are prepared fresh within our Franchise Restaurants and sold for onsite or take away dining.

We produce and sell advertising and sales promotion materials. We attempt to negotiate group discount rates for the benefit of our franchisees for wholesale supplies, merchandise, and services.

We know of no legal regulations that relate specifically to our industry apart for those that relate to all food-related businesses. Many state and local laws require food service permits for that handling food. Your employees and you may need to pass a test to obtain such permits. There may be laws governing food storage preparation and service, and inspections relating to these laws. There may be laws requiring washrooms and other facilities for customers and employees, and access laws relating to disabled patrons and employees.

Note 1: Fees Generally. All fees are either imposed by or payable to us. All fees are nonrefundable. Franchise operators who became Franchisee operators under earlier versions of franchise agreements were afforded a different initial and/or continuing franchise fee.

Note 2: Continuing Franchise Fee. If any check or draft, electronic or otherwise, is unpaid because of insufficient funds or otherwise, then you must pay our expenses as to non-payment, including bank fees in the amount of at least fifty dollars ($50), hourly staff charges as to this default, and any other related expenses incurred by us. You must pay any sales, use or other taxes on franchise fees and advertising fees imposed by Federal, state local government authorities.

Note 3: Advertising, Marketing and Promotion Contributions. The Advertising Fee is currently one percent (1%) of your Net Sales. Advertising Fee payments are in addition to and exclusive of any sums that you may decide or be required, to spend on local marketing and promotion. We have control over the creative ideas, materials, endorsements, media, placement, and allocation of monies related to use of the Advertising Fee.

The Advertising Fee is used to maintain, administer, direct, prepare, research, develop and review international, national, internet, regional, local marketing and advertising, and e-commerce materials and programs, related expenses (including salaries, accounting, collection, quality assurance, legal and other costs), and any media or agency costs and to cover our related overhead as we deem necessary. At least twenty percent (20%) of the Advertising Fee may be used by Franchisor to cover

Franchisor's administrative expenses. We are under no obligation to administer the Advertising Fee to ensure that expenditures are proportionate to contributions of our franchisees for any given market area or that any franchisee benefits directly or proportionately from the development or placement of advertising. We are not obligated to expend all or any part of the Advertising Fee during any specific time. We have control on how to spend the Advertising Fees, and have no fiduciary duty with regard to the Advertising and Development Fund. See item 11 for information on how advertising contributions are used.

Note 4: Transfer of Business. If you want to sell your L & L Franchise System Restaurant by asset sale or if you want to sell, assign, transfer, convey or give away any direct or indirect interest in the Franchise Agreement or in the franchisee corporation, partnership or limited liability company, you must first give us a right of first refusal at the same price offered by any bona fide buyer. There is a nonrefundable transfer fee of $7,500.00. Any new franchisee, stockholder or assignee is subject to our approval. Before our approval, you must deliver all essential information, including, copies of franchise agreements, leases, subleases, default letters, operation reports and other material information, to the proposed transferee, receipt of which must be confirmed in writing. In connection with any sale, transfer, assignment or conveyance of interests in a franchise restaurant where management or control is changed, you must provide to any transferee or assignee training, consultation and assistance for a minimum period of six (6) weeks to facilitate the transition of ownership and control.

Note 5: Additional Training. You may also request, or we may recommend or require, additional training on an as needed basis. If you request or we recommend additional training, it will be in Honolulu or another location we designate. We may require you to attend additional training if when and where scheduled by us. We do not charge you fees for additional training, but you must pay for your travel and living expenses during training and any associated wages and compensation for your persons being trained. The cost will depend on the distance you must travel and accommodations. In the event there is a non-sale management transfer, there will be a fee payable to L & L to cover our training expenses. In the event that you have or accomplish a transfer of management responsibility to a person who has not undergone the Franchisor's training, we may require such person to undergo training by us for which you must pay us the training fee of twenty-five hundred dollars ($2,500.00).

Note 6: Audit. If any audit or investigation reveals an under-reporting or under-recording error of two percent (2%) or more, then in addition to any other sums due, the costs and expenses of the audit/inspection must be paid by you upon billing by us, plus interest at the rate of fifteen percent (15%) per annum or the highest rate authorized by the State in which your L & L Franchise System Restaurant is located, but not to exceed the rate of fifteen percent (15%) per annum.

Note 7: Software Maintenance. The fees are currently paid to a third-party vendor. We have entered into an agreement with our point of sales vendor in which we obtained

a bulk pricing discount to purchase perpetual point of sale software licenses and special pricing for help desk, software maintenance, hosting and other services. Prior to installation of the point of sale system, you must sign an agreement with third party vendor.

Note 8: Miscellaneous Expenses. You will also have other miscellaneous expenses involved in establishing a business. These expenses vary greatly, and we have estimated a minimum of ten thousand dollars ($10,000) and up to twenty thousand dollars ($20,000). They may include attorney fees, license fees, deposits, sales tax bonds (where required), recruiting expense, employee wages, and supply expenses. You will pay your own legal and other expense in connection with the review and negotiation of you lease. You must pay all taxes required by local, state or federal laws related to the services furnished or used in connection with the operation of L & L Franchise System Restaurant. You must obtain all permits, certificates or licenses necessary for the full and proper conduct of the L & L Franchise System Restaurant. We also recommend that you have direct access to a minimum of ten thousand dollars ($10,000) for working capital during the first three (3) months of operation. This row estimates your initial three-month start-up expenses, less any revenue earned by you. This row does not include any salary or reimbursement of personal expenses paid to you.

We may audit your books, business records, sales reports, financial statements, and tax returns at any time. You must bear the cost of providing copies of your books, records and documents to us or our representatives. Except for the cost of providing copies, the audits will be conducted at our expense, unless it is determined that you have understated your sales by more than two percent (2%) of the Net Sales for any reported period or periods. If you underreport Net Sales by more than two percent (2%) you must pay us for unpaid Royalty Fee and Advertising Fee payments, including accrued interest at the rate of eighteen percent (18%) per annum and you must also reimburse us for audit costs, including the charges of any independent account, as well as the travel expenses, room, board, and compensation of our employees incurred in connection with the audit.

Note 9: Design Review Fee. The layout and design of your L & L Franchise System Restaurant to be prepared by your local licensed and authorized architect or designer must be consistent with layout and design requirements in the L & L's Standard Design Guidelines and is subject to the review and approval of the Franchisor. You may be required to have your design and layout reviewed and approved by our designated architect Gary Wang & Associates, Inc., 1000 Corporate Center Drive, Suite 550, Monterey Park, California 91754 and pay to Gary Wang & Associates, Inc. the sum of up to five thousand dollars ($5,000) for such architectural review. TOTAL ESTIMATED INITIAL INVESTMENT FOR L & L RESTAURANT (see note 10)	$133,700 to $535,000				

Note 1: Construction Cost. To convert a leased premise into an L & L Franchise System Restaurant, you must renovate the approved premises according to our Operations Manual. The estimated renovation costs for a L & L Franchise System Restaurant inclusive of the design and layout review fees payable to Franchisor or Franchisor's reviewing architect may be as high as three hundred thousand dollars ($300,000), exclusive of equipment and land costs. You must pay for these construction and renovation costs directly to a construction company that you hire. These costs may be greater if unusual renovation conditions exist.

Note 2: Inventory. The initial inventory for each L & L Franchise System Restaurant includes meats, raw materials, dry goods, condiments, brand and non-branded products, grocery items, paper goods, and other miscellaneous items.

Note 3: Rent Under Lease Arrangement. A typical L & L Franchise System Restaurant arrange from 750 to 1,500 square feet store, but the store may vary from 500 to 2,500 square feet. Your rent for the store lease will vary depending on square footage, geographic location, type of store location (mall, food court or free-standing building) and various other factors. The terms of the lease shall be as arranged or negotiated by you and the landlord and may include an obligation to pay rents based on a percentage of gross sales. In addition, the landlord may require you, or if you are a corporate or limited liability company franchise, your controlling stockholders or members, to personally guarantee the lease.

Note 4: Uniforms. The initial uniform expense is for the uniforms for you and your employees. If the type of uniform you use is removed from the list of approved uniforms, you have 60 days from receipt of written notice of such removal to discontinue use of the existing uniforms and implement the approved type uniform.

Note 5: Insurance deposits. The lease you enter into may require that you to provide certain insurance for liability, fire for contents, and worker's compensation. These are matters of negotiation between you and the landlord. Insurance premiums are paid to either your insurance broker or insurance company issuing the insurance policy. These premiums are generally refundable to the extent that coverage has not yet expired.

Note 6: Utility Deposits. We estimate that you will need to provide deposits for utilities. The amounts of these deposits will vary depending on the policy of the utility companies, and whether any utility impact or hook-up fees are required.

Note 7: Professional Fees. You will need to hire an attorney, an accountant and other consultants to assist you in establishing your business. If you do not employ an attorney, you may be bound by the terms and conditions that you do not understand. You should employ an attorney to protect yourself as well as an accountant and other consultants to advise you.

Note 8: Travel and living expenses during training. For your initial training, we provide a training location, instructors and instructional material, and you pay for transportation, lodging and food for yourself, trainee, and/or your manager and any associated wages and compensation of the persons being trained. The cost will depend on the distance you must travel and the type of accommodations you choose.

Note 9: Additional Funds. You will need capital to support on-going expenses such as payroll and utilities to the extent that these costs are not covered by sales revenue. New businesses often generate negative cash flow. The amount estimated should be sufficient to cover on-going expenses during the start-up phase of the business, which we assume to be 3 months. This is only an estimate however, and there is no assurance that additional working capital will not be necessary during or after this start-up phase.

You will also have other miscellaneous expenses involved in establishing a business. These expenses vary greatly, and may include attorney fees, license fees, deposits, sales tax bonds (where required), recruiting expenses, employee wages, and supply expenses. You will pay your own legal and other expenses in connection with the review and negotiation of your lease. You must pay all taxes required by local, state or federal laws related to the services furnished or used in connection with the operation of a L & L Franchise System Restaurant. You must obtain all permits, certificates or licenses necessary for the full and proper conduct of the L & L Franchise System Restaurant.

These figures represent our estimates based upon our experience and the experience of our franchisees. We do not guarantee that you will not have additional and different expenses than those we have identified in this table. Your actual costs will depend upon many factors, including, how well you follow our directions and suggestions, your business skill and experience, local economic conditions, the local market for your products, the location and condition of your L & L Franchise System Restaurant, the prevailing wage rates, competition and your sales levels during the initial period. You should review the figures carefully with a business advisor before making any decision to purchase the L & L Franchise System Restaurant or make any expenditures.

You should understand that entry into any business venture necessarily involves some unavoidable risk of loss or failure and that the purchase of a Franchise System Restaurant is a speculative investment. Unforeseen circumstances or expenses may require significant investment beyond that outlined in this Disclosure Document and may be required to succeed. There is no guaranty against possible loss or failure and the most important factors in the success of a Franchise System Restaurant are your business, marketing, administrative, judgment, operational and other skills.

Any fees paid to us are not refundable except as otherwise specifically noted herein. Amounts paid to any third parties may be refundable, depending upon the contracts between them and you.

We do not finance any of these initial expenses. The availability and terms of financing will depend on various factors including the availability of financing generally, you credit worthiness, security available to you, lending institution policies concerning the type of business to be operated by you, and other comparable elements.

Note 10: There could be other factors not listed that may affect your initial investment. If your expenses exceed the high amounts in one (1) or more categories your total investment could exceed the high estimate. These estimates do not provide for costs of financing. We have relied on our executives' years of franchising experience, primarily in Hawaii, in preparing these figures. You should contact our franchisees listed in Exhibit "F" and review these figures carefully with a business advisor before making any decision to purchase the franchise.

Note 11: All fees and expenses paid to and/or imposed by Franchisor are non-refundable except as otherwise specifically noted herein.

ITEM 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Therefore, you will at all times dispense, serve, sell or offer for sale to the public only articles, foods and other products that meet the specifications and standards that we periodically designate in writing. You are required to obtain all food products from us or our affiliates or sources we approve and according to our specifications.

We will lend to you a copy of the L & L Operations Manual ("Operations Manual"). Periodically, we may reasonably amend the Operations Manual, including changes that may affect minimum requirements for your franchise operations. You will strictly follow the requirements of the Operations Manual, including amendments we make to it periodically. You will carry out immediately all changes at your cost, unless we otherwise specify, and we do not limit or cap these expenses in any way. We may designate your business format and sales and distribution guidelines, as specified periodically in the Operations Manual. The Operations Manual is confidential and our exclusive property.

The Operations Manual may contain lists of approved sources, suppliers, recipes, menu requirements specification, standards, operating procedures, accounting and bookkeeping methods, marketing ideas, artwork, distribution techniques, advertising layouts, product specifications, operation requirements, public relations guidelines and

other rules that we may prescribe. As of the issuance date of this Disclosure Document, neither we nor an affiliate is an approved supplier of any required items.

With advance written notice, you may request our approval to obtain products, equipment, supplies or materials from sources that we have not previously approved. We may require you to give us sufficient information, photographs, drawings, samples, and other data to allow us to determine whether the items from these other sources meet our specifications and standards, as established periodically. These specifications and standards will relate to quality, taste, durability, value, cleanliness, texture, composition, strength, finish and appearance, and the supplier's capacity and facility to supply your needs in the quantities, at the times, and with the reliability necessary for efficient operation, as well as volume commitments we may have entered into with specific suppliers. We may require that samples from any supplier be delivered to a designated independent laboratory for testing before approval and use. You will reimburse us for the actual cost of the tests. We may license any supplier that can meet our requirements and standards, for a reasonable license fee. Our confidential specifications, recipes, requirements, designs, system and formulas will be revealed to potential suppliers only after we have received reasonable evidence that the proposed supplier is trustworthy, competent, and reputable; has the capacity to consistently follow our standards, requirements and testing procedures; will maintain the confidentiality of the designs, systems and formulas; and will adequately supply your reasonable needs. We will notify you in writing of the approval or disapproval of any supplier you propose. We will complete our product review and approval process within sixty (60) to ninety (90) days after we receive all required information about the product or supplier being considered.

We or our agents may inspect any proposed or approved manufacturer's, contractor's supplier's or distributor's facilities and products. If we find from any inspection that a manufacturer, contractor, supplier or distributor fails to meet our standards, we may disapprove the manufacturer, contractor supplier or distributor.

There are no suppliers in which one of our officers owns a material interest. Except as provided below, neither we nor our affiliates currently sell or lease any inventory, materials or supplier to our franchisees

We may require you to participate in a restaurant value card, gift card or gift certificate program, apply with the applicable government entity to accept electronic benefit transfer cards or food stamps and to accept credit and debit cards.

We may negotiate purchase arrangements with approved suppliers for the benefit of our franchisees. We do not provide material benefits, such as renewing or granting additional franchises to franchisees, based on their use of approved suppliers or purchases of particular products or services.

You may be required to purchase other goods (such as lettuce, tomatoes), supplies (such as cleaning products), inventory and services (such as Internet services), and all point of sale (POS) computer hardware and software, only if they meet our specifications. At times, vendors, suppliers, manufacturers and distributors pay or offer rebates, incentives and payments (sometimes called by other terms such as flex fund, marketing fund, etc.) relating to sales of goods, supplies, inventory services, computer hardware and software to the several or many L & L Franchise System Restaurant in a geographical or territorial market. The rebates, incentives and payments are based upon formulas and policies which can change but often they are based on a percentage paid based upon volume or quantity of purchases. All rebates, incentives and payments, however denominated, shall accrue and be payable for the benefit of us and shall not be shared or distributed to you.

L & L Franchise, Inc. is an approved supplier and franchisees may purchase from L & L Franchise, Inc. advertising, promotional and logo items such as hats, t-shirts, uniforms, pictures, surfboards, tip jars, posters and similar items.

Equipment, Fixtures and Signs

You must purchase and install, at your expense, all equipment (including point-of-sale ("POS") recording systems and computer software) fixtures, furnishings, decor, and signs from approved suppliers. You must not install or permit to be installed at your L & L Franchise System Restaurant, without our written consent, any equipment, fixtures, furnishings, decor, signs or other items not previously approved by Franchisor in writing as meeting our specifications. You may purchase these items from approved suppliers or from any other supplier that can provide items previously approved as meeting our specifications. In some situations, certain comparable brands of equipment may be acceptable, subject to our written approval. Article 22, Section 22.2 of the Franchise Agreement provides for a forty-five (45) day time period for approvals.

From time to time, Operator's System Restaurant may need a cosmetic improvement or equipment change or addition in order to comply with the Manuals and/or to maintain proper operations and an aesthetic or refreshed appearance and professional image. Accordingly, Franchisor may require remodeling and renovation, and modifications to existing equipment and improvements as is reasonably necessary. Franchisor shall not require any such work at a particular System Restaurant less than three (3) years after the opening of the System Restaurant except: (1) for additional equipment if new food preparation methods or products are developed and authorized by Franchisor; (2) if repairs or repainting are necessary to maintain the appearance of the interior and exterior of the Location in a clean and orderly condition satisfactory to Franchisor; or (3) upon the sale of the Operator's System Restaurant. Within ninety (90) days after receipt of written notice, Operator shall fully implement and complete such changes to its System Restaurant operating under this Agreement.

Goods, Supplies, Inventory and Services, and Computer Hardware and Software

We negotiate purchase arrangements with distributors and manufacturers, including price terms, for the benefit of franchisees and the entire L & L Franchise System. You must purchase food products, goods, and certain supplies (such as printed paper goods), inventory and services (including the POS system software support) and non-cash payment suppliers for your L & L Franchise System Restaurant only from our approved suppliers (See Exhibit "G"). Procedures for approval of other suppliers and manufacturers are described in the franchise agreement. (See section 8.2.2 and 8.3.2 of the Franchise Agreement). Under those provisions, the proposed distributor or manufacturer must pay to Franchisor all of the reasonable costs related to Franchisor's review and inspection costs. You must purchase other goods (such as lettuce, tomatoes), supplies (such as cleaning products), inventory and services (such as Internet services), and all computer hardware and software, only if they meet our specifications. At times, vendors, suppliers, manufacturers and distributors pay or offer rebates, incentives and payments (sometimes called by other terms such as flex fund, marketing fund, etc.) relating to sales of goods, supplies, inventory services, computer hardware and software to the several or many L & L Franchise System Restaurants in a geographical or territorial market. All rebates, incentives and payments, however denominated, shall accrue and be payable for the benefit of us and shall not be shared or distributed to you.

These rebates, incentives and payments are based upon formulas and policies which can change but often they are based on a percentage paid based upon volume or quantity of purchases. For example, L & L Franchise, Inc. receives from Pepsi Cola rebates, incentives and payments such as Flex Fund Allowance, Marketing Fund Program, and Growth Incentive Program. In 2018, L & L Franchise, Inc. received approximately. $23,300.00 from Love's Bakery, $26,300.00 from Yamasa, $8,400.00 from Hosoda Bros., Inc., $20,500.00 from J.R. Simplot, $3,000.00 from Cherry Co., and $542,000.00 in Pepsi Cola rebates, incentives and payments. All such payments go directly to L & L Franchise, Inc. and are retained by us for our use at our sole discretion. For the fiscal year ending 12/31/2018, such rebates, incentives and payments constituted approximately 12% of L & L Franchise, Inc.'s total revenue.

L & L Franchise, Inc. is an approved supplier of and franchisees may purchase from L & L Franchise, Inc. advertising, promotional and logo items such as hats, t-shirts, uniforms, pictures, surfboards, tip jars, posters and similar items.

Required and Approved Suppliers

The maintenance of uniformity of taste, quality and consistency is important to the Franchisor and Franchisees. For that reason, certain items of supplies, raw materials and food products must be purchased from approved distributors. The following items must be purchased from approved distributors we designate and are not subject to alternate distributors.

(1) All branded products that bear the L & L service mark or trademark. You must purchase, display and sell all branded products we authorize for sale.

(2) We have entered into an agreement with Pepsi Cola Company to be the only approved fountain service beverage supplier to the L & L Franchise System Restaurant. You must use Pepsi Cola fountain service products we authorize and no other beverages unless we approve them in writing. You must also purchase branded cups bearing the L & L logo only through L & L's approved cup distributor and no other unless we approve such other distributor in writing. L & L reserves the right to change approved distributors from time to time.

(3) If we establish regional or national purchasing programs for any raw material which may benefit you by food consistency and uniformity, reduced price, lower labor costs, production of improved authorized products, increased reliability in supply, improved distribution, raw material cost control, improved operations or other tangible means, you must participate in the programs. Presently, in addition to Pepsi Cola fountain service products, you must use Keoki's (lau lau), J.R. Simplot (French fries), Best Foods/Hellmann's (mayonnaise), Hormel (canned or processed meat products), Unilever's Caldo de Pollo (chicken broth), Cargill Foods (readymade hamburger patties), Hunt's (ketchup, tomato puree, condiments), McCormick (spices, extracts, food colors), Sun Noodle (ramen style noodles and soup base), Costa Pasta (elbow macaroni), Yamasa (soy sauce), Hawaiian Sun (Hawaiian juice drinks), Diamond G (rice), Elkay Plastic (L & L t-shirt logo bags) Graphic Packaging International (L & L logo cups), Senba (marinates), Certi-Fresh (breaded shrimps and mahi mahi fish), Upper Crust Enterprises (panko breadcrumbs), and Bank of America (L&L gift cards and merchant services) and Clover/Bypass Point of Sales System. L & L reserves the right to change such approved distributors from time to time.

L & L Franchise, Inc. estimates that supplies, raw materials and products required to be purchased from approved suppliers comprise approximately 60% of all supplies, raw materials and products purchased by a Franchisee.

A Franchisee's use of designated or approved suppliers is a condition of the franchise agreement which benefits all franchisees and the Franchisor through the maintenance of standardized product quality and customer satisfaction.

L & L Franchise, Inc. does not own any material interest in any supplier. The Franchisor nor its affiliates do not derive any revenue or other material consideration from the required purchase or leases. Except for the rebates, incentives and payments discussed above.

Approval of Alternative Suppliers

We only approve authorized distributors who demonstrate to our continuing reasonable satisfaction of the followings: (1) ability to meet our then-current specifications; (2) who possesses adequate quality controls and capacity to supply your and all other L & L franchisees' needs promptly and reliably; (3) who demonstrate the ability and willingness to work with us to provide the assistance needed by the franchisees in the region of distribution; (4) who agree to distribute all authorized L & L products; and (5) who comply with our reasonable requirements. (A 45-day approval period is provided in section 22.2 of the Franchise Agreement).

If you want to purchase any items from an unapproved distributor, you must first submit a written request for approval to us. Please send your request to L & L Franchise, Inc. 931 University Avenue, Suite 202, Honolulu, Hawaii 96826 accompanied by a similar written request for approval from the proposed distributor. We have no written approval criteria. We reserve the right at our option and at the sole expense of the distributor paid in advance to inspect, evaluate and test the facilities, equipment, and raw materials of any distributor, at any time, and to revoke our approval if the distributor fails to continue to meet any of our criteria. We are not required to approve any distributor.

From time to time, Operator's System Restaurant may need a cosmetic improvement or equipment change or addition in order to comply with the Manuals and/or to maintain proper operations and an aesthetic or refreshed appearance and professional image. Accordingly, Franchisor may require remodeling and renovation, and modifications to existing equipment and improvements as is reasonably necessary. Franchisor shall not require any such work at a particular System Restaurant less than three (3) years after the opening of the System Restaurant except: (1) for additional equipment if new food preparation methods or products are developed and authorized by Franchisor; (2) if repairs or repainting are necessary to maintain the appearance of the interior and exterior of the Location in a clean and orderly condition satisfactory to Franchisor; or (3) upon the sale of the Operator's System Restaurant. 2. We will administer the advertising, marketing, promotion and convention programs. We will aggregate advertising contributions at times until sufficient revenues are accumulated to begin or complete advertising or marketing, promotion and convention programs. Any modifications of, amendments of or change in your franchise agreement must be reflected in a written document executed by you and our authorized officers. No verbal agreement or course of conduct will be considered to be an amendment or modification of the franchise agreement whether by common case, statutory or any other theory of law or practice. Any obligation imposed on us by the franchise agreement may,

as we specify in writing, be performed by any of our designees, employees or other authorized entities.

Advertising

1. No design, advertisement, sign or form of publicity, including form, color, number, location and size, may be used by you unless the proposed advertisement has first been submitted to us and approved in writing by us (except prices). You must send your written request for approval to Marketing Department, and we will respond within thirty (30) days of receipt of your request. You may use advertising we have supplied or promotional items we have approved, without obtaining further approval for use. On written notice from us, you must discontinue and/or remove any objectionable advertising materials.

2. The Franchise Agreement requires each franchisee to pay a portion of their gross sales for an advertising, marketing and promotion contribution. Franchisees in different states, regions or countries pay different amounts or rates toward an advertising, marketing and promotion contribution. Presently, L & L Drive-Inn franchisees in Hawaii pay a flat monthly amount of $295.00 (subject to periodic increase). In California, Alaska, Arizona, Colorado, Nevada, New York, Oregon, Tennessee, Texas, Utah, and Washington, L & L Hawaiian Barbecue franchisees pay 1% or 2% of their gross sales toward an advertising, marketing and promotion contribution. L & L Franchise System Franchisees other than you may not pay at the same percentage contribution rate. Contributions from franchisees are segregated into advertising, marketing and promotion funds for different states, regions or countries as follows:

    (1) Arizona
    (2) California: Los Angeles, Sacramento, San Diego, Bay Area, San Joaquin, San Jose
    (3) Colorado
    (4) Hawaii
    (5) Nevada: Las Vegas, Reno
    (6) New York
    (7) Oregon
    (8) Texas
    (9) Utah
    (10) Washington
    (11) Tennessee
    (12) North Carolina
    (13) Japan

    As provided in item 6, you must pay two percent (1%) of your gross sales to us as advertising, marketing and promotion contributions, which funds will be expended by us in our discretion and deposited into a separate advertising

account we control (with other advertising collections). We may authorize expenditure for the cost or purchase of media time or space, producing media materials (whether they be for radio, television, newspapers, or store-level materials like flyers, posters, etc.) and paying for administrative, advertising, planning, marketing, promotion of or by our own advertising personnel, and/or for third party agencies or consultants and for our use to organize and conduct periodic meetings or conventions on a regional or system-wide basis (including the payment, in whole or in part of transportation and/or lodging costs of the Franchisor's staff and representatives and Franchisee representatives). At least twenty percent (20%) of the advertising, marketing and promotional contributions may be used by us to cover our administrative expenses. Advertising, promotion or marketing may be on television, radio, Internet, newspaper, magazines, direct mail, flyers, posters, brochures, coupons or similar media. The coverage of the media may be local, regional or national. We may prepare advertisements, marketing and promotional material and publicity in-house or may use regional or national advertising agencies to prepare the materials.

We are not obligated to contribute any amount to any national or local advertising funds or programs. There shall be no requirements that we must spend any amount of advertising, in any particular area or territory where your purchase is located. We may use the Advertising Fee to maintain, administer, direct, prepare, and review national, regional, or local advertising materials and programs, including point-of-purchase programs, as we deem proper. We are under no obligation to administer the Advertising Fee to ensure that expenditures are proportionate to contributions of franchisees for any given market area or that any franchise benefits directly or proportionately from the development or placement of advertising. We will not be obligated to expend all or any part of the Advertise Fees we receive during any specific period. We control how to spend the Advertising Fee, and have no fiduciary duty with regard to the Advertising Fund. The use and expenditure of the advertising contribution shall be at our sole discretion. If any part of the advertising contribution is not spent in the fiscal year in which advertising contribution accrues, we may utilize the advertising contribution in any other fiscal year in our sole discretion. You will not receive any periodic accounting of how advertising contributions are spent. No part of the advertising contributions is to be used for advertising that is principally a solicitation for the sale of franchises.

We will prepare unaudited annual statements showing how advertising contributions have been expended. These statements will be given to you on written request.

At our sole discretion, the advertising, marketing and promotion contributions may be used toward expenses of planning and conducting periodic L & L conferences and/or meetings of the Franchisor and groups or all of the Franchisee. We will not use advertising contributions, or any associated interest

earnings, for advertising or marketing that principally solicits the sale of franchises. We reserve the right to add tag lines to advertising or marketing indicating that franchises are available and giving contact information. We are not required to spend any amount of the advertising contributions on advertising or promotions in your area. Other than reimbursement for reasonable costs and overhead incurred in administering and expending the advertising contributions, neither we nor any affiliate will receive any payment for providing services or products related to these activities. If any contributions, including any associated interest earnings, are not spent in the fiscal year in which they accrue, they will be kept for use in later years.

You will use the advertising materials that we provide or approve. You may not embark upon advertising in any media without our written approval of the media. We may choose to direct or control use of social media sites and other forms of electronic communication.

We may provide other supervisions, assistance, or services, although the Franchise Agreement or other related agreements do not bind us to do so. These may include advertising materials, literature, additional assistance in training, secret shopper programs, promotional materials, bulletins on new food products, merchandise, and new sales and marketing developments, techniques, frequency of purchase programs, point-of-purchase materials, gift cards or certificates and loyal customer programs.

Marketing

During our last fiscal year (2018), the advertising fund was spent on production (12%), marketing (65%), administrative expenses (20%), other (3%).

Selection of Location

If, at the time the franchise agreement is signed, you have not located, and we have not approved, a site for your L & L Franchise System Restaurant, you must locate a suitable site, subject to our approval. You must submit to us, in the form we specify, a completed site review form, and any other information or materials we reasonably require. We have thirty (30) days, or any longer time that is required after we receive the information and materials from you to approve or disapprove the site for your L & L Franchise System Restaurant. We will approve or disapprove the site after an analysis of the site, taking into consideration the proposed rental, population mixture, geographic area, including vehicular traffic, business and industry, climate and applicable business hours, and any other facet of particular location that would affect the possibilities of success or failure. You must make the final decision on acceptance or rejection of any site, and this acceptance or rejection is your business risk. The franchise agreement will remain in effect until you locate an acceptable site for your L & L Franchise System Restaurant. The franchise agreement will, however, remain valid and may be

transferred with our prior written consent to another location owned by you. In the event that you have not commenced operations of a L & L Franchise System Restaurant at a site acceptable to you and approved by us within twenty-four (24) months from the time the Franchise Agreement is signed, any and all of your rights to open and operate a L & L Franchise System Restaurant shall expire. In such event, the Franchisor may retain part or all of the initial thirty thousand dollars ($30,000.00) franchise free in its sole discretion. All of the Franchisor's rights under the Franchise Agreement, and Confidential Information Agreement, and Guarantys including but not limited to Article 4 (Confidential Manuals), Article 10 (Covenant regarding other business interests) and Article 11 (Interference with Employment Relations) shall remain binding upon you and all guarantors.

Opening the Franchise Business

We estimate that a typical length of time between the signing the franchise agreement and the opening of a L & L Franchise System Restaurant will be four (4) to ten (10) months after you find and obtain an approved site. The procurement of an approved site cannot be estimated, as the time period can vary due to particular financial or real estate needs, and the availability of suitable sites in the desired market negotiate and obtain a lease, obtain and building plan and issuance of the necessary licenses from local governmental authorities. This time may change due to various reasons, zoning and local ordinances, contractor performance, architect or engineering issues, weather conditions, shortages, or delayed installation of equipment, fixtures or signs. You must commence operations of your L & L Franchise System Restaurant within twelve (12) months after signing a lease of site location approval by L & L Corporate Office and no later than thirty (30) days following substantial completion of the renovation and equipment installation at your approved location. You may not open your L & L Franchise System Restaurant until; (1) we approve the restaurant as developed according to our specifications and design; (2) pre-opening training has been completed to our satisfaction; (3) the initial franchise fee and all other amounts then due to us have been paid; and (4) you have provided to us copies of all required insurance policies, or such other evidence of insurance coverage and payment of premiums as we request. You must give us ten (10) days written notice prior to commencing operations. Your continuing franchise fee and advertising payments will begin when your L & L Franchise System Restaurant opens.

Our Training Programs

Before opening of your L & L Franchise System Restaurant, you or your manager must attend and complete to our satisfaction, our initial training program for franchisees. Training must be completed at least one (1) month before opening. You must pay for your employees' wages, compensation, travel and living expenses during the training program but will not be charged any tuition for the training program. We will attempt to schedule the training so as not to inconvenience you. However, the availability of the

training instructors and the schedule of the L & L training program will control. The initial training program is currently scheduled as needed.

Our Franchisor manager in charge of training is Bryan P. Andaya. matters and oversees all aspects of the daily operations of the franchise including development, franchise retention, human resources, purchasing, compliance, and training.

The initial training program may involve up to four (4) weeks of classroom instruction and on-the-job training at our corporate office in Honolulu, Hawaii and a L & L Franchise System Restaurant in Honolulu, Hawaii or in another area we designate. At our sole discretion, we may waive or shorten the initial training requirement if you have over two (2) years of cooking experience. The initial training program is also mandatory if there is an ownership change of twenty percent (20%) or more of the ownership interest in your L & L Franchise System Restaurant. You may request or we may recommend or require, additional training. If you request or we recommend additional training, it will be in Honolulu or in another location we designate, when scheduled by us. We may require you to attend additional training if, when and where scheduled by us. We do not charge you fees for additional training, but you must pay for your and your employees' travel and living expenses during training. The cost will depend on the distance you must travel and the accommodations you choose.

The Franchise Agreement grants you the right to use certain of the Franchisor's Marks only in the manner authorized by the Franchisor and only for the operation of the restaurant authorized by the Franchise Agreement.

You may only use those trademarks/service marks and other trademarks/service mark filings and application made by us as may be authorized and approved by our written approval. We intend to file renewal applications, when appropriate, for our registered trademarks. There are no agreements currently in effect that significantly limit our rights to use or license the use of the trademarks/service marks that are material to the franchise.

You must promptly notify us of any suspected use of the trademarks or service marks, any challenge to the validity of the trademarks or service marks, any challenge to the ownership of our right to use and to license others to use, or your right to use the trademarks or service marks. We have the sole right to control any administrative proceeding or litigation involving the trademarks or service marks, including any settlement. We have the right, but not the obligation to take action against third parties' uses that may be an infringement of the trademarks or service marks. We are not obligated by franchise agreement or otherwise, to protect your rights to use the trademarks, service marks, etc. or to protect you against claims of infringement or unfair competition of the trademarks.

Except for the following case, there have not been any determinations made by the US Patent & Trademark Office, the trademark administrator of this state, or any court, nor is there any pending interference, opposition, or cancellation proceeding, or pending material litigation involving the trademarks/service marks that are relevant to their use in this state or in any other state.

In August 2006, Newco Hawaiian Barbecue Franchise, Inc., a California corporation, filed an opposition proceeding with the Trademark Trial and Appeal Board, a tribunal within the U.S. Patent and Trademark Office, seeking to prevent L & L Franchise, Inc. from obtaining a federal registration for the word mark HAWAIIAN BARBECUE for restaurant services. That proceeding was designated Opposition No. 91174103. The Newco oppositions were settled with Newco giving up all their "Hawaiian Barbecue" applications.

In May 2008, L & L Franchise, Inc. filed an opposition proceeding with the Trademark Trial and Appeal Board, a tribunal within the U.S. Patent and Trademark Office, seeking to prevent Golden Pyramid, Inc., a California corporation, from obtaining a federal service mark registration for the mark AHU'S HAWAIIAN BBQ and Design. Golden Pyramid, Inc. answered and counterclaimed against L & L Franchise, Inc. seeking to cancel three of L & L's Hawaiian Barbecue trademark registrations. The parties reached an agreement for the resolution of the dispute and in May 2010 the action was dismissed with prejudice. None of L & L Franchise, Inc.'s trademark registrations were cancelled as a result of the action. The action was not based upon, and does not involve, a franchise or franchise relationship.

You must follow our rules when you use any of our trademarks or service marks. You cannot use any of our trademarks or service marks as part of a corporate or entity name or with modifying words, designs, or symbols except as may be expressly authorized in writing.

The service mark and trademarks may only be used in the operation of a L & L Franchise System Restaurant selling L & L Franchise System Restaurant authorized products. Each L & L Franchise System Restaurant franchisee may sell only those products authorized in the franchise agreement and operations manual, or as we otherwise approve in writing. Upon termination or expiration of the Franchise Agreement, your right to use our trademark ends. Thereafter, you must not identify yourself, or any business entity that you are associated with, as a former L & L franchisee or use any of our confidential information or trade secrets.

No agreements limit our right to use or license the use of any of our trademarks or service marks.

You must notify or discontinue the use of a trademark if we modify or discontinue it, and you must pay for the cost of compliance with any modification or discontinuation.

We do not know of any superior prior rights to use or infringing uses of the L & L Franchise System Restaurant trademarks that would materially affect your use of the trademarks in this state.

We claim common law rights to the Marks and any other marks used by us in the United States and our domain names and trade dress.

The Marks are our sole and exclusive property. You must follow our rules, which are in the Franchise Agreement and the Operations Manuals, when you use these Marks. You must notify us immediately of any claim, demand or suit involving your use of the Marks, and of any unauthorized or improper use or infringement of our rights related to the Marks. We will decide to take action or not take action, as we deem appropriate. You may not use the Marks in any manner that we have not authorized in writing. You may not use or give others permission to use the Marks, or any colorable imitation of them, combined with any other words or phrases. You may not sublicense the Marks. You may not use our Marks as part of your business name or on the internet. You may not market or have a site on the internet, except at our Web site.

All goodwill associated with the Mark, including any goodwill that might be deemed to have arisen through your activities, will accrue directly and exclusively to our benefit.

We retain the right to change or modify any part of the Marks periodically. You will accept, use, and protect, for the purposes of your franchise, all changes and modification as if they were a part of the Marks at the time the Franchise Agreement is executed. You will bear all costs and expenses that may be reasonably necessary

because of these changes or modifications. Under no circumstances will we be liable to you for any damages, costs, losses, or detriments related to these changes or modifications.

The manual may be provided to you on USB drive and you must print hard copies if you do not intend to use a computer to read the manual.

You must not, during or after the term of the franchise agreement, communicate, divulge, or use for the benefit of any other person, partnership, association or corporation any confidential information, knowledge, or know-how on the methods of operation of L & L Franchise System Restaurants. You may divulge this confidential information only to those of your employees who must have access to it to operate your L & L Franchise System Restaurant. All information, knowledge, know-how, techniques, and other data that we designate as confidential will be confidential for purposes of the franchise agreement.

At our request, you must require your officers, manager and any other personnel having access to any of our confidential information to sign covenants that they will maintain the confidentiality of information they receive for their employment with you. The covenants must be in a form we approve, including our identification as a third-party beneficiary of the covenants with the independent right to enforce them.

There are no currently effective determinations of the United States Copyright Office, the copyright administrator of this state or any court, nor is there any pending interference, opposition or cancellation proceeding, nor any pending material litigation involving our copyrighted material that is relevant to their use in this state or in any other state. There are no decided infringement, cancellation or opposition proceedings in which we unsuccessfully fought to prevent registration of someone else's copyright in order to protect our copyrighted materials.

There are no agreements currently in effect that significantly limit our right to use or license the use of our copyrighted materials in any manner material to the franchise.

We do not know of any superior prior rights to use or infringing uses of our copyrighted materials that would materially affect your use of our copyrights in your state.

As of December 31, 2018, L&L Franchise, Inc. had approximately 65 L & L Drive-Inn franchisee restaurants located in the State of Hawaii, 84 L & L Hawaiian Barbecue or L & L Hawaiian Grill franchisee restaurants located in the State of California and 41 L&L Hawaiian Barbecue or L&L Hawaiian Grill franchisee restaurants located in other states of the United States as well as a few franchisee restaurants in international countries. The financial performance representations set forth above are based only upon a total of 168 domestic L&L Hawaiian Barbecue, L&L Hawaiian Grill and/or L&L Drive-Inn Restaurants that were open for at least one year as of December 31, 2018, of which 60 were located in Hawaii and 108 were located in other state of the Continental United States.

Eight (8) franchise restaurants were opened during 2018.

The information reflected in the chart above is based upon the reported unaudited gross sales of franchisee restaurants that have been in operation for the full calendar year ending December, 31, 2018 and for which the Franchisor has received sales reports for that full calendar year. For purposes of the financial performance representations set forth above, the information also excludes some franchisee locations that are concessions operating in government parks and recreational facilities. The term "gross sales" includes a L&L Hawaiian Barbecue, L&L Hawaiian Grill and/or L&L Drive-Inn's reported gross revenues including and without deduction of sales or excise taxes (excluding price discounts and allowances) received by Operator as payment, whether in cash or for credit (and, if for credit, whether or not payment is received therefor), for all beverages, food, and other goods, services, and supplies sold in or from each of Operator's System Restaurants, and gross revenues received by Operator from any other business (including, but not limited to, all revenues from any mechanical or other device, such as vending or game machines installed at the Location) operated at the Location, including and without deduction of sales or excise taxes.

Additionally, the financial performance representations set forth above have been derived from the financial reporting statements of independent, franchised Operator L&L Hawaiian Barbecue, L&L Hawaiian Grill and/or L&L Drive-Inn Restaurants in order to provide information relevant to a prospective Operator.

Some restaurants have achieved sales in such amounts. Your individual results may differ. There is no assurance that you'll sell as much.

YOU ARE URGED TO CONSULT WITH APPROPRIATE FINANCIAL, BUSINESS AND LEGAL ADVISORS IN CONNECTION WITH THE INFORMATION SET FORTH IN THIS ANALYSIS. A NEW OPERATOR'S INDIVIDUAL FINANCIAL RESULTS MAY DIFFER FROM THE RESULTS STATED IN THE FINANCIAL PERFORMANCE REPRESENTATIONS FOR THE REASONS STATED BELOW.

The computations of all actual and average sales, the range of years in operation, and list of addresses of the L & L Hawaiian Barbecue, L & L Hawaiian Grill and/or L & L Drive-Inn Restaurants that supplied data used in preparing these financial performance representations will be made available to prospective franchisees upon reasonable request.

THE FINANCIAL PERFORMANCE REPRESENTATIONS DO NOT REFLECT THE COSTS OF SALES OR OPERATING EXPENSES THAT MUST BE DEDUCTED FROM THE GROSS REVENUE OR GROSS SALES FIGURES TO OBTAIN YOUR NET INCOME OR PROFIT. THE EARNINGS CLAIM FIGURE(S) DOES (DO) NOT REFLECT THE COST OF SALES, OPERATING EXPENSES, OR OTHER COSTS OR EXPENSES THAT MUST BE DEDUCTED FROM THE GROSS REVENUE OR GROSS SALES FIGURES TO OBTAIN OUR NET INCOME OR PROFIT. YOU

SHOULD CONDUCT AN INDEPENDENT INVESTIGATION OF THE COSTS AND EXPENSES YOU WILL INCUR IN OPERATING YOUR (FRANCHISED BUSINESS). FRANCHISEES, LISTED IN THE DISCLOSURE DOCUMENT, MAY BE ONE SOURCE OF THIS INFORMATION. THE BEST SOURCE OF COST AND EXPENSE DATA MAY BE FROM OPERATORS AND FORMER OPERATORS, SOME OF WHOM MAY BE LISTED IN ITEM 20. THE SALES FIGURES SET FORTH ABOVE ARE AVERAGES OF SPECIFIC FRANCHISED L&L HAWAIIAN BARBECUE, L&L HAWAIIAN GRILL AND/OR L&L DRIVE-INN RESTAURANTS AND SHOULD NOT BE CONSIDERED AS THE ACTUAL OR POTENTIAL SALES THAT WILL BE REALIZED BY ANY L&L HAWAIIAN BARBECUE, L&L HAWAIIAN GRILL AND/OR L&L DRIVE-INN RESTAURANT OPERATOR. NEITHER L&L FRANCHISE, INC. NOR ANY OTHER PERSON CAN GUARANTEE THE SUCCESS OF AN OPERATOR'S RESTAURANT, AND ADMONISHES THAT AN OPERATOR'S RESTAURANT MAY LOSE MONEY OR FAIL. L&L FRANCHISE, INC. DOES NOT REPRESENT, WARRANT, OR PROMISE THAT YOU CAN EXPECT TO ATTAIN THESE SALES.

Individual Operators are likely to experience annual sales volume variations. A L&L Hawaiian Barbecue, Hawaiian Grill and/or L&L Drive-Inn physical location within any particular geographic area, a L&L Hawaiian Barbecue, Hawaiian Grill and/or L&L Drive-Inn physical location among different geographic areas of the country, the operational skill and the management methods employed by an Operator, demographics associated with any specific location and menu price variations may significantly affect the sales realized in any given operation.

Individual L&L Hawaiian Barbecue, L & L Hawaiian Grill and/or L&L Drive-Inn franchise operators may provide you with supplemental information relating to the projected sales of a L&L Hawaiian Barbecue, Hawaiian Grill and/or L&L Drive-Inn Restaurant at a specific location (the "Supplemental Information"). Such Supplemental Information should be obtained in writing with any explanation as to how it differs from the information contained in this Item 19.

Other than the preceding financial performance representation and any Supplemental Information provided to you, as described above, L&L Franchise, Inc. does not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. With regard to an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Bryan Andaya, President and General Counsel of L&L Franchise, Inc., telephone number (808) 951-9888, the Federal Trade Commission, and the appropriate state regulatory agencies.

CALIFORNIA APPENDIX TO DISCLOSURE DOCUMENT

(A) Item 17, Summary

California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

(B) The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. The provision may not be enforceable under California law.

(C) The franchise agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

(D) The franchise agreement requires binding arbitration. The arbitration will occur in the City of San Francisco, California. The franchise agreement provides that punitive or exemplary damages or attorney's fees may not be awarded by the arbitrator and that each party shall bear its own attorney's fees, expert witness fees and other court or arbitration costs incurred in connection with any legal action or arbitration between franchisor and operator. If the waiver of punitive or exemplary damages or legal fees and related costs are in violation of the laws of California, such claims may be awarded by the arbitrator(s) and any such award shall be enforceable or enforced in any court of appropriate jurisdiction. This provision may not be enforceable under California law. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

(E) The franchise agreement requires any litigation to be filed in San Francisco, California. This provision may not be enforceable under California law.

(F) The franchise agreement requires application of the laws of the State of Hawaii. This provision may not be enforceable under California law.

(G) Neither L & L nor any person named in Item 2 of the Franchise Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange as defined in the Securities and Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling that person from membership in the association or exchange.

(H) Section 31125 of the California Corporations Code requires L & L to give you a disclosure document, in a form containing the information that the Commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise. The California franchise investment law requires that a copy of all proposed agreements relating to the sale of the franchise be delivered together with the Franchise Disclosure Document.

(I) You must sign a general release of claims if you transfer your franchise. California Corporations Code Section 31512 voids a waiver by the person acquiring a franchise of certain rights under the franchise investment law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of certain rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

(J) THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

(K) The franchise agreement requires you to execute a general release of claims upon renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000-31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000-20043).

(L) The franchise agreement requires binding arbitration. The arbitration will occur in San Francisco, California with the costs being borne by Franchisor and Franchisee in accordance with the Arbitration Rules of the American Arbitration Association.

(M) Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedures Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

(N) The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

(O) The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. The provision may not be enforceable under California law.

(P) The franchise agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

WHEREAS, Franchisor is willing to grant Operator a license under Franchisor's Marks and the System, subject to Operator's strict compliance with the terms and conditions of this Agreement.

NOW, THEREFORE, the parties agree as follows:

ARTICLE 1. FRANCHISE RIGHT GRANTED, LOCATION.

1.1 GRANT.

In consideration of the issuance of the franchise granted herein, Operator shall pay to Franchisor the non-refundable sum of thirty thousand dollars ($30,000.00) (the "Initial Fee"). In exchange, Franchisor hereby awards Operator the right to open and operate, under the terms of this Agreement, one System Restaurant specializing in selling high quality limited and specific food items as specified by Franchisor in Franchisor's Operations Manual, or subsequently added in accordance with Operations Manual amendments, under the name L & L Franchise System Restaurant at a location to be mutually agreed upon by both parties.

No exclusive or protected territory or market is intended to be granted by this Article or this Agreement. The Franchisor and/or other franchisees may or can use alternate channels of marketing or distribution such as internet, catalogue, mail order, telemarketing or telecommunications and may solicit or accept orders from consumers located at or near your approved restaurant location. The Initial Fee shall be deemed fully earned by Franchisor upon the execution of this Agreement by Franchisor and Operator and shall not be refunded, in whole or in part, upon any termination of this Agreement, or at any other time or under any other circumstances.

In the event Operator enters into Franchise Agreement to operate more than one System Restaurant. Operator shall pay Franchisor a franchise fee of twenty thousand dollars ($20,000.00) for each of the second through fifth System Restaurants and fifteen thousand dollars ($15,000.00) for each of the sixth or more System Restaurant.

1.2 LICENSE.

Franchisor hereby grants and awards to Operator, for the term set forth in this Agreement, and any renewal term, beginning on the date of this Agreement, the right and license, and Operator hereby undertakes the obligation, to operate the business described in this Agreement under Franchisor's Marks and such other of Franchisor's Marks as may be designated by Franchisor, to operate such business solely in accordance with the System, and only at the specific location to be agreed upon by Franchisor and Operator (the "Location"). No exclusive territory or radius protection is given to Operator. Franchisor shall have the sole and complete discretion to approve the existence of other System Restaurants at other locations without territory or radius restrictions or protections.

1.3 LOCATION.

No Location has been agreed upon at the time of the execution of this Agreement unless set forth and identified in this Agreement or an attached rider. Operator shall engage only in the business of operating a System Restaurant at the Location and no other, except with Franchisor's prior written consent. Franchisor does not lease any location to Operator. Operators shall identify proposed location and site

for Operator's System Restaurant, obtain Franchisor's approval of such site and sign a lease for the location within twelve (12) months of the date of signing this Franchise Agreement. If Operator does not enter into a signed lease for the location within such twelve (12) months, Franchisor shall have the right to terminate this Franchise Agreement and keep all fees paid. In extenuating circumstances, Franchisor may grant Operator a limited extension of time to obtain a lease for an approved location. Operator acknowledges its sole risk and responsibility for finding or leasing from independent third parties a suitable and viable Location and that Franchisor is not obligated to directly or indirectly obtain an approved location for Operator. Franchisor's approval of a location does not assure or guarantee that the location will be suitable, viable or profitable.

ARTICLE 2. INSTALLATION AND COMMENCEMENT OF BUSINESS.

Operator, at its own expense, shall (i) renovate the Location into a System Restaurant; (ii) obtain all necessary governmental permits and licenses prior to beginning the renovation of its Location into a System Restaurant and Operator shall fully complete the renovation, construction and equipping within a reasonable time thereafter. Operator shall commence operation of each System Restaurant no later than thirty (30) days following substantial completion of the renovation and equipment installation at the Location, and shall give Franchisor ten (10) days written notice prior to commencing operations. Operator shall not commence operation of its System Restaurant until Operator has:

1. Obtained Franchisor's approval of the construction and development of the restaurant in accordance with Franchisor's specifications and designs,
2. Satisfactory completed the training program required by Franchisor;
3. Paid the initial franchise fee and all other amounts due to Franchisor; and
4. Provide Franchisor with copies of all required insurance policies or such other evidence of insurance coverage and payment of premiums as Franchisor requires.

In no event shall Operator construct or remodel the interior or exterior of any System Restaurant or make any improvements which vary from the then-current standards, plans, and specifications approved by Franchisor, without first obtaining Franchisor's prior written approval. Operator, at its own expense, shall obtain all municipal and state licenses necessary to operate Operator's System Restaurant prior to commencing business at its System Restaurant and shall maintain all licenses in full force and effect during the term of this Agreement.

In the event that Operator has not commenced operation of a L & L Hawaiian Barbecue restaurant at a site acceptable to Operator and approved by Franchisor within twelve (12) months from the time the Franchise Agreement is signed, any and all of Operator rights to open and operate a L & L Hawaiian Barbecue restaurant shall expire. In such event, the Franchisor may retain part or all of the initial thirty thousand dollars ($30,000.00) franchise fee in its sole discretion.

During the term of this agreement and after the expiration, voluntary and involuntary cancellation or termination of this agreement for any reason, or an assignment, sale or transfer of Operator's rights and/or interest under this Franchise Agreement, all of the Franchisor's rights under the Franchise Agreement, and Confidential Information Agreement, and Guarantys including but not limited to Article 4 (Confidential Manuals), and Article 10 (Covenant regarding other business interests) shall remain binding upon Operator and all guarantors as well as any and all assignees, transferees or successors of Operator's rights and/or interest under the Franchise Agreement, Confidential Information Agreement and Guarantys.

ARTICLE 3. TRAINING.

3.1 Operator will designate individuals (up to 2 persons) as trainee(s) to attend Franchisor's training programs at training locations selected by Franchisor. Franchisor will offer initial training programs for Operator and/or its management employee at times and locations selected by Franchisor in its sole judgment and discretion. Operator shall, if and as required by Franchisor, also attend a one to two (1-2) day system orientation program at times and locations determined by Franchisor at the sole discretion of Franchisor. Franchisor will bear the costs of providing training programs, including the overhead costs of training, staff salaries, materials, and all technical training tools. Operator shall pay all traveling, living, wages and compensation, and other expenses incurred by Operator and/or Operator's employees in connection with attendance at training programs. The training program and manner of conducting such programs shall be at Franchisor's sole discretion and control. The training course will be structured to provide practical training in the implementation and operation of a System Restaurant. The initial training program may involve up to one (1) day of instruction at Franchisor's offices in Honolulu, Hawaii and up to four (4) weeks of intensive on-the-job training in a L & L Franchise System Restaurant in Honolulu, Hawaii or at another location designated by Franchisor. At Franchisor's sole discretion, the training requirements may be waived or shortened. In addition to the initial training program, Operator shall designate and send two principal representatives of the Operator owners to attend periodic franchisee training, marketing and operations programs at location(s) selected by Franchisor. Attendance and satisfactory completion of such additional periodic franchise training may, at Franchisor's sole discretion, be scheduled for one or more sessions totaling up to five working days per year. Such additional periodic franchise training is a mandatory obligation and requirements for franchise Operator.

3.2 Operator will not allow any System Restaurant to be opened or managed by any person who has not attended and successfully completed the training program designated by Franchisor. If Operator is an individual, and does not manage its System Restaurant on a day-to- day basis, and in the event its designated System Restaurant manager resigns or is terminated, Operator must arrange to have the successor restaurant manager (i) begin the required training programs within forty-five (45) days of first assuming the duties of a restaurant manager and (ii) successfully complete the programs.

3.3 If at any time the trainee voluntarily withdraws from, or is unable to complete its training, or fails to demonstrate an aptitude, spirit or ability to comprehend and carry out the course of study to the reasonable satisfaction of Franchisor, then Franchisor shall have the right to require Operator's trainee to attend other training class(es) or to perform additional operational training until Franchisor is reasonably satisfied that Operator's trainee has satisfactorily completed the training programs. Operator may not open its System Restaurant until training is completed to Franchisor's reasonable satisfaction.

3.4 In the event of an assignment, sale or transfer to a third party of twenty percent (20%) or more of the ownership interest in and to Operator's System Restaurant after opening, the assignee, buyer or transferee must be trained in the L & L Franchise System training program as a condition of Franchisor's consent to such transfer. In the event of an approved non-sale management transfer to a third party of Operator's System Restaurant, the transferee shall attend the L & L Franchise System training program. For any such trainings, Operator shall pay to Franchisor a training fee, which fee shall not exceed three thousand dollars ($3,000.00). No System Restaurant shall open or re-open until the L & L training program certifies that the assignee, buyer or transferee is approved to operate the respective System Restaurant.

3.5 Additional training sessions are available at Operator's request and expense, and at Franchisor's request, at Operator's expense, except for the initial training program itself. Operator's attendance at additional training sessions is mandatory if they are scheduled in Operator's state. For these additional training sessions, Franchisor will provide the instructors and instructional materials, but Operator must arrange for transportation, lodging and food for itself and/or its manager. The cost will depend on the distance Operator must travel and the type of accommodations Operator chooses.

ARTICLE 4. MANUALS AND STANDARDS OF OPERATOR QUALITY, CLEANLINESS AND SERVICE.

4.1 STANDARDS.

In order to promote the value and goodwill of Franchisor's Marks and the Franchise System Restaurant and to protect Franchisor's Marks and the other L & L Franchise System Restaurant operators who comprise the L & L Franchise System Restaurant, Operator agrees to conduct its business in accordance with the standards promulgated by Franchisor as follows:

4.2 MANUALS.

4.2.1 In the Manuals and other publications, Franchisor will list authorized products to be sold by Operator, and promulgate standards of operation for System Restaurants, including standards of quality, cleanliness, and service for all food, beverages, furnishings, interior and exterior decor, trade dress, supplies, fixtures, and equipment used in connection with each System Restaurant. Operator agrees to

operate its System Restaurant in accordance with the standards, specifications and procedures set forth in the Manual and this Agreement. Operator acknowledges and agrees that Franchisor has the right to make changes to its standards, specifications and procedures in its Manual in its sole and complete discretion. Operator further agrees that changes in the menu, furnishings, interior and exterior décor, trade dress, supplies, fixtures, equipment or the standards, specifications and procedures may become necessary from time to time and agrees to comply with and accept as reasonable all changes to the menu, modifications, revisions and additions to the Manuals as authorized by Franchisor. The sale of any product or service at the Operator's Location, without Franchisor's prior written approval shall constitute a material violation of this Agreement.

4.2.2 The Manuals and all amendments to the Manuals (and copies thereof) are copyrighted and remain Franchisor's property. They are loaned to Operator for the term of the Agreement, and must be returned to Franchisor upon the Agreement's termination, expiration or nonrenewal. The Manuals are highly confidential documents which contain certain trade secrets of Franchisor, and Operator shall never reveal, and shall take all reasonable precautions, both during and after the term of this Agreement, to assure that its employees or any other party under Operator's control, shall never reveal any of the contents of the Manuals or any other publication, recipe or secret provided by Franchisor, except as is necessary for the operation of Operator's System Restaurant.

4.3 HOURS.

Franchisor and Operator agree that the hours of operation of Operator's System Restaurant are at a minimum 10:00 a.m. to 8:00 p.m., six (6) days per week, and Operator agrees to operate its System Restaurant during such hours. If the Location is in a mall or shopping center, the hours of the mall or shopping center shall control. Operator shall diligently and efficiently exercise its best efforts to achieve the maximum gross sales possible from its location, and will be open for business not less than ten hours per day, six days per week, unless additional opening hours are reasonably required to maximize operations and sales. If such hours are incorrect in relation to the sales potential of Operator's System Restaurant, then Franchisor and Operator shall reasonably adjust such hours by jointly establishing new hours of operation. It is acknowledged that the hours of other operators will vary in relation to each respective location, and local legal restrictions, if any.

4.4 APPEARANCE.

From time to time, Operator's System Restaurant may need a cosmetic improvement or equipment change or addition in order to comply with the Manuals and/or to maintain proper operations and an aesthetic appearance and professional image. Accordingly, Franchisor may require remodeling and renovation, and modifications to existing equipment and improvements as is reasonably necessary. Franchisor shall not require any such work at a particular System Restaurant less than three (3) years after the opening of the System Restaurant except: (i) for additional

equipment if new food preparation methods or products are developed and authorized by Franchisor; (ii) if repairs or repainting are necessary to maintain the appearance of the interior and exterior of the Location in a clean and orderly condition satisfactory to Franchisor; or (iii) upon the sale of the Operator's System Restaurant. Within ninety (90) days after receipt of written notice, Operator shall fully implement and complete such changes to its System Restaurant operating under this Agreement.

4.5 PRODUCT LINE AND SERVICE.

Operator agrees to only serve the approved product line items specified by Franchisor in this Agreement, the Manuals or as approved in writing by Franchisor and to follow all specifications and formulas of Franchisor as to specifications, contents, weight and quality of products served to its customers from Operator's System Restaurant.

4.6 CONTAINERS, FIXTURES AND OTHER GOODS.

4.6.1 Operator agrees that all food and drink items will be served in containers bearing accurate reproductions of Franchisor's Marks. You further understand and agree that as designed and functions change periodically, we may require you to make substantial modifications to meet our specifications or to require installation of entirely different systems during the term of this Agreement or during the term of any renewal Franchise Agreement.

4.6.4 You agree, at your expense, to keep your cash register system in good maintenance and repair. Following our testing and determination that it will prove beneficial to you, you agree to install at your own expense such additions, changes, modifications, substitutions and/or replacements to your hardware, software, telephone lines, power lines and other related facilities as we direct on those dates and within those times specified by us in our sole and exclusive discretion in our Operating Manual or otherwise.

All approved products shall be distributed under the specific name designated by Franchisor. Operator shall establish all menu prices in its sole discretion. Operator shall offer for sale in its System Restaurant only those food products which Franchisor designates as "approved and authorized" or which Franchisor has made available as a "regionalized" menu or has otherwise specifically approved in writing (each, "Authorized Product"). No standard product will be removed from the menu unless Operator is so instructed by Franchisor.

5.1.2 Such "Authorized Products" shall be marketed by approved menu formats to be utilized in Operator's System Restaurant. The approved and authorized menu and menu format(s) may include, in Franchisor's discretion, requirements concerning organization, graphics, product descriptions, illustrations, and any other matters (except prices) related to the menu, whether or not similar to those listed. In Franchisor's discretion, the menu and/or menu format(s) may vary depending upon region, market size, and other factors. Franchisor may change the menu and/or menu format(s) from time to time or region to region or authorize tests from region to region or authorize non-uniform regions or non-uniform System Restaurant(s) within regions, in which case Operator will be given a reasonable time (not longer than thirty (30) days) to discontinue use of any old menu format(s) and implement use of the new menu format(s).

5.1.3 Operator shall, upon receipt of notice from Franchisor, add any Authorized Product to its menu according to the instructions contained in the notice. Operator shall have a minimum of thirty (30) days after receipt of written notice in which to fully implement any such change. Operator shall cease selling any previously approved product within thirty (30) days after receipt of notice that the product is no longer approved.

5.1.4 The Authorized Products sold by Operator shall be of the highest quality, and the ingredients, composition, specifications, and preparation of such food products shall comply with the instructions and recipes provided by Franchisor or contained in Franchisor's Operations Manual, and with the further requirements of Franchisor as they are communicated to Operator from time to time.

5.2 COMPLIANCE.

Operator shall operate each of its System Restaurants as a clean, orderly, legal and respectable place of business in accordance with Franchisor's business standards and merchandising policies, and shall comply with all applicable ordinances, laws, statutes and regulations governing the operation of such premises, including all disability (including but not limited to the Americans with Disabilities Act (ADA) as

amended and any applicable state civil rights or disability rights laws), food and drug laws and regulations. Operator shall not allow any Location or part of a Location to be used for any immoral or illegal purpose.

5.3 SIGNS, MENU BOARDS, DESIGNS AND FORMS OF PUBLICITY.

5.3.1 Operator shall install and maintain a suitable sign or awning at, on, or near the front of the Location, identifying the Location as a "L & L Hawaiian Barbecue Restaurant" and a menu board within the location. Such sign and menu board shall conform in all respects to Franchisor's requirements and be in accordance with the layout and design plan approved for the Location, except to the extent prohibited by local legal restrictions. Operator shall meet and maintain the highest health standards and ratings applicable to the operation of an L & L Hawaiian Barbecue restaurant. Franchisor in its sole discretion may change, modernize and adapt new designs, logos and color schemes for System Restaurants. In such event, Operator, at its cost, agrees to install, use and maintain such new signs, menu boards and designs.

5.3.2 No menu board, exterior or interior sign or any design, advertisement, sign, or form of publicity, including form, color, number, location, and size, shall be used by Operator or any Association (as defined below) unless first submitted to Franchisor and approved in writing (except with respect to prices). Any request by Operator for such approval shall be properly submitted to: L & L Franchise, Inc., 931 University Avenue, Suite 202, Honolulu, Hawaii, 96826, Attn: Bryan P. Andaya. Franchisor shall respond to such request within thirty (30) days of its receipt. Whenever Operator elects to utilize, in the form supplied, advertising supplied by Franchisor or any promotional item specifically approved by Franchisor, no further approval for use of such material is required. Upon written notice from Franchisor, Operator shall discontinue and/or remove any objectionable advertising materials or any other materials not suitable for display, in Franchisor's sole discretion.

5.4 UNIFORMS AND EMPLOYEE APPEARANCE.

Operator shall cause all employees, while working in System Restaurants, to: (i) wear uniforms of such color, design, and other specifications as Franchisor may designate from time to time, and (ii) present a neat and clean appearance. If the type of uniform utilized by Operator is removed from the list of approved uniforms, Operator shall have sixty (60) days from receipt of written notice of such removal to discontinue use of its existing inventory of uniforms and implement the approved type of uniform.

5.5 VENDING OR OTHER MACHINES.

Operator shall not permit vending or game machines or any other mechanical device to be installed or maintained in its Location without Franchisor's prior written approval.

5.6 INSPECTION.

5.6.1 Franchisor' s authorized representatives shall have the right to enter upon the entire premises of Operator's System Restaurant at any time during business hours without prior notice or notification and without disrupting Operator's business operations, for the purposes of examining same, conferring with Operator's employees, inspecting and checking operations, food, beverages, furnishings, interior and exterior decor, supplies, fixtures, and equipment, and determining whether the business is being conducted in accordance with this Agreement, the System and the Manuals.

5.6.2 In the event any such inspection indicates any deficiency or unsatisfactory condition with respect to any matter required under this Agreement or the Manuals, including but not limited to quality, cleanliness, service, health and authorized product line, Franchisor will notify Operator in writing of Operator's non-compliance with the Manuals, the System, or this Agreement. Operator shall have twenty-four (24) hour after receipt of such notice, or such other greater time period as Franchisor in its sole discretion may provide, to correct or repair such deficiency or unsatisfactory condition, if it can be corrected or repaired within such period of time. If not, Operator shall within such time period commence such correction or repair and thereafter diligently pursue it to completion.

ARTICLE 6. ADVERTISING, MARKETING, PROMOTION AND CONVENTION CONTRIBUTION.

6.1 Operator and Franchisor acknowledge the value of advertising and accordingly Operator agrees to pay, one percent (1 %) of its gross sales for each and every month of its operations to Franchisor (the "Advertising Fee"). These funds will be deposited, at Franchisor's sole discretion, into a segregated advertising account (with other advertising collections) controlled by Franchisor or to a regional advertising cooperative covering Operator's System Restaurant. Advertising payments will then be spent at Franchisor's sole discretion for advertising to benefit Operator and/or all or regional operators of System Restaurants. The Advertising Fee shall be paid in accordance with the procedure described in Article 9.

6.2 Franchisor, at its sole discretion, may spend the collected fees directly, or may authorize payment of the advertising collections for media time or space, production of media materials, whether for radio, television, newspapers or store level materials such as flyers, or posters, or for any other type of advertising or marketing use. Franchisor is not, under any circumstances, obligated to contribute to any national or local advertising fund, program, Association, or other organization any advertising fees or contributions.

6.3 Franchisor may authorize expenditure of the time, producing media materials (whether they be for radio, television, newspapers, or store-level materials like flyers, posters, etc.) and paying for administrative, planning, marketing, promotion or Franchisor's own advertising personnel, and/or for third party agencies or consultants and for use to organize and conduct periodic meetings or conversations on a regional

or system-wide basis (including the payment in whole or in part of transportation and/or lodging costs of the Franchisor's staff and representatives and Franchisee representatives. Advertising, promotion or marketing may be on television, radio, internet, newspaper, magazines, direct mail, flyers, posters, brochures, calendars, t-shirts, logo bearing merchandise and marketing materials, coupons or similar media. The coverage of the media may be local, regional or national. We may prepare advertisements, marketing and promotional material and publicity in-house or may use regional or national advertising agencies to prepare the materials.

Franchisor is not obligated to contribute any amount to any national or local advertising funds or programs. There shall be no requirements that Franchisor must spend any amount of advertising, in any particular areas or territory where Operator's System Restaurant is located. The use and expenditure of the advertising contribution shall be at Franchisor's sole discretion. If any part of the advertising contribution is not spent in the fiscal year in which such advertising contribution accrues, Franchisor may utilize the advertising contribution in any other fiscal year in its sole discretion. Operator will not receive any periodic accounting of how advertising contributions are spent. No part of the advertising contributions are to be used for advertising that is principally a solicitation for the sale of franchises.

Franchisor will prepare unaudited annual statements showing how advertising contributions have been expended. These statements will be given to Operator on written request.

At Franchisor's sole discretion, the advertising, marketing and promotion contributions may be used toward expenses of planning and conducting periodic conferences and/or meetings of the Franchisor and groups or all of the Franchisees. Franchisor will not use advertising contributions, or any associated interest earnings, for advertising or marketing that principally solicits the sale of franchises. Franchisor reserves the right to add tag lines to advertising or marketing indicating that franchises are available and giving contact information. Franchisor is not required to spend any amount of the advertising contributions on advertising or promotions in Operator's area. Other than reimbursement for reasonable costs and overhead incurred in administering and expending the advertising contributions, neither Franchisor nor any affiliate will receive any payment for providing services or products related to these activities. If any contributions, including any associated interest earnings, are not spent in the fiscal year in which they accrue, they will be kept for use in later years.

6.4 Franchisor shall have the right to require Operator to participate in marketing, gift card, gift certificate, discount pricing and/or menu items promotions on an area, regional, statewide or systemwide basis. If so required by Franchisor, Operator agrees to and shall participate in such marketing, gift card, gift certificate, discounted pricing and/or menu item promotions.

ARTICLE 7. COMPANY MARKS, ADDITIONAL MARKS AND COPYRIGHTED WORKS.

7.1 Franchisee acknowledges that the Franchisor is the owner of all right, title and interest, together with all the goodwill of Franchisor's Marks. Franchisee further acknowledges that Franchisor's Marks designate the origin or sponsorship of the System Restaurant and that Franchisor desires to protect the goodwill of Franchisor's Marks and to preserve and enhance the value of Franchisor's Marks.

7.2 Franchisee further acknowledges that it is of utmost importance that the goodwill, stature, and image of quality associated with the Marks be maintained and enhanced by Franchisee. Franchisee will make no use of Franchisor's Marks without the prior approval of Franchisor, this Agreement itself not constituting such approval. To maintain and enhance the goodwill and image of quality associated by the public with Franchisor's Marks, Franchisee will conduct its business in accordance with this Agreement and specifically with the provisions of this Section 7.

7.3 Franchisee further acknowledges that the Franchisee's right to use Franchisor's Marks is derived solely from this Agreement and is limited to the conduct of business by Franchisee pursuant to and in compliance with this Agreement and all applicable standards, specifications, and operating procedures prescribed by Franchisor in the Manual and elsewhere from time to time during the Initial Term of this Agreement.

7.4 Franchisee acknowledges and agrees that the Franchisor is the sole and exclusive owner of Franchisor's Marks and that it will never dispute, contest, or challenge, directly or indirectly, the validity or enforceability of Franchisor's Marks or Franchisor's ownership of Franchisor's Marks, nor counsel, procure, or assist anyone else to do the same, nor will it take any action that is inconsistent with Franchisor's ownership of Franchisor's Marks, nor will it represent that it has any right, title, or interest in Franchisor's Marks other than those expressly granted by this Agreement.

7.5 Upon Franchisor's request, Franchisee will cooperate fully, both before and after termination or expiration of this Agreement and at Franchisor's expense, in confirming, perfecting, preserving, and enforcing Franchisor's rights in Franchisor's Marks, including but not limited to, executing and delivering to Franchisor such documents as Franchisor reasonably requests for any such purpose, including but not limited to, assignments, powers of attorney, and copies of commercial documents showing sale and marketing of the Services and other products and services. Franchisee hereby irrevocably appoints Franchisor as its attorney-in-fact for the purpose of executing such documents.

7.6 Franchisee will use Franchisor's Marks only in lettering, logos, print styles, forms, and formats, including but not limited to, advertising, marketing and promotional materials, invoices, signage, business checks, business cards, invoices, stationery, and promotional items such as clothing, pens, mugs, etc., which have been approved by

Franchisor in accordance with this Agreement, and promptly follow instructions regarding Franchisor's Marks as provided in the Manual and otherwise given by Franchisor from time to time.

7.7 Franchisee agrees to safeguard and maintain the reputation and prestige of Franchisor's Marks and will not do anything that would tarnish the image of or adversely affect the value, reputation or goodwill associated with Franchisor's Marks. Franchisee will never attempt to dilute, directly or indirectly, the value of the goodwill attached to the Marks, nor to counsel, procure, or assist anyone else to do the same.

7.8 Franchisor may decide, in its sole and absolute discretion, to apply to register or to register any trademarks with respect to the System Restaurant and any other products and services. Failure of Franchisor to obtain or maintain in effect any such application or registration is not a breach of this Agreement. Franchisee will not, before or after termination or expiration of the Agreement, register or apply to register any of Franchisor's Marks, or any trademark or logo confusingly similar thereto, anywhere in the world.

7.9 Franchisee should mark Franchisor's Marks with a superscript "®" or "™" unless and until advised by Franchisor to use a different notice.

7.10 If, in Franchisor's reasonable determination, the use of a Franchisor's Mark in connection with the System Restaurant and other products and services will infringe or potentially infringe upon the rights of any third party or weakens or impairs Franchisor's rights in Franchisor's Marks, then upon notice from Franchisor, Franchisee will immediately terminate or modify such use in accordance with Franchisor's instructions, and Franchisee will have no rights of damages, offset, or right to terminate this Agreement as a result thereof.

7.11 Franchisee will not use any materials that are false or misleading.

7.12 Franchisee will ensure that all advertising, marketing, labeling, packaging and other materials associated with the System Restaurant and other products and services fully conform to all applicable laws and regulations.

7.13 Franchisee will conduct its business operations in accordance with all applicable laws and regulations, including but not limited to, consumer protection laws and regulations.

7.14 Franchisee will control the quality of the System Restaurant and other products and services to avoid product quality problems or product liability claims that could reflect adversely on Franchisee or Franchisor in the minds of consumers.

7.15 Franchisee shall not use any Franchisor's Mark or portion of any Franchisor's Mark as part of a corporate, entity or trade name, or with any prefix, suffix or other modifying words, terms, designs or symbols, or in any modified form.

Franchisee shall obtain such fictitious or assumed name registrations as may be required by Franchisor or under applicable law.

7.16 In order to preserve the validity and integrity of Franchisor's Marks and Copyrighted Works licensed herein and to assure that Franchisee is properly employing the same in the operation of its Business, Franchisor or its agents shall have the right of entry and inspection of Franchisee's System Restaurant and operating procedures at all reasonable times. Franchisor shall have the right to observe the manner in which Franchisee is rendering its services and conducting its operations, to confer with Franchisee's employees and customers, and to select business reports for testing of content and evaluation purposes to make certain that all such tested items are satisfactory and meet the quality control provisions and standards established by Franchisor.

7.17 If it becomes advisable at any time, in Franchisor's sole discretion, for Franchisor to modify or discontinue use of any Franchisor's Mark, and/or use one (1) or more additional or substitute trade names, trademarks, service marks or other commercial symbols, Franchisee shall comply with Franchisor's directions within a reasonable time after notice to Franchisee by Franchisor. Franchisor shall have no liability or obligation whatsoever with respect to Franchisee's modification or discontinuance of any Franchisor's Marks.

7.18 Any unauthorized use of Franchisor's Marks by Franchisee constitutes a breach of this Agreement and an infringement of the rights of Franchisor and in and to Franchisor's Marks.

7.19 Franchisee acknowledges that all usage of Franchisor's Marks by Franchisee and any goodwill established by Franchisee's use of Franchisor's Marks shall inure to the exclusive benefit of Franchisor, and that this Agreement does not confer any goodwill or other interests in Franchisor's Marks upon expiration or termination.

7.20 In the event Franchisee acquires, as a result of the exercise of any rights provided under this Agreement, any rights in Franchisor's Marks, it agrees to assign and hereby assigns all such rights to Franchisor.

7.21 Franchisee shall promptly notify Franchisor of any claim, demand, or cause of action based upon or arising from any attempt by any other person, firm or corporation to use Franchisor's Marks or any colorable imitation thereof. Franchisee shall also notify Franchisor of any action, claim or demand against Franchisee relating to Franchisor's Marks within ten (10) days after Franchisee receives notice of said action, claim, or demand. Upon receipt of timely notice of an action, claim or demand against Franchisee relating to Franchisor's Marks, Franchisor shall have the sole right, but not the duty, to defend any such action. Franchisor shall have the exclusive right to contest or bring action against any third party regarding the third party's use of any of Franchisor's Marks and shall exercise such right in the sole discretion of Franchisor.

Franchisor shall control all actions but not be obligated to take any action. In any defense or prosecution of any litigation relating to Franchisor's Marks or components of the System undertaken by Franchisor, Franchisee shall cooperate with Franchisor, execute any and all documents, and take all actions as may be desirable or necessary in the opinion of Franchisor's counsel, to carry out such defense or prosecution. At Franchisor's option, Franchisee will join in any action, in which case Franchisor shall bear all the out-of-pocket costs of Franchisee for such participation. If Franchisee joins in an action, then the recovery, if any, from such legal action shall be first applied to the total expenses associated therewith and then split equally between Franchisor and Franchisee. Both parties shall make every effort consistent with the foregoing to protect, maintain, and promote Franchisor's Marks as identifying the System Restaurant. Franchisor makes no representation or warranty, express or implied, as to the use, exclusive ownership, validity or enforceability of Franchisor's Marks.

7.22 All provisions of this Agreement applicable to Franchisor's Marks apply to any and all additional trademarks, service marks and commercial symbols authorized for use by and licensed to Franchisee by Franchisor after the date of this Agreement.

7.23 Franchisee will make no use of the Copyrighted Materials without the prior approval of Franchisor, this Agreement itself not constituting such approval. To maintain and enhance the rights in the Copyrighted Materials, Franchisee will conduct its business in accordance with this Agreement and specifically with the provisions of this Section 7.

7.24 Franchisee agrees that all material, including but not limited to, all artwork and designs, created by Franchisee or any other person or entity retained or employed by Franchisee, and used with Franchisor's Marks ("Copyrighted Materials") are works made for hire within the meaning of the United States Copyright Act and are the property of the Franchisor, who shall be entitled to use and license others to use the Copyrighted Materials subject to the provisions of this Agreement unencumbered by moral rights. To the extent the Copyrighted Materials are not works made for hire or rights in the Copyrighted Materials do not automatically accrue to the Franchisor, Franchisee irrevocably assigns and agrees to assign to the Franchisor, its successors and all rights, including all copyrights and related rights, in such Copyrighted Materials, which the Franchisee and the author of such Copyrighted Materials warrant and represent as being created by and wholly original with the author. Where applicable, Franchisee agrees to obtain any other assignments of rights in the Copyrighted Materials from the author or third parties to copyright owner, its successors, and assigns that may be acquired.

7.25 Franchisee agrees to safeguard and maintain the value of the Copyrighted Materials and will not do anything that would adversely affect the value of the Copyrighted Materials. Franchisee will never attempt to dilute, directly or indirectly, the value attached to the Copyrighted Materials, nor to counsel, procure, or assist anyone else to do the same.

7.26 The Franchisor may decide, in its sole and absolute discretion, to apply to register or to register any Copyrighted Materials with respect to the Products or any other products or services. Failure of the Franchisor to obtain or maintain in effect any such application or registration is not a breach of this Agreement. Franchisee will not, before or after termination or expiration of the Agreement, register or apply to register any of the Copyrighted Materials, or any Copyrighted Materials or logo substantially similar thereto, anywhere in the world.

7.27 If, in Franchisor's reasonable determination, the use of Copyrighted Materials in connection with the Services and products will infringe or potentially infringe upon the rights of any third party or weakens or impairs Franchisor's rights in the Copyrighted Materials, then upon notice from Franchisor, Franchisee will immediately terminate or modify such use in accordance with Franchisor's instructions, and Franchisee will have no rights of damages, offset, or right to terminate this Agreement as a result thereof.

7.28 The license and related rights to use the System, the Manuals, designated and approved Franchisor's Marks and any other proprietary products granted by this Agreement are applicable only with respect to Operator's System Restaurant at the Location, and not elsewhere, except in the event of a relocation approved in writing by Franchisor. This Agreement does not authorize the use of mobile vending vehicles, carts, kiosks or any other non-traditional delivery systems.

7.29 Operator shall not interfere in any manner with, or attempt to prohibit, the use of Franchisor's Marks by any other Operator of Franchisor or in connection with any L & L Franchise System Restaurant authorized or branded products or operations.

7.30 Franchisor may, from time to time, in Franchisor's sole discretion, obtain additional trademark and/or service mark rights in words and/or designs. In the event of any of these occurrences, Franchisor may license Operator to use those trademarks or service marks by giving written notification to Operator that such marks now form part of Franchisor's Marks.

The term of such license will be coextensive with the term of this Agreement or as otherwise established by Franchisor, and will be subject to all restrictions with respect to the use of those rights as set forth in this Agreement and in the notice granting Operator the license.

7.31 Operator shall not utilize the letters, term or mark "L & L" or "Hawaiian Barbecue" or "Hawaiian Grill" in its corporate, partnership and/or limited liability entity name or in its internet, website or e-mail addresses.

ARTICLE 8. DISTRIBUTION AND PURCHASE OF EQUIPMENT, SUPPLIES, AND OTHER PRODUCTS.

Operator understands and acknowledges that the serving of inferior, inconsistent and/or non-conforming products under the L & L Franchise System

Restaurant name or any of the Franchisor's trademarks can have a detrimental impact on the L & L Franchise System Restaurant name and goodwill, devalue the Franchisor's trademark(s) and subject Franchisor to a loss of business which is not readily determinable and constitutes irreparable harm. Operator agrees to use only Franchisor's approved mayonnaise, sauces, spices, recipes, ingredients, raw materials and products and portion control formulas in the preparation of Authorized Products. Operator further agrees to only buy Raw Materials, as defined below, manufactured in accordance with Franchisor's specifications from approved manufacturers, distributed by approved distributors, and sold to Operator (See Exhibit G).

8.1 DEFINITIONS.

8.1.1 For the purpose of this Agreement, "distributor" is defined as any entity, except a manufacturer, that directly or indirectly delivers raw materials to the Operator. A "manufacturer" is defined as the entity that manufactures and/or sells the raw materials to a distributor. Raw Materials mean all of the products purchased from distributors, and/or manufactured or sold by manufacturers or production entities which are used in the creation of Authorized Products. Raw Materials include, but are not limited to printed paper goods, precut and/or premarinated meats (cooked and uncooked), produce, seafood, bakery products, beverages, grocery items, clothing, processed foods, dressings, desserts, seasonings, spices, condiments, sauces, frozen entrees, prepared entrees, packaged entrees, frozen meals, prepared meals, packaged meals and such other items as designated by Franchisor as Raw Materials (collectively, the "Raw Materials") (See Exhibit G). "Authorized" means approved by Franchisor in accordance with the procedures established in this Agreement.

8.2 DISTRIBUTORS.

8.2.1 Operator acknowledges that it is generally unrealistic from a cost and service basis to have more than one distributor in the market area of Operator's System Restaurant, and that to obtain the lowest-distribution costs, all regional operators should only purchase from one authorized L & L Franchise System Restaurant distributor. Operator agrees to only purchase all equipment, supplies, Raw Materials and other products and materials necessary for the operation of its System Restaurant solely from Authorized distributors (See Exhibit G), and other authorized sources who demonstrate, to the continuing reasonable satisfaction of Franchisor, the ability to meet Franchisor's then-current standards and specifications for such items; who possess adequate quality controls and capacity to supply Operator and all other System operators needs promptly and reliably; who demonstrate the ability and willingness to work with Franchisor to provide the assistance needed by the those operators in the region and all other System Operators; who agree to distribute all authorized L & L Franchise System Restaurant products; who comply with Franchisor's reasonable requirements; and who have been approved in writing by Franchisor and not thereafter disapproved.

8.2.2 If Operator desires to purchase any items from an unapproved distributor, whom Operator desires to become an Authorized distributor, Operator shall first submit

a written request, in duplicate, for such approval to Franchisor, addressed to President, L & L Franchise, Inc., 931 University Avenue, Suite 202, Honolulu, Hawaii, 96826, accompanied by a similar written request for approval from the proposed distributor. Franchisor shall have the right to require that the proposed distributor provide reasonable financial, operational and economic information regarding its business and that Franchisor's representatives be permitted to inspect the proposed distributor's facilities and establish economic terms, delivery, service and other requirements consistent with other distribution relationships for other system restaurants. The proposed distributor shall pay to Franchisor in advance all of Franchisor's reasonable costs incurred in review of the application of the distributor to service the Operator as well as all current and future reasonable costs related to inspecting and reinspecting the distributor's facilities, equipment and Raw Materials in the distributor's possession at any time. Franchisor may revoke its approval upon the distributor's failure to continue to meet any of Franchisor's criteria. Nothing in this article shall require Franchisor to approve any distributor. Upon the receipt by Franchisor of Operator's and the proposed distributor's request for approval in full compliance of this article and the completion of all of the inspections needed by Franchisor to evaluate the distributor, Franchisor will notify Operator of its decision within ninety (90) days after the receipt of a completed request for approval or the completion of inspections (if required). In the event an alternate approved distributor to the recommended distributor is used by Operator, as a condition thereof Operator and all other operators shall authorize the alternate distributor to provide to Franchisor duplicate purchase invoices for Franchisor's records and inspection purposes and to otherwise comply with Franchisor's reasonable requests.

8.3 MANUFACTURERS.

8.3.1 The parties agree that Franchisor's product specifications and portion control system are highly confidential information and are trade secrets of Franchisor. In order to (i) achieve appropriate pricing, (ii) obtain the L & L Franchise System Restaurant authorized Raw Materials for Operator and all of Franchisor's System Restaurants, and (iii) establish consistent uniformity of L & L Franchise System Restaurant products, Operator acknowledges that purchasing by all System or regional operators from approved manufacturers is a necessity. Because of the importance of quality and uniformity of product and the significance of product specifications and portion control in the preparation of Authorized Products to achieve and maintain such quality and uniformity, it is to the mutual benefit of the parties that Franchisor closely control the production and distribution of the Raw Materials used to produce authorized products sold by Operator. Similar considerations may also apply to other products, which Franchisor may develop in the future. Operator therefore agrees to purchase only Raw Materials manufactured in accordance with Franchisor's specifications and quality standards by approved manufacturers who demonstrate, to the continuing reasonable satisfaction of Franchisor, the ability to meet Franchisor's then-current standards and specifications for such items; who possess adequate quality controls and capacity to meet the needs of Operator and all other System Operators in a given region or territory promptly and reliably; who demonstrate the ability and willingness to work with Franchisor and to provide the assistance needed by the L & L Franchise System

Restaurant and who have been approved in writing by Franchisor and not thereafter disapproved.

8.3.2 If Operator desires to purchase any items from an unapproved manufacturer, who Operator desires to become an Authorized manufacturer, Operator shall first submit a written request, in duplicate, for such approval to Franchisor, addressed to (i) President, L & L Franchise, Inc., 931 University Avenue, Suite 202, Honolulu, Hawaii, 96826, accompanied by a similar written request for approval from the proposed manufacturer. Franchisor shall have the right to require that the proposed manufacturer provide reasonable financial, operational and economic information regarding its business and that Franchisor's representatives be permitted to inspect the proposed distributor's facilities and establish economic terms, delivery, service and other requirements consistent with other with other manufacturing relationships for other system restaurants. The proposed manufacturer shall pay to Franchisor in advance all of Franchisor's reasonable costs incurred in review of the application of the manufacturer to service the Operator as well as all current and future reasonable costs related to inspecting and reinspecting the manufacturer's facilities, equipment and Raw Materials at any time. Franchisor may revoke its approval upon the manufacturer's failure to continue to meet any of Franchisor's criteria. Nothing in this article shall require Franchisor to approve any manufacturer. Upon the receipt by Franchisor of Operator and the proposed manufacturer's request for approval in full compliance of this article and the completion of all of the inspections needed by Franchisor to evaluate the manufacturer, Franchisor will notify Operator of its decision within 90 days after completion of such application and inspections. If an alternate approved manufacturer to the recommended manufacturer is used by Operator, as a condition thereof Operator and all other operators shall authorize the alternate manufacturer to provide to Franchisor duplicate purchase invoices for Franchisor's records and inspection purposes and to otherwise comply with Franchisor's reasonable requests.

8.3.3 Franchisor reserves the right in its sole discretion to add, delete and/or change authorized products and/or raw materials for use by Operator.

8.4 PURCHASE OBLIGATIONS.

Operator agrees to purchase the following items from the approved distributor and manufacturer designated by Franchisor:

8.4.1 all L & L Franchise System Restaurant Products that bear Franchisor's Mark. Operator agrees to cooperate with Franchisor with respect to the purchase, display and sale of any Authorized Products authorized for sale by Franchisor. Operator consents to the receipt by Franchisor of licensing fees from manufacturers who manufacture Authorized Products, which fees compensate Franchisor for such use of Franchisor's Marks.

9.1 CONTINUING FRANCHISE FEES.

9.1.1 Operator shall pay to Franchisor monthly by the tenth (10^{th}) of the following month, three percent (3%) of the monthly gross sales of Operator's System Restaurant. In the event there is an express mutual written agreement between Franchisor and Operator for the renewal or extension of the term of this Agreement, the continuing franchise fee of three percent (3%) of monthly gross sales shall be subject to increase. For the purposes of this Agreement, "gross sales," means gross revenues excluding state sales or excise taxes (excluding price discounts and allowances) received by Operator as payment, whether in cash, by debit card or account, gift certificates, or for credit (and, if for credit, whether or not payment is received therefor),

for all beverages, food, and other goods, services, and supplies sold in or from each of Operator's System Restaurants for on premise dining, take-out, carry-out, delivery, catering and otherwise, and gross revenues received by Operator from any other business (including, but not limited to, all revenues from any mechanical or other device, such as vending or game machines installed at the Location) operated at the Location, excluding state sales or excise taxes. Franchise operators who became Franchisee operators under earlier versions of franchise agreements were afforded a different initial and/or continuing franchise fee.

In the event Operator enters into Franchise Agreement to operate more than one System Restaurant, Operator shall pay Franchisor such continuing franchise fees for each System Restaurant.

9.1.2 At Franchisor's request, Operator shall promptly execute or re-execute within five (5) days after Franchisor's request, and deliver to Franchisor appropriate pre-authorized check forms or such other instruments or drafts required by Franchisor's bank, payable against Operator's bank account, to enable Franchisor to electronically (draft on Operator's account by electronic withdrawal), collect the continuing franchise fees and advertising fee three percent (3%) and one percent (1%) (see Article 6) of gross sales payable under the terms of this Agreement. At Franchisor's request, Operator shall, within five (5) days after such request, promptly perform such acts as to enable Franchisor or its designee to access, receive and copy any and all information regarding Operator's "gross sales" as defined in this Agreement and/or to connect its computers to Operator's computer(s) or Operator's POS System so that Franchisor or its designee may electronically obtain statistical information regarding Operator's business activities that Franchisor may in its sole discretion seek to obtain. Operator agrees to not disconnect Franchisor or its designee from such connection or phone line at any time, for any reason, without Franchisor's prior written approval. Operator specifically authorizes Franchisor to either "upload" or "download" information in and from or to its computers, cash registers or other such devices as allowed by law, as it relates to the System Operation by internet, intranet and other networks or other means as they become available.

9.1.3 Operator shall report its gross sales the tenth (10^{th}) of the following month or at such other times as are established by Franchisor in its sole discretion. If Operator fails to report its sales on a timely basis, Franchisor may estimate the amount of Operator's sales. Franchisor will then deposit or transfer the reported, or in the absence of a report, the estimated, amounts due into its own account, using the System Operator's pre-authorized checks or other instruments. If any draft, electronic or otherwise, is unpaid because of insufficient funds or otherwise, then Operator shall pay Franchisor's expenses arising from such non-payment, including bank fees in the amount of at least fifty dollars ($50), hourly staff charges arising from such default, and any other related expenses incurred by Franchisor. By the tenth (10^{th}) day of each month Operator shall pay to Franchisor any sums unpaid for the prior month to adjust for sales owed for any partial month or sales that were unpaid, improperly recorded or not credited on Operator's books and records. Operator hereby agrees to pay any sales, use or other tax now or hereinafter imposed on franchise fees, advertising fees

or any additional rental collected under the sublease for the Location, imposed by any Federal, state or local governmental authorities. Franchisor, at its sole discretion, may collect the taxes in the same manner as franchise fees are collected herein and if Franchisor collects such taxes, Franchisor shall promptly pay the tax collections to the appropriate governmental authority.

The Franchisee shall also submit to the Franchisor current financial statements and other reports as the Franchisor may reasonably request to evaluate or compile research and performance data on any operational aspect of the System Restaurant Business. On or before April 30th each year, the Franchisee shall provide the Franchisor with a copy of its federal tax return for the previous tax year and the federal tax returns, bank and investment account records of the owners of the corporation, LLC or partnership that owns this franchise. The records required under this Section 9.2.1 pertain only to the Franchisee's operation of the Business. The Franchisor has no right to inspect, audit or copy the records of any unrelated business activity the Franchisee may have. The Franchisee shall keep the books and records of the Business separate from the records of any unrelated business activity or personal activity.

9.2.2 From the date the Franchisee and the Franchisor sign this Agreement until three (3) years after the end of the Initial Term of this Agreement or as required by

law whichever is longer, the Franchisor or Franchisor's authorized agent shall have the right to request, receive, inspect and audit any of the records referred to above wherever they may be located. The Franchisor agrees to do inspections and audits at reasonable times. Upon ten (10) days prior written notice, Franchisor, its agents or representatives may audit Operator's books and records in accordance with generally accepted standards established by certified public accountants. In connection with such audit(s) or other operational visits, Operator agrees to keep its cash receipts records, weekly and monthly control forms, accounts payable records including all payments to Operator's suppliers in its System Restaurant or at its business office for five (5) years after their due date or any longer period of time as required by law, which records shall be available for examination by Franchisor or its representative(s), at Franchisor's request. Without any prior written notice, Franchisor, its agents or representatives may inspect Operator's entire System Restaurant and Operator's daily, weekly and monthly statistical information which is required under the Operational Manual. Operator shall make such Information available for such inspections in recognition that an operational inspection cannot succeed without review of essential statistical information.

9.2.3 If any audit or other investigation reveals an under-reporting or under-recording error of two percent (2%) or more, then in addition to any other sums due, the expenses of the audit/inspection shall be borne and paid by Operator upon billing by Franchisor, plus interest at the highest rate authorized by the state in which the System Restaurant is located, but not to exceed the rate of fifteen percent (15%) per annum. If the Franchisee's records and procedures are insufficient to permit a proper determination of gross sales, the Franchisor shall have the right to deliver to the Franchisee an estimate, made by the Franchisor, of gross sales for the period under consideration and the Franchisee shall immediately pay to the Franchisor any amount shown thereby to be owing on account of the continuing franchise fee and other sums due on account of any understatement. Any such estimate shall be final and binding upon the Franchisee.

9.2.4 Operator acknowledges that Franchisor's Operations Department regularly reviews ongoing operations at System Restaurants to ensure consistency of products and service and compliance with the Manuals and this Agreement. Operator therefore agrees to promptly complete and submit all forms requested by Franchisor's Operations Department, whether on a daily, weekly or monthly basis. Non-compliance with this obligation constitutes a material violation of this Agreement.

The Franchisee hereby authorizes the Franchisor to make reasonable inquiries of the Franchisee's bank, suppliers and trade creditors concerning the System Restaurant business and hereby directs such persons and companies to provide to the Franchisor such information and copies of documents pertaining to the System Restaurant business as the Franchisor may request.

ARTICLE 10. COVENANT REGARDING OTHER BUSINESS INTERESTS.

10.1 For purposes of this Article only, "Operator" shall mean and include the individual Operator; Operator's spouse and children, Operator's shareholders, officers, and directors, if Operator is a corporation; and any one or more partners or participants in Operator, if Operator is a partnership or joint venture, or members, if Operator is an LLC.

The Franchisee acknowledges and agrees that all of the Confidential Information is the property of the Franchisor and that the Franchisor has the right to use the Confidential Information in any manner it wishes at any time. The Franchisor has the right to contact any and/or all of Franchisee's customers, suppliers and other service providers for quality control, market research and such other purposes as the Franchisor deems appropriate, in its sole and absolute discretion. The Franchisee shall maintain the confidentiality of the Confidential Information and will not use the Confidential Information in an unauthorized manner or disclose the same to any unauthorized person without first obtaining the Franchisor's written consent. The Franchisee acknowledges the Franchisor's Marks and System have valuable goodwill attached to them, that the protection and maintenance thereof is essential to the Franchisor and that any unauthorized use or disclosure of the Franchisor's Marks, the System, or the Confidential Information will result in irreparable harm to the Franchisor.

The Franchisee acknowledges that the Confidential Information is a valuable asset of the Franchisor's, includes trade secrets of the Franchisor and is disclosed to the Franchisee on the condition that the Franchisee, and the Franchisee's owners and employees who have access to the Confidential Information agree that during and after the Initial Term of the applicable agreement they: (1) will not use the Confidential Information in any other business or capacity; (2) will maintain the absolute confidentiality of the Confidential Information; (3) will not make unauthorized copies of any portion of the Confidential Information disclosed in written or other tangible form; and (4) will adopt and implement all reasonable procedures the Franchisor periodically requires to prevent unauthorized use or disclosure of the Confidential Information including requiring employees, cooks, training class attendees, and owners who have access to the Confidential Information to execute nondisclosure and noncompetition

agreements as the Franchisor may require periodically, and provide the Franchisor, at the Franchisor's request, with signed copies of each of those agreements.

The restrictions on the disclosure and use of the Confidential Information will not apply to the following: (a) information, and knowledge which are or become generally known in the Operation of a restaurant business, other than through disclosure the Franchisee makes (whether deliberate or inadvertent); and (b) the disclosure of the Confidential Information in judicial or administrative proceedings to the extent that the Franchisee is legally compelled to disclose the information, if the Franchisee has notified the Franchisor before disclosure and used the Franchisee's best efforts, and afforded the Franchisor the opportunity to obtain an appropriate protective order or other assurance satisfactory to the Franchisor of confidential treatment for the information required to be disclosed.

10.2.1 During the term of this Agreement, except with Franchisor's prior written consent, Operator shall not, in any capacity whatsoever, either directly or indirectly, individually or as a member of any business organization, engage in the production or sale at retail or wholesale of any food product or any other main course item authorized by Franchisor, now or in the future approved by Franchisor for use in Operator's System Restaurant, or have any employment or interest in any firm engaged in the production or sale of such products.

10.2.2 Upon the termination, expiration or nonrenewal of this Agreement, or if Operator assigns or transfers its interest herein to any person or business entity, or if any person identified in the first paragraph of this Article terminates his, her or its relationship with Operator, then for a period of twenty-four (24) months thereafter such Operator shall not within five (5) miles of any L & L Franchise System Restaurant, in any capacity whatsoever, either directly or indirectly, individually or as a member of any business organization, engage in the production or sale at retail of any food product called or designated as "Hawaiian" food and/or barbecued meat and/or chicken katsu and/or breaded cutlet of chicken or meat and/or spam musubi and/or chicken musubi, kalua style or smoke flavored meat, lau lau and/or plate lunches with scoop(s) of rice and/or macaroni salad, and/or have any employment or interest in any firm engaged in the production or sale at retail or wholesale of any such products unless Franchisor gives its prior written consent. THE FRANCHISEE EXPRESSLY ACKNOWLEDGES THAT IT POSSESSES SKILLS AND ABILITIES OF A GENERAL NATURE AND HAS OTHER OPPORTUNITIES TO EXPLOIT SUCH SKILLS. CONSEQUENTLY, ENFORCEMENT OF THE COVENANTS SET FORTH ABOVE WILL NOT DEPRIVE THE FRANCHISEE OF THE ABILITY TO EARN A LIVING. This franchise agreement contains a liquidated damages clause, Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

10.2.3 In the event any portion of the above covenants violates laws affecting Operator, or is held invalid or unenforceable in a final judgment to which Franchisor and Operator are parties, then the maximum legally allowable restriction permitted by law shall control and bind Operator. The parties have attempted in Section 10.2.2 above to limit the Franchisee's right to compete only to the extent necessary to protect the Franchisor from unfair competition. The parties hereby expressly agree that if the scope of enforceability of the provision of Section 10.2.2 is disputed at any time by the Franchisee, a court or arbitrator, as the case may be, may modify Section 10.2.2 to the extent that it deems necessary to make such provision enforceable under applicable law. Franchisor may at any time unilaterally reduce the scope of any part of the above covenants, and Operator shall comply with any such reduced covenant upon receipt of written notice.

10.3 The provisions of this Article shall not limit, restrain or otherwise affect any right or cause of action which may accrue to Franchisor for any infringement of, violation of, or interference with, this Agreement, or Franchisor's Marks, System, trade secrets, or any other proprietary aspects of Franchisor's business.

Accordingly, in order to induce Franchisor to execute this Agreement, Operator confirms to Franchisor and, if so requested by Franchisor, Operator agrees to execute a Rider/Questionnaire to this agreement that acknowledges that Franchisor is relying upon the acknowledgments, representations and commitments of Operator that, other than the person signing this Franchise Agreement on behalf of Franchisor, no other salesman, staff member, entity, or associate of Franchisor has met Operator regarding this franchise sale or the offer and acceptance thereof other than those set forth therein. If a rider is provided, the rider shall identify all sales persons involved in the sales, negotiation and execution of this Agreement and shall identify the franchisor. ARTICLE 13. LOCAL RESTAURANT MARKETING MANUAL.

Operator acknowledges that Franchisor' s manual and other marketing and advertising material may emphasize the implementation of marketing efforts within a

certain radius of Operator's System Restaurant. Such references, suggestions and emphasis do not directly or indirectly grant to Operator a protected market or other exclusive right within such marketing area, but rather reflects the reality that Operator's local marketing activities should initially be commenced in the area immediately adjacent to its System Restaurant and that such marketing activities may be in competition with the marketing activities of other L & L Franchise System Restaurant operators.

ARTICLE 14. NATURE OF INTEREST AND TRANSFER.

14.1 GENERAL PROVISIONS.

14.1.1 This Agreement shall inure to the benefit of the successors and assigns of Franchisor. Franchisor shall have the right to merge with or be acquired by and/or to transfer or assign this Agreement to any person or legal entity who assumes its terms and agrees to comply with Franchisor's obligations contained herein. Franchisor shall have no liability for the performance of any obligations contained in this Agreement after the effective date of such transfer or assignment.

14.1.2 The rights and duties created by this Agreement are personal to Operator. Accordingly, except as otherwise permitted herein, neither Operator nor any person with an interest in Operator shall, without Franchisor's prior written consent, directly or indirectly sell, assign, transfer, convey, give away, pledge, mortgage, or otherwise encumber any direct or indirect interest in this Agreement or, if Operator is a partnership, joint venture, LLC (limited liability company) or corporation, any shares of stock, partnership interest, equity interest, direct or indirect interest in Operator. Any such purported assignment occurring by operation of law or otherwise without Franchisor's prior written consent shall constitute a default of this Agreement by Operator, and shall be null and void. This provision may not be enforceable under the federal bankruptcy law, 11 U.S.C.A. Section 101 et seq. Except in the instance of Operator advertising to sell its System Restaurant pursuant to the terms hereof, Operator shall not, without Franchisor's prior written consent, offer for sale or transfer at public or private auction or advertise publicly for sale or transfer, the furnishings, interior and exterior decor items, supplies, fixtures, equipment, Operator's lease or the real or personal property used in connection with Operator's System Restaurant.

14.1.3 In the event Operator, if Operator is an individual, or any person with an interest in Operator wishes to, directly or indirectly, sell, assign, transfer, convey and/or give away any direct or indirect interest in this Agreement or if operator is a partnership, joint venture, LLC or corporation, any shares of stock, partnership interest, equity, interest, direct or indirect interest in Operator and/or if such operator or person with an interest in Operator receives a bona fide offer to purchase from another person, party or entity to purchase or acquire any interest in this Agreement or any interest in Operator, such Operator or person with an interest in Operator shall first give written notice to Franchisor by certified or registered mail stating the terms and conditions of any proposed sale, assignment, transfer, conveyance or gift. Upon receipt of such notice

by Franchisor, it shall have the first right, privilege and option to purchase such interest from the seller, assignor or transferor upon any of the following terms and conditions at Franchisor's sole election and discretion: (1) the same terms and conditions of the proposed sale, assignment, transfer, conveyance or gift or (2) at a price determined by taking forty percent (40%) of the average of Operator's annual gross sales (as defined in Section 9.1.1) for the three (3) full calendar years preceding the date of the proposed sale, assignment, transfer, conveyance or gift multiplied by the percentage interest being sold, assigned, transferred, conveyed or gifted, whichever is lower. Franchisor's option to purchase or exercise its right of first refusal may be exercised by Franchisor providing notice in writing to the seller, assignor or transferor within ninety (90) days after Franchisor's receipt of written notice from the seller, assignor or transferor.

If Franchisor does not purchase all of stock, partnership interest, equity interest or direct or indirect interest in this Agreement or in Operator, under the option given and granted Franchisor by this section, the seller, assignor or transferor may sell or dispose of the same, or so much thereof as shall not to have been so purchased, to the person or persons named in the aforementioned notice; provided, however, that he shall not sell or dispose of such interest (a) at a lower price or on more favorable terms to the purchaser or transferee than the price and the terms set forth in such bona fide offer to purchase, or (b) in a greater quantity than that offered to Franchisor. If the seller, assignor or transferor does not, within ninety (90) days after termination of the last of the options hereinabove granted to the Franchisor, sell or dispose of the interest so designated for sale or disposition, then such proceedings for sale, transfer or attempted sale shall thereupon terminate, and the foregoing right of the seller, assignor or transferor to sell or dispose of such interest to others shall likewise terminate; thereafter, such seller, assignor or transferor shall again give the same notice and Franchisor shall again have the same rights, privileges and options, all as hereinabove provided.

Any persons acquiring an interest in this Agreement or in Operator shall acquire such interest subject to all the terms, conditions and restrictions contained in this Agreement.

14.2 CONSENT TO TRANSFER.

For all proposed transfers or assignments of this Agreement by Operator or transfers of more than twenty percent (20%) of the outstanding and issued stock partnership or equity interest of Operator by one or more transfers or any transfer which, directly or indirectly, effectively changes management control of Operator, Franchisee shall provide written notice to Franchisor not less than thirty (30) days prior to transfer. Franchisor will not unreasonably withhold its consent to any transfer or assignment which is subject to the restrictions of this Article, provided however, Franchisor shall not be required to give its consent unless all of the following conditions are met prior to the effective date of assignment:

14.2.1 All transfer or assignments shall be processed through an independent escrow company unless waived by Franchisor.

14.2.2 Upon the execution of this Agreement and upon each direct or indirect transfer of an interest in this Agreement or in Operator and at any other time upon Franchisor's request, Operator shall, within five (5) days prior to such transfer or at any other time at Franchisor's request, furnish Franchisor with an estoppel agreement indicating any and all causes of action, if any, that Operator may have against Franchisor or if none exist and a list of all shareholders or partners having an interest in this Agreement or in Operator, the percentage interest of each shareholder or partner, and a list of all officers and directors, in such form as Franchisor may require.

14.2.4 The Operator if an individual or partners and its shareholders or members, if the Operator is a corporation or limited liability company, have executed a general release under seal, in a form prescribed by Franchisor, of any and all claims against Franchisor, its affiliates, subsidiaries, shareholders, directors, officers, subfranchisors and employees.

14.2.6 The transferee/assignee has assumed this Agreement by a written assumption agreement approved by Franchisor, or has agreed to do so at closing, and at closing executes an assumption agreement approved by Franchisor.

14.2.7 The transferee/assignee, its manager or other employees responsible for the operation of the System Restaurant have satisfactorily completed Franchisor's training program.

14.2.8 The transferee/assignee executes such other documents as Franchisor may require, including a replacement franchise agreement on the then franchise agreement form used by Franchisor, in order to assume all of the obligations of this Agreement, to the same extent, and with the same effect and for the same remaining term of this Agreement as previously assumed by the assignor.

14.2.9 Prior to the completion of Operator's sale transaction, Operator shall pay to Franchisor an administrative/transfer fee of seven thousand five hundred dollars ($7,500.00) or in the event of a non-sale management transfer, a for two thousand dollars ($2,000 to cover Franchisor's training expenses. The seven thousand five

hundred dollars ($7,500.00) administrative transfer fee will not be due with respect to any transfer that (together with all other related previous, simultaneous, or proposed transfer) does not result in the transfer of control of Operator.

14.2.10 Operator's rights may pass to Operator's next of kin or legatee if they assume Operator's obligations and attend and complete Franchisor's training program. Upon Operator's disability, Operator may sell the franchise or keep it, if operated by trained personnel.

14.2.11 Franchisor's consent to a transfer shall not constitute a waiver of any claims it may have against the transferring party arising out of this Agreement or otherwise and the transferring party and/or individuals shall remain obligated and liable to Franchisor for all of Operator's and Guarantor's obligations under this Agreement and any Guarantys given to Franchisor.

14.2.12 If Operator is an individual, Franchisor hereby consents to the assignment of this Agreement and any and all obligations referable thereto without any fee charged by Franchisor to a corporation or limited liability company principally owned by Operator within ninety (90) days from the date hereof. Upon such assignment and assumption by the corporation along with delivery of executed originals of same to Franchisor, an individual Operator shall not be released from any and all personal liability.

14.3 TRANSFEROR OBLIGATION TO PROVIDE TRANSITION ASSISTANCE.

In the event Operator or any person with an interest in Operator wishes to directly or indirectly, sell, assign, transfer, convey and/or give away any direct or indirect interest in this Agreement or in any stock, partnership interest, equity, direct or indirect interest in Operator which, directly or indirectly, effectively changes management control of Operator, the transferor of such interest shall be required, as a condition of any such proposed transfer, to provide to the proposed transferee or assignee training, consultation and assistance for a minimum period of six (6) weeks to facilitate the transition of ownership, management and control of the franchise agreement.

15.2 DEFAULTS WITHOUT OPPORTUNITY TO CURE.

Operator shall be in default and Franchisor may, at its option, upon sixty (60) days written notice to Operator, terminate this Agreement and all rights granted by it, without affording Operator any opportunity to cure the default, upon the occurrence of any of the following events:

15.2.1 Operator's knowingly, intentionally or negligently maintaining false books or records, or submitting any false report or payment to Franchisor;

15.2.2 Operator's conduct of the System Restaurant licensed pursuant to this Agreement, as reasonably determined by the Franchisor, is so contrary to this Agreement, the System and the Manuals as to constitute an imminent danger to the public health or safety (for example, selling spoiled food knowing that the food products are spoiled or allowing a dangerous condition arising from a lack of security for customers to continue despite Operator's knowledge of such condition), or selling unauthorized products to the public after notice of default and continuing to sell such products whether or not Operator has cured the default after one or more notices;

15.2.3 The conviction of a crime relevant to the franchise, or a crime involving moral turpitude, or any other crime or offense that is reasonably likely, in the sole reasonable opinion of Franchisor, to adversely affect the System, Franchisor's Marks; the goodwill associated with the System or Franchisor's interest in each of them by Operator's, or its controlling or operating shareholders or members if Operator is a limited liability company, or Operator's partners if Operator is a partnership, excluding non-managing partners;

15.2.4 Operator's intentional disclosure or use of the contents of the Manual, trade secrets or confidential or proprietary information provided to Operator by Franchisor in violation of this Agreement; or

15.2.5 If Operator repeatedly commits defaults under any provisions of this Agreement three (3) or more occasions in any twelve (12) month period, or six (6) or more occasions in any consecutive thirty-six (36) month period, even if Operator cured each such prior default, and even if Operator would otherwise be given an opportunity to cure the current default.

15.2.6 Operator's, without Franchisor's consent, ceasing to operate or otherwise abandoning its System Restaurant or, upon destruction of its System Restaurant, failure to rebuild and resume operation within a reasonable time. Cessation of the business shall not constitute a default under this Agreement if caused by condemnation, expiration of a Location lease pursuant to its terms at execution, natural, governmental or supplier related causes out of Operator's control, or when failure to rebuild following destruction of the System Restaurant is prohibited by law or the Location lease. governmental or supplier related causes out of Operator's control, or when failure to rebuild following destruction of the System Restaurant is prohibited by law or the Location lease. For purposes of this article, ceasing to operate or otherwise abandoning its System Restaurant shall be defined as Operator's failure to open its L & L Franchise System Restaurant for business for five consecutive days.

15.2.7 Underreporting monthly gross sales or underpaying continuing franchise fees to Franchisor by more than five (5) percent for three different months in any consecutive twelve (12) month period, even if Operator cures such underreporting or underpayment.

15.2.8 If during the period in which the franchise is in effect, there occurs any of the following events which is relevant to the franchise, immediate notice of termination without an opportunity to cure, shall be deemed reasonable:

a. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.);

b. The franchisee abandons the franchise by failing to operate the business for five (5) consecutive days during which the franchisee is required to operate the business under the terms of the franchise, or any shorter period after which it is not unreasonable under the facts and circumstances for the franchisor to conclude that the franchisee does not intend to continue to operate the franchise, unless such failure to operate is due to fire, flood, earthquake, or other similar causes beyond the franchisee's control;

c. The franchisor and franchisee agree in writing to terminate the franchise;

d. The franchisee makes any material misrepresentations relating to the acquisition of the franchise business or the franchisee engages in conduct which reflects materially and unfavorably upon the operation and reputation of the franchise business or system;

e. The franchisee fails, for a period of ten (10) days after notification of noncompliance, to comply with any federal, state, or local law or regulation, including, but not limited to, all health, safety, building, and labor laws or regulations applicable to the operation of the franchise;

f. The franchisee, after curing any failure engages in the same noncompliance whether or not such noncompliance is corrected after notice;

g. The franchisee repeatedly fails to comply with one or more requirements of the franchise, whether or not corrected after notice;

h. The franchised business or business premises of the franchise are seized, taken over, or foreclosed by a government official in the exercise of his or her duties, or seized, taken over, or foreclosed by a creditor, lienholder, or lessor, provided that a final judgment against the franchisee remains unsatisfied for thirty (30) days (unless a supersedeas or other appeal bond has been filed), or a levy of execution has been made upon the license granted by the franchise agreement or upon any property used in the franchised business, and it is not discharged within five (5) days of such levy;

i. The franchisee is convicted of a felony or any other criminal misconduct which is relevant to the operation of the franchise;

j. The franchisee fails to pay any franchise fees or other amounts due to the franchisor or its affiliate within five days after receiving written notice that such fees are overdue; or

k. The franchisor makes a reasonable determination that continued operation of the franchise by the franchisee will result in an imminent danger to public health or safety.

15.3 DEFAULTS WITH OPPORTUNITY TO CURE.

15.3.1 Except as otherwise provided in this Agreement, Operator shall have sixty (60) days after Franchisor's written notice of default within which to remedy any default under this Agreement, and to provide evidence of such remedy to Franchisor. If any such default is not cured within that time period, or such longer time period as applicable law may require, Franchisor may, at its option, terminate this Agreement and all rights granted by it, by sending a five (5) day written notice of cancellation of this Agreement to Operator. Upon the expiration of such five (5) day period, this Agreement shall end and expire as if it were the day fixed for termination of this Agreement.

15.3.2 Operator shall be in material default under this Article for any failure to comply with any of the requirements imposed by this Agreement. Such material defaults shall include, without limitation, the occurrence of any of the following events:

15.3.2.1 Operator's failure, refusal, or neglect to promptly pay any monies owed to Franchisor, its subsidiaries or affiliates, when due, or to submit the financial or other information required by Franchisor under this Agreement.

15.3.2.2 Operator's failure to maintain the standards specified by Franchisor in the Manual or otherwise.

15.3.2.3 Operator's failure, refusal or neglect to obtain Franchisor's prior written approval or consent as required by this Agreement.

15.3.2.4 Operator's misuse or unauthorized use of Franchisor's Marks or other impairment of the goodwill associated therewith or Franchisor's rights therein.

15.3.2.5 Operator's commencement or conducting of any business operation, or marketing of any product, under a name or mark which, in Franchisor's reasonable opinion, is confusingly similar to Franchisor's Marks.

15.3.2.6 Operator's default, without cure after the applicable grace period, under any lease, sublease, sub-sublease, mortgage, or deed of trust covering the Location.

15.3.2.7 Operator's failure to procure or maintain the insurance required by this Agreement or in the lease for the Location.

15.3.2.8 Operator's default in the performance of any term, condition or obligation in payment of any indebtedness to its landlord, distributors or suppliers or others arising out of the purchase of inventory, supplies or purchase or lease of equipment for operation of its System Restaurant, and if any such default is not cured within thirty (30) days after written notice by Franchisor to Operator, unless Operator is determined by an arbitrator or a court of competent jurisdiction to be not in default.

15.3.2.9 Operator's failure to use only Franchisor's approved mayonnaise, sauces, spices, recipes, ingredients, raw materials, product and portion control formulas in the preparation of authorized products.

15.3.2.10 Operator's failure to attend and satisfactorily complete any and all required initial training, system orientation programs and periodic franchisee training programs.

15.4 In the event of a default by Operator, any and all of Franchisor's costs and expenses related to or arising from such default, including reasonable legal, accounting, audit, and/or consultant fees and costs, any and all of Franchisor' s administrative staff and support costs and expenses incurred and/or related to such default shall be paid to Franchisor by Operator within five (5) days after written notice by Franchisor to Operator for and during any and all periods of time when Operator is in default in the performance of any term, condition or obligation of Operator under this Agreement, Operator shall pay to Franchisor an additional administrative costs and expenses

surcharge of twenty percent (20%) of the continuing franchise fees referred in Article 9 above as and for a minimum surcharge for Franchisor's costs and expenses as referenced in this paragraph. Operator and Franchisor agree that calculation of all such costs and expenses referenced in this paragraph may be difficult and/or uncertain and that the agreed minimum surcharge of twenty percent (20%) of the continuing franchise fee represents a reasonable and agreed minimum calculations of such costs and expenses. If Franchisor is able to establish that its actual costs and expenses incurred relating to Operator's default is greater than the agreed minimum surcharge, Operator shall promptly pay Franchisor the actual costs and expenses incurred but in no event less than the agreed minimum. Once Operator cures any and all defaults in the performance of any term, condition or obligation of Operator under this Agreement, Operator's obligation to pay the agreed minimum surcharge or Franchisor's actual costs and expenses incurred, whichever is higher, shall end until and unless Operator again becomes in default under this Agreement.

15.5 Notwithstanding the obligations of Operator and Franchisor to arbitrate all disputes and other conflicts, Operator and Franchisor acknowledge that certain defaults require immediate action to protect the appropriate party. Accordingly, Franchisor and Operator each hereby consent to and authorize the other party to apply to any court of competent jurisdiction for judicial assistance in restraining and enjoining violations of this Agreement. Both Franchisor or Operator are entitled to an injunction restraining Franchisor or Operator from committing or continuing to commit any default, breach or threatened breach of this Agreement, without showing or proving any actual damage sustained by the party seeking such relief.

15.6 Non-enforcement by Franchisor of any violation of the terms of this Agreement by Operator shall not constitute a waiver of such violation by Franchisor nor shall Franchisor be deemed to have waived any of its rights to enforce compliance by Operator of such breach or any other breach of this Agreement.

ARTICLE 16. RIGHTS AND OBLIGATIONS UPON TERMINATION.

Upon the termination of Operator's rights granted under this Agreement, (whether during the term of the Agreement or at its conclusion) the following apply:

16.1 Upon termination of this Agreement by lapse of time or by default, Operator's right to use Franchisor's Marks, or any other mark distributed by Franchisor or insignia or slogan used in connection therewith, or any confusingly similar trademark, service mark, trade name or insignia shall cease. Operator shall immediately discontinue use of Franchisor's Marks, System, and color scheme. Operator shall at its own cost, make cosmetic changes to Operator's System Restaurant from Franchisor's proprietary designs including but not limited to, the removal of all L & L Franchise System Restaurant identifying materials and distinctive L & L Franchise System Restaurant cosmetic finishes, tile walls, interior wall coverings and colors, exterior finishes and colors, signage and L & L Franchise System Restaurant counter equipment (which shall be deemed proprietary to Franchisor) from the Location as Franchisor may reasonably direct.

16.2 Franchisor may retain all fees paid pursuant to this Agreement.

16.3 Any and all obligations of Franchisor to Operator under this Agreement shall immediately cease and terminate.

16.4 Any and all rights of Operator under this Agreement shall immediately cease and terminate.

16.5 In no event shall a termination or expiration of this Agreement affect Operator's obligations to take or abstain from taking any action in accordance with this Agreement. The provisions of this Agreement which constitute post-termination covenants and agreements including but not limited to the obligations of Operator to not compete, to preserve confidential information and the obligation of Franchisor and Operator to arbitrate any and all disputes shall survive the termination or expiration of this Agreement.

16.6 Operator acknowledges and agrees that rights in and to Franchisor's Marks and the use thereof shall be and remain the property of Franchisor.

16.7 If Operator has registered any of Franchisor's Marks or the name L & L Franchise System Restaurant and/or the name L & L as part of Operator's assumed, fictitious or corporate name, Operator shall promptly amend such registration to delete Franchisor's Marks therefrom.

16.8 Operator shall immediately pay any and all amounts owing to Franchisor, its subsidiaries and affiliates.

16.9 Franchisor shall have the option, exercisable by written notice within thirty (30) days after the termination of this Agreement, to take an assignment of all Internet addresses, websites and/or telephone numbers (and associated listings) for Operator's System Restaurant. Operator is not entitled to any compensation from Franchisor if Franchisor exercises this option.

16.10 (a) Except as provided in this section 16.10, upon a lawful termination or nonrenewal of a franchisee, the franchisor shall purchase from the franchisee, at the value of price paid, minus depreciation, all inventory, supplies, equipment, fixtures, and furnishings purchased or paid for under the terms of the franchise agreement or any ancillary of collateral agreement by the franchisee to the franchisor or its approved suppliers and sources, that are, at the time of the notice of termination or nonrenewal, in the possession of the franchisee or used by the franchisee in the franchise business. The franchisor shall have the right to receive clear title to and possession of all items purchased from the franchisee under this section.

(b) This section shall not require the franchisor to purchase any personalized items, inventory, supplies, equipment, fixtures, or furnishings not reasonably required to conduct the operation of the franchise business in

accordance with the franchise agreement or any ancillary or collateral agreement or to which the franchisee, at the cessation of operation of the franchise business by the franchisee, cannot lawfully, or does not, grant the franchisor clear title and possession upon the franchisor's payment to the franchisee for the inventory, supplies, equipment, fixtures, or furnishings.

(c) This section 16.10 shall not apply when the franchisee declines a bona fide offer of renewal from the franchisor.

(d) This section 16.10 shall not apply if the franchisor does not prevent the franchisee from retaining control of the principal place of the franchise business.

(e) This section shall not apply to any termination or nonrenewal of a franchise due to a publicly announced and nondiscriminatory decision by the franchisor to completely withdraw from all franchise activity within the relevant geographic market area in which the franchise is located.

(f) This section shall not apply if the franchisor and franchisee mutually agree in writing to terminate or not renew the franchise.

(g) This section shall not apply to any inventory, supplies, equipment, fixtures, or furnishings that are sold by the franchisee between the date of the notice of termination or nonrenewal, and the cessation of operation of the franchise business, by the franchisee, pursuant to the termination or nonrenewal.

(h) Upon the termination or nonrenewal of a franchise, a franchisor may offset against the amounts owed to a franchisee under this section 16.10 any amounts owed by the franchisee to the franchisor.

16.11 Upon the termination or expiration of this Agreement, You shall: (a) not thereafter, directly or indirectly, at any time or in any manner identify yourself or any business as a current or former L & L Hawaiian Barbecue Franchise System Restaurant or as a current or former franchisee of or as otherwise associated with us, or use any marks, any colorable imitation thereof or any Mark substantially identical to or deceptively similar to any Mark in any manner or for any purpose, or utilize for any purpose any trade name, trademark or service mark, Domain Name, or other commercial symbol or all signs containing any Mark and return them to us or destroy forms and material containing any Mark or otherwise identifying or relating to a L & L Hawaiian Barbecue Franchise System Restaurant.

ARTICLE 17. INSURANCE.

17.1 To the fullest extent permitted by law, Operator agrees to indemnify, defend and keep harmless Franchisor and/or its officers, employees and agents, against any and all loss, damage, liability, claims, judgments or demands of every kind and nature, including but not limited to attorneys' fees and costs arising out of or relating to

Operator's business or operation on account of bodily injury, sickness, disease or death or on account of destruction of tangible property including the loss of use resulting therefrom to the extent cause or alleged to be caused in whole or in part by any negligent or intentional act or omissions of Operator or anyone directly or indirectly employed by Operator or anyone for whose act the Operator may be liable, regardless of whether or not it is caused in part by a party indemnified hereunder, and will make good to and reimburse Franchisor for any such loss or damage or for any expenditures the Franchisor may make by reason or such matters. Operator shall obtain and maintain insurance coverage which shall in each instance designate Franchisor, and its officers, directors, managers, agents, related companies and subsidiaries, as an additional named insured, with an insurance company approved by Franchisor, which approval shall not be unreasonably withheld as follows:

17.1.1 Comprehensive general liability insurance (including products liability and sexual harassment coverage); with coverage of $3,000,000 to $5,000,000 combined single limit for death, personal injury, and $300,000 property damage coverage.

17.1.2 Business interruption insurance, including Location rentals and Additional Rentals for twelve (12) months after casualty, in amounts equal to at least $100,000.

17.1.3 Workers' compensation insurance as required by applicable law.

17.1.4 Fire, windstorm and extended coverage insurance, insuring the construction of improvements and completed System Restaurant operated by Operator, for the full replacement value thereof.

17.1.5 If Operator establishes a delivery service for Authorized Products, Operator shall obtain separate non-owned auto coverage insurance. Operator may not directly or indirectly deliver any Authorized Products until such insurance is obtained and Franchisor named as additional insured therein.

17.1.6. Any insurance carried by Franchisor which may be applicable shall be deemed to be excess insurance and Operator's insurance shall be primary for all purposes despite any conflicting provision in Operator's policies to the contrary.

17.2 In the event of damage to the System Restaurant covered by insurance, the proceeds of any such insurance shall be used to restore the System Restaurant to its original condition as soon as possible, unless such restoration is prohibited by the Location lease or Franchisor has otherwise consented to in writing. Upon obtaining such insurance, Operator shall promptly provide to Franchisor proof of such insurance coverage and/or at such other times upon the request of Franchisor.

17.3 Operator shall, prior to opening its System Restaurant, file with Franchisor and regularly update, certificates of such insurance and shall promptly pay all premiums on the policies as they become due. In addition, the policies shall contain a provision

requiring thirty (30) days prior written notice to Franchisor of any proposed cancellation, modification, or termination of insurance. If Operator fails to obtain and maintain the required insurance, Franchisor may, at its option, in addition to any other rights it may have, procure such insurance for Operator without notice and Operator shall pay, upon demand, the premiums and Franchisor's costs in taking such action.

ARTICLE 18. SOLE OBLIGATIONS OF FRANCHISOR.

18.1 As described in Franchisor's Franchise Disclosure Document, received by Operator at least ten (10) business days prior to the execution of this Agreement, Franchisor has obligated itself to provide specific services to Operator. Franchisor also provides other voluntary services at its sole discretion. Franchisor and Operator agree that the following are the only required obligations of Franchisor:

18.1.1 To approve the Location of Operator in accordance with the terms of this Agreement.

18.1.2 To reasonably assist Operator with any operational or financial problem encountered by Operator, after notice to Franchisor sent to: L & L Franchise, Inc., Attn: President, 931 University Avenue, Suite 202, Honolulu, Hawaii, 96826 by certified mail (return receipt requested) or at any subsequent addresses established by Franchisor, of Operator's problem and the type of assistance needed. At no time shall reasonable assistance be interpreted to require Franchisor to pay any money to or for the benefit of Operator. Franchisor, in its sole discretion, may provide any assistance at Franchisor's designated office or upon Franchisor's election where Operator is located, at a time to be determined by Franchisor.

18.1.3 To reasonably administer to the advertising program in accordance with Franchisor's sole discretion.

18.1.4 To supply to Operator a set of standard decor and layout plans and to thereafter approve the initial decor and layout of Operator's System Restaurant provided they are consistent with Franchisor's requirements.

18.1 5 To loan Operator a copy of its Operations Manual or computer diskette thereof, which manual contains mandatory and suggested specifications, standards and procedures. This Manual is confidential and remains Franchisor's property.

18.1.6 To train Operator in accordance with Article 3 herein, and to provide representatives of Franchisor to assist in opening the System Restaurant.

18.2 Franchisor shall not, and can not be held in breach of this Agreement until (i) Franchisor has received notice of any alleged breach from Operator, by certified mail, sent to the party(ies) set forth in subparagraph 18.1.2 of this Article; and (ii) Franchisor has failed to remedy the breach within a reasonable period of time after such notice, which period shall not be less than sixty (60) days. This is a material term

of this Agreement and may not be modified or changed by any arbitrator in an arbitration proceeding or otherwise in any court of competent jurisdiction.

18.3 If you or any of your owners fail to comply with any provision of this Agreement or any mandatory specification, standard, or operating procedure prescribed by us, we may terminate this Agreement effective immediately upon delivery of written notice of termination to you.

ARTICLE 19. POINT OF SALE SYSTEM, COLLECTION OF DATA.

19.1 This Agreement and the Manuals may require the submission of daily, weekly or periodic statistical control forms as well as other financial and operational information required by Operator and Franchisor to: (i) assist Operator in the operation of its System Restaurant in accordance with the System; (ii) allow Franchisor to monitor the Operator's gross sales, purchases, costs and expenses; (iii) enable Franchisor to develop chainwide statistics which may improve bulk purchasing; (iv) assist Franchisor in the development of new authorized products or the removal of existing unsuccessful Authorized Products; (v) enable Franchisor to refine existing Authorized Products; (vi) generally improve chainwide understanding of the System; and (vii) obtain new types of information unknown at this time (collectively, the "Information"). To achieve these results, cash collection and data processing systems are necessary.

On request, you must maintain on-line communications between your computer system and our computer systems, and permit us independent access to, and retrieval of, data from your computer system at al times. Nothing limits our right to access or use the data we retrieve. (Franchise Agreement – Paragraph 19,2).

We may modify our specifications for computer systems at any time and will notify you of these developments by written bulletin or supplements to the Operations Manual. Depending on changes in software specifications, you may have to upgrade your computer hardware. There are no contract limitations on the frequency or costs of upgrades or changes in the computer systems we may impose. See Item 6 in the Franchise Disclosure Document regarding estimated annual software licensing fees for any proprietary software that we may introduce.

19.2 Operator must and shall only use point of sale equipment, software and systems that allow periodic and real time access by Franchisor to all of the information described in the preceding paragraph. Operator shall purchase and use the point of sale cash collection and data processing system (the "POS System") and only the specified software authorized by Franchisor, as specified in the Manual or otherwise by Franchisor in writing. The POS System includes a PC based cash register with touch

screen keyboard, register tape printer, magnetic strip reader, electronic cash drawer, defined Franchisor polling and register software and telecommunications equipment.

19.3 Operator shall (i) connect the POS System to a cable, DSL or broadband line(s) and/or the internet dedicated line which is accessible by Franchisor at all times; (ii) maintain it in good working order; and (iii) not disconnect any POS System connection from such internet connection at any time, for any reason, without prior written approval. Operator agrees, at Franchisor's request, to maintain membership in a designated third-party network for the purpose of implementing, transmitting, collecting and maintaining any Information or data exchange system.

Operator specifically authorizes Franchisor to either "upload" or "download" information in and from or to its computers, cash registers or other such devices as allowed by law, as it relates to the System Operation by inter net, intranet; and other networks and other means as they become available.

19.4 Operator may be required to upgrade or update its POS System. On Franchisor's request, Operator must apply for and maintain a debit card, credit card or other non-cash payment systems to enable customers to purchase products through these procedures. There is no contractual limitation on Franchisor's right to receive information through the POS System.

19.4.1 Upon termination of this agreement by us in accordance with its terms and conditions, or by you without good cause neither you or any of your principal owners shall directly or indirectly, through a member of the immediate family of your or a principle owner or otherwise for a period of two (2) years commencing on the effective date of such termination or expiration or the date on which you cease to operate the L & L Franchise System Restaurant, whichever is later: (a) have any interest as a disclosed or beneficial owner in any competitive business located or operated within a two (2) mile radius of any L & L Franchise System Restaurant.

ARTICLE 20. RELATIONSHIP OF PARTIES, DISCLOSURE.

20.1 Franchisor and Operator are not and shall not be considered joint ventures, partners, or agents of each other, or anything other than Franchisor and Operator, and neither shall have the power to bind or obligate the other except specifically as set forth in this Agreement. Franchisor and Operator agree that the relationship created by this Agreement is not a fiduciary relationship. Operator shall not, under any circumstances, act or hold itself out as an agent or representative of Franchisor. Operator agrees that in all public records and in its relationships with other entities or agencies, on its letterheads and business forms and on a notification exhibited in Operator's premises, Operator will indicate clearly that it is an independent franchisee of Franchisor.

The Franchisor shall have no liability for the Franchisee's obligations to pay any third parties, including without limitation, any product vendors, or any value added, sales, use, service, occupation, excise, gross sales, income, property or other tax levied upon

the Franchisee, the Franchisee's property, the Franchisee's business or upon the Franchisor in connection with the sales made or business conducted by the Franchisee.

20.2 As set forth in the Franchise Disclosure Document delivered to Operator as described above, Operator acknowledges that Franchisor has entered or may in the future enter into certain franchise agreements with subfranchisors and/or area developers in certain areas and territories. Pursuant to these contracts, the subfranchisors of Franchisor are obligated to provide certain sales, operational and support services for Franchisor. Operator acknowledges that the relationship between Franchisor and all of its subfranchisors and/or area developers is strictly contractual and that no subfranchisor and/or area developer is an agent of Franchisor. Accordingly, Operator acknowledges and agrees that any past, current or future subfranchisor is not the actual, express or implied agent of Franchisor, and has no power or authority to: (i) act on Franchisor's behalf; (ii) enter into or execute any agreement on Franchisor's behalf; (iii) make any representation or promise on Franchisor's behalf; or (iv) bind Franchisor in any way. Unless otherwise specifically agreed to in writing, Franchisor expressly disavows any acts by others, including subfranchisors, that purport to bind Franchisor in any way. Operator agrees to waive any claim or defense in any litigation or arbitration proceeding that a subfranchisor is the express or implied agent of Franchisor. Operator agrees that any attempt to raise, assert or justify such claim or defense in any proceeding constitutes a material default of this Agreement.

ARTICLE 21. DISPUTE RESOLUTION: ARBITRATION AND LEGAL PROCEEDINGS.

21.1 Franchisor and Operator acknowledge that disputes or disagreements may arise during the term of this Agreement and any renewals thereto. Franchisor and Operator have elected to resolve such disputes or disagreements in a non-judicial alternative dispute resolution format ("ADR"). An ADR format seeks to minimizes the expense of dispute resolution and generally can be accomplished in a more expeditious and effective manner. By agreeing to an ADR format, both Operator and Franchisor are also waiving a number of rights, remedies and privileges which may arise in a judicial resolution format including, but not limited to right as a jury trial and full judicial appeals. In view, however, of the continuing relationship between Operator and Franchisor over the original and renewal terms of this Agreement, both Operator and Franchisor agree that an ADR format is the most economical, efficient and practical way to resolve disputes and disagreements.

21.2 Accordingly, except as otherwise provided in this Agreement, in the event of any dispute or disagreement between Franchisor and Operator with respect to any issue arising out of or relating to this Agreement and/or any associated or related Confidential Information Agreement and/or Personal Guaranty, any claimed breach, interpretation or any other disagreement between Operator and Franchisor, the parties agree to pursue good faith mediation of such matter in accordance with the then current Commercial Mediation Rules of the American Arbitration Association. Should the matter not be resolved in mediation, such dispute or disagreement shall be resolved by arbitration in accordance with the then current Commercial Arbitration Rules of the American Arbitration Association. In the event of any dispute or disagreement, Operator

and Franchisor both agree to submit the dispute to arbitration in accordance with the least expensive procedure of the American Arbitration Association ("AAA"), and the application for such arbitration shall be filed in the AAA's Western Case Management Center, 6795 N. Palm Ave., 2nd Fl., Fresno, CA 93704. Franchisor and Operator agree that the hearing(s) shall be held in San Francisco, California before one Arbitrator. The franchise agreement requires binding arbitration. The arbitration will occur in San Francisco, California with the costs being born by Franchisor and Franchisee in accordance with the Arbitration Rules of the American Arbitration Association. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California

In the event that Franchisor or Operator fail or refuses to pay for their respective share of any fees required or requested to be paid by the American Arbitration Association in connection with the agreed dispute resolution process, the other party shall have the right, at its option, to either proceed with the ADR format or to pursue resolutions of any and all disputes or disagreement through court or judicial procedures.

21.3 Franchisor and Operator agree that the laws of the State of California shall apply to the Agreement and that this Agreement evidences a transaction involving interstate commerce and that the enforcement of this arbitration provision and the confirmation of any award issued to any party by reason of an arbitration conducted pursuant to this arbitration provision is governed by the Federal Arbitration Act, 9 U.S.C. § 1 et, seq. The franchise agreement requires application of the laws of Hawaii. This provision may not be enforceable under California law.

21.4 Punitive or exemplary damages or attorney's fees may not be awarded by the arbitrator(s), and any such award shall not be enforceable or enforced by any court. Except as otherwise provided, each party shall bear its own attorneys' fees, expert witness fees, and other court or arbitration costs incurred in connection with any legal action or arbitration between Franchisor and Operator. If the waiver of punitive or exemplary damages or legal fees and related costs are in violation of the laws of the state where the Operator's System Restaurant is located, such claims may be awarded by the arbitrator(s), and any such award shall be enforceable or enforced in any court of appropriate jurisdiction. In no event can the provisions of this Agreement including, but not limited to the method of operation, Authorized Product line or monetary obligations specified in this Agreement, amendments to this Agreement or in the Manuals be modified or changed by the arbitrator.

21.5 In the event that the Franchisor commences an action or proceeding which seeks, in whole or part, injunctive relief, such injunctive relief may be obtained without the necessity of posting a cash or security bond of any kind. Except for a proceeding for injunctive relief (including temporary restraining orders, preliminary injunction, injunctions or similar relief which must be brought in an appropriate local forum), any legal proceeding authorized by this Agreement shall be commenced only in

the Federal District Court, San Francisco, California and both Franchisor and Operator consent to the jurisdiction in the Federal District Court, San Francisco, California. In the event the parties do not meet the jurisdictional requirements for Federal Court, the party's consent to jurisdiction in the State Court located in San Francisco, California. Operator agrees that mailing to its last known address by certified mail of any process shall constitute lawful and valid process. In all cases, Operator and Franchisor each waives any right to a trial by jury. Notwithstanding the foregoing, if the laws of the state where Operator's System Restaurant is located require jurisdiction of the courts of that state or control by the laws of that state, then this Agreement shall be deemed modified to comply with the applicable laws.

21.6 The terms of this article shall survive termination, expiration or cancellation of this Agreement.

ARTICLE 22. EXECUTION, REQUESTS, CONSENTS AND WAIVERS.

22.1 This Agreement takes effect upon its acceptance and execution by Operator and Franchisor, and shall be governed by and construed in accordance with the laws of the State of Hawaii, USA. Franchisor will consider written requests by Operator for Franchisor's consent to a waiver of any obligation imposed by this Agreement. Operator agrees, however, that Franchisor is not required to act uniformly with respect to waivers, requests and consents as each request will be considered on a case by case basis, and nothing shall be construed to require Franchisor to grant any such request. Any waiver granted by Franchisor shall be without prejudice to any other rights Franchisor may have, will be subject to continuing review by Franchisor, and may be revoked, in Franchisor's sole discretion, at any time and for any reason, effective upon ten (10) days prior written notice to Operator. Franchisor makes no warranties or guarantees upon which Operator may rely, and assumes no liability or obligation to Operator by providing any waiver, approval, consent, assistance, or suggestion to Operator in connection with this Agreement, or by reason of any neglect, delay, or denial of any request.

22.2 Unless otherwise provided, whenever this Agreement requires Operator to obtain Franchisor's prior written consent, Operator shall timely address its written request for such consent to the party(ies) set forth in paragraph 2 of Article 18 or such other persons as Franchisor may designate in writing. Franchisor will then consider such request and advise Operator of the decision, in writing, within forty-five (45) days. Franchisor's failure to advise Operator will constitute Franchisor's consent to such request. The forty-five (45) day period shall not begin to run, however, until Operator has provided Franchisor with all information and documentation requested by Franchisor. Neither Operator nor Franchisor shall be deemed to have waived or impaired any right, power or option reserved by this Agreement, including, without limitation, its right to demand strict compliance with every term, condition, and covenant herein, or to declare any breach thereof a default and to terminate this Agreement prior to the expiration of its term, by virtue of any custom or practice of the parties at variance with the terms hereof; by any forbearance, delay, failure, or omission to exercise any right, power, or option, whether of the same, similar, or different nature, against

Franchisor, Operator, or any other operator; or by the acceptance of any payments due after any breach of this Agreement.

ARTICLE 23. MISCELLANEOUS PROVISIONS.

23.1 This Agreement may be executed in any number of counterparts, each of which, when so executed and delivered, shall be deemed an original, but such counterparts together shall constitute but one and the same instrument.

23.2 This Agreement and all exhibits to this Agreement constitute the entire agreement between the parties and supersede any and all prior negotiations, understandings, representations, and agreements. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you. You acknowledge that you are entering into this Agreement as a result of your own independent investigation of our franchised business and not as a result of any representations about us made by our shareholders, officers, directors, employees, agents, representatives, independent contractors, or franchisees that are contrary to the terms set forth in this Agreement, or in any disclosure document, prospectus, or other similar document required or permitted to be given to you pursuant to applicable law.

23.3 There is no other agreement, representation or warranty made by Franchisor or any other entity or person associated with Franchisor other than contained in this Agreement. This Agreement is not subject to or conditioned upon the obtaining of a Location for Operator's System Restaurant.

23.4 Except as otherwise provided, each party shall bear its own attorneys' fees arising from the negotiations and execution or lack of execution of this Agreement.

23.5 Each article, paragraph, subparagraph, term, and condition of this Agreement shall be considered severable. If for any reason, any portion of this Agreement is determined to be invalid or in conflict with any law or rule in a final ruling issued by any court, agency, or tribunal with valid jurisdiction in a proceeding to which Franchisor is a party, that ruling shall not affect the validity or enforceability of any other portion of this Agreement.

23.6 All notices to Franchisor required by the terms of this Agreement, unless otherwise provided, shall be sent by certified mail or by overnight delivery service, addressed to the parties set forth in this Agreement, or at such other address as Franchisor designates. All notices to Operator required by the terms of this Agreement shall be sent by certified mail or by overnight delivery service, addressed to Operator at the Location, or at such other or additional address as Operator designates in writing. If Operator refuses acceptance of any certified or overnight delivery, acceptance shall be deemed to have occurred forty-eight (48) hours after rejection of such notice.

23.7 Franchisee shall pay to Franchisor all amount of the continuing Franchise Fee of three percent (3%) of gross sales referenced in Article 9 and the Advertising Fee

of one percent (1%) of gross sales referenced in Article 6 by no later than the tenth (10th) day of the month immediately following each month of operation. If all or any portion of the required initial franchise fee referenced in Article 1, continuing Franchise Fee and/or the Advertising Fee is not paid promptly as and when due, Franchisee shall pay interest thereon at the rate of fifteen percent (15%) per annum or at the highest rate authorized by law, but not to exceed the rate of fifteen (15%) percent per annum

_____, 20___

TO L & L FRANCHISE, INC. ("FRANCHISOR")
931 University Avenue, Suite 202

FOR VALUE RECEIVED and in order to induce Franchisor ("you" or "your") to enter into the franchise agreement with _____ ("Franchisee"), ("I", "me", "we" or "us") I/we hereby, jointly and severally, guarantee the payment when due of any and all present or future indebtedness to you now owing or hereafter incurred by the Franchisee, however arising, and including without limitation all indebtedness resulting or arising to Franchisor under the Franchise Agreement executed by Franchisee (the "Indebtedness") under the following terms and conditions:

1. If not paid when due, I/we promise to pay the Indebtedness on demand.

2. I/we hereby waive all rights to receive a notice from you of (i) the acceptance of this Guaranty; (ii) the extension of credit from time to time in whatever amount to the Franchisee; (iii) any adverse change in the financial condition of the Franchisee; and (iv) a default of any kind by the Franchisee or any other guarantor of the Indebtedness.

3. I/we agree that you may, at your absolute discretion, without notice to me/us: (i) grant credit to the Franchisee; (ii)extend, accelerate or otherwise modify the date on which any amount of the Indebtedness is to be paid; (iii) release me or any party to or any guarantor of the Indebtedness; (iv) release, surrender, exchange, modify or fail to perfect any interest in any collateral which secures or might secure the Indebtedness; (v) compromise or settle any portion of the Indebtedness; or (vi) proceed in any one or more form of action or proceeding against any one or more party to, guarantor of or item of collateral securing the Indebtedness, in any order, all without waiving the right to later proceed in any other form of action or proceeding or against any one or more other such parties, guarantors, or items of collateral.

4. I/we hereby warrant that because of my relationship with the Franchisee I/we am/are fully aware of its present financial condition, and I/we am/are therefore not relying upon you or any representations by you in determining to give this Guaranty.

5. I/we also, jointly and severally, agree to personally guarantee performance of Articles 4 (Confidential Manuals), 10 (Covenant Regarding Other Business Interests) and 11 (Interference with Employment Relations) in their entirety relative to the restrictions on the activities of the Franchisee and personally agree that the provisions shall be binding on each of us personally, as if each of us were the Franchisee.

6. This Guaranty shall continue in effect in the event that the Franchisee transfers or assigns portions or all of the interest in the Franchise Agreement to a corporate, limited liability company or partnership entity and/or to another individual or individuals with or without the knowledge or consent of the undersigned Guarantor(s). This Guaranty is absolute and continuing until I/we give you notice by certified mail, return receipt requested, of its revocation, but such revocation shall not relieve me from liability for any portion of the Indebtedness created prior to your receipt of such notice. Such notice shall be addressed to:

L & L Franchise, Inc.
Attn: Bryan P. Andaya
931 University Avenue, Suite 202
Honolulu, Hawaii 96826

7. I/We agree that this Guaranty shall be construed under the laws of the State of Hawaii.

[Note: Dates and Answers Must be Completed in the Prospective Franchisee's Own Handwriting]

In order to make sure that no misunderstanding exists between you, the Franchisee, and us, L & L Franchise, Inc. (also called: the "**Franchisor**" or "**we**") and to make sure that no violations of law might have occurred, and understanding that we are relying on the statements you make in this document, you assure us as follows:

1. No oral, written, visual or other promises, agreements, commitments, representations, understandings, "side agreements," options, right of first refusal or otherwise have been made to or with me with respect to any matter (including but not limited to advertising, marketing, site location, operational, marketing or administrative assistance, exclusive rights or exclusive or protected territory or otherwise), nor have I relied in any way on the same, except as expressly set forth in the Franchise Disclosure Document, Franchise Agreement or an attached written Addendum or Amendment signed by me and the Franchisor, except as follows:

_____

_____

_____

(If NONE, you should write NONE in your own handwriting and initial.)

2. No oral, written, visual or other promises, agreements, commitments, representation, understandings, "side agreements" or otherwise which expanded upon or were inconsistent with the Franchise Disclosure Document or the Franchise Agreement or any attached written Addendum or Amendment signed by me and an officer of Franchisor were made to me by any person or entity, nor have I relied in any way on same, except as follows: (if none, write NONE)

_____

_____

_____

(If NONE, you should write NONE in your own handwriting and initial.)

3. Other than the information presented in the Franchise Disclosure Document, no oral, written, visual or other claim or representation (including but not limited to charts, tables, spreadsheets or mathematical calculations to demonstrate actual or possible results based on a combination of variables, such as multiples of price and quantity to reflect gross sales, or otherwise) which stated or suggested a specific level or range of actual or potential sales, costs, income, expenses, profits, cash flow, tax effects or otherwise (or from which such items might be ascertained) from any Franchise System

Restaurant, was made to me by any person or entity, nor have I relied in any way on any such, except as follows:

_____

(If NONE, you should write NONE in your own handwriting and initial.)

4. No contingency, prerequisite, reservation or otherwise exists with respect to any matter (including but not limited to my obtaining financing, or my fully performing any of my obligations), nor have I relied in any way on same, except as expressly set forth in the Franchise Agreement or any attached written Addendum or Amendment signed by me and L&L Franchise, Inc.:

_____

(If NONE, you should write NONE in your own handwriting and initial.)

5. The individuals signing for me constitute all of the officers, partners, shareholders, members, investors, owners, and/or principals. Each of such individuals has reviewed the Franchise Disclosure Document and all exhibits and carefully read, discussed, understands and agrees to the Franchise Agreement, each attached written Addendum or Amendment, and any personal guaranties.

6. I have had an opportunity to consult with an independent professional advisor, such as an attorney or accountant, prior to signing any binding documents or paying any sums, and L & L Franchise, Inc. has strongly recommended that I obtain such independent advice. I have also been strongly advised by L &L Franchise, Inc. to discuss my proposed purchase of a L & L Franchised, Inc. with any existing L & L Franchise, Inc. franchisees prior to signing any binding documents or paying any sums and L & L Franchise, Inc. has supplied me with a list of franchisees.

7. I understand that (a) entry into any business venture necessarily involves some unavoidable risk of loss or failure; (b) while the purchase of a franchise may improve the chances for success, the purchase of a Franchise System Restaurant or any other franchise is a speculative investment; (c) investment beyond that outlined in the Franchise Disclosure Document may be required to succeed; (d) there exists no guaranty against possible loss or failure in this or any other business; and (e) the most important factors in the success of any Franchise System Restaurant, including the one to be operated by me, are my personal business skills, which include marketing, sales, and management, and require sound judgment and extremely hard work.

If there are any matters inconsistent with the statements in this document or if anyone has suggested that you sign this document without all of its statements being true, correct and complete, immediately inform L & L Franchise, Inc. through its Chief Operating Officer, Bryan Andaya, verbally and in writing.

You understand and agree that, other than the information presented in the Franchise Disclosure Document, we do not furnish, or authorize our salespersons, brokers or others to furnish any oral or written information concerning actual or potential sales, costs, income, expenses, profits, cash flow, tax effects or otherwise (or information from which such items might be ascertained), from franchised or non-franchised units, that no such results can be assured or estimated, and that actual results will vary from unit to unit.

You understand and agree to all of the foregoing and represent and warrant that all of the above statements are true, correct and complete.
