What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit E.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Wyoming. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Wyoming than in your own state.
2. **Short Operating History.** The Franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise in a system with a longer operating history.
3. **Financial Condition.** The franchisor's financial condition, as reflected in its financial statements (see Item 21), calls into question the franchisor's financial ability to provide services and support to you.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

Length of Time to Open

The typical length of time between signing the franchise agreement and the opening of your business is 30 days. Factors that may affect the time period include your ability to obtain financing, obtain business permits and licenses, schedule initial training, and hire employees.

Our Post-Opening Obligations

After you open your business:

A. *Developing products or services you will offer to your customers.* Although it is our intent and practice to refine and develop products or services that you will offer to your customers, the franchise agreement does not obligate us to do so.

B. *Hiring and training employees.* We will provide you with our suggested staffing levels (Section 5.2), suggested guidelines for hiring employees (Section 5.2), and operational instructions in the Manual which you can use as part of training new employees (Section 5.3). All hiring decisions and conditions of employment are your sole responsibility.

C. *Improving and developing your business; resolving operating problems you encounter.* If you request, we will provide advice to you (by telephone or electronic communication) regarding improving and developing your business, and resolving operating problems you encounter, to the extent we deem reasonable. If we provide in-person support in response to your request, we may charge a fee (currently \$600 per day) plus any out-of-pocket

expenses (such as travel, lodging, and meals for our employees providing onsite support). (Section 5.5)

We have specific requirements, which are defined in the Brand Standards Manual which are related to the speed of service and the level of customer service provided to clients. Work orders typically required to be filled within 48 hours on a regular work order or 8 hours on a emergency call. This includes work completed and paperwork received.

D. *Establishing prices.* Upon your request, we will provide recommended prices for products and services. (Section 5.5). We have the right to determine prices charged by our franchisees for goods and services (but only to the extent permitted by applicable law).

E. *Establishing and using administrative, bookkeeping, accounting, and inventory control procedures.* We will provide you our recommended procedures for administration, bookkeeping, accounting, and inventory control. (Section 5.5). We may make any such procedures part of required (and not merely recommended) procedures for our system.

F. *Marketing Fund.* We will administer the Marketing Fund (Section 5.5). We will prepare an unaudited annual financial statement of the Marketing Fund within 120 days of the close of our fiscal year and will provide the financial statement to you upon request. (Section 9.3)

G. *Website.* We will maintain a website for the National Fire Protection brand, which will include your business information and telephone number. (Section 5.5)

Advertising

Our obligation. We will use the Marketing Fund only for marketing and related purposes and costs. Media coverage is primarily local. We use outside vendors and consultants to produce advertising. We are not required to spend any amount of advertising in the area or territory where any particular franchisee is located. We will maintain the brand website (which may be paid for by the Marketing Fund). We have no other obligation to conduct advertising.

Your own advertising material. You may use your own advertising or marketing material only with our approval. To obtain our approval, you must submit any proposed advertising or marketing material at least 14 days prior to use. If we do not respond, the material is deemed rejected. If you develop any advertising or marketing materials, we may use those materials for any purpose, without any payment to you.

Advertising council. We do not have an advertising council composed of franchisees. The franchise agreement does not give us the power to form an advertising council.

Local or Regional Advertising Cooperatives. We do not currently have any local or regional advertising cooperatives. We have the right to require you to participate in a local or regional advertising cooperative. We will define the area of the cooperative based on media markets, or other geographic criteria that we deem appropriate. Each franchisee in the area would have one vote per outlet (unless the franchisee is in default under its franchise agreement). The amount you must contribute to the cooperative will be determined by vote of the members, but not less than 1% of gross sales and not more than 5% of gross sales. If our own outlets are members

of a cooperative, they must contribute to the cooperative on the same basis as franchisees, and they will vote on the same basis as other members. We administer the cooperative, but we have the right to delegate responsibility for administration to an outside company such as an advertising agency or accounting firm, or to the franchisee members of the cooperative. We have the right to require the cooperative to operate from written bylaws or other governing documents that we determine. The documents are not currently available for you to review. Cooperatives will prepare annual financial statements which will be made available for review only by us and by the members of cooperative. We have the power to require cooperatives to be formed, changed, dissolved, or merged.

Advertising Fund. You and all other franchisees must contribute to our Marketing Fund. Your contribution is 2% of gross sales per month. We reserve the right to have other franchisees contribute a different amount or at a different rate. Outlets that we own are not obligated to contribute to the Marketing Fund. We administer the fund. The fund is not audited. We will make unaudited annual financial statements available to you upon request.

Because we are a new franchisor, we did not spend any money from the Marketing Fund in our most recently concluded fiscal year.

If less than all marketing funds are spent in the fiscal year in which they accrue, the money will remain in the Marketing Fund to be spent in the next year.

No money from the Marketing Fund is spent principally to solicit new franchise sales.

Market introduction plan. You must develop a market introduction plan and obtain our approval of the plan at least 30 days before the projected opening date of your business.

Required spending. After you open, you must spend at least 3% of gross sales each month on marketing your business.

Computer Systems

We require you to purchase, lease and maintain such computer hardware and software, dedicated high speed communications equipment and services, dedicated telephone and power lines, modem(s), speakers, and other computer-related accessories or peripheral equipment as we may specify, for the purpose of, among other functions, recording sales, scheduling, and other functions that we require. You must provide such assistance as may be required to connect your computer system with a computer system used by us. We will have the right, on an occasional or regular basis, to retrieve such data and information from your computer system as we, in our sole and exclusive discretion, consistent with consumer privacy laws, deem necessary. You must operate your computer system in compliance with certain security standards specified and modified by us. In view of the interconnection of computer systems and the necessity that such systems be compatible with each other, you expressly agree that you will strictly comply with our System Standards for all item(s) associated with your computer system and will otherwise operate your computer system in accordance with our System Standards.

To ensure full operational efficiency and optimal communication capability between and

among computer systems installed by you, us, and other franchisees, you agree, at your expense, to keep your computer system in good maintenance and repair, and following our determination that it will be economical or otherwise beneficial to the System to promptly install such additions, changes, modifications, substitutions and/or replacement to your computer hardware, software, communications equipment and services, telephone and power lines, and other computer-related facilities, as we direct.

We may require you to update or upgrade any computer hardware or software during the term of the Franchise. There is no contractual limit on the frequency or cost of this obligation.

Computer System as follows:

Software:

Service Trade CRM/platform

*This is provided by us and will be provided as part of the monthly Tech Fee.

Hardware:

Desktop computer and/or laptop/tablet(s)

Printer

The system will include our currently required POS/CRM system, credit card processing system, and accounting platform, such as QuickBooks. These systems will generate or store data such as inventory/product details, sales transactions, client, employee/team member, scheduling, reporting, and accounting information.

We estimate that these systems will cost between \$2,000 and \$7,000 to purchase.

We are not obligated to provide any ongoing maintenance, repairs, upgrades, or updates. We do require you enter into such contract with a third party for the above platforms/system.

You must upgrade or update any system when we determine. There is no contractual limit on the frequency or cost of this obligation.

We estimate that the annual cost of any optional or required maintenance, updating, upgrading, or support contracts will be \$6,000 per year which accounts for your monthly Tech Fee payment of \$500 per month.

You must give us independent access to the information that will be generated or stored in these systems. The information that we may access will include sales, customer data, and reports. There is no contractual limitation on our right to access the information.

Training classes will be scheduled in accordance with the needs of new franchisees. We anticipate holding training classes three to six times per year. Training will be held at our offices and business location in Temecula, California. We reserve the right to vary the length and content of the initial training program based on the experience and skill level of any individual attending the initial training program.

The instructional materials consist of the Brand Standards Manual and other materials, lectures, discussions, and on-the-job demonstration and practice.

Training classes will be led by our owners. Their experience is described in Item 2. They have experience in our industry and with us or our affiliates.

There is no fee for up to 2 people to attend training. You must pay the travel and living expenses of people attending training.

You and one lead technician must attend training. You may send any additional people to training that you want (up to the maximum described above). You must complete training to our satisfaction at least four weeks before opening your business.

We do not currently require additional training programs or refresher courses, but we have the right to do so.

Item 12 TERRITORY

Your Location

We anticipate that you will manage from your home or from a small office setting.

Grant of Territory

Your franchise agreement will specify a territory, which will have a population of approximately 500,000-1,000,000 people. The boundaries of your territory will be specified by zip codes, county or city lines, or some other limit.

Establishment of Additional Outlets

You do not have the right to establish additional franchised outlets or expand into additional territory. If you desire to do so, you must (1) meet our then-current criteria for new franchisees, (2) be in compliance with your franchise agreement at all times since opening your business, (3) have demonstrated your capability to operate a multi-territory franchise successfully, and (4) obtain our agreement.

Options to Acquire Additional Franchises

You do not receive any options, rights of first refusal, or similar rights to acquire additional franchises.

Exclusivity

We grant you an exclusive territory. In your territory, we will not establish either a company-owned or franchised outlet selling the same or similar goods or services under the same or similar trademarks or service marks as a National Fire Protection outlet. Continuation of your territorial exclusivity does not depend on any contingency. There are no circumstances that permit us to modify your territorial rights.

Restrictions on Us from Soliciting or Accepting Orders in Your Territory

There are no restrictions on us from soliciting or accepting orders from consumers inside your territory. We reserve the right to use other channels of distribution, such as the internet, catalog sales, telemarketing, or other direct marketing sales, to make sales within your territory using our principal trademarks or using trademarks different from the ones you will use under your franchise agreement. We do not pay any compensation to you for soliciting or accepting orders from inside your territory.

Soliciting by You Outside Your Territory

You cannot solicit or market to potential customers outside of your territory, except for solicitations or marketing which are primarily targeted inside the territory and which incidentally reach potential customers outside of the territory. You cannot serve customers outside of your territory without our prior written permission. We may withdraw permission at any time.

Competition by Us Under Different Trademarks

Neither we nor any of our affiliates operates, franchises, or has plans to operate or franchise a business under a different trademark selling goods or services similar to those you will offer. However, the franchise agreement does not prohibit us from doing so.

Item 13 TRADEMARKS

The following is the principal trademark that we license to you. This trademark is owned by our Affiliate, National Fire Protection Test and Inspect Inc. We do not have a federal registration for our principal trademark. Therefore, our trademark does not have many legal benefits and rights as a federally registered trademark. If our right to use the trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses. An application for registration on the Principal Register of the United States Patent and Trademark Office has been filed

Determinations

There are no currently effective material determinations of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, or any state trademark administrator or court. There are no pending infringement, opposition, or cancellation proceedings.

Litigation

There is no pending material federal or state court litigation regarding our use or ownership rights in a trademark.

Agreements

National Fire Protection Test and Inspect Inc., our affiliate, owns the trademarks described in this Item. Under an Intercompany License Agreement between us and National Fire Protection Test and Inspect Inc., we have been granted the exclusive right to sublicense the trademarks to franchisees throughout the United States. The agreement is of perpetual duration. It may be modified only by mutual consent of the parties. It may be canceled by our affiliate only if (1) we materially misuse the trademarks and fail to correct the misuse, or (2) we discontinue commercial use of the trademarks for a continuous period of more than one year. The Intercompany License Agreement specifies that if it is ever terminated, your franchise rights will remain unaffected.

Protection of Rights

We protect your right to use the principal trademarks listed in this Item, and we protect you against claims of infringement or unfair competition arising out of your use of the trademarks, to the extent described in this section.

The franchise agreement obligates you to notify us of the use of, or claims of rights to, a trademark identical to or confusingly similar to a trademark licensed to you. The franchise agreement does not require us to take affirmative action when notified of these uses or claims. We have the right to control any administrative proceedings or litigation involving a trademark licensed by us to you.

If you use our trademarks in accordance with the franchise agreement, then (i) we will defend you (at our expense) against any legal action by a third party alleging infringement by your use of the trademark, and (ii) we will indemnify you for expenses and damages if the legal action is resolved unfavorably to you.

Under the franchise agreement, we may require you to modify or discontinue using a trademark, at your expense.

Superior Prior Rights and Infringing Uses

We do not know of either superior prior rights or infringing uses that could materially affect your use of the principal trademarks.

Item 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents

We do not own rights in, or licenses to, patents that are material to the franchise. We do not have any pending patent applications.

Copyrights

All of our original works of authorship fixed in a tangible medium of expression are automatically protected under the U.S. Copyright Act, whether or not we have obtained registrations. This includes our Brand Standards Manual as well as all other sales, training, management and other materials that we have created or will create. You may use these copyrighted materials during the term of the franchise, in a manner consistent with our ownership rights, solely for your franchised business.

We do not have any registered copyrights. There are no pending copyright applications for our copyrighted materials. There are no currently effective determinations of the U.S. Copyright Office (Library of Congress) or any court regarding any copyright.

There are no agreements currently in effect that limit our right to use or license the use of our copyrighted materials.

We have no obligation to protect any of our copyrights or to defend you against claims arising from your use of copyrighted items. The franchise agreement does not require us to take affirmative action when notified of copyright infringement. We control any copyright litigation. We are not required to participate in the defense of a franchisee or indemnify a franchisee for expenses or damages in a proceeding involving a copyright licensed to the franchisee. We may require you to modify or discontinue using the subject matter covered by any of our copyrights, at your expense.

We do not know of any copyright infringement that could materially affect you.

Proprietary Information

We have a proprietary, confidential Brand Standards Manual and related materials that include guidelines, standards and policies for the development and operation of your business. We also claim proprietary rights in other confidential information or trade secrets that include all methods for developing and operating the business, and all non-public plans, data, financial information, processes, vendor pricing, supply systems, marketing systems, formulas, techniques, designs, layouts, operating procedures, customer data, information and know-how.

You (and your owners, if the franchise is owned by an entity) must protect the confidentiality of our Brand Standards Manual and other proprietary information, and you must use our confidential information only for your franchised business. We may require your managers and key employees to sign confidentiality agreements.

Item 15

You are required to participate personally in the direct operation of your business and must devote substantial time and attention to the business.

If you are the sole owner of the business, then you are deemed the “Principal Executive”. If the business is owned through a corporation or limited liability company, you must designate one person as your “Principal Executive”. The Principal Executive is the executive primarily responsible for your business and has decision-making authority on behalf of the business. The Principal Executive must own at least 10% of the business. The Principal Executive must complete our initial training program. The Principal Executive must complete any post-opening training programs that we develop in the future. The Principal Executive cannot fail to attend more than three consecutive required meetings.

If your business is owned by an entity, all owners of the business must sign our Guaranty and Non-Compete Agreement (see Attachment 2 to Exhibit B).

“On-Premises” Supervision

When your business performs services for a customer, you are not required to personally conduct “on-premises” supervision of your business. However, we recommend on-premises supervision by you.

There is no limit on who you can hire as an on-premises supervisor. The general manager of your business (whether that is you or a hired person) must successfully complete our training program.

If the franchise business is owned by an entity, we do not require that the general manager own any equity in the entity.

Failure to comply with our purchasing restrictions may result in the termination of your Franchise Agreement. We may supplement, revise and/or modify the types of authorized goods or services, our Approved Products and/or Approved Services as we deem appropriate, as well as our System Standards associated with the provision of these products/services. These changes will be outlined in our Manual or otherwise in writing, and there are no contractual limitations on our right to make these types of changes.

You must ensure that only Authorized Team Members/employees who have completed all required training are those that provide the Approved Services at your Location. If we discontinue any Approved Product or Approved Service offered by the location, then you must cease offering or selling such product/service within a reasonable time, unless such product/service represents a health or safety hazard (in which case you must immediately comply upon receipt of notice from us). You may not use the location of your location for any other business purpose other than the operation of your location/franchise business. You may not advertise, offer for sale or sell, any products and/or services that we have not authorized. We may change the types of authorized products and services at any time in our discretion. You agree to promptly undertake all changes as we periodically require, without limit, except we will not require you to thoroughly modernize or remodel the location any more often than once every 5 years. You will not make any material alterations to your location, or its appearance as originally approved by us without our prior written approval.

You must refrain from any merchandising, advertising, or promotional practice that is unethical or may be injurious to your business, our brand/business and/or other National Fire Protection locations/businesses, or to the goodwill associated with the Marks. Subject to the

Item 18 PUBLIC FIGURES

We do not use any public figure to promote our franchise.

Item 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

The following financial results are based on our Affiliate Owned, Company Outlet operated in the Temecula, CA market from 1/01/2024 through 12/31/2024. This business is operated by National Fire Protection Test and Inspect, Inc.

Gross Sales:	\$749,367.47
Cost of Goods Sold:	\$441,435.06
Gross Profit:	\$307,932.41
Estimated Royalty Fees:	\$52,455.72
Estimated Brand Fund Fees:	\$14,987.35

Notes:

1. The foregoing data are historic financial performance representations. They are not projections of future performance. The Affiliate Owned Business does business across the United States and does work for clients using primarily subcontractors to perform services in different markets. The Affiliate Owned Business in total is not representative of the Franchise Owned Model as clients are located across the United States. For purposes of this Item 19, we have taken only the client work from Riverside County, California to be more closely representative of future Franchise Owned Outlets. There are no other material and/or operational characteristics of the company-owned outlets that are reasonably anticipated to differ materially from future operational franchise outlets.
2. "Gross Sales" means the total revenue derived from the sale of goods or services less sales tax, discounts, and returns.
3. "Cost of Goods Sold" means the sum of all supplies, materials, equipment rental, small tools and equipment, subcontractor direct labor costs, travel expenses for the technicians and associated direct expenses to deliver services to the Company Owned Outlet customers.
4. "Gross Profit" means the Gross Sales minus the Cost of Goods Sold.

5. This Item 19 does not include all of the operational expenses associated with operating the franchised business. You would need to account for these costs in order to understand Net Income for the business. This would include costs such as rent, insurance, advertising and other costs associated with operating a services business.
6. Our Affiliates do not pay royalties or marketing fees to us; however, we have shown the estimated expenditures (7% Royalty, 2% Marketing Fund) for each Affiliate had they incurred those expenses.
7. **Some outlets have sold and earned this amount. Your individual results may differ. There is no assurance that you'll sell or earn as much.**
8. Written substantiation of the information contained in this Item 19 will be made available to prospective franchisees upon reasonable request.

Except for what is included in this Item 19, we do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employee/team members, team members or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. EXHIBIT A

CALIFORNIA ADDENDUM TO DISCLOSURE DOCUMENT

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

California Corporations Code, Section 31125 requires the franchisor to give the franchisee a disclosure document, approved by the Department of Financial Protection and Innovation, 14-days prior to the execution of an agreement or the solicitation of a proposed material modification of an existing agreement.

The California Franchise Investment Law requires that a copy of all proposed agreements relating to the sale of the franchise be delivered together with the offering circular.

Our website, www.nfpti.com, has not been reviewed or approved by the California Department of Financial Protection and Innovation. Any complaints concerning the content of this website may be directed to the California Department of Financial Protection and Innovation at www.dfpi.ca.gov.

California's Franchise Investment Law (Corporations Code sections 31512 and 31512.1) states that any provision of a franchise agreement or related document requiring the franchisee to waive specific provisions of the law is contrary to public policy and is void and unenforceable. The law also prohibits a franchisor from disclaiming or denying (i) representations it, its employees, or its agents make to you, (ii) your ability to rely on any representations it makes to you, or (iii) any violations of the law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Neither the franchisor, nor any person or franchise broker listed in Item 2 of the disclosure document is subject to any currently effective order of any national securities association or national securities exchange as defined in the Securities Exchange Act of 1934 (15 U.S.C.A. §78A et seq.), suspending or expelling these persons from membership in such association or exchange.

All the owners of the franchise will be required to execute personal guarantees. This requirement places the marital assets of the spouses domiciled in community property states – AZ, CA, ID, LA, NV, NM, TX, WA and WI – at risk if your franchise fails.

1. The following paragraph is added to the end of Item 3 of the Disclosure Document:

Neither franchisor nor any person or franchise broker in Item 2 of this disclosure document is subject to any currently effective order of any national securities association or national

securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in that association or exchange.

2. The following paragraph is added to the end of Item 6 of the Disclosure Document:

With respect to the Late Fee described in Item 6, this Item is amended to disclose that the maximum rate of interest permitted under California law is 10%.

3. The following paragraphs are added at the end of Item 17 of the Disclosure Document:

The Franchise Agreement requires franchisee to sign a general release of claims upon renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring a franchise to waive compliance with any provision of that law or any rule or order thereunder is void.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The Franchise Agreement requires mediation. The mediation will occur in Temecula, California, with the costs being borne equally by Franchisor and Franchisee. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Mediation Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

4. The following paragraphs are added at the end of Item 5 of the Disclosure Document:

The Department has determined that we, the franchisor, have not demonstrated we are adequately capitalized and/or that we must rely on franchise fees to fund our operations. The Commissioner has imposed a fee deferral condition, which requires that we defer the collection of all initial fees from California franchisees until we have completed all of our pre-opening obligations and you are open for business. For California franchisees who sign a development agreement, the payment of the development and initial fees attributable to a specific unit in your development schedule is deferred until that unit is open.

**(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from

exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

- (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.
- (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
- (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than \$100,000, the franchisee may request the franchisor to arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations, if any, of the franchisor to provide real estate, improvements, equipment, inventory, training or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

MINNESOTA ADDENDUM TO DISCLOSURE DOCUMENT

In the State of Minnesota only, this Disclosure Document is amended as follows:

- Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.
- With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.
- The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name.
- Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).
- Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.
- The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.
- The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5, which states "No action may be commenced pursuant to this Section more than three years after the cause of action accrues."

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. General Release. A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2). Statute of Limitations and Waiver of Jury Trial. Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

7. Termination by Franchisee. The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. Certain Buy-Back Provisions. Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

11. Franchisor's Business Judgement. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. 2.1 Grant. National Fire Protection Franchising grants to Franchisee the right to operate a National Fire Protection business solely in the Territory. Franchisee shall develop, open and operate a National Fire Protection business in the Territory for the entire term of this Agreement.

2.2 Protected Territory.

(a) Limitation. Franchisee shall not solicit or market to potential customers outside of the Territory, except for solicitations or marketing which are primarily targeted inside the Territory and which incidentally reach potential customers outside of the Territory.

(b) Service. Franchisee shall not serve customers outside of the Territory without National Fire Protection Franchising's prior written permission. If Franchisee serves a customer outside of the Territory without National Fire Protection Franchising's prior written permission, National Fire Protection Franchising may impose a fee equal to the greater of (i) \$500 or (ii) 75% of the amount paid by such customer to Franchisee. This fee is a reasonable estimate of National Fire Protection Franchising's internal cost of personnel time attributable to addressing Franchisee's breach of this Section, and it is not a penalty or estimate of all damages arising from Franchisee's breach. This fee is in addition to all of National Fire Protection Franchising's other rights and remedies.

(c) Exclusivity. National Fire Protection Franchising shall not establish, nor license the establishment of, another business within the Territory or which serves customers located in the Territory selling the same or similar goods or services under the same or similar trademarks or service marks as a National Fire Protection business. However, National Fire Protection Franchising retains the right to:

(d) Policies. National Fire Protection Franchising may set policies binding on all franchisees regarding soliciting, marketing, and serving customers in another franchisee's territory, and National Fire Protection Franchising may waive or modify such policies in any circumstance as National Fire Protection Franchising determines. If Franchisee obtains a customer in the protected territory of another franchisee, then, in addition to all other rights and remedies

National Fire Protection Franchising may have, National Fire Protection Franchising may in its discretion (i) require Franchisee to transfer the customer to such other franchisee, (ii) require Franchisee to pay such other franchisee 75% of the Gross Sales received from such customer, or (iii) fashion such other remedy as National Fire Protection Franchising deems appropriate.

(e) Referrals. National Fire Protection Franchising may set policies binding on all franchisees regarding referral fees (and other terms and conditions) when a customer is referred from one National Fire Protection business to another. 2.3 Franchisee Control. Franchisee represents that it will identify each owner, officer and director of Franchisee, and describes the nature and extent of each owner's interest in Franchisee. If any of this information changes, Franchisee shall notify Franchisor within 10 days.

2.4 Principal Executive. Franchisee agrees that the person designated as the "Principal Executive" on the Summary Page is the executive primarily responsible for the Business and has decision-making authority on behalf of Franchisee. The Principal Executive must have at least 10% ownership interest in Franchisee. The Principal Executive must participate in the direct operation of the Business and must devote substantial time and attention to the Business. If the Principal Executive dies, becomes incapacitated, transfers his/her interest in Franchisee, or otherwise ceases to be the executive primarily responsible for the Business, Franchisee shall promptly designate a new Principal Executive, subject to National Fire Protection Franchising's reasonable approval.

2.6 No Conflict. Franchisee represents to National Fire Protection Franchising that Franchisee and each of its Owners (i) are not violating any agreement (including any confidentiality or non-competition covenant) by entering into or performing under this Agreement, (ii) are not a direct or indirect owner of any Competitor, and (iii) are not listed or "blocked" in connection with, and are not in violation under, any anti-terrorism law, regulation, or executive order.

- (iv) Franchisee and its Owners execute National Fire Protection Franchising's then-current standard form of franchise agreement and related documents (including personal guaranty), which may be materially different than this form (including, without limitation, higher and/or different fees), except that (A) Franchisee will not pay another initial franchise fee, (B) Franchisee will not receive more renewal or successor terms than described in this Section, and (C) the Territory will not be changed;

Thereafter, National Fire Protection Franchising may charge Franchisee \$250 per week until Franchisee ceases such non-compliance. This fee is a reasonable estimate of National Fire Protection Franchising's internal cost of personnel time

attributable to addressing the non-compliance, and it is not a penalty or estimate of all damages arising from Franchisee's breach. The non-compliance fee is in addition to all of National Fire Protection Franchising's other rights and remedies (including default and termination under Section 14.2).

4.6 Reimbursement. National Fire Protection Franchising may (but is never obligated to) pay on Franchisee's behalf any amount that Franchisee owes to a supplier or other third party. If National Fire Protection Franchising conducts an evaluation because of a governmental report, customer complaint or other customer feedback, or a default or non-compliance with any System Standard by Franchisee (including following up a previous failed evaluation), then National Fire Protection Franchising may charge all out-of-pocket expenses plus its then-current evaluation fee to Franchisee.

11.3 National Fire Protection Franchising's Right to Cure. If Franchisee breaches or defaults under any provision of this Agreement, National Fire Protection Franchising may (but has no obligation to) take any action to cure the default on behalf of Franchisee, without any liability to Franchisee. National Fire Protection Franchising shall have no liability to Franchisee or any other person for action or failure to act with respect to a dangerous condition.

ARTICLE 12. MARKS

Franchisee shall use all Marks specified by National Fire Protection Franchising, and only in the manner as National Fire Protection Franchising may require. (b) Restriction – Post Term. For two years after this Agreement expires or is terminated for any reason (or, if applicable, for two years after a Transfer), no Restricted Party shall directly or indirectly have any ownership interest in, lend money or provide financial assistance to, provide any services to, or be employed by, any Competitor operating in any of Franchisee’s Territory or the territory of any other National Fire Protection business operating on the date of termination or transfer, as applicable.

(c) Interpretation. The parties agree that each of the foregoing covenants is independent of any other covenant or provision of this Agreement. If all or any portion of the covenants in this Section is held to be unenforceable or unreasonable by any court or arbitrator, then the parties intend that the court or arbitrator modify such restriction to the extent reasonably necessary to protect the legitimate business interests of National Fire Protection Franchising. Franchisee agrees that the existence of any claim it may have against National Fire Protection Franchising shall not constitute a defense to the enforcement by National Fire Protection Franchising of the covenants of this Section. If a Restricted Party fails to comply with the obligations under this Section during the restrictive period, then the restrictive period will be extended an additional day for each day of noncompliance.

13.3 General Manager and Key Employees. - (x) Franchisee has received two or more notices of default and Franchisee commits another breach of this Agreement, all in the same 12-month period;

14.3 Effect of Termination. Upon termination or expiration of this Agreement, all obligations that by their terms or by reasonable implication survive termination, including those pertaining to non-competition, confidentiality, indemnity, and dispute resolution, will remain in effect, and Franchisee must immediately:

- (i) pay all amounts owed to National Fire Protection Franchising based on the operation of the Business through the effective date of termination or expiration;

14.4 Remove Identification. If Franchisee operates from a Location other than Franchisee's home, then within 30 days after termination or expiration, Franchisee shall at its own expense "de-identify" the Location so that it no longer contains the Marks, signage, or any trade dress of a National Fire Protection business, to the reasonable satisfaction of National Fire Protection Franchising. Franchisee shall comply with any reasonable instructions and procedures of National Fire Protection Franchising for de-identification. If Franchisee fails to do so within 30 days after this Agreement expires or is terminated, National Fire Protection Franchising may enter the Location to remove the Marks and de-identify the Location. In this event, National Fire Protection Franchising will not be charged with trespass nor be accountable or required to pay for any assets removed or altered, or for any damage caused by National Fire Protection Franchising.

14.5 Liquidated Damages. If National Fire Protection Franchising terminates this Agreement based upon Franchisee's default (or if Franchisee purports to terminate this Agreement except as permitted under Section 14.1), then within 10 days thereafter Franchisee shall pay to National Fire Protection Franchising a lump sum (as liquidated damages and not as a penalty) calculated as follows: (x) the average Royalty Fees that Franchisee owed to National Fire Protection Franchising under this Agreement for the 12-month period preceding the date on which Franchisee ceased operating the Business; multiplied by (y) the lesser of (1) 24 or (2) the number of months remaining in the then-current term of this Agreement. If Franchisee had not operated the Business for at least 12 months, then (x) will equal the average Royalty Fees that Franchisee owed to National Fire Protection Franchising during the period that Franchisee operated the Business. The "average Royalty Fees that Franchisee owed to National Fire Protection Franchising" shall not be discounted or adjusted due to any deferred or reduced Royalty Fees set forth in an addendum to this Agreement, unless this Section 14.5 is specifically amended in such addendum. Franchisee acknowledges that a precise calculation of the full extent of National Fire Protection Franchising's damages under these circumstances is difficult to determine and the method of calculation of such damages as set forth in this Section is reasonable. Franchisee's payment to National Fire Protection Franchising under this Section will be in lieu of any direct monetary damages that National Fire Protection Franchising may incur as a result of National Fire Protection Franchising's loss of Royalty Fees that would have been owed to National Fire Protection Franchising after the date of termination; however, such payment shall be in addition to all damages and other amounts arising under Section 14.3 and Section 14.4, National Fire Protection Franchising's right to injunctive relief for enforcement of Article 13, and any attorneys' fees and other costs and expenses to which National Fire Protection Franchising is entitled under this Agreement. Except as provided in this Section, Franchisee's payment of this lump sum shall be in addition to any other right or remedy that National Fire Protection Franchising may have under this Agreement or otherwise.

14.6 Purchase Option. When this Agreement expires or is terminated, National Fire Protection Franchising will have the right (but not the obligation) to purchase any or all of the assets related to the Business. To exercise this option, National Fire Protection Franchising must notify

Franchisee no later than 30 days after this Agreement expires or is terminated. The purchase price for all assets that National Fire Protection Franchising elects to purchase will be the lower of (i) the book value of such assets as declared on Franchisee's last filed tax returns or (ii) the fair market value of the assets. If the parties cannot agree on fair market value within 30 days after the exercise notice, the fair market value will be determined by an independent appraiser reasonably acceptable to both parties. The parties will equally share the cost of the appraisal. National Fire Protection Franchising's purchase will be of assets only (free and clear of all liens), and the purchase will not include any liabilities of Franchisee. The purchase price for assets will not include any factor or increment for any trademark or other commercial symbol used in the business, the value of any intangible assets, or any goodwill or "going concern" value for the Business. National Fire Protection Franchising may withdraw its exercise of the purchase option at any time before it pays for the assets. Franchisee will sign a bill of sale for the purchased assets and any other transfer documents reasonably requested by National Fire Protection Franchising. If National Fire Protection Franchising exercises the purchase option, National Fire Protection Franchising may deduct from the purchase price: (a) all amounts due from Franchisee; (b) Franchisee's portion of the cost of any appraisal conducted hereunder; and (c) amounts which National Fire Protection Franchising paid or will pay to third parties to satisfy indebtedness owed by Franchisee to third parties. If any of the assets are subject to a lien, National Fire Protection Franchising may pay a portion of the purchase price directly to the lienholder to pay off such lien. National Fire Protection Franchising may withhold 25% of the purchase price for 90 days to ensure that all of Franchisee's taxes and other liabilities are paid. National Fire Protection Franchising may assign this purchase option to another party.

ARTICLE 15. TRANSFERS

15.1 By National Fire Protection Franchising. National Fire Protection Franchising may transfer or assign this Agreement, or any of its rights or obligations under this Agreement, to any person or entity, and National Fire Protection Franchising may undergo a change in ownership and/or control, without the consent of Franchisee.

15.2 By Franchisee. Franchisee acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee and that National Fire Protection Franchising entered into this Agreement in reliance on Franchisee's business skill, financial capacity, personal character, experience, and business ability. Accordingly, Franchisee shall not conduct or undergo a Transfer without providing National Fire Protection Franchising at least 60 days prior notice of the proposed Transfer, and without obtaining National Fire Protection Franchising's consent. In granting any such consent, National Fire Protection Franchising may impose conditions, including, without limitation, the following:

- (i) National Fire Protection Franchising receives a transfer fee equal to \$10,000 plus any broker fees and other out-of-pocket costs incurred by National Fire Protection Franchising;
- (ii) the proposed assignee and its owners have completed National Fire Protection Franchising's franchise application processes, meet National Fire Protection Franchising's then-applicable standards for new franchisees, and have been approved by National Fire Protection Franchising as franchisees;

- (iii) the proposed assignee is not a Competitor;
- (iv) the proposed assignee executes National Fire Protection Franchising's then-current form of franchise agreement and any related documents, which form may contain materially different provisions than this Agreement (provided, however, that the proposed assignee will not be required to pay an initial franchise fee);
- (v) all owners of the proposed assignee provide a guaranty in accordance with Section 2.5;
- (vi) Franchisee has paid all monetary obligations to National Fire Protection Franchising and its affiliates, and to any lessor, vendor, supplier, or lender to the Business, and Franchisee is not otherwise in default or breach of this Agreement or of any other obligation owed to National Fire Protection Franchising or its affiliates;
- (vii) the proposed assignee and its owners and employees undergo such training as National Fire Protection Franchising may require;
- (viii) Franchisee, its Owners, and the transferee and its owners execute a general release of National Fire Protection Franchising in a form satisfactory to National Fire Protection Franchising; and
- (ix) the Business fully complies with all of National Fire Protection Franchising's most recent System Standards.

15.3 Transfer for Convenience of Ownership. If Franchisee is an individual, Franchisee may Transfer this Agreement to a corporation or limited liability company formed for the convenience of ownership after at least 15 days' notice to National Fire Protection Franchising, if, prior to the Transfer: (1) the transferee provides the information required by Section 2.3; (2) Franchisee provides copies of the entity's charter documents, by-laws (or operating agreement) and similar documents, if requested by National Fire Protection Franchising, (3) Franchisee owns all voting securities of the corporation or limited liability company, and (4) Franchisee provides a guaranty in accordance with Section 2.5.

15.4 Transfer upon Death or Incapacity. Upon the death or incapacity of Franchisee (or, if Franchisee is an entity, the Owner with the largest ownership interest in Franchisee), the executor, administrator, or personal representative of that person must Transfer the Business to a third party approved by National Fire Protection Franchising (or to another person who was an Owner at the time of death or incapacity of the largest Owner) within nine months after death or incapacity. Such transfer must comply with Section 15.2.

15.5 National Fire Protection Franchising's Right of First Refusal. Before Franchisee (or any Owner) engages in a Transfer (except under Section 15.3, or to a co-Owner, or to a spouse, sibling, or child of an Owner), National Fire Protection Franchising will have a right of first refusal, as set forth in this Section. Franchisee (or its Owners) shall provide to National Fire Protection Franchising a copy of the terms and conditions of any Transfer. For a period of 30 days from the date of National Fire Protection Franchising's receipt of such copy, National Fire Protection

Franchising will have the right, exercisable by notice to Franchisee, to purchase the assets subject of the proposed Transfer for the same price and on the same terms and conditions (except that National Fire Protection Franchising may substitute cash for any other form of payment). If National Fire Protection Franchising does not exercise its right of first refusal, Franchisee may proceed with the Transfer, subject to the other terms and conditions of this Article.

15.6 No Sublicense. Franchisee has no right to sublicense the Marks or any of Franchisee's rights under this Agreement.

15.7 No Lien on Agreement. Franchisee shall not grant a security interest in this Agreement to any person or entity. If Franchisee grants an "all assets" security interest to any lender or other secured party, Franchisee shall cause the secured party to expressly exempt this Agreement from the security interest.

ARTICLE 16. INDEMNITY

16.1 Indemnity. Franchisee shall indemnify and defend (with counsel reasonably acceptable to National Fire Protection Franchising) National Fire Protection Franchising, its parent entities, subsidiaries and affiliates, and their respective owners, directors, officers, employees, agents, successors and assignees (collectively, "Indemnitees") against all Losses in any Action by or against National Fire Protection Franchising and/or any Indemnatee directly or indirectly related to, or alleged to arise out of, the operation of the Business. Notwithstanding the foregoing, Franchisee shall not be obligated to indemnify an Indemnatee from Actions arising as a result of any Indemnatee's intentional misconduct or negligence. Any delay or failure by an Indemnatee to notify Franchisee of an Action shall not relieve Franchisee of its indemnity obligation except to the extent (if any) that such delay or failure materially prejudices Franchisee. Franchisee shall not settle an Action without the consent of the Indemnatee. This indemnity will continue in effect after this Agreement ends.

16.2 Assumption. An Indemnatee may elect to assume the defense of any Action subject to this indemnification and control all aspects of defending the Action (including negotiations and settlement), at Franchisee's expense. Such an undertaking shall not diminish Franchisee's obligation to indemnify the Indemnitees.

ARTICLE 17. DISPUTE RESOLUTION

17.1 Mediation.

(a) Disputes Subject to Mediation. Except as expressly provided in subsections (c) and (d), any controversy or claim between the parties shall be submitted to mediation in accordance with its Commercial Mediation Procedures promulgated by the American Arbitration Association.

(b) Location. The place of mediation shall be the city and state where Franchisor's headquarters are located.

(c) Injunctive Relief. Either party also may, without waiving any right to mediation under this Agreement, seek from any court having jurisdiction any interim or provisional injunctive relief.

(d) **Intellectual Property Claims.** Either party may bring a claim involving an alleged infringement of any of Franchisor's intellectual property rights in a court authorized to hear such claims under Section 17.5 of this Agreement.

(e) **Confidentiality.** All documents, information, and results pertaining to any mediation or lawsuit will be confidential, except as required by law or as required for Franchisor to comply with laws and regulations applicable to the sale of franchises.

(f) **Performance During Mediation.** Unless this Agreement has been terminated, Franchisor and Franchisee will comply with this Agreement and perform their respective obligations under this Agreement during the mediation process.

17.2 Damages. In any controversy or claim arising out of or relating to this Agreement, each party waives any right to punitive or other monetary damages not measured by the prevailing party's actual damages, except damages expressly authorized by federal statute and damages expressly authorized by this Agreement.

17.3 Waiver of Class Actions. The parties agree that any claims will be arbitrated, litigated, or otherwise resolved on an individual basis, and waive any right to act on a class-wide basis.

17.4 Time Limitation. Any arbitration or other legal action arising from or related to this Agreement must be instituted within two years from the date such party discovers the conduct or event that forms the basis of the arbitration or other legal action. The foregoing time limit does not apply to claims (i) by one party related to non-payment under this Agreement by the other party, (ii) for indemnity under Article 16, or (iii) related to unauthorized use of Confidential Information or the Marks.

17.5 Venue Other Than Arbitration. For any legal proceeding not required to be submitted to arbitration, the parties agree that any such legal proceeding will be brought in the United States District Court where National Fire Protection Franchising's headquarters is then located. If there is no federal jurisdiction over the dispute, the parties agree that any such legal proceeding will be brought in the court of record of the state and county where National Fire Protection Franchising's headquarters is then located. Each party consents to the jurisdiction of such courts and waives any objection that it, he or she may have to the laying of venue of any proceeding in any of these courts.

17.6 Legal Costs. In any legal proceeding (including arbitration) related to this Agreement or any guaranty, the non-prevailing party shall pay the prevailing party's attorney fees, costs and other expenses of the legal proceeding. "Prevailing party" means the party, if any, which prevailed upon the central litigated issues and obtained substantial relief.

17.7 Franchisor Personnel. The provisions of this Article 17 will apply to any Action by Franchisee or its Owners against Franchisor's officers, directors, shareholders, members, employees, and/or agents. Nothing in this Agreement authorizes any Action against Franchisor's officers, directors, shareholders, members, employees, and/or agents or makes those persons liable for Franchisor's conduct.

ARTICLE 18. MISCELLANEOUS

18.1 Relationship of the Parties. The parties are independent contractors, and neither is the agent, partner, joint venturer, or employee of the other. National Fire Protection Franchising is not a fiduciary of Franchisee. National Fire Protection Franchising does not control or have the right to control Franchisee or its Business. Any required specifications and standards in this Agreement and in the System Standards exist to protect National Fire Protection Franchising's interest in the System and the Marks, and the goodwill established in them, and not for the purpose of establishing any control, or duty to take control, over the Business. National Fire Protection Franchising has no liability for Franchisee's obligations to any third party whatsoever.

18.2 No Third-Party Beneficiaries. This Agreement does not confer any rights or remedies upon any person or entity other than Franchisee, National Fire Protection Franchising, and National Fire Protection Franchising's affiliates.

18.3 Entire Agreement. This Agreement constitutes the entire agreement of the parties and supersedes all prior negotiations and representations. Nothing in this Agreement or in any related agreement is intended to disclaim the representations made by National Fire Protection Franchising in its franchise disclosure document.

18.4 Modification. No modification or amendment of this Agreement will be effective unless it is in writing and signed by both parties. This provision does not limit National Fire Protection Franchising's rights to modify the Manual or System Standards.

18.5 Consent; Waiver. No consent under this Agreement, and no waiver of satisfaction of a condition or nonperformance of an obligation under this Agreement will be effective unless it is in writing and signed by the party granting the consent or waiver. No waiver by a party of any right will affect the party's rights as to any subsequent exercise of that right or any other right. No delay, forbearance or omission by a party to exercise any right will constitute a waiver of such right.

18.6 Cumulative Remedies. Rights and remedies under this Agreement are cumulative. No enforcement of a right or remedy precludes the enforcement of any other right or remedy.

18.7 Severability. The parties intend that (i) if any provision of this Agreement is held by an arbitrator or court to be unenforceable, then that provision be modified to the minimum extent necessary to make it enforceable, unless that modification is not permitted by law, in which case that provision will be disregarded, and (ii) if an unenforceable provision is modified or disregarded, then the rest of this Agreement will remain in effect as written.

18.8 Governing Law. The laws of the state of Wyoming (without giving effect to its principles of conflicts of law) govern all adversarial proceedings between the parties. The parties agree that any Wyoming law for the protection of franchisees or business opportunity purchasers will not apply unless its jurisdictional requirements are met independently without reference to this Section 18.8.

18.9 Notices. Any notice will be effective under this Agreement only if made in writing and delivered as set forth in this Section to: (A) if to Franchisee, addressed to Franchisee at the notice

address set forth in the Summary Page; and (B) if to National Fire Protection Franchising, addressed to 42030 Avenida Alvarado, Suite B, Temecula, CA 92590. Any party may designate a new address for notices by giving notice of the new address pursuant to this Section. Notices will be effective upon receipt (or first rejection) and must be: (1) delivered personally; (2) sent by registered or certified U.S. mail with return receipt requested; or (3) sent via overnight courier. Notwithstanding the foregoing, National Fire Protection Franchising may amend the Manual, give binding notice of changes to System Standards, and deliver notices of default by electronic mail or other electronic communication.

18.10 Holdover. If Franchisee continues operating the Business after the expiration of the term without a renewal agreement or successor franchise agreement executed by the parties in accordance with Section 3.2, then at any time thereafter (regardless of any course of dealing by the parties), National Fire Protection Franchising may by giving written notice to Franchisee (the “Holdover Notice”) either (i) require Franchisee to cease operating the Business and comply with all post-closing obligations effective immediately upon giving notice or effective on such other date as National Fire Protection Franchising specifies, or (ii) bind Franchisee to a renewal term of 5 years, and deem Franchisee and its Owners to have made the general release of liability described in Section 3.2(vi).

18.11 Joint and Several Liability. If two or more people sign this Agreement as “Franchisee”, each will have joint and several liability.

18.12 No Offer and Acceptance. Delivery of a draft of this Agreement to Franchisee by National Fire Protection Franchising does not constitute an offer. This Agreement shall not be effective unless and until it is executed by both Franchisee and National Fire Protection Franchising.

INDIANA RIDER TO FRANCHISE AGREEMENT

This Rider amends the Franchise Agreement dated _____ (the “Agreement”), between National Fire Protection Franchising, LLC, a Wyoming Limited Liability Company (“National Fire Protection Franchising”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Indiana Acts” means the Indiana Franchise Act and the Indiana Deceptive Franchise Practices Act.

2. Certain Provisions Modified. Any provision of the Agreement which would have any of the following effects is hereby modified to the extent required for the Agreement to be in compliance with the Indiana Acts:

(1) Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where such goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or services or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute a designation. This subdivision does not apply to the principal goods, supplies, inventories, or services manufactured or trademarked by the franchisor.

(2) Allowing the franchisor to establish a franchisor-owned outlet engaged in a substantially identical business to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement; or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.

(3) Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.

(4) Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for, and transmitted to the franchisee.

(5) Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by the Indiana Deceptive Franchise Practices Act or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This subsection (5) does not apply to arbitration before an independent arbitrator.

(6) Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers prior to the franchisee's receipt of an official price increase notification. A sales contract signed by a private retail consumer shall constitute evidence of each

order. Price changes applicable to new models of a product at the time of introduction of such new models shall not be considered a price increase. Price increases caused by conformity to a state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this subsection (6).

(7) Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this subsection (7) includes any material violation of the franchise agreement.

(8) Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This chapter shall not prohibit a franchise agreement from providing that the agreement is not renewable upon expiration or that the agreement is renewable if the franchisee meets certain conditions specified in the agreement.

(9) Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three years or in an area greater than the exclusive area granted by the franchise agreement or, in absence of such a provision in the agreement, an area of reasonable size, upon termination of or failure to renew the franchise.

(10) Limiting litigation brought for breach of the agreement in any manner whatsoever.

(11) Requiring the franchisee to participate in any (A) advertising campaign or contest; (B) promotional campaign; (C) promotional materials; or (D) display decorations or materials; at an expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

MINNESOTA RIDER TO FRANCHISE AGREEMENT

This Rider amends the Franchise Agreement dated _____ (the “Agreement”), between National Fire Protection Franchising, LLC, a Wyoming Limited Liability Company (“National Fire Protection Franchising”) and _____, a _____ (“Franchisee”).

1. Definitions. Capitalized terms used but not defined in this Rider have the meanings given in the Agreement. The “Minnesota Act” means Minnesota Statutes, Sections 80C.01 to 80C.22.

2. Amendments. The Agreement is amended to comply with the following:

- Minnesota Statutes, Section 80C.21 and Minnesota Rules 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee’s rights as provided for in Minnesota Statutes, Chapter 80C or (2) franchisee’s rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.
- With respect to franchises governed by Minnesota law, the franchisor will comply with Minnesota Statutes, Section 80C.14, Subd. 3-5, which require (except in certain specified cases) (1) that a franchisee be given 90 days’ notice of termination (with 60 days to cure) and 180 days’ notice for non- renewal of the franchise agreement and (2) that consent to the transfer of the franchise will not be unreasonably withheld.
- The franchisor will protect the franchisee’s rights to use the trademarks, service marks, trade names, logotypes or other commercial symbols or indemnify the franchisee from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the name. Minnesota considers it unfair to not protect the franchisee’s right to use the trademarks. Refer to Minnesota Statutes, Section 80C.12, Subd. 1(g).
- Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.
- The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J. Also, a court will determine if a bond is required.
- The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5, and therefore the applicable provision of the Agreement is amended to state “No action may be commenced pursuant to Minnesota Statutes, Section 80C.17 more than three years after the cause of action accrues.”

AND
RIDER TO FRANCHISE AGREEMENT**

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.
2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.
3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2). **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.
7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.
8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. Fair and Reasonable Pricing. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).
10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).
11. Franchisor's Business Judgement. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.
12. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.
13. Attorneys' Fees. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.
14. Noncompetition Covenants. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.
15. Nonsolicitation Agreements. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.
16. Questionnaires and Acknowledgments. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

Guarantor agrees that the existence of any claim it or Franchisee may have against National Fire Protection Franchising shall not constitute a defense to the enforcement by National Fire Protection Franchising of the covenants of this Section. 4. Modification. Guarantor agrees that Guarantor's liability hereunder shall not be diminished, relieved or otherwise affected by (a) any amendment of the Franchise Agreement, (b) any extension of time, credit or other indulgence which National Fire Protection Franchising may from time to time grant to Franchisee or to any other person or entity, or (c) the acceptance of any partial payment or performance or the compromise or release of any claims.

INDEPENDENT AUDITOR'S REPORT

**To the Members of
National Fire Protection Franchising, LLC**

Opinion

We have audited the balance statement of National Fire Protection Franchising, LLC, as of March 10, 2025 (inception), and the related notes to the financial statement.

In our opinion, the balance sheet referred to above presents fairly, in all material respects, the financial position of National Fire Protection Franchising, LLC, as of March 10, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of National Fire Protection Franchising, LLC, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about National Fire Protection Franchising, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of National Fire Protection Franchising, LLC's internal control. Accordingly, no such opinion is expressed.

Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about National Fire Protection Franchising, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.
