Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrator listed in Exhibit E for information about the franchisor, or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. 1. THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH US BY ARBITRATION ONLY IN CALIFORNIA. OUT-OF-STATE ARBITRATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST YOU MORE TO ARBITRATE WITH US IN CALIFORNIA THAN IN YOUR OWN STATE.

PLUMBING DOCTOR®

As a franchisee you will offer plumbing service and repair and sewer and drain cleaning services.

Currently, the initial standard franchise fee is $20,000. These fees assume a territory of standard size. A standard size territory is any territory with a population of up to 150,000 people. For territories in which the population exceeds 150,000 people, the fee is increased by $100 per additional 2000 people.

The total investment necessary to begin operation of a Plumbing Doctor franchise is $22,000 to $81,800+. This includes $20,000 that must be paid to the franchisor, Fast Aid Success Systems.

As of September 2012, Fast Aid Success Systems, selling the Plumbing Doctor franchise system, is a member of the International Franchise Association and participates in IFA's VetFran Program, which provides special financial incentives to qualified veterans. ITEM 1. THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this Disclosure Document, “we” or “us” or “Fast Aid Success Systems” means Fast Aid Success Systems, the Franchisor. "You" means the person who, or company which, buys the franchise, including such company's owners, partners, controlling shareholders, and guarantors, if any. We are a California corporation, incorporated January 25, 1995. Our principal business address is 955 Business Park Drive, Dixon, CA 95620.

Since our early 1995 incorporation and registration to sell franchises, our sole business was selling Plumbing Doctor franchises and providing training and other services to Plumbing Doctor franchisees. Beginning in 2011 we also started offering products and training to the plumbing service industry. Neither we nor any predecessor has sold franchises of any kind before. We are doing and intend to do business under the names Fast Aid Success Systems, Plumbing M.D. and Plumbing Doctor. We operate no businesses of the type being franchised, although our predecessor has and may again.

Our sole predecessor is Michael Farias. Mr. Farias owned and operated a plumbing business in Grass Valley, California, from May 1984 to September 1987, under the name Plumbing Doctor. He owned and operated a second plumbing business, originally based at 109 Third Street, Winters, CA, which he opened September 1992, and which utilized the trade dress and service marks to be licensed to Franchisee. Mr. Farias relocated in 1997 to 752 L Street, Davis, CA 95616 and subsequently relocated to 1321 East 8th Street, Davis, CA 95616 in 1999. The business is currently owned and operated by his sons from Dixon, CA under the franchise, subject to concessions as to initial franchise fees and service fees. We have no affiliated companies to disclose.

Attached as Exhibit F is a list of Agents for Service of Process.

As a Plumbing Doctor franchisee, you will own and operate a local plumbing business using our systems, trade dress and service marks. As a franchisee you will typically make calls on private residences and commercial establishments to provide all types of plumbing and plumbing repair services as well as sewer and drain cleaning services, while operating from a specially equipped van or truck. You will typically receive plumbing service jobs from our Franchise Dispatch Center and from customers directly. You must personally operate the business, unless you have a designated Business Manager who has successfully completed Plumbing Doctor training (Franchise Agreement, paragraph 6.1). You must be honest and competent. You must offer emergency service and meet our standards for timely communication and response.

You must abide by the laws and regulations specific to the plumbing industry. Note should be taken of contractor state licensing laws, the uniform plumbing code, and building regulations, as well as general employment and business law and regulations. California licensing requirements are available online at www.cslb.ca.gov, and summarized as follows: you must be 18 years of age or older, and have the necessary skills and experience, or be represented by someone with the necessary skills and experience; you, or the person who will act as the qualifying individual, must have had, within the ten years immediately before the filing of an application, at least four full years of experience at a journey level, or as a foreman, supervisor, or contractor in the classification for which he or she is applying. Plumbing licensing laws may vary by state, county and municipality. You may need other specific types of licenses required by the jurisdiction in which you will operate. Some states, counties or municipalities

may require that your business be owned by a plumbing contractor, a master plumber, or journeyman plumber. Check with your local plumbing licensing board, as well as with a lawyer, to learn about specific laws applicable to your area.

The general market for plumbing installation and repair services is well developed. You will sell goods and services to households and to businesses in the locality of your franchise territory. Plumbing Doctor franchisees will compete for customers with local plumbing contractors, some of whom are franchised, most of whom are not.

ITEM 2. BUSINESS EXPERIENCE

Our executive officers and directors with management responsibility and their principal occupations during the past five (5) years are as follows:

President and Chairman	**Michael Farias** is the President & Chairman of the Board of Fast Aid Success Systems, in Dixon, California, since the corporation's inception. He was President and CEO of Plumbing M.D. Inc. from 2004 - 2015, also in Dixon, California. As of 2015 he transitioned from President to Chairman of the Board of Plumbing M.D. Inc.
Chief Financial Officer	**Justin D. Farias** is Chief Financial Officer of Fast Aid Success Systems, in Dixon, California, a position he has held since joining the corporation in 2004. Since May 2004, Mr. Farias has been the Chief Financial Officer of Plumbing M.D. Inc., also in Dixon, California. In 2015 he became co-CEO of Plumbing M.D. Inc.
Officer and Secretary	**Taylor Farias** is Chief Operations Officer and Secretary of Fast Aid Success Systems, in Dixon, California, and has been since 2004. Since 1993 he has been employed by Plumbing Doctor and Plumbing M.D. Inc., also in Dixon, California, where he also serves as Chief Operations Officer. In 2015 he became co-CEO of Plumbing M.D. Inc.

We do not use franchise brokers.

ITEM 3. LITIGATION.

No litigation is required to be disclosed in this Disclosure Document.

ITEM 4. BANKRUPTCY

There are no bankruptcies required to be disclosed in this disclosure document.

ITEM 5. INITIAL FEES

A. Initial Fee. For a territory of standard size, your initial franchise fee is $20,000. For territories in which the population exceeds 150,000 people, the fee is increased by $100 for each additional 2000 people.

B. Refund or Adjustment. If we terminate your Franchise Agreement at any time before you begin training, we will refund all amounts received. Otherwise, if after you sign a Franchise Agreement you refuse or are unable to perform, we can retain all fees.

C. Concessions. We may company-operate one or more franchise territories as research and training facilities and at some point transfer the territory to a separate but affiliated company to operate under a Franchise Agreement. Such an affiliated company, in this circumstance, will pay no initial franchise fee nor transfer fee upon acquisition nor will it pay continuing royalties, unless it otherwise agrees, but it shall contribute equitably to any advertising fee program which benefits it, should there be one to which other franchisees are required to contribute.

ITEM 6. OTHER FEES.

Name of fee	**Amount**	**Due Date**	**Remarks**
Continuing Administrative Fee (CAF)[1]	10% of weekly gross sales, with a minimum of $250 per week.	Payable weekly by Wednesday immediately following the week for which you are paying.	Gross Sales includes all business revenue except sales and use taxes, properly documented refunds, permit fees, etc.

Renewal fee[1]	Not to exceed $1,000 in 2019	During 10th year of initial and, if any, 2nd term.	You have rights to 2 new 10 year terms on then current terms if in good standing but you are not obliged to renew. Rights also and thereafter per California law.
Additional training and assistance[1]	Trainer's Per Diem rate, which is $1000 and is subject to increases in the Consumer	Within 30 days after invoice.	Training is included as follows: up to 3 people, first 30 hours pre-opening. Tuition free seminars also may be offered. You pay expenses (e.g. lodging, travel, food) for self and your employees.

	Price Index pertaining to our headquarters location		
Transfer application fee[1]	$500 Subject to upward adjustment according to the Consumer Price Index	With each transfer application.	Applies toward the transfer fee if applicant is approved and transfer occurs; otherwise, we keep it to cover our expenses.
Transfer fee[1]	$5000, which is subject to upward adjustment according to the Consumer Price Index	Prior to transfer of the franchise. Late payment fee[1]	Highest lawful interest rate, not to exceed 18%[2]	With payment asap, no later than next regular payment due date.	Avoided if you pay on time.
Hold harmless[1]	If any, will depend on unknown factors.	Defense costs when suit occurs. Indemnification when or before we pay out.	You agree to defend, indemnify and hold us harmless should we get sued as a result of something you do or fail to do. This is an insurance issue, mostly, but could result in you having to pay us.
Cost reim-bursement[1]	Depends on costs and expenses we incur, plus	Immediately once incurred.	Duty to make such payment to us arises only if you fail to perform a contractual duty (e.g. to maintain insurance or provide reasonable customer satisfaction

	interest thereon		(Franchise Agreement, paragraph 12.7)) and we elect to do it for you.
Attorney's fees and costs[1]	Depends on what we reasonably expend litigating or arbitrating with you. Also, we must win.	When court or arbitrator orders.	Attorney's fees and costs go to the prevailing party and are paid by the one judged non-prevailing. This is thought to deter meritless litigation. We could have to pay you too, if we lose.

[1.] All fees are imposed by and payable to Franchisor. All fees are non-refundable.
[2.] The maximum interest rate in California is 10% annually.

ITEM 7. ESTIMATED INITIAL INVESTMENT

It is impossible to provide an estimate of your initial investment that will be accurate for all franchisees. Your initial costs will depend upon many factors, including whether or not you convert an existing business, the size of your territory, how quickly you are able to achieve cash flow, whether you must purchase a vehicle, the age and condition of the vehicle you purchase, the extent to which you do your work or hire it, whether you own adequate tools, what caliber equipment you buy, what payroll you decide to incur, local labor factors, local advertising costs, and other factors, etc.

With this caution, the following tables of estimates should assist you to estimate your initial investment. If your territory is of larger than standard size (i.e. Population exceeding 150,000) you must consult the footnotes with particular care.

INITIAL (for 3 months) INVESTMENT
TO OPEN A PLUMBING DOCTOR BUSINESS
IN A <u>STANDARD</u> TERRITORY (150,000 OR SMALLER POPULATION)

TYPE OF EXPENSE	AMOUNT-LOW	AMOUNT-HIGH	METHOD OF PAYMENT	WHEN DUE	TO WHOM PAYMENT IS TO BE MADE
Franchise Fee[1]	$20,000	$20,000	Lump Sum	Upon signing agreement	Franchisor (us)
Van[2]	$0	$30,000	Lump sum or payments	Prior to opening	Supplier
Trade Dress vehicle	$1,000	$2,500	Lump sum	Prior to opening	Supplier
Tools[3]	$0	$5000	Lump sum or progress payments	Prior to opening	Supplier
Computer and Other Hardware[4]	$0	$2500	Lump sum or progress payments	Prior to opening	Supplier
Computer Software	$0	$1,000	Lump sum	Prior to opening	Supplier
Office Supplies	$500	$800	Lump sum or progress payments	Prior to opening	Supplier
Plumbing Supplies[5]	$0	$5000	Lump sum or progress payments	Prior to opening	Supplier
Insurance, Licenses, Permits, Utility Deposits[6]	$500	$5000	As needed	Prior to opening	Supplier, gov't utilities
Office Furniture/ Furnishings	$0	$1000	Lump sum or lease	Prior to opening or progress payment	Supplier
Landlord Deposits[7]	$0	$1000	Lump sum	On signing lease	Landlord

TYPE OF EXPENSE	AMOUNT-LOW	AMOUNT-HIGH	METHOD OF PAYMENT	WHEN DUE	TO WHOM PAYMENT IS TO BE MADE
Three Months' Rent[8]	$0	$3000	Progress payments	On signing lease & monthly	Landlord
Additional Funds[9]	$0	$5000	As needed	Prior to opening & during next 3 months	Suppliers, employees, ads, etc.
Total[10]	$22,000	$81,800+			

[1] The base fee is $20,000. In addition, the fee is increased by $100 for every 2000 people in excess of 150,000 in the territory.

[2] The low range figure assumes you already own a suitable vehicle; the high range figure assumes you will purchase a new minimally-suitable van. Other new vehicles could cost substantially more.

[3] No purchase necessary if you own all necessary tools. Obviously more can be spent, but $5000 will provide a nice supply for one plumber/vehicle.

[4] You must own a computer and printer. This estimate also includes other necessary hardware such as fax machine, copier, landline phone, and cell phone. Low estimate assumes prior ownership. High estimate buys more quality than required.

[5] The low estimate assumes ownership in prior business.

[6] This item will vary depending on whether liability insurance is paid annually, quarterly or monthly. Contractor's license fees may or may not come due during the period in question. License and permit fees will vary with the city, county, and state.

[7] Many franchisees will be able to operate from their homes. Rental space, if desired, need not be large or costly.

[8] See note 8 above.

[9] During the first three months, we assume that you do not require any income from the business. If you convert an existing business you should have cash flow from the beginning and require relatively little working capital. Figures given for the low range for expenditures assume that Franchisee owns an existing business employing some or all of the assets required to operate the Franchised Business.

[10] Larger territories, especially those with populations in excess of 150,000, may cost more due not only to the increased franchise fee but also to increased costs in many other areas, particularly if employees and additional vehicles are contemplated. Also see note 10 above concerning working capital.

THERE ARE NO OTHER DIRECT OR INDIRECT PAYMENTS IN CONJUNCTION WITH THE PURCHASE OF THE FRANCHISE.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES.

You must purchase computer software designated or as specified by our performance and compatibility standards. You must trade dress all service vehicles as specified by us, which generally will involve purchasing services and goods in accordance with our appearance and other trademark and trade dress standards as set forth in the Operations Manual. You must purchase, if you do not already own, plumbing tools and supplies and communications equipment and services which enable you to meet our performance standards as set forth in the Operations Manual. You must also maintain and repair any equipment and vehicles that are used in the Franchised Business to keep them within the standards set forth in the Operations Manual. We do not designate a source from which you must purchase anything.

We issue and modify purchase specifications by publication in an amendment of our Operations Manual. In so doing, we use our own best informed judgment concerning your business needs and the products and services available. You are invited to let us know any times you believe the specifications in place are inappropriate.

You are not currently required to purchase or lease any products from us. At this time neither we nor any affiliate in any way derives revenue or material consideration from any products or services you are required to purchase, except, as disclosed at items 5 and 6 above, for fees charged for certain training services we provide. If, in the future, we or an affiliate should acquire and resell vehicles or equipment subject to specification requirements, it would realize revenue thereby. But you will be under no obligation whatever to purchase any such items from us and always will have a choice of alternative suppliers. Presently there are no purchasing or distribution cooperatives.

If there are no specifications or standards addressing the particular services, product or materials you wish to offer or use, you must nevertheless ensure that all services, products and materials sold or used in the Franchised Business are of a high quality and consistent with our image. We may in our sole discretion require you to discontinue offering or using any services, products or materials that in our opinion are inconsistent with the foregoing requirement.

We may, and any of our affiliates may receive payments, rebates or other consideration from approved suppliers. We reserve the right to be compensated by any supplier for creating or maintaining a relationship or arrangement with approved or recommended suppliers in the future. These fees may be used by us to defray overhead costs and for advertising at our sole discretion. These fees may or may not be credited to you for any fees owed to us at our sole discretion. You are not required to purchase from suppliers that give rebates or promotional fees to us. However, it may be beneficial for you and other Franchisees to purchase from this type of vendor. We do not provide renewals, grant additional franchises or bestow any other material benefits to our Franchisees based on a Franchisee's use of a designated or approved source of supply.

If Plumbing M.D. Inc or anyone we authorize develops private-label or exclusive merchandise, whether or not under the Marks, you must carry it and keep a representative selection of the products at all times, as specified in Item 16 below.

You must buy before opening and maintain at minimum the following insurance coverage: Worker's compensation and employer's liability insurance as prescribed by state law; and public liability insurance to protect against injury to property or person caused in the operation of the Franchised Business in the minimum aggregate amount of $1,000,000; and motor vehicle liability insurance covering each and every vehicle operated by or on behalf of the Franchised Business in the minimum amount of $1,000,000; and business interruption insurance.

We may increase the minimum coverage requirement if necessary to reflect inflation or other changes in circumstances. Each insurance policy that is required under the Franchise Agreement must contain a provision that the policy cannot be canceled without 30 days' written notice to us. It must be issued by an insurance company of recognized responsibility and having at least an "A" Rating Classification as indicated in Best's Key Rating Guide, designate us as an additional name insured and be satisfactory to us in form, substance and coverage. You must deliver a certificate of the issuing insurance company evidencing each policy to us within 30 days after the policy is issued or renewed.

We estimate that the cost of all required purchases and leases (i.e., those which must be from our approved and designated sources or in accordance with our specifications) necessary to establish a Franchised Business is approximately 40% of the total cost for new development Franchisees, and approximately 85% of the total cost for conversion Franchisees. Additionally, required purchases and leases are not a substantial percentage of the total cost of operating the ongoing Franchised Business.

If you lease an office or storage facility for operation of the Franchised Business your lease must provide for certain rights of Fast Aid Success Systems. You and the landlord are required to sign a Collateral Assignment of Lease attached to the Franchise Agreement as an exhibit. It provides that we can take over the lease under certain circumstances, including your failure to cure lease defaults, termination of the Franchise Agreement, your abandonment of the premises or your failure to exercise any option to renew the lease.

ITEM 10. FINANCING

Except as described below, we do not offer direct or indirect financing. We will not guarantee your note, lease or other obligations.

Fast Aid Success Systems may, in our sole discretion, finance all or part of the initial franchise fee to qualified buyers.

If financed, the balance shall be paid in 12 monthly installments at an interest rate that is the lesser of 12% per annum or the highest permissible rate allowed by law. A franchisee who finances the Initial Franchise Fee must sign a Promissory Note in the form of Exhibit G and, as security, its Owners must sign the Owner's Guarantee.

You can prepay the Promissory Note without penalty. If you are in default, we can declare the outstanding principal balance and all unpaid accrued interest immediately due and payable. You will have to pay our reasonable attorney's fees and other legal costs we incur in enforcing payment and collection of the balance due.

You and your guarantor will waive demand for payment, presentment for payment, protest, notice of non-payment or dishonor and all other notices and demands.

We do not intend to sell, assign or discount your Promissory Note to a third party.

ITEM 11. FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as disclosed below, the franchisor is not required to provide you with any assistance.

- BEFORE YOU OPEN YOUR BUSINESS, we will:

1. Designate your exclusive territory (Franchise Agreement, paragraph 4). Customarily, the Franchisees operate their franchise business from their homes or from business locations already

in existence in connection with existing businesses. Therefore, Franchisor is not involved in the selection of a location for the franchise business. We do require that your office and storage areas are a minimum of approximately 100 square feet each. You must have adequate space to park your service vehicles. Your office and warehouse must be in, or within close proximity of your designated territory. We must approve your site before we agree to sign a contract with you.

- SELECTION OF LOCATION. You may operate the business from your home or other location within close proximity of your territory. You shall be reachable by a local telephone call throughout your territory. (Franchise Agreement, paragraphs 4.5, 4.6 and 5.1).

2. Provide guidance in laying out and setting up your office and provide lists of required office supplies and equipment.

3. Provide guidance with selecting, outfitting and trade-dressing one or more vehicles (Franchise Agreement, paragraph 5.2). We will provide you with lists for required inventory, equipment, tools, stationary and other items to be used in your franchised business, as well as recommended vendors. (Franchise Agreement, paragraph 6) Ordinarily, unless another prospective franchisee is ready to open the same territory, additional time may be obtained if you request based on a good reason.

- DURING YOUR OPERATION OF THE FRANCHISED BUSINESS, we will:

We will modify this manual, but the modifications will not alter your status and rights under the Franchise Agreement. (Franchise Agreement, paragraph 7). You may request additional training, or, if deemed necessary, we may require additional training. (Franchise Agreement, paragraph 6.4). Any additional training may be subject to a fee. (Franchise Agreement, paragraph 6.5).

7. Cause field representatives to visit Franchisee's Franchised Business, from time to time, for the purpose of rendering advice and consultation with respect to the Franchised Business, its operation and performance, and compliance by Franchisee of Franchisor's systems. (Franchise Agreement, paragraph 13).

8. A. Provide some amount of advertising material and services to you. These may include copy-ready print advertising materials, posters, banners, videos, etc. We will provide you with one sample and one electronic file at no charge. There will be a charge for any additional copies. We will develop advertising and marketing programs. Some of our advertising materials are produced in-house and some are produced through external agencies.

B. Review and approve all advertising and promotional material that you develop to be used in the operation of the Franchised Business. Franchisor will provide Franchisee with marketing materials, ideas, and strategies. (Franchise Agreement, paragraph 11.14).

9. Require you to use a computer and printer in the business to record sales and make reports to us. Franchisee will be required to send data reporting on a weekly basis to us. We do not supply or profit thereby nor assist you in obtaining such items or services. We supply no proprietary software. The minimum system requirements for this are at least, or equivalent to, Windows 7 or Apple Mac OS X 10.6 Snow Leopard. You are required to use QuickBooks Pro 2007 or a newer version of QuickBooks Complete. You must also have a laser printer to print reports, documents and invoices. You must have high-speed internet access (DSL, Cable, T1line or equivalent) and email. We currently do not access your computer data remotely, but reserve the right to do so. If we were to exercise this right you would be required to purchase the necessary hardware and software to allow us to do this.

You may be required to upgrade the software and computer hardware from time to time at a cost that is not unreasonable considering the nature of the business. (Franchise Agreement, paragraphs 11.3 and 13).

- DURING YOUR OPERATION OF THE FRANCHISED BUSINESS, we may:

10. Offer additional specific services in the future to some or all Franchisees in such areas as accounting services, payroll services, various personnel-related services and/or dispatching, inventory control, etc. Franchisee shall be permitted, but not required, during the initial term of the agreement, to purchase available services from Franchisor.

11. Hold annual conferences to discuss sales techniques, personnel training, bookkeeping, accounting, inventory control, performance standards, advertising programs and merchandise procedures. There would be no conference fee, but you must pay all your travel expenses. These conferences would be held at a location selected by us after input from Franchisees.

12. Brand Advertising. Plumbing Doctor as a whole has an established reputation on the internet. Our established online marketing system will be provided and implemented for you by Fast Aid Success Systems. Specifically, the Brand Advertising we will provide is online search engine optimization (SEO), and Pay Per Click/Call (PPC) marketing. All company-owned or affiliated stores operating under the Marks will also benefit from this advertising. SEO plans will target key words and searches we feel are most prominent to our industry and will be integrated across the most widely used online search engines. PPC will hone in on specific searches we feel are most relevant to the plumbing industry as a whole. While Plumbing Doctor does provide some advertising, we do not intend to be the sole advertising entity.

We encourage you to create your own advertising campaign specific to your territory, and we have sole discretion over the creative concepts, materials, media and placement of advertising you create or use. You agree that all advertising will be intended to maximize recognition of the Licensed Marks and patronage of all Franchised Businesses in the United States. Although we will try to use the Brand Advertising to benefit Plumbing Doctor as a brand, we are not obligated

to ensure that Brand Advertising in any geographic area will be proportionate or equivalent to the contributions in any other geographic area. We are also not obligated to ensure that any Franchised Businesses will benefit directly or in proportion to its contribution to the Brand Advertising. While we intend the Brand Advertising to last indefinitely, we will have the right to terminate it and, if terminated, to reinstate it at any time.

The Brand Advertising is intended to maintain a coherent and correct brand image and is not intended to be the sole form of advertising, nor is it intended to represent territory specific ads. As of the date of this Disclosure Document there is no active advertising council.

ITEM 12. TERRITORY

The franchise is granted for a specific geographical Exclusive Territory.

Territory boundaries are determined by the current United States Postal Service zip codes at the time a Franchise Agreement is executed. A territory is composed of contiguous zip codes in an area to be agreed upon by franchisor and franchisee. Territory is defined as the area that is included within the boundaries of the zip codes listed below or included on an attached document:

_____

(Franchise Territory)

If you are not meeting the minimum sales requirement after five years from the time you sign the agreement, you may lose your exclusive rights. (Franchise Agreement, paragraph 11.18).

If a specific office location is not designated when you sign the Franchise Agreement, you shall attempt to locate the office at a site we will approve to be located within close proximity of the Exclusive Territory described in the Franchise Agreement. (See Section 4.7 of the Franchise Agreement). You must locate your own office site.

We reserve the right during the initial term of this Agreement to establish other Plumbing Doctor offices, whether company or franchisee owned, at any location outside your Exclusive Territory.

You can relocate your office within your Exclusive Territory.

There are no options or rights of first refusal to obtain contiguous or other territories.

Franchisees are not prevented from soliciting, advertising or accepting business from any distance except that they may not service customers in another Plumbing Doctor Franchisee's territory. These same rules apply to franchises or company-owned units owned by us or any affiliate.

If a customer located outside the boundaries of your Territory desires to retain you to render authorized services at any time, you shall refer the customer to the franchisee within whose territory such customer is located, or to us if we are operating a service center in such territory. If

neither we nor another Plumbing Doctor franchisee is conducting business in that territory, you may serve the customer. We can adopt and change policies and procedures prohibiting or strictly limiting your solicitation of business and marketing activities outside the Territory.

We retain the right to service a customer who for some reason is dissatisfied with the designated Franchisee, or to reimburse the customer. All costs associated with either service or reimbursement will be borne by you.

Neither we nor any affiliate has any present plan to establish other franchises or company owned offices selling competing or interchangeable products or services under a different channel of distribution or trade name or trademark within your Exclusive Territory or elsewhere. However, we and our affiliates reserve all rights in the future to do so, except that within the initial term of any agreement now being offered, we will not do so within your Exclusive Territory unless the product or services are, in our judgment, more complementary to than competitive with those you offer and unless you are offered a first right to acquire the franchise within your Exclusive Territory.

There are no pending interference, opposition, or cancellation proceedings, nor any litigation, involving any of the above marks, names, logotypes and commercial symbols.

Trademark Agreements. There are no agreements currently in effect which significantly limit our rights to use or license the use of the trademarks listed in item 13 in a manner material to the franchise. Agreements are in effect licensing the marks for all franchising purposes exclusively to Fast Aid Success Systems, the Franchisor, and obligating us to maintain quality standards associated with them.

Whether We Must Protect Your Rights to Use the Principal Marks. A federal or state trademark or service mark registration does not necessarily protect the use of the concerned mark against a prior user in a given relevant market area. Therefore, prior to entering into the Franchise Agreement, you should check and be sure that there are no existing uses of our marks, names, logotypes and/or commercial symbols or any marks or names confusingly similar to any of them within the market area where you want to do business. If you find any similar names or marks, you should immediately notify us. Any action to be taken in that event is strictly within our discretion.

Known Prior Rights or Infringing Uses. Except to the extent that others may have use prior to use by Michael Farias or by Fast Aid Success Systems of "Plumbing M.D." or of the marks, "Plumbing Doctor," "Fast Aid," "The Feel Good Plumbing Experience," "The Professional Plumber", "Experience the Difference", and the "stripe and cross" trade dress, we know of no infringing use of the above marks, names, logotypes and/or commercial symbols which could materially affect your use of them.

We are currently aware of the following companies who are or were operating under names or symbols that may be confusingly similar to our registered trademarks. Because they are not in or near your proposed territory they will not affect your ability to use the marks. The companies and status of each is as follows:

1. The Plumbing Doctor Inc., Oakland, CA, California State Contractor's License Number: 851658. We believe that this is an infringing use of our registered trademark "Plumbing Doctor." We sent a cease and desist letter to the company, and the company has agreed to cease using the mark effective September 30, 2006.

2. The Plumbing Doctor, Union City, CA, California State Contractor's License Number: 864352. We believe that this is an infringing use of our registered

trademark “Plumbing Doctor.” We sent a cease and desist letter to the company, and the company has agreed to cease using the mark effective April 30, 2006.

3. M.D. Plumbing, Chico, CA, California State Contractor’s License Number: 523191. The company has been operating since 1988 and, therefore, has prior use of the mark. We have taken no action against the company.

4. M.D. Plumbers, La Jolla, CA, California State Contractor’s License Number: 670172. We believe that this is an infringing use of our registered trademark “Plumbing M.D.” We sent a cease and desist letter to the company but have not taken action at this time. We will continue to monitor their use of the mark.

5. Plumbing Doctor, Los Angeles, CA, California State Contractor’s License Number: 78099. We believe that this is an infringing use of our registered trademark “Plumbing Doctor.” We sent a cease and desist letter to the company, and the company agreed to cease using the mark.

6. Plumbing M.D., Torrance, CA, California State Contractor’s License Number: 857435. We believe that this is an infringing use of our registered trademark “Plumbing M.D.” We sent a cease and desist letter to the company, and the company agreed to cease using the mark.

7. The Plumbing Doctor, Escondido, CA, California State Contractor’s License Number: 749053. We believe that this is an infringing use of our registered trademark “Plumbing Doctor.” We sent a cease and desist letter to the company. We are in communication with the infringer and may take action in the future.

8. Dr. Plumber, Reno, NV. Owner is not shown to have a current Contractor’s License for the state of Nevada. We believe that this is an infringing use of our registered trademark “Plumbing Doctor”. We sent a cease and desist letter to the company, and the company agreed to cease using the mark. However, the owner started using the mark again after several years. We pursued the matter through our attorney, who filed a complaint in federal court on our behalf. An agreement was reached in which the owner ceased using the mark and paid an undisclosed cash settlement. As of December 2012 the company is no longer using the mark.

9. Drain Medic, San Diego, CA, California State Contractor’s License Number: 730327. The company has been operating since 1986 and, therefore, has prior use of the mark. We have taken no action against the company.

10. Plumbing Doctor, Culver City, CA, California State Contractor’s License Number: 652076. We believe that this is an infringing use of our registered trademark “Plumbing Doctor”. We sent a cease and desist letter to the company, and the company agreed to cease using the mark.

11. Dr. Phil's Plumbing Doctor, Cathedral City, CA, California State Contractor's License Number: 801010. We believe that this is an infringing use of our registered trademark "Plumbing Doctor". We sent a cease and desist letter to the company and the company agreed to cease using the mark.

12. Dr. Rooter, Reno, NV, Nevada State Contractor's License Number: 0074291. We believe that this is an infringement use of our registered trade dress of the stripe and cross on the ambulances. We sent a cease and desist letter to the company and the company agreed to stop using the mark.

You must immediately notify us of any claim of infringement by or challenge to your use of any names or marks licensed to you by the Franchise Agreement. We have the sole discretion to determine what action to take, if any, regarding the matter. Should we elect to take legal or administrative action, you agree to join as a party to such action, or allow the action to be brought solely in your name, as and only if we so direct. We will bear the legal fees and court costs of prosecuting or defending any such action, if we decide to prosecute or to defend. We will pay all damages for which you are held liable in any such infringement proceeding on the condition that you have used the licensed marks and names only in strict accordance with the Franchise Agreement and the Operations Manual, have promptly notified us of any claim against or challenge to your use of the marks and/or names, have fully cooperated with us in the handling of any legal and/or administrative proceedings, and have at all times, including after a controversy has arisen, followed our directives concerning use, including discontinuation of use, of the marks, names, logotypes and/or commercial symbols in question.

ITEM 14. PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

As of the date of this Document, we hold no registered patents or copyrights that are material to the operation of Plumbing Doctor offices, other than unregistered and common law copyrights, which we license from Plumbing M.D. Inc or Michael Farias and are claimed for Operations Manuals, Software and other published materials. You are required to use such material only as we direct. You must observe the same practices as are set forth above regarding our licensed service marks and other commercial symbols.
The same requirements will apply to other copyrighted material which we may develop or license, whether registered or not.

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

If you are an individual, you or your business manager must directly supervise the franchised business on its premises or aboard its vehicles. If you are a corporation, an LLC or a partnership the direct, on-site supervision must be done by a particular person, identified to us in the Franchise Agreement (paragraph 6.1) and trained in the Plumbing Doctor system. Also see paragraphs 11 and 16 of the Franchise Agreement.

All shareholders, partners and other owners in the franchise if franchisee is not an individual must sign a Guaranty and Assumption of Obligations attached as Exhibit D to the

Franchise Agreement personally guaranteeing and agreeing to be bound by the obligations under the Franchise Agreement to the same extent as the franchisee.

Fast Aid Success Systems may require you and all of your personnel performing managerial or supervisory functions and all personnel receiving special training from Fast Aid Success Systems, to sign confidential information agreements as required by Franchisor.

ITEM 16. RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

We require you to offer and sell only those goods and services that we have approved (see Item 8). You must offer all goods and services that we require all franchisees to offer. These required services are household and business emergency and regular plumbing repairs, sewer and drain pipe cleaning, and plumbing installations.

We have the right to add additional authorized services that you will be required to offer. There are no limits on our right to do so except that the services shall pertain generally to plumbing services and the related investment required of you (for equipment, supplies and initial inventory) shall not exceed a reasonable amount given the nature of the industry.

If we develop private-labeled merchandise for Plumbing Doctor businesses, you must carry a reasonable quantity of such items as we specify. You must sell such private-labeled merchandise only from your vehicle or premises and not by mass marketing or on a wholesale basis for resale except with our written approval. (Franchise Agreement, paragraph 10.2).

You set the prices you charge to customers. If we consult with you on costs and prices, or if we or our agents suggest prices to you from time to time, you are under no obligation to follow our suggestions. If we conduct advertising in which prices for items are indicated or suggested, these prices do not bind you. You must use the "Flat Rate Menu Pricing" system as explained in the Operations Manual. (Franchise Agreement, paragraph 11.13).

ITEM 17. RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION.

You shall maintain absolute confidentiality of our Trade Secrets during and after the term of this Agreement. You shall not use any Trade Secrets in any manner we do not specifically authorize or approve in writing.

ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is reasonable basis

for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Michael Farias, Fast Aid Success Systems, 955 Business Park Drive, Dixon, CA 95620, (707) 678-3659, the Federal Trade Commission, and the appropriate state regulatory agencies.

Addendum to Fast Aid Success Systems
Franchise Disclosure Document
For the State of California

The California Department of Business Oversight requires that certain provisions contained in franchise documents be amended to be consistent with California law. To the extent that the Franchise Disclosure Document and or Franchise Agreement contain provisions that are inconsistent with the following, such provisions are hereby amended:

1. Item 3 of the Franchise Disclosure Document is supplemented by the following language:

Neither we nor any person or franchise broker (if any) in Item 2 of the Franchise Disclosure Document is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934,15 U.S.C.A.78a et seq., suspending or expelling such persons from membership in such association or exchange.

2. Item 17 of the Franchise Disclosure Document is supplemented by the following language:

    a. California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

    b. The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).

    c. The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

    d. The franchise agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

    e. The franchise agreement requires binding arbitration. The arbitration will occur in Sacramento County, California, with the costs being borne by the non-prevailing party.

3. The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise be delivered together with the franchise disclosure document.

4. Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

5. You must sign a general release if you renew or transfer your franchise. California Corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§31000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

C. Franchisor grants franchises to use the Plumbing Doctor System to operate plumbing businesses in local Territories, and in connection therewith, grants licenses to use the Marks to identify the businesses. These businesses are herein referred to as Plumbing Doctor Businesses.

D. Franchisee is an appropriately licensed and qualified person or entity and wishes to purchase a Plumbing Doctor franchise on the terms herein contained.

E. Franchisor is willing to grant a franchise to Franchisee to open a Plumbing Doctor Business (the "Business") on the terms and conditions in this Agreement.

WHEREFORE, in consideration for the mutual promises set forth herein, and based on the above recitals, representations, and purposes, the parties hereto agree as follows:

A G R E E M E N T

1. GRANT OF FRANCHISE.

1.1 Franchisor hereby grants to Franchisee a franchise to use the Plumbing Doctor System and the Marks solely in compliance with this Agreement and from the Business location set forth in
Section 4.

1.2 It is acknowledged as between the parties that Franchisor has the sole right to use and to grant licenses to others to use the Plumbing Doctor system and the Marks in the operation of any plumbing business. Franchisee does not and shall not have or claim any rights in or to any of the Plumbing Doctor System or Marks other than as granted by this Agreement.

2. INITIAL FRANCHISE FEE.

2.1 Concurrently with the execution of this Agreement, Franchisee shall pay Franchisor an initial franchise fee in the sum of _____ Thousand _____ Hundred _____ Dollars ($___, _____.00). Except as expressly provided in this Agreement, the initial franchise fee shall be deemed to be fully earned by Franchisor when paid, and is not refundable. Even in cases where Franchisor, in its discretion, shall agree to finance a portion of the initial franchise fee, the entire initial franchise fee shall be deemed to have been earned and to be non-refundable from the execution of this Agreement.

2.2 The size of a territory is determined by the population of the area.

2.3 The above initial franchise fee is calculated as follows:

(a) For a Territory in which the population is 150,000 or less, the initial fee is $20,000.

(b) For a Territory in which the population exceeds 150,000, the initial fee as calculated under (a) above is increased by $100 per each two thousand additional people in the territory in excess of 150,000.

(c) The population is determined by the U.S. Census Bureau and is based on the most recent figures at the time the Franchise Agreement is executed. Population figures can be found at http://www.census.gov/.

Population of Territory: _____

3. TERM AND RENEWAL.

3.1 The term of this Agreement is ten (10) years, beginning on the date this Agreement is executed by the parties unless sooner terminated or extended as provided herein. The start date is the day immediately following completion of Franchisee's training.

The Franchise will officially open and Franchisee will begin sending weekly reports for the week beginning on Monday, the _____ of _____ 20_____.

3.2 Provided Franchisee is in complete compliance with this Agreement and the Operations Manual, Franchisee shall have the right to renew this Agreement for two (2) additional consecutive terms of ten (10) years each. Franchisee shall notify Franchisor in writing of Franchisee's intent to renew not less than nine (9) months nor more than twelve (12) months before expiration of the initial or renewal term then in effect or within thirty (30) days after receipt of Franchisor's renewal offer in any case.

3.3 Upon commencement of each renewal term, Franchisee shall pay Franchisor a renewal fee which shall not exceed the Consumer Price Index adjusted equivalent of today's One Thousand Dollars ($1,000.00). Consumer Price Index adjustments shall be calculated as per § 24 below.

3.4 As conditions to each renewal, Franchisor may require the following:

(a) At least thirty (30) days before expiration of the term, at Franchisor's election, Franchisee either signs a verification of renewal of this Agreement (or of the Franchise Agreement then in effect between the parties) or executes Franchisor's then-current form of Franchise Agreement which may contain terms materially different from those herein and which may include modified terms as appropriate for renewal Franchisees (e.g., limitation of further renewals, no initial training, no initial franchise fee).

(b) Should Franchisor provide the then-current franchise agreement to Franchisee prior to the effective date of the renewal and Franchisee's failure to sign and return the agreement within thirty (30) days after receipt thereof, this shall constitute waiver of Franchisee's right to renew.

(c) Franchisee refurbish and equip the vehicles as specified by Franchisor to meet Franchisor's then-current plans and specifications for new Plumbing Doctor franchises as of the date of Franchisor's renewal offer, if one is affirmatively made, otherwise as of ten month's prior to the renewal date.

(d) Franchisee execute a general release in the form required by Franchisor releasing Franchisor and any of its owners, officers, affiliates and other related parties from any

and all claims arising up to and through the expiration date of the initial term.

3.5 The foregoing conditions on renewal shall also apply, but only to the extent allowable under applicable law, if any renewal not otherwise acceptable to Franchisor under the foregoing terms is mandated by any law, rule, regulation, statute, ordinance, order, or is otherwise required by operation of law.

3.6 Termination of this Agreement for any reason shall terminate any and all remaining rights of renewal.

3.7 If Franchisee continues to operate the Business without the express consent of Franchisor following expiration of the term of this Agreement or any renewal option, such continuation shall be construed as an extension of the term hereof only from month-to-month, terminable by either party on thirty (30) days notice to the other party. Franchisor may extend the term for one or several months at a time in order to supply necessary or desirable notice to Franchisee.

4. TERRITORIAL RIGHTS AND OFFICE LOCATION.

4.1 Except as stated at 4.2 below, while this Agreement is binding, Franchisor will not establish nor grant to any other person a license to establish a Plumbing Doctor Business within Franchisee's "Exclusive Territory," as such Exclusive Territory is defined in section 4.5 below, incorporated herein by this reference.

4.2 Franchisee shall have exclusive rights to the Territory for the full term of this agreement as long as franchisee is in full compliance of all terms and conditions of this agreement and any other agreement between the Franchisor and Franchisee, and this agreement has not been terminated or expired, and franchisee is meeting the minimum sales requirements as described in section 11.18 of this agreement. “Exclusive” for the purposes of this section 4.2 means that Franchisor will not establish any other Plumbing Doctor company within the designated Territory, and Franchisor will not conduct any plumbing business within the Territory, except as stipulated in section 4.4 below.

4.3 Franchisees are not prevented from soliciting, advertising or accepting business from any distance except that they may not service customers in another Plumbing Doctor franchisee's territory. These same rules apply to franchises or company-owned units owned by Franchisor or any affiliate.

4.4 If a customer located outside the boundaries of Franchisee's Territory desires to retain Franchisee to render authorized services at any time, Franchisee shall refer such customer to the Franchisee within whose territory such customer is located or to the Franchisor if it is operating a service center in such territory. If neither the Franchisor nor another Plumbing Doctor Franchisee is conducting business in such territory, the Franchisee may render such authorized services to such customer. The Franchisor shall have the right to adopt and implement policies and procedures prohibiting or strictly limiting Franchisee's conduct and solicitation of business and

marketing activities outside of their exclusive Territory.

4.5 The territory boundaries are determined by the current United States Postal Service zip code boundaries at the time the agreement is executed. A territory is composed of contiguous zip codes in an area to be agreed upon by franchisor and franchisee. Territory is defined as the area that is included in the zip codes listed below or on attached document:

Territory Defined As: _____

*List zip codes or state that they are included as an attached document and state document title

4.6 If the United States Postal Service adds or changes zip codes within the bounds of an existing territory the current franchisee maintains all area within the original bounds of the territory. Therefore, the franchisee may attain additional zip codes if they are within the original service area. If the United States Postal Service increases the area of a zip code or zip codes, franchisee may receive the additional area at the sole discretion of franchisor and only if there is not another franchisee or company owned outlet operating in that area.

4.7 Subject to Section 4.10 below, Franchisee shall select his own office location, generally within the geographically central portion of his Exclusive Territory and always subject to Franchisor's approval, and shall, unless otherwise authorized by Franchisor in writing, operate the Business permitted under this Agreement from one location only, identified, if now possible, as follows:

Street Address: _____

State: _____ City: _____ Zip:

_____

4.8 If the location is (or locations are) not set forth in Section 4.7 when this Agreement is signed, Franchisee shall attempt to identify a location for the Business acceptable to Franchisor typically located centrally within Franchisee's "Exclusive Territory."

4.9 Franchisee may enter into a lease for the, or any, Business location only upon receipt of written approval from Franchisor.

4.10 Franchisee shall not open or own additional Plumbing Doctor offices outside his or her Exclusive Territory unless he or she executes the then-current Franchise Agreement and pays the then-current franchise fees for that territory.

5. OPENING OF THE BUSINESS; DECOR, VEHICLES & MAINTENANCE.

5.1 With Franchisor's approval, not to be unreasonably withheld after inspection, franchise operation can be conducted from franchisee's home or other space provided that adequate room and facilities are available.

5.2 In order to present and maintain a uniform, professional image, the Franchisee shall

have and shall at all times during the terms of this Agreement maintain, at his sole expense, a vehicle for use in the Franchised Business. The vehicle may be a truck, van, box van, or other style that is suitable to perform all necessary duties of the Franchise. All vehicles used in the business to supply plumbing services shall be trade dressed, equipped, and maintained as provided in the Operations Manual, which specifies that all vehicles must appear to be a reasonable facsimile of an ambulance. Some states and local governments may have laws or regulations restricting you from fashioning your vehicle to resemble an ambulance. You are obligated to familiarize yourself with any such laws and abide by them. Unless otherwise approved in writing by the Franchisor, the vehicle shall be white, shall be in excellent condition, and shall have the Plumbing Doctor logo, lettering and trade dress professionally applied prior to being put into service. Vehicles with dents, broken windows, or poor paint jobs shall not be used. The Franchisee shall maintain the interior, exterior and mechanical parts of such vehicle in good repair and shall regularly service and maintain such vehicle so as to keep it continually clean and in good working order. Should changes in the Operations Manual vehicle standards necessitate substantial expenditures during the term of this Agreement; a reasonable time will be allowed for compliance.

5.3 Franchisor reserves the right to develop and modify standards or requirements for a computer system, computer programs and/or point of sale system to be used in the Franchised Business, which may include designated or approved hardware and software components, provided that the cost of acquiring the designated system, program or components shall be reasonable. If any proprietary system or program is adopted, Franchisor may require Franchisee to sign a license agreement to govern the use of the system or program. Franchisee may be required to utilize electronic mail and other features available through Franchisor website and/or Intranet and maintain and use Equipment and Internet access sufficient to utilize the website and/or Intranet as prescribed by Franchisor. Franchisee shall abide by any terms of use that apply to Franchisor's website or any Intranet Franchisor may develop. Franchisor can require use of Internet service meeting certain standards or a designated Internet service provider. Franchisor may modify its website or other on-line services, or adopt new ones and require Franchisee to use them and modify its Equipment and service providers as needed.

5.4 Franchisee shall purchase all necessary tools, vehicles, signs, trade fixtures and equipment, opening inventory, and all other items specified by Franchisor in the Operations Manual as needed for the preparation of the Business for opening.

5.5 Franchisee is prohibited from making any material alterations to the signs, painting or trade dress of the vehicles without prior written approval by Franchisor.

6. FRANCHISEE'S MANAGEMENT; TRAINING AND PRE-OPENING ASSISTANCE.

6.1 Each Plumbing Doctor business must be directed personally by a Business Manager, who shall have successfully completed Franchisor's training program. The Business Manager is understood to be one individual who is in charge of the Franchise office. In most cases the Business Manager is the Franchisee or one designated owner of a corporate, LLC or partnership Franchisee. Where Franchisor permits a Franchisee to own more than one territory, the Franchisee himself, or designated owner of corporate, LLC or partnership Franchisee, shall manage at least one business, and each additional franchise must be operated by a Franchisee

appointed Business Manager. Except as may be otherwise agreed in writing by Franchisor, the designated Business Manager has the authority to speak for and bind Franchisee in all matters pertaining to this Agreement, the Business and all other matters pertaining to this Franchise, and Franchisee so warrants. Franchisee, and all of the members of an LLC, a partnership and/or all of the shareholders, directors, and officers of a corporate franchisee, further warrant to Franchisor that Franchisor may rely on such authority until such time as Franchisor is notified in writing by a majority of the partners, directors, or shareholders, as appropriate, of any change in the Business Manager or in his or her authority. Nothing in this Section, or elsewhere, shall in any way be construed to lessen the responsibility or liability of any other members of an LLC, a partnership Franchisee, or the officers, directors, and/or shareholders of a corporate Franchisee, for compliance by Franchisee with the terms and conditions of this Agreement.

Business Manager: _____
*Name and title of the business manager

6.2 The trained and designated Business Manager must supervise all employees of the Business and keep the Business open to meet customer needs in accordance with service response standards set forth in the Operations Manual.

6.3 Prior to the opening of a Plumbing Doctor Business, its Business Manager shall be trained by Franchisor. If not previously accomplished, this training shall begin approximately one (1) to seven (7) weeks after signing the agreement and shall be completed at least one (1) week prior to opening for business. The training will be conducted by Franchisor's representatives exclusively at, or, at Franchisor's option, primarily at, one or more existing Plumbing Doctor offices or other meeting place to be specified by Franchisor; Franchisee agrees that such training may be conducted, at Franchisor's discretion, partly on-site at Franchisee's Business at or about the time of opening. This training lasts approximately thirty (30) hours, usually concentrated within a period of a few days. Training may consist partly of uncompensated on-the-job experience. The amount and content of training may change as we deem necessary. Contents of training are covered in the FDD.

6.4 Ongoing training and assistance: Franchisee may request additional training, or Franchisor may require additional training of Franchisee if it deems it necessary. If Franchisor agrees to provide additional training, it will be provided at Franchisee’s expense at the per diem rate of $1000 and is subject to upward adjustment according to the Consumer Price Index. The Franchisee will also be expected to pay for any travel expenses incurred during the training period.

6.5 Training fees are charged at the trainer's per diem rate except as provided at 6.4 above and 6.10 below, and rates may be adjusted from time to time.

6.6 The Franchisee shall bear its own travel, lodging, and all other personal expenses as well as those of any employee incurred in attending the training course. If Franchisor must send a trainer to the franchisee's location or elsewhere away from Franchisor's headquarters, other than for training provided free, franchisee also must pay the trainer's air fare, hotel and other customary costs.

6.7 If a person to whom training is offered fails to successfully complete training, the franchisee is required to pay training fees per the above schedule to train a replacement person, assuming that is necessary or desired, regardless of whether the person failing was a paying or a free trainee.

6.8 Where the proprietor and the day to day Business Manager of a franchised office are two different people, both must be trained by Franchisor. Often this will mean that the franchisee must pay tuition for the training of a Business Manager who replaces the person initially trained for that position when the franchise was first acquired.

6.9 Except as may be set forth above, none of the foregoing fees, expenses, or charges are or will be refundable.

6.10 Franchisor may from time to time offer tuition-free refresher courses, seminars, conventions, meetings, and the like to all franchisees or, at Franchisor's discretion, to one or more specific franchisees who, in Franchisor's opinion, might benefit thereby. If invited to such offerings, the franchisee must attend all such sessions, up to a maximum of one (1) per twelve month period. All travel and living expenses incurred by the franchisee and/or employees of the franchisee in connection with such refresher courses, seminars, conventions, meetings, and so forth, are the responsibility of the franchisee.

7. OPERATIONS MANUAL.

7.1 Franchisor shall loan a copy of its Confidential Operating Manual ("Operations Manual") to Franchisee before or upon his successful completion of the initial training program for the term of this Agreement and any renewal period. As the Operations Manual contains trade secrets of Franchisor, Franchisee shall keep and maintain its contents confidential and shall take reasonable precautions against disclosure of the information contained therein by employees and also to employees who have no need to know. Franchisee shall operate the Business in strict accordance with the Operations Manual. Franchisee is required to promptly return the complete Operations Manual and all modifications to Franchisor upon termination of or expiration of this agreement for any reason whatsoever. Franchisee shall pay Franchisor a fee of Ten Thousand Dollars ($10,000) for each copy not returned, and Franchisee shall be liable to Franchisor for any damages suffered by Franchisor by reason of Franchisee’s failure to return all copies of the Operations Manual.

7.2 The Confidential Operations Manual may include any number of separate manuals with distinct titles, all of which will be considered part of and included in the Confidential Operations Manual. The format of the Confidential Operations Manual may be in the form of hard paper, computer diskette, electronically downloaded directly or indirectly to Franchisee’s computer or via another medium as chosen at the discretion of Franchisor. Franchisee will maintain at its sole expense all computer system requirements and services needed to have access to the Confidential Operations Manual and any changes and updates as may be provided by Franchisor. Any required purchases will not exceed a reasonable dollar amount as compared to industry standards.

7.3 Franchisor has the right to modify the Operations Manual from time to time by the mailing or delivery to Franchisee of written updates. Franchisee shall operate the Business in strict accordance with the Operations Manual as it shall be amended.

7.4 Franchisee shall not at any time copy, duplicate, record or otherwise reproduce or transcribe the Operations Manual or any of the forms supplied by Franchisor hereunder without Franchisor's prior written consent.

8. CONFIDENTIAL INFORMATION; RESTRICTIONS ON ENGAGING IN COMPETITIVE BUSINESSES.

8.1 Scope. Franchisor possesses confidential information consisting of: methods for developing and operating Plumbing Doctor offices; contents of and methods for training new franchisees; knowledge of customer needs; concepts or results relating to services; operating methods; advertising programs; sources of goods and services; marketing techniques; formulas, formats, specifications, forms and procedures for operating Franchisor's Businesses. All the foregoing are known as the "Trade Secrets."

8.2 Source of Knowledge. Franchisor shall disclose certain Trade Secrets to Franchisee in lending Franchisee the Operations Manual and in providing standard plans for the Business, guidance and assistance, and in performing other obligations and exercising rights under this Agreement. Franchisee acknowledges that Franchisee's knowledge of all material aspects of a Franchisor Business will come from Trade Secrets that Franchisor will disclose to Franchisee. Franchisee acknowledges that the Trade Secrets are proprietary, confidential information of Franchisor, having economic value to Franchisor, in part because they are not known to the public, competitors or others.

8.3 Interest. Franchisee shall acquire no interest in the Trade Secrets, other than the right to use them in opening and operating the Business during the term of this Agreement.

8.4 Confidentiality. Franchisee shall maintain absolute confidentiality of the Trade Secrets during and after the term of this Agreement. Franchisee shall not use any Trade Secrets in any manner not specifically authorized or approved in writing by Franchisor.

8.5 Copies. Franchisee shall not make any unauthorized copy of any Trade Secrets disclosed in writing (including but not limited to Franchisor's proprietary software, if any, written plans, the Operations Manual, bulletins or memos from Franchisor), nor shall Franchisee make any unauthorized copy of any proprietary computer software or Trade Secrets disclosed other than in writing which he or anyone else shall have put in computer readable form or in writing.

8.6 Public Information. The restrictions in this Article 8 on Franchisee's use and disclosure of Trade Secrets shall not apply to information that is or becomes generally known and used by other plumbing service and repair, sewer and drain cleaning companies, other than through disclosure (whether deliberate or not) by Franchisee.

8.7 Other Businesses.

(a) Franchisee acknowledges that Franchisor could not protect the Trade Secrets against unauthorized use or disclosure, could not readily assure compliance with this Article 8, and could not achieve a free exchange of ideas and information among Franchisor's Franchisees if Franchisee or any Covered Person held interests, as defined below, in any Competitive Business, as defined below.

(b) The phrase "Competitive Business" means: (i) any plumbing business which offers plumbing service and repair and sewer and drain cleaning, or (ii) any entity which is granting or intending to grant franchises or licenses to others to operate plumbing businesses.

(c) The phrase "Covered Person" shall include (i) Franchisee, Franchisee's spouse(s) and each relative living in the same household as each such person; (ii) all directors, officers and holders of any direct or indirect beneficial interest constituting five percent (5%) or more of the securities of Franchisee, or of any LLC or corporation affiliated with or directly or indirectly controlling Franchisee, and the spouses and each relative living in the same household as each such person who is an individual, if Franchisee is a corporation; and (iii) the general partners and any limited partner, including any corporate holders of a beneficial interest constituting five percent (5%) or more of the securities of a corporation affiliated with or directly or indirectly controlling any corporate general or limited partner, and the spouses and each relative living in the same household as each such person who is an individual, if Franchisee is a partnership.

(d) Accordingly, during the term of this Agreement and for two years after it terminates or expires without renewal neither Franchisee, nor any Covered Person, shall have any interest as an owner, investor, partner, lender, director, or in any other capacity in any Competitive Business. Franchisee shall take all steps necessary to assure compliance with this provision by all Covered Persons. Violation of this Section by any Covered Person shall, at Franchisor's election, constitute a material breach of this Agreement by Franchisee.

(e) In every case where the above post-termination covenant not to compete in a Competitive Business is held, or agreed by the parties, to be unenforceable, Franchisee agrees to pay to Franchisor by way of liquidated damages for the right to engage in a Competitive Business (without selling or publishing any trade secrets of Franchisor) a sum equal to five percent (5%) of his previous two years' Gross Sales (not Adjusted Gross Sales), paid out in twenty-four (24) equal monthly installments.

(f) The restrictions in Section 8.7(d) and (e) above shall not apply to ownership of (i) securities listed on a stock exchange or traded on the over the counter market that represent five percent (5%) or less of the number of shares of the class of securities issued and outstanding; (ii) other Franchisor's Businesses pursuant to franchise agreements with Franchisor; or (iii), if name and address are completed below at time of signing, the following pre-existing business and office owned or operated by Franchisee provided that

Franchisee shall not use in such office any of the Franchisor's System, including but not limited to the Operations Manual, Trade Secrets or Franchisor's Marks.

_____

(business name and office address)

(g) Each of the covenants in this Article 8 and each portion thereof shall be construed as independent of any other covenant or provision. If all or any portion of a covenant is unenforceable due to its scope in terms of geography, duration, or activity covered or otherwise, but could be enforced if reduced in scope, then the parties agree to be bound by any lesser covenant subsumed within the terms of such covenant imposing the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Article 8.

(h) Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant in this Section 8.7, or any portion thereof, effective immediately upon receipt by Franchisee of written notice thereof, and Franchisee shall be bound by the reduced scope.

(i) If the franchise which is the subject of this Agreement is located outside California, the parties agree that the restrictions on engaging in competitive businesses outlined above in this Article 8 shall be judged by the law of the State in which the franchise is located, not by the law of the State of California, unless the law of such other state at the time when enforcement is sought is, in Franchisor's opinion, less favorable than is California's law to the position of Franchisor.

9. USE AND PROTECTION OF THE MARKS.

9.1 The Marks, commercial symbols, designs, and patents associated with the Plumbing Doctor business and set forth in this Agreement and the Operations Manual are licensed to Franchisee under this Agreement and must be used strictly in compliance with this Agreement, the Operations Manual, and all other directives of Franchisor related thereto.

9.2 Franchisee shall immediately notify Franchisor of the facts concerning any claim of infringement resulting from Franchisee's use of any of the Marks, commercial symbols, designs or patents. In any action or proceeding arising from or in connection with any such claim, demand, or suit, Franchisee agrees that Franchisor may select legal counsel and have the right to control the proceedings.

9.3 Franchisor shall indemnify all damages for which Franchisee is held liable in any proceeding involving the Marks if Franchisee has used the Marks in strict accordance with this Agreement, promptly notified Franchisor of any claim against Franchisee's use of the Marks, and fully cooperates with Franchisor in any legal and/or administrative proceedings concerning the Marks.

9.4 We have invested time, energy and money in the promotion and protection of the Trade Name and other Marks. We do not intend to change them. However, rights in intangible

property such as the Trade Name and Marks are often difficult to establish and defend. If it becomes advisable at any time in Franchisor's sole discretion, for Franchisor and/or Franchisee to modify or discontinue use of any Mark, and/or use one or more additional or substitute trade names, trademarks, service marks or other commercial symbols, Franchisee shall comply with Franchisor's directions within a reasonable time after notice to Franchisee by Franchisor. And Franchisor shall have no liability or obligation whatsoever with respect to Franchisee's modification or discontinuance of any Mark.

9.5 Franchisor may require Franchisee to use one or more additional or alternative trademarks, service marks, logotypes, and/or other commercial symbols in connection with the operation of the Business and Franchisee shall bear the cost of using such additional items in accordance with Franchisor's directives.

9.6 Franchisee shall not make an application for registration or other protection of any of the Marks, or any item or items similar thereto, without the prior written consent of Franchisor, and then only upon the terms and conditions specified by Franchisor in connection therewith. Franchisee shall take no action which will interfere with the Marks, Franchisor's rights thereto, or the use thereof by Franchisor and authorized others. Franchisee shall not contest Franchisor's ownership of, nor the legal validity of, the Marks, or any of them.

10. SUPPLIERS, EQUIPMENT, SUPPLIES AND INVENTORY.

10.1 Franchisee hereby authorizes Franchisor to contact Franchisee's suppliers from time to time and to obtain reports from them of the items and the quantities of those items purchased from the suppliers by Franchisee.

10.2 Should Franchisor develop private-labeled merchandise for use and/or sale by Plumbing Doctor Businesses, Franchisee shall purchase, carry, and use in Franchisee's business a reasonable quantity of such items as may from time to time be specified by Franchisor. Sale of items in this category by Franchisee shall be conducted from Franchisee's vehicles only and not by mass marketing or on a wholesale basis for resale by another except with Franchisor's written approval. Franchisor reserves the exclusive right to control the wholesale distribution and mass marketing of items bearing any Franchisor name or mark.

10.3 No goods or services, other than those set forth particularly or by classification in the Operations Manual or approved in writing by Franchisor, shall be used, sold, displayed, or otherwise employed in or in connection with the Business.

10.4 Franchisee must purchase certain supplies in accordance with specifications or from approved suppliers as set forth in the Operations Manual.

10.5 You must own or purchase a personal computer to run QuickBooks and Microsoft Office for accounting and other business functions. The minimum system requirements for this are at least, or equivalent to, Windows 7 or Apple Mac OS X 10.6 Snow Leopard. You are required to use QuickBooks Pro 2007 or a newer version of QuickBooks Complete. You must also have a laser printer to print reports, documents and invoices. You must have high-speed internet access

(DSL, Cable, T1line or equivalent) and email. We currently do not access your computer data remotely, but reserve the right to do so. If we were to exercise this right you would be required to purchase the necessary hardware and software to allow us to do this.

You may purchase your hardware and software at any computer retailer or vendor of your choosing. Software may be purchase directly from the manufacturers as well:

10.6 Franchisor reserves the right to add additional authorized services that Franchisee will be required to offer. There are no limits on Franchisor's right to do so, except that the services shall pertain generally to plumbing services and the related investment required of you (for equipment, supplies and initial inventory) shall not exceed what is reasonable given the nature of the business.

11. OTHER OBLIGATIONS OF FRANCHISEE.

11.1 Franchisee shall sell the goods and services that Franchisor designates in the Operations Manual. Such required services presently include all household and business emergency and regular plumbing repairs, sewer and drain pipe cleaning, and plumbing installations.

11.2 Franchisee shall provide levels of customer service which are satisfactory in accordance with Operations Manual standards.

11.3 To provide adequate customer service levels it may be necessary from time to time for Franchisee to upgrade and/or add equipment. An example of this is computer hardware and software. The cost for upgrades will not exceed what is reasonable given the nature of the business, and Franchisee will be given sufficient time to acquire large purchases.

11.4 Franchisee shall cooperate with any and all evaluation programs that Franchisor may implement.

11.5 Franchisee shall be and remain the principal manager of the Business, and shall personally, actively and substantially participate in the actual supervision of the franchise unless Franchisor otherwise agrees in writing. Franchisor shall so consent in cases where it allows a franchisee, who remains the principal manager of at least one Business, to obtain more than one franchise territory while installing a trained Business Manager to direct each other owned franchise. The franchisee must work diligently, fairly and in good faith and perform all the obligations of the Franchise Agreement and shall use its best efforts to produce the maximum volume of sales in a manner consistent with the terms of this Agreement and devote an amount of time to the Business adequate for this purpose.

11.6 Franchisee shall hire and satisfactorily train sufficient numbers of personnel to adequately handle the business of the Franchise and to provide courteous and capable assistance to Franchisee's customers in the manner as may be set forth in the Operations Manual. Franchisee shall use its best efforts to insure that Franchisee's personnel maintain standards of appearance, cleanliness, and demeanor as may be specified by Franchisor, and shall employ standards which will enhance the conduct and image of the Business. In order to present a neat and clean appearance, the Franchisee shall wear and shall cause each of its employees to wear, a uniform prescribed by the Franchisor as outlined in the Operations Manual.

11.7 Franchisee shall operate the business continuously on such days and during such minimum hours as Franchisor by its Operations Manual may direct. In addition, Franchisee shall offer emergency service as required by the Operations Manual. (The Operations Manual currently provides that the Business offer service to customers from 8:a.m. to 5:p.m. weekdays. Night, weekend and holiday service as well as emergency service hours of operation are optional and up to the Franchisee).

11.8 If Franchisor changes its specifications for any items employed in the office, including but not limited to equipment and supplies, the franchisee shall comply with the revised specifications, provided that the cost is within reason for the plumbing service industry, and that franchisee is given a reasonable time to exhaust its inventory of the previously specified items.

11.9 Franchisee shall obtain and maintain at its expense all licenses and permits necessary for the operation of the business. The franchisee shall comply immediately with any and all orders, laws, regulations, rules, and directives of any federal, state, county or municipal authorities with regard to the business and shall immediately notify Franchisor of legal requirements or developments affecting the business and of any government orders, the reasons therefore, and the corrective action taken or to be taken by the franchisee.

11.10 Franchisee shall pay all taxes, liens, assessments, costs, expenses, debts, salaries, accounts, liabilities, charges, duties, imposts, premiums, fees, damages, and any and all other outlays or responsibilities involving the payment of money or performance of every other nature incurred in, related to, or resulting in any way from, the construction, maintenance, operation and/or discontinuance of the business.

11.11 Franchisee shall, upon notice from Franchisor, immediately correct any defects, deficiencies, or unsatisfactory conditions in the appearance or conduct of the Business or vehicles, or in the franchisee's compliance with the terms of the Franchise Agreement. The franchisee shall establish and maintain an image and reputation for the office consistent with the standards set forth in the Franchise Agreement, the Operations Manual, and as otherwise specified by Franchisor.

11.12 Franchisee shall execute and have its employees execute any trade secret agreement deemed necessary by Franchisor to protect Franchisor's licensed trademarks, trade names, service marks, commercial symbols, or trade secrets.

11.13 Prices to be charged to customers of Franchisee for Plumbing Doctor services and

merchandise are strictly up to Franchisee, although products and services, to be offered customers, are not. If Franchisor suggests prices to Franchisee from time to time, Franchisee is under no obligation to adhere to such suggestions. Franchisee shall be required to use the "Flat Rate Menu Pricing System" as explained in the Operations Manual. Franchisor will provide to Franchisee a total of three identical "Flat Rate Pricing Menus" prior to the start of business at no cost to Franchisee. Franchisee shall pay Franchisor for any additional or new "Flat Rate Pricing Menus." Franchisor will provide Franchisee with all "Flat Rate Pricing Menus" at cost.

11.14 Franchisee shall conduct all advertising and promotional activities in accordance with the Operations Manual or as otherwise communicated to Franchisee. Franchisee shall submit to Franchisor prior to use copies of all advertising, promotional, and public relations programs and/or material proposed to be used by Franchisee, along with a description of how such material is proposed to be used, by what media published, and such other information as may be requested by Franchisor. Franchisee shall not use any such material without the prior written consent of Franchisor, and then only in the way and by the means so approved. Franchisor has complete and absolute discretion in deciding whether to approve Franchisee's advertising, promotional, and public relations material and all matters connected therewith.

11.15 Franchisee shall call his business by no name not sanctioned by Franchisor, and use the trademark and logo, in all its literature.

Business Name: _____

DBA: _____

11.16 Franchisee shall ensure by all means set forth in the Operations Manual that all customers understand that each Plumbing Doctor business is independently owned.

11.17 During the term of this Agreement, any renewals or extensions hereof, and within one (l) year thereafter, Franchisee shall not, directly or indirectly, or with any person or entity: (a) divert or attempt to divert any business or customer of the Business to any competitor, whether by direct or indirect inducement or otherwise; (b) without the advance agreement of the employer involved, employ or seek to employ any person who is then employed by Franchisor or by any office within Franchisor's System not owned and operated by Franchisee, or otherwise directly or indirectly induce or seek to induce any such person to leave his or her employ; or (c) induce, or seek to persuade, any other Franchisee to breach his or her agreements with Franchisor.

11.18 Minimum Sales Performance Standards: Franchisee shall achieve a revenue level of at least two dollars ($2.00) per capita within five years after the date of this agreement. If Franchisee fails to meet the Minimum Sales Performance Standards, Franchisor shall have the right, by giving notice to Franchisee, to declare that Franchisee's Territory will no longer be exclusive. The minimum sales requirement will be adjusted to reflect the Consumer Price Index.

11.19 Franchisee's use of this Agreement as security for a loan or other similar encumbrance is prohibited, unless Franchisor specifically consents to any such action in writing prior to the proposed transaction. Franchisee shall not purport to grant a subfranchise under this Agreement nor seek to franchise, license, or permit others to use this franchise or any of the rights,

assets, or property derived by or licensed to Franchisee under this Agreement. All such actions are expressly prohibited.

12. CONTINUING ADMINISTRATIVE FEE (CAF), ADVERTISING AND OTHER FEES.

12.1 Franchisee shall pay Franchisor continuing administrative fees for its use of the Plumbing Doctor System during the term of this Agreement, which is the greater of Ten Percent (10%) of Adjusted Gross Sales or $250 per week, which is adjusted upward to reflect the Consumer Price Index. The CAF fee shall be paid on or before Wednesday of each week with respect to Adjusted Gross Sales for the immediately preceding calendar week. Franchisee shall make such payments to Franchisor directly or by electronic or wire transfer to Franchisor's specified bank account. Your obligation to pay the ongoing CAF fee begins on the start date as defined in Section 3.1 of this agreement.

12.2 (a) Plumbing Doctor as a whole has an established reputation on the internet. Our established online marketing system will be provided and implemented for you by Fast Aid Success Systems. Specifically, the Brand Advertising we will provide is online search engine optimization (SEO) and Pay Per Click/Call (PPC) marketing. All company-owned or affiliated stores operating under the Marks will also benefit from this advertising. SEO plans will target key words and searches we feel are most prominent to our industry and will be integrated across the most widely used online search engines. PPC will hone in on specific searches we feel are most relevant to the plumbing industry as a whole. While Plumbing Doctor does provide some advertising, we do not intend to be the sole advertising entity. Franchisee shall pay Franchisor for the development of advertising concepts and materials and for the general marketing and advertising support of franchisees, spent as Franchisor in its discretion shall determine during the term of this Agreement a weekly advertising fee not to exceed five percent (5%) of franchisee's Gross Sales (not Adjusted Gross Sales) during the preceding week. In such event, Franchisee shall make payments to Franchisor directly or by electronic or wire transfer to Franchisor's specified bank account weekly by Wednesday of the week immediately following based on Gross Sales for the previous calendar week.

(b) Franchisor shall direct and approve all advertising programs with sole discretion over the creative concepts, materials and media used in such programs and the placement and allocation thereof. We encourage you to create your own advertising campaign specific to your territory, and we have sole discretion over the creative concepts, materials, media and placement of advertising you create or use. You agree that all advertising will be intended to maximize recognition of the Licensed Marks and patronage of all Franchised Businesses in the United States. Although we will try to use the Brand Advertising to benefit Plumbing Doctor as a brand, we are not obligated to ensure that Brand Advertising in any geographic area will be proportionate or equivalent to the contributions in any other geographic area. We are also not obligated to ensure that any Franchised Businesses will benefit directly or in proportion to its contribution to the Brand Advertising. While we intend the Brand Advertising to last indefinitely, we will have the right to terminate it and, if terminated, to reinstate it at any time.

(c) The funds may be used to meet any and all costs of creating, producing, maintaining, administering, directing, approving and conducting advertising, marketing and promotional activities and materials (including, without limitation television, radio, magazine and newspaper advertising campaigns and other public relations activities; point of purchase and promotional materials and the employment of outside agencies). All sums paid by Franchisee to the Fund shall be maintained in a separate account from the other funds of Franchisor and shall not be used to defray any of Franchisor's general operating expenses, except for such reasonable administrative costs and overhead, if any, as Franchisor may incur in activities reasonably related to the administration or direction of the Fund and advertising programs including, without limitation, conducting market research, preparing marketing and advertising materials, and collecting and accounting for assessments for the Fund.

(d) Although Franchisor intends the Fund to be of perpetual duration, Franchisor maintains the right to terminate the Fund. The Fund shall not be terminated, however, until all money in the Fund has been expended for advertising and promotional purposes.

(e) An annual accounting of the operation of the Fund shall be made available to Franchisee upon request. This accounting need not be prepared or audited by an independent certified public accountant, but if in its discretion Franchisor retains an independent certified public accountant for this purpose, the resulting fees and costs shall be borne by the Fund.

(f) Once contributions to the Fund are made by Franchisee, all such money shall be used as herein required and shall not be returned to Franchisee.

12.3 In addition to the above described advertising fee, if any, Franchisee shall spend on the advertising and promotion of his or her Plumbing Doctor business what is necessary to comply with the local advertising requirements as set forth in the Operations Manual. Presently, such standards recommend Franchisee to spend annually 5-10% on advertising. Franchisee is required to spend a minimum of $1000 on pre-opening marketing. Franchisor recommends that Franchisee spend annually at least four percent (4%) to seven percent (7%) of Net Sales on local marketing. Any contribution to an Advertising Fund would be applied to offset this recommendation.

12.4 Franchisor has the right to audit Franchisee's books and records, including computer records, and to review Franchisee's business practices, at any time specified by Franchisor during Franchisee's normal business hours. If such an audit reveals an understatement in an amount of three percent (3%) or more of any month's reported Gross Sales, the franchisee immediately must pay, in addition to any other sums becoming due by reason of the under-reporting, the costs of the audit, including any costs and expenses incurred in connection therewith by Franchisor's employees, its accountants, or any others for whom Franchisor has expended money in connection with the audit.

12.5 The term "Gross Sales" means all sales and receipts from whatever source received, whether in cash or on credit, including all sales and receipts from whatever source derived, whether in cash or on credit, and whether or not made from the office, including but not limited to

the gross amount received from all client fees, merchandise sales, consultation services, service sales, incidental sales, and the like. Credit transactions are deemed made when the transaction giving rise to the extension of credit occurs and not when payment is made or title to the goods passes. Credit card and other credit transactions result in Gross Sales in the full amount of the purchase by the customer without any deduction for bad debts, uncollectible accounts, or credit card fees and charges. Gross Sales are expected to bear a consistent and close relationship to customer billings, the reporting of which likewise is required. Gross Sales shall not include any of the following:

(a) the selling price of any services, goods, or merchandise, the refund of which by franchisee to the customer is documented in accordance with the Operations Manual; An exchange of merchandise or services shall result in an exclusion from "Gross Sales" only to the extent of any accompanying credit, discount, refund, or other allowance;

(b) Merchandise returned by Franchisee to its source for credit or other allowance;

(c) Amounts or credits received on claims for loss or damage to merchandise or other assets;

(d) Sales and/or use taxes, or other similar taxes determined and/or imposed on the sale of merchandise or services by a governmental entity, but only to the extent that such taxes are added to the selling price of such merchandise or services and are separately stated to and collected from customers;

(e) Sales of trade fixtures or similar property not constituting merchandise of the Business.

To the extent that any of the foregoing excluded items was included in a report of Gross Sales, such item or items can be deducted from an amended report of Gross Sales pertaining to the period within which the exempted transaction occurred or from the report of Gross Sales for the period within which its erroneous inclusion in the prior statement was discovered. Any such exemptions shall be separately stated and shown on reports of Gross Sales.

12.6 Any amounts Franchisee owes to Franchisor, if past due, shall bear interest at the highest lawful rate on loans between businesses allowed by applicable law, or eighteen percent (18%) whichever is less.

12.7 If a customer of Franchisee complains to Franchisor that Franchisee's services were deficient and Franchisor determines after discussion with Franchisee that there is merit to the customer's complaint, Franchisor reserves the right to perform or cause to be performed such services to the customer's reasonable satisfaction or to reimburse the customer for any money the customer may have paid for such services upon written notice to Franchisee if Franchisee does not do so itself. In such event, Franchisee shall promptly reimburse Franchisor for any costs incurred by Franchisor to perform or have performed such services or for such payment made by Franchisor to the customer upon receipt of an invoice from Franchisor.

12.8 Franchisor in the future may offer additional specific services to some or all franchisees, in areas such as accounting services, payroll services, various personnel-related services and/or dispatching, inventory control, etc., Franchisee shall be permitted but not required, during the initial term of this Agreement, to purchase available services from Franchisor.

13. RECORDS AND INSPECTION.

13.1 Franchisee shall keep and maintain accurate books, records, accounts, tax returns, and all back-up material related to the operation of the Business, including computer back-up records, and Franchisee shall submit records to Franchisor in accordance with the requirements and specifications set forth by Franchisor in the Operations Manual. All books and records shall be kept in accordance with generally accepted accounting principles except to the extent variations from those principles are authorized in writing by Franchisor, and they also shall be kept in accordance with format and other requirements of the Operations Manual, as it exists and from time to time be amended.

13.2 Franchisee shall make available to Franchisor's representatives any information, reports, accounts, books, records, orders, receipts, statements, customer data, and such other information requested by Franchisor, including, in such form or forms as Franchisor may request, the complete computer records of all data gathered and all business transactions conducted and including information in the possession of third parties employed or engaged by Franchisee, not limited to phone answering services, bookkeepers, and others.

13.3 Franchisor shall send a representative or representatives to visit the Business at such times as Franchisor may determine in its sole and absolute discretion. Franchisee, its Designee, and any other employee shall be present during such visits if requested by Franchisor upon prior notice of such visits, and cooperate fully with Franchisor's personnel during such visits. Franchisee shall make available to Franchisor's representatives any information, reports, accounts, books, records, orders, receipts, statements, and such other information requested by Franchisor, and shall allow Franchisor to access Franchisee's computers and computer records. Franchisee shall allow Franchisor's representatives to ride along with Franchisee on service calls and to observe Franchisee's work and interactions with customers. Such visits shall be during Franchisee's normal business hours and will take place at the Business unless the parties agree otherwise. Representatives of Franchisor shall have the right to visit, inspect, observe, and report to Franchisor on the operation of the Business, with or without notice to Franchisee, at such times, with such frequency, and for such durations as may be determined solely in the discretion of Franchisor.

13.4 Franchisee shall provide Franchisor a quarterly balance sheet and profit and loss statement in the form prescribed by Franchisor within thirty (30) days after the end of the quarter. Franchisee shall also provide Franchisor an annual balance sheet and profit and loss statement within thirty (30) days after the end of Franchisee's fiscal year. If Franchisee under-reports Gross Sales, Franchisor, in addition to its other remedies, may require Franchisee to submit such statements on an audited basis until Franchisor releases Franchisee from that requirement. Franchisee shall also provide Franchisor copies of Franchisee's state and local sales tax returns and federal and state income tax returns promptly upon their filing, but only those sections which relate

to the Gross Sales of the Business. Franchisee shall provide such other, additional, and/or different reports as may be required by Franchisor from time to time at such times and in such formats as may be specified by Franchisor.

13.5 When franchise and, if applicable, advertising fees are due, Franchisee shall provide a statement of Gross Sales for the calendar week concluded, which statement must be certified as correct by Franchisee and in the format specified in the Operations Manual. Franchisee shall also provide Franchisor such other financial statements and information, at such times and in such formats as may be specified by Franchisor from time to time.

13.6 Franchisee shall record all sales in the sales recording system specified or otherwise approved in writing by Franchisor and shall also record all billings and receipts in the computer and elsewhere as provided in the Operations Manual. Franchisee shall purchase and use the computerized system specified by Franchisor to record and report on Franchisee's sales, inventory, purchases, expenditures, and/or such other matters as may be specified from time to time by Franchisor. Franchisee shall retain all charge account records, sale slips, merchandise orders, return vouchers, tax returns, sales tax reports, and all of Franchisee's other business records and related back-up material for at least seven (7) years following the end of the year to which the items pertain and to make such items available to Franchisor's representatives for inspection, examination, auditing, and/or copying upon reasonable notice from Franchisor.

13.7 Franchisee shall maintain trade accounts on a current basis both with Franchisor and with any other contractors, suppliers, or others from whom Franchisee obtains goods and/or services, and with customers.

13.8 Franchisor shall have the right to audit Franchisee's books and records at any time during Franchisee's normal business hours. If an audit reveals an understatement of any week's reported Gross Sales in an amount of three percent (3%) or more, Franchisee shall immediately pay, in addition to any other sums becoming due by reason of the understatement, the costs of the audit including any costs and expenses incurred in connection therewith by Franchisor. Should any audit disclose the intentional under-reporting of Gross Sales in any amount, or an under-reporting of Gross Sales in excess of three percent (3%) in any calendar quarter or year, Franchisor may terminate this Agreement in addition to any other rights and remedies Franchisor has under this Agreement or applicable law.

14. INSURANCE.

14.1 Franchisee shall name Franchisor, Franchisor's officers, directors, shareholders and employees as co-insureds and shall furnish Franchisor with duplicate policies and certificates of insurance for the coverages hereinafter specified. All such insurance shall be in a form and with insurers acceptable to Franchisor. Such policy or policies shall be written by an insurance company licensed in the state in which Franchisee operates and having at least an “A” Rating Classification as indicated in Best’s Key Rating Guide in accordance with standards and specifications set forth in the Confidential Operations Manual or otherwise in writing. All policies of insurance required to be maintained by Franchisee hereunder shall be renewed, and evidence of such renewal, together with proof of payment of premiums, shall be delivered to Franchisor at least

thirty (30) days prior to the expiration date of such policies. All policies shall contain a clause requiring that, if the policy is terminated by either party for any reason, thirty (30) days prior to the date of termination the insurer must provide Franchisor and all other co-insureds with written notice of termination. The insurance afforded by the policy or policies respecting liability shall not be limited in any way by reason of any insurance that may be maintained by Franchisor.

14.2 Prior to the commencement of operations under this Agreement the Franchisee shall procure, and shall maintain in full force during the term of this Agreement, at the Franchisee's expense, all forms of insurance that may be required by statute or rule of the state in which the Franchised Business is located, including, but not limited to:

a) Workers' compensation and employer's liability insurance as prescribed by state law;

b) Public liability insurance to protect against injury to property or person caused in the operation of the Franchised Business in the minimum aggregate amount of $1,000,000; and

c) Motor vehicle liability insurance covering each and every vehicle operated by or on behalf of the Franchised Business in the minimum amount of $1,000,000; and

d) Business interruption insurance.

14.3 Franchisees and Franchisor will share information about insurance availability and prices for the benefit of each other and the franchise system.

14.4 Franchisor may, from time to time, in its discretion, adjust the limits of coverage set forth herein.

14.5 Should Franchisee, for any reason, not procure and maintain such insurance coverage as required by this Agreement, Franchisor shall have the right and authority but not the obligation to immediately procure such insurance coverage and to charge same to Franchisee, which charges, together with a reasonable fee for expenses incurred by Franchisor in connection with such procurement, shall be payable by Franchisee immediately upon notice.

15. RELATIONSHIP OF THE PARTIES; INDEMNIFICATION.

15.1 Franchisee is and shall be an independent contractor and nothing herein contained shall be construed so as to create an agency relationship, a partnership or joint venture between Franchisee and Franchisor. Neither party shall act as agent for the other. Neither party shall guarantee the obligations of any other or in any way become obligated for the debts or expenses of any other unless agreed to in writing. Franchisor shall not have any ownership or equity interest in Franchisee (though shareholders in Franchisor, acting in their individual capacities, are not so prohibited). Franchisor shall not regulate the hiring or firing of Franchisee's employees, the prices charged by Franchisee, the details of the work performed by Franchisee or its employees or the working conditions of Franchisee's employees, except to the extent necessary to protect the Marks and goodwill associated therewith. The conduct of Franchisee's business shall be determined by

its own judgment and discretion, subject only to the provisions of this Agreement and the Operations Manual or other manuals as they may be adopted or revised from time to time. Franchisee shall post promptly and maintain any signs or notices specified by Franchisor or by applicable law indicating the status of the parties as described in this Section.

15.2 Franchisee shall defend, indemnify, and hold harmless Franchisor, and its officers, directors, shareholders, agents, and employees from and against any and all losses, liabilities, damages, costs, and expenses, including attorneys' fees and court costs, resulting directly or indirectly from, or in any way pertaining to, the design, construction, fixturing, decorating, stocking, use, occupancy, maintenance, repair, conduct, operation, sales, policies, procedures, practices, actions, hiring, personnel policies, or any other activities, including intentional acts and negligence, of Franchisee, its agents, officers, directors, partners, shareholders, employees, or any others with whose conduct Franchisee is chargeable. Further, Franchisee shall indemnify and hold Franchisor harmless from and against all loss, damage, cost, and expense, including attorneys' fees and court costs, arising from or in any way connected to Franchisee's representations made in connection with this Agreement and the performance or lack of performance of Franchisee's obligations under this Agreement.

16. TRANSFER OF THE FRANCHISE.

16.1 If Franchisee purports to transfer this Agreement or ownership in Franchise, in whole or in part, or any of Franchisee's rights hereunder, or any material portion of any of the real or personal property used by Franchisee in connection herewith, without the prior written consent of Franchisor, such action shall constitute a material breach of this Agreement and shall be void. This Section applies to the transfer or issuance of shares in, or the merger, consolidation, or other restructuring of a corporate franchisee, and the addition or transfer of any partnership interest in a partnership franchisee, and the addition or transfer of any member interest in an LLC. Franchisee shall ensure that Franchisor's approval is a condition of any agreement by Franchisee to transfer the franchise.

16.2 Franchisee shall provide Franchisor written notice of any proposed transfer within the scope of 16.1 above and shall comply with the provisions of Section 18 below, which concerns Franchisor's right of first refusal.

16.3 Included with Franchisee's notice of proposed transfer, unless exempted, shall be Franchisee's non-refundable application fee of $500.00 to Franchisor. The $500.00 application fee will be credited toward the transfer fee where applicable, if the transferee is approved, otherwise forfeited to defray Franchisor's expenses in connection with processing the application. The application fee is subject to upward adjustment by any change in the Consumer Price Index specified in this Agreement between its date and the date of the transfer.

16.4 Subject to Franchisor's rights of first refusal described at Section 18, Franchisee may transfer or assign any rights under this Agreement upon written consent of Franchisor, except that Franchisor shall not withhold consent where transferee or assignee is qualified under franchisor’s then-existing standards for the approval of new or renewing franchisees. Franchisor may condition transfer on such factors as:

(a) Franchisor's satisfaction that the proposed transferee meets (and that its officers or partners, if any, meet) the character, business experience, credit rating, financial strength, and other standards, criteria, and qualifications then being sought by Franchisor from new and other transferee franchisees with due regard to the business potential of the unit; Franchisor may withhold consent if it believes in its sole discretion that the number or quality of unit to be transferred or the sales price proposed or the terms of payment to Franchisee by the prospective transferee are such that successful operation of the Business by the transferee might be unreasonably doubtful;

(b) full payment of all Franchisee's outstanding debts;

(c) execution of a general release of all claims against Franchisor and its agents by Franchisee (or the transferor, if different) upon the transfer of Franchisee's (or the transferor's) entire interest in this Agreement, or a material portion thereof;

(d) execution by Franchisee of a written acknowledgment that its confidentiality and non-competition covenants, and their application to all covered persons, shall survive any assignment and remain effective as though the assignment had not occurred;

(e) the Seller/transferor's granting in favor of Buyer/transferee and his successors a written agreement not to compete in the plumbing business for two years and within fifty (50) miles of the territory or within twenty (20) miles of any other Plumbing Doctor Business then in existence or then granted to be opened; or for a longer time or greater territory should the parties so agree and Franchisor not disapprove after notice;

(f) the Buyer/transferee's covenant to Franchisor to enforce, and not to waive, the aforesaid covenant not to compete given him by Seller/transferor;

(g) the transferee's execution of the then-current form of the Franchise Agreement; If the then-current Franchise Agreement is required to be signed by the transferee, no new initial franchise fee will be required and the term of the franchise will be that remaining under this Agreement.

(h) payment by Franchisee of the application fee, as described at 16.3 above;

(i) payment by Franchisee of the transfer fee, as described, in the ordinary case, below at 16.5;

(j) paid attendance and completion pursuant to Section 6 above by transferee, and employees to whom applicable, to Franchisor's satisfaction, of Franchisor training courses; If the transferee will replace the Designee, the transferee must satisfactorily complete the training course before Franchisor will approve the transfer. If transferee fails to satisfactorily complete the training course, the transfer fee shall still be due and payable and is otherwise not refundable. If transfer of the Business, or an interest in the franchise or franchisee, is allowed by Franchisor prior to the completion of the training course by the

transferee, Franchisee shall operate the Business for the account of the transferee while the transferee is attending Franchisor's training course;

(k) execution by the Franchisee and the transferee of such transfer documents as Franchisor may require, including personal guarantees; Franchisee agrees to guarantee the obligations of his or her transferee under the Franchise Agreement signed by the transferee unless relieved of this liability in writing by Franchisor; and

(l) Franchisee's good standing for compliance with this Agreement and the Operations Manual prior to and pending the proposed transfer, including cure of all curable defaults and noncompliance. Under no conditions will uncured or incurable noncompliance be excused, even following the death or incapacity of Franchisee.

16.5 If the transfer will result in the cumulative transfer of over fifty percent of the interests of either the original franchisee or franchisees or of the then franchisee or franchisees, a transfer fee is due upon completion of the transfer of the franchise. The transfer fee is equal to $5,000.00, adjusted upwards for changes in the Consumer Price Index, or ten percent of the total purchase price paid by the assignee. The Franchisee acknowledges that this sum is fairly due Franchisor for its contribution to the value of the business and is reasonably required to reimburse the Franchisor for its expenses relating to said assignment.

16.6 Franchisee's interest in this Agreement is transferable by will or by intestate succession upon franchisee's death, and this includes the interest of a partner in a partnership or the stock ownership of a shareholder in a corporation which owns Franchisee. If Franchisee or a shareholder or partner in Franchisee is determined by a court of competent jurisdiction to be legally incompetent, the guardian of the concerned person who is appointed by the court may transfer the interest of the incompetent to the extent allowed by law. Franchisee's interest in this Agreement, including the interest of a partner in a partnership or the stock ownership of a shareholder in a corporation which owns Franchisee, also is transferable during lifetime to a spouse or adult child of the transferor. However, all such transfers are subject to Franchisor's conditions and requirements regarding transfers as set forth herein, including, but not limited to, application, approval by Franchisor, payment of the application, transfer, and training fees, the transferee's execution of the then-current Franchise Agreement, and to Franchisor's rights of first refusal where applicable. However, if the transfer is to a named beneficiary or to the spouse or an adult child of the individual, transfer fees are not payable.

16.7 If Franchisor does not approve a potential transferee who proposes to take this franchise as a beneficiary under Franchisee's will or by intestate succession, Franchisee's estate may sell the franchise to a third party transferee who is acceptable to Franchisor, provided that the sale and transfer take place within six (6) months after the death or declaration of incapacity and subject to the terms of transfer herein, including Franchisor first refusal rights, which shall apply. If an approved transfer of this Agreement is not completed within said six (6) months, Franchisor has the right to terminate this Agreement. During any period following the death or declaration of incapacity of Franchisee, Franchisee's estate must comply with the terms and conditions of this Agreement. Under no conditions will such compliance be excused or reduced because of the death or incapacity of Franchisee.

16.8 The transfer of this franchise upon written notice by an individual or partnership to a corporation or LLC wholly-owned by the preexisting owner or all preexisting owners of this franchise shall not require Franchisor's approval nor the payment of the application or transfer fees. However, the transferring owner or owners must agree to remain personally responsible to Franchisor for the corporate franchisee's performance of the terms and conditions of this Agreement. The absence of any additional written agreements and/or guarantees concerning the transfer will not affect the continuing liability of the transferring owner or owners of this franchise for the obligations of the corporate franchisee. Franchisor may impose similar requirements on any proposed transfer of this franchise to a trust.

16.9 If the transfer is an assignment of the franchise by an individual to a corporation or an LLC in which the Franchisee is, and so long as he remains, the majority stockholder and the officer responsible for the full-time personal operation and supervision of the franchise, and the transfer does not result in the cumulative transfer of over Fifty Percent (50%) of the interest or interests of the original owner or owners, the $500.00 application fee, but no transfer fee is charged. However, Franchisor requires that the transferor, or transferors and each of them, personally guarantee all obligations of the franchise. The $500.00 fee is subject to upward adjustment according to the Consumer Price Index.

16.10 If a proposed transfer is among only existing shareholders of a corporate franchisee, only existing members of an LLC, or among only existing partners of a partnership franchisee, Franchisor shall charge the application fee and shall not exercise its right of first refusal in connection therewith. If no shareholders or partners leave the entity owning the franchise, no transfer fee shall be due; if one or more shareholders or partners leave the owning entity, the transfer fee, in addition to the application fee, charged by Franchisor shall not exceed the greater of $1000.00 or four percent (4%) of the franchisee's highest monthly Gross Sales within the past three months, whichever is higher. In the circumstance where one or more partners or shareholder leave, the remaining shareholders and/or partners must demonstrate their qualifications to operate the franchise in terms of Franchisor's then-current standards for new franchisees. Franchisor may also charge the then current training fee, if Franchisor, in its sole discretion, deems training necessary. An outgoing partner or shareholder remains liable to Franchisor for performance of all obligations under this Agreement, unless released by Franchisor in writing.

16.11 Involuntary transfers of this Agreement or the assets of the franchised business, such as by legal process, are not permitted, are not binding on Franchisor, and are grounds for the termination of this Agreement.

16.12 If a court of competent jurisdiction as a part of a divorce, dissolution, legal separation, or other proceeding, orders Franchisee to transfer to his or her spouse all or any part of Franchisee's interest in this Agreement and/or in a material portion of the real and/or personal property used in connection with the Business, such an order will constitute a transfer of this Agreement and will cause the transferee to be subject to all terms concerning transfers set forth above. However, if both spouses are franchisees under this Agreement, such a transfer will not be subject to the transfer requirements herein, unless the spouse to whom this Agreement or the concerned property is being transferred is not actively engaged in the operation of the Business, in which case

Franchisor can declare that the transfer is subject to all transfer terms of this Agreement.

17. TRANSFER BY FRANCHISOR.

Franchisor may sell, assign, or otherwise transfer its rights in and to this Agreement in whole or in part without the prior consent of Franchisee. In the event of any such transfer, Franchisor shall be released from any liability under this Agreement for the obligations transferred.

18. FRANCHISOR'S RIGHT OF FIRST REFUSAL

18.1 Franchisee shall, prior to the sale, assignment, or transfer of a franchise, all or substantially all of the assets of a franchise business, or a controlling or noncontrolling interest in the franchise business, to another person, notify Franchisor, of Franchisee's intent to sell, transfer, or assign the franchise, all or substantially all of the assets of the franchise business, or the controlling or noncontrolling interest in the franchise business. The notice shall be in writing, delivered to Franchisor by business courier or by receipted mail and include all of the following:

(1) The proposed transferee's name and address.

(2) A copy of all agreements related to the sale, assignment, or transfer of the franchise, the assets of the franchise business, or the interest in the franchise business.

(3) The proposed transferee's application for approval to become the successor franchisee. The application shall include all forms, financial disclosures, and related information generally utilized by Franchisor in reviewing prospective new franchisees, if those forms are readily made available to the Franchisee. If the forms are not readily available, Franchisee shall request and the Franchisor shall deliver the forms to Franchisee by business courier or receipted mail within 15 calendar days. As soon as practicable after the receipt of the proposed transferee's application, Franchisor shall notify, in writing, Franchisee and the proposed transferee of any additional information or documentation necessary to complete the transfer application. If Franchisor's then-existing standards for the approval of new or renewing franchisees are not readily available to Franchisee when Franchisee notifies Franchisor of Franchisee's intent to sell, transfer, or assign the franchise, the assets of the franchise business, or the controlling or noncontrolling interest in the franchise business, Franchisor shall communicate the standards to Franchisee within 15 calendar days.

18.2 Franchisor shall, within 60 days after the receipt of all of the necessary information and documentation required pursuant to Section 18.1, or as specified by written agreement between Franchisor and Franchisee, notify Franchisee of the approval or disapproval of the proposed sale, assignment, or transfer. The notice shall be in writing and shall be delivered to Franchisee by business courier or receipted mail. A proposed sale, assignment, or transfer shall be deemed approved, unless disapproved by Franchisor in the manner provided by this section. If the proposed sale, assignment, or transfer is disapproved, Franchisor shall include in the notice of disapproval a statement setting forth the reasons for the disapproval. Provided that Franchisor or its designee will not be required to match any terms and conditions which relate to an offer to buy or acquire any rights or assets or to assume any liabilities unconnected with the Franchised Business

and may require that such terms and conditions be excluded from the offer and the offer restated to reflect the transfer only of rights, assets and liabilities related to the Franchised Business, and; further provided that Franchisor or its designee may substitute equivalent cash consideration for any non-cash consideration.

18.3 If Franchisor elects to exercise, or to assign under payment guarantee, this right of first refusal, the parties shall act expeditiously to complete the transfer, provided that the date for the completion of the transfer can be extended at Franchisor's option for up to thirty (30) days.

18.4 If there are any material changes in the terms and conditions of the proposed transfer after Franchisor notifies Franchisee of its election not to exercise its right of first refusal, or after the expiration of the time period within which Franchisor can elect to exercise its right, Franchisee shall notify Franchisor of the changes in writing and Franchisor shall then have an additional ten (10) days within which to elect to exercise its right of first refusal.

18.5 If the proposed transfer is not completed for any reason within ninety (90) days after Franchisor elects not to exercise or assign its right of first refusal, or after the expiration of the time allows for such election, a new right of first refusal commences as to the concerned transaction and any subsequent proposed sales or transfers by Franchisee or any of the owners thereof.

18.6 Franchisor's right of first refusal will not apply to an approved transfer to a beneficiary in the will of Franchisee or a beneficiary of Franchisee by intestate succession nor to a transfer during lifetime to the spouse or adult child of the transferee. However, Franchisor can exercise its right of first refusal in the event of a proposed transfer of this Agreement by Franchisee's executor, administrator, guardian, or other personal representative or by the beneficiary who takes under Franchisee's will or by intestate succession.

18.7 In the event of the proposed transfer or transfers by the initial owner or owners of over Fifty Percent (50%) of the interests in a corporate, LLC or partnership Franchisee, Franchisor, if it elects to purchase the interest or interests being transferred pursuant to its right of first refusal, is hereby granted by Franchisee and by all members of a partnership, and LLC or a corporation which owns Franchisee, the right to require those who do or would hold the resulting minority interest or interests in Franchisee to transfer that interest or those interests to Franchisor at a price proportionate to the price being paid for the majority interest or interests. This right shall continue for a period of one (1) year from the closing of the transfer transaction by which Franchisor obtains in excess of Fifty Percent (50%) of the interests in Franchisee.

19. DEFAULTS, CURES, TERMINATION, AND REMEDIES.

19.1 This Agreement may be terminated without notice and without an opportunity for Franchisee to correct a condition of default as follows:

(a) If Franchisee is declared bankrupt or judicially determined to be insolvent, or all or a substantial part of the property of Franchisee is assigned to or for the benefit of any creditor or creditors, or if Franchisee admits its inability to pay its debts as they become

due;

(b) If Franchisee abandons the franchised business by failing to operate it for at least five (5) consecutive days during which Franchisee is required by this Agreement to operate the business, or for any period of less than five (5) days after which it is not unreasonable under the facts and circumstances for Franchisor to conclude that Franchisee does not intend to continue to operate the Business, unless such failure is due to fire, flood, earthquake, or other force majeure;

(c) If the parties agree in writing to terminate this Agreement;

(d) If Franchisee has made any material misrepresentation relating to the acquisition of the franchise or engages in conduct which reflects materially and unfavorably upon the operation and/or reputation of the franchised business or system;

(e) If Franchisee fails, for a period of ten (10) days after notification of noncompliance, to comply with any federal, state, or local law or regulation, including, but not limited to, all health, safety, building, and labor laws or regulations applicable to the operation of the Franchise;

(f) If Franchisee repeatedly fails to comply with one or more requirements of the franchise, including requirements of the Operations Manual, whether or not corrected after notice;

(g) If the Business is seized, taken over, or foreclosed by a government official in the exercise of his duties, or seized, taken over, or foreclosed by a creditor, lienholder, or lessor of Franchisee, provided that final judgment against Franchisee remains unsatisfied for thirty (30) days (unless a supersedeas bond or other appeal bond has been filed), or a levy of execution has been made upon the franchise granted by this Agreement or upon a material portion of the property used in the franchised business and the levy is not discharged within five (5) days of the levy;

(h) If Franchisee is convicted of a felony of any type, or any criminal misconduct which is relevant to the franchised business;

(i) If Franchisee fails to pay any franchise fees, royalties, advertising fees, transfer fees, renewal fees, or other amounts due to Franchisor, or any affiliate of Franchisor, within the time periods specified for such payments by this Agreement, or the agreement specifying the payment concerned, or in any event within five (5) days after receiving written notice that such fees or other amounts are overdue;

(j) If Franchisor makes a reasonable determination that continued operation of the franchised business by Franchisee will result in an imminent danger to public health or safety;

(k) If Franchisee intentionally under-reports his or her gross billings or sales in any

amount, or, regardless of intent, under-reports such sales in excess of three percent (3%) in any calendar quarter or year;

(l) If Franchisee, after curing any failure in accordance with California Business & Professions Code § 20020, engages in the same noncompliance whether or not such noncompliance is corrected after notice.

19.2 In addition to the grounds for immediate termination set forth above, Franchisor can terminate this Agreement for the following violations if the violation is not cured after notice and within the time period allowed to cure provided in Section 19.3 of this Agreement or other concerned agreements:

(a) Franchisee substantially fails to comply with any material term of this Agreement;

(b) If Franchisee attempts or purports to transfer or assign all or any part of this Agreement, the franchised business, or any material portion of the real or personal property associated with either, except as provided in this Agreement, or attempts or purports to subfranchise to a third person or entity, or otherwise to allow an unauthorized third person or entity to use, any of the rights, proprietary property, and/or assets franchised or licensed to Franchisee hereunder, or any portion of the real and/or personal property used by Franchisee in connection herewith;

(c) If Franchisee loses the right to occupy Franchisee's business premises by virtue of a default by Franchisee in its lease, sublease, or other document of occupancy. However, if Franchisee's lease, sublease, or other occupancy document expires, or the right to possession and use of the premises otherwise be lost through no fault of Franchisee, this Agreement will not be terminated if Franchisee relocates and reopens the Business at a location and pursuant to lease terms acceptable to Franchisor within thirty (30) days from the date of the termination of Franchisee's prior lease, sublease, or other document of possession; or

(d) If Franchisee for any reason loses or has suspended any license necessary to run the franchised business.

19.3 If the breach concerns this Agreement and does not result in immediate termination, the correction of any default must be accomplished within sixty (60) days after Franchisee is given written notice from Franchisor describing the condition which constitutes the violation, and the corrective action which must be taken, if any corrective action is possible to cure the default. Should a default under this Agreement be of such a nature that Franchisor in writing agrees more than sixty (60) days is reasonably required to cure, Franchisee shall be given such additional time as may be reasonable, provided that corrective action is commenced promptly within the initial sixty (60) day period and is pursued diligently to completion.

19.4 If the principal operator of the Business, whether the Designee or Franchisee, was the principal operator of a Plumbing Doctor Franchise for which the Franchise Agreement has

been terminated due to an uncured default, Franchisor can require that said operator be replaced and take no active role in the operation or supervision of the Business granted under this Agreement. This Section is applicable even if the franchises are under different ownership.

19.5 If a default in this Agreement is not cured after notice and within any time period allowed for the correction of the default, termination of this Agreement will occur without further notice as of the expiration of the time allowed to cure the default.

19.6 At any time prior to Franchisor's approval of the location or lease, Franchisor may terminate this Agreement in its sole and absolute discretion, and without providing any reason or justification to Franchisee, by refunding the full amount of the franchise fee. However, should the termination be caused by a reason set forth above, or elsewhere in this Agreement, the conditions of termination, and any refund by the franchise fee, shall be governed by the concerned section and not by this Section and Franchisor shall specify the reason for the termination and refer to the section of this Agreement under which the termination was taken.

19.7 Upon termination of this Agreement for any reason, Franchisee shall immediately bring all accounts with Franchisor current and stop using Franchisor's licensed trade name, trademarks, trade dress, service marks, logotypes, proprietary software, trade secrets, patented items, and other commercial property and symbols; shall discontinue the use of any signs, displays, advertising and/or promotional material, and the like, that are unique or distinctive to Plumbing Doctor businesses; return to Franchisor the Operations Manual and all copies thereof and all other material obtained by Franchisee from or through Franchisor.

19.8 Upon a lawful termination or nonrenewal of a Franchisee, Franchisor shall purchase from the Franchisee, at the value of price paid, minus depreciation, all inventory, supplies, equipment, fixtures, and furnishings purchased or paid for under the terms of this Agreement or any ancillary or collateral agreement by Franchisee to Franchisor or its approved suppliers and sources, that are, at the time of the notice of termination or nonrenewal, in the possession of Franchisee or used by Franchisee in the franchise business. Franchisor shall have the right to receive clear title to and possession of all items purchased from Franchisee under this section.

The purchase price shall be paid by Franchisor by a cash payment equal to twenty-five percent (25%) of the purchase price down payable within ten (10) days of the effective date of the termination, with the balance payable in three equal annual installments with the unpaid principal amount bearing interest at the prime rate charged by the Bank of America in San Francisco, California, plus two percent (2%).

This section shall not require Franchisor to purchase any personalized items, inventory, supplies, equipment, fixtures, or furnishings not reasonably required to conduct the operation of the franchise business in accordance with this Agreement or any ancillary or collateral agreement or to which Franchisee, at the cessation of operation of the franchise business by Franchisee, cannot lawfully, or does not, grant Franchisor clear title and possession upon Franchisor’s payment to Franchisee for the inventory, supplies, equipment, fixtures, or furnishings.

This section shall not apply under the following circumstances:

(a) When Franchisee declines a bona fide offer of renewal from Franchisor;

(b) When Franchisor does not prevent Franchisee from retaining control of the principal place of the franchise business;

(c) When the termination or nonrenewal of a franchise is due to a publicly announced and nondiscriminatory decision by Franchisor to completely withdraw from all franchise activity within the relevant geographic market area in which the franchise is located. For the purpose of this section "relevant geographic market area" shall have the same meaning as in California Business & Professions Code § 20999.

(d) When Franchisor and Franchisee mutually agree in writing to terminate or not renew the franchise.

This section shall not apply to any inventory, supplies, equipment, fixtures, or furnishings that are sold by the franchisee between the date of the notice of termination or nonrenewal, and the cessation of operation of the franchise business, by Franchisee, pursuant to the termination or nonrenewal.

Upon the termination or nonrenewal of a franchise, Franchisor may offset against the amounts owed to Franchisee under this section any amounts owed by Franchisee to Franchisor.

19.9 Upon termination of this Agreement, Franchisee shall cease using any and all telephone numbers listed on the internet, or any telephone directory under the name "Plumbing Doctor" or any other name confusingly similar to it, and shall, upon the Franchisor's request, direct the telephone company to transfer any such telephone number and any telephone directory listing associated with the Marks to the Franchisor or to such other persons as the Franchisor may designate. The Franchisee hereby irrevocably appoints any officer of the Franchisor as his attorney-in-fact to direct the telephone company and all listing agencies, in his name and on his behalf should he fail or refuse to do so, to make any such transfer, in accordance with Exhibit H Power of Attorney, and hereby expressly authorizes the telephone company and all listing agencies to act at the direction of said attorney-in-fact and agrees to hold them harmless for their actions in respect of any such transfer. Franchisee shall immediately assign telephone numbers and all customer accounts and orders to Franchisor. Franchisee shall immediately cancel any fictitious business name or equivalent registrations or listings indicating that Franchisee is in any way affiliated with Franchisor or the Plumbing Doctor system unless Franchisee continues to be so affiliated by virtue of a validly existing agreement between the parties which survives the termination of this Agreement. Franchisee shall immediately notify all of its suppliers, creditors, customers, and concerned others that Franchisee is no longer affiliated with Franchisor and or Plumbing Doctor system. Franchisee shall not use any of Franchisor's trade secrets or other proprietary material following the termination of this Agreement.

19.10 Upon termination or non-renewal of this Agreement for any reason, Franchisor has the option to terminate any lease, sublease, or to retake the premises subject to the concerned lease,

sublease, or relationship. If Franchisor is not the lessor or sublessor of Franchisee, Franchisor has the right to have Franchisee assign its lease or other document of occupancy to Franchisor without payment of any kind to Franchisee by Franchisor as consideration for that assignment. In the event of such a termination or assignment, Franchisee agrees to bring the office premises into full compliance with the requirements of the lease, sublease, or other document of possession and to bring all accounts with the lessor, sublessor, or other grantor current as of the date that Franchisor assumes possession of the premises, as well as indemnifying Franchisor against all losses and costs arising by virtue of or attributable to the period of Franchisee's possession of the premises. Following Franchisor's assuming possession of the premises, Franchisor shall indemnify Franchisee against all losses and costs arising by virtue of or attributable to the period of Franchisor's possession of the premises.

19.11 Other than as specified in Section 19.8, above, upon termination, nonrenewal or expiration of this Agreement Franchisor shall have the right but not the obligation to purchase the assets of the Franchised Business at their fair market value, less any amounts due to Franchisor and after deduction of any amounts Franchisor will be required to pay to landlord, recommended suppliers or any creditors of the Franchised Business to satisfy any indebtedness of Franchisee. This option may be exercised by written notice to Franchisee which maybe given at any time from 30 days before through 30 days after the termination or expiration, or from such earlier time as it becomes apparent that the franchise will terminate, expire or not be renewed by Franchisee through 30 days after the termination, expiration or nonrenewal. Upon receipt of the notice, Franchisee must preserve the assets of the Franchised Business and refrain from any acts or omissions that would deplete or damage the assets of the Franchised Business. The fair market value of the Franchised Business shall not include any factor for the value of or goodwill generated by use of the Marks as all such value belongs to Franchisor. If Franchisor and Franchisee cannot agree on fair market value of the business, it shall be established by an experienced service business appraiser agreed on by both parties, with each party paying one half of the appraisal fee. Failing agreement on an appraiser, each party shall select and pay the fees of its own appraiser, who must be and experienced service business appraiser, and fair market value will be the average of both appraisals. Any appraisal must be reasonable, made in good faith and consistent with the provisions of this Section.

19.12 In addition to the remedies set forth above, Franchisor shall have all other remedies available to it at law or in equity which may apply by virtue of Franchisee's default.

19.13 Upon the termination or nonrenewal of this Agreement for any reason, no payment is due to Franchisee from any source on account of any goodwill or other equity claimed by Franchisee arising from Franchisee's operation or ownership of the business, or otherwise.

19.14 All of the provisions of this Agreement, which by their terms or by implication apply following the termination of this Agreement shall indeed survive and apply following the termination of this Agreement.

20. DISPUTE RESOLUTION.

20.1 Governing Law. Except to the extent governed by the Lanham Act, 15 U.S.C. Secs.

1051 et seq., or the Federal Arbitration Act, 9 U.S.C. Sec 2 et seq., or as expressly otherwise provided herein, as at Section 8.7(i) above, this Agreement shall be interpreted in accordance with and shall be governed by California law.

20.2 Informal Resolution. In the event of any controversy or claim between Franchisee and Franchisor arising out of or related to this Agreement, or the breach hereof, the complaining party shall give written notice of the condition giving rise to the dispute to the other party at least fifteen (15) days prior to instituting any arbitration or lawsuit based on that complaint, whether the complaint arises under the terms of this Agreement or otherwise. Within that fifteen (15) day period the parties shall try to resolve the dispute in good faith. This provision for notice shall not apply, however, to claims for moneys due under this Agreement nor to the matters described at section 20.3 D below nor to notices of franchise termination or nonrenewal by Franchisor to Franchisee nor shall it affect the termination or nonrenewal notice obligations or cure rights otherwise provided for in this Agreement or under statute.

20.3 Binding Arbitration:

A. Except as precluded by applicable law or exempted hereunder, any controversy or claim that arises out of or relates to this Agreement, or any breach of this Agreement, including without limitation any claim that any of this Agreement (including this Section 20.3) is invalid, illegal, voidable or void, shall be submitted to arbitration in accordance with the rules of ADR Services Inc., San Francisco, California, and judgment upon the award may be entered in any court with jurisdiction thereof.

B. Unless applicable law requires otherwise, arbitration shall occur in San Francisco, California. This arbitration provision shall be self-executing, and shall remain in effect after and regardless of expiration or termination of this Agreement. If a party fails to appear at any properly noticed arbitration proceeding, an award may be entered against such party regardless of such failure to appear.

C. Section 1283.05 and 1283.1 of the California Code of Civil Procedure are by this reference incorporated in and made part of this Agreement and shall apply in connection any arbitration under this Section 20.3.

D. Nothing in this Section 20.3 or elsewhere in this Agreement shall limit Franchisor's rights or remedies in connection with any action in any court of competent jurisdiction for injunctive or other provisional relief that Franchisor deems necessary or appropriate to compel Franchisee to comply with Franchisee's obligations under this Agreement or to protect the Trade Secrets or Marks or to prevent any threatened conduct that may cause loss or damages to Franchisor under rules of equity or to collect royalties. Such rights and remedies shall be available to Franchisor through arbitration and/or in court, at Franchisor's option. Franchisor's rights and remedies in this Agreement with respect to the trade secrets are additional to those under the California Uniform Trade Secrets Act.

20.4 Jurisdiction, Venue, and Service. This Agreement shall be deemed to be entered into in Sacramento, California. Accordingly, in any judicial action allowable under this

Agreement the parties submit to the jurisdiction of the courts of, and to venue in, the United States District Court for the Eastern District of California and the Superior Court of the State of California in and for the County of Sacramento. Further, each party irrevocably submits to the jurisdiction of those courts and waives any and all objections to jurisdiction or venue that it may have under the laws of the State of California or otherwise in any such suit, action or proceeding. Each party agrees to accept service of process in any such action, suit or proceeding in the manner provided for in Section 23.

20.5 Attorney's Fees and Costs. Should there be litigation or arbitration between the parties to this agreement arising out of this Agreement or the relationship between the parties, the arbitrator or court shall award reasonable attorney's fees and costs to the prevailing party.

21. FRANCHISOR DOES NOT WARRANT OR GUARANTEE SUCCESS OF BUSINESS

Franchisor does not warrant or guarantee, in any way, that any location, equipment, supplies, plans and specifications and the like approved by Franchisor will be suitable or adequate for the success of the Business. Franchisor does not warrant or guarantee the successful performance of the Business, nor does Franchisor warrant or guarantee that the past performance of the Business or any other or all Plumbing Doctor Businesses is indicative of future performance of the Business. Franchisor does not and will not make any projections as to the performance of the Business.

22. MODIFICATION OR AMENDMENT.

This Agreement may be modified only by a writing signed by both parties. Franchisor may modify its Operations Manual at such times and in such ways as Franchisor deems necessary or desirable.

23. NOTICES.

All notices required by this Agreement shall be in writing and deemed to have been received by the addressee at the earlier of when personally delivered to the addressee, when an acknowledgment of receipt is signed by the addressee or a duly authorized agent of addressee, or five (5) days after the deposit of such notice in the United States mail, when sent by registered or certified mail, postage prepaid and addressed as follows:

the manner provided above.

24. CONSUMER PRICE INDEX ADJUSTMENT.

24.1 Consumer Price Index shall mean the Consumer Price Index for All Urban Consumers (base year 1982-84=100) for U.S. City Average, published by the United States Department of Labor, Bureau of Labor Statistics, most immediately preceding the concerned dates. In no case will any adjustment result in a charge, fee, or other payment below the amount subject to the adjustment.

24.2 If the Index designated above is changed so that the base year differs from that in effect on the date of this Agreement, the Index shall be converted in accordance with the conversion factor published by the United States Department of Labor, Bureau of Labor Statistics. If the Index is discontinued or revised during the term of this Agreement, including any extensions or renewals hereof, such other government index or computation with which it is replaced shall be used in order to obtain substantially the same result as would have been obtained had the Index not been discontinued or revised.

25. HEIRS, SUCCESSORS, AND ASSIGNS.

This Agreement is binding upon and inures to the benefit of the parties and their heirs, successors, representatives, and assigns, but only on the conditions and in the manner set forth in this Agreement.

26. WAIVERS.

The failure of Franchisor to enforce any right or default hereunder shall not be deemed to be a waiver or abandonment of such right or default unless it is waived in a writing signed by Franchisor. The waiver of any right or default in one instance shall not be deemed to be a waiver of any subsequent or different breach. The acceptance of money or other performance by Franchisor shall not constitute a waiver of any right or default.

27. SEVERABILITY.

Any invalidity or unenforceability of any portion of this Agreement shall not affect the validity of any other portion of this Agreement and, unless the substantial performance of this Agreement taken as a whole is frustrated thereby, this Agreement shall remain in a full force and effect.

28. COUNTERPARTS.

This Agreement may be executed in one or more counterparts, each of which shall be deemed an original and all of which shall constitute a single agreement.

29. HEADINGS.

The headings contained in this Agreement are for reference only and shall not affect in any way the meaning or interpretation of this Agreement.

30. MISCELLANEOUS.

30.1 Time is of the essence in this Agreement.

30.2 The parties intend to confer no benefit or right on any person or entity not a party of this Agreement and no third party shall have any right to claim any benefit or right as a third party beneficiary under this Agreement.

30.3 Where a corporation is a party to this Agreement, the person or persons signing this Agreement on behalf of the corporation warrant to Franchisor that he, she, or they have the requisite corporate authority to sign this Agreement. Said corporate signatory shall provide Franchisor with a certified copy of the resolution authorizing the execution of this Agreement and naming the officers of the corporation who are authorized to sign this Agreement on behalf of the corporation.

30.4 No fees, charges, royalties, advertising fees, or other payments of any kind from Franchisee to Franchisor are refundable in whole or in part except as may be otherwise set forth elsewhere in this Agreement.

31. ACCORD AND SATISFACTION.

No payment by Franchisee or receipt by Franchisor of any amount less than that required to be paid under this Agreement, or otherwise, to Franchisor, or any person or entity affiliated with Franchisor, shall be deemed to be anything except a payment on account, regardless of any endorsement to the contrary contained on any such payment or in any oral or written communication transmitted in connection therewith. By endorsing any check or accepting any amount from or on behalf of Franchisee, Franchisor shall not be bound by any claim that such endorsement or acceptance was an accord and satisfaction for less than the full amount due. All payments from Franchisee shall be applied first to any interest owing to Franchisor from Franchisee and then to the earliest of the principal amounts due to Franchisor from Franchisee. Any payment to Franchisor from Franchisee and the acceptance thereof by Franchisor shall not prejudice nor be deemed to be a waiver of any rights of Franchisor to require full payment and performance of all of Franchisee's obligations and duties under this Agreement.

32. OWNERSHIP AND AUTHORITY TO DEAL.

32.1 Franchisee represents and warrants that it has disclosed in writing to Franchisor the identities and interests of all of its owners, members, partners, and shareholders, and agrees to notify Franchisor in writing and to obtain approval of Franchisor prior to adding or dropping owners, partners, or shareholders and prior to transfer of any LLC interests, partnership interests or corporate shares.

32.2 Should Franchisee be a corporation, LLC or partnership, or should this Agreement be transferred to a corporation, LLC or partnership, Franchisee agrees immediately to appoint an individual general partner, member or corporate officer, director, or shareholder, as appropriate, to serve as the designated person to be the contact with Franchisor regarding performance by Franchisee under this Agreement. Franchisee warrants that this person ("the designee") will have all necessary authority to speak for Franchisee in all matters related to this Agreement and to bind Franchisee in such matters. The designee must oversee Franchisee's compliance with the terms and conditions of this Agreement and all matters related hereto. Franchisee warrants to Franchisor that Franchisor can rely on the authority of the designee in all matters until such time as Franchisor is notified in writing by a majority of the partners, directors, or shareholders, as appropriate, of Franchisee of any change in the person serving as the designee or in the authority of the designee.

Designee:

*Name and title of the designee

32.3 If the individual named as the designee for any reason ceases to hold that position, Franchisee agrees immediately to name another person to serve as the designee, which person shall have the duties and authority as previously set forth herein.

32.4 Nothing in this paragraph or elsewhere in this Agreement, shall in any way be construed to lessen the responsibility or liability of any other members of an LLC, a partnership Franchisee or the officers, directors, and shareholders of a corporate Franchisee, for compliance by Franchisee with the terms and conditions of this Agreement.

33. JOINT AND SEVERAL LIABILITY.

If two or more persons or entities sign this Agreement, the liability of each shall be joint and several. All members of a general partnership or the general partners of a limited partnership, and all members of any association, or other unincorporated entity, or any member of an LLC which is Franchisee hereunder are jointly and severally liable for the performance of Franchisee to the extent allowed by applicable law.

34. FRANCHISOR'S RIGHT TO ACT.

Should Franchisee fail to perform any duty or obligation required of Franchisee under this Agreement, Franchisor has the right, but not the obligation, to perform such duty or obligation on behalf of Franchisee. Franchisee shall immediately pay Franchisor all costs and expenses incurred by Franchisor in any such performance. All sums not immediately so paid will bear interest in the amount required by this Agreement.

35. ENTIRE AGREEMENT.

This Agreement contains the entire understanding between the parties and encompasses all representations on which they have relied in entering into it. This Agreement supersedes all prior negotiations, agreements, representations, promises, commitments, inducements, assurances, conditions, and covenants between the parties whether direct, indirect, or implied and whether oral or written. Franchisor has made no promises which are not contained in this Franchise Agreement or in any signed addendum, amendment, or exhibit hereto.

36. NO PROMISES.

Franchisee acknowledges that neither Franchisor nor anyone purporting to act for Franchisor has made any promises or representations concerning Plumbing Doctor businesses, the sales volumes which will be produced by Franchisee's business, the suitability of any lease or location, the profits to be made in the business, the likelihood of success of the franchised business, or any other matter in connection with the proposed franchise or the franchised business other than those which are set forth in this Franchise Agreement and any signed amendments or exhibits hereto. If any such promises have been made, Franchisee is instructed to make sure that they are set forth in writing in this Franchise Agreement or in an amendment or exhibit to this Franchise Agreement and that any such amendment or exhibit is signed by both Franchisor and Franchisee. Franchisor in granting this franchise is relying on Franchisee to see that all such matters are reduced to writing and are signed and attached to this Franchise Agreement. If they are not, Franchisee will not be able to rely in any way on such promises or representations and Franchisor will not be bound by them.

FRANCHISEE MUST INSURE THAT ALL PROMISES AND REPRESENTATIONS FOR PRESENT AND FUTURE RESULTS AND RIGHTS, WHETHER ABSOLUTE OR CONTINGENT, ARE CONTAINED IN THIS FRANCHISE AGREEMENT OR THEY MAY BE FOREVER LOST.

WHEREFORE, the parties, including **all** persons or entities who will have an ownership interest (including but not limited to a stockholder interest) execute and deliver this Franchise Agreement as of the date first written above.

Report on the Financial Statements

We have audited the accompanying financial statements of Fast Aid Success Systems, Inc. which comprise the balance sheets as of December 31, 2018 and 2017, and the related statement of operations, changes in stockholders' equity and cash flows, for the years ended December 31, 2018, 2017 and 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

Use of Estimates

Preparation of the Company's financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of any contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

FAST AID SUCCESS SYSTEMS INC
NOTES TO FINANCIAL STATEMENTS

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Fast Aid Success Systems, Inc. (the "Company"), incorporated on January 24, 1995 is a franchisor selling local plumbing repair and service franchise rights to franchises. The Company also provides training and assistance to franchises as well as advertising and development of the franchise system.

The Company has one affiliate, Plumbing MD, Inc. The affiliate operates a local plumbing repair business. The Company has no other predecessors or affiliates and it has not offered franchises in any line of business, or engaged in any business activities other than operating local plumbing repair businesses.

A summary of significant accounting policies follows:

Use of Estimates

Preparation of the Company's financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of any contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Company considers all highly liquid investments with a maturity of three months or less at the time of purchase to be cash equivalents. The Company didn’t have any cash equivalents as of December 31, 2016 and 2015, respectively.

Accounts Receivable

Accounts receivable are recorded for amounts due based on the terms of executed franchise agreements for franchise sales and royalty fee. These accounts receivable are carried at original invoice amount less an estimate made for doubtful receivables based on a review of outstanding amounts. Management regularly evaluates individual customer’s receivables considering their financial condition, credit history and current economic conditions. Accounts receivable are written off when deemed uncollectible. There was no allowance for doubtful accounts at December 31, 2016 and 2015

Revenue Recognition

When a franchise is sold, the Company agrees to provide certain services to the franchisee. All significant services are considered substantially performed at the time the franchisee has completed training and the franchisee has opened an office and started operations.

Revenue from services and materials is recognized upon provisioning/shipment and invoicing. Sales of services and materials are restricted to the Company’s franchisees.

Advertising Costs

The Company expenses advertising costs as incurred. Advertising expense for the years ended December 31, 2016, 2015 and 2014 were $43,662, $1,847 and $0, respectively.

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The stockholders of the Company have elected to be taxed under the provisions of Subchapter S of the Internal Revenue Code. Under those provisions, the Company does not pay income taxes on its income. Instead, the stockholders are liable for individual income taxes on their respective share of the Company's taxable income. The State of California requires a subchapter S corporation to pay the greater of the minimum franchise tax of $800 or 1.5% of income which is reflected in the accompanying financial statements.

Fair Value of Financial Instruments

For certain of the Company's financial instruments, including cash and cash equivalents, accounts receivable, accounts payable and accrued expenses, the carrying amounts approximate fair value due to their short maturities.

Recently issued accounting pronouncements

The Company has adopted all recently issued Accounting Standards Updates ("ASU"). The adoption of the recently issued ASUs, including those not yet effective, is not anticipated to have a material effect on the financial position or results of operations of the Company.

NOTE 2 – NOTE RECEIVABLE, RELATED PARTY

At December 31, 2016 and 2015 the Company loaned $48,108 and $36,858, respectively, to a related party in exchange for a note receivable from the related party. The note bears no interest and has no due date.

NOTE 3 - COMMITMENTS AND CONTINGENCIES

Operating lease

The Company occupies office space in the offices of the Company's affiliate on a month-to-month. Rent is charged at the discretion of the affiliate. No rent was charged by the affiliate in 2016 The total facility rental expense for 2016, 2015, and 2014 was $0, $12,000, and $12,000, respectively.

Litigation

The Company may be subject to various claims, legal actions and complaints arising in the ordinary course of business. In the opinion of management, all matters are of such kind, or involve such amounts, that unfavorable disposition, if any, would not have a material effect on the financial position of the Company.

NOTE 4 –SUBSEQUENT EVENTS

Date of Management's Evaluation

Management has evaluated subsequent events through March 14, 2017, the date on which the financial statements were available to be issued.
