STATE COVER PAGE

Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrator listed in Exhibit A for information about the franchisor, or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHTS YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW.

Please consider the following **RISK FACTORS** before you buy this franchise:

1. **THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH US BY LITIGATION ONLY IN GEORGIA. OUT OF STATE LITIGATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST YOU MORE TO SUE US IN GEORGIA THAN IN YOUR OWN STATE.**

2. **THE FRANCHISE AGREEMENT STATES THAT GEORGIA LAW GOVERNS THE AGREEMENT, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTIONS AND BENEFITS AS LOCAL LAW. YOU MAY WANT TO COMPARE THESE LAWS.**

3. **THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.**

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

The Franchisor

To simplify the language in this disclosure document, "Popeyes," "we" "our" or "us" means Popeyes Louisiana Kitchen, Inc., the franchisor of the Popeyes Louisiana Kitchen restaurant system ("System" or "Popeyes System"). "You" or "your" means the person or legal entity who buys the franchise. If you are any type of a legal entity, certain provisions of this disclosure document also apply to your owners and will be noted.

We were formed as a Minnesota corporation on July 27, 1992 under the name America's Favorite Chicken Company. We changed our name to AFC Enterprises, Inc. on October 7, 1996 and to Popeyes Louisiana Kitchen, Inc. on January 17, 2014. We do business under our corporate name and under the names "Popeyes Chicken & Biscuits" and "Popeyes Louisiana Kitchen" (as well as related trademarks and service marks). Since 2009, we have been transitioning the name of the restaurants in the Popeyes System from "Popeyes Chicken & Biscuits" to "Popeyes Louisiana Kitchen". Some restaurants may continue to operate under the name "Popeyes Chicken & Biscuits" for a period of time during which a reasonable transition of signage to the name "Popeyes Louisiana Kitchen" is expected to occur. In this disclosure document we refer to Popeyes Chicken & Biscuits restaurants and Popeyes Louisiana Kitchen restaurants as "Restaurants" or "Popeyes Restaurants". We have operated and franchised Popeyes Restaurants since November 5, 1992. Our agents for service of process in various states are listed in Exhibit B. Our principal business address is 400 Perimeter Center Terrace, Suite 1000, Atlanta, Georgia 30346.

The first Popeyes Restaurant opened in New Orleans, Louisiana in 1972 and our predecessors began selling franchises for Popeyes Restaurants in 1976. As of December 27, 2015, there were 1983 Popeyes Restaurants in operation[1] in the domestic U.S. and in the U.S. territories of Guam and Puerto Rico, of which franchisees operated 1913 and we operated 70. There were 556 franchised Popeyes Restaurants operating[2] outside the U.S, Guam and Puerto Rico. We do not otherwise conduct any businesses except as described above. We have no affiliates, predecessors or parents that we are required to disclose in this disclosure document.

Popeyes Restaurants

Popeyes Restaurants are quick service restaurants offering a limited menu of lunch and dinner products, and in certain Restaurants approved by us, breakfast products. Popeyes distinguishes itself with a unique "Louisiana" style menu that features spicy chicken, chicken tenders, biscuits, fried shrimp and other seafood, red beans and rice and other quick-service menu items. Popeyes Restaurants are located in many different communities and different locations within communities including free-standing buildings, store-front locations, and mall locations, in urban and suburban locations. A Popeyes Restaurant may feature a walk-in format, drive-thru, sit-down, or some combination of these types of formats, with our approval.

The Franchise

Except as described below and in Item 5, you must sign a Popeyes Louisiana Kitchen Development Agreement ("Development Agreement") (Exhibit C) regardless of the number of

[1] Exclusive of temporarily closed units.
[2] Exclusive of temporarily closed units.

Restaurants you commit to develop. The standard Development Agreement provides limited exclusivity for a specific geographic area defined in the agreement. In certain geographic areas, we may provide development rights but no exclusivity and either you will sign an Amendment to the Development Agreement (Exhibit D) to reflect that change or we will revise your Development Agreement to reflect that change. You can find more information about these two types of development rights in Item 12. (Unless otherwise noted, all references to the Development Agreement include both versions.) The Development Agreement specifies the number of Restaurants that you must open and the dates by which they must be open and in operation. We may waive the requirement to sign a Development Agreement (but not the Development Fee) in certain transactions involving a single Restaurant and in certain alternative locations, for example, military bases, educational facilities, transportation facilities, hospitals and other institutional locations or non-traditional concept locations.

For each Restaurant that you develop under the Development Agreement, you will sign our then-current form of Popeyes Louisiana Kitchen Franchise Agreement, provided, however: (i) the recurring, non-refundable royalty fee payable pursuant to the Franchise Agreement shall be 5% of Gross Sales, and (ii) to the extent the terms of Franchisor's then current Franchise Agreement are inconsistent with the Development Agreement, the Development Agreement shall control.

Our current form of Franchise Agreement is attached as Exhibit E. Under the Franchise Agreement, we grant you the right (and you accept the responsibility) to establish and operate a Restaurant for the full term of the Franchise Agreement. You must operate the Restaurant under the "Popeyes Louisiana Kitchen" name and under the Popeyes System, which includes our business and operating procedures, as described in our Brand Standards and Procedures, our Brand Training Standards, and such other operating standards, specifications, procedures and techniques that we may prescribe from time to time (collectively, whether made available to you via electronic communication (including the internet) or via hard copy, and all amendments and updates, the "Manual"). If we waive the requirement that you sign a Development Agreement in connection with a single Restaurant, you will sign an Amendment to Franchise Agreement (Exhibit F) containing provisions related to Restaurant development.

The General Market and the Competition

The customer base for the quick-service restaurant market includes the total population; however, the population age group between 18 and 54 years of age averages the greatest frequency of patronage of quick service food establishments. There is a clearly established market for quick service food prepared away from home. In general, the quick-service restaurant business is highly competitive. Changes in taste and eating habits of the public, local and national economic conditions, population and traffic patterns affect the restaurant business and are generally unpredictable.

The principal basis of competition in the industry is the quality and price of the food products offered, but name identification, site location, quality and speed of service, consistency, advertising and attractiveness of facilities are also important factors. You should expect to compete with other quick service food, carry-out, delivery and even sit-down restaurants that feature chicken, seafood and related menu items similar to those offered at the Restaurants. You will also compete with restaurants and quick service food outlets that offer other types of chicken and seafood entrées and other foods to be eaten at those restaurants, delivered or taken out by the consumer. You may also encounter competition from other Popeyes Restaurants that we or our franchisees operate.

Some of these competitors may be in close proximity to your Restaurant and may have greater financial resources, larger advertising budgets and more national (or local) recognition than we have. In addition, competition for management and other operating personnel and for sites is intense within the industry.

Industry-Specific Laws and Regulations

We are not aware of any laws applicable to a Popeyes Restaurant that would not apply to restaurant businesses generally. You will be required to comply with all local, state and federal laws and regulations applicable to the operation of your Restaurant, including: labor and employment laws and regulations; health, sanitation, food handling, food preparation, and waste disposal laws and regulations; smoking restrictions; and advertising and point-of-sale disclosures, such as statements concerning the nutritional and dietary characteristics of the food served at your Restaurant. There are other laws and regulations applicable to businesses generally (such as the Americans with Disabilities Act) with which you must comply. You must also comply with Payment Card Industry Data Security Standards. You should consult with your attorney concerning all laws, regulations and standards that may affect your restaurant operations. You must also obtain all real estate permits, licenses and operational licenses.

Our Prior Business Experience

From November 1992 until December 2004, we offered franchises for, and operated, Church's Chicken Restaurants ("Church's Restaurants"). We sold the assets of the Church's system (including the franchise rights and the company-operated Church's Restaurants) to Cajun Holding Company effective December 28, 2004.

Franchisor Initiated Litigation - Litigation against Franchisees Commenced in the Past Fiscal Year

None.

Prior Litigation

a. Manouch Shahbaz v. AFC Enterprises, Inc., Case No. H 03-54114, United States District Court, Southern District of Texas, Houston Division. On November 24, 2003, Manouch Shahbaz ("Shahbaz"), a Popeyes franchisee, who transferred all but one of his franchised restaurants to an entity in which he is a minority owner, filed a complaint against Popeyes asserting claims for breach of contract, fraud, conversion and breach of the implied covenant of good faith and fair dealing and seeking to recover over $75,000 in actual, general, special and punitive damages as well as reasonable attorney's fees and costs. Popeyes motion for summary judgment was granted by the Court on September 8, 2005. The United States Court of Appeals for the Eleventh Circuit affirmed the District Court's decision (including the award of attorney's fees to Popeyes) on December 14, 2006. Shahbaz filed a petition for certiorari with the Supreme Court of the United States which petition was denied. Popeyes pursued collection efforts. A settlement agreement was entered into between Shabhaz and Popeyes and Shahbaz has completed payment to Popeyes under the terms of the settlement agreement.

b. Beasley Food Ventures, et al, v. AFC Enterprises, Inc., et al., Docket No. 02-C-07-120078 CN, Circuit Court, Anne Arundel County, Maryland. On September 12, 2006, the plaintiffs, a former CHURCH'S franchisee at BWI Thurgood Marshall Airport in Baltimore, Maryland, and its principals, asserted claims against BAA Maryland, Inc. and Maryland Aviation Administration (the "Airport Defendants") and against "Church's Chicken", which we believe to refer to Cajun Operating Company ("Cajun"), the current franchisor of the Church's system, Popeyes, which formerly owned the assets of the Church's franchise system, and Arcapita, Inc. ("Arcapita"), which owned the entity that acquired the assets of the Church's system from Popeyes. Cajun, Popeyes, and Arcapita are collectively referred to as the "Franchisor Defendants." Cajun agreed to defend and indemnify Popeyes in this litigation in accordance with the provisions of the Asset Purchase Agreement in connection with Popeyes sale of the assets of the Church's system in 2004. The claims asserted by the plaintiffs arise primarily out of the requirement that Church's franchisees were prohibited from selling pork products at Church's restaurants because of the new owner's desire that Church's restaurants comply with the requirements of Islamic law, which was imposed by the owner of the Church's system after Popeyes sold the assets. The plaintiffs contend that this prohibition adversely affected their ability to sell breakfast at their Church's restaurant, which they allege they were required to do by the Airport Defendants. The causes of action asserted against the Franchisor Defendants were tortuous interference with contract, fraudulent misrepresentation, civil conspiracy, intentional infliction of emotional distress, and breach of the implied duty of good faith. The Amended Complaint sought $1 million in compensatory damages and $5 million in punitive damages per count. All claims against the Franchisor Parties were dismissed except for fraudulent misrepresentation, negligent misrepresentation, and violation of the Maryland franchise statute. A jury trial was held on March 23, 2009 and all claims against the Franchisor Defendants were dismissed.

c. Kenneth John LeCompte and Joanne Mathas LeCompte v. AFC Enterprises, Inc., James W. Lyons, Fundamental Provisions, L.L.C. and Stanley W. Ware, Docket No. 72391-E, 16th Judicial District Court, St. Martin Parish, Louisiana. On August 17, 2007, Kenneth John LeCompte and Joanne Mathas LeCompte ("LeCompte") filed a Petition For Damages against Popeyes, Lyons, Fundamental Provisions and Ware alleging that Popeyes denied LeCompte the opportunity to grow within the Popeyes System and expand its Popeyes franchised restaurants either by acquisition of other existing franchised locations or by new development. The suit alleged that Ware induced LeCompte's manager of two restaurants (St. Martinville and Henderson locations) to leave his employment with LeCompte to become the manager of Ware's two restaurants (Broussard and Beaux Bridge) and induced other employees to leave LeCompte's employment in order to accept employment with Ware. The Petition alleged that Popeyes failed to take any action to deter the aforementioned employees' inducement in breach of Ware's franchise agreements and that the actions of Popeyes and Lyons constituted violations of the Louisiana Unfair Trade Practices Act under whichLeCompte sought all remedies available including recovery of attorneys' fees. On January 17, 2012, the Court granted Popeyes motion for summary judgment and dismissed the LeComptes' claims finding that the LeComptes had no facts to support a Louisiana Unfair Trade Practices claim and provided no evidence of wrongdoing on the part of Popeyes. The LeComptes filed a motion for appeal on November 26, 2012. On May 8, 2013, the Court denied the LeComptes' appeal stating that the judgment from the trial court was not a final adjudication of all claims. On July 10, 2013, AFC filed Preemptory Exceptions of No Cause of Action and No Right of Action, together with a Motion for Summary Judgment, and a memorandum in support of the filings. On July 17, 2013, the LeComptes filed a memorandum in opposition of AFC's motion for summary judgment. The matter was heard by the Court (and taken under advisement) on July 26, 2013. The Court entered its Reasons for Judgment in AFC's favor on August 21, 2013, and Amended Reasons for Judgment on August 23, 2013. The LeComptes filed a motion for appeal on November 25, 2013. Oral argument was conducted on August 27, 2014. The Court of Appeal affirmed the District Court's Judgment on October 1, 2014. On October 29, 2014, the LeComptes filed a writ application with the Louisiana State Supreme Court. The writ was denied on January 16, 2015.

ITEM 5
INITIAL FEES

Development Fee

Except as described below, you must sign a Development Agreement regardless of the number of Restaurants you commit to develop and pay a development fee ("Development Fee") for each Restaurant to be developed at the time you sign the Development Agreement. The Development Fee for each Restaurant is $22,500 and is not credited against any other fee. In certain transactions involving a single Restaurant, we may waive the requirement that you sign a Development Agreement but not the Development Fee. If we waive the Development Agreement in connection with a single Restaurant, you will sign an Amendment to Franchise Agreement (Single Unit) and pay the Development Fee. In certain Alternative Venues (as defined in Item 12) we may waive the requirement that you sign a Development Agreement and/or waive the payment of the Development Fee.

In certain transactions, we may, in our sole discretion, divide the Development Fee to make a portion of such fee payable when you sign the Development Agreement and the remaining portion payable at the earlier of: (i) such time as you receive our site acceptance for each Restaurant to be developed pursuant to the Development Agreement, or (ii) such time as you fail to comply with the Development Schedule or any other material term of the Development Agreement.

Franchise Fee

The Franchise Fee is $22,500 for each Restaurant. You must pay the Franchise Fee, which is in addition to the Development Fee, prior to the commencement of construction of each Restaurant. In certain Alternative Venues, we may waive or reduce the Franchise Fee.

* * *

Each of the fees described above must be paid in full if you sign a new Development Agreement or Franchise Agreement, as applicable, and none of these fees are refundable. If you are purchasing an existing franchised Restaurant as part of a transfer that has been approved by us, you will not be required to pay any Development or Franchise Fees to us.

The Franchise Fees actually paid for new franchises during our fiscal year ended December 27, 2015 ranged from $0 to $35,000 per Restaurant. During that same fiscal year, Development Fees ranged from $0 to $12,500. These variations in Franchise Fees and Development Fees may be attributed to: (i) the sale of franchises for Alternative Venues; (ii) existing Franchise and Development Agreements entered into when our fee structure differed; (iii) periodic limited time offers and promotions, including the certain development incentive programs; or (iv) unique circumstances to encourage the development and opening of Restaurants.

Development Incentive Programs

We have established the following programs that we refer to as development incentive programs to encourage franchisees to develop and open new Restaurants (collectively, the "Development Incentive Programs" or "Programs"): (1) the Veterans Development Incentive Program; (2) the Women and Minorities Development Incentive Program; (3) the Market Specific – Free Standing Drive-thru Restaurant Development Incentive Program; and (4) the Multi-Unit Development Incentive Program. You must be in good standing under your existing Development and Franchise Agreements, if any, to qualify for any Development Incentive Program.

For purposes of the Development Incentive Programs, a "Free Standing Restaurant" is a Restaurant located in a single purpose, single tenant building. Free Standing Restaurants do not include Restaurants located in food courts, any "In-Line" Restaurants or any Restaurants located in co-branded buildings.

Also for purposes of the Development Incentive Programs, a "New Franchisee" is (a) an individual who has not previously owned a Restaurant, or (b) an entity whose majority equity interest holders have not previously owned a Restaurant.

The following sites will not be eligible for any of the Development Incentive Programs: (1) any sites previously operated as Popeyes Restaurants; and (2) any sites for which site approval previously expired unless such site will be developed and operated by a third party franchisee who is unrelated to the prospective developer who previously obtained site approval. In addition, the Development Incentive Programs do not apply to the sale or transfer of any existing Popeyes Restaurants or the sale or transfer of development options under an existing Development Agreement.

For each of the Development Incentive Programs, you must sign a Development Incentive Program Addendum to the Development Agreement (Exhibit G1) and/or a Development Incentive Program Addendum to the Franchise Agreement (Exhibit G2), as applicable. The Development Incentive Programs are described below.

1. Veterans Development Incentive Program

Under our Veterans Development Incentive Program, qualified veteran franchisees may be eligible to receive certain development incentives. If: (A) you are a New Franchisee; (B) you (or a holder of at least 51% of your ownership interests) provide us with a DD Form 214 or other adequate documentation, as determined by us, demonstrating honorable discharge from the United States military; (C) you sign a Development Agreement or Franchise Agreement and Amendment to Franchise Agreement (Single Unit) to develop and open one or more Restaurants and you are in compliance with the terms of your agreements; and (D) you open your first new Restaurant within 12 months following the date your site was approved by us, then for your first new Restaurant, we will do the following:

(i) Reduce the Franchise Fee for the Restaurant from $22,500 to $5,000, and

(ii) Reduce the Royalty Fee to 2% of Gross Sales for a period of 6 months following the opening date of the Restaurant.

If you participate in the Veterans Development Incentive Program and your qualifying veteran owner transfers his/her interests in the qualifying franchise prior to the first anniversary of the opening date of the Restaurant, you must pay us the portion of the Franchise Fee that was waived under the Program as a condition to the transfer. Any reduced Royalty Fee rates will terminate at the time of transfer.

2. Women and Minorities Development Incentive Program

Under our Women and Minorities Development Incentive Program, qualified female and Minority (as defined below) owned franchisees may be eligible to receive certain development incentives. If: (A) you are a New Franchisee; (B) you (or a holder of at least 51% of your ownership interests) are a woman or qualify as a Minority and will control the management and daily business operations of the Restaurant; (C) you sign a Development Agreement or Franchise Agreement and

Amendment to Franchise Agreement (Single Unit) to develop and open one or more Restaurants and you are in compliance with the terms of your agreements; and (D) you open your first new Restaurant within 12 months following the date your site was approved by us, then for your first new Restaurant, we will do the following:

(i) Reduce the Franchise Fee for the Restaurant from $22,500 to $5,000, and

(ii) Reduce the Royalty Fee to 2% of Gross Sales for a period of 6 months following the opening date of the Restaurant.

For purposes of the Women and Minorities Development Incentive Program, a Minority is a United States citizen presenting documentation from a federal or state certification body to establish at least 25% minimum origins as follows:

- African-American – origins in any of the Black racial groups of Africa;
- Hispanic – origins from any of the Spanish-speaking areas of the following regions: Mexico, Central America, South America and the Caribbean Basin only. Brazilians shall be listed under Hispanic designation for review and certification purposes; and
- Native American – American Indian, Eskimo, Aleut or Native Hawaiian, and regarded as such by the community of which the person claims to be a part. Additionally, Native Americans must be documented members of a North American tribe, band or otherwise organized group of native people who are indigenous to the continental United States for which proof can be provided through a Native American Blood Degree Certificate (i.e., tribal registry letter and/or tribal roll register number).

If you participate in the Women and Minorities Development Incentive Program and your qualifying female or Minority owner transfers his/her interests in the qualifying franchise prior to the first anniversary of the opening date of the Restaurant, you must pay us the portion of the Franchise Fee that was waived under the Program as a condition to the transfer. Any reduced Royalty Fee rates will terminate at the time of transfer.

3. Market Specific – Free Standing Drive-thru Restaurant Development Incentive Program

Under our Market Specific – Free Standing Drive-thru Restaurant Incentive Program, a franchisee that opens a Free Standing Restaurant in one of the qualifying markets listed below may be eligible to receive certain development incentives. If: (A) you receive site approval for a Free Standing Restaurant in a Qualifying Market (as defined below); (B) your Free Standing Restaurant has a drive-thru; and (C) you open the approved, Free Standing Restaurant with a drive-thru in the Qualifying Market within 18 months of the date your site was approved by us, then for such Restaurant, we will do the following:

(i) Reduce the Franchise Fee for the Restaurant from $22,500 to $10,000, and

(ii) Reduce the Royalty Fee to 2.5% of Gross Sales for a period of 12 months following the opening date of the Restaurant.

Qualifying Markets are limited to:

- The following states: Maine, New Hampshire, Vermont and Wyoming; and
- The following designated market areas ("DMAs"), as defined by Nielsen Media Research, Inc.: Green Bay – Appleton, Wisconsin DMA; La Crosse – Eau Claire, Wisconsin DMA; and Wausau – Rhinelander, Wisconsin DMA.

4. Multi-Unit Development Incentive Program

Under our Multi-Unit Development Incentive Program, you may be eligible to receive certain development incentives, as follows:

(i) If you open 2 or more Restaurants within the continental United States between December 26, 2016 and December 1, 2017, then, with respect to those 2 Restaurants, we will reduce the Royalty Fee to 3% of Gross Sales for 6 months following the opening date of the second Restaurant;

(i) If you open a third Restaurant within the continental United States between December 26, 2016 and December 1, 2017, then, with respect to that third Restaurant, we will (i) reduce the Franchise Fee from $22,500 to $15,000, and (ii) reduce the Royalty Fee to 2.75% of Gross Sales for 9 months following the opening date of that third Restaurant;

(ii) If you open a fourth Restaurant within the continental United States between December 26, 2016 and December 1, 2017, then, with respect to that fourth Restaurant, we will (i) reduce the Franchise Fee from $22,500 to $10,000, and (ii) reduce the Royalty Fee to 2.5% of Gross Sales for 12 months following the opening date of that fourth Restaurant; and

(iii) If you open a fifth Restaurant (and any additional Restaurants) within the continental United States between December 26, 2016 and December 1, 2017, then, with respect to that fifth Restaurant (and each additional Restaurant), we will (i) reduce the Franchise Fee from $22,500 to $5,000, and (ii) reduce the Royalty Fee to 2% of Gross Sales for 18 months following the opening date of that fifth Restaurant (and each additional Restaurant).

If (A) you build enough Restaurants to qualify under the Multi-Unit Development Incentive Program, and (B) one or more of those Restaurants also qualifies (on an individual basis) for development incentives under another development incentive program provided by us (each a "Multi-Qualifying Restaurant"), then your Multi-Qualifying Restaurants will receive the development incentives provided under the other development incentive program in lieu of the development incentives provided under the Multi-Unit Development Incentive Program.

In no event will an individual Restaurant count towards your qualification for the Multi-Unit Development Incentive Program if the Restaurant is located in Alaska, Hawaii, any territory of the United States, or any other site located outside of the continental United States

In addition, in no event will an individual Restaurant qualify for development incentives under more than one development incentive program provided by us.

Termination of the Development Incentive Programs

The Development Incentive Programs described above will terminate if: (A) you fail to open any Restaurant qualifying for a development incentive by the program due date; (B) you fail to open any Restaurant by its scheduled opening date; or (C) you receive, while you are paying a reduced royalty, a written notice of default under any agreement with us (including any Development Agreement or Franchise Agreement) and you fail to cure the default within the applicable cure period, if any. Following the termination of any Development Incentive Program, you must: (i) pay us the full amount of the Franchise Fee and (ii) begin paying Royalty Fees at 5% of Gross Sales. There are many factors and variables that can affect the timeline of the development process. Delays in the development process will not be grounds for extension of the incentive deadlines.

*Excludes Alternative Venues that do not participate in the Co-Op.

We may waive or reduce Co-Op contributions or any Ad Fund contributions for Restaurants located in certain areas, for example, military bases, educational facilities, transportation facilities, hospitals and other institutional locations.

[5] We estimate annual guest recovery fees related to call center compensation to be between $200 and $300 per Restaurant per year depending of the actual call volume and number of guest issues. This estimate includes fulfillment costs, which are estimated to be less than $2 per occurrence.

[6] You will make these payments to distributors or the manufacturers of these products, including Diversified Foods and Seasonings, Inc., not to us. See Item 8.

[7] A portion of the transfer fee in the amount of $1,000 per unit to be transferred is payable upon submission of your transfer application to us. This transfer fee deposit is non-refundable in the event that the proposed transfer does not occur in accordance with the terms of the transfer application approved by us. If the proposed transfer occurs in accordance with the terms of the approved transfer application, the transfer fee deposit will be applied to the total transfer fee due at the time of the closing of the transfer. We may waive or reduce transfer fees, in our discretion, in limited circumstances such as multi-unit transfers or transfers to family members.

NOTES:

[1] In-Line Restaurants. In-Line Restaurants include Restaurants located in or at "strip-style" retail shopping centers, premises with convenience stores, travel plazas (or similar locations that sell gasoline), shopping malls, and other food court locations.

[2] Conversions. Conversions refer to existing buildings usually between 1,800 and 3,500 square feet in size that can be remodeled and reimaged to Popeyes standards. Conversion buildings are typically freestanding and built for restaurant use, but can also include in-line buildings and other previous uses such as bank buildings and coffee shops.

[3] Development Fee and Franchise Fee. Except as described in Item 5, you must sign a Development Agreement regardless of the number of Restaurants you develop. When you sign a Development Agreement (or Amendment to Franchise Agreement (Single Unit)), you must pay a Development Fee of $22,500 for each Restaurant to be developed under the Development Agreement. The Development Fee is not credited against any other fee. You must pay the $22,500 Franchise Fee prior to commencement of construction of the Restaurant.

You must sign the Franchise Agreement prior to construction or renovation and the opening of the Restaurant. As noted in Item 5, the Franchise Fee may be reduced in accordance with certain of the development incentive programs. We may also waive or reduce the Franchise Fee for franchise rights granted in certain Alternative Venues; and, in particular, in those instances where the duration of the franchise term may be a shorter term (i.e. typically one to five years) and as a result of the shorter occupancy rights or restrictions that may exist in these other locations.

[4] Real Estate. We cannot estimate your initial investment for acquiring or leasing real estate for the Restaurant; however, the following factors will bear on these costs. If you do not already own adequate Restaurant space, you will have to purchase or lease land and a building for the Restaurant. Typical locations for In-Line Restaurants are shopping centers, urban commercial areas and suburban shopping areas. Restaurants range in size from 1,600 to 3,500 square feet. Free Standing Restaurants in suburban locations will require from 28,000 to 38,000 square feet of land for the Restaurant and adequate parking facilities. The cost of commercial land or restaurant space, whether you lease or buy, varies considerably depending upon the location, entitlement requirements, and conditions affecting the local market for commercial property. Security deposits should not exceed an average of two months' rent. The cost of land (if purchased) varies depending upon the location and condition of the property and we cannot estimate the cost of purchasing land. The cost of converting land to use as a Restaurant may vary widely depending upon the location, previous use and condition of the property.

[5] Soft Costs. The estimate is for legal, accounting, administrative, permitting, architectural, design, traffic studies, demographic studies, brokerage and miscellaneous other professional fees that you may incur before you open for business, including (among other things) to assist you in

reviewing the Franchise Agreement. Your actual costs may vary, for example, depending on the degree to which you rely upon your advisors. During our last two fiscal years, the franchised Restaurants that reported development costs to us and our company-operated Restaurants experienced average soft costs of $85,453 for Free Standing Restaurants, $22,670 for In-Line Restaurants and $81,578 for Conversion Restaurants. The average results were calculated from data reported by 10 company-operated and 15 franchised Free Standing Restaurants, 2 franchised In-Line Restaurants, and 3 company-operated and 5 franchised Conversion Restaurants. The average results do not include data from 2 company-operated and 136 franchised Free Standing Restaurants, 18 franchised In-Line Restaurants and 54 franchised Conversion Restaurants, for which we do not have cost information.

[6] Site Work. This estimate covers site improvement costs such as sewer, electrical, water, storm water, paving, striping, concrete, landscaping, grading and excavation, and site accessories. During our last two fiscal years, the franchised Restaurants that reported development costs to us and our company-operated Restaurants experienced average site work costs of $358,966 for Free Standing Restaurants and $205,151 for Conversion Restaurants. The average results were calculated from data reported by 10 company-operated and 15 franchised Free Standing Restaurants, 2 franchised In-Line Restaurants, and 3 company-operated and 5 franchised Conversion Restaurants. The average results do not include data from 2 company-operated and 136 franchised Free Standing Restaurants, 18 franchised In-Line Restaurants and 54 franchised Conversion Restaurants, for which we do not have cost information.

[7] Building. This estimate includes the costs of constructing improvements, or "building out," the premises at which you will operate your Restaurant. Among other things, you will need to arrange for proper wiring and plumbing, floor covering, wall covering, partitions, heat, air conditioning, lighting installation, storefront modifications, painting, cabinetry, bathroom facilities, etc. as outlined in architectural Mechanical, Electrical and Plumbing (MEP) drawings. You will need to hire a qualified licensed general contractor. Free Standing Restaurants are ordinarily of masonry or frame construction. Costs to build a new Restaurant to comply with local codes and requirements will likely vary by municipality and may be much higher if you wish to establish your Restaurant in an area where special requirements of any kind will apply (such as historical, architectural, or preservation requirements). It is your responsibility to gain a complete understanding of these costs, which may be significant. During our last two fiscal years, the franchised Restaurants that reported development costs to us and our company-operated Restaurants experienced average building costs of $577,154 for Free Standing Restaurants, $331,694 for In-Line Restaurants and $321,833 for Conversion Restaurants. The average results were calculated from data reported by 10 company-operated and 15 franchised Free Standing Restaurants, 2 franchised In-Line Restaurants, and 3 company-operated and 5 franchised Conversion Restaurants. The average results do not include data from 2 company-operated and 136 franchised Free Standing Restaurants, 18 franchised In-Line Restaurants and 54 franchised Conversion Restaurants, for which we do not have cost information.

[8] Furniture, Fixtures, Equipment, Signage and Technology. You must purchase certain items of furniture, fixtures, equipment, signage, smallwares, and a technology package (point-of-sale and back-of-house computer systems and firewall) for your Restaurant. The Manual contains a complete list of the needed items. As the above table indicates, the cost of equipment and signage varies depending on the size and location of the Restaurant. During our last two fiscal years, the franchised Restaurants that reported development costs to us and our company-operated Restaurants experienced average building costs of $342,226 for Free Standing Restaurants, $281,009 for In-Line Restaurants and $323,391 for Conversion Restaurants.

[9] Initial Training. In connection with the initial training, you will need to arrange and pay for transportation, lodging, food and incidental expenses for you and your designated management

employees. You must also pay the salaries and benefits of your designated management employees. The expenses you will incur depend on factors such as the cost of travel, hotel accommodations and meals, as well as employee salaries and associated costs. In addition, training expenses will vary depending upon how many employees you send to training. We may require that you send a certain minimum number of employees that we determine to training. In addition, if PTP (as more particularly described in Item 11) is completed at a Popeyes Restaurant that is owned by another Popeyes franchisee, you will have to reimburse that franchisee for certain training costs as described in Item 11.

[10] Opening Supplies. We estimate that this amount will be sufficient to cover a supply of food and paper products for the first one to two weeks of Restaurant operations.

[11] Insurance. This item includes amounts that must be paid before the opening of your Restaurant and may not include amounts payable after the Restaurant opens. Required insurance includes: general liability, employers' liability, workers' compensation, auto liability and property insurance. (See Section XI of the Franchise Agreement for coverage amounts.) Your costs will vary according to the risks associated with your business and your location. The cost of workers' compensation insurance will vary according to the number of employees of the Restaurant and the requirements of state law.

[12] Utility Deposits. You may need to provide deposits for utilities. The amount of these deposits and utility costs will vary depending upon the location of the Restaurant and the practices of the lessor and the utility companies.

[13] Business Licenses. Local, municipal, county and state regulations vary on what licenses and permits are required to operate a Restaurant. For example, you may need city and county occupational licenses and a city food handlers' license. These fees are paid to government authorities before commencing business.

[14] Additional funds – 3 Months. You will need capital to support ongoing expenses, such as payroll, uniforms, supplies and miscellaneous expenses. We estimate that this amount will be sufficient to cover ongoing expenses for three months. This is only an estimate, however, and there is no assurance that additional working capital will not be necessary whether during this initial phase or later.

[15] Total Estimated Initial Investment. The figures in the chart and the explanatory notes are only estimates. This is our best estimate of your total investment, excluding the cost of real estate, assuming that you will establish only one Restaurant. We relied upon the many years of experience of our executives identified in Item 2, our experience in developing company-operated Restaurants and reports from our franchisees in preparing these figures; however numerous market specific factors exist that may contribute to costs greater than our estimates, including, without limitation, elevated labor costs and the remoteness of your site.

* * *

No part of your initial investment which is payable to us is refundable under any circumstances. We do not offer financing for any portion of your initial investment.

ITEM 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

To operate the Restaurant, you must use certain items that incorporate our trade secrets ("Trade Secret Products"). Trade Secret Products include ingredients, products, materials, supplies and other items such as spices, batter, seasonings and mixes. You must buy Trade Secret Products only from suppliers that we designate. Presently, the only designated supplier of Trade Secret Products is Diversified Foods and Seasonings, Inc. ("Diversified").

Certain products bear our Proprietary Marks (as defined in Item 13) and are made to our specifications by approved manufacturers ("Proprietary Products"). You must buy Proprietary Products only from manufacturers we approve in writing. Examples of Proprietary Products include certain uniforms, signs, menu boards, paper goods and packaging.

Presently, Coca-Cola and Dr Pepper Snapple Group are our only approved beverage vendors. You must adhere to our National Beverage Strategy, which specifies beverage flavors, fountain beverage equipment and the number of valves per beverage vendor. You will be required to enter into supply arrangements directly with our approved beverage vendors.

You may use only point-of-sale equipment and back-of-house systems that we approve in writing. You must enter your profit and loss statements online each month, period or quarter, as determined by us, using our required categories for tracking revenue and expenses. You must also submit an unaudited financial statement, including an income statement, balance sheet and statement of cash flow each quarter, in the format we require.

You must participate in a guest feedback program offered through a service provider designated by us. Among other things, participation in such program requires that all guest receipts include certain information relating to the toll free hotline and website where the guest may participate in a guest experience survey and certain information relating to incentives for guest participation. You must also subscribe to a 24/365 live guest relations and quality assurance hotline offered through a service provider designated by us. You will be required to reimburse us for the cost of gift checks provided to your guests in response to complaints made by your guests to the hotline. We estimate annual reimbursement costs to be between $200 and $300 per Restaurant per year depending on the actual call volume and number of guest issues. This estimate includes fulfillment costs, which are estimated to be less than $2 per occurrence.

You must comply with all applicable legal, regulatory and credit card brand requirements and brand standards regarding the use of information technology in your business and restaurants. You must honor all credit, charge, courtesy or cash cards or other credit devices that we specify. You must comply with the then current Payment Card Industry Data Security Standards (PCI/DSS) as those standards may be revised by the PCI Security Standards Council, LLC (see www.pcisecuritystandards.org) or successor organization. Among other things, you agree to implement the security requirements that the PCI Security Standards Council (or its successor) requires of a merchant that accepts payment by credit and/or debit cards. You must demonstrate compliance upon reasonable request, which may include having an independent third party Qualified Security Assessor (QSA) conduct a PCI/DSS audit. In the event you are unable to demonstrate full compliance, we may require that you engage the services of an approved vendor to assist you on an ongoing basis. Having a secure managed firewall that meets our system standards is one part of the current requirement. Presently, Trustwave, Inc. is our only approved managed firewall services vendor. You will be required to enter into a contractual relationship directly with our approved managed firewall vendor.

To the extent your Restaurant will be located on a military base, in a public educational institution, or in another government building or facility, you will be subject to certain Equal Employment Opportunity and Affirmative Action requirements as more specifically described in Section X of the Franchise Agreement attached as Exhibit E to this disclosure document.

We may periodically require you to purchase and install or construct, at your expense, all improvements, furnishings, signs and equipment that we specify for the Restaurant, as well as other furnishings, signs or equipment. You may not install or allow installation of improvements, furnishings, signs or equipment for which we did not give our prior written approval.

Except for Trade Secret Products, Proprietary Products and items described in the prior paragraphs, you must buy all other items needed to operate the Restaurant (such as poultry, french fries, flour, food trays, paperware, items required for limited time offers, etc.) only from suppliers and distributors: (i) who demonstrate, to our continuing and reasonable satisfaction, the ability to meet our reasonable standards for those items; (ii) who possess adequate quality controls and capacity to supply your needs promptly and reliably; (iii) whose approval would not adversely impact the overall efficiencies of the Popeyes System; and (iv) as to whom we have given (and not later revoked) our written approval.

If you want to obtain items from a non-approved supplier, you (or the supplier) must make a written request to us seeking approval. We have the right to require, as a condition of our approval, that the supplier allow our representatives to inspect its facilities and that the supplier deliver samples, at our option, either to us or to an independent laboratory that we designate for testing before we will grant our approval. The approval process ranges from 90 days for simple items to 9 months for highly complex food formulas which require more extensive testing. You or the supplier must pay a charge not to exceed our reasonable cost of inspection, including the actual cost of testing. We reserve the right, at our option, to periodically re-inspect the facilities and products of any approved supplier. We will also have the right to revoke our approval if we find that a supplier no longer meets our standards or satisfies our criteria or to change suppliers, for any reason, in our sole discretion. The process of reviewing possible suppliers and distributors includes many factors, such as inspecting and testing sample products to determine whether the products meet our standards, inspecting a proposed distributor's physical plant and similar steps to assure compliance with our standards for quality, safety and sanitation. We are not required to approve any particular supplier, nor are we required to make available to prospective suppliers any of our standards or specifications for formulas that we deem confidential. If we conclude that an approved supplier or distributor no longer meets our standards, we will revoke our approval of that supplier or distributor. We do not currently charge fees to approve suppliers and distributors, but we reserve the right to do so. We do seek reimbursement for our out-of-pocket expenses associated with the approval process, including, but not limited to, third party audit fees that are incurred by us when the proposed supplier lacks its own current and approved form of third party audit.

We do not receive rebates from any suppliers based upon purchases by franchisees. We do not currently require you to buy or lease goods or services from us, nor do we presently offer to sell or lease goods or services to our franchisees. We do have beverage marketing agreements with Coca-Cola North America, a division of the Coca-Cola Company, and Coca-Cola Refreshments USA, Inc. (collectively, "CCR") and Dr Pepper Snapple Group, Inc. ("DPSG") where CCR and DPSG make funding available in an amount that is calculated based on the gallons of fountain beverages purchased by Restaurants annually. This funding is not paid to us, but is managed by CCR and DPSG separately, and used to pay for approved expenses for mutually agreed upon national or co-op based marketing activities designed to increase the sale of CCR's and DPSG's fountain beverages. Except as expressly set forth in this paragraph, neither we nor any affiliate derive revenue or other material consideration from required purchases or leases by Popeyes franchisees.

We will provide our standards to you through our Manual, which we will make available to you after you sign your Franchise Agreement and pay us the Franchise Fee and any other amounts then due. In order for you to benefit from new knowledge, information, methods, and technology adapted and used by us in the operation of the System, we may update and revise the Manual or provide other standards or manuals periodically, and we will notify you of these changes by electronic or written communication (including the Internet). You must review, understand, adhere to and abide by all revisions to the Manual. In addition, we may modify, add to, or rescind any requirement, standard, or specification set forth in the Manual to adapt the System to changing conditions, competitive circumstances, business strategies, business practices, and technological innovations and other changes that we deem appropriate in our business judgment, and you must comply with such modifications, additions, or rescissions. We typically develop standards internally (for example, our Quality Assurance department develops our standards for food and packaging materials) but sometimes, we develop standards with suppliers.

We estimate that your purchases from approved suppliers, from suppliers that we designate, and otherwise under our standards will be approximately 95% of the total purchases and leases of products and services needed to establish the Restaurant, and approximately 95% of the total purchases and leases of products and services needed to operate the Restaurant. We also estimate that your purchase of Trade Secret Products will be less than 1% of the total purchases and leases of products and services needed to establish the Restaurant, and approximately 15% of the total purchases and leases of products and services needed to operate the Restaurant. All of your food and cleaning supply purchases must be made from suppliers that we designate.

Except as described above, we do not require you to buy or lease any goods or services from us or suppliers designated by us.

By signing the Franchise Agreement, you become a member of a purchasing and logistical service cooperative known as Supply Management Services, Inc. ("SMS"). We or SMS negotiate with vendors (with respect to factors such as sales terms and price terms) for the benefit of the Popeyes System.

We do not confer special or other material benefits on franchisees that buy or lease from approved suppliers or sources. None of our officers own an interest in any privately-held suppliers, or a material interest in any publicly-held suppliers, of the Popeyes System. From time to time, our officers may own non-material interests in publicly-held companies that may be suppliers (or have subsidiaries that may be suppliers) to our franchise system.

You must obtain the right to occupy the premises at which you will operate each Restaurant. We have the right to review and approve these premises. You will generally have the option to buy, lease or sublease the premises, depending upon market conditions. If you lease or sublease the premises, we have the right to review and approve the lease or sublease. Any lease, sublease, letter of intent or lease memorandum for the Restaurant premises must contain a lease addendum in the form attached as Exhibit E to the Franchise Agreement and Exhibit C to the Development Agreement. The addendum includes provisions related to certain assignments rights that we and other franchisees have, our rights upon uncured lease defaults and our de-identification rights on expiration or termination of the lease.

[THE REMAINDER OF THIS PAGE WAS INTENTIONALLY LEFT BLANK]

ITEM 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, Popeyes is not required to provide you with any assistance.

Pre-Opening Obligations

Before you open your Restaurant, we will provide the following assistance to you.

1. We will evaluate each site you propose for a Restaurant, and, subject to the requirements for an Impact Study, we will send you, within 45 days after receipt of your complete site acceptance request package, written notice of acceptance or non-acceptance of the proposed site. If an Impact Study is conducted in accordance with the requirements of our Impact Policy, our notice to you of acceptance or non-acceptance may be delayed by 30-45 days. We will conduct one site visit for up to 2 proposed sites at no cost to you. If you have not received site acceptance after the second visit, you will have to pay us a site visit fee of $1,500 for each additional site visit until acceptance of a site is granted by us. We may, in our discretion, waive or reduce the site visit fee. [Development Agreement, Sections 4.01. and 4.02.] We may, in our sole discretion, retain the services of third party real estate analysts to evaluate proposed sites for Popeyes Restaurants, including potential sales that can be generated from particular sites.

2. We will provide to you up to 2 equipment layout drawings in the most recent version of AutoCAD within 10 business days after we receive from you or your architect an existing conditions plan for an accepted site in AutoCAD (or, alternatively, if the site is vacant with no structures or improvements, an AutoCAD survey of the site). [Development Agreement, Section 4.03.B.]

3. We will make available to you and your architect our standard plans and specifications that you must follow in preparation of your construction drawings. Except as shown in the approved equipment plan referenced in paragraph 2 above, you cannot modify or deviate from the standard plans and specifications. Any modifications or deviations to the standard plans or approved equipment plan, including those required by local or state laws, regulations or ordinances, require our written approval prior to commencing construction. You must obtain, at your own expense, qualified architectural and engineering services to prepare surveys and construction documents and construct your Popeyes Restaurant. [Development Agreement, Section 4.03.B and Franchise Agreement, Sections 1.05 and 9.03.]

4. We will evaluate your final construction documents for conformance to our standard plans, brand image, approved equipment plan and completeness. Your construction documents must be submitted to us in PDF and AutoCAD format at the same time the construction documents are submitted for permit review. If appropriate, we will approve your plans. We assume no liability for the adequacy of your construction documents. The adequacy of your construction documents is the responsibility of your architect and engineers. [Development Agreement, Section 4.01.]

5. At your request, we will conduct one or more site visits during construction. If the Restaurant has been under construction for 101 days or more and you request the construction site visit, you must pay us a construction site visit fee in the amount of $1,500 for each construction site visit that we conduct. [Development Agreement, Section 4.06.]

6. For your first Restaurant opened under the Development Agreement, we will provide a representative to be present at the opening. [Development Agreement, Section 4.08.]

7. We will make available an initial training program at Certified Training Restaurants and other training locations designated by us for a minimum of 5 designated management employees (we will

determine the exact number), including your Key Operator for the Restaurant as further described in Item 15. [Franchise Agreement, Section 8.02.]

Continuing Obligations

During the operation of your Restaurant, we will provide the following assistance to you.

1. We will approve Vendor(s) that provide the ability to poll data and information from your restaurants' systems (including your POS and BOH Systems (as defined below)), such as information regarding sales, menu mix, transaction-level data, inventory, labor, speed of service and other similar items. We will have access to the polled data and information. [Franchise Agreement, Section 4.06.]

2. For the duration of the Franchise Agreement, we will make the Manual available to you electronically via the Internet or other electronic format. The Popeyes Brand Standards and Procedures contained in the Manual contain the standards, specifications, operating procedures and techniques of the System. [Franchise Agreement, Section 9.04.] The Index of Brand Standards and Procedures as of the date of this disclosure document is attached as Exhibit J and, as of that date, the Brand Standards and Procedures contained approximately 768 pages.

3. We will make available to you additional training as we, in our discretion, choose to conduct. [Franchise Agreement, Section 8.05.]

4. We will make available to you continuing advisory assistance in the operation of the Restaurant, in person or by bulletins, as we deem appropriate. [Franchise Agreement, Section 9.01.]

5. We (or our designated affiliate) will maintain and administer an Advertising Fund, and in some areas, a Co-op (as defined in this Item), to increase the public's awareness of the Restaurant and the System. [Franchise Agreement, Sections 3.02, 10.05 and 10.07.]

6. In order for you to benefit from new knowledge, information, methods, and technology adopted and used by us in the operation of the System, we may revise the contents of the Manual periodically by bulletin, videotape, electronic mail, or by other electronic or written communication, including the Internet. You must review, understand, adhere to and abide by all revisions to the Manual. In addition, we may modify, add to, or rescind any requirement, standard, or specification set forth in the Manual to adapt the System to changing conditions, competitive circumstances, business strategies, business practices, and technological innovations and other changes that we deem appropriate in our business judgment, and you must comply with such modifications, additions, or rescissions. [Franchise Agreement, Section 7.04.]

7. We will continue our efforts to maintain high and uniform standards of quality, cleanliness, appearance and services at all Restaurants. [Franchise Agreement, Section 9.05.]

8. We will establish uniform criteria for approving suppliers and will make every reasonable effort to share our standards and specifications with your prospective suppliers upon your written request. We may choose not to make available to prospective suppliers the standards and specifications for any food formula, or equipment design that we deem to be confidential. [Franchise Agreement, Section 9.05.]

9. We may conduct periodic inspections of the premises of the Restaurant and periodic evaluations of the products used and sold at the Restaurant. [Franchise Agreement, Section 9.05.]

Site Selection and Length of Time Before Opening

The Development Agreement grants you a specific Development Area in which to establish and operate Restaurants under the System at specific locations to be designated in separate Franchise Agreements. We do not select the site for your Restaurant. You select the site subject to our acceptance of the site. You must submit for our acceptance a Site Acceptance Request ("SAR"), in the form that we require, for the site of each Restaurant you propose to develop. We will evaluate each proposed site and, unless an Impact Study is requested, within 45 days after receipt of your complete SAR package, we will send you written notice of our acceptance or non-acceptance of the site. If an Impact Study is requested in accordance with our Impact Policy, our notice to you of acceptance or non-acceptance may be delayed by 30 to 45 days.

We consider the following factors, among other things, in evaluating the proposed site: demographic characteristics (such as number of households in the neighborhood, average income and family size); traffic patterns; proximity to existing restaurants, including Popeyes Restaurants; and the size and condition of the proposed premises. We may retain the services of third party real estate analysts to evaluate proposed sites for Popeyes Restaurants, including the potential sales that can be generated from particular sites. Our acceptance of a site is not a representation or promise by us that a Restaurant at that site will achieve a certain sales volume or level of profitability. Similarly, our acceptance of one or more sites and our non-acceptance of other sites is not a representation or promise by us that a site we accept will have a higher sales volume or be more profitable than a site we do not accept. Our acceptance only indicates our willingness to be represented by you at that site. Within 90 days after our acceptance of a proposed site, you must provide us with satisfactory evidence (such as a deed or signed lease) that you have the right to occupy the site.

If we believe that a proposed site may have potential impact on another existing Popeyes Restaurant, then, under our current site consideration and impact policies, the franchisee for any existing location may ask for an impact study analysis, which would be conducted by an independent third party consultant. In this event, if you wish to continue to have the site evaluated, you must pay for the impact study fee conducted by the third party in the amount of $6,000.00 per study. If the results of an impact study reveal that the potential impact on sales for the existing location would be less than ten percent, the cost of the impact study will be paid by the existing franchisee and we will refund to you the $6,000.00 which you paid. If the results of an impact study reveal that the potential impact on sales for the existing location would be ten percent or more, we would not approve the proposed site for development and you will not get a refund of the $6,000.00 impact study fee. We may change or modify these impact policies periodically as we deem appropriate.

The typical length of time between the signing of a Franchise Agreement and the opening of the Restaurant is 270 to 360 days. The length of this period depends on many factors, such as your ability to buy or lease a site and obtain adequate financing, the local requirements you must meet to obtain permits and zoning approval, and other factors (such as weather) that affect construction in your area. Other factors may affect the length of this period, such as your ability to obtain insurance and to get your approval of the final and complete plans and specifications for the construction/renovation and decoration of the Restaurant.

If we cannot reach agreement on a site, you will be unable to operate a Restaurant and we will mutually terminate the Franchise Agreement. You may be in default under the Development Schedule of your Development Agreement.

When we evaluate the sites for future Restaurants that you develop under the Development Agreement, we will apply our then-current policies and standards.

The New Franchisee Orientation Program

You, the Key Operator, and, if the franchisee is an entity, all officers, directors, all holders of a legal or beneficial interest in the entity of 10% or more, and all holders of a legal or beneficial interest in the entity of less than 10% if those holders are actively involved with the day-to-day operations of the Restaurant must complete, to our satisfaction, the Popeyes New Franchisee Orientation Program ("NFOP") before opening or taking possession of their first Restaurant. NFOP is conducted on an as needed basis and consists of a maximum of two days of training conducted at a facility we designate (currently at our corporate offices in Atlanta, Georgia). NFOP is designed to provide an overview of the System, including the services that we provide to franchisees and to explain the obligations in the Franchise Agreement. During NFOP, we will provide you with access to Popeyes Intranet website where you will find our Brand Standards and Procedures, Brand Training Standards, facilities and equipment information, construction guides and other resources. We do not charge a fee for NFOP. You must pay for all expenses which you or your representatives will incur while attending NFOP, such as the cost of travel, accommodations, meals and employee wages and benefits.

The subjects covered during NFOP are as follows:

The Popeyes Training Program

Certain of your management employees must complete (to our satisfaction) the Popeyes Training Program for their applicable management role at the Restaurant ("PTP"). PTP is provided to protect the System and the Proprietary Marks and not to control the day to day operation of your Restaurant.

If the Restaurant is your first Popeyes Restaurant, then before opening the Restaurant, a minimum of five (5) designated management employees (we will decide the final number), including the Key Operator, must complete (to our satisfaction) PTP for their applicable management role at the Restaurant. If the Restaurant is not your first Popeyes Restaurant (i.e. you currently own and operate one or more Popeyes Restaurants), and if you already have an approved Key Operator that has completed PTP for his/her applicable management role in the Restaurant, then before opening the Restaurant, a minimum of

[1] Popeyes International Franchisee Association ("PIFA")
[2] Popeyes Women Leadership Forum ("PWLF")

three designated management employees (we will decide the final number) must complete (to our satisfaction) PTP for their applicable management role at the Restaurant.

In each case, PTP consists of a blended learning approach, including online, in-restaurant, and classroom training as well as training at locations designated by us. Classroom components for PTP are provided on an as-needed basis. If your management employees complete PTP to our satisfaction, we will issue certificates of completion for these trainees. A management employee (including the Key Operator) that successfully completes the designated segments of PTP for his/her applicable management role at the Restaurant is designated as a "Popeyes Certified Manager".

Currently, PTP consists of Shift Management Basics modules. As set forth below, we will make certain modules of PTP available to the System during the remainder of 2016 and early 2017. These modules include Operations Basics, Guest Experience Basics, Leadership Basics, and Brand Basics. With respect to such modules, each Popeyes Certified Manager must complete each module (to our satisfaction) on or before March 2017, and in the event any Popeyes Certified Manager does not do so, such individual will no longer qualify as a "Popeyes Certified Manager". At all times thereafter, to be designated as a Popeyes Certified Manager, each PTP participant must complete all available modules of PTP applicable to his/her management role at the Restaurant within six months of being hired in a management position.

Throughout the term of the Franchise Agreement, you must employ at the Restaurant at least one Restaurant manager and three or more shift managers who have satisfactorily completed PTP for their applicable management role at the Restaurant and who have a current ServSafe Food Safety Certification (or state/local mandated equivalent certification). You must enroll a qualified replacement in PTP training for any manager or shift manager who ceases active employment at your Restaurant within 30 days after the former employee's last day of employment. The replacement employee must complete all components of PTP for his/her applicable management role at the Restaurant.

The Restaurant must at all times be under the on-site supervision of a Popeyes Certified Manager and the Key Operator must remain active in overseeing the operations of the Restaurant, including regular, periodic visits to the Restaurant to ensure that the Restaurant's operations comply with our operating standards.

The Shift Management Basics modules of PTP can last as long as six to ten weeks, the first two to four weeks of which are the production and service training modules and consist of an orientation and training in each of the job-station areas until the trainee meets our proficiency standards and the next four to six weeks of which cover the shift management modules and leadership training. The remaining modules of PTP can last as long as 20 to 50 hours, in the aggregate.

We designed certain segments of PTP as an in-restaurant training experience to educate you and/or your managers in the essential areas of Popeyes-specific operations and quick-service restaurant fundamentals.

PTP is conducted at a Popeyes Certified Training Restaurant (as defined below) with at least one Certified Training Manager (as defined below), whether such Restaurant is company-operated or franchised and at such other training locations designated by us. The cost to facilitate PTP training at a franchised Restaurant may vary from franchisee to franchisee and must be paid prior to trainees entering PTP. Similarly, the cost to facilitate PTP training at other locations designated by us may also vary and must be paid prior to trainees entering PTP training. A Popeyes Learning Consultant identifies and facilitates the assignment and follow-up of franchisee-to-franchisee training for PTP participants. A

Popeyes Franchise Business Leader or Learning Consultant (as determined by us) oversees the execution of the program and communicates overall program expectations.

A Certified Training Manager will supervise the in-restaurant training at the Certified Training Restaurant and will assess the knowledge and skill level of each participant assigned to his/her facility. Trainees will be expected to demonstrate proficiency in each area by successfully executing tasks listed on Validation Checklists and/or successfully passing subject-specific tests. Both the checklists and tests are administered under the supervision of the Certified Training Manager. Should a trainee demonstrate that he/she knows and is able to properly execute a module of the training program prior to the recommended timeframe for training delivery, he/she may proceed to the next segment of PTP training.

In order to be designated as a "Certified Training Manager", an individual must meet certain standards that we choose, including the following:

(1) Must have completed (to our satisfaction) all then-available modules of PTP;
(2) Must work at a Restaurant that consistently receives high operations assessment scores;
(3) Must have a current ServSafe Food Safety Certification (or state/local mandated equivalent certification);
(4) Must work at a Restaurant that is consistently in compliance with all current requirements for the physical condition of the Restaurant and minimum equipment standards;
(5) Must work at a Restaurant that has computer and Internet access at all times (including email); and
(6) Must be certified as an "All Pro", as defined in the Manual.

In order to be designated as a "Certified Training Restaurant", the Restaurant must meet certain standards that we choose, including the following:

(1) Must consistently receive high operations assessment scores;
(2) Must have a Certified Training Manager with a current ServSafe Food Safety Certification (or state/local mandated equivalent certification);
(3) Must consistently be in compliance with all current requirements for the physical condition of a Popeyes Restaurant and minimum equipment standards;
(4) Must have computer and Internet access at all times (including email);
(5) Must have five Popeyes Certified Managers on the management team; and
(6) Must have three crew members certified as "All Pros", as defined in the Manual.

In addition to having the requisite number of personnel complete PTP prior to the opening of a new Restaurant, it is highly recommended that the Restaurant be prepared to properly train and assess the knowledge and skill level of each team member assigned to such Restaurant.

PTP provides for the training requirements of new franchisees. Training for existing franchisees may be modified and reduced based on their prior experience.

We require that, by March 2017, (a) each Popeyes Certified Manager, and (b) any other management employee who may have been certified under a management certification program previously provided or approved by us, in each case, be certified or re-certified (to our satisfaction) in each of the foregoing PTP modules.

Periodically, we also may make available to you or your employees additional training programs that we, in our discretion, choose to conduct. Attendance at these training programs may be mandatory. You will be required to pay any and all fees and expenses that we may charge for these training programs. We may elect to have these training programs conducted by other certified franchisees that have a

Certified Training Manager described above. You must pay for all expenses that you and your trainees incur in connection with training, such as the cost of travel (including daily transportation to and from training), accommodations, meals, program materials and fees, uniforms and employee wages and benefits (including any routine or emergency medical services). It is solely your responsibility to hire, train and otherwise be solely responsible for the employees in your Restaurant. We will offer training to your employees from time to time, and we may require you to send your employees to training programs and pay our applicable fees for providing that training. However, the fact that we may offer training to your employees does you relieve you from your primary responsibility to assure that your employees are properly trained.

All members of the Popeyes training team have extensive experience in training or operations with us and/or other hospitality companies. We employ the following individuals on our training staff who have the responsibility for delivering training programs, courses and support materials:

Point-of-Sale and Back-of-House Systems

You must purchase, install and use a point-of-sale system ("POS System") and a back-of-house system ("BOH System") that has been approved in writing by us and which meets our specifications.

The BOH System provides functionality allowing the restaurant manager to track and manage inventory, food cost, labor scheduling, labor management, and other general restaurant management tasks and information. In addition, the BOH System provides reporting capabilities in the areas of inventory and labor management, cash management and accountability and menu mix, allowing the restaurant manager and above-store operators to have full visibility into all aspects of restaurant operations.

An approved BOH System may take one of the following forms:

- A software application, separate from the POS System, installed on the computer system in the manager's office;
- A Cloud-based, Software as a Service (SaaS) solution accessed via the Restaurant's Internet connection; or
- In some cases, the POS System itself may include a full-featured BOH System which can be accessed via the POS terminals.

The Franchise Agreement allows us or our vendor to poll data and information from your restaurants' systems (including your POS and BOH Systems), such as sales, menu mix, transaction-level data, inventory, labor, speed of service, and other similar items. In addition, we or our vendor will maintain standard recipes, menus, and reports. We may require that you use and adhere to a standardized set of menu sales item Product Look Up (PLU) codes and descriptors for every menu sales item in your POS System and BOH System, including limited time offers ("LTOs"). There are no contractual limits on our right to poll information from your POS and BOH Systems, either directly or through an approved vendor. You will be required to subscribe to the approved polling solution. The POS and BOH Systems will permit you to manage cash control, inventory control, labor scheduling, sales forecasting and price change control. [Franchise Agreement, Section 4.06.] You must follow all Payment Card Industry (PCI) Compliant practices. We have the right to request documentation from you at any time demonstrating your PCI compliance status.

We may revise our specifications for the POS and BOH Systems periodically. Consequently, you must upgrade, update or add new features or components to your POS and BOH Systems at such time as specifications are revised. You must purchase a high speed broad band or cable internet connection which will allow us and/or our vendors to freely update menus, recipes, system configuration and retrieve data and information from your POS and BOH System, including daily sales, menu mix and other data as we determine. Many POS providers offer hardware and software maintenance services and even menu maintenance services where they will maintain the PLU's, recipes, prices, and POS programming based on your needs and requests. These ongoing services typically range from $100 to $300 per month. The

initial and ongoing costs of BOH Systems vary widely based of which form they take. For example, Cloud-based solutions generally have monthly subscription fees, but no upfront costs. In contrast, BOH software applications running on the computer system typically have an upfront purchase price ranging anywhere from $2,000 to $10,000 and annual software maintenance and support fees in the range of $1,000 to $2,500.

The POS and BOH approved vendors will provide help desk support, ongoing hardware, software and menu maintenance, reporting capabilities, repairs and upgrades to the POS and BOH Systems on an as needed basis as may be required by you. There are no limitations in the Franchise Agreement regarding the cost of such required support, maintenance, repairs, or upgrades relating to these systems, however, annual costs generally range from $1,000 to $5,000 for each of the POS and BOH Systems and varies based on the specific vendor and product. It is your responsibility to ensure that your POS and BOH Systems are kept up to date with the latest versions and patches available from your POS and BOH vendors.

Additionally, you must comply with all applicable legal, regulatory, credit card requirements and brand standards regarding the use of information technology in your business and restaurants. We may require you to use, and directly contract with, certain approved third-party vendors, and in some cases a single approved third-party vendor, for some or all of your managed firewall, other technology security compliance and/or credit card or government requirements related to the transmission/processing of credit card transactions and information. Having a secure managed firewall that meets our system standards is one part of the current requirement. You will be required to enter into a contractual relationship directly with our approved managed firewall vendor. There are no limitations in the Franchise Agreement regarding the cost of such required support, maintenance, repairs, or upgrades related to these systems; however, initial costs generally range from $200-$700, with current annual costs of approximately $900.

Computer System

You must purchase a computer system, separate from the POS and BOH Systems, that meets our standards and specifications for training, communications and access to other Internet-based resources provided by us. The computer system will permit electronic communication of information between us and you concerning the Popeyes System and your Restaurant, including access to our extranet, http://www.thescoop.popeyes.com and our online training solution. The Franchise Agreement does not limit us from receiving (*i.e.* downloading) information from the computer system. The cost of the computer system is approximately $1,000.

PC REQUIREMENT	DESCRIPTION
CPU	Dual Core or higher
Operating System	Microsoft Windows 7, 8 or higher
Memory	4 Gb or larger
Disk space	500 Gb or larger
USB Port	USB Port
Audio / Video	Speakers / or headphones required for training / multimedia presentations
Internet Access	High speed required for polling, extranet access and online training
UPS	An uninterruptible power supply for any computer that is not a laptop computer is recommended

We may revise our specifications for the computer system periodically. Consequently, you must upgrade or update the computer system during the term of your Franchise Agreement to implement any changes to the specifications made by us periodically. There is no limitation on the frequency and cost of this obligation.

Advertising and Promotion

Marketing Advisory Council

We have an informal marketing advisory council ("Council"), composed of franchisees chosen by the Popeyes International Franchisee Association ("PIFA") from among its members. We consult with the Council concerning our marketing initiatives. The Council operates in an informal advisory capacity only. We do not have to consult with the Council, and we have the right to discontinue doing so at any time.

Advertising Fund

Advertising and standardization of advertising and promotion is important to the goodwill, overall health, and public image of the System. We have established an advertising fund ("Ad Fund") to accomplish this. You must make a weekly contribution to the Ad Fund, not to exceed 4% of Gross Sales (which is the current required amount). Presently, 3% is allocated to "working" media and 1% is allocated to "non-working" media such as production. Restaurants that we and our affiliates currently own contribute to the Ad Fund at the average rate of 3.8% of Gross Sales. Individual Restaurant contribution rates are either 3.5% or 4.0% based on the opening date of the Restaurant and the corresponding Ad Fund rate paid by franchised Restaurants opened during the same time period. The Ad Fund is currently used for national advertising and promotional materials and market research in any media format for the Popeyes System as determined by us. We or our designee will administer the Ad Fund.

The selection of media and locale for media placement will be at our discretion. Currently, we use television, radio, print, direct mail and restaurant point-of-purchase advertising. We presently use one national advertising agency to produce and place our advertising materials.

The Ad Fund currently uses all contributions made to it and any earnings exclusively to pay the costs of maintaining, administering, directing and preparing market research, advertising and/or promotional activities, including placement of national media campaigns and promotions. We do not have to spend any minimum amount from the Ad Fund on advertising in the market in which your Restaurant is located. We maintain all sums paid to the Ad Fund in an account separate from our other funds. We maintain separate bookkeeping accounts for the Ad Fund. We anticipate that all contributions to, and earnings of, the Ad Fund will be spent for market research, advertising or promotional purposes during the taxable year in which these contributions and earnings are received. If, however, there are balances in the Ad Fund at the end of the taxable year, the amounts will be carried over to the following taxable year(s).

We do not use the Ad Fund to defray our expenses except for expenses we incur administering the Ad Fund and in running advertising and marketing programs for the System. We may charge the Ad Fund for our reasonable costs for market research, production and distribution of advertising materials. We will, upon request, provide you with an annual accounting of receipts and disbursements of the Ad Fund.

The Ad Fund is not an asset of ours or any of our affiliates. We intend the Ad Fund to be of perpetual duration; however, after the Ad Fund has spent all of its funds for the purposes described above, we may terminate the Ad Fund. In the fiscal year ended December 27, 2015, 5.84% of the Ad Fund was spent on media production, 74.62% was spent on media placement, 6.46% was spent on agency fees and expenses, 7.74% was spent on POP, including menu boards, 2.47% was spent on the development and management of digital and social media and 2.87% was spent on other expenses, including research. None of the monies collected for the Ad Fund are used to solicit new franchisees. Neither we nor our affiliates receive any payments for providing goods or services to the Ad Fund, except for the expenses we incur in administering the Ad Fund.

Regional Advertising/Co-ops

We have the right to establish a Co-op for any DMA. If we establish a Co-op for the DMA in which your Restaurant is located, in addition to your contribution to the Ad Fund, you must contribute to the Co-op the percentage contribution established by that Co-op. A Co-op may also be established if the owners of 80% of the Restaurants (franchised and operated by us) within a DMA vote to do so. We have the power to dissolve or merge Co-ops. Our Co-ops have a standard prescribed set of by-laws which are adopted by the members of the Co-ops.

Members of a Co-op who are in good standing are entitled to 1 vote per Restaurant with respect to advertising expenditures. A primary purpose of the Co-op is to administer advertising and marketing programs in the DMA and to develop, subject to our approval, standardized promotional materials for use by its members. The Co-op may not use or furnish to its members any advertising or promotional plans or materials without our prior approval. You must contribute to the Co-op weekly based on your Gross Sales for the prior week. All Co-op payments will be sent to us with the corresponding Ad Fund Contribution, and will be allocated to the applicable Co-op account, which we administer for each Co-op. When you make your contribution to the Co-op, you also must submit any reports that we (or, if we permit, the Co-op) may require. Restaurants that we own in a DMA with a Co-op will contribute to the Co-op on the same basis as franchisees with Restaurants in that DMA and we will have the right to vote in the Co-op.

Upon written request, we may waive the requirement that you join a Co-op or pay the full contribution to the Co-op. For example, we may reduce, defer or waive your requirement to contribute. We have the sole discretion to decide whether to grant a waiver and our decision will be final. If we grant a waiver to you, you must still spend the same amount as you would have been required to contribute to the Co-op on local advertising during each accounting period.

Our Brand Marketing Manager and/or Brand Marketing Director for the DMA consults with, and in some instances may administer, the Co-op. The operations of the Co-op are governed by written by-laws and other documents which you can review.

Local Advertising

All advertising agencies and vendors and all advertising, marketing and promotional plans must meet our standards and you must obtain our prior written approval before implementing any local advertising, marketing or promotional plans. To get our approval, you must submit such agency/vendor information as we may reasonably require and you must submit samples of the proposed advertising copy, marketing or promotional plans to us. If you do not get our written approval within 15 days after we receive such information and materials, it means that we disapproved the agency/vendor, samples or materials. The same rules apply to a Co-op. We do not approve or disapprove the sale prices of products in proposed advertising, marketing or promotional plans.

ITEM 12
TERRITORY

Development Agreement

We offer two types of development rights – one provides limited, territorial exclusivity ("Development Agreement") and the other provides no territorial exclusivity ("Non-Exclusive Development Agreement"). You will not receive an exclusive territory under either agreement. You may face competition from other Popeyes Restaurants that we franchise or own and operate. Also, you may face competition from other outlets that we franchise or own, or from other channels of distribution or competitive brands we may control.

If you sign a Development Agreement (Exhibit C), you will be granted a geographic area ("Development Area") within which we will not open, nor license anyone other than you to open, a Restaurant until 60 days after the expiration of the Development Schedule set out in the agreement, subject to the other terms of the agreement. The Development Area does not include Alternative Venues (as defined below) and the protected area of any existing Restaurant (including any closed Restaurant that may re-open), even though these facilities may be located in the Development Area or relocated in the Development Area in accordance with our then-current Relocation Policy and Impact Policy. Alternative Venues are defined as Popeyes Restaurants located in: (1) transportation facilities (including airports, train stations, bus stations, etc.); (2) toll road plazas; (3) educational facilities (including schools, colleges and universities); (4) enclosed shopping malls; (5) institutional feeding facilities (including hospitals, hotels and corporate cafeterias); (6) government institutions and facilities; (7) military bases; (8) casinos; (9) amusement, recreational and theme parks; and (10) stadiums, arenas, and convention centers.

Your territorial rights under the Development Agreement are not dependent upon the achievement of a certain sales volume, market penetration or any other contingency; however, you must comply with the terms of the Development Agreement, including the obligation to open and keep open an agreed-upon number of Restaurants in accordance with the Development Schedule. If you fail to comply with the Development Schedule, or otherwise default under the Development Agreement or any other agreement between us, we can: (1) terminate or reduce the territorial rights in the Development Area or reduce the size of the Development Area; (2) terminate the Development Agreement; (3) reduce the number of Restaurants you can develop under the Development Agreement; (4) accelerate the Development Schedule; or (5) withhold site approval or refuse to permit the opening of Restaurants under construction. [Development Agreement, Section 5.03.] Except in these instances, we cannot alter the Development Area.

The size of the Development Area will vary considerably and is subject to our mutual agreement before the Development Agreement is signed. Factors that may affect the size of a Development Area include your wishes, the expansion capacity of the area contemplated, the competition in the area and your prior experience and financial capacity.

If you sign a Non-Exclusive Development Agreement under an Amendment to the Development Agreement (Exhibit D) (or if we revise your Development Agreement to modify your territory), you will not receive exclusive territorial rights, and we may establish other franchised or company-operated Restaurants in the Development Area that may compete with your location.

Franchise Agreement

When you sign a Franchise Agreement for a Restaurant that is not an Alternative Venue, you will be granted a geographic area within which we will not open, nor license anyone other than you to open, a

Popeyes Restaurant during the term of the Franchise Agreement ("Protected Area"). The Protected Area will consist of an area equal to the lesser of: (1) a 1 mile radius around the Restaurant, and (2) an area surrounding the Restaurant encompassing a population (residential and workplace combined) of 50,000 people. The limited exclusivity granted in the Protected Area does not apply to: (a) existing Restaurants; (b) any closed Restaurant that may re-open within three years from the closing date of such restaurant; and (c) Restaurants for which Franchise Agreements were previously granted. We also have the right to make and license others to make wholesale and retail sales of products identified by Popeyes trademarks within the Protected Area. Alternative Venues do not receive Protected Areas.

We have the right periodically to reduce or modify the Protected Area to reflect population shifts; however, if less than a 1-mile radius, the Protected Area always will include a population of at least 50,000 people. Except as provided in the previous sentence, we cannot alter the Protected Area.

You will not receive an exclusive territory under the Franchise Agreement. You may face competition from other Popeyes Restaurants that we franchise or own and operate. Also, you may face competition from other outlets that we franchise or own, or from other channels of distribution or competitive brands we may control.

When we evaluate the Protected Area for future Restaurants that you develop under the Development Agreement, we will apply our then-current policies and standards.

You may only operate the Restaurant from the location we have approved, and you may not relocate the Restaurant without our prior written consent, which we are not obligated to grant. You will not be restricted from soliciting or accepting orders from customers that may be located elsewhere. Similarly, other Restaurants will not be restricted from soliciting or accepting orders from customers located in the vicinity of your Restaurant. You do not have the right under the Franchise Agreement to acquire additional franchises.

We have not established, nor do we presently intend to establish, other franchises or company-operated outlets selling or leasing similar products or services under a different trade name or trademark; however, we retain the right to do so.

Although we have not done so, we may sell products under the Trademarks within and outside your Protected Area through any method of distribution other than a dedicated Popeyes Restaurant, including sales through such channels of distribution as the Internet, catalog sales, telemarketing, or other direct marketing sales (together, "alternative distribution channels"). You may not use alternative distribution channels to make sales outside or inside your Protected Area and you will receive no compensation for our sales through alternative distribution channels. We can use alternative channels of distribution to make sales within your Protected Area of products or services under trademarks different from the Trademarks you use under the Franchise Agreement, but we have not yet made any sales of this type.

ITEM 13
TRADEMARKS

We grant you the right to operate a restaurant under the names "Popeyes" and "Popeyes Louisiana Kitchen" and to use our other current or future trademarks that we designate in the operation of your Restaurant. By trademarks, we mean trade names, trademarks, service marks and logos used to identify your Restaurant. We note that some of our Popeyes Restaurants in the Popeyes System still operate under the name "Popeyes Chicken & Biscuits" and will continue to do so during a transition period during which signage on their Restaurants will be changed to "Popeyes Louisiana Kitchen".

In addition to other registered trademarks, we have registered the following principal trademarks with the United States Patent and Trademark Office ("USPTO") on the Principal Register, and all required affidavits of continued use have been filed and accepted:

You must follow our rules when you use these trademarks. You cannot use the trademarks as part of a corporate, limited liability company or partnership name or with modifying words, designs or symbols. You may not use the trademarks in connection with the sale of any unauthorized products or services or in any manner not authorized in writing by us.

There are currently no effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court relating to the principal trademarks. There are no pending infringement, opposition or cancellation proceedings or material litigation involving the principal trademarks (except that some of our registrations exclude the city of Lake Geneva, Wisconsin). There are no agreements currently in effect that significantly limit our right to use or license the use of the principal trademarks in any manner material to you. We do not know of any superior prior rights or infringing uses that could materially affect your use of the principal trademarks in any state.

You must promptly notify us of any suspected infringement of or challenge to our trademarks. We will control any administrative proceeding or litigation involving our trademarks and will decide whether to pursue any suspected infringer. If we defend or commence litigation relating to the trademarks, you must sign documents and do what our counsel believes is necessary to carry out the defense or prosecution. Unless the litigation arises as a result of your use of the trademarks in a manner inconsistent with the Franchise Agreement, we will reimburse you for your out-of-pocket costs in doing these things (except that you will still bear the salary costs of your employees). Otherwise, we are not obligated by the Franchise Agreement, or any other agreement, to defend the rights granted to you to use the trademarks or to defend you against claims of infringement or unfair competition. Nevertheless, it is ordinarily in our best interest to do so.

If we find it necessary to modify or discontinue the use of a particular trademark as a result of litigation, or if we develop additional trademarks, or otherwise substitute trademarks for use in identifying the System and the Restaurants operating under the System, you must immediately use the new marks in place of the old marks upon receipt of our notice to do so, and such substitutions will be at your expense.

You may not operate an Internet web site for your Restaurant ("Web Site") without our prior written consent. Our consent to your creating, operating and/or maintaining a Web Site is subject to those requirements as we may reasonably establish periodically, including, among others: (a) we may require you to submit to us for our prior written approval, a sample of the proposed Web Site, domain name, home page address, format and visible (including proposed screen shots and any text, video clips, photographs, images, sound bites or other materials in which any third party has any ownership interest) and non-visible (including meta-tags) content in the form and manner that we may reasonably require; (b) we may require you to establish hyperlinks to our web site and others as we may require, and obtain our prior written approval of your use of any other hyperlinks and/or other links; (c) we may require you to submit to us for our prior written approval any modifications to your Web Site. We may revoke our approval of your Web Site at any time and require you to discontinue your use of it. In addition to any other applicable requirements, you must comply with any standards and specifications we develop that are applicable to Web Sites as stated in the Manual or otherwise in writing. We may, at any time,

designate the form and content of your Web Site and you must use any Web Site hosted by us or a third party whom we designate. We also may charge you a fee for developing, reviewing and approving your Web Site and/or hosting it. You may not use or permit any third party to use any of the Proprietary Marks in connection with any Internet web site and/or as part of any Internet domain name or electronic mail or home page address, unless such use is expressly approved by us in writing.

You may not operate or create a social media site, page or group containing our Proprietary Marks using tools including, but not limited to, Facebook, MySpace, Twitter, YouTube, or other similar tools. We may, at any time, require any such page, site or group be discontinued and deleted.

Our "Proprietary Marks" include all trade names, service marks, trademarks, logos, emblems, and other indicia of origin, including, but not limited to, the mark "Popeyes" and "Popeyes Louisiana Kitchen" and such other trade names, service marks, trademarks and trade dress as are now, or may hereafter, be designated by us for use in connection with the System.

Except as described above, we do not own any patents, copyrights or related applications that are material to your Restaurant or the System. However, we claim copyright protection in the Manual and for certain additional forms, architectural, engineering, and construction plans, advertising materials, product specifications, computer programs, newsletters, training materials, and operations materials.

The Manual and these other materials contain our detailed standards, specifications, procedures and techniques for operating your Restaurant. The Manual and all other materials and information provided or disclosed to you regarding the System are disclosed in confidence. You may not, during or after the term of either the Franchise Agreement or the Development Agreement, communicate, divulge or use for the benefit of any other person, persons, partnership, association, corporation or other entity any confidential information, knowledge or know-how concerning the construction and methods of operation of the Restaurant which may be communicated to you or about which you may become aware because of your operation under the terms of the Franchise Agreement or the Development Agreement. You may divulge confidential information only to those of your employees who need access to it to operate your Restaurant. Any information, knowledge or know-how (including, for example, drawings, materials, equipment, recipes and other data) that we designate as confidential will be confidential for purposes of the Franchise and Development Agreements, except information which you can show came to your attention before the disclosure of that information by us; or which, at the time we disclose it to you, has become part of the public domain through publication or communication by others; or which, after our disclosure to you, becomes public domain through publication or communication by others. Concurrently with your execution of a Franchise Agreement, we will require that you sign an Acknowledgement of Confidentiality Obligations (Exhibit O).

At our request, we may also require that you obtain a signed confidentiality agreement requiring the signatory to agree (among other things) to not communicate, divulge, or use for the benefit of any person, persons, partnership, association, corporation, or any other entity, any confidential information, knowledge, or know-how concerning the methods of operation of your Restaurant (including information presented in the Manual), in each case, from each of the following individuals: all managers and assistant managers of your Restaurant, any other personnel employed by you who have received or will receive training from us, and (to the extent applicable) all officers, directors, and holders of a direct or indirect legal or beneficial ownership interest of 10 percent or more in the franchisee.

For additional information regarding the Manual, please refer to Item 11 of this disclosure document.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

If more than one individual or a legal entity such as a corporation, partnership or limited liability company owns the franchise, you must designate and retain an individual to serve as the Key Operator of the Restaurant. If you are an individual that owns the franchise, we recommend (but do not require) that you be the Key Operator. The Key Operator must be approved by Popeyes and must have at least a 5% legal or beneficial ownership interest in the franchise or the right to receive 5% or more of the operating profits of the Restaurant. The Key Operator must have full control over the day-to-day operations of the Restaurant and any other Popeyes Restaurants owned by you located in the same geographic area. The Key Operator must devote his or her full-time and best efforts to supervising the operation of the Restaurant(s) and not engage in any other business or activity that requires substantial management responsibility. The Key Operator must have his or her primary residence within a reasonable driving distance of the Restaurant. The Key Operator must complete all modules of PTP that are applicable to a Key Operator.

Your Restaurant must at all times be under the direct, on-premises supervision of a Popeyes Certified Manager.

You must maintain the required number of Popeyes Certified Managers on your staff, as described in Item 11. If you operate more than one Restaurant, you must also employ a supervisor (who meets the reasonable standards that we set out in the Manual or otherwise in writing) to supervise and coordinate the operation of the Restaurants ("Supervisor"). You must hire another Supervisor upon the opening of your 8th Restaurant and for every additional seven to ten Restaurants that you open. Each Supervisor must complete all modules of PTP that are applicable to a Popeyes Supervisor.

The Key Operator, Supervisor and your other employees may be required to enter into an agreement not to compete with your Restaurant or other Restaurants while employed by you and for two years afterwards, as well as an agreement not to reveal confidential information obtained in the course of their employment with you.

You are solely responsible for all employment decisions and functions for the Restaurant, including, without limitation, those related to hiring, firing, remuneration, compensation, personnel policies, training, benefits, insurance, compliance with wage and hour requirements, recordkeeping, and the supervision and discipline of employees. The people that you hire to work in your Restaurant will be your agents and employees. They are not our agents or employees and we are not a joint employer of those persons.

Following reasonable advance notice from us, from time to time, you will be required to have in-person meetings with our representatives to (among other things) review and discuss the operations and performance of your Restaurants, which meetings will be at such location(s) designated by us (which may include our corporate headquarters in Atlanta, Georgia).

In order to meet our financial standards, we can require any person or entity to sign the Guaranty and Subordination Agreement (Exhibit H) agreeing to guaranty your payment of amounts owed to us.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must use the Restaurant solely for the operation of a Popeyes Restaurant and must keep the Restaurant open and in normal operation for the hours and days as we specify in the Manual or otherwise in writing.

You must meet and maintain the highest applicable health standard and rating. You must operate the Restaurant in strict conformity with the methods, standards and specifications as we prescribe in the Manual or otherwise in writing.

You must offer for sale and sell at the Restaurant all and only those products and services as are expressly authorized by us in the Manual or otherwise in writing. You may offer products and menu items for sale at whatever price you want. You are not bound by any sales price that we may recommend or suggest. We have the right to change the menu items, ingredients, products, materials, supplies and paper goods or the standards and specifications of each and there are no limits on our ability to do so. You must promptly comply with the new requirements. We do not limit the customers to whom you may sell goods or services.

See Item 8 for more specific information on restrictions covering what you may sell.

TABLE II: FREE-STANDING RESTAURANTS

Free-standing Popeyes Restaurants include any type of restaurant other than in-line restaurants, convenience store restaurants, mall restaurants, food court restaurants, and mobile kitchen restaurants. 62 company-operated free-standing Popeyes Restaurants and 1,342 franchised free-standing Popeyes Restaurants were continuously operated during the period December 29, 2014 through December 27, 2015. The notes that follow Table VI in this Item 19 are an integral part of Table VI

NOTES TO TABLES I THROUGH VII

1. Sales volumes vary considerably due to a variety of factors, such as demographics of the restaurant trade area, competition from other restaurants in the trade area, traffic flow, accessibility and visibility, economic conditions in the restaurant trade area, advertising and promotional activities, and the business abilities and efforts of the management of the restaurant.

2. For franchised Restaurants, the sources of the sales results shown in table I through table VI are from royalty reports, while the sources of the sales, operating expenses and profits in table VII are from restaurant-level income statements submitted by franchisees. We have not audited the royalty or income statement reports submitted by franchisees. For company-operated Restaurants, the sources of the sales, operating expenses and profits are from our accounting systems. These systems collect information from point of sale equipment, personnel systems and the accounting staff processes that information to produce financial statements. Our consolidated financial statements are audited but restaurant-level income statements are not.

3. The sales, costs and profits figures presented are for specific franchised and company-operated Popeyes Restaurants and should not be considered as the actual or potential sales, expenses or profits that will be achieved by any other franchised Restaurant. We do not represent that any franchisee's sales, expenses or profits will be comparable. Actual results vary from Restaurant to Restaurant and we cannot estimate the results of any specific Restaurant. Some Restaurants have achieved these results. Your individual results may differ. There is no assurance your Restaurant will achieve these results. We recommend that you make your own independent investigation to determine whether or not the franchise may be profitable (including determining the costs and expenses you will incur while operating the Restaurant), and consult with an attorney and/or other advisors before signing any franchise agreement. Our current and former franchisees identified in Exhibit K may be a source of this information.

4. Food and Paper Costs consist of the total costs of food and beverage items as well as the cost of paper and packaging supplies in each sales range described. With respect to the company-operated Restaurants, food and beverage shipping costs and carbonation costs (costs for CO2, tank rentals, repairs and other related costs) were included in Food and Paper Costs, and beverage credits (rebates paid by fountain beverage suppliers based on gallons of syrup purchased) and vendor rebates (amounts paid for collection of used cooking oil) were excluded from the Food and Paper Costs. Not all franchisees used the same reporting method. If a franchisee separately reported shipping and carbonation costs, then we added those costs to the franchisee's Food and Paper Costs. If a franchisee did not separately report beverage credits and vendor rebates, then we were not able to extract these credits from the Food and Paper Costs. Food and Paper Costs may vary depending upon a Restaurant's location, menu, variances in prices, temporary shortages, participation in cooperative or distribution programs and control over costs. Popeyes Restaurants purchase many items used in the operation of the Restaurants under purchasing arrangements and contracts that Supply Management Services, Inc., Popeyes' third party purchasing cooperative, negotiates with suppliers and distributors, which may have permitted the Restaurants to purchase and have those items delivered at a volume discount. To the extent these arrangements are changed or are not available to you, these costs could increase.

5. Labor Costs include the cost for restaurant level hourly and management labor including salaries, workers compensation insurance, workers medical claims, bonuses, FICA, payroll taxes, unemployment insurance, medical benefits, vacation pay, holiday pay, other pay, sick pay, contract labor, fringe benefits and training. Costs related to district managers, area managers, life insurance, maintenance labor and auto expenses are not included in the results. However, if a franchisee did not separately report these costs on their income statements, then these costs could be included in the franchised Restaurant results. Your Labor Costs will be affected by the amount of vacation time and vacation pay that you

provide to your employees, the rate of employee turnover, the local labor market, applicable minimum or "living" wage laws and health or other mandated benefits, and your control over costs. The costs of providing group health insurance for employees and workers' compensation insurance will vary depending on many factors, including the extent and amount of coverage provided, the loss experience of the group, which insurance provider is chosen and potential coverage requirements mandated by governmental regulation. Therefore, you may encounter higher relative costs in obtaining comparable insurance coverage.

6. Restaurant Operating Profits are calculated by subtracting Operating Expenses from Sales. Operating Expenses consist of the following major items: Food and Paper Costs; Labor Costs; Controllable Expenses; Marketing Expenses; and Non-controllable Expenses *excluding any lease expenses for land, building and equipment*. Operating Expenses do not include any non-cash expenses such as depreciation, gains and losses on the sale of assets, impairment or disposal of assets and amortization of business value, franchise fees, or loan fees.

7. Controllable Expenses consist of utility expenses, monthly services, maintenance and repair costs (excluding capitalized building expenses or new equipment), telecommunications expenses, cash over/short and other miscellaneous restaurant supplies needed to operate the Restaurant, as further described below. These expenses may vary depending on where your Restaurant is located and the agreements that you negotiate with your vendors and contractors. Utilities include all energy costs such as electricity, gas, sewer and water costs. Monthly services include all services including trash removal, landscaping, security monitoring, security systems, pest control, cleaning, grease trap services, window cleaning and light replacement. Maintenance and repair costs include all preventive maintenance agreements for store equipment such as replacing filters on HVAC and refrigeration equipment, POS systems, drive-thru equipment, music systems, etc. Maintenance and repair costs also include costs for repairs including parts and labor for equipment and the Restaurant building but exclude any expenses that can be capitalized such as costs for new equipment, building renovations and exterior restorations. Telecommunications expenses include all communication costs such as phone lines, data lines and internet access. Cash over/short includes all shortages and overages in cash due to cashier mishandling of cash, internal theft and robberies. Restaurant supplies and miscellaneous expenses include costs for supplies (including cleaning supplies, restaurant office supplies, postage, printing, dues and subscriptions), uniforms for all store personnel and smallwares (including pots, pans, cleaning equipment other than cleaning solutions and chemicals, baskets and utensils).

8. Marketing Expenses consist of all marketing related costs including contributions to the Ad Fund, local marketing expenses and kid's prizes or toys.

9. Non-controllable Expenses include all royalties paid to us, general liability insurance and any other licenses or taxes. Non-controllable Expenses exclude any lease expenses for land, building and equipment. We have allocated royalties in the amount of 5% of Gross Sales to the Company-operated Restaurants included in Table VII, which is the typical royalty rate charged to our franchisees. General liability insurance includes all insurance costs including general liability, property, business interruption, flood, earthquake and umbrella insurance. General liability insurance does not include workers compensation since we account for this in Labor Costs. Licenses and taxes include any fees or taxes required to operate the Restaurant such as business licenses and ad valorem taxes.

10. Written substantiation for the information appearing in this Financial Performance Representation will be made available to you upon reasonable request.

11. Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make

any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Steven Fricker, Senior Vice President of Development at (404) 459-4546, the Federal Trade Commission, and the appropriate state regulatory agencies.

(**"Franchisor"** or **"Popeyes"**) and _____, a [corporation, limited liability company...], organized under the laws of _____; with its principal place of business at _____ (**"Developer"**).

WITNESSETH:

NOW, THEREFORE, the parties hereto agree as follows:

I. GRANT

1.01. Franchisor hereby grants to Developer during the Development Term (as defined below), subject to the terms and conditions of this Agreement and as long as Developer shall not be in default of this Agreement or any other development, franchise or other agreement between Developer and Franchisor, development rights to obtain franchises to establish and operate ___ Franchised Units, and to use the Popeyes System solely in connection therewith, at specific locations to be designated in separate franchise agreements (**"Franchise Agreements"**), executed as provided in Section 3.01. of this Agreement, and pursuant to the schedule set forth in **Exhibit "A"** to this Agreement (**"Development Schedule"**). Each Franchised Unit developed pursuant to this Agreement shall be located in the area described in **Exhibit "B"** to this Agreement (**"Development Area"**). The term of this Agreement ("**Development Term**") begins on the date of this Agreement and expires on the earlier of: (a) the opening of the last Franchised Unit that Developer is required to develop under this Agreement; or (b) the date that the last Franchised Unit is required to be opened pursuant to the Development Schedule. There is no renewal term for this Agreement.

1.02. Subject to the terms and conditions of this Agreement, Franchisor shall neither establish nor license anyone other than Developer to establish a Franchised Unit in the Development Area until sixty (60) days after the expiration of the Development Term.

1.03. Each Franchised Unit for which a development right is granted hereunder shall be established and operated pursuant to a Franchise Agreement to be entered into between Developer and Franchisor in accordance with Section 3.01. hereof.

1.04. This Agreement is not a Franchise Agreement, and does not grant Developer any right to use Franchisor's Proprietary Marks or the Popeyes System, but merely sets forth the terms and conditions under which Developer will be entitled to obtain a Franchise Agreement.

1.05. Developer shall have no right under this Agreement to license others under the Proprietary Marks or to use the Popeyes System.

1.06. This Agreement does not prohibit Franchisor or its affiliates from: (i) operating or permitting others to operate in the Development Area, during the Development Term, (a) Popeyes Restaurants that are operating as of the date of this Agreement; (b) Popeyes Restaurants that were previously operated and closed as of the date of this Agreement, provided that (i) the premises of such restaurants were most recently operated as a Popeyes Restaurant and

(ii) such restaurants reopen within three (3) years of their respective closing dates; (c) Popeyes Restaurants (including such restaurants described in clauses (a) and (b) above) that are relocated after the date of this Agreement in accordance with Franchisor's then current Relocation Policy and Impact Policy; and (d) Popeyes Restaurants to be operated pursuant to Franchise Agreements already executed at the time of this Agreement; (ii) operating or licensing others to operate, during the Development Term, Popeyes Restaurants in the Development Area that are located in Alternative Venues (as defined below); (iii) operating or licensing others to operate, during the Development Term, Popeyes Restaurants at any location outside the Development Area; (iv) operating or licensing others to operate, during the Development Term, restaurants other than Popeyes Restaurants in the Development Area; and (v) operating or licensing others to operate, after the Development Term terminates or expires, any type of restaurant, including Popeyes Restaurants, at any location whether in or outside the Development Area, subject to any rights granted under any other agreements with Franchisor. Alternative Venues are defined as Popeyes Restaurants operated in any of the following types of locations: (i) transportation facilities (including airports, train stations, bus stations, etc.); (ii) toll road plazas; (iii) educational facilities (including schools, colleges and universities); (iv) institutional feeding facilities (including hospitals, hotels, and corporate cafeterias); (v) government institutions and facilities; (vi) enclosed shopping malls; (vii) military bases; (viii) casinos; (ix) amusement, recreation and theme parks; and (x) stadiums, arenas, and convention centers.

II. DEVELOPMENT FEE

In consideration of the development rights granted herein, Developer shall pay to Franchisor upon execution of this Agreement a non-refundable development fee of _____ Dollars ($_____) which development fee has been fully earned by Franchisor for administrative and other expenses incurred by Franchisor and for the development opportunities lost or deferred as a result of the rights granted Developer herein.

III. DEVELOPMENT SCHEDULE

3.01. Developer shall exercise each development right granted herein only by executing a franchise agreement (**"Franchise Agreement"**) for each Franchised Unit for a site accepted by Franchisor in the Development Area as hereinafter provided. Developer's right to execute such a Franchise Agreement shall be contingent upon Developer's continuous performance of all of the terms and conditions of this Agreement and any other development, franchise or other agreements between Developer and Franchisor. The Franchise Agreement for each Franchised Unit developed pursuant to this Agreement shall be in the form of Franchisor's then current Franchise Agreement; provided, however: (i) the recurring, non-refundable royalty fee payable pursuant to the Franchise Agreement shall be five percent (5%) of Gross Sales (as defined in Franchisor's current form of Franchise Agreement included in Franchisor's Disclosure Document issued March 24, 2016, as amended September 30, 2016), and (ii) to the extent the terms of Franchisor's then current Franchise Agreement are inconsistent with this Agreement, this Agreement shall control.

3.02. Recognizing that time is of the essence in this Agreement, Developer agrees to exercise the development rights granted hereunder in the manner specified in Section IV hereof

and to satisfy the Development Schedule. Failure by Developer to adhere to the Development Schedule shall constitute a default under this Agreement, as provided in Section 5.03. hereof.

3.03. In addition to the development fee required by Section II hereof, Developer shall pay an initial franchise fee for each Franchised Unit developed hereunder in the amount of Twenty-Two Thousand Five Thousand Dollars ($22,500) prior to the commencement of construction for each such Franchised Unit, all of which amount shall be non-refundable and fully earned by Franchisor upon payment by the Developer for the Franchised Unit.

3.04. Franchisor reserves the right, in its sole discretion, to grant Developer one or more extensions to the Development Schedule (a **"Development Schedule Extension"**) provided, however, Developer shall be required to pay Franchisor a fee (the **"Development Schedule Extension Fee"**) in an amount not to exceed Five Thousand Dollars ($5,000) for each Development Schedule Extension of twelve (12) months duration or less. Notwithstanding the foregoing, Franchisor reserves the right to waive or reduce the Development Schedule Extension Fee, in its sole discretion, upon a showing, by Developer, to Franchisor's satisfaction, that: (i) Developer has used its best efforts to comply with the Development Schedule; and (ii) Developer has been unable to comply with the Development Schedule as a result of conditions or events beyond Developer's control. Nothing herein shall be deemed to require Franchisor to grant Developer a Development Schedule Extension at any time. Furthermore, the grant of one Development Schedule Extension to Developer shall not be deemed approval of any further Development Schedule Extensions.

IV. FRANCHISED UNIT OPENINGS

4.01. Developer shall submit a complete site acceptance request package for each Franchised Unit for review by Franchisor, together with such site information as required by Franchisor to evaluate the proposed site. Franchisor shall, provided there exists no default by Developer under this Agreement or any other development, franchise or other agreement between Developer and Franchisor, evaluate each site proposed for which Developer has provided all necessary evaluation information, and shall promptly, but not more than forty-five (45) days after receipt of Developer's complete site acceptance request package, send to Developer written notice of acceptance or non-acceptance of the site; provided, that, Developer acknowledges and agrees that the foregoing shall be subject to the requirements of Franchisor's impact policy standards, and in the event an impact study analysis is requested under such policy, such notice of acceptance or non-acceptance may be delayed by thirty (30) to forty-five (45) additional days. Developer's receipt of Franchisor's written notice of acceptance only shall serve to constitute acceptance of a site. Developer agrees that Franchisor may refuse to accept a site for a proposed Franchised Unit for any reason, in Franchisor's sole judgment applying standards consistent with criteria Franchisor uses to approve sites in other comparable market areas, including Developer's failure to demonstrate sufficient financial capabilities to properly develop, operate and maintain the proposed Franchised Unit. To this end, Developer shall furnish Franchisor with such financial statements and other information regarding Developer and the development and operation of the proposed Franchised Unit, including investment and financing plans for the proposed Franchised Unit, as Franchisor reasonably may require. Site acceptance does not assure that a Franchise Agreement will be executed. Franchisor's acceptance of one or

more sites is not a representation or a promise by Franchisor that a Franchised Unit at the accepted site will achieve a certain sales volume or a certain level of profitability. Similarly, Franchisor's acceptance of one or more sites and its refusal to accept other sites is not a representation or a promise that an accepted site will have a higher sales volume or be more profitable than a site which Franchisor did not accept. Franchisor assumes no liability or responsibility for: (i) evaluation of an accepted site's soil for hazardous substances; (ii) inspection of any structure on the accepted site for asbestos or other toxic or hazardous materials; (iii) compliance with the Americans With Disabilities Act (**"ADA"**); or (iv) compliance with any other applicable law. It is Developer's sole responsibility to obtain satisfactory evidence and/or assurances that the accepted site (and any structures thereon) is free from environmental contamination and in compliance with the requirements of the ADA.

4.02. With respect to each Franchised Unit to be developed hereunder, Franchisor shall conduct one site visit for up to two (2) proposed sites, at no cost to Developer. If Developer has not received a site acceptance after the second site visit, Developer shall pay Franchisor One Thousand Five Hundred Dollars ($1,500) for each additional site visit until such time as a site is approved by Franchisor.

4.03. Within ninety (90) days after notice of Franchisor's site acceptance, Developer shall:

A. Submit, in writing to Franchisor, satisfactory proof to Franchisor that Developer:

1. owns the accepted site at which the Franchised Unit is to be developed and operated (the **"Franchised Location"**);

2. has leased the Franchised Location for a term which, with renewal options, is not less than the initial term of the Franchise Agreement; or

3. has entered into a written agreement to purchase or to lease the Franchised Location on terms provided herein, subject only to obtaining necessary governmental permits. The proof required by this Section includes submission of executed copies of all leases and deeds, as well as all governmental approvals if effectiveness of the leases or deeds is conditioned thereon.

If Developer proposes to lease or sublease the Franchised Location, the lease or sublease shall not contain any covenants, use clauses or other obligations that would prevent Developer from performing its obligations under this Agreement. Any lease, sublease, letter of intent or lease memorandum for the Franchised Location shall contain an addendum in the form attached hereto as **Exhibit "C"**. The addendum includes provisions providing certain rights to Franchisor, including among other things: (i) certain assignment rights related to Franchisor and other Popeyes franchisees; (ii) Franchisor rights upon uncured defaults of the lease/sublease; and (iii) de-identification rights upon expiration and/or termination of the lease/sublease. Additionally, any lease, sublease, letter of intent or lease memorandum for the Franchised Location shall contain

provisions that satisfy the following requirements during the entire term of the lease/sublease, including any renewal terms:

a. The landlord consents to Developer's use of the proprietary signs, distinctive designs and layouts of the Popeyes System, the Proprietary Marks, and upon expiration or the earlier termination of the lease, consents to permit Developer, at Developer's expense, to remove all such items and other trade fixtures, so long as Developer makes repairs to the building caused by such removal.

b. The landlord agrees that Developer shall be solely responsible for all obligations, debts and payments under the lease.

c. The landlord agrees not to amend or otherwise modify the lease in any manner that would affect any of the foregoing requirements, including the lease addendum, without the prior written consent of Franchisor, which consent shall not be unreasonably withheld.

B. Submit to Franchisor, and obtain Franchisor's written approval of, the final and complete plans and specifications for the construction (whether in connection with new construction, renovation, or otherwise) and decoration of the Franchised Unit, which must be in conformity with Franchisor's standards and specifications for Franchised Units, as set out in the plans and specifications made available to Developer as described below, the Manual (as defined in the Franchise Agreement) or otherwise in writing (the **"Construction Plans"**). Franchisor will make available to Developer standard plans and specifications to be utilized only in the development of Developer's Construction Plans for the Franchised Unit. Developer may not modify or deviate from such standard plans and specifications or Developer's approved equipment plan (including any modifications or deviations that may be required by local or state laws, regulations or ordinances) without Franchisor's prior written consent.

1. The final Construction Plans for new, freestanding construction shall include survey, site plan and details, utility plan and details, paving and grading plan and details, storm drainage plan and details, site lighting plan, landscape and irrigation plans, foundation plan and details and other documents required by local regulation as well as a complete set of the standard plans site-adapted and sealed by Developer's architect at Developer's cost to meet local regulation.

2. The final Construction Plans for conversions or completion of existing buildings must include a site plan with dimensioned drive-thru details, dimensioned floor plan, reflected ceiling plan, material and fixture schedules, equipment plan and schedule, dimensioned exterior elevations and details, exterior finish schedule, dimensioned interior elevations and details, interior finish schedule, core drill plan, kitchen equipment elevations including utility rough-in dimensions, dimensioned plumbing and electrical plans and fixture

schedules, low-voltage schematic plans and elevations, electrical panel schedule, mechanical plan, hood details including fire suppression system, HVAC equipment schedule (existing or new), and any other documents required by local regulation.

3. All Construction Plans shall be submitted by Developer to Franchisor in PDF and AutoCAD format at the same time the construction documents are submitted for permit review. For each Franchised Unit to be developed hereunder, Franchisor shall provide Developer up to two (2) equipment layout drawings for an accepted site in the most recent version of AutoCAD within ten (10) business days after receipt of Developer's existing conditions plan for such site in AutoCAD (or, alternatively, if such site is vacant with no structures or improvements, an AutoCAD survey of such site).

4. Developer assumes all cost, liability and expense for developing, constructing and equipping the Franchised Units. It shall be Developer's responsibility to have prepared Construction Plans to suit the shape and dimensions of the Franchised Location and Developer shall ensure that the Construction Plans comply with applicable ordinances, ADA requirements, building codes and permit requirements and with lease requirements and restrictions. Developer shall obtain and use only registered architects, registered engineers, and professional and licensed contractors who demonstrate to Franchisor's reasonable satisfaction the ability to meet Franchisor's reasonable quality standards (as determined by Franchisor in its reasonable discretion), in each case, to prepare the Construction Plans (including surveys and site and foundation plans), to adapt the Construction Plans to applicable local or state laws, regulations or ordinances, and to construct the Franchised Unit. Developer shall bear all costs and expenses incurred in connection with the preparation of all Construction Plans (including the costs and expenses incurred for any plans containing deviations or modifications from Franchisor's standard plans and specifications), and Franchisor assumes no liability for the adequacy of any Construction Plan.

5. The Franchised Unit may not open if construction has not been performed in substantial compliance with Developer's approved Construction Plans. This Agreement may be terminated if such non-compliance is not cured within a commercially reasonable amount of time.

C. Execute the Franchise Agreement, if one has not already been executed, and pay all fees required thereunder. Franchisor shall not approve the final construction plans until the Franchise Agreement is executed and all fees are paid by Developer. Unless Developer is a publicly-held entity, all of Developer's officers, directors and all holders of a legal or beneficial interest in Developer of ten percent (10%) or more (**"Owners"**) shall jointly and severally guarantee Developer's payment and performance under this Agreement and also shall bind themselves to the terms of this Agreement pursuant to a Guaranty and Subordination, in a form acceptable to Franchisor. Franchisor

reserves the right, in its sole discretion, from time to time upon consideration of certain circumstances presented by Developer such as for family estate planning purposes, to waive the requirement that some or all of the previously described individuals execute the Guaranty and Subordination. Franchisor reserves the right to require any guarantor to provide personal financial statements to Franchisor from time to time.

4.04. Developer shall procure the insurance coverage provided for in Section XI of the Franchise Agreement, prior to commencement of construction of a Franchised Unit, and shall maintain such insurance coverage throughout the term of the Franchise Agreement.

4.05. Developer shall (i) commence construction or renovation of each Franchised Unit on the earlier to occur of (a) ninety (90) days after Franchisor approves Developer's Construction Plans, or (b) fifteen (15) days after issuance of all requisite construction permits (provided that Franchisor's approval of Developer's Construction Plans has been obtained) and (ii) promptly notify Franchisor of each construction commencement date. Developer shall at all times, use its best efforts to obtain all necessary construction permits in order to avoid delays in the commencement of construction or renovation of the Franchised Units. In the construction of each Franchised Unit, Developer shall only use general contractors and architects duly licensed by the jurisdiction in which the Franchised Unit is to be constructed or renovated and which have been approved, in writing, by Franchisor. If commencement of construction or renovation is delayed by a cause beyond the reasonable control of Developer, the date upon which commencement of construction or renovation is to begin may be extended by obtaining written approval of Franchisor.

4.06. During construction of each Franchised Unit, Developer may request that Franchisor conduct site visits, provided, however, if a Franchised Unit has been under construction for 101 days or more, Developer shall pay to Franchisor a construction site visit fee in the amount of One Thousand Five Hundred Dollars ($1,500) for each construction site visit requested by Developer.

4.07. Developer shall have completed construction or renovation and commenced operation of the Franchised Unit within three hundred sixty (360) days from execution of the Franchise Agreement. Franchisor may, in its sole discretion, extend this period to address unforeseen construction delays, not within the control of Developer. Nothing herein shall be deemed to relieve Developer of the obligation of complying with the Development Schedule.

4.08. At least forty-five (45) days prior to the proposed commencement of operation of each Franchised Unit, Developer shall notify Franchisor in writing of such proposed opening. Upon receipt of such notice, Franchisor shall provide a representative to be present at the opening of the first Franchised Unit. The first Franchised Unit shall not be opened unless such representative is present. Thereafter, each Franchised Unit shall not open until Developer has received Franchisor's prior written approval to open. Should commencement of operation of the First Franchised Unit be delayed by the failure of Franchisor to provide such a representative, the date upon which commencement of operation of such Franchised Unit is required pursuant to **Exhibit "A"** of this Agreement, shall be extended until such time as such assistance is provided by Franchisor. Should Developer reschedule the opening date of Developer's first Franchised

Unit less than thirty (30) days prior to the date scheduled with Franchisor, Developer shall reimburse Franchisor for any out-of-pocket expenses incurred by Franchisor in connection with the reschedule, unless such delay was caused solely by Franchisor or as otherwise agreed to by Franchisor in writing.

V. DEFAULT AND TERMINATION

5.01. The rights granted to Developer in this Agreement have been granted based upon Developer's representations and assurances, among others, that the conditions set forth in Sections III and IV of this Agreement will be met by Developer in a timely manner.

5.02. Developer shall be deemed to be in default under this Agreement, and all rights granted herein shall automatically terminate without notice to Developer, if Developer shall become insolvent or make a general assignment for the benefit of creditors; if a petition in bankruptcy is filed by Developer or such a petition is filed against Developer and not opposed by Developer; or if Developer is adjudicated bankrupt or insolvent; or if a receiver or other custodian (permanent or temporary) of Developer's assets or property, or any part thereof, is appointed by any court of competent jurisdiction; or if proceedings for a composition with creditors under the applicable law of any jurisdiction should be instituted by or against Developer; or if a final judgment remains unsatisfied or of record for thirty (30) days or longer (unless a supersedeas bond is filed); or if Developer is dissolved; or if execution is levied against Developer's property or business; or if suit to foreclose any lien or mortgage against the premises or equipment of any Franchised Unit developed hereunder is instituted against Developer and not dismissed within thirty (30) days; or if the real or personal property of any Franchised Unit developed hereunder shall be sold after levy thereupon by any sheriff, marshal, or constable.

5.03. If Developer fails to comply with the Development Schedule or any other material term of this Agreement, or fails to obtain Franchisor's acceptance of a site or approval of construction plans and specifications prior to commencement of construction, or fails to comply with any material term or condition of any Franchise Agreement covering a Franchised Unit established hereunder, or any other agreement between Developer or any affiliate of Developer and Franchisor or any affiliate of Franchisor, such action shall constitute a default under this Agreement. Upon such default, Franchisor, in its discretion, may, effective immediately upon the mailing of written notice by Franchisor to Developer, do any one or more of the following:

A. Terminate this Agreement and all rights granted hereunder without affording Developer any opportunity to cure the default;

B. Reduce the number of Franchised Units which Developer may establish pursuant to Section 1.01. of this Agreement;

C. Terminate the territorial exclusivity granted Developer in Section 1.01. hereof or reduce the area of territorial exclusivity granted Developer hereunder;

D. Withhold evaluation or approval of site proposal packages and refuse to permit the opening of any Franchised Unit then under construction or otherwise not ready to commence operations; or

E. Accelerate the Development Schedule set forth in **Exhibit "A"** hereto.

In addition to the foregoing, Franchisor shall be entitled to pursue any other remedies available hereunder or at law or in equity.

5.04. Upon termination of this Agreement, Developer shall have no right to establish or operate any Franchised Unit for which a Franchise Agreement has not been executed by Franchisor and delivered to Developer at the time of termination; and Franchisor shall be entitled to establish, and to license others to establish, Franchised Units in the Development Area, except as may be provided under any other agreement which is then in effect between Franchisor and Developer. For the avoidance of doubt, the 60-day period of limited exclusivity following the expiration of the Development Term referenced above in Section 1.02. shall also terminate and no longer be in force or effect.

5.05. A default in the Development Schedule under this Agreement shall not constitute a default under any existing Franchise Agreement between the parties hereto.

VI. TRANSFERABILITY OF INTEREST

6.01. Transfer by Franchisor. This Agreement shall inure to the benefit of the successors and assigns of Franchisor. Franchisor shall have the right to transfer or assign its interest in this Agreement to any person, persons, partnership, association, corporation or other entity. If Franchisor's assignee assumes all of the obligations of Franchisor hereunder and sends Developer written notice of the assignment so attesting, Developer agrees promptly to execute a general release of Franchisor, and any affiliates of Franchisor, from claims or liabilities of Franchisor under this Agreement.

6.02. Transfer by Developer. Developer understands and acknowledges that the rights and duties set forth in this Agreement are personal to Developer, and that Franchisor has granted this Agreement in reliance on Developer's business skill and financial capacity. Accordingly, neither (i) Developer, nor (ii) any immediate or remote successor to Developer, nor (iii) any individual, partnership, corporation or other legal entity which directly or indirectly owns any interest in Developer or in this Agreement, shall sell, assign, transfer, convey, donate, pledge, mortgage, or otherwise encumber any direct or indirect interest in this Agreement or in Developer without the prior written consent of Franchisor. Any purported assignment or transfer, by operation of law or otherwise, not having the written consent of Franchisor, shall be null and void, and shall constitute a material breach of this Agreement, for which Franchisor may then terminate without opportunity to cure pursuant to Section 5.03. of this Agreement. Developer understands and acknowledges that individual development rights to obtain franchises to establish and operate Franchised Units may not be transferred except in connection with an

approved transfer of this Agreement, together with all remaining development options due to be developed under this Agreement, in accordance with the conditions set forth herein.

6.03. Conditions for Consent. Franchisor shall not unreasonably withhold its consent to any transfer referred to in Section 6.02 when requested; provided that:

A. Developer shall not be in default of the Development Schedule;

B. The transfer must be in conjunction with a simultaneous transfer to the same transferee of all Franchised Units operated by Developer under the Popeyes System within the same designated market areas, as defined by Nielsen Media Research, Inc., as the remaining development options;

C. All of Developer's accrued monetary obligations to Franchisor and its subsidiaries and affiliates shall have been satisfied;

D. Developer shall have agreed to remain obligated under the covenants contained in Sections VII and VIII hereof as if this Agreement had been terminated on the date of the transfer;

E. The transferee must be of good moral character and reputation, in the reasonable judgment of Franchisor;

F. Franchisor shall have determined to its satisfaction that the transferee's qualifications meet Franchisor's then-current criteria for new developers;

G. Developer and the transferee shall execute a written Transfer and Release Agreement, in a form satisfactory to Franchisor, pursuant to which the transferee shall assume all of the obligations of Developer under this Agreement, and Developer shall unconditionally release any and all claims Developer might have against Franchisor as of the date of the assignment;

H. The transferee shall execute the then-current form of development agreement and such other then-current ancillary agreements as Franchisor may reasonably require. The then-current form of development agreement may have significantly different provisions; provided, however, that **Exhibits "A"** and **"B"** hereto shall be **Exhibits "A"** and **"B"** to such development agreement;

I. If the transferee is a partnership, the partnership agreement shall provide that further assignments or transfers of any interest in the partnership are subject to all restrictions imposed upon assignments and transfers in this Agreement;

J. Developer shall, at Franchisor's option and request, execute a written guaranty of the transferee's obligations under the Agreement, which guaranty shall not exceed a period of three (3) years from the date of transfer; and

K. Developer shall have paid to Franchisor a transfer fee of Seven Thousand Five Hundred Dollars ($7,500), to cover Franchisor's administrative expenses in connection with the transfer; however, no development fees shall be charged by Franchisor for a transfer. If the transferee is a corporation or other business entity formed by Developer for the convenience of ownership and Developer is the sole shareholder or member of such business entity, no transfer fee shall be required. A portion of the transfer fee in the amount of One Thousand Dollars ($1,000) (the "Transfer Fee Deposit") is payable upon Developer's submission of its initial transfer application to Franchisor. The Transfer Fee Deposit is non-refundable in the event that the proposed transfer does not occur in accordance with the terms of approved transfer application. If the proposed transfer occurs in accordance with the terms of the approved transfer application, the Transfer Fee Deposit will be applied to the total transfer fee due at the time of the closing of the transfer.

6.04. Grant of Security Interest. Developer shall grant no security interest in this Agreement unless the secured party agrees that, in the event of any default by Developer under any documents related to the security interest: (i) Franchisor shall be provided with notice of default and be given a reasonable time within which to cure said default; (ii) Franchisor shall have the right and option to be substituted as obligor to the secured party and to cure any default of Developer or to purchase the rights of the secured party upon payment of all sums then due to such secured party, except such amounts which may have become due as a result of any acceleration of the payment dates based upon Developer's default; and (iii) the secured party shall agree to such other requirements as Franchisor, in its sole discretion, deems reasonable and necessary to protect the integrity of the Proprietary Marks and the Popeyes System. Notwithstanding this paragraph 6.04, in no event shall any secured party be entitled to (i) develop or assign Developer's rights to develop Franchised Units Marks or (ii) use, assign, possess or have access to any trade secrets or confidential information of Franchisor.

6.05. Transfer on Death or Mental Incapacity. Upon the death or mental incapacity of any person with an interest in this Agreement or in Developer, the executor, administrator, or personal representative of such person shall transfer his or her interest to a third party approved by Franchisor within twelve (12) months after such death or mental incapacity. Such transfer, including transfer by devise or inheritance, shall be subject to the same conditions as any inter vivos transfer. However, in the case of transfer by devise or inheritance, if the heirs or beneficiaries of any such person are unable to meet the conditions in this Section VI, the personal representative of the deceased shall have a reasonable time, but in no event more than eighteen (18) months from the deceased's death, to dispose of the deceased's interest in this Agreement and the business conducted pursuant hereto, which disposition shall be subject to all the terms and conditions for assignments and transfers contained in this Agreement. If the interest is not disposed of within twelve (12) or eighteen (18) months, whichever is applicable, Franchisor may terminate this Agreement.

6.06. Right of First Refusal. Any party holding any interest in this Agreement or in Developer, and who desires to accept any bona fide offer from a third party to purchase such interest, shall notify Franchisor in writing of such offer within ten (10) days of receipt of such offer, and shall provide such information and documentation relating to the offer as Franchisor

may require. Franchisor shall have the right and option, exercisable within thirty (30) days after receipt of such written notification, to send written notice to the seller that Franchisor intends to purchase the seller's interest on the same terms and conditions offered by the third party. In the event that Franchisor elects to purchase the seller's interest, closing on such purchase must occur within sixty (60) days from the date of notice to the seller of the election to purchase by Franchisor. Any material change in the terms of any offer prior to closing shall constitute a new offer subject to the same rights of first refusal by Franchisor as in the case of an initial offer. Failure of Franchisor to exercise the option afforded by this Section 6.06. shall not constitute a waiver of any other provisions of this Agreement, including all of the requirements of this Section VI, with respect to a proposed transfer. In the event the consideration, terms, and/or conditions offered by a third party are such that Franchisor may not reasonably be required to furnish the same consideration, terms, and/or conditions, then Franchisor may purchase the interest in this Agreement, Developer, or Developer's business proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree within a reasonable time as to the reasonable equivalent in cash of the consideration, terms, and/or conditions offered by the third party, an independent appraiser shall be designated by Franchisor, and his or her determination shall be binding upon the parties.

6.07. Offerings by Developer. Securities or partnership interests in Developer may be offered to the public, by private offering or otherwise, only with the prior written consent of Franchisor, which consent shall not be unreasonably withheld. All materials required for such offering by federal or state law shall be submitted to Franchisor for review prior to their being filed with any governmental agency; and any materials to be used in any exempt offering shall be submitted to Franchisor for review prior to their use. No offering of such securities shall imply (by use of the Proprietary Marks or otherwise) that Franchisor is participating in the underwriting, issuance, or offering of securities by Developer or Franchisor; and Franchisor's review of any offering shall be limited solely to the subject of the relationship between Developer and Franchisor. Developer and the other participants in the offering must fully indemnify Franchisor in connection with the offering. For each proposed offering, Developer shall pay to Franchisor a non-refundable fee of Five Thousand Dollars ($5,000), or such greater amount as is necessary to reimburse Franchisor for its reasonable costs and expenses associated with reviewing the proposed offering, including legal and accounting fees. Developer shall give Franchisor written notice at least thirty (30) days prior to the date of commencement any offering or other transaction covered by this Section 6.07.

VII. CONFIDENTIAL INFORMATION

7.01. Developer shall not, during the Development Term or thereafter, communicate, divulge, or use for the benefit of any other person, persons, partnership, association, corporation or other entity any confidential information, knowledge, or know-how concerning the construction and methods of operation of any Franchised Unit which may be communicated to Developer, or of which Developer may be apprised, by virtue of Developer's operation under the terms of this Agreement. Developer shall divulge such confidential information only to: (i) such employees of Developer as must have access to it in order to exercise the development rights granted hereunder and to establish and operate the Franchised Units pursuant to the Franchise Agreement; (ii) Developer's attorneys and certified public accountants on an as needed basis for

legitimate business purposes of the Developer; and (iii) as Developer may be required by law, provided, Developer shall give Franchisor prior written notice of any such required disclosure immediately upon receipt of notice by Developer in order for Franchisor to have the opportunity to seek a protective order or take such other actions as it deems appropriate under the circumstances.

7.02. Any and all information, knowledge, and know-how, including drawings, materials, equipment, recipes, prepared mixtures or blends of spices or other food products, and other data, which Franchisor designates as confidential, either specifically in writings of any kind, course of conduct, or which otherwise derives economic value, actual or potential, from not being generally known, and not ascertainable by proper means and in the subject of reasonable efforts, under the circumstances, to maintain secrecy, and any information, knowledge, or know-how which may be derived by analysis thereof, shall be deemed confidential for purposes of this Agreement, except information which Developer can demonstrate came to Developer's attention prior to disclosure thereof by Franchisor or which, at the time of disclosure thereof by Franchisor to Developer, had become a part of the public domain, through publication or communication by others or which, after disclosure to Developer by Franchisor, becomes a part of the public domain, through publication or communication by others.

7.03. At Franchisor's request, Developer shall require all managers and assistant managers of a Franchised Unit, any other personnel employed by Developer who have received or will receive training from Franchisor, and all officers, directors, and holders of a direct or indirect legal or beneficial ownership interest of ten percent (10%) or more in Developer, in each case, to execute a confidentiality agreement containing confidentiality obligations similar to those set forth in Section VII of this Agreement (including a prohibition against communicating, divulging or using for the benefit of any person, persons, partnership, association, corporation, or any other entity, any confidential information, knowledge, or know-how concerning the methods of operation of the Franchised Units). A duplicate original of each such agreement shall be provided to Franchisor upon execution. Every confidentiality agreement required by this Section 7.03. shall be in a form satisfactory to Franchisor, including specific identification of Franchisor as a third-party beneficiary of such confidentiality obligations with the independent right to enforce them. Failure by Developer to obtain execution of such a confidentiality agreement required by this Section 7.03. shall constitute a material breach of this Agreement.

7.04. Franchisor may, prior to the execution of a Franchise Agreement, provide to Developer access to Franchisor's confidential and proprietary Manual (as defined in the Franchise Agreement), which contains the operating standards, training standards, specifications, procedures and techniques prescribed by Franchisor from time to time. Otherwise, the Manual shall be made available to Developer as provided in the Franchise Agreement. The Manual shall at all times remain the sole property of Franchisor.

A. Developer shall at all times treat the Manual, and the information contained therein, as confidential, and shall use all reasonable efforts to keep such information secret and confidential. Developer shall not, at any time, without Franchisor's prior written consent, copy, duplicate, record, or otherwise make the Manual available to any unauthorized person or entity.

B. In order for Developer to benefit from new knowledge, information, methods and technology adopted and used by Franchisor in the operation of the System, Franchisor may from time to time revise the Manual by bulletin, videotape, electronic mail or by other written or electronic communication, including the internet. Developer shall review, understand, adhere to and abide by all such revisions. Developer acknowledges and agrees that (a) Franchisor retains the right to modify, add to, or rescind any requirement, standard, or specification set forth in the Manual in order to adapt the Popeyes System to changing conditions, competitive circumstances, business strategies, business practices, and technological innovations and other changes that Franchisor deems appropriate in its business judgment, and (b) Developer shall comply with such modifications, additions, or rescissions. Notwithstanding the foregoing, no new requirement, standard or specification set forth in the Manual or otherwise, may act as a unilateral amendment to any express term, condition, or provision of this Agreement.

C. If Developer desires to print a physical copy of the Manual (subject to Franchisor's prior written consent, as provided above), Developer agrees at all times to keep such copy current and up-to-date, and in the event of any dispute as to the contents of such copy, the terms of the Manual maintained by Franchisor shall be controlling.

D. The Manual is intended to further the purposes of this Agreement, and is specifically incorporated, by reference, into this Agreement. Except as otherwise set forth in this Agreement, in the event of a conflict between the terms of this Agreement and the terms of the Manual, the terms of this Agreement shall control. Developer acknowledges and agrees that any required standards set forth in this Agreement and the Manual exist to protect Franchisor's interests in the Popeyes System and the Proprietary Marks and not for the purpose of establishing any control or duty to take control over those matters that are reserved to Developer (including the day-to-day operation of the Franchised Units and the conduct and management of Developer's employees).

VIII. COVENANTS

8.01. Developer specifically acknowledges that, pursuant to this Agreement, Developer will receive valuable specialized training and confidential information, including information regarding the operational, sales, promotional, and marketing methods, procedures and techniques of Franchisor and the System. Developer covenants that, during the Development Term, Developer (who, unless otherwise specified, shall include for purposes of this Section VIII, collectively and individually, all officers, directors and holders of a legal or beneficial interest of ten percent (10%) or more of the securities with voting rights of Developer, and of any corporation directly or indirectly controlling Developer, if Developer is a corporation, and the general partners and any limited partners, including any corporation and the officers, directors and holders of legal or beneficial interests of ten percent (10%) or more of the securities with voting rights, of a corporation which controls, directly or indirectly, any general or limited partner, if Developer is a partnership) shall not, either directly or indirectly, for Developer or through or on behalf of, or in conjunction with, any person, persons, partnership, association, corporation or other entity:

A. Divert or attempt to divert any business or customer of the business franchised hereunder to any competitor by direct or indirect inducements or otherwise, or to do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with Franchisor's Proprietary Marks and the System;

B. Solicit for employment any person who is, at that time, employed by Franchisor or by any other Popeyes franchisee, or otherwise, directly or indirectly, induce such person to leave his or her employment therewith, provided, that, the foregoing covenant shall not restrict or prohibit Developer from (i) making generalized searches for employees (by use of advertisements in print, electronic or social media, the engagement of search firms or otherwise), (ii) continuing its ordinary course hiring practices that are not targeted specifically or directly at employees of Franchisor or any other Popeyes franchisee, or (iii) hiring an employee of Franchisor or any other Popeyes franchisee who first initiates an employment discussion with Developer, so long as neither Developer nor any of its affiliates have not violated the foregoing covenant regarding solicitation and inducement ((i) through (iii) are hereinafter referred to as the "**Non-Solicitation Exceptions**"). For each instance in which Developer or any affiliate of Developer hires a manager or assistant manager, or other person who (A) has completed (or is scheduled to complete) the Popeyes Training Program for his or her applicable management role at the applicable Popeyes Restaurant, and (B) was employed by another Popeyes franchisee in the same or a contiguous designated market area for not less than the immediately preceding twelve (12) months, then Developer shall promptly pay such other Popeyes franchisee the sum of $5,000, whether or not such hiring violated the foregoing covenant regarding solicitation and inducement. If and to the extent such hiring violated the foregoing covenant, nothing contained herein (including Developer's payment of the foregoing $5,000 sum) shall constitute a waiver by Franchisor of any rights or remedies against Developer; or

C. Own, maintain, operate, engage in, or have any interest in any quick service (either takeout, on premises consumption, or a combination thereof) restaurant that specializes in the sale of chicken (**"Disqualifying Restaurant"**); provided, however, that the term "Disqualifying Restaurant" shall not apply to any business operated by Developer under a franchise agreement with Franchisor or an affiliate of Franchisor.

8.02. Developer covenants that, except as otherwise approved in writing by Franchisor, Developer shall not, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, persons, partnership, association, corporation or other entity:

A. For a period of two (2) years following expiration or termination of this Agreement, regardless of the cause for termination, own, maintain, engage in, or have an interest in any Disqualifying Restaurant which is located within the Development Area or within ten (10) miles of the Development Area; or

B. Subject to the Non-Solicitation Exceptions set forth in Section 8.01. B., for a period of one (1) year following the termination or expiration of this Agreement, employ or seek to employ any person who is, at the time, employed by Franchisor or by

any other Popeyes franchisee, or otherwise, directly or indirectly, induce such person to leave his or her employment therewith.

8.03. At Franchisor's request, Developer shall require and obtain execution of covenants similar to those set forth in this Section VIII (including covenants applicable upon the termination of a person's relationship with Developer) from all managers and assistant managers of a Franchised Unit, any other personnel employed by Developer who have received or will receive training from Franchisor, and all officers, directors, and holders of a direct or indirect legal or beneficial ownership interest of ten percent (10%) or more in Developer. Every covenant required by this Section 8.03. shall be in a form satisfactory to Franchisor, including specific identification of Franchisor as a third-party beneficiary of such covenants with the independent right to enforce them. Failure by Developer to obtain execution of a covenant required by this Section 8.03. shall constitute a material breach of this Agreement. A duplicate original of each such covenant shall be provided by Developer to Franchisor immediately upon execution.

8.04. The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section VIII, is held unreasonable or unenforceable by a court or agency having jurisdiction in a final decision, Developer expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant was separately stated in and made a part of this Section VIII.

A. Right to Reduce Covenants. Developer understands and acknowledges that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Sections 8.01. and 8.02. of this Agreement, or any portion thereof, without Developer's consent, effective immediately upon receipt by Developer of written notice thereof, and Developer agrees that it shall comply with any covenant as so modified, which shall be fully enforceable notwithstanding the provisions of this Section VIII hereof.

B. Injunctive Relief. The parties acknowledge that it will be difficult to ascertain with any degree of certainty the amount of damages resulting from a breach by of any of the covenants contained in this Section VIII. It is further agreed and acknowledged that any violation by Developer of any of said covenants will cause irreparable harm to Franchisor. Accordingly, Developer agrees that upon proof of the existence of a violation of any of said covenants, Franchisor will be entitled to injunctive relief against Developer in any court of competent jurisdiction having authority to grant such relief, together with all costs and reasonable attorneys' fees incurred by Franchisor in bringing such action.

IX. NOTICES

Any and all notices required or permitted under this Agreement shall be in writing and shall be personally delivered, sent by registered mail, or by other means which will provide

evidence of the date received to the respective parties at the following addresses unless and until a different address has been designated by written notice to the other party:

Attention:_____

All written notices and reports permitted or required to be delivered by the provisions of this Agreement shall be addressed to the party to be notified at its most current principal business address of which the notifying party has been notified and shall be deemed so delivered (i) at the time delivered by hand; or (ii) if sent by registered or certified mail or by other means which affords the sender evidence of delivery, on the date and time of receipt or attempted delivery if delivery has been refused or rendered impossible by the party being notified.

X. NON-WAIVER

No failure of Franchisor to exercise any power reserved to it in this Agreement, or to insist upon compliance by Developer with any obligation or condition in this Agreement, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of Franchisor's right to demand exact compliance with the terms of this Agreement. Waiver by Franchisor of any particular default shall not affect or impair Franchisor's right with respect to any subsequent default of the same or of a different nature, nor shall any delay, forbearance, or omission of Franchisor to exercise any power or rights arising out of any breach or default by Developer of any of the terms, provisions, or covenants of this Agreement, affect or impair Franchisor's rights, nor shall such constitute a waiver by Franchisor of any rights hereunder or right to declare any subsequent breach or default. Subsequent acceptance by Franchisor of any payments due to it shall not be deemed to be a waiver by Franchisor of any preceding breach by Developer of any terms, covenants, or conditions of this Agreement.

XI. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

11.01. This Agreement does not constitute Developer an agent, legal representative, joint venturer, partner, employee or servant of Franchisor for any purpose whatsoever. It is understood and agreed that Developer shall be an independent contractor and is in no way authorized to make any contract, agreement, warranty, or representation on behalf of Franchisor or to incur any debt or any other obligation in Franchisor's name, and that Franchisor shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action or by reason of any act or omission of Developer, or any claim or judgment arising therefrom. Neither this Agreement nor Franchisor's course of conduct is intended, nor may anything in this

Agreement (nor Franchisor's course of conduct) be construed, to state or imply that Franchisor is the employer of Developer's employees and/or independent contractors, nor vice versa. The parties further agree that this Agreement does not create any fiduciary or special relationship between them. In all public records, in relationships with other persons, and on letterhead and business forms, Developer shall indicate its independent ownership of the Franchised Units and that Developer is a franchisee of Franchisor.

11.02. Developer shall hold itself out to the public to be an independent contractor operating pursuant to this Agreement. Developer agrees to take such actions as shall be necessary to that end. Developer shall have no right or power to, and shall not, bind or obligate Franchisor in any way or manner, nor shall Developer represent at any time that Developer has any right to do so. Without limiting the generality of the foregoing, Developer acknowledges that (i) Franchisor has no responsibility or obligation to ensure that the Franchised Units are developed in compliance with all applicable laws, ordinances, and regulations, and (ii) Franchisor shall have no liability in the event the development of the Franchised Units violates any applicable law, ordinance, or regulation.

11.03. Developer agrees to defend, indemnify and hold harmless Franchisor, its parent, subsidiaries and affiliates, and their respective officers, directors, employees, agents, successors and assigns from all claims, demands, losses, damages, liabilities, cost and expenses (including attorneys' fees and litigation expenses) resulting from, or alleged to have resulted from, or in connection with Developer's development of the Franchised Units, including any claim or actions based on or arising out of (i) Developer's violation of any applicable laws, rules, or regulations (including any applicable employment or workplace-related laws, rules, or regulations), (ii) the acts or omissions of Developer or any of its employees, or (iii) any injuries, including death to persons or damages to or destruction of property, sustained or alleged to have been sustained in connection with or to have arisen out of or incidental to the development of the Franchised Units and/or the performance of this Agreement by Developer, its agents, employees, and/or its subcontractors, their agents and employees, or anyone for whose acts they may be liable, regardless of whether or not such claim, demand, damage, loss, liability, cost or expense is caused in whole or in part by the negligence of Franchisor, Franchisor's representative, or the employees, agents, invitees, or licensees thereof. For the avoidance of doubt, the provisions of this Section 11.03. shall survive the expiration or termination of this Agreement and be fully binding and enforceable as though such expiration or termination had not occurred.

11.04. Franchisor shall advise Developer in the event Franchisor receives notice that a claim has been or may be filed with respect to a matter covered by this Agreement, and Developer shall immediately assume the defense thereof at Developer's sole cost and expense. In any event, Franchisor will have the right, through counsel of its choice, to control any matter to the extent it could directly or indirectly affect Franchisor and/or its parent, subsidiaries or affiliates or their officers, directors, employees, agents, successors or assigns. If Developer fails to assume such defense, Franchisor may defend, settle, and litigate such action in the manner it deems appropriate and Developer shall, immediately upon demand, pay to Franchisor all costs (including attorneys' fees and litigation expenses) incurred by Franchisor in affecting such defense, in addition to any sum which Franchisor may pay by reason of any settlement or judgment against Franchisor.

11.05. Franchisor's right to indemnity hereunder shall exist notwithstanding that joint or several liability may be imposed upon Franchisor by statute, ordinance, regulation or judicial decision.

11.06. Developer agrees to pay Franchisor all expenses, attorneys' fees and court costs, incurred by Franchisor, its parent, subsidiaries, affiliates, and their successors and assigns to remedy any defaults of or enforce any rights under this Agreement, effect termination of this Agreement or collect any amounts due under this Agreement. To the extent Developer's obligation to make payment to Franchisor as required by any part of this Agreement shall be governed by OCGA Section 13-1-11 and Developer defaults with regard to such payment obligations, Developer shall pay attorneys' fees in the amount of fifteen percent (15%) of the principal and interest owing to Franchisor in addition to all other costs and expenses actually incurred by Franchisor, including any costs or expenses incurred in connection with any arbitration, court, appellate, bankruptcy, or administrative proceeding (a "**Proceeding**") and any experts' fees and expenses, whether or not Franchisor commences a Proceeding.

XII. APPROVALS

12.01. Whenever this Agreement requires the approval of Franchisor, Developer shall make a timely written request to Franchisor therefore and such approval or consent granted shall be in writing. Whenever this Agreement or any related agreement grants, confers or reserves to Franchisor the right to take action, refrain from taking action, or grant or withhold Franchisor's consent or approval, unless the provision specifically states otherwise, Franchisor may take into consideration Franchisor's good faith assessment of the long term interests of all stakeholders in the Popeyes System. When the terms of this Agreement specifically require that Franchisor not unreasonably withhold Franchisor's approval or consent, if Developer is in material default of this Agreement (after applicable notice and cure period), any withholding of Franchisor's approval or consent will be considered reasonable.

12.02. Franchisor makes no warranties or guaranties upon which Developer may rely, and assumes no liability or obligation to Developer or any third party to which Franchisor would not otherwise be subject, by providing any waiver, approval, advice, consent, or services to Developer in connection with this Agreement, or by reason of any neglect, delay, or denial of any request therefor.

XIII. ACKNOWLEDGMENT

13.01. Developer acknowledges that the success of the business venture contemplated by this Agreement involves substantial business risks and will be largely dependent upon the ability of Developer as an independent businessperson. Franchisor expressly disclaims the making of, and Developer acknowledges not having received, any warranty or guaranty, expressed or implied, as to the potential volume, profits, or success of the business venture contemplated by this Agreement.

13.02. Developer acknowledges that Developer has received, read, and understands this Agreement, the exhibits hereto, and agreements relating hereto, if any; and Franchisor has accorded Developer ample time and opportunity to consult with advisors of Developer's own choosing about the potential benefits and risks of entering into this Agreement.

13.03. Developer acknowledges that Developer has received the Franchise Disclosure Document required by the Trade Regulation Rule of the Federal Trade Commission entitled "Disclosure Requirements and Prohibitions concerning Franchising and Business Opportunity Ventures" at least fourteen (14) calendar days prior to the date on which this Agreement was executed.

XIV. SEVERABILITY AND CONSTRUCTION

14.01. Except as expressly provided to the contrary herein, each section, paragraph, part, term, and/or provision of this Agreement shall be considered severable; and if, for any reason, any section, part, term, and/or provision herein is determined to be invalid and contrary to, or in conflict with, any existing or future law or regulation by a court or agency having valid jurisdiction, such shall not impair the operation, or have any other effect upon, such other portions, sections, parts, terms, and/or provisions of this Agreement as may remain otherwise intelligible, and the latter shall continue to be given full force and effect to bind the parties; and said invalid portions, sections, parts, terms, and/or provisions shall be deemed not to be part of this Agreement.

14.02. Except as has been expressly provided to the contrary herein, nothing in this Agreement is intended, nor shall be deemed, to confer upon any person or legal entity other than Developer, Franchisor, Franchisor's officers, directors, and employees, and Developer's and Franchisor's respective successors and assigns, any rights or remedies under or by reason of this Agreement.

14.03. Developer expressly agrees to be bound by any covenant or promise imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court will hold to be unreasonable and unenforceable in a final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such court order.

14.04. All captions in this Agreement are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision hereof. In this Agreement, the words "include", "includes", and "including" shall be deemed to be followed by the phrase "without limitation".

14.05. All provisions of this Agreement which, by their terms or intent, are designed to survive the expiration or termination of this Agreement, shall so survive the expiration and/or termination of this Agreement.

14.06. This Agreement may be executed in multiple counterparts, each of which when executed and delivered shall be deemed to be an original and all of which together shall constitute but one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile and any other electronic transmission (including PDF) shall be effective as delivery of a manually executed counterpart of this Agreement.

XV. ENTIRE AGREEMENT AND APPLICABLE LAW

15.01. This Agreement, the documents referred to herein, and the exhibits hereto, constitute the entire, full, and complete agreement between Franchisor and Developer concerning the subject matter hereof and supersede any and all prior agreements. Nothing in this Agreement is intended to disclaim the representations made by Franchisor in its franchise disclosure document. Except for those permitted to be made unilaterally by Franchisor hereunder, no amendment, change, or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and executed by their authorized officers or agents in writing.

15.02. This Agreement takes effect upon its acceptance and execution by Franchisor and shall be interpreted and construed under the laws of the State of Georgia which laws shall prevail in the event of any conflict of law (without regard to, and without giving effect to, the application of Georgia choice of law or conflict of law rules); provided, however, that if the covenants in Section VIII of this Agreement would not be enforceable under the laws of Georgia, then such covenants shall be interpreted and construed under the laws of the State in which Developer operates the Franchised Units developed hereunder, or in the State where Developer is domiciled if Developer, at such time, is not operating any Franchised Units. Nothing in this Section XV is intended by the parties to subject this Agreement to any franchise or similar law, rule, or regulation of the State of Georgia to which this Agreement would not otherwise be subject.

15.03. The parties agree that any action brought by Developer against Franchisor in any court, whether federal or state, shall be brought within such state and in the judicial district in which Franchisor has its principal place of business. Any action brought by Franchisor against Developer in any court, whether federal or state, may be brought within the state and in the judicial district in which Franchisor has its principal place of business. Developer hereby consents to personal jurisdiction and venue in the state and judicial district in which Franchisor has its principal place of business.

15.04. No right or remedy herein conferred upon or reserved to Franchisor is exclusive of any other right or remedy herein, or by law or equity provided or permitted; but each shall be cumulative of any other right or remedy provided in this Agreement.

15.05. Nothing herein contained shall bar Franchisor's right to obtain injunctive relief against threatened conduct that will cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions.

15.06. Any and all claims and actions arising out of or relating to this Agreement (including the offer and sale of any franchise), the relationship of Developer and Franchisor, or Developer's operation of any Franchised Unit, brought by Developer shall be commenced within

eighteen (18) months from the occurrence of the facts giving rise to such claim or action, or such claim or action shall be barred.

15.07. Franchisor and Developer hereby waive to the fullest extent permitted by law any right to or claim of any consequential, punitive, or exemplary damages against the other, and agree that in the event of a dispute between them each shall be limited to the recovery of any actual damages sustained by it.

XVI. GENERAL RELEASE

Developer (on behalf of the Developer Releasors) agrees that fair consideration has been given for this release and fully understands that this is a negotiated, complete and final release of all of Developer Releasors' Claims. DEVELOPER, ON BEHALF OF ITSELF AND THE DEVELOPER RELEASORS, WAIVES ANY RIGHTS AND BENEFITS CONFERRED BY ANY APPLICABLE PROVISION OF LAW EXISTING UNDER ANY FEDERAL, STATE OR POLITICAL SUBDIVISION THEREOF WHICH WOULD INVALIDATE ALL OR ANY PORTION OF THE RELEASE CONTAINED IN THIS AGREEMENT BECAUSE SUCH RELEASE MAY EXTEND TO CLAIMS THAT THE DEVELOPER RELEASORS DO NOT KNOW OR SUSPECT TO EXIST IN THEIR FAVOR AT THE TIME OF EXECUTION OF THIS AGREEMENT.

[For any unit located in California, where the Developer is a California entity or has a principal place of business in CA, delete the capitalized language above and add the following: DEVELOPER, ON BEHALF OF ITSELF AND THE DEVELOPER RELEASORS, EXPRESSLY AGREES THAT, WITH RESPECT TO THIS RELEASE, ANY AND ALL RIGHTS GRANTED UNDER SECTION 1542 OF THE CALIFORNIA CIVIL CODE ARE EXPRESSLY WAIVED, TO THE EXTENT APPLICABLE. LEASE ADDENDUM

This Addendum (the "**Addendum**") is made this ___ day of _____, 20__, by and between _____, a _____ (together with its successors and assigns, "**Landlord**"), and _____, a _____ ("**Tenant**").

W I T N E S S E T H:

Notwithstanding anything to the contrary in that lease by and between the parties executed contemporaneously herewith (the **"Lease"**), the parties agree as follows:

1) The Lease may be assigned at any time by Tenant to Popeyes Louisiana Kitchen, Inc., a Minnesota corporation (**"Popeyes"**) or its affiliates, and then by Popeyes or its affiliates, if they so choose, to another Popeyes franchisee, both with Popeyes' approval and agreement of course, and with the consent of the Landlord, which consent shall not be unreasonably withheld, conditioned or delayed (without payment of any assignment fee or similar charge or increase in any rentals payable to Landlord). Popeyes shall be released from all liability under the Lease or related to the Premises, effective as of the date of assignment or subleasing the Premises to an approved Popeyes franchisee, but otherwise all other assignors shall remain obligated under the Lease notwithstanding such assignment.

2) Landlord shall copy Popeyes (at 400 Perimeter Center Terrace, Suite 1000, Atlanta, GA 30346; Attn: VP of Development with a concurrent copy to the Attn: Franchise Administration) on any amendments, assignments of the Lease and/or notice it gives to Tenant under the Lease. If Landlord is not required to give notice to Tenant concerning some types of defaults under the Lease, then Landlord shall give a courtesy written notice to Popeyes at least ten (10) days before pursuing any remedies under the Lease unless to so delay would irrevocably harm Landlord.

3) In the event Tenant defaults under the Lease and fails to cure such default within the applicable cure period, Popeyes may (but is not obligated to), at its option, either (a) cure Tenant's default in accordance with the terms of the Lease, or (b) assume the Lease and Tenant's obligations hereunder. If Popeyes elects to assume the Lease, then Popeyes shall be obligated only for obligations under the Lease arising on or after the effective date of its assumption of the Lease. In either event, the Lease shall remain in full force and effect. Landlord, Tenant, and Popeyes agree to execute all documents necessary to affect such an assignment. Popeyes may then assign the Lease or sublease the Premises to another Popeyes franchisee of Popeyes with the consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed, and Popeyes shall be released

from all liability under the Lease or related to the Premises, effective as of the date of assignment or subleasing to another Popeyes franchisee.

4) If Tenant for any reason ceases to operate as a franchisee of Popeyes under the Popeyes Chicken & Biscuits or Popeyes Louisiana Kitchen system, or if the Lease terminates for any reason and Popeyes does not assume it, as provided above, or if Popeyes or one of its affiliates or franchisees becomes the Tenant hereunder but the Lease subsequently terminates for any reason, then the tenant at such time and Popeyes, if not the tenant hereunder, shall have the right to remove from the Premises any and all items of a proprietary nature, including, without limitation, all items having on them, or themselves constituting, trademarks, service marks, copyrights, tradenames or logos. Any such removal must be made within thirty (30) days following the date that Popeyes receives written notice of the expiration of the Lease or termination of Tenant's right to possession under the Lease, whichever occurs first, and the then-tenant or Popeyes, depending on who removes the items, shall promptly repair all damage to the Premises caused by such removal, and will leave the Premises in a safe and sanitary condition.

5) Upon any assignment, or other method by which Popeyes, its affiliates, or another franchisee becomes tenant under the Lease, then Landlord shall permit such new tenant to make necessary repairs, modifications and upgrades so as to conform the Premises to Popeyes' then-existing standards for similar restaurants.

6) Popeyes is intended to be a third-party beneficiary of the foregoing provisions of the Addendum and as such may enforce such provisions in accordance with applicable law, having relied thereon.

IN WITNESS WHEREOF, the parties hereto have caused this Addendum to be executed by their duly authorized officers, who represent that they have authority to execute this Addendum on behalf of said entity.

AMENDMENT TO DEVELOPMENT AGREEMENT
(Non-Exclusive Development Agreement)

THIS AMENDMENT TO DEVELOPMENT AGREEMENT (this **"Amendment"**) is made and entered into this ____ day of _____, 20___, by and between **POPEYES LOUISIANA KITCHEN, INC.**, a Minnesota corporation, with its principal place of business at 400 Perimeter Center Terrace, Suite 1000, Atlanta, Georgia 30346 (**"Franchisor"** or **"Popeyes"**) and _____, with its principal place of business at _____ (**"Developer"**).

WITNESSETH:

WHEREAS, Developer and Franchisor entered into a Popeyes Louisiana Kitchen Development Agreement dated _____ (**"Development Agreement"**); and

WHEREAS, Developer and Franchisor desire to amend the terms and conditions of the Development Agreement as hereinafter set forth;

NOW, THEREFORE, in consideration of the mutual covenants and conditions herein contained, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto hereby agree to amend the Development Agreement as follows:

1. This Amendment shall be attached to, incorporated in, and become a part of, the Development Agreement. The terms and conditions stated in this Amendment, to the extent they are inconsistent with the terms and conditions stated in the Development Agreement, shall prevail over the terms of the Development Agreement.

2. Section 1.01. of the Development Agreement is hereby deleted in its entirety and the following new provision is inserted in lieu thereof:

> 1.01. Franchisor hereby grants the Developer, subject to the terms and conditions of this Agreement and as long as Developer shall not be in default of this Agreement or any other development, franchise or other agreement between Developer and Franchisor (or any parent, subsidiary or affiliate of Franchisor), **non-exclusive** development rights to obtain franchises to establish and operate _____ Franchised Units, and to use the Popeyes System solely in connection therewith, at specific locations to be designated in separate franchise agreements (**"Franchise Agreements"**), executed as provided in Section 3.01. hereof, and pursuant to the schedule set forth in **Exhibit "A"** to this Agreement (**"Development Schedule"**). Each Franchised Unit developed pursuant hereto shall be located in the area described in **Exhibit "B"** hereto (**"Development Area"**).

3. Section 1.02 of the Development Agreement is hereby deleted in its entirety and the following new provision is inserted in lieu thereof:

> 1.02 This Agreement is non-exclusive. Franchisor retains the right at all times to establish and/or to license others to establish Franchised Units anywhere in the Development Area during or after the term of this Agreement.

4. This Amendment, the Development Agreement, any documents referred to herein, and the exhibits hereto, if any, constitute the entire, full and complete agreement between Franchisor and Developer concerning the subject matter hereof and supersede any and all prior agreements. No other representations have induced Developer to execute this Amendment, and there are no representations (other than those set forth in the Franchise Disclosure Document provided by Franchisor to Developer), inducements, promises, or agreements, oral or otherwise, between the parties not embodied herein which are of any force or effect with reference to this Amendment or otherwise. No amendment, change, or variance from this Amendment shall be binding on either party unless executed in writing.

5. The Development Agreement and this Amendment shall be governed by choice of law rules, and other provisions contained within Section XV of the Development Agreement.

6. The Development Agreement shall remain in full force and effect except as specifically amended herein.

7. This Amendment may be executed in multiple counterparts, each of which when executed and delivered shall be deemed to be an original and all of which together shall constitute but one and the same agreement. Delivery of an executed counterpart of a signature page to this Amendment by facsimile and any other electronic transmission (including, without limitation, PDF) shall be effective as delivery of a manually executed counterpart of this Amendment.

IN WITNESS WHEREOF, the parties hereto intending to be legally bound hereby have executed this Amendment in multiple originals on the day and year first written.

WHEREAS, Franchisor has developed and owns a unique system for opening and operating restaurants (**"Popeyes Restaurant(s)"**) specializing in the preparation, merchandising, advertising and sale of "Louisiana" style menu items that include spicy chicken, biscuits, fried shrimp and other seafood, red beans and rice and other quick-service menu items developed and owned by Franchisor (the **"Popeyes System"** or **"System"**);

WHEREAS, the distinguishing characteristics of the Popeyes System include the names "Popeyes" and "Popeyes Louisiana Kitchen"; specially designed buildings, distinctive interior and exterior layouts, trade dress, decor, color schemes, and furnishings; confidential food and beverage formulas and recipes; specialized menus; and standards and specifications for equipment, equipment layouts, products, operating procedures, and training programs, all of which may be changed, improved, and further developed by Franchisor from time to time;

WHEREAS, Franchisor identifies the Popeyes System by means of certain trade names, service marks, trademarks, logos, emblems, and other indicia of origin, including the marks "Popeyes", "Popeyes Chicken and Biscuits" and "Popeyes Louisiana Kitchen" and such other trade names, service marks, trademarks and trade dress as are now, or may hereafter, be designated by Franchisor for use in connection with the Popeyes System (collectively referred to as the **"Proprietary Marks"**);

WHEREAS, Franchisor continues to develop, use, and control the use of such Proprietary Marks in order to identify for the public the source of services and products marketed thereunder in the Popeyes System and to represent the System's high standards of quality, appearance, and service;

WHEREAS, Franchisee wishes to be assisted, trained, and licensed by Franchisor as a Popeyes franchisee and licensed to use, in connection therewith, the Proprietary Marks;

WHEREAS, Franchisee understands the importance of the Popeyes System and Popeyes high and uniform standards of quality, cleanliness, appearance, and service, and the necessity of opening and operating Popeyes Restaurants in conformity with the Popeyes System;

NOW, THEREFORE, the parties hereto agree as follows:

I. APPOINTMENT; SITE DEVELOPMENT

1.01. Franchisor grants to Franchisee a franchise to open and operate a Popeyes Louisiana Kitchen restaurant (the **"Unit"**, **"Franchised Unit"**, **"Franchised Business"** "**Franchised Restaurant**" or **"Restaurant"**) at one location only, such location to be determined as set forth below in Section 1.04 and described in **Exhibit "A"** attached hereto upon the terms and conditions herein contained [and subject to the terms and conditions contained in the development agreement between Franchisor and Franchisee, dated_____, (the **"Development Agreement"**), which is incorporated herein by reference;] **[BRACKETED TEXT TO BE DELETED IF SINGLE UNIT AMENDMENT EXECUTED IN LIEU OF DEVELOPMENT AGREEMENT]** and a license to use in connection therewith Franchisor's Proprietary Marks and the Popeyes System. If, as of the date of this Agreement, the Unit location is not identified in **Exhibit "A"**, then Franchisee shall request authorization to operate the Franchised Unit at a site selected in accordance with the provisions of Section 1.04 below.

1.02. Protected Area.

A. Subject to the terms and conditions of this Agreement and provided Franchisee is not otherwise in default of this Agreement and/or any other Agreement between Franchisor (or any parent, subsidiary or affiliate of Franchisor) and Franchisee (or any parent, subsidiary or affiliate of Franchisee), Franchisor shall not establish, nor franchise another to establish a restaurant under the Popeyes System, for the term of this Agreement, within a geographic area immediately surrounding the Franchised Unit equal to the lesser of: (i) a one (1) mile radius around the Franchised Unit and (ii) an area encompassing a population (residential and workplace) of 50,000 people (the **"Protected Area"**), without Franchisee's prior written consent. The area described in **Exhibit "B"** of this Agreement reflects a one (1) mile radius surrounding the Franchised Unit and may include area outside of Franchisee's Protected Area.

B. The provisions of the above Section 1.02.A. shall not apply to Alternative Venues (as defined below). Alternative Venues do not receive Protected Areas. Alternative Venues are defined as Popeyes Restaurants operated in any of the following types of locations: (i) transportation facilities (including airports, train stations, bus stations, etc.); (ii) toll road plazas; (iii) educational facilities (including schools, colleges and universities); (iv) institutional feeding facilities (including hospitals, hotels, and corporate cafeterias); (v) government institutions and facilities; (vi) enclosed shopping malls; (vii) military bases; (viii) casinos; (ix) amusement, recreation and theme parks and (x) stadiums, arenas, and convention centers. Additionally, the provisions of the above Section 1.02.A. do not prohibit Franchisor or its affiliates from operating or permitting others to operate in the Protected Area: (a) Popeyes Restaurants that are operating as of the date of this Agreement; (b) Popeyes Restaurants that were previously operated and closed as of the date of this Agreement, provided that (i) the premises of such restaurants were most recently operated as a Popeyes Restaurant and (ii) such restaurants reopen within three (3) years of their respective closing dates; and (c) Popeyes Restaurants to be operated pursuant to Franchise Agreements already executed at the time of this Agreement.

1.03. Limited Exclusivity. Except as expressly set forth herein: (i) the franchise granted to Franchisee under this Agreement is non-exclusive, and grants to Franchisee the rights to establish and operate the Franchised Unit at only the specific location set forth in **Exhibit "A"**; (ii) no exclusive, protected or other territorial rights within or outside the market where the Franchised Unit is located are hereby granted or to be inferred; and (iii) Franchisor and/or its affiliates have the right to operate and grant as many other franchises for the operation of Popeyes restaurants, anywhere in the world, as they shall, in their sole discretion elect.

1.04 Site Selection and Acquisition.

A. Clauses B, C, D, and E of this Section 1.04 shall not apply if, as of the date of this Agreement, Franchisor has approved the site for the Franchised Unit and it has been recorded in **Exhibit "A"**.

B. Franchisee shall select the site for the Franchised Unit and obtain Franchisor's acceptance of the site within one hundred eighty (180) days after the execution of this Agreement (**"Site Approval Period"**). Franchisor may, in its sole discretion, extend this period to address unforeseen delays, not within the control of Franchisee. If Franchisee does not present Franchisor an approvable site during the Site Approval Period, Franchisor may, in its sole discretion, terminate this Agreement pursuant to Section XV.

C. Franchisee shall submit a complete site acceptance request package for each Franchised Unit for review by Franchisor, together with such site information as required by Franchisor to evaluate the proposed site. Franchisor shall, provided there exists no default by Franchisee under this Agreement or any other development, franchise or other agreement between Franchisee and Franchisor, evaluate each site proposed for which Franchisee has provided all necessary evaluation information, and shall promptly, but not more than forty-five (45) days after receipt of Franchisee's complete site acceptance request package, send to Franchisee written notice of acceptance or non-acceptance of the site; provided, that, Franchisee acknowledges and agrees that this clause (C) shall be subject to the requirements of Franchisor's impact policy standards, and in the event an impact study analysis is requested under such policy, such notice of acceptance or non-acceptance may be delayed by thirty (30) to forty-five (45) additional days.

D. Franchisor shall conduct one site visit for up to two (2) proposed sites, at no cost to Franchisee. If Franchisee has not received site acceptance after the second site visit, Franchisee shall pay Franchisor One Thousand Five Hundred Dollars ($1,500) for each additional site visit until such time as a site is approved by Franchisor.

E. Franchisee's receipt of Franchisor's written notice of acceptance only shall serve to constitute acceptance of a site. Franchisee agrees that Franchisor may refuse to accept a site for a proposed Franchised Unit for any reason, in Franchisor's sole judgment applying standards consistent with criteria Franchisor uses to approve sites in other comparable market areas, including Franchisee's failure to demonstrate sufficient financial capabilities to properly develop, operate and maintain the proposed Franchised

Unit. To this end, Franchisee shall furnish Franchisor with such financial statements and other information regarding Franchisee and the development and operation of the proposed Franchised Unit, including investment and financing plans for the proposed Franchised Unit, as Franchisor reasonably may require.

F. Franchisor's acceptance of one or more sites is not a representation or a promise by Franchisor that a Franchised Unit at the accepted site will achieve a certain sales volume or a certain level of profitability. Similarly, Franchisor's acceptance of one or more sites and its refusal to accept other sites is not a representation or a promise that an accepted site will have a higher sales volume or be more profitable than a site which Franchisor did not accept.

G. Franchisor assumes no liability or responsibility for: (1) evaluation of an accepted site's soil for hazardous substances; (2) inspection of any structure on the accepted site for asbestos or other toxic or hazardous materials; (3) compliance with the Americans With Disabilities Act (**"ADA"**); or (4) compliance with any other applicable law. It is Franchisee's sole responsibility to obtain satisfactory evidence and/or assurances that the accepted site (and any structures thereon) is free from environmental contamination and in compliance with the requirements of the ADA.

H. Within ninety (90) days after notice of Franchisor's site acceptance, Franchisee shall submit, in writing to Franchisor, satisfactory proof to Franchisor that Franchisee:

1. owns the site at which the Franchised Restaurant is to be developed and operated (the **"Franchised Location"**);

2. has leased the Franchised Location for a term which, with renewal options, is not less than the initial term of this Agreement; or

3. has entered into a written agreement to purchase or to lease the Franchised Location on terms provided herein, subject only to obtaining necessary governmental permits. The proof required by this Section includes submission of executed copies of all leases and deeds, as well as all governmental approvals if effectiveness of the leases or deeds is conditioned thereon.

I. If Franchisee proposes to lease or sublease the Franchised Location, the lease or sublease shall not contain any covenants, use clauses or other obligations that would prevent Franchisee from performing its obligations under this Agreement. Any lease, sublease, letter of intent or lease memorandum for the Franchised Location shall contain an addendum in the form attached hereto as **Exhibit "E"**. The addendum includes provisions providing certain rights to the Franchisor, including among other things: (i) certain assignment rights related to the Franchisor and other Popeyes franchisees; (ii) Franchisor rights upon uncured defaults of the lease/sublease; and (iii) de-identification rights upon expiration and/or termination of the lease/sublease. Additionally, any lease, sublease, letter of intent or lease memorandum for the Franchised

Location shall contain provisions that satisfy the following requirements during the entire term of the lease/sublease, including any renewal terms:

1. The landlord consents to Franchisee's use of the proprietary signs, distinctive designs and layouts of the Popeyes System, the Proprietary Marks, and upon expiration or the earlier termination of the lease, consents to permit Franchisee, at Franchisee's expense, to remove all such items and other trade fixtures, so long as Franchisee makes repairs to the building caused by such removal.

2. The landlord agrees that Franchisee shall be solely responsible for all obligations, debts and payments under the lease.

3. The landlord agrees not to amend or otherwise modify the lease in any manner that would affect any of the foregoing requirements, including the lease addendum, without the prior written consent of Franchisor, which consent shall not be unreasonably withheld.

1.05 Construction of the Franchised Restaurant.

A. Franchised Restaurant Development. Within ninety (90) days after notice of Franchisor's site acceptance, Franchisee shall submit to Franchisor, and obtain Franchisor's written approval of, the final and complete plans and specifications for the construction (whether in connection with new construction, renovation, or otherwise) and decoration of the Franchised Unit, which must be in conformity with Franchisor's standards and specifications for Franchised Units, as set out in the plans and specifications made available to Franchisee pursuant to Section 9.03 hereof, the Manual (as defined below) or otherwise in writing (the **"Construction Plans"**).

1. The final Construction Plans for new, freestanding construction shall include survey, site plan and details, utility plan and details, paving and grading plan and details, storm drainage plan and details, site lighting plan, landscape and irrigation plans, foundation plan and details and other documents required by local regulation as well as a complete set of the standard plans site-adapted and sealed by Franchisee's architect at Franchisee's cost to meet local regulation.

2. The final Construction Plans for conversions or completion of existing buildings must include site plan with dimensioned drive-thru details, dimensioned floor plan, reflected ceiling plan, material and fixture schedules, equipment plan and schedule, dimensioned exterior elevations and details, exterior finish schedule, dimensioned interior elevations and details, interior finish schedule, core drill plan, kitchen equipment elevations including utility rough-in dimensions, dimensioned plumbing and electrical plans and fixture schedules, low-voltage schematic plans and elevations, electrical panel schedule, mechanical plan, hood details including fire suppression system, HVAC

equipment schedule (existing or new), and any other documents required by local regulation.

3. All Construction Plans shall be submitted by Franchisee to Franchisor in PDF and AutoCAD format at the same time the construction documents are submitted for permit review. For the Franchised Unit to be developed hereunder, Franchisor shall provide Franchisee up to two (2) equipment layout drawings for an accepted site in the most recent version of AutoCAD within ten (10) business days after receipt of Franchisee's existing conditions plan for such site in AutoCAD (or, alternatively, if such site is vacant with no structures or improvements, an AutoCAD survey of such site).

4. Franchisee assumes all cost, liability and expense for developing, constructing and equipping the Franchised Unit. It shall be Franchisee's responsibility to have prepared Construction Plans to suit the shape and dimensions of the Franchised Location and Franchisee shall ensure that the Construction Plans comply with applicable ordinances, ADA requirements, building codes and permit requirements and with lease requirements and restrictions. Franchisee shall obtain and use only registered architects, registered engineers, and professional and licensed contractors who demonstrate to Franchisor's reasonable satisfaction the ability to meet Franchisor's reasonable quality standards (as determined by Franchisor in its reasonable discretion), in each case, to prepare the Construction Plans (including surveys and site and foundation plans), to adapt the Construction Plans to applicable local or state laws, regulations or ordinances, and to construct the Franchised Unit. Franchisee shall bear all costs and expenses incurred in connection with the preparation of all Construction Plans (including the costs and expenses incurred for any plans containing deviations or modifications from Franchisor's standard plans and specifications), and Franchisor assumes no liability for the adequacy of any Construction Plan.

5. The Franchised Unit may not open if construction has not been performed in substantial compliance with Franchisee's approved Construction Plans. This Agreement may be terminated if such non-compliance is not cured within a commercially reasonable amount of time.

B. Commencement and Completion of Construction. Franchisee shall (i) commence construction or renovation of the Franchised Unit on the earlier to occur of (a) ninety (90) days after Franchisor approves Franchisee's Construction Plans, or (b) fifteen (15) days after issuance of all requisite construction permits and (ii) promptly notify Franchisor of the construction commencement date. Franchisee shall, at all times, use its best efforts to obtain all necessary construction permits in order to avoid delays in the commencement of construction or renovation of the Franchised Unit. During construction, Franchisee may request that Franchisor conduct site visits, provided, however, if the Franchised Unit has been under construction for 101 days or more, Franchisee shall pay to Franchisor a construction site visit fee in the amount of One

Thousand Five Hundred Dollars ($1,500) for each construction site visit requested by Franchisee. Franchisee shall complete the construction or renovation of the Franchised Restaurant and commence operation of the Franchised Restaurant (the **"Opening Date"**) within three hundred sixty (360) days from the date of this Agreement. At least forty-five (45) days prior to the proposed Opening Date, Franchisee shall notify Franchisor in writing of such proposed Opening Date. Franchisor may, in its sole discretion, extend this period to address unforeseen construction delays, not within the control of Franchisee.

C. Acquisition of Necessary Furnishings, Fixtures and Equipment.

1. Franchisee agrees to use in the development and operation of the Franchised Restaurant only those fixtures, furnishings, equipment and signs that Franchisor has approved for Popeyes Restaurants as meeting its specifications and standards for quality, design, appearance, function and performance. Franchisee further agrees to place or display at the Franchised Restaurant only those signs, emblems, lettering, logos and display materials that Franchisor approves in writing from time to time.

2. Franchisee shall purchase or lease approved brands, types or models of fixtures, furnishings, equipment and signs only from suppliers designated or approved by Popeyes, which may include Franchisor.

3. If any portion of the Franchised Restaurant is not built in compliance with Franchisor's standards and specifications without Franchisor's prior written consent, Franchisor shall have the right to delay the opening of the Franchised Restaurant until Franchisee, at its sole expense, brings the Franchised Restaurant in full compliance with those standards and specifications.

D. Inspection, Cooperation. Franchisee shall cooperate fully with Franchisor and its designees for the purpose of permitting Franchisor and its designees to inspect the Franchised Location.

1.06. Right to Open the Franchised Restaurant.

A. Prior to opening the Franchised Unit (or re-opening the Franchised Unit in the case of a transfer of an existing Franchised Unit), Franchisor reserves the right to conduct a final inspection of the Franchised Restaurant and its premises to determine if Franchisee has complied with this Agreement. Franchisor shall not be liable for delays or loss occasioned by its inability to complete its inspection prior to Franchisee's scheduled opening date. Franchisee shall not open the Franchised Restaurant for business without the express written authorization of Franchisor, which may be withheld unless Franchisee has satisfied the following conditions:

1. Franchisee is not in material default under this Agreement or any other agreements with Franchisor.

2. Franchisee is current on all monetary obligations due Franchisor and has paid Franchisor the balance of the initial fees required by this Agreement and any amendment to this Agreement.

3. Franchisee has constructed the Franchised Restaurant substantially in accordance with plans approved by Franchisor and with applicable laws, ordinances and local codes.

4. Franchisee has decorated the interior of the Franchised Restaurant and purchased or leased and installed all specified and required fixtures, equipment, furnishings and signs substantially in accordance with Franchisor's standards and specifications.

5. Franchisee has obtained a certificate of occupancy and all other required building, utility, health, sign, sanitation, safety or fire department certificates, and other permits and licenses applicable to the Franchised Restaurant. If requested by Franchisor, Franchisee shall submit a copy of the certificate of occupancy to Franchisor.

6. Franchisee has hired and trained a staff in accordance with the requirements of this Agreement.

7. Franchisee has purchased an opening inventory for the Franchised Restaurant of only authorized and approved products and other materials and supplies.

8. If Franchisee leases the Franchised Location, Franchisor has been furnished with a copy of a fully executed lease for the Franchised Location.

9. Franchisee has furnished to Franchisor copies of all insurance policies required by this Agreement or such other evidence of insurance coverage and payment of premiums as Franchisor reasonably may request.

II. TERM

2.01. Except as otherwise provided in this Agreement, the initial term of this Franchise Agreement (the **"Term"**) shall expire on the twentieth (20th) anniversary of the date of commencement of operation of the Franchised Unit. For all purposes under this Agreement, the date of commencement of operation of the Franchised Unit shall be the date verified in writing by Franchisor and delivered to Franchisee in a form substantially similar to the "Notice of Commencement Date" attached hereto as **Exhibit "A"**. Franchisee agrees and shall be obligated to operate the Franchised Unit and perform hereunder for the full Term of this Agreement.

2.02. Franchisee may, at its option, renew this franchise for one (1) additional period of ten (10) years (the **"Renewal Term"**), provided that, at the time of renewal:

A. Franchisee gives Franchisor written notice of such election to renew not less than six (6) months nor more than twelve (12) months prior to the end of the initial Term. Notwithstanding Franchisee's notice obligations set forth in the preceding sentence, Franchisor will endeavor in good faith to provide Franchisee with prior notice of Franchisee's renewal rights not less than six (6) months nor more than twelve (12) months prior to the end of the initial Term **("Franchisor's Renewal Notice")**. Franchisor's failure to provide (or delay in providing) Franchisor's Renewal Notice shall in no way incur or impose any liability upon Franchisor or otherwise constitute a waiver or modification of the renewal requirements set forth in this Section 2.02 (or any other rights in favor of Franchisor under this Agreement or applicable law);

B. Franchisee executes Franchisor's then-current standard form of franchise agreement, which may include a higher royalty fee and a higher advertising contribution, if any, than that contained in this Agreement; and the term of which shall be the renewal term as specified in Section 2.02. hereof, but shall contain no further renewal rights except as provided in Section 2.03. hereof;

C. Franchisee executes a general release in a form prescribed by Franchisor of any and all claims against Franchisor and its subsidiaries, and affiliates, and their respective officers, directors, agents, and employees;

D. Franchisee is in "good standing" and not otherwise in default of any provision of this Agreement, or any amendment hereof or successor hereto, or any other agreement between Franchisee and Franchisor, or any subsidiary or affiliate of Franchisor, and Franchisee has fully and faithfully performed all of Franchisee's obligations throughout the term of this Agreement. For the purposes of this Agreement, Franchisee shall be considered in "good standing" if Franchisee is in compliance with the terms and conditions of this Agreement and the following conditions:

1. Any and all amounts owed to Franchisor and/or its affiliates under any agreement between Franchisor and Franchisee, are current (*i.e.,* there are no amounts delinquent), including royalty fees, advertising fund fees, lease payments, promissory note payments, etc., and all related documents, reports and financial statements have been provided as required by Franchisor;

2. Franchisee's operation of any and all restaurants and/or other businesses operated under any agreement between Franchisee and Franchisor (or any parent, subsidiary or affiliate of Franchisor) are in compliance with the standards set forth in the respective franchise agreements and manuals applicable to such restaurants and/or businesses, or as otherwise set forth in writing;

3. Franchisee does not, at such time, operate any franchised restaurant which has failed to meet Franchisor's minimum quality, service and/or cleanliness (**"QSC"**) standards applicable to such restaurant;

4. Franchisee is in compliance with all the material terms and conditions of any and all agreements between Franchisee and Franchisor, including any franchise agreement, development agreement, lease agreement, promissory note, etc.; and

5. There is, at such time, no pending or threatened litigation between Franchisee and Franchisor (or any parent, subsidiary of affiliate of Franchisor).

E. Franchisee has paid or otherwise satisfied all monetary obligations owed by Franchisee to Franchisor and its subsidiaries and affiliates and any indebtedness of Franchisee which is guaranteed by Franchisor, and Franchisee has timely paid or otherwise satisfied these obligations throughout the term of this Agreement;

F. Franchisee agrees, at its sole cost and expense, to reimage, renovate, refurbish and modernize the Franchised Unit, within the timeframe required by Franchisor, including the building design, parking lot, landscaping, equipment, signs, interior and exterior decor items, fixtures, furnishings, trade dress, color scheme, presentation of trademarks and service marks, supplies and other products and materials to meet Franchisor's then-current standards, specifications and design criteria for Popeyes Restaurants, as contained in the then-current franchise agreement, the Manual, or otherwise in writing, including such structural changes, remodeling and redecoration and such modifications to existing improvement as may be necessary to do so; and

G. Franchisee shall pay to Franchisor a renewal fee equal to fifty percent (50%) of Franchisor's standard initial Franchise Fee (as defined in Section 3.01) in effect at the date of renewal.

2.03. Provided Franchisee is in "good standing" (as defined above) and not otherwise in default under the terms of this Agreement and/or any other agreement between Franchisee and Franchisor (or any parent, subsidiary or affiliate of Franchisor), Franchisee may, at any time during the term hereof, or during the Renewal Term, purchase an option (the **"Supplemental Term Option"**) for an additional ten (10) year renewal term commencing immediately following the Renewal Term (the **"Supplemental Renewal Term"**), upon the following terms and conditions:

A. Franchisee shall pay a fee (the **"Option Fee"**) to Franchisor in the amount of fifty percent (50%) of the then-current Franchise Fee, at the time Franchisee acquires the Supplemental Term Option;

B. Franchisee shall execute an amendment to the Franchise Agreement in the form required by Franchisor which shall: (i) add the Supplemental Term Option and the terms upon which such option may be exercised to the Franchise Agreement; and (ii) incorporate Franchisor's then-current renewal conditions into the Franchise Agreement (provided, however, Franchisor's then-current renewal conditions shall not impose the payment of a renewal fee in addition to the Option Fee); and

C. The Supplemental Term Option must be purchased no later than six (6) months prior to the end of the Renewal Term. There shall be no right to extend the Franchise Agreement beyond the Supplemental Renewal Term.

III. FEES

3.01. In consideration of the franchise granted to Franchisee herein, Franchisee shall pay to Franchisor the following:

A. A franchise fee of Twenty-Two Thousand Five Hundred Dollars ($22,500) (**"Franchise Fee"**) payable prior to the commencement of construction of the Franchised Unit. Such Franchise Fee shall be fully earned by Franchisor upon payment by Franchisee and is in addition to any development fees paid to Franchisor by Franchisee pursuant to the Development Agreement. Franchisor may require Franchisee to utilize wire transfers as a means of paying the Franchise Fee.

B. A recurring, non-refundable royalty fee of five percent (5%) of Gross Sales (as defined herein) **("Royalty Fees")** during the term of this Agreement, payable weekly (or on such other basis as may be set forth in the Manual or otherwise agreed to in writing by Franchisor) on the Gross Sales of the preceding week.

3.02. In addition to the payments provided for in Section 3.01. hereof, Franchisee, recognizing the value of advertising and the importance of the standardization of advertising and promotion to the goodwill and public image of the System, agrees to pay to the Popeyes Advertising Fund (**"Advertising Fund"**) a recurring, non-refundable advertising fund contribution (**"Advertising Fund Contribution"**) in an amount to be determined by Franchisor, in its sole discretion, not to exceed four percent (4%) of the Gross Sales (as defined herein) for the preceding week, payable weekly (or on such other basis as may be set forth in the Manual or otherwise agreed to in writing by Franchisor). The Advertising Fund Contribution shall be expended by Franchisor in accordance with the following conditions and limitations:

A. The Advertising Fund, all contributions thereto, and any earnings thereon, shall be used exclusively for national, regional, and/or local advertising and promotional materials and market research for the Popeyes System including maintaining, administering, directing, producing and preparing market research, advertising, marketing materials and/or promotional activities for the Popeyes System. All reasonable costs incurred by Franchisor or charged to Franchisor by third parties for market research and the production and dissemination of advertising, marketing and promotional materials may be charged to the Advertising Fund.

B. All sums paid by Franchisee to the Advertising Fund shall be maintained in an account separate from other funds of Franchisor and shall not be used to defray any of Franchisor's expenses except as provided herein, and as Franchisor may incur in activities reasonably related to the administration or direction of the Advertising Fund and advertising and marketing programs for franchisees and the Popeyes System. The

Advertising Fund and its earnings shall not otherwise inure to the benefit of Franchisor. Franchisor shall maintain a separate bookkeeping account for the Advertising Fund.

C. The selection of media and locale for media placement shall be at the sole discretion of Franchisor.

D. Franchisor, upon request, shall provide Franchisee with an annual accounting of receipts and disbursements of the Advertising Fund.

E. It is anticipated that all contributions to and earnings of the Advertising Fund will be expended in accordance with the terms hereof during the taxable year in which contributions and earnings are received. If, however, excess amounts remain in the Advertising Fund at the end of a taxable year, all expenditures in the following taxable year(s) shall be made first out of accumulated earnings from previous years, next out of earnings in the current year, and finally from contributions.

F. The Advertising Fund is not, and shall not be, an asset of Franchisor. Although the Advertising Fund is intended to be of perpetual duration, Franchisor maintains the right to terminate the Advertising Fund; provided, however, that the Advertising Fund shall not be terminated until all monies in the Advertising Fund have been expended for the purposes stated herein.

G. Franchisee understands that such advertising and marketing is intended to maximize the public's awareness of the Franchised Units and the System, and that Franchisor accordingly undertakes no obligation to insure that any individual Franchisee benefits directly or on a pro rata basis from the placement, if any, of such advertising or marketing in its local market. Franchisee further acknowledges that its failure to derive any such benefit, whether directly or indirectly, shall not be cause for Franchisee's nonpayment or reduction of the required contributions to the Advertising Fund.

H. For each Popeyes Restaurant operated by Franchisor, Franchisor shall pay to the Advertising Fund an Advertising Fund Contribution in an amount equal to the standard amount required to be paid by franchisees for any franchised Popeyes Restaurants opened on the same date as the Popeyes Restaurant opened by Franchisor.

3.03. For the purposes of this Agreement, the term **"Gross Sales"** shall mean all revenues generated by Franchisee's business conducted upon, from or with respect to the Franchised Unit, whether such sales are evidenced by cash, check, credit, charge, account, barter or exchange. Gross Sales shall include monies or credit received from the sale of food and merchandise, from tangible property of every kind and nature, promotional or otherwise, and for services performed from or at the Franchised Unit, including such off-premises services as catering and delivery. Gross Sales shall not include the sale of food or merchandise for which refunds have been made in good faith to customers, the sale of equipment used in the operation of the Franchised Unit, nor shall it include sales, meals, use or excise tax imposed by a governmental authority directly on sales and collected from customers; provided that the amount

for such tax is added to the selling price or absorbed therein, and is actually paid by Franchisee to such governmental authority.

3.04 Franchisee's payment of Royalty Fees and Advertising Fund Contributions shall be in accordance with the following terms and requirements:

A. Franchisee shall participate in Franchisor's then-current electronic funds transfer program authorizing Franchisor to utilize a pre-authorized bank draft system. All Royalty Fees and Advertising Fund Contributions applicable to the Gross Sales and other amounts owed under this Agreement, including interest charges must be received by Franchisor or credited to Franchisor's account by pre-authorized bank debit before 5:00 p.m. on the 5th day after the end of each fiscal week, or at a later point specified by Franchisor from time to time (**"Due Date"**). On each Due Date, Franchisor will transfer from the Franchised Unit's commercial bank operating account (**"Account"**) the amount reported to Franchisor in Franchisee's remittance report or determined by Franchisor by the records contained in the POS System and the BOH System (as defined below) of the Franchised Unit.

B. Franchisee shall: (i) comply with payment procedures specified by Franchisor in the Manual or otherwise in writing; (ii) a minimum of five (5) business days prior to the Opening Date, deliver to Franchisor an authorization in the form attached hereto as **Exhibit "D"** or such other form as Franchisor may designate to initiate debit entries and/or credit correction entries to the Account for payments of the Royalty Fees, Advertising Fund Contributions and other amounts payable under this Agreement, including any interest charges; (iii) promptly upon request, perform those acts and sign and deliver those documents as may be necessary to accomplish payment by electronic funds transfer as described in this Section 3.04; and (iv) make sufficient funds available in the Account for withdrawal by electronic funds transfer no later than the Due Date for payment thereof.

C. Failure by Franchisee to have sufficient funds in the Account shall constitute a default of this Agreement pursuant to Section 15.03. Additionally, Franchisor may assess and debit from the Account a reasonable administrative charge for each notification of insufficient funds. Franchisee shall not be entitled to set off, deduct or otherwise withhold any Royalty Fees, Advertising Fund Contributions, interest charges or any other monies payable by Franchisee under this Agreement on grounds of any alleged non-performance by Franchisor of any of its obligations or for any other reason.

3.05. Notwithstanding the provisions of Section 3.04, Franchisor reserves the right to modify, at its option, the method by which Franchisee pays the Royalty Fees, Advertising Fund Contributions and other amounts owed under this Agreement, including interest charges, upon receipt of written notice from Franchisor.

3.06 If any monetary obligations owed by Franchisee to Franchisor and its subsidiaries and affiliates are more than seven (7) days overdue, Franchisee shall, in addition to such obligations, pay to Franchisor a sum equal to one and one-half percent (1.5%) of the overdue

balance per month, or the highest rate permitted by law, whichever is less, from the date said payment is due.

IV. ACCOUNTING AND RECORDS

4.01. Accurate Books and Records. During the Term of this Agreement, Franchisee shall maintain and preserve, for at least three (3) years from the dates of their preparation, full, complete and accurate books, records and accounts in accordance with generally accepted accounting principles and in the form and the manner prescribed by Franchisor from time-to-time in the Manual or otherwise in writing. These records shall include daily and weekly sales tapes (including non-resettable readings), daily and weekly sales mix tapes, meals, sales and other tax returns, duplicate deposit slips and other evidence of Gross Sales and all other business transactions.

4.02. Royalty Reports. Franchisee shall submit to Franchisor, no later than the date each weekly royalty payment is due during the Term of this Agreement, a report on forms prescribed by Franchisor, accurately reflecting all Gross Sales during the preceding week and such other forms, reports, records, financial statements or information as Franchisor may reasonably require in the Manual, or otherwise in writing. Franchisor may require Franchisee to submit such written reports in addition to the Gross Sales information transmitted to Franchisor by Franchisee's POS and BOH Systems (as defined below).

4.03. Periodic Statements. Franchisee shall, at its expense, submit to Franchisor: (i) each Period (as defined below), month or quarter, as determined by Franchisor, within thirty (30) days following the end of each Period, month or quarter of the Term hereof, profit and loss statements with such detail and in a format as Franchisor may reasonably require; and (ii) quarterly, within thirty (30) days following the end of each quarter during the Term hereof, an unaudited financial statement including an income statement, balance sheet and statement of cash flow, with such detail and in a format as Franchisor may reasonably require (**"Quarterly Statement"**), together with a certificate executed by Franchisee stating that such financial statement is true and accurate. Upon Franchisor's request, Franchisee shall submit to Franchisor, with each Quarterly Statement, copies of any state or local sales tax returns (**"Sales Tax Returns"**) filed by Franchisee for the period included in the Quarterly Statement. In the event Franchisee prepares financial statements on the basis of thirteen (13), four (4) week periods (**"Periods"**), the Quarterly Statements shall be submitted within thirty (30) days following the end of the fourth (4^{th}), seventh (7^{th}), tenth (10^{th}) and thirteenth (13^{th}) Periods.

4.04. Annual Financial Statements. Franchisee shall, at its expense, submit to Franchisor within ninety (90) days following the end of each calendar or fiscal year during the Term of this Agreement, an unaudited financial statement for the preceding calendar or fiscal year, including an income statement, balance sheet and statement of cash flow, with such detail and in a format as Franchisor may reasonably require, together with a certificate executed by Franchisee certifying that such financial statement is true and accurate (**"Annual Financial Statements"**) and such other information in such form as Franchisor may reasonably require. Upon written request from Franchisor, the foregoing Annual Financial Statement shall include a profit and loss statement and balance sheet for the Franchised Unit, and shall be prepared in

accordance with generally accepted accounting principles. In the event Franchisee defaults under this Agreement, Franchisor may require, upon written notice to Franchisee, that all Annual Financial Statements submitted thereafter include a "Review Report" prepared by an independent Certified Public Accountant.

4.05. Other Reports. Franchisee shall also submit to Franchisor, for review or auditing, such other forms, financial statements, reports, records, information and data as Franchisor may reasonably designate, in the form and at the times and places reasonably required by Franchisor, upon request and as specified from time-to-time in the Manual or otherwise in writing. If Franchisee has combined or consolidated financial information relating to the Franchised Unit with that of any other business or businesses, including a business licensed by Franchisor, Franchisee shall simultaneously submit to Franchisor, for review or auditing, the forms, reports, records and financial statements (including the Quarterly Statements and Annual Financial Statements) which contain the detailed financial information relating to the Franchised Unit, separate and apart from the financial information of such other businesses. Franchisee hereby authorizes all of its suppliers and distributors to release to Franchisor, upon Franchisor's request, any and all of its books, records, accounts or other information relating to goods, products and supplies sold to Franchisee and/or the Franchised Unit.

4.06. POS and BOH Systems; Other Systems. Franchisee shall purchase, install and use a point-of-sale system ("**POS System**") and a back-of-house system ("**BOH System**"), in each case, that has been approved in writing by Franchisor and that meets Franchisor's specifications. Franchisee agrees that Franchisor (or Franchisor's designated vendor) shall have the right to retrieve any data and information from Franchisee's POS System and its BOH System as Franchisor, in its sole discretion, deems appropriate, including electronically polling sales, menu mix, transaction-level data, inventory, labor and other data of the Franchised Unit; provided, however, Franchisor shall take necessary precautions to preserve and protect Franchisee's security and privacy rights in exercising its right hereunder. Franchisee shall subscribe to Franchisor's approved polling solution. Franchisee shall use and adhere to a standardized set of menu sales item price look-up codes (PLUs) and descriptors for every menu sales item in Franchisee's POS System and BOH System, including limited time offers. Franchisor may revise its specifications for the POS System and the BOH System periodically. Consequently, Franchisee must upgrade, update or add new features or components to Franchisee's POS System and its BOH System at such time(s) as such specifications are revised. In addition to the foregoing, Franchisor may poll data and information from other systems installed at the Franchised Unit, including speed of service data from drive-thru timer systems.

4.07. Franchisor's Right of Audit. Franchisor or its designated agents or auditors shall have the right at all reasonable times to audit, review and examine by any means, including electronically through the use of telecommunications devices or otherwise, at its expense, the books, records, accounts, and tax returns of Franchisee related to the Franchised Unit. If any such audit, review or examination reveals that Gross Sales have been understated in any report to Franchisor, Franchisee shall immediately pay to Franchisor the royalty fee and Advertising Fund Contribution due with respect to the amount understated upon demand, in addition to interest from the date such amount was due until paid, at the rate of one and one-half percent (1.5%) per

month. If any such understatement exceeds two percent (2%) of Gross Sales as set forth in the report, Franchisee shall, in addition, upon demand, reimburse Franchisor for any and all costs and expenses connected with such audit, review or examination (including reasonable accounting and attorneys' fees). The foregoing remedies shall be in addition to any other rights and remedies Franchisor may have.

V. PROPRIETARY MARKS

5.01. It is understood and agreed that the franchise granted herein to use Franchisor's Proprietary Marks applies only to use in connection with the operation of the Franchised Unit franchised in this Agreement at the location designated in Section I hereof, and includes only such Proprietary Marks as are now designated or which may hereafter be designated, in the Manual or otherwise in writing as a part of the System (which might or might not be all of the Proprietary Marks pertaining to the System owned by Franchisor), and does not include any other mark, name, or indicia of origin of Franchisor now existing or which may hereafter be adopted or acquired by Franchisor.

5.02. With respect to Franchisee's use of the Proprietary Marks pursuant to this Agreement, Franchisee acknowledges and agrees that:

A. Franchisee shall not use the Proprietary Marks as part of Franchisee's corporate or other business name;

B. Franchisee shall not hold out or otherwise use the Proprietary Marks to perform any activity or incur any obligation or indebtedness in such manner as might, in any way, make Franchisor liable therefore, without Franchisor's prior written consent;

C. Franchisee shall execute any documents and provide such other assistance deemed necessary by Franchisor or its counsel to obtain protection for the Proprietary Marks or to maintain the continued validity of such Proprietary Marks; and

D. Franchisor reserves the right to substitute different Proprietary Marks for use in identifying the System and the franchised businesses operating thereunder, and Franchisee agrees to immediately substitute Proprietary Marks upon receipt of written notice from Franchisor.

5.03. Franchisee expressly acknowledges Franchisor's exclusive right to use the mark "Popeyes" for restaurant services, fried chicken, and other related food products; the building configuration; and the other Proprietary Marks of the System. Franchisee agrees not to represent in any manner that it has any ownership in the Proprietary Marks or the right to use the Proprietary Marks except as provided in this Agreement. Franchisee further agrees that its use of the Proprietary Marks shall not create in its favor any right, title, or interest in or to the Proprietary Marks, and that all of such use shall inure to the benefit of Franchisor.

5.04. Franchisee acknowledges that the use of the Proprietary Marks outside the scope of this license, without Franchisor's prior written consent, is an infringement of Franchisor's

exclusive right to use the Proprietary Marks, and during the term of this Agreement and after the expiration or termination hereof, Franchisee covenants not to, directly or indirectly, commit an act of infringement or contest or aid in contesting the validity or ownership of Franchisor's Proprietary Marks, or take any other action in derogation thereof.

5.05. Franchisee shall promptly notify Franchisor of any suspected infringement of, or challenge to, the validity of the ownership of, or Franchisor's right to use, the Proprietary Marks licensed hereunder. Franchisee acknowledges that Franchisor has the right to control any administrative proceeding or litigation involving the Proprietary Marks. In the event Franchisor undertakes the defense or prosecution of any litigation relating to the Proprietary Marks, Franchisee agrees to execute any and all documents and to do such acts and things as may, in the opinion of counsel for Franchisor, be necessary to carry out such defense or prosecution. Except to the extent that such litigation is the result of Franchisee's use of the Proprietary Marks in a manner inconsistent with the terms of this Agreement, Franchisor agrees to reimburse Franchisee for its out-of-pocket costs in doing such acts and things, except that Franchisee shall bear the salary costs of its employees.

5.06. Franchisee understands and agrees that its license with respect to the Proprietary Marks is non-exclusive to the extent that Franchisor has and retains the right under this Agreement:

A. To grant other licenses for the Proprietary Marks, in addition to those licenses already granted to existing franchisees;

B. To develop and establish other franchise systems for the same, similar, or different products or services utilizing proprietary marks not now or hereafter designated as part of the System licensed by this Agreement, and to grant licenses thereto, without providing Franchisee any right therein; and

C. To develop and establish other systems for the sale, at wholesale or retail, of similar or different products utilizing the same or similar Proprietary Marks, without providing Franchisee any right therein.

5.07. Franchisee acknowledges and expressly agrees that any and all goodwill associated with the System and identified by the Proprietary Marks used in connection therewith shall inure directly and exclusively to the benefit of Franchisor and is the property of Franchisor, and that upon the expiration or termination of this Agreement or any other agreement, no monetary amount shall be assigned as attributable to any goodwill associated with any of Franchisee's activities in the operation of the Franchised Unit granted herein, or Franchisee's use of the Proprietary Marks.

5.08. Franchisee understands and acknowledges that each and every detail of the Popeyes System is important to Franchisee, Franchisor, and other franchisees in order to develop and maintain high and uniform standards of quality and services, and hence to protect the reputation and goodwill of Popeyes Restaurants. Accordingly, Franchisee covenants:

A. To operate and advertise the Franchised Unit, at Franchisee's own expense, under the name "Popeyes Louisiana Kitchen," without prefix or suffix;

B. To adopt and use the Proprietary Marks licensed hereunder solely in the manner prescribed by Franchisor; and

C. To observe such reasonable requirements with respect to trademark registration notices as Franchisor may from time to time direct in the Manual or otherwise in writing.

5.09. In order to preserve the validity and integrity of the Proprietary Marks licensed herein and to assure that Franchisee is properly employing the same in the operation of the Franchised Unit, Franchisor or its agents shall at all reasonable times have the right to inspect Franchisee's operations, premises, and Franchised Unit and make periodic evaluations of the services provided and the products sold and used therein. Franchisee shall cooperate with Franchisor's representatives in such inspections and render such assistance to the representatives as may reasonably be requested.

VI. ORGANIZATION OF FRANCHISEE

6.01. Franchisee makes the following representations, warranties and covenants to Franchisor:

A. If Franchisee is a legal entity such as a business corporation, partnership, limited liability company or other legal entity, Franchisee represents, warrants and agrees that: (i) Franchisee is duly organized, in good standing, and validly existing under the laws of the state of its organization; (ii) Franchisee is duly qualified to transact business in (and is in good standing in) the state in which the Franchised Unit is located; (iii) Franchisee's governing documents permit execution of this Agreement and the development and operation of the Franchised Unit; (iv) unless waived in writing by Franchisor, Franchisee's governing documents shall at all times provide that Franchisee's activities are restricted to those necessary solely for the development, ownership and operation of the Franchised Unit in accordance with this Agreement and any other agreements entered into with Franchisor or its affiliates; and (v) one owner of Franchisee is and shall be the chief executive officer or managing member of Franchisee, holding such office or offices as may be necessary to maintain and exercise the actual power and authority actively to direct the affairs of Franchisee.

B. If Franchisee is an individual, a group of individuals or a partnership comprised solely of individuals, Franchisee makes the following additional representations and warranties: (i) each individual has executed this Agreement; (ii) each individual shall be jointly and severally bound by, and personally liable for the timely and complete performance and a breach of, each and every provision of this Agreement; and (iii) notwithstanding any transfer to a business entity formed for convenience of ownership, each individual shall continue to be jointly and severally bound by, and

personally liable for the timely and complete performance and a breach of, each and every provision of this Agreement.

6.02. Franchisee shall furnish to Franchisor, upon execution or any subsequent transfer of this Agreement, as applicable, true and complete copies of the articles or certificate of incorporation, articles of organization, membership agreement, partnership agreement, bylaws, subscription agreements, buy-sell agreements, voting trust agreements and all other documents relating to the ownership, organization, capitalization, management and control of Franchisee and all amendments thereto and a list of shareholders, members or owners showing the percentage interest of each. When any of these governing documents are modified or changed, Franchisee promptly shall provide copies to Franchisor. Franchisee may not change the form of its entity unless Franchisor mutually agrees in writing that such a change is warranted. Franchisee shall promptly furnish Franchisor, on a regular basis, with certified copies of such business records material to the Franchised Business as Franchisor may require from time to time in the Manual or otherwise in writing.

6.03 Restrictive Legend.

A. If Franchisee is a corporation, Franchisee shall maintain stop-transfer instructions against the transfer, on its records, of any securities with voting rights, subject to the restrictions of this Agreement, and each stock certificate of the corporate Franchisee representing each share of stock, shall have conspicuously endorsed upon it the following legend: "Any assignment or transfer of this stock is subject to the restrictions imposed on assignment by the Popeyes Louisiana Kitchen Franchise Agreement with Popeyes Louisiana Kitchen, Inc. dated [INSERT AGREEMENT DATE] to which the corporation is a party."

B. If Franchisee is a limited liability company, each membership or management certificate shall have conspicuously endorsed upon its face the following statement: "Any assignment or transfer of an interest in this limited liability company is subject to the restrictions imposed on assignment by the Popeyes Louisiana Kitchen Franchise Agreement with Popeyes Louisiana Kitchen, Inc. dated [INSERT AGREEMENT DATE] to which the limited liability company is a party."

C. If Franchisee is a partnership, Franchisee's written partnership agreement shall provide that ownership of an interest in the partnership is held, and that further assignment or transfer thereof, is subject to all restrictions imposed on assignment by this Agreement.

6.04. Franchisee shall, prior to the execution of this Agreement, furnish to Franchisor a completed Statement of Legal Composition in the form attached hereto as **Exhibit "C"** or such other form as Franchisor may designate, which completed statement shall identify all parties with an ownership interest in Franchisee, the amount of such ownership interest, the jurisdiction in which Franchisee is legally incorporated or organized, and other information specified. Franchisee shall promptly advise Franchisor of any proposed change in Franchisee's legal composition and thereafter furnish to Franchisor an updated Statement of Legal Composition

promptly when requested by Franchisor. Franchisee represents, warrants, and covenants to Franchisor that all of the information furnished in the Statement of Legal Composition shall be true and correct and complete at all times during the Term.

6.05 Unless Franchisee is a publicly-held entity, all of Franchisee's officers, directors and all holders of a legal or beneficial interest in Franchisee of ten percent (10%) or more (**"Owners"**) shall jointly and severally guarantee Franchisee's payment and performance under this Agreement and also shall bind themselves to the terms of this Agreement pursuant to a Guaranty and Subordination, in a form acceptable to Franchisor. Franchisor reserves the right, in its sole discretion, from time to time upon consideration of certain circumstances presented by Franchisee such as for family estate planning purposes, to waive the requirement that some or all of the previously described individuals execute the Guaranty and Subordination. Franchisor reserves the right to require any guarantor to provide personal financial statements to Franchisor from time to time.

6.06 If Franchisee is owned by more than one individual, Franchisee shall designate and retain an individual to serve as the Key Operator. The term **"Key Operator"** shall be defined as a person who has been approved by Franchisor, in its sole discretion, as the individual who possesses the operational experience, skills, and other criteria set forth in this Section 6.06. The Key Operator as of the date of this Agreement is identified in the Statement of Legal Composition attached as **Exhibit "C"**. Unless waived in writing by Franchisor, the Key Operator shall meet all of the following qualifications:

A. The Key Operator, at all times, shall own five percent (5%) or more of the legal or beneficial interest in Franchisee (or, alternatively, have the right to receive five percent (5%) or more of the operating profits of the Franchised Unit). This Section 6.06 shall not apply if Franchisee was a publicly-held entity or a wholly-owned subsidiary of a publicly-held entity as of the date of the first franchise-related agreement between Franchisee and Franchisor.

B. The Key Operator shall, at all times, have full control over the day-to-day activities, including operations, of the Franchised Unit and those other Franchised Units operated by Franchisee in the same geographic area as the Franchised Unit, including control over the standards of operation and financial performance.

C. The Key Operator shall devote full-time and best efforts to supervising the operation of the Franchised Unit and those other Franchised Units operated by Franchisee in the same geographic area as the Franchised Unit and shall not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility.

D. The Key Operator shall maintain his primary residence within a reasonable driving distance of the Franchised Unit.

E. The Key Operator shall successfully complete all modules of PTP, as defined in Section 8.02 A. of this Agreement, that are applicable to a Key Operator and any additional training required by Franchisor.

F. Franchisor shall have approved the Key Operator, and not have later withdrawn that approval.

G. If the Key Operator no longer qualifies as such, Franchisee shall designate another qualified person to act as Key Operator within 30 days after the date the prior Key Operator ceases to be qualified. Franchisee's designee to become the Key Operator must successfully complete all modules of PTP that are applicable to a Key Operator. Following Franchisor's approval of a new Key Operator, that person shall execute a Guaranty and Subordination Agreement unless waived by Franchisor in its sole discretion or unless otherwise provided in accordance with Section 6.05 herein.

VII. CONFIDENTIAL OPERATING STANDARDS MANUAL

7.01. In order to protect the reputation and goodwill of Franchisor and the Popeyes System and to maintain uniform standards of operation under Franchisor's Proprietary Marks, Franchisee shall conduct the Franchised Business in accordance with Franchisor's Brand Standards and Procedures, its Brand Training Standards, and such other operating standards, specifications, procedures and techniques prescribed by Franchisor from time to time (collectively, whether made available to Franchisee via electronic communication (including the internet) or via hard copy, and all amendments and updates thereto, the **"Manual"**).

7.02. Franchisee shall at all times treat the Manual, and the information contained therein, as confidential, and shall use all reasonable efforts to keep such information secret and confidential. Franchisee shall not, at any time, without Franchisor's prior written consent, copy, duplicate, record, or otherwise make the Manual available to any unauthorized person or entity.

7.03. The Manual shall at all times remain the sole property of Franchisor.

7.04. In order for Franchisee to benefit from new knowledge, information, methods and technology adopted and used by Franchisor in the operation of the System, Franchisor may from time to time revise the Manual by bulletin, videotape, electronic mail or by other written or electronic communication, including the internet. Franchisee shall review, understand, adhere to and abide by all such revisions. Franchisee acknowledges and agrees that (i) Franchisor retains the right to modify, add to, or rescind any requirement, standard, or specification set forth in the Manual in order to adapt the Popeyes System to changing conditions, competitive circumstances, business strategies, business practices, and technological innovations and other changes that Franchisor deems appropriate in its business judgment, and (ii) Franchisee shall comply with such modifications, additions, or rescissions. Notwithstanding the foregoing, no new requirement, standard or specification set forth in the Manual or otherwise, may act as a unilateral amendment to any express term, condition, or provision of this Agreement.

7.05. If Franchisee desires to print a physical copy of the Manual (subject to Franchisor's prior written consent, as provided above), Franchisee agrees at all times to keep such copy current and up-to-date, and in the event of any dispute as to the contents of such copy, the terms of the Manual maintained by Franchisor shall be controlling.

7.06. The Manual is intended to further the purposes of this Agreement, and is specifically incorporated, by reference, into this Agreement. Except as otherwise set forth in this Agreement, in the event of a conflict between the terms of this Agreement and the terms of the Manual, the terms of this Agreement shall control. Franchisee acknowledges and agrees that any required standards set forth in this Agreement and the Manual exist to protect Franchisor's interests in the Popeyes System and the Proprietary Marks and not for the purpose of establishing any control or duty to take control over those matters that are reserved to Franchisee (including the day-to-day operation of the Franchised Unit and the conduct and management of Franchisee's employees).

VIII. TRAINING

8.01. Franchisee, the Key Operator, and, if Franchisee is an entity, all of Franchisee's officers, directors, all holders of a legal or beneficial interest in Franchisee of ten percent (10%) or more, and all holders of a legal or beneficial interest in Franchisee of less than ten percent (10%) if such holders are actively involved with the day-to-day operations of the Franchised Unit, must complete, to Franchisor's satisfaction, the Popeyes New Franchisee Orientation Program (**"NFOP"**) prior to opening or taking possession of the first franchised Popeyes Louisiana Kitchen unit operated by Franchisee. NFOP shall consist of a maximum two (2) day event conducted at a facility designated by Franchisor, which facility may be Franchisor's Corporate Headquarters in Atlanta, Georgia.

8.02. If the Franchised Unit is Franchisee's first Popeyes Restaurant, then in addition to completing the NFOP, a minimum of five (5) designated management employees of Franchisee, including the Key Operator, must complete, to Franchisor's satisfaction, the Popeyes Training Program as described in the Manual for their applicable management role at the Restaurant (**"PTP"**), prior to taking possession of or opening the Franchised Unit. PTP consists of a blended learning approach, including online, in-restaurant, and classroom training as well as training at locations designated by Franchisor. If the Franchised Unit is not Franchisee's first Popeyes Restaurant (i.e. Franchisee owns and operates one or more Popeyes Restaurants as of the date of this Agreement), and if Franchisee already has an approved Key Operator who has completed PTP for his or her applicable management role in the Restaurant, then a minimum of three (3) designated management employees of Franchisee must complete, to Franchisor's satisfaction, PTP for their applicable management roles at the Restaurant, prior to taking possession of or opening the Franchised Unit. The exact number of Franchisee's management employees required to complete PTP for their applicable management roles at the Restaurant shall be determined by Franchisor in its sole discretion.

8.03. If Franchisee's management employees complete PTP to Franchisor's satisfaction, Franchisor will issue certificates of completion for these trainees. A management employee (including the Key Operator) that successfully completes the designated segments of PTP for his or her applicable management role at the Restaurant is designated as a "**Popeyes Certified Manager**". Throughout the term of the Franchise Agreement, Franchisee shall employ at the Restaurant at least one (1) Restaurant manager and three (3) or more shift managers who have satisfactorily completed all modules of PTP for their applicable management role at the Restaurant and who have a current ServSafe Food Safety Certification (or state/local mandated

equivalent certification). Franchisee must enroll a qualified replacement in PTP for any manager or shift manager who ceases active employment at the Franchised Restaurant within thirty (30) days after the former employee's last day of employment. The replacement employee must complete PTP for their applicable management role at the Restaurant.

8.04. PTP is conducted at a Certified Training Restaurant (as defined below) with at least one Certified Training Manager (as defined below), whether such restaurant is company-operated or franchisee-operated, and at such other training locations designated by Franchisor. The cost to facilitate PTP training at a franchisee-operated Popeyes Restaurant may vary from franchisee to franchisee and must be paid prior to trainees entering PTP. Similarly, the cost to facilitate PTP training at other locations designated by Franchisor may also vary and must be paid prior to trainees entering PTP training. The administration of PTP shall be in such format designated by Franchisor in the Manual or otherwise in writing. As used in this Agreement, (i) a "**Certified Training Manager**" shall mean an individual designated by (and having the qualifications set by) Franchisor (as more particularly set forth in the Manual or otherwise in writing), and (ii) a "**Certified Training Restaurant**" shall mean a Popeyes Restaurant designated by (and having the qualifications set by) Franchisor (as more particularly set forth in the Manual or otherwise in writing).

8.05. Franchisor reserves the right to test any and all Popeyes Certified Managers on an annual basis, and may require such individuals to attend and complete additional training at a training facility designated by Franchisor, and at Franchisee's sole cost and expense, in the event they fail to achieve a satisfactory score on such test. Additionally, Franchisor may make available to Franchisee or Franchisee's employees, from time to time, such additional training programs as Franchisor, in its sole discretion, may choose to conduct. Attendance at said training programs may be mandatory. The fees, costs, and expenses of conducting such additional training programs (instruction and required materials) shall be borne by Franchisee. All other fees, costs, and expenses during the training period, including travel (including daily transportation to and from training), accommodations, meals, uniforms, and employee wages and benefits (including any routine or emergency medical services) shall also be borne by Franchisee.

IX. DUTIES OF THE FRANCHISOR

9.01. Franchisor will make available to Franchisee such continuing advisory assistance in the operation of the Franchised Business, in person or by electronic or written bulletins made available from time to time, as Franchisor may deem appropriate.

9.02. Franchisor, in its sole discretion, may provide opening assistance to Franchisee at the Franchised Unit.

9.03. Franchisor will make available to Franchisee standard plans and specifications to be utilized only in the development of Franchisee's Construction Plans for the Franchised Unit. Franchisee may not modify or deviate from such standard plans and specifications or Franchisee's approved equipment plan (including any modifications or deviations that may be

required by local or state laws, regulations or ordinances) without Franchisor's prior written consent.

9.04. Franchisor will make the Manual available to Franchisee electronically via electronic mail, the internet or other electronic format.

9.05. Franchisor will continue its efforts to maintain high and uniform standards of quality, cleanliness, appearance and service at all Popeyes Restaurants, to protect and enhance the reputation of the Popeyes System and the demand for the products and services of the System. Franchisor will establish uniform criteria for approving suppliers; make every reasonable effort to disseminate its standards and specifications to prospective suppliers of Franchisee upon the written request of Franchisee, provided that Franchisor may elect not to make available to prospective suppliers the standards and specifications for such food formulas or equipment designs deemed by Franchisor in its sole discretion to be confidential; and may conduct periodic inspections of the premises and evaluations of the products used and sold at the Franchised Unit and in all other Popeyes Restaurants.

9.06. Franchisor will provide training to Franchisee as set forth in Section VIII hereof.

X. DUTIES OF THE FRANCHISEE

Franchisee understands and acknowledges that every detail of the System is important to Franchisor, Franchisee and other franchisees in order to develop and maintain high and uniform operating standards, to increase the demand for Popeyes products and services, and to protect the reputation and goodwill of Franchisor. Accordingly, Franchisee agrees that:

10.01. Franchisee shall maintain, at all times during the term of this Agreement, at Franchisee's expense, the premises of the Franchised Unit and all fixtures, furnishings, signs, systems and equipment (**"improvements"**) thereon or therein, in conformity with Franchisor's high standards and public image and to make such additions, alterations, repairs, and replacements thereto (but no others, without Franchisor's prior written consent) as may be required by Franchisor, including the following:

A. To keep the Franchised Unit in the highest degree of sanitation and repair (including such periodic repainting, repairs or replacement of impaired equipment, and replacement of obsolete signs, all as Franchisor may reasonably direct) and to maintain at the Franchised Unit at all times a facilities maintenance program created and internally administered by Franchisee (or a professional facilities maintenance company selected and retained by Franchisee) that is commercially reasonable based upon the Franchised Unit's particular circumstances (including the age and overall condition of the Franchised Unit, including its furniture, fixtures and equipment); for avoidance of doubt, Franchisee shall not be required to retain or pay for an outside professional facilities maintenance company so long as Franchisee has adequate resources and properly trained personnel to create and administer the facilities maintenance program internally, all as determined by Franchisor in Franchisor's good faith, using Franchisor's commercially reasonable discretion;

B. To meet and maintain the highest governmental standards and ratings applicable to the operation of the Franchised Business;

C. At its sole cost and expense, to complete a full reimaging, renovation, refurbishment and modernization of the Franchised Unit, within the time frame required by Franchisor, but no more often than once every six (6) years (provided, however, Franchisor may require Franchisee to submit reimaging plans and obtain Franchisor's approval of such plans twelve (12) months prior to the required completion date), including the building design, parking lot, landscaping, equipment, signs, interior and exterior decor items, fixtures, furnishings, trade dress, color scheme, presentation of trademarks and service marks, supplies and other products and materials, to meet Franchisor's then-current standards, specifications and design criteria for Popeyes Restaurants, including such structural changes, remodeling and redecoration and such modifications to existing improvements as may be necessary to do so (**"Franchised Unit Renovation"**). However, notwithstanding the foregoing:

(i) Franchisee shall not be required to perform a Franchised Unit Renovation if there are less than two (2) years remaining on the term of this Agreement.

(ii) If Franchisor has provided to Franchisee written notice that Franchisee is required to complete a Franchised Unit Renovation on or before a date certain in accordance with the foregoing (the **"Required Renovation Date"**) and there are from the Required Renovation Date less than five (5) years but two (2) years or more remaining on the term of this Agreement, then Franchisee may, at its option, extend the term of this Agreement to a date selected by Franchisee that is up to five (5) years following the Required Renovation Date, provided that: (A) Franchisee gives Franchisor written notice of such election to extend not less than six months prior to the Required Renovation Date, or three months following receipt of written notice of the Required Renovation Date, whichever is later; (B) Franchisee is in good-standing (as defined in Section II of this Agreement); (C) prior to the Required Renovation Date, Franchisee executes an amendment to this Agreement to document the extended term; (D) concurrently with Franchisee's execution of such amendment, Franchisee pays to Franchisor an extension fee equal to Franchisor's then-current initial Franchise Fee, prorated for the extended term; and (E) Franchisee in fact completes such Franchised Unit Renovation on or before the Required Renovation Date. At the end of such extended term, Franchisee may renew this franchise in accordance with the Renewal Term and Supplemental Term Option provisions of this Agreement.

Nothing in this Section 10.01(C) shall be deemed to limit Franchisee's other obligations, during the term of this Agreement, to operate the Franchised Unit in accordance with

Franchisor's standards and specifications for the Popeyes System, including the obligations set forth in this Section X; and

D. The Franchised Unit shall at all times be under the on-site supervision of the Key Operator or a Popeyes Certified Manager. Franchisee or, if Franchisee is owned by more than one individual, the Key Operator shall remain active in overseeing the operations of the Franchised Unit, including regular, periodic visits to the Franchised Unit and sufficient communications with Franchisor to ensure that the Franchised Unit's operations comply with the operating standards as promulgated by Franchisor from time to time in the Manual or otherwise in written or oral communications. Following reasonable advance notice from Franchisor, from time to time, Franchisee shall attend in-person meetings with Franchisor's representatives to (among other things) review and discuss the operations and performance of the Restaurant and other Popeyes Restaurants operated by Franchisee and its affiliates, which meetings shall be at a location designated by Franchisor (which location may include Franchisor's corporate headquarters in Atlanta, Georgia).

E. Franchisee shall have sole authority and control over the day-to-day operations of the Franchised Unit. Without limiting the generality of the foregoing, Franchisee shall be solely responsible for (i) recruiting and hiring all employees of the Franchised Unit, (ii) the terms of such employees' employment and compensation, (iii) the proper training of such employees in the operation of the Franchised Unit (including in human resources and customer relations), and (iv) Franchisee's compliance with all applicable employment and workplace-related laws (including with respect to such employees' wages, taxes, benefits, safety, work schedules, work conditions, assignments, discipline, and termination). Franchisee shall employ only suitable persons of good character and reputation who will at all times conduct themselves in a competent and courteous manner in accordance with the image and reputation of the Popeyes System and, while on duty, comply with the dress attire, personal appearance and hygiene standards set forth in the Manual. Franchisee shall use its best efforts to ensure that Franchisee's employees maintain a neat and clean appearance and render competent and courteous service to all customers and fellow employees of the Franchised Unit. At no time shall Franchisee's employees be deemed to be Franchisor's employees or agents, and Franchisor shall have no right or obligation to direct Franchisee's employees or oversee Franchisee's employment policies or practices.

F. Franchisee shall post a sign in a conspicuous location at the Franchised Unit that contains Franchisee's name and states that the Franchised Unit is independently owned and operated by Franchisee under a franchise agreement with Franchisor.

10.02. Franchisee shall operate the Franchised Unit in conformity with such uniform methods, standards, and specifications as Franchisor may from time to time prescribe in the Manual or otherwise in writing, to insure that the highest degree of quality, service and cleanliness is uniformly maintained and to refrain from any deviation therefrom and from otherwise operating in any manner which reflects adversely on Franchisor's name and goodwill or on the Proprietary Marks, and in connection therewith:

A. To maintain in sufficient supply, and use at all times, only such ingredients, products, materials, supplies, and paper goods as conform to Franchisor's standards and specifications, and to refrain from deviating therefrom by using non-conforming items, without Franchisor's prior written consent;

B. To sell or offer for sale only such products and menu items that have been expressly approved for sale in writing by Franchisor, meet Franchisor's uniform standards of quality and quantity and as have been prepared in accordance with Franchisor's methods and techniques for product preparation; to sell or offer for sale the minimum menu items specified in the Manual or otherwise in writing; to refrain from any deviation from Franchisor's standards and specifications for serving or selling the menu items, without Franchisor's prior written consent; and to discontinue selling or offering for sale such items as Franchisor may, in its discretion, disapprove in writing at any time;

C. To use the premises of the Franchised Unit solely for the purpose of conducting the business franchised hereunder, and to conduct no other business or activity thereon, whether for profit or otherwise, without Franchisor's prior written consent;

D. To keep the Franchised Unit open and in normal operation during such business hours as Franchisor may prescribe in the Manual or otherwise in writing;

E. To permit Franchisor or its agents, at any time during ordinary business hours, to remove from the Franchised Unit samples of any ingredients, products, materials, supplies, and paper goods used in the operation of the Franchised Unit, without payment therefore, in amounts reasonably necessary for testing by Franchisor or an independent laboratory, to determine whether such samples meet Franchisor's then-current standards and specifications. In addition to any other remedies it may have under this Agreement, Franchisor may require Franchisee to bear the cost of such testing if any such ingredient, products, materials, supplier or paper goods have been obtained from a supplier not approved by Franchisor, or if the sample fails to conform to Franchisor's specifications;

F. To purchase, install and construct, at Franchisee's expense, all improvements, furnishings, signs and equipment specified in the approved standard plans and specifications, and such other furnishings, signs or equipment as Franchisor may reasonably direct from time to time in the Manual or otherwise in writing; and to refrain from installing or permitting to be installed on or about the premises of the Franchised Unit, without Franchisor's written consent, any improvements, furnishings, signs or equipment not first approved in writing as meeting Franchisor's standards and specifications;

G. To comply with all applicable federal, state and local laws, regulations and ordinances pertaining to the operation of the Franchised Business. Franchisee shall

notify Franchisor if the Franchised Unit is closed by order of the health department or other governmental authority within twenty-four (24) hours of such closure; and

H. Franchisee shall grant Franchisor and its agents the right to enter upon the premises of the Franchised Unit at any time during ordinary business hours for the purpose of conducting inspections; cooperate with Franchisor's representatives in such inspections by rendering such assistance as they may reasonably request; and, upon notice from Franchisor or its agents, and without limiting Franchisor's other rights under this Agreement, take such steps as may be necessary immediately to correct the deficiencies detected during any such inspection, including immediately desisting from the further use of any equipment, promotional materials, products, or supplies that do not conform with Franchisor's then-current specifications, standards, or requirements.

10.03. Franchisee shall purchase all ingredients, products, materials, supplies, and other items required in the operation of the Franchised Business which are or incorporate trade-secrets of Franchisor, as designated by Franchisor (**"Trade-Secret Products"**) only from Franchisor or suppliers designated by Franchisor, and these Trade-Secret Products shall only be purchased for, used or sold, directly or indirectly, at the Franchised Unit.

10.04. Franchisee shall purchase all ingredients, products, materials, supplies, including cleaning supplies, paper goods, and other items required for the operation of the Franchised Business (including items required for limited time offers), except Trade-Secret Products, solely from suppliers who demonstrate, to the continuing reasonable satisfaction of Franchisor, the ability to meet Franchisor's reasonable standards and specifications for such items; who possess adequate quality controls and capacity to supply Franchisee's needs promptly and reliably; and who have been approved in writing by Franchisor and such approval has not thereafter been revoked. If Franchisee desires to purchase any such items from an unapproved supplier, Franchisee shall submit to Franchisor a written request for approval, or shall request the supplier itself to seek approval. Franchisor shall have the right to require, as a condition of its approval, that its representatives be permitted to inspect the supplier's facilities, and that samples from the supplier be delivered, at Franchisor's option, either to Franchisor or to an independent laboratory designated by Franchisor for testing prior to granting approval. A charge not to exceed Franchisor's reasonable cost of inspection, including the actual cost of testing shall be paid by the supplier or Franchisee. In addition, if the proposed supplier lacks its own current and approved form of third-party audit, Franchisor's reasonable cost of third-party audit fees shall also be paid by the supplier or Franchisee. Franchisor reserves the right, at its option, to reinspect the facilities and products of any such approved supplier from time to time and to revoke its approval upon failure of such supplier to continue to meet any of the foregoing criteria. Nothing in the foregoing shall be construed to require Franchisor to approve any particular supplier, nor to require Franchisor to make available to prospective suppliers, standards and specifications for formulas that Franchisor, in its sole discretion, deems confidential.

10.05. Franchisor shall have the right, in its sole discretion, to establish an advertising cooperative (**"Ad Co-op"**) in any designated market area, as defined by Nielsen Media Research, Inc. (**"DMA"**). In addition, an Ad Co-op for the DMA in which the Franchised Unit

is located may be established upon the favorable vote of the owners of all Popeyes Restaurants (including non-franchised restaurants) within the same DMA. Each owner will be entitled to cast one (1) vote for each restaurant owned and operated by that owner within such DMA. If 80% of all votes entitled to be cast vote in favor of establishing an Ad Co-op, then such Ad Co-op shall be formed.

A. Once an Ad Co-op is established in the DMA in which the Franchised Unit is located, Franchisee shall become a member of such Ad Co-op upon commencement of operation of the Franchised Unit if the Ad Co-op is in existence at that time, or no later than thirty (30) days after the date on which the Ad Co-op commences operation. In no event shall Franchisee be required to be a member of more than one Ad Co-op with respect to the Franchised Unit.

B. If an Ad Co-op has been established, Franchisee shall contribute the amount established, from time to time, by the Ad Co-op for its members (the **"Co-op Contribution"**). The Co-op Contribution shall be sent to Franchisor by Franchisee together with the Advertising Fund Contribution set forth in Section 3.02 herein, and will be allocated by Franchisor to the applicable Ad Co-op account, which will be administered by Franchisor.

C. Each Ad Co-op shall be organized and governed in a form and manner, and shall commence operations on a date, approved in advance by Franchisor in writing.

1. Each Cooperative shall be organized for the primary purpose of administering regional advertising programs and developing, subject to Franchisor's approval, standardized promotional materials for use by its members in local advertising.

2. No advertising or promotional plans or materials may be used by an Ad Co-op or furnished to its members without the prior approval of Franchisor, pursuant to the procedures and terms set forth in Section 10.07. hereof.

3. Franchisee shall pay its required Co-op Contribution to Franchisor weekly, on Gross Sales for the preceding week, together with such statements or reports as may be required by Franchisor, or by the Ad Co-op with Franchisor's prior written approval.

D. Franchisor, in its sole discretion, may grant an exemption to any franchisee for any length of time from the requirement of membership in an Ad Co-op, and/or from the obligation to contribute thereto (including a reduction, deferral or waiver of such contribution), upon written request of such franchisee stating reasons supporting such exemption. Franchisor's decision concerning such request for exemption shall be final. If an exemption is granted to a franchisee, such franchisee shall be required to expend on local advertising, on a monthly basis, the same amount as would otherwise be assessed by the Ad Co-op, as set forth in Section 10.05.B. hereof.

E. Franchisor shall be a member of all Ad Co-ops in DMA's where Franchisor operates Popeyes Restaurants. Accordingly, Franchisor shall enjoy voting rights and shall make Co-op Contributions; provided, however, Popeyes Restaurants operated by Franchisor may be entitled to the same types of exemptions as provided to Franchisees in accordance with the terms of Section 10.05.D above.

10.06. All local advertising by Franchisee shall be in such media, and of such type and format as Franchisor may approve; shall be conducted in a dignified manner; and shall conform to such standards and requirements as Franchisor may specify. Franchisee shall not use any advertising or promotional plans or materials unless and until Franchisee has received written approval from Franchisor, pursuant to the procedures and terms set forth in Section 10.07. hereof.

10.07. All advertising and promotional plans proposed to be used by Franchisee or the Ad Co-op, where applicable, except such plans and materials that have been previously approved by Franchisor shall be submitted to Franchisor for Franchisor's written approval (except with respect to prices to be charged) prior to any use thereof. Franchisor shall use its best efforts to complete its review of Franchisee's proposed advertising and promotional plans within fifteen (15) days after Franchisor receives such plans. If written approval is not received by Franchisee or the Ad Co-op from Franchisor within fifteen (15) days after receipt by Franchisor of such plans, Franchisor shall be deemed to have disapproved such plans.

10.08. If Franchisee operates more than one (1) Franchised Unit, Franchisee shall have a supervisor, which may be Franchisee, if Franchisee is an individual, to supervise and coordinate the operation of the Franchised Units (a **"Supervisor"**). In addition to the foregoing, Franchisee shall employ an additional Supervisor upon the opening of Franchisee's eighth (8th) Franchised Unit and upon the opening of each successive seven (7) to ten (10) Franchised Units thereafter. Each Supervisor shall attend and successfully complete all modules of PTP that are applicable to a Supervisor prior to assuming any supervisory responsibilities and shall meet such other standards as Franchisor may reasonably impose.

10.09. If at any time the Franchised Unit is proposed to be operated by an entity or individual other than Franchisee, Franchisor reserves the right to review and approve the operating entity or individual and to require and approve an operating agreement prior to such party's assumption of operations. Franchisor may, in its sole discretion, reject either the operating entity, the individual operator or the operating agreement. If approved by Franchisor, the operating entity shall agree in writing to comply with all of Franchisee's obligations under the Franchise Agreement as though the operating entity were the franchisee designated therein, on such form as may be designated by Franchisor. The operation of the Franchised Unit by any party other than Franchisee, without Franchisor's prior written consent, shall be deemed a material default of this Agreement, for which Franchisor may terminate this Agreement pursuant to the provisions of Section 15.02. hereof.

10.10. By signing this Agreement, Franchisee becomes a member of Supply Management Services, Inc. ("SMS"), formerly Popeyes Operators Purchasing Cooperative Association or POPCA, or any successor thereto, and shall remain a member in good standing of

SMS throughout the term of this Agreement, and shall pay all reasonable membership fees assessed by SMS.

10.11. Franchisee shall purchase, install and maintain a computer system, separate from the POS System and the BOH System, at the Franchised Unit that meets Franchisor's current standards and specifications for training, communications and access to Internet-based resources provided by Franchisor (**"Computer System"**). Franchisor may periodically revise its specifications for the Computer System requiring Franchisee to promptly upgrade or update as necessary to meet Franchisor's then current standards and specifications.

10.12. Prior to opening the Franchised Unit, Franchisee shall implement a Customer Service Response System Program (**"CSRSP"**) satisfactory to Franchisor, with a third party vendor approved by Franchisor in writing. The CSRSP (i) must include a 24/365 "Live Operator" customer hotline; and (ii) may, at Franchisee's option, include "mystery shopper" visits on a quarterly basis throughout the term of this Agreement. The results of the CSRSP shall be forwarded to Franchisor by Franchisee and/or the approved CSRSP vendor on a weekly basis. Franchisee shall reimburse Franchisor for the cost of any remuneration or promotional materials provided to Franchisee's customers in response to complaints made to the hotline. Franchisor shall not use any unsatisfactory results of CSRSP as grounds for default under this Agreement or as the basis of a default action. The foregoing shall not in any way limit the rights of Franchisor to enforce any provision hereunder, nor limit the ability of Franchisor to declare a default hereunder for any breach of this Agreement.

10.13. Franchisee shall, in accordance with such requirements as Franchisor may from time to time prescribe in the Manual, participate in a guest feedback program offered through a third party service provider designated by Franchisor. Components of the program may, among other things, require Franchisee to offer (or reimburse Franchisor for offering) such guest incentives for guest participation in the program as Franchisor may reasonably require.

10.14. Franchisee shall not promote, offer or sell any products or other services related to the Franchised Business through the internet or use the Proprietary Marks or any marks similar thereto in any internet domain name, electronic mail address or home page address, or in the operation of any internet web site without Franchisor's prior written consent. In connection with any such consent, which Franchisor may grant or withhold, in Franchisor's sole discretion, Franchisor may establish such requirements as Franchisor deems appropriate, including, among others: (i) Franchisor may require Franchisee to submit to Franchisor for Franchisor's prior written approval, a sample of any proposed internet web site for the Franchised Business (**"Web Site"**), domain name, home page address, format and visible (including proposed screen shots and any text, video clips, photographs, images, sound bites or other materials in which any party other than Franchisor has any ownership interest) and non-visible content (including meta-tags) in the form and manner that Franchisor may reasonably require; (ii) Franchisor may require Franchisee to establish hyperlinks to Franchisor's web site and others as Franchisor may require, and to obtain Franchisor's prior written approval of Franchisee's use of any other hyperlinks and/or other links; (iii) Franchisor may require Franchisee to submit to Franchisor for Franchisor's prior written approval any modifications to Franchisee's Web Site. Franchisor may revoke Franchisor's approval of Franchisee's Web Site at any time and require Franchisee to

discontinue Franchisee's use of it and any domain names associated with it. In addition to any other applicable requirements, Franchisee must comply with any standards and specifications Franchisor develops that are applicable to Web Sites as set forth in the Manual or otherwise in writing, which standards and specifications Franchisor may modify from time to time. Franchisor may designate the form and content of Franchisee's Web Site and may require that any such Web Site be hosted by Franchisor or a third party whom Franchisor designates. Franchisor also may charge Franchisee a fee for developing, reviewing and approving Franchisee's Web Site and/or hosting it. In addition to the foregoing, Franchisee shall not use or permit any third party to use any of the Proprietary Marks in connection with any internet web site and/or as part of any internet domain name or electronic mail or home page address, unless such use is expressly approved by Franchisor in writing. Franchisee shall not, directly or indirectly, nor shall Franchisee instruct or authorize any third party to, engage in any online advertising for the Franchised Business, including but not limited to the purchase of keywords consisting of, containing or similar to any of the Proprietary Marks through any paid search program, without Franchisor's prior written consent, which Franchisor may grant or withhold, in Franchisor's sole discretion.

10.15. Franchisee shall not operate or create a social media site, page or group containing the Proprietary Marks using tools including, but not limited to, Facebook, MySpace, Twitter, YouTube, Instagram, Google+, Pinterest, Tumblr, SnapChat, Vine, or other social channels without Franchisor's prior written consent. Franchisor may, at any time, require any unapproved page, site or group be discontinued and deleted.

10.16. To the extent Franchisee opens or operates a Franchised Unit located on a military base, in a public educational institution, or in another government building or facility, or otherwise opens or operates a Franchised Unit in furtherance of a contract between Franchisor and the federal government, the following requirements shall apply to Franchisee:

A. Franchisee will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Franchisee will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Franchisee agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

B. Franchisee will, in all solicitations or advertisements for employees, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, sexual preference, age, disability, gender identity, genetic information, veteran status, national origin or other categories as provided by law.

C. Franchisee will send to any labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice advising the labor union or workers' representative of the Franchisee's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

D. Franchisee will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

E. Franchisee will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

F. In the event of the Franchisee's non-compliance with the nondiscrimination clauses of this Agreement or with any of such rules, regulations, or orders, this Agreement may be canceled, terminated or suspended in whole or in part and the Franchisee may be declared ineligible for Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

G. The Franchisee will include the provisions of paragraphs (A) through (G) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Franchisee will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the Franchisee becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Franchisee may request the United States to enter into such litigation to protect the interests of the United States.

10.17. Franchisee shall comply with all applicable legal, regulatory, credit card brand requirements and brand standards regarding the use of information technology in Franchisee's business and restaurants. Franchisee shall honor all credit, charge, courtesy or cash cards or other credit devices specified by Franchisor. Franchisee shall also comply with the then current Payment Card Industry Data Security Standards (PCI/DSS) as those standards may be revised by the PCI Security Standards Council, LLC (see www.pcisecuritystandards.org) or successor organization, including (i) implementing (at Franchisee's expense) all security requirements that the PCI Security Standards Council (or its successor) requires of a merchant that accepts payment by credit and/or debit cards, and (ii) participating in (at Franchisee's expense) a

standardized PCI/DSS compliance program that is provided by a PCI/DSS vendor, in each case, approved by Franchisor in its discretion. Franchisee shall, at its expense, demonstrate full compliance through means which may include having an independent third party Qualified Security Assessor (QSA) conduct a PCI/DSS audit. In the event Franchisee is unable to demonstrate full compliance, Franchisor may require Franchisee to engage the services of an approved vendor to assist Franchisee to demonstrate full compliance on an ongoing basis. Additionally, Franchisor may require Franchisee to use, and directly contract with, certain approved third-party vendors, and in some cases a single approved third-party vendor, for some or all of Franchisee's managed firewall, other technology security compliance and/or card brand or government requirements related to the transmission/processing of credit card transactions and information. Franchisee shall immediately notify Franchisor if Franchisee becomes aware of any breach, or suspected breach, of card holder data, Personally Identifiable Information (PII), confidential information, or trade secrets related to its business or restaurants, whether notice is provided by Franchisee's credit card processor, law enforcement or any other party.

10.18. Franchisee shall comply with all other requirements set forth in this Agreement.

XI. INSURANCE

11.01. Insurance Program. Franchisee shall be responsible for all loss or damage arising from or related to Franchisee's development and operation of the Franchised Unit, and for all demands or claims with respect to any loss, liability, personal injury, death, property damage or expense whatsoever occurring upon the premises of, or in connection with the development or operation of, the Franchised Unit. Franchisee shall procure, prior to commencement of construction of the Franchised Unit, and shall maintain in full force and effect during the Term of this Agreement at Franchisee's expense, an insurance policy or policies protecting Franchisee and Franchisor, and their officers, directors, agents and employees, against any loss, liability, or expense whatsoever from personal injury, death or property damage or casualty, including, fire, lightning, theft, vandalism, malicious mischief, and other perils normally included in an extended coverage endorsement arising from, occurring upon or in connection with the construction, operation or occupancy of the Franchised Unit, as Franchisor may reasonably require for its own and Franchisee's protection.

11.02. Insurance Requirements. Such policy or policies shall be written by an insurance company satisfactory to Franchisor and Franchisee shall maintain in full force and effect throughout the term of this Agreement that insurance which Franchisee determines is necessary or appropriate for liabilities caused by or occurring in connection with the development or operation of the Franchised Unit, which insurance shall include, at a minimum the following coverage:

A. Workers' Compensation Insurance, with statutory limits as required by the laws and regulations applicable to the employees of Franchisee who are engaged in the performance of their duties relating to the Franchised Unit, including any pre-opening training programs, as well as such other insurance as may be required by statute or regulation of the state in which the Franchised Unit is located.

B. Employer's Liability Insurance, for employee bodily injuries and deaths, with limits as follows:

$1,000,000 Bodily Injury by Accident each accident;
$1,000,000 Bodily Injury by Disease policy limit; and
$1,000,000 Bodily Injury by Disease each employee.

C. Commercial General Liability Insurance, covering claims for bodily injury, death and property damage, including Premises and Operations, Independent Contractors, Products and Completed Operations, Personal Injury, Contractual, and Broadform Property Damage liability coverages, with limits as follows:

$1,000,000 Each Occurrence;
$1,000,000 Personal and Advertising Injury;
$2,000,000 General Aggregate (Other than Products-Completed Operations); and
$1,000,000 Products-Completed Operations Aggregate Limit.

Limit requirements may be achieved by using a combination of primary and excess insurance.

D. Commercial Automobile Liability Insurance must be provided with the following limit if Franchisee owns, hires or leases automobiles for use in the business:

Combined Single Limit of $500,000 for bodily injury, death and property damage per occurrence,

E. All Risk (special perils) Property Insurance, as required to meet the then current health and safety codes and other applicable laws on a replacement cost basis, without depreciation or co-insurance with limits as appropriate, covering the real property of Franchisee and any real property which Franchisee may be obligated to insure by contract. Such real property may include building, machinery, equipment, furniture, fixtures and inventory.

11.03. All such policies of insurance shall provide that the same shall not be canceled, modified or changed without first giving thirty (30) days' prior written notice thereof to Franchisor. No such cancellation, modification or change shall affect Franchisee's obligation to maintain the insurance coverages required by this Agreement. Except for Workers' Compensation Insurance, Franchisor shall be named as an Additional Insured on all such required policies. All liability insurance policies shall be written on an "occurrence" policy form. Franchisee shall be responsible for payment of any and all deductibles from insured claims under its policies of insurance. Franchisee shall not satisfy the requirements of this Section XI unless and until certificates of such insurance, including renewals thereof, have been delivered to and approved by Franchisor. Franchisee shall not self-insure any of the insurance coverages required by this Agreement, or non-subscribe to any State's applicable workmen's compensation laws without the prior written consent of Franchisor. Franchisor shall have the right, at any time during the term of this Agreement to increase the minimum limits of insurance

coverage or otherwise modify the insurance requirements of this Agreement upon written notice in the Manual or as otherwise prescribed by Franchisor in writing. If Franchisee shall fail to comply with any of the insurance requirements herein, upon written notice to Franchisee by Franchisor, Franchisor may, without any obligation to do so, procure such insurance and Franchisee shall pay Franchisor, upon demand, the cost thereof plus interest at the maximum rate permitted by law, and a reasonable administrative fee designated by Franchisor.

11.04. Insurance Obtained by Franchisee Shall Be Primary to Franchisor's Own Insurance. Franchisee agrees that all insurance policies obtained by Franchisee shall be primary coverage, the applicable limits of which shall be exhausted before any benefits (defense or indemnity) may be obtained under any other insurance (including self-insurance) providing coverage to Franchisor. Franchisee shall notify its insurers of this Agreement and shall use best efforts to obtain an endorsement on each policy it obtains pursuant to Sections 11.01. and 11.02. stating as follows:

> The applicable limits of this policy shall be applied and exhausted before any benefits may be obtained (whether for defense or indemnity) under any other insurance (including self-insurance) that may provide coverage to Franchisor. All insurance coverage obtained by Franchisor shall be considered excess insurance with respect to this policy, the benefits of which excess insurance shall not be available until the applicable limits of this policy are exhausted.

11.05. No Limitation on Coverage. Franchisee's obligation to obtain and maintain the foregoing policy or policies of insurance in the amounts specified shall not be limited in any way by reason of any insurance which may be maintained by Franchisor, nor shall Franchisee's performance of that obligation relieve it of liability under the indemnity provisions set forth in Section XVIII of this Agreement.

11.06. Issuance of Insurance. Franchisee must obtain the insurance required by this Agreement no later than fifteen (15) days before the date on which any construction is commenced. The Franchised Unit shall not be opened for business prior to Franchisor's receipt of satisfactory evidence that all insurance required by this Agreement is in effect. Upon obtaining such insurance, and on each policy renewal date thereafter, Franchisee shall promptly submit evidence of satisfactory insurance and proof of payment therefore to Franchisor, together with, upon request, copies of all policies and policy amendments. The evidence of insurance shall include a statement by the insurer that the policy or policies will not be canceled or materially altered without at least thirty (30) days' prior written notice to Franchisor.

11.07. No Representations. Franchisee acknowledges that no requirement for insurance contained in this Agreement constitutes advice or a representation by Franchisor that only such policies, in such amounts, are necessary to protect Franchisee from losses in connection with its business under this Agreement. Maintenance of the insurance required by this Agreement, and the performance by Franchisee of its obligations under this Section of the Agreement shall not relieve Franchisee of liability under the indemnification provisions or any other provisions of this Agreement.

XII. CONFIDENTIAL INFORMATION

12.01. Franchisee shall not, during the term of this Agreement or thereafter, communicate, divulge, or use for the benefit of any other person, persons, partnership, association, corporation or other entity, any confidential information, knowledge or know-how concerning the construction and methods of operation of the Franchised Business which may be communicated to Franchisee, or of which Franchisee may be apprised, by virtue of Franchisee's operation under the terms of this Agreement. Franchisee shall divulge such confidential information only to: (i) such employees of Franchisee as must have access to it in order to exercise the franchise rights granted hereunder and to establish and operate the Franchised Unit pursuant hereto; (ii) Franchisee's attorneys and certified public accountants on an as needed basis for legitimate business purposes of the Franchisee; and (iii) as Franchisee may be required by law, provided Franchisee shall give Franchisor prior written notice of any such required disclosure immediately upon receipt of notice by Franchisee in order for Franchisor to have the opportunity to seek a protective order or take such other actions as it deems appropriate under the circumstances.

12.02. Any and all information, knowledge, and know-how, including drawings, materials, equipment, recipes, prepared mixtures or blends of spices or other food products, and other data, which Franchisor designates as confidential, either specifically in writings of any kind, course of conduct, or which otherwise derives economic value, actual or potential, from not being generally known, and not ascertainable by proper means and in the subject of reasonable efforts, under the circumstances, to maintain secrecy, and any information, knowledge, or know-how which may be derived by analysis thereof, shall be deemed confidential for purposes of this Agreement, except information which Franchisee can demonstrate came to Franchisee's attention prior to disclosure thereof by Franchisor; or which, at the time of disclosure thereof by Franchisor to Franchisee, had become a part of the public domain, through publication or communication by others; or which, after disclosure to Franchisee by Franchisor, becomes a part of the public domain, through publication or communication by others.

XIII. COVENANTS

13.01. Franchisee covenants that, during the term of the Agreement, except as otherwise approved in writing by Franchisor, the Key Operator shall devote the Key Operator's full time, energy and best efforts to the management and operation of the Franchised Business.

13.02. Franchisee acknowledges that, pursuant to this Agreement, Franchisee will receive valuable specialized training and confidential information, including information regarding the operational, sales, promotional, and marketing methods, procedures and techniques of Franchisor and the System. Franchisee covenants that, during the term of this Agreement, Franchisee (who, unless otherwise specified, shall include, for purposes of this Section XIII, collectively and individually: (i) all officers, directors and holders of a legal or beneficial interest of ten percent (10%) or more of the securities with voting rights of Franchisee and of any corporation, directly or indirectly controlling Franchisee, if Franchisee is a corporation; and (ii) the general partner and any limited partners of Franchisee, including any corporation, and the

officers, directors and holders of a legal or beneficial interest of ten percent (10%) or more of the securities with voting rights of a corporation which controls, directly or indirectly, any general or limited partner of Franchisee, if Franchisee is a partnership, and (3) any members and managers and holders of a legal or beneficial interest of ten percent (10%) or more of the securities with voting rights of Franchisee and/or any corporation directly or indirectly controlling Franchisee, if Franchisee is a limited liability company) shall not, either directly or indirectly, for itself, or on behalf of, or in conjunction with, any person, persons, partnership, limited liability company, association, corporation, or other entity:

A. Divert or attempt to divert any business or customer of the business franchised hereunder to any competitor by direct or indirect inducements or otherwise, or to do or perform, directly or indirectly, any other act injurious or prejudicial to the goodwill associated with Franchisor's Proprietary Marks and the System;

B. Solicit for employment any person who is, at that time, employed by Franchisor or by any other Popeyes franchisee, or otherwise, directly or indirectly, induce such person to leave his or her employment therewith, provided, that, the foregoing covenant shall not restrict or prohibit Franchisee from (i) making generalized searches for employees (by use of advertisements in print, electronic or social media, the engagement of search firms or otherwise), (ii) continuing its ordinary course hiring practices that are not targeted specifically or directly at employees of Franchisor or any other Popeyes franchisee, or (iii) hiring an employee of Franchisor or any other Popeyes franchisee who first initiates an employment discussion with Franchisee, so long as neither Franchisee nor any of its affiliates have not violated the foregoing covenant regarding solicitation and inducement ((i) through (iii) are hereinafter referred to as the "**Non-Solicitation Exceptions**"). For each instance in which Franchisee or any affiliate of Franchisee hires a manager or assistant manager, or other person who (A) has completed (or is scheduled to complete) PTP for his or her applicable management role at the applicable Popeyes Restaurant, and (B) was employed by another Popeyes franchisee in the same or a contiguous DMA for not less than the immediately preceding twelve (12) consecutive months, then Franchisee shall promptly pay such other Popeyes franchisee the sum of $5,000, whether or not such hiring violated the foregoing covenant regarding solicitation and inducement. If and to the extent such hiring violated the foregoing covenant, nothing contained herein (including Franchisee's payment of the foregoing $5,000 sum) shall constitute a waiver by Franchisor of any rights or remedies against Franchisee; or

C. Own, maintain, operate, engage in, or have any interest in any quick service (either takeout, on premises consumption, or a combination thereof) restaurant that specializes in the sale of chicken (**"Disqualifying Restaurant"**); provided, however, that the term "Disqualifying Restaurant" shall not apply to any business operated by Franchisee under a franchise agreement with Franchisor or an affiliate of Franchisor.

13.03. Franchisee covenants that Franchisee shall not, regardless of the cause for termination, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, persons, partnership, association, corporation or other entity:

A. For a period of two (2) years following the termination or expiration of this Agreement, own, maintain, engage in, or have any interest in any Disqualifying Restaurant which is located within a radius of ten (10) miles of the location specified in Section I hereof; or

B. Subject to the Non-Solicitation Exceptions set forth in Section 13.02. B., for a period of one (1) year following the termination or expiration of this Agreement, employ or seek to employ any person who is, at the time, employed by Franchisor or by any other Popeyes franchisee, or otherwise, directly or indirectly, induce such person to leave his or her employment therewith.

13.04. At Franchisor's request, Franchisee shall require and obtain execution of a confidentiality and non-competition agreement containing (i) confidentiality obligations similar to those set forth in Section XII of this Agreement (including a prohibition against communicating, divulging or using for the benefit of any person, persons, partnership, association, corporation, or any other entity, any confidential information, knowledge, or know-how concerning the methods of operation of the Franchised Business), and (ii) covenants similar to those set forth in this Section XIII (including covenants applicable upon the termination of a person's relationship with Franchisee), in each case, in a form satisfactory to Franchisor, including specific identification of Franchisor as a third party beneficiary of such obligations and covenants with the independent right to enforce them, from any or all of the following persons:

A. All managers and assistant managers of the Franchised Unit, and any other personnel employed by Franchisee who have received or will receive training from Franchisor;

B. All officers, directors, and holders of a direct or indirect legal or beneficial ownership interest of ten percent (10%) or more in Franchisee.

The failure of Franchisee to obtain execution of such a confidentiality and non-competition agreement required by this Section 13.04. shall constitute a material breach of this Agreement. A duplicate original of each such confidentiality and non-competition agreement shall be provided by Franchisee to Franchisor immediately upon execution.

13.05. The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section XIII, is held unreasonable or unenforceable by a court or agency having jurisdiction in a final decision, Franchisee expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant was separately stated in and made a part of this Section XIII.

A. Right to Reduce Covenants. Franchisee understands and acknowledges that Franchisor shall have the right, in its sole discretion, to reduce the scope of any covenant set forth in Sections 13.02. and 13.03. of this Agreement, or any portion thereof, without Franchisee's consent, effective immediately upon receipt by Franchisee of written notice thereof, and Franchisee agrees that it shall comply with any covenant as so

modified, which shall be fully enforceable notwithstanding the provisions of Section XXII hereof.

B. Injunctive Relief. The parties acknowledge that it will be difficult to ascertain with any degree of certainty the amount of damages resulting from a breach by Franchisee of any of the covenants contained in this Section XIII. It is further agreed and acknowledged that any violation by Franchisee of any of said covenants will cause irreparable harm to Franchisor. Accordingly, Franchisee agrees that upon proof of the existence of a violation of any of said covenants, Franchisor will be entitled to injunctive relief against Franchisee in any court of competent jurisdiction having authority to grant such relief, together with all costs and reasonable attorneys' fees incurred by Franchisor in bringing such action.

XIV. TRANSFERABILITY OF INTEREST

14.01. Transfer by Franchisor. This Agreement shall inure to the benefit of the successors and assigns of Franchisor. Franchisor shall have the right to transfer or assign its interest in this Agreement to any person, persons, partnership, association, corporation, or other entity. If Franchisor's assignee assumes all the obligations of Franchisor hereunder and sends Franchisee written notice of the assignment so attesting, Franchisee agrees promptly to execute a general release of Franchisor, and any affiliates of Franchisor, from claims or liabilities of Franchisor under this Agreement.

14.02. Transfer by Franchisee. Franchisee understands and acknowledges that the rights and duties set forth in this Agreement are personal to Franchisee, and that Franchisor has granted this Agreement in reliance on Franchisee's business skill and financial capacity. Accordingly, neither (i) Franchisee, nor (ii) any immediate or remote successor to Franchisee, nor (iii) any individual, partnership, corporation or other legal entity which directly or indirectly owns any interest in Franchisee or in this Franchise Agreement, shall sell, assign, transfer, convey, donate, pledge, mortgage, or otherwise encumber any direct or indirect interest in this Agreement or in any legal entity which owns the Franchised Business without the prior written consent of Franchisor. Acceptance by Franchisor of any royalty fee, advertising fee or any other amount accruing hereunder from any third party, including any proposed transferee, shall not constitute Franchisor's approval of such party as a transferee or the transfer of this Franchise Agreement to such party. Any purported assignment or transfer, by operation of law or otherwise, not having the written consent of Franchisor, shall be null and void, and shall constitute a material breach of this Agreement, for which Franchisor may then terminate without opportunity to cure pursuant to Section 15.02.E. of this Agreement.

14.03. Conditions for Consent. Franchisor shall not unreasonably withhold its consent to any transfer referred to in Section 14.02., when requested; provided that prior to the time of transfer;

A. All of Franchisee's accrued monetary obligations to Franchisor and its subsidiaries and affiliates shall have been satisfied;

B. Franchisee shall have agreed to remain obligated under the covenants contained in Section XIII hereof as if this Agreement had been terminated on the date of the transfer;

C. The transferee must be of good moral character and reputation, in the reasonable judgment of Franchisor;

D. Franchisor shall have determined, to its satisfaction, that the transferee's qualifications meet Franchisor's then-current criteria for new franchisees;

E. Franchisee and the transferee shall execute a written Transfer and Release Agreement, in a form satisfactory to Franchisor, pursuant to which the transferee shall assume all of the obligations of Franchisee under this Agreement and shall also assume any additional commitments of Franchisee, including an agreement by Franchisee to pay an Advertising Fund Contribution in an amount exceeding four percent (4%) of Gross Sales. Franchisee shall unconditionally release any and all claims Franchisee might have against Franchisor as of the date of the assignment;

F. The transferee shall execute the then-current form of Franchise Agreement and such other then-current ancillary agreements as Franchisor may reasonably require. The then-current form of Franchise Agreement may have significantly different provisions including a higher royalty fee and advertising contribution than that contained in this Agreement. The then-current form of Franchise Agreement will expire on the expiration date of this Agreement and will contain the same renewal rights, if any, as are available to Franchisee under Sections 2.02. and 2.03. hereof;

G. The transferee shall agree at its sole cost and expense, to (i) complete a Franchised Unit Renovation, within the time frame required by Franchisor, unless a Franchised Unit Renovation was completed within six (6) years prior to the date of the transfer and (ii) perform such other scope of work as may be determined by Franchisor;

H. The transferee and such other individuals as may be designated by Franchisor in the Manual or otherwise in writing, must have successfully completed the training course then in effect for new franchisees. If the Franchised Unit is the transferee's first Popeyes Restaurant, the transferee shall pay to Franchisor the then-standard training fee, if any;

I. If the transferee is a partnership, the partnership agreement shall provide that further assignments or transfers of any interest in the partnership are subject to all restrictions imposed upon assignments and transfers in this Agreement;

J. Franchisee shall, at Franchisor's option and request, execute a written guaranty of the transferee's obligations under the Agreement, which guaranty shall not exceed a period of three (3) years from the date of transfer; and

K. Franchisee shall pay to Franchisor a transfer fee of Seven Thousand Five Dollars ($7,500), to cover Franchisor's administrative expenses in connection with the transfer; however, no additional Franchise Fee or development fee shall be charged by Franchisor for a transfer. If the transferee is a corporation or other business entity formed by Franchisee for the convenience of ownership and Franchisee is the sole shareholder or member of such business entity, no transfer fee shall be required. A portion of the transfer fee in the amount of One Thousand Dollars ($1,000) (the "Transfer Fee Deposit") is payable upon Franchisee's submission of its initial transfer application to Franchisor. The Transfer Fee Deposit is non-refundable in the event that the proposed transfer does not occur in accordance with the terms of approved transfer application. If the proposed transfer occurs in accordance with the terms of the approved transfer application, the Transfer Fee Deposit will be applied to the total transfer fee due at the time of the closing of the transfer.

14.04. Grant of Security Interest. Franchisee shall grant no security interest in this Agreement unless the secured party agrees that, in the event of any default by Franchisee under any documents related to the security interest: (i) Franchisor shall be provided with notice of default and given a reasonable time within which to cure said default; (ii) Franchisor shall have the right and option to be substituted as obligor to the secured party and to cure any default of Franchisee or to purchase the rights of the secured party upon payment of all sums then due to such secured party, except such amounts which may have become due as a result of any acceleration of the payment dates based upon Franchisee's default; and (iii) the secured party shall agree to such other requirements as Franchisor, in its sole discretion, deems reasonable and necessary to protect the integrity of the Proprietary Marks and the Popeyes System. Notwithstanding the above paragraph 14.04, in no event shall any secured party be entitled to (i) use or assign Franchisee's rights with respect to Franchisor's Proprietary Marks or (ii) use, assign, possess or have access to any trade secrets or confidential information of Franchisor.

14.05. Transfer on Death or Mental Incapacity. Upon the death or mental incapacity of any person with an interest in this Agreement, the Franchised Business or Franchisee, the executor, administrator, or personal representative of such person shall transfer his or her interest to a third party approved by Franchisor within twelve (12) months after such death or mental incapacity. Such transfer, including transfer by devise or inheritance, shall be subject to the same conditions as any inter vivos transfer. However, in the case of transfer by devise or inheritance, if the heirs or beneficiaries of any such person are unable to meet the conditions in this Section XIV, the personal representative of the deceased shall have a reasonable time, but in no event more than eighteen (18) months from the deceased's death, to dispose of the deceased's interest in this Agreement and the business conducted pursuant hereto, which disposition shall be subject to all the terms and conditions for assignments and transfers contained in this Agreement. If the interest is not disposed of within twelve (12) or eighteen (18) months, whichever is applicable, Franchisor may terminate this Agreement.

14.06. Right of First Refusal. Any party holding an interest in this Agreement, the Franchised Business or in Franchisee, and who desires to accept a bona fide offer from a third party to purchase such interest, shall notify Franchisor in writing of such offer within ten (10) days of receipt of such offer, and shall provide such information and documentation relating to

the offer as Franchisor may require. Franchisor shall have the right and option, exercisable within thirty (30) days after receipt of such written notification, to send written notice to the seller that Franchisor intends to purchase the seller's interest on the same terms and conditions offered by the third party. In the event that Franchisor elects to purchase the seller's interest, closing on such purchase must occur within sixty (60) days from the date of notice to the seller of the election to purchase by Franchisor. Any material change in the terms of any offer prior to closing shall constitute a new offer subject to the same rights of first refusal by Franchisor as in the case of an initial offer. Failure of Franchisor to exercise the option afforded by this Section 14.06. shall not constitute a waiver of any other provisions of this Agreement, including all of the requirements of this Section XIV, with respect to a proposed transfer. In the event the consideration, terms, and/or conditions offered by a third party are such that Franchisor may not reasonably be required to furnish the same consideration, terms, and/or conditions, then Franchisor may purchase the interest in this Agreement, Franchisee, or the Franchised Business proposed to be sold for the reasonable equivalent in cash. If the parties cannot agree within a reasonable time as to the reasonable equivalent in cash of the consideration, terms, and/or conditions offered by the third party, an independent appraiser shall be designated by Franchisor, and his or her determination shall be binding upon the parties.

14.07. Offerings by Franchisee. Securities or partnership interests in Franchisee may be offered to the public, by private offering or otherwise, only with the prior written consent of Franchisor, which consent shall not be unreasonably withheld. All materials required for such offering by federal or state law shall be submitted to Franchisor for review prior to their being filed with any governmental agency; and any materials to be used in any exempt offering shall be submitted to Franchisor for review prior to their use. No offering of such securities shall imply (by use of the Proprietary Marks or otherwise) that Franchisor is participating in the underwriting, issuance, or offering of securities by Franchisee; and Franchisor's review of any offering shall be limited solely to the subject of the relationship between Franchisee and Franchisor. Franchisee and the other participants in the offering shall fully indemnify Franchisor in connection with the offering. For each proposed offering, Franchisee shall pay to Franchisor a non-refundable fee of Five Thousand Dollars ($5,000), or such greater amount as is necessary to reimburse Franchisor for its reasonable costs and expenses associated with reviewing the proposed offering, including legal and accounting fees. Franchisee shall give Franchisor written notice at least thirty (30) days prior to the date of commencement any offering or other transaction covered by this Section 14.07.

XV. TERMINATION

15.01. Franchisee shall be deemed to be in default under this Agreement, and all rights granted herein shall automatically terminate without notice to Franchisee, if Franchisee shall become insolvent or make a general assignment for the benefit of creditors; if a petition in bankruptcy is filed by Franchisee or such a petition is filed against Franchisee and not opposed by Franchisee; or if Franchisee is adjudicated bankrupt or insolvent; or if a receiver or other custodian (permanent or temporary) of Franchisee's assets or property, or any part thereof, is appointed by any court of competent jurisdiction; or if proceedings for a composition with creditors under the applicable law of any jurisdiction should be instituted by Franchisee or against Franchisee and not opposed by Franchisee; or if a final judgment remains unsatisfied or

of record for thirty (30) days or longer (unless a supersedeas bond is filed); or if Franchisee is dissolved; or if execution is levied against Franchisee's property or business; or if suit to foreclose any lien or mortgage against the premises or equipment of any Franchised Unit developed hereunder is instituted against Franchisee and not dismissed within thirty (30) days; or if the real or personal property of any Restaurant developed hereunder shall be sold after levy thereon by any sheriff, marshal, or constable.

15.02. Franchisee shall be deemed to be in default and Franchisor may, at its option, terminate this Agreement and all rights granted hereunder without affording Franchisee any opportunity to cure the default upon the occurrence of any of the following events:

A. If Franchisee fails to select a site for the Franchised Unit during the Site Approval Period or fails to complete construction of the Franchised Unit and open for business within three hundred sixty (360) days of execution of this Agreement. Franchisor may, in its sole discretion, extend these periods to address unforeseen construction or other delays, not within the control of Franchisee;

B. If Franchisee, at any time, ceases to operate the Franchised Unit or otherwise abandons the Franchised Unit, or loses the right to possess the premises of the Franchised Unit, or otherwise forfeits the right to do or transact business in the jurisdiction where the Franchised Unit is located; provided, however, that if, through no fault of Franchisee, the premises are damaged or destroyed by an event not within the control of Franchisee such that repairs or reconstruction cannot be completed within one-hundred eighty (180) days thereafter, then Franchisee shall have thirty (30) days after such event in which to apply for Franchisor's approval to relocate and/or reconstruct the premises, which approval shall not be unreasonably withheld, but may be conditioned upon the payment of an agreed minimum royalty to Franchisor during the period in which the Franchised Unit is not in operation;

C. If Franchisee is convicted of or pleads guilty to a felony, a crime involving moral turpitude, or any other crime or offense that Franchisor believes is reasonably likely to have an adverse effect on the System, the Proprietary Marks, the goodwill associated therewith, or Franchisor's interest therein;

D. If a threat or danger to public health or safety results from the construction, maintenance, or operation of the Franchised Unit or from the material violation of any health and safety laws, rules, or regulations which poses a significant public health and safety concern, or if the Franchised Unit is closed as a result of a failed inspection by the health department and in such event Franchisor determines, in its sole discretion, that critical violations of applicable health codes are the result of repeated or material failure by Franchisee to comply with the requirements of the Franchise Agreement or the health department. Notwithstanding anything in Section 15.02 D. hereof to the contrary, Franchisor shall have the right, in lieu of exercising any right of termination, to require that the Franchised Unit be closed to the public and/or remain closed until the applicable food, health, or safety matters are cured;

E. If Franchisee, or any partner or shareholder of Franchisee purports to transfer any rights or obligations under this Agreement or any interest in Franchisee to any third party without Franchisor's prior written consent, contrary to the terms of Section XIV hereof;

F. If Franchisee fails to comply with the in-term covenants in Section 13.02. hereof or fails to obtain execution of the covenants required under Sections 10.08. or 13.04. hereof;

G. If, contrary to the terms of Section VII hereof, Franchisee discloses or divulges the contents of the Manual or any other confidential information provided to Franchisee by Franchisor;

H. If an approved transfer is not effected as required by Section 14.05. hereof, following Franchisee's death or mental incapacity;

I. If Franchisee knowingly maintains false books or records, or submits any false reports to Franchisor;

J. If Franchisee or any individual, group, association, limited or general partnership, corporation or other business entity which directly or indirectly controls, is controlled by, or is under common control with Franchisee; or which directly or indirectly owns, controls, or holds power to vote ten percent (10%) or more of the outstanding voting securities of Franchisee; or which has in common with Franchisee one or more partners, officers, directors, trustees, branch managers, or other persons occupying similar status or performing similar functions (**"Affiliate"**) commits any act of default under any other Franchise Agreement, Development Agreement (except for failure to meet the development schedule thereunder), asset purchase agreement, promissory note or any other agreement entered into by Franchisee or an Affiliate of Franchisee, and Franchisor, or any parent, subsidiary, affiliate, predecessor or successor to Franchisor;

K. If Franchisee defaults more than once in any twelve (12) month period under Section 15.03. hereof for failure to substantially comply with any of the requirements imposed by this Agreement, whether or not cured after notice;

L. If Franchisee refuses to permit Franchisor or its agents to enter upon the premises of the Franchised Unit to conduct any periodic inspection as set forth in Sections 5.09. and 10.02.H. hereof;

M. If Franchisee uses any of Franchisor's Proprietary Marks in any unauthorized manner or is otherwise in default of the provisions of Section V hereof; or

N. If Franchisee fails to meet the requirements of Section 10.17 hereof, including demonstrating full PCI/DSS compliance through means requested by Franchisor, as Franchisor may elect in its reasonable discretion.

15.03. Except as provided in Sections 15.01. and 15.02. of this Agreement, upon any default by Franchisee which is susceptible of being cured, Franchisor may terminate this Agreement only by giving written Notice of Termination stating the nature of such default to Franchisee at least ten (10) days prior to the effective date of termination if the default is for failure to pay the initial Franchise Fee, royalties, Advertising Fund Contributions (including Cooperative Contributions, if any are due and/or any other financial obligations owed to Franchisor by Franchisee), and thirty (30) days, prior to the effective date of termination for any other default; provided, however, that Franchisee may avoid termination by curing such default to Franchisor's satisfaction within the ten (10) day or thirty (30) day period, as applicable. If any such default is not cured within the specified time, this Agreement shall terminate without further notice to Franchisee effective immediately upon the expiration of the ten (10) day or thirty (30) day period, as applicable, or such longer period as applicable law may require. Notwithstanding anything to the contrary set forth in this Agreement, Franchisee hereby acknowledges that any agreement between Franchisee and Franchisor relating to past due amounts accruing hereunder, (an **"Arrearage Agreement"**), including any promissory note or amendment to this agreement shall be deemed to be a material part of this agreement and shall be incorporated herein by reference. A default under any Arrearage Agreement shall be deemed a material default of this Franchise Agreement, regardless of the reason Franchisee fails to pay the amount which is the subject of such Arrearage Agreement.

15.04. If any valid, applicable law or regulation of a competent governmental authority with jurisdiction over this Agreement requires a notice or cure period prior to termination longer than set forth in this Section 15, this Agreement will be deemed amended to conform to the minimum notice or cure period required by the applicable law or regulation.

15.05. Franchisee shall indemnify and hold Franchisor harmless for all costs, expenses and any losses incurred by Franchisor in enforcing the provisions hereof, or in upholding the propriety of any action or determination by Franchisor pursuant to this Agreement, or in defending any claims made by Franchisee against Franchisor, or arising in any manner from Franchisee's breach of or failure to perform any covenant or obligation hereunder, including reasonable litigation expenses and attorneys' fees incurred by Franchisor in connection with any threatened or pending litigation relating to any part of this Agreement, unless Franchisee shall be found, after due legal proceedings, to have complied with all of the terms, provisions, conditions and covenants hereof. For the avoidance of doubt, the indemnification provisions of this Section 15.05. shall survive the expiration or termination of this Agreement and be fully binding and enforceable as though such expiration or termination had not occurred.

XVI. EFFECT OF TERMINATION OR EXPIRATION

16.01. Upon termination or expiration of this Agreement, all rights granted herein shall forthwith terminate, and:

A. Franchisee shall immediately cease to operate the Franchised Unit as a Popeyes Restaurant, and shall not thereafter, directly or indirectly, represent to the public that the restaurant is a Popeyes Restaurant;

B. Franchisee shall immediately and permanently cease to use, by advertising or in any manner whatsoever, any menus, recipes, confidential food formulas, equipment, methods, procedures, and the techniques associated with the System, Franchisor's Proprietary Marks, and Franchisor's other trade names, trademarks and service marks associated with the Popeyes System. In particular, and without limitation, Franchisee shall cease to use all signs, furniture, fixtures, equipment, advertising materials, the Web Site, stationery, forms, packaging, containers and any other articles which display the Proprietary Marks;

C. Franchisee agrees, in the event Franchisee continues to operate or subsequently begins to operate restaurants or other businesses, not to use any reproduction, counterfeit, copy, or colorable imitation of the Proprietary Marks in conjunction with such other business which is likely to cause confusion or mistake or to deceive, and further agrees not to utilize any trade dress, designation of origin, description, or representation which falsely suggests or represents an association or connection with Franchisor;

D. Franchisee agrees, upon termination or expiration of this Agreement or upon cessation of the Franchised Business at the location specified in Section I hereof for any reason, whether or not Franchisee continues to operate any business at such location, and whether or not Franchisee owns or leases the location, to make such modifications or alterations to the Franchised Unit premises immediately upon termination or expiration of this Agreement or cessation of operation of the Franchised Business as may be necessary to prevent the operation of any businesses thereon by Franchisee or others in derogation of this Section XVI, and shall make such specified additional changes thereto as Franchisor may reasonably request for that purpose. The modifications and alterations required by this Section XVI shall include removal of all trade dress, proprietary marks and other indicia of the Popeyes System;

E. Franchisee shall immediately pay all sums owing to Franchisor and its subsidiaries and affiliates. In the event of termination for any default by Franchisee, such sums shall include all damages, costs and expenses, including reasonable attorneys' fees, incurred by Franchisor as a result of the default;

F. To the extent applicable, Franchisee shall immediately turn over to Franchisor (or, at Franchisor's direction, shall destroy) the Manual, all other manuals, records, files, instructions, correspondence and any and all other materials relating to the operation of the Franchised Business in Franchisee's possession and all copies thereof (all of which are acknowledged to be Franchisor's property) and shall retain no copy or record of any of the foregoing, with the exception of such materials possessed by Franchisee pursuant to a separate valid and enforceable franchise agreement and Franchisee's copy of this Agreement, any correspondence between the parties, and any other documents which Franchisee reasonably needs for compliance with any provision of law; and

G. Franchisee shall immediately delete or cause to be deleted the Web Site (if not within Franchisor's control) and transfer to Franchisor (if not already registered to Franchisor) the registration of all domain names used in connection with the Web Site, as well as any other domain names registered by or on behalf of Franchisor in connection with the Franchised Business. Any rights granted by Franchisor to Franchisee with respect to the Web Site, or any other website associated with the Franchised Business, including any domain names, shall immediately cease upon termination or expiration of this Agreement, and Franchisor may, at any time upon or after termination or expiration of this Agreement, delete the Web Site (if within Franchisor's control) and cease or reassign usage of any domain names within Franchisor's control that may have benefited Franchisee.

16.02. Franchisor shall have the right (but not the duty) to be exercised by notice of intent to do so within thirty (30) days after termination or expiration of this Agreement, to purchase any and all improvements, equipment, advertising and promotional materials, ingredients, products, materials, supplies, paper goods and any items bearing Franchisor's Proprietary Marks at current fair market value. If the parties cannot agree on a fair market value within a reasonable time, an independent appraiser shall be designated by Franchisor, and his or her determination of fair market value shall be binding. If Franchisor elects to exercise any option to purchase herein provided, it shall have the right to set-off all amounts due from Franchisee under this Agreement and the cost of the appraisal, if any, against any payment therefore.

16.03. In the event the premises are leased to Franchisee, Franchisee shall, upon termination of this Agreement and upon request by Franchisor, immediately assign, set over and transfer unto Franchisor, at Franchisor's sole option and discretion, said lease and the premises, including improvements. Any such lease entered into by Franchisee shall contain a clause specifying the landlord's consent to assign such lease to Franchisor or its assignee in the event this Agreement is terminated.

16.04. Franchisee shall pay to Franchisor all damages, costs, and expenses, including reasonable attorneys' fees, incurred by Franchisor in seeking recovery of damages caused by any action of Franchisee in violation of, or in obtaining injunctive relief for the enforcement of, any portion of this Section XVI. Further, Franchisee acknowledges and agrees that any failure to comply with the provisions of this Section XVI, shall result in irreparable injury to Franchisor.

16.05. All provisions of this Agreement which, by their terms or intent, are designed to survive the expiration or termination of this Agreement, shall so survive the expiration and/or termination of this Agreement.

16.06. Franchisee shall comply with the covenants contained in Section XIII of this Agreement.

16.07. Franchisee shall execute such documents as Franchisor may reasonably require to effectuate termination of the franchise and Franchisee's rights to use the trademarks and systems of Franchisor.

XVII. TAXES, PERMITS, AND INDEBTEDNESS

17.01. Franchisee shall promptly pay when due all taxes, accounts and other indebtedness of every kind incurred by Franchisee in the conduct of the Franchised Business under this Agreement.

17.02. Franchisee, in the conduct of the Franchised Business, shall comply with all applicable laws and regulations, and shall timely obtain any and all permits, certificates, or licenses necessary for the full and proper conduct of the businesses operated under this Agreement, including licenses to do business, trade name registrations, sales tax permits and fire clearances.

XVIII. INDEPENDENT CONTRACTOR AND INDEMNIFICATION

18.01. This Agreement does not constitute Franchisee an agent, legal representative, joint venturer, partner, employee or servant of Franchisor for any purpose whatsoever. It is understood and agreed that Franchisee shall be an independent contractor and is in no way authorized to make any contract, agreement, warranty, or representation on behalf of Franchisor or to incur any debt or any other obligation in Franchisor's name, and that Franchisor shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action or by reason of any act or omission of Franchisee, or any claim or judgment arising therefrom. Neither this Agreement nor Franchisor's course of conduct is intended, nor may anything in this Agreement (nor Franchisor's course of conduct) be construed, to state or imply that Franchisor is the employer of Franchisee's employees and/or independent contractors, nor vice versa. The parties further agree that this Agreement does not create any fiduciary or special relationship between them. In all public records, in relationships with other persons, and on letterhead and business forms, Franchisee shall indicate its independent ownership of the Franchised Unit and that Franchisee is a franchisee of Franchisor.

18.02. During the term of this Agreement and any extensions hereof, Franchisee agrees to take such action as Franchisor deems reasonably necessary for Franchisee to inform and hold itself out to the public as an independent contractor operating the Franchised Business pursuant to a franchise from Franchisor (including exhibiting a notice of that fact at the Franchised Business in form and substance satisfactory to Franchisor), subject only to the conditions and covenants set forth in this Agreement. Franchisee shall have no right or power to, and shall not, bind or obligate Franchisor in any way or manner, nor shall Franchisee represent at any time that Franchisee has any right to do so. Without limiting the generality of the foregoing, Franchisee acknowledges that (i) Franchisor has no responsibility or obligation to ensure that the Franchised Unit is developed and operated in compliance with all applicable laws, ordinances, and regulations, and (ii) Franchisor shall have no liability in the event the development or operation of the Franchised Unit violates any applicable law, ordinance, or regulation.

18.03. Franchisee agrees to defend, indemnify and hold harmless Franchisor, its parent, subsidiaries and affiliates, and their respective officers, directors, employees, agents, successors and assigns from all claims, demands, losses, damages, liabilities, cost and expenses (including

attorneys' fees and litigation expenses) resulting from, or alleged to have resulted from, or in connection with Franchisee's operation of the Franchised Business, including any claim or actions based on or arising out of (i) Franchisee's violation of any applicable laws, rules, or regulations (including any applicable employment or workplace-related laws, rules, or regulations), (ii) the acts or omissions of Franchisee or any of its employees, or (iii) any injuries, including death to persons or damages to or destruction of property, sustained or alleged to have been sustained in connection with or to have arisen out of or incidental to the Franchised Business and/or the performance of this Agreement by Franchisee, its agents, employees, and/or its subcontractors, their agents and employees, or anyone for whose acts they may be liable, regardless of whether or not such claim, demand, damage, loss, liability, cost or expense is caused in whole or in part by the negligence of Franchisor, Franchisor's representative, or the employees, agents, invitees, or licensees thereof. For the avoidance of doubt, the provisions of this Section 18.03. shall survive the expiration or termination of this Agreement and be fully binding and enforceable as though such expiration or termination had not occurred.

18.04. Franchisor shall advise Franchisee in the event Franchisor receives notice that a claim has been or may be filed with respect to a matter covered by this Agreement, and Franchisee shall immediately assume the defense thereof at Franchisee's sole cost and expense. In any event, Franchisor will have the right, through counsel of its choice, to control any matter to the extent it could directly or indirectly affect Franchisor and/or its parent, subsidiaries or affiliates or their officers, directors, employees, agents, successors or assigns. If Franchisee fails to assume such defense, Franchisor may defend, settle, and litigate such action in the manner it deems appropriate and Franchisee shall, immediately upon demand, pay to Franchisor all costs (including attorneys' fees and litigation expenses) incurred by Franchisor in affecting such defense, in addition to any sum which Franchisor may pay by reason of any settlement or judgment against Franchisor.

18.05. Franchisor's right to indemnity hereunder shall exist notwithstanding that joint or several liability may be imposed upon Franchisor by statute, ordinance, regulation or judicial decision.

18.06. Franchisee agrees to pay Franchisor all expenses attorneys' fees and court costs, incurred by Franchisor, its parent, subsidiaries, affiliates, and their successors and assigns to remedy any defaults of or enforce any rights under this Agreement, effect termination of this Agreement or collect any amounts due under this Agreement. To the extent Franchisee's obligation to make payment to Franchisor as required by any part of this Agreement shall be governed by OCGA Section 13-1-11 and Franchisee defaults with regard to such payment obligations, Franchisee shall pay attorneys' fees in the amount of fifteen percent (15%) of the principal and interest owing to Franchisor in addition to all other costs and expenses actually incurred by Franchisor, including any costs or expenses incurred in connection with any arbitration, court, appellate, bankruptcy, or administrative proceeding (a "Proceeding") and any experts' fees and expenses, whether or not Franchisor commences a Proceeding.

XIX. APPROVALS AND WAIVERS

19.01. Whenever this Agreement requires the approval of Franchisor, Franchisee shall make a timely written request to Franchisor therefore, and such approval or consent shall be in writing. Whenever this Agreement or any related agreement grants, confers or reserves to Franchisor the right to take action, refrain from taking action, or grant or withhold Franchisor's consent or approval, unless the provision specifically states otherwise, Franchisor may take into consideration Franchisor's good faith assessment of the long term interests of all stakeholders in the Popeyes System. When the terms of this Agreement specifically require that Franchisor not unreasonably withhold Franchisor's approval or consent, if Franchisee is in material default of this Agreement (after applicable notice and cure period), any withholding of Franchisor's approval or consent will be considered reasonable.

19.02. Franchisor makes no warranties or guarantees upon which Franchisee may rely, and assumes no liability or obligation to Franchisee or any third party to which Franchisor would not otherwise be subject, by providing any waiver, approval, advice, consent, or suggestions to Franchisee in connection with this Agreement, or by reason of any neglect, delay, or denial of any request therefore.

19.03. No failure of Franchisor to exercise any power reserved to it in this Agreement, or to insist upon compliance by Franchisee with any obligation or condition in this Agreement, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of Franchisor's right to demand exact compliance with the terms of this Agreement. Waiver by Franchisor of any particular default shall not affect or impair Franchisor's right in respect to any subsequent default of the same or of a different nature, nor shall any delay, forbearance, or omission of Franchisor to exercise any power or rights arising out of any breach or default by Franchisee of any of the terms, provisions, or covenants of this Agreement, affect or impair Franchisor's rights, nor shall such constitute a waiver by Franchisor of any rights, hereunder or right to declare any subsequent breach or default. Subsequent acceptance by Franchisor of any payments due to it shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants, or conditions of this Agreement.

GUARANTY AND SUBORDINATION
(DEVELOPMENT AGREEMENT)

GUARANTY AND SUBORDINATION
(Development Agreement)

The undersigned ("Undersigned"), for and in consideration of, and as an inducement to, the grant by Popeyes Louisiana Kitchen, Inc. of development rights to _____ ("Developer") for the development and operation of Popeyes Louisiana Kitchen restaurants at the locations described in the Development Agreement (as defined below) establishing said rights, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, hereby unconditionally, irrevocably, jointly and severally (if there is more than one Undersigned), guaranty to Popeyes Louisiana Kitchen, Inc., its affiliates, and their successors and assigns (individually and collectively, "Popeyes"), the timely and full payment of any and all indebtedness or other obligations due and owing or which may become due and owing, by acceleration or otherwise, and the timely and full performance of any and all obligations and covenants for which Developer is now or may hereafter become obligated or responsible to Popeyes (collectively, the "Obligations") under and pursuant to that certain Development Agreement by and between Popeyes and Developer dated _____ (as may be modified, amended or replaced from time to time, the "Development Agreement"), covering PopeyesLouisiana Kitchen restaurants to be developed in the area described in Exhibit B of the aforementioned Development Agreement. The Undersigned agree to be personally bound by and personally liable for the breach of each and every provision (both monetary obligations, and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities) under and pursuant to the Development Agreement. The parties to this Guaranty are jointly and severally obligated together with all other parties obligated for the Obligations.

The Undersigned hereby waive: (a) acceptance and notice of acceptance of this Guaranty and Subordination ("Guaranty"); (b) notice of any and all indebtedness or obligations of Developer to Popeyes, now existing or which may hereafter exist; (c) notice of default, protest, dishonor, payment, presentation, demand and diligence, and any and all other notices of any kind whatsoever; (d) any and all rights to assert or plead any statute of limitations or laches; (e) any and all rights to require Popeyes or any member thereof to proceed against Developer or its money or property, or against any other guarantor or obligor or its money or property; (f) any and all rights of subrogation; and (g) any and all legal and equitable defenses to which Developer or the Undersigned might be entitled under the Development Agreement or under this Guaranty, including without limitation, waiver of the provisions of Section 10-7-24 of the Official Code of Georgia Annotated. Without affecting the obligations of the Undersigned under this Guaranty, Popeyes may, without notice to the Undersigned, extend, modify or release any indebtedness or obligation of Developer, or settle, adjust or compromise any claims against Developer. Any Popeyes extension of time for payment, releases or other indulgences shall not diminish or otherwise affect the Undersigned's liability hereunder or result in a discharge of the Undersigned's Guaranty. The Undersigned waive notice of amendment of the Development Agreement.

The guaranty by the Undersigned hereunder is an absolute, continuing, primary and unconditional guaranty of payment and performance and not of collection. This Guaranty shall

continue to be effective or be reinstated, as the case may be, if at any time any payment of the Obligations is rescinded, avoided or for any other reason must be returned by Popeyes, and the returned payment shall remain payable as part of the Obligations, all as though such payment had not been made. Accordingly, if a claim is ever made upon Popeyes for the repayment or recovery of any amount or amounts received by Popeyes in payment of any of the Obligations, and Popeyes repays all or part of such amount (a "Repayment") by reason of (a) any judgment, decree, or order of any court or administrative body having jurisdiction over Popeyes or any of its property or (b) any settlement or compromise effected by Popeyes with any such claimant, then, in such event, the Undersigned agrees that any such judgment, decree, order, settlement, or compromise shall be binding upon the Undersigned, and the Undersigned shall be and remain obligated to Popeyes hereunder for the amount of any such Repayment so repaid or recovered to the same extent as if such amount had never originally been received by Popeyes. Accordingly, this Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of the Obligations is rescinded, avoided or for any other reason must be returned by Popeyes, and the Repayment shall remain payable as part of the Obligations, all as though such payment had not been made. Except to the extent the provisions of this Guaranty give Popeyes additional rights, this Guaranty shall not be deemed to supersede or replace any other guaranties given to Popeyes by the Undersigned; and the obligations guaranteed hereby shall be in addition to any other obligations guaranteed by the Undersigned pursuant to any other agreement of guaranty given to Popeyes and other guaranties of the Obligations. None of the Obligations, this Guaranty or any remedy for the enforcement thereof shall be impaired, modified, changed, discharged or released in any manner whatsoever by an impairment, modification, change, release, discharge or limitation of the liability of Developer or any co-guarantor, by reason of Developer's or any co-guarantor's bankruptcy or insolvency, or any subsequent reorganization, merger, or consolidation of Developer, or any other change in its composition, nature, personnel, or location.

This Guaranty is irrevocable and is independent of any and all other guaranties that may be made by any other parties with respect to the Obligations. All rights of Popeyes hereunder or otherwise arising under the Development Agreement or other instruments are separate and cumulative and may be pursued separately, successively, or concurrently, or not pursued, without affecting or limiting any other right of Popeyes and without affecting or impairing the liability of the Undersigned. Popeyes may look first to the Undersigned for all unperformed obligations, without being required to first seek recourse or exhaust remedies against Developer or any collateral securing the Obligations.

Upon the death of an individual guarantor under this Guaranty, the estate of such guarantor will be bound by this Guaranty but only for defaults and obligations hereunder existing at the time of death, and the obligations of the other guarantors will continue in full force and effect.

The written acknowledgement of Developer or the judgment of any court establishing the amount due from Developer shall be conclusive and binding on the Undersigned and the Undersigned's heirs, representatives, successors and assigns. Popeyes' books and records showing the account between Popeyes and Developer shall be admissible in evidence in any

action or proceeding, shall be binding upon the Undersigned for the purpose of establishing the items therein set forth, and shall constitute prima facie proof thereof.

The Undersigned, jointly and severally, shall pay all costs and expenses actually incurred by Popeyes to enforce or collect any of the Obligations, including, without limitation, any costs or expenses incurred in connection with any arbitration, court, appellate, bankruptcy, or adminisitrative proceeding (a "Proceeding") and any reasonable paralegals', attorneys' and experts' fees and expenses, whether or not Popeyes commences a Proceeding.

To the extent any Obligations constitute notes or other evidence of indebtedness governed by OCGA Section 13-1-11, the Undersigned, jointly and severally, shall pay attorneys' fees in the amount of fifteen percent (15%) of the principal and interest owing to Popeyes on said note or other evidence of indebtedness and all other costs and expenses actually incurred by Popeyes to enforce or collect any of the Obligations, including, without limitation, any costs or expenses incurred in connection with any Proceeding and any experts' fees and expenses, whether or not Popeyes commences a Proceeding.

The Undersigned hereby subordinate(s) to the rights of Popeyes any and all rights to repayment of monies, or any claims associated therewith, due from Developer to the Undersigned, whether now existing or hereafter arising while this Guaranty is in effect.

This Guaranty is for the benefit of Popeyes, which may, without any notice, sell, assign or transfer any part of the Obligations guarantied herein. Each and every successive assignee, transferee or holder of all or any part of the Obligations shall have the right to enforce this Guaranty, by suit or otherwise, for the benefit of such assignee, transferee or holder, as fully as though such assignee, transferee or holder were herein by name given such rights, powers and benefits; but Popeyes shall have an unimpaired right, prior and superior to that of any such assignee, transferee or holder, to enforce this Guaranty for its benefit as to so much of said Obligations that it has not sold, assigned or transferred.

This Guaranty shall be deemed to be a contract made under, and for all purposes shall be construed in accordance with, the laws of the State of Georgia without regard to its choice of law or conflict of law rules. The proper venue for any court hearings or proceedings arising hereunder shall be in Fulton County, Georgia and the Undersigned hereby submits and irrevocably consents to the jurisdiction of any court in Fulton County, Georgia for any action, suit or proceeding arising hereunder. The Undersigned also submits and irrevocably consents to the non-exclusive jurisdiction of the competent Federal Courts of the United States of America, with venue laid solely in the Northern District of Georgia. The Undersigned waives any claim that any such suit, action or proceeding brought in any of the aforesaid forums had been brought in an incorrect forum, and waives any rights to a jury trial.

This Guaranty may be executed in one or more counterparts, each of which shall constitute an original and all of which together shall constitute one and the same instrument. Execution and delivery of this Guaranty may be made by facsimile transmission or other electronic transmission.

IN WITNESS WHEREOF, the Undersigned have hereunto set their hands and seals and have caused this Guaranty to be duly executed and delivered, all as of the ___ day of _____, 20__.

GUARANTY AND SUBORDINATION
(FRANCHISE AGREEMENT)

GUARANTY AND SUBORDINATION
(Franchisee Obligations)

The undersigned ("Undersigned"), for and in consideration of, and as an inducement to, the grant by Popeyes Louisiana Kitchen, Inc. of franchise rights to _____, a _____ ("Franchisee") for the operation of a Popeyes Louisiana Kitchen restaurant establishing said rights, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, hereby unconditionally, irrevocably, jointly and severally (if there is more than one Undersigned), guaranty to Popeyes Louisiana Kitchen, Inc., its affiliates, and their successors and assigns (individually and collectively, "Popeyes"), the timely and full payment of any and all indebtedness or other obligations due and owing or which may become due and owing, by acceleration or otherwise, and the timely and full performance of any and all obligations and covenants for which Franchisee is now or may hereafter become obligated or responsible to Popeyes with respect to the franchise or license agreement by and between Popeyes Louisiana Kitchen, Inc. and Franchisee (collectively, as may be modified, amended or replaced from time to time, the "Franchise Agreement") regarding Popeyes Louisiana Kitchen restaurants, and any and all other obligations arising in connection with Franchisee's agreements with or liability to Popeyes with respect to the location or locations set forth on Exhibit "A" attached hereto and made a part hereof (collectively, the "Obligations"). The Undersigned agree to be personally bound by and personally liable for the breach of each and every provision (both monetary obligations, and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities) under and pursuant to each and every Franchise Agreement for each of said location(s). The parties to this Guaranty are jointly and severally obligated together with all other parties obligated for the Obligations.

The Undersigned each hereby waive: (a) acceptance and notice of acceptance of this Guaranty and Subordination ("Guaranty"); (b) notice of any and all indebtedness or obligations of Franchisee to Popeyes, now existing or which may hereafter exist; (c) notice of default, protest, dishonor, payment, presentation, demand and diligence, and any and all other notices of any kind whatsoever; (d) any and all rights to assert or plead any statute of limitations or laches; (e) any and all rights to require Popeyes or any member thereof to proceed against Franchisee or its money or property, or against any other guarantor or obligor or its money or property; (f) any and all rights of subrogation; and (g) any and all legal and equitable defenses to which the Undersigned or Franchisee might be entitled under the Franchise Agreement or under this Guaranty, including without limitation, waiver of the provisions of Section 10-7-24 of the Official Code of Georgia Annotated. Without affecting the obligations of the Undersigned under this Guaranty, Popeyes may, without notice to the Undersigned, extend, modify or release any indebtedness or obligation of Franchisee, or settle, adjust or compromise any claims against Franchisee. Any Popeyes extension of time for payment, releases or other indulgences shall not diminish or otherwise affect the Undersigned's liability hereunder or result in a discharge of the Undersigned's Guaranty. The Undersigned waive notice of amendment of the Franchise Agreement.

The guaranty by the Undersigned hereunder is an absolute, continuing, primary and unconditional guaranty of payment and performance and not of collection. This Guaranty shall

continue to be effective or be reinstated, as the case may be, if at any time any payment of the Obligations is rescinded, avoided or for any other reason must be returned by Popeyes, and the returned payment shall remain payable as part of the Obligations, all as though such payment had not been made. Accordingly, if a claim is ever made upon Popeyes for the repayment or recovery of any amount or amounts received by Popeyes in payment of any of the Obligations, and Popeyes repays all or part of such amount (a "Repayment") by reason of (a) any judgment, decree, or order of any court or administrative body having jurisdiction over Popeyes or any of its property or (b) any settlement or compromise effected by Popeyes with any such claimant, then, in such event, the Undersigned agrees that any such judgment, decree, order, settlement, or compromise shall be binding upon the Undersigned, and the Undersigned shall be and remain obligated to Popeyes hereunder for the amount of any such Repayment so repaid or recovered to the same extent as if such amount had never originally been received by Popeyes. Accordingly, this Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of the Obligations is rescinded, avoided or for any other reason must be returned by Popeyes, and the Repayment shall remain payable as part of the Obligations, all as though such payment had not been made. Except to the extent the provisions of this Guaranty give Popeyes additional rights, this Guaranty shall not be deemed to supersede or replace any other guaranties given to Popeyes by the Undersigned; and the obligations guaranteed hereby shall be in addition to any other obligations guaranteed by the Undersigned pursuant to any other agreement of guaranty given to Popeyes and other guaranties of the Obligations. None of the Obligations, this Guaranty or any remedy for the enforcement thereof shall be impaired, modified, changed, discharged or released in any manner whatsoever by an impairment, modification, change, release, discharge or limitation of the liability of Franchisee or any co-guarantor, by reason of Franchisee's or any co-guarantor's bankruptcy or insolvency, or any subsequent reorganization, merger, or consolidation of Franchisee, or any other change in its composition, nature, personnel, or location.

This Guaranty is irrevocable and is independent of any and all other guaranties that may be made by any other parties with respect to the Obligations. All rights of Popeyes hereunder or otherwise arising under the Franchise Agreement or other instruments are separate and cumulative and may be pursued separately, successively, or concurrently, or not pursued, without affecting or limiting any other right of Popeyes and without affecting or impairing the liability of the Undersigned. Popeyes may look first to the Undersigned for all unperformed obligations, without being required to first seek recourse or exhaust remedies against Franchisee or any collateral securing the Obligations.

Upon the death of an individual guarantor under this Guaranty, the estate of such guarantor will be bound by this Guaranty but only for defaults and obligations hereunder existing at the time of death, and the obligations of the other guarantors will continue in full force and effect.

The written acknowledgement of Franchisee or the judgment of any court establishing the amount due from Franchisee shall be conclusive and binding on the Undersigned and the Undersigned's heirs, representatives, successors and assigns. Popeyes' books and records showing the account between Popeyes and Franchisee shall be admissible in evidence in any

action or proceeding, shall be binding upon the Undersigned for the purpose of establishing the items therein set forth, and shall constitute *prima facie* proof thereof.

The Undersigned, jointly and severally, shall pay all costs and expenses actually incurred by Popeyes to enforce or collect any of the Obligations, including, without limitation, any costs or expenses incurred in connection with any arbitration, court, appellate, bankruptcy, or adminisitrative proceeding (a "Proceeding") and any reasonable paralegals', attorneys' and experts' fees and expenses, whether or not Popeyes commences a Proceeding.

To the extent any Obligations constitute notes or other evidence of indebtedness governed by OCGA Section 13-1-11, the Undersigned, jointly and severally, shall pay attorneys' fees in the amount of fifteen percent (15%) of the principal and interest owing to Popeyes on said note or other evidence of indebtedness and all other costs and expenses actually incurred by Popeyes to enforce or collect any of the Obligations, including, without limitation, any costs or expenses incurred in connection with any Proceeding and any experts' fees and expenses, whether or not Popeyes commences a Proceeding.

The Undersigned hereby subordinate(s) to the rights of Popeyes any and all rights to repayment of monies, or any claims associated therewith, due from Franchisee to the Undersigned, whether now existing or hereafter arising while this Guaranty is in effect.

This Guaranty is for the benefit of Popeyes, which may, without any notice, sell, assign or transfer any part of the Obligations guarantied herein. Each and every successive assignee, transferee or holder of all or any part of the Obligations shall have the right to enforce this Guaranty, by suit or otherwise, for the benefit of such assignee, transferee or holder, as fully as though such assignee, transferee or holder were herein by name given such rights, powers and benefits; but Popeyes shall have an unimpaired right, prior and superior to that of any such assignee, transferee or holder, to enforce this Guaranty for its benefit as to so much of said Obligations that it has not sold, assigned or transferred.

This Guaranty shall be deemed to be a contract made under, and for all purposes shall be construed in accordance with, the laws of the State of Georgia without regard to its choice of law or conflict of law rules. The proper venue for any court hearings or proceedings arising hereunder shall be in Fulton County, Georgia and the Undersigned hereby submits and irrevocably consents to the jurisdiction of any court in Fulton County, Georgia for any action, suit or proceeding arising hereunder. The Undersigned also submits and irrevocably consents to the non-exclusive jurisdiction of the competent Federal Courts of the United States of America, with venue laid solely in the Northern District of Georgia. The Undersigned waives any claim that any such suit, action or proceeding brought in any of the aforesaid forums had been brought in an incorrect forum, and waives any rights to a jury trial.

This Guaranty may be executed in one or more counterparts, each of which shall constitute an original and all of which together shall constitute one and the same instrument. Execution and delivery of this Guaranty may be made by facsimile transmission or other electronic transmission.

IN WITNESS WHEREOF, the Undersigned have hereunto set their hands and seals and have caused this Guaranty to be duly executed and delivered, all as of the ___ day of _____, 20__.

ADDENDA REQUIRED BY
THE STATE OF MICHIGAN

L.9 - Michigan Disclosure

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you:

A. A prohibition on the right of a franchisee to join an association of franchisees.

B. A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

C. A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provisions of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty days, to cure such failure.

D. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value, at the time of expiration, of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchised business are not subject to compensation. This subsection applies only if: (1) the term of the franchise is less than five years; and (2) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or if the franchisee does not receive at least six months advance notice of the franchisor's intent not to renew the franchise.

E. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

F. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

G. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

1. The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

2. The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

3. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

4. The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

H. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision C.

I. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless such provision has been made for providing the required contractual services.

2. Section XV of the Agreement shall be amended to add the following new Section 15.06., which shall be considered an integral part of this Agreement:

> 15.06. This Section shall not in any way abrogate or reduce any rights of Developer as provided for in Minnesota Statutes 1984, Chapter 80C, including the right to submit matters to the jurisdiction of the courts of Minnesota.

Rules §§ 2860.0100 through 2860.9930, the parties to the attached Popeyes Louisiana Kitchen, Inc. Franchise Agreement (the "Agreement") agree as follows:

1. Section 2.02.C. of the Agreement shall be deleted in its entirety and shall have no force or effect; and the following shall be inserted in lieu thereof:

> C. Franchisee executes a general release in a form prescribed by Franchisor of any and all claims against Franchisor and its subsidiaries, and affiliates, and their respective officers, directors, agents and employees; excluding only such claims as Franchisee may have that have arisen under the Minnesota Franchises Law and/or the Rules and Regulations promulgated thereunder by the Minnesota Commissioner of Commerce;

2. Section II of the Agreement shall be amended to add the following new Section 2.04., which shall be considered an integral part of the Agreement:

> 2.04. The parties acknowledge that Minnesota law provides franchisees with certain termination, non-renewal rights, and that Minn. Stat. Section 80C.14, Subds. 3, 4 and 5 require, except in certain specified cases, that a franchisee be given ninety (90) days' notice of termination (with sixty (60) days to cure) and one hundred eighty (180) days' notice of non-renewal of the Franchise Agreement. To the extent the provisions of this Section II are inconsistent therewith, this section shall be superseded by the provisions and requirements of said Minnesota Law.

3. Section 5.05 of the Franchise Agreement shall be amended to add the following language at the end thereof:

> With respect to franchises governed by Minnesota law, Franchisor shall protect Franchisee's right to use the Proprietary Marks, at Franchisor's cost, except to the extent that any litigation or claim relating to the Proprietary Marks arises from Franchisee's use of such Proprietary Marks in a manner inconsistent with the terms of this Agreement or with Franchisor's standards applicable to the Proprietary Marks, as set forth in the Operations Manual or otherwise in writing.

4. Section XV of the Agreement shall be amended to add the following new Section 15.06., which shall be considered an integral part of the Agreement:

> 15.06. With respect to franchises governed by Minnesota law, Franchisor shall comply with Minn. Stat. To the extent the provisions of this Section XV are inconsistent therewith, this Section shall be superseded by the provisions and requirements of said statutes.

5. Section 16.04. of the Agreement shall be deleted in its entirety and shall have no force or effect; and the following shall be substituted in lieu thereof:

> 16.04. Franchisee shall pay to Franchisor all damages, costs, and expenses, including reasonable attorneys' fees, incurred by Franchisor in seeking recovery of damages caused by any action of Franchisee in violation of, or in seeking injunctive relief for the enforcement of, any portion of this Section XVI. Further, Franchisee acknowledges and agrees that any failure to comply with the provisions of this Section XVI shall result in irreparable injury to Franchisor.

6. Section 24.04. of the Agreement shall be deleted in its entirety and shall have no force or effect; and the following shall be substituted in lieu thereof:

> 24.04. Nothing herein contained shall bar Franchisor's right to seek injunctive relief against threatened conduct that will cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions.

7. Section XXIV of the Agreement shall be amended to add following new Section 24.07., which shall be considered an integral part of the Agreement:

> 24.07. Minnesota Statute 80C-21 and Minnesota Rule 2860.4400J prohibit Franchisor from requiring litigation to be conducted outside Minnesota. In addition, nothing in this Agreement can abrogate or reduce any of Franchisee's rights as provided for in Minnesota Statutes, Chapter 80C, or Franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

8. Each provision of this Agreement shall be effective only to the extent, with respect to such provision, that the jurisdictional requirements of the Minnesota Franchises Law or the Rules and Regulations promulgated thereunder by the Minnesota Commissioner of Commerce are met independently without references to this Amendment.
