What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation and/or litigation only in Illinois. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate and/or litigate with the franchisor in Illinois than in your own state.

2. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**MICHIGAN ADDENDUM
TO THE DISCLOSURE DOCUMENT**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the Franchised Business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logo type, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards;
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor;
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations;

- (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligation to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The Franchise We Offer

We offer you the opportunity to purchase a franchise for a Franchised Business and use the Marks, proprietary methods, by signing an agreement ("Franchise Agreement") with us. The Franchise Agreement is attached here as Exhibit C. You must obtain our prior written consent to the physical address of your Franchised Business ("Main Office") before you can commence operations of your Franchised Business. Under the Franchise Agreement, you will be permitted to use our marketing, business development, and advertising techniques; operating procedures; brand standards; business methods; and other expertise we may supply to you (collectively, the "@properties System"). It will be your sole responsibility to operate your Franchised Business in compliance with all applicable laws and regulations, as required under the Franchise Agreement, and as outlined in the Operations Manual. Under the Franchise Agreement, you may only operate the Franchised Business from the Main Office. If you desire to operate the Franchised Business at multiple locations, you must obtain our prior written consent, pay the then-current fees, and sign our "Additional Office Addendum" or "AOA."

At the time you sign the Franchise Agreement, you will identify one individual who will operate the Franchised Business on a full-time basis (the "Responsible Broker"). The Responsible Broker must be a licensed real estate broker in all jurisdictions you will operate the Franchised Business.

Competition

The residential real estate brokerage industry is a mature industry. You will be competing with other unaffiliated and chain-affiliated real estate brokerage offices in your market area. Some of those offices might be other offices operating under the Marks, or franchised offices of the Real Estate Affiliates or offices of our Related Parties Anywhere Advisors, NRT NY and Compass Brokerage. You may face competition for independent sales associates, customers (buyers and sellers), listings, property management, and related real estate business in your market area from other CIRE franchisees, franchisees of the Real Estate Affiliates, Anywhere Advisors, NRT NY and Compass Brokerage. We do not restrict your competition, although we encourage our franchisees to work collaboratively for the success of the System. The market for real estate services is typically the most developed in more populous areas. In resort areas, the market for residential real estate may be seasonal.

Laws Applicable to the Real Estate Brokerage Business. Each of the states in which we grant franchises has laws and regulations governing the operation of a real estate brokerage office. You will be required by those laws and by your License Agreement to comply with all regulatory requirements in your market area. An individual must be licensed by the state as a real estate broker before that person may provide real estate brokerage services. You should consult with the appropriate state licensing authority before entering into a License Agreement. There will also be other laws and regulations, including federal laws like the Real Estate Settlement Procedures Act (“RESPA”), that may impact many important ways that you do business, including how you represent your clients and customers, your client agreement provisions, your real estate license, your relationship with your independent sales associates, how you handle your accounting and your revenues, what fees you may charge and with whom they can be split, if any, how you advertise and how you hold yourself and your independent sales associates out to the public. Additionally, there has recently been significant litigation and regulatory scrutiny regarding the manner in which commissions are communicated, negotiated or paid that may affect your operations in the future. We urge you to familiarize yourself with these laws, regulations and related litigation by asking a legal advisor or an appropriate state agency about them. Some states may have home protection, home warranty, residential service contract or insurance laws and regulations.

ITEM 3 LITIGATION

Antitrust Putative Class Actions.

1. In late 2023 and early 2024, six class action lawsuits were brought against national real estate brokerage and sales companies, including Parent and us related to certain real estate listing policies, which are alleged to be anticompetitive and in violation of certain antitrust laws. Parent reached a nationwide class settlement in connection with both a nationwide class of sellers and a nationwide class of buyers. On November 4, 2024, Judge Bough entered an order granting final approval of Parent's class settlement with a nationwide sellers' class. Gibson et al v. National Association of Realtors et al, 4:23-cv-00788 (W.D. Mo. filed Oct. 31, 2023) (consolidated with Umpa v. The National Association of Realtors et al., Case No. 23-cv-000945 (W.D. Mo. filed Dec. 27, 2023)). That order was appealed to the 8th Circuit, which held an oral argument on January 14, 2026. On October 16, 2025, Judge Jenkins entered an order preliminarily approving Parent's class settlement with a nationwide buyers' class. Tuccori v. At World Properties, LLC, 1:24-cv-00150 (N.D. Ill. removed to federal court on January 5, 2024). The nationwide class settlements Parent entered into obligated Parent to make settlement payments and certain practice changes. The status of the six class actions are as follows:

2. 1925 Hooper LLC et al v. The National Association of Realtors et al., Case No. 23-CV-05392 (N.D. Ga. filed Nov. 22, 2023). Putative class action on behalf of nationwide class of persons who engaged a listing broker affiliated with any defendant anywhere in the United States and incurred a commission payment to the buyer's broker in connection therewith from December 6, 2019 through the date of case filing. This case was dismissed on November 21, 2024 following final settlement approval in the consolidated Gibson et al v. National Association of Realtors et al. and Umpa v. The National Association of Realtors et al. case.

3. Burton v. Bluefield Realty Group, LLC et al. – Case No. 24-cv-01800-JDA (D.S.C.). Putative class action on behalf of statewide class of persons from November 6, 2019, through the date of case filing who used a listing broker in the sale of a home listed on an MLS in the District of South Carolina. This case is stayed during the pendency of the appeals of the order granting final approval of the settlement in the consolidated Gibson et al v. National Association of Realtors et al. and Umpa v. The National Association of Realtors et al. case.

4. Friedman v. The Real Estate Board of New York, Inc. et al, Case No. 24-CV-00405 (S.D.N.Y.), originally 23-CV-09601 (E.D.N.Y. filed Dec. 29, 2023). Putative class action on behalf of class of persons who sold residential real estate in REBNY Brooklyn using the services of a broker defendant and paid a buyer broker commission from January 18, 2020 through the date of case filing. Christie's International Real Estate LLC was voluntarily dismissed following the announcement of its settlement in Umpa v. The National Association of Realtors et al.

5. March v. The Real Estate Board of New York et al, Case No. 23-CV-09995 (S.D.N.Y. filed Jan. 1, 2024). This case is stayed during the pendency of the appeals of the order granting final approval of the settlement in the consolidated Gibson et al v. National Association of Realtors et al. and Umpa v. The National Association of Realtors et al case.

6. Tuccori v. At World Properties, LLC, Case No. 24-CV-00150 (N.D. Ill. filed Jan. 05, 2024). Putative action on behalf of nationwide class of persons from March 17, 2000 through the date of case filing who purchased residential real estate listed on a Multiple Listing Services (“MLS”) in a transaction with a buyer-agent and/or seller agent employed by or otherwise affiliated with Company or any of its franchisees, subsidiaries, agencies, or otherwise affiliated entities. @properties has reached a putative nationwide class settlement, which received preliminary approval on October 16, 2025. Under that settlement, @Properties agreed to (i) pay a settlement amount into a fund that would be distributed to members of the nationwide class; (ii) undertake certain operational changes for company-owned outlets (and recommend to franchisees to do the same); and (iii) cooperate with settlement class counsel and the settlement administrator.

7. Umpa v. The National Association of Realtors et al., Case No. 23-cv-000945 (W.D. Mo. filed Dec. 27, 2023). Putative class action on behalf of nationwide class of persons from December 27, 2019 through the date of case filing who used a listing broker affiliated with any corporate defendant in the sale of a home listed on an MLS, and who paid a commission to a cooperating broker in connection with the sale of the home. Parent filed an individual and joint motion to dismiss and a motion to strike arbitrating class members. In November 2024, the court issued a final approval of the settlement in this case. That order was appealed to the 8th Circuit, which held an oral argument on January 14, 2026. Under the settlement, @Properties agreed to (i) pay a settlement amount into a fund that would be distributed to members of the nationwide class; (ii) undertake certain operational changes for company-owned outlets (and recommend to franchisees to do the same) including, informing home sellers/buyers of the negotiable nature of broker commissions, disclosing if certain compensation is received in connection with a marketed home, and refraining from filtering or restricting listings based on the compensation received in connection with the sale of a home; and (iii) cooperate with certain other legal actions associated with the class action.

Other Pending Actions.

1. Stuart v. HK Lane Palm Desert, Inc., Case No. PSC-1804352 (Sup. Ct. Cal. filed Jul. 23, 2018). Bruce F. Stuart, Trustee of the Bruce F. Stuart Trust Dated May 21, 1996, filed suit against Christie’s International Real Estate’s affiliate HK Lane Palm Desert, Inc., as well as Christie’s International Real Estate for breach of fiduciary duty, professional negligence, fraudulent misrepresentation, negligent misrepresentation, and constructive fraud, alleging that a licensed broker of one of HK Lane Palm Desert, Inc. in California failed to disclose that apartments on a property the broker partner sold to Stuart were not properly permitted and did not have certificates of occupancy. Stuart seeks actual damages, punitive damages, pre- and post-judgment interest, costs and attorneys’ fees. The parties have entered into a settlement agreement which is pending approval from the bankruptcy court due to HK Lane Palm Desert, Inc.’s ongoing bankruptcy.

2. Morrissey v. Curtis, et al., Case No. 2022 L 1289 (Ill. Cir. Ct. filed on May 15, 2023). Parent and licensed broker partner who is affiliated with Parent are currently the subject of a suit that alleges failure by partner and licensed broker partners to disclose structural defects in a single-family home. The Court granted three motions to dismiss filed by licensed broker partner, the last one being with prejudice. The plaintiff/buyer appealed this decision, which is currently on appeal with the Illinois Appellate Court.

3. Aratlakov v. Lost Island, et. al., Case No. 2023 LA 19 (Ill. Cir. Ct. filed February 28, 2023). Parent and licensed broker partner who is affiliated with Parent are currently the subject of a use, allegedly prohibited under applicable zoning regulations, in connection with the sale of real estate to buyer Aratlakov. Aratlakov seeks monetary damages. Parent intends to vigorously defend against these charges and will move for summary judgment.

4. Anywhere Real Estate/Compass Merger Related Litigation. Anywhere filed with the SEC a definitive proxy statement on December 2, 2025 (the “Definitive Proxy Statement”) for the solicitation of proxies in connection with the special meeting of Anywhere’s stockholders to be held on January 7, 2026, to vote upon, among other things, matters necessary to adopt and complete the proposed merger with Compass (the “Merger”).

Following the filing of the Definitive Proxy Statement, three complaints have been filed by purported stockholders of Anywhere as individual actions with respect to the Merger. These cases are summarized below:

John McDaniels v. Anywhere Real Estate Inc., Michael J. Williams, Fiona Dias, Matthew J. Espe, V. Ann Hailey, Bryson R. Koehler, Joseph Z. Lenz, Duncan Niederauer, Egbert L. J. Perry, Ryan M. Schneider, Enrique

Silva, Chris Terrill, and Felicia Williams (Index No. 656379/2025, Supreme Court of the State of New York, County of New York, December 10, 2025).

John Marino v. Anywhere Real Estate Inc., Michael J. Williams, Fiona Dias, Mathew J. Espe, V. Ann Hailey, Bryson R. Koehler, Joseph Z. Lenz, Duncan Niederauer, Egbert L.J. Perry, Ryan Schneider, Enrique Silva, Chris Terrill and Felicia Williams (Index No. 656398/2025, Supreme Court of the State of New York, County of New York, December 11, 2025).

Dean Drulias v. Fiona Dias, Matthew Espe, Bryson Koehler, V. Ann Hailey, Joseph Lenz, Duncan Niederauer, Egbert Perry, Ryan Schneider, Enrique Silva, Sherry Smith, Chris Terrill, Felicia Williams, Michael Williams, Anywhere Real Estate Inc., and Compass, Inc. (Case No. MRS-C-000133-25, Superior Court of New Jersey, Morris County, General Equity Division, December 18, 2025).

The plaintiffs in each of these cases are purported Anywhere shareholders who filed suit naming as defendants Anywhere Real Estate Inc., its Board of Directors, and its Chief Executive Officer. The Drulias complaint also names Compass, Inc. as a defendant. The complaints generally allege that, among other things, the Definitive Proxy Statement is misleading and contains certain disclosure deficiencies and/or incomplete information regarding the Merger in violation of applicable federal or state law. The complaints seek, among other things: (i) a direction that the Anywhere make corrective and complete disclosures; (ii) to enjoin the consummation of the Merger and the other transactions contemplated by the merger agreement unless and until the information purportedly omitted from the Definitive Proxy Statement is disclosed; (iii) rescission or rescissory damages in the event the Merger and the transactions contemplated by the merger agreement are consummated; (iv) an award of costs of the actions, including attorneys’ and expert fees; and (v) any other relief the court may deem just and proper. The complaints collectively assert causes of action for Negligent Misrepresentation, Negligent Misrepresentation and Concealment, Negligence, and violations of the New Jersey Uniform Securities Law and California Corporations Code § 25401. In the Drulias case, a settlement in principle was reached among the parties and, on December 28, 2025, a Memorandum of Understanding was executed under which Anywhere or its successors will cause \$450,000 to be paid to Plaintiffs’ attorneys. Anywhere believes that the claims asserted are without merit and that no supplemental disclosures to the Definitive Proxy Statement are required or necessary under applicable laws. However, in order to avoid the risk of delay and to minimize the potential expense associated therewith,

and without admitting any liability or wrongdoing, Anywhere and Compass voluntarily made certain disclosures on a Form 8-K filed on December 29, 2025, that supplement those contained in the Definitive Proxy Statement. On January 2, 2026, the Drulias plaintiff filed a notice voluntarily discontinuing the action with prejudice.

5. Batton, et al. v. Compass, Inc., et al., No. 1:23-cv-15618 (N.D. Ill.) (“Batton II”), (filed on November 2, 2023), named Compass and seven other brokerages as defendants and alleges that the defendants entered into a continuing contract, combination, or conspiracy to unreasonably restrain interstate trade and commerce in violation of Section 1 of the Sherman Act, 15 U.S.C. §1 and state law antitrust statutes, violated state consumer protection statutes, and were unjustly enriched by industry rules that set the manner by which buyer’s brokers are compensated. The allegations in Batton II are substantially similar to those contained in the case captioned Batton, et al. v. National Association of Realtors, et al., No. 1:21-cv-00430 (N.D. Ill.) (“Batton I”), (filed on January 25, 2021), which does not name Compass but names the National Association of Realtors and other companies including Anywhere. Compass and the defendants in the Batton II matter filed a motion to dismiss the amended complaint on June 21, 2024. The plaintiffs filed an opposition to the motion to dismiss on August 5, 2024 and Compass and the defendants filed a reply on September 4, 2024. The court granted the motion in part and denied it in part on March 24, 2026.

On April 9, 2026, following a mediation, Compass reached a settlement in the *Tuccori v. At World Properties, et al* case, similar to its subsidiary Anywhere Real Estate Inc. The Tuccori settlement with At World Properties and others a preliminarily approved by the court on October 15, 2025, included an opt-in procedure under which other companies not specifically named as defendants but which are subject to similar home buyer claims could opt in, subject to preliminary and final court approval of such an opt-in settlement. The settlement will be submitted to the court for preliminary approval in May 2026. On April 27, 2026, Compass filed a motion to stay in Batton II pending the *Tuccori* Court’s review of the Company’s proposed settlement in that matter.

1. **Type of Expenditure.** The amounts in Item 7 assume you are an existing real estate brokerage company with approximately 50 affiliated real estate agents converting to a @properties Franchised Business. If you are a new real estate brokerage company, your costs will likely be higher than those included in this Item 7. None of the fees paid to us in this chart are refundable. Whether such fees paid to third parties are refundable would depend upon their policies. We do not offer direct or indirect financing to franchisees for any items.

2. **Initial Franchise Fee.** The initial franchise fee is \$35,000 and is payable in accordance with Item 5.

3. **Initial Training Expenses.** We typically offer initial training in or near Chicago, Illinois, but we may offer the initial training electronically. Travel and living expenses will vary significantly depending upon whether you live within driving distance or whether you must fly, rent a car, or incur lodging expenses.

4. **Leasehold Improvements.** You will operate the Franchised Business from a retail office location that we consent to. We anticipate the amount of leasehold improvement expense that you will incur will depend upon whether you already have a suitable office location and, if not, the extent to which you will need to make renovations and repairs.

5. **Rent and Security Deposit.** We anticipate your Franchised Business will need to rent a location containing approximately 1,000 to 10,000 square feet depending on the number of agents that are affiliated with your Franchised Business, the location of your Franchised Business, and other factors. The amount of rent that you will incur will depend upon whether you already have a suitable office location and will also vary considerably in different market areas. The figures in the chart are an estimate rent for the first three months plus a security deposit for one month's rent.

6. **“For Sale” Signage.** The amount you will spend on “for sale” signage will depend on a number of factors, including the number of agents affiliated with your Franchised Business, the number of properties the Franchised Business lists at a time, and other factors.

7. **Office Signage.** You must obtain exterior signage for identifying the Main and Additional Offices of the Franchised Business. The type of signage allowed varies depending on city ordinances, property owner's association covenants, and landlord preferences.

8. **Equipment and Furniture.** You will need telephones, chairs, desks, file cabinets, tables, scanner, printer, and other items we specify. The amount you incur will depend on the size of your Main Office, the number of Additional Offices your Franchised Business operates, the number of agents affiliated with your Franchised Business, and other factors.

9. **Computers and Software.** We require you to use the computer hardware, software, and systems as we specify, which may include vendors that we designate from time to time, which may include us, our affiliates, or third parties. Even if you have the required computer hardware we require, you may incur costs to access the required computer software and systems we require, including our proprietary technology system. In order to utilize some of the functionality of the proprietary software, you or your agents may be required to contract with 3rd party software providers and pay additional fees, or we may implement those additional technology tools, processes, or systems, and you will be responsible for paying additional fees related to those implementations.

10. **Start-Up Supplies and Inventory.** Your primary cost for start-up supplies and inventory will be basic real estate related marketing materials, products (listing presentations, buyer books, relocation booklets, branded closing gifts, About Us brochures, etc.), touchpoints, paper, and general office supplies.

11. **Insurance.** You will need to obtain insurance in the types, amounts and coverages as we specify, as summarized in Item 8. Your costs will vary depending on your geographic location, the insurance company that issues your Franchised Business' policies, the number of agents affiliated with the Franchised Business, and other factors.

12. **Professional Expenses.** You may incur professional legal and accounting fees to assist with your entity set up, local licensing, and other legal and accounting issues. We recommend that you operate your Franchised Business as an entity.

13. **Utilities.** Utilities rates vary by market areas. Additionally, some utilities such as gas, electric, sewer, water, or trash removal are included in the lease rate and some are not.

14. **Licensing Costs.** You will need a real estate brokers license(s). You may need to be a member of the state, local, and National Association of Realtors. You may also need to be a member of the local or regional multiple listing services (MLS).

15. **MLS Data Feed Transmission.** We require you to subscribe to a real estate listing data feed, presently the multi-listing service ("MLS") and pay the associated subscriber fees. The amount you will spend for the MLS data fee transmission depends on the local MLS or association charges.

16. **Additional Funds – 3 Months.** Additional funds are to pay for permits, payroll, miscellaneous expenses, and to maintain sufficient working capital. These figures are estimates of your initial expenses covering the first three months of your operation. We base this estimate upon our management team's more than twenty years of experience in the real estate industry.

17. **Total.** Your costs will depend on several factors, including but not limited to, how well you follow our methods and procedures; your management skills; your prior experience and business acumen; local economic conditions; the local market for our services; the prevailing wage rate; competition;

and more. We cannot guarantee that you will not have additional expenses starting your Franchised Business. You should review these figures carefully with a business advisor before making any decision to purchase the franchise.

ITEM 8

To ensure a consistent brand and quality of products and services, you must maintain and comply with our quality standards. We will provide you information on these standards through Operations Manual. As we determine trends in the marketplace or develop new marketing techniques, technologies, products, and services, we anticipate that we will develop new and/or modify existing standards and notify you through Operations Manual amendments. You must comply with all such mandatory standards.

Equipment, Products and Signs

In operating your Franchised Business, you may only use approved or designated materials, supplies, equipment, furniture, tools, internal and external signage for the Main and Additional Offices, all “for sale” signs, inventory, supplies, forms, printed and electronic advertising materials, computer hardware and software that we have approved as meeting our specifications and standards for appearance, function, and performance (“Approved Items”). You will purchase Approved Items from those suppliers we approve or designate (“Approved Suppliers”). We or one of our Related Parties may be a designated or an Approved Supplier of one or more Approved Items, but as of the Issuance Date of this Franchise Disclosure Document, neither we nor our Related Parties are the sole supplier for Approved Items. We reserve the right to name ourselves, our Related Parties, or a third party as the sole, or one of, the Approved Suppliers for one or more Approved Items.

Computer Hardware and Software

We require that you obtain and use certain computer hardware and software to operate your Business in accordance with our then-current information technology requirements as specified in the Operations Manual from time to time. You are responsible for purchasing the required computers, as well as any costs related to any accessories, repairs, replacement or upgrades to the computer(s).

You must use any proprietary bundle of software and services in the operation of your Franchised Business that we designate. You will pay us the monthly Brokerage Tech Fee and User Tech Fee to access our proprietary software, which is currently \$500 per month for the Main Office, \$250 per month per Additional Office, and \$50 per month per staff member and agent affiliated with your Franchised Business. In the future we may require that you use the communications technology program, Konverse, and pay their then-current fees.

Since technology, particularly in the real estate brokerage business is changing, we reserve the right to require businesses operating under the System and Marks, including your Business, to change technology systems, or implement new or changed technologies, and you would be required to pay the initial, conversion, and ongoing fees and costs associated with those changes, which payments may be to us or to third parties.

Insurance

Before beginning operations under the Franchise Agreement, you must obtain, and maintain in full force and effect during the term of the Franchise Agreement, those insurance policies we require, including but not limited to the following, insuring you and us against any liability that may accrue by reason of your operation of the Franchised Business:

1. Comprehensive General Liability Insurance, including broad form contractual liability, broad form property damage, personal injury, completed operations, fire damage, advertising and products liability coverage, in the amount of \$1,000,000 per occurrence for bodily injury and property damage.

2. Workers' Compensation and Employers Liability insurance in the minimum amount of \$500,000 for bodily injury per accident, \$500,000 for bodily disease per employee, \$500,000 bodily disease policy limit, or such other amounts as may be prescribed by the state or locality in which the Franchised Business is located, unless your state requires that employers must participate in a state-administered insurance pool (in which case you must adopt and implement a qualifying plan).

3. Automobile liability coverage, including coverage of any owned, non-owned and hired vehicles, in amounts not less than \$1,000,000 combined single limit.

4. Errors and omissions liability insurance in the minimum amount of \$1,000,000 per occurrence covering real estate brokerage services plus any other approved services and products, as applicable, that any person associated with your Franchised Business offers.

5. Such other insurance as may be required by the state or locality in which the Franchised Business is located and operated.

6. Each policy, except workers' compensation, must name us as an additional insured. All policies must be endorsed to include a waiver of subrogation in our favor and our subsidiaries, affiliates, successors and assigns and their respective directors, officers, shareholders, members, managers, partners, employees, servants, representatives, independent contractors and associates.

The insurance coverage must be obtained from an admitted, responsible carrier or carriers acceptable to us, with a rating of at least "A" by Standard and Poor, Moody's and A.M. Best. In addition to or in lieu of the above, you must maintain any other insurance as may be required by statute or regulation of the state in which you operate the Franchised Business. If your state or local insurance requirements, including coverage requirements, are less stringent, less comprehensive, or lower than what we have specified, you must comply with our requirements. We will provide you with a list of approved insurance carriers, and related information in the Operations Manual, and you must obtain required insurance coverages from an approved insurance carrier. You must name us, our Related Parties, and our and our Related Parties' respective owners, officers, directors, and employees as additional insured for each required policy. All insurance policies must contain a waiver of the insurance company's right of subrogation against us and must provide that we will receive prior written notice of any material change, termination, expiration or cancellation of any policy.

We may periodically change the minimum coverage and deductible requirements for you, and we may require different or additional kinds of insurance for you to reflect economic, industry, or standard changes in your liability and insurance coverage. We will provide you prior written notice and at least 45 days to obtain the revised insurance policies.

At least two weeks before you open your Franchised Business, you must provide us with copies of the certificate of insurance, insurance policy endorsements, or other evidence of compliance with our insurance requirements. Further, you must send us a copy of the evidence of the renewal or extension of each insurance policy in a form we require at least two weeks before the expiration of your then current policy. We may designate other policies, procedures, or standards regarding insurance in our Operations Manual from time to time.

Signs

You must purchase from approved suppliers all internal and external signage for the Main and Additional Offices, and all “for sale” signs that you and your agents will use in your Franchised Business. Additionally, you may purchase these materials from a third party provided the purchased materials comply with our standards as described in the Operations Manual. Immediately upon receipt of notice from us, you must stop using any signs from a non-approved supplier if, solely in our judgment, that sign violates our policies and procedures or could adversely impact the Marks or the @properties System.

Marketing and Advertising Materials

You must purchase from us and other Approved Suppliers any approved marketing materials you want to use in your Franchised Business that we designate, including brochures, business cards, promotional items, signage, and other marketing materials.

Website

We will develop and maintain a comprehensive website that is built with location-specific content, information, and real estate search on our digital platform, and you will reimburse us for such costs and expenses. Your website must comply with the policies that we establish from time to time which include, but are not limited to, the brand guidelines that are contained in the Operations Manual. You are required to own and operate a website to advertise your Franchised Business and the properties offered for sale by your Franchised Business, provided that (A) all uses of the Marks comply with the brand guidelines, and (B) that you comply with our requirements for (1) linking or framing our website; (2) the use, registration, and ownership of Internet domain name; and (3) the use any e-mail addresses related to the Franchised Business.

Photography and Videography

You must obtain professional photography services from a photographer that we approve for photos and videos of your Main Office, Additional Offices, and other people or locations as we determine.

Approved and Alternate Suppliers

With the exception of the marketing materials and our proprietary software, neither we nor our Related Parties are currently the only designated or Approved Supplier of any other products or services. We reserve the right to be one of, or the sole, designated or approved supplier in the future.

You must purchase or lease certain Approved Items only from our Approved Suppliers, which may include our Related Parties or us. The Operations Manual will contain a list of Approved Suppliers and a list of Approved Items we deem necessary to operate your Franchised Business. These lists may include suppliers from which you must purchase certain items, or specific brands or types of items that you may buy from any source provided that the items conform to the standards and specification we designated. Approved Suppliers, specifications, and standards are determined based on the current needs for operating Franchised Businesses, and we may make changes in the Operations Manual.

We consider a variety of factors when considering which suppliers we will deem as approved suppliers, such as price, service, quality, warranty, delivery terms, ability to provide products and services that meet our specifications, responsiveness, and other commercially reasonable benchmarks. If you want to use a material, supply, equipment, product or sign that we have not yet approved, or you want to purchase any items from any supplier that we have not approved, you must first notify us in writing and must submit to us, at our request, sufficient information, specifications, and samples for us to determine whether the services, material, supply, equipment, product or sign complies with our specifications and standards, or whether the supplier meets our approved supplier criteria. We reserve the right to approve or disapprove without any obligation to provide an explanation of the approval criteria to you. Within 90 days of receiving your request, we will either accept or reject the proposed item or supplier. You will not distribute or offer

for sale any products or services of the proposed supplier until you receive our written approval. We do not charge a fee to evaluate alternative supplier or items. We may revoke our approval of any supplier or item with 30 days' prior written notice to you. Upon receipt of written notice of such revocation, you must cease to purchase from the disapproved supplier(s) or to purchase the disapproved item(s).

Revenues and Rebates

We and our Related Parties have the right to receive, collect and retain payments, manufacturing allowances, marketing allowances, rebates, credits, monies, or benefits (collectively, "Allowances") offered by our Approved Suppliers to you or to us or our Related Parties based upon your and/or other Affiliates' purchases of products and services. These Allowances may be based on individual or network-wide purchases of products and services. You assign to us or our designee all of your right, title and interest in and to any and all such Allowances and authorize us or our designee to collect and retain any or all such Allowances without restriction (unless otherwise prohibited by the supplier). We may use all amounts so received for any purpose we and our affiliates deem appropriate.

During our last fiscal year that ended December 31, 2025, we did not receive any Allowances from the sale of required products and services to our franchisees.

Miscellaneous

One or more of our officers listed in Item 2 of this disclosure document have an ownership interest in us and our Related Parties, Proper Rate, Proper Title, At Development, Suburban Jungle Ansley and Konverse. We estimate that required purchases described above will be approximately 50-70% of all purchases and leases by you of goods and services to establish your Franchised Business, and approximately 30-50% of your total cost of operating the Franchised Business.

We do not have any purchasing or distribution co-operatives as of the issuance date of this Franchise Disclosure Document. We may negotiate purchase arrangements with designated and approved suppliers for the benefit of our franchisees. We do not provide material benefits, such as renewing or granting additional franchises to franchisees, based on their use of designated or Approved Suppliers or purchases of particular products or services.

Pre-Opening Obligations. Before you commence operations of your @properties Franchised Business, we will:

- **Initial Training.** We provide an initial training program as described below. (Franchise Agreement, Section 4.1).
- **Lease.** We will review and consent to your proposed leases for the Main Office. (Franchise Agreement, Section 5.2(b)).
- **Plans and Layout.** We will provide you our consent (or notice that we don’t consent) to a proposed layout within 14 days of your submission to us. Once you’ve received our consent, it is your responsibility to remodel the premises and install the furniture, fixtures, and equipment accordingly. (Franchise Agreement, Section 5.2(d)).
- **Operations Manual.** We provide access to our confidential manual (the “Operations Manual”) to offer guidance in the operation of your Franchised Business. (Franchise Agreement, Section 4.9).

- **Approved Suppliers.** We may establish and provide a list of Approved Suppliers (which will include written specifications for certain items of equipment, signs, fixtures, opening inventory and supplies in some instances and pre-approved suppliers in other instances). We do not deliver or install any items. (Franchise Agreement, Section 5.6).

During the Operation of the Franchise. During the term of the Franchise Agreement, we will provide the following support to you:

- **Operational Support.** We may offer assistance with operating problems and issues that you may encounter. (Franchise Agreement, Section 4.4).
- **Ancillary Services.** We or our Related Parties may offer other ancillary services, directly or indirectly, to assist you in operating your Franchised Business. Ancillary services may include new development consulting and marketing, certain loan brokerage services, escrow services, title searches, and similar products or services related to a real estate brokerage operation, but we will not provide assistance in establishing prices for your Franchised Business. These services may not be available in all markets, and we have the right to add, change or discontinue any ancillary service at any time, and we reserve the right to charge our then-current fees for such ancillary services. (Franchise Agreement, Section 4.7).
- **Marketing Support.** Review marketing materials that you propose. (Franchise Agreement, Section 7.2)

- **Update the Operations Manual.** Periodically provide you with updated and revised materials for the Operations Manuals (Franchise Agreement, Section 4.9).

Site Selection, Time to Open:

We do not generally own the premises for your Main Office or Additional Offices and lease it to you. We must consent to any site you select before you sign a lease for that location. We typically provide you our consent (or notice that we don't consent) to a proposed site within 14 days of your submission to us of the information required by us on the proposed site. You may not operate your @properties Franchised Business from a home office. We may allow you to utilize a co-working or shared office space for a temporary period after you commence operations of the Franchised Business; however, this will not likely be a long-term office solution that we consent to for your Franchised Business and we may require a separate physical office location for your Main Office.

We consider the following factors when reviewing a proposed site for your Main Office and Additional Offices (if any): (i) residential population, (ii) income levels, (iii) demographics, (iv) competition, (v) visibility, (vi) proximity to other @properties offices, (vii) accessibility, (viii) traffic, (ix) size, (x) condition and character, (xi) parking, and (xii) available signage.

If you do not locate a site of which we consent to within 120 days of the date of the Franchise Agreement, we can terminate the Franchise Agreement without any refund to you, or we can allow you more time to locate a site. (Franchise Agreement, Sections 5.2(a) and 5.3).

The typical length of time between the signing of the Franchise Agreement and the opening of your Main Office is 60 and 120 days. You agree to begin operations and commence operations of the Franchised Business no later than 120 from the time both parties execute the Franchise Agreement, or we may terminate the Franchise Agreement. Factors that can affect the time length in which to be open for business include: the size and scale of your market, web development timeline, content creation and photography timeline, time needed to secure a location and lease, the time needed to obtain building permits, requirements of local zoning laws and other ordinances, the availability of labor and materials, the time needed to acquire and install furniture, fixtures, and equipment, obtaining broker license(s); hiring and training any staff; and obtaining any needed occupancy permit. You will have 90 days from the date of the Franchise Agreement to install all outdoor and indoor office signs with your Franchised Business name utilizing the Marks. (Franchise Agreement, Section 5.3)

Advertising Program:

Our Obligation to Conduct Advertising. We may advise you in the conduct of advertising or conduct advertising ourselves using online, radio, television, direct mail, billboards, print or other advertising. We may use local, regional, or national advertising. We may produce advertising material in-house or through outside agencies. We are not required to spend any amount on advertising in the geographic area where you will be located.

@properties Website. We shall mutually determine the URL extension and location-specific office name for your Franchised Business, if any. You must utilize an approved, professional photographer and/or videographer to capture imagery for your Franchised Business's website. Your Franchised Business's photography needs will be determined in conjunction with us as we develop content for the website, you will license to us access to the photos and a license to use them. You will be responsible for all website hosting and related fees that we or you incur on behalf of your Franchised Business. (Franchise Agreement, Section 7.4).

Private Websites. You are not allowed to have an independent website or obtain or use any domain name (internet address) for your Franchised Business, without first obtaining our written approval. (Franchise Agreement, Section 7.4). If we permit you to maintain an independent website for your Franchised Business, you must comply with the policies that we establish from time to time regarding such website which include, but are not limited to, the brand guidelines that are contained in the Operations Manual. You must not register, as internet domain names, any of the Marks or any abbreviation, acronym or variation of the Marks, or any other name that could be deemed confusingly similar.

Digital Marketing. All digital marketing must comply with our social media policy in the brand guidelines that are contained in the Operations Manual. We also reserve, maintain, and control all rights with respect to the metaverse. As used herein, "metaverse" means any 3D virtual space powered by technologies – including virtual reality, augmented reality, artificial intelligence, the Internet of Things, and blockchain – that allows people to interact with each other and to have lifelike experiences online. (Franchise Agreement, Section 7.5).

Digital Campaigns. We may negotiate contracts with vendors such as realtor.com, Zillow, Trulia, and Google AdWords. If you choose to participate, you must pay your pro-rata share either directly to the vendor or reimburse us if we are paying the vendor. (Franchise Agreement, Section 7.6).

Print Design and Marketing Collateral. We may, but are not required to, create print collateral and publications. We may provide you with access to a variety of print design files, including but not limited to letterhead, envelopes, notecards, property brochures, print advertising, post cards, business cards, and For Sale signage and sign riders. We may provide you with access to print marketing templates for company-wide marketing and branding. If requested, we may assist with the customization of these standard, brokerage-wide print advertisements and printed pieces for each market. We may also offer certain enhanced marketing programs from time to time, at our option. (Franchise Agreement, Section 7.7).

Signs. You must begin using yard signs containing our Marks within 90 days from the date of the Franchise Agreement. You must install one (1) or more exterior signs displaying your Trade Name on your Main Office and any Additional Offices. Your sign(s) must conform to the brand guidelines. The sign(s) utilizing our Marks must be installed within ninety (90) days from the date of the Franchise Agreement. You must obtain our prior written permission for any exception to the office sign requirements due to local ordinances or other reasons and you must provide written documentation reflecting the reasons for varying the signage (Franchise Agreement, Sections 5.1 and 7.10).

Use of Your Own Advertising Material. You may use your own advertising materials provided that you submit them to us and we approve them, in writing, or they adhere to our current brand guidelines, and the material adheres to federal, state, and local law. If our written approval is not received within 14 days from the date we received the material, the material is deemed disapproved. (Franchise Agreement, Section 7.2).

Advertising Council, Cooperative. We do not currently have an advertising council or cooperative, and we reserve the right to develop an advertising council or cooperative at any time in the future.

Advertising Fund. We reserve the right to require you to pay a monthly Advertising Fund Fee for deposit into a system marketing fund (the "Advertising Fund"). We may increase the Advertising Fund Fee at any time; however, the Advertising Fund Fee will not exceed 3% of Gross Revenue. If collected, you will pay the Advertising Fund Fee in the same manner and at the same time as the Royalty Fee. If collected, we will place all Advertising Fund Fees we receive in the Advertising Fund, and we will manage such Advertising Fund. Any @properties businesses operated by us or our Related Parties will not be required to contribute to the Advertising Fund. The Advertising Fund will pay expenses in connection with the general promotion of the Marks and the System, which may include, but are not limited to, the development and operation of a call center; market research; customer retention; incentive programs; sales development programs; media planning; media buying fees; creating and producing advertising materials; outside advertising agency fees for creating advertising programs; public relation activities; outside public relations agency fees; technology investments; digital marketing; and reimbursing us the costs of administering the Advertising Fund. Additionally, we may use up to 10% of the Advertising Fund to solicit new franchise sales.

The Advertising Fund will not be a trust or escrow account, and we have no fiduciary obligations regarding the Advertising Fund. We cannot ensure that any individual franchisee will benefit directly or on a pro rata basis from the future placement of any such advertising in its local market. We may spend in any fiscal year an amount greater or less than the aggregate contributions to the Advertising Fund in that year. We will determine the methods of advertising, media employed, and scope, contents, terms and conditions of advertising, marketing, promotional and public relations campaigns and programs. Upon written request, we will provide you an annual unaudited statement of the receipts and disbursements of the Advertising Fund for the most recent calendar year. We do not intend to audit the Advertising Fund. Any end-of-year surpluses or shortages in the Advertising Fund in a given year will carry over to the next year.

In our last fiscal year ending December 31, 2025, we did not collect or spend any Advertising Fund Fees.

Computer Systems:

We require you to have an internet connection, email, a laptop or desktop computer, a printer, a scanner, along with basic editing and spreadsheet software. You may be required to use our web-based proprietary software to operate your real estate brokerage business, and you must pay us the Brokerage Tech Fee (\$500 per month for the Main Office and \$250 per month per Additional Office) for the use of our proprietary software. In addition to the Brokerage Tech Fee, you must pay us the User Tech Fee (currently, \$50 per month per staff member and agent affiliated with your Franchised Business) for access to our proprietary software and for other user-based technology services we provide to you from time to time.

Our proprietary software is a suite of integrated technology applications that enable end-to-end management of the client relationship and real estate transaction for agents. Core applications within the software may include a CRM; DMS (Deal Management System); internal communications app; marketing tools for e-mail, social media, print collateral, signage and digital advertising; a Digital CMA (Comparative Market Analysis); an open house management software; and a web-based presentations app with back-end analytics for presenting and following up on offers and other critical communications.

You must ensure that any technology you use in connection with the Franchised Business, includes and maintains appropriate data security controls, and complies with our data security policies, which may be designated on our Operations Manual or otherwise by us from time to time, which include, but are not limited, to the following: (i) authentication mechanisms designed so that they cannot be bypassed to gain unauthorized access to systems, (ii) encryption; and (iii) undertaking password protection measures, such as protecting the form in which they are stored and complexity of character classes and password length.

You are required to provide us with an approved data feed from your MLS(s) that enables us, our affiliates, you and your agents to display listings on the internet for consumers to view online. We may utilize this data feed for any reason, within the rules of the relevant MLS(s) or data feed providers, to run additional reports, aggregate information, track trends, or for any other allowed internal or public-facing marketing or data tracking initiative. You understand that if you fail to provide us with the information from your MLS, then you may not receive certain services or access to certain tools of the Computer System, including proprietary software. Therefore, in order to access all services and tools under the Computer System, you must provide us with the approved data feed from your MLS.

There may be fees - both initial and ongoing - associated with receiving and maintaining this data feed. Such fees are based on local MLS rules and may vary by MLS, and we anticipate your fees may range from \$0 to \$10,000 for initial fees and \$100 and \$2,500 for ongoing fees. You will be solely responsible for these fees.

We may offer additional technology tools, processes, or systems related to our technology offering that, should you elect to participate, may require you or your agents to contract with third-party service providers for additional fees, which you agree to pay. Likewise, we may integrate some third-party technology systems and services into our technology offering. In order to utilize some of the functionality of our proprietary software, you or your agents may be required to contract with 3rd party software providers and pay additional fees, or we may implement those additional technology tools, processes, or systems, and you will be responsible for paying additional fees related to those implementations.

The capabilities of the services that we offer in our proprietary software may vary to each franchisee based on MLS rules, data feed restrictions, state and local laws or any other restrictions that may arise.

Depending on what computer systems and software you already have, and the number and type of equipment you will need, these items can be purchased for approximately \$2,500 - \$10,000.

Neither we nor our affiliates or any third-party have any obligation to provide ongoing maintenance, repairs, upgrades or updates. You must maintain your computer systems in good working order and must replace, update or upgrade your hardware systems as we require. The estimated annual cost of optional or required maintenance, updating, upgrading, or support contracts to your computer systems is approximately \$1,000.

Since technology, particularly in the real estate brokerage business is changing, we reserve the right to require businesses operating under the System and Marks, including your Franchised Business, to change technology systems, or implement new or changed technologies, and you would be required to pay the initial, conversion, and ongoing fees and costs associated with those changes, which payments may be to us or to third parties.

Anti-virus protection. You must use anti-virus protection on your computer. At present, we do not specify a particular vendor, but reserve the right to do so.

Independent Access to Information. You are required to provide us with independent access to the information that will be generated or stored in your Computer Systems, which includes, but not limited to, Customer Data and certain other operational information we require in the Operations Manual. We have the right to review your business operations, in person, by mail, or electronically, and to inspect your operations and obtain your paper and electronic business records related to the Franchised Business and any other operations taking place through your Franchised Business. If, as part of a review of your Franchised Business, we request a copy of any business records, you must send us at your expense these records within five days of receiving our request.

ITEM 12 TERRITORY

Your Main Office and Any Additional Offices

The physical address of your Franchised Business (the “Main Office”) must be approved by us in writing before you can begin to operate your Franchised Business. Your Main Office will be identified in Exhibit 1 of the Franchise Agreement.

You may open additional offices (each, an “Additional Office”) as listed in Exhibit 1 of the Franchise Agreement, or as needed, so long as we receive prior written notification before you enter into any binding agreement to lease, purchase, or otherwise occupy the Additional Office. We reserve the right to reject the location of your anticipated Additional Office. If we approve your proposed Additional Office, you must execute the Additional Office Addendum.

You may not relocate your Main Office or Additional Office without our prior written consent. We consider the following factors when reviewing your initial proposed site for your Main Office or Additional Office, and any request for relocation: (i) residential population, (ii) income levels, (iii) demographics, (iv) competition, (v) visibility, (vi) proximity to other @properties offices, (vii) accessibility, (viii) traffic, (ix) size, (x) condition and character, (xi) parking, and (xii) available signage.

Territory - Protected Territories and Non-Exclusive Territories

Protected Territories

Your Franchise Agreement will indicate whether you have a “Protected Territory.” In cases where we grant a Protected Territory, there is no “minimum” Protected Territory, and you and we will agree upon a Protected Territory to designate. The Protected Territory will typically be a list of counties, zip codes, or other geographical designations, which will be designated in the Franchise Agreement. If we grant you a

Protected Territory, your Main Office and any Additional Offices must be located within the Protected Territory.

If we grant you a Protected Territory, we will not establish and operate a company owned brokerage location, or grant licenses or franchises to others to establish and operate, any other office of an @properties Franchised Business within the Protected Territory during the term of the Franchise Agreement, as long as you are in compliance with the Franchise Agreement.

Non-Exclusive or Not Protected Territories

If the Franchise Agreement does not designate a Protected Territory, then the Franchise Agreement does not grant you a territory or any territorial protection. In that case, your right to operate a Franchised Business pursuant to a Franchise Agreement is limited solely to the Main Office and any Additional Offices, although your affiliated real estate agents may offer and sell their real estate services anywhere they are licensed.

Operations Within and Outside of the Territory

The franchise granted to you under the Franchise Agreement is personal in nature, and shall only be used from the Main Office and any Additional Office authorized by us. However, you shall have the right to offer and sell real estate brokerage services identified by the Marks through any other channels of distribution, including the internet (subject to the restrictions in the Franchise Agreement, Operations Manual, and our policies). Your Protected Territory does not include the metaverse, and we reserve, maintain, and control all rights with respect to the metaverse.

Your right to offer and sell real estate brokerage services under the Franchise Agreement is subject to the limitations set forth in the Operations Manual or as we otherwise periodically prescribe, which may include certain territorial policies that we establish or modify from time to time. You may not establish or operate any @properties office outside the Protected Territory, unless we permit you to do so under a separate Franchise Agreement. You are not granted any options or rights to acquire additional franchises. You may not subfranchise or sublicense any of your rights under the Franchise Agreement. We and our franchisees, and our and their respective licensees, franchisees, and affiliates, as well as our agents and the agents of any of these parties, have the right (without compensation to you) to offer and sell real estate brokerage services under the Marks to clients located within the Protected Territory and for real estate located within the Protected Territory, as long as the real estate brokerage services are offered and sold from offices of @properties businesses outside of the Protected Territory. In turn, you and your agents have the right to offer and sell real estate brokerage services under the Marks to clients located outside the Protected Territory and for real estate located outside the Protected Territory but only inside the United States (including Puerto Rico, the U.S. Virgin Islands, and other U.S. territories), as its borders exist on the Effective Date, so long as those real estate brokerage services are offered and sold from the Main Office and any authorized Additional Office. The following additional limitations exist: (1) your rights outside your Protected Territory may be limited based on territorial grants or protections that we or our franchisees have granted to other franchisees, affiliates or other third parties, and (2) the scope of your rights outside of your Protected Territory may be modified by us from time to time, and are subject to the territorial policies that we establish or modify from time to time in the Operations Manual. You do not have any right to exclude, control or impose conditions on our development of future licensed, franchised, company or franchise-owned @properties businesses, or other company owned businesses at any time or at any location.

If you and your agents are licensed, as prescribed by law, to provide real estate brokerage services in an area where another licensee, franchisee or affiliate has been granted a protected territory by us (“Other Area”) but their grant does not prevent others from offering real estate brokerage services under the Marks

in the Other Area, so long as you do not exceed 5% of your inventory (as measured by the number of properties) at any given time, you may list properties for sale using the Marks in the Other Area so long as they are listed from your Main Office or Additional Office. If your properties listed in the Other Area exceeds 5% of your inventory and, upon notice from us, you do not cease such listings promptly, you will be in default, and we can terminate the Agreement. Conversely, to the extent another licensee, franchisee, affiliate, or its agents, are licensed as prescribed by law, to provide real estate brokerage services in your Protected Territory, we will use commercially reasonable efforts to limit such party from listing more than 5% of its inventory of properties using the Marks in your Protected Territory, assuming such party has not been granted unlimited rights by us. However, we have no obligation to enforce this against such other parties.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control, or competitive brands owned, operated, licensed or franchised by our affiliates.

Our Reserved Rights

We reserve (for ourselves and our affiliates) reserve all rights to engage in all activities associated with the @properties Marks, and all rights to engage in any business, licensing, franchising, or other activities associated with other brands, marks, and real estate brokerage systems, anywhere in the world, not specifically granted to you under the Franchise Agreement or expressly prohibited under the Franchise Agreement, or expressly prohibited from us engaging in under the Franchise Agreement. Without limiting the preceding sentence, we (for ourselves and our franchisees and affiliates) specifically reserve the right, from any location at any time, without any compensation to you or any other franchisee and regardless of whether it competes with the Franchised Business, the following rights:

(a) To own and operate, and grant licenses or franchises to others to own and operate, @properties offices outside of the Protected Territory;

(b) To own and operate, and grant licenses or franchises to others to own and operate, any business of any kind (other than an office located within your Protected Territory selling the same services as @properties businesses) under the Marks at any locations within or outside of your Protected Territory, including by electronic means such as the Internet, applications, by websites we may establish, catalog sales, telemarketing, or other direct marketing sales;

(c) To own and operate, and grant licenses or franchises to others to own and operate, any business of any kind, including a real estate business selling the same or similar services as @properties businesses, under any names, trademarks, service marks, logos and other commercial symbols other than the Marks, regardless of where such businesses are located, including within the Protected Territory;

(d) To merge with, acquire, be acquired by, or become associated with any businesses that are the same or similar to @properties businesses and operate or license others to operate such businesses regardless of where the businesses are located, including within the Protected Territory, and to be acquired by any third party that operates businesses that are the same or similar to @properties businesses regardless of where such businesses are located, including within the Protected Territory;

(e) to promote, sell, and distribute products, items, and other materials under the Marks or other trademarks through dissimilar channels of distribution (i.e., other than the operation of an @properties office within the Protected Territory), including by electronic means such as the Internet, applications, by websites we may establish, catalog sales, telemarketing, or other direct marketing sales;

(f) To advertise the System anywhere, including, without limitation, on the Internet (or any other existing or future form of electronic commerce) and to create, operate, maintain, and modify, or discontinue the use of a website or any online presence using the Marks; and

(g) to engage in all other activities associated with the @properties Marks not expressly prohibited under the Franchise Agreement.

As indicated above, if the Franchise Agreement does not designate a Protected Territory, then you have no territorial protection, we reserve all rights, and we and other franchisees may operate real estate brokerages or other businesses under the @properties mark anywhere.

Minimum Performance Requirement

Your rights under the Franchise Agreement are dependent on you achieving the minimum performance requirements identified on Exhibit 1 to the Franchise Agreement (referred to as the “Minimum Performance Requirement”). If you fail to satisfy the Minimum Performance Requirement during the term of the Franchise Agreement, we have the right, but are not required, to terminate the Franchise Agreement, or, in lieu of termination, modify or rescind any such territorial or protected rights. The Minimum Performance Requirements are determined when we consider a number of factors, including your experience, the area in which you plan to operate your Franchised Business, the number of agents affiliated with you, and other factors we may solely determine.

For franchisees who are converting an existing real estate business to Franchised Business, the Minimum Performance Requirement is equal to a minimum amount of Gross Revenues that is designated in the Franchise Agreement.

You are required to comply with the programs, policies, and procedures that we designate with regard to client referrals from time to time, which may be modified, suspended, or augmented from time to time at our option. If we do not have any referral programs, policies, or procedures in place at the time that you communicate with a client referral, and except as otherwise permitted by us, you are required to direct any client referrals to other franchisees. If, at the time during the term of the Franchise Agreement, you are a member of an affiliation approved by us, and are required by said affiliation to comply with its programs, policies, and procedures, then you may continue to abide by those approved membership agreements. As of the date of the Franchise Agreement, you will list any third-party affiliations that you are currently a member of on Exhibit 6 to the Franchise Agreement. For any additional, subsequent, or substitute affiliations that you may wish to join, you must secure our approval in advance, and we will update Exhibit 6.

Our Affiliated Companies

Our affiliate, Christie’s International Real Estate (“CIRE”), offers and sells real estate brokerage franchises under the “CHRISTIE’S INTERNATIONAL REAL ESTATE” trademarks. CIRE franchises may solicit or accept orders anywhere they are permitted under their CIRE franchise agreements, which may include the geographic area where you operate your Franchised Business.

In addition, our parent, Compass, directly and through various subsidiaries and affiliates (some of which previously offered franchises), is a residential real estate brokerage firm, operating in over 95 markets in the United States with over 400 offices and over 33,000 agents (referred in this disclosure document as the Compass Brokerage).

At any time, we (subject to any Protected Territory rights you may have) and our Related Parties have the right, without compensation to you, to own, operate, franchise or license others to operate real estate brokerage businesses, including without limitation CHRISTIE’S INTERNATIONAL REAL ESTATE

We do not resolve conflicts between our franchisees, or between our franchisees and franchisees of the Real Estate Affiliates regarding territory, customers and franchisor support.

Anywhere Advisors currently operates real estate brokerage businesses under the Coldwell Banker®, Coldwell Banker Commercial® and Sotheby's International Realty® service marks. NRT NY currently operates real estate brokerage businesses under Corcoran® and Corcoran Sunshine® service marks. There is no restriction under the License Agreement that prevents us, the Real Estate Affiliates, Anywhere Advisors, NRT NY or any other present or future Related Party from owning, operating, franchising or licensing others to operate, real estate brokerages or other businesses under the Better Homes and Gardens® Real Estate, Coldwell Banker®, Coldwell Banker Commercial®, CENTURY 21®, Sotheby's International Realty®, ERA®, Corcoran®, "@properties," "CHRISTIE'S INTERNATIONAL REAL ESTATE," "COMPASS," "WASHINGTON FINE PROPERTIES," AND "LATTER AND BLUM" service marks, or any other service marks, anywhere within or outside your market area.

Except for any statutory limitations, there are no restrictions on us or our affiliates, or our or our affiliates' franchisees, that would prevent us or our affiliates, or our or our affiliates' franchisees from accepting, clients or listings for real estate sales anywhere, including areas where you and your Franchised Business operate. You are not entitled to receive any compensation from us or others for any business generated by us or our affiliates, or our or our affiliates' franchisees, from clients in any market area, including clients in your market area. Further, we and our affiliates have the right to use and allow our and our affiliates' franchisees to use, without any compensation to you, alternative channels of distribution, including the internet, catalog sales, telemarketing, or other direct marketing sales, to make sales anywhere using the Marks or any other service marks.

For the avoidance of doubt, any customer or referral lists and information in part or in whole, including the Customer Data, are included in Confidential Information, even if parts of the lists or information are generally known to the public.

In addition, notwithstanding anything in the Franchise Agreement to the contrary, you may, in accordance with any applicable law, including the federal Defend Trade Secrets Act, disclose Confidential, including our trade secrets, (a) in confidence, to federal, state, or local government officials, or to your attorney, for the sole purpose of reporting or investigating a suspected violation of law; or (b) in a document filed in a lawsuit or other legal proceeding, but only if the filing is made under seal and protected from public disclosure.

All persons affiliated with you, including the Principal Owners, Designated Owner, Office Broker(s), and all others that have access to the Confidential Information, must sign a confidentiality agreement before you grant them access to any Confidential Information. The current form of Confidentiality Agreement is attached as Exhibit 5 to the Franchise Agreement. Upon termination of your Franchise Agreement, you must return to us our Operations Manuals and all Confidential Information.

ITEM 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

We recommend that you operate as a business entity.

You must designate one Principal Owner as the “Designated Owner” who (i) is the primary Principal Owner responsible for your Franchised Business and communications with us; (ii) has authority over all transactions and dealings related to your Franchised Business and (iii) has the power to create binding agreements with us. The Designated Owner must operate the Franchised Business on a full-time basis.

The Designated Owner must be a broker to hold all necessary real estate licenses and to supervise all real estate activities and transactions handled by the Franchised Business (also known as the “Responsible Broker”).

You must appoint a manager that will be responsible for the on-premises supervision of your Main Office at all times (the “Office Broker”). If your Franchised Business operates one or more Additional Offices, you must appoint an Office Broker for each Approve Office. The Designated Owner and an Office Broker may be the same individual and they need not own any interest in your company.

The Responsible Broker and each Office Broker must be in good standing with the local association or board of Realtors and also the state and national board of Realtors. Your Designated Owner, Office Broker, Marketing Director, and Training/Agent Support Director of the Main and Additional Offices must attend and complete, to our satisfaction, the initial training program. The Responsible Broker, Office Broker, Office Manager and any other employees or affiliates with access to the Confidential Information must sign a confidentiality agreement in a form we approve (currently Exhibit 5 to the Franchise Agreement and in the Operations Manual).

A “Principal Owner” is any person or entity who, directly or indirectly, owns a 5% or greater interest in the Franchisee. If any corporation or other entity other than a partnership is a Principal Owner, a “Principal Owner” also will mean a shareholder or owner of a 5% or greater interest in such corporation or other entity. If a partnership is a Principal Owner, a “Principal Owner” also will mean each general partner of such partnership and, if such general partner is an entity, each owner of a 5% or greater interest in such general partner.

Each of your Principal Owners must guarantee your obligations under the Franchise Agreement by signing our then-current form of guaranty agreement, which is currently attached as Exhibit 3 to the Franchise Agreement (the “Guaranty Agreement”). If any corporation or other entity other than a partnership is a Principal Owner, a “Principal Owner” also will mean a shareholder or owner of a 5% or greater interest in such corporation or other entity. If a partnership is a Principal Owner, a “Principal Owner” also will mean each general partner of such partnership and, if such general partner is an entity, each owner of a 5% or greater interest in such general partner. If no individual owns 5% or greater interest in you at any time, then each owner will be considered a Principal Owner and will be required to sign the Guaranty Agreement.

You and your personnel must comply with all applicable labor, employment and wage and hours laws and regulations. All personnel decisions, including hiring, firing, disciplining, compensating, benefits, and scheduling, will be made by you, without any influence from us, and such decisions and actions will not be, nor be deemed to be, a decision or action of ours, even if we provide advice or recommendations on these issues.

ITEM 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You may offer for sale through your Franchised Business only those products and services that we have approved in writing, which current include residential real estate brokerage services. We may designate products or services as optional or mandatory. You may not sell any goods or services that we have not authorized or approved. You are required to sell all goods or services that we authorized in writing, unless prohibited by your applicable local law. We may change the types of authorized goods and services sold by franchisees. There are no limits on our right to make changes to the authorized goods and services sold by franchisees, however, we may not fundamentally alter the nature of the franchise offered. We may, at our sole discretion, revoke approval of a previously approved goods or services, at which case you must immediately stop selling the revoked services or products.

You are required to meet certain quality service standards that we may establish periodically, and your customer service may be monitored through a client survey developed by us. We can terminate the Franchise Agreement if you do not meet these minimum quality service standards. We also may conduct investigations of customer complaints about your performance and require you to resolve all complaints to our satisfaction. We may also contact the licensed salespeople in the Main and Additional Offices to inquire if they are being given access to all available tools and if they are being provided the services as we recommend.

If you desire to offer goods and services that we do not yet approve (“New Products and Services”), you must submit to us a detailed description and we must approve New Products and Services in writing before you may offer them. We may ask for any additional information including actual samples, photos, and other supporting items. We reserve the right to not approve New Products and Services. If we permit you to conduct activities that do not involve residential real estate brokerage services, then such activities must be conducted within the guidelines specified in the Franchise Agreement and Operations Manual, under a trade name not containing the symbol @ or any term or terms that could be confused with @properties and in a manner to eliminate the prospect that the public might believe that the other business relates to your @properties Franchised Business in any way. You must obtain our written consent before engaging in any conduct that is not expressly authorized by the Franchise Agreement or Operations Manual.

For the duration of your franchise agreement, you may not offer competitive services in the states and territories of the United States unless you receive our prior written consent.

As to franchises governed by the California Franchise Investment Law, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

The registration of this franchise offering by the California Department of Financial Protection and Innovation does not constitute approval, recommendation, or endorsement by the commissioner.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT AT LEAST 14 DAYS PRIOR TO THE EXECUTION OF THE AGREEMENTS.

OUR WEBSITE--www.atproperties.com--HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AND COMPLAINTS CONCERNING THE CONTENTS OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT www.dfpi.ca.gov.

SECTION 31125 OF THE CALIFORNIA CORPORATIONS CODE REQUIRES US TO GIVE YOU A DISCLOSURE DOCUMENT, IN A FORM CONTAINING THE INFORMATION THAT THE COMMISSIONER MAY BY RULE ORDER REQUIRE, BEFORE A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

Item 3 of the Disclosure Document is amended by adding the following paragraph:

Neither we nor any person described in Item 2 of this Disclosure Document is subject to any currently effective order of any National Securities Association or National Securities Exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in this association or exchange.

Item 17 of the Disclosure Document is amended by adding the following paragraphs:

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer, or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. §101 et seq.)

The Franchise Agreement requires application of the laws of New York. This provision may not be enforceable under California law.

The Franchise Agreement contains a liquidated damages clause. Under California Civil Code §1671, certain liquidated damages clauses are unenforceable.

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement requires franchisee to execute a general release of claims upon renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order there under is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 – 20043)).

The highest interest rate allowed by law in California is ten percent (10%) annually.

The Disclosure Document and the Affiliate Disclosure Questionnaire attached at Exhibit I are amended to include the following:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

California Corporations Code Section 31512.1 provides that any provision of a franchise agreement, franchise disclosure document, acknowledgment, questionnaire, or other writing, including any exhibit thereto, disclaiming or denying any of the following shall be deemed contrary to public policy and shall be void and unenforceable:

- (a) Representations made by the franchisor or its personnel or agents to a prospective franchisee.
- (b) Reliance by a franchisee on any representations made by the franchisor or its personnel or agents.
- (c) Reliance by a franchisee on the franchise disclosure document, including any exhibit thereto.

MINNESOTA ADDENDUM TO THE DISCLOSURE DOCUMENT

As to franchises governed by the Minnesota franchise laws, if any of the terms of the Disclosure Document are inconsistent with the terms below, the terms below control.

State Cover Page and Item 17, Additional Disclosures:

Minn. Stat. §80C.21 and Minn. Rule 2860.4400(J) prohibits the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreements can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C, or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minn. Rules 2860.4400J.

Item 6, Additional Disclosure:

NSF checks are governed by Minn. Stat. 604.113, which puts a cap of \$30 on service charges.

Item 13, Additional Disclosures:

The Minnesota Department of Commerce requires that a franchisor indemnify Minnesota Franchisees against liability to third parties resulting from claims by third parties that the franchisee's use of the franchisor's trademark infringes upon the trademark rights of the third party. The franchisor does not indemnify against the consequences of a franchisee's use of a franchisor's trademark except in accordance with the requirements of the Franchise Agreement, and as the condition to an indemnification, the franchisee must provide notice to the franchisor of any such claim immediately and tender the defense of the claim to the franchisor. If the franchisor accepts tender of defense, the franchisor has the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, or to determine whether to appeal a final determination of the claim.

Item 17, Additional Disclosures:

Any condition, stipulation or provision, including any choice of law provision, purporting to bind any person who, at the time of acquiring a franchise is a resident of the State of Minnesota or in the case of a partnership or corporation, organized or incorporated under the laws of the State of Minnesota, or purporting to bind a person acquiring any franchise to be operated in the State of Minnesota to waive compliance or which has the effect of waiving compliance with any provision of the Minnesota Franchise Law is void.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minn. Stat. Sec. 80C.14 Subds. 3, 4, and 5 which require (except in certain specified cases), that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement and that consent to the transfer of the franchise will not be unreasonably withheld.

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statute §§80C.01 – 80C.22.

The Limitations of Claims section must comply with Minnesota Statutes, Section 80C.17, Subd. 5.

Franchisee Disclosure Questionnaire:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

1. The following information is added to the Cover Page of the Franchise Disclosure Document.

INFORMATION COMPARING FRANCHISORS IS AVAILABLE. CALL THE STATE ADMINISTRATORS LISTED IN EXHIBIT B OR YOUR PUBLIC LIBRARY FOR SERVICES OR INFORMATION. REGISTRATION OF THIS FRANCHISE BY NEW YORK STATE DOES NOT MEAN THAT NEW YORK STATE RECOMMENDS IT OR HAS VERIFIED THE INFORMATION IN THIS FRANCHISE DISCLOSURE DOCUMENT. THE FRANCHISOR MAY, IF IT CHOOSES, NEGOTIATE WITH YOU ABOUT ITEMS COVERED IN THE FRANCHISE DISCLOSURE DOCUMENT. HOWEVER, THE FRANCHISOR CAN NOT USE THE NEGOTIATING PROCESS TO PREVAIL UPON A PROSPECTIVE FRANCHISEE TO ACCEPT TERMS THAT ARE LESS FAVORABLE THAN THOSE SET FORTH IN THIS FRANCHISE DISCLOSURE DOCUMENT.

2. The following is to be added at the end of Item 3:

With the exception of what is stated above, the following applies to the franchisor, its predecessor, a person identified in Item 2, or an affiliate offering franchises under the franchisor's principal trademark:

A. No such party has an administrative, criminal, or civil action pending against that person alleging: a felony, a violation of a franchise, antitrust, or securities law, fraud, embezzlement, fraudulent conversion, misappropriation of property, unfair or deceptive practices, or comparable civil or misdemeanor allegations.

B. No such party has pending actions, other than routine litigation incidental to the business, which are significant in the context of the number of franchisees and the size, nature, or financial condition of the franchise system or its business operations.

C. No such party has been convicted of a felony or pleaded nolo contendere to a felony charge or, within the 10-year period immediately preceding the application for registration, has been convicted of or pleaded nolo contendere to a misdemeanor charge or has been the subject of a civil action alleging: violation of a franchise, antifraud, or securities law, fraud, embezzlement, fraudulent conversion or misappropriation of property, unfair or deceptive practices, or comparable allegations.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation, or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

3. The following is added to the end of the “Summary” sections of Item 17(c), titled “Requirements for a franchisee to renew or extend,” and Item 17(m), entitled “Conditions for franchisor approval of transfer”:

However, to the extent required by applicable law, all rights you enjoy and any causes of action arising in your favor from the provisions of Article 33 of the General Business Law of the State of New York and the regulations issued thereunder shall remain in force; it being the intent of this proviso that the non-waiver provisions of General Business Law Section 687.4 and 687(5) be satisfied.

4. The following language replaces the “Summary” section of Item 17(d), titled “Termination by franchisee”:

You may terminate the agreement on any grounds available by law.

5. The following is added to the end of the “Summary” sections of Item 17(v), titled “Choice of forum,” and Item 17(w), titled “Choice of law”:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or the franchisee by Article 33 of the General Business Law of the State of New York.

6. Franchise Questionnaires and Acknowledgements: No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Receipts: Any sale made must be in compliance with § 683(8) of the Franchise Sale Act (N.Y. Gen. Bus. L. § 680 et seq.), which describes the time period a Franchise Disclosure Document (offering prospectus) must be provided to a prospective franchisee before a sale may be made. New York law requires a franchisor to provide the Franchise Disclosure Document at the earlier of the first personal meeting, ten (10) business days before the execution of the franchise or other agreement, or the payment of any consideration that relates to the franchise relationship.

NORTH DAKOTA ADDENDUM TO FRANCHISE DISCLOSURE DOCUMENT

To the extent the North Dakota Franchise Investment Law, N.D. Cent. Code, §§51-19-01 – 51-19-17 applies, the terms of this Addendum apply.

Item 17, Additional Disclosures. The following statements are added to Item 17:

Any provision requiring franchisees to consent to the jurisdiction of courts outside North Dakota or to consent to the application of laws of a state other than North Dakota may be unenforceable under North Dakota law. Any mediation or arbitration will be held at a site agreeable to all parties. If the laws of a state other than North Dakota govern, to the extent that such law conflicts with North Dakota law, North Dakota law will control.

Any general release the franchisee is required to assent to as a condition of renewal is not intended to, nor shall it act as a release, estoppel or waiver of any liability franchisor may have incurred under the North Dakota Franchise Investment Law.

Covenants not to compete during the term of and upon termination or expiration of the Franchise Agreement are enforceable only under certain conditions according to North Dakota law. If the Franchise Agreement contains a covenant not to compete that is inconsistent with North Dakota law, the covenant may be unenforceable.

The Franchise Agreement includes a waiver of exemplary and punitive damages. This waiver may not be enforceable under North Dakota law.

The Franchise Agreement stipulates that the franchisee shall pay all costs and expenses incurred by franchisor in enforcing the agreement. For North Dakota franchisees, the prevailing party is entitled to recover all costs and expenses, including attorneys' fees.

The Franchise Agreement requires the franchisee to consent to a waiver of trial by jury. This waiver may not be enforceable under North Dakota law.

The Franchise Disclosure Document and Franchise Agreement state that franchisee must consent to the jurisdiction of courts outside that State of North Dakota. That requirement may not be enforceable under North Dakota law.

The Franchise Disclosure Document and Franchise Agreement may require franchisees to consent to termination or liquidated damages. This requirement may not be enforceable under North Dakota law.

The Franchise Agreement requires the franchisee to consent to a limitation of claims within one year. To the extent this requirement conflicts with North Dakota law, North Dakota law will apply.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Item 17, Additional Disclosure. The following statement is added to Item 17:

Item 17, Additional Disclosures:

Franchisee Disclosure Questionnaire:

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, THE FRANCHISE AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. Conflict of Laws. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. Franchisee Bill of Rights. RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. Site of Arbitration, Mediation, and/or Litigation. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. General Release. A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. Statute of Limitations and Waiver of Jury Trial. Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. Transfer Fees. Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. Termination by Franchisee. The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. Certain Buy-Back Provisions. Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise

agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. Fair and Reasonable Pricing. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. Franchisor's Business Judgement. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. Attorneys' Fees. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. Noncompetition Covenants. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. Nonsolicitation Agreements. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. Questionnaires and Acknowledgments. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a “franchise broker” is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

19. Fee Deferral. In lieu of an impound of franchisee fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business.

The undersigned parties do hereby acknowledge receipt of this Addendum.

MINNESOTA ADDENDUM TO FRANCHISE AGREEMENT

To the extent the Minnesota Franchise Act, Minn. Stat. §§80C.01 – 80C.22 applies, the terms of this Addendum apply.

1. Notwithstanding anything to the contrary contained in the Franchise Agreement, to the extent that the Franchise Agreement contains provisions that are inconsistent with the following, such provisions are hereby amended:

Minn. Stat. §80C.21 and Minn. Rule 2860.4400(J) prohibits the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreements can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statutes, Chapter 80C, or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

With respect to franchises governed by Minnesota law, the franchisor will comply with Minn. Stat. Sec. 80C.14 Subds. 3, 4, and 5 which require (except in certain specified cases), that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement and that consent to the transfer of the franchise will not be unreasonably withheld.

The Minnesota Department of Commerce requires that franchisor indemnify franchisees whose franchise is located in Minnesota against liability to third parties resulting from claims by third parties that the franchisee's use of franchisor's trademarks ("Marks") infringe upon the trademark rights of the third party. Franchisor does not indemnify against the consequences of a franchisee's use of franchisor's trademark but franchisor shall indemnify franchisee for claims against franchisee solely as it relates to franchisee's use of the Marks in accordance with the requirements of the Franchise Agreement and franchisor's standards. As a further condition to indemnification, the franchisee must provide notice to franchisor of any such claim immediately and tender the defense of the claim to franchisor. If franchisor accepts tender of defense, franchisor has the right to manage the defense of the claim, including the right to compromise, settle or otherwise resolve the claim, or to determine whether to appeal a final determination of the claim.

Franchisee will not be required to assent to a release, assignment, novation, or waiver that would relieve any person from liability imposed by Minnesota Statute §§ 80C.01 – 80C.22.

With respect to franchises governed by Minnesota Franchise Law, franchisor shall comply with Minn. Stat. Sec. 80C.14, subd. 3 which requires that except for certain specified cases, a franchisee be given 90 days' notice of termination (with 60 days to cure). Termination of the franchise by the franchisor shall be effective immediately upon receipt by franchisee of the notice of termination where its grounds for termination or cancellation are: (1) voluntary abandonment of the franchise relationship by the franchisee; (2) the conviction of the franchisee of an offense directly related to the business conducted according to the Franchise Agreement; or (3) failure of the franchisee to cure a default under the Franchise Agreement which materially impairs the goodwill associated with the franchisor's trade name, trademark, service mark, logo type or other commercial symbol after the franchisee has received written notice to cure of at least twenty-four (24) hours in advance thereof.

According to Minn. Stat. Sec. 80C.21 in Minnesota Rules or 2860.4400J, the terms of the Franchise Agreement shall not in any way abrogate or reduce your rights as provided for in Minn. Stat. 1984, Chapter 80C, including the right to submit certain matters to the jurisdiction of the courts of

Minnesota. In addition, nothing in this Franchise Agreement shall abrogate or reduce any of franchisee's rights as provided for in Minn. Stat. Sec. 80C, or your rights to any procedure, forum or remedy provided for by the laws of the State of Minnesota.

Any claims franchisee may have against the franchisor that have arisen under the Minnesota Franchise Laws shall be governed by the Minnesota Franchise Law.

The Franchise Agreement contains a waiver of jury trial provision. This provision may not be enforceable under Minnesota law.

Franchisee consents to the franchisor seeking injunctive relief without the necessity of showing actual or threatened harm. A court shall determine if a bond or other security is required.

The Franchise Agreement contains a liquidated damages provision. This provision may not be enforceable under Minnesota law.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

Any action pursuant to Minnesota Statutes, Section 80C.17, Subd. 5 must be commenced no more than 3 years after the cause of action accrues.

2. Any capitalized terms that are not defined in this Addendum shall have the meaning given them in the Franchise Agreement.

3. Except as expressly modified by this Addendum, the Franchise Agreement remains unmodified and in full force and effect.

This Addendum is being entered into in connection with the Franchise Agreement. In the event of any conflict between this Addendum and the Franchise Agreement, the terms and conditions of this Addendum shall apply.

The Franchise Agreement requires the franchisee to consent to a limitation of claims within one year. To the extent this requirement conflicts with North Dakota law, North Dakota law will apply.

Franchise Agreement stipulates that the franchisee shall pay all costs and expenses incurred by Franchisor in enforcing the agreement. For North Dakota franchisees, the prevailing party is entitled to recover all costs and expenses, including attorneys' fees.

AT WORLD FRANCHISING FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (the “Franchise Agreement” or “Agreement”) is made and entered into this ____ day of _____, 2026 (the “Effective Date”), between At World Franchising, LLC, a Delaware limited liability company, with a principal place of business at 806 N. Peoria Street, Chicago, IL 60642 (“@properties,” “we,” “us” or “our”), and _____ (new entity will be inserted), a [resident of / corporation organized in / limited liability company organized in] the state of _____ (“you” or “your”).

BACKGROUND

A. As a result of our investment of time, skill, effort, and resources, we have developed and continue to develop a unique system for the development and operation of a business that offers real estate brokerage products and services under the Marks (as defined in Section 21.9 below) and System (as defined in Section 21.13 below).

B. We grant qualified persons the right to develop, own and operate a licensed @properties business using the Marks and System as an @properties franchisee (“Franchisee”), and you desire to obtain the right to develop and operate a licensed @properties business using the Marks and System.

C. We have agreed to grant you the right to develop and operate a licensed @properties business subject to the terms and conditions of this Agreement (including all exhibits and related documents) and our Operations Manual.

AGREEMENTS

NOW, THEREFORE, for value received, you and we (“the Parties”) agree as follows:

1. GRANT

1.1. Grant. Subject to the provisions contained in this Agreement, including all exhibits and related documents, and Operations Manual, we grant you a non-exclusive license to own and operate an @properties business (the “Business”). The physical address of your Business (“Main Office”) must be located within the Protected Territory and approved by us in writing before you can begin to operate your Business. Your Main Office and the Protected Territory are identified in Exhibit 1 to this Agreement. You may not relocate your Main Office without our prior written consent, as described in Section 5.2 of this Agreement.

1.2 Nature of the Protected Territory. Except as described below, and except as modified by Exhibit 1 (if applicable), we will not establish and operate, or grant licenses or franchises to others to establish and operate an @properties business using the Marks within the Protected Territory during the term of this Agreement, so long as you are in compliance with this Agreement. The license granted to you under this Agreement is personal in nature and shall only be used from the Main Office and any Additional Office authorized by us. Notwithstanding the preceding sentence, and subject to the terms of this Agreement, you shall have the right to offer and sell real estate brokerage services identified by the Marks through any other channels of distribution, including the Internet but excluding the metaverse. We reserve, maintain, and control all rights with respect to said metaverse. As used herein, “metaverse” means any 3D virtual space powered by technologies – including virtual reality, augmented reality, artificial intelligence, the Internet of Things, and blockchain – that allows people to interact with each other and to have lifelike experiences

online. The rights granted under this Agreement are subject to the limitations set forth in the Operations Manual or as we otherwise periodically prescribe, which may include certain territorial policies that we establish or modify from time to time. You may not establish or operate any @properties office outside the Protected Territory, unless we permit you to do so under a separate franchise agreement. You may not subfranchise or sublicense any of your rights under this Agreement.

1.2.1 Subject to Section 1.2.2 below, we and our Related Parties, and our and their respective licensees, and franchisees, as well as our agents and the agents of any of these parties, have the right (without compensation to you) to offer and sell real estate brokerage services under the Marks to clients located within the Protected Territory and for real estate located within the Protected Territory, as long as the real estate brokerage services are offered and sold from offices of @properties businesses outside of the Protected Territory. In turn, and also subject to Section 1.2.2 below, you and your agents have the right to offer and sell real estate brokerage services under the Marks to clients located outside the Protected Territory and for real estate located outside the Protected Territory but only inside the United States (including Puerto Rico, the U.S. Virgin Islands, and other U.S. territories), as its borders exist on the Effective Date, so long as the real estate brokerage services are offered and sold from the Main Office and any authorized Additional Office. However, you acknowledge and agree: (1) that your rights outside your Protected Territory may be limited based on territorial grants or protections that we or our Related Parties have granted to other franchisees or other third parties, and (2) that the scope of your rights outside of your Protected Territory may be modified by us from time to time, and are subject to the territorial policies that we establish or modify from time to time in the Operations Manual.

1.2.2. If you and your agents are licensed, as prescribed by law, to provide real estate brokerage services in an area where another licensee or Franchisee has been granted a protected territory by us (“Other Area”) but their grant does not prevent others from offering real estate brokerage services under the Marks in the Other Area, so long as you do not exceed 5% of your inventory (as measured by the number of properties) at any given time, you may list properties for sale using the Marks in the Other Area so long as they are listed from your Main Office or Additional Office. If your properties listed in the Other Area exceeds 5% of your inventory and, upon notice from us, you do not cease such listings promptly, you will be in default, and we can terminate the Agreement. Conversely, to the extent another licensee, Franchisee, or its agents, are licensed as prescribed by law, to provide real estate brokerage services in your Protected Territory, we will use commercially reasonable efforts to limit such party from listing more than 5% of its inventory of properties using the Marks in your Protected Territory, assuming such party has not been granted unlimited rights by us. However, we have no obligation to enforce this provision against such other parties.

1.2.3 Except for the limitations described in this Section, you acknowledge and agree that you do not have any right to exclude, control or impose conditions on our development of future licensed, franchised, company or Related Party-owned @properties businesses, or other company owned businesses at any time or at any location.

1.3. Rights Reserved to Us. We reserve (for ourselves and our Related Parties) all rights to engage in all activities associated with the @properties Marks, and all rights to engage in any business, licensing, franchising, or other activities associated with other brands, marks, and real estate brokerage systems, anywhere in the world, not specifically granted to you under this Agreement or expressly prohibited under this Agreement, or expressly prohibited from us engaging in under this Agreement. Without limiting the preceding sentence, we (for ourselves and our Related Parties) specifically reserve the right, from any location at any time, without any compensation to you or any other Franchisee and regardless of whether it competes with the Business, the following rights:

- (a) To own and operate, and grant licenses or franchises to others to own and operate @properties offices outside of the Protected Territory;
- (b) To own and operate, and grant licenses or franchises to others to own and operate, any business of any kind (other than an office located within your Protected Territory selling the same services as an @properties businesses) under the Marks at any locations within or outside of your Protected Territory, including by electronic means such as the Internet, applications, by websites we may establish, catalog sales, telemarketing, or other direct marketing sales;
- (c) To own and operate, and grant licenses or franchises to others to own and operate, any business of any kind, including a real estate business selling the same or similar services as @properties businesses, under any names, trademarks, service marks, logos and other commercial symbols other than the Marks, regardless of where such businesses are located, including within the Protected Territory;
- (d) To merge with, acquire, be acquired by, or become associated with any businesses that are the same or similar to any @properties businesses and operate or license others to operate such businesses regardless of where the businesses are located, including within the Protected Territory, and to be acquired by any third party that operates businesses that are the same or similar to any @properties businesses regardless of where such businesses are located, including within the Protected Territory;
- (e) to promote, sell, and distribute products, items, and other materials under the Marks or other trademarks through dissimilar channels of distribution (i.e., other than the operation of an @properties office within the Protected Territory), including by electronic means such as the Internet, applications, by websites we may establish, catalog sales, telemarketing, or other direct marketing sales;
- (f) To advertise the System anywhere, including, without limitation, on the Internet (or any other existing or future form of electronic commerce) and to create, operate, maintain, and modify, or discontinue the use of a website or any online presence using the Marks; and
- (g) to engage in all other activities associated with the @properties Marks not expressly prohibited under this Agreement.

1.4. Additional Offices. You currently have [____] additional office[s] as listed in Exhibit 1 that do[es] not require approval from us. You may open additional offices (each, an “Additional Office”) as needed, so long as we receive prior written notification before you enter into any binding agreement to lease, purchase, or otherwise occupy the Additional Office. We reserve the right to reject the location of your anticipated Additional Office. Nothing in the previous sentence is intended to suggest that a rejection of the location of the anticipated Additional Office will act as a rejection of your ability to open an Additional Office. The Main Office and Additional Office are each referred to herein as an “Office.” If we approve your proposed Additional Office location, you must execute an addendum granting you such rights, the current version of which is attached as Exhibit 4.

1.5. Minimum Performance Requirement. Your rights under this Agreement are dependent on you achieving the minimum performance requirement(s) identified on Exhibit 1 of this Agreement (referred to as the “Minimum Performance Requirement(s)”). If you fail to satisfy any Minimum Performance Requirement during the term of this Agreement, we have the right to terminate this Agreement, or, in lieu of termination, modify or rescind any such territorial or protected rights.

2. TERM AND RENEWAL

2.1. Term. This Agreement will be effective for a ten (10) year term beginning on the Effective Date specified in this Agreement.

2.2. Renewal. You will have the right to renew the rights granted under this Agreement for one (1) additional term of ten (10) years, provided the following conditions are met:

- (a) we are still offering licenses or franchises under the Marks and System;
- (b) you meet our then-current standards for new @properties Franchisees;
- (c) you have given us written notice of your intention to renew at least 365 days before the end of the then-existing term of this Agreement;
- (d) you are in compliance with all provisions of this Agreement, including all monetary obligations you owe to us and/or our Related Parties, throughout the term of this Agreement;
- (e) you have paid a renewal fee of \$1,000 (the “Renewal Fee”) to us at least six months before the then-existing term of this Agreement expires;
- (f) you sign our then-current franchise agreement, which may contain conditions, terms, and fees that are materially different from those contained in this Agreement;
- (g) you and each Principal Owner sign a general release, in a form acceptable to us, of all claims against us and/or our Related Parties, officers, directors, employees, and agents.

2.3. Non-Renewal. If you do not intend to renew your rights under this Agreement, you must provide us written notice of such at least 365 days before the expiration date of this Agreement. You must comply with all post-termination and post-expiration requirements under this Agreement beginning the date this Agreement expires.

2.4. Operating After Expiration. If you or your Principal Owners continue to use the Marks, and/or use the System after the expiration of this Agreement, you will be in default of this Agreement and we may exercise all remedies available to us, including those listed in Section 11. We may charge you a Royalty Fee in the amount of your highest Royalty Fee paid to us in the last twenty-four (24) months of the Term for each month you operate after expiration.

2.5. Consent to Communications. We or our Related Parties may communicate with you, either by telephone or electronic means, about various matters including communications that might otherwise be prohibited by “do not call/text,” “do not fax” or similar laws. You consent to these communications, including automated calls, ringless voicemail or prerecorded messages, without the need for any additional consent.

3. FEES AND PAYMENTS

3.1. Initial Fee. You must pay to us an initial fee of \$35,000 (the “Initial Fee”). The Initial Fee is due to us in full when you return to us signed copies of this Agreement. The Initial Fee is payable to us when you sign this Agreement, is fully earned by us upon receipt, and is non-refundable.

3.2. Royalty Fee. During the term of this Agreement, you must pay us a continuing royalty fee in the amount set forth in Exhibit 1 (“Royalty Fees”) as specified herein, or as we otherwise specify in the Operations Manual or otherwise in writing. You must pay us the Royalty Fees on a monthly basis, based on the Gross Revenue of the Business for the prior calendar month, or for such other period as we may specify in the Operations Manual or otherwise in writing.

3.3. Brokerage Tech Fee. Commencing on the Effective Date, you must pay to us a monthly technology fee (the “Brokerage Tech Fee”) equal to \$500 per month for the Main Office and \$250 per month for each Additional Office. The Brokerage Tech Fee may be used to assist with the costs we incur to maintain website and provide ongoing maintenance and updates to the Proprietary Software. The Brokerage Tech Fee is payable in the same manner as the Royalty Fee as described in Section 3.2 above. We may increase the Brokerage Tech Fee by providing 30 days’ written notice to you, and we will not increase the Brokerage Tech Fee more than once per calendar year.

3.4. Monthly User Technology Fee. In addition to the Brokerage Tech Fee, commencing on the Effective Date, you must pay us a monthly technology fee for each staff member and agent affiliated with your Business (“User Tech Fee”) equal to \$50 per person per month. The User Tech Fee is payable in the same manner as the Royalty Fee as described in Section 3.2 above. We may increase the User Tech Fee by providing 30 days’ written notice to you, and we will not increase the User Tech Fee more than once per calendar year.

3.5. Transfer Fee. You agree to pay to us a Transfer Fee of \$5,000 if you wish to transfer ownership of the rights under this Agreement, or a majority of the ownership of this Agreement or in an entity holding this Agreement, in addition to the other obligations described in Section 14. We do not charge a transfer fee if the owners of this Agreement transfer this Agreement into an entity owned by the same owners with the same ownership percentages.

3.6. Assistance Fee in the Event of Death or Incapacity. In the event we elect to terminate the Agreement under the terms of Section 14.5, Death or Incapacity, the terms of Section 2.4, Operating After Expiration, shall apply. You will be provided with 90 days to wind down your Business’s affiliation with us. You agree we are entitled to reimbursement from you or your estate (or your Principal Owner or her/his estate) for any reasonable expenses incurred for operation of your Business after such winddown period.

3.7. Sales, Income, and Other Taxes. You shall be solely responsible for paying all sales, income, and other taxes imposed upon you with respect to your operation of the Business. We do not charge royalty fees on sales tax. You will indemnify and reimburse us for all income, capital, gross receipts, sales, and other taxes that the state in which the Business is located imposes, or may in the future impose, as a result of your operation of the Business or the license of any of our intangible property in the jurisdiction in which the Business is located. If more than one Franchisee is located in an applicable jurisdiction, the Franchisees will share the liability equally. If applicable, this payment is in addition to the fees paid to us or our Related Parties due under this Agreement.

3.8. Fees to Third Parties. You agree to reimburse us for any third-party charges we may incur on your behalf. Prior to incurring any third-party expenses, we shall present the fees to you for approval, which shall not be unreasonably withheld. You shall have fourteen (14) days to approve the fees. If approval is not received from you at the end of the fourteenth day, the fees shall be deemed approved. You are solely responsible for all fees and expenses to third parties required to operate your Business.

3.9. Payment Period and Method. You agree to pay to us the Royalty Fee and all other continuing fees within 7 days after the end of the prior calendar month via electronic transfer. You must pay to us all

other fees when incurred. You must sign electronic transfer of funds authorizations and other documents as we periodically designate, in the form attached as Exhibit 2, to authorize your bank to transfer, either electronically or through some other method of payment we designate, directly to our account and to charge your account for all amounts you owe us. Your authorizations will permit us to designate the amount to be transferred from your account. You must maintain a balance in your account sufficient to allow us to collect the amounts owed to us when due. You will be responsible for any penalties, fines or similar expenses associated with the transfer of funds described herein. If you change your bank account or transfer your account to a different bank, you must notify us within one day, and sign and deliver to us and the bank new documents to permit us to debit your bank account within three days. You will maintain a balance in your account sufficient to allow us to collect the amounts owed to us when due. You will be responsible for any penalties, fines or similar expenses associated with the transfer of funds described herein. We reserve the right to modify the payment methods and schedule in our Operations Manual from time to time at our option.

3.10. Delinquency. If any Royalty fees or other amounts owed to us are not paid in full by the due date, we may charge you a late payment fee of one hundred dollars (\$100) for each failure to pay each fee on time, and interest on the overdue amount at the rate of one and one-half percent (1.5%) per month (or the maximum rate permitted by applicable law, if less than one and one-half percent (1.5%)) from the date such amount was due until paid in full. Unpaid interest charges will compound annually.

3.11. Application of Payments. We may apply any payments received from you against any indebtedness you owe to us.

3.12. Withholding Payments Unlawful. You agree that you will not withhold payment of any Royalty Fees or any other amount due us or our Related Parties, and that the alleged non-performance or breach of any of our or our Related Parties obligations under this Agreement or any related agreement does not establish a right at law or in equity to withhold payments due us for Royalty Fees or any other amounts due.

3.13. Other Fees. You and we acknowledge and agree that technology, particularly in the real estate brokerage business, is changing, and you and we may need to implement changes over time. As discussed in Section 5.10 below, we reserve the right to require businesses operating under the System and Marks, including your Business, to change technology systems, or implement new or changed technologies, and you agree to pay the initial, conversion, and ongoing fees and costs associated with those changes, which payments may be to us or to third parties.

4. TRAINING AND OPERATING ASSISTANCE

4.1. Initial Training. We have the right to require, in our discretion, your Responsible Broker, Office Broker, Marketing Director and Agent Support Director for the Main Office and each Additional Office (if any) (hereinafter referred to as “Trainees”) to attend, and complete to our satisfaction, our then-current initial training program on the operation of a Business and the Brand Guidelines and Systems, to be provided at a place and time we designate. We will not charge a training fee for your Trainees to attend our initial training program. We reserve the right to require any additional individuals to attend our initial training, at our then-current initial training fee. You are solely responsible for the compensation, travel, lodging and living expenses incurred by your Trainees and any required additional individuals in attending the initial training program and any additional trainings required. We have the right to determine whether a person has or has not successfully completed training and to require your Trainees or additional individuals to repeat the course. Failure to complete to our satisfaction the initial training program in accordance with our standards constitutes grounds for termination, as provided in Section 10.2(a) of this Agreement.

4.2. Required Ongoing Training. We may require, from time to time, your Trainees or additional individuals to attend (in any manner or medium that we designate) additional training. You are responsible for the compensation, travel, lodging and living expenses your Trainees and additional individuals incur in attending any additional training. We reserve the right to charge a reasonable fee in connection with any ongoing training we offer.

4.3. Continuing Education. You must satisfy all continuing education requirements required by us or by applicable law for maintaining your license, permit and applicable certifications, and those of your brokers, agents, and employees.

4.4. Operating Assistance. You are solely responsible for the day-to-day operation of your Business to preserve and protect the @properties brand and Marks. You and your Owners will actively manage and supervise the Business's operation in a competent and professional manner. You and your employees must preserve good customer relations; render competent, prompt, courteous, and knowledgeable service; and comply with all operational standards in the Operations Manual. Any education, support, advice or resources we or our Related Parties provide to you in connection with the Business is solely for the purpose of protecting the Marks and goodwill associated with the System and assisting you in the operation of the Business, and not for the purpose of controlling or in any way exercising or exerting control over your decisions or the day-to-day operation of the Business.

4.5. Special Assistance Fee. Intentionally deleted.

4.6. Additional Training, Founder Mentoring, Designated Programming. Intentionally deleted.

4.7. Ancillary Services. We or our Related Parties may offer other ancillary services, directly or indirectly, to assist you in operating your Business. However, you are not required to use ancillary services. Ancillary services may include title services, mortgage services, new development services, warranty services, and relocation services and similar products or services related to a real estate brokerage operation. These services may not be available in all markets, and we have the right to add, change or discontinue any ancillary service at any time, and we reserve the right to charge our then-current fees for such ancillary services.

4.8. Annual Conference. In order to stay current on all programs, processes, procedures and other information relating to the operation of your @properties business, you or a senior representative from your leadership team of whom we approve must attend any annual affiliate conference or other conference that we sponsor or designate. You must pay to us our then-current conference fee and you are responsible for all travel and living expenses for you, your owners, brokers, agents and employees. If you fail to attend the annual conference without our prior written consent, you must pay our then-current fee for two people for failing to attend the conference.

4.9. Operations Manual. We will provide to you electronic access to our proprietary and confidential operations manual and other handbooks, manuals and written materials (collectively, the "Operations Manual") for Franchisees. The Operations Manual will contain both mandatory specifications, standards, and operating procedures as well as suggested practices and procedures that we develop for the @properties businesses and information relating to your other obligations. The Operations Manual will also include mandatory brand guidelines regarding the proper use of the Marks (our "Brand Guidelines"). We may add to, delete from, and otherwise modify the Operations Manual from time to time as we deem necessary or appropriate. The master copy of the Operations Manual that we maintain electronically or at our principal office and make available to you will control if there is a dispute involving the contents of the Operations Manual.

If your URL contains our Marks, you must cancel such URL registrations for the Business or, at our option, assign your URL(s) to us without any compensation from us. You must cause all agents to cancel all URLs containing our Marks that they may have established in violation of this Agreement and remove all references to the Marks, logos, trade names, service marks, our unique style, colors, color patterns and designs, and other indicia of the brand, whether in signage, print or online, including in digital marketing, as defined in Section 7.5 below..

7.5. Digital Marketing. All digital marketing must comply with our social media policy in the Brand Guidelines that are contained in the Operations Manual. For the purposes of this Section 7.5, "digital marketing" includes, but is not limited to, social media accounts (including but not limited to Facebook, Twitter, Snapchat, TikTok, Instagram and LinkedIn and other similar sites), applications, digital

advertising (including pay-per-click and display ads) or other means of digital marketing to promote the brand, Business, Marks and licensing or franchising opportunities.

7.6. Digital Campaigns. We may negotiate contracts with vendors such as realtor.com, Zillow, Trulia, Google AdWords, Facebook, and Instagram. If you choose to participate, you must pay your pro-rata share either directly to the vendor or reimburse us if we are paying the vendor.

7.7. Print Design and Marketing Collateral. We may, but are not required to, create print collateral and publications for your Business, which are detailed further in our Operations Manual. We may provide you with access to print marketing templates for company-wide marketing and branding. If requested, we may assist with the customization of standard, brokerage-wide print advertisements and printed pieces for each market, and you will pay our Special Assistance Fee for such assistance. We may offer certain enhanced marketing programs to qualifying properties that we designate. We may modify, suspend, or eliminate any marketing assistance, including our enhanced marketing programs, at any time, including the format (e.g., digital or hard copy). We may require that you pay additional fees for certain marketing collateral and publications that we provide including, but not limited to, for magazines and brochures.

7.8. Ownership of Print Design, Marketing Collateral, and Other Copyrightable Materials. You acknowledge and agree that we and/or our Related Parties and/or our licensors are the owners of certain copyrighted or copyrightable materials, including the collateral and publications that we create for the Business or the network, as well as the Operations Manual, and that the copyrights and other intellectual property rights in these materials are valuable property of ours and/or our Related Parties and/or our licensors. We authorize you to use the materials on the condition that you comply with our requirements, as set forth in our Operations Manual. You acknowledge that this Agreement does not confer any interest in these materials to you, other than the right to use them in the operation of the Business, in compliance with the terms of this Agreement. If you prepare any adaptation, improvement, translation or other item derived from these materials that we and/or any of our Related Parties and/or our licensors own, whether or not such adaptation, improvement, translation or other derived item was authorized by us, you agree that such material will be our property (or the property of our Related Party or licensor) and you hereby assign all your right, title and interest therein to us (or our designee or licensor). You agree to execute any documents, in recordable form, which we deem necessary to reflect or perfect such ownership. You agree that your execution of this Agreement shall be deemed to be your power of attorney in favor of us to execute all such documents on your behalf to carry out and effectuate the purposes and intent of this provision.

7.9. Publicity. Except as required by law, you may not make any press release or other public announcement respecting the subject matter of this Agreement without our written consent as to the form of such press release or public announcement.

7.10. Office Sign. You must install one (1) or more exterior signs displaying your Trade Name on your Main Office and any Additional Offices. Your sign(s) must conform to the Brand Guidelines. The sign(s) utilizing our Marks must be installed within ninety (90) days from the Effective Date of this Agreement. You must obtain our prior written permission for any exception to the office sign requirements due to local ordinances or other reasons and you must provide written documentation reflecting the reasons for varying the signage.

8. CONFIDENTIALITY AND INTELLECTUAL PROPERTY RIGHTS

8.1. Definition. “Confidential Information” means the methods, techniques, information, data, formats, marketing and promotional techniques and procedures, specifications, information, systems, software, and knowledge of and experience in operating and franchising @properties businesses that we communicate to

you or that you otherwise acquire in operating the Business under the System including, but not limited to, the Operations Manual and Brand Guidelines and the terms of this Agreement. Confidential Information does not include information, processes or techniques that are generally known to the public, other than through disclosure (whether deliberate or inadvertent) by you.

8.2. Confidentiality. You acknowledge and agree that you do not acquire any interest in the Confidential Information, other than the right to use it in developing and operating the Business pursuant to this Agreement, and that the use or duplication of the Confidential Information in any other business constitutes an unfair method of competition. You acknowledge and agree that the Confidential Information is proprietary, is our trade secret, and is disclosed to you solely on the condition that you agree that you: (1) will not use the Confidential Information in any other business or capacity; (2) will maintain the absolute confidentiality of the Confidential Information during and after the term of this Agreement; (3) will not make unauthorized copies of any Confidential Information disclosed in written form; (4) will adopt and implement all reasonable procedures we direct to prevent unauthorized use or disclosure of the Confidential Information, including restrictions on disclosure to Business employees; (5) will require all managers and other employees with access to Confidential Information to sign such an agreement in a form we approve; and (6) will not disclose the terms of this Agreement other than to your direct employees on an as-needed basis. The restrictions on your disclosure and use of the Confidential Information will not apply to disclosure of Confidential Information in judicial or administrative proceedings to the extent you are legally compelled to disclose this information, if you use your best efforts to maintain the confidential treatment of the Confidential Information, and provide us the opportunity to obtain an appropriate protective order or other assurance satisfactory to us of confidential treatment for the information required to be so disclosed. Notwithstanding anything in this Agreement to the contrary, you may, in accordance with any applicable law, including the federal Defend Trade Secrets Act, disclose Confidential Information, including our trade secrets, (a) in confidence, to federal, state, or local government officials, or to your attorney, for the sole purpose of reporting or investigating a suspected violation of law; or (b) in a document filed in a lawsuit or other legal proceeding, but only if the filing is made under seal and protected from public disclosure. Nothing in this Agreement is intended to conflict with any applicable law or create liability for disclosures expressly allowed by law.

You may not use or input Confidential Information in connection with any machine learning (supervised, unsupervised, and reinforcement learning), generative AI, augmented human intelligence development, training any artificial intelligence (“AI”) model, algorithm improvement, or similar data aggregation activities. This prohibition is intended to ensure a comprehensive scope, covering all aspects of AI, to avoid limiting this to specific technologies or implementations. Such uses shall not be deemed related to the performance of this Agreement and are expressly prohibited. You shall not input any Confidential Information into any generative AI platform or disclose such information to any provider or source of generative AI services. You shall opt out of allowing any provider or source of generative AI to utilize Confidential Information for training of any AI model or for other purpose.

9. REPORTS AND REVIEW

9.1. Records. During the term of this Agreement, and for three (3) years after the expiration or termination of this Agreement, you must maintain accurate financial and operational records in the form we require (“Records”). You must provide to us the Records in the manner and format we require.

9.2. Reports. You will deliver or provide access to us the following: (1) monthly sales reports relating to Gross Revenue, which are due within seven (7) days of the calendar month end and; (2) within sixty (60) days after the end of each fiscal year, an annual profit and loss statement and source and use of funds statement for the Business for the year and a balance sheet for the Business as of the end of the year; and

(3) such other reports we require from time to time. You also will provide to us copies of all records, information, and supporting documents as we require from time to time. All financial statements, reports, and information must be on forms we approve and signed and verified by you.

9.3. Profit and Loss. We have the right to require that you provide to us, once a year, a profit and loss statement of the Business, in the manner and form we specify, for the preceding 12-month period. Notwithstanding the foregoing, we reserve the right to require submission of these financial statements and reports if at any time we have a reasonable concern that you are not complying with all the terms and conditions in this Agreement, or at any time during the Term if you have committed a breach or default, even if such breach or default has been cured, and we may request such documents for review at any time if the amount of monthly Royalty Fees you pay to us declines by an aggregate of ten percent (10%) or more during any four consecutive month period.

9.4. Inspections. You must permit us and IP Owner to review, inspect, and audit the Business, records, Main Office, all Additional Offices (if any), in person, by mail, or electronically, and to inspect the operations of your Business. This includes the right to inspect and copy all tax returns and bank statements that may show revenues from the Business. We also have the right to require that you implement a plan to resolve issues that we discern from any review we conduct. You will fully cooperate with our representatives making any inspection, and you will permit our representatives to take photographs or videotapes of the Main Office and all Additional Offices (if any) and to interview your employees, agents, and customers. If, as part of a review of your business operations, we request a copy of any business records or other documents related to the Business, you must send us at your expense these records within five (5) business days of receiving our request.

9.5. Result of Audit; Unreported Net Sales. If any examination or audit discloses an understatement of Gross Revenue, you will pay to us, within fifteen (15) days after receipt of the examination or audit report, the Royalty Fees on the amount of the understatement, plus interest (at the rate provided in Section 3.10 above) from the date originally due until the date of payment. You must reimburse us for the cost of the audit or examination, including the charges of any independent accountants and the travel expenses, room and board and compensation of our employees, if any examination or audit results in a determination that Gross Revenue for any month are understated by 5% or more. The foregoing remedy is in addition to all other of our remedies and rights under this Agreement or applicable law.

10. TERMINATION

10.1. Termination by Us without Notice or Opportunity to Cure. You will be in default, and we may terminate this Agreement without notice to you and without an opportunity to cure if:

(a) Voluntary Bankruptcy. If you make an assignment for the benefit of creditors, file a voluntary petition in bankruptcy, are adjudicated bankrupt or insolvent, file or acquiesces in the filing of a petition seeking reorganization or arrangement under any federal or state bankruptcy or insolvency law, or consent to or acquiesce in the appointment of a trustee or receiver for you or the Business;

(b) Involuntary Bankruptcy. If proceedings are commenced to have you adjudicated bankrupt or to seek your reorganization under any state or federal bankruptcy or insolvency law, and such proceedings are not dismissed within 60 days, or a trustee or receiver is appointed for you or the Business without your consent, and the appointment is not vacated within 60 days; or

(c) Dissolution. If you are a corporation, limited liability company, partnership or other business entity and any action is taken which purports to seek dissolution or liquidation of such entity without our prior written consent.

10.2. Termination by Us with Notice and Without Opportunity to Cure. We have the right to terminate this Agreement upon notice to you without providing you an opportunity to cure for any of the following defaults:

(a) If you or any of your managers, directors, officers, or any Principal Owner commits a material violation of any law, ordinance, rule, or regulation of a governmental agency or department reasonably associated with the operation of the Business or if you are convicted of or plead guilty or no contest to a felony.

(b) If you include a materially false representation or omission of fact in your application to us for this Business.

(c) If you or your Principal Owners commit any fraud or misrepresentation in the operation of the Business.

(d) If you or your principals materially breach any other agreement with us or any of our Related Parties, or threaten any material breach of any such agreement, and fail to cure such breach within any permitted period for cure.

(e) If you, the Responsible Broker, or any of your managers fail to operate the Business in full compliance with federal, state, and local laws and regulations.

(f) If you, the Responsible Broker, or any of your managers or agents are involved in any act or conduct, including in public or on the Internet, which materially impairs or otherwise is prejudicial to the goodwill associated with the Marks or the System including, but not limited to, a violation of Section 6.3(n).

(g) If you or a Principal Owner makes an unauthorized assignment or transfer of this Agreement, the Business, or an ownership interest in you, or fails to complete an approved transfer in a timely manner.

(h) If you commit three or more breaches of this Agreement, the Operations Manual, or any other agreement with us, in any 12-month period regardless of whether such breaches were cured after notice.

(i) If you violate any part of Section 6 including, but not limited to, Section 6.3.

10.3. Termination upon Notice and 30 Days' Notice to Cure. Except for those defaults set forth in Sections 10.1 and 10.2 of this Agreement, if after you are given notice given by us, you fail to cure the following defaults listed below after thirty (30) days, we may terminate this Agreement:

(a) If the required individuals do not complete, to our satisfaction, our initial training program in accordance with our standards.

(b) If you fail to pay us Royalty Fees, or any other amounts due and owing to us or our Related Parties within 10 days from the date such payment was due.

- (c) If you fail to notify us regarding your choice of a site for the Main Office or any Additional Office.
- (d) If you fail to open the Business within 120 days from the Effective Date.
- (e) If you abandon the Business or discontinue the active operation of the Business for three or more business days, except when active operation is not reasonably possible, such as due to a natural disaster.
- (f) You are no longer able to or cease to be able to conduct residential real estate brokerage services in any part of your Protected Territory for whatever reason, provided, however, that in lieu of termination, we may, upon notice to you, modify your Protected Territory to terminate your rights in the part of the Protected Territory in which you are no longer operating.
- (g) If you refuse to permit us to inspect or audit your Business.
- (h) If any examination or audit discloses an understatement of Gross Revenue of more than 5%.
- (i) If you, the Responsible Broker, or any of your managers fail to conform to the material requirements of the System or the material standards of uniformity and quality as described in the Operations Manual or as we have established under the System or misuse the Marks.
- (j) If you fail to maintain the required insurance coverage or fail to provide the required evidence of insurance to us, as we require under this Agreement and in the Operations Manual.
- (k) If you breach or violate any other covenant, obligation, term, condition, warranty, or certification under this Agreement, including your failure to comply with any other term or condition of this Agreement, Operations Manual, or any ancillary agreement between you and us (or our Related Parties).

10.4 Termination upon Death/Disability of Majority Owner. If a majority Owner dies or becomes physically or mentally disabled (corroborated by written evidence from a treating physician) and you elect to wind up the Business and distribute all of the Business's assets to the Owners (as opposed to transferring the assets to a third party), you may terminate the Agreement, without penalty, if the following conditions are satisfied:

- (a) You provide us at least ninety (90) days prior written notice of your intent to terminate;
- (b) At the time of the notice, the deceased or disabled majority Owner owns at least 51% of the equity interest in you or the Business's assets and manages your day-to-day operations;
- (c) You are not in default on the date that the notice is delivered or on the date of termination ("Termination Date");
- (d) You provide any documents we request demonstrating your dissolution;
- (e) Before the Termination Date, you pay any outstanding indebtedness you owe us including, but not limited to, Royalty Fees and all amounts not previously paid and/or forgiven under any existing promissory notes (or any other instrument of indebtedness);

- (f) You and each remaining Owner agree that they will not own or operate any real estate brokerage within two miles of any authorized Office for a period ending the earlier of (i) the Expiration Date, or (ii) two years after the Termination Date; and
- (g) You enter into a written termination agreement, in a form provided to you. We will not be entitled to recover any liquidated damages under the Agreement if you comply with this Section and perform the post-termination obligations within ten (10) days after the Termination Date

10.5 Pre-Termination Options. In lieu of termination, at our option, we make take the following actions:

- (a) Terminate or modify any rights that you may have with respect to protection, “exclusivity,” or quasi-exclusivity in any Protected Territory granted hereunder, effective ten (10) days after delivery of written notice thereof to you;
- (b) Withhold from you benefits, plans, promotions or products that might be available to other franchisees, and/or we may not authorize you to participate in certain meetings or events, unless and until you cure your default(s) and operate in compliance with this Agreement and our rules, policies, and standards; and/or
- (c) Require you to provide us with a detailed business plan in such form and containing such content as we may specify, which addresses the issues and concerns raised by the defaults.
- (d) Suspend all services provided to you under this Agreement or otherwise, including education, marketing assistance, sales of products and supplies, leads from website, technology tools, intranet portal (including any successor portal sites and/or applications), and award(s) eligibility for you and the agents affiliated with you;
- (e) To suspend taking or placing referrals, leads, or relocation requests, for or from you and to direct any inquiries regarding these or other programs or services to other franchisees; and/or
- (f) To eliminate listing you and/or publishing your real estate listings in any advertising, marketing or promotional materials, including on our principal website and third-party websites to which we may direct listing information.

If any of such rights, options, arrangements, or areas are terminated or modified in accordance with this Section 10.4, such action shall be without prejudice to our right to terminate this Agreement, and/or to terminate any other rights, options or arrangements under this Agreement at any time thereafter for the same default or as a result of any additional defaults of the terms of this Agreement. The options in this Section will have no effect on, and will not release you from, any obligation you owe to us and/or our Related Parties. Your right to cure does not restrict our right to file any legal action or exercise any of our pre-termination options before, during or after the cure period.

11. POST TERMINATION OBLIGATIONS

11.1. Post-Termination Obligations. If this Agreement expires, is not renewed, or is terminated for any reason by any party, including a sale of the Business, you must immediately:

(a) Cease operating the Business under the Marks and discontinue using any of our Marks or any marks which are likely to be confused with our Marks. If you fail to remove any signs and other materials bearing the Marks, you agree that we may do so at your expense, and our actions will not be considered trespassing. You acknowledge and agree that following termination or expiration of this Agreement, you will comply with any continuing obligation to cooperate with us on or relating to any litigation, acquisition, or intellectual property rights.

(b) Remove any and all @properties Marks or any abbreviation, acronym or variation of the Marks, or any other name that could be deemed confusingly similar from all of your social media accounts, names, and handles.

(c) Pay to us all amounts owing to us and our Related Parties.

(d) Cancel all fictitious names, Trade Names or other listings which you have filed for use of any of the Marks.

(e) Abide by any other covenant in this Agreement that requires performance by you after you are no longer a Franchisee.

(f) Make all filings with the relevant court or government (federal, state, local, foreign or provincial), or any political subdivision thereof, including any department, commission, agency or other regulatory, administrative or governmental body or instrumentality, and take all other actions necessary or desirable to change the corporate name, trade name, assumed (or d/b/a) name and any other similar corporate identifier to any name and identifier that does not constitute or include any Mark, or variation or composite thereof (if any);

(g) Irrevocably assign to us, or a designee, as we designate, all Internet domain names that consist in part of, or incorporate, any of the Marks (if any); and

(h) Execute, from time to time, any necessary papers, documents, and assurances to effectuate the intent of this Section 11.

(i) **Effect of Continued Use of the Marks.** On expiration or termination, any continued use of the Marks by you, the Business or your agents: (i) will constitute willful and knowing infringement, dilution of our trademark rights and unfair competition; and (ii) may constitute trafficking in a counterfeit mark for which both civil remedies and criminal penalties may be imposed.

11.2. Return of Information. Upon termination or expiration of this Agreement, you will return to us all of our Confidential Information embodied in tangible form, and will destroy, unless otherwise agreed, all other sources that contain or reflect any such Confidential Information. Notwithstanding the foregoing, you may retain Confidential Information as needed solely for legal, tax, and insurance purposes, but the information retained will remain subject at all times to the confidentiality restrictions of this Agreement.

11.3. Our Option to Purchase the Business. If you were new to the real estate brokerage business before you signed this Agreement and became a Franchisee, and you did not have an existing real estate brokerage business that converted to the @properties brand, then if this Agreement expires or is terminated for any reason, we have the option, but not the obligation, upon 60 days' written notice from the date of expiration or termination, to purchase from you all the tangible and intangible assets relating to the Business (excluding any unsalable inventory, cash, short term investments and accounts receivable) (collectively, the "Purchased Assets"). We may assign this option to purchase, and assignment separate and apart from

the remainder of this Agreement. The purchase price for the Business will be the book value of the Purchased Assets; provided that: (a) we may exclude from the Purchased Assets any products or other items that are not in compliance with this Agreement; and (b) we may exclude from fair market value any provision for goodwill or similar value attributable to intangible property (such as the Marks and Confidential Information). If the parties cannot agree on fair market value within a reasonable time, we may designate an independent appraiser to determine the fair market value of the Purchased Assets. The determination of such appraiser will be binding on the parties hereto, and the costs of such appraisal will be divided equally between you and us. The purchase price, as determined above, will be paid in cash at the closing of the purchase, which will occur within a reasonable time, not to exceed 60 days, after the fair market value is determined. At the closing, you will deliver documents transferring good and merchantable title to the assets purchased, free and clear of all liens, encumbrances and liabilities to us or our designee and such other documents we may reasonably request to permit us to operate the Business without interruption. We may set off against and reduce the purchase price by all amounts you owe to us or any of our Related Parties. If we exercise our option to purchase the Business, we may, pending the closing, appoint a manager to maintain Business operations.

11.4. Continuing Obligations. All obligations and rights of us and you which expressly or by their nature survive the expiration or termination of this Agreement will continue in full force and effect following its expiration or termination and until they are satisfied or expire.

11.5. Liquidated Damages.

(a) If this Agreement is terminated due to your default, you must pay to us a lump-sum payment, within thirty (30) days of termination, an amount calculated as follows: (a) the average of your monthly Royalty Fees for the last 12 months immediately preceding the termination of this Agreement (or such shorter time as you were open); (b) multiplied by the lesser of 24 or the number of months remaining in the term of this Agreement.

(b) The payments called for in this Section 11.5 constitute liquidated damages for causing the premature termination of this Agreement. A precise calculation of the full extent of damages that we will incur if this Agreement terminates because you default cannot be reasonably determined. Nevertheless, the parties agree that the lump-sum payment provided under this Section 11.5 is reasonable in light of the damages for premature termination that may reasonably be expected to occur in such event. The amounts contemplated under this Section 11.5 are not a penalty, the payment is intended by the parties only as a compensatory remedy for past breaches and not as a preventative remedy to deter future breaches, and the amount does not represent a price for the privilege of not performing nor does the payment represent an alternative manner of performance. Accordingly, as a purely liquidated damages provision, this Section does not preclude, and is not inconsistent with, a court granting us specific performance or any other equitable remedies, such as an injunction, to prevent future breaches. Our rights to liquidated damages and specific performance or any other equitable relief are not mutually exclusive.

11.6. Holdover. If you continue to operate your Business after the expiration of the Term as described in Section 2.4, you will be deemed to have materially breached this Agreement including, but not limited to this Section 11. (“Holdover Period”). During any Holdover Period, all of your obligations will remain in full force and effect, as if this Agreement had not expired, and all obligations imposed on you upon expiration of this Agreement will take effect upon termination of the Holdover Period, provided, however, the Royalty Fee due during the Holdover Period will be an amount equal to twice the Royalty Fee otherwise due. The month-to-month extension may be terminated by Us, in our sole discretion, upon ten (10) days written notice to you. Additionally, we may consider you in default of this Agreement and may exercise all remedies available

to us, including our pre-termination options set forth in Section 11.1, which includes suspension of services, or termination.

12. RELATIONSHIP OF THE PARTIES/INDEMNIFICATION.

12.1. Independent Contractor. We and you are independent contractors. Neither party is the agent, legal representative, partner, subsidiary, joint venture or employee of the other. Neither party shall have the right or authority to independently obligate the other to any third parties or represent any right to do so. This Agreement does not reflect or create a fiduciary relationship or a relationship of special trust or confidence. You must identify yourself in all dealings with customers, lessors, contractors, suppliers, public officials and others as the owner of the Business under a franchise agreement from us. You must place a conspicuous notice on or near the entrance(s) of the Office(s), that clearly states “EACH OFFICE IS INDEPENDENTLY OWNED AND OPERATED,” or any modification of the statement as we may require in the Operations Manual (“Disclaimer”). You must include the Disclaimer on all signage, business cards, stationery, promotional and advertising materials, website and internet communications, email signature blocks, real estate documents, and all other materials you use.

12.2. Independent Business. You acknowledge and agree that by executing this Agreement you are agreeing to establish and operate an independent @properties business, the success of which depends on, among other things, your individual ability to operate your business, attract and retain qualified agents and other personnel, and otherwise operate all phases of an independent business over which you will have substantial control. As an independent business owner, you agree that: (i) the relationship created by this Agreement is not a relationship between principal and agent, or that it is a fiduciary relationship; (ii) you are not our employee and will not earn any wages, nor be eligible for or receive any of the other benefits normally provided to employees, but rather your income will solely be the profits you earn from the operation of your Business; (iii) we are not the employer or co-employer of any employee that you hire; (iv) except as set forth herein, all management, personnel, and training requirements are at your discretion and are your responsibility; (v) you are responsible for ensuring that your Business operates in accordance with the law of the state, county, city, and town in which you operate; (vi) you alone are permitted to contract with your customers and you are required to sign all contracts and agreements, including purchase agreements, using your independent business name; (vii) you are free to set the prices you charge your customers; and (viii) we shall not be liable for damages to any person or property arising directly or indirectly out of your operation of your Business nor shall we be liable for any taxes, assessments, fines or penalties levied upon you or your Business arising out of your Business. You agree that should you assert a claim or seek a determination that this Agreement, or any of its exhibits or attachments, creates anything but an independent business relationship, including an employment relationship, we may seek a determination that this Agreement is null and void. You also agree that if a court, administrative body, arbitrator, board, or other tribunal enters a judgment that this Agreement, or any of its exhibits or attachments, creates anything but an independent business relationship, including an employment relationship, then we shall have the option to immediately terminate this Agreement.

12.3. Indemnity. You will hold harmless, defend, and indemnify us and our past, present and future Related Parties, officers, directors, interest holders, members, shareholders, agents, attorneys, consultants, and employees (“**Indemnified Parties**”) against any claims, losses, costs, expenses (including, but not limited to, reasonable attorneys’ fees, costs, and expenses (and interest on such fees, costs, and expenses), costs of investigation, settlement costs, and interest), liabilities and damages (collectively, “**Indemnification Claims**”) arising directly or indirectly from, as a result of, or in connection with this Agreement, your operation of the Business, the relationship between the Parties, your and/or your employees’ actions or inactions, any claim that any of the Indemnified Parties are a joint employer with you for any reason, your activities under this Agreement, and/or your breach of this Agreement, including,

without limitation, those alleged to be caused by the negligence of the Indemnified Parties unless (and then only to the extent that) the Indemnification Claims are determined to be caused solely by the gross negligence or willful misconduct of one of the Indemnified Parties according to a final, unappealable ruling issued by a court or arbitrator with competent jurisdiction (including, but not limited to, Indemnification Claims brought by you). In the event the Indemnified Parties incur any costs or expenses, including, without limitation, legal fees (including, but not limited to, attorneys' fees, costs, and expenses, and interest on such fees, costs, and expenses), travel expenses, and other charges in connection with any proceeding involving you in which the Indemnified Parties are not a party, you must reimburse the Indemnified Parties for all such costs and expenses promptly upon presentation of invoices. With respect to any threatened or actual litigation, proceeding, or dispute that could directly or indirectly affect the Indemnified Parties, the Indemnified Parties have the right, but not the obligation, to: (i) choose counsel; (ii) direct and control the handling of the matter; (iii) settle any claim against the Indemnified Parties; and (iv) seek reimbursement from you pursuant to the terms of this paragraph. This Section will survive the expiration or termination of this Agreement and applies to Indemnification Claims even if they exceed the limits of your insurance coverage.

13. COVENANTS

13.1. Non-Solicitation of Customers. You, each Principal Owner, and the Responsible Broker, will not, during the term of this Agreement, and for a period of 1 year after its expiration or termination, directly or indirectly, divert or attempt to divert any @properties business, account or customer of the Business or any other @properties business referred to you by us, or the System to any competing business including, but not limited to, the competing businesses set forth in Section 6.3(e). We will not during the term of this Agreement, and for a period of 1 year after its expiration or termination, divert or attempt to divert any business, account, client, or customer of yours that we gained knowledge of in connection with this Agreement.

13.2. Competing Services or Products. During the Term, you, your Owners, officers, employees, and/or agents, or any entity in which any of you hold an ownership interest in or receive compensation from, will not directly or indirectly participate in the operation of or ownership in or receive compensation from any business that provides or seeks to provide equipment, supplies, services or other operating materials to our other Affiliates or Related Parties and their respective affiliates, without our advance written consent.

13.3. Covenant Not to Compete During Term. You and each Principal Owner will not, during the term of this Agreement, directly, or as an employee, agent, consultant, partner, officer, director or shareholder of any other person, firm, entity, partnership or corporation, own, operate, lease, franchise, conduct, engage in, be connected with, have any interest in or assist any person or entity engaged in any business that offers for sale real estate brokerage services, or any other related business that is similar to, offers the same or similar products or services to, or is otherwise competitive with, the Business, anywhere in the United States, including, but not limited to, those competing businesses set forth in Section 6.3(e), except the ownership of securities listed on a stock exchange or traded on the over-the-counter market that represent 1% or less of that class of securities. For clarification and avoidance of doubt, the above restriction regarding the operation of competing businesses applies to any separate real estate brokerage business under any brand, or Protected Territories or franchise agreements or other territories, franchises, licenses or other businesses you, your Related Parties or Principal Owner have with us or any of our Related Parties, including following the termination or expiration of any such rights.

13.2.1 Notwithstanding the foregoing, you and each Principal Owner may own other businesses that do not offer residential real estate brokerage services and that do not compete with the Business and are owned and operated under a legal entity that is separate from, a different entity from, and represented to the public as a different entity from the entity that executed this Agreement and operates the Business. Further, you covenant and agree not to divert any real estate business from the Business.

13.2.2 You acknowledge and agree that any permitted business or operations under Section 13.2.1 above shall not (a) be of the type described in Section 6.3(c); (ii) in any way be affiliated or associated with those competing businesses set forth in Section 6.3(c); and (iii) use any @properties branding or Marks.

13.4. Injunctive Relief. You agree that damages alone cannot adequately compensate us if there is a violation of any covenant in this Section and that injunctive relief is essential and necessary to prevent irreparable harm and damage to us. You therefore agree that we are entitled to injunctive relief without posting any bond or security, in addition to the remedies that may be available to us at equity or law, if you, the Principal Owners or their respective spouses or children, or the Responsible Broker violate any covenant in this Section. The covenants stated in this Section will survive the termination or expiration of this Agreement.

13.5. Waiver of Bond. If we bring suit to enforce this Agreement by injunctive relief, you agree that no bond or other security is necessary and you hereby waive any requirement that we post bond to obtain a temporary, preliminary, or permanent injunction to enforce the duties set forth in this Agreement.

13.6. Severability. If any covenant or provision of Section 13.1 or 13.2 is determined to be void, overbroad or unenforceable, in whole or in part, the parties agree that the offending portion shall be deemed severed and removed from this Agreement and shall not affect or impair the validity of any other remaining covenant or provision. Further, these obligations are considered independent of any other provision in this Agreement and the existence of any claim or cause of action by either party to this Agreement against the other, whether based upon this Agreement or otherwise, shall not constitute a defense to the enforcement of these obligations.

14. TRANSFER

14.1. Assignment by Us. We may transfer or assign this Agreement and all or any part of the rights or obligations under this Agreement, or any interests in our assets, or any ownership or equity interests in us, to any person or legal entity, and any assignee will become solely responsible for all obligations of the licensor under this Agreement from the date of assignment.

14.2. Your Assignment to Corporation or Limited Liability Company. You must obtain our prior written consent to assign this Agreement. We will not unreasonably withhold our consent to an assignment of this Agreement to an entity that you own and control and that we approve, provided you comply with all of the following conditions: (i) the entity must not conduct any business other than the Business; (ii) the ownership and management is substantially unchanged; (iii) the Responsible Broker actively manages the Business in accordance with this Agreement; (iv) you and all Principal Owners of the assignee entity sign the Guarantee, Indemnification, and Acknowledgment attached hereto as Exhibit 3; (v) you provide us no less than fifteen (15) days' written notice before the proposed date of assignment of this Agreement to the entity; (vi) you provide to us a certified copy of the articles of incorporation, operation agreement, organizational documents, and a list of all shareholders or members having beneficial ownership, reflecting their respective interest in the assignee entity; and (vii) the organizational documents and all issued and outstanding stock or membership certificates will bear a legend, in form acceptable to us, reflecting or referring to the assignment restrictions stated in this Agreement.

14.3. Your Assignment or Sale of Substantially All of Your Assets. You understand that we have granted you the rights under this Agreement in reliance upon the individual or collective character, aptitude, attitude, business ability and financial capacity of your Principal Owners. You (including all Principal Owners) will not voluntarily or involuntarily transfer, assign, or otherwise dispose of, in one or more transactions, your entity or business, the Business, all or substantially all of the assets of your business, this Agreement, or any material interest in you (“material interest” to include a proposed transfer of twenty percent (20%) or more of the common (voting) stock of a corporation or ownership interest in a limited liability company or partnership) unless you obtain our prior written consent (except as provided in Section 14.2 above). We may condition our approval of any proposed transfer upon satisfaction of the following occurrences:

- (a) You are current in all monetary obligations to us, our Related Parties, and suppliers and vendors;
- (b) You are in full compliance with this Agreement, Operations Manual, and our System standards;
- (c) You execute any transfer, amendment, or release forms that we may require;
- (d) You or the transferee will provide to us a copy of the proposed documents as we may request to evidence the transfer;
- (e) The transferee must be approved by us, the owners must be licensed real estate brokers, and demonstrate to our satisfaction that they meet our educational, managerial and business standards; possess a good moral character, business reputation and credit rating; have the aptitude and ability to conduct the business to be transferred; and have adequate financial resources and capital to meet the performance obligations under this Agreement;
- (f) The transferee must execute our then-current form of franchise agreement;
- (g) You or the transferee must pay to us the Transfer Fee specified in Section 3.5 of this Agreement;
- (h) The transferee must satisfactorily complete our initial training program at the transferee’s expense within the time frame we establish;
- (i) You must comply with all post-termination provisions of this Agreement;
- (j) The transferee must obtain within the time limits set by us and maintain thereafter, all permits, and licenses required for operation of the Business;
- (k) To the extent required by the terms of any leases or other agreements, the lessors or other parties must have consented to the proposed transfer;
- (l) The transfer must be made in compliance with any laws that apply to the transfer, including state and federal laws governing the offer and sale of franchises;
- (m) You and all departing owners must release us from any and all claims against us and our past, present and future Related Parties, officers, directors, interest holders, members, shareholders, agents and employees.

(n) The purchase price and terms of the proposed transfer are not so burdensome to the prospective transferee as to impair or materially threaten its future operation and performance under its franchise agreement; and

(o) We waive our right of first refusal set forth under Section 14.5.

14.4 Operational Control – Trust. In the event a trust is an Owner of Franchisee: (a) Prior to the Opening Date, Owner shall provide Us with copies of all trust instruments and all documents establishing that the trustee(s) have legal authority to enter into this Agreement on behalf of the Owner/trust and bind the Owner/trust to the terms of this Agreement; (b) after the Opening Date, Owner shall provide Us with copies of any amendment(s) to the trust instruments within seven (7) days of the entry of such amendment(s); (c) Guarantor(s) shall, at all times, directly (i) control all aspects of the Affiliate and the operation of the Business; and (ii) serve as trustee(s) of the trust and retain sole control over the voting of the trust's equity interest in Affiliate. Affiliate acknowledges and agrees that: (x) if the Guarantor(s) do not maintain operational control of the entire Business, Affiliate and the trust, such an event will constitute a transfer as described in Section 15.3 of this Agreement; and (y) Franchisee must comply with all applicable provisions of this Section. Affiliate further acknowledges and agrees that if the Guarantor(s) desires to turn over operational control of the Affiliate, the trust or the Affiliate to one or more trust beneficiaries, such beneficiaries must satisfy all conditions of approval described in Section 14.3 of this Agreement. Nothing contained herein is or should be deemed to constitute our consent or acquiescence to any transfer as described in Section 14.3 of this Agreement

14.5 Right of First Refusal. If you have received and desire to accept a signed, bona fide offer to purchase or otherwise transfer this Agreement, any interest in it, or substantially all the assets of the Business, or all or substantially all of the equity ownership in your entity, you shall grant us the option (the "Right of First Refusal") to purchase the Business as provided here:

(p) Within fourteen (14) days of receipt of the written, signed offer, you shall offer the Right of First Refusal to us by notice in writing, including a copy of the signed offer to purchase which you received ("Notice"). We shall have the right to purchase the Business or interest in the Business, or all or substantially all of the equity ownership in your or your entity, at and for the price and upon the terms set out in the Notice, except that we may substitute cash for any non-cash form of payment proposed and we shall have 60 days after the exercise of our Right of First Refusal to close the said purchase. Should we wish to exercise our Right of First Refusal, we will notify you in writing within 15 days from its receipt of the Notice. Upon the giving of such notice by us, there shall immediately arise between us and you, or its owners, a binding contract of purchase and sale at the price and upon the terms contained in the Notice.

(q) If we do not exercise our Rights of First Refusal, you may transfer the Business or ownership interest therein according to the terms set forth in the Notice, provided that you satisfy the conditions in this Agreement, including Section 14.4 above, and complete the sale within ninety (90) days from the day on which we received the Notice. If you do not conclude the proposed sale transaction within the ninety-day (90-day) period, the Right of First Refusal granted to us shall continue in full force and effect.

15. BINDING EFFECT, MODIFICATION

This Agreement is binding upon the parties and their respective executors, administrators, heirs, assigns, and successors in interest, and will not be modified except by written agreement signed by both you and us. Except as provided above, this Agreement is not intended, and will not be deemed, to confer any rights or remedies upon any person or legal entity not a party to this Agreement.

16. NON-WAIVER OF BREACH

Our waiver of any breach by you, or our delay or failure to enforce any provision of this Agreement, will not be deemed to be a waiver of any other or subsequent breach or be deemed an estoppel to enforce our rights respecting that or any other breach. In addition, acceptance by us of any payments or partial payments due to us under this Agreement shall not be deemed a waiver by us of any preceding or succeeding breach by you of any terms, provisions, covenants, or conditions of this Agreement, or other amounts due.

17. ENTIRE AGREEMENT

This Agreement and the exhibits hereto constitute the entire agreement between the parties. This Agreement and the exhibits hereto supersede all other prior oral and written agreements and understandings between the parties with respect to the subject matter of this Agreement. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document we furnished to you.

18. DISPUTE RESOLUTION

18.1. Choice of Law. This Agreement is effective upon its acceptance in Illinois by our authorized officer. Except as to claims governed by federal law, Illinois law governs all claims that in any way relates to or arises out of this Agreement, our business relationship, or any dealings between the parties (“Claims”). However, no laws regulating the sale of franchises or governing the relationship between franchisor and franchisee shall apply unless the jurisdictional requirements of such laws are met independently of this paragraph.

18.2. Jurisdiction and Venue. You and we agree that venue and jurisdiction for any Claims shall be proper solely in the state and federal court nearest to our corporate headquarters at the time of the dispute, presently located in Chicago, Illinois.

18.3. JURY WAIVER. YOU AND WE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM AGAINST THE OTHER, WHETHER OR NOT THERE ARE OTHER PARTIES IN SUCH ACTION OR PROCEEDING.

18.4. CLASS ACTION WAIVER. YOU AGREE TO BRING ANY CLAIMS, IF AT ALL, INDIVIDUALLY AND YOU SHALL NOT JOIN SUCH CLAIM WITH CLAIMS OF ANY OTHER PERSON OR ENTITY OR BRING, JOIN OR PARTICIPATE IN A CLASS OR COLLECTIVE ACTION AGAINST US. YOU HEREBY AGREE NOT TO SEEK JOINDER OF ANY OF YOUR CLAIMS WITH THOSE OF ANY OTHER PARTY.

18.5. PUNITIVE DAMAGES WAIVER. EXCEPT AS SET FORTH IN 11.5, YOU AND WE AND OUR RELATED PARTIES AGREE TO WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, THE RIGHT TO OR A CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE

OTHER AND AGREE THAT IN THE EVENT OF ANY DISPUTE BETWEEN US, EACH WILL BE LIMITED TO THE RECOVERY OF ACTUAL DAMAGES SUSTAINED BY IT.

18.6. Contractual Limitation of Actions. You agree to bring any Claims against us, if at all, within one (1) year of the occurrence of the facts giving rise to such Claims. The parties hereto agree that any Claims not asserted in an action filed within this period shall be time-barred, whether asserted as a claim, counterclaim, defense, or set-off.

18.7. Prior Notice of Claims. As a condition precedent to commencing an action for a Claim, you must notify us within thirty (30) days after the occurrence of the violation or breach, and failure to timely give such notice shall preclude any claim for damages.

18.8. Mediation. Except as otherwise stated in this Section 18, the parties agree to submit any claim, controversy or dispute arising out of or relating to this Agreement (and attachments) or the relationship created by this Agreement to non-binding mediation before bringing such claim, controversy or dispute to a court. The mediation will be conducted either through an individual mediator or a mediator appointed by a mediation services organization, experienced in the mediation of disputes between franchisors and franchisees, agreed upon by the parties. If the parties do not agree upon a mediator or mediation services organization within fifteen (15) days after either party has notified the other of its desire to seek mediation, the dispute will be mediated by the American Arbitration Association pursuant to its rules governing mediation, at our corporate headquarters in Illinois, or in such other city and state in which our corporate headquarters is then located, if we move such headquarters. The costs and expenses of the mediation services organization, including compensation of the mediator, will be borne equally by the parties. Each party will bear the costs of its own attorney's fees and travel, if any, for the mediation. If the parties cannot resolve the claim, controversy or dispute within ninety (90) days after conducting the mediation, either party may submit such claim, controversy or dispute to court under this Section 18. Either party may bring an action under the applicable provisions of this Section 18 without first submitting the dispute to mediation under this Section 18.8: (i) for monies owed, (ii) for injunctive relief, or (iii) involving the possession or disposition of, or other relief relating to, real property.

18.9. Attorneys' Fees. The non-prevailing party will pay all costs and expenses, including reasonable attorneys' fees, that prevailing party incurs in any action brought to enforce any provision of this Agreement or to enjoin any violation of this Agreement.

18.10. Survival. All of the covenants contained in this Agreement that may require performance after the termination or expiration of this Agreement will survive any termination or expiration of this Agreement.

18.11. Severability Clause. All provisions of this Agreement are severable, and this Agreement will be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein and partially valid and enforceable provisions will be enforced to the extent valid and enforceable. If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination or non-renewal of this Agreement than is required, or the taking of some other action not required, the prior notice and/or other action required by law or rule will be substituted for the comparable provisions.

18.12. Rights of Parties are Cumulative. The rights that we and you have are cumulative and no exercise or enforcement by either party of any right or remedy precludes such party from exercising or enforcing any other right or remedy to which such party is entitled by law or equity to enforce.

18.13. Interpretation of Rights and Obligations. The following provisions will apply to and govern the interpretation of this Agreement, the parties' rights under this Agreement and the relationship between the parties:

(a) Our Rights. Whenever this Agreement provides that we have a certain right, that right is absolute, and the parties intend that our exercise of that right will not be subject to any limitation or review. We have the right to operate, administrate, develop and change the System in any manner that is not specifically precluded by the provisions of this Agreement.

(b) Our Reasonable Business Judgment. Whenever we reserve discretion in a particular area or where we agree or are required to exercise our rights reasonably or in good faith, we will satisfy our obligations whenever we exercise "reasonable business judgment" in making our decision or exercising our rights. A decision or action by us will be deemed to be the result of "reasonable business judgment," even if other reasonable or even arguably preferable alternatives are available, if our decision or action is intended to promote the brand or benefit the System generally even if the decision or action also promotes our financial or other individual interests. Examples of items that will promote the brand or benefit the System include enhancing the value of the Marks, improving customer service and satisfaction, improving product quality, improving uniformity, enhancing or encouraging modernization, and improving our competitive position and/or the System. Neither you nor any third party (including a trier of fact) will substitute their judgment for our reasonable business judgment.

18.14 Integration.

(a) This Agreement, any Exhibits, and any Addendum signed by our authorized officer and you represent the entire integrated agreement between us and you and supersede all prior negotiations or agreements, either written or oral, between the parties. Nothing in this or any related agreement, is intended to disclaim the representations we made in the Franchise Disclosure Document that we furnished to you.

(b) You acknowledge that we have fully explained our operations to you that you understand their uses, benefits and limitation; and that we made no representations to you as to the financial benefit to be gained under this Agreement. You have not relied on any written or oral representations except those specifically made a part of this Agreement in writing. **DO NOT SIGN THIS AGREEMENT IF YOU BELIEVE WE OR ANY OF OUR REPRESENTATIVES HAS PROMISED YOU SOMETHING THAT IS NOT PART OF THIS AGREEMENT, ANY ATTACHED ADDENDUM OR THE DISCLOSURE DOCUMENT.**

Any notice by a means which affords the sender evidence of delivery, or rejected delivery, shall be deemed to have been given at the date and time of receipt or rejected delivery.

20.3. Success of the Business. Report of Independent Registered Public Accounting Firm

To the Board of Directors and Stockholders of Compass, Inc.

Opinions on the Financial Statements and Internal Control over Financial Reporting

We have audited the accompanying consolidated balance sheets of Compass, Inc. and its subsidiaries (the “Company”) as of December 31, 2025 and 2024, and the related consolidated statements of operations, of stockholders’ equity and of cash flows for each of the three years in the period ended December 31, 2025, including the related notes and schedule of valuation and qualifying accounts for each of the three years in the period ended December 31, 2025 appearing under Item 15(a)2 (collectively referred to as the “consolidated financial statements”). We also have audited the Company’s internal control over financial reporting as of December 31, 2025, based on criteria established in *Internal Control - Integrated Framework* (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2025 and 2024, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2025 in conformity with accounting principles generally accepted in the United States of America. Also in our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2025, based on criteria established in *Internal Control - Integrated Framework* (2013) issued by the COSO.

Basis for Opinions

The Company’s management is responsible for these consolidated financial statements, for maintaining effective internal control over financial reporting, and for its assessment of the effectiveness of internal control over financial reporting, included in Management’s Report on Internal Control over Financial Reporting appearing under Item 9A. Our responsibility is to express opinions on the Company’s consolidated financial statements and on the Company’s internal control over financial reporting based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud, and whether effective internal control over financial reporting was maintained in all material respects.

Our audits of the consolidated financial statements included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audits also included performing such other procedures as we considered necessary in the circumstances. We believe that our audits provide a reasonable basis for our opinions.

As described in Management’s Report on Internal Control over Financial Reporting, management has excluded At World Properties Holdings, LLC, known as @properties Christie’s International Real Estate (“CIRE”) from its assessment of internal control over financial reporting as of December 31, 2025 because it was acquired by the Company in a purchase business combination during 2025. We have also excluded CIRE from our audit of internal control over financial reporting. CIRE and its consolidated subsidiaries’ total assets and total revenues excluded from management’s assessment and our audit of internal control over financial reporting represent 3% and 8%, respectively, of the related consolidated financial statement amounts as of and for the year ended December 31, 2025.

Definition and Limitations of Internal Control over Financial Reporting

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Critical Audit Matters

The critical audit matter communicated below is a matter arising from the current period audit of the consolidated financial statements that was communicated or required to be communicated to the audit committee and that (i) relates to accounts or disclosures that are material to the consolidated financial statements and (ii) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

Acquisition of @properties Christie's International Real Estate - Valuation of Intangible Assets Related to @properties Brokerage Business Agent Network, Franchise Network, and Technology

As described in Note 3 to the consolidated financial statements, on January 13, 2025, the Company completed the acquisition of CIRE. The acquisition resulted in \$58.0 million of @properties brokerage business agent network intangible asset, \$42.3 million of franchise network intangible asset, and \$29.2 million of technology intangible asset being recorded. The fair values of the @properties brokerage business agent network and franchise network intangible assets were determined using the multi-period excess earnings method. Determining the fair value of these intangible assets required management to use significant judgment, estimates, and assumptions, including the discount rates, revenue growth rates, and projected margins. The fair value of the technology intangible asset was determined using the relief-from-royalty method. Determining the fair value of this intangible asset required management to use significant judgment, estimates, and assumptions, including the royalty rate and the revenue growth rate.

The principal considerations for our determination that performing procedures relating to the valuation of the intangible assets related to @properties brokerage business agent network, franchise network, and technology acquired in the acquisition of CIRE is a critical audit matter are (i) the significant judgment by management when developing the fair value estimate of the intangible assets related to @properties brokerage business agent network, franchise network, and technology; (ii) a high degree of auditor judgment, subjectivity, and effort in performing procedures and evaluating management's significant assumptions related to (a) the discount rates, revenue growth rates, and projected margins for the @properties brokerage business agent network and franchise network intangible assets and (b) the royalty rate and revenue growth rate for the technology intangible asset; and (iii) the audit effort involved the use of professionals with specialized skill and knowledge.

Addressing the matter involved performing procedures and evaluating audit evidence in connection with forming our overall opinion on the consolidated financial statements. These procedures included testing the effectiveness of controls relating to the acquisition accounting, including controls over management's valuation of the intangible assets related to @properties brokerage business agent network, franchise network, and technology acquired. These procedures also included, among others, (i) reading the purchase agreement; (ii) testing management's process for developing the fair value estimate of the intangible assets related to @properties brokerage business agent network, franchise network, and technology acquired; (iii) evaluating the appropriateness of the multi-period excess earnings and relief-from-royalty methods used by management; (iv) testing the completeness and accuracy of underlying data used in the multi-period excess earnings and relief-from-royalty methods; and (v) evaluating the reasonableness of the significant assumptions used by management related to (a) the discount rates, revenue growth rates, and projected margins for the @properties brokerage business agent network and franchise network intangible assets and (b) the royalty rate and revenue growth rate for the technology intangible asset. Evaluating management's assumptions related to revenue growth rates and projected margins involved considering (i) the current and past performance of the @properties brokerage and CIRE businesses; (ii) the

consistency with external industry and market data; and (iii) whether the assumptions were consistent with evidence obtained in other areas of the audit. Professionals with specialized skill and knowledge were used to assist in evaluating (i) the appropriateness of the multi-period excess earnings and relief-from-royalty methods and (ii) the reasonableness of the discount rates and royalty rate assumptions.

Notes to Consolidated Financial Statements

1. Business

Description of the Business

Compass, Inc., d/b/a Compass International Holdings (the “Company”) was incorporated in Delaware on October 4, 2012 under the name Urban Compass, Inc.

The Company provides an end-to-end platform that empowers its residential real estate agents to deliver exceptional service to seller and buyer clients. The Company’s platform includes an integrated suite of cloud-based software for customer relationship management, marketing, client service and other critical functionality, all custom-built for the real estate industry, which enables the Company’s core brokerage services. The platform also uses proprietary data, analytics, artificial intelligence, and machine learning to deliver high value recommendations and outcomes for Compass agents and their clients.

The Company’s agents are independent contractors who affiliate their real estate licenses with the Company and operate their businesses on the Company’s platform under the Compass brand. The Company generates revenue by assisting home sellers and buyers through its agents with listing, marketing, selling, and finding homes, as well as through transaction-adjacent services such as title and escrow and royalties and fees from third-party franchisees. Substantially all of the Company’s revenue is currently derived from commissions paid by clients at the time a home sale is transacted.

2. Summary of Significant Accounting Policies

Basis of Presentation

The consolidated financial statements include the accounts of the Company and its subsidiaries. All intercompany accounts and transactions have been eliminated in consolidation. The Company’s consolidated financial statements were prepared in accordance with generally accepted accounting principles in the United States of America (“GAAP”) and include the assets, liabilities, revenues and expenses of all controlled subsidiaries. The consolidated statements of operations include the results of entities acquired from the date of each respective acquisition.

Consolidation

The Company consolidates an entity if its ownership, direct or indirect, exceeds 50% of the outstanding voting shares of an entity and/or it has the ability to control the financial or operating policies through its voting rights, board representation or other similar rights. Interests held by third parties in consolidated subsidiaries are presented as non-controlling interests, which represents the non-controlling stockholders’ interests in the underlying net assets of the Company’s consolidated subsidiaries. For entities where the Company does not have a controlling interest (financial or operating), the investments in such entities are accounted for using the equity method or at fair value with changes in fair value recognized in net income, as appropriate. The Company applies the equity method of accounting when it has the ability to exercise significant influence over operating and financial policies of an investee. The Company measures all other investments at fair value with changes in fair value recognized in net income or in the case that an equity investment does not have readily determinable fair values, at cost minus impairment (if any) plus or minus changes resulting from observable price changes in orderly transactions for the identical or a similar investment.

Use of Estimates

The preparation of consolidated financial statements in conformity with GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenue and expenses during the reporting periods covered by the consolidated financial statements and accompanying notes. These judgments, estimates and assumptions are used for, but not limited to (i) valuation of the Company’s common stock and stock awards, (ii) fair value of acquired intangible assets and goodwill, (iii) fair value of contingent consideration arrangements in connection with business combinations, (iv) incremental borrowing rate used for the Company’s operating leases, (v) useful lives of long-lived assets, (vi) impairment of intangible assets and goodwill, (vii) allowance for Compass Concierge receivables and (viii) income taxes and certain deferred tax assets. The Company determines its estimates and judgments on historical

Compass, Inc.**Notes to Consolidated Financial Statements**

experience and on various other assumptions that it believes are reasonable under the circumstances. However, actual results could differ from these estimates and these differences may be material.

Net Loss Per Share Attributable to Compass, Inc.

The Company follows the two-class method when computing net loss per common share when shares are issued that meet the definition of participating securities. The two-class method determines net loss per common share for each class of common stock and participating securities according to dividends declared or accumulated and participation rights in undistributed earnings. The two-class method requires income available to common stockholders for the period to be allocated between common stock and participating securities based upon their respective rights to receive dividends as if all income for the period had been distributed.

For periods in which the Company reports net losses, diluted net loss per common share attributable to Compass, Inc. is the same as basic net loss per common share attributable to Compass, Inc., because potentially dilutive common shares are not assumed to have been issued if their effect is anti-dilutive.

Cash and Cash Equivalents

The Company considers all investments with an original maturity date at the time of purchase of three months or less to be cash and cash equivalents. Cash equivalents consist primarily of money market funds and U.S. treasury securities.

Accounts Receivable and Allowance for Credit Losses

Accounts receivable is stated as the amount billed, net of an estimated allowance for credit losses (“ACL”). The Company’s ACL is adjusted periodically and is based on management’s consideration of the age and nature of the past due accounts as well as specific payment issues. Changes in the Company’s estimate to the ACL is recorded through bad debt expense and individual accounts are charged against the allowance when all reasonable collection efforts are exhausted. The following table summarizes the activity of the ACL for Accounts receivable (in millions):

	December 31,	
	2025	2024
Opening balance	\$ 4.4	\$ 8.6
Changes in allowances	(1.0)	(2.5)
Net write-offs and other	0.1	(1.7)
Closing balance	<u>\$ 3.5</u>	<u>\$ 4.4</u>

Prepaid Agent Incentives

Other current assets and Other non-current assets in the consolidated balance sheets include prepaid agent incentives that represent cash payments made to certain agents as an incentive to associate their license with the Company. The prepaid agent incentives have a related service period requirement which provides for the repayment of such amounts if the agent disassociates from the Company prior to the completion of the specified service period. The value of these prepaid agent incentives are amortized within Sales and marketing expense in the consolidated statements of operations over the underlying service periods.

Property and Equipment, net

Property and equipment is reported at cost net of any accumulated depreciation and is depreciated using the straight-line method over the useful lives of the related assets. Expenditures for maintenance, repair and renewals of minor items are charged to expense as incurred. Major improvements are capitalized.

The Company capitalizes costs associated with developing software systems that are in the application development stage. Software development costs that are incurred in the preliminary project stage and post-implementation stage are expensed as incurred.

Compass, Inc.**Notes to Consolidated Financial Statements**

The useful lives of property and equipment are as follows:

Description	Useful Life
Leasehold improvements	Lesser of estimated useful life or remaining lease term
Office furniture and equipment	Five years
Computer software and internally-developed software	Three years
Computer equipment	Three years

Business Combinations

Business combinations are accounted for under the acquisition method of accounting. This method requires, among other things, allocation of the fair value of purchase consideration to the tangible and intangible assets acquired and liabilities assumed at their estimated fair values on the acquisition date. The excess of the fair value of purchase consideration over the values of these identifiable assets and liabilities is recorded as goodwill. When determining the fair value of assets acquired and liabilities assumed, management makes estimates and assumptions, especially with respect to intangible assets. Management's estimates of fair value are based upon assumptions believed to be reasonable, but which are inherently uncertain and unpredictable and, as a result, actual results may differ from estimates. During the measurement period, not to exceed one year from the date of acquisition, the Company may record adjustments to the assets acquired and liabilities assumed, with a corresponding offset to goodwill if new information is obtained related to facts and circumstances that existed as of the acquisition date. After the measurement period, any subsequent adjustments are reflected in the consolidated statements of operations. Acquisition costs, consisting primarily of third-party legal, advisory and consulting fees, are expensed as incurred.

Intangible Assets

Intangible assets resulting from the acquisition of entities are accounted for using the acquisition method based on management's estimate of the fair value of assets received. Intangible assets are finite lived and mainly consist of customer relationships, workforce and acquired technology and are amortized over their respective estimated useful lives. The useful lives were determined by estimating future cash flows generated by the acquired intangible assets. The Company amortizes these intangible assets on a straight-line basis over their estimated useful lives within the Company's operating expenses.

Impairment of Long-Lived Assets

Long-lived assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of such assets or asset groups (collectively, "asset groups") may not be recoverable. This includes but is not limited to significant adverse changes in business climate, market conditions, or other events that indicate an asset groups' carrying amount may not be recoverable. Recoverability of asset groups to be held and used is measured first by a comparison of the carrying amount of an asset to future undiscounted net cash flows expected to be generated by the asset group. If such asset groups were considered to be impaired, an impairment loss would be recognized when the carrying amount of the asset exceeds the fair value of the asset.

No material impairment losses for long-lived assets have been recognized in any of the periods presented.

Goodwill

Goodwill represents the excess of the cost of an acquired business over the fair value of the assets acquired at the date of acquisition. Goodwill is not subject to amortization but is subject to impairment testing on an annual basis, as of October 1, or whenever events and circumstances indicate that the carrying value of the reporting unit may be in excess of the reporting unit's fair value. The Company has one reporting unit and tests goodwill for impairment at the reporting unit level. As part of the goodwill impairment test, the Company first performs a qualitative assessment to determine whether further impairment testing is necessary. If, as a result of its qualitative assessment, it is more-likely-than-not that the fair value of the Company's reporting unit is less than its carrying amount, a two-step impairment test is required.

If factors indicate that the fair value of the reporting unit is less than its carrying amount, the Company performs a quantitative assessment and the fair value of the reporting unit is determined by analyzing the expected present value of

Compass, Inc.

Notes to Consolidated Financial Statements

future cash flows. If the carrying value of the reporting unit continues to exceed its fair value, the implied fair value of the reporting unit's goodwill is calculated and an impairment loss equal to the excess is recorded. The Company has not recorded any impairments related to goodwill as of December 31, 2025.

Leases

The Company determines if an arrangement contains a lease at inception based on whether there is an identified asset and whether the Company controls the use of the identified asset throughout the period of use. The Company classifies leases as either financing or operating. The Company does not have any finance leases. Right-of-use ("ROU") assets are recognized at the lease commencement date and represent the Company's right to use an underlying asset for the lease term and lease liabilities represent the Company's obligation to make lease payments arising from the lease. Lease liabilities are recognized at the lease commencement date based on the present value of future lease payments over the remaining lease term.

Present value of lease payments are discounted based on the more readily determinable of (i) the rate implicit in the lease or (ii) the Company's incremental borrowing rate. Because the Company's operating leases generally do not provide an implicit rate, the Company estimates its incremental borrowing rate based on the information available at lease commencement date for collateralized borrowings with a similar term, an amount equal to the lease payments and in a similar economic environment where the leased asset is located. The collateralized borrowings were based on the Company's estimated credit rating corroborated with market credit metrics like debt level and interest coverage.

The Company's operating lease ROU assets are measured based on the corresponding operating lease liability adjusted for (i) payments made to the lessor at or before the commencement date, (ii) initial direct costs incurred and (iii) lease incentives under the lease. Options to renew or terminate the lease are recognized as part of the Company's ROU assets and lease liabilities when it is reasonably certain the options will be exercised. ROU assets are also assessed for impairments consistent with the Company's long-lived asset policy.

The Company does not allocate consideration between lease and non-lease components, such as maintenance costs, as the Company has elected to not separate lease and non-lease components for any leases within its existing classes of assets. Operating lease expense for fixed lease payments is recognized on a straight-line basis over the lease term. Variable lease payments for real estate taxes, insurance, maintenance and utilities, which are generally based on the Company's pro rata share of the total property, are not included in the measurement of the ROU assets or lease liabilities and are expensed as incurred.

Operating leases are presented separately as operating lease ROU assets and operating lease liabilities, current and non-current, in the accompanying consolidated balance sheets.

Revenue Recognition

The Company generates revenue by assisting home sellers and buyers in listing, marketing, selling and finding homes. The Company holds the real estate brokerage license that is necessary under relevant state laws and regulations to provide brokerage services and therefore controls those services that are necessary to legally transfer real estate between home sellers and buyers.

Although the Company's agents are independent contractors, they cannot execute a real estate transaction without a brokerage license, which the Company possesses. The Company has the only contractual relationship for the sale or exchange of real estate with their clients. Accordingly, the Company is the principal in its transactions with home buyers and sellers. As principal, the Company recognizes revenue in the gross amount of consideration to which the Company expects to receive in exchange for those services.

The Company concluded that its brokerage revenue contains a single performance obligation that is satisfied upon the closing of a real estate services transaction, at which point the entire transaction price is earned. Revenue is recognized upon the closing of a real estate transaction (i.e. purchase or sale of a home) since the Company is not entitled to any commission until the performance obligation is satisfied and is not owed any commission for unsuccessful transactions, even if services have been provided. The Company operates primarily in the United States and generates the majority of its revenue from commissions from home sellers and buyers. In addition to commission revenue, the Company generates

Compass, Inc.

Notes to Consolidated Financial Statements

revenue through royalties and fees from third-party franchisees and integrated services related to the home transaction such as title and escrow services which comprised an insignificant amount of the consolidated revenue for the years ended December 31, 2025, 2024 and 2023.

Management evaluated and determined that no disaggregation of revenue is necessary or appropriate.

As the Company generally bills for its services at the time of revenue recognition, the Company does not have material deferred revenue or contract asset balances. In addition, the Company does not capitalize commissions paid to agents as incremental contract costs as there are no future benefits associated with the expenses.

Commissions and Other Related Expense

Commissions and other related expense primarily consist of commissions paid to the Company's agents, who are independent contractors to the Company, upon the closing of a real estate transaction (i.e., purchase or sale of a home), as well as stock-based compensation expense related to the Company's Agent Equity Program (see Note 2 — "Summary of Significant Accounting Policies — Stock-Based Compensation") and fees paid to external brokerages for client referrals, which are recognized and paid upon the closing of a real estate transaction.

The Company also charges fees to independent sales agents. These fees are either transaction based, where amounts are collected at the closing of a brokerage transaction, or in the form of periodic fixed fees over a defined period of time. Fees charged to the Company's independent sales agents are recognized as a reduction to Commissions and other related expense as the reimbursements do not constitute a form of revenue nor do they constitute a reimbursement for a specific, incremental, identifiable cost for the Company.

Sales and Marketing

Sales and marketing expense consists primarily of marketing and advertising expenses, compensation and other personnel-related costs for employees supporting sales, marketing, expansion and related functions, occupancy-related costs for the Company's regional offices, agent recruitment and marketing incentives and costs related to administering the Compass Concierge Program, including associated bad debt expenses. Advertising expense primarily includes the cost of marketing activities such as print advertising, online advertising and promotional items, which are expensed as incurred. Advertising costs were \$77.7 million, \$73.7 million and \$96.6 million for the years ended December 31, 2025, 2024 and 2023, respectively. Compensation costs includes salaries, taxes, benefits, bonuses and stock-based compensation.

Operations and Support

Operations and support expenses include compensation and other personnel related expenses for employees supporting agents, affiliated franchises, transaction-adjacent services such as title and escrow, third-party consulting and professional services costs, fair value adjustments to contingent consideration for the Company's acquisitions and other related expenses.

Research and Development

Research and development expense consists primarily of compensation and other personnel-related costs for employees in the product, engineering and technology functions, website hosting expenses, software licenses and equipment, third-party consulting costs, data licenses and other related expenses.

General and Administrative

General and administrative expense primarily consists of compensation costs for executive management and administrative employees, including finance and accounting, legal, human resources and communications, the occupancy costs for the Company's New York headquarters and other offices supporting administrative functions, litigation charges, professional services fees, insurance expenses and talent acquisition expenses.

Compass, Inc.

Notes to Consolidated Financial Statements

Anywhere merger transaction and integration expenses

Anywhere merger transaction and integration expenses consists of transaction costs, such as legal or investment banking fees, incurred in connection with the Company's entry into the Anywhere Merger Agreement and costs related to preliminary integration activities. See Note 18 — "Subsequent Events" for more information.

Restructuring

Costs and liabilities associated with management-approved restructuring activities are recognized when they are incurred. Restructuring charges primarily consist of costs associated with workforce reductions and operating lease right-of-use asset impairments. One-time employee termination costs are recognized at the time of communication to employees, unless future service is required, in which case the costs are recognized ratably over the future service period. Ongoing employee termination benefits are recognized as a liability when it is probable that a liability exists and the amount is reasonably estimable. Restructuring charges are recognized as an operating expense within the consolidated statements of operations and related liabilities are recorded within Accrued expenses and other current liabilities on the consolidated balance sheets. The Company periodically evaluates and, if necessary, adjusts its estimates based on currently available information.

Depreciation and Amortization

Depreciation and amortization expense primarily consists of depreciation and amortization of the Company's property and equipment, capitalized software and acquired intangible assets.

Interest Expense

Interest expense consists primarily of expense related to the interest, commitment fees and amortization of debt issuance costs associated with the Company's revolving credit facility and concierge credit facility. See Note 9 — "Debt".

Income Taxes

The Company utilizes the asset and liability method of accounting for income taxes. Under this method, deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement and tax basis of assets and liabilities using enacted tax rates in effect for the year in which the differences are expected to settle. The effect on deferred tax assets and liabilities resulting from a change in tax rates is recognized as income or expense in the period that includes the enactment date. Deferred tax assets and liabilities are classified as non-current in accordance with Accounting Standard Update ("ASU") 2015-17. Valuation allowances are established against deferred tax assets if it is more likely than not that they will not be realized.

The Company recognizes tax benefits from uncertain tax positions only if the Company believes that it is more likely than not that the tax position will be sustained on examination by the taxing authorities based on the technical merits of the position. The Company continuously reviews issues raised in connection with ongoing examinations and open tax years to evaluate the adequacy of its tax liabilities. The Company's policy is to adjust these reserves when facts and circumstances change, such as the closing of a tax audit or the refinement of an estimate. To the extent that the final tax outcome of these matters is different than the amounts recorded, such differences will affect the provision for income taxes in the period in which such determination is made and could have a material impact on its financial condition and operating results. The provision for income taxes includes the effects of any reserves that management identifies.

Fair Value Measurements

Fair value is defined as the exchange price that would be received for an asset or an exit price paid to transfer a liability in the principal or most advantageous market for an asset or liability in an orderly transaction between market participants on the measurement date. The accounting standards also establish a fair value hierarchy, which requires an entity to maximize the use of observable inputs when measuring fair value. There are three levels of inputs that may be used to measure fair value:

- Level 1 Unadjusted quoted prices in active markets for identical assets or liabilities.

Compass, Inc.

Notes to Consolidated Financial Statements

- | | |
|---------|---|
| Level 2 | Inputs other than quoted prices included within Level 1 that are observable, unadjusted quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data. |
| Level 3 | Unobservable inputs that are supported by little or no market activity, requiring the Company to develop its own assumptions. |

The carrying amount of the Company's financial instruments including Cash and cash equivalents, Accounts receivable, Compass Concierge receivables, Accounts payable and Commissions payable approximate their respective fair values because of their short maturities. As of December 31, 2025 and 2024, the carrying amount of the Company's debt facilities approximates fair value as the stated interest rate approximates market rates currently available to the Company.

See Note 5 — "Fair Value of Financial Assets and Liabilities," for more information on the fair value of financial assets and liabilities.

Segment Reporting

Operating segments are defined as components of an entity with discrete financial information reviewed by the Chief Operating Decision Maker ("CODM") to allocate resources and assess performance. The Company's CODM is its Chief Executive Officer, who evaluates financial information on a consolidated basis. Accordingly, the Company has one operating and reportable segment, inclusive of the businesses acquired during the year, which are in the process of being integrated into the Company's core business. Substantially all long-lived assets and revenue are based in the United States.

The CODM measures segment performance based on net income (loss), using it to guide key operating decisions, including budget allocation across the significant expense categories included in operating expenses within the consolidated statements of operations. Other measures of profit or loss are also utilized. There are no other expense categories regularly provided to the CODM that are not already included in the primary financial statements herein.

Stock-Based Compensation

The Company measures compensation expense for all stock-based awards based on the estimated fair value of the awards on the date of grant. Compensation expense is generally recognized as expense on a straight-line basis over the service period based on the vesting requirements. The Company recognizes forfeitures as they occur.

The Company issues Restricted Stock Units ("RSUs") to employees, and to independent sales agents and in certain cases in connection with business combinations. In addition to the issuance of RSUs to agents as equity compensation for the provision of services, the Company previously offered RSUs to independent sales agents through its Agent Equity Program. The Agent Equity Program offered independent sales agents the ability to elect to have a portion of their commissions earned during a calendar year to be paid in the form of RSUs. RSUs issued in connection with the Agent Equity Program were granted at the beginning of the year following the calendar year in which the commissions were earned and are subject to the terms and conditions of the 2021 Equity Incentive Plan, as applicable. The Company discontinued the Agent Equity Program following the issuance of RSUs during the first quarter of 2023 related to the 2022 Agent Equity Program.

For RSUs granted in connection with the 2022 Agent Equity Programs the Company determined the value of the stock-based compensation expense at the time the underlying commission was earned and recognized the associated expense on a straight-line basis over the requisite service periods beginning on the closing date of the underlying real estate commission transactions. The stock-based compensation expense was recorded as a liability throughout the service periods and was reclassified to Additional paid-in capital at the end of the vesting period when the underlying RSUs were issued.

For stock options, which the Company issues to employees, independent sales agents and in certain cases in connection with business combinations, the Company generally estimates the fair value using the Black-Scholes option pricing model, which requires the input of subjective assumptions, including (1) the fair value of common stock, (2) the expected stock price volatility, (3) the expected term of the award, (4) the risk-free interest rate and (5) expected dividends. During the years ended December 31, 2025, 2024 and 2023, the number of stock options granted was immaterial.

Compass, Inc.**Notes to Consolidated Financial Statements*****Recently Adopted Accounting Pronouncements***

In December 2023, the FASB issued ASU 2023-09, *Income Taxes - Improvements to Income Tax Disclosures*. This standard includes enhanced income tax disclosures primarily related to the effective tax rate reconciliation and income taxes paid for annual periods. The amendments in this update are effective for public companies with fiscal years beginning after December 15, 2024, with early adoption permitted. The Company adopted the standard on a prospective basis for the year ended December 31, 2025. As the Company maintains a valuation allowance against its U.S. deferred tax assets, the adoption of this standard did not have a material impact on the Company's income tax disclosures.

New Accounting Pronouncements

In November 2024, the FASB issued ASU 2024-03, *Disaggregation of Income Statement Expenses*. This new guidance is designed to improve the disclosures of specific account categories, including employee compensation, depreciation, and amortization, and costs incurred related to inventory and manufacturing activities. The amendments in this update are effective for fiscal years beginning after December 15, 2026, and interim periods within fiscal years beginning after December 15, 2027, with early adoption permitted. The Company is currently assessing the impact that adopting this new accounting standard will have on its consolidated financial statements.

In September 2025, the FASB issued ASU 2025-06, *Intangibles – Goodwill and Other – Internal-Use Software*. The new guidance eliminates project stages and requires capitalizing software costs to begin when (i) management has authorized and committed to funding the software project, and (ii) it is probable that the project will be completed and the software will be used to perform the function intended. The amendments in this update are effective for annual reporting periods beginning after December 15, 2027, and interim reporting periods within those annual reporting periods, with early adoption permitted. The Company is currently assessing the impact that adopting this new accounting standard will have on its consolidated financial statements.

3. Acquisitions

Assets acquired and liabilities assumed in business combinations are recognized at their acquisition date fair values. Determination of the fair values of assets and liabilities acquired requires estimates and the use of valuation techniques when market values are not readily available. The results of operations of businesses acquired by the Company have been included in the consolidated statements of operations since their respective dates of acquisition. Goodwill generated from all business combinations completed was primarily attributable to expected synergies from future growth and potential monetization opportunities.

Christie's International Real Estate

On January 13, 2025, the Company closed the merger transaction (the "CIRE Merger") contemplated by the Agreement and Plan of Merger (the "CIRE Merger Agreement"), dated November 25, 2024, by and among the Company, Compass Brokerage, LLC, Company Merger Sub, LLC, At World Properties Holdings, LLC, known as @properties Christie's International Real Estate ("Christie's International Real Estate" or "CIRE"), At World Properties Principals Blocker, Inc. ("Principals Blocker"), At World Properties IX Blocker, Inc. ("IX Blocker"), Apple IX Blocker Merger Sub, Inc., Apple Principals Blocker Merger Sub, Inc., and Quad-C LLC, as seller representative. Pursuant to the CIRE Merger Agreement, on January 13, 2025 (the "Closing Date"), the Company acquired all of the issued and outstanding equity securities of each of Principals Blocker, IX Blocker and CIRE and each of Principals Blocker, IX Blocker and CIRE became a wholly owned subsidiary of the Company. The Company entered into this transaction to expand its existing brokerage and integrated services businesses in key domestic markets and to establish a presence in the high-margin franchise sector through the Christie's International Real Estate brand.

The aggregate consideration ("Purchase Consideration") payable pursuant to the CIRE Merger Agreement consisted of (i) \$153.0 million (the "Cash Consideration"); and (ii) 44.1 million shares of the Company's Class A common stock (the "Share Consideration"). The Share Consideration was subject to further adjustment (the "Share Consideration Adjustment") if the value of the Share Consideration on the 366th day following the Closing Date, determined using the price per share equal to the volume-weighted average price of the Company's Class A common stock for the 10-trading day period ending on the 366th day following the Closing Date (the "Post-Closing Share Price"), was (i) greater than

Compass, Inc.

Notes to Consolidated Financial Statements

\$344.0 million, in which case the Share Consideration was to be reduced by a number of shares in an aggregate amount of up to \$50.0 million (determined using the Post-Closing Share Price), up to a maximum of 5.6 million shares, or (ii) less than \$344.0 million, in which case the Share Consideration was to be increased by a number of shares in an aggregate amount of up to \$50.0 million (determined using the greater of \$6.6612 and the Post-Closing Share Price), up to a maximum of 7.5 million shares.

In May 2025, the Company and certain sellers of the CIRE entities (the “Early Payees”) amended the terms of the Share Consideration (the “May 2025 Amendment”). Under the May 2025 Amendment, if the Company’s stock price reached the value that would trigger the minimum number of shares to be issued under the original collar structure, the Early Payees would be paid at that time rather than at the end of the original one-year collar period (the “Early Release Collar”). This accelerated payment could occur only (1) after the six-month anniversary and before the one-year anniversary of the Closing Date, and (2) if the spot price of the Company’s stock equals or exceeds the volume-weighted average price used to measure achievement of the target value. If these conditions were not met, payment would occur as originally provided in the CIRE Merger Agreement. In August 2025, the Early Release Collar was triggered and the Company delivered 28.4 million shares (the “Accelerated Share Consideration”) to the Early Payees. Certain sellers representing approximately 26% of the Share Consideration (the “Non-Accelerated Sellers”) chose to be excluded from the Early Release Collar and their portion of the Share Consideration was finalized on the 366th day following the closing of the CIRE Merger in January 2026. In January 2026, the Share Consideration was finalized and the Company will deliver a total of 10.5 million shares in three equal installments in January 2026, 2027, and 2028 to the Non-Accelerated Sellers.

The total consideration transferred included \$153.0 million in cash paid. The total consideration transferred also included the fair value of the Share Consideration, estimated at \$250.1 million as of the acquisition date. The final number of shares released in connection with the Share Consideration was dependent on the Company’s share price on the 366th day following the Closing Date. The Company utilized a Monte-Carlo simulation model to estimate the fair value of the Share Consideration as of the acquisition date. Significant inputs to the model included the term of the Share Consideration adjustment period, the Company’s historical equity volatility, and the target share price. Because the settlement amount was based on the future trading price of the Company’s common stock, which represents an unobservable input, the fair value measurement was classified within Level 3 of the fair value hierarchy. The Company determined that the Share Consideration should be classified as equity as the monetary value of the obligation is not predominantly fixed and the variability in the settlement amount is based solely on changes in the Company’s own stock price. The May 2025 Amendment provided mutual economic benefit to the Company and participating sellers, affecting only the timing of settlement within the original arrangement’s terms. As a result, the equity classification of the Share Consideration remains unchanged, and the accounting impact was recorded entirely in Additional Paid-In Capital, with no effect on the income statement or purchase accounting.

The following table summarizes the individual elements within the calculation of total consideration transferred (in millions):

	Amount
Cash Consideration	\$ 153.0
Share Consideration	250.1
Total consideration transferred	<u>\$ 403.1</u>

The following table summarizes the preliminary allocation of the purchase price to the estimated fair values of the net assets acquired by the Company as of the acquisition date (in millions):

The fair value of identified intangible assets and their respective useful lives as at the time of acquisition were as follows (in millions):

	Amount	Useful Life (in years)
Trademarks	\$ 20.3	2 - 6 years
Acquired technology	29.2	2 years
Agent network - @properties brokerage business	58.0	7 years
Agent network - Other	14.3	7 years
Franchise network	42.3	6 years
Total intangible assets	\$ 164.1	

The intangible assets above were accounted for using the acquisition method based on the Company's estimate of the fair value of assets received. The fair values of the @properties brokerage business agent network and franchise network intangible assets were determined using the multi-period excess earnings method. Determining the fair value of these intangible assets required the Company to use significant judgment, estimates, and assumptions, including the discount rates, revenue growth rates, and projected margins. The fair value of the technology intangible asset was determined using the relief from royalty method. Determining the fair value of this intangible asset required the Company to use significant judgment, estimates, and assumptions, including the royalty rate and the revenue growth rate. Intangible assets are amortized over the estimated useful lives in a pattern that most closely matches the timing of their economic benefits. The excess of the purchase price over the fair value of the net tangible and identifiable intangible assets acquired was recorded as goodwill, which is primarily attributed to the monetization opportunities from the CIRE Merger's current and future offerings and the value of the assembled workforce.

The Company has recorded the preliminary purchase price allocation as of the acquisition date and finalized the purchase accounting in January 2026. There were no material adjustments during the measurement period that had a corresponding offset to goodwill. Any subsequent adjustments will be recorded to the consolidated statements of operations.

Due to the delivery of the Accelerated Share Consideration, \$145.3 million of the goodwill recorded for this acquisition is deductible for tax purposes. Once the remaining Share Consideration is issued, the amount of tax-deductible goodwill may increase to approximately \$211.0 million. These amounts are not expected to have an impact on the income tax provision while the Company maintains a full valuation allowance on its U.S. deferred tax assets.

Compass, Inc.**Notes to Consolidated Financial Statements**

In connection with the CIRE Merger, the Company incurred approximately \$5.4 million in transaction-related costs, of which \$3.4 million are legal fees and \$2.0 million are professional and general consulting fees, which were expensed as incurred. \$4.3 million of these transaction-related expenses were incurred during the year ended December 31, 2024 and \$1.1 million were incurred during the year ended December 31, 2025. These expenses have been presented within the General and administrative line of the consolidated statements of operations.

Pro Forma Information

The acquired entity's results have been included in the Company's consolidated financial statements from the CIRE Merger date onward. The first column in the table below reflects the acquired entity's actual results post-acquisition, while the second and third columns present the Company's pro forma results as if the CIRE Merger had occurred on January 1, 2024 (in millions):

	Actuals	Pro Forma

Net income (loss)	20.8	(68.9)	(157.8)

The pro forma information depicted in the second and third columns above does not purport to represent what the actual results of operations of the Company would have been had the CIRE Merger actually occurred on January 1, 2024, nor does it purport to predict the results of operations for future periods. The unaudited pro forma results include adjustments for additional amortization of acquired finite-lived intangible assets and the related tax effects assuming the CIRE Merger occurred on January 1, 2024.

Other Acquisitions

During the year ended December 31, 2025, the Company completed the acquisitions of 100% ownership in a residential real estate brokerage and a title insurance and escrow settlement business. In addition, the Company purchased the assets of three smaller residential real estate brokerages and a separate title insurance and escrow settlement business. The purpose of these acquisitions was to expand the Company's brokerage and title and escrow footprint in key domestic markets. The Company has accounted for these acquisitions as business combinations.

The consideration for the acquisitions completed during the year ended December 31, 2025 is comprised of \$29.5 million of cash paid at or near closing, net of cash acquired, \$10.5 million in the Company's Class A common stock, and additional amounts contingent on achieving earnings-based targets through 2027. The future consideration amounts were recorded within Accrued expenses and other current liabilities and Other non-current liabilities in the consolidated balance sheet. The fair value of the assets acquired and the liabilities assumed primarily resulted in the recognition of \$16.4 million of goodwill and \$24.8 million of customer relationships, which is being amortized over the estimated useful life of approximately 4 years to 6 years.

The Company has recorded preliminary purchase price allocations as of each acquisition date and expects to finalize them within each acquisition's applicable one-year measurement period. Adjustments during the measurement periods will be offset against goodwill. After the applicable measurement periods end, any further adjustments will be reflected in the consolidated statements of operations.

Approximately \$5.1 million of the goodwill recorded during the year ended December 31, 2025 is deductible for tax purposes. The amount of tax-deductible goodwill may increase in the future to approximately \$20.1 million dependent on the payment of certain contingent consideration arrangements. These amounts are not expected to have an impact on the income tax provision while the Company maintains a full valuation allowance on its U.S. deferred tax assets.

Pro forma revenue and earnings for these acquisitions has not been presented because they are not material to the Company's consolidated revenue and results of operations.

Compass, Inc.**Notes to Consolidated Financial Statements*****2024 Acquisitions***

During the year ended December 31, 2024, the Company completed the acquisition of 100% of the ownership interests in Latter & Blum Holdings, LLC and Parks Village Nashville, LLC, two residential real estate brokerages, and the acquisition of 100% ownership interest in a title insurance and escrow settlement services company. The purpose of these acquisitions was to expand the Company's existing brokerage business and title and escrow presence in key domestic markets. The Company has accounted for these acquisitions as business combinations.

The consideration for the acquisitions completed during the year ended December 31, 2024 is comprised of \$26.1 million in the Company's Class A common stock, \$21.3 million of cash paid at or near closing, net of cash acquired, an additional \$2.7 million paid in cash and the Company's Class A common stock at a later date and an estimated \$7.1 million of additional Class A common stock or cash that may be paid contingent on certain earnings-based targets being met at various payment dates through 2027. Payments in excess of the original estimate may impact the Company's statement of operations in future periods. The future consideration amounts were recorded within Accrued expenses and other current liabilities and Other non-current liabilities in the consolidated balance sheet.

The fair value of the assets acquired and the liabilities assumed primarily resulted in the recognition of: \$28.7 million of customer relationships; \$2.4 million of trademark intangible assets; \$20.0 million of other current and non-current assets; and \$18.3 million of current and non-current liabilities. The excess of the aggregate purchase price over the aggregate fair value of the acquired net assets was recorded as goodwill of \$23.9 million. Goodwill represents the expected synergies from combining the acquired assets and the operations of the acquirer as well as the intangible assets that do not qualify for separate recognition. The acquired intangible assets are being amortized over the estimated useful lives of approximately 5 to 6 years.

Approximately \$10.1 million of the goodwill recorded during the year ended December 31, 2024 is deductible for tax purposes. The amount of tax-deductible goodwill may increase in the future to approximately \$16.9 million dependent on the payment of certain contingent consideration arrangements. These amounts are not expected to have an impact on the income tax provision while the Company maintains a full valuation allowance on its U.S. deferred tax assets.

Pro forma revenue and earnings for 2024 acquisitions have not been presented because they are not material to the Company's consolidated revenue and results of operations, either individually or in the aggregate.

2023 Acquisitions

The consideration for the acquisitions completed during the year ended December 31, 2023 is primarily comprised of \$6.8 million in the Company's Class A common stock, \$1.1 million of cash paid at closing, an additional \$1.0 million paid at a later date and an estimated \$14.0 million of additional Class A common stock and cash that may be paid contingent on certain earnings-based targets being met at various payment dates through 2033. Payments in excess of the original estimate may impact the Company's statement of operations in future periods. The future consideration amounts were recorded as Accrued expenses and other current liabilities and Other non-current liabilities in the consolidated balance sheet.

The fair value of the assets acquired and the liabilities assumed, inclusive of any measurement period adjustments, primarily resulted in the recognition of: \$10.8 million of customer relationships; \$4.7 million of other current and non-current assets; and \$5.5 million of other current and non-current liabilities. The excess of the aggregate purchase price over the aggregate fair value of the acquired net assets was recorded as goodwill of \$10.8 million. The acquired customer relationships are being amortized over the estimated useful lives of approximately 5 years.

Approximately \$0.7 million of the goodwill recorded during the year ended December 31, 2023 is deductible for tax purposes. The amount of tax-deductible goodwill may increase in the future to approximately \$20.7 million dependent on the payment of certain contingent consideration, holdback and acquisition-related compensation arrangements. These

amounts are not expected to have an impact on the income tax provision while the Company maintains a full valuation allowance on its U.S. deferred tax assets.

Pro forma revenue and earnings for 2023 acquisitions have not been presented because they are not material to the Company's consolidated revenue and results of operations, either individually or in the aggregate.

Contingent Consideration

Contingent consideration represents obligations of the Company to transfer cash and common stock to the sellers of certain acquired businesses in the event that certain targets and milestones are met. As of December 31, 2025, the undiscounted estimated payment under these arrangements was \$46.3 million. Changes in contingent consideration measured at fair value on a recurring basis were as follows (in millions):

Other Acquisition-Related Arrangements

In connection with the Company's acquisitions, certain amounts paid or to be paid to selling shareholders are subject to clawback and forfeiture dependent on certain employees and agents providing continued service to the Company. These retention-based payments are accounted for as compensation for future services and the Company recognizes the expenses over the service periods. For the years ended December 31, 2025, 2024 and 2023, the Company recognized \$1.6 million, \$0.2 million and \$0.6 million, respectively, in compensation expense within Operations and support in the accompanying consolidated statements of operations related to these arrangements.

4. Equity Method Investments

The Company and Guaranteed Rate, Inc. ("Guaranteed Rate") maintain a joint venture, OriginPoint, LLC ("OriginPoint"). OriginPoint was formed for the purpose of conducting a mortgage origination and lending business and providing related services for the Company's real estate brokerage clients, as well as the clients of any other brokerage in the context of a new purchase or other customers not working with a brokerage in the context of a refinancing, in order to make loans available to a broad consumer audience. OriginPoint originates, processes, underwrites, closes and/or funds mortgage loans for sale, transfer and assignment to investors and eligible wholesale lenders, including affiliates, or effects any other secondary market transactions related to such mortgage loans.

OriginPoint is owned 49.9% by the Company and 50.1% by Guaranteed Rate. The Company made capital contributions to OriginPoint of \$3.0 million and \$2.0 million, respectively, during the years ended December 31, 2025 and 2024. The Company accounts for OriginPoint as an equity method investment and records its equity earnings or losses related to OriginPoint within Equity in income (loss) of unconsolidated entities in the consolidated statements of operations.

The Company's investment in OriginPoint had a balance of \$14.4 million at December 31, 2025 and is included within Other non-current assets on the accompanying consolidated balance sheet. The Company recorded equity income of \$5.7 million during the year ended December 31, 2025, and equity loss \$0.6 million and \$3.3 million during the years ended 2024 and 2023, respectively. No dividends were received by the Company from OriginPoint during the years ended December 31, 2025 and 2024.

5. Fair Value of Financial Assets and Liabilities

The Company's cash and cash equivalents of \$199.0 million and \$223.8 million as of December 31, 2025 and 2024, respectively, are held in cash and money market funds, which are classified as Level 1 within the fair value hierarchy because they are valued using quoted prices in active markets. These are the Company's only Level 1 financial instruments. The Company does not hold any Level 2 financial instruments. The Company's contingent consideration liabilities of \$31.4 million and \$31.0 million as of December 31, 2025 and 2024, respectively, are the Company's only Level 3 financial instruments.

See Note 3 — "Acquisitions" for changes in contingent consideration during the years ended December 31, 2025, 2024 and 2023. The following tables present the balances of contingent consideration as presented in the consolidated balance sheets (in millions):

	December 31,

Accrued expenses and other current liabilities	\$ 6.9	\$ 3.3
Other non-current liabilities	24.5	27.7
Total contingent consideration	<u>\$ 31.4</u>	<u>\$ 31.0</u>

There were no transfers of financial instruments between Level 1, Level 2 and Level 3 during the periods presented.

Level 3 Financial Liabilities

The Company's Level 3 financial liabilities relate to acquisition-related contingent consideration arrangements. Contingent consideration represents obligations of the Company to transfer cash or the Company's common stock to the sellers of certain acquired entities in the event that certain targets and milestones are met. The primary method the Company used to estimate the fair value of contingent consideration liabilities was a Monte-Carlo simulation, which is based on inputs such as forecasted future results of the acquired businesses, which are not observable in the market, discount rates and earnings volatility measures. The Company has not presented certain quantitative information regarding the unobservable inputs utilized to measure contingent consideration liabilities given changes in these assumptions have not and are not expected to materially impact the Company's operating results during 2025 or in future periods. Changes in the fair value of Level 3 financial liabilities are included within Operations and support expense in the consolidated statements of operations (see Note 3 — "Acquisitions").

Concierge Credit Facility

In July 2020, the Company entered into a Revolving Credit and Security Agreement (the “Concierge Facility”) with Barclays Bank PLC, as administrative agent, and the several lenders party thereto. The Concierge Facility provides for a \$75.0 million revolving credit facility and is solely used to finance a portion of the Company’s Compass Concierge Program. The Concierge Facility is secured primarily by the Concierge Receivables and cash of the Compass Concierge Program.

Borrowings under the Concierge Facility bear interest at the term SOFR rate plus a margin of 2.50%. The two year commitment fee is 0.35% if the Concierge Facility is utilized greater than 50% and 0.50%, if the Concierge Facility is utilized less than 50%. On August 1, 2025, the revolving period under the Concierge Facility was extended to July 31,

Compass, Inc.

Notes to Consolidated Financial Statements

2027. The interest rate on the drawn down balance of the Concierge Facility was 6.57% as of December 31, 2025. Pursuant to the Concierge Facility, the principal amount, if any, is payable in full in January 2028, unless earlier terminated or extended.

The Company has the option to repay the borrowings under the Concierge Facility without premium or penalty prior to maturity. The Concierge Facility contains customary affirmative covenants, such as financial statement reporting requirements, as well as covenants that restrict the Company's ability to, among other things, incur additional indebtedness, sell certain receivables, declare dividends or make certain distributions, and undergo a merger or consolidation or certain other transactions. Additionally, in the event that the Company fails to comply with certain financial covenants that require the Company to meet certain liquidity-based measures, the commitments under the Concierge Facility will automatically be reduced to zero and the Company will be required to repay any outstanding loans under the Concierge Facility. As of December 31, 2025, the Company was in compliance with the covenants under the Concierge Facility.

The Concierge Facility includes customary events of default that include, among other things, nonpayment of principal, interest or fees, inaccuracy of representations and warranties, violation of certain covenants, bankruptcy and insolvency events, material judgments and change of control. The occurrence of an event of default could result in the acceleration of the obligations and/or the increase in the applicable interest rate under the Concierge Facility.

2021 Revolving Credit Facility

In March 2021, the Company entered into a Revolving Credit and Guaranty Agreement (the "2021 Revolving Credit Facility") with Barclays Bank PLC, as administrative agent and as collateral agent, and certain other lenders, which was subsequently amended on May 1, 2023. The 2021 Revolving Credit Facility provided for a \$350.0 million revolving credit facility, subject to the terms and conditions of the Revolving Credit Facility. The 2021 Revolving Credit Facility also included a letter of credit sublimit which is the lesser of (i) \$125.0 million and (ii) the aggregate unused amount of the revolving commitments then in effect under the 2021 Revolving Credit Facility. The Company's obligations under the 2021 Revolving Credit Facility were guaranteed by certain of the Company's subsidiaries and were secured by a first priority security interest in substantially all of the assets of the Company and the Company's subsidiary guarantors.

Borrowings under the 2021 Revolving Credit Facility bear interest, at the Company's option, at either (i) a floating rate per annum equal to the base rate plus a margin of 0.50% or (ii) a rate per annum equal to the secured overnight financing rate ("SOFR") plus a margin of 1.50%. The base rate was equal to the highest of (a) the prime rate as quoted by The Wall Street Journal, (b) the federal funds effective rate plus 0.50%, (c) the SOFR term rate for a one-month interest period plus 1.00% and (d) 1.00%. The SOFR term rate was determined as the forward-looking term rate plus a 0.10% adjustment.

The Company was also obligated to pay other customary fees for a credit facility of this type, including a commitment fee on a quarterly basis based on amounts committed but unused under the 2021 Revolving Credit Facility of 0.175% per annum, fees associated with letters of credit and administrative and arrangement fees. The principal amount, if any, was payable in full in March 2026, unless earlier terminated or extended. In November 2025, the Company terminated the 2021 Revolving Credit Facility. Prior the termination of the 2021 Revolving Credit Facility, the Company was in compliance with all related financial covenants.

2025 Revolving Credit Facility

In November 2025, the Company entered into a Revolving Credit and Guaranty Agreement (the "2025 Revolving Credit Facility") with Morgan Stanley Senior Funding, Inc., as administrative agent and as collateral agent and a syndicate of other lenders. Under the 2025 Revolving Credit Facility, the Company obtained revolving commitments from lenders in an initial amount of \$250 million. The lenders' commitments under the 2025 Revolving Credit Facility automatically increased by \$250 million to an aggregate amount of \$500 million upon the completion of the merger with Anywhere Real Estate Inc. in January 2026 (the "Anywhere Merger"). The 2025 Revolving Credit Facility also includes a letter of credit sublimit of \$100 million (which automatically increased to \$170 million to the extent the Anywhere Merger is consummated). The Company's obligations under the 2025 Revolving Credit Facility are guaranteed by certain of the Company's subsidiaries and are secured by a first priority security interest in substantially all of the assets of the Company.

and the Company's subsidiary guarantors, subject to customary exceptions. See Note 18 — "Subsequent Events" for further information regarding the Anywhere Merger.

Borrowings under the 2025 Revolving Credit Facility bear interest at Term SOFR plus an applicable rate between 1.50% and 2.25% per annum, based on a pricing grid in which the levels are set based on the Company's Total Net Leverage Ratio (as defined in the underlying agreement). The Company is also obligated to pay other customary fees under the 2025 Revolving Credit Facility, including (i) a commitment fee to the lenders on amounts they have committed, which are unused, of between 0.175% and 0.35% per annum, based on a pricing grid in which the levels are set based on the Company's Total Net Leverage Ratio, (ii) fees associated with the issuance of letters of credit, (iii) administrative agent fees, and (iv) upfront fees.

The maturity date of the 2025 Revolving Credit Facility is November 17, 2030. In the event there is an aggregate principal amount outstanding on certain of Anywhere's second lien and unsecured notes that exceeds \$50 million on the date that is 91 days prior to the respective final stated maturity dates of such notes, the 2025 Revolving Credit Facility is subject to an earlier springing maturity on such 91st day. The Company does not expect such early maturity to occur as the Company currently intends to repay or refinance such notes.

The Company has the option to repay the Company's borrowings, and to permanently reduce the commitments in whole or in part, under the 2025 Revolving Credit Facility without premium or penalty. As of December 31, 2025, there were no borrowings outstanding under the 2025 Revolving Credit Facility and outstanding letters of credit under the 2025 Revolving Credit Facility totaled \$30.9 million.

The 2025 Revolving Credit Facility contains customary representations, warranties, affirmative covenants, and negative covenants. The negative covenants restrict the Company's and its restricted subsidiaries' ability to, among other things, incur liens and indebtedness, make certain investments, declare and pay dividends, dispose of, transfer or sell assets, make stock repurchases and consummate certain other matters, all subject to certain exceptions. The financial covenant under the 2025 Revolving Credit Facility requires that following the consummation of the Anywhere Merger, the Company maintains a Total Net Leverage Ratio level of no greater than 5.00 to 1.00, stepping down to 4.50 to 1.00 on December 31, 2027 and 4.25 to 1.00 and December 31, 2028 (with no requirement to maintain a minimum Liquidity level or a minimum Consolidated Total Revenue level). As of December 31, 2025, the Company was in compliance with the covenants under the 2025 Revolving Credit Facility.

The Company incurred debt issuance costs of \$2.2 million in connection with the 2025 Revolving Credit Facility, which are included in Other non-current assets in the consolidated balance sheet. The unamortized debt issuance costs will be amortized within Interest expense in the consolidated statements of operations over the remaining term on a straight-line basis.

11. Commitments and Contingencies

Legal Proceedings

From time to time, the Company may be involved in disputes or regulatory inquiries that arise in the ordinary course of business. When the Company determines that a loss is both probable and reasonably estimable, a liability is recorded and disclosed if the amount is material to the Company's business taken as a whole. When a material loss contingency is only reasonably possible, the Company does not record a liability, but instead discloses the nature and the amount of the claim and an estimate of the loss or range of loss, if such an estimate can reasonably be made. Legal costs related to the defense of loss contingencies are expensed as incurred.

Claims or regulatory actions against the Company, whether meritorious or not, could have an adverse impact on the Company due to legal costs, diversion of management resources and other elements. Except as identified with respect to the matters below, the Company does not believe that the outcome of any individual existing legal or regulatory proceeding to which it is a party will have a material adverse effect on its results of operations, financial condition or overall business in each case, taken as a whole.

Real Estate Commission Sell-Side Antitrust Litigation

The Company and its subsidiaries have been named as defendants in lawsuits that allege, among other things, violations of Section 1 of the Sherman Act, 15 U.S.C. § 1 (the “Antitrust Lawsuits”).

Four of the putative class action lawsuits, captioned Gibson, et al. v. National Association of Realtors, et al., No. 4:23-cv-00788-FJG (W.D. Mo.) (“Gibson”), filed on October 31, 2023, Grace v. National Association of Realtors, et al., No. 3:23-cv-06352 (N.D. Cal.) (“Grace”), filed on December 8, 2023, Fierro, et al. v. National Association of Realtors, et al., Case No. 2:24-cv-00449 (C.D. Cal.) (“Fierro”), filed on January 17, 2024, and Whaley v. Arizona Association of Realtors, Case No. 2:24-cv-00105 (D. Nev.) (“Whaley”), filed on January 15, 2024, name the Company as a defendant and allege, among other things, that certain trade associations, including the National Association of Realtors, multiple listing services, and real estate brokerages engaged in a continuing contract, combination, or conspiracy to unreasonably restrain interstate trade and commerce in violation of Section 1 of the Sherman Act, 15 U.S.C. § 1 by entering into a continuing agreement to require sellers of residential property to make inflated payments to brokers representing buyers. Umpa, et al. v. National Association of Realtors, et al., 4:23-cv-00945 (W.D. Mo.) (“Umpa”), filed on December 27, 2023, was consolidated into the Gibson matter on April 23, 2024. Boykin v. National Association of Realtors, et al., No. 2:24-cv-00340 (D. Nev.) (“Boykin”), filed on February 16, 2024, was terminated and consolidated into the Whaley matter on March 20, 2024. The plaintiffs in the Gibson and Umpa matters allege a nationwide scope, while the Grace and Fierro matters are limited in scope to Northern California and Southern California, respectively and the Whaley matter is limited in scope to Nevada.

Two putative class action lawsuits, March v. Real Estate Board of New York, et al., No. 1:23-cv-09995 (S.D.N.Y.) (“March”), filed on November 13, 2023, and Friedman v. Real Estate Board of New York, et al., Case No. 1:23-cv-09601 (S.D.N.Y.) (“Friedman”), filed on January 18, 2024, name the Company as a defendant and allege, among other things, that the Real Estate Board of New York, and a number of real estate brokerages engaged in a continuing contract, combination, or conspiracy to unreasonably restrain interstate trade and commerce in violation of Section 1 of the Sherman Act, 15 U.S.C. § 1 by entering into a continuing agreement to require sellers of residential property to make inflated payments to brokers representing buyers. The Friedman and March matters also allege violations of the Donnelly Act, N.Y. Gen. Bus. § 340, and the March matter further seeks injunctive relief pursuant to Section 16 of the Clayton Act, 15 U.S.C. § 26. The Friedman and March matters are limited in scope to the New York City boroughs of Brooklyn, and Manhattan, respectively.

One putative class action lawsuit, QJ Team, LLC, et al. v. Texas Association of Realtors, Inc., et al., No. 4:23-cv-01013 (E.D. Tx.) (“QJ Team”), filed on November 13, 2023, names Realty Austin, LLC, a subsidiary of the Company, as a defendant and alleges, among other things, that certain trade associations, including the Texas Association of Realtors, and a number of real estate brokerages engaged in a continuing contract, combination, or conspiracy to unreasonably restrain interstate trade and commerce in violation of Section 1 of the Sherman Act, 15 U.S.C. § 1 by entering into a continuing agreement to require sellers of residential property to make inflated payments to brokers representing buyers. Martin, et al. v. Texas Association of Realtors, Inc., et al., No. 423-cv-01104 (E.D. Tx.) (“Martin”), filed on December 14, 2023, was consolidated into the QJ Team matter on March 21, 2024.

One putative class action lawsuit, Peiffer v. Latter & Blum Holding, LLC, et al., Case No. 2:24-cv-00557 (E.D. La.) (“Peiffer”), filed on March 5, 2024, names Latter & Blum, a subsidiary of the Company, as a defendant and alleges, among other things, that certain trade associations, including the National Association of Realtors, multiple listing services, and a number of real estate brokerages engaged in a continuing contract, combination, or conspiracy to unreasonably restrain interstate trade and commerce in violation of Section 1 of the Sherman Act, 15 U.S.C. § 1 by entering into a continuing agreement to require sellers of residential property to make inflated payments to brokers representing buyers. On April 3, 2024, the Company announced that it had entered into an agreement to acquire Latter & Blum.

On March 21, 2024, the Company entered into a settlement agreement to resolve the Gibson and Umpa cases on a nationwide basis. The settlement resolves all claims in these cases and similar claims in other lawsuits alleging claims on behalf of sellers on a nationwide basis against the Company and its subsidiaries (collectively, the “Claims”) and releases the Company, its subsidiaries and affiliated agents from the Claims. Under the settlement agreement, the Company agreed to pay \$57.5 million and make certain changes to its business practices. The Company’s motion for final approval of the settlement agreement was granted on October 31, 2024 and the settlement agreement is now effective. The final approval ruling was appealed by certain class members that objected to the settlement, including but not limited to plaintiffs in the March and Friedman matters, referenced above, which are now pending before the United States Circuit Court of Appeals

Compass, Inc.

for the Eighth Circuit. The objecting parties filed their briefs on April 21, 2025. Responses, including those by the Company, were filed on July 28, 2025. The objecting parties may file any replies thereafter. The Gibson, Grace, Fierro, Whaley, Umpa, March, Friedman, QJ, and Peiffer cases are stayed pending the appeal of the final approval of the settlement agreement.

The Company does not expect the terms of the proposed settlement of the Gibson and Umpa cases or the process of moving to enforce the settlement nationwide to have a material impact on its future operations.

During the three months ended March 31, 2024, the Company recognized an expense of \$57.5 million within General and administrative expense in the consolidated statements of operations in connection with the settlement agreement. 50% of the settlement was paid during the three months ended June 30, 2024 and the remaining 50% was paid during the three months ended June 30, 2025.

Batton, et al. v. Compass, Inc., et al.

Batton, et al. v. Compass, Inc., et al., No. 1:23-cv-15618 (N.D. Ill.) (“Batton II”), filed on November 2, 2023, names the Company and seven other brokerages as defendants and alleges that the defendants entered into a continuing contract, combination, or conspiracy to unreasonably restrain interstate trade and commerce in violation of Section 1 of the Sherman Act, 15 U.S.C. § 1 and state law antitrust statutes, violated state consumer protection statutes, and were unjustly enriched by industry rules that set the manner by which buyer’s brokers are compensated. The allegations in Batton II are substantially similar to those contained in the case captioned Batton, et al. v. National Association of Realtors, et al., No. 1:21-cv-00430 (N.D. Ill.) (“Batton I”), filed on January 25, 2021, which does not name the Company but names the National Association of Realtors and six other brokerages. The Company and the defendants in the Batton II matter filed a motion to dismiss the amended complaint on June 21, 2024. The plaintiffs filed an opposition to the motion to dismiss on August 5, 2024 and the Company and the defendants filed a reply on September 4, 2024. The motion to dismiss remains pending before the Court. The Court also granted the Company’s motion to file supplemental authority on recent favorable rulings in similar cases.

The Company is unable to predict the outcome of Batton II or to reasonably estimate the possible loss or range of loss, if any, arising from the claim asserted therein. The ultimate resolution of Batton II could have a material adverse effect on the Company’s financial position, results of operations, and cash flow.

2021 Employee Stock Purchase Plan

In February 2021, the Company's board of directors and stockholders adopted and approved the 2021 Employee Stock Purchase Plan (the "ESPP"), with an initial pool of 7.4 million shares of Class A common stock available for authorized purchase rights to the Company's employees or to employees of its designated affiliates. In addition, on January 1st of each year beginning in 2022 and continuing through 2031, the aggregate number of shares of common stock authorized for issuance under the ESPP shall be increased automatically by the number of shares equal to 1% of the total number of outstanding shares of common stock and outstanding shares of preferred stock (on an as converted to common stock basis) on the immediately preceding December 31st, although the Company's board of directors or one of its committees may reduce the amount of the increase in any particular year. No more than 150.0 million shares of common stock may be issued over the term of the ESPP, subject to certain exceptions set forth in the ESPP. As of December 31, 2025, 17.5 million shares of Class A common stock remain available for grant under the ESPP. Effective January 1, 2026, the authorized shares increased by 5.5 million shares as a result of the annual increase provision described above.

The ESPP permits employees to purchase shares of the Company's Class A common stock through payroll deductions accumulated during six-month offering periods up to a maximum value of \$12,500 per offering period. The offering periods begin each February and August, or such other period determined by the Compensation Committee. On each purchase date, eligible employees may purchase the shares at a price per share equal to 85% of the lesser of (1) the fair market value of the Company's Class A common stock on the first trading day of the offering period, or (2) the fair market value of the Company's Class A common stock on the purchase date, as defined in the ESPP. During the year ended December 31, 2025, the Company issued 0.6 million shares of Class A common stock under the ESPP.

The Company recognized \$1.2 million and \$1.0 million of stock-based compensation expense related to the ESPP during the years ended December 31, 2025 and December 31, 2024, respectively. As of December 31, 2025 and 2024, \$1.5 million and \$1.1 million, respectively, had been withheld on behalf of employees for a future purchase under the ESPP.

Stock Options

Stock options vest over a prescribed service period generally lasting four years. Upon the exercise of any stock options, the Company issues shares to the award holder from the pool of authorized but unissued common stock.

The fair value of each stock option award is estimated on the grant date using the Black-Scholes option pricing model. There were no options granted for the year ended December 31, 2025. For the years ended December 31, 2024 and 2023 stock options granted were not material to the Company's financial statements.

A summary of stock option activity under the 2012 Plan and the 2021 Plan, including 1.1 million stock options that were granted outside of the 2012 Plan in 2019, is presented below (in millions, except share and per share amounts):

As of December 31, 2025, unrecognized compensation costs totaled \$1.9 million and are expected to be recognized over a weighted-average period of 0.9 years.

A summary of RSU activity under the 2012 Plan and the 2021 Plan is presented below:

Balance as of December 31, 2025	48,620,509	\$ 7.06

- (1) During the year ended December 31, 2025, the Company net settled all RSUs through which it issued an aggregate of 23.3 million shares of Class A common stock and withheld an aggregate of 8.1 million shares of Class A common stock to satisfy \$61.1 million of tax withholding obligations on behalf of the Company's employees.

As of December 31, 2025, all unvested RSUs had total compensation costs of \$256.2 million not yet recognized. This expense is expected to be recognized over a weighted-average period of 3.0 years.

As previously disclosed, prior to 2022 the Company typically issued share-based compensation through grants that vested ratably over four years. Beginning in 2022, the Company adopted a new approach, issuing a series of four consecutive annual grants (each equal to 25% of the total four-year grant value) with each grant vesting over the one-year period following its grant. During the three months ended June 30, 2025, the Company issued the remaining 16.2 million RSUs committed under this methodology. These RSUs were originally expected to be granted across 2025, 2026 and 2027, with each tranche vesting over the one-year period following its respective grant date. The remaining RSUs granted during the three months ended June 30, 2025 will vest on the same schedule as initially contemplated under the original commitments. Beginning in 2025, the Company reverted to its previous method of one grant vesting ratably over a four-year period following the grant date for substantially all new equity commitments.

Agent Equity Program

In connection with the 2022 Agent Equity Program, the Company recognized a total of \$53.3 million stock-based compensation expense of which \$41.7 million was recognized during the year ended December 31, 2022 and \$11.6 million was recognized during the year ended December 31, 2023. In January 2023, the Company granted 14.1 million RSUs to independent sales agents in connection with the 2022 Agent Equity Program. Prior to the issuance of the underlying RSUs, the stock-based compensation expense associated with these awards was recorded as a liability and \$53.3 million was ultimately reclassified to Additional paid-in capital at the end of the vesting period when the underlying RSUs were granted. Following the issuance of these RSUs, the Company discontinued the Agent Equity Program.

The Company is subject to income taxes in the United States, India and the United Kingdom. Deferred income taxes reflect the net tax effects of (a) temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for income tax purposes and (b) operating losses and tax credit carryforwards.

As of December 31, 2025 and 2024, the Company's deferred tax assets were primarily the result of U.S. federal and state net operating losses, operating lease obligations, capitalized research and development costs, stock-based compensation and other compensation and expense related accruals. A full valuation allowance was maintained against its U.S. gross deferred tax asset balances as of December 31, 2025 and 2024. As of each reporting date, the Company considers new evidence, both positive and negative, that could impact the Company's view with regard to future realization of deferred tax assets. As of December 31, 2025 and 2024, the Company continued to maintain that the realization of its deferred tax

Compass, Inc.

Notes to Consolidated Financial Statements

assets has not achieved a more-likely-than-not threshold primarily due to the evidence that the Company continued to maintain three-year cumulative pre-tax book losses. As of December 31, 2025, the valuation allowance was approximately \$712.7 million, an increase of \$8.9 million from December 31, 2024, which includes the impact of acquisition activity.

As of December 31, 2025 and 2024, the Company had approximately \$1.8 billion and \$1.7 billion of gross federal net operating losses, respectively. Of those amounts, \$152.0 million will begin to expire in 2032 and \$1.7 billion have an unlimited carryforward with utilization limited to 80% of taxable income. Such amounts may be subject to an annual limitation under Section 382 of the Internal Revenue Code of 1986, as amended, as a result of various ownership change rules.

As of December 31, 2025 and 2024, the Company had approximately \$2.2 billion and \$2.0 billion of gross state net operating losses, respectively, that will begin to expire in 2026.

The Company had no material uncertain tax positions as of December 31, 2025, 2024 and 2023. The Company does not anticipate a material increase or decrease in uncertain tax positions in the next twelve months after the reporting period. It is the Company's policy to record interest and penalties related to uncertain tax positions as a component of the provision for income taxes. No material amounts of interest or penalties were recognized in the consolidated financial statements for the years ended December 31, 2025, 2024 and 2023.

The number of years with open tax audits varies depending upon the tax jurisdiction. The Company is generally no longer subject to U.S. federal examination by the Internal Revenue Service ("IRS") for years before 2015. The IRS and state taxing authorities can subject the Company to audit dating back to 2012 when the Company begins to utilize its net operating loss carryforwards.

15. Compass Concierge Receivables and Allowance for Credit Losses

In 2018, the Company launched the Compass Concierge Program for home sellers who have engaged Compass as their exclusive listing agent. The initial program was based on a services model ("Concierge Classic") provided by Compass Concierge, LLC ("Compass Concierge"), which included items such as consultation on suggested cosmetic updates or modifications to a specific property or guidance on securing licensed contractors or vendors to perform non-structural property improvements. The Concierge Classic program provided for the payment of the up-front costs of specified home improvement services provided by unrelated vendors. During 2022, the Company substantially ceased providing new payments under the Concierge Classic program.

In 2019, the Compass Concierge Program was expanded to include a loan program underwritten by an independent third-party lender (the "Lender") through a commercial arrangement with Compass Concierge ("Concierge Capital"). Under the Concierge Capital program, the Lender originates and services unsecured consumer loans to home sellers following its independent underwriting process pursuant to program-level criteria provided by the Company. The Company has no right or obligation with respect to any individual consumer loan originated by the Lender. Under the agreement, the Company has repayment rights against the Lender in connection with a corporate loan.

Payment to the Company for these services under the Concierge Classic program or repayment of the loan funds under the Concierge Capital program is due upon the earlier of a successful home sale, the termination of the listing agreement or one year from the date in which costs were originally funded. Compass Concierge receivables ("Concierge Receivables") are stated at the amount advanced to the home sellers, net of an estimated ACL in the accompanying consolidated balance sheets. The Company incurs service fees payable to the Lender and incurs bad debt expense in connection with the Compass Concierge Program.

The Company manages its credit risk by establishing a comprehensive credit policy for the approval of new loans while monitoring and reviewing the performance of its existing Concierge Receivables. Factors considered include but are not limited to:

- No negative liens or judgments on the property;
- Seller's available equity on the property;
- Loan to listing price ratio;

Notes to Consolidated Financial Statements

- FICO score (only for Concierge Capital program); and
- Macroeconomic conditions.

Credit Quality

The Company monitors credit quality by evaluating various attributes and utilizes such information in its evaluation of the appropriateness of the ACL. Based on the Company's experience, the key credit quality indicator is whether the underlying properties associated with the Concierge Receivables will be sold or not. Concierge Receivables associated with properties that are eventually sold have a lower credit risk than those that are associated with properties that are not sold. As of December 31, 2025 and 2024, the amount of outstanding Concierge Receivables related to unsold properties was approximately 96% and 97%, respectively. For Concierge Receivables where repayments have not been triggered (i.e., earlier of (i) sale of the property, (ii) termination of a listing agreement or (iii) 12 months from the date costs were originally funded), the Company establishes an estimate as to the percentage of underlying properties that will be sold based on historical data. This estimate is updated as of the end of each reporting period.

Allowance for Credit Losses

The Company maintains an ACL for the expected credit losses over the contractual life of the Concierge Receivables. The amount of ACL is based on ongoing, quarterly assessments by management. Historical loss experience is generally the starting point when the Company estimates the expected credit losses. The Company then considers whether (i) current conditions and economic conditions, (ii) future economic conditions and (iii) any potential changes in the Compass Concierge Program that are reasonable and supportable would impact its ACL. The following table summarizes the activity of the ACL for Concierge Receivables as of December 31, 2025 and 2024 (in millions):

	December 31,	
	2025	2024
Opening balance	\$ 10.4	\$ 13.2
Allowances	0.4	0.4
Net write-offs and other	(1.1)	(3.2)
Closing balance	<u>\$ 9.7</u>	<u>\$ 10.4</u>

Aging Status

The Company generally considers Concierge Receivables to be past due after being outstanding for over 30 days after the initial billing. Changes in the Company's estimate to the ACL are recorded through bad debt expense as Sales and marketing expense in the consolidated statements of operations and individual accounts are charged against the allowance when all reasonable collection efforts are exhausted. The following table presents the aging analysis of Concierge Receivables as of December 31, 2025 and 2024 (in millions):

	December 31,	
	2025	2024
Current	\$ 29.4	\$ 30.2

16. Net Loss Per Share Attributable to Compass, Inc.

The Company computes net loss per share under the two-class method required for multiple classes of common stock and participating securities. The rights, including the liquidation and dividend rights, of the Class A common stock, Class B common stock and Class C common stock are substantially identical, other than voting rights. Accordingly, the net loss per share attributable to Compass, Inc. will be the same for Class A common stock, Class B common stock and Class C common stock on an individual or combined basis.

This amount is incremental to the 10.1 million minimum shares already included in the weighted-average shares used to compute net loss per share attributable to Compass, Inc., basic and diluted.

17. Restructuring Activities

Beginning in 2022, the Company enacted certain workforce reductions, terminated certain of its operating leases and took actions to reduce its occupancy costs, the most significant being the scaling down of its New York administrative office. The workforce reductions were part of a broader plan by the Company to take meaningful actions to improve the alignment between the Company’s organizational structure and its long-term business strategy, drive cost efficiencies enabled by the Company’s technology and other competitive advantages and continue to drive toward profitability and continued positive free cash flow.

As a result of restructuring actions taken during the years ended December 31, 2025, 2024 and 2023, the Company incurred restructuring costs of \$17.1 million, \$9.7 million and \$30.4 million, respectively, resulting from severance and

other termination benefits for employees whose roles were eliminated, lease termination costs as a result of the accelerated amortization of various right-of-use assets and other restructuring costs. These costs have been presented within the Restructuring costs line in the consolidated statements of operations. The Company incurred additional non-cash charges of approximately \$0.8 million, \$2.0 million and \$5.3 million during the years ended December 31, 2025, 2024 and 2023, respectively, associated with the write-down of fixed assets for certain real estate leases that have been exited, or partially exited.

18. Subsequent Events

Completion of the Anywhere Merger

On January 9, 2026, the Company completed the merger contemplated by the Agreement and Plan of Merger (the "Anywhere Merger Agreement") with Anywhere Real Estate Inc., a Delaware corporation ("Anywhere"), and Velocity Merger Sub, Inc., a Delaware corporation and the Company's wholly owned subsidiary ("Merger Sub"). Pursuant to the Anywhere Merger Agreement and subject to its terms and conditions, Merger Sub merged with and into Anywhere (the "Anywhere Merger"), with Anywhere surviving as a wholly owned subsidiary of the Company. In connection with the Anywhere Merger, the Company acquired all outstanding shares of Anywhere common stock in a stock-for-stock transaction. Holders of Anywhere common stock received 1.436 shares of Compass Class A common stock for each share of Anywhere common stock, and the Company issued approximately 162.1 million shares of its Class A common stock.

The Anywhere Merger will be considered a business combination and accounted for using the acquisition method. Due to the close proximity of the Anywhere Merger close date and the Company's filing of this Annual Report on Form 10-K for

Compass, Inc.**Notes to Consolidated Financial Statements**

the year ended December 31, 2025, the initial accounting for the business combination is incomplete, and therefore the Company is unable to disclose the information required by ASC 805, Business Combinations. The Company will include relevant disclosures as required in the first quarter of 2026.

During the year ended December 31, 2025, the Company incurred \$18.1 million of transaction and integration expenses in connection with the Anywhere Merger. These expenses consist of transaction costs, including legal and investment banking fees, incurred in connection with the Company's entry into the Anywhere Merger Agreement, as well as costs related to preliminary integration activities. Such expenses are presented within the Anywhere merger transaction and integration expenses line item in the consolidated statements of operations. Of these amounts, \$6.3 million was paid during the year ended December 31, 2025.

In connection with the ongoing integration of Anywhere and in support of the Company's efforts to streamline the combined company's organizational structure, the Company is implementing an ongoing reduction in force under a plan of termination and estimates to record pre-tax charges in the range of approximately \$50 million to \$55 million during the first quarter of 2026 for severance and other termination benefits. The Company expects these charges to be included in the Anywhere merger transaction and integration expenses line of its statement of operations.

The charges that the Company expects to incur, and the timing thereof, are subject to a number of assumptions, and actual expenses and results may differ materially from the Company's estimates disclosed above. Additional transaction and integration costs, which are expected to be material, will be incurred in 2026 and future periods in connection with the closing of the Anywhere Merger and the related integration activities.

0.25% Convertible Senior Notes due 2031

In connection with the Anywhere Merger, the Company completed an offering of \$1.0 billion in aggregate principal amount of 0.25% Convertible Senior Notes due 2031 (the "Convertible Notes") to Morgan Stanley & Co. LLC and certain other initial purchasers (collectively, the "Initial Purchasers"). The Convertible Notes will be redeemable, in whole or in part (subject to certain limitations), at the Company's option at any time, and from time to time, on or after April 20, 2029 and on or before the 40th scheduled trading day immediately before the maturity date, at a cash redemption price. The initial conversion rate for the Convertible Notes is 62.5626 shares of common stock per \$1,000 principal amount of Notes, which is equivalent to an initial conversion price of approximately \$15.98 per share of common stock. The Convertible Notes will mature on April 15, 2031. The net proceeds were used to repay certain existing indebtedness of Anywhere and its subsidiaries, pay related fees, costs and expenses related to the Anywhere Merger and fund the net cost of entering into the capped call transactions (the "Capped Call Transactions").

Additionally, the Company entered into the Capped Call Transactions with certain of the Initial Purchasers and/or their respective affiliates and/or other financial institutions. The Capped Call Transactions are expected generally to reduce potential dilution to the common stock upon any conversion of the Convertible Notes and/or offset any potential cash payments the Company is required to make in excess of the principal amount of such converted Notes, as the case may be, with such reduction and/or offset subject to a cap. The cap price of the Capped Call Transactions will initially be \$23.68 per share of common stock, which represents a premium of 100.0% over the last reported sale price of the common stock on January 7, 2026. The Company paid \$96.5 million for the Capped Call Transactions, funded with proceeds from the Convertible Notes. The net cash proceeds received from the offering of the Convertible Notes were approximately \$880 million after considering the \$96.5 million cost of the Capped Call Transaction and approximately \$23.5 million of debt issuance costs.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors’ Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

A. Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

At World Franchising, LLC (the "Company") was formed under the laws of the State of Delaware on July 7, 2020 and was initially funded on July 27, 2020 ("Inception"). The Company operates as the central franchisor organization for the franchising of various real estate brokerages throughout the United States. The Company enters into franchise agreements with franchisees under which the franchisee is granted the right to operate in a particular location for an agreed upon term under the @properties brand name.

Basis of Preparation

The Company uses the accrual basis of accounting. Under this method, income is recognized in the period earned rather than when received and expenses are recognized in the period incurred rather than when paid.

Use of Estimates

In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the balance sheet, and the reported amount of revenues and expenses during the period. Actual results could differ from those estimates.

Revenue Recognition

Revenue Recognition Policy

The Company provides franchisees with a franchise right. Revenues from franchisees consist primarily of initial and additional office franchise fees, branding fees, administrative fees, strategy fees, affiliate onboarding fees and agent and affiliate monthly fees, service fees, software fees, transfer fees, and property management fees. Performance obligations for all franchising revenue streams are satisfied over time. The Company has elected the practical expedient for recognizing revenue when the Company has a right to consideration from a customer in an amount that corresponds directly with the value to the customer of the Company's performance completed to date. This practical expedient has been applied to all franchisee related revenue streams, except initial, renewal, transfer, and additional office franchise fees, as the Company has the right to invoice for these revenues.

The initial and renewal franchise fee, as well as the additional office fee, and the transfer fee ("franchise fees"), includes multiple performance obligations, including initial franchisee training, site selection, assistance with equipment, access to operations manual, and access to the Company's proprietary trademarks for the duration of the contract. These performance obligations are highly interrelated to the promise to provide the franchise right. As such, these promises are not distinct and have been combined into a single performance obligation that is satisfied over the term of the franchise agreement. The Company's revenue recognition policy for initial franchise fees is to begin recognizing revenue earned when the franchise is deemed as fully operational .. Revenues associated with the franchise renewal fee, additional office fee, and transfer fee performance obligations are recognized over the term of the remaining period or new term. Initial, renewal, additional office, and transfer fees are collected at the inception or renewal of the franchise agreement, and as such, the portion of those fees paid by the franchisee that relates to

The accompanying notes are an integral part of these financial statements.

performance obligations to be satisfied in future periods have been reflected as deferred revenue on the balance sheets.

Branding, administrative, and strategy fees ("royalties") are invoiced monthly based on a percentage of the gross commission income of the franchisee. The Company has utilized an election that allows for recognition of revenue related to sales-based fees when the subsequent sale by the franchisee occurs and is reported to the Company. The amount is estimated throughout the month and is adjusted to actual at month end when invoicing occurs.

As part of the franchise agreements, the Company earns revenue from affiliate onboarding fees, affiliate monthly fees, software and computer systems support fees, and various service fees that relate to operational support ("support fees"). These fees are provided and invoiced on a monthly basis.

In certain instances, the Company will include in the franchise agreement an allowance payable to the franchisee for re-branding expenses. When the re-branding allowance is paid to the franchisee, the Company recognizes an asset and amortizes it over the life of the franchise agreement, typically 10 years. From time to time, the Company may also extend a loan to franchisees to help them with their initial start-up costs and expansion. The loans are forgivable, upon the franchisee meeting the terms of its franchise agreement for the duration of the arrangement. When the loan is made to the franchisee, the Company recognizes an asset and amortizes it over the life of the arrangement, which is typically the life of the franchise agreement. In February 2022, the Company entered into an agreement with a franchisee, RLAH RE, LLC, for a loan in the amount of \$2,000,000 to help them with expanding their business. The loan is forgiven over the ten-year term of the franchise agreement. If the affiliate is terminated prior to the end of the term, then the remaining unforgiven balance is payable within 30 days after the termination date. Contract assets of \$237,780 and \$205,530, and contract assets, net of current portion, of \$1,415,561 and \$1,718,137, as of December 31, 2024 and 2023, respectively, are included on the accompanying balance sheets.

Deferred revenue is comprised of deferred fees under these agreements and totaled \$49,129 and \$128,412 as of December 31, 2024 and 2023, respectively. Previously deferred franchise fees of \$79,245, \$13,798, and \$14,000 were recognized in Franchise revenues on the statements of operations for the years ended December 31, 2024, 2023, and 2022, respectively.

Significant Judgments

The Company enters into multi-year franchise agreements with its franchisees. Management used significant judgment in determining if these agreements contain a significant financing component regarding the upfront payment for the initial franchise fee. The Company has requested the upfront payment for reasons other than financing needs, specifically to ensure that the counter party performs. As such, there is no significant financing component.

Accounts Receivable

Accounts receivable from the Company's franchise operations are recorded at the time the Company is entitled to bill under the terms of the franchise agreements and other contractual arrangements. These receivables do not bear interest and are due under normal trade terms typically requiring payment within 10 days from the invoice date. Accounts receivables are presented net of an estimated allowance for expected credit losses. On a periodic basis, the Company evaluates its receivables and established an allowance for expected credit loss based on historical experience

and other currently available information. The allowance reflects the Company's best estimate of collectability risks on outstanding receivables.

Advertising and Marketing

The Company expenses advertising and marketing costs as incurred. Advertising and marketing costs are recorded in Advertising and marketing within the statements of operations.

Income Taxes

The Company was formed as a limited liability company. Accordingly, federal income taxes are not payable by the Company. Income (or loss) is allocated to the Company's members and is included in the member's income tax returns. Therefore, no liability or provision for income taxes is included in the balance sheet.

Personal Assets and Liabilities and Allocations to Members

In accordance with the generally accepted method of presenting limited liability company financial statements, the financial statements do not include the personal assets and liabilities of the members, including their obligations for an income tax liability.

As the Company is organized as a limited liability company, its member is not liable for any act, debt, obligation, or liability of the Company, except to the extent that the member personally guarantees any liability of the Company.

Allocations of income and distributions to the member is based on the provisions of the Company's Limited Liability Company Agreement dated July 7, 2020.

The members contributed initial capital of \$110,000 on July 27, 2020, which is considered the inception date.

Fair Value of Financial Instruments

The carrying amounts of certain financial instruments, including prepaid expenses, other current assets, due to related parties, and accrued expenses approximate fair value due to the short maturity of these instruments.

It is the Company's policy, in general, to measure nonfinancial assets and liabilities at fair value on a nonrecurring basis. These items are not measured at fair value on an ongoing basis but are subject to fair value adjustments in certain circumstances (such as evidence of impairment) which, if material, are disclosed in the accompanying notes to these financial statements.

Significant Accounting Standard Applicable in Prior Year

On January 1, 2023, the Company adopted ASU 2016-13 Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments (ASC 326). This standard replaced the incurred loss methodology with an expected loss methodology that is referred to as the current expected credit loss ("CECL") methodology. CECL requires an estimate of credit losses for the remaining estimated life of the financial asset using historical experience, current conditions, and reasonable and supportable forecasts and generally applies to financial assets measured at amortized cost. Financial assets measured at amortized cost will be presented at the net amount expected to be collected by using an allowance for credit losses.

The Company adopted ASC 326 and all related subsequent amendments effective January 1, 2023 using the modified retrospective approach for all Contract assets measured at amortized cost. For the year ended December 31, 2023, there was no transition adjustment for the adoption of CECL included in an allowance for credit losses on the financial assets.

C. Commitments and Contingencies

Guarantee

Effective July 7, 2020, the Company was added as a party to a guaranty and security agreement related to a credit agreement dated April 24, 2018 of its parent company, At World Properties, LLC, with an original maturity of April 24, 2025. The outstanding amounts due under the credit agreement were paid off in conjunction with the transaction described in Note F.

Contractual Commitment

On July 9, 2020, the Company entered into an agreement with a third-party to provide the Company with consulting services effective through July 2024. Under the agreement, the Company will pay the third-party a monthly fee due no later than the first day of the month in which services are to be provided and reimbursement for business related expenses. The contract also stipulates that the third-party may be entitled to bonuses if certain conditions are met. This contract was terminated in August 2022. Consulting fees under the agreement totaled \$77,767 for the year ending December 31, 2022, and this amount is included in Professional fees within the accompanying statements of operations.

D. Related Party Transactions

The Company's infrastructure and personnel is shared with its parent company. The Company receives a monthly allocation of such costs, which comprises the majority of wages and benefits, office expenses and supplies, and other operating expenses on the statements of operations. As a result of such arrangement, from time to time, the Company has monies due from or to its parent company and its subsidiaries related to these allocated costs.

Starting in 2024, Company implemented a cash pooling arrangement with its parent company where funds are automatically swept from the Company's primary cash account to a parent company operating cash account, to facilitate cash management. In accordance with the terms of the pooling arrangement with the parent company, the parent company is required to fund the Company's operating account to make payments when due. The Due from related parties balance of \$2,085,666 at December 31, 2024, reflect \$4,488,066 of cash swept to the parent company as part of the pooling arrangement at the end of the period, net of \$2,533,433 in amounts due to the parent company and its subsidiaries.

These balances are unsecured, due on demand, and non-interest bearing and therefore have been classified as current on the accompanying balance sheets as of December 31, 2024, 2023 and 2022.

E. Risks and Uncertainties

Uninsured Cash

Cash and cash equivalents include amounts on deposit with financial institutions and investments with maturities of 90 days or less. The Company maintains funds on deposit at banks, which at times may exceed federally insured limits. The Company has not experienced any losses on such deposits. As of December 31, 2024 and 2023, the Company did not hold any cash equivalents or restricted cash.

F. Subsequent Events

On November 25, 2024, the Company's ultimate parent, At World Properties Holding, LLC ("AWPH") entered into a Merger Agreement with Compass, Inc. ("Compass"), a Delaware corporation, which closed on January 13, 2025. Per the agreement, Compass acquired all of the issued and outstanding equity securities of AWPH and its subsidiaries.

Management has evaluated subsequent events through April 11, 2025, the date that these financial statements were available to be issued. Management has determined that no events or transactions, other than the events described above, have occurred subsequent to the balance sheet date that require disclosure in the financial statements.

The accompanying notes are an integral part of these financial statements.

("Compass"), a Delaware corporation (the "Guarantor"), located at 110 Fifth Avenue, 4th Floor, New York, New York 10011, absolutely and unconditionally guarantees to assume the duties and obligations of At World Franchising, LLC, a Delaware limited liability company (the "Franchisor") under its franchise registration in each state where the franchise is registered, and under its franchise agreement identified in its 2026 Franchise Disclosure Document, as it may be amended, and as that franchise agreement may be entered into with franchisees and amended, modified or extended from time to time.
