What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location your access to customers, what sell, how you market and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit B.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise
Certain states require that the following risks be highlighted:

1. **Out-of-State Dispute Resolution.** The Franchise Agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in the State of Maryland. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Maryland than in your own state.

This disclosure document is for use in the United States and its territories. The page following Item 23 contains the Effective Dates of this Disclosure Document for each state with its own franchise registration law. Certain states may require other risks to be highlighted. Check the “State-Specific Addenda” to see whether your state requires other risks to be highlighted.

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this disclosure document, “we,” “us,” “our,” “Choice” or “Choice Hotels” means Choice Hotels International, Inc., the franchisor. “We,” “us,” “our,” “Choice” or “Choice Hotels” does not include the employees, officers, directors or shareholders of Choice. “You” means the person who buys the franchise. “You” may be an individual, corporation, partnership, limited liability company or other legal entity, or may include the principal owners of such entity or entities if an owner of you is required to sign a personal guarantee and be personally bound by your obligations under the franchise agreement.

This disclosure document is for the right to own and/or operate a RODEWAY INN® or RODEWAY INN & SUITES® branded hotel (“RODEWAY INN” or “RODEWAY INN Marks”).

We do business under the following primary Choice Hotels trademarks among others: COMFORT INN®, COMFORT INN & SUITES®, COMFORT SUITES®, CAMBRIA®, QUALITY INN®, QUALITY INN & SUITES®, QUALITY SUITES®, QUALITY HOTEL®, CLARION HOTEL®, CLARION INN®, CLARION INN & SUITES®, CLARION SUITES®, CLARION RESORT®, CLARION COLLECTION®, CLARION POINTE®, SLEEP INN®, SLEEP INN & SUITES®, RODEWAY INN®, RODEWAY INN & SUITES®, ECONO LODGE®, ECONO LODGE INN & SUITES®, MAINSTAY SUITES®, SUBURBAN®, SUBURBAN STUDIOS™, ASCEND HOTEL COLLECTION®, WOODSPRING SUITES®, and EVERHOME SUITES®.

Choice Background.

We are a Delaware corporation formed on January 8, 1963, under the name Quality Inns International, Inc. We changed our corporate name to Choice Hotels International, Inc. on July 25, 1990. From November 1, 1996 to October 15, 1997, our corporate name was Choice Hotels Franchising, Inc. Our corporate name has been Choice Hotels International, Inc. since October 15, 1997. Our principal business address is 1 Choice Hotels Circle, Suite 400, Rockville, Maryland 20850. Our agents for service of process are disclosed in Exhibit B of this disclosure document.

Our business began in 1939 when seven independent motel owners in Florida met to discuss how they could better satisfy the needs of their customers. Over the next few years, the group continued to meet and share best practices. In 1941, the group formalized its relationship by creating a membership association called Quality Courts United, thereby creating the nation’s first hotel chain. The vision of the members of Quality Courts United was to develop quality and other standards for their customers, as well as to refer guests to each other’s motels.

In January 1963, the organization officially became a for-profit corporation operating under the name Quality Courts Motels, Inc. Shortly thereafter, a training school, a central reservations system and hotel directory were added to the organization. Since that time, the company has changed its name to Choice Hotels International, Inc. and has expanded and further developed the Choice franchise system of hotels through the development of additional hotel brands and expansion into new markets.

In 2013, we established a subsidiary, SkyTouch Solutions, LLC, that develops and markets cloud-based technology products, including inventory management, pricing and connectivity to third party channels, to hoteliers who do not have franchise agreements with us.

Choice Privileges Loyalty Services, LLC is a Delaware limited liability company formed on June 12, 2017 (“CPLS”). CPLS owns, operates and administers the Choice Privileges® guest rewards program. Its principal business address is 2711 Centerville Road, Suite 400, Wilmington, Delaware 19808. Except as set forth in this Item 1, we do not have any other parents, predecessors or affiliates that must be disclosed.

RODEWAY INN Hotels.

We began offering franchises under the trademark RODEWAY INN (“RODEWAY INN hotels”) in 1990. RODEWAY INN hotels provide budget segment hotels for value-oriented travelers that offer a welcoming and efficient environment at an economy price. Neither we, nor any current affiliate or predecessor, has owned or operated a RODEWAY INN hotel. Sunburst Hospitality Corporation, which was our affiliate until October 15, 1997, has owned and operated RODEWAY INN hotels.

Your receipt of this disclosure document does not mean that you will be approved as a franchisee or that you may develop or open any of our franchised hotels. Before you may develop and open any of our franchised hotels, we must approve you as a franchisee, we must approve the location of your proposed hotel, you must attend and successfully complete our training programs, we and you must sign the Franchise Agreement (Exhibit D), and you must pay the affiliation fee. You should not acquire any interest in a site for a hotel franchise until, at the earliest, you are approved by us as a franchisee.

General Market and Competition.

The market for hotel services is generally well developed but will depend largely on your hotel’s location, size and its type of operation (for example, resort location, hotel for frequent business travelers, etc.). Franchisees typically seek customers and business referrals from the local community and solicit business from tour and travel groups on a regional and national level. Depending on the location of the hotel, sales may increase or decrease significantly on a seasonal basis.

Your competitors will include other chain-affiliated (including our hotel brands) and independent hotels and motels in the area where your hotel is located.

Other Choice Hotels Brands.

We franchise other hotel brands under the Choice Marks as defined in Item 13. We have franchised full service, mid-priced hotels under the trademark QUALITY INN since 1968 and under the trademark CLARION since 1987. QUALITY INN provides an accommodating environment, friendly service and a continental breakfast. All-suites hotels within the QUALITY brand are known as QUALITY SUITES hotels. CLARION branded hotels offer guests a quality of service, amenities and inviting atmosphere associated with finer hotels, but at an affordable price. These hotels offer free high-speed internet access, and most locations offer a full-service restaurant, room service, swimming pool and fitness center. In 2018, we began franchising limited-service hotels under the trademark CLARION POINTE, which offer affordable accommodations with comfortable, contemporary rooms, free high-speed internet access, and a free better-for-you breakfast.

We have franchised limited service, mid-scale hotels under the trademark COMFORT since 1981 and under the trademark SLEEP INN since 1987. We have franchised limited service, economy and budget hotels under the trademark ECONO LODGE since 1990. Our largest hotel brand, COMFORT, provides a warm atmosphere, friendly service including free breakfast, in-room coffee and free high-speed internet access. All-suites hotels under the COMFORT brand are offered under the COMFORT SUITES trademark. SLEEP INN branded hotels provide exceptional service and value in a familiar atmosphere with carefully maintained facilities. SLEEP INN branded hotels that contain at least 10% suites may operate under the

SLEEP INN & SUITES trademark. We began offering ECONO LODGE branded hotels in 1990. ECONO LODGE hotels provide a comfortable stay at a great value for business and leisure travelers.

We have franchised extended stay, limited service hotels under the trademark MAINSTAY SUITES since 1996 and under the trademark SUBURBAN since 2005 and SUBURBAN STUDIOS™ since 2022. MAINSTAY SUITES offers residential style amenities and affordable rates. Each MAINSTAY SUITES hotel room offers ample space for an extended stay, with areas for dressing, relaxing, sleeping and eating, and includes a well-equipped kitchen. SUBURBAN or SUBURBAN STUDIOS offers competitive rates for stays of one week or more. Rooms at a SUBURBAN property are spacious and feature a well-equipped kitchen and free high-speed internet access.

We acquired the WOODSPRING SUITES brand from WoodSpring Hotels Franchise Services LLC, a Kansas limited liability company (“WHFS”) in 2018. From 2004 to April 2015, WHFS offered extended-stay franchises under the name “VALUE PLACE,” and in 2015 WHFS changed the brand to “WOODSPRING SUITES.” We began offering franchises under the trademark WOODSPRING SUITES in February 2018. WOODSPRING SUITES hotels are extended stay, limited services hotels that offer customers the value of a furnished room with kitchen facilities, together with terms and conditions, services and amenities associated with extended-stay hotels, including easy check-in, one-week stays, and periodic housekeeping

We began offering EVERHOME SUITES franchises in November 2019. EVERHOME SUITES offers in the mid-scale space studio and larger one-bedroom options, all of which include a fully equipped, modern kitchen complete with a full-sized refrigerator, dishwasher, stovetop, microwave, and ample counter space. Dishes, utensils, glassware, and cookware will be provided in room for free to enable guests to cook their own meals. Small appliances, such as blenders, crock-pots, and electric indoor grills, will be available to rent at the front desk.

We have franchised all-suites hotels under the trademark CAMBRIA since 2004. CAMBRIA is an upscale, select-service hotel brand designed for guests who want to take their lifestyle with them when traveling. CAMBRIA branded hotels feature a stylish design that creates a unique sense of place, within our design framework—optimized for operational excellence, financial performance and guest appeal.

We also offer hotels under the trademark ASCEND, which is a special group of boutique, unique or historic hotels that have a strong local identity and share a common commitment to outstanding guest service. ASCEND member hotels range from historic to themed to contemporary and offer amenities, including operation of an onsite, upscale dining restaurant or are located within one city block of an upscale dining restaurant. From April 1, 2005 through April 30, 2008, we offered franchises for a similar concept under the trademark CLARION COLLECTION. As of December 31, 2021, there were three CLARION COLLECTION franchises. ASCEND member hotels typically will be conversions of existing hotels that retain their existing name followed by the words, “ASCEND HOTEL COLLECTION” or “ASCEND RESORT COLLECTION” for local marketing and signage purposes.

As of December 31, 2021, the following Choice Brands were open and operating in the United States: 181 ASCEND hotel franchises; 51 CAMBRIA hotel franchises; 143 CLARION hotel franchises; 3 CLARION COLLECTION hotel franchises; 43 CLARION POINTE hotel franchises; 1,645 COMFORT INN, COMFORT INN & SUITES, and COMFORT SUITES hotel franchises; 734 ECONO LODGE hotel franchises; 0 EVERHOME SUITES hotel franchises; 101 MAINSTAY SUITES hotel franchises; 1,652 QUALITY hotel franchises; 528 RODEWAY INN hotel franchises; 414 SLEEP INN and SLEEP INN & SUITES hotel franchises; 71 SUBURBAN franchises; and 302 WOODSPRING SUITES. Not included in this list are six CAMBRIA hotels owned by Choice, which are operated by third party management companies. Choice intends to franchise all company-owned CAMBRIA hotels in the near future. Choice

does not operate any hotels under any of the Choice Marks.

Industry Specific Laws and Regulations.

Your franchised hotel will be subject to significant federal, state and local laws and regulations applicable to businesses generally and those specific to the hotel industry, including regulations regarding zoning and building, occupational health and safety, labor, licensing and bonding, food, insurance, advertising, liquor licenses, sales, income and other taxes, and the Americans with Disabilities Act. There may be other laws and regulations applicable to the hotel industry or businesses generally, with which you must comply. ITEM 5

INITIAL FEES

APPLICATION AND AFFILIATION FEE

You must pay us, for the rights granted to you in the RODEWAY INN hotel franchise agreement, an affiliation fee of \$200 per room for new construction and \$375 per room for transfers and renewals, with a minimum of \$20,000 for new construction and \$15,000 for transfers and renewals. The entire affiliation fee is due at the time you sign the franchise agreement and is non-refundable following our signing of the franchise agreement. We will also collect a non-refundable application fee of \$5,000 that will be credited towards the affiliation fee. If for any reason we do not grant you a franchise, or a franchise agreement is not counter signed by us, the affiliation fee, less the \$5,000 application fee, will be refunded to you. Financing information is in Item 10. In the past, we have agreed to reduce the affiliation fee in certain circumstances for multiple unit franchisees, franchisees with larger properties, franchisees with whom we have previously dealt, franchisees that are departing other hotel chains or franchised systems and joining our system, and franchisees in other special circumstances. However, we do not always negotiate the affiliation fee even for franchisees possessing these characteristics, and we may freely choose not to negotiate with you, even if you possess some or all of these characteristics. During the 12 months ending December 31, 2021, the affiliation fees ranged from \$1,500 to \$33,750 for new RODEWAY INN franchise agreements.

EXTENSION FEE

If you do not begin construction within 12 months after both you and we sign the franchise agreement or if you do not complete renovations to an existing franchised hotel within the time required under your franchise agreement, you may apply for an additional 3 months in which to begin construction or complete renovations. If we agree to grant an extension, you must pay us an additional \$5,000 per extension. In special circumstances we may waive the extension fee, but we are not obligated to, and any decision to waive an extension fee will be determined solely by us.

You are required to install, maintain, and use full functionality of the choiceADVANTAGE® property management and reservation system as specified by us. You must purchase from us, an initial software license to use choiceADVANTAGE®. The software license includes one basic interface connected to choiceADVANTAGE®. If you need to reschedule onboarding or if onboarding is not completed due to circumstances that are within your control, there will be a rescheduling fee of between \$500 and \$2,100.

When a franchised hotel undergoes a 50% or greater change in its ownership and the new owners sign a franchise agreement with Choice (known as a “re-licensing”), the hotel is also required to have a customized re-licensing training. This session is delivered remotely via webinar by a Choice University Learning Facilitator. The fee for the re-licensing training is \$995.

ORIENTATION / HOSPITALITY TRAINING

We provide required training programs that you, your General Manager, or other key employees must complete before opening your hotel in the Choice franchise system or within 90 days of the hotel’s opening or relicensing. We may also assess additional fees and charges for various components of the System and other services (including promotional programs and use of proprietary software) as described in the Rules and Regulations.

Note 4: A “Travel Agent” includes traditional travel agents, such as American Express Travel, CWT, BCD and others, as well as online travel agents such as Expedia if those online travel agents book through our global distribution system (“GDS”). For all reservations originating in a foreign country in which there is a Choice-approved General Sales Agent or which is serviced by a Choice sales team, a hotel will be required to pay a 5% commission in addition to the standard Travel Agent Commission. The additional commission will apply to reservations via travel agents, GDS, and Choice's central reservation system, but will not apply to reservations through online travel agents (for example, Expedia) that are designated by an International Air Transport Association number.

Note 5: This fee is payable only if you fail to cause Construction Start to occur or you do not complete any renovations which are required to be completed prior to the opening of the hotel in the Choice franchise system within the deadlines specified in your franchise agreement.

Monthly fees for ChoiceMAX will be bundled with the Choice Revenue Management System monthly program fee for participating hotels.

Note 7: Choice has secured preferred status with leading “mega” travel agencies (for example, multi-national travel management companies) and consortia of travel agencies so that our franchisees receive a high level of exposure within the Global Distribution System, corporate online booking tools, and preferencing through the various booking channels. For consumed reservations booked through a “mega” travel agency that are commissionable, the Travel Agent and Other Reservation Based Commissions Fee and Travel Agent Centralized Commission Processing Fee apply. These payments are made through ONYX. Hotels that are not current with their travel agent fees risk suspension from the agencies booking tool.

Note 8: This fee is payable only if the franchise agreement is terminated due to your breach and does not apply where state law prohibits it.

TOTAL ESTIMATED INITIAL INVESTMENT	\$111,950	\$632,395			
TOTAL COST PER ROOM (Based on 57 Rooms)	\$1,964	\$11,094			

Note 1: This table is an estimate of the initial investment required to convert an existing hotel and the estimate provided is based on our experience and our brand standards. Estimates are based on a 57-guestroom hotel. The cost of renovating each hotel has the potential to vary greatly and will depend on factors unique to your situation and your hotel, including the location of the hotel, the condition of the hotel and any upgrades necessary to bring the hotel up to our standards. Where the hotel is a newly constructed hotel, the initial investment may also fall outside of the estimated ranges provided since it depends in large part on the real estate you select to build the hotel and additional costs such as architectural plans and inspections, soil tests, lending and legal fees, market studies, or environmental impact studies to secure a location.

Note 2: Costs paid to Choice are not refundable, unless otherwise stated. Whether any costs payable to third parties are refundable will vary based on the particular third party and on where your hotel is located.

Note 3: The full affiliation fee is due at the time you sign the franchise agreement and is non-refundable following our signing of the franchise agreement. If for any reason we do not grant you a franchise or a franchise agreement is not countersigned by us, the affiliation fee, less a \$5,000 application fee, will be refunded.

Note 4: Renovation costs vary considerably and the estimate provided is based on a typical property improvement plan provided by us that the hotel must complete to upgrade to our standards. The costs provided includes an estimate for furniture fixture and equipment that must be refurbished, replaced, or removed. Upon application, we will provide you a customized property improvement plan unique to your hotel. Your costs to upgrade the hotel to our standards may depend on local contractor and material costs in your area as well as the condition of your hotel at the time you apply for a franchise and may fall outside the estimated range provided.

Note 5: These policies cover construction, General Liability, Cyber Liability, and Workers Compensation, including Statutory Workers Compensation and Employers Liability insurance, and must provide minimum limits per location of coverage as stated in the franchise agreement.

Note 6: choiceADVANTAGE[®] software license and onboarding fees include the costs of the initial software license, eLearning modules, project management, and the credit card interface. Your costs may fall on the higher end of this range depending on the number of rooms, additional interfaces and integrations you select. The fees do not include the monthly choiceADVANTAGE[®] support fee to cover ongoing remote software support.

Note 7: Opening inventory of supplies includes brand standards items, linen, paper supplies and housekeeping supplies that meet our system requirements.

Note 8: Orientation and Hospitality operations training includes the cost to attend Choice Onboard orientation training and Hospitality Operations Success Training (“HOST”). Our Choice Onboard training fee is \$1,950 and covers 2.5 days of orientation training at one of our Choice corporate locations in Rockville, Maryland or Scottsdale, Arizona. The costs do not include the cost of travel, lodging, or meals to attend the required training programs. Our HOST training fee is \$1,395 and covers an operator certification program that is offered virtually, consisting of self-paced online lessons, live interactive virtual workshops, and exams. The costs do not include the cost of travel, lodging, or meals to attend the required training programs. Some or all of the training may not be required if you have previously owned a Choice branded hotel, obtained Choice Hotels training certification for another existing hotel and/or a hotel staff member has previously earned the HOST certification.

Note 9: We estimate that you will need this amount in working capital before the hotel opens. The actual amount of working capital you will need depends on a variety of factors, such as the number of paid employees you hire and their rate of pay, your own management and operational skills, economic conditions, and competition.

Note 10: We based these estimates on our experience with hotel franchises, discussions with hotel businesspeople and recent trends in pricing from other relevant companies.

Note 11: The total investment above assumes the hotel is currently open and operating at the time you apply for a franchise and has real estate, furniture, fixtures, and equipment (FF&E), hotel staff, current marketing and advertising programs, and other standards to operate a hotel. If your current FF&E do not meet our standards, we estimate that the cost needed to meet our standards will range between \$3,500 and \$4,500 per room. In addition, your total investment may be higher if you are required to participate in our Re-Licensing Systems Training. This program is not required for all owners. The Re-Licensing Systems Training fee is \$995 and is payable only when a franchised hotel has changed ownership and the new owner signs a franchise agreement with us. The Re-Licensing Systems Training fee covers the cost of two days of remote training concerning our proprietary choiceADVANTAGE® property management and reservation system.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

All RODEWAY INN hotels are required to meet the current minimum design standards for the brand, including Choice-approved product in the public space and guestrooms. You must design the hotel to meet the current minimum standards for guest room size and facilities and equip the hotel with furniture, fixtures and equipment, bath and bed linens, draperies, bedcoverings, floor coverings, wall coverings, lighting, ice machines, telephone systems and other amenities for which we have established written specifications or minimum standards. We may modify our specifications in writing as we determine appropriate from time to time and may add new specifications or brand guidelines, in writing, including any manuals or policies regarding, among other things, our standards and requirements for construction, equipment, furnishings, supplies, maintenance and marketing that are applicable to RODEWAY INN hotels (“Rules and Regulations”).

Our Procurement Services Department maintains a list of “Qualified Vendors” of products and services for our franchisees. Certain Qualified Vendors are designated in the Rules and Regulations as exclusive suppliers. Unless required by the Rules and Regulations, you do not have to purchase products

that otherwise meet brand standards from Qualified Vendors. You do have to purchase certain Choice Mark-bearing items, such as signs and bath amenities, only from Qualified Vendors. You must also purchase bedding, computer hardware, and other brand standard items per brand specifications through a Qualified Vendor. Neither Choice nor any persons affiliated with Choice are currently Qualified Vendors.

Vendors that are not on the Qualified Vendor list may apply to become “Qualified,” and you may recommend new vendors to us. Among the criteria that we consider is the financial stability of the company, whether the product or service meets brand standards and if the product or service is of use to our franchisees. Our criteria are available to you for review upon your request. Where applicable, the vendor may be asked to submit product samples and specifications to us. We usually make our decision and notify the vendor within 90 days after all information and samples have been submitted, although a longer period may be required for products or services that, due to their cost or importance to the brand, may have significant financial impact on our franchisees. We may limit the number of Qualified Vendors to obtain volume discounts and to promote consistent quality and adequate supplies for the brand. We may revoke a vendor’s “Qualified” status if the vendor no longer meets our criteria, if they breach their agreement with us or if the product or service offered is no longer competitive in price or quality, among other reasons.

None of our officers own an interest in any privately-held suppliers, or a material interest in any publicly-held suppliers of our franchise system. From time to time, our officers may own non-material interests in publicly-held companies that are suppliers to our franchise system.

We receive certain commissions or rebates from Qualified Vendors that typically range from 1% to 2% (but may be up to 20%) of net sales volume to franchisees, as well as a flat fee that we typically receive annually from each Qualified Vendor. In exchange for these fees, we may provide each vendor with certain services, which may include one or more of the following: marketing services from our Procurement Managers and/or marketing personnel, space on our ChoiceBuys.com website, a booth at our annual convention, advertisements in our print and electronic publications (Choice e-Connections and Choice Connections) and sponsorship opportunities, among other benefits. We do not provide franchisees with any material benefits, such as opportunities to acquire additional franchises, based on their purchases of particular products or services from Qualified Vendors or use of particular Qualified Vendors.

You must display at your hotel entrance the number and type of identity signs required by the Rules and Regulations. Such signs must display the approved brand name and logo of your hotel. Signs are available from manufacturers who must be approved by us and who must comply with brand specifications. Each sign manufacturer must meet certain business, financial and insurance requirements. We derive income from appointment fees, limited trademark licenses, drawing charges and commissions on signs sold that are purchased through signage Qualified Vendors. All highway billboards and printed advertising, among other electronic or printed media, must use the Choice Marks in accordance with our specifications.

As indicated in Item 6, you must participate in the Choice Gift Card Program by allowing guests the option of redeeming Choice Gift Cards at your hotel. You must also enter into an enrollment agreement with SVM, LP, the administrator of the program (See Exhibit G).

We also periodically negotiate preferred marketing agreements with corporations and other organizations for joint marketing efforts, which may result in commissionable stays at your hotel. If you make inventory available to these organizations, we may retain up to 50% of any commissions payable by you in consideration of our marketing services and program administration costs.

As described in Item 7, you must obtain and maintain insurance which will include, at a minimum, insurance policies of the kinds, and in the amounts, required by us (Franchise Agreement, Section 12). These written insurance policies include, at a minimum, the following coverage during construction or

complete renovation of the hotel: commercial general liability insurance (including automobile liability, bodily injury and property damage) for all types of liabilities, together with the costs of defense and/or adjustments arising out of the operations to construct the hotel, providing limits of coverage of not less than \$1,000,000 per occurrence, and including coverage for contractual liability, explosion, collapse and underground property damage hazard liability, personal injury liability, products and completed operations liability, owner's and contractor's protective liability, and independent contractor's liability; all-risk builder's insurance to insure the hotel buildings under construction to 100% of their replacement cost value; and a workers' compensation policy as required by statute. During the operation of the hotel, required insurance policies include, at a minimum: all-risk physical damage coverage insuring the hotel and its contents for full replacement costs; commercial automobile and commercial general liability insurance policies written on an occurrence form, which must include contractual, products and completed operations, independent contractors, personal injury, property damage, bodily injury and host liquor liability coverage, together with the costs and expenses of the defense and/or adjustment of injury or damage, providing limits of coverage, per location, of not less than \$5,000,000 (\$10,000,000 if the hotel has 6 or more stories) per occurrence; cyber liability insurance coverage that provides minimum coverage of \$1,000,000 workers' compensation and employers' liability insurance with minimum employers liability limits of \$1,000,000 bodily injury by accident (each accident); \$1,000,000 bodily injury by disease (policy limit); and \$1,000,000 bodily injury by disease (each employee), whether or not required by the state where the hotel is located; dram shop/liquor liability insurance with limits of not less than \$5,000,000 per occurrence if alcoholic beverages are sold at the hotel (whether or not you own the establishment that sells alcohol) and business interruption insurance that provides coverage for a minimum of three months in the event the hotel is not operational.

You must also obtain and attach endorsements to your insurance policies adding us and our affiliates and subsidiaries, our and their respective officers, directors, agents, partners and employees, as additional insureds and provide waiver of subrogation on commercial automobile, commercial general, workers' compensation/employers' liability (if allowed), umbrella insurance policies and dram shop/liquor liability (if applicable). If you fail to procure or maintain the minimum insurance described above (or as designated by us from time to time in the brand standards), we may procure the insurance on your behalf and charge you the cost of the insurance and, at our option, a reasonable penalty. You will be required to reimburse us for the cost of such insurance and for any reasonable out-of-pocket costs that we incur should we elect to obtain the insurance on your behalf.

You must purchase from us a software license to onboard and use choiceADVANTAGE®. You also must purchase the mandatory hardware package we specify that meets or exceeds specifications needed to operate choiceADVANTAGE®. You are required to use a designated Qualified Vendor to purchase and install a dedicated, wired, business grade High Speed Internet Access solution located at the front desk for access to choiceADVANTAGE® (see Items 5, 7 & 11 for more details).

Unless mandated by the brand standards contained in the then-current version of the Rules and Regulations, you do not have to participate in any purchasing or distribution cooperative we maintain. However, the Choice Procurement Services Department attempts to negotiate pricing believed to be favorable from its Qualified Vendors for franchisees, and we may from time to time offer cooperative buying programs to provide additional savings for those hotels that commit to any such program. In addition, you will automatically become a member of a cooperative buying program at no additional cost to you. You may opt out of being a member of such program at any time by completing and sending us the opt out electronic form located within the FAQs on Choicebuys.com. Most product and services offerings are accessible via ChoiceBuys.com, a proprietary web-based electronic catalogue.

In the year ended December 31, 2021, our total revenues were about \$1,069.3 million. Revenues attributable to franchisee purchases were \$86.9 million, or about 8.14% of our total revenues in 2021, which

includes revenues from Qualified Vendors and choiceADVANTAGE® installation and support fees.

We estimate the cost of items that must be purchased from Qualified Vendors or subject to our standards or specifications to be less than 5% of your initial investment to convert an existing hotel or in a new construction facility. Your annual expenditures on these items may range between 5-10% of your annual purchases.

AFFILIATION FEE PROMISSORY NOTE

In our sole discretion and on approval of your credit, we may offer to finance the affiliation fee without interest. In that event, you must sign a promissory note (see Exhibit H). Note payment is due in one full lump sum generally within three months after the note is signed. The note may be accelerated upon default and provides for a waiver of presentment, demand for payment, notice of dishonor, protest, and includes a confession of judgment clause. If the principal amount of the note, or any portion of the amount, is not paid on or before the maturity date, the note will bear interest from the date on which the funds are due until paid at a default annual rate equal to eighteen percent (18%). In the event of default, you must pay

all of our costs of suit and reasonable attorney's fees. The note contains no pre-payment penalty. The owners of the franchise entity may be required to sign the note personally.

DIVERSITY AND VETERAN INCENTIVE PROGRAM

We participate in the International Franchise Association's Veteran's Transition Franchise Initiative (known as VetFran®). We are currently offering a diversity and veteran incentive program to encourage and increase the diversity of our franchise system and the hospitality industry as well as to encourage entrepreneurs that have served in the United States military and been honorably discharged from service ("Diversity and Veteran Incentive"). The Diversity and Veteran Incentive Program is intended to attract top hotel developers from diverse backgrounds and involves our commitment of capital to incentivize qualifying franchisees to develop either a newly constructed Choice-branded hotel or convert an existing hotel to a Choice-branded hotel. Qualifying franchisees who enter into franchise agreements to re-license Choice branded hotels that are currently part of the Choice franchise system are not eligible to receive a Diversity and Veteran Incentive; however, these franchisees will be given a 50% discount on the then-current affiliation fee due in connection with the re-licensed franchise agreement (see below).

Qualifications

To qualify for the Diversity and Veteran Incentive Program, you must meet all of the following conditions: you must make a good faith request for the Diversity and Veteran Incentive at the time of application; you must meet our then-current qualifications for new franchisees (including our standard credit review); you must be a majority owner that is actively engaged in the deal process; if you are an individual, you must identify to us the characteristics and background that will contribute to the diversity of our franchise system and the hospitality industry or if you are veteran you must demonstrate that you have served in the United States military and have been honorably discharged from service; or if you are a legal entity, you must be at least 51% legally and beneficially owned by persons that can demonstrate to us characteristics and background that will contribute to the diversity of our franchise system and the hospitality industry or meet the requirements of a veteran stated above. We will have sole discretion in determining whether you qualify for the Diversity and Veteran Incentive Program. The Diversity and Veteran Incentive Program may not be combined with any other incentive program that we may be offering at the time of your application and we may discontinue this Program at any time.

Incentive

Each Diversity and Veteran Incentive we make for a hotel using the RODEWAY Marks will be for \$1,000 per room in the hotel (maximum of \$50,000). Each incentive will be evidenced by a 10-year forgivable promissory note (see Exhibit I) (the "Note"). We will pay the proceeds of the Note to you only after the Opening Date of your hotel. You may use the proceeds of the Note for any purpose related to the hotel. We do not require collateral for this Note, but may you or the owners of a franchise entity to sign personally. Forgiveness of the Note will be amortized over 10 years (beginning on the Opening Date of your hotel) using a straight-line method, so that the Note will be completely forgiven if you do not commit certain defaults under the Note beginning upon signing of the franchise agreement and ending 10 years after the Opening Date. The Note is structured to provide for one payment at the end of 10 years; however, you do not have to make payments on the Note if you remain in good standing under your franchise agreement. If you default in the obligations of franchise agreement, your franchise agreement is terminated or expires, you die or you file for bankruptcy, then the entire remaining unforgiven principal balance is immediately due along with interest (accruing on the remaining unforgiven balance only) from the original date of the Note at an interest rate of prime plus 2%. The maximum interest rate in California is 10% annually. Under the Note, you must waive demand, presentment for payment, protest, notice of dishonor and your right to a jury trial. On your default, you also must pay all reasonable expenses, costs and attorneys' fees that we

incur in collecting the Note. The Note contains no pre-payment penalty.

If you qualify for a Diversity and Veteran Incentive, you may request amortization over 5 years instead (beginning on the Opening Date of your hotel) using a straight-line method, so that the Note will be completely forgiven if you do not commit certain defaults under your franchise agreement upon signing of the franchise agreement and ending 5 years after the Opening Date. If you request a 5 year Note, the incentive will be 50% of the amount of the 10 year Note, and will be limited to a maximum of \$25,000. Each incentive will be evidenced by a 5 year Note in the same form attached as Exhibit I. The Note is structured to provide for one payment at the end of 5 years; however, you do not have to make payments on the Note if you remain in good standing under your franchise agreement. If you default in the obligations of your franchise agreement, your franchise agreement is terminated or expires, you die or you file for bankruptcy, then the entire remaining unforgiven principal balance is immediately due along with interest (accruing on the remaining unforgiven balance only) from the original date of the Note at an interest rate of prime plus 2%. If the Default Payment Amount (as defined in Exhibit I) has not been paid in full fifteen (15) days after the date such amount became due and payable, interest will begin to accrue at a default annual rate equal to Prime plus seven percent (prime plus 7%). The maximum interest rate in California is 10% annually. Under the Note, you must waive demand, presentment for payment, protest, notice of dishonor and your right to a jury trial. On your default, you also must pay all reasonable expenses, costs and attorneys' fees that we incur in collecting the Note. The Note contains no pre-payment penalty.

Termination Rights

In addition, unless you have signed a 5 year promissory note, you and we must agree to waive our right to terminate the franchise agreement, without cause, on the 5th anniversary of the Opening Date.

DIVERSITY AND VETERAN RE-LICENSING INCENTIVE

If you: 1) qualify for the Diversity and Veteran Incentive Program; and 2) purchase a hotel that is a RODEWAY branded hotel operating as part of the Choice franchise system at the time of purchase; and 3) enter into a franchise agreement with Choice to re-license the hotel as a RODEWAY branded hotel, you will be granted a 50% discount on the then-current affiliation fee due in connection with your franchise agreement. Franchisees that enter into franchise agreements with Choice for the re-licensing of an existing Choice brand hotel and qualify and accept the Diversity and Veteran Incentive are not eligible to participate in any other incentive program.

On default, the note will bear interest at the maximum rate permitted by applicable law. You must waive your right to object to jurisdiction in the courts of Dallas, Texas as the venue for the resolution of disputes and must waive your right to a trial by jury. Balboa may require that you personally guarantee the financing agreement. The financing agreement can be pre-paid and there is no pre-payment penalty.

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, Choice Hotels is not required to provide you with any assistance.

PRE-OPENING OBLIGATIONS. Before you open your hotel in the Choice franchise system, we will provide certain assistance, including:

SITE SELECTION

We must approve the site you select. (Franchise Agreement, Section 6(r).) We consider a number of factors, including the location, market and revenue potential as factors for approval. Our approval of

your site does not assure that your business will be successful. Choice's Franchise Committee will review your application within 30 days of submission. If a site cannot be agreed upon and we reject your application, your affiliation fee will be refunded, less \$5,000 and any pre-application property improvement plan fees that you may have paid and no franchise agreement will be signed. (Franchise Agreement, Section 4(a).) The "typical" length of time to construct and open a new RODEWAY hotel between the signing of a franchise agreement (including paying the affiliation fee) until the opening of a newly constructed hotel is between 18 and 24 months. This period may vary and largely depend on a number of factors, such as the ability to obtain a lease or control of the site; financing; local zoning laws and ordinances; the ability to obtain building permits on a timely basis; weather conditions; or any delays associated with the installation of equipment, fixtures and signs. For an existing hotel to be converted to a RODEWAY hotel, the timetable varies depending upon your ability to obtain any necessary financing, the amount of renovation required to meet our specifications and the process and time periods required to obtain all the necessary permits, licenses and approvals from various government agencies (Franchise Agreement, Section 6(r)).

CONSTRUCTION

If the hotel is to be newly constructed, we will review and comment on whether your preliminary drawings, final working drawings and architectural designs for the hotel to satisfy the prototype design specifications. Our approval of your designs does not assure that they are adequate (Franchise Agreement, Section 6(r)).

At our discretion, we may provide additional consultation and services to assist you to construct, renovate, maintain, operate, and/or market the hotel on the same basis as provided to other hotels that are authorized to use our System under the Brand Mark; we reserve the right to charge you reasonable fees that we may establish in advance or on a project-by-project basis for such consultation and services. (Franchise Agreement, Section 5(d).)

You must submit your preliminary drawings for our approval at least 6 months before Construction Start, and final working drawings and final architectural designs for the hotel for our approval at least 3 months prior to Construction Start (Franchise Agreement, Section 6(r)). If Construction Start does not commence within 6 months of our written approval of your final architectural designs for the hotel, then you must resubmit final architectural designs for our approval at least 60 days prior to your revised Construction Start. Our review of your architectural designs is for compliance with our brand standards only and does not assure that your business will be successful, that your designs are suitable for architectural or engineering purposes, or that your designs are in compliance with local, state, or federal laws. It will be your responsibility to comply with all local, state, and national code requirements applicable to the construction of your hotel.

You must begin construction of your hotel within 12 months after the date of the franchise agreement, and, within 5 days after Construction Start, notify us that the Construction Start has occurred (Franchise Agreement, Section 6(r)(2)), continue construction of the hotel, in accordance with the designs without interruption, until the hotel is ready for our inspection and complete construction of the hotel, including furnishing, equipping and preparing for opening, within 12 months of Construction Start (Franchise Agreement, Section 6(r)(3)).

You must undertake any remodeling, renovations, and modifications to existing improvements, necessary to modernize and conform your hotel to the Rules and Regulations or other requirements of our System as described in your franchise agreement. (Franchise Agreement, Section 6(o).)

RULES & REGULATIONS

Upon request, you may view the current Rules and Regulations at our proprietary intranet site, www.choicecentral.com (Franchise Agreement, Section 5(a)). Once you become an RODEWAY franchisee you will have access to these Rules and Regulations without having to request them from us. We may periodically revise, add to or update brand standards and other requirements by issuing revisions to the Rules and Regulations and other manuals that we may publish. As of the date of this disclosure document, the Rules and Regulations were a minimum of 142 pages in length. The Table of Contents for our Rules and Regulations manual is attached as Exhibit K to this disclosure document.

OPENING SERVICES SUPPORT

Our Opening Services department will assist you to open your hotel in the Choice franchise system. (Franchise Agreement, Section 5.) We will assign an Onboarding Project Director and Opening Services Coordinator to monitor your project's progress and to assist you to meet contractual milestones (for example architectural and/or property improvement plan reviews). Your Onboarding Project Director will introduce you to Choice's organizational support departments, enroll your hotel in appropriate marketing programs, and help coordinate training course attendance/resource utilization. Finally, your Onboarding Project Director will help you to make sure that your hotel meets brand standards and that you have the knowledge and tools to assist you to successfully pass the hotel's first Quality Assurance Review (QAR). (Franchise Agreement, Section 5.) Once your hotel opens in the Choice franchise system, your Onboarding Project Director will arrange for a meeting with your assigned Area Director, who will be your ongoing liaison with Choice for most day-to-day questions related to our programs and policies. You must ensure your hotel opens in accordance with your franchise agreement. (Franchise Agreement, Section 6(s).)

We will also provide national, international and regional advertising, promotion, publicity, marketing research, system programs and related programs as we reasonably determine to be appropriate for the entire Choice franchise system, using the System Fee. (Franchise Agreement, Section 5(c).)

Marketing and advertising are primarily disseminated via media such as direct sales efforts, digital media, multi-brand television campaigns, trade publications, radio, directories and other collateral materials. National advertising and promotion agencies are primarily used to create and place advertisements with the participation and supervision of our in-house marketing department. Funding for the advertising program comes from the System Fee that each Choice Hotels franchisee pays each month during the term of their franchise agreement and which we control. We do not use any of the System Fee to solicit new franchisees. The System Fee covers the ongoing development, maintenance and upgrading of the property management and reservations systems, as well as advertising, publicity, public relations, marketing, reservations and similar services. All franchisees contribute to the System Fee at a rate dependent on their individual franchise agreement. Company-owned outlets (if any) contribute to the System fee at the standard rate as other franchised outlets. As of December 31, 2021, there were no RODEWAY company-owned outlets. See Item 6 for a description of the System Fee.

Currently, Rodeway Owners' Association, the Econo Lodge Franchisee Association, and the Choice Hotels Owners Council administer 13 voluntary regional marketing cooperatives ("Marketing Cooperatives"), which we support. Each Marketing Cooperative establishes an annual fee for participating hotels, and we also provide funding. The participating hotels in a Marketing Cooperative, along with the assistance of a Choice representative, create an annual budget and an annual marketing plan. As of the date of this disclosure document, participation in the Marketing Cooperatives is voluntary, and you may opt out on an annual basis. However, we may require participation in the Marketing Cooperatives in the future and we have the right to audit the Marketing Cooperatives program at any time.

You may conduct your own local marketing program provided that all materials comply with brand standards, including proper trademark usage, and are approved in writing by us, typically within 30 days after you submit your materials to us for review. (Franchise Agreement, Section 6(s)(4).) The

SmartMarketing program provides marketing and promotional materials that help you promote your hotel professionally and within brand standards. The fee for customizing some materials (for example, business cards and sales flyers) ranges from \$0 to \$45. We are not required to use any portion of the System Fee for advertising in your area.

Any website created for your hotel must follow the Choice Property Website Guidelines, Internet Distribution Policy and Domain Name Policy. (Franchise Agreement, Section 7(b).) We retain the right to pre-approve your hotel's website design and use of linking between your internet web pages (or other networks) and all other web sites. All websites that are accessed from a domain name that uses one or more of the Choice Marks must conform to the Choice Hotels Property Website Guidelines and Internet Distribution Policy and cannot contain, or link to other web pages that contain, logos or information on non-Choice brand hotels. We have the right to determine the content and use of online or electronic media associated with any of the Choice Marks. You may not participate in any website or other electronic media (including social media) that markets goods and services under the Choice Marks unless it is first approved in writing by us. Your general conduct on the internet or other electronic media, including your use of the Choice Marks or any advertising is subject to the terms and conditions of the Franchise Agreement and any other rules, requirements or policies that we may identify from time to time.

We administer the allocation of the System Fee, although recommendations by our franchisee associations with respect to our marketing and reservation efforts are considered. (Franchise Agreement, Section 4.) The System Fees are aggregated into one fund and used for marketing and reservation purposes as described above. We do not prepare audited financial statements for the fund. Upon request, we will provide an unaudited statement of the fund for the previous calendar year. We have no obligation to separate incomes or expenditures between Choice brands. Any unspent System Fees remaining at the end of the fiscal year generally are carried over for use in the following year unless there is a deficit from a preceding year. In that case, the monies will be applied to pay down the deficit and any remaining funds will be carried over. We pay administrative costs to provide the goods and services described above using a portion of the System Fee. Our internal costs associated with marketing the goods and services of our franchise system are reflected in the percentages below, including our media (broadcast and digital), creative, supplies and graphics. In calendar year 2021, approximately 5.5% of all System Fees collected from the Choice Franchise System was spent on media and other advertising, 5.1% on the Choice Privileges Loyalty Program, which includes national advertising (broadcast and digital), 83.4% on marketing and distribution (for example, reservations services, global sales, eCommerce, publicity, research & analytics) and 6.0% on general and administrative expenses, including the salaries of applicable personnel.

ITEM 12

TERRITORY

We grant franchises for specific sites only. You will not receive an exclusive territory, unless we grant to you an exclusive territory as further discussed below. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. However, we may, depending on local market conditions or other factors such as your prior history with us (if any) and number of hotels franchised by us, grant exclusive territories in which no other hotel of the same brand will be franchised or operated for a period of time that we determine. Preferred regions or exclusive territories are determined by us. Our grant of a preferred region or exclusive territory can be terminated by us if you default under your franchise agreement, including failing to maintain quality standards or failing to pay fees due on a timely basis.

We expressly reserve the right to grant franchises or open company owned hotels at any location under any brand name other than the location specified in your franchise agreement. We may open company-owned hotels under any brand and offer hotel franchises for upscale, mid-priced and budget hotels under any of the Choice Marks.

If you wish to relocate or establish additional facilities, you must follow our usual application procedures and sign additional franchise agreements. Customarily, we do not grant to franchisees options, rights of first refusal or similar rights to acquire additional franchises.

We may take reservations for rooms through any method of distribution, including sales through such channels of distribution as the internet, catalog sales, telemarketing, or other direct marketing sales ("Alternative Distribution Channels"). You will receive no compensation for our sales through Alternative Distribution Channels, unless we make a reservation on your behalf.

You may solicit or accept reservations from customers at any location (including outside your territory, if applicable). You may use Alternative Distribution Channels to make sales if you comply with all of our standards, including any approval process that we may require (see Item 11). We, our affiliates and franchisees can use Alternative Distribution Channels to make sales anywhere (including within your territory, if applicable) of products or services under trademarks different from the trademarks that you are permitted to use under your franchise agreement. See Item 1 for additional information on other Choice brands.

We have implemented a Fair Franchising Policy (attached as Exhibit L) that sets general guidelines on how Choice will maintain the overall Choice franchise system of brands, including principles for informal resolution of disputes between Choice and our franchisees. In addition, we have adopted an Incremental Impact Policy (attached as Exhibit M) that establishes a procedure that our franchisees can use under certain circumstances, to object to an application for a new same brand hotel franchise within a designated area of protection. The Incremental Impact Policy is only offered to certain Choice brands. Both the Incremental Impact Policy and the Fair Franchising Policy are internal policies, not contractual obligations and can be changed or revoked by Choice in our sole discretion at any time on reasonable notice.

As noted in Item 1, we currently grant franchises for hotels operated under the following brands or extensions of these brands: ASCEND, CAMBRIA, CLARION, CLARION POINTE, COMFORT INN, COMFORT SUITES, ECONO LODGE, EVERHOME SUITES, MAINSTAY SUITES, QUALITY, RODEWAY, SLEEP INN, SUBURBAN and WOODSPRING SUITES. We have the right to operate and

franchise these hotels at any location in accordance with the terms of your franchise agreement and you may compete with any of our brands in the operation of your hotel. We also have the right to operate or franchise a hotel or other business under a different trademark. We do not maintain physically separate offices or training facilities for the other Choice brands that may compete with your hotel.

ITEM 13

TRADEMARKS

You will receive in the franchise agreement a limited license and obligation to use one or more of the trademarks and trade names identified below together with the related logo(s), including designs, stylized letters and colors that we permit you to use at your hotel and in advertising for your hotel, and any other additional or substituted trademarks, trade names, service marks or logos that we later adopt and authorize you in writing to use.

We own and license to you some of the following service marks and trademarks registered on the Principal Register with the U.S. Patent and Trademark Office that correspond to the brand you may be granted to use in your franchise agreement:

MARK	REGISTRATION NUMBER	REGISTRATION DATE
RODEWAY INN	1669813	24-Dec-1991
RODEWAY INN & Design	1414585	21-Oct-1986
RODEWAY INN & Design (color)	1414584	21-Oct-1986
RODEWAY INN & SUITES	3020736	29-Nov-2005
RODEWAY INN & SUITES & Design	2463494	26-Jun-2001

We have filed all required affidavits and renewals in connection with these trademarks.

You must follow the policies and rules we establish from time to time governing your use of the trademarks that your franchise agreement permits you to use. “Choice Marks” means collectively all of our trademarks or trade names, the trademarks and trade names ASCEND®, CAMBRIA®, CLARION®, CLARION POINTE®, COMFORT®, ECONO LODGE®, MAINSTAY®, QUALITY®, RODEWAY INN®, SLEEP®, SUBURBAN®, WOODSPRING®, EVERHOME®, and our slogans (such as “Our Business is You®”), the names/trademarks of any Choice products, the names of our property management system, reservation system, guest loyalty program and any other additional or substituted trademarks, trade names, service marks or logos. You cannot use any Choice Marks or anything similar to these words in your name or the name of any of your affiliates, whether a partnership, corporation, limited liability company, joint venture or any other type of business organization. You may not establish a website on the internet using the Choice Marks, or anything similar to the aforementioned words that does not comply with our Domain Name Policy, Internet Distribution Policy or our Property Website Guidelines (or such similar policies or regulations adopted by us from time to time). We retain the right to pre-approve your use of linking and framing between your internet web pages (or other network) and all other websites. All

websites that are accessed from a domain name that uses a Choice Mark must conform to the Choice Hotels Property Website Guidelines and Internet Distribution Policy and cannot contain, or link to other web pages that contain, logos or information relating to non-Choice branded hotels. We have the right to determine the content and use of online or electronic media associated with any of the Choice Marks. You may not participate in any website or other electronic media (including social media) that markets goods and services under the Choice Marks unless it is first approved in writing by us.

If you are required by law to register any of the Choice Marks, your trademark application must specify that you use the Choice Marks: (1) only at your hotel and in advertising for your hotel; (2) only during the term of your franchise agreement; and (3) without claiming any property right in the Choice Marks during or after the term of your franchise agreement.

There are no effective material determinations by the United States Patent and Trademark Office, Trademark Trial and Appeal Board, the trademark administrator of any state or any court; pending infringement, opposition or cancellation proceedings; or pending material litigation involving the Choice Marks that your franchise agreement permits you to use.

We have no agreements currently in effect that significantly limit our rights to use or license our use of the Choice Marks. We do not know of any superior prior rights or material infringing uses of the Choice Marks that could materially and adversely affect your permitted use of the Choice Marks in any state.

You will not interfere with our use or registration of any of the Choice Marks, or with use of the Choice Marks by other hotels. You have no right to sublicense anyone else to use any Choice Marks and you have no right to use them for any purpose other than as permitted in connection with your hotel.

You must promptly notify us of any suit filed or demand made against you challenging the validity of any of the Choice Marks ("Mark Claim"). Using our attorneys, we agree to protect and defend you against a Mark Claim, and to defend and indemnify you against your loss, cost or expense related to the Mark Claim, except where the Mark Claim arose because you used the Choice Marks in violation of your franchise agreement. You may not settle or compromise a Mark Claim without our prior written consent, and you agree to cooperate with us in defending against any Mark Claim.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Patents and Copyrights

We have no patents or copyright registrations or pending patent or copyright applications that are material to the franchise. However, we claim copyrights on certain forms, advertisements, promotional materials, our proprietary software, our rules and regulations and other written materials. We also claim copyrights and other proprietary rights in the Rules and Regulations and the Choice Marks. There are no agreements currently in effect that significantly limit your right to use any of our copyrights. Also, there are no currently effective determinations of the U.S. Patent and Trademark Office, the U.S. Copyright Office (Library of Congress), or any court pertaining to or affecting any of our copyrights discussed above. As of the date of this disclosure document, we are unaware of any infringing uses of, or superior rights to, any of our copyrights that materially and adversely affect your use of them in any state.

Your and our obligations to protect your rights to use our copyrights are the same as the obligations for Trademarks described in Item 13 of this disclosure document.

Proprietary Information

Except as provided in your franchise agreement, the Rules and Regulations, or as otherwise authorized by us, you may never – during the term of your franchise agreement or after your franchise agreement expires or is terminated – reveal any of our proprietary information to another person or use it for any other purpose or business. You may not copy any of our proprietary information or give it to a third party except as we authorize in writing prior to any such transfer.

Our proprietary information includes any manuals, feedback, automated advance reservation and property management methods, our ecommerce offerings, any other automated systems techniques, our business referral, gift card and credit card agreements, your franchise agreement, the Rules and Regulations, and those identifying brand characteristics of the Choice franchise system as we may reasonably designate. In addition, you are required to restrict your General Managers, Office Managers, Directors of Sales, and any third party property management company from revealing any of our proprietary information to another person or using it for any other person or business. This includes requiring your General Manager, Office Managers, Director of Sales, and any third party property management company to maintain Choice's trade secrets and proprietary information in confidence and to protect against such information being copied or given to a third party except as we authorize.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

We do not require you to personally participate in the direct operation of the franchised hotel nor do we make any recommendation regarding your personal participation in the direct operation of the franchise business. However, you must have a certified General Manager at your hotel. We provide Choice Hotels Certified General Manager training under the Hospitality Operations Success Training ("HOST") and each new or replacement General Manager must be certified. A General Manager is not required to hold any ownership interest in the hotel in order to operate the franchise business.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

Goods or services that you offer at your hotel must be consistent with high moral and ethical principles. You must offer accommodations and accompanying goods and services that comply with our Rules and Regulations and applicable local, state, and federal law. We may periodically modify the Rules and Regulations to require you to provide additional services or amenities to your guests. See Item 8 for additional information.

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Franchisees or former franchisees, listed in this disclosure document, may be one source of this information.

Some franchised RODEWAY INN hotels have earned the results indicated above. Your individual results may differ. There is no assurance that you’ll earn as much.

The data presented in the above Tables are based on information that individual franchise owners provided to us and verified as accurate. We have not audited or otherwise verified the accuracy of the information that the franchisees provided to us. Written substantiation of the financial information that forms the bases for our financial performance representations will be made available to you within a reasonable period of time following receipt of your written request.

Except as stated in this Item 19, we do not furnish to you or authorize our salespersons to furnish to you any oral or written information or representation on the actual or potential sales, income or profits of any RODEWAY INN hotel franchises. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. The number of franchises as of year-end may differ from that in the 2021 audited financial statements as the financial statements also include franchises in Puerto Rico, Dominican Republic, Turks & Caicos, the Cayman Islands and the Bahamas.

The data provided for each table above are as of December 31st of each year presented.

Attached as Exhibit O is a list of the names, addresses and telephone numbers of all RODEWAY INN franchisees in the United States as of December 31, 2021.

Attached as Exhibit P is the name, last known address and telephone number of each RODEWAY INN franchisee in the United States who had a franchised hotel terminated, canceled or not renewed or who otherwise voluntarily or involuntarily ceased to do business under a franchise agreement during the period January 1, 2021 to December 31, 2021 or have not communicated with Choice within 10 weeks before the issuance date of this disclosure document. If you buy this franchise, your contact information may be disclosed to other buyers when you leave the franchise system.

During the last three fiscal years, we have signed confidentiality clauses with current and former franchisees. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with Choice. You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you.

Exhibit N lists, to the extent known, the names, addresses, telephone numbers, e-mail addresses and Web addresses of each trademark-specific franchisee organization associated with the franchise system being offered which we have created, sponsored or endorsed.

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT FOR CALIFORNIA

Notwithstanding anything to the contrary set forth in the Franchise Disclosure Document, the following provisions will supersede and apply to all franchises offered and sold in the State of California:

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION AT WWW.DFPI.CA.GOV.

CALIFORNIA CORPORATIONS CODE, SECTION 31125 REQUIRES CHOICE HOTELS INTERNATIONAL, INC. TO GIVE YOU A DISCLOSURE DOCUMENT, APPROVED BY THE DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION PRIOR TO A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

Each owner of the franchise is required to execute a personal guaranty. Doing so could jeopardize the marital assets of non-owner spouses domiciled in community property states such as California.

Registration of this franchise does not constitute approval, recommendation, or endorsement by the Commissioner.

ITEM 3 LITIGATION

1. We, nor any person identified in Item 2, is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78 a et seq., suspending or expelling these persons from membership in such association or exchange.

ITEM 6 OTHER FEES

1. The maximum interest rate in California is 10% annually.

ITEM 10 FINANCING

1. We will comply with all appropriate laws governing any direct financing offered by us to you including, if applicable, the California Finance Lenders Law.
2. Item 10 of the FDD is amended to provide that Balboa Capital Corporation, Ascentium Capital LLC, and Avana Capital all operate in California under a California Finance Lender license. PMC Commercial Trust holds a license issued directly by the Small Business Administration ("SBA") that allows it to make SBA 7a loans in every state, including the State of California.

ITEM 17 RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

1. California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination, transfer or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

2. The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et seq.).
3. The Franchise Agreement contains a provision requiring application of the laws of Maryland. This provision may not be enforceable under California law.
4. The Franchise Agreement requires venue to be limited to Maryland. This provision may not be enforceable under California law.
5. The Franchise Agreement requires you to execute a general release of claims upon renewal or transfer of the Franchise Agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000-31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000-20043).
6. The Franchise Agreement contains a liquidated damages clause. Under Civil Code Section 1671 certain liquidated damages clauses are unenforceable.
7. The Franchise Agreement requires binding arbitration. The arbitration will occur at our headquarters in Rockville, Maryland with the costs being borne by the non-prevailing party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and Federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provision of a franchise agreement restricting venue to a forum outside the State of California.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO
THE HAWAII FRANCHISE INVESTMENT LAW**

These franchises have been filed under the Franchise Investment law of the State of Hawaii. Filing does not constitute approval, recommendation or endorsement by the director of the Department of Commerce and Consumer Affairs or a finding by the director of the Department of Commerce and Consumer Affairs that the information provided herein is true, complete, and not misleading.

The Franchise Investment Law makes it unlawful to offer or sell any franchise in this state without first providing to the prospective franchisee or subfranchisor, at least seven (7) days prior to the execution by the prospective franchisee, of any binding franchise or other agreement, or at least seven (7) days prior to the payment of any consideration by the franchisee or subfranchisor, whichever occurs first, a copy of all proposed agreements relating to the sale of the franchise.

This Franchise Disclosure Document contains a summary only of certain material provisions of the Franchise Agreement. The contract or agreement should be referred to for a statement of all rights, conditions, restrictions and obligations of both the franchisor and the franchisee.

**ILLINIOS ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO
THE ILLINOIS FRANCHISE DISCLOSURE ACT**

1. Items 17(v) and 17(w) of the “Franchise Agreement” chart are supplemented by the following:

The conditions under which the Franchise Agreement can be terminated and not renewed may be affected by the Illinois Franchise Disclosure Act (“Act”).

The Act will govern any franchise agreement if it applies to a franchise located or domiciled in Illinois.

The parties waive all question of personal jurisdiction or venue. However, any condition in the Franchise Agreement that designates jurisdiction or venue in a forum outside of Illinois is void as to any cause of action that otherwise is enforceable in Illinois, provided that the Franchise Agreement may provide for arbitration in a forum outside of Illinois.

ADDENDUM TO THE DISCLOSURE DOCUMENT FOR MARYLAND

The following provisions will apply to all franchises offered and sold in the State of Maryland. Item numbers correspond to those in the main body of the disclosure document.

ITEM 17

1. Any claims arising under the Maryland Franchise Registration and Disclosure law must be brought within 3 years after we grant you a franchise.
2. Our termination of the Franchise Agreement because of your bankruptcy may not be enforceable under applicable federal law (11 U.S.C.A. 101 et seq.).
3. The release language set forth in the Franchise Agreement will not apply to any liability under the Maryland Franchise Registration and Disclosure Law (COMAR 02.02.08.16L).

ADDENDUM TO THE DISCLOSURE DOCUMENT FOR MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel, which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards;

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor;

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations; and

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THE NOTICE OF INTENT IS ON FILE WITH THE ATTORNEY GENERAL IN MICHIGAN DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL OF THE FRANCHISE OFFERING.

Any questions regarding the notice should be directed to the Department of Attorney General, Consumer Protection Division, 525 W. Ottawa Street, 670 Law Building, Lansing, MI 48913 (517) 373-7117 (www.ag.state.mi.us/cp).

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO
THE MINNESOTA FRANCHISE INVESTMENT LAW**

If and to the extent the Minnesota Franchise Investment Law applies to the Franchise Agreement, the following provisions supersede the Franchise Disclosure Document and apply to all franchises offered and sold in Minnesota.

1. Minnesota law provides franchisees with certain termination and non-renewal rights. Minnesota Statutes, Section 80C.14, Subdivisions 3, 4 and 5 require, except in certain specified cases, that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Franchise Agreement.
2. According to Minnesota Statute Section 2860.4400 (D), no release language stated in the Franchise Agreement will relieve us or any other person, directly or indirectly, from liability imposed by the laws on franchising in Minnesota, provided, that this part will not bar the voluntary settlement of disputes.
3. Any provision in a franchise agreement that requires the franchisee to consent to liquidated damages and/or termination penalties is deleted from any franchise agreement issued in Minnesota.
4. The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logos, slogans and other commercial symbols, or indemnify the franchisee from any loss, costs, or expenses arising out of the use of any trade or service mark in compliance with the Franchise Agreement.
5. The following language will appear at the end of Paragraph 20(f) of any Franchise Agreement issued in the State of Minnesota: Pursuant to Minnesota Statutes, Section 80C.21, this Section does not abrogate or reduce any rights of the franchisee as provided for in the Minnesota Statutes 1987, Chapter 80C.

D. No such party is subject to a currently effective injunctive or restrictive order or decree relating to the franchise, or under a Federal, State, or Canadian franchise, securities, antitrust, trade regulation or trade practice law, resulting from a concluded or pending action or proceeding brought by a public agency; or is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities and Exchange Act of 1934, suspending or expelling such person from membership in such association or exchange; or is subject to a currently effective injunctive or restrictive order relating to any other business activity as a result of an action brought by a public agency or department, including, without limitation, actions affecting a license as a real estate broker or sales agent.

8. The following is added to the end of the “Summary” sections of Item 17(v), **“Choice of forum”**, and Item 17(w), **“Choice of law”**:

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT FOR RHODE ISLAND

Notwithstanding anything to the contrary set forth in the Franchise Disclosure Document, the following provisions will supersede and apply to all franchises offered and sold in the State of Rhode Island.

ITEM 17 RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

§19-28.1.-14 of the Rhode Island Franchise Investment Act provides that "A provision in a franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act."

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT FOR VIRGINIA

Notwithstanding anything to the contrary set forth in the Franchise Disclosure Document, the following provisions will supersede and apply to all franchises offered and sold in the State of Virginia.

ITEM 17 RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

Pursuant to Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any ground for default or termination stated in the franchise agreement does not constitute “reasonable cause,” as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

**ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT PURSUANT TO THE
WASHINGTON FRANCHISE INVESTMENT LAW**

Item 17, “Renewal, Termination, Transfer, and Dispute Resolution,” is amended by adding the following at the end of the Item:

1. The state of Washington has a statute, the Washington Franchise Investment Protection Act, RCW § 19.100.010 to § 19.100.940 (the “Act”), which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination, renewal, and transfer of your franchise. There may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.
2. In any arbitration involving a franchise purchased in Washington, Washington law requires that the arbitration site be either in Washington or in a place as mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.
3. A release or waiver of rights executed by a franchisee shall not include rights under the Act; except when a release or waiver is executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. If there are provisions in the franchise agreement that unreasonably restrict or limit a franchise’s rights or remedies under the Act, such provisions may not be enforceable.
4. In the event of a conflict of laws, the provisions of the Act will prevail.
5. Subject to applicable state law, transfer or assumption fees are collectable to the extent that they reflect our reasonable estimated or actual costs in effecting a transfer.
6. Non-compliance penalties are collectable to the extent that they are reasonable and consistent with RCW §§ 19.100.180(1), 2(h).
7. Pursuant to applicable law, liquidated damages will only be collected to the extent that they bear a reasonable relation to actual damages.

2. The following will apply to Franchise Agreements in the State of Wisconsin:
 - a. The Wisconsin Fair Dealership Act, Wisconsin Statutes, Chapter 135 will apply to and govern the provisions of Franchise Agreements issued in the State of Wisconsin.
 - b. If the reason for termination, cancellation, or substantial change in competitive circumstances is nonpayment of sums due under the franchise, you will have 10 days to cure the deficiency.

Report of Independent Registered Public Accounting Firm

To the Shareholders and the Board of Directors of Choice Hotels International, Inc.

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of Choice Hotels International, Inc. and subsidiaries (the Company) as of December 31, 2021 and 2020, the related consolidated statements of income, comprehensive income, shareholders' equity (deficit) and cash flows for each of the three years in the period ended December 31, 2021, and the related notes and financial statement schedule listed in the Index at Item 15(a)(2) (collectively referred to as the "consolidated financial statements"). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2021 and 2020, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2021, in conformity with U.S. generally accepted accounting principles.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (PCAOB), the Company's internal control over financial reporting as of December 31, 2021, based on criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (2013 framework) and our report dated February 24, 2022 expressed an unqualified opinion thereon.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matter

The critical audit matter communicated below is a matter arising from the current period audit of the financial statements that was communicated or required to be communicated to the audit committee and that: (1) relates to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective or complex judgments. The communication of the critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing a separate opinion on the critical audit matter or on the accounts or disclosures to which it relates.

<i>Description of the Matter</i>	Accounting for Choice Privileges Loyalty Program The Company recognized \$66.2 million in revenues from loyalty points redeemed, net of the cost of redemptions, and had a point liability and deferred revenue of \$128.6 million and \$82.7 million, respectively, as of December 31, 2021 associated with the Choice Privileges Loyalty Program (“Loyalty Program”). As discussed in Note 1 to the consolidated financial statements, loyalty points earned represent a performance obligation attributable to usage of the points, and thus revenues are recognized at the point in time when the loyalty points are redeemed by members for benefits. The liability for the Loyalty Program is developed based on an estimate of the eventual redemption rates, including the on-going impacts anticipated from the COVID-19 pandemic on future redemption behavior, and point values using various actuarial methods. The amount of the Loyalty Program fees in excess of the point liability represents deferred revenue, which is recognized to revenue as points are redeemed including an estimate of future forfeitures. Auditing the Loyalty Program results is complex due to: (1) the complexity of the models used to account for the Loyalty Program results; and (2) the complexity of estimating the future redemption rate and Loyalty Program point values. Such estimates are highly judgmental given the significant estimation uncertainty associated with expected redemption activity.
<i>How We Addressed the Matter in Our Audit</i>	We obtained an understanding, evaluated the design and tested the operating effectiveness of controls over the Company’s process of accounting for the Loyalty Program during the year. For example, we tested controls over management’s review of the assumptions and data inputs used in the accounting model and the actuarial methods used to estimate the ultimate redemption rate of Loyalty Program points. To test the recognition of revenues and liabilities associated with the Loyalty Program, we performed audit procedures that included, among others, testing the completeness and accuracy of the data and significant assumptions used in the model and assessing the accounting model developed by the Company to recognize the related revenue and the liabilities. For example, we tested significant inputs into the accounting model, including the Loyalty Program point value and the recognition of points earned and redeemed during the period. With the assistance of our actuarial specialists, we evaluated management’s methodologies as well as the actuarial assumptions used in estimating the Loyalty Program expected redemption rate.

CHOICE HOTELS INTERNATIONAL, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying consolidated financial statements of Choice Hotels International, Inc. and its subsidiaries (together the "Company") have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP") pursuant to the rules and regulations of the Securities and Exchange Commission ("SEC"). All significant intercompany accounts and transactions have been eliminated in consolidation.

The preparation of consolidated financial statements in conformity with GAAP requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. In the opinion of management, the accompanying consolidated financial statements include all adjustments that are necessary to fairly present the Company's consolidated financial statements.

Certain prior year amounts in our consolidated financial statements have been reclassified in order to maintain comparability with current year presentation. Foreign currency transaction gains and losses that were previously presented in SG&A expenses are now presented within other gains in the consolidated statements of income. The reclassification had no effect on the Company's previously reported net income.

Revenue Recognition

Revenues are primarily derived from franchise agreements with third-party hotel owners. The majority of the Company's performance obligations are a series of distinct services, as described in more detail below, for which the Company receives variable consideration through franchise fees. The Company enters into franchise agreements to provide franchisees with a limited non-exclusive license to utilize the Company's registered brand trade names and trademarks, marketing and reservation services, and other miscellaneous franchise services. These agreements typically have an initial term from 10 to 30 years, with provisions permitting franchisees or the Company to terminate the franchise agreement upon designated anniversaries of the hotel opening before the end of the initial term. An up-front initial or relicensing fee is assessed to third-party hotel owners to affiliate with our brands, which is typically paid prior to agreement execution and is non-refundable. After hotel opening, fees are typically generated based on a percentage of gross room revenues or as designated transactions and events occur (such as when a reservation is delivered to the hotel through a specified channel) and are due to the Company in the following month.

The franchise agreements are comprised of multiple performance obligations, which may require significant judgment in identifying. The primary performance obligations are as follows:

- *License of brand intellectual property and related services* ("brand intellectual property"): Grants the right to access the Company's intellectual property associated with brand trade names, trademarks, reservation systems, property management systems and related services.
- *Material rights for free or discounted goods or services to hotel guests*: Primarily consists of the points issued under the Company's guest loyalty program, Choice Privileges.

Brand intellectual property

Fees generated from brand intellectual property are recognized to revenue over time as hotel owners pay for access to these services for the duration of the franchise agreement. Franchise fees are typically based on the sales or usage of the underlying hotel (i.e., after the completion of a hotel stay), with the exception of fixed up-front fees that usually represent an insignificant portion of the transaction price. Variable transaction price is determined for the period when the underlying gross room revenues and transactions or events which generate fees are known.

Franchise fees include the following:

- *Royalty fees*. Royalty fees are earned in exchange for a license to brand intellectual property typically based on a percentage of gross room revenues. These fees are billed and collected monthly and revenues are recognized in the same period that the underlying gross room revenues are earned by the Company's franchisees.
- *Initial franchise and relicensing fees*. Initial and relicensing fees are charged when (i) new hotels enter the franchise system; (ii) there is a change of ownership; or (iii) existing franchise agreements are extended. These fees are recognized as revenue ratably as services are provided over the enforceable period of the

franchise agreement. The enforceable period is the period from hotel opening to the first point the franchisee or the Company can terminate the franchise agreement without incurring a significant penalty. Deferred revenues from initial and relicensing fees will typically be recognized over a five to ten-year period, unless the franchise agreement is terminated and the hotel exits the franchise system whereby remaining deferred amounts will be recognized to revenue in the period of termination.

- *Other revenue.* Other revenue is a combination of miscellaneous non-marketing and reservation system fees, inclusive of quality assurance, non-compliance and franchisee training fees, and is recognized in the period the designated transaction or event has occurred.

The Company's franchise agreements require the payment of marketing and reservation system fees. The Company is obligated to use these marketing and reservation system fees to provide marketing and reservation services such as advertising, providing a centralized reservation and property management system, providing reservation and revenue management services, and performing certain franchise services to support the operation of the overall franchise system. These services are comprised of multiple fees including the following:

- Fees based on a percentage of gross room revenues are recognized in the period the gross room revenue was earned, based on the underlying hotel's sales or usage.
- Fees based on the occurrence of a designated transaction or event are recognized in the period the transaction or event occurred.
- System implementation fees charged to franchisees are deferred and recognized as revenue over the enforceable period of the franchise agreement.
- Marketing and reservation system activities also include revenues generated from the Company's guest loyalty program. The revenue recognition of this program is discussed in *Material rights for free or discounted goods or services to hotel guests* below.

Marketing and reservation system expenses are those expenses incurred to facilitate the delivery of marketing and reservation system services, including direct expenses and an allocation of costs for certain administrative activities required to carry out marketing and reservation services. Marketing and reservation system expenses are recognized as services are incurred or goods are received, and as such may not equal marketing and reservation system revenues in a specific period but are expected to equal revenues earned from franchisees over time. The Company's franchise agreements provide the Company the right to advance monies to the franchise system when the needs of the system surpass the balances currently available and recover such advances in future periods through additional fee assessments or reduced spending.

Material rights for free or discounted goods or services to hotel guests

Choice Privileges is the Company's frequent guest loyalty program, which enables members to earn points based on their spending levels with the Company's franchisees. The points, which the Company accumulates and tracks on the members' behalf, may be redeemed for free accommodations or other benefits (e.g., gift cards to participating retailers). The Company collects from franchisees a percentage of loyalty program members' gross room revenue from completed stays to operate the program. At such time points are redeemed for free accommodations or other benefits, the Company reimburses franchisees or third parties based on a rate derived in accordance with the franchise or vendor agreement.

Loyalty points represent a performance obligation attributable to usage of the points, and thus revenues are recognized at the point in time when the loyalty points are redeemed by members for benefits. The transaction price is variable and determined in the period when the loyalty points are earned and the underlying gross room revenues are known. No loyalty program revenues are recognized at the time the loyalty points are issued.

The Company is an agent in coordinating delivery of the services between the loyalty program member and franchisee or third party, and as a result, revenues are recognized net of the cost of redemptions. The estimated value of future redemptions is reflected in current and non-current *Liability for guest loyalty program* in our consolidated balance sheets. The liability for guest loyalty program is developed based on an estimate of the eventual redemption rates, including the on-going impacts anticipated from the COVID-19 pandemic on future redemption behavior, and point values using various actuarial methods. These significant judgments determine the required point liability attributable to outstanding points, which is relieved as redemption costs are processed. The amount of the loyalty program fees in excess of the point liability represents current and non-current *Deferred revenue*, which is recognized to revenue as points are redeemed including an estimate of future forfeitures ("breakage"). The anticipated redemption pattern of the points is the basis for current and non-current designation of each liability. As of December 31, 2021, the current and non-current deferred revenue balances are \$55.8 million and \$26.9 million, respectively. Loyalty points are typically

redeemed within three years of issuance. Loyalty program point redemption revenues are recognized within marketing and reservation system revenue in the consolidated statements of income.

The Company also earns revenues on contracts incidental to the support of operations for franchised hotels, including purchasing operations.

Partnership Agreements

The Company maintains various agreements with third-party partners, including the co-branding of the Choice Privileges credit card. The agreements typically provide for use of the Company's marks, limited access to the Company's distribution channels, and sale of Choice Privileges points, in exchange for fees primarily comprising variable consideration paid each month. Choice Privileges members can earn points through participation in the partner's program.

Partnership agreements include multiple performance obligations. The primary performance obligations are brand intellectual property and material rights for free or discounted goods or services to hotel guests. Allocation of fixed and variable consideration to the performance obligations is based on standalone selling price as estimated based on market and income methods, which represent significant judgments. The amounts allocated to brand intellectual property are recognized on a gross basis over time using the output measure of time elapsed, primarily within procurement services revenue. The amounts allocated to material rights for free or discounted goods or services to hotel guests are recognized to revenue as points are redeemed including an estimate of breakage, primarily within marketing and reservation system revenue.

Qualified Vendors

The Company generates procurement services revenues from qualified vendors. Qualified vendor revenues are generally based on marketing services provided by the Company on behalf of and access provided to the qualified vendors to hotel owners and guests. The Company provides these services in exchange for either fixed consideration or a percentage of revenues earned by the qualified vendor pertaining to purchases by the Company's franchisees or guests. Fixed consideration is paid in installments based on a contractual schedule, with an initial payment typically due at contract execution. Variable consideration is typically paid quarterly after sales to franchisees or guests have occurred.

Qualified vendor agreements comprise a single performance obligation, which is satisfied over time based on the access afforded and services provided to the qualified vendor for the stated duration of the agreement. Fixed consideration is allocated and recognized ratably to each period over the term of the agreement. Variable consideration is determined and recognized in the period when sales to franchisees or guests from vendors are known or cash payment has been remitted. Qualified vendor revenues are recognized within procurement services revenue.

Other

The Company is party to other non-franchising agreements that generate revenue within Other revenue in the consolidated statements of income which are primarily SaaS arrangements for non-franchised hoteliers. SaaS agreements typically include fixed consideration for installment and other initiation fees paid at contract onset, and variable consideration for recurring subscription revenue paid monthly. SaaS agreements comprise a single performance obligation, which is satisfied over time based on the access to the software for the stated duration of the agreement. Fixed consideration is allocated and recognized ratably to each period over the term of the agreement. Variable consideration is determined at the conclusion of each period, and allocated to and recognized in the current period.

Owned Hotels

The Company owned six hotels at December 31, 2021 and five hotels at December 31, 2020, from which the Company derives revenues. As a hotel owner, the Company has performance obligations to provide accommodations to hotel guests and in return the Company earns a nightly fee for an agreed upon period that is generally payable at the time the hotel guest checks out of the hotel. The Company typically satisfies the performance obligations over the length of the stay and recognizes the revenue on a daily basis, as the hotel rooms are occupied and services are rendered.

Other ancillary goods and services at owned hotels are purchased independently of the hotel stay at standalone selling prices and are considered separate performance obligations, which are satisfied at the point in time when the related good or service is provided to the guest. These primarily consist of food and beverage, incidentals and parking fees.

Sales Taxes

The Company presents taxes collected from customers and remitted to governmental authorities on a net basis and, therefore, they are excluded from revenues in the consolidated financial statements.

Notes & Accounts Receivable and Allowances for Credit Losses

The Company provides financing in the form of notes receivable loans to franchisees to support the development of properties in strategic markets. The Company has developed a systematic methodology to determine its allowance for credit losses across our portfolio of notes receivable loans. The Company monitors the risk and performance of our portfolio by the level of security in collateral (i.e., senior, subordinated or unsecured), which is the Company's credit quality indicator. As each of the Company's notes receivable loans has unique risk characteristics, the Company deploys its methodology to calculate allowances for credit losses at the individual notes receivable loan level.

The Company primarily utilizes a discounted cash flow ("DCF") technique to measure the credit allowance, influenced by the key economic variables of each note receivable loan. The Company identified the key economic variables for these loans to be loan-to-cost ("LTC") or loan-to-value ("LTV") ratios and debt service coverage ratio ("DSCR"). The LTC or LTV ratio represents the loan principal relative to the project cost or value and is an indication of the ability to be re-paid principal at loan maturity. The DSCR represents property-specific net operating income as a percentage of the interest and principal payments incurred (i.e., debt service) on all debt of the borrower for the property and is an indication of the ability of the borrower to timely pay amounts due during the term of the loan. The LTC or LTV ratios and DSCR are considered during loan underwriting as indications of risk and, accordingly, we believe these factors are the most representative risk indicators for calculating the allowance for credit loss. Loans with higher LTC or LTV ratios and lower DSCR ratios generally are representative of loans with greater risk and, accordingly, have higher credit allowances as a percentage of loan principal. Conversely, loans with lower LTC or LTV ratios and higher DSCR ratios generally are representative of loans with lesser risk and, accordingly, have lower credit allowances as a percentage of loan principal. In preparing or updating a DCF model as the basis for the credit allowance, the Company develops various recovery scenarios and, based on the key economic variables and present status of the loan and underlying collateral, applies a probability-weighting to the outputs of the scenarios.

Collateral-dependent financial assets are financial assets for which repayment is expected to be derived substantially through the operation or sale of the collateral and where the borrower is experiencing financial difficulty. For collateral-dependent loans, expected credit losses are based on the fair value of the collateral, less selling costs if repayment will be from the sale of the collateral. The Company calculates fair value of the collateral using a DCF technique to project cash flows or a market approach via quoted market prices. In developing cash flow projections, the Company will review the borrower's financial statements for the property, economic trends, industry projections for the market where the property is located, and comparable sales capitalization rates.

Management assesses the credit quality of the notes receivable portfolio and adequacy of credit loss allowances on an at least quarterly basis and records provisions for credit losses in SG&A expenses. Significant judgment is required in this analysis.

Accounts receivable consist primarily of franchise and related fees due from hotel franchisees and are recorded at the invoiced amount. The allowance for credit losses is the Company's best estimate of the amount of expected credit losses inherent in the accounts receivable balance. The Company determines the allowance considering historical write-off experience, review of aged receivable balances and customer payment trends, the economic environment, and other available evidence.

The Company records provisions for credit losses on accounts receivable in SG&A expenses and marketing and reservation system expenses in the accompanying consolidated statements of income. When the Company determines that an account is not collectible, the account is written-off to the associated allowance for credit losses.

Refer to Note 4 for further discussion of receivables and allowances for credit losses.

Advertising Costs

The Company expenses advertising costs as the advertising occurs. Advertising expense was \$81.5 million, \$88.5 million, and \$158.4 million for the years ended December 31, 2021, 2020 and 2019, respectively. The Company includes advertising costs primarily in marketing and reservation system expenses in the consolidated statements of income.

Cash and Cash Equivalents

The Company considers all highly liquid investments purchased with a maturity of three months or less at the date of purchase to be cash equivalents.

The Company maintains cash balances in domestic banks, which, at times, may exceed the limits of amounts insured by the Federal Deposit Insurance Corporation. In addition, the Company also maintains cash balances in international banks which do not provide deposit insurance.

Capitalization Policies

Property and equipment are generally recorded at cost and depreciated for financial reporting purposes using the straight-line method over the estimated useful lives of the assets. Leasehold improvements are amortized over the shorter of the lease term or their useful lives. Major renovations and replacements incurred during construction are capitalized. Costs for computer software developed for internal use are capitalized during the application development stage and amortized using the straight-line method over the estimated useful lives of the software. Software licenses pertaining to cloud computing arrangements that are capitalized are amortized using the straight-line method over the shorter of the cloud computing arrangement term or their useful lives. The Company capitalizes interest incurred during construction of property and equipment. Interest capitalized as a cost of property and equipment totaled \$0.7 million and \$0.1 million during the years ended December 31, 2021 and 2020, respectively.

As construction in progress and software development are completed and placed in service, they are transferred to appropriate property and equipment categories and depreciation begins. Upon sale or retirement of property, the cost and related accumulated depreciation are eliminated from the accounts and any related gain or loss is recognized in the consolidated statements of income. Maintenance, repairs and minor replacements are charged to expense as incurred.

The Company has made certain acquisitions of hotel assets which are recorded at the fair value of consideration exchanged. Refer to Note 24.

A summary of the ranges of estimated useful lives from original place in service date for depreciation and amortization purposes are as follows:

Computer equipment and software	2 - 7 years
Buildings and leasehold improvements	10 - 40 years
Furniture, fixtures, vehicles and equipment	3 - 10 years

Assets Held for Sale

The Company considers assets to be held for sale when all of the following criteria are met:

- Management commits to a plan to sell an asset;
- It is unlikely that the disposal plan will be significantly modified or discontinued;
- The asset is available for immediate sale in its present condition;
- Actions required to complete the sale of the asset have been initiated;
- Sale of the asset is probable and the Company expects the completed sale will occur within one year; and
- The asset is actively being marketed for sale at a price that is reasonable given its current market value.

Upon designation as an asset held for sale, the Company records the carrying value of each asset as a component of other current assets at the lower of its carrying value or its estimated fair value, less estimated costs to sell, and ceases recording depreciation. Refer to Note 3.

If at any time these criteria are no longer met, subject to certain exceptions, the assets previously classified as held for sale are reclassified as held and used and measured individually at the lower of (a) the carrying amount before the asset was classified as held for sale, adjusted for any depreciation or amortization expense that would have been recognized had the asset been continuously classified as held and used, or (b) the fair value at the date of the subsequent decision not to sell.

Valuation of Long-Lived Assets, Intangibles, and Goodwill

The Company groups its long-lived assets, including property and equipment and definite-lived intangible assets (e.g., franchise rights, franchise agreement acquisition costs), at the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets and liabilities. The Company evaluates the potential impairment of its long-lived asset groups annually as of December 31 or earlier when other circumstances indicate that the Company may not be able to recover the carrying value of the asset group. When indicators of impairment are present, recoverability is assessed based on undiscounted expected cash flows. If the undiscounted expected cash flows are less than the carrying amount of the asset group, an impairment charge is measured and recorded, as applicable, for the excess of the carrying value over the fair value of the asset group. The fair value of long-lived asset groups are estimated primarily using discounted cash flow analyses representing the highest and best use by an independent market participant. Significant management judgment is involved in evaluating

indicators of impairment and developing any required projections to test for recoverability or estimate fair value. Furthermore, if management uses different projections or if different conditions occur in future periods, future-operating results could be materially impacted.

The Company did not identify any indicators of impairment of long-lived assets from the Hotel Franchising reporting unit during the years ended December 31, 2021, 2020 and 2019, other than impairments on franchise sales commission assets and franchise agreement acquisition cost intangibles recorded within SG&A expenses and marketing and reservation system expenses as discussed in Note 2.

During 2020, the Company recognized impairments of long-lived assets attributable to a commercial office building and a real estate parcel. During 2019, the Company recognized impairments for the full amount of long-lived assets attributable to the SaaS for vacation rentals reporting unit of \$7.3 million. Refer to Note 6.

The Company evaluates the impairment of goodwill and intangible assets with indefinite lives annually as of December 31 or earlier upon the occurrence of substantive unfavorable changes in economic conditions, industry trends, costs, cash flows, or ongoing declines in market capitalization that indicate that the Company may not be able to recover the carrying amount of the asset. In evaluating these assets for impairment, the Company may elect to first assess qualitative factors to determine whether it is more likely than not that the fair value of the reporting unit or the indefinite lived intangible asset is less than its carrying amount. If the conclusion is that it is not more likely than not that the fair value of the asset is less than its carrying value, then no further testing is required. If the conclusion is that it is more likely than not that the fair value of the asset is less than its carrying value, then a quantitative impairment test is performed whereby the carrying value is compared to the fair value of the asset and an impairment charge is recognized, as applicable, for the excess of the carrying value over the fair value. The Company may elect to forgo the qualitative assessment and move directly to the quantitative impairment tests for goodwill and indefinite-lived intangibles. The Company determines the fair value of its reporting units and indefinite-lived intangibles using income and market methods.

Goodwill is allocated to the Company's reporting units. The Company's reporting units are determined primarily by the availability of discrete financial information relied upon by chief operating decision maker ("CODM") to assess performance and make operating segment resource allocation decisions. As of December 31, 2021, the Company's goodwill is allocated solely to the Hotel Franchising reporting unit. The Company performed the qualitative impairment analysis for the Hotel Franchising reporting unit, concluding that it is more likely than not that the fair value of the reporting unit is greater than its carrying amount. As such, a quantitative test was not required and no impairment was recorded.

Historically, goodwill was partially allocated to the SaaS for vacation rentals reporting unit. The Company performed the quantitative test for the SaaS for vacation rentals reporting unit during prior periods, including the first quarter of 2019, determining that the carrying value of the reporting unit exceeded the fair value. As a result, the Company recognized a goodwill impairment of \$3.1 million in the first quarter of 2019. The SaaS for vacation rentals reporting unit was sold during the second quarter of 2019, resulting in the derecognition of net assets of the reporting unit, including the remaining goodwill, and the recognition of a loss on sale of \$4.7 million. Refer to Note 6.

Other than the SaaS for vacation rentals reporting unit, the Company did not record any impairment of goodwill or intangible assets with indefinite lives during the years ended December 31, 2021, 2020 and 2019.

Variable Interest Entities

In accordance with the guidance for the consolidation of variable interest entities ("VIE"), the Company identifies its variable interests and analyzes to determine if the entity in which the Company has a variable interest is a VIE. The Company's variable interests include equity investments, loans, and guaranties. Determination if a variable interest is a VIE includes both quantitative and qualitative consideration. For those entities determined to be VIEs, a further quantitative and qualitative analysis is performed to determine if the Company is deemed the primary beneficiary. The primary beneficiary is the party who has the power to direct the activities of a VIE that most significantly impact the entity's economic performance and who has an obligation to absorb losses of the entity or a right to receive benefits from the entity that could potentially be significant. The Company would consolidate those entities in which it is determined to be the primary beneficiary. As of December 31, 2021, the Company is not the primary beneficiary of any VIE. The Company based its qualitative analysis on its review of the design of the entity, its organizational structure including decision-making ability and the relevant development, operating management and financial agreements.

Investments in unconsolidated affiliates where the Company is not deemed to be the primary beneficiary but where the Company exercises significant influence over the operating and financial policies of the investee are accounted for using the equity method.

Valuation of Investments in Affiliates

The Company evaluates an investment in an affiliate for impairment when circumstances indicate that the carrying value may not be recoverable, for example due to loan defaults, significant under performance relative to historical or projected operating performance, and significant negative industry, market or economic trends. When there is indication that a loss in value has occurred, the Company evaluates the carrying value compared to the estimated fair value of the investment. Fair value is based upon internally-developed discounted cash flow models, third-party appraisals, and if appropriate, current estimated net sales proceeds from pending offers. If the estimated fair value is less than carrying value, management uses its judgment to determine if the decline in value is other-than-temporary. In determining this, the Company considers factors including, but not limited to, the length of time and extent of the decline, loss of values as a percentage of the cost, financial condition and near-term financial projections, the Company's intent and ability to recover the lost value, and current economic conditions. For declines in value that are deemed other-than-temporary, impairments are charged to earnings. During the years ended December 31, 2021 and 2020, the Company recognized impairment charges of \$19.3 million and \$7.3 million, respectively, related to multiple investments in affiliates accounted for under the equity method. The impairment charges are classified as equity in net loss of affiliates in the consolidated statements of income. The Company recognized no impairment charges during the year ended December 31, 2019. Refer to Note 8.

Foreign Operations

The United States dollar is the functional currency of the consolidated entities operating in the United States. The functional currency for the consolidated entities operating outside of the United States is generally the currency of the primary economic environment in which the entity primarily generates and expends cash. The Company translates the financial statements of consolidated entities whose functional currency is not the United States dollar into United States dollars. The Company translates assets and liabilities at the exchange rate in effect as of the financial statement date and translates income statement accounts using the approximate weighted average exchange rate for the period. The Company includes translation adjustments from foreign exchange and the effect of exchange rate changes on intercompany transactions of a long-term investment nature as a separate component of shareholders' equity (deficit). The Company reports foreign currency transaction gains and losses and the effect of inter-company transactions of a short-term or trading nature in SG&A expenses on the consolidated statements of income. Foreign currency transaction (gains) losses for the years ended December 31, 2021, 2020 and 2019 were \$0.4 million, \$(0.4) million, and \$(0.1) million, respectively.

Leases

The Company determines if an arrangement is a lease and classification as operating or financing at lease inception. Operating leases are included in operating lease right-of-use ("ROU") assets, accrued expenses and other current liabilities, and operating lease liabilities on our consolidated balance sheets. At December 31, 2021 and 2020, the Company did not have any leases classified as financing.

Operating lease ROU assets and operating lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term at commencement date. Operating lease ROU assets are further offset by any prepaid rent, lease incentives and initial direct costs incurred. When a lease agreement does not provide an implicit rate, the Company utilizes its incremental borrowing rate based on the information available at commencement date in determining the present value of future minimum lease payments.

Lease expense for minimum lease payments is recognized on a straight-line basis over the lease term. Variable lease payments include certain index-based changes in rent, certain non-lease components (such as maintenance and other services provided by the lessor), and other charges included in the lease. Variable lease payments are excluded from future minimum lease payments and expensed as incurred.

The Company has made elections to not separate lease and non-lease components for all classes of underlying assets in which it is the lessee nor account for leases with an initial term of 12 months or less on the balance sheet. These short-term leases are expensed on a straight-line basis over the lease term.

The Company adopted Accounting Standards Update ("ASU") 2016-02, *Leases* ("Topic 842") on January 1, 2019, using the optional transitional method to apply Topic 842 at the effective date rather than at the beginning of the earliest comparative period. Topic 842 did not have an impact on the Company's consolidated statements of income. Refer to Note 19.

Derivatives

The Company periodically uses derivative instruments as part of its overall strategy to manage exposure to market risks associated with fluctuations in interest rates. All outstanding derivative financial instruments are recognized at their fair values as assets or liabilities. The impact on earnings from recognizing the fair values of these instruments depends on their intended

use, their hedge designation and their effectiveness in offsetting changes in the fair values of the exposures they are hedging. The Company does not use derivatives for trading purposes.

The effective portion of changes in fair value of derivatives designated as cash flow hedging instruments are recorded as a component of accumulated other comprehensive loss and the ineffective portion is reported currently in earnings. The amounts included in accumulated other comprehensive loss are reclassified into earnings in the same period during which the hedged item affects earnings. Amounts reported in earnings are classified consistent with the item being hedged.

The Company formally documents all relationships between its hedging instruments and hedged items at inception, including its risk management objective and strategy for establishing various hedge relationships. Cash flows from hedging instruments are classified in the consolidated statements of cash flows consistent with the items being hedged.

Hedge accounting is discontinued prospectively when (i) the derivative instrument is no longer effective in offsetting changes in fair value or cash flows of the underlying hedged item, (ii) the derivative instrument expires, is sold, terminated or exercised, or (iii) designating the derivative instrument as a hedge is no longer appropriate. The effectiveness of derivative instruments is assessed at inception and on an ongoing basis.

At December 31, 2021 and 2020, there were no outstanding derivative positions.

Recently Adopted & Issued Accounting Standards

In December 2019, the FASB issued ASU 2019-12, *Simplifying the Accounting for Income Taxes* ("ASU 2019-12"). ASU 2019-12 enhances and simplifies various aspects of the income tax accounting guidance in Accounting Standards Codification ("ASC") 740, *Income Taxes*. The Company adopted ASU 2019-12 on January 1, 2021 and the adoption did not have material impacts on our consolidated financial statements and disclosures.

2. Revenue

Contract Liabilities

Contract liabilities relate to (i) advance consideration received, such as initial franchise and relicensing fees paid when a franchise agreement is executed and system implementation fees paid at time of installation, for services considered to be part of the brand intellectual property performance obligation and (ii) amounts received when Choice Privileges points are issued but for which revenue is not yet recognized since the related points have not been redeemed.

Significant changes in the contract liabilities balances during 2021 are as follows:

(in thousands)	
Balance as of December 31, 2020	\$ 156,227
Increases to the contract liability balance due to cash received	102,213
Revenue recognized in the period	(83,015)
Balance as of December 31, 2021	<u>\$ 175,425</u>

Remaining Performance Obligations

The aggregate transaction price allocated to unsatisfied or partially unsatisfied performance obligations is \$175.4 million as of December 31, 2021. This amount represents fixed transaction price that will be recognized as revenue in future periods, which is primarily captured in the balance sheet within current and non-current deferred revenue.

Based on practical expedient elections permitted by ASU 2014-09, *Revenue From Contracts with Customers* (Topic 606) and subsequent amendments ("Topic 606"), the Company does not disclose the value of unsatisfied performance obligations for (i) variable consideration subject to the sales or usage-based royalty constraint or comprising a component of a series (including franchise, partnership, qualified vendor, and SaaS agreements), (ii) variable consideration for which we recognize revenue at the amount to which we have the right to invoice for services performed, or (iii) contracts with an expected original duration of one year or less.

Capitalized Franchise Agreement Costs

Sales commissions earned by Company personnel upon execution of a franchise agreement ("franchise sales commissions") meet the requirement to be capitalized as an incremental cost of obtaining a contract with a customer. Capitalized franchise sales commission are amortized on a straight-line basis over the estimated benefit period of the arrangement, unless the franchise agreement is terminated and the hotel exits the system whereby remaining capitalized amounts will be expensed in the period of termination. The estimated benefit period is the Company's estimate of the duration a hotel will remain in the Choice

system. Capitalized franchise sales commissions are \$55.5 million and \$54.3 million within Other assets as of December 31, 2021 and 2020, respectively. Amortization expense and impairment charges for the years ended December 31, 2021, 2020 and 2019 were \$11.9 million, \$9.7 million and \$10.0 million, respectively, and are recorded within SG&A expenses.

The Company makes certain payments to customers as an incentive to enter into new franchise agreements (“franchise agreement acquisition cost”). These payments are recognized as an adjustment to transaction price and capitalized as an intangible asset. Franchise agreement acquisition cost intangibles are amortized on a straight-line basis over the estimated benefit period of the arrangement as an offset to royalty fees and marketing and reservation system fees. Impairments from adverse franchise agreement activity, including terminations and significant delinquencies in construction or invoice payments, for the years ended December 31, 2021, 2020 and 2019 were \$11.1 million, \$2.0 million and \$1.0 million, respectively, and are recorded within SG&A expenses and marketing and reservation system expenses.

Total revenues			<u>\$ 1,114,820</u>

Marketing and reservation system and Procurement services point in time revenues represent loyalty points redeemed by members for benefits (with both franchisees and third-party partners), net of the cost of redemptions. For the years ended

December 31, 2021, 2020 and 2019, these net revenues, inclusive of adjustments to estimated redemption rates, were \$66.2 million, \$79.1 million, and \$81.2 million, respectively.

Non-Topic 606 revenues represent revenue from leasing and are presented in Owned hotels and Other revenues in the consolidated statements of income.

As presented in Note 20, the Corporate & Other segment amounts represent \$45.7 million, \$28.3 million, and \$30.7 million for the years ended December 31, 2021, 2020 and 2019, respectively, and are included in the Over time column of Other revenues and the Owned hotels and Non-Topic 606 revenues rows. The remaining revenues relate to the Hotel Franchising segment. Royalty fees and Marketing and reservation system revenues are presented net of intersegment revenues of \$2.9 million, \$1.5 million, and \$1.7 million for the years ended December 31, 2021, 2020 and 2019, respectively.

3. Prepaid Expenses and Other Current Assets

Prepaid expenses and other current assets consist of the following:

(in thousands)	December 31,	
	2021	2020
Prepaid expenses	\$ 15,610	\$ 16,164
Other current assets	5,870	3,816
Land held for sale	8,465	—
Total prepaid expenses and other current assets	\$ 29,945	\$ 19,980

Land held for sale represents a parcel of land previously acquired to support the Company's program to stimulate development of certain brands. In October 2021, the Company committed to a plan to market the land for sale and executed a purchase and sale agreement. As a result, the land is deemed to meet held for sale classification during the fourth quarter of 2021, and the Company recognized a \$0.3 million charge, reflected within Impairment of long-lived assets on the consolidated statements of income, for the carrying value in excess of fair value less costs to sell. The agreed upon transaction price in the purchase and sale agreement was determined to approximate fair value under a market valuation approach. The impairment of the land is included in the Corporate & Other segment in Note 20. The land was subsequently sold on January 18, 2022.

4. Receivables and Allowance for Credit Losses

Notes Receivable

The composition of notes receivable balances based on the level of security credit quality indicator and the allowances for credit losses is as follows:

(in thousands)	December 31,	
	2021	2020
Senior	\$ 108,370	\$ 104,716
Subordinated	27,801	33,234
Unsecured	1,512	1,367
Total notes receivable	137,683	139,317
Total allowance for notes receivable credit losses	16,779	19,484
Total notes receivable, net of allowance	\$ 120,904	\$ 119,833
Current portion, net of allowance	\$ 54,453	\$ 24,048
Long-term portion, net of allowance	\$ 66,451	\$ 95,785

Amortized cost basis by year of origination and level of security credit quality indicator are as follows:

(in thousands)	2021	2020	2019	Prior	Total
Senior	\$ 2,166	\$ —	\$ 29,004	\$ 77,200	\$ 108,370
Subordinated	—	—	2,826	24,975	27,801
Unsecured	—	—	—	1,512	1,512
Total notes receivable	\$ 2,166	\$ —	\$ 31,830	\$ 103,687	\$ 137,683

The adoption of Topic 326 required a cumulative-effect adjustment to the consolidated balance sheet as of the beginning of the first reporting period in which the guidance was effective. As of the adoption date of January 1, 2020, the Company established an incremental credit allowance on its notes receivable loans of \$8.3 million.

The following table summarizes the activity related to the Company's notes receivable allowance for credit losses, including the impacts of adopting Topic 326:

(in thousands)	December 31,		
	2021	2020	2019
Beginning balance	\$ 19,484	\$ 4,556	\$ 4,685
Reserves established from adoption of Topic 326	—	8,348	—
Provisions for credit losses	709	7,634	—
Write-offs	(3,414)	(1,054)	(129)
Ending balance	\$ 16,779	\$ 19,484	\$ 4,556

The provisions recorded in the year ended December 31, 2021 primarily result from changes in the classification of certain loans as collateral-dependent and associated revisions to their allowances. The write-offs for the year ended December 31, 2021 are associated with a loan that was settled in exchange for an operating hotel on October 1, 2021; refer to acquisition disclosures in Note 24. Allowances for credit losses attributable to collateral-dependent loans are \$6.3 million and \$7.8 million as of December 31, 2021 and December 31, 2020, respectively.

As of December 31, 2021, two loans with senior and/or subordinated tranches met the definition of collateral-dependent and are collateralized by the membership interests in the borrowing entities and either the associated land parcels or an operating hotel. The Company used a DCF technique to project cash flows or a market approach via quoted market prices to value the underlying collateral. The Company reviewed the borrower's financial statements, economic trends, industry projections for the market, and comparable sales capitalization rates, which represent significant inputs to the cash flow projections. These nonrecurring fair value measurements are classified as level three of the fair value measurement hierarchy, as there are unobservable inputs which are significant to the overall fair value. Based on these analyses, the fair value of collateral secures the carrying value of each loan to a significant extent.

During the first quarter of 2021, a loan with senior and subordinated tranches, that met the definition of collateral-dependent as of December 31, 2020, was restructured and as a result, no longer meets the classification of collateral-dependent as of December 31, 2021.

As a result of the COVID-19 pandemic, the Company extended interest deferral terms on certain notes receivable. The Company considers loans to be past due when payments are not made when due in accordance with then current loan provisions or terms extended to borrowers, including loans with concessions or interest deferral. Although the Company considers loans to be past due if payments are not received on the due date, the Company does not suspend the accrual of interest until those payments are more than 30 days past due. The Company applies payments received for loans on non-accrual status first to interest and then to principal. The Company does not resume interest accrual until all delinquent payments are received based on then current loan provisions. The amortized cost basis of notes receivable on non-accrual status was \$44.1 million and \$28.9 million at December 31, 2021 and 2020, respectively.

The Company has identified loans totaling approximately \$7.5 million and \$13.1 million, respectively, with stated interest rates that are less than market rate, representing a total discount of \$0.3 million and \$0.8 million as of the years ended December 31, 2021 and 2020, respectively. These discounts are reflected as a reduction of the outstanding loan amounts and are amortized over the life of the related loan.

The past due status by credit quality indicator of the notes receivable amortized cost basis are as follows:

The Company evaluated its off-balance-sheet credit exposure for loan commitments and determined the likelihood of having to perform is remote as of December 31, 2021. Refer to Note 23.

Variable Interest through Notes Issued

The Company has issued notes receivables to certain entities that have created variable interests in these borrowers totaling \$120.2 million and \$119.3 million at December 31, 2021 and 2020, respectively. The Company has determined that it is not the primary beneficiary of these VIEs. These loans have stated fixed and/or variable interest amounts. For collateral-dependent loans, the Company has no exposure to the borrowing VIE beyond the note receivable and limited commitments addressed in Note 23.

Accounts Receivable

Accounts receivable consist primarily of franchise and related fees due from hotel franchisees and are recorded at the invoiced amount.

During the year ended December 31, 2020, the Company recorded provisions for credit losses on accounts receivable of \$15.6 million in SG&A expenses and \$26.0 million in marketing and reservation system expenses, in consideration of the economic and credit conditions resulting from the COVID-19 pandemic and estimates of other expected credit losses. During the year ended December 31, 2021, the Company recorded reversals of provisions for credit losses on accounts receivable of \$4.4 million in SG&A expenses and \$7.3 million in marketing and reservation system expenses, after considering improved collection patterns and economic and credit conditions. During the years ended December 31, 2020 and December 31, 2021, the Company recorded write-offs, net of recoveries, through the accounts receivable allowance for credit losses of \$0.6 million and \$13.5 million, respectively.

Amortization of software development costs for the years ended December 31, 2021, 2020 and 2019 totaled \$14.1 million, \$14.6 million, and \$9.7 million, respectively.

Depreciation expense, excluding amounts attributable to marketing and reservation activities, for the years ended December 31, 2021, 2020 and 2019 was \$16.5 million, \$16.9 million and \$9.7 million, respectively.

In the fourth quarter of 2021, the Company acquired a hotel property through a deed in lieu foreclosure at the fair value of \$21.1 million as of the acquisition date of October 1, 2021. In the third quarter of 2019, the Company completed an asset acquisition of four Cambria Hotels with a total net asset basis of \$194.0 million. Refer to Note 24.

During the third quarter of 2020, the Company recognized a non-cash pre-tax long-lived asset group impairment charge for a commercial office building in the amount of \$4.3 million. Refer to Note 6.

6. Goodwill, Impairment of Assets, and Sale of Business and Assets

Goodwill

The following table details the carrying amount of our goodwill:

(in thousands)	December 31,	
	2021	2020
Goodwill	\$ 166,774	\$ 166,774
Accumulated impairment losses	(7,578)	(7,578)
Goodwill, net carrying amount	\$ 159,196	\$ 159,196

Goodwill was historically allocated to two reporting units: (1) Hotel Franchising and (2) SaaS for vacation rentals.

In 2019, the Company recognized non-cash pre-tax impairment charges for the SaaS for vacation rentals long-lived asset group and goodwill. In January 2019, the Company became aware that a key customer of the SaaS for vacation rentals reporting unit provided the unit's management team with a letter purporting to terminate the customer's contract. Recoverability of the \$7.3 million SaaS for vacation rentals long-lived asset group was assessed based on undiscounted expected cash flows of the asset group, which were less than the carrying amount of the asset group. The Company recognized a non-cash pre-tax long-lived asset group impairment charge for the full amount of SaaS for vacation rentals long-lived assets. The carrying value of the SaaS for vacation rentals reporting unit, after adjustment for the long-lived asset impairment, exceeded the fair value of the reporting unit by \$3.1 million, resulting in an additional non-cash pre-tax impairment charge on the SaaS for vacation rentals reporting unit's goodwill in this amount.

The SaaS for vacation rentals reporting unit was subsequently sold in 2019, and as a result of costs incurred in completing the disposition and the derecognition of net assets of the reporting unit, including the remaining goodwill of the SaaS for vacation rentals reporting unit, the Company recorded a loss on sale of \$4.7 million. The results of the SaaS for vacation rentals reporting unit prior to the disposition are included in the Corporate & Other segment in Note 20.

For the years ended December 31, 2021 and 2020, goodwill is entirely attributable to the Hotel Franchising reporting unit. The Company assessed the qualitative factors attributable to the Hotel Franchising reporting unit and determined it is not more likely than not that the fair value of the reporting unit is less than its carrying amount. The Hotel Franchising reporting unit is

included in the Hotel Franchising reportable segment in Note 20. There were no changes in the carrying amount of goodwill during the years ended December 31, 2021 and 2020.

Long-lived asset group impairments

Commercial office building

On December 30, 2014, a court awarded the Company title to a commercial office building as settlement of a portion of an outstanding loan receivable for which the building was pledged as collateral. Prior to initial lease term expiration of the building's single tenant, the tenant provided notice that lease renewal options would not be exercised. Management identified this as a triggering event requiring the interim reevaluation of the commercial office building's long-lived assets. During the third quarter of 2020, recoverability of the long-lived asset group was assessed based on undiscounted expected cash flows of the asset group aligned with management's present long-term strategy for the building, and management concluded the undiscounted expected cash flows were less than the carrying amount of the asset group. An impairment charge was recorded for the excess of the carrying value over the fair value of the asset group. To estimate the fair value of the long-lived asset group, the Company utilized a combination of market and income approach valuation methods. The Company recognized a non-cash pretax long-lived asset group impairment charge in the amount of \$4.3 million during the third quarter of 2020.

In 2021, the Company committed to a plan to sell the commercial office building, meeting held for sale classification in the third quarter of 2021. The building was sold in November 2021 for \$6.1 million, resulting in a gain of \$13 thousand reflected within gain (loss) on sale of business and assets, net on the consolidated statements of income in the fourth quarter of 2021.

The results of the commercial office building are included in the Corporate & Other segment in Note 20.

Real estate parcel

During the third quarter of 2018, the Company purchased the remaining membership interests in a VIE previously accounted for under the equity method of accounting. The VIE held a real estate parcel and the purchase was accounted for as an asset acquisition. The financial results of the 100% owned entity have been consolidated in the Company's financial statements since August 2018. The real estate parcel represents a long-lived asset group with a carrying value prior to recoverability evaluation of \$29.5 million in other assets as of December 31, 2020.

Based on the impact of the COVID-19 pandemic, the Company's assessment of the highest and best use of the real estate parcel changed and, therefore, the recoverability of the long-lived asset group was re-assessed based on undiscounted expected cash flows of the asset group from a sale, which were less than the carrying value of the asset group. An impairment charge was recorded for the excess of the carrying value over the fair value of the asset group. To estimate the fair value of the long-lived asset group, the Company utilized market approach valuation methods. The Company recognized a non-cash pretax long-lived asset group impairment charge in the amount of \$9.2 million during the fourth quarter of 2020.

The results of the real estate parcel are included in the Corporate & Other segment in Note 20.

- (1) Represents the purchase price assigned to long-term franchise contracts. The unamortized balance relates primarily to the acquisition of the WoodSpring franchise rights. The franchise rights are being amortized over lives ranging from 12 to 20 years on a straight-line basis.
- (2) Represents certain payments to customers as an incentive to enter into new franchise agreements generally amortized as an offset to royalty fees and marketing and reservation system fees over lives ranging from 5 to 30 years on a straight-line basis commencing at

hotel opening. Gross and accumulated amortization amounts are written off upon full amortization recognition, including at termination of an associated franchise agreement. Refer to Note 2 for discussion of impairments recognized.

- (3) Represents definite-lived trademarks and other various amortizing assets generally amortized on a straight-line basis over a period of 8 years to 40 years.
- (4) Represents software licenses capitalized under a SaaS agreement generally amortized on a straight-line basis over a period of 3 to 5 years.
- (5) Represents the purchase price assigned to the WoodSpring and Suburban trademarks at acquisition. The trademarks are expected to generate future cash flows for an indefinite period of time and therefore are non-amortizing.

Amortization expense for the years ended December 31, 2021, 2020 and 2019 amounted to \$25.2 million, \$23.6 million, and \$19.4 million, respectively.

The estimated annual amortization expense related to the Company's amortizing intangible assets for each of the next five years is as follows:

(in thousands)

2022	\$	24,340
2023	\$	22,631
2024	\$	21,631

2026	\$	20,341

8. Investments in Affiliates

The Company maintains equity method investments in affiliates related to the Company's program to offer equity support to qualified franchisees to develop and operate Cambria Hotels in strategic markets. The Company has investments in affiliates that represent VIEs totaling \$25.2 million and \$56.9 million on the consolidated balance sheets at December 31, 2021 and 2020, respectively. The Company has determined that it is not the primary beneficiary of any of these VIEs, however it does exercise significant influence through its equity ownership and as a result the investment in these affiliates is accounted for under the equity method. The Company's maximum exposure to losses related to its investments in VIEs is limited to its equity investments as well as certain guaranties as described in Note 23 of these financial statements.

For the years ended December 31, 2021, 2020 and 2019, the Company recognized losses from investments in VIEs, inclusive of impairments and gains/losses upon sales of ownership interests in or distributions resulting from sales of underlying assets of affiliates, totaling \$18.9 million, \$15.4 million and \$11.3 million, respectively. These amounts are classified as equity in net loss of affiliates in the consolidated statements of income and captured in the Hotel Franchising reportable segment in Note 20.

During the years ended December 31, 2021 and 2020, the Company recognized impairment charges of \$19.3 million and \$7.3 million, respectively, related to certain equity method investments. The Company estimated the fair value of each investment on an individual basis and derived the value from a combination of observable prices from offers received for either the underlying collateral or the ownership interest of the unconsolidated affiliate, comparable market transactions, and DCF techniques to project cash flows for the investment based upon the underlying property. There are judgments and assumptions in each of these fair value determinations, including our selection of comparable market transactions, the amount and timing of expected future cash flows, long-term growth rates, and sales capitalization rates. These nonrecurring fair value measurements are classified as level three of the fair value measurement hierarchy, as the Company utilized unobservable inputs which are significant to the overall fair value. Based on these analyses, in each case the Company determined that the fair market value declined below the carrying value and the decline is other-than-temporary. As a result, the Company recorded impairment charges from the carrying value to the estimated fair value for each investment. The Company recognized no impairment charges during the year ended December 31, 2019.

During the years ended December 31, 2021, 2020 and 2019, the Company recognized net gains (losses) upon sales of ownership interests in or distributions resulting from sales of underlying assets of affiliates of \$6.9 million, \$0.5 million, and \$(5.0) million, respectively.

Restated Senior Unsecured Credit Facility

On August 20, 2018, the Company entered into the Restated Senior Unsecured Credit Agreement (the "Restated Credit Agreement"), which amended and restated the Company's existing senior unsecured revolving credit agreement, dated July 21, 2015.

The Restated Credit Agreement provides for a \$600 million unsecured credit facility with a maturity date of August 20, 2023, subject to optional one-year extensions that can be requested by the Company prior to each of the first, second and third anniversaries of the closing date of the Restated Credit Agreement. The effectiveness of such extensions are subject to the consent of the lenders under the Restated Credit Agreement and certain customary conditions. The Restated Credit Agreement also provides that up to \$35 million of borrowings under the Restated Credit Agreement may be used for alternative currency loans and up to \$25 million of borrowings under the Restated Credit Agreement may be used for swingline loans. The Company may from time to time designate one or more wholly owned subsidiaries of the Company as additional borrowers under the Restated Credit Agreement, subject to the consent of the lenders and certain customary conditions.

On July 2, 2019, the Company exercised a one-year extension option on the Restated Credit Agreement, extending the maturity date from August 20, 2023 to August 20, 2024. On August 12, 2020, the Company exercised an additional one-year extension on the Restated Credit Agreement for \$525 million of the \$600 million total capacity in exchange for a fee of \$0.3 million. The extended maturity date is August 20, 2025. On August 11, 2021, the Company executed a one-year extension on the senior unsecured credit facility for \$540 million of the \$600 million total capacity in exchange for fees of \$0.4 million. The extended maturity date is August 20, 2026.

There are no subsidiary guarantors under the Restated Credit Agreement. However, if certain subsidiaries of the Company subsequently incur certain recourse debt or become obligors in respect of certain recourse debt of the Company or certain of its other subsidiaries, the Restated Credit Agreement requires such obligated subsidiaries to guarantee the Company's obligations under the Restated Credit Agreement (the "springing guarantee"). In the event that these subsidiary guarantees are triggered under the Restated Credit Agreement the same subsidiary guarantees would be required under the Company's \$400 million senior unsecured notes due 2022 and certain hedging and bank product arrangements, if any, with lenders that are parties to the Restated Credit Agreement.

On February 18, 2020, the Company entered into the First Amendment to the Amended and Restated Senior Unsecured Credit Agreement (the "Amendment") among the Company, Deutsche Bank AG New York Branch, as administrative agent and the lenders party thereto. The Amendment, among other things, removes the springing guarantee and other provisions and references in the Restated Credit Agreement related to the potential existence of subsidiary guarantors.

The Company may at any time prior to the final maturity date increase the amount of the Restated Credit Agreement or add one or more term loan facilities under the Restated Credit Agreement by up to an additional \$250 million in the aggregate to the extent that any one or more lenders commit to being a lender for the additional amount of such term loan facility and certain other customary conditions are met.

The Restated Credit Agreement provides that the Company may elect to have borrowings bear interest at a rate equal to (i) LIBOR plus a margin ranging from 90 to 150 basis points or (ii) a base rate plus a margin ranging from 0 to 50 basis points, in each case, with the margin determined according to the Company's senior unsecured long-term debt rating or under circumstances as set forth in the Restated Credit Agreement, the Company's total leverage ratio in the event that such total leverage ratio is less than 2.5 to 1.0. On August 11, 2021, we amended the Restated Credit Agreement to provide customary provisions for the replacement of LIBOR with an alternative benchmark rate if it is publicly announced that the administrator of LIBOR has ceased or will cease to provide LIBOR, or if it is publicly announced by the applicable regulatory supervisor that LIBOR is no longer representative.

The Restated Credit Agreement requires the Company to pay a fee on the total commitments, calculated on the basis of the actual daily amount of the commitments (regardless of usage) times a percentage per annum ranging from 0.075% to 0.25% (depending on the Company's senior unsecured long-term debt rating or under circumstances as set forth in the Restated Credit Agreement, the Company's total leverage ratio in the event that such total leverage ratio is less than 2.5 to 1.0).

The Restated Credit Agreement requires that the Company and its restricted subsidiaries comply with various covenants, including with respect to restrictions on liens, incurring indebtedness, making investments and effecting mergers and/or asset sales. With respect to dividends, the Company may not declare or make any payment if there is an existing event of default or if the payment would create an event of default.

The Restated Credit Agreement imposes financial maintenance covenants requiring the Company to maintain a consolidated fixed charge coverage ratio of at least 2.5 to 1.0 and a total leverage ratio of not more than 4.5 to 1.0 or, on up to two nonconsecutive occasions, 5.5 to 1.0 for up to three consecutive quarters following a material acquisition commencing with the fiscal quarter in which such material acquisition occurred. The Company maintains an Investment Grade Rating, as defined in the Restated Credit Agreement, and therefore is not currently required to comply with the consolidated fixed charge coverage ratio covenant.

The Restated Credit Agreement includes customary events of default, the occurrence of which, following any applicable cure period, would permit the lenders to, among other things, declare the principal, accrued interest and other obligations of the Company under the Restated Credit Agreement to be immediately due and payable. At December 31, 2021, the Company was in compliance with all financial covenants under the Restated Credit Agreement. In the third quarter of 2020, the Company utilized excess cash on hand to pay down the senior unsecured revolving credit facility balance in full; the facility remains undrawn as of December 31, 2020 and December 31, 2021.

Debt issuance costs incurred in connection with the Restated Credit Agreement are amortized on a straight-line basis, which is not materially different than the effective interest method, through maturity. Amortization of these costs is included in interest expense in the consolidated statements of income.

The proceeds of the Restated Credit Agreement are generally expected to be used for general corporate purposes, including working capital, debt repayment, stock repurchases, dividends, investments and other permitted uses set forth in the Restated Credit Agreement.

Term Loan

To preserve financial flexibility and liquidity during the COVID-19 pandemic, on April 16, 2020, the Company entered into a credit agreement (the "Credit Agreement"), which provided for the \$250 million Term Loan (the "Term Loan") with a scheduled maturity date of April 15, 2021, subject to an optional one-year extension if requested by the Company prior to the initial maturity date. The Term Loan and all accrued but unpaid interest thereon was required to be repaid in full on the maturity date.

The Credit Agreement provided that the Company may elect to have the Term Loan bear interest at a rate equal to (i) LIBOR (subject to a floor of 1.00%) plus a margin ranging from 200 to 275 basis points or (ii) a base rate plus a margin ranging from 100 to 175 basis points, in each case, with the margin determined according to the Company's senior unsecured long-term debt rating.

The proceeds of the Term Loan were utilized to reduce borrowings on the Company's senior unsecured revolving credit facility. The Term Loan was subsequently paid off in full in July 2020 utilizing the proceeds of the 2020 Senior Notes described below. In combination with the Tender Offer, the Company recorded a loss on extinguishment of debt of \$16.0 million in the third quarter of 2020.

Senior Unsecured Notes Due 2031

On July 23, 2020, the Company issued unsecured senior notes in the principal amount of \$450 million (the "2020 Senior Notes") bearing a coupon of 3.70% with an effective rate of 3.86%. The 2020 Senior Notes will mature on January 15, 2031, with interest to be paid semi-annually on January 15th and July 15th beginning January 15, 2021. The Company used the net proceeds of the 2020 Senior Notes, after deducting underwriting discounts, commissions and other offering expenses, to repay the Term Loan in full and fund the purchase price of the 2012 Senior Notes tendered and accepted by the Company for purchase pursuant to the tender offer (discussed below under "Senior Unsecured Notes due 2022").

Interest on the 2020 Senior Notes is payable semi-annually on January 15th and July 15th of each year, commencing on January 15, 2021. The interest rate payable on the 2020 Senior Notes will be subject to adjustment based on certain rating events. The Company may redeem the 2020 Senior Notes, in whole or in part, at its option at the applicable redemption price before maturity. If the Company redeems the 2020 Senior Notes prior to October 15, 2030 (three months prior to the maturity date) (the "2020 Notes Par Call Date"), the redemption price will be equal to the greater of (a) 100% of the principal amount of the notes to be redeemed, or (b) the sum of the present values of the remaining scheduled principal and interest payments that would have been payable had the 2020 Senior Notes matured on the 2020 Notes Par Call Date, discounted to the redemption date on a semi-annual basis at the applicable Treasury Rate plus 50 basis points, plus accrued and unpaid interest. If the Company redeems the 2020 Senior Notes on or after the 2020 Notes Par Call Date, the redemption price will equal 100% of the principal amount of the notes to be redeemed, plus accrued and unpaid interest. Additionally, at the option of the holders of the 2020 Senior Notes, the Company may be required to repurchase all or a portion of the 2020 Senior Notes of a holder upon the occurrence of a change of control event at a price equal to 101% of their aggregate principal amount, plus accrued and unpaid interest, to the date of repurchase.

Senior Unsecured Notes Due 2029

On November 27, 2019, the Company issued unsecured senior notes in the principal amount of \$400 million (the "2019 Senior Notes") at a discount of \$2.4 million, bearing a coupon of 3.70% with an effective rate of 3.88%. The 2019 Senior Notes will mature on December 1, 2029, with interest to be paid semi-annually on December 1st and June 1st. The Company used the net proceeds of this offering, after deducting underwriting discounts, commissions and other offering expenses, to repay the previously outstanding senior notes in the principal amount of \$250 million due August 28, 2020, and for working capital and other general corporate purposes.

Bond discounts and debt issuance costs incurred in connection with the 2019 Senior Notes are amortized on a straight-line basis, which is not materially different than the effective interest method, through maturity. Amortization of these costs is included in interest expense in the consolidated statements of income.

The Company may redeem the 2019 Senior Notes, in whole or in part, at its option at the applicable redemption price before maturity. If the Company redeems the 2019 Senior Notes prior to September 1, 2029 (three months prior to the maturity date) (the "2019 Notes Par Call Date"), the redemption price will be equal to the greater of (a) 100% of the principal amount of the notes to be redeemed, or (b) the sum of the present values of the remaining scheduled principal and interest payments that would have been payable had the 2019 Senior Notes matured on the 2019 Notes Par Call Date, discounted to the redemption date on a semi-annual basis at the applicable Treasury Rate plus 30 basis points, plus accrued and unpaid interest. If the Company redeems the 2019 Senior Notes on or after the 2019 Notes Par Call Date, the redemption price will equal 100% of the principal amount of the notes to be redeemed, plus accrued and unpaid interest. Additionally, at the option of the holders of the

2019 Senior Notes, the Company may be required to repurchase all or a portion of the 2019 Senior Notes of a holder upon the occurrence of a change of control event at a price equal to 101% of their aggregate principal amount, plus accrued and unpaid interest, to the date of repurchase.

Senior Unsecured Notes Due 2022

On June 27, 2012, the Company issued unsecured senior notes with a principal amount of \$400 million (the "2012 Senior Notes") at par, bearing a coupon of 5.75% with an effective rate of 6.00%. The 2012 Senior Notes will mature on July 1, 2022, with interest to be paid semi-annually on January 1st and July 1st. The Company utilized the net proceeds of this offering, after deducting underwriting discounts, commissions and other offering expenses, together with borrowings under the Company's senior unsecured senior credit facility, to pay a special cash dividend to stockholders totaling approximately \$600.7 million paid on August 23, 2012.

Debt issuance costs incurred in connection with the 2012 Senior Notes are amortized, utilizing the effective interest method through maturity. Amortization of these costs is included in interest expense in the consolidated statements of income.

The Company may redeem the 2012 Senior Notes at its option at a redemption price equal to the greater of (a) 100% of the principal amount of the notes to be redeemed and (b) the sum of the present values of the remaining scheduled principal and interest payments from the redemption date to the date of maturity, discounted to the redemption date on a semi-annual basis at the Treasury Rate plus 50 basis points. Additionally, at the option of the holders of the 2012 Senior Notes, the Company may be required to repurchase all or a portion of the 2012 Senior Notes of a holder upon the occurrence of a change of control event at a price equal to 101% of their aggregate principal amount, plus accrued and unpaid interest, to the date of repurchase.

On July 9, 2020, the Company commenced the tender offer (the "Tender Offer") to purchase up to \$160.0 million aggregate principal amount of the Company's 2012 Senior Notes subject to increase or decrease. The Tender Offer was subsequently upsized to \$180.0 million aggregate principal amount of the 2012 Notes. On July 23, 2020, the Company amended the Tender Offer by increasing the aggregate principal maximum tender amount from \$180.0 million to \$183.4 million. The Tender Offer settled on July 24, 2020 for \$197.8 million, including an early tender premium, settlement fees, and accrued interest paid. In combination with the early pay off of the Term Loan, the Company recorded a loss on extinguishment of debt of \$16.0 million in the third quarter of 2020.

The Company's 2012 Senior Notes mature on July 1, 2022 with a principal maturity, net of unamortized deferred issuance costs, of \$216.4 million.

Construction Loan

In March 2018, the Company entered into a construction loan agreement for the rehabilitation and development of a former office building into a Cambria Hotel through a consolidating affiliate with a commercial lender, which is secured by the building. The construction was completed and the hotel opened in the third quarter of 2019, resulting in the satisfaction of the completion guaranty. On March 5, 2020, the Company paid off the construction loan in the amount of \$33.1 million inclusive of accrued and unpaid interest and recorded a loss on extinguishment of debt of \$0.6 million.

Fixed Rate Collateralized Mortgage

On December 30, 2014, a court awarded the Company title to an office building as settlement for a portion of an outstanding loan receivable for which the building was pledged as collateral. In conjunction with the court award, the Company also assumed the \$9.5 million mortgage on the property with a fixed interest rate of 7.26%. The mortgage was collateralized by the office building, required monthly payments of principal and interest and matured in December 2020 with a balloon payment due of \$6.9 million. Payments were made in each quarter of 2020, with the balloon payment of \$6.9 million made at maturity in December 2020.

Economic Development Loans

The Company entered into economic development agreements with various governmental entities in conjunction with the relocation of its corporate headquarters in April 2013. In accordance with these agreements, the governmental entities agreed to advance approximately \$4.4 million to the Company to offset a portion of the corporate headquarters relocation and tenant improvement costs in consideration of the employment of permanent, full-time employees within the jurisdictions. At December 31, 2021, the Company had been fully advanced the amounts due pursuant to these agreements. These advances bear interest at a rate of 3% per annum.

Repayment of the advances is contingent upon the Company achieving certain performance conditions. Performance conditions are measured annually on December 31st and primarily relate to maintaining certain levels of employment within the various jurisdictions. If the Company fails to meet an annual performance condition, the Company may be required to repay a portion

or all of the advances including accrued interest by April 30th following the measurement date. Any outstanding advances at the expiration in 2023 of the Company's current ten-year corporate headquarters lease will be forgiven in full. The advances will be included in long-term debt in the Company's consolidated balance sheets until the Company determines that the future performance conditions will be met over the entire term of the agreement and the Company will not be required to repay the advances. The Company accrues interest on the portion of the advances that it expects to repay. The Company was in compliance with all applicable current performance conditions as of December 31, 2021.

13. Non-Qualified Retirement, Savings and Investment Plans

The Company sponsors two non-qualified retirement savings and investment plans for certain employees and senior executives. Employee and Company contributions are maintained in separate irrevocable trusts. Legally, the assets of the trusts remain those of the Company; however, access to the trusts' assets is severely restricted. The trusts cannot be revoked by the Company or an acquirer, but the assets are subject to the claims of the Company's general creditors. The participants do not have the right to assign or transfer contractual rights in the trusts.

In 2002, the Company adopted the Choice Hotels International, Inc. Executive Deferred Compensation Plan ("EDCP") which became effective January 1, 2003. Under the EDCP, certain executive officers may defer a portion of their salary into an irrevocable trust and invest these amounts in a selection of available diversified investment options. In 1997, the Company adopted the Choice Hotels International, Inc. Non-Qualified Retirement Savings and Investment Plan ("Non-Qualified Plan"). The Non-Qualified Plan allows certain employees who do not participate in the EDCP to defer a portion of their salary and invest these amounts in a selection of available diversified investment options. Under the EDCP and Non-Qualified Plan, (together, the "Deferred Compensation Plan"), the Company recorded current and long-term deferred compensation liabilities of \$40.8 million and \$36.0 million at December 31, 2021 and 2020, respectively, related to these deferrals and credited investment return under these two deferred compensation plans. Compensation expense is recorded in SG&A expense on the Company's consolidated statements of income based on the change in the deferred compensation obligation related to earnings credited to participants as well as changes in the fair value of diversified investments. The net increase in compensation expense recorded in SG&A for the years ended December 31, 2021, 2020 and 2019 were \$6.1 million, \$4.5 million, and \$5.3 million, respectively.

Under the Deferred Compensation Plan, the Company has invested the employee salary deferrals in diversified long-term investments which are intended to provide investment returns that offset the earnings credited to the participants. The diversified investments held in the trusts totaled \$36.1 million and \$31.4 million as of December 31, 2021 and 2020, respectively, and are recorded at their fair value, based on quoted market prices. At December 31, 2021, the Company expects \$2.1 million of the assets held in the trust to be distributed during the year ended December 31, 2022 to participants. These investments are considered trading securities and therefore the changes in the fair value of the diversified assets is included in other gains, net in the accompanying consolidated statements of income. The Company recorded investment gains during the years ended December 31, 2021, 2020 and 2019 of \$5.6 million, \$4.2 million, and \$4.9 million, respectively. The Deferred Compensation Plan held no shares of the Company's common stock at December 31, 2021 and 2020.

14. Fair Value Measurements

The Company estimates the fair value of its financial instruments utilizing a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value. The following summarizes the three levels of inputs, as well as the assets that the Company values using those levels of inputs on a recurring basis.

Level 1: Quoted prices in active markets for identical assets and liabilities. The Company's Level 1 assets consist of marketable securities (primarily mutual funds) held in the Deferred Compensation Plan.

Level 2: Observable inputs, other than quoted prices in active markets for identical assets and liabilities, such as quoted prices for similar assets and liabilities; quoted prices in markets that are not active; or other inputs that are observable. The Company's Level 2 assets consist of money market funds held in the Deferred Compensation Plan.

Level 3: Unobservable inputs, supported by little or no market data available, where the reporting entity is required to develop its own assumptions to determine the fair value of the instrument. The Company does not currently have any assets recorded at fair value on a recurring basis whose fair value was determined using Level 3 inputs and there were no transfers of Level 3 assets during the years ended December 31, 2021 and 2020.

As of December 31, 2021 and 2020, the Company had the following assets measured at fair value on a recurring basis:

(in thousands)	Fair Value Measurements at Reporting Date Using			
	Total	Level 1	Level 2	Level 3
December 31, 2021				
Mutual funds ⁽¹⁾	\$ 33,555	\$ 33,555	\$ —	\$ —

⁽¹⁾ Included in Investments, employee benefit plans, at fair value and other current assets on the consolidated balance sheets.

Other financial instruments disclosure

The Company believes that the fair values of its current assets and current liabilities approximate their reported carrying amounts due to the short-term nature of these items. In addition, the interest rates of the Company's Restated Credit Agreement adjust frequently based on current market rates; accordingly we believe its carrying amount, when amounts are drawn, approximates fair value.

The fair values of the Company's senior unsecured notes are classified as Level 2, as the significant inputs are observable in an active market. Refer to Note 12 for further information on debt. At December 31, 2021 and December 31, 2020, the carrying amounts and fair values are as follows:

(in thousands)	December 31, 2021		December 31, 2020	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
2020 Senior Notes	\$ 444,470	\$ 477,675	\$ 443,860	\$ 498,290
2019 Senior Notes	395,237	425,984	394,635	438,104
2012 Senior Notes	216,351	221,702	215,827	232,381

Fair value estimates are made at a specific point in time, are subjective in nature and involve uncertainties and matters of significant judgment. Settlement of such fair value amounts may not be possible or a prudent management decision.

15. Income Taxes

Total income before income taxes, classified by source of income, was as follows:

(in thousands)	Year Ended December 31,

The Company assesses available positive and negative evidence to estimate whether sufficient future taxable income will be generated to permit use of the existing deferred tax assets. Based on this evaluation, the Company recorded a net change to its valuation allowance of \$0.4 million due to a \$2.9 million decrease in the foreign valuation allowance, primarily related to the Dutch deferred tax asset, partially offset by a \$2.5 million increase in the valuation allowance related to state tax credits.

In 2021, the Company identified \$14.2 million of state tax credit carryforwards due to expire between 2030 and 2035. The Company believes that it is more likely than not that these benefits will not be realized. Accordingly, the Company has provided a tax-effected valuation allowance of \$14.2 million for these credits. Additionally, the Company has provided a tax-effected valuation allowance of \$5.5 million on its foreign deferred tax assets.

As of December 31, 2021, the Company had gross foreign net operating losses ("NOLs") of \$26.6 million. The Company believes that it is more likely than not that some of these benefits will not be realized. Accordingly, the Company recorded a gross valuation allowance of \$7.0 million on the deferred tax assets related to these foreign net operating losses. We have \$26.0 million of foreign NOLs with an indefinite carryforward life.

On January 1, 2018, the Company adopted ASU 2016-16, *Income Taxes (Topic 740) - Intra-Entity Transfers of Assets Other than Inventory* ("ASU 2016-16"), which provides guidance on recognition of current income tax consequences for intercompany asset transfers (other than inventory) at the time of transfer. On January 1, 2020, the Company completed a reorganization of its foreign legal entity structure. In accordance with ASU 2016-16, the Company recorded a tax benefit of \$34.6 million and a corresponding deferred tax asset due to the reorganization. In 2020, due to a decrease in our forecasted international income resulting from adverse impacts of the COVID-19 pandemic, the Company recorded a valuation allowance of \$5.7 million reflecting a change in the anticipated realizability of this deferred tax asset. In 2021, due to changes in Dutch tax law, the Company reduced the carrying value of the deferred tax asset by \$4.2 million and decreased the corresponding valuation allowance by \$2.7 million. As of December 31, 2021, the balance of this deferred tax asset is \$21.4 million, net of current year amortization, and the balance of the corresponding valuation allowance is \$3.0 million.

The statutory United States federal income tax rate reconciles to the effective income tax rates for continuing operations as follows:

	Year Ended December 31,		
	2021	2020	2019
Statutory U.S. federal income tax rate	21.0 %	21.0 %	21.0 %
State income taxes, net of federal tax benefit	3.1 %	4.6 %	3.5 %
Benefits related to foreign operations	(0.2) %	(4.2) %	(0.6) %
Expenses (benefits) related to compensation, net	0.5 %	(5.8) %	(1.3) %
Unrecognized tax positions	0.2 %	4.7 %	2.0 %
International Reorganization	1.1 %	(65.2) %	— %
Tax credits	(1.8) %	(15.2) %	(9.9) %
Valuation allowance	(0.2) %	17.5 %	3.4 %
Other	(0.4) %	0.4 %	(0.7) %
Effective income tax rates	23.3 %	(42.2) %	17.4 %

The Company's effective income tax rates from continuing operations were 23.3%, (42.2)% and 17.4% for the years ended December 31, 2021, 2020 and 2019, respectively.

The effective income tax rate for the year ended December 31, 2021 was higher than the U.S. federal income tax rate of 21.0% primarily due to state income taxes, \$1.7 million of additional tax expense related to compensation, and a \$1.5 million reduction in the net carrying value of our Dutch deferred tax asset, partially offset by tax credits of \$3.7 million. The effective income tax rate for the year ended December 31, 2020 was lower than the U.S. federal income tax rate of 21% due to the impact of our international reorganization under ASU 2016-16 (partially offset by the related valuation allowance), tax credits of \$3.0 million, \$3.1 million of additional tax benefit related to compensation, and the impact of foreign operations, partially offset by state income taxes, and a change in estimated uncertain tax positions.

As of December 31, 2021, 2020 and 2019, the Company's gross unrecognized tax benefits totaled \$11.1 million, \$10.2 million, and \$7.7 million, respectively. After considering the deferred income tax accounting impact, it is expected that approximately \$8.0 million of the total as of December 31, 2021 would favorably affect the effective tax rate if resolved in the Company's favor.

The following table presents a reconciliation of the beginning and ending amounts of unrecognized tax benefits:

(in thousands)	2021	2020	2019
Balance, January 1	\$ 10,193	\$ 7,738	\$ 1,588
Changes for tax positions of prior years	156	1,174	4,633
Increases for tax positions related to the current year	1,618	1,281	2,084
Settlements and lapsing of statutes of limitations	(820)	—	(567)
Balance, December 31	\$ 11,147	\$ 10,193	\$ 7,738

It is reasonably possible that the Company's unrecognized tax benefits could decrease within the next 12 months by as much as \$9.5 million due to settlements and the expiration of applicable statutes of limitations. The Company's federal income tax return for tax years 2015 and 2016 are currently under examination by the Internal Revenue Service for a tax credit refund claim. The Company's federal income tax return for tax years 2017 and 2018 are also under examination by the Internal Revenue Service. Further, the Company's federal income tax returns for tax years 2019 and 2020 are subject to examination by the Internal Revenue Service.

The practice of the Company is to recognize interest and penalties related to income tax matters in the provision for income taxes. The Company did not incur any material interest or penalties for 2021 and 2020. The Company had \$0.4 million and \$0.5 million of accrued interest and penalties on December 31, 2021 and 2020, respectively.

The Tax Cuts and Jobs Act subjects a U.S. shareholder to a minimum tax on "global intangible low-taxed income" ("GILTI") earned by certain foreign subsidiaries. The FASB Staff Q&A, Topic 740 No. 5, *Accounting for GILTI* states that an entity can make an accounting policy election to either recognize deferred taxes for temporary differences expected to reverse as GILTI in future years or provide for the tax expense related to GILTI resulting from those items in the year the tax is incurred. The Company has elected to recognize the resulting tax on GILTI as a period expense in the period the tax is incurred and has incurred tax for the year ended December 31, 2021.

On March 27, 2020, in response to the COVID-19 pandemic, the “Coronavirus Aid, Relief and Economic Security Act” (“CARES”) was signed into law by the President of the United States. The CARES Act includes, among other things, U.S. corporate income tax provisions related to net operating loss carryback periods, alternative minimum tax credits, modifications to interest deduction limitations and technical corrections on tax depreciation methods for qualified improvement property. Many other countries have also introduced various corporate income tax relief provisions in response to the pandemic. The Company does not believe that any of these changes will have a material effect on our financial statements.

16. Share-Based Compensation and Capital Stock

Share-Based Compensation

The Company recognizes compensation cost related to share-based payment transactions in the financial statements based on the fair value of the equity or liability instruments issued. Compensation expense related to the fair value of share-based awards is recognized over the requisite service period. Over the life of the grant, the estimate of share-based compensation expense for awards with performance and/or service requirements is adjusted so that compensation cost is recognized only for awards that ultimately vest; for the grants with market conditions, the fair value of the award is determined at grant date and expensed over the life of the grant.

The Company has stock compensation plans pursuant to which it is authorized to grant stock-based awards of which 2.1 million shares of the Company's common stock remain available for grant as of December 31, 2021. The Company's policy allows the issuance of new or treasury shares to satisfy stock-based awards. Restricted stock, stock options, stock appreciation rights and performance share awards may be granted to officers, key employees and non-employee directors with contractual terms set by the Compensation and Management Development Committee of the Board of Directors.

Stock Options

The Company granted approximately 0.3 million, 0.2 million and 0.1 million options to certain employees of the Company at a fair value of approximately \$7.9 million, \$2.7 million and \$2.2 million during the years ended December 31, 2021, 2020 and 2019, respectively. The stock options granted by the Company had an exercise price equal to the market price of the Company's common stock on the date of grant. The fair value of the options granted was estimated on the grant date using the Black-Scholes option-pricing model with the following weighted average assumptions:

	2021	2020	2019
Risk-free interest rate	0.94 %	0.99 %	2.46 %
Expected volatility	29.23 %	20.88 %	21.49 %
Expected life of stock option	5.9 years	5.9 years	4.4 years
Dividend yield	0.82 %	0.99 %	1.06 %

Contractual life	10 years	10 years	7 years
Weighted average fair value of options granted (per option)	\$ 28.00	\$ 17.25	\$ 15.84

The expected life of the options and volatility are based on the historical data which is believed to be indicative of future exercise patterns and volatility. Historical volatility is calculated based on a period that corresponds to the expected life of the stock option. The dividend yield and the risk-free rate of return are calculated on the grant date based on the then current dividend rate and the risk-free rate for the period corresponding to the expected life of the stock option. Compensation expense related to the fair value of these awards is recognized straight-line over the requisite service period based on those awards that ultimately vest.

The aggregate intrinsic value of stock options outstanding and exercisable as of December 31, 2021 was \$66.4 million and \$37.5 million, respectively. The total intrinsic value of options exercised during the years ended December 31, 2021, 2020 and 2019 was \$10.6 million, \$8.9 million and \$15.8 million, respectively.

The Company received \$11.1 million, \$10.2 million and \$21.4 million in proceeds from the exercise of 0.2 million, 0.2 million and 0.4 million employee stock options during the years ended December 31, 2021, 2020 and 2019, respectively.

The following table summarizes information about stock options outstanding as of December 31, 2021:

The following table is a summary of activity related to restricted stock grants:

Weighted average grant date fair value per share	\$ 111.25	\$ 90.18	\$ 81.92

Fair value of shares vested (in thousands)	\$ 11,927	\$ 9,000	\$ 10,671

Compensation expense related to the fair value of these awards is recognized straight-line over the requisite service period based on those restricted stock grants that ultimately vest. The fair value of grants is measured by the market price of the Company's common stock on the date of grant. Restricted stock awards generally vest ratably over the service period beginning with the first anniversary of the grant date. Awards granted to retirement eligible non-employee directors are recognized over the shorter of the requisite service period or the length of time until retirement since the terms of the grant provide that awards will vest upon retirement.

Performance Vested Restricted Stock Units

The Company has granted performance vested restricted stock units ("PVRSU") to certain employees. The Company grants three types of PVRSU awards: i) PVRSUs with performance conditions based on internal performance metrics, ii) PVRSUs with market conditions based on the Company's total shareholder return ("TSR") relative to a predetermined peer group, and iii) PVRSUs with both performance and market conditions. The vesting of PVRSU awards is contingent upon the Company achieving internal performance and/or TSR targets over a specified period and the employees' continued employment for a service period. These performance and market conditions affect the number of shares that will ultimately vest.

During the year ended December 31, 2021, the Company granted PVRSUs with market conditions, PVRSUs with performance conditions and PVRSUs with performance and market conditions with requisite service periods between 9 months and 60 months with award vesting ranges generally between 0% and 300% of the initial units granted.

The fair value of PVRSUs with only internal performance metrics is measured by the market price of the Company's common stock on the date of award grant. Compensation expense is recognized ratably over the requisite service period based on the Company's estimate of the achievement of the performance conditions. Management monitors current results and forecasts of the relevant internal performance metrics and, as necessary, adjusts the performance-based leveraging of unvested PVRSUs.

The fair value of PVRSUs with market conditions is estimated using a Monte Carlo simulation method as of the date of award grant. Compensation expense is recognized ratably over the requisite service period, regardless of whether the market conditions are achieved and the awards ultimately vest.

The fair value of PVRSUs with both performance and market conditions is estimated using a Monte Carlo simulation as of the date of award grant. Compensation is recognized ratably over the requisite service period based on the Company's estimate of the achievement of the performance conditions, with subsequent adjustments made for performance-based leveraging of unvested PVRSUs, as necessary.

The Company has currently estimated that between 0% and 300% of the various award targets will be achieved. During the year ended December 31, 2020, the Company reduced the leveraging factor for 230,647 unvested PVRsUs granted in the current and prior periods to 0%, based on management's estimate of achievement of performance targets with contemplation to impacts from the COVID-19 pandemic.

The following table is a summary of activity related to PVRsUs grants:

18. Earnings Per Share

The Company's shares of restricted stock contain rights to receive nonforfeitable dividends and thus are participating securities requiring the computation of basic earnings per share ("EPS") using the two-class method. As the shares of restricted stock are both potential shares of common stock and participating securities, the Company calculates diluted earnings per share by the more dilutive of the treasury stock method or the two-class method. The calculation of EPS for net income available to common shareholders excludes the distribution of dividends and undistributed earnings attributable to participating securities from the numerator. The diluted earnings weighted average shares of common stock outstanding includes stock options, PVRs and RSUs.

The computation of basic and diluted earnings per common share is as follows:

Related Party

The Company and family members of the Company's largest shareholder entered into an agreement that allows those family members to lease the Company aircraft from time to time for their personal use. The agreement provides for lease payments that contribute towards the fixed costs associated with the aircraft as well as reimbursement of the Company's variable costs associated with operation of the aircraft, in compliance with, and to the extent authorized by, applicable regulatory requirements. The terms of the lease agreements are consistent with the terms of lease agreements that the Company has entered into with unrelated third parties for use of the aircraft. 20. Reportable Segments

The Hotel Franchising reportable segment includes the Company's hotel franchising operations consisting of its 14 brands. The 14 brands are aggregated within this segment considering their similar economic characteristics, types of customers, distribution channels and regulatory business environments. Revenues from the hotel franchising business include royalty fees, initial franchise and relicensing fees, marketing and reservation system fees, procurement services revenue and other hotel franchising related revenue. The Company is obligated under its hotel franchise agreements to provide marketing and reservation services appropriate for the operation of its systems. The revenues received from franchisees that are used to pay for part of the Company's ongoing operations are included in hotel franchising revenues and are offset by the related expenses paid for marketing and reservation system activities to calculate hotel franchising operating income. Equity in earnings or losses from hotel franchising related investments in affiliates is allocated to the Company's hotel franchising segment.

The Company evaluates its hotel franchising segment based primarily on the results of the segment without allocating corporate expenses, indirect general and administrative expenses, interest expense, interest income, other gains and losses or income taxes, which are included in the Corporate & Other column. Corporate & Other revenues include owned hotel revenues, rental income related to an office building owned by the Company, and revenues related to the Company's SaaS technology solutions division which provide cloud-based property management software to non-franchised hoteliers.

The intersegment revenue adjustment is from the elimination of Hotel Franchising revenue which include royalty and marketing and reservation system fees charged to our owned hotels against franchise fee expense recognized by our owned hotels in Corporate & Other operating income (loss).

Our President and Chief Executive Officer, who is our CODM, does not use assets by operating segment when assessing performance or making operating segment resource allocation decisions and therefore assets by segment are not disclosed below.

The following tables present the financial information for the Company's segments:

21. Related Party Transactions

Transactions with Company's Largest Shareholder

Effective October 15, 1997, Choice Hotels International, Inc., which included both a franchising business and owned hotel business, separated the businesses via a spin-off into two companies: Sunburst Hospitality Corporation (referred to hereafter as "Sunburst") and the Company. Subsequent to the spin-off, the Company's largest shareholder retained significant ownership percentages in both Sunburst and the Company. As part of the spin-off, Sunburst and the Company entered into a strategic alliance agreement (as amended, the "Strategic Alliance Agreement"). Among other things, the Strategic Alliance Agreement provided for revised royalty and system fees and the determination of liquidated damages related to the termination of Choice branded Sunburst properties. The liquidated damage provisions extend through the life of the existing Sunburst franchise agreements.

On June 5, 2019, the Strategic Alliance Agreement was terminated and replaced with addenda to each of the five hotels under franchise at that time. The addenda preserve certain terms from the Strategic Alliance Agreement with respect to the five hotels, including the revised royalty and system fee and liquidated damage provisions, which would also apply to new franchise agreements signed for the five hotels (as either a renewal or a change to another Choice brand not contemplated at the time of original agreement execution). No terms were substantially modified with respect to the five operating hotels under franchise. In June 2019, the Company and Sunburst entered into master development agreements which provide Sunburst geographic exclusivity in two specified regions for development of five WoodSpring branded hotels. For the years ended December 31, 2021 and 2020, there were zero and one new franchise agreement signed between the Company and Sunburst, respectively. As of December 31, 2021, Sunburst operates four hotels under franchise with the Company.

Total franchise fees, including royalty and marketing and reservation system fees, paid by Sunburst to the Company included in the accompanying consolidated financial statements were \$0.4 million, \$0.5 million, and \$1.8 million for the years ended December 31, 2021, 2020 and 2019, respectively. As of both December 31, 2021 and 2020, accounts receivable due from Sunburst were \$0.1 million.

22. Transactions with Unconsolidated Affiliates

The Company extends loans to various unconsolidated affiliates or members of our unconsolidated affiliates. The Company has a total principal balance on these loans of \$90.7 million as of both December 31, 2021 and December 31, 2020, respectively. These loans mature at various dates and bear interest at fixed and variable rates.

The Company signed a management fee arrangement for marketing services with a partner in an unconsolidated affiliate. For the years ended December 31, 2021, 2020 and 2019, fees earned and payroll costs reimbursed under this arrangement totaled \$1.4 million, \$1.3 million and \$2.3 million, respectively.

The Company entered into franchise agreements with certain of the unconsolidated affiliates listed within Note 8. Pursuant to these franchise agreements, the Company recorded royalty and marketing and reservation system fees of approximately \$20.2 million, \$13.9 million, and \$25.2 million for the years ended December 31, 2021, 2020 and 2019, respectively. The Company recorded \$2.7 million and \$2.4 million as a receivable due from these unconsolidated affiliates as of December 31, 2021 and 2020, respectively.

23. Commitments and Contingencies

The Company is not a party to any litigation other than litigation in the ordinary course of business. The Company's management and legal counsel do not expect that the ultimate outcome of any of its currently ongoing legal proceedings, individually or collectively, will have a material adverse effect on the Company's financial position, results of operations or cash flows.

Contingencies

The Company entered into various limited payment guaranties with regards to the Company's VIEs supporting the VIE's efforts to develop and own hotels franchised under the Company's brands. Under these limited payment guaranties, the Company has agreed to guarantee a portion of the outstanding debt until certain conditions are met such as (a) the loan matures, (b) certain debt covenants are achieved, (c) the maximum amount guaranteed by the Company is paid in full, or (d) the Company, through its affiliates, ceases to be a member of the VIE. The maximum exposure of principal incidental to these limited payment guaranties is \$5.7 million, plus unpaid expenses and accrued unpaid interest. As of December 31, 2021 and

December 31, 2020, the Company believed the likelihood of having to perform under the aforementioned limited payment guaranties was remote. In the event of performance, the Company has recourse for one of the transactions in the form of a membership interest pledge as collateral for the guaranty.

Commitments

The Company has the following commitments outstanding at December 31, 2021:

- The Company provides financing in the form of franchise agreement acquisition payments to franchisees for property improvements, hotel development efforts and other purposes. These payments are typically made at commencement of construction or hotel opening, in accordance with agreed upon provisions in individual franchise agreements. At December 31, 2021, the Company had commitments to extend an additional \$278.6 million for these purposes provided the conditions of the payment are met by its franchisees.
- To the extent existing unconsolidated affiliates proceed to the hotel construction phase, the Company is committed to make capital contributions totaling \$7.5 million to support their efforts to construct Cambria hotels.
- The Company committed to provide financing in the form of loans or credit facilities to franchisees for Choice brand development efforts. For the year ended December 31, 2021, the Company has committed to provide an aggregate of approximately \$9.7 million, upon certain conditions being met. As of December 31, 2021, \$2.2 million has been disbursed.
- The Company's franchise agreements require the payment of franchise fees, which include marketing and reservation system fees. In accordance with terms of our franchise agreements, the Company is obligated to use the marketing and reservation system revenues it collects from the current franchisees comprising its various hotel brands to provide marketing and reservation services appropriate to support the operation of the overall system. To the extent revenues collected exceed expenditures incurred, the Company has a commitment to the franchisee system to make expenditures in future years. Conversely, to the extent expenditures incurred exceed revenues collected, the Company has the contractual enforceable right to assess and collect such amounts.

In the ordinary course of business, the Company enters into numerous agreements that contain standard indemnities whereby the Company indemnifies another party for breaches of representations and warranties. Such indemnifications are granted under various agreements, including those governing (i) purchases or sales of assets or businesses, (ii) leases of real estate, (iii) licensing of trademarks, (iv) access to credit facilities, (v) issuances of debt or equity securities, and (vi) certain operating agreements. The indemnifications issued are for the benefit of the (i) buyers in sale agreements and sellers in purchase agreements, (ii) landlords in lease contracts, (iii) franchisees in licensing agreements, (iv) financial institutions in credit facility arrangements, (v) underwriters in debt or equity security issuances and (vi) parties under certain operating agreements. In addition, these parties are also generally indemnified against any third-party claim resulting from the transaction that is contemplated in the underlying agreement. While some of these indemnities extend only for the duration of the underlying agreement, many survive the expiration of the term of the agreement or extend into perpetuity (unless subject to a legal statute of limitations). There are no specific limitations on the maximum potential amount of future payments that the Company could be required to make under these indemnities, nor is the Company able to develop an estimate of the maximum potential amount of future payments to be made under these indemnifications as the triggering events are not subject to predictability. With respect to certain of the aforementioned indemnities, such as indemnifications of landlords against third-party claims for the use of real estate property leased by the Company, the Company maintains insurance coverage that mitigates potential liability.

24. Acquisitions

2021 Asset Acquisition

In September 2021, the Company reached a settlement with a borrower holding a senior and mezzanine loan classified as collateral-dependent, collateralized by an operating hotel. As a collateral-dependent financial asset, the expected credit losses as of September 30, 2021 were determined based on the fair value of the operating hotel. As of September 30, 2021, the notes receivable, net of allowance for credit losses, balance was \$21.1 million.

The key terms of the settlement resulted in a deed in lieu of foreclosure on the operating hotel in exchange for releasing obligations pursuant to the senior and mezzanine loans and the associated franchise agreement. The property was exchanged in full settlement of the senior and mezzanine loans and recorded at the fair value of \$21.1 million as of the acquisition date of October 1, 2021. The fair value was estimated using an income approach valuation method based on discounted cash flows of the collateralized operating hotel utilizing historical operating performance, industry projections for the market, and comparable sales capitalization rates.

In accordance with the provisions of ASU 2017-01, *Business Combinations (Topic 805): Clarifying the Definition of a Business* ("ASU 2017-01"), the purchase represents an asset acquisition based on the concentration of value in the acquired land and building. The \$21.1 million was re-characterized from Notes receivable, net of allowance for credit losses, and attributed to each asset class based on a relative fair value allocation to qualifying assets, resulting in \$4.8 million to land, \$14.2 million to building and improvements, \$1.8 million to furniture, fixtures, and equipment, and \$0.3 million to net assets assumed (inclusive of cash). The relative fair values for each asset class were estimated using a combination of income and market approach valuations methods.

2019 Asset Acquisition

Prior to July 23, 2019, the Company held a 40% ownership interest of an affiliate that owned five Cambria hotels recorded as an investment in unconsolidated entities. On July 23, 2019, the Company redeemed the remaining 60% ownership interest in four of the hotels for approximately \$169.0 million cash paid (inclusive of \$0.7 million in capitalized transaction costs), net of cash acquired. The transaction was funded with cash and borrowings under the Company's revolving credit facility.

In accordance with the provisions of ASU 2017-01, the purchase represents an asset acquisition based on the concentration of value in the acquired land and buildings. This assessment was performed on the four hotels as a group of similar identifiable assets based on the similar risk characteristics as operating Cambria Hotels. The \$25.0 million previously in investments in unconsolidated entities is included in the total net asset basis of \$194.0 million. The total net asset basis was attributed to each asset and asset class based on a relative fair value allocation to qualifying assets, resulting in \$21.7 million to land, \$148.4 million to building and improvements, \$27.0 million to furniture, fixtures, and equipment, \$0.8 million to an in-place lease intangible asset, and \$3.9 million to net liabilities assumed.

25. Subsequent Events

On February 24, 2022, the Company's board of directors declared a quarterly cash dividend of \$0.2375 per share of common stock. The dividend is payable on April 15, 2022 to shareholders of record on April 1, 2022.

ITEM 9. Changes in and Disagreements with Accountants on Accounting and Financial Disclosure.

None.

Item 9A. Controls and Procedures

Management's Evaluation of Disclosure Controls and Procedures

The Company has a disclosure review committee whose membership includes the Chief Executive Officer ("CEO") and Chief Financial Officer ("CFO"), among others. The disclosure review committee's procedures are considered by the CEO and CFO in performing their evaluations of the Company's disclosure controls and procedures and in assessing the accuracy and completeness of the Company's disclosures.

Our management, with the participation of our CEO and CFO have evaluated the effectiveness of our disclosure controls and procedures, as such term is defined in Rule 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended, (the "Exchange Act"), as of the end of the period covered by this annual report as required by Rules 13a-15(b) or 15d-15(b) under the Exchange Act. Our management, including our CEO and CFO, does not expect that our disclosure controls and procedures or our internal control over financial reporting will prevent all errors and all fraud. A control system, no matter how well designed and operated, can provide only reasonable, not absolute, assurance that the control system's objectives will be met.

An evaluation was performed under the supervision and with the participation of the Company's CEO and CFO, of the effectiveness of the design and operation of the Company's disclosure controls and procedures. Based on that evaluation, the Company's management, including the CEO and CFO, concluded that the Company's disclosure controls and procedures were effective as of December 31, 2021.

Changes in Internal Control Over Financial Reporting

There have been no changes in the Company's internal control over financial reporting that occurred during the fourth quarter of 2021 that materially affected, or is reasonably likely to materially affect the Company's internal control over financial reporting.

If we elect to gather the Gross Room Revenues through our automated reporting systems, and we are unable for whatever reason to obtain an accurate report of the Gross Room Revenues, we will estimate your Gross Room Revenues for interim billing purposes. We will bill you for the Monthly Fees (and interest or other penalty, if any) due under this Agreement each month, and you will pay us those amounts by the 25th day of the same month. The Hotel Data will be maintained at the Hotel, or, if you notify us in writing, at an alternate location suitable for inspection by us. All Hotel Data must be kept separate and apart from all other data. Nothing in the foregoing shall limit us from reviewing Hotel Data that is older than 7 years or from recovering amounts owed to us from any period of time.

e. Financial Statements and Audit. If we request in writing, you will send us copies of the Hotel Data and financial statements certified by you as true and accurate (including a profit and loss statement, balance sheet, cash flow statement, or such other financial data or reports as we may request, in a form satisfactory to us) for the Hotel for the prior fiscal year (or other time period), and you will have the Gross Room Revenues or other monies due hereunder computed and certified as accurate by a certified public accountant. During the Term and for 7 years afterward, we and our authorized representatives will have the right to verify information required under this Agreement by requesting, receiving, inspecting, copying and auditing the Hotel Data and any and all records or documents related to the Hotel Data wherever they may be located. If any inspection or audit discloses a deficiency in any payments due hereunder, you must pay us all deficiencies plus interest at the rate indicated in Section 4(f), below. If the deficiency in any payment is willful or exceeds 5% of the correct amount, you will also immediately pay to us the entire cost of the inspection and audit, including travel, lodging, meals, salaries, professional fees and other expenses of the inspecting or auditing personnel.

f. Interest. You will pay us interest on all charges, costs, fees and amounts due under this Agreement but not paid on time at the rate of 1.5% per month, but not more than the maximum interest rate permitted by applicable law.

- c. System Services. (i) Allow you to use the Property Management System and the Reservation System; (ii) provide marketing services, such as national, international and regional advertising, promotional programs, publicity, marketing research, and other related marketing activities, that we reasonably determine are appropriate for the promotion of the Hotel, our System and the Other Choice Brand Hotels; and (iii) periodically make available to the traveling public a directory or other listing of all hotels which are in good standing and that are authorized to use our System, which may be provided in an electronic format, including on the Internet, in our sole discretion. You also acknowledge and agree that we will not be obligated to permit or assist in making reservations for the Hotel for any dates following the scheduled date of expiration or termination of this Agreement, or during any period in which your rights are suspended under Section 10(c) of this Agreement; and
- d. Consultation. Make available to you, at our discretion, additional consultation and services to assist you to construct, renovate, maintain, operate, and/or market the Hotel on the same basis as provided to other hotels that are authorized to use our System under the Brand Mark; we reserve the right to charge you reasonable fees that we may establish in advance or on a project-by-project basis for such consultation and services. 6. Your Duties. You will during the Term:

- a. Compliance with Rules and Regulations. Comply with the requirements of this Agreement and the Rules and Regulations, which you acknowledge we may modify and/or update in our sole discretion from time to time, and not disclose this Agreement or the Rules and Regulations (including any copies of the Rules and Regulations that are no longer the then-current version) to anyone except your authorized employees (or the employees of your management company, if authorized by us), or your attorneys, accountants, or lenders, or on an as-needed basis;
- b. Good Repair; Safe and Secure. Construct, renovate, operate, furnish, maintain and advertise the Hotel according to this Agreement and the Rules and Regulations; undertake all repairs, cleaning, redecoration, repainting, and replacement of obsolete or outdated Hotel Supplies; take such other corrective action as is necessary to maintain the Hotel interior and exterior, including any parking areas and food and beverage facilities, in a clean, sound, and attractive condition and good repair at all times; and operate the Hotel in a safe and secure manner that optimizes public health and safety. You are solely responsible for determining and addressing all safety concerns relating to the condition of the Hotel and surrounding areas;
- c. Ethical Standards; Performance. Establish and maintain a high ethical and moral standard in connection with your operation of the Hotel and not allow or sponsor any activity at the Hotel that could reasonably be determined to negatively impact the Brand Mark, the Choice Marks, our System, the Other Choice Brand Hotels or our business reputation; operate the Hotel in a professional manner that meets or exceeds the generally accepted standards of performance of leading hotel operators in the industry, including any and all communications and interactions with employees and agents of Choice; refrain from disparaging or encouraging others to disparage Choice or its officers, directors, or employees, or otherwise making derogatory comments or statements, orally or in writing, concerning Choice's or its officers',

directors', or employees' character or business practices intending to harm Choice's or such individual's goodwill, reputation or standing;

d. Compliance with Laws; Limited Use. Comply with all local, state, and federal laws, rules, regulations and agency orders, and obtain all required permits and licenses, applicable to you, your employees, or the construction, renovation, operation, maintenance or promotion of the Hotel (including, but not limited to, all labor and employment laws), and not permit the Hotel to be used for any purpose or activity that is unlawful or that is not contemplated by this Agreement or the Rules and Regulations;

You understand and agree that you will be solely responsible for training your employees in the operation of the Hotel;

You understand and agree that your use of the Property Management System is governed by a separate agreement, as we may modify and/or update from time to time ("ChoiceAdvantage Software Terms of Use"), which ChoiceAdvantage Software Terms of Use are expressly incorporated herein by reference and made a part of this Agreement, and you agree that you will abide by such ChoiceAdvantage Software Terms of Use and pay all applicable fees described in the Rules and Regulations. You also acknowledge and agree that you and we have ownership rights in data used or generated by the Property Management System or the Reservation System;

h. Evaluation. Allow us (or any third party authorized by us) to enter the Hotel at any reasonable time to evaluate your compliance with this Agreement, the Rules and Regulations, and any quality assurance program we administer either directly or through an authorized third party. During such visit, you will assist us (or the authorized third party) in such manner as is required for us (or the authorized third party) to conduct our evaluation and, subject to availability, provide us (or the authorized third party) with one free Sleeping Room for one night. In addition, you agree that we (or the authorized third party) may evaluate your compliance with this Agreement, the Rules and Regulations, and any quality assurance program we administer, remotely and/or through data obtained from guest satisfaction surveys or programs. You agree that you will take all action necessary (including the supply to us of all information and the purchase of any supplies, equipment or services) to participate in any loyalty, discount or promotional programs, and that you will grant us all necessary rights in and to any photographs, video and/or other marketing materials that we may require in order to reasonably undertake such promotional programs on behalf of the Hotel, and/or some or all of the Other Choice Brand Hotels;

k. Travel Agent Commissions. Promptly pay all travel agent commissions and global distribution system charges due from you in connection with the Hotel whether payable by you directly or collected by us on behalf of others, and abide by the Rules and Regulations related to travel agent and global distribution system procedures;

l. System Referrals. Use your best efforts to maximize and increase the business of the Hotel, and if you are unable to accommodate a potential guest, refer the guest to Other Choice Brand Hotels that are near to the Hotel, if any;

Prior to the Opening Date, you will provide to us a certification from your architect, your general contractor, a consulting architect or you, on a form satisfactory to us, certifying that the Hotel is in compliance with all applicable provisions of the ADA. The Hotel may not open, use the Brand Mark or our System until this certification is properly completed and delivered to us;

n. Franchise Association. Join and maintain membership in a franchise association designated by us for hotels that are authorized to use the Brand Mark ("Franchise Association"), and pay monthly Franchise Association dues to us (or our designee) in an amount we reasonably require. You acknowledge and agree that the purpose of any Franchise Association created, sponsored, or endorsed by us will be to, among other things: affect a high-level relationship among all franchisees, and between individual franchisees and us, for the purpose of mutual advantage and cooperation; improve and encourage a high performance level and cooperative action among all franchisees; advance new ideas, discuss System-wide issues and focus attention on various matters as they relate to a significant number of franchisees; encourage an exchange of operational and promotional ideas; and make appropriate recommendations to us to assure that our plans and policies enhance our mutual interests. However, you acknowledge and agree that we are not required to obtain the consent of any Franchise Association on these or any other matters;

o. Renovations. Undertake, at our written request, remodeling, renovations, and modifications to existing improvements, necessary to modernize and conform the Hotel to the Rules and Regulations or other requirements of our System ("Renovations") and sign a property improvement plan or other writing that we prepare to document your obligation to complete such Renovations. Within 90 days after receipt of our written request that your Hotel undergo Renovations, you will submit to us for our review and approval, complete and professional drawings and plans for such Renovations before beginning any work to complete the Renovations. You will complete the required Renovations within the time reasonably specified by us in our written request. You acknowledge and agree that the obligations described in this Section 6(o) are in addition to your ongoing obligations to comply with Section 6(b) and Section 6(d);

r. Construction and Substantial Renovation Related Duties. If the Hotel has yet to be constructed

or if the Hotel is to be Substantially Renovated (as defined below):

1. Plans. Ensure that your preliminary drawings and designs for the Hotel satisfy the Rules and Regulations and the then-current prototype design specifications for hotels that are authorized to use the Brand Mark and provide a copy of your preliminary drawings and designs to us for our review and approval at least **6 months** before Construction Start, and final working drawings and final architectural designs for the Hotel ("Plans") to us for our review at least **3 months** before Construction Start. "Construction Start" means the date that bona fide pouring of footings for the Hotel begins at the Location in the case of a hotel to be constructed or the date that renovations begin in the case of an existing hotel that is to be Substantially Renovated. "Substantially Renovated" means the existing building is to be re-constructed on the interior in all areas (public spaces, guestrooms, and bathrooms) down to the concrete or stud walls (or drywall, if in good condition), including replacement of all (or substantially all) floors and ceilings. We agree to provide you with written notice of our review and determination of the Plans within 15 business days after the date we have received the Plans and agree that if we fail to provide you notice in accordance with this Section 6(r)(1), the Plans are deemed to be approved by us. If Construction Start does not commence within 6 months of our written approval of your final architectural designs for the hotel (or within 6 months of automatic approval if we fail to provide you notice within fifteen business days in accordance with this Section 6(r)(1)), then you must resubmit final architectural designs for approval at least 60 days prior to Construction Start;

2. Timing and Extensions. Cause Construction Start to occur within **12 months** of the Effective Date, and within 5 days after Construction Start, inform us in writing that Construction Start has occurred. If you do not cause Construction Start to occur within 12 months of the Effective Date of this Agreement, you may request, before the end of the 12 months, an additional 3 months for Construction Start. We are not obligated to extend the time for Construction Start. If we agree to extend the time for Construction Start beyond the original 12 month requirement, you will pay us an extension fee of \$5,000 for each 3-month extension that we grant to you;

3. Completion. Continue Hotel construction (or renovation) in accordance with the Plans, after Construction Start, without unreasonable interruption, until the Hotel is ready for our inspection. You must complete Hotel construction (or renovation), including furnishing, equipping, and preparing for opening, by the Opening Deadline (as defined in Section 6(s)(6)); and

4. Progress Reports. Send us, when we request during construction (or renovation), reports showing the progress made toward completing Hotel construction (or renovation).

s. Opening. Prior to the Opening Date:

1. Use of Brand Mark. Use the Brand Mark only as permitted in Section 7(c) of this Agreement;

2. Cooperation/Inspection. Cooperate with us, and require your architect, engineer, contractors and subcontractors to cooperate with us, and allow us to inspect the Location and the Hotel to determine whether construction (or renovation) satisfies the Rules and Regulations, the then-current prototype design specifications for hotels that are authorized to use the Brand Mark, and the Plans and/or the property improvement plan set forth in Attachment A (if applicable);

3. Hotel Supplies. Order, purchase and/or lease and install all Hotel Supplies, related equipment, supplies and other required items to operate the Hotel;

4. Advertising. Advertise the Hotel locally, at your expense and in a manner meeting our specifications; and

5. Opening Authorization. Notify us in writing at least 30 days before the Opening Date so that we can inspect, and if we reasonably determine it to be appropriate, authorize you to begin operating the Hotel under the Brand Mark and this Agreement. You will not begin operation of the Hotel using the

Brand Mark or our System until you have received our specific written authorization to do so; and

6. Opening Deadline. Ensure that the Opening Date occurs within **12 months** after Construction Start (if the Hotel has yet to be constructed or if the Hotel is to be Substantially Renovated), or the BES Deadline (if set forth in Attachment A) ("Opening Deadline").

t. Sources of Products and Services. Ensure that all products and services sold or offered for sale at the Hotel, and other products, materials, supplies, paper goods, fixtures, furnishings and equipment used at the Hotel, meet our standards and specifications. You must also purchase all products and services that we designate in the Rules and Regulations solely from suppliers (including manufacturers, distributors and other sources) approved by us (collectively, "Qualified Vendors"), which demonstrate, to our continuing reasonable satisfaction, the ability to meet our standards and specifications, who possess adequate quality controls and capacity to supply your needs promptly and reliably, and who have been approved by us in writing. We reserve the right to require you to purchase any or all approved products or services solely from us or our designated affiliate. We also reserve the right to receive a rebate or other benefit from Qualified Vendors based on purchases by you and other franchisees. We may limit the number of Qualified Vendors to obtain volume discounts and to promote consistent quality and adequate supplies for the brand. If you desire to purchase designated products or services from a party other than a Qualified Vendor, you must submit to us a written request to approve the proposed supplier, together with such information as we may reasonably require. Among the criteria that we consider is the financial stability of the supplier, whether the product or service meets our standards and specifications, and whether the product or service is of use to our franchisees. Our complete written criteria are available for review upon your request. Where applicable, the proposed supplier must submit product samples and specifications to us. We will use our best efforts to notify the proposed supplier within 90 days after we receive all required information and samples, although a longer period may be required for certain products or services due to their cost or importance to the brand or their financial impact on our franchisees. We may revoke our approval of particular products or Qualified Vendors when we determine, in our sole discretion, that such products or suppliers no longer meet our standards or specifications. By entering into this Agreement, you consent to Choice sharing your contact information with Qualified Vendors who provide services to franchisees under the Brand Mark. If such contact information is deemed "personal information" under state or federal law, and you do not want us to share this information, please contact us.

u. Confidential Information. Maintain the absolute confidentiality of the Confidential Information (as defined below) during and after the term of this Agreement. You agree that you: (i) will not use the Confidential Information in any capacity or business or purpose other than what is explicitly authorized under the terms of this Agreement; (ii) will not make unauthorized copies of any Confidential Information disclosed in written form; (iii) will adopt and implement all reasonable procedures we direct to prevent unauthorized use or disclosure of the Confidential Information. You shall divulge such Confidential Information only to such of your employees, attorneys, accountants, agents, lenders, or prospective purchasers of the Hotel as must have access to it in order to operate, loan money in connection with, or purchase the Hotel. "Confidential Information" includes the methods, techniques, formats, marketing and promotional techniques and procedures, specifications, information, Rules and Regulations, systems, costs and financial information that we communicate to you or that you otherwise acquire in operating the Hotel under the System. Confidential Information does not include information, processes or techniques that are generally known to the public, other than through disclosure (whether deliberate or inadvertent) by you.

7. Intellectual Property

a. No Ownership Rights. You acknowledge and agree that except as expressly permitted by this Agreement or any ChoiceAdvantage Software Terms of Use, you do not have any right, title or interest in and to the Brand Mark or the Choice Marks, Rules and Regulations, System, our then current concept and method for providing hotel accommodations using any of the Choice Marks, Property Management System, Reservation System, trade secrets or business methods (collectively "Intellectual Property") and you will not contest our rights in and to such Intellectual Property or to current or future derivations of or improvements made to the Intellectual Property, nor our right to register our rights in the Intellectual Property or to grant to others the right to use the Intellectual Property or any other intellectual property that

we own. You understand that the Intellectual Property will remain our property, and that your use of any portion of the Intellectual Property inures to our benefit. You also agree that you will not sub-license the Intellectual Property rights we have granted to you under this Agreement, to any other person or entity and you will not use such Intellectual Property for any purpose other than in connection with the Hotel in accordance with the terms of this Agreement. You agree to assign and you do hereby assign any and all rights you or any other party working on your behalf may have or develop in the Intellectual Property at no cost to us. You acknowledge and agree that all rights to our Intellectual Property that have not been granted to you in this Agreement will remain ours.

b. Limited Use; Web Sites. You acknowledge and agree that you will not include the Brand Mark (or any other Choice Marks), any words that constitute a portion of the Brand Mark (or any other Choice Marks), words that describe the Brand Mark (or any other Choice Marks), any portion of the names of our Property Management System or Reservation System, or anything confusingly similar to these marks or words ("Choice-Related Words") in your name or the name of any of your affiliates, whether a partnership, corporation, limited liability company, joint venture or any other type of business organization. You will not establish, or operate a previously established web site on the internet (or on any other network, wireless or otherwise) using any domain name (or other identifying characteristics) that contains any of the Choice-Related Words, or any other portion of our Intellectual Property or anything similar to our Intellectual Property or which does not comply with our then-current domain name policy or our property website guidelines, internet distribution policy, or such similar policies or regulations adopted by us from time to time and made available to you. You acknowledge and agree that the restrictions on your use of the Choice-Related Words will survive the expiration or earlier termination of this Agreement and that we retain the right to pre-approve your use of linking and framing between your internet (or other network) web pages and all other web sites. We have the right to determine the content and use of online or electronic media associated with any of the Choice Marks. You may not participate in any website or other electronic media (including social media) that markets goods and services under the Choice Marks unless it is first approved in writing by us.

c. Limited Use of Brand Mark. After the Effective Date but before the Opening Date, you may make the following limited use of the Brand Mark:

1. Temporary Signs. No earlier than 90 days prior to the Opening Date, use the Brand Mark on a temporary sign, meeting our standards, at the Location advising the general public that a hotel authorized to use the Brand Mark is under construction;

2. Local Media. No earlier than 90 days prior to the Opening Date, use the Brand Mark to promote the Hotel construction and opening in the local media;

3. Supplies. No earlier than 90 days prior to the Opening Date, purchase operating supplies and equipment bearing the Brand Mark required for Hotel operation; and

4. Permanent Signs. No earlier than 30 days before the Opening Date and only with our written consent, install permanent Hotel signs meeting our standards bearing the Brand Mark and the designated logo.

d. Permitted Registration. If you are required by law to register any of our Intellectual Property, your registration application must specify that you will use our Intellectual Property: (i) only at the Hotel and in advertising for the Hotel; (ii) only during the Term; and (iii) without claiming any rights in and to the Intellectual Property during or after the Term.

e. Notice of Suit; Injunctive Relief; Survival. You will promptly notify us of any suit filed or demand made against you challenging the validity of our Intellectual Property ("IP Claim"). Following the receipt of such notice from you and using our attorneys, we agree to defend you against any IP Claim, and to defend and indemnify you against your loss, cost or expense related to such IP Claim, except where such IP Claim arose because you used our Intellectual Property in violation of our domain name policy, property website guidelines, internet distribution policy, this Agreement, the ChoiceAdvantage Software Terms of Use, or the

Rules and Regulations. You will not settle or compromise any IP Claim without our prior written consent, and you agree to cooperate with us in defending against any such IP Claim. In connection with such IP Claim, you acknowledge and agree that if at any time during the Term you do not immediately discontinue the use of our Intellectual Property (including the Brand Mark) or the Choice-Related Words following our notice to you to discontinue such use, we will seek injunctive and equitable relief for your infringement (or use of the Choice-Related Words) and, in that event, you waive, to the maximum extent permitted by law, any requirement for any bond for the issuance of any injunction, and if a bond is required, you agree that it will not exceed \$1,000. The provisions of this Section 7 will survive the expiration or earlier termination of this Agreement.

f. Changes to Brand Mark. You agree and acknowledge that we have the right, in our sole discretion, to modify, add to, or discontinue use of the Brand Mark, or to substitute different proprietary marks, for use in identifying the System and/or the Hotel. You shall promptly comply with such changes, revisions and/or substitutions, and bear all the costs of modifying your interior and exterior signage, advertising materials, interior graphics and any other items which bear the Brand Mark to conform therewith.

8. Change in Sleeping Room Count. You may change the Sleeping Rooms by 5% or less by constructing additional (or removing) Sleeping Rooms, but only after providing prior written notice to us. If you wish to change the Sleeping Rooms by more than 5% by constructing additional (or removing) Sleeping Rooms or if you wish to make substantial alterations to the Hotel, you may not do so without our prior written consent, which may be conditioned on, among other things, our inspection of the Hotel and the applicable rooms. If we consent to your expansion of the Hotel or to substantial alterations to the Hotel, you must send us your construction plans and pay us an expansion fee for each addition to the number of Sleeping Rooms equal to the then-current per-room charge for hotels that are permitted to use the Brand Mark, but the expansion fee will be not less than \$1,000. We will add any additional Sleeping Rooms or Meeting Rooms that you construct to the Rentable Rooms (or delete any Sleeping Rooms or Meeting Rooms that you remove from the Rentable Rooms), and you will include revenues from the additional Sleeping Rooms and any additional Meeting Rooms to calculate the Gross Room Revenues for determining the Monthly Fees due under this Agreement.

9. Assignment.

a. Our Assignment. We may sell or assign all or part of our rights or obligations under this Agreement to any person or legal entity. Any such sale or assignment will inure to the benefit of any assignee or other successor.

b. Your Assignment. Your rights and duties under this Agreement are personal to you. We entered into this Agreement and granted the rights outlined in this Agreement to you in reliance on the business skill, financial capacity and personal character of you and your principal owners. You may not sell, assign, transfer, lease, or otherwise encumber any direct or indirect interest that you have in the Hotel, in you, or in any rights or obligations under this Agreement without giving us at least 15 days' prior written notice and obtaining our prior written consent, which will not be unreasonably withheld or delayed. Furthermore, if a Controlling Interest (as defined in Section 9(d)) of the originally approved ownership of the Hotel is being transferred or if you are conveying the Hotel or 50% or more of the undivided interest in the Hotel, you and the transferee must comply with all reasonable conditions we require before we will approve of such transfer, including, but not limited to, (i) the transferee signing our then-current form of the franchise agreement for hotels that are authorized to use the Brand Mark, (ii) the transferee signing a property improvement plan or other writing that we prepare to document the transferee's obligations to complete required Renovations (as defined in Section 6(o)), (iii) all of transferee's owners signing our then-current form of personal guaranty agreement, and (iv) payment of a re-licensing fee equal to the then-current affiliation fee we charge for new franchisees authorized to use the Brand Mark. We reserve the right to withhold our consent to any transfer if the Hotel fails to comply with our then-current brand image and standards or the transferee fails to demonstrate to our satisfaction that it meets our educational, managerial and business standards, possesses a good moral character, business reputation and credit rating, has the experience, aptitude and ability to operate the Hotel, and has adequate financial resources and capital to operate the Hotel. So long as you promptly provide us with written notice, our consent is not required for

the following: (1) a mortgage, deed of trust or other encumbrance, pledge or other grant of security interest in any direct or indirect interests in you or the Hotel to a third party lender or third party preferred equity provider; or (2) the sale, assignment or transfer by you of securities in a publicly-traded corporation or entity that individually, or in the aggregate with other sales or transfers by you, constitute the sale or transfer of less than 5% of the outstanding capital stock or other equity interests in you or the Hotel. If you assign or transfer the Hotel or any rights granted to you or your obligations under this Agreement without our written consent, you breach this Agreement and we may terminate this Agreement pursuant to Section 10(b)(2)(d).

c. Transfer due to Death or Mental Incompetence; Transfer to Close Family Member. If you, or any natural person with an ownership interest in you, dies or becomes mentally incompetent, the executor, administrator, or personal representative of that person must transfer that person's ownership interest in you or the Hotel (within 12 months after death or determination of mental incompetence) to one or more of the remaining persons in your entity (if applicable) or to heirs of the deceased person that we approve. If you wish to transfer your ownership interest in the Hotel to a Close Family Member that Close Family Member must demonstrate to us that he or she has both the financial ability and experience necessary to operate the Hotel as required by Section 9(b) before we will approve a transfer. For purposes of this Agreement, "Close Family Member" shall mean your adult spouse, parent, child, sibling, grandchild, or grandparent. No additional fees will be payable for any transfers of an ownership interest in the Hotel due to death or determination of mental incompetence. However, if you wish to transfer your ownership interest in the Hotel to a Close Family Member, an application fee (not to exceed \$7,500) will be due to us, which will be fully refundable if we do not approve the transfer. Our approvals under this Section 9(c) will not be unreasonably withheld or delayed.

d. Controlling Interest. For purposes of this Agreement, "Controlling Interest" includes your interest if you are an individual and you own 50% or more ownership interest in the Hotel, any general partner's interest in a partnership entity, 50% or more of the voting stock of a corporate entity, 50% or more of the ownership interests in a limited liability company, or a 50% or more undivided interest in the Hotel.

10. Default and Termination.

a. Termination By You. If we default in our material obligations under this Agreement, you may terminate this Agreement only if you first give us written notice of the defaults and of your intention to terminate this Agreement and we have not cured those defaults within 60 days after receiving your written notice. With regard to any defaults which are not reasonably capable of being cured within 60 days, the cure period shall be extended for a reasonable additional period of time provided that we have promptly commenced to cure or cause to be cured such default, and thereafter we diligently pursue our efforts in that regard.

b. Termination By Us.

1. Termination with Notice and Opportunity to Cure. If you default in your material obligations under this Agreement, we may terminate this Agreement, effective on the date stated in our notice (or the earliest date permitted by applicable law) as follows:

(a) Non-Payment of Fees. If you do not pay us the Monthly Fees or any other fees, charges and amounts due under this Agreement (including travel agent commissions and global distribution system fees) or file required monthly reports of Gross Room Revenues, within 10 days of our written notice of default to you; or

(b) Other Breach. If you do not cure fully any other breach of your obligations or warranties under this Agreement, within 30 days of our written notice of default to you (or such longer period we designate in our sole discretion).

(c) Cure Periods. You acknowledge and agree that we may, in our sole discretion, extend the time period for you to cure any default but are under no obligation to do so, and any such extension shall not constitute a waiver of the cure periods set forth in this Agreement.

2. Immediate Termination Effective on Notice. Upon written notice to you, we may terminate this Agreement immediately, without giving you an opportunity to cure the default, if:

(a) Imminent Threat. There is an imminent threat or danger to public health or the safety of persons or property resulting from the construction, renovation, maintenance, or operation of your Hotel;

(b) Abandonment; Loss of Possession; Failure to Open. Subject to Section 14 of this Agreement, you stop operating the Hotel using the Brand Mark or according to the requirements of our System or this Agreement for any period of time, you abandon the Hotel, you temporarily or permanently lose the right to possess the Hotel (including, without limitation, due to the appointment of a Receiver or an event of condemnation), you lose the right to operate the Hotel, you fail to open the Hotel using the Brand Mark or in accordance with this Agreement, or you lose the right to transact business in the jurisdiction in which the Hotel is located;

(c) Criminal Behavior. You (or a beneficial owner of you) are charged with or plead guilty to a felony, a fraud, a crime involving moral turpitude or any other crime or offense that we reasonably believe is likely to have an adverse effect on the Brand Mark, the Choice Marks, our System, the Other Choice Brand Hotels, our business, our goodwill, our Intellectual Property, or our interest in this Agreement or any other instrument or agreement that we may have entered with you;

(d) Transfer. You (or a beneficial owner of you) transfer or purport to transfer any rights or obligations under this Agreement, any Controlling Interest in you, your interest in the Hotel, or a Controlling Interest in the Hotel without our prior written consent, except as otherwise permitted under Section 9(b) or 9(c) hereof;

(e) False Records. You maintain false books or records, send us false reports, or make any materially false statement in your franchise application or any other document you are required to submit to us;

(f) Bankruptcy. You file a petition in bankruptcy, become insolvent, make a general assignment for the benefit of creditors, or are unable to pay your debts to creditors on a timely basis;

(g) Insurance. You do not buy, maintain or send us evidence of insurance as required by this Agreement, or if we opt to procure, on your behalf, insurance required by this Agreement and you fail to reimburse us as we require under Section 12(f);

(h) Multiple Defaults. We send you 2 or more written notices of default under this Agreement for the same or a similar cause or reason in any consecutive 12 month period during the Term, whether or not cured;

(i) Construction. You do not (i) begin construction or renovation of the Hotel on or before the date required by Section 6(r)(2) of this Agreement, (ii) submit Plans to us for our approval prior to Construction Start, and in accordance with Section 6(r)(1), or (iii) once begun, continue, without unreasonable interruptions, the construction or renovation of the Hotel;

(j) Opening Deadline. You fail to open the Hotel by the Opening Deadline in accordance with Section 6(s)(6);

(k) Property Improvement Deadline. You fail to complete required improvements and/or repairs to upgrade the Hotel by the deadline(s) set forth in a property improvement plan;

(l) Goodwill. You engage in conduct that impairs the image, identity, value or goodwill associated with the Brand Mark (or any other Choice Marks) or the System;

(m) Confidential Information. You make a material unauthorized disclosure of Confidential Information; or

(n) Other Agreements. You or your affiliate (or a beneficial owner of you or your affiliate) materially breaches any other instrument or agreement with us or our affiliates, or any mortgage, deed of trust or lease covering the Hotel, unless cured within any applicable notice or grace periods contained in such document.

c. Suspension of Franchise Rights. If you breach any material obligation required by this Agreement or are in default hereunder, we may, after 10 days from our written notice of default (or longer time required by law) for financial defaults, or after 30 days from our written notice of default (or longer time required by law) for non-financial defaults, or immediately in the case of a breach under Section 10(b)(2), above: (i) suspend any or all services that we (or our authorized representative) provide to you in connection with our System including your access to our Central Reservations System; or (ii) suspend your right to use our Intellectual Property. In addition, while the default remains uncured, you will have no rights under the Impact Policy or the Fair Franchising Policy (as defined in Section 19(b)). In our sole discretion, we may reinstate the suspended System services or the right to use our Intellectual Property if you cure your default before this Agreement terminates and pay us the then-current reinstatement fee (as established in the Rules and Regulations). If we suspend System services or your right to use our Intellectual Property, we may use other remedies, including termination of this Agreement, after the appropriate time to cure, if any, has lapsed.

d. Our Remedies.

1. No System Services. If this Agreement expires or is terminated, we will cease to provide you with any services in connection with our System, which will include removal of the Hotel from any directories, websites, and other distribution channels, cessation of promotion programs and advertising, and cessation of your right to use our Intellectual Property. In addition, we may notify guests holding reservations that the Hotel is no longer authorized to use the Brand Mark, use our Intellectual Property or receive services in connection with our System, and we may relocate such guests upon their request.

2. Liquidated Damages – Post-Opening Termination. If we terminate this Agreement due to your default after the Opening Date, you will pay us, within 30 days after termination, as liquidated damages and not as a penalty for the premature termination of this Agreement, an amount equal to the product of (i) the average monthly Gross Room Revenues during the prior 12 full calendar months (or such shorter time that the Hotel has been open), multiplied by (ii) the maximum Royalty Fee payable under Section 4(b)(1), multiplied by (iii) the number of months (including partial months, which will be prorated) between the date of termination and the next date that you could have terminated this Agreement under Section 3, not to exceed 36 months. However, the product of (i) multiplied by (ii) will not be less than the product of \$25.00 multiplied by the number of contractually approved Sleeping Rooms.

3. Liquidated Damages – Pre-Opening Termination. If we terminate this Agreement due to your default prior to the Opening Date, you will pay us, within 30 days after the termination, as liquidated damages and not as a penalty for the premature termination of this Agreement, an amount equal to the product of (i) the number of contractually approved Sleeping Rooms, multiplied by (ii) \$25.00, multiplied by (iii) the fewest number of months after the Opening Date that you would have been permitted to terminate this Agreement under Section 3, not to exceed 36 months.

4. Reasonable Estimate. You acknowledge and agree that the injury to us caused by your breach of this Agreement and its termination is difficult or impossible to accurately estimate, and that the methods of calculating liquidated damages in Sections 10(d)(2), 10(d)(3), and 11(a) are reasonable estimates of our probable loss resulting from your breach of this Agreement and its termination. Payment of liquidated damages by you does not affect your obligation to pay us all Monthly Fees and other fees and amounts due to us that accrued before the termination of this Agreement, nor does it affect your continuing indemnification obligations pursuant to Section 13 of this Agreement.

5. Discounted Liquidated Damages. We will reduce the amount of liquidated damages payable to us under this Section 10(d) by 20% (the “Discounted Liquidated Damages Amount”) if, within 15 days of termination of this Agreement, you (i) discontinue all use of our Intellectual Property (including the Brand Mark and Choice-Related Words), (ii) pay all outstanding fees and charges due under this Agreement and any other franchise agreement between Choice and you or your affiliate, and (iii) pay the Discounted Liquidated Damages Amount to us by certified or cashier’s check. Notwithstanding the foregoing, if we terminate this Agreement pursuant to Section 10(b)(2)(b) because you abandon the Hotel or stop operating the Hotel using the Brand Mark or according to the requirements of our System or this Agreement, we will reduce the amount of liquidated damages payable to us under this Section 10(d) by only 5%, provided that you comply with (i) through (iii) above.

e. Evidence of Breach. If the validity of the termination of this Agreement is disputed, we may introduce evidence of a breach of this Agreement or evidence of any claim associated with the Hotel, including any facilities that are managed by others at the Hotel, whether or not stated in the default or termination notice.

11. Obligations on Termination. On termination or expiration of this Agreement for any reason, you must, at your expense:

a. Intellectual Property. Immediately discontinue all use of our Intellectual Property, refrain from using the Brand Mark to identify the Hotel and cease to use the Choice-Related Words. If you do not immediately discontinue use of our Intellectual Property (including the Brand Mark) or use of the Choice-Related Words following the expiration or termination of this Agreement, you will pay us as liquidated damages and not as a penalty, the sum of \$2,500 for each day following the termination of this Agreement that you continue to use our Intellectual Property (including the Brand Mark) or the Choice-Related Words, and we will have the right to seek injunctive and equitable relief for your infringement (or use of the Choice-Related Words) and, in that event, you waive, to the maximum extent permitted by law, any requirement for any bond for the issuance of any injunction, and if a bond is required, you agree that it will not exceed \$1,000;

b. Registration. Cancel any assumed name or similar registration containing our Intellectual Property (including the Brand Mark) or any variation or portion of our Intellectual Property (including the Brand Mark) or the Choice-Related Words, discontinue all use of any web sites or other electronic media (including social media) that markets goods and services under the Choice Marks and furnish us with reasonable evidence showing that you complied with these obligations within 30 days after termination or expiration of this Agreement;

c. Payment. Promptly pay all sums owed to us and our subsidiaries or affiliates, and all damages, costs, and expenses, including reasonable attorneys’ fees, that we incur, either before or following the termination of this Agreement, as a result of your default, including all outstanding Monthly Fees, any liquidated damages due under this Agreement, and any costs and expenses we incur to obtain injunctive relief for the enforcement of any portion of this Agreement; and

d. Return or Destroy Materials. Immediately return to us, or at our option, destroy all originals and copies of any materials that we have provided to you relating to our System and your operation of the Hotel, including all copies of any manuals, the Rules and Regulations and any data stored in or generated by our Property Management System and Reservation System. Except for your copy of this Agreement and other documents that you reasonably need to comply with applicable laws, you may not retain any material that we provided to you during the Term.

12. Insurance

a. Pre-Opening Coverage. You must purchase by Construction Start and maintain until the Opening Date, at your expense, directly or through your general contractor, the types and amounts of insurance coverage as we may require in the Rules and Regulations or otherwise in writing, including, but not limited to:

1. General Liability. Commercial General Liability Insurance (including automobile liability, bodily injury and property damage) protecting you and naming us and our affiliates and subsidiaries, our and their respective officers, directors, agents and employees as Additional Insureds (as defined in Section 12(c)) from and against all types of liabilities, including personal injury and property damage, together with the costs of defense and/or adjustments arising out of the operations to construct or renovate the Hotel. The insurance must include coverage for contractual liability, explosion, collapse and underground property damage hazard liability, personal injury liability, products and completed operations liability, owner's and contractor's protective liability, and independent contractor's liability and must be accompanied by waivers of subrogation in our favor and the favor of our affiliates and subsidiaries, the officers, directors, agents and employers of us, our affiliates and subsidiaries.

2. Builder's Risk. All-risk builder's risk coverage to insure the Hotel buildings under construction or renovation to 100% of their replacement cost value, protecting you, us and the Additional Insureds, and a workers' compensation policy as required by statute.

b. Post-Opening Coverage. Beginning no later than the Opening Date and for the rest of the Term, you must purchase and maintain, at your expense, the types and amounts of insurance coverage as we may require in the Rules and Regulations or otherwise in writing, including, but not limited to:

1. Physical Damage Coverage. All-risk physical damage coverage, insuring the Hotel and its contents for its full replacement cost. If the Hotel is damaged or destroyed, and unless a mortgagee requires otherwise, the proceeds of any insurance will be used to repair or restore the Hotel in accordance with your plans that we approve. Your insurance must contain a waiver of subrogation in our favor and the favor of our affiliates and subsidiaries, the officers, directors, agents and employees of us, our affiliates and subsidiaries.

2. General Liability; Automobile. Commercial Automobile and Commercial General Liability Insurance policies written on an occurrence form protecting you and the Additional Insureds (as defined in Section 12(c)) from and against all manner of liability. The coverage described in the preceding sentence is primary to any coverage that we maintain and must include Contractual, Products and Completed Operations, Independent Contractors, Personal Injury, Property Damage, Bodily Injury and Host Liquor Liability coverage (if applicable), together with the costs and expenses of the defense and/or adjustment of injury or damage, without exception, from or in any way related to any operation or activity conducted under this Agreement and/or of the Hotel, including adjacent areas like swimming pools, parking lots, restaurants, and bars. Your Automobile Liability Policy must cover owned, hired and non-owned vehicles used in the operation of the Hotel. The policies described in this Section 12(b)(2) must cover lawsuits or actions brought anywhere in the world. These policies must provide limits per location and per occurrence as required in the Rules and Regulations and must be accompanied by a waiver of subrogation in favor of the Additional Insureds. You may meet the required total minimum limits through a combination of primary and umbrella policies. If alcoholic beverages are sold at the Hotel (whether or not you own the establishment that sells the alcohol), you must purchase and maintain Dram Shop/Liquor Liability Insurance with such limits as required in the Rules and Regulations.

3. Workers' Compensation. Statutory Workers Compensation and Employers Liability insurance with minimum Employers Liability limits per accident and per disease as required in the Rules and Regulations.

4. Business Interruption. Business interruption insurance that shall provide for coverage of a minimum of three (3) months in the event the Hotel is not operational at any time during the Term. Your business interruption insurance policy must name us as a specific loss payee.

5. Cyber Liability. Cyber Liability insurance providing minimum coverage as required by the Rules and Regulations.

c. Additional Insured Requirement. You must also obtain and attach an endorsement for all

commercial automobile, commercial general and umbrella policies used to meet the requirements in Sections 12(a) and 12(b) adding us, our affiliates and subsidiaries, our and their respective officers, directors, agents, partners and employees, as additional insureds ("Additional Insureds").

d. Rating; Primary Coverage; Notice of Change. You must place your insurance with insurance companies reasonably acceptable to us and with an A.M. Best Rating of A-, VI or better. All insurance, commercial automobile, commercial general liability, umbrella and dram shop/liquor liability (if applicable), that you purchase must be specifically endorsed to provide that the coverage will be primary and that any insurance carried by Additional Insureds will be excess and non-contributory. We may reasonably change the insurance coverage requirements set forth in this Section 12 during the Term by giving you at least 30 days' notice of the change. You must comply with our directions, at your expense, and deliver to us evidence of your compliance before the change becomes effective.

e. Certificates of Insurance. You must send us, by no later than ten (10) days prior to Construction Start and/or the Opening Date, as applicable under Sections 12(a) and 12(b), certificates of insurance, endorsements, declarations and/or other documents requested by us, indicating your property code, the Hotel name and address, and proof that you have purchased the required insurance coverage and the Additional Insureds endorsement has been accepted by your insurance carrier. You must also provide us with evidence of renewal before the expiration date of each insurance policy. You are responsible for providing us with 30 days' advanced written notice if the certificate of insurance by the insurer has been canceled, reduced in coverage, or otherwise altered. Acceptance by Choice of an improper certificate of insurance shall not constitute a waiver, release or modification of any of the insurance coverage and endorsements required under this Agreement.

f. Procurement of Insurance. If you, for any reason, fail to procure or provide us with evidence that you maintain at least the minimum insurance required by Section 12(a) or 12(b), as applicable (or as designated by us from time to time in the Rules and Regulations) together with the endorsement required by Section 12(c), you acknowledge and agree that we will have the immediate right and authority, but not the obligation, to procure such insurance on your behalf, and charge you the cost of the insurance and, at our option, a reasonable penalty. You agree that you will reimburse us for the cost of such insurance and for any reasonable out-of-pocket costs that we incur should we elect to obtain such insurance within 30 days of receipt of our notice that such costs are due and payable to us. The foregoing shall not limit our right to terminate this Agreement pursuant to Section 10(b)(2)(g).

g. No Waiver of Obligations. Your purchase and maintenance of insurance and your performance of your obligations under this Agreement are in addition to your obligation to indemnify us. If applicable, you should obtain additional insurance coverage since we do not require insurance against all potentially insurable risks, such as Employment Practices Liability insurance; if you do, for your protection, you should name us as an Additional Insured on this additional coverage.

13. Indemnification. To the fullest extent permitted by law, you must defend, indemnify and hold harmless us, our affiliates and subsidiaries, our and their respective officers, directors, agents, partners and employees (each, an "Indemnified Party") from and against any claim, loss, cost, damage, expense judgment and liability, including, but not limited to, employment related liability and environmental liability (a "Claim"), including reasonable attorneys' fees (whether or not a lawsuit has been filed) and any court costs, resulting in whole or in part from any damage or loss, including personal injury, of any nature, connected with the Hotel construction, renovation or operation, or any facilities that are managed by others in the Hotel, or out of, or as a result of, in whole or in part your (or your agent's or employee's) error, omission, act or failure, even where negligence of an Indemnified Party is alleged, except to the extent that the loss, costs, damage, expense or liability is solely and proximately caused by the negligence of an Indemnified Party. Notwithstanding the foregoing, if we are required by a court of law to contribute to any Claim, the amount of our contribution will be calculated by applying principles of comparative negligence where a Claim was jointly caused by your negligence and by our negligence. You must reimburse us for all amounts we reasonably spend, including attorneys' fees and court costs, to protect the Indemnified Parties from, or to remedy, your defaults under this Agreement or claims arising out of your operation of the Hotel. We will have the sole and exclusive control (including the right to be represented by attorneys of our

choosing) over the defense of any Claims against an Indemnified Party and over their settlement, compromise or other disposition. This provision will be deemed divisible, such that if it is in any way (or to any extent) determined to be invalid or unenforceable, it will be deemed modified so as to be valid and enforceable and to be in full force and effect to the fullest extent permitted by law. This provision will survive the expiration or earlier termination of this Agreement.

14. Casualty. If the Hotel is damaged by fire, natural disaster or other casualty, you must promptly and properly repair the damage. If the damage or repair requires closing the Hotel, you must immediately notify us, begin reconstruction within 6 months after that closing; reopen the Hotel for continuous business operation in accordance with the Rules and Regulations as soon as practicable (but in any event within 12 months after the Hotel closing), and send us at least 30 days' prior written notice of the date of reopening. Upon your written request, we will extend the Term of this Agreement by the number of days between the date of the original closing of the Hotel and the date of reopening. If insurance proceeds are not available or are insufficient to repair or rebuild the Hotel and if you provide us with reasonable evidence that such proceeds are not available to you within 6 months after the original closing of the Hotel, and provided that you are not in default at the time of casualty and are not the cause of the insurance proceeds not being available, then we will terminate this Agreement without penalty to either party.

15. Notices. All notices required or permitted under this Agreement must be in writing, must be personally delivered or mailed by registered or certified mail, return receipt requested, or by a nationally recognized delivery or courier service that allows tracking of packages or letters, to us at **Choice Hotels International, Inc., 1 Choice Hotels Circle, Suite 400, Rockville, Maryland 20850, Attention: General Counsel**, or at such other address we require upon written notice to you, and to you at the Designated Representative's address set forth in Section 1 of this Agreement. You authorize the Designated Representative to submit written notices to us or receive our written notices to you as your agent. Any notice by registered or certified mail or by delivery or courier service is deemed given and received at the date and time of sending. You may change the Designated Representative and/or the Designated Representative's address by written notice to us.

16. Attorneys' Fees. Attorneys' fees must be paid according to the terms of this Section 16 and also, as may be applicable, Section 13 of this Agreement. The prevailing party (as determined by the court or arbitrator) in any arbitration or claim filed to enforce the terms of this Agreement will recover from the other party the reasonable expenses of its attorneys, whether that attorney is employed by you or us or specially retained in connection with the proceeding, along with any court costs, arbitration costs, arbitrator fees, the reasonable costs of necessary expert witnesses, and the reasonable travel costs (including food and lodging) of the prevailing party's witnesses in the proceeding. If such a claim seeks, in whole or in part, attorneys' fees under Section 13, that provision will control. Attorneys' fees, including those payable to any attorney who is an employee of yours or ours, will be determined by reference to the usual and customary rate for such attorney, and the rates charged by attorneys of similar background and experience performing similar work in the area where the proceeding is conducted. Any judgment or arbitration award for fees or other amounts owed to us to enforce our rights under Section 4, Section 10(d) or Section 21 of this Agreement will bear interest at the rate referred to in Section 4(f) until paid.

17. Taxes, Permits; Notice of Legal Actions.

a. **Taxes.** You must pay when due all taxes related to the Hotel that may be levied or assessed by any federal, state, or local taxing authority, and all other indebtedness related to the Hotel. You shall comply with all federal, state, and local tax laws. You shall pay all property taxes imposed on your property when they are due. You shall be responsible for all state and local sales and transaction taxes that are imposed on, or measured by, the gross receipts paid to Choice pursuant to this Agreement.

b. **Permits.** You must timely obtain and maintain all permits, certificates, and licenses necessary for the construction, renovation, operation and maintenance of the Hotel, including licenses to do business, fictitious name registration and sales tax permits, health and sanitation permits, and ratings and fire clearances. You must send us, within 10 days of your receipt, copies of all inspection reports, warnings, certificates, and ratings, received from any governmental entity.

c. Notice of Suit. You must notify us in writing and provide us with copies, within 5 days of your receipt, of any actual or threatened criminal or civil action, suit, proceeding, or the issuance of any order, writ, injunction, award, or decree of any court, agency, or other governmental instrumentality affecting you or the Hotel.

18. Approvals and Waivers.

a. Approvals. Our approvals and consents will not be effective unless signed by one of our duly-authorized representatives. We may withhold our consent in our reasonable discretion or at any time when you are in breach of any obligation under this Agreement.

b. Reliance; No Liability. Except as otherwise expressly stated in this Agreement (including any addenda or amendments), we make no warranties or guarantees on which you may rely. We assume no liability or obligation to you by providing any waiver, approval, consent, suggestion to you, or by reason of any delay or denial of any request that you make to us.

c. No Waiver/Forbearance. Failure to exercise any power or to insist on strict compliance with any obligation or condition under this Agreement is not a waiver of any future right to demand exact compliance with any of the terms in this Agreement. Waiver of any particular default or extension of any cure period will not affect or impair a party's rights with respect to any later default of the same, similar, or a different nature. No delay, forbearance, or omission to exercise any power or right of a party following any breach or default of any of the terms, sections, or covenants of this Agreement by the defaulting party, will affect or impair the rights of the party not in default.

19. Acknowledgments.

a. No Warranty or Guarantee. You acknowledge and agree that you have conducted an independent investigation of the benefits of signing this Agreement, and you understand that the business venture contemplated by this Agreement involves business risks, and that its success will be largely dependent on your ability as an independent businessperson. We have not made, and you acknowledge that you have not received from us or our agents, any representations, projection, warranty or guarantee, express or implied, as to the profitability or other potential success of the business venture contemplated by this Agreement, except as expressly set forth in the Franchise Disclosure Document.

b. Limited Rights. You acknowledge and agree that this Agreement and the limited rights to use the Intellectual Property granted to you under this Agreement relate only to the Hotel and the Location. Except as may be specifically set forth in Section 2, this Agreement does not grant you any protected area, market or territorial rights. Subject to the terms of our then-current incremental impact policy ("Impact Policy") and our then-current version of the fair franchising policy ("Fair Franchising Policy"): (i) we may own, operate, or franchise other hotels and/or allow such hotels to use our Intellectual Property (including the Brand Mark), at any other location, either separately or combined; and (ii) we, and any of our affiliates and other franchisees may now or in the future engage in transient lodging or related business activities that may compete with the Hotel.

c. Control; No Duty; Independent Contractor. You acknowledge and agree that you are solely responsible for exercising ordinary, day-to-day business control over the Hotel, including all personnel and employment related matters and decisions and pricing of rooms and other services at the Hotel, regardless of any advice or consultation received from us. This includes, but is not limited to, hiring and firing employees, supervising and controlling employees' work schedules and conditions of employment, determining employees' rate and method of payment, and maintaining employees' employment records. Neither this Agreement nor the Rules and Regulations create a fiduciary or joint employer relationship between you and us or between your employees and us. You are an independent contractor. Nothing in this Agreement or the Rules and Regulations makes, or is intended to make, either party an agent, legal representative, subsidiary, joint venturer, partner, employee, joint employer or servant of the other (except that you agree that we may act as your agent when making reservations for your Hotel).

d. No Right to Contract; No Third-Party Obligations; Truthfulness. You acknowledge and agree that you are not authorized to make any contract, agreement, warranty, or representation on our behalf, or to incur any debt or other obligation in our name; and we shall in no event assume liability for, or be deemed liable hereunder as a result of, any such action. You acknowledge and agree that you will not represent in any proposed financing agreement or to any proposed lender or participant in a public or private investment offering that we or any of our affiliates is, or will, become responsible for your obligations under the financing agreement, nor that we are, or will be, participating in any private or public investment offering. Before you distribute a prospectus of your intended private or public offering, you must send us a copy for our prior written approval, not to be unreasonably withheld, of references made to us in the prospectus. You warrant the truth and completeness of all your statements in your application and the content of all other documents that you send to us as part of the application process and that you are required to submit to us under this Agreement.

e. Disclosure. You acknowledge that you received from us the Franchise Disclosure Document required by the Federal Trade Commission and by the applicable state(s) in which you live and where the Hotel is located at least 14 days before you signed this Agreement or paid to us any consideration for the hotel franchise.

f. Ownership. You warrant that you are the true owner of, and record holder of title to, the Hotel, or that you are currently leasing the Hotel under a lease that allows you the right to enter into this Agreement. If you are a corporation, limited liability company, partnership, or other entity, all owners of the entity, including any subsequent person or entity that becomes an owner at any time after the Effective Date, shall sign our then-current form of personal guaranty agreement, unless expressly waived by us in our sole discretion.

g. Data Security. You acknowledge and agree that we and you each own the rights in and to any data captured by the Property Management System or Reservation System ("Guest Data") and that we may use Guest Data in any reasonable manner that we determine. You also acknowledge and agree that you are obligated to comply with all information security and data privacy standards and requirements contained in the Rules and Regulations and all applicable federal and state laws, regulations, and standards relating to information security and data privacy, including, without limitation, the Payment Card Industry Data Security Standard ("PCI DSS"). You must secure all Guest Data against loss or theft and against unauthorized or unintended access, disclosure, copying, use or modification. You agree to notify us in writing as soon as practicable (and at least within 24 hours) of any known, suspected, or alleged security breach of Guest Data in your possession or custody or under your control. You also acknowledge and agree that you are obligated to indemnify us from and against any Claim resulting from any such data security breach pursuant to Section 13 of this Agreement. Without limiting the foregoing, to the extent we possess or otherwise provide services that allow for the storage, processing, or transmittal of Guest Data as defined by the PCI DSS ("Services"), or to the extent we could impact the security of the Guest Data environment, we will remain in compliance with the applicable PCI DSS requirements with respect to those Services. We will also remain aware of changes to the PCI DSS and implement all procedures and practices as may be reasonably necessary for the Services to remain in compliance with the PCI DSS, in each case at our sole cost and expense.

h. System Fee. You acknowledge and agree that we may use the System Fee to meet all costs incident to providing the Hotel (and all Other Choice Brand Hotels) with marketing and advertising services, the Property Management System, and the Reservation System, and that such costs may include certain of our overhead expenses that are reasonably allocated to provide such services. You further agree that we have the absolute and unilateral right to determine, when, how and what portion of the System Fee may be used for (i) marketing purposes, including the right to purchase and pay for marketing services, product research and development, production materials, ad slicks, brochures, videotapes, radio and television commercials, media advertising (internet, e-commerce, television, radio, cable, magazines, newspapers and other print), services provided by advertising agencies, market research, trade shows, conventions, promotions, research and design, public relations, and loyalty programs, (ii) the development, operation and maintenance of the Property Management System and Reservation System, and (iii) the cost of

personnel, accounting services, travel expenses, office space, overhead costs, administrative costs, computers, other equipment, furniture, salaries and fringe benefits, development, design and maintenance of internet web-pages and websites, including internet service provider costs, network costs, and for other similar costs that we reasonably deem to be appropriate. You also acknowledge that other franchisees authorized to use our System may not contribute the same percentage or total amount that you must pay to us as the System Fee. You further acknowledge and agree that we are not obligated, in expending the System Fee, to make expenditures for your Hotel or Brand Mark which are equivalent or proportionate to your contribution.

i. ChoiceAdvantage Software Terms of Use. You acknowledge and agree that your right to use the Property Management System will be governed by the ChoiceAdvantage Software Terms of Use that are provided to you in an online format which you agree to review periodically. You acknowledge and agree that the ChoiceAdvantage Software Terms of Use are specifically incorporated as part of this Agreement and you will comply with the terms and conditions of the then-current ChoiceAdvantage Software Terms of Use. You agree that you, the Hotel's general manager, or any other authorized employee of the Hotel ("Authorized User") may accept and agree on behalf of you to the terms and conditions of the ChoiceAdvantage Software Terms of Use. You also acknowledge and agree that we have the right, in our sole discretion, to modify, add or remove any terms or conditions of the ChoiceAdvantage Software Terms of Use. Changes to the ChoiceAdvantage Software Terms of Use will be posted online and will be immediately effective. You agree that use by an Authorized User of the Property Management System after we post any such changes will indicate that you accept and agree to the ChoiceAdvantage Software Terms of Use, as modified.

j. No Liability. You acknowledge and agree that we will not assume liability for, or be deemed liable as a result of, any act or omission of yours relating to the construction, renovation, operation, maintenance or promotion of the Hotel or for any claim or judgment arising from such act or omission.

k. Anti-Terrorism / Anti-Bribery Laws. You individually represent and warrant to us that neither you (including your directors and officers, senior management and shareholders (or other persons) having a controlling interest in you), nor any affiliates or funding sources are (a) owned or controlled by, or acting on behalf of, the government of any country that is subject to an embargo imposed by the United States government; or (b) an entity or individual ("Person") identified by any government or legal authority under applicable laws as a Person with whom dealings and transactions by us are prohibited or restricted, including Persons designated on the U.S. Department of the Treasury's Office of Foreign Assets Control (OFAC) List of Specially Designated Nationals and Other Blocked Persons (including known terrorists and narcotics and human traffickers). You will promptly notify us in writing upon the occurrence of any event which would render the foregoing representations and warranties incorrect. You further represent and warrant to us that you, including persons having a controlling interest in you, are not in violation of any anti-money laundering laws, anti-terrorism, anti-bribery, trade sanctions or other laws or embargoes, including without limitation the U.S. Patriot Act and the U.S. Foreign Corrupt Practices Act and related regulations and executive orders. You represent and warrant that you are qualified to do business in the United States, have the authority to execute this Agreement, and are eligible under applicable United States laws to carry out the obligations under this Agreement and any subsequent assumption of your rights and obligations under this Agreement.

l. Child Protection Code of Conduct. We are a member of "The Code of Conduct for the Protection of Children from Sexual Exploitation in Travel and Tourism" (www.thecode.org) ("The Code"), which is an industry-driven responsible tourism initiative with a mission to provide awareness, tools, and support to the tourism industry in order to prevent the sexual exploitation of children. You agree to support the principles of The Code and to take all reasonable steps at the Hotel, including the training of staff, to recognize and prevent all forms of human trafficking.

20. Miscellaneous.

a. Severability. If any section of this Agreement is held to be illegal, invalid or unenforceable, both parties agree that (i) the section will be removed; (ii) this Agreement will be understood and enforced as if

the illegal, invalid, or unenforceable section had never been in this Agreement; and (iii) the remaining sections will remain in full force and effect and will not be affected by the illegal, invalid, or unenforceable section or by its removal. A section similar to the removed section will be automatically added as a part of this Agreement to the maximum extent enforceable.

b. No Third Party Beneficiaries. Except as otherwise expressly provided in this Agreement, nothing in this Agreement is intended, nor will anything in this Agreement be deemed, to confer on any person or legal entity other than us or you, or our respective successors and permitted assigns, any rights or remedies under or by reason of this Agreement.

c. Headings. All captions and headings in this Agreement are intended solely for the convenience of the parties and do not affect the meaning or construction of any section.

d. References. All references to the masculine, neuter, or singular, include the masculine, feminine, neuter, or plural. The word "include" and its derivatives are not to be construed as terms of limitation. If "you" consists of more than one person or entity, your acknowledgments, promises, covenants, agreements, and obligations made or undertaken in this Agreement are jointly and severally undertaken by each of you.

e. Counterparts. If this Agreement is executed in multiple counterparts, each executed copy is an original.

f. Governing Law. This Agreement becomes valid and effective only when we have signed it, and it will be interpreted under the substantive laws of Maryland, not including its conflict of laws provision or such provisions of any other jurisdiction; except that nothing herein shall be construed to establish independently your right to pursue claims under Maryland's Franchise Registration and Disclosure Law.

g. Cumulative Rights and Remedies. Rights and remedies stated in this Agreement are cumulative and not exclusive of any other right or remedy.

h. Attachments/Addenda. All attachments, addenda, and amendments to this Agreement are incorporated into and a part of this Agreement. Any addenda or amendments to this Agreement will not be effective unless signed by one of our duly-authorized representatives and by you. All duly-executed addenda and/or amendments are incorporated into and will become a part of this Agreement.

i. Survival. Those of your obligations and our obligations under this Agreement which expressly or by their nature survive the expiration or earlier termination of this Agreement will survive such expiration or termination, including, but not limited to, Sections 7, 10(d), 11, 13, 16, 17, 18, 19, 20, 21, 22, 23 and 24.

j. Seal. This Agreement is a contract under seal and is intended by the parties to be a specialty under Maryland law.

k. Electronic Signatures. The parties hereby acknowledge and agree that electronic signatures, facsimile signatures or signatures transmitted by electronic mail in so-called "pdf" format shall be legal and binding and shall have the same full force and effect as if an original of this Agreement had been signed and delivered by hand. You and we both (i) intend to be bound by the signatures (whether original, faxed or electronic) on any document sent by electronic means, (ii) are aware that the other party will rely on such signatures, and (iii) hereby waive any defenses to the enforcement of the terms of this Agreement based on the foregoing forms of signature.

21. Arbitration. Except for our claims against you for indemnification or actions seeking to enjoin you from using any of our Intellectual Property (including the Brand Mark) or the Choice-Related Words in violation of this Agreement or any other related agreements (including the ChoiceAdvantage Software Terms of Use), any controversy or claim arising out of or relating to this Agreement or any other related agreements, or the breach of this Agreement or any other related agreements, including any claim that this Agreement or any part of this Agreement or any related

agreements is invalid, illegal, or otherwise voidable or void, as well as any claim that we violated any laws in connection with the execution or enforcement of this Agreement or any related agreements and any claim for declaratory relief, will be sent to final and binding arbitration in the state of Maryland before either the American Arbitration Association, J.A.M.S., or National Arbitration Forum in accordance with the Commercial Arbitration Rules of the American Arbitration Association, including its rules for emergency measures of protection, except to the extent that the Commercial Rules of the American Arbitration Association may be interpreted to require you or us to produce documents, witnesses, or information at a time other than at a hearing on the claim without our mutual consent. In the event more than one demand for arbitration is filed in connection with this Agreement or any related agreements, the demand filed with the American Arbitration Association, J.A.M.S., or National Arbitration Forum office having jurisdiction over Maryland proceedings shall take precedence, and any other demand shall be withdrawn and presented in the Maryland filing. The arbitrator will apply the substantive laws of Maryland, without reference to its conflict of laws provision, except that nothing herein shall be construed to establish independently your right to pursue claims under Maryland's Franchise Registration and Disclosure Law. Judgment on the arbitration award may be entered in any court having jurisdiction. If any party fails to appear at any properly noticed arbitration proceeding, an award may be entered against the party, notwithstanding its failure to appear. Any arbitration will be conducted at our headquarters office in Maryland and the parties agree that any state laws attempting to prohibit arbitration in Maryland are pre-empted by the Federal Arbitration Act. Nothing in this Section 21 will be construed as requiring you or us to make a claim in arbitration before exercising any rights you or we may have to give notice of default or termination in accordance with the terms of this Agreement or any related agreements.

22. NO CLASS ACTIONS. NEITHER YOU NOR WE SHALL SEEK TO LITIGATE OR ARBITRATE AGAINST THE OTHER PARTY TO THIS AGREEMENT OR SUCH PARTY'S AFFILIATES, EITHER AS A REPRESENTATIVE OF, OR ON BEHALF OF, ANY OTHER PERSON, CLASS, OR ENTITY, ANY DISPUTE, CONTROVERSY, OR CLAIM OF ANY KIND ARISING OUT OF, OR RELATING TO, THIS AGREEMENT, THE RIGHTS AND OBLIGATIONS OF THE PARTIES, THE SALE OF THE FRANCHISE, OR OTHER CLAIMS OR CAUSES OF ACTION RELATING TO THE PERFORMANCE OF EITHER PARTY TO THIS AGREEMENT. NO ARBITRATION OR OTHER ACTION OR PROCEEDING UNDER THIS AGREEMENT SHALL ADD AS A PARTY, BY CONSOLIDATION, JOINDER, OR IN ANY OTHER MANNER, ANY PERSON OR PARTY OTHER THAN US AND YOU AND ANY PERSON IN PRIVITY WITH, OR CLAIMING THROUGH, IN THE RIGHT OF, OR ON BEHALF OF, US OR YOU, UNLESS BOTH WE AND YOU CONSENT IN WRITING. WE HAVE THE ABSOLUTE RIGHT TO REFUSE SUCH CONSENT. YOU AGREE AND ACKNOWLEDGE THAT ANY PROCEEDING DIRECTLY OR INDIRECTLY ARISING FROM OR RELATING TO THIS AGREEMENT, THE RELATIONSHIP BETWEEN THE PARTIES, OR ANY AGREEMENT OR RELATIONSHIP BETWEEN YOU AND US OR ANY AFFILIATE OF OURS WILL BE CONSIDERED UNIQUE ON ITS FACTS AND MAY NOT BE BROUGHT AS A CLASS OR GROUP ACTION.

23. WAIVER OF JURY TRIAL. EACH PARTY HEREBY KNOWINGLY, VOLUNTARILY, INTENTIONALLY, AND IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM, WHETHER AT LAW OR IN EQUITY, BROUGHT BY EITHER OF THEM AGAINST THE OTHER.

24. INTEGRATION. THIS AGREEMENT, ALL OF ITS ATTACHMENTS, AND ANY AGREEMENT SPECIFICALLY MADE A PART OF THIS AGREEMENT PURSUANT TO THE TERMS HEREOF, CONTAIN THE COMPLETE UNDERSTANDING OF THE PARTIES AND REPLACE ANY PREVIOUS WRITTEN OR ORAL AGREEMENT ON THE SAME SUBJECT MATTER. NO REPRESENTATION, INDUCEMENT, PROMISE OR AGREEMENT, ORAL OR OTHERWISE, NOT CONTAINED IN THIS AGREEMENT, WILL BE OF ANY FORCE OR EFFECT. NOTHING IN THIS AGREEMENT OR IN ANY RELATED AGREEMENT, HOWEVER, IS INTENDED TO DISCLAIM THE REPRESENTATIONS WE MADE IN THE FRANCHISE DISCLOSURE DOCUMENT THAT WE FURNISHED TO YOU.

GUARANTY

This Guaranty ("Guaranty") is made as of _____, by **(name of guarantors)** ("each, individually a Guarantor"), in favor of and for the benefit of Choice Hotels International, Inc., a Delaware corporation ("Choice"). In consideration of and as an inducement to Choice to execute a Franchise Agreement by and between Choice and «LIC_BLOCK» ("Franchisee"), Guarantor agrees as follows:

1. Guarantor unconditionally warrants to Choice and its successor and assigns that all of Franchisee's representations and warranties in (a) any application submitted by Franchisee to Choice; and (b) the Franchise Agreement are true, accurate and complete as of the time made as of the date of this Guaranty.

2. Guarantor personally and unconditionally guarantees that all of Franchisee's obligations under the Franchise Agreement, as amended, and all related agreements will be punctually paid and performed.

3. Guarantor agrees that the obligations of Guarantor under this Guaranty shall not be reduced, limited, terminated, discharged, impaired or otherwise affected by: (a) the occurrence or continuance of a default under the Franchise Agreement or any related agreement; (b) any assignment of the Franchise Agreement; (c) any modification or amendment of, or waiver or consent or other action taken with respect to the Franchise Agreement or any related agreement; (d) the voluntary or involuntary liquidation, sale or other disposition of Franchisee's assets, or the receivership, insolvency, bankruptcy, reorganization or similar proceedings affecting Franchisee or its assets or the release or discharge of Franchisee from any of its obligations under the Franchise Agreement; or (e) any change of circumstances, whether or not foreseeable, and whether or not any such change does or might vary the risk of Guarantor hereunder. Any failure by Choice to exercise any power or right or to insist upon Guarantor's compliance with any term under this Guaranty shall not constitute a waiver of Choice's right to demand full compliance with any term of this Guaranty.

4. Guarantor unconditionally and irrevocably waives notice of acceptance of this Guaranty, presentment, demand, diligence, protest and notice of dishonor or of any other kind to which Guarantor otherwise might be entitled under applicable law.

5. Guarantor agrees to promptly pay all sums owed to Choice and its subsidiaries or affiliates, and all damages, costs, and expenses, including reasonable attorneys' fees, that Choice or its subsidiaries or affiliates incur as a result of any default under this Guaranty, the Franchise Agreement, or any related Agreement, including all outstanding fees, any liquidated damages due under the Franchise Agreement, and any costs and expenses that Choice or its subsidiaries or affiliates incur to obtain injunctive relief for the enforcement of any portion of this Guaranty, the Franchise Agreement, or any related Agreement.

6. If more than one person or entity has signed this Guaranty as a Guarantor, the liability of each such Guarantor shall be joint, several and primary. Each Guarantor shall be bound by his/her/its/their signature block below, and such Guarantor's obligations hereunder are not contingent on any other Guarantor being bound hereby.

7. All notices required or permitted under this Guaranty must be in writing, must be personally delivered or mailed by registered or certified mail, return receipt requested, or by a nationally recognized courier service, to Choice at **Choice Hotels International, Inc., 1 Choice Hotels Circle, Suite 400, Rockville, Maryland 20850, Attention: General Counsel**, and to Guarantor care of the Designated Representative at the address set forth in the Franchise Agreement. Any notice by registered or certified mail or by courier service is deemed given and received at the date and time of sending. Guarantor may change its address only by written notice to Choice, and Choice may change our address by written notice to Guarantor.

8. This Guaranty will be interpreted under the substantive laws of Maryland, not including its conflict of laws provision or such provisions of any other jurisdiction.

9. Except for our claims for indemnification or actions seeking to enjoin you the use of any of our Intellectual Property or the Choice-Related Words in violation of the Franchise Agreement, any controversy or claim founded upon or arising out of or relating to this Guaranty, the Franchise Agreement, or any related Agreement, or to the breach of this Guaranty, the Franchise Agreement, or any related Agreement, will be sent to final and binding arbitration before either the American Arbitration Association, J.A.M.S., or National Arbitration Forum in accordance with the Commercial Arbitration Rules of the American Arbitration Association, including its rules for emergency measures of protection, except to the extent that the Commercial Rules of the American Arbitration Association may be interpreted to require you or us to produce documents, witnesses, or information at a time other than at a hearing on the claim without our mutual consent. In the event more than one demand for arbitration is filed in connection with this Guaranty, the Franchise Agreement, or any related Agreement, the demand filed with the American Arbitration Association, J.A.M.S., or National Arbitration Forum office having jurisdiction over Maryland proceedings shall take precedence, and any other demand shall be withdrawn and presented in the Maryland filing. The arbitrator will apply the substantive laws of Maryland, without reference to its conflict of laws provision, except that nothing herein shall be construed to establish independently a right to pursue claims under Maryland's Franchise Registration and Disclosure Law. Judgment on the arbitration award may be entered in any court having jurisdiction. If any party fails to appear at any properly noticed arbitration proceeding, an award may be entered against the party, notwithstanding its failure to appear. Any arbitration will be conducted at Choice's headquarters office in Maryland. Nothing in this Section will be construed as requiring you or us to make a claim in arbitration before exercising any rights Choice or Guarantor may have to give notice of default or termination in accordance with the terms of this Guaranty.

ADDENDUM TO THE FRANCHISE AGREEMENT PURSUANT TO
THE MINNESOTA FRANCHISE INVESTMENT LAW

This Addendum to the Franchise Agreement (the "Agreement") pertains to franchises sold in the State of Minnesota. If and to the extent that the Minnesota Franchise Disclosure laws apply to the Agreement, the following provisions supersede anything to the contrary in the Agreement:

1. Minnesota Law may provide you with certain termination and non-renewal rights. Minnesota Statutes, Section 80C 14, Subdivisions 3, 4 and 5 require, except in certain specified cases, that you be given 90 days of notice of termination (with 60 days to cure) and 180 days' notice for non-renewal of the Agreement.

2. According to Minnesota Statute Section 2860.4400 (D), no release language in the Agreement will relieve us or any other person, directly or indirectly, from liability imposed by the laws on franchising in Minnesota, provided that this part will not bar the voluntary settlement of disputes.

3. Any provision in the Agreement that requires you to consent to liquidated damages and/or termination penalties is deleted from the Agreement if issued in Minnesota.

4. The Franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logos, slogans and other commercial symbols, or indemnify the franchisee from any loss, costs, or expenses arising out of the use of any trade or service mark in compliance with the Agreement.

5. The following language will appear at the end of Section 20(f) of the Agreement if issued in Minnesota:

"Pursuant to Minnesota Statutes, Section 80C.21, this Section does not abrogate or reduce any rights of the franchisee as provided for in the Minnesota Statutes 1987, Chapter 80C."

6. All other rights, obligations and provisions of the Agreement remain in full force and effect. Only the Sections added to or amended by the Addendum are affected. This Addendum is incorporated in and made part of the Agreement if and to the extent the Minnesota Franchise Investment Law applies.

IN WITNESS WHEREOF, the undersigned have executed this Addendum as of the date set forth above.

ADDENDUM TO THE FRANCHISE AGREEMENT FOR NEW YORK

This Addendum to the Franchise Agreement (the "Agreement") pertains to franchises sold in the State of New York. If and to the extent that the New York General Business Law regarding franchises applies to the Agreement, the following provisions supersede anything to the contrary in the Agreement:

1. If the Agreement requires that it be governed by the law of a state, other than the State of New York, the choice of law provision will not be considered to waive any rights conferred upon the franchisor or upon the franchisee under New York General Business Law, Article 33, Sections 680 through 695.
2. We will not assign our rights under the Agreement except to an assignee who in our good faith and judgment is willing and able to assume our obligations under the Agreement.
3. If your franchise is located in the state of New York, you may terminate the Agreement on any ground available by law.
4. All other rights, obligations and provisions of the Agreement remain in full force and effect. Only the Sections added to or amended by this Addendum are affected. This Addendum is incorporated in and made part of the Agreement if and to the extent the New York General Business Law applies.

ADDENDUM TO THE FRANCHISE AGREEMENT FOR THE STATE OF NORTH
DAKOTA

This Addendum to the Franchise Agreement (the "Agreement") pertains to franchises sold in the State of North Dakota. If and to the extent that the North Dakota franchise statutes and regulations apply to the Agreement, the following provisions supersede anything to the contrary in the Agreement:

1. The North Dakota Franchise Law prohibits a franchisor from requiring a franchisee to consent to liquidated damages and termination penalties. If the Agreement contains a provision that is inconsistent with the North Dakota Franchise Law, the provisions of the Agreement will be superseded by the North Dakota Franchise Law's requirements and Franchisee will not be deemed to have consented to the calculation of the amount of such damages.
2. Sections 20(f) and 21 of the Agreement require: (a) the Agreement to be governed and interpreted under Maryland Law, and (b) certain disputes to be resolved by arbitration in Maryland. To the extent that such provisions conflict with the North Dakota Franchise Law, the North Dakota Franchise Law will control.
3. Section 23 of the Agreement require Franchisee and Franchisor to waive their respective rights to a jury trial. To the extent such provisions violate North Dakota Franchise Law, such law will prevail and such provisions will not apply with respect to claims thereunder.

ADDENDUM TO THE FRANCHISE AGREEMENT AND FRANCHISE DISCLOSURE
ACKNOWLEDGEMENT FORM AND ANY OTHER RELATED DOCUMENTS
PURSUANT TO THE WASHINGTON FRANCHISE INVESTMENT PROTECTION ACT

This Addendum to the Franchise Agreement (the "Agreement") pertains to franchises sold in the State of Washington. If and to the extent that the Washington Franchise Investment Protection Act, RCW 19.100.010 to 19.100.940 ("Washington Franchise Investment Protection Act" or "Act") applies to the Agreement, the following provisions supersede anything to the contrary in the Agreement:

1. The state of Washington has a statute, RCW 19.100.180 which may supersede the Agreement in your relationship with us including the areas of termination and renewal of your franchise. There may also be court decisions that may supersede the Agreement in your relationship with us including the areas of termination and renewal of your franchise.
2. In any arbitration involving a franchise purchased in Washington, the arbitration site will be either in the state of Washington, or in a place mutually agreed on at the time of the arbitration, or as determined by the arbitrator. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.
3. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW will prevail.
4. A release or waiver of rights executed by a franchisee may not include rights under the Washington Franchise Investment Protection Act or any rule or order thereunder; except when signed under a negotiated settlement after the Agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.
5. Transfer fees are collectable to the extent that they reflect our reasonable estimated or actual costs in effecting a transfer.
6. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed \$100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed \$250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provisions contained in the Agreement or elsewhere that conflict with these limitations are void and unenforceable in Washington.

7. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the Agreement or elsewhere are void and unenforceable in Washington.

You are solely responsible for the content of your submissions, and you grant to Choice, its successors and assigns, a non-exclusive, world-wide, royalty free, perpetual, non-revocable license to use or distribute such content in any manner consistent with the rights and obligations of Choice under these Terms of Use and your Franchise Agreement with Choice. You may not post or transmit to this Site any material that (a) is unlawful, abusive, threatening, violent, harmful, obscene, pornographic, lewd, offensive, racist, defamatory, harassing, or otherwise objectionable to Choice; (b) might infringe the intellectual property rights, privacy rights, rights of publicity, or other proprietary rights of others;

Choice will provide you with programming services, without additional charge, to correct errors to the Software and on the Site. However, Choice does not guarantee service timing or results or that all errors will be corrected.

In connection with your use of the Software and the Site, you agree to: (a) follow all operation instructions and the Rules and Regulations that accompany your Franchise Agreement; (b) provide access to your hardware and data transport system to enable Choice or third-party providers to perform whatever services or activities are required to assist you in your use of the Software and the Site; (c) have a representative trained in the use of the Software and the Site available to work with Choice in any support matters; and (d) update or replace the recommended hardware as required by Choice in order to accommodate changes to the Software or the Site.

You may not attach any third party equipment, interfaces or applications to the Software that have not been tested and approved in advance by Choice. You must receive Choice's prior written approval to use an interface with the Software in the form and manner required by Choice from time to time. Even if Choice approves a third party to interface with the Software, you are solely responsible for your use of any such third party equipment, interfaces or applications and shall indemnify, defend and hold harmless Choice from any third party claims relating to such third party equipment, interfaces or applications. Choice reserves the right to charge you a fee (e.g. an initial set up fee, or recurring fee) for using an interface with the Software. With respect to an interface that you are granted permission by Choice to use with the Software, you must maintain a valid agreement from the applicable third party provider to access and use such third party provider's system and services for as long as you are authorized by Choice to use such interface.

Choice reserves the right to update, modify, replace, terminate or otherwise change, at any time and in our sole discretion, any interfaces integrated with the Software.

In addition to any damages to which it may be entitled, Choice shall be entitled to reimbursement of all costs relating to the breach of the Terms of Use, including reasonable attorneys' and witness' fees. Your breach of these Terms of Use shall also cause irreparable harm to Choice and its licensors. You agree that damages may be an inadequate remedy for such breach and, therefore, in addition to its rights and remedies otherwise available at law, Choice will be entitled to equitable relief, including both a preliminary/interlocutory and

permanent injunction, if such a breach occurs. You waive any requirement for the posting of a bond or other security if Choice seeks such an injunction.

For U.S. franchisees: Choice creates and controls the Software and this Site in the State of Maryland, U.S.A. Accordingly, these Terms of Use are governed exclusively by the laws of the United States and Maryland law, except the Maryland Uniform Computer Information Transactions Act, which is expressly disclaimed, and without regard to Maryland conflicts of law principles. If any provision of these Terms of Use is found to be invalid or unenforceable by a court of competent jurisdiction, such provision shall be severed from the remainder of these Terms of Use, which will otherwise remain in full force and effect. Choice will not be responsible for any delay or failure to provide the Software or this Site or any associated services, in whole or in part, due to the following factors as they affect Choice, its licensors, agents or representatives or the Software or this Site: federal, state or municipal action or regulation; strikes or other labor troubles; fire; damage; delay in transportation; shortages of raw materials, labor, fuel or supplies; sabotage; terrorism; insurrection, riot or other acts of civil disobedience or public enemy; and failures or interruptions in Internet service or other communication failures. Call Forwarding Reservations Services Program — Terms of Use

Thank You for Your interest in the Choice Hotels International, Inc. ("Choice") Call Forwarding Reservations Services Program (the "Program"). To enroll one or more of Your hotel properties in the Program, please review the terms below that will govern Your participation in and use of the Program ("Terms of Use"), choose one or more of the three service options ("Service Options") that fits Your needs, and click on the "I Accept" button to agree to the Terms of Use. You will repeat this process for each property You intend to enroll in the Program.

Terms of Use

By clicking "I Accept" below, You are confirming that You are either (1) an authorized franchisee in good standing of Choice or its subsidiaries or affiliated companies ("**Franchisee**"), or (2) the Franchisee's general manager or another authorized employee (in each case, an "**Authorized Representative**"), and You accept and agree to these Terms of Use on behalf of Yourself and/or the Franchisee for Your participation in the Program and Service Option(s) for the specific hotel property You identify on the Enrollment Checklist (the "**Hotel**"). These Terms of Use shall govern Your participation in and use of the Program and shall be binding on You and Your employees and contractors. Choice has the right to and may, in its sole discretion and from time to time, modify, add or remove any of the provisions, rights or obligations in these Terms of Use without notice or liability to You. We will post any changes we make to the Terms of Use on this Call Forwarding Webpage on Choice Central and, once posted, the changes will be effective immediately. You agree to review these Terms of Use from time to time. By Your participation in the Program after Choice posts any changes to the Terms of Use, You accept and agree to the Terms of Use, as modified.

As used in these Terms of Use, the terms "You" and "Your" shall mean you, as the person accepting these Terms of Use, the Franchisee, or any and all Authorized Representatives as applicable by the context used herein. Additionally, "we" or "us" or "our" shall mean Choice.

1. The Program.

Subject to these Terms of Use, Choice will make available to Your Hotel each of the Service Options described below. You will select the Service Option that fits Your needs for Your Hotel (Premium, DiGITAL, or Flex) by checking the appropriate box at the end of each Service Option description. DiGITAL and Flex are not mutually exclusive and may be used in conjunction with one another.

Service Option #1 — Premium

Premium is available on either a seasonal basis (from April 1 to September 30) or on an annual basis.

With Premium, callers to Your Hotel will continue to use Your existing Main Number as they did before You enrolled in the Program. With this Service Option, You will assign to us and we will assume that Main Number (also referred to as the “**Ported Number**”) by executing a Letter of Agency we provide to you.

When calls are made to the Ported Number, they will be routed to an automated “interactive voice response” system (IVR) with a message specific to Your Hotel. The caller will be prompted to choose either “reservations” or “all other inquiries”, or a third option of your choice if required. If the caller chooses the “reservations” option, then the call will be forwarded to our Reservation Center and You will be charged the standard fee detailed in Section 3. If the caller chooses the “all other inquiries” option, then the caller be routed to Your Hotel’s front desk agent and no fee will apply. If you should also like to implement a third option on the IVR, calls will be transferred to a designated telephone number of your choice and no fee will apply.

To select Service Option #1 – Premium, Your Hotel must have, in addition to the Main Number, at least one other working phone number/phone line available at Your front desk (“**Secondary Number**”). Callers who chose the “all other inquiries” option will be routed to Your Hotel front desk via the Secondary Number.

You acknowledge that prior to activation of Service Option #1 – Premium, You are responsible for contacting Your phone company to ensure Your Secondary Number phone line is set up to roll all incoming calls to another available phone line if the Secondary Number phone line is in use. If this rollover feature (known as a “**Hunt Group**”) isn’t set up properly, calls to the Secondary Number while in use may go unanswered or fail. You are responsible for any fees charged by the phone company in connection with the implementation of Service Option #1, including fees for setting up the Ported Number or Hunt Group.

You agree to continue to list the Main Number as Your Hotel’s published phone number throughout Your participation in the Program. You also acknowledge that Choice will use commercially reasonable efforts to reassign the Ported Number back to Your Hotel upon termination of Your participation in the Program or Service Option #1, in accordance with the terms stated below in Section 4, however, Choice does not guaranty this reassignment back to Your Hotel.

Select Service Option #1 — Premium

Service Option #2 — DiGITAL

DiGITAL is available on either a seasonal basis (from April 1 to September 30) or on an annual basis.

Choice will provide Your Hotel with its own unique Call Forwarding Number. Choice will substitute Your Hotel’s published primary toll-number (the “**Main Number**”) with a designated Call Forwarding Number for organic internet search results, and listings on the Choice Mobile App, ChoiceHotels.com and Choice

reservation systems. This means that Incoming Calls can be made using the designated Call Forwarding Number. You must retain Your Hotel's Main Number and keep it operational throughout the course of Your participation in the Program.

Incoming Calls on Your Call Forwarding Number will be routed to an automated "interactive voice response" system (IVR) with a message specific to Your Hotel (similar to the Premium service). The caller will be prompted to choose either "reservations" or "all other inquiries," or a third option of your choice if required. If the caller chooses the "reservations" option, then the call will be forwarded to our Reservation Center and You will be charged the standard fee detailed in Section 3. If the caller chooses the "all other inquiries" option, then the caller will be routed to Your Hotel's front desk agent and no fee will apply. If you should also like to implement a third option on the IVR, calls will be transferred to a designated telephone number of your choice and no fee will apply.

You also have the option to also have Incoming Calls on Your Call Forwarding Number routed through Your Hotel's PBX system. You then can treat the Incoming Call as a Manual Transfer or an Automatic Transfer, as outlined under Service Option #2. Dependent on your agreement with your telephone provider, additional fees may apply.

Select Service Option #2 — DiGiTAL

Service Option #3 — Flex

Incoming calls to Your Hotel ("**Incoming Calls**") will be screened by Your Hotel front desk. If the caller requests a reservation at Your Hotel, Your Hotel's front desk agent will manually transfer the caller (a "**Manual Transfer**") to a sales agent at a Choice Hotels Central Reservation Center ("**Reservation Center**") using a unique Call Forwarding Number that we provide (the "**CF Number**") and You will be charged the standard Call Forwarding fee (the "Fee") detailed in Section 3. This special CF Number must be programmed into Your Hotel's PBX system and You must ensure that Your employees are properly trained to make a Manual Transfer.

Instead of Your Hotel's front desk agent manually screening Incoming Calls, You may set up an auto-attendant in Your PBX System and allow the caller to choose "reservations", in which case the Incoming Call will be transferred automatically from Your Hotel's PBX directly to the Reservation Center via the CF Number (an "**Automatic Transfer**"). If You choose the Automatic Transfer option, You will be charged the standard Fee for each Automatic Transfer.

You acknowledge that prior to activation of Service Option #3 – Flex, it is Your responsibility to contact Your PBX service provider and direct them to program Your CF Number into Your Hotel's PBX switch and any automated transfer features You may require. Once this programming is complete, You must notify Choice's Call Forwarding Operations Services that Your CF Number has been programmed so we can then activate the Program Service Option #3 for Your Hotel.

2. Obligations and Representations

Once You accept these Terms of Use and select Your Service Option(s), You will be enrolled in the Program and You will receive an e-mail confirmation including the Call Forwarding Technical & Enrollment Checklist (the "**Enrollment Checklist**"). You represent and warrant that the Enrollment Checklist You submit is and will be complete and accurate. You agree to notify Choice promptly of any changes to the information You provide in the Enrollment Checklist. If You wish to enroll additional Hotels in the Program, You must accept these Terms of Use and complete a separate Enrollment Checklist for each Hotel.

Call Forwarding representatives have access to all your local negotiated rate plans through our reservation system. This includes rate plans You have loaded as Property Direct. It is Your responsibility to ensure every local negotiated rate plan has a loaded rate description.

To enable the full functionality of the Program, You may be required to take additional actions, such as providing us with certain information, directions and preferences. We will provide You with a supplemental Enrollment Checklist detailing the requirements and requests if necessary. If You fail to satisfy the enrollment requirements and our requests, You may impair Your Hotel's ability to implement/participate in the Program.

You agree to follow all operation instructions and the requirements of the Program as may be set forth in the Rules and Regulations that accompany Your franchise agreement with Choice (the "**Franchise Agreement**") and which may apply to any of the Program Service Options.

It is possible for the CF Number we assign to Your Hotel when You select Service Options #2 or #3 to become compromised by an unaffiliated third party. If we determine that has occurred, we will issue You a credit for calls not sent by Your Hotel, and we will provide You with a new CF number for Your Hotel. However, You are solely responsible for arranging any new CF Number to be programmed into Your Hotel's PBX switch at Your own expense (and also removing the compromised CF Number from the PBX switch).

3. Fees

You will pay Choice a fee of \$2.95 USD per call that is forwarded to the Reservation Center under any of the Service Options (the "**Fee**"). We have the right to increase the Fee at any time upon sixty (60) days' prior notice to You. The Fee is due and payable by You to us for each call that is forwarded to the Reservation Center, regardless of whether the forwarded call results in a booking. If You do not have room inventory available for the dates requested, the Reservation Center sales agent may cross-sell the caller to another hotel property within the Choice franchise system. We will invoice You monthly for the Fees and other amounts due under these Terms of Use and You must pay each invoice in full by the first

day of the month following the month in which the invoice is issued. Choice reserves the right to suspend Your participation in and use of the Program if You fail to pay any invoice in a timely manner. Fees do not include any taxes. You are solely responsible for paying taxes applicable to Your participation in and use of the Program, which may include sales tax, gross receipts tax, use tax, transaction privilege tax or other taxes.

4. Term and Termination

The initial term for Your participation in the Program under any Service Option is six (6) months (the "Initial Term"). Your Hotel must remain enrolled in the Program for at least six (6) months and You may not cancel before the end of the Initial Term except as detailed below. After the Initial Term, You will continue to be enrolled until either party provides the other with thirty (30) days advance written notice of an intent to terminate. If You wish to take Your Hotel out of the Program early, You may do so by notifying us and paying an early exit fee of \$500 for each month remaining in the Initial Term (plus a pro rata share for the remaining portion of the current month).

Default and Termination

Non-payment. We may terminate Your participation in the Program upon five (5) days written notice if You fail to timely pay any amounts due to Choice as a result of Your participation in the Program.

Franchise Agreement Default, Termination or Expiration. We may terminate Your participation in the Program immediately upon any default under the Program or Your Franchise Agreement and Your participation in and use of the Program will automatically terminate upon the expiration (or earlier termination) of the Franchise Agreement.

Removal of CF Number Published Listings (Service Option #2 only). For Service Option #2, Your removal of the CF Number from any or one of the following channels (or any other channel in which we list Your CF Number) constitutes a breach of these Terms of Use for which we may terminate immediately Your participation in the Program: organic internet search, Choice Mobile App, ChoiceHotels.com and Choice Reservations systems.

Change of Main Number (Service Option #1 only). For Service Option #1, it is a breach of these Terms of Use if Your Hotel takes on/publishes a new Main Number, in which case we may terminate immediately Your participation in the Program.

Additional Remedies. In addition to any damages to which it may be entitled, Choice will be entitled to reimbursement of all costs relating to the breach of the Terms of Use, including reasonable attorneys' and witness' fees. If, because of Your breach of the Terms of Use, we terminate Your participation in the Program during the first six months after Your enrollment, we will charge You the early exit fee. Your breach of these Terms of Use may also cause irreparable harm to Choice. You agree that damages may be an inadequate remedy and, therefore, in addition to its rights and remedies otherwise available at law, Choice will be entitled to equitable relief, including both a preliminary and permanent injunction, if such a breach occurs. You waive any requirement for the posting of a bond or other security if Choice seeks such an injunction.

Post Termination Reassignment of Ported Number (Service Option #1 only). Upon termination of Your participation in the Program under Service Option #1 – Premium, we will use commercially reasonable efforts for ninety (90) days thereafter ("**Transfer Window**") to reassign the Ported Number back to Your Hotel. If we are unable to reassign the Ported Number back to Your Hotel during the Transfer Window, we may retain the Ported Number and/or forward it to a non-working line. You acknowledge that the actual termination of the Hotel's commitment and responsibility under Service Option #1 (including Your payment of Fees) will only become effective upon the earlier of: (a) the date the Ported Number is actually reassigned back to the Hotel (which will be determined by several factors outside of Choice's control), or (b) the last day of the Transfer Window.

5. Limitation of Liability

You expressly understand and agree that neither Choice, its licensors, nor related parties shall be liable for any indirect, punitive, consequential, incidental or special damages of any kind resulting from these terms, access to or any use of, or inability to use or access, or reliance on, or functioning of, the Program, regardless of the basis upon which liability is claimed, even if Choice has been advised of the possibility of such loss of damage. In no event shall Choice's liability for damages, regardless of the form of action, exceed the fees You actually paid in the six (6) months immediately preceding Your claim.

6. No Warranty

Choice provides the Program "as is" and without warranties of any kind, either express or implied, except to the extent that any warranties implied by law cannot be validly waived or disclaimed. The disclaimed warranties, to the extent allowed by law, include but are not limited to the implied warranties of merchantability, non-infringement of intellectual property, and fitness for a particular purpose.

Choice makes no warranty that the Program will meet Your requirements or that it will be uninterrupted, timely, secure, or error free; nor does Choice make any warranty as to the results that may be obtained from Your participation in or use of the Program or as to the accuracy or reliability of any information obtained through Your participation in or use of the Program.

Choice shall be not responsible for any problems or technical malfunction of any telephone network or lines, computer on-line systems, servers, internet access providers, computer equipment, software, or any combination thereof including any injury or damage to Your or any other person's computer or networks as a result of using the Program. Choice makes no representations or warranties express or implied, with respect to the information received by or through Your participation in or use of the Program, including any representations or warranties as to the accuracy, completeness or timeliness of the information obtained by or through Your participation in or use of the Program.

7. Indemnity

Promissory Note

Issuance Date: _____

Maturity Date: _____

\$ _____

«PROP_CITY», «PROP_ST»

FOR VALUE RECEIVED, each of the undersigned (collectively, "Maker"), jointly and severally, hereby promises to pay to the order of Choice Hotels International, Inc. ("Holder") the principal sum of _____ and 00/100 Dollars (\$ _____) ("Principal Amount") as provided for herein.:

1. Franchise Agreement. Maker and Holder are parties to a franchise agreement dated _____ (as may be amended or supplemented from time to time, the "Franchise Agreement"). The parties have agreed upon certain conditions pursuant to which Holder will make a loan to Maker pursuant to a promissory note in substantially similar form to this promissory note ("Note"). Capitalized terms used but not defined herein will have the meaning set forth in the Franchise Agreement.

2. Payment. Unless otherwise accelerated pursuant to Section 3, this Note matures on the Maturity Date, at which time the entire Principal Amount will be due and payable in full.

3. Default. The occurrence of any one or more of the following events shall constitute a "Default": (1) Maker's failure to observe or perform any covenant, condition or agreement under the terms of this Note; (2) if any representation or warranty made in connection with this Note is in Holder's opinion, false, misleading or incorrect in any material respect; (3) if for any reason, the Franchise Agreement terminates or is otherwise rendered ineffective prior to the Maturity Date; (4) the occurrence of any event(s) or existence of any situation that, after providing for any applicable notice/cure rights set forth in the Franchise Agreement, would provide Holder with a right to terminate the Franchise Agreement; (5) if all or any portion of the premises to which the Franchise Agreement applies ("Premises"), any interest in the Premises (including an ownership interest in any entity that owns the Premises), or any interest in this Note is transferred, leased, or conveyed, other than as security for a debt or other obligation, whether done by a direct or indirect method, or should Maker enter into any contractual arrangement to transfer or convey the Premises, any interest in the Premises (including an ownership interest in any entity that owns the Premises), any part of this Note, or any interest in this Note other than as security for a debt; and (6) the death of any Maker or the filing of any insolvency or bankruptcy proceeding by or against any Maker or the appointment of a receiver for any Maker or any Maker's assets. If a Default occurs, the entire Principal Amount will be due and payable in full within fifteen (15) days after Maker's receipt of a written Notice of Default from Holder.

4. Interest. If the Principal Amount, or any portion thereof, is not paid on or before the Maturity Date (or such earlier date required by Section 3), this Note will bear interest from the date on which funds are due until paid in full at the annual rate of eighteen percent (18%). The maximum interest rate in California is 10% annually. Interest will be computed on the basis of a 360-day year and charged for the actual number of days elapsed in each interest calculation period. Nothing in this Note will be construed or operate to require Maker to pay interest at a greater rate than the maximum allowed by law. Should any interest or other charges paid or payable by Maker under this Note result in the computation or earning of interest in excess of the maximum allowed by law, then all excess interest charges are waived by Holder, and any such excess interest received by Holder will be automatically credited against the Principal Amount, and any such remaining excess received by Holder that exceeds the Principal Amount will be credited by Holder against Royalty Fees payable to Holder pursuant to the Franchise Agreement.

5. Confession of Judgment. Upon the occurrence of a Default, Maker hereby irrevocably authorizes and empowers any attorney or clerk of any court of record in the United States or elsewhere to appear for and, with or without declaration filed, confess judgment against Maker in favor of Holder or an assignee or successor of Holder, of the Note, at any time, for the full or total Principal Amount under this Note, together with all indebtedness provided for therein, with interest, costs of suit, and reasonable attorneys' fees; and the undersigned expressly releases all errors, waives all stay of execution, rights of inquisition and extension upon any levy upon real estate and

all exemption of property from levy and sale upon any execution hereon; and Maker expressly agrees to condemnation and expressly relinquishes all rights to benefits or exemptions under any and all exemption laws now in force or which may hereafter be enacted. Maker acknowledges and agrees that Maker is voluntarily, knowingly, and intelligently giving up its right to notice and hearing prior to the entry of judgment, is granting Holder, or Holder's assignee or successor, the right to confess judgment against Maker and is freely waiving its due process rights. Maker further consents to immediate execution on the judgment and waives all right of appeal, ratifying and confirming all that the attorney or clerk may do by virtue of this Note.

6. General.

No failure or delay by Holder to insist on the strict performance of any term of this Note or to exercise any right, power or remedy upon the occurrence of a Default or any other breach of this Note, is a waiver of any term or agreement or of any breach, or will preclude Holder from exercising any right, power or remedy at any later time unless in writing. If Holder accepts any payment after its due date, this act will not be a waiver of Holder's right to receive timely payment of all other amounts or to declare a default for the failure to make any other payment when due.

If Holder or any future holder of this Note assigns its rights under this Note, the term "Holder" as used in this Note will refer to such then-current assignee. This Note is not assignable by Maker.

If any provision (or any part of any provision) in this Note is for any reason held to be invalid, illegal or unenforceable in any respect, the invalidity, illegality or unenforceability will not affect any other provision (or remaining part of the affected provision) of this Note, and this Note will be construed as if the invalid, illegal or unenforceable provision (or part of this Note) had never been contained in this Note but only to the extent it is invalid, illegal or unenforceable.

This Note shall be governed by and construed in accordance with the laws of the State of Maryland.

Negotiable and payable at the office of: CHOICE HOTELS INTERNATIONAL, INC., 1 Choice Hotels Circle, Suite 400, Rockville, Maryland 20850, Attention: Billing Department.

In Witness Whereof, Maker acknowledges and agrees to the terms of this Note as evidenced by its signature under seal as of the day and year first above written.

EXHIBIT I

INCENTIVE PROMISSORY NOTE

\$ _____

City, State

Date: _____

FOR VALUE RECEIVED, each of the undersigned (collectively, "Maker"), jointly and severally hereby promises to pay to the order of Choice Hotels International, Inc. ("Holder") the principal sum of _____ Dollars (\$_____) (the "Principal Amount"), or such lesser amount as shall then equal the outstanding Principal Amount hereof on the terms and conditions set forth hereinafter, together with interest thereon, as provided for herein. Pursuant to the terms of the Franchise Agreement (defined below), Holder will lend Maker the sum of \$_____ upon the occurrence of the Opening Date, as defined in the Franchise Agreement. Capitalized terms used but not defined herein will have the meaning ascribed to such terms in the Franchise Agreement.

1. Background and Certain Definitions. Maker and Holder are parties to a franchise agreement dated _____, (as may be amended or supplemented from time to time, the "Franchise Agreement"), which Franchise Agreement, among other items, set forth certain conditions pursuant to which Holder will make a loan to Maker pursuant to a promissory note in substantially similar form to this promissory note (the "Note").

2. Interest.

2.1 This Note will bear interest from the date on which funds are advanced to Maker (the "Distribution Date") until paid in full at the annual rate of Prime plus two percent (2%) (the "Rate of Interest"). "Prime" initially refers to the prime rate quoted by the Wall Street Journal Prime Rate as of the Distribution Date, and during the period in which all or any portion of the Principal Amount remains outstanding, shall adjust from time to time as the rate quoted by the Wall Street Journal adjusts. Rate of Interest will be computed on the basis of a 360-day year and charged for the actual number of days elapsed in each interest calculation period. The maximum interest rate in California is 10% annually.

2.2 Nothing in this Note will be construed or operate to require Maker to pay interest at a greater rate than the maximum allowed by law. Should any interest or other charges paid or payable by Maker under this Note result in the computation or earning of interest in excess of the maximum allowed by law, then all excess interest charges are waived by Holder, and any such excess interest received by Holder will be automatically credited against the Principal Amount, and any such remaining excess received by Holder that exceeds the Principal Amount will be credited by Holder against Royalty Fees payable to Holder pursuant to the Franchise Agreement.

3. Use of Proceeds. Maker agrees that the entire proceeds of this Note will be used solely for purposes related to the operation of a «Brand_Name» hotel pursuant to the Franchise Agreement.

4. Payment.

4.1 Unless otherwise accelerated pursuant to Section 5.2, this Note matures one hundred and twenty (120) months from the Opening Date (the "Maturity Date"), at which time the entire Principal Amount, all accrued and unpaid interest on this Note and all other sums due under this Note will be due and payable in full.

4.2 Notwithstanding the foregoing, no payments (of either the Principal Amount or any associated interest) will be due or payable under this Note unless and until a Default (as defined in Section 5.1 hereof) occurs. If no Default (i) has occurred before the Maturity Date, or (ii) is occurring on the Maturity Date, then the entire Principal Amount and all accrued interest will be waived and forgiven by Holder as of the Maturity Date.

4.3 As of each anniversary of the Opening Date, unless a Default has occurred, the loan balance shall automatically be reduced by: (a) 1/10th of the Principal Amount (the "Forgiven Amount"), and (b) all accrued interest on the Forgiven Amount.

4.4 Payments on this Note shall be made in lawful currency of the United States of America to Holder, at the address set forth in Section 6.3 of this Note or such other address as Holder may designate by written notice to Maker.

5. Default.

5.1 The occurrence of any one or more of the following events shall constitute a "Default": (1) Maker's failure to observe or perform any covenant, condition or agreement under the terms of this Note or under the terms of any documents signed in connection with this Note, if any, (including, but not limited to, any commitment, loan agreement, stock pledge agreement or guaranty) or any other note or other obligation payable by Maker to Holder; (2) if any representation or warranty made in connection with this Note or in any report, opinion, schedule or certification with this Note or later submitted to Holder is in Holder's opinion, false, misleading or incorrect in any material respect; (3) if for any reason, the Franchise Agreement terminates or is otherwise rendered ineffective; (4) the occurrence of any event(s) or existence of any situation that, after providing for any applicable notice/cure rights set forth in the Franchise Agreement, would provide Holder with a right to terminate the Franchise Agreement; (5) if all or any portion of the premises to which the Franchise Agreement applies (the "Premises"), any interest in the Premises (including an ownership interest in any entity that owns the Premises), or any interest in this Note is transferred, leased, or conveyed, other than as security for a debt or other obligation, whether done by a direct or indirect method, or should Maker enter into any contractual arrangement to transfer or convey the Premises, any interest in the Premises (including an ownership interest in any entity that owns the Premises), any part of this Note, or any interest in this Note other than as security for a debt, unless, within 30 days of such transfer, Holder enters into a new «**Brand_Name**» franchise agreement with the transferee for the Premises, and the transferee assumes all of Maker's obligations under this Note and executes Holder's then-current form of Assumption of Promissory Note; (6) the filing of any insolvency or bankruptcy proceeding by or against any Maker or the appointment of a receiver for any Maker or any Maker's assets; and (7) the death of any Maker unless (i) within 30 days upon death of a Maker, Holder is notified of such death, and (ii) within 60 days of said notification, this Note is transferred to and assumed by a new individual within Maker's family, that Holder approves in its sole discretion, by executing Holder's then-current form of Assumption of Promissory Note.

5.2 If a Default occurs, at Holder's option, the Default Payment Amount (as defined below) will immediately become due and payable by Maker to Holder without notice to Maker or any other person or entity. The "Default Payment Amount" means the sum of: (a) the original Principal Amount less an amount equal to the product resulting from multiplying the original Principal Amount by a fraction, the numerator of which is the number of full calendar months that have elapsed since the Opening Date, and the denominator of which is one hundred twenty (120) (the amount resulting from this calculation is referred to as the "Amount Due"); plus (b) interest on the Amount Due calculated from the Distribution Date at the Rate of Interest.

5.3 Interest will accrue on the Default Payment Amount at the Rate of Interest until the Default Payment Amount has been paid in full; provided, that if such Default Payment Amount has not been paid in full by the date that is fifteen (15) days after the date such amount became due and payable, interest will begin to accrue at a default annual rate equal to Prime plus seven percent (prime plus 7%). The maximum interest rate in California is 10% annually.

5.4 The following provisions are applicable upon the occurrence of a Default: (A) Maker will pay Holder all expenses, costs and attorneys' fees that Holder incurs in connection with Holder's collection of any monies due under this Note or for the enforcement of any right under this Note or under any other agreement related to the loan evidenced by this Note, and (B) Holder may exercise any or all other rights, powers and remedies provided for in any instrument, document or agreement now or later evidencing security or otherwise relating to the loan evidenced by this Note or now or later existing at law or in equity or by statute or otherwise.

5.5 CONFESSION OF JUDGEMENT. Upon the occurrence of a Default, Maker hereby irrevocably authorizes and empowers any attorney or clerk of any court of record in the United States or elsewhere to appear for and, with or without declaration filed, confess judgment against Maker in favor of Holder or an assignee or successor of Holder, of the Note, at any time, for the full or total Default Payment Amount under this Note, together with all indebtedness provided for therein, with interest, costs of suit, and reasonable attorneys' fees; and the undersigned expressly releases all errors, waives all stay of execution, rights of inquisition and extension upon any levy upon real estate and all exemption of property from levy and sale upon any execution hereon; and Maker expressly agrees to condemnation and expressly relinquishes all rights to benefits or exemptions under any and all exemption laws now in force or which may hereafter be enacted. Maker acknowledges and agrees that Maker is voluntarily, knowingly, and intelligently giving up its right to notice and hearing prior to the entry of judgment, is granting Holder, or Holder's assignee or successor, the right to confess judgment against Maker and is freely waiving its due process rights. Maker further consents to immediate execution on the judgment and waives all right of appeal, ratifying and confirming all that the attorney or clerk may do by virtue of this Note.

5.6 Maker waives demand, presentment for payment, protest and notice of dishonor and agrees that at any time and from time to time and with or without consideration, Holder may, without notice to or further consent of Maker and without in any manner releasing, lessening, or affecting the obligations of any of them: (1) release, surrender, waive, add, substitute, settle, exchange, compromise, modify, extend, or grant indulgences with respect to (a) this Note, (b) all or any part of any collateral or security for this Note, and (c) Maker or any of them; and (2) grant any extension or other postponements of the time of payment of this Note.

6. General.

6.1 Cumulative Rights. Each right, power and remedy of Holder as provided for in this Note or now or hereafter existing at law or in equity or by statute or otherwise is cumulative and concurrent and is in addition to every other right, power or remedy, and Holder's exercise or beginning of exercise of any one or more of these rights, powers or remedies will not preclude Holder's simultaneous or later exercise of any or all these other rights, powers or remedies.

6.2 No Waiver; Application of Payment. No failure or delay by Holder to insist on the strict performance of any term of this Note or to exercise any right, power or remedy upon the occurrence of a Default or any other breach of this Note, is a waiver of any term or agreement or of any breach, or preclude Holder from exercising any right, power or remedy at any later time unless in writing. If Holder accepts any payment after its due date, this act will not be a waiver of Holder's right to receive timely payment of all other amounts or to declare a default for the failure to make any other payment when due. Any partial payments under this Note may be applied to pay interest, the Principal Amount, the Amount Due or costs as Holder, in its sole discretion determines.

6.3 Notices. All notices required under this Note must be in writing, must be personally delivered or mailed by registered or certified mail, return receipt requested, or by a nationally recognized courier service, to Holder at **Choice Hotels International, Inc., 1 Choice Hotels Circle, Suite 400, Rockville, MD 20850**, and to Maker at the Designated Representative's address identified in the Franchise Agreement. Either Holder or Maker may change the applicable address to which such notices are to be sent by written notice to the other party; provided, that Maker may only change the Designated Representative by written notice to Holder delivered in compliance with the Franchise Agreement. Maker authorizes the Designated Representative to receive Holder's written notices to Maker as its agent. Any notice by registered or certified mail or by reputable national courier service is deemed given and received at the date and time of sending.

6.4 Severability. If any provision (or any part of any provision) in this Note is for any reason held to be invalid, illegal or unenforceable in any respect, the invalidity, illegality or unenforceability will not affect any other provision (or remaining part of the affected provision) of this Note, and this Note will be construed as if the invalid, illegal or unenforceable provision (or part of this Note) had never been contained in this Note but only to the extent it is invalid, illegal or unenforceable.

6.5 Assignment. If Holder or any future holder of this Note assigns its rights under this Note, the term "Holder" as used in this Note will refer to such then-current assignee.

6.6 Choice of Law. This Note is a contract made under, and for all purposes will be construed in accordance with, the internal laws and judicial decisions of the State of Maryland. Maker and Holder agree that any dispute arising out of this Note is subject to the jurisdiction of both the state and federal courts in the State of Maryland. For that purpose, Maker submits to the jurisdiction of the state and federal courts of the State of Maryland. Maker further agrees to accept service of process out of any of the before-mentioned courts in any dispute by registered, certified mail or international courier service addressed to Maker.

6.7. Confidentiality. You agree to keep the provisions of this Note in strict confidence and will not disclose them to any persons other than your directors, officers, partners, employees, agents and advisors that have a need to know. Any unauthorized disclosure is a Default under this Note as defined in Section 5.1 hereto.

6.8 Waiver of Trial by Jury. THE MAKER AND THE HOLDER HEREBY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING TO WHICH THE MAKER AND THE HOLDER MAY BE PARTIES, ARISING OUT OF OR IN ANY WAY PERTAINING TO THIS NOTE. IT IS AGREED AND UNDERSTOOD THAT THIS WAIVER CONSTITUTES A WAIVER OF TRIAL BY JURY OF ALL CLAIMS AGAINST ALL PARTIES TO SUCH ACTIONS OR PROCEEDINGS, INCLUDING CLAIMS AGAINST PARTIES WHO ARE NOT PARTIES TO THIS NOTE.

In Witness Whereof, Maker acknowledges and agrees to the terms of this Note as evidenced by its signature under seal as of the day and year first above written.

COMMENCEMENT AGREEMENT

Ascentium Capital LLC

AscentiumCapital.com

Agreement No. _____

Date: March 6, 2017

You, the Customer, and Ascentium Capital LLC ("we", "us", "our") have entered into the above referenced equipment lease, equipment finance agreement, secured loan or similar agreement (which may be one or more schedules to a master agreement) ("Agreement") pursuant to which we will be financing the Equipment or Collateral as defined in and described in the Agreement (in either case "Equipment") as set forth in this Commencement Agreement ("CA"). The Equipment is being delivered at various times and the vendor or vendors of the Equipment have to be paid for each item of Equipment at or before its delivery to you. You agree to commence the initial non-cancelable term of the Agreement immediately even though items of Equipment remain to be delivered to and accepted by you from one or more vendors.

NOW THEREFOR, you and we hereby agree as follows:

1. The term of the Agreement will commence on the date of this CA, with the interim term commencing on the date set forth above and the initial term commencing as provided in the Agreement. You acknowledge and agree that notwithstanding the fact that not all items of Equipment have been delivered to and accepted by you as of the date set forth above, the terms and conditions of the Agreement, including your obligation to pay all amounts of rent or debt service set forth in the Agreement, shall commence immediately and, except as otherwise specifically set forth in this CA, irrevocably.
2. You agree to inspect and accept for purposes of the Agreement all undelivered items of Equipment immediately upon their delivery to you. If, when delivered, an item of Equipment is damaged or non-conforming, you agree to cause the vendor in question to repair and/or replace any such item of Equipment and you agree to immediately accept any conforming replacement and/or repaired Equipment for all purposes under the Agreement while continuing to meet all of your payment and other obligations under the Agreement.
3. All amounts anticipated to be disbursed by us on your behalf that have not been disbursed as of the date of this CA will be deemed disbursed by us into a separate holding account for your benefit ("Account"), the contents of which shall be debited by the amount of each subsequent disbursement to vendor(s) as contemplated by this CA. To secure your obligations to us under the Agreement and this CA, you hereby grant to us a security interest in the contents of the Account and any proceeds.
4. The Agreement contemplates a pro-rata adjustment to the payments owed by you under the Agreement in the event the purchase price of the Equipment and other amounts, if any, paid by us on your behalf are higher or lower than those on which the payments set forth in the Agreement are based. Following the delivery and acceptance of all items of Equipment set forth in the Agreement, we shall make any necessary adjustments to the payments as contemplated by the Agreement. You agree that we will have no liability to you in the event we determine to terminate the funding of any vendor because we have determined, in our sole discretion, that there has been a material adverse change in your creditworthiness from that on which we based our approval of the Agreement. In any circumstance contemplated by the preceding sentence, we will continue the Agreement with the Equipment accepted by you and funded by us as of the date we determine to terminate funding the Agreement and we will reduce the amount of each payment of rent or debt service you owe under the Agreement proportionally, taking into account the higher payments made by you up to the date of that determination and any balance in the Account shall revert to us.
5. This CA sets forth the entire agreement of the parties with respect to its subject matter and it may only be amended by a written instrument executed by you and us. In the event of a conflict between this CA and the terms of the Agreement, the terms of this CA shall govern and control, provided however, except as explicitly set forth in Section 4 above, nothing set forth in this CA shall be deemed to affect your obligation to pay and perform all of your obligations as set forth in the Agreement without setoff, abatement or counterclaim. This CA shall terminate and be of no further force and effect following your acceptance and our funding of the last item of Equipment being financed under the Agreement. This CA will be governed by and construed in accordance with the laws of the jurisdiction governing the Agreement.

You agree that a facsimile or other copy of this CA, as executed, shall be deemed the equivalent of the originally executed copy for all purposes.

Debtor also acknowledges that in addition to the lease payments, Creditor may assess and Debtor may be required to pay additional taxes and/or fees. Such fees may not only cover Creditors costs they may also include a profit.

13. **INSURANCE.** Debtor agrees to maintain, at Debtor's expense, "Special Form" property insurance protecting the Equipment for its full replacement value, naming Creditor as a loss payee on a "Lender's Loss Payable" endorsement; and public liability insurance, in amounts acceptable to Creditor, naming Creditor as an additional insured (together "Required Insurance"). Debtor must provide Creditor satisfactory written evidence of Required Insurance within thirty (30) days of the commencement date of this Equipment Finance Agreement or of any subsequent written request. If Debtor does not do so, Creditor may obtain insurance from an insurer of Creditor's choosing in such forms and amounts as Creditor selects ("Insurance"). Insurance covers the Equipment and Creditor only and not Debtor. Debtor shall pay Creditor periodic charges for Insurance ("Insurance Charges") that include: a premium that may be higher than if Debtor maintained Required Insurance separately; a finance charge of up to the implicit rate of the Equipment Finance Agreement on any premium advances made by Creditor or Creditors agents; and billing and processing fees; each of which may generate a profit to Creditor and Creditor agents. If Debtor fails to pay billed Insurance Charges within 30 days of their due date, Creditor may pay them by applying funds paid under the Equipment Finance Agreement or debiting Debtor's account under any previously authorized automatic payment. Debtor agrees to arbitrate any dispute with Creditor or Creditor agents regarding Insurance or Insurance Charges under the rules of the American Arbitration Association in Los Angeles, California; provided however, such agreement does not authorize class action arbitration. At Creditor's election, in lieu of obtaining or continuing Insurance, Creditor may require Debtor to pay a monthly additional fee up to 2% of the Equipment Cost. This fee is not calculated with reference to additional risk and constitutes additional profit for Creditor, but represents the basis on which Creditor is willing to forbear from exercising remedies and continue this Agreement without Required Insurance. Debtor will receive no insurance coverage and will not be released from any obligations. Creditor is not selling insurance. Creditor will cease charging the additional fee or billing for Insurance 30 days after Debtor provides satisfactory proof of Required Insurance and compliance with this section.

SBA Loan #
SBA Loan Name
Date
Loan Amount
Interest Rate
Borrower
Operating Company
Lender

1. PROMISE TO PAY:

In return for the Loan, Borrower promises to pay to the order of Lender the amount of _____ Dollars, interest on the unpaid principal balance, and all other amounts required by this Note.

2. DEFINITIONS:

"Collateral" means any property taken as security for payment of this Note or any guarantee of this Note.

"Guarantor" means each person or entity that signs a guarantee of payment of this Note.

"Loan" means the loan evidenced by this Note.

"Loan Documents" means the documents related to this loan signed by Borrower, any Guarantor, or anyone who pledges collateral.

"SBA" means the Small Business Administration, an Agency of the United States of America.

3. PAYMENT TERMS:

~~Borrower must~~ make all payments at the place Lender designates. The payment terms for this Note are:

The interest rate on this Note will fluctuate. The initial interest rate is 6.00% per year. This initial rate is the prime rate in effect on the first business day of the month in which SBA received the loan application, plus 2.75%. The initial interest rate must remain in effect until the first change period begins unless reduced in accordance with SOP 50 10.

Borrower must pay a total of 2 payments of interest only on the disbursed principal balance beginning one month from the month this Note is dated and every month thereafter, payments must be made on the first calendar day in the months they are due.

Borrower must pay principal and interest payments of _____ every month, beginning three months from the month this Note is dated; payments must be made on the first calendar day in the months they are due.

Lender will apply each installment payment first to pay interest accrued to the day Lender receives the payment, then to bring principal current, then to pay any late fees, and will apply any remaining balance to reduce principal.

Lender and Borrower may agree to pay an additional amount into an escrow account for payment of real estate taxes and required insurance related to commercial real estate securing the loan. Any such account must comply with SOP 50 10.

The interest rate will be adjusted every calendar quarter (the "change period").

The "Prime Rate" is the prime rate in effect on the first business day of the month (as published in a national financial newspaper or website) in which SBA received the application, or any interest rate change occurs. Base Rates will be rounded to two decimal places with .004 being rounded down and .005 being rounded up.

The adjusted interest rate will be 2.75% above the Prime Rate. Lender will adjust the interest rate on the first calendar day of each change period. The change in interest rate is effective on that day whether or not Lender gives Borrower notice of the change.

The spread as identified in the Note may not be changed during the life of the Loan without the written agreement of the Borrower.

For variable rate loans, the interest rate adjustment period may not be changed without the written consent of the Borrower.

Lender must adjust the payment amount at least annually as needed to amortize principal over the remaining term of the note.

If SBA purchases the guaranteed portion of the unpaid principal balance, the interest rate becomes fixed at the rate in effect at the time of the earliest uncured payment default. If there is no uncured payment default, the rate becomes fixed at the rate in effect at the time of purchase.

LOAN PREPAYMENT:

Notwithstanding any provision in this Note to the contrary:

Borrower may prepay this Note. Borrower may prepay 20 percent or less of the unpaid principal balance at any time without notice. If Borrower prepays more than 20 percent and the Loan has been sold on the secondary market, Borrower must:

- a. Give Lender written notice;
- b. Pay all accrued interest; and
- c. If the prepayment is received less than 21 days from the date Lender receives the notice, pay an amount equal to 21 days' interest from the date lender receives the notice, less any interest accrued during the 21 days and paid under subparagraph b., above.

If Borrower does not prepay within 30 days from the date Lender receives the notice, Borrower must give Lender a new notice.

Subsidy Recoupment Fee. When in any one of the first three years from the date of initial disbursement Borrower voluntarily prepays more than 25% of the outstanding principal balance of the loan, Borrower must pay to Lender on behalf of SBA a prepayment fee for that year as follows:

- a. During the first year after the date on which the loan is first disbursed, 5% of the total prepayment amount;
- b. During the second year after the date on which the loan is first disbursed, 3% of the total prepayment amount; and
- c. During the third year after the date on which the loan is first disbursed, 1% of the total prepayment amount.

All remaining principal and accrued interest is due and payable 25 years and 2 months from the date of this Note.

Late Charge: If a payment on this Note is more than 10 days late, Lender may charge Borrower a late fee of up to 5% of the unpaid portion of the regularly scheduled payment.

7. WHEN FEDERAL LAW APPLIES:

When SBA is the holder, this Note will be interpreted and enforced under federal law, including SBA regulations. Lender or SBA may use state or local procedures for filing papers, recording documents, giving notice, foreclosing liens and other purposes. By using such procedures, SBA does not waive any federal immunity from state or local control, penalty, tax, or liability. As to this Note, Borrower may not claim or assert against SBA any local or state law to deny any obligation, defeat any claim of SBA, or preempt federal law.

8. SUCCESSORS AND ASSIGNS:

9. GENERAL PROVISIONS:

- A. All individuals and entities signing this Note are jointly and severally liable.

(Updated January 2021)

Choice Hotels International, Inc. (“Choice,” “we,” or “us”) and our franchisee(s) (“Franchisee”, “Franchisees”, or “you”) share substantial interests in the success of our brands, as well as the worldwide lodging system they comprise (“System”). Choice and its Franchisees all benefit when Choice considers System interests first when making policies. For these reasons, Choice has adopted the following guiding principles, which may be modified from time to time in our sole discretion. Any substantive changes to this policy will be conducted in consultation with our Franchisee Associations.

Mission Statement

Both Choice and our Franchisees have a responsibility to build and maintain the System. At the individual property level, it is your responsibility to represent your hotel's brand in a manner that continually builds brand equity; and we are responsible for confirming that general System and individual brand standards are met throughout the entire Choice franchise System.

Even under the best of circumstances, however, we realize that situations can arise that may create conflict between Choice and our Franchisees. Accordingly, Choice maintains this fair franchising policy (“Fair Franchising Policy”) to help us mutually address these situations. The Fair Franchising Policy contains standards relating to the System and is available for review at any time. We also have an Ombudsperson and Vice President of Owner & Portfolio Strategy dedicated to addressing any conflicts between Choice and Franchisees in a manner that is fair and non-retaliatory to all parties concerned. We encourage you to contact any member of our Fair Franchising Department to discuss the Fair Franchising Policy or any concerns that you have regarding your relationship with Choice.

Impact

Choice and Franchisees agree that every Choice brand, each property, and the entire System benefit from strategic growth and strong brand awareness.

Impact Policy.¹ In some cases, a Franchisee may believe that a third party's application for a new Choice franchise is too close in proximity to the Franchisee's existing property. To address this concern, Choice has instituted an incremental impact policy (“Impact Policy”), which has been benchmarked with our competitors and tailored to carefully balance the rights of existing Franchisees with the need for growth that benefits our entire System. The Impact Policy permits a Franchisee (in good standing) to object to the grant of a same-brand franchise, if the applying franchise is within a specified radius of the existing Franchisee's property.

Under the Impact Policy, we will notify both your designated representative and the general manager of your property: (i) by electronic mail, if we have received an application for a hotel of a different brand than your hotel, the proposed hotel is within 5 miles of your existing property, and your existing brand is covered by the Impact Policy; (ii) in writing (via express mail to the designated representative and via first-class mail to the general manager), if we have accepted an application for a same-brand hotel and the applying franchise is within a specified radius of your property; or (iii) by telephone, if you are an applicant and we have received an additional application for a same-brand hotel to be located within the Area of *Enhanced Protection* (as defined more fully in the Impact Policy) of your proposed hotel.

#

¹ As of the date of this Fair Franchising Policy, the Impact Policy applies only to the following brands: Clarion, Comfort, Econo Lodge, MainStay Suites, Quality, Rodeway Inn, Sleep Inn, and certain WoodSpring properties.

First opportunity to develop in franchisee's Area of Enhanced Protection (AOEP). In addition to the objection rights described above, each existing franchisee in good standing with Choice will have the option of submitting an application for a new same-brand hotel within its AOEP before Choice will approve a same-brand application within that AOEP from another prospective franchisee. Specifically, Choice will permit existing franchisees to submit an application for a same-brand property within 15-calendar days of being notified of a proposed application by another prospective franchisee, and the existing franchisee will receive preference in the application for a same-brand property. In making a final decision, however, we will also consider other factors, such as site location, financing, relative strength of each application and Choice's past experience with the existing franchisee. Finally, our Franchise Development team will inform the existing franchisee of our decision before we grant final approval of an application for a same-brand hotel within that franchisee's AOEP.

Consultation. As has been our practice, we will continue to consult with our Franchisees on amendments and modifications to the Impact Policy. For more information, please refer to our **Impact Policy**, at www.choicecentral.com or call the Fair Franchising Department for a detailed explanation of our Impact Policy.

Exercise of Contractual Outs

Company Philosophy. Choice is committed to meeting the evolving needs of its guests across all of its brands and driving continued brand equity. It is imperative that each hotel delivers a top-notch, consistent experience to every guest, every time. Our brands are as strong as their weakest performer, so if a guest has a bad experience at one hotel, it adversely impacts us all and the System. Not only should each hotel be clean, in good condition and in working order, they should be modern, up-to-date, and competitive within their markets. Choice's contractual out evaluation process was created to ensure that we all meet these objectives.

Contractual Out Evaluation Process. For some brands the franchise agreement may include a mutual right to terminate the franchise agreement on the 5th, 10th, or 15th anniversary of the Opening Date by providing advance written notice.² Choice reviews every active property prior to these anniversaries and evaluates the following aspects of the hotel:

- How well does the hotel meet guest expectations as measured by Guest Insight System ("GIS") scores and customer complaints?
- How do the hotel's GIS scores and guest complaints compare to other hotels within its brand?
- How strongly does the hotel compete in its local market as determined by Smith Travel Research (STR) reports compared to both local competitive set and tract chain scale?
- What is the hotel's historic pass/fail rate for Quality Assurance ("QA") inspections?
- Has the hotel been defaulted in the past for any reason, including but not limited to QA, After Entering System ("AES"), credit or legal reasons?
- How does the physical plant of the hotel compare to its competitive set within its market?
- How does the physical plant of the hotel compare to other hotels within its brand?
- If there are gaps between the property and its competitive set or peers, can the property be updated cost-effectively?

#

² As of the date of this Fair Franchising Policy, there is no mutual right of termination in our standard WoodSpring franchise agreement. For our Comfort brands, the standard franchise agreement includes an out on the 5th anniversary of the Opening Date for conversion properties only. For Cambria, the standard form franchise agreement includes outs at the 10th and 15th anniversary of the Opening Date for Mainstay and Sleep, the standard franchise agreement includes an out on the 10th and 15th anniversaries of the Opening Date for new construction properties only. For Rodeway, the standard franchise agreement includes annual outs on the anniversary of the Opening Date.

Risk Factors. In keeping with Choice's philosophy, we review in detail the aggregate results of these questions referenced above for each hotel. In particular, we take into account any unique aspects of the hotel's market or its guest base. There is no standardized formula that is applied to every hotel and each situation is evaluated independently. Furthermore, typically Choice reserves the right under the franchise agreement to exercise its contractual out for any reason or no reason at all, subject to state law. There are certain factors, however, that place a property at greater risk that Choice typically will exercise its contractual out, including but not limited to (subject to state law):

- The property's Likelihood to Recommend ("LTR") score places it in the bottom third of its brand for the most recent 12 month period.
- The property has guest complaints per thousand ("CPT") higher than the brand average for the most recent 12 month period.
- The property has a history of shifting between passing and failing scores on QA inspections.
- The property passes its QA inspections but only minimally.
- The property performs below the tract chain scale as determined by STR.
- The physical plant of the property is outdated, worn, and/or in poor condition.

Note on Comfort Inn: To achieve the brand's goal of becoming one of the top 3 brands in the Midscale without Food & Beverage segment, all Comfort Inn properties must be held to a higher standard in terms of both guest satisfaction and physical representation. For example, the outside appearance of the hotel must meet or be able to achieve a consistent, above-average guest experience when compared to other hotels within the brand and to its national competitive set, which includes Holiday Inn Express and Fairfield Inn.

If the physical plant of a Comfort Inn property resembles economy-level competitors in the market due to its room size, lobby size, public space, corridor type (interior v. exterior), single loaded v. double loaded, or other aspects, then Choice may elect to exercise its contractual out or, if desirable, discuss the potential for the property to reposition to another Choice brand.

Management Committee. Due to the importance of these decisions and their impact on both Choice and the Franchisee, no single person at Choice has the ability to exercise a contractual out. All decisions to exercise this right are made by a Committee and must be unanimously supported by each member of that Committee. The Management Committee is comprised of representatives from:

- Fair Franchising
- Owner & Portfolio Strategy
- Legal
- Development
- Services
- Credit

Contractual Out Notification Process. Approximately eighteen (18) months prior to a contractual out, a representative from Choice will contact the Franchisee's Designated Representative if:

1. Choice is considering whether to exercise its contractual out and feels that a Product Improvement Plan ("PIP") is necessary to continue the relationship.

- The Franchisee's Designated Representative will receive a letter explaining Choice's position and the PIP process. A copy of the letter will be sent to the hotel's General Manager.
- Once the PIP is prepared, the Franchisee's Designated Representative will receive a phone call from a member of Choice's Owner & Portfolio Strategy department to discuss the scope of work to update the property. (See below)

2. Choice has decided to exercise its contractual out.

- The Franchisee's Designated Representative will receive a phone call from Choice to discuss the decision.

- If Choice is unable to reach the Franchisee's Designated Representative by phone, Choice will send a letter notifying the hotel of its attempts to contact the Designated Representative by phone and requesting the hotel contact Choice immediately. If Choice is unsuccessful in contacting the Franchisee, then Choice will release a formal Notice of Termination letter generally twelve (12) months prior to the contractual out date. Individual franchise agreements may contain different notice periods. If that is the case, those notice periods will apply, however Choice will attempt to provide as much notice as is reasonably possible.

Please note that each Franchisee is obligated to maintain accurate contact information with Choice. If the Franchisee's Designated Representative name, address, or telephone number on file is no longer valid, then Choice cannot be held responsible for any resulting delays in reaching the Franchisee.

Product Improvement Plans. In many cases, Choice will agree to continue its relationship based on an agreed scope of work to update and refresh the property and/or additional training. These requirements will be detailed in the PIP. If Choice and the Franchisee's Designated Representative cannot finalize and execute the PIP twelve (12) months prior to the contractual out date, then Choice may issue a Notice of Termination to the Franchisee's Designated Representative.

This Notice of Termination can be rescinded if subsequent discussions result in a mutually agreeable PIP Addendum that is executed by both parties within 30 days of the Notice of Termination letter.

Options Available to Properties. There are 4 options available to properties where Choice has exercised its contractual out:

1. Reposition to Another Choice Brand

In many cases, there will be another Choice brand available in the market for the hotel to consider. There may be many financial benefits to remaining with the Choice System rather than exiting the System completely. When Choice calls the Franchisee's Designated Representative to inform them that Choice is exercising its contractual out, he or she will discuss the availability of this option.

2. Replace the Existing Hotel

Many owners prefer to replace their hotel with a newer product in their market. Please let a Choice representative know your interest in this option and the appropriate person will contact you.

3. Appeal the Decision

If a Franchisee's Designated Representative would like to appeal a contractual out decision, then a letter detailing the request and the reasons for appeal should be emailed to the contact person on the termination notice. Upon receipt of the appeal request, a confirmation email will be sent within approximately 48 hours. The Management Committee will generally review the appeal within 7-10 business days following the receipt confirmation. The Franchisee's Designated Representative will receive the results of the Committee review via email.

4. Early Termination following Choice's exercise of a window.

When Choice exercises its option to terminate a franchise agreement at a contractual out, and a franchisee in good standing wishes to leave the Choice system before the agreed-upon termination date, Choice will take special consideration, on a case-by-case basis, in reviewing a franchisee's request to discount or waive any liquidated damages that may be owed due to the early termination.

Non-retaliation. In deciding whether to exercise our contractual out, Choice will not discriminate or retaliate against a property that has requested or is in the process of requesting an impact study or has challenged some other action taken by Choice.

Marketing and Reservation Services Funds:

Consultation. Choice is committed to the practice of consulting with its applicable franchisee association(s) on certain marketing campaigns the company undertakes and generally on the use of monthly fees designated for marketing, and reservation services. The franchise associations also are consulted on changing the amounts of those fees.

Disclosure. Upon request, Choice will make available to Franchisees its unaudited financial statements for those portions of System fees that are designated for marketing and reservation services purposes. Choice has no obligation to separate incomes or expenditures between Choice brands. Moreover, as a public company, Choice will continue to report its System fees (including marketing and reservations fees) in accordance with GAAP (generally accepted accounting principles) on its income statements, which are reviewed and published quarterly.

Corporate Ethics:

Ethical Conduct. Choice expects all Choice associates, franchisees and vendors to practice “good faith and fair dealing” in all business matters. All Choice associates are subject to a corporate ethics policy that mandates certain standards of conduct. In addition, your franchise agreement contains provisions that require you to operate your franchise in a manner that does not negatively impact Choice and the brand or violate any laws.

Termination for Cause:

Liquidated Damages. For most brands, if the standard franchise agreement is terminated before the end of its term, we have generally capped both pre-opening and post-opening liquidated damages at 36 months of historical royalty fees (membership fees for Ascend properties) and the formula applicable to each brand.³ In addition, under certain circumstances and for certain brands, a 20% discount on liquidated damages will be applied as an incentive for quickly settling accounts unless the franchise agreement was terminated due to your abandonment of the hotel or your cessation of operating the hotel as our brand. Moreover, Choice’s approach to liquidated damages seeks only to recoup future lost royalty fees, not lost system fees. Individual franchise agreements may contain different terms, and your agreement will control the amount of liquidated damages you will have to pay.

Extraordinary Circumstances. If you encounter extraordinary, unforeseen circumstances (such as the death of franchisee, environmental issues, permanent disabilities, etc.) that affect your ability to operate your franchise in good standing, it is your responsibility to contact us in a timely manner to work towards possible resolutions. In these instances, we will attempt in good faith to find a mutually acceptable resolution to the particular situation.

Transfers:

Family Transfer.⁴ If you wish to transfer your franchise to a close adult family member (e.g., current spouse, parent, child, sibling, grandchild or grandparent) (“Close Family Member”), that Close Family Member must demonstrate to us that he or she has both the financial ability and experience necessary to operate your franchise in accordance with Choice standards before we will approve a transfer, among other requirements. If the transfer to a Close Family Member occurs outside of circumstances involving death and/or mental incapacity, you must pay an application fee (not to exceed \$7,500), which will be fully refunded if we do not approve the transfer. The terms of your franchise agreement may differ and, in that

_____#

³ Typically, 60 months of historical royalty fees for Cambria. In addition, typically 60 months historical royalty fees for Post-Opening liquidated damages for Suburban and MainStay Hotels.

⁴ Ascend Membership Agreements allow a transfer to a close family member for estate planning purposes and does not include a transfer to a Close Family Member based on death and mental incapacity.

case, the terms of your agreement may override the family transfer provision described above.

Supplier Options:

Vendor Exclusivity. Our Procurement Services Department maintains a list of “Qualified Vendors” of products and services for our franchisees. Certain Qualified Vendors are designated in the Rules and Regulations as exclusive suppliers. Unless required by the Rules and Regulations, you do not have to purchase products that otherwise meet brand standards from Qualified Vendors. We frequently solicit feedback from the elected members of our franchisee associations before implementing new brand standards or vendor requirements. Additionally, for most products and services, we attempt to identify 3 or more vendors who are capable of meeting our brand standards.

Building Brand Equity:

Quality Assurance Reviews. Our entire System benefits from positive brand equity. Building brand equity begins at the local level with how you operate your hotel and also includes Brand Standards or Rules and Regulations that we communicate to you in order to ensure that each of our hotels is meeting or exceeding customer expectations.

Brand Standards or Rules and Regulations, as applicable, change from time to time to reflect changing customer trends and in response to our competition. Where applicable, we will consult with the various brand associations regarding significant changes contemplated for the Brand Standards/Rules and Regulations before implementation, and we will provide our franchisees with a reasonable period to absorb such changes financially.

In addition, each of us has an obligation to your guests to require that your hotel meets or exceeds our brand-specific performance and quality standards. In that regard, we will continue to apply our Quality Assurance process in a fair and impartial manner. If at any time you wish to dispute your Quality Assurance scores, you may make an appeal to the Brand Standards & Compliance.

Database Information:

Prohibited Uses. We have agreed not to share individual, hotel-specific property reservation data for the sole purpose of selling new franchises.

Dispute Resolution:

There are two mechanisms for handling disputes. The first is an informal process, and the second is through arbitration.

Informal Process. We have found that certain disputes with our franchisees can be handled locally or through our established organizational structure. Our Ombudsperson and Vice President of Owner & Portfolio Strategy both provide a retribution-free outlet for our franchisees to share their concerns regarding fairness.

Arbitration. The terms of the franchise agreement (which control) generally require all franchise disputes to be resolved by submitting the claim to binding arbitration before the American Arbitration Association or alternative arbitration groups.

Choice Hotels International Incremental Impact Policy

(Updated January 1, 2021)

Choice Hotels International, Inc. ("Choice") establishes this domestic Incremental Impact Policy ("Policy") to assist Choice and Choice's franchisees ("you") in pursuing the important mutual goals of i) avoiding an unfair depletion of your room revenues through same-brand competition, and ii) expanding the various Choice hotel brand systems.

Under this Policy, your hotel will be granted an Area of Enhanced Protection in which Choice will not generally grant hotel franchises for the same brand as your hotel. Additionally, you will be granted the right to object to (and, possibly, to exclude) same-brand franchises that are proposed to be located within a specified radius from your hotel determined by the market and location of the applying franchise. Finally, this Policy grants you certain other objection rights if your hotel is newly constructed, is located within a declining market or has recently had an incremental impact study conclude in its favor. If you have a negotiated exclusive territory in your contract and waived rights outside of that negotiated territory, impact policy rights do not apply.

I. **Definitions:**

- **Incremental Impact** - For the purposes of this Policy, "incremental impact" means that portion of projected room revenue loss for an existing Choice hotel which is **solely** attributable to the subject applicant's proposed hotel being part of the same Choice hotel brand system.
- **Good Standing** - For the purposes of this Policy, a Choice hotel is in "good standing" if:
 - It is not 90 days past due on its franchise and related fees or assessments without Choice approved repayment plan in place; (See Interpretational Note No. 1);
 - It is not in red status of the performance zone program;
 - It is not subject to a notice of non-renewal or termination; and
 - It is not subject to a notice of default for a material obligation under its Franchise Agreement (and other related agreements) after expiration of any applicable cure period.

II. **Area of Enhanced Protection:**

Each Choice hotel is hereby granted an Area of Enhanced Protection for such time as it remains in good standing. The Area of Enhanced Protection for your hotel is determined by identifying your hotel's appropriate market category in the chart below (e.g., Primary/Airport) and is expressed in terms of radial miles from your hotel. The pre-defined market categories set forth in the chart and your hotel's appropriate placement within these categories will be determined from Smith Travel Research data, if available (See Interpretational Note No. 3).

	Primary	Secondary	Tertiary
Airport	1	5	7
Highway	2	5	7
Urban	.5	1.5	5
Resort	1	5	7
Suburban	2	5	5
Small Town Metro	2	5	7

Except as set forth below, Choice will not grant a franchise for a same-brand hotel within your hotel's Area of Enhanced Protection.

- ***When Choice Can Approve an Application Within Your Hotel's Area of Enhanced Protection:***

Notwithstanding the Area of Enhanced Protection granted to your hotel above, Choice will initiate an incremental impact study, providing your hotel is in good standing, when it receives a franchise application for a same-brand hotel to be located within your hotel's Area of Enhanced Protection if Choice determines that the market containing your hotel is inadequately served by that Choice brand system. You must formally object to the application in order for Choice to initiate the incremental impact study. If the incremental impact study concludes that the proposed franchise will not result in an incremental impact of more than a 5% reduction in your hotel's annual gross room revenues in any of the first 3 years of projections, Choice may grant the proposed franchise. You will select the consulting firm to perform the incremental impact study from the approved consultant list and Choice will pay for the study, regardless of the outcome.

III. Your Objection Rights for Applications Outside Your Hotel's Area of Enhanced Protection:

In addition to the Area of Enhanced Protection granted in Section II, you have the right to object to (and, possibly, to exclude) any franchise application for a same-brand hotel, if your hotel is located within a specified radius of the location of the applying franchise. The notification areas are determined by identifying the applying franchise's appropriate market category in the chart below and is expressed in terms of radial miles.

Primary	Secondary	Tertiary
7	10	15

You can object by following the procedures set forth below:

- ***Notice to You of an Application Received by Choice:***

Choice will notify, in writing, your Designated Representative and the General Manager of your hotel of any franchise application for a same-brand hotel to be located within the specified notification areas noted above. In addition to same-brand notification, Choice will also notify by email all other Choice branded hotels included in the Impact Policy within a 5-mile radius of the proposed hotel. You will have the right to object to a franchise application, however, only if it is for a same-brand hotel to be located within the specified notification areas. If requested, Choice will deliver the above notice by fax. You should address written requests for faxed notification to:

*Ms. Shellome Pinnock
Ombudsperson
One Choice Hotels Circle
Suite 400
Rockville, MD 20850
(301) 592-6165
FAX (301) 592-6360*

Please include your property code and the name, address and fax number of the person to whom the notice should be faxed.

○ ***Your options upon receiving a notice:***

You may object to a franchise application for a same-brand hotel to be located within the specified notification areas if your hotel is in good standing at the time Choice issues notification of the application, provided your hotel does not subsequently become subject to a notice of non-renewal or termination. You may object by electing either or both of the objection options set forth below:

Option A: Letter Objection

You may write a Letter Objection and deliver it to Shellome Pinnock, Ombudsperson, (via the address or fax previously listed or via email ombudsperson@choicehotels.com) within 15 calendar days after Choice issues notification of a franchise application for a same-brand hotel, providing Choice with information you would like us to consider when reviewing the application. Before acting upon the application, Choice will fairly consider your letter and any information you submit in support.

Choosing to exercise Option A does not preclude you from also exercising Option B, provided you do so in a timely manner.

Option B: Formal Objection

You may file a Formal Objection to a franchise application for a same-brand hotel by completing an "Incremental Impact Form" (attached hereto) and delivering it to Shellome Pinnock, Ombudsperson, (via the address or fax previously listed or via email ombudsperson@choicehotels.com) within 15 calendar days after Choice issues notification of the application. This option must be selected for you to be eligible to request an incremental impact study.

Upon sending your Formal Objection, contact the Ombudsperson or another representative of Choice if you would like to discuss your objection ("impact discussion"). If this impact discussion does not resolve your objection concerns, you may request an independent incremental impact study by an approved hotel consulting firm that you choose from the attached list. Each firm is a member of the International Society of Hospitality Consultants and is experienced in performing incremental impact studies. Your request for an incremental impact study must be made in writing to the Ombudsperson within 5 business days after receipt of the impact study correspondence sent by Choice and must include a check for the full incremental impact study fee made payable to Choice Hotels International. During that 5-day period, you may request an extension of the 5-day period, which Choice may, in its sole discretion, grant under compelling circumstances. The amount of the incremental impact study fee charged by each individual consulting firm is set forth on the approved list (and may be exclusive of expenses). The consulting firm you select will be contacted by Choice. If the selected firm cannot complete the study within 28 days, you will be contacted by the Ombudsperson and asked to select another consulting firm. You must notify the Ombudsperson of your new selection within 48 hours.

Following receipt of the incremental impact study results (approximately 28 days), Choice will deny the subject application if the study concludes that the proposed franchise will result in incremental impact of more than a 5% reduction in your hotel's annual gross room revenues in any of the first 3 years of projections. Moreover, if you signed your franchise agreement for a new construction hotel within 18 months prior to Choice's issuance of notification of the subject application, Choice will deny the application if the incremental impact study concludes that the proposed franchise will result in incremental impact of more than a 3% reduction in your hotel's annual gross room revenues in any of the first 3 years of projections. If Choice denies the application due to the results of the incremental impact study, Choice will refund the incremental impact study fee you paid.

If the incremental impact study concludes that the proposed franchise will not result in an incremental impact of more than a 5% reduction (or 3% reduction, if applicable) in your hotel's annual gross room revenues in each of the first 3 years of projections, Choice may approve the subject application in its sole discretion. In that event, you will forfeit the incremental impact study fee you paid and you will be obligated to remit the balance of any fees or expenses due the consulting firm by submitting a check payable to Choice Hotels International.

If your hotel is a designated winner of a Gold or Platinum Award at the time you file your Formal Objection, Choice will bear the cost of the incremental impact study regardless of the outcome.

Choice will refund any incremental impact study fees you paid if the franchise you objected to is terminated due to failure to commence construction or to complete a BES addendum.

IV. Your Additional Rights:

Along with the rights granted to you in Sections II and III, you are granted the following additional rights:

- If an incremental impact study concludes against your hotel's favor, you may request a second incremental impact study ("second study") not less than 365 days and not more than 400 days after the hotel you objected to ("new hotel") opens to the public. In the event the second study concludes that the new hotel resulted in an incremental impact of more than a 5% reduction in your hotel's gross room revenues in the first year of the new hotel's operation, you may terminate your Choice Franchise Agreement, without payment of liquidated damages. You must submit the applicable incremental impact study fee at the time you request the second study, and the fee will be non-refundable, regardless of outcome.
- If an incremental impact study concludes in your hotel's favor, Choice will not, for a period of 12 months following the study, accept any franchise applications for a same-brand hotel to be located within your hotel's submarket (as such submarket is defined by the previous study).
- Choice will not approve any franchise application for a same-brand hotel to be located within your hotel's market tract (as such market tract is defined by Smith Travel Research) if your hotel is in a declining market, is operating below a 52% annual occupancy, is in good standing at the time Choice issues notification of the application and is operating at a RevPAR yield of at least 95% of your hotel's local competitive set. You must notify Choice in writing that you believe you qualify for the protections afforded by this paragraph within 15 days after Choice issues notification of a same-brand franchise application.

V. Choice's Right to Replace Franchises

Notwithstanding the Area of Enhanced Protection granted in Section II or the additional rights of exclusion granted in Sections III and IV, Choice reserves the right to replace any franchise which has departed or which is scheduled to depart from a Choice brand system ("departed/departing franchise") with a same-brand franchise, located anywhere within the Area of Enhanced Protection of the departed/departing franchise. Choice, however, will not grant a replacement franchise if it is to be located within the Area of Enhanced Protection of a same-brand hotel in good standing, unless the departed/departing franchise was/is already located in such same-brand hotel's Area of Enhanced Protection.

For the purpose of this provision, a "departed/departing franchise" means any open hotel, executed franchise agreement or approved franchise application. Moreover, Choice will not grant a replacement franchise if the replacement hotel would entail more than a 50% increase in the number of rooms over that of the departed/departing franchise. If a replacement franchise is to be granted for a hotel to be located within a specified radius from your hotel, determined by the market and location of the applying franchise, we will notify you of this action.

VI. Scope and Term of This Policy

This Policy shall apply to all Choice hotels that are part of the Clarion, Comfort, Quality, Sleep, Econo Lodge, Rodeway, or MainStay brands (including all hotels that are part of any sub-segment of those brands, such as Comfort Suites, for example) and that are located in the United States of America (including all not-yet-operating hotels that are subject to a Choice Franchise Agreement) and its provisions shall be in effect until such time this Policy is withdrawn, amended or modified. Any withdrawal, amendment or modification of this Policy shall be within Choice's sole discretion.

Interpretational Notes

1. In assessing the payment history component of the "good standing" requirement under Section I of the Impact Policy, Choice will consider the payment history for only those fees or charges contained in the Monthly Franchise Services Invoice. These charges include, without limitation, royalty fees, marketing fees, reservation fees, franchise association dues, technology services fees (Choice Link support, Profit Manager support) and hardware sublease payments. Travel Agent commissions are not included in the Monthly Franchise Services Invoice.

In assessing the payment history component of the "good standing" requirement under Section I of the Impact Policy, a hotel will be considered "past due" only if it has been 90 days late beyond the contractual due date in making payment on the Monthly Franchise Services Invoice over the payment history period being considered without of repayment plan in place.

2. If a property has expressly waived impact rights to a specific brand, such property's rights under this Policy, including the Area of Enhanced Protection, do not apply to applications within that specific brand system.
3. With respect to the Area of Enhanced Protection chart set forth in Section II of the Impact Policy, the following terms shall be defined as follows:

Primary: All market tracts contained **within any of the top fifty Metropolitan Statistical Areas** identified by Smith Travel based on total room supply.

Secondary: All market tracts contained **within all BUT the top fifty Metropolitan Statistical Areas** identified by Smith Travel based on total room supply

Tertiary: All market tracts contained **within any of the Non-Metropolitan Statistical Areas** identified by Smith Travel.

Resort hotels in cities located in Tertiary (Non-MSA) markets

Primary: Cities with over 2,000 resort rooms

Secondary: Cities with 1,000 – 1,999 resort rooms

Tertiary: Cities with less than 1,000 resort rooms

Re: «Contract_Brand» «Contract_Product» «Contract_Legal_Sec_Name»
(«Contract_Property» - «Contract_Contract_ID»)
«Contract_Property_Address_for_ChoiceMap» (the "Hotel")

Dear Lender:

Choice Hotels International, Inc. ("Franchisor") and «Customer_Customer_Name» ("Franchisee") are parties to a Franchise Agreement dated «Contract_EffectiveExecution_Date» (as amended, the "Franchise Agreement"). The Franchise Agreement permits Franchisee to operate the Hotel as a «Contract_Brand» «Contract_Product»® hotel.

As of the date of this letter agreement, the Franchise Agreement is in full force and effect, Franchisee is in good standing with Franchisor, and Franchisor has not issued a notice of default under the Franchise Agreement which has not been cured; and to the best of Franchisor's knowledge and belief, Franchisee is not currently in default of the Franchise Agreement. "Franchisor's knowledge" means the actual knowledge of obvious Hotel development, construction, and operational matters regularly reviewed by company employees who have given their attention to such matters in the ordinary course of business and does not include any investigation by those employees or others of other matters or beyond their usual and customary reviews of the Hotel, nor does it include constructive notice of matters or information located in public or Hotel records. "Default" means matters which have been the subject of an actual notice of default under the Franchise Agreement and does not include matters which are or may be in process, under discussion, or otherwise addressed.

_____ ("Lender") and Franchisee have informed Franchisor that Lender has issued a commitment to loan funds (the "Loan") to Franchisee to be used for the direct benefit of the Hotel and secured by the Hotel.

Lender and Franchisee have requested that Franchisor enter into this letter agreement (the "Comfort Letter") and have submitted the nonrefundable current processing fee. The undersigned parties agree as follows:

1. Opportunity to Cure Defaults.

(a) **Notice and Cure Period.** Franchisor will copy Lender on any notice of default or termination issued to Franchisee under the Franchise Agreement. To the extent any default is curable, Lender shall have the right, but not the obligation, to cure the default within a cure period of fifteen (15) calendar days for monetary defaults or forty-five (45) days for non-monetary defaults beyond the expiration of the cure period, if any, given to Franchisee ("Lender's Cure Period"). For non-monetary default, Lender must provide notice to Franchisor of Lender's intended method to cure the non-monetary default.

(b) Non-Monetary Default Requiring Possession to Cure. In the event of a non-monetary default, Lender must obtain Franchisor's prior written consent to apply for the right to acquire the Hotel (the "Acquisition"). Lender must provide notice to Franchisor in accordance with Section 1(a) of this Comfort Letter, and has, upon request, one hundred eighty (180) calendar days ("Additional Period") commencing at the expiration of Lender's Cure Period to complete the Acquisition, through foreclosure or other appropriate proceedings. To request the Additional Period, Lender must: (i) notify Franchisor no later than the date it commences proceedings (or promptly after action is stayed or enjoined) that Lender wants the Additional Period; (ii) commence proceedings within Lender's Cure Period and diligently prosecutes such proceedings to completion; and (iii) comply with the obligations of Franchisee under the Franchise Agreement not being performed by Franchisee during the Additional Period, including payment of all monetary obligations but excluding those obligations that can only be performed by Franchisee or which Lender cannot perform without ownership of the Hotel. If requested by Lender, Franchisor may extend the Additional Period, at Franchisor's determination taking into consideration the period of time that may be necessary to complete the foreclosure or other proceeding in the applicable jurisdiction and any period of time during which such action has been stayed or enjoined. If Lender fails to timely request the Additional Period, Lender acknowledges that the Franchise Agreement terminates pursuant to Franchisor's notice of default and termination.

(c) Foreclosure. If Lender commences a foreclosure or other proceeding intended to result in the Acquisition but Franchisor has not issued a default notice to Franchisee or Lender has cured Franchisee's default during Lender's Cure Period, Lender may exercise the rights under this Comfort Letter if Lender (i) notifies Franchisor of its proceeding as required by this Comfort Letter and confirms its intention to proceed under the terms of this Comfort Letter and (ii) subsequently completes its Acquisition within one hundred eighty (180) calendar days of the date Lender commenced its proceeding (as such one hundred eighty (180) day period may be extended by Franchisor in its determination if requested by Lender, which determination shall take into consideration the period of time required to complete a foreclosure in the applicable jurisdiction, and any period of time in which Lender's action has been stayed or enjoined). Lender must also comply with the obligations in Paragraph 1(b)(iii) while the Acquisition is pending. Franchisor acknowledges and agrees that an Acquisition shall not be deemed a sale or lease of the Hotel under the Franchise Agreement, nor a violation of any control or transfer provisions of the Franchise Agreement, and shall not be subject to any right of first refusal or right of first offer contained in the Franchise Agreement.

(d) Franchisor's Rights to Terminate Franchise Agreement. Notwithstanding any other provision of this Comfort Letter, and without limiting Franchisor's right to terminate the Franchise Agreement, Franchisor may terminate the Franchise Agreement if any of the following occur: (i) Franchisee's default or any subsequent default, in the sole opinion of Franchisor, damages the image or reputation of Franchisor or any brand name owned and/or licensed by Franchisor; (ii) Franchisor is required to terminate the Franchise Agreement by court order or action of any trustee in bankruptcy or debtor in possession of the Hotel; (iii) the Additional Period expires without other arrangements, satisfactory to Franchisor in its sole discretion, having been entered into between Franchisor and Lender; or (iv), as applicable, Franchisor has the right to terminate the Franchise Agreement without cause under Section 3 of the Franchise Agreement.

(e) Expiration of Franchise Agreement. Nothing in this Comfort Letter will extend the Franchise Agreement beyond its stated Term.

2. Elections Upon Lender Acquisition.

(a) Election Not to Operate. If Lender completes its Acquisition before the expiration of the applicable time periods set forth in Paragraph 1, Lender may elect not to continue operating the Hotel under the terms of the Franchise Agreement. In such event, Lender must give written notice to Franchisor within thirty (30) calendar days after the Acquisition of its election not to operate. Upon receipt by Franchisor of such notice, Franchisor shall terminate the Franchise Agreement in accordance with the terms thereof.

Upon such termination of the Franchise Agreement pursuant to this Paragraph, Lender shall not be liable for any termination fees or liquidated damages for early termination. Lender shall be solely liable for all fees and obligations of Franchisee that accrued during the time period from the date of the Acquisition through the date of Lender's notice not to operate, and Lender shall be responsible for complying with the de-identification obligations contained in the Franchise Agreement.

(b) Election to Operate. If Lender completes its Acquisition before the expiration of the applicable time periods set forth in Paragraph 1 and Lender elects to continue operating the Hotel as a «**Contract_Brand**» «**Contract_Product**» hotel, Lender may, by notice and payment to Franchisor of an affiliation fee in the amount of \$15,000 by no later than thirty (30) days after the Acquisition and, enter into a new franchise agreement on Franchisor's then-current form. Lender and Franchisor will execute the new franchise agreement within thirty (30) days of Lender's Acquisition. Such franchise agreement shall be dated as of the later of (i) the date that Lender acquired the Hotel or (ii) the date that we sign the new franchise agreement.

The conditions contained in the Section 9 transfer provisions of the Franchise Agreement relevant to a new franchisee as determined appropriate by Franchisor shall apply with respect to the transfer to Lender, including but not limited to submission by Lender of its ownership structure, evidence of ADA compliance and evidence of insurance. Any renovation requirements imposed by Franchisor will not exceed those which Franchisor could have imposed had Franchisee remained as the Franchisee under the Franchise Agreement. Lender must diligently cure all defaults which it could not cure before the Acquisition under the terms of Paragraph 1(b), except for personal and non-curable defaults as defined below, within the time period determined by Franchisor based on the nature of the default and/or the condition of the Hotel at the time of Lender's Acquisition. The term "personal and non-curable defaults" as used in this Paragraph shall mean such defaults that (i) occurred before the date of Lender's Acquisition; (ii) are non-curable; (iii) are purely personal to Franchisee (e.g., failure to provide adequate notice or past failure to maintain Franchisee's company status); and (iv) are unrelated to the operation of the Hotel. However, Lender shall not be liable for any termination fees or liquidated damages.

3. Receivership. If a receiver is appointed by court order to operate the Hotel, and Lender desires the Hotel to continue to be operated as a «**Contract_Brand**» «**Contract_Product**» hotel, Lender may, by notice and payment to Franchisor of a non-refundable \$7,500 administrative fee within thirty (30) days of receiver's appointment and subject to Paragraph 2(b) above, elect to have receiver enter into an assumption of the franchise agreement on Franchisor's then-current form. The receiver must execute an assumption of the Franchise Agreement within thirty (30) days of receiver's appointment. Before Franchisor approves such assumption of the Franchise Agreement pursuant to this Paragraph 3, (i) Franchisor, Lender and receiver must reach agreement concerning the cure of any quality, service or other deficiencies in Franchisee's prior performance of its obligations under the Franchise Agreement, including any deficiencies under any other agreements with Franchisor and/or its affiliates relating to the Hotel but excluding liquidated damages; (ii) receiver must enter into an assumption of the Franchise Agreement containing all terms required by Franchisor, which will be dated as of receiver's possession date; and (iii) receiver must specifically be authorized by court order to operate the Hotel and enter into and comply with the agreements referenced in subsection (ii) above.

4. Notifications to Franchisor. Lender agrees to notify Franchisor: (i) contemporaneously with commencement of foreclosure proceedings regarding the Hotel; (ii) contemporaneously with the filing of any petition for appointment of a receiver, to obtain the entry of an order for relief, or take any action under federal or state bankruptcy laws or similar laws with regard to the Hotel; (iii) contemporaneously with the acceptance of a deed for the Hotel in lieu of foreclosure; and (iv) promptly, after taking ownership, possession or control of the Hotel, directly or indirectly, in any manner. Lender's notice to Franchisor must identify the court in which any such action referred to in subsection (i) or subsection (ii) is or will be filed. Lender shall promptly notify Franchisor in writing of the commencement by another party of foreclosure proceedings or the filing of an action for the appointment of a receiver or petition for relief under state or federal bankruptcy laws after Lender receives notice of commencement of such proceedings.

5. **No Consent to Assignment of Franchise Agreement.** Lender and Franchisee acknowledge and agree that any current and any future collateral assignment, pledge, grant of a security interest or other transfer to Lender or its Affiliates of any interest in the Franchise Agreement: (i) has not been and will not be consented to by Franchisor; (ii) does not and will not affect Franchisor's rights under the Franchise Agreement; (iii) does not and will not grant Lender or any person gaining ownership or possession of the Hotel any rights under the Franchise Agreement or with respect to the license granted thereunder, including the right to operate the Hotel as a «**Contract_Brand**» «**Contract_Product**» hotel; and (iv) is and will be limited by the terms and conditions of this Comfort Letter. If the Hotel is acquired by anyone other than Lender neither Lender nor Franchisee will have the right or authority to sell, convey, assign or in any manner transfer any rights under this Comfort Letter or under the Franchise Agreement without the prior written consent of Franchisor. Lender's only rights with respect to the Franchise Agreement and the license granted thereunder, including the right to operate the Hotel as a «**Contract_Brand**» «**Contract_Product**» hotel, are stated in this Comfort Letter.

6. **Subsequent Sale.** Any subsequent sale, assignment or transfer of the Hotel by Lender to a third party who desires to continue to operate the Hotel as a «**Contract_Brand**» «**Contract_Product**» Hotel must be in accordance with the transfer and assignment provisions of the Franchise Agreement, which require, among other things, submission of a relicensing application, payment of an affiliation fee, and payment of all amounts due to Franchisor. Franchisor will require the transfer applicant to sign the then-current form of franchise agreement, which will include a new property improvement plan.

7. **No Claims.** Franchisor may discuss with Lender or its designee the status of the Hotel, the Franchise Agreement, the terms of any agreement contemplated by this Comfort Letter and any of the matters to which Lender is entitled to notice. Franchisor and its respective owners, affiliates, agents, employees, officers, directors, successors, assigns and representatives ("Released Persons") shall not be liable to any person for taking any action or providing any information required or contemplated by this Comfort Letter ("Comfort Letter Acts") and Franchisee, on behalf of itself and its owners, affiliates, agents, officers, directors, employees, representatives, successors and assigns, hereby releases the Released Persons of and from any and all actions, causes of action, suits, claims, demands, contingencies, debts, accounts and judgments whatsoever, at law or in equity, for any Comfort Letter Acts.

9. Franchisee Estoppel and Release. As consideration for this Comfort Letter relating to the Loan, Franchisee hereby:

(a) certifies to Franchisor that the Franchise Agreement is in full force and effect, and no default, claim, breach, offset, defense to full and strict enforcement, waiver, or estoppel (collectively, a "**Claim**"), or condition that could with passage of time, giving notice or otherwise become a Claim, currently exists or has existed against Franchisor under the Franchise Agreement;

(b) agrees that this Comfort Letter will remain in full force and effect in favor of Lender with respect to the Loan, as the Loan may periodically be modified, amended, extended, supplemented, or restated;

(c) agrees that this Comfort Letter was provided to Lender at Franchisee's request; and

(d) fully and forever releases, discharges, and agrees to indemnify, defend, and hold harmless Franchisor, its predecessors, successors and assigns and each of their respective former and present officers, employees, directors, shareholders, partners, members, parents, subsidiaries, affiliates, alter egos, representatives, agents, and attorneys (collectively, the "Released Parties"), from any and all Claims, demands, liens, actions, agreements, suits, causes of action, obligations, controversies, debts, costs, attorney's fees, expenses, damages, judgments, orders, and liabilities of whatever kind or nature in law, equity, or otherwise, whether now known or suspected which have, may or do exist ("Released Claims"), based on any facts, events, or omissions occurring before the execution of this Comfort Letter which arise out of, concern, pertain, or relate in any way to the subject matter of this Comfort Letter. Franchisee acknowledges that it may hereafter discover Claims presently unknown or unsuspected, or facts in addition to or different from those which it now knows or believes to be true, with respect to the matters released by this Comfort Letter. Nevertheless, Franchisee fully and finally settles and releases all such matters, and all Claims relative thereto, which do now exist, may exist or have existed between the Released Parties and Franchisee.

10. Lender Estoppel and Release. As consideration for this Comfort Letter relating to the Loan, Lender hereby:

(a) certifies to Franchisor that Lender is not a Sanctioned Person. "Sanctioned Person" means any person or entity (including financial institutions) who is: (i) or is controlled by or acting on behalf of the Government of any country subject to comprehensive U.S. sanctions in force and which currently include the Government of Cuba, Iran, North Korea, Sudan, and Syria ("Sanctioned Countries"); (ii) located in, organized under the laws of or ordinarily resident in Sanctioned Countries; and/or (iii) identified by any government or legal authority under applicable Trade Restrictions as a person with whom dealings and transactions by Lender and/or its affiliates are prohibited or restricted, including but not limited to persons designated under United Nations Security Council Resolutions, the U.S. Department of the Treasury's Office of Foreign Assets Control ("OFAC") List of Specially Designated Nationals and Other Blocked Persons; the U.S. Department of State's lists of persons subject to non-proliferation sanctions; the European Union Financial Sanctions List; persons and entities subject to Special Measures regulations under Section 311 of the USA PATRIOT Act and the Bank Secrecy Act;

(b) agrees that this Comfort Letter shall remain in full force and effect in favor of Lender with respect to the Loan, as the Loan may periodically be modified, amended, extended, supplemented or restated; and

(c) fully and forever releases and discharges the Released Parties from any and all Released Claims by or through Lender based on any facts, events, or omissions occurring before the execution of this Comfort Letter which arise out of, concern, pertain, or relate in any way to this Comfort Letter.

11. No Representations or Warranties. In no event shall this Comfort Letter or any other circumstances surrounding the provision of financing by Lender be construed to involve: (i) any representation by Franchisor that Franchisor endorses, approves, recommends or otherwise concurs in the financing; (ii) any guarantee or assurance by Franchisor that Franchisee or any other party to the Loan will be able to repay the Loan in accordance with its terms; (iii) any endorsement, approval, recommendation or concurrence in any financial projections submitted to Lender in connection with the Loan; or (iv) any endorsement, approval or recommendation of Franchisee's character or reputation. Franchisor's representation in the second paragraph of this Comfort Letter regarding the status of the Franchise Agreement pertains to the status of the Franchise Agreement as of the date of this Comfort Letter only. As a result, Lender acknowledges that Franchisor makes no representation that it has or has not issued any default notice after the date hereof, and Lender is not relying on any such representation (or absence of a representation) in making any decision or representation or warranty in connection with any material modification, securitization, or sale of the Loan.

12. Replacement Comfort Letter. Franchisor will issue a replacement comfort letter, substantially similar in form to Franchisor's then current comfort letter and then current fee if Lender (a)(i) appoints a third-party loan servicing agent to service the Loan, (ii) transfers the Loan to a successor mortgagee that is a financial institution in the business of routinely financing real estate transactions, or (iii) designates a trustee of a trust established in connection with the securitization of the Loan, provided that such transferee, designee, or appointee is not a Competitor, an affiliate of a Competitor, or a Person as defined in Section 19(k) of the Franchise Agreement (the "Anti-Terrorism/Anti-Bribery Laws"), and is not an affiliate of Franchisee, and (b) Franchisor receives a written request to issue a replacement comfort letter within sixty (60) days of the date of such appointment or transfer, setting forth the name, address of the entity for which the replacement comfort letter is requested, the name, address, telephone number and email address for the contact person for such entity, and the date of such appointment or transfer.

"Competitor" means an individual person who directly, or indirectly through an affiliate, owns or controls a hotel brand (or brands) and brands hotels through branded management, licensing and/or franchising (or similar means) for at least ten (10) hotels; provided, however, that a financial investor (such as an investment bank, private equity fund, pension fund, hedge fund or similar institution or any investor therein) shall not be deemed a competitor solely because of its financial investment in any competitor so long as either such financing investor is a passive investor or such financial investor is not actively involved in the day-to-day business operations of the brand and an appropriate and sufficient barrier is established to prevent such financial investor from receiving any confidential information of Franchisee, as applicable. In addition, a bank or other institutional lender that provides commercial financing to a competitor shall not be deemed a competitor solely because in the ordinary course of business it has financed a competitor, whether or not such financing results in, or has the potential to result in, such lender having control of a competitor as a result of the enforcement of remedies in the applicable financing documents, provided that such lender does not assume active management of the day to day operations of such competitor. Franchisor reserves the right to require representations and warranties or certifications that the conditions in this Paragraph are satisfied prior to issuing any replacement comfort letter. Any such replacement comfort letter shall supersede and replace this Comfort Letter.

13. Possession of the Hotel. If Lender owns, controls or possesses the Hotel after termination of the Franchise Agreement for any reason and Lender has not entered into a franchise agreement with Franchisor pursuant to Paragraph 2(b) herein, Lender will (i) upon Franchisor's request immediately perform the requirements of the Franchise Agreement with respect to de-identifying the Hotel as a «**Contract_Brand**» «**Contract_Product**» hotel and (ii) indemnify, defend and hold harmless Franchisor and its affiliates from and against any loss, claim or other liability of any kind arising from or in connection

with the operation of the Hotel as a «**Contract_Brand**» «**Contract_Product**» hotel during such ownership, control or possession. Lender's obligations under this Paragraph shall survive termination of this Comfort Letter, and nothing herein shall limit Franchisor's rights to seek legal redress for any unauthorized use of Franchisor's trademarks, service marks, or systems.

14. Termination. This Comfort Letter shall terminate and Lender shall have no rights hereunder if:

- (i) Lender has been taken over in any manner by any state or federal agency or is in a receivership, conservatorship, reorganization, or liquidation, or Lender or any of its officers or directors has entered into or is subject to a cease and desist order or any other formal or informal written agreement with a federal or state regulatory agency;
- (ii) Lender no longer holds a valid first mortgage or security deed for the Hotel unless (a) Lender has acquired the Hotel by foreclosure, deed in lieu of foreclosure, or any other exercise of its rights as a secured lender, in which case Lender will have the rights stated in Paragraph 2 for the period stated in such Paragraph, or (b) there has been a securitization or transfer of the Loan, in which case Lender will have the rights stated in Paragraph 12 for the period stated in such Paragraph;
- (iii) the Franchise Agreement has expired or the Franchisee has exercised its right to terminate;
- (iv) the Franchise Agreement has been terminated, unless such a termination is the result of the timely exercise of Lender's rights under Paragraph 2 or Paragraph 3, in which case this comfort letter will terminate on the exercise or expiration of such rights, but in no event later than forty-five (45) days after such termination of the Franchise Agreement; or
- (v) Lender breaches this Comfort Letter.

15. Confidentiality. You agree to keep the grant of modifications contained in the Comfort Letter in strict confidence and to not disclose them to any persons other than your directors, officers, partners, employees, agents and advisors who have a need to know for the sole purpose of the servicing, sale, administration, or securitization of the Loan. Any unauthorized disclosure is a default under the terms of the Comfort Letter, and we may, at our option, immediately terminate the Comfort Letter upon notice to you. The modifications outlined in this Comfort Letter are for the Hotel only and do not indicate that other hotels owned by you or by others will receive similar modifications. You acknowledge and agree that nothing in the Comfort Letter prohibits us from disclosing the terms of the Comfort Letter to any vendors, lenders, or other third parties as we determine in our reasonable discretion.

16. Final Agreement. Except as otherwise expressly set forth, this Comfort Letter is the final integration of the agreements between the parties with respect to the matters covered by it and supersedes any prior understanding or agreement, oral or written, with respect to the matters covered by the Comfort Letter.

17. Effectiveness. Franchisor shall have no obligations hereunder unless Lender and Franchisee have executed and delivered to the other parties this Comfort Letter, which may be executed in a number of identical counterparts, each of which shall be deemed an original for all purposes and all of which shall constitute, collectively, one and the same letter agreement. Delivery of an executed signature page to this Comfort Letter by electronic transmission is as effective as delivery of an original signed counterpart. This Comfort Letter is effective as of the date the Franchisor signs the letter agreement. Franchisor's offer to enter into this Comfort Letter will be automatically withdrawn if (i) Franchisor does not receive signed copies from lender and Franchisee within 30 days of the date on page 1 herein, or (ii) Franchisor does not receive proof of the date of Loan closing within 60 days of the date on page 1 herein.

Very truly yours,
