This disclosure document summarizes certain provisions of your franchise agreement and other information in plain English. Read this disclosure document and all accompanying agreements carefully. You must receive this disclosure document at least 14 calendar days before you sign a binding agreement with, or make any payment to the franchisor or an affiliate in connection with the proposed franchise sale or grant. Note, however, that no government agency has verified the information contained in this document.

The terms of your contract will govern your franchise relationship. Don't rely on the disclosure document alone to understand your contract. Read your entire contract carefully. Show your contract and this disclosure document to an advisor, like a lawyer or accountant.

Buying a franchise is a complex investment. The information in this disclosure document can help you make up your mind. More information on franchising, such as "A Consumer's Guide to Buying a Franchise," which can help your understand how to use this disclosure document, is available from the Federal Trade Commission. You can contact the FTC at 1-877-FTC-HELP or by writing to the FTC at 600 Pennsylvania Avenue, NW, Washington, DC 20580. You can also visit the FTC's home page at www.ftc.gov for additional information. Call your state agency or visit your public library for other sources of information on franchising.

STATE COVER PAGE

Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrator listed in Exhibit "G" for information about the franchisor, or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHTS YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW.

Please consider the following RISK FACTORS before you buy this franchise:

1. THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH US BY ARBITRATION/LITIGATION ONLY IN THE STATE OF CALIFORNIA. OUT-OF-STATE ARBITRATION OR LITIGATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST MORE TO ARBITRATE OR LITIGATE WITH THE FRANCHISOR IN CALIFORNIA THAN IN YOUR HOME STATE.

2. THE FRANCHISE AGREEMENT STATES THAT CALIFORNIA LAW GOVERNS THE AGREEMENT, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTIONS AND BENEFITS AS LOCAL LAW. YOU MAY WANT TO COMPARE THESE LAWS.

3. YOUR SPOUSE MUST SIGN A PERSONAL GUARANTY MAKING YOUR SPOUSE JOINTLY AND INDIVIDUALLY LIABLE FOR THE FINANCIAL OBLIGATIONS UNDER THE FRANCHISE AGREEMENT. THE GUARANTEE WILL PLACE YOUR SPOUSE'S MARITAL AND PERSONAL ASSETS AT RISK IF YOUR FRANCHISE FAILS, WHETHER OR NOT SUCH SPOUSE IS INVOLVED IN THE OPERATION OF THE FRANCHISE BUSINESS.

4. THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE.

We may use the services of one or more franchise brokers or referral services to assist us in selling our franchise. A franchise broker or referral source represents us, not you. We would pay this person a fee for selling our franchise or referring you to us. You should be sure to do your own investigation of the franchise.

ITEM 7
ESTIMATED INITIAL INVESTMENT

YOUR ESTIMATED INITIAL INVESTMENT

CATEGORY OF INVESTMENT	AMOUNT	METHOD OF PAYMENT	WHEN DUE	PAYMENT MADE TO
INITIAL FRANCHISE FEE	$0 to $25,000	Lump Sum	$10,000 Deposit with signed Franchise Agreement. Balance due before training	Sir Speedy
TRAINING & OPENING COSTS [1]	$30,000	Lump Sum	Prior to training, or 90 days upon signing Agreement (whichever occurs 1st)	Sir Speedy
PURCHASED EQUIPMENT [2]	$70,527	Lump Sum	At Time Equipment is Ordered	Sir Speedy
LEASED EQUIPMENT [2]	$2,454	Lease	Monthly	Vendors
ADDITIONAL FUNDS [3] - 20 Months	$125,000 to $150,000	Operating Expenses	As Incurred	Various vendors, entities & employees
TOTAL INVESTMENT [4]	$227,981 to $277,981			

Notes:

1. The initial Franchise Fee and Training and Opening Costs are discussed in detail in Item 5. Sir Speedy does not finance these fees and costs.
2. See Exhibit "A" of Franchise Agreement for details. The leased equipment consists of two digital production devices, one color and one black and white, and a large-format printer. An estimated monthly lease payment for all machines combined is approximately $2,454 for 48 months, and are leased directly from the Vendor. The retail value of all the leased machines, if purchased rather than leased, is approximately $104,351.
3. You will need working capital to pay for initial security and utility deposits, business permits, yellowpages.com advertisements, initial insurance costs and tenant improvements. Leasehold improvements vary from $0 to $25,000 or more, and will be negotiated with the landlord. In some cases, you will pay for the site improvements and sometimes the landlord will offer an allowance, in which case they will be paid for in full or in part by the landlord, and payment will be included in the regular rent payments. You will also need capital to support your ongoing expenses, such as rent, lease payments, payroll, utilities, Continuing Franchise Fees, advertising and supplies, etc., to the extent these costs are not covered by sales revenues. New businesses often generate a negative cash flow. Sir Speedy estimates that the amount given will be sufficient to cover ongoing expenses for up to a 20-month start-up phase. This is only an estimate, however, additional working capital may be necessary during this start-up phase, and after. Your actual break-even point will depend

on factors such as: how much you follow Sir Speedy's methods and procedures; your management skill, experience and business acumen; local economic conditions; the local market for the product; the prevailing wage rate; competition; the sales level reached during the initial period; and any equipment upgrades. Therefore, Sir Speedy cannot accurately predict how long it will take you to reach your break-even point. Initial expenses for non-owner managed Centers may be considerably higher and may require a longer start-up period. Sir Speedy relied on its 47 years of experience in the printing and reproduction business to compile these estimates. You should review these figures carefully with a business advisor before making any decision to purchase the franchise.

4. The figures given, assume the purchased equipment is purchased and the leased equipment is leased. The digital print engine copiers are typically leased, and the equipment package is typically purchased-financed.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must obtain substantially all of the supplies, equipment, computers, hardware and software, fixtures, signs and inventory ("equipment") for the operation of your Sir Speedy Center from Sir Speedy pre-approved or designed suppliers, or your purchase of these items must conform to Sir Speedy's standards and specifications. Exhibit A to the Franchise Agreement lists the required equipment for a Sir Speedy Center and specifies by name equipment determined to be most efficient for the uses anticipated based on function, capacity and quality. Sir Speedy may change Exhibit A without notice. You may obtain equipment comparable to the equipment listed on Exhibit A if approved by Sir Speedy.

Approval for equipment is determined by product tests, both in the field, by you, and by equipment testing done by Sir Speedy at its own facilities. All approved equipment must be manufactured by a reputable graphic arts supplier able to provide national service. The testing period usually varies between one and six months and is at no cost to you. If approved, Sir Speedy will notify the supplier. Neither Sir Speedy nor any affiliates are the only approved suppliers of required equipment. An approved supplier may be revoked in the future, should future testing reveal unacceptable results.

More detailed standards and specifications for some of the equipment are described in the various Operations Manuals which govern all matters requiring standardization and uniformity in the Sir Speedy franchise network. These specifications include minimum standards for function, quality, durability, desirability, performance, warranty, design or appearance. We may modify our specifications or add new specifications in writing. You may purchase the equipment from Sir Speedy or from any supplier who has been pre-approved by Sir Speedy or whose product, service or equipment meets our standards and specifications.

There are no suppliers in which any of our officers own an interest, or persons affiliated with Sir Speedy, Inc.

In addition to the equipment package, you must have two digital print engines, which must be on the premises. These machines are leased directly from the vendors.

We estimate that the equipment package will be approximately 28% to 31% of the cost to establish the Sir Speedy Center, and approximately 5% to 7% of the cost to operate the Sir Speedy center. (Additional equipment purchased from required working capital during the first 12 months must be approved by Sir Speedy).

Sir Speedy will sell equipment to you at our cost. In the year ended December 31, 2017, Sir Speedy's gross revenues from the sale of equipment (all required purchases) to Sir Speedy Franchisees was $0. Affiliates do not derive revenue from required purchases.

Several of Sir Speedy's suppliers provide Sir Speedy "credits" for each transaction consummated with you. The credits amount to 1% to 5% of the purchase price and are used by Sir Speedy to acquire test equipment from that supplier for its national training center and corporate office, and to support training venues. There is no required supplier in which a Sir Speedy officer owns an interest.

Sir Speedy's various national contracts with many equipment manufacturers/distributors give discounted pricing of up to 50% off list pricing based on volume purchasing. Sir Speedy does not require you to deal with any particular vendor as a condition to receive any Franchise benefits.

Currently, there are no equipment purchasing distribution cooperatives. Sir Speedy may negotiate purchase agreements with suppliers, including price terms for the benefit of franchisees. There are no additional benefits (apart from discounted price) to a franchisee based on a franchisee's purchase of a particular products or services of particular suppliers.

Initial and On-Site Training

All franchise owners who will be responsible for full-time management of the business are required to attend the initial training, which must be successfully completed to our satisfaction prior to opening, or taking over ownership of the business.

Before opening, Sir Speedy will train you and one other person at our Print Management University currently located at our corporate facility in Mission Viejo, California. This mandatory, comprehensive University currently begins with an orientation on a Sunday evening and lasts 2 weeks. Total University instructional time currently runs for 80 hours. The objective of our University is to thoroughly train you in our four operating systems: production management, marketing and sales management, business and financial management, and employee management. You leave the University with a customized business plan to implement and follow during the first year of operation.

The University instructional materials and methods include pre-attendance study, a set of operations manuals, handouts, audiovisual presentations, role-play, case studies, and group interaction. Sir Speedy pays in full training expenses for two people to attend University, including round trip transportation, lodging (one room, double occupancy), and some food (continental breakfast and lunch is provided every day of classroom training). Our University sessions are currently held several times a year.

After University you will receive an additional 11 days of on-site training at your Sir Speedy Center where we will assist you in the setup and opening of your Center, provide on-site digital production training, and provide hands-on training with outside sales.

Hours of instruction per operating system are as follows:

All franchise owners who will be responsible for full-time management of the Center are required to attend this initial training and must successfully complete the program to our satisfaction prior to opening or taking over ownership of the center. The minimum experience of the instructors in the field that is relevant to the subject taught is from 14 to 28 years.

The $30,000 Training and Opening Costs discussed in Item 5 covers all training expenses for 2 people, including airfare for 2 people, 1 hotel room, and some meals. This cost must be paid prior to attending Print Management University.

You may bring additional people to the University (over the 2) at your expense. The current University fee for an additional person is $1,000 (transportation and lodging are your responsibility).

In 2017 the convention registration fee was $560.

- Additional Direct Mailers

These products and services may be modified, deleted, or enhanced at any time.

Sir Speedy maintains, for your benefit, a network-wide Internet presence at www.sirspeedy.com. The main purpose of this website is to raise awareness of the capabilities of the Sir Speedy network. In addition, each Center is assigned a URL and given a custom website that can be customized and personalized by you. The individual website includes ecommerce functionality, web-to-print online ordering functionality, and request-a-quote/send-a-file functionality. This service may be modified, deleted, or enhanced at any time. Additionally, the current online system allows for individualized online ordering catalogs to be utilized by each Center for the benefit of their customers. These services are provided at little or no cost to you.

Sir Speedy has a Network Advertising Program to promote the Sir Speedy brand on a national basis, currently through a direct mail program, special promotions, and various other marketing and advertising materials. The Network Advertising Program is not directed to any particular local area.

As added support, Sir Speedy manages a national public relations campaign, along with customizable materials and information for local PR functions, which include news release distribution services.

Franchisees may also elect to participate in the Automated Marketing Program that is currently funded by the Network Advertising Program. This program is designed to build brand awareness and nuture leads based on a direct mail and e-mail list provided and maintained by the franchisee. Program results are not guaranteed. Mailing cut-off dates vary. This service may be modified, deleted, or enhanced at any time.

All advertising for the Network Advertising Program and some marketing materials are currently created by Summit. Summit generates typical advertising agency commissions for placement of media and creative development. The Ad Fund does not otherwise benefit Sir Speedy or any affiliate. Sir Speedy pays for its Network Advertising Program (including agency commissions) through a network-advertising fund ("Ad Fund"). You must pay weekly Advertising Fees to the Ad Fund of either 1% or 2% of your weekly gross sales. The Advertising Fees are deposited into a separate bank account that Sir Speedy administers.

Sir Speedy allocates 100% of the Ad Fund revenue to network advertising programs and reserves the right to allocate no more than 15% of the Ad Fund revenue for general administrative expenses. Of the Ad Fund expenditures in 2017, 10% website, 56% lead nurturing, 17% online storefront, 7% content marketing, and 10% other costs (such as creative and public relations). Ordinarily, Ad Fund contributions will be spent in the fiscal year they are collected. Any unused Ad Fund contributions will be spent in the next fiscal year. The Ad Fund is not used to advertise the sale of franchises.

The Ad Fund pays for the development and maintenance of the network and individual websites, except for that portion of the website with information on selling franchises, which is paid for separately by Sir Speedy.

An independent certified public accounting firm audits the Ad Fund annually. Sir Speedy will provide to you, annually, the audited financial statements.

Sir Speedy has an Owners' Marketing Advisory Council (OMAC) currently made up of 8 Franchisees who have been asked by Sir Speedy to serve. Sir Speedy consults with OMAC 2 to 3 times per year on all areas of its advertising and marketing programs and promotions. OMAC serves in an advisory capacity and may be changed or dissolved by Sir Speedy in the future.

Cooperative Advertising

Franchisees in the same geographic area may form a local advertising cooperative association (ACA) to conduct joint local advertising. If an ACA is in existence or later formed in your geographic area, you and all other franchisees in that geographic area must join the ACA. Geographic areas are determined by the Dominate Market Area ("DMA") as defined by the radio and television industries. The dues you will contribute is determined by the ACA and are usually between $50 to $400 a month. Sir Speedy will not be a member, but will act in an advisory capacity. Any franchisor-owned Sir Speedy Center in the same geographic area will be a member of the ACA. The ACA members themselves administer the ACA, create the ACA rules, and enforce those rules. Generally, an ACA will have formal Bylaws and Articles of Association, but these are not required by Sir Speedy for an ACA formation. Sir Speedy will recognize an ACA upon a majority of signatures of Franchisees in the geographic area and will provide consultation and advice concerning cooperative advertising in the area. Sir Speedy cannot form, change, or dissolve an ACA without a majority vote of that ACA's members. You may obtain information concerning dues, advertising benefits, and any governing documents from the ACA.

You may develop advertising materials for your own use, at your cost, but materials must conform to Sir Speedy's guidelines provided to you for use of its logos and trademarks.

Computer Requirements

You must have computerized pricing and estimating software and hardware (Franchise Agreement, Section 2b and Exhibit "A" of the Franchise Agreement).

Sir Speedy currently recommends PrintersPlan software, manufactured by SoftUse, 116 Old Padonia Road, Suite C, Hunt Valley, MD 21030 (800) 638-7526. The program manages cost files of both materials and production, estimates and invoices, maintains customer history data, accounts receivable, and can create aging and sales analyses. SoftUse provides telephone support, software updates, and maintenance for 1 year with initial software package at no charge to you as part of Sir Speedy's equipment package. You can purchase a continuing maintenance agreement through different pricing plans and Sir Speedy recommends you do so. Sir Speedy has no affiliation with SoftUse and receives no direct or indirect payments (other than volume discounts for its Franchisees) for utilizing PrintersPlan in its equipment package.

There is a similar pricing software program called PrintSmith (not available in the current Sir Speedy package) which some Sir Speedy Centers use. Additionally, there are several other printing estimator programs.

The Sir Speedy selected hardware is a personal computer and a laser printer; PrintersPlan system requires a computer and printer. You must obtain the complete equipment package, which includes the computer, the printer, and the software either from Sir Speedy or elsewhere. Individual pieces may not be separated out of our package. The total computer software and hardware items cost ranges from approximately $26,000 to $30,000.

Sir Speedy does not have independent access to the information and data maintained on your software, but it reserves the right to do so. You are not required to upgrade any particular piece of software

or hardware; however, you must maintain the full capabilities of a Sir Speedy Center, including implementing any changes in the Sir Speedy System; the annual cost of any optional maintenance, upgrades of equipment or support contracts, is between $500 and $1000.

You must provide electronic file transfer capabilities for your customers through the website, www.sirspeedy.com. You must also be connected to Sir Speedy Net and have high-speed internet access which can be obtained through a local service provider.

Site Selection

Sir Speedy will provide you with site selection approval. Sir Speedy will consider zoning, signage requirements, traffic flow, parking, site size and proximity to potential customer concentrations and proximity to other Sir Speedy Centers. Site selection is not an exact science and Sir Speedy does not guarantee the viability of any location. Franchisor will use its best efforts to approve or disapprove your selected site within 14 days from the date you submit a prospective site for approval. You will typically open your Sir Speedy Center within 180 days after you sign a Franchise Agreement. The factors that may affect how quickly you will open your Center include lease negotiation, obtaining financing, tenant improvements and build-out requirements, weather conditions, shortages and any delayed delivery or installation of equipment fixtures and signs. If you do not find a site with 90 days of signing the franchise agreement due to your own lack of diligence, we may terminate the franchise agreement.

ITEM 12

TERRITORY

We will grant you an exclusive territory where Sir Speedy will not establish another Sir Speedy Franchise or a company-owned Sir Speedy Center. The size of the territory varies according to the number of businesses in the area, and will be at least one-half mile radius. You have no minimum sales quota to maintain your territory. There are no circumstances that permit Sir Speedy to modify your territory without your consent.

The Franchise Agreement grants you a single Sir Speedy Franchise for a designated location or any approved relocation. Sir Speedy will approve a relocation based on the same criteria it uses in approving the original location.

We may consider granting you're the right to establish additional Sir Speedy Franchises in your territory or outside your territory upon written application and approval by Sir Speedy, and provided you are in compliance with the Franchise Agreement. The franchise agreement grants you no options, rights of first refusal or similar rights to acquire additional franchises within the Territory or contiguous territories.

There are no restrictions on you from advertising, soliciting or accepting orders from customers outside your territory, including inside another Sir Speedy Franchisee's territory, and other Sir Speedy owners may have and solicit customers in your territory. You have the right to use other channels of distribution, such as the Internet, telemarketing, or other direct marketing to make sales outside your territory.

We will not grant an exclusive territory in dense metropolitan areas and we may grant Franchises in numerous locations in these areas. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we may own, or from other channels of distribution or competitive brands that we control. A dense metropolitan area is defined as a central business district

or central downtown area of large, metropolitan cities with a high concentration of businesses. We will tell you if your application submitted requests a city that is considered to be a dense metropolitan area.

We and our affiliates reserve the right to directly or indirectly market and/or sell, and the right to use alternative distribution, including the Internet, within or outside of your Territory, products and/or services that are not sold through Sir Speedy businesses, whether or not they use the Marks, without compensation to you. We currently have no present intention to market or sell Sir Speedy products or services, which are offered at your Sir Speedy business, inside your territory, but we reserve the right to do so through alternative means of distribution, including the Internet, in the future, or through future company owned Sir Speedy businesses located outside your Territory.

Sir Speedy's affiliates, PIP and Signal Graphics, may have or may establish PIP or Signal Graphics centers in your territory, and Sir Speedy may have or may establish Sir Speedy centers in a PIP or Signal Graphics franchisee's territory. Sir Speedy or an affiliate may establish or acquire other printing/copying or related services companies in the future, which may have, or open, printing/copying or related services center in your territory. Sir Speedy, PIP, and Signal Graphics centers offer similar services and may compete for the same customers without regard to territory.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

Sir Speedy owns a Copyright Registration Number TX4-592-625 dated July 22, 1997 on its publication "How to Hire, Train & Manage a Salesperson" (including Salesperson Training Manual). Sir Speedy does not own any other patents or registered copyrights. Sir Speedy's operations manuals and marketing materials are confidential and proprietary, and may only be used in authorized manners. Although not registered, Sir Speedy claims a copyright in these materials. You do not receive any rights in any proprietary or copyrighted materials.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You must directly supervise and participate in the day-to-day operations of the Sir Speedy Center or the Sir Speedy Center must be directly supervised "on-premises" by a manager who has successfully completed Sir Speedy's initial training. The manager must sign a written agreement to maintain confidentiality of the proprietary information described in Item 14 and to conform to the covenants not to compete described in Item 17. There is no limitation on who you may hire for a manager, except you cannot hire a person who concurrently works for or owns a similar business. The manager need not have an equity interest in the Franchise. Caution: Sir Speedy Centers that are not directly managed and operated by you will require a greater marketing effort to achieve profitability since expenses tend to be higher than in owner-managed and operated Sir Speedy Centers. Sir Speedy strongly recommends an owner managed and operated involvement.

ITEM 16

RESTRICTIONS ON WHAT FRANCHISEE MAY SELL

You must offer and sell only those goods and services that Sir Speedy has approved. Sir Speedy has the right to change the types of approved services consistent with business technologies. You may not conduct any business other than that of the Sir Speedy Center at the franchised location, except upon Sir Speedy's written authorization. There are no restrictions on the customers you may serve.

Financial information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances. Sir Speedy Center, as referenced in this Item 19, means a Sir Speedy franchised outlet.

This item contains certain historical data as provided by our franchisees. Written Substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Importantly, the success of your franchise will depend largely upon your individual abilities and your market, and the financial results of your franchise are likely to differ from the results summarized in this item.

COMPARATIVE ANNUAL GROSS SALES

United States Sir Speedy Centers in business over 1 year averaged $986,073 in gross sales for the 12-month period ended December 31, 2017. This average is based on 140 reporting franchises. *

The 2016 figures reveal that 30% or 42 of the 140 eligible reporting Centers actually attained or surpassed $986,073.

Of the 140 Centers in this report, 3 have been open and operating for 1 to 9 years; 13 Centers have been open and operating for 10 to 20 years; 55 Centers have been open and operating for 21 to 30 years and 69 Centers have been open and operating for over 30 years.

The sales figures, although unaudited, are based upon the actual reported sales volumes of Franchisees. These average sales figures do not reflect the costs of sales or operating expenses that must be deducted from the gross revenues or gross sales figures to obtain your net income or profit.

Sir Speedy offers substantially the same services to each of its Franchisees. The type and extent of services offered to the public by each individual Franchisee may vary somewhat with the Franchisee. The sales volume attainable by a Franchisee is largely dependent of the quality of service offered to the public as well as individual sales and marketing efforts.

** Reported as of February 23, 2018. The average in this report represents approximately 88% of the reported domestic Sir Speedy Centers, in business for more than 1 year as of December 31, 2017. The total Sir Speedy Centers, as of 12/31/2017, was 159. The Centers not included were either in business less than 1 year, non-domestic Centers, or Sir Speedy Centers that did not report at least 100% of their 2017 sales as of February 23, 2018.*

Assumptions That May Be Used in Developing Projections
(Percentages given for cost of sales and for salaries and wages are recommended ranges)

Cost of goods – Consumable raw materials and supplies for the production of digitally printed output; copying, preparation, large format printing / signage, mailing services, goods purchased for resale "buy outs." Cost of goods sold, excluding labor, should range from 25% - 30% dependent on your pricing and product mix.

Salaries and wages – Salary and wages will include the cost for production staff and front counter sales and will range from 22% - 24%. This includes the applicable state and federal taxes. This excludes owner's compensation.

Insurance – Insurance costs may be as high as $2,000 annually.

Depreciation – The depreciable life for the majority of purchased equipment will range from 3 – 7 years. Certain IRS regulations permit accelerated depreciation. Under certain circumstances a 100% deduction in year one (1) may be available.

Equipment maintenance – The cost associated with maintaining the various equipment used to produce product will vary based on the volume and mix of gross sales. Excluding the cost to lease the equipment, maintenance costs will range from 1% - 2% of gross sales.

Telecom – This includes business lines, cell phones and an Internet connection. These costs may be as high as $6,000 annually.

Rent – The approximate monthly rent of a new Center ranges from $2,000 to $5,000 monthly and is greatly dependent on region and location. This includes the cost for basic utilities.

Continuing franchise fees - The continuing franchise fee is 4% of gross sales the first 12 months, then 6% after the first year. See Exhibit "B" of the Franchise Agreement for applicable rebates.

Selling and advertising – The network advertising fund cost is 1% of gross sales the first 12 months, then 2% after the first year. See section 2.d. of the Franchise Agreement for applicable weekly maximum. Local and Internet advertising costs will range from 2% - 4%.

There may be other costs and other expenses not identified. Prospective franchisees should conduct an independent investigation of the costs and expenses in operating a franchised business, and franchisees, including former franchisees listed in the disclosure document, may be one source of information.

1. GRANT AND ACCEPTANCE OF FRANCHISE

The Franchisor grants to Franchisee the following rights, licenses and privileges with respect to the franchised location;

a. Franchisor grants, and Franchisee accepts, a franchise to operate one Sir Speedy Center at the designated location only, or any other Franchisor approved location, throughout the term of this Agreement. Franchisee further agrees to continuously operate the business as a Sir Speedy Center only throughout the term of this Agreement, and that Franchisee will operate no other business without Franchisor's consent at said franchised location, nor shall Franchisee operate any other business under any other trademark, service mark, name or license, except that of Sir Speedy Center, at said franchised location during the term of this Agreement;

Franchisee agrees to use the trade secrets, trademarks, and trade names in only Franchisor-approved manners. The grant of this license shall not give Franchisee any use rights to the Sir Speedy name and logos not specifically authorized by Franchisor for use in conjunction with the ownership and operation of a Sir Speedy Center. Franchisee shall not use the name "Sir Speedy" as part of the name of its corporation or other business entity. Franchisee must modify or discontinue the use of a trademark and/or service mark if Franchisor modifies or discontinues such use of it;

2. CONSIDERATION

a. **Initial Franchise Fee; Training and Opening Costs**. The initial franchise fee is $25,000 ($21,250 with the Vet★Fran discount). A deposit of $10,000 is required upon applying for a Franchise, which becomes non-refundable (except as provided below) upon execution of this Agreement and notification of approval of Franchisee by Franchisor. The balance of the franchise fee, $15,000 ($11,250 for Vet★Fran applicant), is due before attendance of the required Sir Speedy initial training program. A further payment of $30,000 for training and opening costs is due and payable before Franchisee's attendance of the required Sir Speedy initial training program. Franchisee is responsible for any applicable sales tax on the franchise fee and/or the training and opening costs. The initial franchise fee will be refunded if your franchise application is not approved by Franchisor, your chosen market is not approved by Franchisor, or if your financing is not approved through no fault of your own.

b. **Equipment Package**. In order to equip the franchise location as a Sir Speedy Center, Franchisee agrees to obtain the equipment package provided for in Exhibit "A" attached. Franchisee may buy and/or lease the equipment package from any source. If Franchisee elects to purchase the equipment from sources other than Franchisor, the total equipment package must be purchased from such other sources. Franchisor is able to offer the total equipment packages at an overall competitive price and, therefore, individual pieces of equipment may not be selected out of the desired equipment package. If equipment package is purchased from Franchisor, the price is currently $70,527 excluding freight, handling, installation, and sales tax. The equipment package is priced based on Franchisor's actual cost and any changes in the actual cost will be reflected in a corresponding increase or decrease in the cost to Franchisee, but in no event will any increase be more than 10% of the package price indicated. Franchisee shall pay all applicable sales tax and other taxes on equipment and inventory. Franchisor does not manufacture or service any of the equipment and the only warranties or service contracts in effect are those that are provided to Franchisor by the individual manufacturers.

In addition to the equipment package, Franchisee is required to have two digital print engines, and a large format printer to fully equip Franchisee's Sir Speedy Center. Franchisee may lease/rent these machines directly from the vendor. Descriptions of the leased machines are in Exhibit "A" attached.

Franchisee may not buy any additional equipment during the first year of operation with required working capital without Franchisor's prior consent.

Signage is also required. The typical sign will usually cost between $1,500 and $5,000 depending on local city requirements and landlord specifications. Franchisor's signage requirements may be waived in certain circumstances if prohibited by the location lease.

c. **Continuing Franchise Fee – (4% To 6% of Gross Weekly Sales).** Franchisee shall pay to Franchisor for the duration of this Agreement a Continuing Franchise Fee for the use of Franchisor's trade names, trademarks, service marks, logos, proprietary materials, trade secrets, confidential information, and the Sir Speedy System. The Continuing Franchise Fee is 4% of the Center's gross weekly sales for the first 12 months the Center is in operation and 6% of gross weekly sales after that for the term of this Agreement. "Gross Sales" is defined in Exhibit "B." Franchisee shall pay said Continuing Franchise Fees in accordance with Section 4 and Exhibit "B." It is expressly agreed that the payment of the Continuing Franchise Fee shall not be contingent upon Franchisor providing a level of service perceived by Franchisee to be adequate. Franchisee shall not offset any Continuing Franchise Fees based upon a perceived level of non-performance of Section 3, or any other section of this Agreement, on the part of Franchisor, and no offset is permitted against Continuing Franchise Fees for amounts due or allegedly due Franchisee by Franchisor. Franchisee may be eligible for a rebate of their Continuing Franchise Fees outlined in Exhibit "B."

d. **Continuing Advertising Fee.** Franchisee shall pay to Franchisor or its designees an Advertising Fee in the amount of $25 per week or 1% of the Center's gross weekly sales, whichever is greater, during the first 12 months the Center is in operation. After that, for the duration of the Agreement and any renewal, the Advertising Fee is $50 per week or 2% of the Center's gross weekly sales, whichever is greater. With a temporary ceiling of $200 per week, subject to change. These amounts will be deposited in an Advertising Fund and used by Franchisor to conduct advertising, public relations, and promotional programs designed to develop and build sales volumes of all Sir Speedy Printing Centers on a network wide basis. Methods, media employed, contents of advertising, and terms and conditions of advertising campaigns and promotional programs shall be within the sole discretion of Franchisor. Franchisee shall not offset any Advertising Fees based upon Franchisee's dislike or non-use of the marketing and advertising programs and pieces created from the Ad Fund. No offset is permitted against Advertising Fees for amounts due or allegedly due Franchisee by Franchisor.

e. **Local Advertising.** Should Franchisor, in cooperation with the majority of Franchisees situated within a specific area, as determined by Franchisor, establish an Advertising Cooperative for the purpose of conducting cooperative local advertising, Franchisee shall join the Local Advertising Cooperative. The cost of belonging to the Advertising Cooperative is determined by the member Franchisees. The typical monthly cost has been between $50 and $400, and is in addition to the Advertising Fees required by Section 2d above.

f. As additional consideration, in the event of default, Franchisee hereby gives Franchisor a security interest in all inventory, furniture, fixtures and equipment (subject to any purchase money security interest), all original artwork, art files, customer lists and work in progress during the term of this Agreement, in connection with the Sir Speedy Center, as collateral for the obligations stated in this Agreement, and as part of the goodwill associated with the Sir Speedy name. Franchisee agrees that Sir Speedy, Inc. may file a UCC-1 Financing Statement in connection with this security interest. ***This security interest is only effective to the extent Franchisee has any obligations owed to Franchisor. If Franchisee is an SBA financed franchise, Franchisor will subordinate its security interest to the SBA lender.***

3. OBLIGATIONS AND DUTIES OF FRANCHISOR

The Franchisor undertakes and agrees to perform the following:

a. Grant a territory for a Sir Speedy Center defined as that area within which no other Sir Speedy Franchise may be awarded. It is acknowledged that the exact territory boundaries may not be determined at the time the parties enter into this Agreement, and that a Sir Speedy Territory and Location Designation Sheet will be prepared upon Franchisor's identifying the territory and approving the site location.

i) This territory restriction shall not apply to any other printing, copying, sign, marketing or related business which Franchisor, its parent company or an affiliate company owns or may acquire subsequent to this Agreement, and Franchisor expressly reserves the right to open additional outlets of such business within the territory.

ii) The territory is usually designated by street description with a map. An "address only" area is only that location represented by the Center address and does not include any other area; in these cases, all references in this Agreement and the Disclosure Document, which refer to a territory, shall refer to the Center address location only.

iii) The territory shall not be construed as a limitation on Franchisee's advertising or marketing, or on the customers Franchisee may serve, including customers located in another Sir Speedy territory and facilities management customers. Conversely, other Sir Speedy owners (including company-owned units) may serve customers in your territory.

b. Provide Franchisee with site selection approval. Franchisor will use its best efforts to approve or disapprove Franchisee's selected site within 14 days from the date Franchisee submits a prospective site for approval, along with any other information about the site Franchisor may reasonably request. In reviewing a site for a Sir Speedy Center, consideration is given to such factors as zoning, sign availability, business count and business mix, mail deliveries, traffic flow, parking, competition, urban redevelopment, business climate, and distance from other Sir Speedy Centers. Although Franchisor uses its best efforts in approving a site using the above criteria, Franchisor makes no representations, guarantees, or warranties, either expressed or implied as to the ultimate success of the Center as a result of its area review and/or site approval. Franchisor shall have the right to final approval or disapproval of a proposed site location and any proposed site relocation.

c. Assist Franchisee in reviewing the lease for the subject Center. Franchisor's assistance will include reviewing the basic terms of the lease and preparing a list of recommended changes for Franchisee to negotiate with the landlord. Franchisee shall be Lessee under the lease and fully responsible for all liabilities arising from the leased premises. Franchisor advises Franchisee to obtain legal assistance where appropriate. Franchisor will also provide a custom layout for the space.

d. Provide Sir Speedy window and wall graphics and other image/décor items for Franchisee's initial location where and when appropriate.

e. Provide Franchisee with the equipment, furniture, and other items provided for in Exhibit "A", including installation, if purchased from Franchisor. (Freight, handling, installation and taxes are in addition to equipment purchase price).

f. Assist Franchisee, if requested, with advice in obtaining leasing or financing of the equipment, furniture and other items provided for in Exhibit "A."

g. Provide Franchisee with the initial inventory of proprietary items, and paper inventory.

h. Train two persons at Franchisor's international training facility currently located in Mission Viejo, California, for 2 weeks.

i) All such training will be provided at no extra charge to Franchisee, and includes transportation and lodging (1 room, continental breakfast and lunch) for the two trainees during the entire training period.

ii) While attending the formal training program, the two trainees will be furnished, without additional cost, operating manuals, bookkeeping records, report forms, and sales forms.

iii) The Franchisor will provide training for additional personnel at the cost then being charged (in 2016 the cost is $1,000) to Franchisee.

iv) Franchisee shall pay all transportation, lodging, and other expenses incurred by the additional trainees.

Franchisor may approve or disapprove a proposed shareholder, any disapproval shall be based upon reasonable consideration. Any transferee of shares or other interest shall be bound by this Franchise Agreement as though they had signed individually. All stock certificates shall include a legend setting forth these restrictions in order to effect a binding restriction on transferability in accordance with the corporate law of the state in which the corporation is formed. Any such transfer to a corporation shall be effected on forms required by Franchisor. Franchisee may not transfer the assets of the business to a corporation without the prior consent of Franchisor, and any purported transfer shall be a violation of the Franchise Agreement; Franchisor may elect to hold such corporation jointly responsible with Franchisee for the obligations under this Franchise Agreement, as if such corporation originally signed the Franchise Agreement, jointly with Franchisee.

f. In any transfer or proposed transfer, in this Section 8, Franchisee shall indemnify and hold Franchisor harmless from any and all actions, causes of action, liabilities, losses, costs, expenses and fees, incurred by Franchisor as a result of any action or inaction, or any misrepresentations made by Franchisee to the transferee or proposed transferee in connection with the transfer or proposed transfer of the Sir Speedy Center. This indemnification shall survive the termination or cancellation of this Agreement.

g. It is agreed and understood that any attempted transfer of only the assets and/or the phone numbers of the franchised business without the approved transfer of the franchise itself, as defined herein, is strictly prohibited and may be voided. Such action may be treated by Franchisor, in its sole discretion, as a wrongful repudiation of the Franchise Agreement by Franchisee, entitling Franchisor to damages which are hereby agreed upon as the amount of the anticipated and estimated Continuing Franchise Fees for the remaining term of the Franchise Agreement by utilizing the current Continuing Franchise Fee as a base. Alternatively, Franchisor shall have the right to void the purported transfer by way of injunction or restraining order in a State or Federal Court where the Center is located.

9. MISCELLANEOUS

The parties further agree as follows:

a. **Independence of Franchisee**. Franchisee is, and shall be at all times during the term of this Agreement, an independent contractor and not an agent or employee of Franchisor. The Franchisee is not a partner or joint venturer with Franchisor. Franchisee is solely responsible for the day-to-day control of Franchisee's Center. Neither Franchisee nor any of Franchisee's employees are in any way, directly or indirectly, expressly or by implication, to be construed to be

Franchisor's employees or personnel for any purpose. Franchisee is solely responsible for all terms of employment of Franchisee's employees and personnel. Any requirements, restrictions or specifications which Franchisee is required to comply with under this Agreement, whether set forth in the Operations Manual or otherwise, do not directly or indirectly constitute, suggest, infer or imply that Franchisor controls any aspect or element of the day-to-day operations of the Center, which Franchisee alone controls, but only constitute standards Franchisee must adhere to when exercising Franchisee's control of the day-to-day operations of Franchisee's Center. Franchisee shall indemnify and hold Franchisor harmless from any and all claims, suits, fines, demands, or actions of any kind arising out of or in connection with Franchisee's Sir Speedy Center, including any joint employer liability issues.

b. **Trade Names and Marks/Trade Secrets**. Franchisee expressly agrees and acknowledges that all aspects of the Sir Speedy System are trade secrets and that the name "Sir Speedy" together with all other trade names, trademarks, service marks, logos, color schemes, designs, layouts, décor, phrases, descriptive tag lines, technical bulletins, memoranda, administrative bulletins, operations and other manuals, all marketing materials, and customer lists, whether in written or electronic form, are and shall remain the sole property of Sir Speedy, Inc., and that they have substantial value. Franchisee shall not at any time put into issue or contest, either directly or indirectly, the ownership of the aforementioned, nor commit any act which interferes with Franchisor's registration of its trademarks, service marks and copyrights with any local state or federal agency. Franchisee shall use Franchisor's marks in all advertising, promoting, and selling Sir Speedy services and products at the franchised location, but only in Franchisor-approved manners. However, this right of Franchisee's use is no more than a privilege coupled with an interest granted by this Agreement and is automatically and immediately extinguished upon termination or expiration of this Agreement. Upon expiration or termination of this Agreement and franchise granted, whether by expiration of term, default, or any other reason, Franchisee shall immediately discontinue the use and advertising of any and all trademarks, trade names, logos, phrases, descriptive tag lines, signs, color schemes, designs, layouts, décor and any other indicia of the Sir Speedy System. Further, Franchisee shall discontinue the use of any visual, audio, electronic, and printed materials originated from Sir Speedy. Franchisee shall not advertise any business as being "formerly Sir Speedy", or utilize any similar language or signage. Further, Franchisee shall promptly discontinue all Internet use and utilization of the Sir Speedy name and logos.

Franchisee agrees that in the event of any actual or suspected infringement of any trademark, trade name, or logo that is part of the Sir Speedy System, or suspected piracy of trade secrets that are a part of said System, Franchisee shall promptly report it in writing to Franchisor. Determination of whether to institute any demand, suit, or action shall be made solely by Franchisor, and if instituted, shall be instituted by and maintained at the expense of Franchisor. Franchisee agrees to be a named party in any action if so requested by Franchisor and to furnish Franchisor his or her full cooperation in such action. In the event Franchisee shall be made a party to any litigation directly concerning the use of any trademark, trade name, or logo licensed to Franchisee by Franchisor, Franchisee shall immediately notify Franchisor of such fact, at the same time forwarding to Franchisor a copy of any demand, petition, summons, complaint, or other relevant documents. Upon receipt of any such notification from Franchisee, Franchisor shall undertake the defense of any such litigation.

Trade Secrets: Franchisee agrees to keep confidential at all times all aspects of the Sir Speedy System which include, without limitation, recommended price lists and pricing

data, any manual of business practices, training and educational materials, operations manuals, technical bulletins, administrative bulletins, and all additions and other material which may be made available by Franchisor in the future. All referenced material shall be deemed to be on loan to Franchisee and shall be returned to Franchisor upon termination or expiration of the Agreement or franchise. Franchisee further agrees not to copy, publish, or otherwise duplicate said materials or permit others to do so. Said materials may only be disclosed in the ordinary course of business and then only to the extent necessary to employees of Franchisee. It is understood that Franchisor shall remain the owner of the trade secrets of the System.

c. **Name of Center**. Franchisee agrees the Center herein franchised shall be named SIR SPEEDY without any suffix or prefix attached, except for a required tagline, which as of 2015 is "Print / Signs / Marketing" , and will bear signs, advertising and slogans which denote that the Center is named SIR SPEEDY. A corporate or partnership Franchisee shall not use, or register with any governmental agency, any portion or all of the Sir Speedy names, logos, phrases, or slogans in its corporate or partnership name, or associate such therewith in any manner. Franchisee shall affix a sign or plaque in a conspicuous place in the Center in view of the general public indicating the following:

SIR SPEEDY FRANCHISE

Independently Licensed and Operated By

(Franchisee's legal name)

Franchisee shall use the name SIR SPEEDY on all advertising, invoices, orders, vouchers, letterheads, checks and other similar materials and shall indicate on such that Franchisee's Center is a franchise. The following phrase may be placed in close proximity to the Sir Speedy name: "An independently owned and operated franchise." The Franchisee's legal name shall not be used on these materials or in advertising, nor shall the use or association of any other name or marks be permissible.

A local fictitious name filing, if so required, shall be filed as SIR SPEEDY or SIR SPEEDY PRINT / SIGNS / MARKETING, Number (designated store number) and in no other manner. Any other form of filing or registration with a federal, state, or local agency of the Sir Speedy name or marks is strictly prohibited.

d. **Disputes/Arbitration**. Except as provided below, any controversy or claim arising out of or relating to this Franchise Agreement or the breach hereof, including a claim for emergency relief, shall be settled by arbitration with the American Arbitration Association in accordance with the Commercial Arbitration Rules then in effect. Claims stated in Section 4i, 4j, 5a, 7b, 7c, 8g, and Section 9c may alternatively be pursued in Court.

There shall be a single arbitrator who shall be an existing or former judge of a court of record within the United States or an attorney in good standing admitted to practice for a period of at least 10 years within the United States. A corporation to which an individual Franchisee has transferred some or all of the assets comprising the Sir Speedy Center shall be considered either a joint Franchisee or successor Franchisee (at Franchisor's option) and bound by this arbitration agreement. The party seeking arbitration shall institute the proceeding in Orange County, California, and such arbitration shall be held at such venue. The arbitration may proceed in the

absence of either party, providing that notice of the filing of the arbitration has been sent to the other party in accordance with this Agreement.

The decision of the arbitrator shall be final and binding upon the parties, and judgment upon the award rendered by the arbitrator may be entered in and enforced by any court of competent jurisdiction. Franchisee hereby consents to California personal jurisdiction for himself and any corporation owning some or all of the assets of the Sir Speedy Center, and hereby consents to service of process by way of certified mail, return receipt requested, or by recognized courier (such as FedEx or UPS), sent to either the Sir Speedy Center location and signed by Franchisee or a duly employed employee of Franchisee, or sent to Franchisee's last known home address via certified mail, return receipt requested, or by recognized courier, or alternatively, the demand for arbitration may be served by personal service or by substitute service in accordance with California law. The parties agree that punitive damages shall not be available as a remedy for a breach of this Agreement or any dispute relating to this Agreement. The arbitration of any controversy or claim or dispute between the parties shall be conducted with regard to Franchisee only and not with regard to any collective group of franchisees or class action.

If any party initiates an action, either arbitration or court proceedings, against any other party arising out of or in connection with this Franchise Agreement, the prevailing party or parties shall be entitled from the losing party or parties, both attorney's fees and costs of the arbitration and/or suit as part of the judgment rendered, along with attorney's fees and costs incurred in enforcing any such judgment.

Notwithstanding the above, the arbitrator shall have no power or authority to diminish Franchisor's complete and exclusive right, title and interest in its patents, trademarks, service marks, trade names, copyrights and other trade secrets, or to vary the terms, condition or payments which Franchisor has designated for licensing the same.

This section 9e shall survive and remain in full force and effect subsequent to termination of this Agreement.

e. **Waiver**: No delay, waiver, omission or forbearance on the part of Franchisor to exercise any right, option or power arising out of any breach or default by Franchisee, or by any other Franchisee, of any of the terms, provisions or covenants contained herein, shall constitute a waiver by Franchisor thereof to enforce any such right, option or power as against Franchisee, or as to a subsequent breach or default by Franchisee.

Except where contrary to a specific law in Franchisee's state, written notice of any alleged default by Franchisor of this Agreement must be given by Franchisee to Franchisor within 18 months of the alleged default or Franchisee is precluded from raising such alleged default after that in any proceeding involving Franchisor or Franchisee. Franchisor and Franchisee both hereby waive the right to assert the principles of collateral estoppel in any action between them. Franchisor and Franchisee hereby waive any right to a jury trial.

f. **Severability**. Should any provision of the Agreement for any reason be construed or declared to be invalid, such decision shall not affect the validity of any remaining portion, which remaining portion shall remain in full force and effect as if this Agreement had been executed with such invalid portion eliminated.

g. **Right of Successors**. The Franchisor has the right to assign the Franchise Agreement and all its rights and privileges to any other person, firm, or corporation, provided that the assignee is financially responsible and economically capable of performing the obligations of Franchisor. The Assignee must also assume and agree to perform all obligations of Franchisor under the Franchise Agreement. The Franchisee's consent is not required for any such assignment.

h. **Previous Agreements and Representations**. Upon execution of this Agreement by both parties, all previous agreements, contracts, arrangements or understandings of any kind relative to the franchise herein granted are canceled and all claims and demands thereon are fully satisfied.

No agent or representative of Franchisor has authority to make any representations, statements, warranties, or agreements not herein expressed and Franchisee agrees that no such representations, statements, warranties or agreements have been made, or if made, that no reliance thereon has been considered in the signing of this Agreement.

i. **Notice**. Whenever, under the terms of this Agreement, notice is required, the same shall be given in writing and delivered personally, or by United States certified or registered mail postage prepaid (and shall be shall be deemed delivered three business days after notice has been sent), or by recognized Courier (such as FedEx or UPS) (and shall be deemed delivered upon notice of delivery by the Courier). All such notices intended for Franchisor shall be addressed to it at:

Sir Speedy, Inc.
26722 Plaza
Mission Viejo, California 92691

or as may be designated in writing by Franchisor. Notice to Franchisee shall be directed to the Center's address.

j. **Terminology and Construction**. All terms and words used in this Agreement regardless of the number and gender in which they are used, shall be deemed and construed to include any other number, singular and plural, and any other gender, masculine, feminine or neuter, as the context or sense of this Agreement or any section, paragraph or clause herein may require, as if such words had been fully and properly written in the appropriate number and gender. If Franchisee consists of two or more individuals or entities, such individuals and/or entities shall be jointly and severally liable.

k. **Entire Agreement; Modification**. The Franchise Agreement and the accompanying Franchise Disclosure Document together contain the entire Agreement of the parties and there are no representations, inducements, promises, agreements, other than those duly executed in writing. This or any other agreement of any kind or any addendum or exhibit, amending, altering or changing the context of any portion hereof, shall not be binding unless it is executed by an appropriate officer at Sir Speedy Corporate offices and by Franchisee or Franchisee's representative. Certain aspects of the franchise relationship may be affected by changes in Franchisor's Operations Manuals. The Franchisor may make such modifications without Franchisee's approval, so long as they are reasonable and apply uniformly to all Franchisees. Nothing in the Agreement or in any related agreement is intended to disclaim the representations made in the Franchise Disclosure Document.

l. **Performance, Applicable Law and Forum**. It is stipulated this Agreement has been negotiated, executed and delivered within the State of California and is to be performed at Franchisor's offices in the County of Orange, California. Except as otherwise provided for, this Agreement shall be interpreted and the rights and obligations of the parties governed in accordance with the laws of the State of California, except for Section 7c of this Agreement which shall be governed by the laws of the State where the Sir Speedy Center is located.

m. **Headings**. The headings of the paragraphs herein are inserted for convenience only and are not intended to be construed as part of the Agreement or to limit the scope of a particular paragraph.

n. **Signature**. This Agreement must be originally signed by an individual if unmarried, or if married individuals and their spouses as Franchisee, or if signed by a Corporation must be personally guaranteed by the principals and their spouses.

It is acknowledged that should an individual Franchisee subsequently transfer some or all of the assets of the Sir Speedy Center to a corporation, then Franchisee agrees that such corporation shall be considered either a joint or successor Franchisee (at Franchisor's option) to this Franchise Agreement, and shall be bound hereby, as if the corporation executed this Agreement.

o. **Warranty as to Original Document**. Franchisee hereby warrants that he has not caused any electronic modification, scanning or manipulations of the Franchise Agreement received from Franchisor and that this document is the same document received from Franchisor, and agrees that any such modifications or manipulation shall be void.

10. INDEPENDENT INVESTIGATION; NO WARRANTIES OR GUARANTEES

a. Franchisee acknowledges that Franchisee has conducted an independent investigation of the Sir Speedy franchise offered, and recognizes that the business venture contemplated by this Agreement involves business and economic risks and that its success will be largely dependent upon the ability of Franchisee as an independent business person.

Franchisee acknowledges that Franchisor does not warrant or guarantee that Franchisee will derive income from Franchisee's Sir Speedy Center, or that Franchisor will refund all or part of the price paid for Franchisee's Sir Speedy Center, the equipment, supplies, or inventory, if Franchisee is unsatisfied with its Sir Speedy Center.

Franchisee acknowledges that Franchisor has not represented to him or her that a "minimum" or "guaranteed" or "certain" income can be expected from the operation of the Sir Speedy Center.

FRANCHISEE ACKNOWLEDGES ADVICE FROM FRANCHISOR THAT FRANCHISOR ABSOLUTELY DOES NOT WANT FRANCHISEE TO ACQUIRE A SIR SPEEDY FRANCHISE IF FRANCHISEE IS RELYING ON ANY REPRESENTATION OF A MINIMUM, GUARANTEED, OR CERTAIN INCOME, OR ANY REPRESENTATION OF SUCCESS OR FAILURE WHATSOEVER.

GROSS SALES, CONTINUING FRANCHISE FEE AND REBATE

1. Continuing Franchise Fee

Franchisee is required to pay to Franchisor a Continuing Franchise Fee of 4% of Franchisee's gross weekly sales for the first 12 months the Center is in operation and 6% of Franchisee's gross weekly sales, after that, for the duration of the Agreement. Such Continuing Franchise Fees shall be paid weekly via automatic draft or electronic transfer from Franchisee's checking account, based on the reports required by Section 4q hereof, which shall be faxed to Franchisor, no later than Wednesday following the week for which the payment is due. The weekly period shall extend from Monday through the following Sunday. "Gross sales" as used in this Agreement shall mean the total revenues derived by cash or charge sales of merchandise or services, or otherwise (which shall include the retail value of trade-outs or bartering of services or products), or revenues from any source arising out of the operation of such Center, including all revenues from brokered sales, deducting therefrom all returns, refunds and allowances, if any, and any sales or excise taxes which are separately stated and which Franchisee may be required to and does collect from customers and pay to any federal, state or local taxing authority. Franchisor may charge interest at the California Judgment rate on all monies due Franchisor and not paid within 10 days from the due date. Where Franchisee has failed to remit the appropriate transmittal reports, Franchisor is authorized to estimate amounts due based on prior reports or any other relevant information. However, Franchisee remains liable for the actual Continuing Franchise Fees due if more than the estimated amounts.

2. Rebate of Certain Continuing Franchise Fees

Franchisor will compute the Continuing Franchise Fees due from Franchisee, based on the gross sales of each quarter of a calendar year (hereinafter called "designated quarter") according to the Rebate Schedule below and will remit to Franchisee a cash rebate for the difference between Continuing Franchise Fees paid and computed Continuing Franchise Fees per Schedule where applicable, but only if Franchisee has qualified for such rebate by having fully complied with all provisions governing qualifications for cash rebates. The rebate shall not be in effect the first twelve months the Center is in operation, or changes ownership.

3. Qualifications for Rebates

a. Franchisee shall have complied on a complete and timely basis with all provisions of Section 1 above pertaining to the payment of Continuing Franchise Fees during the designated quarter of a calendar year.

b. Franchisee shall have submitted all required reports and payments including the Transmittal Sheets. Franchisor must be in receipt of any required items within 15 days after the completion of each weekly period.

c. In order to fairly substantiate gross volumes, Franchisee shall have submitted to Franchisor a copy of Franchisee's State or Political Subdivision Sales Tax Report where required

by such taxing authority for the quarter immediately preceding the quarter for which the rebate is being calculated. Franchisor must be in receipt of the above-referenced Franchisee's State Sales Tax Report within 15 days following the last day of the designated quarter of a calendar year. Franchisor will require a profit and loss statement for the preceding quarter, certified by Franchisee. Franchisor reserves the right to audit books, records and tax returns of Franchisee.

d. Franchisor shall not grant or pay rebates if Franchisee is delinquent in any monetary obligations to Franchisor, which include but are not limited to, Advertising Fees, notes, or any monetary obligations under which Franchisor is guarantor or bears ultimate responsibility for the payment thereof.

e. Franchisor shall issue such rebates, where applicable, to Franchisee on or before the last day of the month following the end of each designated quarter.

f. The amount of quarterly gross sales figures upon which rebates are applicable shall be adjusted at the expiration of each calendar year to reflect increases in the cost of living. The adjustment, if any, shall be calculated on the basis of the Los Angeles-Riverside-Orange County All-Items Consumer Price Index (the "Index"), or the U.S. City Average All-Items Consumer Price Index, All Urban Consumers, whichever is higher, published by the Bureau of Labor Statistics of the United States Department of Labor. Any such adjustment of the quarterly gross sales schedule will be rounded to the nearest $250. Each year a new Rebate Schedule shall be applicable for the ensuing year.

EXHIBIT "E"

MULTI-STATE ADDENDUM TO DISCLOSURE DOCUMENT AND FRANCHISE AGREEMENT

The following states have laws that override the provisions stated in this Disclosure Document and the Franchise Agreement: California, Florida, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Washington and Wisconsin

California

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE OFFERING CIRULAR.

Item 3 of the Disclosure Document: Neither the Franchisor, nor any person identified in Item 2 is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities exchange Act of 1934, 15 U.S.C.A.78a et seq., suspending or expelling such persons from membership in that association or exchange.

Covenant Not to Compete
Item 9 Disclosure Document; Section 7 Franchise Agreement

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

Termination of the Franchise
Item 17 Disclosure Document; Section 7 Franchise Agreement

California Business and Professions Code Sections 20000 through 20043 provide rights to the Franchisee concerning termination or non-renewal of a franchise. If the Franchise Agreement is inconsistent with the law, the law will control.

The franchise agreement requires franchisee to execute a general release of claims upon renewal or transfer of the franchise agreement. California Corporations Code Section 31512 provides that any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with any provision of that law or any rule or order is void. Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Section 31000-31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 – 20043).

California Corporations Code, Section 31125 requires the franchisor to give the franchisee a disclosure document, approved by the Department of Business Oversight prior to a solicitation of a proposed material modification of an existing franchise.

The franchise agreement requires binding arbitration. The arbitration will occur at Orange County, California, with the costs being borne by the prevailing party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and Federal laws (such as Business and Professions Code Section 20040.5, Code of Civic Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable upon federal bankruptcy law (11 U.S.C.A. Section 101, et. seq.).

The earnings claims figure(s) does (do) not reflect the costs of sales, operating expenses, or other costs or expenses that must be deducted from the gross revenue or gross sales figures to obtain your net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your franchise business. Franchisees or former franchisees, listed in the offering circular, may be one source of this information.

Renewal, Termination, Transfer and Dispute Resolution

Michigan

The State of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

a. A prohibition on the right of a franchisee to join an association of franchisees.

b. A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

c. A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

d. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

e. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

f. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

g. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

h. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, no does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

i. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Renewal of the Franchise
Item 17 Disclosure Document; Section 6 Franchise Agreement

The Franchise Agreement gives the Franchisee the right to renew the franchise for one 20 year term by giving written notification to the Franchisor not less than 180 days prior to the expiration of the current term.

Termination of the Franchise
Item 17 Disclosure Document; Section 7 Franchise Agreement

The Franchisor may terminate or cancel this Agreement and the franchise if (i) Franchisee is given written notice setting forth all the reasons for the termination or cancellation at least 180 days in advance of termination or cancellation, and (ii) the Franchisee fails to correct the reasons stated for termination or cancellation in the notice within 60 days of receipt of this notice; except that the notice is effective immediately upon receipt where the alleged grounds for termination or cancellation are: (1) Voluntary abandonment of the franchise relationship; (2) the conviction of the Franchisee of an offense directly related to the business conducted in accordance with the franchise; or (3) failure to cure a default under the Franchise Agreement which materially impairs the goodwill associated with the Franchisor's trade name, trademark, service mark, logotype or other commercial symbol after the Franchisee has received written notice to cure of at least 24 hours in advance thereof.

Franchisor may not terminate or cancel a franchise except for good cause. "Good Cause" means failure by Franchisee to substantially comply with the material and reasonable franchise requirements imposed by the Franchisor including, but not limited to: (1) the bankruptcy or insolvency of the Franchisee; (2) assignment for the benefit of creditors or similar description of the assets of the franchise business; (3) voluntary abandonment of the franchise business; (4) Conviction or a plea of guilty or no contest to a charge of violating any law relating to the franchise business; or (5) any act by or conduct of the Franchisee which materially impairs the goodwill associated with the Franchisor's trademark, trade name, service mark, logotype or other commercial symbol.

With respect to franchises governed by Minnesota law, the Franchisor will comply with Minn. Stat. Sec. 80C.14, Subds, 3, 4 and 5 which require, except in certain specified cases, that a Franchisee be given 90 days notice of termination (with 60 days to cure) and 180 days notice for non renewal of the franchise agreement.

This section shall not in any way abrogate or reduce any rights of the Franchisee as provided for in Minnesota Statutes 1984, Chapter 80C, including the right to submit matters to the jurisdiction of the courts of Minnesota.

The Franchise Agreement provides for arbitration in accordance with the rules of the American Arbitration Association, which shall be held in the county or city of the franchise location, State of Minnesota.

North Dakota

Item 5, Initial Fees

The North Dakota State Securities Commissioner requires us to defer payment of the initial franchise fee and other initial payments owed by franchisees to the franchisor until the franchisor has completed its pre-opening obligations under the franchise agreement.

Addendum to North Dakota Disclosure Document and Franchise Agreement.

The Securities Commissioner has held the following to be unfair, unjust or inequitable to North Dakota Franchisees (Section 51-19-09 of the North Dakota Century Code):

Restrictive Covenants: Franchise Disclosure Documents which disclose the existence of covenants restricting competition contrary to Section 9-08, N.D.C.C., without further disclosing that such covenants will be subject to this statute.

Situs of Arbitration Proceedings: Franchise agreements providing that the parties must agree to the arbitration of disputes at a location that is remote from the site of the franchisees' business.

Restrictions on Forum: Requiring North Dakota franchisees to consent to the jurisdiction of courts outside of North Dakota.

Liquidated Damages and Termination Penalties: Requiring North Dakota Franchisees to consent to liquidated damages or termination penalties.

Applicable Laws: Franchise agreements which specify that they are to be governed by the laws of a state other than North Dakota.

SDCL 53-9-5 voids liquidated damages provisions from contracts unless it would be impractical or extremely difficult to fix actual damages.

Arbitration/Performance, Applicable Law and Forum
Item 17 Disclosure Document; Section 9.e. and 9.m. Franchise Agreement

The law regarding franchise registration, employment, covenants not to compete, and other matters of local concern will be governed by the laws of the state of South Dakota; but as to contractual and all other matters, this agreement and all provisions of this instrument will be and remain subject to the application, construction, enforcement and interpretation under the governing law of California.

Any provision in the franchise agreement and/or development agreement restricting jurisdiction or venue to a forum outside of South Dakota or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under the South Dakota Franchise Act.

Washington

Rider

The State of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. These may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration, or as determined by the arbitrator. In the event of a conflict of laws, the provisions of Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed in conjunction with a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectible to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

Wisconsin

Termination of the Franchise
Item 17 Disclosure Document; Section 7 Franchise Agreement

The Wisconsin Fair Dealership Law, Chapter 135, Wis. Stats., supersedes any provision of the franchise contract or agreement if such provisions are in conflict with the law.

NOW THEREFORE, in consideration of the covenants and promises each to the other made herein, the parties agree as follows:

1. SIR SPEEDY hereby consents to the transfer by FRANCHISEE of Sir Speedy Center # _____ to _____ (buyer) and upon the consummation of the transfer, the Franchise Agreement shall be deemed mutually terminated, subject to all of Franchisee's obligations through the termination date and post-termination covenants and obligations under the Franchise Agreement.

Nothing contained in this general release shall operate to waive or release any claims arising from any breach or non-performance of this Agreement, nor of any of FRANCHISEE'S obligations through the termination date and post-termination obligations under the Franchise Agreement.

3. FRANCHISE AGREEMENT

THIS ADDENDUM ("Addendum") is made and entered into on _____, 20____, by and between _____ ("Franchisor"), located at _____ and _____ ("Franchisee"), located at _____ _____.

Franchisor and Franchisee entered into a Franchise Agreement on _____, 20__, (such Agreement, together with any amendments, the "Franchise Agreement"). Franchisee is applying for a loan ("Loan") from a lender in which funding is provided with the assistance of the U. S. Small Business Administration ("SBA"). SBA requires the execution of this Addendum as a condition for obtaining the SBA-assisted financing.

In consideration of the mutual promises below and for good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, the parties agree that notwithstanding any other terms in the Franchise Agreement:

CHANGE OF OWNERSHIP

- If Franchisee is proposing to transfer a partial interest in Franchisee and Franchisor has an option to purchase or a right of first refusal with respect to that partial interest, Franchisor may exercise such option or right only if the proposed transferee is not a current owner or family member of a current owner of Franchisee. If the Franchisor's consent is required for any transfer (full or partial), Franchisor will not unreasonably withhold such consent. In the event of an approved transfer of the franchise interest or any portion thereof, the transferor will not be liable for the actions of the transferee franchisee.

FORCED SALE OF ASSETS

- If Franchisor has the option to purchase the business personal assets upon default or termination of the Franchise Agreement and the parties are unable to agree on the value of the assets, the value will be determined by an appraiser chosen by both parties. If the Franchisee owns the real estate where the franchise location is operating, Franchisee will not be required to sell the real estate upon default or termination, but Franchisee may be required to lease the real estate for the remainder of the franchise term (excluding additional renewals) for fair market value.

COVENANTS

- If the Franchisee owns the real estate where the franchise location is operating, Franchisor may not record against the real estate any restrictions on the use of the property, including any restrictive covenants, branding covenants or environmental use restrictions.

EMPLOYMENT

- Franchisor will not directly control (hire, fire or schedule) Franchisee's employees.

This Addendum automatically terminates on the earlier to occur of the following: (i) the Loan is paid in full; or (ii) SBA no longer has any interest in the Loan.
