Explanatory Notes

THESE EXPENSES ARE MERELY ESTIMATES YOU ARE ENCOURAGED TO MAKE AN INDEPENDENT INVESTIGATION AND ANALYSIS OF THE POTENTIAL EXPENSES WHICH MAY BE INCURRED IN ORDER TO START YOUR PARK In most cases, the costs of these items can be higher based on market conditions

Note 1 **Lease and Security Deposit** The ideal size of your Park for two (2) or more Playing Fields should range between 15,000 and 30,000 square feet In most cases, the landlord will require a security and/or rental deposit Usually, the landlord will require you to pay the equivalent of at least one month's rent Rental rates or deposits on an unknown location cannot be predicted in advance However, the deposit will most likely depend on the size and location of the Park These costs will vary greatly depending on the area where the Park will be located The item in each table represents one month's rent as a security deposit and your first month's rent The low range in each table represents the least expensive deposit for a Park of the size described in the applicable Chart above, and the high range is the most expensive deposit for a Park of that size In most cases, franchisees rent rather than purchase property The initial investment assumes you will rent the premises for your Park If you purchase the property, your initial expenses will dramatically increase

Note 2 **Leasehold Improvements and Architect Fees** When a site has been selected by you and approved by us in writing, you will select a licensed architect that meets our standards or has been approved by us who will provide you with a preliminary layout and suggestions for the design of a typical Park and then a full set of design plans You will pay for the local architect's services directly This also includes the cost of a chain link fence and entrance platforms around the courts which can be installed by a local contractor

The cost of construction, improvements or building varies widely by the size of the space, the existing improvements and local construction rates For example, if the electrical outlets, bathrooms or heating/cooling are not already completed in the Site, your costs for leasehold improvements will be more Sometimes you may receive a construction allowance from the landlord and if so, the costs may be reduced accordingly The cost of leasehold improvements in the above Table do not include any of the

items already listed in this Table entitled "Furniture/Fixtures", "Playing Fields" or "Equipment and Supplies" Until a specific site is located and evaluated, a reliable estimate of costs cannot be projected However, we strongly suggest that the leasehold improvements and architect fees fall within this range In some cases, they may be significantly higher or lower depending on lease negotiations with local landlords We provide the first 3 Space Plans to you at no additional cost

Note 3 **Playing Fields** The low range includes the cost of 2 Playing Fields (1 large court and 1 Toddler/Dodge ball court) and 1 attraction, while the high range includes the costs of 3 or more Playing Fields and at least 1 attraction including installation, labor, shipping and handling, insurance, engineering, replacement parts and tax These costs can fluctuate based on the square footage of each Playing Field and costs of steel and oil You must purchase the Playing Fields and the installation from us or our affiliates The cost of the playing fields does not include the entrance platforms

Note 4 **Furniture/Fixture** This range includes furniture, storage racks, lockers, kiosk, displays, slat wall, and line dividers You must purchase these items from approved suppliers This range assumes that these items being purchased are new and the costs include installation

Note 5 **Computer Equipment** The type of POS System you must purchase is described in Item 11 You are required to purchase and install the POS system approved by Sky Zone Also included in this range is the cost of the register and the network The number of computer stations and certain additional extra equipment will determine the amount of this Item The low range assumes you will finance the POS System and the high range assumes you will pay the entire cost of the POS System which will include the additional computer stations and other additional equipment You must purchase the designated POS package from our approved vendor and all the necessary modules that come with the program Additional information about the required POS System is included in Item 11

Note 6 **Equipment and Supplies** These amounts represent audio visual system, TVs, clocks, concession equipment and supplies, cleaning supplies and equipment, first aid equipment, filming and photography equipment, telephone system, video surveillance camera system/security system, shoe security system, radios and uniforms All of the costs assume these items are new and include any installation which is required

Your security camera system must monitor all of the playing fields, including recording equipment to record and store video records of injuries for minimum of 365 days (ready access storage) Additionally, the video system specification must allow for us and our insurance carrier to have direct access to your security cameras and video storage (365 days history) at all times

Note 7. **Inventory** These amounts represent the cost of your inventory including key tags, stickers, various merchandise, party favors and supplies, wristbands, SkySocks, merchandise, concessions and uniforms $13,849 to $14,029 is payable to us

Note 8. **Insurance** These amounts represent a 2 month deposit of the annual premium for the required insurance Many insurance companies will require you to pay this amount before opening and allow you to pay the remainder in monthly payments for an additional 10 months Typically, the annual premiums will range from $50,000 - $140,000 depending on the size of your park For your liability insurance you must use our approved supplier of insurance Insurance premiums are subject to increase at any time based on market conditions, and certain states may have higher premiums

Note 9 **Additional Funds** This item estimates your initial startup expenses during the initial period of the operation of your Park, which we estimate is three months These expenses include rent, payroll costs, benefits, utilities, additional inventory requirements, supplies, advertising and marketing costs after

the first month the Park is open, etc , but do not include Royalty Fees and Advertising Fees and do not include an owner's salary or draw or any expenses which are listed in the above chart These figures are estimates, and you may have additional expenses to start the business Your costs will depend on factors similar to these how closely you follow our methods and procedures, your management skill, experience and business acumen, local economic conditions, the local market for your products and services, the prevailing wage rate, competition, and sales level reached during the initial period

Note 10 Grand Opening Advertising As explained in Item 11, you must spend a minimum of $25,000 ("**Grand Opening Advertising Amount**") for grand opening advertising and sales promotions for your Park You must spend ½ of this Grand Opening Advertising Amount before you open your Park, and the remainder in the first month your Park is in operation

Note 11 Total Costs and expenses can vary depending on factors like local real estate values, cost of labor and supplies These figures were based on the experience of our affiliates operating Sky Zone Indoor Trampoline Parks since 2001, as well as certain figures/estimates we have compiled regarding certain franchisee openings since 2004 The expenses may differ in other parts of the country None of the fees listed in this Item are refundable Your financial condition and arrangements negotiated by and the business decisions made by you will also affect these costs There can therefore be no assurance that the experience of a particular franchisee will correspond with the information presented above You should review these figures carefully with a business advisor before making any decision to purchase the franchise

We built an affiliate-owned Park in 2016 that was approximately 28,664 square feet, which involved an initial investment that is significantly higher than the highest range quoted in the charts set forth above in this Item 7 The initial investment associated with this Park was not factored into the charts above because this Park tested new construction, design and equipment ideas and elements that are not part of our standard franchise offering Regardless, it is important that you are aware that total investment for your Park will depend on many factors and could be higher than the investment set forth in the charts above

We do not offer, either directly or indirectly, financing to you for any items (See Item 10 of this document) The availability of financing will depend upon various factors like the availability of financing generally, your credit worthiness, other security that you may have, and the requirements of lending institutions concerning the type of business to be operated by you

There are currently no effective determinations for any material proceeding and no pending infringement, opposition or cancellation proceedings pending in the USPTO or the United States Copyright Office Now that the '122 Patent has expired, we do not have any pending or concluded litigation involving any active patents or pending patent applications that are material to the Park or the franchise offering that must be disclosed in this Item Prior the expiration of the '122 Patent, be advised that we initiated a patent infringement suit in 2011 against various defendants, and we also sent a number of cease and desist demand letters to third parties in an effort to enforce and protect the former '122 Patent

PUBLIC FIGURES

We do not currently use any public figure to promote our franchise

Item 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document Financial performance information that differs from that included in Item 19 may be given only if (1) a franchisor provides the actual records of an existing outlet you are considering buying, or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances

The information contained in this Item 19 is based upon the financial performance of Sky Zone Indoor Trampoline Parks that are owned and operated by our franchisees The operations of the franchisees are similar to the operations that are contemplated by franchises described in this Franchise Disclosure Document Certain material differences in the economic or market conditions known to or reasonably ascertainable by us are more fully described below However, no two Sky Zone Indoor Trampoline Parks are exactly alike and there are differences in certain aspects of the Sky Zone Indoor Trampoline Parks as more fully described below

Part I of this Item discloses revenue and expense information for certain franchisee-owned parks that were open from January 1, 2018 through December 31, 2018 (the "Measurement Period") These parks are described as Gen 1 and Gen 2 parks Gen 1 parks are parks that were mainly Trampoline based attractions Gen 2 parks are parks that incorporate both trampoline and other attraction, such as Warrior course, Warp Walls and Challenge Zones along with updated finishes and signage The results from a total of 103 (70%) of the 148 USA franchisee-owned parks that were open and operating over the Measurement Period are disclosed in Part I , Table I of this Item Of these 103 parks, 64 are Gen 1 parks and 39 are Gen 2 parks The results from all of the 39 franchisee-owned Gen 2 parks that were open and operating over the Measurement Period are disclosed in Part I , Table II of this Item

To gather the data associated with Part I, we provided a standard template to franchisees and requested that they complete it Franchisees populated their own data and returned the completed templates to us We aggregated this data to determine the average revenue and expense line items as described below The information provided is not a forecast, projection or prediction of how your franchise will perform These figures should not be relied upon as the actual or potential revenue that you will realize It is likely that your revenue will differ from the information in this financial performance representation These statements have not been audited and may not be based on generally accepted accounting principles All revenue is expressed in US Dollars or equivalents We have not audited the franchisee data

A total of 45 of the 148 parks in Table I are not included below because they either (i) were not required to submit in accordance with their individual Franchise Agreements (8 parks), (ii) did not submit their respective historical information at the time we compiled this information for inclusion in this Item 19 (35 parks)), or (iii) they were not open for the full year due to remodeling or relocating (2 parks) We also have excluded the data concerning five Affiliate-owned parks that were open and operating as of

December 31, 2018 All information included below is for franchisee-owned parks operating in the United States only

We have included averages and medians for all 103 parks disclosed in this Item 19 ("**All Parks**") in Part I, as well as the following sub-categories based on the jumper capacity of parks (a) parks with jumper capacity of less than 165 jumpers (**"<165 Capacity"**), (b) parks with jumper capacity between 165 and 200 (**"165-200 Capacity"**), and (c) parks with jumper capacity of greater than 200 (**"> 200 Capacity"**) Table II provides averages and medians for all 39 Gen 2 Parks in this Item 19 (**"Gen 2 Parks"**) Jumper capacity is often tied to the overall square footage of the park but, in certain cases, utilization of the space may enable variations in jumper capacity As such, we have used jumper capacity as the most relevant reference point for sub-categories [1]

In Part II of this Item, we compare the average daily revenue generated by (i) the 11 new franchisee-owned Parks that opened in 2018, and that were open for at least 90 days as of December 31, 2018 (the **"2018 New Parks"**), and (ii) the 9 new franchisee-owned Parks that opened in 2017, and that were open for at least 90 days as of December 31, 2017 (the **"2017 New Parks"**) In Part II, we excluded the any Park that opened in 2018, but was not opened for at least 90 days as of the applicable calendar year end

All amounts in Parts I and II of this Item 19 are expressed in US Dollars or equivalents We have not audited the franchisee data Some outlets have sold or earned this amount Your individual results may differ There is no assurance you will sell or earn as much

2 **Grant of Development Rights**

Subject to the terms and conditions of this Agreement, we grant you the right, and you undertake the obligation, to establish and operate in the Development Area for your own account or through an Affiliated Entity, the number of Businesses specified in the development schedule in Appendix A (the "**Development Schedule**") This Agreement does not grant you any right to use the Sky Zone trademark or any other marks that we designate (the "**Marks**") or the system and methods used in Businesses (the "**System**"), which are each granted only by the execution of a Franchise Agreement with us You may not develop the Businesses at locations outside of the Development Area and you may not sublicense any of the rights granted to you herein

7 **Execution of Franchise Agreements**

You or an Affiliated Entity must execute a separate Franchise Agreement in our then-current form (a "**Franchise Agreement**") for each Business to be established by you in the Development Area, except that you are not required to pay us any Initial Franchise Fee under such Franchise Agreement Further, provided that you are in good standing at the time each subsequent Franchise Agreement is executed, we will modify each such Franchise Agreement

so that the "Royalty Fee" in each such agreement shall be equal to 6% of the Total Gross Revenue (as defined in such Franchise Agreement) of the Business

If you fail to provide us with an executed then-current form of Franchise Agreement (as modified consistent with the preceding sentences) at least 60 days prior to the date scheduled as the opening date for a particular location, your failure will be deemed a material breach of this Agreement and we will have the right to terminate this Agreement as provided herein

8 Ownership, Control Group, Responsible Person Personal Guaranty

Any person holding an ownership interest in you is an "**Owner**" for purposes of this Agreement You acknowledge and agree that we have granted the rights in Section 1 above to you, (a) based on you, your Owner or the group of Owners described in Appendix A hereof that has, directly or indirectly, 51% or more ownership interest in you and voting control over its ownership interests in you ("**Control Group**") and (b) based on the same ownership and voting control of such Control Group, in the same percentage as hereunder, in each Franchisee that executes a Franchise Agreement hereunder If you are a business corporation, partnership, limited liability company or other legal entity (an "**Entity**"), the same Control Group must own a minimum of 51% in you and in any Affiliated Entity executing a Franchise Agreement as a SKY ZONE franchisee ("**Franchisee**") pursuant to this Agreement All such ownership interests of Owners in the Control Group shall be in the same percentages in your Entity under this Agreement as it shall be in any Franchisee Entity executing a Franchise Agreement Furthermore, you acknowledge and agree that we have the right to approve in advance the ownership structure of each Franchisee executing a Franchise Agreement pursuant to this Agreement

Each Owner that has a greater than 10% interest in you, if you are an Entity, must sign Appendix B to this Agreement (Owners' Personal Guaranty of Franchisee's Obligations) However, if we are entering into this Agreement totally or partially based on the financial qualifications, experience, skills or managerial qualifications of any person or Entity who directly or indirectly owns 10% or less interest in you, we have the right to designate that person as an Owner who must sign Appendix B to this Agreement In addition, if you are a partnership Entity, then each person or entity who, now or hereafter is or becomes a general partner is deemed an Owner who must sign Appendix B, regardless of their percentage ownership interest

You must designate one individual, who shall be set forth in Appendix A, who has the authority to, and does in fact, actively direct your business affairs related to your obligations under this Agreement ("**Responsible Person**") You (or your Responsible Person) shall exert your (or their) best efforts to the development of your Businesses, and absent our prior approval may not engage in any other business or activity, directly or indirectly, that requires substantial management responsibility or time commitments or otherwise may conflict with the obligations hereunder You must notify us of any proposed change of the Responsible Person and receive our written approval prior to such change If such change results from the termination (whether voluntary or involuntary) of the Responsible Person, you must submit a new proposed Responsible Person within 15 days after such termination Neither you nor your Owners will, directly or indirectly, take any actions to avoid or restrict the authority requirement for the Responsible Person

Your Responsible Person and other Owners are identified in Appendix A to this Agreement You and each of your Owners represent, warrant and agree that the attached Appendix A is a current, complete and accurate list of all Owners Every time there is a change

in the persons or Entities who are your Owners, you must, within seven calendar days from the date of such change, notify us of the change and cooperate with us in updating Appendix A so that it is at all times current, complete and accurate

9 Default and Termination

If (i) you fail to comply with the Development Schedule for any location at any time, (ii) you fail to comply with the other terms of this Development Agreement, or (iii) we terminate a Franchise Agreement between you or an Affiliated Entity and us, we may terminate this Agreement immediately upon the occurrence of (iii) and following our giving you 30 days' notice and opportunity to cure upon the occurrence of (i) or (ii), without further recourse to you

Without waiving any rights afforded to us under this Agreement or any Franchise Agreement in which you or an Affiliated Entity own or hold any interest, we have the right, but no obligation, to refrain from exercising our termination right in favor of granting you a written extension on the Development Schedule Such an extension may, in our business judgment, be conditioned on any or all of the following (a) a reduction in the size of the Development Area, (b) a modified Development Schedule (in terms of timing and/or number of units to be opened), (c) your execution of our then-current form of general release, and/or (d) your execution of our then-current form of Development Agreement, which shall replace this Agreement and which may contain materially different terms and conditions In addition, if we grant you a written extension, you must pay to us an extension fee of $250 per day Nothing obligates us to grant you an initial or any subsequent extension on the Development Schedule We reserve the right to terminate this Agreement at any time if you fail to comply with its terms, including at the end of any unfulfilled extension period

10 Franchise Agreements May Not be Affected Upon termination of this Agreement, (i) you and your Affiliated Entities will continue to pay all required fees and operate the Businesses that you or they own in the Development Area pursuant to the terms of the applicable Franchise Agreement that we executed prior to the termination of this Agreement, and (ii) your (or your Affiliated Entity's) and our rights and obligations with respect to your existing Businesses will be governed by the terms of the applicable Franchise Agreements unless there also exists a basis to terminate the applicable Franchise Agreement(s) for such Business(es) and we exercise such right

11 Future Development You recognize and acknowledge that this Agreement requires you to open Businesses in the future pursuant to the Development Schedule You further acknowledge that the estimated expenses and investment requirements set forth in Items 6 and 7 of our Franchise Disclosure Document are subject to increase over time, and that future Businesses likely will involve greater initial investment and operating capital requirements than those stated in the Franchise Disclosure Document provided to you prior to the execution of this Agreement You must execute all the Franchise Agreements and open all the Businesses by the dates set forth on the Development Schedule, regardless of (i) the requirement of a greater investment, (ii) the financial condition or performance of your prior Businesses, or (iii) any other circumstances, financial or otherwise The foregoing will not be interpreted as imposing any obligation upon us to execute the Franchise Agreements under this Development Agreement if you have not complied with each and every condition necessary to develop the Businesses, or if you do not meet our then-current requirements for franchisees at the time you are scheduled to execute a Franchise Agreement

12 Compliance with Applicable Laws You must, at your expense, comply with all federal, state, city, municipal and local laws, ordinances, rules and regulations in the Development Area pertaining to the development of your Businesses

(b) Upon receipt of a Notification of Dispute and response under Section 19 1(a), the parties will endeavor, in good faith, to resolve the dispute outlined in the Notification of Dispute and response If the parties have been unable to resolve a dispute outlined in a Notification of Dispute or a response thereto within 20 days after receipt of the response, either party may initiate a mediation procedure with the American Arbitration Association ("**AAA**"), pursuant to its Commercial Mediation Procedures, in the city of our then-current corporate headquarters, unless both parties agree to a different location The parties must select a mediator jointly

STATE LAW ADDENDUM - NORTH DAKOTA

DISCLOSURE DOCUMENT REQUIRED BY THE STATE OF NORTH DAKOTA

This addendum to the Disclosure Document, Franchise Agreement and Multi-Unit Development Agreement effectively amends and revises said documents as follows

1 Item 17(c) of the Disclosure Document and Articles III and XIV of the Franchise Agreement are hereby amended to indicate that a franchisee shall not be required to sign a general release

2 Covenants not to compete are generally considered unenforceable in the State of North Dakota, in accordance with Section 51-19-09 of the North Dakota Franchise Investment Law Item 17(r) of the Disclosure Document and Article X of the Franchise Agreement are amended accordingly

3 Item 17(u) of the Disclosure Document, Article XVI of the Franchise Agreement and Article VIII of the Multi-Unit Development Agreement are amended to provide that arbitration shall be held at a site that is agreeable to all parties

4 Item 17(v) of the Disclosure Document and the provisions of Article XVII of the Franchise Agreement and Article IX of the Multi-Unit Development Agreement which require jurisdiction of courts in the State of Missouri are deleted

5 Item 17(w) of the Disclosure Document, Article XVII of the Franchise Agreement and Article IX of the Multi-Unit Development Agreement are amended to indicate that the agreements are to be construed according to the laws of the State of North Dakota

6 Apart from civil liability as set forth in Section 51-19-12 N D C C , which is limited to violations of the North Dakota Franchise Investment Law (registration and fraud), the liability of the franchisor to a franchisee is based largely on contract law Despite the fact that those provisions are not contained in the franchise investment law, those provisions contain substantive rights intended to be afforded to North Dakota residents Therefore, North Dakota franchisees will not be required to waive their rights under North Dakota law

7 The provisions of Article XVII of the Franchise Agreement and Article IX of the Multi-Unit Development Agreement which require a franchisee to consent to (1) a waiver of trial by jury and (2) a waiver of exemplary and punitive damages are contrary to Section 51-19-09 of the North Dakota Franchise Investment Law and are hereby deleted

8 The provisions of Article XVII of the Franchise Agreement and Article IX of the Multi-Unit Development Agreement which require a franchisee to consent to a limitation of claims are hereby amended to state that the statute of limitations under North Dakota law applies
