STATE COVER PAGE

Your state may have a franchise law that requires a franchisor to register or file with a state franchise administrator before offering or selling in your state. REGISTRATION OF A FRANCHISE BY A STATE DOES NOT MEAN THAT THE STATE RECOMMENDS THE FRANCHISE OR HAS VERIFIED THE INFORMATION IN THIS DISCLOSURE DOCUMENT.

Call the state franchise administrator listed in Exhibit B for information about the franchisor, or about franchising in your state.

MANY FRANCHISE AGREEMENTS DO NOT ALLOW YOU TO RENEW UNCONDITIONALLY AFTER THE INITIAL TERM EXPIRES. YOU MAY HAVE TO SIGN A NEW AGREEMENT WITH DIFFERENT TERMS AND CONDITIONS IN ORDER TO CONTINUE TO OPERATE YOUR BUSINESS. BEFORE YOU BUY, CONSIDER WHAT RIGHTS YOU HAVE TO RENEW YOUR FRANCHISE, IF ANY, AND WHAT TERMS YOU MIGHT HAVE TO ACCEPT IN ORDER TO RENEW.

Please consider the following RISK FACTORS before you buy this franchise:

- 1) THE FRANCHISE AGREEMENT REQUIRES YOU TO RESOLVE DISPUTES WITH US BY MEDIATION, ARBITRATION OR LITIGATION ONLY IN CALIFORNIA. OUT OF STATE ARBITRATION MAY FORCE YOU TO ACCEPT A LESS FAVORABLE SETTLEMENT FOR DISPUTES. IT MAY ALSO COST MORE TO ARBITRATE WITH SMOKE AND SPICE GROUP, INC. IN CALIFORNIA THAN IN YOUR HOME STATE.
- 2) THE FRANCHISE AGREEMENT STATES THAT CALIFORNIA LAW GOVERNS THE AGREEMENT, AND THIS LAW MAY NOT PROVIDE THE SAME PROTECTIONS AND BENEFITS AS LOCAL LAWS. YOU MAY WANT TO COMPARE THESE LAWS.
- 3) THE DISCLOSURE DOCUMENT IS PROVIDED FOR YOUR OWN PROTECTION AND CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT.
- 4) YOU WILL NOT RECEIVE AN EXCLUSIVE TERRITORY. YOU MAY FACE COMPETITION FROM OTHER FRANCHISEES, FROM OUTLETS OWNED BY US OR OUR AFFILIATES OR FROM OTHER CHANNELS OF DISTRIBUTION OR COMPETITIVE BRANDS THAT WE OWN AS FURTHER DESCRIBED UNDER ITEM 12 TITLED TERRITORY.
- 5) YOUR SPOUSE MUST ALSO SIGN A PERSONAL GUARANTEE MAKING YOUR SPOUSE INDIVIDUALLY LIABLE FOR YOUR FINANCIAL OBLIGATIONS UNDER THE AGREEMENT. THE GUARANTEE WILL PLACE YOUR SPOUSE'S MARITAL AND PERSONAL ASSETS AT RISK IF YOUR FRANCHISE FAILS.
- 6) SOME OF OUR TRADEMARKS ARE NOT FEDERALLY REGISTERED THEREFORE THEY DO NOT HAVE AS MANY LEGAL BENEFITS AND RIGHTS AS FEDERALLY REGISTERED TRADEMARKS. IF OUR RIGHT TO USE AND LICENSE ANY OF OUR TRADEMARKS IS CHALLENGED, YOU MAY HAVE TO USE AN ALTERNATIVE

TRADEMARK THAT IS LICENSED TO YOU BY US. THIS MAY INCREASE YOUR EXPENSES.

- 7) WE WERE FORMED ON APRIL 9, 2018 AND HAVE A BRIEF OPERATING HISTORY. YOU MAY WANT TO CONSIDER THIS WHEN MAKING A DECISION TO PURCHASE THIS FRANCHISE OPPORTUNITY.
- 8) WE DO NOT ENGAGE THE SERVICES OF FRANCHISE BROKERS.
- 9) THERE MAY BE OTHER RISKS CONCERNING THIS FRANCHISE OPPORTUNITY.

ITEM 1
THE FRANCHISOR AND ANY PARENTS, PREDECESSORS & AFFILIATES

The Franchisor is Smoke and Spice Group, Inc., a Nevada corporation, doing business as “Smoking Pig BBQ.” For ease of reference, Smoke and Spice Group, Inc. will be referred to as “we,” “us,” “our,” “SSGI” or “Franchisor” in this Disclosure Document. We will refer to the person or entity who buys the franchise as “you,” “your,” and “Franchisee” throughout this Disclosure Document. If you are a corporation or limited liability company, partnership or other entity, certain provisions of the franchise agreement also apply to your shareholders, members, partners or owners and will be noted. Any such entity may be referred to as an “Entity” and those who own the Entity may be referred to as “Owners.”

We are a Nevada corporation, incorporated on April 9, 2018 and our name is “Smoke and Spice Group, Inc.” and may also use the name “Smoking Pig BBQ.” Our principal business address is 3340 Mowry Avenue, Fremont, California 94538. We operate and sell franchises for the operation of a restaurant known as “Smoking Pig BBQ” (the “Franchise,” “Business,” “Restaurant,” “Franchised Restaurant” or “Franchised Business”). We offer a franchise agreement (“Franchise Agreement”) for the development and operation of a full-service barbecue restaurant that offers a variety of slow-smoked barbecue meats, specialty dishes, combination meals, appetizers, stews, salads, non-alcoholic beverages at a specific location, which is within a protected territory. This is the first time SSGI has offered franchises of the type described in this Disclosure Document and SSGI has never offered franchises in any other line of business. Our agents for service of process are disclosed in Exhibit B.

Our Predecessors and Affiliates:

We have no parents. We have no predecessors. There are three restaurant businesses that offer similar products and services to a Smoking Pig BBQ, which is our affiliate and is described below. The following is a list of Smoking Pig BBQ predecessors and affiliates including principal addresses and number of locations for each.

Our affiliate, Smoking Pig BBQ Company, LLC (“SPBC”), owned by Paul Reddick, is a California limited liability company that was formed on October 20, 2009. SPBC shares the same physical address as us and operates three restaurant businesses, owned by SPBC: Smoking Pig BBQ located at 1144 N. 4th Street, San Jose, California 95112 which began operations on August 4, 2011; Smoking Pig BBQ located at 3340 Mowry Avenue, Fremont, California 94538 which began operations on March 24, 2014; and Smoking Pig BBQ located at 530 Newhall #10, San Jose, California 95110 which began operations on September 18, 2016. All businesses owned and operated by SPBC are substantially similar to the franchise being offered by us. SPBC will be providing franchisees with all sauces, spice rubs and sausage products as an approved vendor. We and SPBC are independent entities and SPBC does not assume any of our legal or other obligations, or us of theirs. SPBC does not offer franchises.

Our Business and the Franchise Offered:

Smoking Pig[™] BBQ is a system developed for the establishment and operation of a full-service barbecue restaurant that is devoted to the preparation and sale of various southern-style smoked barbecue meats, specialty dishes, combination meals, signature side dishes, appetizers, stews and salads made from scratch and prepared to order using fresh ingredients, proprietary recipes, spice rubs, dressings and sauces. Our philosophy is centered on preparing and serving a wide variety of slow-smoked barbecue menu items and specialty dishes using high quality meats and ingredients all of which are affordably priced in a fun, casual and family-oriented environment. This business is a full-service barbecue restaurant that operates year-round and is typically located within free-standing structures and strip centers and can also be operated out of non-traditional locations like: hotels, airports, casinos, train stations, universities, stadiums, arenas, theme parks or military installations (all of which must be approved by us). Each Smoking Pig[™] BBQ Franchise will prepare all lunch and dinner menu items made-to-order using our

proprietary recipes, dressing and sauces for either dine-in, take-out or delivery that includes: appetizers (such as: chicken wings, nachos, stuffed potatoes, sliders, etc.), a variety of slow-smoked barbecue meats (such as: chicken, spare ribs, beef brisket, pork, sausage, etc.), specialty dishes (such as: Carolina-style pulled pork, pulled chicken, bacon-sausage burgers, etc.), custom combination meals (giving customers the ability to build their own meals), our signature cornbread and side dishes (such as: coleslaw, mashed potatoes, house-cut fries, barbecue beans, mac n' cheese, etc.), a build-your-own meal kids menu, a variety non-alcoholic beverages (such as: carbonated drinks, flavored teas and coffee), our signature desserts (such as puddings, cobblers and pies served by the slice or whole) and limited retail items for sale (such as: bottled dressings and sauces, hats shirts and novelty items) in addition to offering delivery and catering services and other food and beverage products or services approved by us. We may authorize the sale of additional products and services in the future such as: live music, beer and wine, a full-service bar serving alcoholic beverages, group fundraising events, promotional events and other food and beverage related products and services approved by us.

Competition includes local and national full-service, fast-casual and quick-serve style restaurants serving barbeque food as well as specialty restaurants or other food and beverage establishments operated by national chains, local chains, independent operators and to some extent with grocery stores that sell various prepared food products similar to what is found in a Smoking Pig BBQ restaurant. The market for the type of menu items offered by a Smoking Pig BBQ restaurant is developed and highly competitive, as is the market for obtaining locations in qualified shopping centers, malls, free-standing structures, non-traditional locations or other similar buildings with a captive market customer base. Generally, there is no seasonality to this business. The restaurant industry is highly competitive throughout the United States as the market is continuously changing and evolving. We plan controlled expansion into areas that we determine can support a Smoking Pig BBQ business to improve name recognition and our reputation through franchised businesses.

Smoking Pig BBQ restaurants are characterized by our: distinctive, unique and recognizable exterior and interior layout, content, décor, color scheme, furnishings and signage; full menu of lunch and dinner items featuring various southern-style smoked barbecue dishes and specialty dishes using proprietary recipes, spice rubs, dressings and sauces; specific food preparation techniques, procedures and methods; service standards, uniformity of all products (including menu items) and services used and offered, food presentation standards, procedures for sanitation, cooking and storage; specifications for all products and equipment, procedures for purchasing all products and equipment, relationships with vendors and suppliers, tracking inventory and cost controls; guidelines for hiring, training and retaining employees; vehicle appearance standards with unique and recognizable signage; specific operational procedures to enhance efficiencies, fundraising and promotional programs, catering sales strategies, advertising and marketing strategies and materials; administrative and record keeping procedures; a franchise web page housed within our national website, our confidential and proprietary operations manuals ("Operations Manual," "Manuals" or "Operating Manuals") and other manuals which are made available either in hard copy or electronically; all of which may be changed, improved and further developed by us periodically (the "System").

The System is identified by means of certain trade names, service marks, trademarks, slogans, logos, emblems, and indicia of origin, including the design plus "pig wearing sunglasses" which is pending registration on the principal register of the United States Patent and Trademark Office ("USPTO"), bearing the serial number 87884752. You will be licensed to use not only this mark and design, but also all other service marks, trademarks, slogans, logos and emblems as we may designate for use in connection with the System (collectively, the "Marks" and each a "Mark").

You should consider the following when establishing and operating your Business: changing market conditions, competition, cost of food and supplies, equipment, real estate market, capital, labor, your own health, continuity of your management, continuation of sources of supply, availability of financing, recession or depression locally or nationally, wars, strikes, acts of terrorism, emergencies whether natural or manmade,

litigation, liability and casualty losses. In addition to industry developments, changes in consumer taste, pricing policies of your competitors, state licensing, supply and demand not to mention your dependence on key personnel, the loss of whom could have an adverse effect on your Business. The purchase of a Smoking Pig BBQ (or any other) franchise is a speculative, and a significant investment beyond that outlined in this Disclosure Document may be required to succeed. There are no guarantees for success and the most important factors in the success of any Smoking Pig BBQ franchise, including yours, are your personal business, marketing, management, judgment, other skills and your willingness and commitment to work hard and diligently in your Business and incorporating our System.

Laws and Regulations:

You should be aware that food products may be subject to the Pure Food and Drug Act, as well as Food and Drug Administration (FDA) and Department of Agriculture regulations. The FDA and Department of Agriculture in addition to state and local health departments administer and enforce laws and regulations that govern food preparation, service and sanitary conditions. You must comply with consumer protection laws and regulations concerning food preparation, handling and storage, “Truth in Menu” concerning menu item names, product content, labeling and nutritional claims. State and local agencies inspect restaurants and food establishments in general to ensure that they comply with such laws and regulations. Food and Drug laws as well as the FDA and Department of Agriculture regulations concerning the offering, preparation and service of food products may change. Also, the Federal Trade Commission, and the State Attorney Generals prohibit the making of any unfair or deceptive claims concerning the healthiness of any food item. In addition, there is the federal Clean Air Act and various state laws that impose air quality standards. These standards include limits on emission of ozone, carbon monoxide and other gases and/or particulate matter including emissions from commercial food preparation. You will be required to operate a smoker to prepare all meats, subsequently you may need to install and maintain emission control, scrubber and ventilation equipment to comply with certain laws and emission restrictions in space leases; or to prevent smoke infiltration to neighboring tenants. Some state and local governments have adopted or are considering adopting laws that regulate indoor air quality, including laws that ban smoking of tobacco products and electronic cigarettes in public places like restaurant and food establishments. Some state and local authorities have also adopted, or are considering adopting, laws or regulations that would affect the content or make-up of food served in restaurant and food establishments such as the level of trans fats and sodium contained in food items. Additionally, the Menu Labeling Provisions of Patient Protection and Affordable Health Care Act require that certain restaurants and food establishments post calorie information on menus and to provide additional written information to consumers upon request.

In addition to laws and regulations that apply to businesses generally, your Smoking Pig BBQ Restaurant will be subject to various federal, state and local government regulations, licensing and requirements including those relating to site location, zoning ordinances, and building construction (such as the Americans with Disabilities Act as described below); safety, health and consumer protection laws and regulations. Some states may require that you obtain real estate permits, business, occupational, food product and other miscellaneous licenses. We do not assume any responsibility for advising you on such regulatory matters.

Your Business may be subject to various employment regulations concerning wage rates, mandated employee benefits, employment taxes, worker safety, unemployment compensation, workers’ compensation, child labor practices, disabled employees and discrimination in employment practices. You will be subject to the Americans with Disabilities Act, which prohibits practices that discriminate against physically and mentally challenged individuals regarding access to public accommodations and employment opportunities (Schedule 4 of the Franchise Agreement). There may be other laws and codes applicable to your Business, and we urge you to make further inquiries about those laws and codes.

Other than what is stated above, currently we have no knowledge of any regulations specific to the operation of a Smoking Pig BBQ restaurant. However, in your state, province or county, there may be local codes, ordinances, statutes or laws, which license or regulate food establishments as the one being offered in this Disclosure Document and such regulations could affect the operations of your Restaurant. Local county health departments will typically inspect restaurants and food establishments to ensure compliance with safe food handling practices and adequacy of kitchen facilities. You should be prepared for such inspections and assure your compliance. You may also have to obtain health licenses and to comply with health laws and regulations that apply to restaurant and food establishments. These laws vary from place to place and can change over time. You must know such laws and regulations in your locality and must make sure that you and all your employees who work in your Restaurant comply with any such laws and regulations as well as obtain any licenses, certifications or permits required by your locality for performing work in your Restaurant. You should consider both their effect on your Business and the cost of compliance. In addition to complying with all laws, we require that either you, one of your Owners (if you are an Entity) and/or manager have successfully obtained a food handlers supervisor certification in your home state and maintain such certification. A food handler's supervisor certification is food handling and safety training that is necessary for the operation of your Restaurant.

We recommend that before signing the Franchise Agreement, you engage an attorney or other professional advisor to assist you in both determining what laws, ordinances and regulations may affect your establishment and/or operation of a Smoking Pig BBQ restaurant, and in complying with them. You are responsible for obtaining all certifications, licenses, permits and inspections required to operate your Restaurant. It is your sole responsibility to keep in force all necessary licenses and permits, to investigate, satisfy and remain in compliance with all local, state and federal laws, since they vary from place to place and can change over time. We recommend that you consult with your attorney for an understanding of all the laws applicable to your specific Smoking Pig BBQ Restaurant.

We have not offered franchises in other lines of business in the past. We do not engage in any business other than the offer of franchises.

Note 1: You must purchase computers or laptops, a POS system, software, printer, modems and routers, flat screen televisions, camera surveillance system, security alarm system, sound system and a phone system for the operation of your Restaurant as specified in the Operations Manual. The low end of the estimate represents current costs for: one computer or laptop, one POS system (that includes five terminals, software, five receipt printers, two kitchen printers, cash drawer and merchant service equipment), one printer/copier machine, modems and routers, five flat screen televisions, one camera surveillance system with eight stations, one security alarm system, a telephone system with two stations and a sound system. The low estimate takes into account you are leasing the POS system. The high end of the estimate represents current costs for: one computer or laptop, one POS system (that includes six terminals, software, six receipt printers, three kitchen printers, cash drawers and merchant service equipment), one printer/copier machine, modems and routers, eight flat screen televisions, one camera surveillance system with twelve stations, one security alarm system, a telephone system with four stations and a sound system. You must purchase only approved computers and laptops, POS systems, software, camera surveillance systems, security alarm system, flat screen televisions, phone and sound systems that meet our specifications, which may change from time to time. The high estimate takes into account you are purchasing the POS system We base our

estimates on the technology costs incurred by our affiliate that operates company-owned locations. All such items must be purchased through us, our affiliates and/or vendors or suppliers approved by us and may not be refundable depending on the terms of the invoice or purchase agreement (Franchise Agreement Sections XII.H, XII.I and XX.I).

Note 2: This is an estimate for the items you will need for kitchen equipment, furnishing and fixtures. You must purchase various used or new pieces of kitchen equipment for the operation of your Restaurant as specified in the Operations Manual. The kitchen equipment you will need to operate your Restaurant includes, but is not limited to: ovens, flat top grills, deep fryers, barbeque smokers, hot boxes, one walk-in cooler, commercial grade refrigerators, commercial grade freezers, under counter refrigerated units, refrigerated serving stations, microwave, rice cooker, coffee makers, mixer, one kitchen ventilation system, dishwashing system and ice machine. The furnishings and fixtures necessary to operate your Restaurant include but are not limited to: tables, chairs, bar stools, booths, one desk, filing systems, custom counters, fabricated stainless steel work tables, a three-compartment sink, dunnage racks, shelving, cabinets, storage racks, locker units and one small safe. The low end of the estimate is based on opening a 2,500 sq.-foot facility with used equipment along with leasing the dishwasher and ice machine. The high end of the estimate is based on opening a 4,500 sq. foot facility with new equipment along purchasing the dishwasher and ice machine. Actual kitchen equipment, furniture and fixture costs may vary due to the square footage of your facility. We based our estimate on the kitchen equipment purchase and lease costs incurred by our affiliate that operates three company-owned locations. Sales tax is charged separately by each state, may range from 3%-10% of the purchase price and are not included in these estimates. You are responsible for paying all applicable sales taxes. You must lease or purchase all kitchen equipment, furnishing and fixtures from us, our affiliates or our approved vendors and suppliers. In addition, you must lease or purchase all kitchen equipment, furnishings and fixtures that meet our specifications, which may change from time to time. The cost of all kitchen equipment, furnishing and fixtures will depend on financing terms available, the condition of the kitchen equipment, furnishing and fixtures and other factors. You may be able to take advantage of tax benefits for the lease or purchase of all your kitchen equipment, furnishing and fixtures and as such, you are encouraged to talk with a tax professional. Expenses for the kitchen equipment, furniture and fixtures do not include shipping or delivery costs and may or may not be refundable depending on the terms of your invoice, lease agreement or purchase agreement (Franchise Agreement Sections XII.H, XII.I and XX.D).

Note 3: A typical Smoking Pig BBQ restaurant is in a shopping center, mall or a free-standing building with approximately 2,500-4,500 square feet of space. Cost per square foot will depend on your geographic area and we estimate such costs to be approximately \$1.85 per square foot on the low end and approximately \$3.65 per square foot on the high end. We used these figures for the low and high estimates given above when leasing a space with high visibility. These sums do not include common area maintenance fees which (if applicable) will vary depending on your location or any sums for the purchase of real property, as we do not expect that you will buy real property. Real estate costs depend on location, size, visibility, economic conditions, accessibility and competitive market conditions. You may be able to reduce this expense if you are able to occupy a space in an existing location that compliments another business. The space must be enclosed and separate from other businesses with its own locking door. We base our estimate on the costs that our affiliate incurs in operating their company-owned locations. Lease payments for periods of time that you occupy your premises may not be refundable. In the event you leave your leased premises before the termination of your lease, you may owe the landlord payment for the entire lease term depending on the terms and conditions of your lease.

Note 4: We advise you to find a space needing minimal leasehold improvements. In most cases you will need to alter the interior of your Restaurant before you open for operation. The costs will vary widely and may be significantly higher than what is projected in the table above depending on factors such as property location, the condition of the property and the extent of alterations required for the property. The high estimate reflects the potential need to build out a kitchen, add lighting, bathrooms, hand washing sinks, fire sprinklers, fire alarms, phone lines and modify and/or add an HVAC system that entails mechanical, electrical and plumbing costs. In

addition, we assume that your landlord will provide connections to adequate electrical, gas, water and sewage service and your landlord may provide tenant improvement allowances. We base our estimates on the costs that our affiliate incurred when building out their company-owned locations. You should investigate all these costs in the area in which you wish to establish a Smoking Pig BBQ. We will provide you with standard layouts and design options for your Restaurant; however, it is your responsibility to hire an architect to create a complete set of drawings based on the size of your facility and local permitting requirements. Architect and permitting costs are not included in this estimate. Whether or not any leasehold improvements or build out expenses are refundable depend on the terms and conditions of your contracts with construction and mechanical contractors, as well as your lease agreement (Franchise Agreement Sections XII.S and XII.T).

Note 5: You must purchase products and supplies for the general operation of your Restaurant as specified in the Operations Manual. You must purchase only approved products and supplies, and you must purchase products and supplies that meet our specifications, which may change from time to time in our discretion. The types of products and supplies include, but are not limited to: meats, chicken, fresh produce, fresh vegetables, dairy products, breads, dry goods (such as: rice, beans, canned items, flour, spice rubs, etc.), sauces, dressings, pies, a variety of non-alcoholic beverages (such as carbonated drinks, flavored teas and coffee), paper goods (such as: paper plates, paper bowls, napkins, paper towels, cups, etc.), packaging materials (such as: boxes, bags, etc.), disposables (such as: hairnets, gloves, plastic silverware, straws, etc.), small wares (such as: pitchers, cups, glasses, plates, baskets, silverware, etc.), cooking supplies (such as: different size pans, mixing bowls, cooking utensils, cutting boards, knives, measuring cups, etc.), squeeze bottles, storage containers, take-out menus, apparel, basic office supplies, cleaning supplies, fire extinguishers and other miscellaneous products or supplies as specified by us. All items mentioned above must be purchased through us, our affiliates or approved vendors and/or suppliers, except all advertising and promotional materials, take-out menus and miscellaneous forms must be purchased directly from us. We base our estimate of product and supply costs incurred by our affiliates when opening their company-owned locations. Whether or not any of the purchases for products and supplies are refundable depends on the terms of the invoice or purchase agreement with suppliers (Franchise Agreement Sections XII.I and XX.I).

Note 6: You must have a pickup truck, box van or a sports utility vehicle ("Vehicle") for your Business to perform catering and delivery services (if you choose to perform delivery services yourself rather than use a third-party mobile app platform delivery service provider as described in Item 12). You can use or purchase any type of used or new Vehicle for your Business; however, we require that all Vehicles meet our appearance standards. We will provide you with a written list of Vehicle appearance standards during your initial training program. The low end of the estimate is taking into account that you may be able to use your existing Vehicle so long as such Vehicle meets our appearance standards. The high end of the estimate is an estimated down payment for purchasing a used or new Vehicle which is approximately \$2,500 per Vehicle. Your costs for a new Vehicle may be reduced if you choose to lease rather than purchase. The purchase agreement price will vary from dealer to dealer, and the terms of your loan, including the interest rate and term, may vary depending on your credit worthiness, changes in credit markets and other factors which are not under our control. We can't give you any guarantees or make any representations as to the terms, conditions or otherwise of any financing for your Vehicle. You may elect to purchase additional Vehicles to keep up with the growth of your Business. Whether or not payments made for the purchase of your Vehicle is refundable depends on the terms and conditions offered by your dealer (Franchise Agreement Sections XII.H, XII.U and XX.H).

Note 7: You must place our approved graphics on your Vehicle, and we will provide you with specifications for vehicle graphics during the training program. Whether or not payments made for vehicle graphics are refundable depends on the terms and conditions offered by the vendor (Franchise Agreement Sections XII.H, XII.U and XX.H).

Note 8: You must purchase and maintain an inventory of approved uniforms for the operation of your Restaurant. You must purchase black logoed t-shirts and polo shirts for your employees from us, our affiliates and/or our

approved vendors. All uniforms must meet our specifications, which may change from time to time. You will need a minimum inventory of approved black logoed t-shirts and polo shirts for your staff for one month prior to opening for operation and for your first month of operation. The number of uniforms you will need will vary depending upon the number of employees you hire. This estimate does not include any shipping costs, which (if applicable) are your responsibility. Whether or not any of the purchases for uniform apparel are refundable depends on the terms of the invoice or purchase agreement with suppliers.

Note 9: This estimated amount represents twelve months of pre-paid insurance premiums that does not take into account workers' compensation insurance, which may vary greatly by state, payroll and classification. You must obtain and keep general liability insurance and product liability insurance (covers you for damages that result in injury from products that you distribute) with a minimum policy limit of \$2,000,000 per occurrence and \$4,000,000 aggregate or in amounts we may require, to reflect inflation, identification of new risks, changes in law or other relevant changes in circumstances. You are also required to obtain property and casualty insurance that covers the assets of the Restaurant, "All Risk" insurance coverage for property that is not included in other insurance policies, workers' compensation insurance as prescribed by law, employer's liability insurance, employment practices liability insurance, business interruption insurance and automotive liability insurance that includes hired and non-owned coverage with a minimum policy limit of \$2,000,000 including uninsured motorist/minimum of \$100,000 or what is in accordance with your state guidelines or an amount we reasonably specify. Due to varying factors that affect the cost of workers compensation and auto insurance, the cost of workers' compensation and auto insurance is not included in this estimate. We may change insurance requirements on reasonable notice to you. We base our estimates on the insurance costs incurred by our affiliates at their company-owned locations. Whether or not insurance premiums are refundable depend on the terms of your insurance policies. In general, the cost of insurance coverage will vary depending on the carrier's charges, terms of payment and your claims history (Franchise Agreement Section XIII).

Other insurance such as, tenant's liability, professional liability insurance (covers you for damages that arise that do not result in property or bodily injury) and employee dishonesty insurance are optional; however, we may require you to obtain this coverage in the future with liability limits of amounts we specify. We may change these insurance requirements on reasonable notice to you. There are no other insurance requirements. Whether or not any insurance premiums are refundable depend on the terms and conditions of your insurance policies.

Note 10: Competitive conditions described in Item 1 will affect these costs. Estimate includes minimum working capital for the startup of your Restaurant. We base this estimate on the costs that our affiliate incurred when opening their one company owned location. This also includes estimates of miscellaneous startup costs such as: rent for an additional two months (first months' rent is already included above), purchasing additional kitchen equipment, inventory (products and supplies); utilities, hiring additional staff, workman's compensation insurance payments (if applicable), shipping and delivery fees, tax deposits, prepaid expenses, additional permits, legal fees, accounting fees and other miscellaneous costs.

Total Estimated Initial Investment. The total estimated initial investment is an estimate only of the range of startup expenses you may incur. We relied on our principals' combined experience when preparing these figures. The actual amount of funds you will need depends on a variety of factors, including the size of your facility, the location of your Restaurant, build-out expenses, the time of year when you open your Restaurant, if you choose to lease or purchase your POS system, the amount of kitchen equipment, products and supplies you purchase, if you choose to lease or purchase your kitchen equipment, if you purchase a used or new Vehicle, how many employees you hire, implementation of a marketing plan, your own management skill, economic conditions, competition in your area and other factors. The estimate of initial investment funds is based on an owner-operated business; or incorporating business operations within an existing complimentary business and does not include salaries or benefits for full-time employees. As your Restaurant grows, you may choose to hire additional employees to carry out support service tasks.

These figures are just estimates, and we cannot guarantee that you will not have higher costs. Competitive conditions described in Item 1 will affect these costs. This estimate of startup costs is calculated for a period of one month (except as stated otherwise), with additional operating capital to be available as may be needed during the initial phase. These costs do not include your Royalties and System Advertising fees, which begin immediately once your Restaurant is open for operation. These costs should be included in your projections of overall operations costs beginning with your first month of operation. We acknowledge that you may choose to invest additional funds into your Restaurant during the first three months of operation, and sometimes longer, but we cannot estimate or promise when, or whether, any individual franchisee will achieve positive cash flow or profits. You should review the figures carefully with a business advisor and identify your individual expenses along with cash flow projections before making any decision to buy a franchise.

We do not offer financing, directly or indirectly, for any part of the initial investment for a Franchise. The availability and terms of third party financing will depend on factors such as the availability of financing generally, your creditworthiness, collateral you may have and the lending policies of financial institutions. The estimate does not include any finance charges, interest, or debt service obligation, or your living expenses. You should have sufficient capital or other means to pay for your living expenses for at least six months of operation.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

We may offer or designate others to offer certain products, supplies, kitchen equipment or services and we may become approved suppliers or the only approved supplier(s) for these and other products, supplies, kitchen equipment and services. The products, supplies, kitchen equipment and services include: ingredients (such as canned items, rice, beans, spice rubs, sauces, dressings, etc.), meats, chicken, fresh produce, fresh vegetables, dairy products, breads and pies; non-alcoholic beverage products (such as: carbonated drinks, flavored teas and coffee), supplies (such as small wares, paper goods, packaging materials, disposables and cooking supplies), kitchen equipment (such as: ovens, flat top grills, deep fryers, barbeque smokers, refrigeration units, etc. as described in Item 7), furnishing and fixtures, technology items (such as: computers or laptops, POS system, flat screen televisions, camera surveillance systems, security alarm system, sound system, phone system, etc.), software, signage, Vehicle, vehicle graphics, uniforms, merchant services, POS and technology support services, music service providers, security alarm providers, laundry service providers, printed advertising materials, shows and event marketing opportunities and vendor, co-branding, affinity programs. You cannot purchase unapproved products or supplies and/or lease or purchase unapproved kitchen equipment from any vendor and/or supplier that are not on our pre-approved list without our written permission. We will provide you with: a written list of approved products, supplies, kitchen equipment and services you can use and offer in your Restaurant; recommended procedures and strategies when purchasing products and supplies and leasing or purchasing kitchen equipment for your Restaurant; and a written list of approved vendors and/or suppliers to purchase and/or lease kitchen equipment, products, supplies and services from during our initial training program. Currently we are not the only approved supplier of such items that you are required to use or sell in the operation of your Restaurant, except you must purchase all miscellaneous forms, take-out menus, advertising, promotional and marketing materials and updates from us. As of the date of this Disclosure Document, all updates to such advertising, promotional and marketing materials are optional, but we may in the future mandate that you purchase certain updates at your expense. If we develop proprietary products or if we develop proprietary equipment or software in the future, you must purchase such items from us, our affiliates or approved suppliers. We may become the approved suppliers or the only approved supplier for products, supplies, kitchen equipment and services in the future. We have negotiated lease and/or purchase arrangements with vendors and/or suppliers for the benefit of you in the areas of costs and customer support.

Smoking Pig BBQ Company, LLC which is our affiliate and owned by Paul Reddick, is currently the only approved vendor and supplier for all sauces, spice rubs and sausage products to be purchased by you for the operation of your Restaurant. We do not know the precise basis or amount of total revenue earned from purchases for such items for the last fiscal year because we are a new franchise and our affiliate has never previously collected them. Nor do we know the actual percentage of our affiliate's total revenues that such purchases will amount to, as they have never collected such payments.

You are required to adhere to the standards and specifications established periodically by us with respect to your Smoking Pig BBQ Restaurant which includes: all products (including menu items and retail items) used, offered and sold; recipes, food preparation, cleanliness standards, operational procedures, Vehicle appearance, vehicle graphics, advertising, vendors and services to be offered through your Franchise and other items for the operation of your Restaurant. You must operate the Restaurant in strict conformity with the methods, standards and specifications that we prescribe in the Operations Manual or otherwise in writing. You must maintain in sufficient supply, use, offer and sell at all times only the products, supplies, kitchen equipment and services that meet our standards and specifications. We may change our standards and specifications as a result of experience or changes in the marketplace and we will issue such changes to all franchisees. You are not permitted to: use the products or services of an unapproved vendor, lease or purchase products or equipment from an unapproved supplier; offer or sell any other products (including menu items) not approved by us, unless you first submit a written request to us for approval and agree to be responsible for all product, vendor and equipment fees described in Item 6 and below in this Item 8. We will use our best efforts to advise you within thirty (30) days whether such products, supplies, kitchen equipment, vendors or suppliers are approved as further described below.

We base our specifications for products, supplies, kitchen equipment, vendor and supplier approvals on our discretionary determination of demand, relevance to the System, price, value, quality, reliability, accuracy of product claims, safety, warranty, prompt attention to complaints, financial stability, litigation against supplier, recall history, reputation, frequency of delivery, appearance and contributions or other benefits to us and/or any marketing fund. Some of these specifications are contained in our Operations Manual and others will be set forth in periodic written notices to our franchisees. We have the right to disapprove any product, piece of kitchen equipment and/or supply sources that are not on our approved vendor list. You may not use any product, piece of kitchen equipment, service, vendor or supplier that we do not authorize, and you are prohibited from using, offering or selling such in your Restaurant. We may require vendors and/or suppliers to provide certain information, sign a nondisclosure agreement, and agree to guarantee our level of quality and produce sufficient samples to allow us to test the sample at your expense. We may require you to submit to us sufficient specifications, photographs, drawings or other information and samples to determine whether the items meet our specifications. There is a product, vendor and equipment assessment fee for supplier approval and we may require third party testing, in which case you will pay the actual cost of the tests as described in Item 6. We may issue specifications in manuals or directives, in writing or orally, and we may modify them at any time. We will respond to a written request by you to approve a product (including a menu item or retail item), piece of equipment or a supplier within 30 days after we receive it. Approval may be revoked in our sole discretion where an approved product (including a menu item or retail item), piece of kitchen equipment, vendor or supplier does not adhere to the specifications described above. We will notify you either by email or any other written form of communication of our approval, disapproval or revocation of any prior approval of any product, kitchen equipment, vendor or supplier.

You must use and offer only the products (including offering menu items and retail items), supplies, kitchen equipment and services that we specify in writing which may be amended or modified by us periodically. You are not required to maintain a minimum inventory of products in your Restaurant; however, we retain the rights to do so in the future. If we require you to maintain a minimum inventory of products, (currently not in effect) we will notify you by email or any other written form of communication and you will have 90 days to

comply with such requirements at your cost. We will provide you with a written list of approved products (including menu items and retail items) that you can use, offer and/or sell in your Restaurant after signing the Franchise Agreement and during our initial training. If any product (including menu item or retail item), piece of equipment, service, vendor or supplier is not authorized by us, you are prohibited from using, offering or selling it in your Restaurant. We will enforce these requirements by using “secret shoppers” or unannounced on-site visits to your Restaurant on a regular basis. When we make other visits to restaurants, such as to assist you, we may also take that opportunity to visibly inspect your inventory and determine if you are using or offering unauthorized products (including menu items and retail items), kitchen equipment or services. In addition, we expect to receive information from other Smoking Pig BBQ restaurants or from customers of your Restaurant reporting that unauthorized products (including menu items and retail items), pieces of kitchen equipment or services are being used, offered or sold in the Restaurant. You must permit us or our agents, at any reasonable time, to remove a reasonable number of products (including food or non-food items) or pieces of equipment from your Restaurant free of charge for testing by us or by an independent laboratory, to determine whether the samples meet our then-current standards and specifications. Besides any other remedies we may have, we may require you to pay for the testing if we have not previously approved the supplier of the item or if the sample fails to conform to our specifications (see Item 6). In addition, to maintain the highest degree of quality and service, we reserve the right to charge you an additional fee of \$2,500 if we inspect your Restaurant and you do not pass the inspection for a second time in any two-year period. We reserve the right to take whatever action we deem necessary in our absolute and sole discretion to prevent you from using, offering or selling unauthorized products (including menu and retail items), supplies, kitchen equipment or services, including seeking injunctive relief or terminating your Franchise Agreement.

We may derive profit through markups of the prices charged to you for products, supplies, kitchen equipment, signage (including vehicle graphics) or services we supply. We may derive revenue through license fees, promotional fees, advertising allowances, rebates or other monies paid by approved suppliers. We do not know the precise basis of these payments because we have never previously collected them. If we require you to buy from us, the product’s price and quality will be comparable to similar products from other sources. We may take a portion of that income to spend on advertising or place it in a separate franchise advertising account. If we require you to buy products, supplies, kitchen equipment or services from a vendor that pays such allowances, at our discretion, we may spend all such fees on related advertising or place them in the separate franchisee advertising account, described in Item 11 below. If we do not require the purchase, we need not place such fees in a separate account or use them on advertising but may retain them. We are not required to apply these funds to advertising or place them in a separate franchise advertising account but will use our reasonable discretion in making such decision. We did not receive any such revenues from required purchases made by franchisees in the prior fiscal year.

To maintain uniform quality standards, all products, kitchen equipment, Vehicles, services, signage (including vehicle graphics), advertising, trademark usage, trade dress, uniforms and other supplies and services you use to operate your Restaurant must meet our standards and specifications. In addition, you must participate in and cooperate with promotional programs, rewards and/or loyalty programs, community programs, gift certificate or gift card programs we may establish and follow our and supplier requirements and guidelines. We will require you to use specific software, miscellaneous forms, take-out menus, contracts, checklists, marketing and promotional items; and we may require you to use or contribute to specific POS and technology support service providers, music service providers, security alarm providers, laundry service providers, merchant service providers, vendor discounts, allowances and rebates.

We maintain specifications for the construction and build out of your Restaurant, leasehold improvements, furnishings and fixtures, kitchen equipment, technology items (such as: computers or laptops, POS system, flat screen televisions, camera surveillance systems, security alarm system, sound system, phone system, etc.), software, signage and décor to be used for the interior and exterior of your Restaurant. You may not install or

permit to be installed on the Restaurant premises any fixtures, furnishings, equipment, décor items, signs, games, vending machines or other items without our written consent or that do not comply with our specifications. Some of these specifications are contained in our Operations Manual and others will be set forth in periodic written notices to our franchisees. In most cases, we will make available the specifications which contain confidential and proprietary information to a supplier who agrees to sign a confidentiality agreement with us. We develop these specifications either through our research and development staff or with a manufacturer and we can modify any of them periodically.

One of our primary methods of communication with franchisees is through email, memos or newsletters we may periodically publish, and an intranet system we may provide to franchisees on our website. You are responsible for knowing all the information contained in the emails, memos, newsletters and the intranet system and complying with any standards and specifications provided within them. We may establish and change the standards and specifications for the operation of your Restaurant through our memos, newsletters and intranet system as well as by written notices and emails described above.

All marketing and promotion of your Franchise by you in any medium must be conducted in a professional and dignified manner and must conform to our specified standards and requirements that we prescribe in our Operations Manual. You must submit samples of all advertising or promotional plans and materials (including photographs and videos) that you desire to use to us for approval if such has not been prepared or previously approved by us. You may not use any marketing or promotional materials (including photographs or video presentations) that we have disapproved. This includes any media or website promotion over the Internet to promote your Restaurant. You must submit a request to us for any type of media, website and/or Internet promotion you wish to do in addition to any proposed edits, changes or updates to your web page. Internet promotions, edits, changes or updates to your web page must be done by us, our affiliates or approved vendors with our consent. We will charge a fee for this approval (as described in Item 6). Upon approval of your request, you may be responsible for any web page maintenance cost. Our response to your request for such advertising or promotional plans and materials (including photographs or video presentations) and Internet promotions, edits, changes or updates to your web page will be made within 30 days after we receive it. We will notify you by email or any other written form of communication of our approval or disapproval. In addition, you must not conduct any advertising without our written permission, in any Social Media such as Yelp, Twitter, Facebook, Instagram, LinkedIn, Pinterest and others (currently franchisees are authorized to participate on Facebook, Twitter and Yelp). You must also supervise your employees to assure they do not post any material on Social Media sites or any internet sites, regarding us or the franchise System whatsoever. We will provide you with our written standards and guidelines for using social networking sites during the initial franchise training program.

For a Smoking Pig BBQ, you are obligated to purchase and/or lease kitchen equipment, furniture and fixtures, technology items (as described above) software, signage, Vehicle and vehicle graphics, uniforms and an inventory of products and supplies for the operation of your Restaurant. You may also be able to use your existing vehicle so long as such vehicle meets our Vehicle appearance standards. Otherwise you will need to purchase a new or used Vehicle for your Business. We will provide you with a written list of Vehicle appearance standards during the initial training program. Vehicle appearance standards are outlined in the Operations Manual and are based on our sole judgment and discretion based on the experience of our company-owned businesses. Failure to adhere to all such Vehicle specifications may put you in default under your Franchise Agreement. We estimate that all your initial expenditures from us, our affiliates or the vendors that we specify and/or approve that meet our standards and specifications will represent approximately 25%-55% of your total initial purchases, depending on whether you choose to lease or purchase your POS system and kitchen equipment and if you purchase a Vehicle. We anticipate that during the operation of your Restaurant, required purchases from us, our affiliates or the vendors that we specify or approve (not including your lease, royalties or labor costs) are estimated to be approximately 25%-45% of your total monthly purchases in the continuing operation of your Restaurant (this depends on the size of your Restaurant, amount of inventory your purchase and sales volume).

We do not provide material benefits (for example renewal or additional franchises) to you based solely on your use of designated or approved sources. We do not belong or require you to belong to, any purchasing or distribution cooperatives, although we retain the right to establish them and to require your membership therein.

When you open a location for your franchise under a lease, per the Franchise Agreement, you must submit the proposed lease to us for approval before it is signed. We have the option to require that the lease (i) be collaterally assigned to us by a collateral assignment agreement in a form and substance reasonably acceptable to us to secure performance of your liabilities and obligations to us or (ii) contain the following terms and conditions:

1. The lessor must agree that without its consent, the lease and your right, title and interest under the lease may be assigned by you to our designee or us (provided such assignment shall not relieve you of your obligations under the lease or cause us or our designee to have any obligations or liability under the lease).
2. The lessor must provide written notice to us (at the same time it gives such notice to you) of any default by you under the lease and we must have, after the expiration of the period during which you may cure such default, an additional 15 days to cure, at our sole option, any such default and, upon the curing of such default, the right to enter upon the leased premises and assume your rights under the lease as if the lease had been assigned by you to us.
3. You are required to furnish copies of all insurance policies required by the Franchise Agreement and by the lease, to us, or such other evidence of insurance coverage and payment of premiums as we request or permit or under the lease.

Before you open a Smoking Pig BBQ for operation, you must obtain the insurance coverage for the Restaurant as specified below. The insurance coverage must be maintained during the term of the Franchise Agreement and provide evidence of insurance to us that insurance has been obtained from a responsible carrier or carriers acceptable to us.

1. General Liability Insurance, including broad form contractual liability, broad form property damage, personal injury, advertising injury, completed operations and fire damage coverage, in the amount of \$2,000,000 per occurrence and \$4,000,000 aggregate;
2. "All Risks" or "Special Form" coverage for the full cost of replacement of the Business premises and all other property in which we may have an interest with no coinsurance clause;
3. Property and casualty insurance that covers you for damages or losses to the Business with a minimum policy limit of \$1,000,000 per occurrence or an amount that covers the assets of the Restaurant;
4. Product liability insurance that covers you for damages that result in injury from products that you provide with a minimum policy limit of \$2,000,000 per occurrence and \$4,000,000 aggregate or an amount we reasonably specify;
5. Employer liability insurance that covers you and your Restaurant against claims made by employees for work-related bodily injury or disease, other than liability imposed on you and your Restaurant by workers compensation law;

6. Employment practices liability insurance that covers you and your Business against claims made by employees, former employees or potential employees for discrimination, wrongful termination, sexual harassment and other employment related obligations;
7. Workers' compensation insurance in amounts provided by applicable law or, if permissible under applicable law, any legally appropriate alternative providing substantially similar compensation to injured workers, subject to the conditions set forth in the Franchise Agreement.
8. Business Interruption insurance in such amount as will reimburse you for direct or indirect loss of earnings attributed to all perils commonly insured against by prudent business owners (including lost royalties, system advertising fees and other fees due to us and/or our affiliates), or attributable to prevention of access to the Restaurant, with coverage for a period of interruption of 180 days and such longer period as we may specify periodically. Business interruption insurance is required with liability limits of amounts we may reasonably specify which will relate to the right to be reimbursed for direct or indirect loss of earnings attributed to all perils commonly insured against by prudent business owners.
9. Automobile liability coverage including coverage of owned, non-owned and hired vehicles, with coverage in amounts not less than \$2,000,000 for hired and non-owned coverage including uninsured motorist with a minimum of \$100,000 limit or what is in accordance with your state guidelines;
10. Professional liability insurance (optional) that covers you for damages that you create that do not result in property or bodily injury with a minimum policy limit of \$500,000 or an amount we reasonably specify;
11. Crime insurance (optional) for employee dishonesty in the amount of \$10,000 combined single limit;
12. Tenant's liability insurance, if such insurance is required by the terms of your lease (if applicable);
13. Any other Insurance required by the state or locality in which the Restaurant is located and operated in such amounts as required by statute; and
14. Other insurance coverage, as we, your state or the landlord may reasonably require.

With regard to any construction, renovation, or remodeling of the Restaurant, you will be required to maintain builder's risks insurance and performance and completion bonds in forms and amounts, and written by a carrier or carriers, satisfactory to us. All policies must name our affiliates, as additional insureds and us and must include a waiver of subrogation in favor of all those parties.

All insurance coverage shall be taken out in your name and shall name our affiliates and us as an additional insured and be placed with insurers designated by us or acceptable by us. You must furnish us with certified copies of each of the insurance policies described above on the earlier of your opening of the Restaurant or 270 days following the date that the Franchise Agreement is executed. You must purchase not less than "A" rating insurance policies. Each such policy shall provide that it cannot be canceled without thirty days prior written notice to us and that we shall receive at least 30 days prior written notice of its expiration. You shall promptly refer all claims or potential claims against you or us to each of our insurer and us.

The cost of insurance purchased in accordance with our specifications will represent less than 2% of your total purchases in connection with the establishment of your Restaurant and will be approximately 1% of your total

purchases in the operation of your Restaurant. These percentages do not include workers' compensation insurance that will vary with the payroll amount and category of employees.

FINANCING

Neither we, nor our affiliate currently offers, directly or indirectly, any financing arrangements to you. Neither do we guarantee your note, lease, or any other obligation for a single franchise. We may assist franchisees in obtaining financing in the future or make other financing arrangements available to you. If we do, you will be free to accept or reject such financing

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS & TRAINING,

Except as listed below, we [the Franchisor] need not provide any assistance to you under the Franchise Agreement.

Before you open your Restaurant, we will:

- (1) Provide you with written guidelines for site selection. You must, on your own initiative and at your own expense locate, obtain and occupy the site and negotiate the lease for your Restaurant. Unless indicated otherwise all references to “lease” include a sublease and any master lease. You must select the site for your Restaurant within the protected territory provided in the Franchise Agreement or

within a specific facility if you choose to operate out of a Non-Traditional Location (as described in Item 12). We currently do not own the site and lease it back to you. You may not sign a lease for the site (or contract to purchase the premises, if applicable) in which you wish to operate your Restaurant until you have obtained our written approval. Additionally, you must not invest any money for the site in which you have not received our written approval. We must accept the site if we feel in our total discretion that it meets or exceeds our standards, but our acceptance does not ensure that your Restaurant will be profitable at the approved location. If we do not approve the site, you will have a second opportunity to locate a site. If we do not approve the second site, we may terminate the Franchise. The factors that we consider in acceptance of the site include population density, demographics, traffic patterns, convenience, adequate parking, safety, zoning ordinances, neighborhood (or for non-traditional locations surrounding businesses) and physical characteristics of the premises such as size and layout. We evaluate each proposed site and accept or reject each one on a case-by-case basis and will notify you by email or any other form of written communication of our acceptance or rejection of any proposed site within 30 days after we receive your request (Franchise Agreement, Sections XII.S and XX.C).

Neither we nor any of our employees have special expertise in selecting sites; we make no representations that your Restaurant will be profitable or successful by being located at the approved site. Any approval indicates that the proposed site meets our minimum criteria based upon our general business experience.

- (2) Insert the accepted site on your Franchise Agreement. However, the acceptance of a location and entering it on your Franchise Agreement by us is conditioned upon our determination, in our reasonable judgment, that:
 - (i) the site which you have submitted for the Restaurant is a suitable site based upon criteria we establish periodically; and
 - (ii) you and your Owners are in compliance with the Franchise Agreement.
- (3) Approve the lease for the Restaurant premises. You must submit the lease to us for our approval at least ten days before you sign the lease. You must send us a signed copy of the lease within five days of both parties signing the lease. We do not offer legal service to you and you should consult your independent legal counsel for a legal review of the lease (Franchise Agreement, Sections XII.S and XX.C).
- (4) Offer you guidance when applying for licenses, permits, certifications, inspections and notifying your state of your proposed Restaurant. It is your responsibility to comply with all laws, ordinances and regulations, as you are responsible for obtaining all necessary approvals, certifications, licenses and permits to operate your Restaurant (Franchise Agreement Section XX.C).
- (5) Inform you of any of our mandatory specifications, architectural and design plans, floor plans, interior and exterior signage, décor, designs and layouts for the Restaurant at the accepted location. We will provide you with guidelines for the design and layout of your Restaurant and you will need to hire an architect to create a complete set of drawings based on your building size and local permitting requirements, at your cost. You will be required to confirm that your Restaurant satisfies all state and local zoning ordinances, regulations, fire, health, and building codes. We must review and approve your final set of drawings. It is your responsibility to comply with all laws, ordinances, and regulations, zoning and building codes for your Restaurant (Franchise Agreement, Section XII.T and XX.D).

- (6) Provide you with specifications for products, supplies, kitchen equipment, furnishings, fixtures, technology items (as described in Item 8), software, signage (including vehicle signage) and uniforms necessary for the operation of your Restaurant. You are obligated to repair and maintain all kitchen equipment, technology items and related software necessary for the operations of your Restaurant. You will be responsible for these expenses as these expenses are necessary for the operation of your Restaurant. We will deliver these written specifications for the above items, and you are responsible for the delivery and installation of these items. You are required to lease and/or purchase the items listed above from us, our affiliates and/or our approved vendors (Franchise Agreement Sections XII.I, XX.A, XX.D and XX.I).
- (7) Provide you with a written list of Vehicle appearance standards (which include our vehicle graphic specifications). You are responsible for the cost of the Vehicle and the purchase, installation and cost of all vehicle graphics. We do not install any graphics on your Vehicles (Franchise Agreement, Sections XII.H, XII.I, XII.U, XX.A and XX.H).
- (8) Provide you with a written list of our approved products (including menu items and retail items), supplies, kitchen equipment and services you are authorized to use, offer and sell; and a written list of approved vendors and suppliers to purchase and/or lease products, supplies, kitchen equipment and services from (as defined in Item 8) that you are authorized to use or sell in your Restaurant. We will also provide you with a written list of recipes and food preparation and presentation standards. We will train you on strategies when leasing and/or purchasing such items for the operation of your Restaurant. You are responsible for the cost, delivery and installation of these items as they are necessary for the operation of your Restaurant. You are required to purchase the items listed above from us, our affiliates and/or approved vendors or suppliers (Franchise Agreement XII.I, XX.A, XX.H and XX.I).
- (9) Provide you with a written list of cleaning standards and recommended procedures for training employees in addition to general guidance. You are responsible for all day-to-day activities, including hiring, training, disciplining and/or firing your employees. Neither you nor your employees are our employees. You are responsible for all employees you hire, determining their compensation, hours of work, determining their benefits, tax withholding and their behavior during the operation of your Restaurant (Franchise Agreement Sections XII.F, XII.H, XX.A and XX.E).
- (10) Offer certain training programs designed to assist you and your management staff in the operation of your Restaurant. We will also provide continuing education to any new manager of your Franchise. We may require that you (or if you are a corporation, a limited liability company or partnership, then its officer or shareholder, member or managing member, or managing partner) and any manager(s) complete refresher training programs during the term of the Franchise Agreement (Franchise Agreement, Section XX.A).
- (11) Provide you with our initial training program, no earlier than 90 days before your Restaurant opens for operation, designed to assist you and your management staff in the operation of your Franchise, at no additional charge. The initial training program is designated for you, one Owner (if you are an Entity), one manager or any combination thereof (a total of 3 people). If more than three people attend the initial training program, we may impose a training fee of up to \$200 per person for each day of training (Franchise Agreement, Section XX.A).
- (12) Advise you of operating problems of a Smoking Pig BBQ business disclosed by reports submitted to us or inspections made by us. We will furnish to you such guidance and assistance in connection

with the operation of your Restaurant, as we deem appropriate. Such guidance and advice will include methods and operating procedures utilized by other Smoking Pig BBQ restaurants with regard to: ingredients, recipes, menu items (including food preparation), products, services, supplies, and using and maintaining kitchen equipment; leasing and/or purchasing guidelines, marketing strategies, efficiencies to manage high volume, service standards, training employees, general operating procedures, record keeping, accounting and inventory control methods. You must pay all costs and expenses associated with these items. We will make additional guidance and assistance available to you at your written request and in our sole discretion at fees and charges established by us (Franchise Agreement, Sections XII.J, XX.A and XX.E).

- (13) Loan to you during the term of the Franchise Agreement one copy of our confidential and proprietary Operations Manual, which may include one or more manuals and other written materials for the operation of your Restaurant, containing mandatory and suggested specifications, standards and operating procedures required by us and information relative to your other obligations under the Franchise Agreement. We have the right to add to, and otherwise modify, the Operations Manual to reflect changes in authorized products (including recipes, menu and retail items), supplies, kitchen equipment and services, as well as changes in specifications, standards and operating procedures of a Smoking Pig BBQ restaurant. You must keep the Operations Manual confidential and current and may not copy or distribute any part of the Operations Manual. The Operations Manual contains 370 pages and the current table of contents as of our last fiscal year end is included with this Disclosure Document as Exhibit E (Franchise Agreement, Section XX.G).
- (14) Deliver to you a web page for your Franchise operations that may include portals online for additional training, ongoing news bulletins and templates for advertising materials to support your Restaurant (Franchise Agreement, Sections IX.A and XX.B).
- (15) Approve or disapprove samples of all local advertising and promotional materials not prepared or previously approved by us that are submitted by you (Franchise Agreement, Sections XII.L, XX.A and XX.J).
- (16) Provide, up to five days of either pre-opening or grand opening assistance to you and your staff at your Restaurant. Such assistance will be provided to you as part of our initial franchise training program and at our cost (Franchise Agreement Section XX.A).

During your operation of the Restaurant, we may:

- (1) Provide additional on-site supervision and assistance as we deem necessary and in our discretion. Additional visits are for the purpose of advising you with respect to food preparation, menu items, products, services, kitchen equipment operation, operational, sales and marketing matters and personnel issues related to your Restaurant. You will be responsible for the transportation, room and board and miscellaneous expenses incurred by our personnel during the visits, which will take place per the terms of the Franchise Agreement, or at your request, and at times and dates selected by us (Franchise Agreement, Section XX.A).
- (2) Monitor the operation of your Restaurant and inspect the inventory of products, supplies and kitchen equipment at your Restaurant, then advise you of the results for each inspection, at our cost. If you fail the inspection twice in any two-year period, we may charge you a fee of \$2,500 (as described above in Item 8). If we have not inspected your Restaurant in the past twelve months and you would like to have an inspection performed, you will need to notify us in writing and we will perform the inspection within three months of your request. For any inspections that you request, the cost of the

inspection will be at your expense which will include transportation, room and board and miscellaneous expenses incurred by us (Franchise Agreement Sections X.I, XII.I, XII.Q and XX.A).

- (3) Provide to you and your manager(s), refresher and/or continuing education meetings at locations designated by us, which we expect to be our headquarters with a fee of \$200 per person per day plus our expenses, which can vary from area to area. We reserve the right to increase the per day fee a reasonable amount based on reasonable criteria (Franchise Agreement, Section XX.A).
- (4) Conduct quarterly meetings or an annual convention at such place as shall be designated by us, at our current fees, which can change based on our cost (Franchise Agreement, Section XX.A).
- (5) Establish a franchise elected peer group whose main purpose is to mentor and support each other.
- (6) Provide an intranet system, free of charge, to answer questions from you or your staff (during regular business hours, Pacific Time Zone). In addition, you will be able to send us questions and suggestions using Internet email (Franchise Agreement, Sections XX.A).

During your operation of the Restaurant we will:

- (1) Continue to consult with you at no additional charge regarding policies, products (including menu items and retail items), supplies, food preparation and presentation, kitchen equipment, vendor and supplier relationships, industry developments, sales, advertising, marketing and promotional strategies as well as provide assistance to you to resolve operational problems that you may encounter outside the scope of the Operations Manual (Franchise Agreement, Section XII.V and XX.A).
- (2) Provide you with updated and written lists of approved products (including menu items and retail items), supplies, kitchen equipment, services (as described in Item 8) that you are authorized to use, offer and sell in your Restaurant. We will also provide you with updated Vehicle appearance standards (including our vehicle graphic specifications). We will continue to add and approve new vendors and suppliers and will provide you with updated and current lists of such approved vendors and suppliers you are allowed to purchase from for all products, supplies, kitchen equipment and services for the operation of your Restaurant. We will provide you with such updated lists, but not the actual items as you are responsible for purchasing and/or leasing such items. We will continue to approve products (including menu items), supplies, kitchen equipment, vendors and suppliers you may use, offer and sell in your Restaurant. You may be responsible for paying any costs related to testing any samples as described in Item 8 (Franchise Agreement, Sections XII.H, XII.I, XII.J, XX.H and XX.I).
- (3) Provide you with minimum inventory requirements (currently not in effect) and suggested pricing for all products (including menu and retail items) and services you offer in the Restaurant. We may establish minimum and maximum prices you can charge to the extent allowed by law. We will continue to research new products (including menu and retail items) and services for the System as we deem necessary (Franchise Agreement, Section XX.K).
- (4) Provide you with updated and approved recipes, food preparation and presentation standards. We will provide you with such standards and specifications and you are responsible for purchasing all products or supplies that may be necessary to implement such standards at your expense (Franchise Agreement, Section XII.H and XX.A).

- (5) Provide a dedicated telephone line for franchisees, free of charge, to answer questions from you or your staff (during regular business hours Pacific Time Zone). You will be able to contact us for questions, suggestions and guidance (Franchise Agreement, Section XX.A).
- (6) Review and approve advertising and promotional materials in addition to any promotions, edits, changes or updates to your web page that you submit to us (Franchise Agreement, Sections XII.L, XII.H and XX.J)
- (7) Provide continuing education to any new manager of your Restaurant as noted in paragraph 14 (iv) below. We may require that you (or if you are an Entity or an Owner) and any manager(s) to complete refresher training programs during the term of the Franchise Agreement (Franchise Agreement, Section XX.A).
- (8) Offer you guidance in establishing and using administrative, record keeping and accounting procedures in accordance with our Operations Manual, and various policies communicated by us to you in writing from time to time (Franchise Agreement, Section XX.A).
- (9) Provide you with all update and upgrade requirements for your technology items (as described in Item 8) and all related software in response to changes in the Operations Manual or changes in our policies that we communicate to you in writing. You are required to purchase such items to operate your Restaurant. The cost of such technology items ranges from \$13,000-\$40,000 (see Item 7). We estimate that the cost for hardware and software upgrades for such items is approximately \$500 per year. If we develop proprietary software in the future, we will provide you with update and upgrade requirements, however we are not obligated to perform any maintenance or provide any updates or upgrades to any third-party technology items or software programs you use in the operation of your Restaurant. We are not obligated to provide hardware repairs to the technology items that you use. We reserve the right to have independent access to all information that you store in any POS system, computer, laptop, tablet or software related to the Restaurant (Franchise Agreement Sections XII.I and XX.A).
- (10) Reserve the right at our discretion to institute, maintain, and administer a System Advertising Fund (referred to as the “Fund”) to support ongoing technology and new products (including menu items) development to be made available to franchisees and such national advertising as we, in our sole discretion, may deem appropriate to promote the Smoking Pig BBQ name to benefit all franchised businesses as described in Item 6. We will direct all such programs and will have sole discretion over the creative concepts, materials and endorsements and media used in such programs, and the placement or allocation of such programs. The source of the advertising will come from our in-office advertising department or may in the future come from a national or local advertising agency. We reserve the right to determine in our sole discretion the composition of all geographic territories and market areas for the implementation and development of such programs (Franchise Agreement, Section X.B).
 - (i.) You will pay us 1% of Gross Revenues per week for the System Advertising contribution, paid to us, as designated in the Franchise Agreement. We may raise, discontinue or reduce the contribution, but your total contribution will not exceed 3% of your Gross Revenue per week in any calendar year for the term of the Agreement. Contributions are due by the end of day each Tuesday (for the prior week) which will start immediately once your Restaurant is open for operation then continues for the term of your Franchise (as described in Item 6). Refer to Item 6 for definition of Gross Revenue. All franchisees pay the System Advertising contribution at the same rate and

under the same terms as the Royalty Fee described above. System Advertising Fees are uniformly imposed on all franchisees.

- (ii.) The contributions will be accounted for separately from our other funds and will not be used to defray any of our general operating expenses, except for such reasonable salaries, administrative costs, travel expenses and overhead as we may incur in activities related to the administration of the Fund and its programs, including conducting evaluation of new products (including recipes and menu items), kitchen equipment and technologies; product development, market research, preparing advertising, promotion and marketing materials, and collecting and accounting for contributions to the Fund. Usage of the Fund will include ongoing development of the national website and development of new products to be made available to franchisees. We may disseminate advertisements in the form of print ads, signs, billboards, radio and television and we may conduct such advertising on a regional or national basis. We may spend, on behalf of the Fund, in any fiscal year an amount greater or less than the aggregate contribution of all Smoking Pig BBQ franchises in that year, and the Fund may borrow from us or others to cover deficits or invest any surplus for future use.
- (iii) In the future, we may form a franchisee-elected Franchisee Advisory Council or cooperative whose sole purpose is to advise on System Advertising Fund usage and advertising policies. We retain all operational and decision-making authority concerning advertising and the Advisory Council will serve only in an advisory capacity. The membership of any Franchise Advisory Council will be national in scope. The Advisory Council will not be separately incorporated, and therefore, it will not have any written documents. If one is formed we will have the power to select and approve the members and to form, change, dissolve or merge the Advertising Council as described below.
- (iv) Neither we nor any Franchise Advisory Council undertake any obligation to ensure that expenditures by the Fund in or affecting any geographic area are proportionate or equivalent to contributions to the Fund by franchises operating in such geographic area or that you or your Restaurant will benefit directly or in proportion to your contribution to the Fund. Neither the Fund nor we shall be liable to you with respect to the maintenance, direction, or administration of the Fund, including without limitation, contributions, expenditures, investments or borrowings, except for acts constituting willful misconduct. When the Fund is established and activated, all Smoking Pig BBQ restaurants owned by us or any of our shareholders or officers must contribute to the Fund in the same proportion as all franchisees.
- (v) Any sites we own will have the same voting rights as franchisee members. We administer the Fund, which is not audited. All interest earned on monies contributed to the Fund may be used to pay advertising and technology development costs before other assets of the Fund are expended. Fund contributions are not used to sell additional franchises. We will prepare an annual un-audited statement of monies collected and costs incurred by the Fund and furnish it to you upon written request. All financial statements will be available 120 days after the end of our fiscal year. We reserve the right not to spend all of the funds in the System Advertising Fund in any one year and such funds may be accrued into the next year. The System Advertising Fund has not been established before the date of this Disclosure Document.

- (vi) We may receive advertising and promotional allowances and fees from third party vendors, suppliers and advertisers who enter into cooperative advertising programs with us (and possibly also franchisees.) For example, vendors and/or suppliers may pay promotional allowances for joint advertising promotional material. We may disclose the identity of vendors or suppliers who pay the promotional allowances to you upon request. In addition, if we require you to buy items from a vendor or supplier who pays these allowances, we may place the funds in the System Advertising Fund or spend it on related promotions. Our obligation to provide advertising and marketing will be limited in cost to the amount of contributions and promotional allowances (if we approve) from third parties actually paid into the System Advertising Fund.
- (11) We do not require you to join, participate in and pay into, one or more franchisee marketing councils for your region, determined by the penetration area of local advertising media used (for example, the area of a regional newspaper's circulation). Because, we have not yet formed any franchisee marketing councils, we do not know how the area, or the membership of any franchisee marketing council will be determined. Because we have not formed any franchisee marketing councils, we have not determined whether any of our company-owned businesses will be contributing to any advertising spent by any franchisee marketing council. In the event we choose to establish a franchisee marketing council, we will be responsible for administering it. If we do create any franchisee marketing councils, they must operate in accordance with bylaws (or an operating agreement if it is a limited liability company). If we do create any franchisee marketing councils, the franchisee marketing council will prepare annual financial statements that you can review. We will have the right to form, dissolve, and merge any specific franchisee marketing council. Even though we have not yet formed any franchisee marketing councils, we may require that all franchisees within close proximity to a consumer show, convention or exhibition where restaurant and/or food-related products and services are offered or sold, to participate in the cost and benefit of the show. We intend to direct and coordinate all franchisee Internet advertising. All such programs and policies are our proprietary trade secrets.
- (12) You must spend at least \$1,000 per calendar month on local advertising and promotion, in addition to the 1% System Advertising Fee contribution you pay to us. You must also spend at least \$3,000 on "grand opening" promotion within the first two months after your Restaurant is open for operation; therefore, your local advertising requirement will start the third month after your Restaurant is open for operation. You must report your local advertising expenditures to us by the fifth day after the end of each quarter, or at times, on forms and in the manner we determine.

You will not use any independent advertising or sales promotion programs in any media (including electronic) without our prior review and written approval. We will approve the materials you submit to us within thirty days; if we do not respond within such period then we are deemed to have automatically disapproved all such materials. You will make reasonable efforts to participate in and cooperate with all advertising programs selected by us or by any approved group of franchisees, except that you may not need to follow or maintain any sales price or suggested pricing. You are responsible for any expenses of this independent advertising.

Unless we approve otherwise in writing, you may not establish a separate Website and will only have one Website, as we designate and approve, within our Website. The term "Website" includes: Internet pages, as well as other electronic sites (such as social networking sites like Yelp, Facebook, Instagram, Twitter, LinkedIn, Pinterest, blogs and other applications). You must comply with our requirements regarding selling, advertising, discussing or disseminating any information, or otherwise having a presence on a Website, regarding the Restaurant. If we approve

a separate Website for you (currently franchisees are authorized to participate on Facebook, Twitter and Yelp), we will provide you with guidelines for establishing and maintaining such Websites and each of the following provisions will apply: (i) you may neither establish nor use any Website without our prior written approval; (ii) before establishing any Website, you must submit to us, for our prior written approval, a sample of the proposed Website, including its domain name, format, visible content (including, without limitation, proposed screen shots), and non-visible content (including meta-tags), in the form and manner we may require and all such work (except for social networking sites) must be performed by us, our affiliates or approved vendors (as described in Item 8); (iii) you must not use or modify a Website (except for social networking sites) without our prior written approval; (iv) you must comply with the standards and specifications for Websites that we may periodically prescribe in the Operations Manual or otherwise in writing; (v) if we require, you must establish hyperlinks to our website and other Websites; (vi) you must not engage in any link building activities unless approved by us; and (vii) we may revoke our approval at any time by providing written or email notice to you of such revocation.

- (13) We estimate that there will be an interval of 270 days between the signing of the Franchise Agreement and the opening of your Restaurant. Factors that may affect this length of time include obtaining a location that is approved by us for your Restaurant, leasehold improvements and build-out, time of year, completion of your pre-market entry study to determine any customization of products (including menu items) and services to be offered through your Restaurant, satisfactory completion of our initial training program by you (or one of your Owners if you are an Entity) and one other manager (you must have a minimum of one manager, of which can be but does not need to be you or one of the Owners of your Franchise) and availability of kitchen equipment, products and supplies. You have 120 days to acquire a lease, at your expense, for commercial real estate that is properly zoned for the use of your Restaurant under the Franchise Agreement. You must submit to us, in the form we specify, a copy of the location plan and other such information or materials we may require, together with an option contract, letter of intent, or other evidence satisfactory to us that confirms your affirmative prospects for obtaining the location. We will have 30 days following receipt of this information and materials from you to approve or disapprove the proposed site for your Restaurant and will notify you of the same by email or any other form of written communication. We reserve the right to extend the period for you to acquire a lease as described above based on our reasonable judgment that you will likely find a location. Failure to secure a lease and/or open your Restaurant within the timeframes mentioned above, would constitute a default under the Franchise Agreement, for which we may terminate the Franchise Agreement. We will give you such default notice, under which we may terminate the Franchise Agreement, in writing.
- (14) Before the opening of your Restaurant, you (or an Owner if you are an Entity) and at least one other manager (you must have a minimum of at least one general manager, of which can be but does not need to be you or one of the Owners of your Business) you designate are required to attend our three-week initial training program at our corporate headquarters in Fremont, California unless such headquarters is moved. We maintain a regular calendar for the training program. We hold the training program approximately six to eight times per year (or more frequently if needed). The training program is included in your Initial Franchise Fee. You are responsible for all costs associated with attending the program such as travel, room and board.
- (i.) We may require that you (or your managing partner, managing member, member, or shareholder) and any manager have successfully obtained a food handlers supervisor certification in your home state. A food handler supervision certification is given upon

successful completion of food handling and safety training that is necessary for the operation of your Restaurant. You can take such courses in a classroom setting or in some states you can complete them over the Internet.

- (ii.) If any proposed manager does not satisfactorily complete our training program, we will notify you, and you may then select and enroll a substitute manager in our training program. If, during the training program we determine, in our sole discretion, that you (or any Owner if you are an Entity) or any other manager is not qualified to manage a Smoking Pig BBQ business, you have the right to appoint someone else to be trained by us at your expense. If that other person does not satisfactorily complete our training, we have the right to terminate the Franchise Agreement. The criteria that we will use to determine whether we deem you (or your managing partner, member or shareholders) qualified to manage a Smoking Pig BBQ Business includes, but is not limited to, your lack of business experience, your lack of experience in the restaurant industry, your personality makes it difficult for you to service customers or you do not have the appropriate licenses and/or permits to operate a Smoking Pig BBQ franchise. We will send you a written termination notice upon our determination of such disqualification.
- (iii.) After the completion of the initial training program by you, your Owner and/or your manager, we will provide training to any new manager of your Restaurant at your request for which an additional training fee of up to \$200 per day per person may be required. The trainee(s) will be responsible for all costs related to attending training such as travel, room and board. In addition, we have the right to require that you (and if you are an Entity, any Owner) and any other manager(s) complete refresher training programs during the term of the Franchise Agreement, to be furnished at our corporate headquarters currently in Fremont, California. There may be an additional cost for refresher training programs. You are responsible for all costs associated with attending such training opportunities we may provide for you such as travel, room and board.
- (iv.) After the opening of your Restaurant, we may provide to you and your personnel, access to information and support through franchise portals online. Support may also be available from our corporate headquarters and we may provide refresher training or continuing education all of which can be done either through phone, web based ("webinars"), video or at locations designated by us (most likely at our headquarters). Such refresher or continuing education (other than by phone, webinars or video) may have a registration charge to you that will not exceed \$200 per person per day. You are responsible for costs associated with attending the programs such as travel, room and board or our expenses if we come to you. The refresher training and/or continuing education will normally not exceed a day and we expect to have at least quarterly programs subject to special need. The content for the refresher and/or continuing education will cover aspects including but not limited to: new products (including menu items) and services, kitchen equipment maintenance and operation, industry developments, operational and service standards, technology and software developments, promotional and marketing programs, administration and so forth. We may conduct an annual convention in which refresher and/or continuing education will be made available at such place as shall be designated by us for all franchisees but will most likely be at our headquarters. A registration fee for each participant may be required which we will work in good faith to maintain at our cost and you will be responsible for costs associated with attending the convention such as travel, room and board. The registration fee for conferences will not exceed \$500 per

person. We may increase the fees charged above based on the increase of actual costs incurred by us.

- (v.) Within 90 days before you anticipate opening of your Restaurant for operation, we will provide training for you as noted in the following training schedule. This training curriculum is fully detailed in our Operations Manual and may change periodically. The corporate training team will include members of our management team, staff from our corporate headquarters in Fremont, California, members of our website development team, and members from our approved suppliers and service providers.

We will provide you with invoices for amounts you owe to us and we may require you to pre-pay all or a portion of the actual amounts owed.

Ongoing Training:

We will provide you with memos and/or newsletters that will contain ongoing training relating to your Restaurant and access to additional or refresher training programs that may be conducted through the telephone, webinars or video training at no cost to you. Such additional or refresher training programs may be conducted through the telephone, webinars, video training or at annual conferences. Anyone attending additional or refresher training programs (training other than by telephone, webinars or video training) will be subject to an additional training fee and all costs associated with attending the training program such as travel, room and board (as described in paragraph 14 (iii) above).

ITEM 12 **TERRITORY**

You must operate your Smoking Pig BBQ Restaurant within the specific location identified in your Franchise Agreement. You will not receive an exclusive territory. You may face competition from other franchisees and company-owned businesses we operate or from other channels of distribution or competitive brands that we control. You are awarded a protected territory (“Territory”) that will include up to 5 miles driven in any direction from the Franchise Business as defined by Google Maps or a similar mapping program the only exception being Non-Traditional Locations (“Non-Traditional Locations” which are defined as specific facilities such as: hotels, airports, casinos, train stations, universities, stadiums, arenas, theme parks or military installations). If you open a Restaurant within a Non-Traditional location, you are not granted a protected territory as your location will be site specific and you may face competition from other franchises and/or company-owned businesses. We reserve the right to grant a territory that is larger or smaller than the 5-mile area described above, to account for more densely or sparsely populated areas. We will determine population based on the most recently published data from the U.S. Census Bureau (or such other source we may indicate to you). You may not conduct business out of any other location other than the accepted location that has been entered in your Franchise Agreement or made part of by an addendum attached to your Franchise Agreement. You may sell products, (menu items and retail items), serve anyone who comes from anywhere and provide delivery and catering services so long as your sales and services you perform do not result from any Target Marketing (as defined below) activities by you. You can: conduct off-site events (such as: community events, consumer shows, festivals, expos, etc.) within your Territory (you are not authorized to conduct off-site events if you operate out of a Non-Traditional Location since your location is site specific, however you may be able to do so under certain circumstances as further described below); and perform catering and delivery services to anyone so long as such services are performed from your Restaurant and within your Territory or within the parameter of your Non-Traditional Location. You may be able to perform off-site events, delivery and catering services in geographic areas outside your Territory or outside the parameters of your Non-Traditional Location under certain circumstances (as described below). You may not relocate your Restaurant without our written consent, which we will not unreasonably withhold or delay. Our consent to your relocation is based on the following factors: population, business potential, traffic patterns,

proximity to major roads, demographics of the surrounding area, market penetration or other conditions important to the successful operation of a Smoking Pig BBQ Restaurant, as we deem appropriate and as identified in your Franchise Agreement.

If you are provided with a Territory (you are not operating your Restaurant in a Non-Traditional Location), we cannot either establish a company-owned business, franchise or license another to locate a Smoking Pig BBQ restaurant within your Territory during the term of your Franchise Agreement. If you are operating a Non-Traditional Location, we cannot establish either a company-owned business, franchise or license another to locate a Smoking Pig BBQ restaurant within the parameters of your facility; however, we can do so anywhere outside the parameters of the facility where your Restaurant is located. For clarity, and by way of example only, if you own a Smoking Pig BBQ Restaurant in a Non-Traditional Location, we have the right to establish either a company-owned business, franchise or license another to locate a Smoking Pig BBQ restaurant anywhere outside the parameters of the facility where you operate your Restaurant. The parameters of your Restaurant will normally be the facility in which you lease the space (Franchise Agreement Section VI).

Your Territory (except for Non-Traditional Locations), is determined by population, demographics of the surrounding area, our own assessment of business potential (such as: number of restaurants, residential homes and businesses that are in the area), market penetration or other conditions important to the successful operation of a Smoking Pig BBQ Restaurant, as we deem appropriate and as identified in your Franchise Agreement. We determine your licensed Territory once a location is chosen, and we will not alter it even if there is a population increase or decrease. It will also not be affected by your sales volume. Certain locations, such as major metropolitan areas may have smaller territories of densely populated areas. We must have consented to the location for your Restaurant within your defined Territory or if operating in a Non-Traditional Location within that Non-Traditional Location in writing before you open for operation. Relocation of your Business requires our written acceptance. Our consent to your relocation is based on the following factors: population, business potential, traffic patterns, proximity to major roads, demographics of the surrounding area, market penetration or other conditions important to the successful operation of a Smoking Pig BBQ Restaurant, as we deem appropriate and as identified in your Franchise Agreement.

Establishment of additional Smoking Pig BBQ Restaurants requires our written acceptance. If other geographical areas are unassigned, we have the right to sell or assign it, or part of it, at any time, without notice to you and you might not have the right of first refusal or option to buy the territory that was formally unassigned. You must submit a separate application for each Franchised Business to be established by you. You must pay the initial franchise fee for each additional acquisition mentioned in Item 5 and be in compliance with all of the terms and conditions of your existing Franchise Agreement. We must approve the location of any additional Smoking Pig BBQ Restaurants as mentioned in Items 11 and 12 above.

The Territory described above or if you are operating in a Non-Traditional Location, will affect where you and our other franchisees may solicit for business, sell products and provide services. If you are provided with a Territory, you are encouraged to directly advertise and market to sell products (menu items and retail items), serve people, conduct off-site events within your Territory and provide delivery and catering services within your Territory so long as all products are being prepared, sold and delivered from your Restaurant and catering services are being performed by your Restaurant. If you operate out of a Non-Traditional Location, you are encouraged to directly advertise and market to sell products (including menu items and retail items), serve people and provide delivery and catering services within the parameters of your facility (off-site events are not applicable since you are not provided with a Territory). If you are asked to conduct off-site events (such as: community events, consumer shows, festivals, expos, etc.) to promote your Restaurant, perform delivery or catering services (other than third party mobile app platform services, as described below) for persons and/or businesses that are in another geographical area in which there is another franchisee or company-owned business or outside the parameters of your Non-Traditional Location, you must immediately refer that request to the Smoking Pig BBQ restaurant in that geographical area or directly to us. If the other franchisee or company-owned business determines it in the best

interest for you to conduct such off-site event or provide delivery or catering services, regardless of whether you operate a Non-Traditional Location, then you can immediately proceed. If there is not a Smoking Pig BBQ restaurant in the geographical area in which you are asked to conduct an off-site event, or the person or business wants delivery or catering services then you can immediately proceed, however you must be prepared to refer such off-site event, person or business to another franchisee when the unassigned area is purchased. We and other franchisees must refer off-site events, persons and businesses who request delivery and/or catering services and are within your Territory or within the parameters of your facility (if operating in a Non-Traditional Location) to you and reserve the same right to conduct off-site events and provide delivery and/or catering services to persons or businesses that are within your defined Territory if it is determined by you to be in the person's or business's best interest. If other geographical areas are unassigned, we have the right to sell or assign it, or part of it, at any time, without notice to you and you might not have the right of first refusal or option to buy the territory that was formally unassigned.

If during the term of the Franchise Agreement, you are unable to promptly and properly provide products, serve customers, provide delivery or catering services, you must refer such persons to another franchisee in the System or to us. For any default of the Franchise Agreement, as an alternative to terminate, we may modify or eliminate any or all rights that you may have with respect to the protected status of your Territory, effective ten days after delivery of written notice to you. In addition, we may modify or eliminate, the Territory (Franchise Agreement Sections VI, XII.H and XXIII.F).

We may allow you and other franchisees or company-owned businesses to sell products (including menu items and retail items) and offer delivery or catering services through an alternative channel of distribution (such as on mobile app platforms, the Internet or Websites). Currently you are allowed to sell menu items and offer delivery services on third-party mobile app delivery services to anyone from anywhere without compensation to other franchise or company-owned businesses so long as all such menu items are prepared from your Business. Due to the nature of third-party mobile app delivery services you may have no control where such delivery services are performed, however you are required to communicate with such mobile app delivery service providers your geographical boundaries to minimize such delivery services being performed outside your Territory. Traditionally third-party mobile app delivery services will route customer orders to the restaurant closest in proximity to the customers delivery point. If you operate a Non-Traditional location, you are not authorized to sell menu items and offer delivery services on third-party mobile app platforms. We reserve the right to revoke our approval of your use of such third-party mobile app delivery services at any time upon written notice and you will be given 90 days to comply with such requirements at your cost. If you are granted permission to offer, sell and promote products or services (other than menu items on third-party mobile app platforms) through an alternative channel of distribution, per our written approval, you may sell and provide such products and services, using that method, to anyone from anywhere without compensation to the other franchisee or company-owned business so long as all products are prepared and sold from your Restaurant; delivery services are performed within your defined Territory or within the parameters of your Non-Traditional Location; and catering services are performed from your Restaurant and provided within your defined Territory or the parameters of your Non-Traditional Location. We, other franchisees, and company-owned businesses are subject to the same restrictions and reserve the same right to serve and sell products to anyone who comes from anywhere (including on third-party mobile app platforms and selling products through an alternative channel of distribution) and offer services within the boundaries of our and other franchisee's territories without compensation to you. You are prohibited from soliciting business, marketing and selling products or offering delivery and catering services by any means outside of your respective Territory or outside the parameters of your facility if you operate your Restaurant in a Non-Traditional Location; and must not engage in target marketing ("Target Marketing") within the Territory of another Smoking Pig BBQ restaurant (franchise and/or a company/affiliate owned business). Target Marketing means a concerted effort by a franchisee to solicit and obtain business through any type of advertisement or marketing, directed at all or a portion of another franchisee's territory. We will use commercially reasonable efforts to enforce this requirement regarding Target Marketing if you or any other franchisee violates it.

We encourage all Smoking Pig BBQ restaurants when owned by different individuals, to work out a referral relationship and advertising strategy or arrangement if they are within close proximity of each other (defined as being within a ten-mile radius of each other). You must notify us of all such arrangements.

We have the exclusive right to negotiate and enter into agreements or approve forms of agreements to sell products (including menu and retail items) and provide delivery or catering services to any business or organization which owns, manages, controls or otherwise has responsibility for locations in more than one area whose presence is not confined with any one particular franchisee's territory regardless of the contract amount of products (including menu items) to be provided and/or delivery or catering services to be performed (a "National Account"). After we sign a contract with a National Account, we may, at our option, provide you the option to provide products (including menu items) or perform delivery or catering services to businesses under the National Account contract. If you choose not to provide products (including menu items or retail items), delivery or catering services to the National Account, we may provide such products (including menu or retail items) and perform such services directly ourselves, or through another franchisee or third party even if the products (menu or retail items, if applicable) provided and services performed are within your Territory or within your Non-Traditional Location without compensation to you.

We reserve the right to issue binding policies to coordinate marketing councils and/or advertising cooperative programs. For example, we may require that all franchisees within close proximity to consumer food shows, conventions or exhibitions where food products are being sold to participate in the cost and benefit of the show. We intend to direct and coordinate all franchisee Internet advertising. All such programs and policies are our proprietary trade secrets. In such programs, we may require that the person acquired through such programs, to be served by the closest or other franchisee and may or may not require franchisees serving the person to do so at a minimum price or pay a reasonable referral fee.

Any rights not expressly granted to you are reserved to us. Such rights reserved to us include, but are not limited to the right to:

- (1) Advertise, market and sell Smoking Pig BBQ branded products (including menu items and retail items), kitchen equipment (if we choose to develop kitchen equipment in the future) and services in your Territory and/or within your Non-Traditional Location;
- (2) Advertise and offer products (including menu items and retail items) and services to promote the System through the Internet and/or other similar venues no matter where the person is based to brand the System and/or fulfill demand anywhere;
- (3) Sell, distribute or offer anywhere products (including menu items and retail items), kitchen equipment (if we choose to develop kitchen equipment in the future) or services to anyone from anywhere through any alternative or other channel of distribution, other than local restaurant operations providing such products and services whether or not we are using the Marks or System and on any terms, we deem appropriate. We have this right whether or not we are using the Marks or System; or are acting inside or outside your Territory as designated on your Franchise Agreement or within your Non-Traditional Location;
- (4) Develop and distribute any proprietary products and kitchen equipment (if we choose to develop kitchen equipment in the future) that have been branded with our Marks or logo or different branded products through any outlet located anywhere (including, by way of illustration, supermarkets, specialty food stores, discount club chains, retail stores, over the Internet and/or similar venues) and on any terms and conditions we deem appropriate. If we decide to develop and distribute products or

kitchen equipment, you will receive no compensation from us for such sales inside your Territory or within your Non-Traditional Location, unless agreed otherwise agreed by us in writing by us;

- (5) Implement advertising cooperative programs, which may allow us or others to solicit or sell to persons anywhere. We also reserve the right to issue mandatory policies to coordinate such advertising cooperative programs;
- (6) Own and/or operate ourselves or authorize others to own and/or operate (a) any business located outside the Territory or Non-Traditional Location as designated on your Franchise Agreement, whether or not, using the Marks and/or System, (b) any business anywhere, whether using the Marks and /or System or not, which is not substantially similar to the business franchised to you under the Franchise Agreement and/or (c) any business anywhere which does not use the Marks; and
- (7) Acquire, merge, affiliate with or engage in any transaction with other businesses (whether competitive or not) located anywhere, including arrangements in which we are acquired, and/or company-owned, franchised or other restaurants (including your Restaurant) which are converted to another format or we acquire a similar food establishment, restaurant or other food service related business which will be maintained under the System or otherwise. If we acquire or merge with a business similar to a Smoking Pig BBQ restaurant within your Territory, we will make commercially reasonable efforts to maintain the protected status of your Territory. You will fully participate in any conversion and be subject to any person/entity merging with, or acquiring us or when we acquire, reimbursing you for reasonable costs directly related to the conversion.

We are not responsible for paying any compensation to you concerning the sale of any products (including menu items or retail items), services or kitchen equipment (if we choose to sell kitchen equipment in the future) by using the Internet or other similar venue, by alternative means of distribution, advertising cooperative programs, outlets, businesses that are or are not substantially similar, to the Franchised Business or any business that does not use the Marks. For clarity, the Franchise Agreement grants you no rights to sell and/or distribute or offer any products (including menu items or retail items), kitchen equipment or services through any alternative channels of distribution without our permission or share in any of the proceeds from our activities through alternative channels of distribution.

We have not established and do not presently intend to establish other franchises, licenses or company-owned businesses, except as disclosed in Item 1 of this Franchise Disclosure Document that sells or offers similar products or services under a trade name or trademark different from the Marks.

ITEM 13

TRADEMARKS

Under the Franchise Agreement, we grant you the nonexclusive right to use the Marks in connection with the operation of your Franchise. Our principal trademark is as it appears on the first page of this Disclosure Document. We have the right to use and to license others to use the Marks and any other trade name, trademarks, service marks and logos currently used or that may hereafter be used in the operation of the Business. You must use the Marks only for the operation of your Franchise and in the manner authorized by us.

The design “pig wearing sunglasses” is pending on the principal register of the United States Patent and Trademark Office (referred to as “USPTO”) bearing the serial number 87884752 dated April 19, 2018, owned by Paul Reddick and sublicensed to you. We also claim common law rights in our trademarks based on our prior use. We do not yet have a federal registration for our trademarks. Therefore, our trademarks do not have many of the

legal benefits and rights of a federally registered trademark. If our right to use any of our trademarks is challenged, you may have to change to an alternative trademark, which may increase your expenses.

There are no presently effective determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state or any court, nor any pending infringement, opposition or cancellation proceeding or material litigation involving the Marks. We have not yet filed an affidavit of use because our trademarks were recently filed and do not need an affidavit. We do intend to maintain and renew all of our trademark registrations.

There are no effective agreements that limit our right to sublicense you the Marks, other than a perpetual, exclusive, non-transferable, worldwide, royalty free license to use, sub-license, and display the Marks from Paul Reddick pursuant to a trademark license agreement. The trademark license agreement may be modified or terminated if we fail to follow the operating, merchandising and advertising policies, and such other quality standards that are established by Paul Reddick. In addition, Paul Reddick has the right to substitute alternative trademarks for license at any time. Therefore, you may have to change the trademarks that you use in operating your Franchised Business at your expense. The trademark license agreement will remain in effect for as long as we offer franchises, or unless we are in default of the trademark license agreement. The trademark license agreement can be modified if both we and Paul Reddick agree in writing.

Upon termination of the trademark license agreement for any reason, we and franchisees must discontinue all use of the Marks in any form, remove the Marks from our website and any of our franchisees' web pages, modify any and all identification of the Franchised Business with, or reference to, the Marks, and refrain from making any subsequent representation, advertisement or published statement or product sales using or in reference to the Marks, or the business previously conducted using the Marks, and take such action as shall be necessary to change any corporate name, assumed name or equivalent registration which mentions or refers to the Marks, or any mark similar thereto.

You must notify us immediately in writing of any apparent infringement of or challenge to your use of any Marks or claim by any person of any rights in any Mark or any similar trade name, trademark or service mark of which you become aware. We have the sole discretion to take such action as we deem appropriate and the right to exclusively control any litigation, USPTO proceeding or other administrative proceeding.

We are not obligated by the Franchise Agreement to protect any rights granted to you to use the Marks or protect you against claims of infringement or unfair competition with respect to them. The Franchise Agreement does not require that we participate in your defense or indemnify you for expenses or damages if you are a party to a judicial or administrative proceeding involving one of the Marks or if the proceeding is resolved unfavorably to you. Although we are not contractually obligated to protect the Marks or your right to use them, as a matter of corporate policy, we intend to defend the Marks vigorously (Franchise Agreement Section XV.B).

You may not, without our written consent, in our sole discretion, commence or prosecute, or seek leave to intervene in, any litigation or other proceeding, including any arbitration proceeding, in which you purport to enforce any right or recover any element of damage arising from the use or infringement of any of the Marks or unfair competition.

If it becomes advisable at any time, in our sole discretion, to modify or discontinue use of any Mark, and/or use one or more additional or substitute trademarks or service marks, you must comply with our directions with respect to a reasonable time after notice by us. You, in connection with the use of a new or modified Mark, may be required, at your own expense, to remove existing signs from your Restaurant (including on your Vehicles), and to purchase and install new signs and vehicle graphics in addition to all marketing and advertising materials. We have no liability to you.

There are no infringing uses actually known to us as of the Issuance Date of this Disclosure Document that could materially affect your use of the Marks in the State of California or in any other state. You should understand that there could be other businesses using trademarks, trade names or other symbols similar to our Marks with superior rights to our rights. Before starting your business, you should research this possibility, using telephone directories, trade directories, Internet directories, or otherwise to avoid the possibility of having to change your Business name.

All your usage of the Marks granted under the Franchise Agreement is nonexclusive, and we retain the right, among others: (a) to use the Marks in connection with selling of products (menu or retail items) and services; (b) to grant other licenses for the Marks, in addition to those licenses already granted to existing franchisees; (c) to develop and establish other systems using the same or similar Marks, or any other proprietary marks, and to grant licenses or franchises in those systems without providing any rights to you as described in Item 12.

All your usage of the Marks and any goodwill you establish are to our exclusive benefit and you retain no right or rights in the Marks on the termination or expiration of your Franchise Agreement. You may not use the marks as a part of any corporate or trade name, nor may you use any trade name, trademark, service mark, emblem or logo other than the Marks, as we may designate periodically. You must prominently display the Marks on such items and in the manner, we designate. You must obtain such fictitious or assumed name registrations as we require or under applicable law. You must also prominently display in your Restaurant that we are not a joint employer of you and that you are solely responsible for all employment-related decisions and matters. You must also identify yourself as the owner of your Franchise by placing your name on the Business and all Vehicles, checks, invoices, receipts, contracts and other documents that bear any of the Marks, and on all printed materials your name must be followed by the phrase "A Franchise of Smoke and Spice Group, Inc." or such other phrase as we occasionally direct.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

We do not own any registered patents or copyrights which are material to the Franchise; however, we claim common law copyright and trade secret protection for several aspects of our System, methods, techniques and operational procedures; products (including menu items and retail items), product specifications, recipes, photographs of food, design, décor, graphics, signage, Vehicle appearance standards, graphics contained on your Vehicles, manuals and all related video presentations and materials including advertisement and promotional materials although such materials may not have been registered with the United States Copyright Office. We consider these materials proprietary and confidential and are considered our property and may be used by you only as provided in your Franchise Agreement. We reserve the right to register any of our copyrighted materials at any time we deem appropriate. We also reserve the right to renew any and all such copyright registrations at our discretion.

There currently are no effective determinations of the United States Copyright Office or any court regarding any of the copyrighted materials. There are no agreements in effect that significantly limit our right to use or license the copyrighted materials. There are no infringing uses actually known to us, which could materially affect your use of the copyrighted materials in any State.

You must notify us immediately in writing of any apparent infringement of or challenge to your use of our copyrighted materials or trade secrets or claim by any person of any rights in any copyright or trade secret, which you become aware. We have the sole discretion to take such action, as we deem appropriate and the right to exclusively control any litigation, United States Copyright Office proceeding or other administrative proceeding.

We may require you to discontinue use or modify any materials that may in our opinion infringe on the copyright, trade secret, or patent rights of any other person or business.

If it becomes advisable at any time, in our sole discretion, to modify or discontinue use of any copyrighted materials or trade secrets, and/or use one or more additional or substitute copyrighted materials or trade secrets, you must comply with our directions to modify, discontinue, or substitute use within a reasonable time after notice by us. We have no liability to you concerning substitution or modification of copyrighted materials or trade secrets.

We possess certain trade secrets and confidential information that include our: strategies for site acquisition, build-out, design specifications and décor; distinctive menu items that feature southern-style smoked barbecue dishes and specialty dishes, using proprietary recipes, spice rubs, dressing and sauces; food preparation and presentation standards, cooking techniques, methods and procedures; specifications for all products (including menu items and retail items), supplies and kitchen equipment; purchasing strategies, inventory management systems, vendor and supplier relationships, cost and pricing strategies; procedures for cleanliness, safety, sanitation and quality control; customer service standards, sequence of service methods and techniques; employee hiring, training and retention guidelines; strategies for executing delivery and catering services, operational procedures, our Operations Manual and other written materials, Vehicle appearance standards (including our vehicle graphic specifications), photographs of food, software, website, forms, contracts, record keeping and reporting procedures; fundraising and marketing strategies, proprietary customer acquisition, loyalty and retention programs; catering sales strategies, advertising, marketing and promotional materials; systems and knowledge of, and experience in, the operation and franchising of a Smoking Pig BBQ restaurant (the “Confidential Information”). We will disclose Confidential Information to you during our initial franchise training program, seminars, workshops, continuing education sessions and conventions sponsored by us; in the Operations Manual and in guidance furnished to you during the term of your Franchise Agreement.

If you or your partners, members, managers, directors, shareholders, employees, agents or independent contractors develop any new piece of equipment, product (including any type of menu or retail item), recipe, formula, concept, technique, process, photographs, video presentations, promotions, program or improvement in the operation or promotion of your Restaurant, you are required to promptly notify us with all necessary related information, without compensation. However, as a matter of corporate policy, we may create an incentive program to reward you, your partners, members, managers, directors, shareholders, employees, agents or independent contractors for any new piece of equipment, product (including any menu or retail item), recipe, formula, concept, technique, process, photograph, video presentation, promotion, program or improvement that we implement throughout the System. You and if you are an Entity, then one of your Owners acknowledge that any such equipment, product (including any type of menu item or retail item), recipe, formula, concept, process, photograph, video presentation, promotion, program or improvement will become our property and we may use or disclose such information to other franchisees as we deem appropriate.

The Franchise Agreement provides that you will not acquire any interest in the Confidential Information other than the right to utilize it in the development and operation of your Smoking Pig BBQ Restaurant during the term of your Franchise Agreement, and that the use or duplication of the Confidential Information in any other business would constitute unfair competition. You also agree that the Confidential Information is proprietary to us and is disclosed to you solely on the condition that you: (1) will not use the Confidential Information in any other business or capacity; (2) will maintain the absolute confidentiality of the Confidential Information during and after the term of your Franchise Agreement; (3) will not make unauthorized copies of any portion of the Confidential Information disclosed in written or electronic form; and (4) will adopt and implement all reasonable procedures required by us to prevent unauthorized use or disclosure of the Confidential Information, including without limitation, restrictions on disclosures to employees of your Franchise and any other business(es) owned by you and if you are an Entity, any of your Owners, and the use of nondisclosure and non-competition clauses in employment agreements with your employees and Owners, where enforceable under state law.

ITEM 15
**OBLIGATION TO PARTICIPATE IN THE ACTUAL
OPERATION OF THE FRANCHISE BUSINESS**

The Franchise Agreement provides that a Smoking Pig BBQ Restaurant must at all times be under direct, day-to-day, full time supervision. We do not require that you personally (or if you are an Entity such as a limited liability company, then a managing Owner of such Entity) be involved in the day-to-day operations of your Restaurant, but your Restaurant must at all times be under the operation of a manager (“General Manager”) whose identity must at all times be disclosed to us. This person must have successfully completed our training program and must use his or her best efforts in the operation of a Smoking Pig BBQ Restaurant.

You are required to retain a General Manager for the operation and management of your Restaurant. The General Manager may, but need not, be you or one of the Owners of the Franchised Business and need not have any set percentage of the equity of the Franchised Business. The General Manager must meet all our standards and criteria for such positions as set forth in the Operations Manual. Your General Manager is responsible for overseeing the general management of the Restaurant and using his or her best efforts in the operation of the Restaurant. This individual and his or her replacements must also satisfy the applicable training requirements as outlined in the Franchise Agreement. We have the right to require that the General Manager and any other manager be at the Restaurant for any inspection we conduct (Franchise Agreement Section XII.F).

If we, in our sole discretion, find that your General Manager is not properly performing his or her duties, we will advise you and you must immediately take steps to correct the situation. Upon termination of employment of your General Manager, you must appoint a successor within 60 days. Any replacement General Manager (who we may disapprove in our sole and absolute discretion) must be trained by us within 30 days of employment in accordance with our standards. To clarify, any replacement General Manager is to be trained by us at our corporate headquarters or any other location we specify and at your expense.

Our approval of a General Manager other than you is conditioned upon the person entering into a confidentiality and restriction of like business agreement containing covenants like those contained in the Franchise Agreement and Schedule 8 of the Franchise Agreement against engaging in competing businesses and use/disclosure of our Confidential Information during the tenure of employment with you and for a period of three years following the termination of such person’s employment with you. You will provide us with copies of the same upon request.

You may not employ any individual who is at the current time or was at any time during the prior twelve months employed in any back-of-house, front-of-house, managerial or administrative position by us or any of our affiliates or by another franchisee of ours without our prior written consent. As a condition to such consent, you may be required to compensate the former employer for the actual costs and expenses incurred by the employer in connection with the training of any replacement employee.

If you are an Entity, each of your Owners that holds more than 10% interest in the Franchised Business must personally guarantee your obligations under the Franchise Agreement and also agree to be personally bound by, and personally liable for the breach of, every provision of the Franchise Agreement, agree to be bound by the confidentiality provisions and non-competition provisions of the Franchise Agreement and agree to certain restrictions on their ownership interests. The required Guaranty of Obligations is attached as Schedule 5 of the Franchise Agreement.

ITEM 16
RESTRICTIONS ON LOCATION AND WHAT THE FRANCHISEE MAY SELL

Due to the differing nature of markets across the United States, and because the size of each individual Restaurant will vary, you will have a wide variety of possible sites to choose from which to conduct your business operations with our approval. You may not use the Franchise premises for any purpose other than the operation of a Smoking Pig BBQ Restaurant, unless otherwise approved by us in writing. Alternative operation sites that may be approved can include for example, incorporating your Franchise operations within the premises of an existing complimentary business.

You must comply with all our standards and specifications relating to the purchase and/or lease, use and sale of all products, kitchen equipment, supplies, furnishings and fixtures, technology items, software, signage and décor items, Vehicles, vehicle graphics, uniforms, printed advertising materials, miscellaneous forms and other items to be used, offered or sold at the Restaurant (See Item 8).

You are required to offer only approved products (including lunch and dinner menu items and retail items) and services specified by us that include but are not limited to: appetizers (such as: chicken wings, nachos, stuffed potatoes, sliders, etc.), a variety of slow-smoked barbecue meats (such as: chicken, spare ribs, beef brisket, pork, sausage, etc.), specialty dishes (such as: Carolina-style pulled pork, pulled chicken, bacon-sausage burgers, etc.), custom combination meals (giving customers the ability to build their own meals), our signature cornbread and side dishes (such as: coleslaw, mashed potatoes, house-cut fries, barbecue beans, mac n' cheese, etc.), a build-your-own meal kids menu, a variety non-alcoholic beverages (such as: carbonated drinks, flavored teas and coffee), our signature desserts (such as puddings, cobblers and pies served by the slice or whole) and limited retail items for sale (such as: bottled dressings and sauces, hats shirts and novelty items) in addition to offering delivery and catering services and other food and beverage products or services as expressly authorized by us in writing or in the Operations Manual, or developed by us as a result of your pre-market entry study to meet the needs of your unique market, and any updates to be incorporated in the Operations Manual periodically. You must prepare, sell and offer only approved products (including menu and retail items) from your Restaurant. You must prepare all menu items in accordance with our recipes, standards, techniques, processes and presentation standards as designated by us. You can conduct off-site events so long as such off-site events are within your Territory (you are not authorized to conduct off-site events if you operate out of a Non-Traditional Location since your location is site specific, however you may be able to do so under certain circumstances as described in Item 12) and must also offer delivery and catering services so long as all delivery services are performed from your Restaurant within your defined Territory or within the parameters of your Non-Traditional Location; and all catering services are performed from your Restaurant and provided to persons or businesses within your defined Territory or the parameters of your Non-Traditional Location. You may also offer additional products (including menu items) that are unique to your area in an effort to blend in with your community; however, you must obtain our written approval before such products (including menu items) are used or offered and the time to approve or deny your request is described below. We will respond to a written request by you to approve any product (including menu item) or service you wish to use or offer within 30 days after we receive it. We may revoke approval in our sole discretion where an approved product (including menu item) or service does not adhere to our standards as specified in the Operations Manual. We will notify you either by email or any other written form of communication of our approval, disapproval or revocation of any prior approval of any product (menu item) or service.

You acknowledge that you and other franchisees can sell products (including menu items and retail items) and serve anyone who comes from anywhere so long as such products are being prepared and sold from your Restaurant and such sales do not result from any Target Marketing and you can conduct off-site events within your Territory (see Item 12). You can sell products (including menu and retail items) and provide delivery and catering services at any prices and/or rates you establish as we will suggest pricing and rate strategy and we may establish

minimum and maximum prices and/or rates at which you may sell products (including menu items and retail items) and provide services to the extent allowed by federal and state laws. You must discontinue using, selling and offering for sale any product (including any menu or retail item) or service that we may disapprove in writing at any time, whether or not a product (including menu or retail item) being submitted for approval is currently in use. We can and expect to change and/or modify the types of products (including menu items and retail items) and services we authorize. There are no limits on our right to do so. We will inform you by email or by any other form of written communication of such changes and/or modifications. You may not use or offer any product (including menu item or retail item) or provide any service that has not been specifically approved in writing by us; and you may not independently act as an exclusive distributor for any third-party vendor or secure any exclusive rights for any vendor or proprietary product or equipment without our prior written consent.

In addition, you acknowledge that we may, in our discretion, allow you and other franchisees or company-owned businesses to sell products (menu and retail items, if applicable), offer and promote delivery and catering services through an alternative channel of distribution (such as on mobile app platforms, the Internet or Websites) provided you adhere to our standards. Currently if you are provided with a Territory (not applicable to Non-Traditional Locations) you are allowed to sell menu items, offer and promote delivery services on third-party mobile app delivery services to anyone from anywhere without compensation to other franchise or company-owned businesses so long as all such menu items are prepared from your Restaurant (as described in Item 12). You acknowledge that this may create competition and you will not receive any compensation from such sales made by other franchisees or company-owned businesses. If we authorize you to sell products and offer services (other than menu items on third-party mobile app platforms) through alternative channels of distribution, all products must be prepared and sold from your Restaurant; delivery services must be performed within your defined Territory or within the parameters of your Non-Traditional Location; and catering services must be performed from your Restaurant and provided within your defined Territory or the parameters of your Non-Traditional Location. You are not authorized to sell any products or offer any services on the Internet or in any other media, whether now known or hereinafter invented, unless we otherwise approve it.

You must participate in any gift certificate or gift card program or rewards program we establish. You may not create or issue your own gift certificates or cards without our prior written consent.

You must maintain proper permits and licenses to operate a Smoking Pig BBQ restaurant and provide products and services in your area. You must not engage in any trade, practice or other activity that is harmful to our goodwill or reflects unfavorably on our reputation, that constitutes deceptive or unfair competition, or that is in violation of any applicable law.

You are encouraged to directly advertise and market to attract business, sell products (menu and retail items) serve persons, conduct off-site events within your Territory and provide delivery and catering services to anyone located within your Territory or within the parameters of your Non-Traditional Location. Regardless of whether you are provided with a Territory or operate out of a Non-Traditional Location, we place no restrictions upon your ability to sell products (menu and retail items), serve customers and perform catering and delivery services to anyone so long as all products are being prepared and sold from your Restaurant (catering services must be performed from your Restaurant only, as described in Item 12) and such services are performed within your Territory or within the parameters of your Non-Traditional Location. In addition, you may be able to conduct off-site events and perform delivery or catering services in other geographical areas outside your Territory or outside the parameters of your Non-Traditional Location under certain circumstances and provided you do so in accordance with our standards (as described in Item 12).

ITEM 17
RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

THE FRANCHISE RELATIONSHIP

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Paul Reddick, 3340 Mowry Avenue, Fremont, California 94538 (510) 713-1854, the Federal Trade Commission, and the appropriate state regulatory agencies.

Franchisee agrees to take such affirmative action as may be necessary, including, without limitation, exhibiting multiple public notices of that fact, the content and display of which we shall have the right to specify. Franchisee will provide such notices on letterhead, business cards, bank account names, bank checks, and signs at the place of business. Franchisee is responsible for collecting and remitting Social Security, Medicare, unemployment contributions and/or any other mandated county, state or federal obligations and benefits on behalf of its employees. Franchisee acknowledges that we have no responsibility to ensure that Franchisee’s Restaurant is developed and operated in compliance with all applicable laws, ordinances and regulations and that we shall have no liability in the event the development or operation of the Restaurant violates any law, ordinance or regulation.

B. **Franchisor Is Not in a Fiduciary Relationship with Franchisee**

It is understood and agreed by the Parties hereto that this Agreement does not establish a fiduciary relationship between them, and that nothing in this Agreement is intended to constitute either party as an agent, legal representative, subsidiary, joint venture, partner, employee, or servant of the other for any purpose whatsoever. In addition, we shall not have any fiduciary relationship to the Franchisee by virtue of the fact that we may operate a System Advertising Fund (as defined in Section X.B of this Agreement).

It is understood and agreed that nothing in this Agreement authorizes the Franchisee, and the Franchisee shall have no authority, to make any contract, agreement, warranty, lease or representation on our behalf, or to incur any debt or other obligation in our name; and that we shall in no event assume liability for, or be deemed liable hereunder or thereunder as a result of any such action; nor shall we be liable by reason of any act or omission of the Franchisee in its conduct of the Restaurant or for any claim, liability or judgment arising therefrom against the Franchisee or us.

The Franchisee represents, warrants and agrees as follows: the Franchisee is duly organized and is in good standing in all jurisdictions where legally required in order to carry on its business, has duly authorized the execution, delivery and performance of this Agreement and all other documents contemplated hereby, which are, or upon signing, will be binding on the Franchisee, such documents do

not and will not contravene any other instrument or agreement to which the Franchisee is party and there is no pending litigation, tax claim, proceeding or dispute that may adversely affect the Franchisee's financial condition or impair its ability to perform its obligations under the terms of this Agreement.

It is understood that Franchisee will have sole responsibility for its employees and all acts of its employees, and all employment-related decisions involving wages, benefits, hours of work, scheduling, hiring, firing, discipline, supervision, record keeping, withholding income tax, social security contributions, Medicare contributions, unemployment fund contributions and all other terms and conditions of employment (as described in Section XII.F). The Franchisee must disclose to each of its employees in writing, in a form approved by us in advance, that we are not a "joint employer" of the Franchisee's employees. The Franchisee acknowledges that we do not control the Franchisee's personnel policies, including establishing wage and hour requirements, hiring, firing, setting wages, disciplining, supervising and record keeping of employees.

V. FRANCHISE GRANT

We hereby grant to Franchisee, upon the terms and conditions herein contained and subject to this Agreement, the right, license, and privilege, and Franchisee hereby accepts a franchise under the terms and conditions set forth herein, to operate a Smoking Pig BBQ Restaurant that has been assigned a protected territory as set forth in Section VI (referred to as the "Territory"), with the right to use solely in connection therewith our Names and Marks, Products, Services, our advertising and marketing methods, and our System, as each may be changed, improved and further developed from time to time only at the accepted location as set forth in Section VI and provided the Franchisee shall adhere to the terms and conditions hereof.

It is understood and agreed that, except as expressly provided herein or if any other agreement is executed, this franchise includes no right of Franchisee to sub franchise.

Except as provided in this Agreement, Franchisee shall be free to use the materials provided by us in the manner that Franchisee, in Franchisee's sole and absolute discretion, deems most appropriate for the operation of a Smoking Pig BBQ Restaurant, provided that, Franchisee shall not violate any applicable law, regulation or provision of this Agreement in exercising such discretion.

VI. TERRITORY

Franchisee is not granted an exclusive territory. We grant you a Territory that is a protected territory as defined in this Agreement unless Franchisee operates its Restaurant in a Non-Traditional Location. A "Non-Traditional Location" is defined as operating the Smoking Pig BBQ Restaurant within a specific facility such as a: hotel, airport, casino, train station, university, stadium, arena, theme park or military installation. Franchisees that operate a Smoking Pig BBQ Restaurant in a Non-Traditional Location will not be granted a Territory which means Franchisee may face competition from other Smoking Pig BBQ restaurant businesses (as described below). The location of the Franchise Business shall be: within the State of _____ in the county of _____. If the actual Franchise Business address has not yet been chosen, the initial Territory will be defined from the following streets: _____ and _____. The final Territory will be defined from the actual Restaurant address once chosen.

The exact "Accepted Location" for the Restaurant is:

The protected Territory for a Restaurant that is not in a Non-Traditional Location will be:
_____ **miles driven from any direction of the Restaurant.**

If the Parties do not select a Territory or choose a Non-Traditional Location in which to operate the Restaurant prior to the signing of this Franchise Agreement, then they shall agree to it at a later date, under the terms of this Agreement. Failure to secure a lease for the Restaurant within one hundred and twenty (120) days and/or open the Restaurant within two hundred and seventy (270) days from the execution of this Agreement will permit us to terminate this Agreement, as provided in Section XXIII.C.

The Territory, under the terms of this Agreement and if not operating in a Non-Traditional Location, will normally include up to five (5) miles driven in any direction from the Restaurant as defined by Google Maps or a similar computer mapping program. We reserve the right to grant a Territory that is larger or smaller than the five (5) mile area described above, in order to account for more densely or sparsely populated areas. We will determine population based on the most recently published data from the U.S. Census Bureau (or such other source we may indicate to you). Franchisee may not conduct business out of any other location or locations other than the Accepted Location identified above however, Franchisee may conduct off-site events (such as community events, consumer shows, festivals, expos, etc.) within its Territory (off-site events not applicable if Franchisee operates a Non-Traditional Location since its Territory is limited to the parameters of its facility, however may be able to do under certain circumstances as described below). Due to the nature of the Smoking Pig BBQ business model, all Products must be prepared from Franchisee's Accepted Location; and all Services performed from Franchisee's Accepted Location and within Franchisee's Territory or within the parameters of its Non-Traditional Locations. Franchisee can sell Products to anyone and serve anyone who comes from anywhere; can conduct off-site events within its Territory (not applicable if Franchisee operates a Non-Traditional Location) and can perform Services to any persons or businesses within its Territory or the parameters of its Non-Traditional Location. However, Franchisee may be able to perform Services and conduct off-site events in geographic areas outside its Territory or outside the parameters of its Non-Traditional Location under certain circumstances (as further described below).

The Territory, if not operating in a Non-Traditional Location, will be determined by population base, demographics of the surrounding area, competition, business potential, availability of appropriate sites, reasonable rent or other conditions important to the successful operation of a Franchised Business as we deem appropriate. The Territory is determined once a location is chosen and approved by us and will not be altered even if there is a population increase or decrease during the term of this Agreement. The Territory is not dependent upon achievement of certain revenues, market penetration or any other contingency. The boundaries of the Territory described above shall be determined by major topographical features that clearly define contiguous areas such as: streets, highways, freeways or other roadways, rivers, streams, mountains and underdeveloped land. We determine the size and boundaries of the protected Territory.

Franchisee must operate its Restaurant within the specific Territory or within the parameters of the Non-Traditional Location as identified in this Section VI. If not determined when this Agreement is executed, Franchisee is responsible for selecting the site for the Accepted Location within the designated Territory or Non-Traditional Location specified above and in accordance with this Agreement. We must approve the site where Franchisee intends to operate the Restaurant within its Territory or within the parameters of the Non-Traditional Location before opening for operation, especially prior to Franchisee becoming obligated on a lease. Franchisee may not open the Restaurant at any other location other than the Accepted Location that has been set forth in this Agreement or made part hereof by an addendum attached to this Agreement.

Franchisee shall not relocate a Smoking Pig BBQ Restaurant that has been assigned a Territory or is within a Non-Traditional Location, without our prior written consent (specified in Section XXII.A). If Franchisee is provided with a Territory then during the term of this Agreement, we shall not establish, nor license another party or entity to establish, a Smoking Pig BBQ Restaurant within the Territory outlined above. If Franchisee operates its Restaurant in a Non-Traditional Location, Franchisee acknowledges that Franchisee's protected area is only within the parameters of such Non-Traditional Location (such as within a: hotel, airport, casino, train station, university, stadium, arena, theme park or military installation) and we have a right to license others and operate company-owned businesses anywhere outside the parameters of the facility where its Restaurant is located. If Franchisee decides to open additional Restaurants and buys the rights to additional Franchises, then those separate franchise agreement(s) will dictate the terms of the applicable territory (a separate Franchise Agreement is required for each additional Restaurant as defined in Section IX.D of this Agreement).

Franchisee is encouraged to directly advertise and market to sell Products and promote Services within its Territory or within the parameters of its Non-Traditional Location. Franchisee may accept business, sell Products and serve anyone who comes from anywhere so long as: all Products are prepared from the Accepted Location; all Products are sold from the Accepted Location or off-site events (if not operating a Non-Traditional Location as described below) within its Territory; all Services are performed from the Accepted Location; and all Services are performed within Franchisee's Territory or within the parameters of its Non-Traditional Location. If not operating a Non-Traditional Location, Franchisee is encouraged to conduct off-site events to sell Products and promote its Restaurant (such as at: community events, consumer shows, festivals, expos, etc.) so long as such off-site events are performed within its Territory. We may grant Franchisee permission to sell Products and/or perform Services outside its Territory or, if operating out of a Non-Traditional Location, away from its facility (as further described below). We, company-owned locations and other franchisees reserve the same right to sell Products and serve anyone who comes from anywhere and provide Services within the boundaries of our and other franchisee's territories without compensation to Franchisee. Franchisee is also not restricted as to the geographic area into which Franchisee may attract customers and Franchisee is encouraged to directly advertise and market within its Territory or within the parameters of its facility if operating a Non-Traditional Location, and may end up attracting customers from other geographic areas; however, Franchisee cannot perform any target marketing ("Target Marketing") into any other territory of another franchisee or company-owned business and/or outside the parameters of its facility if operating a Non-Traditional Location. The term "Target Marketing" means a concerted effort by a Franchisee to solicit and obtain business by any type of advertising or marketing directed at all or a portion of another franchisee's territory, company-owned business area or unassigned area. We shall use commercially reasonable efforts to address any Franchisee that violates this policy. Failure of Franchisee to refrain from Target Marketing, as described above, may result in termination of this Agreement as specified in Section XXIII.C.

Franchisee is prohibited from selling Products, offering and promoting Services through any alternative channels of distribution (such Websites as defined below) without our written approval. Currently Franchisee is authorized to sell menu items and offer delivery services on third-party mobile app delivery services to anyone from anywhere without compensation to other franchise or company-owned businesses so long as all such menu items are prepared from its Accepted Location. Due to the nature of third-party mobile app delivery services Franchisee may have no control where such delivery services are performed, however Franchisee is required to communicate with such mobile app delivery service providers its geographical boundaries to minimize such delivery services being performed outside its Territory. Traditionally third-party mobile app delivery services will route customer orders to the restaurant closest in proximity to the customers delivery point. If Franchisee operates a Non-Traditional location, Franchisee is not authorized to sell menu items and offer delivery services on third-party mobile app platforms. We reserve the right to revoke our approval of Franchisee's use of such third-party mobile app delivery services at any time upon written notice (via email or any other form of written

communication) and Franchisee will be given 90 days to comply with such requirements at its cost. If Franchisee is granted permission to offer, sell and/or promote Products or Services (other than menu items on third-party mobile app platforms) through an alternative channel of distribution, per our written approval, Franchisee may sell Products to anyone from anywhere so long as all Products are prepared and sold from Franchisee's Accepted Location and such Services are performed within Franchisee's Territory. We, other franchisees and company-owned businesses are subject to the same restrictions and reserve the same right to sell to anyone from anywhere and offer and promote Services through third-party mobile app platforms and alternative channels of distribution so long as such Products are prepared from such company-owned or franchise locations and such Services are performed within the boundaries of our and other franchisee's territories without compensation to you. Our response to Franchisee's request to offer, sell or promote Products and Services through an alternative channel of distribution will be made by email or any other form of written communication within thirty (30) days after we receive it. Approval may be revoked in our sole discretion. Failure of Franchisee to refrain from using third-party mobile app delivery services if we revoke our approval in the future (as described above) or if Franchisee attempts to sell, offer or promote its Products or Services on an alternative channel of distribution without our written permission, will result in termination of this Agreement as specified in Section XXIII.C.

Franchisee can perform Services to anyone within its Territory or within the parameters of its Non-Traditional Location so long as all Products are being prepared, sold and delivered from Franchisee's Accepted Location. Unless Franchisee operates a Non-Traditional Location, Franchisee can conduct off-site events to promote its Restaurant anywhere within its Territory. However, if Franchisee is asked to perform Services (other than third-party mobile app platform services, as described above) or conduct off-site events outside its Territory or outside the parameters of its facility (if operating out of a Non-Traditional Location) in which there is another franchise or company-owned business, Franchisee must immediately refer that request to the Smoking Pig BBQ business in that geographical area or directly to us. Franchisee must not perform any Services (other than third-party mobile app platform services, as described above) or conduct off-site events outside its Territory or outside the parameters of its facility (if operating out of a Non-Traditional Location) if another franchise or company-owned business is operating in that area. If the other franchise or company-owned business determines it is in the best interest of the person or business for Franchisee to perform Services or conduct such off-site event, then Franchisee, regardless of whether Franchisee operates a Non-Traditional Location, can immediately service the person or business and/or conduct such off-site event. In this situation and regardless of whether Franchisee operates a Non-Traditional Location, if there is not a Smoking Pig BBQ business in that other area, then Franchisee, can provide such Services and conduct such off-site events, however Franchisee must be prepared to refer the person or business and/or off-site event to another franchisee when the unassigned area is purchased. We and other franchisees and company-owned businesses must refer persons and businesses that request Services within Franchisee's Territory or within Franchisee's facility (if operating out of a Non-Traditional Location) and/or off-site events that are within Franchisee's Territory to Franchisee and also reserve the same right to perform Services to persons or businesses and/or conduct off-site events within Franchisee's Territory (or Non-Traditional Location) if it is determined, to be in the person's or business's best interest, by the franchisee of that territory.

If during the term of this Agreement, Franchisee is unable to promptly and properly provide Products, unable to service customers or perform Services due to excessive work or other cause; then Franchisee must immediately refer that person or business to another franchise, company-owned business or to us. Failure of Franchisee to refrain from referring persons, business, Services and/or offsite events as described herein, will result in us having the right to terminate this Agreement as specified in Section XXIII.C. For any default of this Agreement which triggers our ability to terminate, then as an alternative to termination, we have the right, in our sole discretion, to modify or eliminate any rights Franchisee may

have with respect to the protected area status of the Territory, effective ten (10) days after delivery of written notice to Franchisee.

We encourage Smoking Pig BBQ restaurants, when owned by different individuals, to work out a referral and advertising arrangement if they are within close proximity of each other (defined as being within a ten (10) mile radius of each other). We must be notified in writing of all such arrangements.

We may, from time to time, establish certain programs for the benefit of franchisees and the System wherein Smoking Pig BBQ franchisees will be permitted to provide Products and/or perform Services in accordance with the specifications described in any particular program established by us. Currently in effect, is our proprietary Loyalty Program (as defined in Section XII.H) and National Account program. The National Account program is defined as follows:

- a) The term “National Account” means a special class of persons which may include but is not limited to large businesses, national organizations or non-profit organizations with outlets located in multiple territories and government agencies who on their own behalf or through agents, franchisees or other third parties owns, manages, controls or otherwise has responsibility for buildings or common-services in more than one location whose presence is not confined within any one particular franchisee’s Territory regardless of the aggregate contract amount of the Products and/or Services the Franchisee wishes to provide or perform. Any dispute as to whether a particular person is a National Account shall be determined by us in our sole and absolute discretion and our determination shall be final and binding;
- b) We shall have the exclusive right, unless otherwise specifically delegated in writing, on behalf of ourselves, Franchisee and/or any other franchisees utilizing the Marks, to negotiate and enter into agreements or approve forms of agreement to provide Products and perform Services to National Account, including any affiliate, company owned or franchised locations within the Territory or Non-Traditional Locations;
- c) Following the execution of a contract with or the acceptance of a bid by a National Account which contemplates the provision of Products or Services to one or more National Account locations within the Territory, we will, if Franchisee is qualified and conditioned upon the terms of this Agreement and any addendum hereto, provide Franchisee the option to provide such Products and Services pursuant to the terms and conditions of the National Account contract or on such terms and conditions as we in our sole discretion determine;
- d) If Franchisee elects not to provide Products or perform Services to a National Account in conformity with the terms and conditions of the National Account bid or contract, or fails to make an election within the time specified by us, of being offered the opportunity by us, we shall have the right, exercisable in our sole discretion, to:
 - i. Provide directly (or through any other affiliate, franchisee utilizing our Marks) Products and/or Services to a National Account location(s) located anywhere on the terms and conditions contained in the National Account bid or contract; and/or
 - ii. Contract with another party to provide Products and/or perform Services to the National Account location(s) located anywhere on the terms and conditions contained in the National Account bid or contract between us

and the National Account, utilizing our Marks or any trademarks, service marks or trade names.

- e) Neither the direct provision by us (or a franchisee, affiliate or agent of ours) of Products or Services to National Accounts as authorized in (i) above, nor if we contract with another party to provide such Products and/or Services as authorized in (ii) above, shall constitute a violation of Section VI of this Agreement relating to the Franchisee's Territory, even if such Products and/or Services are offered or performed from a location within the Territory or Non-Traditional Location. Franchisee disclaims any right to compensation for Products provided or Services performed by others pursuant to this section.

If Franchisee is provided a Territory, Franchisee's rights in the Territory are exactly (and only) as expressly set forth in this Section VI. Except as expressly provided in this Agreement, Franchisee has no right to exclude, control or impose conditions on the location, operation or otherwise of present or future Smoking Pig BBQ (or any other brand) units or distribution channels of any type, franchised or company-owned, regardless of their location or proximity to the Restaurant and whether or not they sell Products or provide Services within that area. Franchisee does not have any rights with respect to other and/or related businesses, products and/or services, in which we or any of our persons or entities may be involved, now or in the future.

Any rights not expressly granted to the Franchisee are reserved to us. Such rights reserved to us include but are not limited to the following:

- 1) Own and/or operate ourselves, and/or authorize others to own and/or operate:
 - a) Any kind of business in the Territory or Non-Traditional Location, which is not substantially similar to a Smoking Pig BBQ business, whether or not using the Marks and System and on any terms and conditions we deem appropriate; and
 - b) Any kind of business outside of the Territory or outside the Non-Traditional Location, including, without limitation, Smoking Pig BBQ businesses, whether or not using Smoking Pig BBQ Marks and System and on any terms and conditions we deem appropriate;
- 2) Develop, distribute and sell Smoking Pig BBQ labeled and branded (or any other brand) products and kitchen equipment (if developed) to anyone located anywhere (including within the Territory, if applicable) using any channel of distribution other than the operation of a Smoking Pig BBQ Restaurant in the Territory or Non-Traditional Location and on any terms and conditions we deem appropriate (including, but not limited to, supermarkets, discount club chains, retail stores, specialty food stores and other similar venues and other channels of distribution such as television, mail, catalog sales, wholesale to unrelated retail outlets or over the Internet);
- 3) Develop or become associated with concepts other than the Smoking Pig BBQ Restaurant franchised hereunder (including dual branding and/or other franchise systems), whether using the System and/or the Marks, and award franchises under such other concepts for businesses located and/or operating anywhere. If we become associated with a business within Franchisee's Territory that uses our Marks and

System, we will make commercially reasonable efforts to maintain the protected status of Franchisee's Territory;

- 4) Acquire, be acquired by, sell our assets, sell our stock, membership units, or partnership units to, merge, affiliate with or engage in any transaction with other businesses (whether competitive or not), with units located anywhere. Such transactions may include (but are not limited to) arrangements involving competing outlets and brand conversions (to or from the Smoking Pig BBQ Marks and System). Franchisee agrees to participate at its expense in any such conversion as instructed by us. However, if we acquire or merge with a business within Franchisee's Territory that is similar to a Smoking Pig BBQ restaurant business, we will make commercially reasonable efforts to maintain the protected status of Franchisee's Territory;
- 5) We may choose in our Business Judgment (as defined in Section XXI of this Agreement) to advertise, offer and sell Products and/or Services through the Internet and other similar venues (no matter where the person is located) without paying any compensation to Franchisee. The Internet is a channel of distribution reserved exclusively to us and Franchisee may not independently market on the Internet or conduct e-commerce, without our written consent; and
- 6) Acquire or establish any Websites utilizing a domain name incorporating one or more of the following words: authentic, barbecue, eat, experience, catering, delivery, dine, fresh, made, own, pig, rack, real, restaurant, service, smoke, southern, specialty, take-out or any variation thereof or any other words that describe the Restaurant as determined by us. The term "Website" includes: Internet home pages, as well as other electronic sites (such as social networking sites like Yelp, Facebook, Twitter, LinkedIn, blogs and other applications). Currently Franchisee is authorized to participate on Facebook, Twitter and Yelp. Other than Facebook, Twitter and Yelp Franchisee shall not establish a Website on the Internet using any domain name containing the words listed above or any variation thereof. The Franchisee acknowledges that we have all right, title and interest in and to such domain names, as we shall designate in the Operations Manual. Franchisee must comply with our requirements regarding discussing, advertising or disseminating any information, or otherwise having a presence on a Website, regarding the Restaurant. If we approve a separate Website (which we are not obligated to do), then each of the following provisions will apply: (i) Franchisee may neither establish nor use any Website without our prior written approval; (ii) before establishing any Website, Franchisee must submit to us, for our prior written approval, a sample of the proposed Website, including its domain name, format, visible content (including, without limitation, proposed screen shots), and non-visible content (including meta-tags), in the form and manner we may require; and all such work must be performed by us, our affiliates or approved vendors; (iii) Franchisee must not use or modify a Website without our prior written approval; (iv) Franchisee must comply with the standards and specifications for Websites that we may periodically prescribe in the Operations Manual or otherwise in writing; and (v) if we require, Franchisee must establish hyperlinks to our Website and other Websites; and (vi) Neither Franchisee nor any of its employees shall post any information regarding us, our members, managers, officers, or employees, or the System, on any Website or any internet site, without our prior written approval, nor any disparaging statement either during or after termination or expiration of the Agreement. Further Franchisee shall monitor its employees to prevent them from making any such postings. We retain the right to

pre-approve Franchisee's use of linking and framing between the Franchisee's web page and all other Websites. The Franchisee shall within five (5) days, dismantle any blogs, frames and links between the Franchisee's web pages and any other Websites and cause any advertisements to be removed, if and as requested by us.

We may provide Franchisee, subject to certain terms and conditions, with options, rights of first refusal or similar rights to acquire additional franchises in other areas or areas contiguous to the Territory or Non-Traditional Location. Franchisee's Territory or the parameters of its Non-Traditional Location may be altered during the initial term, but only: (i) by mutual consent in writing; (ii) at the time of transfer or renewal as a condition to transfer or renewal; or (iii) for any default of this Agreement which triggers our ability to terminate as described above.

VII. TERM AND RENEWAL OF AGREEMENT

A. Term

The franchise herein granted for a Smoking Pig BBQ Restaurant, shall be for a term of ten (10) years from the date of execution and acceptance (the "Effective Date") of this Agreement by us and subject to earlier termination as herein provided.

B. Renewal

Franchisee shall have the option to renew this Agreement for up to two (2) additional terms of ten (10) years each, provided we are still offering franchises at that time, and further subject to the following conditions, all of which must be met prior to renewal:

1. Franchisee shall give us written notice of its election to renew not more than twelve (12) months and not less than six (6) months prior to the end of the then current term. We will respond to Franchisee's written notice to renew no later than thirty (30) days after receipt of such notice by email or any other form of written communication;
2. Franchisee must not be in default under any provision of the Agreement, any amendment hereof or successor hereto, or any other agreement between us and Franchisee, and Franchisee shall have complied with all the terms and conditions of all such agreements during the terms thereof;
3. Franchisee's right to renew is contingent on satisfactory performance of and full compliance with this Agreement and any renewal agreement. We may refuse to renew or extend the Franchise if: (a) Franchisee has failed to use its best efforts to operate the Franchised Business to our satisfaction; (b) the Franchise is terminable by law or under this Agreement; (c) Franchisee fails to give timely written notice of its exercise of its renewal option; (d) we are withdrawing from franchising in the geographic market Franchisee serves; (e) Franchisee fails to satisfy our then-current standards for new franchisees or (f) Franchisee is in default of this Agreement;
4. Franchisee shall have satisfied all monetary obligations owed by Franchisee to us and our affiliates, and shall have timely met these obligations throughout the previous term;
5. Franchisee shall execute, before the renewal term, our then-current form of Agreement, which agreement shall supersede this Agreement in all respects, and the terms of which may materially differ from the terms of this Agreement. We will charge Franchisee a flat

five thousand dollar (\$5,000) fee to renew and renewal may be for the same protected area or Non-Traditional Location as outlined in Section VI (if applicable), above;

6. Franchisee shall comply with our then-current qualification and training requirements;
7. Franchisee must execute a general release, in a form prescribed by us releasing any and all claims against us and our affiliates, and their respective owners, officers, directors, agents and employees, if such release is not in conflict with any local, state or federal laws; and
8. Franchisee shall upgrade, remodel and/or refurbish the Restaurant (both inside and outside) and maintain all vehicles in order to meet our then-current standards. Franchisee will update all signage (including vehicle graphics) and all kitchen equipment, furnishing, fixtures, technology items (such as: computers or laptops, POS system, flat screen televisions, camera surveillance systems, security alarm system, sound system, phone system, etc.) located at the Restaurant to meet our then-current requirements. Franchisee will complete all remodeling, modernization, redecoration, or replacements at Franchisee's expense in accordance with our standards and specifications.

VIII. FRANCHISEE'S INITIAL INVESTMENT

The Franchisee's initial investment will vary depending upon the size of the Restaurant, build out expenses, size of Franchisee's facility, amount of kitchen equipment Franchisee leases or purchases, if Franchisee chooses to lease or purchase its POS system, if Franchisee purchases a new or used vehicle, amount of inventory Franchisee purchases, number of employees Franchisee hires, time of year when Franchisee starts business, implementation of a marketing plan, Franchisee's management skills, economic conditions, competition in the surrounding area and other factors.

Franchisee hereby certifies that he or she has reviewed the estimated initial investment and start-up costs as detailed in the Franchise Disclosure Document and has sufficient cash resources available to meet said expenses. These start-up costs include the Initial Franchise Fee.

IX. FRANCHISEE'S INITIAL FRANCHISE FEE

A. Initial Franchise Fee and Payment

By executing this Franchise Agreement, the applicant agrees to become a Franchisee and pay an Initial Franchise Fee in the amount of twenty five thousand dollars (\$25,000) for a Smoking Pig BBQ Restaurant. This Initial Franchise Fee includes a license to operate a single Smoking Pig BBQ Restaurant in a Territory that is up to five (5) miles driven in any direction from the Restaurant determined by boundaries as described in Section VI of this Agreement; or, if Franchisee chooses, within a Non-Traditional Location that is site specific. The Initial Franchise Fee includes an affiliate web page housed within our national website that may include access to franchise portals online, a four (4) week initial training program at corporate headquarters, manuals and up to five (5) days of onsite guidance for either pre-opening or grand opening assistance.

The Initial Franchise Fee per this Agreement is due upon execution of this Franchise Agreement. The Initial Franchise Fee is uniform as to all persons currently acquiring a Franchise, and is non-refundable. The Initial Franchise Fee shall be paid in a lump sum in United States funds and shall be deemed fully earned upon the opening of the Business for the deliverables as described above in Section IX.A.

B. Time Limit for Opening the Restaurant

The Franchisee shall maintain the Restaurant in accordance with the provisions and requirements of Section XII hereof and must secure a lease that has been approved by us (as described in Section XII.S) within one hundred and twenty (120) days of the execution of this Franchise Agreement (“Effective Date”) and open the Restaurant for operation (the “Opening”) within two hundred and seventy (270) days from the date of execution of this Franchise Agreement. The Opening requires that Franchisee has qualified for and has obtained all necessary licenses and permits needed to sell Products and perform Services. We may, in our discretion, grant Franchisee one sixty (60) day extension past the allotted time within which to secure a lease and/or open the Restaurant.

Upon Franchisee’s failure to (i) agree on a Territory (unless operating in a Non-Traditional Location) and/or acquire a lease within one hundred and twenty (120) days from the Effective Date; and/or (ii) timely satisfy the Opening requirement within two hundred and seventy (270) days from the Effective Date; then we may, at our sole discretion, terminate the Franchise and this Agreement and retain all fees paid by Franchisee, without breach of this Agreement by us as specified in Section XXIII.C.

During the term of this Agreement, the Accepted Location shall be used exclusively for the purpose of operating a Franchised Business and shall be located within the Territory or Non-Traditional Location. In the event the Restaurant shall be damaged or destroyed by fire or other casualty, or be required to be repaired, Franchisee shall commence the required repair of the Restaurant within thirty (30) days from the date of such casualty or notice of such governmental requirement (or such lesser period as shall be designated by such governmental requirement), and shall complete all required repairs as soon as possible thereafter, in continuity, but in no event later than ninety (90) days from the date of such casualty or requirement of such governmental notice. The minimum acceptable appearance for the refurbished Restaurant will be that which existed just prior to the casualty; however, every effort should be made to have the refurbished Restaurant include the then-current image, design and specifications of a Smoking Pig BBQ business.

As between us and the Franchisee, the Franchisee shall bear the entire risk of any damage, loss, theft or destruction to the Restaurant from any cause whatsoever or requisition of the Restaurant by any governmental entity or the taking of title to the Restaurant by eminent domain or otherwise (collectively, “Loss”). The Franchisee shall advise us in writing within ten (10) days of any such Loss. No such Loss shall relieve the Franchisee of the obligation to pay Royalty Fees and all other amounts owed hereunder. In the event of any such Loss, we, at our option, may: (a) if the Loss has not materially impaired the Restaurant (in our reasonable Business Judgment), require that the Franchisee, upon our demand, place the Restaurant in good condition and repair reasonably satisfactory to us as mentioned above; or (b) if the Loss has materially impaired the Restaurant and it is substantially destroyed, (in our sole judgment), we may require the Franchisee to repair the existing Restaurant or find an alternative location within the Territory and be operational within ninety (90) days or soonest possible timeframe according to Franchisee’s lease. We may extend this period an additional thirty (30) days at our discretion and failure of Franchisee to comply may result in termination of this Agreement. Upon termination, the Franchisee must return to us the System (including all materials), and we have the first right of refusal to purchase all Assets (as described in Section XXIV.G), but any such purchase price will be reduced to account for the Loss the Franchisee incurred.

It is understood and agreed that, except as expressly provided herein, this Agreement includes no right of Franchisee to sub franchise, which means for the Franchisee to act as a seller of Smoking Pig BBQ franchises.

C. Cooperation Required

Franchisee shall cooperate reasonably with us to ensure that the various actions occur which are necessary to obtain acceptance by us of the Restaurant location. In particular, Franchisee shall furnish any pertinent information as may be reasonably requested by us regarding Franchisee's Restaurant and finances.

D. Establishing Additional Franchise Businesses

If Franchisee desires to establish and operate additional Smoking Pig BBQ businesses, we may in our sole discretion, grant Franchisee a license to operate a second Restaurant (and any additional Restaurants thereafter) for a reduced Franchise Fee of fifteen thousand dollars (\$15,000) each. Franchisee must meet minimum conditions: (a) Franchisee must satisfy our then-current qualifications and training requirements; (b) Franchisee must execute our then-current franchise agreement; and (c) the Franchisee must not be in default of any of the terms of this Agreement plus any other requirements to purchase an additional franchise.

X. **OTHER FEES**

A. Royalty Fees

In addition to the Initial Franchise Fee described in Section IX above, the following recurring or isolated payments are required to be made by the Franchisee. The Franchisee pays to us a "Royalty Fee" of five percent (5%) of total Gross Revenue for each week (for the previous week) and is to be received as we specify in writing. The Royalty Fee is due weekly by the end of the day each Tuesday (for the previous week) and begins immediately once the Restaurant is open for operation, then continues for the term of this Agreement. The Royalty Fee is uniform as to all persons currently acquiring a Smoking Pig BBQ Franchise and is nonrefundable. If the Franchise Agreement is terminated, Franchisee may be required to continue such royalty payments as described in Section XXIV.H.

As used in this Agreement, "Gross Revenue" shall include all revenue accrued from the performance of services in, at, upon, about, through or from the Restaurant, whether for cash or credit and regardless of collection in the case of credit, and income of every kind and nature related to the Restaurant including but not limited to revenues generated from: the sale, delivery and performance of all Products and Services from the Accepted Location, insurance proceeds and/or condemnation awards for loss of sales, profits or business; and fair market value for any product or service Franchise receives in barter or exchange for products or services it receives. The sale of Products and performance of Services away from the Accepted Location (such as at off-site events) is also included in computing Gross Revenue. However, Gross Revenue shall not include: (i) revenues from any sales taxes or other add on taxes collected by Franchisee for transmittal to the appropriate taxing authority; (ii) gratuities paid by customers to Franchisee's employees; (iii) the amount of refunds and/or voided transactions under half percent (½ %) of Gross Revenues Franchisee in good faith gives to customers and customer refunds of previous payments Franchisee made; (iv) the retail value of any trade-outs, complimentary (free) Products and/or Services offered to customers or employees up to a maximum of two percent (2%) of Gross Revenues for the Restaurant; and (v) gift card sales Franchisee makes from its Restaurant. For clarity, in no event may Franchisee exclude or deduct from Franchisee's Gross Revenues more than the half percent (½ %) and two percent (2%) as described above. We have the right to change, modify or discontinue Franchisee's ability to exclude the amount of refunds and voided transactions and/or complimentary Products and/or Services, from Franchisee's Gross Revenue calculation for any reason whatsoever upon ninety (90) days' written notice to Franchisee.

Any payment or report not actually received by us on or before the specified date shall be deemed overdue. If any payment is overdue, in addition to the right to exercise all rights and remedies available to us under this Agreement, Franchisee shall pay us a fee of twenty-five dollars (\$25), in addition to the overdue amount, interest on such amount from the date it was due until paid at the rate of one and one half percent (1.5%) per month or the maximum rate allowed by the laws of the State in which Franchisee's Restaurant is located or any successor or substitute law (referred to as the "Default Rate"), until paid in full.

B. System Advertising Fee

Franchisee will pay a System Advertising Fee equal to one percent (1%) of Gross Revenues per week to be paid in the same manner as the royalty obligation that begins immediately once the Restaurant is open for operation and continues for the term of the Agreement (as defined in Section X.A). We can increase the System Advertising Fee and such increase will not exceed three percent (3%) of Franchisee's Gross Revenues in any calendar year (and for the term). If we increase the System Advertising Fee, Franchisee will be given ninety (90) days' notice prior to such increase.

The System Advertising Fee is to be received by us by the end of the day each Tuesday for the previous week's Gross Revenue (as defined above in Section X.A). This fee will be deposited into our System Advertising Account (the "Fund") for ongoing technology or new product development (including recipes and menu items) or kitchen equipment development, and such national advertising or public relations programs as we, in our sole discretion, may deem appropriate to promote the Marks. The Fund may also be used for local franchisee group advertising or marketing and Franchisee advisory council expenses; local, regional, national or international advertising or marketing; administration of advertising and marketing (including salaries, accounting, collection, legal and other costs), related expenses and any media (including media production costs) or agency costs. We will direct all such programs, and will have sole discretion over the creative concepts, materials, endorsements and media used in such programs, and the placement or allocation of such programs. We reserve the right to determine in our sole discretion the composition of all geographic territories and market areas for the implementation and development of such programs. Smoking Pig BBQ restaurants owned or operated by us or our affiliates will contribute on the same basis to the Fund.

We may disclose the identity of vendors who pay promotional allowances to us upon request and only after Franchisee's signing an appropriate non-disclosure agreement. If we require Franchisee to buy items from a vendor who pays these allowances, we may do one of the following: (i) place all or some of the allowances in the Fund or (ii) spend them directly on related advertising. This does not apply to fees we receive from purchases that are not required to be made from a specified source. We are not obliged to spend more on advertising and marketing than the amount of the Fund. Any unspent balance in the Fund at the end of the year may be carried over to later years and used for the purposes described in this Agreement. Neither we nor any of our advisory council members has any fiduciary duty to the Franchisee regarding any System Advertising Fund.

Franchisee's failure to pay required System Advertising Fees is a material breach of this Agreement, subjecting Franchisee to all remedies at law and as set forth in this Agreement. We may remove Franchisee from advertising or marketing materials without notice if Franchisee fails to timely remit its System Advertising Fee.

C. Local Advertising Fee

Franchisee must spend a minimum of one thousand dollars (\$1,000) per calendar month on local advertising and promotion, in addition to payment of the System Advertising Fee required above. We shall have the right to approve or disapprove any advertising proposed for use by Franchisee. Franchisee

will spend at least three thousand dollars (\$3,000) on “grand opening” marketing and promotion within the first two (2) months that its Restaurant is open for operation; therefore, the Local Advertising Requirement for Franchisee will start at the beginning of the third (3rd) month after its Restaurant is open for operation. For clarity the Franchisee’s Local Advertising Requirement will start on the Franchisee’s third (3rd) month of operation. Franchisee may choose to advertise the Business any way it chooses so long as such advertisements and marketing materials are approved by us (as described in Section XII.L) and are in the format as specified in our Operations Manual.

D. Electronic Funds Transfer

We reserve the right to require Franchisee to remit fees and other amounts due to us hereunder via electronic funds transfer or other similar means utilizing our approved computer system or otherwise. If we notify Franchisee to use such payment method, Franchisee agrees to comply with procedures specified by us and/or perform such acts and deliver and execute such documents including authorization, in the form attached to this Agreement as Schedule 1 “Authorization Agreement for Prearranged Payments” for direct debits from Franchisees’ business bank operating account, as may be necessary to assist in or accomplish payment by such method. Under this procedure, Franchisee shall authorize us to initiate debit entries and/or credit correction entries to a designated checking or savings account for payments of fees and other amounts payable to us and any interest and related processing fees charged due thereon. Franchisee shall make funds available to us for withdrawal by electronic transfer no later than the due date for these payments. If Franchisee has not timely reported its Gross Revenue to us (as defined in Section X.A) for any reporting period, then we shall be authorized, at our option, to debit Franchisee’s account in an amount equal to (a) the fees transferred from Franchisee’s account for the last reporting period for which a report of the Restaurant’s Gross Revenue was provided to us as required hereunder or (b) the amount due based on information retrieved from our approved POS or computer system (whichever is greater).

E. Technology and Software Fees

Franchisee will be required to use specific point of sale “POS” system and software for the operation of the Restaurant and must use our approved vendors for such system and software. The POS technology and software are specific to the restaurant industry that tracks the sale of all menu items and products, incorporates contact management, inventory management and reporting functionality. The current technology fee is for POS support, the usage of the software in addition to ongoing software support and is currently three hundred and sixty to three hundred and seventy-five dollars (\$360-\$375) per month for up to five (5) stations and an additional one hundred and twenty dollars (\$120) per month for each additional station Franchisee has in its Restaurant and is paid to us, our affiliates or approved vendors.

Franchisee is also required to use specific invoice management and accounting software for the operation of its Restaurant. The invoice management and accounting software is specific to the restaurant industry that: tracks and records purchases, calculates food cost, manages vendors, incorporates report functionality and integrates with other third-party accounting software. The fee for the usage and support of this invoice management and accounting software is currently two hundred and twenty-five to two hundred and forty dollars (\$225-\$240) per month for unlimited users at its Restaurant and is paid to us, our affiliates or approved vendors.

In addition, Franchisee is also required to use specific catering and sales management software for the operation of its Restaurant. The fee for the usage and support of this catering and sales management software is currently

It is Franchisee's responsibility to install, maintain and upgrade any hardware necessary to operate the POS system including networking and software at its own expense. The use of the POS software, invoice management software and catering and sales software as described above, may require Franchisee to sign a third-party license agreement. Franchisee will have sole authority and control over the use of such software, day-to-day operations of the Restaurant and its employees. At no time, will Franchisee's employees be deemed to be employees of ours. Franchisee acknowledges that technology and software fees may be changed in response to any increase in the United States Consumer price Index; if we, our vendors or the manufacturers of such technology and/or software make more functionality and/or features available; or if we or our vendors believe that conditions in the overall economy or in the market for such software functionality warrant any change in fees. We, at our sole discretion, may change such software requirements (including fees, programs, codes and/or vendors) at any time and will provide Franchisee with ninety (90) days' written notice to implement such changes. Franchisee acknowledges that Franchisee must comply with such changes in software requirements at its own expense. If Franchisee fails to use our approved POS system and software described above and/or fails to comply with our technology and software fee requirements as stated above, such failure will be deemed a material breach of this Agreement subjecting Franchisee to all remedies at law and as described in Section XXIII.C of this Agreement.

Music subscription fees are non-refundable. It is Franchisee's responsibility to install and upgrade any equipment and software required for such music subscriptions for its Restaurant. We, at our sole discretion, may change such music subscription requirements at any time and will provide Franchisee with ninety (90) days' written notice to implement such changes, however Franchisee recognizes that we have no control if our approved vendors increase the monthly and annual subscription fees as outlined above. Franchisee acknowledges that Franchisee must comply with such changes in music subscription requirements at its own expense. If Franchisee fails to comply with our music subscription requirements within the timeframe stated above, such failure may be deemed a material breach of this Agreement subjecting Franchisee to all remedies at law and as set forth in this Agreement.

G. Security Alarm Fee

Franchisee is required to use a professional security alarm monitoring service for its Restaurant. It is Franchisee's responsibility to find, hire and manage its security alarm system (this includes installing all necessary security alarm monitoring equipment necessary at its expense). To maintain the highest degree of quality and service, we reserve the right to charge Franchisee two thousand five hundred dollars (\$2,500) inspection fee if we or our affiliates inspect the Restaurant and it does not pass the inspection for a second time in any two (2) year period. Any requests for changes, edits or updates to Franchisee's web page or any type of website promotion over the Internet must be approved by us in writing and the work is to be performed by either us, our affiliates or approved vendors. We shall approve or deny Franchisee's request, which approval is in our sole discretion, within thirty (30) days of receipt of Franchisee's written request by email or any other form of written communication. We may change such web page maintenance, update and promotion requirements, at our sole discretion, and Franchisee shall have ninety (90) days after receipt of our written notice within which to adhere to the new web page maintenance, update and promotion requirements at Franchisee's expense, without any liability to us. If Franchisee fails to comply with our web page maintenance, update and promotion requirements within the timeframe mentioned above, such failure may be deemed a material breach of this Agreement subjecting Franchisee to all remedies at law and as set forth in this Agreement.

K. Product, Vendor and Equipment Assessment Fee

Franchisee must obtain our written approval for such products, vendors or suppliers and any type of equipment Franchisee wishes to offer or use in its Restaurant (as described in Section XII.I of this Agreement). Our standards may exceed the requirements of said laws and regulations. In addition, Franchisee must maintain an above average rating or score for all health department inspections and failure to do so may result in termination as described in Section XXIII.C.

Franchisee must not use unethical or illegal tactics to recruit employees. Franchisee shall properly hire Employees per our guidelines and standards (subject to applicable employee protection laws) which may include carefully screening Employees by the use of background checks before employing them, to ascertain fitness for employment, subject to Franchisee's local and states laws. Specifically, Franchisee is strongly encouraged to use its best efforts, including taking every action required by applicable laws especially related to criminal background checks of persons working in the Business, to ensure that no person is employed who has a record of theft, child molestation or abuse, immoral conduct, drug, alcohol or substance abuse; criminal behavior or any other pattern of conduct which might jeopardize the welfare of the customers or reflect adversely on our reputation or the System (if Franchisee chooses to perform background checks). Franchisee will indemnify us (as described in Section XVIII) for all claims arising out of or relating to Franchisee's Employees and Franchisee's hiring, firing and discipline decisions regarding employees including payment of wages, overtime and any applicable benefits, as well as failure of Franchisee to utilize background checks on any potential employee.

Franchisee will require its Employees to wear uniform dress bearing one or more of the Marks while working at the Restaurant and shall be of such design and color as we may prescribe from time to time, as set forth in the Operations Manual.

Franchisee will keep us advised, in writing, of all management and non-management personnel involved in the operation of the Restaurant.

G. Open Restaurant within Time Limit

Time is of the essence. Franchisee must secure a lease within one hundred and twenty (120) days of the execution of this Franchise Agreement and open the Restaurant for operation within two hundred and seventy (270) days of the date of execution of this Franchise Agreement that includes having obtained our approval prior to opening, subject to Section IX.B of this Agreement. Franchisee must prepare and sell all Products, offer approved Services, adhere to our sequence of service, serve customers and operate the Restaurant in strict conformity with such standards, techniques, and operational procedures as we may from time to time prescribe in the Operations Manual, or otherwise in writing, and shall not deviate without our prior written consent. Franchisee also agrees to purchase all kitchen equipment (as defined in Section XII.I) and technology items (such as: computers or laptops, POS system, flat screen televisions, camera surveillance systems, security alarm system, sound system, phone system, etc.) and to operate, service, repair, maintain and clean all such items according to our standards as outlined in the Operations Manual. Franchisee must keep all kitchen equipment and technology items in clean and good working order at all times and purchase only approved parts to repair its kitchen equipment and technology items from our approved vendors and suppliers. All maintenance to the kitchen equipment and technology items that cannot be completed by Franchisee must be performed by our approved vendors. Unless otherwise agreed by us in writing, in no event shall Franchisee use any piece of kitchen equipment or technology item that is more than ten (10) years old. Franchisee agrees to replace all kitchen equipment and technology items at Franchisee's expense as such items (i) become obsolete or inoperable; or (ii) if, in our sole discretion, replacement is necessary because of new functionality, change in software, change in methods of service or because of health or safety considerations. Franchisee has ninety (90) days after Franchisee receives written notice from us to either remove or replace such kitchen equipment or technology item. Failure of Franchisee to remove, replace and/or maintain its kitchen equipment and/or technology items as described above may result in termination as described in Section XXIII.C of this Agreement.

Franchisee is required to use, sell and offer only approved Products and Services which meet our standards of quality and which we have approved in writing to be offered in connection with the Restaurant. Products that Franchisee is authorized to use is described in Section XII.I of this Agreement. Due to the nature of our business model, all Products must be prepared Franchisee's Accepted Location and all Services performed within its Territory or the parameters of its Non-Traditional Location. All Services must be performed from the Accepted Location and must be executed according to our standards within the Franchisee's Territory or within the parameters of its Non-Traditional Location, unless otherwise approved by us in writing (as described in Section VI). Franchisee is also not permitted to sell Products, offer or promote Services (other than through third-party mobile app platforms) through any alternative channels of distribution whether known or hereinafter invented. If authorized by us, all Products sold through an alternative channel of distribution must be prepared and sold only from Franchisee's Accepted Location or prepared and sold from the parameters of Franchisee's Non-Traditional Location. Any attempt by Franchisee to (i) prepare Products at any other location or perform Services from any other location other than the Accepted Location as identified in Section VI of this Agreement; or (ii) sell Products not approved by us through any alternative channels of distribution, other than menu items through third-party mobile app platforms, will result in termination of this Agreement as specified in Section XXIII.C.

Prior to opening the Restaurant for operation, Franchisee must adequately supply its Restaurant with an assortment of kitchen equipment, products and supplies (as described in Section XII.I) and use such items in accordance with our specifications. Franchisee is also required to offer any proprietary

rewards programs (“Loyalty Programs”) we have and may establish in the future. The Loyalty Programs are repetitive use programs for customers that provide incentives for number of visits or incentives after so many points are acquired relative to dollars spent and also geared towards building brand awareness. Franchisee agrees to discontinue offering any Products, Services and programs which we may, in our sole discretion, disapprove in writing at any time. There are no limits on our right to change, modify or discontinue any Product, Service or program Franchisee is authorized to offer in its Restaurant. We will provide Franchisee with a written list of Products, Services, programs and other promotional programs Franchisee is required to offer during the initial training program. Nothing in this Agreement shall be construed to be a promise or guarantee by us as to the continued existence of a particular Product, Service, or program; nor shall any provision herein imply or establish an obligation on our part to reinstate any Product, Service or programs discontinued by us or for any liability to Franchisee for any loss revenue incurred by Franchisee as a result of our decision to discontinue a particular Product, Service or program. We will provide Franchisee with ninety (90) days’ notice to implement such Product, Service or program changes and Franchisee agrees to immediately comply with such changes at its own expense. We may periodically meet with a representative group of franchisees and solicit their input prior to discontinuing any Product, Service or programs.

Franchisee agrees to prepare and offer such Products and Services in the manner and style we specify, which may, from time to time, be amended or modified in writing (email or any other form of written communication), designated and approved by us. Franchisee must prepare all Products from its Accepted Location in accordance with our recipes, food preparation standards, methods, techniques, processes and presentation standards; and follow our sequence of service standards as designated by us which may, in our sole discretion, change from time to time. However, upon our written approval, Franchisee has the flexibility to add any Product that is specific to its geographic area as long as the Product complies with our standards as specified in the Operations Manual. We will respond to Franchisee’s request to implement a Product within thirty (30) days from the date the request is received, and we will respond by email or any other form of written communication. We have the right to require, as a condition of our approval and review, that Franchisee submit to us all materials and supporting documentation describing such Product that Franchisee wishes to offer in its Restaurant. Franchisee shall pay the cost of such investigation for approval (if applicable) and we shall not be liable for denying Franchisee’s request. We may revoke our approval in our sole discretion where such Product no longer adheres to our standards as specified in the Operations Manual. Franchisee acknowledges that all food preparation, recipes, techniques, processes and presentation, customer service and sequence of service standards are integral to the System and failure to adhere to such food preparation, recipes, techniques and processes, customer service and sequence of service standards are detrimental to the System. Franchisee must not deviate from our required procedures for preparing food, recipes, techniques, processes, presentation, customer service and sequence of service standards; or use non-conforming items or differing amounts of any items without first obtaining our written request. Failure of Franchisee to (i) use, sell, offer, change, modify or discontinue any Product, Service or program; (ii) adhere to our food preparation standards, recipes, techniques, processes and presentation standards; and/or (iii) adhere to serving customers according to our sequence of service standards as outlined above will result in termination of this Agreement as specified in Section XXIII.C.

Franchisee agrees to fully comply with all mandatory specifications, standards, operating procedures and rules in effect which may change from time to time relating to: safety, maintenance, cleanliness, sanitation, usage of software, performing Services, professional laundry services, security alarm monitoring services, commercial free music subscriptions, function and appearance of the Restaurant and its kitchen equipment, décor and signage (including vehicle graphics). Nothing in this Agreement shall be construed to imply or establish an obligation on our part to incur any liability to Franchisee for any loss of revenue incurred by Franchisee as a result of our decision to change, modify or discontinue our specifications, standards, operating procedures. Franchisee agrees that we have the right, in our sole discretion, to change, modify, add or discontinue any such specifications, standards and

operating procedures. We will provide Franchisee with ninety (90) days' notice to implement such specifications, standards and operating procedure changes and Franchisee agrees to immediately comply with such changes at its own expense. Failure of Franchisee to adhere to our: requirements for performing Services (as described above), specifications, standards and operating procedure requirements, as described above, may result in termination as described in Section XXIII.C of this Agreement.

Franchisee must have a reliable pickup truck, box van or sports utility vehicle and can use any type of new or used pickup truck or sports utility vehicle (referred to as "Vehicle") to travel to perform catering and delivery services (if Franchise chooses to perform delivery services itself rather than use a third-party mobile app platform delivery service provider as described in Section VI of this Agreement). Franchisee can use or purchase any type of used or new Vehicle so long as such Vehicle meets our appearance standards. We require that any Vehicle Franchisee operates must not be more than twenty (20) years old, unless otherwise approved in writing by us, and must meet our appearance standards as specified in the Operations Manual. We will provide Franchisee with Vehicle appearance standards and Franchisee is responsible for the cost of the Vehicle and installation of all vehicle graphics. Vehicle graphics must be purchased from us, our affiliates or approved vendors or suppliers. Franchisee must maintain the Vehicle as outlined in Section XII.U of this Agreement.

Franchisee must accept credit cards and debit cards and other types of payments as specified by us, which may change from time to time. Franchisee shall also offer for sale, and will honor any incentive, coupon or gift cards or Loyalty Programs (as described above), which we may institute from time to time, and Franchisee shall do so in compliance with our standards and procedures for such programs to the extent permitted by the laws of the Franchisee's state. These programs may include, without limitation, membership programs, repetitive use for service programs, co-op programs and other local and national activities. Franchisee's full and complete participation in such programs are required. Except as otherwise provided herein, compliance and participation shall be at Franchisee's expense.

Franchisee must respond promptly to all inquiries and complaints in order to achieve customer satisfaction as specified in the Operations Manual. If Franchisee does not provide customers with satisfactory service and/or fails to resolve complaints at the time complaint is registered or if Franchisee violates operating standards or this Agreement, we may, in addition to our other remedies, complete the services and bill the Franchisee for such services. Franchisee shall reimburse us for any expense incurred. In addition, there may be other System oriented programs designed to promote to the public the quality care and service that we may wish to implement on a system-wide basis and advertise and market. Franchisee shall be required to participate in the then-current specials or promotions as may be developed by us and as may be modified periodically by us, in our sole discretion.

We may institute various programs designed to verify customer satisfaction and/or Franchisee's compliance with all operational and other aspects of the System, including (but not limited to) a toll-free number, online surveys, customer comment cards, secret shoppers or otherwise. We will share results of such programs as they pertain to Franchisee's Restaurant, with Franchisee and Franchisee will reimburse us for all costs associated with any and all such programs in the event that Franchisee is not in compliance with this Agreement and the System.

Franchisee recognizes that one of our primary methods of communication with franchisees is through email, newsletters and/or memos we may periodically publish and an intranet system we may provide to franchisees on our website. Franchisee is responsible for knowing all the information contained in the emails, newsletters, memos and the intranet system and complying with any standards and specifications provided within them. We may establish and change the specifications, standards and/or procedures for the operation of the Restaurant through our emails, newsletters, memos and intranet system. If we establish an intranet system, we will have no obligation to maintain the intranet

system indefinitely and may dismantle it at any time without notice and without liability to Franchisee and the following will apply:

- (1) We will establish policies and procedures for use of the intranet system. These policies, procedures and other terms of use may address issues such as (i) restrictions on the use of abusive, slanderous or otherwise offensive language in electronic communications; (ii) restrictions on communications between or among franchisees that endorse or encourage breach of any agreement with us; (iii) confidentiality of materials that we transmit; (iv) password protocols and other security procedures; (v) grounds for suspending, or revoking Franchisee's access to the intranet system; and (vi) a privacy policy governing our access to and use of electronic communications that franchisees submit on the intranet system. Franchisee acknowledges that as administrator of the intranet system, we can access and view any communication that anyone posts on the intranet system. Franchisee further acknowledges that the intranet system and all communications that are posted to it will become our property, free of any claims of privacy or privilege that Franchisee or any other person may assert.
- (2) Upon receipt of notice from us that the intranet system has become operational, Franchisee agrees to purchase and install all necessary additions to their computers and to establish and continually maintain electronic connection with the intranet system that allows us to send messages to and receive messages from Franchisee. Franchisee's obligation to maintain connectivity with the intranet system will continue until expiration or termination of this Agreement.
- (3) We may use part of the System Advertising Fund that we collect under this Agreement to develop, maintain and further develop the intranet system.

We may require Franchisee to join and participate in various industry specific local or national associations. Such associations may include but are not limited to the Better Business Bureau Association and Chamber of Commerce. These associations may be deemed invaluable and necessary for the continued growth of the Restaurant. Franchisee's full and complete participation in such programs and associations are required. Except as otherwise provided herein, compliance and participation shall be at Franchisee's expense, including membership fees and related costs.

In the marketing and operation of Franchisee's Restaurant, Franchisee will use each of, and only, the take-out menus, contracts, waivers and/or other forms and/or materials as are designated by us periodically. However, Franchisee may stay subject to the landlord's lease as it may apply to the items in the prior sentence, as long as the lease contains all of the terms and conditions required by this Agreement; the lease is adjusted to accommodate this Agreement (ideally the lease is coterminous with this Agreement but not required); and Franchisee may execute its lender's standard promissory note, personal guaranty and security agreement provided that the terms and conditions of any promissory note, personal guaranty and security agreement do not affect or impair this Agreement, or any of our rights or remedies under this Agreement. If Franchisee has two or more Owners or it is an Entity, then Franchisee must submit a copy of its Operating Agreement, Partnership Agreement, or Shareholders Agreement and bylaws, as applicable for our review prior to execution as specified in Section XII.R of this Agreement.

All advertising, promotions and public relations by Franchisee in any medium shall be conducted in a dignified manner and shall conform to our standards and requirements as set forth in the Operations Manual. Franchisee shall have the right to sell Products and offer Services at any prices or rates Franchisee may determine, except that we reserve the right to establish minimum and maximum prices for any given Product or Service system wide to the extent allowed by federal and state laws. To clarify, Franchisee agrees that we have the right, in our sole discretion, to establish minimum and maximum prices for any Product or rates for any Service system wide, temporarily (for a limited period of time), in

specific geographic areas or in conjunction with any promotional and/or marketing program so long as such decisions are made with the honest belief that the measure we are adopting will help everyone in the System meet competition and succeed in the marketplace. Franchisee is prohibited from heavily discounting Products and Services offered for sale and must adhere to our minimum and maximum pricing guidelines, except as otherwise provided by applicable federal or state laws. If Franchisee elects to sell or offer any Product or Service at any price or rate recommended by us, Franchisee acknowledges that we have made no guarantee or warranty that offering such Products or Services at the recommended price or rate will enhance Franchisee's revenues, sales or profits. Franchisee shall participate in and comply with all sales, promotional programs, marketing programs and/or product promotions promulgated by us periodically.

I. Use Approved Products, Supplies, Kitchen Equipment, Vendors and Suppliers

Franchisee acknowledges that we have spent considerable time in developing the Products, Services, standards, processes, methods and technology used in the operation of a Smoking Pig BBQ Restaurant. Accordingly, Franchisee acknowledges that Franchisee is to use only approved products, supplies, kitchen equipment, vendors, suppliers and services that include, but are not limited to: ingredients (such as canned items, rice, beans, spice rubs, sauces, dressings, etc.), meats, chicken, fresh produce, fresh vegetables, dairy products, breads and pies; non-alcoholic beverage products (such as: carbonated drinks, flavored teas and coffee), supplies (such as small wares, paper goods, packaging materials, disposables and cooking supplies), kitchen equipment (such as: ovens, flat top grills, deep fryers, barbeque smokers, refrigeration units, etc.), furnishing and fixtures, technology items (such as: computers or laptops, POS system, flat screen televisions, camera surveillance systems, security alarm system, sound system, phone system, etc.), Vehicles, software, signage (including vehicle graphics), uniforms, merchant services, POS and technology support services, music service providers, security alarm providers, laundry service providers and printed advertising materials necessary for the operation of the Restaurant. Franchisee may be required to comply with our procedures for submitting orders for products and supplies, as we may periodically adopt. We may derive income through license fees, promotional fees, advertising allowances, rebates or other monies paid by approved vendors and/or suppliers. We do not know the precise basis of these payments because we have never previously collected them. If we require Franchisee to buy products, supplies or kitchen equipment from us, the price and quality will be comparable to similar products, supplies and kitchen equipment from other sources. We may take a portion of that income to spend on advertising or place in a separate franchise advertising account. If we require Franchisee to buy products, supplies, kitchen equipment or services from a vendor that pays such allowances, we may spend all such fees on related advertising or may place them in the advertising account Fund as described in Section X.B of this Agreement. If we don't require the purchase, we need not place such fees in a separate account or use them on advertising. Franchisee agrees that we may periodically and upon written notice, add to, modify or change such approved products, supplies, kitchen equipment, vendors and suppliers and there is no limit in our right do so. Franchisee promises to promptly accept and implement, in the operation of the Restaurant, all such additions, modifications and changes at Franchisee's expense. In addition, Franchisee acknowledges that:

1. We have spent considerable time designing the decoration and outfitting of a Smoking Pig BBQ restaurant with kitchen equipment, furnishing, fixtures, décor items and signage. This is part of our trade dress. Franchisee must purchase such items from us and/or our affiliates or approved vendors as specified in the Operations Manual and Section XII.T of this Agreement.
2. To insure the consistent high quality and uniformity of Products and Services provided by Smoking Pig BBQ Franchised Businesses, Franchisee must lease or purchase products, supplies, kitchen equipment and services (as described above) for use in the operation of a Smoking Pig BBQ Restaurant, from us, our affiliates or approved vendors who demonstrate

to our continuing satisfaction an ability to meet our standards and specifications. We are not liable to Franchisee for any loss or damage, or deemed to be in breach of this Agreement, if we, our affiliates or approved vendors and/or suppliers cannot deliver, or cause to be delivered, Franchisee's order of products, supplies or kitchen equipment where such items are out-of-stock or discontinued. Franchisee is prohibited from purchasing or leasing products, supplies, kitchen equipment and services from unapproved vendors and/or suppliers who are not on our approved list without our written approval. We shall approve or deny Franchisee's request, which approval is in our sole discretion, within thirty (30) days of receipt of Franchisee's written request. We will make such approval or disapproval by e-mail or any other form of written communication. Failure of Franchisee to purchase such items from us, our affiliates or approved vendors and/or suppliers and use such approved items in the operation of its Restaurant may result in termination of this Agreement as specified in Section XXIII.C of this Agreement.

3. In approving any vendor or supplier we may consider factors such as: price, quality, composition, performance, accuracy of product claims, durability, safety, technical specifications, frequency of delivery, design, service maintenance programs, determination of quality control, value, customer service strength, prompt attention to complaints, litigation against the supplier, reputation of supplier, any product recalls instituted by the United States Consumer Product Safety Commission, the supplier's financial strength and capacity to supply franchisee's needs promptly, reliably, and cost effectively. All vendors and suppliers must be approved in writing by us and may be disapproved by us anytime thereafter. If Franchisee desires to lease or purchase unapproved equipment, products, supplies or services from unapproved vendors, Franchisee shall submit to us a written request for such approval. We shall approve or deny Franchisee's request, which approval is in our sole discretion, within thirty (30) days of receipt of Franchisee's written request. Such approval or disapproval shall be made by email or any other form of written communication. We shall have the right to require, as a condition of our approval and review, that our representatives are permitted to inspect the facilities of the proposed vendor and that the proposed item is delivered to us or our designee for testing. The cost of such inspection and testing shall be paid by Franchisee, vendor or supplier and we shall not be liable for damage to or for the return of any sample and Franchisee may be responsible for the product, vendor and equipment assessment fee as described in Section X.K of this Agreement. We reserve the right, at any time, to re-inspect the facilities and to retest the product or kitchen equipment of any approved vendor and to revoke any approval if the vendor fails to continue to meet our high standards.
4. Franchisee will not make any claims against us or our affiliates with respect to any vendor and/or related supplier for products, supplies, kitchen equipment (as described above) or any other related products or supplies necessary for the operation of the Restaurant (and/or our designation of, or our relationship with, any vendor/supplier/products). WE MAKE NO WARRANTIES REGARDING ANY VENDOR EQUIPMENT, PRODUCTS OR SUPPLIES AND HEREBY DISCLAIM THE IMPLIED WARRANTY OF MERCHANTABILITY, THE IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, THE IMPLIED WARRANTY OF QUALITY OF COMPUTER PROGRAMS, THE IMPLIED WARRANTY OF SYSTEM INTEGRATION, AND THE IMPLIED WARRANTY OF INFORMATION CONTENT. WE MAKE NO WARRANTY THAT ANY VENDOR PROVIDED SOFTWARE WILL BE BUG FREE, VIRUS FREE, OR FREE OF TROJAN HORSES OR FREE OF WORMS. FRANCHISEE HEREBY AGREES THAT SUCH DISCLAIMER IS AN ESSENTIAL PART OF THE BARGAIN, AND THAT THE FRANCHISOR WOULD NOT HAVE ENTERED INTO THIS TRANSACTION ABSENT SUCH DISCLAIMER. The Franchisee must make any claim

with respect to any vendor-related and/or similar matters only against the vendor in question. Franchisee will provide us with written notice prior to taking any action in connection with such a claim. We will use diligent efforts to assist Franchisee in resolving any disputes with vendors approved and/or designated by us.

5. Franchisee will be required to use and offer for sale any and all privately labeled and branded merchandise or Proprietary Products developed by us, which will be listed in the Operations Manual. The term “Proprietary Products” is defined as all products, supplies, kitchen equipment, apparel, retail items or other merchandise for sale and marketing materials all of which may be branded with our Marks and all of which must be purchased by the Franchisee directly from us or our approved vendors, unless the Franchisee has submitted and received written approval from us to use an alternate supplier. Failure of Franchisee to use and/or offer for sale Proprietary Products will result in termination of this Agreement as specified in Section XXIII.C of this Agreement.
6. Franchisee acknowledges that we do not now but may in the future require Franchisee to maintain in inventory a minimum representation of kitchen equipment, products and Proprietary Products in its Restaurant. “Minimum Representation” shall be defined as the continuous maintenance of an amount of kitchen equipment, products and/or Proprietary Products meeting requirements as defined in the Operations Manual. Franchisee shall at all times comply with our Minimum Representation requirements, if any, and the terms of any auto-ship requirements (currently we do not have any auto-ship requirements, however we do require that Franchisee purchase updates for all advertising, promotional and marketing materials and miscellaneous forms when designated as mandatory by us and as specified in the Operations Manual). However, if a particular Product does not sell well in Franchisee’s Restaurant, Franchisee may request that a specific Product be removed from the required Minimum Representation list. We shall approve or deny Franchisee’s request, which approval is in our sole discretion, within thirty (30) days of receipt of Franchisee’s written request. We shall make such approval or disapproval by email or any other form of written communication.
7. Franchisee shall not make any changes to any Product, Proprietary Products or any third-party products or kitchen equipment including modifying kitchen equipment, changing the containers, packaging, labeling, promotional materials, advertising, cartons or the like without our or the manufacturer’s prior written approval, which may be withheld in the sole discretion of us or the manufacturer. Failure to adhere to these guidelines will result in termination of this Agreement as specified in Section XXIII.C of this Agreement.
8. Franchisee may not independently act as an exclusive distributor for any third-party vendor or secure any exclusive rights to distribute products, supplies, kitchen equipment and/or Proprietary Products or third-party products inside or outside the structure or adjacent structures where the Accepted Location is located without our written consent. We shall approve or deny Franchisee’s request, which approval is in our sole discretion, within thirty (30) days of our receipt of Franchisee’s written request. Failure to adhere to these guidelines will result in termination of this Agreement as specified in Section XXIII.C of this Agreement.
9. Franchisee shall not manufacture or produce any piece of equipment or any product that is similar to, or competes with any of our Products, Proprietary Products or third-party product or kitchen equipment, or in any channel of distribution selling similar products or kitchen equipment without our advanced written consent or the consent of the manufacturer, which may be granted or denied in our or the manufacturer’s sole discretion. Violation of this shall

be grounds for immediate termination as specified in Section XXIII.C of this Agreement.

10. Franchisee must inspect all kitchen equipment and products promptly upon receipt and may reject any kitchen equipment or product that fails in any material respect to conform to manufacturer's description (if applicable). Any kitchen equipment or product that has not been rejected will be considered accepted. Rejected kitchen equipment or products must be returned to the manufacturer within three (3) business days of the date on which manufacturer authorizes the return or as manufacturer specifies.
11. Notwithstanding anything to the contrary contained in this Agreement, Franchisee acknowledges and agrees that, at our sole option, we may establish strategic alliances or preferred vendor programs with national or regionally-known suppliers who are willing to supply all or some Smoking Pig BBQ restaurants with some or all of the products, supplies, kitchen equipment (as defined above) and/or other products or services that we require for use and/or sale in the development and/or operation of the Restaurant. In this event, we may limit the number of approved vendors with whom Franchisee may deal, designate sources that Franchisee must use for some or all of the above items and/or refuse any of Franchisee's requests to approve vendors or suppliers if we believe that this action is in the best interests of the System. We shall have unlimited discretion to approve or disapprove of the vendors who may be permitted to sell such items to franchisees.
12. Franchisee agrees to purchase, use, maintain and update at Franchisee's expense all technology items and software meeting our specifications, as we may modify them. Franchisee will be required to purchase such items from us, our affiliates or approved vendors. We reserve the right to have independent access to all information that Franchisee stores in any POS system, computer, tablet or software related to the Restaurant. Franchisee agrees to comply with our then-current Terms of Use and Privacy Policies and any other upgrade requirements regarding such items and software, including Internet usage. Supplier and/or licensor charges for use, maintenance, support and/or updates of and to the required systems are the Franchisee's responsibility.
13. We cannot estimate the future costs of the technology items (as described above) or required service or support, and although these costs might not be fully amortizable over this Agreement's remaining term, Franchisee agrees to incur the costs of obtaining such items (including any additions and modifications) and required networking and technology support services. We have no obligation to reimburse Franchisee for any technology item, software, networking or technology support costs. Within ninety (90) days after Franchisee receives notice from us, Franchisee agrees to obtain the technology item components and software that we designate and to ensure that Franchisee's technology items and software as modified, are functioning properly.
14. Franchisee may be required to use our proprietary software for the operation of the Restaurant (currently not in effect). If we develop proprietary software and require Franchisee to use such software, we will provide Franchisee with a ninety (90) day written notice to purchase (if applicable) and use such software for the operation of its Restaurant. If developed, we will provide all update and upgrade requirements for the proprietary software as necessary. The installation, maintenance, repairs and upgrade costs for the proprietary software will be the responsibility of the Franchisee. Usage of any propriety software ("Software"), if developed, will be subject to the following terms:
 - a. Franchisee will use our Software on a computer that: (i) meets our computer hardware specifications; and (ii) is located at your Restaurant or on a backup system

if the original computer is inoperable. Franchisee will be licensed to use our Software only for Franchisee's internal, in-house data processing and data communications purposes and only in connection with the Restaurant and not for re-marketing or redistribution under any circumstances;

- b. Franchisee acknowledges and agrees that we (or any of our affiliates) will be the sole and exclusive owner of all right, title and interest in and to our Software, including all trade secrets and copyrights related to the Software, subject only to the rights we expressly license to Franchisee in this Agreement. This license will not provide Franchisee with title or ownership of the Software, but only a limited right of use. Franchisee agrees that Franchisee will not contest or otherwise seek to share, diminish or invalidate our ownership rights in our Software;
- c. Franchisee will not modify the Software in any way without our prior written consent. Franchisee will promptly disclose to us all ideas and suggestions for modifications or enhancements to the Software that Franchisee conceives or develops, and we will have the right to use such ideas and suggestions. We shall own all copyrights and other intellectual property rights to all modifications and suggestions proposed by Franchisee. The term "all copyrights and other intellectual property rights" shall mean all means, methods, and process, by all media whether now known or hereinafter invested, including complete and entire interactive rights and rights to derivative works. This Agreement shall be a work for hire. In the event that a court of competent jurisdiction holds that this Agreement is not a work for hire, then the Franchisee agrees to execute all documents that we deem is necessary to assign all copyright and other intellectual property rights to us. All modifications or enhancements made to the Software will be our property and belong exclusively to us, without regard to the source or creator of the modification or enhancement, however we may provide incentive programs for such contributions;
- d. We will have the right at all times to access Software and to retrieve, analyze and use all the data related to the Restaurant in Franchisee's files stored on Franchisee's POS system, computers, tablets or any other device. Additionally, Franchisee will electronically transfer all files and reports related to the Restaurant to us on our request. All information related to the Restaurant that Franchisee stores in any POS system, computer or tablet shall become our confidential and proprietary information, and subject to all of the terms and conditions of this Agreement regarding our Confidential Information.
- e. Franchisee and Franchisee's employees will not make available the Software, or portions thereof, to any person other than Franchisee's or our employees without our prior written consent. Franchisee agrees that Franchisee will not: (i) copy the Software except as necessary for use in the Restaurant; (ii) translate, reverse engineer, reverse compile, disassemble, modify, alter, or change, or create derivative works based on the Software; or (iii) sublicense, rent, lease, sell, convey, assign, or otherwise transfer the Software or any portion thereof, or any rights therein, to any person or entity. Failure to adhere to these guidelines or allowing unauthorized usage of the Software may result in termination of this Agreement as specified in Section XXIII.C of this Agreement;
- f. Franchisee acknowledges and agrees that the Software, if developed, will be our valuable, proprietary product, the design and development of which took the investment of considerable time, money and effort of skilled computer programmers.

Franchisee will keep the Software and any data generated by the use of the Software confidential during and after the term of this Agreement and will maintain security precautions to maintain the secrecy of the Software and to prevent unauthorized access or use of the Software. Franchisee agrees that it will treat the Software as confidential and that the Software will contain substantial trade secrets of ours that we have entrusted to Franchisee in confidence to use only as we authorize under this Agreement. We hereby claim and reserve all rights and benefits afforded under copyright law, patent law, trade secret law, intellectual property law and other laws relating to confidential and proprietary material. Franchisee acknowledges and agrees that Franchisee is solely responsible for protecting themselves from these problems. Franchisee must also take reasonable steps to verify that information about Franchisee's suppliers, lenders, landlords, customers and governmental agencies on which Franchisee rely, are reasonably protected. This may include taking reasonable steps to secure Franchisee's systems, including, but not limited to, firewalls, access code protection, anti-virus systems and use of backup systems.
16. We may set standards or specifications for leases and real estate at our discretion. We have set standards and specifications for the construction and build-out of the Restaurant; and equipment, furniture, fixtures, décor items and signage used, including our subjective determinations relating to quality, value and appearance.

Nothing in this Agreement shall be construed to be a promise or guarantee by us as to the continued existence of any particular product or piece of kitchen equipment, nor shall any provision herein imply or establish an obligation on the part of us and our affiliates to sell kitchen equipment, products or supplies to Franchisee if Franchisee is in arrears on any payment to us, our affiliates, or any other designated vendor or approved supplier, or otherwise is in default under this Agreement. If Franchisee fails to pay in advance in full for each shipment of such items (if applicable), we or our affiliates shall not be obligated to sell such items to Franchisee.

J. Use Approved Design and Signage for the Restaurant

In operating a Smoking Pig BBQ Restaurant, Franchisee must adhere to our required signage standards and specifications and utilize approved vehicle signage when performing Services. Franchisee may use an approved supplier for all such signage or submit an alternate supplier to us for approval. Franchisee shall purchase or lease, subject to local building codes and regulations, such signs that provide maximum displays of our Names and Marks. Franchisee shall be totally responsible for obtaining and equipping the Restaurant and all Vehicles with the signage (including vehicle graphics) as required and approved for use by us from time to time. The color, size, design and location of said signage shall be as specified and/or approved by us. Franchisee shall not place additional signs, posters or newspaper racks in addition to unapproved video, vending or gaming machines and/or other similar devices and décor items in the Restaurant or any other signage on vehicles used for Services without our prior written consent.

K. Participation in the Operation of the Restaurant

Franchisee acknowledges that an Smoking Pig BBQ restaurant involves hard work and long hours, similar to most restaurants that are owner operated. Franchisee acknowledges that we have not represented that this business is going to be easy for Franchisee (or any of its Owners) and agrees to participate in the day-to-day operation of the Restaurant. Regardless of whether it is the Franchisee or one of its Owners who are involved in the day-to-day operation of the Restaurant, Franchisee agrees that its Restaurant must be at all times under the supervision of a General Manager approved by us. Franchisee agrees that the General Manager will oversee the operations of the Restaurant and supervise

all Employees. The General Manager will also be responsible for providing continuing guidance, oversight, day-to-day management, enforce all food preparation and service standards and properly process all paperwork, reports and complaints.

L. Advertising the Restaurant

Franchisee agrees to create a local advertising and marketing plan by which Franchisee shall place local advertising in any media it desires, provided that such advertising materials conform to the standards and requirements of us as set forth in our Operations Manual or otherwise designated by us. Such advertising may include but is not limited to: any telephone, email, Internet, domain name, electronic network, directory and listings of the Restaurant per our written approval. All items mentioned are our property and on termination will revert to us. Franchisee agrees to execute any and all documents needed to perfect such reversions. Franchisee shall not advertise the Franchise Business in connection with any other business, except with our prior written approval. Franchisee shall obtain our prior approval of all unapproved advertising and promotional plans and materials that Franchisee desires to use thirty (30) days before the start of any such plans and/or materials. Franchisee shall submit such unapproved plans and materials to us (by personal delivery, electronically or through the mail). Franchisee shall not use such plans or materials until we approve that specific plan or material and shall promptly discontinue use of any advertising or promotional plans and material upon our request. We shall approve or deny Franchisee's request by email or any other form of written communication, which approval is in our sole discretion within thirty (30) days of receipt of Franchisee's request. Any plans or materials submitted by Franchisee to us, which have not been approved or disapproved in writing, within such thirty (30) days period shall automatically be deemed not approved.

Franchisee will not independently advertise or promote in any media (including on any Website as defined in Section VI) without our prior written approval, except when using materials previously approved by us. We, our affiliates and/or approved vendors will perform all web page content revision and Franchisee is responsible for any costs related to such revisions. Any requests for changes, edits or updates to Franchisee's web page or any type of website promotion over the Internet must be approved by us in writing. We shall approve or deny Franchisee's request by e-mail or any other form of written communication, which approval is in its sole discretion, within thirty (30) days of receipt of Franchisee's written request. Franchisee will participate in at its own expense and cooperate with all advertising and promotional programs we or any advertising group of franchisees selects, including any franchise marketing council we may implement. Franchisee may be required to follow or maintain sales pricing for Products and Services. We will set minimum and maximum prices and suggest pricing to the extent allowed by law.

Franchisee, its Owners and General Manager shall at all times use its best efforts to promote and increase recognition of the Products and Services offered by the Restaurant pursuant to the System and Operations Manual, to affect the widest and best possible distribution of Products and Services from the Restaurant and to devote its best efforts to growing the Franchise Business.

M. Maintain Restaurant Hours

We require that Franchisee's Restaurant is open for operation seven days a week at at minimum from 11am-9pm Sunday through Thursday and from 11am to 10pm Friday and Saturday; except for holidays (as specified in the Operations Manual). The only exception to the above is if Franchisee is given written permission by us to operate at a lesser period; or if the hours of operation for the Restaurant are required by the lease of the premises on which the Restaurant is operated. It is required that Franchisee maintains a telephone answering system to take messages in addition to monitoring an email address for the Restaurant and respond to concerns outside of regular business hours.

N. Maintain Uniform Operating Standards

Franchisee understands and acknowledges that every detail in the operation of the Restaurant is important to the Franchisee, us and other franchisees in order to develop and maintain uniform operating standards, to increase the demand for the Products and Services offered by the Restaurant under the System, and to protect our Marks, reputation and goodwill.

Franchisee acknowledges and agrees that the System must continue to evolve in order to reflect changing market conditions and meet new and changing consumer demands. As a consequence, changes, modifications and variations to the System's standards may be required from time to time to preserve and enhance the public image of the System and enhance the operational efficiency of all franchises.

Franchisee therefore agrees that we may periodically and upon written notice, add to, modify or change the System, including without limitation the adoption and use of new or modified trademarks, Products, Services, Loyalty Programs, kitchen equipment, Vehicle appearance standards, signage (including vehicle graphics), décor, operational methods (including food preparation, recipes, techniques, processes and presentation), sequence of services, methodologies, employee hiring and training guidelines, retention programs, our website, advertising, sales and marketing strategies. Franchisee promises to promptly accept, implement, use and display in the operation of the Restaurant, all such additions, modifications and changes at Franchisee's expense.

Franchisee agrees to maintain high standards of honesty, integrity, fair dealing and ethical conduct in all business activities. Franchisee will not engage in any services, trade practices, abusive, excessive, or illegal collection techniques or other activity; or sell any product which we determine to be harmful to the goodwill or to reflect unfavorably on the reputation of Franchisee or us, the Franchised Business, or the Products and approved Services sold or offered thereof; or which constitutes deceptive or unfair competition, results in unfounded litigation against Franchisee's customers or otherwise is in violation of any applicable laws. The above limitations are closely related to the business image, purpose and marketing strategy of the System, and therefore any change therefrom would fundamentally change the nature of the business;

We will not require Franchisee to make any changes, modifications and/or variations to the System that are not required of all franchisees (unless such change, modification or variation relates only to certain franchisees due to one or more unique factors such as geographic location, local laws, regulations or customs); further we may periodically meet with representative groups of franchisees and solicit their input prior to the implementation of any material change or modification. Franchisee's failure to comply with additions, modifications or changes to the System within ninety (90) days of such written notice is an incurable default as described in Section XXIII.C of this Agreement.

O. Telephone Number of Restaurant and Web Page

Franchisee understands and agrees that the telephone number(s), the URL address, web page, Websites for the Restaurant (in addition to any mobile phone numbers) constitute a part of the System and are subject to the restrictions of this Agreement. Accordingly, Franchisee shall not change the telephone number(s), URL address, web page or Websites for the Restaurant without prior notice and written approval by us. Franchisee shall advertise and publicize the telephone number(s), the URL address, web page and Website for the Restaurant in the manner prescribed by us. As stated above, all telephone numbers, URL addresses, web page, Websites, Internet or similar connections, directory and listings used in the Franchised Business are our property and upon termination will revert to us.

P. Disclose Discoveries and Ideas to Franchisor

Franchisee shall promptly disclose to us all products, equipment, discoveries, concepts, methods, techniques, recipes, formulas, processes, photographs, video presentations, promotions, operational procedures, inventions or ideas, whether patentable or not, relating to our business, which are conceived or made by Franchisee or any Owner, agent, employee or independent contractor of Franchisee solely or jointly with others, during the term of this Agreement, whether or not our facilities, materials, or personnel are utilized in the conception or making of such discoveries or ideas. Franchisee hereby acknowledges and agrees that all such products, equipment, discoveries, concepts, methods, techniques, recipes, formulas, processes, photographs, video presentations, promotions, operational procedures, inventions or ideas are the exclusive property of us, and that we shall have no obligation to compensate the Franchisee for any such discovery or idea. However, as a matter of corporate policy, we may, in our sole discretion, create an incentive program to reward Franchisee, its officers, directors, managers, members, partners or shareholders for any such new product, equipment, discovery, concept, method, technique, recipe, formula, photograph, video presentation, process or improvement that we implement throughout the System. Franchisee, its officers, directors, managers, members, partners or shareholders agree to execute all documents deemed reasonably necessary by us to assign all such patent, trade secret, trademark, and copyright rights in any Franchisee discovery or idea to us. The term “all copyright and intellectual property rights” shall mean all means, methods, and process, by all media whether now known or hereinafter invested, including complete and entire interactive rights and rights to derivative works. The purpose of this clause is to ensure that ideas for improvements to the System that may be generated by franchisees within the System will be distributed to the other franchisees as a benefit of belonging to the System. The Franchisee agrees to execute all documents that we deem reasonably necessary to carry out such transfer of intellectual property rights to us.

Q. Permit Franchisor to Enter Restaurant

Franchisee shall permit us and our agents or representatives to enter the Restaurant at any time during normal business hours and without notice for the purpose of conducting inspections to inspect the operations of the Restaurant, review restaurant operations (which includes photographing and taking video of the operations of the Restaurant for observation purposes) and to remove samples of food and/or non-food products, without payment, for our review to determine if such samples meet our then-current standards and specifications. We have the right to require that Franchisee’s General Manager be at the Restaurant for any inspection we, our affiliates or third parties conduct. In addition, we may use secret shoppers to inspect and ensure that unauthorized products, supplies, kitchen equipment and services (as described in Section XII.I) are not being used, offered or sold. Franchisee shall cooperate fully with our representatives in such inspections by rendering such assistance as they may reasonably request, and, upon notice from us or our agents, and without limiting our other rights under this Agreement, shall take such steps as may be deemed necessary to immediately correct any deficiencies detected during such inspections. In the event Franchisee fails or refuses to promptly correct any deficiency detected during such inspection, we shall have the right to make or cause to be made such changes as may be required, at the expense of Franchisee, which expense Franchisee agrees to pay upon demand. In addition, to maintain the highest degree of quality, if Franchisee fails an inspection twice in any two (2) year period the Franchisee will also be responsible for the two thousand five hundred dollar (\$2,500) inspection fee (as described in Section X.I). If Franchisee fails a third or additional inspection in the same two (2) year period, we have the option of charging a two thousand five hundred dollar (\$2,500) inspection fee or to terminate Franchisee as described in Section XXIII.C of this Agreement. The foregoing shall be in addition to any other remedies we may have pursuant to this Agreement.

S. Site Selection

Franchisee assumes all costs, liability, expense, and responsibility for locating, obtaining and developing a site for the Franchise Business to be established under the Franchise Agreement and for equipping the Restaurant at such premises. A typical Smoking Pig BBQ restaurant has approximately two thousand five hundred to four thousand (2,500-4,000) square feet of space. The space for a Smoking Pig BBQ Restaurant must be enclosed and separate from other businesses with its own locking door. Franchisee may buy or lease the required real property and improvements from any source and on terms approved by us in writing. Franchisee may not sign a lease (or a contract to purchase the premises, if applicable) for the Restaurant until Franchisee has obtained our written approval. Franchisee must not invest any monies for a site in which Franchisee wishes to open a Restaurant until Franchisee has obtained our written approval for the site which will be made by email or any other form of written communication. On the execution of any lease for the Franchise Business, Franchisee will deliver to us a copy of the executed lease and an option to assume the lease executed by the lessor in favor of us in a form acceptable to us. All improvements to the Restaurant must be approved by us.

FRANCHISEE ACKNOWLEDGES THAT OUR ACCEPTANCE OF A PROSPECTIVE SITE AND THE RENDERING OF ASSISTANCE IN THE SELECTION OF A SITE DOES NOT CONSTITUTE A REPRESENTATION, PROMISE, WARRANTY, OR GUARANTEE BY US THAT A SMOKING PIG BBQ FRANCHISE OPERATED AT THAT SITE WILL BE PROFITABLE OR OTHERWISE SUCCESSFUL.

Franchisee acknowledges that we have spent a considerable amount of time choosing and creating the decoration and outfitting for Smoking Pig BBQ restaurants. It is part of our trade dress. Franchisee acknowledges and agrees that the design, layout and other characteristics of the Restaurant constitute and/or contain Confidential Information and/or trade secrets of ours. Franchisee agrees that the Restaurant shall be maintained and operated as follows:

1. Franchisee will maintain the Restaurant and every component of the kitchen equipment furnishings, fixtures and technology items in good order and repair at all times as specified in the Operations Manual;
2. Franchisee will keep the Restaurant fully insured as specified in this Agreement and in the Operations Manual;
3. Franchisee will keep the Restaurant at all times in a clean and tidy condition and free of any advertising and promotional material other than that required by law or the Operations Manual, and will exhibit such signage (including vehicle graphics when performing Services), colors and logos in the Restaurant and upgrade or review the same as specified in the Operations Manual;
4. Franchisee will not alter or in any way amend the appearance of the Restaurant, or any kitchen equipment, furnishings, fixtures, technology items and signage contained within the Restaurant as specified in the Operations Manual;
5. Franchisee will maintain all kitchen equipment, furnishings, fixtures, technology items and signage as specified from time-to-time in the Operations Manual and may be required to upgrade such items as technology advances or in our sole discretion because of new functionality so as to always use our then-current specifications;
6. Franchisee shall meet and maintain the highest level of health standards and ratings applicable to the operation of the Restaurant. Franchisee shall furnish to us, immediately or within three (3) days after receipt thereof, a copy of all inspection reports, warnings, citations, certificates and/or ratings resulting from inspections conducted by any federal, state or local governmental authority with jurisdiction over the Restaurant; and
7. Franchisee may be required to use only approved service centers for repairs and maintenance of all kitchen equipment in the Restaurant.

Franchisee shall not execute a lease or sublease for the Restaurant or make any modifications or amendments to the lease or sublease, without our prior written consent, which we may grant, condition or withhold in our Business Judgment. Franchisee will deliver to us a copy of any lease or sublease for our review at least ten (10) days before execution. Franchisee must deliver a copy of the signed lease or sublease (and master lease if applicable) to us within five (5) business days after it is signed. We do not offer legal services to Franchisee and Franchisee is encouraged to consult with independent legal counsel for a legal review of the lease. Franchisee shall ensure that the lease or sublease for the Restaurant contains, in an addendum or otherwise, the following provisions which:

- 1). Permit Franchisee to operate a Smoking Pig BBQ Restaurant in accordance this Agreement and the Manuals;
- 2) Provide that the site will be used only for the operation of a Smoking Pig BBQ Restaurant, and prohibit Franchisee from assigning or modifying any of Franchisee's lease rights, or extending the term without our prior written consent;
- 3) Require the lessor to concurrently provide us with a copy of any written notices of default to Franchisee under the lease and give us the right to cure any default if we so choose; within fifteen (15) days following the expiration of the Franchisee's cure period under the lease;
- 4) Provide us with a right to take assignment and possession of the Restaurant, without the lessor's consent or any additional consideration. If we exercise this right and Franchisee is in good standing, we'll sign a sublease with Franchisee for the same

rent Franchisee is paying. In any case, we won't have any liability for any obligations incurred prior to our occupancy. Franchisee agrees to take whatever actions are necessary to accomplish such assignment and will, when you sign this Agreement, also sign the Collateral Assignment of Lease attached as Schedule 6. If Franchisee loses lease rights to the site in connection with any bankruptcy, the lessor will, on our request, enter into a new lease with us on essentially the same terms as the terminated lease;

- 5) Provide that the lessor consents to the use of the Marks, trade dress and other aspects of the System, as modified from time-to-time, and give us the right to enter the premises during normal business hours for purposes of inspection, to take steps to protect the Marks and trade dress and/or prevent/cure any default; and
- 6) Not contain any clause providing that if the Franchisee sells the assets of its Restaurant, or the stock/membership units/partnership units of the Restaurant, Franchisee must pay the landlord a certain percentage or a flat amount of the sale. Provided, that nothing in this sentence shall impair the Franchisee from entering into a lease that allows its landlord to impose a reasonable administrative fee for processing the assignment or sublease.

T. Development and Construction of the Restaurant

Franchisee must select and employ licensed contractors reasonably acceptable by us for the complete build out and/or any leasehold improvements. Franchisee is solely responsible for the selection and work of any contractor selected and/or employed by Franchisee, even if referred by us, and for the preparation of site design, architectural and working drawings necessary to complete construction and/or build out at the Approved Location. Franchisee will be provided with mandatory requirements and specifications (interior and exterior) for the build out of the Restaurant that includes specifications for the Restaurant layout, kitchen equipment specifications, storage, furnishings, fixtures, technology items, décor and signage. We must review Franchisee's final set of drawings and plans prior to implementation. Such drawings, plans and specifications are subject to alteration as may be necessary in our sole discretion and Franchisee must be in full and strict compliance with plans and specifications approved by us. Franchisee is responsible for the cost and installation of all build out specifications. We reserve the right to receive rebates, commissions or other forms of consideration from designated or approved vendors and suppliers involved in the construction of Franchisee's Restaurant or supplying kitchen equipment, furniture, fixtures, technology items, décor and signage for the Restaurant and to use such rebates, commissions or other consideration in any way we deem appropriate in our sole discretion, without obligation to share or remit any portion of such rebates, commissions or other consideration to Franchisee.

We would expect that a Smoking Pig BBQ Restaurant location would need construction improvements. Costs may vary widely depending on such factors as property location, size of the property, the condition of the property, the extent of alterations required for the property. Franchisee shall be responsible for obtaining all zoning classifications, health, sanitation, clearances, inspections, permits and certifications which may be required by state or local laws, ordinances, or regulations or which may be necessary or advisable owing to any restrictive covenants relating to Franchisee's location. After having obtained such approvals and clearances, Franchisee shall submit to us, for our approval, final plans for construction based upon the preliminary plans and specifications. Once approved by us, such final plans shall not thereafter be changed or modified without our prior written permission. Any such change made without our prior written permission shall constitute a material default under this

Agreement and we may withhold our authorization to open the Restaurant until the unauthorized change is rectified (or reversed) to our reasonable satisfaction.

Franchisee shall comply with all federal, state and local laws, codes and regulations, including without limitation, the applicable provisions of the ADA regarding the construction, design and operation of the Restaurant. If Franchisee receives any complaint, claim or other notice alleging a failure to comply with the ADA or other law or regulation related to health or safety, Franchisee agrees that it shall provide us with a copy of such notice immediately or within five (5) days after receipt thereof. Franchisee shall remedy the problem within the required time frame or review with us the matter and comply with our direction regarding the timing and nature of the remedy.

Except as provided in Section IX.A of this Agreement, Franchisee shall construct, furnish and open the Restaurant according to the requirements contained herein, and Franchisee shall open the Restaurant no later than two hundred and seventy (270) days from the Effective Date. Prior to opening for business, Franchisee shall provide us with evidence of lien-free completion of all work (including, without limitation, any and all mechanic liens) and to comply with all pre-opening requirements set forth in this Agreement (including without limitation those with respect to the grand opening advertising program), the Operations Manual, and/or elsewhere in writing by us.

Franchisee shall not open the Restaurant for operation until we have determined that all construction has been substantially completed, and that such construction conforms to our standards including, but not limited, to materials, quality of work, kitchen equipment, furnishings, fixtures, signage, decor, paint and we have given Franchisee written approval to open, which approval shall not be unreasonably withheld. Our approval to open the Restaurant for operation does not constitute a waiver of our right to require Franchisee to conform the Restaurant to our standards.

U. Maintain Appearance of Vehicle

Franchisee acknowledges and agrees that the design, layout, appearance and other characteristics of the Vehicle (any type of new or used pickup truck, box van or sports utility vehicle as described in Section XII.H of this Agreement and as specified in the Operations Manual) to be used when performing Services constitute and/or contain Confidential Information and/or trade secrets of ours. Franchisee agrees that the Vehicle shall be maintained and operated as follows:

1. Franchisee will maintain the Vehicle and every component of the Vehicle in good working order and repair the Vehicle as needed as specified in the Operations Manual;
2. Franchisee will keep the Vehicle fully registered and roadworthy in accordance with applicable laws;
3. Franchisee will keep the Vehicle fully insured as specified in the Operations Manual.

5. Franchisee will not alter or in any way amend the appearance of the Vehicle as specified in the Operations Manual;
6. Franchisee will maintain and upgrade the Vehicle as specified from time-to-time in the Operations Manual so as to always use our then-current vehicle specifications for a Smoking Pig BBQ restaurant; and

7. We strongly recommend that Franchisee uses an approved service center for repairs and maintenance of the Vehicle; and
8. Franchisee will drive, park and store the Vehicle in a safe and legal manner and location at all times.

V. Training

Prior to Franchisee's opening of the Restaurant to the public, Franchisee, its Owners (if it is an Entity) and General Manager shall complete to our satisfaction our four (4) week training program required by this Agreement within ninety (90) days of the date Franchisee anticipates opening the Restaurant for operation. We may, at our discretion, make available additional training programs, certifications, seminars, as well as refresher courses available to the Franchisee and/or Franchisee's designated individual(s) from time to time. We may, at any time, discontinue management training and decline to certify Franchisee and/or Franchisee's designated individual(s) who fail to demonstrate an understanding of the management training acceptable to us. If Franchisee or Franchisee's designated individual's management training is discontinued by us, Franchisee shall have thirty (30) days to present an alternative acceptable candidate for management training to us. If Franchisee's new candidate does not adequately complete the management training, then we shall have the option of terminating this Agreement. We shall provide instructors and training materials for all required training programs; and Franchisee, its Owners and/or General Manager who attend the training shall be responsible for all other expenses incurred in connection with any training programs, including, without limitation, the cost of transportation, lodging, meals, and wages.

W. Ongoing Training and Support.

Franchisee will have access to our personnel for questions, ongoing training and support by phone and e-mail during regular business hours (Pacific Time Zone). We will continue to consult with and advise Franchisee; provide telephone assistance, free of charge, to answer any questions from Franchisee or its staff (Section XX.A of this Agreement), provide updates to approved Products and Services in addition to Manual specifications, marketing and operational updates as they become available; review advertising, product, supply, kitchen equipment, vendor and/or supplier approval requests; and administer the System Advertising Fund.

XIII. **OBLIGATIONS OF FRANCHISEE RELATING TO INSURANCE**

A. Overall Coverage Required

Before Franchisee opens a Smoking Pig BBQ Franchised Business, Franchisee must purchase insurance coverage from a responsible carrier with a performance rating of A or higher as rated in the most recent edition of Best Insurance Reports (or comparable criteria as we may specify) and Franchisee must maintain such insurance throughout the duration of the initial term of the Franchise Agreement and any renewal terms. Franchisee shall list us as additional insured on all its insurance policies. Franchisee will procure and maintain general liability insurance with a minimum policy limit of two million dollars (\$2,000,000) per occurrence and four million dollars (\$4,000,000) aggregate (this policy should include general tort, premises damage, personal and advertising injury and should be at least \$2,000,000) in addition to product liability insurance (covers Franchisee for damages that result in injury from products Franchisee distributes) and property and casualty insurance with a minimum policy limit of two million dollars (\$2,000,000) or an amount specified by us.

Franchisee must also procure and maintain “All Risks” or “Special Form” insurance (coverage for the full cost of replacement of the premises and all other property); employer liability insurance; employment practices liability insurance, business interruption insurance to fully insure loss of earnings for a period of one-hundred and eighty (180) days or longer as may we specify; and automobile liability insurance that includes hired and non-owned coverage with a minimum policy limit of one million dollars (\$2,000,000) including uninsured motorist/minimum of one hundred thousand dollars (\$100,000) or what is in accordance with Franchisee’s state guidelines. Franchisee will also need to procure and maintain statutory workers’ compensation insurance with limits of greater than one hundred thousand dollars (\$100,000) or the minimum limits required by law.

For any construction, renovation, refurbishment or remodeling of the site, Franchisee will be required to ensure that its general contractor maintain, with an approved insurer, commercial general liability insurance (with comprehensive automobile liability coverage for both owned and non-owned vehicles, builders risk, product liability and independent contractor’s coverage) with limits of no less than one million dollars (\$1,000,000) per claim, naming Franchisee and us as additional insureds, as their interests may appear, together with workers’ compensation and employer’s liability insurance as required by law and as required by the lease. It is Franchisee’s responsibility to obtain certificates of insurance from the contractor prior to the initiation of any construction.

To the extent available, we may require Franchisee to obtain: professional liability insurance (covers Franchisee for damages that do not result in property damage or bodily injury), employee dishonesty insurance and crime insurance as well as other disability benefits type insurance as may be required by the statute or rule of each state, with policy limits of one million dollars (\$1,000,000) or in the amount we specify.

All insurance policies will name Franchisee as certificate holder and us and our affiliates as an additional named insured with waiver of subrogation by Franchisee for the benefit of us. We may establish minimum standards for coverage to be met by underwriters for insurance. Before beginning operations, Franchisee will obtain any other liability insurance required by law, provide us with certificates of insurance and a complete copy of all insurance policies within ten (10) days of issuance, and maintain all required insurance during the term of this Agreement. Franchisee shall also furnish us with certificates and endorsements evidencing insurance coverage within ten (10) days after each of the following events (i) at all policy renewal periods, no less often than annually and (ii) at all instances of any change to, addition to or replacement of any insurance. Lapses, alterations, or cancellations require immediate notice to us and shall, in our sole discretion, be deemed an immediate material breach of this Agreement as set forth in Section XXIII.C. If Franchisee fails to obtain the required insurance and to keep the same in full force and effect, we may, but shall not be obligated to, pay the premiums or acquire insurance, and bill Franchisee. Franchisee shall reimburse us for the full cost of such insurance, along with a reasonable service charge to compensate us for the time and effort expended to secure such insurance. We may change these insurance requirements on reasonable notice to Franchisee.

Franchisee’s insurance will cover all claims for injury, damage and death or otherwise, arising directly or indirectly out of the Franchised Business.

Franchisee shall notify us immediately in writing of the occurrence of any material event that does or could give rise to an insurable claim by Franchisee or the Franchised Business, and no later than the date on which Franchisee notifies its insurance carrier.

We reserve the right to change or modify (including increasing) the required minimum coverage limits. We make no representation or warranty to Franchisee that the amount of insurance to be carried by Franchisee under the terms of this Agreement is adequate to fully protect Franchisee’s interest. If Franchisee believes that the amount of any such insurance is insufficient, Franchisee is encouraged to

obtain, at its sole cost and expense, such additional insurance as it may deem desirable or adequate. Franchisee agrees to seek the advice of its insurance advisor regarding the appropriate types of coverage and coverage limits Franchisee may need to sufficiently protect its Restaurant. Franchisee acknowledges that we shall not, by the fact of approving, disapproving, waiving, accepting, or obtaining any insurance, incur any liability for or with respect to the amount of insurance carried, the form or legal sufficiency of such insurance, the solvency of any insurance companies or the payment or defense of any lawsuit in connection with such insurance coverage, and Franchisee hereby expressly assumes full responsibility therefore and all liability, if any, with respect thereto. Franchisee agrees to seek the advice of its insurance advisor regarding the appropriate types of coverage and coverage limits Franchisee may need to sufficiently protect its Franchise Business.

Franchisee's compliance with insurance requirements shall not relieve Franchisee of its liability under the indemnity provisions of this agreement, Section XVIII. Obligations to maintain insurance coverage will not be affected by reason of any separate insurance maintained by us, nor will the maintenance of such insurance relieve Franchisee of any obligations under this Agreement.

Franchisee shall also acquire tenant's liability insurance (if applicable); any other insurance required by the state or locality in which the Restaurant is located and operated, in such amounts as required by statute; and other insurance coverage, as we or the landlord may reasonably require.

Franchisee shall furnish us with certified copies of each of the insurance policies described above on either the earlier of the opening of the Restaurant for operation or two hundred and seventy days (270) days following the date this Agreement is executed.

XIV. OBLIGATIONS OF FRANCHISEE RELATING TO ACCOUNTING AND RECORDS

A. Bookkeeping, Accounting and Records

Franchisee acknowledges that the maintenance of accurate financial records and the preparation of financial statements on a timely basis are essential to the efficient operation of the Restaurant. If Franchisee is not qualified to maintain accurate financial records, in our reasonable determination, the Franchisee agrees to hire a qualified bookkeeper who will maintain the financial records of the Franchisee and who will attend to the bookkeeping for the Restaurant not less than twice a week for that purpose.

Franchisee shall maintain during the term of this Agreement and shall preserve for a minimum of seven (7) years, full, complete accurate records of sales, payroll, accounts payable and accounts receivable in accordance with the standard accounting system described by us in the Operations Manual or otherwise specified in writing. Any such separate business will be conducted by a separate entity.

Franchisee will provide us with all hard copy and/or digital copies of reports as we prescribe on or before the end of day every Tuesday or daily if we require. Franchisee will also deliver or provide electronic access to business records (we will have independent access to all information that Franchisee stores in any POS system, computer, tablet and software related to the Franchised Business), including an itemized report of Franchisee's Gross Revenue for the prior period on a form we prescribe, which will include payment for that periods' or months' fees due, and may include, to the extent that we require:

3. Copies of all invoices for purchases of all products, supplies and kitchen equipment;
4. Copies of Franchisee's most recent sales tax report and/or sales tax return;

6. Copies of all merchant account printouts received from the Franchisee's merchant account banking provider (i.e. records of credit and debit card transactions);
7. Copies of all bank deposits, and bank deposit records made by the Franchisee; and
8. A complete list of all customers and contact information (including but not limited to all: email addresses, physical addresses and telephone numbers) who have filed a complaint (internally, with governmental agencies or with third parties such as the Better Business Bureau) or sought any type of refund during the preceding month by the end of the day every Tuesday, bi-monthly or monthly as we require.

Franchisee acknowledges and agrees that we, at all times during the term of this Agreement and after termination, expiration or cancellation of this Agreement, have the right to access (electronically or otherwise) all Business Records of the Franchise Business. We may use, transfer, copy or analyze such Business Records as we determine in our sole discretion to be in the best interest of the System. For purposes of this Agreement, "Business Records" means all records, documents, insurance policies, databases and the like (whether in print, electronic or other form), including all names, addresses, phone numbers, email addresses, contracts, financing arrangements, vendor records and all other records contained in databases created and maintained by Franchisee pertaining to the operation of the Restaurant, including but not limited to records of customers, employees, vendors and other professionals related to the Restaurant.

Franchisee will be required by us to obtain specific POS systems, computers and use specific software, including, without limitation, a license to use our Software (if developed by us), or any of our vendors in accordance with Section XII.I of this Agreement and the Operations Manual. Franchisee agrees to pay all costs in connection with obtaining the POS system, computers and software and Franchisee agrees to pay any software license or maintenance fee (if required). Franchisee agrees to maintain, upgrade, update, etc. the POS system, computers and any additional licenses for any software as necessary (upgrades, maintenance and support for our proprietary software (if developed) will be provided by us as described in Section XX.I). We have the right to charge a reasonable fee for any additional licenses, modification, maintenance and/or support of proprietary software that we may license to Franchisee and other products and services that we may furnish to Franchisee related to the POS systems and computers.

Franchisee will adopt a fiscal year as approved by us and prepare all financial reports in accordance with U.S. generally accepted accounting principles, consistently applied. Franchisee must periodically deliver to us accounting, tax and other information or copies of documents, as we request.

B. Franchisor's Right to Audit

We or our agents may enter the Franchisee's location to examine or audit Franchisee's business at any reasonable time without notice. We may examine, inspect or audit Franchisee's database and

Business Records, which records will include, but will not be limited to: payroll records, ledgers, purchase agreements, sales reports, timecards, check stubs, bank deposits, bank statements, merchant account printouts, receipts, sales tax records and returns, insurance policies and other documents. We will bear the cost of the audit, provided however, if Franchisee fails to report as required or understates Gross Revenue by two percent (2%) or more for any reported time period, then Franchisee will pay the audit costs in addition to amounts owed to us plus interest at eighteen percent (18%) per annum (1.5% per month) for all understated Gross Revenues or the maximum rate allowed by the laws of the state in which Franchisee's business is located as specified in the Operations Manual. Franchisee will immediately pay us all sums owed. The foregoing remedies shall be in addition to any other remedies we may have pursuant to this Agreement and as provided at law and in equity.

In addition to the cost of the audit described above, Franchisee shall reimburse us for any and all costs and expenses relating to the inspection (including, without limitation, travel, lodging and wage expenses and reasonable accounting and legal costs), and, at our discretion, submit audited financial statements prepared, at Franchisee's expense, by an independent certified public accountant satisfactory to us. If an inspection discloses an understatement in any payment to us of two percent (2%) or more, twice within any two (2) year period, such act or omission shall constitute grounds for immediate termination of this Agreement, as set forth in Section XXIII.C. The foregoing remedies shall be in addition to any other remedies we may have pursuant to this Agreement and as provided at law and in equity.

C. Method of Payment

All payments Franchisee makes to us will be by any method we specify, including cash, check, certified check, money order, credit card, automatic pre-authorized payment plan, Internet, or electronic funds transfer (as described in Section X.D of this Agreement). All payments to us and dollar amounts stated in this Agreement are in United States dollars unless otherwise expressed. Notwithstanding any other provision in this Agreement to the contrary, in the event the United States currency is redeemed, renominated or another currency is issued in its place the new currency will be required. If a conversion of royalties or other payments from another currency is made, the conversion shall be made as of the date the payment is due, or the date the payment is actually made, whichever is more beneficial to us. Franchisee is responsible for any fees associated with payment methods other than cash, check or electronic transfer.

D. Submission of Financial Statements

Franchisee will provide us with a copy of Franchisee's year-end annual financial statements including a profit and loss statement and a balance sheet and containing complete notes and disclosures. Such statements will be prepared in accordance with United States Generally Accepted Accounting Principles ("GAAP"), by an independent accountant, and Franchisee will deliver the financial statements to us within ninety (90) days after Franchisee's fiscal year end.

E. Disclosure of Financial Statements

Franchisee hereby grants us permission to release to Franchisee's lenders or prospective lenders, our purchasers or prospective resell purchasers, any financial and operational information relating to Franchisee and/or the Restaurant; however, we have no obligation to do so. Should we have acquired Franchisee's Restaurant and intend to sell it to a prospective franchisee, we may show such buyer Franchisee's financial statements and related information.

Franchisee also authorizes us to make reasonable inquiries of Franchisee's bank, suppliers and creditors concerning the Restaurant and hereby directs such persons and companies to provide to us such information and copies of documents pertaining to the Restaurant as we may request.

Any unsuccessful challenge made by us shall not constitute a ground for the termination of this Agreement. In the event we determine in our sole judgment that challenging any such third party's use of the Marks will not likely be successful, or would not be economically feasible to achieve, or if Franchisee shall be required to cease using the Marks (or any of them) by court order, or as a result of any settlement of any such trademark claim by a prior registrant or any pre-existing user, or any other such trademark claim, or if we shall deem it necessary or appropriate to change the name of the Franchise in order to mitigate any potential exposure or damages arising under any trademark claim, Franchisee shall promptly change the name of its Franchise, and thereafter utilize an alternative name established by us. Franchisee agrees to pay all court costs and reasonable attorneys' fees incurred by us in obtaining specific performance of, or an injunction against, violation of requirements of this Section XVI. The foregoing remedies shall be in addition to any other legal or equitable remedies, which we may have.

We will lend Franchisee the confidential Operations Manual for the initial Franchisee training session and if Franchisee satisfactorily completes training, for the term of this Agreement. If the copy of the Operations Manual loaned to Franchisee is lost, stolen or destroyed before Franchisee returns it to us, Franchisee must replace such manual at its own expense.

The Operations Manual is designed to protect the System and the Names and Marks associated with the System, and not to control the day-to-day operation of the Business. Franchisee at all times will remain responsible for the operation of the Business and all activities occurring at or associated with the Business.

Franchisee shall at all times treat the Operations Manual, and any of our written directives, any business plans and specifications, and any other manuals created for or approved for use in the operation of the Restaurant, and any supplements thereto, and the information contained therein, in trust and as Confidential Information, as well as our trade secrets, and shall use all reasonable efforts to maintain such information as secret and confidential. Franchisee shall not at any time copy, duplicate, record, or

otherwise reproduce the foregoing materials, in whole or in part, nor otherwise make the same available to any unauthorized person.

The Operations Manual, written directives, other manuals and materials, and any other confidential communications provided or approved by us, shall at all times remain our sole property and shall at all times be kept and maintained in a secure place at the Restaurant premises.

Any suggestions the Franchisee may have concerning the improvement of Franchisee's web page or our: Products, Services, recipes, facilities or service format; products, supplies, kitchen equipment, services, vendors and/or suppliers (as described in Section XII.I); our website (and Franchisee's web page), promotional programs, advertising and marketing materials are encouraged and shall be considered by us when adopting or modifying the standards, specifications and procedures for the System.

H. Selecting Vendors and Vehicle Specifications

We shall provide Franchisee with a written list of approved vendors and suppliers that may include or be limited to us or our affiliates for products, supplies, kitchen equipment and services (as described in Section XII.I) necessary for the operation of the Restaurant. We will provide Franchisee with a list of all approved products, supplies, kitchen equipment and services that Franchisee is authorized to use, offer or sell in the operation of its Restaurant; and a written list of all approved vendors and suppliers to lease and/or purchase such items from during the initial training program. Franchisee understands that such lists will be updated and may change periodically at our discretion and Franchisee agrees to implement such updates at Franchisee's expense as described in Section XII.I of this Agreement. We will train Franchisee on strategies for leasing and/or purchasing such items during the initial training program. Franchisee will be required to submit in writing alternate products, supplies, kitchen equipment, services, vendors or suppliers to us for approval as described in Section XII.I of this Agreement. Franchisee acknowledges that we may receive royalties and/or other payments from some or all of the approved vendors.

We will also provide Franchisee with a written list of appearance standards (including vehicle graphics Franchisee is required to use to advertise its Business) necessary for the operation of the Business. Franchisee is encouraged purchase a used or new Vehicle for the operation of the Business as specified in Section XII.H of this Agreement. All costs associated with obtaining and maintaining the Vehicle are the sole responsibility of the Franchisee.

I. Availability of Products, Supplies and Kitchen Equipment

We will use commercially reasonable efforts to ensure that authorized vendors and suppliers, which may include or be limited to us and our affiliates, maintain a reasonable supply of products, supplies and kitchen equipment (as described in Section XII.I) for purchase by Franchisee. We require that the Franchisee lease or purchase such items from us, our affiliates or approved vendors and/or suppliers. We will provide Franchisee with a list of written specifications for such items along with a list of approved vendors and Franchisee is responsible for acquiring all such items as are necessary for the operation of the Restaurant. All items that are provided by us will be competitively priced, taking into account equivalent quality and other reasonable considerations.

We reserve the right to establish minimum and maximum pricing on certain Products and rates for approved Services from time to time based on competition prevalent within the restaurant industry, as legally allowed (as further described in Section XX.K). We shall publish inventory and Minimum Representation requirements in the Operations Manual and such requirements may be amended from time to time by us in our sole discretion.

We reserve the right to implement a centralized purchasing system for franchisees and to negotiate prices and terms with vendors and suppliers and to receive rebates or other financial incentives from such purchases by franchisees. We may utilize such rebated funds in any manner we choose in our sole discretion as more fully described in Section X.B. We reserve the right to require franchisees to purchase all products, supplies, kitchen equipment and services (as more fully described in Section XII.I) through our proprietary business to business intranet portal.

J. Advertising and Promotion

We shall develop and provide creative materials (including photographs of food) that could be used for local and regional advertising at our expense and make such advertising and promotional materials available to our Franchisees. Publication or distribution of such materials in the Franchisee's market area shall be at Franchisee's own expense. We will provide specific guidelines for advertising, marketing and promotions initiated by individual franchisees and shall reserve the right to disapprove any advertising, marketing and promotions, which, in our opinion, are not in accordance with these guidelines. However, no such approval shall be unreasonably withheld or denied. Immediately upon notification to do so, Franchisee shall discontinue any advertising that would, in our opinion, be detrimental to any franchisee or any part of the System or the Franchise.

K. Suggested Pricing for Products and Services

We will provide Franchisee with guidance and suggested pricing for Products and rates for Services offered by our franchisees. Franchisee shall have the right to sell and offer Products and approved Services at any price and/or rate Franchisee may determine and we reserve the right, to establish minimum and maximum pricing for any given Product or Service nationwide to the extent allowed by federal and state laws as explained in Sections XII.H and XII.I of this Agreement. Suggested pricing for Products and rates for Services may vary from region to region to the extent necessary to reflect differences in costs and other factors applicable to such regions. If Franchisee elects to sell or offer any Product or Service at any price and/or rate recommended by us, Franchisee acknowledges that we have made no guarantee or warranty that offering such Products or Services at our recommended prices and/or rates will enhance Franchisee's revenues, sales or profits.

We will provide Franchisee with recommended procedures when providing refunds and establishing Employee meal incentives in addition to a sample set of forms including policies, contracts, waivers, agreements, brochures, promotional and marketing materials (including photographs of food) in addition to various operational forms for use in the Restaurant. We do not warrant the completeness, legality or enforceability of any agreements or forms. Franchisee must retain its own counsel to review and revise such agreements and forms to comply with applicable federal and state laws. At our discretion, any and all forms used by Franchisee shall be subject to our review and approval and our decision of such approval will be provided within thirty (30) days after such forms are received by us.

We will continue to research and develop new Products, Services and programs as we deem appropriate in our sole discretion. We may conduct market research and testing to determine consumer trends and salability of new Products, Services and programs. If we select Franchisee, Franchisee can choose to participate in a market research program to test market new Products, Services and programs in the Restaurant and provide us with timely reports and other relevant information regarding that market research. If Franchisee participates in any test marketing, Franchisee agrees to purchase, at Franchisee's expense, a reasonable quantity of products, supplies, kitchen equipment or services being tested and to effectively promote and make a good faith effort to offer and/or sell Products and Services associated with them. Franchisee shall participate in and comply with our Loyalty Programs and all sales and promotional programs and/or Product promotions established by us.

L. Business Planning Assistance

After Franchisee signs this Agreement, we may review and comment on any business plan and pro forma financial projections Franchisee prepares. We do not represent that we have any special expertise in reviewing or developing business plans, or that any business plan developed by us will result in any profits, revenues, incomes, margins, or sales. Our review and commentary of a business plan, or financial pro-forma, is not a representation or warranty that the Franchisee's business will be profitable, that the Franchisee will earn any revenues, or that Franchisee's sales will attain any pre-determined sales levels. Our review and commentary are intended only to provide information sharing to Franchisee and Franchisee agrees that such review and commentary does not impose any liability on us. Franchisee specifically acknowledges that we have not reviewed or commented on any business plan or pro-forma prior to the Effective Date of this Agreement.

XXI. VARYING STANDARDS

Because complete and detailed uniformity under many varying conditions may not be possible or practical, we specifically reserve the right and privilege, in our sole and absolute discretion and as we may deem to be in the best interests of all concerned in any specific instance, to vary standards for any franchisee based upon the peculiarities of a particular Restaurant or circumstance, physical characteristics, freeway access, density of population or trade area, existing business practices, or any other condition which we deem to be of importance to the successful operation of such Franchisee's Restaurant. Franchisee shall not have any right to object to a variation from standard specifications and practices granted to any other franchisee and shall not be entitled to require us to grant to Franchisee a like or similar variation, unless the laws of the Franchisee's state expressly require us to grant such a similar variation.

Franchisee acknowledges that when we use the phrases "sole and absolute discretion," "sole discretion" and/or "Business Judgment," whether in this Agreement or another context, we and Franchisee agree that we have the wholly unrestricted right to make decisions and/or take (or refrain from taking) actions except that we will not do so arbitrarily. We shall use our judgment in exercising such discretion based on our assessment of the interests we consider appropriate and will not be required to consider Franchisee's individual interests or the interests of any other franchisee(s). Franchisee, we and all other franchisees have a collective interest in working within a franchise system with the flexibility to adjust to business conditions, including but not limited to the competitive environment, new regulatory developments and emerging business opportunities. Therefore, we and Franchisee agree that the ultimate decision-making responsibility for the System must be vested in us. So long as we act in material compliance with the requirements of this Agreement, we will have no liability for the exercise of our discretion in accordance with the provisions of this Agreement.

XXII. RELOCATION, ASSIGNMENT, TRANSFER, SALE OR PURCHASE OF FRANCHISED BUSINESS

A. Relocation

Any relocation: (1) shall be to a location within the Territory or Non-Traditional Location (unless waived by us), (2) requires our prior written consent, which we may grant, condition or withhold in our Business Judgment (and may be withheld, in any case, if Franchisee is not in good standing), (3) will be at Franchisee's sole expense and (4) will require that Franchisee (and each Owner if an Entity) sign a general release.

B. General Requirements for Assignment by Franchisee

Franchisee shall not voluntarily or involuntarily transfer, sell, assign or encumber any interest in or ownership or control of Franchisee, the Franchised Business, and/or its assets, the Restaurant or this Agreement (however Franchisee is allowed to transfer up to twenty percent (20%) of its shares or other ownership interests as described below), except in the ordinary course, of business, or make any lease or sublease of any property Franchisee is leasing or subleasing in connection with the Restaurant, without our prior written consent. Any attempted sale, assignment or transfer of any interest in Franchisee, the Franchised Business, and/or its assets, the Restaurant or this Agreement without our prior written consent will be a default under the terms of this Agreement and will be voidable by us. In granting any such consent, we may impose reasonable conditions, including, without limitation, the following:

1. Franchisee must be in full compliance with the terms of this Franchise Agreement, including being paid in full on all fees due and having settled all outstanding accounts with us, our affiliates and all suppliers;
2. The proposed transferee (if an Entity then its Owners) must meet our then-applicable standards;
3. The proposed transferee (or its owners if an Entity, managers, directors or officers) must not operate a franchise, license another or operate businesses offering products and services similar, to those offered by a Smoking Pig BBQ Restaurant;
4. We shall charge a flat transfer fee of five thousand dollars (\$5,000) to Franchisee when transferring a part of its Franchise Business (defined as up to 49% of the stock, membership units, partnership units or share of any business trust); or a flat transfer fee of ten thousand dollars (\$10,000) when Franchisee transfers its entire Franchise Business upon our written consent (defined as all other transfers). The term "flat transfer fee" means that Franchisee shall pay this amount regardless of whether our actual cost to process the transfer is higher or lower than such amount. The flat transfer fee will include, but not be limited to, reasonable attorney's fees actually incurred, the cost of investigating the transferee and our administrative expenses (including employee salaries, sales staff commissions, travel costs, out of pocket costs properly attributable to the transfer). In addition, if the transferee was already in our lead database at the time of first contact between Franchisee and the transferee, we may require Franchisee to pay a referral fee (which amount will be customary for the transaction), in addition to the flat fees of five thousand dollars (\$5,000) or ten thousand dollars (\$10,000) described above, plus the amount of any broker fees that we are responsible for paying to third parties (does not include our employees);
5. Transferee must pay for and successfully complete the training programs then required of new franchisees at a cost of two hundred dollars (\$200) per person per day and our expenses, subject to increase from time to time.
6. Franchisee shall have substantially complied with all the terms and provisions of this Agreement, any amendment hereof or successor hereto, or any other agreements between the Franchisee and our subsidiaries or affiliates and, at the time of transfer, shall not be in default;
7. Franchisee shall have executed a general release, in a form satisfactory to us, of any and all claims against us and our officers, directors, shareholders, and employees, in their

corporate and individual capacities, including, without limitation, claims arising under federal, state, and local laws, rules, and ordinances;

8. The transferee (and, if the transferee is other than an individual, such principals and/or owners of a beneficial interest in the transferee as we may request) shall enter into a written assumption agreement, in a form satisfactory to us, assuming and agreeing to discharge all of Franchisee's obligations, known by transferee after reasonable inquiry, under this Agreement and/or any new franchise agreement;
9. The transferee must meet our subjective and objective standards, including all quality standards, and demonstrate: experience, talent, skills, educational, managerial, business and financial capacity, the aptitude and ability to operate a Smoking Pig BBQ restaurant; and adequate financial resources and capital to operate the Restaurant;
10. The transferee (and, if an Entity its Owners of a beneficial interest in the transferee as we may request) shall execute and agree to be bound by the then current form of this Agreement, which form may contain provisions that materially alter the rights or obligations under this Agreement. Alternatively, we may in our sole discretion require the transferee to sign the then current form of this Agreement then being used by us, but where the term will end on the expiration date of this Agreement and with such renewal term, if any, as may be provided by this Agreement and the following requirement apply: (i), the transferee shall sign all other ancillary agreements as we may require for the Franchise Business as required under the then current form of this Agreement, which agreements shall supersede this Agreement in all respects, and (ii) additional changes to the terms of the Agreement may be made at our sole discretion, which include, without limitation, higher royalty fee payments, advertising contributions and renewal rights;
11. The transferee, at its expense, shall upgrade the Restaurant (including all Vehicles) to conform to our then-current standards and specifications of the System and shall complete the upgrading and other requirements within the time specified by us;
12. Franchisee shall remain liable for all of the obligations to us in connection with the Franchise Business it incurred prior to the effective date of the transfer and shall execute any and all instruments reasonably requested by us to evidence such liability;
13. Franchisee must obtain and submit satisfactory evidence of transfer or consent of lenders, lessors and governmental authorities for all material permits, approvals and licenses;
14. Franchisee may transfer up to twenty percent (20%) of its shares or other ownership interests to any person or entity, in the aggregate, without invoking this provision, provided that in connection with any such transfer of more than ten percent (10%) ownership the transferee executes the same Guaranty and other agreements which would be required upon execution of this Agreement by Franchisee, if such transferee had then been the owner of such percentage of Franchisee's shares or other ownership interests. Franchisee's transfer of an ownership interest without complying with the foregoing, or transfers of more than twenty percent (20%) ownership in the Franchisee's entity, in one or more transfers, without our prior written approval is a material breach of this Agreement;

15. The transferee shall agree to a sublease or to a transfer and assignment, and assumption of the lease of the Restaurant from the original Franchisee and shall obtain the landlord's approval if required prior to any transfer or sublease, if applicable;
16. The transfer must be completed in compliance with the terms of any applicable leases and other agreements and with all applicable laws, including but not limited to licensing and operations-related laws and/or laws governing franchise sales;
17. Franchisee agrees that we may (but are not required to) discuss with Franchisee and/or the proposed transferee any matters related to any transfer at any time which we consider to be appropriate in our Business Judgment without liability (including our opinion of the terms of sale, performance of the Franchise, etc.). Franchisee expressly consents to any such discussions by us and we may contact any proposed transferee directly regarding such matters or otherwise;
18. Neither Franchisee nor any transferee shall rely on us to assist in the evaluation of the terms of any proposed transfer. Franchisee acknowledges and agrees that an approval of a proposed transfer shall not be deemed to be an approval of the terms, nor any indication as to any likelihood of success or economic viability;
19. Franchisee and its Owners and/or Principals will agree not to compete, not to divert business or attempt to hire employees, after the transfer in accordance with restrictions acceptable to us and substantially similar to those described in Section XIX.C of this Agreement; and
20. Franchisee and its Owners and/or Principals will not directly or indirectly at any time or in any manner (except with respect to other Smoking Pig BBQ Restaurants that Franchisee or its Principals own and operate) identify itself or any business as a current or former Smoking Pig BBQ restaurant owner or as one of our franchise owners; use any Mark, any colorable imitation of a Mark, or other indicia of a Smoking Pig BBQ restaurant in any manner or for any purpose; or utilize for any purpose any trade name, trade or service mark or other commercial symbol that suggests or indicates a connection or association with us as described in Sections XXIV.A and XXIV.C of this Agreement.

In addition, the Franchisee must submit copies of the draft Asset Purchase Agreement or Ownership Purchase Agreement, all draft Promissory Notes, and Security Agreements, with the transferee, regardless of whether they are Franchisee financed or lender financed. In addition to all other grounds for rejection, we have the right to reject any proposed purchase of the assets of the Franchised Business or any type of ownership interest in the Franchisee or Franchised Business if the proposed transferee has, in our sole opinion, taken on too much debt.

C. Transfer, Sale or Assignment by Franchisor and Franchisor's Right of First Refusal

Franchisee acknowledges that we have an unrestricted right to sell, transfer or assign our rights or obligations under this Agreement to any transferee or legal successor of ours.

We have a right of first refusal regarding any proposed sale, assignment or transfer by Franchisee subject to this Agreement. During the term of this Agreement, if Franchisee, or any of its Owners wish to sell, assign or otherwise transfer an interest in this Agreement, the Franchised Business and/or its assets, or an ownership interest in Franchisee (collectively, the "Interest"), then Franchisee will comply with the requirements of Sections XXII.B, XXII.C and XXII.E of this Agreement.

Franchisee will notify us within ten (10) days after Franchisee has commenced discussions or communications even if preliminary, regarding such a proposed sale, assignment or transfer and then send us written updates of the status of such discussions or communications every thirty (30) days thereafter unless and until such discussions or communications have ceased, in which case Franchisee must notify us in writing within five (5) business days that such discussions or communications have ceased. Whether the discussions have ceased or not, at our option, we may require Franchisee to send us, by certified mail or other receipted delivery, copies of any materials or information sent to the proposed buyer or transferee regarding the possible transaction. Before agreeing to any such transaction, Franchisee and its Owners agree to obtain from a responsible and fully disclosed buyer, and then send us, a true and complete copy of a bona fide, executed written offer (which may include a letter of intent) relating to any proposed transfer. The offer must include details of the payment terms of the proposed sale and the sources and terms of any financing for the proposed purchase price. The bona fide offer with the proposed purchase price must be in a dollar amount, and the proposed buyer must submit with its offer a ten thousand dollar (\$10,000) earnest money deposit (if a proposed disposition is part of a transaction involving additional Franchised Businesses, operating under other Franchise Agreements or license agreements with us, the proposed buyer must pay Franchisee this earnest money deposit for each Smoking Pig BBQ Restaurant involved).

To enable us to determine whether we will exercise our option, Franchisee or its Owners, shall provide such information and documentation, including financial statements, as we may require (as noted below). If we elect to purchase said Interest, closing on such purchase must occur within ninety (90) days from the date of notice to the Franchisee of our election to purchase said Interest. Our right to exercise the option afforded by this Section XXII.C shall not constitute a waiver of any other provision of this Agreement, including all of the requirements of Section XXII.B, with respect to a proposed transfer of any Interest. Any later change in the terms of any offer prior to closing shall constitute a new offer subject to the same rights of first refusal by us as in the case of an initial offer.

We may, by delivering written notice to Franchisee or its Owners within thirty (30) days after we receive both an exact copy of the offer and the Preliminary Due Diligence Package (the date on which we have received the exact copy of the offer and the Preliminary Due Diligence Package is called the “Trigger Date”), notify Franchisee of our non-binding preliminary intent to purchase or not to purchase the interest proposed to be sold. The “Preliminary Due Diligence Package” is information and copies of documents (where applicable) that Franchisee supplies to us which consists of Franchisee’s Restaurant financial statements (including weekly and monthly revenue information) for the preceding three (3) years, a copy of the Restaurant’s current lease or sublease (if applicable and if we do not already have it), information about the number and compensation of employees working at the Restaurant, the Franchisee’s merchant account printouts for the past three (3) years, the Franchisee’s bank statements for the past three (3) years along with a description of competing barbeque restaurants or other type of food service businesses offering similar Products and Services operating within the Territory or Non-Traditional Location (if operating a Non-Traditional Location). If we notify Franchisee within thirty (30) days after the Trigger Date (the “First Notice Deadline”) that we are preliminarily interested in exercising our right of first refusal, we will have an additional thirty (30) days after the First Notice Deadline both to conduct our due diligence and then to notify Franchisee of either our binding intent to exercise our right of first refusal or our decision not to exercise this right. This additional period is called the “Due Diligence Deadline”. If we elect to purchase the interest proposed to be sold for the price and on the terms and conditions contained in the offer:

- 1) We may substitute cash for any other form of payment proposed in the offer (such as ownership interests in a privately-held entity);
- 2) Our credit is equal to the credit of any proposed buyer (meaning that, if the proposed consideration includes promissory notes; we may provide promissory notes with the same

terms as those offered by the proposed buyer, except as to subordination). Regarding subordination, Franchisee acknowledges and agrees that our obligations under the promissory notes then outstanding to any and all lenders, although senior to the equity rights of its owners will also be senior to the promissory notes given to Franchisee;

- 3) We will have an additional thirty (30) days after the Due Diligence Deadline to close; and
- 4) We must receive, and Franchisee agrees to provide, all customary representations and warranties given a seller of assets of a similar business or the ownership interests in a similar legal entity, as applicable, including, without limitation, representations and warranties regarding:
 - (i) Ownership and condition of and title to ownership interests and/or;
 - (ii) Liens and encumbrances relating to ownership interests and/or assets;
 - (iii) Validity of contracts and the liabilities, contingent or otherwise, of the entity whose ownership interests are being purchased;
 - (iv) All products, supplies, kitchen equipment, Vehicles, technology items (as described in Section XII.I) and other such items necessary to operate the Restaurant is in good working condition and suitable for use;
 - (v) No litigation or administrative proceedings pending against the Franchisee, or any of its officers, directors, or Owners arising out of the Franchisee's Restaurant;
 - (vi) No notices from any federal, state, or local governmental authority to make any changes to the Restaurant or that negatively affect it;
 - (vii) The Franchisee has the authority to sell the assets of its Restaurant, including a copy of all director and/or Owner resolutions;
 - (viii) The Franchisee will comply with the Bulk Sales Act, if it is required under the laws of the Franchisee's state;
 - (ix) There will be no material adverse change in the operation of the Franchisee's Restaurant between the date of signature of any Asset Purchase Agreement, and the date of settlement;
 - (x) There are no tax or employee claims or issues; and
 - (xi) The Franchisee will not enter into any transaction between the date of signature and the date of settlement other than in the ordinary course of business.

D. Transfer Upon Death or Mental Incapacity

Upon the death or mental incapacity of any person with an interest in a Smoking Pig BBQ Restaurant, the executor, administrator, or personal representative of that person must transfer such interest to a third party approved by us within six (6) months after death or mental incapacity. These transfers, including, without limitation, transfers by devise or inheritance, will be subject to the same restrictions and conditions as any inter vivos transfer. However, in the case of a transfer by devise or

inheritance, if the heirs or beneficiaries of any deceased person are unable to meet the conditions of this Agreement, the personal representative of the deceased Franchisee shall have six (6) months to dispose of the deceased's interest in the Restaurant, which disposition will be subject to all the terms and conditions for transfer contained in this Agreement. If the interest is not disposed of within six (6) months, we may terminate this Agreement.

Upon the death of the Franchisee or if an Entity, an Owner who owns more than forty nine percent (49%) or more of the Restaurant or in the event of any temporary or permanent mental or physical disability of such person, a manager shall be employed for the operation of the Restaurant who has successfully completed our training courses to operate the Restaurant on behalf of the Franchisee. If after the death or disability of the named Owner, the Restaurant is not being managed by such trained manager, we may at our option, appoint a manager to maintain the operation of the Restaurant until an approved transferee or manager will be able to assume the management and operation of the Restaurant, but no such operation and management of the Restaurant will continue for more than ninety (90) days without the approval of the personal representative of the named Owner (renewable as necessary for up to one year) and we will periodically discuss the status of the Restaurant with the personal representative of the named Owner; such manager shall be deemed an employee of the Franchisee. All funds from the operation of the Restaurant during the period of management by such appointed or approved manager shall be kept in a separate fund and all expenses of the Restaurant, including compensation of such manager, other costs and travel and living expenses of such appointed or approved manager (the "Management Expenses"), shall be charged to such fund. As compensation for the management services provided, in addition to any other fees due, we shall charge such fund the full amount of the direct expenses incurred by us during such period of management for and on behalf of Franchisee, provided that we shall only have a duty to utilize reasonable efforts and shall not be liable to Franchisee, the named Owner or personal representative of the named Owner, the Entity or any person or entity having an interest therein for any debts, losses or obligations incurred by the Restaurant, or to any creditor of Franchisee or the named Owner during any period in which it is managed by our appointed or approved manager.

Within thirty (30) days after the effective date of legal transfer of the franchise to Franchisee's heirs or successors of Franchisee's Owners, the heirs or successors must notify us in writing and make application for approval of such transfer. The application for such transfer is subject to the same conditions, procedures and costs as any other transfer except that there will be no transfer fee.

E. Transfer, Sale or Assignment to Third Party

If we do not exercise our right to purchase within thirty (30) days pursuant to Section XXII.C, Franchisee may thereafter transfer, sell or assign the Interest to a third party, but not at a lower price or on more favorable terms than disclosed to us in writing. The sale is subject to our prior written approval as specified in this Agreement.

If Franchisee does not complete the sale to the proposed buyer within ninety (90) days after we notify Franchisee that we do not intend to exercise our right of first refusal (whether or not the First Notice Deadline or the Due Diligence Deadline has expired), or if there is a material change in the terms of the sale (which Franchisee must communicate promptly to us), we will have an additional right to accept the sale during the thirty (30) day period following either the expiration of that ninety (90) day period or our receipt of notice of the material change(s) in the sale's terms, either on the terms originally offered or the modified terms, at our option. If Franchisee does not complete the sale to the proposed buyer within an additional ninety (90) days, then any proposed sale or transfer thereafter once again must comply with all of the provisions of Sections XXII.B, XXII.C and XXII.E, as though there had not previously been a proposed sale or transfer.

In addition to its other obligations, such as obtaining our prior written approval, if Franchisee sells or offers to sell ownership interests, the sale of which is regulated by any applicable law, Franchisee must: (i) fully comply with all applicable laws, (ii) disclose to offerees and purchasers that neither we nor our employees, affiliates or agents are an issuer or underwriter, or are in any way liable or responsible for the offering, (iii) ensure that we have a reasonable time to review any reference to us or our franchisees in any prospectus or offering documents before their distribution or use, (iv) pay our actual legal costs incurred for our review, (v) indemnify us, our officers, owners, directors, employees, affiliates, and agents from any liability, cost, damage, claim, and expense and from any and all obligations to any person, entity or governmental agencies arising out of or relating to the offer, sale or continuing investment, (vi) sign such further indemnities and provide such further assurances as we may reasonably require and (vii) disclose our ownership rights to all trademarks, service marks, trade names, logos, trade secrets, copyrights and patents.

If any provision of this Agreement is inconsistent with a valid applicable law, the provision will be deemed amended to conform to the minimum standards required. We and Franchisee may execute an addendum setting forth certain of these amendments applicable in certain jurisdictions, so long as and to the extent that, then applicable laws referred to in the addenda remain in effect.

F. Resale Assistance of Franchised Business

Franchisee may, at any time, request our assistance in locating a buyer for its Restaurant. We may, at our option, provide such assistance in accordance with the policies and procedures as set forth in the Operations Manual. We reserve the right to charge Franchisee a fee to cover our reasonable costs and expenses (including the time committed by our employees) incurred in providing such assistance. If we elect to assist Franchisee in finding a buyer for the Restaurant in any way, we make no promises or commitments to Franchisee that a buyer will be located or that anyone will be willing to purchase the Restaurant at a price acceptable to Franchisee. We reserve the right to reject any proposed sale based on our determination, in our sole discretion, that the purchase price or purchase terms agreed to between Franchisee and any prospective buyer is excessive or will not enable the buyer to succeed as a franchisee in the System, and by requesting our assistance Franchisee waives any liability claims it may have against us for such rejection.

XXIII. TERMINATION OF FRANCHISE

A. Impact of Statutes Upon Franchise Agreement

Some state laws provide certain rights to franchisees located in a particular state, including: (1) limitations on our ability to terminate a franchise except for good cause; (2) restrictions on our ability to deny renewal of a franchise; (3) circumstances under which we may be required to purchase certain inventory when a franchise is terminated or not renewed in violation of the statute; and (4) provisions relating to arbitration. To the extent that the provisions of this Franchise Agreement are inconsistent with the terms of such state laws, the terms of the applicable state laws may control in those states.

Termination or modification of a lease or contract upon the bankruptcy of one of the Parties may be unenforceable under the Bankruptcy Act of 1978, Title II, U.S. Code, as amended.

B. Termination by Franchisor with Right to Cure

Except as otherwise provided in this Agreement, upon any material default by Franchisee under this Agreement or any other agreement between Franchisee and us or our affiliates, we may terminate this Agreement only by giving written notice of termination stating the nature of such default to

Franchisee at least sixty (60) days prior to the effective date of termination; provided, however, that Franchisee may avoid termination by immediately initiating a remedy to cure such default, curing it to our satisfaction, and by promptly providing proof thereof to us within the sixty (60) day period. If the Franchisee does not cure all such defaults within the specified time, or such longer period as applicable law may require, this Agreement shall terminate without further notice to Franchisee effective immediately upon the expiration of the sixty (60) day period or such longer period as applicable law may require. We may terminate this Agreement by written notice to Franchisee for Franchisee's material breach of this Agreement or of any other agreement between Franchisee and us or our affiliates, if Franchisee fails to cure the breach within sixty (60) days after written notice is delivered to Franchisee, provided that this Agreement does not prescribe a different cure period for such breach. Any breach relating to any violation of health or safety laws must be cured within seventy-two (72) hours of notice or such shorter period prescribed by law. Any default for failure to pay monetary amounts must be cured within five (5) days or shorter period as is provided by law.

XXIV. FRANCHISEE'S OBLIGATIONS UPON TERMINATION OR EXPIRATION

A. Franchisee Shall Cease Using Names and Marks

Franchisee further agrees that, upon termination or expiration of this Agreement, Franchisee shall immediately and permanently cease to use, by advertising, or any manner whatsoever, any Confidential Information, methods, trade secrets, procedures, descriptions of Products and Services associated with us and the Names and Marks and any proprietary marks and any forms, slogans, symbols, signage, logos or devices associated with the System. Franchisee agrees, in the event it continues to operate or subsequently begins to operate any other business, not to use any reproduction, counterfeit, copy or colorable imitation of the Names and Marks, either in connection with such other business or in the promotion thereof, which is likely to cause confusion, mistake or deception, or which is likely to dilute our exclusive rights in and to the Names and Marks, and further agrees not to utilize any designation of origin or description or representation which falsely suggests or represents an association or connection with us or a former association or connection with us.

D. Franchisee Shall Cancel Assumed Names and Transfer Phone Numbers

Franchisee further agrees that upon termination or expiration of this Agreement, Franchisee shall take all action necessary to cancel all assumed names or equivalent registrations relating to its use of any or all of the Names and Marks. Franchisee shall take all actions necessary to transfer all phone numbers, addresses, domain names, listings and location contacts for the Restaurant and/or used in the Restaurant to us or our designee, including but not limited to authorizing all telephone, Internet, email, electronic network, directory and listing entities to effectuate the same.

Franchisee further acknowledges that this Agreement will constitute a release by Franchisee of the above Internet authorities from any and all claims, liabilities, actions and damages that Franchisee may, at any time, have the right to allege against them in connection with this provision.

F. Franchisee Must Return Operations Manuals and Other Materials

Franchisee further agrees that upon termination or expiration of this Agreement, it will immediately return to us all copies of the Operation Manual, training materials and any other materials, which have been loaned to Franchisee by us. Franchisee further agrees to turn over to us all items containing any of the Marks, including all vendor and customer lists and contracts for the Franchised Business.

G. Franchisor May Purchase Assets

We shall have the right of first refusal to purchase or assume Franchisee's interest in the Franchised Business, or in its assets on the same terms as those contained in a bona fide offer from a third party. As used in this Section, "Assets" means leasehold improvements, all kitchen equipment, furnishings, fixtures and technology items (as described in Section XII.I), signage, products, inventory (such as non-perishable products, ingredients, supplies, merchandise, forms or materials (such as take-out menus) in addition to all advertising and marketing materials), Vehicles and the lease or sublease for the Restaurant. This right is governed by time limits and procedures described in this Agreement with respect to our right of first refusal in the event of an assignment. If we exercise our right of first refusal, Franchisee must transfer Franchisee's interest in the Franchised Business and in the Assets.

If Franchisee is selling its Assets, we shall have the right (but not the duty), to be exercised by notice of intent to do so within thirty (30) days after termination or expiration, to purchase any or all Assets and items bearing our Names and Marks, at fair market value (less the amount of any outstanding liens or encumbrances). In the event that we and Franchisee cannot agree on fair market value, then the fair market value shall be determined in good faith by an independent third-party appraisal. We and Franchisee shall mutually agree upon an appraiser. We and Franchisee shall mutually agree upon an appraiser. If we and Franchisee cannot agree on one appraiser, then we and the Franchisee shall each select one independent, qualified appraiser and the two shall select a third appraiser and all three shall determine the fair market value of the Assets we have elected to purchase. If the difference between the appraisal of the Franchisee's appraiser is greater than the difference between the appraisal of our appraiser and the independent appraiser, the Franchisee shall pay all costs and expenses of the three appraisers. Otherwise all expenses of the third appraiser shall be equally shared by us and we and Franchisee shall each be responsible for the expenses incurred by our respective appraisers. For any items that display the Marks such as: any décor, signage, take-out menus, marketing, advertising and/or promotional materials (regardless of when the item was purchased), the fair market value is agreed to be zero, except for any Vehicles. However, for any of our Proprietary Products or products that display our Marks, fair market value shall be deemed to be ten percent (10%) of the Assets original cost. We and Franchisee agree that the terms and conditions of our right and option to purchase the Assets may be

recorded, if deemed appropriate by us. If we elect to exercise any option to purchase the Assets as herein provided, we shall have the right to set off any amounts due from Franchisee.

Except as otherwise provided in this Agreement, Franchisee shall retain whatever interest it may have in the Assets of the Franchised Business.

H. Franchisee Must Pay Monies Owed to Franchisor; Liquidated Damages

Franchisee shall pay to us or our affiliates, within thirty (30) days after the effective date of termination or expiration of this Agreement, such Royalty Fees, System Advertising Fund Fees, other advertising fees, payments or any other sums owed to us or our affiliates by Franchisee, which are then unpaid. Franchisee shall pay to us or our affiliates all damages, costs, and expenses, including reasonable attorney's fees, incurred by us in obtaining injunctive or other relief for the enforcement of any provisions of Sections XIX and XXIV.

In the event of termination of this Agreement prior to its expiration date, Franchisee acknowledges that the parties have considered the following in determining the amount of liquidated damages ("Damages"): (i) that the amount of Damages is reasonable under the circumstances existing at the time this Agreement is made; (ii) that the amount of Damages bears a rational relationship to the damages the parties anticipate would flow from the breach of this Agreement; (iii) the agreement to the amount of the Damages is necessary because actual damages are difficult or impossible to prove; and (iv) the amount of the Damages are not so large that they act as a penalty. Franchisee accordingly agrees that in such event it shall be obligated to pay to us, the amount of the Damages which is the total of all Royalty Fees and System Advertising Fee payments that we would have received, if this Agreement remained in effect until its scheduled expiration date, subject to the following: This amount of Damage shall be calculated by adding together the average monthly Royalty Fee payments and the average System Advertising Fund Fee payments that were paid to us during the previous twelve (12) months for either the remaining term of this Agreement or two (2) years (whichever comes first). If the Franchisee has not made twelve (12) months of payments, then the number of payments it has made will be used to calculate the average of Royalty Fee and System Advertising Fund Fee payments. Such payments shall be due to us within thirty (30) days after the effective Date of Termination or expiration.

XXV. PROVISIONS RELATING TO ENFORCEMENT

A. Franchisee May Not Withhold Payments Due Franchisor

Franchisee agrees that he or she will not withhold payments of any Royalty Fees, System Advertising Fees or any other amounts of money owed to us for any reason, on grounds of alleged nonperformance by us of any obligation. All such claims by Franchisee shall, if not otherwise resolved by us and Franchisee, be submitted to mediation and/or arbitration as provided in this Agreement. The Franchisee has no right of offset or set off to any amounts due and owing to us.

B. Severability

All provisions of this Agreement are severable, and this Agreement shall be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein, and any partially valid and enforceable provisions shall be enforced to the extent valid and enforceable. If any applicable law or rule requires a greater prior notice of the termination of this Agreement than is required hereunder or requires the taking of some other action not required hereunder, the prior notice or other action required by such law or rule shall be substituted for the notice or other requirements.

C. Mediation

The Parties agree to mediate any dispute or claim arising between them out of this Agreement, or any resulting transaction before resorting to arbitration as set forth in Section XXV.D. Any party to this Agreement may initiate mediation by serving a written demand on the other party stating the particulars of the demand being served. Mediation fees shall be divided equally among the parties involved. Before any mediation commences, the parties will agree to a date and/or certain event which will constitute a completion of the mediation process. All mediations shall be held in Alameda County, California. If, for any dispute or claim to which this paragraph applies, any party commences an action without first attempting to resolve the matter through mediation or refuses to mediate after a request has been made, then the other party (“Mediating Party”) shall be entitled to recover attorney’s fees and costs, even if such Mediating Party was not otherwise entitled to recover its attorney fees and cost in any arbitration or legal action between the parties pursuant to the terms of this Agreement. This mediation provision applies whether or not the arbitration provision is initiated. It shall be held at the same venue as for arbitration as described in Section XXV.D.

D. Arbitration

Except as we elect to enforce this Agreement by judicial process , injunction, or specific performance (as provided below), all disputes and claims relating to any provision hereof, any specification, standard or operating procedure, or any other obligation of Franchisee prescribed by us, or any obligation of us, or the breach thereof (including, without limitation, any specification, standard or operating procedure or any other obligation of Franchisee or us, which is illegal or otherwise unenforceable or voidable under any law, ordinance, or ruling) shall be settled by mandatory binding arbitration in Alameda County, California. Arbitration must be in accordance with the then current Commercial Rules of the American Arbitration Association (“AAA”) and, where applicable, the provision of the Federal Arbitration Act, i.e. 9 USC §1, et al; and provided that at our option or the Franchisee that the arbitrator shall be selected from a list of retired federal or state judges supplied by the American Arbitration Association which could include an attorney with twenty (20) years or more franchise experience. The actual selection of the arbitrator from the list will be in accordance with the procedures for selecting an arbitrator under the Commercial Rules of the AAA. The parties agree that, in connection with any such arbitration proceeding, each will submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 1-3 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. The parties further agree that arbitration will be conducted on an individual and not a class-wide or multiple plaintiff basis.

The Party having an arbitrable claim will have one (1) year from the date of discovery but not to exceed two (2) years from the date the claim occurred, in which to settle the claim or to commence arbitration on the claim. Otherwise the claim or demand will be deemed abandoned and shall be barred. The arbitrator shall allow discovery in accordance with the California Rules of Civil Procedure and may apply the sanctions relating to noncompliance with discovery orders therein provided. The arbitrator shall issue a written opinion explaining the reasons for his or her decision and award and the arbitrator shall have the right to award or include in the award the specific performance of this Agreement. Unless specifically provided for by applicable statute, no punitive or exemplary damages shall be awarded against either us or Franchisee, or entities related to them, in an arbitration proceeding or otherwise, and are hereby waived. Judgment upon the award of the arbitrator will be entered in any court having competent jurisdiction thereof or of us or of Franchisee. During the pendency of any arbitration proceeding hereunder, Franchisee and we shall fully perform their respective obligations pursuant to the terms and conditions of this Agreement. Arbitration fees shall be shared equally, and the prevailing party shall be entitled to their attorney fees, provided should there be no prevailing party each party shall pay their own attorney fees.

This arbitration provision shall not apply to any of the following disputes or controversies: any action for injunctive or other provisional relief including but not limited to enforcement of liens, security agreements, or attachment, as we deem to be necessary or appropriate to compel Franchisee to comply with Franchisee's obligations to us and/or to protect the Names and Marks or any claim or dispute involving or contesting the validity of any of the Names and Marks, or any claim or dispute involving any of the Confidential Information, trade secrets or copyrights provided by us to the Franchisee under this Agreement.

E. Rights of Parties Are Cumulative

The rights of us and Franchisee are cumulative, and the exercise or enforcement by us or Franchisee of any right or remedy shall not preclude the exercise or enforcement by us or Franchisee of any other right or remedy hereunder which we or Franchisee are entitled by law to enforce by the provisions of this Agreement or of the Operations Manual. In addition, both Parties agree that during any type of dispute or claim neither Party will attempt to: publicly publish any proceedings, make any publicly available claims; or make any disparaging statement which could tarnish the reputation of the other Party.

F. Judicial Enforcement, Injunction and Specific Performance

Notwithstanding anything to the contrary contained in Section XXV.D above relating to arbitration, we shall have the right to enforce by judicial process our right to terminate this Agreement for the causes enumerated in Section XXIII of this Agreement, to collect any amounts owed to us for any unpaid Royalty Fees, or other unpaid fees or charges due hereunder, arising out of the business conducted by Franchisee pursuant hereto, and to pursue any rights we may have under any leases, subleases, sales, purchases, or security agreements or other agreements with Franchisee. We shall be entitled, without bond, to the entry of temporary or permanent injunctions and orders of specific performance enforcing any of the provisions of this Agreement. If we secure relief by judicial enforcement, Franchisee agrees to pay to us an amount equal to the aggregate costs of obtaining such relief, including, without limitation, reasonable attorneys' fees, costs of investigation, court costs, and other litigation expenses, travel, accommodations, food, other expenses and any damages incurred by us as a result of the Franchisee's breach of any provision of this Agreement.

No amendment to this Agreement shall be binding on either party unless mutually agreed to by the parties in writing. The Operations Manual may be amended at any time by us, and Franchisee shall adopt its methods or procedures to comply with the requirements thereof.

No failure of us to exercise any power reserved to us by this Agreement or to insist upon strict compliance by Franchisee with any obligation or condition hereunder, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of our right to demand exact compliance with any of the terms herein. Waiver by us of any particular default or breach by Franchisee shall not affect or impair our rights with respect to any later default or breach of the same, similar or different nature, nor shall any delay, forbearance, or omission, breach or default by us to exercise any power or right arising out of any breach or default by Franchisee of any of the terms, provisions, or covenants hereof, affect or impair our right to exercise the same, nor shall such constitute a waiver by us of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

SCHEDULE 6
SMOKE AND SPICE GROUP, INC.
COLLATERAL ASSIGNMENT OF LEASE

Franchisee: _____

Franchisor: Smoke and Spice Group, Inc.

Date of this Collateral Assignment of Lease (the "Assignment"): _____

The Franchisee, to effect various provisions of that certain Franchise Agreement dated _____, 20 __, by and between Franchisee and Franchisor (the "Franchise Agreement"), hereby collaterally assigns to Franchisor (subject to the terms and conditions below) all of Franchisee's right, title and interest in, to and under that certain lease (the "Lease") dated _____ 20__, between Franchisee and _____, ("Landlord"), for that property commonly known as: _____ (the "Premises"), a copy of which Lease is attached to this Assignment.

NOW, THEREFORE, for and in consideration of the mutual covenants herein contained, the sum of Ten Dollars (\$10.00) and other good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, and notwithstanding anything in the Lease to the contrary, it is hereby agreed as follows:

No material modification or amendment of the Lease shall occur or be effective without the prior written consent of Franchisor.

Except as provided in the Franchise Agreement, the Franchisor will not take possession of the Premises under this Assignment until and unless there is a default by Franchisee under the Lease or a termination, cancellation, rescission or expiration of the Franchisee's rights, or a default by Franchisee, under the Franchise Agreement. In such event(s), the Franchisor (or its designee) may (but has no obligation to) take possession of the Premises and assume the Franchisee's rights under the Lease, and, in such event, Franchisee will have no further right, title or interest in or under the Lease or to the Premises, all such rights thereby passing to the Franchisor or its designee, without the Landlord's further consent. The Franchisee will fully cooperate therewith and do all acts necessary or appropriate thereto. The Franchisor will have no liabilities or obligations of any kind arising from, or in connection with, this Assignment, the Lease, the Premises or otherwise until and unless the Franchisor takes possession of the Premises pursuant to this Assignment and, in any event, the Franchisor will only be responsible for those obligations accruing with respect to the Lease after the date of such express assumption. Upon taking possession of the Premises, Franchisor shall be obligated from that date forward to perform all of the duties and obligations of Franchisee under the Lease. Franchisor shall notify Landlord, in writing, within five (5) days of taking possession of the Premises.

The Franchisee will not permit any surrender, termination, amendment or modification of the Lease and will elect and exercise all options to extend the term of or renew, or assume in bankruptcy, the Lease not

less than thirty (30) days prior to the last day that said rights must be exercised. If the Franchisee does not do so, Franchisor may to the extent consistent with the United States Bankruptcy Code (but has no obligation to) do such acts for the account of Franchisee and without any liability or obligation of the Franchisor. Failure of the Franchisor to exercise any remedy hereunder shall not be a waiver of any of its rights. The rights and remedies of the Franchisor under this Assignment are in addition to those which the Franchisor has under the Franchise Agreement or otherwise. This Assignment shall bind, and benefit, Franchisor and Franchisee, and their respective successors and assigns. With respect to Franchisor and Franchisee the dispute resolution provisions (including, but not limited to, mediation, binding arbitration, waiver of jury trial and limitation of damages) of the Franchise Agreement shall apply to this Assignment, and/or any matter related in any way to it, but the Franchisor may, in any event and at its option, proceed with any action in court for possession of the Premises and any related remedies. If there is more than one Franchisee, their obligations are joint and several. As between Landlord and Franchisor and/or Franchisee, the dispute resolution provisions of the Lease shall apply.

In the event Franchisee shall fail to perform or observe any of the terms, conditions or agreements in the Lease, Landlord shall give written notice thereof to Franchisor and Franchisor shall have the right (but not the obligation) to cure such default. Landlord shall not take any action with respect to such default under the Lease, including without limitation any action in order to terminate, rescind or avoid the Lease, for a period of fifteen (15) days following expiration of any cure period Franchisee may have under the Lease with respect to such default; provided, however, that in the case of any default which cannot with diligence be cured within said additional fifteen (15) day period, if Franchisor shall proceed promptly to cure such default and thereafter prosecute the curing of such default with diligence and continuity, the time within which such default may be cured shall be extended for such period as may be necessary to complete the curing of such default with diligence and continuity.

Landlord will recognize and accept the performance by Franchisor of any act or thing required to be done by Franchisee under the terms of the Lease and will accept such performance as if it were performed by Franchisee.

Landlord agrees that in any case commenced by or against Franchisee under the United States Bankruptcy Code, the Franchisor shall have standing to appear and act as a party to the Lease for purposes of the Bankruptcy Code, (but shall not have any obligations under the Lease unless Franchisor expressly assumes the Lease). Landlord shall, during Franchisee's bankruptcy case, serve on the Franchisor a copy of all notices, pleadings or documents which are given to Franchisee, and service shall be contemporaneous with and in the same manner as given to Franchisee. If the Lease or Franchisee's rights under the Lease are terminated, whether by reason of default of Franchisee or Landlord, rejection of the Lease in any bankruptcy case, voluntary surrender and acceptance, or otherwise, then Landlord shall give written notice of such termination to Franchisor. Franchisor or its nominee shall have the option, exercisable by written notice to Landlord delivered not later than the 30th day after written notice that the termination has occurred, to receive from Landlord a new lease of the Premises on the same terms and conditions as the Lease, for the remaining term of the Lease (that is, the portion of the term that would remain absent the termination and the conditions or events causing the same), and such same terms and conditions shall include any extension rights provided for in the Lease.

Any notice or other communication required or permitted to be given under this Assignment shall be in writing and addressed to the respective party as set forth below. Notices shall be effective (i) on the next business day if sent by a nationally recognized overnight courier service, (ii) on the date of delivery by personal delivery and (iii) on the date of transmission if sent by facsimile during business hours on a business day (otherwise on the next business day) (with receipt of confirmation). Any party may change the address at which it is to receive notices to another address in the United States at which business is conducted (and not a post-office box or other similar receptacle), by giving notice of such change of address in accordance with this provision.

Notices to Franchisor, Franchisee or Landlord shall be addressed as follows:

Landlord: _____

This Assignment may be executed in one or more counterparts, each of which when so executed shall be deemed to be an original, but all of which when taken together shall constitute one and the same instrument.

If any portion or portions of this Assignment shall be held invalid or inoperative, then all of the remaining portions shall remain in full force and effect, and, so far as is reasonable and possible, effect shall be given to the intent manifested by the portion or portions held to be invalid or inoperative.

This Agreement shall be governed by and construed in accordance with the laws of the State of _____.

CALIFORNIA

The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise to be delivered together with the Disclosure Document.

The franchisor, any person or franchise broker in Item 2 of the FDD is not subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et. Seq., suspending or expelling such persons from membership in such association or exchange.

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control.

The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et. seq.)

The Franchise Agreement contains a covenant not to compete, which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The Franchise Agreement may contain a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

The franchise agreement requires binding arbitration. The arbitration will occur in Alameda County, California with the costs being borne by the prevailing party. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The Franchise Agreement requires application of the law of California. This provision may not be enforceable under California law.

Section 31125 of the California corporation Code requires us to give you a disclosure document, in a form and containing the information that the Commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

You must sign a general release of claims if you renew or transfer your franchise. California corporations Code §31512 voids a waiver of your rights under the Franchise Investment Law (California corporations Code §§31 000 through 31516). Business and Professions Code §20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§20000 through 20043).

ILLINOIS

Section 4 of the Illinois Franchise Disclosure Act provides that any provision in the Franchise Agreement that designates jurisdiction or venue outside the State of Illinois is void. However, a Franchise Agreement may provide for arbitration in a venue outside of Illinois.

The governing law or choice of law clause described in the Disclosure Document (including a risk factor on the cover page) and contained in the Franchise Agreement may not be enforceable under Illinois law. This governing law clause shall not be construed to negate the application for the Illinois Franchise Disclosure Act in all situations to which it is applicable.

Item 5 of the Disclosure Document and Section 4.1 of the Franchise Agreement is hereby amended if the Attorney General of Illinois requires the following: to provide that all initial franchise fees are deferred, or alternatively, deposited into escrow, until all Franchisor's pre-opening obligations to franchisee have been met and the franchisee is open for business. This deferral requirement has been imposed by the Illinois

Attorney General's Office based upon Franchisor's financial condition. A financial assurance is not required as a condition of registration.

Illinois law requires that the Franchisor give you a copy of the Disclosure Document as registered with the Attorney General together with a copy of all proposed agreements relating to the sale of the franchise before the earlier of:

1. 14 days before our execution of a binding Franchise Agreement or other agreement, and
2. 14 days before the Franchisor receives any payment from you.

Your rights upon termination and non-renewal of the Franchise Agreement are set forth in Section 19 and Section 20 of the Illinois Franchise Disclosure Act.

Section 41 of the Illinois Franchise Disclosure Act provides that any condition, stipulation, or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- A.** A prohibition of the right of a franchisee to join an association of franchisees.
- B.** A requirement that a Franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a Franchisee of rights and protections provided in this act. This shall not preclude a Franchisee, after entering into a Franchise Agreement, from settling any and all claims.
- C.** A provision that permits a Franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the Franchisee to comply with any lawful provision of the Franchise Agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- D.** A provision that permits a Franchisor to refuse to renew a franchise without fairly compensating the Franchisee by repurchase or other means for the fair market value at the time of expiration of the Franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the Franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applied only if:
 - 1.** The term of the franchise is less than 5 years; and
 - 2.** The Franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of Franchisor's intent not to renew the franchise.
- E.** A provision that permits the Franchisor to refuse to renew a franchise on terms generally available to other Franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- F.** A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the Franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- G.** A provision which permits a Franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

1. The failure of the proposed transferee to meet the Franchisor's then current reasonable qualifications or standards.
 2. The fact that the proposed transferee is a competitor of the Franchisor or Sub-Franchisor.
 3. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 4. The failure of the Franchisee or proposed transferee to pay any sums owing to the Franchisor or to cure any default in the Franchise Agreement existing at the time of the proposed transfer.
- H.** A provision that requires the Franchisee to resell to the franchisor items that are not uniquely identified with the Franchisor. This subdivision does not prohibit a provision that grants to a Franchisor a right of first refusal to purchase the assets of a Franchise on the same terms and conditions as a bon fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the Franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the Franchisee has breached the lawful provisions of the Franchise Agreement and has failed to cure the breach in the manner provided in subdivision (c).
- I.** A provision that permits the Franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

Arbitration shall take place at an appointed time and place in the County and State in which Franchisee's franchised business is located. However, nothing contained herein shall be construed to limit or to preclude the parties from bringing any action in any court of competent jurisdiction for injunctive or other provisional relief as the parties deem to be necessary or appropriate to compel either party to comply with its obligations hereunder or to protect the marks or other property rights of franchisor.

VII. The Acknowledgement section is amended to add the following:

Franchisee acknowledges that Franchisee received a copy of this Franchise Agreement, the attachments hereto, if any, and agreements relating thereto, if any, at least seven (7) days prior to the date on which this Agreement was executed.

Additional Disclosure: The following statements are added to Item 17.h.

Under Section 13.1-564 of the Virginia Retail Franchising Act, it is unlawful for a franchisor to cancel a franchise without reasonable cause. If any grounds for default or termination stated in the Franchise Agreement does not constitute 'reasonable cause' as that term may be defined in the Virginia Retail Franchising Act or the laws of Virginia, that provision may not be enforceable.

WASHINGTON

This section operates as an addendum to the Franchise Agreement.

The state of Washington has a statute, RCW 19.100.180 which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There

may also be court decisions which may supersede the franchise agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectible to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

In any arbitration involving a franchise purchased in Washington, the arbitration site shall be either in the state of Washington, in a place as mutually agreed upon at the time of the arbitration, or as determined by the arbitrator.

ACKNOWLEDGEMENT

The undersigned does hereby acknowledge receipt of this addendum and further agrees that the applicable Washington state law addendum, if any supersedes any inconsistent portion of the Franchise Agreement dated _____, 20____, and of the Franchise Disclosure Document.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

NOTES TO FINANCIAL STATEMENTS

For The Period From April 9, 2018 (Inception) To August 31, 2018

NOTE 1 – BUSINESS ACTIVITY

Smoke and Spice Group, Inc. was formed in the state of Nevada on April 9, 2018; the Company is in the business of offering franchises to operate a full-service barbeque restaurant offering southern-style smoked meats, specialty dishes, combination meals, appetizers, beverage and desserts. Unless otherwise indicated, the terms "we," "us," "our," and "Company" refer to Smoke and Spice Group, Inc.

The Company is in its initial start-up phase and is currently in the process of acquiring franchisees to operate in various states.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Revenue Recognition

The company will receive an initial franchise fee from each franchise sale and continuing royalty fees from operating franchises over the life of the franchise. Initial franchise fees are recognized as revenue when all material services or conditions relating to the sale has been substantially performed or satisfied. Continuing royalty fees are considered earned when they become due from the franchisee.

Concentrations of Credit Risk

The Company maintains cash in bank and deposit accounts, which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risk on cash and cash equivalents.

Cash and Cash Equivalents

The Company considers all highly liquid investments with original maturities of three months or less to be cash equivalents.

Long-Lived Assets

The Company reviews long-lived assets to be held and used by an entity for impairment whenever changes in circumstances indicate that the carrying amount of an asset may not be recoverable. As there are no owned assets for the period ended August 31, 2018, no impairment of the carrying values of its long-lived assets existed at August 31, 2018. There can be no assurance, however, that demands for the Company's products or market conditions will not change which could result in impairment losses in the future.

NOTES TO FINANCIAL STATEMENTS

For The Period From April 9, 2018 (Inception) To August 31, 2018

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Property and Equipment

Property and equipment are stated at cost. Depreciation and amortization are generally provided using the straight-line method over the estimated useful lives of the related assets which ranges between 3 to 10 years. At August 31, 2018, the Company did not own any fixed assets.

Income Taxes

Deferred taxes are provided on a liability method whereby deferred tax assets are recognized for deductible temporary differences and operating losses and tax credit carryforwards, and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. The deferred tax liability relates primarily to differences in methods of accounting for long-term contracts for financial reporting and income tax purposes. The deferred tax asset is adjusted for the effects of changes in tax laws and rates on the date of the enactment.

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP®). The preparation of these financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Significant estimates made by the Company's management include, but are not limited to, allowances for doubtful accounts and contracts receivable, the allowance for losses on contracts in process and the percentage of completion on uncompleted contracts. Actual results could materially differ from those estimates.

Fair Value of Financial Assets and Liabilities

We measure and disclose certain financial assets and liabilities at fair value. ASC Topic 820, Fair Value Measurements and Disclosures, defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC Topic 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs that may be used to measure fair value:

Level 1 - Quoted prices in active markets for identical assets or liabilities.

(A Development Stage Company)

NOTES TO FINANCIAL STATEMENTS

For The Period From April 9, 2018 (Inception) To August 31, 2018

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Level 2 - Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

We utilize the active market approach to measure fair value for our financial assets and liabilities. We report separately each class of assets and liabilities measured at fair value on a recurring basis and include assets and liabilities that are disclosed but not recorded at fair value in the fair value hierarchy.

Recently Issued and Adopted Accounting Pronouncements

The Company's management has evaluated recently issued accounting pronouncements through the date of this report and concluded that they will not have a material effect on the financial statements as of August 31, 2018. However, for purpose of financial reporting the Company has elected early adoption of Accounting Standards Update No. 2014-10, issued June 10, 2014, which removes the definition of a development stage entity from ASC Topic 915 and all distinction between development stage entities and other reporting entities under GAAP. As a result, we no longer report financial results showing inception to date.

In May 2014, the FASB issued a new accounting standard ASU No. 2014-09, "Revenue from Contracts with Customers (Topic 606)", that attempts to establish a uniform basis for recording revenue to virtually all industries' financial statements. The revenue standard's core principle is to recognize revenue when promised goods or services are transferred to customers in an amount that reflects the consideration expected to be received for those goods or services. Additionally, the new guidance requires enhanced disclosure to help financial statement users better understand the nature, amount, timing and uncertainty of the revenue recorded. There are two basic transition methods that are available – full retrospective, or modified retrospective transition methods. We will adopt the standards using the modified retrospective approach. The Company does not believe that the adoption of this new accounting standard to have a material impact on its financial position and results of operations.

In February 2016, the FASB issued a new accounting standard on leases. The new standard, among other changes, will require lessees to recognize a right-of-use asset and a lease liability on the balance sheet for all leases. The lease liability will be measured at the present value of the lease payments over the lease term. The right-of-use asset will be measured at the lease liability amount, adjusted for lease prepayments, lease incentives received and the lessee's initial direct costs (e.g. commissions). The new standard is effective for annual reporting periods beginning after December 15, 2018, including interim reporting periods within those annual reporting periods. The adoption will require a modified retrospective approach for leases that exist or are entered into after the beginning of the earliest period presented. The

NOTES TO FINANCIAL STATEMENTS

For The Period From April 9, 2018 (Inception) To August 31, 2018

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Company is currently evaluating the impact of this new accounting standard on its financial position and results of operations. The Company does not believe that any other recently issued but not yet effective accounting pronouncements, if adopted, would have a material effect on the accompanying financial statements.

NOTE 3 – STOCKHOLDERS' EQUITY

During the period ended August 31, 2018, the Company issued 1,000,000 Shares for a total consideration of \$100,043.

NOTE 4 – INCOME TAXES

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes related to differences between the basis of assets and liabilities for financial and income tax reporting. The deferred tax assets and liabilities represent the future tax consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. The provision differs from the expense that would result from applying federal statutory rates to income before income taxes primarily due to state income taxes and certain non-deductible expenses.

NOTE 5 – SUBSEQUENT EVENTS

The Company has evaluated subsequent events through September 5, 2018, the date which the financial statements were available to be issued and nothing has occurred that would require disclosure.
