The franchise is to develop and operate a full-service family style barbeque restaurant under the name "SONNY'S BBQ."

The total investment necessary to begin operation of a Sonny's restaurant ranges from $717,500 to $1,110,500 (excluding real estate and building costs). This includes $35,000 that must be paid to the franchisor.

You may open and operate 2 or more Sonny's restaurants under the terms of the Area Development Agreement. The total investment necessary to begin operation of each restaurant under the Development Agreement is the same as the investment disclosed above, except that you will pay a development fee of $20,000 multiplied by the number of restaurants you agree to develop under the Development Agreement, which is credited toward payment of the Franchise Fee for each restaurant to be opened under the Development Agreement on a pro-rata basis.

What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addend (if any).

See the Table of Contents for the location of the State Specific Addenda.

Special Risk(s) to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

Out-of-State Dispute Resolution. The Franchise Agreement and Area Development Agreement require you to resolve disputes with the franchisor by mediation at a location chosen by the mediator, or arbitration and litigation only in Florida. Out-of-state mediation, arbitration and litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate at a location chosen by the mediator, or arbitrate and litigate with the franchisor in Florida than in your own state.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

ITEM 1

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor is Sonny's Franchise Company, which will be referred to in this Disclosure Document as "Sonny's," "we," "us" or "our." The term "you" or "your" means the person who buys the Franchise. If you are a corporation, partnership or other entity, the term "you" also applies to your owners.

We are a Florida corporation incorporated in September 1980. Our principal business address is 359 Carolina Avenue, Suite A, Winter Park, Florida 32789. We do business under our corporate name "Sonny's Franchise Company", as well as various derivations thereof such as "Sonny's" and "Sonny's BBQ".

We offer to certain qualified individuals or entities franchise rights to own and operate a full-service, family-casual barbecue restaurant under the Sonny's brand pursuant to the terms of a franchise agreement and other ancillary documents ("Franchises"). Our current franchise agreement is attached as **Exhibit C** (the "Franchise Agreement"). You must operate the Sonny's Restaurant according to our mandatory specifications, standards and operating procedures (the "System Standards"). The Restaurant must offer a uniform limited menu, and you must follow all formulae, directions and specifications as to quality and weights of ingredients and products used and serve only approved items in approved packaging. All food items and other products must meet our System Standards and you must purchase certain items only from our approved suppliers. (See Item 8.) Under the Franchise Agreement, you must also operate a catering business providing Sonny's food products at functions outside your Restaurant. Your catering business must comply with our System Standards. Restaurants operated under the Sonny's brand and the System Standards are referred to in this Disclosure Document as "Sonny's Restaurants" or "Restaurants."

We also offer area development rights to certain qualified individuals to develop and operate multiple Sonny's Restaurants within a defined area under an Area Development Agreement (**Exhibit J**). You must open at least 2 Restaurants under the Area Development Agreement.

We (including a predecessor that merged into Sonny's in 1994) have offered franchises for Sonny's Restaurants since 1991 and have operated Sonny's Restaurants since 1980. Our predecessors offered franchises for Sonny's Restaurants from 1977 until 1991. We have not offered franchises in any other line of business and have no business activities other than those described in this Disclosure Document. There are no predecessors or affiliates required to be disclosed in this Item 1. However, Sonny's Advertising Fund, Inc, a non-profit membership organization incorporated in 1995 to manage and administer the Sonny's System Brand Fund, may be considered an affiliate of ours as it provides marketing services to our franchisees. It has never operated a Sonny's Restaurant nor has it ever offered franchises. It has the same principal business address as we do.

The primary market for Sonny's Restaurants is the well-established casual dine in/take out market consisting of a large segment of the general public that seeks moderately priced quality meals for lunch and dinner. The concept of a Sonny's Restaurant is not, however, what may be commonly considered as a "fast food" restaurant. Sonny's Restaurants offer a "sit down" dining experience for lunch and dinner along with drive-thru and curbside pick-up. Sonny's Restaurants do not serve breakfast. A Sonny's Restaurant must offer catering services and must have a drive-thru. It may also sell products from a food truck, subject to Sonny's approval. Sonny's Restaurants compete with various nationally franchised and local independently owned and operated hamburger, chicken and other fast-food restaurants and drive-ins, as well as family oriented and other casual dining restaurants.

You must comply with the specific regulations applicable to the food service industry, which includes periodic inspections by health officials. Also, in serving alcoholic beverages, you must comply with all laws regarding service of alcoholic beverages, which include age restrictions of the customers to whom alcoholic beverages can be sold. Background checks are also normally required of all the owners and certain management personnel before a liquor license will be issued.

Your business is subject to state and federal regulations that allow the government to restrict travel and/or require businesses to close or limit operations during state or national emergencies. Because your business is operated from a destination to which your customers must primarily travel, your business can be affected by such orders more than others.

ITEM 5

INITIAL FEES

The standard initial Franchise Fee is $35,000 (the "Franchise Fee"), which is non-refundable and payable in two installments. You must pay a $5,000 non-refundable application fee which is applied against the $35,000 Franchise Fee at the time you make the application. The application is attached at **Exhibit O**. You must pay the remaining balance of $30,000 when you sign the Franchise Agreement and other related documents. The Franchise Fee is not uniform. For example, existing franchisees may pay us a reduced Franchise Fee to purchase additional Sonny's Restaurant franchises. In 2023, we charged an initial Franchise Fee of $35,000. We may, in the future, charge a different amount than previously charged, or no amount at all for the Franchise Fee. There is no method or formula to make this determination. If we grant a Franchise to any of our affiliates or we open a Sonny's Restaurant, we will not charge a Franchise Fee to that affiliate or for that Restaurant.

If you sign an Area Development Agreement, you will pay a development fee of $20,000 multiplied by the number of Sonny's Restaurants you agree to develop, which must be at least 2 Restaurants. The development fee is due and payable when you sign the Development Agreement and is non-refundable. The development fee is applied against the Franchise Fee for each Restaurant you develop on a pro-rata basis.

We may, in limited circumstances, extend your opening date. If we agree to an extension, you must pay us a non-refundable extension fee of $2,000 per month on a month-to-month basis for up to 6 months.

Explanatory Notes

(1) We reserve the right to charge our affiliates either reduced or no fees. Otherwise, the fees are uniformly imposed subject to differences based upon when a franchise agreement may have been signed, and the signing of a replacement franchise agreement before expiration of the prior franchise agreement. All of the amounts are subject to change.

(2) All of these amounts are imposed and collected by and payable to us. All amounts are non-refundable. You must comply with our procedures and sign the documents we require for direct debits from your business bank operating account. You must make the funds available to us for withdrawal by electronic transfer no later than the payment due date. If you have not timely reported the Gross Receipts to us for any reporting period, we can, at our option, debit your account for 125% of the fees transferred from your account for the last reporting period for which a report of the Gross Receipts was provided to us.

(3) The Royalty Fees and System Brand Fund Contributions must be paid throughout the entire term of the Franchise, and must be paid on a monthly basis. See Item 11 for more information on the System Brand Fund.

(4) The term "Gross Receipts" means all revenue you derive from operating the Restaurant, a catering business and a food truck, if any, including cash, credit, checks, gift certificates sold, or food stamps. Revenue includes: (a) the total price collected for any food or beverage items served or delivered by the Restaurant or catering business, including take-out business, but excluding customer refunds, adjustments, discounts and credits actually made by the Restaurant; and (b) the menu price (or retail price for non-menu items) for any food or beverage items delivered by a third party, without deduction for any discounts or credits provided to the third party or others; and (c) all goods or services received from a vendor, supplier or customer in a barter and/or exchange transaction where you furnish services and/or products, which goods and services will be valued at the full retail price of the goods and/or services provided by you. Gross Receipts" excludes all federal, state or municipal sales, use or service taxes collected from customers and paid to the appropriate taxing authority.

(5) To meet your marketing and advertising requirement you must spend a minimum of 4% of your Gross Receipts on an annual basis on marketing and advertising. Of this 4%, 2% will be paid into the System Brand Fund as a System Brand Fund Contribution, and a minimum of 2% must be spent by you on Local Advertising (20% of this 2% must be spent quarterly). If there is a cooperative advertising program in your market you must contribute 2% of your Gross Receipts to that program, which amount will count toward your Local Advertising. You can always spend additional amounts on Local Advertising.

Within 45 days of the end of each year, you must report to us all of your advertising expenditures during the preceding calendar year. If the full amount of the required advertising expenditures have not been incurred for Local Advertising in any calendar quarter or in any calendar year, you must remit with the report the balance of the funds required to be expended. We will expend on advertising in your market area the amount remitted, less any costs incurred by us in connection with the advertising.

(6) We may require that you join a cooperative advertising program and contribute 2% of your Gross Receipts to that program. Each Sonny's Restaurant (including company-owned Sonny's Restaurants) in the program will be entitled to one vote. There are currently no advertising cooperatives in which we have controlling voting power.

(7) You only pay us this fee if you would like us to consider approving an unapproved supplier. This fee is due before the initial review of that supplier.

(8) This fee is not applicable to the initial training we provide to you at our headquarters when you purchase a Sonny's Franchise.

(9) We may, under certain circumstances, agree to an extension of the date by which you must complete the remodel of your Restaurant. If we agree to an extension, you must pay a non-refundable extension fee of $2,000 per month on a month-to-month basis for up to a 6 month extension.

Explanatory Notes:

(1) These amounts are estimates only and are expressed in ranges other than the initial Franchise Fee. The actual amounts could be more or less than the amounts noted. None of these amounts are refundable.

(2) The initial Franchise Fee is described in Item 5. If you sign an agreement with us to develop more than one Sonny's Restaurant, you will also pay a development fee. (See Item 5.)

(3) You must obtain the land and building for your Restaurant facility. You may use property you already own or lease, or an existing building may be renovated, provided each are suitable. The size of a typical standard Sonny's Restaurant building is generally between 4,000 and 6,300 square feet of air-conditioned space. Land and building costs will vary by location. A Sonny's Restaurant should be a stand-alone facility. In limited circumstances we have approved smaller stand-alone facilities and shopping center units. You must also acquire any licenses and pay any impact fees as required by local laws and make any necessary utility deposits. There has been an increase in laws relating to real estate development and the imposition of additional fees such as transportation impact fees, school impact fees, etc. These fees vary from location to location and can be substantial. In addition, certain governmental jurisdictions require that certain infrastructure (e.g., adequate road capacity, sewers, parks, etc.) be in place before any building permits will be issued, and governmental regulation of site plans such as road access ways, retention/detention, etc. can have a substantial effect on cost of any such development. If you elect to lease the land, then you will incur periodic rent payments and may be required to pay a security deposit and other pre-paid rents at the beginning of the lease. Because real estate costs will vary significantly depending on your location, whether you purchase or lease and other factors, we do not provide an estimate of real estate costs. If you are

leasing or subleasing the property you and your landlord must sign the Landlord's Agreement attached as Exhibit G and the Declaration. If you are obtaining financing, you and your lender must sign the Lender's Agreement attached as Exhibit G.

(4) In addition to restaurant equipment and smallwares, the estimate includes a catering van, portable cooker and miscellaneous items for your catering business.

(5) This estimate is for the computer hardware and software we require, including a point of sale system, guest management, kitchen management and mobile technology, and surveillance and alarms, high definition televisions and an audio visual system. We estimate that the restaurant technology systems, including point of sale system, guest management, kitchen management and mobile technology will cost $32,000 - $40,000; the surveillance and alarm systems from $13,000 - $30,000; and the audio visual systems from $15,000 - $25,000.

(6) These estimates assume the site for your Sonny's Restaurant is pad ready.

(7) This estimate is for your initial start-up expenses during the initial 3 months of operation, including professional and accounting fees, deposits and prepaid expenses, training expenses, uniforms, and deposits, but excludes any salary for you and payroll costs for your employees. These figures are estimates and we cannot guarantee that you will not have additional expenses starting the business. The expenses you incur during the initial start-up period will depend on factors including: how closely you follow our methods and procedures; your management skill, experience and business acumen; local economic conditions; the local market for Sonny's products; the prevailing wage rates; competition; and the sales level reached during the initial period. These estimates include $1,500-$2,000 to purchase marketing materials from our supplier and $1,500 per month for technology costs. We relied on our experience of opening and operating Sonny's Restaurants since 1980 and that of our franchisees in the last year to arrive at these amounts.

(8) These estimates do not include the cost you will pay to purchase or lease the land for your Restaurant, and to purchase or lease, build and/or renovate the building for your Restaurant. (See Note 3.) Your actual investment could be different from our estimates. Neither we nor our affiliates offer financing for any part of the initial investment. (See Item 10). The availability and terms of financing will depend on factors like the availability of financing generally, your creditworthiness, your relationship with local banks, and any additional collateral you may offer to a lender to secure the loan. Our estimates do not include any finance charges, interest or debt service obligations. You should have additional funds available to you to fund your operations. Your actual expenses of establishing and operating your Restaurant could vary significantly from these estimates. You should review these figures carefully with a business advisor before making any decision to purchase the Franchise.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

You must use in the development and operation of the Restaurant only the equipment, fixtures, supplies, furniture, computer hardware and software, music, food and beverage products, including food stuffs, staff uniforms, signs, insurance and third party delivery providers that meet our specifications and standards and, if we require, you must obtain various of these items and services only from suppliers we have approved (which may be limited to us and our affiliates). Specifications may include minimum standards and requirements for quantity, design, appearance, function, performance, serviceability and warranties. You may not modify or alter any recipe for a proprietary item. You may only place or display at the premises the signs, emblems, lettering, logos and display materials that we approve in writing.

As indicated above, we also have specifications for insurance. We require you to obtain and carry the following insurance: statutory worker's compensation insurance; employers liability of at least $1,000,000 per occurrence, cyber insurance of at least $1,000,000 per occurrence, business interruption insurance of at least $350,000 per occurrence, comprehensive general liability insurance with limits of liability of at least $1,000,000 per occurrence and at least $2,000,000 products and aggregate; automobile liability with limits of liability of at least $1,000,000; umbrella insurance with limits of at least $2,000,000 aggregate and per occurrence. You must name us as an additional insured on all applicable policies, and your insurance certificates must provide that we are given at least 30 days advance notice of any changes in, termination or cancellation of, any insurance policy. You must send us annually Certificate(s) of Insurance showing that you have insurance meeting these requirements. The cost of this insurance depends on numerous factors, including your location and experience rating.

If you want to purchase an item not presently approved by us for use in your Restaurant, or purchase an item from an unapproved supplier, you must first obtain our written approval in accordance with our then existing policy. You can obtain a copy of the policy by calling us. These same requirements apply to service providers of which we require approval. Our policy generally requires that you submit to us information concerning that item as well as any new supplier or provider, and we will then decide whether to approve the item, supplier or provider. We will normally take up to 90 days to review your request after you provide us with all information we request. We do not make our criteria for approving suppliers, providers or unapproved items available to franchisees. Upon our approval of your proposed item and/or supplier or provider, you may contract with that supplier or provider or purchase the item. We can revoke approval of a supplier, provider or an item at any time by notifying you and/or the supplier or provider.

We, an affiliate or a third party may be the only approved supplier of certain products or services. If that is the case, you must purchase the item from us, our affiliate or the third party. If we or our affiliates sell items to you, these items will be sold at prices exceeding their cost. We have sole suppliers from whom you must buy the barbecue sauce for your Restaurant, the soft drinks you sell at your Restaurant, your Restaurant point-of-sale system, kitchen display system, online ordering technology and guest management, loyalty and restaurant management software,

and curbside pickup technology. We also have a sole supplier for your third-party food safety audits. We also have only one supplier from whom you must license your Restaurant's music package and a single supplier for your Restaurant's core menu, promotional materials, promotional menu inserts and gift cards.

We and our affiliates may receive payments (such as rebates, commissions and discounts) from suppliers on account of their actual or prospective dealings with you and other franchisees. We can use these amounts without restriction for any purpose we deem appropriate. In our last fiscal year we received payments from suppliers on account of franchisee purchases from these suppliers. These payments ranged from percentage payments based on amounts paid by franchisees for products (percentages ranged from .73% to 20.11% of amounts paid by franchisees depending on the product and vendor) to payments of flat amounts per pound, case or gallon of product purchased by franchisees to a lump sum payment. In our last fiscal year, we received approximately $1,590,071 in payments (rebates and convention support) from designated or approved suppliers based upon purchases by the Sonny's franchise system (including franchised and company-owned Sonny's Restaurants) or approximately 7% of our total revenues of $22,856,144. This information was taken from our audited financial statements and internal financial records.

Your purchases from designated or approved suppliers (including us and our affiliates) or in accordance with our standards and specifications are estimated to be 90% to 95% of your total purchases in establishing your Restaurant, and approximately 60% to 70% of your annual purchases in operating your Restaurant.

We currently have no formal purchasing or distribution cooperatives. We may negotiate purchase arrangements with suppliers, including price terms, for the benefit of franchisees. We do not provide material benefits (such as renewal or granting additional franchises) to franchisees based on a franchisee's purchase of particular products or services or use of particular suppliers. But you will receive a rebate from our soft drink supplier based upon your purchases from that supplier if the Sonny's system meets certain purchasing goals we have negotiated with this supplier. None of our officers own an interest in any of our approved suppliers.

ITEM 10

FINANCING

We do not offer direct or indirect financing. We do not guarantee your note, lease or obligation.

ITEM 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we need not provide any assistance to you.

Before you open your Restaurant, we will:

(1) Evaluate the site you proposed based on information you submit like the overall layout, parking topography and curb cuts. You must have our written approval of your site before you sign a Franchise Agreement. There is no required time within which we must approve or disapprove a site, although that generally occurs within 60 days. If we do not approve your site, you may not acquire that site. Our approval of a site means that the site meets our current criteria for an acceptable location, and nothing more. (Franchise Agreement - Section 4.1).

(2) Evaluate your lease if your Restaurant will be located on rental property. You may not sign a lease or modify a lease without our prior written consent. Your lease must contain certain required terms. Our approval of a lease means that the lease meets our current criteria for an acceptable lease and nothing more. (Franchise Agreement - Section 4.2).

(3) Give you mandatory and suggested specifications and layouts for a Sonny's Restaurant, including requirements for dimensions, design, image, interior layout, decor fixtures, equipment, signs, furnishings and color scheme. (Franchise Agreement - Section 5.1). You must begin construction of your Restaurant within 9 months after you sign the Franchise Agreement, and you must open the Restaurant within 9 months after you begin construction, unless we otherwise agree. (Franchise Agreement - Section 5.2). However, we do not provide you with equipment, signs, fixtures, opening inventory or supplies.

(4) Inform you about designated or approved suppliers and manufacturers from which you must purchase products, including food products and brands of equipment and furnishing. (Franchise Agreement - Section 8.1 (c) and (d)).

(5) Provide on-line access to our Brand Standards Manual. The Brand Standards Manual table of contents as of the issuance date of the Franchise Disclosure Document is attached at Exhibit M. (Franchise Agreement - Section 8.2). As of such date, the total number of pages in the Brand Standards Manual was 716.

(6) Provide initial training to you and your manager who is responsible for the day-to-day operations of the Restaurant (the "Operator") as described below in this Item. (Franchise Agreement - Section 9.1).

During the operation of the Restaurant, we will:

(1) Keep you apprised of the System Standards and of current specifications for a Sonny's Franchise as they are modified. (Franchise Agreement - Section 8.1).

(2) Prescribe standards and specifications that you must follow in conducting your catering business, including products and other food items that may be sold during catering and the area in which you may cater. (Franchise Agreement - Section 8.3).

(3) Upon your request, and as we agree, provide you with additional training. (Franchise Agreement - Section 9.3).

(4) Maintain the Sonny's System Brand Fund (Franchise Agreement - Section 10.1).

Marketing and Advertising Requirement.

Your marketing and advertising requirement is a minimum of 4% of your Gross Receipts on an annual basis. Of this 4%, you must pay 2% into the System Brand Fund as a System Brand Fund Contribution, and you must spend a minimum of 2% on Local Advertising in your market (20% of this 2% must be spent on a quarterly basis). If there is a cooperative advertising program in your market you must contribute 2% of your Gross Receipts to that program. We consider cooperating advertising amounts you contribute to a local cooperative advertising program to be Local Advertising. These are minimum amounts, we encourage franchisees to spend additional amounts on advertising in their local markets if warranted by the market.

Brand Fund

As discussed above, we will administer the Sonny's System Brand Fund through the Sonny's Advertising Fund, Inc. You must make a monthly System Brand Fund Contribution of 2% of your Gross Receipts to this Fund. Sonny's Restaurants owned by us will also pay System Brand Fund Contributions. We currently intend that all new franchisees will contribute at this amount to the Fund. The purpose of the Fund is to promote the Sonny's brand. We are under no obligation to spend any amounts on advertising, including System Brand Fund Contributions in the area where your Restaurant is located, and we may use System Brand Fund Contributions in any manner consistent with the Franchise Agreement. (Franchise Agreement - Section 10.2). To that end, the Brand Fund may pay for creating, preparing and producing video, audio, and written materials and electronic media; developing, implementing, and maintaining an electronic commerce website, social media programs and/or related strategies; administering regional and multi-regional promotional programs (including, without limitation, purchasing media advertising and using promotion and marketing agencies and other advisors to provide assistance); brand development activities; public relations, market research, and other promotional activities.

We have sole discretion over the creative concepts, materials, endorsements and media used, and placement and allocation of Brand promotions. We also determine the composition of all geographic territories and market areas for the development and implementation of these programs. We may use System Brand Fund Contributions to pay the administrative costs of the Brand Fund, including, without limitation, the reasonable salaries and benefits of personnel who administer the Brand Fund, travel expenses of personnel while they are on Brand Fund business, meeting costs, overhead relating to Brand Fund business, collecting and accounting for System Brand Fund Contributions, and other expenses that we incur in activities reasonably related to

administering or directing the Brand Fund and its programs. However, we will not use System Brand Fund Contributions principally to solicit new franchise sales but we may spend Contributions on our website which advertises franchises for sale. We began auditing the Brand Fund for our fiscal year ended December 31, 2019. We will provide you with a copy of this audit for the prior year upon request. Contributions to the Fund not spent in one year are carried forward to the next year (Franchise Agreement - Section 10.1). During 2023, funds from the System Brand Fund were expended as follows: 24.2% on production of promotions, 14.4% on agency, 9.4% on promotions and public relations, social media, 26.0% on paid media/tools, 18.1% on payment of salaries of those individuals working on Brand Fund matters, 6.4% on other administrative expenses (rent, utilities, shared personnel, etc.), and 1.5% on research and development. There is no advertising council composed of franchisees.

Local Advertising

We consider "Local Advertising" to be advertising for your Restaurant in your market area. Before use by you, samples of all local advertising and promotional materials not prepared or previously approved by us, in either case in the last 12 months, must be submitted to us for approval. (Franchise Agreement - Section 10.2).

Each quarter you must spend at least 20% of your 2% Local Advertising requirement to promote your Restaurant in your market. If you do not spend 2% of your Gross Receipts on Local Advertising on an annual basis you must pay us the difference between what you were required to spend and what you spent on Local Advertising. We will expend on advertising in your market area the amount remitted, less any costs incurred by us, in connection with the advertising. As discussed above, we consider cooperative advertising amounts you contribute to a local cooperative advertising program to be Local Advertising. (Franchise Agreement - Section 10.2).

Cooperative Advertising

We may require you to participate in a local advertising cooperative (a "Local Cooperative") with other Sonny's Restaurant franchisees in the Designated Market Area ("DMA") in which your Restaurant is located. Unless we determine otherwise, the DMA for you is the area determined by the then current Nielsen Television Research Coverage Study (or if not then available, any replacement or most comparable study) which sets forth the television market for the area in which the Restaurant is located. You must contribute to the Local Cooperative 2% of your Gross Receipts. Amounts you pay to the Local Cooperative are considered Local Advertising. You will be bound to the terms of the cooperative advertising agreement you enter into with the other Sonny's Restaurant franchisees in the Local Cooperative. If the franchisees in the DMA are unable to reach an agreement with regard to the terms of a cooperative advertising agreement, you must sign the local cooperative advertising agreement attached as **Exhibit F**. Sonny's must approve all forms of local cooperative agreements that are different from **Exhibit F**.

Computer System.

You must buy or use various electronic cash registers and computer hardware and software we specify. For example, you must purchase a personal computer, point of sale terminals and printers, point of sale server, tablet pay devices, cash drawers, kitchen management computers,

including screens and bump bars, access points, bar code scanners, manager tablets, an audio processor, and multi-zone audio amplifier meeting our specifications. You must also license for your use point of sale software, kitchen display system software, online ordering and loyalty software, restaurant management software, guest management software, curbside pickup software, music source and anti-virus software that we specify. You must also maintain a wide area network and broadband telecommunications that are available in your area and that meet our requirements. You will use the computer hardware and software above for various functions including order taking and management, and to manage your restaurant and kitchen operations. We estimate that the cost of these items will range from $60,000 to $95,000. We estimate that service and support costs for the point of sale systems and computer hardware and software will range from $1,000 to $2,500 per month, excluding telecommunication phone charges and network services.

Your monthly subscription for the point of sale and restaurant management software includes upgrades to the version you are licensing. Other than as disclosed in the prior sentence, neither we, any affiliate nor to our knowledge, any third party, has any obligation to provide ongoing maintenance, repairs, upgrades or updates for the point of sale systems or computer hardware or software discussed above. Within 60 days after you receive notice from us, you must obtain the point of sale systems, computer hardware and software and any components that we designate and ensure that your systems, as modified, are functioning properly. (Franchise Agreement - Section 8.1(e).) There are no contractual limits on the frequency or cost of your obligation to upgrade and update any point of sale system or computer hardware or software, although we will not require a complete replacement of your computer system more often than once every 7 years.

We will have independent access to your point of sale systems and other computer systems. We may access various types of information including Restaurant sales information. There are no contractual limitations on or right to access the information in your point of sale systems. Your point of sale systems must interface with certain third party systems for any marketing or information programs we may introduce.

Location of Restaurant Site.

We consider the location of a Sonny's Restaurant to be virtually as important as who will operate the Sonny's Restaurant. For this reason, site selection, which is your sole responsibility, is subject to our written approval. We will attempt to approve or disapprove the site you have selected within a reasonable time (generally within 60 days) but are under no obligation to do so. If you cannot obtain our approval for a site, you may not open a Sonny's Restaurant on that site and we may terminate your Franchise Agreement. Our approval of a site is not to be construed as a guaranty of success by us, and you bear the sole responsibility for site selection and success of the Sonny's Restaurant. (Franchise Agreement - Section 4.1). If you are leasing or subleasing the property you and your landlord must sign the Landlord's Agreement attached as Exhibit G and the Declaration. If you are obtaining financing, you and your lender must sign the Lender's Agreement attached as Exhibit G.

Length of Time to Open a Sonny's Restaurant.

The typical length of time between signing a Franchise Agreement (which occurs only after Sonny's approves a site) and opening a Sonny's Restaurant varies depending on many factors, but will generally range from as early as 3 months (if the building is on the property and simply needs conversion) to 1 year or longer. This time frame is subject to all conditions and circumstances that may affect any construction or renovation project, such as: weather, compliance with municipal ordinances and codes, procurement of permits and utilities, availability of materials, labor problems, availability of infrastructure and capacity for the Sonny's Restaurant, obtaining acceptable financing arrangements, concluding negotiations over any lease arrangements, purchasing and installing equipment, and remodeling and redecorating any existing building. You must begin to construct or renovate the Sonny's Restaurant within 9 months from the date of the Franchise Agreement, and the building must be completed and ready for occupancy within 9 months from the date the construction begins, unless we otherwise agree (Franchise Agreement – Section 5.2).

Training Program.

You and your Operator, if any, as well as anyone else in the active management of your Restaurant must complete to our satisfaction our initial training program at a location we designate. Generally, the program is conducted at an Orlando, Florida company-owned Sonny's Restaurant, our corporate office or another location we deem appropriate. The training program as of December 31, 2023 is described generally in the table below.

SUBJECT	HOURS OF CLASSROOM AND ONLINE TRAINING	HOURS OF ON-THE-JOB TRAINING	LOCATION
Culture	5-10	0	Corporate Office or an Operating Sonny's Restaurant or other site as designated by Sonny's
Marketing	5	0	Corporate Office or an Operating Sonny's Restaurant or other site as designated by Sonny's
Accounting and Information Technology	15-25	0	Corporate Office or an Operating Sonny's Restaurant or other site as designated by Sonny's
Restaurant Operations	40-45	320-450	Corporate Office or an Operating Sonny's Restaurant or other site as designated by Sonny's
Total Hours	65-85	320-450	

Our corporate officer in charge of our initial training program is Billy Brewer, our Chief Operating Officer. Mr. Brewer has been working with us since July 2014. He has approximately 19 years of experience in the restaurant industry. Sonny's training instructors are general managers at Sonny's Restaurants. Each of these general managers will generally have at least 3 years of experience in the restaurant industry and will generally have at least 6 months of experience as a general manager of a Sonny's Restaurant.

There is no charge to you for the initial training program, although you are responsible for all travel and living expenses of your employees. As the training program is in the form of "on the job" training, it is continuous. In providing instruction, we do not hire specially trained instructors, but use the personnel at our training site. (Franchise Agreement - Section 9.1). The training program is provided to protect the Sonny's brand and the Marks, not to control your Restaurant's day-to-day operations.

If you ask and we agree we will provide you with additional training. We can require you to attend and satisfactorily complete additional training and refresher courses in order to maintain standards of quality and performance. If you change your Operator and/or Manager, the new Operator and/or Manager must undertake and satisfactorily complete the initial training program before beginning to work for you in this capacity. You must pay a fee of $250 per hour plus all of our costs in conducting any of this training. These costs include the costs of room and board and transportation if the training is conducted at a location other than a Sonny's Restaurant we own. (Franchise Agreement - Sections 9.1 and 9.3). You must also maintain a training program for your employees. (Franchise Agreement - Section 9.2). We do not hire your employees, nor do we train them except as discussed above.

ITEM 12

TERRITORY

Specific Restaurant Location.

Under your Franchise Agreement you may operate a single Sonny's Restaurant only at the site we approve. You cannot relocate the Restaurant. You cannot open another Sonny's Restaurant unless you enter into an Area Development Agreement or another Franchise Agreement. If you sign an Area Development Agreement, you then have the rights during the term of the Area Development Agreement to develop Sonny's Restaurants in the specific area provided to you for development.

Catering Business.

We also grant you the right to operate a catering business from your Restaurant selling Sonny's products. The catering business must be operated from your Restaurant. You cannot operate from a food truck or other vehicle, without our prior written approval. You may provide catering services or food truck operations in any area. However, we may limit this area but not to an area smaller than your Protected Area.

Search Area.

If you do not have a site for your Restaurant when you sign your Franchise Agreement, we will list a general "search area" in the Rider to your Franchise Agreement. You do not acquire any exclusive rights in this area. It is only the area in which you will look for a site for your Restaurant. We may grant other people a franchise for this area as well. Once you identify a site for your Restaurant, and we approve that site, we will then update the Rider to your Franchise Agreement to identify this location. Your search area will not be an exclusive territory. You may face competition from other franchisees from outlets we own, or from other channels of distribution or competitive brands that we control.

Protected Area.

At the time we approve a site for your Restaurant, in most cases we will provide you with a "Protected Area" for your Restaurant. We will describe the area in the Rider to your Franchise Agreement. Generally speaking, we consider a 4-6-mile area measured from the front entrance of your Restaurant sufficient for the Protected Area. In any case, the ultimate size of your Protected Area will depend on many factors, including whether the Restaurant is located in a rural area or a heavily populated urban area, where the Restaurant is located in relation to various transportation routes, and any barriers to travel in proximity to the Restaurant, such as rivers or lakes.

As long as there is no uncured material default under the Franchise Agreement, except as provided below, Sonny's will not operate, or grant rights to others to operate, a Sonny's Restaurant physically located in the Protected Area. Other than this limitation there are no prohibitions on us in your Protected Area. For example, we and our affiliates reserve the right, both within and outside of the Protected Area, to offer and sell at wholesale, retail or through any other channel of distribution, such as electronic commerce, catalog sales, telemarketing or other direct marketing, to make sales of products and services which comprise, or may in the future comprise, a part of the system, which products may be resold at retail or through any other distribution channel, including catering, supermarkets and other retail facilities, to the general public by these entities. Sonny's and its affiliates also reserve the right, both within and outside the Protected Area, to sell at both wholesale and retail all products and services that do not comprise a part of the system. Sonny's and its affiliates also reserve the right, both within and outside the Protected Area, to operate or allow others to operate businesses operating under trademarks and service marks distinct from the Sonny's system. We and our affiliates can also operate, or allow others to operate, businesses inside the Protected Area under the trademarks and service marks used in the Sonny's system if the businesses are not competitive with a Sonny's Restaurant. Subject to the satisfaction of certain conditions, we and our affiliates can also operate, or allow others to operate businesses inside the Protected Area, under the Sonny's system and its trademarks or otherwise at captive sites, including at or within a hotel, department store, airport, military base, university, supermarket, government facility, school, corporate cafeteria, amusement park, hospital, sporting arena or stadium so long as the business in not located within 1 mile of the physical location of your Restaurant. We and our affiliates can acquire businesses that are similar to a Sonny's Restaurant or a catering business. We can sell the company or substantially all of our assets to any third party regardless whether such third party operates, or franchises the operation of, businesses similar to a Sonny's Restaurant or a catering business so long as the transferee assumes all of our obligations under the Franchise Agreement.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets we own, or from other channels of distribution or competitive brands that we control. The Franchise Agreement grants no rights to you to open a Sonny's Restaurant outside of your Protected Area. You do not have any options, rights of first refusal or similar rights to acquire additional franchises from us.

Except for the limited grant discussed above as it relates to your Protected Area, there are no restrictions on us from soliciting or accepting orders from customers in your Protected Area. We and our affiliates reserve the right to use other channels of distribution, such as the Internet, catalog sales, telemarketing or other direct marketing to make sales within your Protected Area under the Marks or otherwise. We will not pay you any compensation for soliciting or accepting orders in your Protected Area.

You are generally not restricted as to the area in which you conduct your advertising. Conversely, we and other franchisees may advertise in your Protected Area. You can solicit and accept orders at your Restaurant from customers located outside of your Protected Area, and solicit and accept orders for catering services outside of your Protected Area, including using the Internet, catalog sales, telemarketing or other direct marketing to advertise to these customers. However, all of your advertising must be approved by us, and you must obtain our written approval before you establish or have established for you any digital or electronic medium or method of communication, including any social networking or social media site, other website or web page, review or opinion page, email address, home page, HTML document, Internet site, online directory, profile, including any online business profile, avatar, account, or hashtag relating to or making reference to any of the Marks, your Restaurant or the Sonny's system. We have no current plans to operate or franchise a business under a trademark different from the Sonny's mark, which business would sell goods or services similar to those sold by you. However, we have the right to do so.

Area Development Agreement.

Sonny's may grant you rights to develop one or more Sonny's Restaurants in specific areas or territories under an Area Development Agreement. Each Area Development Agreement is separately negotiated and the size of your Development Area will depend on how many Sonny's Restaurants we think it can support, as well as your ability to build and operate more than one Sonny's Restaurant. As long as your Area Development Agreement is in effect, we will not grant to anyone else a franchise to operate, and we will not operate, a Sonny's Restaurant that is physically located in your Development Area. However, we, our affiliates and other franchisees can operate catering businesses selling Sonny's products in the Development Area. We and our affiliates also have all of the rights discussed above with respect to a Protected Area in your Development Area. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets we own, or from other channels of distribution or competitive brands that we control.

As long as your Area Development Agreement is in effect you will retain the rights we have initially given to you, even though the population of your Development Area may increase, but you must meet the development schedule contained in your Development Agreement. If you fail to meet this schedule or otherwise breach your Area Development Agreement, you will lose

your right to continue to develop Sonny's Restaurants in the Development Area. The Area Development Agreement does not grant any options, rights of first refusal, or similar rights to you to acquire additional development rights in the Development Area or contiguous areas. You do not have the right to change your Development Area. There are no restrictions on us from soliciting or accepting orders from customers in your Development Area. We can use other channels of distribution, including the Internet, catering sales, telemarketing, or other direct marketing to make sales within the Development Area under the Marks or otherwise. We will not pay you any compensation for soliciting or accepting orders inside your Development Area. You can solicit or accept orders at your Restaurant from customers outside your Development Area including using the Internet, catalog sales, telemarketing or other direct marketing to advertise to these customers. You can also solicit and accept orders for catering services outside of your Development Area.

ITEM 13

TRADEMARKS

You will conduct your Franchise business using the names "SONNY'S BBQ", "SONNY'S REAL PIT BAR-B-Q", "SONNY'S", the SONNY logo, and the other trade and service marks and commercial symbols we license to you (the "Marks"), which will identify the Restaurant, goods, and the services you will offer and which you will use in advertising. You must follow our rules when you use the Marks. You may not use any of the Marks alone or with modifying words, designs or symbols, as part of a corporate or business name or in any form on the Internet, including URLs, domain names, e-mail addresses, locators, links, metatags, hashtags or search techniques. You have no right to give any third party the right to use these Marks without our prior written approval. You may not use any of the Marks for the sale of any unauthorized product or service or in a manner we have not authorized in writing. We consider the following service marks and trademarks which have been registered with the United States Patent and Trademark Office on the Principal Register, and for which we have filed all required affidavits, as our principal marks:

Description of Mark	Registration Date	Registration Number

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents or pending patent applications material to the purchase of a Franchise. We, however, claim a copyright to our confidential manuals, menus, advertisements and other

written documents. Unauthorized reproduction of these documents is not permitted. We also maintain various trade secrets regarding our operations and food processes that must be kept confidential by you and you must ensure that your employees maintain this confidentiality.

There currently are no effective determinations of the Copyright Office (Library of Congress) or any court regarding any of the copyrighted materials. There are no agreements currently in effect that significantly limit our right to use or allow others to use the copyrighted materials. We know of no infringing uses which could materially affect your use of the copyrighted materials in any state. We may protect and defend our rights to copyrighted materials.

The Brand Standards Manual, which is described in Item 11, and other materials we possess contain our confidential information. This information includes site selection criteria; recipes; knowledge and experience used in developing and operating Sonny's Restaurants; marketing and advertising programs for Sonny's Restaurants; knowledge of specifications for and suppliers of certain fixtures, furniture, furnishings, equipment, products, materials and supplies; and knowledge of the operating results and financial performance of Sonny's Restaurants other than your Restaurant.

You must fully and promptly disclose to us all ideas, concepts, formulae, recipes, techniques or materials concerning the Restaurant that you and/or your employees conceive or develop during the term of your Franchise. Sonny's and its affiliates will own this information, have the right to use this information and to disclose it to other Sonny's Restaurant franchisees.

You may not use Sonny's confidential information in an unauthorized manner, and you must take reasonable steps to prevent its disclosure to others.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

We believe that individual franchisees directly impact the success of Sonny's Restaurants, and as such, we consider the Franchise Agreement to be a personal services contract. Unless you have designated an Operator to have full-time responsibility, who is approved by us, you must be personally involved on a full-time basis in the operation of your Restaurant. If you are not an individual and do not designate an Operator, at least one of the individuals identified as "principals" must be involved on a full-time basis in the operation of the Restaurant. If you are a business entity, your directors, partners, officers and/or owners must execute a personal guarantee to undertake the obligations and responsibilities established in the Franchise Agreement and any Area Development Agreement.

You may appoint and designate an Operator who will be the person involved on a full-time basis in the day-to-day operations of, and will be the person in charge of, the Restaurant. The Operator must also satisfactorily complete Sonny's training program. The Operator need not have an ownership interest in your Franchise.

You, all owners, and your Operator, if any, must execute a separate Non-Compete and Confidentiality Agreement substantially in the form attached to this disclosure document as **Exhibit D** or **Exhibit E**, as applicable. These documents impose a perpetual duty of confidentiality as to all of Sonny's confidential information, and further restrict each owner and the Operator from being involved in any way whatsoever in any barbecue type restaurant, facility or business during the term of, and for a period of two years after the end of his or her involvement with the Restaurant.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must offer all products and perform all services that we periodically require for Sonny's Restaurants. You may not offer any products (including alcoholic beverages) or perform any services that we have not authorized. There are no limits on the customers you may serve (with the exception of the liquor law age restrictions) although we can limit the areas where you provide catering services and food truck operations. You must keep your Restaurant open continuously throughout the term of the Franchise Agreement, during the minimum hours we determine.

Your catering business must be operated from your Restaurant and all products, and your material equipment and supplies used and sold in your catering business must be approved by us. You cannot operate from a food truck or other vehicle, unless we otherwise approve, nor may you use a third party delivery service without our prior written approval. Last, we can restrict where you can provide catering services or food truck operations but not to an area less than your Protected Area.

ITEM 18

PUBLIC FIGURES

We do not use any public figure to promote our franchise, although we can in the future.

ITEM 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

2023 Sales Volume Information

As of December 31, 2023 there were 90 franchised Sonny's restaurants in the Sonny's franchise system. The sales volume information below is based upon 89 of these franchised Sonny's restaurants that were open during all of 2023 (the "2023 Franchisee Restaurants"). We excluded four franchised Sonny's restaurants. One of these restaurants was excluded because the characteristics of this restaurant are substantially different than those of the 2023 Franchisee Restaurants as it has different hours of operation, different menu choices, and its days of operation are limited based on its location. The other three restaurants were excluded as they permanently closed in 2023. The Restaurants that permanently closed had been open for longer than one year when they closed.

The 2023 Franchisee Restaurants offered all or some of the following services depending upon the restaurant during this time period: take-out, drive-thru, catering, and delivery services.

2023 Annual Sales Volume Information

The average annual sales for the 2023 Franchisee Restaurants in 2023 was $3,218,724 with 40 Restaurants (44.94%) attaining or exceeding this average. All of the 2023 Franchisee Restaurants had sales in excess of $1,750,000, 95.51% of the 2023 Franchisee Restaurants had sales in excess of $2,000,000, and 89.89% of the 2023 Franchisee Restaurants had sales exceeding $2,250,000. The highest and lowest 2023 sales for the 2023 Franchisee Restaurants were $5,554,017 and $1,906,825 respectively. The median 2023 sales for the 2023 Franchisee Restaurants was $3,108,723.

All of the dollar amounts above have been rounded to the nearest dollar. The percentages have been rounded to the nearest tenth.

The sales for the 2023 Franchisee Restaurants were compiled from the monthly "Gross Receipts" reports we received from our franchisees. Those reports are not audited. We have not independently verified that these reports are true and correct. Note also that these figures only represent sales. These figures exclude from sales, sales tax, discounts and returns. This is consistent with the Franchise Agreement.

These sales figures do not reflect the cost of sales, operating expenses or other costs or expenses that must be deducted from the sales figures to calculate net income or profit. You should conduct an independent investigation of the costs and expenses you will incur in operating your Sonny's Restaurant. Franchisees or former franchisees, listed in this disclosure document, may be one source of this information.

Some outlets have earned these amounts. Your results may differ. There is no assurance that you'll earn as much.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Actual financial results will vary. Results will typically vary based on location, competition in the market, visibility and ease of access, cleanliness of the Restaurant, the quality of the service of the Restaurant, the length of time the Restaurant has been operating, and other factors. For example, a newly opened Restaurant would not be expected to achieve sales volumes similar as those of an established Restaurant.

Other than the preceding financial performance representation, we do not make any financial performance representations. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing franchise, however, we may provide you with the actual records of that franchise. If you receive any other financial performance information or projections of your future income, you should report it to our management by contacting Courtney Williams, Sonny's Franchise Company, 359 Carolina Avenue, Suite A, Winter Park, Florida 32789, (407) 660-8888, the Federal Trade Commission, and the appropriate state regulatory agencies.

Sonny's is not aware of any other trademark-specific franchisee organization associated with the Sonny's franchise system.

Independent Auditor's Report

To the Board of Directors
Sonny's Franchise Company

Opinion

We have audited the accompanying financial statements of Sonny's Franchise Company, which comprise the balance sheets as of December 31, 2023 and 2022, and the related statements of income and retained earnings and cash flows for the years ended December 31, 2023, 2022 and 2021, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sonny's Franchise Company as of December 31, 2023 and 2022 and the results of its operations and its cash flows for the years then ended December 31, 2023, 2022 and 2021 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sonny's Franchise Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sonny's Franchise Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sonny's Franchise Company's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sonny's Franchise Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

SONNY'S FRANCHISE COMPANY

Notes to Financial Statements

Years Ended December 31, 2023, 2022 and 2021

(1) Organization and Basis of Presentation

Sonny's Franchise Company (the Company), formerly known as FJW Enterprises, Inc., is the succeeding company after the merger of FJW Enterprises, Inc., Sonny's Restaurant Company and Sonny's Franchise Company in 1994. The Company began operating Sonny's Bar-B-Q Restaurants in 1980. In 1991, the Company acquired the property of the existing franchise owner, including all franchise trademark rights and existing franchise agreements.

As of December 31, 2023, 2022 and 2021, the Company operated 1 company-owned store.

Existing franchises, including Company-owned stores, totaled 97, 90 and 96 as of December 31, 2023, 2022 and 2021, respectively. These franchises are located primarily in the southeast region of the United States. The Company's revenues are primarily affected by competition from other casual dining restaurants.

(2) Summary of Significant Accounting Policies

(a) Cash and Cash Equivalents

For the purposes of the statements of cash flows, the Company considers all highly liquid investments purchased with an original maturity date of three months or less to be cash equivalents.

Financial instruments which potentially subject the Company to concentration of credit risk consist principally of cash and short-term investments. The Company places its cash and investments with Fifth Third Bank. At certain times throughout the year, cash and investments may exceed federally insured limits. The Company has not experienced any losses in such accounts. Company management believes it is not exposed to any significant credit risk on cash and temporary cash investments.

(b) Accounts Receivable

Accounts receivable consists primarily of franchise royalty payments, bar-b-q sauce, catering billings, and other miscellaneous receivables.

(c) Allowance for Doubtful Accounts

The Company performs a specific review of account balances and applies historical collection experience to the various aging categories of receivable balances in establishing an allowance.

(2) Summary of Significant Accounting Policies (Continued)

(d) Inventories

Inventories consist of food, beverages, paper goods and supplies and small wares are stated at the lower of cost or market. Cost is determined under the first-in, first-out method.

(e) Property and Equipment

Property and equipment with an original cost in excess of $5,000 are recorded at cost. Expenditures for improvements and major renewals are capitalized and minor replacement, maintenance, and repairs are charged to expense. Depreciation is provided on straight-line and accelerated methods over the following estimated useful lives:

	Year
Leasehold improvements	5-40
Furniture, fixtures, equipment, software and vehicles	3-7

Amortization is provided for leasehold improvements on a straight-line basis over the life of the lease.

(f) Income Tax Status - S Corporation

The Company, with the consent of its stockholders, has elected under the Internal Revenue Code to be an S Corporation. In lieu of corporation income taxes, the stockholders of an S Corporation are taxed on their proportionate share of the Company's taxable income. Therefore, no provision or liability for federal and state income taxes has been included in the financial statements.

In accordance with "Income Taxes" FASB Accounting Standards Codification Topic 740 (Topic 740), all entities are required to evaluate and disclose income tax risks. Topic 740 clarifies the accounting recognition for uncertainty in tax positions and prescribes guidance related to the financial statement recognition and measurement of a tax position taken or expected to be taken in the Company's income tax returns. The tax benefit from an uncertain tax position is only recognized in the balance sheets if the tax position is more likely than not to be sustained upon an examination, based on the technical merits of the position. Since the Company's income tax filings are subject to audit by various taxing authorities, generally for three years after they are filed, the Company is no longer subject to examination by taxing authorities for the years ended before December 31, 2020.

(2) Summary of Significant Accounting Policies (Continued)

(f) Income Tax Status - S Corporation (Continued)

In evaluating the Company's tax provisions and accruals, future taxable income and the reversal of temporary differences, interpretations, and tax planning strategies are considered. The Company believes their estimates are appropriate based on current facts and circumstances. There is no interest or penalties included in the statements of income and retained earnings. There are currently no pending income tax examinations by taxing authorities. As of December 31, 2023, and 2022, the Company had no uncertain tax positions that qualify for recognition or disclosure in the financial statements.

(g) Goodwill, Franchise Rights and Trademarks

Goodwill acquired in a purchase business combination that is determined to have an indefinite useful life are not amortized but tested for impairment at least annually in accordance with the provisions of "Intangibles-Goodwill and Other," FASB Accounting Standards Codification Topic 350 (Topic 350). Goodwill is tested annually for impairment on a reporting unit basis and more frequently if events and circumstances indicate that the asset might be impaired. For purposes of testing goodwill impairment, a reporting unit is defined as a restaurant location. An impairment loss is recognized to the extent that the carrying amount exceeds the asset's fair value.

Based upon the Company's review, no goodwill impairment charges were required in fiscal 2023, 2022 or 2021.

Franchise rights and trademarks are recorded at cost and are amortized over the term of the agreements. All depreciable intangible assets are amortized using the straight-line method. Amortization expense was $24,924 in each of the years ended 2023, 2022 and 2021.

(h) Impairment or Disposal of Long-Lived Assets

In accordance with "Property, Plant and Equipment – Impairment or Disposal of Long-Lived Assets," FASB Accounting Standards Codification Topic 360 (Topic 360), long lived assets, such as property, plant and equipment and purchased intangibles subject to amortization are reviewed for impairment on a restaurant-by-restaurant basis whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized in the amount by which the carrying amount of the asset

(2) Summary of Significant Accounting Policies (Continued)

(h) Impairment or Disposal of Long-Lived Assets (Continued)

exceeds the fair value of the asset. Fair value of long-lived assets is calculated as the discounted future cash flows generated by these assets. Assets held for sale are separately presented in the balance sheet and reported at the lower of the carrying amount or the fair value less costs to sell and are no longer depreciated.

(i) Advertising Costs

The costs of advertising, promotion and marketing programs are charged to general and administrative expenses in the year incurred. Total advertising costs for the years ended 2023, 2022 and 2021 were $160,691, $284,400, and $197,500, respectively, and are included in the accompanying statements of income and retained earnings.

(j) Revenue Recognition

The principal sources of revenue are derived from restaurant sales, gift card sales, Bar-B-Q sauce sales, the collection of franchise royalties and advertising fees based on a percentage of the franchisee gross receipts, and franchisee licensing fees. Restaurant sales and Bar-B-Q sauce sales are recognized as earned.

Gift Card Sales

The Company records deferred revenue for the sale of gift cards and recognizes this revenue upon the redemption of gift cards in restaurant sales. Gift card breakage income is recognized based upon historical redemption patterns and represents the balance of gift cards for which the Company believes the likelihood of redemption by the customer is remote.

Franchise Fees

The Company currently franchises its concept across 8 states. The franchise arrangement is documented in the form of a franchise agreement. The franchise arrangement requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the franchisee, but instead represent a single performance obligation, which is the transfer of the franchise license. The intellectual property subject to the franchise license is symbolic intellectual property as it does not have significant standalone functionality, and substantially all of the utility is derived from its association with the Company's past or ongoing activities.

(2) Summary of Significant Accounting Policies (Continued)

(j) Revenue Recognition (Continued)

Franchise Fees (Continued)

The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's symbolic intellectual property over the term of the license. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation. The transaction price in a standard franchise arrangement primarily consists of (a) initial franchise fees; (b) franchise renewal fees; (c) continuing franchise fees (royalties); (d) development fees; and (e) advertising fees. Since the Company considers the licensing of the franchising right to be a single performance obligation, no allocation of the transaction price is required.

The Company requires the entire non-refundable franchise fee to be paid upon execution of a franchise agreement, which typically has an initial term of twenty years and a renewal term of ten years. The Company's services under the franchise agreement include: training of franchisees and staff, assisting with site selection, the right to use trademarks and proprietary information, and ongoing operations support. The Company provides no financing to franchisees and offers no guarantees on their behalf. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation. As these fees are typically received in cash at or near the beginning of the franchise term, the cash received is initially recorded as a contract liability until recognized as revenue.

At December 31, 2023 and 2022, all performance obligations had been met as the selling price of the pre-opening services was greater than the amount of the initial and renewal franchise fees. As a result, all franchise fee revenue was recognized as the pre-opening services were performed. There is no deferred franchise fee revenue recorded at December 31, 2023 and 2022.

Development Fees

Franchisees have the option to develop additional locations at the time the franchisee enters into a franchise agreement for its initial location. In accordance with the development agreement the franchisor grants the franchisee development rights to a certain geographic area. The franchisee enters into a separate franchise agreement for each additional location. The Company derives benefit from the development agreement once a location is opened and represents a continuation of the performance obligation to be provided by the Company under

Development Fees (Continued)

the standard franchise agreement. The total up-front fee for the franchise agreement and development agreement are recognized ratably on a straight-line basis over the term of the franchise agreement for the additional location. These fees are typically received in advance of the beginning of the franchise term for the additional location, the cash received is initially recorded as a contract liability until recognized as revenue over time.

Royalty and Advertising Fees

The Company is entitled to royalties and advertising fees based on a percentage of the franchisee's gross revenue as defined in the franchise agreement. Royalty and advertising revenue are recognized when the franchisee's revenue occur.

The Company collects royalties, as stipulated in the franchise agreement, currently equal to 3.5% - 4.5% of gross revenues and a marketing and advertising fee currently equal to 1% - 2% of gross revenues, as applicable. Royalties, including franchisee contributions to advertising funds, are calculated as a percentage of revenue over the term of the franchise agreement. The franchise agreement royalties, inclusive of advertising fund contributions as applicable, represent revenue-based royalties that are related entirely to the Company's performance obligation under the franchise agreement and are recognized as franchisee store level sales occur. Royalties are collected monthly.

Disaggregation of Revenue

The Company believes that the captions contained on the statements of income and retained earnings appropriately reflect the disaggregation of its revenue by major type for the years ended December 31, 2023, 2022 and 2021.

(2) Summary of Significant Accounting Policies (Continued)

(k) Adoption of New Accounting Standards

Effective January 1, 2022, the Company adopted FASB ASC 842, Leases. The new standard establishes a right of use (ROU) model that requires a lessee to record an ROU asset and a lease liability on the balance sheet for all leases with terms longer than 12 months. Leases are classified as either finance or operating, with classification affecting the pattern of expense recognition in the income statement. Leases with a term of less than 12 months will not record a right of use asset and lease liability and the payments will be recognized into profit or loss on a straight-line basis over the lease term.

The Company elected to adopt the package of practical expedients available under the transition guidance with the new standard. This package includes the following: relief from determination of lease contracts included in existing or expiring leases at the point of adoption, relief from having to reevaluate the classification of leases in effect at the point of adoption, and relief from reevaluation of existing leases that have initial direct costs associated with the execution of the lease contract. The Company also elected to adopt the practical expedient to use hindsight to determine the lease term and assess the impairment of the right of use assets.

(l) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

(m) Fair Value of Financial Instruments

In accordance with "Fair Value Measurements and Disclosures", FASB Accounting Standards Codification Topic 820 (Topic 820), entities are required to make disclosures about recurring and nonrecurring fair value measurements. Topic 820 defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements of assets and liabilities to include disclosure about inputs used in the determination of fair value using the three categories listed below.

Fair value is defined under Topic 820 as the price that would be received to sell an asset or paid to transfer a liability in the principal or most advantageous market in an orderly transaction between market participants on the measurement date. Topic 820 also establishes a three-level hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

(2) Summary of Significant Accounting Policies (Continued)

(m) Fair Value of Financial Instruments (Continued)

The valuation hierarchy is based upon the transparency of inputs to the valuation of an asset or liability on the measurement date. The three levels of inputs to the valuation methodology are:

Level 1: Quoted prices (unadjusted) for an identical asset or liability in an active market.

Level 2: Quoted prices for a similar asset or liability in an active market or model-derived valuations in which all significant inputs are observable for substantially the full term of the asset or liability.

Level 3: Unobservable and significant to the fair value measurement of the asset or liability.

The Company's financial instruments are cash and cash equivalents, investments, prepaid expenses and other assets, accounts receivable, other assets, accounts payable and accrued expenses.

The recorded values of cash and cash equivalents, prepaid expenses and other assets, accounts receivable, other assets, accounts payable and accrued expenses approximate their fair value based on their short-term nature.

The recorded value of investments approximates fair value based on unobservable inputs (Level 3 inputs) significant to the fair value measurement of the asset.

(n) Subsequent Events

In preparing these financial statements, the Company has evaluated subsequent events and transactions for potential recognition and disclosure through February 9, 2024, which is the date the financial statements were available to be issued.

SONNY'S FRANCHISE COMPANY
FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (the "**Agreement**") is being entered into this ___ day of _____, 20__ between:

SONNY'S FRANCHISE COMPANY, a Florida corporation, with its principal business office at 359 Carolina Avenue, Suite A, Winter Park, Florida 32789 (the "**Company**")

and

_____ with its principal business office at _____ (the "**Franchisee**").

ARTICLE 1

PREAMBLES, ACKNOWLEDGMENTS AND GRANT OF FRANCHISE

1.1 **Preambles**.

(a) The Company has expended time and effort developing sit-down restaurants that sell barbecue food and other products and beverages, and that offer drive-thru, curbside delivery, and catering services. These outlets are known as "**Sonny's Restaurants**" and are operated under a uniform business format, specially designated equipment, formulae, design, layout and specifications for the preparation and sale of barbecue food and other authorized food products and beverages (the "**Sonny's System**").

(b) The Company uses, promotes and licenses certain trademarks, service marks and other commercial symbols in operating Sonny's Restaurants, including the trade and service mark "**Sonny's**" and "**Sonny' BBQ**" which have gained and continue to gain public acceptance and goodwill, and the Company may continue to create, use and license additional trademarks, service marks and commercial symbols in developing and operating Sonny's Restaurants (collectively, the "**Marks**").

1.2 **Acknowledgments**. The Franchisee acknowledges:

(a) That it has read this Agreement and the Company's Franchise Disclosure Document and has been given an opportunity to obtain clarification of any provision the Franchisee did not understand. The Franchisee understands that an investment in a Sonny's Restaurant involves business risks and that its business abilities and effort are vital to the success of its Sonny's Restaurant.

(b) That it has conducted an independent investigation of the Sonny's Restaurant franchise opportunity and recognizes that, like any other business, the nature of the business conducted by a Sonny's Restaurant likely will evolve and change over time.

(c) That the Company has made no representations regarding sales, profits or cash flow, other than contained in the Company's Franchise Disclosure Document, and any information of this nature that the Franchisee has acquired from other sources, including other Sonny's Restaurant franchisees, does not constitute information obtained from the Company.

(d) That as an inducement to the Company's entry into this Agreement, all statements the Franchisee has made and all materials it has submitted to the Company in applying for and purchasing the franchise are accurate and complete and that the Franchisee has made no misrepresentations or material omissions in obtaining the franchise.

(e) That in all of their dealings with the Franchisee, the Company's officers, directors, employees and agents have acted only in a representative and not in an individual capacity, and that business dealings between the Franchisee and the Company as a result of this Agreement are solely between the Franchisee and the Company.

(f) This Agreement is solely between the Company and the Franchisee for the specific Sonny's Restaurant at the Premises set forth below.

(g) The Franchisee is aware, fully understands and agrees that the Company may grant other Franchises to other third parties for the operation of Sonny's Restaurants on terms different from the terms set forth in this Agreement and, as such, nothing contained herein or elsewhere grants to the Franchisee or is any assurance to the Franchisee that the terms and conditions contained herein shall be the same or as beneficial as any other terms and conditions of other franchise agreements.

1.3 **Grant and Term of the Franchise**. The Franchisee has applied for a franchise to own and operate a Sonny's Restaurant at, and catering business from, the location described in Exhibit "A" (the "**Premises**") attached hereto and made a part hereof. Subject to the terms and conditions contained in this Agreement, the Company hereby grants the Franchisee, and the Franchisee accepts, a franchise to operate a Sonny's Restaurant (the "**Restaurant**") at the Premises and, a catering business (the "**Catering Business**") from the Premises, and to use the Marks and the Sonny's System in its operations at the Premises (the "**Franchise**") for a term commencing on the date of execution of this Agreement and ending on the last day of the month, which month is twenty (20) years after the Restaurant opens for business (the "**Initial Term**"), unless sooner terminated in accordance with Article 16 below. At such time as the Restaurant opens for business, the Franchisee shall, at the request of the Company, execute a document confirming said opening date and the expiration date of this Agreement. The Franchisee must operate the Restaurant solely at the Premises and the Catering Business solely from the Premises, unless otherwise approved in writing by the Company. The Franchisee agrees that it will at all times faithfully, honestly and diligently perform its obligations hereunder, and that it will continuously exert best efforts to promote and enhance the business of the Restaurant and Catering Business and the goodwill of the Marks. If the location of the Premises is not determined as of the date hereof, but is subsequently determined pursuant to Section 3.1 below, the Company shall update Exhibit "A" with the location of the Premises once it is determined and Protected Area and promptly provide Franchisee with an updated Exhibit "A".

ARTICLE 2

EXPIRATION OF FRANCHISE

2.1 **Franchisee's Option to Renew**. Upon expiration of the Initial Term of the Franchise, the Franchisee has the option to renew the franchise for a single term of ten (10) years ("**Renewal Term**"), provided:

(a) the Franchisee is not in default of any provisions of this Agreement or any other agreement with the Company or any other creditor or supplier of the Restaurant or Catering Business and the Franchisee has substantially complied with the terms and conditions of these agreements during their terms;

(b) the Franchisee and its owners (as set forth below) and any of their affiliates, are not in default of any other agreement with the Company, including any other agreement to operate any other Sonny's Restaurant;

(c) the Franchisee is able to maintain possession of the Premises or, if not, to secure and develop a suitable alternative site approved by the Company for the Renewal Term;

(d) the Franchisee delivers to the Company written notice of its election to renew the Franchise not less than nine (9) months nor more than twelve (12) months before the expiration of the Initial Term; failure by the Franchisee to deliver such notice will be deemed an election not to acquire a renewal franchise;

(e) the Franchisee pays to the Company, concurrently with its notice of its election to renew the Franchise, a renewal fee equal to the greater of (i) $17,500.00, or (ii) fifty percent (50%) of the then current initial franchise fee;

(f) the Franchisee, its owners, and any of their affiliates, execute and deliver to the Company an estoppel certificate/general release in a form satisfactory to the Company which, among other matters, releases without qualifications any and all claims against the Company and its stockholder, officers, directors, employees and agents relating to all matters between the Company, on the one hand, and the Franchisee, its owners and any of their affiliates as requested by the Company, on the other, including all matters relating to the Restaurant as well as any other Sonny's Restaurant owned or operated by the Franchisee, its owners, or any of their affiliates;

(g) the Franchisee executes the Company's then-current form of franchise agreement and related documents then used by the Company (with appropriate modifications to reflect that the agreement relates to a renewal franchise);

(h) the Franchisee remodels (as described in Section 20.13) the Restaurant so that it meets the then current System Standards (as defined in Section 8.1) prior to the end of the Term; and

(i) the Franchisee, its owners, its manager who is responsible for the day-to-day operations of the Restaurant (the "**Operator**"), managers and those other individuals that the Company may require, attend and satisfactorily complete retraining or refresher training courses as the Company may require.

ARTICLE 3

TERRITORIAL RIGHTS AND OBLIGATIONS

3.1 **Search Area**. Franchisee will have the right to operate the Restaurant at one (1) location only. The Restaurant will be located at a site selected by Franchisee and approved by the Company. If the site has not been approved as of the date the Company executes this Agreement, the Restaurant must be located in the non-exclusive "Search Area" set forth in the Rider to this Agreement. Franchisee acknowledges that the Company may grant others the right to seek sites within the foregoing area, and that Franchisee acquires no exclusive or priority rights in such area. If the Company has not approved a site for the Restaurant at the time this Agreement is executed, the Company may terminate this Agreement if Franchisee fails to obtain the Company's approval of a site within One Hundred Eighty (180) days of the date of this Agreement. Upon approval of the site by the Company, the Company shall update Exhibit "A" to this Agreement indicating the address of the Restaurant and the Protected Area, and promptly provide Franchisee with an updated Exhibit "A".

3.2 **Protected Area**. Except as otherwise provided in Section 3.2 of this Article, and only so long as there is no uncured material default hereunder, the Company (and its affiliates) will not itself establish, or grant to a third party the right to establish, another Sonny's Restaurant to be physically located within the geographic area described on Exhibit "A" (the "**Protected Area**"), unless otherwise agreed to in writing.

3.3. **Rights Reserved by the Company**. The Company (and its affiliates) retains the right in its sole discretion:

(a) to establish Sonny's Restaurants and grant to other persons the right to establish Sonny's Restaurants at any location outside of the Protected Area (including at the boundary of the Protected Area) and on any terms and conditions as the Company deems appropriate;

(b) subject to the provisions of Section 8.3, to sell and deliver, and allow others to sell and deliver, products and services identified by the Marks through catering businesses or other operations located physically outside the Protected Area, even if said sales and services are to customers in the Protected Area;

(c) to sell products identified by the Marks, or other trademarks or service marks, within or outside the Protected Area, through distribution channels other than Sonny's Restaurants or Catering Businesses (including, but not limited to, retail stores, grocery stores, mail order and e-commerce channels);

(d) to operate, or allow others to operate, similar or identical businesses within the Protected Area if such businesses do not operate under the Marks;

(e) to operate, or allow others to operate, businesses inside the Protected Area under the Marks that are not competitive with a Sonny's Restaurant, including a catering business selling products traditionally sold by a Sonny's Restaurant;

(f) acquiring businesses that are similar to a Sonny's Restaurant, including a catering business;

(g) to operate, or allow others to operate, businesses inside the Protected Area under the Marks, at captive sites including at or within a hotel, department store, airport, military base, university, supermarket, government facility, school, corporate cafeteria, amusement park, hospital or sporting arena or stadium; provided, that: (1) no such business will ever be operated within one mile of the physical location of the Franchisee's Restaurant without the Franchisee's express consent; and (2) the Company has offered the Franchisee the right of first refusal to operate such location and the Franchisee has, within thirty (30) days of being provided such offer, either declined to exercise a right to establish and operate such business or failed to respond to the Company regarding the right of first refusal. Notwithstanding anything in clause (2) above, the Company is under no obligation to provide a right of first refusal to Franchisee if, at the time of such offer, Franchisee is in default under any agreement between Franchisee and the Company or any affiliate or Franchisee is not in good standing or the Company reasonably determines that the Franchisee does not have the financial or operational capacity or capability to operate such business; and

(h) Subject to Section 15.1, to sell the Company or substantially all of its assets, to any third party regardless whether such third party operates, or franchises the operation of, businesses similar to a Sonny's Restaurant or a Catering Business.

ARTICLE 4

SITE APPROVAL AND LEASE AND MORTGAGING OF PREMISES

4.1 **Site Approval**. The Franchisee must receive written approval from the Company of the site and conditions of the Premises, including, but not limited to, overall layout, parking, topography and curb cuts, prior to execution of this Agreement, and the Franchisee will have provided the Company with such documents, plans and information as required by the Company to evaluate the Premises. The Company's approval of the Premises and any plans for development of the Premises do not constitute a representation or warranty of any kind, express or implied, as to the suitability of the Premises for a Sonny's Restaurant or for any other purpose. The Company's approval of the site for the Premises indicates only that the Company believes that the Premises falls within the acceptable criteria for sites and premises that the Company has established as of the time of its approval of the Premises. The Franchisee acknowledges and agrees that the Franchisee's acceptance of the Franchise for the Premises is based on the Franchisee's own independent investigation of the suitability of the Premises.

4.2 **Lease of Premises**. The lease for the Premises, if the Premises are to be leased by the Franchisee from a third party (the "**Landlord**"), must be approved by the Company in writing prior to signing the lease, and may not thereafter be modified without the prior written approval of the Company. The Franchisee acknowledges that such lease and any subsequent renewal lease will contain provisions in the form approved by the Company which (a) requires the Landlord to give the Company written notice of the Franchisee's default under the lease and opportunity (but not the obligation) to cure any such default within not less than thirty (30) days of notice of such default if the Franchisee fails to cure such default; (b) allows for assignment of the lease to the Company or its designee if the Franchisee defaults under the lease or this Agreement; (c) requires that the terms of the lease whether upon renewal or otherwise, will not be modified without the Company's prior written approval; and (d) allows the Company, if the Franchisee fails to do so and in the Company's sole discretion, to enter the Premises upon termination or expiration of the Agreement to remove trademarked materials and to de-identify the Premises as a Sonny's Restaurant. The Franchisee acknowledges that the Company's approval of the lease does not constitute a guarantee or warranty, express or implied, of the successful operation or profitability of a Sonny's Restaurant operated at the Premises. This approval indicates only that the Company believes that the terms of the lease fall within the acceptable criteria for such leases the Company has established as of the time of its approval.

4.3 **Term of Lease**. The term of this Agreement shall not, in any event, extend beyond the term of any lease for the Premises. Accordingly, this Agreement shall expire if the lease for the Premises should expire or be terminated, subject to the rights of the Company to take over the Premises as set forth in this Agreement or any other agreement.

4.4 **Liens on Restaurant Property**. The Franchisee may not, without the prior written consent of the Company, grant to any third party a mortgage, security interest or any other encumbrance whatsoever on any of the assets of the Restaurant including, but not limited to, land, equipment or other property used by the Franchisee in the operations of the Restaurant and Catering Business; provided, however, Franchisee may grant its unaffiliated bona fide financial institution lender (or agent acting on behalf of more than one unaffiliated bona fide financial institution lender) (the "Lender") a security interest in such property of Franchisee, excluding this Agreement, without Franchisee being in default under this Agreement. So long as Franchisee is not then in default under this Agreement or any other material agreement with the Company, the Company also agrees to execute such documents as are reasonably required to subordinate its rights in and to any land, equipment or other property of Franchisee pledged by Franchisee to the Lender, excluding a pledge of its interest in this Agreement.

ARTICLE 5

DEVELOPMENT AND OPENING OF RESTAURANT

5.1 **Development and Construction**. The Franchisee is responsible for developing, and to the extent necessary, constructing and/or renovating, the Restaurant and is required to adhere to the prototype, mandatory plans, specifications and layouts that the Company prescribes from time to time. The Franchisee is obligated to develop, construct and renovate the Restaurant in accordance with such plans, specifications and layouts and to ensure that the Restaurant

complies with all applicable ordinances, building codes and permit requirements and with lease requirements and restrictions. The Premises and/or the plans, specifications and layouts thereof will not be altered unless the Company has given its prior written approval for such alterations, and all alterations will be in conformity with said approval.

5.2 **Opening of the Restaurant**. The Franchisee agrees to begin construction of the Restaurant within nine (9) months from signing this Agreement and to open the Restaurant within nine (9) months from the date construction began. No extensions of such time limits to begin and complete construction and to open the Restaurant will be given unless such extensions are approved in writing by the Company. The Franchisee must give the Company thirty (30) days written notice prior to opening the Restaurant and will not open the Restaurant without the Company's prior written approval, which approval will not be unreasonably withheld. If the Franchisee opens the Restaurant before receiving the Company's approval, it agrees to pay to the Company a fee of $1,000 per day until the Company issues its written approval for opening.

ARTICLE 6

INITIAL FRANCHISE FEE

Upon signing of this Agreement, the Franchisee agrees to pay the Company a non-recurring and non-refundable initial franchise fee of $35,000.00, which is deemed fully earned by the Company upon signing of this Agreement. If Franchisee paid an application fee then the amount of such application fee will be applied against the initial franchise fee.

ARTICLE 7

OTHER FEES

7.1 **Royalty Fee**. The Franchisee agrees to pay the Company a monthly royalty fee equal to four and one-half percent (4 1/2%) of the Franchisee's monthly Gross Receipts (as defined in Section 7.2 below) (the "**Royalty Fee**"). The Royalty Fee shall be paid by the tenth day of each month based on the Gross Receipts of the preceding month via the payment method described below.

7.2 **Definition of "Gross Receipts"**. As used in this Agreement, the term "**Gross Receipts**" means all revenue the Franchisee derives from operating the Restaurant and/or Catering Business, including, but not limited to, cash, credit, checks, gift certificates sold, or food stamps. Revenue includes:

(a) the total price collected for any food or beverage items served or delivered by the Restaurant or Catering Business, including take-out business, but excluding customer refunds, adjustments, discounts and credits actually made by the Restaurant;

(b) the menu price (or retail price for non-menu items) for any food or beverage items delivered by a third party, without deduction for any discounts or credits provided to the third party or others; and

(c) all goods or services received from a vendor, supplier or customer in a barter and/or exchange transaction where the Franchisee furnishes services and/or products, which goods and services will be valued at the full retail price of the goods and/or services provided by the Franchisee.

"Gross Receipts" excludes all federal, state or municipal sales, use or service taxes collected from customers and paid to the appropriate taxing authority.

7.3 **Interest on Late Payments**. All amounts that the Franchisee owes to the Company, if more than seven (7) days late, will bear interest beginning from their original due date at the rate of one and one-half percent (1 1/2%) per month or the highest contract rate of interest permitted by law, whichever is less. The Franchisee acknowledges that this Paragraph does not constitute an agreement by the Company to accept any payments after they are due or commitment by the Company to extend credit to, or otherwise finance the Franchisee's operation of, the Restaurant or Catering Business. Failure by the Franchisee to pay all amounts when due constitutes grounds for termination of this Agreement, as provided in Section 16.1(a) below, notwithstanding the provisions of this Paragraph.

7.4 **Application of Payments**. Notwithstanding any designation the Franchisee might make, the Company has sole discretion to apply any of the Franchisee's payment to any of the Franchisee's past due indebtedness to the Company. The Franchisee acknowledges and agrees that the Company may set off any amounts that the Franchisee owes against any amounts the Company might owe the Franchisee. The Franchisee cannot withhold payment of any amounts owed to the Company due to the Company's alleged non-performance of any of its obligations under this Agreement.

7.5 **Damage or Destruction of Restaurant**. If the Restaurant is damaged or destroyed, Franchisee shall, notwithstanding any other provision of this Agreement, continue to pay to the Company (a) on a continuing basis its monthly Royalty Fees in an amount equal to the average monthly Royalty Fee for the twelve (12) month period immediately preceding such damage or destruction, and (b) on a continuing basis its monthly System Brand Fund Contribution equal to the average monthly System Brand Fund Contribution for the twelve month period immediately preceding such damage or destruction. If the Restaurant is open for less than twelve (12) months, the average monthly Royalty Fee and the average monthly System Brand Fund Contribution shall be based on the months that the Restaurant was actually open. Franchisee shall further maintain business interruption insurance to cover such loss and payment of such Royalty Fees and System Brand Fund Contribution.

7.6 **Payment Method and Timing**. The Franchisee agrees to sign and deliver to the Company the documents that the Company periodically requires to authorize the Company to debit the Franchisee's business checking account automatically for the Royalty Fee and System Brand Fund Contribution and other amounts due under this Agreement or any related agreement. The Company will debit the Franchisee's account for the Royalty Fee and System Brand Fund Contribution, based on the Gross Receipts for the previous month, and for any other amounts payable, on or after the due date. The Franchisee agrees to make the funds available for withdrawal by electronic transfer before each due date. In connection with the automatic debit program, the

Company may require, at the Franchisee's expense, overdraft protection for the business checking account. The Franchisee agrees to reimburse the Company for any "**insufficient funds**" charges and related expenses incurred in connection with the failure to maintain sufficient funds in the automatic debit account.

If the Franchisee fails to report Gross Receipts for any month, the Company may debit the account for one hundred twenty five percent (125%) of the Royalty Fee and the System Brand Fund Contribution that the Company debited for the previous month, upon five (5) days written notice to the Franchisee. If the amount debited from the account is less than the amount actually owed to the Company for the month (once the Company has determined the true and correct Gross Receipts of the Restaurant for the month), the Company will debit the account for the balance due on the day that the Company specifies. If the amount debited from the account is greater than the amount actually owed to the Company for the month (once the Company has determined the true and correct Gross Receipts of the Restaurant for the month), the Company will credit the excess, without interest, against the amount that the Company otherwise would debit from the account during the following month.

7.7 **Extension**. If Franchisee fails to perform its obligations so that either the Restaurant does not open in a timely manner as required by Section 5.2 above, or Franchisee fails to complete the remodel of the Restaurant in a timely manner as required by the Company, the Company may grant Franchisee's request for an extension of time to open or complete the remodel, as applicable, in the Company's sole discretion, so long as Franchisee meets the Company's requirements including payment of any extension fee.

7.8 **Technology Fee**. The Company may charge Franchisee a Technology Fee from time-to-time. The Company will provide Franchisee with thirty (30) days notice before instituting such fee. However, upon implementation Franchisee shall pay such fee at the same time as it pays the Royalty Fee hereunder. The Company may increase the Technology Fee on 30 days' notice to Franchisee.

ARTICLE 8

SYSTEM STANDARDS

8.1 **Compliance with System Standards**. The Franchisee agrees to fully and timely comply with each and every mandatory specification, standard and operating procedure that relates to the appearance, function, cleanliness, and operation of a Sonny's Restaurant (the "**System Standards**"). System Standards will be prescribed from time to time by the Company in the Confidential Manuals, (as defined in Section 8.2) or otherwise communicated to the Franchisee in writing or electronic form, and such System Standards will upon such communication constitute provisions of this Agreement as if fully set forth herein; provided, however, the Company shall provide Franchisee with written notice of any such changes provided in electronic form within one-hundred eighty (180) days of the electronic communication. All references to this Agreement include all System Standards as periodically modified. System Standards shall regulate aspects of the Restaurant, including Catering Business and food truck operations, if any, and may include, but are not limited to, the following:

(a) the safety, maintenance, cleanliness, sanitation, function and appearance of the Restaurant premises and its equipment, fixtures, furniture, signs and vehicles, if any;

(b) required periodic remodeling (as described in Section 20.13) of the Restaurant, provided, however, the Franchisee will not be required to remodel the Restaurant within ten (10) years following opening of the Restaurant or during the last four (4) years of this Agreement;

(c) required or authorized products, including food products prepared, sold or designed by the Company or its affiliates under the Marks or using trade secrets, formulae and recipes that are proprietary to the Company or its affiliates, such as various cuts of pork, beef, chicken and ribs, and additional items such as beans, sauces, cole slaw and other food items which are or may be offered for sale or consumption (the "**Products**");

(d) designated or approved suppliers and/or manufacturers (which may be limited to or include the Company or an affiliate) and the types, models and brands of equipment, furnishings, supplies, apparel, merchandise, Products and services, and supplier approval criteria and procedures, including any fees associated therewith, and delivery services, including third party delivery services;

(e) the computer hardware and/or operating software the Company specifies from time to time (the "**Computer System**"). The Company may modify specifications for and components of the Computer System. The Company's modification of specifications for the Computer System, and/or other technological developments or events, might require the Franchisee to purchase, lease, and/or license new or modified computer hardware and/or software and to obtain service and support for the Computer System. Although the Company cannot estimate the future costs of the Computer System or required service or support, and although these costs might not be fully amortizable over the Agreement's remaining term, the Franchisee agrees to incur the costs of obtaining the computer hardware and software comprising the Computer System (or additions and modifications) and required service or support. The Company shall not require a complete replacement of the Franchisee's Computer System more often than once every seven (7) years. The Company has no obligation to reimburse the Franchisee for any Computer System costs. Within sixty (60) days after the Franchisee receives notice from the Company, the Franchisee agrees to obtain the Computer System components that the Company designates and to ensure that the Franchisee's Computer System, as modified, is functioning properly.

(f) quality, taste, portion control and uniformity, and manner of preparation for sale including storage, handling, packaging procedures, and inventory requirements, of authorized food and beverage products sold at the Restaurant or through the Catering Business, including but not limited to limitations with regard to offering alcoholic beverages at the Restaurant or through the Catering Business;

(g) sales, marketing, advertising and promotional programs and materials used in these programs, and participation in market research and testing and product and service development programs;

(h) use and display of the Marks;

(i) confidentiality of certain information, including but not limited to trade secrets, disclosed to the Franchisee during the term of this Agreement as described in Section 12.1 below;

(j) days and hours of operation of the Restaurant;

(k) acceptance of credit and debit cards (including PCI compliance), honoring coupons, gift certificates, gift cards, other payment systems and check verification services;

(l) methods and manner of bookkeeping, accounting, data processing, record keeping and reporting financial information to the Company;

(m) types, amounts, terms and conditions of insurance coverage required to be carried for the Restaurant, including the Company's right to obtain insurance coverage for the Restaurant at the Franchisee's expense if the Franchisee fails to obtain required coverage, and standards for underwriters of policies providing required insurance coverage; and

(n) compliance with applicable laws; obtaining required licenses and permits; adhering to good business practices; observing high standards of honesty, integrity, fair dealing and ethical business conduct in all dealings with customers, suppliers and the Company; and notifying the Company if any action, suit, report or proceeding is commenced or filed against the Franchisee or the Restaurant.

8.2 **Confidential Manuals**. The Company will provide on-line access to the Franchisee during the term of this Agreement to one or more manuals, which may consist of operations and training manuals (collectively, the "**Confidential Manuals**") that the Company furnishes to franchisees for use in operating a Sonny's Restaurant. The Confidential Manuals contain many of the System Standards and information relating to the Franchisee's other obligations under this Agreement and related agreements. The Company may modify the Confidential Manuals from time to time to reflect changes in System Standards, and the Franchisee agrees to comply with any such changes, upon notice of the change by the Company. The Franchisee may not at any time copy, duplicate, record or otherwise reproduce any part of the Confidential Manuals in accordance with Section 12.1(c) of this Agreement.

8.3 **Catering Business**. The Franchisee shall undertake a Catering Business as provided in Section 1.3 above. Such Catering Business will operate to cater the Products to third parties away from the Premises. In connection with the Catering Business, the Franchisee agrees:

(a) that the Catering Business will be operated solely out of the Premises, unless the Company has given prior written approval for the Catering Business to be operated out of a different or additional location;

(b) that the Catering Business will be operated under the name "**Sonny's BBQ**" or such other name as the Company may from time to time prescribe;

(c) that the Franchisee will furnish through the Catering Business only Products sold by the Franchisee at the Restaurant, and use material equipment and supplies approved by the Company;

(d) that the Franchisee will not operate the Catering Business from, or otherwise sell Products from, a food truck or other vehicle, without the prior written approval of the Company, which approval will not be unreasonably withheld, so long as the Franchisee agrees to comply with System Standards related to the Catering Business and the Franchisee is in compliance with this Agreement and any other agreements between the Franchisee and the Company;

(e) that the Franchisee will operate the Catering Business in accordance with this Agreement, related agreements and the System Standards as the Company may from time to time prescribe; and

(f) that upon written notice by the Company, the Franchisee will be restricted to a certain area in which it may conduct the Catering Business, such area being within a certain number of miles radius of the Premises, which number of miles the Company may determine in its sole discretion. In no event, however, may said area be reduced to an area which is less than the Protected Area.

8.4 **Food Truck**. The Franchisee may not sell Products from a food truck or other vehicle, in connection with a Catering Business or otherwise, without the prior written approval of the Company, which approval will not be unreasonably withheld, so long as the Franchisee agrees to comply with System Standards related to the operation of any food truck and the Franchisee is in compliance with this Agreement and any other agreements between the Franchisee and the Company and the Franchisee provides the Company with all information reasonably requested by the Company related to the food truck and its operations, including the locations where it is selling Products. Further, Franchisee shall not operate more than one (1) food truck in connection with the Restaurant, including the Catering Business, unless otherwise approved by the Company. For the avoidance of any doubt, any revenue or other amounts from the food truck operations shall be included in the definition of Gross Receipts but shall be subject to the exclusions from Gross Receipts as set forth in Section 7.2.

8.5 **Alcohol Sales**. To the extent permitted by applicable law, the Franchisee shall sell those alcoholic beverages at the Restaurant required by the Company. Franchisee shall comply with all System Standards related to the sale of alcohol. Franchisee shall maintain liquor liability or dram shop insurance, at amounts specified by the Company. The Company shall have the right to terminate Franchisee's right to sell such alcoholic beverages or to terminate this Agreement in

the event of a failure of the Franchisee to comply with any System Standard regarding the sale of alcohol.

ARTICLE 9

TRAINING AND ASSISTANCE

9.1 **Initial Training**. The Franchisee and the Operator, if an Operator is employed by the Franchisee, and each person actively involved in the management or operation of the Restaurant, including the Catering Business, as specified by the Company, must enroll and satisfactorily complete the Company's initial training program. The Operator must meet the Company's minimum requirements and be approved by the Company prior to beginning to work for the Franchisee in this capacity. This program will be conducted at another Sonny's Restaurant specified by the Company or such other location as the Company designates, without additional charge to the Franchisee. The Franchisee agrees and acknowledges that the Restaurant may not be opened until all required persons successfully complete the initial training program. Franchisee will be responsible for its employees' travel, living expenses and any other costs incurred during all training programs and classes. Franchisee will also be responsible for all expenses incurred by the Company for any training performed by the Company at a location other than a Company-owned Sonny's Restaurant, including but not limited to travel, living expenses and other costs incurred by the Company's training staff. Franchisee will also pay any fees charged by the Company for such training before the training begins. Any new Operator or manager must complete the initial training to the Company's satisfaction before beginning to work for the Franchisee in this capacity. Further, any new Operator must meet the Company's minimum requirements and be approved by the Company before beginning to work for the Franchisee in this capacity.

9.2 **Employees**. The Franchisee shall be solely responsible for determining who to hire, how to compensate those individuals, how much to compensate those individuals, the terms of their employment and working conditions, the supervision of the individuals, the setting of work schedules, the maintenance of employment records, when and how to discipline those individuals, and when and how to terminate the employment of those individuals. These individuals are not the Company's agents or employees and the Company is not a joint employer of these individuals. The Franchisee shall post a written notice at the Restaurant notifying all of its employees that they are employees of the Franchisee not the Company. The content and location of this notice shall be approved by the Company. If required by the Company, the Franchisee will obtain a written acknowledgement from each of its employees acknowledging that the employee is an employee of the Franchisee not the Company. The Franchisee is solely responsible for performing all administrative functions at its Restaurant, including payroll and providing workers' compensation insurance. The Franchisee acknowledges that the Company does not directly provide to the Franchisee's employees facilities or equipment or house or transport the Franchisee's employees or provide tools or materials required for the Franchisee's employees to perform services for the Franchisee.

9.3 **Training of Employees**. The Franchisee agrees to implement a training program for employees of the Restaurant in accordance with the System Standards. The Franchisee will be

solely responsible for its employees' proper training. The Franchisee shall be responsible for a failure of any of its personnel to meet System Standards.

9.4 **Additional Training**. The Company may provide, upon the request of Franchisee, at such times as determined by the parties, additional training to Franchisee on topics requested by Franchisee and agreed to by the Company. Further, the Company may require Franchisee to attend such training as the Company determines, if Franchisee fails to comply with any of the Company's standards. All such training shall be held at a location determined by the Company and may be provided electronically. The Company may charge such fees as it shall establish from time to time for such training, plus its cost to provide such training, and such fees and costs must be paid before the training begins.

ARTICLE 10

ADVERTISING AND PROMOTION

10.1 **System Brand Fund Contribution**. The Franchisee agrees to pay to the Company a monthly "**System Brand Fund Contribution**" equal to two percent (2%) of the Franchisee's Gross Receipts, payable in the same manner as the Royalty Fee due hereunder.

10.2 **Brand Fund**. Recognizing the value of promoting the goodwill and public image of the Sonny's brand, the Company has established a brand fund (the "**Brand Fund**") to promote the Sonny's brand. The Brand Fund is a part of the Company but may, in the Company's discretion, be a separate corporation. The Company will direct all programs that the Brand Fund supports with the Company having sole discretion over all matters regarding its promotions including, but not limited to, the creative concepts, materials and endorsements used and their geographic, market and media placement and allocation. The Brand Fund may pay for creating, preparing and producing video, audio, and written materials and electronic media; developing, implementing, and maintaining an electronic commerce website, social media programs and/or related strategies; administering regional and multi-regional promotional programs (including, without limitation, purchasing media advertising and using promotion and marketing agencies and other advisors to provide assistance); brand development activities; public relations; market research, and other promotional activities. The Company may use System Brand Fund Contributions to pay the administrative costs of the Brand Fund, including, without limitation, the reasonable salaries and benefits of personnel who administer the Brand Fund, travel expenses of personnel while they are on Brand Fund business, meeting costs, overhead relating to the Brand Fund, collecting and accounting for System Brand Fund Contributions, and other expenses that the Company incurs in activities reasonably related to administering or directing the Brand Fund and its programs. The Company will not spend System Brand Fund Contributions principally to solicit new franchise sales; provided, however, the Company may spend System Brand Fund Contributions on its websites which may advertise franchises for sale**.** The Franchisee will have no right to direct the Brand Fund activities or review or approve any materials the Brand Fund may use or develop.

The Franchisee acknowledges that the Company undertakes no obligation to ensure that expenditures it makes in or affecting any geographic area are proportionate or equivalent to the

System Brand Fund Contributions paid by Sonny's Restaurants operating in that geographic area or that any Sonny's Restaurant will benefit directly or in proportion to its System Brand Fund Contributions paid the Brand Fund from the development of promotional materials or the placement of these materials. The Company has the sole right to enforce the Franchisee's payment obligations as described hereunder, and except as expressly provided in this Section, the Company assumes no direct or indirect liability or obligation to the Franchisee for collecting System Brand Fund Contributions or maintaining, directing or administering the Brand Fund. Upon written request, the Company will make available to the Franchisee an audited financial statement for the Brand Fund for the last calendar year, in form as determined by the Company.

10.3 **Local Advertising**. Franchisee shall advertise its Restaurant. To that end, Franchisee shall spend at least two percent (2%) of its annual Gross Receipts on local advertising of the Restaurant approved by the Company ("**Local Advertising**"). Franchisee shall also spend at least twenty percent (20%) of the two percent (2%) Local Advertising requirement each calendar quarter. Within forty-five (45) days of the end of each year, Franchisee shall report to the Company, in the form approved by the Company, all advertising expenditures during the preceding calendar year. If the full amount of the required advertising expenditures have not been incurred for Local Advertising in any calendar quarter or in any calendar year as set forth above, Franchisee shall remit with the report the balance of the funds required to be expended. The Company shall expend on advertising in the Franchisee's market area the amount remitted, less any costs incurred by the Company in connection with such advertising. For the avoidance of any doubt, amounts paid to the Local Cooperative (as defined below) by Franchisee shall constitute Local Advertising

10.4 **Cooperative Advertising**. At such time as the Company deems appropriate in its sole discretion, the Franchisee shall participate in a local advertising cooperative (a "**Local Cooperative**") with other Sonny's Restaurant franchisees in the Designated Market Area ("**DMA**") in which the Franchisee's Restaurant is located. Unless the Company determines otherwise, the DMA for the Franchisee is the area determined by the then current Nielsen Television Research Coverage Study (or if not then available, any replacement or most comparable study) which sets forth the television market for the area in which the Restaurant is located. The Franchisee must contribute to the Local Cooperative two percent (2%) of the Franchisee's Gross Receipts (but any required contribution in excess of two percent (2%) must be approved by the Company). The Franchisee will be bound to the terms of the cooperative advertising agreement it enters into with the other Sonny's Restaurants franchisees in the Local Cooperative, provided, however, that if the franchisees in the DMA are unable to reach an agreement with regard to the terms of a cooperative advertising agreement, the Franchisee agrees to execute the Local Cooperative advertising agreement attached hereto as Exhibit "D". All forms of Local Cooperative agreements that are different from Exhibit "D" must be approved by the Company in advance.

10.5 **Advertising Approval**. Prior to their use by the Franchisee, samples of all advertising and promotional materials not prepared or previously approved by the Company, in either case in the prior 12 months, shall be submitted to the Company for approval. The Franchisee agrees and acknowledges that advertising, marketing and promotional materials the Franchisee may include in reports of amounts expended on advertising and marketing by the Franchisee will be determined by the Company in its sole discretion.

10.6 **Maximum Required Annual Advertising Expenditures**. Notwithstanding anything to the contrary in this Agreement, the Franchisee's maximum required annual expenditure for System Brand Fund Contributions and Local Advertising (including Cooperative Advertising), is four percent (4%) of the Franchisee's annual Gross Receipts.

ARTICLE 11

MARKS; INTERNET PRESENCE; DATA SECURITY

11.1 **Ownership and Goodwill of Marks**. The Franchisee's right to use the Marks is derived solely from this Agreement and is limited to the Franchisee's operation of the Restaurant and Catering Business pursuant to and in compliance with this Agreement and all System Standards the Company prescribes from time to time during its term. The Franchisee's unauthorized use of the Marks will be a breach of this Agreement and an infringement of the Company's rights in and to the Marks. The Franchisee acknowledges and agrees that its usage of the Marks and any goodwill established by this use will be exclusively for the Company's benefit and that this Agreement does not confer any goodwill or other interest in the Marks upon the Franchisee (other than the right to operate the Restaurant and Catering Business under this Agreement). All provisions of this Agreement applicable to the Marks apply to any additional proprietary trade and service marks and commercial symbols the Company may authorize the Franchisee to use from time to time.

11.2 **Limitations on the Franchisee's Use of the Marks**. The Franchisee agrees to use the Marks as the sole identification of the Restaurant and the Catering Business, except that it agrees to identify itself as the independent owner of the Restaurant in the manner the Company prescribes. The Franchisee may not use any Mark as part of any corporate or legal business name or with any prefix, suffix or other modifying words, terms, designs or symbols (other than logos the Company has licensed to the Franchisee), or in any modified form, and the Franchisee may not use any Mark in selling any services or products not authorized by the Company or in any other manner the Company has not expressly authorized in writing. No Mark may be used in any advertising concerning the transfer, sale or other disposition of the Restaurant, Catering Business or any ownership interest in the Franchisee. The Franchisee agrees to display the Marks prominently in the manner the Company prescribes at the Restaurant, in operation of the Catering Business, and on forms, advertising and marketing material, supplies and other materials the Company designates. The Franchisee agrees to give the notices of trade and service mark registrations the Company specifies and to obtain any fictitious or assumed name registrations required under applicable law.

11.3 **Notification of Infringements and Claims**. The Franchisee agrees to notify the Company immediately of any apparent infringement or challenge to the Franchisee's use of any Mark, or of any claim by any person of any rights in any Mark, and not to communicate with any person other than the Company and its attorneys, and the Franchisee's attorneys, in any infringement, challenge or claim. The Company has sole discretion to take the action it deems appropriate and the right to control exclusively any litigation, U.S. Patent and Trademark Office proceeding or any other administrative proceeding arising out of any infringement, challenge or claim or otherwise relating to any Mark. The Franchisee agrees to sign any and all instruments

and documents, render the assistance and do the acts and things that, in the opinion of the Company's attorneys, may be necessary or advisable to protect and maintain the Company's interests in any litigation or other proceeding or otherwise to protect and maintain its interests in the Marks.

11.4 **Discontinuance of Use of Marks**. If it becomes advisable at any time in the Company's sole discretion for it and/or the Franchisee to modify or discontinue the use of any Mark and/or use one or more additional or substitute trade or service marks, the Franchisee agrees to comply with the Company's directions within a reasonable time after receiving notice.

11.5 **Indemnification for Use of Marks**. The Company agrees to indemnify the Franchisee against and to reimburse the Franchisee for all damages for which the Franchisee is held liable in any trademark infringement proceeding arising out of the Franchisee's authorized use of any Mark under this Agreement and for all costs the Franchisee reasonably incurs in defending any such claim brought against it or any proceeding in which the Franchisee is named as a party, provided the Franchisee has timely notified the Company of the claim or proceeding and otherwise has complied with this Agreement. At the Company's option, it can defend and control the defense of any proceeding arising out of the Franchisee's use of any Mark under this Agreement.

11.6 **Internet Presence**. Unless approved by the Company, the Franchisee will not establish or maintain, or have established or maintained on its behalf, either alone or in concert with others, any digital or electronic medium or method of communication, including, without limitation, a website, email address, home page, HTML document, Internet site, online directory, online business profile, web page, review and opinion page or social media or social networking site, profile, avatar, account or hashtag relating to or making reference to the Company, the Sonny's System including the Restaurant, or any of the Marks (an "**Internet Presence**"). The Franchisee will not use all or part of any of the Marks, or any similar name, word, symbol or variant thereof, in a domain name, email address, account name, username, profile, hashtag, or URL, except as specifically approved by the Company. If the Franchisee has registered a domain name or registers a domain name in the future in violation of this Section, the Company, at its option, may require the Franchisee to cancel the registration of the domain name or transfer ownership of the domain name to the Company. The Franchisee will take all actions requested by the Company to effectuate such cancellation or transfer and will pay all costs associated therewith.

If the Company approves of any Internet Presence, the Franchisee will comply with all directives from the Company with respect to the Internet Presence, including those related to materials and content posted on the Internet Presence, links to and from the Internet Presence, the use of the Marks on the Internet Presence, and security for the Internet Presence. In addition, the Internet Presence will be operated and maintained by the Franchisee in compliance with all provisions of this Agreement, including those regarding the use of confidential and proprietary information, as well as any and all System Standards. The Franchisee must also maintain the Internet Presence in compliance with: (i) all applicable laws, including those applicable to copyright and trademark, privacy, anti-defamation, and advertising and endorsements; and (ii) all applicable terms and conditions and policies of the provider of the Internet Presence. The Company may at any time, in its sole discretion, require the Franchisee to remove, delete or modify any Internet Presence, or

any information, content or post thereon and the Franchisee hereby consents to the Company performing such act if the Franchisee fails to do so in the time required by the Company and the Franchisee shall cooperate with the Company in all such actions. The Company will retain sole ownership of any Internet Presence, as well as any domain name related thereto and all content thereon, which includes all or a portion of the Marks, or any word, phrase or symbol confusingly similar thereto or a variant thereof, as part of the domain name, user name, account name, account profile or page reference ("**Sonny's Internet Presence**").

11.7 **Data Security**.

(a) **Data Events**. If a data breach or other identity theft, misuse, unauthorized access, or improper handling of personal information occurs at or within Franchisee's business (each, a "**Data Event**"), in addition to any obligations Franchisee may have under applicable law, Franchisee shall notify Company as soon as possible and, in any event, no later than within twenty-four (24) hours of becoming aware of the Data Event. The Company may perform and/or control all aspects of the response to such event to the maximum extent permitted by law including, without limitation, the investigation, containment and resolution of the event and all communications with the Sonny's System, vendors and suppliers, customers, law enforcement agencies, federal and state regulatory authorities, and the general public; provided, however, the Company shall not incur any third party expenses on behalf of the Franchisee without the prior written consent of the Franchisee. If the Company elects to perform and/or control some or all aspects of the response to a Data Event Franchisee shall reasonably cooperate with all reasonable requests and inquiries and make all requested information, documents, systems, and personnel reasonably accessible and available to the Company. Notwithstanding the foregoing, the Company shall make commercially reasonable efforts to coordinate such response with Franchisee and its insurance carrier(s) and to reasonably cooperate with Franchisee's insurance carrier(s) regarding insurance coverage of such Data Event to the extent reasonably practicable under the circumstances.

(b) **Data Security and Privacy Standards**. Franchisee shall comply with the Company's requirements related to data security, the protection of personal information and customer data, and the processing, use and privacy of personal information and customer data. Franchisee shall at all times comply with: (a) the Payment Card Industry Data Security Standards, (b) the NACHA ACH Security Framework, (c) the rules and regulations of any applicable payment processor or payment network, (d) applicable laws and regulations relating to data and/or personal information, privacy, data security and security breaches including, but not limited to, if applicable, the California Consumer Privacy Act, and (e) the Company's security policies as may be amended from time to time ((a) through (e) collectively, "**Data Rules**"). Franchisee shall reasonably cooperate with the Company in meeting the Company's compliance obligations under applicable Data Rules and will refrain from any action that may cause the Company to violate any applicable Data Rule. Franchisee shall notify the Company immediately if Franchisee discovers that it is not in compliance with the Data Rules. The Company may designate certain third-party consultant(s) to administer its data security program and evaluate compliance with the aforementioned standards. Franchisee must meet promptly the

reasonable requirements of any such consultant(s) and maintain those certifications of compliance the Company deems appropriate in its reasonable discretion.

(c) **Limitations on Personal Data**. Franchisee agrees to limit the collection of personal information of customers or prospective customers ("**Personal Data**") to that which is reasonably necessary for the operation of its Restaurant in accordance with this Agreement, to provide all legally required notices to customers at the time of such collection of Personal Data, and to not retain, use, process or disclose Personal Data for any other purpose. Franchisee will not sell, rent or license Personal Data and may not disclose or authorize access to Personal Data to third parties (including, but not limited to, suppliers and service providers) without the Company's prior written approval.

ARTICLE 12

RESTRICTIVE COVENANTS

12.1 **Confidential Information**. The Company possesses and will continue to develop and acquire certain confidential information relating to the development and operation of Sonny's Restaurants (the "**Confidential Information**"), which includes, but is not limited to, recipes, formulae, cooking and food preparation methods, and techniques, formats, specifications, standards, sales and marketing methods, building and equipment specifications and knowledge with regard to marketing, suppliers and financial performance of other Sonny's Restaurants and the Company. Confidential Information will be disclosed to the Franchisee through the Confidential Manuals and other communications, whether written, oral or electronically transmitted, between the Company and/or its affiliates and the Franchisee. The Franchisee acknowledges and agrees that it will not acquire any interest in Confidential Information, other than the right to use the Confidential Information that is disclosed to the Franchisee in operating the Restaurant during the term of this Agreement. The Franchisee further acknowledges and agrees that the Confidential Information is proprietary to the Company and contains the Company's trade secrets and is disclosed to the Franchisee on the condition that the Franchisee agrees, and does hereby agree:

(a) that the Franchisee will not use the Confidential Information in any other business or capacity except for its Restaurant and Catering Business;

(b) that the Franchisee will maintain the absolute confidentiality of the Confidential Information during and after the term of this Agreement;

(c) that the Franchisee will not make unauthorized copies of any portion of the Confidential Information or sell, loan, transfer or distribute copies of the Confidential Information to any party, except where such disclosure to employees of the Restaurant is reasonably necessary in the normal course of operations of the Restaurant;

(d) that the Franchisee will adopt and implement all reasonable and necessary procedures (including any such procedures which the Company prescribes from time to time) to prevent unauthorized use or disclosure of the Confidential Information, including

but not limited to requiring those Restaurant employees who have access to Confidential Information to sign a Confidentiality Agreement reasonably acceptable to the Company;

(e) that the Franchisee will immediately notify the Company if it becomes aware there has been any actual or potential unauthorized use or access concerning the Confidential Information or any violation of the confidentiality procedures established in this Subsection; and

(f) that the Franchisee and Operator (including any future or substitute Operators) will, concurrently with execution of the Agreement, and thereafter upon hire, execute non-compete and confidentiality agreements, in substantially the form attached to this Agreement as Exhibits "B" and "C".

12.2 **In-Term Covenant**. The Franchisee and its owners agree that, during the term of this Agreement, neither the Franchisee nor any of its owners will, without the prior written consent of the Company, which consent may be withheld by the Company in its absolute discretion, directly or indirectly for the benefit of the Franchisee or its owners, or through or on behalf of or in conjunction with any other person, partnership or corporation, own, engage in, be employed by, advise, assist, invest in, franchise, make loans to or have any other interest, whether financial or otherwise, in any other business operating or granting franchises or licenses to operate any barbeque-type restaurant or barbeque-type food service business (a "**Competitive Business**"). For the foregoing purposes, the term "**barbeque-type restaurant or barbeque-type food service business**", not only means a restaurant or food service business which holds itself out as a facility or business that primarily sells barbeque food items, but also any other restaurant or food service business which derives more than twenty percent (20%) of its non-alcohol revenues from the sale of barbeque food items. Notwithstanding the foregoing, the Franchisee and its owners may be involved in another Sonny's Restaurant and/or Catering Business at another restaurant location through a separate franchise agreement with the Company.

12.3 **Post-Term Covenant**. The Franchisee and its owners agree that, for a period of two (2) years after termination or expiration of this Agreement (regardless of the reason for termination or expiration), neither the Franchisee nor any Franchisee owner will, directly or indirectly for the benefit of the Franchisee and/or its owners, or through or on behalf of or in conjunction with any other person, partnership or corporation engage in, be employed by, advise, assist, invest in, franchise, make loans to or have any other interest, whether financial or otherwise, in a Competitive Business which is either located at, or does business within twenty-five (25) miles of, the Restaurant or any existing Sonny's Restaurant as of termination or expiration of this Agreement, or that is granting franchises or licenses for the operation of Competitive Businesses located, or to be located, within any of the foregoing areas.

ARTICLE 13

RECORDS, REPORTS AND FINANCIAL STATEMENTS

13.1 **Bookkeeping and Recordkeeping**. The Franchisee agrees to establish a bookkeeping and recordkeeping system conforming to any requirements the Company prescribes

from time to time and relating, without limitation, to the use and retention of daily sales slips, purchase orders, purchase invoices, payroll records, check stubs, bank statements, sales tax records and returns, cash receipts and disbursements, journals, general ledgers, chart of accounts and financial statements in connection with the Restaurant and Catering Business operations. The Franchisee will maintain the books and records for not less than three (3) years at the Restaurant location, unless the Franchisee has received the Company's written consent to maintain the books and records elsewhere. The books and records will be available to the Company and its auditors or agents for inspection at all reasonable times as provided in Section 14.1 below. In addition, the Franchisee agrees that the Company will have access to the Franchisee's Computer System and will have the right to retrieve all information relating to the Restaurant's financial performance and operations, and may poll the Franchisee's Computer System for information including, without limitation, daily sales data, daily transaction level data, sales per visit and products and combination of products sold, and inventory data, and may use all such information in connection with the operation of its business.

13.2 **Reports and Financial Statements**. The Franchisee agrees to submit to the Company in the manner and format that the Company prescribes from time to time:

(a) by the tenth day of each month, a statement of the Gross Receipts for the preceding month, certified by the Franchisee;

(b) within five (5) days after their filing, copies of all sales tax returns for the Restaurant including food truck operations, if any, and Catering Business (and the Franchisee agrees that the Company can periodically verify with the appropriate tax authorities the sales tax the Franchisee has paid);

(c) within five (5) days after filing, a copy of Franchisees' federal, state, and city, if any, income tax returns;

(d) within ninety (90) days of the end of each calendar year, a statement of Gross Receipts for the calendar year, certified by the Franchisee;

(e) within thirty (30) days after the end of each fiscal year, an annual profit and loss statement and a balance sheet for the Restaurant, including food truck operations, if any, and Catering Business as of the end of that fiscal year; and for the quarter then ended, a profit and loss statement and a balance sheet for the Restaurant or such other information as the Company may reasonably require in the form and manner required by the Company.

(f) such other information as the Company may reasonably require to determine the Franchisee's compliance with this Agreement and any other agreement entered into with the Company or to assist the Franchisee in the operation of the Restaurant or to otherwise evaluate the performance of the Restaurant. The Franchisee and its owners agree to verify and sign each report and financial statement in the manner the Company prescribes. The Company may disclose data derived from these reports. The Franchisee shall provide the Company with all information reasonably requested by the Company

related to the Catering Business, and any food truck operations, including the locations where it is selling Products.

ARTICLE 14

INSPECTIONS AND AUDITS

14.1 **The Company's Right to Inspect**. To determine whether the Franchisee is complying with this Agreement and the System Standards, the Company and its designated agents have the right at any time, including during the Franchisee's regular business hours, to:

(a) inspect the Restaurant and the Premises and any food truck;

(b) observe, photograph and videotape the operations of the Restaurant and Catering Business for consecutive or intermittent periods as the Company deems necessary;

(c) remove samples of any food or drink product or supplies for testing analysis;

(d) interview personnel and customers of the Restaurant and Catering Business; and

(e) inspect and copy any books, records and documents as described in Section 13.1 above, including through access to the Franchisee's Computer System.

The Franchisee agrees to cooperate with the Company fully in these inspections, observations, photographing, videotaping, product removal and interviews. If the Company exercises any of these rights, the Company will use its best efforts not to interfere unreasonably with the Restaurant or Catering Business operations.

14.2 **The Company's Right to Audit**. The Company has the right at any time during the Franchisee's business hours to inspect and audit, or cause to be inspected or audited, the Franchisee's and the Restaurant's business and Catering Business' bookkeeping and accounting records, sales and income tax records and returns and other records. The Franchisee agrees to cooperate fully with the Company's representative and independent accountants that conduct any inspection or audit. If any inspection or audit discloses an understatement of the Gross Receipts for any period or periods, the Franchisee must immediately pay on the amount of such understatement the Royalty Fee or System Brand Fund Contribution owing plus interest due. Further, if an inspection or audit discloses an understatement of five percent (5%) or more, or such audit or inspection is made necessary by the Franchisee's or its owner's failure to furnish (or to timely furnish) reports or other information required by this Agreement, the Franchisee will be obligated to reimburse the Company for the cost of the audit, including the charges of any independent certified public accountant used and the travel, room, board and compensation costs of the Company's employees and agents. The Franchisee will pay any deficiencies within five (5) days after receipt of the audit. The Company's audit rights as they relate to the Franchisee,

shall also apply to the Franchisee's owners only from and after Franchisee's failure to cure a default hereunder.

ARTICLE 15

TRANSFER

15.1 **By the Company**. This Agreement is fully transferable by the Company and will inure to the benefit of any transferee or other legal successor to its interests herein; provided, however, the Company will only transfer this Agreement to a transferee that assumes all of the Company's obligations hereunder.

15.2 **By the Franchisee**. The Franchisee understands and acknowledges that the rights and duties created by this Agreement are personal to the Franchisee (or, if the Franchisee is a corporation, limited liability company or partnership, to the Franchisee's owners) and that the Company has granted the Franchise to the Franchisee in reliance upon the Company's perceptions of the Franchisee's (or its owners) individual or collective character, skill, aptitude, attitude, business ability and financial capacity. Accordingly, neither this Agreement (or any interest herein) nor any ownership or other interest in the Franchisee or the Restaurant may be transferred, including but not limited to a transfer to any entity, without the Company's prior written approval. The Franchisee must request the Company's approval of transfer by submitting a written request in the form the Company from time to time prescribes (the "**Request**"). Any transfer without this approval constitutes a breach of this Agreement and is void and of no effect. As used in this Agreement, the term "**transfer**" includes the Franchisee's (or its owners) voluntary, involuntary, direct or indirect assignment, sale, gift or other disposition of any interest in:

(a) this Agreement;

(b) the Franchisee (including, without limitation, any ownership interest in the Franchisee or the Franchisee's owners if they are entities, or any right to receive all or a portion of the profits and/or losses or capital appreciation of the Franchisee); or

(c) the Restaurant or the Premises.

An assignment, sale, gift or other disposition includes the following events:

(i) transfer of ownership of capital stock or a partnership interest in the Franchisee or any entity that directly or indirectly owns the Franchisee;

(ii) merger or consolidation or issuance of additional securities or interests representing an ownership interest in the Franchisee or any entity that directly or indirectly owns the Franchisee;

(iii) any sale of an ownership interest in the Franchisee or any security convertible to an ownership interest in the Franchisee or any entity that directly or indirectly owns the Franchisee;

(iv) transfer of an interest in the Franchisee, this Agreement, the Restaurant or the Premises in a divorce, insolvency or corporate or partnership dissolution proceeding or otherwise by operation of law;

(v) transfer of an interest in the Franchisee, this Agreement, the Restaurant or the Premises, in the event of the Franchisee's death or the death of one of the Franchisee's owners, by will, declaration of or transfer in trust or under the laws of intestate succession; or

(vi) pledge of this Agreement (to someone other than the Company) or of an ownership interest in the Franchisee as security, foreclosure upon the Restaurant or the Franchisee's transfer, surrender or loss of possession, control or management of the Restaurant.

15.3 **Conditions for Approval of Transfer**. If the Franchisee (and its owners) are in full compliance with this Agreement, then, subject to the other provisions of this Section, the Company will not unreasonably withhold its approval of a transfer that meets all the applicable requirements of this Subsection; provided that, if the transfer is of an ownership interest in Franchisee of twenty percent (20%) or less, or of twenty percent (20%) or less of the ownership interest of an entity that directly or indirectly owns Franchisee, then only subsections (d), (h) and (k) below will apply to such transfer. Unless specifically set forth below otherwise, all of the following conditions must be met before or concurrently with the effective date of the transfer:

(a) the transferee has sufficient business experience, aptitude and financial resources to operate the Restaurant and otherwise meets the Company's criteria with respect to credit history and background and other standards that the Company uses with respect to the grant of new franchises;

(b) the Franchisee has paid all Royalty Fees, System Brand Fund Contributions, amounts owed for purchases from the Company and all other amounts owed to the Company or to third-party creditors and has submitted all required reports and statements;

(c) the Restaurant meets all current standards and specifications of the Company, and the transferee agrees to remodel the Restaurant to meet the current System Standards for Sonny's Restaurants within one (1) year following the transfer; provided that such remodel requirement cannot require the transferee to spend more than Fifty Thousand Dollars ($50,000) (as adjusted by the last paragraph of this Section): (i) if the Restaurant has been newly built in the ten (10) years preceding the date of the transfer; or (ii) if the Restaurant has been remodeled to meet System Standards in the ten (10) years preceding the date of the transfer at a cost of at least Three Hundred and Fifty Thousand Dollars ($350,000) (as adjusted by the last paragraph of this Section);

(d) the transferee and its owners and affiliates are not engaged in a Competitive Business;

(e) the transferee (or its managing owner) and its manager (if different from the Franchisee's Operator) and other individuals the Company may specify from time to time have completed the Company's standard training program and the transferee has paid all costs and expenses incurred by the Company if the training is at a location other than one selected by the Company, and the transferee must further pay its costs and expenses associated with the training in any event;

(f) the transferee and its owners have executed the Company's then-current form of franchise agreement and all ancillary documents thereto;

(g) at the time of the request for approval of the transfer, the Franchisee or the transferee pays the Company a transfer fee equal to the greater of (i) Seventeen Thousand Five Hundred Dollars ($17,500), or (ii) fifty percent (50%) of the Company's then current initial franchise fee; provided, however, if the transfer does not occur, the Company will refund such portion of the fee not needed to cover the expenses of the Company;

(h) the Franchisee (and the Franchisee's transferring owners) have executed a general release, in form and content satisfactory to the Company, of any and all claims against the Company and its shareholders, officers, directors, employees and agents;

(i) the Company has approved the material terms and conditions of the transfer and determined that the price and terms of payment will not adversely affect the transferee's operation of the Restaurant;

(j) the Franchisee has transferred to the transferee any lease or sublease, as applicable, of the Premises, and the transferee has secured all other required consents to continue operation of the Restaurant; and

(k) transferee and transferee's owners have executed a confidentiality agreement in the form the Company prescribes and submits to the Company all other documents the Company may from time to time prescribe, including, but not limited to, terms of financing obtained or to be obtained for purchase of the Franchisee's business, License Application, and financial disclosure authorization.

At the Company's option, upon the receipt of any Request, the Company shall prepare an appropriate letter setting forth the terms of its consent, which letter may be executed by both the Franchisee and the prospective purchaser and may require that a deposit be paid to the Company in connection with the Request.

The amounts set forth in Section 15.3(c), which shall only be applicable in connection with a transfer, shall be adjusted at the time of the transfer to take into account any change in the Consumer Price Index between March 2017 and the month immediately preceding the date of transfer. As used herein, the term "**Consumer Price Index**" shall mean the United States Department of Labor's Bureau of Labor Statistics, Consumer Price Index, All Urban Consumers (CPI-U), U.S. City Average All Items (1982-84=100), or the successor to that index. For purpose of clarification, if the foregoing index is in effect as of the date of transfer, the adjusted amount

would be determined by multiplying $50,000 and $350,000 by a fraction, the denominator of which is 243.801 (the amount of the Index as of March 2017), and the numerator of which would be the Consumer Price Index Figure reported for the month immediately preceding the date of transfer.

15.4 **Franchisee's Death or Disability**. Upon the Franchisee's death or disability or, if the Franchisee is a corporation, limited liability company or partnership, the death or disability of the owner or owners who have a controlling interest in the Franchisee, the Franchisee's or the owner's executor, administrator, conservator, guardian or other personal representative must transfer the Franchisee's interest in this Agreement or the owner's interest in the Franchisee to a third party. The disposition of this Agreement or the interest in the Franchisee (including, without limitation, transfer by bequest or inheritance) must be completed within a reasonable time, not to exceed two hundred eighty (280) days from the date of death or disability, and will be subject to all of the terms and conditions applicable to transfers contained in Section 15.3. A failure to transfer the Franchisee's interest in this Agreement or the ownership interest in the Franchisee within this period of time constitutes a breach of this Agreement. In this Agreement, the term "**disability**" means a mental or physical disability, impairment or condition that is reasonably expected to prevent or actually does prevent the Franchisee, the Operator or an owner of a controlling interest in the Franchisee from managing and operating the Restaurant.

15.5 **Operation Upon Death or Disability**. If the Company in its sole judgment determines the Restaurant is not being managed properly any time after the Franchisee's death or disability or after the death or disability of the owner or owners of a controlling interest in the Franchisee, the Company has the right, but not the obligation, to assume the management of the Restaurant. All funds from the operation of the Restaurant during the period the Company has assumed its management will be kept in a separate account, and all expenses of the Restaurant, including compensation, other costs and travel and living expenses of the Company's manager, will be charged to this account. The Company also can charge a reasonable management fee (in addition to the Royalty Fees and System Brand Fund Contributions payable under this Agreement), not to exceed seven percent (7%) of the Restaurant's Gross Receipts, during the period the Company has assumed the Restaurant's management. This fee will be payable at the same time as the Royalty Fees and System Brand Fund Contribution. Operation of the Restaurant during any period will be on the Franchisee's behalf, provided the Company has a duty to utilize only the Company's reasonable efforts and will not be liable to the Franchisee or the Franchisee's owners for any debts, losses or obligations incurred by the Restaurant or to any of the Franchisee's creditors for any supplies or services the Restaurant purchases during any period in which the Company has assumed its management.

15.6 **Effect of Consent to Transfer**. The Company's consent to a transfer of this Agreement and the Restaurant or any interest in the Franchisee does not constitute a representation as to the fairness of the terms of any contract between the Franchisee and the transferee, a guarantee of the prospects of success of the Restaurant or transferee or a waiver of any claims the Company may have against the Franchisee (or the Franchisee's owners) or of the Company's right to demand the transferee's exact compliance with any of the terms or conditions of this Agreement.

15.7 **The Company's Right of First Refusal**. If the Franchisee (or any of the Franchisee's owners) at any time determines to sell, assign or transfer an interest in this Agreement and the Restaurant or a controlling ownership interest in the Franchisee, the Franchisee (or the Franchisee's owner) agrees to obtain a bona fide, executed written offer and earnest money deposit (in the amount of five percent (5%) or more of the offering price) from a responsible and fully disclosed offeror (including lists of the owners of record and beneficially of any corporate or limited liability company offeror and all general and limited partners of any partnership offeror and, in the case of a publicly held corporation or limited partnership, copies of the most current annual and quarterly reports and Form 10K) and immediately submit to the Company a true and complete copy of the offer, which includes details of the payment terms of the proposed sale and the sources and terms of any financing for the proposed purchase price (including any lease terms if the offeror is proposed to be the lessee of the Premises). To be a valid, bona fide offer, the proposed purchase price must be denominated in a dollar amount. The offer must apply only to an interest in the Franchisee or in any entity that directly or indirectly owns the Franchisee, or in this Agreement and the Restaurant (and the Premises) and may not include an offer to purchase any of the Franchisee's (or the Franchisee's owners') other property or rights. However, if the offeror proposes to buy any other property or rights from the Franchisee (or the Franchisee's owners) under a separate, contemporaneous offer, the separate, contemporaneous offer must be disclosed to the Company, and the price and terms of purchase offered to the Franchisee (or the Franchisee's owners) for the interest in the Franchisee or in this Agreement and the Restaurant must reflect the bona fide price offered and not reflect any value for any other property or rights.

The Company has the right, exercisable by written notice delivered to the Franchisee's or the Franchisee's selling owner(s) within thirty (30) days from the date of the delivery to the Company of both an exact copy of the offer and all other information the Company requests, to purchase the interest for the price and on the terms and conditions contained in the offer, provided that:

(a) the Company may substitute cash for any form of payment proposed in the offer;

(b) the Company's credit will be deemed equal to the credit of any proposed purchaser;

(c) the Company will have not less than sixty (60) days after giving notice of the Company's election to purchase to prepare for closing; and

(d) Company is entitled to receive, and the Franchisee and the Franchisee's owners agree to make, all customary representations and warranties given by the seller of the assets of a business or the capital stock of an incorporated business, as applicable, including, without limitation, representations and warranties as to:

(i) ownership and condition of and title to stock or other forms of ownership interest and/or assets;

(ii) liens and encumbrances relating to the stock or other forms of ownership interest and/or assets; and

(iii) validity of contracts and the liabilities, contingent or otherwise, of the corporation whose stock is being purchased.

If the Company exercises its right of first refusal, the Franchisee and the Franchisee's selling owner(s) agree that, for a period of two (2) years commencing on the date of the closing, the Franchisee and its selling owner(s) will be bound by the non-competition covenant contained in Section 12.3 hereof.

If the Company does not exercise its right of first refusal set forth herein, the Franchisee or the Franchisee's owners may complete the sale to the purchaser on the exact terms of the offer, subject to the Company's approval of the transfer, as provided in Subsections 15.2 and 15.3 above, provided that, if the sale to the purchaser is not completed within sixty (60) days after delivery of the offer to the Company, or if there is a material change in the terms of the sale (which the Franchisee agrees promptly to communicate to the Company), the Company will have an additional right of first refusal during the thirty (30) day period following either the expiration of the sixty (60) day period or notice to the Company of the material change(s) in the terms of the sale, either on the terms originally offered or the modified terms, at the Company's sole option.

This Section 15.7 does not apply to a transfer in which the transferee is a member of the Franchisee's immediate family, which means spouse, child, brother, sister or parent of the Franchisee or the Franchisee's owners; provided, however, all conditions to transfer set forth in Section 15.3 shall be satisfied, except that no transfer fee will be due.

ARTICLE 16

TERMINATION

16.1 **By the Company**. The Company will have the right to terminate this Agreement effective upon delivery of notice of termination to the Franchisee, if:

(a) the Franchisee fails to pay to the Company any amounts due, including but not limited to the Franchisee Fee, Royalty Fees or System Brand Fund Contributions as provided in this Agreement, if the Franchisee fails to correct such default within ten (10) days after written notice is delivered to the Franchisee;

(b) the Restaurant is found to violate any applicable health, safety and sanitation law or regulation and such non-compliance is not cured by the Franchisee within ten (10) days of the violation or such other cure period prescribed by any governmental agency, whichever period is shorter;

(c) the Franchisee abandons or fails to continuously and actively operate the Restaurant for three (3) or more consecutive days, or the Restaurant is closed for more than three (3) days in any twenty-one (21) day period, in either case unless the Company has in

(d) the Franchisee or any of its owners is adjudged bankrupt, becomes insolvent, makes an assignment for the benefit of creditors, is unable to pay debts as they come due, or a petition under any bankruptcy law is filed against the Franchisee or any of its owners or a receiver or other custodian is appointed for a substantial part of the assets of the Restaurant;

(e) the Franchisee or any of its owners is convicted of or pleads guilty to a felony, or a crime that substantially impairs the goodwill associated with the Marks or the Franchisee or any of its owners engages in any conduct which, in the Company's judgment, adversely affects the reputation of the Restaurant or the goodwill associated with the Marks;

(f) the Franchisee or any of its owners assigns or attempts to assign its interest under this Agreement not in compliance with the provisions of Article 15 above;

(g) the Franchisee or any of its owners violates any of the restrictions respecting the in-term non-competition covenant contained in Section 12.2 above;

(h) the Franchisee during any twelve (12) month period issues checks to the Company for more than two (2) monthly periods that are returned due to insufficient funds or any other reason;

(i) the Franchisee intentionally under reports the Gross Receipts of the Restaurant for any period or periods;

(j) the Franchisee underpays System Brand Fund Contributions and/or Royalty Fees by five percent (5%) or more, more than once during any five (5) year period during the term of this Agreement;

(k) the Franchisee begins construction or renovation of the Restaurant prior to receiving the Company's approval as required in Section 5.1 above;

(l) the Franchisee or any of its owners fail on three (3) or more occasions during any twelve (12) month period to submit when due reports or other information, to pay when due amounts owed to the Company, or otherwise to comply with any provision of this Agreement or any System Standard so long as the Company notifies the Franchisee of the failure; regardless of whether the Franchisee remedies the failure after the Company delivers notice to the Franchisee;

(m) the Franchisee fails to pay its debts as and when they become due, including but not limited to debts owing to suppliers, taxing authorities, lenders, lessors, and Local Cooperatives and the Franchisee fails to cure such default within ten (10) days after written notice is delivered to the Franchisee;

(n) the Franchisee fails to comply with the Company's requirements in connection with acquisition, timely construction and timely opening of the Restaurant as provided in this Agreement if the Franchisee fails to correct such default within thirty (30) days after written notice is delivered to the Franchisee;

(o) the Franchisee loses its license to serve alcoholic beverages that the Company may require to be served at the Restaurant and the Franchisee fails to correct such default within thirty (30) days after written notice is delivered to the Franchisee (and the laws where the Restaurant is located do not prohibit the serving of alcoholic beverages at the Restaurant);

(p) the Franchisee or any of its owners violate the Anti-Terrorism Laws or the Franchisee's assets are "**blocked**" under the Anti-Terrorism Laws; or

(q) the Franchisee fails to comply with any other term or condition of this Agreement or any System Standard or defaults under any other document ancillary to this Agreement or any agreement or document the Franchisee has executed with a third party and that relates to the operation of the Restaurant, and the Franchisee fails to correct such default within thirty (30) days after written notice is delivered to the Franchisee.

16.2 **By the Franchisee**. The Franchisee may terminate this Agreement effective ten (10) days after delivery to the Company of notice of termination, if the Franchisee is in compliance with this Agreement and the Company breaches this Agreement and fails to cure the breach within thirty (30) days after written notice of the breach is delivered to the Company.

ARTICLE 17

RIGHTS AND OBLIGATIONS UPON TERMINATION OR EXPIRATION OF AGREEMENT

17.1 **Franchisee Obligations**. Upon termination or expiration of this Agreement, solely at its cost, the Franchisee agrees to:

(a) immediately return to the Company the Confidential Manuals and all other Confidential Information and certify that no copies have been made, retained, distributed or released to unauthorized third parties and immediately terminate use of any information contained therein;

(b) unless otherwise directed by the Company, deliver and return all menus, signs and other items with any of the Marks, to the Company;

(c) immediately pay all Royalty Fees, System Brand Fund Contributions and other charges due and owing under this Agreement;

(d) immediately cease use of all Marks or imitation of Marks and cease identifying itself as a current or former Sonny's Restaurant or as being associated with the Sonny's System;

(e) immediately cancel all phone numbers and phone book listings;

(f) unless otherwise directed by the Company, immediately cancel all user accounts for, and remove content on, all Internet Presences;

(g) unless otherwise directed by the Company, at the Franchisee's expense, make such reasonable modifications to the exterior and interior decor of the Restaurant as the Company requires to eliminate its identification as a Sonny's Restaurant, including, but not limited to, removing signs and changing the color scheme from the Company's specifications;

(h) comply with the post-term covenant not to compete as described in Section 12.3 above; and

(i) Comply with its obligations under Article 18 if the Company exercises its purchase option thereunder.

Those other provisions of this Agreement intended to survive any termination or expiration including the confidentiality, the non-competition and indemnification provisions, shall survive and the Franchisee and its owners agree to comply with said provisions.

17.2 **Company Rights**. In addition to the rights and remedies hereunder, upon the termination or expiration of this Agreement, the Company shall have the right to cause any computer hardware or software containing Confidential Information, including any Company recipes, to be disabled.

ARTICLE 18

PURCHASE OPTION

18.1 **Option to Purchase.** Not earlier than ninety (90) days prior to, but in no event later than thirty (30) days following, the expiration or termination of this Agreement for any reason (the **"Option Period"**), the Company may, at its sole option, give notice to Franchisee that it intends to purchase from Franchisee or any of its affiliates any or all of the assets relating to or used in the Restaurant, and all materials, equipment, inventories, food, food stuffs, and supplies relating to or used in the operation of the Restaurant business (collectively, the **"Restaurant Assets"**). Restaurant Assets shall not include, however, the actual Premises upon which the Restaurant is operated, any goodwill of the Restaurant business, including any goodwill of the Restaurant, the value of any sublease or lease under which Franchisee leases the Premises or any Restaurant Assets which the Company, in its sole opinion, deems to be unusable or obsolete. Franchisee agrees to provide the Company with any information the Company reasonably requires, and to allow the Company to inspect the Restaurant, the assets of the Restaurant and the Premises to determine whether to exercise its option under this Article 18.

18.2 **Purchase Price.** The purchase price for the Restaurant Assets shall be equal to the sum of the average fair market value as determined by three qualified independent appraisers, one selected by the Company, the second selected by Franchisee, and the third selected by the other

two appraisers (net of all liens and/or encumbrances which the Restaurant Assets shall be conveyed subject to), the lesser of Franchisee's or its affiliate's depreciated cost or fair market value of all of the Restaurant Assets. Any determination of the fair market value of the Restaurant Assets shall not include any goodwill. Within seven (7) days after the determination of the purchase price, the Company may elect upon written notice to Franchisee to not complete the purchase. However, failure by the Company not to complete the purchase shall not affect any other rights of the Company under this Agreement and shall not relieve Franchisee from any of its obligations under this Agreement.

18.3 **Deductions from Purchase Price.** The Company shall have the right to deduct from the purchase price: (i) any amounts owing, as of the date of the closing, from Franchisee and/or its affiliates to the Company and any of its affiliates under or in connection with this Agreement or any other agreements to which the Company or any of its affiliates and Franchisee or any of its affiliates are parties; (ii) any sums expended by the Company to cure any defaults by Franchisee or any affiliate under any agreements affecting the Restaurant Assets or any sums expended by the Company to obtain the release of any liens or other encumbrances affecting the Restaurant Assets.

18.4 **Closing.** The closing of any such purchase shall take place at a time and location to be selected by the Company; provided, however, that such closing shall not occur any later than ninety (90) days after the purchase price is determined pursuant to Article 18(b)(ii) above. If for any reason the closing is scheduled for a date after the expiration or termination of this Agreement, the Company shall have the right to manage the Restaurant until such closing occurs. At such closing. Franchisee or its affiliates shall convey all Restaurant Assets which the Company elects to purchase with all warranties of good and marketable title, free and clear of all liens and other encumbrances, except those of which the Company notifies Franchisee or its affiliates in writing prior to closing that the Company is willing to assume. Franchisee shall execute, and shall cause its affiliates to execute, all documents reasonably required by the Company, in such form as is approved by the Company, in order to consummate such transaction.

18.5 **Operation of Restaurant.** If the Company notifies Franchisee of the Company's intent to exercise the purchase option set forth above in this Article, then the Company shall have the right, but not the obligation, to manage the Restaurant for the period commencing with the expiration or termination of this Agreement until the transaction contemplated by this Article has been consummated. The Company shall be entitled to all revenue and responsible for all expenses incurred in the operation of the Restaurant for the period during which the Company operates the Restaurant. The parties intend that claims resulting from the Company's management of the Restaurant shall be subject to indemnification by Franchisee as provided in this Agreement. If the Company exercises this right, Franchisee must execute any agreements reasonably required by the Company to further document this management arrangement. Franchisee acknowledges and agrees that it, its affiliates, and its owners may not sell, lease, or otherwise dispose of any of the Restaurant Assets until the earlier of: (i) the expiration of the Option Period (unless the Company gives notice of its intent to exercise the option within the Option Period); (ii) its receipt from the Company of a written notice that the Company does not intend to exercise its option; or (iii) the expiration of the option due to the Company's failure to comply with the deadlines set in this Article. If the Company provides written notice that it will not be exercising its option to purchase

certain Restaurant Assets, Franchisee, its affiliates, and its owners may sell, lease, or otherwise dispose of such assets in accordance with and subject to the provisions of this Agreement.

18.6 **Assumption of Lease/Sublease.** The Company shall also have the separate right, upon termination or expiration of this Agreement, to assume the existing lease or sublease, as applicable, for the Restaurant Premises for the remaining term of the lease or sublease, upon the terms and conditions contained in the lease or sublease and Lease Rider as previously approved by the Company. If the lessor under the lease or sublease is Franchisee or an affiliate of Franchisee, and the remaining term of the lease or sublease is less than twenty (20) years, the Company may at its option require Franchisee or its affiliate as the case may be to modify the term of the lease or sublease, to be twenty (20) years from assumption. If the Premises is owned by Franchisee or an affiliate, the Company shall have the right and option to require Franchisee or its affiliate, as applicable, to promptly enter into a lease with the Company or its designee for the Restaurant Premises, which lease shall be on commercially reasonable terms, including then-current market rates, and shall be for a term of twenty (20) years, unless the parties to the proposed lease agree otherwise. The foregoing right of the Company to require a new lease shall apply even if there is a lease or sublease for the Restaurant Premises between an affiliate of Franchisee and Franchisee. If the Restaurant Premises is owned by Franchisee or an affiliate and there is a lease or sublease for the Premises between Franchisee and such affiliate which is at a market rate that either the Company or the Franchisee believe is not the then-current market rate for similar commercial properties in the immediate market area of the Restaurant, the parties shall adjust the lease to the then-current market rate before assumption by the Company. If the parties cannot agree on the then-current market rate within five (5) days of termination of expiration of this Agreement, then within ten (10) days after the end of such five (5) day period each party shall appoint an independent commercial real estate broker who will, within twenty (20) days of the end of such ten (10) day period, determine the then-current market rate for similar commercial properties in the immediate market area of the Restaurant and the average of the two rates shall be the rate under the lease or sublease of the Company. The Company shall have the right to assign its rights to a third party or to sublease the premises subject to the lease or sublease without the prior written consent of the franchisee or its affiliate, but only so long as the third party lessee has financial wherewithal at least equal to that required of a new Sonny's BBQ franchisee.

ARTICLE 19

RELATIONSHIP OF THE PARTIES/INDEMNIFICATION

19.1 **Independent Contractors**. The Franchisee and the Company understand and agree that this Agreement does not create a fiduciary relationship between the Franchisee and the Company, that the Franchisee and the Company are and will be independent contractors, and that nothing in this Agreement is intended to make either party a general or special agent, joint venturer, joint employer, partner of employee of the other for any purpose. The Franchisee agrees to identify itself conspicuously in all dealings with customers, suppliers, public officials, employees, other Restaurant personnel and others as the owner of the Restaurant under a franchise the Company has granted and to place notices of independent ownership on the forms, business cards, stationery and advertising and other materials the Company requires from time to time.

19.2 **No Liability for Acts of Other Party**. The Franchisee agrees not to employ any of the Marks in signing any contract or applying for any license or permit, or in a manner that may result in the Company's liability for any of the Franchisee's indebtedness, obligations or other liabilities and that the Franchisee will not use the Marks in any way the Company has not expressly authorized. Neither the Company nor the Franchisee will make any express or implied agreements, warranties, guarantees or representations or incur any debt in the name or on behalf of the other, represent that the relationship between the parties is other than franchisor and franchise owner or be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized in writing. The Company will not be obligated for any damages to any person or property directly or indirectly arising out of the Restaurant's operation of the business that the Franchisee conducts under this Agreement.

19.3 **Taxes**. In addition to any sales, use, excise, privilege or other transaction taxes that the Company is required or permitted by law to collect from the Franchisee for the sale, lease or other provision of goods or services under this Agreement, the Franchisee shall pay to the Company an amount equal to all federal, state, local or foreign (i) sales, use, excise, privilege, occupation or any other transactional taxes, or (ii) any other taxes or similar exactions no matter how designated (excluding only taxes imposed on the Company for the privilege of conducting business and calculated with respect to the Company's net income, capital, net worth, gross receipts, or some other basis or combination thereof, but not excluding any gross receipts taxes imposed on the Company for the Franchisee's payments intended to reimburse the Company for expenditures incurred for the benefit and on behalf of the Franchisee), that are imposed on the Company or required to be withheld by the Franchisee in connection with the receipt or accrual of Royalty Fees or any other amounts payable by the Franchisee to the Company under this Agreement or any related agreement. Any additional required payment pursuant to the preceding sentence shall be made in an amount necessary to provide the Company with after tax receipts (taking into account any additional payments required hereunder), equal to the same amounts the Company would have received under the provisions of this Agreement if such additional tax liability or withholding had not been imposed or required.

19.4 **Indemnification**.

(a) The Franchisee agrees to indemnify, defend and hold harmless the Company, its affiliates and their respective shareholders, directors, officers, employees, agents, successors and assignees (the "**Indemnified Parties**") against and to reimburse any one or more of the Indemnified Parties for all claims, as described below, arising out of any act or omission of the Franchisee, or as a result of any activities occurring at, by or through the Restaurant including the Catering Business and any claims that arise from the Franchisee's employment practices, any and all taxes described in Subsection 19.3 above, and the Franchisee's breach of this Agreement. For purposes of this indemnification, "**claims**" include all obligations, damages (actual, consequential or otherwise) and costs reasonably incurred in the defense of any claim against any of the Indemnified Parties, including but not limited to reasonable accountants', arbitrators', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other expenses of litigation, arbitration or alternative dispute resolution and travel and living expenses. The Company and each of the other Indemnified Parties have the right to defend any claim

against the Company and each Indemnified Party and to agree to settlements or take any of the remedial, corrective or other actions the Company and/or the other Indemnified Parties deem expedient. This indemnity will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

(b) Under no circumstances will the Company or any other Indemnified Party be required to seek recovery from any insurer or other third party, or otherwise to mitigate the Company's, the other Indemnified Parties' or the Franchisee's losses and expenses, in order to maintain and recover fully a claim against the Franchisee. The Franchisee agrees that a failure to pursue this recovery or mitigate a loss will in no way reduce or alter the amounts the Company or another Indemnified Party may recover from the Franchisee.

ARTICLE 20

ENFORCEMENT

20.1 **Severability and Substitution of Valid Provisions**. Except as expressly provided to the contrary herein, each section, paragraph, term and provision of this Agreement, and any portion thereof, will be considered severable, and if, for any reason, any provision is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency or tribunal with competent jurisdiction in a proceeding to which the Company is a party, that ruling will not impair the operation of, or have any other effect upon, the other portions of this Agreement that may remain otherwise intelligible, which will continue to be given full force and effect and bind the parties hereto, although any portion held to be invalid will be deemed not to be a part of this Agreement from the date the time for appeal expires, if the Franchisee is a party thereto, otherwise upon the Franchisee's receipt from the Company of a notice of non-enforcement.

If any covenant in this Agreement which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited and/or length of time, but would be enforceable by reducing any part or all thereof, the Franchisee and the Company agree that the covenant will be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction whose law is applicable to the validity of the covenant.

If any applicable and binding law or rule of any jurisdiction requires a greater prior notice than is required under this Agreement for the termination of this Agreement or of the Company's refusal to enter into a renewal franchise agreement, or the taking of some other action not required under this Agreement, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any System Standard is invalid or unenforceable, the prior notice and/or other action required by the law or rule will be substituted for the comparable provisions hereof, and the Company will have the right, in the Company's sole discretion, to modify the invalid or unenforceable provision or System Standard to the extent required to be valid and enforceable. The Franchisee agrees to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision hereof, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof, or any System Standard, any portion or portions which

a court or arbitrator may hold to be unenforceable in a final decision to which the Company is a party, or from reducing the scope of any promise or covenant to the extent required to comply with a court order or arbitration award. These modifications to this Agreement will be effective only in that jurisdiction, unless the Company elects to give them greater applicability, and will be enforced as originally made and entered into in all other jurisdictions.

20.2 **Waiver of Obligations**. The Company and the Franchisee may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice to the other or another effective date stated in the notice of waiver. Any waiver the Company grants will be without prejudice to any other rights the Company may have, will be subject to the Company's continuing review and may be revoked, in the Company's sole discretion, at any time and for any reason, effective upon delivery to the Franchisee of ten (10) days prior written notice.

The Company and the Franchisee will not be deemed to have waived or impaired any right, power or option reserved by this Agreement (including, without limitation, the Company's right to demand exact compliance with every term, condition and covenant in this Agreement or to declare any breach thereof to be a default and to terminate this Agreement before the expiration of its term) by virtue of any custom or practice at variance with the terms of this Agreement; the Company's or the Franchisee's failure, refusal or neglect to exercise any right under this Agreement or to insist upon exact compliance by the other with the Company's and the Franchisee's obligations under this Agreement, including, without limitation, any System Standard; the Company's waiver, forbearance, delay, failure or omission to exercise any right, power or option, whether of the same, similar or different nature, with other Sonny's Restaurants; the existence of other franchise agreements for Sonny's Restaurants which contain different provisions from those contained in this Agreement; or the Company's acceptance of any payments due from the Franchisee after any breach of this Agreement. No special or restrictive legend or endorsement on any check or similar item given to the Company will constitute a waiver, compromise, settlement or accord and satisfaction. The Company is authorized to remove or obliterate any legend or endorsement, which will have no effect.

Neither the Company nor the Franchisee will be liable for loss or damage or be deemed to be in breach of this Agreement if the Company's or the Franchisee's failure to perform the Company's or the Franchisee's obligations results from:

(a) transportation shortages, inadequate supply of equipment, products, supplies, labor, material or energy or (the voluntary foregoing of the right to acquire) or the use of any of the foregoing in order to accommodate or comply with the orders, request, regulations, recommendations or instructions of any federal, state or municipal government or any department or agency thereof;

(b) acts of God;

(c) fires, strikes, embargoes, war or riot; or

(d) any other similar event or cause.

Any delay resulting from any of these causes will extend performance accordingly or excuse performance, in whole or in part, as may be reasonable, except that these causes will not excuse payments of amounts owed at the time of the occurrence or payment of Royalty Fees or System Brand Fund Contributions due under this Agreement.

20.3 **Costs and Attorneys' Fees**. If the Company incurs expenses due to the Franchisee's repeated failure to pay when due amounts owed to the Company, to submit when due any reports, information or supporting records or otherwise to comply with the health, safety or operational System Standards under this Agreement, the Franchisee agrees to reimburse the Company for any of the costs and expenses which the Company incurs, including, without limitation, reasonable accounting, attorneys', arbitrators' and related fees. Otherwise, the prevailing party in any action between the parties shall be entitled to recover its reasonable attorneys' fees and costs from the other party.

20.4 **Franchisee May Not Withhold Payments Due to the Company**. The Franchisee agrees that it will not withhold payment of any amounts owed to the Company on the grounds of the Company's alleged non-performance of any of the Company's obligations under this Agreement. The Franchisee agrees that all claims will, if not otherwise resolved, be submitted to arbitration as provided in Section 20.7 below.

20.5 **Rights of Parties Are Cumulative**. The Company's and the Franchisee's rights under this Agreement are cumulative, and no exercise or enforcement by the Company or the Franchisee of any right or remedy under this Agreement will preclude the Company's or the Franchisee's exercise or enforcement of any other right or remedy under this Agreement which the Company or the Franchisee are, entitled by law, to enforce.

20.6 **Mediation**. Except with respect to matters for which a party believes it necessary to seek injunctive or equitable relief, the Franchisee and the Company shall be required to enter into mediation of all disputes involving this Agreement, or any other aspect of the relationship between them, for a minimum of four (4) hours, prior to the initiation of any action or proceeding against the other.

(a) Upon written notice by either party to the other of the initiating party's desire to mediate, the party receiving the notice shall select an independent entity that regularly provides mediation services to franchisors and franchisees to serve as mediator in the proceeding. If the party receiving the notice of intent to mediate does not provide the name of such an organization within ten (10) business days from the date the notice of intention to mediate is received, then the other party may forego mediation of the issue(s) and commence legal action or, at its option, make the selection of the organization to provide mediation services. If one party selects an organization that is unwilling to serve as mediator or the mediator does not meet the requirements of this Section 20.6(a), then the other party may select the organization. Once the mediator agrees to accept appointment as mediator, the mediator shall be directed to schedule a mediation proceeding at a time mutually convenient to the Company and the Franchisee. The mediation shall be held within thirty (30) days following receipt by the mediation organization of notification that its services are requested. If the parties cannot agree on a date for mediation, then the

mediator shall select a date it believes is reasonable for the parties, given all of the alleged conflicts in dates. The mediator shall either be a retired judge, or a person who has had at least ten (10) years of experience as either franchisee or franchisor (or as an officer of such an entity), or in franchise law.

(b) The parties shall equally share the cost of the mediator. The mediator shall select the location for the mediation, giving due consideration to the location that will minimize the total expenses of the mediation.

(c) Except with respect to matters for which a party is permitted to seek injunctive or equitable relief, if either party initiates a legal action without complying with their obligation to mediate in accordance with this Section 20.6 (unless the other party has failed to respond on a timely basis or has indicated it will not engage in mediation in accordance with the provisions of this Section 20.6), then upon petition of any party named as a defendant in such litigation, the arbitrator or court, as applicable, shall dismiss the action without prejudice, upon a finding that the party has failed to comply with its obligation to mediate and award attorneys' fees and costs to the party seeking dismissal in an amount equal to such party's attorneys' fees and costs incurred in seeking dismissal. If the arbitrator or court, as applicable, refuses for any reason to dismiss the action, but does find that the party failed to comply with an obligation to mediate, then regardless of the outcome of such action, or of any award given in such action, the party initiating the action shall be responsible for all attorneys' fees and costs incurred throughout the action by the other party as damages for failing to comply with the provisions of this Section 20.6.

20.7 **ARBITRATION**. **EXCEPT FOR A CLAIM BY A PARTY FOR INJUNCTION OR OTHER EQUITABLE RELIEF, ALL CONTROVERSIES, DISPUTES OR CLAIMS BETWEEN THE COMPANY (THE COMPANY'S SHAREHOLDERS, OFFICERS, DIRECTORS, AGENTS AND EMPLOYEES) AND THE FRANCHISEE (THE FRANCHISEE'S OWNERS, GUARANTORS, AFFILIATES AND EMPLOYEES, IF APPLICABLE) ARISING OUT OF OR RELATED TO:**

20.12 **Limitations of Claims**. Except for claims arising from the Company's right to modify the Confidential Manuals and System Standards, the Franchisee's non-payment or underpayment of amounts the Franchisee owes the Company under this Agreement and the Franchisee's unauthorized use of any Marks or unauthorized use or disclosure of any Confidential Information, any and all claims arising out of or relating to this Agreement or the Company's relationship with the Franchisee will be barred unless within eighteen (18) months from the date such party has knowledge of, or is of the opinion that a claim exists against the other, such party notifies the other in writing of such claim.

20.13 **Construction**. The preambles and exhibits are a part of this Agreement which constitutes the Company's and the Franchisee's entire agreement, and there are no other oral or written understandings or agreements between the Company and the Franchisee relating to the subject matter of this Agreement, except that the Franchisee acknowledges that the Company has justifiably relied on the Franchisee's representations made before the execution of this Agreement as set forth in Section 1 above. Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require Franchisee to waive reliance on any representation made by Company in its Franchise Disclosure Document delivered to Franchisee or its representative at least fourteen (14) days prior to Franchisee executing this Agreement or making any payment to the Company. Nothing in this Agreement is intended, nor is deemed, to confer any rights or remedies upon any person or legal entity not a party hereto. This Agreement along with each and every other franchise document shall be construed without giving any effect as to which party prepared or caused said document to be prepared.

Except where this Agreement expressly obligates the Company reasonably to approve or not unreasonably to withhold the Company's approval of any of the Franchisee's actions or requests, the Company has the absolute right to refuse any request the Franchisee makes or to withhold the Company's approval of any of the Franchisee's proposed, initiated or effected actions that require the Company's approval. Any approval by the Company will only be evidenced if contained in a writing signed by the Company.

The headings of the several sections and paragraphs hereof are for convenience only and do not define, limit or construe the contents of these sections or paragraphs.

The term "**affiliate**," as used herein with respect to the Franchisee or the Company, means any person or entity directly or indirectly owned or controlled by, under common control with or

owning or controlling, the specified party. For purposes of this definition, "**control**" means the power to direct or cause the direction of management and policies.

If two or more persons are at any time the Franchisee hereunder, whether as partners or joint venturers, their obligations and liabilities to the Company will be joint and several. References to "**owner**" mean any person holding a direct or indirect, legal or beneficial ownership interest or voting rights in the Franchisee (or a transferee of this Agreement and the Restaurant or an interest in the Franchisee), including, without limitation, any person who has a direct or indirect interest in the Franchisee (or a transferee), this Agreement, the Franchise or the Restaurant and any person who has any other legal or equitable interest, or the power to vest in himself or herself any legal or equitable interest, in the revenue, profits, rights or assets thereof. References to a "**controlling interest**" in the Franchisee mean the percent of the Franchisee's voting shares or other voting rights resulting from dividing one hundred percent (100%) of such ownership interests by the number of the Franchisee's owners immediately before or after the time the determination must be made. "**Person**" means any natural person, corporation, limited liability company, general or limited partnership, unincorporated association, cooperative or other legal or functional entity.

The term "**Restaurant**" includes all of the assets of the Sonny's Restaurant the Franchisee operates under this Agreement, including its revenue and income and the lease.

With respect to any "**remodel**" or "**remodeling**" obligations set forth herein, the Company will establish reasonable written standards for such remodeling (after consultation with the Franchisee Advisory Council as provided in Section 20.15) based on Sonny's Restaurant brand image requirements that have been implemented for reasonably contemporaneous new construction and remodeled Sonny's Restaurants. Franchisee understands and acknowledges that any such remodeling may require major expenditures of time and money. The parties agree that remodeling will not be required more than once during the initial term or more than once during any renewal term of this Agreement. The parties further agree that equipment modification or new equipment acquisition requirements, will not be considered remodeling.

This Agreement may be executed in multiple copies, each of which will be deemed an original.

20.14 **Compliance with Anti-Terrorism Laws**. The Franchisee and its owners agree to comply with and/or assist the Company to the fullest extent possible in its efforts to comply with Anti-Terrorism Laws (as defined below). In connection with such compliance, the Franchisee and its owners certify, represent, and warrant that none of the Franchisee's and its owners' property or interests is subject to being "**blocked**" under any of the Anti-Terrorism Laws and that the Franchisee and its owners are not otherwise in violation of any of the Anti-Terrorism Laws. **"Anti-Terrorism Laws"** means Executive Order 13224 issued by the President of the United States, the USA Patriot Act, and all other present and future federal, state and local laws, ordinances, regulations, policies, lists and any other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war.

20.15 **Company's Judgment**. The Company has the right to operate, develop, and change the Sonny's System in any manner that is not specifically prohibited by this Agreement.

Whenever the Company makes decisions or exercises rights, the Company may do so based on information readily available to the Company, the Company's judgment of what is in the best interests of the Company, franchisees generally, or the Sonny's System. The Company may make decisions or exercise its rights without regard to whether the Company could have made other reasonable or even arguably preferable alternative decisions or whether the Company's decision promotes the Company's financial or other individual interest. The Company agrees to consult with its Franchisee Advisory Council regarding any major change in the Sonny's System (including, without limitation, any remodeling standards as described in Section 20.13) that would require a material investment by franchisees, but the Company retains sole decision-making power with respect to any such change.

Because complete and detailed uniformity under many varying conditions might not be possible or practical, the Franchisee acknowledges that the Company specifically reserves the right and privilege, to vary System Standards for any franchisee based upon peculiarities, conditions or factors that the Company considers important to that franchisee's successful operation. The Franchisee has no right to require the Company to grant the Franchisee a similar variation or accommodation.

Accordingly, the Franchisee and the Franchisee Owners agree that, in consideration of the Company entering into the Franchise Agreement:

1. During the term of the Franchise Agreement, neither the Franchisee nor any Franchisee Owner shall, without the prior written consent of the Company, which consent the Company may withhold in its absolute discretion, directly or indirectly for the benefit of the Franchisee or the Franchisee Owners, or through or on behalf of or in conjunction with any other person, partnership, corporation, another legal entity, or otherwise, own, engage in, be employed by, advise, assist, invest in, franchise, make loans to or have any other interest, whether financial or otherwise, in any other business operating, or granting franchises or licenses to operate, any barbeque type restaurant or barbeque type food service business (a "**Competitive Business**") other than pursuant to a franchise agreement with the Company. For the foregoing purposes, the term "barbeque type restaurant or barbeque type food service business", not only means a restaurant or food service business which holds itself out as a facility that primarily sells barbeque food items, but also any

other restaurant or food service business which derives more than twenty percent (20%) of its non-alcohol revenues from the sale of barbeque food items.

2. For a period of two (2) years from and after expiration or termination of the Franchise Agreement for any reason whatsoever, neither the Franchisee nor any Franchisee Owner will, directly or indirectly for the benefit of the Franchisee or the Franchisee Owners, or through or on behalf of or in conjunction with any other person, partnership, corporation, another legal entity, or otherwise, engage in, be employed by, advise, assist, invest in, franchise, make loans to or have any other interest, whether financial or otherwise, in a Competitive Business which is either located or does business within twenty-five (25) miles of the Restaurant or any then existing Sonny's Restaurant except pursuant to a franchise agreement with the Company, or that is granting franchises or licenses for the operation of Competitive Businesses located, or to be located, within any of the foregoing areas.

3. Throughout the term of the Franchise Agreement and thereafter regardless of expiration or termination, neither the Franchisee nor any Franchisee Owner shall, directly or indirectly for the benefit of the Franchisee or the Franchisee Owners, or through or on behalf of or in conjunction with any other person, partnership, corporation, another legal entity, or otherwise, use, disclose, or distribute in any other way whatsoever any Confidential Information relating to the Company. As used herein, the term "**Confidential Information**" means all information of the Company relating to the development and operation of Sonny's Restaurants and includes, but is not limited to, recipes, formulae, cooking and food preparation methods, and techniques, formats, specifications, standards, sales and marketing methods, building and equipment specifications and knowledge with regard to marketing, suppliers and financial performance of other Sonny's Restaurants and the Company.

As used herein, the term "**Franchisee Owner**" means any party who has any ownership interest whatsoever, directly or indirectly, in the Franchisee.

The Franchisee and the Franchisee Owners acknowledge and agree that remedies at law may be inadequate to protect the Company against any actual or threatened breach of this Agreement by Franchisee or any of the Franchisee Owners and, without prejudice to any other rights and remedies otherwise available to the Company, the Franchisee and the Franchisee Owners agree to the granting of specific performance and injunctive or other equitable relief in Company's favor without proof of actual damages and Franchisee and Franchisee Owners further agree to waive any requirement for the securing or posting of any bond in connection with any such remedy. Exclusive venue and jurisdiction for any action brought to construe or enforce the terms of this Agreement shall be in the state and federal courts in and for Orange County, Florida, or such other county where the Company may have its corporate headquarters at the time such action is brought; provided, however, a claim for injunctive relief may be brought in the county in which the other party has its principal office (which in the case of any action against a Franchisee Owner shall be the county in which the Franchisee Owner is domiciled or the county in which the Restaurant is located). In the event it shall be necessary for any party to

this Agreement to bring suit to enforce any provision hereof or on account of any breach of this Agreement or of any warranty, covenant, condition, requirement or obligation contained herein, the prevailing party in any such litigation, including appeals, shall be entitled to recover from the other party, in addition to any relief granted as a result of such litigation, all costs and expenses of such litigation and a reasonable attorneys' fee as fixed by the Court.

Re: Franchise Agreement (the "**Franchise Agreement**") dated _____, ___ 20___ between Sonny's Franchise Company (the "**Company**") and _____ (the "**Franchisee**")

Reference is made to:

A. The Franchise Agreement described above; and

B. The right granted the Franchisee under the Franchise Agreement to operate a Sonny's Real Pit Bar-B-Q restaurant (the "**Sonny's Restaurant**") at the Restaurant Location described above.

The Company has advised the Franchisee that it would not approve the undersigned as an Operator in accordance with the terms of the Franchise Agreement unless and until the Operator (as defined in the Franchise Agreement) agreed (i) not to operate, be employed by or in any other way whatsoever be involved with a Competitive Business as set forth herein, and (ii) not to disclose certain Confidential Information regarding the Company as set forth herein. Accordingly, the undersigned, in consideration of the Company approving the undersigned as an Operator, does hereby state to and agree with the Company as follows:

1. During the term of the Franchise Agreement, the Operator shall not, directly or indirectly, through or on behalf of, or in conjunction with any other person, partnership or corporation, own, engage in, be employed by, advise, assist, invest in, franchise, make loans to or have any other interest, whether financial or otherwise, in any other business operating or granting franchises or licenses to operate any barbeque-type restaurant or barbeque-type food service business (the "**Competitive Business**") other than pursuant to a franchise agreement with the Company. 2. In the event (i) the Franchise Agreement expires or is terminated for any reason whatsoever, or (ii) the Operator ceases to be employed by the Franchisee for any

reason whatsoever, whether for cause or without cause, the Operator will not, directly or indirectly, for a period of two (2) years from the first of the foregoing to occur for the benefit of the Operator and/or its owners, or through or on behalf of or in conjunction with any other person, partnership, or corporation, engage in, be employed by, advise, assist, invest in, franchise, make loans to or have any other interest, whether financial or otherwise, in a Competitive Business that is either located or does business in the Franchisee's Designated Market Area ("**DMA**"), or within ten (10) miles of any then existing Sonny's Restaurant, except pursuant to a franchise agreement with the Company, or that is granting franchises or licenses for the operation of Competitive Businesses located, or to be located, within any of the foregoing areas. The Franchisee's DMA is the area determined by the then most current Nielsen Television Research Coverage Study (or, if not then available, any replacement or most comparable study) which sets forth the television market for the area in which the Franchisee's Sonny's Restaurant is located.

3. In the event it shall be necessary for either party to this Agreement to bring suit to enforce any provision hereof or on account of any breach of this Agreement or of any warranty, covenant, condition, requirement or obligation contained herein, the prevailing party in any such litigation, including appeals, shall be entitled to recover from the other party, in addition to any relief granted as a result of such litigation, all costs and expenses of such litigation and a reasonable attorneys' fee as fixed by the Court.

FORM OF SONNY'S COOPERATIVE ADVERTISING AGREEMENT

This Document follows on the Next Page.

SONNY'S COOPERATIVE ADVERTISING AGREEMENT

THIS SONNY'S COOPERATIVE ADVERTISING AGREEMENT (the "**Agreement**") is made as of the _____ day of _____, 20___ by all the persons listed in **Schedule A** attached hereto, all of said persons being the Franchisees engaged in the operation of Sonny's Real Pit Bar-B-Q restaurants (hereinafter referred to as "**Sonny's Restaurants**").

WITNESSETH:

WHEREAS, the undersigned are the Franchisees, each of whom owns and operates under a Franchise Agreement with **SONNY'S FRANCHISE COMPANY** (the "**Company**"), the Franchisor, one or more Sonny's Restaurants in the Designated Market Area (described below): _____

_____

_____ (hereinafter referred to as the "**DMA**"); and

WHEREAS, each of the undersigned Franchisees agree and acknowledge that it is in their mutual best interests to cooperate in advertising the Sonny's System and their Sonny's Restaurants throughout the DMA; and

WHEREAS, each of the undersigned Franchisees agree and acknowledge that by said cooperative efforts all of them will be able to afford greater and more effective exposure of their respective Sonny's Restaurant to the general public than otherwise might be possible; and

WHEREAS, each of the undersigned Franchisees acknowledges that through said cooperative advertising efforts they may be able to increase the sales and profitability of their respective Sonny's Restaurant.

NOW, THEREFORE, the undersigned Franchisees agree as follows:

1. FORMATION OF COOPERATIVE. The parties hereby agree to form an advertising cooperative (the "**Cooperative**") for the purpose of promoting the Sonny's Restaurants in the DMA throughout the DMA, and each of the undersigned hereby consents and agrees to membership, and joins as a member, in said Cooperative.

2. MEMBERSHIP/VOTING. The parties agree that each party to a Franchise Agreement for the ownership and operation of a Sonny's Restaurant in the DMA as well as all Restaurants owned by the Company or an affiliate located in the DMA, regardless of whether they are a party to a Franchise Agreement, shall be eligible for membership in the Cooperative. However, to be a member of the Cooperative a party must have at least one (1) Sonny's Restaurant open and operating in the DMA (a "**Member**"). Each Member shall for all matters requiring a vote of the membership be entitled to one (1) vote for each Sonny's Restaurant contributing 100% of the agreed-upon Cooperative contribution (less than a full vote may be exercised based on policies established by the Company) and open and operating pursuant to a

Franchise Agreement with the Company at the time notice of such vote is delivered to the Member. The Cooperative shall only take action on those matters approved by a majority of the votes cast by the Cooperative's membership voting in person, through electronic means (so long as appropriate safeguards regarding identification and verification have been instituted) or by proxy, except where provided otherwise by the By-Laws of the Cooperative or this Agreement. The officers of the Cooperative, their duties, tenure, election and renewal shall be governed by the By-Laws of the Cooperative.

3. TERM. The term of existence of the Cooperative shall be perpetual until terminated by a majority of the votes of the Cooperative's membership and with the express prior written approval of the Company. A Member shall commence contributions required hereunder by the first day of the month immediately following the month in which the Member has one or more Sonny's Restaurants open and operating in the DMA. When making such contributions, each member shall also submit Company Approved Sales information showing the calculations for such contribution.

4. PAYMENT TO THE COOPERATIVE. During the term of the existence of the Cooperative, each Member must contribute 2% of the Gross Receipts of each of the Member's Sonny's Restaurants open and operating within the DMA. Such contribution shall be made by the 10th day of each month based on the Gross Receipts of the Sonny's Restaurant during the immediately prior month or fraction thereof. Gross Receipts shall be as defined in the Franchise Agreement between the Company and the Member. The parties agree that this obligation shall also extend to Sonny's Restaurants opened in the DMA by each of them hereafter. Each of the undersigned hereby agrees to furnish to the Cooperative, at the time the Member's monthly payment is due hereunder, monthly summaries of the Gross Receipts (as reported monthly to the Company) of each Sonny's Restaurant in the DMA operated by it as a franchisee. If the undersigned fail to provide such information, each of the undersigned hereby also authorizes the Company to provide to the Cooperative this same information. A unanimous vote of the membership along with the written approval of the Company shall be required if the Cooperative wishes to modify the contribution percentage.

5. EXPENDITURE OF FUNDS. All funds contributed by Members to the Cooperative shall be expended solely to pay for advertising and marketing within the DMA, using such media as shall be agreed upon by a majority of the votes cast by the Cooperative's membership. As used herein, "**advertising**" and "**marketing**" shall mean:

(a) direct costs of: (1) preparing and producing video, audio, written or electronic marketing materials advertising the Sonny's restaurants in the DMA; and (2) developing, implementing and maintaining websites and social media programs advertising the Sonny's Restaurants in the DMA; and

(b) out-of-pocket expenses directly incurred and related to the cost of advertising and administration of the Cooperative, including, but not limited to, meeting room charges, photocopying, postage and shipping.

Should the Cooperative wish to modify the definition of "**advertising**" and "**marketing**" to include other forms of advertising, promotional items or other expenses of publicity, the Cooperative shall obtain the written approval of the Company prior to doing so.

6. MEETINGS. The Cooperative shall hold meetings on a regular basis (which in no event shall be less than twice per year) as deemed necessary to conduct Cooperative business. Notice of the time and place of each meeting shall be given to the Company at least ten (10) days prior to the meeting and the Company shall be entitled to have a representative participate or be present at each meeting.

7. CREDITS. Nothing in this Agreement shall be deemed to prohibit the Members of the Cooperative from allowing credit against the contributions required by this Agreement to Members who can demonstrate with proper marketing studies that they in fact are receiving materially less benefit from the coverage afforded by advertising placed through the Cooperative in the DMA.

If a Member seeking such credit cannot reach an agreement with the Cooperative on the amount of credit, then the dispute shall be forwarded for resolution to the Company, along with all data and marketing studies supporting both points-of-view, and the decision of the Company shall be final and binding upon the Cooperative and its Members.

8. RESOLUTION OF DISPUTES. If the Members of the Cooperative cannot resolve a dispute, the dispute shall be referred to the Company, whose decision shall be binding.

9. BUDGET. The Cooperative shall formulate an annual budget, such as may reasonably be based on sales projections, which budget shall be distributed to the Members and the Company within fifteen (15) days of the beginning of the year for which the budget was formulated.

10. FUNDING OF CONTRIBUTIONS. For the purposes of actual payment of bills for advertising and marketing expenses and costs incurred by the Cooperative, the contributions required by this Agreement will be paid into a common fund maintained by an outside accounting firm. Said accounting firm will be selected by the President of the Cooperative and be ratified by the Cooperative at the meeting following any such selection.

11. AUDIT RIGHTS. Each of the Members shall have a right, at its own expense and during normal business hours, to conduct an examination and audit of the books and records of the Cooperative and to verify directly with an appropriate advertising agency or supplier of media any item of advertising expense or cost. Any Member conducting such an examination shall promptly report the results in writing to each of the participants in the Cooperative.

12. FINANCIAL OBLIGATIONS. The Cooperative agrees to defend and indemnify its Officers and Directors against any claims made against the Cooperative as a result of non-payment of a vendor due to the Member non-payment.

IN WITNESS WHEREOF, the undersigned, each being a franchisee of the Company and a Member, intending to be legally bound hereby, have executed this Agreement on the day and year set forth by each of their respective names.

LANDLORD'S AGREEMENT
REGARDING USE OF
LEASED PREMISES AS A
SONNY'S REAL PIT BAR-B-Q RESTAURANT

THIS LANDLORD'S AGREEMENT REGARDING USE OF LEASED PREMISES AS A SONNY'S REAL PIT BAR-B-Q RESTAURANT (the "**Agreement**") made and entered into this ___ day of _____, 20___ by and between:

_____, (hereinafter referred to as the "**Landlord**"),

and

_____, (hereinafter referred to as the "**Tenant**" or "**Franchisee**").

and

SONNY'S FRANCHISE COMPANY, a Florida corporation, 359 Carolina Avenue, Suite A, Winter Park, Florida 32789 (hereinafter referred to as the "**Company**").

W I T N E S S E T H:

WHEREAS, on or about _____, 20___ the Landlord and the Tenant entered into a certain Lease Agreement (the "**Lease**") dated _____, 20___ pursuant to which the Tenant leased from the Landlord certain real property (the "**Premises**") located in _____ County, _____ the legal description of which is attached hereto as **Exhibit A**; and

WHEREAS, the Tenant proposes to enter into a Sonny's Franchise Agreement (the "**Franchise Agreement**") with the Company, pursuant to which the Tenant would be granted a single franchise to operate on the Premises a "**SONNY'S REAL PIT BAR-B-Q**" Restaurant (the "**Sonny's Restaurant**"); and

WHEREAS, the Company is unwilling to enter into the Franchise Agreement and award a Franchise to the Tenant to operate a Sonny's Restaurant on the Premises unless and until the Landlord agrees with the Company as to certain matters set forth herein.

NOW, THEREFORE, in consideration of mutual premises herein contained, the parties do hereby agree as follows:

1. **LEASE**. The Landlord states to the Company that (a) the Lease is in full force and effect, (b) there are no defaults under the Lease, and (c) there will be no amendment or modification to the Lease without the prior written approval of the Company which approval shall not be unreasonably withheld, **provided**, **however**, if the proposed amendment or modification does not adversely and materially affect the rights of the Tenant under the Lease, said amendment or modification may be entered into provided that notice of said proposed amendment or modification is first given to the Company and, after execution, there is furnished to the Company an executed copy of said amendment or modification. If the Company fails to respond within thirty (30) days after the proposed material and adverse amendment or modification has been submitted to the Company for its approval, said amendment or modification will be deemed to have been approved by the Company.

2. **CONSENT TO USE OF PREMISES FOR SONNY'S RESTAURANT**. The Landlord does hereby state to the Company that nothing contained in the Lease prohibits the use of the Premises for the Sonny's Restaurant, and the Landlord does hereby consent to the use by the Tenant of the Premises as a Sonny's Restaurant.

3. **DEFAULT UNDER LEASE**. In the event the Tenant should default under the Lease, the Landlord agrees with the Company that before the Landlord will take any action as a result of said default (such as, for example, electing to terminate the Lease) as follows:

(a) The Landlord shall notify the Company in writing of said default, and, in said notice, shall specify the condition of default and what action is necessary to cure said default. The Company shall have a period of thirty (30) days after the receipt of such notice within which to cure said default and in the event the Company does cure said default, the Landlord shall not terminate or cancel the Lease.

(b) In regard to any default occurring under the Lease, the Company shall not, however, be obligated to cure any default which has arisen or occurred more than ninety (90) days prior to the receipt of notice of default from the Landlord as set forth in subparagraph (a) above and to the extent the Company cures the default arising or occurring within said ninety (90) day period, the Company will be deemed to have cured all prior defaults arising or occurring ninety (90) or more days prior to the receipt of said notice from the Landlord.

(c) Notwithstanding any provisions of this Agreement or the fact that the Company may from time to time cure any default under the Lease, the Company shall have no liability or obligation whatsoever under the Lease and the Company shall not have any liability or obligation to cure or to continue to cure any default under the Lease.

(d) To the extent the Company should cure any default under the Lease, any monies advanced or paid by the Company to do so shall be

immediately due and owing to the Company from the Franchisee under the Franchise Agreement with the same effect as Royalty Fees.

Notwithstanding the foregoing, if in the event of a default under the Lease the Company does not elect to cure said default, the Company may nevertheless notify the Landlord in writing that it wishes to take over the Premises and continue the use thereof as a Sonny's Restaurant after the Landlord has recovered possession of the Premises and, in such case, upon the Landlord recovering possession of the Premises, the Landlord and the Company will enter into a lease agreement for the Premises on the same business terms and format as is contained in the Lease itself, the only change being that the Company will be the Tenant and there will be no existing events of default thereunder. Within thirty (30) days after the Landlord has given to the Tenant formal notice of termination of the Lease as a result of said default, which notice will also be given to the Company, the Company shall notify the Landlord of the Company's intent whether or not to exercise its rights under this subparagraph; at such time as the Landlord has actually recovered possession of the Premises, the Landlord will so notify the Company and the Company will then have thirty (30) days within which to finally notify the Landlord whether the Company intends to enter into a lease as set forth in this subparagraph. The Landlord will keep the Company reasonably informed in regard to the status of the proceedings relating to the recovery of possession of the Premises by the Landlord. Said Lease will be entered into within thirty (30) days after the Landlord has notified the Company that it has recovered possession of the Premises and is prepared to deliver possession of the Premises to the Company.

(e) If the Company does not elect to enter into a new form of lease as set forth above, then, in that event, the Company shall have the right of first refusal to acquire the Premises if and only in the event the Landlord elects to either sell or lease the Premises to a third party to be used for a barbeque restaurant, facility or business. In such event, the Landlord shall furnish to the Company a copy of said purchase contract or proposed lease and the Company shall have a period of thirty (30) days within which to elect to acquire the Premises by purchase or lease on the same terms and conditions as are so offered to the Landlord. If the Company elects not to exercise its option or fails to so elect within said thirty (30) day period, then, in that event, the Landlord may sell and/or lease the Premises on the terms so offered within one hundred twenty (120) days thereafter, and the right of first refusal shall expire at the closing of the sale or lease. If the terms of said sale and/or lease are renegotiated or are changed from those so submitted to the Company and said new terms are materially more beneficial to the purchaser or tenant, then, in that event, the right of first refusal so granted to the Company hereunder shall be reinstated. This subparagraph (f) will not be applicable in the event the Premises are to be sold or leased to a third party which will use the Premises for a use other than a barbeque restaurant, facility or business.

4. **RIGHTS OF THE COMPANY UNDER FRANCHISE AGREEMENT REGARDING THE PREMISES**. Under the Franchise Agreement, the Company has the right

under certain circumstances, to acquire or to cause a third party to acquire the interest of the Tenant under the Lease. In that regard, the parties do hereby agree as follows:

(a) Notwithstanding any provisions of the Lease, the Landlord does hereby agree that the Company or any designee (the "**Designee**") may succeed to and acquire the rights of the Tenant under the Lease if the Company is permitted to do so under the Franchise Agreement. If the Company intends to have the interest of the Tenant acquired by any Designee, the approval of the Landlord as to said Designee shall be required, said approval not to be unreasonably withheld, conditioned or delayed. There shall be furnished to the Landlord such information regarding the Designee as the Landlord may reasonably request. The Company may succeed to the interest of the Tenant hereunder and then subsequently assign its rights to a Designee. In such event, the Company shall only be liable under the Lease during the period of time the Company was in effect the tenant thereunder and said liability shall no longer be effective from and after the date the Company has assigned its interest under the Lease to the Designee.

(b) The Company shall be under no duty or obligation whatsoever to acquire the interest of the Tenant, and the Company shall only be deemed to have exercised its rights hereunder in the event it gives express written notice to the Landlord that the Company intends to exercise its rights hereunder. If the Company indicates that it intends to exercise its rights under this paragraph, then, in that event, the Company shall be obligated under the Lease from the date the Company actually occupies and takes physical possession of the Premises. The Company under this paragraph shall not have any duty or obligations to the Landlord for matters arising prior to said date.

(c) Notwithstanding the provisions of this paragraph 4 and the acquisition of the Tenant's interest by the Company or any Designee, nothing contained herein or elsewhere in this Agreement shall release the Tenant from any liability whatsoever under the Lease to the Landlord.

5. **DEFAULT UNDER FRANCHISE AGREEMENT.** In the event the Tenant should default under the Franchise Agreement, the Company agrees with the Landlord as follows:

(a) If the Franchisee should default under the Franchise Agreement, then, prior to the Company terminating the Franchise Agreement, the Company shall furnish to the Landlord in writing a copy of said default notice, and, in said notice, shall specify the condition of default and what action is necessary to cure said default. The Landlord shall have a period of time within which to cure said default equal to the greater of (i) ten (10) days after the period of time Franchisee has to cure said default (whether under the Franchise Agreement or in the default notice so provided the Landlord by the Company), or (ii) thirty (30) days after the

receipt of such notice by the Landlord. The Company shall only be obligated to furnish one such notice for the relevant default. As set forth in subparagraph (c) below, nothing contained herein shall obligate the Landlord to cure any such default.

(b) In regard to any default occurring under the Franchise Agreement, the Landlord shall not, however, be obligated to cure any default which has arisen or occurred more than sixty (60) days prior to the receipt of notice of default from the Company as set forth in subparagraph 5(a) above and to the extent the Landlord cures the default arising or occurring within said sixty (60) day period, the Landlord will be deemed to have cured all prior defaults arising or occurring sixty (60) or more days prior to the receipt of said notice from the Company.

(c) Notwithstanding any provisions of this Agreement or the fact that the Landlord may from time to time cure any default under the Franchise Agreement, the Landlord shall have no personal liability or obligation whatsoever under the Franchise Agreement and the Landlord shall not have any personal liability or obligation to cure or to continue to cure any default under the Franchise Agreement.

6. **RIGHT OF THE COMPANY TO PURCHASE PREMISES**. As set forth in paragraph 4 above, the Company has the right under certain circumstances to acquire the assets of the Franchisee. In such case, the Company shall have not only the right to acquire the assets of the Franchise in accordance with the terms of the Franchise Agreement, but it shall also have the right to acquire from the Landlord the Premises. In such case, the following provisions shall apply:

(a) The closing on the purchase of the Premises shall occur simultaneous with the closing on the purchase of other Restaurant assets from the Franchisee under said Article 18.

(b) The closing on the purchase of the Premises shall be in accordance with the standard practices then used in the County where the Premises are located.

The provisions of this paragraph shall not apply if the Landlord and the Franchisee are not affiliated in any way whatsoever.

7. **RESTRICTION ON USE OF PREMISES**. In regard to the use of the Premises, the Landlord agrees that it shall not permit the Premises to be used as a barbecue restaurant, facility or business in any way whatsoever except as follows:

(a) The Premises may be used as a Sonny's Restaurant provided the owner of the Restaurant has a valid Franchise Agreement with the Company.

The provisions of this paragraph shall apply during the term of the Lease and shall continue for a period of two (2) years after the Lease has expired or been terminated.

8. **LIABILITIES OF LANDLORD**. In regard to the duties and obligations of the Landlord, the parties hereby agree as follows:

(a) The Landlord shall have no duties or obligations whatsoever under the Franchise Agreement, and nothing contained in this Agreement shall impose any duties or obligations whatsoever on the Landlord under the Franchise Agreement.

(b) In regard to the Premises, the only duties and obligations of the Landlord to the Company are the duties and obligations expressly set forth in this Agreement.

9. **SUBORDINATION OF LANDLORD'S LIEN**. In regard to any security interest the Company may have at any time in any personal property of the Franchisee, the Landlord does hereby agree that any Landlord's lien, encumbrance or other form of security interest the Landlord may have in any such personal property is and shall at all times remain junior and subordinate to any security interest the Company may have in any such property. If the Company should exercise any such right, the Company shall give notice to the Landlord and shall repair any damages to the building which may be caused by the Company exercising its right of removal.

10. **NOTICES**. Any notices permitted or required to be given under this Agreement shall be in writing, and shall deemed to be delivered (i) in the case of delivery, when addressed to the other party at the address set forth at the beginning of this Agreement and actually delivered to said address, (ii) in the case of mailing, five (5) days after said notice has been deposited by certified or registered mail in the United States mails, postage prepaid, and addressed to the other party as set forth at the beginning of this Agreement, and (iii) in all other cases, when actually received by the other party. Nothing contained herein shall, however, authorize or entitle the Franchisee to assign any of its rights or privileges under the Franchise Agreement, which rights of the Franchisee are only as are set forth in the Franchise Agreement.

Further, the foregoing consents are made on the premises that the Loan proceeds shall be used solely for the refinance of the Premises (including any equipment to be used in the Sonny's Restaurant) and/or the construction of the Sonny's Restaurant. The collateral assignment and other collateral securing the Loan may not secure, either directly or indirectly, any other obligations of the Franchisee to the Lender.

2. **DEFAULT UNDER FRANCHISE AGREEMENT**. In the event Franchisee should default under the Franchise Agreement, the following provisions shall apply:

    a) If the Franchisee defaults under the Franchise Agreement, prior to exercising any right to terminate the Franchise Agreement, the Company shall provide written notice to the Lender of said default and the intention by the Company to terminate the Franchise Agreement.

    b) The Lender shall have the same right as the Franchisee does under the Franchise Agreement to cure said default. The Lender shall not, however, be obligated to cure any such default.

The Company will only be obligated to provide one such notice to the Lender which may be given by the Company at any time after the occurrence of said default.

b) The Company shall have the same right as the Franchisee under the Loan Documents to cure said default, but in no event less than thirty (30) days following receipt by Company of notice of said default. The Company shall not, however, be obligated to cure said default.

4. **DECLARATION OF RESTRICTION AND OPTION TO PURCHASE**. The Franchisee, as the Declarant, has executed a certain Declaration of Restrictions, Notice of Option and Notice of Lien (the "**Declaration**"), which Declaration has been recorded on _____ in the Office of the Clerk of _____in Deed Book _____, Page _____affecting that certain property located at _____. The Declaration, among other matters, gives notice of the right of the Company under the Franchise Agreement to purchase the Premises and also imposes certain restrictions on the Premises. In that regard:

   a) The Declaration, including any right of the Company to purchase the Premises, is subordinate to the rights of the Lender under its Loan Documents; with the same effect as if the Declaration was recorded after the recording of the Loan Documents.

   b) The Lender does hereby consent to the restrictions imposed on the Premises by the Declaration; but this subparagraph shall not alter the subordination provided by subparagraph (a) above.

5. **RIGHT OF LENDER/ASSIGNEE TO OPERATE A SONNY'S RESTAURANT**. In the event the Lender should obtain possession of the Premises through a default on the Loan Documents (whether by foreclosure, deed in lieu of foreclosure, or otherwise), the following provisions shall apply in regard to the Sonny's Restaurant:

   a) The Lender shall have the right, but not the obligation, to either itself become or to assign to a third party to become the successor to the rights of the Franchisee under the Franchise Agreement. Any such proposed transaction will be deemed to be a "**Transfer**" as defined in the Franchise Agreement.

   b) Upon request by the Lender for a Transfer, the Company will consider said request in the same manner and on the same basis as any other proposed transfer in accordance with the terms of the Franchise Agreement.

   c) The rights afforded the Lender under this Paragraph shall exist for a period of six (6) months after the Lender has acquired possession of the Sonny's Restaurant, or such longer period of time as may be agreed upon between the Company and the Lender.

d) In the event the Lender intends to sell the Premises, the Lender agrees to exercise its best efforts to discuss with the Company the sale of the Premises and to afford to the Company an opportunity to purchase the Premises.

FORM OF AREA DEVELOPMENT AGREEMENT

This Document follows on the Next Page.

SONNY'S AREA DEVELOPMENT AGREEMENT

THIS AGREEMENT (the "**Agreement**") dated _____, 20___ by and between **SONNY'S FRANCHISE COMPANY**, a Florida corporation, whose mailing address is 359 Carolina Avenue, Suite A, Winter Park, Florida 32789 (the "**Company**") and **_____,** a _____ corporation, whose mailing address is _____ _____ (the "**Developer**").

WHEREAS, the Company owns, operates and licenses others to operate distinctive high quality Sonny's Real Pit Bar-B-Q Restaurants ("**Sonny's Restaurants**") serving the public under the name Sonny's® (the "**System**"); and

WHEREAS, the Company desires to achieve market penetration in various areas of the United States in order to more effectively expand, advertise and market the System; and

WHEREAS, the Company has concluded that to further its goals, it desires to grant to experienced and financially qualified persons or organizations the opportunity for exclusive development of Sonny's Restaurants using the System within limited territories for specified periods of time; and

WHEREAS, Developer desires to obtain the right to acquire sites within a specific territory during a specified period of time on which to construct Sonny's Restaurants using the System, to submit to Sonny's applications for franchise agreements to operate Sonny's Restaurants on such sites, and upon the approval of each such application, to enter into a franchise agreement with the Company to operate a Sonny's Restaurant using the System upon such sites; and

WHEREAS, Developer represents that it has the organizational, operational and financial strength, experience and resources necessary to carry out the multiple development of Sonny's Restaurants within the Territory and in the specified time (all as set forth below).

NOW, **THEREFORE**, in consideration of the mutual covenants contained herein and pursuant to the terms and conditions of this Agreement, the parties hereby agree as follows:

1. **SCHEDULE AND EXCLUSIVITY.**

(a) Developer agrees to construct, equip, open and maintain the continuous operation of _____(___) Sonny's Restaurants using the System within the time schedule and territory (the "**Territory**") set forth on **Exhibit "A"** attached hereto and made a part hereof (the "**Development Schedule**"), set forth on **Exhibit "B"** attached hereto.

(b) Time is of the essence under this Agreement, and Developer will comply strictly with each and every element of the Development Schedule.

(c) Provided Developer strictly complies with the Development Schedule the Company shall not, during the term of this Agreement, operate or license others to operate Sonny's Restaurants using the System which are physically located within the Territory. Notwithstanding the foregoing, the Company and its affiliates retain the rights set forth below:

(i) to establish Sonny's Restaurants and grant to other persons the right to establish Sonny's Restaurants at any location outside of the Territory (including at the boundary of the Territory) and on any terms and conditions as the Company deems appropriate;

(ii) to sell and deliver, and allow others to sell and deliver, products and services identified by the Marks through catering businesses or other operations located physically outside the Territory, even if said sales and services are to customers in the Territory;

(iii) to sell products identified by the Sonny's® mark and such other trademarks, service marks and commercial symbols the Company may license from time to time (collectively, the "**Marks**"), or other trademarks or service marks, within or outside the Territory, through distribution channels other than Sonny's Restaurants or catering businesses (including, but not limited to, retail stores, grocery stores, mail order and e-commerce channels);

(iv) to operate, or allow others to operate, similar or identical businesses within the Territory if such businesses do not operate under the Marks;

(v) to operate, or allow others to operate, businesses inside the Territory under the Marks that are not competitive with a Sonny's Restaurant or a catering business selling products traditionally sold by a Sonny's Restaurant;

(vi) acquiring businesses that are similar to a Sonny's Restaurant or a catering business;

(vii) to operate, or allow others to operate, businesses inside the Territory under the Marks, at captive sites including at or within hotels, department stores, airports, military bases, supermarkets, government facilities, schools, corporate cafeterias, amusement parks, universities, hospitals and sporting arenas or stadiums; and

(viii) to sell the Company or substantially all of its assets, to any third party regardless whether such third party operates, or franchises the operation of, businesses similar to a Sonny's Restaurant or a catering business.

(d) Developer's breach of the Development Schedule, provides the Company with the rights to operate or license others to operate Sonny's Restaurants using the System in the Territory. The failure to open the required number of Sonny's Restaurants

in accordance with the Development Schedule shall be a default under this Agreement and this Agreement shall automatically terminate without further notice.

(e) This Agreement does not grant Developer the right to use the System at any location, nor does it grant Developer any rights with respect to the System or to use any of the trademarks or trade secrets of the Company, such rights being exclusively governed by a franchise agreement (a "**Franchise Agreement**") for each Sonny's Restaurant opened hereunder.

(f) Each Sonny's Restaurant as and when constructed, equipped and opened, and the relationship of Developer and the Company with respect to each such restaurant, shall be governed by the terms of an individual Franchise Agreement or the form of such agreement then in use by the Company at the time such Agreement is executed and delivered and which will be granted to Developer by the Company in the good faith exercise of its sole discretion.

(g) All Sonny's Restaurants set forth on the Development Schedule must be open and operating at all times (except casualty or condemnation) on and after their scheduled opening date and in the event any such restaurant(s) is not at all times open and operating, it will constitute a default hereunder.

(h) Upon expiration or termination of this Agreement for any reason, Developer's territorial rights and rights to construct, equip, open and operate Sonny's Restaurants shall automatically terminate and expire and Developer's rights to use the System shall be limited to those Sonny's Restaurants operating pursuant to effective Franchise Agreements which the Company and Developer may have entered into prior to the expiration or termination of this Agreement.

(i) Notwithstanding Developer's rights under Section 9 (c); the Company or its affiliates pursuant to Section 9 (c) (vii) have the right to develop Sonny's Restaurants at captive sites inside the Territory including hotels, department stores, airports, military bases, supermarkets, government facilities, schools, corporate cafeterias, amusement parks, universities, hospitals, and sporting arenas or stadiums and other similar venues (each referred to herein as an "**Excluded Account**"). During the term of this Agreement, if an Excluded Account expresses a desire to host a Sonny's Restaurant on its premises, Developer shall have the right to open and operate such Sonny's Restaurant as long as it exercises such right by written notice to the Company within thirty (30) days after the date of delivery by the Company to Developer of the terms and conditions of the proposal for such Sonny's Restaurant. If Developer does not exercise this right of first refusal or if the Excluded Account or an affiliate of the Excluded Account decides to operate the Sonny's Restaurant, the Company can elect to negotiate with the Excluded Account or any third to open and operate a Sonny's Restaurant on the premises of such Excluded Account.

2. **TERM.**

This Agreement shall commence upon the date first written above and shall automatically expire and terminate upon the earlier of (i) _____, ____, or (ii) the date of the Company's execution of a Franchise Agreement for the last Sonny's Restaurant required to be constructed, equipped, opened and operating pursuant to this Agreement, unless terminated earlier as provided for herein. Provided Developer is not in default of this Agreement on the latter of (i) _____ or (ii) the date of the Company's execution of a Franchise Agreement for the last Sonny's Restaurant required to be constructed, equipped, opened and operating pursuant to this Agreement, Developer may, for a period of thirty (30) days thereafter, notify the Company of its desire to extend this Agreement for an additional period to develop a certain number of additional Sonny's Restaurants within the Territory pursuant to a development schedule determined by the Company in its sole discretion. Upon receipt of such notice, the Company shall evaluate Developer and the development opportunities within the Territory and determine, in its sole discretion, whether the Company will extend the term of this Agreement. The Company shall notify Developer of its decision within sixty (60) days of receipt of the notice from Developer described above. If the Company elects to extend the term of this Agreement, the Company will provide Developer with the terms under which the Company would so extend this Agreement including, but not limited to, a schedule for the number of Sonny's Restaurants to be developed within a specified time schedule and any additional fees to be paid. If Developer accepts such terms, the revised development schedule shall be automatically added to **Exhibit "A"** of this Agreement. If an agreement for a development schedule is not reached within thirty (30) days of first presentation to Developer by the Company, then the option to extend this Agreement shall lapse. An agreement to continue the development of additional Sonny's Restaurants hereunder and the payment of the then applicable development fees shall operate to extend the term of this Agreement for one such additional term but no additional terms thereafter. The Company will be under no obligation to permit the development of additional Sonny's Restaurants hereunder unless and until an agreement extending this Agreement is signed by both parties.

3. **FEES.**

In consideration of the rights granted Developer, Developer shall pay to the Company the sum of _____ Dollars ($_____) (the "**Development Fee**") all of which is non-refundable except as provided under Paragraph 8(h) and all or part of which has either heretofore been paid or is tendered herewith.

4. **APPLICATION OF DEVELOPMENT FEE.**

(a) The Company is not obligated in any event, including the termination or expiration of this Agreement, to return to Developer all or any part of the Development Fee, except as provided in Paragraph 8(h) of this Agreement.

(b) Developer has no rights in the Development Fee except as are specifically set out in this Agreement.

(c) In the event the Development Fee has been applied such that there are no monies to credit against any such franchisee fee(s) which may become due, Developer shall pay any balance of such initial franchisee fee due to the Company with Developer's execution of a Franchise Agreement.

5. APPLICATION PROCEDURES.

(a) Developer acknowledges and agrees that Franchise Agreements are granted by the Company only after submission and approval of a formal application on the Company's then-current application form supplying all information requested thereon and paying all required fees. Developer further understands that a Commitment Agreement is first executed and delivered following approval of such application and that, if the terms and conditions of the Commitment Agreement are complied with, a Franchise Agreement granting a license to operate a Sonny's Restaurant is executed and delivered. Developer acknowledges and agrees that the Commitment Agreement and the Franchise Agreement will be the forms of such agreements then in use by the Company as such agreements are executed and delivered.

(b) Developer shall comply in all respects with the Company's franchise application policies and procedures in force at such time as Developer may apply for a Franchise Agreement in order to fulfill its obligations under this Agreement. Developer understands that it should obtain a Commitment Agreement before making any unconditional binding commitments to third parties, and understands and agrees that any activities undertaken in reliance on this Agreement prior to such time are at Developer's own risk and expense.

(c) The Company may, in its sole discretion, choose to grant or deny applications for franchise agreements; however, the Company will exercise good faith in exercising its discretion.

(d) Developer shall be solely responsible for locating appropriate sites for the construction of Sonny's Restaurants as contemplated hereunder and taking all other actions necessary to finance, build and construct such restaurants. Developer understands and agrees that all proposed sites are subject to the Company's prior approval in its sole discretion.

6. ASSIGNMENT.

(a) The Company may assign all or any part of its rights or obligations hereunder to any person or entity, provided, however, that such person or entity has the right and authority, at the time of such assignment, to license others to operate Sonny's Restaurants within the Territory.

(b) The rights and obligations of Developer hereunder are not assignable without the prior written consent of the Company which may be withheld in the

Company's sole discretion. For the purposes of this clause, an assignment includes an assignment, sale or other transfer, directly or indirectly, of any interest in Developer.

(c) Any purported assignment contrary to the foregoing provisions shall be void and of no force and effect and shall constitute a default hereunder.

7. CONFIDENTIAL INFORMATION/NON-COMPETITION.

(a) **Confidential Information**. The Company possesses and will continue to develop and acquire certain confidential information relating to the development and operation of Sonny's Restaurants (the **"Confidential Information"**), which includes, but is not limited to, recipes, formulae, cooking and food preparation methods, and techniques, formats, specifications, standards, sales and marketing methods, building and equipment specifications and knowledge with regard to marketing, suppliers and financial performance of other Sonny's Restaurants and the Company. Confidential Information will be disclosed to the Developer through the Operations Manual and other communications, whether written, oral or electronically transmitted, between the Company and/or its affiliates and the Developer. The Developer acknowledges and agrees that it will not acquire any interest in Confidential Information, other than the right to use the Confidential Information that is disclosed to the Developer in operating the Restaurant during the term of this Agreement. The Developer further acknowledges and agrees that the Confidential Information is proprietary to the Company and contains the Company's trade secrets and is disclosed to the Developer on the condition that the Developer agrees, and does hereby agree:

(i) that the Developer will not use the Confidential Information in any other business or capacity except for its Sonny's Restaurant(s) and related catering business;

(ii) that the Developer will maintain the absolute confidentiality of the Confidential Information during and after the term of this Agreement;

(iii) that the Developer will not make unauthorized copies of any portion of the Confidential Information or sell, loan, transfer or distribute copies of the Confidential Information to any party, except where such disclosure to employees of the Restaurant is reasonably necessary in the normal course of operations of the Restaurant;

(iv) that the Developer will adopt and implement all reasonable and necessary procedures (including any such procedures which the Company prescribes from time to time) to prevent unauthorized use or disclosure of the Confidential Information; and

(v) that the Developer will immediately notify the Company if it becomes aware there has been any actual or potential unauthorized use or access

concerning the Confidential Information or any violation of the confidentiality procedures established in this Subparagraph.

(b) **In-Term Covenant.** The Developer and its owners agree that, during the term of this Agreement and any Franchise Agreement, neither the Developer nor any of its owners will, without the prior written consent of the Company, which consent may be withheld by the Company in its absolute discretion, directly or indirectly for the benefit of the Developer or its owners, or through or on behalf of or in conjunction with any other person, partnership or corporation, own, engage in, be employed by, advise, assist, invest in, franchise, make loans to or have any other interest, whether financial or otherwise, in any other business operating or granting franchises or licenses to operate any barbeque-type restaurant or any barbeque-type food service business (a **"Competitive Business"**). For the foregoing purposes, the term "**barbeque-type restaurant or barbeque-type food service business**", not only means a restaurant or food service business which holds itself out as a facility that primarily sells barbeque food items, but also any other restaurant or food service business which derives more than twenty percent (20%) of its non-alcohol revenues from the sale of barbeque food items. Notwithstanding the foregoing, (i) the Developer and its owners may be involved in another Sonny's Restaurant and/or catering business at another Sonny's Restaurant location through a separate franchise agreement with the Company.

(c) **Post-Term Covenant.** The Developer and its owners agree that, for a period of two years after termination or expiration of this Agreement and any Franchise Agreement, whichever last occurs, (regardless of the reason for termination or expiration), neither the Developer nor any Developer owner will, directly or indirectly for the benefit of the Developer and/or its owners, or through or on behalf of or in conjunction with any other person, partnership or corporation engage in, be employed by, advise, assist, invest in, franchise, make loans to or have any other interest, whether financial or otherwise, in a Competitive Business which is either located or does business in the Developer's DMA or within twenty-five (25) miles of any then existing Sonny's Restaurant, or that is granting franchises or licenses for the operation of Competitive Business located, or to be located, within any of the foregoing areas. The DMA is the area determined by the then most current Nielsen Television Research Coverage Study (of if not then available, any replacement or most comparable study) which sets forth the television market for the area in which the Sonny's Restaurant is located.

8. DEFAULT AND TERMINATION.

(a) This Agreement shall terminate without notice at the time and date set forth in Paragraph 2 hereof, unless earlier terminated as set forth herein below or as specified elsewhere in this Agreement.

(b) This Agreement shall automatically terminate without notice in the event Developer becomes insolvent or is unable to pay its debts as they may mature, or makes an assignment for the benefit of creditors or an admission of inability to pay obligations as they become due, or files a voluntary petition in bankruptcy or any pleading seeking

any reorganization, liquidation, dissolution or composition or other settlement with creditors under any law, or admits or fails to contest the material allegations of any such pleading filed against Developer, or is adjudicated bankrupt or insolvent, or a receiver or other custodian is appointed for a substantial part of Developer's assets or the assets of any Sonny's Restaurant owned by Developer, or a final judgment remains unsatisfied or of record for ninety (90) days or longer (unless supersedeas bond is filed), or if execution is levied against any substantial part of Developers assets or a tax levy is made, or suit to foreclose any lien or mortgage against Developer or any Sonny's Restaurant owned by Developer is instituted and is not dismissed within ninety (90) days, or if a substantial part of Developer's real or personal property is sold after levy of judgment thereupon by any sheriff, marshal or constable, or the claims of Developer's creditors are abated or subject to a moratorium under any law.

(c) The failure to open the required number of Sonny's Restaurants in accordance with the Development Schedule shall be a default under this Agreement and this Agreement shall automatically terminate without any further written notice or right to cure.

(d) Except for subparagraph 8(b) or (c), any other failure by Developer to comply with any of the terms and conditions of this Agreement (except only by reason of force majeure, such as, but not limited to: civil strife or commotion, labor strike, lockout or Acts of God) or the terms and conditions of any Commitment Agreement, Franchise Agreement or other agreement between the Company or any of its affiliates and Developer, shall constitute a default of this Agreement, and if Developer fails to cure such default(s) within the earlier of thirty (30) days of the Company's giving written notice of said default(s) to Developer or the cure period provided in such other agreement, the Company, in its sole and absolute discretion, and in addition to any other rights and remedies it may have at law or in equity, may terminate this Agreement and any Commitment Agreements in force at the time of the default without further notice.

(e) In the event of termination of this Agreement, the Company shall retain all of the Development Fee, except as provided for in subparagraph (h) herein, and any unaccrued portion of the Development Fee shall be retained by the Company without the necessity of notice thereof.

(f) A default under this Agreement shall not constitute a default under any Franchise Agreement between the Company and the Developer.

(g) Upon expiration or termination of this Agreement for any reason, Developer's territorial rights and rights to construct, equip, open and operate Sonny's Restaurants using the System shall automatically terminate and expire and Developer's rights to use the System shall be limited to those Sonny's Restaurants pursuant to effective Franchise Agreements which the Company and Developer may have executed and delivered prior to such expiration or termination.

(h) The Company's failure to comply with the terms and conditions of this Agreement shall constitute a default hereunder. If the Company fails to cure such default(s) within thirty (30) days of its receipt of written notice thereof, this Agreement shall terminate and any portion of the Development Fee not applied pursuant to Paragraph 4 hereunder shall be refunded to Developer, and such refund shall constitute Developer's sole and exclusive compensation and remedy for such default and termination.

(i) Developer, Developer Owners or any of the employees of the Developer violate the Anti-Terrorism Laws or the Developer's assets are "blocked" under the Anti-Terrorism Laws shall constitute grounds for immediate termination of this Agreement and any other agreement the Developer, Developer Owners or any of the employees or affiliates have entered with the Company or one of the Company's affiliates.

9. THE COMPANY'S RIGHTS TO PURCHASE SONNY'S RESTAURANTS.

In granting the Developer the rights to develop the Territory, the Company has done so in express reliance that the Developer will within the Development Schedule construct, open and operate the required number of Sonny's Restaurants as set forth herein. If the Developer fails to do so, then the Company may desire to provide for the continuing development of the Territory either by itself or through a third party and, in that regard, it may be necessary for the Company to purchase from the Developer all the Sonny's Restaurants developed pursuant to this Agreement in order to continue the development of the Company, all in the Company's discretion. Accordingly:

(a) **Purchase Rights**. In addition to its other rights hereunder, the Company's right set forth above will be exercisable upon notice to the Developer within the thirty (30) day period after the Company has given actual notice of default to the Developer, to purchase all the Sonny's Restaurants.

(b) **Assets To Be Purchased, Purchase Price**. For purposes of this paragraph, the term "**Sonny's Restaurants**" means the land, building, equipment, inventory, leasehold interests and improvements and favorable rights and covenants of each Sonny's Restaurant (including the fee simple interest of any real property to the extent owned by the Developer or any affiliate of the Developer) owned by Developer or an affiliate. The purchase price to be paid for the Sonny's Restaurants will be first negotiated between the Company and the Developer. If the Company and the Developer are unable to negotiate a purchase price for the Sonny's Restaurants within thirty (30) days from the notice of the Company's exercise of its option to purchase, the purchase price for the Sonny's Restaurants will be determined based upon appraised values determined by three MAI appraisers (who are located in the Territory), with the Company choosing one appraiser, the Developer choosing another appraiser, and the two appraisers selecting the third appraiser. The average of all three appraisals shall be the purchase price determined hereunder. In valuing the Sonny's Restaurant(s) to be purchased, provided the Developer has not defaulted under the Franchise Agreement for a Sonny's

Restaurant, each Sonny's Restaurant will be valued based on full ongoing value as a Sonny's Restaurant without restrictions. However, if the Developer has defaulted under the Franchise Agreement for a Sonny's Restaurant, then, in that event, the purchase price to be paid for that Sonny's Restaurant shall be determined under the Franchise Agreement. Any fees of the appraiser shall be paid equally by the Company and the Developer.

Once the value has been determined by the appraisers hereunder, the Company shall then have a right to decide whether or not it wants to exercise its rights hereunder and, if it does, it shall have a period of thirty (30) days within which to so notify the Developer. The Company shall have the express right to terminate its decision to purchase the Sonny's Restaurant(s) hereunder after the value has been determined, and shall be deemed to have done so unless the Company within thirty (30) days after the determination of said value has again notified the Developer of its intent to purchase the Sonny's Restaurant(s) hereunder.

(c) **Closing**. The closing will occur within sixty (60) days after the Company notified the Developer of its intent to purchase the Sonny's Restaurant(s) hereunder, or at such later date as may be necessary to comply with applicable bulk sales or similar laws. The closing will be at a location that the Company selects, and the Company will pay the purchase price in cash or other readily available funds. At the closing, both parties agree to execute and deliver all documents necessary to vest title in the Sonny's Restaurants free and clear of all liens and encumbrances, except those assumed by the Company and/or to effectuate the lease of the premises on which the Sonny's Restaurants may be situated. The Developer agrees to provide the Company with all information necessary to close the transaction. In the event the Developer's assets are encumbered, the Company may assume the amount outstanding and credit that amount against the purchase price and to the extent the Company receives financing, the closing will be modified to coincide with any closing under such financing. In addition, the Company reserves the right to credit amounts due and owing it from the Developer or its affiliate to the purchase price at the date of purchase of the assets. The Company reserves the right to assign its option to purchase the Sonny's Restaurants or designate a substitute purchaser for the Sonny's Restaurants.

10. AGENCY AND INDEMNITY.

(a) Developer and the Company agree that this Agreement does not create any fiduciary relationship between them and nothing in this Agreement is intended to make either party an agent, legal representative, joint venturer, partner, employee or servant of the other for any purpose whatsoever. Each party to this Agreement is an independent contractor and shall hold itself out to the public as an independent contractor.

(b) Developer shall not make any contract, agreement, warranty or representation in the name of the Company and the Company assumes no liability for, nor shall it be deemed liable by reason of, any action or omission of Developer and its conduct of business pursuant to this Agreement or any claim or action arising therefrom.

(c) Developer shall indemnify and hold the Company (and its stockholders, directors, officers, employees and agents) (the "**Company Parties**") harmless from and promptly reimburse it for any and all claims, liabilities, demands, taxes or penalties, actions and payment of money (including, but not limited to, fines, damages, legal fees and expenses) arising directly or indirectly from, as a result of, or in connection with Developer's actions or omissions hereunder or those of its agents or employees, including those of its contractors and subcontractors. At the election of the Company, Developer will also defend the Company Parties against same at Developer's expense. In any event, and regardless of Developer's payment of legal fees, the Company will have the right, through counsel of its choice, to control any claim, demand, action or matter to the extent it could directly or indirectly affect the Company financially, and all such expenses shall be subject to indemnity hereunder. Developer's obligations under this paragraph shall survive the termination or expiration of this Agreement.

11. **NOTICES.**

12. **RESOLUTION OF DISPUTES.**

This Agreement and any rights or liabilities arising from or in connection with this Agreement shall be governed by the laws of the State of Florida. The parties do hereby agree that all actions arising under this Agreement, other than an action for injunctive relief, shall be

submitted to mediation and then binding arbitration, each as described in the most recent Franchise Agreement executed by the Company and the Developer or an affiliate of the Developer, and in the event of an action for injunctive relief, such action shall be brought and maintained in the courts as set forth in such Franchise Agreement.

13. **NO UNIFORM TREATMENT OF FRANCHISEES.**

This Agreement is solely between the Company and the Developer for the development of Sonny's Restaurants. The Developer is aware and fully understands that the Company may grant franchise and development agreements to other third parties on terms which may differ from the terms set forth in any franchise or development agreement between the Company and the Developer or an affiliate and, as such, nothing contained herein or elsewhere grants to the Developer or is any assurance to the Developer that the terms and conditions contained in any such franchise or development agreement shall be the same or as beneficial as in any other franchise or development agreement granted by the Company.

14. **COMPLIANCE WITH FRANCHISE AGREEMENT.**

In connection with the execution of this Agreement, Developer shall sign the initial Franchise Agreement for the initial Restaurant to be developed pursuant to this Agreement. All provisions of the Franchise Agreement which are general in nature, such as those set forth in Article 20, shall apply to this Agreement.

15. **ACKNOWLEDGMENT OF RISK.**

(a) Developer acknowledges the business venture contemplated by this Agreement involves substantial business risk and is dependent upon the Developer's ability. The Company expressly disclaims the making of, and Developer acknowledges that it has not received and is not relying upon, any warranty or guarantee, express or implied, as to the potential volume, profits or success of the business venture contemplated by this Agreement.

(b) Developer represents that it has independently investigated the risks of the business venture contemplated by this Agreement and has read the Franchise Disclosure Document (the "**FDD**") prepared and delivered by the Company in accordance with state and federal laws and agrees that the Company has made no representation that is not fully set forth therein or herein.

(c) Developer acknowledges that it has not and agrees that it will not rely upon any representations not contained herein or in the FDD prepared by the Company.

(d) The Developer has received and reviewed the FDD furnished by the Company in connection with granting franchises to operate a Sonny's Restaurant, as well as the Exhibits contained therein. The Developer has specifically reviewed the form of the Franchise Agreement as currently used by the Company and said form is acceptable to the Developer as the now current form of Franchise Agreement. As set forth above, the actual form of Franchise Agreement to be signed by the Developer will be the then

current form used by the Company at the time a Franchise Agreement is to be entered into. The Developer is further aware of various fees charged by the Company for each Sonny's Restaurant, including the franchise fee, advertising fees and royalty fees, that said fees are subject to change from time to time, and that the Fees to be charged to the Developer for a Sonny's Restaurant are the fees then charged by the Company at the time the Franchise Agreement is executed.

(e) Any information furnished to the Company by the Developer in order to induce the Company to enter into this Agreement is true, correct and complete. There is nothing relating to the Developer which would prohibit the Developer from owning and operating Sonny's Restaurants in accordance with the terms and conditions required under a Franchise Agreement.

16. **MISCELLANEOUS.**

(a) No failure or delay of the Company or Developer to exercise any rights reserved to it in this Agreement or to insist upon compliance by the other of any obligation or condition in this Agreement, and no custom or practice of the parties at variance with the terms hereof, shall constitute a waiver of either party's right to demand strict compliance with the terms of this Agreement. Waiver by either party of any particular default will not affect or impair the rights of the Company or Developer with respect to any subsequent default of the same or a different nature.

(b) This Agreement is solely for the benefit of the parties hereto and their permitted assignees and is not intended to and shall not be construed to benefit any other person, firm or entity.

(c) The title headings of the respective paragraphs of this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement in any way.

(d) This is the entire agreement between the parties concerning the development of Sonny's Restaurants within the Territory and any modifications must be in writing and signed by both parties, or said modifications will be void and of no force and effect.

(e) If any term or provision of this Agreement or the application thereof to any person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons whose circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby.

(f) Developer is aware and understands that the Company has certain trademarks which it uses, and licenses others to use, in connection with the ownership and operation of Sonny's Restaurants. Any rights for the Developer to use any such

trademarks are granted only under the Franchise Agreement and not under this Agreement. The Company may enforce its rights hereunder by injunctive proceedings.

(g) The Company from time to time shall have the right to request that the Developer furnish an estoppel certificate. The Developer shall within fifteen (15) days from the receipt of said request complete and execute said estoppel certificate and return it to the Company. If the Developer should fail to do so, the Developer shall not only be in default under this Agreement but the Developer shall be bound by any prior Estoppel Certificate completed and sent to the Developer by the Company.

(h) If the Developer is other than one or more individuals, then, in that event, the person or persons who have any ownership interest whatsoever in the Developer (and who are defined from time to time as the "**Developer Owner(s)**") will join in this Agreement for the purpose of confirming the matters set forth herein and agreeing to be bound by the matters set forth in this Agreement.

(i) Pursuant to this Agreement, the Developer is obligated to develop and operate a required number of Sonny's Restaurants. With this background, the Developer (provided it has obtained the requisite consent of the Company as otherwise set forth in this Agreement and in each Franchise Agreement) may sell the Sonny's Restaurants and its rights under this Agreement only in a single transaction to the same purchaser. Thus, the Developer may not "split up" the Territory or sell the Sonny's Restaurant so developed hereunder to more than one purchaser. This provision does not amend or modify the required consents to any such transfer but simply provides that the rights under this Agreement and the Sonny's Restaurants, must all be sold together, if at all.

(j) The Developer may develop individual Sonny's Restaurants pursuant to this Agreement not in its own name as the Developer but, rather, through an entity which is wholly owned by the Developer Owner(s). In such case, the Developer, the Developer Owner(s) and said entity will execute an appropriate agreement with the Company confirming that said Sonny's Restaurant is being developed under this Agreement with the same effect as if the franchisee was the Developer for said Sonny's Restaurant.

(k) The Developer and the Developer Owners, if any, agree to comply with and/or assist the Company to the fullest extent possible in its efforts to comply with Anti-Terrorism Laws (as defined below). In connection with such compliance, the Developer and the Developer Owners certify, represent, and warrant that neither the Developer nor any of the Developer Owners' property or interests is subject to being "blocked" under any of the Anti-Terrorism Laws and that the Developer and the Developer Owners are not otherwise in violation of any of the Anti-Terrorism Laws. "**Anti-Terrorism Laws**" means Executive Order 13224 issued by the President of the United States, the USA Patriot Act, and all other present and future federal, state and local laws, ordinance, regulations, policies, lists and any other requirements of any governmental authority addressing or in any way relating to terrorist acts and acts of war.

IN WITNESS WHEREOF, the parties have executed and delivered this Agreement as of the date and year first above written.
