What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, which requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider about *This* Franchise

Certain states require the following risks be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Indiana. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Indiana than in your own state.
2. **Personal Guaranty.** Your spouse must sign a document that makes your spouse liable for all your financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both you and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Short Operating History.** This Franchisor is at an early stage of development and has a limited operating history. This franchise is likely to be a riskier investment than a franchise with a longer operating history.

**DISCLOSURE APPLICABLE TO FRANCHISEES COVERED BY THE MICHIGAN
FRANCHISE INVESTMENT LAW**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DISCLOSURE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) The term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
- i. The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.
 - ii. The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.
 - iii. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - iv. The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).
- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

ITEM 1 THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

SSPC Franchising, LLC, an Indiana limited liability company, is offering prospective franchisees the opportunity to own and operate a Unit Franchise in accordance with the terms described in this Disclosure Document. To simplify the language in this Disclosure Document, the terms “we”, “our”, “us”, or “Franchisor” refer to SSPC Franchising, LLC, the franchisor (but not the Franchisor’s members, managers, agents, or employees). The term “Unit Franchise”, “Franchised Business” or “Unit Franchises” mean one or several single-unit franchises. “You” or “Franchisee” refers to the buyer of the franchise and includes individuals, corporations, partnerships, limited liability companies or other legal entities and the officers, directors, managers, or members.

Franchisor

SSPC Franchising, LLC is an Indiana limited liability company that was formed on March 30, 2022 to offer Stoney’s Sourdough Pizza Co. franchises. Our principal business address is 125 W Southway Boulevard, Kokomo, Indiana 46902. We conduct business under our corporate name and the name “Stoney’s Sourdough Pizza Co.”

We do not operate a business of the type being franchised. We are not involved in any other business activities. We have not conducted business in any other line of business, nor have we offered franchises in any other line of business.

Parents, Predecessors, and Affiliates

We do not have any parent companies or predecessors. However, we have one affiliate.

Stoney's Sourdough Pizza Company, LLC ("Stoney's") was formed in Indiana on January 19, 2018 and has a principal business address of 125 W Southway Boulevard, Kokomo, Indiana 46902. Stoney's operates a business of the type being franchised in Kokomo, Indiana.

Our affiliate does not currently offer and has not previously offered franchises in this or any other line of business.

Agent for Service of Process

Our agents for service of process are listed on **Exhibit H** of this Disclosure Document.

The Business We Offer

1. Single-Unit Franchise

We offer Unit Franchises to qualified individuals to establish and operate a Stoney's Sourdough Pizza Co., which is a quick service restaurant offering menu items made from real fermented sourdough including but not limited to pizza, sides, and sweets. If, at the time you execute your franchise agreement, a location for your Unit Franchise is not identified, we will determine a specific geographic area (the "Site Selection Territory") in which you may identify a location for your Unit Franchise. Our current form of Franchise Agreement is attached as **Exhibit B** to this disclosure document.

A typical Unit Franchise occupies approximately 1,000 to 2,000 square feet of space that may be either owned or leased from a third party. All Unit Franchises are constructed to our specifications as to size, layout, décor and the like.

Unit Franchises are typically located in a metropolitan area or surrounding suburbs, and proximity to high traffic areas is desirable. A Unit Franchise may be located either in a freestanding building or in a retail center, and must be in a location that has ample parking, good visibility and availability of prominent signage.

Unit Franchises operate under Marks (described in Item 13) and under distinctive business formats, including prescribed exterior and interior design, décor, color scheme and furnishings; uniform standards, specifications and procedures for operations; quality and uniformity of products and services offered; customer service standards and procedures; advertising and promotional specifications and requirements; and other standards, specifications, techniques, and procedures that we designate for developing, operating, and managing a Unit Franchise, all of which we may improve, further develop or otherwise modify from time to time (the "System"). One of the unique aspects of our business is that we use a real sourdough "starter" that is "fed" every day to ferment the dough and each Franchised Business will use the same "starter" from our proprietary recipe.

You will offer and provide products and services to the general public under the terms and conditions contained in the Franchise Agreement and our confidential operations manuals (the "Operation Manuals") that will be loaned to you at the time of training. Your Unit Franchise must at all times be compliant with our current proprietary standards as set forth in our Operation Manuals (the "System Standards").

2. Multi-Site Development Agreement

We may offer you the right to develop multiple Unit Franchises (minimum of three locations) under the terms of a Multi-Site Development Agreement (the “Multi-Site Development Agreement”) within Site Selection Territories for each location. The Unit Franchises you will be allowed to establish will be in a number determined by us, within the Site Selection Territories established by us. We will determine the size of each Site Selection Territories for each proposed Unit Franchise location and the timeline by which each must be open for business (the “Development Schedule”). If you sign a Multi-Site Development Agreement, you will be responsible for developing the number of Unit Franchises set forth in the Development Schedule. Each location must be approved by us and be compliant with our System Standards as applicable in the operation of a single unit franchise. You must continue to meet our then-current System Standards at each of your Unit Franchises for the grant of a new franchise under the Development Schedule. If any of your Unit Franchise locations do not meet our then-current System Standards our approval of your continued development under the Development Schedule may be withheld or your Multi-Site Development Agreement may be terminated. Our current form of Franchise Agreement is attached as **Exhibit C** to this disclosure document.

Upon establishing each additional Unit Franchise under the Development Schedule, you must sign a then-current franchise agreement for each Unit Franchise you propose to develop under the Multi-Site Development Agreement, which may differ from the current franchise agreement included with this document.

Market and Competition

The market for quick service restaurants offering primarily pizza is well developed and highly competitive. You may face competition from other pizza restaurants, including other franchised operations, national chains and independently owned companies offering similar products. Changes in local and national economic conditions, pricing policies of competitors, changes to laws or regulations, changes in supply and demand, and population density affect this industry and are generally difficult to predict. Your ability to compete in this market will be largely and significantly dependent upon your management, your involvement with the franchised business, general economic conditions, geographic area and specific location(s).

Applicable Regulations

The regulations vary from state to state and locality to locality. Most states and localities have specific laws and regulations covering businesses that offer restaurant services. These laws and regulations may impact your Franchised Business. There may be other laws, rules, or regulations that affect your Franchised Business, including the Americans with Disability Act, the Occupational Safety and Health Administration (OSHA) regulations, and employment laws, including federal and state discrimination laws, minimum wage and other laws and regulations that apply to businesses generally. Accordingly, you must investigate and comply with all applicable laws and regulations. It is your sole responsibility to thoroughly investigate the applicable business and licensing rules and regulations of your particular state, city, jurisdiction and location despite any advice or information that we provide to you. Before signing the franchise agreement, you should consult with an attorney concerning these and other laws, regulations, ordinances, licenses or permits that may affect the franchised business.

ITEM 2 BUSINESS EXPERIENCE

Adam Neher – Co - Founder

Adam Neher serves as our and our affiliate's founder since both entities were formed on January 19, 2018 and March 30, 2022, respectively. Adam is the developer of the recipes and oversees the operations of the franchise. Prior to founding Stoney's, Adam worked at Sound of Music in Kokomo, Indiana providing private guitar lessons.

Heidi Neher – Co - Founder

Heidi Neher serves as our and our affiliate's founder since both entities were formed on January 19, 2018 and March 30, 2022, respectively. Heidi oversees the marketing, brand development, and social media presence of the franchise.

ITEM 3 LITIGATION

No litigation is required to be disclosed in this Item.

ITEM 4 BANKRUPTCY

No bankruptcy is required to be disclosed in this Item.

If we award you the right to become a multi-site developer, you will purchase a minimum of 2 Unit Franchises. Upon signing of the Multi-Site Development Agreement, you must sign a separate franchise agreement and pay the non-refundable Initial Franchise Fee for the first Unit Franchise you agree to develop, plus a deposit equal to \$5,000 for each additional Unit Franchise you agree to develop. You will sign a franchise agreement for each additional Unit Franchise before you begin to search for a suitable site within the Site Selection Territory for the Franchised Business, and pay the Initial Franchise Fee, less the deposit.

NOTES:

Note 1. Type of Fee.

All amounts are uniformly imposed by and are payable to us unless otherwise noted. All fees are nonrefundable.

The term "Net Sales" means the total revenues derived by the Franchised Business from all sales of the Franchised Business, whether from cash, check, credit, barter, or otherwise, without reserve or deduction for inability or failure to collect the same and whether such business is conducted in

compliance with, or in violation of, the terms of the franchise agreement, less refunds to customers, credits, discounts or the amount of any sales taxes or other similar taxes that you might be required to collect, and do collect, from customers to be paid to any federal, state, or local taxing authority.

Before your Franchised Business opens, you must sign and deliver to us the documents we required to authorize us to debit your business checking account automatically for the Royalty Fee, Marketing Fund Fee (if assessed) and any other amounts due to us under the franchise agreement and for your purchases from us. The Authorization Agreement for Pre-Approved Payments (ACH Debits) is attached as an exhibit to the franchise agreement.

Note 2. Royalty Fee.

During the term of the franchise agreement, you must provide us with a monthly report of the Net Sales for your Franchised Business. The report shall be in a form specified by us and shall fully disclose all information requested. You also must supply documentation supporting the information disclosed on the reports upon our written request.

Note 3. National Marketing Fund.

If a Marketing Fund is established, the Marketing Fund Fee will be deposited into a fund maintained and operated by us (see Item 11). If a Marketing Fund is established, corporate owned locations may, but shall not be obligated to, contribute to the Marketing Fund on the same basis as franchisees.

Note 4. Audit Costs.

We reserve the right to examine and audit your books, records, tax returns, accounts, and such other statistical and other information or records we require you to maintain and preserve. An examination or audit will be at our expense, unless it is discovered during the audit that you understated your Net Sales by more than 3%, in which case you will be required to reimburse us for the cost and expense of such examination or audit including reasonably accounting and attorney's fees, plus the amount of the understatement and the applicable late fees and interest. All these amounts due are payable within 10 days of receipt of an invoice from us.

We assume costs vary depending on factors, including prevailing auditor's rates in your area and how well you keep your books and records. You should be able to investigate these costs by contacting auditors in your area.

In the event you understate your Net Sales by more than 3%, then it will constitute a material and incurable breach of the franchise agreement which will entitle us to terminate the franchise agreement upon notice to you.

Note 5. Liquidated Damages.

If we terminate your franchise agreement as a result of your default, or you terminate the franchise agreement prior to its expiration date, then you shall pay to us liquidated damages equal to the amount of Royalty Fees and Marketing Fund Fees (if assessed) that we would have received for the remaining months in the term of the franchise agreement based on your Net Sales and

Marketing Fund Fees (if assessed) that you paid us from the beginning of your operations through the effective date of termination.

Unit Franchise and Multi-Site Development Program				
Type of Expenditure (See Note 1)	Amount	Method of Payment	When Due	To Whom Payment is to be Made
TOTAL INITIAL INVESTMENT FOR SINGLE UNIT FRANCHISE	\$188,600 - \$729,000 If you sign a Multi-Site Development Agreement, you will incur the total investment necessary for a single unit franchise for each location you commit to opening, with a minimum of 2 locations.			

Note 1. Description of Expense.

All fees and expenditures represented in the above table that are paid to us are non-refundable. Unless specifically agreed to by third-party suppliers to whom you may payments, all fees and expenditures paid to third parties, including suppliers, advertisers, various professionals, and governmental licensing agencies are non-refundable. We do not offer direct or indirect financing for any part of the Estimated Initial Investment. These estimated ranges are based on our affiliate's experience in owning and operating a company-owned location. You should review these figures carefully with a business advisor as part of your due diligence before deciding to purchase a Franchised Business.

In compiling this Item 7, we relied on our founders and our affiliates' industry knowledge and experience. The amounts shown are estimates only and may vary for many reasons, including the capabilities of your management team, where your Franchised Business is located and your business experience and acumen. You should review these estimates carefully with an accountant or other business advisor before making any decision to buy a franchise.

If you sign a Multi-Site Development Agreement you will incur these expenses for every Franchised Business.

Note 2. Initial Franchise Fee.

The Initial Franchise Fee is due to us when you sign the franchise agreement and is nonrefundable, unless specifically provided for in the franchise agreement.

If we award you the right to become a multi-site developer, you will purchase a minimum of 2 Unit Franchises. Upon signing of the Multi-Site Development Agreement, you must sign a separate franchise agreement and pay the non-refundable Initial Franchise Fee for the first Unit

Franchise you agree to develop, plus a deposit equal to \$5,000 for each additional Unit Franchise you agree to develop. You will sign a franchise agreement for each additional Unit Franchise before you begin to search for a suitable site within the Site Selection Territory for the Franchised Business, and pay the Initial Franchise Fee, less the deposit.

Note 3. Opening Inventory – Food, Branded Décor, Uniforms, and Branded Merchandise

You are required to purchase an opening inventory of food, branded décor, uniforms and branded merchandise from us or an approved supplier. The lists of required food items, uniforms and branded merchandise are contained in our Operations Manual, which will be loaned to you at the time of training.

The branded décor will consist of mural artwork on the interior or exterior of the building with a design that has been approved by us from us or an artist that has been approved by us. You must also obtain approval from your landlord for the mural artwork if required to do so by your lease.

Note 4. Lease, Utilities, and Security Deposits; Build – Out of Approved Location.

You are required to have a brick and mortar location in your Territory that meets our criteria in order to operate the Franchised Business. You may either own or lease the building, subject to our approval. The building must be properly zoned, and the Franchised Business must legally be permitted to operate on the premises. The ideal size for the Franchised Business is approximately 1,000 to 2,000 square feet.

The estimate in the table assumes your location will be a leased, unimproved, unfinished space and includes estimate of expenses in connection with paying contractors, architects, and engineers to build-out the Approved Business Location. Construction and remodeling costs vary widely and depend on the size and location of your Franchised Business, the type of improvements desired or required, the amount of usable improvements already in place at the location, the design, configuration and condition of the location, and the condition and configuration of existing services and facilities such as air conditioning, electrical and plumbing. This cost will also vary depending on the amount (if any) of construction work and/or dollars you negotiate with your landlord. In a build-to-suit lease, the landlord may include some or all of the improvements, fixtures, equipment, and signs which may be factored into your lease payments.

If you purchase the land and build, your estimated cost for the construction will vary depending upon the geographic location, size of the building, and other economic factors. If you build, you will likely not have to factor monthly rent into your estimated initial investment; however, you will have to factor in additional costs for financing and construction of the building, as well as any other associated costs.

Regardless of whether you own or lease the building for your franchised business, you must construct or renovate, as the case may be, the premises (hereinafter referred to as “the Approved Location”) in accordance with our standards and specifications outlined in the Operations Manuals or otherwise designated in writing by us. Prior to commencing such construction, renovation, or refurbishment, you must obtain all the necessary permits and certifications as may be required by law, ordinance, or regulation. In the event you need the services of a professional architect, we must approve the architect and the designs before commencing construction, renovation, or refurbishment.

If you elect or are required by us or the Franchise Agreement to perform construction work or significant renovations or refurbishment of the Approved Location during the term of the franchise agreement which affects the design, character, or appearance of it, you must obtain our prior approval. We reserve the right to require you to renovate the Franchised Business and such renovations may require you to invest additional capital.

Note 5. Furniture and Fixtures; Equipment.

You must purchase and/or lease and install furniture, fixtures, and equipment necessary to operate your franchised business from approved suppliers which may be limited to us or an affiliate in our sole discretion. The equipment you are required to purchase and/or lease will be listed in the Operations Manual. The cost of the equipment will vary according to local market conditions, the size of the order, the supplier used, whether the supplier permits you to lease the item, and other related factors.

Note 6. Signage.

You are required to purchase a backlit exterior sign that is approved by us. The sign must also comply with local signage locations and any requirements contained in your lease.

Note 7. Grand Opening Marketing and Advertising.

You are required to conduct grand opening marketing and advertising for your Franchised Business subject to a marketing plan approved by us beginning at least 1 month before beginning operations and continuing for at least 1 month after opening. At your request and if we agree to do so, we may conduct the grand opening marketing and advertising on your behalf in accordance with the approved marketing plan.

You are required to spend the minimum amount listed above, but you may spend more than that if you choose to do so. The factors that may affect the actual amount you spend include the type of media used, the size of the area you advertise to, local media cost, location of the Franchised Business, and customer demographics in the surrounding area.

Note 8. Initial Training.

We do not charge a fee for 2 individuals (you and another employee) attending our Initial Training Program. You must, however, pay all expenses, including salaries, fringe benefits, payroll taxes, unemployment compensation, worker's compensation insurance, meals, lodging, incidental expenses, and travel expenses for your attendees. The estimate above includes only the expenses associated with 2 individuals attending Initial Training.

Note 9. Legal and Accounting Fees Related to Startup Assistance.

We strongly recommend you employ an attorney, an accountant and other consultants to assist you in establishing your Franchised Business. These fees may vary from location to location depending on the prevailing rates of local attorneys, accountants and consultants.

Note 10. Computer System and Required Hardware and Operating System.

You must purchase, or lease, and install such computer hardware, modems, printers, and other computer-related equipment that meet our standards and specifications outlined in the Operations Manual or otherwise designated by us in writing. You must also use the designated point-of-sale software in the operation of the Franchised Business and update it as required by us from time to time.

Note 11. Insurance.

The estimate provided in the table is an estimated down payment against your annual premiums to acquire the insurance listed in the franchise agreement. We may, periodically, specify and change the types and amounts of coverage. You must provide us with a copy of each insurance policy. Each insurance policy must name us, our affiliates and our respective officers and owners as additional named insured and must require 30 days written notice to us before being modified, cancelled, or terminated and 30 days prior written notice to us before the policy expires. A company with an A.M. Best Standards rating of A or higher must underwrite all insurance policies.

Note 12. Additional Funds / Working Capital

Working capital is an estimate of the funds needed to cover the operational expenses incurred during the first 3 months of operation. This estimate is exclusive of all costs listed elsewhere in this Item 7. We have relied on data from our founders and affiliate operating the corporate-owned location to compile this estimate. New businesses often generate a negative cash flow. We estimate that the amount given should be sufficient to cover ongoing expenses for the first 3 months of the business. This is only an estimate and we cannot guarantee that the upper range amount is sufficient or that you will not have additional expenses starting your business. The actual amount of funds required and the times at which funds are required depends on many factors including, how closely you follow our methods and procedures, the prevailing wage rate, the rate of growth of your Franchised Business, your management skill, economic conditions and competition in your area and the sales levels reached during these three months of operations. We cannot estimate or promise how much additional funds any particular franchisee requires, nor can we estimate when or for how long additional funds will be needed for your business.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases

You must develop and operate the Franchised Business according to our standards and specifications, as we may establish from time to time in our Operations Manuals or otherwise by written communication from us, subject to any laws, rules, and regulations governing the services provided by the Franchised Business.

We require, among other things, that you purchase certain types, models, and brands of required fixtures, furnishings, equipment, signs, products, supplies, and other items used in the operation of your Franchised Business. To maintain quality and consistency, we require that you purchase the required items from designated suppliers approved by us, which may include and be limited to us or our affiliates. You also must purchase from us or from our approved supplier branded merchandise, uniforms, advertising and other promotional materials, business cards, packaging, and gift cards. All products and items must conform to those standards and specifications we may periodically establish and as provided in the Operations Manuals.

Approved suppliers are those we select who demonstrate to us their ability to meet our minimum standards for quality, price, reliability and such other factors as we determine from time to time. Requirements and specifications for products and other items and lists of approved suppliers are listed in our Operations Manuals. We may periodically issue new standards and specifications through written notices and we may revise our requirements and specifications, add or delete approved suppliers, terminate existing purchase arrangements and suppliers and/or enter into new purchase arrangements with additional suppliers.

Our standards and specifications are based on our founder's and affiliate's experience in operating a business of the type we are franchising and through use in our affiliate's business. We communicate our standards and specifications to you during training and periodic visits to your Franchised Business, and through the Operations Manuals.

You must obtain our written approval before making any changes to the appearance of your Franchised Business and before modifications to or replacements of decorating materials, fixtures, equipment, products, furniture, signs or other items.

None of our owners own an interest in an approved supplier, but retain the right to do so in the future.

We are the only approved supplier of branded merchandise and uniforms that you must purchase.

We estimate that the items you are required to purchase will represent approximately 80% to 90% of the total purchases you will make to begin operations. Once you begin operating, we expect the items you are required to purchase will represent approximately 10% to 20% of your total expenses.

Request for Approval of New Item or Supplier

If you desire to purchase any item not authorized by us or to purchase items from a supplier not expressly approved by us in writing, you may request to obtain approval by submitting all information we may request about the item or supplier to Adam Neher. Approval of an item or supplier may be conditioned, among other things, on requirements for product quality, price, cost, frequency of delivery, standards of service, brand recognition and concentration of purchases. Approval is made on a case-by-case basis, and determined by us, in our sole discretion, and we will make commercially reasonable efforts to decide within thirty (30) days after receiving all the required information whether your request is approved. If approval is not received within thirty (30) days after receiving all the required information, the request will be deemed to have been rejected.

We may revoke our approval of an item or supplier at any time in our sole discretion. At this time, we do not charge a fee for reviewing alternative items or suppliers but we reserve the right to do so in the future.

We may derive revenue as result of your and other franchisees purchasing the required products, supplies, equipment, products, and other items from us, our affiliate, or approved suppliers. As of the end of our last fiscal year, neither we nor our affiliate derived any revenue from franchisees' required purchases.

Computer and Software Requirements

You must purchase, or lease, and install such computer hardware, modems, printers, and other computer-related equipment that meet our standards and specifications outlined in the Operations Manuals or otherwise designated by us in writing.

You are required to use the designated point-of-sale software for use in the operation of the Franchised Business and update such software as required by us or the approved supplier from time to time.

We reserve the right, without limitation, to modify or supplement the hardware or software required in the operation of the Franchised Business and you may be required to make and install substantial modifications to the computer system, software, or hardware during the initial term of the franchise agreement or any successor terms to efficiently operate the franchised business.

Insurance

Each Franchised Business is required to obtain and maintain in full force and effect all insurance policies we deem necessary to operate the Franchised Business and in such coverages, limits and amounts as may be required from time to time by us including, but not limited to:

- Automobile liability insurance, including hired and non-owned, with a minimum limit of \$1,000,000 per occurrence and \$1,000,000 in the aggregate;
- General liability insurance with a minimum limit of \$1 million per occurrence (combined single limit for bodily injury and property damage) and \$2,000,000 in the aggregate;
- Workers' compensation insurance with a minimum limit of the greater of \$1,000,000 or the minimum limit your state law requires;
- Employer practices and liability insurance with a minimum limit of \$1,000,000; and
- Any other insurance required by the state or locality in which the Franchised Business is located.

We may change the insurance policies and amounts of coverage at any time in our discretion with written notice to you.

Purchasing or Distribution Cooperatives

We do not currently have any purchasing or distribution cooperatives. We may attempt to negotiate discounted prices and favorable terms from suppliers for your benefit. If we negotiate these programs, you may be required to participate in the programs.

Material Benefits

Except as described in this Item 8, you do not receive any material benefit from us based upon your use of the approved suppliers. However, we consider a variety of factors when determining whether to grant successor franchises or additional franchises, including compliance with the requirements described in Item 8.

ITEM 10 FINANCING

We do not offer direct or indirect financing for any amount due under the Franchise Agreement or Multi-site Development Agreement. We do not guarantee your notes, leases or obligations.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Assistance

Before you open your Franchised Business, we will perform the following services:

A. Territory (Sections 5 and 6 of the Franchise Agreement).

If, at the time you execute your franchise agreement, a location for your Unit Franchise is not identified, we will determine the Site Selection Territory in which you may identify a location for your Unit Franchise. Once your Approved Location is identified, we will designate your Territory as described below in Item 12.

If you enter into a Multi-Site Development Agreement, we will designate and approve your Development Area at the time you sign the Multi-Site Development Agreement. (MSDA, Section 2). You will be subject to a development schedule outlining the required opening dates for opening the additional Franchised Businesses. You must open and operate your Franchised Businesses by the required opening dates, unless otherwise authorized in writing by us. (MSDA, Section 2).

The typical time between signing the Franchise Agreement and opening the franchised business is approximately 3 to 6 months. The factors that affect opening time include, but are not limited to, completing the training program, ordering and receiving inventory and equipment, hiring and training personnel, and obtaining financing. You must open your franchised business and be operational within six (6) months after signing the franchise agreement, unless otherwise authorized in writing by us.

If you are delayed from opening your Unit Franchise by the opening deadline in your franchise agreement, you must provide us with a written request to extend the deadline, which we may grant or deny in our sole discretion. The request must state: (1) that a delay is anticipated; (2) the reasons which caused the delay; (3) the efforts that you are making to proceed with the opening; and (4) an anticipated opening date. In considering the request, we will not unreasonably withhold our consent to a delay if you have been diligently pursuing the opening.

Unless we agree to extend the opening deadline, if you do not open your Franchised Business by the deadline, you will be considered in default of your franchise agreement and we have the right to terminate your franchise.

B. Approval of the Approved Location (Section 5 of the Franchise Agreement).

You are required to have a brick and mortar location within your Territory in order to operate the franchised business and you may either own or lease the building, subject to our approval. We must approve the location and purchase agreement or lease before you sign the documents. The location must meet our criteria for demographic characteristics, parking, character of neighborhood, competition from and proximity to other businesses and other Stoney's Sourdough Pizza Co. franchises, the nature of other businesses in proximity to the site and other commercial characteristics, and the size, appearance and other physical characteristics of the proposed site. The ideal size for the franchised business is approximately 1,000 to 2,000 square feet.

Typically, we do not own the Approved Locations that are leased by franchisees. The lease for the Approved Location must include the form of Addendum to Lease, attached as an exhibit to the Franchise Agreement. Before executing a lease, you must submit it to us for our approval.

We will make commercially reasonable efforts to approve or disapprove a location you propose within 15 days after we receive the complete report of the site and other materials we request. If we cannot agree on a location within 60 days after the effective date of the franchise agreement, we may terminate the franchise agreement.

C. Approved Suppliers (Section 11 of the Franchise Agreement).

You must purchase products, supplies, equipment, products, merchandise, and other items required for the operation of the Franchised Business from designated suppliers approved by us, which may include and be limited to us or our affiliate. To maintain quality and consistency, you must only purchase the required products, supplies, equipment, products, merchandise, and other items solely from approved suppliers. The list of approved suppliers is contained in our Operations Manuals, which we will loan to you at the time you attend training.

Other than providing you with the Approved Supplier List, we do not provide direct assistance in obtaining equipment, signs, fixtures, opening inventory, or supplies, nor do we install such items.

D. Pre-Opening Inspection (Section 13 of the Franchise Agreement).

We will conduct one (1) pre-opening inspection of the Franchised Business to ensure you are following our standards and specifications. The Franchised Business may not open for business without written authorization from us after the pre-opening inspection has been completed and you have successfully demonstrated that you are complying with our standards and specifications. Our authorization for opening of the Franchised Business is limited solely to reviewing and confirming compliance with our standards and specifications and does not warrant, represent, guarantee, or assure that your Franchised Business will be successful, profitable, or meet your expectations.

E. Training (Section 9 of the Franchise Agreement).

No later than 30 days before your Unit Franchise opens for business, you and another employee must attend our initial training program, which consists of on-the-job and classroom training at our headquarters in Kokomo, Indiana (the “Initial Training Program”). The cost for the Initial Training Program for up to 2 people is included in the Initial Franchise Fee, but you must pay any wages or compensation owed to your employees attending the Initial Training Program, and all travel, meal and transportation expenses incurred by you and the other employee in attending the Initial Training Program.

See the Training Program below for more information.

F. Website and Social Media (Section 15 of the Franchise Agreement).

We will provide information about your franchise on our website and social media accounts for the franchise system. You may be required to provide us with information related to your franchise to be included on the website and social media accounts.

We may, but are not required to, create social media accounts for each franchised location.

You are restricted from establishing a presence on, or marketing on the Internet without our consent, including but not limited to social media sites.

G. Operations Manual (141 Pages) and Recipe Manual (40 Pages) (Section 10 of the Franchise Agreement).

We will loan you a complete copy of our Operations Manual and Recipe Manual (collectively, the “Operations Manual”) at the time you attend training. The Operations Manuals contain mandatory and suggested specifications, standards, procedures, recipes, and your other obligations under the franchise agreement. We may modify the Operations Manuals from time to time which may alter the number of pages in the Operations Manuals, but the modification will not alter your status and rights under the franchise agreement. You are required to be in compliance with the most current version of our Operations Manuals, as well as our most current policies and procedures.

The Approved Supplier List, which contains the approved suppliers that you are required to utilize in the operation of the Franchised Business, is included in the Operations Manuals.

The Table of Contents of the Operations Manual is attached to this FDD as **Exhibit F**.

H. Grand Opening Advertising (Section 15 of the Franchise Agreement).

At your request, we may, in our sole discretion, conduct your required grand opening advertising for you at your expense during the 1 month period before the opening of your Franchised Business and the 1 month period after the opening of your Franchised Business.

Post-Opening Assistance

During the operation of your franchised business, we will perform the following services:

A. Development of New Products (Section 11 of the Franchise Agreement).

We periodically develop new products and further improve and develop the franchise system. You will be required to provide any new products for sale that we deem mandatory and you may incur additional cost associated with providing said products for sale. You may determine the price for the products, subject to the maximum prices established by us.

B. Grand Opening Assistance (Section 9 of the Franchise Agreement).

We will provide you with a grand opening supervisor for your first week of operation to provide assistance with operations, staff training, set up of the Franchised Business and the grand opening of the Franchised Business. The cost for this assistance is included in the estimate provided in Item 7 for grand opening expenses. If you request our grand opening supervisor to spend more time at your Franchised Business after your first week of operation, then we may approve such

request in our sole discretion and the additional time will be considered additional training and provided at the then-current charge for additional training.

C. Additional Training (Section 9 of the Franchise Agreement).

We provide you and/or your employees with additional in-person training sessions as needed at our headquarters, the Franchised Business, or at another location designated by us. Currently, the charge for additional training is \$1,000 per employee, plus travel expenses, meals and lodging expenses that we incur in providing the additional training.

We will provide mandatory additional training if during the term of the franchise agreement you hire a new general manager who has not successfully completed our training program. The new general manager must attend and complete our training program within thirty (30) days of being hired and shall not manage or provide services on behalf of the Franchised Business until they have satisfactorily completed the training program. The cost for training a new general manager shall be \$1,000, payable to use within 10 days of receiving an invoice.

D. Post-Opening Inspection (Section 13 of the Franchise Agreement).

We conduct both scheduled and unscheduled post-opening inspections of the Franchised Business to determine compliance with our standards and specifications including but not limited to food preparation, establishment cleanliness, and customer service. Inspections will be conducted during regular business hours.

We may, in our sole discretion, establish quality control programs, including food safety programs, “secret shopper” programs, interactive voice response customer satisfaction measurement programs and/or “customer intercept” programs, to ensure the highest quality of service and food products are being provided throughout the franchise system. You are required to participate in any such quality control programs and bear your pro-rata share, as determined by us in our sole discretion, of the costs of any such program.

E. Website and Social Media (Section 15 of the Franchise Agreement).

We will provide, or arrange for a third-party to provide, a website for the franchise system during the term of the Franchise Agreement. We will also run or manage, or arrange for a third-party to run or manage, social media accounts for the franchise system. We may, but are not required to, create social media accounts for each franchised location.

You are restricted from establishing a presence on, or marketing on the Internet without our consent, including but not limited to social media sites.

F. General Business Guidance and Support (Section 9 of the Franchise Agreement).

We periodically advise you and offer general business guidance to you by telephone, e-mail, newsletters and other methods including but not limited to providing charts, checklists, and illustrative pictures. Our guidance is based on our founders’ and our affiliate’s knowledge and experience. We may offer you advice and guidance on a variety of business matters, including operational methods, accounting procedures, authorized services or products, marketing strategies, proper inventory levels and food ordering methods, and the health benefits of sourdough. Our advice related to the operation of the Franchised Business is for educational

purposes and to ensure compliance with our standards and specifications. If you follow our advice, it does not warrant, represent, guarantee, or assure that your franchised business will be successful, profitable, or meet your expectations.

Advertising

A. Website and Social Media (Section 15 of the Franchise Agreement).

We will provide, or arrange for a third-party to provide, a website for the franchise system during the term of the Franchise Agreement. We will also run or manage, or arrange for a third-party to run or manage, social media accounts for the franchise system.

We retain the sole right to market on the Internet, including the use of websites, domain names, uniform resource locators, keywords, linking, search engines (and search engine optimization techniques), banner ads, meta-tags, marketing, e-commerce, social media and co-branding arrangements. You may be requested to provide content for our Internet marketing, and you must follow our Internet usage rules, policies and requirements. We retain the sole right to use the Proprietary Marks on, or sell products containing the Proprietary Marks over the Internet, including on websites, as domain names, directory addresses, search terms and meta-tags, and in connection with linking, marketing, co-branding and other arrangements. We retain the sole right to approve any linking to, or other use of, the website for the franchise system.

B. National Marketing Fund (Section 15 of the Franchise Agreement).

We have not established a National Marketing Fund (“Marketing Fund”) that you are required to contribute to monthly, but we reserve the right to do so in our sole discretion and charge you a monthly Marketing Fund Fee upon thirty (30) days’ written notice. If we establish a Marketing Fund, we may thereafter, in our sole discretion, decide to terminate or suspend the Marketing Fund at any time, or increase the amount of the required contribution upon written notice to you. If we establish a Marketing Fund, corporate locations owned by us and our affiliate may, but shall not be obligated to, contribute to the Marketing Fund on the same basis as franchisees.

If we establish a Marketing Fund, we will have the exclusive right to direct all marketing programs financed by the Marketing Fund, including the right to control the creative concepts, materials, and endorsements. We will have the right to determine the geographic market, media placement, and allocation of the Marketing Fund. We may, in our sole discretion, use the Marketing Fund to engage in advertising and promotional programs that benefit only one or several regions, and not necessarily all franchises in the system if a Marketing Fund is established.

If we establish a Marketing Fund, the Marketing Fund may be used to pay the costs of preparing and producing video, audio, and printed marketing materials; administering multiregional and national marketing programs, including purchasing television, radio, magazine, billboard, newspaper, and other media advertising; employing advertising agencies and/or public relations firm to assist with marketing and advertising; and providing marketing materials to franchisees. You will be required to implement any nation-wide promotional campaigns, including but not limited to purchasing additional branded décor or marketing materials and honoring any promotional codes or discounts in connection with such campaign.

If we establish a Marketing Fund, the Marketing Fund may also be used to meet any and all costs reasonably related and incident to administering the Marketing Fund and its related programs, including administrative costs. Under no circumstance will we use the Marketing Fund to solicit new franchisees if a Marketing Fund is established.

If we establish a Marketing Fund, the Marketing Fund will be accounted for separately from our other funds. However, the Marketing Fund is not a trust or escrow account, and we have no fiduciary obligations to our franchisees with respect to the Marketing Fund or with the monies collected. We will be permitted to spend in any fiscal year an amount greater or less than the aggregate contributions of franchisees to the Marketing Fund in that year. If we establish a Marketing Fund, any part of the Marketing Fund contributions that were not spent during the fiscal year would remain in the Marketing Fund to be used in the next fiscal year. An unaudited statement of monies collected, and expenditures made by the Marketing Fund will be prepared annually and provided to you upon written request if a Marketing Fund is established.

C. Local Advertising (Section 15 of the Franchise Agreement).

At this time, you are not required to conduct local advertising to promote the Franchised Business, but you may do so in your discretion. However, if you create and use your own marketing and advertising materials to advertise the Franchised Business, such marketing and advertising materials must be pre-approved in writing by us before they are used. We may approve, disapprove, or revoke approval of any advertising materials for any reason and at any time in our sole discretion.

We reserve the right to impose a local advertising requirement in the future by providing written notice to you.

D. Grand Opening Advertising (Section 15 of the Franchise Agreement).

You are required to conduct grand opening marketing and advertising for your Franchised Business subject to a marketing plan approved by us beginning at least 1 month before beginning operations and continuing until 1 month after the opening of your Franchised Business.

You are required to spend the minimum amount listed in Item 7 above, but you may spend more than that if you choose to do so. The factors that may affect the actual amount you spend include the type of media used, the size of the area you advertise to, local media cost, location of the franchised business, time of year and customer demographics in the surrounding area.

At your request, we may, in our sole discretion, conduct your required grand opening advertising for you at your expense.

E. Advertising Cooperatives and Advisory Council (Section 15 of the Franchise Agreement).

As of the issuance date of this disclosure document, there are no advertising cooperatives, but we reserve the right to require advertising cooperatives be established. In the event advertising

cooperatives are established, such cooperatives must be operated in accordance with their respective bylaws, which must be approved by us.

As of the issuance date of this disclosure document, there is not a franchise advisory council. However, we reserve the right to establish one to advise and consult with us in connection with the establishment, modification, continuance, or other decisions or considerations affecting marketing programs. In the event we establish said council, we will have the exclusive right to determine their organizational structure and manner of operation.

Computer Requirements (Section 12 of the Franchise Agreement).

You must use the computer hardware and software (collectively, “Computer System”) that we periodically designate to operate your Unit Franchise. You must obtain the Computer System, software licenses, maintenance and support services, and other related services from the suppliers we specify (which may include or be limited to us and/or our affiliate). You are responsible for all costs and monthly fees associated with any such software licenses or programs, including any updates. We may periodically modify the specifications for, and components of, the Computer System. These modifications and/or other technological developments or events may require you to purchase, lease, and/or obtain by license new or modified computer hardware and/or software, and obtain service and support for the Computer System. The franchise agreement does not limit the frequency or cost of these changes, upgrades, or updates. We have no obligation to reimburse you for any Computer System costs. Within sixty (60) days after you receive notice from us, you must obtain the components of the Computer System that we designate and ensure that your Computer System, as modified, is functioning properly.

We may charge you a reasonable fee for installing, providing, supporting, modifying, and enhancing any proprietary software or hardware that we develop and license to you; and (ii) other Computer System-related maintenance and support services that we or our affiliate provides to you. If we or our affiliate licenses any proprietary software to you or otherwise allow you to use similar technology that we develop or maintain, then you must sign any software license agreement or similar instrument that we or our affiliate may require.

You will have sole responsibility for: (1) the acquisition, operation, maintenance, and upgrading of your Computer System; (2) the manner in which your Computer System interfaces with our computer system and those of other third parties; and (3) any and all consequences that may arise if your Computer System is not properly operated, maintained and upgraded.

As stated in Item 7, the estimated expense in purchasing or leasing the required Computer System will be between \$3,000 and \$6,000 payable in accordance with the terms of your acquisition.

You are required to use the designated point-of-sale software (“POS”) for operating the Franchised Business. Currently, the designated POS is Toast. In order to use the POS, you must pay the approved supplier a fee as agreed to and arranged between you and the approved supplier. Currently, the monthly fees for Toast equal approximately \$280.50. The fees for the point of sale software may be changed in the discretion of the vendor. You must subscribe to all POS features we deem mandatory which includes but is not limited to loyalty programs, online ordering, and third-party delivery integrations. Additionally, if we change or add any menu items, you will be responsible for entering changes into the POS.

We reserve the right, without limitation, to modify or supplement the Computer System required in the operation of the Franchised Business and you may be required to make and install substantial modifications to the computer system, software, or hardware during the initial term of the franchise agreement or any successor terms to efficiently operate the Franchised Business.

You must inform us of your username and password used to access the POS and notify us if the username or password changes during the term of the franchise agreement. We will have the free and unfettered right to retrieve such data and information stored on your hard drive, either internally or externally, as we deem necessary, desirable, or appropriate and there are no contractual rights that limit our ability to do so. The business information or data that will be collected or generated includes, but is not limited to, sales data, trend analysis, labor reports, menu reports, and other similar reports.

Training (Section 9 of the Franchise Agreement).

We provide you and your general manager with our Initial Training Program which covers material aspects of the operation of the Franchised Business. The topics covered are listed in the chart below. You and your general manager (if applicable) must complete the Initial Training Program to our satisfaction between the period of 1 month after signing the franchise agreement but and 1 month prior to opening. We expect attendees to have their food safety certification before attending the Initial Training Program, and that attendees will advance through the Initial Training Program at different rates depending on a variety of factors, including background and experience. As such, the time frames provided in the chart are an estimate of the time it will take to complete training. The charge for the Initial Training Program for you and the general manager is included in the Initial Franchise Fee, but you must pay for all travel costs and living expenses incurred in attending the Initial Training Program.

At least 2 people must attend training, but you may request additional employees attend the Initial Training Program. If we approve your request, you will pay us an additional training fee equal to \$1,000 for each of the additional employees who attend the Initial Training Program.

The Franchised Business must at all times be under the day-to-day direct or indirect supervision of someone who has completed our Initial Training Program to our satisfaction and who has their food safety certification.

For example, you (the Franchisee) may act as the General Manager even if you are managing from a distance. Employees at the restaurant will undergo their own training, and if there is an issue or question that needs to be escalated, they would reach out to you, the General Manager, via phone call.

If you wish to hire out that role, that would be considered hiring a new General Manager.

If you hire a new general manager, the new general manager must attend our Initial Training Program and complete the program to our satisfaction within thirty (30) days of being hired. In addition to the \$1,000 training fee for training the new general manager, you will be responsible for all travel, lodging, meals, and other expenses incurred by your general manager in attending the additional training.

You are solely responsible for recruiting, hiring, firing, training, and supervising employees to operate the Franchised Business and the terms and conditions of their employment. We may provide you with standardized interviewing and hiring information, but you are not obligated to use the information in making your hiring decisions. Any material or information related to hiring employees is for informational purposes only and the employees of the Franchised Business will only be your employees, and are not in any way our employees or agents.

The training will occur at our headquarters, your franchised business, or another location designated by us. Training is conducted as needed. The dates and location of the training will be communicated to you in the Operations Manuals. Training will be conducted by Adam Neher and/or Heidi Neher who each have approximately 4 years of experience in the industry.

Substitute trainers, trainers brought in by our approved third-party vendors, or hired experts may provide training to you if the training schedule requires it or is necessary for other reasons. Any substitute or additional trainer that we use will have a minimum of one (1) year of experience in the restaurant industry and/or the subject they are teaching. There are no limits on our right to assign a substitute trainer to provide training.

Training hours per course are estimates and may be more or less than indicated in the chart above.

ITEM 12 TERRITORY

Franchise Agreement

You will receive an exclusive territory which will be described and attached to the franchise agreement (the “Territory”). The Territory will be based on population density and we determine

the boundaries of the geographic area based on a variety of factors, including proximity to competitors, proximity to other franchisees and natural and physical boundaries.

If, at the time the franchise agreement is executed, a location for the Franchised Business is not identified and approved by us, we will identify the Site Selection Territory in which you may identify a location for your Unit Franchise. The Site Selection Territory is not exclusive to you and there may be several franchisees searching for suitable sites within the same Site Selection Territory. You must lease or acquire a location within the Site Selection Territory within 60 days of executing the franchise agreement. Once your Approved Location is identified and approved by us, your protected Territory will be defined. The Territory will be different, and in most cases, smaller than, the Site Selection Territory.

Site Selection Territories and Territories will range in size from a site-specific location, i.e., a street address, to a block, a zip code, or a defined measurable area, depending on the market in which you would like to operate your Franchised Business. Typically, Unit Franchises located in metropolitan areas will receive a smaller Site Selection Territory and Territory than Unit Franchises located in suburban/rural areas. We will agree upon the size of your Site Selection Territory and Territory at the time we identify and agree on a market for your Franchised Business.

You may be permitted to provide off-site delivery services of certain Products we may authorize from time to time within a geographical area around your Franchised Business that we may designate from time-to-time ("Delivery Area"). You may not deliver any such products to locations outside the Delivery Area without our prior consent. Any consent to deliver Products beyond the Delivery Area may be revoked at any time. We may revoke our authorization that you may provide offsite delivery of Products and to modify or reduce the Delivery Area and you will not be entitled to any compensation for any elimination or reduction of the Delivery Area.

You shall not relocate the Approved Location without our prior written authorization. We reserve the right to approve or deny your relocation request in our discretion based upon, without limitation, our own business judgment, your compliance with the franchise agreement, and the proposed new location. If we approve your relocation request, you must pay us a Relocation Fee which is currently set at \$2,000.

You are prohibited from setting up, maintaining or utilizing an Internet website, home page, or other social media site to sell products and services without our prior written consent. You must not cause or allow the Proprietary Marks to be used or displayed, in whole or in part, as an Internet domain name, or on or in connection with any Internet website, home page, or social media site without our express prior written consent, which we may grant or withhold in our sole discretion. If we provide our consent to such use, then you may only use the Proprietary Marks in such a manner authorized by us and in accordance with our procedures, standards and specifications as established from time to time.

You do not receive the right of first refusal for additional territories unless you have entered into a Multi-Site Development Agreement with us.

Except for the rights expressly reserved to us in this Item 12 and the franchise agreement, during the term of your franchise agreement, and provided that you are not in default, we will not establish or license another person to establish another Stoney's Sourdough Pizza Co. within your

Territory. Your territorial rights are not dependent upon achievement of a certain sales volume or market penetration.

Multi-Site Development Agreement

If you are granted the right to establish and operate multiple Unit Franchises under our form of the Multi-Site Development Agreement, then we will provide you with a Development Area upon execution of the Multi-Site Development Agreement. The size of your Development Area will be based on: (i) the number of Franchised Businesses you agree to open and operate; and (ii) the location, demographics, and population of the general area where we mutually agree these locations will be operated. The boundaries of your Development Area may be described in terms of zip codes, streets, landmarks (both natural and man-made) or county lines, or otherwise delineated on a map attached to the Multi-Site Development Agreement.

Each franchise opened and operating in the Development Area must be operated under our thencurrent form of the franchise agreement and each will have its own designated Territory. Except for the rights expressly reserved to us in this Item 12 and the Multi-Site Development Agreement, we will not operate or recruit any person or entity to operate a Stoney's Sourdough Pizza Co. franchise within your designated Development Area until the expiration or termination of the Multi-Site Development Agreement for any reason.

In order to maintain your rights to the Development Area, you must comply with your Development Schedule. If you fail to comply with your Development Schedule, we may terminate your Multi-Site Development Agreement. Upon expiration or termination of the MultiSite Development Agreement for any reason, your rights in the Development Area will terminate, except that each Franchised Business opened and operating in the Development Area will continue to maintain the rights to their respective Territories under their franchise agreements. Except for the expiration or termination of the Multi-Site Development Agreement, we will not modify your Development Area or your rights therein unless mutually agreed to in writing by you and us.

Reserved Rights

Except as otherwise provided, we retain the right to:

- i. Operate and grant others the right to operate a Franchised Business anywhere outside of your Territory or Development Area;
- ii. Develop, operate and grant others the right to operate any future concepts that are not included within the franchise system at any location anywhere;
- iii. Use and license the use of other trademarks or methods which are not a part of the franchise system at any location anywhere;
- iv. Operate any business that offers pizza or sourdough products (whether under development or already in operation) included in any business acquisition at any location outside of the Territory or Development Area; and

- v. Distribute or license any goods, services, or concepts, in or outside of your Territory, regardless of whether such products are authorized for Stoney's Sourdough Pizza Co. franchises or are distributed or licensed under the Proprietary Marks, through other channels of distribution, including, but not limited to the Internet, wholesale, grocery stores, or other retail establishments that are not restaurants.

Currently, we do not have any plans to operate or franchise a business under a different trademark that sells or will sell goods or services similar to those you will offer.

Nothing in this Agreement is intended by the parties to create a fiduciary relationship between them, nor to constitute Franchisee or Franchisee’s employees or contractors as an agent, legal representative, subsidiary, joint venture, partner, or employee of Franchisor for any purpose whatsoever. It is understood and agreed that Franchisee is an independent contractor and is in no way authorized to make any contract, warranty, or representation or to create or imply any obligation on behalf of Franchisor.

Franchisee must execute a personal guaranty in favor of Franchisor in the same form, or substantially similar form, as the personal guaranty attached to this Agreement as **Exhibit A**.

SECTION 3 TERM AND RENEWAL

A. Initial Term.

The Initial Term of this Agreement shall begin on the Effective Date first set forth above and shall expire on the date that is five (5) years after the Effective Date, unless sooner terminated pursuant to this Agreement.

B. Successor Franchise.

Franchisee has the right to acquire a successor franchise at the expiration of the Initial Term by entering into a new agreement, which shall be in the Franchisor's then current form of franchise agreement, subject to Franchisee having satisfied all of the following conditions before the expiration of the Initial Term:

- Franchisee provides Franchisor with not less than six (6) months but not more than nine (9) months' written notice before expiration of this Agreement of its intent to acquire a successor franchise;
- Franchisee is not in default or in violation of this Agreement or any other agreement with Franchisor, its Affiliates, or any of its Approved Suppliers;
- Franchisee has paid all monetary obligations owed to Franchisor, its Affiliates, or any of its Approved Suppliers;
- Franchisee has completed all required additional training;
- Franchisee makes all required renovations and upgrades to the Approved Location to comply with then-current standard required of new franchisees;
- Franchisee signs the then-current standard franchise agreement which may contain terms and conditions that are materially different from those in the original Agreement;
- Franchisee pays the Renewal Fee; and
- Franchisee has executed a general release, in a form the same as or similar to the General Release attached as **Exhibit B**, which releases any and all claims against Franchisor, any Affiliates and their respective officers, directors, shareholders, managers, members, partners, owners, employees and agents (in their corporate and individual capacities), except to the extent prohibited by the laws of the state where the Franchised Business is located.

If Franchisee does not comply with the conditions above from the time it is requested to acquire the successor franchise to the last day of the Initial Term, Franchisee agrees that Franchisor shall be deemed to have good cause to refuse to renew the Agreement. Failure or refusal by Franchisee to execute any agreements, instruments, and/or documents required by Franchisor in connection with such renewal within thirty (30) days after delivery to Franchisee (unless otherwise agreed) shall be deemed an election by Franchisee not to renew the Agreement.

SECTION 4

INITIAL FRANCHISE FEE

Franchisee shall pay Franchisor an Initial Franchise Fee of Twenty Thousand Dollars (\$20,000.00). The Initial Franchise Fee is fully earned by Franchisor when Franchisee signs the Franchise Agreement and is payment, in part, for costs and expenses incurred by Franchisor in providing assistance and services to Franchisee, including general sales and marketing expenses, training, legal, accounting and other professional fees.

SECTION 5

SITE SELECTION TERRITORY AND APPROVED LOCATION

A. Site Selection Area

If, at the time this Agreement is executed, a location for the Franchised Business is not identified and approved by Franchisor, Franchisor shall designate a non-exclusive geographical area in which Franchisee may identify a location for the Franchised Business (the “Site Selection Territory”). Franchisee must identify a location within the Site Selection Territory and obtain Franchisor’s approval in accordance with Section 5(b) hereof within sixty (60) days of the Effective Date. Once the location is identified and approved by Franchisor, the protected Territory will be defined. The Territory will be different, and in most cases, smaller than, the Site Selection Territory.

B. Approval of Location

Franchisee is required to have a brick and mortar location to operate the Franchised Business. Franchisee must either own or lease the premises for the Franchised Business and Franchisee must obtain Franchisor’s approval before purchasing or leasing the building. Approval of a location is based on Franchisor’s sole discretion as to whether the proposed location meets Franchisor’s site selection criteria.

C. Lease of Approved Location

Franchisee must deliver copies of the proposed lease agreement and related documents pertaining to the Approved Location to Franchisor prior to signing them. Franchisee agrees not to sign any lease agreement or related documents (or any renewal thereof) unless Franchisor has previously approved them. Franchisor’s approval, which will not be unreasonably withheld, will be limited to ensuring that the lease is consistent with this Agreement. Franchisee agrees to deliver a copy of the signed lease to us within ten (10) days after its execution along with the Lease Assignment (as defined below).

When entering into a lease for an Approved Location, Franchisee and the lessor must sign our then-current form of Conditional Assignment of Lease Agreement (the “Lease Assignment”), a copy of which is attached hereto as **Exhibit C**. Franchisee agrees not to sign any lease or renewal of a lease unless Franchisee has also obtained the Lease Assignment signed by the lessor.

D. Relocation of Approved Location

Franchisee shall not change the location of the Approved Location without Franchisor's prior written authorization. Franchisor reserves the right to approve or deny Franchisee's relocation request in Franchisor's discretion based upon, without limitation, Franchisor's own business judgment, Franchisee's compliance with this Agreement, and the proposed new location. In the event Franchisor approves Franchisee's relocation request, Franchisee will be required to pay Franchisor a Relocation Fee of Two Thousand Dollars (\$2,000) to cover Franchisor's costs and expenses in reviewing the relocation request and the documents related to the proposed location.

E. Acknowledgements Regarding Site Approval

Franchisee acknowledges and agrees that:

- Franchisor's recommendation or approval of any Approved Location, the Site Selection Territory, or the protected Territory does not imply, guaranty, assure, warrant or predict profitability or success, express or implied;
- Franchisor's recommendation or approval of any Approved Location, the Site Selection Territory, or the protected Territory indicates only that Franchisor believes that the site, the Site Selection Territory, or the protected Territory fall within the acceptable demographic and other criteria for approved locations, site selection territories, and protected territories that Franchisor has established as of the time of such recommendation or approval;
- the application of criteria that have appeared effective with respect to other approved locations may not accurately reflect the potential for all sites, and, after Franchisor's approval of a site, demographic and/or other factors included in or excluded from Franchisor's criteria could change to alter the potential of a site;
- the uncertainty and instability of such criteria are beyond Franchisor's control, and Franchisor shall not be responsible for the failure of an Approved Location, the Site Selection Territory, or the protected Territory to meet expectations as to potential revenue or operational criteria;
- with respect to any review of Franchisee's design plans and constructional renovation plans, or other federal, state, or local health regulations, Franchisor will not review whether Franchisee is in compliance with federal, state or local laws and regulations, including the Americans with Disabilities Act and Franchisee acknowledges and agrees that (a) Franchisee is solely responsible for compliance with all such laws and regulations; and (b) Franchisor's approval is not, and will not be deemed to be, an assessment as to whether or not Franchisee has complied with those laws and regulations; and
- Franchisor's approval of the lease for the Approved Location does not constitute a guarantee or warranty, express or implied, of the successful operation or profitability of the Franchised Business operated at the Approved Location. Such approval indicates only that Franchisor believes that the Approved Location and the terms of the lease fall within the acceptable criteria Franchisor has established as of the time of our approval.

Franchisee further acknowledges that Franchisor has advised Franchisee to have an attorney review and evaluate the lease.

SECTION 6 TERRITORY

A. Territory

Once your Approved Location is identified and approved, Franchisor shall define Franchisee's protected Territory on the attached **Exhibit D**. During the Initial Term, and provided Franchisee is not in default of this Agreement or any other agreement between Franchisor and Franchisee, neither Franchisor nor its Affiliates shall open for business, grant a franchise, license or otherwise authorize any other person or entity to open for business, a Stoney's Sourdough Pizza Co restaurant within the Territory.

B. Delivery Area

Franchisee has the non-exclusive right to provide off-site delivery services of the Products within a geographical area around the Franchised Business that Franchisor designates (the "Delivery Area"). Franchisee may not deliver any such products to locations outside the Delivery Area without Franchisor's prior consent. Any consent to deliver Products beyond the Delivery Area may be revoked at any time.

Franchisee acknowledges and agrees that Franchisor has the right in its sole discretion, at any time and from time to time, to revoke authorization that Franchisee may provide offsite delivery of Products and to modify or reduce the Delivery Area. In such event, Franchisee agrees to promptly discontinue delivery services in the affected geographic area, notwithstanding that Franchisee may have provided the services within such area prior thereto. Franchisee will not be entitled to any compensation for any elimination or reduction of the Delivery Area.

C. Rights Reserved

Franchisee acknowledges that except to the extent provided herein, Franchisor and its Affiliates expressly retain the right to:

- Operate and grant others the right to operate a Stoney's Sourdough Pizza Co franchise anywhere outside of the Territory;
- Develop, operate and grant others the right to operate any future concepts that are not included within the System at any location anywhere;
- Use and license the use of other trademarks or methods which are not a part of the System at any location anywhere;
- Operate any business that offers pizza or sourdough products (whether under development or already in operation) included in any business acquisition at any location outside of the Territory; and

- Distribute or license any goods, services, or concepts, in or outside of the Territory, regardless of whether such products are authorized for franchisees or are distributed or licensed under the Proprietary Marks, through other channels of distribution, including, but not limited to the Internet, wholesale, grocery stores, or other retail establishments that are not restaurants.

SECTION 7 BUILD-OUT OF THE APPROVED LOCATION

A. Build-Out of Approved Location

After obtaining the Approved Location, Franchisee must commence build-out of the Approved Location within thirty (30) days of obtaining possession of the Approved Location, unless otherwise agreed. Franchisor may, in its sole discretion, furnish Franchisee with prototype design plans, specifications, decor and/or layout for the Approved Location, including requirements for design, color scheme, image, interior layout for fixtures, equipment, signs, and furnishings.

Franchisee must prepare all required construction plans and specifications to suit the shape and dimensions of the Approved Location and to ensure that such plans and specifications comply with applicable ordinances, building codes and permit requirements and with lease requirements and restrictions. Franchisee agrees to submit construction plans and specifications to Franchisor for approval before construction of the Approved Location is commenced and, at our request, submit all revised or “as built” plans and specifications during the course of such construction. Franchisor may require that an architect approved by it prepare the initial floor and concept plan, and/or oversee the finished plans before construction begins.

Without limiting Franchisee’s foregoing obligations, Franchisee agrees, at its own expense, to do the following with respect to developing the Approved Location:

- Sign a lease or otherwise obtain the right to occupy the Approved Location within two (2) months of the Effective Date;
- Obtain all building, utility, sign, health, sanitation, business and other permits and licenses required to construct and operate the Franchised Business;
- Construct all required improvements to the Approved Location in compliance with construction plans and specifications approved by Franchisor;
- Provide Franchisor with notice of commencement of the build-out within ten (10) days of the date it began;
- Commence the build-out and decoration of the Approved Location in accordance with our standards and specifications within thirty (30) days following obtaining possession of the Approved Location;

- Ensuring that any design, working drawings, specifications, construction, renovation, or refurbishment complies with any applicable law, including any requirements relating to disabled persons;
- Purchase such items specified in the Confidential Operations Manual or otherwise specified by Franchisor in writing, including, but not limited to, an initial supply of branded decor, logoed clothing, merchandise and food; and
- Be responsible for any errors or omissions or discrepancies (of any nature) in any drawings or specifications; and
- Cause the discharge or release of record of any and all liens which may be recorded or perfected or which may otherwise attach to all or any portion of the Franchised Business as result of work done by or for the Franchisee within ten (10) days after notification of the existence of any such lien.

B. Décor

Franchisee agrees that all decor of the Franchised Business must be previously approved by Franchisor, including but not limited to mural artwork on the interior or exterior of the Approved Location, and must comply with Franchisor's standards as described in the Confidential Operations Manual, which may be periodically revised. Franchisee's failure to maintain the Franchised Business' decor in compliance with Franchisor's standards constitutes a material breach of this Agreement.

SECTION 8 OPENING AND OPERATION OF THE FRANCHISED BUSINESS

A. Opening of the Franchised Business

Franchisee shall not open the Franchised Business to the public without written authorization from Franchisor. Franchisor shall provide its authorization for opening the Franchised Business once Franchisee has: (i) completed the Initial Training Program to Franchisor's satisfaction; (ii) hired all necessary personnel required for operating the Franchised Business and such personnel has completed any required training; (iii) provided Franchisor with copies of all required insurance policies or such other acceptable evidence of insurance coverage; (iv) satisfactorily demonstrated that Franchisee is ready to open and able to meet Franchisor's specifications and standards for operating the Franchised Business; and (v) paid all amounts due to Franchisor or its Affiliates.

Franchisee must meet these conditions and open the Franchised Business to the public within six (6) months of the Effective Date, unless otherwise authorized in writing by the Franchisor. Time is of the essence. In the event Franchisee fails to open the Franchised Business within the specified time period, Franchisor has the right to terminate this Agreement. If the Agreement is terminated under these circumstances, Franchisor shall have the right to retain the entire Initial Franchise Fee paid by Franchisee for consideration of the Franchisor's services, time expended, work performed, and other efforts of Franchisor. The retention of the Initial Franchise Fee shall not be construed as or considered to be a penalty.

If Franchisee reasonably believes it will be delayed from opening the Franchised Business within six (6) months of the Effective Date, Franchisee must provide Franchisor with a written request to extend the deadline, which Franchisor may grant or deny in its sole discretion. The request must state: (1) that a delay is anticipated; (2) the reasons which caused the delay; (3) the efforts that Franchisee is making to proceed with the opening; and (4) an anticipated opening date. In considering the request, Franchisor will not unreasonably withhold its consent to a delay if Franchisee has been diligently pursuing the opening.

B. Operation of the Franchised Business

The Franchised Business shall only be operated by Franchisee, if Franchisee is an individual, or by a Principal, if Franchisee is a legal entity, after such individual has successfully completed the Initial Training Program. If Franchisee is a legal entity, Franchisee shall notify Franchisor in writing of the identity of the individual who will serve as the general manager, if other than Principal of Franchisee. If at any time a new general manager is hired, such individual must complete the Initial Training Program to the satisfaction of the Franchisor within thirty (30) days of the individual's hiring date.

Franchisee is solely responsible for recruiting, hiring, firing, and supervising employees to operate the Franchised Business and the terms and conditions of their employment. The employees of the Franchised Business will only be employees of Franchisee, and are not employees or agents of the Franchisor.

C. Step-In Rights

Franchisee shall operate the Franchised Business in accordance with the standards, specifications, and procedures set forth in the Confidential Operations Manual and shall comply with any modifications to the standards, specifications, and procedures in the Confidential Operations Manual, or as otherwise directed in writing by the Franchisor, subject to laws, rules, and regulations governing quick service restaurants and the like. If, in the Franchisor's judgment, the Franchised Business is not being managed properly, the Franchisor may, but need not, assume the Franchised Business' management.

All funds from the Franchised Business' operation while the Franchisor assumes its management will be kept in a separate account, and all of Franchisor's expenses will be charged to this account, including all travel, food, and lodging expenses incurred in the course of providing such services. Franchisor may charge Franchisee the Management Fee, plus the Franchisor's direct out-of-pocket costs and expenses for managing the Franchised Business. Such fee would be in addition to the Royalty Fee and all other fees due under this Agreement.

In the event the Franchisor assumes management of the Franchised Business, Franchisor has a duty to utilize only reasonable efforts and will not be liable to Franchisee for any debts, losses or obligations the Franchised Business incurs, or be liable to any of Franchisee's creditors. Franchisor will cease managing the Franchised Business and return management responsibilities to Franchisee at such time that Franchisor, in its sole discretion and as it sees fit, determines that Franchisee can manage the Franchised Business in accordance with this Agreement and Franchisor's standards and specifications; provided, however, that if Franchisee does not resume

management of the Franchised Business after six (6) months from the time Franchisor exercises its step-in rights, Franchisor may terminate this Agreement.

Notwithstanding the foregoing, prior to Franchisor operating the Franchised Business pursuant to the terms of this Section 7, the Franchisor shall have provided the Franchisee with notice of the nature and extent of Franchisee's failure to comply with Franchisor's operational requirements, standards, and specifications and the reasonable opportunity to cure the failure, as long as the opportunity to cure is expressly provided for under this Agreement.

SECTION 9 TRAINING

A. Initial Training Program

The Initial Training Program will be made available for up to two (2) people who shall include Franchisee, if Franchisee is an individual, or the owners, if Franchisee is a legal entity, and the general manager or other employee of the Franchised Business at no additional cost. The Initial Training will take place at Franchisor's headquarters, online, or at another location designated by Franchisor.

Franchisee, if Franchisee is an individual, or an owner, if Franchisee is a legal entity, and the general manager (if applicable) or other employee of the Franchised Business must complete the Initial Training Program to the Franchisor's satisfaction within approximately one (1) month of the Effective Date but no less than thirty (30) days prior to opening the Franchised Business to the public. In the event Franchisee, if Franchisee is an individual, or an owner, if Franchisee is a legal entity, fails to complete the Initial Training Program to the Franchisor's satisfaction, Franchisor has the right to terminate this Agreement. If this Agreement is terminated under this circumstance, Franchisor shall have the right to retain the entire Initial Franchise Fee paid by Franchisee for consideration of the Franchisor's services, time expended, work performed, and other efforts of Franchisor. The retention of the Initial Franchise Fee shall not be construed as or considered to be a penalty.

In the event the general manager or other employee of the Franchisee fails to complete the Initial Training Program to the satisfaction of the Franchisor, Franchisee shall designate another individual to complete the training and such individual must complete the Initial Training Program to the satisfaction of the Franchisor within thirty (30) days of the individual's hiring date.

B. Grand Opening Training and Assistance

Franchisor will provide Franchisee with a grand opening supervisor for Franchisee's first week of operation to provide assistance with operations, staff training, setting up of the Franchised Business for grand opening, and the grand opening the Franchised Business. The cost for this assistance is included in the Initial Franchise Fee. If Franchisee requests that the grand opening supervisor spend more time at the Franchised Business after the first week of operation, then Franchisor may approve such request in its sole discretion and the additional time will be considered additional training and provided at the then-current additional training fee.

C. Additional Training

Franchisor provides additional training to Franchisee and/or its employees as needed and when new general managers are hired. New general managers must attend and complete training to Franchisor's satisfaction within thirty (30) days of being hired. In addition to paying Franchisor the additional training fee for the general manager and/or Franchisee's employees, Franchisee will be responsible for all travel, lodging, meals, and other expenses Franchisor incurs in providing the additional training. Currently, the additional training fee is One Thousand Dollars (\$1,000) per employee. Franchisor reserves the right to modify the additional training fee in its sole discretion upon ten (10) days' written notice to Franchisee.

In its sole discretion, Franchisor will periodically advise and offer general business guidance to Franchisee by telephone, e-mail, newsletters and other methods on a variety of business matters, including operational methods, accounting procedures, authorized services or products and marketing and sales strategies. Franchisor's guidance is based on its founder's and its Affiliate's knowledge and experience and its advice related to the operation of the Franchised Business is for educational purposes only and to ensure compliance with Franchisor's standards and specifications.

D. Training Program for Franchisee's Employees

Franchisor may, from time to time, require or permit Franchisee to implement, at its expense, programs for the training of some or all of its employees. Prior to training any of its employees, Franchisee's training programs must be certified by Franchisor as meeting Franchisor's standards and specifications. Franchisor may withhold certification if Franchisor determines, in its sole discretion, that Franchisee's training programs do not meet Franchisor's standards and specifications.

SECTION 10

CONFIDENTIAL OPERATIONS MANUAL AND CONFIDENTIAL INFORMATION

A. Confidential Operations Manual

During the Initial Term, Franchisor shall loan Franchisee one (1) copy of the Confidential Operations Manual. The Confidential Operations Manual may consist of one (1) or more separate manuals and other materials as designated by Franchisor and may be in written or electronic form. Franchisee acknowledges and agrees that Franchisee's operation and maintenance of the Franchised Business in accordance with Franchisor's standards and specifications are essential to preserve the goodwill of the Proprietary Marks. Therefore, Franchisee agrees to conduct the Franchised Business in strict compliance with each and every provision of the Confidential Operations Manual, as amended by Franchisor from time to time. Franchisor has the right to add to or otherwise modify the Confidential Operations Manual from time to time to reflect changes in the specifications, standards, operating procedures and rules prescribed by Franchisor; provided, however, that no such addition or modification shall materially alter Franchisee's fundamental status and rights under this Agreement. Franchisor may make such additions or modifications without prior notice to Franchisee. Upon receiving notice of the additions or modifications, Franchisee must immediately adopt any such changes and shall ensure that its copy of the

Confidential Operations Manual is up-to-date at all times. Franchisee understands and acknowledges that such compliance may require Franchisee to incur increased costs.

If a dispute as to the contents of the Confidential Operations Manual arises, the terms of the master copy of the Confidential Operations Manual maintained by Franchisor at Franchisor's headquarters shall be controlling.

Franchisee agrees to maintain the Confidential Operations Manual as confidential and maintain the information in the Confidential Operations Manual as secret and confidential. Franchisee may not at any time copy, duplicate, record or otherwise reproduce any part of the Confidential Operations Manual. If Franchisee's copy of the Confidential Operations Manual is lost, destroyed or significantly damaged, Franchisee agrees to obtain a replacement copy at Franchisor's then applicable charge (unless Franchisor has made an online Confidential Operations Manual accessible to Franchisee, in which case Franchisee may utilize the online Confidential Operations Manual instead of purchasing a replacement Confidential Operations Manual).

The Confidential Operations Manual shall, at all times, remain the sole property of Franchisor and shall be promptly returned to Franchisor upon the expiration or termination of this Agreement.

B. Confidential Information

Franchisee acknowledges and agrees that the methods, processes, skills, know-how, techniques, information, trade practices, databases, software and other proprietary data relating to the development and operation of the Franchised Business is derived entirely from information disclosed to Franchisee by Franchisor and that such information is proprietary, confidential, and constitutes trade secrets of the Franchisor. Franchisee shall at all times use its best efforts to keep the Confidential Information confidential and shall limit access to the information to employees of Franchisee on a need-to-know basis. Franchisee agrees to adhere fully and strictly to all confidentiality attached to such information and to exercise the highest degree of diligence in safeguarding Confidential Information during and after the term of this Agreement. Franchisor has the right to require certain individuals employed by or involved with the Franchised Business to execute a standard form nondisclosure or non-competition agreements in a form the same as or similar to the Nondisclosure and Non-Competition Agreement attached as **Exhibit E**.

Franchisee acknowledges that the unauthorized use or disclosure of Confidential Information will cause irreparable injury to the Franchisor and that damages are not an adequate remedy. Franchisee accordingly covenants that it shall not at any time, without Franchisor's prior written consent, disclose, use, permit the use thereof, copy, duplicate, record, transfer, transmit, or otherwise reproduce such Confidential Information, in any form or by any means, in whole or in part, or otherwise make the same available to any unauthorized person or source, except as may be required by applicable law or authorized by this Agreement. Disclosure of the Confidential Information may be made in judicial or administrative proceedings, but only to the extent Franchisee is legally compelled to disclose the Confidential Information and provided that Franchisee first gives Franchisor the opportunity to obtain an appropriate protective order or other assurance that the confidential nature of the material to be disclosed will be maintained.

SECTION 11 AUTHORIZED PRODUCTS AND APPROVED SUPPLIERS

A. Authorized Products

Franchisee acknowledges that the reputation and goodwill of the System is based in large part on offering high quality Products and customer service to its customers. Accordingly, Franchisee shall provide or offer for sale or use only those Products that Franchisor from time to time approves and that comply with Franchisor's specifications and quality standards. Franchisee agrees not to, without Franchisor's prior written consent, prepare, sell, dispense, give away or otherwise provide Products or other items except by means of retail sales, as provided in the Confidential Operations Manual. Franchisee agrees that it shall not sell any products and services that Franchisor has not authorized, and Franchisee agrees to discontinue offering or selling any products or services that are disapproved by Franchisor. Franchisor has the right to terminate this Agreement if unapproved products or services are offered, sold, or provided by the Franchised Business or Franchisee prepares, sells, dispenses, gives away, or otherwise provides Products or other items by means other than retail sales without Franchisor's prior consent.

Franchisor has the right, without limit, to modify, add, or enhance the types of authorized products and services that Franchisee is required to offer and sell. Franchisor has the right to set maximum prices for the authorized products and services that Franchisee is required to sell, and Franchisee must not exceed the maximum price, even if the prices are lower than prevailing prices in the relevant market, unless otherwise approved by Franchisor.

Franchisor has the right to allow certain products and services that are not otherwise authorized for general use as a part of the System to be offered locally or regionally based on various factors, including test marketing, a franchisee's qualifications, and regional or local differences.

B. Improvements to System

Franchisee acknowledges and agrees that if Franchisee develops any concept, process, design, service, or improvement in the operation or promotion of the Franchised Business, Franchisor will be deemed to own the improvements and may use them and authorize other franchisees to use them in the operation of their respective businesses without any obligation to compensate Franchisee. Any such improvements will also constitute Confidential Information.

Franchisee shall, at any time requested by Franchisor, execute assignments or other similar documents of all such intellectual property to the Franchisor, including but not limited to, worldwide copyrights, moral rights, patents, right to obtain registrations, renewals, and reissues, and any and all such other rights of whatever kind now known or hereafter devised.

C. Approved Suppliers

Franchisee agrees to purchase products, supplies, equipment, materials, services, and other items required for the operation of the Franchised Business from designated suppliers approved by Franchisor, which may include and be limited to Franchisor or its Affiliates. A list of approved

suppliers and standards and specifications for the products, supplies, equipment, materials, and other items required for operation of the Franchised Business are included in the Confidential Operations Manual and Franchisor may modify the list of approved suppliers or standards and specifications from time to time. If Franchisor or its Affiliates are designated as an Approved Supplier for any such products, suppliers, signs, equipment or other specified items and services, Franchisee shall execute a standard form purchase or supply agreement for the items to be supplied by Franchisor or its Affiliates.

Franchisor has the right to issue new standards and specifications through written notices and may review its prior approval of any goods, services, equipment, or suppliers in its sole discretion and as it sees fit. Franchisor shall notify Franchisee in writing if Franchisor's approval of goods, services, equipment, or suppliers is revoked. Franchisee must immediately cease purchasing disapproved goods or services, or must immediately cease purchasing goods or services from a disapproved supplier.

D. Request for Approval of New Supplier, Good, Service, or Equipment

If Franchisee desires to utilize any services, products, supplier, or equipment that Franchisor has not approved (for services and products that require supplier approval), Franchisee must submit such request, including the basis for the request, via email to SSPCFranchising@gmail.com. Approval is made on a case-by-case basis, and determined by Franchisor, in its sole discretion. Franchisor will make commercially reasonable efforts to determine whether to approve the requested service, product, supplier, or equipment within thirty (30) days after receiving the required information and Franchisor will provide written notice of its approval or disapproval to Franchisee. Approval is made in Franchisor's sole discretion and as it sees fit, and may be conditioned on the ability to provide sufficient quantity of goods or equipment, the quality of goods, services or equipment, the price of the goods, services, or equipment, the production and delivery capability of the supplier, and the dependability and general reputation of the supplier or goods, services, or equipment. Franchisor may charge a fee for evaluating alternative suppliers not to exceed the reasonable cost of the inspection plus the actual cost of laboratory fees, professional fees and travel and living expenses as well as any other fees Franchisor pays to third parties in furtherance of the evaluation. If the request is approved, Franchisee may make purchases from the new supplier or purchase the new good, service, or equipment.

Franchisor may terminate or withhold approval of any product, service or equipment, or any supplier of such item, which does not meet Franchisor's quality standards by giving Franchisee written notice. If Franchisor provides such notice, Franchisee agrees to immediately stop purchasing from such supplier or using such product, service, or equipment in the Franchised Business.

Nothing in this Section 11 shall be construed to require Franchisor to approve any particular supplier, or to require Franchisor to make available to prospective suppliers, any standards and specifications that Franchisor deems confidential.

SECTION 12 COMPUTER AND SOFTWARE REQUIREMENTS

A. Computer System and Software

Franchisee must purchase, or lease, and install such computer hardware, modems, printers, and other computer-related equipment that meet Franchisor's standards and specifications outlined in the Confidential Operations Manual or otherwise designated by Franchisor in writing.

Franchisee is required to use the designated software in the operation of the Franchised Business, including but not limited to any online ordering system. Franchisee must pay any required fees to Franchisor or the approved supplier in order to use the software. The fees to use the software may be modified in Franchisor's or Franchisor's approved supplier's discretion. Franchisor reserves the right, without limitation, to modify or supplement the hardware or software required in the operation of the Franchised Business and Franchisee may be required to make and install substantial modifications to the computer system, software, or hardware during the Initial Term to efficiently operate the Franchised Business.

B. Data

Franchisee acknowledges and agrees that all data it provides and upload to its computer system, and/or downloaded from its computer system to Franchisor's system is (and will be) owned exclusively by Franchisor, and Franchisor has the right to use such data in any manner that Franchisor deems appropriate without compensation to Franchisee.

In addition, all other data created and/or collected by Franchisee in connection with its computer system, or in connection with Franchisee's operation of the Franchised Business (including, but not limited to, consumer and transaction data), is and will be owned exclusively by Franchisor during the Initial Term and following termination or expiration of this Agreement. Copies and/or originals of such data must be provided to Franchisor immediately upon Franchisor's request. Franchisor hereby licenses use of such data back to Franchisee, at no additional cost, solely for the Initial Term and solely for Franchisee's use in connection with the Franchised Business.

In connection with any use of data in the Franchised Business, Franchisee agrees to comply with all applicable laws pertaining to the privacy of consumer, employee, and transactional information.

SECTION 13 INSPECTIONS

A. Pre-Opening Inspection

Franchisor will conduct one (1) pre-opening inspection of the Franchised Business to ensure Franchisee is following Franchisor's standards and specifications. The Franchised Business may not open without Franchisor's written authorization after the pre-opening inspection has been completed and Franchisee has successfully demonstrated that it is complying with Franchisor's standards and specifications. Franchisor's authorization for opening the Franchised Business is limited solely to reviewing and confirming compliance with Franchisor's standards and specifications and does not warrant, represent, guarantee, or assure that the Franchised Business will be successful, profitable, or meet Franchisee's expectations.

B. Post-Opening Inspections

Franchisor conducts post-opening inspections of the Franchised Business in Franchisor's sole discretion to determine compliance with Franchisor's standards and specifications. Franchisor will conduct the inspections during regular business hours and without giving prior notice to Franchisee. Franchisor reserves the right to conduct as many post-opening inspections per year as it deems necessary.

C. Quality Control Programs

Franchisor may, in its sole discretion, establish quality control programs, including food safety programs, "secret shopper" programs, interactive voice response customer satisfaction measurement programs and/or "customer intercept" programs, to ensure the highest quality of service and food products are being provided throughout the franchise system. Franchisee shall participate in any such quality control programs and bear its pro-rata share, as determined by Franchisor in its sole discretion, of the costs of any such program.

Franchisor reserves the right to publish or disclose to other franchisees, in any manner or format Franchisor deems appropriate in its sole discretion, any information that Franchisor collects, produces or maintains in connection with such quality control programs. Franchisor also reserves the right to publish or disclose to third parties in an aggregate anonymous format any information that Franchisor collects, produces or maintains in connection with such quality control programs.

If Franchisee receives an unsatisfactory or failing report in connection with any such program, Franchisee must immediately implement any remedial actions Franchisor requires and pay Franchisor all expenses it incurs to have the evaluation service re-evaluate the Franchised Business (as well as all expenses Franchisor may have incurred to inspect the Franchised Business thereafter) together with any costs or incidental expenses that Franchisor incurs.

SECTION 14 FEES

A. Royalty Fee

On the tenth (10th) of each month, Franchisee shall pay to Franchisor an amount equal to five percent (5%) of the Net Sales of the Franchised Business for the immediately preceding month. The Royalty Fee shall be paid by electronic funds transfer ("EFT") from Franchisee's bank account through an automatic debit system. Additionally, Franchisee shall provide a report of the Net Sales for the preceding month by email on the tenth (10th) day of the month and the monthly report shall be in a form specified by Franchisor. The report shall fully disclose all information requested and Franchisee must supply documentation supporting the information disclosed on the reports upon Franchisor's written request.

B. Annual Convention Fee

Franchisee, if Franchisee is an individual, or an owner, if Franchisee is a legal entity, and the general manager or other employee of Franchisee will be required to attend the annual convention for continuing education and training. To attend the annual convention, Franchisee must pay the Annual Convention Fee and will be responsible for all costs and expenses incurred by Franchisee

and its employees in attending the convention including but not limited to all travel, lodging, meals, and other expenses.

C. Late Fee

If any fee or any other amount due under this Agreement is not received within five (5) days after such payment is due, Franchisee shall pay Franchisor a Late Fee of One Hundred Dollars (\$100) per day for each day such amount is past due. In addition, Franchisee shall pay interest equal to the lesser of the daily equivalent of eighteen percent (18%) per annum on the overdue amount per year, or the highest rate then permitted by applicable law, for each day such amount is past due.

D. Electronic Transfer

Franchisor requires all Royalty Fees, Marketing Fund Fees (if assessed), and any other amounts due to Franchisor to be paid through EFT. Franchisee shall give Franchisor authorization, in a form designated or approved by Franchisor, to initiate debit entries or credit correction entries to the Franchised Business' operating account for payments of any fees due to Franchisor and other amounts due under this Agreement, including any applicable interest charges. Franchisor does not have a standard form of an EFT authorization document, but a sample form is attached hereto and incorporated by reference as **Exhibit F**. The form may vary based on Franchisee's or Franchisor's banking institution. Franchisee shall make the funds available in the operating account for withdrawal by electronic transfer no later than the due date of the payment.

E. Franchisor's Right to Offset

Franchisor shall have the right at any time before or after termination of this Agreement, without notice to Franchisee, to offset any amounts or liabilities that may be owed by the Franchisee to Franchisor against any amounts or liabilities that may be owed by Franchisor to Franchisee under this Agreement or any other agreement, transaction, or relationship between the parties.

Under no circumstances shall Franchisee have the right to offset any amounts or liabilities that may be owed by the Franchisor to Franchisee against any amounts or liabilities that may be owed by Franchisee to Franchisor under this Agreement or any other agreement, transaction or relationship between the parties.

SECTION 15 ADVERTISING AND PROMOTIONAL ACTIVITIES

A. National Marketing Fund

Franchisor has not established a Marketing Fund but reserves the right to do so and to charge Franchisee a Marketing Fund fee in Franchisor's sole discretion upon thirty (30) days' written notice to Franchisee. If a Marketing Fund is established, Company-owned locations owned by

Franchisor and/or its Affiliates may, but shall not be obligated to, contribute to the Marketing Fund on the same basis as franchisees.

If a Marketing Fund is established, Franchisor reserves the right to adjust the amount of the Marketing Fund contribution at any time and in its discretion; provided, however, that Franchisor shall notify Franchisee at least thirty (30) days before imposing or changing Marketing Fund Contribution requirements.

If a Marketing Fund is established, Franchisor will have the exclusive right to direct all marketing programs financed by the Marketing Fund, including the right to control the creative concepts, materials, and endorsements. If a Marketing Fund is established, Franchisor will have the right to determine the geographic market, media placement, and allocation of the Marketing Fund and will have no obligation to administer the Marketing Fund in such a manner as to ensure that expenditures by the Marketing Fund are pro rata or that Franchisee will benefit directly from the conduct of marketing programs or from the placement of advertising.

If a Marketing Fund is established, the Marketing Fund may be used to pay the costs of preparing and producing video, audio, and printed marketing materials; administering multi-regional and national marketing programs, including but not limited to purchasing television, radio, magazine, billboard, newspaper, and other media advertising; employing advertising agencies and/or public relations firms to assist with marketing and advertising; and providing marketing materials to franchisees. If a Marketing Fund is established, the Marketing Fund may be used to meet any and all costs reasonably related and incident to administering the Marketing Fund and its related programs, including administrative costs. Franchisor will not use the Marketing Fund to solicit new franchisees under any circumstances if a Marketing Fund is established.

If a Marketing Fund is established, the Marketing Fund will be accounted for separately from Franchisor's other funds. However, the Marketing Fund would not be a trust or escrow account, and Franchisor will have no fiduciary obligations to its franchisees with respect to the Marketing Fund or with the monies collected. If a Marketing Fund is established, Franchisor will be permitted to spend in any fiscal year an amount greater or less than the aggregate contributions of franchisees to the Marketing Fund in that year. Any part of the Marketing Fund contributions that are not spent during the fiscal year would remain in the Marketing Fund to be used in the next fiscal year if a Marketing Fund is established. An unaudited statement of monies collected, and expenditures made by the Marketing Fund will be prepared annually and provided to Franchisee upon written request if a Marketing Fund is established.

If a Marketing Fund is established, Franchisor may, in its sole discretion, decide to terminate or suspend the Marketing Fund at any time; provided, however, that the Marketing Fund will not be terminated unless and until all Marketing Fund contributions have been expended for advertising and promotional purposes or returned to franchisees on a pro rata basis based on the total Marketing Fund contributions made by each franchisee.

B. Local Advertising

Franchisee is not required to conduct local advertising, or to spend a certain amount on local advertising, to promote the Franchised Business, but Franchisee may do so in its discretion.

Franchisor reserves the right to impose a local advertising requirement in the future by providing written notice to Franchisee.

Franchisee is permitted to create and use its own marketing and advertising materials to advertise the Franchised Business; provided, however, that such marketing and advertising materials are submitted to and pre-approved in writing by Franchisor before such materials are used and all materials expressly state that Franchisee is an independently owned and operated franchise of SSPC Franchising, LLC. Franchisor will make commercially reasonable efforts to notify Franchisee of its approval or disapproval of the proposed advertising material within thirty (30) days after Franchisor receives all the necessary information for review. If Franchisor does not approve of the proposed materials within the specified timeframe, then they shall be deemed to be disapproved. Franchisor may approve, disapprove, or revoke approval of any advertising materials for any reason and at any time. Franchisee shall not use any marketing materials that Franchisor has disapproved of.

C. Grand Opening Advertising

Franchisee is required to conduct a Grand Opening Campaign subject to a marketing plan approved by Franchisor beginning at least one (1) month before opening the Franchised Business and continuing for at least one (1) month after opening. Franchisee must spend a minimum of Six Thousand Dollars (\$6,000) but Franchisee may spend more if it chooses to do so. At Franchisee's request, Franchisor may, in Franchisor's sole discretion, conduct the required Grand Opening Campaign on Franchisee's behalf and at Franchisee's expense.

D. Internet and Social Media

Franchisee shall not set up, maintain or utilize an Internet website, home page, or other social media site to advertise the Franchised Business or sell Products without the Franchisor's prior written consent. Franchisor retains the sole right to advertise and sell the Products online and to use the Proprietary Marks on the Internet, including the use of websites, domain names, uniform resource locators, keywords, linking, search engines (and search engine optimization techniques), banner ads, meta-tags, marketing, e-commerce, social media and co-branding arrangements.

Franchisor has established and maintains an Internet website that provides information about the System and the Products that Franchisor and its franchisees provide. Franchisor reserves the right to use this uniform resource locator, or any other that it may acquire in the future, in Franchisor's sole discretion. Franchisor may include a section or an interior page containing information about the Franchised Business. Franchisor has the right to require Franchisee to prepare all or a portion of the section or page, at Franchisee's expense, using a template that Franchisor provides. All such information shall be subject to Franchisor's approval prior to posting.

Franchisee shall not cause or allow the Proprietary Marks to be used or displayed, in whole or in part, as an Internet domain name, or on or in connection with any Internet website, home page, or social media site without the Franchisor's express prior written consent, which Franchisor may grant or withhold in its sole discretion. If Franchisor provides its consent to such use, then Franchisee may only use the Proprietary Marks in accordance with Franchisor's procedures, standards and specifications as established from time to time.

SECTION 16 PROPRIETARY MARKS

Upon the terms and conditions of this Agreement, Franchisor hereby grants Franchisee the right to use the Proprietary Marks in the operation of the Franchised Business. Franchisee expressly acknowledges that Franchisor is the owner of the Proprietary Marks and understands that Franchisee's right to use the Proprietary Marks is derived solely from this Agreement, is nonexclusive, and is limited to use in the operation of the Franchised Business in compliance with this Agreement and Franchisor's standards, specifications, and operating procedures. Franchisee shall not acquire any ownership rights in the Proprietary Marks and shall not represent in any manner that Franchisee has acquired such ownership rights. Franchisee acknowledges and agrees that any and all goodwill associated with the System and identified by the Proprietary Marks shall inure directly and exclusively to the benefit of the Franchisor.

Franchisee shall use the Proprietary Marks only in such manner as authorized by the Franchisor and shall not use the Proprietary Marks in Franchisee's business entity name (if Franchisee is a business entity) or in connection with offering, selling, or advertising any unauthorized products or services. Any unauthorized use of the Proprietary Marks by Franchisee shall constitute a breach of this Agreement. Franchisee understands and agrees that any use of the Proprietary Marks other than in accordance with this Agreement, the Confidential Operations Manual, or otherwise directed in writing by the Franchisor, without the Franchisor's prior written consent, is an infringement of Franchisor's rights in the Proprietary Marks. Franchisee expressly covenants that, during the Initial Term and thereafter, Franchisee shall not, directly or indirectly, commit any act of infringement or contest the validity of the ownership of the Proprietary Marks or Franchisor's right to use and sublicense the Proprietary Marks, or aid others in infringing or contesting the Franchisor's right, title, and interest in the Proprietary Marks. Franchisee acknowledges that the unauthorized use of the Proprietary Marks will cause irreparable injury to the Franchisor and that damages are not an adequate remedy.

Franchisor reserves the right to modify or discontinue use of any Proprietary Mark, or use one or more additional or substitute trade names, trademarks, service marks, or other commercial symbols in Franchisor's sole discretion. If Franchisor exercises such right, Franchisee agrees to comply with Franchisor's directions to modify or otherwise discontinue the use of such Proprietary Marks within fifteen (15) days after notice from the Franchisor. Any and all expenses or costs incurred by Franchisee associated with such modification or discontinuance of any new, modified, or substitute Proprietary Marks shall be the sole responsibility of Franchisee. In no event will the Franchisor be liable to Franchisee for any purported loss or damage to the Franchised Business due to the modification or discontinued use of the Proprietary Marks.

Franchisee must notify the Franchisor immediately of any infringing or unauthorized use of or claim by any person of any rights in the System or the Proprietary Marks. Franchisee shall not communicate with any person other than Franchisor and its counsel in connection with any such infringement, challenge or claim; provided, however, Franchisee may communicate with Franchisee's counsel at Franchisee's expense. Franchisor shall have the sole right to handle disputes with third-parties concerning the Proprietary Marks and/or the System. If Franchisor undertakes the defense or prosecution of any litigation pertaining to the Proprietary Marks, Franchisee must reasonably sign any documents and do acts and things as may, in Franchisor's attorneys' opinion, be necessary to the defense or prosecution. Franchisor is not obligated to defend

Franchisee's right to use the Proprietary Marks or against claims of infringement or unfair competition arising out of Franchisee's use of the Proprietary Marks.

SECTION 17 INSURANCE

A. Insurance Coverage Requirements

Franchisee is solely responsible for obtaining and maintaining in full force and effect all insurance necessary to operate the Franchised Business and in such coverages, limits and amounts as may be required from time to time by Franchisor, the Confidential Operations Manual, or otherwise directed in writing, including, but not limited to:

The insurance policies may not be canceled or modified without thirty (30) days' prior written notice to Franchisor.

Franchisor reserves the right to reasonably increase the required policies and minimum amounts of coverage in Franchisor's discretion to reflect changes in standards of liability, industry standards, or other relevant changes in circumstances. If Franchisor increases the required policies and minimum amount of coverage, Franchisor will provide Franchisee with thirty (30) days written notice.

B. Proof of Insurance

Prior to opening the Franchised Business, Franchisee shall deliver to Franchisor proof of insurance coverage by way of a signed original certificate or certificates of all required insurance policies which shall contain the authorized agent's business name, address and phone number, together with a statement by the insurer that the policy will not be canceled or materially changed without at least thirty (30) days prior written notice to the Franchisor that the alteration or cancellation is

being made. All insurance coverages will be underwritten by a company approved by the Franchisor. Franchisee shall annually provide Franchisor with certificates of insurance demonstrating that Franchisee is maintaining compliance with Franchisor's insurance requirements.

Insurance coverage obtained by Franchisee pursuant to this Agreement will not relieve Franchisee of any liability under any indemnity provisions of this Agreement.

C. Franchisee's Failure to Procure Insurance

If Franchisee fails to procure or maintain the insurance required by this Agreement, the Confidential Operations Manual, or as otherwise directed in writing by the Franchisor and fails to commence reasonable efforts to cure such breach within ten (10) days after receiving a notice of default, Franchisor will have the right, but not the obligation, to procure such insurance on behalf of Franchisee. Franchisee shall pay the Franchisor the cost of obtaining such insurance, plus a ten percent (10%) administrative surcharge. Such costs, premiums, and fees will be payable by Franchisee immediately upon Franchisor's demand and will accrue interest thereon until paid.

SECTION 18 INDEMNIFICATION

Franchisee agrees to protect, defend, indemnify, and hold Franchisor and its Affiliates, their respective owners, members, managers, employees and agents, jointly and severally, harmless from and against all claims, actions, proceedings, damages, costs, expenses and other losses and liabilities, consequently, directly or indirectly incurred (including without limitation attorneys', accountants' and other related fees) which arise from or is based upon Franchisee's (a) ownership or operation of the Franchised Business; (b) violation, breach or asserted violation or breach of any federal, state or local law, regulation or rule; (c) breach of any representation, warranty, covenant, or provision of this Agreement or any other agreement between Franchisee and Franchisor (or Franchisor's Affiliates); (d) acts, errors or omissions committed or incurred in connection with the Franchised Business, including any negligent or intentional acts; or (e) infringement, violation or alleged infringement or violation of any Proprietary Marks, patent or copyright or any misuse of Franchisor's Trade Secrets or other Confidential Information. The obligations of this Section 18 shall expressly survive the termination of this Agreement.

SECTION 19 RECORDKEEPING, REPORTS AND ACCOUNTING

A. Books, Records, and Accounts

Franchisee shall maintain and preserve full, complete, and accurate books, records, and accounts in accordance with GAAP, applicable law, and the Franchisor's standards and specifications for at least six (6) years following the end of the calendar year to which they relate. Franchisee shall record all sales, receipts of revenue, purchase orders, invoices, payroll records, sales tax records, state and federal tax returns, bank statements, cancelled checks, deposit receipts, cash receipts and disbursement journals, general ledgers, and any other financial records designated by Franchisor or required by law.

Franchisee shall deliver reports to the Franchisor no later than the tenth (10th) day of the following month during the term of this Agreement in a form that Franchisor approves or provides in the Confidential Operations Manual. Franchisee must also submit such other miscellaneous forms, reports, records, financial statements, and other information relating to the Franchised Business to Franchisor as Franchisor may reasonably request, in the form and at the times and places specified by Franchisor.

B. Financial Statements

Franchisee shall deliver to Franchisor, no later than fifteen (15) days from the end of each quarter, a balance sheet as of the last day of the preceding quarter and an income statement for the preceding quarter, along with any other sales data as requested by Franchisor, in the manner and at the time specified in the Confidential Operations Manual or otherwise provided in writing by Franchisor. All financial statements delivered to Franchisor by Franchisee shall be certified by Franchisee as true and correct.

Franchisee shall deliver to Franchisor financial statements, which have been compiled and reviewed by a certified public accountant, within ninety (90) days after the close of Franchisee's fiscal year for each year during the Initial Term that reflects the financial condition of the Franchised Business at the end of such fiscal year. Franchisee shall submit to Franchisor copies of Franchisee's federal, state, and city income tax and sales tax returns, within ten (10) days after their respective filing, during the Initial Term.

Franchisor shall have the right to release financial and operational information relating to the Franchised Business in the franchise disclosure document or to prospective franchisees as permitted by applicable franchise laws.

If Franchisee fails to submit the required financial statements and reports to Franchisor within the prescribed time period, Franchisor may, in its sole discretion, perform an operational audit of the Franchised Business in accordance with Section 19(C) of this Agreement.

C. Franchisor's Right to Audit

Franchisor reserves the right to examine, audit, or copy Franchisee's books, records, tax returns, accounts, and such statistical and other information or records the Franchisor requires Franchisee to maintain and preserve. Examinations and audits may take place without prior notice, during normal business hours or at reasonable times and Franchisor may audit and inspect documents covering a period beginning with the date on which Franchisee first acquired the Franchised Business and ending on the date such audit is concluded. Inspections and audits may be conducted following the termination of this Agreement for any reason and Franchisee must provide such other assistance as may be reasonably requested related to the audit.

If the audit or any other inspection reveals that any payments to Franchisor have been underpaid, then Franchisee shall immediately pay Franchisor the amount of the underpayment plus interest from the date the amount was due until paid at the rate of eighteen percent (18%) per annum or the highest rate allowed by the law of the state where Franchisee is located, whichever is higher.

If the audit or any other inspection reveals that Franchisee has understated its Gross Sales by more than five percent (5%), then Franchisee shall pay any and all costs and expenses connected with the audit and inspection including without limitation travel expenses and reasonable accounting and attorneys' fees. The foregoing remedies shall be in addition to any other remedies Franchisor may have.

A. Termination by Franchisor

Franchisor may terminate this Agreement for good cause without prejudice to the enforcement of any legal or equitable right or remedy immediately upon giving written notice of such termination and the reason or cause for the termination, and, except as hereinafter provided, without providing Franchisee an opportunity to cure the default. Without in any way limiting the generality of the meaning of the term "good cause," the following occurrences shall constitute sufficient basis for Franchisor to immediately terminate the Agreement:

Franchisor reserves the right to modify the time period within which Franchisee must cure defaults in its discretion.

If Franchisor is entitled to terminate this Agreement in accordance with this Section 20(A), Franchisor will also have the right to take any lesser action instead of terminating this Agreement, including, but not limited to, exercising Franchisor's step in rights in accordance with Section 8(C) hereof. Notwithstanding the foregoing, if any rights, options, arrangements, or areas are

B. Termination by Franchisee

C. Force Majeure

Notwithstanding anything contained in this Agreement to the contrary, no party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement (except for any obligations to make payments to the other party hereunder), when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's ("Impacted Party") control, including, without limitation, the following force majeure events ("Force Majeure Event(s)"): (a) acts of God; (b) flood, fire, earthquake, epidemics, pandemics, or explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (d) government order, law, or actions; (e) embargoes or blockades in effect on or after the date of this Agreement; (f) national or regional emergency; (g) strikes, labor stoppages or slowdowns, or other industrial disturbances; and (h) shortage of adequate power or transportation facilities. If Franchisor elects to exercise this option to purchase, it has the right to offset the purchase price against any other amounts owed by Franchisee to Franchisor pursuant to this Agreement or any other agreement between Franchisee and Franchisor.

SECTION 22 TRANSFERS

A. Transfer by Franchisor

Franchisor has the right to assign this Agreement and any or all of its rights, obligations and privileges hereunder, in whole or in part, to any other person or entity without Franchisee's prior consent; provided, however, the assignee shall assume the obligations of Franchisor and Franchisor shall have no liability for performance of any obligations of this Agreement after the date of the assignment.

B. Transfer by Franchisee

- Franchisee or transferee shall pay a transfer fee in an amount equal to thirty percent (30%) of the then-current Initial Franchise Fee, which is intended to cover Franchisor's costs and expenses associated with the Transfer. Franchisee and transferee acknowledge that such a transfer fee is appropriate;
- If Franchisee or any Principal finance any part of the sale price of the transferred interest, Franchisee and its Principals must agree that all of the transferee's obligations pursuant to any promissory notes, agreements or security interests that Franchisee or its Principals have reserved in the Franchised Business are subordinate to the transferee's obligations to pay any amounts owing to Franchisor under any agreement between the transferee and Franchisor; and
- Transferee has obtained all necessary types of insurance as described in this Agreement.

Franchisor has the right to provide the transferee any and all records Franchisor maintains relating to this Agreement or the Franchised Business. Franchisee hereby agrees to release and hold Franchisor harmless from and against any claim, loss, or injury resulting from providing transferee with such records.

Franchisor's consent to a Transfer that is the subject of this Section 22 shall not constitute a waiver of any claims that Franchisor may have against the transferring party, nor shall it be deemed a waiver of Franchisor's right to demand exact compliance with any of the terms of this Agreement by the transferor or transferee.

C. Transfer to a Controlled Entity

Franchisee may transfer this Agreement or any interest herein to a legal entity wholly owned by Franchisee that is formed for the financial planning, tax, or other convenience of Franchisee with the prior approval of Franchisor ("Controlled Entity"). Franchisor shall approve a transfer to a Controlled Entity if the following conditions are fulfilled:

- the Controlled Entity is newly organized and its charter or articles of formation provides that its activities are confined exclusively to the operation of the Franchised Business;
- Franchisee or all holders of a legal or beneficial interest in Franchisee own all of the equity and voting power of the outstanding stock or other capital interest in the Controlled Entity;
- all obligations of Franchisee to Franchisor or any Affiliate are fully paid and satisfied; provided, however, that neither Franchisee nor the Controlled Entity shall be required to pay a transfer fee as required pursuant to this Agreement;
- the Controlled Entity has entered into a written agreement with Franchisor expressly assuming the obligations of this Agreement and all other agreements relating to the operation of the Franchised Business. If the consent of any other party is required, Franchisee has obtained such written consent and provided the same to Franchisor prior to

consent by Franchisor. The term of the transferred franchise shall be the unexpired term of this Agreement;

- all holders of a legal or beneficial interest in the Controlled Entity have entered into an agreement with Franchisor jointly and severally guaranteeing the full payment of the Controlled Entity's obligations to Franchisor and the performance by the Controlled Entity of all the obligations of this Agreement;
- each stock certificate or other ownership interest certificate of the Controlled Entity has conspicuously endorsed upon the face thereof a statement in a form satisfactory to Franchisor that it is held subject to, and that further assignment or transfer thereof is subject to, all restrictions imposed upon transfers and assignments by this Agreement; and
- copies of the Controlled Entity's articles of incorporation or organization, bylaws, operating agreement, federal tax identification number and other governing regulations or documents, including resolutions of the board of directors authorizing entry into this Agreement, have been promptly furnished to Franchisor. Any amendment to any such documents shall also be furnished to Franchisor immediately upon adoption.

D. Securities Offers

All materials for an offering of equity, membership or partnership interests in Franchisee or any of Franchisee's Affiliates that are required by federal or state law shall be submitted to Franchisor for review as described below before such materials are filed with any government agency. Any materials to be used in any exempt offering shall be submitted to Franchisor for such review before their use. Accordingly, Franchisee agrees that:

- no offering by Franchisee or any of Franchisee's Affiliates may imply (by use of the Proprietary Marks or otherwise) that Franchisor is participating in an underwriting, issuance, or offering of Franchisee's securities or Franchisee's Affiliates;
- Franchisor's review of any offering shall be limited solely to the relationship between Franchisee and Franchisor (and, if applicable, any of Franchisee's Affiliates and Franchisor); and
- Franchisor will have the right, but not obligation, to require that the offering materials contain a written statement that Franchisor requires concerning the limitations stated above. Franchisee (and the offeror if Franchisee is not the offering party), Franchisee's Principals, and all other participants in the offering must fully indemnify Franchisor, Franchisor's subsidiaries, Affiliates, successors, and assigns, and their respective directors, officers, shareholders, members, partners, agents, representatives, and employees in connection with the offering. For each proposed offering, Franchisee agrees to reimburse us for our reasonable costs and expenses (including legal and accounting fees) for reviewing the proposed offering. Franchisee agrees to give Franchisor written notice at least thirty (30) days before the date that any offering or other transaction described in this Section 22(D) commences. Any such offering shall be subject to all of the other provisions of this Section 22, and further, without limiting the foregoing, it is agreed that any such offering shall be subject to Franchisor's

approval as to the structure and voting control of the offeror (and Franchisee if Franchisee is not the offeror) after the financing is completed.

E. No Encumbrance

Franchisee shall not in any event have the right to pledge, encumber, hypothecate or otherwise give any third party a security interest in this Agreement in any manner whatsoever without Franchisor's prior approval.

F. Right of First Refusal

If Franchisee desires to sell or otherwise transfer the Franchised Business or any of its assets or an ownership interest in Franchisee, Franchisee shall obtain and deliver a bona fide, written offer to purchase and any supporting documents to Franchisor. Within thirty (30) days after Franchisor's receipt of the bona fide offer (or if Franchisor shall request additional information, within thirty (30) days after receipt of such additional information), Franchisor has the right to exercise its right of first refusal to purchase the offered assets or interest for the same price and on the same terms and conditions contained in the bona fide offer delivered to Franchisor. After providing notice of Franchisor's intent to exercise its right of first refusal, Franchisor shall have sixty (60) days to purchase the offered assets or ownership interest. Franchisor has the right to substitute an equivalent sum of cash for any consideration other than cash specified in said notice.

If Franchisor does not elect to exercise its right of first refusal within the specified time period above, Franchisee may accept the offer or proposal by the third-party, subject to Franchisor's prior written approval. If Franchisee does not close the sale within six (6) months after the offer is delivered to Franchisor or the terms of the offer or proposal are materially changed, Franchisor's right of first refusal shall renew and Franchisee must comply with the conditions of this Section 22(F) before selling the assets or ownership interest to a third-party.

G. Transfer Upon Franchisee's Death or Incapacity

Upon Franchisee's death or Incapacity (if Franchisee is an individual) or any Principal (if Franchisee is a business entity), the appropriate representative shall within a reasonable time, not to exceed sixty (60) days from the date of death or Incapacity, transfer the interest in the Franchised Business or Franchisee to a third party approved by Franchisor and subject to the conditions of Section 22(B); provided, however, if the Franchised Business is transferred by gift, devise or inheritance, it is not subject to Franchisor's right of first refusal. Failure to dispose of such interest within the specified period of time will constitute a material breach of this Agreement and Franchisor reserves the right to terminate this Agreement.

Following the death or Incapacity of Franchisee (if Franchisee is an individual) or any Principal (if Franchisee is a business entity), Franchisor may, but need not, assume the Franchised Business' management and provide services on behalf of the Franchised Business until the interest is transferred to a third party approved by Franchisor. All funds from the Franchised Business' operation while the Franchisor assumes its management will be kept in a separate account, and all of Franchisor's expenses will be charged to this account, including all travel, food, and lodging expenses incurred in the course of providing such services. Franchisor may charge Franchisee the Management Fee for the provision of services on behalf of the Franchised Business, plus the

Franchisor's direct out-of-pocket costs and expenses for managing the Franchised Business. Such fee would be in addition to the Royalty Fee and all other fees due under this Agreement. In the event the Franchisor assumes management of the Franchised Business, the Franchisor has a duty to utilize only reasonable efforts and will not be liable to Franchisee for any debts, losses or obligations the Franchised Business incurs, or be liable to any of Franchisee's creditors.

SECTION 23 RESTRICTIVE COVENANTS

A. Non-Competition

During the Initial Term and for a period of three (3) years after the expiration or termination of this Agreement, regardless of the cause for termination, Franchisee shall not, either directly or indirectly:

- Own an interest in, manage, operate, or provide assistance to any Competitive Business as a proprietor, partner, investor, lender, shareholder, director, officer, member, manager, employee, principal, agent, representative, advisor, franchisor, franchisee, consultant or otherwise within (i) the Territory; (ii) within a ten (10) mile radius of the Territory; or (iii) within a ten (10) mile radius of any other franchisee's territory operating at the time of termination or expiration of this Agreement; or
- Solicit or otherwise attempt to induce or influence any customer, employee, or suppliers to terminate or modify their business relationship with Franchisor, other franchisees, or to compete with Franchisor or other franchisees.

If Franchisee commits a breach of the restrictive covenants, the three (3) year restrictive period shall be tolled and start on the date that the former Franchisee is enjoined from competing or stops competing, whichever is later.

Nothing in this Agreement shall prevent Franchisee from owning for investment purpose up to an aggregate of two (2%) of the capital stock of any Competitive Business that is a publicly held corporation whose stock is listed and traded on a national or regional stock exchange, or through the National Association of Securities Dealers Automated Quotation System (NASDAQ) as long as Franchisee does not Control any such company.

B. Severability and Reasonableness of Restrictive Covenants

Franchisee acknowledges and agrees that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. Franchisee further acknowledges and agrees that the foregoing restrictions limit Franchisee's right to compete only to the extent necessary to protect Franchisor from unfair competition. Should any part of one or more of these restrictions be found to be unenforceable by virtue of its scope in terms of area, business activity prohibited, or length of time, and should such part be capable of being made enforceable by reduction of any or all thereof, Franchisee and Franchisor agree that the same shall be enforced to the fullest extent permissible under the law. Franchisee expressly acknowledges that Franchisee possesses skills and abilities of a general nature and have other opportunities for exploiting these skills and enforcing the non-competition provisions in this Agreement will not deprive Franchisee of personal goodwill or the ability to earn a living.

C. Enforcement of Restrictive Covenants

Franchisee acknowledges and agrees that a violation of the terms of the restrictive covenants in this Agreement would result in immediate and irreparable injury to Franchisor for which no adequate remedy at law is available. Accordingly, Franchisee hereby consents to the entry of an injunction, without bond, prohibiting any conduct by Franchisee in violation of the terms of the restrictive covenants set forth in this Agreement.

SECTION 24 NOTICES

All notices, requests, demands, payments, consents and other communications required under this Agreement shall be transmitted in writing and shall be deemed to have been duly given when sent by registered or certified United States mail, postage prepaid, or other form of delivery which provides for a receipt and otherwise agreed to in writing by the parties, to the addresses listed below. Either party may change its address by a written notice sent in accordance with this Section 24.

SECTION 25 DISPUTE RESOLUTION AND GOVERNING LAW

A. Mediation

All claims or disputes between Franchisee and Franchisor (or its Affiliates) arising out of, or in any way relating to, this Agreement or any other agreement by and between Franchisee and Franchisor (or its Affiliates), or any of the parties' respective rights and obligations arising from such agreement must be submitted to non-binding mediation to take place in the county of Franchisor's then-current corporate headquarters in accordance with the American Arbitration Association ("AAA") Commercial Mediation Rules then in effect, unless otherwise mutually agreed in writing by the parties. Each party will bear its own cost of mediation and Franchisor and Franchisee will share mediator fees equally. This agreement to mediate will survive any termination or expiration of this Agreement. Notwithstanding this, Franchisor shall not be required to first attempt to mediate a controversy, dispute, or claim through mediation if such controversy, dispute, or claim concerns an allegation that Franchisee has violated (or threatens to violate, or poses an imminent risk of violating) (1) any intellectual property rights in the Proprietary Marks, the System, or in any Confidential Information; (2) any of the restrictive covenants contained in this Agreement; or (3) any of Franchisee's payment obligations under this Agreement.

B. Litigation

Franchisee and Franchisor agree that any claim, dispute, suit, action, controversy, or proceeding of any type whatsoever including any claim for equitable relief and/or where either party is suing pursuant to a statutory claim or otherwise, between or involving Franchisee and Franchisor on whatever theory, and whether or not arising out of this Agreement ("Claim") that was not resolved during mandatory non-binding mediation must be brought in the state or federal court having jurisdiction in the county in which Franchisor's then-current headquarters is located. The parties agree that this Section 25(B) shall not be construed as preventing either party from removing an action from state to federal court; provided, however, that venue shall be as set forth above. The parties waive any questions of personal jurisdiction or venue for the purpose of carrying out this provision.

C. Governing Law

Except to the extent this Agreement or any particular dispute is governed by the U.S. Trademark Act of 1946 (Lanham Act, 15 U.S.C 41051 et al), this Agreement shall be interpreted under the laws of the State of Indiana and any dispute between the parties shall be governed by and determined in accordance with the internal substantive laws, of the State of Indiana, which laws shall prevail in the event of any conflict of law.

D. Injunctive Relief

Franchisee acknowledges and agrees that adherence to the terms and conditions of this Agreement are necessary to protect the value of the Franchisor's business, the System, and the Proprietary Marks. Franchisee therefore acknowledges and agrees that in the event of a breach or a threatened breach by Franchisee relating to Confidential Information, the Proprietary Marks, or restrictive covenants would result in irreparable injury to Franchisor. Accordingly, Franchisor shall be entitled to obtain injunctive relief, without posting bond, against any such breach. Franchisee acknowledges and agrees that seeking or obtaining injunctive relief shall not preclude Franchisor from making a claim for damages or other relief available at law or in equity.

E. Liquidated Damages

In the event this Agreement is terminated due to Franchisee's default, Franchisee shall pay to the Franchisor an amount calculated as follows (hereinafter referred to as "Liquidated Damages"):

- the average of your monthly Royalty Fees and Marketing Fund contribution that are due under this Agreement for the number of months you have operated the Franchised Business;
- multiplied by the number of months and any partial months remaining in the Term.

The foregoing remedy shall not constitute a waiver of Franchisor's right to pursue other remedies to which Franchisor may be entitled at law, equity or pursuant to this Agreement for losses (other than lost future Royalties and Marketing Fund contributions) which Franchisor may incur as a result of Franchisee's default.

The parties intend that the Liquidated Damages constitute compensation, and not a penalty. The parties acknowledge and agree that the Franchisor's harm caused by a breach by Franchisee that led to termination of the Agreement would be impossible or exceedingly difficult to accurately estimate, and that the Liquidated Damages are a reasonable estimate of the anticipated or actual harm that may arise from such termination.

F. Waiver of Jury Trial

FRANCHISEE AND FRANCHISOR EACH IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION, WHETHER AT LAW OR EQUITY, BROUGHT BY EITHER OF THEM.

G. Private Disputes

ANY DISPUTE AND ANY LITIGATION WILL BE CONDUCTED AND RESOLVED ON AN INDIVIDUAL BASIS ONLY AND NOT A CLASS-WIDE, MULTIPLE PLAINTIFF OR SIMILAR BASIS. ANY SUCH PROCEEDING WILL NOT BE CONSOLIDATED WITH ANY OTHER PROCEEDING INVOLVING ANY OTHER PERSON, EXCEPT FOR DISPUTES INVOLVING AFFILIATES OF THE PARTIES.

H. Cumulative Remedies

The rights and remedies provided in this Agreement are cumulative and neither Franchisee nor Franchisor will be prohibited from exercising any other right or remedy provided under this Agreement or permitted by law or equity.

I. Attorneys' Fees

In any action arising out of or related to this Agreement (whether in state or federal court) whereby Franchisor is the prevailing party, Franchisor is entitled to recover from Franchisee all costs and expenses related to the action, including reasonable attorneys' fees, and all costs of collecting moneys owed. If both parties are awarded a judgment in any dollar amount, the court or arbitrator shall determine whether the Franchisor is the prevailing party taking into consideration the merits

of the claims asserted by each party, the amount of the judgment received by each party in relation to the remedies sought and the relative equities between the parties.

SECTION 26 COMPLIANCE WITH LAWS

Franchisee shall comply with all applicable federal and state laws, ordinances, rules, regulations and orders of governmental authorities pertaining to the maintenance and operation of the Franchised Business including, without limitation, those relating to health, safety, sanitation, employment, licensure and taxation. Franchisor has no obligation to advise Franchisee of any legislative or other legal developments that may affect its Franchised Business. Franchisee acknowledges and agrees that it is solely responsible for inquiring about and becoming familiar with all applicable laws, rules and regulations, and determining those actions required for compliance. Franchisee shall obtain any and all permits, certificates, and licenses required for the full and proper conduct of the Franchised Business. Any information Franchisor provides to Franchisee regarding applicable laws, rules or regulations does not relieve Franchisee of its responsibility to consult with its own legal advisor and otherwise take appropriate action to inquire about and comply with applicable laws, rules and regulations. Any violation of such laws, rules or regulations, as set forth in this paragraph, shall be deemed a default of this Franchise Agreement, and Franchisor may immediately terminate this Agreement.

SECTION 27 MISCELLANEOUS

A. Waiver

No failure of Franchisor to enforce any rights or powers under this Agreement or to require strict compliance by Franchisee shall be construed as the waiver of such rights. Any waiver, including waiver of default, or acceptance of money or other performance by Franchisor from Franchisee, in any one instance, shall not constitute a continuing waiver or a waiver in any other instance. Franchisee shall not be deemed to have been excused from performance of any of its obligations pursuant to this Agreement, unless otherwise agreed to in writing and signed by an authorized representative of Franchisor and Franchisee.

B. Approvals and Consents

Whenever this Agreement requires Franchisor's advance approval, agreement or consent, Franchisee agrees to make a timely written request for it. Franchisor's approval or consent will not be valid unless it is in writing. Except where expressly stated otherwise in this Agreement, Franchisor has the absolute right to refuse any request by Franchisee or to withhold Franchisor's approval of any action or omission by Franchisee. If Franchisor provides Franchisee any waiver, approval, consent, or suggestion, or if Franchisor neglects or delays its response or denies any request for any of those, Franchisor will not be deemed to have made any warranties or guarantees which Franchisee may rely on, and will not assume any liability or obligation to Franchisee. In no event may Franchisee make any claim for money damages based on any claim or assertion that Franchisor has unreasonably withheld, delayed or conditioned any consent or approval of this Agreement. Franchisee waives any such claim for damages. Franchisee may not claim any such damages by way of setoff, counterclaim or defense. Franchisor's sole remedy for the claim will be

an action or proceeding to enforce this Agreement provisions, for a specific performance or for declaratory judgment.

C. Severability

If any part, Section, sentence or clause of this Agreement shall be held to be indefinite, invalid or otherwise unenforceable, the provision which is indefinite, invalid or unenforceable shall be deemed deleted, and the remaining part of this Agreement shall continue in full force and effect.

D. No Other Beneficiaries

Franchisor will not, because of this Agreement or by virtue of any approvals, advice or services provided to Franchisee, be liable to any person or legal entity who is not a party to this Agreement. Except as specifically described in this Agreement, no other party has any rights because of this Agreement.

E. Modification

No amendment, change, or variance from this Agreement shall be binding upon either Franchisor or Franchisee except by mutual written agreement.

F. Survival

Provisions of this Agreement which by their express terms or intent are designed to survive termination of this Agreement shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement for any reason.

G. Construction

All terms and words used herein shall be construed to include the number and gender as the context of this Agreement may require. The parties agree that each section of this Agreement shall be construed independently of any other section or provision of this Agreement. As used in this Agreement, the words “include”, “includes” or “including” are used in a non-exclusive sense. Unless otherwise expressly provided herein to the contrary, any consent, approval or authorization of Franchisor that Franchisee may be required to obtain hereunder may be given or withheld by Franchisor in its sole discretion. In addition, on any occasion where Franchisor is required or permitted hereunder to make any judgment or determination, including any decision as to whether any condition or circumstance meets Franchisor’s standards or satisfaction, Franchisor may do so in its sole judgment. Section titles used in this Agreement are for convenience only and shall not be deemed to affect the meaning or construction of any of the terms, provisions, covenants, or conditions of this Agreement.

H. Counterparts

This Agreement may be signed in counterparts, and signature pages may be exchanged by facsimile or electronic mail, each such counterpart, when taken together with all other identical

copies of this Agreement also signed in counterpart, shall be considered as one complete Agreement.

SECTION 28 ENTIRE AGREEMENT

This Agreement and all exhibits to this Agreement constitute the entire agreement between the parties and supersede any and all prior negotiations, understandings, representations and agreements. Nothing in this or in any related agreement, however, is intended to disclaim the representations Franchisor made in the Franchise Disclosure Document that Franchisor furnished to Franchisee. Franchisee acknowledges that Franchisee is entering into this Agreement as a result of its own independent investigation of the Franchised Business and not as a result of any representations about Franchisor made by its officers, employees, agents, representatives, independent contractors, or franchisees that are contrary to the terms set forth in this Agreement, or in any disclosure document, prospectus or other similar document required or permitted to be given to Franchisee pursuant to applicable law.

be an immediate default under the Franchise Agreement, and Franchisor shall be entitled to the possession of the Site and to all of the rights, title and interest of Franchisee in and to the Lease and to all other remedies described herein or in the Franchise Agreement or at law or in equity, without prejudice to any other rights or remedies of Franchisor under any other Agreements or under other applicable laws or equities. In addition, if Franchisor or its affiliates elects to acquire the assets of the Franchised Business or acquires the ownership interests of Franchisee, and Lessor agrees to Franchisor's assumption thereof, Franchisee will assign all of its rights to the Lease and the Site to Franchisor. This Assignment shall constitute a lien on the interest of Franchisee in and to the Lease until satisfaction in full of all amounts owed by Franchisee to Franchisor. In addition, the rights of Franchisor to assume all obligations under the Lease provided in this Assignment are optional on the part of Franchisor, to be exercised in its sole discretion. Franchisee agrees to execute any and all Uniform Commercial Code financing statements and all other documents and instruments deemed necessary by Franchisor to perfect or document the interests and assignments granted herein.

5. **No Subordination:** Franchisee shall not permit the Lease to become subordinate to any lien without first obtaining Franchisor's written consent, other than the lien created by this Assignment, the Franchise Agreement, the Lessor's lien under the Lease, or any liens securing the initial bank financing for the development of the Franchised Business at the Site as provided in the Franchise Agreement. Franchisee will not terminate, modify or amend any of the provisions or terms of the Lease without the prior written consent of Franchisor. Any attempt at termination, modification or amendment of any of the terms without such written consent is null and void.
6. **Exercise of Remedies:** In any case of default by Franchisee under the terms of the Lease or under the Franchise Agreement, Franchisor shall be entitled to exercise any one or more of the following remedies in its sole discretion:
 - (a) to take possession of the Site, or any part thereof, personally, or by its agents or attorneys;
 - (b) to, in its discretion, without notice and with or without process of law, enter upon and take and maintain possession of all or any part of the Site, together with all furniture, fixtures, inventory, books, records, papers and accounts of Franchisee;
 - (c) to exclude Franchisee, its agents or employees from the Site;
 - (d) as attorney-in-fact for Franchisee, or in its own name, and under the powers herein granted, to hold, operate, manage and control the Franchised Business and conduct the business, if any, thereof, either personally or by its agents, with full power to use such measures, legally rectifiable, as in its discretion may be deemed proper or necessary to cure such default, including actions of forcible entry or detainer and actions in distress of rent, hereby granting full power and authority to Franchisor to exercise each and every of the rights, privileges and powers herein granted at any and all times hereafter;
 - (e) to cancel or terminate any unauthorized agreements or subleases entered into by Franchisee, for any cause or ground which would entitle Franchisor to cancel the same;
 - (f) to disaffirm any unauthorized agreement, sublease or subordinated lien, to make all necessary or proper repairs, decorating, renewals, replacements, alterations, additions,

betterments and improvements to the Site or the Site that may seem judicious, in the sole discretion of Franchisor; and

- (g) to insure and reinsure the same for all risks incidental to Franchisor's possession, operation and management thereof; and/or
 - (h) notwithstanding any provision of the Franchise Agreement to the contrary, to declare all of Franchisee's rights but not obligations under the Franchise Agreement to be immediately terminated as of the date of Franchisee's default under the Lease.
7. **Power of Attorney:** Franchisee does hereby appoint irrevocably Franchisor as its true and lawful attorney-in-fact in its name and stead and hereby authorizes it, upon any default under the Lease or under the Franchise Agreement, with or without taking possession of the Site, to rent, lease, manage and operate the Site to any person, firm or corporation upon such terms and conditions in its discretion as it may determine, and with the same rights and powers and immunities, exoneration of liability and rights of recourse and indemnity as Franchisor would have upon taking possession of the Site pursuant to the provisions set forth in the Lease. The power of attorney conferred upon Franchisor pursuant to this Assignment is a power coupled with an interest and cannot be revoked, modified or altered without the written consent of Franchisor.
8. **Election of Remedies:** It is understood and agreed that the provisions set forth in this Assignment are deemed a special remedy given to Franchisor and are not deemed to exclude any of the remedies granted in the Franchise Agreement or any other agreement between Franchisor and Franchisee, but are deemed an additional remedy and shall be cumulative with the remedies therein and elsewhere granted to Franchisor, all of which remedies are enforceable concurrently or successively. No exercise by Franchisor or any of the rights hereunder will cure, waive or affect any default hereunder or default under the Franchise Agreement. No inaction or partial exercise of rights by Franchisor will be construed as a waiver of any of its rights and remedies and no waiver by Franchisor of any such rights and remedies shall be construed as a waiver by Franchisor of any future rights and remedies.
9. **Binding Agreements:** This Assignment and all provisions hereof shall be binding upon Franchisor and Franchisee, their successors, assigns and legal representatives and all other persons or entities claiming under them or through them, or either of them, and the words "Franchisor" and "Franchisee" when used herein shall include all such persons and entities and any others liable for payment of amounts under the Lease or the Franchise Agreement. All individuals executing on behalf of corporate entities hereby represent and warrant that such execution has been duly authorized by all necessary corporate and shareholder authorizations and approvals.
10. **Assignment to Control:** This Assignment governs and controls over any conflicting provisions in the Lease.
11. **Attorney's Fees, Etc.:** In any action or dispute, at law or in equity, which may arise under or otherwise relate to this Assignment, the prevailing party will be entitled to recover its attorneys' fees, costs and expenses relating to any trial or appeal (including, without limitation, paralegal fees) or mediation or bankruptcy proceeding from the non-prevailing Party.
12. **Severability:** If any of the provisions of this Assignment or any section or subsection of this Assignment shall be held invalid for any reason, the remainder of this Assignment or any such

section or subsection will not be affected thereby and will remain in full force and effect in accordance with its terms.

IN WITNESS WHEREOF, the Parties have caused this Assignment to be executed as of the day and year first above written.

EXHIBIT E
CONFIDENTIALITY, NON-DISCLOSURE AND NON-COMPETITION AGREEMENT
(SAMPLE)

In consideration of, and as an inducement to, employment with ____ (“Franchisee”), this Confidentiality, Non-Disclosure and Non-Competition Agreement is entered into by and between Franchisee and _____

(“Employee”) on this _____ day of _____, _____,

_. Franchisee has entered into a franchise agreement for the operation of the Franchised Business. Franchisee desires Employee to have access to and review certain trade secrets and Confidential Information through the course of employment at the Franchised Business and Franchisee is required by its Franchise Agreement to have Employee execute this Agreement prior to providing access to the trade secrets and Confidential Information. Accordingly, in consideration of the receipt and/or use of information proprietary to the Franchisor by Franchisee, agrees as follows:

1. CONFIDENTIALITY

Employee acknowledges and agrees that Franchisee has access to Trade Secrets and Confidential Information relating to the development and operation of the Franchised Business. For the purposes of this Agreement, Confidential Information means any information used in or related to the Franchised Business and not commonly known by or available to the public, including but not limited to the methods, processes, skills, knowhow, formulas developed for use in the franchise system, techniques, information, trade practices, customer lists or databases, software, proprietary data, trade secrets, and any other information identified or labeled by Franchisee as confidential when provided to Employee. Confidential Information shall not include, however, any information that: (a) is now or subsequently becomes generally available to the public through no fault of Employee; (b) Employee can demonstrate was rightfully in its possession, without obligation of nondisclosure, prior to disclosure pursuant to this Agreement; (c) is independently developed without the use of any Confidential Information; or (d) is rightfully obtained from a third party who has the right, without obligation of nondisclosure, to transfer or disclose such information.

Employee agrees to exercise the highest degree of diligence in safeguarding Confidential Information during and after the term of this Agreement and to adhere fully and strictly to all confidentiality attached to such information. Employee acknowledges that the unauthorized use or disclosure of Confidential Information will cause irreparable injury to the Franchisee and that damages are not an adequate remedy. Employee accordingly covenants that it shall not at any time, without Franchisee’s prior written consent, disclose, use, permit the use thereof, copy, duplicate, record, transfer, transmit, or otherwise reproduce such Confidential Information, in any form or by any means, in whole or in part, or otherwise make the same available to any unauthorized person or source, except as may be required by applicable law or authorized by this Agreement. Disclosure of the Confidential Information may be made in judicial or administrative proceedings, but only to the extent Employee is legally compelled to disclose the Confidential Information and provided that Employee first gives Franchisee the opportunity to obtain an appropriate protective order or other assurance that the confidential nature of the material to be disclosed will be maintained.

2. NON-COMPETITION

During Employee's employment with Franchisee and for a period of one (1) year after the termination of Employee's employment with Franchisee, regardless of the cause for termination, Employee shall not, either directly or indirectly:

- Own an interest in, manage, operate, or provide assistance to any business that sells or offers pizza and/or sourdough products that separately or in the aggregate constitute or would constitute 10% or more of the business' gross sales as a proprietor, partner, investor, lender, shareholder, director, officer, member, manager, employee, principal, agent, representative, advisor, franchisor, franchisee, consultant or otherwise within (i) Franchisee's Territory; or (ii) within a ten (10) mile radius of Franchisee's Territory; provided, however, that this restrictive covenant shall not prevent Employee from becoming a SSPC franchisee if Employee is otherwise deemed qualified by SSPC Franchising, LLC; or
- Solicit or otherwise attempt to induce or influence any customer or employee to terminate or modify their business relationship with Franchisee or to compete with Franchisee.

If Employee commits a breach of these restrictive covenants, the one (1) year restrictive period shall be tolled and start on the date that Employee is enjoined from competing or stops competing, whichever is later.

Nothing in this Agreement shall prevent Employee from owning for investment purpose up to an aggregate of two (2%) of the capital stock of any Competitive Business that is a publicly held corporation whose stock is listed and traded on a national or regional stock exchange, or through the National Association of Securities Dealers Automated Quotation System (NASDAQ) as long as Employee does not Control any such company.

3. INJUNCTIVE RELIEF

Employee acknowledges and agrees that adherence to the terms and conditions of this Agreement are necessary to protect the value of the Franchisee's business. Employee therefore acknowledges and agrees that in the event of a breach or a threatened breach of the restrictive covenants by Employee, Franchisee shall be entitled to obtain injunctive relief, without posting bond, against any such breach. Employee acknowledges and agrees that seeking or obtaining injunctive relief shall not preclude Franchisee from making a claim for damages or other relief available at law or in equity or that the existence of any claim or cause of action Employee may have against Franchisee predicated on this Agreement or otherwise shall not constitute a defense to the enforcement of this Agreement.

4. SEVERABILITY AND REASONABLENESS

The parties agree that each of the provisions of this Agreement shall be construed as independent of any other covenant or provision of this Agreement. The parties further agree that the foregoing restrictions limit Employee's right to compete only to the extent necessary to protect Franchisee from unfair competition. Should any part of one or more of these restrictions be found to be unenforceable by virtue of its scope in terms of area, business activity prohibited or length of time, and should such part be capable of being made enforceable by reduction of any or all thereof, Employee and Franchisee agree that the same shall be enforced to the fullest extent permissible under the law. Employee expressly acknowledges that Employee possesses skills and abilities of a general nature and has other opportunities for exploiting these skills and enforcing the noncompetition provisions in this Agreement will not deprive Employee of personal goodwill or the ability to earn a living.

5. WAIVER

No failure of Franchisee to enforce any rights or powers under this Agreement shall be construed as the waiver of such rights. Any waiver in any one instance, shall not constitute a continuing waiver or a waiver in any other instance. Employee shall not be deemed to have been excused from performance of any of its obligations pursuant to this Agreement, unless otherwise agreed to in writing and signed by an authorized representative of Franchisee.

6. GOVERNING LAW

This Agreement shall be governed and construed in accordance with the laws of the State in which the Franchisee is located. Any action to enforce, challenge, or construe the terms of this Agreement or bring an action to recover for breach of this Agreement shall be litigated exclusively in a state or federal court whose jurisdiction encompasses the then-current principal office of the Franchisee. The parties hereby consent to personal jurisdiction and venue therein. Parties waive any right to object to personal jurisdiction or venue.

IN WITNESS WHEREOF, Employee and Franchisee have duly executed and delivered this Agreement, as of the Effective Date written above.

SECTION 6 TRANSFERS

A. By Franchisor.

This MSDA and all rights hereunder may be assigned and transferred by Franchisor and, if so, shall be binding upon and inure to the benefit of Franchisor's successors and assigns; provided, however, that with respect to any assignment resulting in the subsequent performance by the assignee of the functions of Franchisor, the assignee shall assume the obligations of Franchisor hereunder and Franchisor shall have no liability for the performance of any obligations contained in this MSDA after the effective date of such transfer or assignment.

B. By Developer.

The development rights set forth in this MSDA are personal to Developer and are granted in reliance upon the personal qualifications of Developer. Developer has represented, and hereby represents, that it is entering into this MSDA with the intention of complying with its terms and conditions and not for the purpose of resale of the development rights hereunder.

Developer shall not without Franchisor's prior written consent, by operation of law or otherwise, sell, assign, transfer, convey, give away or encumber any part of its interest in this MSDA, its interest in the development rights granted hereby or its interest in any entity that owns any interest in such rights, and shall not offer, permit or suffer the same to be sold, assigned, transferred, conveyed, given away or encumbered in any way. Developer shall not, without the prior written consent of Franchisor, fractionalize any of the development rights granted pursuant to this MSDA. Any purported sale, assignment, transfer, conveyance, gift or encumbrance of any of Developer's rights herein not having Franchisor's express consent shall be null and void and shall constitute a material default of this MSDA.

So long as Developer is in full compliance with this MSDA, and should Franchisor not elect to exercise its right of refusal as provided in Section 6(D), Franchisor shall not unreasonably withhold its approval of an assignment or Transfer to proposed assignees or transferees if:

- Developer has complied with the requirements of Section 6(D);

- Developer (and any transferring owners, if Developer is a business entity) has executed a general release, in a form the same as or similar to the General Release attached to the Initial Franchise Agreement, of any and all claims against Franchisor, its owners, officers, directors and employees, in their corporate and individual capacities including, without limitation, claims arising under federal, state or local laws, rules or ordinances, and any other matters incident to the termination of this MSDA or to the transfer of Developer's interest herein or to the transfer of Developer's ownership of all or any part of the development rights;

- The prospective transferee has satisfied Franchisor that it meets Franchisor's management, business and financial standards, and otherwise possesses the character and capabilities, including business reputation and credit rating, as Franchisor may require to demonstrate its ability to carry out the obligations contained herein;
- Developer has provided Franchisor with a complete copy of all contracts and agreements and related documentation between Developer and the prospective transferee relating to the intended sale or transfer of the development rights;
- Developer, or the transferee, has paid to Franchisor a transfer fee in the amount of thirty percent (30%) of the remaining Franchise Fee for each franchise to be developed under the MSDA;
- The transferee has obtained all necessary consents and approvals by third parties and all applicable federal, state and local laws, rules, ordinances and requirements applicable to the transfer have been complied with or satisfied; and
- Developer has, and if Developer is an entity, all of the holders of a legal and beneficial interest in Developer have, executed and delivered to Franchisor a non-competition agreement in a form the same as or similar to the Nondisclosure and Non-Competition Agreement attached to the Initial Franchise Agreement.

C. Transfer by Death or Incapacity

Upon the death or Incapacity of Developer or any holder of a legal or beneficial interest in Developer, if Developer is an entity, the appropriate representative of such person (whether administrator, personal representative or trustee) will, within a reasonable time not exceeding sixty (60) days following such event, transfer such individual's interest herein or transfer such individual's ownership of all or any part of the development rights to a third party approved by Franchisor. Such Transfers, including Transfers by will or inheritance, shall be subject to the conditions for assignments and Transfers contained in this MSDA.

D. Franchisor's Right of First Refusal

If Developer or its owners shall at any time determine to sell, assign, transfer, convey, give away or encumber the development rights under this MSDA or any of their respective ownership interests in Developer, or any of Developer's assets (except in the ordinary course of business), Developer or its owners shall first offer in writing any bona fide proposed transfer and set forth a complete description of all terms, conditions and fees of the proposed transfer in the manner prescribed by the Franchisor. Franchisor shall, for a period of thirty (30) days from the date of delivery of such offer (or if Franchisor shall request additional information, within thirty (30) days after receipt of such additional information), have the right, exercisable by written notice to Developer, to purchase such interests upon the terms and conditions specified in the offer. Franchisor may substitute an equivalent sum of cash for any consideration other than cash

specified in said notice. If Franchisor does not elect to exercise its right of first refusal, Developer may offer to transfer to third parties on the same terms and conditions as offered to Franchisor and subject to the conditions set forth in Section 6(B) of this Agreement. If Developer does not consummate the Transfer, in accordance with the terms offered to Franchisor, within three (3) months after Developer gives notice of the Transfer to Franchisor, Developer shall not make the Transfer without again first offering to make the Transfer to Franchisor. Additionally, if the terms of the offer to third parties are materially changed, such changed terms shall be deemed a new proposal subject to Franchisor's right of first refusal.

SECTION 7 DEFAULT AND TERMINATION

Franchisor has the right to immediately terminate this MSDA by delivering a notice to Developer stating that Franchisor elects to terminate this MSDA as a result of any of the breaches set forth below:

- Developer makes or attempts to make an unauthorized sale, assignment, transfer, conveyance, gift or encumbrance of any part of its interest in this MSDA or an ownership interest in Developer;
- Developer has made any material misrepresentation or omission in its application for the development rights conferred by this Agreement;
- Developer (or any of its owners) is convicted of or pleads no contest to a felony or other crime or offense that may adversely affect the goodwill associated with the Proprietary Marks;
- Developer makes any unauthorized use of the Proprietary Marks or unauthorized use or disclosure of the Confidential Information;
- Franchisor has delivered a notice of termination for a franchise agreement between Franchisor and Developer in accordance with its terms and conditions, or Developer has terminated a Franchise Agreement without cause; or
- Developer fails to comply with any other provision of the MSDA and does not correct within thirty (30) days after written notice from Franchisor.

SECTION 8 RIGHTS AND DUTIES ON TERMINATION OR EXPIRATION

A. Loss of Development Rights.

Upon termination or expiration of this MSDA, the development rights granted to Developer under this MSDA shall automatically terminate. Developer shall have no additional rights to establish

franchises, including within the Development Area. No default under this MSDA shall constitute a default under any franchise agreement between the parties, except to the extent that any default under this MSDA constitutes a default under any franchise agreement in accordance with the terms of the franchise agreement. Notwithstanding the above, the terms and conditions of the franchise agreement must be complied with by the Developer thereunder and shall control in determining whether any default exists under such franchise agreement.

B. Amounts Owed to Franchisor.

Developer shall immediately pay to Franchisor upon termination or expiration of the MSDA any amounts owed by Developer to Franchisor that are then unpaid, plus any interest due.

C. Confidential Information.

Upon termination or expiration of this MSDA, Developer and all of its employees, agents or other representatives shall immediately sign a confidentiality agreement, if not signed already, and will cease to use and shall continue to maintain the absolute confidentiality of any Trade Secrets and other Confidential Information disclosed or otherwise learned or acquired by Developer and shall not use such Trade Sand other Confidential Information in any other business or venture.

D. Covenant Not to Compete.

During the term and after the termination of this Agreement, Developer and any owner of Developer, if Developer is an entity, shall be subject to all of the restrictive covenants set forth in the Initial Franchise Agreement entered into by Franchisor and Developer, which covenants by this reference are incorporated herein.

E. Continuing Obligations.

All obligations of Franchisor and Developer under this MSDA that expressly or by their nature survive the expiration or termination of this Agreement shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this MSDA and until they are satisfied in full or by their nature expire.

**SECTION 9
RELATIONSHIP OF THE PARTIES**

Nothing in this MSDA is intended by the parties to create a fiduciary relationship between them, nor to constitute Developer or Developer's employees or contractors as agents, legal representatives, subsidiaries, joint ventures, partners, or employees of Franchisor for any purpose whatsoever. It is understood and agreed that Developer is an independent contractor and is in no way authorized to make any contract, warranty, or representation or to create or imply any obligation on behalf of Franchisor. Under no circumstances shall Franchisor be liable for any act, omission, contract, debt or any other obligation of Developer.

Unless otherwise specifically provided in this MSDA with respect to certain issues, whenever this MSDA requires Developer to obtain Franchisor's written consent or permits Developer to take any action or refrain from taking any action, Franchisor is free to act in its own self-interest without any obligation to act reasonably, to consider the impact on Developer or to act subject to any other standard of care limiting Franchisor's right, except as may be provided by statute or regulation.

SECTION 10 INDEMNIFICATION

Developer shall hold harmless and indemnify Franchisor, its owners, and all of Franchisor's officers, directors, executives, managers, employees, agents, successors and assigns (collectively "Franchisor Indemnitees") from and against all losses, damages, fines, costs, expenses or liability (including attorneys' fees and all other costs of litigation) incurred in connection with any action, suit, demand, claim, investigation or proceeding, or any settlement thereof, that arise from, are based upon or are related to Developer's (a) development, ownership or operation of any franchise; (b) violation, breach or asserted violation or breach of any federal, state or local law, regulation or rule; (c) breach of any representation, warranty, covenant, or provision of this MSDA or any other agreement between Developer and Franchisor; (d) acts, errors or omissions by Developer or any of its officers, directors, employees or agents, committed or incurred in connection with the recruitment of franchisees, including any negligent or intentional acts; or (e) infringement, violation or alleged infringement or violation of any Proprietary Mark, patent or copyright or any misuse of the Confidential Information.

SECTION 11 DISPUTE RESOLUTION AND GOVERNING LAW

A. Dispute Resolution

During the term and after the termination of this Agreement, Developer and any owner of Developer, if Developer is an entity, shall be subject to all of the dispute resolution provisions set forth in the Initial Franchise Agreement entered into by Franchisor and Developer, which covenants by this reference are incorporated herein.

B. Governing Law.

Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. Sections 1051 et seq.), this Agreement shall be interpreted under the laws of the State of Indiana and any dispute between the parties shall be governed by and determined in accordance with the internal substantive laws, and not the laws of conflict, of the State of Indiana, which laws shall prevail in the event of any conflict of law.

SECTION 12

MISCELLANEOUS PROVISIONS

A. Owners of Developer.

Developer represents and warrants, and Franchisor enters into this MSDA in reliance upon such representation and warranty, that the individuals identified in **Exhibit B** as owners are the sole holders of a legal or beneficial interest (in the stated proportions) of Developer.

B. Superiority of Franchise Agreement.

Developer acknowledges that any and all franchise agreements executed by Developer are independent of this MSDA. The continued existence of any such franchise agreement shall not depend on the continuing existence of this MSDA. If any conflict shall arise in connection with this MSDA and any such franchise agreement, the latter shall have precedence and superiority over the former.

C. No Waiver.

No failure of Franchisor to exercise any power reserved to it hereunder, or to insist upon strict compliance by Developer with any obligation or condition hereunder, and no custom nor practice of the parties in variance with the terms hereof, shall constitute a waiver of Franchisor's right to demand exact compliance with the terms of this MSDA. Waiver by Franchisor of any particular default by Developer shall not be binding unless in writing and executed by Franchisor and shall not affect nor impair Franchisor's right with respect to any subsequent default of the same or of a different nature. Subsequent acceptance by Franchisor of any payment(s) due shall not be deemed to be a waiver by Franchisor of any preceding breach by Developer of any terms, covenants or conditions of this MSDA.

D. Injunctive Relief.

Developer acknowledges and agrees that a violation or contemplated violation of the restrictions contained in Sections 5, 8(C), or 8(D) would result in immediate and irreparable injury to Franchisor for which no adequate remedy at law is available. Accordingly, Developer hereby consents to the entry of an injunction, without bond, prohibiting any conduct by Developer in violation of the restrictions contained in Sections 5, 8(C), or 8(D). Developer further agrees to pay all costs and expenses (including reasonable attorney's fees at all levels) incurred by Franchisor in connection with the enforcement of this MSDA.

E. Notices.

All notices, requests, demands, payments, consents and other communications required under this Agreement shall be transmitted in writing and shall be deemed to have been duly given when sent by registered or certified United States mail, postage prepaid, or other form of delivery which provides for a receipt and otherwise agreed to in writing by the parties, addressed as follows:

Article and section titles used in this MSDA are for convenience only and shall not be deemed to affect the meaning or construction of any of the terms, provisions, covenants, or conditions of this MSDA.

I. Force Majeure.

Notwithstanding anything contained in this Agreement to the contrary, no party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement (except for any obligations to make payments to the other party hereunder), when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's ("Impacted Party") control, including, without limitation, the following force majeure events ("Force Majeure Event(s)"): (a) acts of God; (b) flood, fire, earthquake, epidemics, pandemics, or explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (d) government order, law, or actions; (e) embargoes or blockades in effect on or after the date of this Agreement; (f) national or regional emergency; (g) strikes, labor stoppages or slowdowns, or other industrial disturbances; and (h) shortage of adequate power or transportation facilities. The Impacted Party shall immediately resume performance as soon as possible and in no event shall non-performance be excused for more than one hundred eighty (180) days unless mutually agreed in writing by the parties.

J. Third-Party Beneficiaries.

Anything to the contrary notwithstanding, nothing in this MSDA is intended, nor shall be deemed, to confer any rights or benefits upon any person or legal entity other than Franchisor or Developer, and their respective permitted successors and assigns.

FINANCIAL STATEMENTS

February 2, 2026

To the Members of
SSPC Franchising, LLC

We have audited the financial statements of SSPC Franchising, LLC for the year ended December 31, 2025, and we will issue our report thereon dated February 2, 2026. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards as well as certain information related to planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated January 9, 2026. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by SSPC Franchising, LLC are described in Note 1 to financial statements. The application of existing policies was not changed during the year ended December 31, 2025. We noted no transactions entered into the Organization during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit.

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated February 2, 2026.

Management Consultations with Other Independent Accountants.

Certified Public Accountants

6900 N. Haggerty Road • Canton, MI 48187 • Phone (734) 354-2380 • www.schultz-cpa.com

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Finding or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of professional relationship and our responses were not a condition to our retention.

Other Matters

This information is intended solely for the use of management of SSPC Franchising, LLC and is not intended to be, and should not be, used by anyone other than these specified parties.

Respectfully,

Schultz & Associates, CPA, PLC
Canton, MI

Opinion

We have audited the accompanying financial statements of SSPC Franchising, LLC (a corporation) and its subsidiaries, which comprise the balance sheet as of December 31, 2025, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the balance sheet of SSPC Franchising, LLC as of December 31, 2025 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of SSPC Franchising, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Service Star Franchising Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of SSPC Franchising, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about SSPC Franchising, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

SSPC FRANCHISING, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

SSPC Franchising, LLC (“the Company”) was organized under the laws of the state of Indiana on March 30, 2022. The company offers franchises for the use of SSPC Franchising, LLC’s trademarks, trade name, services mark, and logos in the operation of franchises, which will operate quick service pizza restaurants. As of December 31, 2025, the Company has not commenced operations and has not engaged in any business activities other than its initial formation. Accordingly, there have been no revenues of operating expenses for the period presented.

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (US GAAP).

Liquidity

Assets are presented in the accompanying balance sheets according to their nearness of conversion to cash and liabilities according to the nearness of their maturity and resulting use of cash.

Revenue and Cost Recognition

Revenue is recorded when: (i) a contract has been identified, (ii) the performance obligation(s) in the contract have been identified, (iii) the transaction price has been determined, (iv) the transaction price has been allocated to each performance obligation in the contract, and (v) the Company has satisfied the applicable performance obligation. Expenses directly related to such transactions are recorded as incurred and presented within expenses.

Primary revenue streams

Revenue consists primarily of initial franchise fees, area development agreements, monthly technology fees, monthly royalties, and periodic marketing fees. Initial franchise fees and area development agreement fees are received upfront, and are recognized as revenue when the underlying performance obligations have been met. Technology fee and royalty revenues are recognized and recorded when earned. Management has determined that these methods provide a faithful depiction of the transfer of services.

Revenue disaggregation

In accordance with current accounting standards, the Company disaggregates revenue from contracts into major revenue streams as presented on the income statement. Revenue is recognized over the performance obligation period applicable to each revenue stream.

See Independent Auditor’s Report

SSPC FRANCHISING, LLC
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2025

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue and Cost Recognition (continued)

Revenue disaggregation (continued)

The Company's primary performance obligation under the franchise agreement will be granting certain rights to use the Company's intellectual property. All other services the Company provides under the franchise agreements, aside from services provided for opening, are considered earned when the franchisee has completed the training required to open the franchise. A portion of the franchise fee will be allocated to the rights to use the Company's intellectual property, and will be recognized over the term of the franchise agreement.

Under ASC 606, private companies may choose to use a practical expedient that allows a franchisor that has entered into a franchise agreement to treat certain preopening services provided to a franchisee as distinct from the franchise license. Those preopening services consist of the following activities:

- Assistance in the selection of a site.
- Training of the franchisee's personnel or the franchisee.
- Preparation and distribution of manuals and similar material concerning operations, administration, and record keeping.
- Information technology, and advisory services, including setting up the franchisee's records and advising the franchisee about regulations affecting the franchisee's business.
- Inspection, testing, and other quality control programs.

Royalties will be based on a percentage of gross sales as reported by the franchisees and are recognized on a monthly basis as they are earned by the Company.

Inventory sales, technology fees, and marketing fees will be recognized when the performance obligations are satisfied.

Contract balances

The timing of revenue recognition, billings and cash collections results in contract assets, receivables and contract liabilities. Contract assets would exist when the Company has a contract with a franchisee for which revenue has been recognized but franchisee payment is contingent on a future event. The Company's revenue is based on franchise and area development fees that are paid by the franchisee up front, and are generally limited to amounts that are not contingent on future events, therefore, not resulting in a contract asset being recorded. The Company records receivables when the right to consideration becomes unconditional and are presented separately on the balance sheet. Contract liabilities may include advances and unearned revenue when the Company receives payments from franchisees before the revenue is recognized and are presented separately on the balance sheet.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents are defined as cash on hand and demand deposits in banks plus short-term investments that are readily convertible to cash as well as investments with original maturities of three months or less.

Concentration of Credit Risk

The Company maintains cash balances at high credit qualified financial institutions. At times, the amount of cash and cash equivalents may be in excess of the Federal Deposit Insurance Corporation insurance limit of \$250,000. The Company has not experienced any losses in such accounts, and management believes the Company is not exposed to any unusual credit risk on cash and cash equivalents. As of December 31, 2025 the uninsured balances of cash at a qualified financial institution were \$0.

Property and Equipment

Property and equipment are recorded at cost. Maintenance and repairs are expensed as incurred; major renewals and betterments are capitalized. When items of property or equipment are sold or retired, the related costs and accumulated depreciation are removed from the accounts and any gain or loss is included in income. The Company's fixed assets are comprised of computer equipment and are depreciated over their estimated useful lives, five to fifteen years, using the straight-line method.

Accounts Receivable

Accounts receivable consists primarily of royalty payments due. The Company determines the allowance for uncollectable accounts receivable based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Accounts receivable are written off when deemed uncollectable. On December 31, 2025 accounts receivable balances were \$0, net of an allowance of \$0.

Intangible Assets

Intangible assets consist of trademarks, and start-up costs. Amortizable intangible assets with a definite life are amortized on a straight-line basis over the life of the asset. The periodic costs to renew the intangible assets are expensed as incurred. Intangible assets with indefinite lives are not amortized but are subject to periodic tests for impairment by management.
