What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in EXHIBIT “A”.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation and/or litigation only in Arizona. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate or litigate with the franchisor in Arizona than in your own state.
2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.
3. **Mandatory Minimum Payments.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments, may result in termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

REQUIRED BY THE STATE OF MICHIGAN

The state of Michigan prohibits certain unfair provisions that are sometimes in franchise documents. If any of the following provisions are in these franchise documents, the provisions are void and cannot be enforced against you.

- (a) A prohibition of the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure each failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchised business are not subject to compensation. This subsection applies only if (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months' notice of franchisor's intent not to renew the franchise.
- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
- (f) A provision requiring that mediation or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of mediation, to conduct mediation at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualification or standards.
 - (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision

(c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless a provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Attorney General's Department for the State of Michigan, Consumer Protection Division, Franchise Section, 670 Law Building, 525 W. Ottawa Street, Lansing, Michigan 48913, (517) 373-7117.

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify the language in this Disclosure Document, the following terms have the meanings given to them below:

“We” or “us” means The Joint Corp., the franchisor, but does not the franchisor’s officers, directors, agents or employees.

“You” means the person who buys a franchise from us.

“Owners” means the principal shareholders, partners or members holding an ownership interest in you if you are a corporation, partnership, limited liability company, or other business entity.

“Marks” means the trademarks “The Joint®”, “The Joint Chiropractic®”, “The Joint...the chiropractic place®” and any other marks we authorize for use by The Joint® chiropractic clinics.

“Clinic” means any chiropractic clinic that operates under the Marks and specializes in providing chiropractic services and products to the general public through licensed chiropractic professionals, including clinics operated by us, our affiliates, you or our other franchisees.

“Location Franchise” or “Franchised Business” means the franchised business offered under this Disclosure Document for the operation and/or management of a Clinic.

The Franchisor, and any Parents Predecessor and Affiliates.

We are a Delaware corporation that was created on March 10, 2010. On November 14, 2014, The Joint Corp. became a publicly traded company on the NASDAQ exchange. Our principal business address is 16767 N. Perimeter Dr., Suite 110, Scottsdale, Arizona 85260 and our telephone number is (480) 245-5960. Our agent for service of process is disclosed in **Exhibit A**. We operate under our corporate name as well as the names “The Joint” and “The Joint Chiropractic.”

We do not have any parent companies or predecessors. We do not have any affiliates that offer, or have ever offered, franchises in this or any other line of business. We do not have any affiliates that provide goods or services to our franchisees.

Our Business.

We offer franchises for Location Franchises and franchises for Regional Developer Businesses. We have never offered franchises in any other line of business.

The franchise offered under this Disclosure Document is for a Location Franchise. We have offered Location Franchises since 2010. We offer Location Franchises to persons or legal entities that meet our qualifications, and are willing to undertake the investment and effort to own and operate Franchised Businesses that will own, operate and/or manage Clinics. If you are an unlicensed person, you may own and operate a Clinic only if it is permissible under applicable law; otherwise, you may only manage a Clinic for a licensed person or entity that is authorized to own and operate a Clinic.

We have also offered franchises for Regional Developer Businesses since 2011, although we temporarily discontinued offering franchises for Regional Developer Businesses from December 2013 until November 2016. As of December 31, 2022, we have sold a total of 44 franchises for Regional Developer Businesses. The franchisee that is granted the right to operate a Regional Developer Business is referred to as a “Regional Developer.” Note that the

term “Regional Developer” as used in this Disclosure Document has the same definition and meaning as an “Area Representative” under the NASAA Multi-Unit Commentary adopted in September 2014. Regional Developer Businesses are offered under a separate disclosure document.

Regional Developers have a continuing right to solicit potential purchasers for our Location Franchises in a defined territory. Regional Developers also provide development and ongoing franchise support services to the Location Franchises within a defined territory. However, Regional Developers do not have any management responsibility relating to the sale or operation of franchises. Depending on your area, you may have an existing Regional Developer that assists us with your Location Franchise. If your Location Franchise is located in an area where we have a Regional Developer, the Regional Developer will provide, on our behalf, certain franchise sales and support services to you.

We currently own, operate and/or manage several Clinics in Arizona, California, Georgia, New Mexico, North Carolina, South Carolina and Virginia. These Clinics operate under our Marks, but are not subject to the terms of any franchise agreements. However, in some instances we have entered into Management Agreements with P.C.s (see explanation below) who own the Clinics that we manage. We acquired some of these Clinics from franchisees in late 2014 and early 2015, and developed others on our own. We intend to continue to own, build, acquire, operate and/or manage Clinics throughout the U.S., and possibly other countries.

We are not currently engaged in any line of business other than: (i) offering Location Franchises and franchises for Regional Developer Businesses; and (ii) owning, operating and/or managing Clinics as described above.

The Franchised Business

The Joint® chiropractic clinics offer chiropractic services to the general public under the Marks utilizing a membership model. The Location Franchise offered under this Disclosure Document is for ownership and/or management of a Clinic.

In some cases, the franchisee owns and operates both the Franchised Business and the Clinic. This is typically the case where the franchisee is a licensed healthcare professional. If the franchisee is not a licensed healthcare professional, then applicable law may prohibit the franchisee from owning and operating the Clinic. In those cases, the franchisee owns and operates the Franchised Business but enters into a Management Agreement with a separate professional legal entity that will own and operate the Clinic. This structure is referred to as the Professional Corporation/Management Company Structure. The Professional Corporation/Management Company Structure is described in more detail below under the Section entitled “Laws and Regulations.”

If we grant you a Location Franchise, you must sign a Franchise Agreement. Our current form of Franchise Agreement is attached to this Disclosure Document as **Exhibit B**. The Franchise Agreement grants you the right to establish and operate a Location Franchise using our Marks from a site that must be approved by us. You must operate your Location Franchise in strict compliance with: (i) all of the terms and conditions of the Franchise Agreement; (ii) all standards and procedures that we specify (the “System”); and (iii) all mandatory provisions contained within our Manual for Location Franchises, as may be changed from time to time (“the Manual”).

Currently, the Clinics associated with Franchised Businesses are typically located in highly trafficked strip malls or other similarly suitable locations, or other locations, such as medical or corporate centers where chiropractic clinics are typically located. However, in the future we may offer the right to operate a Franchised Business in a “Non-Traditional Site.” For purposes of this Disclosure Document, a “Non-Traditional Site” means any site or channel that generates customer traffic flow that is independent from the general customer traffic flow of the surrounding area, including on or within the confines or premises of military bases, shopping malls or centers, stadiums, major industrial or office complexes, parking lots or structures, mobile vehicles, airports, hotels, resorts, school campuses, train stations, travel plazas, toll roads, casinos, hospitals, theme parks, and sports or entertainment venues. “Non-Traditional Sites” also may include the establishment and operation of a Clinic within a pre-existing business that does not operate under the Marks. For example, Clinics established within an urgent care center, retail store, or medical spa would qualify as Non-Traditional Sites. We would expect to grant franchises for Non-Traditional Sites

in self-contained locations such as college or university campuses, airports, hospitals, or sports arenas.

Market and Competition.

The market for Location Franchises includes all individuals who desire chiropractic care.

If you open a Franchise Business, the competition for the Clinic associated with your Franchised Business will include other businesses or professionals offering similar products and services to individuals. These competitors may include other chiropractic clinics, physical therapy specialists, hospitals and other medical facilities and franchises. Your Franchised Business may also face competition from businesses or professionals who operate multi-disciplinary medical and/or health practices, which offer chiropractic care along with other medical and health services to their clients or patients.

Laws and Regulations.

Professional Corporation/Management Company Structure

Except where unlicensed ownership and operation of a Clinic is allowed by applicable law, each Clinic must be owned and operated by one or more licensed professionals (typically chiropractors) that will provide chiropractic services in the state in which the Clinic is located. In those states that require a Professional Corporation (“P.C.”) (or similar entity, such as a professional limited liability company structure) to own and/or operate a chiropractic Clinic. If you are not a licensed professional and your state requires a P.C., then you, as the franchisee, will supply management and general business services to the P.C., who in turn will own and operate the chiropractic Clinic. In these situations, we expect the licensed professionals (typically chiropractors) will form the “P.C.” and operate it in accordance with local and state laws.

If you are not a licensed professional and your state requires a P.C., then you must sign both a Franchise Agreement with us to operate the Location Franchise and a management agreement (“Management Agreement”) with a P.C. before you begin operating the Franchised Business. Our current form of Management Agreement is attached to this Disclosure Document Exhibit H. Depending on the law of your state, if you are a licensed chiropractic professional and/or have your own P.C., you may not be required to execute a Management Agreement. Under a Management Agreement, a non-chiropractor franchisee will: (i) provide the P.C. with management, administrative services and general business and operational support consistent with the System; and (ii) generally support the P.C.’s chiropractic Clinic and its delivery of chiropractic services and related products to patients at the Clinic in compliance with all applicable laws and regulations.

If you are not a licensed professional, we strongly recommend that you hire a local healthcare lawyer to advise you on healthcare laws that will apply to your Franchised Business. You must use our applicable standard form of Management Agreement. However, you should have this form reviewed by your healthcare lawyer to determine whether any changes are necessary to comply with applicable state or local laws. We provide you a generic form of Management Agreement. It is your responsibility to ensure that it complies with the laws and regulations of your state. If needed, you may negotiate the monetary terms and certain other discretionary business terms of your relationship as a management company for the P.C. that will own and operate the Clinic and deliver chiropractic services for your Location Franchise. You must obtain our written approval of the final Management Agreement prior to signing it with a P.C. Prior to entering into any agreement with a P.C., you must also submit information about the P.C. and its licensed professionals, and their credentials, for our approval. You must maintain a current, conforming and compliant Management Agreement with a valid and approved P.C. who is in regulatory good standing at all times during the operation of the Franchised Business. You must obtain a credentialing report on every chiropractor that will provide chiropractic services at the Clinic (including you, if you are a chiropractor) to ensure that the chiropractor is properly licensed and in good standing.

The P.C. is responsible for employing and controlling chiropractors and any other chiropractic professionals and staff of the Clinic who provide actual chiropractic services to be delivered at the Clinic. A non-chiropractor franchisee may NOT provide nor direct the administering of any actual chiropractic services, nor supervise, direct,

control or suggest to the P.C. or its licensed chiropractors the manner in which the P.C. or its licensed chiropractors provide or administer actual chiropractic services to patients (unless we enter into a “Waiver Agreement” with the franchisee as described further below). Due to various federal and state laws regarding the practice of chiropractic medicine, and the ownership and operation of chiropractic Clinics and health care businesses that provide chiropractic services, it is critical that any unlicensed franchisee does not engage in practices that are, or may appear to be, the practice of chiropractic medicine. The P.C. is responsible for, and must offer all chiropractic services in accordance with, all manner of law and regulation, a conforming Management Agreement and the System. It is your sole responsibility to operate in compliance with all applicable state and federal laws in relation to privacy and security of individually identifiable information.

You must also ensure that your relationship with the P.C. complies with all laws and regulations. The P.C. who owns the Clinic must comply with all laws and regulations and secure and maintain in force all required licenses, permits and certificates relating to the operation of a Clinic. Franchisees may assist the P.C. in its effort to comply with such laws and regulations, but must do so under the direction of the P.C. Each state has medical, nursing, physician assistant, cosmetology, naturopathic, chiropractic and other boards that determine rules and regulations regarding their respective members and the scope of services that may legally be offered by their members. The laws and regulations generally include requirements for the medical providers to hold required state licenses and registrations to work as chiropractors and chiropractic assistants in the state where the Clinic is located, and to hold required certifications by, or registrations in, any applicable professional association or registry. These laws and regulations vary from state to state and may change from time to time.

Ownership and Operation of Clinics By Unlicensed Persons

In some states, it may be legally permissible for a non-chiropractor to both own and operate a Clinic and a Location Franchise, including hiring chiropractic and other professional personnel and providing chiropractic services to patients at the Clinic. If you are not a licensed professional and you determine that the laws applicable to chiropractic services in your state permit you to both own and operate a Clinic and a Location Franchise, you may request that we waive certain of the requirements of the Franchise Agreement related to separating the operation of the chiropractic aspects of the Clinic from the business management aspects of the Location Franchise. In particular, you: (a) may not need to enter into a Management Agreement with a P.C. that would, as a separate entity, own and operate the Clinic and provide all chiropractic services, and (b) may be able to directly hire and supervise chiropractic professionals. Any waiver, or any modification of our standards, would be subject to compliance with all applicable laws and regulations. If we agree to do a waiver, you must enter into an Amendment to Waive Management Agreement (“Waiver Agreement”) in the form attached to this Disclosure Document as **Exhibit I**. Under the Waiver Agreement, you agree that, instead of entering into the Management Agreement with a separate P.C., you will: (a) operate the Clinic, including performing all responsibilities and obligations of the “P.C.” under the Management Agreement; and (b) manage the Clinic as required by the Franchise Agreement and perform all of the responsibilities and obligations of the “Company” under the Management Agreement in compliance with all applicable laws and regulations.

You are responsible for operating in full compliance with all laws that apply to a Location Franchise and Clinic, and you must make your own determination as to your legal compliance obligations. The laws applicable to your Clinic may change. If any new or amended law or regulation is enacted in your state that would render your operation of the Clinic through a single entity (or otherwise) unlawful, you must immediately advise us of such new or amended law or regulation as well as the measures you intend to take to bring your Locational Franchise and Clinic into compliance with such new or amended law or regulation, including (if applicable) entering into a Management Agreement with a P.C. Similarly, if we discover and notify you of any such laws, you must immediately implement any changes that are necessary to comply with the new or amended law or regulation, including (if applicable) entering into a Management Agreement with a P.C.

Regardless of whether you are licensed or an unlicensed person or entity, you, as the franchisee, must not engage in the practice of chiropractic medicine, nursing, or any other profession that requires specialized training or certification, unless you are properly licensed to do so. The Franchise Agreement and Management Agreement will not interfere with, affect or limit the independent exercise of medical judgment by the P.C. and its professional staff.

It will be your responsibility for researching all applicable laws, and we strongly advise that you consult with an attorney and/or contact local, state and federal agencies before signing a Franchise Agreement with us, or a Management Agreement with a P.C., to determine your legal obligations and evaluate the possible effects on your costs and operations.

Other Laws and Regulations

You are responsible for operating in full compliance with all laws that apply to your Franchised Business and any Clinics that you own, operate and/or manage. The medical industry is heavily regulated. These laws may include federal, state and local regulations relating to: the practice of chiropractic medicine and the operation and licensing of chiropractic services; the relationship of providers and suppliers of health care services, on the one hand, and chiropractors and clinicians on the other, including anti-kickback laws (including the Federal Medicare Anti-Kickback Statute and similar state laws); restrictions or prohibition on fee splitting; physician self-referral restrictions (including the federal “Stark Law” and similar state laws); payment systems for medical benefits available to individuals through insurance and government resources (including Medicare and Medicaid); privacy of patient records (including the Health Insurance Portability and Accountability Act of 1996); use of medical devices; and advertising of medical services. While not all of these laws and regulations will be applicable to all Clinics, depending on location and services provided, it is important to be aware of and compliant with the regulatory framework. You should ensure that all employees that will work with patients in your Franchised Business undergo a background check.

You must secure and maintain in force all required licenses, permits and certificates relating to the operation of the Franchised Business and the other licenses applicable to Clinics. You must not employ any person in a position that requires a license unless that person is currently licensed by all applicable authorities and a copy of the license or permit is in your business files and displayed as may be required. You must comply with all state and local laws and regulations regarding the management of any Clinic.

You must also ensure that your relationship with any P.C. for which you manage Clinics complies with all laws and regulations, and that the P.C. complies with all laws and regulations and secures and maintains in force all required licenses, permits and certificates relating to the operation of a Clinic. Each state has medical, nursing, physician assistant, cosmetology, naturopathic, chiropractic and other boards that determine rules and regulations regarding their respective members and the scope of services that may legally be offered by their members. The laws and regulations generally include requirements for the medical providers to hold required state licenses and registrations to work as chiropractors and chiropractic assistants in the state where the Clinic is located, and to hold required certifications by, or registrations in, any applicable professional association or registry. If a state or jurisdiction has such a law or regulation, these laws and regulations are likely to vary from state to state, and these may change from time to time.

Based on our review of the laws of the various states, we expect that you will be required to work with a P.C. in the following states: Arkansas, California, Colorado, District of Columbia, Florida, Hawaii, Illinois, Kansas, Kentucky, Maryland, Michigan, Minnesota, New Jersey, New York, North Carolina, Oregon, Pennsylvania, Rhode Island, South Dakota, Tennessee, Washington, West Virginia, and Wyoming. However, you may be required to work with a P.C. in other states, depending on how those states interpret their own laws. Some states have not explicitly stated whether an unlicensed person can own and/or operate a chiropractic Clinic in their state. You understand that it is your responsibility to operate your Location Franchise in compliance with the laws and regulations of your state. This may mean that you may have to alter the structure of your franchise and begin working with a P.C., if the state you operate in does not allow, or decides to no longer allow, an unlicensed person from owning and/or operating a chiropractic Clinic.

Some states may permit an unlicensed person from owning and operating a chiropractic Clinic, but require you to first obtain a license or permit (i.e., Alabama, Massachusetts). You understand that it is your responsibility to obtain all necessary licenses or permits to operate your Location Franchise.

In addition, you must operate the Franchised Business in full compliance with all applicable laws, ordinances and

regulations, including, without limitation, government regulations relating to occupational hazards, health, HIPAA, data privacy and recordkeeping regulations and guidance, EEOC, OSHA, discrimination, employment, sexual harassment, worker's compensation and unemployment insurance and withholding and payment of federal and state income taxes, social security taxes and sales and service taxes. You agree to execute all documents, including documents with us, our agents, affiliates, etc., or others, to ensure compliance with any applicable laws, whether such laws are applicable now or in the future. You should consult with your attorney concerning those and other local laws and ordinances that may affect the operation of your Franchised Business.

LITIGATION

Carmel Mountain et al. v. The Joint, Case No. 01-15-0004-1604 (arbitration demand filed on July 7, 2015; dismissed with prejudice on December 20, 2016).

Six former and/or current franchisees (Carmel Mountain The Joint Enterprises, Inc., Carmel Valley The Joint Enterprises, Inc., Carmel Valley The Joint Enterprises, Inc., Funny Bones, LLC, Global Family Enterprises, LLC; Menifee The Joint Enterprises, Inc., Poway The Joint Enterprises, Inc., R&D Management Solutions, LLC; Rancho Bernado The Joint Enterprises, Inc., Timothy Reed and Jamey Jacquemond, Santee The Joint Enterprises, Inc., SJD Corp., Solano Beach The Joint Enterprises, Inc., and Southern California The Joint Enterprises, Inc., 'Claimants') filed a Demand for Arbitration against The Joint Corp. alleging breach of contract, breach of implied covenant of good faith and fair dealing, wrongful termination, fraud, promissory fraud, negligent misrepresentation, and claims under or arising out of violations of Section 31300, 31301, 31201 and 31202 of the California Franchise Investment Law. The Joint Corp. vigorously denied liability for all of Claimants' claims and asserted counterclaims against each Claimant for breach of contract, breach of guaranty, among other claims, and sought a declaratory judgment that termination was proper because Claimants failed to adhere to the development schedules in their respective franchise agreements. The Joint Corp., through its counterclaim, sought damages for each unopened license, in accordance with the terms of the parties' franchise agreements. The parties entered into a settlement agreement dated December 12, 2016, in which they each disclaimed any liability as to the respective claims and counterclaims, and mutually agreed that it was in their best interests to resolve their differences through settlement rather than arbitration. Under the terms of the settlement, The Joint Corp. agreed to the following: 1) to pay the Claimants the sum of \$800,000, \$600,000 of which was paid by The Joint Corp.'s insurance carrier and \$100,000 of which was paid through the issuance of \$100,000 worth of shares of common stock in The Joint Corp. to Claimants and their counsel; and 2) to waive, for a limited time, the transfer fees that would otherwise be due to The Joint Corp. if the Claimants elect to sell any of their currently-operating franchises. The parties also agreed to exchange mutual general releases. The arbitration was subsequently dismissed with prejudice, based on the parties' stipulation, on December 20, 2016.

Except for the 1 action listed above, no litigation is required to be disclosed in this Item.

Item 4

The tables above and accompanying notes describe the nature and amount of all other fees that you must pay to us or our affiliates, or that we or our affiliates impose or collect in whole or in part for a third party, whether on a regular periodic basis or as infrequent anticipated expenses, in carrying on your Location Franchise:

Explanatory Notes:

- (1) Except for some product and service purchases and advertising cooperative payments, all fees are uniform, and are imposed by, collected by, and payable to us. We have in the past, and may in the future, waive or defer some of the fees set forth in the table. However, we will not do so unless we determine in our sole and absolute discretion that it is in the best interest of the franchise system as a whole. All fees are non-refundable.
- (2) You must pay all amounts due to us by automatic debit. After you sign the documents we require to debit your business checking account automatically for the amounts due, we will debit your bank account for the Royalty Fee, Advertising Fee, and other amounts you owe us, including administrative fees. You must make funds available for withdrawal from your account before each due date.

If you do not report accurately your Location Franchise's gross revenues for any week, then we may debit your account for 120% of the Royalty Fee and Advertising Fee amounts that we debited during the previous week. If the Royalty Fee and Advertising Fee amounts we debit are less than the Royalty Fee and Advertising Fee amounts you actually owe us (once we determine the franchise's actual gross revenues for the week), then we will debit your account for the balance on the day we specify. If the Royalty Fee and Advertising Fee amount we debit is greater than the Royalty Fee and Advertising Fee amount you actually

owe us, then we will credit the excess amount, without interest, against the amount we otherwise would debit from your account during the following week.

- (3) “Gross revenues” means the total of all revenue and receipts derived from the operation of the franchise, including all amounts received at or away from the Location Franchise, or through the business the Location Franchise conducts (such as fees for chiropractic care, fees for the sale of any service or product, gift certificate sales, and revenue derived from products sales, whether in cash or by check, credit card, debit card, barter or exchange, or other credit transactions); and excludes only sales taxes collected from customers and paid to the appropriate taxing authority, and all customer refunds and credits the franchise actually makes. For Franchisees that operate as the management company for a P.C. and any of its clinics under a Management Agreement, “gross revenues” is the total of all revenue and receipts derived from the operation of the Location Franchise, before any reductions related to the total amount of any chargebacks, collections, credit card or payment disputes, or other customer debts, and also includes all revenues and receipts of the P.C. and any of its clinics, even if those revenues are not recognized on your books.
- (4) The monthly charge of our proprietary office management software, and other required software necessary to operate your franchise, is currently \$599. We reserve the right to increase this fee up to \$799 after giving you 30 days prior written notice. This fee allows the Franchisee to access the contents of our site and resources and to use our proprietary PCI compliant software.
- (5) In addition to products and services that you are required to purchase from us, we or our affiliates may offer you products and services to assist you in connection with the operation of your franchise. Some of these services are included as part of the initial franchise fee (such as site location assistance) while others are currently free (such as assistance with recruiting and/or HR services). However, we or our affiliates, as applicable, may charge you a fee if you choose to use us or our affiliates in connection with other optional services. The optional service fee would not exceed \$1,000 per day.
- (6) If you fail to pay the premiums for insurance required to operate your franchise, including but not limited to, general or professional liability insurance, or to include us as an additional insured on such insurance, we may obtain such insurance coverage for you and you will be required to reimburse us within 10 days of receipt of a demand for reimbursement from us, together with a \$500 administrative fee per event, and any other fees, including attorneys’ fees, incurred by us. We will have the right to debit your account the amounts owed to us for such premiums and fees if you fail to pay us within 10 days of our request for reimbursement.
- (7) If you renew your franchise rights, you must pay us \$600 Design Fee for any changes in the clinic's general design. In all other situations, the Design Fee currently is \$1,000. If we prepared the design for the clinic (for which you already paid our Design Fee) and you want to change any aspect of the design, you must pay us an additional \$500 for each change in the design plans. In all instances, the Design Fee is non-refundable.
- (8) You must reimburse us for reasonable expenses incurred by us in investigating and processing any proposed new owner where a transfer is not finalized, for any reason, and you will be responsible for all expenses we incur including but not limited to attorneys’ fees we incur, up to a total of \$5,000. If you are in default of your Franchise Agreement, or any other agreement with us, we may deny you the right to transfer the License and/or in addition to the Transfer Fee, should we permit the transfer, we may require you to pay any amounts we deem necessary, in our sole discretion, to cure the default(s), provided that the default(s) is/are curable. For transfers of an ownership interest of less than 5% or transfers of any ownership interest to a spouse, child, sibling, or parent, or a trust or similar entity, which do not result in creation of a controlling ownership stake, you must pay an administrative fee of \$2,500 (which is paid in lieu of the \$15,000 transfer fee). You may not transfer or sell an unopened License unless we permit the transfer or sale in writing, and in accordance with the terms of your franchise agreement.
- (9) Any Location Franchise relocation site needs to be approved by the Company in the same manner as the approval of the Location Franchise’s initial site and must be within the same trading areas as the previous Clinic location, as same is determined by us in our sole and absolute discretion. The relocation fee is due to

the Company within a week after the site approval by the Company.

- (10) If the franchise owners dies or becomes permanently disabled, the owner's interest must be transferred in accordance with the Franchise Agreement. While the transfer is pending, we have the option to manage and operate the Clinic on your behalf for up to 12 months. In addition, if you are in default and we have the right to terminate your franchise, we have the option to manage and operate the Clinic on your behalf for up to 24 months. If we manage your Clinic, you must reimburse us for all expenses that we incur, including travel, lodging and living expenses. In addition, we may charge you a commercially reasonable management fee for the management services rendered. The management fee will be a flat monthly fee that is reasonable in light of the services to be performed and the management rate typically paid in your market for a comparable position.
- (11) You must pay the termination fee, plus any costs and attorneys' fees incurred by us, if you improperly attempt to terminate or close your Location Franchise or Franchise Agreement before your term expires, or we terminate your Franchise Agreement for any reason set forth in the Franchise Agreement. We may also recover from you any damages suffered by us (e.g., lost future revenues) resulting from your improper or wrongful termination of the franchise. Termination fees may be unenforceable in certain states.

Explanatory Notes:

*These estimated initial expenses are our best estimate of the range of costs you may incur in establishing and operating your franchise. Our estimates are based on our experience (see Items 1 and 2), and our current requirements for Franchised Businesses. The factors underlying our estimates may vary depending on a number of variables, and the actual investment you make in developing and opening your franchise may be greater or less than the estimates given, depending upon the location of your franchise, specific cost structure and current relevant market conditions, especially those for occupancy costs, marketing expenses and labor costs. Your costs will also depend on factors such as how well you follow our methods and procedures; your management skills; your business experience and capabilities; local economic conditions; the local market for our products and services; the prevailing wage rates; competition; and sales levels and the rate of sales growth that you are able to achieve during your initial phase of business operations and thereafter.

** None of the fees or costs paid to us listed in the table above are refundable.

- (1) See Item 5 for more information about the Initial Franchise Fee for Location Franchises. This includes a credit of the \$10,000 Initial Application Fee paid when you sign the LOI.
- (2) This estimate includes security deposits commonly required by the landlord and utility companies, but not your telecommunications service.
- (3) Your actual rent payments may vary, depending upon your location, its size and your market's retail lease rates and negotiated terms. We recommend that you lease a space of no less than 1,000 square feet with access to bathrooms, and provisions for telecommunication equipment and office furniture. We estimate your initial expenses for leasing space during the first three months may range from \$9,000 to \$27,000 depending on the size and location of the Location Franchise.

If you purchase instead of lease the Premises for your Location Franchise, then the purchase price, down payment, interest rates, and other financing terms will determine the amount of your monthly mortgage payments.

- (4) This estimate does not include any construction allowances that may be offered by your landlord or presume a specific delivery condition. Building and construction costs will vary depending upon the condition of the Premises for the Location Franchise, the size of the Premises, and local construction costs. The estimate does not take into account any tenant improvement allowances or enhanced delivery conditions that may be given by the landlord.
- (5) These estimates assume you will purchase your signage. The type and size of the signage you actually install will be based upon the zoning and property use requirements and restrictions. There could be an occasion where signage is not permitted because of zoning or use restrictions. You may have the opportunity to purchase additional signs for your location, which may increase your required initial investment for exterior signage.
- (6) You will need to purchase office furniture for the operation of your Location Franchise, including workstations and chairs, file cabinets, shelving, and an initial inventory of forms, stationary and other items.
- (7) See Item 11 for more details about computer systems and software.
- (8) You may be required to obtain business licenses from the local government agency to operate your Franchised Business and/or enter into a Management Agreement with a PC in those states that require a PC to own the chiropractic practice. We have estimated these costs will be between \$750 and \$1,800 just for business licenses depending upon the jurisdiction. Management agreements and affiliations with PCs and any associated legal and/or accounting or set-up fees are variable depending upon state laws and regulations and the negotiated arrangement with the PC.
- (9) You may incur legal fees, accounting fees and other professional fees in order to incorporate your business, set up a PC, review agreements relating to the operation of the franchise, to perform background checks and personality profiles of potential employees and medical professionals, and to perform all necessary tax filings and to set up a small business or a PC, including a general ledger, tax reports, payroll deposits, etc.
- (10) We estimate that your annual cost of insurance will range from \$4,000 to \$8,000. You must purchase all insurance necessary to operate your franchise, including but not limited to, professional liability insurance for all chiropractors who work in or supervise each clinic, as outlined in our Manual. We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverage to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards, changing economic conditions, or other relevant changes in circumstances. All insurance policies you purchase must name us and any affiliate we designate as additional insureds, and provide for 30 days' prior written notice to us of a policy's material modification or cancellation. If you fail to obtain or maintain the insurance we specify, we may (but need not) obtain the insurance for you and the Location Franchise on your behalf (see Item 6). The cost of your premiums will depend on the insurance carrier's charges, terms of payment, and your insurance and payment histories. Our insurance requirements are set forth in Item 8, and may be updated from time to time by way of updates to our Manual or other written communications.
- (11) HIPAA Compliance tools and resources to maintain HIPAA compliance at the Clinic at all times. The program with our vendor is a web-based product that provides all tools necessary to maintain HIPAA compliance, including employee training modules, templated policies and procedures and risk assessments.
- (12) All chiropractors at your Clinic must be credentialed. You must obtain a credentialing report from our required vendor on every chiropractor that will provide chiropractic services at the Clinic (including you, if you are a chiropractor). You must obtain updated credentialing reports at least annually (or more frequently if there are lawsuits, complaints, etc. involving the chiropractor). You must provide us with copies of all credentialing reports that you obtain. The purpose of the credentialing report is to ensure that the chiropractor is properly licensed and in good standing. The reports include background checks, education verification, license verification, liability insurance verification and ongoing monitoring of state board sanctions. You

may not allow any chiropractor to provide chiropractic services at the Clinic or access your computer system (or other related franchise systems) unless he or she has an “approved clearance” credentialing report (as further described in the Manual). We estimate the cost of the credentialing report will be approximately \$100 per report. You are solely responsible for obtaining these reports and paying the associated costs. This item estimates the costs for obtaining credentialing reports on the initial chiropractors who will provide chiropractic services at the Clinic.

- (13) We estimate that your travel expenses for initial training will be \$2,500 to \$5,000. While the Company does not charge for training, the Franchisee is required to pay his transportation to and from our training site and pay for his/her living arrangements and food during the time of training. The Company estimates costs of \$250 per day, per person, for lodging, food and other miscellaneous expenses, plus travel expenses to and from Franchisee’s personal residence.
- (14) You are required to spend a minimum of \$14,000 (excluding your Minimum Local Advertising Requirement and any pre-opening marketing expenses) in verifiable marketing costs to publicize the grand opening of your Clinic. You must spend this amount in accordance with the Manual during the 120-day period that begins 60 days prior to the opening of your Franchise, and ends 60 days after the opening of your Franchise. The high estimate assumes you choose to spend more than the minimum required amount.
- (15) The estimate of additional funds is based on an owner-operated business and does not include any allowance for an owner’s draw or account for charges for their applied labor. The estimate of \$30,000 to \$55,000 is for a period of at least 3 months. The Company estimates that, in general, you should expect to put additional cash into the business until you achieve sales and incur operating expenses that allow you to achieve monthly operating break-even at your Location Franchise. Those rates and dollar amounts will vary depending upon your circumstances and performance.
- (16) We have relied on our experience in this industry in compiling these estimates. You should review these figures carefully with a business advisor, lawyer and/or accountant and financial advisor before making any decision to purchase this franchise opportunity. As set forth in Item 10, we do not offer direct or indirect financing for the initial investment.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Required Purchases of Goods and Services

You must purchase certain products, supplies, insurance, inventory, signage, fixtures, furniture, equipment, décor software and other specified items under specifications and standards that we periodically establish in our Manual or other notices we send to you from time to time. These specifications are established to provide standards for performance, durability, design and appearance and support the System. You must purchase such products, supplies, insurance, etc. required for the operation of your Franchised Business solely from suppliers (including distributors, manufacturers, and other sources) who have been approved in writing by the Company, as set forth in the Manual. You are not allowed to purchase any item from an unapproved supplier. When selecting suppliers, we consider all relevant factors, including the quality of goods and services, service history, years in business, capacity of supplier, financial condition, terms and other requirements consistent with other supplier relationships. We maintain written lists of approved items of equipment, fixtures, inventory, and supplies (by brand name and/or by standards and specifications) and lists of approved suppliers for those items. All such suppliers and approved vendors will be listed in the Manual, which must always be followed, even as modified and updated by the Company. We will notify you whenever we establish or revise any of our standards or specifications, or if we designate approved suppliers for products, equipment or services at least 30 days prior to the effective date of the change. We may notify you of these changes electronically by email.

We are currently an approved supplier of computer software. There are no approved suppliers in which any of our officers owns an interest. We may designate ourselves or a third party to be the exclusive supplier for digital marketing and advertising services in the future. If we do, you will be required to discontinue using other suppliers for these services. You must comply with our requirements to purchase or lease real estate, goods, and services according to our specifications and/or from approved suppliers to be eligible to renew your franchise. Failure to comply with these requirements will render you ineligible for renewal, and may be a default allowing us to terminate your franchise.

Approval of Alternative Suppliers

The Company does not have any specific written criteria for supplier selection and does not intend at this time to prepare one. Therefore, the Company will not furnish its criteria for supplier approval to Franchisees. If you would like to purchase any items from any unapproved supplier, then you must submit to us a written request for approval of the proposed supplier. We have the right to inspect the proposed supplier's facilities, and require that product samples from the proposed supplier be delivered, at our option, either directly to us, or to any independent, certified laboratory that we may designate, for testing. We may charge you a supplier evaluation fee (not to exceed the reasonable cost of the inspection and the actual cost of the test) to make the evaluation. We reserve the right to periodically re-inspect the facilities and products of any approved supplier, and revoke our approval if the supplier does not continue to meet any of our criteria. If we revoke our approval of a supplier, we will notify you by email and the change will become effective immediately upon notice from us.

Revenue from Franchisee Purchases

In 2022, we received revenue from Franchisee required purchases from 2 vendor/suppliers: 1) Paysafe group (merchant credit card services); and 2) 3form, LLC (hardware vendor). We did not generate revenue from Franchisee purchases of required products or services from any other vendors/suppliers. In 2022, we received a rebate equal to 35 basis points (0.35%) on each credit card transaction. We receive a rebate from 3form in the amount of 5% net on sales of products to our Franchisees.

In 2022, we received gross revenues of \$1,323,197, or approximately 1.4% of our total revenues of \$101,911,409 from Franchisee-required purchases of computer hardware, software and related services from us. Our gross revenue

from these required purchases does not take into account labor, equipment and shipping charges we incurred in providing this equipment. All Franchisees are required to sign an agreement with our required vendors for credit card services (Paysafe group) and for music (Spectrio, LLC). A copy of each of these agreements is attached in **Exhibit K**. The exact form of these agreements may change from time to time.

The cost of purchasing required products and services to our specifications will represent approximately 5% of your total purchases in establishing your franchise and approximately 30% of your total purchases during the operation of your franchise.

We may receive revenue or other consideration from any other suppliers for goods and services that we require or advise you to purchase. In the event we enter agreements with any such suppliers, we anticipate that any revenue or other consideration received will include certain promotional allowances, rebates, volume discounts, and other payments, that may range from 0-10% of the amount of the goods or services you purchase from the supplier. We expect that at least some of these arrangements will generally allow us to obtain discounts from standard pricing, and that it may facilitate our ability to pass along a portion of the savings to you.

Negotiated Prices, Cooperatives and Material Benefits

We negotiate price terms and other purchase arrangements with suppliers for you for some items that we require you to lease or purchase in developing and operating your Location Franchise. There currently are no purchasing and distribution cooperatives. We do not provide any material benefits to you if you buy from sources we approve.

Advertising Specifications. You must obtain our approval before you use any advertising and promotional materials, signs, forms and stationary unless we have prepared or approved them during the 12 months prior to their proposed use. You must purchase certain advertising and promotional materials, brochures, fliers, forms, business cards and letterhead from approved vendors only. Further, you must not engage in any advertising of your Franchised Business unless we have previously approved the medium, content, method and provider.

Price Restrictions. To the extent permitted by applicable law, we may periodically establish maximum and/or minimum prices for services and products that Franchise locations offer, including without limitation, prices for promotions in which all or certain Location Franchises participate. If we establish such prices for any services or products, you cannot exceed or reduce that price, but will charge the price for the service or product that we establish. You will apply any pricing matrix or schedule established by us. However, in states where you must enter a Management Agreement this provision will be modified, to the extent legally permissible, to conform to the laws of the state where your Franchise location will be located.

Records. All of your bookkeeping and accounting records, financial statements, and all reports you submit to us must conform to our requirements. All reports must be submitted in a timely manner in accordance with the dates we set from time to time.

Chiropractor Credentialing Reports

You must purchase and provide us with copies of credentialing reports on all chiropractors before they may provide chiropractic services at the Clinic. You must obtain updated credentialing reports annually (or on a more frequent basis depending on whether there are lawsuits, complaints, etc. involving the chiropractor). You must obtain these reports from reporting agencies that we designate or approve.

HIPAA Compliance. You must pay our approved vendor(s) of HIPAA compliance for tools and resources to keep the Clinic HIPAA compliant. The program with our vendor is a web-based product that provides employee training modules, templated policies and procedures and risk assessments. The cost is currently \$47 per month but is subject to change at any time.

Computer-Related Equipment and Software. You must purchase for each Location Franchise a computer system and operating software that we specify from time to time. See Item 7 regarding the estimated initial cost of this

equipment. You will also be required to purchase from our approved supplier our proprietary office management software and other required software necessary for the operation of your franchise. You will also be required to pay a monthly fee of \$599 for the continuing use of our proprietary office management software and other required software. We reserve the right to increase this fee up to \$799 after giving you 30 days prior written notice. You will also be required to have access to a broadband Internet connection with staticIP at all times.

Insurance Requirements. Before you open the Franchise and during any Term of this Agreement, you must maintain in force, under policies of insurance written on an occurrence basis issued by carriers with an A.M. Best rating of A-VIII or better approved by us, and in such amounts as we may determine from time to time: (1) comprehensive public, sexual harassment, professional, product, medical malpractice and motor vehicle liability insurance against claims for bodily and personal injury, death and property damage caused by or occurring in conjunction with the operation of the Franchise or otherwise in conjunction with your conduct of the Franchise Business pursuant to this Agreement, under one or more policies of insurance containing minimum liability coverage amounts as set forth in the Manual; (2) general casualty insurance, including theft, cash theft, fire and extended coverage, vandalism and malicious mischief insurance, for the replacement value of the Franchise and its contents, and any other assets of the Franchise; (3) worker's compensation and employer's liability insurance as required by law, with limits equal to or in excess of those required by statute; (4) business interruption insurance for a period adequate to reestablish normal business operations, but in any event not less than 6 months; (5) any other insurance required by applicable law, rule, regulation, ordinance or licensing requirements; and (6) umbrella liability coverage with limits of not less than \$1,000,000/\$3,000,000 or such other amounts that we may establish. (7) Medical Malpractice occurrence based coverage with limits of not less than \$1,000,000/\$3,000,000 obtained from our required and approved vendors as established in the Operations Manual. We may periodically increase or decrease the amounts of coverage required under these insurance policies, and/or require different or additional kinds of insurance, including excess liability insurance, to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards, or other relevant changes in circumstances.

FINANCING

We do not offer direct or indirect financing. We do not guarantee your note, lease or obligations.

Item 11

FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations:

Before you open your Location Franchise for business, we or our designee will:

1. Review and accept or reject the proposed site for your Location Franchise ("Premises"). Unless we agree otherwise, you must locate and select a proposed site for the Premises that is acceptable to us as suitable for the operation of a Location Franchise. Your proposed site must be submitted in accordance with our policies and procedures and must be reviewed and approved by us. In reviewing a proposed site, we will consider factors such as parking, size, traffic counts, general location, existence and location of competitive businesses, general character of the neighborhood and various economic indicators. Acceptance of a proposed site shall be at our sole and absolute discretion and shall not constitute, nor be deemed, a judgment as to the likelihood of success of a Location Franchise at such location, or a judgment as to the relative desirability of such location in comparison to other locations. We will accept or reject any proposed site within 15 business days of receipt of a completed site submission package, as same may be defined and modified by us from time to time in its sole and absolute discretion. Your failure to submit a completed site acceptance package and request and secure our acceptance of a proposed site in a timely manner shall not be reason for extending the date for opening set forth in your Franchise Agreement. We do not typically own the premises for franchised Location Franchises and lease them to the franchisee. (Franchise Agreement – Section 3.1)

2. You must obtain lawful possession of the Premises by executing a lease for the Premises ("the Lease") after our acceptance of the Premises associated with the site submittal package and accepted site. The Lease for the Premises must include the form of Addendum to Lease, attached as Exhibit 3 to the Franchise Agreement. Before executing a lease, you should have it reviewed by an attorney of your choice. Your lease must state, among other things, that its terms are subject to our acceptance. (Franchise Agreement – Section 3.1)

3. (Not applicable to renewing franchises or purchasers of existing franchised Clinics.) After we receive the completed pre-construction forms and as-built drawings for your Clinic location, we will provide you with a clinic floor plan design. (Franchise Agreement, Section 3.2). These initial floor plans provided by The Joint Corp are not for construction use; they must be converted by a licensed Architect and engineer to permit drawings to ensure city/state code is met.

4. Identify the products, materials, supplies, and services you must use to develop and operate your Location Franchise, the minimum standards and specifications that you must satisfy in developing and operating the franchise, and the designated and approved suppliers from whom you must or may buy or lease these items (which might be limited to or include us and/or our affiliates). (Franchise Agreement – Section 3.1; see Item 8 for additional information.

5. Grant you access to our primary operations manual for Location Franchises along with other materials which contains our mandatory and suggested specifications, standards and procedures for operating your Location Franchise (collectively referred to as our "Manual"). (Franchise Agreement – Section 5.1-5.2). **Exhibit C** to this Disclosure Document sets forth the Table of Contents for Manual, which consists of approximately 348 pages. Our Manual contains our System Standards and information about your other obligations under the Franchise Agreement. The following documents and resources are considered a part of our Manual:

- Operations Manual for Location Franchises
- DC Recruiting Toolkit
- Grand Opening Workbook
- Grand Opening Toolkit and Marketing Toolkit

- Patient Experience Assessment
- Brand Guidelines
- Recruiting Resources Guide
- Training Toolkit

We may modify the contents of the Manual periodically to reflect changes in System Standards, or send out other electronic communications to you about changes or updates to the System, the Manual, and our policies and procedures. You are required to be in compliance with the most current version of our Manual, as well as our most current policies and procedures. The Manual is confidential, and you may not copy, duplicate, record or otherwise reproduce any part of it. You may ask to view our Manual at our corporate headquarters before purchasing your Location Franchise, but must first sign a nondisclosure agreement (**Exhibit E** of this Disclosure Document) promising not to reveal any of the information contained in the Manual without our permission.

6. Provide you with specifications for the computer system for your Location Franchise (Franchise Agreement – Section 3.4). See below for additional information about these specifications.

7. Guide and assist you with the development and implementation of a local grand opening program, which will include parameters that must be met before you obtain our approval to open your Location Franchise, including the collection of at least 200 leads from prospective new patients (Franchise Agreement – Section 3.1(d)).

8. No later than 30 days before your Location Franchise opens for business, provide to you, other members of your management team, and any agents you employ our initial training program for Location Franchises (Franchise Agreement – Section 5.1). You (if you are an individual) or at least one of your Owners as defined in your Franchise Agreement (if you are a legal entity) must complete this initial training program to our satisfaction. Your general manager must be approved by us and complete this initial training program to our satisfaction. The training program includes classroom instruction at our headquarters in Scottsdale, Arizona, and on-the-job training at either a training facility or a location we designate. There will be no tuition charge for these training programs for any persons who attend, but you must pay any wages or compensation owed to, and all travel, lodging, meal, and transportation expenses incurred by, all of your personnel who attend the training programs. All persons who attend our initial training program must complete it to our satisfaction.

9. Provide at the Company's expense an opening supervisor to assist you with the Location Franchise's operational efficiency, staff training, Location Franchise setup and opening of your Location Franchise for 1 day before the opening of your first Location Franchise and for 1 day after the opening of your first Location Franchise (Franchise Agreement – Section 3.6).

Time to Open:

We will agree on the time you must open your Location Franchise for business when you sign your Franchise Agreement, but we typically will require you to open no more than 300 days after you sign your Franchise Agreement. If no opening date is listed in your Franchise Agreement, your opening date will be 300 days after you sign the Franchise Agreement. Factors affecting this length of time before you open include locating a site for the Premises and signing a lease, construction or remodeling of the site (if required), completion of required training, financing arrangements, local ordinance and building code compliance, delivery and installation of equipment, and hiring and training of your staff, securing of all manner of permits and operational licenses and approvals. We do not provide you with assistance in conforming the Premises to local ordinances and building codes, obtaining any required permits, constructing, remodeling or decorating the Premises. We also do not provide you with assistance in the hiring or training of employees. You will be exclusively responsible for the terms of your employees' and independent contractors' employment and compensation, and for the proper training of your employees and independent contractors in the operation of the Location Franchise.

If you are delayed from opening your Location Franchise by the opening deadline in your Franchise Agreement, you must provide us with a written request to extend the deadline, which we may or withhold in our sole discretion. The request must state: (1) that a delay is anticipated; (2) the reasons which caused the delay; (3) the efforts that you are

making to proceed with the opening; and (4) an anticipated opening date. In considering the request, we will not unreasonably withhold our consent to a delay if you have been diligently pursuing the opening.

Unless we agree to extend the opening deadline, if you do not open your Franchise for business by the deadline, you will be considered in default of your Franchise Agreement. Upon receipt of written notice from us of your default, you must cure your default by opening your Franchise for business no more than 90 days after receipt of notice of the default, or 180 days after the original opening deadline, whichever occurs first. If you fail to cure your default, we have the right to terminate your Franchise. (Franchise Agreement – Section 3.1 and 15).

Regardless of whether you open your Franchise for business by the opening deadline, you will be required to pay us the minimum royalty fee of \$700 starting 30 days after the original opening deadline. (Franchise Agreement – Sections 3.1 and 6.2).

Post-Opening Obligations:

After your Location Franchise opens for business, we or our designee will:

1. Provide you with guidance and assistance in the following areas: (a) the products and services authorized for sale by the Location Franchise, and specifications, standards, and operating procedures used by Location Franchises; (b) purchasing approved equipment, furniture, furnishings, signs, products, operating materials, and supplies; (c) development and implementation of local advertising and promotional programs; (d) administrative, bookkeeping, accounting, inventory control and general operating and management procedures; (e) establishing and conducting employee training programs at the Location Franchise; (f) changes in any of the above that occur from time to time; and (g) specify any approved brands, types and/or models of equipment, furniture, fixtures, and signs (Franchise Agreement – Section 5.1).

2. Continue lending to you a copy of our Manual (Franchise Agreement – Sections 5.1-5.2).

3. Allow you to use our Marks and confidential information in operating your Location Franchise (Franchise Agreement – Sections 7 and 9). You must use the Marks and confidential information only as authorized in the Franchise Agreement and our Manual.

4. Indemnify you against damages for which you are held liable in any proceeding arising out of your use of our Marks in compliance with the Franchise Agreement, and reimburse you for costs you incur in defending against any such claim (Franchise Agreement – Section 7.5).

5. As we deem appropriate, provide you with supplemental training programs (Franchise Agreement – Section 4.2). We may hold training programs for you and your staff regarding new techniques, services or products, and other appropriate subjects. We may decide to hold these training programs at our own initiative, or in response to your request for additional or special training. We will determine the location, frequency, and instructors of these training programs. We may, but do not currently, charge you a daily attendance fee in an amount to be set by us for each owner, officer, director, manager, or employee of yours who attends any mandatory or optional training program (not to exceed \$1,000 per day). You must pay this fee to us in a lump sum before the training program begins. You must pay for all travel, lodging, meal, and personal expenses related to your attendance and the attendance of your personnel.

6. Review and approve or disapprove your advertising, marketing, and promotional materials (Franchise Agreement – Section 11.2).

7. As we deem advisable, conduct inspections and/or audits of your Location Franchise, including evaluations of its training methods, techniques, and equipment; its staff; and the services rendered to its customers (Franchise Agreement – Section 13.1). We may provide you with additional guidance and training based on the results of these inspections and/or audits.

8. If requested by you, we may provide you with a Company's employee or agent to assist you with

the operation of your Location Franchise (“Store Assistance”). You will be responsible to pay to the Company a daily fee (currently set at \$300) - the Company reserves the right to adjust this fee as it deems appropriate) in addition to the actual costs (including but not limited to travel, meals, lodging, car rental, etc.) for the Store Assistance (Franchise Agreement – Section 5.1).

Advertising and Marketing:

Advertising by You (Franchise Agreement – Section 11.2)

You are required to contribute to the advertising of your Location Franchise in your local market area, in the minimum amount of \$3,000 per month or 5% of your monthly Gross Revenue, whichever is greater (“Minimum Local Advertising Requirement”). This is separate from the amounts you will spend for your Grand Opening and the National Marketing Fund. You will be responsible for the local marketing of your Location Franchise. You may only use advertising material that is approved by us. We have the right to require you to use one or more required suppliers for your local advertising. We may require you to spend all or a portion of the Minimum Local Advertising Requirement with such required suppliers. We reserve the right to collect such amounts directly from you via EFT to pay such required suppliers. You must provide us (in a form we approve or designate) evidence of your required local advertising, marketing and promotional expenditures by the 30th day of each month, for the preceding calendar month, along with a year-to-date report of the total amount spent on local advertising. We may require, at our sole discretion, that you submit an annual marketing plan with details on planned expenditures of local advertising dollars. Any advertising or marketing material that you intend to use must receive prior written approval from us. If you do not receive our written disapproval within 15 days from the date the materials are delivered to us, then the materials will be deemed approved. The approval of the marketing or advertising material is valid for one year.

Advertising Cooperatives (Franchise Agreement – Section 11.3)

You are required to join and participate in any Advertising Cooperative (“Co-op”) encompassing your Franchise Location that may be established. A Co-op is an association of all Franchisees whose Franchised Businesses are located within a Designated Market Area (“DMA”). A DMA is a geographic area around a county in which the radio and television stations based in that county account for a greater proportion of the listening/viewing public than those based in the neighboring counties. We reserve the right to form, change, dissolve or merge Co-ops.

One function of the Co-op is to establish a local advertising fund, of which the funds must be used for Location Franchises’ advertising and promotion only and for the mutual benefit of each Co-op member. We have the right to establish a Co-op and specify the manner in which any Co-ops are organized and governed, and require any and all Co-ops to be legal entities of the state where they are located. Co-ops must operate according to written bylaws which have been approved by us. Co-ops must provide us a copy of their organizational documents and bylaws prior to commencing any marketing or other activities. The Co-op will be administered by the members of the Co-op according to the governing documents. Copies of the Co-ops’ bylaws and other organizational documents will be made available to you upon request.

Currently, each Franchisee must contribute to a Co-op according to the Co-op’s rules and regulations, and bylaws, as determined by its members. Amounts contributed to Co-ops may be considered as spent for local advertising, if appropriately documented and spent according to our defined criteria for local advertising, and therefore may be applied towards the Minimum Local Advertising Requirement. We also reserve the right to determine the amount to be contributed by each member of the Co-op, as necessary. Any company-owned clinic operated by us or our affiliates that is located in a Co-op will contribute to the fund on the same basis as other franchisees in the Co-op. Co-ops will prepare annual unaudited financial statements that will be available, upon request, to franchisees that are members of the Co-op.

As of December 31, 2022, we had 44 Advertising Co-ops located throughout the U.S. The Company has the right to create additional Co-ops and to decide how they will be run. Currently, each Advertising Co-op is operating according to their respective bylaws. We have the right to specify the manner in which all Co-ops are organized and governed, and may require all Co-ops to be legal entities of the state where they are located.

Advertising by Us (Franchise Agreement – Section 11.1)

We may create one or several national and/or regional advertising funds (the “Ad Fund(s)”) for our Location Franchises (both Franchisee-owned and Company-owned) to accomplish those advertising and promotional programs we deem necessary or appropriate for the Location Franchises. However, we may choose to use only one Ad Fund to meet the needs of regional, multi-regional, and national advertising and promotional programs. As of the date of this Disclosure Document, we have only created 1 national advertising fund and there are no regional advertising funds.

Each Location Franchise must contribute to the Ad Funds for their area in such amounts that we periodically require. The current contribution amount is 2% of Gross Sales. The maximum contribution to the Ad Funds we may require from you is 3% of Gross Sales. Any Location Franchise owned by us will contribute to the Ad Funds on the same basis as you. We currently require that all new franchisees contribute to the Ad Funds on a uniform basis. However, 1 franchised Clinic that has been operating for years contributes on a different basis than all other franchisees (this franchised Clinic pays 1% of Gross Sales).

We will direct all marketing programs financed by the Ad Funds, and will have sole discretion over the creative concepts, materials, endorsements and distributions used by the Ad Funds, and the geographic, market, and media placement and allocation of the Ad Funds. We have the sole discretion to use the Ad Funds to pay the costs of administering regional, multi-regional, and/or national advertising programs, including purchasing direct mail and other media advertising; employing advertising agencies and supporting public relations, market research, and other advertising and marketing firms; and paying for advertising and marketing activities that we deem appropriate, including the costs of participating in any national or regional trade shows. We may in our discretion use Ad Funds to engage in advertising and promotional programs that benefit only one or several regions, and not necessarily all Location Franchises. We will not use the Ad Funds for advertising that is principally a solicitation for the sale of franchises.

The Ad Funds will be accounted for separately from our other funds, and will not be used to pay any of our general operating expenses, except for salaries, administrative costs, and overhead that we incur in activities reasonably related to the administration of the Ad Funds and their marketing programs, including preparing advertising, public relations, social media content and marketing communications and materials, and collecting and accounting for contributions to the Ad Funds. We may spend in any fiscal year an amount greater or less than the aggregate contributions to the Ad Fund in that year, and the Ad Funds may borrow from us or other lenders to cover the Ad Funds’ deficits, or invest any surplus for future use by the Ad Funds. We will not charge any interest for amounts that we loan to an Ad Fund. We do not know the interest rate that would be charged by a third-party lender although it would be based on then-current market conditions and interest rates. We will prepare an annual statement of monies collected and costs incurred by each Ad Fund, and will provide it to you upon written request. We do not prepare or provide audited financial statements for the Ad Funds.

During our fiscal year ending December 31, 2022, disbursements from the Ad Fund were spent as follows: 12.9% for production, 28.5% for media placement, 11.2% for administrative expenses and 47.4% on “Other” (other includes digital marketing and SEO, public relations, marketing research, chiropractor recruiting marketing and clinic/employee contests).

We may cause any Ad Fund to be incorporated or operated through an entity separate from us when we deem appropriate, and the entity will have the same rights and duties as we do under the Franchise Agreement. If established, the Ad Funds will be intended to enhance recognition of the Marks and to enhance the franchise opportunities available through our franchises. Although we will endeavor to use the Ad Funds to develop advertising and marketing materials and programs and place advertising that will benefit all Location Franchises, we do not have to ensure that the Ad Funds’ expenditures in or affecting any geographic area are proportionate or equivalent to the contributions made by Location Franchises in that geographic area, or that any Location Franchise will benefit from the development of advertising and marketing materials or the placement of advertising by the Ad

Funds directly or in proportion to the Location Franchise's contribution to the Ad Funds. We assume no direct or indirect liability or obligation to you or any other Location Franchise in connection with the establishment of an Ad Fund, or the collection, administration, or disbursement of monies paid into any Ad Fund.

We may suspend contributions to, and the operations of, any Ad Fund for any period we deem appropriate, and may terminate the Ad Fund upon 30 days' written notice to you. All unspent monies held by the Ad Fund on the date of termination will be distributed to us, our affiliates, and you and our other Franchisees in proportion to each party's respective contributions to the Ad Fund during the preceding 12-month period. We may reinstate a terminated Ad Fund upon the same terms and conditions set forth in the Franchise Agreement upon 30 days' advance written notice to you.

As of the date of December 31, 2022, we had 1 Advisory Board, the National Franchise Advisory Board ("NFAB"), which is currently comprised of 9 Franchisees, each who are elected by other Franchisees. NFAB advises the franchisor with respect to advertising and other franchise-related policies. NFAB serves only in an advisory function and does not have any operational or decision-making authority. We may, in our sole discretion, change or dissolve NFAB, or any other advisory councils or similar organizations we have formed or organized.

We, or our designated supplier, may become the required supplier of some or all digital marketing and/or other advertising services. If we do, you will be required to discontinue using any of your current suppliers for this service upon expiration of any existing contracts for these services, or within 30 days after receiving notice from us that we will be providing these services, whichever occurs first. Any amounts paid to us as the required supplier of digital marketing and/or other advertising services may be applied towards the Minimum Local Advertising Requirement.

We are not required to spend any amount on advertising in your territory.

Computer System (Franchise Agreement – Sections 3.4 and 6.6)

You must use the computer hardware and software (collectively, "Computer System") that we periodically designate to operate your Location Franchise. You must obtain the Computer System, software licenses, maintenance and support services, and other related services from the suppliers we specify (which may include or be limited to us and/or our affiliates). You are responsible for all costs and monthly fees associated with any such software licenses or programs, including any updates. We may periodically modify the specifications for, and components of, the Computer System. These modifications and/or other technological developments or events may require you to purchase, lease, and/or obtain by license new or modified computer hardware and/or software, and obtain service and support for the Computer System. The Franchise Agreement does not limit the frequency or cost of these changes, upgrades, or updates. We have no obligation to reimburse you for any Computer System costs. Within 60 days after you receive notice from us, you must obtain the components of the Computer System that we designate and ensure that your Computer System, as modified, is functioning properly.

We may charge you a reasonable fee for installing, providing, supporting, modifying, and enhancing any proprietary software or hardware that we develop and license to you; and (ii) other Computer System-related maintenance and support services that we or our affiliates provide to you. If we or our affiliates license any proprietary software to you or otherwise allow you to use similar technology that we develop or maintain, then you must sign any software license agreement or similar instrument that we or our affiliates may require.

You will have sole responsibility for: (1) the acquisition, operation, maintenance, and upgrading of your Computer System; (2) the manner in which your Computer System interfaces with our computer system and those of other third parties; (3) any and all consequences that may arise if your Computer System is not properly operated, maintained and upgraded; and (4) complying with all required antivirus protocols.

Unless otherwise disclosed above: (i) neither we nor any other party has any obligation to provide ongoing maintenance, repairs, upgrades or updates to your computer system; and (ii) we are not aware of any optional or required maintenance, updating, upgrading or support contracts relating to your computer system.

Your Computer System must be capable of supporting our required software, with Internet capability, and accessible by us remotely. You may also be required to purchase certain customer contact software and financial software, and to pay monthly charges associated with your Computer System. The specification regarding the required hardware and software for your Computer System are contained in the Manual.

We estimate the cost of purchasing the Computer System and related software and associated equipment will range from \$5,000 to \$10,000. In addition, you will be required to pay a recurring monthly charge for the use of our proprietary office management software and other required software. Currently this fee is \$599 per month (\$7,188 per year), but is subject to change. You will also be required to pay the monthly cost of maintaining verifiable high-speed Internet and static IP address access at your site. We estimate that this cost will be approximately \$100-\$350 per month (\$1,200 to \$4,200 per year). You must pay our required tablet vendor a tablet security fee of up to \$20 per tablet per year. You must also purchase HIPAA-compliant privacy screens for all your laptop screens, desktop monitors and other electronic devices (this cost is included in the cost of the Computer System).

The Payment Card Industry (“PCI”) Data Security Standard (“DSS”) is a comprehensive set of requirements that applies to all merchants who accept credit cards that is designed to ensure the safe handling of payment cardholder data. Knowledge of as well as compliance with the PCI DSS is the responsibility of the Location. You must meet the requirements of the PCI DSS and maintain PCI compliance with the current version of the PCI DSS. You must make periodic efforts to maintain awareness of enhancements and changes to the PCI DSS. With the exception of the specific services provided by us in consideration for the technology fee you pay to us, you have complete responsibility for using all required tools and vendors to complete the ongoing PCI requirements, including, but not limited to, quarterly external security scans and annual Self-Assessment Questionnaires. You are responsible for all costs relating to PCI compliance and data security issues, such as security threats, breaches, and malware. It is your responsibility to alert the Technology Department via the IT Help Desk within 24 hours of suspected or confirmed data security breach so appropriate action can be taken.

Your computer system will collect and store various data pertaining to your patients, including name, contact information, employment information, insurance information, medical history, diagnostic information, treatment information and payment information. Your computer system will also collect credit card information and sales data. We will have independent access to all of this information and there are no contractual restrictions on our right to access this data. Subject to applicable laws and in addition to the rights of you as a chiropractor (if applicable) and the rights of the applicable professional chiropractic corporation with whom you may work or manage, we will serve as a custodian of all medical information pertaining to your patients and we will comply with applicable privacy laws with respect to our collection, storage, sharing and use of this data. Your computer system may also collect clinic employee data and marketing data, although we will not have independent access to this data stored locally on your hard drive.

Item 12

TERRITORY

Location of Your Business

You will select for our approval the location of the Premises for your Location Franchise according to the requirements and within the time specified in the Franchise Agreement. We must approve any relocation of the Premises for your Location. We will apply the same criteria for the relocation of a franchised business as we apply when determining the location of a new franchise.

Your Territory

We will grant you a protected territory (“the Protected Territory”). We will define the Protected Territory in an addendum to the Franchise Agreement after you select and we accept the site for your Location Franchise. Typically, the Protected Territory will include between 10,000 to 25,000 households as defined by the natural traffic and trade patterns of your approved site. We will describe the Protected Territory using either longitude and latitude coordinates or a map that will show in general terms the fixed geographical boundaries (such as rivers, streets or highways). The geographic size of the Protected Territory will vary based upon population density and a variety of demographic factors. In dense urban areas, the Protected Territory may encompass a city block or less, and at Non-Traditional Sites we might limit your Protected Territory to the site of your Location Franchise. In less dense suburban areas, the Protected Territory could include an entire municipality.

We will not modify your Protected Territory during the franchise term. If you intend to renew or transfer the franchise, and your Protected Territory is larger than our then-current standard size for territories or the then-current demographics of your Protected Territory have changed, then we may reduce the size of your Protected Territory on renewal or require your transferee to operate the Location Franchise in a smaller territory. If we reduce the Protected Territory, we will give you or your transferee the option (as applicable) to develop the remaining territory.

You will not receive an exclusive territory. You may face competition from other Franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. However, if you are in full compliance with the Franchise Agreement, then during the Franchise Agreement term, neither we nor our affiliates will operate or grant a franchise for the operation of another Location Franchise or Company-owned The Joint® outlet located within your Protected Territory that offers the same or similar goods or services under the same or similar trademarks, except as otherwise permitted below under “Reserved Rights”.

Reserved Rights

We and our affiliates reserve the right to engage in any activities we deem appropriate that your Franchise Agreement does not expressly prohibit, whenever and wherever we desire, including the right to: (1) own, acquire, site build, or operate, for our own account, or grant to others the right to operate, Location Franchise on terms and conditions and at locations we deem appropriate outside of your Protected Territory; (2) to grant Regional Developer franchises which may encompass the area where your site is located; (3) provide or grant other persons the right to provide goods and services that are similar to and/or competitive with those provided by Location Franchises through any distribution channel, including, but not limited to, sales via mail order, catalog, toll-free telephone numbers, and electronic means, including the Internet under the Marks or trademarks and services marks other than the Marks; (4) engage in an Acquisition, including an Acquisitions that results in 1 or more competitive businesses operating within your Protected Territory using the Marks; and (5) establish and operate, or grant others the right to establish and operate, Clinics that are located within Non-Traditional Sites that are located anywhere, including within your Protected Territory. You will not receive compensation if we solicit or accept orders from inside your Protected Territory.

For purposes of the preceding paragraph, a “Non-Traditional Site” means any site or channel that generates customer traffic flow that is independent from the general customer traffic flow of the surrounding area, including on or within the confines or premises of military bases, shopping malls or centers, stadiums, major industrial or office complexes, parking lots or structures, mobile vehicles, airports, hotels, resorts, school campuses, train stations, travel plazas, toll roads, casinos, hospitals, theme parks, and sports or entertainment venues. A “Non-Traditional Site” also includes the establishment and operation of a Clinic within a pre-existing business that does not operate under the Marks. For example, Clinics established within an urgent care center, retail store, or medical spa would qualify as Non-Traditional Sites.

For purpose of the preceding paragraph, an “Acquisition” means either (i) a competitive or non-competitive company, franchise system, network or chain directly or indirectly acquiring us, whether in whole or in part, including by asset or stock purchase, change of control, merger, affiliation or otherwise or (ii) us directly or indirectly acquiring another competitive or non-competitive company, franchise system, network or chain, whether in whole or in part, including by asset or stock purchase, change of control, merger, affiliation or otherwise.

Right to Acquire Additional Territories or Franchises

The Franchise Agreement does not grant you any options, rights of first refusal, or similar rights to acquire additional territories or franchises.

Restrictions on Your Sales and Marketing Activities

We do not restrict you from accepting clients who live outside your territory. Similarly, clients who live in your territory may visit clinics outside of your territory. You are permitted to market your Clinic outside of your territory. However, you are not permitted to market or sell through alternative channels of distribution (such as the Internet, catalog sales, telemarketing or other direct marketing), either within or outside of your territory, without our prior written approval. You may not establish your own website or engage in any online or digital marketing without our prior written approval. If approved, your website and/or online or digital marketing must meet all of our standards, specifications and other requirements. There are no other restrictions on your right to solicit customers, whether from inside or outside of your territory.

Competitive Businesses Under Different Marks

Currently, neither we nor any affiliate of ours intends to operate or franchise another business under a different trademark that sells products or services similar to the products or services offered at a The Joint[®] clinic. However, we reserve the right to do so in the future.

Item 13

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

The Company owns no rights in or to any patents that are material to the franchise.

Copyrights

The Company claims a copyright and treats the information in the Manual as confidential trade secrets, but you are permitted to use the material as part of the franchise. You must promptly tell us when you learn about unauthorized use of our copyright. We are not obligated to act, but will respond to this information as we deem appropriate. We have the exclusive right to control any proceeding or litigation alleging the unauthorized use of our copyrights. We have no obligation to: (i) indemnify you for any expenses or damages arising from any proceeding or litigation involving our copyrights; or (ii) participate in your defense if you are a party to an administrative or judicial proceeding involving our copyrights. At any time we may change our copyrighted items and you must comply with these changes at your expense within a reasonable time after notice from us. There are no infringements that are known by us at this time.

Confidential Operations Manual

Under the Franchise Agreement, you must operate the Franchised Business in accordance with the standards, methods, policies, and procedures specified in the Manual. You will be loaned a copy of the Manual for the term of the Franchise Agreement, when you have completed the initial training program to our satisfaction. You must operate your Location Franchise strictly in accordance with the Manual, as it may be revised by the Company from time to time.

You must at all times, treat the Manual and the information in it, as well as any other materials created for or approved by use for the operation of your Franchised Business, as confidential, as required by the Franchise Agreement. You must use all reasonable efforts to maintain this information as secret and confidential. You must not copy, duplicate, record or otherwise make them available to any unauthorized person. the intellectual property rights to any Improvement in any and all countries and agree to execute and provide us with all necessary documentation for obtaining and enforcing such rights.

See Item 15 below concerning your obligation to obtain confidentiality and non-competition agreements from persons involved in the Franchise Business.

Item 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Franchisees are expected to participate in the direct operation of their franchise on a full-time basis. If they cannot, then they are obligated to have a fully trained Manager operate the franchise. However, we believe that a person with an equity interest can best ensure that our standards of quality and competence are maintained. The Franchise Agreement requires that you, or a designated Manager, be directly involved in the day-to-day operations and utilize your best efforts to promote and enhance the performance of the Franchised Business. While in most cases Franchisees will seek additional assistance for the labor-intensive portions of the business, we have built our reputation on Franchisee participation and believe it is crucial for continued success. In any case, when making decisions relating to the operation of the Location, the Franchisees should keep in mind that at least one licensed chiropractor must be present in the Location Franchise at all times, during the hours of business of the Location Franchise.

Any Manager you employ at the launching of your franchise operations must complete the initial management-training course required by the Company. All subsequent Managers must be trained fully according to our standards by either the Franchisee or the Company. However, the Company may charge a fee for this additional training.

Each Principal Owner who holds an interest in the Franchisee must personally guarantee all of the obligations of the Franchisee under the Franchise Agreement. (See Exhibit 2 to the Franchise Agreement for the form of Guaranty and Assumption of Obligations.) The Guaranty and Assumption of Obligations must be executed by the spouse(s) of the Franchisee, and all its owners, partners, etc. You must submit your operating agreement and statement of legal formation if you are an LLC and the appropriate corporate documents if you are incorporated. You are obligated to maintain them in good standing and submit copies of the by-laws and resolutions as may be required.

At the Company's request, you must obtain and deliver executed covenants of confidentiality and non-competition (See **Exhibit E**) from any persons who have or may have an ownership interest in the Franchisee or in the franchise, any Managers, or any other persons who receive or have access to training and other Confidential Information under the System. The covenants must be in a form satisfactory to us, and must provide that we are a third party beneficiary of, and have the independent right to enforce the covenants. You may not transfer any interest in the Franchise, the franchise agreement, or the lease for the Premises of the Franchise, without our prior written consent.

Item 16

RESTRICTIONS ON WHAT THE FRANCHISE OWNER MAY SELL

You must operate the Franchised Business in strict conformity with all prescribed methods, procedures, policies, standards, and specifications of the System, as set forth in the Manual and in other writings by the Company from time to time. You must use the Premises only for the operation of your Franchised Business and may not operate any other business at or from the Premises without the express prior written consent of the Company.

The Company requires you to offer and sell only those goods and services that the Company has approved. The Company maintains a written list of approved goods and services in its Manual, which the Company may change from time to time. If you sell unapproved goods or services or fail to report them, we have the right to charge you fees, and if you continue to do so after written notice is given to you, the Company may terminate your franchise.

You must offer all goods and services that the Company designates as required for all franchises. In addition, the Company may require you to comply with other requirements (such as state or local licenses, training, marketing, insurance) before the Company will allow you to offer certain services.

We reserve the right to designate additional required or optional goods and services in the future and to withdraw any of our previous approvals. In that case, you must comply with the new requirements. There are no express limitations on our right to designate additional or operational goods and services; however, such goods and services will be reasonably related to our franchise system or model.

We do not currently have any restrictions or conditions that limit access to customers to whom the Franchisee may sell goods or services

You, the Franchisee, are specifically prohibited and not authorized to offer products or services identical or similar to the products or services offered by us through any means or through any other entity in which you may have an interest, other than your franchise.

Item 18

PUBLIC FIGURES

The Company does not use any public figure to promote its franchise.

Item 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example by providing information about possible performance at a particular location or under particular circumstances.

Defined Terms

For purposes of this financial performance representation, the following terms have the meanings given to them below.

"Advertising Fund Contribution" means the required contribution to the national advertising fund imposed on franchisees that is calculated as 2% of Gross Sales. In the profit and loss statements submitted by franchisees, the Contribution to Advertising Fund was included in "Operating Expenses". We have calculated the Contribution to Advertising Fund as a separate line item by applying 2% to the Gross Sales reported and then subtracting that amount from the Operating Expenses reported in the profit and loss statements.

"Cost of Goods" means the direct cost attributable to the production of the goods sold at a Clinic. Because Clinics do not sell any goods or acquire any inventory items for resale, the Cost of Goods is \$0.

"Facilities Expense" includes the following costs: rent, CAM's, utilities, music, telephone, internet and property taxes. We have not included reported expenses for maintenance, janitorial or trash because numerous Clinics reported abnormally high costs resulting from Clinic "refreshes" conducted during the year ("refreshes" normally take place at the time of renewal). The costs associated with these refreshes skewed the results in a manner that did not accurately reflect the ongoing costs incurred by a franchised Clinic for maintenance, janitorial or trash.

"Gross Sales" means the total gross sales minus refunds. "Gross Sales" is the total of all revenue and receipts derived from the operation of the Clinic, before any reductions related to the total amount of any chargebacks, collections, credit card or payment disputes, or other customer debts. Because no goods are sold at Clinics, franchisees generally do not pay any sales tax. However, a few states like Minnesota impose a healthcare tax (2% of gross sales) that is reflected in the Operating Expenses below for the small minority of Qualifying Clinics that are subject to the tax.

"Insurance" includes the cost of general liability insurance and professional liability insurance. The cost of property insurance is reflected in the Facilities Expense line item. For franchisees operating under the PC model, the franchisee reimburses the PC for malpractice insurance premiums paid on behalf of the PC entity (or the franchisee pays these premiums directly) so the total expenditure is the same under both models.

"Labor" includes chiropractor doctor wages, wellness coordinator wages, payroll taxes, payroll expenses, bonuses, employee health insurance, malpractice insurance and workers compensation costs. Note that some franchisees reported payroll expenses as an Operating Expense while others reported it as a Labor expense. For franchisees operating under the PC model, the franchisee pays the PC for compensation paid to chiropractors (the PC is the employer of record) so the total amounts paid for labor is the same under both models.

"Net Profit" means Gross Sales minus Cost of Goods, Labor, Facilities Expense, Insurance, Operating Expense, Royalty Fees and Contributions to the Advertising Fund.

"Operating Expenses" includes the costs for software fees, merchant fees, business licenses and permits, local and Co-op marketing, healthcare taxes (where applicable), dues and subscriptions, postage and delivery. Note that some franchisees reported payroll expenses as an Operating Expense while others reported it as a Labor expense.

"Royalty Fee" means the royalty fee imposed on franchisees that is calculated as 7% of Gross Sales. In the profit and loss statements submitted by franchisees, the Royalty Fee was included in "Operating Expenses". We have calculated the

Royalty Fee as a separate line item by applying 7% to the Gross Sales reported and then subtracting that amount from the Operating Expenses reported in the profit and loss statements.

System Statistics & Subsets Utilized

This unaudited financial performance representation includes a variety of performance data, including Gross Sales, Net Profit, weekly patient visits, weekly new patient visits, active members and Gross Sales ramp up. The information is based solely upon Clinics operating in the United States. We do not provide data for any Clinics that are located outside of the United States. We do not provide any data for affiliate-owned Clinics. All of the operating Clinics included in this financial performance representation are comparable to the franchise opportunity we offer in this FDD, in that they use the prototypical business format and operating procedures we prescribe for all Clinics.

a. Gross Sales, Weekly Patient Visits (Total), Weekly Patient Visits (New Patients) and Active Members

The financial performance representations based on Gross Sales, weekly patient visits (total), weekly patient visits (new patients) and active members include data from the 592 franchised Clinics in the United States that reported sales during each month from January 1, 2022 through December 31, 2022 (each a “Qualifying Clinic”). We included data from 2 company-owned Clinics that were resold to franchisees during 2022. We excluded data from: (i) 121 Clinics that opened during 2022 and did not report sales for 1 or more months for 2022; and (ii) 20 Clinics that closed or were reacquired during 2022 and did not report sales for 1 or more months for 2022.

We provide the data for the overall system (592 Qualifying Clinics) and we also break down the data into “quartile” subsets that are determined based on the total annual Gross Sales reported by each Qualifying Clinic for 2022, with Quartile 1 being the highest performing quartile and Quartile 4 being the lowest performing quartile.

In addition to providing Gross Sales data for 2022, we have also included the same Gross Sales data for 2021 for the 504 Clinics that were Qualifying Clinics with respect to the 2021 calendar year and for 2020 for the 448 Clinics that were Qualifying Clinics with respect to the 2020 calendar year. For purposes of the 2021 Gross Sales data, we have excluded data from: (i) 110 Clinics that opened during 2021 and did not report sales for 1 or more months for 2021; and (ii) 12 Clinics that closed or were reacquired during 2021 and did not report sales for 1 or more months for 2021. For purposes of the 2020 Gross Sales data, we have excluded data from: (i) 67 Clinics that opened during 2020 and did not report sales for 1 or more months for 2020 (in 3 instances we included data for Clinics that opened after January 1, 2020 because they reported Gross Sales for the month of January); (ii) 8 Clinics that closed or were reacquired during 2020 and did not report sales for 1 or more months for 2020;

The financial performance representation regarding 2022 Gross Sales, weekly patient visits (total), weekly patient visits (new patients) and average active members includes data for all 592 Qualifying Clinics that reported sales during each month of 2022. The financial performance representations regarding 2021 Gross Sales includes data for all 502 Qualifying Clinics that reported sales during each month of 2021. 2020 Gross Sales includes data for all 448 Qualifying Clinics that reported sales during each month of 2020. The following table identifies the number of franchised Clinics open for the full measuring period of 2020, 2021, and 2022 as well as the number of Clinics within each Quartile.

b. Net Profit

The Net Profit financial performance representation is based upon data from 358 franchised Clinics in the United States that (i) reported sales during each month in 2022; and (ii) provided us with profit and loss statements for the 2022 calendar year on or prior to March 17, 2022, which is the date we compiled the data for the financial performance representation. We excluded data from: (i) 121 Clinics that opened during 2022 and did not report sales for 1 or more months for 2022; (ii) 23 Clinics that closed, were acquired then resold to new franchisees, or were reacquired during 2022 and did not report sales for 1 or more months for 2022; and (iii) 211 Clinics that reported sales during each month in 2022 but failed to provide us with a 2022 profit and loss statement on or prior to March 31, 2023. We provide the Net Profit data for all 358 franchised Clinics that met the criteria above and we also break down the data into “quartile” subsets, with Quartile 1 being the highest performing clinics and Quartile 4 being the lowest performing quartile. In addition we extracted the clinics in Quartile 1 with Gross Sales in excess of \$1 million (“Million Dollar Clinics” or “\$1M Clinics”) and added an additional chart B-2.

The table below lists the number of franchised Clinics in each quartile for purposes of the Net Profit financial performance representation. The quartiles were determined based upon the 2022 Gross Sales figures of the various outlets. Specifically, if an outlet was included in Quartile 2 for purposes of the Gross Sales financial performance representation for the 2022 calendar year, then it was included in Quartile 2 for purposes of the Net Profit financial performance representation. As a result, the number of outlets in each quartile varies for the Net Profit financial performance representation.

The average period of operation for the 358 franchised Clinics in 2022 whose Net Profit data has been provided was 71.7 months (see table below). The average period of operations for the 592 franchised Clinics whose Gross Sales data has been provided closely approximates the average period of operation was 67.7 months.

c. *Gross Sales Ramp Up*

The Gross Sales ramp up financial performance representation presents the average monthly Gross Sales for the initial 12 months of operation for all franchised Clinics that opened during 2022. There were: (i) 121 franchised Clinics that opened in 2022. The Gross Sales Ramp Up financial performance representation includes Gross Sales data for all 121 franchised Clinics that opened in 2022.

Financial Performance Representation

The following operating results are unaudited.

Gross Sales

Part A includes: (i) 2022 annual Gross Sales for January 1, 2022 through December 31, 2022; and (ii) 2021 annual Gross Sales for January 1, 2021 through December 31, 2021; and (iii) 2020 annual Gross Sales for January 1, 2020 through December 31, 2020. The data includes the average, median, highest and lowest Gross Sales and is broken down into Quartiles. The data is based on the actual historical Gross Sales figures for these outlets. The data is presented in the following 3 tables:

- Table A-1 – Gross Sales for 2022 (592 Franchised Clinics)
- Table A-2 - Gross Sales for 2021 (504 Franchised Clinics)
- Table A-3 - Gross Sales for 2020 (448 Franchised Clinics)

Net Profit

Part B includes 2022 Net Profit data for January 1, 2022 through December 31, 2022. The data includes the average, median, highest and lowest Net Profit and is broken down into Quartiles. The data is based on the actual historical Net Profit figures for these outlets. The data is presented in the following 5 tables:

- Table B-1 - Net Profit for 2022: All Qualifying Outlets (358 Franchised Clinics)
- Table B-2- Net Profit for 2022: Million Dollar Franchised Clinics (29 Franchised Clinics)
- Table B-3 - Net Profit for 2022: Quartile 1 (90 Franchised Clinics)
- Table B-4 - Net Profit for 2022: Quartile 2 (89 Franchised Clinics)
- Table B-5 - Net Profit for 2022: Quartile 3 (89 Franchised Clinics)
- Table B-6 - Net Profit for 2022: Quartile 4 (90 Franchised Clinics)

The expenses in the Net Profit tables cover certain customary and typical expenses of The Joint Chiropractic Clinics operating in the normal course of business throughout the United States. The Net Profit financial performance data is based upon the profit and loss statements from franchisees and includes all operating expense information. However, for purposes of the Net Profit

financial performance representation, we have excluded (i) any labor costs that were designated as owner compensation and (ii) any labor costs for an operations manager. An operations manager position is necessary only for franchisees that operate a significant number of Clinics. The operations manager oversees all of the Clinics owned by the multi-unit franchisee, although each Clinic must still have a dedicated manager. As a result, the operations manager compensation is not representative of the labor costs incurred by a franchisee that only owns a small number of Clinics.

Weekly Patient Visits

Part C includes 2022 weekly patient visits statistics for January 1, 2022 through December 31, 2022. We have separately provided data for: (i) all patient visits; and (ii) new patient visits. The data includes the average, median, highest and lowest number of weekly patient visits and is broken down into Quartiles. The data is based on the actual historical weekly patient visits figures for these outlets. The data is presented in the following 2 tables:

- Table C-1 - Weekly Patient Visits (Total Patients) for 2022 (592 Franchised Clinics)
- Table C-2 - Weekly Patient Visits (New Patients) for 2022 (592 Franchised Clinics)

Active Members

Part D includes 2022 monthly “active member” data for January 1, 2022 through December 31, 2022. An “active member” refers to a patient that has signed a membership agreement and paid the monthly membership fee for the applicable month. The data includes the average, median, highest and lowest number of monthly active members and is broken down into Quartiles. The data is based on the actual active member figures for these outlets. The data is presented in the following table:

- Table D-1 - Active Members for 2022 (592 Franchised Clinics)

Gross Sales Ramp Up

Part E includes data regarding the average monthly Gross Sales generated by new Clinics during their first 12 months of operation. The data includes:

- Monthly Gross Sales for the initial 12 months of operation by each of the 121 franchised Clinics that opened in 2022.

The 12-month Gross Sales ramp up period for each Clinic is a rolling 12-month period commencing with the month in which the Clinic opened. With respect to Clinics that opened in 2022, we measured their monthly Gross Sales from the opening month through December 31, 2022. As a result, we did not provide a full 12 months of Gross Sales data for any Clinic that opened on or after February 1, 2022.

For purposes of this financial performance representation, “Month 1” Gross Sales includes the total Gross Sales generated by the Clinic during the month in which the Clinic opened, regardless of the total number of days the Clinic was open during that month. The data is based on the actual historical Gross Sales figures for these outlets. The data is presented in the following table:

- Table E-1 – Gross Sales Ramp Up (121 Franchised Clinics)

Some The Joint® Clinics have earned the amounts and achieved the results set forth above. Your individual results may differ. There is no assurance that you will earn as much.

You are strongly encouraged to consult with your own financial advisors in reviewing the tables and, in particular, in estimating your gross sales (and the revenue of the outlet) as well as the types and amounts of costs and expenses that you will or may incur in operating your own Franchised Business.

We recommend that you make your own independent judgment investigation about your Franchised Business' potential financial performance, and that you consult with your attorney and other advisors before signing any Franchise Agreement.

Written substantiation for the financial performance representation will be made available to you upon reasonable request.

Other than the preceding financial performance representation, we do not make any financial performance representations about a Franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Eric Simon, VP of Franchise Sales and Development (16767 N. Perimeter Dr., Suite 110, Scottsdale, Arizona 85260, Telephone: (480) 245-5960), Email: eric.simon@thejoint.com, the Federal Trade Commission, and the appropriate state regulatory agencies.

THE JOINT CORP.

FRANCHISE AGREEMENT

This Franchise Agreement (this or the “Agreement”) is being entered into effective as of the ____ day of _____, 202__ (the “Agreement Date”). The parties to this Agreement are The Joint Corp., a Delaware corporation (“we,” “us,” the “Company,” or “The Joint®”); _____, (“you” or “Franchisee”), and, if you are a partnership, corporation, or limited liability company, your “ Owners” (defined below).

1. INTRODUCTION.

This Agreement has been written in an informal style in order to make it more easily readable and to be sure that you become thoroughly familiar with all of the important rights and obligations the Agreement covers before you sign it. This Agreement includes several exhibits, all of which are legally binding and are an integral part of the complete Franchise Agreement. If you are a corporation, partnership or limited liability company, you will notice certain provisions that are applicable to those principal shareholders, partners or members on whose business skill, financial capability and personal character we are relying in entering into this Agreement. Those individuals will be referred to in this Agreement as “Owners.”

Through the expenditure of considerable time, effort and money, we and our affiliates have devised a system for the establishment and operation of a The Joint® franchise business model, at chiropractic location that specializes in affordable, convenient, and accessible chiropractic care. It is our mission “to improve the quality of life through affordable, routine Chiropractic care.” The clinic environment is intended to be inviting, approachable and the atmosphere intended to be welcoming and where no appointments are necessary (all of these characteristics, amongst others, are referred to in this Agreement as the “System”). This business model includes a location model that offers all of our franchised services and products (individually, a “Location Franchise” and collectively, “Location Franchises”). We refer to the owner(s) of Location Franchise(s) generally as a “franchisee(s)”. We are a private pay model and currently do not accept insurance. We identify the System by the use of certain trademarks, service marks and other commercial symbols, including the marks “The Joint ®”, “The Joint...the chiropractic place®” “The Joint Chiropractic®” and certain associated designs, artwork and logos, which we may change or add to from time to time (the “Marks”).

From time to time we grant to persons who meet our qualifications, franchises to own and operate a Location Franchise business that will operate and/or manage clinics (as allowed by applicable law) that specialize in providing chiropractic services and products to the general public through licensed chiropractic professionals (referred to as “Clinic(s)”). This Agreement is being presented to you because of the desire you have expressed to obtain the right to develop, own, and be franchised to operate a Location Franchise (we will refer to your Location Franchise as the “Franchise” or the “Franchised Business”). You may purchase and operate your Franchise as a new, start-up (a “Start-up Location Franchise”), or may convert an existing chiropractic practice (a “Conversion Location Franchise”). In signing this Agreement, you acknowledge that you have conducted an independent investigation of The Joint’s franchise business model, and recognize and acknowledge that, like any other business, the nature of it may evolve and change over time, AND that an investment in a The Joint® franchise involves business risks, and that the success of this business venture is primarily dependent on YOUR business abilities and efforts.

You represent to us, that as an inducement of our entering into this Agreement with you, there have been no misrepresentations to us in your application for the rights granted by this Agreement, or in the financial information provided by you and your Owners.

2. GRANT OF FRANCHISE.

2.1 Term; Reference to Exhibit 1. You have applied for a franchise to own and operate a Location Franchise, and we have approved your application in reliance on all of the representations you made in that application. As a result, and subject to the provisions of this Agreement, we grant to you a Franchise to operate a

Location Franchise that offers the products, services, and proprietary programs of ours, all to be used in accordance with all elements, rules and regulations of the System, that we may require for Location Franchises and in accordance with all manner of law and applicable regulations as relate to the chiropractic profession.

You must operate the Franchise at a mutually agreeable site (the “Premises”) that is approved by the Company and which is to be identified and secured by you after the signing of this Agreement, and to thereafter use the System and the Marks in the operation of that Franchise, for a term of ten (10) years (the “Initial Term”) in strict accordance with its terms. The Initial Term will begin on the Agreement Date. (For convenience, the expiration date of the Initial Term is listed on **Exhibit 1**.) Termination or expiration of this Agreement will constitute a termination or expiration of your Franchise. (All references to the “term” of this Agreement refer to the period from the Agreement Date to the date on which this Agreement actually terminates or expires.)

2.2 Full Term Performance. You specifically agree to be obligated to operate the Franchise, perform the obligations of this Agreement, and continuously exert your best efforts to promote and enhance the business of the Franchise for the full term of this Agreement.

2.3 Management Agreement with Professional Corporation – Non-Licensed Franchisees. If you are not a licensed chiropractor, prior to commencing operations of the Franchised Business, you must enter into a management agreement (“Management Agreement”) with a duly formed and licensed chiropractic professional corporation (or a professional limited liability company, if permitted in the state in which the Clinic is located), (a “P.C.”), whereby you will provide to the P.C., non-chiropractic directive management and administrative services and support, consistent with the System and the lawful operation of a P.C., all of which shall at all times be in compliance with all applicable laws and regulations as relates to the practice of chiropractic medicine. A form of Management Agreement, is included as an Exhibit to our Disclosure Document, which must be reviewed and revised by your local attorney to ensure compliance with all local and state legal specifications. The P.C. shall employ and control the chiropractors and other chiropractic personnel that will provide the actual chiropractic services required to be delivered at and through the Clinic. You shall not provide any actual chiropractic services, nor shall you, direct, control or suggest to the P.C. or its chiropractors or employees the manner in which the P.C. provides or may provide actual chiropractic services to its patients or market to the public that anyone other than the P.C. is the owner/operator of the chiropractic practice to whom you provide management and business services.

Due to various federal and state laws regarding the practice of chiropractic medicine, and the ownership and operation of chiropractic practices and health care businesses that provide chiropractic services, you understand and acknowledge that you, as a non-chiropractor Franchisee, shall not engage in any practice that is, or may appear to be, the practice of chiropractic medicine. You acknowledge that the P.C. must offer all chiropractic services in accordance with all manner of law and regulation and that the Management Agreement and your relationship with the P.C. shall also be in accordance with all law and regulation and the System. It is your sole responsibility to operate in compliance with all applicable state and federal laws in relation to privacy and security of individually identifiable information.

It is your responsibility to, promptly and timely, source a duly formed and licensed P.C. for your Franchise location and enter into an approved Management Agreement with that P.C. Failure to do so will result in your inability to open your Franchise location. You must submit the duly formed P.C. and the credentials of the chiropractor or other authorized professionals of the licensed P.C. for our review and approval. You must enter into a management agreement with the P.C. for your Franchise location using our standard form of Management Agreement. While you must use our standard form of Management Agreement with the P.C., you may negotiate the monetary terms, and with our written consent, certain other terms of the agreement with the P.C. We will not unreasonably withhold our approval to request changes in the Management Agreement if such changes are consistent with applicable law and regulation and the System. You must obtain our written approval of the final Management Agreement prior to your execution. You shall ensure that the P.C. offers all chiropractic services in accordance with the Management Agreement and the System and is compliant with all manner of law and regulation. You must have a Management Agreement in effect with a P.C. at all times during the operation of the Franchised Business and during the Initial Term of this Agreement.

If you are a licensed chiropractor, or part of a P.C. owned by licensed chiropractors, you do not need to execute a

Management Agreement. However, you are still responsible for compliance with all manner of law and regulation applicable to the operation of a chiropractic Clinic and your Location Franchise.

2.4 Waiver of Management Agreement. In certain states, it may be permissible under existing law applicable to chiropractic professionals and/or practices or chiropractic clinics, for a non-chiropractor to both own and operate a Clinic and a Location Franchise. Certain of those laws may also allow a non-chiropractor or non-P.C. to hire chiropractic and other professional personnel to provide chiropractic services to patients at the Clinic in accordance with chiropractic regulation. If you determine that the laws that would apply to a Clinic in your state would permit you to do so, you may request that we waive certain of the requirements of the Franchise Agreement related to the separating of the ownership and/or operation of the chiropractic aspects of the Clinic from the general business management aspects. In particular, you, under those circumstances (i) would not enter into a Management Agreement with a P.C. that, as a separate entity, would otherwise operate the Clinic and provide all chiropractic services, and (ii) you would not be restricted from hiring and supervising chiropractic professionals in accordance with that state's regulation. Please be advised that any waiver, or modification of any of the other referenced requirements, will remain subject to compliance with all applicable laws and regulations. In such an event, and if we agree that such a waiver is appropriate, you must enter into an Amendment to Waive Management Agreement ("Waiver Agreement"), a copy of which is attached as an exhibit to our Disclosure Document. Under the Waiver Agreement, you will agree that, in lieu of entering into the Management Agreement with a P.C., you will (a) cause the Clinic to operate in accordance with all manner of law and regulation as relates to the practice of chiropractic and the standards for operating a chiropractic clinic, and (b) manage the Clinic as required in this Agreement, the System, and by performing all the responsibilities and obligations of the "Company" under the Management Agreement.

You are responsible for operating in full and complete compliance with all laws that apply to operating/managing a chiropractic Clinic in the state of your Franchise location. You must conduct your own diligence and make your own determination as to the required regulatory standards to be legally compliant to own or manage or operate a chiropractic clinic at your location. Please be advised, the laws applicable to your Clinic may change. If there are any chiropractic regulations or other laws that would render your operation of the Clinic through a single entity (or otherwise) in violation of any applicable medical or chiropractic regulation, you must immediately advise us of such change and of your proposed corrective action to comply with current chiropractic or applicable medical regulation, including (if applicable), but not limited to, entering into a Management Agreement with a P.C. Similarly, if we discover a change in any such law or regulation applicable to your Clinic, upon providing you notice of such law or regulation, you agree to immediately make such changes as are necessary to comply with the applicable medical or chiropractic regulation, including (if applicable), but not limited to, entering into a Management Agreement with a P.C..

2.5 Selection of Premises; Protected Territory; Reservation of Rights. You and we will mutually select the location of the Premises upon or after the signing of this Agreement. You acknowledge that the Franchise granted by this Agreement gives you the right to operate your Franchise only at the Premises. We will grant you a protected territory ("the Protected Territory"). We will define the Protected Territory in an addendum to this Agreement after you select and we approve the site for your Location Franchise. Typically, the Protected Territory will include between 10,000 to 25,000 households as defined by the natural traffic and trade patterns of your approved site. We will describe the Protected Territory using either longitude and latitude coordinates or a map that will show in general terms the fixed geographical boundaries (such as rivers, streets or highways). The geographic size of the Protected Territory will vary based upon population density and a variety of demographic factors. In dense urban areas, the Protected Territory may encompass a city block or less, and at Non-Traditional Sites, we might limit your Protected Territory to the site of your Location Franchise. In less dense suburban areas, the Protected Territory could include an entire municipality. For purposes of this Agreement, a "Non-Traditional Site" means any site or channel that generates customer traffic flow that is independent from the general customer traffic flow of the surrounding area, including on or within the confines or premises of military bases, shopping malls or centers, airports, stadiums, major industrial or office complexes, parking lots or structures, mobile vehicles, airports, hotels, resorts, school campuses, train stations, travel plazas, toll roads, casinos, hospitals, theme parks, and sports or entertainment venues. A "Non-Traditional Site" also includes the establishment and operation of a Clinic within a pre-existing business that does not operate under the Marks. For example, Clinics established within an urgent care center, retail store, or medical spa would qualify as Non-Traditional Sites. We would expect to grant franchises for Non-Traditional Sites in self-

contained locations such as college or university campuses, airports, hospitals, or sports arenas.

We will not modify your Protected Territory during the franchise term. If you intend to renew or transfer the franchise, and your Protected Territory is larger than our then-current standard size for territories or the then-current demographics of your Protected Territory have changed, then we may reduce the size of your Protected Territory on renewal or require your transferee to operate the Location Franchise in a smaller territory. If we reduce the Protected Territory, we will give you or your transferee the option (as applicable) to develop the remaining territory.

If you are in full compliance with the Franchise Agreement, then during the Franchise Agreement term, neither we nor our affiliates will operate or grant a franchise for the operation of another Location Franchise or a Company-owned outlet located within your Protected Territory (except for Location Franchises at Non-Traditional Sites and Location Franchises that result from an Acquisition) that offers the same or similar goods or services under the same or similar trademarks. Because we retain the ability to operate or grant others the right to operate Location Franchises at Non-Traditional Sites in your Protected Territory, you will not receive an exclusive territory. You may face competition from other Franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

We and our affiliates reserve the right to engage in any activities we deem appropriate that your Franchise Agreement does not expressly prohibit, whenever and wherever we desire, including the right to (1) own, acquire, site build, or operate, for our own account, or grant to others the right to operate Location Franchises on terms and conditions and at locations we deem appropriate outside of your Protected Territory; (2) to grant Regional Developer franchises which may encompass the area where your site is located; (3) provide or grant other persons the right to provide goods and services that are similar to and/or competitive with those provided by Location Franchises through any distribution channel, including, but not limited to, sales via mail order, catalog, toll-free telephone numbers, and electronic means, including the Internet under the Marks or trademarks and services marks other than the Marks; (4) engage in an Acquisition, including an Acquisition that results in one (1) or more competitive businesses operating under the Marks within the Protected Territory; and (5) establish and operate, or grant others the right to establish and operate, Clinics that are located within Non-Traditional Sites that are located anywhere, including within your Protected Territory. For purposes of the this Section, an "Acquisition" means either (i) a competitive or non-competitive company, franchise system, network or chain directly or indirectly acquiring us, whether in whole or in part, including by asset or stock purchase, change of control, merger, affiliation or otherwise or (ii) us directly or indirectly acquiring another competitive or non-competitive company, franchise system, network or chain, whether in whole or in part, including by asset or stock purchase, change of control, merger, affiliation or otherwise.

2.6 Renewal of Franchise.

(a) Franchisee's Right to Renew. Subject to the provisions of Section 2.6(b) below, and provided you are not in default of any material terms of this Agreement or any other agreement(s) you may have with us, and if you have substantially complied with all provisions of this Agreement and all other agreements between us, then upon the expiration of the Initial Term, you will have the right to renew the Franchise for one (1) additional term of ten (10) years (the "Renewal Term"). Notwithstanding the foregoing, such right of renewal is expressly conditioned upon your having refreshed and refurbished the Premises, including the replacement of fixtures, furnishings, wall decor, furniture, equipment, and signs and otherwise modify the Franchise to be in compliance with current specifications and standards then applicable for Location Franchises within thirty (30) days prior to the commencement of the Renewal Term. In addition, we have the right, in our sole discretion, to withhold our consent in the event you have received any email or letter from us notifying you of a breach of this Agreement, the Operations Manual or any other agreement with us (or similar reporting email or letter communications) and have failed to timely or satisfactorily cure the applicable breach in accordance with our instructions.

(b) Notice of Deficiencies and Other Requirements. At least one (1) year before the expiration of the Initial Term, we agree to give you written notice of any deficiencies in your operation or in the historical performance, marketing and revenue generation of the Franchise that could cause us not to renew the Franchise. Such notice will state what actions, if any, you must take to correct the deficiencies in your operation of the Franchise or of the Premises, and will specify the time period in which those deficiencies must be corrected or other requirements satisfied so that we may grant a renewal. Renewal of the Franchise will be conditioned upon your correction of the

cited deficiencies and on your compliance with all the terms and conditions of this Agreement up to the date of expiration. If you are in default of any provisions of the Agreement or related agreements, you will not be granted a right to renew your Franchise. If we send a notice of non-renewal, it will state the reasons for our refusal to renew. If you have any objections to our notice of non-renewal, including any dispute as to the basis for our decision not to renew, you must send us a written notice of objection that sets forth the basis for your objections. Your notice of objection must be sent to us no later than 30 days after you receive our notice of non-renewal. Your failure to send us a written notice of objection during such 30-day period shall constitute your agreement to the non-renewal of your franchise.

(c) Renewal Agreement. Should you choose to seek to renew the Franchise, you must provide us with written notice of that intent no earlier than two (2) years and no later than one (1) year before the expiration of the Initial Term. **Should you be granted a right to renew the Franchise as set forth above, the Company, you and your Owners must execute the then current form of Franchise Agreement and any ancillary agreements with appropriate modification memorializing that a renewal fee will be due and payable and not the current, initial franchise fee. Said renewal fee shall equal 25% of the then-current initial franchise fee for a Location Franchise.**

2.7 Personal Guaranty by Owners; Reference to Exhibit 2. Each of the Owners and their spouses (where applicable), will be required to execute a personal guaranty (the "Guaranty"), guaranteeing the Franchise's liabilities and obligations to the Company. A copy of the Guaranty and Assumption of Obligations is incorporated herein as Exhibit 2.

3. DEVELOPMENT AND OPENING OF THE FRANCHISE

3.1 Site Approval; Lease or Purchase of Premises; Opening Timeline; Reference to Exhibit 3.

(a) You must locate and select a proposed site for the Premises that is acceptable and approved by us as suitable for the operation of a Location Franchise. Your proposed site must be submitted with the required documentation in accordance with our policies and procedures, and must be reviewed and approved by us. Acceptance of a proposed site shall be at our sole and absolute discretion and shall not constitute, nor be deemed, a judgment as to the likelihood of success of a Location Franchise at such location, or a judgment as to the relative desirability of such location in comparison to other locations. We will accept or reject a proposed site within approximately fifteen (15) business days of receipt of a completed site submission package, as same may be defined and modified by us from time to time in our sole and absolute discretion. **Your failure to submit a completed site approval package with the required information, and/or failure to secure an acceptance from us for a proposed Site for the Premises in a timely manner shall NOT be reason for extending the Opening Deadline set forth in this Franchise Agreement.**

(b) Following our acceptance of your site submittal package, you must obtain lawful possession of the Premises by executing a lease for the Premises ("the Lease"). Prior to your executing the Lease, and as a condition of our acceptance, be advised that the Lease for the Premises MUST include the form of Addendum to Lease, attached as Exhibit 3 to the Franchise Agreement, and which provides us amongst other things, requisite notice from the Landlord to the Franchisor for any defaults under your lease, and expressly permits us to take possession of the Premises under certain conditions and/or if this Agreement is terminated or if you violate the terms of the Lease. Before executing a lease, you must submit it to us for review. You agree that you will not execute a lease without our advance written approval of the lease terms which must specifically include the designated form of Franchisor rider or additional required lease language.

(c) Unless we agree otherwise, you must open your franchise for business no later than the Opening Deadline set forth in Exhibit 1 to this Agreement. If no Opening Deadline is set forth in Exhibit 1, then the Opening Deadline shall be deemed to be three-hundred (300) days from the Agreement Date. If you are delayed from opening your Location Franchise by the Opening Deadline, you must immediately provide us with a written request to extend the deadline, which we may grant or withhold in our sole discretion. The request must state: (1) that a delay is anticipated; (2) the reasons which caused the delay; (3) the efforts that you are making to proceed with the opening; and (4) an anticipated opening date. In considering the request, we will not unreasonably withhold our consent to a

delay if you have been diligently pursuing the opening.

(d) You must commence pre-opening marketing and promotional activities at least sixty (60) days prior to opening your Location Franchise, and collect at least two hundred (200) leads from prospective new patients during such sixty (60) day period. Unless we agree otherwise, you may not open your Location Franchise prior to meeting these requirements.

Unless we agree to extend the Opening Deadline, if you do not open your Franchise for business by the Opening Deadline, you will be considered in default of your Franchise Agreement. Upon receipt of written notice from us of such default, you must cure such default by opening your Franchise for business no more than one ninety (90) days after receipt of such notice, or one hundred and eighty (180) days after the Opening Deadline, whichever occurs first. If you fail to cure your default, we have the right to immediately terminate your Franchise.

Regardless of whether you open your Franchise for business by the Opening Deadline, you are obligated to pay us the minimum Royalty Fee of \$700 due under Section 6.2 of this Agreement, thirty (30) days after the Opening Deadline. If you open your Franchise for business earlier than the Opening Deadline, you are obligated to pay us the minimum Royalty Fee of \$700 due under Section 6.2 of this Agreement on the first day of the month following the partial month you opened your Franchise for business. **If you fail to pay the minimum Royalty Fee due during the time you are in default of this Section 3.1(c), and do not cure such default after receipt of ten (10) days written notice from us of such default, we may immediately terminate your Franchise.**

3.2 Prototype and Construction Plans and Specifications. Upon receipt from you of completed pre-construction forms and as-built drawings of the Location, we shall provide to Franchisee a Clinic floor plan design for the Location containing floor plan, demising and interior wall locations, flooring specification, ceiling specification, furnishing, fixture, and equipment location and specification (hereby known as "Clinic Schematic"). The Franchisee will receive the Joint's design requirements, including building specifications (locations of walls, counters, retail displays, fixtures, and equipment) (the "Clinic Design"). We do not represent or warrant design compliance with Applicable Laws, including the Americans with Disabilities Act ("ADA"). Franchisee shall, at its sole cost and expense, ensure that the Clinic Design complies with all Applicable Laws (including the ADA), and Franchisee shall obtain any required architectural seals, engineering seals and other required approvals. The cost of any leasehold improvements, equipment, fixtures and displays, and of any architectural and engineering drawings, are Franchisee's sole responsibility. Franchisee must utilize The Joint's design department to prepare and complete all construction drawings for new Centers, remodels, relocations, Kiosks and upgrades, which services shall be subject to The Joint's then-current fees, as described in the Operations Manual.

In order to address and adapt to ever-changing economic and marketplace conditions and consumer expectations and demands, we may throughout the Term consider and test, and in its sole judgment implement, modifications to the design, appearance, branding, and/or layout of The Joint Clinics. Franchisee therefore acknowledges that, after construction and development of its Clinics, we might choose to implement modifications to the design, appearance, branding, and/or layout of The Joint Clinics, as a result of which Franchisee's Clinic Design may no longer be the latest design specification for The Joint Clinics. Whether or not Franchisee is required or chooses to modify its Clinic Design during the Term to the new design, as provided elsewhere in this Agreement, nothing in this Agreement prevents The Joint at any time from implementing modifications to the design, appearance, branding, and/or layout of The Joint's Clinics in its sole judgment, and Franchisee agrees it will have no claim against The Joint or any Affiliate of The Joint if Franchisee's Clinic Design is not then the latest design for The Joint Chiropractic Clinic.

3.3 Development of the Franchise. You agree at your own expense to do the following by the Opening Deadline defined in Exhibit 1: (1) secure all financing required operating and development capital to fully develop, fund and operate the Franchise in accordance with this Agreement and the System; (2) obtain all required building, utility, sign, health, sanitation and business permits and licenses and any other required permits and licenses necessary to operate a Clinic at the location; (3) construct the Franchise location according to the approved construction plans and specifications; (4) decorate the Franchise location in compliance with the approved plans and specifications; (5) purchase and install all required equipment, furniture, furnishings and signs; (6) cause the training requirements of Section 4 to be completed; (7) purchase an opening inventory of products and other supplies and materials;

(8) provide proof, in a form satisfactory to us, that your operation of the Franchise at the Franchise location does not violate any applicable state or local zoning or land use laws, ordinances, or regulations, or any restrictive covenants that apply to such location; (9) provide proof, in a form satisfactory to us, that you (and/or your General Manager, as defined in Section 4.1, if any) are legally authorized and have all licenses necessary to perform all of the services to be offered by your Franchise, and that your organizational structure is consistent with all legal requirements, including but not limited to any required affiliation with a P.C. and/or management company; (10) provide proof, in a format satisfactory to us, that you have obtained all required insurance policies, and have named us, as an additional insurance under all such policies; (11) submit to us a completed copy of the grand opening checklist we provide to you; (12) do any other acts necessary to open the Franchise for business; (13) obtain our approval to open the Franchise for business; and (14) open the Franchise for business.

3.4 Computer System.

(a) General Requirements. You agree to exclusively use in the development and operation of the Franchise the computer terminals/billing systems and operating software (“Computer System”) that we specify from time to time. You acknowledge that we may modify such specifications and the components of the Computer System from time to time. As part of the Computer System, we may require you to obtain specified computer hardware and/or software, including without limitation a license to use proprietary software developed by us or others. Our modification of such specifications for the components of the Computer System may require you to incur costs to purchase, lease and/or obtain by license new or modified computer hardware and/or software, and to obtain service and support for the Computer System during the term of this Agreement. You acknowledge that we cannot estimate the future costs of the Computer System (or additions or modifications thereto), and that the cost to you of obtaining the Computer System (or additions or modifications thereto), including software, may not be fully amortizable over the remaining term of this Agreement. Nonetheless, you agree to incur such costs in connection with obtaining the computer hardware and software comprising the Computer System (or additions or modifications thereto). Within sixty (60) days after you receive notice from us, you agree to obtain the components of the Computer System that we designate and require and, where applicable, contract with all third-party vendors that we require for purposes of providing one or more components of the Computer System on a one-time or an ongoing basis. You further acknowledge and agree that we and our affiliates have the right to charge a reasonable systems fee for software or systems installation services; modifications and enhancements specifically made for us or our affiliates that are licensed to you; and other maintenance and support Computer System-related services that we or our affiliates furnish to you. You will have sole responsibility for: (1) the acquisition, operation, maintenance, and upgrading of your Computer System; (2) the manner in which your Computer System interfaces with our computer system and those of third parties; and (3) any and all consequences that may arise if your Computer System is not properly operated, maintained, and upgraded. You agree to purchase HIPAA-compliant privacy screens for all your laptops, desktop monitors, or other electronic devices.

(b) Software. As a Franchisee of The Joint®, we will provide to you our proprietary office management software (the “Joint Software”), which you must either install onto the Computer System or stream from a third-party vendor or platform, as applicable, and use in the daily operation of the Franchise. In addition, we may, at any time and from time to time, contract with one or more software providers, business service providers, or other third parties (individually, a “Service Provider”) to develop, license, or otherwise provide to or for the use and benefit of you and other Location Franchises, certain software, software applications, and software maintenance and support services related to the Computer System that you must or may use in accordance with our instructions with respect to your Computer System.

3.5 Equipment, Furniture, Fixtures, Furnishings and Signs. You agree to use in the development and operation of the Franchise only those brands, types, and/or models of equipment, furniture, fixtures, furnishings, and signs we have approved.

3.6 Franchise Opening. You agree not to open the Franchise for business until: (1) all of your obligations under Sections 3.1 through 3.4 of this Section have been fulfilled; (2) we determine that the Franchise has been constructed, decorated, furnished, equipped, and stocked with materials and supplies in accordance with plans and specifications we have provided or approved; (3) you and any of your Franchise’s employees whom we require

complete our pre-opening Initial Training (as defined herein) to our satisfaction; (4) the Initial Franchise Fee (as defined herein) and all other amounts due to us have been paid; (5) you have furnished us with copies of all insurance policies required by Section 10.8 of this Agreement, or have provided us with appropriate alternative evidence of insurance coverage and payment of premiums as we have requested; (6) You have, if required, entered into a management agreement relationship with a duly formed and licensed P.C. and (7) we have approved any marketing, advertising, and promotional materials you desire to use, as provided in Section 11.2 of this Agreement.

The Company will provide, at our expense, an opening supervisor to be on site at your Location Franchise to assist you with your operational efficiency, staff training, Location Franchise setup and grand opening. The opening supervisor will be on site one (1) day before the opening of your first Location Franchise and for one (1) day after the opening of your first Location Franchise.

4. TRAINING.

4.1 General Manager. At your request, we may, but are not obligated to, agree for you to employ a general manager to operate the Franchise (“General Manager”). The term “General Manager” means an individual with primary day-to-day responsibility for the Franchise’s operations, and may or may not be you (if you are an individual) or an Owner, officer, director, or employee of yours (if you are other than an individual). We may or may not require that the General Manager have an equity interest in the Franchise. The General Manager will be obligated to devote his or her full time, best efforts, and constant personal attention to the Franchise’s operations, and must have full authority from you to implement the System at the Franchise. You must not hire any General Manager or successor General Manager without first receiving our written approval of such General Manager’s qualifications. Each General Manager and successor General Manager must attend and complete our Initial Training (as defined herein). No General Manager may have any interest in or business relationship with any business competitor of your franchise. Each General Manager must sign a written agreement, in a form approved by us, to maintain confidential our Confidential Information described in Section 9.1, and to abide by the covenants not to compete described in Section 9.3. You must forward to us a copy of each such signed agreement. If we determine, in our sole discretion, during or following completion of the Initial Training program, that your General Manager (if any) is not qualified to act as General Manager of the Franchise, then we have the right to require you to choose (and obtain our approval of) a new individual for that position.

4.2 Training. You acknowledge that it is very important to the operation of the Franchise that you and your employees receive appropriate training. To that end, you agree as follows:

(a) No later than thirty (30) days before the Franchise opens for business, you must attend our initial training program for your Franchise (the “Initial Training”) at the time and place we designate. You (if you are an individual) or at least one of your Owners (if you are a legal entity) must complete the Initial Training to our satisfaction. If you employ a General Manager other than yourself or one of your Owners, that General Manager must also complete the Initial Training to our satisfaction. Other employees may complete the Initial Training at your sole discretion and expense, provided you first obtain our approval and subject to availability of facilities and materials. The Initial Training may include classroom instruction and Location Franchise operation training, and will be furnished at our training facility in Scottsdale, Arizona, your Franchise Location, and/or at another training location we designate. Our Initial Training programs may be different for each employee depending on their responsibilities at the Franchise. There will be no tuition charge for the persons whom we require to attend any Initial Training program or for any additional personnel of your choosing. All persons who attend our Initial Training must attend and complete the Initial Training to our satisfaction. If we, in our sole discretion, determine that any General Manager or employee who attends any Initial Training program is unable to satisfactorily complete such program, then you must not allow that person to work at your Location Franchise, and must identify a substitute General Manager or employee who must enroll in the Initial Training program within fifteen (15) days thereafter, and complete the Initial Training to our satisfaction.

(b) You agree to attend, and have your General Manager (if applicable and desired) and/or other employees who you have had attend our Initial Training, complete such additional training programs at places and times as we may request from time to time during the term of this Agreement.

(c) In addition to providing the Initial Training described above, we reserve the right to offer and hold such additional ongoing training programs and Franchisee meetings regarding such topics and at such times and locations as we may deem necessary or appropriate. We also reserve the right to make any of these training programs mandatory for you and/or designated owners, and/or representatives of yours, including your General Manager (if any). We reserve the right to charge you a daily attendance fee in an amount to be set by us for each attendee of yours who attends any mandatory or optional training program or owners meeting. If we offer any such mandatory training programs, then you or your designated personnel must attend.

(d) You agree to pay all wages and compensation owed to, and travel, lodging, meal, transportation, and personal expenses incurred by, all of your personnel who attend our Initial Training and/or any mandatory or optional training we provide.

(e) We may require your employees to periodically and on an ongoing basis take and pass an online computer training course and/or exam. While there is no cost to take such training, we may require all employees and staff to pass such training to our satisfaction before they may begin working at your Franchise location.

(f) The Franchisee's General Manager (if any) and other employees shall obtain all certifications and licenses required by law in order to perform their responsibilities and duties for the Franchise.

5. GUIDANCE; OPERATIONS MANUAL.

5.1 Guidance and Assistance. During the term of this Agreement, we may from time to time furnish you guidance and assistance with respect to: (1) specifications, standards, and operating procedures used by Location Franchises; (2) purchasing approved equipment, furniture, furnishings, signs, materials and supplies; (3) development and implementation of local advertising and promotional programs; (4) general operating and management procedures; (5) establishing and conducting employee training programs for your Franchise; and (6) changes in any of the above that occur from time to time. This guidance and assistance may, in our discretion, be furnished in the form of bulletins, written reports and recommendations, operations manuals and other written materials (the "Operations Manual"), and/or telephone consultations and/or personal consultations at our offices or your Franchise. If you request—and if we agree to provide—any additional, special on-premises training of your personnel or other assistance in operating your Franchise, then you agree to pay a daily training fee in an amount to be set by us, and all expenses we incur in providing such training or assistance, including any wages or compensation owed to, and travel, lodging, transportation, and living expenses incurred by, our Company personnel.

5.2 Operations Manual. The Operations Manual we lend to you will contain mandatory and suggested specifications, standards, and operating procedures that we prescribe from time to time for your Franchise, as well as information relative to other obligations you have in the operation of the Franchise. The Operations Manual may be composed of or include audio recordings, video recordings, computer disks, compact disks, and/or other written or intangible materials. We may make all or part of the Manual available to you through various means, including the Internet. A previously delivered Operations Manual may be superseded from time to time with replacement materials to reflect changes in the specifications, standards, operating procedures and other obligations in operating the Franchise, you must keep your copy of the Operations Manual current. If you and we have a dispute over the contents of the Operations Manual, then our master copy of the Operations Manual will control. You agree that you will not at any time copy any part of the Operations Manual, permit it to be copied, disclose it to anyone not having a need to know its contents for purposes of operating your Franchise, or remove it from the Franchise location without our permission.

5.3 Modifications to System. We will continually be reviewing and analyzing developments in the healthcare, and chiropractic industries, as well as developments in fields related to small-business management, and based upon our evaluation of this information, may make changes in the System, including but not limited to, adding new components to services offered and equipment used by Location Franchises. Moreover, changes in laws regulating the services offered by Location Franchises may (a) require us to restructure our franchise program, (b) require your General Manager (if any) and employees to obtain additional licenses or certifications, (c) require you to retain or establish relationships with additional professionals and specialists in the chiropractic and/or healthcare industries, and/or (d) require you to modify your ownership or organizational structure. You agree, at our request, to

modify the operation of the Franchise to comply with all such changes, and to be solely responsible for all related costs.

5.4 Advisory Councils. You agree to participate in, and, if required, become a member of any advisory councils or similar organizations we form or organize for Location Franchises. We may, in our sole discretion, change or dissolve any advisory councils or similar organization we have formed or organized.

6. FEES AND COSTS.

6.1 Initial Franchise Fee. **You agree to pay us the initial franchise fee of Thirty-Nine Thousand and Nine Hundred Dollars (\$39,900.00) (the “Initial Franchise Fee”) when you sign this Agreement.** In recognition of the expenses we incur in furnishing assistance and services to you, you agree that we will have fully earned the Initial Franchise Fee, and that is due and non-refundable when you sign this Agreement.

6.2 Royalty Fee. **You agree to pay us a continuing franchise royalty fee (“Royalty Fee”) in the amount of seven percent (7%) of the gross revenues of the Franchise for all periods, with a minimum monthly amount of Seven Hundred and No/100 Dollars (\$700.00).** This fee will be payable on the 1st and 16th of each month based on the Franchise’s gross revenues. If the 1st or 16th of the month fall on a weekend or holiday, then the fee is payable on the next business day. If, at the end of any calendar month, the total Royalty Fee collected for the preceding month is less than \$700.00, the difference between the amount collected and \$700.00 shall be due on the tenth (10th) day of the following month. You are obligated to pay us the minimum Royalty Fee of \$700.00 due under this Section, thirty (30) days after you open your Franchise for business, or thirty (30) days after your Opening Deadline, whichever occurs first. If you open your Franchise for business prior to the Opening Deadline you are obligated to pay us the minimum Royalty Fee on the first day of the month following the partial month in which you opened your Franchise for business. If you fail to open your Franchise for business by the Opening Deadline, you will be obligated to pay us the minimum Royalty Fee thirty (30) days after your Opening Deadline. The terms “gross revenues” shall, for purposes of this Agreement, mean the total of all revenue and receipts derived from the operation of the Franchise, including all amounts received at or away from the site of the Franchise, or through the business the Franchise conducts (such as fees for chiropractic care, fees for the sale of any service or product, gift certificate sales, and revenue derived from products sales, whether in cash or by check, credit card, debit card, barter or exchange, or other credit transactions); and excludes only sales taxes collected from customers and paid to the appropriate taxing authority, and all customer refunds and credits the Franchise actually makes. For the avoidance of doubt, you specifically acknowledge that “gross revenues” is the total of all revenue and receipts derived from the operation of the Franchise, before any reductions related to the total amount of any chargebacks, collections, credit card or payment disputes, or other customer debts, and also includes the gross revenues of any P.C. or any of P.C.’s clinics that are managed by you pursuant to a Management Agreement, even if those revenues are not recognized on your books, and that you are responsible for determining those revenues and paying the Royalty Fee as if those revenues were recognized on your books. You and we acknowledge and agree that the Royalty Fee represents compensation paid by you to us for the guidance and assistance we provide and for the use of our Marks, Confidential Information (as defined herein), know-how, and other intellectual property we allow you to use under the terms of this Agreement. The Royalty Fee does not represent payment for the referral of customers to you, and you acknowledge and agree that the services we offer to you and our other The Joint® franchisees do not include the referral of customers.

6.3 Regional and National Advertising Fee. Recognizing the value of advertising to the goodwill and public image of Location Franchises, we may, in our sole discretion, establish, maintain and administer one or more regional and/or national advertising funds (the “Ad Fund(s)”) for such advertising, as we may deem necessary or appropriate in our sole discretion. However, we may choose to use only one Ad Fund to meet the needs of regional, multi-regional, and national advertising and promotional programs. You agree to contribute to the Ad Fund a percentage of gross revenues of the Franchise in an amount we designate, up to a maximum of three percent (3%) of the gross revenues of the Franchise. As of the date of this Agreement, the current required contribution to the Ad Fund is two percent (2%) of the gross revenues of the Franchise. These advertising fees (“Advertising Fees”) will be payable with and at the same time as your Royalty Fees payable under Section 6.2 above. A further description of the Ad Fund and your obligations with respect to advertising and promoting the Franchise is found in Section 11 of this Agreement.

6.4 Local Advertising.

(a) By Franchisee. In addition to the Advertising Fees set forth in Section 6.3, which will be used by us to promote The Joint® on a regional and national level, you agree to spend a certain amount on advertising in your local market area. **This amount must equal the greater of (a) Three Thousand and No/100 Dollars (\$3,000.00) or (b) five percent (5%) of the Franchise's gross revenues for each month during the term of this Agreement (the "Minimum Local Advertising Requirement").** We may require you to use one or more required suppliers or vendors for your local advertising. All proposed local advertising must be submitted to and approved by us before you enter into any advertising agreements. You must provide us (in a form we approve or designate) evidence of your required local advertising, marketing and promotional expenditures by the thirtieth (30th) day of each month, for the preceding calendar month, along with a year-to-date report of the total amount spent on local advertising. We may require, at our absolute and sole discretion, that you submit an annual marketing plan with details on planned expenditures of local advertising dollars.

(b) Local and Regional Advertising Cooperative. In the event that more than one Location Franchise is located in a Designated Market Area ("DMA"), we reserve the right to form, or require you and the other The Joint® franchisees in the DMA to form, a local or regional advertising cooperative (the "Ad Co-op"). A DMA is a geographic area around a county in which the radio and television stations based in that county account for a greater proportion of the listening/viewing public than those based in the neighboring cities. We may require you to join any Ad Co-op and contribute to its funding. The amount you pay to your Ad Co-op is determined by the Co-op members. Amounts contributed to any Ad Co-op may be applied towards your Minimum Local Advertising Requirement set forth in Sections 6.4(a) and 11.2.

6.5 Grand Opening Costs. During the one hundred and twenty days (120) day period that begins sixty (60) days prior to the opening of your Franchise, and ends sixty (60) days after the opening of your Franchise (the "Grand Opening Period"), **you will be required to expend at least Fourteen Thousand and No/100 Dollars (\$14,000.00), excluding your Minimum Local Advertising Requirement and any pre-opening marketing expenses, in verifiable marketing costs to publicize the grand opening of your Franchise.** These costs may include, but are not limited to, temporary signage, local advertising, flyers, promotions, digital advertising, giveaways and other promotions. You must submit for approval a plan for spending your Grand Opening advertising dollars, in advance of the Grand Opening Period. Upon conclusion of the Grand Opening Period, you must send to us a report detailing the amounts spent to publicize the grand opening of your franchise during the Grand Opening Period. All proposed grand opening advertising must be submitted to and approved by us. At our request, you must provide us with any documentation we request showing that you have met the required spend for your Grand Opening.

6.6 Software and Programing Fees. You are responsible for all costs associated with the purchase and installation of our proprietary software ("The Joint® Software"). **For each month during the term of this Agreement, the on-going license fee for The Joint Software is Five Hundred and Ninety-Nine and No/100 Dollars (\$599.00),** which will be debited from the Account on the fifth (5th) day of each month for the current month. **We reserve the right to increase the license fee for The Joint® Software to Seven Hundred and Ninety-Nine and No/100 Dollars (\$799.00) a month.** We will give you thirty (30) days prior written notice prior to increasing the cost of The Joint® Software fee, after which time, the new amount will be automatically debited from your account.

You are responsible for the cost to purchase and maintain any other software licenses or programs that we may require you to use in connection with your franchise.

6.7 Relocation Fee. **If you must relocate the Premises of your Location Franchise for any reason, you must pay to us a Franchise Relocation Fee (the "Relocation Fee") of Two Thousand Five Hundred and No/100 Dollars (\$2,500.00).** The Relocation Fee will help the Company defray the costs of approving a new location, reviewing and approving plans for the new location, and updating Company records and marketing materials to reflect the new location.

6.8 Late Payments. All Royalty Fees, Advertising Fees, amounts due from you for purchases from us or our affiliates, and other amounts which you owe us or our affiliates (unless otherwise provided for in a separate

agreement between us or our affiliates) will begin to accrue interest after their respective due dates at the lesser of (i) the highest commercial contract interest rate permitted by state law, and (ii) the rate of eighteen percent (18%) per annum. Payments due us or our affiliates will not be deemed received until such time as funds from the deposit of any check by us or our affiliates is collected from your account. You acknowledge that the inclusion of this Section in this Agreement does not mean we agree to accept or condone late payments, nor does it indicate that we have any intention to extend credit to, or otherwise finance your operation of the Franchise. We have the right to require that any payments due us or our affiliates be made by certified or cashier's check in the event that any payment by check is not honored by the bank upon which the check is drawn. **We also reserve the right to charge you a fee of Thirty-Five and No/100 Dollars (\$35.00) for any payment by check that is not honored by the bank upon which it is drawn or the maximum as permitted by law.**

6.9 Electronic Funds Transfer. We have the right to require you to participate in an electronic funds transfer program under which Royalty Fees, Advertising Fees, and any other amounts payable or owed to us or our affiliates, including any administrative fees, are deducted or paid electronically from your bank account (the "Account"). In the event you are required to authorize us to initiate debit entries, you agree to deliver to us an EFT Authorization Agreement Form allowing us to automatically debit the Account, and to make the funds available in the Account for withdrawal by electronic transfer no later than the payment due date. Our current form of EFT Authorization Agreement Form is attached to this Agreement as Exhibit 6. The amount actually transferred from the Account to pay Royalty Fees and Advertising Fees will be based on the Franchise's gross revenues as reported in the Franchise's practice management software. **If you have not properly input the Franchise's gross revenues for any reporting period, then we will be authorized to debit the Account in an amount equal to one hundred twenty percent (120%) of the Royalty Fee, Advertising Fee, and other amounts transferred from the Account for the last reporting period for which a report of the Franchise's gross revenues was provided to us. If at any time we determine that you have under-reported the Franchise's gross revenues or underpaid any Royalty Fee or Advertising Fee due us under this Agreement, then we will be authorized to initiate immediately a debit to the Account in the appropriate amount, plus applicable interest, in accordance with the foregoing procedure.** Any overpayment will be credited, without interest, against the Royalty Fee, Advertising Fee, and other amounts we otherwise would debit from your account during the following reporting period. Our use of electronic funds transfers as a method of collecting Royalty Fees and Advertising Fees due us does not constitute a waiver of any of your obligations to provide us with weekly reports as provided in Section 12, nor shall it be deemed a waiver of any of the rights and remedies available to us under this Agreement.

6.10 Application of Payments. When we receive a payment from you, we have the right in our sole discretion to apply it as we see fit to any past due indebtedness of yours due to us or our affiliates, whether for Royalty Fees, Advertising Fees, purchases, interest, or for any other reason, regardless of how you may designate a particular payment should be applied.

6.11 Modification of Payments. If, by operation of law or otherwise, any fees contemplated by this Agreement cannot be based upon gross revenues, then you and we agree to negotiate in good faith an alternative fee arrangement. If you and we are unable to reach an agreement on an alternative fee arrangement, then the Company reserves the right to terminate this Agreement upon notice to you, in which case all of the post-termination obligations set forth in Section 16 shall apply.

7. MARKS.

7.1 Ownership and Goodwill of Marks. You acknowledge that your right to use the Marks is derived solely from this Agreement, and is limited to your operation of the Franchise pursuant to and in compliance with this Agreement and all applicable standards, specifications, and operating procedures we prescribe from time to time during the term of the Franchise. You understand and acknowledge that our right to regulate the use of the Marks includes, without limitation, any use of the Marks in any form of electronic media, such as Websites (as defined herein) or web pages, or as a domain name or electronic media identifier. If you make any unauthorized use of the Marks, it will constitute a breach of this Agreement and an infringement of our rights in and to the Marks. You acknowledge and agree that all your usage of the Marks and any goodwill established by your use will inure exclusively to our benefit and the benefit of our affiliates, and that this Agreement does not confer any goodwill or

other interests in the Marks on you (other than the right to operate the Franchise in compliance with this Agreement). All provisions of this Agreement applicable to the Marks will apply to any additional trademarks, service marks, commercial symbols, designs, artwork, or logos we may authorize and/or license you to use during the term of this Agreement.

7.2 Limitations on Franchisee's Use of Marks. You agree to use the Marks as the sole trade identification of the Franchise, except that you will display at the Franchise location a notice, in the form we prescribe, stating that you are the independent owner of the Franchise pursuant to a Franchise Agreement with us. You agree not to use any Mark as part of any corporate or trade name or with any prefix, suffix, or other modifying words, terms, designs, or symbols (other than logos and additional trade and service marks licensed to you under this Agreement), or in any modified form. You also shall not use any Mark or any commercial symbol similar to the Marks in connection with the performance or sale of any unauthorized services or products, or in any other manner we have not expressly authorized in writing. You agree to display the Marks in the manner we prescribe at the Franchise and in connection with advertising and marketing materials, and to use, along with the Marks, any notices of trade and service mark registrations we specify. You further agree to obtain any fictitious or assumed name registrations as may be required under applicable law.

7.3 Notification of Infringements and Claims. You agree to immediately notify us in writing of any apparent infringement of or challenge to your use of any Mark, or claim by any person of any rights in any Mark or similar trade name, trademark, or service mark of which you become aware. You agree not to communicate with anyone except us and our counsel in connection with any such infringement, challenge, or claim. We have the right to exclusively control any litigation or other proceeding arising out of any actual or alleged infringement, challenge, or claim relating to any Mark. You agree to sign any documents, render any assistance, and do any acts that our attorneys say is necessary or advisable in order to protect and maintain our interests in any litigation or proceeding related to the Marks, or to otherwise protect and maintain our interests in the Marks.

7.4 Discontinuance of Use of Marks. If it becomes advisable at any time in our sole judgment for the Franchise to modify or discontinue the use of any Mark, or use one or more additional or substitute trade or service marks, including the Marks used as the name of the Franchise, then you agree, at your sole expense, to comply with our directions to modify or otherwise discontinue the use of the Mark, or use one or more additional or substitute trade or service marks, within a reasonable time after our notice to you.

7.5 Indemnification of Franchisee. We agree to indemnify you against, and reimburse you for, all damages for which you are held liable in any trademark infringement proceeding arising out of your use of any Mark pursuant to and in compliance with this Agreement, and for all costs you reasonably incur in the defense of any such claim in which you are named as a party, so long as you have timely notified us of the claim, and have otherwise complied with this Agreement. We have the right, but not the obligation to control the defense of any such claim, and you agree that you may not settle, compromise, discharge or admit any liability with respect to such claim without our prior written consent.

8. RELATIONSHIP OF THE PARTIES; INDEMNIFICATION.

8.1 Independent Contractor; No Fiduciary Relationship.

This Agreement does not create a fiduciary relationship between you and us. You and we are independent contractors, and nothing in this Agreement is intended to make either party a general or special agent, joint venture, partner, or employee of the other for any purpose whatsoever. You agree to conspicuously identify yourself in all your dealings with customers, suppliers, public officials, Franchise personnel, and others as the owner of the Franchise pursuant to a Franchise Agreement with us, and to place any other notices of independent ownership on your forms, business cards, stationery, advertising, and other materials as we may require from time to time.

8.2 No Liability, No Warranties. We have not authorized or empowered you to use the Marks except as provided by this Agreement, and you agree not to employ any of the Marks in signing any contract, check, purchase agreement, negotiable instrument or legal obligation, application for any license or permit, or in a manner that may result in liability to us for any indebtedness or obligation of yours. Except as expressly authorized by this Agreement, neither you nor we will make any express or implied agreements, warranties, guarantees or representations, or incur

any debt, in the name of or on behalf of the other, or represent that your and our relationship is other than that of franchisor and Franchisee.

8.3 Indemnification. We will not assume any liability or be deemed liable for any agreements, representations, or warranties you make that are not expressly authorized under this Agreement, nor will we be obligated for any damages to you or any person or property directly or indirectly arising out of, or related to, the Franchise Agreement, the Franchised Business or operation of the business you conduct pursuant to this Agreement, whether or not caused by your negligent or willful action or failure to act (or such acts or omissions by your employees or agents). We will have no liability for any sales, use, excise, income, gross receipts, property, or other taxes levied against you or your assets, or on us, in connection with the business you conduct, or any payments you make to us pursuant to this Agreement (except for our own income taxes). We will not assume any liability or be deemed liable for any agreements you enter with any third parties, whether or not they are an approved or required vendor. You agree to indemnify, defend, and hold us, our affiliates and our and their respective owners, directors, officers, employees, agents, successors, and assigns (individually, an “Indemnified Party,” and collectively, the “Indemnified Parties”), harmless against, and to reimburse such Indemnified Parties for, your breach of this Agreement, any noncompliance or alleged noncompliance with any ordinance, law or rule or regulations concerning or related to this Agreement or the Franchised Business, and all such obligations, damages, and taxes for which any Indemnified Party may be held liable, and for all costs the Indemnified Party reasonably may incur in the defense of any such claim brought against the Indemnified Party, or in any such action in which the Indemnified Party may be named as a party, including without limitation actual and consequential damages; reasonable attorneys’, accountants’, and/or expert witness fees; cost of investigation and proof of facts; court costs; other litigation expenses; and travel and living expenses. Each Indemnified Party has the right to defend any such claim against the Indemnified Party. You further agree to hold us harmless and indemnify and defend us for all costs, expenses, and/or losses we incur in enforcing the provisions of this Agreement, defending our actions taken relating to this Agreement, or resulting from your breach of this Agreement, including without limitation reasonable attorneys’ fees (including those for appeal), unless, after legal proceedings are completed, you are found to have fulfilled and complied with all of the terms of this Agreement. Your indemnification obligations described above will continue in full force and effect after, and notwithstanding, the expiration or termination of this Agreement.

9. CONFIDENTIAL INFORMATION; NON-COMPETITION.

9.1 Types of Confidential Information. We possess certain unique confidential and proprietary information and trade secrets consisting of the following categories of information, methods, techniques, products, and knowledge developed by us, including but not limited to: (1) services and products offered and sold at Location Franchises; (2) knowledge of sales and profit performance of any one or more Location Franchises; (3) knowledge of sources of products sold at Location Franchises, advertising and promotional programs, and image and decor; (4) the Joint Software; (5) methods, techniques, formats, specifications, procedures, information, systems, and knowledge of, and experience in, the development, operation, and franchising of Location Franchises; (6) customer lists, records, membership agreements and/or contracts; (7) the selection and methods of training employees; and (8) certain proprietary and confidential information that relates to our status as a publicly-traded company in accordance with state and federal laws. We will disclose much of the above-described information to you in advising you about site selection, providing our Initial Training, the Operations Manual, the Joint Software, and providing guidance and assistance to you under this Agreement.

If you, your employees, or Owners develop any new concept, process or improvement in the operation or promotion of a The Joint® Franchise (an “Improvement”), you agree to promptly notify us and provide us with all necessary related information, without compensation. Any such Improvement shall become our sole property and we shall be the sole owner of all related patents, patent applications, and other intellectual property rights. Such Improvements shall be deemed “Confidential Information”. You and your Owners hereby assign to us any rights you or they may have or acquire in the Improvements, including the right to modify the Improvement, and waive and/or release all rights of restraint and moral rights therein and thereto. You and your Owners agree to assist us in obtaining and enforcing the intellectual property rights to any such Improvement in any and all countries and further agree to execute and provide us with all necessary documentation for obtaining and enforcing such rights. You and your Owners hereby irrevocably designate and appoint us as your and their agent and attorney-in-fact to execute and file any such

documentation and to do all other lawful acts to further the prosecution and issuance of patents or other intellectual property right related to any such Improvement. In the event that the foregoing provisions of this section are found to be invalid or otherwise unenforceable, you and your Owners hereby grant to us a worldwide, perpetual, non-exclusive, fully-paid license to use and sublicense the use of the Improvement to the extent such use or sublicense would, absent this Agreement, directly or indirectly infringe your or their rights therein.

9.2 Non-Disclosure Agreement. You agree that your relationship with us does not vest in you any interest in the Confidential Information, other than the right to use it in the development and operation of the Franchise, and that the use or duplication of the Confidential Information in any other business would constitute an unfair method of competition. You acknowledge and agree that the Confidential Information belongs to us, may contain trade secrets belonging to us, and is disclosed to you or authorized for your use solely on the condition that you agree, and you therefore do agree, that you (1) will not use the Confidential Information in any other business or capacity, , including without limitation, communicating any of the Confidential Information to any trade, stock or research groups, companies or organizations; (2) will maintain the absolute confidentiality of the Confidential Information during and after the term of this Agreement; (3) will not make unauthorized copies of any portion of the Confidential Information disclosed in written form or another form that may be copied or duplicated; and (4) will adopt and implement all reasonable procedures we may prescribe from time to time to prevent unauthorized use or disclosure of the Confidential Information, including without limitation restrictions on disclosure to your employees, and the use of non-disclosure and non-competition agreements we may prescribe or approve for your shareholders, partners, members, officers, directors, employees, independent contractors, or agents who may have access to the Confidential Information.

9.3 Non-Competition Agreement. You agree that we would be unable to protect the Confidential Information against unauthorized use or disclosure, and would be unable to encourage a free exchange of ideas and information among Location Franchises, if The Joint® franchisees were permitted to hold interests in any competitive businesses (as described below). Therefore, during the term of this Agreement, neither you, nor any Owner, nor any member of your immediate family or of the immediate family of any Owner, shall perform services for, or have any direct or indirect interest as a disclosed or beneficial owner, investor, partner, director, officer, employee, manager, consultant, representative, or agent in, any business that offers products or services the same as or similar to those offered or sold at Location Franchises. For chiropractic services, this is specific to a non-chain, non-franchised, independent chiropractic clinic where service fees are based on a non-insurance/membership model. The ownership of one percent (1%) or less of a publicly traded company will not be deemed to be prohibited by this Section. Upon expiration or termination of this Agreement for any reason, you agree not to engage in a competitive business for a period of two (2) years after the termination or expiration and within twenty-five (25) miles of your Franchise Premises or any other Location Franchise.

10. THE JOINT CORP. FRANCHISE OPERATING STANDARDS.

10.1 Condition and Appearance of the Franchise. You agree that:

(a) neither the Franchise nor the Premises will be used for any purpose other than the operation of the Franchise in compliance with this Agreement;

(b) you will maintain the condition and appearance of the Franchise; its equipment, furniture, furnishings, and signs; and the Premises in accordance with our standards and consistent with the image of a Location Franchise as an efficiently operated business offering high quality services, and observing the highest standards of cleanliness, sanitation, efficient, courteous service and pleasant ambiance, and in that connection will take, without limitation, the following actions during the term of this Agreement: (1) thorough cleaning, repainting and redecorating of the interior and exterior of the Premises at reasonable intervals; (2) interior and exterior repair of the Premises; and (3) repair or replacement of damaged, worn out or obsolete equipment, furniture, furnishings and signs;

(c) you will not make any material alterations to the Premises or the appearance of the Franchise, as originally developed, without our advance written approval. If you do so, we have the right, at our option and at your expense, to rectify alterations we have not previously approved;

(d) you will promptly replace or add new equipment when we reasonably specify in order to meet

changing standards or new methods of service;

(e) **you will expend at least Twenty Thousand and No/100 Dollars (\$20,000.00) every four (4) years in remodeling, expansion, redecorating and/or refurnishing of the Premises and the Franchise, if deemed necessary by us (any changes to the decoration or furnishing of the Premises must be approved by us);**

(f) on notice from us, you will engage in remodeling, expansion, redecorating and/or refurnishing of the Premises and the Franchise to reflect changes in the operations of Location Franchises that we prescribe and require of new The Joint® franchisees, provided that (1) no material changes will be required unless there are at least two (2) years remaining on the Initial Term of the Franchise (any changes to the decoration or furnishing of the Premises must be approved by us); and (2) we have required the proposed change in at least twenty-five percent (25%) of all similarly situated Company and affiliate-owned Location Franchises, and have undertaken a plan to make the proposed change in the balance of such Company and affiliate-owned Location Franchises (any expenditures incurred pursuant to this Section 10.1(f) shall apply to the requirement in Section 10.1(e));

(g) you will place or display at the Premises (interior and exterior) only those signs, emblems, designs, artwork, lettering, logos, and display and advertising materials that we from time to time approve; and

(h) if at any time in our reasonable judgment, the general state of repair, appearance, or cleanliness of the premises of the Franchise or its fixtures, equipment, furniture, or signs do not meet our standards, then we shall have the right to notify you specifying the action you must take to correct the deficiency. If you do not initiate action to correct such deficiencies within ten (10) days after receipt of our notice, and then continue in good faith and with due diligence, a bona fide program to complete any required maintenance or refurbishing, then we shall have the right, in addition to all other remedies available to us at law or under this Agreement, to enter the Premises or the Franchise and perform any required maintenance or refurbishing on your behalf, and you agree to reimburse us on demand.

10.2 Franchise Services and Products. You agree that (a) the Franchise will offer for sale all services and products that we from time to time specify for Location Franchises, (b) the Franchise will offer and sell approved services and products only in the manner we have prescribed; (c) you will not offer for sale or sell at the Franchise, the Premises, or any other location any services or products we have not approved; (d) all products will be offered at retail prices, and you will not offer or sell any products at wholesale prices; (e) you will not use the Premises for any purpose other than the operation of the Franchise; and (f) you will discontinue selling and offering for sale any services or products that we at any time decide (in our sole discretion) to disapprove in writing. **In the event that you use, sell or distribute unauthorized products or services or fail to report the sale of any unauthorized products or services, we may, in addition to any other rights we may have, you will be responsible to pay us an administrative fee of one hundred and No/100 dollars (\$100) per day, any royalty due to us, and any amounts we incur due to or as a result of your sale of unapproved services or products if you do not cure such default within ten (10) days of receipt of notice from us of your violation. You understand and agree that we may debit such amounts directly from your bank account via EFT. However, we reserve the right to terminate your Location Franchise and this Agreement if you use, sell, distribute or give away unauthorized services or products on three or more occasions within any consecutive (12) month period, after being provided written notice to cease such activities.** You agree to maintain an inventory of approved products sufficient in quantity and variety to realize the full potential of the Franchise. We may, from time to time, conduct market research and testing to determine consumer trends and the saleability of new services and products. You agree to cooperate by participating in our market research programs, test marketing new services and products in the Franchise, and providing us with timely reports and other relevant information regarding such market research. In connection with any such test marketing, you agree to offer a reasonable quantity of the products or services being tested, and effectively promote and make a reasonable effort to sell them.

10.3 Approved Products, Distributors and Suppliers. We have developed or may develop various unique products or services that may be prepared according to our formulations. We have approved, and will continue to periodically approve, specifications for suppliers and distributors (which may include us and/or our affiliates) for products or services required to be purchased by, or offered and sold at, Location franchises, that meet our standards and requirements, including without limitation standards and requirements relating to product quality, prices,

consistency, reliability, and customer relations. You understand and acknowledge we will not be liable to you or anyone else for any damages or claims arising out of or resulting from the acts or omissions of any supplier and distributor of products or services, whether or not such supplier or distributor is an approved or required supplier or distributor of products or services. You agree that the Franchise will: (1) purchase any required products or services in such quantities as we designate; (2) utilize such formats, formulae, and packaging for products or services as we prescribe; and (3) purchase all designated products and services only from distributors and other suppliers we have approved. In the event we designate a required supplier or distributor during the term of this Agreement, or any subsequent franchise agreement, you must begin to use such required supplier or distributor with thirty (30) days of the date we notify you that you must use such supplier or distributor, unless we designate a longer period for you to switch or convert over to such supplier or distributor. Your failure or refusal to do so shall constitute a breach of this Agreement.

You will contribute to the Ad Fund the Advertising Fee set forth in Section 6.3. We agree that any The Joint® outlets owned by us or our affiliates will contribute to the Ad Fund on at least the same basis as you do.

We will be entitled to direct all advertising programs financed by the Ad Fund, with sole discretion over the creative concepts, materials, endorsements and distributions used in them, and the geographic, market, and media placement and allocation of the programs. We will have the sole discretion to use the Ad Fund to pay the costs of preparing and producing video, audio, and written advertising materials; administering regional, multi-regional and/or national advertising programs; including purchasing direct mail and other media advertising; employing advertising agencies and supporting public relations, market research, contests and sweepstakes, and other advertising and marketing firms; and paying for advertising and marketing activities that we deem appropriate, including the costs of participating in any national or regional trade shows. and providing advertising and marketing materials to Location Franchises. We may in our discretion use the Ad Fund to engage in advertising and promotional programs that benefit only one or several regionals, and not necessarily all Location Franchises. The Ad Fund will furnish you with approved advertising materials at its direct cost of producing those advertising materials. The amounts you contribute to the Ad Fund will not be used for collective media placement of advertising in television, radio, newspaper or other media for the benefit of franchisees in a local or regional market. Rather, any collective media placement for the benefit of franchisees in a local or regional market will be conducted through the local and regional advertising cooperatives described in Section 11.3.

We may spend in any fiscal year an amount greater or less than the total contributions to the Ad Fund in that year. We may cause the Ad Fund to borrow from us or other lenders to cover deficits of the Ad Fund, or to invest any surplus for future use by the Ad Fund. You authorize us to collect for remission to the Ad Fund any advertising monies or credits offered by any supplier to you based upon purchases you make. We will prepare an annual statement of monies collected and costs incurred by the Ad Fund and will make it available to you on written request.

You understand and acknowledge that the Ad Fund will be intended to maximize recognition of the Marks and patronage of Location Franchises (both franchisee-owned and Company-owned outlets) that are using the Marks. Although we will endeavor to use the Ad Fund to develop advertising and marketing materials, and to place advertising in a manner that will benefit Location Franchises that are using the Marks, we undertake no obligation to ensure that expenditures by the Ad Fund in or affecting any geographic area are proportionate or equivalent to contributions to the Ad Fund by Location Franchises operating in that geographic area, or that any Location Franchise will benefit directly or in proportion to its contribution to the Ad Fund from the development of advertising and marketing materials or the placement of advertising. Except as expressly provided in this Section, we assume no direct or indirect liability or obligation to you with respect to the maintenance, direction, or administration of the Ad Fund.

We will have the right to terminate the Ad Fund by giving you thirty (30) days' advance written notice. All unspent monies on date of termination will be divided between the Company and the contributing franchisees in proportion to our and their respective contributions. At any time thereafter, we will have the right to reinstate the Ad Fund under the same terms and conditions as described in this Section (including the rights to terminate and reinstate the Ad Fund) by giving you thirty (30) days' advance written notice of reinstatement.

You must provide us (in a form we approve or designate) evidence of your required local advertising, marketing and promotional expenditures, by the thirtieth (30th) day of each month, for the preceding calendar month, along with a year-to-date report of the total amount spent on local advertising. We may require, at our sole discretion, that you submit an annual marketing plan with details on planned expenditures of local advertising dollars.

You agree to list and advertise the Franchise within your market area, in those business classifications as we prescribe from time to time, using any standard form of advertisement we may provide.

On each occasion before you use them, samples of all local advertising and promotional materials not prepared or previously approved by us must be submitted to us for approval. If you do not receive our written disapproval within fifteen (15) days from the date we receive the materials, the materials will be deemed to have been approved. You agree not to use any advertising or promotional materials that we have disapproved. You will be solely responsible and liable to ensure that all advertising, marketing, and promotional materials and activities you prepare comply with applicable federal, state, and local law, and the conditions of any agreements or orders to which you may be subject.

(i) You are in substantial compliance with the terms of this Agreement; provided, however, that we may without our consent if you have received any email or letter from us notifying you of a breach of this Agreement, the Operations Manual or any other agreement with us (or similar reporting email or letter communications) and have failed to timely or satisfactorily cure the applicable breach in accordance with our instructions;

Transferee will not pay the Grand Opening fee. Depending on the then-current demographics of the Territory, and on our then-current standards for territories, if the Territory is larger than our then-current standard territory, we may require the transferee to accept a transfer territory smaller than the Territory.

(vii) The transferee and its general manager, if any, have agreed to successfully complete (at the transferee's expense and to our satisfaction) any then-current initial training programs;

(viii) You or the transferor has paid us a transfer fee equal to \$15,000. You must reimburse us for reasonable expenses incurred by us in investigating and processing any proposed new transferee where the transfer is not consummated for any reason, including but not limited to any attorneys' fees we incur (not to exceed \$5,000) plus costs and expenses. (ix) We have decided not to exercise our right of first refusal, if any, under Section 14.4;

(x) You have updated your equipment and Premises to our then-current specifications in the Operations Manual;

(xi) We have determined that the material terms of the transfer, including the price and terms of payment, will not be so burdensome as to adversely affect the operation of the Location Franchise by the transferee; and

(xii) If any part of the sale price of any transferred interest is to be financed, the transferor will have agreed that all obligations of the transferee under any promissory notes, agreements or security interests reserved by the transferor in the assets of the Location Franchise will be subordinate to the obligations of the transferee to pay marketing and consulting fees, advertising contributions, and other amounts due to us and our affiliates, and to comply with the franchise agreement signed by the transferee.

(c) No transfer in the nature of a grant of a security interest in you, this Agreement, any related agreement, the Location Franchise or the Premises will be permitted without our prior written consent, which we may grant or withhold in our sole discretion. If we consent to a transfer in the nature of a grant of a security interest, and if the holder of the security interest later seeks to exercise your right or assume the interest of you in the Location Franchise, this Agreement, any related agreement, you or the Premises due to a default under any documents related to the security interest, we will have the option to purchase the rights of the secured party by paying all sums then due to the secured party, and the secured party will sign an agreement to that effect before any transfer takes place.

(d) A "Permitted Transfer," under Section 14.2 is defined as either (i) a transfer of an ownership interest in you or your entity of less than five percent (5%), or (ii) a transfer of any ownership interest in you or your entity to a spouse, child, sibling, or parent, or a trust or similar entity created for the benefit of any of the foregoing persons, provided that neither (i) nor (ii) may result in the creation of a controlling ownership stake in the transferee, whether through one or an aggregated series of such transfers. You must provide us written notice of any Permitted Transfer in you or your entity. Any individual who becomes an owner in you due to a Permitted Transfer must (if they have not already) sign a personal guaranty agreement ("Guaranty") in the form found in Exhibit 2 to this Agreement. You and any owners who previously signed a Guaranty will not be released from a signed Guaranty upon a Permitted Transfer, unless otherwise agreed to by us in writing. You and we will amend Exhibit 4 of this Agreement if a Permitted Transfer occurs. You must pay an administrative fee of \$2,500 for any Permitted Transfer.

14.3 Transfer to Franchisee's Legal Entity. If a proposed transfer is to a legal entity you control, our consent to the transfer may, in our sole discretion, be conditioned on the following requirements:

- (a) The legal entity's activities will be confined exclusively to operating the Location Franchise;
- (b) You will own a majority stock interest, partnership or membership interest in the legal entity, and will act as its principal operating officer, partner or member;
- (c) Each stock certificate or certificate of interest in the legal entity will have conspicuously endorsed on its face a statement in a form satisfactory to us that it is held subject to, and that further transfer is subject to, all restrictions on transfers in this Agreement;
- (d) All shareholders, partners, or members will jointly and severally guarantee the legal entity's performance and will bind themselves to the terms of this Agreement and any related agreements
- (e) You will maintain a then-current list of all partners, members or shareholders and beneficial owners of any class of stock, and furnish the list to us on request; and
- (f) Copies of the transferee's Certificate and Articles of Incorporation, Certificate and Articles of Organization, Certificate and Agreement of Partnership, By-Laws, Operating Agreement and resolution authorizing entry into this Agreement and any other significant governing documents, promptly will be furnished to us.

14.4 Our Right of First Refusal.

(a) If you or any other person or entity at any time determines to sell an interest in you, the Franchise Agreement, the Location Franchise or the Premises, you agree to immediately submit to us a true and complete copy of the offer, which must include an executed and binding purchase agreement (and any proposed ancillary agreements), and a record of an earnest money deposit equal to five percent (5%) or more of the purchase price (further detailed below). The offer and executed purchase agreement must apply only to an interest in you, the Franchise Agreement, the Location Franchise or the Premises. It must not include the purchase of any of your other property or rights (or those of your shareholder, partner, or member), but if the offeror proposes to buy any other of your property or rights (or those of a shareholder, partner or member) under a separate, contemporaneous offer, the

price and terms of purchase offered to you (or to your shareholder, partner or member) for the interest in you, the Franchise or the Premises will reflect the bona fide price offered and will not reflect any value for any other property or rights. To be a valid, bona fide offer, (i) the executed purchase agreement must include the complete purchase price, which must be in a dollar amount and the proposed buyer must submit with its offer an earnest money deposit equal to five percent (5%) or more of the purchase price, (ii) the offer must constitute the only bona fide offer and executed purchase agreement (or, constitutes the total number of offers in the event that you have submitted multiple bona fide offers to us), and (iii) the purchase agreement must include (1) all payment terms and timing (including any financing terms) and closing date, (2) any material terms such as costs in excess of \$5,000 to be borne by the buyer or seller; contingent or non-contingent, (3) any employment agreements, promises or representations, and (4) any other material terms upon which a reasonable buyer would rely or deem material in assessing the proposed offer. In the event multiple franchise agreements are requested to be transferred, for purposes of this section, the franchise agreement with the most recent effective date shall govern. We will have the right, exercisable by written notice delivered to you, or the person or entity involved, within thirty (30) days after receipt of the copy of the offer, to purchase the interest for the price and on the terms in the offer, but we may substitute cash, a cash equivalent or marketable securities of equal value for any form of payment proposed in the offer. Our credit will be deemed equal to the credit of any proposed purchaser, and we will have not less than sixty (60) days to prepare for closing. We will have the right during such thirty (30) day period to request documentation related to the offer, including, without limitation, financial and legal information related to the purchase of the interest. The thirty (30) day period shall be extended in the event you fail to provide us with the requested documentation. In addition, upon prior written notice to you, you agree to grant your consent to our communicating with the landlord of the subject lease of the Premises in order to negotiate additional lease term or options. We will be entitled to purchase the interest through the use of our standard form of asset purchase agreement, subject to all customary representations and warranties given by the seller of the assets of a business or voting stock of an incorporated business, as applicable, including representations and warranties as to ownership, condition and title to stock and/or assets, liens and encumbrances relating to the stock and/or assets, validity of contracts, and liabilities, contingent or otherwise, of any corporation whose stock is purchased. Our purchase of interest may require financial accounting audits of the interest to ensure our compliance with state and federal financial reporting requirements. If we do not exercise our right of first refusal, you or the person or entity involved may complete the sale to the purchaser under the terms of the offer subject to our consent to the transfer under Section 14.2(b), but if the sale to the purchaser is not completed within one hundred twenty (120) days after receipt of the offer by us, or if there is a material change in the terms of the sale, you are obligated to notify us in writing of such material change within five (5) days, and we will have an additional right of first refusal of the revised bona fide offer for thirty (30) days on the same terms in this Section as were applicable to our initial right of first refusal. If we do not exercise our right of first refusal, we have the right, upon ten (10) day written notice to you, to demand copies of all executed agreements, instruments, checks, bank transfers or wire statements, and other documentation arising from or related to the bona fide offer and its closing and completion. Your failure to remit all bona fide offers and requested documentation in accordance with the requirements as set forth in this Section shall constitute a breach of Section 15(i) or (j) of this Agreement.

(b) If the transfer is a Franchise Agreement modification, we will not have any right of first refusal as provided in Section 14.4(a), unless the proposed transferee has a direct or indirect connection with any actual or potential competitor of us or any of our franchisees. However, written notification of this type of transfer must be provided to us by the transferor at least thirty (30) days before consummation of that transfer.

14.5 Transfer On Death, Permanent Incapacity or Dissolution. On the death or permanent incapacity of any person with an interest in you, this Agreement, any related agreement, the Franchise or the Premises, or on your dissolution if you are a legal entity, the executor, administrator, personal representative or trustee ("personal representative") of that person or entity will transfer his, her or its interest to a third party reasonably acceptable to us within one hundred eighty (180) days after assuming that capacity. Any transfer of this type, including a transfer by devise or inheritance, will be subject to the same requirements as other transfers under this Agreement, but if the transfer is to a spouse, child or parent, the fee required under Section 14.2(b) (viii) will not be required. If the personal representative has, in good faith, proposed a transferee and we, in good faith, do not approve the proposed transferee, the personal representative will be given additional time, not to exceed one hundred eighty (180) days, to propose another transferee for our approval. If the personal representative is unable to meet these conditions, the

personal representative of that deceased person will have an additional sixty (60) days to dispose of the interest, which disposition will be subject to the requirements for transfers in this Agreement, including the requirements of this Section 14. If the interest is not disposed of within the additional sixty (60) days (or such additional time as we otherwise agree), we may terminate this Agreement.

14.6 Interim Operation of Location Franchise on Death or Permanent Disability. Pending transfer on your death or permanent incapacity (or your principal operating officer, partner or member, if you are a legal entity), we will have the option to operate the Location Franchise on your behalf until an approved transferee is able to assume the operation of the Location Franchise, for a period of up to twelve (12) months without the consent of you, your personal representative or your successor in interest. All funds from the operation of the Location Franchise during the period of operation by us will be kept in a separate fund, and all expenses we incur, including compensation, other costs and travel and living expenses (the "Management Expenses"), will be charged to the fund. As compensation for services provided, we will charge the fund the full amount of the Management Expenses incurred during the period of our operation. We will only have a duty to utilize reasonable efforts in operating the Location Franchise, and will not be liable to you or your principals for any debts, losses or obligations incurred by the Location Franchise, or to any creditor for any equipment, inventory, products, supplies or services purchased for the Location Franchise during any period in which it is operated by us.

14.7 Non-Waiver of Claims. Our consent to a transfer of any interest in you, this Agreement, any related agreement, the Franchise or the Premises will not be a waiver of any claims we may have against the transferring party, nor will it be a waiver of our right to demand the transferee's compliance with the terms of this Agreement.

14.8 Effect of Consent to Transfer. Our consent to a proposed Transfer pursuant to this Section 14 will not constitute a waiver of any claims we may have against you or any Owner, nor will it be deemed a waiver of our right to demand exact compliance with any of the terms or conditions of this Agreement by the Proposed New Owner.

14.9 Consent Not Unreasonably Delayed. If all the conditions are met to transfer the FA or any interest therein, we will not unreasonably delay granting our consent to the transfer.

15. TERMINATION OF THE FRANCHISE.

We have the right to terminate this Agreement effective immediately upon delivery of notice of termination to you, if:

(a) you fail to open your Franchise for business by the Opening Deadline, subject to the extension set forth in Section 3.1(c); or

(g) you, any of your Principal Owners, or any of your employees or independent contractors, are convicted of or plead no contest to a felony or are convicted or plead no contest to any crime, offense or regulatory violation, which is reasonably likely to adversely affect the reputation of the Company, the Franchise, and/or the goodwill associated with the Marks; or

In addition, if, in the opinion of our legal counsel, any provision of this Agreement is contrary to law, then you and we agree to negotiate in good faith an amendment that would make this Agreement conform to the applicable legal requirements. If you and we are unable to reach an agreement on the applicable legal requirements, or if fundamental changes to this Agreement are required to make it conform to the legal requirements, then we reserve the right to terminate this Agreement upon notice to you, in which case all of the post-termination obligations set forth in Section 16 shall apply.

In the event that we terminate this Agreement under this Section or other applicable provisions of this Agreement, we shall be entitled, in those states in which termination fees are enforceable, to receive from you

The parties to this Agreement will not be considered to be in default of any obligations hereunder, other than the obligation of a party to make payment of amounts due to the other party, if the failure of performance is due to a force majeure, including drought, flood, earthquake, storm, fire, lightening, epidemic, war, riot, civil disturbance, sabotage, theft, vandalism, strike or labor difficulty, or casualty to equipment. You agree that we may institute any action against you arising out of or relating to this Agreement (which is not required to be mediated hereunder or as to which mediation is waived) in any state or federal court of general jurisdiction in Maricopa County, Arizona, and you irrevocably submit to the jurisdiction of such courts and waive any objection you may have to either the jurisdiction or venue of such court.

17.12 Binding Effect. This Agreement is binding on and will inure to the benefit of our successors and assigns and, subject to the Transfers provisions contained in this Agreement, will be binding on and inure to the benefit of your successors and assigns, and if you are an individual, on and to your heirs, executors, and administrators.

17.13 No Liability to Others; No Other Beneficiaries. We will not, because of this Agreement or by virtue of any approvals, advice or services provided to you, be liable to any person or legal entity that is not a party to this Agreement, and no other party shall have any rights because of this Agreement.

17.14 Construction. All headings of the various Sections of this Agreement are for convenience only, and do not affect the meaning or construction of any provision. All references in this Agreement to masculine, neuter or singular usage will be construed to include the masculine, feminine, neuter or plural, wherever applicable. Except where this Agreement expressly obligates us to reasonably approve or not unreasonably withhold our approval of any of your actions or requests, we have the absolute right to refuse any request by you or to withhold our approval of any action or omission by you. The term “affiliate” as used in this Agreement is applicable to any company directly or indirectly owned or controlled by you or your Owners, or any company directly or indirectly owned or controlled by us that sells products or otherwise transacts business with you.

17.15 Joint and Several Liability. If two (2) or more persons are the Franchisee under this Agreement, their obligation and liability to us shall be joint and several.

17.16 Multiple Originals. This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other parties hereto. This Agreement, once executed by a party, may be delivered to the other parties hereto by facsimile transmission or other electronic means of a copy of this Agreement bearing the signature of the party so delivering this Agreement.

17.17 Timing Is Important. Time is of the essence of this Agreement. “Time is of the essence” is a legal term that emphasizes the strictness of time limits. In this case, it means it will be a material breach of this Agreement to fail to perform any obligation within the time required or permitted by this Agreement.

17.18 Independent Provisions. The provisions of this Agreement are deemed to be severable. In other words, the parties agree that each provision of this Agreement will be construed as independent of any other provision of this Agreement.

17.19 Cross-Default. Any default by Franchisee under any other agreement between Franchisor or its affiliates as one party, and Franchisee or any of Franchisee's owners or affiliates as the other party, shall be deemed to be a default of this Agreement, and Franchisor shall have the right, at its option, to terminate this Agreement and/or any other agreement between the Franchisee and the Franchisor or its affiliates, without affording Franchisee an opportunity to cure, effective immediately upon notice to Franchisee.

17.20 Conflicts with Applicable Laws and Regulations. The Parties acknowledge that if there is a conflict between the terms and conditions of this Agreement, our Operations Manual, or any other specifications, standards, or operating procedure we require in connection with the operation of your franchise, and any applicable federal or state laws or regulations which you, or any licensed professionals working for or with the Franchise must observe or follow, including those relating to the practice of chiropractic, such laws or regulations shall control.

18. NOTICES AND PAYMENTS.

All written notices, reports and payments permitted or required under this Agreement or by the Operations Manual will be deemed delivered: (a) at the time delivered by hand; (b) one (1) business day after transmission by telecopy, facsimile or other electronic system; (c) one (1) business day after being placed in the hands of a reputable commercial courier service for next business day delivery; or (d) three (3) business days after placed in the U.S. mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid; and addressed to the party to be notified or paid at its most current principal business address of which the notifying party has been advised, or to any other place designated by either party. Any required notice, payment or report which we do not actually receive during regular business hours on the date due (or postmarked by postal authorities at least two (2) days before it is due) will be deemed delinquent.

19. INDEPENDENT PROFESSIONAL JUDGMENT OF YOU AND YOUR GENERAL MANAGER.

You and we acknowledge and agree that the specifications, standards and operating procedures related to the services offered by the Franchise are not intended to limit or replace your or your General Manager's (if any) professional judgment in supervising and performing the services offered by your Franchise. The specifications, standards, and operating procedures represent only the minimum standards, and you and your General Manager (if any) are solely responsible for ensuring that the Franchise performs services in accordance with all applicable requirements and standards of care. Nothing in this Agreement shall obligate you or your General Manager (if any) to perform any act that is contrary to your or your General Manager's (if any) professional judgment; provided, however, that you must notify us immediately upon your determination that any specification, standard or operating procedure is contrary to your or your General Manager's (if any) professional judgment.

20. ENTIRE AGREEMENT.

This Agreement, together with the introduction and exhibits to it, constitutes the entire agreement between us, and there are no other oral or written understandings or agreements between us concerning the subject matter of this Agreement. This Agreement may be modified only by written agreement signed by both you and us, except that we may modify the Operations Manual at any time as provided herein. However, nothing in this Agreement or any addendum shall have the effect of disclaiming any of the representations made in the Franchise Disclosure Document or any of its exhibits. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (a) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (b) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the parties have duly executed this Agreement as of the Agreement Date.

ADDENDUM TO LEASE AGREEMENT

This Addendum to Lease Agreement (this "Addendum"), is entered into effective on this _____ day of _____, 20____, (the "Effective Date") by and between _____, a _____ (the "Lessor"), and _____, a _____ (the "Lessee") (each a "Party" and collectively, the "Parties").

RECITALS

WHEREAS, the Parties hereto have entered into a certain Lease Agreement, dated on the _____ day of _____, 20____ (the "Agreement"), and pertaining to the premises located at _____ (the "Premises");

WHEREAS, Lessor acknowledges that Lessee intends to operate The Joint franchise from the Premises pursuant to a Franchise Agreement (the "Franchise Agreement") with The Joint Corp. ("Franchisor") under the name The Joint or other name designated by Franchisor ("Franchised Business"); and

WHEREAS, the Parties now desire to amend the Lease Agreement in accordance with the terms and conditions contained herein.

NOW, THEREFORE, in consideration of the mutual covenants and agreements herein set forth and each act done and to be done pursuant hereto, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties, intending to be legally bound, do hereby represent, warrant, covenant and agree as follows:

1. Remodeling and Decor. The above recitals are hereby incorporated by reference. Lessor agrees that Lessee shall have the right to remodel, equip, paint and decorate the interior of the Premises and to display the proprietary marks ("Marks") and signs on the interior and exterior of the Premises as Lessee is reasonably required to do pursuant to the Franchise Agreement and any successor Franchise Agreement under which Lessee may operate a Franchised Business on the Premises.

2. Assignment. Lessee shall have the right to assign all of its right, title and interest in and to the Lease Agreement to Franchisor or its parent, subsidiary, or affiliate, (including another franchisee) at any time during the term of the Lease, including any extensions or renewals thereof, without first obtaining Lessor's consent, pursuant to the terms of the Collateral Assignment of Lease attached hereto as **Exhibit A**. However, no assignment shall be effective until such time as Franchisor or its designated affiliate gives Lessor written notice of its acceptance of the assignment, and nothing contained herein or in any other document shall constitute Franchisor or its designated subsidiary or affiliate a party to the Lease Agreement, or guarantor thereof, and shall not create any liability or obligation of Franchisor or its parent unless and until the Lease Agreement is assigned to, and accepted in writing by, Franchisor or its parent, subsidiary or affiliate. In the event of any assignment, Lessee shall remain liable under the terms of the Lease. Franchisor shall have the right to reassign the Lease to another franchisee without the Landlord's consent in accordance with Section 4(a).

3. Default and Notice.

(a) In the event there is a default or violation by Lessee under the terms of the Lease Agreement, Lessor shall give Lessee and Franchisor written notice of the default or violation within ten (10) days after Lessor receives knowledge of its occurrence. If Lessor gives Lessee a default notice, Lessor shall contemporaneously give Franchisor a copy of the notice. Franchisor shall have the right, but not the obligation, to cure the default. Franchisor will notify Lessor whether it intends to cure the default and take an automatic assignment of Lessee's interest as provided in Paragraph 4(a). Franchisor will have an additional fifteen (15) days from the expiration of Lessee's cure period in which it may exercise the option to cure, but is not obligated to cure the default or violation.

(b) All notices to Franchisor shall be sent by registered or certified mail, postage prepaid, to the

following address:

The Joint Corp.
Attention: Eric Simon, VP of Franchise Sales and Development
16767 N. Perimeter Dr., Suite 110
Scottsdale, AZ 85260
Attention: Property Management
E-mail: eric.simon@thejoint.com

Franchisor may change its address for receiving notices by giving Lessor written notice of the new address. Lessor agrees that it will notify both Lessee and Franchisor of any change in Lessor's mailing address to which notices should be sent.

(c) Following Franchisor's approval of the Lease Agreement, Lessee agrees not to terminate, or in any way alter or amend the same during the Initial Term of the Franchise Agreement or any Interim Period thereof without Franchisor's prior written consent, and any attempted termination, alteration or amendment shall be null and void and have no effect as to Franchisor's interests thereunder; and a clause to the effect shall be included in the Lease.

4. Termination or Expiration.

(a) Upon Lessee's default and failure to cure the default within the applicable cure period, if any, under either the Lease Agreement or the Franchise Agreement, Franchisor will, at its option, have the right, but not the obligation, to take an automatic assignment of Lessee's interest in the Lease Agreement and at any time thereafter to re-assign the Lease Agreement to a new franchisee without Lessor's consent and to be fully released from any and all liability to Lessor upon the reassignment, provided the franchisee agrees to assume Lessee's obligations and the Lease Agreement. Upon notice from Franchisor to Lessor requesting an automatic assignment, Lessor will, at the cost of Franchisor, take appropriate actions to secure the leased premises including but not limited changing the locks and granting Franchisor sole rights to the Premises.

(b) Upon the expiration or termination of either the Lease Agreement or the Franchise Agreement (attached), Lessor will cooperate with and assist Franchisor in securing possession of the Premises and if Franchisor does not elect to take an assignment of the Lessee's interest, Lessor will allow Franchisor to enter the Premises, without being guilty of trespass and without incurring any liability to Lessor, to remove all signs, awnings, and all other items identifying the Premises as a Franchised Business and to make other modifications (such as repainting) as are reasonably necessary to protect The Joint marks and system, and to distinguish the Premises from a Franchised Business. In the event Franchisor exercises its option to purchase assets of Lessee or has rights to those through the terms and conditions any agreement between Lessee and Franchisor, Lessor shall permit Franchisor to remove all the assets being purchased by Franchisor.

5. Consideration; No Liability.

(a) Lessor hereby acknowledges that the provisions of this Addendum are required pursuant to the Franchise Agreement under which Lessee plans to operate its business and Lessee would not lease the Premises without this Addendum. Lessor also hereby consents to the Collateral Assignment of Lease from Lessee to Franchisor as evidenced by Exhibit A.

(b) Lessor further acknowledges that Lessee is not an agent or employee of Franchisor and Lessee has no authority or power to act for, or to create any liability on behalf of, or to in any way bind Franchisor or any affiliate of Franchisor, and that Lessor has entered into this Addendum with full understanding that it creates no duties, obligations or liabilities of or against Franchisor or any affiliate of Franchisor.

6. Sales Reports. If requested by Franchisor, Lessor will provide Franchisor with whatever information Lessor has regarding Lessee's sales from its Franchised Business.

7. Amendments. No amendment or variation of the terms of the Lease or this Addendum shall be valid

unless made in writing and signed by the Parties hereto.

8. Reaffirmation of Lease. Except as amended or modified herein, all of the terms, conditions and covenants of the Lease Agreement shall remain in full force and effect and are incorporated herein by reference and made a part of this Addendum as though copied herein in full.

9. Beneficiary. Lessor and Lessee expressly agree that Franchisor is a third party beneficiary of this Addendum.

IN WITNESS WHEREOF, the Parties have duly executed this Addendum as of the Effective Date.

2. Article 17.9 will be amended to state that mediation involving a franchise purchased in North Dakota must be held in a location mutually agreed on prior to the mediation, or if the parties cannot agree on a location, at a location to be determined by the mediation.

3. Article 9.3 is amended to add that covenants not to compete on termination or expiration of a Franchise Agreement are generally not enforceable in the State of North Dakota except in limited circumstances provided by North Dakota law.

4. Article 17.9 will be amended to add that any claim or right arising under the North Dakota Franchise Investment Law may be brought in the appropriate state or federal court in North Dakota, subject to the mediation provision of the Agreement.

5. Article 17.11 will be amended to state that, in the event of a conflict of law, to the extent required by the North Dakota Franchise Investment Law, North Dakota law will prevail.

6. Article 17.10 requires the franchisee to waive a trial by jury, as well as exemplary and punitive damages. These requirements are not enforceable in North Dakota pursuant to Section 51-19-09 of the North Dakota Franchise Investment Law, and are therefore not part of the Franchise Agreement.

Opinion on the Consolidated Financial Statements

We have audited the accompanying consolidated balance sheets of The Joint Corp. (the “Company”) as of December 31, 2022 and 2021, the related consolidated statements of income, changes in stockholders’ equity, and cash flows for the years then ended, and the related notes (collectively referred to as the “consolidated financial statements”). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2022 and 2021, and the results of its operations and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These consolidated financial statements are the responsibility of the Company’s management. Our responsibility is to express an opinion on the Company’s consolidated financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (“PCAOB”) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control over financial reporting. Accordingly, we express no such opinion.

Our audits included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matter communicated below is a matter arising from the current period audit of the consolidated financial statements that was communicated or required to be communicated to the audit committee and that: (1) relate to accounts or disclosures that are material to the consolidated financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of the critical audit matter does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matter below, providing separate opinions on the critical audit matter or on the accounts or disclosures to which it relates.

Revenue growth rate utilized in the determination of the fair value of acquired member relationships and reacquired franchise rights for certain acquisitions

As described in Note 3 of the consolidated financial statements, the Company acquired certain clinics during the current year. As a result of the acquisitions, management was required to determine the estimated fair values of assets acquired and liabilities assumed, including certain identifiable intangible assets. Management utilized third-party valuation specialists to assist in the preparation of the valuation of certain identifiable intangible assets. Management exercised judgment to develop and select revenue growth rates in the measurement of the fair value of the acquired member relationships and reacquired franchise rights.

We identified the revenue growth rates utilized in the determination of the fair value of acquired member relationships and reacquired franchise rights for certain acquisitions as a critical audit matter. The principal considerations for our determination included the subjectivity and judgment required to determine the revenue growth rates used in the fair value measurement of acquired member relationships and reacquired franchise rights for certain acquisitions. Auditing these revenue growth rates involved especially subjective auditor judgment due to the nature and extent of audit effort required.

[Table of Contents](#)

The primary procedures we performed to address this critical audit matter included:

Evaluating the reasonableness of the revenue growth rates by (i) reviewing the historical performance of the Company using its audited financial statements, (ii) assessing revenue projections against industry metrics, and (iii) comparing the actual post-acquisition net revenue to the forecast revenue.

THE JOINT CORP.**NOTES TO CONSOLIDATED FINANCIAL STATEMENTS****Note 1: Nature of Operations and Summary of Significant Accounting Policies*****Basis of Presentation***

These financial statements represent the consolidated financial statements of The Joint Corp. ("The Joint"), which includes its variable interest entities ("VIEs"), and its wholly owned subsidiary, The Joint Corporate Unit No. 1, LLC (collectively, the "Company"). The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the amount of assets, liabilities, revenue, costs, expenses, other (expenses) income, and income taxes that are reported in the consolidated financial statements and accompanying disclosures. These estimates are based on management's best knowledge of current events, historical experience, actions that the Company may undertake in the future and on various other assumptions that are believed to be reasonable under the circumstances. As a result, actual results may be different from these estimates. For a discussion of significant estimates and judgments made in recognizing revenue, accounting for leases, and accounting for income taxes, see Note 2, "Revenue Disclosures", Note 9, "Income Taxes", and Note 10, "Commitments and Contingencies".

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of The Joint and its wholly owned subsidiary, The Joint Corporate Unit No. 1, LLC, which was dormant for all periods presented. The Company consolidates VIEs in which the Company is the primary beneficiary in accordance with Accounting Standards Codification 810, Consolidations ("ASC 810"). Non-controlling interests represent third-party equity ownership interests in VIEs. All significant inter-affiliate accounts and transactions between The Joint and its VIEs have been eliminated in consolidation.

Comprehensive Income

Net income and comprehensive income are the same for the years ended December 31, 2022 and 2021.

Nature of Operations

The Joint Corp., a Delaware corporation, was formed on March 10, 2010 for the principal purpose of franchising, developing, selling regional developer rights, supporting the operations of franchised chiropractic clinics, and operating and managing corporate chiropractic clinics at locations throughout the United States of America. The franchising of chiropractic clinics is regulated by the Federal Trade Commission and various state authorities.

The following table summarizes the number of clinics in operation under franchise agreements and as company-owned or managed for the years ended December 31, 2022 and 2021:

Variable Interest Entities

Certain states prohibit the “corporate practice of chiropractic,” which restricts business corporations from practicing chiropractic care by exercising control over clinical decisions by chiropractic doctors. In states which prohibit the corporate practice of chiropractic, the Company typically enters into long-term management services agreements (“MSAs”) with professional corporations (“PCs”) that are owned by licensed chiropractic doctors, which, in turn, employ or contract with doctors who provide professional chiropractic care in its clinics. Under these management agreements with PCs, the Company provides, on an exclusive basis, all non-clinical services of the chiropractic practice. The Company has entered into such management agreements with three PCs, including one in Kansas, in connection with the opening of company-managed clinics in August 2022. An entity deemed to be the primary beneficiary of a VIE is required to consolidate the VIE in its financial statements. An entity is deemed to be the primary beneficiary of a VIE if it has both of the following characteristics: (a) the power to direct the activities of a VIE that most significantly impact the VIE's economic performance and (b) the obligation to absorb the majority of losses of the VIE or the right to receive the majority of benefits from the VIE. In accordance with relevant accounting guidance, these PCs were determined to be VIEs. Such PCs are VIEs, as fees paid by the PCs to the Company as its management service provider are considered variable interests because the fees do not meet all the following criteria: 1) The fees are compensation for services provided and are commensurate with the level of effort required to provide those services; 2) The decision maker or service provider does not hold other interests in the VIE that individually, or in the aggregate, would absorb more than an insignificant amount of the VIE's expected losses or receive more than an insignificant amount of the VIE's expected residual returns; 3) The service arrangement includes only terms, conditions, or amounts that are customarily present in arrangements for similar services negotiated at arm's length. Additionally, the Company has determined that it has the ability to direct the activities that most significantly impact the performance of these PCs and have an obligation to absorb losses or receive benefits which could potentially be significant to the PCs. Accordingly, the PCs are variable interest entities for which the Company is the primary beneficiary and are consolidated by the Company.

The revenues of VIEs represent the revenues of Company-managed clinics in states that prohibit the corporate practice of chiropractic. The Company's involvement with VIEs affects its financial performance and cash flows primarily through amounts recorded in Revenues from company-owned or managed clinics and General and administrative expenses, which are principally comprised of payroll and related expenses. The management fees/income provided by the MSAs are considered intercompany transactions and therefore eliminated upon consolidation of VIEs.

The VIEs' total revenue and payroll and related expenses for the year ended December 31, 2022 were \$34.8 million and \$14.0 million, respectively. The VIE's total revenue and payroll and related expenses for the year ended December 31, 2021 were \$28.6 million and \$8.5 million, respectively.

The VIEs' deferred revenue liability balance for amounts collected in advance for membership and wellness packages was \$4.7 million and \$3.5 million as of December 31, 2022 and December 31, 2021, respectively. The VIEs' payroll liability balance as of December 31, 2022 and December 31, 2021 was \$0.6 million and \$0.4 million, respectively. The carrying amount of the other VIEs' assets and liabilities was immaterial as of December 31, 2022 and December 31, 2021.

Cash and Cash Equivalents

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents. The Company continually monitors its positions with, and credit quality of, the financial institutions with which it invests. As of the balance sheet date and periodically throughout the period, the Company has maintained balances in various operating accounts in excess of federally insured limits. The Company has invested substantially all its cash in short-term bank deposits. The Company had no cash equivalents as of December 31, 2022 and 2021.

Restricted Cash

Restricted cash relates to cash that franchisees and company-owned or managed clinics contribute to the Company's National Marketing Fund and cash that franchisees provide to various voluntary regional Co-Op Marketing Funds. Cash contributed by franchisees to the National Marketing Fund is to be used in accordance with the Company's Franchise Disclosure Document with a focus on regional and national marketing and advertising. While such cash balance is not legally segregated and restricted as to withdrawal or usage, the Company's accounting policy is to classify these funds as restricted cash.

Accounts Receivable

Accounts receivable primarily represent amounts due from franchisees for royalty and software fees. The Company records an allowance for credit losses as a reduction to its accounts receivables for amounts that the Company does not expect to recover. An allowance for credit losses is determined through assessments of collectability based on historical trends, the financial condition of the Company's franchisees, including any known or anticipated bankruptcies, and an evaluation of current economic conditions, as well as the Company's expectations of conditions in the future. Actual losses ultimately could differ materially in the near term from the amounts estimated in determining the allowance. As of December 31, 2022, and 2021, the Company had no allowance for credit losses on accounts receivable.

Deferred Franchise Costs and Regional Development Costs

Deferred franchise and regional development costs represent commissions that are direct and incremental to the Company and are paid in conjunction with the sale of a franchise license or regional development rights. These costs are recognized as an expense, in franchise and regional development cost of revenues when the respective revenue is recognized, which is generally over the term of the related franchise or regional developer agreement.

Property and Equipment

Property and equipment are stated at cost or for property acquired as part of franchise acquisitions at fair value at the date of closing. Depreciation is computed using the straight-line method over estimated useful lives, which is generally three to ten years. Leasehold improvements are amortized using the straight-line method over the shorter of the lease term or the estimated useful life of the assets. Maintenance and repairs are charged to expense as incurred; major renewals and improvements are capitalized. When items of property or equipment are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in income.

Capitalized Software

The Company capitalizes certain software development cost, including costs to implement cloud computing arrangements that is a service contract. These capitalized costs are primarily related to software used by clinics for operations and by the Company for the management of operations. Costs incurred in the preliminary stages of development are expensed as incurred. Once an application has reached the development stage, internal and external costs, if direct, are capitalized as assets in progress until the software is substantially complete and ready for its intended use. Capitalization ceases upon completion of all substantial testing. The Company also capitalizes costs related to specific upgrades and enhancements when it is probable the expenditures will result in additional functionality. Software developed is recorded as part of property and equipment. Maintenance and training costs are expensed as incurred. Internal use software is amortized on a straight-line basis over its estimated useful life, which is generally three to five years. Implementation costs incurred in connection with a cloud computing arrangement that is a service contract are included in prepaid expenses in the Company's consolidated balance sheets.

Leases

The Company leases property and equipment under operating and finance leases. The Company leases its corporate office space and the space for each of the company-owned or managed clinic in the portfolio. The Company recognizes a right-of-use

[Table of Contents](#)

("ROU") asset and lease liability for all leases. Certain leases include one or more renewal options, generally for the same period as the initial term of the lease. The exercise of lease renewal options is generally at the Company's sole discretion and, as such, the Company typically determines that exercise of these renewal options is not reasonably certain. As a result, the Company does not include the renewal option period in the expected lease term and the associated lease payments are not included in the measurement of the right-of-use asset and lease liability. When available, the Company uses the rate implicit in the lease to discount lease payments; however, the rate implicit in the lease is not readily determinable for substantially all of its leases. In such cases, the Company estimates its incremental borrowing rate as the interest rate it would pay to borrow an amount equal to the lease payments over a similar term, with similar collateral as in the lease, and in a similar economic environment. The Company estimates these rates using available evidence such as rates imposed by third-party lenders to the Company in recent financings or observable risk-free interest rate and credit spreads for commercial debt of a similar duration, with credit spreads correlating to the Company's estimated creditworthiness.

For operating leases that include rent holidays and rent escalation clauses, the Company recognizes lease expense on a straight-line basis over the lease term from the date it takes possession of the leased property. Pre-opening costs are recorded as incurred in general and administrative expenses. Variable lease payments, such as percentage rentals based on location sales, periodic adjustments for inflation, reimbursement of real estate taxes, any variable common area maintenance and any other variable costs associated with the leased property are expensed as incurred and are also included in general and administrative expenses on the consolidated income statements.

Intangible Assets

Intangible assets consist primarily of re-acquired franchise and regional developer rights and customer relationships. The Company amortizes the fair value of re-acquired franchise rights over the remaining contractual terms of the re-acquired franchise rights at the time of the acquisition, which generally range from one to nine years. In the case of regional developer rights, the Company generally amortizes the re-acquired regional developer rights over one to seven years. The fair value of customer relationships is amortized over their estimated useful life of two to four years.

Goodwill

Goodwill consists of the excess of the purchase price over the fair value of tangible and identifiable intangible assets acquired in the acquisitions of franchises. Goodwill and intangible assets deemed to have indefinite lives are not amortized but are tested for impairment annually and more frequently if a triggering event occurs that makes it more likely than not that the fair value of a reporting unit is below carrying value. As required, the Company performs an annual impairment test of goodwill as of the first day of the fourth quarter or more frequently if a triggering event occurs. No impairments of goodwill were recorded for the years ended December 31, 2022 and 2021.

Long-Lived Assets

The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recovered. The Company looks primarily to estimated undiscounted future cash flows in its assessment of whether or not long-lived assets are recoverable. The Company records an impairment loss when the carrying amount of the asset is not recoverable and exceeds its fair value. During the year ended December 31, 2022, an operating lease ROU asset related to a closed clinic with a total carrying amount of approximately \$250,000 was written down to zero. As a result, the Company recorded a noncash impairment loss of approximately \$250,000 during the year ended December 31, 2022. During the year ended December 31, 2021, certain operating lease right-of-use assets related to closed clinics with a total carrying amount of \$0.5 million were written down to their fair value of \$0.4 million. As a result, the Company recorded a noncash impairment loss of approximately \$0.1 million during the year ended December 31, 2021.

In connection with the sale of two company-managed clinics to franchisees, the Company reclassified \$288,192 of property and equipment and \$359,807 of ROU assets to Assets held for sale and reclassified \$428,593 of ROU liability and \$54,351 of deferred revenue from company clinics to Liabilities to be disposed of in the consolidated balance sheet as of June 30, 2022. Long-lived assets that meet the held for sale criteria are reported at the lower of their carrying value or fair value, less estimated costs to sell. As a result, the Company recorded a valuation allowance of \$79,400 to adjust the carrying value of the disposal group to fair value less cost to sell during the year ended December 31, 2022. One of the two clinics was sold during August 2022, and the second clinic was sold in October 2022.

Advertising Fund

[Table of Contents](#)

The Company has established an advertising fund for national or regional marketing and advertising of services offered by its clinics. The monthly marketing fee is 2% of clinic sales. The Company segregates the marketing funds collected which are included in restricted cash on its consolidated balance sheets. As amounts are expended from the fund, the Company recognizes a related expense. Such costs are included in selling and marketing expenses on the consolidated income statements.

Co-Op Marketing Funds

Some franchises have established regional Co-Ops for advertising within their local and regional markets. The Company maintains a custodial relationship under which the Co-Op Marketing Funds collected are segregated and used for the purposes specified by the Co-Ops' officers. The Co-Op Marketing Funds are included in restricted cash on the Company's consolidated balance sheets.

Revenue Recognition

The Company generates revenue primarily through its company-owned and managed clinics and through royalties, franchise fees, advertising fund contributions, IT related income and computer software fees from its franchisees.

Revenues from Company-Owned or Managed Clinics. The Company earns revenues from clinics that it owns and operates or manages throughout the United States. Revenues are recognized when services are performed. The Company offers a variety of membership and wellness packages which feature discounted pricing as compared with its single-visit pricing. Amounts collected in advance for membership and wellness packages are recorded as deferred revenue and recognized when the service is performed. Any unused visits associated with monthly memberships are recognized on a month-to-month basis. The Company recognizes a contract liability (or a deferred revenue liability) related to the prepaid treatment plans for which the Company has an ongoing performance obligation. The Company derecognizes this contract liability, and recognizes revenue, as the patient consumes his or her visits related to the package and the Company transfers its services. If the Company determines that it is not subject to unclaimed property laws for the portion of wellness package that it does not expect to be redeemed (referred to as "breakage") then it recognizes breakage revenue in proportion to the pattern of exercised rights by the patient.

Royalties and Advertising Fund Revenue. The Company collects royalties, as stipulated in the franchise agreement, equal to 7% of gross sales, and a marketing and advertising fee currently equal to 2% of gross sales. Royalties, including franchisee contributions to advertising funds, are calculated as a percentage of clinic sales over the term of the franchise agreement. The revenue accounting standard provides an exception for the recognition of sales-based royalties promised in exchange for a license (which generally requires a reporting entity to estimate the amount of variable consideration to which it will be entitled in the transaction price). As the franchise agreement royalties, inclusive of advertising fund contributions, represent sales-based royalties that are related entirely to the Company's performance obligation under the franchise agreement, such sales-based royalties are recognized as franchisee clinic level sales occur. Royalties are collected semi-monthly, two working days after each sales period has ended.

Franchise Fees. The Company requires the entire non-refundable initial franchise fee to be paid upon execution of a franchise agreement, which typically has an initial term of ten years. Initial franchise fees are recognized ratably on a straight-line basis over the term of the franchise agreement. The Company's services under the franchise agreement include training of franchisees and staff, site selection, construction/vendor management and ongoing operations support. The Company provides no financing to franchisees and offers no guarantees on their behalf. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation. Renewal franchise fees, as well as transfer fees, are also recognized as revenue on a straight-line basis over the term of the respective franchise agreement.

Software Fees. The Company collects a monthly fee from its franchisees for use of its proprietary chiropractic software, computer support, and internet services support. These fees are recognized ratably on a straight-line basis over the term of the respective franchise agreement.

Regional Developer Fees. The Company has a regional developer program where regional developers are granted an exclusive geographical territory and commit to a minimum development obligation within that defined territory. Regional developer fees paid to the Company are non-refundable and are recognized as revenue ratably on a straight-line basis over the term of the regional developer agreement, which is considered to begin upon the execution of the agreement. The Company's services under regional developer agreements include site selection, grand opening support for the clinics, sales support for identification of qualified franchisees, general operational support and marketing support to advertise for ownership opportunities. The services provided by the Company are highly interrelated with the development of the territory and the resulting franchise licenses sold by the regional developer and as such are considered to represent a single performance obligation. In addition, regional developers receive fees which are funded by the initial franchise fees collected from franchisees

[Table of Contents](#)

upon the sale of franchises within their exclusive geographical territory and a royalty of 3% of sales generated by franchised clinics in their exclusive geographical territory. Initial fees related to the sale of franchises within their exclusive geographical territory are initially deferred as deferred franchise costs and are recognized as an expense in franchise cost of revenues when the respective revenue is recognized, which is generally over the term of the related franchise agreement. Royalties of 3% of sales generated by franchised clinics in their regions are also recognized as franchise cost of revenues as franchisee clinic level sales occur. This 3% fee is funded by the 7% royalties we collect from the franchisees in their regions. Certain regional developer agreements result in the regional developer acquiring the rights to existing royalty streams from clinics already open in the respective territory. In those instances, the revenue associated from the sale of the royalty stream is recognized over the remaining life of the respective franchise agreements.

Capitalized Sales Commissions. Sales commissions earned by the regional developers and the Company's sales force are considered incremental and recoverable costs of obtaining a franchise agreement with a franchisee. These costs are deferred and then amortized as the respective franchise fees are recognized ratably on a straight-line basis over the term of the franchise agreement.

Advertising Costs

Advertising costs are advertising and marketing expenses incurred by the Company, primarily through advertising funds. The Company expenses production costs of commercial advertising upon first airing and expenses the costs of communicating the advertising in the period in which the advertising occurs. Advertising expenses were \$5,163,381 and \$4,116,740, for the years ended December 31, 2022 and 2021, respectively.

Income Taxes

Income taxes are accounted for using a balance sheet approach known as the asset and liability method. The asset and liability method accounts for deferred income taxes by applying the statutory tax rates in effect at the date of the consolidated balance sheets to differences between the book basis and the tax basis of assets and liabilities. Deferred tax assets and liabilities represent the future tax consequence for those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. The differences relate principally to depreciation of property and equipment and treatment of revenue for franchise fees and regional developer fees collected. Tax positions are reviewed at least quarterly and adjusted as new information becomes available. The recoverability of deferred tax assets is evaluated by assessing the adequacy of future expected taxable income from all sources, including reversal of taxable temporary differences, forecasted operating earnings and available tax planning strategies. These estimates of future taxable income inherently require significant judgment. To the extent it is considered more likely than not that a deferred tax asset will be not recovered, a valuation allowance is established.

The Company accounts for uncertainty in income taxes by recognizing the tax benefit or expense from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by the taxing authorities, based on the technical merits of the position. The Company measures the tax benefits and expenses recognized in the consolidated financial statements from such a position based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate resolution. The Company has not identified any material uncertain tax positions as of December 31, 2022 and 2021, respectively. Interest and penalties associated with tax positions are recorded in the period assessed as general and administrative expenses.

With exceptions due to the generation and utilization of net operating losses or credits, as of December 31, 2022, the Company is no longer subject to federal and state examinations by taxing authorities for tax years before 2018 and 2017, respectively.

Earnings per Common Share

Basic earnings per common share is computed by dividing net income by the weighted-average number of common shares outstanding during the period. Diluted earnings per common share is computed by giving effect to all potentially dilutive common shares including restricted stock and stock options.

Stock-Based Compensation

The Company accounts for share-based payments by recognizing compensation expense based upon the estimated fair value of the awards on the date of grant. The Company determines the estimated grant-date fair value of restricted shares using the closing price on the date of the grant and the grant-date fair value of stock options using the Black-Scholes-Merton model. In order to calculate the fair value of the options, certain assumptions are made regarding the components of the model, including risk-free interest rate, volatility, expected dividend yield and expected option life. Changes to the assumptions could cause significant adjustments to the valuation. The Company recognizes compensation costs ratably over the period of service using the straight-line method. Forfeitures are estimated based on historical and forecasted turnover, which is approximately 5%.

Retirement Benefit Plan

Employees of the Company are eligible to participate in a defined contribution retirement plan, the Joint Corp. 401(k) Retirement Plan (the “401(k) Plan”), under Section 401(k) of the Internal Revenue Code. Under the 401(k) Plan, employees may contribute their eligible compensation, not to exceed the annual limits set by the IRS. The 401(k) Plan allows the Company to match participants’ contributions in an amount determined at the sole discretion of the Company. The Company matched participants’ contributions for the years ended December 31, 2022 and 2021, up to a maximum of 4% of the employee’s eligible compensation. Employer contributions totaled \$478,277 and \$346,561, for the years ended December 31, 2022 and 2021, respectively.

Loss Contingencies

ASC Topic 450 governs the disclosure of loss contingencies and accrual of loss contingencies in respect of litigation and other claims. The Company records an accrual for a potential loss when it is probable that a loss will occur and the amount of the loss can be reasonably estimated. When the reasonable estimate of the potential loss is within a range of amounts, the minimum of the range of potential loss is accrued, unless a higher amount within the range is a better estimate than any other amount within the range. Moreover, even if an accrual is not required, the Company provides additional disclosure related to litigation and other claims when it is reasonably possible (i.e., more than remote) that the outcomes of such litigation and other claims include potential material adverse impacts on the Company. Legal costs to be incurred in connection with a loss contingency are expensed as such costs are incurred.

Use of Estimates

[Table of Contents](#)

The preparation of the consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates. Items subject to significant estimates and assumptions include loss contingencies, share-based compensations, useful lives and realizability of long-lived assets, deferred revenue and revenue recognition related to breakage, deferred franchise costs, calculation of ROU assets and liabilities related to leases, realizability of deferred tax assets, impairment of goodwill, intangible assets, other long-lived assets, and purchase price allocations and related valuations.

Note 2: Revenue Disclosures

Company-owned or Managed Clinics

The Company earns revenues from clinics that it owns and operates or manages throughout the United States. Revenues are recognized when services are performed. The Company offers a variety of membership and wellness packages which feature discounted pricing as compared with its single-visit pricing. Amounts collected in advance for membership and wellness packages are recorded as deferred revenue and recognized when the service is performed in accordance with the Company's breakage policy, as discussed in Note 1, Revenue Recognition.

Franchising Fees, Royalty Fees, Advertising Fund Revenue, and Software Fees

The Company currently franchises its concept across 39 states. The franchise arrangement is documented in the form of a franchise agreement. The franchise arrangement requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the franchisee, but instead represent a single performance obligation, which is the transfer of the franchise license. The intellectual property subject to the franchise license is symbolic intellectual property as it does not have significant standalone functionality, and substantially all of the utility is derived from its association with the Company's past or ongoing activities. The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's symbolic intellectual property over the term of the license. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation.

The transaction price in a standard franchise arrangement primarily consists of (a) initial franchise fees; (b) continuing franchise fees (royalties); (c) advertising fees; and (d) software fees. Generally, the revenue accounting standard requires the reporting entity to estimate the amount of variable consideration to which it will be entitled in the transaction price. However, the revenue accounting standard provides an exception, and it allows a reporting entity to recognize revenue for a sales-based or usage-based royalty promised in exchange for a license of intellectual property only when (or as) the later of the following events occurs: (i) the subsequent sale or usage occurs, (ii) the performance obligation to which some or all of the sales-based or usage-based royalty has been allocated has been satisfied (or partially satisfied). In accordance with the revenue accounting standard exception, royalty and advertising revenue are recognized when the franchisee's sales occur.

The Company recognizes the primary components of the transaction price as follows:

- Initial and renewal franchise fees, as well as transfer fees, are recognized as revenue ratably on a straight-line basis over the term of the respective franchise agreement commencing with the execution of the franchise, renewal, or transfer agreement. As these fees are typically received in cash at or near the beginning of the contract term, the cash received is initially recorded as a contract liability until recognized as revenue over time.
- The Company is entitled to royalties and advertising fees based on a percentage of the franchisee's gross sales as defined in the franchise agreement. Royalty and advertising revenue are recognized when the franchisee's sales occur. Depending on timing within a fiscal period, the recognition of revenue results in either what is considered a contract asset (unbilled receivable) or, once billed, accounts receivable, on the consolidated balance sheet.
- The Company is entitled to a software fee, which is charged monthly. The Company recognizes revenue related to software fees ratably on a straight-line basis over the term of the franchise agreement.

Table of Contents

In determining the amount and timing of revenue from contracts with customers, the Company exercises significant judgment with respect to collectability of the amount; however, the timing of recognition does not require significant judgment as it is based on either the franchise term or the reported sales of the franchisee, neither of which requires estimation. The Company believes its franchising arrangements do not contain a significant financing component.

The Company recognizes advertising fees received under franchise agreements as advertising fund revenue.

Regional Developer Fees

The Company currently utilizes regional developers to assist in the development of the brand across certain geographic territories. The arrangement is documented in the form of a regional developer agreement. The arrangement between the Company and the regional developer requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the regional developer, but instead represent a single performance obligation, which is the transfer of the development rights to the defined geographic region. The intellectual property subject to the development rights is symbolic intellectual property as it does not have significant standalone functionality, and substantially all of the utility is derived from its association with the Company's past or ongoing activities. The nature of the Company's promise in granting the development rights is to provide the regional developer with access to the brand's symbolic intellectual property over the term of the agreement. The services provided by the Company are highly interrelated with the development of the territory and the resulting franchise licenses sold by the regional developer and as such are considered to represent a single performance obligation.

The transaction price in a standard regional developer arrangement primarily consists of the initial and renewal territory fees. The Company recognizes the regional developer fee as revenue ratably on a straight-line basis over the term of the respective regional developer agreement commencing with the execution of the regional developer agreement. As these fees are typically received in cash at or near the beginning of the term of the regional developer agreement, the cash received is initially recorded as a contract liability until recognized as revenue over time.

Note 3: Acquisitions

2022 Acquisitions

On May 19, 2022, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the seller four operating franchises in Arizona. The Company operates the franchises as company-owned.

clinics. The total purchase price for the transaction was \$5,761,256, less \$70,484 of net deferred revenue, resulting in total purchase consideration of \$5,690,772.

On July 5, 2022, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the seller one operating franchise in Arizona (collectively, including the May 19th purchase, the “AZ Clinics Purchase”). The Company operates the franchise as a company-owned clinic. The total purchase price for the transaction was \$1,205,667, less \$13,241 of net deferred revenue, resulting in total purchase consideration of \$1,192,426.

Based on the terms of the purchase agreements, the AZ Clinics Purchase has been treated as a business combination under U.S. GAAP using the acquisition method of accounting, which requires that assets acquired and liabilities assumed be recorded at the date of acquisition at their respective fair values. Any excess of the purchase price over the estimated fair values of the net assets acquired is recorded as goodwill.

The allocation of the total purchase price of AZ Clinics Purchase was as follows:

Property and equipment	\$	241,511
Operating lease right-of-use asset		912,937
Intangible assets		3,689,100
Total assets acquired		4,843,548
Goodwill		3,408,205
Deferred revenue		(455,317)
Operating lease liability - current portion		(128,516)
Operating lease liability - net of current portion		(784,722)
Net purchase consideration	\$	6,883,198

Intangible assets in the table above consist of re-acquired franchise rights of \$2,892,100, amortized over estimated useful lives of approximately four to eight years and customer relationships of \$797,000, amortized over estimated useful lives of two to three years. The fair value of re-acquired franchise rights are estimated using the multi-period excess earnings method. The multi-period excess earnings method model estimates revenues and cash flows derived from the primary asset and then deducts portions of the cash flow that can be attributed to supporting assets, such as assembled workforce and working capital that contributed to the generation of the cash flows. The resulting cash flow, which is attributable solely to the primary asset acquired, is then discounted at a rate of return commensurate with the risk of the asset to calculate a present value. Customer relationships are also calculated using the multi-period excess earnings method.

The valuation method involved the use of significant estimates and assumptions primarily related to forecasted revenue growth rates, gross margin, contributory asset charges, customer attrition rates, and market-participant discount rates. These measures are based on significant Level 3 inputs not observable in the market. Key assumptions developed based on the Company’s historical experience, future projections and comparable market data include future cash flows, long-term growth rates, attrition rates and discount rates

Goodwill represents the excess of the purchase consideration over the fair value of the underlying acquired net tangible and intangible assets. The factors that contributed to the recognition of goodwill included synergies and benefits expected to be gained from leveraging the Company’s existing operations and infrastructures, as well as the expected associated revenue and cash flow projections. Goodwill has been allocated to the Company’s Corporate Clinics segment based on such expected benefits. Goodwill related to the acquisition is expected to be deductible for income tax purposes over 15 years. The Company completed the purchase price allocation during the fourth quarter of 2022.

On July 29, 2022, the Company entered into Asset and Franchise Purchase Agreements under which the Company repurchased from the sellers three operating franchises in North Carolina. The Company operates the franchises as company-managed clinics. The total purchase price for the transactions was \$1,317,312, less \$31,647 of net deferred revenue, resulting in total purchase consideration of \$1,285,665.

On October 13, 2022, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the seller an operating franchise in North Carolina. The Company operates the franchise as a company-

managed clinic. The total purchase price for the transaction was \$761,384, less \$5,108 of net deferred revenue, resulting in total purchase consideration of \$756,276.

On October 24, 2022, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the seller an operating franchise in North Carolina (collectively, including the July 29th and October 13th purchases, the "NC Clinics Purchase"). The Company operates the franchise as a company-managed clinic. The total purchase price for the transaction was \$1,391,112, less \$9,262 of net deferred revenue, resulting in total purchase consideration of \$1,381,850.

On December 23, 2022, the Company entered into Asset and Franchise Purchase Agreements under which the Company repurchased from the sellers six operating franchises and one undeveloped clinic in California (the "CA Clinics Purchase"). The Company operates the franchises as company-managed clinics. The total purchase price for the transactions was \$1,965,755, less \$70,628 of net deferred revenue, resulting in total purchase consideration of \$1,895,127.

Based on the terms of the purchase agreement, the NC and CA Clinics Purchases have been treated as asset purchases under U.S. GAAP as there were no outputs or processes to generate outputs acquired as part of these transactions. Under an asset purchase, assets are recognized based on their cost to the acquiring entity. Cost is allocated to the individual assets acquired or liabilities assumed based on their relative fair values and does not give rise to goodwill.

The allocation of the total purchase price of NC Clinics Purchase was as follows:

Property and equipment	\$	198,236
Operating lease right-of-use asset		521,222
Intangible assets		3,544,456
Total assets acquired		4,263,914

Operating lease liability - current portion		(146,255)
Operating lease liability - net of current portion		(367,536)

Note 5: Fair Value Consideration

The Company's financial instruments include cash, restricted cash, accounts receivable, notes receivable, accounts payable, accrued expenses and debt under the Credit Agreement. The carrying amounts of its financial instruments, excluding the debt under the Credit Agreement, approximate their fair value due to their short maturities. The carrying value of the Company's debt under the Credit Agreement approximates fair value due to its interest rate being calculated from observable quoted prices for similar instruments, which is considered a Level 2 fair value measurement.

Authoritative guidance defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. The guidance establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability, developed based on market data obtained from sources independent of the Company. Unobservable inputs are inputs that reflect the Company's assumptions of what market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on reliability of the inputs as follows:

- Level 1: Observable inputs such as quoted prices in active markets;
- Level 2: Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

As of December 31, 2022 and 2021, the Company did not have any financial instruments that were measured on a recurring basis as Level 1, 2 or 3.

The Company's non-financial assets, which primarily consist of goodwill, intangible assets, property, plant and equipment, and operating lease right-of-use assets, are not required to be measured at fair value on a recurring basis, and instead are reported at their carrying amount. However, on a periodic basis whenever events or changes in circumstances indicate that their carrying amount may not be fully recoverable (and at least annually for goodwill), non-financial assets are assessed for impairment. If the fair value is determined to be lower than the carrying amount, an impairment charge is recorded to write down the asset to its fair value, which is considered Level 3 within the fair value hierarchy.

[Table of Contents](#)

During the years ended December 31, 2022 and 2021, certain operating lease right-of-use assets related to closed clinics with a total carrying amount of \$0.2 million and \$0.5 million, respectively, were written down to their respective fair value of zero and \$0.4 million. Fair value of the Company's operating lease right-of-use assets was determined based on the discounted cash flows of the estimated market rents. As a result, the Company recorded a noncash impairment loss of approximately \$0.2 million and \$0.1 million during the years ended December 31, 2022 and 2021, respectively.

Note 6: Intangible Assets and Goodwill

The Company accounted for the termination of development rights associated with unsold or undeveloped franchises as a cancellation, and the associated deferred revenue was netted against the aggregate purchase price. The Company recognized the net amount of \$0.2 million as reacquired development rights on March 18, 2022, which is amortized over the remaining original contract period of approximately 5.5 years.

On April 1, 2022, the Company entered into an agreement under which the Company repurchased the right to develop franchises in various counties in California. The Company recognized the net amount of \$2.0 million as reacquired development rights on April 1, 2022, which is amortized over the remaining original contract period of approximately 5.3 years.

On October 12, 2022, the Company entered into an agreement under which the Company repurchased the right to develop franchises in various counties in Philadelphia. The Company recognized the net amount of \$48,882 as reacquired development rights on October 12, 2022, which is amortized over the remaining original contract period of approximately 4.2 years.

Note 7: Debt

Credit Agreement

On February 28, 2020, the Company entered into a Credit Agreement (the "Credit Agreement"), with JPMorgan Chase Bank, N.A., individually, and as Administrative Agent and Issuing Bank ("JPMorgan Chase" or the "Lender"). The Credit Agreement provided for senior secured credit facilities (the "Credit Facilities") in the amount of \$7,500,000, including a \$2,000,000 revolver (the "Revolver") and \$5,500,000 development line of credit (the "Line of Credit"). The Revolver included amounts available for letters of credit of up to \$1,000,000 and an uncommitted additional amount of \$2,500,000. All outstanding principal and interest on the Revolver were due on February 28, 2022.

On February 28, 2022, the Company entered into an amendment to its Credit Facilities (as amended, the "2022 Credit Facility") with the Lender. Under the 2022 Credit Facility, the Revolver increased to \$20,000,000 (from \$2,000,000), the portion of the Revolver available for letters of credit increased to \$5,000,000 (from \$1,000,000), the uncommitted additional amount increased to \$30,000,000 (from \$2,500,000) and the developmental line of credit of \$5,500,000 was terminated. The Revolver will be used for working capital needs, general corporate purposes and for acquisitions, development and capital improvement uses. At the option of the Company, borrowings under the 2022 Credit Facility bear interest at: (i) the adjusted Secured Overnight Financing Rate ("SOFR"), which is the daily simple SOFR, plus 0.10%, plus 1.75%, payable on the last day of the selected interest period of one, three or six months, and on the three-month anniversary of the beginning of any six-month interest period, if applicable; or (ii) an Alternative Base Rate (ABR), plus 1.00%, payable monthly. The ABR is the greatest of: (A) the prime rate (as published by the Wall Street Journal), (B) the Federal Reserve Bank of New York rate, plus 0.5%, and (C) the adjusted one-month term SOFR rate. Amounts outstanding under the Revolver on February 28, 2022 continued to bear interest at the rate selected under the Credit Facilities prior to the amendment until the last day of the interest period in effect, at which time, if not repaid, the amounts outstanding under the Revolver will bear interest at the 2022 Credit Facility rate. As a result of this refinance, \$2,000,000 of current maturity of long-term debt has been reclassified to long-term as of December 31, 2021. The 2022 Credit Facility will terminate and all principal and interest will become due and payable on the fifth anniversary of the amendment (February 28, 2027).

The Credit Facilities contain customary events of default, including but not limited to nonpayment; material inaccuracy of representations and warranties; violations of covenants; certain bankruptcies and liquidations; cross-default to material indebtedness; certain material judgments; and certain fundamental changes such as a merger or sale of substantially all assets (as further defined in the Credit Facilities). The Credit Facilities require the Company to comply with customary affirmative, negative and financial covenants, including minimum interest coverage and maximum net leverage. A breach of any of these operating or financial covenants would result in a default under the Credit Facilities. If an event of default occurs and is continuing, the lenders could elect to declare all amounts then outstanding, together with accrued interest, to be immediately due and payable. The Credit Facilities are collateralized by substantially all of the Company's assets, including the assets in the Company's company-owned or managed clinics. The Company intends to use the Revolver for general working capital needs and for acquiring and developing new chiropractic clinics. The interest rate on funds borrowed under the Revolver as of December 31, 2022 was 6.43%. As of December 31, 2022, the Company was in compliance with all applicable financial and non-financial covenants under the Credit Agreement, and \$2,000,000 remains outstanding as of December 31, 2022.

In connection with the issuance of the Credit Facilities and the 2022 Credit Facility, the Company incurred debt issuance costs of \$52,648 and \$76,415, respectively. Interest expense and amortization expense related to debt issuance costs are being amortized to "Other expense, net" and was \$129,118 and \$60,178 for the years ended December 31, 2022 and 2021, respectively.

Paycheck Protection Program Loan

On April 10, 2020, the Company received a loan in the amount of approximately \$2.7 million from JPMorgan Chase Bank, N.A. (the "Loan"), pursuant to the Paycheck Protection Program (the "PPP") administered by the United States Small Business Administration. The PPP is part of the Coronavirus Aid, Relief, and Economic Security Act, which provides for forgiveness of up to the full principal amount and accrued interest of qualifying loans guaranteed under the PPP. The Loan was granted pursuant to a Note dated April 9, 2020 issued by the Company. The Note had a maturity date of April 11, 2022 and bore interest at a rate of 0.98% per annum. On March 4, 2021, the Company elected to repay the full principal and accrued interest on the PPP Loan of approximately \$2.7 million without prepayment penalty, in accordance with the terms of the PPP loan.

Note 8: Stock-Based Compensation

Table of Contents

The Company grants stock-based awards under its 2014 Incentive Stock Plan (the “2014 Plan”). The shares issued as a result of stock-based compensation transactions generally have been funded with the issuance of new shares of the Company’s common stock.

The Company may grant the following types of incentive awards under the 2014 Plan: (i) non-qualified stock options; (ii) incentive stock options; (iii) stock appreciation rights; (iv) restricted stock; and (v) restricted stock units. Each award granted under the 2014 Plan is subject to an award agreement that incorporates, as applicable, the exercise price, the term of the award, the periods of restriction, the number of shares to which the award pertains, and such other terms and conditions as the plan committee determines. Awards granted under the 2014 Plan are classified as equity awards, which are recorded in stockholders’ equity in the Company’s consolidated balance sheets. Through December 31, 2022, the Company has granted under the 2014 Plan (i) non-qualified stock options; (ii) incentive stock options; and (iii) restricted stock. There were no stock appreciation rights and restricted stock units granted under the 2014 Plan as of December 31, 2022.

Stock Options

The Company’s closing price on the date of grant is the basis of fair value of its common stock used in determining the value of share-based awards. To the extent the value of the Company’s share-based awards involves a measure of volatility, the Company uses available historical volatility of the Company’s common stock over a period of time corresponding to the expected stock option term. The Company uses the simplified method to calculate the expected term of stock option grants to employees as the Company does not have sufficient historical exercise data to provide a reasonable basis upon which to estimate the expected term of stock options granted to employees. Accordingly, the expected life of the options granted is based on the average of the vesting term, which is generally four years and the contractual term, which is generally ten years. The Company will continue to evaluate the appropriateness of utilizing such method. The risk-free interest rate is based on United States Treasury yields in effect at the date of grant for periods corresponding to the expected stock option term. Forfeitures are estimated based on historical and forecasted turnover, which is approximately 5%.

The Company did not grant options during the year ended December 31, 2022. The Company has computed the fair value of all options granted using the Black-Scholes-Merton model during the year ended December 31, 2021, using the following assumptions:

	Year Ended December 31, 2021
Expected volatility	57%
Expected dividends	None
Expected term (years)	7
Risk-free rate	0.97% to 1.27%

The information below summarizes the stock options activity:

The Joint Corp., without its consolidated VIEs, has federal net operating loss carryforwards of \$14.8 million and \$17.1 million as of December 31, 2022 and 2021, respectively. \$8.7 million of the federal net operating loss is subject to a 20-year carryforward, with a portion beginning to expire in 2036. \$6.1 million of the federal net operating loss has an indefinite carryforward period.

The Joint Corp., without its consolidated VIEs, has various state net operating loss carryforwards. The determination of the state net operating loss carryforwards is dependent upon apportionment percentages and state laws that can change from year to year and impact the amount of such carryforwards. If such net operating loss carryforwards are not utilized, they will begin to expire in 2025.

The Joint Corp. has research and development credits of \$14,229 that will begin to expire in 2031 and \$21,621 California AMT credits that do not expire.

The VIEs have net operating loss carryforwards of \$30.3 million and \$29.4 million as of December 31, 2022 and 2021, respectively. \$17.3 million of the federal net operating loss is subject to a 20-year carryforward, with a portion beginning to expire in 2036. \$12.9 million of the federal net operating loss has an indefinite carryforward period. The VIEs have various state net operating loss carryforwards. The determination of the state net operating loss carryforwards is dependent upon apportionment percentages and state laws that can change from year to year and impact the amount of such carryforwards. If such net operating loss carryforwards are not utilized, they will begin to expire in 2036. These federal and state net operating loss carryforwards are reserved with a full valuation allowance because, based on the available evidence and due to the structures of the management service agreements, the Company believes it is more likely than not that the Company would not be able to utilize those deferred tax assets in the future. Since the VIEs are separate legal entities and do not file consolidated tax returns with The Joint Corp, the net operating losses from the VIEs cannot offset income from The Joint Corp or vice versa.

The following is a reconciliation of the statutory federal income tax rate applied to pre-tax accounting net income, compared to the income tax benefit in the consolidated income statements:

	For the Years Ended December 31,			
	2022		2021	
	Amount	Percent	Amount	Percent
Expected federal tax expense (benefit)	\$ 408,190	21.0 %	\$ 1,109,334	21.0 %

Expense (Benefit)	<u>\$ 766,510</u>	<u>39.4 %</u>	<u>\$ (1,293,229)</u>	<u>(24.4)%</u>

Changes in the Company's income tax expense (benefit) relate primarily to state taxes and stock-based compensation, as well as changes in pre-tax income during the year ended December 31, 2022, as compared to the year ended December 31, 2021. For the years ended December 31, 2022 and December 31, 2021, effective tax rates were 39.4% and (24.4)%, respectively. The difference between the statutory federal income tax rate and the Company's effective tax rate was primarily due to state taxes, stock-based compensation, and other permanent differences.

For the years ended December 31, 2022 and December 31, 2021, the Company had no uncertain tax positions or interest and penalties related to uncertain tax positions. Interest and penalties associated with tax positions are recorded in the period assessed as general and administrative expenses, if any.

With exceptions due to the generation and utilization of net operating losses or credits, as of December 31, 2022, the Company is no longer subject to federal and state examinations by taxing authorities for tax years before 2019 and 2018, respectively.

Guarantee in Connection with the Sale of the Divested Business

In connection with the sale of a company-managed clinic in 2022, the Company guaranteed one future operating lease commitment assumed by the buyers. The Company is obligated to perform under the guarantee if the buyers fail to perform under the lease agreement at any time during the remainder of the lease agreement, which expires on May 31, 2027. At the date of sale, the undiscounted maximum potential future payments totaled \$247,296. As of the year ended December 31, 2022, the undiscounted remaining lease payments under the agreement totaled \$234,696. The Company had not recorded a liability with respect to the guarantee obligation as of December 31, 2022, as the Company concluded that payment under the lease guarantee was not probable.

In the normal course of business, the Company is party to litigation and claims from time to time. The Company maintains insurance to cover certain litigation and claims.

Corporate also provides the necessary administrative functions to support the Company as a publicly-traded company. A portion of the expenses incurred by Corporate are allocated to the operating segments.

The tables below present financial information for the Company's two operating business segments.

Note 12: Related Party Transaction

In December 2020, we sold two franchise licenses at \$39,900 and \$29,900 each (which reflects the \$10,000 multi-unit discount for the second license per the Franchise Disclosure Document) to Marshall Gramm, who is a family member of the Managing Partner of Bandera Partners LLC. Bandera Partners LLC was a significant shareholder of more than 5% of our outstanding common stock (approximately 17% as of December 31, 2022). The transaction involved terms no less favorable to us than those that would have been obtained in the absence of such affiliation. Although we have no way of estimating the aggregate amount of franchise fees, royalties, advertising fund fees, IT related income and computer software fees that Mr. Gramm will pay over the life of the franchise licenses, Mr. Gramm is subject to such fees under the same terms and conditions as all other franchisees. Mr. Gramm paid \$34,262 and \$11,046 in 2022 and 2021, respectively, for such royalties and other fees.

Note 13: Subsequent Events

The employee retention credit ("ERC"), as originally enacted through the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") on March 27, 2020, is a refundable credit against certain employment taxes equal to 50% of the qualified wages an eligible employer paid to employees from March 17, 2020 to December 31, 2020. The Disaster Tax Relief Act, enacted on December 27, 2020, extended the employee retention credit for qualified wages paid from January 1, 2021 to June 30, 2021, and the credit was increased to 70% of qualified wages an eligible employer paid to employees during the extended period. The American Rescue Plan Act of 2021, enacted on March 11, 2021, further extended the employee retention credit through December 31, 2021.

In October 2022, the Company filed an application with the IRS for the ERC. Employers are eligible for the credit if they experienced full or partial suspension or modification of operations during any calendar quarter because of governmental orders due to the pandemic or a significant decline in gross receipts based on a comparison of quarterly revenue results for 2020 and/or 2021 with the comparable quarter in 2019. The Company's ERC application was equal to 70% of qualified wages paid to employees during the period from January 1, 2021 to June 30, 2021 for a maximum quarterly credit of \$7,000 per employee. In March 2023, the Company received notice from the IRS related to the overpayment of Federal Employment Tax plus interest in the amount of \$4.8 million related to the ERC application. The \$4.8 million ERC is subject to a 20% consulting fee. The Company's eligibility remains subject to audit by the IRS for a period of five years.

ITEM 9. CHANGES IN AND DISAGREEMENTS WITH ACCOUNTANTS ON ACCOUNTING AND FINANCIAL DISCLOSURE

None.

ITEM 9A. CONTROLS AND PROCEDURES

Evaluation of Disclosure Controls and Procedures

Our disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act) are designed to provide reasonable assurance that information required to be disclosed in our reports filed under the Exchange Act, such as this Annual Report on Form 10-K, is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms. Disclosure controls and procedures also include, without limitation, controls and procedures that are designed to provide reasonable assurance that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure. The Chief Executive Officer and the Chief Financial Officer, with assistance from other members of management, have reviewed the effectiveness of our disclosure controls and procedures as of December 31, 2022 and, based on their evaluation, have concluded that the disclosure controls and procedures were effective as of such date.

Management's Report on Internal Control Over Financial Reporting

Management is responsible for establishing and maintaining adequate internal control over financial reporting (as defined in Rule 13a-15(f) of the Exchange Act). Internal control over financial reporting is the process designed under the Chief Executive Officer's and the Chief Financial Officer's supervision, and effected by our Board of Directors, management and other personnel, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles in the United States.

Internal control over financial reporting has inherent limitations. Internal control over financial reporting is a process that involves human diligence and compliance and is subject to lapses in judgment and breakdowns resulting from human failures. Internal control over financial reporting also can be circumvented by collusion or improper management override. Because of such limitations, there is a risk that material misstatements will not be prevented or detected on a timely basis by internal control over financial reporting. Therefore, it is possible to design into the process safeguards to reduce, though not eliminate, this risk.

Under the supervision and with the participation of our management, including our Chief Executive Officer and Chief Financial Officer, we conducted an evaluation of the effectiveness of our internal control over financial reporting as of December 31, 2022, as required by Exchange Act Rule 13a-15(c). In making this assessment, we used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission ("COSO") in the 2013 Internal Control - Integrated Framework (2013 Framework).

[Table of Contents](#)

As disclosed in Part II Item 9A Controls and Procedures in our Annual Report on Form 10-K for the year ended December 31, 2021, we previously identified material weaknesses as discussed below. A material weakness is a deficiency, or a combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of our annual or interim financial statements will not be prevented or detected on a timely basis.

We identified material weaknesses in internal control related to: (i) risk assessment and scoping – we did not effectively design and maintain controls in response to the risks of material misstatement. Specifically, the design of existing controls or the implementation of new controls has not been sufficient to respond to the risks of material misstatement related to the incremental borrowing rate for our leases, deferred costs and related expenses, other revenues, breakage revenue, intangible asset amortization, determination of reporting units, reassessment of our VIEs, stock option exercises, and the accuracy and completeness of certain financial statements; (ii) segregation of duties - we did not design and maintain effective controls such that all accounting duties are sufficiently segregated within the our business processes and certain financial applications. Specifically, we failed to have the appropriate Company personnel monitor users with administrative access to certain financial applications and data, and we did not design and maintain effective controls such that all accounting duties are sufficiently segregated; (iii) accounting related to significant complex accounting areas- we did not design and maintain effective controls over the accounting of complex accounting areas, including taxes and business combination and asset acquisition transactions. Specifically, we failed to properly design controls to appropriately review the accuracy and completeness of inputs provided to and outputs provided by third-party service providers, and we failed to consistently memorialize accounting treatment conclusions for acquisitions; and (iv) accounting related to revenue recognition and leases – we did not design and maintain effective controls over the proper accounting treatment for certain revenue streams and leases. Specifically, we failed to properly design controls to appropriately determine the proper accounting treatment for certain revenue streams and leases.

During 2022, management implemented our previously disclosed remediation plan that included: (i) enhancing the annual risk assessment, (ii) implementing new internal controls, (iii) removing administrative access to the financial reporting and accounting system for all accounting personnel, and (iv) modifying internal controls to address completeness of documentations on revenue recognition and adoptions of the revenue and the lease accounting standards.

During the fourth quarter of 2022, we completed our testing of the operating effectiveness of the implemented controls and found them to be effective. As a result, we have concluded the material weaknesses have been remediated as of December 31, 2022.

Changes in Internal Controls over Financial Reporting

Other than the changes in connection with our implementation of the remediation plan discussed above, no other changes in our internal control over financial reporting (as defined in Rules 13a-15(f) or 15d-15(f) of the Exchange Act) occurred during the fourth quarter of 2022 that have materially affected, or are reasonably likely to materially affect, the Company's internal control over financial reporting.

Opinion on the Consolidated Financial Statements

We have audited the accompanying balance sheets of The Joint Corp. (the “Company”) as of December 31, 2021, the related consolidated statements of income, changes in stockholders' equity, and cash flows for the year then ended, and the related notes (collectively referred to as the “financial statements”). In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2021, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States) (“PCAOB”), the Company's internal control over financial reporting as of December 31, 2021, based on criteria established in *Internal Control – Integrated Framework (2013)* issued by the Committee of Sponsoring Organizations of the Treadway Commission (“COSO”) and our report dated March 11, 2022 expressed an adverse opinion thereon.

Basis for Opinion

These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's consolidated financial statements based on our audit. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud.

Our audit included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that our audit provides a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matters communicated below are matters arising from the current period audit of the consolidated financial statements that were communicated or required to be communicated to the audit committee and that: (i) relate to accounts or disclosures that are material to the consolidated financial statements and (ii) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the consolidated financial statements, taken as a whole, and we are not, by communicating the critical audit matters below, providing separate opinions on the critical audit matters or on the accounts or disclosures to which they relate.

Timing of Recognizing Package Revenue

As described in Notes 1 and 2 to the Company's consolidated financial statements, the Company offers a variety of membership and wellness packages which feature discounted pricing as compared to its single-visit pricing. The Company recognizes a contract liability (or a deferred revenue liability) related to the prepaid treatment plans for which the Company has an ongoing performance obligation. The Company recognizes revenue, as the patient consumes his or her visits related to the package and the Company transfers its services. In addition, breakage revenue is estimated and recognized as revenue in proportion to the pattern of exercised rights.

We identified the timing of recognizing revenue associated with packages as a critical audit matter. The principal considerations that led us to determine this matter as a critical audit matter included the duration of packages, the volume of packages, the timing of when patients utilize the services purchased, and the estimation of the appropriate breakage revenue amounts after

Table of Contents

incorporating differences in laws related to breakage in each jurisdiction. Auditing these elements involved especially challenging auditor judgment due to the nature and extent of audit effort required to address these matters.

The primary procedures we performed to address this critical audit matter included:

- Selecting a sample of packages and agreeing to contracts with customers, and the underlying visit logs to evaluate the fulfillment of the performance obligation.
- Evaluating the assumptions management uses in estimating the breakage revenue recorded related to packages and assessing the completeness and accuracy of historical information utilized by management in estimating breakage.

Determination of Incremental Borrowing Rate for Leases

As described in Notes 1 and 10 of the Company's consolidated financial statements, the Company leases property under operating leases. The measurement of the right of use asset and the associated lease liability requires the determination of an incremental borrowing rate, which involves subjective management judgment.

We identified the determination of the incremental borrowing rates for lease contracts as a critical audit matter. Significant judgment is required by management to develop the incremental borrowing rates for lease contracts. Auditing the reasonableness of the incremental borrowing rates involved especially challenging auditor judgment due to the nature and extent of audit effort required to address these matters including the extent of specialized skill or knowledge needed.

The primary procedures we performed to address this critical audit matter included:

- Testing the completeness and accuracy of lease contracts included in the Company's lease system.
- Utilizing personnel with specialized knowledge and skill in valuation to assist in: (i) developing synthetic credit ratings for the Company (ii) developing independent estimates of fully collateralized incremental borrowing rates for the lease contracts, and (iii) comparing the independently developed estimates to the Company's incremental borrowing rates.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2020, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. THE JOINT CORP. AND SUBSIDIARY AND AFFILIATES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Note 1: Nature of Operations and Summary of Significant Accounting Policies

Basis of Presentation

These financial statements represent the consolidated financial statements of The Joint Corp. ("The Joint"), its variable interest entities ("VIEs"), and its wholly owned subsidiary, The Joint Corporate Unit No. 1, LLC (collectively, the "Company"). The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the amount of assets, liabilities, revenue, costs, expenses, other (expenses) income, and income taxes that are reported in the consolidated financial statements and accompanying disclosures. These estimates are based on management's best knowledge of current events, historical experience, actions that the Company may undertake in the future and on various other assumptions that are believed to be reasonable under the circumstances. As a result, actual results may be different from these estimates. For a discussion of significant estimates and judgments made in recognizing revenue, accounting for leases, and accounting for income taxes, see Note 2, "Revenue Disclosures", Note 9, "Income Taxes", and Note 10, "Commitments and Contingencies".

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of The Joint and its wholly owned subsidiary, The Joint Corporate Unit No. 1, LLC, which was dormant for all periods presented. The Company consolidates VIEs in which the Company is the primary beneficiary in accordance with Accounting Standards Codification 810, Consolidations ("ASC 810"). Non-controlling interests represent third-party equity ownership interests in VIEs. All significant inter-affiliate accounts and transactions between The Joint and its VIEs have been eliminated in consolidation.

Comprehensive Income

Net income and comprehensive income are the same for the years ended December 31, 2021 and 2020.

Correction of Immaterial Error

During the third and the fourth quarter of 2021, the Company identified immaterial errors in the following: (i) the calculation of deferred revenue related to wellness packages, (ii) the calculation of software fee revenue, and (iii) the calculation of breakage revenue related to wellness packages. Management assessed the materiality of the errors and determined the impact on the Company's 2020 consolidated financial statements was not material. The December 31, 2020 balance sheet has been revised to correct the errors.

The table below sets forth the impact of the revision on the previously issued consolidated balance sheet:

Nature of Operations

The Joint Corp., a Delaware corporation, was formed on March 10, 2010 for the principal purpose of franchising, developing, selling regional developer rights, supporting the operations of franchised chiropractic clinics, and operating and managing corporate chiropractic clinics at locations throughout the United States of America. The franchising of chiropractic clinics is regulated by the Federal Trade Commission and various state authorities.

The following table summarizes the number of clinics in operation under franchise agreements and as company-owned or managed for the years ended December 31, 2021 and 2020:

Variable Interest Entities

Certain states prohibit the “corporate practice of chiropractic,” which restricts business corporations from practicing chiropractic care by exercising control over clinical decisions by chiropractic doctors. In states which prohibit the corporate practice of chiropractic, the Company typically enters into long-term management agreements with professional corporations (“PCs”) that are owned by licensed chiropractic doctors, which, in turn, employ or contract with doctors who provide professional chiropractic care in its clinics. Under these management agreements with PCs, the Company provides, on an exclusive basis, all non-clinical services of the chiropractic practice. The Company has entered into such management agreements with two PCs, including one in North Carolina, in connection with the acquisitions on April 1, 2021 and November 1, 2021 (reference Note 3). An entity deemed to be the primary beneficiary of a VIE is required to consolidate the VIE in its financial statements. An entity is deemed to be the primary beneficiary of a VIE if it has both of the following characteristics: (a) the power to direct the activities of a VIE that most significantly impact the VIE’s economic performance and (b) the obligation to absorb the majority of losses of the VIE or the right to receive the majority of benefits from the VIE. In accordance with relevant accounting guidance, these PCs were determined to be VIEs. Such PCs are VIEs, as fees paid by the PCs to the Company as its management service provider are considered variable interests because the fees do not meet all the following criteria: 1) The fees are compensation for services provided and are commensurate with the level of effort required to provide those services; 2) The decision maker or service provider does not hold other interests in the VIE that individually, or in the aggregate, would absorb more than an insignificant amount of the VIE’s expected losses or receive more than an insignificant amount of the VIE’s expected residual returns; 3) The service arrangement includes only terms, conditions, or amounts that are customarily present in arrangements for similar services negotiated at arm’s length. Additionally, the Company has determined that it has the ability to direct the activities that most significantly impact the performance of these PCs and have an obligation to absorb losses or receive benefits which could potentially be significant to the PCs. Accordingly, the PCs are variable interest entities for which the Company is the primary beneficiary and are consolidated by the Company. The carrying amount of the VIEs’ assets and liabilities are immaterial as of December 31, 2021 and December 31, 2020, except for amounts collected in advance for membership and wellness packages, which are recorded as deferred revenue. The VIEs’ deferred revenue liability balance as of December 31, 2021 and December 31, 2020 was \$3.5 million and \$2.5 million, respectively. The VIEs’ payroll liability balance as of December 31, 2021 and December 31, 2020 was \$0.4 million and \$0.2 million, respectively.

Cash and Cash Equivalents

The Company considers all highly liquid instruments purchased with an original maturity of three months or less to be cash equivalents. The Company continually monitors its positions with, and credit quality of, the financial institutions with which it invests. As of the balance sheet date and periodically throughout the period, the Company has maintained balances in various operating accounts in excess of federally insured limits. The Company has invested substantially all its cash in short-term bank deposits. The Company had no cash equivalents as of December 31, 2021 and 2020.

Restricted Cash

Table of Contents

Restricted cash relates to cash that franchisees and company-owned or managed clinics contribute to the Company's National Marketing Fund and cash that franchisees provide to various voluntary regional Co-Op Marketing Funds. Cash contributed by franchisees to the National Marketing Fund is to be used in accordance with the Company's Franchise Disclosure Document with a focus on regional and national marketing and advertising. While such cash balance is not legally segregated and restricted as to withdrawal or usage, the Company's accounting policy is to classify these funds as restricted cash.

Accounts Receivable

Accounts receivable primarily represent amounts due from franchisees for royalty fees. The Company records an allowance for credit losses as a reduction to its accounts receivables for amounts that the Company does not expect to recover. An allowance for credit losses is determined through assessments of collectibility based on historical trends, the financial condition of the Company's franchisees, including any known or anticipated bankruptcies, and an evaluation of current economic conditions, as well as the Company's expectations of conditions in the future. Actual losses ultimately could differ materially in the near term from the amounts estimated in determining the allowance. As of December 31, 2021, and 2020, the Company had no allowance for credit losses on accounts receivable.

Deferred Franchise Costs and Regional Development Costs

Deferred franchise and regional development costs represent commissions that are direct and incremental to the Company and are paid in conjunction with the sale of a franchise license or regional development rights. These costs are recognized as an expense, in franchise and regional development cost of revenues when the respective revenue is recognized, which is generally over the term of the related franchise or regional developer agreement.

Property and Equipment

Property and equipment are stated at cost or for property acquired as part of franchise acquisitions at fair value at the date of closing. Depreciation is computed using the straight-line method over estimated useful lives, which is generally three to ten years. Leasehold improvements are amortized using the straight-line method over the shorter of the lease term or the estimated useful life of the assets. Maintenance and repairs are charged to expense as incurred; major renewals and improvements are capitalized. When items of property or equipment are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in income.

Capitalized Software

The Company capitalizes certain software development cost, including costs to implement cloud computing arrangements that is a service contract. These capitalized costs are primarily related to software used by clinics for operations and by the Company for the management of operations. Costs incurred in the preliminary stages of development are expensed as incurred. Once an application has reached the development stage, internal and external costs, if direct, are capitalized as assets in progress until the software is substantially complete and ready for its intended use. Capitalization ceases upon completion of all substantial testing. The Company also capitalizes costs related to specific upgrades and enhancements when it is probable the expenditures will result in additional functionality. Software developed is recorded as part of property and equipment. Maintenance and training costs are expensed as incurred. Internal use software is amortized on a straight-line basis over its estimated useful life, which is generally three to five years. Implementation costs incurred in connection with a cloud computing arrangement that is a service contract are included in prepaid expenses in the Company's consolidated balance sheets.

Leases

The Company leases property and equipment under operating and finance leases. The Company leases its corporate office space and the space for each of the company-owned or managed clinic in the portfolio. The Company recognizes a right-of-use ("ROU") asset and lease liability for all leases. Certain leases include one or more renewal options, generally for the same period as the initial term of the lease. The exercise of lease renewal options is generally at the Company's sole discretion and, as such, the Company typically determines that exercise of these renewal options is not reasonably certain. As a result, the Company does not include the renewal option period in the expected lease term and the associated lease payments are not included in the measurement of the right-of-use asset and lease liability. When available, the Company uses the rate implicit in the lease to discount lease payments; however, the rate implicit in the lease is not readily determinable for substantially all of its leases. In such cases, the Company estimates its incremental borrowing rate as the interest rate it would pay to borrow an amount equal to the lease payments over a similar term, with similar collateral as in the lease, and in a similar economic

Table of Contents

environment. The Company estimates these rates using available evidence such as rates imposed by third-party lenders to the Company in recent financings or observable risk-free interest rate and credit spreads for commercial debt of a similar duration, with credit spreads correlating to the Company's estimated creditworthiness.

For operating leases that include rent holidays and rent escalation clauses, the Company recognizes lease expense on a straight-line basis over the lease term from the date it takes possession of the leased property. Pre-opening costs are recorded as incurred in general and administrative expenses. Variable lease payments, such as percentage rentals based on location sales, periodic adjustments for inflation, reimbursement of real estate taxes, any variable common area maintenance and any other variable costs associated with the leased property are expensed as incurred and are also included in general and administrative expenses on the consolidated income statements.

Intangible Assets

Intangible assets consist primarily of re-acquired franchise and regional developer rights and customer relationships. The Company amortizes the fair value of re-acquired franchise rights over the remaining contractual terms of the re-acquired franchise rights at the time of the acquisition, which generally range from one to nine years. In the case of regional developer rights, the Company generally amortizes the re-acquired regional developer rights over two to seven years. The fair value of customer relationships is amortized over their estimated useful life of two to four years.

Goodwill

Goodwill consists of the excess of the purchase price over the fair value of tangible and identifiable intangible assets acquired in the acquisitions of franchises. Goodwill and intangible assets deemed to have indefinite lives are not amortized but are tested for impairment annually and more frequently if a triggering event occurs that makes it more likely than not that the fair value of a reporting unit is below carrying value. As required, the Company performs an annual impairment test of goodwill as of the first day of the fourth quarter or more frequently if a triggering event occurs. No impairments of goodwill were recorded for the years ended December 31, 2021 and 2020.

Long-Lived Assets

The Company reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset may not be recovered. The Company looks primarily to estimated undiscounted future cash flows in its assessment of whether or not long-lived assets are recoverable. The Company records an impairment loss when the carrying amount of the asset is not recoverable and exceeds its fair value. During the year ended December 31, 2021, certain operating lease right-of-use assets related to closed clinics with a total carrying amount of \$0.5 million was written down to its fair value of \$0.4 million. As a result, the Company recorded a noncash impairment loss of approximately \$0.1 million during the year ended December 31, 2021. No impairments of long-lived assets were recorded for the year ended December 31, 2020.

Advertising Fund

The Company has established an advertising fund for national or regional marketing and advertising of services offered by its clinics. The monthly marketing fee is 2% of clinic sales. The Company segregates the marketing funds collected which are included in restricted cash on its consolidated balance sheets. As amounts are expended from the fund, the Company recognizes a related expense. Such costs are included in selling and marketing expenses on the consolidated income statements.

Co-Op Marketing Funds

Some franchises have established regional Co-Ops for advertising within their local and regional markets. The Company maintains a custodial relationship under which the Co-Op Marketing Funds collected are segregated and used for the purposes specified by the Co-Ops' officers. The Co-Op Marketing Funds are included in restricted cash on the Company's consolidated balance sheets.

Revenue Recognition

The Company generates revenue primarily through its company-owned and managed clinics and through royalties, franchise fees, advertising fund contributions, IT related income and computer software fees from its franchisees.

Revenues from Company-Owned or Managed Clinics. The Company earns revenues from clinics that it owns and operates or manages throughout the United States. Revenues are recognized when services are performed. The Company offers a variety

Table of Contents

of membership and wellness packages which feature discounted pricing as compared with its single-visit pricing. Amounts collected in advance for membership and wellness packages are recorded as deferred revenue and recognized when the service is performed. Any unused visits associated with monthly memberships are recognized on a month-to-month basis. The Company recognizes a contract liability (or a deferred revenue liability) related to the prepaid treatment plans for which the Company has an ongoing performance obligation. The Company derecognizes this contract liability, and recognizes revenue, as the patient consumes his or her visits related to the package and the Company transfers its services. If the Company determines that it is not subject to unclaimed property laws for the portion of wellness package that it does not expect to be redeemed (referred to as "breakage") then it recognizes breakage revenue in proportion to the pattern of exercised rights by the patient.

Royalties and Advertising Fund Revenue. The Company collects royalties, as stipulated in the franchise agreement, equal to 7% of gross sales, and a marketing and advertising fee currently equal to 2% of gross sales. Royalties, including franchisee contributions to advertising funds, are calculated as a percentage of clinic sales over the term of the franchise agreement. The revenue accounting standard provides an exception for the recognition of sales-based royalties promised in exchange for a license (which generally requires a reporting entity to estimate the amount of variable consideration to which it will be entitled in the transaction price). As the franchise agreement royalties, inclusive of advertising fund contributions, represent sales-based royalties that are related entirely to the Company's performance obligation under the franchise agreement, such sales-based royalties are recognized as franchisee clinic level sales occur. Royalties are collected semi-monthly, two working days after each sales period has ended.

Franchise Fees. The Company requires the entire non-refundable initial franchise fee to be paid upon execution of a franchise agreement, which typically has an initial term of ten years. Initial franchise fees are recognized ratably on a straight-line basis over the term of the franchise agreement. The Company's services under the franchise agreement include training of franchisees and staff, site selection, construction/vendor management and ongoing operations support. The Company provides no financing to franchisees and offers no guarantees on their behalf. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation. Renewal franchise fees, as well as transfer fees, are also recognized as revenue on a straight-line basis over the term of the respective franchise agreement.

Software Fees. The Company collects a monthly fee from its franchisees for use of its proprietary chiropractic software, computer support, and internet services support. These fees are recognized ratably on a straight-line basis over the term of the respective franchise agreement.

Regional Developer Fees. The Company has a regional developer program where regional developers are granted an exclusive geographical territory and commit to a minimum development obligation within that defined territory. Regional developer fees paid to the Company are non-refundable and are recognized as revenue ratably on a straight-line basis over the term of the regional developer agreement, which is considered to begin upon the execution of the agreement. The Company's services under regional developer agreements include site selection, grand opening support for the clinics, sales support for identification of qualified franchisees, general operational support and marketing support to advertise for ownership opportunities. The services provided by the Company are highly interrelated with the development of the territory and the resulting franchise licenses sold by the regional developer and as such are considered to represent a single performance obligation. In addition, regional developers receive fees which are funded by the initial franchise fees collected from franchisees upon the sale of franchises within their exclusive geographical territory and a royalty of 3% of sales generated by franchised clinics in their exclusive geographical territory. Initial fees related to the sale of franchises within their exclusive geographical territory are initially deferred as deferred franchise costs and are recognized as an expense in franchise cost of revenues when the respective revenue is recognized, which is generally over the term of the related franchise agreement. Royalties of 3% of sales generated by franchised clinics in their regions are also recognized as franchise cost of revenues as franchisee clinic level sales occur. This 3% fee is funded by the 7% royalties we collect from the franchisees in their regions. Certain regional developer agreements result in the regional developer acquiring the rights to existing royalty streams from clinics already open in the respective territory. In those instances, the revenue associated from the sale of the royalty stream is recognized over the remaining life of the respective franchise agreements.

The Company entered into two regional developer agreements for the year ended December 31, 2020 for which it received approximately \$0.5 million, which was deferred as of the transaction date and is recognized as revenue ratably on a straight-line basis over the term of the regional developer agreement, which is considered to be upon the execution of the agreement. The Company did not enter into a regional developer agreement for the year ended December 31, 2021.

Capitalized Sales Commissions. Sales commissions earned by the regional developers and the Company's sales force are considered incremental and recoverable costs of obtaining a franchise agreement with a franchisee. These costs are deferred and

Table of Contents

then amortized as the respective franchise fees are recognized ratably on a straight-line basis over the term of the franchise agreement.

Advertising Costs

Advertising costs are advertising and marketing expenses incurred by the Company, primarily through advertising funds. The Company expenses production costs of commercial advertising upon first airing and expenses the costs of communicating the advertising in the period in which the advertising occurs. Advertising expenses were \$4,116,740 and \$2,640,853, for the years ended December 31, 2021 and 2020, respectively.

Income Taxes

Income taxes are accounted for using a balance sheet approach known as the asset and liability method. The asset and liability method accounts for deferred income taxes by applying the statutory tax rates in effect at the date of the consolidated balance sheets to differences between the book basis and the tax basis of assets and liabilities. Deferred tax assets and liabilities represent the future tax consequence for those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. The differences relate principally to depreciation of property and equipment and treatment of revenue for franchise fees and regional developer fees collected. Tax positions are reviewed at least quarterly and adjusted as new information becomes available. The recoverability of deferred tax assets is evaluated by assessing the adequacy of future expected taxable income from all sources, including reversal of taxable temporary differences, forecasted operating earnings and available tax planning strategies. These estimates of future taxable income inherently require significant judgment. To the extent it is considered more likely than not that a deferred tax asset will be not recovered, a valuation allowance is established.

The Company accounts for uncertainty in income taxes by recognizing the tax benefit or expense from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by the taxing authorities, based on the technical merits of the position. The Company measures the tax benefits and expenses recognized in the consolidated financial statements from such a position based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate resolution. The Company has not identified any material uncertain tax positions as of December 31, 2021 and 2020, respectively. Interest and penalties associated with tax positions are recorded in the period assessed as general and administrative expenses.

With exceptions due to the generation and utilization of net operating losses or credits, as of December 31, 2021, the Company is no longer subject to federal and state examinations by taxing authorities for tax years before 2018 and 2017, respectively.

Earnings per Common Share

Basic earnings per common share is computed by dividing net income by the weighted-average number of common shares outstanding during the period. Diluted earnings per common share is computed by giving effect to all potentially dilutive common shares including restricted stock and stock options.

Stock-Based Compensation

The Company accounts for share-based payments by recognizing compensation expense based upon the estimated fair value of the awards on the date of grant. The Company determines the estimated grant-date fair value of restricted shares using the closing price on the date of the grant and the grant-date fair value of stock options using the Black-Scholes-Merton model. In order to calculate the fair value of the options, certain assumptions are made regarding the components of the model, including risk-free interest rate, volatility, expected dividend yield and expected option life. Changes to the assumptions could cause significant adjustments to the valuation. The Company recognizes compensation costs ratably over the period of service using the straight-line method. Forfeitures are estimated based on historical and forecasted turnover, which is approximately 5%.

Retirement Benefit Plan

Employees of the Company are eligible to participate in a defined contribution retirement plan, the Joint Corp. 401(k) Retirement Plan (the “401(k) Plan”), under Section 401(k) of the Internal Revenue Code. Under the 401(k) Plan, employees may contribute their eligible compensation, not to exceed the annual limits set by the IRS. The 401(k) Plan allows the Company to match participants’ contributions in an amount determined at the sole discretion of the Company. The Company matched participants’ contributions for the years ended December 31, 2021 and 2020, up to a maximum of 4% of the employee’s eligible compensation. Employer contributions totaled \$346,561 and \$265,094, for the years ended December 31, 2021 and 2020, respectively.

Loss Contingencies

ASC Topic 450 governs the disclosure of loss contingencies and accrual of loss contingencies in respect of litigation and other claims. The Company records an accrual for a potential loss when it is probable that a loss will occur and the amount of the loss can be reasonably estimated. When the reasonable estimate of the potential loss is within a range of amounts, the minimum of the range of potential loss is accrued, unless a higher amount within the range is a better estimate than any other amount within the range. Moreover, even if an accrual is not required, the Company provides additional disclosure related to litigation and other claims when it is reasonably possible (i.e., more than remote) that the outcomes of such litigation and other claims include potential material adverse impacts on the Company. Legal costs to be incurred in connection with a loss contingency are expensed as such costs are incurred.

Use of Estimates

The preparation of the consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates. Items subject to significant estimates and assumptions include the allowance for credit losses, loss contingencies, share-based compensations, useful lives and realizability of long-lived assets, deferred revenue and revenue recognition related to breakage, deferred franchise costs, calculation of ROU assets and liabilities related to leases, realizability of deferred tax assets, impairment of goodwill, intangible assets, other long-lived assets, and purchase price allocations and related valuations.

Recently Adopted Accounting Guidance and Accounting Pronouncements Not Yet Adopted

In June 2016, the Financial Accounting Standards Board issued ASU No. 2016-13, “*Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*” and subsequent amendments to the initial guidance: ASU 2018-19, ASU 2019-04 and ASU 2019-05 (collectively, “Topic 326”). Topic 326 requires measurement and recognition of expected credit losses for financial assets held. The Company adopted Topic 326 on December 31, 2021 and the adoption had no impact on the Company’s consolidated financial statements. The Company reviewed other newly issued accounting pronouncements and concluded that they either are not applicable to the Company’s operations or that no material effect is expected on the Company’s financial statements upon future adoption.

Note 2: Revenue Disclosures

Company-owned or Managed Clinics

The Company earns revenues from clinics that it owns and operates or manages throughout the United States. Revenues are recognized when services are performed. The Company offers a variety of membership and wellness packages which feature discounted pricing as compared with its single-visit pricing. Amounts collected in advance for membership and wellness packages are recorded as deferred revenue and recognized when the service is performed and in accordance with the Company's breakage policy as discussed in Note 1, Revenue Recognition.

Franchising Fees, Royalty Fees, Advertising Fund Revenue, and Software Fees

The Company currently franchises its concept across 36 states. The franchise arrangement is documented in the form of a franchise agreement. The franchise arrangement requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the franchisee, but instead represent a single performance obligation, which is the transfer of the franchise license. The intellectual property subject to the franchise license is symbolic intellectual property as it does not have significant standalone functionality, and substantially all of the utility is derived from its association with the Company's past or ongoing activities. The nature of the Company's promise in granting the franchise license is to provide the franchisee with access to the brand's symbolic intellectual property over the term of the license. The services provided by the Company are highly interrelated with the franchise license and as such are considered to represent a single performance obligation.

The transaction price in a standard franchise arrangement primarily consists of (a) initial franchise fees; (b) continuing franchise fees (royalties); (c) advertising fees; and (d) software fees. The revenue accounting standard provides an exception for the recognition of sales-based royalties promised in exchange for a license (which generally requires reporting entity to estimate the amount of variable consideration to which it will be entitled in the transaction price).

The Company recognizes the primary components of the transaction price as follows:

- Initial and renewal franchise fees, as well as transfer fees, are recognized as revenue ratably on a straight-line basis over the term of the respective franchise agreement commencing with the execution of the franchise, renewal, or transfer agreement. As these fees are typically received in cash at or near the beginning of the contract term, the cash received is initially recorded as a contract liability until recognized as revenue over time.
- The Company is entitled to royalties and advertising fees based on a percentage of the franchisee's gross sales as defined in the franchise agreement. Royalty and advertising revenue are recognized when the franchisee's sales occur. Depending on timing within a fiscal period, the recognition of revenue results in either what is considered a contract asset (unbilled receivable) or, once billed, accounts receivable, on the consolidated balance sheet.
- The Company is entitled to a software fee, which is charged monthly. The Company recognizes revenue related to software fees ratably on a straight-line basis over the term of the franchise agreement.

In determining the amount and timing of revenue from contracts with customers, the Company exercises significant judgment with respect to collectibility of the amount; however, the timing of recognition does not require significant judgment as it is based on either the franchise term or the reported sales of the franchisee, none of which require estimation. The Company believes its franchising arrangements do not contain a significant financing component.

The Company recognizes advertising fees received under franchise agreements as advertising fund revenue.

Regional Developer Fees

The Company currently utilizes regional developers to assist in the development of the brand across certain geographic territories. The arrangement is documented in the form of a regional developer agreement. The arrangement between the Company and the regional developer requires the Company to perform various activities to support the brand that do not directly transfer goods and services to the regional developer, but instead represent a single performance obligation, which is the transfer of the development rights to the defined geographic region. The intellectual property subject to the development rights is symbolic intellectual property as it does not have significant standalone functionality, and substantially all of the utility is derived from its association with the Company's past or ongoing activities. The nature of the Company's promise in granting

Table of Contents

the development rights is to provide the regional developer with access to the brand's symbolic intellectual property over the term of the agreement. The services provided by the Company are highly interrelated with the development of the territory and the resulting franchise licenses sold by the regional developer and as such are considered to represent a single performance obligation.

The transaction price in a standard regional developer arrangement primarily consists of the initial and renewal territory fees. The Company recognizes the regional developer fee as revenue ratably on a straight-line basis over the term of the respective regional developer agreement commencing with the execution of the regional developer agreement. As these fees are typically received in cash at or near the beginning of the term of the regional developer agreement, the cash received is initially recorded as a contract liability until recognized as revenue over time.

Disaggregation of Revenue

The Company believes that the captions contained on the consolidated income statements appropriately reflect the disaggregation of its revenue by major type for the years ended December 31, 2021 and 2020. Other revenues primarily consist of merchant income associated with credit card transactions.

Note 3: Acquisitions

On April 1, 2021, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the seller two operating franchises in Phoenix, Arizona (the "AZ Clinics Purchase"). The Company operates the franchises as company-owned clinics. The total purchase price for the transaction was \$1,925,000, less \$29,417 of net deferred revenue, resulting in total purchase consideration of \$1,895,583. Based on the terms of the purchase agreement, the AZ Clinics Purchase has been treated as a business combination under U.S. GAAP using the acquisition method of accounting, which requires that assets acquired and liabilities assumed be recorded at the date of acquisition at their respective fair values. Any excess of the purchase price over the estimated fair values of the net assets acquired is recorded as goodwill.

The allocation of the purchase price was as follows:

Property and equipment	\$ 4,928
Operating lease right-of-use asset	651,197
Intangible assets	1,579,500
Total assets acquired	2,235,625
Goodwill	459,599
Deferred revenue	(123,976)
Operating lease liability - current portion	(49,303)
Operating lease liability - net of current portion	(626,362)
Net purchase consideration	<u>\$ 1,895,583</u>

Table of Contents

Intangible assets in the table above consist of re-acquired franchise rights of \$1,376,400 amortized over an estimated useful lives of eight to nine years and customer relationships of \$203,100 amortized over an estimated useful life of three years. The fair value of re-acquired franchise rights are estimated using the multi-period excess earnings method. The multi-period excess earnings method model estimates revenues and cash flows derived from the primary asset and then deducts portions of the cash flow that can be attributed to supporting assets, such as assembled workforce and working capital that contributed to the generation of the cash flows. The resulting cash flow, which is attributable solely to the primary asset acquired, is then discounted at a rate of return commensurate with the risk of the asset to calculate a present value. Customer relationships are also calculated using the multi-period excess earnings method.

Goodwill represents the excess of the purchase consideration over the fair value of the underlying acquired net tangible and intangible assets. The factors that contributed to the recognition of goodwill included synergies and benefits expected to be gained from leveraging the Company's existing operations and infrastructures, as well as the expected associated revenue and cash flow projections. Goodwill has been allocated to the Company's Corporate Clinics segment based on such expected benefits. Goodwill related to the acquisition is expected to be deductible for income tax purposes over 15 years. The Company finalized the purchase price allocation during the fourth quarter of 2021.

On April 1, 2021, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the seller six operating franchises in North Carolina. The Company operates the franchises as company-managed clinics. The total purchase price for the transaction was \$2,568,028, less \$58,441 of net deferred revenue, resulting in total purchase consideration of \$2,509,587.

On November 1, 2021, the Company entered into an Asset and Franchise Purchase Agreement under which the Company repurchased from the seller four operating franchises in North Carolina (collectively, including the April 1st purchase, the "NC Clinics Purchase"). The Company operates the franchises as company-managed clinics. The total purchase price for the transaction was \$1,272,107, less \$46,681 of net deferred revenue, resulting in total purchase consideration of \$1,225,426.

Based on the terms of the purchase agreement, the NC Clinics Purchase has been treated as an asset purchase under U.S. GAAP as there were no outputs or processes to generate outputs acquired as part of this transaction. Under an asset purchase, assets are recognized based on their cost to the acquiring entity. Cost is allocated to the individual assets acquired or liabilities assumed based on their relative fair values and does not give rise to goodwill.

The allocation of the purchase price for the six North Carolina clinics on April 1, 2021, was as follows:

Property and equipment	\$	524,046
Operating lease right-of-use asset		865,813
Intangible assets		2,187,472
Total assets acquired		3,577,331

Operating lease liability - current portion		(185,181)
Operating lease liability - net of current portion		(637,565)
Net purchase consideration	\$	2,509,587

Intangible assets in the table above consist of reacquired franchise rights of \$1,195,327 amortized over an estimated useful lives of three to four years and customer relationships of \$992,145 amortized over an estimated useful life of three years.

The allocation of the purchase price for the four North Carolina clinics on November 1, 2021, was as follows:

Intangible assets in the table above primarily consist of reacquired franchise rights of \$977,244 amortized over an estimated useful lives of four to nine years and customer relationships of \$55,786 amortized over an estimated useful life of two years.

Note 5: Fair Value Consideration

The Company's financial instruments include cash, restricted cash, accounts receivable, notes receivable, accounts payable, accrued expenses and notes payable. The carrying amounts of its financial instruments approximate their fair value due to their short maturities.

Authoritative guidance defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. The guidance establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability, developed based on market data obtained from sources independent of the Company. Unobservable inputs are inputs that reflect the Company's assumptions of what market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on reliability of the inputs as follows:

- Level 1: Observable inputs such as quoted prices in active markets;
- Level 2: Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3: Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

As of December 31, 2021, and 2020, the Company did not have any financial instruments that were measured on a recurring basis as Level 1, 2 or 3.

The Company's non-financial assets, which primarily consist of goodwill, intangible assets, property, plant and equipment, and operating lease right-of-use assets, are not required to be measured at fair value on a recurring basis, and instead are reported at their carrying amount. However, on a periodic basis whenever events or changes in circumstances indicate that their carrying amount may not be fully recoverable (and at least annually for goodwill), non-financial assets are assessed for impairment. If the fair value is determined to be lower than the carrying amount, an impairment charge is recorded to write down the asset to its fair value, which is considered Level 3 within the fair value hierarchy.

During the year ended December 31, 2021, certain operating lease right-of-use assets related to closed clinics with a total carrying amount of \$0.5 million were written down to their fair value of \$0.4 million. Fair value of the Company's operating lease right-of-use assets was determined based on the discounted cash flows of the estimated market rents. As a result, the

Table of Contents

Company recorded a noncash impairment loss of approximately \$0.1 million during the year ended December 31, 2021. No impairments of long-lived assets were recorded for the year ended December 31, 2020.

Note 6: Intangible Assets and Goodwill

On January 1, 2021, the Company entered into an agreement under which the Company repurchased the right to develop franchises in various counties in Georgia. The total consideration for the transaction was \$1,388,700. The Company carried a deferred revenue balance associated with this transaction of \$35,679, representing the unrecognized fee collected upon the execution of the regional developer agreement. The Company accounted for the termination of development rights associated with unsold or undeveloped franchises as a cancellation, and the associated deferred revenue was netted against the aggregate purchase price. The Company recognized the net amount of \$1,353,021 as reacquired development rights in January 2021, which is amortized over the remaining original contract period of approximately 13 months.

During 2021, the Company recognized \$3,548,971, \$1,251,031, and \$59,311 of reacquired franchise rights, customer relationships, and assembled workforce, respectively, from the acquisitions (reference Note 3).

Credit Agreement

On February 28, 2020, the Company entered into a Credit Agreement (the "Credit Agreement"), with JPMorgan Chase Bank, N.A., individually, and as Administrative Agent and Issuing Bank ("JPMorgan Chase" or the "Lender"). The Credit Agreement provides for senior secured credit facilities (the "Credit Facilities") in the amount of \$7,500,000, including a \$2,000,000 revolver (the "Revolver") and \$5,500,000 development line of credit (the "Line of Credit"). The Revolver includes amounts available for letters of credit of up to \$1,000,000 and an uncommitted additional amount of \$2,500,000. All outstanding principal and interest on the Revolver are due on February 28, 2022. Principal and interest outstanding on the Line of Credit at the end of the first year are converted to a term loan payable in 36 monthly payments with a final maturity date of March 31, 2024. Principal amounts on the Line of Credit borrowed during the second year plus interest thereon which are outstanding at the end of the second year are converted to a second term loan payable in 36 monthly payments with a final maturity date of March 31, 2025. Borrowings under the Credit Facilities bear interest at a rate equal to an applicable margin, which is a one-, three- or six-month reserve adjusted Eurocurrency rate plus 2.00% or, at the election of the Company, an alternative base rate plus 1.00%. The alternative base rate is the greatest of the prime rate, the Federal Reserve Bank of New York rate plus 0.50% and the one-month reserve adjusted Eurocurrency plus 1.00%. Unused portions of the Credit Facilities bear interest at a rate equal to 0.25% per annum. If the current Eurocurrency rate is no longer available or representative, the loan agreement provides a mechanism for replacing that benchmark rate. The Credit Facilities are pre-payable at any time without penalty, other than customary breakage fees, and any voluntary repayments made by the Company would reduce the future required repayment amounts.

The Credit Facilities contain customary events of default, including but not limited to nonpayment; material inaccuracy of representations and warranties; violations of covenants; certain bankruptcies and liquidations; cross-default to material indebtedness; certain material judgments; and certain fundamental changes such as a merger or sale of substantially all assets (as further defined in the Credit Facilities). The Credit Facilities require the Company to comply with customary affirmative, negative and financial covenants, including minimum interest coverage and maximum net leverage. A breach of any of these operating or financial covenants would result in a default under the Credit Facilities. If an event of default occurs and is continuing, the lenders could elect to declare all amounts then outstanding, together with accrued interest, to be immediately

Table of Contents

due and payable. The Credit Facilities are collateralized by substantially all of the Company's assets, including the assets in the Company's company-owned or managed clinics. The Company intends to use the Revolver for general working capital needs and the Line of Credit for acquiring and developing new chiropractic clinics.

On March 18, 2020, the Company drew down \$2,000,000 under the Revolver as a precautionary measure in order to further strengthen its cash position and provide financial flexibility in light of the uncertainty in the global markets resulting from the COVID-19 outbreak. As of December 31, 2021, the Company was in compliance with all applicable financial and non-financial covenants under the Credit Agreement, and the full \$2,000,000 remains outstanding as of December 31, 2021. The interest rate on funds borrowed under the Revolver as of December 31, 2021 was 2.25%.

Paycheck Protection Program Loan

On April 10, 2020, the Company received a loan in the amount of approximately \$2.7 million from JPMorgan Chase Bank, N.A. (the "Loan"), pursuant to the Paycheck Protection Program (the "PPP") administered by the United States Small Business Administration. The PPP is part of the Coronavirus Aid, Relief, and Economic Security Act, which provides for forgiveness of up to the full principal amount and accrued interest of qualifying loans guaranteed under the PPP. The Loan was granted pursuant to a Note dated April 9, 2020 issued by the Company. The Note had a maturity date of April 11, 2022 and bore interest at a rate of 0.98% per annum. On March 4, 2021, the Company elected to repay the full principal and accrued interest on the PPP Loan of approximately \$2.7 million without prepayment penalty, in accordance with the terms of the PPP loan.

Note 8: Stock-Based Compensation

The Company grants stock-based awards under its 2014 Incentive Stock Plan (the "2014 Plan"). The shares issued as a result of stock-based compensation transactions generally have been funded with the issuance of new shares of the Company's common stock.

The Company may grant the following types of incentive awards under the 2014 Plan: (i) non-qualified stock options; (ii) incentive stock options; (iii) stock appreciation rights; (iv) restricted stock; and (v) restricted stock units. Each award granted under the 2014 Plan is subject to an award agreement that incorporates, as applicable, the exercise price, the term of the award, the periods of restriction, the number of shares to which the award pertains, and such other terms and conditions as the plan committee determines. Awards granted under the 2014 Plan are classified as equity awards, which are recorded in stockholders' equity in the Company's consolidated balance sheets. Through December 31, 2021, the Company has granted under the 2014 Plan (i) non-qualified stock options; (ii) incentive stock options; and (iii) restricted stocks. There were no stock appreciation rights and restricted stock units granted under the 2014 Plan as of December 31, 2021.

Stock Options

The Company's closing price on the date of grant is the basis of fair value of its common stock used in determining the value of share-based awards. To the extent the value of the Company's share-based awards involves a measure of volatility, the Company uses available historical volatility of the Company's common stock over a period of time corresponding to the expected stock option term. The Company uses the simplified method to calculate the expected term of stock option grants to employees as the Company does not have sufficient historical exercise data to provide a reasonable basis upon which to estimate the expected term of stock options granted to employees. Accordingly, the expected life of the options granted is based on the average of the vesting term, which is generally four years and the contractual term, which is generally ten years. The Company will continue to evaluate the appropriateness of utilizing such method. The risk-free interest rate is based on United States Treasury yields in effect at the date of grant for periods corresponding to the expected stock option term. Forfeitures are estimated based on historical and forecasted turnover, which is approximately 5%.

Table of Contents

The Company has computed the fair value of all options granted using the Black-Scholes-Merton model during the years ended December 31, 2021 and 2020, using the following assumptions:

The aggregate fair value of the Company's stock options vested during 2021 and 2020 was \$481,404 and \$427,263, respectively.

The Company recognizes compensation costs ratably over the period of service using the straight-line method. Forfeitures are estimated based on historical and forecasted turnover, which is approximately 5%. For the years ended December 31, 2021 and 2020, stock-based compensation expense for stock options was \$625,291 and \$517,431, respectively.

Unrecognized stock-based compensation expense for stock options as of December 31, 2021 was \$1,459,789, which is expected to be recognized ratably over the next 2.7 years.

Restricted Stock

Restricted stock awards granted to employees generally vest in four equal annual installments. Restricted stock awards granted to non-employee directors vest on the earlier of (i) one year from the grant date and (ii) the date of the next annual meeting of the shareholders of the Company occurring after the date of grant.

Tax Benefits

Net income for 2021 and 2020 included pre-tax expense related to stock based compensation of \$1.1 million and \$0.9 million, respectively. The company recognized income tax benefits of \$3.3 million and \$0.4 million from the exercises of stock options and restricted stock awards, for 2021 and 2020, respectively.

Total deferred income tax liabilities	(7,551,794)	(4,093,023)
Valuation allowance	(859,657)	(685,650)
Net deferred tax asset	<u>\$ 9,188,634</u>	<u>\$ 7,941,435</u>

As of December 31, 2019, the Company maintained a valuation allowance of \$9.6 million against its deferred tax assets because there was insufficient positive evidence to overcome the existing negative evidence such that it was not more likely than not that the deferred tax assets were realizable. While the Company reported pre-tax income for the year ended December 31, 2019 and 2018, the Company continued to maintain the valuation allowance through the third quarter of 2020 due to the lack of sustained profitability over the three-year period. As of December 31, 2020, The Joint Corp., without the VIE, reported another pre-tax income for the year, resulting in a cumulative three-year pre-tax profit. After weighing all the evidence, management determined that it was more likely than not that the deferred tax assets were realizable and, therefore, the valuation allowance was no longer required for The Joint Corp. As a result, the Company released the valuation allowance against all of the U.S. federal and state deferred tax assets during the fourth quarter of 2020 related to The Joint Corp., without the VIE. Accordingly, the Company recorded a \$8.9 million income tax benefit for the year ended December 31, 2020 for the reversal of its deferred tax valuation allowance.

The Joint Corp., without the VIE, has federal net operating loss carryforwards of \$17.1 million and \$7.7 million as of December 31, 2021 and 2020, respectively. \$11.1 million of the federal net operating loss is subject to a 20 year carryforward, with a portion beginning to expire in 2036. \$6.0 million of the federal net operating loss has an indefinite carryforward period.

The Joint Corp., without the VIE, has various state net operating loss carryforwards. The determination of the state net operating loss carryforwards is dependent upon apportionment percentages and state laws that can change from year to year and impact the amount of such carryforwards. If such net operating loss carryforwards are not utilized, they will begin to expire in 2025.

The Joint Corp. has research and development credits of \$14,229 that will begin to expire in 2031 and \$21,621 California AMT credits that do not expire.

The VIEs have net operating loss carryforwards of \$29.4 million and \$28.5 million as of December 31, 2021 and 2020, respectively. \$17.3 million of the federal net operating loss is subject to a 20 year carryforward, with a portion beginning to expire in 2036. \$12.1 million of the federal net operating loss has an indefinite carryforward period. The VIEs have various state net operating loss carryforwards. The determination of the state net operating loss carryforwards is dependent upon apportionment percentages and state laws that can change from year to year and impact the amount of such carryforwards. If such net operating loss carryforwards are not utilized, they will begin to expire in 2036. These federal and state net operating loss carryforwards are reserved with a full valuation allowance because, based on the available evidence and due to the

[Table of Contents](#)

structures of the management service agreements, the Company believes it is more likely than not that the Company would not be able to utilize those deferred tax assets in the future. Since the VIEs are separate legal entities and do not file consolidated tax returns with The Joint Corp, the net operating losses from the VIEs cannot offset income from The Joint Corp or vice versa.

The following is a reconciliation of the statutory federal income tax rate applied to pre-tax accounting net income, compared to the income tax benefit in the consolidated income statements:

	For the Years Ended December 31,			
	2021		2020	
	Amount	Percent	Amount	Percent
Expected federal tax expense	\$ 1,109,334	21.0 %	\$ 1,136,657	21.0 %
State tax provision, net of federal benefit	(382,181)	(7.2)%	277,401	5.1 %
Change in valuation allowance	174,008	3.3 %	(8,877,736)	(164.0)%
Other permanent differences	311,360	5.9 %	123,913	2.3 %
Stock compensation	(2,519,083)	(47.7)%	(398,007)	(7.4)%
Other adjustments	13,333	0.3 %	(16,890)	(0.3)%
Benefit	<u>\$ (1,293,229)</u>	<u>(24.4)%</u>	<u>\$ (7,754,662)</u>	<u>(143.3)%</u>

Changes in the Company's income tax benefit relate primarily to the release of valuation allowance in 2020, as well as changes in pre-tax income during the year ended December 31, 2021, as compared to year ended December 31, 2020. For the years ended December 31, 2021 and December 31, 2020, effective tax rates were (24.5)% and (143.3)%, respectively. The difference between the statutory federal income tax rate and the Company's effective tax rate was primarily due to state taxes, the valuation allowance (for 2020), and stock-based compensation.

For the years ended December 31, 2021 and December 31, 2020, the Company had no uncertain tax positions or interest and penalties related to uncertain tax positions. Interest and penalties associated with tax positions are recorded in the period assessed as general and administrative expenses, if any.

With exceptions due to the generation and utilization of net operating losses or credits, as of December 31, 2021, the Company is no longer subject to federal and state examinations by taxing authorities for tax years before 2018 and 2017, respectively.

During the fourth quarter of 2021, the Company entered into various operating leases for its new corporate clinics' spaces that have not yet commenced. These leases are expected to result in additional ROU asset and liability of approximately \$1.8 million. These leases are expected to commence during the first quarter of 2022, with lease terms of five to ten years.

Litigation

In the normal course of business, the Company is party to litigation and claims from time to time. The Company maintains insurance to cover certain litigation and claims. In June 2021, the Company received a draft complaint from an employee, claiming that the Company had vicarious and other liability with respect to alleged wrongful acts committed by a former employee. In February 2022, the claim was settled for a total of \$750,000. The settlement liability accrual of \$750,000 is included in accrued expenses in its consolidated balance sheet as of December 31, 2021 and in general and administrative expenses in its consolidated income statement for the year ended December 31, 2021. The Company also recorded a \$250,000 insurance recovery asset associated with the settlement. This insurance recovery was recognized as a reduction of general and administrative expenses in its consolidated income statement for the year ended December 31, 2021.

Note 11: Segment Reporting

An operating segment is defined as a component of an enterprise for which discrete financial information is available and is reviewed regularly by the Chief Operating Decision Maker ("CODM") to evaluate performance and make operating decisions. The Company has identified its CODM as the Chief Executive Officer.

The Company has two operating business segments. The Corporate Clinics segment is comprised of the operating activities of the company-owned or managed clinics. As of December 31, 2021, the Company operated or managed 96 clinics under this segment. The Franchise Operations segment is comprised of the operating activities of the franchise business unit. As of December 31, 2021, the franchise system consisted of 610 clinics in operation. Corporate is a non-operating segment that develops and implements strategic initiatives and supports the Company's two operating business segments by centralizing key administrative functions such as finance and treasury, information technology, insurance and risk management, legal and human resources. Corporate also provides the necessary administrative functions to support the Company as a publicly-traded company. A portion of the expenses incurred by Corporate are allocated to the operating segments.

The tables below present financial information for the Company's two operating business segments.

COVID-19 Update

The COVID-19 outbreak continues to be fluid, and the extent to which the pandemic will impact the Company's business remains uncertain. The Company's 2020 revenue and earnings were negatively impacted compared to its pre-COVID-19 pandemic expectations, and the pandemic may have a negative impact on the Company's revenue and net income in 2022. Public health officials and medical professionals have warned that a resurgence of COVID-19 cases may continue, particularly if vaccination rates do not increase or if additional potent variants emerge, which may impact the general economic recovery. The ongoing economic impacts and health concerns associated with the pandemic may continue to affect patient behavior and spending levels and could result in reduced visits and patient spending trends that adversely impact the Company's financial position and results of operations. Until the COVID-19 pandemic has been resolved as a public health crisis, it retains the potential to cause further and more severe disruption of global and national economies. The Company will continue to actively monitor the situation and may take further actions that alter its business operations as may be required by federal, state, or local authorities, or that it determines are in the best interests of its employees and patients.

Note 13: Related Party Transaction

Between January 2019 and April 2019, the Company sold three franchise licenses to three entities owned by Cowboy Chiro LLC (collectively, the "Entities") at \$29,900 each (which reflects the \$10,000 multi-unit discount per the Franchise Disclosure Document, as one or more equity owner of the Entities has purchased a license previously). Glenn Krevlin, the Company's director, was a minority owner of the Entities, owning a 29.75% interest. In December 2021, Mr. Krevlin sold all of his interests in the Entities. The transaction involved terms no less favorable to the Company than those that would have been obtained in the absence of such affiliation.

Activity with the Entities is summarized below:

	For the Year Ended December 31,	
	2021	2020
Royalty fees	\$ 100,243	\$ 52,364
Franchise fees	8,970	8,995

Total revenue from related parties	\$ 159,418	\$ 97,884

Note 14: Subsequent Event

On February 28, 2022, the Company entered into an amendment to its Credit Facilities (as amended, the "2022 Credit Facility") with the Lender. Under the 2022 Credit Facility, the Revolver increases to \$20,000,000 (from \$2,000,000), the portion of the Revolver available for letters of credit increases to \$5,000,000 (from \$1,000,000), the uncommitted additional amount increases to \$30,000,000 (from \$2,500,000) and the developmental line of credit of \$5,500,000 terminates. The Revolver will be used for working capital needs, general corporate purposes and for acquisitions, development and capital improvement uses.

At the option of the Company, new borrowings under the Revolver bear interest at: (i) the adjusted SOFR rate, plus 0.10%, plus 1.75%, payable on the last day of the selected interest period of one, three or six months, and on the three month anniversary of the beginning of any six month interest period, if applicable; or (ii) an Alternative Base Rate (ABR), plus 1.00%, payable monthly. The ABR is the greatest of: (A) the prime rate (as published by the Wall Street Journal), (B) the Federal Reserve Bank of New York rate, plus 0.5%, and (C) the adjusted one-month term SOFR rate. Amounts outstanding under the Revolver on February 28, 2022 will continue to bear interest at the rate selected under the Credit Facilities prior to the amendment until the last day of the interest period in effect, at which time, if not repaid, the amounts outstanding under the Revolver will bear interest at the 2022 Credit Facility rate. As a result of this refinance, \$2,000,000 of current maturity of long-

term debt has been reclassified to long-term as of December 31, 2021. The 2022 Credit Facility will terminate and all principal and interest will become due and payable on the fifth anniversary of the amendment (February 28, 2027).

FILING OFFICER COPY – NATIONAL UCC FINANCING STATEMENT (FORM UCC1) (REV. 07/29/98)

Instructions for National UCC Financing Statement (Form UCC1)

Please type or laser-print this form. Be sure it is completely legible. Read all Instructions, especially Instruction 1; correct Debtor name is crucial. Follow Instructions completely.

Fill in form very carefully; mistakes may have important legal consequences. If you have questions, consult your attorney. Filing office cannot give legal advice.

Do not insert anything in the open space in the upper portion of this form; it is reserved for filing office use.

When properly completed, send Filing Office Copy, with required fee, to filing office. If you want an acknowledgment, complete item B and, if filing in a filing office that returns an acknowledgment copy furnished by filer, you may also send Acknowledgment Copy; otherwise detach. If you want to make a search request, complete item 7 (after reading instruction 7 below) and send Search Report Copy, otherwise detach. Always detach Debtor and Secured Party Copies.

If you need to use attachments, use 8-1/2 X 11 inch sheets and put at the top of each sheet the name of the first Debtor, formatted exactly as it appears in item 1 of this form; you are encouraged to use Addendum (Form UCC1Ad).

A. To assist filing offices that might wish to communicate with filer, filer may provide information in item A. This item is optional.

B. Complete item B if you want an acknowledgment sent to you. If filing in a filing office that returns an acknowledgment copy furnished by filer, present simultaneously with this form a carbon or other copy of this form for use as an acknowledgment copy.

1. Debtor name: Enter only one Debtor name in item 1, an organization's name (1a) or an individual's name (1b). Enter Debtor's exact full legal name. Don't abbreviate.

1a. **Organization Debtor.** "Organization" means an entity having a legal identity separate from its owner. A partnership is an organization; a sole proprietorship is not an organization, even if it does business under a trade name. If Debtor is a partnership, enter exact full legal name of partnership; you need not enter names of partners as additional Debtors. If Debtor is a registered organization (e.g., corporation, limited partnership, limited liability company), it is advisable to examine Debtor's current filed charter documents to determine Debtor's correct name, organization type, and jurisdiction of organization.

1b. **Individual Debtor.** "Individual" means a natural person and a sole proprietorship, whether or not operating under a trade name. Don't use prefixes (Mr., Mrs., Ms.). Use suffix box only for titles of lineage (Jr., Sr., III) and not for other suffixes or titles (e.g., M.D.). Use married woman's personal name (Mary Smith, not Mrs. John Smith). Enter individual Debtor's family name (surname) in Last Name box, first given name in First Name box, and all additional given names in Middle Name box.

For both organization and individual Debtors: Don't use Debtor's trade name, DBA, AKA, FKA, Division name, etc. in place of or combined with Debtor's legal name; you may add such other names as additional Debtors if you wish (but this is neither required nor recommended).

1c. An address is always required for the Debtor named in 1a or 1b.

1d. Debtor's taxpayer identification number (tax ID #) – social security number or employer identification number – may be required in some states.

In addition, the Management Fee charged hereunder does not include any discount, rebate, kickback, or other reduction in charge, and the Management Fee charged hereunder is not intended to be, nor shall it be construed to be, an inducement or payment for referral, or recommendation of referral, of patients by the P.C. to the Company (or its affiliates) or by the Company (or its affiliates) to the P.C.

6. Regulatory Matters.

(a) The P.C.'s Providers shall at all times be free, in their sole discretion, to exercise their professional judgment on behalf of patients of the P.C. No provision of this Agreement is intended, nor shall it be construed, to permit the Company to affect or influence the professional judgment of any member of the P.C.'s Providers. To the extent that any act or service required or permitted of the Company by any provision of this Agreement may be construed or deemed to constitute the practice of chiropractic, the ownership or control of a chiropractic practice, or the operation of a clinic, said provision of this Agreement shall be void ab initio and the performance of said act or service by the Company shall be deemed waived by the P.C.

(b) The parties agree to cooperate with one another in the fulfillment of their respective obligations under this Agreement, and to comply with the requirements of applicable Laws and with all ordinances, statutes, regulations, directives, orders, or other lawful enactments or pronouncements of any federal, state, municipal, local or other lawful authority applicable to the Clinic, and of any insurance company insuring the Clinic or the parties against liability for accident or injury in or upon the premises of the Clinic.

7. Insurance.

7.1 General Comprehensive Liability Insurance. During the term of this agreement, the Company shall obtain and maintain, at the P.C.'s expense, a comprehensive general liability insurance policy and such other insurances as may be required, in such amounts, with such coverages and with such companies as the Company may reasonably determine to be necessary and appropriate, as required by law or as are usual and customary. These insurance policies must name The Joint Corp., the Company, and any of their respective affiliates that the Company or The Joint Corp. designates as additional named insureds, and provide for third (30) days' prior written notice to the Company and The Joint Corp. and of a policy's material modification, cancellation or expiration.

7.2 Equipment Insurance. The Company shall cause to be carried and maintained, at its own expense, insurance against all risks of physical loss or damage to the Equipment in an amount not less than the original purchase price or the replacement cost with like kind and quality at the time of loss, with such companies and as the Company shall reasonably determine. These insurance policies must name The Joint Corp., the Company, and any of their respective affiliates that the Company or The Joint Corp. designates as additional named insureds, and provided for thirty (30) days' prior written notice to the Company and The Joint Corp. and of a policy's material modification, cancellation or expiration.

7.3 Malpractice Insurance. During the term of this Agreement, the Company shall arrange for the P.C. to obtain and maintain, at the P.C.'s expense, professional liability insurance covering the P.C. and its Providers, as an occurrence-based policy with limits of not less than [one million dollars (\$1,000,000) per occurrence and three million dollars (\$3,000,000) in the aggregate], which the parties hereby agree are adequate amounts of

{WS097116v5 }

coverage, or such other amount as required by law. In the event the P.C. has no other option but to obtain a “claims made” form of insurance in effect at any time during the term of this Agreement, the Company shall obtain, at P.C.’s expense, full “tail” coverage to cover any event that may have occurred during the term of this Agreement. The P.C. shall provide to the Company any information with respect to the P.C. or the Providers necessary for the Company to secure such professional liability insurance. These insurance policies must name The Joint Corp., the Company, and any of their respective affiliates that the Company or The Joint Corp. designates as additional name insureds, and provide for thirty (30) days’ prior written notice to the Company and The Joint Corp. and of a policy’s material modification, cancellation or expiration.

8. Indemnification by the P.C. The P.C. hereby agrees to indemnify, defend, and hold harmless the Company, and each of the Company’s officers, directors, shareholders, agents and employees, from and against any and all claims, demands, losses, liabilities, actions, lawsuits and other proceedings judgments and awards, and costs and expenses (including court costs, and reasonable attorneys’ and consultancy fees), arising directly or indirectly, in whole or in part out of any breach by the p.c. OF This Agreement or any acts or omissions by the P.C. or its Providers in their performance of this Agreement, including, but not limited to, negligence of the P.C. or its Providers arising from or related to any of their professional acts or omissions to the extent that such is not paid or covered by the proceeds of insurance. The P.C. shall immediately notify the Company of any lawsuits or actions, or any threat thereof, against P.C. or any Provider, or the Company, which may become known to the P.C.

9. Indemnification by the Company. The Company hereby agrees to indemnify, defend, and hold harmless the P.C., and each of its officers, managers, members, agents and employees, from and against any and all claims, demands, losses, liabilities, actions, lawsuits and other proceedings, judgments and awards, and costs and expenses (including court costs, and reasonable attorneys’ and consultancy fees), arising directly or indirectly, in whole or in part, out of any breach by the Company of this Agreement or any willful or grossly negligent act or omission by the Company in its performance of this Agreement, to the extent that such is not paid or covered by the proceeds of insurance. The company shall immediately notify the P.C. of any lawsuits or actions, or any threat thereof, against the Company, P.C. or any Provider that may become known to the Company.

10. Security Interest. As security for Practice’s obligations set forth in this Agreement, Shareholder, who is owner of 100% of P.C.’s shares of common stock, hereby pledges, and as inducement to Company to enter into this Agreement, grants a security interest in, assigns, transfers, and delivers to Company (or Company’s qualifying designee) P.C.’s shares to Company as collateral security for the performance of P.C.’s obligations hereunder. In the event of a breach by or default of P.C. of this Agreement, or upon termination of this Agreement for any reason, and as further provided below, Shareholder shall cooperate as reasonably requested in the transfer of P.C.’s shares to a chiropractor independently determined to be competent designated by Company. In connection with this grant of a security interest, Shareholder represents and warrants that Shareholder owns the pledged shares free and clear of any material liens, claims, encumbrances, or security interests of any kind or nature whatsoever; that Shareholder is not precluded, by agreement or operation of law or otherwise, from making this pledge, and needs no further authority or authorization for this pledge; and that the pledge of the shares as collateral creates a valid first priority lien on and a first priority perfected security interest and lien in the collateral and proceeds thereof, securing the performance of P.C.’s obligations under this Agreement.

11. Actions Requiring Company’s Consent. As inducement to Company to enter into this Agreement, P.C. agrees that it shall not take certain governance actions without Manager’s consent. Therefore, notwithstanding anything in this Agreement to the contrary, P.C. agrees that the following actions by P.C. shall be void unless undertaken with the prior written consent of Manager:

(a) The issuance, reclassification, recapitalization, redemption of capital stock of P.C. or of any security convertible into shares of capital stock of P.C., without prior consultation and written consent of Manager;

(b) The payment of any dividends on the capital stock of P.C. or other distribution to the shareholders of P.C., without prior consultation and written consent of Manager;

(c) Any consolidation, conversion, merger or stock/share exchange of P.C. without prior consultation and written consent of Manager;

(d) Any sale, assignment, pledge, lease, exchange, transfer or other disposition (without prior consultation and written consent of Manager), excluding salaries, but including without limitation a mortgage or other security device, of assets, including P.C.'s accounts receivable, constituting in the aggregate five percent (5%) or more (in any transaction or series of transactions over any consecutive five (5) year period) of the total assets of P.C. at the end of its most recent fiscal year ending prior to such disposition; and

(e) The dissolution or liquidation of P.C.

12. Non-Solicitation.

(a) Intentionally Omitted.

(b) To the extent permitted by law, during the term of any Provider's employment with the P.C. and for a period of one (1) year after the termination or expiration of any such Provider's employment agreement with the P.C., such Provider shall not, without the express written consent of the P.C., solicit verbally or in writing, any patient or former patient of the P.C., or otherwise interfere with such patient or former patient's relationship with the P.C. in connection with the provisions of chiropractic services. Upon termination of any Provider's employment with the P.C., the P.C. shall promptly notify the Provider's patients of how and where to contact the Provider.

(c) In the event that any of the P.C.'s Providers shall violate any provision of this Section 12, the P.C.'s President shall immediately notify the Company of such activity and the P.C. shall immediately take all necessary and appropriate corrective action.

(d) Company agrees to waive any outstanding Management Fees owed by the P.C. at termination of this agreement, pursuant to Section 4.4(d), as consideration for the non-solicitation provision set forth in Section 12 (b) above.

13. Proprietary Rights. The P.C. recognizes and acknowledges that all records, files, reports, protocols, policies, manuals, data bases, processes, procedures, computer systems, materials and other documents used by the Company (or its affiliates) in rendering services hereunder, or relating to the operations of the company (or its affiliates), belong to and shall remain the property of the Company, and constitute proprietary information and trade secrets that are valuable, special, and unique assets of the Company's business ("Confidential Information"). The P.C. shall not, and shall assure that each of its Providers shall not, during or after the term of this Agreement, disclose any Confidential Information of the Company (or its affiliates), or the terms and conditions of this Agreement to any other firm, person, corporation, association, or other entity for any reason or purpose whatsoever, without the written consent of the Company or its respective affiliates.

14. Enforcement.

(a) The P.C. recognizes and acknowledges that all records, files, reports, protocols, policies, manuals, data bases, processes, procedures, computer systems, materials and other documents used by the Company (or its affiliates) in rendering services hereunder, or relating to the operations of the Company (or its affiliates), belong to and shall remain the property of the Company, and constitute proprietary information and trade secrets that are valuable, special, and unique assets of the Company's business ("Confidential Information"). The P.C. shall not, and shall assure that each of its Providers shall not, during or after the term of this Agreement, disclose any Confidential Information of the Company (or its affiliates), or the terms and conditions of this Agreement to any other firm, person, corporation, association, or other entity for any reason or purpose whatsoever, without the written consent of the Company or its respective affiliates.

(b) All works, discoveries and developments, whether or not copyrightable, relating to the Company's present, past or prospective activities, services and products ("Inventions") which are at any time conceived or reduced to practice by P.C. and/or any of its Providers, acting alone or in conjunction with others, in connection with the Company's management of the P.C. or, during the course of the P.C.'s employment or engagement of Providers (or, if based on or related to any Confidential Information, made by P.C. and/or any Provider during or after such management by the Company or employment or engagement by the P.C.) and all concepts and ideas known to P.C. or any Provider at any time during the Company's management of the P.C. which relate to the Company's present, past or prospective activities, services and products ("Concepts and Ideas") or any modifications thereof held by or known to P.C. and/or any Provider on the date of this Agreement or acquired by P.C. and/or any Provider during the term of this Agreement shall be the property of the Company, free of any reserved or other rights of any kind on P.C. and/or any Provider's part in respect thereof, and P.C. and/or any such Provider hereby assign all rights therein to the Company.

(c) P.C. and/or its Providers shall promptly make full disclosure of any such Inventions, Concepts and Ideas or modifications thereof to the Company. Further, P.C. and/or its Providers shall, at the Company's cost and expense, promptly execute formal applications for copyrights and also do all other acts and things (including, among others, executing and delivering instruments of further assurance or confirmation) deemed by the Company to be necessary or desirable at any time or times in order to effect the full assignment to the Company of P.C. and/or its Providers' rights and title to such Inventions, Concepts and Ideas or modifications, without payment therefor and without further compensation. In order to confirm the Company's rights, P.C. and/or its Providers will also assign to the Company any and all copyrights and reproduction rights to any written material prepared by P.C. and/or its Providers in connection with the Company's management of the P.C. or the Providers' employment or engagement by the P.C. P.C. and/or its Providers further understand that the absence of a request by the Company for information, or for the making of an oath, or for the execution of any document, shall in no way be construed to constitute a waiver of the rights of the Company under this Agreement. This Agreement shall not be construed to limit in any way any "shop rights" or other common law or contractual rights of the P.C. or the Company in or to any Inventions, Concepts and Ideas or modifications which the Company has or may have by virtue of the Company's management activities hereunder or the P.C.'s engagement of its Providers.

(d) The P.C. agrees that the restrictive covenants set forth in Sections 12 and 13 are reasonable in nature, duration and geographical scope. The P.C. further acknowledges that any violation of those restrictive covenants will cause the Company irreparable damage, which a monetary award would be inadequate to remedy, and that a court or arbitrator of competent jurisdiction may, in addition to monetary awards, enjoin any breach of, and enforce, such restrictive covenants by temporary restraining order, and preliminary and permanent injunctive relief without the need for the moving party to post any bond or surety. If a court or arbitrator of competent jurisdiction determines that any of the restrictive covenants set forth in Section 12 or 13 are unreasonable in nature, duration or geographic scope, then the P.C. agrees that such court or arbitrator shall reform such restrictive covenant so that such restrictive covenant is enforceable to the maximum extent permitted by law for a restrictive covenant of that nature, and such court shall enforce the restrictive covenant to that extent. If any court or arbitrator finds that the P.C. and/or any Provider has breached the restrictive covenants set forth in Sections 12 or 13 above, then such restrictive covenants shall be extended for an additional period equal to the period of such breach.

15. Employment Agreements. The P.C. agrees that it shall impose by contract on each of its Providers the obligation to abide by the applicable terms and conditions of this Agreement, including the restrictive covenants specified above. The Company and its affiliates are intended to be third-party beneficiaries of such contracts and the Company may, in its sole discretion, be a signatory to such contracts for purposes of enforcing against Providers the terms and conditions of this Agreement. Any liquidated damages paid to the P.C. by Providers pursuant to contracts between the P.C. and such Providers shall be assigned by the P.C. and paid over to the Company.

16. Term and Termination.

(a) The term of this Agreement shall be for [coterminous with franchise agreement] years commencing on the date first written above, unless sooner terminated as set forth herein, and shall automatically
{WS097116v5 }

renew for successive one (1) year terms unless either party gives the other at least ninety (90) days prior written notice of its intention not to renew prior to the expiration of then current term.

(b) Either party may terminate this Agreement immediately upon the occurrence of any of the following events with regard to the other party: (i) the making of a general assignment for the benefit of creditors; (ii) the filing of a voluntary petition or the commencement of any proceeding by either party for any relief under any bankruptcy or insolvency laws, or any laws relating to the relief of debtors, readjustments of indebtedness, reorganization, composition or extension; (iii) the filing of any involuntary petition or the commencement of any proceeding by or against either party for any relief under any bankruptcy or insolvency laws, or any laws relating to the relief of debtors, readjustment of indebtedness, reorganization, composition or extension, which such petition or proceeding is not dismissed within ninety (90) days of the date on which it is filed or commenced; or (iv) suspension of the transaction of the usual business of either party for a period in excess of thirty (14) days.

(c) The Company may terminate this Agreement immediately upon any of the following events:

(i) The date of death of **[Name of sole shareholder]**;

(ii) The date **[Name of sole shareholder]** is determined by a court of competent jurisdiction to be incompetent, or permanently disabled so as to be unable to render any professional services

(iii) The date **[Name of sole shareholder]** becomes disqualified under the Bylaws of the P.C. or applicable law to be a shareholder of the P.C.;

(iv) The date upon which any of the shares of stock in the P.C. held by **[Name of sole shareholder]** are transferred or attempted to be transferred voluntarily, by operation of law or otherwise to any person;

(v) The date upon which **[Name of sole shareholder]** ceases to provide chiropractic services in connection with the P.C.; or

(vi) The merger, consolidation, reorganization, sale, liquidation, dissolution, or other disposition of all or substantially all of the stock or assets of the P.C.

(d) The Company may terminate this Agreement if the P.C. fails, within seven (7) days after receiving written notice from the Company, to remove from the Clinic any Provider who the Company determines has materially disrupted or interfered with the performance of the P.C.'s obligations hereunder. This provision shall not be construed as permitting the Company to control or impair the P.C.'s or the Providers' chiropractic judgment, professional performance or patient of care.

(e) The Company may terminate this Agreement immediately upon written notice to the P.C. in the event of termination for any reason of any of the following agreements: the Company's operating agreement and/or the employment agreement between the P.C. and _____ **[Doctor's Name]**.

(f) The Company may terminate this Agreement at any time with or without cause, by giving the P.C. forty-five (45) days' prior written notice.

(g) Either party may terminate this Agreement upon thirty (30) days' prior written notice to the other party in the event of a material breach by the other party of any material term or condition hereof, if such breach is not cured to the reasonable satisfaction of the non-breaching party within thirty (30) days after the non-breaching party has given notice thereof to the other party.

(h) Upon termination or expiration of this agreement by either party, the P.C. shall pay the

Company any amounts owed to the Company under paragraph 5 hereof as of the date of termination or expiration.

(i) Upon termination or expiration of this Agreement, the P.C. shall return to the Company any and all property of the Company which may be in the P.C.'s possession or under the P.C.'s control.

(j) If, in the opinion (the "Opinion") of nationally recognized health care counsel selected by the Company, it is determined that it is more likely than not that applicable Laws in effect or to become effective as of a date certain, or if the Company or the P.C. receives notice (the "Notice") of an actual or threatened decision, finding or action by any governmental or private agency or court (collectively referred to herein as "Action"), which Laws or Action, if or when implemented, would have the effect of subjecting either party to civil or criminal prosecution under state and/or federal laws, or other material adverse proceeding on the basis of their participation herein, then the Company or the P.C. shall provide such Opinion or Notice to the other party. The parties shall attempt in good faith to amend this Agreement to the minimum extent necessary in order to comply with such Laws or to avoid the Action, as applicable, and shall utilize mutually agreed upon joint legal counsel to the extent practicable. If, within ninety (90) days of providing written notice of such Opinion or such Notice to the other party, the parties hereto acting in good faith are unable to mutually agree upon and make amendments or alterations to this Agreement to meet the requirements in question, or alternatively, the parties mutually determine in good faith that compliance with such requirements is impossible or unfeasible, then this Agreement shall be terminated without penalty, charge or continuing liability upon the earlier of the following: the date one hundred and eight (180) days subsequent to the date upon which any party gives written notice to the other party, or the effective date upon which the Law or Action prohibits the relationship of the parties pursuant to this Agreement. In the event of a termination of this Agreement in accordance with this Section 16(j), then the restrictions contained in 10 and 11 of this Agreement shall be waived and shall be of no further effect.

17. Obligations After Termination. Except as otherwise provided herein or in any amendment hereto, following the effective date of termination of this Agreement:

(a) The Company shall continue to permit the P.C. or its authorized representatives to conduct financial audits relating to the period this Agreement was in effect;

(b) The P.C. shall cooperate with the Company to assure the appropriate transfer of patient cases and patient records;

(c) Both the Company and the P.C. shall cooperate in connection with the termination or assignment of provider contracts and other contractual arrangements; and

(d) Both the Company and the P.C. shall cooperate in the preparation of final financial statements and the final reconciliation of fees paid hereunder, which shall be calculated by the Company six (6) months after termination of this agreement; provided that in the event of a termination of this Agreement by the Company pursuant to Section 17(b), (c), or (d), the P.C. and any such Provider shall forfeit its (or his/her) rights to any future payment from the Company under this or any other agreement between the parties, except as may otherwise be agreed to by the Company in its discretion.

18. Return of Proprietary Property and Confidential Information. All documents, procedural manuals, guides, specifications, plans, drawings, designs, copyrights, service marks and trademark rights, computer programs, program descriptions and similar materials, lists of present, past or prospective patients, proposals, marketing and public relations materials, invitations to submit proposals, fee schedules and data relating to patients and the pricing of the Company's products and services, records, notebooks and similar repositories of or containing Confidential Information and Inventions (including all copies thereof) that come into P.C. and/or its Providers possession or control, whether prepared by P.C., its Providers, or others: (a) are the property of the Company, (b) will not be used by P.C. or its Providers in any way adverse to the Company or to the benefit of P.C. and/or its Providers, (c) will not be removed from the Company's premises (except as P.C. and/or its Providers' duties

hereunder require) and (d) at the termination of this Agreement or engagement of such Providers, will be left with, or forthwith returned and/or restored to the Company, and P.C. and such Providers shall discontinue use of such materials.

19. Status of Parties. In the performance of the work duties and obligations under this Agreement, it is mutually understood and agreed that each party is at all times acting and performing as an independent contractor with respect to the other and that no relationship of partnership, joint venture or employment is created by this Agreement.

20. Force Majeure. Neither party shall be deemed to be in default of this Agreement if prevented from performing any obligation hereunder for any reason beyond its control, including but not limited to, Acts of God, war, civil commotion, fire, flood or casualty, labor difficulties, shortages of or inability to obtain labor, materials or equipment, governmental regulations or restrictions, or unusually severe weather. In any such case, the parties agree to negotiate in good faith with the goal of preserving this Agreement and the respective rights and obligations of the parties hereunder, to the extent reasonably practicable. It is agreed that financial inability shall not be a matter beyond a party's reasonable control.

21. Notices. Any notices to be given hereunder by either party to the other shall be deemed to be received by the intended recipient (a) when delivered personally, (b) the first business day following delivery to a nationally recognized overnight courier service with proof of delivery, or (c) three (3) days after mailing by certified mail, postage prepaid with return receipt requested, in each case addressed to the parties at the addresses set forth on page 1 above or at any other address designated by the parties in writing.

22. Entire Agreement. This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter of this Agreement. This Agreement may not be changed orally, and may only be amended by an agreement in writing signed by both parties.

23. No Rights in Third Parties. Except as provided in Section 15, hereof, this Agreement is not intended to, nor shall it be construed to, create any rights in any third parties, including, without limitation, in any Providers employed or engaged by the P.C. in connection with the Clinic.

24. Governing Law. 25. Severability. If any provision of this Agreement shall be held by a court of competent jurisdiction to be contrary to law, that provision will be enforced to the maximum extent permissible, and the remaining provisions of this Agreement will remain in full force and effect, unless to do so would result in either party not receiving the benefit of its bargain.

26. Waiver. The failure of a party to insist upon strict adherence to any term of this Agreement on any occasion shall not be considered a waiver or deprive that party of the right thereafter to that term or any other term of this Agreement.

27. Rights Unaffected. No amendment, supplement or termination of this Agreement shall affect or impair any right or obligations which shall have theretofore matured hereunder.

28. Interpretation of Syntax. All references made and pronouns used herein shall be construed in the singular or plural, and in such gender, as the sense and circumstances require.

29. **Successors.** This Agreement shall be binding upon and shall inure to the benefit of the parties, their respective heirs, executors, administrators and assigns.

30. **Further Actions.** Each of the parties agrees that it shall hereafter execute and deliver such further instruments and do such further acts and things as may be required or useful to carry out the intent and purpose of this Agreement and as are not inconsistent with the terms hereof.

31. **Non-Assignment.** The P.C. may not assign this Agreement except with the prior written approval of the Company. The Company may assign this Agreement.

32. **Access of the Government to Records.** To the extent that the provisions of Section 1861(v)(1)(I) of the Social Security Act [42 U.S.C. § 1395x(v)(1)(I)] are applicable to this Agreement, the parties agree to make available, upon the written request of the Secretary of the Department of Health and Human Services or upon the request of the Comptroller General, or any of their duly authorized representatives, this Agreement, and other books, records and documents that are necessary to certify the nature and extent of costs incurred by them for services furnished under this Agreement. The Management Fee will be adjusted annually by the parties. The Management Fee shall be paid in accordance with Section 4.4(d). In the event that in any month the P.C.'s Revenue (including the current month's interest earned on the P.C.'s Revenue) is insufficient to pay fully the monthly Management Fee, the unpaid amount of the Management Fee shall accrue each month, and the P.C. shall be obligated to pay such amount until fully paid in accordance with Section 4.4(d). The parties agree that the Management Fee represents the fair market value of the items and services provided under this Agreement. Further, the parties acknowledge that the Management Fee is not based upon, or in no way take into account, the volume or value of referrals to the Clinic or is intended to constitute remuneration for referrals, or the influencing of such referrals, to the Clinic.

(b) The portion of the Management Fee (i) allocable to the P.C.'s use of the Equipment, Furnishings and Name has been determined by the parties to equal the fair market value of the use of the Equipment, Furnishings and name, respectively, and (ii) allocable to the provisions of all other services hereunder has been determined by the parties to equal the fair market value of such other services without taking into account the volume or value of any referrals of business from the Company (or its affiliates) to the P.C. or the Providers, or from the P.C. or the Providers to the Company (or its affiliates).

(c) The Management Fee paid by the P.C. to the Company hereunder has been determined by the parties through good-faith and arm's length bargaining. No amount paid hereunder is intended to be, nor shall it be construed to be, an inducement or payment for referral of, or recommending referral of, patients by the P.C. to the Company (or its affiliates) or by the Company (or its affiliates) to the P.C. In addition, the Management Fee charged hereunder does not include any discount, rebate, kickback, or other reduction in charge, and the Management Fee charged hereunder is not intended to be, nor shall it be construed to be, an inducement or payment for referral, or recommendation of referral, of patients by the P.C. to the Company (or its affiliates) or by the Company (or its affiliates) to the P.C.

6. Regulatory Matters.

(a) The P.C.'s Providers shall at all times be free, in their sole discretion, to exercise their professional judgment on behalf of patients of the P.C. No provision of this Agreement is intended, nor shall it be construed, to permit the Company to affect or influence the professional judgment of any member of the P.C.'s Providers. To the extent that any act or service required or permitted of the Company by any provision of this Agreement may be construed or deemed to constitute the practice of chiropractic, the ownership or control of a chiropractic practice, or the operation of a clinic, said provision of this Agreement shall be void ab initio and the performance of said act or service by the Company shall be deemed waived by the P.C.

(b) The parties agree to cooperate with one another in the fulfillment of their respective obligations under this Agreement, and to comply with the requirements of applicable Laws and with all ordinances, statutes, regulations, directives, orders, or other lawful enactments or pronouncements of any federal, state, municipal, local or other lawful authority applicable to the Clinic, and of any insurance company insuring the Clinic or the parties against liability for accident or injury in or upon the premises of the Clinic.

These insurance policies must name The Joint Corp., the Company, and any of their respective affiliates that the Company or The Joint Corp. designates as additional named insureds, and provide for third (30) days' prior written notice to the Company and The Joint Corp. and of a policy's material modification, cancellation or expiration.

7.2 Equipment Insurance. The Company shall cause to be carried and maintained, at its own expense, insurance against all risks of physical loss or damage to the Equipment in an amount not less than the original purchase price or the replacement cost with like kind and quality at the time of loss, with such companies and as the Company shall reasonably determine. These insurance policies must name The Joint Corp., the Company, and any of their respective affiliates that the Company or The Joint Corp. designates as additional named insureds, and provided for thirty (30) days' prior written notice to the Company and The Joint Corp. and of a policy's material modification, cancellation or expiration.

7.3 Malpractice Insurance. During the term of this Agreement, the Company shall arrange for the P.C. to obtain and maintain, at the P.C.'s expense, professional liability insurance covering the P.C. and its Providers, with limits of not less than [one million dollars (\$1,000,000) per occurrence and three million dollars (\$3,000,000) in the aggregate], which the parties hereby agree are adequate amounts of coverage, or such other amount as required by law. In the event the P.C. has a "claims made" form of insurance in effect at any time during the term of this Agreement, the Company shall obtain, at P.C.'s expense, full "tail" coverage to cover any event that may have occurred during the term of this Agreement. The P.C. shall provide to the Company any information with respect to the P.C. or the Providers necessary for the Company to secure such professional liability insurance. These insurance policies must name The Joint Corp., the Company, and any of their respective affiliates that the Company or The Joint Corp. designates as additional name insureds, and provide for thirty (30) days' prior written notice to the Company and The Joint Corp. and of a policy's material modification, cancellation or expiration.

8. Indemnification by the P.C. 9. Indemnification by the Company. The Company hereby agrees to indemnify, defend, and hold harmless the P.C., and each of its officers, managers, members, agents and employees, from and against any and all claims, demands, losses, liabilities, actions, lawsuits and other proceedings, judgments and awards, and costs and expenses (including court costs, and reasonable attorneys' and consultancy fees), arising directly or indirectly, in whole or in part, out of any breach by the Company of this Agreement or any willful or grossly negligent act or omission by the Company in its performance of this Agreement, to the extent that such is not paid or covered by the proceeds of insurance. The company shall immediately notify the P.C. of any lawsuits or actions, or any threat thereof, against the Company, P.C. or any Provider that may become known to the Company.

10. Security Interest. As security for Practice's obligations set forth in this Agreement, Shareholder, who is owner of 100% of P.C.'s shares of common stock, hereby pledges, and as inducement to Company to enter into this Agreement, grants a security interest in, assigns, transfers, and delivers to Company (or Company's qualifying designee) P.C.'s shares to Company as collateral security for the performance of P.C.'s obligations hereunder. In the event of a breach by or default of P.C. of this Agreement, or upon termination of this Agreement for any reason, and as further provided below, Shareholder shall cooperate as reasonably requested in the transfer of P.C.'s shares to a chiropractor independently determined to be competent designated by Company. In connection with this grant of a security interest, Shareholder represents and warrants that Shareholder owns the pledged shares free and clear of any material liens, claims, encumbrances, or security interests of any kind or nature whatsoever; that Shareholder is not precluded, by agreement or operation of law or otherwise, from making this pledge, and needs no further authority or authorization for this pledge; and that the pledge of the shares as collateral creates a valid first priority lien on and a first priority perfected security interest and lien in the collateral and proceeds thereof, securing the performance of P.C.'s obligations under this Agreement.

11. Actions Requiring Company's Consent. As inducement to Company to enter into this Agreement, P.C. agrees that it shall not take certain governance actions without Manager's consent. Therefore, notwithstanding anything in this Agreement to the contrary, P.C. agrees that the following actions by P.C. shall be void unless undertaken with the prior written consent of Manager:

(a) The issuance, reclassification, recapitalization, redemption of capital stock of P.C. or of any security convertible into shares of capital stock of P.C., without prior consultation and written consent of Manager;

(b) The payment of any dividends on the capital stock of P.C. or other distribution to the shareholders of P.C., without prior consultation and written consent of Manager;

(e) The dissolution or liquidation of P.C.

12. Non-Solicitation.

(a) Intentionally Omitted.

(b) To the extent permitted by law, during the term of any Provider's employment with the P.C.

and for a period of one (1) year after the termination or expiration of any such Provider's employment agreement with the P.C., such Provider shall not, without the express written consent of the P.C., solicit verbally or in writing, any patient or former patient of the P.C., or otherwise interfere with such patient or former patient's relationship with the P.C. in connection with the provisions of chiropractic services. Upon termination of any Provider's employment with the P.C., the P.C. shall promptly notify the Provider's patients of how and where to contact the Provider.

(c) In the event that any of the P.C.'s Providers shall violate any provision of this Section 12, the P.C.'s President shall immediately notify the Company of such activity and the P.C. shall immediately take all necessary and appropriate corrective action.

14. Enforcement. The P.C. agrees that the restrictive covenants set forth in Sections 12 and, 13 are reasonable in nature, duration and geographical scope. The P.C. further acknowledges that any violation of those restrictive covenants will cause the Company irreparable damage, which a monetary award would be inadequate to remedy, and that a court or arbitrator of competent jurisdiction may, in addition to monetary awards, enjoin any breach of, and enforce, such restrictive covenants by temporary restraining order, and preliminary and permanent injunctive relief without the need for the moving party to post any bond or surety. If a court or arbitrator of competent jurisdiction determines that any of the restrictive covenants set forth in Section 12 or 13 are unreasonable in nature, duration or geographic scope, then the P.C. agrees that such court or arbitrator shall reform such restrictive covenant so that such restrictive covenant is enforceable to the maximum extent permitted by law for a restrictive covenant of that nature, and such court shall enforce the restrictive covenant to that extent. If any court or arbitrator finds that the P.C. and/or any Provider has breached the restrictive covenants set forth in Sections 12 or 13 above, then such restrictive covenants shall be extended for an additional period equal to the period of such breach.

15. Employment Agreements. The P.C. agrees that it shall impose by contract on each of its Providers the obligation to abide by the applicable terms and conditions of this Agreement, including the restrictive covenants specified above. The Company and its affiliates are intended to be third-party beneficiaries of such contracts and the Company may, in its sole discretion, be a signatory to such contracts for purposes of enforcing against Providers the terms and conditions of this Agreement. This provision shall not be construed as permitting the Company to control or impair the P.C.'s or the Providers' chiropractic judgment, professional performance or patient of care.

(e) The Company may terminate this Agreement immediately upon written notice to the P.C. in the event of t

The parties shall attempt in good faith to amend this Agreement to the minimum extent necessary in order to comply with such Laws or to avoid the Action, as applicable, and shall utilize mutually agreed upon joint legal counsel to the extent practicable. If, within ninety (90) days of providing written notice of such Opinion or such Notice to the other party, the parties hereto acting in good faith are unable to mutually agree upon and make amendments or alterations to this Agreement to meet the requirements in question, or alternatively, the parties mutually determine in good faith that compliance with such requirements is impossible or unfeasible, then this Agreement shall be terminated without penalty, charge or continuing liability upon the earlier of the following: the date one hundred and eight (180) days subsequent to the date upon which any party gives written notice to the other party, or the effective date upon which the Law or Action prohibits the relationship of the parties pursuant to this Agreement. 7.3 Malpractice Insurance. During the term of this Agreement, the Company shall arrange for the P.C. to obtain and maintain, at the P.C.'s expense, professional liability insurance covering the P.C. and its Providers, with limits of not less than [one million dollars (\$1,000,000) per occurrence and three million dollars (\$3,000,000) in the aggregate], which the parties hereby agree are adequate amounts of coverage, or such other amount as required by law. In the event the P.C. has a "claims made" form of insurance in effect at any time during the term of this Agreement, the Company shall obtain, at P.C.'s expense, full "tail" coverage to cover any event that may have occurred during the term of this Agreement. The P.C. shall provide to the Company any information with respect to the P.C. or the Providers necessary for the Company to secure such professional liability insurance. These insurance policies must name The Joint Corp., the Company, and any of their respective affiliates that the Company or The Joint Corp. designates as additional name insureds, and provide for thirty (30) days' prior written notice to the Company and The Joint Corp. and of a policy's material modification, cancellation or expiration.

8. Indemnification by the P.C. The P.C. hereby agrees to indemnify, defend, and hold harmless the Company, and each of the Company's officers, directors, shareholders, agents and employees, from and against any and all claims, demands, losses, liabilities, actions, lawsuits and other proceedings judgments and awards, and costs and expenses (including court costs, and reasonable attorneys' and consultancy fees), arising directly or indirectly, in whole or in part out of any breach by the P.C. of this Agreement or any acts or omissions by the P.C. or its Providers in their performance of this Agreement, including, but not limited to, negligence of the P.C. or its Providers arising from or related to any of their professional acts or omissions to the extent that such is not paid or covered by the proceeds of insurance. The P.C. shall immediately notify the Company of any lawsuits or actions, or any threat thereof, against P.C. or any Provider, or the Company, which may become known to the P.C.

9. Indemnification by the Company. The Company hereby agrees to indemnify, defend, and hold harmless the P.C., and each of its officers, managers, members, agents and employees, from and against any and all claims, demands, losses, liabilities, actions, lawsuits and other proceedings, judgments and awards, and costs and expenses (including court costs, and reasonable attorneys' and consultancy fees), arising directly or indirectly, in whole or in part, out of any breach by the Company of this Agreement or any willful or grossly negligent act or omission by the Company in its performance of this Agreement, to the extent that such is not paid or covered by the proceeds of insurance. The company shall immediately notify the P.C. of any lawsuits or actions, or any threat thereof, against the Company, P.C. or any Provider that may become known to the Company.

10. Security Interest. As security for Practice's obligations set forth in this Agreement, Shareholder, who is owner of 100% of P.C.'s shares of common stock, hereby pledges, and as inducement to Company to enter into this Agreement, grants a security interest in, assigns, transfers, and delivers to Company (or Company's qualifying designee) P.C.'s shares to Company as collateral security for the performance of P.C.'s obligations hereunder. In the event of a breach by or default of P.C. of this Agreement, or upon termination of this Agreement for any reason, and as further provided below, Shareholder shall cooperate as reasonably requested in the transfer of P.C.'s shares to a chiropractor independently determined to be competent designated by Company. In connection with this grant of a security interest, Shareholder represents and warrants that Shareholder owns the pledged shares free and clear of any material liens, claims, encumbrances, or security interests of any kind or nature whatsoever; that Shareholder is not precluded, by agreement or operation of law or otherwise, from making this pledge, and needs no further authority or authorization for this pledge; and that the pledge of the shares as collateral creates a valid first priority lien on and a first priority perfected security interest and lien in the collateral and proceeds thereof, securing the performance of P.C.'s obligations under this Agreement.

11. Actions Requiring Company's Consent. As inducement to Company to enter into this Agreement, P.C. agrees that it shall not take certain governance actions without Manager's consent. Therefore, notwithstanding anything in this Agreement to the contrary, P.C. agrees that the following actions by P.C. shall be void unless undertaken with the prior written consent of Manager:

- (a) The issuance, reclassification, recapitalization, redemption of capital stock of P.C. or of any

security convertible into shares of capital stock of P.C., without prior consultation and written consent of Manager;

(b) The payment of any dividends on the capital stock of P.C. or other distribution to the shareholders of P.C., without prior consultation and written consent of Manager;

(c) Any consolidation, conversion, merger or stock/share exchange of P.C. without prior consultation and written consent of Manager;

(d) Any sale, assignment, pledge, lease, exchange, transfer or other disposition (without prior consultation and written consent of Manager), excluding salaries, but including without limitation a mortgage or other security device, of assets, including P.C.'s accounts receivable, constituting in the aggregate five percent (5%) or more (in any transaction or series of transactions over any consecutive five (5) year period) of the total assets of P.C. at the end of its most recent fiscal year ending prior to such disposition; and

(e) The dissolution or liquidation of P.C.

12. Non-Solicitation.

(a) Intentionally Omitted.

(b) To the extent permitted by law, during the term of any Provider's employment with the P.C. and for a period of one (1) year after the termination or expiration of any such Provider's employment agreement with the P.C., such Provider shall not, without the express written consent of the P.C., solicit verbally or in writing, any patient or former patient of the P.C., or otherwise interfere with such patient or former patient's relationship with the P.C. in connection with the provisions of chiropractic services. Upon termination of any Provider's employment with the P.C., the P.C. shall promptly notify the Provider's patients of how and where to contact the Provider.

(c) In the event that any of the P.C.'s Providers shall violate any provision of this Section 12, the P.C.'s President shall immediately notify the Company of such activity and the P.C. shall immediately take all necessary and appropriate corrective action.

(d) Company agrees to waive any outstanding Management Fees owed by the P.C. at termination of this agreement, pursuant to Section 4.4(d), as consideration for the non-solicitation provisions set forth in Section 12 (b) above.

13. Proprietary Rights. The P.C. recognizes and acknowledges that all records, files, reports, protocols, policies, manuals, data bases, processes, procedures, computer systems, materials and other documents used by the Company (or its affiliates) in rendering services hereunder, or relating to the operations of the company (or its affiliates), belong to and shall remain the property of the Company, and constitute proprietary information and trade secrets that are valuable, special, and unique assets of the Company's business ("Confidential Information"). The P.C. shall not, and shall assure that each of its Providers shall not, during or after the term of this Agreement, disclose any Confidential Information of the Company (or its affiliates), or the terms and conditions of this Agreement to any other firm, person, corporation, association, or other entity for any reason or purpose whatsoever, without the written consent of the Company or its respective affiliates.

14. Enforcement.

(a) The P.C. recognizes and acknowledges that all records, files, reports, protocols, policies, manuals, data bases, processes, procedures, computer systems, materials and other documents used by the Company

(or its affiliates) in rendering services hereunder, or relating to the operations of the Company (or its affiliates), belong to and shall remain the property of the Company, and constitute proprietary information and trade secrets that are valuable, special, and unique assets of the Company's business ("Confidential Information"). The P.C. shall not, and shall assure that each of its Providers shall not, during or after the term of this Agreement, disclose any Confidential Information of the Company (or its affiliates), or the terms and conditions of this Agreement to any other firm, person, corporation, association, or other entity for any reason or purpose whatsoever, without the written consent of the Company or its respective affiliates.

(b) All works, discoveries and developments, whether or not copyrightable, relating to the Company's present, past or prospective activities, services and products ("Inventions") which are at any time conceived or reduced to practice by P.C. and/or any of its Providers, acting alone or in conjunction with others, in connection with the Company's management of the P.C. or, during the course of the P.C.'s employment or engagement of Providers (or, if based on or related to any Confidential Information, made by P.C. and/or any Provider during or after such management by the Company or employment or engagement by the P.C.) and all concepts and ideas known to P.C. or any Provider at any time during the Company's management of the P.C. which relate to the Company's present, past or prospective activities, services and products ("Concepts and Ideas") or any modifications thereof held by or known to P.C. and/or any Provider on the date of this Agreement or acquired by P.C. and/or any Provider during the term of this Agreement shall be the property of the Company, free of any reserved or other rights of any kind on P.C. and/or any Provider's part in respect thereof, and P.C. and/or any such Provider hereby assign all rights therein to the Company.

(c) P.C. and/or its Providers shall promptly make full disclosure of any such Inventions, Concepts and Ideas or modifications thereof to the Company. Further, P.C. and/or its Providers shall, at the Company's cost and expense, promptly execute formal applications for copyrights and also do all other acts and things (including, among others, executing and delivering instruments of further assurance or confirmation) deemed by the Company to be necessary or desirable at any time or times in order to effect the full assignment to the Company of P.C. and/or its Providers' rights and title to such Inventions, Concepts and Ideas or modifications, without payment therefor and without further compensation. In order to confirm the Company's rights, P.C. and/or its Providers will also assign to the Company any and all copyrights and reproduction rights to any written material prepared by P.C. and/or its Providers in connection with the Company's management of the P.C. or the Providers' employment or engagement by the P.C. P.C. and/or its Providers further understand that the absence of a request by the Company for information, or for the making of an oath, or for the execution of any document, shall in no way be construed to constitute a waiver of the rights of the Company under this Agreement. This Agreement shall not be construed to limit in any way any "shop rights" or other common law or contractual rights of the P.C. or the Company in or to any Inventions, Concepts and Ideas or modifications which the Company has or may have by virtue of the Company's management activities hereunder or the P.C.'s engagement of its Providers.

(d) The P.C. agrees that the restrictive covenants set forth in Sections 12 and 13 are reasonable in nature, duration and geographical scope. The P.C. further acknowledges that any violation of those restrictive covenants will cause the Company irreparable damage, which a monetary award would be inadequate to remedy, and that a court or arbitrator of competent jurisdiction may, in addition to monetary awards, enjoin any breach of, and enforce, such restrictive covenants by temporary restraining order, and preliminary and permanent injunctive relief without the need for the moving party to post any bond or surety. If a court or arbitrator of competent jurisdiction determines that any of the restrictive covenants set forth in Section 12 or 13 are unreasonable in nature, duration or geographic scope, then the P.C. agrees that such court or arbitrator shall reform such restrictive covenant so that such restrictive covenant is enforceable to the maximum extent permitted by law for a restrictive covenant of that nature, and such court shall enforce the restrictive covenant to that extent. If any court or arbitrator finds that the P.C. and/or any Provider has breached the restrictive covenants set forth in Sections 12 or 13 above, then such restrictive covenants shall be extended for an additional period equal to the period of such breach.

15. Employment Agreements. The P.C. agrees that it shall impose by contract on each of its Providers the obligation to abide by the applicable terms and conditions of this Agreement, including the restrictive covenants specified above. The Company and its affiliates are intended to be third-party beneficiaries of such contracts and the

Company may, in its sole discretion, be a signatory to such contracts for purposes of enforcing against Providers the terms and conditions of this Agreement. Any liquidated damages paid to the P.C. by Providers pursuant to contracts between the P.C. and such Providers shall be assigned by the P.C. and paid over to the Company.

16. Term and Termination.

(a) The term of this Agreement shall be for **[coterminous with franchise agreement]** years commencing on the date first written above, unless sooner terminated as set forth herein, and shall automatically renew for successive one (1) year terms unless either party gives the other at least ninety (90) days prior written notice of its intention not to renew prior to the expiration of then current term.

(b) Either party may terminate this Agreement immediately upon the occurrence of any of the following events with regard to the other party: (i) the making of a general assignment for the benefit of creditors; (ii) the filing of a voluntary petition or the commencement of any proceeding by either party for any relief under any bankruptcy or insolvency laws, or any laws relating to the relief of debtors, readjustments of indebtedness, reorganization, composition or extension; (iii) the filing of any involuntary petition or the commencement of any proceeding by or against either party for any relief under any bankruptcy or insolvency laws, or any laws relating to the relief of debtors, readjustment of indebtedness, reorganization, composition or extension, which such petition or proceeding is not dismissed within ninety (90) days of the date on which it is filed or commenced; or (iv) suspension of the transaction of the usual business of either party for a period in excess of thirty (14) days.

(c) The Company may terminate this Agreement immediately upon any of the following events:

(i) The date of death of **[Name of sole shareholder]**;

(ii) The date **[Name of sole shareholder]** is determined by a court of competent jurisdiction to be incompetent, or permanently disabled so as to be unable to render any professional services

(iii) The date **[Name of sole shareholder]** becomes disqualified under the Bylaws of the P.C. or applicable law to be a shareholder of the P.C.;

(iv) The date upon which any of the shares of stock in the P.C. held by **[Name of sole shareholder]** are transferred or attempted to be transferred voluntarily, by operation of law or otherwise to any person;

(v) The date upon which **[Name of sole shareholder]** ceases to provide chiropractic services in connection with the P.C.; or

(vi) The merger, consolidation, reorganization, sale, liquidation, dissolution, or other disposition of all or substantially all of the stock or assets of the P.C.

(d) The Company may terminate this Agreement if the P.C. fails, within seven (7) days after receiving written notice from the Company, to remove from the Clinic any Provider who the Company determines has materially disrupted or interfered with the performance of the P.C.'s obligations hereunder. This provision shall not be construed as permitting the Company to control or impair the P.C.'s or the Providers' chiropractic judgment, professional performance or patient of care.

(e) The Company may terminate this Agreement immediately upon written notice to the P.C. in the event of termination for any reason of any of the following agreements: the Company's operating agreement and/or the employment agreement between the P.C. and _____ **[Doctor's Name]**.

(f) The Company may terminate this Agreement at any time with or without cause, by giving the P.C. forty-five (45) days' prior written notice.

{WS097116v5 }

(g) Either party may terminate this Agreement upon thirty (30) days' prior written notice to the other party in the event of a material breach by the other party of any material term or condition hereof, if such breach is not cured to the reasonable satisfaction of the non-breaching party within thirty (30) days after the non-breaching party has given notice thereof to the other party.

(h) Upon termination or expiration of this agreement by either party, the P.C. shall pay the Company any amounts owed to the Company under paragraph 5 hereof as of the date of termination or expiration.

(i) Upon termination or expiration of this Agreement, the P.C. shall return to the Company any and all property of the Company which may be in the P.C.'s possession or under the P.C.'s control.

(j) If, in the opinion (the "Opinion") of nationally recognized health care counsel selected by the Company, it is determined that it is more likely than not that applicable Laws in effect or to become effective as of a date certain, or if the Company or the P.C. receives notice (the "Notice") of an actual or threatened decision, finding or action by any governmental or private agency or court (collectively referred to herein as "Action"), which Laws or Action, if or when implemented, would have the effect of subjecting either party to civil or criminal prosecution under state and/or federal laws, or other material adverse proceeding on the basis of their participation herein, then the Company or the P.C. shall provide such Opinion or Notice to the other party. The parties shall attempt in good faith to amend this Agreement to the minimum extent necessary in order to comply with such Laws or to avoid the Action, as applicable, and shall utilize mutually agreed upon joint legal counsel to the extent practicable. If, within ninety (90) days of providing written notice of such Opinion or such Notice to the other party, the parties hereto acting in good faith are unable to mutually agree upon and make amendments or alterations to this Agreement to meet the requirements in question, or alternatively, the parties mutually determine in good faith that compliance with such requirements is impossible or unfeasible, then this Agreement shall be terminated without penalty, charge or continuing liability upon the earlier of the following: the date one hundred and eight (180) days subsequent to the date upon which any party gives written notice to the other party, or the effective date upon which the Law or Action prohibits the relationship of the parties pursuant to this Agreement. In the event of a termination of this Agreement in accordance with this Section 16(j), then the restrictions contained in 12 and 13 of this Agreement shall be waived and shall be of no further effect.

17. Obligations After Termination. Except as otherwise provided herein or in any amendment hereto, following the effective date of termination of this Agreement:

(a) The Company shall continue to permit the P.C. or its authorized representatives to conduct financial audits relating to the period this Agreement was in effect;

(b) The P.C. shall cooperate with the Company to assure the appropriate transfer of patient cases and patient records;

(c) Both the Company and the P.C. shall cooperate in connection with the termination or assignment of provider contracts and other contractual arrangements; and

(d) Both the Company and the P.C. shall cooperate in the preparation of final financial statements and the final reconciliation of fees paid hereunder, which shall be calculated by the Company six (6) months after termination of this agreement; provided that in the event of a termination of this Agreement by the Company pursuant to Section 17(b), (c), or (d), the P.C. and any such Provider shall forfeit its (or his/her) rights to any future payment from the Company under this or any other agreement between the parties, except as may otherwise be agreed to by the Company in its discretion.

18. Return of Proprietary Property and Confidential Information. All documents, procedural manuals, guides, specifications, plans, drawings, designs, copyrights, service marks and trademark rights, computer

programs, program descriptions and similar materials, lists of present, past or prospective patients, proposals, marketing and public relations materials, invitations to submit proposals, fee schedules and data relating to patients and the pricing of the Company's products and services, records, notebooks and similar repositories of or containing Confidential Information and Inventions (including all copies thereof) that come into P.C. and/or its Providers possession or control, whether prepared by P.C., its Providers, or others: (a) are the property of the Company, (b) will not be used by P.C. or its Providers in any way adverse to the Company or to the benefit of P.C. and/or its Providers, (c) will not be removed from the Company's premises (except as P.C. and/or its Providers' duties hereunder require) and (d) at the termination of this Agreement or engagement of such Providers, will be left with, or forthwith returned and/or restored to the Company, and P.C. and such Providers shall discontinue use of such materials.

19. Status of Parties. In the performance of the work duties and obligations under this Agreement, it is mutually understood and agreed that each party is at all times acting and performing as an independent contractor with respect to the other and that no relationship of partnership, joint venture or employment is created by this Agreement.

20. Force Majeure. Neither party shall be deemed to be in default of this Agreement if prevented from performing any obligation hereunder for any reason beyond its control, including but not limited to, Acts of God, war, civil commotion, fire, flood or casualty, labor difficulties, shortages of or inability to obtain labor, materials or equipment, governmental regulations or restrictions, or unusually severe weather. In any such case, the parties agree to negotiate in good faith with the goal of preserving this Agreement and the respective rights and obligations of the parties hereunder, to the extent reasonably practicable. It is agreed that financial inability shall not be a matter beyond a party's reasonable control.

21. Notices. Any notices to be given hereunder by either party to the other shall be deemed to be received by the intended recipient (a) when delivered personally, (b) the first business day following delivery to a nationally recognized overnight courier service with proof of delivery, or (c) three (3) days after mailing by certified mail, postage prepaid with return receipt requested, in each case addressed to the parties at the addresses set forth on page 1 above or at any other address designated by the parties in writing.

22. Entire Agreement. This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter of this Agreement. This Agreement may not be changed orally, and may only be amended by an agreement in writing signed by both parties.

23. No Rights in Third Parties. Except as provided in Section 13, hereof, this Agreement is not intended to, nor shall it be construed to, create any rights in any third parties, including, without limitation, in any Providers employed or engaged by the P.C. in connection with the Clinic.

24. Governing Law. This Agreement shall be construed and enforced under and in accordance with the laws of the State of _____, and venue for the commencement of any action or proceeding brought in connection with this agreement shall be exclusively in the federal or state court in the State of _____, County of _____. **[Insert State where franchisee and P.C. are located.]**

25. Severability. If any provision of this Agreement shall be held by a court of competent jurisdiction to be contrary to law, that provision will be enforced to the maximum extent permissible, and the remaining provisions of this Agreement will remain in full force and effect, unless to do so would result in either party not receiving the benefit of its bargain.

26. Waiver. The failure of a party to insist upon strict adherence to any term of this Agreement on any occasion shall not be considered a waiver or deprive that party of the right thereafter to that term or any other term of this Agreement.

27. **Rights Unaffected.** No amendment, supplement or termination of this Agreement shall affect or impair any right or obligations which shall have theretofore matured hereunder.

28. **Interpretation of Syntax.** All references made and pronouns used herein shall be construed in the singular or plural, and in such gender, as the sense and circumstances require.

29. **Successors.** This Agreement shall be binding upon and shall inure to the benefit of the parties, their respective heirs, executors, administrators and assigns.

30. **Further Actions.** Each of the parties agrees that it shall hereafter execute and deliver such further instruments and do such further acts and things as may be required or useful to carry out the intent and purpose of this Agreement and as are not inconsistent with the terms hereof.

31. **Non-Assignment.** The P.C. may not assign this Agreement except with the prior written approval of the Company. The Company may assign this Agreement.

32. **Access of the Government to Records.** To the extent that the provisions of Section 1861(v)(1)(I) of the Social Security Act [42 U.S.C. § 1395x(v)(1)(I)] are applicable to this Agreement, the parties agree to make available, upon the written request of the Secretary of the Department of Health and Human Services or upon the request of the Comptroller General, or any of their duly authorized representatives, this Agreement, and other books, records and documents that are necessary to certify the nature and extent of costs incurred by them for services furnished under this Agreement. The obligations hereunder shall extend for four (4) years after furnishing of such services. The parties shall notify each other of any such request for records.

IN WITNESS WHEREOF, and intending to be legally bound, the parties hereto affix their signatures below and execute this Agreement under seal.

This Business Associate Addendum (the “Addendum”) to the Management Agreement (the “Agreement”) dated _____, by and between the P.C. and the Company (for purposes of this addendum, the “Business Associate”), is entered into for the purpose of complying with the Health Insurance Portability and Accessibility Act of 1996, as amended by the Health Information Technology Act of 2009 (the “HITECH Act”), and the regulations promulgated under HIPAA and the HITECH Act (all of the foregoing collectively referred to as “HIPAA”).

- I. **Definitions.** For purposes of this addendum, the following capitalized terms shall have the meanings ascribed to them below:
- A. “Protected Health Information” shall mean Individually Identifiable Health Information (as defined below) that is (a) transmitted by electronic media; (b) maintained in any electronic medium; or (c) transmitted or maintained in any other form or medium. “Protected Health Information” does not include Individually Identifiable health information in (x) education records covered by the Family Educational Right and Privacy Act, as amended (20 USC §1232(g) or (y) records described in 20 USC §1231g(a)(4)(B)(iv). For purposes of this definition, Individually Identifiable Health Information shall mean health information, including demographic information collected from an individual, that: (aa) is created or received by a health care provider (including the P.C.), health plan, employer or health care clearing house; and (bb) relates to the past, present or future physical or mental health or condition of an individual, the provision of health care to an individual, or the past, present or future payment for the provision of health care to an individual and that (1) identifies the individual or (2) with respect to which there is a reasonable basis to believe the information can be used to identify the individual.
 - B. “Required by Law” shall mean a mandate contained in law that compels the use or disclosure of Protected Health Information and that is enforceable in a court of law. “Required by Law” includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or an administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions or participation with respect to health care providers participating in the program; and statutes or regulations that require such information if payment is sought under a government program providing public benefits.

Any terms used but not otherwise defined in this Addendum shall have the same meaning as the meaning ascribed to those terms in HIPAA.

- II. **Permitted Uses and Disclosures.** Business Associate may use or disclose Protected Health Information received or created by Business Associate pursuant to the Agreement solely for the following purposes:

- A. Business Associate may use or disclose Protected Health Information as necessary to carry out Business Associate's responsibilities and duties under the Agreement.
- B. Business Associate may use or disclose Protected Health Information for Business Associate's proper management and administration or to fulfill any present or future legal responsibilities of Business Associate; provided, however, that if Business Associate discloses Protected Health Information to a third party under this Section II(b), Business Associate shall (i) obtain reasonable assurances from the person to whom the Protected Health Information is disclosed that it will be held confidentially and used or further disclosed only as Required by Law or for the purpose for which it was disclosed and (ii) obligate such person to notify Business Associate of any instances of which it is aware in which the confidentiality of the Protected Health Information has been breached.
- C. Business Associate may use or disclose protected Information as Required by Law.
- D. Any use or disclosure of Protected Health Information permitted hereunder shall be limited to the minimum amount necessary to accomplish the intended purpose of the use, disclosure or request and shall otherwise be accordance with HIPAA.

III. Disclosure to Agent. In the event Business Associate disclosed to any agent, including a subcontractor, Protected Health Information received from, or created or received by Business Associate on behalf of, the P.C., Business Associate shall obligate each such agent to agree to the same restrictions and conditions regarding the use and disclosure of Protected Health Information as are applicable to Business Associate under this Addendum.

IV. Safeguards. Business Associate shall employ appropriate administrative, technical and physical safeguards, consistent with the size and complexity of Business Associate's operations, to prevent the use or disclosure of Protected Health Information in any manner inconsistent with the terms of this Addendum. Business Associate shall maintain a written security program describing such safeguards, a copy of which shall be available to the P.C. upon request.

V. Reporting of Improper Disclosures. Business Associate shall report to the P.C. any unauthorized or improper use or disclosure of Protected Health Information within one (1) business day of the date on which Business Associate becomes aware of such use or disclosure.

VI. Reporting of Disclosures of Security Incidents. Business Associate shall report to the P.C. any Security Incident of which it becomes aware. For purposes of this Addendum, "Security Incident" means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in an information system; provided, however, that Business Associate shall not have any obligation to notify P.C. of any unsuccessful attempts to (i) obtain unauthorized access to P.C.'s information in Business Associate's possession, or (ii) interfere with Business Associate's system operations in an information system, where such unsuccessful attempts are extremely numerous and common to all users of electronic information systems (e.g., attempted unauthorized access to information systems, attempted modification or destruction of data files and software, attempted transmission of a computer virus).

VII. Mitigation. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of Protected Health Information by Business Associate in violation of the requirements of this Addendum.

VIII. Access to protected health information by the P.C.

- A. Within (10) days of a request by the P.C., Business Associate shall provide to the P.C. all Protected Health Information in Business Associate's possession necessary for the P.C. to provide patients or their representatives with access to or copies thereof in accordance with 45 CFR §§ 164.524.
- B. Within ten (10) days of a request by the P.C., Business Associate shall provide to the P.C. all information and records in Business Associate's possession necessary for the P. Business Associate shall provide to the P.C. all protected Health Information in Business Associate's possession necessary for the P.C. to respond to a request by a patient to amend such Protected Health Information in accordance with 45 C.F.R. § 164.526. At the P.C.'s direction, Business Associate shall incorporate any amendments to a patient's Protected Health Information made by the P.C. into the copies of such information maintained by Business Associate.

IX. Access of HHS. Business Associate shall make its internal practices, books and records relating to the use and disclosure of Protected Health Information received from the P.C., or created or received by Business Associate on behalf of the P.C., to HHS in accordance with HIPAA and the regulations promulgated thereunder.

X. Return of Protected Health Information Upon Termination. Upon termination of the Agreement, Business Associate shall: (a) if feasible, return or destroy all Protected Health Information received from, or created or received by Business Associate on behalf of, the P.C. that Business Associate still maintains in any form, and Business Associate shall retain no copies of such information; or (b) if Business Associate reasonably determines that such return or destruction is not feasible, extend the protections of this Addendum to such information and limit further uses and disclosures to those purposes that make the return or destruction of the Protected Health Information infeasible.

XI. Obligations of P.C.

- A. Upon request of Business Associate, P.C. shall provide Business Associate with the notice of privacy practices that P.C. produces in accordance with 45 CFR §164.520.
- B. P.C. shall provide Business Associate with any changes in, or revocation of, permission by an individual to use or disclose Protected Health Information, if such changes affect Business Associate's permitted or required uses and disclosures.
- C. P.C. shall notify Business Associate of any restriction on the use or disclosure of Protected Health Information to which P.C. has agreed in accordance with 45 CFR §164.522 to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

XII. Amendment. If any of the regulations promulgated under HIPAA are amended or interpreted in a manner that renders this Addendum inconsistent therewith, the P.C. may, on thirty (30) days written notice to Business Associate, amend this Addendum to the extent necessary to comply with such amendments or interpretations.

XIII. Indemnification. Each of the parties shall indemnify, defend and hold harmless the other and its directors, officers, employees and agents from and against any and all third party liabilities, costs, claims and losses

10. Security Interest. As security for Practice's obligations set forth in this Agreement, Shareholder, who is owner of 100% of P.C.'s shares of common stock, hereby pledges, and as inducement to Company to enter into this Agreement, grants a security interest in, assigns, transfers, and delivers to Company (or Company's qualifying designee) P.C.'s shares to Company as collateral security for the performance of P.C.'s obligations hereunder. In the event of a breach by or default of P.C. of this Agreement, or upon termination of this Agreement for any reason, and as further provided below, Shareholder shall cooperate as reasonably requested in the transfer of

{WS097116v5 }

P.C.'s shares to a chiropractor independently determined to be competent designated by Company. In connection with this grant of a security interest, Shareholder represents and warrants that Shareholder owns the pledged shares free and clear of any material liens, claims, encumbrances, or security interests of any kind or nature whatsoever; that Shareholder is not precluded, by agreement or operation of law or otherwise, from making this pledge, and needs no further authority or authorization for this pledge; and that the pledge of the shares as collateral creates a valid first priority lien on and a first priority perfected security interest and lien in the collateral and proceeds thereof, securing the performance of P.C.'s obligations under this Agreement.

11. Actions Requiring Company's Consent. As inducement to Company to enter into this Agreement, P.C. agrees that it shall not take certain governance actions without Manager's consent. Therefore, notwithstanding anything in this Agreement to the contrary, P.C. agrees that the following actions by P.C. shall be void unless undertaken with the prior written consent of Manager:

- (a) The issuance, reclassification, recapitalization, redemption of capital stock of P.C. or of any security convertible into shares of capital stock of P.C., without prior consultation and written consent of Manager;
- (b) The payment of any dividends on the capital stock of P.C. or other distribution to the shareholders of P.C., without prior consultation and written consent of Manager;
- (c) Any consolidation, conversion, merger or stock/share exchange of P.C. without prior consultation and written consent of Manager;
- (d) Any sale, assignment, pledge, lease, exchange, transfer or other disposition (without prior consultation and written consent of Manager), excluding salaries, but including without limitation a mortgage or other security device, of assets, including P.C.'s accounts receivable, constituting in the aggregate five percent (5%) or more (in any transaction or series of transactions over any consecutive five (5) year period) of the total assets of P.C. at the end of its most recent fiscal year ending prior to such disposition; and
- (e) The dissolution or liquidation of P.C.

12. Non-Solicitation.

- (a) Intentionally Omitted.
- (b) To the extent permitted by law, during the term of any Provider's employment with the P.C. and for a period of one (1) year after the termination or expiration of any such Provider's employment agreement with the P.C., such Provider shall not, without the express written consent of the P.C., solicit verbally or in writing, any patient or former patient of the P.C., or otherwise interfere with such patient or former patient's relationship with the P.C. in connection with the provisions of chiropractic services. Upon termination of any Provider's employment with the P.C., the P.C. shall promptly notify the Provider's patients of how and where to contact the Provider.
- (c) In the event that any of the P.C.'s Providers shall violate any provision of this Section 10, the P.C.'s President shall immediately notify the Company of such activity and the P.C. shall immediately take all necessary and appropriate corrective action.
- (d) Company agrees to waive any outstanding Management Fees owed by the P.C. at termination of this agreement, pursuant to Section 4.4(d), as consideration for the non-solicitation provision set forth in Section 12 (b) above.

13. Proprietary Rights. The P.C. recognizes and acknowledges that all records, files, reports, protocols, policies, manuals, data bases, processes, procedures, computer systems, materials and other documents used by the Company (or its affiliates) in rendering services hereunder, or relating to the operations of the company (or its

affiliates), belong to and shall remain the property of the Company, and constitute proprietary information and trade secrets that are valuable, special, and unique assets of the Company's business ("Confidential Information"). The P.C. shall not, and shall assure that each of its Providers shall not, during or after the term of this Agreement, disclose any Confidential Information of the Company (or its affiliates), or the terms and conditions of this Agreement to any other firm, person, corporation, association, or other entity for any reason or purpose whatsoever, without the written consent of the Company or its respective affiliates.

14. Enforcement.

(a) The P.C. recognizes and acknowledges that all records, files, reports, protocols, policies, manuals, data bases, processes, procedures, computer systems, materials and other documents used by the Company (or its affiliates) in rendering services hereunder, or relating to the operations of the Company (or its affiliates), belong to and shall remain the property of the Company, and constitute proprietary information and trade secrets that are valuable, special, and unique assets of the Company's business ("Confidential Information"). The P.C. shall not, and shall assure that each of its Providers shall not, during or after the term of this Agreement, disclose any Confidential Information of the Company (or its affiliates), or the terms and conditions of this Agreement to any other firm, person, corporation, association, or other entity for any reason or purpose whatsoever, without the written consent of the Company or its respective affiliates.

(b) All works, discoveries and developments, whether or not copyrightable, relating to the Company's present, past or prospective activities, services and products ("Inventions") which are at any time conceived or reduced to practice by P.C. and/or any of its Providers, acting alone or in conjunction with others, in connection with the Company's management of the P.C. or, during the course of the P.C.'s employment or engagement of Providers (or, if based on or related to any Confidential Information, made by P.C. and/or any Provider during or after such management by the Company or employment or engagement by the P.C.) and all concepts and ideas known to P.C. or any Provider at any time during the Company's management of the P.C. which relate to the Company's present, past or prospective activities, services and products ("Concepts and Ideas") or any modifications thereof held by or known to P.C. and/or any Provider on the date of this Agreement or acquired by P.C. and/or any Provider during the term of this Agreement shall be the property of the Company, free of any reserved or other rights of any kind on P.C. and/or any Provider's part in respect thereof, and P.C. and/or any such Provider hereby assign all rights therein to the Company.

(c) P.C. and/or its Providers shall promptly make full disclosure of any such Inventions, Concepts and Ideas or modifications thereof to the Company. Further, P.C. and/or its Providers shall, at the Company's cost and expense, promptly execute formal applications for copyrights and also do all other acts and things (including, among others, executing and delivering instruments of further assurance or confirmation) deemed by the Company to be necessary or desirable at any time or times in order to effect the full assignment to the Company of P.C. and/or its Providers' rights and title to such Inventions, Concepts and Ideas or modifications, without payment therefor and without further compensation. In order to confirm the Company's rights, P.C. and/or its Providers will also assign to the Company any and all copyrights and reproduction rights to any written material prepared by P.C. and/or its Providers in connection with the Company's management of the P.C. or the Providers' employment or engagement by the P.C. P.C. and/or its Providers further understand that the absence of a request by the Company for information, or for the making of an oath, or for the execution of any document, shall in no way be construed to constitute a waiver of the rights of the Company under this Agreement. This Agreement shall not be construed to limit in any way any "shop rights" or other common law or contractual rights of the P.C. or the Company in or to any Inventions, Concepts and Ideas or modifications which the Company has or may have by virtue of the Company's management activities hereunder or the P.C.'s engagement of its Providers.

(d) The P.C. agrees that the restrictive covenants set forth in Sections 12 and 13 are reasonable in nature, duration and geographical scope. The P.C. further acknowledges that any violation of those restrictive covenants will cause the Company irreparable damage, which a monetary award would be inadequate to remedy, and that a court or arbitrator of competent jurisdiction may, in addition to monetary awards, enjoin any breach of, and enforce, such restrictive covenants by temporary restraining order, and preliminary and permanent injunctive relief

without the need for the moving party to post any bond or surety. If a court or arbitrator of competent jurisdiction determines that any of the restrictive covenants set forth in Section 12 or 13 are unreasonable in nature, duration or geographic scope, then the P.C. agrees that such court or arbitrator shall reform such restrictive covenant so that such restrictive covenant is enforceable to the maximum extent permitted by law for a restrictive covenant of that nature, and such court shall enforce the restrictive covenant to that extent. If any court or arbitrator finds that the P.C. and/or any Provider has breached the restrictive covenants set forth in Sections 12 or 13 above, then such restrictive covenants shall be extended for an additional period equal to the period of such breach.

15. Employment Agreements. The P.C. agrees that it shall impose by contract on each of its Providers the obligation to abide by the applicable terms and conditions of this Agreement, including the restrictive covenants specified above. The Company and its affiliates are intended to be third-party beneficiaries of such contracts and the Company may, in its sole discretion, be a signatory to such contracts for purposes of enforcing against Providers the terms and conditions of this Agreement.

16. Term and Termination.

(a) The term of this Agreement shall be for **[coterminous with franchise agreement]** years commencing on the date first written above, unless sooner terminated as set forth herein, and shall automatically renew for successive one (1) year terms unless either party gives the other at least ninety (90) days prior written notice of its intention not to renew prior to the expiration of then current term.

(b) Either party may terminate this Agreement immediately upon the occurrence of any of the following events with regard to the other party: (i) the making of a general assignment for the benefit of creditors; (ii) the filing of a voluntary petition or the commencement of any proceeding by either party for any relief under any bankruptcy or insolvency laws, or any laws relating to the relief of debtors, readjustments of indebtedness, reorganization, composition or extension; (iii) the filing of any involuntary petition or the commencement of any proceeding by or against either party for any relief under any bankruptcy or insolvency laws, or any laws relating to the relief of debtors, readjustment of indebtedness, reorganization, composition or extension, which such petition or proceeding is not dismissed within ninety (90) days of the date on which it is filed or commenced; or (iv) suspension of the transaction of the usual business of either party for a period in excess of fourteen (14) days.

(c) The Company may terminate this Agreement immediately upon any of the following events:

(i) The date of death of **[Name of sole shareholder]**;

(ii) The date **[Name of sole shareholder]** is determined by a court of competent jurisdiction to be incompetent, or permanently disabled so as to be unable to render any professional services

(iii) The date **[Name of sole shareholder]** becomes disqualified under the bylaws of the P.C. or applicable law to be a shareholder of the P.C.;

(iv) The date upon which any of the shares of stock in the P.C. held by **[Name of sole shareholder]** are transferred or attempted to be transferred voluntarily, by operation of law or otherwise to any person;

(v) The date upon which **[Name of sole shareholder]** ceases to provide chiropractic services in connection with the P.C.; or

(vi) The merger, consolidation, reorganization, sale, liquidation, dissolution, or other disposition of all or substantially all of the stock or assets of the P.C.

(d) The Company may terminate this Agreement immediately upon written notice to the P.C. in the event of termination for any reason of any of the following agreements: the Company's operating agreement {WS097116v5 }

and/or the employment agreement between the P.C. and _____ [Doctor's Name].

(e) The Company may terminate this Agreement at any time with or without cause, by giving the P.C. forty-five (45) days' prior written notice.

(f) Either party may terminate this Agreement upon thirty (30) days' prior written notice to the other party in the event of a material breach by the other party of any material term or condition hereof, if such breach is not cured to the reasonable satisfaction of the non-breaching party within thirty (30) days after the non-breaching party has given notice thereof to the other party.

(g) Upon termination or expiration of this agreement by either party, the P.C. shall pay the Company any amounts owed to the Company under paragraph 5 hereof as of the date of termination or expiration.

(h) Upon termination or expiration of this Agreement, the P.C. shall return to the Company any and all property of the Company which may be in the P.C.'s possession or under the P.C.'s control.

(i) If, in the opinion (the "Opinion") of nationally recognized health care counsel selected by the Company, it is determined that it is more likely than not that applicable Laws in effect or to become effective as of a date certain, or if the Company or the P.C. receives notice (the "Notice") of an actual or threatened decision, finding or action by any governmental or private agency or court (collectively referred to herein as "Action"), which Laws or Action, if or when implemented, would have the effect of subjecting either party to civil or criminal prosecution under state and/or federal laws, or other material adverse proceeding on the basis of their participation herein, then the Company or the P.C. shall provide such Opinion or Notice to the other party. The parties shall attempt in good faith to amend this Agreement to the minimum extent necessary in order to comply with such Laws or to avoid the Action, as applicable, and shall utilize mutually agreed upon joint legal counsel to the extent practicable. If, within ninety (90) days of providing written notice of such Opinion or such Notice to the other party, the parties hereto acting in good faith are unable to mutually agree upon and make amendments or alterations to this Agreement to meet the requirements in question, or alternatively, the parties mutually determine in good faith that compliance with such requirements is impossible or unfeasible, then this Agreement shall be terminated without penalty, charge or continuing liability upon the earlier of the following: the date one hundred and eight (180) days subsequent to the date upon which any party gives written notice to the other party, or the effective date upon which the Law or Action prohibits the relationship of the parties pursuant to this Agreement. In the event of a termination of this Agreement in accordance with this Section 16(i), then the restrictions contained in 10 and 11 of this Agreement shall be waived and shall be of no further effect.

17. Obligations After Termination. Except as otherwise provided herein or in any amendment hereto, following the effective date of termination of this Agreement:

(a) The Company shall continue to permit the P.C. or its authorized representatives to conduct financial audits relating to the period this Agreement was in effect;

(b) The P.C. shall cooperate with the Company to assure the appropriate transfer of patient cases and patient records;

(c) Both the Company and the P.C. shall cooperate in connection with the termination or assignment of provider contracts and other contractual arrangements; and

(d) Both the Company and the P.C. shall cooperate in the preparation of final financial statements and the final reconciliation of fees paid hereunder, which shall be calculated by the Company six (6) months after termination of this agreement; provided that in the event of a termination of this Agreement by the Company pursuant to Section 17(b), (c), or (d), the P.C. and any such Provider shall forfeit its (or his/her) rights to any future payment from the Company under this or any other agreement between the parties, except as may otherwise

be agreed to by the Company in its discretion.

18. Return of Proprietary Property and Confidential Information. All documents, procedural manuals, guides, specifications, plans, drawings, designs, copyrights, service marks and trademark rights, computer programs, program descriptions and similar materials, lists of present, past or prospective patients, proposals, marketing and public relations materials, invitations to submit proposals, fee schedules and data relating to patients and the pricing of the Company's products and services, records, notebooks and similar repositories of or containing Confidential Information and Inventions (including all copies thereof) that come into P.C. and/or its Providers possession or control, whether prepared by P.C., its Providers, or others: (a) are the property of the Company, (b) will not be used by P.C. or its Providers in any way adverse to the Company or to the benefit of P.C. and/or its Providers, (c) will not be removed from the Company's premises (except as P.C. and/or its Providers' duties hereunder require) and (d) at the termination of this Agreement or engagement of such Providers, will be left with, or forthwith returned and/or restored to the Company, and P.C. and such Providers shall discontinue use of such materials.

19. Status of Parties. In the performance of the work duties and obligations under this Agreement, it is mutually understood and agreed that each party is at all times acting and performing as an independent contractor with respect to the other and that no relationship of partnership, joint venture or employment is created by this Agreement.

20. Force Majeure. Neither party shall be deemed to be in default of this Agreement if prevented from performing any obligation hereunder for any reason beyond its control, including but not limited to, Acts of God, war, civil commotion, fire, flood or casualty, labor difficulties, shortages of or inability to obtain labor, materials or equipment, governmental regulations or restrictions, or unusually severe weather. In any such case, the parties agree to negotiate in good faith with the goal of preserving this Agreement and the respective rights and obligations of the parties hereunder, to the extent reasonably practicable. It is agreed that financial inability shall not be a matter beyond a party's reasonable control.

21. Notices. Any notices to be given hereunder by either party to the other shall be deemed to be received by the intended recipient (a) when delivered personally, (b) the first business day following delivery to a nationally recognized overnight courier service with proof of delivery, or (c) three (3) days after mailing by certified mail, postage prepaid with return receipt requested, in each case addressed to the parties at the addresses set forth on page 1 above or at any other address designated by the parties in writing.

22. Entire Agreement. This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter of this Agreement. This Agreement may not be changed orally, and may only be amended by an agreement in writing signed by both parties.

23. No Rights in Third Parties. Except as provided in Section 13, hereof, this Agreement is not intended to, nor shall it be construed to, create any rights in any third parties, including, without limitation, in any Providers employed or engaged by the P.C. in connection with the Clinic.

24. Governing Law. This Agreement shall be construed and enforced under and in accordance with the laws of the State of _____, and venue for the commencement of any action or proceeding brought in connection with this agreement shall be exclusively in the federal or state court in the State of _____, County of _____. **[Insert State where franchisee and P.C. are located.]**

25. Severability. If any provision of this Agreement shall be held by a court of competent jurisdiction to be contrary to law, that provision will be enforced to the maximum extent permissible, and the remaining provisions of this Agreement will remain in full force and effect, unless to do so would result in either party not receiving the benefit of its bargain.

26. Waiver. The failure of a party to insist upon strict adherence to any term of this Agreement on any occasion shall not be considered a waiver or deprive that party of the right thereafter to that term or any other term

of this Agreement.

27. **Rights Unaffected.** No amendment, supplement or termination of this Agreement shall affect or impair any right or obligations which shall have theretofore matured hereunder.

28. **Interpretation of Syntax.** All references made and pronouns used herein shall be construed in the singular or plural, and in such gender, as the sense and circumstances require.

29. **Successors.** This Agreement shall be binding upon and shall inure to the benefit of the parties, their respective heirs, executors, administrators and assigns.

30. **Further Actions.** Each of the parties agrees that it shall hereafter execute and deliver such further instruments and do such further acts and things as may be required or useful to carry out the intent and purpose of this Agreement and as are not inconsistent with the terms hereof.

31. **Non-Assignment.** The P.C. may not assign this Agreement except with the prior written approval of the Company. The Company may assign this Agreement.

32. **Access of the Government to Records.** To the extent that the provisions of Section 1861(v)(1)(I) of the Social Security Act [42 U.S.C. § 1395x(v)(1)(I)] are applicable to this Agreement, the parties agree to make available, upon the written request of the Secretary of the Department of Health and Human Services or upon the request of the Comptroller General, or any of their duly authorized representatives, this Agreement, and other books, records and documents that are necessary to certify the nature and extent of costs incurred by them for services furnished under this Agreement. The obligations hereunder shall extend for four (4) years after furnishing of such services. The parties shall notify each other of any such request for records.

IN WITNESS WHEREOF, and intending to be legally bound, the parties hereto affix their signatures below and execute this Agreement under seal.

- A. “Protected Health Information” shall mean Individually Identifiable Health Information (as defined below) that is (a) transmitted by electronic media; (b) maintained in any electronic medium; or (c) transmitted or maintained in any other form or medium. “Protected Health Information” does not include Individually Identifiable health information in (x) education records covered by the Family Educational Right and Privacy Act, as amended (20 USC §1232(g) or (y) records described in 20 USC §1231g(a)(4)(B)(iv). For purposes of this definition, Individually Identifiable Health Information shall mean health information, including demographic information collected from an individual, that: (aa) is created or received by a health care provider (including the P.C.), health plan, employer or health care clearing house; and (bb) relates to the past, present or future physical or mental health or condition of an individual, the provision of health care to an individual, or the past, present or future payment for the provision of health care to an individual and that (1) identifies the individual or (2) with respect to which there is a reasonable basis to believe the information can be used to identify the individual.
 - B. “Required by Law” shall mean a mandate contained in law that compels the use or disclosure of Protected Health Information and that is enforceable in a court of law. “Required by Law” includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or an administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions or participation with respect to health care providers participating in the program; and statutes or regulations that require such information if payment is sought under a government program providing public benefits.

Any terms used but not otherwise defined in this Addendum shall have the same meaning as the meaning ascribed to those terms in HIPAA.

- II. **Permitted Uses and Disclosures.** Business Associate may use or disclose Protected Health Information received or created by Business Associate pursuant to the Agreement solely for the following purposes:

- A. Business Associate may use or disclose Protected Health Information as necessary to carry out Business Associate's responsibilities and duties under the Agreement.
- B. Business Associate may use or disclose Protected Health Information for Business Associate's proper management and administration or to fulfill any present or future legal responsibilities of Business Associate; provided, however, that if Business Associate discloses Protected Health Information to a third party under this Section II(b), Business Associate shall (i) obtain reasonable assurances from the person to whom the Protected Health Information is disclosed that it will be held confidentially and used or further disclosed only as Required by Law or for the purpose for which it was disclosed and (ii) obligate such person to notify Business Associate of any instances of which it is aware in which the confidentiality of the Protected Health Information has been breached.
- C. Business Associate may use or disclose protected Information as Required by Law.
- D. Any use or disclosure of Protected Health Information permitted hereunder shall be limited to the minimum amount necessary to accomplish the intended purpose of the use, disclosure or request and shall otherwise be accordance with HIPAA.

III. Disclosure to Agent. In the event Business Associate disclosed to any agent, including a subcontractor, Protected Health Information received from, or created or received by Business Associate on behalf of, the P.C., Business Associate shall obligate each such agent to agree to the same restrictions and conditions regarding the use and disclosure of Protected Health Information as are applicable to Business Associate under this Addendum.

IV. Safeguards. Business Associate shall employ appropriate administrative, technical and physical safeguards, consistent with the size and complexity of Business Associate's operations, to prevent the use or disclosure of Protected Health Information in any manner inconsistent with the terms of this Addendum. Business Associate shall maintain a written security program describing such safeguards, a copy of which shall be available to the P.C. upon request.

V. Reporting of Improper Disclosures. Business Associate shall report to the P.C. any unauthorized or improper use or disclosure of Protected Health Information within one (1) business day of the date on which Business Associate becomes aware of such use or disclosure.

VI. Reporting of Disclosures of Security Incidents. Business Associate shall report to the P.C. any Security Incident of which it becomes aware. For purposes of this Addendum, "Security Incident" means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in an information system; provided, however, that Business Associate shall not have any obligation to notify P.C. of any unsuccessful attempts to (i) obtain unauthorized access to P.C.'s information in Business Associate's possession, or (ii) interfere with Business Associate's system operations in an information system, where such unsuccessful attempts are extremely numerous and common to all users of electronic information systems (e.g., attempted unauthorized access to information systems, attempted modification or destruction of data files and software, attempted transmission of a computer virus).

VII. Mitigation. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of Protected Health Information by Business Associate in violation of the requirements of this Addendum.

VIII. Access to protected health information by the P.C.

- A. Within (10) days of a request by the P.C., Business Associate shall provide to the P.C. all Protected Health Information in Business Associate's possession necessary for the P.C. to provide patients or their representatives with access to or copies thereof in accordance with 45 CFR §§ 164.524.
- B. Within ten (10) days of a request by the P.C., Business Associate shall provide to the P.C. all information and records in Business Associate's possession necessary for the P. At the P.C.'s direction, Business Associate shall incorporate any amendments to a patient's Protected Health Information made by the P.C. into the copies of such information maintained by Business Associate.

IX. Access of HHS. Business Associate shall make its internal practices, books and records relating to the use and disclosure of Protected Health Information received from the P.C., or created or received by Business Associate on behalf of the P.C., to HHS in accordance with HIPAA and the regulations promulgated thereunder.

X. Return of Protected Health Information Upon Termination. Upon termination of the Agreement, Business Associate shall: (a) if feasible, return or destroy all Protected Health Information received from, or created or received by Business Associate on behalf of, the P.C. that Business Associate still maintains in any form, and Business Associate shall retain no copies of such information; or (b) if Business Associate reasonably determines that such return or destruction is not feasible, extend the protections of this Addendum to such information and limit further uses and disclosures to those purposes that make the return or destruction of the Protected Health Information infeasible.

XI. Obligations of P.C.

- A. Upon request of Business Associate, P.C. shall provide Business Associate with the notice of privacy practices that P.C. produces in accordance with 45 CFR §164.520.
- B. P.C. shall provide Business Associate with any changes in, or revocation of, permission by an individual to use or disclose Protected Health Information, if such changes affect Business Associate's permitted or required uses and disclosures.
- C. P.C. shall notify Business Associate of any restriction on the use or disclosure of Protected Health Information to which P.C. has agreed in accordance with 45 CFR §164.522 to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

XII. Amendment. If any of the regulations promulgated under HIPAA are amended or interpreted in a manner that renders this Addendum inconsistent therewith, the P.C. may, on thirty (30) days written notice to Business Associate, amend this Addendum to the extent necessary to comply with such amendments or interpretations.

XIII. Indemnification. Each of the parties shall indemnify, defend and hold harmless the other and its directors, officers, employees and agents from and against any and all third party liabilities, costs, claims and losses

including, without limitation, the imposition of civil penalties by HHS under HIPAA, arising from or relating to the breach by either party or any of its directors, officers, employees or agents (including subcontractors) of the terms of this Addendum.

- XIV. Conflicting Terms. In the event of any terms of this Addendum conflict with any terms of the Agreement, the terms of this Addendum shall govern and control.

In the event of a breach by or default of P.C. of this Agreement, or upon termination of this Agreement for any reason, and as further provided below, Shareholder shall cooperate as reasonably requested in the transfer of P.C.’s shares to a chiropractor independently determined to be competent designated by Manager. In connection with this grant of a security interest, Shareholder represents and warrants that Shareholder owns the pledged shares free and clear of any material liens, claims, encumbrances, or security interests of any kind or nature whatsoever; that Shareholder is not precluded, by agreement or operation of law or otherwise, from making this pledge, and needs no further authority or authorization for this pledge; and that the pledge of the shares as collateral creates a valid first priority lien on and a first priority perfected security interest and lien in the collateral and proceeds thereof, securing the performance of P.C.’s obligations under this Agreement.

11. Actions Requiring Manager’s Consent. As inducement to Manager to enter into this Agreement, P.C. agrees that it shall not take certain governance actions without Manager’s consent. Therefore, notwithstanding anything in this Agreement to the contrary, P.C. agrees that the following actions by P.C. shall be void unless undertaken with the prior written consent of Manager:

Confidential Information may be disclosed pursuant to a bona fide subpoena if the P.C. has given the Manager prompt written notice of receipt of the subpoena so that the Manager can object or otherwise intervene as it deems appropriate.

14. Enforcement.

(a) All works, discoveries and developments, whether or not copyrightable, relating to the Manager's present, past or prospective activities, services and products ("Inventions") which are at any time conceived or reduced to practice by P.C. and/or any of its Providers, acting alone or in conjunction with others, in connection with the Manager's management of the P.C. or, during the course of the P.C.'s employment or engagement of Providers (or, if based on or related to any Confidential Information, made by P.C. and/or any Provider during or after such management by the Manager or employment or engagement by the P.C.) and all concepts and ideas known to P.C. or any Provider at any time during the Manager's management of the P.C. which relate to the Manager's present, past or prospective activities, services and products ("Concepts and Ideas") or any modifications thereof held by or known to P.C. and/or any Provider on the date of this Agreement or acquired by P.C. and/or any Provider during the term of this Agreement shall be the property of the Manager, free of any reserved or other rights of any kind on P.C. and/or any Provider's part in respect thereof, and P.C. and/or any such Provider hereby assign all rights therein to the Manager.

for the making of an oath, or for the execution of any document, shall in no way be construed to constitute a waiver of the rights of the Manager under this Agreement. This Agreement shall not be construed to limit in any way any "shop rights" or other common law or contractual rights of the P.C. or the Manager in or to any Inventions, Concepts and Ideas or modifications which the Manager has or may have by virtue of the Manager's management activities hereunder or the P.C.'s engagement of its Providers.

(c) The Manager may terminate this Agreement immediately upon any of the following events:

(i) The date of death of [**Name of sole shareholder**];

(ii) The date [**Name of sole shareholder**] is determined by a court of competent jurisdiction to be incompetent, or permanently disabled so as to be unable to render any professional services

(iii) The date [**Name of sole shareholder**] becomes disqualified under the bylaws of the P.C. or applicable law to be a shareholder of the P.C.;

(iv) The date upon which any of the shares of stock in the P.C. held by [**Name of sole shareholder**] are transferred or attempted to be transferred voluntarily, by operation of law or otherwise to any person;

(v) The date upon which [**Name of sole shareholder**] ceases to provide chiropractic services in connection with the P.C.;

(vii) The revocation, suspension, cancellation, or restriction of any Provider's license to practice chiropractic in Kansas or any state where P.C. is providing services under this Agreement;

(viii) The revocation, suspension, cancellation, or restriction of any Provider's DEA registration; or

(ix) The inability to secure and/or maintain insurance coverage on behalf of Provider or Clinic in accordance with the provisions of Section 7.

(d) The Manager may terminate this Agreement immediately upon written notice to the P.C. in the event of termination for any reason of any of the following agreements: the Manager's operating agreement and/or the employment agreement between the P.C. and _____ **[Doctor's Name]**.

(e) The Manager may terminate this Agreement upon ten (10) days' written notice to the P.C. in the event P.C. fails to make any payment due the Manager in accordance with the terms and conditions of this Agreement and such breach is not cured within the 10-day notice period; provided however, that the Manager may terminate this Agreement immediately upon written notice if P.C. fails to make any payment due the Manager under this Agreement more than twice during any twelve (12) consecutive month period.

(f) The Manager may terminate this Agreement at any time with or without cause, by giving the P.C. forty-five (45) days' prior written notice.

(g) Either party may terminate this Agreement upon thirty (30) days' prior written notice to the other party in the event of a material breach by the other party of any material term or condition hereof, if such breach is not cured to the reasonable satisfaction of the non-breaching party within thirty (30) days after the non-breaching party has given notice thereof to the other party.

The parties shall attempt in good faith to amend this Agreement to the minimum extent necessary in order to comply with such Laws or to avoid the Action, as applicable, and shall utilize mutually agreed upon joint legal counsel to the extent practicable. If, within ninety (90) days of providing written notice of such Opinion or such Notice to the other party, the parties hereto acting in good faith are unable to mutually agree upon and make amendments or alterations to this Agreement to meet the requirements in question, or alternatively, the parties mutually determine in good faith that compliance with such requirements is impossible or unfeasible, then this Agreement shall be terminated without penalty, charge or continuing liability upon the earlier of the following: the date one hundred and eight (180) days subsequent to the date upon which any party gives written notice to the other party, or the effective date upon which the Law or Action prohibits the relationship of the parties pursuant to this Agreement. In the event of a termination of this Agreement in accordance with this Section 13(j), then the restrictions contained in 8 and 10 of this Agreement shall be waived and shall be of no further effect.

In any such case, the parties agree to negotiate in good faith with the goal of preserving this Agreement and the respective rights and obligations of the parties hereunder, to the extent reasonably practicable. of this Agreement will remain in full force and effect, unless to do so would result in either party not receiving the benefit of its bargain.

25. **Waiver.** The failure of a party to insist upon strict adherence to any term of this Agreement on any occasion shall not be considered a waiver or deprive that party of the right thereafter to that term or any other term of this Agreement.

26. **Rights Unaffected.** No amendment, supplement or termination of this Agreement shall affect or impair any right or obligations which shall have theretofore matured hereunder.

27. **Interpretation of Syntax.** All references made and pronouns used herein shall be construed in the singular or plural, and in such gender, as the sense and circumstances require.

28. **Successors.** This Agreement shall be binding upon and shall inure to the benefit of the parties, their respective heirs, executors, administrators and assigns.

29. **Further Actions.** Each of the parties agrees that it shall hereafter execute and deliver such further instruments and do such further acts and things as may be required or useful to carry out the intent and purpose of this Agreement and as are not inconsistent with the terms hereof.

30. **Non-Assignment.** The P.C. may not assign this Agreement except with the prior written approval of the Manager. The Manager may assign this Agreement.

IN WITNESS WHEREOF, and intending to be legally bound, the parties hereto affix their signatures below and execute this Agreement under seal.

BUSINESS ASSOCIATE ADDENDUM

This Business Associate Addendum (the “Addendum”) to the Management Agreement (the “Agreement”) dated _____, by and between the P.C. and the Manager (for purposes of this addendum, the “Business Associate”), is entered into for the purpose of complying with the Health Insurance Portability and Accessibility Act of 1996, as amended by the Health Information Technology Act of 2009 (the “HITECH Act”), and the regulations promulgated under HIPAA and the HITECH Act (all of the foregoing collectively referred to as “HIPAA”).

- I. Definitions. For purposes of this addendum, the following capitalized terms shall have the meanings ascribed to them below:
- A. “Protected Health Information” shall mean Individually Identifiable Health Information (as defined below) that is (a) transmitted by electronic media; (b) maintained in any electronic medium; or (c) transmitted or maintained in any other form or medium. “Protected Health Information” does not include Individually Identifiable health information in (x) education records covered by the Family Educational Right and Privacy Act, as amended (20 USC §1232(g) or (y) records described in 20 USC §1231g(a)(4)(B)(iv). For purposes of this definition, Individually Identifiable Health Information shall mean health information, including demographic information collected from an individual, that: (aa) is created or received by a health care provider (including the P.C.), health plan, employer or health care clearing house; and (bb) relates to the past, present or future physical or mental health or condition of an individual, the provision of health care to an individual, or the past, present or future payment for the provision of health care to an individual and that (1) identifies the individual or (2) with respect to which there is a reasonable basis to believe the information can be used to identify the individual.
 - B. “Required by Law” shall mean a mandate contained in law that compels the use or disclosure of Protected Health Information and that is enforceable in a court of law. “Required by Law” includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or an administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions or participation with respect to health care providers participating in the program; and statutes or regulations that require such information if payment is sought under a government program providing public benefits.

Any terms used but not otherwise defined in this Addendum shall have the same meaning as the meaning ascribed to those terms in HIPAA.

- II. Permitted Uses and Disclosures. Business Associate may use or disclose Protected Health Information received or created by Business Associate pursuant to the Agreement solely for the following purposes:

- A. Business Associate may use or disclose Protected Health Information as necessary to carry out Business Associate's responsibilities and duties under the Agreement.
- B. Business Associate may use or disclose Protected Health Information for Business Associate's proper management and administration or to fulfill any present or future legal responsibilities of Business Associate; provided, however, that if Business Associate discloses Protected Health Information to a third party under this Section II(b), Business Associate shall (i) obtain reasonable assurances from the person to whom the Protected Health Information is disclosed that it will be held confidentially and used or further disclosed only as Required by Law or for the purpose for which it was disclosed and (ii) obligate such person to notify Business Associate of any instances of which it is aware in which the confidentiality of the Protected Health Information has been breached.
- C. Business Associate may use or disclose protected Information as Required by Law.
- D. Any use or disclosure of Protected Health Information permitted hereunder shall be limited to the minimum amount necessary to accomplish the intended purpose of the use, disclosure or request and shall otherwise be accordance with HIPAA.

III. Disclosure to Agent. In the event Business Associate disclosed to any agent, including a subcontractor, Protected Health Information received from, or created or received by Business Associate on behalf of, the P.C., Business Associate shall obligate each such agent to agree to the same restrictions and conditions regarding the use and disclosure of Protected Health Information as are applicable to Business Associate under this Addendum.

IV. Safeguards. Business Associate shall employ appropriate administrative, technical and physical safeguards, consistent with the size and complexity of Business Associate's operations, to prevent the use or disclosure of Protected Health Information in any manner inconsistent with the terms of this Addendum. Business Associate shall maintain a written security program describing such safeguards, a copy of which shall be available to the P.C. upon request.

V. Reporting of Improper Disclosures. Business Associate shall report to the P.C. any unauthorized or improper use or disclosure of Protected Health Information within one (1) business day of the date on which Business Associate becomes aware of such use or disclosure.

VI. Reporting of Disclosures of Security Incidents. Business Associate shall report to the P.C. any Security Incident of which it becomes aware. For purposes of this Addendum, "Security Incident" means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in an information system; provided, however, that Business Associate shall not have any obligation to notify P.C. of any unsuccessful attempts to (i) obtain unauthorized access to P.C.'s information in Business Associate's possession, or (ii) interfere with Business Associate's system operations in an information system, where such unsuccessful attempts are extremely numerous and common to all users of electronic information systems (e.g., attempted unauthorized access to information systems, attempted modification or destruction of data files and software, attempted transmission of a computer virus).

VII. Mitigation. Business Associate agrees to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of a use or disclosure of Protected Health Information by Business Associate in violation of the requirements of this Addendum.

VIII. Access to protected health information by the P.C.

- A. Within (10) days of a request by the P.C., Business Associate shall provide to the P.C. all Protected Health Information in Business Associate's possession necessary for the P.C. to provide patients or their representatives with access to or copies thereof in accordance with 45 CFR §§ 164.524.
- B. Within ten (10) days of a request by the P.C., Business Associate shall provide to the P.C. all information and records in Business Associate's possession necessary for the P. C. to provide patients or their representatives with an accounting of disclosures thereof in accordance with 45 C.F.R § 164.528.

At the P.C.'s direction, Business Associate shall incorporate any amendments to a patient's Protected Health Information made by the P.C. into the copies of such information maintained by Business Associate.

IX. Access of HHS. Business Associate shall make its internal practices, books and records relating to the use and disclosure of Protected Health Information received from the P.C., or created or received by Business Associate on behalf of the P.C., to HHS in accordance with HIPAA and the regulations promulgated thereunder.

X. Return of Protected Health Information Upon Termination. Upon termination of the Agreement, Business Associate shall: (a) if feasible, return or destroy all Protected Health Information received from , or created or received by Business Associate on behalf of, the P.C. that Business Associate still maintains in any form, and Business Associate shall retain no copies of such information; or (b) if Business Associate reasonably determines that such return or destruction is not feasible, extend the protections of this Addendum to such information and limit further uses and disclosures to those purposes that make the return or destruction of the Protected Health Information infeasible.

XI. Obligations of P.C.

- A. Upon request of Business Associate, P.C. shall provide Business Associate with the notice of privacy practices that P.C. produces in accordance with 45 CFR §164.520.
- B. P.C. shall provide Business Associate with any changes in, or revocation of, permission by an individual to use or disclose Protected Health Information, if such changes affect Business Associate's permitted or required uses and disclosures.
- C. P.C. shall notify Business Associate of any restriction on the use or disclosure of Protected Health Information to which P.C. has agreed in accordance with 45 CFR §164.522 to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

XII. Amendment. If any of the regulations promulgated under HIPAA are amended or interpreted in a manner that renders this Addendum inconsistent therewith, the P.C. may, on thirty (30) days written notice to Business Associate, amend this Addendum to the extent necessary to comply with such amendments or interpretations.

XIII. Indemnification. Each of the parties shall indemnify, defend and hold harmless the other and its directors, officers, employees and agents from and against any and all third party liabilities, costs, claims and losses

including, without limitation, the imposition of civil penalties by HHS under HIPAA, arising from or relating to the breach by either party or any of its directors, officers, employees or agents (including subcontractors) of the terms of this Addendum.

- XIV. Conflicting Terms. In the event of any terms of this Addendum conflict with any terms of the Agreement, the terms of this Addendum shall govern and control.

**AMENDMENT TO
FRANCHISE AGREEMENT
WAIVER OF MANAGEMENT AGREEMENT**

THIS AMENDMENT ("Amendment") is made and entered into on this __ day of _____, 20__ by and between The Joint Corp., a Delaware corporation ("Franchisor" or "we" or "us"), and _____, a _____ ("Franchisee" or "you").

RECITALS

A. We and you are parties to a The Joint Corp. Franchise Agreement dated as of the same date as this Amendment (the "Franchise Agreement"), which pertains to the management and operation of a "The Joint" business at a facility operating under the name "The Joint" (which is referred to as a "Clinic") (together the management and operation of a Clinic will be referred to as the "Franchised Business") with the "Territory" as described in the Franchise Agreement. Your Clinic will be located and operated in the state of _____

B. We and you wish to amend the terms of the Franchise Agreement as described below.

C. All capitalized terms not defined in this Amendment will have the meaning set forth in the Franchise Agreement, or the Management Agreement (as defined below).

AGREEMENT

NOW THEREFORE, we and you, in consideration of the undertakings and commitments of each party to the other party set forth herein and in the Franchise Agreement, and for other good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, mutually agree as follows:

1. Franchisee's Representations and Warranties:

a. You understand and agree that you are solely responsible for operating in full compliance with all laws that apply to your Franchised Business. The laws regulating the chiropractic medical industry include without limitation, federal, state and local regulations relating to: the practice of chiropractic medicine and the operation and licensing of chiropractic services; the relationship of providers and suppliers of health care services, on the one hand, and physicians and clinicians, on the other, including anti-kick back laws; restrictions or prohibition on fee splitting; physician self-referral restrictions; payment systems for medical benefits available to individuals through insurance and government resources; privacy of patient records; use of medical devices; and advertising of medical services (together such are, "Medical Regulations").

b. You represent and warrant to us that: (1) you have conducted independent research regarding the Medical Regulations that are applicable to chiropractic services generally, and the Franchised Business specifically in the Territory, including retaining the services of qualified professional advisers as necessary; (ii) you have verified that under the Medical Regulations applicable to your Franchised Business, you are permitted to both manage the Clinic and operate the Clinic, including hiring any chiropractic and other personnel and providing chiropractic services to patients at the Clinic.

c. You have requested that, based on your representations and warranties to us as to the Medical Regulations applicable to your Franchised Business, we waive the requirements of the Franchise Agreement that you (i) enter into a management agreement with a P.C., which as a separate entity would operate the Clinic and provide all chiropractic services, and (ii) you refrain from providing any chiropractic services to patients or hiring and supervising medical providers, subject to all applicable Medical Regulations.

d. You acknowledge and agree that we are entering into this Amendment in reliance your representations and warranties. You understand and agree that your obligations to operate in compliance with Medical

{WS097116v5 }

Regulations will continue throughout the term of the Franchise Agreement, and if there are any changes in Medical Regulations that would render your operation of the Clinic in violation of any Medical Regulation, you will immediately advise of such change and of the your proposed corrective action to comply with Medical Regulations, including (if applicable) entering into a management agreement with a P.C..

e. You acknowledge and agree that by requesting us to permit you to perform all of the activities and obligations of the P.C. (rather than signing a management agreement with a P.C. that would operate the Clinic), you will incur all costs of both managing and operating the Clinic, including those costs that would otherwise be borne by the P.C. (such as obtaining all necessary licensing and certification for practicing chiropractic medicine and compensation of chiropractic professionals). You have researched the costs associated with both managing and operating the Clinic.

2. Based on your representations and warranties to us above, you and we agree as follows:

a. Notwithstanding anything to the contrary in the Franchise Agreement, including Section 1.2, you are not required by the Franchise Agreement to enter into a Management Agreement with a P.C., provided that you comply with applicable Medical Regulations.

b. Notwithstanding anything to the contrary in the Franchise Agreement, including Section 1.2, you are not restricted from providing chiropractic services to the Clinic's patients, or from hiring and supervising the chiropractors and employees who are legally authorized to provide chiropractic services to patients of the Clinic.

c. Instead of entering into the Management Agreement with a separate P.C., you agree to be solely responsible for operating the Clinic and providing, or arranging for and supervising the provision of, chiropractic services to the patients of the Clinic. You, therefore, agree that you will perform all responsibilities and obligations of the "P.C." as set forth in the form of Management Agreement attached to this Amendment as Exhibit A (the "Management Agreement"), which are hereby incorporated into this Amendment. Without limiting the foregoing, you acknowledge and agree that these obligations include:

- (i) satisfying the representations and warranties of Section 1.2 of the Management Agreement;
- (ii) selecting, maintaining, and using the Equipment and Furnishings in good condition and repair and in a safe and appropriate manner as described in Section 2 of the Management Agreement;
- (iii) being responsible for all aspects of the diagnostic, therapeutic and related professional services delivered by the Providers at the Clinic; selecting, training, supervising and employing (or otherwise engaging) all Providers; ensuring that the Clinic and all Providers maintain all necessary licenses and credentials; establishing and maintaining quality and standards of patient care, as described in Section 4 of the Management Agreement;
- (iv) maintaining malpractice and other insurance as described in Section 7 of the Management Agreement;
- (v) indemnifying us as described in Sections 8 and 9 of the Management Agreement; and
- (vi) complying with the non-solicitation requirements of Section 10 of the Management Agreement.

d. Instead of entering into the Management Agreement with a separate P.C., you agree to be solely responsible for providing the management and support services necessary for operating the Clinic. You, therefore, agree that you will perform all responsibilities and obligations of the "Company" as set forth in the Management Agreement, which are hereby incorporated into this Amendment. Without limiting the foregoing, you acknowledge and agree that these obligations include:

- (i) providing the use of the Premises and Equipment and Furnishings as described in Section 2 of the Management Agreement;

- (ii) providing the management and administrative services described in Sections 3 and 4 of the Management Agreement; and
- (iii) ensuring that all insurance required by Section 7 of the Management Agreement is maintained.

e. Any reference in the Franchise Agreement to an obligation of, or requirement applicable to, the P.C. will be your obligation.

f. Any reference in the Franchise Agreement to the “Franchised Business” will include your activities in both managing and operating the Clinic.

3. Except as otherwise amended above, the Franchise Agreement is otherwise in full force and effect.

IN WITNESS WHEREOF, the parties hereto have duly executed, sealed, and delivered this Amendment in duplicate on the day and year first above written.

STATE-SPECIFIC DISCLOSURES

REQUIRED BY THE STATE OF CALIFORNIA

CALIFORNIA CORPORATIONS CODE SECTION 31125 REQUIRES THAT THE FRANCHISOR GIVE THE FRANCHISEE A DISCLOSURE DOCUMENT APPROVED BY THE DEPARTMENT OF CORPORATIONS PRIOR TO A SOLICITATION OF A PROPOSED MATERIAL MODIFICATION OF AN EXISTING FRANCHISE.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

Neither we nor any person or franchise broker identified in Item 2 is subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a *et seq.*, suspending or expelling such persons from membership in that association or exchange.

The California Business and Professions Code Sections 20000 through 20043 provide rights to you concerning termination and non-renewal of a franchise. If the Franchise Agreement contains a provision that is inconsistent with the law, the law will control. We may not terminate your franchise except for good cause, and we must give you a notice of default and a reasonable opportunity to cure the defects (except for certain defects specified in the statute, for which no opportunity to cure is required by law). The statute also requires that we give you notice of any intention not to renew your franchise at least 180 days before expiration of the Franchise Agreement.

You must sign a general release if you renew or transfer your franchise. California Corporations Code 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code 31000 through 31516). Business and Professions Code 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code 20000 through 20043).

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of your franchise. This provision may not be enforceable under California law.

THE FRANCHISE AGREEMENT REQUIRES APPLICATION OF THE LAW OF ARIZONA. THIS PROVISION MAY NOT BE ENFORCEABLE UNDER CALIFORNIA LAW.

To the extent permitted by law, you and we waive any right to or claim for any punitive or exemplary damages against each other and agree that in the event of a dispute between us, each will be limited to the recovery of actual damages only (except in limited circumstances). Each party further waives trial by jury and, to the extent permitted by law, all claims arising out of or relating to the Franchise Agreement must be brought within one year from the date on which you or we knew or should have known of the facts giving rise to such claims (except for claims relating to nonpayment or underpayment of amounts you owe us).

The Franchise Agreement requires mediation. The mediation will occur at the office of the American Arbitration Association Office closest to our principal executive offices. Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

FILING DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS OR A FINDING BY THE DIRECTOR OF COMMERCE AND CONSUMER AFFAIRS THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

THE FRANCHISE INVESTMENT LAW MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, OR SUBFRANCHISOR, AT LEAST SEVEN DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST SEVEN DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE, OR SUBFRANCHISOR, WHICHEVER OCCURS FIRST, A COPY OF THE DISCLOSURE DOCUMENT, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE.

THIS DISCLOSURE DOCUMENT CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR A STATEMENT OF ALL RIGHTS, CONDITIONS, RESTRICTIONS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

Item 20 of this Disclosure Document will be amended by the addition of the following paragraph:

As of the dates listed in Attachment 1, this franchise offering is or will be effective in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington and Wisconsin and exempt from registration in Arizona and Utah. No states have refused, by order or otherwise, to register these franchises. No states have revoked or suspended the right to offer these franchises. The proposed registration of these franchises has not been involuntarily withdrawn in any state.

REQUIRED BY THE STATE OF ILLINOIS

Illinois requires the following additional risk factor:

“Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement, even if your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse’s marital and personal assets (perhaps including your house) at risk if your franchise fails.”

Item 17 of this disclosure document is supplemented by the addition of the following paragraphs at the end of the chart:

State Law

The conditions under which you can be terminated and your rights on non-renewal may be affected by Illinois law, 815 ILCS 705/19 and 705/20.

The Illinois Franchise Disclosure Act will govern any Franchise Agreement if it applies to a subfranchise located in Illinois.

Any condition in the Franchise Agreement that designates jurisdiction or venue in a forum outside of Illinois is void with respect to any cause of action that otherwise is enforceable in Illinois, provided that the Franchise Agreement may provide for mediation in a forum outside of Illinois.

In conformance with Section 41 of the Illinois Franchise Disclosure Act, any condition, stipulation or provision purporting to bind any person acquiring any franchise to waive compliance with the Illinois Franchise Disclosure Act or any other law of Illinois is void.

Illinois law governs the Franchise Agreement (s).

REQUIRED BY THE STATE OF INDIANA

The Franchise Agreement contains a covenant not to compete that extends beyond the termination of your franchise. This provision may not be enforceable under Indiana law.

Indiana law makes unilateral termination of your franchise unlawful unless there is a material violation of the Franchise Agreement and the termination is not done in bad faith.

If Indiana law requires the Franchise Agreement and all related documents to be governed by Indiana law, then nothing in the Franchise Agreement or related documents referring to Arizona law will abrogate or reduce any of your rights as provided for under Indiana law.

Indiana law prohibits a prospective general release of claims subject to the Indiana Deceptive Franchise Practices Law.

Although the Franchise Agreement requires mediation to be held at the office of the American Arbitration Association closest to our principal executive offices, mediation held pursuant to the Franchise Agreement must take place in Indiana if you so request. If you choose Indiana, we have the right to select the location in Indiana.

REQUIRED BY THE STATE OF MARYLAND

A franchisee located within the state of Maryland shall not be required to assent to any release, estoppel or waiver of liability as a condition of purchasing a franchise which would act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

The provisions in the Franchise Agreement relating to the general release that is required as a condition of renewal, sale and assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

Lawsuits by either you or us may take place in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

Any limitation of claims provision(s) in the Franchise Agreement shall not act to reduce the 3-year statute of limitations afforded to you for bringing a claim under the Law. Any claims arising under the Maryland Franchise Registration and Law must be brought within 3 years after the grant of the franchise to you.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any

statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

REQUIRED BY THE STATE OF MINNESOTA

We will protect your right to use the Marks and/or indemnify you from any loss, costs or expenses arising out of any claim, suit or demand regarding the use of the Marks.

Minn. Rule 2860.4400D prohibits us from requiring you to assent to a general release. Any release you sign as a condition of renewal or transfer will not apply to any claims you may have under the Minnesota Franchise Law.

With respect to franchises governed by Minnesota law, we will comply with Minn. Stat. Sec. 80C.14, subds. 3, 4 and 5 which require, except in certain specified cases, that you be given 90 days' notice in advance of termination (with 60 days to cure) and 180 days' notice in advance of nonrenewal of the Franchise Agreement.

Minn. Stat. § 80C.17, Subd. 5, states that no civil action pertaining to a violation of a franchise rule or statute can be commenced more than three years after the cause of action accrues

Minn. Stat. Sec. 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in this Disclosure Document or the Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction. Under Minnesota law, we cannot require you to consent to injunction relief; however, we may seek injunctive relief from the Court.

Minn. Rule Part 2860.4400J prohibits us from requiring you to waive your rights to a jury trial or waive your rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction, or consenting to liquidated damages, termination penalties or judgment notes.

6. The following language replaces the “Summary” section of Item 17(d), titled **“Termination by franchisee”**:

You may terminate the agreement on any grounds available by law.

7. The following is added to the end of the “Summary” section of Item 17(j), titled **“Assignment of contract by franchisor”**:

However, no assignment will be made except to an assignee who in good faith and judgment of the franchisor, is willing and financially able to assume the franchisor’s obligations under the Franchise Agreement.

8. The following is added to the end of the “Summary” sections of Item 17(v), titled **“Choice of forum”**, and Item 17(w), titled **“Choice of law”**:

The foregoing choice of law should not be considered a waiver of any right conferred upon the franchisor or upon the franchisee by Article 33 of the General Business Law of the State of New York.

REQUIRED BY THE STATE OF NORTH DAKOTA

The Franchise Agreement contains a covenant not to compete which extends beyond the termination of your franchise. This provision may not be enforceable under North Dakota law.

Although the Franchise Agreement provides that the place of mediation will be located at the office of the American Arbitration Association closest to our principal executive offices, we agree that the place of mediation will be a location that is in close proximity to the site of your Franchised Business.

The Franchise Agreement requires that you consent to the jurisdiction of a court in close proximity to our principal executive offices. This provision may not be enforceable under North Dakota law because North Dakota law precludes you from consenting to jurisdiction of any court outside of North Dakota.

Although the Franchise Agreement provides that it will be governed by and construed in accordance with the laws of the State of Arizona, we agree that the laws of the State of North Dakota will govern the construction and interpretation of the Franchise Agreement.

A contractual requirement that you sign a general release may be unenforceable under the laws of North Dakota.

Although the Franchise Agreement requires the franchisee to consent to a waiver of trial by jury, the Commissioner has determined that a requirement requiring the waiver of a trial by jury to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. This provision is not enforceable in North Dakota.

Although the Franchise Agreement requires the franchisee to consent to a waiver of exemplary and punitive damages, the Commissioner had determined these types of provisions to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. This provision is not enforceable in North Dakota.

Although the Franchise Agreement requires the franchisee to consent to a limitation of claims period within one year, the Commissioner had determined this to be unfair, unjust and inequitable within the intent of Section 51-19-09 of the North Dakota Franchise Investment Law. The limitation of claims period is therefore governed by North Dakota law.

To the extent any provision of the Franchise Agreement requires you to consent to a waiver of exemplary or punitive damages, the provision will be deemed null and void.

REQUIRED BY THE STATE OF RHODE ISLAND

Even though our Franchise Agreement says the laws of Arizona apply, § 19-28.1-14 of the Rhode Island Franchise Investment Act provides that “A provision in a franchise agreement restricting jurisdiction or venue to a forum outside this state or requiring the application of the laws of another state is void with respect to a claim otherwise enforceable under this Act.”

REQUIRED BY THE STATE OF WASHINGTON

The state of Washington has a statute, RCW 19.100.180 which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise. There may also be court decisions which may supersede the Franchise Agreement in your relationship with the franchisor including the areas of termination and renewal of your franchise.

In any mediation involving a franchise purchased in Washington, the mediation site shall be either in the state of Washington, or in a place mutually agreed upon at the time of the mediation, or as determined by the mediator.

In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, Chapter 19.100 RCW shall prevail.

A release or waiver of rights executed by a franchisee shall not include rights under the Washington Franchise Investment Protection Act except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel. Provisions such as those which unreasonably restrict or limit the statute of limitations period for claims under the Act, rights or remedies under the Act such as a right to a jury trial may not be enforceable.

Transfer fees are collectable to the extent that they reflect the franchisor’s reasonable estimated or actual costs in effecting a transfer.

These requirements must be included in an addendum to the Franchise Agreement you sign for the State of Washington.

MERCHANT PAYMENT CARD APPLICATION/AGREEMENT

- 2.7 MERCHANT agrees to obtain an authorization on all transactions. Any transaction which cannot be authorized electronically through a terminal is subject to a voice authorization charge. MERCHANT will obtain an authorization prior to completing a keyed transaction. Any transaction which is not properly authorized is made with full recourse and may be charged back to MERCHANT; furthermore, any keyed transaction will be subject to additional charges for a non-qualifying transaction. MERCHANT understands that an authorization does not constitute a guarantee of payment, only available credit and may be subject to dispute or chargeback. By signing this Agreement, Merchant agrees that the use of a "store & forward" terminal means that Merchant has the ability to store a swiped transaction at the terminal level when there is no phone line available. When a phone line becomes available, Merchant would then upload the transaction for a possible approval. Merchant understands and agrees that if Merchant uses this type of terminal, there is no guaranty whatsoever that once the transactions are uploaded Merchant will receive an approval. If Merchant allows the release of merchandise/service to the cardholder before receiving approval, Merchant agrees that this is to be done at Merchant's sole risk.
- 2.8 MERCHANT shall not complete any card sale for which an authorization has been declined. Any unauthorized card transaction is made with full recourse to MERCHANT, and SERVICE PROVIDERS may charge back the amount of such card sale to MERCHANT.
- 2.9 MERCHANT acknowledges that SERVICE PROVIDERS shall have full recourse to charge back the amount of a card sale for which (i) the imprint of the card is not obtained or (ii) the signature of the cardholder is not obtained and the cardholder disputes that he/she authorized the charge.
- 2.10 MERCHANT agrees to electronically deposit sales drafts and credit vouchers no later than the business day following the transaction date.
- 2.11 (a) MERCHANT shall, at all times, maintain an account at a bank that is a member of the Federal Reserve ACH System ("the Account"). All credits for collected funds and debits for fees, payments and chargebacks under the terms of this Agreement shall be made to the Account. MERCHANT may not close or change the Account without written notice to SERVICE PROVIDERS. MERCHANT will be solely liable for all fees and costs associated with the Account and for all overdrafts. MERCHANT will maintain sufficient funds in the Account to accommodate all transactions, including fees, contemplated by this Agreement.
- (b) MERCHANT shall promptly upon receipt, examine, balance, and reconcile all statements relating to the Account. Additionally, MERCHANT shall daily balance and reconcile all DAILY deposit and debit totals to confirm accuracy. MERCHANT is required to notify SERVICE PROVIDERS IN WRITING of any and all errors on MERCHANT'S statements and/or DAILY totals. Each such written notice shall contain the following information: (i) MERCHANT name and account number, (ii) the specific dollar amount of the asserted error, (iii) a detailed description of the asserted error, and (iv) a detailed explanation of why MERCHANT believes an error exists and the cause of the error, if known. The written notice MUST be RECEIVED by SERVICE PROVIDERS within ninety (90) days after MERCHANT receives the statement (regarding an asserted error on a statement) or within ninety (90) days from the date the alleged error on a DAILY total was made. **FAILURE TO TIMELY SEND THE NOTICE REFERRED TO HEREIN CONSTITUTES A WAIVER OF ANY AND ALL RIGHTS MERCHANT MAY HAVE AGAINST SERVICE PROVIDERS RELATED TO THE ASSERTED ERROR.**
- (c) MERCHANT agrees to fees for maintenance activities including but not limited to Account changes and returned mail as disclosed in the Rates and Fees section of the Agreement.
- 2.12 MERCHANT assumes the responsibility for storage of all sales drafts and credit vouchers. Failure to provide SERVICE PROVIDERS with requested documentation within five (5) business days after receipt of such request may result in the transaction being charged back to MERCHANT, and SERVICE PROVIDERS shall have the right to debit the Account for full amount of the transaction in question.
- 2.13 MERCHANT shall pay any fees charged to MERCHANT by the telephone company for the preparation of the site(s) prior to installation of electronic data capture terminals and/or peripheral equipment.
- 2.14 MERCHANT shall not deposit any transaction for the purpose of obtaining or providing a cash advance. MERCHANT agrees that any such deposit shall be grounds for immediate termination.
- 2.15 MERCHANT must notify SERVICE PROVIDERS in writing of any changes to the information in this Application, including but not limited to:
- (a) Transfer or sale of any substantial part of its total assets, or liquidate;
 - (b) Change the basic nature of its business, including selling any products or services not related to its current business;
 - (c) Change ownership or transfer control of its business; or
 - (d) Enter into any joint venture, partnership or similar business arrangement whereby any person or entity not a party to this Agreement assumes any interest in MERCHANT'S business.
- The notice must be received by SERVICE PROVIDERS within ten (10) business days of the change. MERCHANT will provide updated information to SERVICE PROVIDERS within a reasonable time upon request. Failure to provide notice as required above may be deemed as material breach and shall be sufficient grounds for immediate termination of MERCHANT. In the event any of the changes listed above should occur, SERVICE PROVIDERS shall have the option to renegotiate the terms of this Agreement or provide thirty (30) days' notice of termination. MERCHANT is liable to SERVICE PROVIDERS for all losses and expenses incurred by SERVICE PROVIDERS arising out of a failure to report changes to SERVICE PROVIDERS.
- 2.16 MERCHANT is liable for repayment to SERVICE PROVIDERS for all valid chargebacks. SERVICE PROVIDERS will comply with American Express' Operating Regulations, Card Associations' prevailing Rules and Regulations, and/or Discover Network Operating Regulations in processing any chargebacks which result from cardholder disputes. However, all disputes which are not or cannot be resolved through established chargeback procedures shall be settled between MERCHANT and the cardholder, and MERCHANT will indemnify SERVICE PROVIDERS and will provide reimbursement for all expenses, including reasonable attorney's costs, which it may incur as the result of any cardholder claim which is pursued outside the American Express', or Card Association's Rules and Regulations, and/or Discover Network Operating Regulations. In the event of a chargeback loss to SERVICE PROVIDERS, MERCHANT hereby transfers and assigns to SERVICE PROVIDERS any lien rights that it has or may have on the merchandise sold to the cardholder. Additionally, MERCHANT is prohibited against billing or collecting from any cardholder for any purchase or payment on a payment card unless a chargeback has been initiated, MERCHANT has fully paid for the chargeback, and it has the right to collect on such chargeback.
- 2.17 MERCHANT shall not accept or deposit any fraudulent transactions and may not under any circumstances present for processing or credit, directly or indirectly, a transaction which originated with any other merchant or any other source. MERCHANT shall be prohibited from making a deposit of a credit transaction without a preceding debit. MERCHANT shall not, under any circumstances, deposit telemarketing transactions under this Agreement unless authorized by SERVICE PROVIDERS in advance of processing any telemarketing transactions. If MERCHANT deposits any such transaction, MERCHANT may be immediately terminated and SERVICE PROVIDERS may hold funds and/or demand an escrow pursuant to Sections 4 and 8; further, MERCHANT may be subject to VISA, Mastercard, and Discover Network reporting requirements set forth in Section 8.8.
- 2.18 MERCHANT will not deposit duplicate transactions. MERCHANT shall be debited for any adjustments for duplicate transactions and shall be liable for any chargebacks which may result therefrom. Merchant will be liable for any fees assessed by the Card Associations' Rules and Regulations, American Express Operating Regulations, and/or Discover Network Operating Regulations to the SERVICE PROVIDERS.
- 2.19 MERCHANT shall not initiate a sales transaction in an attempt to collect a chargeback.
- 2.20 Discount/Fee Schedule:
- (a) MERCHANT'S Account will be debited daily and/or monthly, through ACH for amounts set forth in the pricing schedule which is part of this Agreement, and

for any other fees or charges incurred by MERCHANT and associated with processing services. MERCHANT is obligated to pay all taxes and other charges imposed by any governmental authority on the services provided under this Agreement. SERVICE PROVIDERS reserves the right, in its sole discretion, to change, amend, add, or adjust any discount rates or fees set forth herein, in accordance with Section 10.6 of this Agreement.

(b) The "Qualified Retail Discount Rate" will be charged on all magnetic stripe or chip read ("Swiped") customer present retail payment card transactions that are electronically authorized, closed in a daily batch, and where the customer's signature is obtained. Additionally, for the Qualified Discount Rate to apply, payment cards have to be either U.S. bank issued consumer credit card (excluding rewards cards) or payment cards have to be signature debit cards or prepaid debit cards issued by a "Regulated U.S. Bank". ("Regulated U.S. Bank", meaning any issuer that together with its affiliates, has assets equal to or greater than ten billion (\$10,000,000,000); "Non-Regulated U.S. Bank", meaning any issuer that together with its affiliates has assets less than ten billion (\$10,000,000,000).) The "Mid-Qualified Retail Discount Rate" will be charged on all manually keyed or electronic commerce transactions, that have address verification (also known as "AVS" and is available only for Visa cards), and closed in a daily batch, or any traditional rewards card, signature debit card or prepaid debit card issued by a Non-Regulated U.S. Bank that would otherwise qualify for the Qualified Retail Discount Rate. The "Non-Qualified Retail Discount Rate" will be charged on all commercial, commercial rewards, international issued, or signature rewards card transactions, which include but are not limited to Visa Signature and Signature Preferred, Mastercard World Elite and High Value, Discover Premium and Premium Plus. All other transactions that do not meet the criteria for Qualified Retail Discount Rate or Mid-Qualified Retail Discount Rates will be downgraded to the Non-Qualified Retail Discount Rate.

(c) The Enhanced Recover Reduced ("ERR") pricing will be charged if selected in the Rates and Fees section of this Agreement. Under ERR pricing only, any transaction that does not meet the criteria for the Qualified Retail Discount Rate will be charged the sum of the following: (i) Qualified Retail Discount Rate, (ii) the Non-Qualified Retail Discount Rate and fees, and (iii) the difference between the actual interchange cost as assessed by the Card Associations and the interchange cost assessed on a transaction that qualifies for a Qualified Retail Discount Rate.

(d) Increase in long-distance communications costs and processing charges from third-party vendors may be reflected in increased discount rates.

(e) MERCHANT'S pricing is partially based upon the annual volume, average ticket and method of doing business stated in this MERCHANT Application. If the actual volume and average ticket are not as warranted or if MERCHANT significantly alters its method of doing business, SERVICE PROVIDERS may adjust MERCHANT'S discount and/or transaction fees without prior notice. Merchants using AVS (Address Verification System) will be charged for each address verification request. This is in addition to the transaction fee. In the event of multiple locations, each location shall be considered to have a separate MERCHANT PAYMENT CARD AGREEMENT for all fee purposes. For the purposes of charging Transaction Fees under this Agreement, "transaction" is defined as any action by a merchant that results in activity to a cardholder or merchant account, including authorizations, batch closings, sales, or returns.

2.21 MERCHANT understands that there shall be fees, chargebacks, assessments, and/or amounts which shall arise as a result of the Agreement, both during and after termination of the Agreement. MERCHANT authorizes SERVICE PROVIDERS to debit via ACH from any account held by MERCHANT at any financial institution in the amount of any amount owed by MERCHANT under this Agreement, including but not limited to any amounts owed for fees, chargebacks and or assessments which shall arise after termination of this Agreement. This ACH authorization will remain in effect after termination of this Agreement or until SERVICE PROVIDERS has received written notice terminating this authorization. MERCHANT will indemnify and hold SERVICE PROVIDERS harmless for any action they take pursuant to this Section. MERCHANT will also indemnify and hold harmless any other financial institution for acting in accordance with any instructions from SERVICE PROVIDERS pursuant to this Section.

2.22 MERCHANT will be assessed a fee for each return ACH debit as disclosed in the Rates and Fees section of the Agreement.

2.23 MERCHANT will be assessed a merchant investigation fee for suspicious activity and/or Agreement deviations up to a maximum of ten percent (10%) of the dollar amount investigated.

2.24 A divert fee, as disclosed in the Rates and Fees section of the Agreement, will be charged per month for a special account maintained at SERVICE PROVIDERS to house diverted funds for MERCHANT.

2.25 MERCHANT agrees that Excessive Activity during any monthly period will be a breach of this Agreement and cause of immediate termination. Excessive Activities include i) chargebacks in excess of one percent (1%) of the sales transactions processed, ii) sales activity that exceeds by 25% the dollar volume indicated on the Application, iii) the dollar amount of returns exceeds 20% of the average monthly dollar amount of MERCHANT'S card transactions, iv) other ratios required by VISA, Mastercard, Discover Network, or SERVICE PROVIDERS. SERVICE PROVIDERS will provide MERCHANT with any information possessed by SERVICE PROVIDERS which may enable MERCHANT to recover from others the amount of any sale charged back to MERCHANT. MERCHANT understands that SERVICE PROVIDERS will assess a fee per chargeback per presentment and a fee for each retrieval and each representation request.

2.26 Any transaction that has not received an authorization, or that is deposited (transmitted) more than two (2), but not greater than thirty (30), business days following the transaction date, or that is made with a foreign card will be subject to a non-qualified increase. NOTE: Days allowed for settlements are calculated by excluding the transaction date, Sundays and holidays, and including the processing (settlement) date.

2.27 MERCHANT will use its reasonable, best efforts to recover any card: (i) on VISA cards, if the printed four digits above the embossed account number do not match the first four digits of the embossed account number, (ii) if MERCHANT is advised by SERVICE PROVIDERS (or its designee), the issuer of the card or the designated voice authorization center to retain it, (iii) if MERCHANT has reasonable grounds to believe the card is counterfeit, fraudulent or stolen, or not authorized by the cardholder, (iv) on Discover Network cards, if the printed four digits on the signature panel do not match the last four digits of the embossed account number, or if the card does not have the Discover Network acceptance mark in the lower right corner on both sides of the card, or (v) for Mastercard, the embossed account number, indent printed account number and/or encoded account number do not agree, or the card does not have a Mastercard hologram on the lower right corner of the card face.

(a) MERCHANT may process electronic commerce ("EC") transactions only if it has so indicated in this Agreement and only if MERCHANT has obtained SERVICE PROVIDERS' consent, and only if the transactions have been encrypted by a third party vendor acceptable to SERVICE PROVIDERS. If MERCHANT submits EC transaction(s) without SERVICE PROVIDERS' consent, SERVICE PROVIDERS may immediately terminate this Agreement. All transactions must comply with data security requirements as described in the Data Security Section of the Merchant Payment Card Application. MERCHANT understands that transactions processed via EC are high risk and subject to a higher incidence of chargebacks. MERCHANT is liable for all chargebacks and losses related to EC transactions, whether or not: i) EC transactions have been encrypted; and ii) MERCHANT has obtained SERVICE PROVIDERS' consent to engage in such transactions. Encryption is not a guarantee of payment and will not waive any provision of this Agreement or otherwise validate a fraudulent transaction. All communication costs related to EC transactions are MERCHANT'S responsibility. MERCHANT understands that SERVICE PROVIDERS will not manage the EC telecommunications link and that it is MERCHANT'S responsibility to manage that link. All EC transactions will be settled by SERVICE PROVIDERS into a depository institution in the United States in U.S. currency.

The actual date of the initial charge (within said first year) shall be at the sole discretion of SERVICE PROVIDERS. The fee shall be debited from the Account for the initial year and on the anniversary date (of the initial charge) for each year thereafter that the Account is in force. In the event this Agreement is terminated, for any reason, no portion of a charged annual customer service fee shall be rebated to MERCHANT.

MERCHANT will maintain sufficient working capital to provide for the delivery of goods or services at the agreed upon future date, independent of any credit or proceeds resulting from sales drafts or other memoranda taken in connection with future delivery transactions.

2.35 All disputes between MERCHANT and any cardholder relating to any card transaction will be settled between MERCHANT and the cardholder. SERVICE PROVIDERS bears no responsibility for such transactions.

2.36 As a primary inducement to SERVICE PROVIDERS to enter into this Agreement, the Guarantor(s) indicated on this Application, by signing this Application, jointly and severally, unconditionally and irrevocably, guarantee the continuing full and faithful performance and payment by MERCHANT of each of its duties and obligations to SERVICE PROVIDERS pursuant to this Agreement, as it now exists or amended from time to time, with or without notice. Guarantor(s) understands further that SERVICE PROVIDERS may proceed directly against Guarantor(s) without first exhausting its remedies against any other person or entity responsible therefore to it or any security held by SERVICE PROVIDERS or MERCHANT. Guarantor(s) authorizes SERVICE PROVIDERS to debit via ACH from any account singly or jointly held by Guarantor(s) at any financial institution in the amount of any amount owed by Guarantor(s) under this Agreement. This ACH authorization will remain in effect after termination of this Agreement, and until SERVICE PROVIDERS has received written notice terminating this authorization and all Guarantor(s) obligations to SERVICE PROVIDERS have been paid in full. 2.37 MERCHANT must not establish a minimum or maximum dollar amount as a condition of honoring a debit card transaction.

2.38 Legislation has passed ("Truncation Laws") requiring terminals to suppress all but the last few digits from the cardholder's account number, as well as the expiration date. MERCHANT is responsible for compliance. Although federal law is in place regarding this issue, specific state laws may have more strict deadlines and requirements. MERCHANT is required to check its specific state law to be sure that MERCHANT is in compliance.

2.39 In accordance with the requirements of the Unlawful Internet Gambling Enforcement Act of 2006 and Regulation GG, MERCHANT understands that restricted transactions are prohibited from being processed through the Merchant Account or relationship with SERVICE PROVIDERS. Restricted transactions are transactions in which a person accepts credits, funds, instruments, or other proceeds from another person in connection with unlawful Internet gambling. By signing this agreement, MERCHANT certifies that its business does not engage in Internet gambling. MERCHANT understands transactions related to the sale of cannabis are restricted. MERCHANT agrees that it will notify SERVICE PROVIDERS in the event of any change in circumstance.

10.18 MERCHANT must report to SERVICE PROVIDERS its participation in any cash advance program outside of that offered by SERVICE PROVIDERS. Failure to report participation in such a program shall result in immediate termination of MERCHANT account.

11.0 Fleet Card Acceptance.

11.1 If MERCHANT executes a Wright Express ("WEX") Merchant Agreement, MERCHANT understands that SERVICE PROVIDERS will provide such agreement to WEX, but that neither SERVICE PROVIDERS nor WEX shall have any obligation whatsoever to MERCHANT with respect to processing WEX Cards unless and until WEX executes WEX Merchant Agreement. If WEX executes WEX Merchant Agreement and MERCHANT accepts WEX Cards, MERCHANT understands that WEX transactions are processed, authorized, and funded by WEX. MERCHANT understands that WEX is solely responsible for all agreements that govern WEX transactions and that SERVICE PROVIDERS is not responsible and assumes absolutely no liability with regard to any such agreement or WEX transactions, including, but not limited to, the funding and settlement of WEX transactions. MERCHANT understands that WEX will charge additional fees for the services that it provides.

11.2 If MERCHANT accepts Voyager Cards, MERCHANT should adhere to the following Voyager Regulations:

- (a) MERCHANT should check Fleet Cards for any printer restrictions at the point of sale,
- (b) If an increase in the number of Voyager transaction authorization calls from MERCHANT, not due to Voyager system outages, are in excess of 15% for a given month as compared to the previous month, Voyager may, in their sole discretion, deduct telephone charges not to exceed \$.25 per call for the increased calls from MERCHANT settlement of MERCHANT'S Voyager transactions,
- (c) Settlement of Voyager transactions will generally occur by the fourth banking day after the applicable card transaction is processed. Voyager shall reimburse MERCHANT for the dollar amount of sales submitted for a given day by MERCHANT, reduced by the amount of chargebacks, tax exemptions, discounts, credits, and other fees,
- (d) For daily transmission of data, MERCHANT shall maintain true and complete records for not less than thirty-six (36) months from the date of generation of the data, and MERCHANT is responsible for the expense of retaining such sales data records and sales drafts,
- (e) In addition to the information provided in Section 6.3, in no event shall SERVICE PROVIDERS' cumulative liability to MERCHANT for losses, claims, suits, controversies, breaches or damages for any cause whatsoever in connection with Voyager transactions, exceed the lesser of \$10,000.00 or the Voyager transaction fees paid by MERCHANT for the two months prior to the action giving rise to the claim.

12.0 Data Security.

12.1 MERCHANT hereby warrants and represents that the POS Software, as listed on this Agreement is 100% accurate and that the POS Software used by the Merchant during the Initial Term or any Renewal Term of this Agreement is PCI-DSS Compliant as listed at https://www.pcisecuritystandards.org/security_standards/vpa/. If MERCHANT conducts any business over the Internet or over a VOIP terminal, MERCHANT must install and maintain a working network firewall to protect data accessible via the Internet; keep security patches up-to-date; encrypt stored data sent over open networks; use and update anti-virus software; restrict access to data by business "need-to-know"; assign a unique ID to each person with computer access to data by unique ID; regularly test security systems and processes; maintain a policy that addresses information security for employees and contractors; and restrict physical access to cardholder information. When outsourcing administration of information assets, networks, or data, MERCHANT must retain legal control of proprietary information and use limited "need-to-know" access to such assets, network, or data. Further, MERCHANT must reference the protection of cardholder information and compliance with the PCI Security Standards Council in contract with other service providers. If MERCHANT stores cardholder account numbers, expiration dates, and other personal cardholder data in a database, MERCHANT must follow VISA, Mastercard, and Discover Network guidelines on securing such data as outlined by the Visa Cardholder Information Security Procedures (CISP), Mastercard Site Data Protection (SDP), and Discover Information Security and Compliance Program (DISC). MERCHANT understands that failure to comply with this Section may result in fines, fees, assessments or requests for reimbursement by VISA, Mastercard, and/or Discover Network, and MERCHANT agrees to indemnify and reimburse SERVICE PROVIDERS immediately for any fine imposed due to MERCHANT'S breach of this Section. For more information on the Payment Card Industry Security Standards, including each of the specific security programs, see www.pcisecuritystandards.org.

13.0 American Express Card Acceptance

13.1 American Express Definitions.

(ii) "Establishment" means any or all of a MERCHANT'S locations, outlets, websites, online networks, and all other methods for selling goods and services, including methods that the MERCHANT adopts in the future.

(iv) "Participant" means SERVICE PROVIDERS' merchant services provider Paysafe Payment Processing Solutions, LLC.

13.2 Card Acceptance. MERCHANT agrees to accept American Express Cards in accordance with the terms of this Agreement and agrees to adhere to the American Express Operating Regulations and the American Express OptBlue Program Merchant Requirements, which are both incorporated herein by reference and made a part hereof for all purposes, and are also available at www.americanexpress.com/merchantguide. **MERCHANT ACKNOWLEDGES THAT IT MAY CHOOSE NOT TO ACCEPT AMERICAN EXPRESS CARDS AT ANY TIME DURING THE TERM OF THIS AGREEMENT AND SUCH ACTION DOES NOT DIRECTLY NOR INDIRECTLY AFFECT MERCHANT'S RIGHTS TO ACCEPT ANY OTHER PAYMENT CARD. MERCHANT acknowledges that it is the MERCHANT's sole obligation to ensure that it possesses the most current version of the American Express Operating Regulations and the American Express OptBlue Program Merchant Requirements as they are amended from time to time.**

13.3 Prohibited Goods and Services. MERCHANT must accept the Card as payment for goods and services sold (other than those goods and services prohibited under the subsection below), or (if applicable) for charitable contributions made, at all of its Establishments, except as expressly permitted by state statute. MERCHANT is jointly and severally liable for the obligations of MERCHANT'S Establishments under the Agreement. MERCHANT must not accept the Card to verify a cardholder's age or for any of the following:

- (i) adult digital content sold via Internet Electronic Delivery;

- (ii) amounts that do not represent bona fide sales of goods or services (or, if applicable, amounts that do not represent bona fide charitable contributions made) at MERCHANT'S Establishments; for example, purchases at MERCHANT'S Establishments by MERCHANT'S owners (or their family members) or employees contrived for cash flow purposes, or payments that MERCHANT have accepted in order to advance cash to cardholders in connection with the transaction;
- (iii) amounts that do not represent bona fide, direct sales by MERCHANT'S Establishment to Card Members made in the ordinary course of MERCHANT'S business;
- (iv) cash or cash equivalent (e.g., gold, silver, platinum, and palladium bullion and/or bars), but collectible coins and jewelry are not prohibited;
- (v) charges that the cardholder has not specifically approved;
- (vi) costs or fees over the normal price of the goods or services (plus applicable taxes) that the cardholder has not specifically approved;
- (vii) damages, losses, penalties, or fines of any kind;
- (viii) gambling services (including online gambling), gambling chips, gambling credits, or lottery tickets;
- (ix) unlawful/illegal activities, fraudulent business transactions or when providing the goods or services is unlawful/illegal (e.g., unlawful/illegal online internet sales of prescription medications or controlled substances; sales of any goods that infringe the rights of a rights-holder under laws applicable to us, MERCHANT, or the cardholder; online child pornography);
- (x) overdue amounts or amounts covering returned, previously dishonored or stop-payment checks (e.g., where the Card is used as a payment of last resort); or
- (xi) sales made by third parties or Entities conducting business in industries other than Merchant's.

13.4 High Volume. MERCHANT agrees that in the event its annual charge volume for American Express Cards is greater than \$1,000,000, then American Express may initiate the process of converting MERCHANT to an AXP Direct Merchant. Upon conversion MERCHANT shall be bound by American Express' then-current Card Acceptance agreement and American Express will set pricing and other fees payable by the MERCHANT for American Express card acceptance.

13.5 ARBITRATION AGREEMENT (as to Claims involving American Express). In the event that MERCHANT or Participant is not able to resolve a Claim against American Express, or a claim against Participant or any other entity that American Express has a right to join, this section explains how Claims may be resolved through arbitration. Merchant or American Express may elect to resolve any Claim by binding individual arbitration. Claims will be decided by a neutral arbitrator. If arbitration is elected by any party, MERCHANT nor Participant nor American Express will have the right to litigate or have a jury trial on that Claim in court. Further, MERCHANT, Participant, and American Express will not have the right to participate in a class action or in a representative capacity or in a group of persons alleged to be similarly situated pertaining to any Claim subject to arbitration under this Agreement. Arbitration procedures are generally simpler than the rules in court. An arbitrator's decisions are final and binding, and the arbitrator's final decision on a Claim generally is enforceable as a court order with very limited review by a court. Other rights MERCHANT, Participant, or American Express would have in court may also not be available in arbitration.

(i) **Initiation of Arbitration.** Claims may be referred to either JAMS or AAA, as selected by the party electing arbitration. Claims will be resolved pursuant to this Arbitration Agreement and the selected organization's rules in effect when the Claim is filed, except where those rules conflict with this Agreement. Contact JAMS or AAA to begin an arbitration or for other information. Claims may be referred to another arbitration organization if all parties agree in writing, if American Express selects the organization and MERCHANT selects the other within 30 days thereafter or if an arbitrator is appointed pursuant to section 5 of the Federal Arbitration Act, 9 U.S.C. §§ 1-16 (FAA). Any arbitration hearing will take place in the federal judicial district where MERCHANT'S headquarters is located or New York, NY, at MERCHANT'S election.

(ii) **Limitations on Arbitration.** If any party elects to resolve a Claim by arbitration, that Claim will be arbitrated on an individual basis. No Claim is to be arbitrated on a class or purported representative basis or on behalf of the general public or other persons allegedly similarly situated. The arbitrator's authority is limited to Claims between MERCHANT, Participant, and American Express. An arbitration award and any judgment confirming it will apply only to the specific case brought by MERCHANT, Participant or American Express and cannot be used in any other case except to enforce the award as between MERCHANT, Participant and American Express. This prohibition is intended to, and does, preclude MERCHANT from participating in any action by any trade association or other organization against American Express. Notwithstanding any other provision in this Agreement, if any portion of these Limitations on Arbitration is found invalid or unenforceable, then the entire Arbitration Agreement (other than this sentence) will not apply, except that MERCHANT, Participant, and American Express do not waive the right to appeal that decision.

(iii) **Previously Filed Claims/No Waiver.** MERCHANT, Participant, or American Express may elect to arbitrate any Claim that has been filed in court at any time before trial has begun or final judgment has been entered on the Claim. MERCHANT, Participant, or American Express may choose to delay enforcing or to not exercise rights under this Arbitration Agreement, including the right to elect to arbitrate a claim, without waiving the right to exercise or enforce those rights on any other occasion. For the avoidance of any confusion, and not to limit its scope, this section applies to any class-action lawsuit relating to the "Honor All Cards," "non-discrimination," or "no steering" provisions of the American Express Merchant Regulations, or any similar provisions of any prior American Express Card acceptance agreement, that was filed against American Express prior to the Effective Date of the Agreement to the extent that such claims are not already subject to arbitration pursuant to a prior agreement between MERCHANT and American Express.

(iv) **Arbitrator's Authority.** The arbitrator will have the power and authority to award any relief that would have been available in court and that is authorized under this Agreement. The arbitrator has no power or authority to alter the Agreement or any of its separate provisions, including this arbitration agreement.

(v) **Split Proceedings for Equitable Relief.** MERCHANT, Participant, or American Express may seek equitable relief in aid of arbitration prior to arbitration on the merits if necessary to preserve the status quo pending completion of the arbitration. This section shall be enforced by any court of competent jurisdiction, and the party seeking enforcement is entitled to seek an award of reasonable attorneys' fees and costs to be paid by the party against whom enforcement is ordered.

(vi) **Small Claims.** American Express will not elect arbitration for any Claim MERCHANT properly files in a small claims court so long as the Claim seeks individual relief only and is pending only in that court.

(vii) **Governing Law/Arbitration Procedures/Entry of Judgment.** This Arbitration Agreement is made pursuant to a transaction involving interstate commerce and is governed by the FAA. The arbitrator shall apply New York law and applicable statutes of limitations and honor claims of privilege recognized by law. The arbitrator shall apply the rules of the arbitration organization selected, as applicable to matters relating to evidence and discovery, not federal or any state rules of procedure or evidence, provided that any party may ask the arbitrator to expand discovery by making a written request, to which the other parties will have 15 days to respond before the arbitrator rules on the request. If MERCHANT'S Claim is for \$10,000 or less, MERCHANT may choose whether the arbitration will be conducted solely based on documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing under the rules of the selected arbitration organization. At the timely request of a party, the arbitrator will provide a written opinion explaining his/her award. The arbitrator's decision will be final and binding, except for any rights of appeal provided by the FAA. Judgment on an award rendered by the arbitrator may be entered in any state or federal court in the federal judicial district where MERCHANT'S headquarters or MERCHANT'S assets are located.

(viii) **Confidentiality.** The arbitration proceeding and all information submitted, relating to or presented in connection with or during the proceeding, shall be deemed confidential information not to be disclosed to any person not a party to the arbitration. All communications, whether written or oral, made in the course of or in connection with the Claim and its resolution, by or on behalf of any party or by the arbitrator or a mediator, including any arbitration award or judgment related

thereto, are confidential and inadmissible for any purpose, including impeachment or estoppel, in any other litigation or proceeding; provided, however, that evidence shall not be rendered inadmissible or non-discoverable solely as a result of its use in the arbitration.

- (ix) **Costs of Arbitration Proceedings.** Merchant will be responsible for paying MERCHANT'S share of any arbitration fees (including filing, administrative, hearing or other fees), but only up to the amount of the filing fees MERCHANT would have incurred if MERCHANT had brought a claim in court. American Express will be responsible for any additional arbitration fees. At MERCHANT'S written request, American Express will consider in good faith making a temporary advance of MERCHANT'S share of any arbitration fees, or paying for the reasonable fees of an expert appointed by the arbitrator for good cause.
- (x) **Additional Arbitration Awards.** If the arbitrator rules in MERCHANT'S favor against American Express for an amount greater than any final settlement offer American Express made before arbitration, the arbitrator's award will include: (1) any money to which MERCHANT is entitled as determined by the arbitrator, but in no case less than \$5,000; and (2) any reasonable attorneys' fees, costs and expert and other witness fees incurred by MERCHANT.
- (xi) **Definitions.** For purposes of this section 13.4 only, (i) "American Express" includes its Affiliates, licensees, predecessors, successors, or assigns, any purchasers of any receivables, and all agents, directors, and representatives of any of the foregoing, (ii) "MERCHANT" includes Merchant's Affiliates, licensees, predecessors, successors, or assigns, any purchasers of any receivables and all agents, directors, and representatives of any of the foregoing, and (iii) "Claim" means any allegation of an entitlement to relief, whether damages, injunctive or any other form of relief, against American Express or against Participant or any other entity that American Express has the right to join, including, a transaction using an American Express product or network or regarding an American Express policy or procedure.

13.6 Treatment of the American Express Brand. Except as expressly permitted by Applicable Law, Merchant must not:

- (i) indicate or imply that it prefers, directly or indirectly, any Other Payment Products over the Card,
- (ii) try to dissuade Card Members from using the Card,
- (iii) criticize or mischaracterize the Card or any of American Express' services or programs,
- (iv) try to persuade or prompt Card Members to use any Other Payment Products or any other method of payment (e.g., payment by check),
- (v) impose any restrictions, conditions, disadvantages or fees when the Card is accepted that are not imposed equally on all Other Payment Products, except for electronic funds transfer, or cash and check,
- (vi) suggest or require Card Members to waive their right to dispute any Transaction,
- (vii) engage in activities that harm the American Express business or the American Express Brand (or both),
- (viii) promote any Other Payment Products (except Merchant's own private label card that Merchant issues for use solely at Merchant's Establishments) more actively than Merchant promote the Card, or
- (ix) convert the currency of the original sale Transaction to another currency when requesting Authorization or submitting Transactions (or both).

MERCHANT may offer discounts or in-kind incentives from MERCHANT'S regular prices for payments in cash, ACH funds transfer, check, debit card or credit/charge card, provided that (to the extent required by Applicable Law): (i) MERCHANT clearly and conspicuously disclose the terms of the discount or in-kind incentive to MERCHANT'S customers, (ii) the discount or in-kind incentive is offered to all of MERCHANT'S prospective customers, and (iii) the discount or in-kind incentive does not differentiate on the basis of the issuer or, except as expressly permitted by applicable state statute, payment card network (e.g., Visa, Mastercard, Discover, JCB, American Express). The offering of discounts or in-kind incentives in compliance with the terms of this paragraph will not constitute a violation of the provisions set forth above in this Section 13.5, "Treatment of the American Express Brand".

13.7 Treatment of the American Express Marks. Whenever payment methods are communicated to customers, or when customers ask what payments are accepted, MERCHANT must indicate MERCHANT'S acceptance of the Card and display our Marks (including any Card application forms provided to MERCHANT) as prominently and in the same manner as any Other Payment Products. MERCHANT must not use the American Express Marks in any way that injures or diminishes the goodwill associated with the Mark, nor (without prior written consent from Participant) indicate that American Express endorse MERCHANT'S goods or services. MERCHANT shall only use the American Express Marks as permitted by the Agreement and shall cease using our Marks upon termination of the Agreement. For additional guidelines on the use of the American Express Marks, contact Merchant's payment processing company.

13.8 Treatment of American Express Card Member Information. Any and all Card Member Information is confidential and the sole property of the Issuer, American Express or its Affiliates. Except as otherwise specified, MERCHANT must not disclose Card Member Information, nor use nor store it, other than to facilitate Transactions at MERCHANT'S Establishments in accordance with the Agreement.

13.9 Disclosure to American Express. MERCHANT agrees that Bank and its merchant service providers may disclose Transactions Data, Merchant Data, and other information about the MERCHANT to American Express. MERCHANT agrees that American Express may use such information to perform its responsibilities in connection with the Program, promote the American Express Network, perform analytics and create reports, and for any other lawful business purposes, including marketing purposes within the parameters of the Agreement. Additionally, any information obtained in the Merchant Payment Card Application may be used by American Express to screen and/or monitor MERCHANT in connection with American Express Card marketing and administrative purposes.

13.10 Marketing Opt-Out. In order to opt-out of American Express newsletters or messages about products, services and resources for different forms of communications, MERCHANT must inform Bank of its request to opt-out via the Merchant Payment Card Application, via telephone or by providing written notice as provided for in this Agreement.

13.11 Third Party Beneficiary. MERCHANT agrees that American Express is a third party beneficiary to this Agreement, but American Express does not have obligations to the Merchant, and American Express may enforce the terms of this Agreement against the MERCHANT.

WHEREAS, the FA provides as follows with respect to the Transfer (as defined below) of the FA, the Franchise, or any interest therein:

- a. Section 14.4 of the FA states that any Transfer (as defined below) of the Franchisee's interest in the FA or of Franchisee's rights or privileges under the FA must be approved by Franchisor in writing before such Transfer may be made or become effective;
- b. Section 14.5 of the FA sets forth certain terms and conditions that must be complied with, or that Franchisor may require be complied with, before any Transfer may be made or become effective; and

WHEREAS, Franchisee and/or each undersigned Franchisee Owner wish(es) to Transfer (as set forth in Section 14 of the FA) to Assignees the following interest (the "Transferred Interest"):

WHEREAS, Franchisor is willing to consent to the above Transfer of the Transferred Interest, and the Parties desire that the Transfer be made in accordance with the following terms and conditions;

NOW, THEREFORE, in consideration of the mutual agreements, covenants and undertakings herein contained and other valuable consideration, the adequacy of which is acknowledged by all Parties, the Parties hereby agree as follows:

1. Recitals. The above recitals are hereby incorporated into and made part of this Agreement.
2. Consent to Transfer. Franchisor hereby consents to the Transfer of the Transferred Interest as described in the Recitals. The following conditions apply to the transfer:
 - A. The Franchisor represents and warrants that the conditions for approval of Transfer as set forth in Section 14.5 of the FA, except to the extent such requirements have been otherwise addressed by the Parties, have been fully and completely satisfied to Franchisor's satisfaction.
 - B. Notwithstanding the foregoing, the Assignor and Assignee understand that there are three

options with respect to the amount of the transfer fee (“the Transfer Fee”) that must be paid before the Transfer will be approved, and before Franchisor will countersign this Agreement. The option selected shall affect the rights of the Assignee. The three options available are:

_____ i. Option 1: Payment of a Transfer Fee equal to 75% of the then-current franchise fee for a The Joint™ Franchise.

_____ ii. Option 2: Payment of a Transfer Fee of \$15,000.

C. The rights and obligations of the Assignee based on the amount of the Transfer Fee paid shall be as follows:

i. If Option 1 is selected, the Assignee shall assume the existing FA, and the Assignee shall have the rights of the Assignor for the remaining term of FA. For example, if the initial term of the FA commenced on January 1, 2010, the FA would expire on December 31, 2019, and the terms of renewal under the original FA would apply.

ii. If Option 2 is selected, the Assignee would be required to execute the Franchisor’s current form of Franchise Agreement, but the remaining term under the new franchise agreement (“New FA”) would be the same as the term of the original FA. For example, if the initial term of the original FA commenced on January 1, 2010, the New FA would expire on December 31, 2019, but the terms of renewal would be governed by the New FA.

iii. If Option 3 is selected, the Assignee would be required to execute a New FA, and the term of the New FA would be 10 years from the effective date of the New FA.

3. Release. Franchisee and/or each undersigned Franchisee Owner, and their present or former affiliated entities, officers, directors, shareholders, partners, members, employees, contractors, agents, predecessors, successors, assigns, attorneys, representatives, heirs, personal representatives and any spouses of each, as well as all other persons, firms, corporations, limited liability companies, associations or partnerships or other affiliated entities claiming by or through them (the “Releasing Entities”), hereby fully release Franchisor and its present or former affiliated entities, and their respective officers, directors, shareholders, partners, members, employees, contractors, agents, predecessors, successors, assigns, attorneys, representatives, heirs, personal representatives and any spouses of each, as well as all other persons, firms, corporations, limited liability companies, associations or partnerships or other affiliated entities claiming by or through it (the “Released Entities”) from any and all liabilities, claims, demands, debts, damages, obligations and causes of action of any nature or kind, whether presently known or unknown, which the Releasing Entities may have against the Released Entities, whether arising prior to or after the date this Agreement is executed, and which are related to or arise out of the Transferred Interest, License # _____, or the FA.

4. Non-Competition; Non-Solicitation; Confidentiality.

A. Definitions. Wherever used in this Section 5, the term “Franchisor” shall refer to Franchisor and any affiliate, subsidiary, or any successor or assign of Franchisor. Wherever used in this Section, the phrase “directly or indirectly” includes, but is not limited to, acting, either personally or as principal, owner, shareholder, employee, independent contractor, agent, manager, partner, joint venturer, consultant, or in any other capacity or by means of any corporate or other device, or acting through the spouse, children, parents, brothers, sisters, or any other relatives, friends, trustees, agents, or associates of any of the undersigned parties. Wherever used in this Section, the term “employees” shall refer to employees of Franchisor; any affiliate, subsidiary, or any successor or assign of

{WS097116v5 }

Franchisor; and any franchisee of Franchisor existing as of the date of this Agreement and, to the extent allowable by law, any other person that has been an employee (as defined above) in the twelve (12) months preceding the date of this Agreement. Whenever used in this Section, the term "Confidential Information" shall be defined as provided in Section 9.1 of the FA, which provisions are hereby incorporated by reference.

B. Consideration. The undersigned Parties acknowledge that consideration for this Agreement has been provided and is adequate. The consideration includes, but is not limited to, the granting of the Franchise to Franchisee and/or each undersigned Owner, and Franchisor's consent to the Transfer of the Transferred Interest as provided in this Agreement.

C. Need for this Agreement. The undersigned Parties recognize that in the highly competitive business in which Franchisor and its affiliates and franchisees are engaged, preservation of Confidential Information is crucial and personal contact is important in securing new franchisees and employees, and retaining the goodwill of present franchisees, employees, customers, and suppliers. Personal contact is a valuable asset and is an integral part of protecting the business of Franchisor. Franchisee and/or each undersigned Owner recognize that it has had substantial contact with Franchisor's employees, customers, and suppliers and Confidential Information. For that reason, Franchisee and/or each undersigned Owner may be in a position to take for his or her benefit the Confidential Information and goodwill Franchisor has with its employees and Confidential Information now or in the future. If Franchisee and/or each undersigned Owner, after the Transfer of the Transferred Interest as provided in this Agreement, takes advantage of such Confidential Information or goodwill for Franchisee's and/or each undersigned Owner's own benefit, then the competitive advantage that Franchisor has created through its efforts and investment will be irreparably harmed.

D. Non-Competition with Franchisor. Franchisee and/or each undersigned Owner of Franchisee agrees that for twenty-four (24) months following the date of this Agreement, neither Franchisee, nor any Owner, nor any member of Franchisee's or an Owner's immediate family will have any direct or indirect interest (e.g., through a spouse) as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, representative or agent, or in any other capacity, in any Competitive Business located or operating: (a) within twenty-five (25) miles of the Franchisee's current location(s); or (b) within twenty-five (25) miles of any The Joint Corp. franchise in operation or development on the date of this Agreement. The term "Competitive Business" means any business which derives more than Ten Thousand and No/100 Dollars (\$10,000.00) of revenue per year from the performance of chiropractic or related services, or any business which grants franchises or licenses to others to operate such a business, other than a The Joint Corp. franchise operated under a franchise agreement with us.

E. Intentionally Omitted.

F. Non-Solicitation of Franchisor's Customers. Franchisee and/or each undersigned Owner agrees that for twelve (12) months after the date of this Agreement, it will not directly or indirectly: (a) induce, canvas, solicit, or request or advise any customers of Franchisor, the Franchise, or any The Joint Corp. franchise to become customers of any person, firm, or business that competes with any business of Franchisor, the Franchise, or any The Joint Corp. franchise; or (b) induce, request or advise any customer of Franchisor, the Franchise, or any The Joint Corp. franchise to terminate or decrease such customer's relationship with Franchisor, the Franchise, or any The Joint Corp. franchise; or (c) disclose to any other person, firm, partnership, corporation or other entity, the names, addresses or telephone numbers of any of the customers of Franchisor, the Franchise, or any The Joint Corp. franchise, except as required by law.

G. Confidential Information. Franchisee and/or each undersigned Owner agrees at all times following the date of this Agreement, to hold the Confidential Information in the strictest confidence and not to use such Confidential Information for Franchisee's and/or each undersigned Owner's personal benefit, or the benefit of any other person or entity other than Franchisor, or disclose it directly or indirectly to any person or entity without Franchisor's express authorization or written consent. Franchisee and each undersigned Owner fully understand the need to protect the Confidential Information and all other confidential materials and agree to use all reasonable care to prevent unauthorized persons from obtaining access to Confidential Information at any time.

5. Subordination. Franchisee and/or each undersigned Owner and Assignee each agrees that all of Assignee's obligations to make any installment payments to or for the benefit of Franchisee and/or an undersigned Owner in connection with the Transfer of the Transferred Interest as provided under this Agreement shall be subordinate to Assignee's obligations under the FA or any New FA (as defined below) to pay to us or our affiliates any fees and payments provided for therein.

[PICK ONE OF OPTIONS BELOW BASED ON WHAT THEY SELECT IN SECTION 2.B.]

[6. No New FA. Assignee agrees that in connection with the Transfer of the Transferred Interest to it, Assignee shall be bound by all of the terms and conditions of the existing FA for License #_____ and that a new FA will not be executed by the Assignee. As such, any and all deadlines in the FA shall remain unchanged. Assignee will also be bound by the terms of any and all addenda to the FA, which are attached as Exhibit A hereto. Each principal owner of the Assignee ("Assignee Owner") shall execute the Guaranty and Assumption of Obligations in the form attached as Exhibit B hereto. The executed Guaranty and Assumption of Obligations shall be submitted to Franchisor with an executed copy of this Agreement.]

OR

[6. New FA. Assignee agrees that in connection with the Transfer of the Transferred Interest to it, Assignee shall sign a New FA along with all applicable exhibits, including but not limited the Guaranty and Assumption of Obligations.]

7. Guaranty of Obligations. In consideration of, and as an inducement to, the execution of this Agreement by Franchisor, each of the undersigned Assignee Owners hereby personally and unconditionally guarantees to Franchisor and its successors and assigns that the Assignee Owners will punctually pay and perform each and every undertaking, agreement and covenant of Assignees set forth in the FA; and agrees to be personally bound by, and personally liable for the breach of, each and every provision in the FA, including without limitation, monetary obligations, the obligations to take or refrain from taking certain actions and arbitration of disputes. Each of the undersigned Assignee Owners waives (1) protest and notice of default, demand for payment or nonperformance of any obligations guaranteed by this Section 8; (2) any right the Assignee Owners may have to require that an action be brought against Franchisor or any other person as a condition of the Assignee Owners' liability; (3) all right to payment or reimbursement from, or subrogation against, Franchisor which Assignee Owners may have arising out of this guaranty of Assignee; and (4) any and all other notices and legal or equitable defenses to which Assignee Owners may be entitled in its capacity as guarantor. Each of the undersigned Assignee Owners consents and agrees that (1) its direct and immediate liability under this Section shall be joint and several; (2) it will make any payment or render any performance required under the FA on demand if Assignee fails or refuses to do so when required; (3) its liability will not be contingent or conditioned on our pursuit of any remedies against Assignees or any other person; (4) its liability will not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which Franchisor may from time to time grant to Assignee or to any other person, including without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims; and (5) the guaranty under this Section will continue and be irrevocable during the term of the FA and afterward for so long as Assignee has any obligations under the FA. If Franchisor is required to enforce the guaranty provided for under this Section in a judicial or arbitration proceeding, and prevail in such proceeding, then each of the undersigned Assignee Owners agrees that Franchisor will be entitled to reimbursement of its costs and expenses, including, but not limited to, reasonable accountants', attorneys', attorneys' assistants', arbitrators' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, whether incurred prior to, in preparation for or in contemplation of the filing of any such proceeding. If Franchisor is required to engage legal counsel in connection with any failure by any undersigned Assignee Owner to comply with the guaranty provisions of this Section, then the Assignee Owners shall reimburse Franchisor for any of the above-listed costs and expenses incurred by Franchisor.

8. Breach. The Parties hereby agree that each of the matters stated herein are important, material, and confidential, and substantially affect the effective and successful conduct of the business of Franchisor and its reputation, and goodwill. Any breach of the terms of this Agreement is a material breach of this Agreement, which will result in substantial and irreparable injury to Franchisor, for which the breaching Party may be preliminarily and permanently enjoined and for which the breaching Party shall also pay to Franchisor all damages (including, but not limited to, compensatory, incidental, consequential and lost profits damages) which arise from the breach, together with interest, costs and Franchisor's reasonable attorneys' fees (through final unappealable judgment) to enforce this Agreement. This Agreement does not limit any other remedies available at law or in equity available to Franchisor.

9. No Waiver. Franchisor may waive a provision of this Agreement only in writing executed by an authorized representative. No Party shall rely upon any oral representations as to a waiver of any provision of this Agreement. No waiver by a Party of a breach by another Party of any provision of this Agreement shall operate or be construed as a waiver of any subsequent breach by the breaching Party.

10. Assignment. This Agreement is fully transferable by Franchisor. Franchisee and/or each undersigned Franchisee Owner, Assignee and Assignee Owner shall not assign, convey, sell, delegate, or otherwise transfer this Agreement or any right or duty hereunder without obtaining Franchisor's prior written consent.

11. Binding Agreement. This Agreement shall be binding upon the Parties' heirs and legal representatives. This Agreement shall be enforceable by the successors and assigns of Franchisor, any person or entity which purchases substantially all of the assets of Franchisor, and any subsidiary, affiliate or operation division of Franchisor.

12. Headings. The paragraph headings of this Agreement are not a substantive part of this Agreement and shall not limit or restrict this Agreement in any way.

13. Choice of Law and Venue. This Agreement shall be construed in accordance with and governed for all purposes by the laws of Arizona. If any action or proceeding shall be instituted by any Party, or any representative thereof, all Parties and their representatives hereby consent and will submit to the jurisdiction of, and agree that venue is proper in Maricopa County, State of Arizona.

14. Severance and Reformation. In case any one or more of the provisions or restrictions contained in this Agreement, or any part thereof, shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions or restrictions of this Agreement. In case any one or more of the provisions or restrictions contained in this Agreement shall, for any reason, be held to be unreasonable, improper, overbroad or unenforceable in any manner, it is agreed that they are divisible and separable and should be valid and enforceable to the extent allowed by law. The intention of the Parties is that Franchisor shall be given the broadest protection allowed by law with respect to this Agreement.

15. Entire Agreement. No change, addition, deletion or amendment of this Agreement shall be valid or binding upon any Party unless in writing and signed by the Parties. Insofar as matters within the scope of this Agreement are concerned, this Agreement is the entire Agreement between the Parties and replaces and supersedes all prior agreements and understandings pertaining to the matters addressed in this Agreement. There are no oral or other agreements or understandings between the Parties affecting this Agreement.

16. Counterparts. This Agreement may be executed in any number of counterparts, all of which shall be deemed to constitute one and the same instrument, and each counterpart shall be deemed an original.

17. Opportunity to Seek Independent Advice. The undersigned Parties recognize that this Agreement is an important document that affects their legal rights. For this reason, the Parties may wish to seek independent legal advice before accepting the terms stated herein. The undersigned Parties acknowledge that they have had an opportunity to seek such independent legal advice. They acknowledge that they have read and understand the {WS097116v5 }

provisions contained herein and acknowledge receipt of a copy of this Agreement.

If we grant final approval to your completed application for a *The Joint Chiropractic* franchise and you later enter into a Franchise Agreement with us, then we will credit your entire IAF toward any up-front fees due from you to us under that Franchise Agreement. Otherwise, the IAF is nonrefundable. The IAF is fully earned (except only as set forth in Section 3(b) below) as a result of the time, energy and expertise devoted to you and which would otherwise be devoted to applicants or current franchisees seeking to purchase one of our *The Joint Chiropractic* franchises.

2. You are not permitted to sign this LOI or pay to us the IAF until after fourteen (14) calendar days from the date on which you received our Franchise Disclosure Document (“FDD”). After you sign this LOI, you may deliver to us (or to our representative): (a) the \$10,000 IAF check made payable to “The Joint Chiropractic”, and b) your signed and dated copy of this LOI.

3. Upon our counter-signature of this LOI and acceptance of your IAF, we will process your completed Franchise Application Package. We will promptly thereafter notify you in writing as to which of the following applies:

- a. Your application is rejected upon initial review. If this occurs, we will promptly refund to you your entire IAF.

- b. We will likewise refund to you your entire IAF if, after we notify you that your application is preliminarily approved, we inform you that your application did not receive final approval. However, if your failure to receive a business loan from a prospective lender that you identified then in order for you to receive a refund of your entire IAF under this provision, the following must have occurred. Namely you: (i) notified us if your written loan denial(s); and (ii) applied to, and received written denials from a maximum of three (3) prospective lenders that are identified for you by us.

4. Within one hundred and eighty (180) days after the executed date of this Agreement, you must:

- a. Locate, submit and receive our acceptance of, and secure (e.g., sign a lease) a suitable site at which to operate a *The Joint Chiropractic* location (a “Clinic”); and

- b. Sign our then-current form of the Franchise Agreement and pay the then current initial fees under the Franchise Agreement (provided that you must sign that agreement and pay the required fees thereunder no later than fourteen (14) calendar days after you sign a lease agreement for a *The Joint Chiropractic* Clinic according to the paragraph above).

If you do not sign a lease agreement for a *The Joint Chiropractic* franchise within one hundred and eighty (180) days after you sign this Agreement, you must provide us with a written request to extend your site selection due date. The request must state: (i) that you anticipate a delay; (ii) the reasons you believe are causing or have caused the delay; (iii) the efforts that you are making to proceed with securing the site for the franchise; and (iv) a future date by which you expect to sign a lease agreement for the franchise. In considering the request, we will not unreasonably withhold or delay our consent to an extension period that

you have been diligently working in good faith to secure a site for the franchise.

5. You must obtain our written acceptance for a *The Joint Chiropractic* Clinic's proposed site before signing any lease, sublease, or other document for the site. We will not reasonably withhold our approval of a site that meets our criteria for demographic characteristics; traffic patterns; parking; character of neighborhoods; competition from, proximity to, and nature of other businesses; other commercial characteristics; and the proposed site's size, appearance, and other physical characteristics. We will review your proposed site location for the franchise after we receive the complete site report and other materials we request.
6. If we recommend a proposed site for the Clinic or give you any information regarding the proposed site, you acknowledge that this is not a representation or warranty of any kind, expressed or implied, of the proposed site's suitability for a *The Joint Chiropractic* Clinic or for any other purpose. Our recommendation indicates only that we believe that the site meets our then acceptable criteria. We are not responsible if a site we recommend does not meet your expectations.
7. We have the right to review and accept the terms of any lease, sublease, for the site before you sign it. Our review and acceptance of the lease or sublease is not a guarantee or warranty, expressed or implied, of the success or profitability of a *The Joint Chiropractic* Clinic operated at the site. Our review and acceptance indicates only that we believe that the site and lease terms meet our then acceptable criteria and includes the necessary lease provisions we require.
8. Upon our acceptance of a proposed site, you will execute the Franchise Agreement in the form delivered to you.
9. This LOI does not create nor promise to you a *The Joint Chiropractic* franchise. You would only acquire such franchise rights if and when we and you were to enter into a Franchise Agreement.
10. If we approve your application, we may possibly share with you certain of our proprietary and confidential training materials prior to your entering into a franchise agreement with us. If this occurs, you understand and hereby agree that if you do not for whatever reason enter into a franchise agreement with us, you will not: (i) use these training materials for any non-*The Joint Chiropractic* purpose, and (ii) disclose those proprietary and confidential training materials to anyone other than your co-applicants (if any), your employees that would work at your franchised Clinic (if any), and your professional advisors (e.g. attorney, accountant).
11. Your rights under this LOI are personal to you and may not be sold, transferred, assigned pledged or encumbered to any third party.
12. We may terminate this LOI at any time prior to the LOI "Conclusion Date" by providing written notice to you: (a) if we learn that you have been made false, misleading, inaccurate or incomplete statements to us or to any of our representatives in the course of any communication or application submitted to us; or (b) have received or relied upon any representations by us or by any of our authorized representatives that are contrary to the terms and conditions of this LOI or of the FDD.
13. By your execution of this LOI, you promise to us that you: (a) had full opportunity to review this LOI, the Initial Application Fee and the FDD with your professional advisors before signing; (b) are signing this LOI after having made such independent investigation of us and our operations as you desire; and (c) have not received nor relied upon any representations by us or by any of our authorized representatives that are contrary to the terms and conditions of this LOI or of the FDD.
14. This Agreement is neither an offer by us nor a contract for the acquisition of a franchise, license, or other rights. Only the execution of the Franchise Agreement by you and us will bind you and us to a franchise relationship.

15. You shall indemnify and hold harmless The Joint, its subsidiaries, affiliates, predecessors, successors and assigns, and each of their respective officers, directors and employees, harmless from and against any and all loss, liability, claims, demands or suits (including, without limitation, reasonable attorneys' fees and expenses) which arise out of: (i) the breach of this LOI or any of the representations, warranties or agreements made by you in this LOI (including, without limitation, damages caused by any violations by law by you); or (ii) the alleged negligence or intentional misconduct of you, your employees, agents, affiliates, assigns, independent contractors, officers, directors or principals.
16. This LOI and the rights and obligations of the parties hereto shall be governed by and construed in accordance with laws of the State of Arizona, without giving effect to the principles thereof relating to the conflicts of laws.
17. All notices, requests, consents, approvals, agreements, authorizations, waivers, and other communications required or permitted under this LOI shall be in writing and shall be deemed given when sent by email or delivered by hand to the addresses of the parties, or one or more of the active and customary email addresses used by, and exchanged between, the parties).
18. Notwithstanding any limited rights granted in this LOI, The Joint shall retain its sole and absolute property and ownership rights to all forms of proprietary rights, titles, interests, and ownership relating to patents, copyrights, trademarks, trade dresses, trade secrets, knowhow, mask works, droit moral (moral rights), and all similar rights of every type that may exist now or in the future in any jurisdiction, including without limitation all applications and registrations therefore.
19. Each party shall comply in all respects with all applicable legal requirements governing the duties, obligations, and business practices of that party and shall obtain any permits or licenses necessary for its operations. Neither party shall take any action in violation of any applicable legal requirement that could result in liability being imposed on the other party.
20. You shall have no right to use The Joint's name, logos or trademarks or otherwise promote or publicize any relationship with The Joint or any benefits The Joint has or may derive from this Agreement, without obtaining prior express written consent from The Joint's legal department. Any provisions that contradict or conflict with the terms of this section shall be wholly void and unenforceable.
21. This LOI may be executed in any number of counterparts, each of which will be deemed an original, but all of which taken together shall constitute one agreement between the Parties. If any provision of this LOI is held by a court of competent jurisdiction to be contrary to applicable law, then the remaining provisions of this LOI shall remain in full force and effect. The captions used herein are inserted only as a matter of convenience and for reference and in no way define, limit, or describe the scope or the intent of any section or paragraph hereof. This LOI represents the entire agreement between the parties with respect to its subject matter hereto, and there are no other representations, understandings or agreements between the parties relative to such subject matter. No amendment to, or change, waiver or discharge of, any provision of this LOI shall be valid unless in writing and signed by an authorized representative of each of the undersigned parties.

(b) For purposes of this Agreement, "Assets" shall mean:

Property”) used or held for use by Seller in the Subject Franchise, which is more particularly listed and described in **Schedule 1(b)(ii)** attached hereto and made a part hereof;

(iii) all of Seller’s interest in any membership agreements, prepaid services packages and other agreements or arrangements Seller has made with patients of the Subject Franchise, together with any deposits or prepayments (for packages or otherwise) made by any patients covered by such agreements or arrangements to the extent related to services to be performed after Closing (hereinafter, the “Prepayment Balance”);

(iv) the trademarks, trade names, copyrights and all other intellectual property rights of Seller associated with the Subject Franchise and all of Seller’s goodwill attributable to the Subject Franchise;

(v) all telephone numbers and domain names associated with the Subject Franchise;

(c) **Termination of Franchise Agreement.** As of the Effective Date, the Parties hereby agree that effective as of the Effective Date, the Franchise Agreement, along with any addendums, amendments, exhibits, security agreements related to the Franchise Agreement, and all of the Parties’ rights and obligations thereunder, shall be terminated and of no further force and effect subject to the following: All obligations imposed upon Franchisee under this Termination and Release, and the Franchise Agreement that survive the termination, expiration or transfer of the Franchise Agreement, including but not limited to the “Post-Termination Obligations” and the “Survival Provisions” (without limitation Section 16 of the Franchise Agreement), shall survive and Franchisee agrees to comply with all such Post-Termination Obligations and Survival Provisions as applicable to each in accordance with the terms of the Franchise Agreement notwithstanding its termination. Notwithstanding the foregoing, the Post-Termination Obligations and Survival Provisions related to competition or covenants not-to-compete, shall not be enforced by Franchisor (excepting any usage of Trade Secrets, Confidential Information or the Marks as defined in the Franchise Agreement).

2. Excluded Assets

Notwithstanding anything to the contrary contained in this Agreement, it is expressly acknowledged by TJC that Seller will not be conveying to TJC (a) any cash, cash equivalents, working capital, or accounts

receivable (other than accounts receivable under membership agreements or other arrangements described in Section 1(b)(iii) above for periods after Closing), (b) any of the proceeds of the transaction described in this Agreement, and (c) the items listed on the attached Schedule 2 (collectively, the “Excluded Assets”).

Except as expressly provided in this Agreement, TJC shall not assume any debts, liabilities or obligations of Seller, Lessee or their shareholders, members, affiliates, officers, employees or agents of any nature, whether known or unknown, fixed or contingent, including, but not limited to, debts, liabilities or obligations with regard or in any way relating to any contracts (including, without limitation, any of the following: (i) employment or management agreements; (ii) stock transfer agreements; (iii) medical direction agreements; or (iv) any other documents related to the business, leases for real or personal property, trade payables, tax liabilities, disclosure obligations, product liabilities, liabilities to any regulatory authorities, liabilities relating to any claims, litigation or judgments, any pension, profit-sharing or other retirement plans, any medical, dental, hospitalization, life, disability or other benefit plans, any stock ownership, stock purchase, deferred compensation, performance share, bonus or other incentive plans, or any other similar plans, agreements, arrangements or understandings which Seller, Lessee, or any of their affiliates, maintain, sponsor or are required to make contributions to, in which any employee of Seller or Lessee participate or under which any such employee is entitled, by reason of such employment, to any benefits (collectively the (“Excluded Liabilities”). For the avoidance of doubt, any liability under any lease for real property for the Subject Franchise, whether or not assumed by TJC, for the period before Closing, shall be an Excluded Liability. (b) TJC will pay to Seller the amount of _____ in _____ by wire or business check (unless a promissory note applies) one (1) day of the Closing Date, less the following items: (i) any amounts to be paid to third parties in connection with the satisfaction of liens or security interests affecting the Assets; (ii) any amounts required to be paid to the landlord in connection with the assignment of the Lease; (iii) that portion of the Prepayment Balance that was sold and collected by Seller after _____ and is still outstanding; and (iv) any outstanding or accrued royalties, advertising contributions and other fees under the Franchise Agreement through the “Closing Date” (as hereinafter defined in Section 5) (collectively, the “FA Fees”);

The Parties shall cooperate to determine the amounts of the Adjustments, and shall use commercially reasonable efforts to determine amounts within ninety (90) days after Closing Date and shall reimburse the other party as necessary and as detailed below. The agreed amount of the Adjustments shall be documented by a written calculation signed by the Parties hereto (the “Adjustment Agreement”). In the event that the Parties agree that the Adjustments in favor of Seller are greater than the Adjustments in favor of TJC, TJC shall remit the net amount of Adjustments to Seller along with the remittance of the Purchase Price Balance on the Purchase Price Balance Due Date. In the event that the Parties agree that the Adjustments in favor of TJC are greater than the Adjustments in favor of Seller, the Purchase Price Balance shall be reduced by the net amount of the Adjustments. Any Adjustments received by TJC following the ninety (90)-day period shall be remitted to the Seller by written notice within sixty (60) days of TJC’s receipt, upon which Seller shall remit to TJC the amount of those Adjustments within thirty (30) days of such written notice.

(k) Pre-Closing Operations. Until such time as the Subject Franchise has been transferred and assigned to TJC, Seller and the Lessee shall continue to operate the Subject Franchise in a commercially reasonable manner (including without limitation, engaging in the sale of any products or packages at discounted amounts, or other revenue “stuffing” activities), consistent with the respective franchise agreement, and neither the Seller nor Lessee shall take any actions or operate the Subject Franchise in such a way as to cause or precipitate any diminution in their prospective, post-closing sales or any material shift in their prospective, post-closing revenue streams.

(l) Due Diligence Request. Seller and Lessee agree and acknowledge that TJC delivered the Due Diligence Request attached hereto at Exhibit E. Seller further warrants, represents and covenants that it has disclosed all material disclosures, documentation and information responsive to the Due Diligence Request.

(b) Authorization. TJC is not a party to, subject to or bound by any agreement, judgment, order, writ, injunction, or decree of any court or governmental body that prevents or impairs the carrying out of this Agreement. The execution, delivery and performance of this Agreement and all other documents, instruments and agreements contemplated hereby have been duly authorized by TJC's Board of Directors. All other actions (including all action required by state law and by the organizational documents of TJC) necessary to authorize the execution, delivery and performance by TJC of this Agreement, the Note, the bill of sale transferring the Assets, the assignments in connection herewith and the other documents, instruments and agreements necessary or appropriate to carry out the transactions herein contemplated, have been taken by TJC. Upon the execution of this Agreement and the other documents and instruments contemplated hereby by TJC, this Agreement and such other documents and instruments will be the valid and legally binding obligations of TJC, enforceable against it in accordance with their respective terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights generally, and subject, as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity).

(c) No Consent or Approval Required. No authorization, consent, approval or other order of, declaration to or filing with any governmental body or authority, including, without limitation, with respect to environmental matters, is required for the consummation by TJC of the transactions contemplated by this Agreement.

(b) Conduct of Business. Pending Closing, Seller and the Lessee shall:

(i) conduct the business of the Subject Franchise in the ordinary course and use commercially reasonable efforts, in consultation with (but without being bound by) TJC's transition management team personnel, to maintain and grow the business of the Subject Franchise and to preserve their goodwill and advantageous relationships with patients, employees, suppliers and other persons having business dealings with the Subject Franchise. In clarification of the foregoing, Seller and Lessee hereby acknowledge and agree that they shall not sell Heavily Discounted Prepaid Packages from the Subject Franchise from April 20, 2020 until the Closing Date. "Heavily

Discounted Prepaid Packages” shall mean prepaid packages that are priced below the average pricing Seller and Lessee sold prepaid packages at the Subject Franchise during the preceding two years; and

(ii) not take any affirmative action that results in the occurrence of an event of default under any contract or agreement to which Seller is a party and take any reasonable action within Seller’s control that would avoid the occurrence of such default.

(c) Access to Information. Pending Closing, Seller and the Lessee shall:

(i) afford TJC and its representatives (including its lawyers, accountants, consultants and the like) reasonable access during normal business hours, but without unreasonable interference with operations, to the Seller’s and Lessee’s books and records and other documents relating to the Subject Franchise;

(ii) respond to reasonable inquiries by TJC and its representatives regarding Seller and Lessee;

(iii) cause Seller and Lessee to furnish TJC and its representatives with all information and copies of all documents concerning Seller that TJC and its representatives reasonably request;

(v) otherwise cooperate with TJC in its due diligence activities.

(d) Notice of Developments. Pending Closing, Seller and the Lessee shall promptly give notice to TJC of:

(i) any fact or circumstance of which Seller or Lessee becomes aware that causes or constitutes a material inaccuracy in or material breach of any of Seller’s or Lessee’s representations and warranties in Section 6 as of the date of this Agreement;

(ii) any fact or circumstance of which Seller or Lessee becomes aware that would cause or constitute a material inaccuracy in or material breach of any of Seller’s or Lessee’s representations and warranties in Section 6 if those representations and warranties were made on and as of the date of occurrence or discovery of the fact or circumstance; or

(iii) the occurrence of any event of which Seller or Lessee becomes aware that reasonably could be expected to make satisfaction of any TJC Closing Condition impossible or unlikely.

(e) Supplements to Schedules. Pending Closing, Seller and Lessee may supplement or correct the Schedules to this Agreement as necessary to insure their completeness and accuracy. No supplement or correction to any Schedule or Schedules to this Agreement shall be effective, however, to cure any breach or inaccuracy in any of the representations and warranties; but if TJC does not exercise its right to terminate this Agreement under Section 12 and closes the transaction, the supplement or correction shall constitute

{WS097116v5
}

an amendment of the Schedule or Schedules to which it relates for all purposes of this Agreement.

9. TJC Closing Conditions

Except as provided herein, TJC's obligation to close the transaction is subject to the satisfaction of each of the following conditions (the "TJC Closing Conditions") at or prior to Closing:

(a) TJC's representations and warranties in Section 7 were true and correct as of the date of this Agreement and are true and correct on the Closing Date as if made at and as of Closing;

Seller and Lessee may waive any condition specified in this Section 10 by a written waiver delivered to TJC at any time prior to or at Closing.

11. Non-Competition; Non-Solicitation; Confidentiality

(a) Definitions. Wherever used in this Section 11, the term "TJC" shall refer to TJC and any affiliate, subsidiary, or any successor or assign of TJC. Wherever used in this Section, the phrase "directly or indirectly" includes, but is not limited to, acting, either personally or as principal, owner, shareholder, member, employee, independent contractor, agent, manager, partner, joint venturer, consultant, or in any other capacity or by means of any corporate or other device, or acting through the spouse, children, parents, brothers, sisters, or any other relatives, friends, invitees, agents, or associates of any of the undersigned parties. Wherever used in this Section, the term "employees" shall refer to employees of TJC; any affiliate, subsidiary, or any successor or assign of TJC; and any franchisee of TJC existing as of the date of this Agreement and, to the extent allowable by law, any other person that has been an employee (as defined above) in the twelve (12) months preceding the date of this Agreement. Whenever used in this Section, the term "Confidential Information" shall be defined as provided in Section 9 of Seller's franchise agreement

{WS097116v5
}

with TJC, which provisions are hereby incorporated by reference and shall expressly further include any audio or video recordings possessed by Seller and/or Lessee of conversations between TJC's employees and both Seller and/or Lessee, if applicable. "Confidential Information" shall also include the terms of this Agreement, and any related communications or negotiations thereto; unless the disclosure of such information shall be required of the Parties for the purposes of tax or legal disclosures.

(b) Consideration. The undersigned parties acknowledge that consideration for this Agreement has been provided and is adequate.

(c) Need for this Agreement. The undersigned parties recognize that in the highly competitive business in which TJC and its affiliates and franchisees are engaged, preservation of Confidential Information is crucial and personal contact is important in securing new franchisees and employees, and retaining the goodwill of present franchisees, employees, customers, and suppliers. Personal contact is a valuable asset and is an integral part of protecting the business of TJC. Seller and the Lessee recognize that each of them has had substantial contact with TJC's employees, customers, consultants, vendors and suppliers and Confidential Information. For that reason, Seller and the Lessee may be in a position to take for his, her or its benefit the goodwill TJC has with its employees and customers (patients) and Confidential Information now or in the future. If Seller or the Lessee at any time after Closing takes advantage of such Confidential Information or goodwill for their own benefit, then the competitive advantage that TJC has created through its efforts and investment will be irreparably harmed.

(d) Non-Competition with TJC. Seller and Lessee agree that, for thirty six (36) months following the date of Closing, neither Seller nor the Lessee, will have any direct or indirect interest (e.g., through a spouse, common law or otherwise) as a disclosed or beneficial owner, investor, partner, director, officer, employee, consultant, representative or agent, or in any other capacity, in any Chiropractic Business located or operating within twenty-five (25) miles of any chiropractic clinic currently or within such thirty-six (36) month period owned by TJC or operated by a TJC third party independent franchisee. The term "Chiropractic Business" means any business which derives more than Ten Thousand Dollars (\$10,000.00) of revenue per year from the performance of chiropractic or related services, or any business which grants franchises or licenses to others to operate such a business, with the sole exception of (i) a regional developer license granted by TJC or (ii) a franchise operated under a franchise agreement with TJC.

(e) Non-Solicitation of TJC's Employees. Seller and Lessee agree that for twelve (12) months after the date of this Agreement, it, he or she will not directly or indirectly: (a) induce, canvas, solicit, or request or advise any employees, suppliers, vendors or consultants of TJC, or any TJC franchisee or affiliated professional corporation to accept employment with any person, firm, or business that competes with any business of TJC or any TJC franchisee or affiliated professional corporation; or (b) induce, request, or advise any employee of TJC or TJC franchisee or affiliated professional corporation to terminate such employee's relationship with TJC or any TJC franchisee or affiliated professional corporation; or (c) disclose to any other person, firm, partnership, corporation or other entity, the names, addresses or telephone numbers of any of the employees of TJC or any TJC franchisee or affiliated professional corporation, except as required by law.

(f) Non-solicitation of TJC's Customers (Patients). Seller and Lessee each agrees that for thirty six (36) months after the date of this Agreement, it, he or she will not directly or indirectly: (a) induce, canvas, solicit, or request or advise any customers of TJC or any TJC franchisee or affiliated

professional corporation to become customers of any person, firm, or business that competes with any business of TJC or any TJC franchisee or affiliated professional corporation; or (b) induce, request or advise any customer of TJC or any TJC franchisee or affiliated professional corporation to terminate or decrease such customer's relationship with TJC or any TJC franchisee or affiliated professional corporation; or (c) disclose to any other person, firm, partnership, corporation or other entity, the names, addresses or telephone numbers of any of the customers of TJC or any TJC franchisee or affiliated professional corporation, except as required by law.

(g) Confidential Information. Seller and Lessee agree at all times following the date of this Agreement, to hold the Confidential Information in the strictest confidence and not to use such Confidential Information for Seller's or Lessee's personal benefit, or the benefit of any other person or entity other than TJC, or disclose it directly or indirectly to any person or entity without TJC's express authorization or written consent. Seller and the Lessee fully understand the need to protect the Confidential Information and all other confidential materials and agree to use all reasonable care to prevent unauthorized persons from obtaining access to Confidential Information at any time.

(h) Tolling. To ensure that TJC will receive the full benefit of this Section 11, the provisions of Subsections (d), (e) and (f) of this Section 11 will shall be extended by a length of time equal to (i) the period during which Seller or Lessee is in violation of Seller or the Lessee's agreements under such Subsections, and (ii) without duplication, any period during which litigation that TJC institutes to enforce the Seller or Lessee's agreements under such Subsections is pending (to the extent that Seller or Lessee is in violation of Seller's or Lessee's agreements under such Subsections during this period).

(i) Non-Disparagement: Each of the Parties expressly covenant and agree not to make any false representations, or to defame, disparage, discredit or deprecate any of the other Parties or otherwise communicate with any person or entity in a manner intending to damage any of the other Parties, the business conducted by any of the other Parties, or the reputation of any of the other Parties. For purposes of clarity, the obligations in this Section apply to all methods of communications, including the making of statements or representations through direct verbal or written communication as well as the making of statements or representations on the Internet, through social media sites or through any other verbal, digital or electronic method of communication. The obligations in this Section also prohibit the Parties from indirectly violating this Section by influencing or encouraging third parties to engage in activities that would constitute a violation of this Section if conducted directly by one of the Parties.

12. Termination

(a) This Agreement may be terminated by TJC, upon notice to Seller and the Lessee, if prior to or at Closing:

(i) Seller or Lessee defaults in the performance of any of their material obligations under this Agreement and the default is not cured within five business days after TJC gives notice of the default to Seller and the Lessee; or

(ii) any TJC Closing Condition is not satisfied as of June 4, 2020, or satisfaction of any TJC Closing Condition is or becomes impossible (other than as a result of TJC's breach of or failure to perform its obligations under this Agreement), and TJC does not waive satisfaction of the condition; or

(iii) Closing does not occur on or before June 16, 2020 (other than as a result of TJC's breach of or failure to perform its obligations under this Agreement).

(b) This Agreement may be terminated by Seller upon notice to TJC, if prior to or at Closing:

(i) TJC defaults in the performance of any of its material obligations under this Agreement and the default is not cured within five (5) Business Days after Seller gives notice of the default to TJC;

(ii) any Seller Closing Condition is not satisfied as of June 4, 2020, or satisfaction of any Seller Closing Condition is or becomes impossible (other than as a result of Seller's, or Lessee's breach of or failure to perform their obligations under this Agreement) and Seller does not waive satisfaction of the condition; or

(iii) Closing has not occurred by June 16, 2020 (other than as a result of Seller's, or Lessee's breach of or failure to perform their obligations under this Agreement); or

(c) This Agreement may be terminated by the written agreement of the Parties.

(d) The right of termination under this Section 12 is in addition to any other rights that a party may have under this Agreement or otherwise, and a party's exercise of its right of termination shall not be considered an election of remedies. Notwithstanding the termination of this Agreement pursuant to this Section 12, the Parties' confidentiality obligations under Section 11(g) shall survive termination and continue indefinitely.

13. Indemnification of TJC

(a) Subject to Sections 15 and 16, Seller and the Lessee agree, jointly and severally, to indemnify TJC against and hold TJC harmless from:

(i) any loss, liability, damage, cost or expense, including reasonable attorneys' fees and cost of investigation ("Loss") that TJC (or its directors, representatives, affiliates, employees, subsidiaries, and other related parties or individuals) may suffer or incur that is caused by, arises out of or relates to any inaccuracy in or breach of any representation and warranty by Seller or Lessee in Section 6 of this Agreement;

(ii) any Loss that TJC may suffer or incur that is caused by, arises out of or relates to Seller's or Lessee's breach of or failure to perform any of their covenants and obligations in this Agreement in any material respect; or

(iii) any Loss that TJC may suffer or incur that is caused by, arises out of or relates to the assertion against TJC of an Excluded Liability.

Claims asserted by TJC under subsections (i), (ii) and (iii) above are hereinafter referred to as TJC's "Indemnification Claim(s)."

(b) The benefit of the indemnification obligations of Seller and the Lessee under this Section 13 shall extend to the respective officers, directors, employees and agents of TJC and its affiliates.

{WS097116v5
}

14. Indemnification of Seller and the Lessee

(a) Subject to Sections 15 and 16, TJC agrees to indemnify Seller and the Lessee against and hold each of them harmless from:

(i) any Loss that Seller or the Lessee may suffer or incur that is caused by, arises out of or relates to any inaccuracy in or breach of any representation and warranty by TJC in Section 7 of this Agreement;

(ii) any Loss that Seller or the Lessee may suffer or incur that is caused by, arises out of or relates to TJC's breach of or failure to perform any of its obligations in this Agreement in any material respect; or

(iii) any Loss that Seller or the Lessee may suffer or incur that is caused by, arises out of or relates to TJC's operation of the Subject Franchise after Closing.

Claims asserted by Seller or the Lessee under subsections (i), (ii) and (iii) above are hereinafter referred to as Sellers' or the Lessee's "Indemnification Claim(s)."

(b) The benefit of TJC's indemnification obligation under this Section 14 shall extend to the heirs and legal representatives of Seller and the Lessee.

15. Threshold and Cap

(a) In respect of TJC's assertion of an Indemnification Claim under Section 13(a)(i), TJC shall not be entitled to indemnification until the aggregate amount for which indemnification is sought exceeds \$5,000.00. If this threshold is reached, TJC may assert an Indemnification Claim for the full amount of the claim (going back to the first dollar) and may assert any subsequent Indemnification Claim under Section 13(a)(i) without regard to any threshold. The maximum aggregate amount for which TJC may assert Indemnification Claims under Section 13 shall be the Purchase Price. No threshold or cap shall apply, however, in the case of any Loss caused by, arising out of or relating to any fraud or intentional misrepresentation.

(b) In respect of Seller's and/or a Lessee's assertion of an Indemnification Claim under Section 14(a)(i), Seller and/or the Lessee shall not be entitled to indemnification until the aggregate amount for which indemnification is sought collectively exceeds \$5,000.00. If this threshold is reached, Seller and the Lessee may assert an Indemnification Claim for the full amount of the claim (going back to the first dollar) and may assert any subsequent Indemnification Claim under Section 13(a)(i) without regard to any threshold. The maximum aggregate amount for which Seller and/or the Lessee may assert Indemnification Claims under Section 14 shall be the Purchase Price. No threshold shall apply, however, in the case of any Loss caused by, arising out of or relating to any fraud or intentional misrepresentation.

(c) No threshold shall apply to TJC's assertion of an Indemnification Claim under Sections 13(a)(ii) or (iii) or to Seller's or Lessee's assertion of an Indemnification Claim under Sections 14(a)(ii) or (iii).

16. Survival

{WS097116v5
}

(a) An Indemnification Claim under Sections 13(a)(i) and 14(a)(i) may be asserted at any time prior to the second anniversary of the Closing Date, with the exception that:

(i) an Indemnification Claim under Section 13(a)(i) in respect of any inaccuracy in or breach of any of the representations and warranties in Section 6(c) (“Taxes”) may be asserted at any time prior to the expiration of the applicable statute of limitation; and

(ii) an Indemnification Claim under Section 13(a)(i) in respect of any inaccuracy in or breach of any of the representations and warranties in Sections 6(b) (“Authority”) and 6(d) (“Title to and Condition of Assets”), may be asserted at any time without limit, but only as to Indemnification Claims related to title to Assets, not the condition of Assets.

(b) An Indemnification Claim under Sections 13(a)(ii) and (iii) and Sections 14(a)(ii) and (iii) may be asserted at any time prior to ninety (90) days after the expiration of the applicable statute of limitation.

17. Notice of Indemnification Claim

(a) The indemnified party may assert an Indemnification Claim by giving written notice of the Indemnification Claim to the indemnifying party. The indemnified party’s notice shall provide reasonable detail of the facts giving rise to the Indemnification Claim and a statement of the indemnified party’s Loss or an estimate of the Loss that the indemnified party reasonably anticipates that it will suffer. The indemnified party may amend or supplement its Indemnification Claim at any time, and more than once, by written notice to the indemnifying party.

(b) If or to the extent that the Indemnification Claim is not in respect of a Third-Party Suit, Section 18 shall apply. If or to the extent that the Indemnification Claim is in respect of a Third-Party Suit, Section 19 shall apply.

18. Resolution of Claims

(a) If the indemnifying party does not object to an Indemnification Claim during the 30-day period following receipt of the indemnified party’s notice of its Indemnification Claim, the indemnified party’s Indemnification Claim shall be considered undisputed, and the indemnified party shall be entitled to recover the actual amount of its indemnifiable loss from the indemnifying party, subject to the threshold, if any, in Section 15(a) or (b).

(b) If the indemnifying party gives notice to the indemnified party within the 30-day objection period that the indemnifying party objects to the indemnified party’s Indemnification Claim, the indemnifying party and the indemnified party shall attempt in good faith to resolve their differences during the 30-day period following the indemnified party’s receipt of the indemnifying party’s notice of its objection. If they fail to resolve their disagreement during this 30-day period, either of them may unilaterally submit the disputed Indemnification Claim for non-binding arbitration before the American Arbitration Association in Phoenix, Arizona in accordance with its rules for commercial arbitration in effect at the time, which shall be a condition precedent to seeking resolution of the disputed Indemnification Claim before any court of competent jurisdiction. The award of the arbitrator or panel of arbitrators may include attorneys’ fees to the prevailing party. The prevailing party may enforce the award of the arbitrator or panel

of arbitrators in any court of competent jurisdiction.

19. Third Party Suits

(a) Indemnified party shall promptly give notice to indemnifying party of any suit, demand, or claim by a third person against indemnified party, for which indemnified party is entitled to indemnification under Section 13(a) (a “Third Party Suit”), which may be given by notice of an Indemnification Claim in respect of the Third-Party Suit. Indemnified party’s failure or delay in giving this notice shall not relieve indemnifying party from its indemnification obligation under this Section 19(a) in respect of the Third-Party Suit, except to the extent that indemnifying party suffers or incur a loss or is prejudiced by reason of indemnified party’s failure or delay.

(b) Indemnified party shall control the defense of any Third-Party Suit. Indemnifying party shall be entitled to copies of all pleadings and, at its expense, may participate in, but not control, the defense and employ its own counsel. Indemnifying party shall in any event reasonably cooperate in the defense of the Third-Party Suit.

(c) Indemnified party’s settlement of a Third-Party Suit shall also be binding on indemnifying party, in the same manner as if a final judgment in the amount of the settlement had been entered by a court of competent jurisdiction, if, as part of the settlement, indemnifying party receives a binding release providing that any liability of indemnifying party in respect of the Third-Party Suit is being satisfied as part of the settlement. Indemnified party shall give indemnifying party at least thirty (30) days’ prior notice of any proposed settlement, and during this thirty (30)-day period indemnifying party may reject the proposed settlement and instead assume the defense of the Third-Party Suit if:

(i) the Third-Party Suit seeks only money damages and does not seek injunctive or other equitable relief against indemnified party;

(ii) Indemnifying party unconditionally acknowledges in writing to indemnified party that indemnifying party is obligated to indemnify indemnified party in full in respect of the Third-Party Suit (except for any matters that are not subject to indemnification under this Agreement);

(iv) Indemnifying party furnishes indemnified party with security reasonably satisfactory to indemnified party to assure that indemnifying party have the financial resources to defend the Third-Party Suit and to satisfy their indemnification obligation in respect of the Third-Party Suit;

(v) Indemnifying party actively and diligently defends the Third-Party Suit; and

(vi) Indemnifying party consults with indemnified party regarding the Third-Party Suit at indemnified party’s reasonable request.

If indemnifying party assumes the defense of the Third-Party Suit, indemnified party shall be entitled to copies of all pleadings and, at its expense, may participate in, but not control, the defense and

employ its own counsel.

(d) Indemnifying party may settle a Third-Party Suit in which, indemnifying party controls the defense only if the following conditions are satisfied:

(i) the terms of settlement do not require any admission by indemnifying party or indemnified party, in respect of any matters subject to indemnification under Sections 13 or 14 of this Agreement, that in indemnified party's reasonable judgment would have an adverse effect on indemnified party; and

(ii) as part of the settlement, indemnified party receives a binding release providing that any liability of indemnified party in respect of the Third-Party Suit is being satisfied as part of the settlement.

(e) Indemnified party's failure to defend a Third Party Suit shall not relieve indemnifying party of its indemnification obligation under Section 13 or Section 14 of this Agreement if indemnified party gives indemnifying party at least thirty (30) days' prior notice of indemnified party's intention not to defend the Third Party Suit and affords indemnifying party the opportunity to assume the defense without having to satisfy the conditions in Section 19(c) for assuming the defense.

20. Expenses

Each party shall pay its own expenses in connection with the negotiation and preparation of this Agreement and the closing of this transaction, including the process of determining and paying the amount of the Adjustments under Section 4(d) above. In the event of termination of this Agreement prior to Closing pursuant to Section 12, each Party's obligation to pay its own expenses shall be subject to any right of recovery as a result of a default under this Agreement by the other party.

21. Schedules

Nothing in any Schedule to Section 6 shall be considered adequate to constitute an exception to the related representation and warranty in Section 6 unless the Schedule describes the relevant facts in reasonable detail. Any exception in a Schedule to Section 6 shall be considered an exception to any other representation and warranty in Section 6 to which the exception relates if it is reasonably apparent on its face that the exception in question relates to such other representation and warranty.

22. Parties' Review

Any knowledge acquired by a party (or that should have been or could have been acquired) as a result of any due diligence or other review or investigation in connection with the negotiation and execution of this Agreement and the closing of the transaction shall not limit that party's right to rely on the other party's representations and warranties in this Agreement or circumscribe that party's entitlement to indemnification under this Agreement.

23. Publicity

Any public announcement or similar publicity regarding this Agreement or the transaction shall be

issued only as, when and in the manner and form that TJC determines.

24. Notices

(a) All notices under this Agreement shall be in writing and sent by certified or registered mail, overnight messenger service, or personal delivery, as follows:

25. Further Assurances and Cooperation

(a) The parties agree to (i) furnish to one another other such further information, (ii) execute and deliver to one another such further documents and (iii) do such other acts and things that any party reasonably requests for the purpose of carrying out the intent of this Agreement and the documents and instruments referred to in this Agreement. The Parties acknowledge that TJC may be required to conduct audits of the financial statements of the businesses operated using the Assets, and the Seller and the Lessee agree to cooperate with TJC and to provide it with any information reasonably available to the Seller and the Lessee to assist TJC and its representatives in conducting such audits. For forty-five (45) days following the Closing, Seller and Lessee shall provide to TJC such assistances as TJC reasonably requests to help ensure a smooth and orderly transition of ownership of the Subject Franchise.

Accordingly, the Seller and the Lessee agree to cooperate with TJC and to provide it with any information reasonably available to the Seller and the Lessee to assist TJC and its representatives in obtaining such financial statements, conforming such financial statements to applicable accounting standards and conducting such audits (Seller's and the Lessee's "Section 25(b) Duties"). Such information includes, but is not limited to, the financial books, records and work papers of Seller.

26. Waiver

The failure or any delay by any party in exercising any right under this Agreement or any document referred to in this Agreement shall not operate as a waiver of that right, and no single or partial exercise of any right shall preclude any other or further exercise of that right or the exercise of any other right. All waivers shall be in writing and signed by the party to be charged with the waiver, and no waiver that may be given by a party shall be applicable except in the specific instance for which it is given.

27. Entire Agreement

This Agreement supersedes all prior agreements between the parties with respect to its subject matter and constitutes (together with (i) the Exhibits, (ii) the Schedules and (iii) the Parties' Closing Documents) a complete and exclusive statement of the terms of the agreement between the parties with respect to its subject matter. This Agreement may not be amended except by a written agreement signed by the party to be charged with the amendment.

28. Assignment

No party may assign any of its rights under this Agreement without the prior written consent of the other party. Notwithstanding the foregoing, TJC may assign its rights, interests and duties under this Agreement and all ancillary documents to a third party TJC franchisee (who desires to step in to the shoes of TJC and complete the transaction contemplated by this Agreement) without the necessity of obtaining any consent of Seller or Lessee.

29. No Third-Party Beneficiaries

Nothing in this Agreement shall be considered to give any person other than the parties any legal or equitable right, claim or remedy under or in respect of this Agreement or any provision of this Agreement. This Agreement and all of its provisions are for the sole and exclusive benefit of the parties and their respective successors, permitted assigns, heirs and legal representatives.

(d) The captions of articles and sections of this Agreement are for convenience only and shall not affect the construction or interpretation of this Agreement.

31. Severability

The invalidity or unenforceability of any term or provision, or part of any term or provision, of this Agreement shall not affect the validity and enforceability of the other terms and provisions of this Agreement, and this Agreement shall be construed in all respects as if the invalid or unenforceable term or provision, or part, had been omitted. In the event that any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable because it is too broad, such provision shall be interpreted to be only as broad as is enforceable.

32. Counterparts

This Agreement may be signed in any number of counterparts (including by facsimile or portable document format (pdf)), all of which together shall constitute one and the same instrument.

33. Governing Law

This Agreement shall be governed by the internal Laws of the State of Arizona, without giving effect to any choice of law provision or rule (whether of the State of Arizona or any other state) that would cause the laws of any state other than the State of Arizona to govern this Agreement.
