What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit J.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by litigation only in Texas. Out-of-state litigation may force you to accept a less favorable settlement for disputes. It may also cost more to litigate with the franchisor in Texas than in your own state.

2. **Mandatory Minimum Payment.** You must make minimum royalty or advertising fund payments, regardless of your sales levels. Your inability to make the payments may result in termination of your franchise and loss of your investment.

3. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

4. **Financial Condition.** The Franchisor's financial condition as reflected in its financial statements (see Item 21) calls into question the Franchisor's financial ability to provide services and support to you.

5. **Sales Performance Required.** You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

NOTICE REQUIRED
BY
STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents relating to a franchise:

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

THIS MICHIGAN NOTICE APPLIES ONLY TO FRANCHISEES WHO ARE RESIDENTS OF MICHIGAN OR LOCATE THEIR FRANCHISES IN MICHIGAN.

(f) A provision requiring that litigation be conducted outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

The fact that there is a notice of this offering on file with the attorney general does not constitute approval, recommendation, or endorsement by the attorney general.

Any questions regarding this notice should be directed to the Department of Attorney General, State of Michigan, 670 Law Building, Lansing, Michigan 48913, telephone (517) 373-7117.

THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

Franchisor

To simplify the language in this Disclosure Document, "we," "us," "our," "Franchisor" and "TMI" mean The Maids International, LLC, the franchisor. "Franchisee," "you," and "your," means the person, persons or entity who licenses the franchise from The Maids International, LLC and its owners if you are a business entity. On October 9, 1979, we were incorporated in the State of Nebraska as The Maids International, Inc. On February 27, 2020, we converted from a Nebraska corporation to a Nebraska limited liability company. On March 4, 2020, we were acquired by The Maids Holdings Inc., a Delaware corporation with a principal address of 251 Little Falls Drive, Wilmington, Delaware 19808. The Maids Holdings Inc. is a subsidiary of Gladstone Management Corp., a Delaware corporation, which has a principal business address of 1521 Westbranch Drive, Suite 100, McLean, Virginia 22102. We do business under the name "The Maids®." As of the issuance date of this Disclosure Document (January 18, 2026, as amended May 12, 2026), our principal business address is 105 Decker Court, Suite 860, Irving, Texas 75062. Our website is www.maids.com.

Except as disclosed in this Item, we have no parents, predecessors or affiliates required to be disclosed in this Item. We are engaged in no business activities other than franchising the right to own and operate The Maids® household maintenance and home services businesses and operating company owned The Maids® stores.

Our agents for service of process are disclosed on Exhibit J to this Disclosure Document.

Franchised Business

We grant the personal right and license to establish and operate a The Maids® household maintenance and home services business ("The Maids® Business"). Under the terms of the Franchise Agreement (which is attached as Exhibit D), you will operate your The Maids® Business within a prescribed territory. You may qualify and elect to purchase one or more Territories upon the signing of the Franchise Agreement, and the Initial Franchise Fee you pay will depend on the number of Territories you qualify for and elect to purchase, as approved by us. If you qualify and elect to purchase additional Territories after you sign the Franchise Agreement, you will be required to sign an additional, then-current Franchise Agreement and pay the additional Initial Franchise Fee for that Territory(ies). The Maids® Businesses provide efficient household cleaning services for people who lack the time or desire to clean their home on a regular basis. It will be your sole responsibility for locating any customer accounts, and you must purchase or lease one vehicle for each maid team used in your The Maids® Business. We may require you to use the Mr. Clean® trademark in the operation of your The Maids® Business, but we do not anticipate that it will be the primary trademark.

We have been offering franchise opportunities for the right to operate The Maids® Businesses since November 1980. As of September 30, 2025, there were a total of 369 franchised and company-owned Territories in the United States. A total of 106 franchisees licensed and operated 338 of the 369 Territories in the United States. We operated the remaining 31 Territories in the United States. This reflects the number of franchised and company-owned Territories in operation as of September 30, 2025, with each Territory consisting of approximately 90,000-150,000 households.

As of September 30, 2025, a total of 5 franchisees licensed and operated 12 Territories in Canada.

We do not offer franchises in any other line of business.

Competition and Government Regulations

You will compete with national and local businesses offering the same or similar cleaning services. The market for residential cleaning services is developed in some major cities but remains undeveloped in many areas. Even in developed markets, we believe our concept is different from the standard cleaning service in terms of the services and products offered.

We know of no governmental regulations which specifically govern the household maintenance and cleaning service industry, but you are subject to laws and regulations that apply to businesses generally, including immigration and employment laws. We are not aware of any environmental regulations applicable to the household cleaning supplies used in your The Maids® Business. We strongly encourage you to investigate the laws and regulations that may apply to your business.

Insurance	Will vary under the circumstances	Upon demand	If you fail to obtain required insurance, we may obtain such insurance at your expense (but are not required to do so) and charge you a service fee to do so. Otherwise, these payments are made directly to your third-party insurance provider.

Type Of Fee (see Note 1)	Amount	Date Due	Remarks
Indemnification	Will vary under the circumstances	On demand	You must indemnify and hold us, our officers, directors, employees and affiliates harmless with respect to any and all claims, losses, costs, expenses, liabilities, attorneys' fees, and damages arising directly or indirectly from, as a result of, or in connection with your The Maids® Business operation and defending against them
Cost of Enforcement or Defense	Will vary under circumstances	As incurred	You must reimburse us for any legal, accounting, or other professional fees that we incur as a result of any breach or termination of your Franchise Agreement. You must reimburse us if we are required to incur any expenses in enforcing our rights against you under the Franchise Agreement.
Liquidated Damages (see Note 12)	Varies	Within 15 days after termination of the Franchise Agreement	Due only if we terminate the Franchise Agreement before the end of the term because of your default or you terminate the Franchise Agreement.

Notes:

1. You must pay each fee to us unless otherwise noted. All fees are nonrefundable and, unless otherwise noted, are uniformly imposed based on Franchise Agreement.

2. You must authorize your bank to accept automatic withdrawals of this amount from your bank into our bank account on a weekly basis. You must provide us with all documents necessary to direct your bank to honor these pre-authorized bank debits.

3. We have designed the Continuing License Fee structure to reward you for expanding your The Maids® Business. Each week, you must pay to us a nonrefundable Continuing License Fee equal to a specified percentage of the weekly Gross Revenues of your The Maids® Business as follows:

Weekly Gross Revenues	Continuing License Fee Percentage
$ 0 - 6,730	6.9%
$ 6,731 - 13,460	6.5%
$ 13,461 - 28,840	6.0%
$ 28,841 - 48,070	5.5%
$ 48,071 - 76,920	5.0%
$ 76,921 - 134,615	4.5%
$ 134,616 and up	3.9%

- The Continuing License Fee percentage is based on the applicable rate for one week of Gross Revenues.

- If you own multiple The Maids® Businesses and are in compliance under the terms of your Franchise Agreements, you may combine weekly Gross Revenues (excluding The Maids® Businesses you own as a result of any acquisition of an existing The Maids® Business after December 31, 2012) to reach the lowest possible Continuing License Fee percentage provided that you submit weekly Gross Revenues reports for all The Maids® Businesses on the same day and in the format we require.

- Example: If your Gross Revenues during week 1 are $7,000, you will pay 6.5% of $7,000 as the weekly Continuing License Fee for week 1. If your weekly Gross Revenues are $14,000 in week 2, you will pay 6.0% of $14,000 as the Continuing License Fee for week 2. If in week 3, you had weekly Gross Revenues of $15,000 in your first The Maids® Business, and you expanded into a new territory and opened a second The Maids® Business that had Gross Revenues of $15,000 in the same week, you would pay 5.5% of the combined Gross Revenues of $30,000 as the Continuing License Fee for that week. If in week 4, you had weekly Gross Revenues of $30,000 in your first and second The Maids® Business, and you purchase an existing The Maids® Business that had Gross Revenues of $15,000 in the same week, you would pay 5.5% of the combined Gross Revenues of $30,000 plus 6.0% of $15,000 as the Continuing License Fee for that week.

- If you fail to cure a default under your Franchise Agreement or any other agreement with us within 30 days of receiving written notice from us that you are in default, your Continuing License Fee will be 6.9% regardless of the amount of your Gross Revenues, until the default is cured.

- You are never allowed to operate your The Maids® Business in the Designated Market Area of another franchisee. In addition to our right to terminate the Franchise Agreement for your operation in the Designated Market Area of another franchisee, you will also owe compensation, up to 100% of the Gross Revenue earned, to the franchisee whose Designated Market Area you infringed upon based upon our then-current territory infringement guidelines.

- Gross Revenues are the total dollar income to you resulting from all sales made to customers or clients of your The Maids® Business and any other cleaning, maintenance or service business which is either inside or outside for all products and home services, whether made for cash, credit or barter. Gross Revenues do not include any sales, use or gross receipts tax imposed by any

federal, state, municipal or governmental authority directly upon sales, if: (A) the amount of the tax is added to the selling price and is expressly charged to the customer; (B) a specific record is made at the time of each sale of the amount of such tax; and (C) you pay the amount of the tax to the appropriate taxing authority.

4. You must pay to us a minimum weekly Continuing License Fees under your Franchise Agreement according to the following table under each Franchise Agreement:

Period From Date of Franchise Agreement	**Minimum Weekly Continuing License Fees Per Agreement**
Months 1-6	No minimum
Months 7-24	$150
Months 25-48	$200
Months 49-thereafter	$250

5. Provided that franchisees are in compliance with the terms of their Franchise Agreement, we allow existing franchisees to pay Continuing License Fees, Marketing Fund Fees, and Technology Innovation Fund Fees at the lowest rate in any of their existing Franchise Agreements until the Agreement expires. For example, if you signed a Franchise Agreement in year one and expanded in year two, under this program you would be allowed to pay Continuing License Fees, Marketing Fund Fees, and Technology Innovation Fund Fees at the rates in your first Franchise Agreement for the area you expanded into in year two until the first Franchise Agreement expires. After the first Franchise Agreement expires, you would pay Continuing License Fees, Marketing Fund Fees, and Technology Innovation Fund Fees in accordance with the second Franchise Agreement. This program is not applicable to acquisitions of existing The Maids® Businesses after December 31, 2012.

6. We reserve the right to increase the amount of the weekly Technology Innovation Fund Fee. We will give you 90 days written notice before assessing increased Technology Innovation Fund Fees. Any increase will not exceed the maximum 1% of the Franchisee's weekly Gross Revenues, with a cap of $15,000 per franchisee per year.

7. We reserve the right to increase the amount of the weekly Marketing Fund Fee. We will review any proposed increase with the Advisory Council. In addition, we will give you 90 days written notice before assessing increased Marketing Fund Fees. Any increase will not be more than 1/2 of 1% in a two-year period.

8. You must pay to us a monthly Software and Support Fee of $140 per month, plus an additional $85 per month for each additional office. We reserve the right to: (a) modify this support program; (b) designate a different vendor or software; or (c) modify the types of technology covered by the Software and Support Fee (which may include future technology needs). We also may modify pricing with 30 days prior notice; provided that we will not increase the portion of the Software and Support Fee attributable to our costs by more than the actual increase to our costs and we will not increase the portion of the Software and Support Fee attributable to our overhead and administrative expenses by more than 25% per year.

9. The current registration fee is up to $750 per person, and we reserve the right to increase this fee to not more than $1,000 per person upon 30 days' notice to you. The TMI National Convention Fee is nonrefundable and will be collected even if you and/or your team member do not attend the National Convention. If you and/or your team member fail to attend the National Convention, you will be

charged an additional non-attendance fee of $1,000. If you and/or your team member fail to attend two or more National Conventions consecutively, you will be charged an additional non-attendance fee of $1,500 each time.

10. You are required to use the National Sales Center service for the first year of operation of your Franchised Business. Following the first year of operation, the National Sales Center is made available as an optional service. Billing for services are collected weekly as follows: $60 per week base fee; $7.50 per unsold quote; and $36 per sold quote. If you choose to use the National Sales Center service following the first year of operation, you are required to provide us at least 60 days' written notice prior to cancellation. National Sales Center Fees are subject to change upon 30 days' notice; provided that we will not increase such fees by more than 25% per year.

11. The amount of the Local Marketing Requirement will depend on the number of Territories purchased, according to the following: $2,500 per month for the first Territory; an additional $500 per month for the second contiguous Territory; and an additional $250 per month for each additional contiguous Territory beyond the second Territory. If you fail to invest the required minimum for approved marketing and promotion in any month, then, in addition to any other remedies available to TMI under this Agreement, TMI may require the Franchisee to deposit with TMI the difference between the required minimum and what was actually spent for approved marketing and promotion. TMI may use such amount in the Franchisee's Designated Market Area for marketing or promotion that TMI deems, in its sole discretion, to be in the best interests of the Franchised Business.

12. Liquidated damages are determined by multiplying the Franchised Business' combined weekly average revenue for the preceding 12-month period prior to termination multiplied by the number of weeks remaining in the Franchise Agreement and multiplied by each of Continuing License Fees at the rate of 6.9%, Technology Innovation Fund Fee at the rate of 0.25%, and Marketing Fund Fee at the rate of 2%.

3. No later than thirty (30) days after you sign the Franchise Agreement, you must pay to us $19,900 for the SMART Start Package necessary to commence operation of your The Maids® Business. The SMART Start Package, as further described in Item 5 and the Operations Manual, includes cleaning solvents, cleaning supplies and consumables, uniforms and other branded apparel, vacuums and other equipment. We may change the items included in the SMART Start Package from time to time to reflect the needs of The Maids® Business, including but not limited to, changes in suppliers and/or product specifications. The SMART Start Package will be deemed to have been fully earned by us and non-refundable when paid. 4. No later than thirty (30) days prior to the opening of your The Maids® Business, you must spend a minimum of $5,000 in connection with pre-opening marketing activities for your The Maids®

5. You are required to purchase and use a telephone and computer hardware and software, including desktops or laptops and internet connections, that meet our standards and specifications.

You are responsible for all wages, fringe benefits, payroll taxes, unemployment compensation, workers' compensation insurance, travel costs, lodging, food, automobile rental and other expenses incurred for all persons attending our SMART Start Training Program. This Wage, Travel and Living Expenses During SMART Start Training estimate does not include any Franchisee compensation or payroll costs.

8. This additional funds estimate does not include the Continuing License Fees, Marketing Fund Fees, or the Technology Innovation Fund Fees you must pay to us. This additional funds estimate does not include Franchisee compensation or personal living expenses needed by you and your family. These estimates are based on our years of experience in franchising and operating The Maids® Business, and are derived primarily from information which franchisees provide to us.

9. Your estimated initial investment and other estimates in this Disclosure Document do not take into account any debt service, ongoing working capital financing, accounts receivable financing or other related costs.

10. Since costs to begin operating a The Maids® Business can vary with each franchise (particularly if you are purchasing an existing The Maids® Business), we strongly recommend that you (1) obtain, before purchasing a The Maids® franchise or making other commitments, independent estimates from third-party vendors and your accountant of the costs which would apply to the establishment and operation of a The Maids® Business, (2) discuss with current and past The Maids® franchisees their economic experiences (including initial investment and appropriate reserve funds) in opening and operating a The Maids® Business, and (3) evaluate carefully the adequacy of your total financial reserves with an accountant or other professional financial advisor.

Item 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

When you sign the Franchise Agreement, you must also sign the then current Software License Agreement to license and use the required software and pay to us an ongoing license fee. Software and Support Fee amounts to an insignificant percentage of your annual expenses to operate your Business. In the fiscal year ended September 30, 2025, our revenue from software maintenance and related fees was $232,971 or 1.2% of our total revenue of $19,712,073 based on our audited financial statements.

Specifications and approved suppliers are necessary to ensure high quality and service throughout the country and to promote uniformity throughout all the franchised The Maids® Businesses. There are no goods or services required in the operation of a The Maids® franchise for which we or persons affiliated with us are the only approved suppliers, with the exception of the required software and the SMART Start package.

The materials contained in the SMART Start Package are described in the Operations Manual. The purchase of the SMART Start Package will constitute approximately 15.4% of the expenditures to establish your The Maids® Business. In the fiscal year ended September 30, 2025, our revenue from the SMART Start Package purchases was $386,000 or 2.0% of our total revenue of $19,712,073 based on our audited financial statements.

You must operate your The Maids® Business and use the Marks in full compliance with the Business System and the Online Operations Manuals. In particular, you must use and offer each of the systems, services, equipment and products we designate. You are not allowed to use or offer any systems, services and/or products not approved by us.

We may contract with certain approved suppliers who provide volume discounts, rebates and other cash payments or a percentage of their sales of approved supplies to our franchisees. We and our affiliates reserve the right to derive revenue and material consideration on account of franchisee purchases and leases without restriction. We may use this money as we deem appropriate in our sole discretion, including, without limitation to defray our administrative and overhead costs and expenses. For the fiscal year ended September 30, 2025, we did not derive any revenue on account of required franchisee purchases or leases from unaffiliated system suppliers. We may derive revenue on account of franchisee purchases and/or leases without restriction in the future.

For the fiscal year ended September 30, 2025, TMI's National Sales Center generated revenues from franchisees of $186,106 or .9% of our total revenue of $19,712,073 based on our audited financial statements.

Collectively, the purchases described above are about 22% to 28% of your overall purchases and leases in establishing the Franchised Business, and 78% to 72% of your overall annual purchases and leases in operating the Franchised Business.

You must use only supplies, equipment, certain computer hardware and software, and other items used in your The Maids® Business that we specify and approve, including certain Mr. Clean® branded products. We, an affiliate or a third-party vendor or supplier periodically may be the only approved supplier for certain products. If you wish to use any supplies or equipment not specifically approved by us, you must submit sufficient specifications to us for examination to determine whether the item and/or supplier meets our standards. We will make our determination and communicate our decision to you within 90 days. You may be responsible for the cost of the evaluation, including a reasonable amount for the time spent by our

employees.

Before opening your The Maids® Business, you must purchase or lease at least one four-door automobile wrapped or decaled to The Maids® brand standards.

In addition, you must subscribe to an electronic mail service provider and install connection to the Internet using the fastest high-speed service provider reasonably available (excluding dial up). We use electronic mail and The Maids® intranet to transmit messages, mailings and other data to our franchisees. You are required to submit weekly reporting data to us electronically. You can also use The Maids® intranet to access important information from the online resource library.

You must carry general liability insurance with coverage of at least $1,000,000 per occurrence and $2,000,000 aggregate (and with a deductible no greater than $100,000), vehicle insurance with coverage of at least $1,000,000, all risks property insurance coverage, which must include fire and extended coverage, third-party fidelity insurance coverage with coverage of at least $25,000, and all insurance required by law. Your insurance policies must name us and The Proctor & Gamble Company ("P&G") as an additional insured. All insurance must be underwritten by an insurance company that has been rated at least A-VI by the most recent edition of Best' Insurance Report. Item 7 of this Disclosure Document describes the estimated cost of the required insurance coverage.

Except as disclosed above, as of the issuance date of this Disclosure Document (January 18, 2026, as amended May 12, 2026), we do not receive revenue or any other material consideration as a result of required purchases or leases, nor do we provide material benefits to you based on your use of designated or approved sources. We currently are the only approved supplier for the required software and the SMART Start Package. Some of our officers own an interest in us. Our officers do not own an interest in any other supplier.

For the benefit of franchisees, we may, but are not contractually obligated to, negotiate with certain suppliers to obtain competitive prices on cleaning solutions, insurance, equipment, marketing and uniforms. We are not aware of any formal distribution cooperatives.

1. Time and content are subject to change without notice.

2. As of the issuance date of this Disclosure Document (January 18, 2026, as amended May 12, 2026), our corporate headquarters are located in Irving, Texas.

3. Erin Bishop, our Vice President of Learning, supports all aspects of our training program. Ms. Bishop has been employed by us since 1999 in variety of training roles.

4. Instructional Materials include the Online Operations Manuals, training guides, job aids, e-learning videos, Webinars and other resource documents.

5. To complete the SMART Start Set-Up and SMART Start Training agendas, you will need to devote time to Webinars, telephone calls, and the other self-paced resource materials provided to you.

SMART Start Set-up takes place in the weeks prior to The Maids® SMART Start Training at our corporate headquarters or at a designated training facility.

You are responsible for all wages, fringe benefits, payroll taxes, unemployment compensation, workers' compensation insurance, travel costs, lodging, food, automobile rental and other expenses for all persons attending this training. You **must** complete the SMART Start program before you open your The Maids® Business.

We recommend you have at least two individuals, at all times, working in the Business who have successfully completed our SMART Start program. We recommend that at least one individual has successfully completed the program within the last five years.

Following SMART Start Training and prior to opening your The Maids® Business, we recommend you employ at least three team members. Team members perform in-home cleaning duties. You may choose to hire a general manager, which is typically only hired if the franchisee does not plan to be involved in the day-to-day operations. A general manager would be responsible for the day-to-day operations and manages all facets of the business, including business planning, customer retention, employee retention and adherence to all laws and policies.

You will have sole authority and control over the day-to-day operations of your The Maids® Business and its employees. You will be solely responsible for recruiting and hiring the person you employ to operate your The Maids® Business. You will also be responsible for their training, wages, taxes, benefits, safety, work schedules, work conditions, assignments, discipline and termination for compliance with all workplace related laws. At no time will you or your employees be deemed employees of TMI or our affiliates.

This training program is provided to protect our brand and the Marks and not to control the day-to-day operation of your The Maids® Business.

Power Training. Within 90 days of opening your The Maids® Business, we will provide training ("Power Training") that runs concurrently with the SMART Start Training, where we prepare you for pre-opening setup.

On-Site Visit. We may also provide additional requested on-site training for you or your manager during the term of the Franchise Agreement (Franchise Agreement-Article 9.4). We reserve the right to impose a charge of up to $250 per day plus trainer expenses for additional training depending upon the type, location and duration of the training provided. You pay the wages, fringe benefits, workers' compensation, and federal and state unemployment compensation for your employees who attend the optional additional training courses we offer.

Web-Based Training. At our discretion, online training may be provided for management staff via webinar at no charge. Optional fee-based courses may also be provided. In addition, numerous self-paced pay-per-use courses are available via the online catalog on our e-learning platform.

Performance Consulting. After you begin operating your The Maids® Business, our staff will provide support by telephone or other means of communication (Franchise Agreement-Article 9.3). During this phase of the SMART Start Set-Up Program, our staff will work with you to monitor the operation of your The Maids® Business and to assist in your understanding of The Maids® Business System.

National Convention. You and/or your team member approved by our CEO must attend each of The Maids® National Conventions which we hold periodically, but not more than once a year.

Computer System(s)

You must purchase and use telephone and computer hardware and software, including desktops or laptops and internet connections, that meet our standards and specifications as well as all modifications, upgrades and updates to these standards and specifications (Franchise Agreement-Article 11.26). Computer hardware standards and specifications are set to ensure the computer systems can run the required software programs utilized in The Maids® Business. We estimate the initial investment cost for telephone, computer systems, and internet connection to be approximately $900 to $1,800.

Technology

Technology Innovation Fund Fee. You will pay to us a Technology Innovation Fund Fee from .25% to 1% of your weekly Gross Revenues, with a cap of $15,000 per franchisee. Other The Maids® franchisees may also pay a Technology Innovation Fund Fee in the amount specified in their Franchise Agreements, which may be different from the amounts you pay.

We will deposit the Technology Innovation Fund Fees collected from franchise owners into The Maids® National Technology Fund. The Technology Innovation Fund Fees will be used by TMI to purchase and pay for the research, development and utilization of technologies, and franchisee incentives in order to give The Maids® franchises a competitive advantage in operational efficiency; information management; any and all other technology TMI deems beneficial for the System; and any administrative costs and expenses related to these technologies. For example, TMI may use the Technology Fund to create and maintain websites, intranets, software, and all other existing and future forms of electronic communications. We will prepare an annual statement of funds collected and costs incurred by The Maids® National Technology Fund, and will furnish it to you within 90 days of our fiscal year end upon your written request. The balance of monies retained by the Technology Fund is carried over to pay for future technology advancements. We have no fiduciary duty to you with respect to the collection or expenditure of Technology Innovation Fund Fees, and any Technology Fund will not be a trust or escrow account.

We reserve the right to increase the amount of the weekly Technology Innovation Fund Fee. In addition, we will give 90 days' written notice before assessing increased Technology Innovation Fund Fees. Any increase will not exceed the maximum of 1% of the Franchisee's weekly Gross Revenues and will be annually capped at $15,000 per franchisee per year.

As of January 2026, the hardware, software and internet standards are as follows:

Hardware, Software and Internet

Minimum Computer Requirements:

Operating System	Microsoft Windows 10 or macOS Catalina 10.15
Performance	8 GB RAM; 256 GB SSD
Monitor	24" Wide LCD
Software	Office 365

Minimum Internet Bandwidth Recommendations:

Min Bandwidth-Down/Up	Preferred Bandwidth-Down/Up
100/10 Mpbs	300/30 Mpbs

Additionally, it is required that you have high speed broadband Internet service to facilitate sending/receiving electronic correspondence, the required electronic submission of weekly reporting data and accessing the learning management system training resources.

It is your responsibility to maintain your hardware and software in good operating condition. We are not obligated to provide maintenance or general technical support for the computer systems, networking technologies or Internet services.

Licensing and use of the software is required. You must pay us the monthly Software and Support Fee of $140 per month, plus an additional $85 per month for each additional office. The Software License Agreement is attached as Exhibit E. We reserve the right to modify this support program and pricing with 30 days prior notice as described in Item 6.

We may provide you with periodic upgrades, replacements, and enhancements to the software and specific timeframes in which the software must be upgraded or replaced. Business software upgrades are included as part of your Software License Agreement. You must use the required software at your expense. The software will be used to assist in daily operational and sales functions, such as tracking, scheduling and reporting cleans, maintaining a database of prospects and clients, and reporting sales, labor expense, cleans and various other operational figures to us. You will have access to this data through software reports and other reports we compile. You must provide us online access to data maintained by you on the required software, which will grant us independent access to the information and generated and stored on your system. These online access rights will allow us to provide to you software maintenance and training and will allow the electronic transfer of data between you and us.

We have no obligation to update, upgrade or otherwise modify any software, including the required software.

Also, you must agree to comply with the then-current Payment Card Industry Data Security Standards as those standards may be revised and modified by the PCI Security Standards Council, LLC (see www.pcisecuritystandards.org), or any successor organization or standards that we may reasonably specify. Among other things, you agree to implement the enhancements, security requirements, and other standards that the PCI Security Standard Council (or its successor) requires of a merchant that accepts payment by credit and/or debit cards. You must pay any fees imposed by your credit card processor associated with PCI compliance. You must process all credit cards through designated credit card processing providers.

Time of Opening

Generally, you will open your The Maids® Business within 120 days of signing the Franchise Agreement. Factors which will affect your opening date include leasing your business office, financing, completing SMART Start Set-Up, SMART Start Training and complying with local ordinances. You must open your The Maids® Business within 60 days after completing Smart Start Training.

Advertising

You will pay to us Marketing Fund Fees equal to 2% of Gross Revenues. We reserve the right to increase the amount of the weekly Marketing Fund Fee. We will review any proposed increase with the Advisory Council. In addition, we will give you 90 days' written notice before assessing increased Marketing Fund Fees. Any increase will not be more than 1/2 of 1% in a two-year period. Other The Maids® franchisees also pay Marketing Fund Fees in the amounts specified in their Franchise Agreements, which may be different from the amounts described in this Item 11. In addition, each The Maids® Business that we operate will pay Marketing Fund Fees in the amounts above. The Maids® National Marketing Fund does not receive contributions from outside vendors or suppliers.

We deposit the Marketing Fund Fees collected from The Maids® franchisees into The Maids® National Marketing Fund (Franchise Agreement-Article 7.5). The Marketing Fund Fees may be used for, without limitation: research and development; market research; online and offline marketing; customer retention; incentive programs; sales development programs; media planning; telemarketing communication and education; creating and producing marketing materials; outside marketing agency fees for creating marketing programs; public relation activities; outside public relations agency fees; other programs from time to time that may be beneficial to The Maids® System; and reimbursing us the costs of administering and conducting the marketing program. We do not intend to use the Marketing Fund Fees for marketing that principally is a solicitation for the sale of franchises, except that we may use/display the phrase "Franchises Available" on all advertising/marketing or other activities covered by the Marketing Fund.

During our last fiscal year ended September 30, 2025, a total of $2,448,651 was spent by The Maids® National Marketing Fund. 72.9% was spent on consumer marketing, 3.3% was spent on marketing research,19.9% was reimbursed to us for administrative expenses, 2.8% was spent on website production, and 1.1% was spent on the Advisory Council. We are not obligated to invest any amount of the Marketing Fund Fees on marketing in your Designated Market Area. No expenditures were made from The Maids® National Marketing Fund for soliciting prospective franchisees. We prepare an annual statement of funds collected and costs incurred by The Maids® National Marketing Fund and will furnish it to you upon written request. The balance of monies retained by the Marketing Fund is carried over to pay for marketing programs during our next fiscal year. We have no fiduciary duty to you with respect to the collection or expenditure of Marketing Fund Fees, and any marketing fund will not be a trust or escrow account. Except as described in this Item 11, we are not obligated to conduct any marketing programs for the franchise system.

We have established an Advisory Council currently comprised of eight franchisees and one franchisor representative. The council members are selected for three-year terms by a general vote of all The Maids® franchisees. Council members must have been franchisees for a minimum of twenty-four months and be in good standing with us. The Advisory Council is designed to provide us with a regular forum regarding marketing, technology, and other business developments, and to provide you with recognized leaders to whom you can turn to for advice. The Council reviews The Maids® National Marketing Fund's expenditures and provides advice on new marketing materials. The Council is not a policy making board but can recommend policy direction. We may modify or dissolve the Advisory Council at any time.

In addition to the Marketing Fund Fee you pay to us, you must invest a minimum per month on the local marketing of your The Maids® Business ("Local Marketing Requirement"). The amount of the Local Marketing Requirement will depend on the number of Territories purchased, according to the following: $2,500 per month for the first Territory; an additional $500 per month for the second Territory; and an additional $250 per month for each additional contiguous Territory beyond the second Territory. Except for the marketing materials which we provide to you, we must approve, in writing, all concepts, materials or media which you propose for any local advertising or marketing before you use it in your marketing. If you fail to invest the required Local Marketing Requirement in any month, then, in addition to any other remedies available to us under this Agreement, we may require you to deposit with us the difference between the Local Marketing Requirement and what was actually spent for approved marketing and promotion. We may use such amount in your Designated Market Area for marketing or promotion that we deem, in its sole discretion, to be in the best interests of the Franchised Business.

We reserve the right to increase the Local Marketing Requirement by not more than 5% in a two-year period. We will review any proposed increase with the Advisory Council and will provide 90 days' written notice before assessing any such increase in the Local Marketing Requirement.

We do not require you to participate in an advertising cooperative.

You will have the absolute right to sell all products and services to your customers and clients at whatever prices and on whatever terms you deem appropriate. We may, but are not required, to assist you with establishing such prices upon your reasonable request.

Site Selection

We do not choose the location for your The Maids® franchise. Your business office must be in a commercial building that we approve and cannot be in a residential structure. Additionally, your office does not need to be within your Designated Market Area; however, your office cannot be located in the Designated Market Area of another franchisee unless agreed to in advance in writing by us and such other franchisee.

Item 12

TERRITORY

Except for the rights reserved by us as described below, the Franchise Agreement grants you certain rights within your Designated Market Area. Your Designated Market Area may consist of one or more Territories and will range in size depending on the number of Territories. You may qualify and elect to purchase one or more Territories upon the signing of the Franchise Agreement, and the Initial Franchise Fee you pay will depend on the number of Territories you qualify for and elect to purchase, as approved by us. If you qualify and elect to purchase additional Territories after you sign the Franchise Agreement, you will be required to sign an additional, then-current Franchise Agreement and pay the additional Initial Franchise Fee for that Territory(ies). In August 2025, we reconfigured the methodology used to calculate a Territory size as follows: the number of households in a single Franchise Territory ranges from 90,000 to 150,000 households. The number of households may be higher or lower based on the local demographic data of the Franchise Territory. As of the date of the Disclosure Document, we use data provided by GbBis and other demographic sources as needed. Your Designated Market Area (which will consist of the number of Franchise Territories you purchase) will be largely based on current Zip Code boundaries. Your Designated Market Area and the Franchise Territories within your Designated Market Area cannot be altered except by mutual written agreement during the term of your Franchise Agreement.

If you are in compliance with the terms of your Franchise Agreement, and subject to our reserved rights, as disclosed below, we will not operate, or grant to any other The Maids® franchisee the right to operate, a The Maids® Business within the Designated Market Area without your written permission. If, however, you fail to cure a breach of your Franchise Agreement after we give you written notice of the breach or if we terminate your Franchise Agreement, then we may, or we may grant others the right to, without your permission, offer The Maids® services within your Designated Market Area.

We have designed the Continuing License Fee structure to reward you for expanding your The Maids® Business. Each week, you must pay to us a nonrefundable Continuing License Fee equal to a specified percentage of the weekly Gross Revenues of your The Maids® Business as follows:

Weekly Gross Revenues	Continuing License Fee Percentage
$ 0 - 6,730	6.9%
$ 6,731 - 13,460	6.5%
$ 13,461 - 28,840	6.0%
$ 28,841 - 48,070	5.5%
$ 48,071 - 76,920	5.0%
$ 76,921 - 134,615	4.5%
$ 134,616 and up	3.9%

You must pay to us the following minimum weekly Continuing License Fees under your Franchise Agreement according to the following table:

Period From Date of Franchise Agreement	Minimum Weekly Continuing License Fees Per Agreement
Months 1-6	No minimum
Months 7-24	$150
Months 25-48	$200
Months 49-thereafter	$250

Following the first twelve months of your operation, if you fail to achieve weekly Gross Revenues which would result in a Continuing License Fees calculation equal to or less than the weekly Minimum Continuing License Fees as described in Item 6, more than six (6) different weeks in a twelve (12) month period, we have the right, but are not required, to: (i) modify or reduce the size of the of your Designated Market Area; or (ii) terminate the Franchise Agreement.

You may locate your business office outside your Designated Market Area; however, you may not locate your business office in the Designated Market Area of another franchisee unless agreed to in advance in writing by us and such other franchisee. If you give us written notice, you may relocate your business office.

If you operate your The Maids® Business, service customers, and/or locate your office in the Designated Market Area of another franchisee (without obtaining such prior approval as to the office location), you will be in breach of your Franchise Agreement and subject to our default and termination rights. In addition to our default and termination rights, you will also owe compensation (up to 100% of the Gross Revenue earned) to the franchisee whose Designated Market Area you infringed upon. Other The Maids® Businesses are not authorized to solicit or serve customers in your Designated Market Area.

TMI currently offers a National Alliance Program that allows participating franchisees to receive customer leads located in Zip Codes outside of any existing Designated Market Area, as described in the Online Operations Manual. If we award a franchise for a Designated Market Area that includes any Zip Codes serviced by you under the National Alliance Program, you must immediately stop servicing customers for those Zip Codes and transition all your customers in those Zip Codes over to the new franchisee without any compensation. We may alter or terminate this program at any time.

You may never solicit or serve customers in any other franchisee's Designated Market Area, including using other channels of distribution, such as the Internet. You may not market or advertise outside your

Designated Market Area without obtaining our prior written approval. We may condition our approval on your compliance with any conditions, standards and/or specifications we designate, and we may revoke our approval at any time. You are not granted a right of first refusal or other right pursuant to the Franchise Agreement to purchase any additional The Maids® franchises.

Reserved Rights: We expressly reserve the right, among others:

1. To use, and to license others to use, the Marks and System for the operation of Franchised Businesses at any location other than in your Designated Market Area, regardless of proximity to your Designated Market Area;

2. Although we have not done so and have no current plans to do so, establish, or authorize an affiliate to establish, with no compensation to you, other franchises or company-owned businesses or another channel of distribution within your Designated Market Area which sell or lease any similar products or services under the same or different trademarks, but are not directly competitive with the goods and services offered in The Maids® Business;

3. To engage in any transaction, including to purchase or be purchased by, to merge or combine with, to convert to the System or be converted into a new system with any business, including such businesses operated by competitors or otherwise operated independently or as part of, or in association with, any other system or chain, whether franchised or corporately owned and whether located inside or outside of the Designated Market Area, provided that in such situations the newly acquired businesses may not operate under the Marks in the Designated Market Area;

4. To implement National Accounts or multi-area marketing programs which may allow us or others to solicit or sell to customers anywhere. We also reserve the right to issue mandatory policies to coordinate such National Accounts or multi-area marketing programs;

5. To operate and use any websites utilizing a domain name incorporating the words "The Maids," any of our Marks, and/or similar derivatives thereof. We retain the sole right to market on the internet and use the Marks on the internet, including all use of websites, domain names, URLs, directory addresses, metatags, linking, advertising, marketing, and co-branding and other arrangements. You may not independently market on the internet, or use any domain name, address, locator, link, metatag, or search technique, with words or symbols similar to the Marks or otherwise establish any presence on the internet without our prior written approval; and

6. To open or sell a Franchised Business inside the Designated Market Area and Territory at any time following the termination or expiration of the Franchise Agreement.

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control.

Item 13

P&G owns common law rights in and several trademark registrations for the Mr. Clean trademark, including Registration Number 2,493,607 registered on September 25, 2001 and Registration Number 3,094,001, registered on May 16, 2006. There are no presently effective determinations of the United States Patent and Trademark Office, the Trademark Trial and Appeal Board, or the trademark administrator in any state or any court, no pending infringement, opposition or cancellation proceeding, no pending material litigation involving the trademarks which have limited or restricted the use of our trademarks, trade names, service marks or commercial symbols in any state.

Except as described above, there are no agreements currently in effect which significantly limit our rights to use or license the use of such trademarks, service marks, trade names, logotypes or other commercial symbols in any manner material to you.

To our knowledge, there are no infringing uses which could materially affect your use of the licensed Marks or other related rights in any state. We will protect your right to use the Marks and other related rights and protect you against claims of infringement and unfair competition relating to the Marks. You must notify us immediately of any infringement or unauthorized use of the trademarks or service marks that you become aware of and cooperate with any action we undertake. We will control and conduct all litigation involving the trademarks and service marks. If anyone establishes to our satisfaction that its rights are, for any legal reason, superior to any of the Marks, then you must use such variances or other service marks, trademarks or trade names as we require, avoiding conflict with such superior rights and make such changes at your expense.

You may not use any Mark or portion of any Mark on any website or as part of any domain name without our prior written approval.

Item 14

In addition, under the license agreement with P&G, we have the right to use, and license you the right to certain copyrighted artwork. P&G has not applied for copyright registrations for those copyrights. P&G may terminate the license agreement if we or our franchisees fail to comply with terms of the license agreement, including failure to have our franchisees use the Mr. Clean trademark, failing to pay the license fee or improper use of the trademark. We may terminate the license agreement for convenience if we pay a fee. The license agreement is renewable in 2-year periods.

There are no administrative or legal proceedings or determinations that are likely to adversely affect your use of copyrighted materials, and, except as described above, there are no agreements in effect limiting our right to use or license the use of copyrighted materials.

To our knowledge, there are no potentially infringing uses of copyrighted materials which could materially affect your use of these materials. You should promptly notify us if you learn of any unauthorized use of copyrighted or proprietary materials, and we will take the actions that we determine are appropriate. If anyone establishes that its rights to these materials are superior to ours, you must modify or discontinue your use of these materials as we require.

Confidential Information

You must keep confidential our Online Operations Manuals, any supplements and any other manuals or written materials (including those on computer disks) used in your The Maids® Business. You must also keep confidential online access, such as login identification and passwords for access to proprietary TMI systems. The Online Operations Manuals contain information regarding the Business System. We consider this information a trade secret and extremely confidential. You must use all reasonable means to keep this information confidential and prevent any unauthorized copy, duplication, record or reproduction of this information. You must relinquish access to our Online Operations Manuals, any supplements and any other manuals or written materials (including those on computer disks) to us when new manuals are issued and/or when you are no longer a The Maids® franchise owner. Your employees must sign confidentiality agreements which will require them to keep confidential, both during and after employment, all information we designate as confidential and proprietary.

Patents

No patents are material to a The Maids® franchise and we have no pending patent applications that are material to a The Maids® franchise.

Item 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

You do not have to participate in the operation of your The Maids® Business; however, your The Maids® Business must be managed by a person who has completed our training program. That person need not have an equity interest in your The Maids® Business. That person and all other employees who will have access to the Online Operations Manuals must sign a written confidentiality agreement and keep confidential, both during and after employment, all information we designate as confidential and proprietary.

If the franchisee is a corporation, limited liability company, limited partnership or other similar entity, then you and your spouse and all individuals with an equity stake in The Maids® Business must personally guarantee all the franchisee's obligations to us pursuant to the Franchise Agreement. You and your spouse and all individuals with an equity stake in The Maids® Business must also promise in writing that during the term of the Franchise Agreement, you will not participate in any business that is in any way competitive with a The Maids® Business and that, for 18 months after the expiration or termination of the Franchise Agreement, you and your spouse and all individuals with an equity stake in The Maids® Business will not participate in any competitive business located within your Designated Market Area or any other designated area granted by us or within 20 miles of any of the above described areas. As a result, you will not have the right to service any customers that you obtain during the term of the Franchise Agreement for a period of at least 18 months after expiration or termination of the Franchise Agreement.

Item 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You may only sell the products and services we specifically approve in writing. You must sell all products and services we authorize. We have the right, without any limitation, to change the authorized goods and services sold by The Maids® Businesses. You may not sell products or services outside of your Designated Market Area, except as described in Item 12. Other than as described, there are no limits on the goods or services that you may sell or limits on your access to customers.

We do not limit or restrict your solicitation of customers in your Designated Market Area, although we own all customer information and may use the customer information as we deem appropriate (subject to applicable law), including, without limitation, sharing it with our partners for cross-marketing, customer loyalty programs or other purposes.

Item 18

PUBLIC FIGURES

We do not use any public figure to promote our franchise. No public figure is involved in our management.

Item 19

FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

Historical Financial Performance Representation for The Maids® Businesses

This Item 19 discloses certain historical financial performance information for certain The Maids® businesses that operated in the United States from October 1, 2024, through September 30, 2025 (the "Measurement Period").

As of the issuance date of this Disclosure Document (January 18, 2026, as amended May 12, 2026), there were 106 The Maids® businesses operated by franchisees in 338 Territories ("Franchised Outlets"). We have one affiliate that operates The Maids® business in 35 Territories in 6 states through 6 company-owned offices ("Company-Owned Outlets").

Twenty Franchised Outlets were not in continuous operation for the full Measurement Period. The historical financial performance representation presented in this Item 19 does not include information for 9 of these 20 Franchised Outlets (the "Excluded Outlets"). The Excluded Outlets include 9 Franchised Outlets in 11 Territories that first opened during the Measurement Period. The historical financial performance representation presented in this Item 19 includes information for 11 Franchised Outlets in 20 Territories that closed during the Measurement Period.

The information presented in this Item 19 for the Franchised Outlets and Company-Owned Outlets assumes a Territory size of 90-150,000 households per Territory, so as to be consistent with the size of Territory offered to prospective franchisees under this Disclosure Document.

The Franchised Outlets submit weekly reports to us that form the basis for the financial performance representation in this Item 19. The basis for the information from our Company-Owned

Outlets is our unaudited internal books and records.

Some outlets have earned this amount. Your individual results may differ. There is no assurance that you'll earn as much.

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

I. STATEMENT OF AVERAGE REVENUE PER CLEAN, AVERAGE REVENUE PER CUSTOMER AND PERCENTAGE OF CLEAN BY SERVICE BY FRANCHISED OUTLET AND TERRITORY

The following statements are based on information reported by 97 Franchised Outlets operating in 338 Territories that were in operation for the full Measurement Period or closed during the Measurement Period and that submitted complete reports to us ("Reporting Franchised Outlets").

Table I includes the average revenue per clean, the average annual revenue per customer and the percentage of total cleans by service for regular maid service and Special Projects.

	Average	Median	High	Low	Number and Percentage of Franchised Outlets That Met or Exceeded Average	Number and Percentage of Franchised Territories That Met or Exceeded Average
Regular Maid Service						
Revenue Per Clean [(1)]	$221.39	$204.61	$357.16	$123.18	35 (36.1%)	151 (46.2%)
Annual Revenue per Recurring Customer [(2)]	$4,202.89	$3,998.27	$8,101.26	$1,540.02	40 (41.2%)	168 (52%)
Percentage of Cleans by Type of Service [(3)]	95.1%	95.3%	N/A	N/A	53 (54.6%)	189 (57.8%)
Special Project [(4)]						
Revenue Per Clean [(1)]	$861.58	$791.39	$3,884.40	$284.41	43 (44.3%)	163 (50%)
Annual Revenue per Recurring Customer [(2)]	$837.07	$737.33	$5,147.74	$192.37	38 (39.2%)	112 (34.3%)
Percentage of Cleans by Type of Service [(3)]	4.9%	4.9%	N/A	N/A	43 (44.3%)	137 (42%)

Notes to Table I:

1. "Average Revenue per Clean" means the average revenue received from a customer from one cleaning project (a "Clean"). It is calculated by dividing the total reported revenue by the total reported number of Cleans.

2. "Average Annual Revenue per Recurring Customer" means the total reported recurring revenue generated during the Measurement Period from customers that had a service plan for more than one clean or a recurring customer. The total amount of recurring revenue is divided by the total number of customers identified as a recurring customer.

3. "Percentage of Cleans by Type of Service" means the percentage of total reported number of cleans derived from regular customers and Special Project customers. It is calculated by dividing the total reported number of cleans for each category by total reported number of cleans and multiplying by 100.

4. "Special Projects" are one-time projects and are not regularly scheduled cleanings.

II. STATEMENT OF HIGH REVENUE, LOW REVENUE, AVERAGE and MEDIAN REVENUE

The following statements are based on information reported by 97 Franchised Outlets operating in 338 Territories that were in operation for the full Measurement Period or closed during the Measurement Period and that submitted complete reports to us ("Reporting Franchised Outlets").

Table II includes the high revenue, low revenue, and average and median revenue for the Measurement Period for Reporting Franchised Outlets and Territories.

	Average	Median	High	Low	Number and Percentage of Reporting Franchised Outlets That Met or Exceeded Average	Number and Percentage of Reporting Franchised Territories That Met or Exceeded Average	Average Number of Regular Maid Service Customers (1)
Revenue for Reporting Franchised Outlets	$1,184,666.90	$764,050.98	$7,223,182.61	$52,996.01	31 (32%)	N/A	235.7
Revenue for Reporting Franchised Territories	$386,244.05	$305,937.75	$1,278,507.08	$42,433.50	N/A	183 (56%)	68.6

Notes to Table II:

1. "Average Number of Regular Maid Service Customers" is calculated by taking the average revenue for Reporting Franchised Outlets and Reporting Franchised Territories, as applicable, multiplied by 95.1% (the average percentage of cleans by regular maid service as shown in Section I above), and then dividing it by $4,202.89 (the average annual revenue per recurring regular maid service customer as shown in Section I above).

III. STATEMENT OF REVENUE AND EXPENSE INFORMATION FOR COMPANY-OWNED OUTLETS

The following statements are based on information reported by our Company-Owned Outlets for our affiliate's operation of The Maids® business in 31 Territories in 6 states through its 6 offices (each a "Company-Owned Outlet Office") for the full Measurement Period. During the Measurement Period, our affiliate sold 6 of its Territories to a franchisee (the "Transferred Territories"). The information for the Transferred Territories is not included in this Item 19. Our Company-Owned Outlets operate under franchise agreements with us, pay us the same ongoing fees, have the same local marketing requirements as Franchised Outlets, and generally have the same size Territories as Franchised Outlets. However, our affiliate may pay a lower percentage of Gross Revenue as a Continuing License Fee than the percentage rate paid by our Franchised Outlets, and a lower rate than the rate disclosed in Item 6. The below table presents historical financial performance information for the Company-Owned Outlet Offices.

Notes to Table III:

1. Out of our 6 Company-Owned Outlet Offices, the highest annual revenue is $2,513,955 for our Company-Owned Outlet Office operating in 4 Territories, and the lowest annual revenue is $686,848 for our Company-Owned Outlet Office operating in 5 Territories.

2. 3 of the 6 (50%) Company-Owned Outlet Offices met or exceeded the average annual revenue, with one of the three Company-Owned Outlet Offices operating in 11 Territories, one operating in 5 Territories and the third operating in 1 Territory.

3. Company-Owned Outlet Offices may incur higher management salaries and related benefits than a Franchised Outlet that is owner-operated.

4. The Company-Owned Outlet Offices' expenses for National Marketing & Tech Innovation Fees reflect credits provided to the Company-Owned Outlet Offices for overcharges assessed to the Company-Owned Outlet Offices in the prior fiscal year. As such, the average percentage of revenue for National Marketing & Tech Innovation Fees is lower than expected (and lower than the rate paid by Franchised Outlets) for the Measurement Period.

Other than the preceding financial performance representation, we do not make any financial performance representations. We do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Franchise

Development, The Maids International, LLC, 105 Decker Court, Suite 860, Irving, TX 75062, (402) 558-5555, the Federal Trade Commission, and the appropriate state regulatory agencies.

INDEPENDENT AUDITOR'S REPORT

To the Member and Board of Directors
The Maids International, LLC & Subsidiaries

Opinion

We have audited the accompanying consolidated financial statements of The Maids International, LLC & Subsidiaries (a limited liability company) (the "Company"), which comprise the consolidated balance sheet as of September 30, 2025, and the related consolidated statements of operations, changes in member's equity (deficit) and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of The Maids International, LLC & Subsidiaries as of September 30, 2025, and the results of their operations and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Maids International, LLC & Subsidiaries and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Correction of Errors

As discussed in Note 3 to the consolidated financial statements, certain errors in the 2024 consolidated financial statements, were discovered by management of the Company during the current year. Accordingly, an adjustment has been made to member's deficit as of October 1, 2024, to correct these errors. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Maids International, LLC & Subsidiaries' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Maids International, LLC & Subsidiaries' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Maids International, LLC & Subsidiaries' ability to continue as a going concern for a reasonable period of time.

NOTE 1. ORGANIZATION AND NATURE OF OPERATIONS

Organization

The Maids International, LLC ("TMI"), formerly Maids International, Inc. and a wholly-owned subsidiary of The Maids Holdings, Inc. (the "Parent"), was formed on October 9, 1979, and then converted to a Nebraska limited liability company on February 27, 2020, to sell franchises. Pursuant to TMI's standard franchise agreement, franchisees will operate household maintenance and home service businesses under the name "The Maids" offering residential cleaning services for people who lack the time or desire to clean their home on a one-time or regular basis.

Maids International, Inc. - Advertising Trust ("Marketing Fund"), a wholly-owned subsidiary of TMI, was formed on April 29, 1988, for the purpose of advertising and promoting the business of the franchisees.

TMI Company Store Holding, LLC ("TMCS"), formerly TMI Company Store Holding Corp., a wholly-owned subsidiary of TMI, was formed on August 1, 2016, and then converted to a Nebraska limited liability company on February 27, 2020, owns and operates several of The Maids® corporate residential service businesses.

Hereinafter, TMI, Marketing Fund and TMCS are collectively referred to as the "Company."

The Company is a limited liability company, and therefore the member is not liable for the debts, obligations or other liabilities of the Company, whether arising in contract, tort or otherwise, unless the member has signed a specific guarantee.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The accompanying consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Principles of consolidation

The accompanying consolidated financial statements include the accounts of TMI, Marketing Fund and TMCS. All significant intercompany accounts and transactions have been eliminated in the accompanying consolidated financial statements.

Use of estimates

The preparation of consolidated financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Revenue recognition

The Company derives its revenues from corporate stores, initial territory and franchise fee revenue, transfer fees, continuing license fees, marketing fund fees, software and support fees, technology fund fees, national sales center fees, and other fees.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue recognition (continued)

Corporate store revenues

The Company recognizes revenue from corporate store revenues when the residential cleaning services are provided. Any advanced payments are recorded as deferred revenue until the services are performed.

Initial territory and franchise fees, transfer fees and continuing license fees

Contract consideration from franchisees primarily consists of initial or renewal territory and franchise fees, sales-based continuing license fees, sales-based marketing fund fees and transfer fees payable by a franchisee for the transfer of its franchise unit to another franchisee. The initial territory and franchise fees are nonrefundable and collected when the underlying franchise agreement is signed by the franchisee. Sales-based continuing license fees are payable weekly. Renewal and transfer fees are payable when an existing franchisee renews the franchise agreement for an additional term or when a transfer to a third party occurs, respectively.

The Company's primary performance obligation under the franchise agreement mainly includes granting certain rights to access the Company's intellectual property and a variety of activities relating to opening a franchise unit, including site selection, training and other such activities commonly referred to collectively as "pre-opening activities". Certain pre-opening activities are deemed to be distinct as they provide a benefit to the franchisee and are not highly interrelated or interdependent to access to the Company's intellectual property. For all other pre-opening activities, if any, the Company will determine if a certain portion of those pre-opening activities provided is not brand specific and provides the franchisee with relevant general business information that is separate from the operation of a company-branded franchise unit. The portion of pre-opening activities that is not brand specific will be deemed to be distinct as it provides a benefit to the franchisee and is not highly interrelated to the use of the Company's intellectual property and therefore accounted for as a separate performance obligation.

All other pre-opening activities will be determined to be highly interrelated to the use of the Company's intellectual property and therefore accounted for as a single performance obligation, which is satisfied by granting certain rights to use the Company's intellectual property over the term of each franchise agreement.

The Company estimates the stand-alone selling price of pre-opening activities using an adjusted market assessment approach. The Company first allocates the initial territory and franchise fees and the fixed consideration under the franchise agreement to the stand-alone selling price of the pre-opening activities and the residual, if any, to the right to access the Company's intellectual property. Consideration allocated to pre-opening activities that are distinct are recognized when the franchisee location opens.

Initial and renewal territory and franchise fees allocated to the right to access the Company's intellectual property are recognized as revenue on a straight-line basis over the term of the respective franchise agreement.

Continuing license fees are earned as a percentage of franchisee gross sales ("sales-based continuing license fees") over the term of the franchise agreement, as defined in each respective franchise agreement. Franchise continuing license fees, which represent sales-based continuing license fees that are related entirely to the use of the Company's

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue recognition (continued)

Initial territory fees, transfer fees and continuing license fees (continued)

intellectual property, are recognized as franchisee sales occur and the continuing license fee is deemed collectible.

Marketing fund

The Company maintains a marketing fund established to collect and administer funds contributed for use in advertising and promotional programs for franchise units. Marketing fund fees are collected from franchisees on a weekly basis, based on a percentage of franchisee gross sales. The Company has determined that it acts as a principal in the collection and administration of the marketing fund and therefore recognizes the revenues and expenses related to the marketing fund on a gross basis. The Company has determined that the right to access its intellectual property and administration of the marketing fund are highly interrelated and therefore are accounted for as a single performance obligation. As a result, revenues from the marketing fund represent sales-based continuing license fees related to the right to access the Company's intellectual property, which are recognized as franchisee sales occur.

When system marketing fund fees exceed the related marketing fund expenses in a reporting period, advertising costs are accrued up to the amount of marketing fund revenues recognized.

Technology fund

The Company maintains a technology fund established to collect and administer funds contributed for use in technology services for franchise units. Technology fund fees are collected from franchisees on a weekly basis, based on a percentage of franchisee gross sales. The Company has determined that it acts as a principal in the collection and administration of the technology fund and therefore recognizes the revenues and expenses related to the technology fund on a gross basis. The Company has determined that the right to access its intellectual property and administration of the technology fund are highly interrelated and therefore are accounted for as a single performance obligation. As a result, revenues from the technology fund represent sales-based continuing license fees related to the right to access the Company's intellectual property, which are recognized as franchisee sales occur.

Software and support fees

Software and support fees are collected from franchisees based on a fixed charge based on the number of offices on a monthly basis. Software and support fees are recognized as services are rendered.

National sales center fees

National sales center fees are collected from franchisees based on a fixed charge on a weekly basis. National sales center fees are recognized as services are rendered.

Incremental costs of obtaining a contract

The Company capitalizes direct and incremental costs, principally consisting of commissions, associated with the sale of franchises and amortizes them over the term of the franchise agreement. In the case of costs paid for which no signed franchise agreement has been received, these costs are deferred until the signed franchise agreement is received.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and cash equivalents

Cash and cash equivalents consist primarily of cash on deposit and accounts that are readily convertible into cash.

Accounts receivable and notes receivable

Accounts receivable and notes receivable are stated at the amount the Company expects to collect. The Company maintains allowances for credit losses for estimated losses resulting from the inability of some of its franchisees and customers to make required payments. Unbilled accounts receivable, which are included in accounts receivable, represent amounts the Company has an unconditional right to receive payment for, although invoicing is subject to contractual billing requirements. The Company assesses collectibility by reviewing accounts receivable and notes receivable from franchisees and customers on a collective basis where similar risk characteristics exist. In determining the amount of the allowance for credit losses, management considers historical collectibility and makes judgments about the creditworthiness of the pool of franchisees and customers based on credit evaluations. Current market conditions and reasonable and supportable forecasts of future economic conditions are considered in adjusting the historical losses to determine the appropriate allowance for credit losses. Uncollectible accounts are written off when all collection efforts have been exhausted. The allowance for credit losses at September 30, 2025 and 2024, amounted to $125,863 and $89,095, respectively.

The allowance for credit losses for the year ended September 30, 2025, is comprised of the following:

	Accounts Receivable	Notes Receivable	Total
Beginning balance	$ 25,920	$ 63,175	$ 89,095
Provisions	159,256	271,062	430,318
Write-offs	(122,488)	(271,062)	(393,550)
Recoveries	-	-	-
Allowance for credit losses	$ 62,688	$ 63,175	$ 125,863

Marketable equity securities

All marketable securities must be classified as one of the following: held to maturity, available for sale, or trading. The Company classifies its marketable securities as available for sale, and, as such, carries the investments at fair value, with unrealized holding gains and losses reported in member's deficit as a separate component of net loss. The cost of securities sold is determined based on the specific identification method. Realized gains and losses, and declines in value judged to be other than temporary, are included in other income. During the year ended September 30, 2025, the Company sold all investments in marketable equity securities.

Property and equipment

Property and equipment are carried at cost, less accumulated depreciation. Expenditures for maintenance and repairs are expensed currently, while renewals and betterments that materially extend the life of an asset are capitalized. The cost of assets sold, retired, or otherwise disposed of, and the related allowance for depreciation, are eliminated from the accounts, and any resulting gain or loss is recognized.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and equipment (continued)

Depreciation is provided using the straight-line and various accelerated methods over the estimated useful lives of the assets as follows:

Computers and software	3 years
Equipment	5 - 7 years
Furniture and fixtures	5 - 10 years
Vehicles	5 years
Leasehold improvements	Shorter of lease term or useful life

Goodwill and intangible assets

Goodwill represents the excess purchase price over the estimated fair value of net assets acquired in a business combination including customer-related intangible assets that are not capable of being sold or licensed independently from the other business assets as permitted for private companies by Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 350, *Intangibles – Goodwill and Other*. The Company amortizes goodwill on a straight-line basis over 10 years, or less than 10 years if another useful life is more appropriate and has elected to test goodwill for impairment at the entity level. Additionally, the Company elected the accounting alternative for triggering event assessments and tests goodwill for impairment when there is a triggering event (e.g., a deterioration in general economic conditions or in the environment in which the Company operates) at the end of a reporting period.

When impairment indicators are identified, the Company compares the entity's fair value to its carrying amount, including goodwill. An impairment loss is recognized as the difference, if any, between the entity's carrying amount and its fair value to the extent the difference does not exceed the total amount of goodwill recorded.

There were no triggering events identified in 2025 that warranted a goodwill impairment analysis.

Indefinite-lived intangible assets are tested for impairment annually and more frequently when there is a triggering event. Annually, or when there is a triggering event, the Company first performs a qualitative assessment by evaluating all relevant events and circumstances to determine if it is more likely than not that the indefinite-lived intangible assets are impaired; this includes considering any potential effect on significant inputs to determining the fair value of the indefinite-lived intangible assets. When it is more likely than not that an indefinite-lived intangible asset is impaired, then the Company calculates the fair value of the intangible asset and performs a quantitative impairment test.

For the trade name, the Company performed a qualitative assessment as of September 30, 2025, and determined that it was not more likely than not that the intangible asset was impaired.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases

The Company has operating lease agreements for its corporate owned locations, corporate office space, and equipment. Certain leases contain renewal options. The Company determines if an arrangement is a lease at the inception of the contract. At the lease commencement date, each lease is evaluated to determine whether it will be classified as an operating or finance lease. For leases with a lease term of 12 months or less (a "short-term" lease), any fixed lease payments are recognized on a straight-line basis over such term and are not recognized on the consolidated balance sheet. Lease terms include the noncancellable portion of the underlying leases along with any reasonably certain lease periods associated with available renewal periods, termination options and purchase options. The Company has lease agreements with lease and non-lease components, which are generally accounted for separately with amounts allocated to the lease and non-lease components based on stand-alone prices. The Company uses the risk-free discount rate when the rate implicit in the lease is not readily determinable at the commencement date in determining the present value of lease payments. The lease agreements do not contain any material residual value guarantees or material restrictive covenants.

Income taxes

The Company is a single-member limited liability company and therefore a disregarded entity for income tax purposes. The Company's assets, liabilities and items of income, deductions and credits are combined with and included in the income tax return of the member. For certain state and local purposes, an entity level tax is assessed on the Company, but the amounts are not significant to the consolidated financial statements.

The Company recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, *Income Taxes*. Under that guidance, management assesses the likelihood, based on their technical merit, that tax positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change. The Company had no uncertain tax positions for the year ended September 30, 2025.

Variable interest entities

The accompanying financial statements consolidate the Company's financial statements with those of all subsidiaries that the Company controls. The Company is deemed to control another company either by ownership of all majority voting interest in the Company's equity or by incurring a contractual obligation to provide additional financial support to the other company. All significant intercompany transactions and balances have been eliminated from the financial statements.

The following data reflects the status of the Company's franchised outlets as of and for the year ended September 30, 2025:

Franchises sold	19
Franchises terminated	16
Franchises purchased	-
Franchised outlets in operation	349

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent events

In accordance with FASB ASC 855, *Subsequent Events*, the Company has evaluated subsequent events through January 16, 2026, the date on which these consolidated financial statements were available to be issued. Except as disclosed in Note 11, there were no material subsequent events that required recognition or additional disclosure in these consolidated financial statements.

NOTE 3. CORRECTION OF ERRORS

During 2025, the Company identified errors in its previously issued consolidated financial statements related to the accounting for incremental direct costs to obtain a contract, revenue recognition, leases, goodwill, expenses, capitalization of property and equipment, an omission of technology fund transactions, and an omission of a subsidiary from the consolidated financial statements. Specifically:

- Prepaid commissions were understated by $553,606 as of September 30, 2024, due to the improper recognition of incremental direct costs to obtain a contract.
- Deferred revenue was understated by $102,992 as of September 30, 2024, due to the improper recognition of revenues in relation to franchise agreements signed.
- Cash and cash equivalents and accounts receivable were overstated by $86,225 as of September 30, 2024, due to improper recognition of revenues.
- Operating lease right-of-use assets were overstated by $2,525,900 and operating lease liabilities were overstated by $2,589,451 for the year ended September 30, 2024, due to the improper recognition of lease accounting.
- Goodwill, net was overstated by $8,112,625 as of September 30, 2024, due to an error in the purchase price allocation for a prior business combination. The Company did not allocate the purchase price to the tradename, an indefinite lived asset, and amortized the entire balance over a period of 10 years. The trademark was understated by $14,947,000.
- Accrued expenses were understated by $111,659 as of September 30, 2024.
- Property and equipment were overstated by $71,184 as of September 30, 2024, due to the improper capitalization of items that were to be expensed.
- Assets were understated by $45,328 and liabilities were understated by $71,889 as of September 30, 2024, due to the improper omission of the activity of the technology fund revenue and related expenses.
- Assets were understated by $340,362 and liabilities were understated by $139,668 as of September 30, 2024, due to the improper omission of the activity of Marketing Fund.

The cumulative effect of these corrections resulted in a decrease of member's deficit by $7,253,585 as of October 1, 2024 and a decrease of approximately $420,000 to net loss for the year ended September 30, 2024.

NOTE 4. REVENUES AND RELATED CONTRACT BALANCES

Disaggregated revenues

The Company derives its revenues from franchisees and customers located throughout the United States. The economic risks of the Company's revenues are dependent on the strength of the economy in the United States and its ability to collect on its contracts. The Company disaggregates revenue from contracts with customers by timing of revenue recognition by type of revenues, as it believes this best depicts how the nature, amount, timing and uncertainty of revenue and cash flows are affected by economic factors.

Accounts receivable and notes receivable
Concentration of credit risk with respect to receivables is limited due to the number of franchisees and customers in the Company's customer base and their geographic dispersion. The Company provides an allowance for credit losses equal to the estimated collection losses based on historical experience coupled with a review of the current status of existing receivables.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
The Maids International, LLC and Subsidiary

Opinion

We have audited the accompanying consolidated financial statements of The Maids International, LLC and Subsidiary (collectively, the Company), which comprise the consolidated balance sheets as of September 30, 2024 and 2023, and the related consolidated statements of operations, member's equity (deficit), and cash flows for the years then ended, and the related notes to the consolidated financial statements (the financial statements).

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of The Maids International, LLC and Subsidiary as of September 30, 2024 and 2023, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of the internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Organization and Principles of Consolidation – The accompanying consolidated financial statements include The Maids International, LLC and its wholly-owned subsidiary TMI Company Store Holding, LLC (collectively, the Company). All significant intercompany accounts and transactions have been eliminated in the consolidated financial statements. The Maids International, LLC is a wholly owned subsidiary of Maids Holdings, Inc. (parent company).

Initial and continuing license fees and other revenues are primarily comprised of fees received from new and existing franchisees. Company owned cleaning revenues relate to sales of cleaning services to the general public by Company operated units.

The following is a summary of markets operated by the Company and its franchisees as of September 30, 2024 and 2023:

Marketable securities – Marketable securities are reported at fair value. See Note 3 for discussion of fair value measurements. Income from marketable securities, including realized and unrealized gains, is recognized as income on the Statement of Operations.

Certificates of Deposit – The Company holds certificates of deposit with a national financial institution bearing interest rates from 5.30% to 5.35%, maturing from December 2024 to May 2025. The certificates of deposit are recorded at cost plus accrued interest.

Trade Receivables – Trade accounts receivable are recorded at the invoice amount and do not bear interest. The allowance for credit losses is the best estimate of the amount of probable losses in trade receivables and is based on historical experience, current conditions, and reasonable forecasts of future conditions. Accounts are written off when deemed uncollectible. Recoveries of amounts previously written off are recorded as income when received.

1. Summary of Significant Accounting and Reporting Policies - Continued

Notes Receivable – Notes receivable are recorded at the original note amount for franchisees that choose to pay for the initial franchise territory and expansion sales in installments over the agreed upon term. The allowance for credit losses is the best estimate of the amount of probable losses in notes receivable and is based on historical franchise success rates, current conditions, and reasonable forecasts of future conditions. Notes are written off when deemed uncollectible. Recoveries of amounts previously written off are recorded when received.

Property and Equipment – Property and equipment is stated at cost. Expenditures for additions and betterments are capitalized; expenditures for maintenance and repairs are charged to expense as incurred. The costs of assets disposed, and the related accumulated depreciation are eliminated from the accounts in the year of disposal. Gains or losses from property disposals are recognized in the year of disposal. Depreciation expense for the years ended September 30, 2024 and 2023 was $334,441 and $281,759, respectively, and is computed using straight-line method over the following useful lives:

	Years
Computer Software	3-10
Leasehold Improvements	3-10
Furniture and Equipment	3-10
Vehicles	5

Goodwill – Goodwill is amortized on a straight-line basis over 10 years. During 2021, the Company adopted Accounting Standards Update (ASU) 2021-03 *Intangibles - Goodwill and Other*, which requires evaluation of goodwill for possible impairment as of the end of each reporting period if events or circumstances indicate a possible impairment may exist. Accordingly, the Company tests goodwill for impairment annually as of the end of each reporting period only if circumstances indicate a possible impairment may exist. No impairment was recorded during the year ending September 30, 2024.

Goodwill consists of the following:

	Amortization Period	2024	2023
Gross goodwill	10 Years	$ 36,312,200	36,032,200
Less accumulated amortization		16,510,175	12,907,955
		$ 19,802,025	23,124,245

Amortization expense for the years ended September 30, 2024 and 2023 totaled $3,602,220 for each respective year.

Leases – The Company leases buildings and equipment. The Company determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use assets, current portion of operating lease liabilities, and operating lease liabilities, net of the current portion on the balance sheets. The Company has elected to apply the short-term lease exception to all leases with a term of one year or less.

1. Summary of Significant Accounting and Reporting Policies - Continued

Leases – ***Continued --*** Right-of-use assets represent the Company's right to use an underlying asset for the lease term, and lease liabilities represent the Company's obligation to make lease payments arising from the lease. Operating lease right-of-use assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. The Company's leases do not provide an implicit rate. The Company utilizes their incremental borrowing rate for a similar period to that of the lease term based on the information available at commencement date in determining the present value of lease payments. The operating lease right-of-use asset also includes any lease payments made and excludes lease incentives. Lease terms may include options to extend or terminate the lease when it is reasonably certain that they will be exercised. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

Certain lease agreements contain variable lease payments which are set at the discretion of the lessor. In addition, the Company has lease agreements with lease and non-lease components that are accounted for separately. In allocating consideration in the contract to the separate lease and non-lease components, the Company uses the observable standalone price of the lease and non-lease components, if available. Such payments, primarily comprised of common area maintenance and real estate taxes, are recognized in operating expenses in the period in which the obligation for those payments is incurred. The Company's leases do not contain any material residual value guarantees or material restrictive covenants.

Advertising Costs – Costs related to marketing and advertising the Company's services are charged to operations as incurred. Advertising costs for the years ended September 30, 2024 and 2023 were approximately $405,000 and $362,000, respectively.

Revenue Recognition –

Franchise Operations

The Company complies with Accounting Standards Codification (ASC) 606, Revenue from Contracts with Customers. ASC 606 outlines a single, comprehensive model on accounting for revenue.

As part of the agreement with franchisees, the Company receives an initial territory fee and continuing sales-based licensing fees. Revenue is recognized at both a point in time, and over time upon completion of certain performance obligations.

The Company identified certain pre-opening services for which it has elected the practical expedient to account for such as distinct from the franchise licensing fees. In addition, the Company made the accounting policy election to recognize pre-opening services as a single performance obligation. Such pre-opening services include various training, set up, and designation of market area for each franchise. Revenues related to pre-opening services are recognized on the date the franchise territory opens. Initial territory fees are recognized evenly over time based on the term of the agreement, which is generally ten years.

1. Summary of Significant Accounting and Reporting Policies - Continued

Company Unit Operations

Revenues for Company operated units are recognized at the point in time cleaning services are complete. Payment is generally due upon completion of the cleaning services. However, various economic factors affect the timing of cash receipts. The Company does not require collateral for related receivables because they are generally collected within their normal terms.

Revenue recognized at a point in time for the years ended September 30, 2024 and 2023 totaled $9,966,377 and $9,703,682, respectively. The beginning and ending contract balances were as follows as of September 30:

	2024	2023	2022
Accounts receivable, net (included in trade receivables, net)	$ 38,250	69,005	69,837

Taxes assessed by a governmental authority that are both imposed on and concurrent with a specific revenue-producing transaction, that are collected by the Company from a customer and passed on to the authority, are excluded from revenue.

1. Summary of Significant Accounting and Reporting Policies - Continued

Income Taxes – The Company is considered a pass-through entity for income tax purposes. The corporate owner of a pass-through entity is required to report income (loss) and deductions on their corporate income tax returns. Therefore, no provision for income taxes is included in these financial statements.

The accounting standard commonly known as *Accounting for Uncertainty in Income Taxes* requires disclosure and recognition in financial statements of positions taken in a tax return about the treatment of transactions and events that more likely than not would not be sustained upon examination by tax authorities. The Company believes it complies with all relevant tax laws and regulations and has no significant uncertain tax positions. Therefore, no liability for uncertain taxes has been recorded in the financial statements.

Estimates and Assumptions – Management uses estimates and assumptions in preparing financial statements in conformity with accounting principles generally accepted in the United States of America. Estimates and assumptions affect the reported amount of assets, liabilities, revenues, expenses, and related disclosures. Because of the inherent uncertainties in this process, it is likely that actual results will vary from the estimates.

Reclassification – Amounts were reclassified in 2024 to conform to the current year presentation.

Subsequent Events – Management evaluated transactions and events occurring subsequent to September 30, 2024 through January 16, 2025, the date the financial statements were available to be issued to determine whether any events should be recognized or disclosed in these consolidated financial statements. There were no material transactions or events in the subsequent period requiring disclosure or recognition in the statements.

2. Fair Value

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Company has the ability to access.

2. Fair Value – Continued

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Company's assets at fair value as of September 30, 2024. There were no assets at fair value as of September 30, 2023.

	Investments at Fair Value as of September 30, 2024

THE MAIDS INTERNATIONAL, LLC

FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (this "Agreement") is made and entered into to be effective as of this _____ day of _____, 20___ by and between The Maids International, LLC, a Nebraska limited liability company ("TMI" or "Franchisor") and _____ _____, a _____ ("Franchisee");

R E C I T A L S:

WHEREAS, TMI has expended considerable time, effort, skill and financial resources in developing a business concept for operating businesses of a distinctive character and quality offering household maintenance and cleaning under the name "The Maids®" (the "System") and has publicized the name The Maids® to the public and other businesses as an organization of businesses operating under the System;

WHEREAS, TMI represents that it has the right and the authority to license the use of the name The Maids®, Mr. Clean® and certain other trademarks, trade names, service marks, slogans, logos and commercial symbols (the "Marks") for use in connection with the businesses operated in conformity with the System to selected persons, businesses or entities who will comply with TMI's uniformity requirements and quality standards;

WHEREAS, The Franchisee desires to operate a business using the name The Maids® and the other Marks (a "The Maids® Business") within the Designated Market Area set forth in Exhibit "A" in conformity with the System and TMI's uniformity requirements and quality standards as established and promulgated from time to time by TMI;

WHEREAS, The Franchisee has had a full and adequate opportunity to read and review this Agreement and to be thoroughly advised of the terms and conditions of this Agreement by an attorney or other personal advisor, and has had sufficient time to evaluate and investigate the System, the financial requirements and the economic and business risks associated with the System;

WHEREAS, TMI is willing to provide the Franchisee with marketing, advertising, operational and other business information and "know-how" regarding the operation of a The Maids® Business that has been developed by TMI over time and at a significant cost and investment to TMI;

WHEREAS, The Franchisee acknowledges that it would take substantial capital and human resources to develop a business similar to the Franchised The Maids® Business and as a result, desires to acquire from TMI the right to use the Marks and the System and to operate a The Maids® Business subject to and under the terms and conditions set forth in this Agreement; and

WHEREAS, The Franchisee acknowledges that TMI would not grant the Franchise to the Franchisee or provide the Franchisee with any business information or operational know-how about the Franchised

Business and the System unless the Franchisee agreed to comply in all respects with the terms and conditions of this Agreement and to pay the Initial Franchise Fee, the SMART START Package Fee, the Continuing License Fees, all as defined below and the other fees and payments specified in this Agreement and any other agreements executed in connection with this Agreement.

NOW, THEREFORE, in consideration of the mutual promises and covenants set forth in this Agreement and for other good and valuable consideration, the parties hereby contract as follows:

ARTICLE 1
GRANT OF FRANCHISE

1.1 GRANT. TMI grants to the Franchisee, subject to the terms and conditions of this Agreement, the personal right and license to:

(A) establish and operate one The Maids® Business (the "Franchised Business") within the specific geographic area described on Exhibit A to this Agreement that has been authorized by TMI (the "Designated Market Area");

(B) use the Marks under the terms and conditions of this Agreement to identify and promote the Franchised Business and the goods and services offered hereunder; and

(C) use TMI's proprietary business methods, know-how, standards and requirements for the System as set forth periodically in TMI's Manuals, online media, other manuals, training programs, The Maids® internet site or other communications to the Franchisee.

1.2 PROTECTED AREA. So long as this Agreement is in full force and effect and Franchisee is not in default under any of the terms hereof, TMI will not operate, or grant to any other The Maids® franchisee the right to operate, a The Maids® Business within the Designated Market Area without the prior consent of the Franchisee. TMI will have the absolute and unconditional right to grant other franchisees the right to use the name "The Maids®," the other Marks and the System outside of the boundaries of the Designated Market Area. During the term of this Agreement and thereafter, TMI has the right to directly or indirectly sell any proprietary products that have been or may be developed by TMI to other persons, businesses or entities that are not The Maids® franchises through other methods of distribution (including, without limitation, the Internet) anywhere in the world, including the Designated Market Area. TMI reserves all rights not specifically granted to Franchisee.

1.3 TMI'S RIGHT TO ENTER PROTECTED AREA. Notwithstanding the provisions of Article 1.2 above, TMI may operate, or grant others the right to operate, a The Maids® Business within the Designated Market Area without the Franchisee's written permission, if:

(A) the Franchisee fails to cure a breach of this Agreement after TMI gives the Franchisee written notice of the breach in accordance with Article 16 of this Agreement; or

(B) TMI terminates this Agreement in accordance with Article 16 of this Agreement.

1.4 DESIGNATED MARKET AREA/MULTIPLE FRANCHISE TERRITORIES. The Franchisee's Designated Market Area will be made up of one or more Franchise Territories. A Franchise Territory consists of approximately 90,000 to 150,000 households ("Households"). The Designated Market

described on Exhibit "A" of this Agreement consists of the number of Franchise Territories identified in Section 1 of Exhibit "A."

ARTICLE 2
ACCEPTANCE BY FRANCHISEE

2.1 ACCEPTANCE. Franchisee accepts this Agreement and the license granted herein, and undertakes the obligation to operate the Franchised Business in accordance with the System within the Designated Market Area using the Marks in strict compliance with the terms and conditions of this Agreement for the entire term of this Agreement. The rights and privileges granted to the Franchisee by TMI under this Agreement are applicable only in the Designated Market Area, are personal in nature, and may not be used elsewhere or at any other location or within any other Designated Market Area within the United States or any other country by the Franchisee without the prior written permission of TMI. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, IF THE FRANCHISEE PERFORMS SERVICES, SELLS PRODUCTS OR OTHERWISE CONDUCTS BUSINESS OF THE TYPE COVERED BY THIS AGREEMENT INSIDE THE DESIGNATED MARKET AREA OF ANOTHER THE MAIDS FRANCHISEE, THEN THE FRANCHISEE WILL BE IN MATERIAL BREACH OF THIS AGREEMENT AND TMI WILL HAVE THE RIGHT TO TERMINATE THIS AGREEMENT IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF ARTICLE 16 BELOW; IN ADDITION, WITH RESPECT TO THE GROSS REVENUES RECEIVED FOR SUCH BUSINESS CONDUCTED INSIDE OF THE DESIGNATED MARKET AREA OF SUCH OTHER FRANCHISEE, THE FRANCHISEE WILL ALSO OWE COMPENSATION (UP TO 100% OF GROSS REVENUES EARNED) TO THE FRANCHISEE WHOSE DESIGNATED MARKET AREA WAS INFRINGED UPON. THE DEMAND FOR AND THE COLLECTION AND ACCEPTANCE OF THE RESTITUTION COMPENSATION UNDER THIS ARTICLE 2.1 WITH RESPECT TO BUSINESS CONDUCTED BY THE FRANCHISEE INSIDE OTHER FRANCHISEE'S DESIGNATED MARKET AREA SHALL NOT, UNDER ANY CIRCUMSTANCES, BE A WAIVER BY TMI OF THE FRANCHISEE'S OBLIGATION TO CONDUCT ITS BUSINESS ONLY WITHIN THE FRANCHISEE'S DESIGNATED MARKET AREA OR A WAIVER BY TMI OF ANY BREACH OF SUCH OBLIGATION. FRANCHISEE MAY NEVER SOLICIT OR SERVE CUSTOMERS IN ANY OTHER FRANCHISEE'S DESIGNATED MARKET AREA.

2.2 PERSONAL LICENSE. Franchisee will not have the right to franchise, sub-franchise, license or sublicense its rights under this Agreement. Franchisee will not have the right to assign or transfer this Agreement or its rights under this Agreement, except as specifically provided in this Agreement.

2.3 PERSONAL GUARANTY. If Franchisee is a corporation, limited liability company, limited partnership or other similar entity, then all individuals with an equity stake in The Maids® Business and all such individuals' spouses must personally guarantee all Franchisee's obligations to Franchisor pursuant to this Agreement. The form Personal Guaranty is attached as Exhibit B to this Agreement.

ARTICLE 3
TERM OF AGREEMENT; FRANCHISEE'S RIGHT OF RENEWAL

3.1 TERM. The term of this Agreement will be for 10 years, and will commence on the date set forth on Page l of this Agreement. This Agreement will not be enforceable until it has been signed by both the Franchisee and TMI, and until the signed Agreement has been delivered to the Franchisee.

3.2 CONDITIONS TO RENEWAL. At the end of the term of this Agreement, the Franchisee will have a right of first refusal to reacquire the Franchise for the Designated Market Area for

two renewal terms of five (5) years each, if Franchisee has agreed to and has complied in all respects with the following conditions:

(A) The Franchisee has given TMI written notice of its intent to reacquire the Franchise for the Designated Market Area at least nine (9) months prior to the end of the term of this Agreement;

(B) The Franchisee has complied with all of the terms and conditions of this Agreement and has complied with TMI's operating and quality standards and procedures. In the event a business review hasn't been completed by TMI in the preceding 36 months of receiving notice, TMI will conduct a business review within 120 days of the end of the term of this Agreement and will allow Franchisee 90 days to remedy any deficiencies found during such business review;

(C) All monetary obligations owed by the Franchisee to TMI have been remitted or satisfied prior to the end of the term of this Agreement and have been timely met throughout the term of this Agreement;

(D) The Franchisee agrees to execute and comply with the then-current standard The Maids® franchise agreement then being offered to new franchisees by TMI, subject further to the provisions of Article 3.3 of this Agreement, and executes such agreement at least 180 days prior to the expiration of this Agreement;

(E) The Franchisee and its owners and guarantors execute a general release of claims in favor of TMI, in a form acceptable to TMI;

(F) The Franchisee or the Franchisee's Manager agrees to complete and does successfully complete to TMI's reasonable satisfaction, prior to commencement of the renewal term, any retraining program TMI may prescribe, attendance at such retraining program to be at the sole expense of the Franchisee including, but not limited to, all expenses of transportation and lodging; and

(G) The Franchisee pay to Franchisor a renewal fee of $3,750.

3.3 TERMS OF RENEWAL. The Franchisee will have a right of first refusal to reacquire the Franchise for the Designated Market Area under the same terms and conditions then being offered to other franchisees by TMI under TMI's then-current standard The Maids® franchise agreement, except that each of the two renewal terms will be for five (5) years each. The Franchisee will, however, be required to remit the Continuing License Fees and all other fees at the rates specified in the then-current standard The Maids® franchise agreement, and to remit any additional fees not specified or provided in this Agreement but which are required to be remitted to TMI or others by the terms of the then-current standard The Maids® franchise agreement. The Franchisee acknowledges that the terms, conditions, capital requirements, equipment costs and economics of subsequent The Maids® franchise agreements and the then-current standard The Maids® franchise agreement of TMI may, at that time, vary in substance and form from the terms, conditions and economics of this Agreement.

3.4 EXTENSION OF TERM. If Franchisee does not renew pursuant to the terms of this Article 3 at the expiration of the term and continues to accept the benefits of this Agreement after the expiration of the term, then at TMI's option, this Agreement may be treated as: (i) expired as of the date of the expiration with Franchisee then operating the Franchised Business without a license to do so in violation of TMI's rights; or (ii) continued on a month-to-month basis until TMI provides Franchisee with notice of

TMI's intent to terminate the month-to-month term. In the latter case, all of Franchisee's obligations shall remain in full force and effect as if this Agreement had not expired, and all obligations and restrictions imposed upon Franchisee upon the expiration of this Agreement shall be deemed to take effect upon the termination of the month-to-month term.

ARTICLE 4
LICENSING OF MARKS AND SYSTEM TO FRANCHISEE

4.1 TMI'S RIGHT TO LICENSE MARKS. TMI warrants that it has the right to grant the Franchisee and, except as provided herein, to license the Marks and the System to the Franchisee. Any and all improvements made by the Franchisee relating to the Marks or the System will be the sole and absolute property of TMI who will have the exclusive right to register and protect all such improvements in its name in accordance with applicable law. The Franchisee's right to use and identify with the Marks and the System will exist concurrently with the term of this Agreement and such use by the Franchisee will inure exclusively to the benefit of TMI.

4.2 CONDITIONS TO LICENSE OF MARKS. TMI hereby grants to the Franchisee the nonexclusive personal right to use the Marks and the System in accordance with the provisions of this Agreement. The Franchisee's nonexclusive personal right to use the name "The Maids®" as the name of the Franchised Business and its right to use the Marks and the System applies only to the Franchised Business within the Designated Market Area and such rights will exist only so long as the Franchisee fully performs and complies with all of the conditions, terms and covenants of this Agreement. The Franchisee will not have or acquire any rights in any of the Marks or the System other than the right of use as provided herein. The Franchisee will have the right to use the Marks and the System only in the manner prescribed, directed and approved by TMI in writing. If, in the judgment of TMI, the acts of the Franchisee infringe upon or demean the goodwill, uniformity, quality or business standing associated with the Marks or the System, then the Franchisee will, upon written notice from TMI, immediately modify its use of the Marks or the System in the manner prescribed by TMI in writing. Any and all goodwill associated with the Marks and the System will inure exclusively to TMI's benefit and upon the expiration or termination of this Agreement, no monetary amount will be assigned as attributable to any goodwill associated with the Franchisee's use of the Marks and the System. The Franchisee will at no time take any action whatsoever to contest the validity or the ownership of TMI's Marks and System and the goodwill associated therewith.

4.3 RESTRICTIONS ON INTERNET AND WEBSITE USAGE. Franchisee may market, advertise and promote its Franchised Business using social and professional networking sites, on-line listings, and on-line advertisements to promote the Franchisee's Franchised Business, only with TMI's prior written approval and in accordance with TMI's current social media and/or internet-related policies (if any). Notwithstanding the foregoing, TMI retains exclusive ownership and control over all online listings, including but not limited to Google Business pages, and reserves the right to create, operate, maintain, modify, or discontinue the use of any websites, social media profiles, professional networking sites, online listings, and online advertisements that utilize the Marks. Franchisee acknowledges and agrees that TMI has sole discretion over the content, maintenance, and management of all online listings, including those that feature the Marks, and that any online presence associated with the Marks must be authorized and managed by TMI. Franchisee will not, without TMI's prior written approval: (1) link or frame TMI's website; (2) create or register any internet domain name with any connection with Franchisee's Franchised Business; or (3) use any e-mail address which TMI has not authorized for use in operating the Franchised Business. Franchisee will not register, as internet domain names, any of the Marks now or hereafter owned by TMI or TMI's affiliate or any abbreviation, acronym or variation of the Marks, or any other name that could be deemed confusingly similar.

4.4 ADVERSE CLAIMS TO MARKS. If there are any claims by any third party that its rights to any or all of the Marks are superior to those of TMI and if TMI's attorneys are of the opinion that such claim by a third party is legally meritorious, or if there is an adjudication by a court of competent jurisdiction that any party's rights to the Marks are superior to those of TMI, then upon written notice from TMI, the Franchisee will, at its sole expense, immediately adopt and use the changes and amendments to the Marks that are specified by TMI in writing. In that event, the Franchisee will immediately cease using the Marks specified by TMI, and will, as soon as reasonably possible, commence using the new trademarks, trade names, service marks, logos, designs and commercial symbols designated by TMI in writing in connection with all advertising, marketing and promotion of the Franchised Business. The Franchisee will not make any changes or amendments whatsoever to the Marks or the System unless specified or approved in advance by TMI in writing.

4.5 DEFENSE OR ENFORCEMENT OF RIGHTS TO MARKS OR SYSTEM. The Franchisee will have no right to and will not defend or enforce any rights associated with the Marks or the System in any court or other proceedings for or against imitation, infringement, prior use or for any other claim or allegation. The Franchisee will give TMI prompt and immediate written notice of any and all claims or complaints made against or associated with the Marks and the System and will, without compensation for its time and at its expense, cooperate in all respects with TMI in any lawsuits or other proceedings involving the Marks and the System. TMI will have the sole and absolute right to determine whether it will commence any action or defend any litigation involving the Marks and/or the System, and the cost and expense of all litigation incurred by TMI, including attorneys' fees, specifically relating to the Marks or the System will be paid by TMI.

4.6 TENDER OF DEFENSE. If the Franchisee is named as a defendant or party in any action involving the Marks or the System and if the Franchisee is named as a defendant or party solely because the plaintiff or claimant is alleging that the Franchisee does not have the right to use the Marks or the System licensed by TMI to the Franchisee within the Designated Market Area pursuant to this Agreement, then the Franchisee shall tender the defense of the action to TMI and TMI will, at its expense, defend the Franchisee in the action providing that the Franchisee has tendered the action to TMI within ten days after receiving service of the summons and complaint involving the action. TMI will indemnify and hold the Franchisee harmless from any damages assessed against the Franchisee in any actions resulting solely from the Franchisee's use of the Marks and the System within the Designated Market Area if the Franchisee has tendered the defense of the action to TMI.

4.7 FRANCHISEE'S RIGHT TO PARTICIPATE IN LITIGATION. The Franchisee may, at its expense, retain an attorney to represent it individually in all litigation and court proceedings involving the Marks or the System, and may do so with respect to matters involving only the Franchisee (i.e. not involving TMI or its interests); however, TMI and its attorneys will control and conduct all litigation involving the Marks or the System. Except as provided for herein, TMI will have no liability to the Franchisee for any costs that the Franchisee may incur in any litigation involving the Marks or the System, and the Franchisee will pay for all costs, including attorneys' fees, that it may incur in any litigation or proceeding arising as a result of matters referred to under this Article 4, unless it tenders the defense to TMI in a timely manner as provided for herein.

4.8 MR. CLEAN MARK. As of the date of this Agreement, the Marks include (among others) the "Mr. Clean®" trademark. TMI has the right to use, and license its franchisees to use, the Mr. Clean® trademark pursuant to a license agreement with The Proctor and Gamble Company ("P&G"). The Franchisee must feature the Mr. Clean® trademark prominently in conjunction with the The Maids® trademark and other Marks in the operation of the Franchisee's Franchised Business. The Franchisee must abide by P&G's and TMI's brand standards and obligations related to the use of the Mr. Clean® trademark, as described in the Manuals. If the agreement between TMI and P&G terminates, the Franchisee

acknowledges that it must, at the Franchisee's expense, cease using the Mr. Clean® trademark in the operation of its Franchised Business upon written notice from TMI or P&G.

ARTICLE 5
INITIAL FRANCHISE FEE; APPROVAL OF FRANCHISEE; SMART START PACKAGE

5.1 INITIAL FRANCHISE FEE. The "Initial Franchise Fee" is due and payable on the date this Agreement is executed by the Franchisee and is deemed fully earned and nonrefundable when paid. The Initial Franchise Fee is described in Exhibit A. If additional Franchise Territories are purchased, the Franchisee will be required to remit an Initial Franchise Fee according to the structure set forth in Exhibit A for each additional Franchise Territory. In order to purchase additional Franchise Territories, the Franchisee must not be in breach or default of any agreement with TMI and Franchisee must meet TMI's then-current criteria for expansion. Any additional Franchise Territories to be purchased are subject to the final approval of TMI in its sole and absolute discretion.

5.2 USE OF INITIAL FRANCHISE FEE. The Initial Franchise Fee payable by the Franchisee is payment, in part, to TMI for the costs incurred by TMI to operate its business, including costs for general sales and administrative expenses, sales commissions, market research, travel, long distance telephone calls, training, marketing and promotion, legal and accounting fees, compliance with federal and state franchising and other laws, and the initial services rendered by TMI to the Franchisee as set forth in this Agreement. The Initial Franchise Fee is fully earned upon execution of this Agreement and is nonrefundable.

5.3 TMI'S UNILATERAL RIGHT TO REJECT FRANCHISEE. TMI will have the absolute right to reject or disapprove the Franchisee and to cancel this Agreement at any time within 180 days after the date of this Agreement if TMI, in its sole discretion, determines that:

(A) any required or other financial, personal or other information provided by the Franchisee to TMI is materially false, misleading, incomplete or inaccurate; or

(B) the Franchisee or the Franchisee's Manager is not qualified or competent to properly manage or operate the Franchised Business because such person has failed to successfully complete TMI's training program, or because the Franchisee or the Franchisee's Manager is deemed by TMI to be incapable of successfully completing TMI's training program.

For purposes of this Agreement, "Manager" means that individual, designated by the Franchisee, who will be responsible on a full-time basis for the overall management of the Franchised Business, including responsibility for operations and sales.

5.4 SMART START PACKAGE FEE. The Franchisee will pay TMI for the initial equipment supply package (the "SMART Start" package) in the amount described on Exhibit A. This fee is due and payable no later than thirty (30) days after this Agreement is executed by the Franchisee.

(A) **SMART Start Package.** TMI will provide the Franchisee with a list of the SMART Start package.

(B) **One-Time Fee.** Notwithstanding anything to the contrary in this Article 5.4, the Franchisee will not be obligated to purchase the SMART Start package referenced

in this Article 5.4 if the Franchisee purchases additional contiguous territory after signing this Agreement and has previously purchased a SMART Start package; provided that the Franchisee must pay any applicable per user or per office fees.

ARTICLE 6
CONTINUING LICENSE FEES; OTHER FEES

6.1 CONTINUING LICENSE FEES. In addition to the Initial Franchise Fee payable by the Franchisee, the Franchisee will, for the entire term of this Agreement, remit to TMI weekly fees equal to a percentage of the Franchisee's total combined weekly Gross Revenues which are received, billed or generated by, as a result of, in connection with or from the Franchised Business operated pursuant to this Agreement and any business that is involved or engaged in any fashion in the home services, cleaning or maintenance of interior or exterior of any residential or commercial structure or facility owned or controlled by, or under common control with, the Franchisee (the "Continuing License Fee"); provided, however, Franchisees who are currently operating a commercial cleaning business when they execute this Agreement are not required to pay a Continuing License Fee on income derived from their existing business and customer base. Any Franchisee not required to remit the continuing franchise fee on income derived from its current commercial customer base, shall provide a list of its current customers upon execution of this Agreement. The Continuing License Fees remitted by the Franchisee to TMI will not be refundable to the Franchisee under any circumstances. So long as the Franchisee has not failed to cure a default under any agreement with TMI after receiving written notice of such default, the percentage of weekly Gross Revenues is determined pursuant to the following chart:

Weekly Gross Revenues	Continuing License Fee Percentage
$0 - 6,730	6.9%
$6,731 - 13,460	6.5%
$13,461 - 28,840	6.0%
$28,841 - 48,070	5.5%
$48,071 - 76,920	5.0%
$76,921 - 134,615	4.5%
$134,616 - above	3.9%

- The Continuing License Fee percentage is based on the lowest rate for one week of Gross Revenues.

- Notwithstanding anything to contrary in this Article 6.1, if Franchisee fails to cure a default under this or any other agreement with TMI within 30 days of receiving written notice of such default, then Franchisee's Continuing License Fee percentage will be 6.9% of Gross Revenues until such time as the default is cured.

- Notwithstanding anything to the contrary in this Article 6.1 or Article 6.4 and provided that Franchisee is in full compliance with the terms of all of it's The Maids® franchise agreements, TMI will allow Franchisee to remit Continuing License Fees and Marketing Fund Fees at the lowest rate in any of its existing The Maids® franchise agreements until that agreement expires. For example, if Franchisee signed a The Maids® franchise agreement in year one and expanded in year two, Franchisee would be allowed to remit Continuing License Fees and Marketing Fund Fees at the rate in its first The Maids® franchise agreement for the area Franchisee expanded into year two until the first The Maids® franchise agreement expires. After the first The Maids® franchise agreement expires, Franchisee would remit Continuing License Fees and Marketing Fund Fees in accordance with the second The Maids® franchise agreement. Franchisee may not apply the lowest Continuing License Fee or Marketing Fund Fee rate to any The Maids® franchise agreement that Franchisee

entered into as a result of an acquisition of an existing The Maids® Businesses after December 31, 2012. In that situation, Franchisee must pay TMI the Continuing License Fee and Marketing Fund Fee stated in that The Maids® franchise agreement.

- If Franchisee is in full compliance with the terms of all of its The Maids® franchise agreements and Franchisee owns multiple The Maids® Businesses, Franchisee may combine weekly Gross Revenues to reach the lowest possible Continuing License Fee percentage provided that Franchisee submit weekly Gross Revenues reports for all The Maids® Businesses on the same day in the format TMI requires. Notwithstanding the foregoing, Franchisee may not use any Gross Revenues from a The Maids® Business that Franchisee acquired as a result of any acquisition of an existing The Maids® Business after December 31, 2012 for the purposes of combining weekly Gross Revenues to reach the lowest possible Continuing License Fee percentage. Gross Revenue received in connection with any The Maids® Business that Franchisee acquired as a result of an acquisition of an existing The Maids® Business may not be combined with the Gross Revenue of any other The Maids® Business.

- Example: If Franchisee's Gross Revenues during week 1 are $7,000, Franchisee will pay 6.5% of $7,000 as the weekly Continuing License Fee for week 1. If Franchisee's weekly Gross Revenues are $14,000 in week 2, Franchisee will pay 6.0% of $14,000 as the Continuing License Fee for week 2. If in week 3, Franchisee had weekly Gross Revenues of $15,000 in its first The Maids® Business, and Franchisee expanded into a new territory and opened a second The Maids® Business that had Gross Revenues of $15,000 in the same week, Franchisee would pay 5.5% of the combined Gross Revenues of $30,000 as the Continuing License Fee for that week. If in week 4, Franchisee had weekly Gross Revenues of $30,000 in its first and second The Maids® Business, and Franchisee purchases an existing The Maids® Business that had Gross Revenues of $15,000 in the same week, Franchisee would pay 5.5% of the combined Gross Revenues of $30,000 and 6.0% of $15,000 as the Continuing License Fee for that week.

6.2 MINIMUM CONTINUING LICENSE FEES. During the term of this Agreement, the Franchisee agrees to remit to TMI the minimum weekly Continuing License Fees set forth in the chart below for each of Franchisee's The Maids® franchise agreements. The Franchisee's failure to remit to TMI the minimum weekly Continuing License Fees set forth below will be a material breach of this Agreement:

Period from Date of This Agreement	**Minimum Weekly Continuing License Fees Per Agreement**
Months 1 - 6	No minimum
Months 7 - 24	$150
Months 25 - 48	$200
Months 49 - thereafter	$250

6.3 WEEKLY MARKETING FUND FEE. The Franchisee will, for the entire term of this Agreement, remit to TMI weekly Marketing Fund Fees equal to 2% of the Franchisee's weekly Gross Revenues which are received, billed or generated by, as a result of, in connection with or from the Franchised Business operated pursuant to this Agreement and any other cleaning and/or maintenance business owned or controlled by, or under common control with, the Franchisee (the "Marketing Fund Fee"). The weekly Marketing Fund Fees paid by the Franchisee to TMI will be deposited in The Maids® National Marketing Fund and will not be refundable to the Franchisee under any circumstances.

6.4 RIGHT TO INCREASE MARKETING FUND FEES. TMI reserves the right to increase the amount of the weekly Marketing Fund Fee. TMI agrees to review any such increase with The

Maids® Advisory Council. Any increase in the weekly Marketing Fund Fees will not take effect until the Franchisee has been given at least 90 days prior written notice of the increase. Any increase will not be more than ½ of 1% in any two-year period.

6.5 WEEKLY TECHNOLOGY INNOVATION FUND FEE. The Franchisee will, for the entire term of this Agreement, remit to TMI weekly Technology Innovation Fund Fees from .25% to 1% of the Franchisee's weekly Gross Revenues which are received, billed, or generated by, as a result of, in connection with or from the Franchised Business operated pursuant to this Agreement and any other cleaning and/or maintenance business owned or controlled by, or under common control with, the Franchise (the "Technology Innovation Fund Fee"). The weekly Technology Innovation Fund Fees paid by the Franchisee to TMI will be deposited in The Maids® National Technology Fund and will not be refundable to the Franchisee under any circumstances.

6.6 RIGHT TO INCREASE TECHNOLOGY INNOVATION FUND FEES. TMI reserves the right to increase the amount of the weekly Technology Innovation Fund Fee. Any increase in the weekly Technology Innovation Fund Fee will not take effect until the Franchisee has been given at least 90 days prior written notice of the increase. Any increase will not exceed the maximum 1% of the Franchisee's weekly Gross Revenues. The Technology Innovation Fund Fee will be capped annually at $15,000 per franchisee per year.

6.7 NATIONAL SALES CENTER FEES. Franchisee is required to use the National Sales Center service for the first year of operation of the Franchised Business. Following the first year of operation, the National Sales Center is made available as an optional service. Billing for services are collected weekly as follows: $60 per week base fee; $7.50 per unsold quote; and $36 per sold quote. If Franchisee chooses to use the National Sales Center service following the first year of operation, Franchisee is required to provide TMI at least 60 days' written notice prior to cancellation. National Sales Center Fees are subject to change upon 30 days' notice; provided that TMI will not increase such fees by more than 25% per year.

6.8 GROSS REVENUES. "Gross Revenues" will mean the total dollar income resulting from all sales made to customers or clients of the Franchised Business, and of any other cleaning, maintenance or service businesses of the Franchisee or any entity owned or controlled by or under common control with the Franchisee, for all products and services including, without limitation, cleaning and/or maintenance of any structure's interior, exterior or contents, whether made for cash, credit or barter. "Gross Revenues" will not include any sales, use or gross receipts tax imposed by any taxing authority directly upon sales, if: (a) the amount of the tax is added to the selling price and is expressly charged to the customer; (b) a specific record is made at the time of each sale of the amount of such tax; and (c) the amount of such tax is paid to the appropriate taxing authority.

6.9 FRANCHISEE'S OBLIGATION TO PAY. The weekly Continuing License Fees, weekly Marketing Fund Fees, and weekly Technology Innovation Fund Fees payable to TMI under this Article 6 will be calculated and paid to TMI by the Franchisee on a weekly basis during the entire term of this Agreement, and the Franchisee's failure to pay the Continuing License Fees, weekly Marketing Fund Fees, and/or weekly Technology Innovation Fund Fees to TMI will be a material breach of this Agreement. The Franchisee's obligation to pay TMI the Continuing License Fees, Marketing Fund Fees, and Technology Innovation Fund Fees pursuant to the terms of this Agreement will be absolute and unconditional, and will remain in full force and effect until the term of this Agreement has expired or is terminated pursuant to its terms. The Franchisee will not have the "right of offset" and, as a consequence, the Franchisee will timely pay all Continuing License Fees, Marketing Fund Fees, and Technology Innovation Fund Fees due to TMI under this Agreement regardless of any claims or allegations the Franchisee may allege against TMI.

6.10 DATE AND TERMS OF PAYMENT. All Continuing License Fees, weekly Marketing Fund Fees, and weekly Technology Innovation Fund Fees will be calculated and paid weekly and are due and payable and must be received by TMI by no later than Wednesday following the end of each weekly period. For purposes of this Agreement, a "week" is 7 consecutive days beginning on Monday and ending on Sunday. The Franchisee will pay the Continuing License Fees, Marketing Fund Fees and Weekly Technology Innovation Fund Fees to TMI by pre-authorized electronic bank transfer from the Franchisee's account to the account of TMI or as otherwise directed by TMI. If the Franchisee's report of Gross Revenues is not received by TMI no later than Wednesday of each week, TMI will estimate and collect by pre-authorized electronic bank transfer based upon the most recent available data. Any Continuing License Fees, Marketing Fund Fees and Weekly Technology Innovation Fund Fees not received by TMI no later than Wednesday of each week for the preceding week will be past due. The Franchisee's report of Gross Revenues required under Article 13 of this Agreement will be submitted to TMI no later than Wednesday of each week for the preceding week.

6.11 LATE PAYMENT. Any amounts that are not paid to TMI when due shall bear interest from the date due until paid of the lesser of 18% per annum or the maximum legal rate of interest allowed by the state in which the Franchised Business is located. The Franchisee shall remit to TMI for any and all costs incurred by TMI in the collection of any unpaid amount from Franchisee including, but not limited to, attorneys' fees, costs and other expenses incurred in collecting amounts owed by the Franchisee.

ARTICLE 7
ADVERTISING

7.1 APPROVAL OF ADVERTISING AND MARKETING. The Franchisee will use its best efforts to advertise and promote the Franchised Business. With the exception of the advertising and marketing materials provided to the Franchisee by TMI, all concepts, materials or media proposed by the Franchisee for any advertising, promotion, marketing or public relations program or campaign must have the prior written approval of TMI. The Franchisee will not permit any third party to advertise its business, services or products through the Franchised Business without obtaining the prior written approval of TMI. The Franchisee may not market or advertise outside the Designated Market Area without obtaining TMI's prior written approval. TMI may condition its approval on the Franchisee's compliance with any conditions, standards and/or specifications TMI designates, and TMI may revoke its approval at any time.

7.2 GRAND OPENING & LOCAL MARKETING. No later than thirty (30) days prior to the opening of the Franchised Business, the Franchisee must spend a minimum of $5,000 in connection with pre-opening marketing activities for the Franchised Business ("Grand Opening Marketing"). This Grand Opening Marketing spend is in addition to the Marketing Fund Fees and Local Marketing Requirement. In addition to the weekly Marketing Fund Fee and the Grand Opening Marketing requirement, Franchisee must invest a minimum per month on the local marketing of The Maids® Business ("Local Marketing Requirement"). The amount of the Local Marketing Requirement will depend on the number of Territories purchased, according to the following: $2,500 per month for the first Territory; an additional $500 per month for the second Territory; and an additional $250 per month for each additional contiguous Territory beyond the second Territory. Except for the marketing materials which TMI provides to Franchisee, TMI must approve, in writing, all concepts, materials or media which Franchisee proposes for any local advertising or marketing before its use. If Franchisee fails to invest the required Local Marketing Requirement in any month, then, in addition to any other remedies available to TMI under this Agreement, TMI may require Franchisee to deposit with TMI the difference between the Local Marketing Requirement and what was actually spent for approved marketing and promotion. TMI may use such amount in Franchisee's Designated Market Area for marketing or promotion that TMI deems, in its sole discretion, to be in the best interests of the Franchised Business. TMI reserves the right to increase the Local Marketing Requirement by not more than 5% in a two-year period. TMI will review any proposed increase with the

Advisory Council and will provide 90 days' written notice before assessing any such increase in the Local Marketing Requirement.

7.3 USE OF MARKETING FUND. Payments to The Maids® National Marketing Fund by the Franchisee and any other The Maids® franchises will be used by TMI to purchase and pay for research and development, production materials, ad slicks, brochures, services provided by marketing agencies, market research, online and offline marketing, customer retention, incentive programs, radio and television commercials, internet and other advertising, promotions, marketing, public relations, telemarketing, communication and education, and for any other purpose deemed beneficial by TMI to the general recognition and public awareness of the Marks and the Business System, and any administrative costs and expenses related to the foregoing. Funds in The Maids® National Marketing Fund will be used to pay for all long distance telephone charges, office rental, furniture, fixtures and equipment, leasehold improvements, personnel, salaries, travel costs, office supplies, collection costs (including without limitation attorneys' fees) incurred in attempting to collect past-due weekly Marketing Fund Fees from franchisees and all other administrative costs associated with and incurred in connection with The Maids® National Marketing Fund. The Maids® National Marketing Fund will be administered and controlled exclusively by TMI. TMI will have the absolute and unilateral right to determine when, how and where any funds in The Maids® National Marketing Fund will be spent. TMI will have the right to retain and pay agency fees to an marketing agency which is owned by, or is an affiliate of, TMI or any of its principals. TMI will have no fiduciary duty to the Franchisee with respect to collection or expenditure of the weekly Marketing Fund Fees, and any Marketing Fund will not be a trust or escrow account. Any The Maids® Businesses operated by TMI will be required to contribute to The Maids® National Marketing Fund in the same manner as franchisees.

7.4 RIGHT TO BORROW FUNDS. If The Maids® National Marketing Fund does not contain sufficient funds to make the expenditures determined by TMI, in its sole discretion, to be necessary or advisable, then TMI will have the right, but not the obligation, to loan funds to The Maids® National Marketing Fund in an amount sufficient to cover such expenditures, and the loan (plus interest as provided herein) will be repaid from future payments to The Maids® National Marketing Fund paid by all The Maids® Businesses pursuant to their The Maids® franchise agreements with TMI. TMI will have the right and option to either use its own funds, or borrow the necessary funds in the name of The Maids® National Marketing Fund or from one or more financial institutions. The unpaid balance of any loan made by TMI to The Maids® National Marketing Fund will accrue and pay interest at either: (a) a rate equal to the rate of interest established by Bank of America as its "reference rate" at the time of the loan, if TMI utilized its own funds for the loan; or (b) the rate equal to the rate of interest charged to TMI by the financial institution for the amount of the loan, if TMI borrowed the funds for the loan from a financial institution.

7.5 ACKNOWLEDGMENTS REGARDING NATIONAL MARKETING FUND. The Franchisee acknowledges and agrees that The Maids® National Marketing Fund is intended to maximize general recognition of the Marks and patronage of all of The Maids® Businesses, including, without limitation, the Franchised Business. The Franchisee further acknowledges and agrees that: (a) TMI has no obligation to ensure that the expenditures by The Maids® National Marketing Fund in or affecting any territory or area will be proportionate to contributions by The Maids® Franchisees operating in that territory or area; (b) Franchisee, and other The Maids® Franchisees, may not benefit directly from or in proportion to its/their contributions to The Maids® National Marketing Fund or from the development of advertising and marketing materials and placement of advertisements by The Maids® Marketing Fund; (c) TMI is not required to invest any amount on marketing in the Designated Market Area; (d) TMI uses the funds in The Maids® National Marketing Fund to develop marketing materials which are made available to the Franchisee; and (e) Franchisee will, in all events, be liable for the costs of personalization, printing and shipping of marketing materials.

The Manuals and all supplements, changes and modifications to the Manuals will remain the sole and exclusive property of TMI. The Manual will contain mandatory and suggested specifications, standards and operating procedures exist to protect TMI's interest in the System and the Marks and to create a uniform customer experience, and not for the purpose of establishing any control or duty to take control over those matters that are reserved to the Franchisee. TMI may from time to time revise the Manuals and the Franchisee expressly agrees to operate its Franchised Business in accordance with all such mandatory revisions. The Franchisee will at all times use only current and up-to-date Manuals and in the event of a dispute regarding the Manuals, the terms of the master copy of the Manuals maintained by TMI in its offices or on its intranet will be controlling. The Franchisee will divulge such confidential and proprietary information only to its employees who must have access to it in order to operate the Franchised Business. Neither the Franchisee nor any employees of the Franchisee will make any copy, duplication, record or reproduction or any of the Confidential Information available to any unauthorized person. Any client lists developed by either TMI or the Franchisee and any information designated as Confidential Information by TMI will be and remain the sole and exclusive property of TMI.

Business. The Franchisee agrees to provide to TMI upon its request, an electronic copy, or in a form TMI approves, a complete list of current and former customers, including their name, telephone number, complete mailing address, frequency of service, last date serviced, and price of service and other information concerning such customers as TMI requests. The Franchise agrees to allow TMI to access the Franchisee's customer list through the Internet. The Franchisee agrees not to use any customer list for any purpose other than in the normal operation of the Franchised Business without TMI's approval. The Franchisee agrees to log all consumer inquiries and resulting sales and customer information into TMI's designated software.

8.5 CONFIDENTIALITY AGREEMENTS. All of the Franchisee's Managers and employees shall sign agreements in a form satisfactory to TMI agreeing to maintain the confidentiality, during the course of their employment and thereafter, of all information copyrighted or designated by TMI as confidential and proprietary. Copies of all confidentiality agreements executed by the Franchisee's Managers and employees will be promptly submitted to TMI.

8.6 REMEDIES. The Franchisee acknowledges that the provisions of this Article 8 are reasonable and necessary for the protection of TMI and TMI's franchisees. If the Franchisee violates any of the provisions contained in this Article 8, then TMI will have the right to:

The reports of Gross Revenues and customer information as provided above, must be signed and certified as accurate by the Franchisee and will be delivered to TMI on or before Monday of each week for the preceding week.

13.6 AUDIT OR REVIEW RIGHTS. TMI or its authorized agent shall have the right to audit or review the Franchisee's books and records. The Franchisee and the Franchisee's accountants will make all of their records, ledgers, work papers, books, accounts and financial information available to TMI or its authorized agent during regular business hours and at all other reasonable times for review and audit by TMI or its designee. The Franchisee must, upon TMI's written request, make photocopies of all records TMI requests and forward them to TMI or its authorized representative. To the extent the Franchisee's financial records are computerized, TMI will have the absolute right to access the Franchisee's computer and software programs containing the financial records and to copy, or have the Franchisee copy, the financial records to a computer disk or to any portable or other computer owned or controlled by TMI. The Franchisee's financial records for each fiscal year will be kept in a secure place by the Franchisee and will be available for audit by TMI for at least five years. If such an audit or review reveals that the Franchisee's Gross Revenues were understated by more than 2%, or that the Franchisee has underpaid the monthly Continuing License Fees by more than $500 during any 12 month period, then the Franchisee will remit to TMI the amount incurred by TMI to audit or review the Franchisee's books and records, which will not exceed $5,000, plus all costs and expenses (including salaries of TMI's employees, travel costs, room and board, audit fees, attorneys' fees, and professional fees) that TMI incurred as a result of the audit or review

of the Franchisee's financial records. If the Franchisee has related businesses, TMI reserves the right to obtain information to confirm the accuracy of Continuing License Fees submissions. If the Franchisee has underpaid TMI, then the Franchisee will, within ten days of receipt of an invoice from TMI indicating the amounts owed, remit to TMI any deficiency in Continuing License Fees or other amounts owed to TMI, together with interest as provided for herein. Such understatement of earnings shall be a material breach of this Agreement as set forth in Article 16.1. The Franchisee's failure or refusal to produce the books and financial records for audit or review by TMI or its authorized agent in accordance with this Article 13.6 will constitute a material breach of this Agreement and will be grounds for the immediate termination of this Agreement by TMI.

13.7 PRE-AUTHORIZED BANK TRANSFERS. The Franchisee will, from time to time during the term of this Agreement, execute such documents as TMI may request to provide the Franchisee's unconditional and irrevocable authority and direction to its bank or financial institution authorizing and directing the Franchisee's bank or financial institution to allow transfer directly to the bank account of TMI, and to charge to the account of the Franchisee the amount of Continuing License Fees, including but not limited to Continuing License Fees and Weekly Marketing Fund Fees, and other sums due and payable by the Franchisee to TMI pursuant to this Agreement, the Software License Agreement or any other agreement between TMI and the Franchisee, including but not limited to any promissory note executed by Franchisee in favor of TMI. The transfer authorizations will be in the form prescribed by TMI's bank. The Franchisee's authorizations will permit TMI to designate the amount to be transferred from the Franchisee's account, and to adjust such amount from time to time, for the Continuing License Fees and other sums then payable to TMI from the Franchisee. If the Franchisee fails at any time to provide the weekly reports of Gross Revenues required under this Article 13, then TMI will have the right, in its sole discretion, to estimate the amount of Continuing License Fees and other sums due and payable to TMI, and to transfer such estimated amount from the Franchisee's bank account to TMI's bank account. The Franchisee will at all times maintain a balance in its account at its bank or financial institution sufficient to allow the appropriate amount to be transferred from the Franchisee's account for payment of the Continuing License Fees and other sums payable by the Franchisee directly to TMI's bank account. The Franchisee shall pay all charges imposed by its financial institution for the establishment and implementation of the pre-authorized electronic bank transfers referenced above. Failure to do so shall be a material breach of this Agreement.

13.8 ELECTRONIC REPORTING REQUIRED. The Franchisee acknowledges and agrees that all financial statements, returns, reports and other information required to be provided to TMI by the Franchisee pursuant to this Article 13 or otherwise pursuant to this Agreement shall be provided to TMI electronically through an electronic mail service provider as directed by TMI. The failure of the Franchisee to report electronically will be a material breach of this Agreement.

ARTICLE 14
TMI'S RIGHT OF FIRST REFUSAL TO PURCHASE

14.1 RESTRICTIONS. The Franchisee will not sell, assign, trade, transfer, lease, sublease, or otherwise dispose of any interest in or any part of the Franchised Business or the Business Assets, as defined in this provision, to a third party without first offering the same to TMI in writing, at the same price and on the same terms as the Franchisee proposes to accept from such third party. For purposes of this Agreement, "Business Assets" shall mean (a) the Franchisee's Business; (b) the lease for the Franchisee's office (if applicable); (c) the land and building for the Franchisee's office (if applicable); (d) this Agreement; and (e) the vehicles, supplies and equipment used in the Business, except for transactions involving the sale of the items listed in this Article 14.1 to the extent such sales occur in the normal course of business. The Franchisee's written offer to TMI must contain all material terms and conditions of the proposed sale or transfer, including but not limited to the name, address, business experience and financial

condition of the proposed third-party transferee. Upon receipt by TMI of written notice specifying such material terms and conditions of the proposed sale or transfer, TMI will have the right (but not the obligation), exercisable by written notice to the Franchisee within 15 business days thereafter, to (1) accept such offer, (2) waive its right of first refusal to purchase, or (3) state an interest in negotiating to purchase the Business Assets. If TMI elects to commence negotiations to purchase the Franchisee's Business Assets as set forth herein, the Franchisee may not sell the Business Assets to such third party for at least 30 days or until TMI and the Franchisee agree in writing that the negotiations have terminated, whichever comes first. If TMI waives its right to purchase, the Franchisee shall have the right to complete the sale or transfer of the Business Assets according to the terms set forth in the written notice to TMI; however, any such sale, transfer or assignment to such third party is expressly subject to the terms and conditions set forth in Article 15 below and any material variation in the terms of the sale from those set forth in the original notice to TMI, including but not limited to a change to the identity of such third party, shall constitute a new offer to purchase that shall be submitted to TMI in the manner provided above. If TMI elects to accept the offer from the Franchisee, the sale shall be consummated in accordance with the terms and conditions of the offer. The Franchisee's obligations under this Agreement including, but not limited to, its obligations to pay the Continuing License Fees and to operate the Business Assets as a The Maids® Business shall not be affected or changed because of TMI's non-acceptance of the Franchisee's written offer.

14.2 SALE OF OWNERSHIP INTEREST IN FRANCHISEE. If the Franchisee is a corporation, limited liability company, partnership or other entity, then the capital shares, membership interests, partnership interests or other ownership interests in the Franchisee ("Ownership Interests"), may not be sold, pledged, assigned, traded, transferred or otherwise disposed of by the holders thereof until the Ownership Interests have been first offered to TMI in writing under the same terms and conditions as if Business Assets were proposed to be sold under Article 14.1 above. Notwithstanding the terms of this Article 14, a holder of the Ownership Interests may bequeath, sell, assign, trade or transfer Ownership Interests, without first offering them to TMI, (a) to the other holders of the Ownership Interests because of death or permanent disability, (b) to a spouse or child of the holder, or (c) to a trust controlled by the holder; provided, however, the Franchisee must provide TMI with written notice of all such transactions, the Franchisee and the transferee must comply with the provisions of Articles 15.4(B) through 15.4(H) below, the transferee signs a personal guarantee, and the transfer will not be valid or effective until TMI has received the properly executed legal documents which its attorneys deem necessary to properly and legally document the transfer, assignment or bequest. All certificates representing Ownership Interests issued by the Franchisee to its owners must bear the following legend:

> The ownership interests represented by this certificate are subject to a written Franchise Agreement which grants THE MAIDS INTERNATIONAL, LLC the right of first refusal to purchase these interests from the holder. Any person acquiring the ownership interests represented by this certificate will be subject to the terms and conditions of the Franchise Agreement between the company named on this certificate and The Maids International, LLC, which includes provisions containing covenants not to compete, that apply to all holders of ownership interests in the company.

14.3 ACKNOWLEDGMENT OF RESTRICTIONS. The Franchisee acknowledges and agrees that the restrictions imposed by TMI on the transfer of the Business Assets and the Ownership Interests are reasonable and necessary to protect the goodwill associated with the System and the Marks, as well as TMI's reputation and image, and are for the protection of TMI, the Franchisee and all other franchisees that operate The Maids® Businesses. Any assignment or transfer of the Business Assets or the Ownership Interests permitted by this Article 14 will not be effective until TMI receives fully executed

copies of all documents relating to the assignment or transfer, and TMI has consented in writing to the assignment or transfer.

14.4 SELLING HOLDERS SUBJECT TO COVENANT NOT TO COMPETE. Any holder of Ownership Interests in the Franchisee that sells, assigns, trades, bequeaths, transfers or disposes of any Ownership Interests in the Franchisee will be subject to the provisions of Article 19.3 of this Agreement after the sale or assignment.

14.5 TMI'S RIGHT TO PURCHASE FRANCHISEE'S ASSETS. If this Agreement expires or is terminated by TMI or if the Franchisee wrongfully terminates this Agreement, or if the Franchisee at any time ceases to do business within the Designated Market Area as a The Maids® franchisee, then TMI will have the right, but not the obligation, to purchase the Franchised Business, including the then-usable vehicles, supplies, inventory and equipment, and all other assets that are required by TMI for a standard The Maids® Business and owned by the Franchisee in its Business and to acquire any lease or other contract rights of the Franchisee (hereinafter referred to in this provision as the "Franchise Assets"). TMI will not purchase any assets from the Franchisee that are not part of the standard The Maids® Business. Within two business days after this Agreement expires or is terminated by either party, wrongfully terminated by the Franchisee or the Franchisee ceases to do business as a The Maids® Business, the Franchisee agrees to give TMI written notice of the Franchisee's asking price for the Franchise Assets. If the Franchisee fails to give TMI this notice and/or if TMI and the Franchisee cannot agree on the price of the Franchise Assets, then, without considering any value for goodwill associated with the name "The Maids®", the Assets will be valued at book value (cost less depreciation). TMI will have the right, but not the obligation, to purchase any or all of the Franchise Assets from the Franchisee for cash within 20 days after the fair market value of the Franchise Assets has been established and delivered to the parties in writing. Nothing in this provision may be construed to prohibit TMI from enforcing the terms and conditions of this Agreement, including the covenants not to compete contained in Article 19.

ARTICLE 15
ASSIGNMENT

15.1 ASSIGNMENT BY TMI. TMI may assign its interest in this Agreement, directly or indirectly, by merger, assignment, pledge or other means, without the approval or consent of the Franchisee. TMI will give the Franchisee written notice of any such assignment or transfer, and the assignee will be required to fully perform TMI's obligations under this Agreement.

15.2 ASSIGNMENT BY FRANCHISEE TO CONTROLLED ENTITY OR TRUST. In the event the Franchisee is an individual or partnership, this Agreement may be transferred or assigned by the Franchisee, without first offering it to TMI pursuant to Article 14, to a corporation, limited liability company, partnership or other entity which is owned or controlled by the Franchisee, without paying any transfer fee, provided that: (A) the Franchisee and the holders who own a majority (51% or greater) of the voting ownership interests of the assignee entity sign or have signed a personal guaranty in the form contained in this Agreement; (B) the Franchisee furnishes prior written proof to TMI substantiating that the assignee entity will be financially able to perform all of the terms and conditions of this Agreement; (C) none of the holders of ownership interests in the entity owns, operates, franchises, develops, manages or controls any business that is in any way competitive with or similar to a The Maids® Business; and (D) Franchisee and its personal guarantors execute TMI's form of assignment and assumption agreement (which will contain a general release of claims). The Franchisee will give TMI 30 days written notice prior to the proposed date of assignment or transfer of this Agreement to an entity owned or controlled by the Franchisee; however, the transfer or assignment of this Agreement will not be valid or effective until Franchisee has satisfied the conditions set forth in this Section and TMI has received the documents its

attorneys deem reasonably necessary to properly and legally document the transfer or assignment of this Agreement to the entity as provided for herein.

15.3 ASSIGNMENT BY INDIVIDUAL FRANCHISEE IN EVENT OF DEATH OR PERMANENT DISABILITY. If the Franchisee is an individual, then in the event of the death or permanent disability of the Franchisee, this Agreement may be assigned, transferred or bequeathed by the Franchisee to any designated individual or beneficiary without first offering TMI the right to acquire this Agreement pursuant to Article 14 of this Agreement and without the payment of any transfer fee. However, the assignment of this Agreement to the transferee, assignee or beneficiary of the Franchisee will be subject to the provisions of Articles 15.4(A) through (E) and 15.4(G) and (H), and will not be valid or effective until TMI has received the properly executed legal documents which its attorneys deem necessary to properly and legally document the transfer, assignment or bequest of this Agreement. The transferee will assume the existing Franchise Agreement(s) from the Franchisee for the remaining term(s) of the Franchise Agreement(s). Furthermore, the transferee, assignee or beneficiary must agree to be unconditionally bound by the terms and conditions of this Agreement and to personally guarantee the performance of the Franchisee's obligations under this Agreement.

15.4 APPROVAL OF TRANSFER. Subject to the provisions of Article 15.2 and 15.3, this Agreement, the Business Assets (as defined in Article 14.1), or the Ownership Interest (as defined in Article 14.2) may be sold, assigned or transferred by the Franchisee only with the prior written approval of TMI. TMI will not unreasonably withhold its consent to any sale, assignment or transfer under this Agreement, provided the Franchisee and the transferee comply with the following conditions:

(A) The Franchisee has complied in all respects with the applicable provisions of Article 14 of this Agreement;

(B) All of the Franchisee's monetary obligations due to TMI have been paid in full, and the Franchisee is not otherwise in default under this Agreement or any other agreement with TMI;

(C) The Franchisee or transferor has executed a written agreement, in a form satisfactory to TMI, in which the Franchisee or transferor agrees to observe all applicable provisions of this Agreement, including the provisions with obligations and covenants that continue beyond the expiration or termination of this Agreement which includes the covenants not to compete contained in Article 19 of this Agreement;

(D) The Franchisee or transferor has executed a general release of claims in favor of TMI.

(E) The transferee is not and does not intend to own, operate or be involved in a business that competes directly or indirectly with a The Maids® Business;

(F) The transferee has demonstrated to TMI's satisfaction that he, she or it meets TMI's standards for new franchisees, including managerial, financial and business standards, possessing a good business reputation and credit rating, possessing the aptitude and ability to operate The Maids® Business in an economic and businesslike manner (as may be evidenced by prior related business experience or otherwise), possessing the required financial wherewithal, and meeting any other conditions TMI may reasonably apply in evaluating the transferee;

(G) The transferee and all parties having a legal or beneficial interest in the transferee, including, if applicable, the holders of all Ownership Interests in the transferee and the transferee's personal guarantors as required by TMI, execute TMI's then-current standard The Maids® franchise agreement, including a personal guarantee, to be effective for the then-current full standard term, and such other ancillary agreements as TMI may require for the transfer of the Franchised Business; provided that the transferee will not be required to pay any Initial Franchise Fee;

(H) Before the transferee takes over the Franchisee's operations, (i) the transferee and the transferee's Manager must successfully complete the SMART Start Training program prescribed by TMI, (ii) the transferee must provide evidence satisfactory to TMI that at least two employees of the transferee have successfully completed the TMI SMART Start Training program and that one of whom has completed the program within the five-year period immediately preceding the transfer, and (iii) the transferee must pay the wages, fringe benefits, payroll taxes, unemployment compensation, workers' compensation insurance, travel costs, lodging, food, automobile rental, and all other expenses for the transferee and all other persons sent to TMI's SMART Start Training program; and

(I) The Franchisee or transferor, or the Franchisee's or transferor's personal representative if the Franchisee or transferor is deceased, and the holders of the Ownership Interests, as defined in Article 14.2 above, in the Franchisee have executed a general release, in a form prescribed by TMI, of any and all claims, known and unknown, against TMI and its shareholders, officers, directors, agents, attorneys, accountants, employees, affiliates, successors and assigns, excepting only (if required by applicable law) those claims solely related to the offer and sale of the new Franchise.

TMI may expand upon, and provide details related to, the conditions for transfer and TMI's consent as described in this Section 15.4, and may do so in the Manual or otherwise in writing.

15.5 TRANSFER TO COMPETITOR PROHIBITED. The Franchisee will not sell, assign or transfer this Agreement to any person, partnership, corporation or entity that owns, operates, franchises, develops, consults with, manages, is involved in, or controls any business that is involved or engaged in any fashion in the home services, cleaning or maintenance of the interior or exterior of any residential or commercial structure or facility that is in any way competitive with a The Maids® Business either in the United States or in another country. If TMI refuses to permit a transfer of this Agreement under this Article 15.5, the Franchisee's only remedy will be to have a court of competent jurisdiction determine whether the proposed transferee is a competitor of TMI.

15.6 ACKNOWLEDGMENT OF RESTRICTIONS. The Franchisee acknowledges and agrees that the restrictions imposed by TMI pursuant to this Article 15 are reasonable and necessary to protect the goodwill associated with the System and the Marks, as well as TMI's reputation and image, and are for the protection of TMI, the Franchisee and all other franchisees that operate The Maids® Businesses. Any assignment or transfer permitted by this Article 15 will not be effective until TMI receives fully executed copies of all documents relating to the assignment or transfer, and TMI has consented in writing to the assignment or transfer.

15.7 TRANSFER FEE. If, pursuant to the terms of this Article 15, this Agreement or the Business Assets are assigned, transferred or sold to another person or entity, or if the holders of Ownership Interests in the Franchisee representing more than 10% of the voting power in the Franchisee transfer their

interests in the Franchisee to a third party (other than as permitted under Articles 15.2 and 15.3 above), then the Franchisee will pay TMI a transfer fee of $15,000, which will help defray the costs incurred by TMI for training, attorneys' fees, accountants' fees, out-of-pocket expenses, long distance telephone calls, administrative costs and the time of its employees and officers. If, however, the Franchisee assigns, transfers, or sells its interest to an existing The Maids® franchisee pursuant to this Article 15, then the transfer fee is waived. The transfer fee must be paid by the Franchisee to TMI prior to the date of transfer.

ARTICLE 16
TMI'S TERMINATION RIGHTS; DAMAGES

16.1 TMI'S RIGHT TO TERMINATE. TMI may terminate this Agreement as set forth in this Article 16, and Franchisee agrees and acknowledges that the defaults, or failure to cure such defaults within the appropriate time period prescribed below (if any) shall constitute "good cause" and "reasonable cause" for termination under any state franchise laws or regulations that might apply to the Franchised Business.

16.2 TMI'S IMMEDIATE TERMINATION RIGHTS. TMI will have the absolute right and privilege to immediately terminate this Agreement without affording Franchisee any opportunity to cure, effective on notice to Franchisee, upon the occurrence of any of the following:

(C) the Franchisee makes an assignment for the benefit of creditors or enters into any similar arrangement for the disposition of its assets for the benefit of creditors;

(D) the Franchisee voluntarily or otherwise abandons the Franchised Business. For purposes of this Agreement "abandon" means the conduct of the Franchisee, including acts of omission as well as commission, indicating the willingness, desire or intent of the Franchisee to discontinue operating the Franchised Business in accordance with the quality standards, uniformity requirements and the System as set forth in this Agreement and the Manuals;

(E) the Franchisee fails or refuses to permit TMI or its authorized agent to audit or review the Franchisee's financial records or fails or refuses to produce its financial records for audit or review in accordance with Article 13.6;

(G) the Franchisee is involved in any act or conduct which materially impairs the goodwill associated with TMI's Marks or the System and the Franchisee fails to correct the breach within 24 hours of written notice from TMI of the breach. For the purposes of this Agreement, an alleged breach of this Agreement by the

Franchisee will be "corrected" if both TMI and the Franchisee agree in writing that the alleged breach has been corrected;

(H) the Franchisee fails to procure and/or maintain any insurance policy required under this Agreement with an insurance companies acceptable to, and approved by, TMI at the required minimum coverage limits for operation of the Franchised Business and/or fails to submit to Franchisor certificates of insurance evidencing the insurance requirements;

(I) the Franchisee commits three violations of the material provisions, terms or conditions of this Agreement within any 24-month period during its term, regardless of whether such violations have been cured;

(J) the Franchisee or any guarantor: (i) commits an uncurable default or breach of any Related Party Agreement, and/or (ii) commits a default or breach of any Related Agreement and fails to cure such breach before the expiration of all applicable notice and cure periods under such Related Agreement. For purposes of this provision, the term "Related Agreement" means any other agreement by and between Franchisee (and/or any of its affiliates), on the one hand, and TMI (and/or any of TMI's affiliates or designated suppliers), on the other hand.

16.3 TERMINATION UPON NOTICE AND OPPORTUNITY TO CURE. In addition to its immediate termination rights pursuant to 16.2 above, TMI has the right to terminate this Agreement upon written notice to Franchisee in the event: (i) Franchisee breaches or violates any covenant, obligation, term, condition, warranty, or certification under this Agreement (other than those specified in Section 16.2 above, which allow for immediate termination without opportunity to cure); and (ii) Franchisee fails to cure such breach or violation within: (a) fifteen (15) days of the date Franchisee is provided with written notice thereof by TMI if the breach or violation is monetary in nature, including, without limitation, for the failure to pay any fee or amount due and owing to TMI and/or any of its affiliates pursuant to this Agreement, or (b) thirty (30) days of the date Franchisee is provided with notice thereof by TMI for all other breaches or violations.

16.4 NOTICE OF TERMINATION. If this Agreement is terminated by TMI pursuant to Section 16.2 or 16.3 above, then TMI will give the Franchisee written notice that this Agreement is terminated and in that event, the effective date of termination of this Agreement will be the day the written notice of termination is given.

16.5 ALTERNATIVE REMEDY. If after the first 12 months of operation, the Franchisee fails to achieve weekly Gross Revenues which would result in a Continuing License Fees calculation equal to or less than the weekly Minimum Continuing License Fees for more than 6 different weeks in any 12-month period, TMI has the right, but is not required to: (i) modify or reduce the size of the Franchise Territories; or (ii) terminate this Agreement upon written notice to the Franchisee without an opportunity to cure. This remedy is in addition to all other rights and remedies under this Agreement and applicable law.

16.6 OTHER REMEDIES. Nothing in this Article 16 will preclude TMI from seeking other remedies or damages under state or federal laws, common law, or under this Agreement against the Franchisee including, but not limited to, attorneys' fees, punitive damages and injunctive relief.

ARTICLE 17
EFFECT OF
TERMINATION OR EXPIRATION

17.1 FRANCHISEE'S INTEREST; GOODWILL. Upon termination, expiration or non-renewal of this Agreement, Franchisee's interest in this Agreement and all rights licensed hereunder automatically reverts to TMI. All goodwill associated with the licensed Marks shall at all times remain the exclusive property of TMI.

17.2 PAYMENT OF AMOUNTS OWED TMI. Franchisee agrees to pay TMI, within five days of the effective date of termination or expiration of this Agreement, or at any later date that amounts due to TMI are determined:

(A) all Continuing License Fees, Marketing Fund Fees, Technology Innovation Fund Fees, Software and Support Fees, amounts owed for purchases from TMI, late payments, interest, and any all other fees and amounts Franchisee owes to TMI;

(B) upon termination for any default, the actual and consequential damages, costs, and expenses (including attorneys' fees, experts' fees, and interest on such costs and expenses) incurred by TMI as a result of Franchisee's default.

The obligation to pay these sums will create a lien in favor of TMI and against any and all of the personal property, furnishings, equipment, signs, fixtures, and inventory Franchisee owns at the time of the default and/or against any moneys TMI holds or are otherwise in TMI's possession.

17.3 TERMINATION OF USE OF MARKS; OTHER OBLIGATIONS. Upon termination, expiration or non-renewal of this Agreement Franchisee shall:

(D) alter, at its own expense, the appearance of the automobiles used in the operation of the Franchised Business to eliminate any similarity in appearance, signage or décor to the distinctive appearance of automobiles used in the operation of a The Maids® Business, unless TMI exercises its rights under Article 14 of this Agreement;

(J) cease use of all of TMI's Marks, any materials containing the Marks, and any other confusingly similar name or marks. The Franchisee agrees and acknowledges that its continued use of the Marks after the expiration or termination of this Agreement will be without TMI's consent and will constitute an "exceptional case" under federal trademark law (15 U.S.C. §1117) entitling TMI to recover treble damages, costs and attorneys' fees;

(K) Assign to TMI and/or TMI's designee customer contracts and assist TMI and/or TMI's designee in the transition of customers' cleaning service(s) to TMI or TMI's designee, if applicable.

(P) deliver to TMI, within 30 days, evidence that is satisfactory to TMI of Franchisee's compliance with each of the foregoing obligations.

17.4 TRANSFER OF TELEPHONE DIRECTORY LISTINGS. Upon termination or expiration of this Agreement, TMI will have the absolute right to notify the telephone company and all

listing agencies of the termination or expiration of Franchisee's right to use all telephone numbers and all classified and other directory listings under the "The Maids®" name and to authorize the telephone company and all listing agencies to transfer to TMI or its assignee all telephone numbers and directory listings for the Franchised Business. The Franchisee acknowledges that TMI has the absolute right and interest in and to all telephone numbers and directory listings associated with the Marks, and the Franchisee hereby authorizes TMI to direct the telephone company and all listing agencies to transfer the Franchisee's telephone numbers and directory listings to TMI or TMI's assignee if this Agreement expires or is terminated for any reason whatsoever. The telephone company and all listing agencies will have the right to accept this Agreement as evidence of the exclusive rights of TMI to such telephone numbers and directory listings and this Agreement will constitute the authority from the Franchisee for the telephone company and listing agency to transfer all such telephone numbers and directory listings to TMI. Upon termination or expiration of this Agreement, the Franchisee agrees to execute such other documents as is required by the telephone company and listing agency as may be necessary or desirable in connection with the transfer of all telephone numbers and directory listings for the Franchisee's The Maids® Business. The Franchisee will not make any claims or commence any action against the telephone company and the listing agencies for complying with this provision.

17.5 TRANSFER OF DOMAIN NAME REGISTRATIONS AND E-MAIL ADDRESSES. Upon termination or expiration of this Agreement, TMI will have the absolute right to notify the domain name registry and internet service provider of the termination or expiration of Franchisee's right to use all domain name registrations and e-mail addresses associated with the Franchised Business and to authorize the domain name registry and internet service provider to transfer to TMI or its assignee all such domain name registrations and e-mail addresses. The Franchisee acknowledges that TMI has the absolute right and interest in and to all websites, domain name registrations and e-mail addresses associated with the Marks, and the Franchisee hereby authorizes TMI to direct the domain name registry and internet service provider to transfer the Franchisee's domain name registrations and e-mail addresses to TMI or its assignees if this Agreement expires or is terminated for any reason whatsoever. The domain name registry and internet service provider will have the right to accept this Agreement as evidence of the exclusive right of TMI to such websites, domain name registrations and e-mail addresses and this Agreement will constitute the authority from the Franchisee for the domain name registry and internet service provider to transfer such domain name registrations and e-mail addresses to TMI. Upon termination or expiration of this Agreement, the Franchisee agrees to execute such other documents as is required by the domain name registry and internet service provider as may be necessary or desirable in connection with the transfer of all domain name registrations and e-mail addresses for the Franchised Business. The Franchisee will not make any claims or commence any action against the domain name registry or the internet service provider for complying with this provision. The Franchisee further agrees not to utilize any "meta tags" and/or other hidden programming which would adversely affect such websites in the event registration of the domain name registrations and e-mail addresses are assigned to TMI.

17.6 LIQUIDATED DAMAGES. The parties agree that, if this Agreement is terminated by TMI as a result of Franchisee's breach of this Agreement, it would be impossible to calculate with reasonable precision the losses that would be incurred by TMI because of the unpredictability of future business conditions, the impact on TMI's reputation from having a closed Franchised Business location, the ability of TMI to replace the Franchised Business in the same market, and other factors. Accordingly, if this Agreement is terminated as a result of any breach by Franchisee, Franchisee shall pay to TMI as liquidated damages and not as a penalty, the Liquidated Damages. The "Liquidated Damages" shall be an amount equal to the Franchised Business' combined weekly average Gross Revenue for the preceding 12-month period prior to termination, multiplied by the number of weeks remaining in the Franchise Agreement, multiplied by each of (a) Continuing License Fees at the rate of 6.9%, (b) Technology Innovation Fund Fee at the rate of 0.25%, and (c) Marketing Fund Fee at the rate of 2%. The parties agree that this liquidated damages provision only covers TMI's damages from the loss of cash flow from the

Continuing License Fees, Technology Innovation Fund Fees and Marketing Fund Fees. It does not cover any other damages, including damages to the Proprietary Marks, Confidential Information, reputation with the public, The Maids® franchise system, or damages arising from a violation of any other provision of this Agreement. Franchisee, on behalf of itself and each of its owners, agrees that this liquidated damages provision does not give TMI an adequate remedy at law for any default under, or for the enforcement of, any provision of this Agreement other than the provisions pursuant to which Franchisee is obligated to pay Continuing License Fees, Technology Innovation Fund Fees and Marketing Fund Fees.

17.7 CONTINUING OBLIGATIONS. All of TMI's and Franchisee's obligations which expressly or by their nature survive the termination or expiration of this Agreement, will continue in full force and effect following and notwithstanding this Agreement's expiration or termination until the obligations are fully satisfied or by their nature expire.

ARTICLE 18
FRANCHISEE'S COVENANTS NOT TO COMPETE

18.1 CONSIDERATION. The Franchisee, the holders of all Ownership Interests in the Franchisee and the Personal Guarantors acknowledge that, pursuant to this Agreement, the Franchisee, its owners and its employees will receive specialized training, current and future marketing and advertising plans, business plans and strategies, "know-how," business information, concepts, confidential information and trade secrets from TMI pertaining to the System and the operation of The Maids® Business. In consideration for the use and license of such valuable and confidential information, the Franchisee, the holders of all Ownership Interests in the Franchisee and the Personal Guarantors will comply in all respects with the provisions of this Article 18. For purposes of this Agreement, "Personal Guarantors" means any persons executing the Personal Guaranty and Agreement to be Bound Personally by the Terms and Conditions of the Franchise Agreement, attached to this Agreement, which would include all holders of Ownership Interests of any entity which is the Franchisee, any spouse of any individual that is the Franchisee, and any other individual guaranteeing the obligations of the Franchisee under this Agreement.

18.2 IN-TERM COVENANT NOT TO COMPETE. TMI has advised the Franchisee that this provision is a material provision of this Agreement, and that TMI will not sell a The Maids® franchise to any person or entity that does or intends to own, operate or be involved in a business that competes directly or indirectly with a The Maids® Business. Consequently, the Franchisee, the holders of all Ownership Interests in the Franchisee and the Personal Guarantors will not, during the term of this Agreement, on their own account or as an employee, agent, consultant, partner, officer, director, member or shareholder of any other person, firm, entity, partnership or corporation, own, operate, lease, franchise, conduct, engage in, be connected with, have any interest in, or assist any person or entity engaged in any business that is in any way competitive with (including, but not limited to, over the Internet) or similar to The Maids® Business, except with the prior written consent of TMI. For purposes of this Article 18 and the other Articles of this Agreement, any business that is involved or engaged in any fashion in the home services, cleaning or maintenance of the interior or exterior of any residential or commercial structure or facility is competitive to a The Maids® Business.

18.3 POST-TERM COVENANT NOT TO COMPETE. The Franchisee, the holders of all Ownership Interests in the Franchisee and the Personal Guarantors will not, for a period of 18 months after the termination or expiration of this Agreement, on their own account or as an employee, agent, consultant, partner, officer, director, member or shareholder of any other person, firm, entity, partnership or corporation, without first obtaining the prior written consent of TMI,

(A) own, operate, lease, franchise, conduct, engage in, be connected with, have any interest in or assist any person or entity engaged in any or other related business

that is in any way competitive with (including, but not limited to, over the Internet) or similar to The Maids® Business or a facet thereof, which is located (i) within the Designated Market Area, (ii) within the territories of any other The Maids® Businesses operated by TMI or any of its franchisees, (iii) within any development area granted to any other person or entity by TMI pursuant to a development agreement, sub-franchise agreement or other agreement, (iv) within 20 miles of any of the areas described in (i), (ii) or (iii) above, or (v) over the Internet; or

(B) divert or attempt to divert any existing or potential business or customers of TMI or any The Maids® Franchisee; or

(C) solicit or perform maintenance or cleaning services for any customer for whom or which such services was performed by the Franchisee under The Maids® service marks, trademarks and System during the term of this Agreement.

The Franchisee, the holders of all Ownership Interests in the Franchisee and the Personal Guarantors expressly agree that the time, the Internet and the geographical limitations set forth in this provision are reasonable and necessary to protect TMI and TMI's franchisees if this Agreement expires or is terminated by either party for any reason, and that this covenant not to compete is necessary to permit TMI the opportunity to resell and/or develop a new The Maids® Business at or in the area near the Designated Market Area. The Franchisee, the holders of all Ownership Interests in the Franchisee and the Personal Guarantors expressly acknowledge that they would not be in a position to operate a competing business following the termination, expiration or non-renewal of this Agreement without taking advantage of TMI's specialized training, marketing and advertising plans, business plans and strategies, "know-how," business information, concepts, confidential information and trade secrets.

18.4 INJUNCTIVE RELIEF. The Franchisee, holders of all Ownership Interests in the Franchisee and the Personal Guarantors agree that the provisions of this Article 18 are necessary to protect the legitimate business interests of TMI and TMI's franchisees including, without limitation, prevention of the unauthorized dissemination of confidential information to competitors of TMI and TMI's franchisees, protection of TMI's trade secrets and the integrity of TMI's franchise system, and prevention of the duplication of the System by unauthorized third parties. The Franchisee, holders of all Ownership Interests in the Franchisee and the Personal Guarantors also agree that damages alone cannot adequately compensate TMI if there is a violation of this Article 18 by the Franchisee, holders of all Ownership Interests in the Franchisee or the Personal Guarantors, and that injunctive relief against the Franchisee, holders of all Ownership Interests in the Franchisee and the Personal Guarantors is essential for the protection of TMI and TMI's franchisees. The Franchisee, holders of all Ownership Interests in the Franchisee and the Personal Guarantors agree therefore, that if TMI alleges that the Franchisee, holders of all Ownership Interests in the Franchisee or the Personal Guarantors have breached or violated this Article 18, then TMI will have the right to petition a court of competent jurisdiction for injunctive relief against the Franchisee, holders of all Ownership Interests in the Franchisee and the Personal Guarantors, in addition to all other remedies that may be available to TMI. TMI will not be required to post a bond or other security for any injunctive proceeding. In cases where TMI is granted ex parte injunctive relief against the Franchisee, holders of all Ownership Interests in the Franchisee or the Personal Guarantors, then the Franchisee, holders of all Ownership Interests in the Franchisee or the Personal Guarantors will have the right to petition the court for a hearing on the merits at the earliest time convenient to the court.

18.5 SEVERABILITY. It is the desire and intent of the parties to this Agreement, including holders of all Ownership Interests in the Franchisee and the Personal Guarantors, that the provisions of this Article 18 be enforced to the fullest extent permissible under the laws and public policy applied in each jurisdiction in which enforcement is sought. Accordingly, if any part of this Article 18 is adjudicated to be

invalid or unenforceable, then this Article 18 will be deemed amended to modify or delete that portion thus adjudicated to be invalid or unenforceable, such modification or deletion to apply only with respect to the operation of this Article 18 in the particular jurisdiction in which the adjudication is made. Further, to the extent any provision of this Article 18 is deemed unenforceable by virtue of its scope or limitation, the parties to this Agreement, including holders of all Ownership Interests in Franchisee and the Personal Guarantors, agree that the scope and limitation provisions will, nevertheless, be enforceable to the fullest extent permissible under the laws and public policies applied in such jurisdiction where enforcement is sought.

18.6 EXTENSION DURING BREACH OR NEGOTIATIONS. The Franchisee, holders of all Ownership Interests in the Franchisee and the Personal Guarantors acknowledge and agree that the 18-month period expressed in Article 18.3 above shall be extended to include the time during which the Franchisee, holders of all Ownership Interests in the Franchisee or the Personal Guarantors are (a) in breach of any of the provisions of Article 18.3 of this Agreement or (b) are involved in ongoing negotiations for the reacquisition of the Franchise for the Designated Market Area after the expiration of this Agreement.

ARTICLE 19
INDEPENDENT CONTRACTORS

19.1 RELATIONSHIP OF PARTIES. TMI and the Franchisee are each independent contractors and, as a consequence, there is no employer-employee, fiduciary or principal-agent relationship between TMI and the Franchisee. Franchisee shall conspicuously identify itself in all public records and all dealings with the public as a sole operator that is an entity separate from TMI and state that TMI has no liability for the Franchised Business. This shall include, but not be limited to, all agreements between Franchisee and its customers, clients and employees. It is expressly agreed that the parties intend by this Agreement to establish between TMI and Franchisee the independent contractor relationship of a franchisor and franchisee. The Franchisee will not have the right or authority to create or assume in TMI's name or on behalf of TMI, any obligation, express or implied, or to act or purport to act as agent or representative on behalf of TMI for any purpose whatsoever. Franchisee agrees that it will not hold itself out as the agent, employee, partner or co-venturer of TMI. All employees hired by or working for Franchisee shall be the employees of Franchisee and shall not, for any purpose, be deemed employees of TMI or subject to TMI's control. Franchisee agrees to clearly inform each of its employees and contractors that Franchisee is the sole employer or contractual party, respectively. Franchisee agrees to explain to its employees and contractors the respective roles of a franchisor and franchisee and the relationship as franchisor and franchisee, and Franchisee will request that its employees and contractors sign any acknowledgment or disclosure explaining the differences between TMI and Franchisee. Franchisee will post a conspicuous notice that employees are employed by Franchisee and not TMI. Franchisee will use its legal name on all documents for use with employees and contractors, including but not limited to, employment applications, timecards, pay checks, and employment and independent contractor agreements and will not use the Marks on these documents. Franchisee agrees to file its own tax, regulatory and payroll reports with respect to its employees and operations, saving and indemnifying TMI of and from any liability of any nature whatsoever by virtue thereof. Franchisee acknowledges that TMI has no responsibility to ensure that the Franchised Business is developed and operated in compliance with all applicable laws, ordinances, and regulations and that TMI shall have no liability in the event the development or operation of the Franchised Business violates any law, ordinance, or regulation. Neither party hereto shall be obligated by, nor have any liability for, any agreements, representations or warranties made by the other, nor shall TMI be liable for any damages to any person or property, directly or indirectly, arising out of the operation of Franchisee's Franchised Business, whether caused by Franchisee's negligent or willful action or failure to act.

ARTICLE 20
INDEMNIFICATION

20.1 INDEMNIFICATION. Neither TMI nor P&G will be obligated to any person or entity for any damages arising out of, from, in connection with, or as a result of the Franchisee's negligence, the Franchisee's wrongdoing, or the operation of the Franchised Business. Therefore, the Franchisee will, during the Term and any renewal terms and after the termination or expiration of this Agreement, indemnify, defend and hold TMI, P&G, the Franchisor Related Partes, and their respective affiliates (collectively, the "Indemnified Parties" or individually, "Indemnified Party") harmless against any loss, liability, taxes, or damages (actual or consequential) and all reasonable costs and expenses (including without limitation reasonable accountants', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses, and travel and living expenses) of defending any claim brought against any Indemnified Party or any action in which any Indemnified Party is named. Such claims or actions shall include, but are not limited to, the following: (a) any claim concerning the operation of the Franchised Business; (b) a breach of this Agreement or any other agreement between the parties; (c) any injury to, or loss of property of, any person in or on any premises at which Franchisee provides any services and/or any premises used by Franchisee to operate the Franchised Business; (d) Franchisee's taxes, liabilities, costs or expenses of its Franchised Business; (e) any negligent or willful act or omission of Franchisee, its officers, directors, managers, members, partners, employees, agents, servants, contractors or others for whom it is, in law, responsible; (f) any violation of any federal, state or local law, rule, ordinance or regulation; (g) any marketing or promotional material distributed, broadcasted or in any way disseminated by Franchisee or on its behalf (unless such material was produced or approved in writing by TMI); (h) any loss of data, including, but not limited to, customer information, resulting from a breach of such data caused in whole or in party by Franchisee or Franchisee's negligence; (i) Franchisee's employment or other contractual relationship with Franchisee's employees, workers, managers and/or independent contractors, including, but not limited to, any allegation, claim, finding or ruling that TMI is an employer or joint employer of Franchisee's employees; (j) Franchisee's failure to pay the monies payable to TMI or any of its affiliates pursuant to this Agreement, or to do or perform any other act, matter or thing required by this Agreement; and (i) any action by TMI to obtain performance by Franchisee of any act, matter, or thing required by this Agreement. Each indemnified Party shall have the right to defend any such claim against it at Franchisee's expense and agree to settlements or take any other remedial, corrective or other actions and any such defense shall not be considered a waiver of such party's rights to indemnification. Franchisee shall notify TMI within three days after receiving any notice of any allegation, claim, demand or cause of action based upon or arising from the Franchised Business.

20.2 ATTORNEYS' FEES AND OTHER COSTS. The Franchisee will pay all attorneys' fees, costs and expenses incurred by TMI in enforcing any term, condition or provision of this Agreement or in seeking to enjoin any violation of this Agreement by the Franchisee. In any action brought pursuant to this Agreement where TMI prevails against the Franchisee, the Franchisee will indemnify TMI for all costs that it incurs in any lawsuit or proceeding arising under this Agreement including, without limitation; attorneys' fees, expert witness fees, costs of investigation, court costs, litigation expenses, interest, travel and living expenses, and all other costs incurred by TMI.

20.3 CONTINUATION OF OBLIGATIONS. The indemnification and other obligations contained herein will continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

ARTICLE 21
ACKNOWLEDGMENTS

21.1 BUSINESS RISKS; NO FINANCIAL PROJECTIONS. The Franchisee acknowledges that it has conducted an independent investigation of The Maids® Business and recognizes that the business venture contemplated by this Agreement involves business and economic risks and that the financial and business success of the Franchised Business will be primarily dependent upon the personal

efforts of the Franchisee, its management and its employees. Franchisee hereby assumes the responsibility for the success or failure of the Franchised Business venture. TMI expressly disclaims the making of, and the Franchisee acknowledges that it has not received, any estimates, projections, warranties or guaranties, expressed or implied, regarding potential Gross Revenues, income, profits or earnings, expenses or the financial or business success of the Franchised Business, except as set forth in TMI's Franchise Disclosure Document, a copy of which has been provided to the Franchisee.

21.2 NO INCOME OR REFUND WARRANTIES. TMI does not warrant or guarantee to the Franchisee: (A) that the Franchisee will derive income or profit from the Franchised Business; or (B) that TMI will refund all or part of the Initial Franchise Fee or any other fees paid hereunder, or the price paid for the Franchised Business, or repurchase any of the vehicles, products, supplies or equipment supplied or sold by TMI or an approved supplier if the Franchisee is unsatisfied with its Franchised Business.

21.3 RETAINING OF LEGAL COUNSEL. The Franchisee acknowledges that TMI has strongly recommended that the Franchisee should retain an attorney to review TMI's Franchise Disclosure Document, including TMI's financial statements and this Agreement, review all leases, contracts and other documents relating to The Maids® Business, to advise the Franchisee on tax issues, financing matters, applicable state and federal laws, environmental laws, licensing laws and any other laws relating to household maintenance and cleaning, employee issues, insurance, structure of the Franchised Business, and other business matters, and to advise the Franchisee as to the terms and conditions of this Agreement and the potential economic benefits and risks of loss relating to this Agreement and the Franchised Business.

21.4 OTHER FRANCHISEES. The Franchisee acknowledges that other franchisees of TMI have or will be granted franchises at different times, different locations, under different economics and in different situations, and further acknowledges that the economics and terms and conditions of such franchises may vary substantially in form and in substance from those contained in this Agreement.

21.5 RECEIPT OF AGREEMENT AND FRANCHISE DISCLOSURE DOCUMENT. The Franchisee acknowledges that except for negotiated changes the Franchisee initiated, it received a copy of this Agreement with all material blanks fully completed at least seven calendar days prior to the date that this Agreement was executed by the Franchisee. The Franchisee further acknowledges that it has received a copy of TMI's Franchise Disclosure Document at least fourteen calendar days prior to the date on which this Agreement was executed.

22.1 DISCLAIMER BY TMI. TMI expressly disclaims the making of any express or implied representations or warranties regarding the sales, earnings, income, profits, Gross Revenues, business or financial success, or value of the Franchised Business that were not contained in the Franchise Disclosure Document received by the Franchisee.

22.2 ACKNOWLEDGMENTS BY FRANCHISEE. The Franchisee acknowledges that it has not received any express or implied representations or warranties regarding the sales, earnings, income, profits, Gross Revenues, business or financial success, value of the Franchised Business or any other matters pertaining to The Maids® Business from TMI or any of TMI's officers, employees or agents that were not contained in the Franchise Disclosure Document received by the Franchisee (hereinafter referred to in this provision as "Representations"). The Franchisee further acknowledges that if it had received any such Representations, it would not have executed this Agreement, and that it would have: (A) promptly

notified the President of TMI in writing of the person or persons making such Representations; and (B) provided to TMI a specific written statement detailing the Representations made.

22.3 LEGAL REPRESENTATION. The Franchisee acknowledges that this Agreement constitutes a legal document which grants certain rights to and imposes certain obligations upon the Franchisee. ARTICLE 23
ENFORCEMENT

23.1 DISPUTE RESOLUTION PROCESS. The parties have reached this Agreement in good faith and in belief that it is advantageous to each of them. Franchisee received comprehensive pre-sale disclosures and conducted Franchisee's own due diligence in reaching the business decision to proceed with the investment in the franchise System, and Franchisor made the business decision to enter into this Agreement with Franchisee in reliance on the Franchisee's representations in Franchisee's application for the franchise opportunity and the representations and acknowledgments set forth in this Agreement. In recognition of the enormous strain on time, unnecessary expense and wasted resources potentially associated with litigation and/or arbitration, as applicable, and in the spirit of cooperation, the parties pledge to try to resolve any dispute amicably. In furtherance of this pledge, the parties hereby agree to strictly comply with the dispute resolution procedures set forth in this Article 23. The parties hereby agree that the dispute resolution provisions set forth in this Article 23 shall survive termination or expiration of this Agreement. For purposes of this Article 23, the term: (i) "Franchisee Related Party" means Franchisee and/or any of Franchisee's owners, affiliates, officers, directors, shareholders, members, guarantors, predecessors, successors, assigns, and/or employees; and (ii) "Franchisor Related Party" means Franchisor and/or any of its affiliates, parents, officers, directors, shareholders, members, guarantors, employees, representatives and/or owners.

23.2 INJUNCTIVE RELIEF. Franchisee acknowledges and agrees that irreparable harm could be caused to TMI by Franchisee's violation of certain provisions of this Agreement and, as such, in addition to any other relief available at law or equity, TMI shall be entitled to obtain in any court of competent jurisdiction, without bond, restraining orders or temporary or permanent injunctions in order to enforce, among other items, the provisions of this Agreement relating to:

(A) TMI's Marks, the required software and the System;

(B) the obligations of the Franchisee upon termination or expiration of this Agreement;

(C) the assignment, transfer or sale of this Agreement, the Franchised Business or the Ownership Interests of the Franchisee;

(D) confidentiality covenants;

(E) covenants not to compete; and

(F) any act or omission by the Franchisee or the Franchisee's employees that, (1) constitutes a violation of any applicable law, ordinance or regulation, (2) is dishonest or misleading to the clients or customers of the Franchised Business or other The Maids® Businesses, (3) constitutes a danger to the employees, public, clients or customers of the Franchised Business, or (4) may impair the goodwill associated with TMI's Marks, the required software and the System.

TMI will be entitled to injunctive relief against the Franchisee without posting a bond or other security. The Franchisee will indemnify TMI for all costs that it incurs in any lawsuit or proceedings under this provision including, without limitation; attorneys' fees, expert witness fees, costs of investigation, court costs, litigation expenses, accounting fees, travel and living expenses, and all other costs incurred by TMI. Franchisee acknowledges and agrees that Franchisee's only remedy if such an injunction is entered will be the dissolution of the injunction, if appropriate, and Franchisee waives all damage claims if the injunction is wrongfully issued.

23.3 INTERNAL DISPUTE RESOLUTION. Franchisee must first bring any claim or dispute between Franchisee and/or any Franchisee Related Party, on the one hand, and Franchisor, and/or any Franchisor Related Party on the other hand, to Franchisor's management before filing for mediation or commencing any legal action against Franchisor and/or any Franchisor Related Party. Franchisee must submit a written notice to Franchisor, which specifies, in detail, the precise nature and grounds of such claim or dispute ("Franchisee's Dispute Notice"). Following the issuance of the written notice, Franchisee agrees to schedule an in-person meeting with Franchisor's designated representative to discuss the claim or dispute and opportunities for resolution (the "Internal Dispute Resolution Meeting"). Franchisee and its majority owner must attend and participate in the Internal Dispute Resolution Meeting in good faith.

23.4 MEDIATION. In addition to compliance with the Internal Dispute Resolution Meeting requirement, with the exception of the Excluded Claims (as defined below) that Franchisor does not elect to submit to mediation (in Franchisor's sole discretion), before filing or otherwise commencing any legal action, the parties agree to mediate any dispute, controversy or claim between Franchisee and/or any Franchisee Related Party, on the one hand, and Franchisor and/or any Franchisor Related Party, on the other hand, including, without limitation, in connection with any dispute, controversy or claim arising under, out of, in connection with or in relation to: (a) this Agreement; (b) the parties' relationship; (c) the offer and/or sale of the franchise opportunity; (d) the events occurring prior to the entry into this Agreement; (e) the Franchised Business; and/or (f) any System standard, in accordance with the procedures set forth in this Section, inclusive of all subparts. Good faith participation in these procedures to the greatest extent reasonably possible is a material obligation under this Agreement and a precondition to the commencement of any legal action, including any action to interpret or enforce this Agreement. The mediation shall be conducted in accordance with the following provisions:

a. **Initiation Procedure.** The party seeking mediation (the "Initiating Party") must first send the other party/parties a written notice of its request for mediation (the "Mediation Demand Notice"). The Mediation Demand Notice must specify the nature of the dispute, the Initiating Party's version of the facts surrounding the dispute, the amount of damages, and the nature of any injunctive or other relief such party claims and must identify one or more persons with authority to settle the dispute for the Initiating Party. If the Initiating Party is Franchisee and the Franchisee's Dispute Notice provided in connection with the Internal Dispute Resolution Meeting includes all information required pursuant to this paragraph, Franchisee may attach the Franchisee's Dispute Notice to the Mediation Demand Notice to satisfy Franchisee's notice obligations under this paragraph.

b. **Direct Negotiations**. Upon receipt of a Mediation Demand Notice, the parties will endeavor, in good faith, to resolve the dispute outlined in the Mediation Demand Notice. If the parties have been unable to resolve any such dispute(s) outlined in a Mediation Demand Notice or a response thereto within twenty (20) days after the Initiating Party issues the Mediation Demand Notice, either party may initiate a mediation procedure with the American Arbitration Association ("AAA") in accordance with the AAA's Commercial Mediation Procedures, and unless otherwise agreed by the parties in writing, will take place in-person in the city of Franchisor's then-current corporate headquarters, as Franchisor designates. *[In the event any applicable, valid and enforceable state law mandates that the mediation take place at any other location, the mediation shall be held in-person at such other location.]*

c. **Selection of the Mediator; Time & Place for Mediation**. The parties will select the mediator in accordance with the AAA procedures. The fees and expenses of the mediator and costs for mediation must be shared equally by the parties. The mediator may not later serve as a witness, consultant, expert or counsel for any party with respect to the dispute or any related or similar matter in which either of the parties is involved.

d. **Representatives**. Franchisee must attend the mediation in-person, and if Franchisee is a legal entity, a person with majority ownership interest (whether direct or indirect) must attend and participate in the mediation in-person. Franchisor's designated representative must attend and participate in the mediation in-person.

e. **Conduct of Mediation**. The mediator shall assist the parties in negotiating a resolution of the matter in dispute, with or without the assistance of counsel. To this end, the mediator is authorized both to conduct joint meetings and to attend separate private caucuses with the parties. All mediation sessions will be strictly private. The mediator must keep confidential all information learned unless specifically authorized by the party from which the information was obtained to disclose the information to the other party. The parties commit to participate in the proceedings in good faith with the intention of resolving the dispute if at all possible.

f. **Termination of Procedure**. The parties agree to participate in the mediation procedure to its conclusion, as set forth in this Agreement. The mediation may be concluded (1) by the signing of a settlement agreement by the parties that has been reviewed and approved by counsel if required in order to ensure enforceability of any required general release, or (2) by the mediator's declaration that the mediation is terminated. Even if the mediation is terminated without resolving the dispute, the parties agree not to terminate negotiations and not to begin any litigation, arbitration or legal action or seek another remedy before the expiration of five (5) days following the termination of the mediation.

g. **Confidentiality**. The mediation procedure is a compromise negotiation or settlement discussion for purposes of federal and state rules of evidence. The parties agree that no stenographic, visual or audio record of the proceedings may be made. Any conduct, statement, promise, offer, view or opinion, whether oral or written, made in the course of the mediation by the parties, their agents or employees, or the mediator is confidential and shall be treated as privileged. No conduct, statement, promise, offer, view or opinion made in the mediation procedure is discoverable or admissible in evidence for any purpose, not even impeachment, in any proceeding involving either of the parties. However, evidence that would otherwise be discoverable or admissible will not be excluded from discovery or made inadmissible simply because of its use in the mediation.

h. **Attorneys' Fees.** Each party shall be responsible for their own attorneys' fees; provided, however, if Franchisee refuses to comply with the mediation procedures in accordance with the terms of this Article 23, Franchisee shall be liable to Franchisor for all attorneys' fees incurred by Franchisor in connection with the dispute, including in connection with the mediation through the conclusion of the mediation.

i. **Excluded Claims. "**Excluded Claims" means any controversy, dispute, or claim by Franchisor against Franchisee or any Franchisee Related Party that Franchisor elects not to submit to mediation (in Franchisor's sole and absolute discretion) for: (a) violation of any provision relating to use of the Marks and/or any Confidential Information; (b) violation of Franchisor's and/or its affiliate's federally or state protected intellectual property rights in the Marks, the System, and/or in any Confidential Information; (c) violation of any of the restrictive covenants in this Agreement, including the confidentiality and/or non-competition covenants; and/or (d) any claims for indemnification and/or to collect past due amounts owed to Franchisor and/or a Franchisor Related Party.

j. **Injunctive Relief.** Notwithstanding anything contained in this Agreement to the contrary, Franchisor may seek injunctive relief in the state or federal courts in any court with personal jurisdiction over Franchisee if Franchisee is violating or threatening to violate any restrictive covenant in this Agreement or if Franchisee is infringing on Franchisor's and/or its affiliate's rights in the Marks. In such an action, Franchisor may, but is not obligated to, assert any other existing claims against Franchisee.

23.5 CONTRACTUAL LIMITATION OF CLAIMS. Franchisee (and Franchisee's officers, directors, owners and guarantors) expressly agree that no claim or cause of action may be filed or maintained against TMI and/or any Franchisor Related Party arising out of or relating to this Agreement, the relationship established by this Agreement, the offer and sale of the franchise opportunity, and/or the operation of the Franchised Business unless such claim or cause of action is filed before the expiration of the "Limitations Period." For purposes of this paragraph, the term "Limitations Period" means: one (1) year from the earlier of: (a) the date of the act, transaction or occurrence giving rise to the claim against TMI or a Franchisor Related Party; or (b) the date on which Franchisee (Franchisee's officers, directors, owners and/or guarantors) knew or reasonably should have known of the facts or circumstances giving rise to the claim against TMI or a Franchisor Related Party. Notwithstanding the foregoing, if the Limitations Period is unenforceable under the law of the state where TMI's then-current corporate headquarters is located (or, in the event a court determines a different state's law applies to the claim, then under that state's law), then the Limitations Period shall be equal to the shortest time period for a limitation of claims provision that is enforceable under the applicable law.

This contractual limitation of claims provision applies to all claims, whether based on contract, tort, statute, or any other legal theory. Franchisee acknowledges that this limitation of claims provision and the

Limitations Period is a material inducement for TMI to enter into this Agreement and that it is intended to provide certainty and finality to potential disputes. To the fullest extent permitted by law, Franchisee hereby waives any longer statutory limitation period and agrees that the foregoing limitation is reasonable and enforceable.

23.6 NO DISPUTES SUBJECT TO ARBITRATION. No disputes arising under, as a result of, or in connection with this Agreement, the Designated Market Area or the Franchised Business will be subject to arbitration.

23.7 NO CLASS OR COLLECTIVE ACTIONS. Franchisee agrees that any mediation, litigation, or, if applicable, arbitration, between Franchisee and/or any Franchisee Related Party on the one hand, and Franchisor and/or a Franchisor Related Party on the other hand, including, without limitation, any proceedings arising out of or related to this Agreement, the offer and sale of this franchise opportunity, the performance of either party, and/or Franchisee's purchase from Franchisor of the franchise, and/or any goods or services, will be conducted on an individual, not a class-wide, collective, associational or representative basis, and that any proceeding between Franchisee and/or a Franchisee Related Party, on the one hand, and Franchisor and/or any Franchisor Related Party, on the other hand, may not be consolidated with any other proceeding between Franchisor and any other third party. No class actions or the joinder of any person, entity or association that is not a party to this Agreement shall be involved in or participate in any legal proceeding between Franchisor and/or a Franchisor Related Party, on the one hand, and Franchisee and/or a Franchisee Related Party, on the other hand.

23.8 WAIVER OF JURY TRIAL. Each party irrevocably waives trial by jury in any action brought by either party, whether based on contract, tort, statute, or any other legal theory. Franchisee and TMI agree that any proceeding, whether at law or in equity, which arises out of, concerns, or is related to this Agreement or any of the relationships or transaction contemplated by this Agreement, or Franchisee's investment in the Franchised Business shall be tried before a court of competent jurisdiction and not a jury.

23.9 WAIVER OF PUNITIVE DAMAGES. Franchisee hereby waives to the fullest extent permitted by law, any right to or claim for any punitive, exemplary, incidental, indirect, special or consequential damages (including, without limitation, lost profits) against Franchisor and/or any Franchisor Related Party arising out of any cause whatsoever (whether such cause be based in contract, negligence, strict liability, other tort or otherwise) and agrees that in the event of a dispute, that Franchisee's recovery is limited to actual damages. If any other term of this Agreement is found or determined to be unconscionable or unenforceable for any reason, the foregoing provisions shall continue in full force and effect, including, without limitation, the waiver of any right to claim any consequential damages. Nothing in this Section or any other provision of this Agreement shall be construed to prevent Franchisor from claiming and obtaining expectation or consequential damages, including lost future royalties for the balance of the term of this Agreement if it is terminated due to Franchisee's default, which the parties agree and acknowledge Franchisor may claim under this Agreement.

23.10 SEVERABILITY. All provisions of this Agreement are severable and this Agreement will be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein and partially valid and enforceable provisions will be enforced to the extent valid and enforceable. If any applicable law or rule of any jurisdiction requires a greater prior notice of the termination of this Agreement than is required hereunder or the taking of some other action not required hereunder, or if under any applicable law or rule of any jurisdiction, any provision of this Agreement or any specification, standard or operating procedure prescribed by TMI is invalid or unenforceable, the prior notice or other action required by such law or rule will be substituted for the notice requirements hereof, or such invalid or unenforceable provision, specification, standard or operating procedure will be modified to the extent

required to be valid and enforceable. Such modifications to this Agreement will be effective only in such jurisdiction and will be enforced as originally made and entered into in all other jurisdictions.

23.11 WAIVER. TMI and the Franchisee may, by written instrument signed by TMI and the Franchisee, waive any obligation of or restriction upon the other under this Agreement. Acceptance by TMI of any payment by the Franchisee and the failure, refusal or neglect of TMI to exercise any right under this Agreement or to insist upon full compliance by the Franchisee of its obligations hereunder including, without limitation, any mandatory specification, standard or operating procedure, will not constitute a waiver by TMI of any provision of this Agreement.

23.12 PAYMENTS TO TMI. The Franchisee will not for any reason withhold payment of any Continuing License Fees or any other fees or payments due TMI pursuant to this Agreement or pursuant to any other contract, agreement or obligation to TMI. The Franchisee will not have the right to "offset" any liquidated or unliquidated amounts, damages or other funds allegedly due to the Franchisee by TMI against any Continuing License Fees or any other fees or payments due to TMI under this Agreement or under any other agreement or contract. TMI shall have the right to apply any payments received from the Franchisee first to the repayment of all costs of collection, including but not limited to attorney's fees, next to any late payment charges, next to accrued interest and then to the oldest obligation due under this Agreement or any other agreement between the Franchisee and TMI or an affiliate of TMI. In addition, TMI shall have the right to set-off, from any amounts that TMI may owe to the Franchisee, any amount that the Franchisee owes to TMI.

23.13 EFFECT OF WRONGFUL TERMINATION. In the event that TMI or the Franchisee takes any action to terminate this Agreement and/or to convert the Franchised Business to another business without first complying with the terms and conditions (including the written notice and opportunity to cure provisions) of Article 16 of this Agreement, as applicable, then such action will not relieve either party of, or release either party from, any of its obligations under this Agreement, and the terms and conditions of this Agreement will remain in full force and effect until such time as this Agreement expires or is terminated in accordance with the provisions of this Agreement and applicable law.

23.14 CUMULATIVE RIGHTS. The rights of TMI hereunder are cumulative and no exercise or enforcement by TMI of any right or remedy hereunder will preclude the exercise or enforcement by TMI of any other right or remedy hereunder or which TMI is entitled by law to enforce.

23.15 VENUE AND JURISDICTION. Unless provided by this Agreement or applicable law to the contrary, all litigation, lawsuits, hearings, proceedings and other actions initiated by either party against the other party will be held exclusively in the city/county and state of TMI's then-current corporate headquarters, as TMI designates, which is currently Dallas County, Texas. The Franchisee acknowledges that the Franchisee and its officers, directors, members, partners and employees have had substantial business and personal contacts with TMI in the city and state of TMI's then-current corporate headquarters. Consequently, TMI, the Franchisee, and each of their officers, directors and shareholders, and the personal guarantors do hereby agree and submit to personal jurisdiction in the State of Texas or any other state where TMI's then-current corporate headquarters is located for the purposes of any suit or proceeding brought to enforce or construe the terms of this Agreement or to resolve any dispute or controversy arising under, as a result of, or in connection with this Agreement or the Franchised Business, and do hereby agree and stipulate that any such suits, proceedings, hearings or other actions will be exclusively held in the city/county and state of TMI's then-current corporate headquarters, as TMI designates, which is currently Dallas County, Texas. TMI also reserves the right to file any litigation, lawsuits, hearings, proceedings or other action against the Franchisee in the federal or state courts where the Franchised Business is located. The Franchisee waives all rights to challenge personal jurisdiction and venue.

23.16 GOVERNING LAW. Except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §1051 et seq.), this Agreement, the relationship between TMI and Franchisee and any dispute between the parties shall be subject to and shall be enforced and construed pursuant to the laws of the state where TMI's then-current corporate headquarters is located, which is currently Irving, Texas. If any provision or term of this Agreement is held to be invalid, void, or unenforceable, the remainder of the provisions shall remain in full force and effect and shall in no way be affected, impaired, or invalidated. In the event of litigation to enforce any of the provisions of this Agreement, the prevailing party may recover court costs and reasonable attorneys' fees.

23.17 THIRD-PARTY BENEFICIARIES. TMI's officers, directors, members, agents and/or employees are express third-party beneficiaries of the provisions of this Agreement, including the dispute resolution provisions set forth in Article 23, each having the authority to specifically enforce the right to mediate claims asserted against such person(s) by Franchisee and/or any Personal Guarantor.

23.18 BINDING AGREEMENT. This Agreement is binding upon the parties hereto and their respective executors, administrators, heirs, assigns and successors in interest.

23.19 NO ORAL MODIFICATION. This Agreement may only be modified or amended by a written document executed by Franchisee and Franchisor. Notwithstanding anything herein to the contrary, Franchisor shall have the right unilaterally to reduce the scope of any covenants of Franchisee contained in this Agreement upon notice to Franchisee, whereupon Franchisee shall comply therewith as so modified. The Franchisee and TMI will not have the right to amend or modify this Agreement orally or verbally, and any attempt to do so will be void in all respects.

23.20 DELEGATION. Franchisee agrees that Franchisor shall have the right to delegate to third-party designees, whether these designees are Franchisor's agents or independent contractors with whom Franchisor has contracted (1) the performance of any portion or all of Franchisor's obligations under this Agreement, and (2) any right that Franchisor has under this Agreement. If Franchisor does so, such third-party designees will be obligated to perform the delegated functions for Franchisee in compliance with this Agreement.

23.21 ENTIRE AGREEMENT. This Agreement, inclusive of all exhibits, constitutes the entire full and complete agreement and understanding between the parties and supersedes all prior agreements. No other representations, promises, warranties or agreements have induced Franchisee to sign this Agreement with Franchisor. Both parties agree that there are no oral or written representations, promises, assurances, warranties, covenants, "side-deals", rights of first refusal, options or understandings other than those in this Agreement. This Agreement supersedes all prior agreements, no other representations, promises, warranties, assurances, covenants, "side deals", rights of first refusal, options or understandings having induced Franchisee to sign this Agreement. The Parties agree that, in entering into this Agreement, they are each relying on their own judgment, belief and knowledge as to any claims and further agree that no promise, inducement or agreement or any representations and warranties not expressed in this Agreement have been made to procure their entering into this Agreement. The parties agree that they have read, fully understand and fully agreed to the terms of this Agreement. Notwithstanding the foregoing, nothing in this Agreement is intended to disclaim the representations Franchisor made in the Franchise Disclosure Document Franchisor furnished to Franchisee before entering into this Agreement.

23.22 JOINT AND SEVERAL LIABILITY. If the Franchisee consists of more than one individual, then the liability of all such individuals under this Agreement will be joint and several.

23.23 HEADINGS; TERMS. The headings of the Articles are for convenience only and do not in any way define, limit or construe the contents of such Article. The term "Franchisee" as used herein

23.24 OPERATION IN THE EVENT OF ABSENCE, DISABILITY OR DEATH. To endeavor to avoid any interruption of the Franchised Business which would cause harm to the Franchised Business and thereby depreciate the value of the Franchised Business, the Franchisee expressly authorizes TMI, if the Franchisee and its Manager are absent or incapacitated by illness or death, or in the absence of a Manager who has successfully completed the TMI SMART Start Training program, and the Franchisee is not, therefore, in the sole judgment of TMI, able to operate the Franchised Business, to operate the Franchised Business for as long as TMI deems necessary and practical, without waiver of any other rights or remedies TMI may have under this Agreement. 2. Software. Licensor has entered into an Agreement with Waterstreet Technology Group, 171 Water Street, Suite 200, Vancouver, BC V6B 1A7 ("WSTG") whereby Licensor has been granted a limited Master License for licensing purposes to distribute WSTG's Licensed Franchise Management Software (the "Software") to its franchisees. The Software was designed specifically to support the operations and management of a The Maids® Business. "Software" means all software products supplied to Licensee by Licensor including all documentation, user manuals, and other material related to the Software, whether in machine-readable or printed form, and error corrections and enhancements supplied by Licensor pursuant to this Agreement. If significant structural changes to the Software are made, additional upgrade costs may be incurred by Licensee.

3. Franchise Relationship. Licensee (as Franchisee) has signed a Franchise Agreement with Licensor (as Franchisor) on or before the date of this Agreement (hereinafter the "Franchise Agreement"). Pursuant to the Franchise Agreement, Licensee operates or will operate a franchised The Maids® Business to service a Designated Market Area defined in the Franchise Agreement. Licensee desires to obtain a license to use the Software in connection with the operation of its franchised The Maids® Business.

4. Hardware and Software. Licensee has acquired, at its sole expense, prior to or concurrently with access to the Software by Licensor, the compatible computer hardware and peripheral equipment, operating system software, internet connection, and other computer hardware and software required by Licensor to support the operation of the Software. Licensee will, at its sole expense, acquire any other hardware or third-party software required by Licensor during the term of this Agreement for the support of the Software or the operation of Licensee's The Maids® Business, and will pay all license or use fees payable with respect to any software required to support the operation of the Software.

5. Grant of License. Licensor grants to Licensee a nonexclusive and non-transferable license to use the Software in Licensee's business subject to the terms and conditions of this Agreement. Licensee is strictly prohibited from using the Software (a) for any purpose other than supporting the operation of Licensee's The Maids® Business, or (b) after the expiration or termination of this Agreement.

6. Monthly Software Fees. In addition to amounts owed under the Franchise Agreement, Licensee will pay a monthly fee which allows Licensee one site license per Licensee defined business entity (site), access to upgrades, fixes or any future versions of the Software at no additional cost and allows access to all training provided by Licensor. Software and Support Fees are $140 per month, plus an additional $85 per each additional office per month. Licensee will remit the Software and Support Fee monthly to Licensor on or after the 15th of the month for which the License is active. Licensee is deemed active for purposes of the initiation of continuing software fees upon completion of SMART Start Training. Remittance of the monthly Software and Support Fee to Licensor must be made (a) by pre-authorized electronic bank transfer from Licensee's account to Licensor's account, or (b) as otherwise directed by Licensor. Licensee will remit all applicable sales, use, excise, and other taxes on the Software, except for taxes based on Licensor's net income. Licensor reserves the right to increase the monthly Software and Support Fee upon 30 days' notice; provided that Licensor will not increase the portion of the Software and Support Fee attributable to Licensor's costs by more than the actual increase to Licensor's costs and

Licensor will not increase the portion of the Software and Support Fee attributable to Licensor's overhead and administrative expenses by more than 25% per year.

7. Software Support Plan. Basic Software support is provided by Licensor as part of the monthly software fee. Software customization, enhancements or other non-standard requests may result in billable services at WSTG's current rate.

8. Late Payment. Any amounts that are not paid to Licensor when due shall bear interest from the date due until paid of the lesser of 18% per annum or the maximum legal rate of interest allowed by the state in which the Licensee's The Maids® Business is located.

9. Term. Unless sooner terminated, the term of this Agreement and of the license granted herein will begin on the Effective Date and continue until the expiration or termination of the Franchise Agreement or the expiration or termination of the license agreement between Licensor and WSTG. Licensee may enter into a successor Software License Agreement with Licensor by signing Licensor's then-current form of Software License Agreement, and by paying all fees and complying with all terms and conditions set forth in the then-current form of Software License Agreement. Licensee further acknowledges that future changes in technology may necessitate upgrades in hardware and third-party software required to operate the Software which may result in additional costs or fees payable by Licensee.

10. Licensee Responsibilities - Security. Licensee must use discretion in granting access to Software and agrees to adhere to best practices for secure use and access to customer and business information. Licensee and users agree that unique login and password assignments will be granted to each user of the software and will not be shared. Passwords should be changed at least every thirty days. Licensee agrees to use up-to-date local anti-virus software on each device accessing Software. Licensee agrees to notify Licensor in the event, or suspicion of, a security breach in which an unauthorized or authorized user may have or has accessed Software for malicious purpose.

11. Ownership. Licensee is granted only a license to use the Software, and Licensor and/or WSTG retain all title to the Software. Licensor and/or WSTG reserve all rights in the patents, copyrights, trade secrets and other intellectual property in the Software.

12. Confidential Information. Licensee agrees that the Software is confidential and contains proprietary information of Licensor and that its unauthorized disclosure could cause the Licensor irreparable harm. Licensee agrees not to disclose the Software or make the Software available to anyone other than Licensee's employees or contractors unless Licensee has Licensor's prior written consent. Licensee will exercise no less than reasonable care to protect the Software from unauthorized disclosure, and will take reasonable steps to ensure that Licensee's employees and contractors do not disclose it in violation of this Agreement. Licensee will be liable to Licensor for damages if Licensee is negligent in protecting the Software in accordance with this Agreement. LICENSEE WILL NOT DISASSEMBLE, DECOMPILE, OR REVERSE ENGINEER THE SOFTWARE UNDER ANY CIRCUMSTANCES.

13. Access to Software and Information. Licensee agrees that Licensor will at all times have the right to access the Software, by high speed internet access, i.e. cable modem access, for purposes of obtaining financial, sales, customer, marketing and all other data and information contained, resident or otherwise available in Licensee's computer system, for purposes of verifying compliance by Licensee with the terms of this Agreement or the Franchise Agreement, and for such other purposes as may be determined by Licensor, in its sole discretion. Licensor will have the right to retain and use any information obtained by accessing Licensee's Software for any purposes deemed appropriate by Licensor, in its sole discretion. Licensor may also, personally or through its assignees, access Licensee systems for the purposes of technical troubleshooting, diagnosis and resolution.

14. Limited Warranty. LICENSOR EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, GUARANTEES OR REMEDIES, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

15. Limitation of Liability. UNDER NO CIRCUMSTANCES WILL LICENSOR BE LIABLE FOR LOSS OF DATA, REPROCUREMENT COSTS, LOST REVENUE OR PROFITS OR FOR ANY OTHER SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES EVEN IF THEY WERE FORESEEABLE OR LICENSEE HAS INFORMED LICENSOR OF SUCH POTENTIAL DAMAGES.

16. Proprietary Rights Indemnity. Licensor will, at its expense, defend Licensee against any claim that the Software infringes a United States patent or copyright. Licensee must give the Licensor prompt written notice of any claim and cooperate fully with Licensor in its defense. Licensor will have the sole authority to control the case and any related settlement negotiations, and will pay all costs, damages and attorney's fees that a Court finally awards as a result of such claim. If, in Licensor's opinion, the Software or any component of the Software is likely to become the subject of such a claim, Licensor will have the right, at its option and expense, to attempt to either secure the right to continue using the Software, or else replace or modify the Software so that it becomes non-infringing without materially affecting the Licensee's ability to use it. If neither of these alternatives is available on terms which Licensor deems to be reasonable, then Licensee will return the Software to Licensor at Licensor's request, and Licensor will have no further obligations to Licensee with regard to the Software. Licensor will not be obligated to Licensee under this Section for any claim which arises as a result of or relates to (a) Licensee's modification of the Software; (b) Licensor's compliance with Licensee's specifications or instructions in connection with providing support services; (c) the combination or interconnection of the Software with any other product, device or system Licensor did not supply or designate; or (d) any claims of infringement relating to any computer software other than the Software, including any claims relating to any operating system used to support the operation of the Software.

17. Assignment. Licensee will not sublicense, transfer, rent or lease the Software except in connection with an assignment of Licensee's The Maids® Business pursuant to and in accordance with the terms and conditions of the Franchise Agreement, or otherwise with Licensor's prior written consent. If Licensor gives Licensee authorization to transfer this Agreement and the license granted hereunder to use the Software, the assignee must agree to accept the terms and conditions of this Agreement or sign Licensor's then-current Software License Agreement, at Licensor's option. Licensee access to Software will be terminated. Licensor will have the right to assign this Agreement or the rights to receive monthly Software and Support Fees to a parent or Affiliate Company, a successor in interest, or other transferee upon notice to the Licensee.

18. Default. Any of the following occurrences will constitute an "Event of Default" under this Agreement:

(a) Licensee's failure to pay when due any monthly Software and Support Fees or other charge or fee payable to Licensor pursuant to this Agreement;

(b) Licensee's breach or default of any other provision of this Agreement if such breach or default is not corrected within 30 days, or such other period of time specified by applicable law, after the Licensor gives the Licensee written notice of breach;

(c) The Franchise Agreement is terminated by either party or expires and is not renewed; or

(d) Licensee is in default of any of its obligations under the Franchise Agreement and fails to correct such default in accordance with the notice and cure provisions of the Franchise Agreement.

19. Licensor's Remedies Upon Default. Upon the occurrence of any event of default, Licensor will have the right to exercise any or all of the following rights and remedies:

(a) Terminate this Agreement;

(b) Declare all amounts owed to Licensor pursuant to this Agreement to be immediately due and payable;

(c) Require that Licensee cease use of the Software;

(d) Cease performance of all of Licensor's obligations under this Agreement without liability to Licensee;

(e) Use computer hardware and/or computer software to limit Licensee's use of the Software; and/or

(f) Use computer hardware and/or computer software to render the Software unusable to Licensee.

20. Sole Agreement; Modification. This Agreement is the sole agreement between the parties relating to the subject matter hereof and supersedes all prior understandings, writings, proposals, representations or communications, oral or written, of either party. This Agreement may be amended only by a writing executed by the party against whom enforcement is sought.

21. Governing Law. This Agreement will be interpreted in accordance with the substantive laws of the state in which Licensor's then-current corporate headquarters is located.

22. Costs and Attorneys' Fees. Licensee will indemnify Licensor for all costs that Licensor incurs in any lawsuit or proceeding to enforce this Agreement including, without limitation; actual attorneys' fees, expert witness fees, costs of investigation, court costs, litigation expenses, travel and living expenses, and all other costs incurred by Licensor.

23. Severability. All provisions of this Agreement are severable and this Agreement will be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein and partially valid and enforceable provisions will be enforced to the extent valid and enforceable. If any applicable law or rule of any jurisdiction requires a greater prior notice of the termination of this Agreement than is required or the taking of some other action not required, or if under any applicable law or rule of any jurisdiction, any provision of this Agreement is invalid or unenforceable, the prior notice or other action required by such law or rule will be substituted for the notice requirements hereof, or such invalid or unenforceable provision will be modified to the extent required to be valid and enforceable. Such modifications to this Agreement will be effective only in such jurisdiction and will be enforced as originally made and entered into in all other jurisdictions.

24. Waiver; Consent. Licensor and Licensee may, by written instrument signed by Licensor and Licensee, waive any obligation of or restriction upon the other under this Agreement. Acceptance by Licensor of any payment by Licensee and the failure, refusal or neglect of Licensor to exercise any right under this Agreement or to insist upon full compliance by Licensee of its obligations will not constitute a

waiver by Licensor of any provision of this Agreement. Whenever this Agreement requires Licensor's prior written consent, such consent may be withheld by Licensor for any reason whatever.

25. No Rights of Offset. Licensee will not, on grounds of the alleged nonperformance by Licensor of any of its obligations or for any other reason, withhold payment of any monthly Software and Support Fees or payments due Licensor pursuant to this Agreement or pursuant to any other contract, agreement or obligation. Licensee will not have the right to "offset" any liquidated or unliquidated amounts, damages or other funds allegedly due to Licensee by Licensor against any payments due to Licensor under this Agreement.

26. Licensor's Rights Cumulative. The rights of Licensor are cumulative and no exercise or enforcement by Licensor of any right or remedy will preclude the exercise or enforcement by Licensor of any other right or remedy or which Licensor is entitled by law to enforce.

27. Jurisdiction; Venue. All litigation, court hearings, or other proceedings initiated by either party against the other party will be initiated, venued and maintained in strict accordance with the corresponding applicable provisions of the Franchise Agreement.

28. Binding Agreement. This Agreement is binding upon the parties hereto and their respective executors, administrators, heirs, assigns and successors in interest.

29. Headings. The headings used in this Agreement are for convenience only and do not in any way define, limit or construe the contents hereof.

30. Notices. All notices to Licensor or Licensee will be given in accordance with and subject to the corresponding applicable terms and conditions of the Franchise Agreement.

31. Counterparts. This Agreement may be executed simultaneously in multiple counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Agreement to be effective as of the day and year first above written.

NATIONAL ALLIANCE PARTICIPATION AGREEMENT

The undersigned franchisee ("Franchisee") and The Maids International, LLC ("TMI") are parties to a The Maids® franchise agreement (the "Franchise Agreement"). Franchisee, by executing this Participation Agreement (the "Agreement"), elects to become a participating franchisee in the arrangements between TMI and all of TMI's national alliances ("Alliances") as described in the master services agreements entered into by and between TMI and Alliances (the "Master Services Agreement"). TMI has created a manual and other written documents that TMI will make available to Franchisee and will periodically update, that describes various standards, programs and rules for Franchisee to participate in arrangement between TMI and its Alliances. Franchisee accepts, and agrees to be bound by, all of the terms of this Agreement and the Alliances Manual. Except as provided for in Section 7 of this Agreement, in the event of an inconsistency between the terms of this Agreement and the terms of the Franchise Agreement, the terms of the Franchise Agreement control.

TERMS

1. Provision of Services. Franchisee shall provide certain services to Alliances' customers in accordance with this Agreement and with the terms and conditions of Alliances Manual (the "Services").

2. Service Fees. Alliances shall pay TMI the fees due under the Master Services Agreements as described in the Alliances Manual (the "Fees"). TMI will forward weekly invoices as updated on TMI's intranet or otherwise in writing to Alliances for Services previously performed by Franchisee. Alliances will provide payment of the Fees to TMI no later than thirty (30) days from the date of receipt of such invoice. Once the Fees are received by TMI from Alliances, TMI will remit such Fees to Franchisee within a reasonable amount of time, but no later than within ten (10) business days of its receipt of such fees from Alliances. Fees pertaining to any additional services or service hours requested by Alliances' customers will be payable directly to Franchisee by customer. Franchisee shall locate and provide to TMI any documentation required to substantiate any Fees, including an itemized list of the Services provided to specific residences on specific dates, as requested. In the event that Alliances reasonably disputes any Fees, it must submit written notice and any supporting documentation to TMI within thirty (30) days of its receipt of TMI's invoice. TMI will immediately forward such notice to Franchisee for Franchisee's consideration. Franchisee shall provide TMI a written response within ten (10) days of the date of Alliances' notice of dispute.

3. Taxation. Franchisee is responsible for payment of any and all taxes related to its provision of the Services to Alliances, including without limitation, any and all state and local sales and use taxes, gross receipts, business and occupation taxes incurred or required to be paid for any reason in connection with the sale of Services to Alliances or any penalties or interest assessed on audit due to any action, inaction or omission of Alliances or its customers or their respective employees, agents, contractors or representatives with respect to the taxes to be paid hereunder. The Fees are inclusive of any such taxes. The terms set forth in Section 2 of this Agreement shall govern any collection of taxes pursuant to this Section 3.

4. Insurance. Franchisee will submit to TMI concurrently with the execution of this Agreement, and annually thereafter, proof of all insurance required under the Franchise Agreement. Franchisee agrees to keep TMI informed of all claim activities involving the Services provided to Alliances or its customers, including actions taken with regard to any claim by any insurance carrier. The purchase of insurance and the furnishing of certificates are required in order to perform any Services for Alliances or its customers.

5. Compliance with TMI Franchise Agreement. Except as provided for in Section 7 of this Agreement, Franchisee agrees to comply with all of its obligations under its Franchise Agreement with

TMI, including but not limited to, being on the latest version of software and related electronic payment process, being current with payment of royalties and meeting its obligations with an agreed upon payment plan.

6. Exclusivity. Franchisee agrees these programs are maintained exclusively with Alliances and that agreements with any company to perform the same services provided to the Alliances may be a violation of the exclusivity terms of the Master Services Agreements. Any other relationships with such companies must be approved in writing by TMI prior to their commencement.

7. Franchisee Availability Outside Its Territory. Notwithstanding any provision of Franchisee's Franchise Agreement to the contrary, upon Franchisee's execution of this Agreement, TMI will designate the Zip Codes outside the Designated Market Area ("DMA") of Franchisee (and all other TMI franchisees' DMAs) in which Franchisee is able to offer Services under this Agreement, if Franchisee is willing to do so. TMI retains the sole and exclusive right and authority to designate to which franchisee sales from Alliance programs will be sent when outside any DMAs and may reassign or sell those service Zip Codes at any time. TMI also retains the sole and exclusive right and authority to amend the Alliances projects that Franchisee will perform in such areas during the term of this Agreement. Franchisee acknowledges the designation to perform Services under this Agreement is a non-exclusive designation and that it will have no right to perform Alliances projects in any designated Zip Codes should TMI sell a DMA which includes the designated Zip Codes or reassigns the designated Zip Codes to another franchisee.

8. Marketing Outside Its Territory. Franchisee may not market or advertise outside the Designated Market Area without obtaining TMI's prior written approval. TMI may condition its approval on the Franchisee's compliance with any conditions, standards and/or specifications TMI designates, and TMI may revoke its approval at any time.

9. Service Standards and Quality Labor Standards. Franchisee agrees to abide by the "Service Standards" and the "Quality Labor Standards" required by the Alliances as described in the TMI's Alliances Manual.

10. Indemnification. Franchisee will indemnify, defend and hold TMI and the Alliances, and their respective affiliates, subsidiaries, officers, directors, agents and employees harmless for, from and against any and all liability, third party claims, causes of action, costs, loss and/or damages, including reasonable attorney's fees and costs (collectively, "Adverse Consequences"), arising out of or related to Franchisee's action or inaction with the performance of its obligations under this Agreement, including any Adverse Consequences arising out of or relating to the determination by any taxing jurisdiction that TMI or any Alliance owes any tax, penalty or interest with respect to Franchisee's provision of Services to Alliances or its customers. Franchisee will give prompt written notice to TMI of any Adverse Consequence for which Franchisee will have an obligation to indemnify and hold harmless TMI or an Alliance. This section will survive the termination, cancellation or expiration of this Agreement.

11. Use of Marks/Logos. Franchisee may not use Alliances' marks and logos without TMI's prior written consent.

12. Participation. TMI reserves the right, in its sole discretion, to determine a Franchisee's ability to participate in the program. At TMI's discretion, Franchisee may not be allowed to participate for any reason, including but not limited to quality issues, customer damage, or non-compliance with the Agreement.

13. Notification of non-compliance. Franchisee shall immediately inform TMI in writing of any non-compliance with the Agreement. If Franchisee breaches this Agreement, TMI may terminate this Agreement immediately upon written notice.

14. Effective Date and Termination. The Effective Date of this Agreement is _____, 2025 ("Effective Date"). The term of this Agreement commences on the Effective Date and continues for a period of one (1) year thereafter ("Initial Term"). This Agreement shall automatically renew on the Effective Date every year until the earlier of (i) termination of the Master Services Agreements, or (ii) TMI or Franchisee providing thirty (30) days prior written notice to the other party of its intent to terminate the Agreement.

15. Miscellaneous. All litigation, court hearings, or other proceedings initiated by either party against the other party will be initiated, venued and maintained in strict accordance with the corresponding applicable provisions of the Franchise Agreement. This Agreement is binding upon the parties hereto and their respective executors, administrators, heirs, assigns and successors in interest.

STATE ADDENDA

ADDENDUM TO THE MAIDS®
FRANCHISE DISCLOSURE DOCUMENT
FOR THE STATE OF CALIFORNIA

The following information applies to franchises and Franchisees subject to California statutes and regulations. The Item number corresponds to the Item in the main body of the Franchise Disclosure Document.

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE FRANCHISE DISCLOSURE DOCUMENT.

Item 3

In addition to the information required by Item 3, neither the Franchisor, any person or franchisor broker in Item 2 of the Franchise Disclosure Document is subject to any currently effective order of any National Securities Association or National Securities Exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such persons from membership in such association or exchange.

Item 6

The highest interest rate allowed by law in California is 10% annually.

Item 17

The California Franchise Investment Law requires a copy of all proposed agreements relating to the sale of the franchise be delivered together with the offering circular.

California Business and Professions Code sections 20000 through 20043 provides rights to the franchisee concerning termination, transfer or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

The franchise agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law (11 U.S.C.A. Sec. 101 et. seq.).

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. This provision may not be enforceable under California law.

The franchise agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5 and Code of Civil Procedure Section 1281) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

Fee Deferral

The Department has determined that we, the franchisor, have not demonstrated we are adequately capitalized and/or that we must rely on franchise fees to fund our operations. FOR THE STATE OF MINNESOTA

The following information applies to franchises and Franchisees subject to Minnesota statutes and regulations. The Item number corresponds to the Item in the main body of the Franchise Disclosure Document.

Item 5

Payment of the initial franchise fee is deferred until such time as the franchisor completes its initial obligations and franchisee is open for business.

Item 17

With respect to franchises governed by Minnesota law, TMI will comply with Minn. Stat. Sec. 80C.14, Subds. 3, 4, and 5 which require, except in certain specified cases, that a franchisee be given 90 days' notice of termination (with 60 days to cure) and 180 days' notice for nonrenewal of the franchise agreement.

Minnesota Statute 80C.21 and Minnesota Rule 2860.4400(J) prohibit the franchisor from requiring litigation to be conducted outside Minnesota, requiring waiver of a jury trial, or requiring the franchisee to consent to liquidated damages, termination penalties or judgment notes. In addition, nothing in the Franchise Disclosure Document or agreement(s) can abrogate or reduce (1) any of the franchisee's rights as provided for in Minnesota Statute 80C or (2) franchisee's rights to any procedure, forum, or remedies provided for by the laws of the jurisdiction.

Minnesota considers it unfair to not protect the franchisee's right to use the trademarks. Refer to Minnesota Statute 80C.12 Subd. 1(G). The franchisor will protect the franchisee's rights to use the trademarks, service marks, trade names, logotypes, or other commercial symbols or indemnify the franchisee from any loss, costs, or expenses arising out of any claim, suit, or demand regarding the use of the name.

Minnesota Rules 2860.4400(D) prohibits a franchisor from requiring a franchisee to assent to a general release.

The franchisee cannot consent to the franchisor obtaining injunctive relief. The franchisor may seek injunctive relief. See Minnesota Rule 2860.4400(J). Also, a court will determine if a bond is required.

The Limitations of Claims section must comply with Minnesota Statute 80C.17 Subd. 5.

NSF checks are governed by Minnesota Statute 604.113, which puts a cap of $30 on service charges.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including, fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, FRANCHISE AGREEMENT, AND RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. Conflict of Laws. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. Franchisee Bill of Rights. RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. Site of Mediation and/or Litigation. In any mediation involving a franchise purchased in Washington, the mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the mediation, or as determined by the mediator at the time of mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. General Release. A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. Statute of Limitations and Waiver of Jury Trial. Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. Transfer Fees. Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. Termination by Franchisee. The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. Certain Buy-Back Provisions. Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the

term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. Fair and Reasonable Pricing. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. Franchisor's Business Judgement. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. Attorneys' Fees. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial proceeding.

14. Noncompetition Covenants. Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed $100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed $250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. Nonsolicitation Agreements. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. Questionnaires and Acknowledgments. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made

by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

19. **Financial Assurance**. In lieu of an impound of franchise fees, the Franchisor will not require or accept the payment of any initial franchise fees until the franchisee has (a) received all pre-opening and initial training obligations that it is entitled to under the franchise agreement or offering circular, and (b) is open for business.

The undersigned does hereby acknowledge receipt of this addendum.
