What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibits 6 and 7.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation and/or litigation only in California. Out-of-state mediation or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate or litigate with the franchisor in California than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

ITEM 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

To simplify the language in this disclosure document, the words “TUPSS,” “we,” “our” and “us” refer to The UPS Store, Inc., the franchisor. “You” means the person or entity who buys the franchise.

The Business

The UPS Store Centers (“Centers”) are retail service businesses which offer mail and parcel receiving, packaging, and shipping services through various carriers and provide a wide range of other authorized products and services, including notary, printing, copying, office supplies, and communications (such as fax) services. Centers are targeted to the needs of businesses of all sizes, small business owners, small office/home office workers, and busy consumers who are looking for timesaving services. We have developed a service distribution network enabling national and international companies to utilize your Center for their shipping, packaging, postal, print services, and other business and communication needs. From time to time, we may develop, offer, or make available system-wide digital or e-commerce platforms that allow customers to order print and related products or services through online or electronic channels. Such platforms may be introduced in phases and may involve fulfillment by us, our affiliates, designated third-party providers, or approved participating franchise locations, as we determine in our discretion. Participation, availability, fulfillment methods, and applicable standards may vary and may be modified, expanded, limited, or discontinued at any time. These programs may not be available in your market, compatible with a particular Non-Traditional venue or location, or exclusive. We may determine whether you may participate, and if so, whether your participation is mandatory or optional.

United Parcel Service, Inc. (“UPS”) is our parent entity (see below). The core underlying business that we are franchising is substantially the same as the business that we and our predecessors have franchised for approximately 46 years (see below).

For many years, Centers have been developed under the “TUPSS 2000” (commonly-known as the “Black and Tan”) design, featuring a 24/7 night lobby, mailroom, self-service copy area, retail area, front-service counter, back-service counter, and workshop space for Center associates to pack, sort mail, and fulfill print jobs. In August 2020, we formally rolled out the “Blue Horizon” design, which updated the aesthetics and functionality of Centers. On April 27, 2023, we formally rolled out the “Laser Lite” design. Laser Lite is a modified version of the Blue Horizon design, which aims to streamline buildout timeframes and reduce certain costs.

The Laser Lite design is intended to appeal to customers, bring a heightened awareness of our brand’s service offerings, and reflect the spirit of the The UPS Store brand while reflecting the workflow needs of today’s franchisees and operators. This design aims to optimize package management and vertical space, build authority in print business, maintain and grow mailboxes services, and incorporate operational efficiencies in a design that is flexible, modular, and functional. Laser Lite offers digital media and optional keyless entry and an optional 24/7 night lobby. While the core aspects of “TUPSS 2000” and “Laser Lite” are similar regarding a mailroom, optional self-service copy area, retail area, front-service counter, and workshop space for Center associates to pack, sort mail, and fulfill print jobs, the Laser Lite design differs with respect to paint colors, visual points of interest, flooring and certain fixtures.

All new The UPS Store Center franchises we grant must be developed under the Laser Lite design. Existing The UPS Store Center franchisees who relocate, or otherwise must remodel, their Centers must develop their relocated Centers or remodel their Centers, as the case may be, under the Laser Lite design.

Existing The UPS Store Center franchisees whose franchise agreement expiration (renewal) dates are on and after May 1, 2022 must complete a remodel of the Center to the Laser Lite design. No later than 3

months after the effective date of the renewal franchise agreement, renewing franchisees must initiate the Laser Lite design process by submitting a completed Design Project Request (“**DPR**”) form with all required documentation and complete the design process for the Center remodel to the Laser Lite design, including having an approved Laser Lite design for the Center. No later than 11 months after the effective date of the renewal franchise agreement, the renewing franchisee must complete the buildout and remodel of the Center to the Laser Lite design. Renewing franchisees will have 14 months from the effective date of the renewal franchise agreement to be deemed compliant for the remodel to the Laser Lite design.

If you are acquiring an existing The UPS Store Center from another franchisee, the length of the remaining portion of your seller’s then-existing franchise term as of the transfer date will dictate the Center’s design remodel. If the transfer date is within 3.5 years of the expiration date of your seller’s then-existing franchise term, you must complete a full Laser Lite design remodel within 11 months of the transfer date, by meeting the following 3 deadlines: (1) no later than 3 months after the closing date of the transfer of the Center, you agree to initiate the Laser Lite design process by submitting a completed DPR form with all required documentation and completing the design process for the Center, including having an approved Laser Lite design for the Center and purchase from TUPSS (or vendor directly as applicable) all of the equipment (including computers) required in order to upgrade the Center to the then-current System Standards and Specifications for POS systems, hardware, software and any other technology-related and computer-related systems required for the Center; (2) no later than 11 months after the closing date of the transfer of the Center, you agree to complete the buildout and remodel of the Center to the Laser Lite design; and (3) no later than 14 months after the closing date of the transfer of the Center, you must be deemed compliant for the remodel to the Laser Lite design (the “**Laser Lite Remodel Milestones**”).

If the expiration date of your seller’s then-existing franchise term is more than 3.5 years from the transfer date, however, you must complete minimally required Black and Tan upgrades within 6 months of the transfer date and will then have the remaining portion of your seller’s then-existing franchise term to complete a full Laser Lite design remodel. You agree to initiate the Laser Lite design process by submitting a completed DPR form with all required documentation and completing the design process for the Center, including having an approved Laser Lite design for the Center no later than 11 months prior to the expiration date of your seller’s then-existing franchise term. No later than 3 months prior to the expiration of your seller’s then-existing franchise term, you agree to complete the buildout and remodel of the Center to the Laser Lite design, and no later than the expiration date of your seller’s then-existing franchise term, you must be deemed compliant for the remodel to the Laser Lite design. In the alternative, you can choose to forego the minimally required Black and Tan upgrades by committing at the time of transfer to complete a remodel to Laser Lite within 11 months after the transfer date, in accordance with the Laser Lite Remodel Milestones above. The extended timeframe to complete a full Laser Lite design remodel only applies to the first transfer of the Center after April 27, 2023. Upon the occurrence of any subsequent transfer, the buyer must complete a full Laser Lite design remodel within 11 months of the date of the transfer, in accordance with the Laser Lite Remodel Milestones above.

For sellers that renewed their franchises after April 28, 2022, and have not yet completed a remodel of the The UPS Store Center to the Blue Horizon design or the Laser Lite design, and now wish to complete a transfer of the Center, we are willing to consent to the transfer of the Center prior to the remodel *if and only if* the buyer agrees to complete the remodel of the Center to the Laser Lite design by the date that is 11 months following the closing of the proposed transfer, in accordance with the Laser Lite Remodel Milestones above.

Any Center operating under the Blue Horizon design as of the date of this disclosure document may retain the Blue Horizon design upon any renewal or transfer of its franchise agreement, except that we may require certain upgrades or design modifications to align the Center’s design to the Laser Lite design

standards. Our expectation is that all The UPS Store Centers will be operating under the Laser Lite or Blue Horizon design by 2032 or earlier. We reserve the right to modify the policies relating to the Laser Lite design rollout described above at any time in our sole discretion.

Unless we must distinguish between them because of the context, all references to “Centers” in this disclosure document include Centers developed or to be developed (as applicable) under the Laser Lite, Blue Horizon and Black and Tan designs.

You will sign a Franchise Agreement (Exhibit 1) to operate a single Center at a location, which you choose, subject to our acceptance. Centers traditionally are located in highly visible locations in strip shopping centers or in high foot-traffic downtown areas (“**Traditional**”). However, Centers increasingly are being located at or within Non-Traditional locations like self-storage facilities, store in store locations, hotels, military bases, universities, convention centers, and airports. These Non-Traditional locations are described as follows with respect to Centers:

Our Access Model franchise opportunity is for smaller versions of some of the Non-Traditional locations identified above, such as smaller hotels, universities (or another location at a university), smaller military bases and convention centers, resorts, condominium complexes, timeshares, and the like. We expect to offer the Access Model franchise opportunity only to existing The UPS Store® Center franchisees who already operate a standard The UPS Store® Center at a Traditional location or full-service Non-Traditional location approximately a 30-minute drive from the proposed location (though we can change these criteria at any time). An Access Model Center is expected to differ from a The UPS Store® Center developed and operated in a larger, standard-size location in size, hours of operation, and scope of products and services offered.

Self-Storage – Centers operating within a self-storage facility offer standard retail goods and services to tenants and the public. The self-storage owner may, but is not obligated to, serve as the Center franchisee. A self-storage Center is expected to differ from a Center located at a Traditional site in size, hours of operation, and scope of products and services offered.

Store in Store – Centers operating within a store (or other locations, such as retail stores, service select hotels, shared workspace or co-working space, professional service offices, and other locations at our discretion) offer standard retail goods and services within a location with customer share and real estate benefits. A store in store Center is expected to differ from a Center located at a Traditional site in size, hours of operation, and scope of products and services offered.

Hotels – Centers operating within a hotel offer, at a minimum, standard retail goods and services to the hotel guests, hotel staff and non-hotel patrons (if applicable). Additional services offered but not required include guest parcel management, 24-hour computer and print stations, rentals, crating and freighting of convention materials, and drayage. The Lease agreement is signed with the specific hotel. The franchisee operating a Center at a hotel typically will pay the hotel a fixed monthly rent plus a percentage share of its revenue from operations that exceeds a specified revenue threshold (to be negotiated with the hotel, but may range from 5% to 24%).

Military Bases – Centers operating on a military installation offer standard retail goods and services to active military, retirees, military spouses and siblings, and government contractors assigned to the base (if applicable). The contract for the Center is unilaterally signed with the Army & Air Force Exchange Services (“**AAFES**”), Navy Exchange Service Command (“**NEXCOM**”) or Marine Corp Community Services (“**MCCS**”). A military base Center tends to be similar to a Center located at a “Traditional” site in terms of size, hours of operation, and scope of products and services offered.

Universities – Centers operating on or within a public or private university or college campus offer, at a minimum, standard retail goods and services to the students, faculty, staff and the public (if applicable). Additional services offered but not required include Student Mail Room Management, Campus Mail, Parcel Receiving, Move-in/Move-out assistance, Summer Storage Programs, Dolly/Hand-Cart Rental and Campus Print. The Lease agreement for the Center typically is signed with the specific university.

Convention Centers – Centers operating within a convention center offer, at a minimum, standard retail goods and services to convention staff, convention attendees and the public (if applicable). Additional services offered are print, rentals, and convention drayage. The Lease agreement or contract for the Center is typically signed with the convention center.

Shopping Mall – Centers operating within a regional, super-regional or outlet shopping mall (typically enclosed with climate-controlled walkway between two facing rows of stores) offer standard retail goods and services to the mall patrons, shop owners and mall employees.

Airport – Centers operating within an airport either before or after the security check-point offer standard goods and services to airport customers and employees.

Corporate Office Building – Centers located within an office building or suite offer, at a minimum, standard retail goods and services. Corporate office building Centers may operate within a shared workspace or co-working office building, which often support the business service needs of that location. Additional services offered but not required may include parcel handling and mailroom management for members.

Other – Any Center that is not classified as being located within a traditional model retail center and does not conform to the Non-Traditional definitions listed above, for example, gas stations and convenience stores.

This disclosure document describes our franchise opportunity for Centers at these types of “Non-Traditional” sites. We use a separate disclosure document to describe our franchise opportunity for Centers to be located at “Traditional” sites (our “**Traditional FDD**”).

The market for the goods and services you will sell is established, and customers will be the general public, although as a practical matter your customers likely will be more limited to those using the services of or visiting the Non-Traditional site at or in which you are located (the “**Non-Traditional Customer**”). You will have to compete in this market with other businesses selling the same or similar products and services on a local, regional, and national basis. You may also compete with specialty service providers such as copy centers, quick print centers, and office supply companies. We believe you can compete effectively as a result of the broad range of products and services you may offer to customers, the convenience of your services to the Non-Traditional Customer, and our marketing programs, service arrangements, advertising and promotion programs, and service distribution network. Your operating hours likely will be governed by the operating hours of and access to your particular Non-Traditional site.

We also offer a Rural Program Center (to be marketed as the “Main Street” Franchise Model) for certain small-town markets. One of the key features of this program is a reduction in the capital requirements associated with these Rural Centers. Please refer to our Traditional FDD for this opportunity.

We utilize the services of Area Franchisees in some, but not all, U.S. geographic markets. Our current and future Area Franchisees are not our employees. Rather, they are independent contractors that we have contractually appointed to act on our behalf, only within their respective Area Franchise territories, to: (1) solicit sales of new The UPS Store franchises if, and only if, we elect, require and permit the Area

Franchisees to do so within their respective Area Franchise territories; and (2) perform a wide variety of post-sale management responsibilities that we must perform under the Franchise Agreement. Although we have delegated these responsibilities to our Area Franchisees, they are not a party to our Franchise Agreement with you. This means that we retain a direct obligation to perform those responsibilities, to the extent those responsibilities are obligations we owe you under the Franchise Agreement.

We currently do not sell any new Area Franchises. However, we do periodically renew, consent to the transfer of, and purchase-back Area Franchises. If you purchase a franchise in a geographic market serviced by one of our Area Franchisees, there is no guaranty that Area Franchisee will continue to serve throughout your Center's entire franchise term (including any renewals). At all times, we retain the right to provide post-sale support to your Center directly from our Headquarters and/or from our Regional Vice Presidents (identified in Item 2) and their respective personnel, which are described in the Regional Map which is Exhibit 10.

Our current Area Franchisees are identified in Exhibit 9 (cross-referenced from Item 2). Exhibit 9 also identifies any applicable litigation and bankruptcy proceedings in which our Area Franchisees are or have been involved.

Us and Our Affiliates

On April 30, 2001, a subsidiary of UPS acquired substantially all of the assets, and some of the liabilities (but none of the stock), of Mail Boxes Etc. and Mail Boxes Etc. USA, Inc. Following certain intra-company transfers, United Parcel Service of America, Inc. ("**UPS of America**," a wholly owned subsidiary of UPS) became the owner of the intellectual property we license to you, and the remaining assets and liabilities were transferred to UPS of America's wholly-owned subsidiary, "Mail Boxes Etc., Inc.," a Delaware corporation (which is us). We changed our formal corporate name from "Mail Boxes Etc., Inc." to "The UPS Store, Inc." on October 1, 2012.

UPS is one of the world's largest express carrier and package delivery companies, serving more than 220 countries and territories around the world with 2025 revenues of \$88.7 billion. (Source: 2025 UPS Annual Report on Form 10-K.) Other than through us, its indirect subsidiary (starting on April 30, 2001), UPS has not offered franchises for the same type of business described in this disclosure document or any other business and has not operated the same type of business described in this disclosure document. UPS' principal business address is 55 Glenlake Parkway NE, Atlanta, Georgia 30328. In addition to maintaining a contractual relationship with UPS, as referenced in The UPS Store Contract Carrier Agreement (Exhibit K to the Franchise Agreement), you may also have business dealings as our franchisee with these UPS affiliates: iShip, Inc., UPS Capital Corporation, and HR Logistics LLC ("**Happy Returns**"). iShip, Inc.'s principal business address is 3545 Factoria Boulevard SE, Suite 100, Bellevue, Washington 98006. UPS Capital Corporation maintains its principal place of business at 12380 Morris Road, Alpharetta, Georgia 30005. Happy Returns maintains its principal place of business at 12200 W. Olympic Boulevard, Suite 145, Los Angeles, California 90064. These UPS affiliates have not offered franchises for the same type of business described in this disclosure document or any other business and have not operated the same type of business described in this disclosure document.

We maintain our principal place of business at 9350 Waxie Way, Suite 520, San Diego, California 92123. We conduct business under the name The UPS Store. We and our predecessor (before we became the franchisor in April 2001) have, in aggregate, offered franchises for businesses similar to the type offered in both this disclosure document and our Traditional FDD since June 11, 1980. The franchised businesses offered in this disclosure document and in the Traditional FDD will operate under the The UPS Store name. We have been offering franchises for Centers located in the U.S. (excluding Guam and the U.S. Virgin Islands) exclusively under the The UPS Store name since approximately April 2003. Before that time, franchises for Centers were offered exclusively under the Mail Boxes Etc. name. As of the date of

this disclosure document, we own and operate 16 The UPS Store Centers (see Item 20), certain employees employed to work in 14 of those locations are employed by our subsidiary, TUPSS 2, Inc., a Delaware corporation, which shares our principal place of business, and expect to own and operate additional company-owned Centers in the next several years. We have not offered franchises in any other line of business. As of this disclosure document's issuance date, we do not conduct any other business activities.

Special Industry Regulation

Various federal, state, and local laws, rules, and regulations ("**laws**") may impact the operation of your Center. Examples include: (i) United States Postal Service regulations, including certain forms and notifications to U.S. Postmasters, for example, filing a USPS Form 1583 on each mailbox customer you service, and complying with certain customer return addressing requirements; (ii) laws governing the shipment and transport of hazardous substances, alcoholic beverages (including wine), firearms, food, plants, agricultural products, and animals; (iii) inspection of scales by the Dept. of Weights and Measures; and (iv) laws requiring you to accept service of process for customers in some states. With certain exceptions, Centers must offer notary services. Many states regulate the maximum amount you may charge for notary services. Notaries are usually regulated by state laws, which may require training, fingerprinting, and a competency test. You must comply with these laws and with laws that apply generally to all businesses. You should investigate these laws and regulations when evaluating your franchise acquisition.

Agents for Service of Process

Our agents for service of process are listed in Exhibit 8.

**ITEM 3
LITIGATION**

1. Morgate LLC, et al. vs. Mail Boxes Etc., Inc.; BSG Holdings Inc.; BSG Holdings Subsidiary Inc.; United Parcel Service, Inc., a Delaware Corporation; United Parcel Service, Inc., an Ohio Corporation; United Parcel Service, Inc., a New York Corporation; Garcher Enterprises, Inc.; Gary and Cheryl Williams; and Rocky Romanella (Superior Court for the State of California, County of Los Angeles, Case No. BC 294647, filed April 25, 2003). Six franchisees and a franchisee association originally filed a complaint against UPS, several officers of UPS, and an area franchisee, but not us, alleging that UPS, in implementing the program under which most franchisees re-branded their Mail Boxes Etc. stores as “The UPS Store,” violated California, New York, and Illinois franchise laws, the Massachusetts unfair trade practices act, and Section 17200 of the California Business and Professions Code and committed tortious interference. Plaintiffs’ 3rd amended complaint, among other things, removed the franchisee association as a plaintiff and added some defendants, including us. The 4th amended complaint included over 100 additional plaintiff-franchisees and added breach of contract and state franchise or deceptive trade practices/unfair competition law claims. It also alleged class action claims on behalf of The UPS Store franchisees.

On October 30, 2009, the court certified a nationwide class of former Mail Boxes Etc. Center franchisees who had converted to The UPS Store Centers on or before March 21, 2003, and issued a final ruling that we did not breach the franchise agreement by requiring franchisees to execute a The UPS Store

franchise agreement as a condition of renewal. On November 8, 2011, the Court of Appeal affirmed the trial court ruling. On March 4 and 5, 2013, the 3 plaintiffs with 1993 form franchise agreements and other parties participated in a settlement conference and reached a settlement in which 143 franchised centers would be paid \$4,200,000. The settlement was finalized on or about October 31, 2013. The claims of the class were not part of the settlement, and those claims remained pending. On March 31, 2014, plaintiff filed a Thirteenth Amended Complaint, which we answered, alleging various misrepresentation claims based on California common and statutory law. We filed motions to decertify the class and, in August 2017, the Court issued an order decertifying the class. Plaintiff (the class representative) filed a notice of appeal from that order. The parties stipulated to stay further proceedings in the trial court regarding plaintiff's individual claims pending resolution of the appeal. We thereafter settled the claims of the individual plaintiff (the class representative) with a payment of \$112,500, and the action was dismissed with prejudice on August 30, 2018.

2. Teresa Long, on behalf of herself and a class of similarly situated persons v. The UPS Store, Inc. and The Britt-Tiff Company d/b/a The UPS Store #3152 (Jefferson Circuit Court, Kentucky, Civ. Case No. 15-CI-000695, filed on February 12, 2015). Plaintiff filed suit against us and one of our franchisees, asserting claims on behalf of herself and seeking to certify a class alleging the same claims. In the original complaint, the plaintiff and her proposed class claim that we and our franchisee violated KRS §64.300 by charging notary fees in excess of the statutory limit and that this conduct also violated the Kentucky Consumer Protection Act. Plaintiff and her proposed class seek to void and refund all notary fees collected in excess of the statutory limit, plaintiff has sought her own notary fees paid, punitive damages, and attorneys' fees, and plaintiff and her proposed class also have sought a declaration that we and our franchisee not charge customers notary fees in excess of the statutory limit and a permanent injunction prohibiting such charges in the future. We filed our answer on April 8, 2015, denying these allegations and disclaiming any involvement with the notary fees charged by any of our franchisees. Since the filing of our answer, the plaintiff has filed an amended complaint which essentially repeats the allegations of the original complaint and adds as additional defendants each of our franchisees who are located in the State of Kentucky. The Court granted the motion to amend, and the Kentucky franchisees have been added as parties to the case. Our franchisees are represented by independent counsel. On October 30, 2015, the franchisees filed an Answer to the Amended Complaint and a Motion to Dismiss, arguing that plaintiff has no standing, that plaintiff cannot join all of the franchisees under the Kentucky joinder rules, and that venue is improper. On December 8, 2015, we filed a Motion for Summary Judgment. On July 11, 2016, the Court entered an order which temporarily denied the pending motions and authorized the parties to proceed with limited discovery on the class certification issues. On February 14, 2018, following several years of discovery, we filed a Renewed Motion for Summary Judgment, which the court denied on May 18, 2018. Plaintiff filed her Motion to Certify the Class on August 9, 2018. TUPSS and the franchisees filed their responses in opposition, and the motion was fully briefed. A hearing on Plaintiff's Motion to Certify the Class occurred on May 20, 2019. The Court granted Plaintiff's Motion to Certify the Class on October 8, 2019. TUPSS and the franchisees each appealed the Court's class certification ruling. The parties entered into a settlement agreement in January 2021, and the court entered an order on February 1, 2021 preliminarily approving the settlement. On June 7, 2021, the Court entered an order finally approving the settlement. Pursuant to the settlement agreement, the franchisee defendants (1) will accept at their expense up to two \$10 vouchers (with certain limitations) from class members who declare they were charged more than \$5 for a notarial service, and (2) will pay \$250,000 to cover the administrative costs of the settlement, including a third party administrator, attorneys' fees, and an incentive award to the plaintiffs.

3. Kevin Richardson II, on behalf of himself and a class of similarly situated persons v. The UPS Store, Inc. and J&V Logistics LLC d/b/a The UPS Store (Essex County Superior Court, Commonwealth of Massachusetts, Civ. Case No. 1677CV01328, filed August 30, 2016, removed to the United States District Court for the District of Massachusetts (Docket No. 1:18-cv-12338-ADB on November 7, 2018)).

The plaintiff filed suit against us and one of our Massachusetts franchisees, asserting claims on behalf of himself and a proposed class. The complaint alleges that we and all Massachusetts franchisees violated Massachusetts General Laws ch. 262 § 41 because the franchisees allegedly charged notary fees in excess of a statutory limit. The plaintiff, on behalf of himself and the proposed class, seeks nominal damages of \$25 for each incident of overcharging for notarization, multiple (up to treble) damages, a full refund of all notary fees charged to Massachusetts consumers over the past 4 years, a cease and desist order against further over-charging of notarization fees, attorneys' fees, court costs, and other relief that the court might deem appropriate. On November 7, 2016, we sought dismissal of the complaint for failure to state a claim upon which relief can be granted. The court denied that motion to dismiss on February 17, 2017. On October 10, 2018, the plaintiff served his motion for class certification, asserting for the first time his belief that his claim is worth more than \$5 million. On November 7, 2018, we removed the case to the United States District Court for the District of Massachusetts (Docket No. 1:18-cv-12338-ADB). On April 11, 2019, the plaintiff filed a motion for class certification. On May 13, 2019, we filed an opposition to the class certification motion and a motion to certify to the Massachusetts Supreme Judicial Court the question of the proper interpretation of M.G.L. ch. 262 § 41. On June 24, 2019, the United States District Court granted our motion and certified to the Massachusetts Supreme Judicial Court the question whether Massachusetts law provides a fee cap for notary services. The District Court stayed resolution of the plaintiff's motion for class certification pending the decision from the Massachusetts Supreme Judicial Court. On October 28, 2020, the Massachusetts Supreme Judicial Court issued an opinion and order agreeing that M.G.L. ch. 262 § 41 does not impose a fee cap on all notarial services. On November 19, 2020, the parties filed a stipulation to dismiss the plaintiff's claims with prejudice.

4. Alysson Mills, in Her Capacity as Receiver for Arthur Lamar Adams and Madison Timber Properties, LLC v. The UPS Store, Inc. et al. (United States District Court for the S.D. Miss., Case No. 3:19-cv-364-CWR-FKB). The plaintiff, a court-appointed receiver for an individual and his company that are the subjects of a proceeding for securities law violations, filed a complaint on May 23, 2019, and an amended complaint on June 13, 2019, against us, a The UPS Store® franchisee in Mississippi, various employees of our franchisee, and certain third parties having no association with The UPS Store® brand. The receiver alleges civil conspiracy, aiding and abetting, and recklessness and gross negligence against all defendants and negligent retention and supervision against the franchisee and a third-party law firm. The receiver claims that the defendants collectively enabled the securities law violations committed by the subjects of her receivership because the employees of the franchised The UPS Store Center and law firm allegedly notarized fake deeds (given to investors by the perpetrators of the securities law violations) in violation of their specific notarial duties under Mississippi law. The receiver seeks unspecified damages, including punitive damages, against all defendants, attorneys' fees and costs, and other appropriate relief. In particular, the receiver seeks a declaratory judgment that we are liable for payment of all damages or other relief awarded against our franchisee and its employees on account of our alleged control of the franchisee's provision of notary services. TUPSS and the other defendants filed motions to dismiss which were denied on September 30, 2019. On September 30, 2021, the court entered an order consolidating for discovery purposes this case with 3 other cases that the plaintiff had filed against other entities asserting similar theories of liability and seeking the same damages. A number of defendants in the consolidated actions have settled, and the court ordered the cases no longer consolidated. On December 20, 2023, the plaintiff filed an amended complaint adding CNA as a defendant and asserting a claim for declaratory relief regarding coverage under an insurance policy issued to the franchisee defendant. In April 2024, TUPSS filed a motion for summary judgment arguing that it could not be held liable for the alleged conduct of notaries public employed by the franchisee defendant under Mississippi law. The court denied that motion as premature, permitting TUPSS to re-raise the issue after the close of discovery. In May 2024, the franchisee filed a separate motion for summary judgment arguing that the receiver lacks the legal standing to pursue her claims, which the court ultimately denied. After the court ruled that the defendants, including TUPSS, were entitled to take discovery from Madison Timber investors, the parties engaged in investor and other third-party discovery through May 2025. The parties

also conducted expert discovery through September 2025. Before the deadline to file motions for summary judgment, the parties attended a settlement conference before the court beginning on October 29, 2025. At the settlement conference, the parties reached an agreement in principle and are currently working to finalize the terms of the settlement. The court then stayed the case. We anticipate finalizing the settlement terms and entering into a settlement agreement in the second or third quarter of 2026. We further anticipate the court-appointed receiver would then file a motion to have the court approve the settlement to resolve the case shortly thereafter.

5. Barbara McLaren, on behalf of herself and others similarly situated v. The UPS Store, Inc., Turquoise Terrapin LLC formerly d/b/a The UPS Store #4122, RK & SP Services LLC formerly d/b/a The UPS Store #4122, and Hamilton Pack N' Ship LLC (New Jersey Superior Court, Mercer County, filed on May 15, 2020). On May 15, 2020, the plaintiff filed suit against us and one of our franchisees, asserting claims individually on behalf of a putative class. The plaintiff alleges that we and our franchisee violated NJ Stat. Ann. §22A:4-14 by charging notary fees in excess of the statutory limit. In addition, the plaintiff seeks to certify a class of New Jersey The UPS Store franchisees as defendants that allegedly engaged in similar conduct, asserting claims under NJ Stat. Ann. §22A:4-14 and New Jersey's consumer fraud statute and for unjust enrichment and civil conspiracy based on the same alleged conduct. On behalf of herself and the proposed class, the plaintiff seeks to void and have refunded all notary fees collected in excess of the statutory limit, statutory damages of 3 times the fees charged in excess of the statutory limit, punitive damages, and attorneys' fees. The plaintiff also seeks a declaration that we and our franchisee not charge customers notary fees in excess of the statutory limit and a permanent injunction prohibiting such charges in the future. The plaintiff filed an amended complaint, which we moved to dismiss arguing, among other things, that NJ Stat. Ann. §22A:4-14 does not set a cap on what a business can charge a customer to have a document notarized. On November 13, 2020, the court denied our motion to dismiss. We filed a motion with the Appellate Division seeking leave to appeal immediately the trial court's decision denying our motion to dismiss. On February 19, 2021, the Appellate Division granted our motion. On July 22, 2021, the Appellate Division reversed the denial of our motion to dismiss the cause of action for a violation of NJ Stat. Ann. §22A:4-14, finding that the statute does not confer a private right of action to sue. The Appellate Division remanded the case for additional proceedings on the plaintiff's other causes of action under New Jersey's consumer fraud statute and for unjust enrichment and civil conspiracy. On July 30, 2021, we filed a notice of removal to the United States District Court for the District of New Jersey. The plaintiff filed a motion to remand, which the District Court granted on January 31, 2022. We filed a petition with the United States Court of Appeals for the Third Circuit on February 8, 2022, and the Third Circuit accepted that petition. The Third Circuit vacated the District Court's remand order on April 25, 2022 and remanded the case to the District Court for further proceedings. The plaintiff then filed another motion to remand the action to state court on August 30, 2022, which was denied on April 29, 2023. The McLaren and Tripicchio cases have now been consolidated for all purposes and are pending in federal court. On January 31, 2025, the plaintiffs filed a Consolidated Amended Complaint. On March 31, 2025, the current franchise owner of the Hamilton, New Jersey franchise location filed a motion for summary judgment on the grounds that the plaintiffs did not transact any business with it and there is no basis for the current owner to be held liable as a successor to a former franchise owner, which the Court denied on October 16, 2025. TUPSS filed a motion to dismiss the Consolidated Amended Complaint, or in the alternative, to strike the plaintiffs' class allegations, on April 25, 2025. On November 20, 2025, the Court granted in part and denied in part TUPSS' motion to dismiss. On January 7, 2026, TUPSS and the franchisee defendants filed Answers to the Consolidated Amended Complaint. The Court entered a case schedule on March 10, 2026. We intend to defend this matter vigorously.

6. Reba Shavers, on behalf of herself and others similarly situated v. The UPS Store, Inc. and Rex & Monica Ingram d/b/a The UPS Store #7181 (Cook County Circuit Court, Chancery Division, Illinois,

filed on July 24, 2020). On July 24, 2020, the plaintiff filed suit against us and one of our franchisees, asserting claims individually on behalf of a putative class. The plaintiff alleges that we and our franchisee violated 5 Ill. Comp. Stat. Ann. 312/3-104 by charging notary fees in excess of the statutory limit. In addition, the plaintiff seeks to certify a class of Illinois The UPS Store franchisees as defendants that allegedly engaged in similar conduct. The plaintiff asserts claims under 5 Ill. Comp. Stat. Ann. 312/3-104 and the Illinois consumer fraud statute and for unjust enrichment and civil conspiracy based on the same alleged conduct. On behalf of herself and the proposed class, the plaintiff seeks to void and have refunded all notary fees collected in excess of the statutory limit, statutory damages of 3 times the fees charged in excess of the statutory limit, punitive damages, and attorneys' fees. The plaintiff also seeks a declaration that we and our franchisee not charge customers notary fees in excess of the statutory limit and a permanent injunction prohibiting such charges in the future. On October 30, 2020, we filed a motion to dismiss the case. Before that motion was heard, we filed a notice to remove the case to federal court on February 8, 2021. On February 12, 2021, the plaintiff moved to remand the case to state court. On July 19, 2021, the district court granted the plaintiff's remand motion, and the action was returned to state court. On November 24, 2021 the court granted our motion to dismiss but gave the plaintiff leave to amend the complaint. On December 22, 2021, the plaintiff filed a second amended complaint, which we moved to dismiss on January 26, 2022. The court granted our motion to dismiss TUPSS from the case on August 16, 2022. The plaintiff appealed that ruling, and the appellate court affirmed in part and reversed in part. The plaintiff filed a motion to certify a plaintiff class and a defendant class on November 15, 2023. On April 11, 2024, the court entered an order denying the plaintiff's motion to certify a plaintiff class consisting of all customers at every Illinois franchisee and a defendant class of all Illinois franchisees. The court instead certified only a narrower class consisting only of customers at the named defendant franchisee's Center who paid fees for notary services "in excess" of those set forth in 5 Ill. Comp. Stat. Ann. 312/3-104. On May 13, 2024, TUPSS appealed the class certification order in the First Appellate District Court of Illinois, arguing that no class can properly be certified and that the certification order should be overturned. On June 12, 2024, the trial court issued an order staying the case pending the appeal. On August 1, 2025, the Court of Appeal issued an order affirming the trial court's certification of the narrow class of customers of the single The UPS Store Center named in the case. Now that the appeal has been decided, the case will continue to be litigated before the trial court. We intend to defend this matter vigorously.

7. Vincent Tripicchio, on behalf of himself and others similarly situated v. The UPS Store, Inc., JB & A Enterprises, Inc. (New Jersey Superior Court, Burlington County, filed on November 16, 2020). On November 16, 2020, the plaintiff filed suit against us and one of our franchisees, asserting claims individually on behalf of a putative class. The plaintiff alleges that we and our franchisee violated NJ Stat. Ann. §22A:4-14 by charging notary fees in excess of the statutory limit. The plaintiff is seeking a declaratory judgment regarding NJ Stat. Ann. §22A:4-14 and asserts claims under New Jersey's consumer fraud and warranty statutes, as well as for unjust enrichment and breach of the covenant of good faith and fair dealing. On behalf of himself and the proposed class, the plaintiff seeks to void and have refunded all notary fees collected in excess of the statutory limit, statutory damages of 3 times the fees charged in excess of the statutory limit, statutory damages of \$100 per class member under New Jersey's warranty statute, punitive damages, and attorneys' fees. On April 16, 2021, the parties filed a consent order to stay the proceedings pending a decision from the New Jersey Appellate Division in the *McLaren* action, identified above. On August 3, 2021, we filed a notice of removal to the United States District Court for the District of New Jersey and noticed the case as related to the *McLaren* action. The plaintiff filed a motion to remand, which the District Court granted on January 31, 2022. We filed a petition with the United States Court of Appeals for the Third Circuit on February 8, 2022, and the Third Circuit accepted that petition. The Third Circuit vacated the District Court's remand order on April 25, 2022 and remanded the case to the District Court for further proceedings. The plaintiff filed an amended complaint on August 23, 2022. The McLaren and Tripicchio cases have now been consolidated for all

purposes and are pending in federal court. On January 31, 2025, the plaintiffs filed a Consolidated Amended Complaint. On March 31, 2025, the current franchise owner of the Hamilton, New Jersey franchise location filed a motion for summary judgment on the grounds that the plaintiffs did not transact any business with it and there is no basis for the current owner to be held liable as a successor to a former franchise owner, which the Court denied on October 16, 2025. TUPSS filed a motion to dismiss the Consolidated Amended Complaint, or in the alternative, to strike the plaintiffs' class allegations, on April 25, 2025. On November 20, 2025, the Court granted in part and denied in part TUPSS' motion to dismiss. On January 7, 2026, TUPSS and the franchisee defendants filed Answers to the Consolidated Amended Complaint. The Court entered a case schedule on March 10, 2026. We intend to defend this matter vigorously.

8. Newlite Holdings Inc. v. The UPS Store, Inc. (Superior Court of California, County of San Diego, Case No. 37-2023-00041687-CU-BT-CTL). On September 26, 2023, the plaintiff, a former franchisee, filed a complaint against us asserting violation of Section 20020 of the California Business & Professions Code, breach of the implied covenant of good faith and fair dealing, and for fraud. The plaintiff alleges that he was told he could acquire a business that competes against The UPS Store Centers in his territory, and that we would not object. The plaintiff alleges that, after he acquired that business, we threatened to terminate his franchise agreement, which allegedly caused the plaintiff to sell his The UPS Store business. On November 27, 2023, TUPSS filed a Demurrer seeking to dismiss all claims against TUPSS. On the same day, the plaintiff filed a First Amended Complaint asserting an additional claim for intentional interference with prospective economic advantage, and seeking declaratory relief. On January 5, 2024, we filed another Demurrer seeking to dismiss all claims against TUPSS on several grounds, including that the plaintiff waived any and all claims against TUPSS when it executed a Consent to Transfer as part of its sale of its franchised Center to a third-party. In addition, we filed a Cross-Complaint on March 29, 2024, bringing affirmative claims against the plaintiff for breach of the Franchise Agreement, breach of the Consent to Transfer, fraud, and for breach of the plaintiff's personal guarantee. The plaintiff filed a Demurrer to TUPSS' Cross-Complaint on April 29, 2024, which TUPSS opposed. The parties' respective Demurrers were both sustained in part and overruled in part on October 17, 2024, and both parties have since filed amended pleadings. The plaintiff alleged the same claims against TUPSS in the Second Amended Complaint, and TUPSS added the owner of the franchised Center as a defendant in his personal capacity in the Second Amended Cross Complaint. TUPSS filed a demurrer to the Second Amended Complaint on December 2, 2024, and the plaintiff filed a demurrer as to TUPSS' Second Amended Cross Complaint on December 3, 2024. The parties' respective demurrers were both sustained in part and overruled in part on May 30, 2025. Both parties filed answers to the remaining allegations on June 9, 2025. The parties are currently engaged in written discovery, and both sides are taking depositions of fact witnesses. We filed a motion for summary judgment as to all of plaintiff's remaining claims on March 5, 2026. The briefing on our motion for summary judgment will be complete May 15, 2026 and is set for hearing on May 28, 2026. A jury trial is currently set for July 17, 2026. We intend to defend this action vigorously.

9. Jessica Lee v. Jana Daniels (Cook County Circuit Court, Cook County, Illinois, Case No. 2024L012057) and its related case, Jessica Lee and JBL Investments Company v. The UPS Store, Inc. (United States District Court for the Northern District of Illinois, Eastern Division, Case No.1:26-cv-02716). On October 12, 2024, a regular customer, Jana Daniels ("**Daniels**"), visited a franchisee-owned The UPS Store Center in Chicago, Illinois operated by JBL Investments Company and JBL Mgmt., LLC (collectively, "**JBL**"), owned by Jessica Lee ("**Lee**" and, together with "**JBL**," collectively, the "**Lee Parties**"). Lee confronted Daniels for bringing an emotional support dog into the Center. An argument ensued, Lee called the police, and Daniels and Lee later exchanged comments on social media about the incident. Lee received a Notice of Material Default for violating TUPSS' social media policy and, despite requests to deescalate, Lee filed suit against Daniels claiming violations of Illinois' antidoxing statute,

invasion of privacy, defamation *per se*, intentional infliction of emotional distress, and intentional interference with Lee's business. On August 12, 2025, Daniels filed a first amended counterclaim against the Lee Parties claiming intentional and negligent infliction of emotional distress against JBL and negligent infliction of emotional distress against TUPSS. On February 24, 2026, the court dismissed Daniels' claims against TUPSS and, on December 10, 2025, Daniels filed a second amended counterclaim asserting a claim of intentional infliction of emotional distress against TUPSS. While that motion remained pending, on February 20, 2026, Daniels and TUPSS entered into a confidential settlement agreement and mutual release in which TUPSS agreed to pay Daniels \$28,900 in exchange for her dismissal of all claims against TUPSS with prejudice. The Lee Parties' claims against Daniels remain pending, as do Daniels' counterclaims against JBL and Lee. Under the operative franchise agreements and a separately executed indemnity agreement, the Lee Parties are required to indemnify TUPSS for the settlement amount and TUPSS' legal fees in connection with the Daniels litigation. On March 10, 2026, the Lee Parties filed a deficient emergency motion for temporary restraining order and preliminary injunction in the U.S. District Court for the Northern District of Illinois in which the Lee Parties alleged TUPSS intended to terminate JBL's franchise agreement based upon multiple material defaults. The Lee Parties failed to file a civil cover sheet and a complaint setting forth the causes of action alleged against TUPSS. On March 12, 2026, TUPSS filed its motion to strike and otherwise oppose the Lee Parties' emergency motion for temporary restraining order and preliminary injunction, raising, among other things, the deficiencies of the Lee Parties' filings. Upon receipt of TUPSS' opposition papers, on the same day, the Lee Parties, in an attempt to save their deficient motion, filed a baseless 4 count complaint against TUPSS alleging violation of the Illinois Franchise Disclosure Act, the Illinois Consumer Fraud and Deceptive Business Practices Act, Breach of Contract or Breach of the Implied Covenant (alternative), and Declaratory and Injunctive Relief. The Lee Parties appear to be seeking damages of approximately \$76,000 in restitution, along with compensatory and punitive damages and attorneys' fees. On March 16, 2026, TUPSS filed a supplemental opposition to the Lee Parties' emergency motion for temporary restraining order and preliminary injunction refuting the misstatements and other inaccuracies in the Lee Parties' complaint, setting forth why the complaint is fatally flawed due to its deficiencies, and reiterating why the Lee Parties' motion for temporary restraining order must be denied since the Lee Parties can neither demonstrate a likelihood of success on the merits, irreparable harm, nor that the balance of equities, and public interest weigh in their favor. On March 16, 2026, the parties filed a joint motion to stay to provide the parties time to discuss a potential resolution. On March 30, 2026, TUPSS filed a status update with the court advising that the parties have not reached resolution of the dispute. TUPSS has not been served with service of process, and the court has not advised whether it will entertain the action in light of the numerous deficiencies. We intend to defend this action vigorously.

These fee discounts apply to concurrent ownership and are not granted based upon former ownership. To qualify for a \$19,950 Initial Franchise Fee, you must own at least a 50% interest in: (1) at least one existing The UPS Store franchise; and (2) this new franchise. However, the initial franchise fee is \$14,950 if the Center is a store in store without an exterior entrance. (The initial franchise fee is the standard \$39,950 or \$19,950 if the Center is a store in store with an exterior entrance.) The initial franchise fee for a Self-Storage franchise also is \$14,950.

You must sign a Letter of Intent for a The UPS Store Franchise (“**LOI**”) (Exhibit 4), pay an Initial Application Fee (\$8,000 if you do not currently own any interest in one of our franchises, and \$4,000 if you do own an interest, as described in the previous paragraph), that would be fully credited against your Initial Franchise Fee, and pay the balance of your Initial Franchise Fee when you sign your Franchise Agreement. As stated in the LOI, the Initial Application Fee is one-half refundable (*i.e.*, \$4,000 of \$8,000 if you do not currently own any interest in one of our franchises) or one-half refundable (*i.e.*, \$2,000 of \$4,000) if you do own such an interest if at the end of the LOI term you do not for any reason timely satisfy any of our written conditions for final approval or otherwise refuse to accept a franchise that we may offer you.

The Initial Franchise Fee is fully earned when paid and non-refundable.

Initial Franchise Fee for the “Believe Program”

Under this Believe Program, we will provide an approximately 25% discount off the otherwise applicable Initial Franchise Fee. First-time purchasers of a The UPS Store Center franchise are eligible to pay a \$29,950 Initial Franchise Fee for their first Center (reduced from \$39,950). The Initial Application Fee for a Center under the Believe Program is \$8,000. As stated in the LOI (Exhibit 4(a) to this disclosure document), one-half of the Initial Application Fee is refundable (*i.e.*, \$4,000 of \$8,000). To qualify for this discount, candidate must own at least a 51% interest in the franchise and meet our other guidelines for the incentive program (including financial qualifications and booking-process deadlines). For purposes of this incentive program, a person qualifies as a first time purchaser if they have never purchased a The UPS Store. Qualified applicants must submit a complete application packet with the \$8,000 Initial Application Fee and include a Letter of Intent, a personal financial statement, and other verification documents we require as part of the franchise qualification process. The Believe Program discount is not available if you are receiving this franchise disclosure document in connection with either a purchase of an existing franchised business, renewal of your Center’s franchise rights, or purchase of a Non-Traditional site with an already reduced Initial Franchise Fee (*i.e.*, an initial franchise fee less than \$39,950). In addition, the Believe Program discount is not available if you qualify for the VetFran Program or the First Responder Program, as the discounts under our incentive programs cannot be combined. We have the right to modify or discontinue this incentive program at any time and for any reason.

Initial Franchise Fee for “VetFran” Veterans Program

We are a member of the International Franchise Association and participate in the IFA’s VetFran Program, which provides an approximate 50% discount on initial franchise fees to veterans of U.S.

Armed Forces (or spouses of active duty service members) who otherwise meet the Program's requirements. First-time purchasers of franchises who are veterans of the U.S. Armed Forces are eligible to pay a reduced Initial Franchise Fee as follows. The Initial Franchise Fee for your first Center will be reduced from \$39,950 to \$19,950 (\$20,000 reduction). The Initial Application Fee for a Center under the VetFran Program is \$8,000. As stated in the LOI (Exhibit 4(a) to this disclosure document), one-half of the Initial Application Fee is refundable (*i.e.*, \$4,000 of \$8,000). To qualify for this discount, the Veteran(s) must be the majority owner in the franchise. "Veteran" means a recipient of an honorable discharge as evidenced by the U.S. Department of Defense. It is the Veteran's responsibility to give us the required documents to obtain the VetFran incentive. There is no VetFran discount if you are receiving this franchise disclosure document in connection with either a purchase of an existing franchised business or renewal of your Center's franchise rights, or purchase of a Non-Traditional site with an already reduced Initial Franchise Fee (*i.e.*, an Initial Franchise Fee less than \$39,950). In addition, the VetFran discount is not available if you qualify for the Believe Program or the First Responder Program, as the discounts under our incentive programs cannot be combined.

Initial Franchise Fee for "First Responder Program"

Under this First Responder Program, we will provide an approximately 50% discount off the otherwise applicable Initial Franchise Fee. First-time purchasers of a The UPS Store Center franchise who have served as a "First Responder" are eligible to pay a \$19,950 Initial Franchise Fee for their first Center (reduced from \$39,950). The Initial Application Fee for a Center under the First Responder Program is \$8,000. As stated in the LOI (Exhibit 4(a) to this disclosure document), one-half of the Initial Application Fee is refundable (*i.e.*, \$4,000 of \$8,000). To qualify for this discount, a first responder candidate must be the majority owner in the franchise and meet our other guidelines for the incentive program (including financial qualifications and booking-process deadlines). For purposes of this incentive program, a "First Responder" is a person with specialized training who is among the first to arrive and provide assistance at the scene of an emergency, such as an accident, natural disaster, or other catastrophic event, including paramedics, emergency medical technicians, police officers, sheriffs, and firefighters. Qualified applicants must submit a complete application packet with the \$8,000 Initial Application Fee and include a Letter of Intent, a personal financial statement, and other verification documents we require as part of the franchise qualification process. The First Responder Program discount is not available if you are receiving this franchise disclosure document in connection with either a purchase of an existing franchised business, renewal of your Center's franchise rights, or purchase of a Non-Traditional site with an already reduced Initial Franchise Fee (*i.e.*, an initial franchise fee less than \$39,950). In addition, the First Responder Program discount is not available if you qualify for the Believe Program or the VetFran Program, as the discounts under our incentive programs cannot be combined. We have the right to modify or discontinue this incentive program at any time and for any reason.

Initial Franchise Fee for Access Model Centers

The Initial Franchise Fee for an Access Model Center payable to TUPSS is \$14,950. The Initial Franchise Fee is not refundable.

Initial Franchise Fee for Conversion and Traditional Site Programs

Despite the fees described above, we may from time to time reduce the Initial Franchise Fee, offer financing, defer the Initial Franchise Fee and/or provide other terms at our discretion for Centers to be located at Traditional and conversion locations. Any Initial Franchise Fee paid is not refundable. Please refer to our Traditional FDD for more information about those opportunities.

Center Development Fee

We, an Area Franchisee, or a third party we designate (the “**Center Development Coordinator**”) must provide and manage a general contractor to construct your new Center. You must pay the Center Development Coordinator our Center Development Fee. We may collect this Center Development Fee directly from you or direct you to pay the Center Development Coordinator. You must pay this before commencement of Center build-out or remodel when the franchise fee or transfer fee is paid or at such other time we designate.

The fee is \$7,700 for all newly-constructed Centers, franchise renewals, franchise transfers, franchise relocations, conversions, franchise “Re-Openings” (the sale of a new franchise located at a previously closed Center). The Center Development Fee for TUPSS 2000, Blue Horizon, and Laser Lite partial remodels will be \$3,200 and a redesign Center Development Fee will be \$1,800. This fee is per site and not refundable. In the future, the Center Development Fee is subject to change.

The Center Development Fees paid to us or the Area Franchisee as the Center Development Coordinator expire after 12 months. If the fees expire and the project is still not complete, additional fees will be incurred to continue to support the project, which will depend on where the project is in the pipeline. The chart below reflects the additional fees that will need to be paid.

Project Phase	Fee
Design - Prior to Spec Released	\$300
Spec released, permit not submitted, bidding not initiated	\$300
Spec released, permit not submitted, bidding initiated	\$2,550
Permits Submitted /Issued	\$5,600

If permits issued by a city, county or municipality expire (timeframes vary) prior to the project being completed, you will be responsible for the repayment of those fees to re-obtain the permits.

Design Fee

You must pay our then current Design Fee to prepare a general Center design. Payment is due when you sign your Franchise Agreement. The current Laser Lite design fee is \$3,275 in connection with your purchase of a new Center or remodel or relocation of an existing Center. Please see [Item 6, Footnote 15](#) for a description of the Design Fee in other situations. The Design Fee includes the required due diligence reports. This fee is per site, not transferable, and not refundable.

The Center designs expire after 12 months. If the design expires, you will be required to pay the then-current Design Fee and re-start the process for a new design.

There is an expedited design process option available for new, relocation, and full Center remodels. This process issues a preliminary design, which may be approved with comments, and moves the project directly to the specification phase, excluding design revisions and the design call. If the expedited design process is selected, it is considered final, and the design may not be revised until after the project is complete and deemed compliant.

Site Survey Fee (Applicable to the Laser Lite Design Only)

The current fee is \$2,400 to \$3,500 per site and is payable directly to the vendor. The amount of the site survey fee is valid for a period of 9 months from completion and can be extended for an additional 3 months for a fee of \$75. Centers located in California or Texas may require additional surveys required by local regulations, and these would be subject to additional fees. This fee is per site, not transferable, and not refundable from the vendor.

The site survey expires after 12 months. If the survey expires, you will be required to pay the then-current site survey fee to the vendor and complete a new site survey.

Site Survey Re-visit Fee

The current fee is \$1,250 to \$2,850 per re-visit and is payable directly to the vendor. A site survey re-visit is required when a completed site survey does not capture all leased space and requires the vendor to re-visit the site to survey the area not previously captured. This fee does not apply if the site survey re-visit is due to an error by the vendor.

Optional Post-Construction Site Survey Fee

The current fee is \$2,050 to \$3,250 per site and is payable directly to the vendor. The post-construction survey may be requested by you to verify the conditions following the construction of the Center.

Initial Marketing Plan (IMP) Fee

You must pay the then current IMP Fee when you sign your Franchise Agreement (applicable for newly-constructed Centers and conversions; not applicable to renewing Franchises; optional for purchasers of existing franchised Centers). You must pay the IMP Fee for re-opened Centers unless we waive the requirement. We will waive the IMP Fee for qualified Multiple Center Owners for new Center sales that are booked by the end of April 2027. We also will waive the IMP Fee for Non-Traditional Centers located in store in store locations, airports, self-storage facilities, and for Access Model Centers. We or our designated vendor will manage disbursement of the IMP Fee to support your Center's initial marketing plan. Details regarding the IMP are set forth in the Operations Manual and may be updated from time to time. The current IMP Fee paid to us for Non-Traditional Centers (other than those located at store in store locations, airports, self-storage facilities, and Access Model Centers) ranges from \$0 to \$7,500. This fee is not refundable.

Proprietary Software and Technology-Related Fees

As more fully described in Items 7 and 11, you must license our proprietary software from us. Applicable fees are currently as follows:

One-Time Per Franchise Proprietary Software License Fee (New Franchise Only)	\$4,750
--	---------

(\$3,750 if you are purchasing your second franchise and \$2,750 if you are purchasing your third or greater franchise). However, the fee discounts do not apply to Site Development Program franchises, which are described below.

Annual Technology Development and Support Fee (New Franchise and Transfers)	\$2,868
---	---------

The Annual Technology Development and Support Fee must be paid each year, on a monthly basis, including when your Franchise Agreement begins. If you are purchasing your second or greater franchise, or an Access Model Center, this fee is reduced from \$2,868 to \$2,748 per Center. In the future,

this fee is subject to change. Potential fee discounts do not apply to Site Development Program franchises. (We anticipate that the Annual Technology Development and Support Fee will increase over the next couple of years due to significantly increasing costs related to delivering technology.)

If you are purchasing a new, re-opened, or existing (transfer) franchise, you must pay to vendor iShip a \$100 iShip set-up fee.

You must participate in and be connected to our in-Center network (“**ICN**”), which is our proprietary online communications system. See Items 7 and 11 for more details. No fee above is refundable.

Various Signage, Furniture, and Equipment

We facilitate the ordering of many items you need to build out your Center, including fixtures, equipment, some signage, and some technology equipment, to minimize delays and mistakes in the process. In some instances, we do sell certain items directly to you and receive a modest margin to cover our costs for doing so. You pre-pay us the estimated amount for the items in the opening order workbook, we place the order for you with the vendors, the vendors drop-ship the ordered items directly to you, and we then pay the vendors for the items. If additional amounts are owed, you pay the balance (because the initial amount was estimated); if the order’s cost is less than originally estimated, we return the excess to you.

Training Fees

To understand your training fees, you must first understand the basic structure of our training requirements. See Item 11 of this disclosure document for a more detailed description of our New Franchisee Training Program. Our Franchise Agreement requires that your Center be operated full-time by a “**Primary Operator**” (who may be you or a Center employee) who must successfully complete all parts of our New Franchisee Training Program.

Our New Franchisee Training Program consists of: (1) Web-Based Training (“**WBT**”); (2) the In Store Experience (“**ISE**”) (5 days for ISE I and 5 days for ISE II) – where you train in a The UPS Store; (3) Print Services Training; and (4) the 5-day University Business Course (“**UBC**”) which is held at a The UPS Store regional training location, conducted virtually, or conducted by a certified trainer at a Certified Training Center (or any combination of the three), in all cases in our sole discretion. A Certified Trainer provides ISE and Print Services Training, which you must complete at a local/regional Certified Training Center. All training listed above must be attended by all new franchisees completing the New Franchisee Training Program.

A Multiple Center Owner (“**MCO**”) is someone who has an ownership interest (*i.e.*, even 1%) in the franchise rights of at least 2 Centers and has a controlling ownership interest in the franchise rights of at least one of these multiple Centers. If you are an MCO, each of your Centers must be overseen and supervised by a “**Certified Operator**” (a person trained as a Primary Operator may serve in this role). A Certified Operator is an individual who (1) works full-time on premises in the Center overseeing the Center’s day-to-day operations and (2) has successfully completed all Web-based training, and Certified Operator Training (“**COT**”). COT is held at a local/regional Certified Training Center and provided by a Certified Trainer and must be completed before your newly-franchised Center opens or you acquire ownership of an existing (*i.e.*, “transfer”) Center.

With one exception, there must be at least 1 Primary Operator for every 5 Centers owned by an MCO. (For example, if you are an MCO with 5 Centers or less, you must have at least 1 Primary Operator in addition to a Certified Operator for each Center; if you are an MCO with 6 through 10 Centers, you must have at least 2 Primary Operators in addition to a Certified Operator for each Center; if you are an MCO with 11 through 15 Centers, you must have at least 3 Primary Operators in addition to a Certified

Operator for each Center; and so on.) The only exception to this requirement is for 2-Center owners. If you own 2 Centers, you may have one Center operated by a Primary Operator and the second Center operated by a Certified Operator or Primary Operator. If you purchase a third Center, each of your 3 Centers must be operated full-time by a Certified Operator, and the 3 Centers must be overseen by a Primary Operator. If you are an MCO, you may designate a person trained as a Primary Operator to satisfy your obligation to have a Certified Operator for one of your Centers if that person is overseen by a Primary Operator as described above.

All first-time MCOs must attend and successfully complete our Multiple Center Owner Workshop (“**MCOW**”) after your newly acquired franchised or re-opened Center opens or you acquire ownership of an existing (i.e., “transfer”) Center (i.e., after the purchase of your second or greater Center). The individual attending MCOW must: (i) attend at least one month after but no later than 6 months after your newly acquired franchised or re-opened Center opens or you acquire ownership of an existing Center; and (ii) be a Primary Operator of the Center or one of the owners of the Center that has at least 6 months of experience in operating a The UPS Store Center, including marketing, employee management, and day-to-day operations of a The UPS Store Center. This currently is a 4-day program held virtually or at a The UPS Store regional training location. You must complete MCOW even if you (or your Primary Operator) previously successfully completed the New Franchisee Training Program. We may require an owner who is involved in the day-to-day operations of the Center(s) to attend MCOW in order to satisfy the MCOW training requirement.

You are required to attend, or have at least one supervisory employee who works full-time at the Center attend, and successfully complete all parts of the Print Services Training program. Alternatively, you may successfully complete, or have a supervisory employee successfully complete, the Print Services training administered by a Certified Trainer for a designated fee. Each Center must have at least 1 supervisory employee who works full-time at the Center attend and complete all parts of the Print Services Training program. If the supervisory employee who attended and successfully completed all parts of the Print Services Training program is no longer employed at the Center, you must have a replacement as soon as possible, in no event more than 60 days.

For new or re-opened franchises, all training fees paid to us are paid when you sign the franchise agreement. They are not refundable. For purchases of existing (transfer) Centers, all applicable training fees paid to us are collected at the close of escrow. All training fees for training conducted at a local The UPS Store training Center are paid to the certified trainer directly on the first day of the training. If for any reason the training fees are not collected at these times, they must be collected before attendance at any of the training programs. You will also be responsible for all travel and living expenses you or your Center’s employees incur in attending any of our training programs.

Footnotes:

1. If the trainee fails to successfully complete any portion of any required training program, that trainee (or substitute trainee) must take such course again until successfully completed at your sole expense.
2. Multiple Center Owner and Certified Operator Training Recurring and Escalating Late Fees

It is critical for you (or, as applicable, your supervisory employee) to timely attend and successfully complete MCOW, Print Services Training, and COT training by the deadlines stated above. If you do not do so, your training fees (see charts above) already paid will not be refunded (*i.e.*, we will retain them), and you must pay us additional recurring and escalating late fees up to the original training fee amount (which is not refundable), as detailed below. These fees will be charged to you via EFT. You would be required to re-register for MCOW (and/or, as applicable, COT training).

Situation	First 90 days escalating late fee	Second 90 days escalating late fee	Recurring and escalating late fee doubles every 90 days until it reaches the original training fee amount
If you do not successfully complete the required training (MCOW and COT) within the deadline, a recurring and escalating late fee will be charged every 90 days	\$50	\$100	MCOW - \$800 COT - \$1,000

We may substitute virtual learning and “e-learning” training modules (through video and/or other electronic means) for any training that you, your designated Primary Operator, or your supervisory employee otherwise would attend in person at a The UPS Store regional training location.

Site Development Program (“SDP”)

From time to time, we or an Area Franchisee signs (as tenant) a Center lease at a location we have accepted with the intention of later assigning or sub-letting such lease to a qualified third-party franchisee.

When TUPSS is the SDP Lease’s Tenant/Assignor

When we are the tenant of the location, we may (but need not) offer you the opportunity to assume the lease. You need not assume the lease unless you want that location. We usually assign (and, in some cases, sublet) such leases to franchisees before the build-out of the leased Centers. In these cases, the Center’s build-out must be done by the franchisee that assumes the lease from us. We do not sign Franchise Agreements “with ourselves” in connection with SDP leases. Instead, you would simply purchase a new franchise, and we would assign the SDP Center lease to you. There would be no franchise “transfer process” in the SDP lease assignment from us to you.

When an Area Franchisee is the SDP Lease’s Tenant/Franchisee

If and when an Area Franchisee is the tenant of an SDP location that we have accepted, such Area Franchisee may (but need not) offer you the opportunity to assume the lease. Again, you need not assume the lease unless you want that location. If an Area Franchisee transfers (with our consent and waiver of our right of first refusal) the SDP Center’s lease and franchise rights more than 6 months after the Center has opened for business to the public, then such transfer is subject to the normal (non-SDP) transfer process described in our Franchise Agreement. This would include the payment of all transfer-related fees (see Item 6), i.e., Transfer Fee, Processing Fee, and Pro-Rated Renewal Fee for Transfers (all non-refundable).

However, if an Area Franchisee transfers to you (with our consent and waiver of our right of first refusal) the SDP Center’s lease and franchise rights either before, or up to 6 months after, the Center has opened for business to the public, then such SDP transaction is a “hybrid” combination of certain requirements that apply to Traditional franchisee-to-franchisee transfers and certain requirements that apply to newly-constructed franchises that we sell. The following is a description of this unique hybrid transaction.

1. Even though the assignment of an SDP lease and franchise rights to you is a type of franchise “transfer,” neither the Area Franchisee seller nor you, as SDP buyer, must pay us the following types of transfer-related fees so long as your purchase is completed either before, or up to 6 months after, the SDP Center has opened for business to the public: Transfer Fee, Processing Fee, or Pro-Rated Renewal Fee for Transfers.
2. If you are purchasing an SDP franchise (and assuming an SDP lease) from an Area Franchisee, then your purchase price will consist of: (a) most or all of the Area Franchisee’s out-of-pocket expenses associated with the SDP lease (e.g., security deposit and rent paid) and its SDP franchise rights (Initial Franchise Fee, a portion of which Area Franchisee receives for services rendered); and (b) in most (but not all) cases, a reasonable amount that compensates the Area Franchisee for the value provided, and the risks incurred, in holding such SDP Center lease available for assignment to you (all non-refundable).
3. If you purchase an SDP franchise (and assume an SDP lease) from an Area Franchisee, you also must pay directly to us (and not to your Area Franchisee) the following fees which apply to all newly-constructed franchises: the Design Fee, the Initial Marketing Plan Fee, and the Training Fees (including MCOW, if applicable). These 3 fees must be paid to us when you sign your Franchise Agreement. Additionally, you must pay the following fees directly to us after you sign your Franchise Agreement: One-Time Per Franchise Proprietary Software License Fee and

Annual Technology Development and Support Fee. (If you purchase an SDP franchise (and assume an SDP lease) from an Area Franchisee, you need not pay us an Initial Franchise Fee.) None of these fees are refundable.

4. Even if the SDP Center may have been opened for up to 6 months before you purchased it from an Area Franchisee, you need not pay a “Pro-Rated Renewal Fee for Transfers,” and your Franchise Agreement term will be a full 10 years.
5. At times, this disclosure document distinguishes between costs of a “newly-constructed Center” or a “new franchise,” on the one hand, and an “existing Center” or “existing franchise rights,” on the other hand. If you assume an Area Franchisee’s SDP lease and franchise rights before (or up to 6 months after) the SDP Center’s opening to the public for business, you would incur all or (depending upon the amount of build-out completed by the Area Franchisee before the assignment) some of the build-out costs associated with “newly-constructed” Centers disclosed in Item 7 of this disclosure document, even though you would be purchasing “existing franchise rights.”

Referral Fees

If, after you become and remain one of our franchisees, a prospective franchisee completes a “referral form” or online application or other approved electronic form that clearly identifies you and your Center number as the party making the referral, and your referral actually purchases a franchise for a new domestic The UPS Store Center (not as part of a transfer), you will receive a referral fee from us. Our current policy is to “thank you” for the referral by having you receive \$5,000 if a new Traditional Center is involved, \$2,000 if a new Rural Center is involved, and \$1,000 if a Non-Traditional store in store location is involved. (We do not pay referral fees for referrals involving all other types of Non-Traditional Centers or Access Model Centers.) We reserve the right, in our sole and absolute discretion, to change the amount of this referral fee. We may end or change this policy, and impose rules and conditions, whenever we choose. We do not expect or want you to be involved in the sales process at all. As one of our existing franchisees, you simply are passing along to us the name of someone you know who might be interested in acquiring a new franchise.

iShip Processing Fee	\$0.22 per transaction	Per each iShip transaction	This fee is subject to periodic increase during the franchise term by our affiliate iShip, Inc.
Upgrade Evaluation Fee ^{1, 7}	\$500 to \$750	Upon our demand before review of work	See <u>Footnote 7</u> .
Finder's Fee ^{1, 8}	The greater of \$15,980 or 10% of your Center's sales price depending on your venue	Upon sale of your Center	See <u>Footnote 8</u> , including how this may be a Broker's Fee.
Finance Charges ^{1, 3}	Highest annual rate allowed under applicable law	Upon demand	Billed on all items that exceed 42 days or later.
Design Fee ^{1, 15}	Laser Lite design - \$3,275 or \$1,025 (plus \$575 in the event of a change) Blue Horizon design - \$1,025 (plus \$575 in the event of a change) TUPSS 2000 design - \$925 (plus \$475 in the event of a change)	Upon demand and always prior to commencement of our Center Design for you	See <u>Footnote 15</u> .

Column 1	Column 2	Column 3	Column 4
Type of fee	Amount	Due Date	Remarks
Site Survey Fee	\$2,400 to \$3,500	Upon demand	Any new or existing Center remodeling to a Laser Lite design must pay the fee directly to the vendor. Centers located in California or Texas may require additional surveys required by local regulations, and these would be subject to additional fees.
Site Survey Re-visit Fee	\$1,250 to \$2,850	Upon demand	Payable directly to the vendor when a completed site survey does not capture all leased space and requires the vendor to re-visit the site to survey the area not previously captured. Does not apply in the event of vendor error.
Optional Post-Construction Site Survey Fee	\$2,050 to \$3,250	Upon demand	Payable directly to the vendor when you request a post-construction survey to verify the conditions following the construction of the Center.
Non-Compliance Fee	Currently \$250, but we may charge up to \$1,000	When billed	Due if you deviate from our requirements. This compensates us for administrative and management costs, not for our damages due to your default.
Tax Reimbursement	Out-of-pocket cost reimbursement	As incurred	You must reimburse us for taxes we must pay to any state taxing authority on account of either your operation or your payments to us (except for our income taxes).
Customer Concern Reimbursement	Out-of-pocket cost reimbursement	As incurred	You must reimburse us if we resolve a customer concern because you do not do so; amount depends on extent of your non-compliance.

Footnotes to Item 6 Chart:

1. Except as noted above, all fees are imposed and collected by and payable to us. No fee is refundable. Except as noted, all fees currently are uniformly imposed.
2. In exchange for services rendered, Area Franchisees (if applicable) receive from us 50% of all royalties paid to us by franchisees located in their Area Franchise territory.
3. Interest begins from the date of the underpayment.
4. You must maintain the types and minimum amounts of insurance (naming us, UPS, and any other designated affiliates as additional insureds) that we specify in your Franchise Agreement or the Manuals. You may obtain additional insurance as you desire. Insurance policies may not be amended or canceled without at least 30 days' prior written notice to us. You must provide certificates of insurance evidencing coverage on an ongoing basis.
5. Except for Family Transfers, this fee does not apply if transferring 50% or more of ownership interest. This fee also does not apply if the sale of less than 50% of ownership interest would transfer controlling interest of franchise. (Example 1: A owns 50% and B owns 50%. B sells B's 50% to non-owner C, this would constitute an assignment of the franchise. Example 2: A owns 49%, B owns 20% and C owns 31%. Sale of C's 31% interest to B would effectively transfer controlling interest of the franchise from A to B. These situations would all be treated as a "transfer," be governed under Section 11 of the Franchise Agreement, and require payment of a Transfer Fee, Processing Fee, and a Pro-Rated Renewal Fee for Transfers.)
6. Section 11.5(e) requires payment of the "then-current" Incorporation Fee. Such amount may be more than \$500 at some time in the future, and that amount would then apply.
7. Paid to us by existing franchisees that are selling their Centers or wish to know what their Centers' required upgrades (computers, equipment, fixtures and decor – exterior and interior) would be if they were to sell their Centers and transfer their franchise rights. If such existing franchisee does not proceed with such a franchise transfer within 12 months of such Upgrade Evaluation, then we will keep the Upgrade Evaluation Fee as earned. If, however, such existing franchisee does proceed with such a franchise transfer within 12 months of such Upgrade Evaluation, then such Upgrade Evaluation Fee will be applied as a credit against the monies owed to us as indicated on the final demand and account breakdown. The amount of upgrades we determine in the Upgrade Evaluation will be valid for a 12-month period following the Upgrade Evaluation, subject to any changes in price, our requirements or if a change in the design type is required. An additional \$500 to \$750 Upgrade Evaluation Fee would be required only if a second Upgrade Evaluation is conducted more than 12 months after the first Upgrade Evaluation. If a second Upgrade Evaluation Fee is paid, it would be credited against the monies owed to us as indicated on the final demand and account breakdown if the Center transfers within 12 months.
8. If and when you wish to sell your Center, you will be permitted (but not required) to retain our (or, if we authorize, our designee's) services to assist in your efforts to identify potential purchasers of your Center. You then must sign our approved form of Finder's Agreement with us or our designee who has been given access to our proprietary database of franchise applicants. We or, as applicable, our designee will undertake best efforts, but there is no guaranty that we or our designee will be able to introduce you to a purchaser for your Center. The Finder's Agreement specifies when a Finder's Fee would be owed by you (as seller or "transferor") to us or our designee. Your Finder's Fee will always be an amount that is the greater of 10% of your

Center's purchase price or 40% of the then-current Initial Franchise Fee for a first-time franchise (as of the date of this disclosure document, 40% of the \$39,950 Initial Franchise Fee is \$15,980). In certain circumstances, you may pay an alternate Finder's Fee in corporate-owned areas. As noted in Footnote 9 below, if you do not pay a Finder's Fee to us or our designee, the Processing Fee for the sale of your Center will be \$6,000. Where permitted under applicable law, we or our designee (such as our Area Franchisee) may offer to represent you (the franchise transferor) as a business resale "broker" and not merely as a "finder." In such case, your using such services would remain optional for you, and the amount of the "Broker Fee" you would pay us or our designee (such as our Area Franchisee) would not be greater than the maximum amount of the Finder's Fee defined above. To clarify, no offer to represent you as a business resale "broker" may be deemed made unless you request such representation, we or our designee may provide such representation under applicable law, and you receive a written offer from us or our designee outlining the terms of such offered "broker" arrangement, which differs from our Finder's Agreement.

9. Sections 5.1(b)(ii)(A-C) and 11.3(f)(i-iii) of your Franchise Agreement specify that the following fees (referenced in this Item 6 chart) must be paid in connection with a transfer of a franchise: Transfer Fee, Processing Fee and Pro-Rated Renewal Fee for Transfers. These fees must be paid to us, whether by the seller (transferor) and/or the buyer (transferee). Section 5.1(b)(ii)(A-C) applies if you are the buyer (transferee) because it modifies your Initial Franchise Fee payment obligation, and Section 11.3(f)(i-iii) applies if you are the seller (transferor).

These fees are all defined in Section 23 of your Franchise Agreement. The current Processing Fee is listed as \$6,000 or \$1,500. If a Finder's Fee (see Footnote 8 above) is paid by the seller (transferor) in connection with a franchise transfer where the purchaser (transferee) has been disclosed with this disclosure document, the amount of the Processing Fee is \$1,500. If a Finder's Fee is not paid to us or our designee by the seller (transferor) in connection with a franchise transfer where the purchaser (transferee) has been disclosed with this disclosure document, the amount of the Processing Fee is \$6,000.

10. a. Until further written notice from us, your requirement to contribute 2.5% of your Center's monthly STR to the NAF will not exceed a certain fixed dollar maximum amount ("**NAF Cap**") on such contributions. As of the date of this disclosure document, your NAF Cap is as follows:

January through November	\$2,135 per month
December	\$4,249 per month
ANNUAL NAF CAP	\$27,734

- b. We reserve the right at any time, upon written notice to you, to (a) change the formula we use for adjusting the NAF Cap or (b) eliminate the NAF Cap.
11. A majority vote of the franchisee members of your DMA Advertising Collaborative will determine the fee's fixed-dollar amount. However, we may require DMA Advertising Collaborative fees of 0.5% of your Center's STR (if this is more than the fixed-dollar amount). Also, if 51% or more of the franchisees in your DMA Advertising Collaborative vote to increase the fee to more than 0.5% of STR, they may do so up to a cap of 3% of STR. The DMA Advertising Collaborative's fees will not be changed more than once per year.

12. See Franchise Agreement Section 11.2(e) and Section 23 for a description of a Family Transfer.
13. Allowable Exclusions from Subject to Royalties (“STR”) include those we specify in the Center Operations Manual from time to time. We reserve the right to add, remove, or make changes to Allowable Exclusions from time to time as we deem best upon notice to you (through a change in the Center Operations Manual). We must approve in advance any proposed allowable exclusion that is not listed in the Center Operations Manual. We may approve or disapprove any proposed exclusion as we deem best. We have no obligation to approve any proposed exclusion.
14. If you are purchasing an existing (transfer) Center, please note as follows. We require that you and your seller utilize the services of a third-party escrow company or escrow attorney (“Escrow”) to administer certain aspects of our franchise transfer process, including exchange of monies. You and your seller may use only the third-party Escrow vendor designated by us or our Area Franchisee. The fees for this service charged by the Escrow third party must be paid by you and/or your seller. The amounts of these Escrow fees vary depending upon the particular location (geographic market) and possibly upon other factors.
15. Laser Lite design: The Design Fee currently is \$3,275. The design fee includes one preliminary design, one revision, center specification design, and one post-spec. If you approve the Laser Lite design for the Center (for which you already paid our Design Fee) and any aspect of the design is modified within 12 months of initial design approval, you must pay us an additional \$575 for changes in the design plans for each post-spec request. In all instances, the Design Fee is per site, not transferable, and non-refundable. Additional revision(s) and design call(s) are available and subject to the then-current design change fees for the specific design and type of change requested. A new Center or existing Center remodeling to a Laser Lite design must have a Site Survey; this fee is currently \$2,400 to \$3,500.

Blue Horizon design: If you renew your franchise rights, you must pay us a \$1,025 Design Fee for any changes in the Center’s general design. If we prepared the Blue Horizon design for the Center (for which you already paid our Design Fee) and any aspect of the design is modified within 12 months of initial design approval, you must pay us an additional \$575 for changes in the design plans for each post-spec request. In all instances, the Design Fee is per site, not transferable and non-refundable. Additional revision(s) and design call(s) are available and subject to the then- current design change fees for the specific design and type of change requested.

TUPSS 2000 design: If you renew your franchise rights, you must pay us an \$925 Design Fee for any changes in the Center’s general design. If we prepared the TUPSS 2000 design for the Center (for which you already paid our Design Fee) and any aspect of the design is modified within 12 months of initial design approval, you must pay us an additional \$475 for changes in the design plans for each post-spec request. In all instances, the Design Fee is per site, not transferable, and non-refundable. If you are remodeling the Center from the TUPSS 2000 design to the Laser Lite design, the Design Fee is \$3,275, including for a renewal.

For design ongoing projects where the Center design has been approved, the specification packet released, construction documents and/or purchase orders have been submitted to the vendor, there will be no additional changes allowed to be made to the Center design until the project is completed, the punchlist is available, and the Center is deemed compliant by us.

The Center designs expire after 12 months. If the design expires, you will be required to pay the then-current Design Fee and re-start the process for a new design.

The estimated initial investment numbers appearing in the charts above, and the costs described in the footnotes below, are ranges that we determined based on our general experience with Non-Traditional Centers in various types of locations. However, by their nature, Non-Traditional locations vary in many respects; it is difficult to predict reliably the investment and cost ranges that will apply in the different types of Non-Traditional locations or within the same type of Non-Traditional location in different markets or venues. Therefore, you should use these numbers as a guide and recognize that your particular Non-Traditional location and venue might cause your investment and costs to differ — higher or lower — from those described in the charts above due to the particular circumstances you are facing.

Item 1 of this disclosure document identifies the timeframes for when prospective franchisees may or must develop or remodel their Centers under the Laser Lite design. The different charts above will apply depending on the franchisee's specific circumstances.

FOOTNOTES

1. The Estimated Initial Investment (Item 7) charts above estimate the start-up expenses for the first 3 months of a newly-constructed Center operating at certain types of Non-Traditional locations. Please refer to Item 7 of our Traditional FDD for the estimated initial investment if you wish to develop a Center at a Traditional site or under our Rural Program.

Item 5 describes reduced Initial Franchise Fees we are offering in 2026 and 2027 under a “Believe Program,” “VetFran” Veterans Program, and “First Responder Program” if the required qualifications are satisfied.

As of the date of this disclosure document, all new Centers must be developed under the Laser Lite design and all renewing Centers must remodel to the Laser Lite design. Certain The UPS Store Center franchisees remodeling Centers as part of the transfer process may elect to complete minimally required Black and Tan upgrades before completing a full Laser Lite design remodel. The cost estimates for the minimally required Black and Tan upgrades on transfer are approximately \$0 to \$50,400.

GENERAL

We have prepared these estimates based on our experience, which is primarily in establishing and operating Centers. Except as expressly indicated otherwise in the charts above, these estimates describe your initial cash investment up to the opening of your Center. They do not provide for your cash needs to cover any financing you incur or your other expenses. Further, they do not include royalty amounts payable each month to us. You should not plan to draw income from the operation during the Center’s start-up and development stage, the actual duration of which will vary materially from Center to Center and cannot be predicted by us for your Center (and which may extend for longer than the 3-month “initial phase”). We cannot guarantee that you will not have additional expenses starting the business.

You must have additional sums available, whether in cash or through a bank line of credit, or other assets which you may liquidate or against which you may borrow, to cover other expenses and any operating losses you may sustain, whether during your start-up and development stage or beyond. The amount of necessary reserves will vary greatly from franchisee to franchisee, may be more than the Additional Funds amounts described in Footnote 10, and will depend upon many factors, including your Center’s rate of growth and success, which in turn will depend upon factors such as the demographics and economic conditions in the area in which your Center is located, your ability to operate efficiently and in conformance with our procedures and methods of doing business, and competition.

In TUPSS’ sole discretion, under certain circumstances, an existing franchised Center’s franchise agreement terminates with the possibility of a new franchisee commencing operations at the Center under a new franchise agreement (*i.e.*, not through our transfer process). Such “Re-Openings” may not incur many of the build-out and related costs specified in these Item 7 charts that are incurred with newly-constructed Centers. However, in these situations, we condition our sale of such Re-Opened new franchises on the franchisee’s promise to upgrade such Center’s image, computers and equipment to our specifications as if such Center were acquired through our transfer process. Additionally, the purchaser of a new franchise at an existing location may have challenges that are not faced by purchasers of new franchises at newly-constructed sites, including delays in setting up accounts with vendors, the need to pay cash to vendors for a period of time, and the need to obtain releases of liens from the previous owner’s business creditors. In the past, purchasers of new franchises at such existing locations have accepted these challenges, presumably based upon their conclusion that such challenges were outweighed by the fact that their total start-up costs (including initial franchise fee and cost of upgrades) would often be less than if they would have acquired the rights to such location through an asset purchase from the previous owner. If you purchase a new franchise at an existing location, you will assume certain risks relating to the Re-Opening, including payment obligations under the lease and successor tax

liabilities. We make no representation whether there would be any savings in any particular Re-Opening.

Our initial franchise fee, initial marketing plan (“**IMP**”) fee, software and technology fees, center development fee, and training fees are discussed in detail in Item 5 above. The initial franchise fee for a newly-constructed Center within a self-storage location is \$14,950, the Design Fee is \$3,275 for a Laser Lite design, and the Center Development Fee is \$7,700. The initial franchise fee for a Center in a standard-size hotel or in certain other types of non-traditional locations will be \$19,950 if that Center’s franchise is acquired by an existing franchisee. If the Center is a store in store without an exterior entrance, the initial franchise fee is \$14,950. Some of these fees may be reduced if you qualify for MCO or other discounts.

In order to address and adapt to ever-changing economic and marketplace conditions and consumer expectations and demands, we may throughout the franchise term consider and test, and in our sole judgment implement, modifications to the design, appearance, branding, and/or layout of The UPS Store® Centers. After construction and development of your Center, we might choose to implement modifications to the design, appearance, branding, and/or layout of The UPS Store® Centers, as a result of which your Center’s design no longer might be the latest design for The UPS Store® Centers. Whether or not you are required or choose to modify your Center’s design during the franchise term to the new design, nothing prevents us at any time from implementing modifications to the design, appearance, branding, and/or layout of The UPS Store® Centers in our sole judgment. You may not pursue a claim against us or any of our affiliates if your Center’s design no longer is the latest design for The UPS Store® Centers.

2. Travel and Living Expenses While Training: You will incur expenses associated with The UPS Store University Training programs, including transportation, lodging and food. The cost will depend on the distance the trainee must travel and type of accommodations you choose and will increase if you send more than one trainee. However, we may substitute virtual learning and “e-learning” training modules (through video and/or other electronic means) for any training that you, your designated Primary Operator, or your supervisory employee otherwise would attend in person at a The UPS Store regional training location, which, if we do so, will lower your training costs.
3. Real Property: A typical new Center generally occupies 800 to 1,800 square feet of interior space. The new Center’s delivery condition ranges from “as is” condition to vanilla shell condition, which includes finished ceiling, electrical panel, storefront, prepped demised walls, HVAC, lighting fixtures, electrical outlets and telephone wiring/panel installed for the Center. Cost per square foot of leasing commercial space varies considerably from region to region depending on the location, market conditions affecting commercial property, and the relationship with the host location. The figures on this line item represent the cost of the first 3 months’ rent for most Centers and the cost of a security deposit equal to one month’s rent. [Some landlords require a security deposit equal to 2 or more months’ rent.] Some urban markets – especially Manhattan Borough, NY – can have much higher Center rents per month for a smaller than usual site. These numbers represent a typical landlord/tenant relationship. There is considerable variance, from market to market, regarding whether real estate taxes, insurance, and common area maintenance (“**CAM**”) are charged to the Center via “net lease” or included in rent via a “gross lease.” Site rent and security deposit for hotel-based Centers may be lesser or greater than the range estimated above because terms and conditions vary significantly from hotel to hotel and among non-traditional location types. For example, prime hotel locations in Las Vegas will probably significantly exceed the amounts estimated above. On the other hand, hotels based in mid-sized markets may be less than the amounts estimated above. With some hotels, there is no upfront

lease deposit. Instead, the hotel might require the franchisee to pay, as rent, a percentage of its sales from the hotel-based Center (for example 5% to 24%).

4. Leasehold Improvements, Etc.: You will need to install modular fixtures and make other Leasehold Improvements as listed below. Construction costs in some areas of the country may exceed these estimates. All construction work done in a Center build-out must be performed by a TUPSS-approved state trade licensed and bonded company in the required area, *e.g.*, fixtures, installations, exterior signage, electrical, etc. If local law requires your Center's design drawings to receive an architectural seal before submitting them for permitting, the TUPSS approved architect will seal and stamp the drawings for you that meets local certification or similar requirements. Most new and remodeling Centers require architectural services and MEP per submission; those that do incur fees ranging from approximately \$2,750 to \$18,000.

1. Some projects may experience 10% to 40% higher costs with regard to tariffs, labor, leasehold improvements, and other related construction costs. Not all Centers incurred costs for each and every category. Costs in the column for Non-Traditional Low shows the lowest expected cost above \$0.
2. The costs in this chart were estimated by taking into consideration the costs of Non-Traditional Centers between 311 and 626 square foot; larger square foot may experience significantly higher costs.
3. Vanilla shell costs may vary and are subject to the condition of the space at delivery from the landlord and overall square footage of the location. The highest new Laser Lite Center project cost included \$27,550 of vanilla shell preparation costs; the space was provided “as is” from the landlord.
4. Additional costs may be incurred if the host venue for the Center requires custom fixtures, custom fixture finishes, or custom graphics to the host venue’s color palette. The current lead time for custom fixtures is a minimum of 12 weeks.

Fixture orders for all Center remodel projects to the Laser Lite Center design must be scheduled and shipped within 45 days of the permit issued and general contractor bid provided. If you fail to confirm in writing to the third-party project manager or your Area Franchisee (as applicable) a construction start timeline that allows for your fixture order to ship within this 45-day period, you will be charged a 2% stocking and staging fee by the fixture vendor (a “**Fixture Fee**”) that will be invoiced to your AR Statement of Account (collected on behalf of the vendor by TUPSS). This Fixture Fee will be charged every 30 days until the fixture order ships. This Fixture Fee is per purchase order and is non-refundable.

5. Mandatory Computer Equipment and Installation.

- a. POS Systems: 3 units required for Laser Lite design; approximately \$9,373 (includes peripherals and remote installation). One unit minimum required for Access Model Center and store in store Centers.
- b. Back office machine laptop (or desktop with monitor sold separately): 1 unit required per Center. Approximately \$1,214.
- c. UPS Trackpad®: (with handheld unit, site license, UPS Trackpad® software and one year service agreement); 1 unit required for Non-Traditional Centers offering package management services; approximately \$9,474 for the basic system. The installation of UPS Trackpad® and Intergrator costs approximately \$3,647. Instead of using UPS Trackpad®, we may allow you to use a different, approved package management software.

You must purchase POS System hardware, and back office machine solely from us. PIN Pad devices for the Microsoft® Dynamics 365® Modern POS (MPOS) must be obtained from our approved vendor. There is an ongoing monthly maintenance fee of \$15 per PIN Pad payable to the approved vendor.

A one-time technology installation fee ranging from \$1,830 to \$3,995 is payable to us. This fee covers in-center networking and the set up and networking of the POS Systems, back office machine, and the optional The UPS Store® Business Station. You must use only the TUPSS-approved vendor for all technology installations. Additional computers will be set up and networked for an additional \$383 per system. For further explanation about computers and software, please see Item 11.

6. Other Mandatory Equipment: You must purchase or lease certain items of equipment. The following are our mandatory equipment packages. The estimates in this chart represent the cost to lease printers for 3 months. You also may elect to purchase your copiers which would significantly increase your upfront cost. Items 3, 4, and 8 below are included in the Printers line-item in the Item 7 chart. The remaining items are included in such chart as Other Equipment. Item 9 below (see vi for more details) describes the recommended print services equipment specifications and their estimated costs, which are above and beyond the current minimum requirements for mandatory print services equipment. Because we are in the process of exploring a possible major enhancement to the print services offered by The UPS Store Centers, we reserve the right during your franchise term to convert these recommended specifications to minimum mandatory specifications and to require you to then come into compliance by paying for, installing, and using such upgraded equipment. We also reserve the right to require you to install security and surveillance systems in the Center according to the terms and requirements specified in our Manuals.

Mandatory Equipment

Estimated Cost

1. Mailboxes, Digital Media and Optional Keyless Entry

Laser Lite design: University Centers that provide Mailbox Services must have modular mailbox fixtures and mailbox units or high density mail folders and fixtures purchased from a vendor we approve. Mailbox fixtures provided by the host venue will be considered on a case by case basis.

For all other Non-Traditional Centers, modular mailbox fixtures and mailbox units are recommended (if permitted by the host venue) but not required. Installation and use of high-density mail folders and approved mailbox fixtures are an option instead of mailbox modules and units. University Centers may have electronic package lockers. All such lockers must be purchased from a vendor we approve and installed by a contractor we approve. Store in Store Centers are not required to provide Mailbox Services.

Laser Lite designs include digital media and optional keyless entry. The keyless entry hardware is \$1,881 plus an ongoing monthly subscription fee of \$96 (subject to change by the vendor). The digital media fee is \$3,069 for 2 digital monitors plus an ongoing monthly subscription fee of \$31 for 2 digital media monitors (subject to change by the vendor).

- (i) Estimated purchase prices are \$11,992 for the Laser Lite design mailbox banks with fixtures and \$3,873 for the optional HD mail cabinet. These estimated purchase prices do not include the estimated costs to assemble and install the fixtures. Mailboxes are not required for hotels, convention centers, access models, or store in store locations.
- (ii) The price to purchase your fax machine is approximately \$348.
- (iii) Color Digital Multi-Function Printer (“MFP”). You will need, at a minimum, one color digital multi-function printer networked to a computer via a Raster Image Processor (“RIP”). You will need, at a minimum, one mid-range, 30 pages per minute color laser printer. Color printer monthly equipment charges vary depending on the equipment and program chosen and number of printed pages. The low end of the Printers cost in the charts above estimates 3 months of lease payments for the MFP (the lease is typically a 60-month lease). You also may elect to purchase your copier which would significantly

increase your upfront cost. The estimated purchase price for the required color MFP is \$7,780 to \$36,880.

- (iv) In-Center Network (“ICN”). You must participate in and be connected to our ICN, which is our proprietary online communications system, in the manner specified in our Manuals and as is updated from time to time. ICN access requires a dedicated Broadband connection through an Internet Service Provider (“ISP”) service, the cost of which varies considerably from market to market. Other methods of connectivity are permitted to our ICN only when we determine that Broadband connection (DSL, cable, or T-1) is not possible at your Center. Otherwise, you must access our ICN via a Broadband connection with at minimum a single static public Internet Protocol (“IP”) Address with an IP Gateway on the same subnet. Broadband connection requires your purchase from our approved vendor(s) (if any) of DSL or cable or T-1 or other service that satisfies our Broadband specifications. (Estimated monthly Broadband service fees vary significantly by vendor and by types of services selected). Also note: your service provider may require additional charges to you associated with ordering or installing the actual communication circuit from the service provider and required circuit termination equipment.

Regardless of how you access our ICN via Broadband or other approved method, you must satisfy these additional requirements:

- (1) Your Center’s POS Systems, Back Office Machine, and optional The UPS Store® Business Station must be “wired” and networked in accordance with our specifications;
- (2) The following equipment must be installed by a TUPSS-approved vendor:
 - (a) 2 TUPSS-approved 8-Port Ethernet Switches are required; 3 TUPSS-approved 8-Port Ethernet Switches are recommended. Estimated Purchase Price: \$40 each.
 - (b) TUPSS-approved ICN communication equipment: Fortinet, Estimated Purchase Price: \$2,411 (for Broadband). Fortinet will require the purchase of additional support for the device throughout the franchise term and/or may require replacement to ensure ongoing compliance with information security requirements.

Due to the rapid changes in ICN-related technology and our ongoing efforts at developing and improving such technology, we anticipate that (1) we may approve alternative or additional vendors, products, and services for ICN technology, and (2) the above estimated prices may vary and change considerably depending on numerous market factors.

- (v) Required print finishing equipment consists of TUPSS-approved binding equipment, a commercial stack cutter, a laminator, and start-up supplies. The purchase price ranges between \$1,478 to \$13,909. Postage Meter must be leased or rented or you have the option to use an approved online postage system, Endicia, with postage printer at approximately \$40 to \$113 per month.
- (vi) Recommended (Subject to Later Requirement) Print Finishing Equipment Specifications:

- (1) A TUPSS-approved commercial business card slitter for creating on-demand business cards. 10-up or 12-up configurations are acceptable. The price to purchase an approved slitter starts at approximately \$422 to \$2,619.
- (vii) You must have an encrypted media device to store and move a file or files from a remote computer to your in-Center local area network. An example of such a device would be a “thumb drive” or a “jump drive.” Approximate price is \$20 (can be purchased locally). You must use the media device for business purposes only.
- (viii) The inflatable air cushion machine’s estimated price ranges from \$950 to \$3,427 (film is extra). The inflatable air cushion machine produces void fill for packing and optionally produces cushioning to replace traditional bubble wrap.
- (ix) The estimated price of the 3 scales, which weigh in pounds and ounces, is \$2,119. (Mettler Toledo scale \$706 each (up to 150 pounds)). One scale per POS System is required.

Although not required like UPS Trackpad®, Computer Time Rental & Extra Back Office Computer, we recommend that hotel-based Centers buy and use a Wide-Format Printer and a Wide-Format Laminator. If you purchase these items, you must only purchase them from one of our approved vendors. Estimated purchase cost is approximately (1) Wide-Format Printer: \$4,250 to \$8,000; and (2) Wide-Format Laminator: \$15,000.

Other Equipment

Estimated Cost

An additional customer-facing touch screen monitor for each POS System is required and included in the chart under Computer Equipment, which TUPSS intends to use to promote products and services, increase customer engagement, facilitate more electronic recordkeeping, for use with the electronic Parcel Shipping Order and for other purposes.

\$330 each

If your Center operates on or within a university, you will have the option to purchase and install lockers (or a locker system) at the Center. We expect that the cost and number of lockers will vary widely based on the space available at the Center and the size of the student population at the university. The low end of the range represents a university Center that does not offer lockers or a locker system to its customer base, while the high end of the range reflects those costs incurred by a franchisee that recently installed lockers at a university Center.

At least 1 portable device/tablet required to be used in the Center for the Line Busting Application, Electronic Waiver for Notary Services and other purposes. \$340

An optional Time-Saving Kiosk (“TSK”), which is a self-service solution that allows customers of the Center to process consolidated returns, UPS® pre-paid, pre-packed drop-offs, and pre-packaged mobile shipping and mobile returns. The TSK is optional for all Non-Traditional Centers. One Zebra ZD 230 Wi-Fi Printer (cost: \$299.99) is required for each TSK.	\$1,260 to \$1,284; \$499.99 one-time set-up fee and \$125 monthly managed fee under 5-year lease agreement
---	--

An optional The UPS Store® Business Station (with monitor and TUPSS-approved configurations, which may change from time to time). This must be purchased from us.	Approximately \$1,308 (includes monitor which is sold separately)
---	---

An optional Black and White Digital Multi-Function Printer (“MFP”). Monthly equipment charges vary depending on the equipment and program chosen and number of printed pages. The minimum acceptable speed for any optional black and white printer is 50 copies per minute. The estimated purchase price for the optional black and white MFP is \$5,638 to \$19,075. At our discretion, instead of purchasing this optional black and white MFP, you may be permitted to purchase 2 color MFPs.

7. Start-Up Supplies: We estimate that the range given will be sufficient to cover initial supplies of running your business for 3 months following the opening of the franchise business. Initial supplies include retail products (e.g., corrugated boxes, packaging materials, and paper and envelopes) and consumables (e.g., miscellaneous office supplies for the front and back counter; merchandise bags and copy boxes; miscellaneous operational tools (hand truck, tool kit, etc.); labels, price stickers, receipt tape, etc.; postal supplies; janitorial supplies (trash cans, vacuum, etc.); print materials; and an initial marketing kit (exterior banner, balloons, window poster, etc.)). For new Centers, we estimate total opening order costs for retail products range between \$3,840 to \$6,380 (with an average cost of \$5,050), and total opening order costs for consumables range between \$2,340 to \$2,775 (with an average cost of \$2,558). Centers must maintain a minimum stock of certain retail products and consumables.
8. Utility Deposits: We estimate that you will need to provide deposits for utilities. Deposits depend on the practices of the utility company. You must also register your business with the local county, along with fictitious name and other requirements of your local or state government. These entities may charge a fee for such registration. You also may be required to pay state sales tax and a refundable UPS deposit. It is not expected that utility deposits will be incurred if you operate at a hotel or store-within-a-store because the Centers will be established at existing locations.
9. Insurance: The figures in the Item 7 chart are expenses calculated on a yearly, per center basis for a small business-owners package policy (property and liability) premium. Insurance costs vary based on many factors such as coverages and limits selected, insurance company chosen and your Center’s building construction, fire protection, and other individual risk characteristics. Also, there is a considerable variance of insurance costs from market to market. For example, a limited number of urban and coastal Centers can have premiums in the \$10,000 to \$15,000 range. Your costs will increase if you purchase other lines of insurance, which may possibly be required by your state’s law or real estate lease requirements.

10. **Additional Funds:** This estimates the funds needed to cover your initial expenses for the first 3 months of operation (other than the items identified separately in the table). It includes payroll costs but not any draw, salary, or living expenses for you. However, this is only an estimate, and it is possible that you will need additional working capital during the first 3 months you operate your Center and for a longer time period after that. New businesses often generate a negative cash flow. High cost markets such as Manhattan, NY might be double the amount estimated here. This 3-month period is not intended, and should not be interpreted, to identify a point at which your Center will “break even.” We cannot guarantee when or if your Center will break even. Your costs will depend on your management skill, experience, and business acumen; local economic conditions; the prevailing wage rate; competition; and your Center’s revenues during the initial period. We have relied on our many collective years of experience in our industry to compile these estimates. You should review all figures in this Item 7 carefully with a business advisor before you decide to acquire the franchise. Except as provided in Item 10, neither we nor our affiliates offer financing directly or indirectly for any part of the initial investment. The availability and terms of financing depend on the availability of financing generally, your creditworthiness and collateral, and lending policies of financial institutions. The estimate does not include any finance charge, interest, or debt service obligation.

ITEM 8

RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Except as described below, there are no goods, services, supplies, fixtures, equipment, inventory, computer hardware and software, real estate or comparable items related to establishing or operating your Center that you currently must buy from us (or an affiliate), from designated or approved suppliers, or according to our standards and specifications.

Goods, Supplies, Inventory and Services

You must adhere to our System in operating your Center. We reserve the right to approve all supplies not provided by us but which contain or use our Marks. When your Center opens for business, you must stock and display the initial inventory of products, accessories, equipment, supplies, and technology (including hardware, software, and external components) specified in the Manuals. At all times, you must stock and display the specified inventory in quantities needed to meet reasonably anticipated consumer demand. You must participate in and comply with the terms and conditions of the Commerce Ready Services (formerly known as the Corporate Retail Solutions) (“**CRS**”) Program, which may be available online, and any aspect of our E-Commerce Program and/or Customer Loyalty & Retention Program that we designate as mandatory. Print products or services may be offered through franchisor-designated digital or e-commerce platforms from time to time. Orders placed through such platforms may be fulfilled by us, our affiliates, designated third-party providers, or approved participating franchise locations, in our discretion. Participation, fulfillment methods, and applicable standards may vary and may be modified, expanded, limited, or discontinued at any time. You also must use our approved vendors for our Financial Management Training Program and (in certain areas) real estate broker services.

As a TUPSS franchisee, you obviously will feature, and offer to your customers, various UPS shipping services in operating your Center. UPS will be the preferred carrier of choice for your franchise per the UPS Incentive Program Contract Carrier Agreement (Exhibit K to the Franchise Agreement). When you sign the Franchise Agreement, you also will sign the UPS Incentive Program Contract Carrier Agreement with UPS, which will contain certain shipping, pricing, and procedural requirements for offering and selling UPS shipping services. You must comply with this Contract Carrier Agreement because an uncured or incurable default under, and resulting termination of, the Contract Carrier Agreement likewise will result in the termination of your Franchise Agreement.

As of the date of this disclosure document, you may offer lockers (or a locker system) to customers at the Center, if your Center operates on or within a university. You must purchase the lockers from an approved vendor.

Equipment & Fixtures

You must purchase and install, at your expense, all fixtures, furnishings, equipment, decor, and signs we direct. You must purchase and install at your Center only fixtures, furnishings, equipment, decor, signs, or other items that are supplied either directly by us or by our approved vendors. We are an approved supplier of some of these products, and you must purchase these items from us or our approved vendors. Among the most important of our requirements is that you use only our approved vendors for your print services equipment.

As noted above in Item 7, all The UPS Store Non-Traditional Centers offering package management services must purchase, as part of their start-up expenses, a UPS Trackpad® software sub-license from TUPSS and UPS Trackpad® equipment, consisting of a hand-held scanning device. Both the UPS Trackpad® software and equipment are sold only by TUPSS' approved vendor and affiliate, UPS Professional Services, Inc. ("PSI"). At our discretion, we may allow you to use a different, approved package management software instead of UPS Trackpad®.

Most The UPS Store Non-Traditional Centers must purchase, as part of their start-up expenses, a "bundle" of equipment sold by TUPSS' approved vendor, to perform document services, Internet access, faxing and other similar "self-serve" transactions. The only approved vendor is Uniquet, Inc. Each of the above-described items may only be purchased from Uniquet, Inc. noted above. The specific bundle that a Non-Traditional Center will purchase depends on specific venue requirements and restrictions.

You may purchase the Time-Saving Kiosk, which is a self-service solution that allows customers of the Center to process consolidated returns, UPS® pre-paid, pre-packed drop-offs, and pre-packaged mobile shipping and mobile returns. It is currently optional for all Non-Traditional centers. If you choose to purchase the Time-Saving Kiosk, you must purchase the Kiosk from an approved vendor.

Technology Equipment and Software

As more fully described in Item 11, you must install and use exclusively at your Center the computer hardware and software we designate. You also must participate in and be connected to our ICN, which is our proprietary online communications system. You also must license from us and install and use our Proprietary Software System.

You must participate in certain programs we designate (for example, our Commerce Ready Services Program as set forth in Section 7.5 of the Franchise Agreement, our E-Commerce Program set forth in Section 7.6 of the Franchise Agreement, and Customer Loyalty & Retention Program set forth in Section 7.7 of the Franchise Agreement). In order to participate in such programs, you may need to sign a separate agreement with an approved vendor and obtain or upgrade certain equipment (such as a specific POS System), software, facilities, policies, procedures, and skills. You must comply with our data security requirements.

Advertising

You may not use any advertising or marketing materials until we have authorized them in writing.

You must comply with the Social Media requirements, as described in our Social Media policy (or otherwise in writing), in connection with technology-based, franchise-related social networking. **"Social**

Media” includes participation in common social networking sites, communication applications (“**Apps**”), business or directory listings, blogs, discussion threads, virtual worlds, and other similar sites, applications, or tools. We periodically may, in our sole discretion, determine which Social Media activities are approved (or not permitted) for franchise-related social networking. Social Media is an evolving area, and we anticipate ongoing changes and updates to the Social Media policy. You also must comply with our email marketing policies.

Records

All bookkeeping and accounting records, financial statements, and reports you submit to us must conform to Generally Accepted Accounting Principles and meet our requirements.

Insurance

You must maintain insurance as required by the Franchise Agreement and the Center Operations Manual. Required insurance includes commercial general liability insurance, “special perils” coverage on your business personal property, including equipment, fixtures and supplies at your Center, employers’ liability and workers’ compensation insurance, commercial hired and non-owned auto liability coverage, and commercial auto liability coverage for vehicles titled in your business name. If you fail to obtain and maintain any required insurance, we may purchase it on your behalf at your expense. The Center Operations Manual specifies: (1) all then-current types of minimum required insurance coverages; (2) all then-current minimum amounts of required insurance coverage; and (3) you need to list us, UPS, and any other designated affiliates as additional insureds.

All insurance must be placed with a reputable insurance company licensed to do business in the state in which the Center is located and having a Financial Size Category equal to or greater than XV and Financial Performance Rating of “A-” or higher as assigned by Alfred M. Best and Company, Inc.

Approval Process

If you desire to purchase or lease any products or services from other than TUPSS-approved suppliers, or if you desire to purchase or lease other than specified products or services from a TUPSS-approved supplier, you must submit to us a written request for approval of the proposed supplier together with such evidence of conformity with specifications we reasonably require. We may require that our representative be permitted to inspect the supplier’s facility and that samples from the supplier be delivered for evaluation and testing, either to us or to an independent testing facility we designate. We may require that you pay a charge not to exceed the reasonable costs of evaluation and testing. (See Item 6) Our criteria for supplier approvals are contained in the Manuals. We will, within 60 days after our receipt of the completed request or completion of the evaluation and testing (if required by us), notify you in writing whether we approve or disapprove the proposed supplier. We will not unreasonably withhold our approval; however, we do reserve the right to limit the number of approved vendors servicing our franchise network. You must not order or sell any products or services of the proposed supplier until you receive our written approval of the proposed supplier.

We may from time to time revoke our approval of particular products or suppliers. Upon receipt of written notice of revocation, you must stop ordering and/or selling any disapproved product and stop purchasing from any disapproved supplier; you must use products purchased from approved suppliers solely for the purposes of operating your Center and not for any other purpose. You must maintain in sufficient supply (as we may require in the Manuals or otherwise in writing), and use at all times, only such fixtures, furnishings, equipment (including computer hardware, software, copy machines, telephone, and fax machine), signs, products, materials, and supplies conforming to our standards and specifications.

This process that allows us to consider (and possibly approve) your proposed use of alternative suppliers does not apply, and is not available, to suppliers of products and services used in the construction, build-out, remodeling or image/décor of your Center.

You must not purchase products containing our and our affiliates' protected logos or marks unless the supplier has been authorized and licensed to reproduce the logos, names and Marks.

Modifications

Our mandatory specifications, standards and operating procedures are described in the Manuals. We may modify the Manuals at any time. Modifications will become effective upon publication on the The UPS Store Hub or as we otherwise specify in writing.

Categories Of Goods And Services for Which We are The Only Approved Supplier or An Approved Supplier

We are the only approved supplier of fixtures, graphics, mailboxes, tablets, computers (excepting optional laptops) and peripherals, window signs, acrylics, technology installations, security gates, storefront signage, and some packaging materials (*i.e.*, retention inserts). We will derive revenue from the sale of these products. There are no purchasing or distribution cooperatives for any of the items described above.

Precise basis by which we will or may derive revenue or other material consideration as a result of required purchases or leases:

During our last fiscal year, we had revenues of \$337,559,050. Of this amount, approximately \$44,130,920, or approximately 13% of our total revenues, consisted of revenues from selling or leasing to franchisees equipment and supplies for their Centers and for the right to use our Proprietary Software and POS Systems and Back Office Machine.

We do not provide any material benefit to you (for example, granting additional franchises) for purchasing particular products or services or using particular suppliers. We do negotiate purchase arrangements with several suppliers (including price terms) for printers, flooring, graphics and signage, corrugate, receipt paper, labels, uniforms, service brochures, business cards, stationary, software, rubber stamps, shredding services, payment processing services, postage meters/services, floor mats, finishing equipment, fax machines, copy controls, computer time rental services, photograph equipment and supplies, graphic design services, printing services, electronic lockers, keyless entry, digital media, retail products, general and specialty packaging, and communication services. In doing so, we and our affiliates seek to promote the overall interests of the franchise system and our interests as the franchisor.

Although we are the only approved supplier for our Proprietary Software and the POS Systems and Back Office Machine, we will receive revenue from certain approved vendors or suppliers. Of our last fiscal year's \$337,559,050 in revenues, approximately 1.4%, or approximately \$4,871,911, consisted of revenues from vendor or supplier administrative fees. These administrative fees are usually calculated based upon a percentage of total franchise purchases, *i.e.*, not flat fees (typically ranging from 0% to 5% of total franchisee purchases).

The estimated proportion of required purchases and leases to all purchases and leases by the franchisee of goods and services in establishing and operating the franchise business:

Your purchase or lease of products and services under our specifications will represent approximately 66% of the total estimated cost to establish, and approximately 95% of the total estimated purchases during operation of, the business.

All of our officers identified in Item 2 own shares of UPS stock. UPS is a supplier of shipping services to you.

During the 2025 fiscal year, UPS earned \$936,564,087 in net revenues from selling UPS shipping services to our U.S. network of franchises. During the 2025 fiscal year, our affiliates named as follows earned the following amounts in gross revenues from selling services (as specified) to our U.S. network of franchises: (1) iShip, Inc. (iShip software and service): \$11,063,813; and (2) UPS Capital Corp. (customized declared value coverage and other coverages): \$26,442,841. The source of this revenue information is UPS.

ITEM 10 FINANCING

We do not offer direct or indirect financing and do not guarantee your note, lease, or obligation.

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance. We may delegate some of the following obligations to any one or more of our Area Franchisees (though, as explained in Item 1, you may or may not have the services of an Area Franchisee) or to approved vendors.

Pre-Opening Obligations. We have the following obligations to you before you open your Center for business:

1. (Not applicable to renewing franchises or purchasers of existing franchised Centers.) After we receive your completed site review package, proposing a particular site for your Center, we will review such completed package and either accept or reject the proposed site, typically within 14 days. You are solely responsible for selecting your Center's site. Our acceptance is not a guarantee or other assurance that the site will necessarily be successful. The factors we consider in accepting locations include visibility and accessibility, demographics, traffic patterns, parking, size, physical characteristics of existing buildings and lease terms. It is your responsibility to secure a site accepted by us under a lease or real estate purchase contract and present to us a copy of such executed lease or real estate purchase contract before we will sign the franchise agreement to create a binding contract with you. We do not lease Center sites to franchisees. Your lease (or real estate purchase contract) must state, among other things, that its terms are subject to our acceptance. We will perform all of our other obligations set forth in the Franchise Agreement.
2. (Not applicable to renewing franchises or purchasers of existing franchised Centers.) After we receive the completed pre-construction forms and as-built drawings for your Center location, we will provide you with a Laser Lite Center design. (Franchise Agreement, Section 3.3)
3. Your Area Franchisee (if you have one) or one of our employees or approved vendors will coordinate your Center's construction. This person is the Center Development Coordinator. You must use a licensed and bonded general contractor approved by your Center Development Coordinator for the actual build-out of your Center. Completed construction must satisfy our specifications and comply with all applicable laws, including local building codes. (Franchise Agreement, Section 3.4)
4. We will give you electronic access to our confidential Manuals (including all revisions), which are available on the The UPS Store Hub, to use during the franchise term. The Manuals contain our standard operational procedures, policies, rules and regulations with which you must comply. (Franchise Agreement, Section 7.2) The Table of Contents of our Operations Manual (as of March 23, 2026) is listed below.
5. We will license you our Proprietary Software. See discussion below under Computer Systems heading. (Franchise Agreement, Section 7.1 (f); Software License)
6. Shortly after you send us certain required initial marketing information, we will develop a plan to use your Initial Marketing Plan fee.

7. We will provide our Pre-Opening New Franchisee Training Program:

We offer you a multi-phased New Franchisee Training Program that focuses on developing the business management, technical, conceptual and diagnostic skills necessary to grow your franchised business. Following an introductory Web-based training (“**WBT**”), there are 3 basic parts to our New Franchisee Training Program: (1) the In Store Experience (“**ISE**”) Parts I and II, each of which is 5 days at a local/regional Certified Training Center and taught by a Certified Trainer; (2) the University Business Course (“**UBC**”), which is 5 days at a The UPS Store regional training location, or conducted virtually in our sole discretion; and (3) Print Services Training, which is 3 days, conducted at a local/regional Certified Training Center and taught by a Certified Trainer. Our Vice President, Human Resources, Training and Instructional Design Herbert Garrett, supervises our New Franchisee Training Program and all of our other training programs for franchisees and Center employees.

See Item 15 of this disclosure document for a description of who must complete our pre-opening New Franchisee Training Program. In summary, your Center’s day-to-day operations must be overseen and supervised by a Primary Operator who first must have successfully completed our New Franchisee Training Program. This Primary Operator may be you or your supervisory employee who does not own any of your Center’s franchise rights.

If you are an MCO, as defined in the Franchise Agreement, each of your Center’s day-to-day operations must be overseen and supervised by a full-time, on-premises employee who is a Certified Operator, i.e., has successfully completed our Certified Operator Training (“**COT**”) program (a person trained as a Primary Operator may serve in this role). With one exception, there must be at least 1 Primary Operator for every 5 Centers owned by an MCO. (For example, if you are an MCO with 5 Centers or less, you must have at least 1 Primary Operator in addition to a Certified Operator for each Center; if you are an MCO with 6 through 10 Centers, you must have at least 2 Primary Operators in addition to a Certified Operator for each Center; if you are an MCO with 11 through 15 Centers, you must have at least 3 Primary Operators in addition to a Certified Operator for each Center; and so on.) The only exception to this requirement is for 2-Center owners. If you own 2 Centers, you may have one Center operated by a Primary Operator and the second Center operated by a Certified Operator or Primary Operator. If you purchase a third Center, each of your 3 Centers must be operated full-time by a Certified Operator, and the 3 Centers must be overseen by a Primary Operator. If you are an MCO, you may designate a person trained as a Primary Operator to satisfy your obligation to have a Certified Operator for one of your Centers if that person is overseen by a Primary Operator as described above.

English Proficiency: To be eligible for ownership of a franchised Center, the controlling owner of the Center’s franchise rights must demonstrate to our satisfaction that he/she can proficiently read, write and converse in the English language. We may require an English proficiency test, administered by either us or a testing firm we retain. This English proficiency requirement applies (a) even if the controlling owner of the Center’s franchise rights is not the Center’s Primary Operator and (b) also to the Center’s Primary Operator or (if applicable) the Center’s Certified Operator.

We provide a comprehensive set of instructional materials and methods for use in our New Franchisee Training Program.

The following list is an overview of our New Franchisee Training Program curriculum. This program is facilitated approximately 12 times per year in-person and approximately 6 times virtually. Web-based training modules (completed before in-store training) and in-store training are scheduled to precede and follow the University class training. The second week of the In Store Experience, ISE II, should be completed no earlier than 4 weeks before the Center’s projected opening date.

Footnote 1: References above to “University” mean a The UPS Store regional training location. References to “In-Center” mean the Certified Training Center that is generally located nearest to you that we select based on availability, scheduling, and other relevant factors. References to “web-based” or “e-Learning” mean anywhere you have access to a digital device.

Your designated Primary Operator must attend, and successfully complete at your expense (if he or she has not already done so), a Financial Management Training Program offered by an approved financial management training vendor no later than 6 months after the Franchise Agreement’s effective date. If the Primary Operator who attended and successfully completed the Financial Management Training Program ceases to supervise the Center, you must designate a replacement Primary Operator to supervise the

Center as soon as possible (but within 90 days) and that replacement Primary Operator must attend and successfully complete the Financial Management Training Program described above (if he or she has not already done so), at your expense, no later than 60 days after the date the Primary Operator is designated to supervise the Center.

In addition to the required New Franchisee Training Program curriculum, we will also provide you with training on the usage of the equipment and software that is used in multiple types of Non-Traditional Centers (*i.e.*, UPS Trackpad® software and PSI hand-held scanner). If your Center will be located in another type of Non-Traditional location, we also may require specialized training for that type of Non-Traditional location. We may also charge you additional fees for this specialized training. Depending on the configuration of the Non-Traditional location, we may require you to purchase a second Back Office Computer and ancillary items required to enable operations of the UPS Trackpad® software and equipment (*e.g.*, bar code scanner, thermal label printer, etc.).

We may substitute virtual learning and “e-learning” training modules (through video and/or other electronic means) for any training that you, your designated Primary Operator, or your supervisory employee otherwise would attend in person at a The UPS Store regional training location.

Post-Opening Obligations: We have the following obligations to you during your Center’s operation:

1. We will make available to you for a license fee, and subject to other terms and conditions described in the Manuals and Software License, computer systems and software and periodic upgrades. These include systems for accounting, administration, financial reporting and manifesting. These software systems and their terms of use are set forth in the Manuals and Software License. (Franchise Agreement, Section 4.2; Software License, Exhibit E) You must comply with our data security requirements.
2. If you request, we will provide reasonable continuing consultation and advice regarding your Center’s operation by telephone, The UPS Store Hub, or other electronic means. In our sole discretion, we may send a representative to your Center to discuss your Center’s operation with you. (Franchise Agreement, Section 4.2)
3. In our discretion, we will present periodic supplemental or additional training programs and refresher courses for all franchisees and their supervisory employees (mandatory or optional, in our discretion). You must pay all travel and living expenses and compensation for you and your supervisory employees to attend training programs, though we may also make available distance learning over the Internet. You must pay our then-current reasonable charges as set forth in the Manuals. (Franchise Agreement, Section 4.1(e)).
4. We will develop and provide you with advertising and promotional materials for local and regional marketing, for publication or reproduction and distribution at your expense. We reserve the right to be reimbursed for our costs of producing such materials. (Franchise Agreement, Section 4.2)

Post-Opening Training

We may, from time to time, offer additional learning programs for ongoing education. We reserve the right, in our sole and absolute discretion, to require additional (*i.e.*, post-opening) training for you (the franchisee) and/or your supervisory employees working in your Center(s).

As noted in Item 5 of this disclosure document, all first-time Multiple Center Owners must attend and successfully complete our Multiple Center Owner Workshop (“**MCOW**”) after your newly acquired

franchised or re-opened Center opens or you acquire ownership of an existing (i.e., “transfer”) Center (i.e., after the purchase of your second or greater Center). The individual attending MCOW must: (i) attend at least one month after but no later than 6 months after your newly acquired franchised or re-opened Center opens or you acquire ownership of an existing Center; and (ii) be a Primary Operator of the Center or one of the owners of the Center that has at least 6 months of experience in operating a The UPS Store Center, including marketing, employee management, and day-to-day operations of a The UPS Store Center. This currently is a 4-day program held virtually or at a The UPS Store regional training location. You must complete MCOW even if you (or your Primary Operator) previously successfully completed the New Franchisee Training Program. We may require an owner who is involved in the day-to-day operations of the Center(s) to attend MCOW in order to satisfy the MCOW training requirement.

We will make various learning materials and programs available to you for use in training employees working in your Center. We strongly encourage you to utilize these programs and in some cases may require their use. We will offer a variety of continuing education programs, including online learning programs via the Learning Center, Internet, regional training workshops and networking meetings. We encourage you to attend all of these programs and in some cases may require your attendance.

While not obligated to do so, we ordinarily conduct meetings and/or seminars to provide additional guidance to our franchisees in marketing, advertising, equipment, technology and business management. We are responsible for our own costs incurred in setting up these meetings and/or seminars. You are responsible for all of your costs associated with transportation, food and lodging. Although not obligated to do so, we also customarily hold a franchisee convention no less frequently than every 24 months. Attendance at the franchisee convention is strongly encouraged. You must attend, at your expense, all networking meetings held by our Area Franchisees (if one exists for your Center) or us in the areas where you have Centers. So, for example, if you have Centers in more than one area, you must attend the networking meetings held in each area.

Advertising

National Advertising Fund

You must contribute to the National Advertising Fund (“NAF”) for all The UPS Store Centers (see Item 6). We have decision-making control of all NAF activities and (except as provided below) expenditures for as long as the NAF remains in existence, including the creation and production of all advertising and marketing concepts and materials and their geographic, market, and media placement and allocation. We also may use the NAF to pay taxes due on account of the NAF monies we receive (including if a state taxes us on account of NAF contributions made by franchisees from that state).

We have established the Marketing Advisory Council (“MAC”), comprised of members representing area franchisees, franchisees, and us, with a chair elected by the members. Subject to our candidate eligibility criteria and other MAC policies and rules that we may periodically update, franchisees and area franchisees elect their own representatives to participate in the MAC. The MAC is governed by bylaws that may be amended periodically as provided in the MAC’s charter. The MAC serves only in an advisory capacity concerning the NAF’s administration and operation, except that the MAC has the right to determine whether the NAF should pay for the media plans proposed, created, and to be implemented by us. Your Operations Manual contains additional information regarding the NAF and MAC. We have the power to change or dissolve the MAC as provided in its charter.

All franchisees operating The UPS Store Centers contribute to the NAF at the same rate. Any and all The UPS Store Centers that we currently own, or may own in the future, must contribute to the NAF on the same basis. The NAF may be audited at our discretion; otherwise, its statements are unaudited. The NAF’s financial statements are available for review upon written request. We do not receive any

payment for providing goods or services to the NAF. If total NAF contributions exceed the expenditures by NAF in any fiscal year, the excess will be retained in the NAF for future advertising expenditures. No portion of the NAF is used for advertising that is principally a solicitation for the sale of franchises.

The media used for advertising products or services offered by Centers may include Internet, television, radio, print, direct mail, and sales collateral material. Coverage is local, regional and national. The source of the advertising includes our in-house Marketing/Advertising department, a national advertising agency, and, optionally, regional advertising agencies. Our national advertising agency advises us on strategy direction for advertisements. (Franchise Agreement, Section 8) NAF monies need not be spent in any manner that is proportionate or equivalent to NAF contributions from particular The UPS Store Centers or in any geographic area. We have no obligation to spend any NAF funds in your market. If we terminate the NAF, unspent monies will be distributed to The UPS Store franchisees in proportion to their respective NAF contributions during the preceding 12-month period.

NAF contributions were used as follows in 2025: 67% for media placement, 12% for production, 11% for administrative expenses, and 10% for other uses (including Collaborative advertising).

The UPS Store Marketing Fee (“Marketing Fee”)

We collect a Marketing Fee of 1% of STR (as discussed in Item 6), which we use for public relations and other marketing activities, including research and development, testing, and pilot programs to promote the sale of existing or new products and services which could potentially produce revenues for Centers; for promotional programs to assist specific franchises; for promoting the sale of new franchises; for marketing research; and for similar matters. We have complete discretion as to the use and allocation of these funds, which may be used to pay direct program costs and/or overhead expenses related to the activities above. Any and all The UPS Store Centers that we currently own, or may own in the future, must contribute a Marketing Fee on the same basis. However, any The UPS Store Centers operated by UPS or its subsidiaries (other than us) need not contribute a Marketing Fee on the same basis.

The Collaborative (formerly known as a Co-op)

1. The standard for establishing market-wide Collaboratives is the television Designated Market Area (“DMA”) as measured by Nielsen Corporation, an independent media research and measurement company. DMAs are Nielsen’s geographical assignment of exclusive TV markets defined by counties.

The DMA Advertising Collaborative uses funds raised by monthly dues paid by its members and provides meaningful input and recommendations to the national advertising agency and us for the purpose of collective regional advertising, public relations and marketing programs promoting The UPS Store brand and its products and services. The use of funds by DMA Advertising Collaborative will vary from Collaborative to Collaborative.

Monthly dues are determined by a majority vote of the DMA Advertising Collaborative membership, but we reserve the right to modify Collaborative dues as set forth in The Collaborative Bylaws. The Collaborative monthly dues must be sent directly to us via electronic funds transfer by the date specified (see Item 6). Franchisees in a DMA Advertising Collaborative contribute at the same rate. Any The UPS Store Centers we operate in a DMA Advertising Collaborative area would contribute to The Collaborative on the same basis as franchisees. You may review unaudited statements and records regarding the DMA Advertising Collaborative’s activities.

When signing the Franchise Agreement, The UPS Store franchisee automatically becomes an active member of the Collaborative assigned to the local DMA. (Access Model Center franchisees, however, do not participate in DMA Advertising Collaboratives and do not pay any Collaborative monthly dues.)

Participation in the DMA Advertising Collaborative is required as specified in The UPS Store Advertising Collaborative Guidebook, which includes The Collaborative Bylaws; Media Guidelines; sample forms/reports; operational procedures and other materials relating to the DMA Advertising Collaborative's administration and operation. We can control the DMA Advertising Collaborative's operation and periodically modify the The UPS Store Advertising Collaborative Guidebook as we deem best. You must comply with The UPS Store Advertising Collaborative Guidebook changes.

We can have the DMA Advertising Collaborative changed, dissolved or merged with another The UPS Store Advertising Collaborative whenever we think best. We reserve the right to determine and control the DMA Advertising Collaborative's advertising materials, activities, selection of advertising agency and expenditures.

The NAF and the Marketing Fee are utilized to produce creative, purchase nation-wide advertising and develop Local Store Marketing tools and resources. The DMA Advertising Collaboratives are required to use marketing materials, including creative, we designate.

2. We provide Collaboratives made up of 15 or fewer Centers with the opportunity to be designated a "self-managed" DMA Advertising Collaborative. A majority vote by the DMA Advertising Collaborative members is required to implement the change. The sole difference between a standard DMA Advertising Collaborative and a "self-managed" DMA Advertising Collaborative is as follows: The members of a "self-managed" DMA Advertising Collaborative provide input and recommendations to us (and not to the national advertising agency) for the purpose of only regional and / or local (not collective) advertising, public relations and marketing programs promoting The UPS Store brand and its products and services; and we may implement an alternative (or optional) method for receipt of funds for marketing purposes. We reserve the right to terminate a DMA Advertising Collaborative's "self-managed" designation upon 60 days' written notice. The UPS Store Advertising Collaborative Guidebook has been updated to reflect this change. Hotel and convention center locations will be automatically designated as "self-managed" DMA Advertising Collaboratives.

Center Web Sites

In order to promote and maintain a consistent brand image and message, we provide each Center with a Web site for the purpose of advertising its location, contact information, operating hours, and products and services. Franchisees may not develop their own Web sites relating to their respective franchises or product and service offerings.

Franchisees may not register their own domain names relating to their respective franchises, especially domain names using a trademark or trade name of UPS or us, including, without limitation, such names as United Parcel Service, UPS®, The UPS Store®, UPS Store, Mail Boxes Etc.®, Mail Boxes, or any words or letters that are confusingly similar, including "TUPSS."

While Center Web pages are our property, franchisees may supplement the content of these Web pages and sites to reflect the products and services offered at their respective Centers. However, all such changes must conform to our Web site guidelines, the policies we impose in Franchise Agreements, the Center Operations Manual, and other documents or releases.

Directory Listings

We may submit the Center's address, telephone number, and other information to online search and map directory listings, including those listings maintained by Google, Bing®, Yahoo!®, Yelp®, Facebook®, and Apple®. All online directory listings for the Center are our property, and we may transfer, terminate,

or amend the listings in our sole discretion. Franchisees may not create or submit their own directory or business listings related to their respective franchises or products and services.

Length of Time to Open Franchised Business

We estimate that the typical length of time between signing the Franchise Agreement and opening the franchised business will be 120 to 300 days (immediately if you are renewing or signing the Franchise Agreement in connection with a transfer). Factors which may affect this time period include Center design approvals and the ability to procure and install equipment and computers, make acceptable financing arrangements, obtain any required approvals and zoning and building permits, resolve other factors bearing on construction, and the occurrence of other events, causes, or circumstances beyond a franchisee's reasonable control. Additionally, as a result of disruption in global supply chains, such as the recent COVID-19 pandemic, government action including tariffs or other shocks, TUPSS and its vendors may experience delays in receiving orders of furniture, fixtures, equipment, and other materials and supplies that TUPSS and its vendors sell to franchisees for the development of Centers. Any such delays may negatively impact a Center's construction and opening timelines.

Computer Hardware

See Item 7, Footnote 5 for a detailed description of the computer hardware you must purchase. As noted in Item 7, the cost of purchasing the required POS Systems is approximately \$9,373 (one laser printer per POS system is an additional approximately \$222). The purchase of these systems includes a standard 3-year uplift warranty on peripherals. The cost of purchasing a required Back Office machine laptop (or desktop with monitor sold separately) is approximately \$1,214 (one laser printer per back office machine is approximately \$222).

You must purchase POS System hardware and back office machine solely from us. PIN Pad devices for the Microsoft® Dynamics 365® Modern POS (MPOS) must be obtained from our approved vendor. There is an ongoing monthly maintenance fee of \$15 per PIN Pad payable to the approved vendor.

An additional customer-facing touch screen monitor for each POS System is required, which TUPSS intends to use to promote products and services, increase customer engagement, facilitate more electronic recordkeeping, for use with the electronic Parcel Shipping Order and for other purposes, costs approximately \$330 each.

You also must use in the Center at least 1 portable device/tablet for the Line Busting Application, Electronic Waiver for Notary Services, and other purposes. The portable device/tablet costs approximately \$340. This device will require regular, ongoing upgrades, support, and replacement to ensure ongoing compliance with information security requirements.

As part of the Center's computer hardware, we reserve the right to require you to install security and surveillance systems in the Center according to the terms and requirements specified in our Manuals.

Scales

One (1) Mettler Toledo 150 lb. electronic scale (Model BC6L) or equivalent – one (1) per POS System required

ICN Related Hardware

2 TUPSS-approved 8-Port Ethernet Switches

Fortinet ICN Device

Depending upon your communications service provider and our ICN specifications, which may be updated from time to time, additional ICN-related equipment may be necessary.

Most Non-Traditional Centers, depending on specific venue requirements and restrictions, will be required to provide 24-hour computer time rental (“CTR”) services. This program is offered through our approved vendor, Uniquet, Inc., and is provided on a revenue sharing basis. An initial setup cost of up to \$350 may apply for CTR system installation.

Hardware Maintenance

As of the date of this disclosure document, the vendor from whom we purchase computers for configuration and resale to franchisees provides a standard 3-year warranty with the peripheral and non-peripheral computer hardware. Other hardware and peripheral vendors provide franchisees warranty periods between 1 and 3 years. In the future, we may purchase computer equipment from vendors that offer varying warranty periods and may make available for purchase additional warranty time for an additional fee. Pricing and specifications are subject to change due to technological and program changes.

In the long-term best interests of our System as a whole, we may revise our technology-related specifications from time to time. Consequently, you may be required to upgrade or update your computer system and data security policies and procedures. There is no contractual limitation on the frequency and cost of this obligation, though our industry reflects an update or upgrade for data security requirements every year and all other areas every 2 to 3 years. As described in Item 8 and in this Item 11, we will make available to you a computer software system. The hardware component of the system is described above. You have a contractual obligation to purchase and install ongoing upgrades to this system and to comply with all data security requirements we establish from time to time. There is no limitation on the frequency or cost of this obligation.

For a fee, you must also license from us our proprietary software package, costing (including related fees) as follows:

One-Time Per-Franchise Proprietary Software License Fee	\$4,750.00
Annual Technology Development and Support Fee	\$2,868.00

The One-Time Per-Franchise Proprietary Software License Fee is reduced to \$3,750 if you are purchasing your 2nd franchise and reduced to \$2,750 if you are purchasing your 3rd or greater franchise.

If you are purchasing your 2nd or greater franchise or an Access Model Center, the Annual Technology Development and Support Fee is reduced from \$2,868 to \$2,748 per Center. This fee is subject to change in the future.

This Annual Technology Development and Support Fee must be paid each year, on a monthly basis, including upon the commencement of your Franchise Agreement. This fee is subject to reasonable increases from time to time. (We anticipate that the Annual Technology Development and Support Fee will increase over the next couple of years due to significantly increasing costs related to delivering technology.)

You will be required to pay an Annual Trackpad Support Fee in the amount of \$936 if you purchase a Non-Traditional location offering package management services.

Computer Software

Our proprietary software that must be purchased upon the build-out of your Center, included in the \$4,750 fee, is: (1) Counter Manifest System (CMS) (our affiliate iShip, Inc. is the licensor) (processes packages for shipping); (2) Point of Sale systems (POS) (processes daily customer transactions); (3) Corporate Accounts Management System (CAMS) (tracks Commerce Ready Services (CRS) transactions); (4) Unified Package Management (UPM) (used to manage packages coming into the Center); and (5) system that facilitates corporate discounts for CRS clients and mailbox service transactions for mailbox customers.

Commercially available software currently required for use in our systems, not included in the \$4,750 fee, includes (1) QuickBooks® Pro® (available from local vendor or Autymate, our approved vendor); (2) Microsoft® Office Professional (only from local vendor); and (3) Adobe® Creative Cloud® (subscription based) (only from local vendor).

We use a secure protocol to independently access your POS software and retrieve data in order to develop our databases, which will be used to further develop our products, services, marketing campaigns, etc. We reserve the right to use our secure protocol to automate royalty and other fee payment and reporting. There are no contractual limitations on our right to access this information. We may, as often as we deem appropriate (including on a daily, continuous basis), independently, remotely access the POS Systems and any and all other computer and technology systems you use to retrieve all other information regarding the Center's operation (excluding employee- and employment-related information).

The following is the Table of Contents for our Center Operations Manual. We currently do not have a separate Center Operations Manual devoted exclusively to Non-Traditional Centers. We will identify for you the portions of our current Center Operations Manual that are not relevant to a Center operated at your particular type of Non-Traditional location and we will give you access to a Center Operations Manual for your particular type of Non-Traditional location if we prepare one.

ITEM 12 TERRITORY

You will be permitted to operate your Center at a specific location acceptable to us. Although we must accept your proposed site, the ultimate decision and final responsibility on whether to accept your Center’s site and premises lease are yours. Our acceptance will be based upon various factors, including type and condition of the Non-Traditional venue, visibility and accessibility, demographics, proximity to other Centers, traffic patterns, parking, size, physical characteristics of existing buildings and lease terms. You may not relocate the Center without our prior written consent, which we may grant or withhold as we deem best based on the particular circumstances and what is in the Center’s and our system’s best interests. Factors include, for example, the proposed market area, market positioning, its proximity to other Centers, whether you are complying with your Franchise Agreement, whether you properly de-identify the old Center, and how long it will take you to open the new Center.

Your Franchise Agreement will have an attached map and written description that will describe a geographic area surrounding your Center (your “**Territory**”). There is no minimum territory size we

grant you. Your Territory size depends on market factors in the area. We will establish your Territory's boundaries before you sign your Franchise Agreement. Boundary lines extend only to the middle of the boundary line of demarcation, *e.g.*, to the middle of a street or highway, and another Center may be located on the boundary line but outside your Territory. Generally, territories for Non-Traditional Centers are limited to the address of the Center itself at the particular venue and do not extend beyond the Center's address.

We may modify your Territory in our sole and absolute discretion when the agreement is transferred or renewed or if you relocate the Center during the franchise term. There are no restrictions on your soliciting or accepting orders from consumers outside your Territory. You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. This is the case, in part, because we have the right to establish Non-Traditional sites in your Territory (see discussion below).

During your Franchise Agreement term:

- a. Except as set forth below (and more specifically in Section 1.2 of the Franchise Agreement), neither TUPSS or its Affiliates will own or operate a Center (as defined in the Franchise Agreement) nor license or franchise others to do so at any site located within your franchise Territory (as defined in the Franchise Agreement).
- b. Subject to "Franchisee's Right of First Refusal for Non-Traditional Site Development," we or our Affiliates may own or operate, or license or franchise others to own or operate, Centers at Non-Traditional sites (as defined in the Franchise Agreement) anywhere within your franchise Territory and regardless of the proximity to your Center (subject to limitations set forth in Section 1.3 of the Franchise Agreement). (For details regarding your "Right of First Refusal for Non-Traditional Site Development," see Section 1.3 of the Franchise Agreement.)
- c. We reserve for ourselves (and for our Designees) the exclusive, unrestricted right to produce, franchise, license, sell, distribute and market any products or services (under any brands, including our trademarks) from any Retail Outlets (including Traditional Centers or Non-Traditional sites) the physical premises of which are located outside your franchise Territory, regardless of (i) the Retail Outlet's proximity to your Center, or (ii) whether or not such products or services are purchased by customers whose residences or places of business are located within your Territory.
- d. We expressly reserve (for ourselves and our Designees) the exclusive, unrestricted right to sell, distribute and market any products or services (under any brands, including our trademarks) to customers (wherever located) through all Retail Outlets and other distribution channels physically located or otherwise operating within or outside the Territory (but not through Traditional Centers the physical premises of which are located within the Territory). For example, we (and our Designees) may utilize the following alternative channels or methods of distribution under this provision: the Internet and other electronic communications methods, mail order catalogs, direct mail advertising, and telemarketing. In addition, we, UPS, and UPS' other operating subsidiaries have the right to sell UPS products and services through customer counters, air service counters, drop boxes, and independently-owned businesses (Commercial Mail Receiving Agency ("CMRA") and non-CMRA) that also function as authorized shipping outlets but do not operate under the System, whether such alternative channels or methods of distribution are physically located or otherwise operating within or outside the Territory.
- e. TUPSS and its Affiliates may, without any restrictions whatsoever, engage in any other activities they desire within or outside your franchise Territory that are not specifically prohibited above or

elsewhere in your Franchise Agreement, including the activities described in Sections 1.2 (c) and (d) of your Franchise Agreement.

We need not compensate you if we engage in any of the activities described above. Continuation of your territorial rights described above does not depend on your achieving a certain sales volume, market penetration, or other contingency. We have the right to modify your Territory's boundaries upon a transfer or renewal of your Franchise Agreement or if you relocate the Center during the franchise term. Except as described above, you have no options, rights of first refusal, or similar rights to acquire additional franchises. The franchise territory for any type of Non-Traditional location may be limited to the address (and site) of the hotel or other location itself.

We may allow you, in our sole and absolute discretion, to operate a permanent or temporary kiosk location at any location so long as it is not within another franchisee's territory. STR from such kiosk locations is subject to the same fees as your Center and transactions from such locations must be reported through your Center.

Our affiliate has filed or will file all required affidavits for these marks. It has renewed the marks that have come up for renewal and intends to renew other marks that are important for Centers as they come up for renewal.

Determinations: There are no currently effective material determinations of the USPTO, the Trademark Trial and Appeal Board, the trademark administrator of any state, or any court, and no pending infringement, opposition, or cancellation proceedings or material litigation, involving the principal marks. We do not actually know of either superior prior rights or infringing uses that could materially affect your use of the Marks in any state.

Agreements: UPS Market Driver, Inc., one of our affiliates, has licensed the Marks to us for our franchise program. If we breach the license agreement and fail to cure the breach within 120 days after UPS Market Driver notifies us of the breach, UPS Market Driver may terminate the license agreement. We must pay royalties to UPS Market Driver, maintain the nature and quality of the Marks to the standards and specifications set by UPS Market Driver, protect the Marks, maintain sales records, maintain liability insurance, and not assign our license rights. UPS Market Driver has derived the right to use and sublicense the Marks from UPS of America (see Item 1), the owner of all the Marks. If either of the license agreements described above expires without renewal or is terminated while your Franchise Agreement still is in effect, you may continue using the Marks in operating your Center for the remaining

term of your Franchise Agreement (and during any expressly granted and permitted franchise renewal terms) as long as you comply with all of your contractual obligations in operating the Center.

Branded Vehicle Program: If you seek to operate a branded vehicle to promote your franchised business, you must comply with the Branded Vehicle Program, which is detailed in your Center Operations Manual. This program has very strict requirements, including the type and condition of vehicles that qualify for participation, use of our vendors and approved graphics/materials for branding the vehicle, minimum insurance coverage, etc. There is no guarantee that your vehicle will be approved for the Branded Vehicle Program, which is an optional program.

Trademark Protection: If you learn of any alleged infringement of the Marks or challenge to your use of the Marks under the Franchise Agreement, you must notify us immediately. You may not settle or compromise any trademark claim. We have the right to defend, compromise or settle these claims at our sole cost and expense, using attorneys of our own choosing, and you must cooperate fully with us in defending these claims. We will bear your incidental legal expenses to participate in any action, except for the cost of your separate legal counsel if you elect to be represented by counsel separately. Both during and after the franchise term, you must not directly or indirectly contest, derogate, disparage or impugn any of our Marks. We may take any action (or no action) we deem best against trademark infringers. The Franchise Agreement does not obligate us to take any particular action against a trademark infringer.

If any legal action is brought against you by a third party alleging that your use of the Marks violates a third party's rights, we will indemnify you against (and reimburse you for) all directly related costs (including attorneys' fees) and damages for which you are held liable, so long as (i) you immediately notified us of the claim(s); (ii) your use of the Marks was fully authorized by us; (iii) you are not in default of your Franchise Agreement or any other agreement between you and us; and (iv) you execute any and all documents and do whatever is deemed necessary or advisable in our (or legal counsel's) opinion to protect our interests in the Marks.

Infringing Uses & Modification: As of this disclosure document's issuance date, we know of no superior rights or infringing uses which would materially affect your use of the Marks. We reserve the right, in our sole discretion, to designate one or more new, modified or replacement Marks for your use, or reduce the number of Marks available for your use, and, upon written notice from us, you must implement such new, modified or replacement Marks in addition to or in lieu of any previously designated Marks. Any expenses or costs associated with your use of any such new, modified or replacement Marks will be your sole responsibility.

ITEM 14

PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents or patent applications material to the franchise. You do receive the right to reproduce, distribute, and display copyrighted materials produced for Centers, including Proprietary Information, Confidential Information, and Trade Secrets (as those terms are defined in the Franchise Agreement) published in our confidential Manuals and other materials as well as proprietary computer software (See Item 11). We claim a copyright in numerous materials; some are registered with the United States Copyright Office, some are not. We intend to renew any copyright that is important for our business. You may reproduce, distribute, and display our copyrights only as we specify while you operate your Center (and must stop reproducing, distributing, and displaying them if we so direct you). There currently are no effective adverse determinations of the USPTO, the United States Copyright Office, or any court regarding the copyrighted materials. No agreement limits our right to reproduce, distribute, and display or allow others to reproduce, distribute, and display the copyrighted materials.

We do not actually know of any infringing uses of our copyrights that could materially affect your reproduction, distribution, and display of the copyrighted materials in any state. We and our affiliates need not protect or defend copyrights, although we intend to do so if in the system's best interests. We and our affiliates may control any action we choose to bring, even if you voluntarily bring the matter to our attention. We and our affiliates need not participate in your defense and/or indemnify you for damages or expenses in a copyright proceeding.

You must treat the information contained in the software, Manuals and any other manuals or supplemental material we supply as confidential and use all reasonable efforts to maintain this information as secret and confidential. The software and Manuals are our property, and you may not duplicate, copy, disclose or disseminate the contents of the software and Manuals at any time, without our prior written consent. We may modify or supplement the software and Manuals upon notice or delivery to you. Upon the termination or non-renewal of your franchise, you must return all Manuals and software to us, because we own these materials. All information about our System revealed in the Manuals constitutes our Proprietary Information.

You must not, during or after the franchise term, communicate, divulge, or use for the benefit of any other person, partnership, association or corporation, any Confidential Information, Proprietary Information, Trade Secret, knowledge or know-how concerning your Center's method of operation which may be communicated to you or of which you may be apprised by virtue of your operation under the terms of the Franchise Agreement, including information, knowledge, or know-how regarding our System. You may divulge this Confidential Information only to those Center employees who must have access to it in order to operate your Center.

ITEM 15

OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

We typically do not require you to participate personally as the Center's direct, "on-premises" operator or supervisor of operations. Your Center's day-to-day operations must at all times be directly supervised full-time by an on-premises Primary Operator, as that term is defined in your Franchise Agreement. Your Center's Primary Operator may be either: (1) you, as owner of some or all of the Center's franchise rights (either directly, or indirectly through a legal entity such as a corporation, LLC, etc.); or (b) your supervisory employee. We reserve the right to require you or any of your owner(s) to serve as the Primary Operator and to participate in the on-site, day-to-day operations of the Center. Even if you (or your owner) are not the Primary Operator, you (or your owner) must monitor the Center's operations and be aware of the actions and activities of the Primary Operator and the Center's other employees, who are exclusively your responsibility and under your control. All Primary Operators must first attend and successfully complete our New Franchisee Training Program and a Financial Management Training Program, described in Item 11 of this disclosure document. At least one supervisory employee who works full-time at the Center must attend and successfully complete all parts of the Print Services Training program, and your designated Primary Operator must attend and successfully complete the Financial Management Training Program.

If you are an MCO, as defined in the Franchise Agreement, each of your Center's day-to-day operations must be overseen and supervised by a full-time, on-premises employee who is a Certified Operator, *i.e.*, has successfully completed our COT program (a person trained as a Primary Operator may serve in this role). Our COT program is described in Item 11, and we reserve the right to modify the content of the COT program in the future as we deem best. With one exception, there must be at least 1 Primary Operator for every 5 Centers owned by an MCO. (For example, if you are an MCO with 5 Centers or

less, you must have at least 1 Primary Operator in addition to a Certified Operator for each Center; if you are an MCO with 6 through 10 Centers, you must have at least 2 Primary Operators in addition to a Certified Operator for each Center; if you are an MCO with 11 through 15 Centers, you must have at least 3 Primary Operators in addition to a Certified Operator for each Center; and so on.) The only exception to this requirement is for 2-Center owners. If you own 2 Centers, you may have one Center operated by a Primary Operator and the second Center operated by a Certified Operator or Primary Operator. If you purchase a third Center, each of your 3 Centers must be operated full-time by a Certified Operator, and the 3 Centers must be overseen by a Primary Operator. If you are an MCO, you may designate a person trained as a Primary Operator to satisfy your obligation to have a Certified Operator for one of your Centers if that person is overseen by a Primary Operator as described above.

The Center's employees/managers need not have an equity interest in you or the Center. Except as noted above, we do not restrict whom you may hire as the Primary Operator or Certified Operator as long as he or she successfully completes our training program. If you are a corporation, limited liability company, or partnership, your individual owners and each individual having an ownership interest in an entity that is one of your owners must personally guarantee, via a signed Continuing Personal Guaranty ("CPG"), your obligations under the Franchise Agreement and agree to be bound personally by every contractual provision, whether containing monetary or non-monetary obligations, including the covenant not to compete contained in the Non-Competition Agreement (Exhibit D to the Franchise Agreement). In addition, if you or one of your owners is a trust, then each trustee of the trust and each beneficiary of the trust must, if required by TUPSS, be a signatory to a valid CPG throughout the term of the Franchise Agreement. If you are a non-profit corporation or an ESOP, TUPSS may require that certain persons or entities associated with or related to you, as determined by TUPSS considering the specifics of your corporation and operations, be a signatory to such Continuing Personal Guarantee. The CPG is Exhibit A to the Franchise Agreement. We reserve the right in our sole discretion to not approve a trust as a franchisee.

ITEM 16

RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must use the premises solely for the operation of the Center; must keep the Center open and in normal operation for such minimal hours and days as may be specified by us (Item 6 describes our separate Minimum Days/Hours Commitment); must refrain from using or permitting the use of the premises for any other purpose or activity at any time without first obtaining our written consent; and must operate the Center in strict conformity with the methods, standards and specifications we may from time to time require in the Operations Manual or otherwise in writing. You must not deviate from such standards, specifications and procedures without our prior written consent. You must sell or offer for sale only such services and products expressly approved for sale in writing by us. You must sell or offer for sale all types of services and products specified by us and must not deviate from our standards and specifications without our prior written consent. We have the unlimited right to change the types of authorized business products or services you may sell.

Our System may be supplemented or modified from time to time. You must comply with all of our requirements, including offering or selling new and different products we specify. We impose no limitations on the customers to whom you may sell goods and services.

With three exceptions, you are free to offer the Center's products and services to customers at any prices you wish. The first exception is that you may not charge customers more than the maximum retail prices designated by UPS for the various shipping services that the Center offers to its customers. UPS will specify these maximum retail prices in the Contract Carrier Agreement. (They will be based on the actual zone, weight, and service level of each individual package or letter.) In reliance on your following these

maximum pricing guidelines, we will use our best efforts to ensure that UPS gives you discounts and incentives on your wholesale cost for such UPS services. These discounts and incentives also will be reflected in the Contract Carrier Agreement. UPS periodically may modify the required maximum retail prices for shipping services as well as the wholesale discounts and incentives. However, UPS will give you 90 days' prior written notice of any reduction in the incentives UPS provides to you. Maximum retail prices and wholesale discounts and incentives may differ among franchisees due to various factors, including the differing costs of doing business in different geographic markets such as Hawaii and Alaska.

The second exception is that we reserve the right, in our sole and absolute discretion, to designate a specific price or set your maximum retail prices for certain products and/or services that you sell to certain CRS customers. Your mandatory participation in all CRS programs is described in Section 7.5 of your Franchise Agreement. You may incur a reasonable out-of-pocket expense to satisfy conditions of participating in a CRS program. Although the purpose of the CRS Program is to ultimately drive customers to your Center, the CRS Program may require you to offer a discount on some CRS Program products and/or services, which, in some instances, may result in a benefit to TUPSS, UPS, its/their affiliates, and/or any of its/their customers.

The third exception is that we reserve the right, in our sole and absolute discretion, to permit certain Non-Traditional Centers to charge customers a fee in an amount we specify in exchange for processing the shipment of pre-manifested carrier delivery services. We will authorize such fees to be charged only when the Non-Traditional Center is of a type or in a location where such fees are customary.

ITEM 17

RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

THE FRANCHISE RELATIONSHIP

This table lists certain important provisions of the franchise and related agreements. You should read these provisions in the agreements attached to this disclosure document.

Provision	Section in franchise or other agreement	Summary
a. Length of the franchise term	2.1 of Franchise Agreement; 3 of Contract Carrier Agreement; and 2 of Access Model Amendment to Franchise Agreement; 12(a) and (b) of iShip Subscription Agreement	10 years (unless the host of the Non-Traditional venue specifies a different term). Term of Contract Carrier Agreement and iShip Subscription Agreement equals Franchise Agreement term. If you operate an Access Model Center and your initial occupancy rights are less than 10 years but you are able to renew or extend those occupancy rights, without any interruption in the Center's operation, for one or more additional terms, the Franchise Agreement will automatically be extended so that it is coterminous with the duration of the renewal or extension of the Center's occupancy rights, but for no more than a maximum of 10 years.

Provision	Section in franchise or other agreement	Summary
		The Franchise Agreement term will not exceed 10 years in the aggregate.
b. Renewal or extension of the term	2.2 and 2.5 of Franchise Agreement and 2 of Access Model Center Amendment to Franchise Agreement	If you are in good standing, you can renew for successive periods of 10 years each on our then-current version of Franchise Agreement, which may materially differ from the version contained in this disclosure document (although the right to renew ultimately depends on the host). However, if we are (i) not offering new The UPS Store Center® franchises, (ii) in the process of revising, amending, or renewing our form of franchise agreement or franchise disclosure document, or (iii) not lawfully able to offer you our then-current version of Franchise Agreement, then we may, in our sole discretion, (a) offer to renew the franchise on the same terms set forth in the Franchise Agreement for a 10-year renewal term, or (b) offer to extend the franchise term on a week-to-week basis following the expiration of the franchise term for as long as we deem necessary or appropriate so that we may lawfully offer you our then-current version of Franchise Agreement. If you operate an Access Model Center and are in good standing, you may renew franchise for one successive term not to exceed 10 years in the aggregate (after the initial 10-year maximum term expires). The actual duration of the successive term depends on the duration of the Center's lease or occupancy rights and will be determined in the same manner as the initial term described in (a) above.
c. Requirements for franchisee to renew or extend	2.3 of Franchise Agreement; 4 of Upgrade Agreement; and 2 of Access Model Amendment to Franchise Agreement	You must have complied with your obligations under Franchise Agreement and all other agreements between you and us or our affiliates during term; be current with all financial obligations to us and third parties, including your landlord and vendors of products or services; sign our then-current form of Franchise Agreement and other documents we

Provision	Section in franchise or other agreement	Summary
		require, and not be subject to any legal determination and/or claims that you and we are joint employers. All documents may contain terms and conditions materially different from original documents you signed. You must sign a general release (if state franchise law allows), pay renewal fee (see <u>Item 6</u>), complete Center upgrade and remodel to our then current image and equipment standards and specifications by deadline set forth in your Upgrade Agreement, and modify the boundaries of your Territory, as we determine. You successfully complete Renewal Refresher Training as required by us. Your Contract Carrier Agreement and iShip Subscription Agreement will be renewed if your franchise is renewed.
d. Termination by franchisee	12.1 of Franchise Agreement; 12(b) of iShip Subscription Agreement	You may terminate only if we are in material default and have not cured default within 60 days after notice from you. You may terminate the iShip Subscription Agreement for convenience on 30 days' prior written notice, or upon a material breach.
e. Termination by franchisor without cause	Not applicable under Franchise Agreement; 12(b) of iShip Subscription Agreement	Not Applicable under Franchise Agreement. iShip Subscription Agreement may terminate without cause on 30 days' prior written notice.
f. Termination by franchisor with cause	12.2 of Franchise Agreement; 4 of Contract Carrier Agreement; 9 of Access Model Amendment to Franchise Agreement; and 7 of Standard-Size Hotel Amendment to Franchise Agreement; 12(b) of iShip Subscription Agreement	We can terminate only if you default, <i>i.e.</i> , material breach of Franchise Agreement or termination of Contract Carrier Agreement with UPS. Termination of Contract Carrier Agreement is considered a simultaneous uncured and incurable material default under your Franchise Agreement and automatically and simultaneously results in the immediate termination of your Franchise Agreement without any required notice or other action by us. Grounds for termination of Contract Carrier Agreement include material violation of UPS' designated maximum retail prices for various UPS shipping services and options. iShip Subscription Agreement may terminate

Provision	Section in franchise or other agreement	Summary
		upon your material breach; default under iShip Subscription Agreement may be a default under Franchise Agreement. Because we would not have granted you the right to operate an Access Model Center but for the fact that you also operate a full-service The UPS Store® Center at a Traditional location or standard-size hotel within 5 miles of the Access Model Center, in addition to the grounds for termination specified above, if you cease operating that full-service Center because its franchise agreement expires (without renewal) or is terminated (for whatever reason), we have the right to terminate the Franchise Agreement for the Access Model Center immediately upon delivery of written notice to you.

ITEM 18 PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting Stephen Chambers, The UPS Store, Inc., 9350 Waxie Way, Suite 520, San Diego, California 92123; Phone: 858-455-8970; the Federal Trade Commission, and the appropriate state regulatory agencies.

Franchisees signed confidentiality clauses during the last 3 fiscal years. In some instances, current and former franchisees sign provisions restricting their ability to speak openly about their experience with The UPS Store franchise system. You may wish to speak with current and former franchisees, but be aware that not all such franchisees will be able to communicate with you.

We have a The UPS Store Franchisee Advisory Council ("FAC"). The FAC's officers are The UPS Store franchisees. These officers are elected by their peers (*i.e.*, their fellow The UPS Store franchisees), and there are regularly scheduled FAC elections that we help to administer. We established FAC and cover FAC officers' reasonable, approved FAC-related expenses (*e.g.*, travel to meetings). The FAC's mission is to represent the collective interests of our The UPS Store domestic franchisee community and to advise us on a wide variety of business initiatives, programs and priorities facing our The UPS Store franchise system. You can receive the contact information (*i.e.*, names, business phone numbers, email addresses, business mailing addresses) of the elected FAC officers by calling us at (858) 455-8800 and asking for our Franchise Relations Department, as FAC does not have its own separate address.

The following independent franchisee organization has asked to be included in this disclosure document: The UPS Store Area Franchise Association at afaboard@theupsstore.com, (949) 394-9714.

THIS AGREEMENT IS ENTERED INTO BY AND BETWEEN THE UPS STORE, INC. (“TUPSS”), A DELAWARE CORPORATION, AND THE PERSON OR PERSONS OR LEGAL ENTITY LISTED BELOW DESCRIBED AS “FRANCHISEE.”

FRANCHISOR “TUPSS”: THE UPS STORE, INC.,
A DELAWARE CORPORATION

FRANCHISEE: FULL LEGAL NAME
See attached Ownership Information Form

LOCATION OF FRANCHISEE’S THE UPS STORE® CENTER:

(Street address)

(City) (State) (Zip code)

THE UPS STORE CENTER NO. _____

IN THIS AGREEMENT, CAPITALIZED WORDS AND PHRASES SHALL HAVE THE MEANINGS SET FORTH IN SECTION 23.

TUPSS (either directly or through its Affiliate) owns and has the right to license certain Marks, including “The UPS Store,” the distinctiveness and value of which are acknowledged by Franchisee;

TUPSS has developed and continues to develop know-how and a comprehensive System for operating Centers which provide from retail locations, or elsewhere at TUPSS’ direction and/or with its prior written consent, authorized postal, packaging, shipping, business, communication, and other goods and services;

TUPSS has developed and continues to develop and provide services, sales development programs and other related benefits for use by its franchisees under the Marks and System;

Franchisee acknowledges substantial goodwill and business value in the Marks, System and services, and Franchisee understands and accepts the importance of TUPSS’ Standards and Specifications for quality, appearance, and service to the value of the System, and the necessity of operating Franchisee’s business activities in conformity with the System as it exists now and as it may be modified from time to time; and

Franchisee desires to acquire from TUPSS, and TUPSS is willing to grant Franchisee, a franchise upon the terms and subject to the conditions set forth in this Agreement.

NOW THEREFORE, IN CONSIDERATION OF THE FOREGOING, THE FEES AND OTHER SUMS PAYABLE BY FRANCHISEE AND THE MUTUAL COVENANTS CONTAINED IN THIS AGREEMENT, THE PARTIES AGREE AS FOLLOWS:

1. GRANT OF FRANCHISE, RELOCATION, TERRITORY & NON-TRADITIONAL SITE RIGHT OF FIRST REFUSAL

1.1 Grant of Franchise and Relocation

- a. TUPSS hereby grants Franchisee, and Franchisee hereby accepts, the limited right and license during the Term to use and display the Marks, and to use the System, to operate one (1) Center at, and only at, the Location upon the terms and subject to provisions of this Agreement and all ancillary documents hereto.
- b. Franchisee may relocate Franchisee's Center (even within the Territory) only with TUPSS' prior written consent, and upon such terms and conditions as TUPSS may prescribe in the Manuals, which may include: (i) modification of the boundaries of the Territory; (ii) upgrading, renovating or remodeling the proposed new location to the then-current design and other criteria or specifications indicated in the Manuals; and (iii) execution of a general release (in a form prescribed by TUPSS) of any and all claims against TUPSS and TUPSS' Affiliates.

1.2 Territory

During the Term:

- a. Except as set forth in this Section 1.2, neither TUPSS nor its Affiliates will own or operate a Center, as that term is specifically defined herein, nor license or franchise others to do so at any site located within the Territory.
- b. Subject to Franchisee's Right of First Refusal for Non-Traditional site Development set forth in Section 1.3 below, TUPSS or its Affiliates may own or operate, or license or franchise others to own or operate, Centers at Non-Traditional sites at any site within the Territory.
- c. TUPSS expressly reserves (for itself and for its Designees) the exclusive, unrestricted right to produce, franchise, license, sell, distribute and market any products or services (under any brands, including, but not limited to, the Marks) from any Retail Outlets (including, but not limited to, traditional Centers or Non-Traditional sites) the physical premises of which are located outside of the Territory, regardless of (i) the proximity of such Retail Outlet to the Franchisee's Center at the Location, or (ii) whether or not such products or services are purchased by customers whose residences or places of business are located within the Territory.
- d. TUPSS expressly reserves (for itself and for its Designees) the exclusive, unrestricted right to sell, distribute and market any products or services (under any brands, including, but not limited to, the Marks) to any customers (wherever located) through all Retail Outlets and other distribution channels physically located or otherwise operating within or outside the Territory (but not through

traditional Centers the physical premises of which are located within the Territory).

Without limiting the generality of the foregoing, TUPSS (and its Designees) may utilize the following alternative channels or methods of distribution under this Section 1.2(d): the Internet and other electronic communications methods, mail order catalogs, direct mail advertising, and telemarketing. In addition, TUPSS, United Parcel Service, Inc., and its other operating subsidiaries have the right to sell UPS products and services through customer counters, air service counters, drop boxes, and independently owned businesses (CMRA and non-CMRA) that also function as authorized shipping outlets but do not operate under the System, whether such alternative channels or methods of distribution are physically located or otherwise operating within or outside the Territory.

- e. TUPSS and its Affiliates may, without any restrictions whatsoever, engage in any other activities they desire within or outside of the Territory that are not specifically prohibited under this Section 1.2 or elsewhere in this Agreement, including, but not limited to, the activities described in Sections 1.2(c) and (d) above.
- f. Nothing herein shall grant Franchisee any options, rights of first refusal or similar rights to acquire additional franchises within the Territory or areas contiguous to the Territory or anywhere else, and Franchisee acknowledges that Franchisee and other franchisees, and TUPSS and its Affiliates, are not prohibited from serving customers based on their residence or place of business, and that such customers, including customers located in Franchisee's Territory, are free to patronize any Center or TUPSS business of their own choosing.
- g. Franchisee's rights to the Territory described herein shall continue during the initial term hereof and shall be subject to modification, at TUPSS' reasonable sole discretion, at the time of transfer or renewal of this Agreement.
- h. Franchisee may not open or operate any Kiosk, within or outside the Territory, without TUPSS' prior written consent, and TUPSS may require Franchisee to sign a separate form prescribed by TUPSS addressing such Kiosk's training, staffing, operational, and other requirements, which do not provide TUPSS the ability to exercise direct or indirect control over the working conditions of the Center's employees (except to the extent such indirect control is related to TUPSS' legitimate interest in protecting the quality of its products/services or brand), and confirming that Franchisee's operation of such Kiosk is governed by this Agreement's terms and conditions.
- i. Nothing herein shall limit TUPSS' rights under Section 12.8 of this Agreement.

1.3 Franchisee's Right of First Refusal for Non-Traditional Site Development

- a. During the Term, if Franchisee and its Affiliates are then in substantial compliance with all operating and other obligations under this Agreement and all other franchise agreements then in effect between TUPSS and Franchisee and its Affiliates for Centers, and if Franchisee also then satisfies TUPSS' then current financial and operational criteria for the acquisition of additional franchises for

Centers (including, if applicable, the criteria to be approved as an MCO), TUPSS grants to Franchisee a right of first refusal to attempt to secure the real estate rights and franchise rights for Centers at Non-Traditional sites within the franchise Territory solely in conformance with the procedures and conditions described in Sections 1.3(b) through 1.3(g) below.

- b. If and when (i) TUPSS receives any bona fide opportunity from a qualified franchisee or prospective franchisee (in the form of a lease or option or letter of intent signed by a landlord and containing a contingency provision requiring franchisor's approval, hereafter "**Third-Party Notice**") to develop a Center at or within a Non-Traditional site within Franchisee's Territory, and (ii) TUPSS decides that the proposed terms and conditions are acceptable, then TUPSS must promptly forward a copy of such Third-Party Notice to Franchisee via Certified Mail, return receipt requested, or via overnight mail service (with recipient's signature required).
- c. If Franchisee seeks to exercise its right of first refusal, then Franchisee will have ten (10) days from the date of its receipt of the Third-Party Notice to deliver to TUPSS a written "**Franchisee Exercise Notice**" that must unconditionally accept any and all terms and conditions that were contained in the Third-Party Notice. Such delivery must be via Certified Mail (return receipt requested) or via overnight mail service (with recipient's signature required).
- d. Franchisee understands that its attempt to exercise its right of first refusal under this provision will not be effective unless, after providing the Franchisee Exercise Notice to TUPSS, Franchisee also promptly delivers to TUPSS a fully executed Addendum to Lease that would modify the lease corresponding to such Non-Traditional site.
- e. Franchisee further understands and agrees that its attempted exercise of its right of first refusal may be prevented from becoming effective if and when the party with whom the third party has contracted (i.e., landlord) refuses for any reason to permit the assignment of such third party's contract rights in such Non-Traditional site to Franchisee.
- f. If Franchisee effectively exercises its right of first refusal for Non-Traditional site development under this provision, then such Non-Traditional site may be developed without having to execute a Center Option Agreement or pay a Center Option Fee.
- g. Notwithstanding the foregoing, Franchisee understands that the right of first refusal described above shall not be granted to Franchisee with regard to any opportunities to develop a Non-Traditional site within Franchisee's Territory where such opportunity is part of: (i) an opportunity with either (A) a governmental organization (including, but not limited to, a U.S. military service), (B) an educational organization, (C) a convention center, (D) a tribal venue, (E) an airport, or (F) a hotel, or any authorized representative of any such organization; or (ii) a multiple location opportunity with a privately or publicly owned business organization, in which case TUPSS or its Affiliates may pursue and develop such Non-Traditional sites within Franchisee's Territory with such organization.

2. TERM AND RENEWAL

- 2.1 The term of this Agreement shall begin on the Effective Date and shall continue for a period of ten (10) years, unless sooner terminated properly as provided herein (the “**Term**”). In the event Franchisee fails to renew or TUPSS elects not to renew this Agreement (in accordance with Sections 2.2 and 2.3), this Agreement will expire. Expiration of this Agreement shall constitute termination for all purposes and effects. Franchisee agrees to operate the Center in compliance with this Agreement for the entire Term, unless sooner terminated properly as provided herein. Franchisee agrees that the term of its Lease for the Location will be (with or without tenant options) at least ten (10) years.
- 2.2 Provided that Franchisee shall have complied with all the terms of this Agreement, and subject to fulfillment of the conditions in Section 2.3 below, Franchisee shall have the right and option to renew the franchise granted pursuant to this Agreement for successive periods of ten (10) years each.
- 2.3 As conditions to renewal, Franchisee must:
- a. provide TUPSS written notice (“**Renewal Notice**”) of Franchisee’s intent to renew this franchise not less than six (6) months nor more than thirteen (13) months prior to the end of this Agreement’s Term;
 - b. pay a renewal fee in an amount equal to twenty-five percent (25%) of the initial franchise fee specified in the Then-Current Agreement for new Centers (the “**Renewal Fee**”) not later than 6 months prior to the end of the Term;
 - c. execute the Then-Current Agreement for new Centers and all other documents or instruments required by TUPSS in connection therewith;
 - d. be in compliance with this Agreement, including payment of all fees due, the requirements described in the Manuals, and all other agreements then in effect between TUPSS or its Affiliates and Franchisee;
 - e. be current with all financial obligations to third parties, including Franchisee’s landlord and other vendors of products or services for Franchisee’s Center;
 - f. prior to the deadline set forth in Franchisee’s Upgrade Agreement, upgrade, remodel and refurbish the interior and exterior image of Franchisee’s Center as mandated by TUPSS to comply with TUPSS’ then-current Standards and Specifications as described in the Manuals;
 - g. execute a general release (in a form prescribed by TUPSS) in favor of TUPSS and TUPSS’ Affiliates from any claims arising during the term of this Agreement;
 - h. provide TUPSS written confirmation, satisfactory to TUPSS, that Franchisee maintains the right to possess the Center at the Location for the ten (10) year term of the renewal Franchise Agreement;

- i. if Franchisee leases its Center from a third-party lessor (landlord), deliver to TUPSS (if it has not already done so) an Addendum to Lease that is fully executed between the lessor and the renewing franchisee, covering the ten (10) year term, plus any extensions thereof. The form of the Addendum to Lease that must be signed and provided to TUPSS is (attached as Exhibit I to this Agreement);
 - j. no later than sixty (60) days prior to the end of this Agreement's term, Franchisee must have purchased from TUPSS all of the equipment (including computers) required in order to upgrade Franchisee's Center to then-current System Standards and Specifications for POS System hardware, software and any other computer-related systems required for Centers;
 - k. successfully complete Renewal Refresher Training as required by TUPSS at Franchisee's sole expense;
 - l. not be subject to any legal determination and/or claims that it and TUPSS are joint employers; and
 - m. not have contested, either directly or indirectly, any finding or determination that TUPSS and Franchisee are not joint employers.
- 2.4 If and when TUPSS receives Franchisee's timely renewal notice, TUPSS agrees to give Franchisee notice, not later than sixty (60) days after receipt of the Renewal Notice, of TUPSS' decision whether Franchisee has the right to enter into a renewal Franchise Agreement. Notwithstanding that TUPSS' notice may state that Franchisee has the right to enter into a renewal Franchise Agreement, any such right would be subject to Franchisee's continuing compliance with all of the provisions of this Agreement up to the date of its expiration/termination.
- 2.5 Notwithstanding anything to the contrary in Sections 2.3 or 2.4, if TUPSS is (i) not offering new The UPS Store® Center franchises, (ii) in the process of revising, amending, or renewing its form of franchise agreement or franchise disclosure document, or (iii) not lawfully able to offer Franchisee its Then-Current Agreement for new Centers at the time Franchisee delivers its Renewal Notice, then TUPSS may, in its sole discretion, (a) offer to renew this franchise upon the same terms set forth in this Agreement for a ten (10)-year renewal term, or (b) offer to extend the Term on a week-to-week basis following the expiration of the Term for as long as it deems necessary or appropriate so that it may lawfully offer to Franchisee its Then-Current Agreement for new Centers.

3. SITE LOCATION AND CONSTRUCTION OF CENTER

3.1 Site Location

The location of Franchisee's Center, set forth on page one of this Agreement, has been accepted by TUPSS. Nevertheless, TUPSS' acceptance of the location set forth above as the Location shall in no way constitute a representation or an express or implied warranty as to the viability or success of a Center at such location. Upon TUPSS' acceptance of such proposed location, such location shall be deemed to be the "**Location**," as defined herein.

3.2 Franchisee's Lease

Franchisee shall not enter into any lease or purchase agreement for the Location unless and until (i) Franchisee shall have submitted to TUPSS all site-related information required by TUPSS; and (ii) TUPSS shall have accepted such proposed Location and the terms of said purchase agreement or Franchisee's Lease for the Location, as applicable. Franchisee shall deliver to TUPSS a true and correct copy of Franchisee's Lease for the Location, if applicable, fully executed, within five (5) business days after TUPSS' request. TUPSS shall have no obligation to sign or countersign this Agreement—creating a binding contract—before Franchisee delivers to TUPSS a fully-executed lease or real estate purchase contract for the Location. If not so provided upon TUPSS' request, Franchisee authorizes TUPSS to contact the landlord directly to obtain from the landlord a copy of Franchisee's Lease for the Location. Nevertheless, Franchisee acknowledges that TUPSS is not obligated to review Franchisee's Lease (or real estate purchase agreement) prior to or after TUPSS' acceptance or rejection of the proposed Location. Franchisee shall duly and timely perform all of the terms, conditions, covenants and obligations imposed upon Franchisee under Franchisee's Lease. Franchisee promises that its Center's Lease shall be subject to the Addendum to Lease, which provides (in summary) as follows:

- (a) that TUPSS has the right (but not the duty) to assume Franchisee's Lease upon (i) Franchisee's (tenant's) uncured default under Franchisee's Lease, (ii) Franchisee's (tenant's) non-renewal of Franchisee's Lease, or (iii) the termination and/or expiration of this Agreement; and
- (b) that Franchisee's landlord shall not unreasonably withhold or delay its consent if and when TUPSS (if it has exercised its rights under the Addendum to Lease) seeks to assign the Lease to any third party that is creditworthy and meets TUPSS' then-current standards and requirements for franchisees; and
- (c) if Franchisee's Lease or this Agreement is terminated and/or expires, and TUPSS fails to exercise its right to assume Franchisee's Lease, Franchisee agrees to immediately remove from the Center the exterior sign(s) containing any Mark and otherwise promptly de-identify the Premises by removing all other signs, décor and other items which TUPSS reasonably requests be removed as being distinctive and indicative of a Center. TUPSS (or its designee) may enter upon the leased premises without being guilty of trespass to effect such de-identification if Franchisee fails to do so within ten (10) days after such termination or expiration, provided that, if Franchisee fails to remove the Center's exterior sign(s) as required by TUPSS, TUPSS (or its designee) may enter upon the premises immediately to remove such sign(s) without providing Franchisee such ten (10)-day period in which to effect removal. Franchisee shall pay TUPSS for its reasonable costs in effecting de-identification.

In addition to the requirements specified above, Franchisee must be the named tenant, and sign as tenant, under the Lease for the Location. Franchisee may not, for example, occupy the Location via a Lease signed by the landlord and an Affiliate of Franchisee. During the Term, TUPSS reserves the right to contact Franchisee's landlord directly to discuss matters pertaining to the Center and TUPSS' relationship with Franchisee without liability to Franchisee for interference with contractual relations under Franchisee's Lease with the landlord or otherwise assuming any obligation under the Lease.

3.3 Center Design

Upon receipt from TUPSS' Center Development Coordinator of completed pre-construction forms and as-built drawings of the Location, TUPSS shall provide to Franchisee a Center design for the Location containing TUPSS' design requirements, including building specifications (locations of walls, counters, retail displays, fixtures, and equipment) (the “**Center Design**”). TUPSS does not represent or warrant design compliance with Applicable Laws, including the ADA (Americans with Disabilities Act). Franchisee shall, at its sole cost and expense, ensure that the Center Design complies with all Applicable Laws (including the ADA and OSHA (Occupational Safety and Health Act)), and Franchisee shall obtain any required architectural seals, engineering seals and other required approvals. The cost of any leasehold improvements, equipment, fixtures and displays, and of any architectural and engineering drawings, are Franchisee's sole responsibility. Franchisee must utilize TUPSS' design department to prepare and complete all construction drawings for new Centers, remodels, relocations, conversions, Kiosks and upgrades, which services shall be subject to TUPSS' then-current fees, as described in the Manuals, provided that, if required under Applicable Law, Franchisee also must obtain sealed drawings from a local architect or engineer.

In order to address and adapt to ever-changing economic and marketplace conditions and consumer expectations and demands, TUPSS may throughout the Term consider and test, and in its sole judgment implement, modifications to the design, appearance, branding, and/or layout of The UPS Store® Centers. Franchisee therefore acknowledges that, after construction and development of its Center, TUPSS might choose to implement modifications to the design, appearance, branding, and/or layout of The UPS Store® Centers, as a result of which Franchisee's Center Design no longer might be the latest design for The UPS Store® Centers. Whether or not Franchisee is required or chooses to modify its Center Design during the Term to the new design, as provided elsewhere in this Agreement, nothing in this Agreement prevents TUPSS at any time from implementing modifications to the design, appearance, branding, and/or layout of The UPS Store® Centers in its sole judgment, and Franchisee agrees it will have no claim against TUPSS or any Affiliate of TUPSS if Franchisee's Center Design is not then the latest design for The UPS Store® Centers.

3.4 Center Development Coordination

TUPSS' designated “**Center Development Coordinator**” (which may be TUPSS, an Affiliate of TUPSS, or a TUPSS employee) shall provide and manage a general contractor for the construction of the Center at the Location (the “**Center Development Coordination Services**”), including the initial construction of the Center (as provided in Section 3.5), remodels, relocations, conversions, and image upgrades. TUPSS' designated Center Development Coordinator shall provide such services as are customarily provided by a construction supervisor, including acting as a liaison with the general contractor. TUPSS reserves the right to reject any general contractor, including Franchisee, its Owners or Affiliates, or Franchisee's desired general contractor. TUPSS' designated Center Development Coordinator shall be an independent contractor of Franchisee. Franchisee shall utilize the Center Development Coordination Services as provided above and pay TUPSS' designated Center Development Coordinator the then-current “**Center Development Fee**”.

TUPSS assumes no responsibility for any damages, delays, cost overruns, disputes, or otherwise regarding construction or the Construction Coordination Services performed by TUPSS' designated Center Development Coordinator (that is not TUPSS, an Affiliate of TUPSS, or a TUPSS employee).

3.5 Construction of the Center

- a. Upon receipt by TUPSS' designated Center Development Coordinator of the Center Design, Franchisee shall at its sole cost and expense promptly cause the Center to be constructed, equipped and improved in accordance with the Center Design, unless TUPSS shall, in writing, consent to modifications thereof. Franchisee shall contract with, at its sole cost and expense, licensed architects and general contractors approved by TUPSS' designated Center Development Coordinator, in its sole discretion, to prepare such architectural, engineering and construction drawings and site plans as are necessary to supplement the Center Design in order to obtain all permits required to construct, remodel, renovate and/or equip the Center at the Location.
- b. Subject only to causes beyond the reasonable control of Franchisee, such as, by way of illustration, strikes, material shortages, fires and acts of God, which Franchisee could not by the exercise of due diligence have avoided, Franchisee shall complete construction or renovation, as the case may be, of the Center at the Location and all improvements therein, including installation of all fixtures, signs, equipment and furnishings, as soon as possible, but in any event within three (3) months after commencement of construction. In completing such Center construction or renovation, Franchisee shall utilize only the architect and general contractor approved by TUPSS' designated Center Development Coordinator in its sole discretion. The operation of the Center at the Location by Franchisee shall commence not later than twelve (12) months following the Effective Date. Franchisee must complete the buildout of the Center in compliance with TUPSS' then-current Standards and Specifications and receive written confirmation of compliance from TUPSS by the deadline set forth in the Manuals.
- c. The time periods for the commencement and completion of construction and the installation of fixtures, signs, machinery and equipment as referred to in this Section 3.5 and in the Manuals are the essence of this Agreement. If Franchisee fails to perform its obligations contained in this Section, TUPSS may deem the Franchisee's failure to perform its obligations a material breach of this Agreement.

3.6 Maintaining and Remodeling of the Center

- a. Franchisee shall maintain the condition and appearance of the Center at the Location in a "like new" level of cosmetic appearance consistent with the image of Centers as attractive, clean, and efficiently operated, offering high quality products and services. If at any time, in TUPSS' reasonable judgment, the state of repair, appearance or cleanliness of the Center at the Location or its fixtures, equipment, furnishings, or signs fails to meet TUPSS' image Standards and Specifications, Franchisee shall immediately upon receipt of notice from TUPSS (or from Area Franchisee) specifying the action to be taken by Franchisee (within the time period specified by TUPSS but in any event within thirty (30) days of

such notice) correct such deficiency, repair and refurbish the Center at the Location, and make such modifications and additions to its layout, decor and general theme as may be required by TUPSS, including replacement of worn-out or obsolete fixtures, equipment, carpet, furniture, graphics, and internal window and external signage and repairing and repainting the interior and exterior of the Center at the Location.

- b. If the Center at the Location is damaged or destroyed by fire or any other casualty, Franchisee, within thirty (30) days thereof, shall initiate such repairs or reconstruction, and thereafter in good faith and with due diligence continue (until completion) such repairs or reconstruction, in order to restore the Center at the Location to its original condition prior to such casualty; any such repair and reconstruction shall be completed as soon as reasonably practicable but in any event within six (6) months following the event causing the damage or destruction. If, in TUPSS' reasonable judgment, the damage or destruction is of such a nature or to such extent that it is feasible for Franchisee to repair or reconstruct the Center at the Location in conformance with the then-current Standards and Specifications of TUPSS, TUPSS may require that Franchisee repair or reconstruct the Center at the Location in conformance with the then-current Standards and Specifications.

4. TRAINING AND FRANCHISOR'S CONTINUING OBLIGATIONS

4.1 Training

- a. Initial (Pre-Opening) New Franchisee Training Program for First Center

TUPSS' New Franchisee Training Program must be successfully completed in the prescribed sequence by Franchisee's Primary Operator. As may be updated by TUPSS from time to time, the New Franchisee Training Program consists of Web-Based Training ("WBT"), the In Store Experience ("ISE"), the University Business Course ("UBC"), and Print Services Training (all of which are held at a The UPS Store regional training location, conducted virtually, or conducted by a certified trainer at a Certified Training Center—or any combination of the three—in all cases in TUPSS' sole discretion).

- b. TUPSS shall determine and update the contents and manner of conducting the New Franchisee Training Program in its sole discretion. However, the New Franchisee Training Program will be structured to provide business management and practical training in implementing, managing and operating a Center. Franchisee shall pay all travel, living, compensation, and other expenses, if any, incurred by Franchisee or by Owner and/or by the Center's employees in connection with attendance at such initial New Franchisee Training Program. Franchisee may not open its Center at the Location, and, in the case of a transfer (i.e., Assignment) of an existing Center, Franchisee may not assume active operation of the Center, until all required training has been successfully completed to the satisfaction of TUPSS by Franchisee's Primary Operator or (if applicable) Certified Operator to the extent set forth in Sections 4.1(a) and 7.3 of this Agreement.

- c. Franchisee acknowledges that because of TUPSS' superior skill and knowledge with respect to the training and skill required to manage and operate the Center in accordance with the System, the determination as to whether or not the individuals indicated above have satisfactorily completed such training shall be determined by TUPSS in its sole subjective judgment, exercised in good faith.
- d. All phases of the New Franchisee Training Program pursuant to Section 4.1 shall apply only if this is the first Center owned by Franchisee and shall not be required if this Agreement is executed as a second-or-greater or renewal franchise agreement. If this Agreement is Franchisee's second-or-greater franchise agreement: (i) all Centers must be managed by a Primary Operator or a Certified Operator; and (ii) Franchisee must successfully complete the MCO workshop as described in the Franchise Disclosure Document accompanying this Agreement and in Section 4.1(b) above.
- e. Multiple Center Owner (MCO) Workshop: The MCO workshop is for any MCO (as defined in Section 23) who purchases an additional Center, even if Franchisee has previously graduated from TUPSS' New Franchisee Training Program, and who (or whose designated business partner, person, etc.) has not attended the MCO workshop in the past. Franchisee (or, as applicable, Owner) must attend and successfully complete a four (4)-day Multiple Center Owner workshop ("MCOW") program held virtually or at a The UPS Store regional training location after the newly acquired franchised or re-opened Center opens or Franchisee acquires ownership of an existing Center (i.e., after the purchase of Franchisee's second or greater Center). The individual attending MCOW must: (i) attend at least one (1) month after but no later than six (6) months after Franchisee's newly acquired franchised or re-opened Center opens or Franchisee acquires ownership of an existing Center; and (ii) be a Primary Operator of the Center or one of the Owners of the Center that has at least six (6) months of experience in operating a The UPS Store Center, including marketing, employee management, and day-to-day operations of a The UPS Store Center. TUPSS reserves the right to require an Owner who is involved in the day-to-day operations of the Center(s) to attend such training in order to satisfy the MCOW training requirement.
- f. Print Services Training: Franchisee is required to attend, or have at least one supervisory employee who works full-time at the Center attend, and successfully complete all parts of the Print Services Training program. Alternatively, Franchisee may, for a designated fee, successfully complete, or have a supervisory employee successfully complete, the Print Services evaluation/training administered by a certified trainer. Franchisee must have someone who has successfully completed the Print Services Training program employed at the Center full-time in a supervisory capacity. If the employee who attended and successfully completed all parts of the Print Services Training program is no longer employed at the Center, Franchisee must complete or have a full-time active supervisory associate complete Print Services Training within sixty (60) days.
- g. Financial Management Training Program: Franchisee's designated Primary Operator must attend, and successfully complete at Franchisee's expense (if he or she has not already done so), a Financial Management Training Program offered

by a TUPSS-approved financial management training vendor no later than six (6) months after the Effective Date of this Agreement. If the Primary Operator who attended and successfully completed the Financial Management Training Program ceases to supervise the Center, Franchisee must designate a replacement Primary Operator to supervise the Center as soon as possible (but within ninety (90) days) and that replacement Primary Operator must attend and successfully complete the Financial Management Training Program described in this Section 4.1(g) (if he or she has not already done so), at Franchisee's expense, no later than sixty (60) days after the date the Primary Operator is designated to supervise the Center.

- h. Additional (Post-Opening) Training: TUPSS, at its sole discretion, may require: (i) Franchisee, (ii) if Franchisee is an Entity, its Owners, and/or (iii) Franchisee's Primary Operator (or, if applicable, Franchisee's Certified Operator) to attend such supplemental or additional training programs which may be offered from time to time during the Term, including, at TUPSS' option, distance learning (e.g., training over the Internet) and training required to participate in one or more E-Offerings. Franchisee shall pay all travel, living, compensation, and other expenses, if any, incurred by Franchisee and/or the Center's employees in connection with attending such additional training. Franchisee shall pay TUPSS' then-current reasonable charges (as set forth in the Manuals) for any such training performed by TUPSS.
- i. Franchisee shall ensure that each Center employee is adequately trained and certified, or re-trained and re-certified, to the extent necessary to enable the Center (i) to comply with the System, (ii) to comply with the then-applicable Data Security Requirements, or as may be otherwise required by TUPSS from time to time, and, if applicable, (iii) to participate in an E-Offering, and shall use curricula and certification forms designated by TUPSS.
- j. TUPSS reserves the right to substitute virtual learning and "e-learning" training modules (through video and/or other electronic means) for any training that Franchisee, its designated Primary Operator, or Franchisee's other supervisory employee otherwise would attend in person at a The UPS Store regional training location.

4.2 Franchisor's Continuing Obligations

From time to time during the Term, Area Franchisee, TUPSS or TUPSS' designee shall provide the following assistance and services to Franchisee:

- a. Non-exclusive software licenses, upon such terms and conditions as specified in the Manuals, for the computer software programs specified in the Manuals, including software for such functions as accounting, administration, financial reporting and manifesting.
- b. Upon Franchisee's written request, reasonable continuing consultation and advice regarding operation of Franchisee's Center by telephone, The UPS Store Hub, or other electronic means, or, if the situation warrants in TUPSS' judgment, through on-site assistance by Area Franchisee or, if none, TUPSS or TUPSS' designee (which, in the case of on-site assistance by TUPSS, shall be subject to

the availability of personnel and TUPSS' scheduling requirements and at TUPSS' sole discretion).

- c. Development of certain creative materials (including such items as billboard design, radio and videotape material, press releases, and copy for newspaper, magazine, and social media advertisements and flyers) for local and regional marketing. TUPSS shall make such materials available to Franchisee, at Franchisee's expense, for publication or reproduction and distribution by Franchisee. TUPSS reserves the right to require reimbursement from Franchisee of costs for producing such promotional material.

5. FEES AND OTHER PAYMENTS

5.1 Franchisee shall, in accordance with the following, pay to TUPSS the following fees:

- a. An Initial Franchise Fee (as defined in Section 23 of this Agreement) on or before execution of this Agreement. The Initial Franchise Fee is fully earned by TUPSS upon receipt and is not refundable.
- b. However, the Initial Franchise Fee shall not apply if Franchisee is:
 - i. signing this Agreement as a renewal of a previous franchise agreement with TUPSS. In such cases, the Renewal Fee set forth in Section 2.3(b) of this Agreement shall apply instead of the Initial Franchise Fee; or
 - ii. signing this Agreement in connection with the purchase of an existing Center. In such cases, instead of TUPSS' having to receive payment of the Initial Franchise Fee, TUPSS must receive (either from Franchisee, also known, for these purposes, as "buyer" or "transferee," and/or from Franchisee's "seller" or "transferor"):
 - A. a "**Transfer Fee**" (as defined in Section 23 of this Agreement); and
 - B. a "**Processing Fee**" (as defined in Section 23 of this Agreement); and
 - C. a "**Pro-Rated Renewal Fee for Transfers**" (as defined in Section 23 of this Agreement); and
 - D. an "**Upgrade Evaluation Fee**" (as defined in Section 23 of this Agreement);
- c. A continuing royalty in an amount equal to 5% of STR, payable via EFT in accordance with Section 5.2 (the "**Royalty**");
- d. A marketing fee in an amount equal to 1% of STR, payable via EFT in accordance with Section 5.2 (the "**The UPS Store Marketing Fee**") and used in accordance with Section 8.1;

- e. A national advertising fee in an amount equal to 2.5% of STR, payable via EFT in accordance with Section 5.2 (the “**National Advertising Fee**”). The National Advertising Fee will be subject to certain annual contribution caps, as provided in Section 8.2;
- f. Fees for all phases of the Franchisee learning program, for Print Services Training, and (as applicable) for the MCOW learning program, in the amounts set forth in the then-current The UPS Store Franchise Disclosure Document;
- g. An advertising collaborative fee in the amount, and payable via EFT in the manner, specified in Sections 8.3 and 8.4 (the “**The Collaborative Fee**”); and
- h. Any other applicable fees, as set forth in the then-current The UPS Store Franchise Disclosure Document.

5.2 Manner of Payment

- a. Franchisee shall calculate the Royalty, The UPS Store Marketing Fee, the National Advertising Fee, and The Collaborative Fee due to TUPSS each Accounting Period, and submit any and all documents required to be submitted to TUPSS via TUPSS’ then-current method of electronic delivery, within fourteen (14) days after the end of the applicable Accounting Period (even if the 14th day falls on a weekend or holiday) or such other period as may be specified in the Manuals. Payment of these and all other amounts owed to TUPSS must be received by TUPSS on or before the twentieth (20th) day of each month. However, if TUPSS does not receive Franchisee’s Royalty report by the 14th day after the end of the applicable Accounting Period, TUPSS will estimate Franchisee’s required Royalty, The UPS Store Marketing Fee, and National Advertising Fee payments and then debit those amounts on the first business day following the 14th day (rather than on the 20th day);
- b. TUPSS requires an electronic funds transfer (“**EFT**”) payment program, under which TUPSS will electronically debit from Franchisee’s bank account the fees described herein, including, but not limited to, those specified above as payable via EFT. Franchisee shall comply with the procedures specified in the Manuals for such electronic funds transfer program and perform the acts and sign the documents, including authorization forms, that TUPSS, Franchisee’s bank and TUPSS’ bank may require to accomplish payment by electronic funds transfer, including authorizations for TUPSS to initiate debit entries and/or credit correction entries to a designated checking or savings account for payments of fees and other amounts, including interest, payable to TUPSS. If Franchisee fails to timely report STR to TUPSS for any calendar month, then TUPSS, in addition to any applicable late charges, has the right, but not the obligation, to debit from such account an estimated amount equal to the fees due and payable to TUPSS during the most recent calendar months for which the reports were received by TUPSS. If Franchisee’s Center closes voluntarily or involuntarily, Franchisee acknowledges that TUPSS has the right to debit from such account the estimated amount of fees owed to TUPSS at the time of the closure.

5.3 In order to secure full and prompt payment of the fees and other charges to be paid by Franchisee, and to secure performance of Franchisee’s other obligations and covenants

under this Agreement, concurrently herewith Franchisee shall execute the Security Agreement (attached as Exhibit F to this Agreement).

5.4 Other Payments

In addition to all other payments provided herein, it shall be a material requirement for Franchisee to pay to TUPSS, its Affiliates, its designees, and others promptly when due:

- a. all obligations, royalties, trade accounts, promissory notes, financing agreements and equipment lease payments arising out of the operation of Franchisee's Center;
- b. all lease or rental payments for Franchisee's Location;
- c. all amounts advanced by TUPSS or which TUPSS has paid, or for which TUPSS has become obligated to pay, on behalf of Franchisee for any reason whatsoever. This includes, without limitation, all amounts TUPSS deems necessary to reimburse TUPSS for its resolution or attempted resolution of customer concerns that TUPSS determines resulted from a failure on the part of Franchisee and/or Franchisee's associate(s) to comply with any requirement outlined in the Center Operations Manual or in any other contract between Franchisee, on the one hand, and TUPSS, an affiliate of TUPSS, or a TUPSS-approved vendor, on the other hand, regardless of whether Franchisee adhered to the customer concern resolution process outlined in the Center Operations Manual;
- d. the amount of all sales taxes, use taxes, personal property taxes and similar taxes which shall be imposed upon Franchisee and required to be collected or paid by TUPSS (a) on account of STR or (b) on account of the Royalty, The UPS Store Marketing Fee, the Initial Franchise Fee, the National Advertising Fee, the Annual Technology and Support Fee, or The Collaborative Fee collected by TUPSS from Franchisee (but excluding ordinary income taxes). TUPSS, at its sole discretion, may collect the taxes in the same manner as the Royalty is collected herein and promptly pay the tax collections to the appropriate Governmental Authority; provided, however, that unless TUPSS so elects, it shall be Franchisee's responsibility to pay all sales, use or other taxes now or hereinafter imposed by any Governmental Authority on the Royalty, Initial Franchise Fee, The UPS Store Marketing Fee, National Advertising Fee, Annual Technology and Support Fee, and The Collaborative Fee. It shall also be Franchisee's sole duty to timely pay any and all taxes that become payable in connection with Franchisee's Center. TUPSS will have no liability for any sales, use, service, occupation, excise, gross receipts, income, property, employment, or other taxes, whether levied upon Franchisee or the Center, due to the business Franchisee conducts (except for TUPSS' own income taxes). Franchisee must pay these taxes and reimburse TUPSS for any taxes TUPSS must pay to any taxing authority on account of either Franchisee's operation or payments Franchisee makes to TUPSS (except for TUPSS' own income taxes);
- e. any amounts due on account of purchases of goods, supplies or services relating to Franchisee's Center;

- f. for re-designs by TUPSS of transferring, existing, Re-opening, or relocating Centers, a then-current Center Development Fee and Design Fee; and
- g. the Non-Compliance Fee described in Section 22.1.

5.5 Finance Charges and Late Fees on Delinquencies Owed to TUPSS

- a. If Franchisee fails to pay to TUPSS the entire amount of any payment due to TUPSS hereunder promptly when due, Franchisee shall pay to TUPSS, in addition to all other amounts that are due but unpaid (including the late fee described below), finance charges on the unpaid amounts for the period beginning on the day after the original due date and continuing until the date of actual payment, at a rate up to the highest (annual) rate allowed under applicable law.
- b. In addition to the finance charges on unpaid amounts as set forth in Section 5.5(a), TUPSS may, at its option, charge a late fee equal to the greater of: (i) ten percent (10%) of any Royalty, The UPS Store Marketing Fee, National Advertising Fee, or The Collaborative Fee not paid when due for each and every month unpaid, or (ii) \$35.00 per month until paid, or (iii) the maximum (annual) rate allowed under applicable law.
- c. Section 9.3(b) of this Agreement sets forth Franchisee's interest and late fees in connection with TUPSS' audit of Franchisee.
- d. The parties stipulate that the finance charges and late fees set forth in Sections 5.5(a) and 5.5(b) represent reasonable estimates of the additional administrative costs that will be incurred by TUPSS and shall be in addition to and not in lieu of any other remedies available to TUPSS at law or in equity on account of any such default. TUPSS will invoice Franchisee for such late fee amounts, which shall be due and payable immediately when billed. In no event will any late fee or interest exceed the maximum rate allowed by law.

5.6 All payments required hereunder shall be made by Franchisee without deducting any amounts that (i) are owed by TUPSS to Franchisee, or (ii) that Franchisee believes are owed to Franchisee by TUPSS or by any Affiliate of TUPSS.

5.7 If Franchisee is delinquent in the payment of any obligation to TUPSS hereunder, or under any other agreement with TUPSS, TUPSS shall have the absolute right to apply any payments received from Franchisee to any obligation owed, whether under this Agreement or otherwise, notwithstanding any contrary designation by Franchisee as to application. If Franchisee (or any Affiliate of Franchisee) owes any monies to TUPSS (or to any Affiliate, customer, client, or franchisee of TUPSS or any of its Affiliates), TUPSS shall have the absolute and unconditional right to first deduct any or all of such amounts from any payments of monies owed by TUPSS (or owed by any Affiliate of TUPSS) to Franchisee (or to any Affiliate of Franchisee).

5.8 Throughout the Term of this Agreement, all of Franchisee's Owners, and each individual having an ownership interest in an Entity that is an Owner of Franchisee, must always be a signatory to a valid Continuing Personal Guarantee (attached as Exhibit A to this Agreement). If Franchisee or one of Franchisee's Owners is a trust, then each trustee of

the trust and each beneficiary of the trust must, if required by TUPSS, be a signatory to a valid Continuing Personal Guarantee throughout the term of the Franchise Agreement. If Franchisee is a non-profit corporation or an ESOP, TUPSS may require that certain persons or entities associated with or related to Franchisee, as determined by TUPSS considering the specifics of Franchisee's corporation and operations, be a signatory to such Continuing Personal Guarantee.

6. OWNERSHIP OF INTELLECTUAL PROPERTY

- 6.1 Franchisee hereby acknowledges and agrees that all right, title and interest (including goodwill) in and to the System and the Marks are and shall remain vested solely in TUPSS (or, as applicable, in TUPSS' Affiliate), and that any use thereof by Franchisee shall inure to the benefit of TUPSS (and, as applicable, TUPSS' Affiliate). Franchisee hereby disclaims any right or interest in the System, the Marks or the goodwill derived therefrom. Upon termination or expiration of this Agreement, no monetary amount shall be assigned as attributable to any goodwill associated with Franchisee's use of the System or the Marks.
- 6.2 Franchisee agrees not to contest, either directly or indirectly, the validity of the Marks or TUPSS' (or, as applicable, TUPSS' Affiliate's) ownership, right, title or interest in the Marks and/or the System and/or TUPSS' (or, as applicable, TUPSS' Affiliate's) sole right to register, use or license others to use the same.
- 6.3 Franchisee agrees to use the Marks as the Center's sole identification, except that Franchisee must identify itself as the Center's independent owner, operator, and manager in the manner TUPSS prescribes. Franchisee may not use any Mark: (1) with any prefix, suffix, or other modifying words, terms, designs, or symbols; (2) in offering or selling any unauthorized services or products; (3) as part of any domain name, homepage, electronic address, or otherwise in connection with the Internet or other electronic media (except as provided in this Agreement or the Manuals); or (4) in any other manner TUPSS has not expressly authorized in writing. Without limiting the generality of the foregoing, Franchisee may not use any Mark on its employees' paychecks or in any other employment-related materials, and must include a clear disclaimer in such materials that Franchisee (and only Franchisee) is the employer of Center employees and that TUPSS, as the franchisor of The UPS Store® Center franchises, and its Affiliates are not their employer and do not engage in any employer-type activities for which only franchisees are responsible, such as employee selection, promotion, termination, hours worked, rates of pay, other benefits, work assigned, discipline, adjustment of grievances and complaints, and working conditions. If TUPSS discovers Franchisee's unauthorized use of the Marks, TUPSS may require Franchisee to destroy all offending items (with no reimbursement from TUPSS). Franchisee understands and agrees that any use of the Marks other than as expressly authorized by this Agreement and the Manuals, without TUPSS' prior written consent, constitutes a material default under this Agreement and is infringement of TUPSS' (and, as applicable, TUPSS' Affiliate's) rights therein, and that Franchisee's right to use the Marks does not extend beyond the termination and/or expiration of this Agreement.
- 6.4 If Franchisee is an Entity, Franchisee shall not use any of the Marks, any abbreviations or variations thereof, or any words deemed by TUPSS to be confusingly similar to the Marks as part of the name of any Entity or Franchisee's name, including any of the

following words: “The UPS Store” or “UPS” or “Store” or “Mail” or “Boxes” or “Etc.” or the combined letters “TUPSS.”

- 6.5 Franchisee shall immediately notify TUPSS of any infringements or imitations of the Marks or the System, and of any challenges to Franchisee’s use of any of the Marks or the System, of which Franchisee becomes aware. TUPSS (and its Affiliates) shall have sole discretion to take any action, administrative proceeding or litigation affecting the Marks or the System (or to take no action if it or they believe none is warranted). Franchisee shall cooperate in the prosecution or defense of any such action as requested by TUPSS. TUPSS shall bear the legal expenses incidental to Franchisee’s participation in such action, except for the cost of Franchisee’s separate legal counsel if Franchisee elects to be represented by counsel of Franchisee’s choosing.
- 6.6 TUPSS reserves the right, in its sole discretion, to designate one or more new, modified or replacement Marks for use by Franchisee, and, upon written notice from TUPSS, Franchisee shall implement such new, modified or replacement Marks in addition to or in lieu of any previously designated Marks, as prescribed by TUPSS. Any expenses or costs associated with the use by Franchisee of any such new, modified or replacement Marks shall be the sole responsibility of Franchisee.
- 6.7 In the event of any legal actions that are brought against Franchisee by a third party alleging that Franchisee’s uses of the Marks violate the rights of the third party, TUPSS will indemnify Franchisee against (and reimburse Franchisee for) all directly-related costs (including attorneys’ fees) and damages for which Franchisee is held liable, so long as: (i) Franchisee notifies TUPSS of the claim(s) within ten (10) days after receiving notice of the potential violation; (ii) Franchisee’s use of the Marks was fully authorized by TUPSS; (iii) Franchisee is not in default of this Agreement or any other agreement between Franchisee and TUPSS; and (iv) Franchisee executes any and all documents and does whatever is deemed necessary or advisable in TUPSS’ (or, as applicable, TUPSS’ Affiliate’s) or its counsel’s opinion to protect its interests in the Marks. TUPSS reserves the right to defend any action at its own expense for Franchisee’s benefit.
- 6.8 All ideas, concepts, techniques, and materials relating to the System or a Center (“**Improvement**”), whether or not protectable intellectual property and whether created by or for Franchisee or its Owners or the Center’s employees, must be promptly disclosed to TUPSS and will be deemed to be TUPSS’ and its Affiliates’ sole and exclusive property, part of the System and works made-for-hire for TUPSS and its Affiliates. To the extent any Improvement does not qualify as a “work made-for-hire,” by this paragraph Franchisee assigns ownership of and all related rights to that Improvement to TUPSS and its Affiliates and agrees to take whatever action (including signing assignment or other documents) TUPSS requests to evidence TUPSS’ and its Affiliates’ ownership or to help TUPSS and its Affiliates obtain intellectual property rights in the Improvement.

7. STANDARDS AND SPECIFICATIONS; CONFIDENTIAL OPERATIONS MANUALS

7.1 Operating Standards and Specifications

- a. Throughout the Term, Franchisee shall adhere to the System developed by TUPSS for the operation of the Center, including, without limitation, the System

for postal, packaging, shipping, print, business practices and communications utilizing and under the Marks, as provided herein and in the Manuals.

- b. Throughout the Term, Franchisee shall operate the Center in compliance with TUPSS' then-current Standards and Specifications, including TUPSS' then-current Standards and Specifications for external/internal center image specifications, center design, advertising, computer hardware and software, system and data security, equipment, stationery, business cards, business forms, promotional material, E-Offerings, Social Media policies, franchise sales materials (e.g., referral card) and such changes or modifications to the System or the Manuals (including refurbishment or improvement of the Center from time to time) as are adopted by TUPSS from time to time.

TUPSS' Standards and Specifications also include restrictions on Franchisee's maximum retail prices for various UPS shipping services. Franchisee may not charge customers more than the maximum retail prices designated by TUPSS' Affiliate for various UPS shipping services offered by the Center to its customers. These maximum prices are specified in Franchisee's UPS Incentive Program Contract Carrier Agreement (the "**Carrier Agreement**"). In reliance on Franchisee's commitment to comply with the designated maximum prices, TUPSS agrees to use best efforts to ensure that its Affiliate gives Franchisee discounts and incentives on Franchisee's wholesale cost for such UPS services. These discounts and incentives also will be reflected in the Carrier Agreement. TUPSS' Affiliate periodically may modify the required maximum retail prices for shipping services as well as the wholesale discounts and incentives. Maximum retail prices and wholesale discounts and incentives may differ among franchisees due to various factors, including the differing costs of doing business with different franchisees operating in different geographic markets.

- c. Franchisee shall do business under Franchisee's legal name followed by the initials "d/b/a" and the business name "THE UPS STORE" or such other business name as designated by TUPSS. If Franchisee is required to do so by Applicable Law, Franchisee shall promptly upon the execution of this Agreement file a notice of its intent to conduct its business under the name "THE UPS STORE." Promptly upon the expiration or termination of this Agreement for any reason whatsoever, Franchisee shall promptly execute and file such documents as may be necessary to revoke or terminate such assumed name registration. If Franchisee shall fail to promptly execute and file such documents as may be necessary to effectively revoke and terminate such assumed name registration, Franchisee hereby irrevocably appoints TUPSS as its attorney-in-fact to do so for and on behalf of Franchisee.
- d. At the time Franchisee's Center opens for business, Franchisee shall stock and display the initial inventory of products, accessories, equipment, supplies, and technology (including hardware, software, and external components such as payment card readers) specified in the Manuals. Throughout the Term, Franchisee shall stock and maintain inventory in quantities sufficient to meet reasonably anticipated customer demand, all in accordance with the Manuals.

- e. Throughout the Term, Franchisee shall be connected to and participate in TUPSS' in-Center network ("ICN") as designated by TUPSS. Franchisee shall comply with the Internet Policies.
- f. Franchisee shall utilize the The UPS Store Hub and comply with all terms and conditions of TUPSS' software license (attached as Exhibit E to this Agreement).
- g. TUPSS may revise its Standards and Specifications for all Franchisees from time to time. Consequently, Franchisee may be required to upgrade or update its (i) computer (hardware and software) system, (ii) data security policies and procedures, (iii) Center image and trade dress, or (iv) product and service offerings and equipment. There is no contractual limitation on the frequency and cost of this obligation, though TUPSS' industry reflects an update or upgrade for (x) Data Security Requirements every year and for (y) all other areas, every two to three years. Franchisee must purchase, install and utilize ongoing upgrades as specified in the Manuals. Franchisee must upgrade to these Standards and Specifications as TUPSS may direct. In the event Franchisee fails to purchase and install equipment, or purchase, stock and offer products and supplies, as required by TUPSS in accordance with its standards and specifications, Franchisee authorizes TUPSS to order and/or purchase and install or stock the required equipment, products or supplies in the Center, and Franchisee agrees to pay for such equipment, products or supplies and further authorizes TUPSS to EFT the costs to pay the appropriate vendors. There is no limitation on the frequency or cost of this obligation.
- h. Franchisee must participate in certain operational programs designated from time to time by TUPSS (which may include E-Offerings). Franchisee may be required to enter into a separate agreement with an approved vendor in connection with its participation in such required programs. Participation in such required programs will require Franchisee to have, obtain or upgrade certain equipment, such as specific computer system and communications systems and other equipment, products, supplies, facilities, policies, procedures, and skills as TUPSS may specify from time to time in the Manuals.
- i. Franchisee shall submit to TUPSS, in such form as required by the Manuals, reports containing information about customers of Franchisee's Center, including periodic reports as designated by TUPSS of all the names and addresses of mailbox holders at Franchisee's Center. TUPSS may also access such information from Franchisee electronically. All such information and customer lists shall become the property of TUPSS, and TUPSS shall have the right to contact such customers at any time. In addition, TUPSS may, as often as it deems appropriate (including on a daily, continuous basis), independently, remotely access the POS Systems and any and all other computer and technology systems used by Franchisee to retrieve all other information regarding the Center's operation, excluding labor and employment-related information.
- j. Franchisee understands, acknowledges and agrees that it must fully participate in each and every Commerce Ready Services ("CRS") program as is further described in Section 7.5, and its failure to do so constitutes a material violation of this Agreement.

- k. Franchisee understands, acknowledges and agrees that, to the extent it operates the Center within a hotel, it must attend all business meetings conducted by or for hotel business staff at which Franchisee's attendance is requested or recommended. If Franchisee operates a store in store Center, Franchisee must notify TUPSS at least sixty (60) days in advance of any change to the brand identity of the host store in which the Center is located. Franchisee must receive TUPSS' prior written consent to such change in the brand identity of the host store, which TUPSS will not unreasonably withhold. TUPSS reserves the right to deny its consent to the change of the brand identity of the host store if such change would, in TUPSS' absolute determination, result in the sale or providing of services that would be unlawful or reflect negatively or undesirably upon The UPS Store and/or UPS brands, including, without limitation, a business that constitutes a legal nuisance to adjoining tenants or customers; a dry cleaning business; an adult entertainment business; a massage-related business; a business that sells adult books, tobacco, drug supplies, paraphernalia, or fireworks; a tattoo or piercing business; a business associated with gaming, gambling, betting or games of chance; a check cashing business; a cinema, skating rink, bowling alley, discotheque, dance hall, nightclub, amusement gallery, pool room, health spa, gymnasium or fitness center, pin ball or electronic game room, funeral parlor, flea market, bingo parlor, cafeteria; a business engaged in the sale, rental, lease, or repair or maintenance of automobiles, trucks, other motorized vehicles, or trailers; a car wash; a pawn shop; a driving school; a "dollar" store; a "five and dime" store; a day care center (including any "drop-in" or other child care facility); and a restaurant and/or cocktail lounge. TUPSS has the absolute right to disapprove any such change, and the Center's continued operation within such host store, if the host store is to be operated under a brand that directly or indirectly competes with The UPS Store® Centers.
- l. In the event of any suspected, alleged, or actual Data Security Incident of which Franchisee becomes aware:
- (i) Franchisee must:
 - (A) immediately notify TUPSS at the designated contact specified in the Data Security Requirements;
 - (B) cooperate with any TUPSS (or its Affiliate's) request for assistance or information;
 - (C) provide TUPSS or its designee access to, with or without notice from TUPSS, Franchisee's POS System hardware, software, and other computer-related systems (including e-mails and other electronic communications), whether remotely or at the Center; and
 - (D) cooperate and provide assistance in any legal action at TUPSS' request; and
 - (ii) TUPSS (and its Affiliates) may but have no obligation whatsoever to:
 - (A) take any action or pursue any proceeding or litigation;

(B) control the direction and handling of such action, proceeding, or litigation;

(C) access Franchisee's POS System hardware and software, all other hardware and software, including, without limitation, e-mail accounts and e-mails, and all other computer or technology-related systems, whether remotely or at the Center; and

(D) control any remediation efforts.

If TUPSS determines that any Data Security Incident results from Franchisee's failure to comply with this Agreement or Standards and Specifications, Franchisee must indemnify TUPSS for any costs or expenses TUPSS incurs as a result, in accordance with the procedures set forth in Section 17.1. If Franchisee elects to be represented by counsel of its own choosing in any action arising out of a Data Security Incident, Franchisee will bear sole responsibility for all costs incurred by either party as a result of such representation.

- m. Franchisee must comply with all policies and guidance as TUPSS may specify from time to time in the Manuals relating to the operation of the Center during a regional and/or national state of emergency due to a natural disaster, pandemic or similar event (subject to Applicable Laws).

7.2 Confidential Operations Manuals

- a. Upon the execution of this Agreement, TUPSS shall provide to Franchisee electronic access to the Manuals via password, unless Franchisee has executed this Agreement to renew its franchise for the Center and therefore already has received a password. Franchisee shall not make, or cause or allow to be made, any copies, reproductions or excerpts of all or any portion of the Manuals without TUPSS' express prior written consent. TUPSS shall make available electronically to Franchisee, throughout the Term, the most-current edition of the Manuals. TUPSS may modify the Manuals at any time and from time to time. Modifications in the Manuals shall become effective upon publication by TUPSS on The UPS Store Hub, or as otherwise specified by TUPSS by written notice thereof to Franchisee. The Manuals, as modified from time to time, shall be an integral part of this Agreement and reference made in this Agreement, or in any amendments, exhibits or schedules hereto, to the Manuals shall be deemed to mean the Manuals kept current by amendments from time to time. The Manuals, including the Center Operations Manual, are made available to Franchisee on TUPSS' Internet system by means of a password. Upon expiration or earlier termination of this Agreement, the password will be changed. The provisions of the Manuals and other materials and information, as well as any print-outs or copies (whether electronic or otherwise) made by Franchisee, are licensed to Franchisee from TUPSS. All such Manuals, print-outs, copies (whether electronic or otherwise) and other information shall be returned to TUPSS promptly upon the expiration or earlier termination of this Agreement.
- b. Franchisee shall strictly adhere to the Standards and Specifications set forth in the Manuals.

- c. TUPSS possesses and continues to develop, and during the course of the relationship established hereunder Franchisee shall have access to, some of TUPSS' Proprietary Information. TUPSS will disclose some of its Proprietary Information to Franchisee in the Manuals, supplements, confidential correspondence, or other confidential communications; through the New Franchisee Training Program and other guidance and management assistance; and in performing TUPSS' other obligations and exercising TUPSS' rights under this Agreement. The Proprietary Information is to be used by Franchisee only in connection with the operation of the Center consistent with the terms of this Agreement and, without TUPSS' prior written consent, shall not be used for any other purpose or disclosed to any third party except Center employees who have a need to know such Proprietary Information to protect the quality of TUPSS' products, services, and brand and who are subject to obligations of confidentiality as to such information that are no less stringent than those provided in this Agreement. Franchisee's provision of Proprietary Information to Center employees to protect the quality of TUPSS' products, services, and brand in no way creates an employment (or joint employment) relationship between or among TUPSS, Franchisee, and the Center's employees. TUPSS has the right to review and approve the form of confidentiality agreement Franchisee uses with Center employees solely to ensure that Franchisee adequately protects Proprietary Information. Under no circumstances will TUPSS control the forms or terms of employment agreements Franchisee uses with Center employees. Center employees are under Franchisee's control, and Franchisee (not TUPSS) is responsible for labor relations and employment practices relating to Center employees.
- d. Franchisee will notify TUPSS promptly in writing of any known or suspected misuse or unauthorized disclosure of any Proprietary Information. If Franchisee is required by law to disclose any portion of the Proprietary Information, then Franchisee shall promptly notify TUPSS in advance of any such disclosure to provide TUPSS with a reasonable time to take measures to protect the confidentiality of the information.
- e. Upon termination or expiration of this Agreement or upon TUPSS' earlier request, Franchisee shall within ten (10) days return all Proprietary Information in its possession or control or, at the option of TUPSS, destroy same and certify to its destruction.
- f. The covenants of confidentiality and limited use set forth in this Agreement will apply after the Effective Date to all Proprietary Information received by Franchisee before and after the Effective Date and will continue from the Effective Date through the termination or expiration of this Agreement and for a period of three (3) years thereafter. Notwithstanding anything to the contrary herein, however, the covenants of confidentiality and limited use set forth in this Agreement shall, for information that constitutes a Trade Secret, continue for such three (3) year period or the period of time that the information retains its status as a Trade Secret under applicable law, whichever is longer.
- g. Franchisee acknowledges that money damages alone would be an inadequate remedy for the injuries and damage that would be suffered and incurred by TUPSS as a result of a breach of any of the provisions of this Section 7. TUPSS

accordingly, in addition to any other remedies it may have at law or in equity, will be entitled to a restraining order, injunction, or other similar remedy in order to enforce the provisions of this Section 7. Franchisee further agrees that it will reimburse TUPSS for the reasonable attorneys' fees and expenses it incurs as a result of a breach of this Section 7 by Franchisee.

- h. The provisions of the Manuals are incorporated herein and shall constitute provisions of this Agreement as if fully set forth herein. All references to this Agreement shall include the Manuals and all mandatory Standards and Specifications contained therein.

7.3 Primary Operator and Certified Operator

Franchisee must designate and retain at all times a TUPSS-approved Primary Operator to oversee and supervise the Center's day-to-day operations. As defined in Section 23 of this Agreement, the Primary Operator may be either: (i) Franchisee; or (ii) if Franchisee is an Entity, an Owner; or (iii) an employee of Franchisee who does not (directly or indirectly) own any interest in the Center's franchise rights. TUPSS reserves the right to require Franchisee or any Owner(s) (if Franchisee is an Entity) to serve as the Center's Primary Operator and to participate in the on-site, day-to-day operations of the Center. Even if Franchisee (or any Owner(s)) is not the Primary Operator, Franchisee (or its Owner(s)) must monitor the Center's operations and be aware of the actions and activities of the Primary Operator and the Center's other employees, who are exclusively Franchisee's responsibility and under Franchisee's control.

- a. As further defined in Section 23, the Primary Operator must have satisfactorily completed all phases of the New Franchisee Training Program (i.e., Web-Based Training, the In-Store Experience, the University Business Course, and Print Services Training), and must possess a sufficient level of proficiency in the English language so that, besides passing TUPSS' training program (which is conducted in English), he or she can communicate clearly with customers, suppliers, TUPSS representatives, and other third parties.
- b. If this is Franchisee's first Center, the Primary Operator shall devote full-time, on-premises attention to overseeing and supervising the Center's day-to-day operations.
- c. If the Center is owned by an "MCO," as defined in Section 23 of this Agreement, its day-to-day operations must be overseen and supervised by a "Certified Operator," as that term is defined in Section 23 (a person trained as a Primary Operator may serve in this role). However, with one exception, the MCO must have at least one (1) Primary Operator for every five (5) Centers owned by the MCO. (For example, if the MCO has five (5) Centers or less, the MCO must have at least one (1) Primary Operator in addition to a Certified Operator for each Center; if the MCO has six (6) through ten (10) Centers, the MCO must have at least two (2) Primary Operators in addition to a Certified Operator for each Center; if the MCO has eleven (11) through fifteen (15) Centers, the MCO must have at least three (3) Primary Operators in addition to a Certified Operator for each Center; and so on.) The only exception to this requirement is for two (2)-Center owners. If the MCO owns two (2) Centers, the MCO may have one Center operated by a Primary Operator and the second

Center operated by a Certified Operator or Primary Operator. If the MCO purchases a third Center, each of the MCO's three (3) Centers must be operated full-time by a Certified Operator, and the three (3) Centers must be overseen by a Primary Operator. An MCO may designate a person trained as a Primary Operator to satisfy the MCO's obligation to have a Certified Operator for one of its Centers if that person is overseen by a Primary Operator as described in this Section 7.3(c).

- d. If Franchisee loses the services of its Primary Operator, Franchisee must have the Center managed by a replacement Primary Operator as soon as practicable, but in no event more than ninety (90) days thereafter. If Franchisee is an MCO and loses the services of a Primary Operator, Franchisee must designate a replacement Primary Operator as soon as practicable, but in no event more than ninety (90) days thereafter. If Franchisee is an MCO and loses the services of its Certified Operator (or person trained as a Primary Operator serving in this role), Franchisee must have the Center managed by a replacement Certified Operator as soon as practicable, but in no event more than ninety (90) days thereafter.
- e. Franchisee acknowledges that TUPSS' (and, if applicable, the Area Franchisee's) expenditure of time and effort may be increased to support the operations of the Center in the event Franchisee does not employ a replacement Primary Operator (or, as applicable a replacement Certified Operator) within the ninety (90) day period referenced in Section 7.3(d). Accordingly, Franchisee shall compensate TUPSS for this extra responsibility by paying TUPSS \$250 per day until Franchisee employs a replacement Primary Operator (or, if applicable, replacement Certified Operator). Franchisee acknowledges that TUPSS will not act as Franchisee's Primary Operator or Certified Operator, nor does TUPSS promise any specific level of involvement in Franchisee's business in exchange for such fee. TUPSS will not exercise direct or indirect control over the working conditions of Franchisee's Center's employees, except to the extent that such indirect control is related to TUPSS' legitimate interest in protecting the quality of its products/services or brand.
- f. Upon the permitted Assignment of this Agreement, the assignee must employ a Primary Operator for the Center as of the effective date of such Assignment, or, if such assignee is an MCO, the assignee's Center must be managed by a Certified Operator as of such Assignment's effective date. If the assignee is an MCO, the MCO also must have in position the required number of Primary Operators.

7.4 Purchase and Sale of Goods and Services

- a. At all times throughout the Term, Franchisee shall offer, sell and provide in connection with the Center all goods and services required, and only those goods and services required or authorized, in the Manuals for such Center. Franchisee shall purchase authorized goods and services only from TUPSS-approved suppliers; Franchisee must use products purchased from TUPSS-approved suppliers solely for the purposes of operating the Center.
- b. If Franchisee should desire to purchase products from a supplier other than one previously approved or designated by TUPSS, Franchisee shall deliver written

notice to TUPSS of its desire to seek approval of such proposed supplier, together with such evidence of conformity with the Standards and Specifications stated in the Manuals. TUPSS or its representatives shall have the right to inspect the proposed supplier's facility and may thereupon request that the proposed supplier furnish TUPSS or its representative, at no cost to TUPSS, product samples for evaluation and testing. Franchisee shall pay TUPSS a charge not to exceed the reasonable costs of evaluating and testing such supplier and its products. TUPSS will use its good faith efforts to notify Franchisee of its approval or disapproval of such supplier within sixty (60) days after TUPSS' receipt of the completed request and completion of the evaluation and testing, if any. TUPSS shall not unreasonably withhold its approval of a proposed supplier; however, (i) TUPSS may revoke approval of particular products or suppliers upon such supplier's failure to continue to meet any of TUPSS' criteria; and (ii) TUPSS reserves the right to limit the number of TUPSS-approved suppliers. Upon receipt of written notice of such revocation, Franchisee must cease ordering and/or selling any disapproved product and cease purchasing from any disapproved supplier. This process that allows TUPSS to consider (and possibly approve) Franchisee's proposed use of alternative suppliers does not apply, and is not available to, suppliers of products and services used in the construction, build-out, remodeling or image/décor of Franchisee's Center.

7.5 Commerce Ready Services Program

The following are the terms and conditions under which Franchisee must participate in the Commerce Ready Services Program (formerly known as the Corporate Retail Solutions Program) (the "**CRS Program**"). The CRS Program includes, but is not limited to, any transactions where: (i) the Client (as defined below) pays TUPSS and TUPSS pays Franchisee, and (ii) the Client refers customers and customers pay Franchisee directly.

- a. Franchisee agrees to comply with the terms and conditions of the CRS Program, as set forth in the Manuals or workflows, which may be available online, as amended from time to time. Among these CRS terms, TUPSS has reserved the right, in its sole and absolute discretion, to designate a specific price or set Franchisee's maximum retail prices for certain products and/or services that Franchisee sells to certain CRS customers. TUPSS also has the right to require Franchisee to sign any agreements, certifications, and other documents with the CRS Client ("**Client**"), and otherwise to comply with conditions reasonably required by the Client, in order to provide products and services to or for the Client. Franchisee may incur a reasonable out-of-pocket expense to comply with such conditions.
- b. Franchisee agrees to participate in all services and programs made available by TUPSS to every Client, whether currently existing or brought into the CRS Program in the future. Franchisee agrees to follow and comply with all CRS Program workflows and instructions, which may differ among individual Clients. This may include specific packaging materials and/or boxes. Franchisee agrees to comply with all of TUPSS' equipment standards as announced by TUPSS from time to time, including, but not limited to, installation and use of the Virtual Private Network communications system designated by TUPSS for use by Franchisee and the POS Systems. If TUPSS or the Client provides equipment to

Franchisee (whether or not free of charge) in order for Franchisee to participate in the CRS Program with respect to that particular Client, Franchisee must return that equipment to TUPSS or the Client, as applicable, in good working order (reasonable wear and tear excepted) when the Client's participation in the CRS Program ends or as otherwise directed by TUPSS or the Client. If Franchisee fails to do so, TUPSS may set off the equipment's value against any amounts that TUPSS or its Affiliates then owe to Franchisee or otherwise seek to recover that value from Franchisee. Franchisee agrees to comply with all of TUPSS' CRS insurance requirements as announced by TUPSS from time to time. For current CRS equipment and insurance standards, please refer to the Manuals.

- c. Franchisee agrees to remain financially current with all obligations to TUPSS. At TUPSS' election, TUPSS may apply any sums owed Franchisee under the CRS Program against any sums owed to TUPSS by Franchisee, including Royalties, The UPS Store Marketing Fees, and National Advertising Fees.
- d. All CRS transactions must be entered into the POS Systems at the time of the transaction, or as otherwise designated by TUPSS, in order to qualify for CRS payment. TUPSS will use best efforts to remit such funds to Franchisee within twenty (20) days after the last day of the month in which the report of the transaction was received by TUPSS, where Franchisee has not already received payment directly.
- e. Franchisee will be reimbursed by TUPSS, to the extent Franchisee has not already received payment directly, for services rendered to CRS customers the amounts specified in the applicable agreement between TUPSS and Clients, including, but not limited to, carrier rates, packing rates, storage rates, declared value coverage rates, facsimile rates, copy rates, or any other service or product rates designated, but less any transaction fees incurred by TUPSS.
- f. Franchisee shall be liable for items in its possession under the CRS Program and must perform all work in accordance with the procedures described in the Manuals, workflow, CRS customer instructions provided in Online Printing, or CRS Program instructions, including packaging and shipping all Client packages. Franchisee agrees to indemnify, defend and hold harmless TUPSS, Client, and their respective affiliates, subsidiaries, officers, directors, agents and employees from and against any and all claims, liabilities, judgments, or costs arising out of Franchisee's acts or omissions in carrying out its obligations under the CRS Program.
- g. Franchisee agrees to assist in processing and resolving claims on packages as part of a particular CRS program as needed.
- h. Franchisee agrees that any Client has the right upon thirty (30) days' notice to audit the Franchisee's financial records and books pertaining to its CRS Program. Franchisee must maintain all records and logs pertaining to the CRS Program in accordance with the record retention requirements in the Center Operations Manual.
- i. TUPSS reserves the right, upon delivery of written notice to Franchisee, to suspend or terminate Franchisee's participation in a particular CRS program for

any or no reason, in addition to pursuing all other remedies available to TUPSS as a result of any material violation of this Agreement.

- j. Franchisee may not assign or delegate its duties under the CRS Program without the prior written consent of TUPSS.
- k. Franchisee understands that any Client trademark is the exclusive property of that Client, and nothing contained herein shall confer upon Franchisee any right to use such Client trademarks without the express written consent of Client and TUPSS.
- l. Franchisee agrees to preserve in strict confidence any information or document it receives from any Client, TUPSS or a CRS Program customer or end-user that is designated or marked confidential or is required by CRS Program instructions or Applicable Laws to be treated as confidential.
- m. Although Franchisee must participate in the CRS Program (unless TUPSS exercises its right under Section 7.5.i above), Franchisee understands and acknowledges that some CRS Program products and/or services may not be made available to all TUPSS franchisees, including Franchisee.
- n. Although the purpose of the CRS Program is to ultimately drive customers to Franchisee's Center, the CRS Program may require Franchisee to offer a discount on some CRS Program products and/or services, which, in some instances, may result in a benefit to TUPSS, United Parcel Service, Inc., an affiliate of either TUPSS or United Parcel Service, Inc., and/or any of their customers.

7.6 E-Commerce Program and E-Offerings

- a. Franchisee agrees to comply with the terms and conditions of, and Standards and Specifications for, any and all E-Offerings (including online or third-party print ordering platforms) that TUPSS implements through its E-Commerce Program and requires Franchisee to offer to customers, or in which TUPSS requires Franchisee to participate, in connection with Franchisee's Center's operation (or, if applicable, that Franchisee chooses to offer, or in which Franchisee chooses to participate, even though TUPSS has not required it). Such terms and conditions and Standards and Specifications may include, without limitation, eligibility criteria (including obtaining special equipment or other operating assets), training requirements, operational duties, performance standards, and payments due on revenue derived from an E-Offering. Products or services offered through franchisor-designated electronic or e-commerce programs may be fulfilled by TUPSS, its Affiliates, designated third-party providers, or approved participating franchise locations, in TUPSS' discretion.
- b. Franchisee agrees to remain financially current with all obligations to TUPSS. At TUPSS' election, TUPSS may apply any sums payable to Franchisee under an E-Offering against any sums owed to TUPSS by Franchisee, including Royalties, The UPS Store Marketing Fees, and National Advertising Fees.
- c. If Franchisee, for any reason, does not fully or properly participate in a mandatory E-Offering or an E-Offering in which Franchisee has voluntarily

chosen to participate, TUPSS reserves the right to pursue all remedies available to TUPSS as a result of such material violation of this Agreement.

- 7.7 Franchisee agrees to comply with the terms and conditions of, and Standards and Specifications for, any and all programs that TUPSS implements through its Customer Loyalty & Retention Program and requires Franchisee to offer to customers, or in which TUPSS requires Franchisee to participate, in connection with Franchisee's Center's operation. Such terms and conditions and Standards and Specifications may include, without limitation, eligibility criteria (including obtaining special equipment or other operating assets), training requirements, operational duties and performance standards, and customer discounts or offers as part of the program.

8. ADVERTISING AND MARKETING

The parties acknowledge the value of standardized advertising and marketing programs to the growth of the goodwill and public image associated with the Marks and the System and agree as follows:

- 8.1 An amount equal to all The UPS Store Marketing Fee revenues shall be expended by TUPSS, in its sole discretion, for public relations, research and development, testing, and pilot programs to promote the sale of existing or new products and services for the System; for promotional programs to assist specific regions or franchisees; for promoting the sale of new franchises; for marketing research; and for producing common promotional material for use by TUPSS' franchisees on a local, regional or national basis. TUPSS shall have complete discretion as to the use and allocation of these funds, which may be used for payment of direct program costs and/or overhead expenses related to the above-described activities.
- 8.2 TUPSS has decision-making control of all activities and (except as provided below in this Section) expenditures of the National Advertising Fund for as long as the NAF remains in existence, including the creation and production of all advertising and marketing concepts and materials and their geographic, market, and media placement and allocation. The Manuals contain additional information regarding the NAF. NAF monies need not be spent in any manner that is proportionate or equivalent to National Advertising Fees paid by particular Centers or in any geographic area. TUPSS also may use the NAF to pay taxes due on account of the NAF monies TUPSS receives (including, without limitation, if a state taxes TUPSS on account of NAF contributions made by franchisees from that state). If TUPSS terminates the NAF, unspent monies will be distributed to franchisees in proportion to their respective NAF contributions during the preceding twelve (12) month period.

The Marketing Advisory Council ("**MAC**"), a committee comprised of representatives of Center franchisees, Area Franchisees, and TUPSS, will serve only in an advisory capacity with respect to the NAF's administration and operation, except that the MAC has the right to determine whether the NAF should pay for the media plans proposed, created, and to be implemented by TUPSS. Subject to TUPSS' candidate eligibility criteria and other MAC policies and rules that TUPSS may update from time to time, franchisees and Area Franchisees will elect their representatives to participate in the MAC. The MAC will be governed by bylaws that may be amended from time to time as provided in the MAC's charter. No portion of the NAF will be used for advertising that is principally a solicitation for the sale of franchises.

Franchisee's National Advertising Fee is subject to certain monthly and annual dollar caps ("**NAF Cap**"). The current NAF Cap is set forth in the Franchise Disclosure Document associated with this Agreement. TUPSS may adjust the NAF Cap annually. This adjusted Annual NAF Cap amount then is divided by thirteen (13) (months) to establish the adjusted January through November monthly NAF Cap amount. This adjusted January through November monthly NAF Cap amount is then multiplied by 2 to establish the adjusted December monthly cap. Adjusted monthly NAF Caps are rounded down, if necessary, to stay under the adjusted Annual NAF Cap. TUPSS reserves the right at any time, upon written notice to Franchisee, to: (a) change the formula it uses for adjusting the NAF Cap; or (b) eliminate the NAF Cap.

- 8.3 Franchisee acknowledges that TUPSS has established an Advertising Collaborative (formerly known as a Co-op) ("**The Collaborative**") for the designated marketing area ("**DMA**") in which Franchisee's Center is located. By signing this Agreement, Franchisee automatically becomes a member of the Collaborative in its DMA (the "**DMA Advertising Collaborative**"). Franchisee agrees to participate in the DMA Advertising Collaborative as TUPSS specifies in its The UPS Store Advertising Collaborative Guidebook for Centers, which includes bylaws, media guidelines, sample forms and reports, operational procedures, and other materials relating to the DMA Advertising Collaborative's administration and operation. TUPSS controls the DMA Advertising Collaborative's operation, and periodically may modify the Guidebook as it deems best. Franchisee agrees to comply with all changes in the Guidebook.
- 8.4 TUPSS may have the DMA Advertising Collaborative changed, dissolved, or merged with another Collaborative whenever it thinks best. TUPSS will control the DMA Advertising Collaborative's marketing, advertising materials and activities, selection of ad agency, and expenditures. Franchisee agrees to send The Collaborative Fee directly to TUPSS in the manner and by the date TUPSS specifies. A majority vote of the franchisee members of Franchisee's DMA Advertising Collaborative will determine The Collaborative Fee's fixed-dollar amount. However, TUPSS may require DMA Advertising Collaborative Fees of 0.5% of the Center's STR (if this is more than the fixed-dollar amount). In addition, if fifty-one percent (51%) or more of the franchisees in Franchisee's DMA Advertising Collaborative vote to increase the fee to more than 0.5% of STR, they may do so up to a cap of three percent (3%) of STR. The DMA Advertising Collaborative's Fees will not be changed more than once per year. No promotional or advertising plans or materials shall be used by the DMA Advertising Collaborative or by any of its members without TUPSS' prior written approval.
- 8.5 Franchisee shall follow all advertising and marketing Standards and Specifications established from time to time by TUPSS. Franchisee shall use, sell or distribute only those advertising or marketing materials that are authorized by TUPSS in writing prior to use.
- 8.6 For all newly-constructed Centers (not renewals or transfers), Franchisee shall pay to TUPSS an Initial Marketing Plan Fee. Franchisee must pay an Initial Marketing Plan Fee for re-opened Centers unless the requirement is waived by TUPSS. Details regarding the Initial Marketing Plan Fee and associated program are set forth in the Manuals as may be updated from time to time. TUPSS shall have complete and absolute discretion to determine the ways in which the Initial Marketing Plan Fee is spent in support of the initial marketing plan of Franchisee's Center.

- 8.7 Any advertising or other presence or promotion by Franchisee on the Internet must comply with the Internet Policies and Social Media policies. For the avoidance of doubt, Franchisee shall not administer, use, or register, or allow any other party to administer, use, or register, any website, domain name, or similar technology in connection with the Center and/or the products and services offered at the Center. TUPSS may require changes to Franchisee's home page or other Internet presence on the Internet should TUPSS determine that any information contained therein is not in compliance with the Internet Policies.
- 8.8 Franchisee shall use the Marks, trade styles, color combinations, designs, symbols and slogans only in the manner and to the extent specifically permitted by this Agreement or the Manuals. Franchisee shall not cause or allow the Marks, or any of them, to be used or displayed, in whole or in part, as an Internet domain name, or on or in connection with any Internet home page, web site or other Internet-related activity, without TUPSS' express prior written consent, and then only in such a manner and in accordance with such procedures, standards and specifications as TUPSS may establish. TUPSS reserves the right to approve all advertising or promotional materials, such as signs, stationery, business cards, forms and supplies which were not provided by TUPSS but which contain or use the Marks. All advertising (including any Internet advertising), publicity signs, decorations, furnishings, equipment or other materials employing the Marks in any way must be approved in writing by TUPSS prior to publication or use.
- 8.9 TUPSS may submit the Center's address, telephone number, and other information to online search and map directory listings, including, but not limited to, those listings maintained by Google, Bing®, Yahoo!®, Yelp®, Facebook®, and Apple®. All such online search directory listings for the Center are the property of TUPSS, and TUPSS has the right to transfer, terminate, or amend such listings in its sole discretion.

9. STATEMENTS, RECORDS, INSPECTIONS AND AUDITS

9.1 Statements and Records

- a. Franchisee shall keep, maintain, retain, and secure for such period(s) specified in the Manuals true and accurate accounts and records, implement inventory, POS Systems and accounting systems, submit statistical control forms, customer data, access and audit logs, and other reports or information concerning the finances and operation of the Center (collectively, the **"Information"**) in the manner specified in the Manuals and as TUPSS may otherwise require, and, upon TUPSS' request, implement computer and other electronic hardware and software to: (1) assist Franchisee in the operation of its Center in accordance with the System, Manuals, and Data Security Requirements; (2) allow TUPSS to monitor STR, purchases, sales, costs and expenses, inventory, sales mix, usage, and other aspects of the operation of the Center; (3) enable TUPSS to develop chain-wide statistics; (4) assist TUPSS in the development of new authorized products or the removal of existing unsuccessful products; (5) enable TUPSS to refine existing authorized products; and/or (6) generally improve chain-wide understanding of the System (such data or documents created by the foregoing six (6) items also considered **"Information"**). The Information will not include any records or information relating to the Center's employees, as Franchisee controls exclusively its labor relations and employment practices. Without limiting the generality of the foregoing:

- i. On or before the 14th calendar day following each Accounting Period (even if that 14th calendar day falls on a weekend or holiday), or at such other interval as TUPSS may establish, Franchisee shall electronically submit to TUPSS a Monthly Royalty Report verified by Franchisee, on a form prescribed by TUPSS, reporting STR for the preceding Accounting Period, together with such additional financial information as TUPSS may from time to time request.
 - ii. By the fifteenth (15th) day of the second month following each calendar quarter, Franchisee shall submit to TUPSS financial statements for the preceding quarter, including a balance sheet and profit and loss statement, prepared in the form and manner prescribed by TUPSS in the Manuals and in accordance with generally accepted accounting principles, which shall be certified by Franchisee to be accurate and complete.
 - iii. Within sixty (60) days following the end of each calendar year, Franchisee shall submit to TUPSS a statement of cash flow and cash on hand, unaudited annual balance sheet, and unaudited profit and loss statement, each prepared in accordance with generally accepted accounting principles, and in such form and manner prescribed by TUPSS, which shall be certified by Franchisee to be accurate and complete. Franchisee shall submit to TUPSS a copy of the original signed IRS 1120 or IRS 1120S tax form each and every year or any other forms which take the place of the IRS 1120 or IRS 1120S forms. Franchisee shall also provide TUPSS with copies of signed original sales and use tax forms contemporaneously with their filing with the appropriate state or local authority. TUPSS reserves the right to require such further information concerning the Center as TUPSS may specify in the Manuals, including, without limitation, monthly balance sheets and profit and loss statements.
 - iv. Upon TUPSS' request, Franchisee shall cause the aforesaid Information systems to be electronically linked to TUPSS, which may poll and retrieve such Information on a daily basis or at such other interval as TUPSS may determine. Such electronic link must at all times strictly comply with the Data Security Requirements.
- b. Franchisee hereby authorizes TUPSS to publish and/or incorporate in reports for use within its network of Centers any or all such Information. Franchisee acknowledges that, during the Term, TUPSS will be a creditor of Franchisee because Franchisee will regularly owe money to TUPSS on account of Royalties and other amounts due and payable under this Agreement or otherwise in connection with the Center's operation. Recognizing that TUPSS will be a creditor of Franchisee throughout the Term of this Agreement, and given the monies that Franchisee periodically owes to TUPSS, Franchisee authorizes TUPSS to periodically pull credit reports on Franchisee and its Owners to confirm their financial condition and standing. If Franchisee or one of its Owners also owns and/or operates a Center pursuant to an agreement with a TUPSS master franchisee or master licensee in one of TUPSS' international markets, Franchisee and such Owner hereby authorize TUPSS and such master

franchisee or master licensee to share operational compliance information and financial data, reports, and statements concerning Franchisee, its Owner and/or the Center.

9.2 Inspections

TUPSS or its designated agent shall have the right to enter upon the entire premises of the Center, with or without notice, and obtain full and complete access during business hours to inspect, photograph and videotape the Center and its operation in areas TUPSS maintains the authority to control and/or remedy, including all computers or other technology, including, without limitation, any storage devices that contain customer data or other Information. TUPSS shall also be permitted to inspect and photocopy, or make a digital copy of, any books, paper or electronic records, security/surveillance video footage, and documents relating to the operation of the Center in areas TUPSS maintains the authority to control and/or remedy. For purposes of clarification and certainty, TUPSS may require Franchisee to install security and surveillance systems in the Center in accordance with terms and requirements specified in the Manuals. If any such inspection indicates any deficiency or unsatisfactory condition with respect to any matter required under this Agreement, the Manuals, or the Data Security Requirements, including quality, services, and authorized products, TUPSS shall notify Franchisee in writing of such non-compliance with the Manuals, the System or this Agreement, and Franchisee shall promptly correct or repair such deficiency or unsatisfactory condition. Franchisee shall cooperate with TUPSS and its designated representatives in connection with any such inspections or related investigations. TUPSS shall endeavor to exercise its rights under this section in a manner intended to minimize interference with the operation of Franchisee's Center.

9.3 Audit

- a. Upon ten (10) days' prior written notice, Franchisee grants to TUPSS or its representatives the right, at any time, to conduct a formal investigation and/or audit of all of Franchisee's financial books and records relating to Franchisee's Center (other than those books and records relating to areas TUPSS has no authority to control and/or remedy, such as the Center's employees, which Franchisee controls exclusively) and to make copies thereof. Franchisee shall cooperate with the audit process, shall provide a reasonable work area at the Center being audited, and make a knowledgeable representative of Franchisee available to TUPSS to answer questions and explain transactions. Franchisee shall keep and maintain at the Location such books and records specified herein and in the Manuals for such duration as specified in the Manuals.
- b. If any audit or other investigation reveals an under-reporting or under-recording error of five percent (5%) or more of STR, then in addition to any fees normally due on the under-reported STR, the following will be due: (i) the expenses of the audit/inspection shall be borne and paid by Franchisee upon billing by TUPSS (\$475 minimum), (ii) interest will be assessed up to the maximum rate permitted by Applicable Laws, and (iii) a late fee of \$25 per week will be charged from December 31st of each year showing under-reporting of five percent (5%) or greater, or from the end of the audit period for a partial year audited, calculated until the audit fees are paid in full.

- c. Franchisee hereby authorizes any vendors with whom Franchisee does business to immediately release to TUPSS or TUPSS' agents, upon request by TUPSS or TUPSS' agents at any time during or after the Term, any information, reports, or data that any such vendor may possess or obtain from Franchisee in connection with providing goods or services to Franchisee.
- d. In addition to field audits conducted at the Center, TUPSS has the right to perform audits of Royalty Reports at its office and to retrieve documentation from Franchisee to support the accuracy of such reports. Upon written request from TUPSS, Franchisee is required to promptly provide TUPSS with all information requested in order to verify the accuracy of one or more Royalty Reports previously submitted to TUPSS.

10. REPRESENTATIONS, WARRANTIES AND COVENANTS

10.1 During the term of this Agreement, Franchisee and its Owners covenant, represent and warrant as follows:

- a. Franchisee: (i) shall use best and continuing efforts to promote and develop the business at Franchisee's Center, and (ii) agrees that if Franchisee is not the Primary Operator, Franchisee must supervise the Primary Operator and shall remain responsible to TUPSS for the Primary Operator's (and the Center's) performance under this Agreement, except that, if Franchisee is an MCO, Franchisee must have Primary Operators and Certified Operators in accordance with Section 7.3 and will remain responsible to TUPSS for each of their (and for each Center's) respective performance under this and all other applicable franchise agreements with TUPSS;
- b. Franchisee's Primary Operator (or, if Franchisee is an MCO, then Franchisee's Certified Operator) shall devote full-time, on-premises attention to overseeing and supervising the Center's day-to-day operations;
- c. Franchisee shall maintain a sufficient number of competent, conscientious, trained staff to operate Franchisee's Center (the number of employees to be employed remains at Franchisee's discretion);
- d. Franchisee and its Owners shall comply with all Applicable Laws and, with respect to computer hardware, software, point-of-sale systems, and Information, all mandatory Payment Card Industry (PCI) Security Data Standards and federal and state regulations or statutes governing (i) the use or disclosure of customer data or (ii) protection or security of such customer data or computer systems;
- e. Franchisee or Franchisee's Primary Operator (or, if Franchisee is an MCO, then Franchisee's Certified Operator) shall attend, at Franchisee's expense, all networking meetings as arranged by TUPSS or Area Franchisee for the area in which the Center is located, if any. Franchisee should attend and participate in TUPSS' regional and/or national conventions;
- f. Franchisee shall arrange for the Primary Operator (or, if Franchisee is an MCO, the Certified Operator) and other supervisory employees to attend and successfully complete such training as required by TUPSS from time to time;

- g. Franchisee and its Owners shall not disclose, except to Center employees on a need-to-know basis, and shall not make copies of, any Confidential Information, directly or indirectly, or use it in any way, either during the term of this Agreement or any time thereafter, except as authorized in this Agreement;
- h. Franchisee and its Owners shall not use the Confidential Information in any business or other endeavor other than in connection with the Center;
- i. Franchisee and its Owners shall maintain absolute confidentiality of the Confidential Information during and after the Term of this Agreement;
- j. Neither Franchisee, its Owners nor any employee of Franchisee shall make any unauthorized copies, facsimiles or notes of any materials containing in whole or in part the Confidential Information;
- k. The Center shall operate and implement all reasonable procedures prescribed from time to time by TUPSS to prevent unauthorized use and disclosure of the Confidential Information, including, without limitation, restrictions on disclosure to Center employees. If Franchisee has any reason to believe that any Center employee has violated such employee's duty to not disclose the Confidential Information to unauthorized third parties, Franchisee shall promptly notify TUPSS and cooperate with TUPSS to protect TUPSS against infringement or other unlawful use, including, but not limited to, the prosecution of any lawsuits if, in the reasonable judgment of TUPSS, such action is necessary or advisable;
- l. The Center shall be operated (open to the public for business) seven (7) days a week, and for the number of hours per day and week, as detailed in the Manuals, unless TUPSS has authorized (in writing) some lesser amount of hours;
- m. When Franchisee and all Owners of Franchisee communicate, in writing or otherwise, with representatives of TUPSS, United Parcel Service, Inc. and/or their Affiliates, Franchisee and Owners shall do so in a professional and courteous manner and refrain from profanity and similar abusive or hostile communications. Violation of this provision shall be a material violation of the Franchise Agreement;
- n. All spouses of Franchisee's Owners (if Franchisee is an Entity) or Franchisee's spouse (if Franchisee is an individual) must sign TUPSS' Spousal Consent (attached as Exhibit J to this Agreement). If Franchisee or one of its Owners gets married after the Effective Date, the new spouse must sign the Spousal Consent within ten (10) days after the marriage date;
- o. Franchisee shall maintain itself as an employer separate, independent, and distinct from TUPSS; and
- p. Franchisee shall not contest, either directly or indirectly, any finding or determination that TUPSS and Franchisee are not joint employers.

- 10.2 If (and only if) TUPSS: (i) provides to Franchisee its prior written consent to Franchisee's (or Owners') proposal to engage in a business other than the operation of a Center and (ii) confirms that such other business does not violate Section 2 (titled

“Covenanter’s In-Term Non-Competition Covenants”) of the Owners’ Non-Competition Agreement (attached as Exhibit D to this Agreement), then TUPSS’ consent shall be further subject to Franchisee’s satisfaction of all of the following conditions:

- a. such other business shall be conducted at a location other than the Location and shall not interfere with the effective operation and maintenance of Franchisee’s Center;
- b. Franchisee shall maintain separate books and records, maintain a separate and distinct image as a separate business, and not commingle funds or expenses with the business of the Center;
- c. such other business shall not interfere with, injure or otherwise diminish the integrity or value of TUPSS’ Marks or goodwill;
- d. such other business shall not directly or indirectly compete with Franchisee’s Center or have an adverse commercial impact on Franchisee’s business; and
- e. Franchisee shall pay for and/or reimburse any direct or indirect costs incurred by such other business for goods and services provided by Franchisee’s Center.

- 10.3 As of the Effective Date, the information provided in the Ownership Information Form by Franchisee is true, accurate and complete. Franchisee shall not cause or permit any act or event to occur during the Term which would cause the information provided in the Ownership Information Form to be untrue, except with TUPSS’ prior written consent or as otherwise expressly permitted hereunder.
- 10.4 Franchisee affirms that all information set forth in applications, financial statements and submissions to TUPSS is, and all future submissions to TUPSS shall be, true, accurate and complete in all material respects, and Franchisee acknowledges that TUPSS has relied, and may hereafter rely, upon the truthfulness, accuracy and completeness of such information.
- 10.5 Franchisee shall display prominently in Franchisee’s Center such promotional literature about TUPSS’ franchise opportunities as TUPSS shall from time to time specify, including the method and location of such display.
- 10.6 Franchisee acknowledges and agrees that, if Franchisee is an Entity, such Entity may only be a corporation, limited liability company, or Partnership. If any ownership of the Entity that is Franchisee is or is to be held by a trust, (a) the trust documentation must expressly provide that there can be no change in the ownership, trustee, or beneficiary of such trust and no transfer of the ownership, trustee or beneficiary in such trust can occur without the prior written consent of TUPSS, (b) a minor individual cannot be a beneficiary or trustee of any such trust, and (c) all trustees and beneficiaries of such trust must sign a Continuing Personal Guarantee of this Agreement and Franchisee’s obligations hereunder.

11. TRANSFER AND ASSIGNMENT

11.1 By TUPSS

TUPSS may assign all of its right, title and interest in and to this Agreement without restriction, and the rights hereunder shall inure to the benefit of its successors and assigns, provided that any such successors and assigns shall agree in writing to assume all of TUPSS' obligations hereunder. Such assignment shall discharge TUPSS from any further obligation hereunder. TUPSS also may change its ownership or form without restriction. In addition, upon such terms as TUPSS may determine, TUPSS may delegate or assign all or some of its obligations and rights under this Agreement to an agent, the Area Franchisee whose territory includes all or part of Franchisee's Territory, or such other Area Franchisee as selected by TUPSS.

11.2 By Franchisee

- a. Subject to TUPSS' prior written consent, Franchisee is permitted to pledge, encumber or otherwise give any third party a security interest in this Agreement (and the franchise rights associated with this Agreement) only if such third party irrevocably agrees that, if and when it seeks to pursue its rights related to the security interest via a replevin (repossession) action, it shall not be permitted, without the prior written consent of TUPSS, to (i) operate the Center associated with this Agreement, or (ii) resell to a third party the franchise rights associated with this Agreement. In determining whether to grant its consent, TUPSS shall apply its standard criteria, as if the third party (or, as applicable, the third party's proposed assignee) were a candidate to become a franchisee of an existing Center.
- b. The rights and duties created by this Agreement are personal to Franchisee, and TUPSS has entered into this Agreement in reliance on many factors, including the character, skill, aptitude and business and financial capacity of Franchisee and its Owners, in the case of a Franchisee which is an Entity. Accordingly, neither Franchisee's (or any Owner's) interest in this Agreement nor any of its (or any Owner's) rights or privileges hereunder, shall be sold, conveyed, assigned, transferred, shared or divided, voluntarily or involuntarily, by operation of law or otherwise (including the division of any community property interest in connection with any divorce proceeding), in any manner (an "**Assignment**"), without TUPSS' prior written consent as provided in Section 11.3. Any such purported Assignment occurring by operation of law or otherwise, including any Assignment by a trustee in bankruptcy, without TUPSS' prior written consent shall be null and void and a material default of this Agreement.
- c. Any sale, assignment, transfer, conveyance, gift, pledge, mortgage, or other encumbrance of more than 50% (or majority) of the outstanding and issued stock, membership interests, Partnership Rights or other ownership interest of Franchisee by one or more transfers, by operation of law, or by any other event(s) or transaction(s) which, directly or indirectly, effectively changes management control of Franchisee shall constitute an Assignment hereunder.
- d. It shall also constitute an Assignment hereunder if transfer of fifty percent (50%) or less of the ownership interest in Franchisee effectively changes management

control of Franchisee. Example 1: If A owns fifty percent (50%) and B owns fifty percent (50%). B sells B's fifty percent (50%) to non-owner C, this would constitute an Assignment. Example 2: A owns forty-nine percent (49%), B owns twenty percent (20%) and C owns thirty-one percent (31%). Sale of C's thirty-one percent (31%) to B would transfer controlling interest and constitute an Assignment.

- e. Notwithstanding anything to the contrary in Section 11 of this Agreement, a **"Family Transfer"** shall not constitute an Assignment. Family Transfer is defined in Section 23 of this Agreement as such definition may be supplemented and updated by TUPSS in the Manuals. Franchisee must pay to TUPSS a **"Family Transfer Fee"** in the amount set forth in the then-current The UPS Store Franchise Disclosure Document (i.e., the one that is in effect at the time of the Family Transfer).

11.3 Franchisee acknowledges the vital importance of Franchisee to the market position and overall image of TUPSS. Franchisee also recognizes that there are many objective and subjective factors that comprise the process by which TUPSS selects a suitable franchisee; therefore, TUPSS may impose any reasonable condition to its consent to any Assignment, including, without limitation, the satisfaction of all of the following conditions:

- a. Franchisee and the proposed transferee must complete, execute and comply with all requirements of TUPSS' then-current transfer materials as provided in the Manuals;
- b. The proposed transferee must be a person or Entity that meets TUPSS' then-current Standards and Specifications and qualifications for new franchisees of Centers;
- c. The proposed Assignment shall be for commercially reasonable terms. TUPSS' consent to any Assignment does not ensure the transferee's success as a franchisee, nor should the transferee rely upon TUPSS' consent to the Assignment in determining whether to acquire the Center;
- d. As of the effective date of the proposed Assignment, all obligations of Franchisee hereunder and under all other agreements between Franchisee and TUPSS (and TUPSS' Affiliates) shall be fully satisfied;
- e. The transferee must execute a new franchise agreement, on TUPSS' Then-Current Agreement, for a full ten (10) year initial term;
- f. At or prior to the Assignment, TUPSS must receive payment of the following fees from Franchisee (also known, for these purposes, as the "transferor" or "seller") and/or from Franchisee's "buyer" or "transferee":
 - i. a Transfer Fee (as defined in Section 23 of this Agreement); and
 - ii. a Processing Fee (as defined in Section 23 of this Agreement); and

- iii. a Pro-Rated Renewal Fee for Transfers (as defined in Section 23 of this Agreement); and
 - iv. an Upgrade Evaluation Fee (as defined in Section 23 of this Agreement).
- g. Transferee (or its Primary Operator employee) must successfully complete all phases of TUPSS' New Franchisee Training Program to TUPSS' satisfaction and pay all then-current training fees. If Transferee is: (i) an MCO, his/her Certified Operator must successfully complete TUPSS' Certified Operator's Training ("COT") program, and his/her Primary Operators must complete all training TUPSS requires for Primary Operators; and (ii) if this is Transferee's second or greater Center, Transferee must complete TUPSS' MCOW program;
- h. No later than the deadline set forth in TUPSS' then-current Transfer Upgrade Agreement (attached as Exhibit H to this Agreement), Franchisee's Center (exterior and interior) must be upgraded, remodeled and refurbished by Transferee to TUPSS' then-current Center image Standards and Specifications;
- i. Franchisee and all Owners shall enter into a general release (in a form prescribed by TUPSS) that will release TUPSS and its Affiliates from any and all suits, claims or causes of action arising from, or in any way connected with, the sale or operation of Franchisee's Center during Franchisee's ownership;
- j. TUPSS shall not incur any liability on account of withholding its consent of any proposed Assignment;
- k. No later than the deadline set forth in TUPSS' then-current Transfer Upgrade Agreement, the Center must be upgraded by Transferee to then-current System Standards and Specifications for POS System hardware, software and other computer-related systems required for Centers and then-current Data Security Requirements; and
- l. Franchisee's landlord allows Franchisee to transfer the Lease for the Location to the transferee for the expected franchise term (evidenced by an assignment of Lease), or the transferee executes a new lease for the Location and TUPSS' then current Addendum to Lease, which assignment of Lease or new lease must be delivered to TUPSS by Transferee prior to or at the closing of the Assignment.

11.4 TUPSS' Right of First Refusal

- a. If Franchisee desires to make any Assignment for value, Franchisee (or its Owners) must obtain from a bona fide, creditworthy and fully disclosed buyer, and deliver to TUPSS, a true and complete copy of an executed Purchase and Sale Agreement (and all documents ancillary thereto or entered into in connection therewith) relating to the proposed sale or Assignment. The executed Purchase and Sale Agreement representing the offer must include details of the proposed sale's payment terms and the financing sources and terms for the proposed purchase price. To be a valid, bona fide offer, the proposed purchase price must be denominated in a dollar amount, and Franchisee and the proposed buyer also must submit to TUPSS the fully completed current TUPSS transfer materials.

- b. The right of first refusal process described in this Section 11.4 will not be triggered by a proposed Assignment that would not be allowed under Section 11.3 above (because one or more of the conditions would not be satisfied in TUPSS' reasonable business judgment) and therefore could not proceed. TUPSS may require Franchisee (or its Owners) to send TUPSS copies of any materials or information sent to the proposed buyer or transferee, or between Franchisee and the proposed buyer or transferee, regarding the possible transaction (including, without limitation, any side agreements and finder's fee agreements). TUPSS has the unrestricted right to assign this right of first refusal (defined below), but only to an Affiliate of TUPSS, who then will have the rights described in this Section 11.4.
- c. After TUPSS (i) receives an exact copy of the offer (i.e., the executed Purchase and Sale Agreement, including all attachments, exhibits and schedules thereto), the fully completed current TUPSS transfer materials and all other information TUPSS reasonably requires to enable TUPSS to evaluate the proposed Assignment and (ii) provides written notice to Franchisee or its selling Owner(s) that it has received all of the documentation it needs to evaluate the proposed Assignment ("**Commencement Notice**"), TUPSS shall have a right of first refusal pursuant to which it may elect to purchase the interest offered for the price and on the terms and conditions contained in the offer ("**TUPSS' ROFR**"). Notwithstanding the foregoing, it is the express intent of the parties that nothing in the offer may, by design or otherwise, frustrate TUPSS' ROFR. Accordingly, TUPSS may exercise TUPSS' ROFR and purchase the interest offered on the price contained in the offer, less any amounts TUPSS reasonably deems would, if paid by TUPSS, result in TUPSS not receiving the same benefit of the bargain contained in the offer. By way of example, and without limitation: if, pursuant to the offer, the seller, Franchisee, Franchisee's Owner(s) or Immediate Family Member, or any of their Affiliates must provide or take any action that results in any compensation (e.g., a finder's fee) or benefit, whether direct or indirect, to buyer (or any of its owners, managers, affiliates, employees, shareholders, members, family members, business associates, or an Entity owned in any part by any of the foregoing) when TUPSS exercises TUPSS' ROFR, then TUPSS may exercise TUPSS' ROFR and pay seller the purchase price less such amount. In that event, such exercise by TUPSS of TUPSS' ROFR shall be deemed to be TUPSS' purchase on the same terms and conditions as provided in the original offer. TUPSS may exercise TUPSS' ROFR upon written notice (the "**ROFR Exercise Notice**") delivered to Franchisee or its selling Owner(s) within sixty (60) days after the date TUPSS delivers the Commencement Notice in accordance with this Section, provided that:
 - i. TUPSS may substitute cash for any form of payment proposed in the offer (such as ownership interests in a privately-held Entity) and TUPSS shall not be required to pay any amount with respect to lost future interest or earnings as a result of its substituting cash;
 - ii. TUPSS' (or its designee's) credit/creditworthiness will be deemed equal to the credit/creditworthiness of any proposed buyer (meaning that, if the proposed consideration includes promissory notes, TUPSS or its designee may provide promissory notes with the same terms as those offered by the proposed buyer);

- iii. TUPSS will have the additional time TUPSS reasonably requires to close the transaction after delivering the ROFR Exercise Notice to Franchisee (which additional time is typically sixty (60) additional days, but may be more than sixty (60) days);
 - iv. TUPSS must receive, and Franchisee and its Owners must make, all customary representations and warranties given by the seller of a business's assets or an Entity's ownership interests, as applicable, including, without limitation, representations and warranties regarding ownership and condition of and title to ownership interests and/or assets; liens and encumbrances relating to ownership interests and/or assets; compliance with law; non-contravention; authorization; indemnity; no undisclosed liabilities; validity of contracts; and the liabilities, contingent or otherwise, of the Entity whose assets or ownership interests are being purchased; and
 - v. if the price offered to Franchisee or its selling Owner(s) for the interest proposed to be transferred includes all or a portion of the Transfer Fee or other fees referenced in Section 11.3, TUPSS or its designee may reduce the purchase price it must pay (if it exercises the right of first refusal) by the amount of such fee.
- d. Once Franchisee or its selling Owner(s) submits the offer and related information to TUPSS triggering the start of the sixty (60)-day decision period referenced above and TUPSS provides the Commencement Notice, the offer is irrevocable for that sixty (60)-day period. This means that TUPSS has the full sixty (60) days to decide whether to exercise the right of first refusal and may choose to do so even if Franchisee or its selling Owner(s) changes its, his, or her (their) mind(s) during that period and prefers after all not to sell the particular interest that is the subject of the offer. Franchisee and its selling Owner(s) may not withdraw or revoke their offer for any reason during the sixty (60) days, and TUPSS (or its designee) may exercise TUPSS' ROFR for the particular interest in accordance with this Section's terms.
- e. If TUPSS does not exercise its right of first refusal, Franchisee or its Owners may complete the sale to the proposed buyer on the original offer's terms, but only if TUPSS otherwise approves the Assignment in writing (the applicable parties, as determined by TUPSS, shall execute a consent to transfer in a form satisfactory to TUPSS) and Franchisee (and its Owners) and the transferee comply with the conditions in Section 11.3 above. This means that, even if TUPSS does not exercise its right of first refusal (whether or not it is properly triggered as provided above), if the proposed Assignment otherwise does not satisfy all conditions under Section 11.3 above, Franchisee (or its Owners) may not move forward with the Assignment at all.
- f. If Franchisee does not complete the sale to the proposed buyer within sixty (60) days after TUPSS notifies Franchisee that it does not intend to exercise the right of first refusal, or if there is a material change in the sale's terms (which Franchisee agrees to tell TUPSS immediately), TUPSS or its designee will have an additional right of first refusal during the sixty (60) days following either the expiration of the sixty (60)-day period or TUPSS' receipt of notice of the material

change(s) in the sale's terms, either on the terms originally offered or the modified terms, at TUPSS' or its designee's option.

- g. Franchisee and its Owners agree to keep strictly confidential, and not to disclose to anyone other than TUPSS and the proposed buyer, all information regarding the right of first refusal process, including, without limitation, the terms of the executed Purchase and Sale Agreement.

11.5 If Franchisee desires to assign its rights under this Agreement and the assets of Franchisee's Center to an Entity that is owned or controlled by Franchisee, such Assignment may be made only with TUPSS' prior written consent. Franchisee understands and agrees that conditions of TUPSS' consent to any such Assignment include the following:

- a. the assignee Entity must execute all agreements then required by TUPSS for a new franchisee, including an assignment of Franchisee's Lease (including Addendum to Lease) for the premises where the Center is located;
- b. all of the assignee Entity's Owners must personally guarantee the full and faithful performance of each and every term, covenant and condition of this Agreement by such transferee Entity;
- c. the Owners of such transferee Entity shall personally supervise the operation of the Center;
- d. Franchisee must deliver to TUPSS copies of organizational documents of such Entity (e.g., Articles of Incorporation or Association), certified by the appropriate Governmental Authority;
- e. Franchisee must pay the then-current Incorporation Fee; and
- f. The assignee entity shall not use any of the Marks, or any abbreviations or variations thereof, or any words deemed by TUPSS to be confusingly similar to the Marks as part of the name of any assignee entity, including any of the following words: "The UPS Store" or "UPS" or "Store" or "Mail" or "Boxes" or "Etc." or the combined letters "TUPSS."

11.6 Death or Incapacity of Franchisee or any Controlling Owner

- a. In the event of the death or Incapacity of Franchisee (which is not an Entity) or any of its Controlling Owners (if Franchisee is an Entity), TUPSS shall upon the written request of the heirs or representatives, subject to Section 11.6.b., allow the heirs or representatives a period of six (6) months from date of death or Incapacity to:
 - i. Demonstrate that such heirs or representatives meet TUPSS' Standards and Specifications for new Center franchisees and execute and agree to the terms of the Then-Current Agreement (except that the term of such agreement shall be the remaining Term hereof and no Initial Franchise Fee shall be payable); or

- ii. As an alternative to 11.6(a)(i) above, only if Franchisee's (or, if applicable, Controlling Owners') heir or representative(s) is/are Immediate Family Member(s) that meet TUPSS' Standards and Specifications for new Center franchisees, such Immediate Family Member(s) must execute TUPSS' form of amendment to franchise agreement replacing the name of Franchisee (or, if applicable, of Controlling Owner(s)) with the name(s) of such Immediate Family Member(s) and pay to TUPSS its then-current Non-Transfer Ownership Change Fee; or
- iii. Assign this Agreement to a third party acceptable to TUPSS who meets TUPSS' Standards and Specifications for new Center franchisees.

A failure to take the action specified in 11.6(a)(i), (ii) or (iii) above within six (6) months from the date of death or Incapacity will be deemed as a default under this Agreement.

- b. TUPSS may impose reasonable conditions to the rights granted under Section 11.6(a), including the following which shall be deemed reasonable: (i) the Center must continue to be operated in conformity with this Agreement, the System and the Manuals; (ii) the heirs or representatives register and pay for, and then attend, all training programs TUPSS requires; and (iii) if TUPSS determines in its discretion that the Center is not being operated in accordance with this Agreement, the System or the Manuals, TUPSS shall have the right, but not the obligation, to appoint a Certified Manager for the Center, upon which it shall be entitled, in addition to all other fees to be paid by Franchisee pursuant hereto, to be reimbursed (payable on an estimated basis in advance) for its actual direct and indirect costs in connection with such services and to be indemnified and held harmless from and against any and all risks, losses, costs and liability associated therewith. The Certified Manager will not exercise direct or indirect control over the working conditions of Franchisee's Center employees, except to the extent such indirect control is related to TUPSS' legitimate interest in protecting the quality of its product/services or brand.

- 11.7 If Franchisee seeks TUPSS' required consent (and a required waiver of TUPSS' right of first refusal) to change less than a controlling ownership interest in the Franchised Business, then a "**Non-Transfer Ownership Change Fee**" shall be paid by Franchisee to TUPSS in the amount set forth in the then-current The UPS Store Franchise Disclosure Document (i.e., the one that is in effect at the time of Franchisee's request).
- 11.8 If Franchisee is an Entity and seeks TUPSS' required consent to change the name of such Entity (without changing the ownership structure or percentages set forth on the Ownership Information Form), then Franchisee shall pay to TUPSS an "**Entity Name Change Fee**" in the amount set forth in the then-current The UPS Store Franchise Disclosure Document (i.e., the one that is in effect at the time of Franchisee's request).

12. DEFAULT AND TERMINATION

12.1 Termination by Franchisee

Franchisee may terminate this Agreement due to a material default by TUPSS of its obligations hereunder, which default is not cured by TUPSS within 60 days after TUPSS' receipt of prompt written notice by Franchisee to TUPSS detailing the alleged default with specificity; provided, that if the default is such that it cannot be reasonably cured within such 60 day period, TUPSS shall not be deemed in default for so long as it commences to prosecute such default within 60 days and diligently continues to prosecute such cure to completion. Such notice must be given within one year of the alleged default. Failure to give such notice shall constitute a waiver of any such alleged default. If Franchisee terminates this Agreement pursuant to this Section 12.1, Franchisee shall comply with all of the terms and conditions of Section 14 and Section 7.2(d) of this Agreement, and Franchisee (or, if applicable, Owners) shall fully comply with the Non-Competition Agreement.

12.2 Termination by TUPSS

TUPSS has the right to terminate this Agreement only for "cause." "**Cause**" is hereby defined as a material breach of this Agreement.

12.3 Termination with Notice and Opportunity to Cure

Except for any default under Section 12.4, and as otherwise expressly provided elsewhere in this Agreement or by Applicable Laws, Franchisee shall have (a) 5 days after TUPSS' written notice of default in which to remedy any failure to pay TUPSS or any of its affiliates any amounts when due and to provide evidence of such remedy to TUPSS and (b) 30 days after TUPSS' written notice of default in which to remedy any non-monetary default under this Agreement and to provide evidence of such remedy to TUPSS. If any default specified in (a) or (b) is not cured within the applicable 5 or 30-day period, respectively, or such longer time period as Applicable Law may require or as TUPSS may specify in the notice of default, this Agreement and all rights granted by it shall thereupon automatically terminate without further notice or opportunity to cure.

12.4 Termination by TUPSS without Notice or Opportunity to Cure

Subject to any controlling Applicable Laws to the contrary, Franchisee shall be deemed to be in material default and TUPSS may, at its option, terminate this Agreement and all rights granted hereunder, without affording Franchisee any opportunity to cure the default, effective immediately upon delivery or attempted delivery to Franchisee of notice by TUPSS of the occurrence of any of the following events:

- a. Franchisee is adjudicated bankrupt or judicially determined to be insolvent (subject to any contrary provisions of any applicable state or federal laws), or fails to meet its financial obligations as they become due, or makes a disposition for the benefit of its creditors;
- b. Franchisee or any of its Owners allows a judgment against it or them in the amount of more than \$25,000 to remain unsatisfied for a period of more than 30 days (unless a supersedeas or appeal bond has been filed);

- c. the Center, the Location (including the real property or building thereon), or the Franchisee's assets are seized, taken over or foreclosed by a government official in the exercise of its duties, or seized, taken over, or foreclosed by a creditor or lienholder, and a final judgment against the Franchisee remains unsatisfied for 30 days (unless a supersedeas or appeal bond has been filed);
- d. a levy of execution or attachment has been made upon the franchise granted by this Agreement or upon any property used in the Center, and it is not discharged within 5 days of such levy or attachment;
- e. a judgment is entered against TUPSS or its subsidiaries or affiliated corporations arising out of or relating to the operation of Franchisee's Center;
- f. a condemnation or Assignment in lieu of condemnation;
- g. if Franchisee abandons the Center at the Location. (For purposes of this Agreement, "abandon" shall mean (i) Franchisee's failure, at any time during the term of this Agreement, to keep the Center open and operating for business for a period of 3 consecutive days, unless such failure to operate is due to fire, flood, earthquake, or similar natural disasters beyond Franchisee's control, (ii) Franchisee's failure to keep the Center open and operating for any period after which it is not unreasonable under the facts and circumstances for TUPSS to conclude that Franchisee does not intend to continue to operate the Center, (iii) in the event of fire, flood, earthquake, or similar natural disasters beyond Franchisee's control causing the Center's closure, Franchisee's inability, refusal or other failure to resume operation of the Center within thirty (30) days after the natural disaster causing the closure unless Franchisee, within such thirty (30) day period, advises TUPSS of its intent to relocate the Center to a substitute site TUPSS accepts and in fact relocates the Center to, and commences operation of the Center at, that substitute acceptable site within one hundred and twenty days (120) days after the natural disaster causing the Center's closure at its original Location, (iv) the termination or withdrawal of permission from the applicable lessor (or host venue) that results in Franchisee's inability to legally continue or rightfully operate the Center at the Location; (v) closing of the Center at the Location required by law if such closing was not the result of a violation of this Agreement by TUPSS; or (vi) any act or statement by Franchisee from which TUPSS reasonably concludes that Franchisee intends to relinquish Franchisee's rights to the Center.);
- h. if Franchisee (i) fails on 2 or more separate occasions within any period of 12 consecutive months to comply with the same obligation under this Agreement, whether or not such breaches shall have been curable or cured after receipt of notice; or (ii) receives 3 or more written notices of default from TUPSS, within any period of 24 consecutive months, concerning any material breach by Franchisee, whether or not such breaches shall have been curable or cured after receipt of notice. Such repeated course of conduct itself shall be considered incurable and be grounds for termination of this Agreement at the same time as, or any time after, TUPSS notifies Franchisee of the third material default;
- i. if Franchisee or any of its officers, directors, or key employees is convicted of or pleads guilty or nolo contendere to a felony or any other crime or offense that is

reasonably likely, in the sole opinion of TUPSS, to adversely affect TUPSS' reputation, System, Marks or the goodwill associated therewith, or TUPSS' interest therein;

- j. if Franchisee purports to make any Assignment without TUPSS' prior written consent or otherwise violates Section 11 of this Agreement;
- k. if Franchisee materially misuses or makes any unauthorized use of the Marks or otherwise materially impairs the goodwill associated therewith or TUPSS' rights therein, takes any action that reflects materially and unfavorably upon the operation and reputation of the Center at the Location or upon TUPSS' network of Centers generally, or engages in any unauthorized use, disclosure, or duplication of the Confidential Information, excluding independent acts of employees or others if Franchisee shall have exercised its best efforts to prevent such disclosures or use;
- l. if Franchisee makes any material misrepresentations in connection with the execution of this Agreement or the acquisition of the Center at the Location;
- m. if (i) Franchisee loses the right to occupy the Location under the Lease or other occupancy agreement for Franchisee's Center, or (ii) Franchisee fails to cure a default under the Lease within the applicable cure period specified in the Lease, whether or not the landlord terminates the Lease as a result of that uncured default;
- n. if (i) TUPSS receives three (3) or more customer complaints within a consecutive six (6)-month period regarding Franchisee's operation of the Center, (ii) Franchisee operates the Center at a hotel or other type of non-traditional venue, the hotel or the host venue receives three (3) or more customer complaints within a consecutive six (6)-month period regarding Franchisee's operation of the Center, whether or not the hotel or host venue takes any action against Franchisee under the Lease, or (iii) the Center receives three (3) or more customer complaints or negative reviews on online business review websites, Social Media or other similar platforms within a consecutive six (6)-month period regarding Franchisee's operation of the Center that, in the sole opinion of TUPSS, reflect materially and unfavorably upon the operation and reputation of the Center or upon TUPSS' network of Centers generally;
- o. if Franchisee (or, if applicable, any Owner or spouse) shall violate the in-term non-competition covenant set forth in Section 2 of the Non-Competition Agreement(s) (attached as Exhibit D to this Agreement);
- p. if the Small Business Administration-backed funding promised or otherwise represented to be made available to Franchisee on the condition that it sign this Agreement is not made available to Franchisee immediately after it signs this Agreement;
- q. if TUPSS has reasonable grounds to believe that Franchisee or any of its Owners, officers, directors, or key employees has engaged or attempted to engage (alone or with others), through one or more affirmative acts or a failure to act, in any fraudulent, dishonest, unethical, immoral, dangerous (whether actual or

perceived) or similar conduct (such as, for example and without limitation, making false representations, concealing or otherwise failing to disclose material information, over-charging customers or charging customers for products or services they did not request or want, or otherwise acting deceptively, or possessing a weapon) in connection with the Center's operation, whether such conduct is directed at or reasonably expected to impact the Center's customers or employees, TUPSS or any of its Affiliates, suppliers, other franchisees, or another third party (collectively, "**Impacted Parties**"), and without regard to the actual monetary or other damages actually sustained by one or more Impacted Parties as a result of the conduct. For the purposes of this paragraph, "**reasonable grounds**" means that, based on TUPSS' or its Affiliate's investigation of the primary facts and circumstances relating to the conduct, it is reasonable for TUPSS or its Affiliate to conclude that the conduct (whether an affirmative act or a failure to act) was fraudulent, dishonest, unethical, immoral, dangerous or of a like nature. Whether or not TUPSS actually terminates this Agreement pursuant to this paragraph, Franchisee agrees to indemnify and reimburse any and all Impacted Parties for all damages, financial loss, costs, and expenses (including reasonable attorneys' fees) they incur as a result of the conduct described in this paragraph and in prosecuting claims against Franchisee and any other party that engaged in such conduct (including, in the case of TUPSS if applicable, all action that TUPSS takes to enforce the termination of this Agreement and Franchisee's post-termination obligations and TUPSS' post-termination rights);

- r. if TUPSS has reasonable grounds to believe that Franchisee or any of its Owners, officers, directors, or key employees has engaged in any lewd or immoral conduct, whether or not in connection with the Center's operation (such as, for example and without limitation, sexual harassment, sexual or other forms of physical abuse, drug use or trafficking, or assault, battery, or other physical altercation of any kind with any individual, including a customer of the Center). For the purposes of this paragraph, "**reasonable grounds**" means that, based on TUPSS' or its Affiliate's investigation of the primary facts and circumstances relating to the conduct, it is reasonable for TUPSS or its Affiliate to conclude that the conduct (whether an affirmative act or a failure to act) was lewd or immoral; or
- s. Franchisee fails to comply with any Data Security Requirement, causes or contributes to a Data Security Incident, or threatens to cause a Data Security Incident (e.g., by using unapproved point-of-sale terminals or payment processing systems for any transaction at the Center).

- 12.5 Any material default by Franchisee (or an Affiliate or Owner of Franchisee) under the terms and conditions of this Agreement, or any other agreement between TUPSS (or its Affiliate) and Franchisee (or an Affiliate or Owner of Franchisee) or Franchisee's Lease, or any default by Franchisee of its obligations to any DMA Advertising Collaborative of which it is a member, shall be deemed to be a material default of each and every said agreement. Furthermore, in the event of termination, for any cause, of this Agreement or any other agreement between the parties hereto, TUPSS may, at its option, terminate any or all said agreements.

Notwithstanding anything to the contrary contained in this Section 12, if Franchisee's UPS Incentive Program Contract Carrier Agreement is terminated by TUPSS' Affiliate due to Franchisee's failure to cure any material default of that Carrier Agreement, that termination will be considered a simultaneous uncured and incurable material default under this Agreement and will automatically and simultaneously result in the immediate termination of this Agreement without any required notice or other action by TUPSS. Grounds for Carrier Agreement termination include Franchisee's material violation of TUPSS' Affiliate's designated maximum retail prices for various shipping services and options.

- 12.6 Notwithstanding anything to the contrary contained in this Section 12, in the event any valid Applicable Law of a competent Governmental Authority having jurisdiction over this Agreement and the parties hereto shall limit TUPSS' rights of termination hereunder or shall require longer notice or cure periods than those set forth above, this Agreement shall be deemed amended to conform to the minimum notice or cure periods or restrictions upon termination required by such laws and regulations. TUPSS shall not, however, be precluded from contesting the validity, enforceability or application of such laws or regulations in any action, arbitration, hearing or dispute relating to this Agreement or the termination thereof.
- 12.7 TUPSS' rights as stated in this Section shall be without prejudice to any other rights or remedies provided by law or under this Agreement, which include, but are not limited to, injunctive relief, damages or specific performance. TUPSS' failure to terminate this Agreement upon the occurrence of one or more of the above events shall not constitute a waiver or otherwise affect the right of TUPSS to terminate this Agreement because of any other occurrence of one or more of the events set forth above. Further, TUPSS' failure to enforce any term or condition of any other agreement (whether or not with Franchisee) or to terminate such agreement upon the occurrence of one or more of the above events shall not constitute a waiver of TUPSS' right to enforce any term or condition of or terminate this Agreement.
- 12.8 If Franchisee operates the Center at a Non-Traditional site and is deemed to be in material default of this Agreement due to the termination or withdrawal of permission by the host venue of Franchisee's right to occupy the site and operate the Center at the Non-Traditional site's Location, TUPSS or its Affiliates shall have the right (but not the obligation) to bid, or to identify and assist another prospective franchisee in bidding, to obtain the necessary rights for such Non-Traditional site's Location before Franchisee ceases to operate the Center and TUPSS terminates Franchisee's rights under this Agreement. TUPSS' or its Affiliate's exercise of its rights under this Section 12.8 will not constitute a material default by TUPSS or its Affiliate of any obligation under this Agreement and will not be TUPSS' sole or exclusive remedy for Franchisee's material default.

13. TUPSS' RIGHTS UPON FRANCHISEE'S TERMINATION

Upon the termination of this Agreement as set forth above, in addition to all other rights and remedies of TUPSS (including as set forth in Section 14), TUPSS may, at its option:

- 13.1 Commence proceedings for damages, injunctive relief or specific performance.

- 13.2 Purchase from Franchisee, or assign to a third party the right to purchase, the tangible assets (equipment, decor, etc.) of Franchisee's Center at a purchase price equal to such assets' appraised fair market value, from which shall be deducted the following in the following order:
- a. All outstanding and unpaid obligations of Franchisee to TUPSS, including all unpaid fees, late payment fees and interest, promissory notes and equipment leases;
 - b. All of TUPSS' costs of collection of such unpaid obligations, if any;
 - c. The cost of upgrading Franchisee's Center to TUPSS' then-current requirements for Centers, including image and equipment upgrades; and
 - d. All outstanding claims of Franchisee's creditors and all accrued but unpaid amounts owed to Franchisee's lessor for the Center as of the date of the purchase, prorated as necessary.

If TUPSS exercises its right to receive liquidated damages in accordance with Section 13.5, TUPSS shall then be prohibited from exercising its rights under this Section 13.2 to purchase the tangible assets of Franchisee's Center.

- 13.3 Because the termination of Franchisee's Agreement extinguishes all intangible franchise rights that were formerly held by Franchisee, Franchisee acknowledges that the purchase described in Section 13.2 would not be in exchange for any such intangible assets or intangible rights that were formerly held by Franchisee.

- 13.4 If this Agreement is terminated due to Franchisee's abandonment of Franchisee's Center as described in Section 12.4(g) above, Franchisee has thereby abandoned any rights to the former business, including, but not limited to, any potential proceeds from a potential purchase or sale as described above or any payment or remuneration of any kind.

13.5 Payment of Liquidated Damages

- a. If this Agreement terminates prior to its expiration (i) by TUPSS in accordance with the terms of this Agreement, or (ii) by Franchisee not in accordance with Section 12.1 of this Agreement, TUPSS has the right, but not the obligation, to require that Franchisee pay TUPSS liquidated damages ("**Liquidated Damages**") as set forth in 13.5(c) below. Franchisee's payment of Liquidated Damages to TUPSS shall not be considered as a penalty for Franchisee's breaching this Agreement, but rather a reasonable estimate of TUPSS' damages and lost future fees TUPSS would have received from Franchisee under this Agreement had it not prematurely terminated.
- b. Franchisee acknowledges that its obligation to pay to TUPSS Liquidated Damages is in addition to, not in lieu of, (i) Franchisee's obligations to pay any amounts then due to TUPSS, (ii) Franchisee's obligation to fully comply with all of its post-termination duties set forth in this Agreement, and (iii) any other post-termination remedies that may be available to TUPSS under Applicable Law. However, if TUPSS exercises its right to receive Liquidated Damages in accordance with this provision, TUPSS shall then be prohibited from exercising

its rights, under Section 13.2 of this Agreement, to purchase the tangible assets of Franchisee's The UPS Store Center.

- c. Liquidated Damages shall mean the amount of five percent (5%) Royalty revenue that TUPSS would likely have earned during the period of time from the date of termination until the Agreement's expiration date but in no event greater than two (2) years ("**Liquidated Damages Period**"). Franchisee acknowledges that the following formula for calculating such damage amounts is applicable and reasonable.
 - i. If the Franchisee's Center has been open for at least one year, then the Liquidated Damages shall be calculated by multiplying the Royalties paid by Franchisee to TUPSS during the year immediately prior to the Liquidated Damages Period by the number of years (maximum two years) in the Liquidated Damages Period. Any Liquidated Damages Period days in addition to full years shall be pro-rated accordingly.
 - ii. If the Franchisee's Center has been open for less than one year, then the Liquidated Damages shall be calculated by multiplying the average monthly Royalty paid by Franchisee to TUPSS during the Term by the number of months in the Liquidated Damages Period. Any Liquidated Damages Period days in addition to full months shall be pro-rated accordingly.
 - iii. To the extent that Franchisee has failed to either pay and/or report Royalties owed to TUPSS during the Term, TUPSS shall be permitted to reasonably estimate the amount of such Royalties for the purpose of calculating Liquidated Damages.

14. FRANCHISEE'S OBLIGATIONS UPON EXPIRATION AND/OR TERMINATION

14.1 Upon expiration and/or termination (subject to Section 13) of this Agreement, Franchisee shall immediately:

- a. Cease to operate the former Center at Franchisee's Location, cease to use the System and Marks in any form, cease to hold itself out as a Franchisee of TUPSS, and not use or identify in any business name any of the words "The UPS Store," or "UPS," or "Store," or "Mail" or "Boxes" or "Etc." or the combined letters "TUPSS" in any combination, form or fashion or any words or letters confusingly similar to any of the words listed above, including, but not limited to, "Mail Boxes," "Mailboxes" or "MailBoxes." Franchisee shall take such action as TUPSS may require to accomplish the foregoing;
- b. Pay all sums due to TUPSS, including all sums required to satisfy in full all obligations, trade accounts, promissory notes, financing agreements and equipment leases owing to TUPSS;
- c. Return to TUPSS or to its designee the Manuals, all TUPSS- or CRS client-provided equipment (including the ICN device, with shipping costs, if any, to be paid by TUPSS), proprietary hardware, software, computer disks and all other trade secrets and other Confidential Information and instructions delivered to

Franchisee, and all copies thereof, and certify the deletion or destruction of all electronic copies of the foregoing in compliance with the Data Security Requirements;

- d. Surrender to TUPSS such stationery, printed matter, signs and advertising materials containing the Marks, as may be requested by TUPSS;
- e. Take such action as may be required by TUPSS, including:
 - i. transfer and assign the business telephone number, fax number and business Internet e-mail address for Franchisee's Center to TUPSS or its designee;
 - ii. disconnect and forward all such telephone numbers and Internet addresses to TUPSS or its designee in accordance with the Data Security Requirements;
 - iii. cease using and/or transfer to TUPSS (at TUPSS' discretion) all Social Media associated with the Marks used by Franchisee and/or the Center in accordance with the Data Security Requirements;
 - iv. transfer telephone directory listings, references and advertisements and all trade and similar name registrations and business licenses and cancel any interest which Franchisee may have in the same; and
 - v. implement all actions stated on TUPSS' "Franchisee De-Identification Checklist," including permitting TUPSS to access the POS System hardware and software, and other computer-related systems, in order to remove all proprietary Software and related programs.
- f. At TUPSS' request, provided TUPSS or its designee does not take possession of Franchisee's Location, make such changes in signs and the furniture, fixtures, decor and equipment at Franchisee's Location as TUPSS may require to distinguish the premises from its former appearance as a Center.

14.2 In the event of termination and/or expiration of this Agreement, Franchisee hereby authorizes and appoints TUPSS to act as special agent or attorney-in-fact for Franchisee to transfer any listed telephone and fax numbers, transfer telephone directory listings, transfer e-mail address and Internet presence relating to Franchisee's Center, and enforce the Addendum to Lease executed between Franchisee and Franchisee's lessor, including, but not limited to, exercising TUPSS' rights to assume, or assign its rights to assume, the Center's Lease.

14.3 In the event of termination and/or expiration of this Agreement, Franchisee hereby authorizes TUPSS to notify Franchisee's vendors, suppliers, landlord, banks, local advertisers, customers who have conducted business in Franchisee's Center, and any other appropriate party that this Agreement has expired and/or been terminated.

14.4 Termination and/or expiration of this Agreement shall be without prejudice to any other rights or remedies that TUPSS or Franchisee, as the case may be, shall have in law or in equity, including, without limitation, the right to recover benefit of the bargain damages.

In no event shall a termination and/or expiration of this Agreement affect Franchisee's obligations to take or abstain from taking any action in accordance with this Agreement. The provisions of this Agreement that constitute post-Term covenants and agreements, including the obligation of TUPSS and Franchisee to resolve any and all disputes, shall survive the termination and/or expiration of this Agreement.

- 14.5 Franchisee acknowledges and agrees that the goodwill and other rights in and to the Marks and System and the use thereof shall be and remain the property of TUPSS.
- 14.6 Upon expiration and/or termination of the Term, if Franchisee does not renew pursuant to Sections 2.2 and 2.3, TUPSS shall have the right and option, but not the obligation, to purchase the tangible assets (equipment, decor, etc.) of Franchisee's Center at a purchase price equal to such assets' appraised fair market value, from which the following shall be deducted:
- a. All outstanding and unpaid obligations of Franchisee to TUPSS, including all unpaid fees, late payment fees and interest, promissory notes and equipment leases;
 - b. All of TUPSS' costs of collection of such unpaid obligations, if any;
 - c. The cost of upgrading Franchisee's Center to TUPSS' then-current requirements for Centers, including image and equipment upgrades and upgrades necessary to bring Franchisee's Center into compliance with Data Security Requirements; and
 - d. All outstanding claims of Franchisee's creditors, and all accrued but unpaid amounts owed to Franchisee's lessor for the Center as of the date of purchase, prorated as necessary.
- 14.7 Because the expiration and/or termination of Franchisee's Agreement extinguishes all intangible franchise rights that were formerly held by Franchisee, Franchisee acknowledges that the purchase described in Section 14.6 would not be in exchange for any such intangible assets or intangible rights that were formerly held by Franchisee.

15. INSURANCE

- 15.1 Franchisee shall obtain and maintain throughout the Term insurance coverage in the types and amounts of coverage and deductibles specified in the Center Operations Manual, which shall in each instance designate TUPSS, United Parcel Service, Inc., and any other designated Affiliates as additional insureds. All insurance must be placed with a reputable insurance company licensed to do business in the state in which the Center is located and having a Financial Size Category equal to or greater than XV and Policyholders Rating of "A-" as assigned by Alfred M. Best and Company, Inc.
- 15.2 In the event of damage to the Center at the Location that is covered by insurance, the proceeds of any such insurance shall be used to restore such Center to its original condition as soon as possible, unless such restoration is prohibited by Franchisee's Lease or TUPSS has otherwise consented in writing.
- 15.3 Franchisee shall, prior to opening the Center at the Location, and from time to time thereafter, within 10 days after a request therefore from TUPSS, and annually thereafter,

provide evidence of the renewal or extension of each insurance policy by filing with TUPSS certificates of such insurance. In addition, the policies shall contain a provision requiring 30 days' prior written notice to TUPSS of any proposed cancellation, modification, or termination of insurance.

- 15.4 If Franchisee fails to comply with the requirements specified in this Section 15, TUPSS may, but is not obligated to, obtain such insurance or bonds and keep the same in force and effect, and Franchisee shall pay TUPSS, on demand, the cost thereof.

16. COMPLIANCE WITH LAWS AND OBLIGATIONS

- 16.1 Franchisee shall comply with all Applicable Laws and, with respect to computer hardware and software and point-of-sale systems, information security, and consumer data, all applicable Payment Card Industry (PCI) Security Data Standards and timely obtain any and all permits, certificates and licenses for the full and proper conduct of business at Franchisee's Center.
- 16.2 Franchisee shall operate the Center in conformity with all U.S. Postal Service regulations. Franchisee shall implement all changes in U.S. Postal Service regulations immediately upon receipt of notice of any changes provided by the U.S. Postal Service or TUPSS. Franchisee shall implement any changes by the U.S. Postal Service and follow all guidelines as directed by the post office in Franchisee's area.
- 16.3 Franchisee must adhere to, and must ensure that all of its employees adhere to, the highest standards of honesty, professionalism, integrity, fair dealing, and ethical conduct in all dealings with customers, suppliers, TUPSS and its Affiliates, and the public. Franchisee may not engage in any business or advertising practice that could injure TUPSS' or its Affiliates' businesses and the goodwill associated with the Marks, the System, and other The UPS Store® Centers.
- 16.4 It shall be a material obligation of Franchisee to cooperate and timely respond and communicate with TUPSS and its representatives in all matters relating to the parties' performance of their obligations under this Agreement, including with respect to any investigations (*e.g.*, customer concerns, compliance, incidents, irregularities, Affiliate concerns, etc.).

17. INDEMNIFICATION AND INDEPENDENT CONTRACTOR

- 17.1 Franchisee shall, at Franchisee's sole cost, defend and indemnify TUPSS, its Affiliates, and their respective Owners, directors, officers, employees, agents, attorneys, accountants, successors and assigns, and hold each of them harmless from and against, and reimburse them for, all losses, claims, liabilities, obligations, damages, attorneys' fees, costs (including, without limitation, all discovery costs, such as e-discovery analytics; searches; production; third-party expenses; experts; fines; regulatory fees and filing expenses; and breach notification costs), settlement amounts, judgments, lost profits, charges, expenses and taxes based upon, arising out of, or in any way related to the operation of the Center, Franchisee's acts or omissions (including Franchisee's noncompliance or alleged noncompliance with any law, ordinance, rule, or regulation, including any allegation that TUPSS or another indemnified party is a joint employer or otherwise responsible for Franchisee's acts or omissions relating to Franchisee's Center's employees), or the breach by Franchisee of any provision of this Agreement. For

purposes of certainty, the parties agree that the preceding sentence contemplates and includes, without limitation, Franchisee's and its employees activities resulting in or contributing to an actual or suspected Data Security Incident of any sort, including, without limitation, the compromise or suspected or potential compromise of any e-mail account or systems, or e-mails, used in relation to the operation of the Center. TUPSS and its Affiliates have the right to defend and/or settle any such matter in such manner as they deem appropriate, in their sole discretion, and without the consent of Franchisee. Franchisee shall also reimburse each of the foregoing indemnified parties for all costs reasonably incurred in investigating and defending any such matter, including, without limitation, attorneys' fees and court costs. This Section shall continue in full force and effect subsequent to and notwithstanding the expiration and/or termination of this Agreement.

- 17.2 In all dealings with third parties, including, without limitation, employees, suppliers and customers, Franchisee shall maintain itself as an employer separate, independent, and distinct from TUPSS and disclose in a manner acceptable to TUPSS that Franchisee is an independently owned, operated, and managed entity licensed by TUPSS under this Agreement. Nothing in this Agreement is intended by the parties to create a fiduciary relationship between them or to constitute Franchisee an agent, legal representative, subsidiary, joint venturer, partner, joint employer, or employee of TUPSS for any purpose whatsoever. TUPSS will not exercise direct or indirect control over the working conditions of Franchisee's Center's employees, except to the extent such indirect control is related to TUPSS' legitimate interest in protecting the quality of its products/services or brand. TUPSS and Franchisee do not share or co-determine the terms and conditions of employment of Franchisee's Center's employees. Nor does TUPSS affect matters relating to the employment relationship between Franchisee and its Center's employees, such as hiring, firing, discipline, supervision, and direction. It is understood and agreed that Franchisee is an independent contractor, and is in no way authorized to make any contract, warranty or representation or to create any obligation on behalf of TUPSS. Neither TUPSS nor Franchisee shall guarantee the obligations of the other or in any way become obligated for the debts or expenses of the other.

18. WAIVERS, FORMS OF AGREEMENT AND AMENDMENT

- 18.1 No failure of TUPSS to exercise any power reserved to it by this Agreement and no custom or practice of the parties at variance with the terms hereof shall constitute a waiver of TUPSS' right to demand exact compliance with any of the terms herein. No waiver or acceptance by TUPSS of any particular breach or default by Franchisee, nor any delay, forbearance or omission by TUPSS to act or give notice of default or to exercise any power or right arising by reason of such default hereunder, nor acceptance by TUPSS of payments due hereunder shall be considered a waiver or acceptance by TUPSS of any preceding or subsequent breach or default by Franchisee of any term, covenant or condition of this Agreement.
- 18.2 No warranty or representation is made by TUPSS that all franchise agreements heretofore or hereafter issued by TUPSS for Centers do or will contain terms substantially similar to those contained in this Agreement. Further, Franchisee recognizes and agrees that TUPSS may, in its reasonable business judgment, due to local business conditions or otherwise, waive or modify comparable provisions of other franchise agreements heretofore or hereafter granted to other franchisees of TUPSS in a non-uniform manner.

- 18.3 Subject to TUPSS' right to change the Manuals, no amendment, change, or variance from the terms and conditions in this Agreement shall be binding on either TUPSS or Franchisee except by mutual written agreement signed by the parties hereto and specifying the amendment, change, or variance.

19. NOTICES

All acceptances, approvals, requests, notices, and reports required or permitted under this Agreement will not be effective unless in writing and delivered to the party entitled to receive them in accordance with this Section 19. All such acceptances, approvals, requests, notices, and reports will be deemed delivered at the time delivered by hand; or one (1) business day after deposit with a nationally-recognized commercial courier service for next business day delivery; or three (3) business days after placement in the United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid; and must be addressed to the party to be notified at its most current principal business address of which the notifying party has been notified. As of the Effective Date of this Agreement, notices to TUPSS should be addressed to TUPSS' Headquarters, and notices to Franchisee and its Owners should be addressed to Franchisee's Center address as identified on the first page of this Agreement.

Subject to any Applicable Laws, TUPSS may send acceptances, approvals, requests, notices, and reports to Franchisee by facsimile, e-mail, or other electronic system (to Franchisee's The UPS Store e-mail address provided by TUPSS (if by e-mail) or to Franchisee's facsimile number that Franchisee provides to TUPSS (if by facsimile)) for the purposes of notices under this Agreement, which acceptances, approvals, requests, notices, and reports will be deemed delivered on the day successfully transmitted by TUPSS (for e-mail, successful transmission means upon delivery to the inbox of Franchisee's The UPS Store e-mail account provided by TUPSS; for fax, successful transmission shall mean upon TUPSS obtaining a transmission log from its faxing machine indicating the transmission was successful).

20. GOVERNING LAW AND DISPUTE RESOLUTION

20.1 Validity, Choice of Law, Venue and Jurisdiction

- a. This Agreement shall become valid when counter-executed and accepted by TUPSS, it shall be deemed made and entered into in the State of California and shall be governed and construed under and in accordance with the laws of the State of California, without regard to any choice of law analysis, rules, or principles thereof, to the extent such rules or principles would direct a matter to another jurisdiction, except: (i) the Non-Competition Agreement shall be deemed made and entered into, and governed and construed under and in accordance with, the laws of the State that is determined by the "Choice of Law" provision (Section 9) of such Non-Competition Agreement; and (ii) to the extent governed by such federal laws protective of TUPSS' or TUPSS' Affiliates' intellectual property rights in the Marks and in the System, including, but not limited to, the Federal Trademark Act, the Federal Copyright Act, the Federal Lanham Act and the Federal Uniform Trade Secrets Act.
- b. All actions arising out of or relating to this Agreement shall be heard and determined exclusively in: (1) the United States District Court for the Southern District of California or any federal court located within the Southern District of California; or (2) within any California state court located in the city of San

Diego. Consistent with the preceding sentence, the parties: (i) irrevocably submit to the exclusive jurisdiction of any federal court located within the Southern District of California or California state court located in the city of San Diego for the purpose of any action arising out of or relating to this Agreement; (ii) irrevocably waive, and agree not to assert by way of motion, defense or otherwise, in any such action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the action is brought in an inconvenient forum, that the venue of the action is improper, or that this Agreement may not be enforced in or by any of the above-named courts; and (iii) irrevocably consent to and grant any such court exclusive jurisdiction over the person of such parties and over the subject matter of such action.

20.2 Mediation

- (a) Before Franchisee may initiate suit or action against TUPSS, Franchisee shall attempt first to resolve a controversy or claim with TUPSS arising out of or relating to the Franchise Agreement (“**Dispute**”) by offering TUPSS the opportunity to engage in coordinated mediation to be conducted within one hundred twenty (120) days after the franchisee first gives notice of such Dispute (the “**Mediation Notice**”). The Mediation Notice must contain a detailed description of the alleged facts, circumstances and claims giving rise to the Dispute and include a demand that is supported by law and proportional to the alleged damages. TUPSS may, in its sole judgment, accept or reject Franchisee’s offer to mediate the Dispute by notifying Franchisee of that acceptance or rejection within thirty (30) days after receiving the Mediation Notice. If TUPSS accepts Franchisee’s offer to mediate the Dispute, and unless mutually agreed by the parties, the mediation shall be conducted in person at TUPSS’ Headquarters (or at a location in San Diego, CA designated by TUPSS) and shall be consistent with one of the following mechanisms:
- (1) Facilitated mediation, utilizing a single mediator, governed by either (i) the Commercial Mediation Rules of the American Arbitration Association, (ii) the CPR Mediation Procedures, or (iii) in accordance with alternative rules mutually agreed upon by the parties. In the event that the parties cannot reasonably agree as to the rules governing the mediation, TUPSS, in its sole judgment, shall advise Franchisee of the rules governing the mediation. The fees and expenses of the mediator shall be shared equally by the parties. The mediator shall be disqualified as a witness, expert or counsel for any party with respect to the Dispute and any related matter; or
 - (2) TUPSS, in its sole judgment, may elect mediation by informal meeting and discussion among the appropriate parties without the presence or involvement of a mediator.

Mediation is a compromise negotiation and shall constitute privileged communications under California and other Applicable Laws. The entire mediation process shall be confidential and the conduct, statements, promises, offers, views and opinions of the mediator and the parties shall not be discoverable or admissible in any legal proceeding for any purpose; provided, however, that evidence that is otherwise discoverable or admissible

shall not be excluded from discovery or admission as a result of its use in the mediation. Mediation shall be deemed completed one hundred twenty (120) days after the date of the Mediation Notice unless extended by mutual consent of the parties.

- (b) Franchisee acknowledges that one or more other franchise agreements in effect as of the Effective Date between TUPSS and Franchisee or its Affiliates, and/or one or more other franchise agreements in effect as of the Effective Date in which an Owner of Franchisee is deemed to be a Controlling Owner (the “**Related Franchise Agreements**”), might contain mediation provisions differing from those contained in Section 20.2(a) of this Agreement. To achieve uniformity and consistency in the mediation of disputes among the parties to this Agreement and any and all Related Franchise Agreements, TUPSS, by this Section 20.2(b), hereby amends the mediation provisions of all Related Franchise Agreements to reflect the identical provisions set forth in Section 20.2(a) of this Agreement. AS ADDITIONAL CONSIDERATION FOR TUPSS’ GRANT OF THE FRANCHISE RIGHTS ASSOCIATED WITH THIS AGREEMENT, FRANCHISEE, ON BEHALF OF ITSELF, ITS AFFILIATES, AND ITS CONTROLLING OWNERS, AGREES THAT, BY VIRTUE OF THIS SECTION 20.2(b), THE MEDIATION PROVISIONS OF ALL RELATED FRANCHISE AGREEMENTS ARE HEREBY AMENDED TO PROVIDE THE IDENTICAL PROVISIONS SET FORTH IN SECTION 20.2(a) OF THIS AGREEMENT. SUCH AMENDMENT OF THE RELATED FRANCHISE AGREEMENTS WILL SURVIVE THE TERMINATION OR EXPIRATION OF THIS AGREEMENT.

- 20.3 TUPSS may be granted injunctive relief without the necessity of a bond, but upon notice.
- 20.4 If, during the term of this Agreement, Franchisee and TUPSS are engaged in formal dispute resolution (mediation or litigation), Franchisee and all of Franchisee’s Owners must, during such dispute resolution process, continue to comply with all of their contractual duties owed to TUPSS.
- 20.5 In the event of a dispute relating to the subject matter of this Agreement, any party that requests or otherwise demands electronically stored information shall pay in advance of the identification, preservation, collection, review and production of electronically stored information all reasonable fees and costs associated with producing the information, including, but not limited to, the identification, preservation, collection, review and production of electronically stored information. An estimate of all reasonable fees and costs will be provided prior to the production of the information. In the event this estimate is not paid by Franchisee, TUPSS (including, if applicable, TUPSS’ Affiliates) will not provide the information or be obligated to respond to the request or demand for electronically stored information.

21. SEVERABILITY AND CONSTRUCTION

- 21.1 Every part of this Agreement will be considered severable as set forth below.
- a. If a court of competent jurisdiction declares any provision of this Agreement (or any exhibit or other document referred to herein) pertaining to the subject matters referenced in Section 21.1(b) to be invalid or unenforceable, but such provision

could be rendered valid and enforceable if modified, then Franchisee and TUPSS hereby agree that such provision shall then be deemed modified to the extent required to make it valid and enforceable to the fullest extent under applicable state law and public policy.

- b. The subject matters that are made subject to Section 21.1(a) are any provisions of this Agreement (or any exhibit or other document referred to herein) pertaining to (i) termination of this Agreement, (ii) non-renewal of this Agreement, (iii) designation of jurisdiction and venue for dispute resolution proceedings, (iv) “choice of law” provisions that specify which state’s law would apply in a dispute resolution proceeding, (v) certain types of mandatory franchisee “releases,” and (vi) any other provision that is inconsistent with a valid and applicable state law that was specifically intended to protect the rights of franchisees.
- c. If a mediator, arbitrator or court of competent jurisdiction declares any provision of this Agreement (or any exhibit or other document referred to herein), other than the provisions corresponding to the subject matters referenced in Section 21.1(b), to be invalid or unenforceable, but such provision could be rendered valid and enforceable if modified, then Franchisee and TUPSS hereby agree that TUPSS shall have the right, in its sole discretion, to modify such invalid or unenforceable provision to the extent required to render such provision valid and enforceable, including, without limitation, the right to delete the provision in its entirety.
- d. The remainder of this Agreement shall in no way be affected and shall remain valid and enforceable for all purposes, both parties hereto declaring that they would have executed this Agreement without inclusion of such provision. In the event such total or partial invalidity or unenforceability of any provision of this Agreement exists only with respect to the laws of a particular jurisdiction, this Section shall operate upon such provision only to the extent that the laws of such jurisdiction are applicable to such provision. Each party shall execute and deliver to the other any further documents that may be reasonably required to effectuate fully the provisions hereof.

21.2 This Agreement and all other writings referred to herein, including the exhibits (including, but not limited to, the executed Contract Carrier Agreement), Data Security Requirements, Manuals, and The UPS Store Advertising Collaborative Guidebook, contain the entire agreement of the parties pertaining to the subject-matter hereof. No prior or contemporaneous representations, inducements, promises, or agreements, oral or otherwise, between the parties not set forth herein shall be of any force and effect, provided, however, that TUPSS does not disclaim the representations it made in the Franchise Disclosure Document it previously delivered to Franchisee.

21.3 The table of contents, headings and captions contained herein are for the purposes of convenience and reference only and are not to be construed as a part of this Agreement. All terms used herein shall be construed to include the number and gender as the context of this Agreement may require. For the avoidance of doubt, because the Center shall be open to the public for business seven (7) days per week, each calendar day shall constitute a business day for purposes of this Agreement, unless TUPSS provides otherwise (in writing). The terms of all exhibits hereto are hereby incorporated into and

made a part of this Agreement as if the same had been set forth in full herein. As used in this Agreement, the words “include,” “includes” or “including” are used in a non-exclusive sense. Unless otherwise expressly provided herein to the contrary, any consent, acceptance, approval or authorization of TUPSS which Franchisee may be required to obtain hereunder may be given or withheld by TUPSS in its sole discretion, and on any occasion where TUPSS is required or permitted hereunder to make any judgment or determination, including any decision as to whether any condition or circumstance meets TUPSS’ Standards and Specifications or satisfaction, TUPSS may do so in its sole subjective judgment. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed or resolved against the drafter hereof, whether under any rule of construction or otherwise. To the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to fairly accomplish the purposes and intentions of all parties hereto. TUPSS and Franchisee intend that if any provision of this Agreement is susceptible to two or more constructions, one of which would render the provision enforceable and the other or others of which would render the provision unenforceable, then the provision shall be given the meaning that renders it enforceable. The parties agree that each section of this Agreement shall be construed independently of any other section or provision of this Agreement.

22. MISCELLANEOUS

- 22.1 In addition to all other remedies herein granted, if Franchisee shall default in the performance of any of its obligations or breach any term or condition of this Agreement or any related agreement, TUPSS may, at its election, immediately or at any time thereafter, without waiving any claim for breach hereunder and without notice to Franchisee, cure such default for the account and on behalf of Franchisee, and the cost to TUPSS thereof shall be due and payable on demand, shall be deemed to be additional compensation due to TUPSS hereunder, and shall be added to the amount of compensation next accruing hereunder, at the election of TUPSS.

Besides and without limiting Franchisee’s obligation to reimburse TUPSS for the cost of curing Franchisee’s breaches under this Agreement, as provided in the preceding paragraph, and besides and without limiting Franchisee’s indemnification obligations under Section 17.1 above, Franchisee acknowledges that its deviation from any contractual requirement, including any Standard and Specification, is a violation of this Agreement and will trigger incalculable administrative and management costs for TUPSS to address the violation (separate and apart from any damages Franchisee’s violation might cause to the System, TUPSS’ business opportunities, and the goodwill associated with the Marks). Therefore, Franchisee agrees that, to compensate TUPSS for its incalculable administrative and management costs due to Franchisee’s operational violations, Franchisee must pay TUPSS its then current non-compliance fee (the “**Non-Compliance Fee**”) for each deviation from a contractual requirement, including any Standard and Specification, cited by TUPSS. (The Non-Compliance Fee does not apply to payment defaults for which TUPSS may charge late fees and interest under this Agreement) TUPSS and Franchisee deem the Non-Compliance Fee to be a reasonable estimate of TUPSS’ administrative and management costs. TUPSS may debit Franchisee’s account for Non-Compliance Fees or set off monies otherwise due and payable to Franchisee to cover the payment of Non-Compliance Fees. TUPSS must receive the Non-Compliance Fee within five (5) days after TUPSS notifies Franchisee that it is charging it due to Franchisee’s violation. TUPSS need not give Franchisee a

cure opportunity before charging the Non-Compliance Fee. Charging the Non-Compliance Fee does not prevent TUPSS from seeking to recover damages to the System, its business opportunities, or the goodwill associated with the Marks due to Franchisee's violation, seeking injunctive relief to restrain any subsequent or continuing violation and/or formally defaulting Franchisee and terminating this Agreement under Section 12.

- 22.2 TUPSS will not be liable for loss or damage or be in breach of this Agreement if TUPSS' failure to perform obligations results from: (i) acts of God; (ii) fires, strikes, embargoes, war, terrorist acts or similar events, or riot; (iii) compliance with the orders, requests, or regulations of any federal, state, or municipal government; or (iv) any other similar event or cause. Any delay resulting from these causes will extend performance accordingly or excuse performance, in whole or in part, as may be reasonable.
- 22.3 This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument, although TUPSS and Franchisee need not be signatories to the same original, facsimile, or electronically-transmitted counterpart of this Agreement. The parties hereby consent to the use of electronic signatures (e.g., via DocuSign®) and electronic methods of delivery in connection with the execution of this Agreement and any related or ancillary documents by the parties. In the event that any signature is delivered by facsimile transmission or e-mail of a .pdf file, or by electronic signature pursuant to applicable laws, such signature or electronic execution shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such were an original thereof.
- 22.4 The submission of this Agreement does not constitute an offer, and this Agreement shall become effective only upon the counter-execution thereof by TUPSS. This Agreement shall not be binding on TUPSS unless and until it shall have been accepted and signed on its behalf by an authorized signing officer of TUPSS. This Agreement shall not become effective until and unless Franchisee shall have been furnished by TUPSS with all disclosure documents, in written form, as may be required under or pursuant to Applicable Law for requisite time periods.
- 22.5 The following provision applies only to franchisees and franchises that are subject to the state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:
 - a. No statement, questionnaire, or acknowledgement signed or agreed to by Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by TUPSS, any franchise seller, or any other person acting on behalf of TUPSS. This provision supersedes any other term of any document executed in connection with the franchise.

“Non-Compliance Fee” shall have the meaning set forth in Section 22.1.

“Non-Traditional” means, with respect to sites for Centers, colleges, universities, hotels, convention centers, airports, resorts, military bases, self-storage facilities, inside other retailers (“store in store”), office buildings, regional or outlet malls, bus or train stations, and other similar facilities that are different from the sites approved for traditional Centers.

“Owner” means any individual person(s) or Entity(ies) serving as shareholder, member, general or limited partner, trustee or beneficiary, or other equity owner of an Entity that is the Franchisee; provided, that if TUPSS or any Owner or Affiliate of TUPSS has any ownership interest in such Entity, the term Owner shall not include or refer to TUPSS or TUPSS’ Owners or Affiliates, and no obligation or restriction upon Franchisee or its Owners, officers, directors, or managers shall bind TUPSS, its Owners or Affiliates, or their respective Owners, officers, directors or managers.

“Partnership Rights” means voting power, property, profits or losses, or partnership interests of a Partnership.

“Primary Operator” means the individual person who has: (1) the direct, full-time on-premises primary responsibility for overseeing and supervising the Center’s day-to-day operations; (2) who has successfully completed all (Web-based Training, University Business Course, In Store Experience, and Print Services Training) phases of the New Franchisee Training Program; and (3) who possesses a sufficient level of proficiency in the English language. There may be only one Primary Operator per Center who may be either: (a) the Franchisee or one of its Owners; or (b) a supervisory employee of Franchisee who does not (directly or indirectly) own any interest in the Center’s franchise rights. If Franchisee is an MCO, the Center must have a separate Certified Operator, provided the MCO may designate a person trained as a Primary Operator to satisfy the MCO’s obligation to have a Certified Operator for one of its Centers if that person is overseen by a Primary Operator as described in Section 7.3(c).

With one exception, the MCO must have at least one (1) Primary Operator for every five (5) Centers owned by the MCO. (For example, if the MCO has five (5) Centers or less, the MCO must have at least one (1) Primary Operator in addition to a Certified Operator for each Center; if the MCO has six (6) through ten (10) Centers, the MCO must have at least two (2) Primary Operators in addition to a Certified Operator for each Center; if the MCO has eleven (11) through fifteen (15) Centers, the MCO must have at least three (3) Primary Operators in addition to a Certified Operator for each Center; and so on.) The only exception to this requirement is for two (2)-Center owners. If the MCO owns two (2) Centers, the MCO may have one Center operated by a Primary Operator and the second Center operated by a Certified Operator or Primary Operator. If the MCO purchases a third Center, each of the MCO's three (3) Centers must be operated full-time by a Certified Operator, and the three (3) Centers must be overseen by a Primary Operator.

"Principal" means Owner as defined above.

"Pro-Rated Renewal Fee for Transfer" means that portion of the Renewal Fee required to bring the transferee's Franchise Agreement Term up to a full ten (10) year term.

Pro-ration is achieved by subtracting the amount of time left on the transferor's (seller's) franchise agreement from the amount of the time set forth in the term of the transferee's (buyer's) franchise agreement.

For example, if the transferor has one (1) year left on its franchise agreement term and the transferee's agreement sets forth a term of ten (10) years for franchisees who buy "new" (i.e., not via transfer) TUPSS franchises, then the transferor and/or transferee must pay TUPSS a Pro-Rated Renewal Fee for Transfers equal to 90% of the Renewal Fee.

benefit of the Proprietary Information. A combination of the above elements in this paragraph shall not be deemed to be within any of the above exceptions merely because individual elements in this paragraph are within such exceptions.

“Renewal Fee” means an amount equal to 25% of the Initial Franchise Fee specified in the Then-Current Agreement for new Centers. If such then current Agreement provides for different Initial Franchise Fee amounts (e.g., discounts for multiple ownership), it is understood that the Renewal Fee shall always be 25% of the highest of these different fees.

NON-COMPETITION AGREEMENT

This Non-Competition Agreement (“**Agreement**”) is entered into by and between The UPS Store, Inc. (“**TUPSS**”) and _____ (“**Covenantor**”), and becomes effective on the date counter-signed below by TUPSS.

RECITALS

A. Covenantor is either (1) the “**Franchisee**” named in a Franchise Agreement (“**Franchise Agreement**”) that is being executed corresponding to this Agreement, or (2) an equity owner of the legal entity (corporation, LLC, partnership, etc.) that is named as the Franchisee in such Franchise Agreement;

B. Covenantor acknowledges that TUPSS has a legitimate business interest in protecting its franchisees from unfair competition by an existing or former franchisee that has or had special, intimate knowledge of TUPSS’ valuable trade secrets and confidential information and proprietary operating methods;

C. Covenantor acknowledges that TUPSS has a legitimate business interest in protecting its franchisees from unfair competition by an existing or former TUPSS franchisee that transfers (without permission) the goodwill associated with TUPSS’ trademarks to a business that competes with TUPSS’ franchisees;

D. Covenantor acknowledges that TUPSS has a legitimate business interest in protecting its franchisees from unfair competition by an existing or former franchisee or that is able to take advantage of the knowledge and experience gained as a franchisee by operating its new business without having to continue to pay royalties and other fees for such information, thereby placing at a competitive disadvantage such remaining franchisees that continue to abide by their contractual obligations;

E. Covenantor acknowledges that (1) TUPSS has a legitimate business interest in refranchising the formerly protected territory of a former franchisee, and (2) TUPSS would suffer irreparable harm absent this Agreement because it would be unable to attract new franchisees to the area served by its former franchisee;

F. Covenantor acknowledges that TUPSS has a legitimate business interest in protecting its franchisees from unfair competition by an existing or former franchisee that diverts or attempts to divert business from a Center to a competitor of TUPSS; and

G. Covenantor acknowledges that TUPSS requires the execution of this Agreement as an ancillary requirement to TUPSS’ simultaneous grant of a franchise to, as applicable, (i) Covenantor, or (ii) a legal entity (corporation, LLC, partnership, etc.) of which Covenantor is an equity owner.

NOW, THEREFORE, in express acknowledgment and recognition of the importance of the foregoing recitals, the parties agree as follows:

1. **Consideration In Exchange For Covenantor's Covenants in This Agreement.** Covenantor hereby expressly acknowledges and confirms that all of the valuable benefits, advantages and opportunities enjoyed by Covenantor immediately upon (and solely as a result of) Covenantor's (or, as applicable, Covenantor's legal entity) becoming a franchisee under the Franchise Agreement (which occurs simultaneous to, and corresponding with, the execution of this ancillary Agreement) serve as valuable and adequate consideration received in simultaneous exchange for all of Covenantor's promises and covenants made in this Agreement below.

2. **Covenantor's In-Term Non-Competition Covenants.** During the term of the Franchise Agreement corresponding to this Agreement, and without geographic restriction, Covenantor shall not, directly or indirectly (such as through corporations or other entities owned, in whole or in part, or controlled by Covenantor or by or through or in conjunction with any other individual person or persons or entity, including, but not limited to, Covenantor's spouse or domestic partner (if any) and employees):

- a. divert or attempt to divert any business or customer of any The UPS Store® Center to any competitor or do anything injurious or prejudicial to the goodwill associated with TUPSS' proprietary Marks or System; and
- b. own, maintain, engage in, be associated with, be employed by, advise, assist, invest in, be landlord to, provide management services to, contract with, consult with, license from, franchise from, make loans to or otherwise have any interest in any business which is the same as, is competitive with, is substantially similar to, or provides one or more of the services also provided by any The UPS Store Center or a business owned or operated by any affiliate of TUPSS. For purposes of clarity, neither Covenantor (whether Covenantor is Franchisee or an equity owner of Franchisee), nor its affiliates may, directly or indirectly, as long as such party has any ownership interest in an existing The UPS Store franchise, be a lender or landlord to any other existing franchisee (or an existing franchisee's affiliates or owners) in The UPS Store Center network; and
- c. own, maintain, engage in, be associated with, be employed by, advise, assist, invest in, provide services to, or have any interest in any business which acts as a broker for any The UPS Store Center franchisee; and
- d. enter into a business relationship with a TUPSS Commerce Ready Services client, outside of TUPSS' Commerce Ready Services program, unless pre-authorized by TUPSS in writing.

3. **Covenantor's Post-Term Non-Competition Covenants**

- a. For purposes of this Section 3, the word "**Conclusion**" means the termination/expiration of the Franchise Agreement corresponding to this Agreement, regardless of whether such termination/expiration occurs prior to, or at the end of, such Franchise Agreement's ten (10)-year term.
- b. Upon the Conclusion of the Franchise Agreement corresponding to this Agreement, and for the time period thereafter and geographic restriction set forth below, Covenantor shall not, directly or indirectly (such as through corporations or other entities owned, in whole or in part, or controlled by Covenantor or by or through or in conjunction with any other

individual person or persons or entity, including, but not limited to, Covenantor's spouse or domestic partner (if any) and employees):

- i. for a two (2)-year period following the Conclusion of the Franchise Agreement corresponding to this Agreement and without geographic restriction, divert or attempt to divert any business or customer of any Center to any competitor, or do anything injurious or prejudicial to the goodwill associated with TUPSS' proprietary Marks or TUPSS' System; and
 - ii. own, maintain, engage in, be associated with, be employed by, advise, assist, invest in, be landlord to, provide management services to, contract with, consult with, license from, franchise from, make loans to or otherwise have any interest in any business which is the same as, is competitive with, is substantially similar to, or provides one or more of the services also provided by any The UPS Store Center or a business owned or operated by any affiliate of TUPSS, and which is located within what was formerly the protected franchise territory granted under the Franchise Agreement corresponding to this Agreement (with such restriction limited to a two (2)-year period following the Conclusion of the Franchise Agreement corresponding to this Agreement); and
 - iii. for a two (2)-year period following the Conclusion of the Franchise Agreement corresponding to this Agreement and without geographic restriction, own, maintain, engage in, be associated with, be employed by, advise, assist, invest in, provide services to, or have any interest in any business which acts as a broker for any The UPS Store Center franchisee; and
 - iv. for a one (1)-year period following TUPSS' termination of any of its Commerce Ready Services clients, enter into any business relationship with such terminated (former) Commerce Ready Services client(s).
- c. As an alternative to Section 3(b)(ii) above, and only if the applicable former Center is located in a state that maintains a statutory or common law public policy disfavoring the enforceability of post-term non-competition covenants against franchisees, then upon the Conclusion of the Franchise Agreement corresponding to this Agreement, and for the time period thereafter and geographic restriction set forth below, Covenantor shall not, directly or indirectly (such as through corporations or other entities owned, in whole or in part, or controlled by Covenantor or by or through or in conjunction with any other individual person or persons or entity, including, but not limited to, Covenantor's spouse or domestic partner (if any) and employees), own, maintain, engage in, be associated with, be employed by, advise, assist, invest in, be landlord to, provide management services to, contract with, consult with, license from, franchise from, make loans to or otherwise have any interest in any business which is the same as, is competitive with, is substantially similar to, or provides one or more of the services also provided by any The UPS Store Center or a business owned or operated by any affiliate of TUPSS, and:
- i. which sells packaging and shipping services (which constitute only a limited portion of all services and products sold by Centers); and

- ii. which is located at the premises of the Center for the Franchise Agreement corresponding to this Agreement; and
 - iii. with such partial restriction limited to a six (6)-month period following the Conclusion of the Franchise Agreement corresponding to this Agreement.
- d. TUPSS may (in its sole discretion) at any time unilaterally reduce the scope of any part of the post-term non-competition covenant to something less than the restriction provided in Section 3 of this Agreement, and Covenantor agrees and promises to comply with any such reduced restriction upon receipt of written notice from TUPSS.

4. Exception to Non-Competition Covenants. The non-competition covenants described above shall not apply to the ownership by Covenantor of less than five percent (5%) beneficial interest in the outstanding equity securities of any publicly held corporation.

5. Suspension of Non-Compete Time Periods During Dispute Resolution Proceedings. In the event that this Agreement or this Agreement's corresponding Franchise Agreement become the subject of any mediation, arbitration or litigation, then the applicable post-term time periods referenced above in Section 3 (or as may be determined by any mediator, arbitrator or judge) shall (a) be suspended during the entirety of any such dispute resolution proceedings; and to the maximum extent found enforceable, (b) begin to run from the date that Covenantor complies with this Agreement.

6. Severability. It is the parties' desire and intention that the covenants contained in this Agreement shall be construed as agreements severable from and independent of each other and of any other provision of this or any contract or agreement between the parties, except that any violation of Section 2 of this Agreement by Covenantor shall also constitute a default by the Franchisee of the Franchise Agreement corresponding to this Agreement. It is the parties' further desire and intention that if any court of competent jurisdiction finds (in a final judgment to which TUPSS and Covenantor are parties) that any portion of any covenant in this Agreement is invalid or unenforceable, then, the maximum legally allowable restriction permitted by applicable law shall control and bind Covenantor.

7. Injunction. Covenantor recognizes and agrees that the injury that TUPSS and certain of its franchisees will suffer in the event of Covenantor's breach of any covenant contained in this Agreement cannot be compensated by monetary damages alone, and Covenantor therefore agrees that in the event of a breach of threatened breach by Covenantor of this Agreement, TUPSS, in addition to and not in limitation of, any other rights, remedies, or damages available to TUPSS at law, in equity, under this Agreement or otherwise, shall be entitled to seek an injunction from any court of competent jurisdiction in order to prevent or restrain any such breach by Covenantor or by Covenantor's agents, representatives, partners, co-owners, or any and all other persons directly or indirectly acting for or with him/her.

8. Enforcement Costs. Covenantor promises to pay to TUPSS all of the costs and expenses (including reasonable attorneys' fees) incurred by TUPSS in connection with its enforcement of this Agreement.

9. Choice of Law, Venue and Jurisdiction. This Agreement shall be (a) deemed made and entered into, and (b) construed and governed under and in accordance with the laws of the State where the Center associated with the Franchise Agreement (that is owned and operated by Covenantor or, as applicable, Covenantor's legal entity) is located. All actions arising out of or relating to this Agreement shall be heard

and determined exclusively in: (1) the United States District Court for the Southern District of California or any federal court located within the Southern District of California; or (2) within any California state court located in the city of San Diego. Consistent with the preceding sentence, the parties: (i) irrevocably submit to the exclusive jurisdiction of any federal court located within the Southern District of California or California state court located in the city of San Diego for the purpose of any action arising out of or relating to this Agreement; (ii) irrevocably waive, and agree not to assert by way of motion, defense or otherwise, in any such action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the action is brought in an inconvenient forum, that the venue of the action is improper, or that this Agreement may not be enforced in or by any of the above-named courts; and (iii) irrevocably consent to and grant any such court exclusive jurisdiction over the person of such parties and over the subject matter of such action.

10. Counter-Parts, Entire Agreement, Amendments, Electronic Signatures and Delivery. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument. The parties hereby consent to the use of electronic signatures (e.g., via DocuSign®) and electronic methods of delivery in connection with the execution of this Agreement and any related or ancillary documents by the parties. In the event that any signature is delivered by facsimile transmission or e-mail of a .pdf file, or by electronic signature pursuant to applicable laws, such signature or electronic execution shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such were an original thereof. This Agreement contains the entire agreement of the parties pertaining to the subject-matter hereof and no prior or contemporaneous representations, inducements, promises, or agreements, oral or otherwise, between the parties not set forth herein shall be of any force and effect. Any modifications to this Agreement must be accomplished by a written agreement signed by both parties. Nothing in this Agreement or in any related agreement is intended to disclaim the representations TUPSS has made in its franchise disclosure document.

The following are the terms and conditions under which The UPS Store, Inc. (“**TUPSS**” or “**Licensors**”) Franchisees under the Franchise Agreement (“**Licensee**” or “**Franchisee**”) may receive and use software provided by TUPSS to Licensee. All of the following terms and conditions are supplemental to the terms and conditions of Licensee’s Franchise Agreement, and may be amended from time to time by TUPSS. Capitalized terms not defined herein shall have the meanings assigned to them in the Franchise Agreement.

1. **Grant Of Rights.** Subject to the terms and conditions of the Franchise Agreement including, without limitation, this Domestic Software License (“**License**”), TUPSS grants to Franchisee a non-transferable, non-assignable, non-sublicensable, non-exclusive and revocable limited right and license to install, access, and use a single copy of the object code version of the Software in accordance with the related documentation provided with such Software (“**Documentation**”), which may be distributed to Franchisee by TUPSS pursuant to the Franchise Agreement via electronic download, as a service, or otherwise from time to time during the Term. The Software and the Documentation shall collectively be referred to in this License as the “**Products**”. Franchisee shall use the Products solely for the purpose of operating its business as a Franchisee at the Location, and for no other purpose. The license granted shall not be sublicensed, transferred, or assigned without prior written permission from TUPSS, which permission may be granted or withheld at TUPSS’ sole discretion. Except as set forth in this Section 1, no other right or license of any kind is granted by TUPSS to Franchisee hereunder with respect to the Products. The Software and the Documentation are licensed, not sold.
2. **Updates and Technical Support.** TUPSS may provide Franchisee with modifications, error corrections, bug fixes or other updates (each an “**Update**”) to or for the Products as they become available from TUPSS, as well as maintenance and technical support, at the fees, terms and conditions set forth in Section 7 of this License. Any such Update provided by TUPSS hereunder shall be deemed Products and shall be subject to the terms and conditions of this License.
3. **Exclusions.** Franchisee shall not, nor shall it permit any third party to: (a) copy all or any portion of the Products; provided, however, that Franchisee may make one (1) copy of any Software contained in the Products solely for normal backup and archival purposes; (b) decompile, disassemble or otherwise reverse engineer (except to the extent expressly permitted by applicable law, notwithstanding a contractual obligation to the contrary) the Software or any portion thereof, or determine or attempt to determine any source code, algorithms, methods or techniques embodied in the Software or any portion thereof; (c) modify, translate or create any derivative works based upon the Products; (d) distribute, disclose, market, rent, lease, assign, sublicense, pledge or otherwise transfer the Products, in whole or in part, to any third party or export the Products outside the United States; (e) remove or alter any copyright, trademark, trade name or other proprietary notices, legends, symbols or labels appearing on or in copies of the Products; (f) perform, or release the results of, benchmark tests, analyses or other comparisons of the Products with other programs; (g) transfer the Products to any computer at or site other than the Location; (h) permit the Products to be used in connection with any facility management services, time-sharing, or service bureaus or otherwise to be used for processing the data or other information of any third party; (i) incorporate the Products or any portion thereof into any other program or product not provided by TUPSS; (j) combine the Software with any unauthorized third party software; or (k) use the Products for any purpose other than in accordance with the terms and conditions of this License.

4. **Ownership of Intellectual Property Rights.** As between TUPSS and Franchisee, Licensee hereby acknowledges and agrees that Licensor or its licensors is the owner of and retains all right, title and interest, including, without limitation, all patent rights, copyrights, trademarks and trade secrets, in and to the Products and any portion thereof. Licensee acknowledges that, except for the rights expressly granted to Franchisee in Section 1 of this License it has not acquired any ownership interest in the Products and will not acquire any ownership interest in the Products by reason of this License. Licensee will not at any time do or knowingly permit to be done any act or thing that would in any way impair the rights of Licensor or its licensors in and to the Products. Franchisee agrees to take any action reasonably requested by TUPSS to evidence, maintain, enforce or defend the foregoing. Franchisee shall have only those rights in or to the Products granted to it pursuant to this License. If Franchisee or any of its employees, Owners, or contractors sends or transmits any communications or materials to TUPSS by mail, email, telephone, or otherwise, suggesting or recommending changes to the Products, including without limitation, new features or functionality relating thereto, or any comments, questions, suggestions, or the like (“**Feedback**”), TUPSS is free to use such Feedback irrespective of any other obligation or limitation between the Parties governing such Feedback. Franchisee hereby assigns and agrees to assign to TUPSS on Franchisee's behalf, and on behalf of its employees, Owners, contractors and/or agents, all right, title, and interest in, and TUPSS is free to use, without any attribution or compensation to any party, any ideas, know-how, concepts, techniques, or other intellectual property rights contained in the Feedback, for any purpose whatsoever, although TUPSS is not required to use any Feedback. Franchisee will be in breach of this License if Franchisee, or any of its employees, Owners, or contractors, creates or develops any improvements relating to the Products. TUPSS and its Affiliates will own any and all such improvements, whether created or developed by Franchisee or any of its employees, Owners, or contractors, which will be deemed “Improvements” subject to the provisions of Section 6.8 of the Franchise Agreement.
5. **Audit Rights.** During the term of this License, and for one (1) year thereafter, Licensee shall, upon Licensor's request, provide Licensor or its representatives with access to the Products and all books and records associated with this License and relating to Franchisee's use of the Products to ensure Licensee's compliance with the applicable terms of the Franchise Agreement, including this License. In the event that Licensee becomes aware of any infringement or unauthorized use of any Product, Licensee will promptly notify Licensor of such activity and reasonably cooperate with Licensor in the investigation of the unauthorized activity and the enforcement of Licensor's or its Affiliates' or its or their licensors' rights to the Products.
6. **Fees.** Licensee shall pay TUPSS for the Products at prices and on payment terms to be determined and provided by TUPSS upon request from Franchisee. Updates may be made available to Franchisee upon prices and payment terms to be determined by TUPSS.
7. **Disclaimer of Warranties.** TO THE FULLEST EXTENT PERMITTED BY LAW, THE PRODUCTS ARE PROVIDED “AS IS,” “WHERE IS,” AND “AS AVAILABLE” AND IN THEIR PRESENT STATE AND CONDITION. NO WARRANTY, REPRESENTATION, CONDITION, UNDERTAKING OR TERM, EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, AS TO THE CONDITION, ACCURACY, TITLE, QUALITY, DURABILITY, PERFORMANCE, NON-INFRINGEMENT, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR THOSE WARRANTIES THAT MAY ARISE FROM COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE OF TRADE, IS GIVEN OR ASSUMED BY TUPSS OR ITS LICENSORS, AND TUPSS HEREBY DISCLAIMS ANY AND ALL SUCH WARRANTIES, REPRESENTATIONS, CONDITIONS, UNDERTAKINGS OR TERMS. TUPSS DOES NOT WARRANT THAT THE PRODUCTS SHALL BE SECURE, ERROR-FREE OR THAT

OPERATION OF THE PRODUCTS SHALL BE UNINTERRUPTED, AND HEREBY DISCLAIMS ANY AND ALL LIABILITY ON ACCOUNT THEREOF.

8. **Non-Disclosure Of Proprietary Information.** Licensee agrees that, as between Licensor and Licensee, the Products (including any Updates), this License, and all information and materials supplied by Licensor under this License shall be deemed to be Proprietary Information of Licensor. During the term of this License and thereafter, Licensee shall hold in strict confidence, and not use, disclose or permit any person access to any of the Proprietary Information except as permitted in connection with its performance hereunder.

The obligations of Franchisee under this Section 9 with respect to any item of Proprietary Information shall survive the expiration or termination of this License and shall continue for five (5) years from the date of any termination or expiration of this License; provided, however, that the obligations of Franchisee under this Section 9 with respect to any Trade Secret shall continue for as long as such Trade Secret is recognized as a trade secret under applicable law. Recipient shall be responsible for any breach of this License by any of its employees, Owners, consultants or agents. Licensor acknowledges that if it breaches this Section, TUPSS will have no adequate remedy at law available to it, will suffer irreparable harm, and TUPSS will be entitled to injunctive and other equitable relief without the necessity of posting any bond or other security. Franchisee shall notify TUPSS in writing immediately upon Franchisee's becoming aware of any breach or threatened breach of this License, including but not limited to a disclosure under this Section 9.

9. **Disclaimer of Third-Party Liability and Limitation of Liability.** NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS LICENSE, AND TO THE MAXIMUM EXTENT PERMITTED BY LAW, NEITHER LICENSOR NOR ITS AFFILIATES SHALL BE LIABLE TO LICENSEE OR ANY THIRD PARTY FOR ANY INDIRECT, CONSEQUENTIAL, EXEMPLARY, PUNITIVE, MULTIPLE, INCIDENTAL, OR SPECIAL DAMAGES, LOST PROFITS, LOST OR INTERRUPTED BUSINESS, LOSS OF USE, LOSS, DAMAGE, CORRUPTION, OR RECOVERY OF DATA, OR BREACH OF DATA OR SYSTEM SECURITY OR DATA, OR LOST SAVINGS ARISING OUT OF OR RELATING TO THIS LICENSE OR THE SUBJECT MATTER HEREOF, DUE TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, OR USE OF THE PRODUCTS EVEN IF LICENSOR AND/OR ITS AFFILIATES HAVE BEEN ADVISED OF THE LIKELIHOOD OF SUCH DAMAGES OCCURRING, HOWEVER CAUSED, AND NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY OR LIMITATION OF LIABILITY.

UNLESS PROHIBITED OR LIMITED BY APPLICABLE LAW, AND NOTWITHSTANDING THE FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY OR LIMITATION OF LIABILITY, IN NO EVENT SHALL LICENSOR'S OR ITS AFFILIATES' LIABILITY FOR ANY DAMAGES (DIRECT OR OTHERWISE) OR PENALTIES OR LOSS, REGARDLESS OF THE FORM OF ACTION OR CLAIM, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE OF ANY TYPE EXCEED, IN THE AGGREGATE, THE AMOUNTS PAID BY LICENSEE TO TUPSS FOR THE PRODUCTS WHICH ARE THE SUBJECT OF THE CLAIM, ANY CLAIM FOR SUCH DAMAGES OVER THAT AMOUNT BEING HEREBY WAIVED BY LICENSEE.

10. **Term.** The term of this License shall be coterminous with the Term of the Franchise Agreement. The license to use the Products granted pursuant to this License shall terminate immediately and without notice in the event Licensee violates any of the terms of this License or if the Franchise

Agreement expires or is terminated for any reason whatsoever. Upon termination or expiration of this License :

- (i) All licenses granted hereunder and all rights to use Products shall immediately terminate;
- (ii) Licensee shall immediately cease and desist from all access to and use of the Products, and, within five (5) business days after the effective date of termination, deliver to Licensor or its duly authorized representative, or certify in writing that it has destroyed, all Products and Proprietary Information provided to Licensee by Licensor pursuant to this License, including, without limitation, all copies and extracts of the foregoing stored on any physical or electronic media. Any costs incurred in returning the foregoing upon termination shall be borne by Franchisee; and
- (iii) Termination by TUPSS shall not act as a waiver of any Franchisee breach of this License and shall not act as a release of Franchisee from any liability for breach of its obligations under this License. TUPSS shall not be liable Franchisee for damages of any kind solely as a result of terminating this License in accordance with its terms, and termination of this License by TUPSS shall be without prejudice to its other rights or remedies under this License or applicable law.

In the event the Franchise Agreement is renewed or otherwise reinstated, Licensee may renew its license to use the Products upon the terms and conditions of TUPSS' then current Domestic Software License.

The provisions of Sections 4, 5, 7, 8, 9, 10, 11, 12, 13, and 14 shall survive the expiration or any termination of this License and the Franchise Agreement.

- 11. Indemnification.** Licensee shall indemnify and hold harmless, and at TUPSS' option defend, TUPSS and its Affiliates, and their respective officers, directors, employees, agents, successors and assigns from and against any and all claims, damages and expenses, including attorneys' fees and legal fees, incurred directly or indirectly by TUPSS or its Affiliates, and their respective officers, directors, employees, agents, successors and assigns that arise out of or relate to the: (i) negligence, abuse, misapplication, misuse or more culpable act or omission (including recklessness or willful misconduct) by or on behalf of Franchisee with respect to the Products or otherwise in connection with this License; (ii) use of the Products by or on behalf of Franchisee beyond the purpose, scope or manner of use authorized by this License, or in any manner contrary to TUPSS' instructions; or (iii) breach or non-performance of this License by Licensor.
- 12. Force Majeure.** Licensor shall not be responsible for any failure to perform hereunder which is caused by Acts of God or any other circumstances beyond the control of Licensor. The parties hereto recognize the Products represent a sophisticated software system and that it is impossible to test every possible combination of circumstances and situations. In the event a significant software problem or bug is discovered, Licensor will use reasonable efforts to correct such, but cannot guarantee either a solution or a time frame within which such will be eliminated. Under no circumstances shall Licensor be responsible for any injury or damage due to any delay in delivery or performance.
- 13. Miscellaneous.** The following provisions of the Franchise Agreement apply to the licensing arrangement set forth in this Exhibit E as if fully set forth herein: Sections 16, 18.1, 19, 20, 21, and 22.

- 14. Conflict.** If there is a conflict between the terms of this License, on the one hand, and the Franchise Agreement, on the other, the terms of this License shall prevail.

SECURITY AGREEMENT

This Security Agreement is entered into by and between _____ (“**Franchisee**”) of the following Center # _____ and THE UPS STORE, INC., a Delaware corporation, located at San Diego, California, herein called “**TUPSS**,” “**Secured Party**” or “**Franchisor**”. The parties hereby agree to the following terms and conditions:

- 1. Creation and Attachment of Security Interest.** Franchisee and the undersigned Personal Guarantors jointly and severally hereby grant and assign to Secured Party first, prior, and superior security interests (subject to Section 11.2(a) of the parties’ Franchise Agreement) in and to all the collateral described in Paragraph 2 of this Security Agreement, to secure full and prompt payment of all royalty fees, marketing fees, credit sales in the form of trade receivables, performance of all other covenants pursuant to any Individual or Area Franchise Agreements (“**Franchise Agreement**”) executed by Franchisee and Secured Party as Franchisor and any extensions and renewals thereof, equipment leases or sales, promissory notes, and all other obligations now due Franchisor or hereafter incurred (the “**Obligations**”).

The security interest hereby created shall attach immediately on execution of this Security Agreement by Franchisee and shall secure the payment of all Obligations now due Secured Party or hereafter incurred. Should the Franchisee or its successors in interest sell, contract to sell, or otherwise dispose of or transfer the Collateral described below, or any interest therein, except for the sale of inventory or stock in trade in the ordinary course of business, all outstanding sums due Franchisor under any agreement and hereby secured will be immediately due and payable. Franchisee further agrees to notify the Secured Party within the time period stated in the Franchise Agreement prior to any attempted transfer by Franchisee and to comply with the transfer provisions of the Franchise Agreement including, but not limited to, completion and approval by Secured Party of its then-current transfer package.

In the event that any collateral is given to secure the Obligations hereunder which require perfection by possession and the collateral is not presently or hereafter delivered to Secured Party, it will nevertheless be deemed to be collateral for the Obligations.

- 2. Description of Collateral.** The Collateral covered by this Security Agreement and in which a security interest is hereby granted and transferred to Secured Party is as follows:

All interests in any The UPS Store® Center(s) or Area(s) either now owned or in which Franchisee gains rights in the future, all of Franchisee’s tangible and intangible personal property comprising such Center(s) and Area(s) including, without limitation, all accounts, accounts receivable, cash, cash deposits, amounts owed by other than customers, chattel paper, collateral, deposit and checking accounts, equipment (including computers, peripherals, and software), goods, instruments, inventory, note proceeds, royalties or sales fees owed to the Franchisee by TUPSS, stock in trade, trade receivables, contract rights, including, but not limited to, at interests in the Franchise Agreement, general intangibles including business trade name and goodwill, and all of the above, wherever located, whether now owned or hereafter acquired, including the products and proceeds thereof, all replacements and substitutions thereof, and all additions, replacements, attachments and accessions in which Franchisee now or hereafter has an interest (the “**Collateral**”).

3. **Security Interest in Proceeds.** Franchisee also hereby grants and transfers to Secured Party a security interest in any and all proceeds, as defined in Section 9306 of the Uniform Commercial Code of California, of the Collateral or any part of the Collateral. Provided, however, that nothing in this Paragraph shall constitute, or be deemed to constitute, a grant of authority to Franchisee to sell, lease, or otherwise dispose of or encumber the Collateral, or any part of the Collateral, without the prior written consent of Secured Party, except for inventory or stock in trade sold in the ordinary course of business.
4. **Representations and Warranties by Franchisee.** Franchisee hereby represents and warrants and covenants to Secured Party that:
 - a. Except for the security interest created by this Security Agreement, Franchisee is the full legal and equitable owner of all the Collateral and no other person or entity has any right, title, interest or claim in or to the Collateral or any part of the Collateral, other than a purchase money security interest in which Franchisee shall notify Secured Party within five (5) days of any interest in any part of the collateral.
 - b. The Collateral described in Paragraph 2 of this Security Agreement is presently located at Franchisee's franchise location(s) except to the extent such collateral is a general intangible or contract such as the Franchise Agreement and will not, during the continuance of this Security Agreement, be removed from those premises without the prior written consent of the Secured Party.
 - c. If a corporation, Franchisee has been duly incorporated and is existing as a corporation in good standing under the laws of its jurisdiction and has authority to enter into and perform this Security Agreement.
 - d. Franchisee utilizes no trade names in the conduct of its business, except as stated above and in its Franchise Agreement with Secured Party, and has not changed its name, been the surviving entity in a merger, or acquired any other business.
 - e. Franchisee will not change its corporate name, trade name, or transfer its interest in the same without notifying Secured Party five (5) business days prior to such event and shall not violate any obligations of its Franchise Agreement with respect thereto.
5. **Repair of Collateral.** To the extent such collateral is tangible, Franchisee shall maintain the Collateral, and each part of the Collateral, in good order and repair at Franchisee's own cost and expense and shall never use the Collateral, or any part of the Collateral, in a manner resulting, or likely to result, in waste or unreasonable deterioration of the Collateral.
6. **Insurance.** To the extent such collateral is tangible, and until final termination of this Security Agreement, Franchisee, at Franchisee's own cost and expense, shall keep the Collateral, and all parts of the Collateral, insured for its full value against damage or loss resulting from any and all risks to which it might foreseeably be exposed and risks designated by Secured Party. Each such policy of insurance shall be issued by an insurance company acceptable to Secured Party and shall provide for the loss payable under it being paid to both Franchisee and Secured Party as their interests may appear. A duplicate copy of each such policy shall be delivered by Franchisee to Secured Party.

7. **Taxes and Assessments.** Franchisee shall pay from its own funds, as they become due, any and all taxes and assessments levied or assessed against the Collateral, or any part of the Collateral, prior to the final termination of this Security Agreement.
8. **Disposition of Collateral.** Franchisee shall keep the Collateral separate and identifiable from other property owned by Franchisee or located on the same premises as Collateral, and Franchisee shall not, without the prior written consent of Secured Party, sell, encumber or otherwise dispose of any portion of the Collateral, except as authorized in this Security Agreement.

Franchisee shall take necessary steps to preserve the liability of account debtors, obligors and secondary parties whose obligations are part of the Collateral; transfer possession of all instruments, documents, and chattel paper that are part of the Collateral to Secured Party immediately, or as to those hereafter acquired, immediately following acquisition; notify Secured Party of any change occurring in or to the Collateral, or in any fact or circumstance warranted or represented by Franchisee in this Security Agreement or furnished to Secured Party or if any Event of Default occurs.

9. **First and Prior Lien.** This Security Agreement grants to Secured Party a first and prior lien to secure the prompt payment of all Obligations. If Secured Party disposes of all or any part of the Collateral following default by the Franchisee, all proceeds from such disposition shall be applied first against all monetary obligations incurred under any promissory notes and equipment leases, in the order in which such indebtedness was incurred, and thereafter to the payment of monetary obligations due Secured Party pursuant to any Franchise Agreement, and any renewals, amendments, or extensions thereof. For the purpose of this Paragraph, an extended, amended, or renewed Franchise Agreement will be considered executed on the date of the original Franchise Agreement.
10. **Inspection Rights.** To the extent the collateral is tangible, Secured Party, either in person or by agent, shall have the right at any and all reasonable times and at reasonable intervals to enter the premises where the Collateral is located and inspect the Collateral.
11. **Payment by Secured Party.** Secured Party may, at its option, but shall not be required to, pay on behalf of Franchisee and on the account of Franchisee any taxes, assessments, liens, insurance premiums, repair costs or maintenance costs that, pursuant to the terms of this Security Agreement, should have been but were not paid by Franchisee. Secured Party shall also have the right, at its option, to enter the premises where the Collateral or any part of the Collateral is located, and cause to be performed, as agent and on the account of Franchisee, any such acts as Secured Party may deem necessary for the proper repair or maintenance of the Collateral or any part of the Collateral if applicable. Any moneys expended or expenses incurred by Secured Party under this Paragraph shall also be secured by the security interest created by this Security Agreement and shall be due and payable by Franchisee to Secured Party, together with interest at the maximum rate allowed by law, on demand.
12. **Assignment by Secured Party.** Secured Party may assign its rights under this Security Agreement and the security interest created by this Security Agreement. Should Secured Party assign its rights under this Security Agreement or the security interest created by this Security Agreement, Secured Party's assignee shall be entitled, on written notice of the assignment being given by Secured Party to Franchisee, to all performance required of Franchisee by this Security

Agreement and all payments, moneys and other performance secured by this Security Agreement including compliance with the Franchise Agreement.

13. Default. The following occurrences of any one or more of the following events shall constitute an “**Event of Default**” hereunder:

- a. Failure to pay any royalty fee, marketing fee, credit sale, or other charges in respect to any obligations under the Franchise Agreement or failure to pay any principal, interest, or other charges due under any promissory note or equipment lease now or hereafter made by Franchisee in favor of Secured Party.
- b. Breach of any covenant or agreement herein set forth or set forth in any Franchise Agreement or any other agreement, heretofore, now, or hereafter executed by Franchisee in favor of Secured Party.
- c. Breach of any of the Obligations, as defined herein.
- d. Any representation, warranty, certificate, or other information made or furnished to Secured Party by or on behalf of Franchisee under this Agreement which is false or misleading in any material respect, either now or at any time made or furnished.
- e. Loss, theft, damage, or destruction of any material portion of the collateral for which there is either no insurance coverage or for which, in the opinion of Secured Party, there is insufficient insurance coverage.
- f. The making of any levy, seizure, attachment or lien upon the Collateral.
- g. The Franchisee or any of its subsidiaries or guarantors (1) terminate or suspend the operation of any portion of its business as presently conducted; (2) apply for or consent to the appointment of a receiver, trustee, or liquidator of itself or of all or a substantial part of its assets; (3) be unable, or admit in writing its inability to pay its debts as they fall due; (4) make a general assignment for the benefit of its creditors; (5) be adjudicated a bankrupt or insolvent; or (6) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or to take advantage of any insolvency law or an answer admitting the material allegations of a petition filed against it in any bankruptcy, reorganization, or insolvency proceeding, or any action taken by it for the purpose of effecting any of the foregoing.
- h. The collateral declines in value or becomes unsatisfactory to the Secured Party.

14. Remedies. Should Franchisee fail to perform any provision of this Security Agreement to be performed on its part, or should Franchisee fail to pay any obligation secured by this Security Agreement or the security interest created by this Security Agreement as it becomes due, or should there occur an Event of Default, then Franchisee shall be in default of this Security Agreement and Secured Party shall have all the rights and remedies afforded a secured party under the default provisions of the Uniform Commercial Code of California on the date of this Security Agreement and, in addition, shall have the following rights and remedies:

- a. accelerate the maturity of any or all promissory notes owing to TUPSS by Franchisee without notice;

- b. enter on Franchisee's premises to assemble and take possession of the Collateral;
- c. require Franchisee to assemble the Collateral and make its possession available to Secured Party at a place designated by Secured Party that is reasonably convenient to both Franchisee and Secured Party;
- d. enter Franchisee's premises, render the Collateral, if tangible, unusable and dispose of it in the manner provided by the Uniform Commercial Code of California on Franchisee's premises;
- e. sell any or all of the Collateral free and clear of all rights and claims of Franchisee therein and thereto at any public or private sale, first deducting from the proceeds all costs and expenses of such sale including, but not limited to, preparing the tangible collateral for sale, storing and handling the Collateral, advertising the sale and then deducting the primary indebtedness secured by and through this Security Agreement;
- f. sell, assign and deliver the whole, or any part of said collateral security and the property which said security covers at public or private sale, without demand, advertisement or notice to the undersigned, which are hereby expressly waived and released. At any such sales, the Secured Party may purchase any or all of the property sold free from any claim or right of redemption of the undersigned, which are hereby waived and released except as provided by law; and
- g. have the right to take over the franchised business (Center or Area Franchise) designated above free and clear of all rights and claims of any other party. In order to facilitate the transfer of the franchised business, Franchisee shall fully and promptly cooperate with Secured Party to prepare and sign any and all documents which Secured Party might deem reasonably necessary to effect the transfer from Franchisee to Secured Party.

- 15. Financing Statement.** Concurrently with the execution of this Security Agreement, Franchisee agrees to execute any financing statements or other documents required to perfect the security interest created by this Security Agreement. Such financing statements or other documents shall be on forms approved by the State where the Franchise is located and shall be filed with the Secretary of State, County Recorder or other appropriate governmental authority, and Franchisee shall forthwith pay Secured Party all filing fees required to file such statements.

Franchisee hereby irrevocably agrees to fully and promptly cooperate with Secured Party to prepare and sign any and all documents which Secured Party might deem reasonably necessary to effectively and timely protect and effectuate this Security Agreement. The undersigned, both personally and on behalf of Franchisee if it is a business entity, hereby authorize Secured Party, any of Secured Party's assignees, and any of their authorized agents or employees, to act as special agent or attorney-in-fact for the undersigned and Franchisee if it is a business entity, and each of them, to execute and sign on behalf of the Franchisee such financing statements or other documents as Secured Party or its assignees, agents, or employees deems necessary or appropriate under the Uniform Commercial Code (or similar law). Franchisee hereby further agrees not to take any action which would delay, diminish, frustrate, or void this Security Agreement. Franchisee understands that time is of the essence regarding all actions to be taken under this Security Agreement.

16. **Waiver.** Neither the acceptance of any partial or delinquent payment by Secured Party nor Secured Party's failure to exercise any of its rights or remedies on default by Franchisee shall be a waiver of the default, a modification of this Security Agreement or Franchisee's obligations under this Security Agreement, or a waiver of any subsequent default by Franchisee.
17. **Notices.** Except as otherwise expressly provided in this Security Agreement or by law, any and all notices or other communications required or permitted by this Security Agreement or by law to be served on, given to, or delivered to either party to this Security Agreement shall be in writing and shall be deemed duly served, given, delivered and received when personally delivered to the party to whom it is directed, or in lieu of such personal delivery, when deposited in the United States mail, certified or registered, postage prepaid, addressed to Secured Party at 9350 Waxie Way, Suite 520, San Diego, California 92123, or to Franchisee at the address listed in Secured Party's files as the location of the Franchisee's Franchise. Either Party, Franchisee or Secured Party, may change their address for the purpose of this Paragraph by giving written notice of such change to the other party in the manner provided in this Paragraph.
18. **Binding on Heirs and Assigns.** This Security Agreement and each of its provisions shall be binding on and shall inure to the benefit of the respective parties hereto, their respective representatives and heirs, executors, administrators, successors and assigns of each of the parties hereto. Nothing contained in this Paragraph, however, shall be deemed a consent to the sale, assignment or transfer of the Collateral or its obligations under this Security Agreement by Franchisee.
19. **Sole and Only Agreement.** This Security Agreement, and all other writings referred to herein, including any promissory notes or equipment leases as may be executed by Franchisee, constitute the sole and only agreements between the parties respecting the Collateral or the security interests granted in the Collateral. This Security Agreement correctly sets forth the rights, duties and obligations of each party to the other party with respect to the Collateral and the security interest hereby created in the Collateral as of this date. Any prior written or oral agreements, alleged promises, negotiations or representations concerning the subject matter of this Security Agreement not expressly set forth herein or in the writings referred to herein, including any promissory notes or equipment leases, are of no force or effect. Nothing in this Agreement or in any related agreement is intended to disclaim the representations TUPSS has made in its franchise disclosure document.
20. **Venue and Governing Law.** The parties hereby consent that venue and jurisdiction for all actions enforcing and/or arising out of this Security Agreement shall be litigated in the state or federal courts in the City of San Diego, County of San Diego, State of California, U.S.A., to the exclusion of the courts of any other country, State or County. This Security Agreement shall be construed in accordance with the laws of the State of California.
21. **Validity.** Should any part of this Security Agreement, for any reason, be declared invalid, then such portion shall be invalid only to the extent of the prohibition without invalidating or affecting the remaining provisions of the Security Agreement, or without invalidating or altering said provisions of this Security Agreement within states or localities where they are not prohibited by law or court decrees.
22. **Warranty.** The undersigned represents and warrants that Franchisee owns the Collateral and is fully authorized and empowered to execute this Security Agreement in favor of Secured Party and

consents to the grant of the security interest created by this Security Agreement in favor of Secured Party, both personally and on behalf of Franchisee if it is a business entity.

- 23. Electronic Signatures and Delivery.** The parties hereby consent to the use of electronic signatures (e.g., via DocuSign®) and electronic methods of delivery in connection with the execution of this Security Agreement and any related or ancillary documents by the parties. In the event that any signature is delivered by facsimile transmission or e-mail of a .pdf file, or by electronic signature pursuant to applicable laws, such signature or electronic execution shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such were an original thereof.

TRANSFER UPGRADE AGREEMENT

Attention: To comply with applicable law, Prospective Buyer (transferee) is not permitted to sign this Transfer Upgrade Agreement until (i) ****fourteen (14)** calendar days (and ten (10) business days, if applicable) after the date when Prospective Buyer (transferee) received the initial (FDD) copy of this document, and (ii) seven (7) calendar days after the date when Prospective Buyer (transferee) and Seller received execution (signable) copies of this Transfer Upgrade Agreement. **HANDWRITTEN CHANGES TO THIS TRANSFER UPGRADE AGREEMENT ARE STRICTLY PROHIBITED. (**May differ in some states; check with your local The UPS Store representative.)**

This TRANSFER UPGRADE AGREEMENT (“**Transfer Upgrade Agreement**”) is made between:

The UPS Store, Inc. (“**TUPSS**”); and [NOT A PARTY IF THE CENTER IS LOCATED IN A TUPSS-OWNED AREA] _____ (“**Area Franchisee**”);
and _____ (“**Seller**”);
and _____ (“**Prospective Buyer (transferee)**”).

BACKGROUND

Prospective Buyer (transferee) and Seller have entered (or are planning to enter) into a purchase and sale agreement for the transfer (the “**Transfer**”) of the Seller’s rights under its franchise agreement (“**Seller’s Franchise Agreement**”) for Center Number _____ (the “**Center**”).

As one condition of TUPSS’ consent to the Transfer, TUPSS requires that the Center undergo upgrades to computers, equipment, fixtures and décor (collectively “**Upgrades**”), which Upgrades include, without limitation, the requirement that the Center (exterior and interior) must be upgraded, remodeled and refurbished by the transferee to TUPSS’ then-current Center image Standards and Specifications, as those terms are defined in TUPSS’ Franchise Disclosure Document (“**FDD**”) and/or the franchise agreement ultimately executed by Prospective Buyer (transferee), by the date provided in this Transfer Upgrade Agreement. As of the effective date of this Transfer Upgrade Agreement, TUPSS’ current design is the Laser Lite design. Accordingly, as of the effective date of the transfer of the Center, if the Center is not operating with the Laser Lite design, Prospective Buyer (transferee) must remodel the Center to the Laser Lite design in accordance with the terms of this Transfer Upgrade Agreement (the “**Laser Lite Remodel**”).

(A) CENTERS REMODELING FROM BLACK AND TAN TO LASER LITE:

☐ **Scenario 1:** For Centers whose Seller’s Franchise Agreement term would expire more than three and one-half (3.5) years after the closing date of the transfer, Prospective Buyer (transferee) must complete minimally required Black and Tan (TUPSS 2000) Upgrades no later than one hundred eighty (180) days after the effective date of the Prospective Buyer’s (transferee’s) franchise agreement (the “**Minimal Interim BT Upgrades**”), and then must complete a full Laser Lite Remodel by the date that would have been the expiration date of Seller’s Franchise Agreement. Prospective Buyer (transferee) agrees to meet the following three (3) deadlines to ensure the remodel of the Center to the Laser Lite design is timely completed by the date that would have been the expiration date of Seller’s Franchise Agreement:

No later than eleven (11) months prior to the date that would have been the expiration date of Seller’s Franchise Agreement, Prospective Buyer (transferee) agrees to initiate the Laser Lite design process by submitting a completed Design Project Request (“**DPR**”) form with all required documentation and completing the design process for the Center, including having an approved Laser Lite design for the Center.

No later than three (3) months prior to the date that would have been the expiration date of Seller's Franchise Agreement, Prospective Buyer (transferee) agrees to complete the buildout and remodel of the Center to the Laser Lite design.

No later than prior to the date that would have been the expiration date of Seller's Franchise Agreement, Prospective Buyer (transferee) must have worked with its Center Development Coordinator to submit all required digital photographs, cost ledger, and paid receipts (the "**Compliance Packet**") to be evaluated by TUPSS and receive confirmation from TUPSS that compliance was successfully completed.

The Minimal Interim BT Upgrades are described and itemized on the "**Rider to Transfer Upgrade Agreement**" ("**Rider**"), attached to the execution copy of this Transfer Upgrade Agreement. The opportunity to extend the time before completing a full Laser Lite Remodel by first completing Minimal Interim BT Upgrades is hereinafter referred to as the "**First Transfer Laser Lite Remodel Extension**." The First Transfer Laser Lite Remodel Extension only applies to/is available at the first transfer of the Center following May 1, 2023.

If Prospective Buyer (transferee) is purchasing the Center under Scenario 1, Prospective Buyer's (transferee's) "Full Laser Lite Remodel Deadline" (as that term is defined below) is

☐ **Scenario 2:** For Centers whose Seller's Franchise Agreement term would expire within (less than) three and one-half (3.5) years from the closing date of the transfer (or for a second or subsequent transfer of the Center following May 1, 2023), Prospective Buyer (transferee) must complete a full Laser Lite Remodel of the Center no later than eleven (11) months from the closing date of the transfer of the Center, meaning Prospective Buyer (transferee) is not eligible for the First Transfer Laser Lite Remodel Extension and would not complete Minimal Interim BT Upgrades at the Center, by meeting the three (3) deadlines outlined below (the "**Laser Lite Remodel Milestones**");

No later than three (3) months after the closing date of the transfer of the Center, Prospective Buyer (transferee) agrees to: (a) initiate the Laser Lite design process by submitting a completed DPR form with all required documentation and completing the design process for the Center, including having an approved Laser Lite design for the Center; and (b) purchase from TUPSS (or vendor directly as applicable) all of the equipment (including computers) required in order to upgrade the Center to the then-current System Standards and Specifications for POS systems, hardware, software and any other technology-related and computer-related systems required for the Center (the "**First Laser Lite Remodel Deadline**").

No later than eleven (11) months after the closing date of the transfer of the Center, Prospective Buyer (transferee) agrees to complete the buildout and remodel of the Center to the Laser Lite design (the "**Laser Lite Remodel Deadline**").

No later than fourteen (14) months after the closing date of the transfer of the Center, Prospective Buyer (transferee) must have worked with its Center Development Coordinator to submit the Compliance Packet to be evaluated by TUPSS and receive confirmation from TUPSS that compliance was successfully completed (the "**Laser Lite Compliance Packet Deadline**").

☐ **Scenario 3:** Prospective Buyers (transferees) that qualify for the First Transfer Laser Lite Remodel Extension in Scenario 1 above, can choose to forego their obligation to complete the Minimal Interim BT Upgrades and agree to complete a full Laser Lite Remodel of the Center no later than eleven (11) months from the closing date of the transfer of the Center, in accordance with the Laser Lite Remodel Milestones in Scenario 2 above.

☐ By checking this box, Prospective Buyer (transferee) indicates Prospective Buyer (transferee) is choosing to forego their eligibility for the First Transfer Laser Lite Remodel Extension (including foregoing the obligation to complete the Minimal Interim BT Upgrades) and agrees to complete a full Laser Lite Remodel of the Center no later than eleven (11) months from the closing date of the transfer of the Center, in accordance with the Laser Lite Remodel Milestones in Scenario 2 above.

☐ **Scenario 4:** For Centers whose Seller's Franchise Agreement term begins after April 28, 2022 (the "**Laser Lite Renewal Remodel Extension**") and Seller has not yet completed a remodel of the Center to the Blue Horizon or Laser Lite design, pursuant to Seller's Renewal Upgrade Agreement with TUPSS, and now wish to complete a transfer of the Center, TUPSS would be willing to consent to the transfer of the Center if and only if the Prospective Buyer (transferee) agrees to complete a remodel of the Center to the Laser Lite design. TUPSS, Seller and Prospective Buyer (transferee) acknowledge and agree that Seller will not complete the Laser Lite Remodel at the Center prior to the effective date of the Transfer (the "**Transfer Effective Date**"). As one condition for TUPSS' consent to the Transfer, Prospective Buyer (transferee) must agree to remodel the Center to the Laser Lite design in accordance with the terms of this Transfer Upgrade Agreement. Prospective Buyer (transferee) must complete a full remodel of the Center to the Laser Lite design no later than eleven (11) months from the closing date of the transfer of the Center, in accordance with the Laser Lite Remodel Milestones in Scenario 2 above, meaning Prospective Buyer (transferee) is not eligible for the First Transfer Laser Lite Remodel Extension and would not complete Minimal Interim BT Upgrades at the Center.

In either Scenario 1, Scenario 2, Scenario 3, or Scenario 4 above, the date by which the full Laser Lite Remodel must be completed by is hereinafter referred to as the "**Full Laser Lite Remodel Deadline**."

After the Laser Lite design is approved, Prospective Buyer (transferee) will be provided a Spec package of construction documents and corresponding Order Workbook with Center-specific cost estimates for the Laser Lite Remodel, at which time the Prospective Buyer (transferee) must purchase all computers, equipment, fixtures, and décor, and applicable subscription agreement costs as required by TUPSS to complete the Laser Lite Remodel. Laser Lite Remodel cost range estimates are indicated in Item 7 of TUPSS' FDDs.

Scenario 2, Scenario 3, and Scenario 4 Upgrade Deposit Requirements:

- i. If Prospective Buyer (transferee) is purchasing a **Traditional Center**, then TUPSS will require Prospective Buyer (transferee) of the Center who is completing a full Laser Lite Remodel to deposit Sixty-Three Thousand Dollars (\$63,000) in escrow, which is approximately fifty percent (50%) of the average estimated costs of a full Laser Lite Remodel as disclosed in Footnote 4 to Item 7 of the April 23, 2026 Traditional FDD.
- ii. If, however, Prospective Buyer (transferee) is purchasing a **Non-Traditional Center**, TUPSS will require Prospective Buyer (transferee) of the Center who is completing a full Laser Lite Remodel to deposit Forty-Four Thousand Five Hundred Dollars (\$44,500) in escrow, which is approximately fifty percent (50%) of the average estimated costs of a full Laser Lite Remodel as disclosed in Footnote 4 to Item 7 of the April 23, 2026 Non-Traditional FDD.

The deposit amount required pursuant to either (i) or (ii) above shall hereinafter be referred to as the "**Estimated LL Costs Deposit**."

TUPSS also requires Prospective Buyer (transferee) to place the estimated costs for the technology, equipment and other signage upgrades not included in the Estimated LL Costs Deposit in escrow (the "**Additional LL Upgrade Costs**") as described and itemized on the attached Rider.

(B) UPGRADES APPLICABLE TO EXISTING BLUE HORIZON CENTERS:

☐ If the Center is operating under the Blue Horizon design, then Prospective Buyer (transferee) shall complete the Blue Horizon Upgrades (the “**Blue Horizon Upgrades**”), which are described and itemized on the attached Rider and may include upgrades or design modifications to align with the current Laser Lite design. The Blue Horizon Upgrades must be completed no later than one hundred eighty (180) days after the effective date of the Prospective Buyer’s (transferee’s) franchise agreement.

(C) UPGRADES APPLICABLE TO EXISTING LASER LITE CENTERS:

☐ If the Center is already operating under the Laser Lite design, then Prospective Buyer (transferee) shall complete the Laser Lite Upgrades (the “**LL Upgrades**”), which are described and itemized on the attached Rider. The LL Upgrades must be completed no later than one hundred eighty (180) days after the effective date of the Prospective Buyer’s (transferee’s) franchise agreement.

(D) RIDER WITH COST ESTIMATE OF UPGRADES:

(Minimal Interim BT Upgrades, Estimated LL Costs Deposit and Additional LL Upgrade Costs, Blue Horizon Upgrades, or LL Upgrades, whichever is applicable to the Center)

TUPSS estimates the combined cost of the Upgrades applicable to the Center with local labor (if applicable) to be \$_____. However, if TUPSS authorizes Prospective Buyer (transferee) to purchase any Upgrade items that result in a reduction to the above estimated Upgrades cost as reflected on the attached Rider’s “grand total” line, then: (a) such revised grand total shall constitute a modification to TUPSS’ Upgrades cost estimated above; and (b) such updated Upgrades cost shall be the amount that must be funded into escrow solely by Prospective Buyer (transferee), as provided in Section 2 below.

THE PARTIES AGREE AS FOLLOWS:

1. This Transfer Upgrade Agreement shall become effective on the date that it is counter-signed by TUPSS (the “**Effective Date**”).
2. Prospective Buyer (transferee) is solely responsible for (a) paying for all required Upgrades, (b) depositing all required Upgrade monies into an Upgrade escrow account controlled solely by TUPSS, and (c) implementing all of the Upgrades specified in the attached Rider by TUPSS. Even if a purchase and sale agreement executed between Prospective Buyer (transferee) and Seller purports to require Seller to fund (or implement) some or all required Upgrades, all parties understand and agree that this Transfer Upgrade Agreement shall govern, requiring (and permitting) only Prospective Buyer (transferee) to fund and implement all required Upgrades.

3. **One Hundred Eighty (180) Day Deadline for Completing Upgrades.**

Except with respect to completing a full Laser Lite Remodel as described above (which must be completed in the timeframe described above), completion of the Upgrades (i.e., the Minimal Interim BT Upgrades, Blue Horizon Upgrades, or LL Upgrades, whichever is applicable to the Center) must be accomplished to TUPSS’ satisfaction by the Prospective Buyer (transferee) no later than one hundred eighty (180) days after the effective date of the Prospective Buyer’s (transferee’s) franchise agreement, unless additional time beyond one hundred eighty (180) days is provided on the attached Rider in which case such additional time as specified shall be granted.

4. **Center Development Coordination Responsibilities & Center Development Fee.**

(a) The Prospective Buyer (transferee) must utilize a Center Development Coordinator to supervise and coordinate the completion of the required Upgrades. **THE PROSPECTIVE BUYER (TRANSFEREE) AGREES THAT IT SHALL ONLY USE TUPSS’ DESIGNATED CENTER DEVELOPMENT COORDINATOR, AND NO ONE ELSE, FOR THIS FUNCTION. IF THE CENTER HAS AN AREA FRANCHISEE, THEN THE AREA FRANCHISEE SHALL BE THE CENTER DEVELOPMENT COORDINATOR. IF THE CENTER HAS NO AREA FRANCHISEE, THEN TUPSS SHALL BE THE CENTER DEVELOPMENT COORDINATOR.**

(b) In exchange for receipt of these services and as disclosed in Item 5 of the FDD, the Prospective Buyer (transferee) must pay a Center Development Fee of \$7,700 for all newly-constructed Centers, franchise renewals, franchise transfers, franchise relocations, conversions, and franchise “Re-Openings” (the sale of a new franchise located at a previously closed Center). TUPSS 2000, Blue Horizon, and Laser Lite partial remodels Center Development Fee will be \$3,200 and a Redesign Center Development Fee will be \$1,800. This amount shall not include products supplied by TUPSS or by a TUPSS-approved vendor. The Prospective Buyer (transferee) must pay such Center Development Fee as stated in a demand submitted by the Center Development Coordinator.

(c) **Summary of Center Development Coordinator’s Obligations.**

The Center Development Coordinator will be required to enter into a Center Development Coordination Agreement (“**CDCA**”) as supplied by TUPSS. Under this Transfer Upgrade Agreement and under the CDCA, the Center Development Coordinator is expected to perform, without limitation, the following types of supervisory and coordination duties: (i) complete, review and submit all Upgrade-related purchase orders to vendors (including to

TUPSS), (ii) scheduling approved contractors' installation of fixtures, computers, equipment and decor Upgrades, (iii) ensuring that any installation or other Upgrade-related services performed by contractors at Prospective Buyer's (transferee's) Center be completed in full compliance with TUPSS' specifications, and (iv) delivering to TUPSS, **no later than (as applicable): (1) one hundred eighty (180) days after the effective date of Prospective Buyer's (transferee's) franchise agreement or by such extended deadline(s) as may be provided by TUPSS in the attached Rider for Minimal Interim BT Upgrades, Blue Horizon Upgrades, or LL Upgrades; or (2) the Full Laser Lite Remodel Deadline**, the Compliance Packet including, all required digital photographs, cost ledger and paid receipts that will be evaluated by TUPSS for purposes of determining whether compliance was successfully completed. In the event Prospective Buyer (transferee) is making Minimal Interim BT Upgrades within one hundred eighty days (180) following the effective date of Prospective Buyer's (transferee's) franchise agreement and will complete a full Laser Lite Remodel at a later date, an additional Compliance Packet will need to be submitted to and approved by TUPSS following completion of the full Laser Lite Remodel.

5. Estimates Only.

Prospective Buyer (transferee) acknowledges that (a) the dollar amount listed for Upgrades in the attached Rider to Transfer Upgrade Agreement is an **estimate only**; (b) product and material prices are subject to change without prior notice; (c) labor cost estimates are based upon national averages; and (d) Prospective Buyer (transferee) may have to spend additional amounts for Upgrades to the extent that these estimates are below the actual amounts required to complete all Upgrades.

6. TUPSS' Authority to Designate Upgrade Payments from Escrow as Either Direct to Vendor or Reimbursement to Franchisee.

TUPSS reserves the right to designate each particular required Upgrade as either (a) to be paid directly from the escrowed Upgrade monies to the TUPSS-approved vendor(s) that complete or provide such Upgrades, or (b) to be paid to the Prospective Buyer (transferee) in reimbursement of such Prospective Buyer's (transferee's) payment to TUPSS-approved vendor(s), only if the Center is deemed by TUPSS to be compliant. If and when TUPSS makes such designations, Prospective Buyer (transferee) agrees to comply with such designations. In general, but without limitation, TUPSS will permit payments for TUPSS-approved products to be made directly to vendors, and TUPSS will (generally) require that payment for Upgrade-related services be reimbursed to the Prospective Buyer (transferee), only after TUPSS has confirmed that such services were performed in accordance with TUPSS' specifications (e.g., TUPSS has reviewed and approved the Compliance Packet).

7. Return to Prospective Buyer (transferee) of Any Remaining and Unused Escrowed Upgrade Monies.

After TUPSS confirms (through review of digital photographs, cost ledger and paid receipts, etc.) that all Upgrades have been completed to TUPSS' satisfaction, TUPSS will, within thirty (30) business days thereafter remit any remaining and unused escrowed Upgrade monies to the Prospective Buyer (transferee), after first applying those funds against any monies owed by Prospective Buyer (transferee) (or by any affiliate of Prospective Buyer (transferee)) to TUPSS. Prospective Buyer (transferee) understands and agrees that if this Transfer Upgrade Agreement's Rider permits Prospective Buyer (transferee) to complete certain specified Upgrades by a deadline that exceeds those set forth in Section 3 above, TUPSS retains the right to hold any remaining Upgrade monies, to be used for such future Upgrades.

8. If Completion Deadline is Not Met, TUPSS Reserves the Right to Complete Upgrades with Escrowed Upgrade Monies.

A critical factor in TUPSS' decision of whether to approve Prospective Buyer (transferee) for franchise ownership is such party's agreement to timely complete all required Upgrades, as specified in this Transfer Upgrade Agreement. If, for any reason, TUPSS does not receive confirmation to TUPSS' satisfaction that all required Upgrades were completed prior to the above-referenced deadlines, then TUPSS reserves the right, without obligation, and is hereby fully authorized by Prospective Buyer (transferee), to immediately thereafter complete all required Upgrades by such party as TUPSS may designate (which may be TUPSS, the Area Franchisee, or a third party).

UNDER SUCH CIRCUMSTANCES, PROSPECTIVE BUYER (TRANSFEREE) PROMISES TO: (A) FULLY COOPERATE IN MAKING ITS CENTER ACCESSIBLE TO THE PARTY THAT TUPSS DESIGNATES TO COMPLETE SUCH UPGRADES, AND (B) DIRECTLY PAY TO THE CENTER DEVELOPMENT COORDINATOR ANY AMOUNT REQUIRED TO COMPLETE THE UPGRADES THAT IS IN EXCESS OF THE ESTIMATED AMOUNTS THAT WERE ESCROWED BY THE PROSPECTIVE BUYER (TRANSFEREE). IF, FOR ANY REASON, THE ESCROWED UPGRADE FUNDS HAVE NOT BEEN FULLY APPLIED TOWARD THE COMPLETION OF THOSE CENTER UPGRADES PRIOR TO PROSPECTIVE BUYER'S (TRANSFEREE'S) SALE OF THE CENTER TO A TUPSS-APPROVED PURCHASER, SUCH FUNDS SHALL REMAIN TO BE APPLIED FOR THE CENTER UPGRADES AND NOT RETURNED TO PROSPECTIVE BUYER.

9. Violation. Prospective Buyer (transferee) and Seller agree that any violation by Prospective Buyer (transferee) and/or Seller of this Transfer Upgrade Agreement shall constitute a material violation of the Prospective Buyer's (transferee's) franchise agreement (if executed) and/or of the Seller's Franchise Agreement, as applicable.

10. Miscellaneous. This Transfer Upgrade Agreement shall be construed in accordance with the law of the State of California. Exclusive venue and jurisdiction will lie within the courts of the State of California or within the courts of the United States of America. This Transfer Upgrade Agreement (including attached Rider) constitutes the entire agreement between the parties concerning the subject matter hereof, and supersedes any and all prior or contemporaneous written or oral representations and understandings regarding such subject matter including the purchase and sale agreement executed between the Prospective Buyer (transferee) and the Seller; without limiting the foregoing it is agreed that to the extent there is any inconsistency between this Transfer Upgrade Agreement and any other agreement between Prospective Buyer (transferee) and Seller, the terms of this Transfer Upgrade Agreement shall govern. This Transfer Upgrade Agreement cannot be modified except by a written amendment signed by all of the parties hereto. Nothing in this Transfer Upgrade Agreement or in any related agreement is intended to disclaim the representations TUPSS has made in its franchise disclosure document. The parties hereby consent to the use of electronic signatures (e.g., via DocuSign®) and electronic methods of delivery in connection with the execution of this Transfer Upgrade Agreement and any related or ancillary documents by the parties. In the event that any signature is delivered by facsimile transmission or e-mail of a .pdf file, or by electronic signature pursuant to applicable laws, such signature or electronic execution shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such were an original thereof.

Please sign and date, etc., as requested below, to acknowledge that you agree to be bound by the terms stated above.

RENEWAL UPGRADE AGREEMENT

This RENEWAL UPGRADE AGREEMENT (“**Upgrade Agreement**”) is made between:

The UPS Store, Inc. (“**TUPSS**”); and [NOT A PARTY IF THE CENTER IS LOCATED IN A TUPSS-OWNED AREA] _____ (“**Area Franchisee**”);
and _____ (“**Franchisee**”).

BACKGROUND

Franchisee seeks to renew its franchise for Center Number _____ (the “**Center**”) under a then-current version of TUPSS’ franchise agreement. Normally, in consideration of a franchisee’s request to renew its franchise, TUPSS requires the The UPS Store Center to undergo certain upgrades to bring the The UPS Store Center to TUPSS’ then-current standards.

As a condition of TUPSS’ consent to the renewal, TUPSS requires that the Center undergo upgrades to computers, equipment, signage, fixtures and décor (collectively “**Upgrades**”). As of the effective date of this Upgrade Agreement, TUPSS’ current design is the Laser Lite design. As one condition of TUPSS’ consent to the renewal, The UPS Store Centers operating with a Black and Tan (TUPSS 2000) design must be remodeled to the Laser Lite design in accordance with the terms of this Upgrade Agreement (the “**LL Remodel**”).

After the Laser Lite design is approved, Franchisee will be provided a Spec package of construction documents and corresponding Order Workbook with Center-specific cost estimates for the LL Remodel, at which time Franchisee must purchase all computers, equipment, fixtures, and décor, and applicable subscription agreement costs as required by TUPSS to complete the LL Remodel. LL Remodel cost range estimates are indicated in Item 7 of TUPSS’ FDDs.

☐ **Renewal Scenario 1:** Franchisees must complete a remodel of their Centers to the Laser Lite design no later than eleven (11) months after the effective date of the Renewal Franchise Agreement. The following three (3) deadlines are required to be met in order to ensure the remodel of the Center to the Laser Lite Design is timely completed.

No later than three (3) months after the effective date of the Renewal Franchise Agreement, Franchisee agrees to initiate the Laser Lite design process by submitting a completed Design Project Request (“**DPR**”) form with all required documentation and completing the design process for the Center, including having an approved Laser Lite design for the Center (the “**First Laser Lite Remodel Deadline**”).

No later than eleven (11) months after the effective date of the Renewal Franchise Agreement, Franchisee agrees to complete the buildout and remodel of the Center to the Laser Lite design (the “**Full Laser Lite Remodel Deadline**”).

No later than fourteen (14) months after the effective date of the Renewal Franchise Agreement, Franchisee must have worked with its Center Development Coordinator to submit all required digital photographs, cost ledger, and paid receipts (the “**Compliance Packet**”) to be evaluated by TUPSS and receive confirmation from TUPSS that compliance was successfully completed (the “**Laser Lite Compliance Packet Deadline**”).

☐ **Renewal Scenario 2:** If the Center is operating under the Blue Horizon design as of the effective date of this Upgrade Agreement, then Franchisee may retain the Blue Horizon design at the Center as part of

the franchise agreement renewal for the Center. Franchisee shall complete the Blue Horizon Upgrades (“**Blue Horizon Upgrades**”), which are described and itemized on the attached “**Rider to the Renewal Upgrade Agreement**” (“**Rider**”) and may include upgrades or design modifications to align with the current Laser Lite design. Franchisee agrees to complete (to TUPSS’ satisfaction) all of the Blue Horizon Upgrades (as specified by TUPSS) no later than ninety (90) days after the effective date of the renewal franchise agreement unless additional time beyond the ninety (90)-day period is provided on the attached Rider, in which case such additional time as specified shall be granted (the “**Blue Horizon Upgrade Deadline**”).

☐ **Renewal Scenario 3:** If the Center is already operating under the Laser Lite design as of the effective date of this Upgrade Agreement, then Franchisee shall complete the Laser Lite Upgrades (the “**LL Upgrades**”), which are described and itemized on the attached Rider. Franchisee agrees to complete (to TUPSS’ satisfaction) all of the LL Upgrades (as specified by TUPSS) no later than ninety (90) days after the effective date of the renewal franchise agreement unless additional time beyond the ninety (90)-day period is provided on the attached Rider, in which case such additional time as specified shall be granted (the “**Laser Lite Upgrade Deadline**”).

RIDER WITH COST ESTIMATE OF UPGRADES:

(LL Upgrades or Blue Horizon Upgrades, if applicable to the Center)

TUPSS estimates the Upgrades’ combined cost with local labor (if applicable) for LL Upgrades or Blue Horizon Upgrades as described and itemized on the attached Rider, to be \$_____. However, if TUPSS authorizes Franchisee to purchase any Upgrade items that result in a reduction to the above estimated Upgrades cost as reflected on the Rider’s “grand total” line, then: (a) such revised grand total shall constitute a modification to TUPSS’ Upgrade cost estimated above; and (b) such updated Upgrades cost shall be the amount that must be funded by the Franchisee, as provided in Section 2 below.

THE PARTIES AGREE AS FOLLOWS:

1. This Upgrade Agreement shall become effective on the date that it is counter-signed by TUPSS (the “**Effective Date**”).
2. Franchisee has agreed that Franchisee alone is responsible for paying for and implementing all of the Upgrades, as are specified below by TUPSS. TUPSS’ execution of this Upgrade Agreement does not commit TUPSS to renew Franchisee’s Franchise Agreement for the Center if Franchisee otherwise fails to comply with all the conditions for renewal stated in Franchisee’s current Franchise Agreement.
3. **Applicable Dates:**

☐ **Renewal Scenario 1:** Franchisee must complete the three (3) steps outlined in accordance with Scenario 1 described above to timely complete a remodel of the Center to the Laser Lite design as required.

Franchisee agrees to initiate the Laser Lite design process by submitting a completed DPR form with all requirement documentation and completing the design process for the Center, including having an approved Laser Lite design for the Center by the First Laser Lite Remodel Deadline in accordance with Scenario 1 described above.

Franchisee agrees to complete the buildout and remodel of the Center to the Laser Lite design in full compliance with TUPSS' then-current Standards and Specifications by the Full Laser Lite Remodel Deadline in accordance with Scenario 1 described above.

Franchisee agrees to work with its Center Development Coordinator to submit the Compliance Packet to be evaluated by TUPSS and receive confirmation from TUPSS that compliance was successfully completed by the Laser Lite Compliance Packet Deadline in accordance with Scenario 1 described above.

☐ **Renewal Scenario 2:** If Franchisee operates the Center under the Blue Horizon design and chooses to retain the Blue Horizon design at the Center as of Franchise Agreement renewal, Franchisee agrees to complete (to TUPSS' satisfaction) all of the Blue Horizon Upgrades (as specified by TUPSS) no later than the Blue Horizon Upgrade Deadline.

☐ **Renewal Scenario 3:** If Franchisee already operates the Center under the Laser Lite design, Franchisee agrees to complete (to TUPSS' satisfaction) all of the LL Upgrades (as specified by TUPSS) no later than the Laser Lite Upgrade Deadline.

4. Center Development Coordination Responsibilities & Center Development Fee.

(a) The Franchisee must utilize a Center Development Coordinator to supervise and coordinate the completion of the required Upgrades. **THE FRANCHISEE AGREES THAT IT SHALL ONLY USE TUPSS' DESIGNATED CENTER DEVELOPMENT COORDINATOR, AND NO ONE ELSE, FOR THIS FUNCTION. IF THE CENTER HAS AN AREA FRANCHISEE, THEN THE AREA FRANCHISEE SHALL BE THE CENTER DEVELOPMENT COORDINATOR. IF THE CENTER HAS NO AREA FRANCHISEE, THEN TUPSS SHALL BE THE CENTER DEVELOPMENT COORDINATOR.**

(b) In exchange for receipt of these services, the Franchisee must pay a Center Development Fee of \$7,700 for all newly-constructed Centers, franchise renewals, franchise transfers, franchise relocations, conversions, and franchise "Re-Openings" (the sale of a new franchise located at a previously closed Center). TUPSS 2000, Blue Horizon, and Laser Lite partial remodels Center Development Fee will be \$3,200 and a Redesign Center Development Fee will be \$1,800. This amount shall not include products supplied by TUPSS or by a TUPSS-approved vendor. The Franchisee must pay such Center Development Fee as stated in an invoice submitted by the Center Development Coordinator.

(c) Summary of Center Development Coordinator's Obligations.

The Center Development Coordinator will be required to enter into a Center Development Coordination Agreement ("CDCA") as supplied by TUPSS. Under this Upgrade Agreement and under the CDCA, the Center Development Coordinator is expected to perform, without limitation, the following types of supervisory and coordination duties: (i) complete, review and submit all Upgrade-related purchase orders to vendors (including to TUPSS), (ii) scheduling approved contractors' installation of fixtures, computers, equipment and decor Upgrades, (iii) ensuring that any installation or other Upgrade-related services performed by contractors at Franchisee's Center be completed in full compliance with TUPSS' specifications, and (iv) delivering to TUPSS, the Compliance Packet, including all required digital photographs, cost ledger and paid receipts that will be evaluated by TUPSS for purposes of determining whether compliance was successfully completed.

5. Estimates Only.

Franchisee acknowledges that (a) the dollar amount listed above for Upgrades is an **estimate only**, and (b) Franchisee may have to spend additional amounts for Upgrades to the extent that these estimates are below the actual amounts required to complete all Upgrades.

6. Violation. Franchisee understands that any violation of this Upgrade Agreement shall constitute a material violation of the Franchisee's Franchise Agreement.

7. Miscellaneous. This Upgrade Agreement shall be construed in accordance with the law of the State of California. Exclusive venue and jurisdiction will lie within the courts of the State of California or within the courts of the United States of America. This Upgrade Agreement constitutes the entire agreement between the parties concerning the subject matter hereof, and supersedes any and all prior or contemporaneous written or oral representations and understandings regarding such subject matter. This Upgrade Agreement cannot be modified except by a written amendment signed by all of the parties hereto. Nothing in this Upgrade Agreement or in any related agreement is intended to disclaim the representations TUPSS has made in its franchise disclosure document. The parties hereby consent to the use of electronic signatures (e.g., via DocuSign®) and electronic methods of delivery in connection with the execution of this Upgrade Agreement and any related or ancillary documents by the parties. In the event that any signature is delivered by facsimile transmission or e-mail of a .pdf file, or by electronic signature pursuant to applicable laws, such signature or electronic execution shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such were an original thereof.

Laser Lite Project Timeline Estimates

Franchisee's point of contact is the TUPSS Project Coordinator (PC) throughout the project. In a Corporate Owned Market (COA) upon design finalization, the TUPSS PC and CW Project Manager (PM) jointly serve as the franchisee's main point of contact. In Area Franchise-owned markets, the Area Franchise team designates the project points of contact. The process, tasks, responsibility party, and expected timelines may vary in an Area Franchise-owned market.

* Project timelines will vary and are subject to change. New center projects may take 12 months from the booking date. If the new center is provided in a grey shell, or if there are delays in the franchisee's possession date of the leased space, overall estimated project timelines will be extended. Additional factors such as permitting or municipal reviews, franchisee delays in design revisions/approvals, EFT authorizations, ordering, and required signatures may also impact schedules. Laser Lite remodels may take nine months. Projects for centers in Area Franchisee markets are managed by the Area Franchisee team once the center specification design is issued, process and timelines may vary.

** Estimated timelines in the chart above are in business days and do not include holidays, unless otherwise noted. Estimated timelines may not sum to the target timeline as some tasks occur in parallel to other tasks. Additionally, multiple processes are shown, when a project may experience only one of the various processes (GC bidding, construction commencement, etc.).

*** Critical Milestone

****Walkthroughs are scheduled when construction is expected to be "substantially complete". Substantial completion denotes that the project is functional and can be occupied or utilized for its intended purpose; final inspection passed, less than 3 of fixtures need to be installed (including damaged, back orders, etc.), Graphics taped to Wall/Installed, Digital Monitor, and Punchlist pending.

*****Punchlist times may be extended when products required for GC installation are not on site, or there are changes in scope of work, GC payments are overdue etc.

Laser Lite Design Questionnaire

For New, Relocating, and Remodeling Centers

As part of the Laser Lite Center design process for new, relocating and remodeling Centers, The UPS Store, Inc. (TUPSS) requires the Area Franchisee (AF), Franchise Consultant (FC), or Project Coordinator (PC) review and complete this questionnaire with the Franchisee. ***This document is required to be typed and completed in its entirety.***

Please note that the Laser Lite Design Questionnaire presents various options for Franchisees. While the designer will endeavor to integrate your preferences, there may be instances where incorporation is not feasible. The design will be completed in accordance with the then-current design criteria and [standards](#). As you consider add-ons, refer to the [Laser Lite Fixture Catalog](#). **Note:** All selections and items included on the Design Questionnaire must be existing, no future equipment or fixtures will be shown in the Center design.

Upload the completed questionnaire in Reflex. If needed, reference the [Reflex User Guide](#) for guidance on how to upload files to Reflex.

Center Development Coordination Acknowledgement

This Center Development Coordination Acknowledgment (“**CDCA**”) is made between Franchisee,

_____, ("Franchisee") owner of The UPS Store®, Center No. _____

_____ (the “**Center**”) and Center Development Coordinator, The UPS Store, Inc. (“**TUPSS**”) and is effective as of the date of Center Development Coordinator’s countersignature below.

Background

Franchisee's Center must be physically developed or improved with design and construction and/or related services, as required by Franchisee's franchisor, TUPSS. This need arises in connection with one or more of the following scenarios, as approved by TUPSS: (i) initial construction of a new Center, (ii) a remodel, relocation of an existing Center, partial remodel, redesign, or (iii) an upgrade agreement between Franchisee, Center Development Coordinator and TUPSS – either for a Center transfer, “re-opening”, or franchise renewal. This CDCA is necessary in order for the Center to be in compliance with TUPSS' then-current standards and specifications, follow The UPS Store design and construction processes, and to otherwise protect TUPSS' system and The UPS Store brand.

The Parties Agree as Follows:

1. The Center must be developed (built-out) or improved (upgraded) in full compliance with TUPSS' specifications and building standards.
2. Center Development Coordinator shall be responsible for performing and/or supervising the following services: (i) center design, ordering, permitting, construction and placement of all orders for modular fixtures, retail displays and merchandising, equipment; (ii) electrical and flooring installation; (iii) and procurement and installation of exterior and interior graphics and signage, and (iv) general miscellaneous construction-related work. The scope of all work will be detailed on the Design Intent Drawings /Construction Documents provided by TUPSS or TUPSS' designee, and/or TUPSS' upgrade agreement (example: for transfers, the Transfer Upgrade Agreement).
3. Franchisee agrees to only use TUPSS approved architect firms and permit services, approved contractors, and TUPSS approved vendors.
4. Franchisee agrees to pay the TUPSS approved contractor(s) and vendors for all work performed.
5. After Franchisee's written, digital approval of the final cost estimates (as contained in the, upgrade agreement, digital order workbook/ opening order workbook/ order workbook, general contractor bid, approved vendor invoices/budgetary quotes, Center Development Coordination("CDC") and Architectural Design and Permit EFT Authorization Form, and Other Permit Fees, Franchisee may not modify the Design Intent Drawings/Construction Document scope of work. If the franchisee changes scope of work, Franchisee shall be solely responsible for any costs associated with completing the work per the Design Intent Drawings/Construction Documents. Franchisee agrees to pay such extra costs within five (5) business days of receipt of change order/ invoice. The costs provided on the bid forms, proposals, and upgrade agreements are estimates only. There may be additional costs that would be the responsibility of the Franchisee, which costs Franchisee agrees to pay upon notice from the applicable contractor, approved vendor or Center Development Coordinator.
6. Design and Construction projects may not be transferred to a prospective purchaser of the Center or another franchise owner or operator.
7. This CDCA will be deemed to be fully performed upon: (a) the parties signing of the build out punch list and cost ledger with construction completion statement, and/or (b) Franchisee's taking possession of the Center. There may be instances where projects are subject to close without a signed punch list and cost ledger for reasons including but not limited to, Franchisee's failure to pay the General Contractor in

accordance with the terms of their contract, required materials, fixtures, graphics or equipment not being on site at the time of the construction, pending signatures on change order authorizing additional scope to be completed per the punch list, non-responsiveness by Franchisee, site access restrictions or lack of availability to allow contractors and vendors to perform remaining work, incomplete work with third-party vendors. In such cases, unresolved punch list items may be documented as "closed pending conditions" and will not be re-opened. A new project may be opened to resolve outstanding punch list items with a new project scope of work and payment of the applicable fees as disclosed in TUPSS' then-current Franchise Disclosure Documents. No part of the Center Development Coordination Fee ("**CDC Fee**") or associated project fees are refundable.

8. No modifications to the Design Intent Drawings/Construction Documents may be made or facilitated by the Franchisee to the Center prior to the completion of the construction and close out of the project. Once the project is closed the Franchisee may submit a new Design Project Request Form to initiate design revisions and modifications to the scope of work. All applicable then-current fees will apply to the new scope of work as disclosed in TUPSS' current Franchise Disclosure Documents.
9. Center Development Coordinator makes no assurances that damage, loss, theft and/or other casualties will not occur to computers, printers, copiers, equipment, décor, retail merchandise, signage, etc., ("**Items**") at the Center during the construction phase. Accordingly, the parties agree arrangements must be made to deliver the Items to a secured storage facility. The responsibility for making such arrangements, and the payment of associated costs, including all costs relating to delivering and storing the Items, will be the sole responsibility of the Franchisee. Center Development Coordinator makes no assurances that damage, loss, theft and/or other casualties will not occur with TUPSS provided vendor services including, but not limited to, flooring, fixtures, digital monitors, graphics, general contractors, and other TUPSS approved vendors.
10. Although Center Development Coordinator promises to use best efforts to complete all development or improvements by the deadlines provided by TUPSS, the parties acknowledge that delays may occur due to circumstances beyond the control of the parties. Such delays include, without limitation, governmental reviews of applications and issuance of permits. Construction Development Coordinator shall not be liable for such delays. TUPSS shall not refund any of the fees associated with the project if these delays create a cancelation of the build out of The UPS Store center or when the Franchisee and Center Development Coordination may have participated in activities pertaining to (remodel, relocation, facelift, new center, redesign, or partial remodel) or in a transfer, renewal, and re-opening of the Center during and up to the deadlines but is no longer a Franchisee in TUPSS network.
11. Although Center Development Coordinator and TUPSS approved vendors use their best efforts to source qualified contractors and vendors, Center Development Coordinator is not responsible for, nor does it warranty, any of contractors, or any other third parties, work, work product, services, or installations. Center Development Coordinator shall not be liable for any costs associated with the work performed, nor shall Center Development Coordinator be liable to Franchisee, or any third party, for any costs or damages incurred as a result of any delay, including, without limitation, any delay caused by any contractor selected, sourced, contracted, referred, or recommended by Center Development Coordinator. If such circumstances occur, Center Development Coordinator intends to, without incurring any obligation or liability from doing so, assist the parties in resolving their differences and provide recommendations for bringing the Center into full compliance with TUPSS' standards.
12. Franchisee acknowledges that the governmental permitting process may require the personal involvement of Franchisee (preparation of documents, signatures, Landlord documentation, Landlord signatures, Landlord approvals, etc.) and the payment of permit-related fees are outlined on the Center Development Coordination (CDC) and Architectural Design and Permit EFT Authorization Form, and Other Permit Fees, separate and apart from any fees paid contractors, vendors, TUPSS, or other third parties. Franchisee agrees to timely provide its cooperation and pay such fees.

Center Development Coordination Acknowledgement

13. It is the Franchisee's responsibility to list all build out and remodel outstanding scope of work on the Construction Walkthrough and document on the punch list. Failure to report outstanding items on the punch list days or weeks after the walkthrough can cause issues to confirm whether it was an item that the General Contractor was responsible for or whether it was an issue that occurred later and it will be the Franchisee's responsibility to resolve. Franchisees are required to manage the punch list as identified on the Construction Walkthrough and the punch list directly with the General Contractor. Punchlist must be completed within 30 days so the required compliance packet may be submitted for review. Projects with outstanding exterior window graphics due to weather constraints may be submitted for compliance, all other punch list items must be completed. To ensure completion of the punch list Franchisees must pay the General Contractor in accordance with agreed upon terms of their contract, and have required materials, fixtures, graphics or equipment on site at the time of the construction. Franchisees must sign pending change orders authorizing additional scope to be completed so the Center is built according to the Design Intent Drawings/Construction Documents if the scope of work was not included on the Bid Estimate. Franchisees must ensure timely follow up, responsiveness, and site access to allow contractors and vendors to perform remaining work. If a General Contractor is not responsive to the Franchisee's attempts to complete a punch list then the Franchisee must engage the assistance of the Project Manager and The UPS Store Project Coordinator within three weeks of the Construction Walkthrough and after three documented attempts to contact the General Contractor. If the Franchisee fails to request the assistance of the Project Manager and The UPS Store Project Coordinator within three weeks of the Construction Walkthrough a new project may be opened to resolve outstanding punch list items with new project scope of work and payment of applicable then-current fees as disclosed in TUPSS' Franchise Disclosure Documents.
14. Franchisee should carefully review contract terms provided by the General Contractor and negotiate contract terms as applicable. It is strongly recommended that Franchisee negotiates their contract with the General Contractor to have the final 10% payment due after the punch list is completed.
15. Franchisee agrees to pay any applicable permit application fees and architectural service fees which many include mechanical, electrical and plumbing (MEP) plans.
16. Franchisee agrees to pay a **CDC Fee** to manage the project to construct your new Center. You must pay the CDC Fee when the franchise fee or transfer fee is paid, prior to the finalization of the Design Intent Drawings, commencement of Center construction project or at such other time we designate.
17. TUPSS requires that such CDC Fee be paid in full upon execution of this CDCA. The CDCA document is required to be executed and returned within ten (10) days of receipt of the CDCA.

The fee is \$7,700 for all newly-constructed and full Laser Lite remodel Centers, franchise renewals, franchise transfers, franchise relocations, full remodels, franchise "Re-Openings" (the sale of a new franchise located at a previously closed Center). TUPSS 2000, Blue Horizon and Laser Lite partial remodels Center Development Coordinator Fee will be \$3,200 and a Redesign Center Development Coordinator Fee will be \$1,800.

This CDCA is the entire agreement between the parties. TUPSS shall be a third-party beneficiary of this agreement. The terms and conditions of the CDCA may not be modified without the prior written permission of (a) both parties, and (b) TUPSS.

Area Franchisee Center Development Coordination Acknowledgement

This Center Development Coordination Acknowledgment (“**CDCA**”) is made between Franchisee,

_____, ("Franchisee") owner of The UPS Store®, Center No. _____

_____, (the "**Center**") and Center Development Coordinator, _____ and is effective as of the date of Center Development Coordinator's countersignature below.

Background

Franchisee's Center must be physically developed or improved with design and construction and/or related services, as required by Franchisee's franchisor, The UPS Store, Inc. ("**TUPSS**"). This need arises in connection with one or more of the following scenarios, as approved by TUPSS: (i) initial construction of a new Center, (ii) a remodel, relocation of an existing Center, partial remodel, redesign or (iii) an upgrade agreement between Franchisee, Center Development Coordinator and TUPSS – either for a Center transfer, "re-opening", or franchise renewal. This CDCA is necessary in order for the Center to be in compliance with TUPSS' then-current standards and specifications, follow The UPS Store design and construction processes, and to otherwise protect TUPSS' system and The UPS Store brand.

The Parties Agree as Follows:

1. The Center must be developed (built-out) or improved (upgraded) in full compliance with TUPSS' specifications and building standards.
2. Center Development Coordinator shall be solely responsible for performing and/or supervising the following services: (i) center design, ordering, permitting, construction and placement of all orders for modular fixtures, retail displays and merchandising, equipment; (ii) electrical and flooring installation; procurement and installation of exterior and interior graphics and signage, including conducting the related site survey and obtaining the necessary landlord approvals regarding installation of the exterior and interior signage; (iii) procurement and installation of exterior and interior graphics and signage, and (iv) general miscellaneous construction-related work. The scope of all work will be detailed on Design Intent Drawings/ Construction Documents provided by TUPSS or TUPSS' designee, and/or TUPSS' upgrade agreement (example: for transfers, the Transfer Upgrade Agreement).
3. Franchisee agrees to only use Center Development Coordinator's architect firms and permit services, approved contractors, and TUPSS approved vendors.
4. Franchisee agrees to pay the Center Development Coordinator's approved contractor(s) and vendor(s) for all work performed.
5. After Franchisee's written approval of the final cost estimates (as contained in the upgrade agreement, digital order workbook/ opening order workbook/ order workbook, general contractor bid, approved vendor invoices/budgetary quotes, Center Development Coordination ("**CDC**") or as applicable), Franchisee may not modify the Design Intent Drawings/Construction Document scope of work. If the franchisee changes scope of work, franchisee shall be solely responsible for any costs associated with completing the work per the Design Intent Drawings/Construction Documents. Franchisee agrees to pay such extra costs within five (5) business days of receipt of change order/ invoice. The costs provided on the bid forms, proposals and upgrade agreements are estimates only. There may be additional costs that would be the responsibility of the Franchisee, which costs Franchisee agrees to pay upon notice from the applicable contractor, approved vendor or Center Development Coordinator.
6. Design and Construction projects may not be transferred to a prospective purchaser of the Cetner or another franchise owner or operator.

7. This CDCA will be deemed to be fully performed upon: (a) the parties signing of the build out punch list and cost ledger with construction completion statement, and/or (b) Franchisee's taking possession of the Center. There may be instances where projects are subject to close without a signed punch list and cost ledger for reasons including but not limited to Franchisee's failure to pay the General Contractor in accordance with the terms of their contract, required materials, fixtures, graphics or equipment not being on site at the time of the construction, pending signatures on change order authorizing additional scope to be completed per the punch list, non-responsiveness by Franchisee, site access restrictions or lack of availability to allow contractors/vendors to perform remaining work, incomplete work with third-party vendors. In such cases, unresolved punch list items may be documented as "closed pending conditions" and will not be re-opened. A new project may be opened to resolve outstanding punch list items with new project scope of work and payment of the applicable fees as disclosed in TUPSS' then-current Franchise Disclosure Documents. No part of the Center Development Coordination Fee ("**CDC Fee**") or associated project fees are refundable.
8. No modifications to the Design Intent Drawings/Construction Documents may be made or facilitated by the Franchisee to the Center prior to the completion of the construction and close out of the project. Once the project is closed the Franchisee may submit a new Design Project Request Form to initiate design revisions and modifications to the scope of work. All applicable project fees will apply to the new scope of work.
9. Center Development Coordinator makes no assurances that damage, loss, theft and/or other casualties will not occur to computers, printers, copiers, equipment, décor, retail merchandise, signage, etc., ("**Items**") at the Center during the construction phase. Accordingly, the parties agree arrangements must be made to deliver the items to a secured storage facility. The responsibility for making such arrangements, and the payment of associated costs, including all costs relating to delivering and storing the Items, will be the sole responsibility of the Franchisee. Center Development Coordinator makes no assurances that damage, loss, theft and/or other casualties will not occur with TUPSS provided vendor services including but not limited to flooring, fixtures, digital monitors, graphics, general contractors and other TUPSS approved vendors.
10. Although Center Development Coordinator promises to use best efforts to complete all development or improvements by the deadlines provided by TUPSS, the parties acknowledge that delays may occur due to circumstances beyond the control of the parties. Such delays include, without limitation, governmental reviews of applications and issuance of permits. Construction Development Coordinator shall not be liable for such delays. TUPSS shall not refund any of the fees associated with the project if these delays create a cancellation of the build out of The UPS Store center. Or when the Franchisee and Center Development Coordination may have participated in activities pertaining to (remodel, relocation, facelift, new center, redesign, or partial remodel) or in a transfer, renewal, and re-opening of the Center during and up to deadlines but is no longer a Franchisee in TUPSS network.
11. Although Center Development Coordinator uses its best efforts to source qualified contractors, Center Development Coordinator is not responsible for, nor does it warranty, any of contractors, and vendors. Center Development Coordinator shall not be liable for any costs associated with the work performed, nor shall Center Development Coordinator be liable to Franchisee, or any third party, for any costs or damages incurred as a result of any delay, including, without limitation, any delay caused by any contractor selected, sourced, contracted, referred, or recommended by Center Development Coordinator. If such circumstances occur, Center Development Coordinator intends to, without incurring any obligation or liability from doing so, assist the parties in resolving their differences and provide recommendations for bringing the Center into full compliance with TUPSS' standards.
12. Franchisee acknowledges that the governmental permitting process may require the personal involvement of Franchisee (preparation of documents, and the payment of permit-related fees directly to such governmental agency separate and apart from any fees paid to the Center Development Coordinator, contractors, vendors, TUPSS or other third parties. Franchisee agrees to timely provide its cooperation and pay such fees.

Area Franchisee Center Development Coordination Acknowledgement

13. Franchisee agrees to pay any applicable permit application fees and architectural service fees which many include mechanical, electrical and plumbing (MEP) plans.
14. Franchisee agrees to pay a **CDC Fee** to manage the project to construct your new Center. You must pay the CDC Fee when the franchise fee or transfer fee is paid, prior to the finalization of the Design Intent Drawings, commencement of Center construction project or at such other time we designate.

The fee is \$7,700 for all newly-constructed and full Laser Lite remodel Centers, franchise renewals, franchise transfers, franchise relocations, full remodels, franchise "Re-Openings" (the sale of a new franchise located at a previously closed Center). TUPSS 2000, Blue Horizon and Laser Lite partial remodels Center Development Coordinator Fee will be \$3,200 and a Redesign Center Development Coordinator Fee will be \$1,800.

On occasion, additional services and fees may be incurred after the permits are submitted due to requirements of the permit reviewers. The exact amount of other permit fees that may be incurred is unknown at the time of permit submission and this form is signed. In order to avoid delays in the review of the permits, the payment of these other permit fees often needs to be made quickly.

By signing this form, I pre-authorize the EFT of "other permit fees" that may be incurred as part of the permit submission and review up to a total of three thousand five hundred dollars (\$3,500). Other permit fees may include but are not limited to permit expeditor/specialists, architectural design revisions, Mechanical (M), Electrical (E), Plumbing (P) plans and activities as required by the municipality reviewer, surveys, filings, notary, printing, scanning, shipping, service, and miscellaneous fees. The "Other Permit Fees" incurred for this project will be shared on the "Other Permit Fee EFT Awareness/Authorization Form" and provided to the franchisee after permits are issued.

Failure to return the signed form could cause unnecessary delays.

Permit Submission & Management Acknowledgment

The responsible party to submit for a permit for this project is:

☐ TUPSS Approved Vendor/CenterPoint/WD ☐ TUPSS Approved General Contractor

The TUPSS Approved Vendor; CenterPoint, WD Partners, and/or General Contractor will

Center Development Coordination (CDC) and Architectural Design and Permit EFT Authorization

submit for the permits. I agree that anyone other than the TUPSS Approved Vendor and/or TUPSS Approved General Contractor contacting the municipality regarding the permits for this project is likely to cause confusion and unnecessary delays in the permitting process and the project. Accordingly, I agree that neither I, nor my affiliates, agents, and employees will contact the municipality regarding the permits for this project.

Laser Lite Construction & Graphic Punch List

(New Center, Relocation, Full Remodel)

Instructions: When reviewing Laser Lite construction & graphics in a virtual construction video walk-through, complete this Punch List. Use the center specification design, ensuring the fixtures/graphics are per plan. Document any follow up items from the buildout in the fields below.

Requirements

The General Contractor (GC) requirement is for construction items to be completed per the Design Intent Drawings/Construction Documents. GC must ensure fixtures are assembled/installed without damage/imperfections/gaps, level, functioning properly, powered, flush, paint is solid/not see through to drywall, no cords dangling. GC to remove all trash/center cleaned/dust and hand print free, etc. The requirement for graphic items is that all graphics are installed (or tapped to the wall with painters tap as directed by the Project Manager) with quality completion and per the instructions on the Design Intent Drawings/Construction Documents. The General Contractor is required to complete the punch list within 30 days. If window graphics can not be installed due to weather constraints the GC must complete all other punch list items within 30 days and then later return to install the exterior window graphics within 30 days of when the weather constraint is lifted.

Franchisee is required to ensure ALL outstanding scope of work on the Construction Walkthrough is documented on this punch list. Reporting punch lists days or weeks after the walkthrough cannot be confirmed it was a GC related item and is the Franchisee's responsibility. Franchisees are required to manage the punch list as identified on the Construction Walkthrough and punch list directly with the General Contractor. Punchlist must be completed within 30 days so the required compliance packet may be submitted. Projects with outstanding exterior window graphics due to weather constraints may be submitted for compliance, all other punch list items must be completed.

To ensure completion of the punch list franchisees must pay the General Contractor in accordance with agreed upon terms, have required materials, fixtures, graphics or equipment on site at the time of the construction. Franchisees must sign pending change orders authorizing additional scope to be completed so the center is built according to the Design Intent Drawings/Construction Documents if the scope of work was not included on the Bid Estimate. Franchisees must ensure timely follow up, responsiveness, and site access to allow contractors/vendors to perform remaining work.

If a GC does not respond to the franchisees attempts to complete a punch list then the franchisee may engage the assistance of the Project Manager and The UPS Store Project Coordinator within two weeks of the Construction Walkthrough and after three documented attempts to contact the General Contractor. If the franchisee fails to request the assistance of the Project Manager and The UPS Store Project Coordinator within three weeks of the Construction Walkthrough a new project may be opened to resolve outstanding punch list items with new project scope of work and fees.

ADDENDUM TO LEASE

This Addendum to Lease (“**Addendum**”) is by and between _____ (“**Landlord**”);
and _____ (“**Tenant**”); and The UPS Store, Inc. (“**Franchisor**”).

The Parties Agree as Follows:

1. This Addendum supplements and is a binding part of the lease between Landlord and Tenant dated _____, 20____, (and any renewals thereof) (the “**Lease**”) for the leased premises located at _____ (the “**Premises**”).

2. To the extent that there is any inconsistency between the terms of the Lease and the terms of this Addendum, the terms of this Addendum shall govern and control.

3. This Addendum may only be amended in a writing that is signed by all parties. The parties consent and agree that this Addendum and the terms and conditions hereunder will be binding on, and enure to the benefit of, any transferee, assignee, or other legal successor to Tenant’s interest in the Lease.

4. During the Lease’s term (and any renewals or extensions of such term) the parties agree that the Premises shall be used solely for the operation of a The UPS Store® retail center.

a. Landlord agrees not to lease any space to any tenant that will offer, sell or provide any of the following products or services:

- Retail packing and shipping services; UPS®, DHL®, FedEx® or any other related overnight delivery and/or courier services; lockers for package receiving; retail sales of USPS® metered mail;
- Retail printing services, including color and black and white photocopying, digital printing; digital imaging, binding, on-line printing/document access; mounting, laminating; large format printing, and the production of banners;
- Retail mailbox services; and retail package receipt, storage, forwarding, and management services.

b. Landlord further agrees that during the Lease’s term, Landlord shall not place, or allow the placement of, any additional parcel/overnight delivery boxes or non-UPS lockers for package receiving for overnight delivery services within the Common Area or in any retail space with a square footage less than 7,500 square feet.

c. Notwithstanding anything to the contrary herein, the prohibitions provided in Sections 4.a. and/or 4.b. of this Addendum shall not apply to:

- Landlord’s current tenants as of the date of this Addendum who have permitted use under the terms of a valid existing lease as of the effective date of this Addendum; and/or
- Any tenant with leased premises over 7,500 square feet.

d. In the event Landlord breaches Sections 4.a. or 4.b. of this Addendum, Tenant shall have the right to (i) immediately terminate the Lease upon 60 days’ notice without further obligation notwithstanding any provision to the contrary in the Lease, (ii) to enforce the applicable provision

breached (Section 4.a. and/or 4.b.) by injunction, in addition to Tenant's other legal remedies upon breach hereof, and (iii) an automatic abatement of fifty percent (50%) of the monthly base rent for the Premises, which abatement shall continue throughout the period of such breach until the earlier of the date the breach is cured or three hundred and sixty (360) days from the date the breach commenced. In the event Tenant does not exercise Tenant's right to terminate the Lease under this Section, the monthly base rent shall revert to the monthly base rent in accordance with the terms of the Lease.

5. For value received, Tenant hereby assigns its rights under the Lease (or, if applicable, under a renewal term lease) to Franchisor, and Landlord hereby consents to such assignment, subject to the following conditions:

a. One of these events ("**Events**") has occurred:

(i) Tenant has failed to cure defaults under the Lease, or

(ii) Termination and/or expiration of Tenant's Franchise Agreement with Franchisor during the Lease's term (or during any extension of such term); and

b. Franchisor sends written notice ("**Franchisor Notice**") to the Landlord and Tenant confirming that Franchisor exercises its right (not obligation) to accept such Lease assignment within thirty (30) days; and

c. If the applicable Event included a Lease default by Tenant, Franchisor fully cures such default within fifteen (15) business days of the Franchisor Notice. If Franchisor fails to fully cure the defaults to Landlord's satisfaction by such deadline, the assignment would be rendered null and void.

d. Landlord shall not unreasonably withhold its consent if and when Franchisor (if it has exercised its rights under this Addendum) seeks to assign the Lease (or, if applicable, renewal term lease) to any third party that is creditworthy according to Landlord's original qualification criteria for the Lease and meets Franchisor's requirements for franchise ownership.

Upon receipt by Landlord of an assumption agreement under which the assignee agrees to assume: (i) the Lease (or, if applicable, renewal lease), and (ii) all of Franchisor's duties thereunder, Franchisor shall thereupon be released from all liability as tenant from and after such date of assignment, without need for additional written confirmation of such release from Landlord to Franchisor.

6. Notices

a. Landlord promises to send to Franchisor and area franchisee copies of any notices of default or termination or non-renewal that it gives to Tenant, as well as notice of material changes to the terms of this Lease, estoppel, or change of ownership of the property governed by the Lease at the same time Landlord sends any such notice to Tenant.

b. All written notices described herein must use a commercial overnight courier with next day delivery (and receipt provided), or certified mail (postage prepaid, return receipt requested). For all purposes, Franchisor shall be contacted at: Legal Department, The UPS Store, Inc., 9350 Waxie Way, Suite 520, San Diego, CA 92123, and area franchisee shall be contacted at:

(For Landlord's and Tenant's mailing addresses, see the signature lines below.)

7. Franchisor does not assume any obligation under the Lease, (or, if applicable, under a renewal term lease) unless and until Franchisor expressly assumes such Lease (or, if applicable renewal term lease) obligation.

8. In the event Tenant ceases operations of or closes The UPS Store retail center to the public, Franchisor (or its representative) may enter the Premises without being guilty of trespass to effect de-identification or removal of Franchisor's proprietary computer and other equipment, software, documents, and interior brand-identifying trade dress and any mail and packages of the brand's customers. Franchisor agrees to repair any substantial or extraordinary damage, more than the standard wear and tear, caused by said removal of equipment and trade dress.

9. Franchisor shall be entitled to recover from Tenant all amounts Franchisor pays to Landlord to cure Tenant's defaults under the Lease, including interest and reasonable collection costs.

10. The parties hereby consent to the use of electronic signatures (e.g., via DocuSign®) and electronic methods of delivery in connection with the execution of this Addendum and any related or ancillary documents by the parties. In the event that any signature is delivered by facsimile transmission or e-mail of a .pdf file, or by electronic signature pursuant to applicable laws, such signature or electronic execution shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such were an original thereof.

**THE UPS STORE® FRANCHISEE
UPS INCENTIVE PROGRAM
CONTRACT CARRIER AGREEMENT**

THIS CONTRACT CARRIER AGREEMENT (“**Agreement**”) is entered into between UNITED PARCEL SERVICE, INC., an Ohio corporation (“**UPS**”), and _____ a The UPS Store, Inc. (“**TUPSS**”), franchisee (“**Participating Franchisee**”, “**you**”, or “**your**”).

RECITALS

- A. TUPSS is a franchisor of retail outlets (each, “**The UPS Store Center**”) that provide a variety of postal, business, and communications services to businesses and the general public.
- B. UPS is an interstate carrier providing transportation and related services to shippers, including The UPS Store Centers.
- C. Participating Franchisee is an independently-owned and operated franchisee of TUPSS, and has requested UPS services for itself and patrons wishing to conduct business at The UPS Store Center (“**patrons**”).

For and in consideration of the mutual covenants and conditions contained in this Agreement, UPS and Participating Franchisee agree as follows:

AGREEMENT

1. **Agreement for Services; Incorporated Terms.** UPS will provide services to you as stated in this Agreement and in the published applicable UPS Rate and Service Guide and UPS Tariff/Terms and Conditions of Service in effect at the time of shipment. The terms and conditions of the UPS Rate and Service Guide and the UPS Tariff/Terms and Conditions of Service can be found at www.ups.com, and are incorporated in this Agreement by this reference. If there is a conflict between the terms of this Agreement on the one hand, and the terms and conditions in the UPS Rate and Service Guide and UPS Tariff/Terms and Conditions of Service on the other, the terms of the UPS Tariff/Terms and Conditions of Service and UPS Rate and Service Guide will prevail, except to the extent provided in Section 8.c. of this Agreement. Addenda One, Two, Three, and Four constitute a part of this Agreement and are incorporated into this Agreement by this reference.
2. **Carrier of Choice.** You agree that this Agreement is based on the needs of Participating Franchisee, and that UPS will be your preferred and recommended carrier of choice for all small package ground, air, and international shipments.
3. **Term.** This Agreement is effective (“**Effective Date**”) as of the date that it is countersigned below by UPS. This Agreement’s term shall end upon the earlier of: (1) the conclusion (without renewal) of the Franchise Agreement’s natural term, or (2) the earlier termination of: (a) this Agreement, or (b) the Franchise Agreement.
4. **Temporary Suspension; Termination.**
 - a. **Temporary Suspension.** If, at any time during the term of this Agreement, Participating Franchisee is not in full compliance with the terms of its Franchise Agreement with TUPSS, UPS may temporarily suspend any or all services offered to Participating Franchisee under this Agreement.

- b. Termination for Default. If Participating Franchisee defaults in its performance of its obligations of this Agreement, including without limitation a violation of UPS' designated maximum Retail Rates for UPS shipping services, UPS may elect to terminate this Agreement if Participating Franchisee fails to cure the default as specified by UPS within thirty (30) days of receipt of written notice from UPS. Notwithstanding the foregoing, if you receive from UPS three (3) or more written notices of default under this Agreement within any twelve (12) consecutive month period, then, whether or not the default was curable and/or cured after receipt of notice: (i) such repeated defaults shall be considered incurable, and (ii) UPS may terminate this Agreement at the same time as, or any time after, UPS notifies you of the third default, with such termination to become effective upon your receipt of such notice of termination.
- c. Termination for TUPSS Termination of Franchise Agreement. If TUPSS terminates your Franchise Agreement due to your failure to cure any material default of such Franchise Agreement as required by TUPSS, such termination shall be deemed to be a simultaneous uncured and incurable default under this Agreement and shall automatically and simultaneously result in the immediate termination of this Agreement without any required notice or other action by UPS.
- d. Termination for Certain Conduct. UPS may elect to terminate this Agreement, effective immediately upon delivery of written notice to you, if you (or any of your owners) engage in any dishonest, dangerous, unethical, immoral, or similar conduct which, in UPS' sole opinion, adversely affects UPS' reputation and/or the goodwill associated with UPS' trademarks, service marks, and commercial symbols.
- e. Termination for Failure to Timely Pay. Notwithstanding Subsection (b) and (c), above, UPS may suspend service or terminate this Agreement in its discretion upon your failure to timely pay any or all charges owed to UPS for services rendered.

5. Incentives and Test Programs.

- a. The incentives referenced in Addendum One to this Agreement are contingent upon your execution of this Agreement and the The UPS Store Franchise Agreement. You must supply a signed copy of this Agreement to the TUPSS corporate office.
- b. UPS may, in its sole and absolute discretion, modify (a) the maximum UPS Retail Rates for UPS shipping services, and (b) the incentives provided to you; provided, however that UPS will give ninety (90) days prior written notice of any reduction in the incentives provided to you.
- c. Notwithstanding the restrictions in Section 5.b or similar restrictions in this Agreement, UPS may engage in test programs in which UPS increases or decreases the UPS Retail Rates for UPS shipping services that The UPS Store Centers may charge customers. Your The UPS Store Center must participate in any such test programs, as required by UPS. UPS shall provide you with thirty (30) days' written notice of the effective date of the test program. You acknowledge and agree that, as a result of your The UPS Store Center's participation in such test programs, the UPS Retail Rates for the various UPS shipping services offered by your The UPS Store Center during the test program may differ from the published UPS Retail Rates, which may result in a reduction of the incentives provided to you under this Agreement.

6. **Maximum Retail Price.** You may not charge more than the maximum UPS Retail Rates designated by UPS for the various UPS shipping services offered by your The UPS Store Center. You will accurately input all billing adjustments and requests for compensation.
7. **Payment.** UPS requires an electronic funds transfer (“EFT”) payment program for the amount of your UPS bill. Each week your bank deducts the amount from your checking account and transfers the payment electronically to UPS. Each payment is shown on your regular bank statement. You agree that you will timely pay all charges owed to UPS for services rendered. UPS reserves the right to suspend credit and/or terminate this Agreement, and the right to suspend alternative payment terms or require payment at the time service is requested, in the event that you do not timely pay any or all charges owed to UPS for services rendered.
8. **Participating Franchisee as Shipper.**
 - a. You understand and agree that you will be considered the shipper for all shipments tendered by you to UPS. All services provided by UPS pursuant to this Agreement are provided to you as the shipper, and not to patrons.
 - b. UPS shall have no obligation to deal with patrons in any matters concerning UPS services provided to you under your shipper number, including, without limitation, tracing requests, claims, guarantees, COD preparation or remittance, return of undeliverable packages, proper packaging and labeling, or billing. You may provide patrons with your UPS tracking number(s) for shipment(s) of packages tendered to you, and UPS may, at its discretion, respond directly to patrons if they submit such tracking requests to UPS.
 - c. Claims for loss or damages on shipments may be initiated by you or the patron. You are responsible for assisting any patron to initiate a claim for loss or damage or requests for refunds through the Franchise Claims Portal provided by UPS Capital (or other method hereinafter designated by UPS and/or TUPSS). UPS claims payments may, at UPS’ sole discretion, be paid to the appropriate patron by UPS (or any other party designated to make claims payments on behalf of UPS, such as UPS Capital). In the event a UPS claims payment relating to a shipment you made for a patron is paid to you, you agree to immediately provide that claims payment to the appropriate patron. Notwithstanding the foregoing or any provision of this Agreement, as amended, or of any other agreement between you and UPS, TUPSS, or an affiliate of either UPS or TUPSS, UPS may, in its sole and absolute discretion, deal with patrons in any matter concerning UPS services provided to you, including, without limitation, tracing requests, claims (including the payment of claims and/or refunds), guarantees, COD preparation or remittance, return of undeliverable packages, proper packaging and labeling, or billing. If UPS elects to exercise its discretion to deal directly with a patron, UPS may obtain the patron's information from the iShip® shipping system, or you agree to provide the patron's information to UPS upon request. Upon UPS' payment of any claim or refund directly to the patron, you will be deemed to have (i) assigned any and all of your rights to or interest in that claims payment or refund to the patron, (ii) waived any right to receive such claims payment or refund, and (iii) released UPS from any further obligations or claims with respect to that claims payment or refund.
 - d. Pursuant to Addendum Four to this Agreement, your UPS account (e.g., shipper number) will be automatically enrolled in the Enhanced Declared Value (“EDV”) program. Refer to Addendum Four in the event you later wish to unenroll from the EDV program.
9. **Unauthorized Shipments; Hazardous Materials; Security.** You agree not to ship via UPS articles that UPS is not authorized to accept or that UPS states in the effective UPS Rate and Service Guide

and UPS Tariff/Terms and Conditions of Service that it will not accept, and to ensure that any packages tendered by you to UPS comply with UPS' terms of service as set forth in the UPS Tariff/Terms and Conditions of Service. You agree not to ship via UPS any "Hazardous Materials" (those materials regulated under Title 49 of the Code of Federal Regulations). You agree to cooperate with UPS in connection with security measures that currently are in place, and that may be in place in the future, relating to shipment of packages tendered to you by a patron for shipment.

10. Proper Packaging and Labeling.

- a. You agree to supply UPS with electronic package level detail and packaging labeling in a form acceptable to UPS, as may be modified or updated at UPS' discretion, for every package tendered by you to UPS. Package level detail includes, but is not limited to: consignee's full name, complete delivery address, package weight and zone, service option, and package tracking number. Package labeling includes, but is not limited to: 1Z tracking numbers bar code, MaxiCode, postal bar code, UPS Routing Code, and appropriate service icon.
- b. With the sole exception of international shipments, all packages (including letters) tendered by you to UPS will bear your return address only and not that of a patron. International packages and letters tendered by you to UPS should show the patron's telephone number and name and address as the return address on the UPS shipping label.

11. Use of Automated Shipping System; Effective Rates. You will process all packages tendered by you to UPS under your UPS shipper number using the iShip shipping system and the current applicable rates. Use of a non-compliant manifest system or incorrect rates will result in a charge of the greater of \$0.50 per package, or \$35.00 per week, and UPS may terminate this Agreement in the event that you use a non-compliant manifest system or incorrect rates and fail to cure such default as required.

12. Resources Provided to Participating Franchisee. Provided you are in full compliance with the terms of this Agreement and your Franchise Agreement with TUPSS, UPS will provide to you for the life of this Agreement the following resources: Placement on the UPS Service Locator, Dedicated Support Resources, and 1-800 Support Line.

13. International Special Commodities - Personal Effects. In addition to other services provided to you, UPS will provide international transportation of special commodities as set forth in Addendum Two.

14. Value Added Services; Accessorial Charges.

- a. **Saturday Air Pick-Up.**
 - i. If a package is tendered during the regularly-scheduled Saturday pickup; the Saturday pickup charge will be waived. Any subsequent requests for additional pickups on the same day will incur a Saturday pickup charge.
 - ii. If a Saturday pickup is needed, but The UPS Store location does not have a regularly-scheduled pickup for Saturday, The UPS Store location must call or request a pickup via the Internet. The fee for the first request of that day will be waived. Any subsequent requests for additional pickups on the same day incur a charge.
- b. **Address Corrections.** UPS agrees to waive the accessorial fee for address corrections for Participating Franchisees.

- c. **UPS Delivery Intercept – Redirected Packages.** UPS agrees to waive the accessorial fee for UPS Delivery Intercept redirect requests for Participating Franchisees.
- d. **UPS Provided Label Printer.** UPS agrees to waive the weekly charge for the use of the UPS Provided Printers for Participating Franchisee.

15. Confidentiality; Advertising; Data Provided to UPS.

- a. You agree that this Agreement, including its existence and all of its terms and conditions, and all rates and other information provided to you by UPS is proprietary information of UPS and the property of UPS. You and UPS acknowledge the competitive value of the information and agree to keep such information strictly confidential and, except to TUPSS, not to disclose it or any part of it to any third person without UPS' prior written consent.
- b. You agree that, except as required by law, you will make no public statement or advertisement that mentions UPS except in compliance with the provisions of your The UPS Store Franchise Agreement or with the prior written approval of UPS.
- c. UPS may use any data you submit to UPS in conjunction with this Agreement as amended, or that you otherwise provide to UPS, to fulfill its obligations under this Agreement and as further articulated in the UPS Section of the Center Operations Manual.

16. Indemnification.

- a. UPS Indemnification of You.

UPS agrees to indemnify, defend, and hold harmless you, your parent or subsidiary companies, and the officers, directors, agents and employees of each of them, and your and their successors and assigns ("**Indemnified Party**" or, as applicable, "**Indemnified Parties**") from (and by directly paying, not merely reimbursing the Indemnified Parties) all claims, demands, expenses (including reasonable attorneys' and consultants' fees), liabilities, causes of action, enforcement procedures, and suits of any kind or nature, whether such claim is brought by a government agency or any other person or entity (hereinafter "**Claims**"), which any of the Indemnified Parties may hereinafter incur as a result of:

- i. any package received by you under the UPS Drop Off Program, or other similar program that may be put in place during the Term of this Agreement which requires you to receive packages as a delivery location, except to the extent that such Claims allege or result from the Indemnified Party or Parties' (1) failure to comply with the inspection obligations relating to Hazardous Materials packages set forth in the Packaging and Shipping Services Section of the Center Operations Manual in effect at the time of shipment (which obligations are incorporated by reference into TUPSS' Franchise Agreement with you); (2) failure to comply with UPS requirements applicable to a package (including failure to comply with Section 3.9 (Hazardous Materials Service) of the UPS Tariff); or (3) negligence, recklessness, or intentional misconduct in connection with receiving and processing such package; and
- ii. injury or death of any person, damage, loss, or destruction of improvements to real property or any tangible personal property to the extent caused by or resulting from UPS' negligent acts or omissions, except to the extent caused by an Indemnified Party; provided, however, that this Subsection shall not permit indemnification of any loss or damage to packages received and processed by you as the UPS shipper (*i.e.*,

using your UPS shipper number), which shall be governed by the UPS Tariff/Terms and Conditions of Service in effect at the time of shipping.

b. Your Indemnification of UPS.

You agree to indemnify, defend, and hold harmless UPS, its parent, subsidiaries, and affiliated entities, and the officers, directors, agents, and employees of each of them, and its and their successors and assigns (“**UPS Indemnified Party**” or, as applicable, “**UPS Indemnified Parties**”) from any and all claims, demands, expenses (including reasonable attorneys’ and consultants’ fees), liabilities, causes of action, enforcement procedures, and suits of any kind or nature, whether brought by a government agency or any other person or entity, (“**Claims**”), which any of the UPS Indemnified Parties may hereinafter incur arising from or relating to:

- i. any package received by you under the UPS Drop Off Program, or other similar program that may be put in place during the Term of this Agreement which requires you to receive packages as a delivery location but only where such Claims allege or result from the Indemnified Party or Parties’ (1) failure to comply with the inspection obligations relating to Hazardous Materials packages set forth in the Packaging and Shipping Services Section of the Center Operations Manual in effect at the time of shipment; (2) failure to comply with UPS requirements applicable to a package (including failure to comply with Section 3.9 (Hazardous Materials Service) of the UPS Tariff); or (3) negligence, recklessness, or intentional misconduct in connection with receiving and processing such package;
- ii. your noncompliance with government laws or regulations or UPS requirements applicable to a package tendered by you to UPS using your shipper number or otherwise (such as under another UPS customer’s shipper number pursuant to the Bill My Account program or another program), including without limitation, failure to comply with the UPS Tariff/Terms and Conditions of Service regarding prohibited or restricted items and Section 3.9 (Hazardous Materials), or your inspection obligations relating to Hazardous Materials packages set forth in the Packaging and Shipping Services Section of the Center Operations Manual in effect at the time of shipment;
- iii. your negligence, recklessness, or intentional misconduct in connection with receiving and processing packages (including Drop Off packages or packages processed in connection with the Bill My Account program);
- iv. injury to persons or property on or about your premises;
- v. any action by a patron against UPS for loss or damage to a package, irrespective of the cause of such loss or damage; or arising from your failure to transmit to a patron a UPS claims payment made to you relating to such patron’s package; and
- vi. any prohibited sale, sharing, transfer or assignment of your UPS shipper number, as set forth in Section 18.

17. Audit. UPS may randomly audit you for compliance with this Agreement and you agree to cooperate with UPS during this audit.

18. No Transfer of UPS Shipper Number. You agree not to sell, assign, or otherwise transfer any benefit of your UPS shipper number without the prior written authorization of UPS. You further agree that you shall not share your UPS shipper number with any patron or allow any patron to use your UPS Shipper number for shipments from any geographical location other than your own The

UPS Store Center without UPS' prior written authorization. You represent and warrant that you will tender packages under your UPS shipper number only at your Participating Franchisee geographical location as approved by UPS. If, without the prior written authorization of UPS, you sell, assign, share, or otherwise transfer your UPS shipper number to another party, or tender packages under your UPS shipper number at a geographical location other than your Participating Franchisee location, you agree to pay on UPS' request a per package penalty ("**Unauthorized Package Fee**") for any package tendered in violation of this provision, and to indemnify the UPS Indemnified Parties, as set forth in Section 16. The Unauthorized Package Fee shall be in the amount of the UPS Retail Rate without incentive(s) and including all applicable accessorials and surcharges for each package tendered in violation of this provision.

19. **Relationship of the Parties.** It is the express intention of UPS and Participating Franchisee that Participating Franchisee is not an employee, agent, joint venturer, or partner of UPS and nothing in this Agreement shall be interpreted or construed to create or establish such relationship. UPS and Participating Franchisee acknowledge that neither UPS nor TUPSS is responsible for (i) the payment of any obligations incurred by Participating Franchisee pursuant to this Agreement and (ii) the acts and/or omissions of Participating Franchisee. UPS and Participating Franchisee further acknowledge and agree that Participating Franchisee, in its sole discretion and not under the direction or control of UPS, provides its services to the general public, and that Participating Franchisee shall determine the means, methods, or manner of performing its services.
20. **Entire Agreement.** This Agreement constitutes the entire Agreement between the parties with respect to the subject matter hereof, and supersedes all prior agreements, proposals, oral or written, and all other communications between the parties with respect to such subject matter. Nothing in this Agreement or any related agreement is intended to disclaim the representations TUPSS, the franchisor, has made in its franchise disclosure document.
21. **Assignment; Successors and Assigns.** Participating Franchisee may not assign or permit an assignment (by operation of law or otherwise) of its rights or obligations under or interest in this Agreement without the prior written consent of UPS. This Agreement will be binding upon and will inure to the benefit of the respective parties hereto and their respective heirs, legal representatives, successors and permitted assigns.
22. **Force Majeure.** Neither UPS, TUPSS, nor an affiliate of either UPS or TUPSS will be liable for loss or damage or be in breach of this Agreement (including Addendum One, Two, Three, or Four of this Agreement) if UPS, TUPSS, or their respective affiliates' failure to perform obligations results from: (i) acts of God; (ii) fires, strikes, embargoes, war, terrorist acts or similar events, or riot; (iii) compliance with the orders, requests, or regulations of any federal, state, or municipal government; (iv) illness, disease, or pandemic; or (v) any other similar or related event or cause. Any delay resulting from these causes will extend performance accordingly or excuse performance, in whole or in part, as may be reasonable.
23. **Electronic Signatures and Delivery.** The parties hereby consent to the use of electronic signatures (e.g., via DocuSign®) and electronic methods of delivery in connection with the execution of this Agreement and any related or ancillary documents by the parties. In the event that any signature is delivered by facsimile transmission or e-mail of a .pdf file, or by electronic signature pursuant to applicable laws, such signature or electronic execution shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such were an original thereof.

If the foregoing correctly sets forth the understanding between Participating Franchisee and UPS, please indicate your agreement by signing a copy of this Agreement.

2. UPS Drop-off Program

- A. You agree to accept UPS Authorized Return Service (“**ARS**”), Air Shipping Document (“**ASD**”), UPS Internet Shipping (“**UIS**”), and all other letters and packages tendered to you for shipment via UPS under UPS shipper numbers other than your own, subject to any and all UPS drop-off requirements that may be implemented by UPS in the future (the “**UPS Drop-off Program**”).
- B. Effective at the time of this Agreement, the UPS Drop-off Program applies solely to a previously manifested package tendered by a UPS customer and taken to a location of The UPS Store, which is the first introduction of the package into the UPS network. UPS reserves the right to modify without notice the UPS Drop-off Program requirements.
- C. UPS agrees to provide you the following fee (payable on a monthly basis) for each eligible Drop-off Letter and Package you accept, on the condition that you must process all Drop-off Letters and Packages on your iShip shipping system or other UPS approved similar systems in order to receive payment of such fees:

Product	Actual Weight	\$ Amount
Manifesting Method		
ASD / SPU / BIN/UIS (Ground & Air)	<20 lbs	\$
	21-50	\$
	51-70	\$
	71-150	\$
All Return Services (no weight breaks)	Ground	\$
	Air	\$
UPS Ground Saver [®]	Up to 70 pounds*	\$ *
Other/Special/Unique Services**	Varies Per Service**	Varies Per Service**

* Amounts and actual weights subject to change

** Certain drop-offs may derive from special or unique services. For drop-offs related to such services UPS determines fit in this Other/Special/Unique Services category, UPS has the right to set and modify the payable fee amount of an ongoing basis in its reasonable determination.

- D. You understand and agree that you are prohibited from charging any fee whatsoever in connection with Drop-off Letters and Packages at your Center (including, for example, any inspection fee or repackaging fee), except only (1) as provided in Subsection E below where UPS has provided written authorization; or (2) for charges for performing packaging services purchased by the patron.
- E. You understand and agree that UPS, in its sole and absolute discretion, reserves the right to authorize certain The UPS Store Centers located in non-traditional locations to charge drop-off fees in the amounts specified by TUPSS, where special market conditions make such fees necessary. Such fees may not be charged without advance written authorization from UPS. Where such written authorization is provided, you will not receive drop-off

fees from UPS under the UPS Drop-off Program. See Item 16 of TUPSS' Franchise Disclosure Document.

3. Other UPS Programs and Services

- A. During the term of this Agreement, you agree to participate in the UPS Access Point[®] services program. The UPS Access Point services program enables a residential customer to pick up a package at your Center rather than receiving the package at his or her residential address. Three (3) separate services comprise the UPS Access Point services program: (i) Ship to a UPS Access Point Location, (ii) UPS My Choice[®], and (iii) Not at Home UPS Access Point Delivery (which is optional and only available if you meet TUPSS' eligibility requirements). You must comply with all obligations imposed upon you and the Center by UPS and TUPSS in performing the services as set forth in the UPS Section of the Center Operations Manual, as it may be modified from time to time.
- B. In addition to the UPS Access Point services program, you acknowledge and agree that UPS may in its sole and absolute discretion introduce other programs and services which may involve the participation of The UPS Store Centers. You agree to participate in such programs or services and to comply with any obligations required by UPS or TUPSS of you or your The UPS Store Center in such programs or services (i.e., Bill My Account, Mobile Shipping, Mobile Shipping Electronic Returns, Mobile Returns, etc.). You further agree that any program or service that UPS may offer that involves or requires you to accept, receive, or store packages or letters that may be picked up or delivered to or from your The UPS Store Center is within your reasonable expectations.

ADDENDUM TWO

TRANSPORTATION OF INTERNATIONAL SPECIAL COMMODITIES PERSONAL EFFECTS

In addition to its other services provided to Participating Franchisee UPS will provide international transportation services for International Special Commodities - Personal Effects as more specifically described below pursuant to the following terms. Service for any other International Special Commodity, as set forth on www.ups.com (http://www.ups.com/content/us/en/resources/ship/imp_exp/reference/verify_export.html) is limited and subject to additional restrictions, and must be prearranged with UPS as set forth on www.ups.com.

1. **Service.** UPS shall transport and deliver Personal Effects according to its UPS Rate and Service Guides and Tariff/Terms and Conditions of Service in effect at the time of shipping, as applicable and valid at the date when the shipment has been tendered to UPS for transportation.
2. **Definition.** “**Personal Effects**” are used items intended for the consignee’s personal use rather than for purposes of distribution, business maintenance, or wholesale/retail sale. Personal Effects are typically those items that an individual has owned prior to a foreign trip or items that accompany a person on a foreign trip. Items purchased while abroad are not considered personal effects unless they are owned for a minimum of six (6) months or longer.
3. **Participating Franchisee Obligations.** You must ensure that Personal Effects are properly packaged and adequately and securely packed, wrapped, and cushioned for transportation.
4. **Geographic Coverage.** UPS currently offers to provide service for Personal Effects only from the U.S. to certain destination countries as set forth on the Import/Export Section on www.ups.com, at the time of shipping. You shall not tender packages to UPS containing Personal Effects for delivery to countries except as permitted on www.ups.com. UPS is not liable for Personal Effects packages that are destined to or from any other countries.
5. **Regulatory Compliance.** Participating Franchisee represents and warrants that all Personal Effects tendered to UPS for shipment will be properly classified, packaged, marked, labeled and documented in accordance with all applicable government laws and regulations for origin, transit, and destination countries. UPS is entitled at any time to demand from Participating Franchisee proof that Participating Franchisee has complied with all applicable laws and regulations. Participating Franchisee shall indemnify and hold UPS harmless for any liability, penalty, or cost arising out of failure of a shipment or accompanying documentation fully to comply with applicable laws and regulations, or the need to comply with requirements of authorities during transportation.
6. **Disposals or Returns.** Where UPS is unable to deliver a package to the consignee for any reason beyond its control, UPS shall retain the right at its sole discretion to dispose of the package at shipper’s cost. If UPS decides to return the package to Participating Franchisee, such package shall be returned to its point of origin at Participating Franchisee’s cost. Participating Franchisee shall promptly provide all reasonable cooperation that may be required by UPS to affect such return or delivery, including completing any necessary forms and accepting return. Without prejudice to any other rights of UPS, Participating Franchisee shall indemnify UPS for any cost, liability, penalty, or expenses it may incur in relation to such returns that are not the result of UPS negligence.

7. Customs Clearance. In its sole discretion, UPS may carry out customs clearance either itself or through a subcontractor, as a service on behalf of Participating Franchisee. If UPS or its subcontractor carries out customs clearance, Participating Franchisee remains liable for complying with all applicable customs laws and regulations. Participating Franchisee shall on demand be responsible for reimbursing to UPS, and indemnifying UPS for, any payments whatsoever made, or obligations undertaken, in connection with customs clearance of Personal Effects and for any payments or requirements in respect of excise or customs duties arising from importation, transportation and delivery of Personal Effects. Notwithstanding the foregoing, UPS shall be under no obligation to carry out customs clearance for shipments whose points of dispatch and destination are in the same customs area, unless explicitly instructed to do so by the Participating Franchisee. UPS does not guarantee duty exempt status of these shipments.
8. Indemnification. Participating Franchisee shall indemnify and reimburse UPS for any costs, expenses or liabilities (including reasonable attorney or consultant fees), incurred as a result of any breach of Participating Franchisee's obligations under this Addendum, and any breach of any applicable government laws and regulations, or any improperly prepared or undeclared Personal Effects which Participating Franchisee tenders to UPS. Participating Franchisee shall indemnify and reimburse UPS for any costs incurred by UPS related to the transport of Personal Effects by virtue of their status as Personal Effects, including but not limited to, any damage, personal injury or death which may result from the Personal Effects in question.
9. Limitation. **Participating Franchisee confirms that UPS shall have no additional administrative, financial or other legal obligations arising from the nature of the Personal Effects UPS carries.**
10. Amendment/Termination. Notwithstanding anything to the contrary in the Agreement, UPS may terminate or amend service for Special Commodities – Personal Effects in part or in whole at any time on thirty (30) days' written notice without incurring any liability therefore. Notwithstanding the foregoing, if applicable laws or regulations related to the transport of Personal Effects change in a manner that makes the handling, transport or delivery of Personal Effects materially more burdensome, and such burden cannot be alleviated by modifying the operations in agreement with Participating Franchisee, UPS may, at its sole discretion and notwithstanding anything else in this Agreement, either adjust the price proportionately or terminate this service for Personal Effects, or part thereof immediately. Any price adjustment resulting from a new law or regulation shall become effective upon thirty (30) days' notice to Participating Franchisee or upon the effective date of the new law or regulation, whichever occurs first.

ADDENDUM THREE

ENHANCED GUARANTEED SERVICE REFUND (“EGSR”)

1. Construction. Capitalized terms used in this Addendum and not otherwise defined herein shall have the respective meanings ascribed to them in the Agreement. Notwithstanding anything to the contrary contained in the Agreement, the UPS Rate and Service Guides and Tariff/Terms and Conditions of Service in effect at the time of shipping (collectively, the “**UPS Documentation**”), you agree that in the event of any conflict between the terms and conditions of the UPS Documentation and the terms and conditions of this Addendum, the terms and conditions of this Addendum shall control and prevail. The UPS Documentation is modified only to the extent specifically set forth in this Addendum.

2. EGSR Requests. Any EGSR request related to a package tendered by you to UPS for shipment must be based upon an actual refund request from a patron to you, but must be submitted to, and subsequently processed with, UPS in its entirety by you and not by patrons. Any EGSR request you submit shall be subject to the UPS Documentation (as modified by this Addendum). UPS will reimburse qualified EGSR requests in an amount up to the UPS Retail Rate for shipping charges and up to the UPS Retail Accessorials Rate (not the Net Billed Rate) for refundable accessorional service options for the package to which the EGSR relates.

Refundable accessorional service options under this EGSR program, subject to change by UPS in its sole discretion, consist solely of (i) Delivery Area Surcharge – Commercial, (ii) Delivery Area Surcharge – Residential, (iii) Saturday Delivery Surcharge, (iv) Extended Area Surcharge, and (v) Worldwide Express Plus Surcharge. UPS is not responsible for refund of amount you charge above the UPS Retail Rates described herein. All EGSR payments made by UPS related to any EGSR request you submit will be paid by check (a “**Refund Check**”).

Any Refund Check issuing on any EGSR request you submit will be made out to the patron on whose behalf you tendered the shipment giving rise to the EGSR request (the “**Refunded Customer**”). All Refund Checks will be sent to the applicable Refunded Customer at the Refunded Customer’s address; provided, however, that you may instruct UPS to send a Refund Check to you if, and only if, you have a USPS Form 1583 on file for the applicable Refunded Customer. Any instruction to send a Refund Check to a Refunded Customer must be accompanied by the correct mailing address for the Refunded Customer and UPS reserves the right, in its sole discretion, to send the Refund Check to you or to the Refunded Customer.

Notwithstanding anything to the contrary in this Addendum or elsewhere in the Agreement, you agree that (i) you are solely responsible for ensuring that any Refund Check sent to you is delivered to the applicable Refunded Customer, and, (ii) UPS may, at any time and at its sole discretion, change the approved/required processes for submitting EGSR requests (e.g., begin requiring that EGSR requests be submitted through a claims portal) and its method of issuing EGSR payments.

3. Indemnity. You agree that the UPS Documentation sets forth your sole remedy, and UPS’ sole liability, related to any package tendered by you to UPS for shipment by UPS that is not delivered on time. You also agree that your indemnification obligations as set forth in the Agreement shall additionally include, in regards to any package tendered by you to UPS for shipment by UPS, an obligation to defend, indemnify and hold harmless UPS from and against claims made by third parties (including patrons) related to (a) the issuance or payment of, or UPS’ refusal to issue or pay, any EGSR for any such package, or (b) the untimely delivery of any such package.

ADDENDUM FOUR

ENHANCED DECLARED VALUE PROGRAM

This Addendum applies only to packages tendered for shipment at the pickup address of record for the UPS shipper number identified in the Agreement and that are processed through the Participating Franchisee's iShip system. Capitalized terms used in this Addendum and not otherwise defined herein shall have the respective meanings ascribed to them in the Agreement.

Charges for Declared Value for Carriage

1. Unless notified of a different rate, Participating Franchisee shall be entitled to purchase Declared Value for Carriage from UPS at a rate of \$0.75 for each \$100 increase in UPS' limitation of liability (which limit is \$100 in the absence of a declaration of value), with no minimum charge. If Participating Franchisee has been or is in the future notified that a different rate will apply (either in connection with the previous Customized Declared Value program or at any time for Declared Value for Carriage to be purchased under this Addendum), then Participating Franchisee shall be entitled to purchase Declared Value for Carriage from UPS at the rate specified in the most recent notification. Participating Franchisee may determine the price it charges to patrons for Declared Value for Carriage without regard to the pricing for Declared Value for Carriage set forth in the UPS Rate and Service Guide; provided, however, that UPS may, upon notice to Franchisee, limit or restrict Franchisee's right to charge patrons more for Declared Value than the pricing for Declared Value for Carriage set forth in the UPS Rate and Service Guide.

Charges for Pack & Ship Guarantee Program

2. Participating Franchisee shall also be entitled to purchase Pack & Ship Guarantee ("PSG") benefits (as described below) on packages as to which the Participating Franchisee performed packaging or package preparation services, at the rate of \$0.75 per package (unless Participating Franchisee has been notified of the application of a different rate as described in Paragraph 1, in which case Participating Franchisee may purchase PSG at such different rate). The Participating Franchisee must have PSG activated on its Counter Manifest System ("CMS") by UPS Capital® Trade Risk Solutions. To purchase PSG for a package, Participating Franchisee must select "Other Packaging" in the Package Type section of CMS, and then select "Center Packed" in the "Packed by" section of CMS. Selecting "Center Packed" will result in a PSG charge, which shall be reflected on the Participating Franchisee's UPS Delivery Service Invoice. Participating Franchisee may not assess this charge to patrons as part of the UPS Retail Rate, but may assess a charge in connection with separate packaging charges. If the Participating Franchisee assesses a charge for PSG on a package, then it must purchase PSG on such package in accordance with this Paragraph.

Amendment of UPS Tariff/Terms and Conditions Regarding Limitation on Liability for Inadequate Packaging For Packages Subject of Addendum

3. For any package as to which the Participating Franchisee has purchased Declared Value for Carriage or PSG under this Addendum, the limitations on liability set forth in the UPS Tariff/Terms and Conditions of Service for loss of or damage resulting from "improper, inadequate or unsafe packaging or wrapping that fails to meet UPS' published standards related thereto set forth in the UPS Tariff/Terms and Conditions of Service or at [ups.com](https://www.ups.com)" shall not

apply if packaging or preparation of the subject package was performed by the Participating Franchisee. Notwithstanding the foregoing, the packaging or preparation of the subject package performed by the Participating Franchisee is expected to meet UPS' published standards related thereto as set forth in the UPS Tariff/Terms and Conditions of Service or elsewhere (including, without limitation, the packaging guidelines distributed by UPS Capital Trade Risk Solutions, Inc. f/k/a UPS Capital Trade Protection Services, Inc.). Furthermore, UPS may in its sole discretion deny any claim where the original packaging materials are not retained and made available to UPS or its designee for inspection, or where the register receipt evidencing packaging or preparation charges paid to Participating Franchisee on the subject package is not provided to UPS or its designee.

Amendment of UPS Tariff/Terms and Conditions Limitation Regarding UPS' Liability to Reimburse Retail Shipping and Packaging Charges

4. Where UPS is responsible for a refund of shipping charges pursuant to a claim for loss or damage on a package as to which Participating Franchisee has purchased Declared Value for Carriage pursuant to this Addendum (but not PSG), UPS shall reimburse the Participating Franchisee for the actual retail shipping charges paid to Participating Franchisee on the subject package, but such reimbursement is limited to the amount of the Declared Value less the amount of payments made by or on behalf of UPS for loss or damage on the subject package (Declared Value and PSG charges are not reimbursed).
5. Where UPS is responsible for a refund of shipping charges pursuant to a claim for loss or damage on a package as to which Participating Franchisee has purchased PSG pursuant to Paragraph 2 of this Addendum, UPS shall reimburse the Participating Franchisee for the full actual retail shipping and packaging charges paid to Participating Franchisee on the subject package, regardless of the amount of Declared Value for Carriage purchased on such package (Declared Value and PSG charges are not reimbursed).
6. Notwithstanding Paragraphs 4 and 5 above, UPS may in its sole discretion deny any claim for the actual retail shipping charges (i.e., the amount in excess of the shipping charges paid to UPS by the Participating Franchisee on the subject package) and packaging charges where the register receipt evidencing the amount of such charges paid to Participating Franchisee on the subject package is not provided to UPS or its designee.

Service Guarantee Refunds for Declared Value Next Day Air® Packages With Large Package Surcharge or Additional Handling Fee

7. For each UPS Next Day Air® Early, UPS Next Day Air® or UPS Next Day Air Saver® package for which Participating Franchisee purchases Declared Value for Carriage under this Addendum, the "Exclusion" to the UPS Service Guarantee as set forth in the Tariff/Terms and Conditions precluding a refund for packages that are subject to a Large Package Surcharge or an Additional Handling Fee shall be deemed deleted, subject to the further terms and conditions of this Addendum.
8. UPS will reimburse qualified requests ("**LP/AH Refund Request**") under this Addendum an amount up to the lesser of (1) the amount of Declared Value or (2) the UPS Retail Rate for shipping charges and the UPS Retail Accessorials Rate (not the Net Billed Rate) for refundable accessorial service options for the package to which the refund request relates. Refundable accessorial service options under this program, subject to change by UPS in its sole discretion,

consist solely of (i) Delivery Area Surcharge – Commercial, (ii) Delivery Area Surcharge – Residential, (iii) Saturday Delivery Surcharge and (iv) Extended Area Surcharge. UPS is not responsible for refund of any amounts charged above the UPS Retail Rates described herein.

9. A LP/AH Refund Request under this Addendum may be made only if patron first initiates an actual refund request for late delivery of the subject package. Any refund request under this Addendum must be submitted to, and subsequently processed with, UPS in its entirety by Participating Franchisee and not by patrons. Notwithstanding the forgoing, UPS may waive this requirement or change this requirement (e.g., require or permit patrons to submit a LP/AH Refund Request through a claims portal) at any time in its absolute and sole discretion.
10. All payments made by UPS related to any LP/AH Refund Request will be paid by check (a “**Refund Check**”) made out to the patron on whose behalf Participating Franchisee tendered the shipment giving rise to the request (the “**Refunded Patron**”). All Refund Checks will be sent to the applicable Refunded Patron at the Refunded Patron’s address. Any LP/AH Refund Request must be accompanied by the correct mailing address for the Refunded Patron.
11. Notwithstanding Paragraph 10, Participating Franchisee may instruct UPS to send a Refund Check to the Participating Franchisee and not the Refunded Patron if, and only if, Participating Franchisee has a USPS Form 1583 on file for the applicable Refunded Patron. Furthermore, UPS reserves the right, in its sole discretion, to send the Refund Check to the Participating Franchisee or to the Refunded Patron. Notwithstanding anything to the contrary in this Addendum or elsewhere in the Agreement, you agree that you are responsible for ensuring that any Refund Check sent to you is delivered or credited to the applicable Refunded Patron.
12. All other terms and conditions of the effective UPS Service Guarantee, including but not limited to the 15 day notice of claim requirement, shall remain in effect. In the event the UPS Service Guarantee is amended to include packages subject to a Large Package Surcharge or Additional Handling Fee, then the provisions of this Addendum relating to guaranteed service refunds for such packages shall be null and void.

Miscellaneous

13. Notwithstanding anything to the contrary in this Addendum or elsewhere in the Agreement, you agree that UPS may, at any time and at its sole discretion, change the approved/required processes for submitting claims under this Addendum (e.g., begin requiring that claims be submitted through a claims portal and its method of issuing payments).
14. Except as expressly modified by this Addendum, all other terms, conditions and provisions of the Agreement shall continue in full force and effect (including the provisions of the UPS Tariff/Terms and Conditions of Service and the UPS Rate and Service Guide in effect at the time of shipping).
15. UPS, in its sole discretion, reserves the right to supplement, amend, modify or cancel this Addendum at any time (including any change in pricing to Participating Franchisee on Declared Value for Carriage or PSG) by sending notice to the Participating Franchisee, including notice sent to the Participating Franchisee’s e-mail address of record. Such supplement, amendment, modification or cancellation shall become effective as of the date indicated in the notice.

Participating Franchisee may cancel this Addendum upon 30 days advance notice to UPS, sent by e-mail to upscdv@ups.com.

(b) Payment. Fees due Company will be deducted from TUPSS Franchisee's monthly Program Revenue Payment by TUPSS and remitted to Company. In the event the monthly Program Revenue Payment is not sufficient to cover the full amount of the Fees due Company in any given month, the unpaid portion of the Fees will be invoiced to TUPSS Franchisee's TUPSS account. The invoiced amount will appear on TUPSS Franchisee's month-end statement provided by TUPSS and will be withdrawn from TUPSS Franchisee's bank account by electronic funds transfer ("**EFT**") on or about the 25th of the following month, in accordance with TUPSS' normal monthly EFT schedule.

TUPSS Franchisee shall pay or reimburse Company for all taxes, duties and assessments imposed on TUPSS Franchisee or Company in connection with the access to or use of the CMS by TUPSS Franchisee under this Agreement, including without limitation all sales, use, excise and other taxes and duties, excluding only taxes based upon Company's net income. TUPSS Franchisee shall hold Company and TUPSS harmless from all claims and liability arising from TUPSS Franchisee's failure to report or pay any such taxes, duties and assessments.

6. Confidential Information.

(a) Limited Disclosure and Use. TUPSS Franchisee shall treat as confidential all Confidential Information and shall not disclose or use such Confidential Information except as set forth in this Agreement. TUPSS Franchisee may provide Confidential Information to Authorized Users who have a need to know in order to exploit TUPSS Franchisee's rights in the CMS hereunder provided such Authorized Users are bound by this Agreement or have entered into agreements with TUPSS Franchisee containing confidentiality provisions covering the Confidential Information with terms and conditions at least as restrictive as those set forth herein. TUPSS Franchisee will use, and will ensure Authorized Users use, Confidential Information only in connection with performing under this Agreement.

TUPSS Franchisee shall promptly notify Company of any actual or suspected misuse or unauthorized disclosure of the Confidential Information.

(c) Exceptions. Notwithstanding the foregoing, TUPSS Franchisee's confidentiality obligations hereunder shall not apply to information which: (i) was in the public domain at the

time it was disclosed or has entered the public domain through no fault of TUPSS Franchisee, (ii) was known to TUPSS Franchisee, without restriction, at the time of disclosure, as demonstrated by files in existence at the time of disclosure, (iii) is disclosed with the prior written approval of Company, (iv) was independently developed by TUPSS Franchisee without any use of Confidential Information, or (v) became known to TUPSS Franchisee, without restriction, from a source other than Company without breach of an obligation of confidentiality by such source. Each party agrees to take appropriate action by instruction, agreement, or otherwise with its employees, agents and representatives to satisfy such party's obligations under this Agreement with respect to use, copying, modification, protection and security of Confidential Information.

(d) Government Process. It will not be a breach of this Section 6 if TUPSS Franchisee discloses Confidential Information to meet the requirements of a valid order or requirement of a court, administrative agency, or other governmental body; provided, however, that TUPSS Franchisee shall use all reasonable efforts to provide prompt, written, and sufficient advance notice thereof to Company (if such notice does not violate applicable law) to enable Company to seek a protective order or otherwise prevent or restrict such disclosure.

7. TUPSS Franchisee Responsibilities.

TUPSS Franchisee shall be solely and exclusively responsible and liable for any use of or access to the CMS by TUPSS Franchisee or an Authorized User or by any person or entity who gains access through the use of the password of TUPSS Franchisee or an Authorized User including, without limitation, any direct or indirect use or access whether authorized or unauthorized. Company may through the CMS notify TUPSS Franchisee of modifications to the Agreement authorized in Section 13(a) or present to TUPSS Franchisee a new Subscription Agreement to replace this Agreement. Accordingly, TUPSS Franchisee agrees to be bound by any new agreement or modified terms delivered and accepted through the CMS. TUPSS Franchisee agrees to provide and maintain in good and working order at all times its own Internet access, the Authorized Equipment and all other necessary telecommunications equipment, software and other materials necessary for Authorized Users to access and use the CMS.

8. Company Responsibilities.

Subject to the terms and conditions provided herein, Company shall use commercially reasonable efforts to ensure the CMS functions in material conformance with the Documentation. Company's sole and exclusive liability and TUPSS Franchisee's sole and exclusive remedy for breach of the foregoing in lieu of all other remedies shall be for Company to use commercially reasonable efforts to repair or replace the CMS.

9. Warranties; Disclaimer.

(a) TUPSS Franchisee represents and warrants that it (i) has all requisite legal power and authority to execute this Agreement and to carry out and perform its obligations hereunder and (ii) is and will remain in compliance with all applicable laws, regulations and rules of any government body or other competent authority relating to its business or performance under this Agreement.

(b) EXCEPT AS EXPRESSLY SET FORTH IN SECTION 9(a) OF THIS AGREEMENT AND EXCEPT AS MAY BE EXPRESSLY MANDATED BY APPLICABLE LAW, THERE ARE NO WARRANTIES, GUARANTEES, CONDITIONS, OR REPRESENTATIONS, EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, REGARDING THE CMS, THE DOCUMENTATION, CMS DATA OR ANY OTHER INFORMATION PROVIDED BY COMPANY OR TUPSS HEREUNDER, INCLUDING ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, SATISFACTORY OR MERCHANTABILITY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY OR COMPLETENESS, NON-INFRINGEMENT OF THIRD PARTY RIGHTS, OR THOSE ARISING FROM A COURSE OF DEALING OR USAGE OF TRADE, ALL SUCH WARRANTIES BEING HEREBY FULLY DISCLAIMED.

10. Indemnification.

(a) Indemnification by TUPSS Franchisee. TUPSS Franchisee shall indemnify, defend and hold harmless, Company, TUPSS, their respective affiliates and their respective officers, directors, employees, agents, successors and assigns from and against any and all losses, costs, fines, penalties, damages, liabilities, judgments and awards (including reasonable attorney fees) that an indemnitee suffers or incurs arising out of or in connection with any and all allegations, claims, demands, suits or causes of action (“**Claims**”) that arise out of or relate to breach or non-performance of this Agreement by TUPSS Franchisee or the acts of the Authorized Users or TUPSS Franchisee customers.

(b) Indemnification Procedures. In the event of a potential indemnity obligation under this Section 10(a), Company will: (i) promptly notify TUPSS Franchisee in writing of a Claim (except that failure to notify the indemnifying party of such Claim shall not relieve TUPSS Franchisee of its obligations under this Section 10 but such obligations shall be reduced to the extent of any damages attributable to such failure); and (ii) have sole control of the defense and settlement of the Claim including the appointment of counsel; and TUPSS Franchisee will, upon request of Company, cooperate in all reasonable respects, at TUPSS Franchisee’s cost and expense, with Company in the investigation, trial, and defense of such Claim and any appeal arising therefrom. TUPSS Franchisee must approve any settlement to the extent of the payment of monies.

11. Limitation of Liability.

COMPANY AND TUPSS SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY OR PUNITIVE DAMAGES OR PENALTIES (INCLUDING BUT NOT LIMITED TO DAMAGES FOR LOST PROFITS, LOST REVENUES OR LOST SAVINGS), DUE TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, WHETHER OR NOT CAUSED BY THE ACTS OR OMISSIONS OR NEGLIGENCE OF COMPANY OR TUPSS OR THEIR EMPLOYEES OR AGENTS, AND REGARDLESS OF WHETHER TUPSS FRANCHISEE HAS BEEN INFORMED OF THE POSSIBILITY OR LIKELIHOOD OF SUCH DAMAGES. IN THE EVENT OF GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OR IN THE EVENT OF

PERSONAL INJURY OR DEATH, THIS LIMITATION OF LIABILITY SHALL BE APPLICABLE ONLY TO THE MINIMAL EXTENT PERMITTED BY LAW.

NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, THE AGGREGATE LIABILITY OF COMPANY OR TUPSS FOR DAMAGES ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE LIMITED TO THE LESSER OF (i) THE TOTAL AMOUNT PAID BY TUPSS FRANCHISEE TO COMPANY HEREUNDER FOR THE TWELVE (12) MONTHS PRIOR TO THE EVENT GIVING RISE TO SUCH LIABILITY OR (ii) \$500.00.

CLAIMS OF TUPSS FRANCHISEE NOT MADE WITHIN SIX (6) MONTHS AFTER THE FIRST EVENT GIVING RISE TO A CLAIM SHALL BE DEEMED WAIVED.

12. Term and Termination.

(a) Term. The Agreement shall commence on the Effective Date and terminate in accordance with Section 12(b) below (the “**Term**”).

(b) Termination.

(i) Either party may, at its option, terminate this Agreement upon notice to the other party if (A) the other party is in material breach of this Agreement and (B) such default(s) has not been cured within thirty (30) days (forty-five (45) days if required by the nature of the breach) after written notice to the other party or, if such breach is not curable within thirty (30) days (forty-five (45) days if required by the nature of the breach), reasonable efforts and progress are not being made to cure such breach.

(ii) Either party may terminate this Agreement for convenience on a thirty (30) days’ prior written notice.

(iii) This Agreement shall terminate, without notice, (A) upon the institution by or against either party of insolvency, receivership or bankruptcy proceedings or any other proceedings for the settlement of such party’s debts, (B) upon either party’s making an assignment for the benefit of creditors, (C) upon either party’s dissolution or ceasing to do business, or (D) upon the expiration or termination of the TUPSS Franchise Agreement for any reason whatsoever. TUPSS Franchisee acknowledges that TUPSS may deem a default by TUPSS Franchisee under this Agreement a default under TUPSS Franchisee’s Franchise Agreement with TUPSS.

(c) Effect of Termination.

(i) Termination of this Agreement shall be without prejudice to any other rights or remedies that TUPSS Franchisee or Company, as the case may be, shall have in law or in equity, including, without limitation, the right to recover benefit of the bargain damages. In no event shall a termination of this Agreement affect TUPSS Franchisee’s obligations to take or abstain from taking any action in accordance with this Agreement. Sections 1,

4, 6 and 9-13 as well as TUPSS Franchisee's obligation to pay Fees accruing before termination of this Agreement and the provisions of this Agreement that constitute post-Term covenants and agreements, including the obligation of TUPSS and Franchisee to resolve any and all disputes, shall survive termination of this Agreement.

(ii) Within thirty (30) days after termination of the Agreement, TUPSS Franchisee shall, at its own expense, destroy or return to Company and make no further use of, any property, materials or other items of Company, including Company's Confidential Information, and shall certify, in writing that it has done so.

(iii) TUPSS Franchisee will make no use of CMS Data after termination of this Agreement, provided, however, that TUPSS Franchisee may use CMS Data to which it continues to have access during the thirty (30) days immediately following such termination to wind up its business (A) as a franchisee of TUPSS under the TUPSS Franchise Agreement and (B) with Company under this Agreement including to reconcile Fees due Company under Section 5.

13. Miscellaneous.

(a) Amendments and Waivers. In addition to changes to the Fees in Section 5(a), Company may amend the terms of this Agreement upon ninety (90) days' written notice. Any term of this Agreement may be waived only with the written consent of both parties.

(b) Assignment. This Agreement may not be transferred or assigned by TUPSS Franchisee without the express written consent of Company. Any purported transfer or assignment in contravention of this Section shall be null and void. Company may assign, delegate, or transfer all or any part of this Agreement or any rights hereunder without consent from TUPSS Franchisee.

(c) Equitable Relief. The parties agree that a breach of this Agreement adversely affecting Company's proprietary rights in the CMS or the Documentation would cause irreparable injury to Company for which monetary damages would not be an adequate remedy and that Company shall be entitled to equitable relief in addition to any remedies it may have hereunder or at law.

(d) Export Compliance. The rights and obligations of TUPSS Franchisee regarding the CMS shall be subject to such applicable United States and foreign laws and regulations governing licenses, delivery or export of technology or content abroad, including, but not limited to, United States Export Administration regulations, the International Traffic in Arms regulations and any regulation or licenses administered by the Department of Treasury's Office of Foreign Assets Control.

(e) Publicity. TUPSS Franchisee will not make any public statement, press release or other announcement relating to the terms or existence of this Agreement, or the business relationship of the parties, without the prior written consent of Company.

(f) Entire Agreement. This Agreement constitutes the entire agreement between the parties hereto pertaining to the subject matter hereof, and supersedes any and all prior agreements,

understandings, negotiations, representations, and drafts of the parties with regard to the subject matter of this Agreement. Nothing in this Agreement, however, is intended to disclaim the representations TUPSS made in the Franchise Disclosure Document that TUPSS furnished to TUPSS Franchisee.

(g) Independent Contractor. The parties agree that each acts as an independent contractor, and neither party is granted any authority to bind the other in any manner.

(h) Force Majeure. Neither party hereto shall be responsible for any failure to perform its obligations under this Agreement if such failure is caused by acts of God, war, labor actions, revolutions, lack or failure of transportation facilities, laws or governmental regulations or other causes that are beyond the reasonable control of such party.

(i) Governing Law; Jurisdiction. This Agreement and all acts and transactions pursuant hereto and the rights and obligations of the parties hereto shall be governed, construed and interpreted in accordance with the laws of the State of California, without giving effect to principles of conflicts of law. To the extent that the arbitration provisions herein do not apply, the exclusive jurisdiction for any dispute or claim arising out of or relating to this Agreement or claim of breach of the Agreement will be the Federal District for the Southern District of California or in the Superior Court of California - County of San Diego, and each party hereby waives any right to a trial by jury. By execution of this Agreement, the parties consent to the exclusive jurisdiction of such courts, and waive any right to challenge jurisdiction, or venue in such courts with regard to any suit, action or proceeding under or in connection with this Agreement to which the arbitration provisions herein do not apply.

(j) Arbitration.

A. Except for (i) disputes related to the ownership of intellectual property or access to or use of CMS, (ii) the right of either party to apply to a court of competent jurisdiction for an injunction or (iii) other equitable relief available under applicable law to preserve the status quo or prevent irreparable harm pending the selection and confirmation of an arbitrator, and to enforce the award of the arbitrator, every claim or dispute arising out of or relating to the negotiation, performance or non-performance of this Agreement shall be determined by arbitration before a single arbitrator in accordance with the Commercial Arbitration Rules of the American Arbitration Association (“AAA”), or as otherwise agreed by the parties. The place of arbitration shall be San Diego, California.

B. The arbitrator shall not have any power to alter, modify or change any of the terms of this Agreement or to grant any remedy which is either inconsistent with or prohibited by the terms of this Agreement, or not available in a court of law. The arbitrator shall not have the authority to commit errors of law or errors of legal reasoning. In addition, the arbitrator shall have no power or authority to award punitive, consequential or incidental damages.

C. The arbitrator shall, within thirty (30) days after the matter has finally been submitted to him or her, render a written decision making specific findings of fact and

setting forth the reasons for the decision which shall be consistent with the terms of this Agreement. The parties intend that this agreement to arbitrate be valid, binding, enforceable, and irrevocable. Judgment on any award of the arbitrator shall be binding and may be entered in any court having jurisdiction thereof.

(k) **CLASS ACTION WAIVER.** TUPSS FRANCHISEE AND COMPANY EACH AGREE THAT ANY LEGAL PROCEEDINGS INVOLVING TUPSS FRANCHISEE AND COMPANY WILL BE CONDUCTED ONLY ON AN INDIVIDUAL BASIS AND NOT AS A CLASS, REPRESENTATIVE, OR CONSOLIDATED ACTION. TUPSS Franchisee and Company hereby also give up the ability to participate in a class, mass, consolidated or combined action.

(l) **Severability.** If for any reason a court of competent jurisdiction finds any provision of this Agreement, or portion thereof, to be unenforceable, that provision of the Agreement will be enforced to the maximum extent permissible so as to effect the economic intent of the parties, and the remainder of this Agreement will continue in full force and effect.

(m) **Waiver.** The waiver of any particular breach or default or any delay in exercising any rights shall not constitute a waiver of any subsequent breach or default.

(n) **Notices.** Any notice required or permitted by this Agreement shall be in writing and shall be deemed sufficient upon receipt, when delivered personally or by courier, overnight delivery service, or forty-eight (48) hours after being deposited in the regular mail as certified or registered mail (airmail if sent internationally) with postage prepaid, if such notice is addressed to TUPSS Franchisee, at the address of the TUPSS Center and, in the case of Company, at the address set forth below, or as subsequently modified by written notice. Additionally, notwithstanding the above, any notice given by Company (or TUPSS) relating to this Agreement, may be given to TUPSS Franchisee via e-mail at such address as TUPSS Franchisee provides to Company or TUPSS, and shall be deemed received twenty-four (24) hours after sent.

(o) **Electronic Signatures and Delivery.** The parties hereby consent to the use of electronic signatures (e.g., via DocuSign®) and electronic methods of delivery in connection with the execution of this Agreement and any related or ancillary documents by the parties. In the event that any signature is delivered by facsimile transmission or e-mail of a .pdf file, or by electronic signature pursuant to applicable laws, such signature or electronic execution shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such were an original thereof.

**ACCESS MODEL AMENDMENT
TO FRANCHISE AGREEMENT FOR
THE UPS STORE® CENTER NO. _____**

This Franchise Agreement Amendment (the “**Amendment**”) is entered into by and between The UPS Store, Inc., a Delaware corporation (“**TUPSS**”), and _____ (“**Franchisee**”).

1. **Background.** TUPSS and Franchisee are parties to that certain Franchise Agreement, signed at the same time as this Amendment and to which this Amendment is attached (the “**Franchise Agreement**”), for the operation of a The UPS Store Center, known as Center #____, located in the _____ (the “**Venue**”) at _____ (the “**Center**”). TUPSS and Franchisee are signing this Amendment because they recognize that certain Franchise Agreement provisions must be modified to reflect that the Center will be operated as a business center within the Venue, rather than as a standard center at a traditional or non-traditional location, and therefore will offer a more limited range of services and products and may have reduced operating hours. Except as provided in this Amendment, the Franchise Agreement remains in full force and effect as originally written. If there is any inconsistency between the Franchise Agreement and this Amendment, this Amendment’s terms will govern. All terms used but not defined in this Amendment have the meanings set forth in the Franchise Agreement.

2. **Term and Renewal.**

(a) Section 2.1 of the Franchise Agreement is hereby amended to read as follows:

The term of this Agreement shall begin on the Effective Date and shall continue for a time period equal to the initial term of the Center’s lease or other occupancy agreement, but not to exceed ten (10) years, unless sooner terminated properly as provided herein (the “**Term**”). Expiration of this Agreement shall constitute termination for all purposes and effects. Franchisee agrees to operate the Center in compliance with this Agreement for the entire Term, unless sooner terminated properly as provided herein. If the initial term of the Center’s lease or other occupancy agreement is less than ten (10) years but Franchisee is able to renew or extend the Center’s occupancy rights, without any interruption in the Center’s operations, for one or more additional terms, this Agreement shall automatically be extended so that it is coterminous with the duration of the renewal or extension of the Center’s occupancy rights, but for no more than a maximum of ten (10) years. The term of this Agreement shall not exceed ten (10) years in the aggregate.

(b) Section 2.2 of the Franchise Agreement is hereby amended to read as follows:

Provided that Franchisee shall have complied with all the terms of this Agreement, and subject to fulfillment of the conditions in Section 2.3 below, Franchisee shall have the right and option to renew the franchise granted pursuant to this Agreement for one successive term not to exceed ten (10) years in the

aggregate. The actual duration of the successive term depends on the duration of the Center's lease or occupancy rights and will be determined in the same manner as the Term, as provided in Section 2.1.

(c) Section 2.3.a of the Franchise Agreement is hereby amended to read as follows:

provide TUPSS written notice ("**Renewal Notice**") of Franchisee's intent to renew this franchise not less than four (4) months nor more than six (6) months prior to the end of this Agreement's Term;

(d) Section 2.3.b of the Franchise Agreement is hereby amended to read as follows:

pay a renewal fee in an amount equal to twenty-five percent (25%) of the initial franchise fee Franchisee paid upon signing this Agreement (the "**Renewal Fee**") not later than three (3) months prior to the end of the Term;

(e) Section 2.3.c of the Franchise Agreement is hereby amended to read as follows:

execute the Then-Current Agreement for new Centers to be operated at locations like the Venue and all other documents or instruments required by TUPSS in connection therewith;

(f) Section 2.3.h of the Franchise Agreement is hereby amended to read as follows:

provide TUPSS written confirmation, satisfactory to TUPSS, that Franchisee maintains the right to possess the Center at the Location after expiration of the Term;

(g) Section 2.3.i of the Franchise Agreement is hereby deleted.

3. **Center Development Coordination.** Section 3.4 of the Franchise Agreement is amended to state seven thousand seven hundred dollars (\$7,700) for the Center Development Fee payable by Franchisee to TUPSS.

4. **Franchise Fee.**

(a) Section 5.1.a of the Franchise Agreement is hereby amended to read as follows:

An Initial Franchise Fee (as defined in Section 23 of this Agreement) on or before execution of this Agreement. The Initial Franchise Fee is fully earned by TUPSS upon receipt and is not refundable. The Initial Franchise Fee shall be fourteen thousand nine hundred fifty dollars (\$14,950).

(b) Section 5.1.g of the Franchise Agreement is hereby deleted.

5. **Operating Standards and Specifications.** Section 7.1.a of the Franchise Agreement is hereby amended to read as follows if the Venue is a hotel:

Throughout the Term, Franchisee shall adhere to the System developed by TUPSS for the operation of the Center, including, without limitation, the System for postal, packaging, shipping, print, business practices and communications utilizing and under the Marks, as provided herein and in the Manuals. Franchisee acknowledges and agrees that it must fully participate in regularly-scheduled business meetings with hotel staff. Meeting notes and reports shall be maintained by Franchisee and may be periodically requested by TUPSS.

6. **Operating Hours.** Section 10.1.1 of the Franchise Agreement is hereby amended to read as follows:

The Center shall be operated (open to the public for business) for the minimum number of days and hours per week that TUPSS specifies and communicates to Franchisee.

7. **Transfer and Assignment—By Franchisee.** Franchisee acknowledges that TUPSS has granted it the right to operate the Center at the Venue because Franchisee currently operates at _____ another The UPS Store Center, known as Center #____, which is either (i) a standard Center operated at a traditional location and offering the full range of products and services typically offered by a traditional The UPS Store Center or (ii) a Center operated at a standard-size non-traditional location and offering the full range of products and services typically offered by a The UPS Store Center (**the “Full-Service Center”**). TUPSS would not have granted Franchisee the right to operate the Center at the Venue but for the fact that Franchisee also operates the Full-Service Center. Therefore, Franchisee acknowledges and agrees that, notwithstanding anything in Section 11 of the Franchise Agreement to the contrary, there shall be no Assignment (as defined in Section 11) unless such Assignment (a) is in conjunction with an approved Assignment of the Full-Service Center to the same proposed transferee, or (b) if the Assignment relates exclusively to the Center, the proposed transferee of the Center also operates another The UPS Store Center at a traditional location or a standard-size non-traditional location offering the full range of products and services typically offered by a full-service The UPS Store Center, the physical premises of which are approximately a 30 minute drive from the Center. Franchisee and the proposed transferee also shall in all cases comply with all transfer conditions and procedures specified in Section 11 of the Franchise Agreement.

8. **Termination by TUPSS.** Because TUPSS would not have granted Franchisee the right to operate the Center at the Venue but for the fact that Franchisee also operates the Full-Service Center, Franchisee acknowledges and agrees that, in addition to TUPSS’ grounds for termination specified in Section 12 of the Franchise Agreement, if Franchisee ceases to operate the Full-Service Center because the franchise agreement for the Full-Service Center expires (without renewal) or is terminated (for whatever reason), TUPSS has the right to terminate the Franchise Agreement and this Amendment immediately upon delivery of written notice to Franchisee.

9. **Territory.** Unlike traditional The UPS Store Centers, which typically have a franchise territory consisting of a geographic area that surrounds the Center, the franchise territory for the Center at the Venue is limited to the address (and site) of the Venue itself.

10. **Electronic Signatures and Delivery.** The parties hereby consent to the use of electronic signatures (e.g., via DocuSign®) and electronic methods of delivery in connection with the execution of this Amendment and any related or ancillary documents by the parties. In the event that any signature is delivered by facsimile transmission or e-mail of a .pdf file, or by electronic signature pursuant to applicable laws, such signature or electronic execution shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such were an original thereof.

Instructions: Use this version of the LOI only if you do NOT currently own at least a 50% interest in a The UPS Store® franchise.

LETTER OF INTENT FOR A THE UPS STORE FRANCHISE

Dear Prospective Franchisee:

Thank you for your interest in The UPS Store! This letter of intent (“**LOI**”) is a binding agreement between you (as identified below) and The UPS Store, Inc. (“**TUPSS**” or “**we**,” “**us**,” “**our**”). The terms and conditions of this LOI are as follows:

1. You must sign this LOI and pay to us a \$8,000.00 Initial Application Fee (“**IAF**”) if, as someone who does not currently own at least a 50% interest in a The UPS Store franchise, you seek to: (a) develop a newly constructed Center and purchase a new franchise directly from us; or (b) purchase the existing franchise rights from a non-SDP (as defined below) existing Center that is opened to the public for business (i.e., a franchise “**Transfer**”); or (c) purchase the existing franchise rights from our Area Franchisee under the Site Development Program (“**SDP**,” as explained in Item 5 of TUPSS’ Franchise Disclosure Document (“**FDD**”). The IAF is non-transferable and will be used for one franchised location only.
2. You are not permitted to sign this LOI or pay to us the IAF until after fourteen (14) calendar¹ days from the date you sign the receipt confirming you received our FDD. After you sign this LOI, you may deliver to us (or to our representative): (a) the \$8,000.00 IAF check made payable to “The UPS Store, Inc.,” and (b) your signed and dated copy of this LOI. All individuals who will have an ownership percentage in the franchise must sign this LOI, complete TUPSS’ franchise application process, and meet TUPSS’ minimum qualifications for franchise ownership. If TUPSS issues a new or amended version of the FDD during the term of this LOI, all applicants must acknowledge disclosure and receipt of the new FDD in order to continue in the franchise application process. Any continued consideration for The UPS Store franchise opportunity will be governed by the terms of the most recent FDD, including any updated fees, disclosures, or requirements contained therein. You agree to notify TUPSS of any changes to your primary residence during the term of this LOI.
3. **This LOI does not create nor promise to you a The UPS Store franchise.** You would only acquire such franchise rights if and when we and you were to enter into a Franchise Agreement, either as a result of: (a) the sale of such franchise rights by us, or (b) the sale of such franchise rights by one of our existing franchisees in accordance with our Center Transfer process or our SDP process. You intend, but are not obligated, to buy one of our franchises as a result of this LOI. Final approval to purchase a franchise is subject to your full completion of the franchise application process, which includes, but is not limited to, a review of your financial background, credit and criminal history, interviews, and compliance with all of TUPSS’ minimum current standards and requirements.

¹ If you are located in Michigan, please consult with our local representative. In this state, you might possibly have to wait ten (10) business days as well as fourteen (14) calendar days; again please check with our local representative to confirm which waiting period applies for you.

4. Upon our counter-signature of this LOI and acceptance of your IAF, we will process your completed Franchise Application Package. We will promptly thereafter notify you in writing as to which of the following applies:
- (a) Your application is rejected upon initial review. If this occurs, we will promptly refund to you your entire IAF.
 - (b) We will likewise refund to you your entire IAF if, after we notify you that your application is **preliminarily** approved {see Sub-Section 4(c) below}, we inform you that your application did not receive **final** approval. However, if you are preliminarily approved for the purchase of a The UPS Store franchise and your failure to receive our final approval is based solely upon your inability to obtain financing for the required investment to purchase the franchise due to a significant and demonstrable change in your personal financial situation (including, but not limited to, loss of income, material increase in personal debt obligations, or other adverse financial events affecting your ability to qualify for lending), but you still meet TUPSS' minimum qualifications for that reason, and you choose not to proceed with the franchise opportunity, we will retain \$4,000 of your IAF and refund to you only \$4,000 of your IAF. TUPSS does not offer or provide financing for the purchase of a The UPS Store franchise. You are solely responsible for the minimum required investment amounts either through your own capital or by obtaining financing from a third-party lender.
 - (c) You are preliminarily approved to purchase a new franchise directly from TUPSS, either unconditionally or subject to your satisfaction of one or more conditions, such as, for example: (i) sale of assets and/or obtaining a business loan in order to fund your franchise; or (ii) verification of continuing household income.
 - (d) You agree that if our preliminary approval letter sent to you does not make your final approval contingent upon your obtaining a business loan, then your inability to obtain a business loan will not serve as a basis for our refunding the entire IAF to you.

YOU UNDERSTAND AND ACCEPT THE RISK THAT IF, FOR ANY REASON, YOU FAIL TO TIMELY SATISFY ANY OF OUR WRITTEN CONDITIONS FOR FINAL APPROVAL, REFUSE TO ACCEPT A FRANCHISE THAT WE MAY OFFER TO YOU, OR OTHERWISE FAIL TO ENTER INTO A FRANCHISE AGREEMENT WITH TUPSS PRIOR TO THE CONCLUSION OF THIS LOI AGREEMENT'S TERM, WE WILL RETAIN \$4,000.00 OF YOUR IAF AND REFUND TO YOU ONLY \$4,000.00 OF YOUR IAF. OUR \$4,000.00 IS EARNED AS A RESULT OF THE TIME, ENERGY AND EXPERTISE DEVOTED TO YOU AND WHICH WOULD OTHERWISE BE DEVOTED TO APPLICANTS SEEKING TO PURCHASE ONE OF OUR THE UPS STORE FRANCHISES.

You further acknowledge that by paying the IAF and signing this LOI, we have not and do not promise that you would be approved to purchase a new or existing franchise that is located at any particular site or within any particular geographic area. We will attempt to accommodate your site and area preferences. However, if we later grant final approval for you to purchase a new The UPS Store franchise, you understand and accept the risk that you may not be approved for a particular site (or within a particular area) that you desire – including any site or area that

you may have discussed with us (or our representative) prior to or after your signing this LOI and paying your IAF.

(e) If you have told us that you only wish to purchase one of our existing franchised Centers (including possibly the purchase of an SDP Center from our Area Franchisee) and if you give us a copy of your fully executed agreement (“**Buy-Sell Contract**”) that proposes all of the terms of your purchase of one of our existing franchised Centers, then we will notify you in writing which of the following applies:

- (i) We reasonably withhold our consent to such proposed purchase, or we exercise our right of first refusal (under the seller’s Franchise Agreement) to purchase the seller’s franchise rights and other assets on the same terms and conditions that are contained in your Buy-Sell Contract. If either of these occurs, TUPSS will promptly refund to you your entire IAF.
- (ii) You are preliminarily approved to begin TUPSS’ Center Transfer process, subject to your (and your proposed seller’s) need to satisfy all of our conditions imposed by such process.

IF YOU DO NOT, FOR ANY REASON, SATISFY ALL OF OUR TRANSFER PROCESS REQUIREMENTS PRIOR TO THE CONCLUSION OF THIS LOI’S TWELVE (12) MONTH TERM, WE WILL THEN RETAIN \$4,000.00 OF YOUR IAF AND REFUND TO YOU ONLY \$4,000.00 OF YOUR IAF. THIS \$4,000.00 PARTIAL IAF REFUND IS EXPRESSLY SUBJECT TO SECTION 12 BELOW.

- 5. TUPSS’ criteria for approval are defined solely by TUPSS. All types of preliminary approvals noted above are valid for twelve (12) months from the date that they are communicated to you in writing.
- 6. If we grant final approval to your application and you purchase a franchise, then your entire \$8,000.00 IAF shall be credited to applicable fees and/or costs as designated by TUPSS.
- 7. If and when you sign a Franchise Agreement, you will be required to pay to us all remaining applicable fees, as explained in Items 5 and 6 of your FDD. This means that you (and/or your seller, if you are buying an SDP or non-SDP existing franchise) must pay to TUPSS the remainder (if any) of all applicable fees after crediting to you your IAF as described above in Paragraph 6.
- 8. If you purchase an existing non-SDP franchised Transfer Center, then the Transfer Upgrade Agreement (an Exhibit to our Franchise Agreement) will require that only you (the buyer) pay and perform all image, equipment, and computer “upgrade” amounts, which will be estimated by us in such agreement. Therefore, you should receive and consider TUPSS’ estimated amount of such upgrades as set forth in such Transfer Upgrade Agreement **before** you negotiate and finalize your Buy-Sell contract’s purchase price.

9. You promise to us that during the term of this LOI you will diligently, professionally, and cooperatively work with our Area Franchisee, or with our other designated representative, as follows:
- (a) If you seek to purchase a new franchise directly from us for a newly constructed (non-SDP) Center, you must also:
 - (i) Submit for our review a proposed Center location in the form required by us;
 - (ii) Receive our written acceptance of such proposed new location; and
 - (iii) Submit to us a fully executed Center lease, including a fully executed Addendum to Lease, which is Exhibit I to our Franchise Agreement.
 - (b) If you seek to purchase the existing franchise rights from an Area Franchisee for an SDP Center that has not opened to the public for business (or been opened for 6 months or less), then you must comply with TUPSS' SDP process in FDD Item 5.
 - (c) If you seek to purchase a Transfer Center, you must fully comply with our Transfer process as is detailed in our transfer materials and work diligently and cooperatively with all of our representatives, including, but not limited to, our Transfer Department personnel.
 - (d) If we approve your franchise application, we may possibly share with you certain of our proprietary and confidential training materials prior to your entering into a franchise agreement with us. If this occurs, you understand and hereby agree that if you do not, for whatever reason, enter into a franchise agreement with us, you will not: (i) use these training materials for any non-The UPS Store purpose, and (ii) disclose those proprietary and confidential training materials to anyone other than your co-applicants (if any), your employees that would work at your franchised Center (if any), and your professional advisors (e.g., attorney, accountant).
10. Your rights under this LOI are personal to you and may not be sold, transferred, assigned, pledged or encumbered to any third party.
11. The term of this LOI commences on the date we counter-sign (below) and concludes **twelve (12) months** from that date ("**LOI Conclusion Date**"). If you wish to extend the term of this LOI, you must submit a written request in the form of a letter or email to TUPSS (or to our representative) prior to the LOI Conclusion Date. Any request for an extension will require TUPSS to reassess your franchise application and then-current qualifications, which may include a review of updated financial, background, or other business-related information. The approval of an extension to this LOI will be granted at the sole discretion of TUPSS. Extensions of this LOI term beyond the LOI Conclusion Date must be in a writing that is signed by both you and us.

If by the LOI Conclusion Date we have not, for any reason, entered into a Franchise Agreement with you, then: (a) you and we will have no further obligation to each other, and (b) we will retain a \$4,000.00 portion of your IAF in consideration of our time, effort and expertise expended, and (c) we will promptly refund to you a \$4,000.00 portion of your IAF, expressly subject to Section 12 below.

12. If: (1) you or your Primary Operator attend some or all of one or more Franchisee training courses (see a description of such training in FDD Items 5 and 11); and (2) you do not complete the purchase of an existing (i.e., Transfer) The UPS Store franchise, we will retain, as fully earned, the full (or, if applicable, pro-rated) portion of the fee(s) corresponding to such completed training ("**Earned Training Fees**"). If you did not separately pay for such (partially or fully) completed training, we will deduct the Earned Training Fees from the \$4,000.00 refunded portion of your IAF.
13. We may terminate this LOI at any time prior to the LOI Conclusion Date by providing written notice to you: (a) if we learn that you have made any false, misleading, inaccurate or incomplete statements to us or to any of our representatives in the course of any communication or franchise application submitted to us or fail to update your franchise application in the event of any changes in the representations or responses made on your franchise application; or (b) if you fail to successfully complete our franchisee training program to our satisfaction; or (c) if you fail to comply with any of your obligations under this LOI; or (d) we ever refund your entire IAF in accordance with the terms and conditions of this LOI; or (e) for any or no reason.
14. If we refund your entire IAF in accordance with the terms and conditions of this LOI, you first, as a condition of such refund, must execute a general release (in a form prescribed by TUPSS) in favor of TUPSS and TUPSS' affiliates from any claims arising from this LOI.
15. This LOI constitutes the entire agreement between you and us as to our business relationship and supersedes in its entirety any and all prior or contemporaneous discussions, understandings, arrangements or agreements that may have occurred or existed between you and us (or any of our representatives). You and we may amend this LOI only in a writing that we both sign. A written amendment to this LOI will be required if the proposed ownership structure for the franchise changes during the application process to add or remove proposed owners. Nothing in this Agreement or any related agreement is intended to disclaim the representations we have made in our franchise disclosure document.
16. This LOI will become valid when counter-executed and accepted by us, it will be deemed made and entered into in the State of California and will be governed and construed under and in accordance with the laws of the State of California, without regard to any choice of law analysis, rules, or principles thereof, to the extent such rules or principles would direct a matter to another jurisdiction. The parties hereby consent to the use of electronic signatures (e.g., via DocuSign®) and electronic methods of delivery in connection with the execution of this LOI and any related or ancillary documents by the parties. In the event that any signature is delivered by facsimile transmission or e-mail of a .pdf file, or by electronic signature pursuant to applicable laws, such signature or electronic execution shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such were an original thereof.
17. All actions arising out of or relating to this LOI shall be heard and determined exclusively in: (1) the United States District Court for the Southern District of California or any federal court located within the Southern District of California; or (2) within any California state court located in the city of San Diego. Consistent with the preceding

sentence, the parties: (i) irrevocably submit to the exclusive jurisdiction of any federal court located within the Southern District of California or California state court located in the city of San Diego for the purpose of any action arising out of or relating to this LOI; (ii) irrevocably waive, and agree not to assert by way of motion, defense or otherwise, in any such action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the action is brought in an inconvenient forum, that the venue of the action is improper, or that this LOI may not be enforced in or by any of the above-named courts; and (iii) irrevocably consent to and grant any such court exclusive jurisdiction over the person of such parties and over the subject matter of such action.

Please acknowledge your agreement with these terms and conditions by signing and dating below. As was noted in Paragraph 2 above, be sure that your signature date below is no earlier than fourteen calendar¹ days from the date you received your FDD. Then, return to your Area Franchisee (if one exists) or to our other designated representative your signed and dated copy of this LOI, together with your \$8,000.00 IAF check and your completed Franchise Application Package.

Your signed LOI, IAF check and completed Franchise Application Package will be forwarded to us. If everything is in order, we will promptly counter-sign this LOI and return to you a fully executed copy of this LOI for your records.

We thank you for your interest in our franchise opportunity.

Sincerely,

THE UPS STORE, INC.

LETTER OF INTENT FOR A THE UPS STORE FRANCHISE

Dear Prospective Franchisee:

Thank you for your interest in The UPS Store! This letter of intent (“**LOI**”) is a binding agreement between you (as identified below) and The UPS Store, Inc. (“**TUPSS**” or “**we**,” “**us**,” “**our**”). The terms and conditions of this LOI are as follows:

1. You must sign this LOI and pay to us a \$4,000.00 Initial Application Fee (“**IAF**”) if, as someone who currently owns an interest in a The UPS Store franchise, you seek to: (a) develop a newly constructed Center and purchase a new franchise directly from us; or (b) purchase the existing franchise rights from a non-SDP (as defined below) existing Center that is opened to the public for business (i.e., a franchise “**Transfer**”); or (c) purchase the existing franchise rights from our Area Franchisee under the Site Development Program (“**SDP**,” as explained in Item 5 of TUPSS’ Franchise Disclosure Document (“**FDD**”). You are not permitted to sign this LOI or pay to us the IAF until after fourteen (14) calendar¹ days from the date you sign the receipt confirming you received our FDD. After you sign this LOI, you may deliver to us (or to our representative): (a) the \$4,000.00 IAF check made payable to “The UPS Store, Inc.,” and (b) your signed and dated copy of this LOI. All individuals who will have an ownership percentage in the franchise must sign this LOI, complete TUPSS’ franchise application process, and meet TUPSS’ minimum qualifications for franchise ownership. If TUPSS issues a new or amended version of the FDD during the term of this LOI, all applicants must acknowledge disclosure and receipt of the new FDD in order to continue in the franchise application process. Any continued consideration for The UPS Store franchise opportunity will be governed by the terms of the most recent FDD, including any updated fees, disclosures, or requirements contained therein. You agree to notify TUPSS of any changes to your primary residence during the term of this LOI. The IAF is non-transferable and will be used for one franchised location only.
2. **This LOI does not create nor promise to you a The UPS Store franchise.** You would only acquire such franchise rights if and when we and you were to enter into a Franchise Agreement, either as a result of: (a) the sale of such franchise rights by us, or (b) the sale of such franchise rights by one of our existing franchisees in accordance with our Center Transfer process or our SDP process. You intend, but are not obligated, to buy one of our franchises as a result of this LOI. Final approval to purchase a franchise is subject to your full completion of the franchise application process, which includes, but is not limited to, a review of your financial background, credit and criminal history, interviews, and compliance with all of TUPSS’ minimum current standards and requirements.
3. Upon our counter-signature of this LOI and acceptance of your IAF, we will process your completed Franchise Application Package. We will promptly thereafter notify you in writing as to which of the following applies:

¹ If you are located in Michigan, please consult with our local representative. In this state, you might possibly have to wait ten (10) business days as well as fourteen (14) calendar days; again please check with our local representative to confirm which waiting period applies for you.

- (a) Your application is rejected upon initial review. If this occurs, we will promptly refund to you your entire IAF.
- (b) We will likewise refund to you your entire IAF if, after we notify you that your application is **preliminarily** approved {see Sub-Section 4(c) below}, we inform you that your application did not receive **final** approval. However, if you are preliminarily approved for the purchase of a The UPS Store franchise and your failure to receive our final approval is based solely upon your inability to obtain financing for the required investment to purchase the franchise due to a significant and demonstrable change in your personal financial situation (including, but not limited to, loss of income, material increase in personal debt obligations, or other adverse financial events affecting your ability to qualify for lending), but you still meet TUPSS' minimum qualifications for that reason, and you choose not to proceed with the franchise opportunity, we will retain \$2,000 of your IAF and refund to you only \$2,000 of your IAF. TUPSS does not offer or provide financing for the purchase of a The UPS Store franchise. You are solely responsible for the minimum required investment amounts either through your own capital or by obtaining financing from a third-party lender.
- (c) You are preliminarily approved to purchase a new franchise directly from TUPSS, either unconditionally or subject to your satisfaction of one or more conditions, such as, for example: (i) sale of assets and/or obtaining a business loan in order to fund your franchise; or (ii) verification of continuing household income.
- (d) You agree that if our preliminary approval letter sent to you does not make your final approval contingent upon your obtaining a business loan, then your inability to obtain a business loan will not serve as a basis for our refunding the entire IAF to you.

YOU UNDERSTAND AND ACCEPT THE RISK THAT IF, FOR ANY REASON, YOU FAIL TO TIMELY SATISFY ANY OF OUR WRITTEN CONDITIONS FOR FINAL APPROVAL, REFUSE TO ACCEPT A FRANCHISE THAT WE MAY OFFER TO YOU, OR OTHERWISE FAIL TO ENTER INTO A FRANCHISE AGREEMENT WITH TUPSS PRIOR TO THE CONCLUSION OF THIS LOI AGREEMENT'S TERM, WE WILL RETAIN \$2,000.00 OF YOUR IAF AND REFUND TO YOU ONLY \$2,000.00 OF YOUR IAF. OUR \$2,000.00 IS EARNED AS A RESULT OF THE TIME, ENERGY AND EXPERTISE DEVOTED TO YOU AND WHICH WOULD OTHERWISE BE DEVOTED TO APPLICANTS SEEKING TO PURCHASE ONE OF OUR THE UPS STORE FRANCHISES.

You further acknowledge that by paying the IAF and signing this LOI, we have not and do not promise that you would be approved to purchase a new or existing franchise that is located **at any particular site or within any particular geographic area**. We will attempt to accommodate your site and area preferences. However, if we later grant final approval for you to purchase a new The UPS Store franchise, you understand and accept the risk that you may not be approved for a particular site (or within a particular area) that you desire – including any site or area that you may have discussed with us (or our representative) prior to or after your signing this LOI and paying your IAF.

- (e) If you have told us that you only wish to purchase one of our existing franchised Centers (including possibly the purchase of an SDP Center from our Area

Franchisee) and if you give us a copy of your fully executed agreement (“**Buy-Sell Contract**”) that proposes all of the terms of your purchase of one of our existing franchised Centers, then we will notify you in writing which of the following applies:

- (i) We reasonably withhold our consent to such proposed purchase, or we exercise our right of first refusal (under the seller’s Franchise Agreement) to purchase the seller’s franchise rights and other assets on the same terms and conditions that are contained in your Buy-Sell Contract. If either of these occurs, TUPSS will promptly refund to you your entire IAF.
- (ii) You are preliminarily approved to begin TUPSS’ Center Transfer process, subject to your (and your proposed seller’s) need to satisfy all of our conditions imposed by such process.

IF YOU DO NOT, FOR ANY REASON, SATISFY ALL OF OUR TRANSFER PROCESS REQUIREMENTS PRIOR TO THE CONCLUSION OF THIS LOI’S TWELVE (12) MONTH TERM, WE WILL THEN RETAIN \$2,000.00 OF YOUR IAF AND REFUND TO YOU ONLY \$2,000.00 OF YOUR IAF. THIS \$2,000.00 PARTIAL IAF REFUND IS EXPRESSLY SUBJECT TO SECTION 12 BELOW.

- 4. TUPSS’ criteria for approval are defined solely by TUPSS. All types of preliminary approvals noted above are valid for twelve (12) months from the date that they are communicated to you in writing.
- 5. If we grant final approval to your application and you purchase a franchise, then your entire \$4,000.00 IAF shall be credited to applicable fees and/or costs as designated by TUPSS.
- 6. If and when you sign a Franchise Agreement, you will be required to pay to us all remaining applicable fees, as explained in Items 5 and 6 of your FDD. This means that you (and/or your seller, if you are buying an SDP or non-SDP existing franchise) must pay to TUPSS the remainder (if any) of all applicable fees after crediting to you your IAF as described above in Paragraph 6.
- 7. If you purchase an existing non-SDP franchised Transfer Center, then the Transfer Upgrade Agreement (an Exhibit to our Franchise Agreement) will require that only you (the buyer) pay and perform all image, equipment, and computer “upgrade” amounts, which will be estimated by us in such agreement. Therefore, you should receive and consider TUPSS’ estimated amount of such upgrades as set forth in such Transfer Upgrade Agreement **before** you negotiate and finalize your Buy-Sell contract’s purchase price.
- 8. You promise to us that during the term of this LOI you will diligently, professionally, and cooperatively work with our Area Franchisee, or with our other designated representative, as follows:
 - (a) If you seek to purchase a new franchise directly from us for a newly constructed (non-SDP) Center, you must also:

- (i) Submit for our review a proposed Center location in the form required by us;
 - (ii) Receive our written acceptance of such proposed new location; and
 - (iii) Submit to us a fully executed Center lease, including a fully executed Addendum to Lease, which is Exhibit I to our Franchise Agreement.
 - (b) If you seek to purchase the existing franchise rights from an Area Franchisee for an SDP Center that has not opened to the public for business (or been opened for 6 months or less), then you must comply with TUPSS' SDP process in FDD Item 5.
 - (c) If you seek to purchase a Transfer Center, you must fully comply with our Transfer process as is detailed in our transfer materials and work diligently and cooperatively with all of our representatives, including, but not limited to, our Transfer Department personnel.
 - (d) If we approve your franchise application, we may possibly share with you certain of our proprietary and confidential training materials prior to your entering into a franchise agreement with us. If this occurs, you understand and hereby agree that if you do not, for whatever reason, enter into a franchise agreement with us, you will not: (i) use these training materials for any non-The UPS Store purpose, and (ii) disclose those proprietary and confidential training materials to anyone other than your co-applicants (if any), your employees that would work at your franchised Center (if any), and your professional advisors (e.g., attorney, accountant).
9. Your rights under this LOI are personal to you and may not be sold, transferred, assigned, pledged or encumbered to any third party.
10. The term of this LOI commences on the date we counter-sign (below) and concludes **twelve (12) months** from that date ("**LOI Conclusion Date**"). If you wish to extend the term of this LOI, you must submit a written request in the form of a letter or email to TUPSS (or to our representative) prior to the LOI Conclusion Date. Any request for an extension will require TUPSS to reassess your franchise application and then-current qualifications, which may include a review of updated financial, background, or other business-related information. The approval of an extension to this LOI will be granted at the sole discretion of TUPSS. Extensions of this LOI term beyond the LOI Conclusion Date must be in a writing that is signed by both you and us.
- If by the LOI Conclusion Date we have not, for any reason, entered into a Franchise Agreement with you, then: (a) you and we will have no further obligation to each other, and (b) we will retain a \$2,000.00 portion of your IAF in consideration of our time, effort and expertise expended, and (c) we will promptly refund to you a \$2,000.00 portion of your IAF, expressly subject to Section 12 below.**
11. If: (1) you or your Primary Operator attend some or all of one or more Franchisee training courses (see a description of such training in FDD Items 5 and 11); and (2) you do not complete the purchase of an existing (i.e., Transfer) The UPS Store franchise, we will retain, as fully earned, the full (or, if applicable, pro-rated) portion of the fee(s) corresponding to such completed training ("**Earned Training Fees**"). If you did not separately pay for such (partially or fully) completed training, we will deduct the Earned Training Fees from the \$2,000.00 refunded portion of your IAF.

12. We may terminate this LOI at any time prior to the LOI Conclusion Date by providing written notice to you: (a) if we learn that you have made any false, misleading, inaccurate or incomplete statements to us or to any of our representatives in the course of any communication or franchise application submitted to us or fail to update your franchise application in the event of any changes in the representations or responses made on your franchise application; or (b) if you fail to successfully complete our franchisee training program to our satisfaction; or (c) if you fail to comply with any of your obligations under this LOI; or (d) we ever refund your entire IAF in accordance with the terms and conditions of this LOI; or (e) for any or no reason.
13. If we refund your entire IAF in accordance with the terms and conditions of this LOI, you first, as a condition of such refund, must execute a general release (in a form prescribed by TUPSS) in favor of TUPSS and TUPSS' affiliates from any claims arising from this LOI.
14. This LOI constitutes the entire agreement between you and us as to our business relationship and supersedes in its entirety any and all prior or contemporaneous discussions, understandings, arrangements or agreements that may have occurred or existed between you and us (or any of our representatives). You and we may amend this LOI only in a writing that we both sign. A written amendment to this LOI will be required if the proposed ownership structure for the franchise changes during the application process to add or remove proposed owners. Nothing in this Agreement or any related agreement is intended to disclaim the representations we have made in our franchise disclosure document.
15. This LOI will become valid when counter-executed and accepted by us, it will be deemed made and entered into in the State of California and will be governed and construed under and in accordance with the laws of the State of California, without regard to any choice of law analysis, rules, or principles thereof, to the extent such rules or principles would direct a matter to another jurisdiction. The parties hereby consent to the use of electronic signatures (e.g., via DocuSign®) and electronic methods of delivery in connection with the execution of this LOI and any related or ancillary documents by the parties. In the event that any signature is delivered by facsimile transmission or e-mail of a .pdf file, or by electronic signature pursuant to applicable laws, such signature or electronic execution shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such were an original thereof.
16. All actions arising out of or relating to this LOI shall be heard and determined exclusively in: (1) the United States District Court for the Southern District of California or any federal court located within the Southern District of California; or (2) within any California state court located in the city of San Diego. Consistent with the preceding sentence, the parties: (i) irrevocably submit to the exclusive jurisdiction of any federal court located within the Southern District of California or California state court located in the city of San Diego for the purpose of any action arising out of or relating to this LOI; (ii) irrevocably waive, and agree not to assert by way of motion, defense or otherwise, in any such action, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the action is brought in an inconvenient forum, that the venue of the action is improper,

or that this LOI may not be enforced in or by any of the above-named courts; and (iii) irrevocably consent to and grant any such court exclusive jurisdiction over the person of such parties and over the subject matter of such action.

Please acknowledge your agreement with these terms and conditions by signing and dating below. As was noted in Paragraph 2 above, be sure that your signature date below is no earlier than fourteen calendar¹ days from the date you received your FDD. Then, return to your Area Franchisee (if one exists) or to our other designated representative your signed and dated copy of this LOI, together with your \$4,000.00 IAF check and your completed Franchise Application Package.

Your signed LOI, IAF check and completed Franchise Application Package will be forwarded to us. If everything is in order, we will promptly counter-sign this LOI and return to you a fully executed copy of this LOI for your records.

We thank you for your interest in our franchise opportunity.

Sincerely,

THE UPS STORE, INC.

STATE SPECIFIC ADDENDA / FORMS OF GENERAL RELEASE (IN RENEWAL AND TRANSFER CONTEXTS)

Some states have statutes (and possibly court decisions) which may supersede some of the terms and conditions set forth in our Franchise Agreement (and other applicable documents) which govern the franchise relationship between The UPS Store, Inc. (“TUPSS”) and you (the franchisee). You should consult with your attorney to learn the extent to which any such laws may apply to you.

You should understand that Sections 21.1(a) and 21.1(b) of the Franchise Agreement provide (in summary – see these Sections for actual governing language) as follows:

It is possible that one or more of certain types of provisions in the Franchise Agreement (and other applicable documents) that you signed with TUPSS may be declared by an arbitrator, mediator or court to be invalid or unenforceable because they are inconsistent with a state law that was specifically intended to protect the rights of franchisees in that state.

In these situations, you and TUPSS are agreeing (at the time we sign our Franchise Agreement) that if such provision(s) could be rendered valid and enforceable if modified, then it is our mutual desire that such provision(s) will then be modified to the extent required to make such provision(s) valid and enforceable to the fullest extent under applicable state law and public policy.

Some (but not all) of the areas in which states have enacted laws to protect the rights of franchisees include: (i) termination of franchise agreements; (ii) non-renewal of franchise agreements; (iii) designation of jurisdiction and venue for dispute resolution proceedings; (iv) waivers of rights to a jury trial; (v) “choice of law” provisions that specify which state’s law would apply in a dispute resolution proceeding; and (vi) certain types of mandatory franchisee “releases”.

NO WAIVER OR DISCLAIMER OF RELIANCE IN CERTAIN STATES

The following provision applies only to franchisees and franchises that are subject to the state franchise registration/disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin:

1. No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by TUPSS, any franchise seller, or any other person acting on behalf of TUPSS. This provision supersedes any other term of any document executed in connection with the franchise.

CALIFORNIA

1. THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.
2. Neither the franchisor nor any person in Item 2 of the Disclosure Document is subject to any currently effective order of any national securities association or exchange, as defined in the Securities Exchange Act of 1934, 15 U.S.C.A. 78a et seq., suspending or expelling such person from membership in such association or exchange.
3. The following paragraphs are added at the end of Item 17 of the Disclosure Document:

- (a) California Law Regarding Termination and Nonrenewal. California Business and Professions Code Sections 20000 through 20043 provide rights to franchisees concerning termination or nonrenewal of a franchise. If the Franchise Agreement contains any provision that is inconsistent with the law, the law will control.
- (b) Post Termination Noncompetition Covenants. The Non-Competition Agreement contains a covenant not to compete which extends beyond the termination/expiration of the franchise. This provision might not be fully enforceable under California law, but we will enforce it to the extent enforceable.
- (c) Liquidated Damages Provision. The Franchise Agreement contains a liquidated damage clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.
- (d) The Franchise Agreement provides for termination upon insolvency, bankruptcy, or reorganization. This provision might not be enforceable under federal bankruptcy law (11 U.S.C.A. Sections 101 et seq.), but will enforce it to the extent enforceable.
- (e) Section 31125 of the Franchise Investment Law requires us to give you a disclosure document approved by the Commissioner of Corporations before we ask to you consider a material modification of your franchise agreement.
- (f) You must sign a general release of claims if you renew or transfer your franchise. California Corporations Code Section 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code Sections 31000 through 31516). Business and Professions Code Section 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code Sections 20000 through 20043).

1. The following paragraph is added to the end of Item 17 of the Franchise Disclosure Document:

This provision supersedes any other term of any document executed in connection with the franchise.

This provision supersedes any other term of any document executed in connection with the franchise.

MICHIGAN

DISCLOSURE REQUIRED BY THE STATE OF MICHIGAN:

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

- (a) A prohibition on the right of a franchisee to join an association of franchisees.
- (b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protection provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
- (c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchise to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.
- (d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating a franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation.

This Subsection applies only if: (i) the term of the franchise is less than 5 years and, (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logo, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months' advance notice of franchisor's intent not to renew the franchise.

- (e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This Section does not require a renewal provision.
- (f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.
- (g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:
 - (i) The failure of proposed transferee to meet the franchisor's then-current reasonable qualifications or standards.

- (ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.
 - (iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.
 - (iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.
- (h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in Subdivision (c).
- (i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligation to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

MINNESOTA

THESE FRANCHISES HAVE BEEN REGISTERED UNDER THE MINNESOTA FRANCHISE ACT. REGISTRATION DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE COMMISSIONER OF COMMERCE OF MINNESOTA OR A FINDING BY THE COMMISSIONER THAT THE INFORMATION PROVIDED HEREIN IS TRUE, COMPLETE AND NOT MISLEADING.

THE MINNESOTA FRANCHISE ACT MAKES IT UNLAWFUL TO OFFER OR SELL ANY FRANCHISE IN THIS STATE WHICH IS SUBJECT TO REGISTRATION WITHOUT FIRST PROVIDING TO THE PROSPECTIVE FRANCHISEE, AT LEAST 7 CALENDAR DAYS PRIOR TO THE EXECUTION BY THE PROSPECTIVE FRANCHISEE OF ANY BINDING FRANCHISE OR OTHER AGREEMENT, OR AT LEAST 7 CALENDAR DAYS PRIOR TO THE PAYMENT OF ANY CONSIDERATION BY THE FRANCHISEE, WHICHEVER OCCURS FIRST, A COPY OF THIS PUBLIC OFFERING STATEMENT, TOGETHER WITH A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE FRANCHISE. THIS PUBLIC OFFERING STATEMENT CONTAINS A SUMMARY ONLY OF CERTAIN MATERIAL PROVISIONS OF THE FRANCHISE AGREEMENT. THE CONTRACT OR AGREEMENT SHOULD BE REFERRED TO FOR AN UNDERSTANDING OF ALL RIGHTS AND OBLIGATIONS OF BOTH THE FRANCHISOR AND THE FRANCHISEE.

Minn. Stat. Section 80C.21 and Minn. Rule 2860.4400J prohibit us from requiring litigation to be conducted outside Minnesota. In addition, nothing in the TUPSS disclosure document or Franchise Agreement can abrogate or reduce any of your rights as provided for in Minnesota Statutes, Chapter 80C, or your rights to any procedure, forum or remedies provided for by the laws or the jurisdiction.

Minn. Rule Part 2860.440J prohibits a franchisee from waiving his rights to a jury trial or consenting to liquidated damages, termination penalties or judgment notes. To the extent that any such provisions exist under the TUPSS disclosure document or Franchise Agreement, they are hereby rendered void with respect to all franchisees governed under the laws of Minnesota. If TUPSS ever seeks injunctive relief against Franchisee, a court will determine (a) whether or not a bond is required and, if a bond is required, (b) the amount of the bond.

This state has a statute which may supersede the Franchise Agreement in your relation with us including the areas of termination and renewal of your franchise: [Stat. Section 80C.14]. Specifically, Minnesota law provides franchisees with certain termination and non-renewal rights. Minnesota Statute Section 80C.14, Subdivisions 3, 4, and 5 requires, except in certain specified cases, that a franchisee be given 90 days' notice of a termination (with 60 days to cure) and 180 days' notice for non-renewal of the franchise agreement.

Minn. Rule Part 2860.4400D prohibits a franchisee to assent to a general release. To the extent that any such general release is purported to be required by TUPSS' Franchise Agreement or disclosure document, it is hereby rendered void with respect to all franchisees governed under the laws of Minnesota.

To the extent that any Limitations of Claims Sections exist under TUPSS' disclosure document or Franchise Agreement, such Sections are hereby revised to comply with Minn. Stat. Section 80C.17, Subdivision 5.

No statement, questionnaire, or acknowledgement signed or agreed to by you in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by us, any franchise seller, or any other person acting on our behalf. This provision supersedes any other term of any document executed in connection with the franchise.

Virginia Amendment to Franchise Agreement and Non-Competition Agreement

THIS AMENDMENT IS TO BE SIGNED ONLY IF THE FRANCHISE AGREEMENT AND NON-COMPETITION AGREEMENT TO WHICH IT RELATES ARE SIGNED ON OR AFTER JULY 1, 2026.

This Virginia Amendment to Franchise Agreement and Non-Competition Agreement (“**Amendment**”) is entered into between The UPS Store, Inc. (“**TUPSS**”) and the undersigned and becomes effective on the date that it is counter-signed by TUPSS. The parties agree that this Amendment hereby amends the parties’ Franchise Agreement and Non-Competition Agreement, as set forth below:

1. Effective July 1, 2026, the Virginia Retail Franchising Act (the “Act”) provides as follows:

Under subdivision A 4 of § 13.1-563 of the Act, it is unlawful to offer or enter into a franchise agreement that restricts the right of a franchisee to engage in the business of offering, selling, or distributing goods or services at retail after termination or expiration of the franchise agreement. Under subsection D of § 13.1-559 of the Act, for all franchises located in Virginia, the franchise contract or agreement offered or entered into pursuant to terms of this chapter shall be governed by the laws of the Commonwealth of Virginia.

2. To the extent the Franchise Agreement and/or Non-Competition Agreement includes any provision that is wholly or partially unlawful under Virginia law, the unlawful portions of the provision will be deemed to be severed from, and not a part of, the Franchise Agreement and/or Non-Competition Agreement to the extent they are unlawful. However, any remaining lawful portions of the provision may be fully enforced.

For the avoidance of doubt, this Amendment expressly amends the parties’ Franchise Agreement and Non-Competition Agreement. The parties hereby consent to the use of electronic signatures (e.g., via DocuSign®) and electronic methods of delivery in connection with the execution of this Amendment and any related or ancillary documents by the parties. RENEWAL RELEASE AGREEMENT

This Renewal Release Agreement ("**Release**") is entered into between The UPS Store, Inc. ("**TUPSS**") and _____ ("**Renewing Franchisee**") and becomes effective on the date counter-signed below by TUPSS.

Background

A. On _____, the parties (or their predecessors) entered into a franchise agreement ("**Initial Franchise Agreement**") for Center # _____ (the "**Center**").

B. The Franchise Agreement permits Renewing Franchisee to renew the Center's franchise rights only if TUPSS first confirms that Renewing Franchisee has satisfied all of the conditions to renewal that are specified in the Initial Franchise Agreement.

C. Included among the above-referenced renewal conditions is the requirement that Renewing Franchisee execute a general release, in a form prescribed by TUPSS, in favor of TUPSS and all related parties defined below as Released Parties from any claims arising during the term of the Center's Initial Franchise Agreement.

D. Franchisee has sought, and TUPSS has approved, the renewal of the Center's franchise rights for an additional ten (10) year term, pursuant to a renewal franchise agreement ("**Renewal Franchise Agreement**"), subject to the execution of this Release.

NOW, THEREFORE, as part of the Center's franchise renewal process and in exchange for valuable consideration, the receipt and sufficiency of which is hereby acknowledged, TUPSS and Renewing Franchisee hereby agree as follows:

RELEASE: Renewing Franchisee, on behalf of: (i) itself; and (ii) if it is a legal entity (corporation, LLC, etc.) all of its shareholders, equity owners, and guarantors (collectively "**Releasing Parties**"), hereby expressly, voluntarily and forever releases, waives and discharges TUPSS, UPS, TUPSS 2, Inc., as well as all past and present direct, indirect and ultimate corporate parents, subsidiaries, related companies, predecessors and successors, assignees and designees, and its, and each of their, past and present directors, officers, employees, agents, attorneys, owners, shareholders, partners, designees and representatives, as well as TUPSS' area franchisees and franchisees (collectively "**Released Parties**"), of and from any and all claims, demands, actions, causes of action, known or unknown, suspected or unsuspected involving any Released Parties.

Renewing Franchisee agrees that this General Release is intended to be a full and final compromise, release and settlement of all claims, demands, actions, causes of action, known or unknown, suspected or unsuspected, relating to any contract rights described above and shall be effective as a bar and as a knowing and voluntary waiver of any and all of Renewing Franchisees rights and benefits conferred upon them by any and all federal, state and local statutes, regulations, ordinances or laws of equity including but not limited to Section 1542 of the California Civil Code, which reads as follows:

"A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party".

Renewing Franchisee acknowledges that different or additional facts may be discovered in addition to what (he/she) now knows or believes to be true with respect to the matters herein released, and

that (he/she) agrees that this General Release shall be and remain in effect in all respects as complete and final releases of the matters released, notwithstanding any different or additional facts.

Renewing Franchisee represents that (he/she) is the sole possessor of any claims or causes of action being released, and that (he/she) has not assigned or otherwise transferred said claims or causes of actions.

Renewing Franchisee agrees that (he/she) will not, at any time hereafter, commence, maintain or prosecute any action, at law or otherwise, or assert any claim against the Released Parties herein released and/or execute or enforce any judgment against the parties herein released, for damages, losses or for equitable relief relating to the matters herein released.

Renewing Franchisee agrees that this Release shall bind and be binding upon (his/her) heirs, personal representatives, spouse, executors, administrators, and assigns, and shall inure to the benefit of their agents, employees, servants and successors.

This Release constitutes the entire agreement of the parties regarding the subject matter hereof and may be modified only in writing and agreed to and signed by all parties. This Release shall be construed and interpreted under the laws of the State of California (but nothing in this Release is intended to make applicable to this Release any statute, law, regulation, decision, rule or order that would not by its own terms be applicable). This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. The parties hereby consent to the use of electronic signatures (e.g., via DocuSign®) and electronic methods of delivery in connection with the execution of this Release and any related or ancillary documents by the parties. In the event that any signature is delivered by facsimile transmission or e-mail of a .pdf file, or by electronic signature pursuant to applicable laws, such signature or electronic execution shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such were an original thereof.

This Release is executed by the individuals below, each of whom represents by signing that he or she is duly authorized to enter into and sign this Agreement on behalf of the party so indicated, including (for Renewing Franchisee) all co-owners. This Release shall be binding on: (a) Renewing Franchisee and (b) if Franchisee is a legal entity, all of the individual owners and co-owners of that legal entity.

CONSENT TO TRANSFER AGREEMENT

_____, ("**Buyer**") has entered an agreement to purchase from _____ ("**Seller**") the franchise rights and other assets pertaining to Center # _____ (hereinafter referred to as the "**Center**"). Buyer and Seller understand that Seller's Franchise Agreement for the Center requires the consent of Seller's franchisor, The UPS Store, Inc. ("**TUPSS**"), as a prerequisite to any transfer of Seller's franchise rights to Buyer.

TUPSS' date of signature (below) is the effective date ("**Effective Date**") of this Consent to Transfer Agreement.

Buyer and Seller agree that the Center shall be transferred by Seller to Buyer on the "**Transfer Date**". The Transfer Date shall be the date when TUPSS counter-signs (and makes effective) Buyer's Franchise Agreement for the Center. TUPSS will not counter-sign Buyer's Franchise Agreement until after it confirms that all of its requirements for consent to transfer have been satisfied including, without limitation: (a) TUPSS' receipt of all monies owed to it as confirmed on TUPSS' Final Demand (such monies typically sent to TUPSS from the Center's escrowed sales proceeds and received by TUPSS no later than one business day after the Center's escrow closing); and (b) any other actions required under TUPSS' transfer process that need to be completed by Buyer and/or Seller.

TUPSS acknowledges that effective upon the Transfer Date: (a) Seller is relieved of all of his/her/its in-term duties to be performed after the Transfer Date under Seller's Franchise Agreement and under other agreements that were entered into with TUPSS as exhibits to Seller's Franchise Agreement, and (b) if Seller is a corporation, LLC or partnership, then all persons owning an equity ownership interest in Seller and in the Center's franchise rights ("**Owners**") are relieved of all of their in-term duties under their Continuing Personal Guaranty with respect to obligations to be performed after the Transfer Date; **EXCEPT THAT** Seller and (if applicable) Owners hereby acknowledge that the transfer of the Center from Seller to Buyer does not terminate their post-term obligations under: (a) Seller's Franchise Agreement, (b) (if applicable) under Seller's Non-Competition Agreement, and (c) under Owners' Continuing Personal Guarantee. Such continuing post-term legal obligations include Seller's and Owners' duty to not disclose TUPSS' confidential information and trade secrets as well as their duty to comply with their post-term non-competition covenants to the maximum extent permitted under applicable law. Nothing in this Consent to Transfer Agreement is intended to relieve Seller, Owners or TUPSS of any obligations to be performed prior to the Transfer Date under the Seller's Franchise Agreement or under other agreements that were entered into as exhibits to Seller's Franchise Agreement.

TUPSS and Buyer acknowledge that the term of Buyer's Franchise Agreement will conclude ten years from the effective date of Buyer's new Franchise Agreement and this requires TUPSS' receipt prior to the Transfer Date of a Pro-Rated Renewal Fee needed to bring Buyer's Franchise Agreement up to a full ten-year term.

Buyer acknowledges that he/she/it is purchasing the franchise rights and other Center assets directly from an existing TUPSS franchisee who is selling them for his/her/its own account, and that this transaction has not been effected by or through any efforts or actions by TUPSS.

In entering into the Purchase and Sale Agreement for the Center, Buyer and Seller each acknowledge that each party has independently satisfied itself that all of the terms and conditions of the sale and purchase, including, without limitation, the purchase price, are satisfactory and acceptable to them.

Effective upon the Transfer Date, Seller (and all partners, officers, directors, owners and principals of Seller, if an entity) agrees to indemnify and hold harmless TUPSS and United Parcel Service, Inc. ("UPS"), their past and present direct, indirect and ultimate corporate parents, subsidiaries, related companies, predecessors and successors, assignees and designees, and each of their (including TUPSS' and UPS's) past and present directors, officers, employees, agents, attorneys, owners, shareholders, partners, designees and representatives, as well as TUPSS' area franchisees and franchisees, from any debts, liabilities, obligations, claims, demands, actions, causes of action, losses, damages, costs or expenses of any nature, arising from or in any way connected with Seller's acts or omissions in connection with its pre-transfer ownership of the Center.

Effective upon the Transfer Date, Buyer and Seller (and all partners, officers, directors, owners and principals of Buyer and Seller, if entities) shall indemnify and hold harmless TUPSS and UPS, their past and present direct, indirect and ultimate corporate parents, subsidiaries, related companies, predecessors and successors, assignees and designees, and each of their (including TUPSS' and UPS') past and present directors, officers, employees, agents, attorneys, owners, shareholders, partners, designees and representatives, as well as TUPSS' area franchisees and franchisees, from any debts, claims, demands, actions, causes of action, liabilities, damages, losses, costs, expenses or obligations of any nature, arising from or in any way connected with the parties' Purchase and Sale Agreement or with the transfer of the Center.

Seller agrees to do no act and agrees to make no statement which causes, or which could reasonably be anticipated to cause, harm to the goodwill associated with the Center, TUPSS, UPS or with the TUPSS network of franchises as a whole. Seller also agrees to do no act and agrees to make no statement which interferes with, or which could reasonably be anticipated to interfere with, Buyer's or TUPSS' relationships with its franchisees, prospective franchisees, or other business relationships.

This Consent to Transfer Agreement and any agreements attached hereto constitutes the entire agreement of the parties regarding the subject matter hereof and may be modified only in writing and agreed to and signed by all parties. The right and duties granted to Buyer and Seller by this Consent to Transfer Agreement are personal to such parties and may not be assigned to any third party without the prior written consent from TUPSS. This agreement shall be construed and interpreted under the laws of the State of California (but nothing in this Consent to Transfer Agreement is intended to make applicable to this Agreement any statute, law, regulation, decision, rule or order that would not by its own terms be applicable). This agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. The parties hereby consent to the use of electronic signatures (e.g., via DocuSign®) and electronic methods of delivery in connection with the execution of this Consent to Transfer Agreement and any related or ancillary documents by the parties. In the event that any signature is delivered by facsimile transmission or e-mail of a .pdf file, or by electronic signature pursuant to applicable laws, such signature or electronic execution shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such were an original thereof.

In consideration of TUPSS consenting to the transfer of the Center, Buyer and Seller hereby forever releases, waives and discharges TUPSS, UPS, TUPSS 2, Inc., as well as all past and present direct, indirect and ultimate corporate parents, subsidiaries, related companies, predecessors and successors, assignees and designees, and its, and each of their, past and present directors, officers, employees, agents, attorneys, owners, shareholders, partners, designees and representatives, as well as TUPSS' area franchisees and franchisees (collectively "**Released Parties**"), of and from any and all claims, demands, actions, causes of action, known or unknown, suspected or unsuspected involving any Released Parties.

Buyer and Seller agree that this General Release is intended to be a full and final compromise, release and settlement of all claims, demands, actions, causes of action, known or unknown, suspected or unsuspected, relating to any contract rights described above, and Buyer and Seller expressly waives the provisions of Section 1542 of the California Civil Code, which reads as follows:

"A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party."

Buyer and Seller acknowledge that different or additional facts may be discovered in addition to what (he/she) now knows or believes to be true with respect to the matters herein released, and that (he/she) agrees that this General Release shall be and remain in effect in all respects as complete and final releases of the matters released, notwithstanding any different or additional facts.

Buyer and Seller represent that (he/she) is the sole possessor of any claims or causes of action being released, and that (he/she) has not assigned or otherwise transferred said claims or causes of actions.

Buyer and Seller agree that (he/she) will not, at any time hereafter, commence, maintain or prosecute any action, at law or otherwise, or assert any claim against the parties herein released and/or execute or enforce any judgment against the parties herein released, for damages, losses or for equitable relief relating to the matters herein released.

Buyer and Seller agree that this general release shall bind and be binding upon (his/her) heirs, personal representatives, spouse, executors, administrators, and assigns, and shall inure to the benefit of their agents, employees, servants and successors.

This Consent to Transfer Agreement is signed by the individuals below, each of whom represents by signing that he or she is duly authorized to enter into and sign this Agreement on behalf of the party so indicated. This agreement shall be binding on all parties to this Consent to Transfer Agreement and, if Buyer and Seller are entities, on the respective individual owners and partners of Buyer and Seller as well.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of The UPS Store, Inc.
San Diego, California

Opinion

We have audited the financial statements of The UPS Store, Inc. (the "Company"; an indirectly wholly owned subsidiary of United Parcel Service, Inc., "UPS"), which comprise the balance sheets as of December 31, 2025 and 2024, and the related statements of income and retained earnings and cash flows for each of the three years in the period ended December 31, 2025, and the related notes to the financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025, and 2024, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2025, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 12 to the financial statements, the accompanying financial statements have been prepared from the separate records maintained by the Company. The financial statements also include expense allocations for certain corporate functions provided by UPS. These allocations may not be reflective of the actual expense that would have been incurred had the Company operated as a separate unaffiliated entity apart from UPS. A summary of transactions with UPS is included in Note 12. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

(An Indirectly Wholly Owned Subsidiary of United Parcel Service, Inc.)

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2025 AND 2024, AND FOR EACH OF THE

THREE YEARS IN THE PERIOD ENDED DECEMBER 31, 2025

(Amounts in thousands)

1. ORGANIZATION AND SUMMARY OF ACCOUNTING POLICIES

Organization—The UPS Store, Inc. (“TUPSS” or the “Company”) is an indirectly wholly owned subsidiary of United Parcel Service, Inc. (“UPS” or “Parent”). The Company grants territorial franchise rights for the operation or sale of service centers specializing in postal, packaging, business, and communication services. The Company operates and franchises in all 50 states in the United States, the District of Columbia, and internationally through master licensees in Canada. All franchises are offered under “The UPS Store” service mark.

Basis of Financial Statements—The accompanying financial statements include the accounts of the Company. The preparation of the financial statements in conformity with generally accepted accounting principles in the United States of America (“US GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates, and as described in Note 12, portions of certain expenses represent allocations made from the Parent and its affiliates.

Revenue Recognition—The Company enters into individual and area franchise agreements in the United States and master license agreements in Canada. Individual franchise agreements grant the exclusive right to open and operate a franchise center. Area franchise agreements grant the exclusive right to sell individual franchise centers in a designated area. Master license agreements grant the exclusive right to sell individual and area franchise rights within the areas specified under the respective agreements and contain a development provision, which obligates the franchisee to open a predetermined number of retail locations within a specified period of time.

Franchise fees related to individual and area franchise agreements are recognized as revenue ratably over the term of the franchise agreement. Revenue related to master license agreement sales is deferred and recognized ratably based on the terms and commitments of the master license agreement. During the years ended December 31, 2025, 2024, and 2023, the Company did not sell any new master license agreements.

On a monthly basis, all individual franchisees are required to pay royalty and marketing fees to the Company equal to 5% and 1% of the franchisee’s sales, respectively. Such fees are recognized as revenue based upon reported or estimated sales activity of the franchisees. The Company also acts as a custodian of the bank accounts for the National Advertising Fund and Co-Op Fund. These funds are comprised of contributions from franchisees for national and local marketing efforts, respectively. As of

December 31, 2025, the bank account balances for the funds were \$208 and \$4,998 respectively. As of December 31, 2024, the bank account balances for the funds were \$2,280 and \$4,447 respectively. Such contributions and cash amounts are not included in the accompanying financial statements.

Revenues from sales of supplies and equipment, net of any sales incentives offered, are recognized when orders are shipped, and title passes. The Company recognizes sales of supplies and equipment on a gross basis because the Company acts as the principal party to the transactions.

The Company has recognized revenue and cost related to freight charges billed to the franchisees for the shipping of supplies and equipment on a gross basis in the statements of income and retained earnings. Freight revenue amounted to \$3,607, \$3,258, and \$1,808, during the years ended December 31, 2025, 2024, and 2023, respectively, and is included in “interest income and other” in the accompanying statements of income and retained earnings. The corresponding cost was \$3,807, \$3,407, and \$1,978, for the years ended December 31, 2025, 2024, and 2023, respectively, and is included in “franchise operations” in the accompanying statements of income and retained earnings.

Cash—The Company places its cash on deposit with financial institutions in the United States. The Federal Deposit Insurance Corporation covers \$250,000 for substantially all depository accounts. The Company from time to time may have amounts on deposit in excess of the insured limits. The Company has not experienced any losses in such accounts.

Accounts, Leases, and Notes Receivable—Losses on accounts receivable are recognized when reasonable and supportable forecasts affect the expected collectability. This requires us to make our best estimate of the current expected losses inherent in our accounts receivable at each balance sheet date. These estimates require consideration of historical loss experience, adjusted for current conditions, forward-looking indicators, trends in customer payment frequency, and judgments about the probable effects of relevant observable data, including present and future economic conditions and the financial health of specific customers and market sectors. Our risk management process includes standards and policies for reviewing major account exposures and concentrations of risk.

Receivables from franchisees include trade receivables, lease receivables, and notes receivable. Credit is extended based on an evaluation of the franchisee’s financial condition. Lease receivables are collateralized by the equipment and fixtures being leased. Notes receivable are secured by the assets of the borrower’s franchise service centers and guaranteed by each borrower’s personal assets. Trade receivables are not collateralized.

Estimated credit losses are provided for in the accompanying financial statements. Interest income on notes receivable is recorded on an accrual basis as earned.

Property, Plant, and Equipment—Property, plant, and equipment are stated at cost, less accumulated depreciation. Depreciation is recorded on a straight-line basis over the estimated useful lives of the assets, which are as follows: building and improvements—10 to 31.5 years; leasehold improvements—3 to 10 years; office furniture—5 years; and technology equipment—3 to 5 years. Depreciation expense of property, plant, and equipment totaled \$402, \$578, and \$758, for the years ended December 31, 2025, 2024, and 2023, respectively.

In 2024, the Company sold the corporate headquarters building in San Diego, California for a total sales price of \$12,050. The carrying value of the building at the time of sale was \$3,215. As a result, the Company recognized a gain on the sale of \$8,835, which is included in “other general and administrative” in the accompanying statements of income and retained earnings.

Intangible Assets—Intangible assets consist of franchise rights, capitalized software, and reacquired area franchise agreements as of December 31, 2025 and 2024. Franchise rights are amortized on a straight-line basis over an estimated useful life of 18 years. Capitalized software is amortized over either 3 or 5 years. Amortization expense for capitalized software totaled \$8, \$32 and \$550, for the years ended December 31, 2025, 2024, and 2023, respectively. Reacquired area franchise agreements are amortized on a straight-line basis over an estimated useful life of 20 years. Amortization expense for reacquired area franchise agreements totaled \$19,989, \$16,018, and \$11,173, for the years ended December 31, 2025, 2024, and 2023, respectively.

Impairment of Long-Lived Assets—The Company reviews long-lived assets (inclusive of property, plant, and equipment and intangible assets) with finite lives for impairment when events or changes in circumstances indicate the carrying amount of an asset or asset group may not be recoverable based on the undiscounted future net cash flows of the asset or asset group. If the carrying amount of the asset or asset group is determined not to be recoverable, a write-down to fair value is recorded. Impairment losses during the years ended December 31, 2025, 2024, and 2023, were \$73, \$3, and \$0, respectively.

Goodwill—Goodwill represents the excess of the purchase price over the fair value of the net assets acquired and is not amortized. The Company, comprised of a single reporting unit, reviews goodwill for impairment at least annually and whenever events or changes in circumstances indicate that the asset might be impaired.

In assessing the Company's goodwill for impairment, management initially evaluates qualitative factors to determine if it is more likely than not that the fair value of a reporting unit is less than its carrying amount. If the qualitative assessment is not conclusive and it is necessary to calculate the fair value of a reporting unit, then the Company estimates and compares the fair value of the reporting unit to its carrying value. The Company determines the fair value of the reporting unit by using a discounted cash flow model, as well as a market approach. Any goodwill impairment is measured as the amount by which a reporting unit's carrying value exceeds its fair value, not to exceed the carrying amount of goodwill. If the fair value of the reporting unit is determined to be more than its carrying value, no goodwill impairment is recognized. Management concluded that there was no impairment of goodwill during the years ended December 31, 2025, 2024, and 2023.

Lease Commitments – The Company assesses and accounts for leases as either an operating or finance lease in accordance with the provisions of Accounting Standards Codification (ASC) 842, Leases. The Company has elected the practical expedient not to separate lease and non-lease components. Each lease identified is recognized at the commencement date of the lease, which is the date the Company takes control of the underlying asset. A right-of-use asset and lease liability is recorded for each operating and finance lease with a contractual term greater than 12 months at the time of lease commencement.

The Company's operating and finance lease liabilities represent the present value of future lease payments over the concluded lease term. The present value of future lease payments are discounted using either the rate implicit in the lease, if readily determinable, or the risk-free rate determined using a period comparable with that of the lease. The right-of-use asset balance is measured at the initial amount of the lease liability adjusted for lease payments made at or before the lease commencement date, initial direct costs and any tenant improvement allowances received. The recorded right-of-use asset is reduced over the lease term by the recognized straight-line lease expense. The Company does not have any material finance leases.

Fair Value Measurements—The carrying amount of the Company’s notes receivable and notes payable, approximates fair value based on estimated discounted future cash flows using discount rates that reflect the risk associated with similar types of loans and based on interest rates currently available to the Company for borrowings with similar terms and maturities respectively. Based on discount rates currently offered by the Company for leases with similar terms and maturities, the fair value of leases receivable is estimated to be approximately \$811 and \$888 as of December 31, 2025 and 2024, respectively.

Certain nonfinancial assets are measured at fair value on a nonrecurring basis, including property, plant, and equipment, and intangible assets. They are subject to fair value adjustments in certain circumstances, such as when there is evidence of impairment.

For business acquisitions, we allocate the fair value of purchase consideration to the tangible assets acquired, liabilities assumed and identified intangible assets based on their estimated fair values. The excess of the fair value of purchase consideration over the fair values of these identifiable assets and liabilities is recorded as goodwill. During the measurement period, which is up to one year from the acquisition date, we may record adjustments to the assets acquired and liabilities assumed, with the corresponding offset to goodwill. Following the conclusion of the measurement period, any subsequent adjustments are recorded to earnings

Other General and Administrative Expenses—In 2024, the franchisee compensation rate for one of the Company’s large National Clients in the Corporate Retail Solutions (“CRS”) program was reduced, which resulted in decreased CRS revenues to franchisees. The Company subsidized pricing and partially compensated franchisees a portion of the decrease in the compensation rate resulting in an increase in expenses to the Company compared to the prior fiscal years. For the years ended December 31, 2025 and 2024, \$77,330 and \$58,763, respectively, were included within “other general and administrative” in the accompanying statements of income and retained earnings.

Income Taxes—Income taxes are accounted for using an asset and liability approach that requires the recognition of deferred tax assets and liabilities for the expected future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. In estimating future tax consequences, the Company generally considers all expected future events other than proposed changes in the tax law or rates. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. Valuation allowances are provided if it is more likely than not that a deferred tax asset will not be realized by the Company or UPS.

The Company recognizes liabilities for uncertain tax positions based on a two-step process. The first step is to evaluate the tax position for recognition by determining if the weight of available evidence indicates that it is more likely than not that the position will be sustained on audit, including resolution of related appeals or litigation processes, if any.

Once it is determined that the position meets the recognition threshold, the second step requires management to estimate and measure the tax benefit as the largest amount that is more likely than not to be realized upon ultimate settlement. To estimate such amounts, management must determine the probability of various possible outcomes. The Company reevaluates these uncertain tax positions on a quarterly basis. This evaluation is based on factors including, but not limited to, changes in facts or circumstances, changes in tax law, effectively settled issues under audit, and new audit activity. Such a change in recognition or measurement could result in the recognition of a tax benefit or an additional

charge to the tax provision. The Company's practice is to recognize interest income and expense and penalties associated with uncertain tax positions as a component of income tax expense.

The Company is included in a consolidated U.S. federal income tax return and several combined U.S. state tax returns filed by UPS. Separate U.S. state returns are also filed for the Company in certain states. In accordance with UPS's intercorporate tax allocation policy, UPS charges or credits the Company amounts that are intended to approximate what the Company would incur if it filed all returns on a separate basis. The Company does not directly pay any income taxes to the U.S. taxing authorities.

Adoption of New Accounting Standards—No new accounting standards were adopted during 2025. In December 2023, the Financial Accounting Standards Board issued an Accounting Standards Update ("ASU") to enhance tax-related disclosures. This update will require more standardized categories for tax rate reconciliation and additional detail for significant tax items. It will also require a breakdown of income taxes paid by jurisdiction exceeding 5% of total taxes and remove certain disclosure requirements for unremitted foreign earnings and uncertain tax positions. The standard becomes effective for the Company in 2026. The Company is evaluating its impact on the financial statements, disclosures, and internal controls but does not expect this ASU to have a significant impact on its financial position, results of operations, cash flows, or internal controls.

2. NOTES RECEIVABLE

Notes receivable as of December 31, 2025 and 2024, consist of the following:

	2025	2024

3. LEASES RECEIVABLE

The Company previously leased office and computer equipment to franchisees under sales-type lease agreements, which generally ranged from two to eight years in duration. The equipment leases typically included an option for the lessee to purchase the equipment at the end of the lease term for a negligible amount. 11. EMPLOYEE BENEFIT PLANS

UPS sponsors various retirement and pension plans, including defined benefit and defined contribution plans, which cover all of the Company's employees.

Pensions Benefits—UPS sponsors a defined benefit retirement plan for substantially all employees of the Company who meet minimum age and service conditions. The UPS Retirement Plan is noncontributory and generally provides for retirement benefits based on average compensation levels earned by employees prior to retirement. UPS allocates pension expense to the Company for participating employees. The allocation is made on a pro rata basis and, as such, is impacted by the various assumptions (discount rate, return on plan assets, etc.) that UPS utilizes in determining its pension obligation. Pension expense allocated for the Company's employees participating in the UPS Retirement Plan totaled \$(52), \$(544), and \$(253), for the years ended December 31, 2025, 2024, and 2023, respectively. The plan ceased accruals of additional benefits for future service and compensation for non-union participants effective January 1, 2023.

U.S. Postretirement Medical Benefits—The Company participates in UPS-sponsored postretirement medical plans in the United States that provide health care benefits to the Company's retirees who meet certain eligibility requirements. Generally, this includes employees with at least 10 years of service who have reached age 55 and employees who are eligible for postretirement medical benefits from a UPS-sponsored plan. UPS has the right to modify or terminate certain of these plans. These benefits have been provided to certain retirees on a noncontributory basis; however, in many cases, retirees are required to contribute all or a portion of the total cost of the coverage. UPS allocated other postretirement benefits expense totaled \$100, \$147, and \$132, for the years ended December 31, 2025, 2024, and 2023, respectively.

No separate computation of the net assets, accumulated postretirement benefit obligation, or funded status for the benefit plans described above has been determined for the Company.

Defined Contribution Plans—The Company participates in UPS-sponsored defined contribution plans for employees. The Company matches, in shares of UPS common stock or cash, a portion of the participating employees' contributions. Matching contributions charged to expense were \$3,003, \$2,615, and \$3,026, for the years ended December 31, 2025, 2024, and 2023, respectively.

Stock Compensation—In 2021, UPS's shareholders approved its 2021 Omnibus Incentive Compensation Plan (the "Plan") under which UPS is authorized to issue non-qualified and incentive stock options, stock appreciation rights, restricted stock and stock units ("RSUs"), and restricted performance shares and performance units ("RPU's", collectively with RSUs, "Restricted Units") underlying 25 million shares. Each award issued in the form of Restricted Units, stock options and other permitted awards reduces the share reserve by one share. The Parent had 6 million shares available to be issued under the Plan as of December 31, 2025.

UPS's primary equity compensation programs are the UPS Long-Term Incentive Performance Award program (the "LTIP") and the UPS Stock Option program. Restricted Units may be granted to certain senior management employees to support employee retention. The Parent also maintains the UPS Management Incentive Program (the "MIP") for certain management employees. Management eligibility under the MIP is determined annually by the executive officers of UPS. The MIP is an incentive-based compensation program, with awards based on annual Company performance. Beginning 2023, MIP awards are paid in cash, unless a participant elects to receive all or a portion of the award in unrestricted shares of class A common stock. As of December 31, 2025, the MIP was classified

as a compensation obligation within Accrued wages and withholdings in our consolidated balance sheets. Substantially all MIP awards are settled in cash, based on participant elections. Compensation expense related to the UPS Incentive Compensation Plan totaled \$3,995, \$5,763, and \$3,138, for the years ended December 31, 2025, 2024, and 2023, respectively, inclusive of both the share-based compensation and the cash compensation portions of the award.

Share-based compensation related to the Restricted Units portion of the award including the MIP and LTIP was \$399, \$175, and \$823 for the years ended December 31, 2025, 2024, and 2023, respectively. The associated income tax (expense) benefit recognized in our income statement was \$63, \$(342), and \$316 for the years ended December 31, 2025, 2024, and 2023, respectively, and the income tax benefit received from the lapsing of Restricted Units was \$9, \$677, and \$1,108 for the years ended December 31, 2025, 2024, and 2023, respectively.

12. RELATED-PARTY TRANSACTIONS AND DUE FROM PARENT

Related-Party Transactions—The accompanying financial statements have been prepared from the separate records maintained by the Company and are not necessarily indicative of the conditions that would have existed or the results of operations if the Company had been operated as an unaffiliated company. Portions of certain expenses such as stock compensation, benefit plans, and taxes represent allocations made from the Parent and its affiliates. Additionally, the Company utilizes UPS and an affiliate for its shipping services and franchisee call center services, respectively.

The Parent provided administrative services and allocated certain estimated overhead costs to the Company for which the Company is charged a fee. These administrative fees totaled \$2,217, \$2,012, and \$3,181, for the years ended December 31, 2025, 2024, and 2023, respectively, and are included in “franchise operations” in the accompanying statements of income and retained earnings. The Parent reviews the methodology to allocate estimated overhead to subsidiaries annually. Management believes the allocation method is representative of the proportion of costs incurred by the Company.

In addition, the Company incurs royalty fees to the Parent equal to 2% of royalty revenue recognized by TUPSS. These fees are presented separately as “royalty to Parent” in the accompanying statements of income and retained earnings. Other accrued expenses included royalties payable to a UPS affiliate of \$1,054 and \$1,005 as of December 31, 2025 and 2024, respectively.

Due to Parent—Due to Parent includes the effects of related-party transactions as well as the distribution of excess cash from the Company to UPS on a daily basis. Additionally, in accordance with UPS policy, the Company earns interest income on the due to Parent balance. The Company recognized interest income from the Parent of \$2,800, \$0, and \$3,599, for the years ended December 31, 2025, 2024, and 2023, respectively. The Board of Directors declared a dividend of \$400,000 to UPS in December 2023 and the amount was paid prior to year-end. Because UPS has determined that it will continue to distribute excess funds from the Company to UPS, the Company has classified the due to Parent account as an offset against shareholders’ equity. Accordingly, the corresponding net change in the due to Parent account has been included in the accompanying statements of cash flows as a financing activity.

13. LITIGATION

The Company and UPS are the defendants in various judicial proceedings arising from the conduct of our business activities. Although there can be no assurance as to the ultimate outcome, we have generally denied, or believe we have a meritorious defense and will deny, liability in all pending matters, and we intend to vigorously defend each matter. We accrue for legal claims when, and to the

extent that, amounts associated with the claims become probable and can be reasonably estimated. In the case of Alysson Mills, in Her Capacity as Receiver for Arthur Lamar Adams and Madison Timber Properties, LLC v. The UPS Store, Inc. et al. (United States District Court for the S.D. Miss., Case No. 3:19-cv-364-CWR-FKB), on October 29, 2025, Company and plaintiff reached an agreement in principle. The case is stayed, and Company anticipates the settlement to be finalized, approved by the court, and dismissed in the second or third quarter of 2026. The Company has accrued a loss contingency for this matter totaling \$5,000 as of December 31, 2025, within other accrued expenses on the balance sheet.

14. SUBSEQUENT EVENTS

The Company evaluated subsequent events through April 23, 2026, which represents the date the financial statements were issued. No events have occurred subsequent to December 31, 2025.

Opinion on the Financial Statements

We have audited the accompanying consolidated balance sheets of United Parcel Service, Inc. and subsidiaries (the "Company") as of December 31, 2025 and 2024, the related consolidated statements of income, comprehensive income, and cash flows, for each of the three years in the period ended December 31, 2025, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025 and 2024, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2025, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the PCAOB and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matters communicated below are matters arising from the current-period audit of the financial statements that were communicated or required to be communicated to the audit committee and that (1) relate to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the financial statements, taken as a whole, and we are not, by communicating the critical audit matters below, providing separate opinions on the critical audit matters or on the accounts or disclosures to which they relate.

Goodwill – Global Freight Forwarding and Healthcare Logistics Distribution Reporting Units — Refer to Notes 1 and 7 to the consolidated financial statements

Critical Audit Matter Description

The Company tests goodwill for impairment annually as of July 1, or more frequently if circumstances require, by determining if it is more likely than not that the fair value of a reporting unit is less than its carrying amount. For certain reporting units, the Company uses a combination of income and market approaches to develop an estimate of reporting unit fair value. The income approach uses a discounted cash flow model, which requires the Company to make a number of significant assumptions to produce an estimate of future cash flows. These assumptions include projections of future revenue, costs, capital expenditures, working capital, long-term growth rates and the discount rate. The market approach uses observable market data of comparable public companies to estimate fair value utilizing financial metrics (such as enterprise value to net sales). As of

the annual test date, the Company had recorded balances of goodwill of \$877 million related to Global Freight Forwarding ("GFF") and \$738 million related to Healthcare Logistics Distribution ("HLD") reporting units. The Company did not record any goodwill impairments during 2025.

We identified the valuation of the GFF and HLD reporting units as a critical audit matter because of the significant judgments required to estimate the fair value of the reporting units. This required a high degree of auditor judgment and an increased extent of effort, including the need to involve our fair value specialists, when performing audit procedures to evaluate the reasonableness of management's estimates and assumptions related to the forecasts of future revenue and costs and the selection of the discount rate.

How the Critical Audit Matter Was Addressed in the Audit

Our audit procedures related to the forecasts of future revenue and costs, and the selection of the discount rate, used by management to estimate the fair value of the GFF and HLD reporting units included the following, among others:

- We tested the design and operating effectiveness of controls over management's goodwill impairment evaluation, including those over the determination of the fair value of the GFF and HLD reporting units, such as controls related to management's forecasts of revenue and costs and selection of the discount rate.
- We performed a sensitivity analysis of the forecasts of revenue and costs, including their impact on future cash flows, and the selected discount rate.
- We evaluated management's ability to accurately forecast by comparing actual results to management's historical forecasts.
- We evaluated the reasonableness of management's forecasts by comparing the forecasts to (1) historical results, (2) internal communications to management and the Board of Directors, and (3) forecasted information included in relevant industry reports.
- With the assistance of our fair value specialists, we evaluated the reasonableness of the selected discount rate, by:
 - Testing the source information underlying the determination of the discount rate and the mathematical accuracy of the calculation.
 - Developing a range of independent estimates and comparing those to the discount rate selected by management.
 - Evaluating the forecasts to understand and sensitize management's assumptions regarding the risk inherent in the forecasts.

Revenue — Refer to Notes 1 and 2 to the consolidated financial statements

Critical Audit Matter Description

Approximately 88 percent of the Company's revenues are from its global small package operations that provide time-definite delivery services for express letters, documents, small packages and palletized freight via air and ground services. The Company's global small package revenues are comprised of a significant volume of low-dollar transactions sourced from systems that were primarily developed by the Company. The processing of transactions, including the recording of them, is highly automated and based on contractual terms with the Company's customers.

Auditing global small package revenue required a significant extent of effort and the involvement of professionals with expertise in information technology ("IT") necessary for us to identify, test, and evaluate the Company's systems, software applications, and automated controls.

How the Critical Audit Matter Was Addressed in the Audit

Our audit procedures related to the Company's systems to process global small package revenue transactions included the following, among others:

- With the assistance of our IT specialists, we:

- Identified the significant systems used to process global small package revenue transactions and tested the effectiveness of the general IT controls over each of these systems, including testing of user access controls, change management controls, and IT operations controls.
 - Tested the effectiveness of system interface controls and automated controls within the global small package revenue stream, as well as the controls designed to ensure the accuracy and completeness of revenue.
- We tested the effectiveness of controls over the relevant global small package revenue business processes, including those in place to reconcile the various systems to the Company's general ledger.
- We performed analytical procedures to evaluate the Company's recorded revenue and evaluate trends.
- For a sample of customers, we read the Company's contract with the customer and evaluated the Company's pattern of revenue recognition for the customer. In addition, we evaluated the accuracy of the Company's recorded global small package revenue for a sample of customer invoices.

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1. SUMMARY OF ACCOUNTING POLICIES

Basis of Financial Statements and Business Activities

United Parcel Service, Inc., and all of its consolidated subsidiaries ("UPS"), is a global package delivery and logistics provider. We manage our business and report operations through two reportable segments, U.S. Domestic Package and International Package, which are together referred to as our global small package operations. Our remaining businesses are reported as Supply Chain Solutions ("SCS"). We provide transportation services, primarily domestic and international letter, package and air cargo delivery. Through our SCS subsidiaries, we are also a global provider of transportation, logistics and related services.

The accompanying consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States ("GAAP"). All intercompany balances and transactions have been eliminated.

The "Company," "we," "us" and "our" refer to UPS. Unless the context indicates otherwise, whenever we refer in this report to a particular year, we mean our calendar year ended or ending December 31.

Use of Estimates

The preparation of our consolidated financial statements requires the use of estimates and assumptions that affect the reported amounts of assets and liabilities, the reported amounts of revenues and expenses and the disclosure of contingencies. Estimates have been prepared on the basis of the most current and best information, and actual results could differ materially from those estimates.

Revenue Recognition

We account for a contract when both parties have approved the contract and are committed to perform their obligations, the rights of the parties are identified, payment terms are identified, the contract has commercial substance and collectability of consideration is probable.

Performance Obligations

A performance obligation is a promise in a contract to transfer a distinct good or service to the customer, and is the basis of revenue recognition. The vast majority of our contracts with customers are for transportation services that include only one performance obligation; the transportation services themselves. If a contract contains more than one performance obligation, we allocate the total transaction price to each performance obligation based on the estimated relative standalone selling prices of the services underlying each performance obligation.

In certain business units, such as Logistics, we sell customized, customer-specific solutions in which we integrate a complex set of tasks and components into a single capability that is accounted for as one performance obligation.

Satisfaction of Performance Obligations

We generally recognize revenue over time as we perform services in the contract because our customers receive the benefit of our services as goods are transported from one location to another. Further, if we were unable to complete delivery to the final location, those services would not need to be re-performed.

We recognize revenue based on the extent of progress towards completion of our services. We use the cost-to-cost measure of progress for our package delivery contracts because it best depicts the benefit received by the customer, which occurs as we incur costs on our contracts. Under this measure, the extent of progress towards completion is measured based on the ratio of costs incurred to date to the total estimated costs at completion of the service. Revenues, including ancillary or accessorial fees and reductions for estimated customer incentives, are recorded proportionally as costs are incurred. Costs to fulfill include labor and other direct costs and an allocation of indirect costs. Customs brokerage revenue is recognized upon completing documents necessary for customs entry purposes.

For our freight forwarding contracts, an output method of progress based on time-in-transit is utilized as the timing of costs incurred does not best depict the benefit to the customer. In our Logistics business we have a right to consideration from

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

customers in an amount that corresponds directly with the value to the customers of our performance completed to date; therefore we recognize revenue in the amount to which we have a right to invoice the customer.

Variable Consideration

Our contracts commonly contain customer incentives, guaranteed service refunds or other provisions that can either increase or decrease the rates paid for services. These variable amounts are generally dependent upon achievement of certain incentive tiers or performance metrics. We record revenue, which may be reduced by incentives or other contract provisions, to the extent it is probable that a significant reversal of cumulative amounts recognized will not occur when the uncertainty associated with the variable consideration is resolved. Our estimates of revenue are based on an assessment of anticipated customer spending and all information (historical, current and forecasted) that is reasonably available to us.

Contract Modifications

Contracts are often modified to account for changes in the rates we charge our customers or to add additional, distinct services. We consider contract modifications to exist when the modification either creates new, or changes the existing, enforceable rights and obligations. Contract modifications that add distinct goods or services are treated as separate contracts. Contract modifications that do not add distinct goods or services typically change the price of existing services. These contract modifications are accounted for prospectively as the remaining performance obligations are distinct.

Payment Terms

Under the typical payment terms of our customer contracts, customers pay at periodic intervals, which are generally seven days within our U.S. Domestic Package business, for shipments included on invoices received. Invoices are generated each week on the week-ending day. It is not customary business practice to extend payment terms past 90 days and, as such, we do not have a practice of including a significant financing component within our contracts with customers.

Principal vs. Agent Considerations

In our transportation businesses, we may utilize independent contractors and third-party carriers to perform transportation services. We have determined that all our major businesses act as principal rather than agent within their revenue arrangements. Consequently, revenue and the associated purchased transportation costs are reported on a gross basis within our statements of consolidated income.

Accounts Receivable, Net

Accounts receivable, net, include amounts billed and currently due from customers. The amounts due are stated at their net estimated realizable value. Losses on accounts receivable are recognized when reasonable and supportable forecasts affect the expected collectability. This requires us to make our best estimate of the current expected losses inherent in our accounts receivable at each balance sheet date. These estimates require consideration of historical loss experience, adjusted for current conditions, forward-looking indicators, trends in customer payment frequency, and judgments about the probable effects of relevant observable data, including present and future economic conditions and the financial health of specific customers and market sectors. Our risk management process includes standards and policies for reviewing major account exposures and concentrations of risk.

Contract Assets and Liabilities

Contract assets include billed and unbilled amounts resulting from in-transit shipments, as we have an unconditional right to payment only when services have been completed (i.e., shipments have been delivered). Amounts do not exceed their net realizable value. Contract assets are generally classified as current and the full balance is converted each quarter based on the short-term nature of the transactions.

Contract liabilities consist of advance payments and billings in excess of revenue as well as deferred revenue. Advance payments and billings in excess of revenue represent payments received from our customers that will be earned over the contract term. Deferred revenue represents the amount due from customers related to in-transit shipments that has not yet been recognized as revenue based on our selected measure of progress. We classify advance payments and billings in excess of revenue as either current or long-term, depending on the period over which the amount will be earned. We classify deferred revenue as current based on the short-term nature of the transactions. Our contract assets and liabilities are reported in a net position on a contract-by-contract basis at the end of each reporting period. In order to determine revenue recognized in the

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

period from contract liabilities, we first allocate revenue to the individual contract liability balance outstanding at the beginning of the period until the revenue exceeds that deferred revenue balance.

Cash and Cash Equivalents

Cash and cash equivalents consist of highly liquid investments that are readily convertible into cash. We consider securities with maturities of three months or less and insignificant credit risk, when purchased, to be cash equivalents. The carrying amount of these securities approximates fair value because of the short-term maturity of these instruments.

As of December 31, 2025 and 2024, we did not have any restricted cash.

Supplemental Cash Flow Information

The following table presents supplemental cash flow information (in millions):

	2025	2024	2023
Cash paid during the year for:			
Interest (net of amount capitalized) ⁽¹⁾	\$ 990	\$ 854	\$ 762
Income taxes (net of refunds)	1,912	1,347	1,976

Property, plant and equipment recognized during the construction period of build-to-suit financing arrangement	107	—	—
Right-of-use assets obtained in exchange for operating lease obligations	808	740	1,278
Right-of-use assets obtained in exchange for finance lease obligations ⁽²⁾	731	120	209

⁽¹⁾ Includes \$18, \$20 and \$17 million of cash paid for interest on finance leases in 2025, 2024 and 2023, respectively.

⁽²⁾ Includes \$551 million related to new aircraft leases that commenced in 2025, which were accounted for as finance leases.

Marketable Securities and Non-Current Investments

Debt securities are classified as either trading or available-for-sale securities and are carried at fair value. Unrealized gains and losses on trading securities are reported as *Investment income (expense) and other* in our statements of consolidated income. Unrealized gains and losses on available-for-sale securities are reported within other comprehensive income, a separate component of shareowners' equity. The amortized cost of debt securities is adjusted for amortization of premiums and accretion of discounts to maturity. Such amortization and accretion is included in *Investment income (expense) and other*, together with interest and dividends. The cost of securities sold is based on the specific identification method; realized gains and losses resulting from such sales are included in *Investment income (expense) and other*.

We periodically review our available-for-sale investments for indications of other-than-temporary impairment considering many factors, including the extent and duration to which a security's fair value has been less than its cost, overall economic and market conditions and the financial condition and specific prospects for the issuer. Impairment of available-for-sale securities results in a charge to income when a market decline below cost is other-than-temporary, which includes consideration of whether we have both the intent and ability to hold such securities for the time necessary to recover the cost basis. If a decline in fair value is determined to be the result of a credit loss, then the decrease is recognized in income through an allowance for credit losses.

Investments in equity securities through which we exercise significant influence but do not have control over the investee are accounted for under the equity method. We record the investment at cost and subsequently increase or decrease the carrying amount of the investment by our proportionate share of the net earnings or losses and other comprehensive income of the investee. Gains and losses from equity method investments are reported in *Investment income (expense) and other* in our statements of consolidated income. We record dividends or other equity distributions as reductions of the carrying value of the investment. Equity method investments are included within *Other Non-Current Assets* in our consolidated balance sheets.

Inventories

Fuel and other materials and supplies are recognized as inventory when purchased, and then charged to expense when used in our operations. Jet fuel, diesel and unleaded gasoline inventories are valued at the lower of average cost or net realizable value. Total inventories were \$739 and \$826 million as of December 31, 2025 and 2024, respectively, and are included in *Other current assets* in our consolidated balance sheets.

Property, Plant and Equipment

Property, plant and equipment are carried at cost less accumulated depreciation. We evaluate the useful lives of our property, plant and equipment based on our usage, maintenance and replacement policies, and take into account physical and economic factors that may affect the useful lives of the assets.

Depreciation and amortization are provided by the straight-line method over the estimated useful lives of the assets, which are as follows:

- Aircraft: 7 to 40 years, based on aircraft type and original aircraft manufacture date
- Buildings: 10 to 40 years
- Leasehold Improvements: lesser of asset useful life or lease term
- Plant Equipment: 3 to 20 years
- Technology Equipment: 3 to 10 years
- Vehicles: 5 to 15 years

Routine maintenance and repairs are generally charged to expense as incurred. For substantially all of our aircraft, the costs of major airframe and engine overhauls, as well as routine maintenance and repairs, are charged to expense as incurred.

Interest incurred during the construction of property, plant and equipment is capitalized until the underlying assets are placed in service, at which time amortization of the capitalized interest begins, straight-line, over the estimated useful lives of the related assets. Capitalized interest was \$116 and \$121 million in 2025 and 2024, respectively.

We monitor our property, plant and equipment for any indicators that the carrying value of our asset groups may not be recoverable, at which time we review the asset group for impairment based on undiscounted future cash flows. If the carrying amount of the asset is determined not to be recoverable, a write-down to fair value is recorded. Fair values are determined based on quoted market values, discounted cash flows or external appraisals, as appropriate. We test long-lived assets for impairment at the asset group level, which is the lowest level at which independent cash flows can be identified. We evaluate long-lived assets within our global small package operations at a network level given the cash flows associated with individual assets therein are not independent. Refer to note 4 for a discussion of impairments of property, plant and equipment.

In 2025, we entered into an agreement with our largest customer that provides for a significant reduction in their volume. In connection therewith, we are reconfiguring our U.S. network which have and will continue to lead to a consolidation of our facilities and workforce as well as end-to-end process redesign. Revisions to our estimates of the useful life and salvage values of certain long-lived assets are likely to continue to result in accelerated depreciation expense and charges related to early retirements. Refer to note 4 for additional information.

Leases

We recognize a right-of-use ("ROU") asset and lease obligation for all leases greater than twelve months, including reasonably certain renewal or purchase options. Some of our leases contain both lease and non-lease components. In 2025, we defined a new lease asset class, data centers, and elected to account for the lease and non-lease components separately. For all other lease arrangements, we account for lease and non-lease components as a single lease component. Lease costs for short-term leases are recognized on a straight-line basis over the lease term.

Certain of our leases contain future payments that are dependent on an index or rate, such as the consumer price index. We initially measure the lease obligation and ROU asset using the index or rate at the commencement date. In subsequent periods, lease payments dependent on an index or rate are not remeasured. Rather, changes to payments due to a change in an index or rate are recognized in our statements of consolidated income in the period of the change.

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

When available, we use the rate implicit in the lease to discount lease payments; however, the rate implicit in the lease is not readily determinable for substantially all of our leases. For these leases, we use an estimate of our incremental borrowing rate to discount lease payments based on information available at lease commencement. The incremental borrowing rate is derived using multiple inputs including our credit rating, the impact of full collateralization, lease term and denominated currency.

Goodwill and Intangible Assets

Costs of purchased businesses in excess of net identifiable assets acquired (goodwill) and indefinite-lived intangible assets are tested for impairment at least annually, or more frequently, if circumstances indicate a potential impairment is present. We complete our annual goodwill impairment evaluation as of July 1 on a reporting unit basis.

In assessing goodwill for impairment, we initially evaluate qualitative factors to determine if it is more likely than not that the fair value of a reporting unit is less than its carrying amount. We consider several factors, including macroeconomic conditions, industry and market conditions, overall financial performance of the reporting unit, changes in management, strategy or customers and relevant reporting unit-specific events such as a change in the carrying amount of net assets, a more likely than not expectation of selling or disposing of all, or a portion of, a reporting unit, and the testing for recoverability of a significant asset group within a reporting unit. If this qualitative assessment results in a conclusion that it is more likely than not that the fair value of a reporting unit exceeds the carrying value, then no further testing is performed for that reporting unit.

If the qualitative assessment is not conclusive, or if we elect to bypass the qualitative test, we quantitatively assess the fair value of a reporting unit to test goodwill for impairment. We assess the fair value of a reporting unit using a combination of a market and income approach. Under the market approach, we use observable market data for comparable publicly-traded companies that correspond to the reporting unit to derive a market-based multiple. Under the income approach, the fair value of the reporting unit is estimated based on discounted cash flow modeling. Assumptions used in the discounted cash flow model include future revenue, costs, capital expenditures, working capital, long-term growth rates and the discount rate. Our estimates are developed using assumptions that we believe are consistent with how a market participant would value our reporting units. If the carrying amount of a reporting unit exceeds the reporting unit's fair value, we record the excess amount as goodwill impairment, not to exceed the total amount of goodwill allocated to the reporting unit.

Finite-lived intangible assets, including trademarks, licenses, patents, customer lists, non-compete agreements and franchise rights are amortized on a straight-line basis over their estimated useful lives, which range from 2 to 21 years. Capitalized software is generally amortized over 7 years. Finite-lived intangible assets are assessed for impairment as part of asset groups whenever events or changes in circumstances indicate that their carrying value may not be recoverable.

Assets Held for Sale

We initially measure a long-lived asset or disposal group that is classified as held for sale at the lower of its carrying value or fair value less any costs to sell and recognize any loss in the period in which the held for sale criteria are met. Gains are not recognized until the date of sale. We cease depreciation and amortization of a long-lived asset, or assets within a disposal group, upon their designation as held for sale and subsequently assess fair value less any costs to sell at each reporting date until the asset or disposal group is no longer classified as held for sale. See note 4 for additional information.

Supplier Finance Programs

As part of our working capital management, certain financial institutions offer a Supply Chain Finance ("SCF") program to certain of our suppliers. We agree to commercial terms with our suppliers, including prices, quantities and payment terms, regardless of whether the supplier elects to participate in the SCF program. Suppliers issue invoices to us based on the agreed-upon contractual terms. If they participate in the SCF program, our suppliers, at their sole discretion, determine which invoices, if any, to sell to the financial institutions. Our suppliers' voluntary inclusion of invoices in the SCF program has no bearing on our payment terms. No guarantees are provided by us under the SCF program. We have no economic interest in a supplier's decision to participate, and we have no direct financial relationship with the financial institutions, as it relates to the SCF program.

Amounts due to our suppliers that participate in the SCF program are included in *Accounts payable* in our consolidated balance sheets. We have been informed by the participating financial institutions that as of December 31, 2025 and 2024, suppliers sold \$435 and \$515 million, respectively, of our outstanding payment obligations to participating institutions.

Self-Insurance Accruals

We self-insure costs associated with workers' compensation claims, automobile liability, health and welfare and general business liabilities, up to certain limits. Self-insurance reserves are established for estimates of the losses we will ultimately incur on reported claims, as well as estimates of claims that have been incurred but not yet reported. The expected ultimate cost for claims incurred is estimated based upon historical loss experience and judgments about the present and expected levels of cost per claim. Trends in actual experience are a significant factor in the determination of our reserves.

In 2025 and 2024, we transferred a portion of our workers' compensation liability related to policy years 1984 through 2000 and policy years 2018 and 2019 to a third-party insurer. We paid \$152 and \$114 million in 2025 and 2024, respectively, to transfer a portfolio of claims for which we carried reserves of \$152 and \$114 million in 2025 and 2024, respectively.

We also sponsor a number of health and welfare insurance plans for our employees. Liabilities and expenses related to these plans are based on estimates of the number of employees and eligible dependents covered under the plans, global health events, anticipated medical usage by participants and overall trends in medical costs and inflation.

Pension and Postretirement Benefits

We incur certain employment-related expenses associated with company-sponsored defined benefit pension and postretirement medical benefits. These expenses are calculated using various actuarial assumptions and methodologies, including discount rates, expected returns on plan assets, healthcare cost trend rates, inflation, compensation increase rates, mortality rates and coordination of benefits with plans not sponsored by UPS. Actuarial assumptions are reviewed on an annual basis, unless circumstances require an interim measurement of any of our plans.

We recognize changes in the fair value of plan assets and net actuarial gains or losses in excess of a corridor (defined as 10% of the greater of the fair value of plan assets or the plan's projected benefit obligation) in *Investment income (expense) and other*, in our statements of consolidated income, upon remeasurement of a plan. The remaining components of pension expense, primarily service and interest costs and the expected return on plan assets, are recorded ratably on a quarterly basis.

We recognize expense for required contributions to defined contribution plans quarterly, and we recognize a liability for any contributions due and unpaid within *Accrued group welfare and retirement plan contributions* within our consolidated balance sheets.

We participate in a number of trustee-managed multiemployer pension and health and welfare plans for employees covered under collective bargaining agreements. Our contributions to these plans are determined in accordance with the respective collective bargaining agreements. We recognize expense for the contractually required contribution for each period, and we recognize a liability for any contributions due and unpaid within *Accrued group welfare and retirement plan contributions*.

Income Taxes

Income taxes are accounted for on an asset and liability approach that requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of events that have been recognized in our consolidated financial statements or tax returns. In estimating future tax consequences, we generally consider all expected future events other than proposed changes in the tax law or rates. Valuation allowances are provided if it is more likely than not that a deferred tax asset will not be realized.

We recognize liabilities for uncertain tax positions based on a two-step process. The first step is to evaluate the tax position for recognition by determining if the weight of available evidence indicates that it is more likely than not that the position will be sustained on audit, including resolution of related appeals or litigation processes, if any. Once it is determined that the position meets the recognition threshold, the second step requires us to estimate and measure the largest amount of tax

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

benefit that is more likely than not to be realized upon ultimate settlement. The difference between the amount of recognizable tax benefit and the total amount of tax benefit from positions filed or to be filed with the tax authorities is recorded as a liability for uncertain tax benefits. It is inherently difficult and subjective to estimate such amounts, as we have to determine the probability of various possible outcomes. We reevaluate uncertain tax positions on a quarterly basis. This evaluation is based on factors including, but not limited to, changes in facts or circumstances, changes in tax law, effectively settled issues under audit and new audit activity. Such a change in recognition or measurement could result in the recognition of a tax benefit or an additional charge to the tax provision.

Foreign Currency Translation and Remeasurement

We translate the results of operations of our foreign subsidiaries using average exchange rates for each period, whereas balance sheet accounts are translated using exchange rates at the end of each period. Balance sheet currency translation adjustments are recorded in other comprehensive income. Pre-tax foreign currency transaction gains (losses) from remeasurement, net of hedging, included in *Investment income (expense) and other* were \$(22), \$(38) and \$(53) million in 2025, 2024 and 2023, respectively.

Stock-Based Compensation

Share-based awards are measured based on their fair values and expensed over the period during which an employee is required to provide service in exchange for the award (the vesting period), less estimated forfeitures. We have issued employee share-based awards under various incentive compensation plans that contain vesting conditions, including service conditions, where the awards cliff vest after one or three years or vest ratably over periods up to five years (the "nominal vesting period") or at the date the employee retires (as defined by the plan), if earlier. See note 13 for further discussion of our share-based awards. Compensation cost is generally recognized immediately for certain awards granted to retirement-eligible employees, or over the period from the grant date to the date retirement eligibility is achieved, if that is expected to occur during the nominal vesting period. For awards with a performance-based condition, expense is recognized based on probability of performance achievement and for awards with a market condition, expense includes the fair value at grant date. We estimate forfeiture rates based on historical rates of forfeitures for awards with similar characteristics, historical and projected rates of employee turnover and the nature and terms of the vesting conditions of the awards. We reevaluate our forfeiture rates on an annual basis.

Fair Value Measurements

Our financial assets and liabilities measured at fair value on a recurring basis have been categorized based upon a fair value hierarchy. Level 1 inputs utilize quoted prices in active markets for identical assets or liabilities. Level 2 inputs are based on other observable market data, such as quoted prices for similar assets and liabilities, and inputs other than quoted prices that are observable, such as interest rates and yield curves. Level 3 inputs are developed from unobservable data reflecting our own assumptions, and include situations where there is little or no market activity for the asset or liability. Certain investments described further in note 5, that do not have a readily determinable fair value, are measured at net asset value ("NAV") using NAV as a practical expedient or an equivalent developed consistent with the measurement principles in Accounting Standards Codification Topic 820. Plan assets that are measured using NAV as a practical expedient are excluded from the fair value hierarchy.

Certain non-financial assets and liabilities are measured at fair value on a nonrecurring basis, including property, plant and equipment, goodwill and intangible assets. These assets are subject to fair value adjustments in certain circumstances, such as when there is an impairment.

For business acquisitions, we allocate the fair value of purchase consideration to the tangible assets acquired, liabilities assumed and identified intangible assets based on their estimated fair values. The excess of the fair value of purchase consideration over the fair values of these identifiable assets and liabilities is recorded as goodwill. During the measurement period, which is up to one year from the acquisition date, we may record adjustments to the assets acquired and liabilities assumed, with the corresponding offset to goodwill. Following the conclusion of the measurement period, any subsequent adjustments are recorded to earnings.

Derivative Instruments

We recognize all derivative instruments as assets or liabilities in our consolidated balance sheets at fair value. The accounting for changes in the fair value of a derivative instrument depends on whether it has been designated and qualifies as part of a hedging relationship and, further, on the type of hedging relationship. For those derivative instruments that are designated and qualify as hedging instruments, we designate the derivative as a cash flow hedge, a fair value hedge or a hedge of a net investment in a foreign operation based upon the exposure being hedged.

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- A cash flow hedge refers to hedging the exposure to variability in expected future cash flows that is attributable to a particular risk. For derivative instruments that are designated and qualify as cash flow hedges, the gain or loss on the derivative instrument is reported as a component of other comprehensive income, and reclassified into earnings in the period during which the hedged transaction affects earnings.
- A fair value hedge refers to hedging the exposure to changes in the fair value of an existing asset or liability that is attributable to a particular risk. For derivative instruments that are designated and qualify as fair value hedges, the gain or loss on the derivative instrument is recognized in earnings during the current period, together with the gain or loss on the hedged item.
- A net investment hedge refers to the use of cross currency swaps, forward contracts or foreign-currency-denominated debt to hedge portions of net investments in foreign operations. For instruments that meet the hedge accounting requirements, the net gains or losses attributable to changes in spot exchange rates are recorded in the foreign currency translation adjustment within other comprehensive income, and are recorded in the income statement when the hedged item affects earnings.

Adoption of New Accounting Standards

In December 2023, the Financial Accounting Standards Board ("FASB") issued an Accounting Standards Update ("ASU") 2023-09, Income Taxes (Topic 740): Improvements to Income Tax Disclosure, to enhance tax-related disclosures. The ASU became effective for us in 2025 and, beginning with this annual reporting period, requires more standardized categories in the tax rate reconciliation and additional detail for significant tax items. It also requires a breakdown of income taxes paid by jurisdiction exceeding 5% of total taxes and removes certain disclosure requirements for unremitted foreign earnings and uncertain tax positions. We adopted this ASU prospectively. The adoption did not have a material impact on our consolidated financial position, results of operations, cash flows, or internal controls. See note 15 for additional information.

Other accounting pronouncements adopted during the periods covered by the consolidated financial statements did not have a material impact on our consolidated financial position, results of operations, cash flows or internal controls.

Accounting Standards Issued But Not Yet Effective

In November 2024, the FASB issued an ASU on expense disaggregation disclosures, which will require tabular disclosure in the notes to financial statements for specific expense categories. The standard becomes effective for us beginning with our 2027 annual report and for interim and annual periods thereafter. This ASU provides for additional expense disclosures. We are evaluating its impact on our financial statements, disclosures and internal controls but do not expect this ASU to have a significant impact on our consolidated financial position, results of operations, cash flows or internal controls.

In July 2025, the FASB issued an ASU on measurement of credit losses for accounts receivable and contract assets, which introduces a practical expedient for estimating expected credit losses on eligible current assets. The practical expedient permits entities to assume credit loss conditions existing at the balance sheet date will continue. Adoption of the practical expedient is optional and, if adopted, would become effective for us beginning in the first quarter of 2026. We are evaluating the impact of adoption, but do not expect this ASU to have a significant impact on our consolidated financial position, results of operations, cash flows or internal controls.

In September 2025, the FASB issued an ASU on targeted improvements to the accounting for internal-use software, which modernizes accounting guidance for costs incurred in developing internal-use software. This ASU removes references to development stages, and instead requires capitalization to begin based on a "probable-to-complete" threshold. This ASU becomes effective for us beginning with our 2028 annual report and for interim and annual periods thereafter, and early adoption is permitted. We are evaluating the impact of adoption, but do not expect this ASU to have a significant impact on our consolidated financial position, results of operations, cash flows or internal controls.

In December 2025, the FASB issued an ASU on accounting for government grants. The ASU defines the scope of government grants and permits recognition only when it is probable that the entity will comply with the grant's conditions and the grant will be received. It also provides guidance on presentation approaches for both asset-related and income-related grants and expands related disclosure requirements. This ASU becomes effective for us beginning in the first quarter of 2029 and for annual periods thereafter, and early adoption is permitted. We are evaluating the impact of adoption, but do not expect this ASU to have a significant impact on our consolidated financial position, results of operations, cash flows or internal controls.

Other accounting pronouncements issued, but not effective until after December 31, 2025, are not expected to have a material impact on our consolidated financial position, results of operations, cash flows or internal controls.

Accounts Receivable, Net

In 2025, we entered into accounts receivable factoring programs with third parties, in which we may sell certain customer receivables to third parties on a revolving periodic basis. Any such transactions are accounted for as sales and accordingly, receivables sold are removed from *Accounts receivable, net* in our consolidated balance sheets and the proceeds are reflected in *Cash Flows from Operating Activities* in our statements of consolidated cash flows. Our continuing involvement in these receivables is primarily limited to servicing and under limited circumstances, recourse.

Total accounts which may be outstanding under these programs are \$860 million. In 2025, we sold \$734 million of accounts receivable for net cash proceeds of \$730 million. In connection with these programs, we recognized a liability, measured at fair value, related to our estimated recourse obligations recorded within *Other current liabilities* in our consolidated balance sheet. We also recorded an immaterial loss associated with the transactions within *Other Income (Expense)* in our statements of consolidated income. As of December 31, 2025, \$491 million accounts receivable was outstanding under our factoring programs.

We continue to service the receivables and remit any collections to third-party purchasers. As of December 31, 2025, cash collections of \$59 million were not yet remitted to third-party purchasers. These obligations are included within *Other current*

liabilities in our consolidated balance sheet, with changes in such obligations reflected within *Cash Flows from Financing Activities* in our statement of consolidated cash flows.

Our allowance for expected credit losses increased by \$44 million during 2025 as a result of changes in the composition of invoice aging and certain customers' behaviors. Our allowance for credit losses as of December 31, 2025 and 2024 was \$180 and \$136 million, respectively. Amounts for credit losses charged to expense before recoveries during 2025, 2024 and 2023 were \$371, \$311, and \$205 million, respectively.

Contract Assets and Liabilities

Contract assets were \$275 and \$307 million as of December 31, 2025 and 2024, respectively, and were recorded within *Other current assets* in our consolidated balance sheets. Contract liabilities recorded within *Other Non-Current Liabilities* were \$49 and \$27 million as of December 31, 2025 and 2024, respectively. Short-term contract liabilities were immaterial as of December 31, 2025 and 2024.

Fair Value Measurements

Marketable securities valued utilizing Level 1 inputs include certificates of deposits and most U.S. government debt securities, as these securities all have quoted prices in active markets. Marketable securities valued utilizing Level 2 inputs include equity securities and corporate bonds. These securities are valued using market corroborated pricing, matrix pricing or other models that utilize observable inputs such as yield curves. There were no Level 3 investments during 2025 or 2024.

The following table presents information about our investments measured at fair value on a recurring basis as of December 31, 2025 and 2024, and indicates the fair value hierarchy of the valuation techniques utilized (in millions):

NOTE 4. PROPERTY, PLANT AND EQUIPMENT

Property, plant and equipment, including owned assets and assets subject to finance leases, consisted of the following as of December 31, 2025 and 2024 (in millions):

	2025	2024
Aircraft ⁽¹⁾	\$ 24,149	\$ 23,768
Plant equipment	19,817	18,495
Vehicles	11,787	11,912
Buildings	6,906	6,714

Less: Accumulated depreciation and amortization ⁽¹⁾	(37,431)	(36,117)
Property, Plant and Equipment, Net	\$ 37,731	\$ 37,179

⁽¹⁾ Includes MD-11 airframe and engines that were fully depreciated as of December 31, 2025.

Depreciation and amortization expense for property, plant and equipment during 2025, 2024 and 2023 was \$3.0, \$3.0 and \$2.8 billion, respectively.

Network Reconfiguration and Efficiency Reimagined

As part of our *Network Reconfiguration* and *Efficiency Reimagined* initiatives, we incurred \$58 million of accelerated depreciation and asset retirement obligations related to the 93 closed facilities and abandoned equipment. In connection with these initiatives, we recorded \$72 million in gains on sale of those properties during 2025, which were primarily within our U.S. Domestic Package segment and are included within *Other expenses* in our statement of consolidated income.

We have also determined that \$54 million of certain long-lived assets within our U.S. Domestic Package segment meet the criteria to be classified as held for sale and have presented the carrying value of these assets within *Other Non-Current Liabilities* in our consolidated balance sheets as of December 31, 2025.

We have identified 24 buildings for closure in the first half of 2026 and we continue to review expected changes in volume in our integrated air and ground network to identify additional buildings for closure, and it is reasonably possible that our plans will also result in further revisions to our estimates of the useful lives and salvage values of certain of our long-lived assets. Any further revisions to these plans could further accelerate depreciation expense and lead to the recognition of additional charges related to early retirements in future periods. For additional information, see note 18.

Impairments

During the fourth quarter of 2025, we recognized \$182 million charge related to the retirement of our MD-11 fleet, of which \$119 million was impairment of property, plant and equipment. These charges are primarily within our U.S. Domestic Package segment and are recorded within *Other expenses* in our statement of consolidated income. There were no material impairment charges to property, plant and equipment during 2024 or 2023. We will continue to monitor our long-lived asset groups for impairment.

Sale-Leaseback Transactions

In 2025, we entered into sale-leaseback transactions, involving a data center and real estate properties that qualified as sales. Accordingly, we derecognized the carrying amounts of the properties and recognized the related operating lease right-of-use assets and lease liabilities at lease commencement. Cash proceeds of approximately \$465 million were received and gains on sale of \$362 million were recognized within *Other (gains) losses* in our statement of consolidated cash flows and within *Other expenses* in our statement of consolidated income.

NOTE 5. COMPANY-SPONSORED EMPLOYEE BENEFIT PLANS

We sponsor various retirement, postretirement and pension plans, including defined benefit and defined contribution plans, which cover our employees worldwide.

U.S. Pension Benefits

In the U.S. we maintain the following single-employer defined benefit pension plans:

- The UPS Retirement Plan is noncontributory and includes substantially all eligible employees of participating domestic subsidiaries hired prior to July 1, 2016 who are not members of a collective bargaining unit, as well as certain employees covered by a collective bargaining agreement. This plan generally provides for retirement benefits based on average compensation earned by employees prior to retirement. Benefits payable under this plan are subject to maximum compensation limits and the annual benefit limits for a tax-qualified defined benefit plan as prescribed by the Internal Revenue Service ("IRS"). The plan ceased accruals of additional benefits for future service and compensation for non-union participants effective January 1, 2023.
- The UPS Pension Plan is noncontributory and includes certain eligible employees of participating domestic subsidiaries and members of collective bargaining units that elect to participate in the plan. This plan generally provides for retirement benefits based on service credits earned by employees prior to retirement.
- The UPS/IBT Full-Time Employee Pension Plan is noncontributory and includes employees that were previously members of the Central States Pension Fund ("CSPF"), a multiemployer pension plan, in addition to other eligible employees who are covered under certain collective bargaining agreements. This plan generally provides for retirement benefits based on service credits earned by employees prior to retirement.
- The UPS Excess Coordinating Benefit Plan is a non-qualified plan that provides benefits to certain participants in the UPS Retirement Plan, hired prior to July 1, 2016, for amounts that exceed the benefit limits described above. The plan ceased accruals of additional benefits for future service and compensation for non-union participants effective January 1, 2023.

In connection with our *Network Reconfiguration* and *Efficiency Reimagined* initiatives, we continue to review expected changes in volume in our integrated air and ground network to identify additional buildings for closure, which we expect would result in further reductions in our operational workforce. In the third quarter of 2025, we offered a voluntary separation program to full-time drivers in the United States and expect to continue to incur costs associated with contractual termination benefits. See note 18 for additional information.

Refer to note 6 for the status of our collective bargaining agreements.

International Pension Benefits

We also sponsor various defined benefit plans covering certain of our international employees. The majority of our international obligations are for defined benefit plans in Canada and the United Kingdom. In addition, many of our international employees are covered by government-sponsored retirement and pension plans. We are not directly responsible for providing benefits to participants of government-sponsored plans.

U.S. Postretirement Medical Benefits

We also sponsor postretirement medical plans in the U.S. that provide healthcare benefits to certain non-union retirees, as well as select union retirees who meet certain eligibility requirements and who are not otherwise covered by multiemployer plans. Generally, this includes employees with at least 10 years of service who have reached age 55 and employees who are eligible for postretirement medical benefits from a company-sponsored plan pursuant to collective bargaining agreements. We have the right to modify or terminate certain of these plans. These benefits have been provided to certain retirees on a noncontributory basis; however, in many cases, retirees are required to contribute all or a portion of the total cost of the coverage.

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Defined Contribution Plans

We sponsor a defined contribution plan for employees not covered under collective bargaining agreements, and several defined contribution plans for certain employees covered under collective bargaining agreements. We match, in cash, a portion of the participating employees' contributions. Matching contributions charged to expense were \$137, \$161 and \$161 million for 2025, 2024 and 2023, respectively.

Beginning in 2023, non-union employees, including those previously accruing benefits in the UPS Retirement Plan, receive an annual retirement contribution of 5% to 8% (3% to 8% prior to 2023 for employees hired after July 1, 2016) of eligible compensation to the UPS 401(k) Savings Plan based on years of vesting service. Effective January 1, 2025, the UPS retirement contribution for certain non-union employees with an employment commencement date on or after January 1, 2025 is 3% of eligible compensation, regardless of years of service. Retirement contributions charged to expense were \$342, \$359 and \$380 million for 2025, 2024 and 2023, respectively. In addition, the UPS 401(k) Savings Plan provides for transition contributions to certain participants hired prior to 2008. The amounts charged to expense for transition contributions were \$99, \$108 and \$128 million for 2025, 2024 and 2023, respectively.

Contributions under this plan are subject to maximum compensation and contribution limits for a tax-qualified defined contribution plan as prescribed by the IRS. The UPS Restoration Savings Plan is a non-qualified plan that provides benefits to certain participants in the UPS 401(k) Savings Plan for amounts that exceed these benefit limits.

Contributions are also made to defined contribution money purchase plans under certain collective bargaining agreements. Amounts charged to expense were \$143, \$135 and \$132 million for 2025, 2024 and 2023, respectively.

We also sponsor certain international defined contribution plans, which are not individually material.

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

A discount rate is used to determine the present value of our future benefit obligations. To determine the discount rate for our U.S. pension and postretirement benefit plans, we use a bond matching approach to select specific bonds that would satisfy our projected benefit payments. We believe the bond matching approach reflects the process we would employ to settle our pension and postretirement benefit obligations. For our international plans, the discount rate is determined by matching the expected cash flows of the plan, where available, or of a sample plan of similar duration, to a yield curve based on long-term, high quality fixed income debt instruments available as of the measurement date. These assumptions are updated each measurement date, which is typically annually.

The table below provides the weighted-average actuarial assumptions used to determine the benefit obligations of our plans:

	U.S. Pension Benefits		U.S. Postretirement Medical Benefits		International Pension Benefits	
	2025	2024	2025	2024	2025	2024
Discount rate	5.84 %	5.88 %	5.69 %	6.18 %	4.64 %	4.45 %
Rate of compensation increase	3.25 %	3.25 %	N/A	N/A	2.76 %	3.04 %
Cash balance interest credit rate	4.84 %	4.30 %	N/A	N/A	3.13 %	3.09 %

As of December 31, 2025, the impact of each basis point change in the discount rate on the projected benefit obligation of our pension and postretirement medical benefit plans was as follows (in millions):

	Increase (Decrease) in the Projected Benefit Obligation			
	Pension Benefits		Postretirement Medical Benefits	
One basis point increase in discount rate	\$	(58)	\$	(1)
One basis point decrease in discount rate	\$	61	\$	1

The Society of Actuaries ("SOA") published mortality tables and improvement scales are used in developing the estimate of mortality for our U.S. plans. In October 2025, the SOA elected to not release a new mortality improvement scale. Based on our perspective of future longevity, we elected to maintain the MP 2021 mortality scale assumption for purposes of measuring pension and other postretirement benefit obligations.

Assumptions for the expected return on plan assets are used to determine a component of net periodic benefit cost for the year. The assumption for our U.S. plans is developed using a long-term projection of returns for each asset class. Our asset allocation targets are reviewed annually and, if necessary, updated taking into consideration plan changes, funded status and actual performance. The expected return for each asset class is a function of passive, long-term capital market assumptions and excess returns generated from active management. The capital market assumptions used are provided by independent investment advisors, while excess return assumptions are supported by historical performance, fund mandates and investment expectations. As a result of our long-term U.S. capital market assumptions and investment objectives for pension assets, the weighted-average long-term expected rate of return on assets increased from 7.17% during 2024 to 7.65% in 2025.

For plans outside the U.S., consideration is given to local market expectations of long-term returns. Strategic asset allocations are determined by plan, based on the nature of liabilities and considering the demographic composition of the plan participants.

Actuarial Assumptions - Central States Pension Fund

UPS was a contributing employer to the CSPF until 2007, at which time UPS withdrew from the CSPF. Under a collective bargaining agreement with the International Brotherhood of Teamsters ("IBT"), UPS agreed to provide coordinating benefits in the UPS/IBT Full-Time Employee Pension Plan ("UPS/IBT Plan") for UPS participants whose last employer was UPS and who had not retired as of January 1, 2008 ("the UPS Transfer Group") in the event that benefits are reduced by the CSPF consistent with the terms of our withdrawal agreement with the CSPF. Under this agreement, benefits to the UPS Transfer Group cannot be reduced without our consent and can only be reduced in accordance with law.

In the event CSPF were to become insolvent, CSPF benefits would be reduced to the legally permitted Pension Benefit Guaranty Corporation ("PBGC") limits, triggering the coordinating benefits provision in the collective bargaining agreement.

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

We account for the potential obligation to pay coordinating benefits under ASC Topic 715, which requires us to provide a best estimate of various actuarial assumptions in measuring our pension benefit obligation at the December 31 measurement date. As of December 31, 2025, our best estimate of coordinating benefits that may be required to be paid by the UPS/IBT Plan was immaterial.

The value of our estimate for future coordinating benefits will continue to be influenced by a number of factors, including interpretations of the law, future legislative actions, actuarial assumptions and the ability of the CSPF to sustain its long-term commitments. Actual events may result in a change in our best estimate of the projected benefit obligation. We will continue to assess the impact of these uncertainties in accordance with ASC Topic 715.

Other Actuarial Assumptions

Healthcare cost trends are used to project future postretirement medical benefits payable from our plans. For purposes of measuring our U.S. plan obligations as of December 31, 2025, a 8.00% annual rate of increase in postretirement medical benefit costs was assumed; the rate was assumed to decrease gradually to 4.50% by 2040 and to remain at that level thereafter.

2025 - \$0.7 billion pre-tax actuarial loss related to benefit obligations:

- *Discount Rates* (\$0.3 billion pre-tax loss): The weighted-average discount rate for our pension and postretirement medical plans decreased from 5.85% as of December 31, 2024 to 5.79% as of December 31, 2025, primarily due to a decrease in treasury yields on AA-rated corporate bonds.
- *Demographic and Assumption Changes* (\$0.4 billion pre-tax loss): This represents the difference between actual and estimated participant data and demographic factors, including healthcare cost trends, compensation changes, rates of termination, retirement, mortality, adjustments for separation programs and other changes.

2024 - \$2.5 billion pre-tax actuarial gain related to benefit obligations:

- *Discount Rates* (\$2.8 billion pre-tax gain): The weighted-average discount rate for our pension and postretirement medical plans increased from 5.40% as of December 31, 2023 to 5.85% as of December 31, 2024, primarily due to an increase in treasury yields on AA-rated corporate bonds.
- *Demographic and Assumption Changes* (\$0.3 billion pre-tax loss): This represents the difference between actual and estimated participant data and demographic factors, including healthcare cost trends, compensation changes, rates of termination, retirement, mortality and other changes.

Pension and Postretirement Plan Assets

Pension assets are invested in accordance with applicable laws and regulations, as well as investment guidelines established by plan trustees. The strategic asset mixes are specifically tailored for each plan given distinct factors, including liability and liquidity needs. Equities, alternative investments, and other higher-yielding assets are utilized to generate returns and promote growth. Derivatives, repurchase/reverse repurchase agreements and fixed income securities are utilized as tools for duration management, mitigating interest rate risk, and minimizing funded status volatility.

The primary long-term investment objectives for pension assets are to provide for a reasonable amount of long-term capital growth to meet future obligations while minimizing risk exposures and reducing funded status volatility. To meet these objectives, investment managers are engaged to actively manage assets within the guidelines and strategies set forth by our investment committee. Active managers are monitored regularly and their performance is compared to applicable benchmarks.

Fair Value Measurements

Plan assets valued utilizing Level 1 inputs include equity investments, corporate debt instruments, U.S. government securities, derivatives and other instruments. Fair values were determined by closing prices for those securities traded on national stock exchanges, while securities traded in the over-the-counter market and listed securities for which no sale was reported on the valuation date are valued at the mean between the last reported bid and ask prices.

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Level 2 assets include fixed income securities that are valued based on yields currently available on comparable securities of other issues with similar credit ratings; mortgage-backed securities that are valued based on cash flow and yield models using acceptable modeling and pricing conventions; hedge funds, equity securities and certain investments that are pooled with other investments in a commingled fund; and derivatives and other instruments primarily valued using pricing models that rely on market observable inputs such as yield curves, foreign currency exchange rates and investment forward price. We value our investments in commingled funds by taking the percentage ownership of the underlying assets, each of which has a readily determinable fair value.

Fair value estimates for certain investments are based on unobservable inputs that are not corroborated by observable market data and are thus classified as Level 3.

Investments that do not have a readily determinable fair value, and which provide a NAV or its equivalent developed consistent with ASC measurement principles, are valued using NAV as a practical expedient. These investments are not classified in Levels 1, 2, or 3 of the fair value hierarchy but instead included within the subtotals by asset category. Such investments include hedge funds, real estate investments, private debt and private equity funds. Investments in hedge funds are valued using the reported NAV as of December 31. Real estate investments, private debt and private equity funds are valued at NAV per the most recent partnership audited financial reports, and adjusted, as appropriate, for investment activity between the date of the financial reports and December 31. Due to the inherent limitations in obtaining a readily determinable fair value measurement for alternative investments, the fair values reported may differ from the values that would have been used had readily available market information for the alternative investments existed. These investments are described further below:

- Hedge Funds: Plan assets are invested in hedge funds that pursue multiple strategies to diversify risk and reduce volatility. Most of these hedge funds allow redemptions either quarterly or semi-annually after a two- to three-month notice period, while others allow for redemption after only a brief notification period with no restriction on redemption frequency. No unfunded commitments existed with respect to hedge funds as of December 31, 2025.
- Real Estate, Private Debt and Private Equity Funds: Plan assets are invested in limited partnership interests in various private equity, private debt and real estate funds. Limited provisions exist for the redemption of these interests by the limited partners that invest in these funds until the end of the term of the partnerships, typically ranging between 10 and 15 years from the date of inception. An active secondary market exists for similar partnership interests, although no particular value (discount or premium) can be guaranteed. As of December 31, 2025, unfunded commitments to such limited partnerships totaling approximately \$2.5 billion are expected to be contributed over the remaining investment period.

The fair values of U.S. and international pension and postretirement benefit plan assets by asset category as of December 31, 2025 and 2024 are presented below (in millions), as well as the percentage that each category comprises of our total plan assets and the respective target allocations. The asset categories within equity securities, fixed income securities, and alternative and other investments in the table below have been collapsed from prior year presentation to align with the nature, characteristics, and type of underlying risk of those assets. There were no transfers between asset categories.

2031-2035	16,847	693	524

Our funding policy guideline for U.S. plans is to contribute amounts annually that are at least equal to the amounts required by applicable laws and regulations. International plans will be funded in accordance with local regulations. Additional discretionary contributions may be made when deemed appropriate to meet the long-term obligations of the plans. Expected benefit payments for pensions will be paid primarily from plan trusts. Expected benefit payments for postretirement medical benefits will be paid from plan trusts and corporate assets.

NOTE 6. MULTIEMPLOYER EMPLOYEE BENEFIT PLANS

We contribute to a number of multiemployer pension plans under the terms of collective bargaining agreements that cover our union-represented employees. These plans generally provide for retirement, death and/or termination benefits for eligible employees within the applicable collective bargaining units, based on specific eligibility and participation requirements, vesting periods and benefit formulas. The risks of participating in multiemployer plans are different from single-employer plans in the following respects:

- Assets contributed to a multiemployer plan by one employer may be used to provide benefits to employees of other participating employers.
- If we negotiate to cease participating in a multiemployer pension plan, we may be required to pay that plan an amount based on our allocable share of its underfunded status, referred to as a "withdrawal liability". However, cessation of participation in a multiemployer plan and subsequent payment of any withdrawal liability is subject to the collective bargaining process.
- If any of the multiemployer pension plans in which we participate enter critical status, and our contributions are not sufficient to satisfy any rehabilitation plan funding schedule, we could be required under the Pension Protection Act of 2006 to make additional surcharge contributions to the multiemployer pension plan in the amount of five to ten percent of the existing contributions required by our labor agreement. Such surcharges would cease upon the ratification of a new collective bargaining agreement and could not reoccur unless a plan re-entered critical status at a later date.

The discussion that follows sets forth the impact on our results of operations and cash flows for 2025, 2024 and 2023 from our participation in multiemployer pension plans. As part of the overall collective bargaining process for wage and benefit levels, we have agreed to contribute certain amounts to these plans during the contract period. The plans set benefit levels and are responsible for benefit delivery to participants. Future contributions to the plans are determined only through collective bargaining, and we have no additional legal or constructive obligation to increase contributions beyond the agreed-upon amounts (except potential surcharges under the Pension Protection Act of 2006 described above).

The number of employees covered by multiemployer pension plans in 2025 was lower compared to 2024 and 2023. In each year, contribution rates increased in accordance with the terms of our collective bargaining agreements. There have been no other significant changes that affect the comparability of 2025, 2024 and 2023 contributions. We recognize expense for the contractually-required contributions for each period, and we recognize a liability for any contributions due and unpaid at the end of a reporting period.

Status of Collective Bargaining Agreements

We have approximately 295,000 employees in the U.S. employed under a national master agreement and various supplemental agreements with local unions affiliated with the Teamsters which runs through July 31, 2028.

We have approximately 10,000 employees in Canada employed under a collective bargaining agreement with the Teamsters ("Teamsters Canada"). On August 29, 2025, UPS employees represented by Teamsters Canada ratified a new collective bargaining agreement. Terms of the agreement became effective August 1, 2025 and run through July 31, 2030. The economic provisions in the agreement included wage, healthcare and pension enhancements.

We have approximately 3,400 pilots who are employed under a collective bargaining agreement with the Independent Pilots Association ("IPA"). This collective bargaining agreement became amendable on September 1, 2025. We are currently in negotiations with the IPA.

We have approximately 2,000 airline mechanics who are covered by a collective bargaining agreement with Teamsters Local 2727 which becomes amendable November 1, 2026. In addition, approximately 3,000 of our auto and maintenance mechanics who are not employed under agreements with the Teamsters are employed under a collective bargaining agreement with the International Association of Machinists and Aerospace Workers ("IAM"). This collective bargaining agreement will expire on July 31, 2029.

Multiemployer Pension Plans

The following table outlines our participation in multiemployer pension plans as of December 31, 2025, 2024 and 2023, and sets forth our calendar year contributions and accruals for each plan.

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The *EIN/Pension Plan Number* column provides the Employer Identification Number ("EIN") and the three-digit plan number. The most recent Pension Protection Act zone status available in 2025 and 2024 relates to each plan's two most recent fiscal year ends. The zone status is based on information that we received from the plans' administrators and is certified by each plan's actuary. Plans certified in the red zone are generally less than 65% funded; plans certified in the orange zone are both less than 80% funded and have an accumulated funding deficiency, or are expected to have a deficiency in any of the next six plan years; plans certified in the yellow zone are less than 80% funded; and plans certified in the green zone are at least 80% funded.

The *FIP / RP Status Pending / Implemented* column indicates whether a financial improvement plan ("FIP") for yellow/orange zone plans, or a rehabilitation plan ("RP") for red zone plans, is either pending or has been implemented. As of December 31, 2025, all plans that have either a FIP or RP requirement have had the respective plan implemented. Our collectively-bargained contributions satisfy the requirements of all implemented FIPs and RPs and do not currently require the payment of any surcharges. In addition, minimum contributions outside of the agreed-upon contractual rates are not required.

For the plans detailed in the following table, the expiration date of the associated collective bargaining agreements is July 31, 2028, with the exception of the IAM National Pension Fund / National Pension Plan, which has a July 31, 2029 associated expiration date. For all plans detailed in the following table, we provided more than 5% of the total plan contributions from all employers for 2025, 2024 and 2023, as disclosed in the annual filing with the Department of Labor for each respective plan.

Agreement with the New England Teamsters and Trucking Industry Pension Fund

In 2012, we reached an agreement with the New England Teamsters and Trucking Industry Pension Fund ("NETTI Fund"), a multiemployer pension plan in which UPS is a participant, to restructure the pension liabilities for approximately 10,200 UPS employees represented by the Teamsters. As of December 31, 2025 and 2024 we had \$795 and \$804 million, respectively, recognized in *Other Non-Current Liabilities* and \$9 million as of December 31, 2025 and 2024 recorded in *Other current liabilities* in our consolidated balance sheets, representing the remaining balance of the NETTI Fund withdrawal liability. This liability is payable in equal monthly installments over a remaining term of approximately 37 years. Based on the borrowing rates currently available to us for long-term financing of a similar maturity, the fair value of the NETTI Fund withdrawal liability as of December 31, 2025 and 2024 was \$662 and \$651 million, respectively. We utilized Level 2 inputs in the fair value hierarchy to determine the fair value of this liability.

Multiemployer Health and Welfare Plans

We also contribute to a number of multiemployer health and welfare plans covering both active and retired employees. Healthcare benefits are provided to participants who meet certain eligibility requirements as covered under the applicable collective bargaining unit. The following table sets forth our calendar year plan contributions and accruals. Certain plans have been aggregated in the *All Other Multiemployer Health and Welfare Plans* line, as the contributions to each of these plans are not individually material.

2025 Goodwill Activity

Goodwill acquired during 2025 was associated with our acquisitions of Frigo-Trans and Biotech & Pharma Logistics ("Frigo-Trans") and Andlauer Healthcare Group, Inc ("AHG"), which are both reported within SCS. In 2025, the increase in goodwill balance is primarily due to the acquisitions of the above mentioned businesses as discussed in note 8. The remaining changes were due to the impact of changes in the value of the U.S. Dollar on the translation of non-U.S. Dollar goodwill balances.

2024 Goodwill Activity

Goodwill acquired during 2024 was associated with our acquisition of certain locations of The UPS Store. It also reflects the 2024 completion of purchase accounting allocations from our 2023 acquisitions of MNX Global Logistics and Happy Returns, which are both reported within SCS. In 2024, the decrease in goodwill balance is primarily due to the divestiture of our truckload brokerage business ("Coyote") within SCS as discussed in note 8. The remaining changes were due to the impact of changes in the value of the U.S. Dollar on the translation of non-U.S. Dollar goodwill balances.

Goodwill Impairment

We conducted our most recent annual goodwill impairment testing as of July 1, 2025 using both qualitative and quantitative methods. As of our July 1, 2025 testing date, approximately \$877 million and \$738 million of our \$4.8 billion consolidated goodwill balance is represented by our Global Freight Forwarding ("GFF") and Healthcare Logistics and Distribution ("HLD") reporting units, respectively. Based on our annual impairment evaluation, both reporting units exhibited a limited excess of fair value above carrying value and reflect a greater risk of an impairment occurring in future periods. This limited excess was primarily driven by current market conditions, volatility in global markets, early stages of our current healthcare growth strategy and ongoing integration of recent acquisitions. Both GFF and HLD reporting units are included in SCS.

For each of our reporting units, we continue to monitor the impact of macroeconomic conditions and business performance on our estimates of fair value. Subsequent to our annual testing date, the GFF reporting unit continued to face volatile market conditions and management updated its long-term projections for the mix and timing of revenue growth. We concluded that the change in projections triggered the need for an interim quantitative test for goodwill impairment in the fourth quarter of 2025. The interim impairment test methodology was consistent with our approach for annual impairment testing, using our current view of key inputs and assumptions. The interim impairment test indicated that the GFF reporting unit continues to have a limited excess of fair value over carrying value consistent with the last annual test, and no impairment was recorded.

No other reporting units had indications that an impairment was more likely than not. Actual reporting unit performance, revisions to our forecasts of future performance, market factors, changes in global trade policy, changes in estimates or assumptions in future impairment testing, or a combination thereof could result in a non-cash impairment charge in one or more of our reporting units during a future period.

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

In the course of our ongoing monitoring of reporting units, we also noted developments within our Mail Innovations reporting unit. Beginning in the first quarter of 2025, Mail Innovations experienced cost increases in excess of our expectations due to increases in purchased transportation rates, resulting from the expiration of a contract with our primary vendor. In December 2025, we entered into an agreement with the United States Postal Service ("USPS") to support final-mile delivery for Mail Innovations volumes starting in 2026. This agreement is expected to reduce exposure to purchased transportation cost volatility and enhance the predictability of future operating results, mitigating the cost-related risk identified earlier in the year. As of our July 1, 2025 testing date, approximately \$295 million in goodwill is represented by our Mail Innovations reporting unit included in SCS.

Intangible Assets

The following is a summary of intangible assets as of December 31, 2025 and 2024 (in millions):

As of December 31, 2025 and 2024, we do not have material indefinite-lived intangible assets and we did not record any impairments related to indefinite-lived intangibles during those periods.

All of our other recorded intangible assets are deemed to be finite-lived and are amortized over their estimated useful lives. Impairment tests for these assets are performed when a triggering event occurs that may indicate that the carrying value of the intangible asset may not be recoverable. Additionally, a decision to sell or abandon an intangible asset before the end of its useful life may result in an impairment charge. Impairments of finite-lived intangible assets were \$39, \$71 and \$8 million in 2025, 2024, and 2023, respectively, and were recorded within *Other expenses* in our statements of consolidated income. In 2025, these charges primarily consisted of software impairment charges related to a business within SCS. In 2024, these charges represented trade name and capitalized software license impairments.

Amortization of intangible assets was \$700, \$648 and \$597 million in each of 2025, 2024 and 2023, respectively. Expected amortization of finite-lived intangible assets recorded as of December 31, 2025 for the next five years is as follows (in millions): 2026—\$783; 2027—\$688; 2028—\$577; 2029—\$461; 2030—\$355.

NOTE 8. ACQUISITIONS & DISPOSITIONS

In the first quarter of 2025, we acquired Frigo-Trans, an industry-leading, complex healthcare logistics provider based in Germany. In the fourth quarter of 2025, we acquired AHG, a leading North American supply chain management company offering customized third-party logistics and specialized cold chain transportation solutions for the healthcare sector. Both acquisitions are expected to increase our complex cold-chain logistics capabilities internationally. During 2025, we also reacquired development area rights for The UPS Store.

The aggregate purchase price for all acquisitions in 2025 was approximately \$2.0 billion, net of cash acquired, which is recorded within SCS. Acquisitions were funded using cash from operations. The impact of these acquisitions to our consolidated revenue and net income in 2025 was not material.

The estimated fair values of assets acquired and liabilities assumed, for AHG, are subject to change based on completion of our purchase accounting. Certain areas, including the fair value of intangibles, property, plant and equipment, equity method investments included within *Other Non-Current Assets*, and our estimates of tax positions, are preliminary as of December 31, 2025.

The following table summarizes the estimated fair values of the assets acquired and liabilities assumed as of the acquisition date (in millions):

Total purchase price	<u>\$ 2,021</u>

⁽¹⁾Includes \$40 million for acquisitions of reacquired development area rights for The UPS Store.

Goodwill recognized during 2025 is attributable to expected synergies from future growth. We assigned approximately \$1.3 billion of goodwill to SCS and approximately \$80 million to our International Package segment, the Americas reporting unit. This goodwill acquired is not expected to be deductible for income tax purposes.

Intangible assets acquired during 2025 of approximately \$763 million are primarily comprised of \$690 million of customer relationships (amortized over a weighted average of 15 years). Other intangible assets acquired include franchise rights, licenses, capitalized software and trade names. The carrying value of accounts receivable approximates fair value.

Acquisition-related costs in 2025 were approximately \$21 million. These were expensed and included in *Other expenses* in our statement of consolidated income.

In the second quarter of 2025, we completed the divestiture of a business within SCS. In connection with this divestiture, we recorded a pre-tax net loss of approximately \$19 million (\$15 million after tax). The loss is recognized within *Other expenses* in our statement of consolidated income.

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

During 2024, the aggregate purchase price for acquisitions was \$71 million, net of cash acquired, which primarily related to the acquisition of franchise development areas for The UPS Store, which are recorded as intangible assets within SCS.

In 2024, we completed the divestiture of Coyote, for cash proceeds, net of cash divested and direct transaction expenses, of \$1.0 billion. These proceeds are recognized within *Proceeds from disposal of businesses, property, plant and equipment* in our statement of consolidated cash flows. In connection with the completion of this divestiture, we recorded a pre-tax gain of \$156 million (\$152 million after tax) in 2024. The gain was recognized within *Other expenses* in our statement of consolidated income. We reported Coyote within our Forwarding businesses in SCS.

Net assets divested of \$860 million were mostly comprised of cash of \$20 million, accounts receivable of \$405 million, other current assets of \$34 million, operating lease right-of-use assets of \$69 million, goodwill of \$495 million, intangible assets of \$195 million and other non-current assets of \$18 million. These assets were offset by accounts payable of \$216 million, other current liabilities of \$54 million, non-current operating leases of \$68 million, and other non-current liabilities of \$38 million.

Commercial Paper

We are authorized to borrow up to \$10.0 billion under a U.S. commercial paper program and €5.0 billion (in a variety of currencies) under a European commercial paper program. There was no commercial paper outstanding as of December 31, 2025 or 2024. The amount of commercial paper outstanding under these programs in 2026 is expected to fluctuate.

Debt Classification

We have classified certain floating-rate senior notes that are redeemable at the option of the note holder as long-term debt in our consolidated balance sheets, due to our intent and ability to refinance the debt if the put option is exercised.

Debt Repayments

On April 1, 2025, our 3.900% Senior notes with a principal balance of \$1.0 billion matured and were repaid in full. On November 15, 2025, our 1.625% Euro senior notes with a principal balance of €700 million (\$811 million) matured and were repaid in full.

Debt Issuances

In 2025, we issued four series of notes in the principal amounts of \$500 million, \$1.3 billion, \$1.3 billion and \$1.0 billion. These notes bear interest at 4.650%, 5.250%, 5.950% and 6.050%, respectively. Also in 2025, we issued floating rate senior notes with a principal balance of \$171 million that matures on June 1, 2075.

Fixed-Rate Senior Notes

Our fixed-rate notes pay interest semi-annually and allow for redemption by us at any time by paying the greater of the principal amount or a "make-whole" amount, plus accrued interest.

Floating-Rate Senior Notes

Our outstanding floating-rate senior notes with principal amounts totaling \$1.9 billion bear interest at either thirty-day, ninety-day or compounded Secured Overnight Financing Rate ("SOFR"), less a spread ranging from 4 to 35 basis points. These notes have maturities ranging from 2049 through 2075. Interest is payable monthly for notes maturing through 2053 and quarterly for notes maturing from 2064 through 2075.

The average interest rate on the outstanding floating-rate senior notes for 2025 and 2024 was 4.13% and 4.77%, respectively. These notes are callable at various times after 30 years at a stated percentage of par value, and redeemable at the option of the note holders at various times after one year at a stated percentage of par value. We have classified these floating-rate senior notes as long-term liabilities in our consolidated balance sheets, due to our intent and ability to refinance the debt if the put option is exercised.

7.620% Debentures

The \$276 million debentures have a maturity of April 1, 2030. These debentures are redeemable in whole or in part at any time at our option. The redemption price is equal to the greater of the principal amount plus accrued interest, or the present value of remaining scheduled payments of principal and interest thereon discounted to the date of redemption at a benchmark treasury yield plus five basis points, plus accrued interest. Interest is payable semi-annually in April and October, and the debentures are not subject to sinking fund requirements.

Pound Sterling Notes

The Pound Sterling notes consist of two separate tranches, as follows:

- Notes with a principal amount of £66 million accrue interest at a fixed rate of 5.50% and are due in February 2031. Interest is payable semi-annually and these notes are not callable.
- Notes with a principal amount of £455 million accrue interest at a fixed rate of 5.125% and are due in February 2050. Interest is payable semi-annually. These notes are callable at our option at a redemption price equal to the greater of the principal amount plus accrued interest, or the present value of the remaining scheduled payments of principal and interest thereon discounted to the date of redemption at a benchmark U.K. government bond yield plus 15 basis points, plus accrued interest.

Finance Lease Obligations

We have certain property, plant and equipment subject to finance leases. For additional information on finance lease obligations, see note 11.

Facility Notes and Bonds

We have entered into agreements with certain municipalities or related entities to finance the construction of, or improvements to, facilities that support our operations in the United States. These facilities are located around airport properties in Louisville, Kentucky; Dallas, Texas; and Philadelphia, Pennsylvania. Under these arrangements, we enter into a lease or loan agreement that covers the debt service obligations on the bonds issued by these entities, as follows:

- Bonds with a principal balance of \$149 million issued by the Louisville Regional Airport Authority associated with our Worldport facility in Louisville, Kentucky. The bonds are due in January 2029 and bear interest at a variable rate that is payable monthly. The average interest rates for 2025 and 2024 were 2.70% and 3.28%, respectively.
- Bonds with a principal balance of \$42 million issued by the Louisville Regional Airport Authority associated with our airfreight facility in Louisville, Kentucky. Other Arrangements

During 2025, we entered into new aircraft leases. The structure of this arrangement required a parent company guarantee of approximately \$1.8 billion. For additional information, see note 11.

During 2025, we entered into a real estate transaction for the development of a facility and recognized a financing obligation included in *Other Non-Current Liabilities* in our consolidated balance sheets of \$132 million. The financing obligation will increase as construction progresses.

Sources of Credit

Letters of Credit

As of December 31, 2025, we had outstanding letters of credit totaling approximately \$1.8 billion issued in connection with our self-insurance reserves and other routine business requirements. We also issue surety bonds as an alternative to letters of credit in certain instances and, as of December 31, 2025, we had \$1.8 billion of surety bonds written.

Revolving Credit Facilities

We maintain two credit agreements with a consortium of banks. The first of these agreements provides revolving credit facilities of \$1.0 billion and expires on November 23, 2026. Amounts outstanding under this agreement bear interest at a periodic fixed rate equal to the term SOFR rate, plus 0.10% per annum and an applicable margin based on our then-current credit rating. The applicable margin from the credit pricing grid as of December 31, 2025 was 0.70%. Alternatively, a fluctuating rate of interest equal to the highest of (1) the rate of interest last quoted by The Wall Street Journal as the prime rate in the United States; (2) the Federal Funds effective rate plus 0.50%; or (3) the Adjusted Term SOFR Rate for a one month interest period plus 1.00%, may be used at our discretion.

The second agreement provides revolving credit facilities of \$2.0 billion and expires on November 25, 2029. Amounts outstanding under this facility bear interest at a periodic fixed rate equal to the term SOFR rate plus 0.10% per annum and an applicable margin based on our then-current credit rating. The applicable margin from the credit pricing grid as of December 31, 2025 was 0.70%. Alternatively, a fluctuating rate of interest equal to the highest of (1) the rate of interest last quoted by The Wall Street Journal as the prime rate in the United States; (2) the Federal Funds effective rate plus 0.50%; and (3) the Adjusted Term SOFR Rate for a one-month interest period plus 1.00%, plus an applicable margin, may be used at our discretion.

If the credit ratings established by Standard & Poor's and Moody's differ, the higher rating will be used, except in cases where the lower rating is two or more levels lower. In these circumstances, the rating one step below the higher rating will be used. We are also able to request advances under these facilities based on competitive bids for the applicable interest rate. There were no amounts outstanding under our revolving credit facilities as of December 31, 2025.

Debt Covenants

Our existing debt instruments and credit facilities subject us to certain financial covenants. These covenants limit the amount of secured indebtedness that we may incur, and limit the amount of attributable debt in sale-leaseback transactions. As of December 31, 2025, and for all prior periods presented, we have satisfied these financial covenants.

Fair Value of Debt

Based on the borrowing rates currently available to us for long-term debt with similar terms and maturities, the fair value of long-term debt, including current maturities and excluding leases, was approximately \$22.8 and \$19.8 billion as of December 31, 2025 and 2024. As of December 31, 2024, the fair value of long-term and short-term debt, inclusive of finance leases, was \$20.3 billion. We utilized Level 2 inputs in the fair value hierarchy of valuation techniques to determine the fair value of all of our debt instruments.

NOTE 10. LEGAL PROCEEDINGS AND CONTINGENCIES

We are involved in a number of judicial proceedings and other matters arising from the conduct of our business.

Although there can be no assurances as to the ultimate outcome, we have generally denied, or believe we have meritorious defenses and will deny, liability in pending matters, including (except as may be otherwise noted herein) the matters described below, and we intend to vigorously defend each matter. We accrue amounts associated with judicial proceedings and other contingencies when and to the extent a loss becomes probable and can be reasonably estimated. The actual costs of resolving legal proceedings may be substantially higher or lower than the amounts accrued on those claims.

For matters as to which we are not able to estimate a possible loss or range of losses, we are not able to determine whether any such loss will have a material impact on our operations or financial condition. For these matters, we have described the reasons that we are unable to estimate a possible loss or range of losses.

Judicial Proceedings

We are a defendant in a number of lawsuits filed in state and federal courts containing various class action allegations under state wage-and-hour laws. We do not believe that any loss associated with any such matter will have a material impact on our financial condition, results of operations or liquidity.

In July 2023, *Baker v. United Parcel Service, Inc. (DE)* and *United Parcel Service, Inc. (OH)* was certified as a class action in federal court in the Eastern District of Washington. The plaintiff in this matter alleges that UPS violated the Uniformed Services Employment and Reemployment Rights Act. We are vigorously defending ourselves in this matter and believe that we have a number of meritorious defenses, and there are unresolved questions of law and fact that could be important to the ultimate resolution of this matter. Accordingly, we are not able to estimate a possible loss or range of loss that may result from this matter or to determine whether such loss, if any, would have a material adverse effect on our financial condition, results of operations or liquidity.

In December 2025, *Malone et al. v. United Parcel Service Inc. (OH)* was certified as a class action in federal court in the Eastern District of Pennsylvania. The plaintiffs filed this action alleging entitlement to overtime under the Pennsylvania Minimum Wage Act, seeking allegedly unpaid wages. We are vigorously defending ourselves in this matter. We believe that we have meritorious defenses, and there are unresolved questions of law and fact that could be important to the ultimate resolution of this matter. Accordingly, we are not able to estimate a possible loss or range of loss that may result from this matter or to determine whether such loss, if any, would have a material adverse effect on our financial condition, results of operations or liquidity.

Other Matters

In August 2016, Spain's National Markets and Competition Commission ("CNMC") announced an investigation into 10 companies in the commercial delivery and parcel industry, including UPS, related to alleged nonaggression agreements to allocate customers. In May 2017, we received a Statement of Objections issued by the CNMC. In July 2017, we received a Proposed Decision from the CNMC. In March 2018, the CNMC adopted a final decision, finding an infringement and imposing an immaterial fine on UPS. We appealed the decision. In December 2022, a trial court ruled against us. We have filed an appeal before the Spanish Supreme Court. We are vigorously defending ourselves and believe that we have a number of meritorious defenses. There are also unresolved questions of law that could be important to the ultimate resolution of this matter. We do not believe that any loss from this matter would have a material impact on our financial condition, results of operations or liquidity.

We are a party to various other matters that arose in the normal course of business. These include disputes with government authorities in various jurisdictions over the imposition of duties, fines, taxes and assessments from time to time. We are vigorously defending ourselves and believe that we have a number of meritorious defenses in these disputes. There are also unresolved questions of law that could be important to the ultimate resolution of these disputes. Accordingly, we are not able to estimate a possible loss or range of losses that may result from these disputes or to determine whether such losses, if any, would have a material impact on our financial condition, results of operations or liquidity.

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

On November 4, 2025, one of our MD-11 cargo aircraft was involved in an accident at Louisville Muhammad Ali International Airport. At this time, we do not believe the financial impact will be material to our financial condition, results of operations or liquidity.

We do not believe that the eventual resolution of any other matters (either individually or in the aggregate), including any reasonably possible losses in excess of current accruals, will have a material impact on our operations or financial condition.

NOTE 11. LEASES

We have finance and operating leases for real estate (primarily package centers, airport facilities and warehouses), aircraft and engines, information technology equipment, vehicles and various other equipment used in operating our business. Certain leases for real estate and aircraft contain options to purchase, extend or terminate the lease.

Aircraft

In addition to the aircraft that we own, we charter aircraft to handle package and cargo volume on certain international trade lanes and domestic routes. Due to the nature of these agreements, primarily being that either party can cancel the agreement with short notice, we have classified these as short-term leases. A majority of our long-term aircraft operating leases are operated by a third party to handle package and cargo volume in geographic regions where, due to government regulations, we are restricted from operating an airline. We also have long-term finance leases for aircraft that we operate.

Transportation equipment and other equipment

We enter into both long-term and short-term leases for transportation equipment to supplement our capacity or meet contractual demands. Some of these assets are leased on a month-to-month basis and the leases can be terminated without penalty. We also enter into equipment leases to increase capacity during periods of high demand. These leases are treated as short-term as the cumulative right of use is less than 12 months over the term of the contract.

Some of our transportation and technology equipment leases require us to make additional lease payments based on the underlying usage of the assets. Due to the variable nature of these costs, these are expensed as incurred and are not included in the right-of-use lease asset and associated lease obligation.

Sale-leaseback transactions

In 2025, we entered into sale-leaseback transactions involving a data center and real estate properties.

The real estate transactions were entered into under triple-net operating lease agreements with initial terms ranging from 15 to 20 years, which may be renewed. The leases include increases to base rent at rates ranging from 2.5% to 3.0% over the remaining terms of the leases.

The components of lease expense for 2025, 2024 and 2023 were as follows (in millions):

	2025	2024	2023
Operating lease costs	\$ 950	\$ 912	\$ 860

Total lease costs ⁽¹⁾	\$ 2,589	\$ 2,470	\$ 2,442

⁽¹⁾ This table excludes sublease income for all periods presented as it was not material.

We also monitor all lease categories for any indicators that the carrying value of the assets may not be recoverable. We recognized certain immaterial impairments during 2025, 2024 and 2023.

These leases are primarily related to aircraft and will commence when the related aircraft is delivered. Other leases will commence when we are granted access to property, such as when leasehold improvements are completed or a certificate of occupancy is obtained.

NOTE 12. SHAREOWNERS' EQUITY

Capital Stock, Additional Paid-In Capital, Retained Earnings and Noncontrolling Interests

We are authorized to issue two classes of common stock, which are distinguished from each other primarily by their respective voting rights. Class A shares of UPS are entitled to 10 votes per share, whereas class B shares are entitled to one vote per share. Class A shares are primarily held by UPS employees and retirees, as well as trusts and descendants of the Company's founders, and these shares are fully convertible into class B shares at any time. Class B shares are publicly traded on the New York Stock Exchange ("NYSE") under the symbol "UPS". Class A and B shares both have a \$0.01 par value, and as of December 31, 2025, there were 4.6 billion class A shares and 5.6 billion class B shares authorized to be issued. Additionally, there are 200 million preferred shares authorized to be issued, with a par value of \$0.01 per share. As of December 31, 2025, no preferred shares had been issued.

The following is a rollforward of our shares of class A and class B common stock for 2025, 2024 and 2023 (in millions):

We repurchased 8.6, 3.9 and 12.8 million shares of class B common stock for \$1.0 billion, \$500 million and \$2.3 billion during 2025, 2024 and 2023, respectively. These repurchases were completed as follows:

- In August 2021, the Board of Directors authorized the Company to repurchase up to \$5.0 billion of class A and class B common stock (the "2021 Authorization"). For 2023, we repurchased 0.5 million shares of class B common stock for \$82 million under this authorization.
- In January 2023, the Board of Directors terminated the 2021 Authorization and approved a new share repurchase authorization for \$5.0 billion of class A and class B common stock (the "2023 Authorization"). The share repurchases for 2025 and 2024 were completed under the 2023 Authorization. For 2023, we repurchased 12.3 million shares for \$2.2 billion under the 2023 Authorization. As of December 31, 2025, we had \$1.3 billion available under this repurchase authorization.

Future share repurchases may be in the form of accelerated share repurchase programs, open market purchases or other methods we deem appropriate. The timing of share repurchases will depend upon market conditions. Unless terminated earlier by the Board of Directors, this program will expire when we have purchased all shares authorized for repurchase under the program.

Movements in additional paid-in capital in respect of stock award plans comprise accruals for unvested awards, offset by adjustments for awards that vest during the period.

NOTE 13. STOCK-BASED COMPENSATION

We are authorized, under our 2021 Omnibus Incentive Compensation Plan (the "Plan"), to issue non-qualified and incentive stock options, stock appreciation rights, restricted stock and stock units ("RSUs"), and restricted performance shares and performance units ("RPU's", collectively with RSUs, "Restricted Units") underlying 25 million shares. Each award issued in the form of Restricted Units, stock options and other permitted awards reduces the share reserve by one share. We had 6 million shares available to be issued under the Plan as of December 31, 2025.

Our primary equity compensation programs are the UPS Long-Term Incentive Performance Award program (the "LTIP") and the UPS Stock Option program. Restricted Units may be granted to certain senior management employees to support employee retention. We also grant Restricted Units to our Board of Directors (the "Board") as a component of their annual compensation. The awards issued under these programs are considered to be equity classified. The total expense recognized in our statements of consolidated income for these stock compensation programs during 2025, 2024 and 2023 was \$73, \$24 and \$220 million, respectively. The associated income tax benefit (expense) recognized in our statements of consolidated income during 2025, 2024 and 2023 was \$9, \$(18) and \$42 million, respectively. The cash income tax benefit received from the exercise of stock options and conversion of Restricted Units to class A shares during 2025, 2024 and 2023 was \$2, \$110 and \$201 million, respectively.

Management Incentive Program

We maintain the UPS Management Incentive Program (the "MIP") for certain management employees. Non-executive management eligibility under the MIP is determined annually by the executive officers of UPS. Executive officer eligibility is determined annually by the Compensation and Human Capital Committee of the Board (the "Compensation Committee"). The MIP is an incentive-based compensation program, with awards based on annual Company performance. Beginning 2023, MIP awards are paid in cash, unless a participant elects to receive all or a portion of the award in unrestricted shares of class A common stock. As of December 31, 2025, the MIP was classified as a compensation obligation within *Accrued wages and withholdings* in our consolidated balance sheets. Substantially all MIP awards are settled in cash, based on participant elections.

We also maintain an employee stock purchase plan which allows eligible employees to purchase shares of UPS class A common stock at a discount.

Restricted Units

On May 7, 2025, the Compensation Committee approved 0.4 million of special RSUs for certain of the Company's employees, excluding the Chief Executive Officer. Dividends earned on Restricted Units are reinvested in additional Restricted Units at each dividend payable date until conversion to class A shares occurs. The RSUs generally vest over three years, 25% after year one, 25% after year two, and 50% after year three, assuming continued employment with the Company (except in the case of death in which immediate vesting occurs).

The fair value of Restricted Units is the NYSE closing price of class B common stock on the date of grant. The weighted-average grant date fair value of Restricted Units, other than awards granted under the LTIP, which are discussed below, granted during 2025, 2024 and 2023 was \$95.34, \$147.22 and \$185.66, respectively. The total fair value of RSUs vested was \$6 million, \$11 million and \$1.1 billion in 2025, 2024 and 2023, respectively. As of December 31, 2025, there was \$35 million of total unrecognized compensation cost related to non-vested Restricted Units, other than awards granted under the LTIP, which are discussed below. That cost is expected to be recognized over a weighted-average period of two years and three months.

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The following table shows the change in non-vested Restricted Units under our equity compensation programs other than the LTIP (defined below) in 2025:

	Restricted Units (in thousands)	Weighted-Average Grant Date Fair Value
Non-vested as of January 1, 2025	25	\$ 177.76
Vested	(58)	121.77
Granted	474	95.34
Reinvested dividends	36	N/A
Forfeited / Expired	(7)	96.39
Non-vested as of December 31, 2025	470	\$ 97.09

Long-Term Incentive Performance Award Program ("LTIP")

LTIP RPU's vest at the end of a three-year performance period, assuming continued employment with the Company (except in the case of death, disability or retirement, in which case immediate vesting occurs on a prorated basis). The number of RPU's earned is based on achievement of performance targets established on the grant date.

For LTIP awards granted in 2023 and 2024 with performance periods ending in 2025 and 2026, the performance targets are equally weighted between adjusted earnings per share and adjusted cumulative free cash flow. The performance targets for the LTIP awards granted in 2025 with a performance period ending in 2027 are equally weighted between adjusted revenue growth and adjusted operating return on invested capital. The final number of RPU's earned for all outstanding LTIP awards is subject to adjustment based on relative total shareholder return compared to the Standard & Poor's 500 Index. We determine the grant date fair value of these RPU's using a Monte Carlo model and recognize compensation expense (less estimated forfeitures) ratably over the vesting period, based on the number of awards expected to be earned. There is no expected dividend yield as units earn dividend equivalents.

The weighted-average assumptions used in our Monte Carlo models for each award year were as follows:

	2025	2024	2023
Risk-free interest rate	3.86 %	4.43 %	3.89 %
Expected volatility	28.39 %	27.02 %	30.23 %
Weighted-average fair value of units granted	\$ 94.38	\$ 156.73	\$ 198.78
Share payout	98.13 %	101.92 %	107.72 %

The following table shows LTIP RPU activity during 2025:

	RPUs (in thousands)	Weighted-Average Grant Date Fair Value
Non-vested as of January 1, 2025	1,401	\$ 174.12
Vested	(87)	175.93
Granted	1,436	94.38
Reinvested dividends	179	N/A
Performance adjustments ⁽¹⁾	(576)	197.99
Forfeited / Expired	(108)	135.12
Non-vested as of December 31, 2025	2,245	\$ 116.17

⁽¹⁾ Represents the incremental performance adjustment to RPU's with a performance period ending in 2025, which vested during the year.

The fair value of each LTIP RPU is based on the NYSE closing price of class B common stock on the date of grant. The weighted-average grant date fair value of LTIP RPU's granted during 2025, 2024 and 2023 was \$94.38, \$156.73 and \$198.78, respectively. The total fair value of LTIP RPU's vested during 2025, 2024 and 2023 was \$8, \$23 and \$111 million, respectively. As of December 31, 2025, there was \$127 million of total unrecognized compensation cost related to non-vested LTIP RPU's. That cost is expected to be recognized over a weighted-average period of one year and nine months.

Non-qualified Stock Options

Stock options may be granted under the Plan, and must have an exercise price at least equal to the NYSE closing price of UPS class B common stock on the date the option is granted. On February 4, 2026, we granted a total of 4.0 million stock options to approximately 460 employees. Options were granted at an exercise price of \$116.74 per share, the closing New York Stock Exchange price of our class B common stock on that date.

We grant non-qualified stock options to a limited group of eligible senior management employees annually, in which the value granted is determined as a percentage of salary. Stock option grants vest over a five-year period with approximately 20% of the award vesting at each anniversary of the grant date (except in the case of death, disability or retirement, in which case immediate vesting occurs). Option grants expire 10 years after the date of the grant. Option holders may exercise their options via the payment of cash or class A common stock; new class A shares are issued upon exercise.

The following table provides an analysis of activity relating to options to purchase shares of class A common stock:

	Options (in thousands)	Weighted-Average Exercise Price	Weighted-Average Remaining Contractual Term (in years)	Aggregate Intrinsic Value (in millions)
Outstanding as of January 1, 2025	1,452	\$ 130.08		
Exercised	(24)	101.93		
Granted	290	95.89		
Forfeited / Expired	(42)	N/A		
Outstanding as of December 31, 2025	1,676	\$ 124.55	5.06	\$ 1
Options Vested and Expected to Vest	1,676	\$ 124.55	5.06	\$ 1
Exercisable as of December 31, 2025	1,194	\$ 123.78	3.65	\$ —

The fair value of each option grant is estimated using the Black-Scholes option pricing model. The weighted-average assumptions used by year, and the calculated weighted-average fair values of options, are as follows:

	2025	2024	2023
Expected dividend yield	5.21 %	3.96 %	3.54 %
Risk-free interest rate	4.08 %	4.25 %	3.70 %
Expected life in years	6.11	6.13	5.93
Expected volatility	30.35 %	28.94 %	28.31 %
Weighted-average fair value of options granted	\$ 18.72	\$ 34.76	\$ 41.08

The expected dividend yield is based on recent historical dividend yields for our stock, taking into account changes in dividend policy. The risk-free interest rate is based on the term structure of interest rates at the time of the option grant. The expected life represents an estimate of the period of time options are expected to remain outstanding. In determining this, we have relied upon a combination of the observed exercise behavior of our prior grants with similar characteristics and the contractual term of the grants. Expected volatilities are based on the historical returns on our stock and the implied volatility of our publicly-traded options.

Discounted Employee Stock Purchase Plan

We maintain an employee stock purchase plan for all eligible employees that allows quarterly purchases of UPS class A common stock at a discount. In 2025, shares were purchased at 95% of the NYSE closing price of UPS class B common stock on the last day of each quarterly period. Employees purchased 1.1, 0.8 and 0.7 million shares at average prices of \$92.83, \$130.14 and \$162.34 per share, during 2025, 2024 and 2023, respectively. The plan was not considered to be compensatory as of 2025 and in the prior years, and therefore no compensation cost is incurred for the employees' purchase rights.

In November 2025, the Board of Directors approved an increase in the purchase discount from 5% to 10% starting January 2026. We expect the plan will be considered compensatory and therefore we expect to record compensation costs related to future employee purchases.

NOTE 14. SEGMENT AND GEOGRAPHIC INFORMATION

We have two reportable segments: U.S. Domestic Package and International Package, which are together referred to as our global small package operations. Our remaining businesses are reported as SCS. Global small package operations represent our most significant business and are broken down into regional operations around the world. Regional operations managers are responsible for both domestic and export products within their geographic area. SCS comprises the results of non-reportable operating segments that do not meet the quantitative and qualitative criteria of a reportable segment as defined under ASC Topic 280.

U.S. Domestic Package

U.S. Domestic Package operations include the time-definite delivery of letters, documents and packages throughout the United States.

During the quarter ended December 31, 2024, based on a change in our management reporting structure, we began presenting our U.S. air cargo results within our U.S. Domestic Package segment. This activity was previously reported within SCS. This change aligns with how our chief operating decision maker ("CODM") reviews operating results to assess performance and allocate resources. Prior periods have been recast to conform to current presentation with no changes to consolidated results.

International Package

International Package operations include delivery to more than 200 countries and territories worldwide, including shipments wholly outside the United States, as well as shipments with either origin or destination outside the United States. We offer a wide selection of guaranteed day- and time-definite international transportation services supported by our brokerage capabilities that facilitate cross-border clearance for international shipments. International Package includes our operations in Europe, the Middle East and Africa ("EMEA"), Canada and Latin America (together "Americas") and Asia.

SCS

SCS includes our Forwarding, Logistics, digital and other businesses. Our Forwarding and Logistics businesses operate globally, offering international air and ocean freight forwarding, customs brokerage, mail services, healthcare logistics, distribution and post-sales services. Our digital businesses leverage technology to enable a range of on-demand services such as same-day delivery, end-to-end return services and integrated supply chain and high-value shipment insurance solutions.

Segment information

We consider our Chief Executive Officer to be our CODM. The CODM is responsible for setting the Company's strategic direction, managing overall operations, and is the main point of communication between the Board and key operational personnel within the organization.

The CODM utilizes operating profit as a primary measure of segment performance because it reflects the underlying business performance and provides the CODM with a basis for making resource allocation decisions. Operating profit is defined as income before investment income (expense) and other, interest expense and income tax expense.

The CODM regularly reviews segment-level expense details which include compensation, benefits and purchased transportation when assessing operating segment performance. These expense categories represent the primary metrics used by the CODM to assess segment performance. For the Domestic Package segment, compensation and benefits are evaluated separately, whereas for the International Package segment, these categories are assessed in aggregate. Beginning with the second quarter of 2025, purchased transportation expense for the U.S. Domestic Package segment was no longer provided to the CODM when assessing the operating segment's performance.

Certain expenses are allocated between the segments using activity-based costing methods. These activity-based costing methods require us to make estimates that impact the amount of each expense category that is attributed to each segment. Changes in these estimates directly impact the amount of expense allocated to each segment, and therefore the operating profit of each reporting segment. Our allocation methodologies are refined periodically, as necessary, to reflect changes in our businesses. There were no significant changes to our allocation methodologies in 2025 relative to 2024.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

As previously disclosed, during 2024 and 2023, a reconciliation of the statutory federal income tax rate to the effective income tax rate consists of the following:

	2024	2023
Statutory U.S. federal income tax rate	21.0 %	21.0 %
U.S. state and local income taxes (net of federal benefit)	1.8	1.9
Non-U.S. tax rate differential	—	(0.6)

U.S. federal tax credits	(0.8)	(0.7)
Goodwill and other asset impairments	—	0.1
Net uncertain tax positions	0.2	(0.5)
Other	1.3	1.5
Effective income tax rate	22.3 %	21.8 %

⁽¹⁾ Foreign-Derived Intangible Income ("FDII") and Global Intangible Low-Taxed Income ("GILTI").

Our effective tax rate is affected by recurring factors, such as statutory tax rates in the jurisdictions in which we operate and the relative amounts of taxable income we earn in those jurisdictions. It is also affected by discrete items that may occur in any given year, but may not be consistent from year to year.

Our effective tax rate was 22.2% in 2025, compared with 22.3% and 21.8% in 2024 and 2023, respectively, primarily due to the effects of the aforementioned recurring factors and the following discrete tax items.

2025 Discrete Items

We recorded pre-tax transformation strategy costs of \$593 million during 2025. As a result, we recorded an additional income tax benefit of \$141 million. This income tax benefit was generated at a higher average tax rate than the 2025 U.S. federal statutory tax rate because it included the effect of U.S. state and local and foreign taxes.

We recorded asset impairment charges of \$201 million during 2025. As a result, we recorded an additional income tax benefit of \$45 million. This income tax benefit was generated at a higher average tax rate than the 2025 U.S. federal statutory tax rate due to the effect of U.S. state and local and foreign taxes.

We recorded a pre-tax loss of \$19 million related to the divestiture of a business within SCS during 2025. As a result, we recorded an additional income tax benefit of \$4 million. This income tax benefit was generated at a higher average tax rate than the 2025 U.S. federal statutory tax rate due to the effect of U.S. state and local taxes.

We recognized an income tax benefit of \$105 million related to the release of the valuation allowance on our U.S. capital loss deferred tax asset. Each quarter, we assess the available positive and negative evidence to determine whether it is more likely than not that the capital losses will be realized. As of December 31, 2024, the negative evidence of cumulative historical capital losses outweighed the limited subjective positive evidence of projections of future capital gains. Throughout 2025, we have released all of this valuation allowance as a result of net capital gains from the property sales transactions discussed in note 4.

2024 Discrete Items

We recognized an income tax benefit of \$159 million related to pre-tax defined benefit pension and postretirement medical plan losses of \$665 million. This income tax benefit was generated at a higher average tax rate than the 2024 U.S. federal statutory tax rate because it included the effect of U.S. state and local and foreign taxes.

We recorded pre-tax transformation strategy costs of \$322 million. As a result, we recorded an additional income tax benefit of \$77 million. This income tax benefit was generated at a higher average tax rate than the 2024 U.S. federal statutory tax rate due to the effect of U.S. state and local and foreign taxes.

We recorded asset impairment charges of \$108 million. As a result, we recorded an additional income tax benefit of \$27 million. This income tax benefit was generated at a higher average tax rate than the 2024 U.S. federal statutory tax rate due to the effect of U.S. state and local and foreign taxes.

UNITED PARCEL SERVICE, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

We recorded a pre-tax expense of \$19 million in connection with a multi-employer pension plan withdrawal. As a result, we recorded an income tax benefit of \$5 million. This income tax benefit was generated at a higher average tax rate than the 2024 U.S. federal statutory tax rate due to the effect of U.S. state and local taxes.

We recorded a pre-tax gain of \$156 million related to the divestiture of Coyote. As a result, we recorded additional income tax expense of \$4 million. This income tax expense was generated at a lower average tax rate than the 2024 U.S. federal statutory tax rate due to the disposition generating capital losses for tax purposes that were not expected to be realized.

We paid \$45 million in connection with the settlement of an Expense for a Regulatory Matter. We did not record any additional income tax benefit related to these expenses, which were not deductible for tax purposes.

We recorded pre-tax expense of \$94 million in connection with a One-Time Payment for International Regulatory Matter. We did not record any additional income tax benefit related to these expenses which are not deductible for tax purposes.

The recognition of excess tax benefits and deficiencies related to share-based compensation in income tax expense resulted in a net tax expense of \$22 million and increased our effective tax rate by 0.3%.

2023 Discrete Items

We recorded pre-tax transformation strategy costs of \$435 million. As a result, we recorded an additional income tax benefit of \$102 million. This income tax benefit was generated at a higher average tax rate than the 2023 U.S. federal statutory tax rate due to the effect of U.S. state and local and foreign taxes.

We recognized an income tax benefit of \$85 million related to pre-tax defined benefit pension and postretirement medical benefit plan losses of \$359 million. This income tax benefit was generated at a higher average tax rate than the 2023 U.S. federal statutory tax rate because it included the effect of U.S. state and local and foreign taxes.

We recorded goodwill and indefinite-lived intangible asset impairment charges of \$236 million. As a result, we recorded an additional income tax benefit of \$43 million. This income tax benefit was generated at a lower average tax rate than the 2023 U.S. federal statutory tax rate due to certain impairment charges not being deductible for tax purposes.

We recorded a pre-tax expense of \$61 million in connection with a one-time compensation payment made during the year. As a result, we recorded an additional income tax benefit of \$15 million. This income tax benefit was generated at a higher average tax rate than the 2023 U.S. federal statutory tax rate due to the effect of U.S. state and local and foreign taxes.

Other Items

Beginning in 2012, we were granted a tax incentive for certain of our non-U.S. operations. In 2022, the tax incentive was renegotiated and extended through December 31, 2026. The tax incentive was conditional upon our meeting specific employment and investment thresholds. We exited this tax incentive effective January 1, 2025. The impact of this tax incentive decreased non-U.S. tax expense by \$24 and \$15 million (increased diluted earnings per share by \$0.03 and \$0.02) for 2024 and 2023, respectively.

Deferred tax assets	\$ 140	\$ 112
Deferred tax liabilities	(3,690)	(3,595)
Net deferred tax asset (liability)	\$ (3,550)	\$ (3,483)

The valuation allowance decreased by \$98 million, increased by \$63 million, and decreased by \$4 million during 2025, 2024 and 2023, respectively.

During 2025, we utilized \$379 million of U.S. capital loss carryforwards to offset current year net realized capital gains. We have no remaining U.S. federal capital loss carryforwards as of December 31, 2025.

Further, we have U.S. state and local operating loss and credit carryforwards as follows (in millions):

	2025	2024
U.S. state and local operating loss carryforwards	\$ 976	\$ 1,043
U.S. state and local credit carryforwards	\$ 66	\$ 47

The U.S. state and local operating loss carryforwards and credits will begin to expire on various dates ranging from 2026 to indefinitely. We also have non-U.S. loss carryforwards of \$580 million as of December 31, 2025, the majority of which may be carried forward indefinitely. As indicated in the table above, we have established a valuation allowance for certain U.S. state and non-U.S. carryforwards due to the uncertainty resulting from a lack of previous taxable income within the applicable tax jurisdictions.

The undistributed earnings and profits ("E&P") of certain foreign subsidiaries are considered to be indefinitely reinvested and, accordingly, no deferred income taxes have been provided thereon. Upon distribution of those earnings in the form of dividends or otherwise, we would be subject to U.S. state and local taxes and withholding taxes payable in various jurisdictions. Determination of the amount of unrecognized deferred income tax liability is not practicable because of the complexities associated with its hypothetical calculation.

We file income tax returns in the U.S. federal jurisdiction, most U.S. state and local jurisdictions, and many non-U.S. jurisdictions. We have substantially resolved all U.S. federal income tax matters for tax years prior to 2016.

NOTE 16. EARNINGS PER SHARE

The earnings per share amounts are the same for class A and class B common shares as the holders of each class are legally entitled to equal per share distributions whether through dividends or in liquidation.

The following table sets forth the computation of basic and diluted earnings per share (in millions, except per share amounts):

	2025	2024	2023

Basic Earnings Per Share	\$ 6.56	\$ 6.76	\$ 7.81
Diluted Earnings Per Share	\$ 6.56	\$ 6.75	\$ 7.80

⁽¹⁾ Contingent shares relate to MIP awards that may be settled in cash or class A common stock at the employees' election - see note 13.

Diluted earnings per share for 2025, 2024 and 2023 exclude the effect of 1.4, 0.5 and 0.3 million shares, respectively, of common stock that may be issued upon the exercise of employee stock options because such effect would be antidilutive.

NOTE 17. DERIVATIVE INSTRUMENTS AND RISK MANAGEMENT

Risk Management Policies

Changes in fuel prices, interest rates and foreign currency exchange rates impact our results of operations and we actively monitor these exposures. Where deemed appropriate, to manage the impact of these exposures on earnings and/or cash flows, we may enter into a variety of derivative financial instruments. We do not hold or issue derivative financial instruments for trading or speculative purposes.

Credit Risk Management

The forward contracts, swaps and options discussed below contain an element of risk that the counterparties may be unable to meet the terms of the agreements. We seek to minimize such risk exposures for these instruments by limiting the counterparties to banks and financial institutions that meet established credit guidelines. We may further manage credit risk through the use of bilateral collateral provisions and/or early termination rights utilizing master netting arrangements, whereby cash is exchanged based on the net fair value of derivatives associated with each counterparty when positions exceed \$250 million.

As of December 31, 2025 and 2024, we did not hold any cash collateral and no collateral was required to be posted with our counterparties.

Types of Hedges

Commodity Risk Management

The fuel surcharges that we apply in our domestic and international package businesses are the primary means we employ to reduce the risk of adverse fuel price changes on our business. In order to mitigate the impact of fuel surcharges imposed on us by outside carriers, we regularly adjust the rates we charge for our freight brokerage services.

Foreign Currency Risk Management

To protect against the reduction in value of forecasted foreign currency cash flows from our international package business, we maintain a foreign currency cash flow hedging program. Our most significant foreign currency exposures relate to the Euro, British Pound Sterling, Canadian Dollar, Chinese Renminbi and Hong Kong Dollar. We generally designate and account for these contracts as cash flow hedges of anticipated foreign currency denominated revenue.

We may also hedge portions of our anticipated cash settlements of principal and interest on certain foreign currency denominated debt. We generally designate and account for these contracts as cash flow hedges of forecasted foreign currency denominated transactions.

We hedge our net investment in certain foreign operations with foreign currency denominated debt instruments.

Interest Rate Risk Management

We may use a combination of derivative instruments to manage the fixed and floating interest rate mix of our total debt portfolio and related overall cost of borrowing.

We generally designate and account for interest rate swaps that convert fixed-rate interest payments into floating-rate interest payments as fair value hedges of the associated debt instruments. We designate and account for interest rate swaps that convert floating-rate interest payments into fixed-rate interest payments as cash flow hedges of the forecasted payment obligations.

We may periodically hedge the forecasted fixed-coupon interest payments associated with anticipated debt offerings by using forward starting interest rate swaps, interest rate locks or similar derivatives.

Outstanding Positions

As of December 31, 2025 and 2024, the notional amounts of our outstanding derivative positions were as follows (in millions):

		2025	2024

Chinese Renminbi	CNH	6,743	6,065

As of December 31, 2025 and 2024, we had no outstanding commodity hedge positions.

Balance Sheet Recognition

The following table indicates the location in our consolidated balance sheets where our derivative assets and liabilities have been recognized, the fair value hierarchy level applicable to each derivative type and the related fair values of those derivatives.

We have master netting arrangements with substantially all of our counterparties giving us the right of offset for our derivative positions. However, we have not elected to offset the fair value positions of our derivative contracts recorded in our consolidated balance sheets. The columns labeled *Net Amounts if Right of Offset had been Applied* indicate the potential net fair value positions by type of contract and location in our consolidated balance sheets had we elected to apply the right of offset as of December 31, 2025 and 2024 (in millions):

			Gross Amounts Presented in Consolidated Balance Sheets		Net Amounts if Right of Offset had been Applied	
Asset Derivatives	Balance Sheet Location	Fair Value Hierarchy Level	2025	2024	2025	2024
Derivatives designated as hedges:						
Foreign currency exchange contracts	Other current assets	Level 2	\$ 5	\$ 157	\$ —	\$ 152
Foreign currency exchange contracts	Other non-current assets	Level 2	4	134	—	131
Total Asset Derivatives			\$ 9	\$ 291	\$ —	\$ 283
			Gross Amounts Presented in Consolidated Balance Sheets		Net Amounts if Right of Offset had been Applied

Derivatives designated as hedges:						
Foreign currency exchange contracts	Other current liabilities	Level 2	\$ 83	\$ 5	\$ 78	\$ —
Foreign currency exchange contracts	Other non-current liabilities	Level 2	91	3	87	—
Total Liability Derivatives			\$ 174	\$ 8	\$ 165	\$ —

Our foreign currency exchange rate and interest rate derivatives are largely comprised of over-the-counter derivatives, which are primarily valued using pricing models that rely on market observable inputs such as yield curves, foreign currency exchange rates and investment forward prices; therefore, these derivatives are classified as Level 2.

The actual amounts that will be reclassified to income over the next 12 months will vary from this amount as a result of changes in market conditions. The maximum term over which we are hedging exposures to the variability of cash flows is approximately 3 years.

The following table indicates the amount of gains and (losses) that have been recognized in AOCI within foreign currency translation adjustment during 2025 and 2024 for those instruments designated as net investment hedges (in millions):

Income Statement Recognition of Non-Designated Derivative Instruments

Derivative instruments that are not designated as hedges are recorded at fair value with unrealized gains and losses reported in earnings each period. Cash flows from the settlement of derivative instruments appear in our statements of consolidated cash flows within the same categories as the cash flows of the hedged item.

NOTE 18. TRANSFORMATION STRATEGY COSTS

We are undertaking an enterprise-wide transformation of our organization that includes various projects and initiatives, including workforce reductions and changes in processes and technology, that impact our global direct and indirect operating costs.

The table below presents Transformation Strategy Costs for 2025, 2024 and 2023 (in millions):

	2025	2024	2023
Compensation and benefits	\$ 420	\$ 213	\$ 337
Total other expenses	173	109	98
Total Transformation Strategy Costs	<u>\$ 593</u>	<u>\$ 322</u>	<u>\$ 435</u>
Income Tax Benefit from Transformation Strategy Costs ⁽¹⁾	(141)	(77)	(102)
After-Tax Transformation Strategy Costs	<u>\$ 452</u>	<u>\$ 245</u>	<u>\$ 333</u>

⁽¹⁾ The income tax effects of Transformation Strategy Costs are calculated by multiplying the amount of the adjustments by the statutory tax rates applicable in each tax jurisdiction.

Compensation and benefit costs under these programs are primarily related to severance costs incurred in conjunction with reductions in our workforce. We are primarily accounting for these separations under ASC Topic 712 as they have been, or will be, carried out under a plan which provides a contractual termination benefit to impacted employees. The nature of our separation initiatives has resulted in a relatively short period of time, typically less than one year, between the point at which the separation meets the criteria for recognition as an accrual and the point at which the separation is completed.

Accruals for separation costs of \$117 and \$45 million were included in other current liabilities in our consolidated balance sheets as of December 31, 2025 and 2024, respectively. During 2025, we made payments of \$315 million and recognized additional separation costs of \$387 million. An additional \$25 million of separation costs is expected to be incurred for the remaining participants in our voluntary separation programs over the employees' remaining term of service through the third quarter of 2026.

Other costs incurred in furtherance of our transformation strategy are primarily related to fees paid to outside professional service providers and are not incurred as a result of restructuring, exit or disposal activities and, as period costs, do not give rise to restructuring, exit or disposal liabilities.

As previously announced, we intend to offer a voluntary separation program to full-time drivers in the United States. At this time we are unable to estimate the full impact of this program on our consolidated financial position, results of operations or cash flows. However, we expect to incur costs associated with separation benefits provided under the program. We will also continue to monitor the impact of these uncertainties on our projected benefit obligation in accordance with ASC Topic 715.

Transformation Strategy Costs during the periods presented related to our Transformation 1.0, Transformation 2.0, Fit to Serve and *Network Reconfiguration* and *Efficiency Reimagined* programs. Total costs by program are shown in the table below (in millions):

	2025	2024	2023
Transformation Strategy Costs:			
Transformation 1.0	\$ —	\$ —	\$ 13
Transformation 2.0			
Spans and layers	—	—	86
Business portfolio review	(18)	29	84
Financial systems	55	54	36
Other initiatives	—	—	4
Transformation 2.0 total	37	83	210
Fit to Serve	47	204	212
Network Reconfiguration and Efficiency Reimagined	509	35	—
Total Transformation Strategy Costs	\$ 593	\$ 322	\$ 435

Transformation 1.0: Transformation 1.0 was a fundamental change in our operating model, moving certain functions from a decentralized operating model to a centralized model, leveraging third-party offshore resources to supplement internal resources. We completed Transformation 1.0 in 2023.

Transformation 2.0: Based on a number of factors including evaluating efficiencies previously gained, and in connection with changes in 2020, we identified and reprioritized certain then-current and future investments, including additional investments in our workforce, portfolio of businesses and technology (such projects, collectively, "Transformation 2.0"). Specifically, we identified opportunities to reduce spans and layers of management, began a review of our business portfolio and identified opportunities to invest in certain technologies, including financial reporting and certain schedule, time and pay systems, to reduce global indirect operating costs, provide better visibility, and reduce reliance on legacy systems and coding languages. Costs associated with Transformation 2.0 have primarily consisted of compensation and benefit costs related to reductions in our workforce and fees paid to third-party consultants. As of December 31, 2025, this initiative has now completed and we incurred total costs of \$835 million, including \$37 million in 2025.

Fit to Serve: In 2023, a number of factors, including macroeconomic headwinds and volume diversion resulting from our labor negotiations with the International Brotherhood of Teamsters, contributed to volume declines in our U.S. Domestic Package business. In addition, our International Package and SCS businesses were also negatively impacted by a number of challenging macroeconomic conditions during 2023. In response to these factors, we undertook our Fit to Serve initiative with the intent to right-size our business to create a more efficient operating model that was more responsive to market dynamics through a workforce reduction of approximately 14,000 positions and create a more efficient operating model to enhance responsiveness to changing market dynamics. As of December 31, 2025, this initiative has now completed, and we incurred total costs of \$463 million, including \$47 million in 2025.

Network Reconfiguration and Efficiency Reimagined: Our Network of the Future initiative is intended to enhance the efficiency of our network through automation and operational sort consolidation in our U.S. Domestic network. In connection with our strategic execution of planned volume declines from our largest customer, we began our *Network Reconfiguration* initiative, which is an expansion of Network of the Future and has led and will continue to lead to consolidations of our facilities and workforce as well as an end-to-end process redesign. We launched our *Efficiency Reimagined* initiatives to undertake the end-to-end process redesign effort which will align our organizational processes to the network reconfiguration. We reduced our operational workforce by approximately 48,000 positions, including 15,000 fewer seasonal positions and closed daily operations at 93 leased and owned buildings, 85 of which have been permanently closed during 2025. We continue to review expected changes in volume in our integrated air and ground network to identify additional buildings for closure. As of December 31, 2025, we have incurred program costs of \$544 million, including \$509 million in 2025.

LIST OF AREA FRANCHISEES

As described in Item 1 of this Franchise Disclosure Document (“FDD”), The UPS Store, Inc. (“we,” “our,” “us”) utilizes the services of Area Franchisees in certain U.S. markets. Our Area Franchisees are not our employees. Rather, they are our independent contractors that we have contractually appointed to act as follows, on our behalf, only within their respective Area Franchise territories: (1) solicit sales of new The UPS Store franchises if, and only if, we elect, require and permit the Area Franchisees to do so within their respective Area Franchise territories; and (2) perform a wide variety of post-sale management responsibilities that we are obligated to perform under the Franchise Agreement. Although we have delegated to our Area Franchisees these responsibilities, our Area Franchisees will not be a party to our Franchise Agreement with you. This means that we retain a direct obligation to you for the performance of those responsibilities we have delegated to our Area Franchisees, to the extent that those responsibilities are obligations that we owe to you under the Franchise Agreement.

All of our Area Franchisees are listed below. Unless otherwise explained in footnotes below: (1) since April 23, 2021, all of our Area Franchisees’ principal occupations have been the ownership and operation of their Area Franchise business(es); (2) since April 23, 2021, all of our Area Franchisees’ titles (as individuals) are that of “Owner”; (3) our Area Franchisees have not been a party to litigation required to be disclosed in Item 3 of this FDD; and (4) our Area Franchisees have not been a debtor in a bankruptcy proceeding required to be disclosed in Item 4 of this FDD.

Please let us know if you would like to know whether a particular geographic market falls within the boundaries of one or more of the Area Franchise Territories referenced in Sections I, II, III, or IV below.

LITIGATION DISCLOSURES

Certain Area Franchisees were involved in the following disclosable litigation. Except as described below, no litigation about our Area Franchisees is required to be disclosed in Item 3 of the disclosure document.

1. Morgate LLC, et al. vs. Mail Boxes Etc., Inc.; BSG Holdings Inc.; BSG Holdings Subsidiary Inc.; United Parcel Service, Inc., a Delaware Corporation; United Parcel Service, Inc., an Ohio Corporation; United Parcel Service, Inc., a New York Corporation; Garcher Enterprises, Inc.; Gary and Cheryl Williams; and Rocky Romanella (Superior Court for the State of California, County of Los Angeles, Case No. BC 294647, filed April 25, 2003). Six franchisees and a franchisee association originally filed a complaint against UPS, several officers of UPS, and an area franchisee, but not us, alleging that UPS, in implementing the program under which most franchisees re-branded their Mail Boxes Etc. stores as “The UPS Store,” violated California, New York, and Illinois franchise laws, the Massachusetts unfair trade practices act, and Section 17200 of the California Business and Professions Code and committed tortious interference. Plaintiffs’ 3rd amended complaint, among other things, removed the franchisee association as a plaintiff and added some defendants, including us. The 4th amended complaint included over 100 additional plaintiff-franchisees and added breach of contract and state franchise or deceptive trade practices/unfair competition law claims. It also alleged class action claims on behalf of The UPS Store franchisees.

On October 30, 2009, the court certified a nationwide class of former Mail Boxes Etc. Center franchisees who had converted to The UPS Store Centers on or before March 21, 2003, and issued a final ruling that we did not breach the franchise agreement by requiring franchisees to execute a The UPS Store franchise agreement as a condition of renewal. On November 8, 2011, the Court of Appeal affirmed the trial court ruling. On March 4 and 5, 2013, the 3 plaintiffs with 1993 form franchise agreements and other parties participated in a settlement conference and reached a settlement in which 143 franchised centers would be paid \$4,200,000. The settlement was finalized on or about October 31, 2013. The claims of the class were not part of the settlement, and those claims remained pending. On March 31, 2014, plaintiff filed a Thirteenth Amended Complaint, which we answered, alleging various misrepresentation claims based on California common and statutory law. We filed motions to decertify the class and, in August 2017, the Court issued an order decertifying the class. Plaintiff (the class representative) filed a notice of appeal from that order. The parties stipulated to stay further proceedings in the trial court regarding plaintiff’s individual claims pending resolution of the appeal. We thereafter settled the claims of the individual plaintiff (the class representative) with a payment of \$112,500, and the action was dismissed with prejudice on August 30, 2018.
