The total investment necessary to convert an existing optometry office to operation under a VISION SOURCE® franchise agreement ranges from \$500.00 to \$35,200.00. None of these amounts must be paid to the franchisor. What You Need to Know About Franchising *Generally*

Continuing Responsibility to Pay Fees. You may have to pay royalties and other fees even if you are losing money.

Business Model Can Change. The franchising agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier Restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating Restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from Franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When Your Franchise Ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that required franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A-2.

Your state also may have laws that require special disclosures or amendments to be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Exhibits for the location of the State Specific Addenda.

Special Risks to Consider About *This Franchise*

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation or arbitration and/or litigation only in Houston, Harris County, Texas. Out-of-state mediation, arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Texas than in your own state.

Certain states may require other risks to be highlighted. Check the State Specific Addenda (if any) to see whether your state requires other risks to be highlighted.

VISION SOURCE® FRANCHISE DISCLOSURE DOCUMENT

ITEM 1. THE FRANCHISOR AND ANY PARENTS, PREDECESSORS AND AFFILIATES

This disclosure document gives you important legal and business information about Vision Source, LLC, a Texas limited liability company, and the franchise we offer. We also operate under the name “Vision Source.” We will refer to ourselves as “we,” “us” and “our” in this document.

We will call the person or company to which we grant a franchise “you.” The word “you” does not include your owners. We will call them your “Owners.”

We will refer to an independent optometrist and retail optical eye care center established and operated under the franchise agreement as an “Office.”

From 1997 until May 20, 2010, TLC Vision Corporation (“TLC Vision”), a New Brunswick, Canada corporation, through a chain of wholly-owned subsidiaries, owned a 51% equity interest in us. Effective May 20, 2010, as a result of the bankruptcy and plan of reorganization of TLC Vision mentioned in Item 4, Charlesbank Capital Partners, LLC and H.I.G. Capital, L.L.C., through a jointly-owned subsidiary, TLC Holdings, LLC (“TLC Holdings”), a Delaware limited liability company, acquired TLC Vision’s 51% equity interest in us.

Effective April 13, 2011, Brazos Equity Fund III, L.P. (“Brazos”), a Delaware limited partnership, through VSH Corporation (“VSH”), a Delaware corporation, acquired the 51% equity interest previously owned by TLC Holdings plus a portion of the equity interest held by the current management of Vision Source.

Effective September 9, 2015, EOA Holding Co., Inc., a Delaware corporation, acquired 100% of the equity interest previously owned by Brazos and the management of Vision Source. EOA Holding Co, Inc. is a wholly owned subsidiary of Essilor International (Compagnie Generale d’Optique) S.A (“Essilor International”).

Vision Source, LLC is wholly owned by EDA Corporation (“EDA”, formerly known as VSH Corporation prior to a name change on December 31, 2021), a Delaware corporation, whose business address is the same as ours (see below). Prior to December 31, 2021, Vision Source, LLC was a Texas limited partnership named Vision Source L.P., and its general partner was Vision Source Management L.L.C., a Texas limited liability company, both of which were wholly owned by VSH Corporation. In connection with a company-wide effort at the end of 2021 to streamline and reorganize a complex corporate structure, the following transactions and changes were completed:

- 1) Vision Source Management L.L.C. was merged into the parent company VSH Corporation,
- 2) Vision Source L.P. was then converted to Vision Source, LLC (with no change in FEIN), and
- 3) VSH Corporation was renamed EDA Corporation (also with no change in FEIN).

EDA is owned by EOA Holding Co, Inc. (“EOA”), a Delaware corporation.

Essilor of America, Inc., a Delaware corporation, is an affiliate of Vision Source. Essilor of America, Inc. sells eyeglass lenses, lens coatings and related lab services to Vision Source franchisees, under the cooperative buying program, and to other eye care professionals throughout the United States and other countries around the world.

Our principal business address is 23824 Highway 59 North, Kingwood, Texas 77339, and EDA is at the same address. Essilor of America, Inc. and EOA have their principal place of business at 13555 N. Stemmons Freeway, Dallas, Texas 75234. EOA is wholly owned by EssilorLuxottica USA Inc., a Delaware corporation, with a principal business address of 12 Harbor Park Drive, Port Washington, New York 11050.

The names and addresses of our agents for service of process are stated in Exhibit A-3 to this disclosure document.

We promote the independent practice of optometry through a network of independently owned and operated optometric offices (“Network”) that consists of franchised optometric offices under a VISION SOURCE® franchise agreement and associate optometric offices under our associate membership program described below. We grant a franchise for an optometric office (“Office”) to participate in our franchise network (“VISION SOURCE® Network”). The franchise provides valuable benefits and services to optometrists who are members of the VISION SOURCE® Network, but does not provide a complete system for operating an optometry practice. We grant you the right, but not the obligation, to promote your practice as a “Member of the VISION SOURCE® Network” and to use some of our other trademarks and service marks “Marks”). We have a distinctive system for (i) facilitating the exchange of information on best practices among independent optometrists and optometric industry experts regarding the management, operation, and promotion of an optometric office; (ii) arranging for price reductions (including discounts and rebates) from vendors supplying optometric frames, lenses, and other products and related services based on the nationwide buying power of our Network; (iii) advertising, promotional and marketing programs, including the promotion and sale of prescription and non-prescription eyewear and related products and services; and (iv) offering programs relating to (i), (ii) and (iii) above. We refer to our distinctive methods, proprietary know-how, and trade secrets related to the Offices collectively as the “System.”

Beginning in 2015, we implemented an associate membership program (“Associate Membership”) which would allow a qualified, independently owned and operated optometric office to be operated under an Associate Membership agreement as an associate member (“Associate Member”) of the Network and can utilize certain aspects of the System but with some important limitations. The Associate Membership agreement includes a provision that prohibits the Associate Member from use of the Marks in any manner, including but not limited to any inclusion of or reference to the Associate Member’s office on any website or marketing materials that include any of the Marks. In addition, in all dealings with third parties (including, without limitation, employees, suppliers, patients, customers, and government authorities), the Associate Member will identify the Associate Member’s office only with the Associate Member’s own business name. The Associate Membership Agreement has an eighteen-month term. Although we refer to the Associate Membership program at various places in this disclosure document, this disclosure document is intended only for those who would become Vision Source franchisees.

We have never operated a business of the type being franchised, but the founder and several members of our management are optometrists operating independent VISION SOURCE® Offices. We have no business other than granting franchises and assisting our franchisees and Associate Members.

We have been offering these franchises since 1996. We have never offered franchises in any other line of business.

On October 1, 2018, Essilor International completed a previously announced merger with Luxottica Group, the owner of the OAKLEY, LENSRAFTERS, PEARLE VISION,

SUNGLASS HUT, and APEX BY SUNGLASS HUT brands, as well as the online retailer Glasses.com and the EyeMed managed vision care network. Upon completion of the merger, Essilor International became a holding company with the new name “EssilorLuxottica”. Essilor International had already transferred its operating activities to a wholly-owned subsidiary in November 1, 2017. This subsidiary is taking over the “Essilor International” name. EssilorLuxottica is our ultimate parent company. EssilorLuxottica and new Essilor International have their principal place of business at 147, rue de Paris 94220 Charenton-le-Pont, France.

As a result of the merger, Vision Source became an affiliate of Luxottica of America Inc., f/k/a Luxottica Retail North America, Inc. (“LOA”), an Ohio corporation. LOA’s principal business address is 4000 Luxottica Place, Mason, Ohio 45040. LOA has offered franchises for Pearle Vision® retail optical stores since May 1998. As of December 31, 2023, there were 443 franchised Pearle Vision® stores in the USA. LOA is also a wholly owned subsidiary of Oakley, Inc. (“Oakley”), a Washington corporation with a principal business address of One Icon, Foothill Ranch, California 92610. Oakley operates primarily as a manufacturer of eyewear under the Oakley® brand, and like EOA, Oakley is wholly owned by EssilorLuxottica USA Inc.

In mid-2019, EssilorLuxottica announced that it had reached an agreement with Hal Optical Investments B.V., a wholly owned subsidiary of HAL Holding NV, to acquire HAL’s controlling interest in GrandVision. GrandVision is a global leader in optical retail, with more than 7,000 locations in 40 different countries across Europe, North and Latin America and Asia, with more than 100 stores operating under the ForEyes name in the United States. After securing all of the necessary approvals from regulatory authorities, EssilorLuxottica acquired 76.72% of the ownership interests in GrandVision on July 1, 2021, and now owns more than 99% of the ownership interests in GrandVision.

At the end of the third quarter in 2021, EssilorLuxottica announced that it had reached an agreement to acquire U.S. based lab network, Walman. Walman has been a leading partner to vision care practices across the United States for more than 100 years, and the acquisition is intended to leverage EssilorLuxottica’s focus on product and service innovation to create growth opportunities for Walman. Following regulatory approvals and other customary closing conditions, the Walman transaction closed on March 1, 2022.

Neither EOA, LOA, EssilorLuxottica USA Inc., nor any other affiliates offer VISION SOURCE franchises.

We also have affiliates that offer products or services to Vision Source franchisees, as follows:

Affiliate Name and Business Address	Products or Services sold to Vision Source Franchisees
Vision Source Marketing, Inc. 23824 Highway 59 North Kingwood, Texas 77339	Cooperative practice development (please see Item 11 for details)
Essilor of America, Inc. (and its subsidiaries) 13555 N Stemmons Freeway Dallas, Texas 75234	Eyeglass products and services
Lux US Holdings (and its subsidiaries) 12 Harbor Park Drive Port Washington, New York 11050	Eyewear products and services and managed vision care

The market the Office serves is the general public.

You will be subject to extensive federal, state and local laws, rules and regulations, including those prohibiting corporations from practicing optometry, anti-kickback laws, fee-splitting laws, self-referral laws, laws limiting the manner in which prospective patients may be solicited, advertising laws and professional licensing rules. You should consult with your own attorney concerning the laws that are applicable in your state.

The industry in which you will operate is highly competitive. Your competitors will include other franchised VISION SOURCE® Offices, Associate Member Offices, franchisees in other vision care systems, independent eye care professionals, national and regional optical chains (including Pearle Vision®, and several non-franchised brands operated by our affiliates: LensCrafters®, Sunglass Hut®, Apex® by Sunglass Hut, SEARS OPTICALSM, and TARGET OPTICAL®), and national retail and wholesale chains that provide optometric products and services, and sometimes mail order and Internet suppliers of products similar to products sold in your Office (including those owned by our affiliates). In some locations, these stores may be located in close proximity to Vision Source offices and offer goods and services that are similar or identical to those offered at Vision Source centers. You will probably face increasing competition from health maintenance organizations, ophthalmologists and opticians.

ITEM 6. OTHER FEES

Type of Fee	Amount	Due Date	Remarks
Royalty	Up to 2. 50% of Gross Receipts, subject to Royalty Cap and special programs described in Footnotes 1	45 days after end of each calendar month in which Gross Receipts were received, beginning on the Start Date	The “Start Date” is specified in §3.1 of your franchise agreement.
Fee for Meals of Additional Attendees at Annual Meeting	Charge to cover meals for any employees or family members you bring to the annual meeting	At least two weeks before meeting	We pay for your meals at the annual meeting, if you choose to attend.
Review of Financial Records	Cost of review	Upon invoice	Payable only if review shows an understatement of Royalty by more than 3% or if you did not timely provide us with your financial records.
Interest on Late Payments	1% per month or the highest rate allowed by applicable law, whichever is less, on the date payment was due. (Highest rate allowed in California is 10%)	Upon invoice	Payable on payments that are not paid within 90 days of due date. If charged, interest begins to accrue on date payment was due. Our acceptance of interest does not constitute waiver of the right to timely payment.
Administrative Processing Fee on Late Payment	\$25 for a payment that is received more than 5 days after the date payment was due	Upon invoice	Our acceptance of this fee does not constitute waiver of the right to timely payment.
Declined Payment Charge	\$35 or our actual expense, whichever is more, for a payment that is returned or not honored by your bank	Upon invoice	Our acceptance of this payment does not constitute waiver of the right to timely payment.
Liquidated Damages	See Footnote 2	Within 30 days after date of termination	Subject to state law (see Addendum to this disclosure document), payable if we terminate based on your default, based on your request for an early termination of the franchise agreement, or your wrongful repudiation of the franchise agreement.

1. “Gross Receipts” is defined in section 4.1 of the franchise agreement as “all amounts received by the Office minus ‘Allowable Sales Deductions’ consisting of sales taxes and other similar taxes collected from patients or customers on the amount of sales transactions, reimbursements to insurance carriers and governmental agencies for overpayments, cash refunds to patients or customers, money lost on returned checks and credit card service charges.” This means that Vision considers “Gross Receipts” to include all of your office’s income, after allowing you to deduct (1) amounts you pay for sales and other taxes, (2) amounts you may owe as reimbursement to insurance carriers or governmental agencies, (3) patient or customer refunds, and (4) money lost due to returned checks and credit card service charges (such as merchant fees).

Under the standard franchise agreement, we can charge a Royalty of 2.50% of Gross Receipts.

Provided that you timely report your Gross Receipts and pay the Royalty fee due each month, the maximum Royalty due, during each successive 12 month period beginning on the Start Date, is \$48,000.00 (the “Royalty Cap”). If you are delinquent in reporting your Gross Receipts or paying the Royalty fee due, then the Royalty Cap will not apply for that 12 month period. If you have more than one Office, the Royalty Cap will apply to each separate Office, not the combined total, and each Office must separately report its Gross Receipts for calculation and payment of the Royalty fee due each month. If you own and operate more than one Office, the Royalty Cap for each additional Office that you own and operate is reduced to \$12,000.00. To qualify for the Royalty Cap, you must provide written notice asserting your qualification for the Royalty Cap, provided any such qualification may not be for a date that is more than 12 months before the date of your written notice.

We allow for a reduced Royalty percentage for franchisees that qualify for certain special programs:

- a. Surfacing Lab Program – This program is for franchisees who own a bona fide surfacing laboratory that is in regular operation. A “surfacing laboratory” is defined as a laboratory that is owned by the franchisee, is located within the franchisee’s business premises, and has at least a functioning generator; a cylinder machine; lens grinding laps, pads and polishing solution; alloy blocking or similar blocking for semi-finished lenses; tinting and UV system; and an edger. The “bona fide, regular operation” of a surfacing laboratory means a surfacing laboratory that is operated on a regular and consistent basis by the Franchisee, is an integral part of the Franchisee’s overall business operations and maintains an adequate inventory of single vision, clear and photochromatic stock lenses; and semi-finished bifocal and progressive, clear and photochromatic stock lenses. A qualified new franchisee will receive a 1.25% reduction in their Royalty fee for as long as they meet the qualifications of the Surfacing Lab Program. A qualified new franchisee with 5 or more Offices will receive a 1.50% reduction in their Royalty fee for as long as they meet the qualifications of the Surfacing Lab Program. The Royalty fee for an existing franchisee who installs a qualified surfacing laboratory will be the lesser of (a) the Royalty fee stated in the existing franchisee’s franchise agreement, or (b) the applicable reduction, as stated in this paragraph, from the Royalty fee as described above for the standard program.
- b. Multiple Office Program – This program is for franchisees and the franchisee’s owners who have a proportionate ownership interest in more than 2 Offices. A

“proportionate ownership interest” means either (a) the franchisee has a direct ownership of more than 2 Offices; or (b) one or more of the franchisee’s owners have an ownership interest in more than 2 Offices and, for each Office, the respective ownership interest of each owner is not less than a proportionate interest in relation to any other owners of the Offices. A qualified new franchisee who has 3 or 4 Offices will receive a 0.50% reduction in their Royalty fee as long as they continue to meet the qualifications of the Multiple Office Program. A qualified new franchisee who has 5 Offices will receive a 1% reduction in their Royalty fee as long as they continue to meet the qualifications of the Multiple Office Program, and the monthly Royalty fee for each Office will be capped at \$1,500 per month, with annual Royalty fees for the group of five Offices capped at \$80,000 for the year. A qualified new franchisee who has six or more Offices will receive a 1.5% reduction in their Royalty fee as long as they continue to meet the qualifications of the Multiple Office Program, and the monthly Royalty fee for each Office will be capped at \$1,000 per month, with annual Royalty fees for the group of six or more Offices capped at \$100,000 for the year. The Royalty fee for an existing franchisee who starts or acquires additional Offices will be the lesser of (a) the Royalty fee stated in the existing franchisee’s franchise agreement, or (b) the applicable reduction, as stated in this paragraph, from the Royalty fee as described above for the standard program.

- c. Vision Source NEXT Programs. We may offer incentives for new or existing franchisees who either (1) purchase or invest in existing Vision Source Offices, or (2) enter into student loan repayment agreements with newly hired associate Optometrists employed to work in a Vision Source Office. As of the date of this disclosure document, we are offering either (1) direct financial support to secure third-party financing in the form of cash down-payment assistance or (2) monthly, whole dollar credits against Royalty owed that represent all or a portion of the amount of interest paid by the Franchisee/Owner(s) when financing has been secured to purchase or invest in an existing Vision Source Office. In both cases, franchisees may be required to commit to a Franchise Term of One Hundred Twenty (120) Months, rather than the typical Sixty (60) Months. Those receiving direct financial support may be asked to pay an increased Royalty fee until the down payment assistance has been recouped by Vision Source. Those receiving the monthly, whole dollar credits against the Royalty owed will receive a credit against their Royalty every month that is calculated to either (1) offset all or a portion of the interest paid on the third party loan that was secured to purchase or expand the existing Vision Source Office; or (2) offset all or a portion of the obligation undertaken by the Franchisee under a student loan repayment agreement. We reserve the right to change or discontinue this incentive program at any time. Vision Source NEXT Program participants must be approved by the Chief Operating and Financial Officer.
- d. Other Royalty Programs - We may implement or test other incentive programs or short-term promotions under which we reduce or suspend the Royalty for new or renewing franchisees. We will inform you of any such programs that we have in effect at the time you are considering a Vision Source franchise.

You should ask us if you qualify for a reduced Royalty percentage or credit under any of the above programs. We can discontinue a program without notice at any time in our sole

and absolute discretion, but it will not affect those who have already joined Vision Source under that program.

If, in the future, a legal determination is made by a government authority or by us upon advice of counsel, that the current method of calculating the Royalty does not conform to current law, then we will negotiate with you in good faith an alternative fee arrangement that would conform to the law and provide equivalent economic value to Vision Source. If you and we do not agree within 90 days, we can terminate the franchise agreement immediately upon written notice to you. All post-termination obligations of the parties will remain in effect.

2. If we terminate based on your default, your request for an agreed early termination or wrongful repudiation of the franchise agreement, you must pay us liquidated damages in an amount equal to the accrued Royalties during the immediately preceding 24 full calendar months or the number of months remaining in the term of the franchise agreement at the date of termination, whichever is less. If you have been operating the Office for less than 24 months, then the amount will be the average monthly Royalty since the Start Date multiplied by 24. The liquidated damages will not be less than \$1,000.00 per month. You must also pay any taxes assessed on the payment of liquidated damages. If you have requested an early termination, and you previously provided the Notice of Intent to Transfer to Vision Source, then we will waive our right to Liquidated Damages
3. All payments and fees are payable to us and are not refundable. We impose and collect all fees. Whether payments to others are refundable depends on the arrangements you make with them. All fees are uniformly imposed, except to the extent that the Royalty reduction programs produce variation among franchisees.
4. Upon your election to do so, we may apply rebates we would otherwise distribute to you under the CBP (see Item 8) toward current Royalties and other fees you owe to Vision Source. We may apply your payments to any past due debt you owe us regardless of how you say the payment should be applied. We may deduct past-due amounts owed to Vision Source and our affiliates from any rebates we would otherwise distribute to you under the CBP. If you do not pay all amounts when due, we may suspend all or part of our services and support, including your participation in the CBP or other programs we offer in the System, until you cure the delinquency.

1. Except for the “Additional Funds” category shown above, the table above shows estimated expenses from the Effective Date of the franchise agreement until your Office begins to operate under the franchise agreement. None of the expenses are refundable, except for insurance, which may be partially refundable, and deposits. We do not finance any startup expenses.
2. These figures are based on the assumption that the premises will be rented. We have no requirements regarding the size of your office, but it will probably range from 1,200 to 5,000 square feet. A payment to the landlord as a lease deposit and the first month's rent, usually due at lease signing, is estimated to be between \$2,500.00 and \$15,000.00, but this will vary widely depending on prevailing rental rates in your community. Unless your premises have already been built out for an optometry office, interior construction and tenant improvements may cost up to \$115,000.00 for payments to the architect, contractor and government agencies. If you negotiate a capital allowance for construction from your landlord, this will result in an increase in rental payments over time but a lower startup cost.
3. This figure covers the estimated cost of attorney review of this document, the franchise agreement, and your lease, as well as set-up of a professional corporation or limited liability company to operate the Office.

4. This category includes such items as contact lenses, optical frames and lenses, and optometric and office supplies.
5. This category includes sales tax deposits or bonds, construction permit and utility deposits.
6. This figure includes cost of obtaining listings in classified telephone directories and of preparing and sending out announcements, flyers and public relations releases concerning the opening of your Office.
7. This category includes the estimated premiums for the first three months of coverage under the professional errors and omissions, products liability and general liability insurance policies required by the franchise agreement.
8. This category includes estimated employee wages, opening cash, business licenses and permits, and other miscellaneous expenses incurred before opening and during the first 90 days of operations of your Office. We relied on the many years of experience of our officers and directors, most of whom own and operate VISION SOURCE® Offices, and of our other franchisees in developing these figures. You should review them carefully in light of local conditions and the current economic outlook, consulting a business advisor if necessary.

1. Except for the “Additional Funds” category shown above, the table shows estimated additional expenses for converting an already operating office to franchised operation incurred from the Effective Date of the franchise agreement until your Office begins to operate under the franchise agreement. None of the expenses are refundable, except for insurance, which may be partially refundable, and deposits. We do not finance any start-up costs.
2. This figure covers the estimated cost of attorney review of this document and the franchise agreement.
3. This category includes estimated miscellaneous expenses attributable to the franchise that are incurred after the Effective Date and during the first 90 days of operations under the franchise agreement. We relied on the many years of experience of our officers and directors, most of whom own and operate VISION SOURCE® Offices, and of our other franchisees in developing these figures. You should review them carefully in light of local conditions and the current economic outlook, consulting a business advisor if necessary.

ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Under the Cooperative Buying Program (“CBP”), we negotiate purchase arrangements with suppliers and service providers, including advantageous price terms and price reductions (including discounts and rebates), for the benefit of all members of the Network. Operation of the CBP is one of the most important services we offer. The vendor programs currently included in the CBP may be removed or changed and new vendor programs may be added, in our sole discretion. We do not guarantee you will be allowed to participate in all aspects of the CBP. By participating in the CBP, you agree that all products and services you purchase under the CBP will only be used and/or sold at your Office and are not for resale other than in the ordinary course of your business with the general public. You also agree the vendors participating in the CBP may disclose to us the details of the vendor’s transactions with you and your Office. You also agree that all of the details and information relating to the CBP and all CBP transaction data are confidential and proprietary information and are provided to you subject to the confidentiality provisions of the franchise agreement.

You do not have to buy anything from approved or designated suppliers or vendors. You do not have to make any purchases or participate in any price reductions under the CBP. None of the goods or services offered under the CBP are subject to our specifications.

The use of our Marks in marketing materials is subject to our written guidelines for use of the Marks. The coverage of your insurance policies is subject to our written specifications. Our requirements regarding use of the Marks and coverage of your insurance are simple and are based on the experience of our officers and directors who operate Offices. If we change these requirements, we will notify you in writing.

Because we have no approved or designated suppliers, none of our officers has an interest in any designated or approved supplier and you are not required to buy any products or services from our affiliates.

We receive revenue from your purchases under the CBP in the form of rebates that we distribute to franchisees and Associate Members. In 2023, we received \$53,449,125.14 in rebates from suppliers, which we distributed to franchisees in proportion to their purchases from the rebating suppliers. None of the rebates were received from approved or designated suppliers (because we have no approved or designated suppliers) or from purchases that must meet our specifications.

Some suppliers also make payments to us for sponsorship of our website, sponsorship of marketing and practice management consultants and seminars, local and regional meetings, and/or annual national meeting, at their option. None of these vendors are approved or designated vendors, nor do franchisee purchases from these vendors have to meet our specifications.

ITEM 10. FINANCING

We do not offer direct financing for any fees or operating expenses associated with a Vision Source Office. You may, however, obtain financing from third parties to purchase another Office, expand your Office or start a new Office.

For these purposes, we may refer you to our banking partners. We do not receive any benefits from our banking partners in connection with Franchisee financing, and none of our banking partners are affiliates of the Franchisor. Currently, the only lender engaged in the financing programs outlined is Bank of America.

The financing provided through our banking partners is intended to support you and the growth of your practice. Financing is available to support the expansion of an existing Office, the addition of a new or “cold start” Office, or the purchase of an existing Vision Source Office from another Vision Source member. The program with our banking partners will provide financing for either the entire amount or some portion of the amount required for the expansion of your business. Interest rates are tied to the published interest rates, and in coordination with our banking partners, Vision Source may provide either (1) down payment assistance or (2) credits against Royalty in the amount of your interest payments when you meet certain performance and engagement metrics, such as attendance at local Vision Source Member meetings, attendance at The Exchange, adopting Vision Source branding, and utilization of certain vendors.

In general, loan terms will typically extend between two (2) and ten (10) years, and there will be no penalty for prepayment. A security interest may be taken by the lender against your equipment, and Vision Source may post additional security for loans made in connection with these programs.

Should you default, the banking partners may reserve the right to accelerate the loan and declare all amounts due immediately payable, including interest. In the event of default, Vision Source also reserves the right to terminate the Franchise Agreement following the appropriate notice of default and cure period.

Samples of the forms of financing agreement available to Vision Source Franchisees are attached as Exhibits E-1 and E-2. However, our banking partners are not obligated to offer you the same terms as indicated in the forms attached or in this explanation. The banking partners may offer you different terms or decline to offer you financing.

ITEM 11. FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

Pre-Opening Obligations

We will give you necessary information regarding your access to the CBP we have established with various vendors of products and services you may use in your Office. (Franchise Agreement, §6.1)

Site Selection

You must find your own site for your Office before you sign a franchise agreement with us. You may want to use our geospatial service offering to assist in your selection of the sight for your location. You may operate your Office only at the Designated Location we specify in Attachment 1 to the franchise agreement, unless we consent in writing to a change in location. (Franchise Agreement, §§1.1 and 1.5). The primary factor that we consider in approving a site is whether it is within the

Territory we will grant you in your franchise agreement. We must approve your proposed site before you may sign a franchise agreement with us.

Time Before Opening

We estimate that the time between the Effective Date of your franchise agreement and the date when you begin operating under the franchise agreement will be less than six months. Factors that may affect the length of this period are whether you are opening a new Office or converting an existing practice to franchised operation, whether you choose to use our Mark(s), the extent of construction or remodeling that will be necessary, your ability to obtain financing, delays caused by difficulty in obtaining building permits and complying with zoning ordinances, weather conditions and the length of time you need to obtain signs and supplies.

Post-Opening Obligations

Cooperative Buying Program.

We have established a Cooperative Buying Program with various suppliers of optical products and other products and services used in an Office. The CBP provides price reductions (discounts and rebates) to franchisees in connection with purchases (Franchise Agreement, §6.1) and also to Associate Members. We do not guarantee you will be able to participate in all aspects of the System or CBP.

Consultation and Services.

We will provide individual and/or Network-wide consultation and advice to you in the management and promotion of your Office. You may decide, in your sole discretion, whether to follow our advice. This consultation and advice may be provided, at our election, in bulletins, newsletters or other written materials, by postings on a web site, by telephonic or personal consultations at the offices of Franchisor or the location of the Office, at monthly or annual meetings of members of the Network, or by any other means that current technology makes possible. We will also facilitate the exchange of practice development ideas between our franchisees and others whose expertise may benefit our franchisees. (Franchise Agreement, §6.4)

Provide access to human resources services, including development of policies for the workplace, guidance regarding payroll compliance, hiring, onboarding, employee relations, compensation, benefits, learning and development. Such services will be provided by a third- party human resources consulting firm retained by Vision Source to provide services to you. While most services will be provided free of additional charges, the human resources consulting firm may require you to pay certain reasonable fees for customized recruiting services.

Advertising and Promotional Material.

We will make available for your use a limited amount of advertising and promotional material and services. These may include video and audiotapes, forms and templates, copy-ready print advertising materials, and miscellaneous point-of-sale items. Artwork will be made available in digital form. You must pay your own reproduction costs if you choose to use this material. (Franchise Agreement, § 6.5)

Advertising Services

Except as described above, we do not have a required central advertising or marketing program for the Network.

You do not have to contribute to an advertising fund.

We do not have a franchisee advisory council to advise us on advertising.

You do not have to participate in a regional advertising cooperative.

If you want to use any advertising or marketing material(s) that were not developed or prepared by us, that will include the Names and Marks, you must submit those materials to us for review and approval by us, in our sole discretion, prior to any use, publication or distribution.

Computer Systems

We do not require you to buy or use electronic cash registers or computer systems. If you acquire and use an electronic cash register or computer system, we will not have independent access to any information and data on your computer system.

Manual

Our franchise offers services rather than a complete business system, so we do not provide an operating manual. Because our franchisees or their Owners are all licensed optometrists and Vision Source does not engage in the corporate practice of medicine, we do not attempt to control the management or operation of their practices through requirements, standards, specifications and other material of the type generally included in a manual.

Training Program

We do not have an initial training program for the reasons stated in the previous paragraph. From time to time we offer you online training modules on various subjects at no additional charge. We currently conduct a three-day annual meeting at which speakers and participants share valuable information and materials. Attendance is voluntary and there is no registration fee. We make available some of your meals at the annual meeting without charge. However, you must pay your own travel, lodging and other incidental expenses if you choose to attend. If you bring employees or family members with you to the annual meeting, we charge a fee sufficient to cover our cost for their meals.

ITEM 12. TERRITORY

Under the franchise agreement, we grant you a franchise to use specified Marks and participate in the membership benefits of the Network in the management of an optometric office at a single location (“Designated Location”) described in Attachment 1 to the franchise agreement.

Your Designated Location will be within a defined territory (the “Territory”) on which you and we have mutually agreed before you sign the franchise agreement. The Territory will be specified in Attachment 1 to the franchise agreement, usually expressed in relation to the centerlines of highways and streets.

You will not receive an exclusive territory. You may face competition from other franchisees, from Associate Members, from outlets that we own, or from other channels of distribution or competitive brands that we control. These include our Associate Members and our affiliates’ non-Vision Source outlets, including retail optical stores under the names Pearle Vision®, LensCrafters®, Sunglass Hut®, Apex® by Sunglass Hut, Llori, Optical Shops of Aspen, Oliver Peoples, and Alain Mikli. In addition, LRNA is authorized to use the SEARS®, SEARS OPTICALSM, TARGET®, and TARGET OPTICAL® trademarks in the operation of retail optical stores at host store sites under licensing and leasing arrangements with the host brands. LRNA does not own these trademarks. You will also face competition from online and mail order sales.

Although your Territory will not be exclusive, we agree not to establish or franchise others to establish an Office within your Territory under the Vision Source Marks and System. We do

not have a minimum or maximum area we will assign as a Territory; rather, the size of your Territory will depend upon the demographic information for the proposed Territory and also the area within which you would reasonably be expected to draw patients and customers to your Office.

Your protection for the Territory is subject to some important limitations:

1. In certain circumstances, we have approved two or more franchisees to operate Offices within the same Territory or portion of the same Territory, but only upon the written consent of all franchisees who will be sharing that designated Territory.

2. If you default under your franchise agreement and your default continues after written notice from us and beyond any applicable cure period, and we elect not to terminate your franchise agreement, during the remainder of the initial term and any renewal terms, we have the right to (i) establish or franchise other Offices in your Territory, and (ii) grant Associate Memberships in your Territory, even if your default is subsequently cured.

3. If your franchise agreement expires, we have the right to (i) establish or franchise other Offices in your Territory, and (ii) grant Associate Memberships in your Territory, even if we accept a Royalty payment from you after your franchise agreement has expired and even if we have not announced the expiration of your franchise agreement to the suppliers in the CBP.

4. We and other franchisees and Associate Members have the right to conduct general advertising, direct and indirect sales, marketing, and promotional programs anywhere, including within your Territory, as permitted by state law.

5. During the term of your franchise agreement, we may grant Associate Memberships in your Territory, but only with your prior written consent.

6. If you renew your franchise agreement for one or more renewal term(s), the renewal franchise agreement may have materially different terms and conditions from your expiring contract, including but not limited to the definition of the Territory.

All Vision Source franchisees and Associate Members have the right to use other channels of distribution, such as the Internet, social media, catalog sales, telemarketing, or other direct marketing, to make sales outside his or her territory. Therefore, you may solicit business from any patient or customer, irrespective of the location of the patient or customer, and we or any other franchisee and Associate Member may directly or indirectly solicit business from any patient or customer, even if the patient or customer is in your Territory. Because mobile exam units/vehicles and temporary pop-up shops operate like an Office as that term is defined in the Franchise Agreement, these alternative distribution channels are subject to the Territory grants made to Vision Source franchisees, and the operation of such mobile exam units and temporary or pop-up shops will be contingent upon the consent of the Member in whose territory the facility will be operated. Neither you, Vision Source nor any Associate Member will receive any compensation for the direct or indirect solicitation of patient(s) and customer(s) within your Territory.

Relocation

Before you may change the location of your Office, the address of the new location must be approved and designated in writing by both parties to the franchise agreement. We will not withhold our consent to any changed location within the Territory unless, in our sole discretion, that any changed location will be unreasonably close to that of another current or prospective VISION SOURCE® franchisee or that the new location will damage the goodwill associated with our Marks. Our consent to

any such change, whether inside or outside the Territory specified in the franchise agreement, may be conditioned upon your entering into a written amendment to modify the Territory. If you change the location of your Office, whether inside or outside the Territory, without first obtaining our written consent, we may either (i) consent to the new location of your Office and, in our discretion, modify the Territory by written notice to you, or (ii) terminate your franchise agreement.

Option for Additional Office

For your first franchise with us, we grant to you (or a professional entity your owners control and operate), a nontransferable option, during the term of the first franchise agreement, to enter into a franchise agreement for an additional Office, under our effective form of agreement at that time, modified to provide that the required Royalty will be that specified under Section 4.1 of your first franchise agreement. The option may be exercised only when you are not in default of the franchise agreement. The additional Office may be located inside or outside the Territory granted in the franchise agreement, at our sole discretion.

Rights Not Contingent

Your territorial rights are not dependent upon achieving a certain sales volume, market penetration or other contingency.

Competition

We and our affiliates retain the right to establish franchise networks and grant franchises under other names and marks, inside or outside the Territory. As noted in Item 1, we have affiliates that operate and franchise businesses under other trademarks, and that sell products and services similar to those you will offer. Outlets of our affiliates' brands could exist or be established in your Territory, and your Office may have to compete with them. We do not have a policy to resolve conflicts between the different brands regarding territory, customers, and franchisor support.

ITEM 13. TRADEMARKS

Under the franchise agreement, we grant you the right, but not the obligation, to use the Mark, "Member of the VISION SOURCE® Network," or any other Marks we specify in writing, to promote the Office, provided the following requirements are met:

1. The Mark may not be so prominent in any context that it appears to be the name of Franchisee's optometry practice. The legal name of Franchisee's optometry practice must conform to applicable advertising laws and ethical rules governing professional practice and appear in a typeface that is at least as prominent as the Mark.
2. Franchisee must follow any written guidelines Franchisor provides concerning the use of the Marks.
3. All new forms of advertising and marketing materials in which the Mark(s) appear must be submitted to Franchisor for prior review.

On December 8, 1992, the principal Mark VISION SOURCE® was registered on the Principal Register of the United States Patent and Trademark Office (USPTO), registration number 1,738,869, in international classes 9 and 42. All required affidavits have been filed and the registration was renewed on June 14, 2013.

On May 29, 2012, another principal Mark, consisting of the words "Vision Source" appearing in a stylized font as shown below, was registered on the Principal Register of the United States Patent and Trademark Office (USPTO), registration number 4,151,408, in international classes

35 and 44. On August 20, 2013, the same Mark, consisting of the words “Vision Source” appearing in a stylized font as shown below, was registered on the Principal Register of the United States Patent and Trademark Office (USPTO), registration number 4,388,539, in international class 9.

On June 3, 2014, another principal Mark, consisting of the monogram “VS” appearing in a stylized font as shown below, was registered on the Principal Register of the United States Patent and Trademark Office (USPTO), registration number 4,543,805, in international class 44. On November 11, 2014, the same monogram “VS” appearing in a stylized font as shown below, was registered on the Principal Register of the United States Patent and Trademark Office (USPTO), registration number 4,637,472, in international class 9.

There is no currently effective material determination of the USPTO, the Trademark Trial and Appeal Board, or any state trademark administrator or court, or any pending infringement, opposition, or cancellation proceeding that affects our ownership, use or licensing of the principal Mark.

There is no pending material federal or state court litigation regarding our use or ownership rights in the principal Mark.

We have also registered several other Marks that may be used to promote an Office.

There is no currently effective agreement that significantly limits our right to use or license the use of our Marks in a manner material to the franchise.

You must notify us immediately in writing if you become aware of any unauthorized use of our Marks or System. You must promptly notify us in writing of any claim, demand, or suit against you or your owners, directors, employees or agents in connection with their use of the Marks or System. In any action or proceeding arising from or in connection with any such claim, demand, or suit, we may select legal counsel and will have the right to control the proceedings.

We must indemnify and hold you harmless from all expenses and liabilities of any kind arising from or in any way connected to any third party's claim that your use of the Marks in the operation of your Office infringes its intellectual property rights. If you are made a party to a legal proceeding in connection with a claim of this type, we will hire counsel to protect our interests and will defend you at our own expense. Any settlement we negotiate will bind you, but we will reimburse you for your direct cost of compliance with the settlement agreement.

We are not obligated to take affirmative action in regard to infringing uses of which you inform us or of which we otherwise become aware.

We have the right to change the Marks and the specifications for their use upon reasonable notice to you. You must promptly conform, at your own expense, to any such changes.

We do not know of any superior rights or infringing uses that could materially affect your use of the Marks.

ITEM 14. PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

In 2018, we began developing software for the use of Vision Source members that would allow them to streamline the process required to order frames and lenses while correctly applying benefits available to patients through various managed vision care plans. This software is now known as Vision Source MAX, and we own both the copyright to the source code for the “Vision Source MAX Estimator” (Copyright Number TXu 2-215-859) and a pending patent application (No. 17/314,278 filed on May 7, 2021) titled HYBRID DECISION TREE MACHINE LEARNING SYSTEMS AND METHODS. The pending patent application was later published on November 11, 2021. Vision Source MAX is available as Software as a Service (SaaS) to all Vision Source members who sign the required licensing agreement prior to implementing Vision Source MAX in their offices. Currently, there are no fees or other charges associated with licensing Vision Source MAX, and licenses are only offered to Vision Source members. In addition to our copyright in the Vision Source MAX Estimator.

We claim common law copyright protection for advertising and marketing materials that we design for use by members of the VISION SOURCE® Network and for online training materials we make available to you regarding optometry practice management.

Your owners must sign a nondisclosure agreement in the form of Attachment 2 to the franchise agreement in regard to proprietary information we provide to you during the term of the franchise. This information includes the details of offers by vendors under the CBP and the contents of our online training material, as well as other confidential information.

ITEM 15. OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

You, if you are an individual, or all your owners, if you are a professional entity, must be licensed optometrists or ophthalmologists in good standing. We allow an exception to this rule for those currently in optometry or medical school who are within six (6) months of taking licensure exams before State Boards of Optometry or Medicine, on the understanding that the Franchise Agreement will be voided in the event the license to practice optometry or medicine is not conferred upon the new Franchisee within the first twelve (12) months of the Initial Term. You or one of your owners must exercise personal on-premises supervision over the Office.

You will be responsible for all business and management decisions for your optometry practice. We will not interfere with your professional judgment. We will not assert ownership in your optometry practice, patient medical records or medical equipment. You will be fully responsible for all aspects of your optometry practice, including but not limited to the selection of employees, suppliers, contractors, inventory and medical equipment, coding and billing procedures, decisions regarding patient care or any patient’s need for referrals to other health care practitioners, and your hours of practice.

You, if you are an individual, or all your owners, if you are a professional entity, must sign a guaranty of the obligations under the franchise agreement. Our current form of guaranty is in Attachment 3 to the franchise agreement.

Independent Auditor's Report

To the Stockholder of
Vision Source Marketing, Inc.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Vision Source Marketing, Inc., which comprise the balance sheets as of December 31, 2023, 2022, and 2021, and the related statements of income, changes in stockholder's equity, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Vision Source Marketing, Inc. as of December 31, 2023, 2022, and 2021, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vision Source Marketing, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vision Source Marketing, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued (or when applicable, one year after the date that the financial statements are available to be issued).

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

The Stockholder of
Vision Source Marketing, Inc.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vision Source Marketing, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vision Source Marketing, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Vision Source Marketing, Inc.

Notes to Financial Statements

Note 1. Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

Vision Source Marketing, Inc., a Texas Corporation (the Company), was formed May 1, 2003, and is owned 100 percent by Vision Source L.L.C (the Parent). On April 13, 2011, VSH Corporation, a Delaware Corporation (VSH), acquired 100 percent of the limited partnership interests of the Parent.

The Company is engaged in developing marketing and advertising programs on behalf of the Parent's franchisee members.

The Parent provides certain services for accounting, legal and information technology for the Company. There is no overhead allocated or charged by the Parent for these services.

Reclassifications

Certain reclassifications have been made to the 2022 financial statements to conform to the 2023 financial statement presentation. These reclassifications had no effect on the change in net income.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Restricted Cash

Cash received from marketing groups is considered to be restricted, as the individual marketing groups have authority, with the consent of the Parent, to authorize all fund disbursements. Furthermore, all excess funds not expended, as determined by the Parent, are required, per the franchise agreement, to be returned to the marketing groups.

Accounts Receivable

Accounts receivable are based upon contracted prices and stated net of the allowance for doubtful accounts. The Company provides an allowance for doubtful accounts, which is based upon a review of outstanding receivables, historical collection information and existing economic conditions. Accounts receivable are due upon receipt and notes receivable are due as stipulated in the underlying agreement. Delinquent receivables are written off based on individual credit evaluation and specific circumstances of the customer. Accounts receivable as of December 31, 2023, 2022, 2021 and 2020 were \$0, \$0, \$9,901 and \$62,480, respectively.

Vision Source Marketing, Inc.

Notes to Financial Statements

Income Taxes

The Company accounts for income taxes in accordance with income tax accounting guidance Accounting Standards Codification 740, *Income Taxes*. The income tax accounting guidance results in two components of income tax expense: current and deferred. Current income tax expense reflects taxes to be paid or refunded for the current period by applying the provisions of the enacted tax law to the taxable income or excess of deductions over revenues. The Company determines deferred income taxes using the liability (or balance sheet) method. Under this method, the net deferred tax asset or liability is based on the tax effects of the differences between the book and tax bases of assets and liabilities, and enacted changes in tax rates and laws are recognized in the period in which they occur. Deferred income tax expense results from changes in deferred tax assets and liabilities between periods. Deferred tax assets are reduced by a valuation allowance if, based on the weight of evidence available, it is more likely than not that some portion or all of a deferred tax asset will not be realized.

Tax positions are recognized if it is more likely than not, based on the technical merits, that the tax position will be realized or sustained upon examination. The term "more likely than not" means a likelihood of more than 50 percent; the terms examined and, upon examination, also include resolution of the related appeals or litigation processes, if any. A tax position that meets the more-likely-than-not recognition threshold is initially and subsequently measured as the largest amount of tax benefit that has a greater than 50 percent likelihood of being realized upon settlement with a taxing authority that has full knowledge of all relevant information. The determination of whether or not a tax position has met the more-likely-than-not recognition threshold considers the facts, circumstances and information available at the reporting date and is subject to the management's judgment.

Revenue Recognition

In 2022, the Company entered into a Master Services Agreement (MSA) in which the Company receives revenue from the Parent by providing marketing services to third party vendors under the Cooperative Buying Program entered into with the Parent's franchisees and the Parent.

Within each contract, the Company has one performance obligation to provide marketing and advertising services to the third party vendors. The Company utilizes third parties and Parent's marketing employees to execute these services and has determined to be the principal as they control the services performed by directing the activities of the vendors and the Parent's marketing employees. Each contract contains variable consideration based upon the benefit to be received by the member. The Company uses the output method of services performed to determine the transaction price and recognizes revenue ratably over time as the customer receives benefit from execution of the marketing program

In 2021, the Company receives revenue from the Parent's franchisees across the United States, who elect a fee as stipulated in a marketing agreement. Members make fixed monthly deposits based upon the fee in the agreement. Excess fees received or receivable are recorded as deferred revenue and the Company returns excess funds to the marketing groups not expended within the specific period agreed to with the marketing groups. As of December 31, 2022, the excess funds from the Parent Company franchisees are included within the Due to Vision Source LP franchisees line item in the balance sheet.

Vision Source Marketing, Inc.

Notes to Financial Statements

Within each contract, the Company has one performance obligation to provide marketing and advertising services to its members. The Company utilizes third parties to execute these services and has determined to be the principal as they control the services performed by directing the activities of the vendors on behalf of the marketing groups. Each contract contains variable consideration based upon the benefit to be received by the member. The Company uses the output method of services performed to determine the transaction price and recognizes revenue ratably over time as the customer receives benefit from execution of the marketing program. There were no contract assets or liabilities as of December 31, 2023.

Note 2. Related Party Transactions

Transactions between related parties are considered to be related party transactions even though they may not be given accounting recognition. ASC Topic 850, Related Party Transactions, requires that transactions with related parties that would make a difference in decision making shall be disclosed so that users of the financial statements can evaluate their significance.

Through the Company's MSA with the Parent the Company receives revenue from the Parent by providing marketing services to third party vendors and a related party. As of December 31, 2023, the Company provided marketing services of \$180,000 to the related party. The Company did not have any related party revenue for the 2023 and 2022 period.

The Company has a related party receivable balance totaling \$101,143, \$378,782, and \$80,173 as of December 31, 2023, 2022, and 2021, respectively.

The Company has a related party payable balance totaling \$45,825, \$160,237, and \$122,111 as of December 31, 2023, 2022, and 2021, respectively.

Note 3. Income Taxes

Since inception, the Company has been a corporation for federal income tax purposes and is subject to both federal and state income taxes. In 2012, the Company applied to the Internal Revenue Service (IRS) for a change in accounting method for amounts collected by the Company from third-party franchisees to pay for marketing and advertising expenses on behalf of the franchisees. This application was approved by the IRS in February 2013 and applies prospectively beginning with tax year 2012. Accordingly, the Company no longer incurs taxes for such marketing and advertising revenues and expenses. However, if there are any revenues and expenses other than marketing and advertising, these amounts are subject to taxation.

The Company has not recognized an income tax provision for the years ended December 31, 2023, 2022, or 2021.

Vision Source Marketing, Inc.

Notes to Financial Statements

The change in accounting method with the IRS created a net operating loss of which \$168,902 remains and gave rise to a noncurrent deferred tax asset of \$57,427, which has been recorded in the balance sheets as of December 31, 2023, 2022, or 2021. However, the ultimate realization of the deferred tax asset is dependent upon the generation of future taxable income during the available carryforward period of 16 years. A full valuation allowance has been recorded against the deferred tax asset because management does not believe it is more likely than not this deferred tax asset will be fully realized as the Company does not expect to generate taxable income during the carryforward period.

The Tax Cuts and Jobs Act of 2018 lowered the statutory tax rate for corporations from 35% to 21%. Accordingly, companies are required to calculate deferred taxes at 21%. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. Management deems the effect on income as a result of the change in tax rate to be immaterial as a full valuation allowance has been recorded against the deferred tax asset.

Note 4. Subsequent Events

The Company has evaluated all events and transactions that occurred after December 31, 2023 and through February 27, 2024, the date the financial statements were available to be issued, and has determined that no significant events have occurred subsequent to December 31, 2023 that warrant additional disclosure.

RECITALS

A. Franchisor desires to promote the independent practice of optometry through a network of independently owned and operated optometric offices (“Network”).

B. Franchisor, as a result of the expenditure of time, skill, effort and money, has developed a distinctive method of (i) facilitating the exchange of information on best practices among independent optometrists and optometric industry experts regarding the management, operation, and promotion of an optometric office; and (ii) arranging for pricing concessions and/or discounts from vendors supplying optometric frames, lenses, and other products based on the nationwide buying power of the Network (the foregoing distinctive methods, proprietary know-how, and trade secrets in (i) and (ii) are collectively referred to as the “System”).

C. Franchisor has acquired exclusive rights in various service marks, trademarks, symbols, slogans, emblems, logos indicia, designs, and other distinguishing characteristics that may be used to promote the members of the VISION SOURCE® Network (“Marks”), including, among others, the Mark VISION SOURCE®, added to the principal register of the United States Patent and Trademark Office, registration number 1738869, in international classes 9 and 42 on December 8, 1992, and renewed on June 14, 2013.

D. Franchisee (defined in Section 15.14) would like to select from the benefits and programs available to the Network as part of the System and to use certain designated Marks to promote Franchisee’s practice as an independently owned and operated practice that is a member of the VISION SOURCE® Network.

E. Franchisee understands and acknowledges the importance of high standards of quality, appearance and service in an optometric office and the necessity of operating Franchisee’s office in a manner which enhances the goodwill associated with the Marks.

NOW, THEREFORE, in consideration of the above and the mutual covenants and agreements in this Agreement, the receipt and sufficiency of which are acknowledged as valuable consideration by the parties to this Agreement, Franchisor and Franchisee (individually, a “Party” and collectively, the “Parties”) mutually agree:

ARTICLE 1. ISSUANCE OF FRANCHISE

1.1. Grant of Franchise.

Franchisor grants to Franchisee a franchise to use specified Marks and participate in the programs and benefits available to the Network in the management of an optometric office (“Office”), in strict conformity with the terms and conditions of this Agreement, at a single location (“Designated Location”) described in Attachment 1 to this Agreement.

1.2. Territory.

Franchisee's Designated Location will be within the geographic territory ("Territory") specified in Attachment 1 to this Agreement. Except for the rights reserved below or as described in the next sentence, Franchisor agrees not to authorize any other franchisee to base an Office within the Territory or base any company-owned Office using the Marks and System within the Territory. However, if Franchisee fails to cure a material default within the applicable cure period after receiving written notice of default, then, even if Franchisee later cures the default, Franchisor may opt to remove Franchisee's exclusive rights in the Territory rather than terminate the franchise. Furthermore, Franchisor will not be prohibited from basing or authorizing any other franchisee to base an Office using the Marks and System within the Territory, upon the expiration of the initial term or any renewal term, even if Franchisor accepts a Royalty payment from a franchisee after the term of this Agreement has expired and even if Franchisor has not announced the termination of this Agreement to the vendors in the CBP described in Section 6.1.

1.3. Rights Reserved.

Franchisor retains the right to grant franchises to an affiliate of Franchisor or to others to use the System and Marks in Offices anywhere outside the Territory. Franchisor and its affiliates each retain the right to establish franchise networks and grant franchises, under other names and marks, inside or outside the Territory, and grant associate memberships in the Network outside the Territory and, with the prior written consent of Franchisee, inside the Territory.

Franchisor, other franchisees of the VISION SOURCE® Network and associate members of the Network may conduct general advertising, direct and indirect sales, marketing and promotional programs anywhere within the Territory, as permitted by applicable state law. However, in the absence of Franchisee's consent, other franchisees and associate members of the Network may not engage in direct sales within the Territory through either: (1) the use of mobile clinic and/or optical units, such as those mobile clinics that may be operated inside converted automotive, commercial or recreational vehicles, or (2) the establishment of temporary or "pop-up" locations.

1.4. Option for Additional Franchised Location(s).

If this is Franchisee's first franchise with Franchisor, Franchisor grants to Franchisee (or an affiliate of Franchisee controlled and operated by the same Owners as those of Franchisee), a nontransferable option to enter into a franchise agreement for up to 2 additional Offices, as permitted by law, under Franchisor's currently effective form of agreement at that time, modified to provide that the required royalty will be the same as that specified under this Agreement. The option may be exercised only when Franchisee is not in default of this Agreement.

The additional Office may be located inside or outside the Territory granted in this Agreement, at Franchisor's sole discretion. For this Agreement, "controlled" means that 50% or more of the beneficial ownership interest in the additional Office is the same as that of the initial Office and "Owner" and "Owners" mean the shareholder(s), member(s), general partner(s), limited partner(s) or anyone else who owns an equity interest in Franchisee.

1.5. Relocation and Amendment of Territory.

Before Franchisee may change the location of its franchised Office, the address of a new Designated Location must be designated in writing and approved by Franchisor. Franchisor will not withhold its consent to any relocation within the Territory unless it believes, in its sole discretion, the proposed new location might be unreasonably close to another current or prospective VISION SOURCE® franchisee or the new site will damage the goodwill associated with the Marks. Franchisor's consent to

the change, whether inside or outside the Territory, may be conditioned upon Franchisee entering into an amendment to modify the Territory. Franchisor will consider an amendment to the Territory to allow relocation outside the original Territory only if, in the Franchisor's sole discretion: (a) the amended Territory does not extend into another current or prospective franchisee's Territory or Franchisor obtains the other current or prospective franchisee's prior written consent and (b) amending the Territory would not interfere with any pending grant of a franchise to another optometrist. Any amendment to the Territory to allow relocation outside the original Territory must be signed by Franchisor and Franchisee. If Franchisee changes the location of its franchised Office without obtaining Franchisor's prior written consent, Franchisor may terminate this Agreement as described in Article 9 or modify the Territory by written notice to Franchisee.

ARTICLE 2. RELATIONSHIP BETWEEN FRANCHISOR AND FRANCHISEE

2.1. Independent Entity.

Franchisee is an independent contractor, and except as expressly provided for in this Agreement, is solely responsible for the direction and control of the Office and operations. Franchisee may not (i) make any contract, warranty or representation which creates any obligation for Franchisor or its affiliates or which creates an agency (actual or apparent), employment or partnership relationship, or (ii) act for or on behalf of Franchisor or its affiliates. In all dealings with third parties including, without limitation, employees, vendors, patients and customers, Franchisee must disclose in a manner acceptable to Franchisor that Franchisee is an independent entity operating the Office under a franchise granted by Franchisor. Nothing in this Agreement is intended by the Parties to create a fiduciary relationship between them nor to constitute Franchisee as an agent, legal representative, subsidiary, joint venturer, partner, co-owner, tenant, employee or servant of Franchisor for any purpose. Franchisor may act as an agent for Franchisee in certain circumstances, including, but not limited to Franchisor's negotiation of pricing terms of goods and services offered to Franchisee as set forth in Section 6.1.

2.2. Practice of Optometry.

Franchisee and the Owners are responsible for all business and management decisions regarding the Office. Franchisor will not interfere with Franchisee's or any Owner's professional judgment in any manner and Franchisee acknowledges Franchisor is not, in any way, engaging in the corporate practice of medicine or optometry. Franchisor will not assert any ownership in Franchisee's optometry practice, patient medical records or medical equipment. Franchisee and the Owner(s) will be fully responsible for all aspects of the optometry practice, including the selection of employees, contractors, inventory and medical equipment, coding and billing procedures, decisions regarding any patient's need for referrals to other health care practitioners, and Franchisee's hours of practice.

ARTICLE 3. TERM AND RENEWAL

3.1. Term.

Except as otherwise provided in this Agreement, the term of this Agreement will begin on «**Start Date**» («**Start Date**»), and will expire 60 calendar months after the Start Date.

3.2. Renewal Option.

3.2.1. Requirements.

Subject to the requirements referenced in the next sentence and described below, Franchisee may renew this franchise for one or more consecutive 60 month terms, unless before the end of the expiring

term Franchisor has announced a decision to: (a) stop franchising; or (b) withdraw from doing business in the geographic market in which the Office is located. Franchisor may require Franchisee to satisfy any or all of the following requirements as a condition of continuing the franchise relationship:

3.2.2. No Default.

Neither Franchisee nor any Owner or affiliate of Franchisee is subject to any event of default in Article 9.4.2 and is not in default under any other agreement between Franchisee and Franchisor, or its subsidiaries and affiliates, and has substantially complied with all terms and conditions of this Agreement and all other written agreements between Franchisee and Franchisor throughout the term of this Agreement.

3.2.3. Timely Payment of All Sums Due.

Franchisee has (i) satisfied in full all Obligations, as defined in Section 4.1, owed by Franchisee to Franchisor and its parent, subsidiaries and affiliates; and (ii) during the expiring term, not been delinquent in the submission of monthly sales reports or payment of the Obligations more than once during any 12 month period during the expiring term of this Agreement.

3.2.4. Signing of Renewal Documents.

At Franchisor's sole option, Franchisee either (a) signs an extension of this Agreement or, (b) within 30 days after receipt of the new form of franchise agreement from Franchisor, but no sooner than 14 full calendar days after receipt of the disclosure document and no sooner than 7 full calendar days after receipt of the renewal franchise agreement, Franchisee and each of Franchisee's Owners signs and delivers to Franchisor Franchisor's then-current franchise agreement with signed copies of all applicable supplemental documents in the forms attached to the franchise agreement or disclosure document. If the Royalty rate stated in the then-current form of franchise agreement differs from the Royalty rate under this Agreement, the renewal franchise agreement will be amended to provide that the Royalty rate under this Agreement remains in effect. All other terms of this Agreement may change in the renewal franchise agreement, including but not limited to the definition of the Territory.

3.2.5. Signing of Special Release of Claims.

Franchisee and each of its Owners signs a special release of claims, in the form of Attachment 4 to this Agreement, except for claims arising out of the representations in the disclosure document and non-waivable statutory claims.

3.2.6. Acceptance of Payment from Holdover Franchisee.

Franchisor's acceptance of a Royalty payment from a holdover franchisee after the term of this Agreement has expired does not constitute a waiver of the conditions listed above nor Franchisor's agreement to a renewal term, even if Franchisor has not announced the expiration of this Agreement to the vendors in the CBP. Regardless of whether Franchisee has remitted Royalty payments after the term has expired, if Franchisee has failed to sign renewal documents as required under Section 3.2., and six (6) months have passed since the expiration of either the Initial Term of this Agreement or any renewal term, Franchisor shall proceed to formally terminate the expired Agreement and announce such termination to the vendors in the CBP and other third party service providers supporting the Franchisor's System.

3.3. Notice of Intent Not to Renew.

Franchisee must give Franchisor written notice of Franchisee's intent not to renew the Franchise Agreement at least four (4) full calendar months prior to the end of the expiring term.

ARTICLE 4. MONETARY OBLIGATIONS OF FRANCHISEE

Franchisee must make the following payments in immediately accessible funds to Franchisor:

4.1. Royalty.

Beginning on the Start Date, and continuing throughout the term and any renewal term of this Agreement, Franchisee must pay to Franchisor a monthly royalty (“Royalty”) equal to the lesser of (i) 2.50% of the Gross Receipts (as defined in this section) of the Office; or (ii) if applicable, the Monthly Royalty Cap (as defined in this section), as compensation to Franchisor for the ongoing use of the System and Mark and the services rendered by Franchisor. Royalty payments are delinquent if not received by Franchisor by the 45th day following the last day of the calendar month for which payment is being made.

Except as otherwise provided by California law or regulations, all payments by Franchisee to Franchisor are subject to the following:

- (a) Franchisee must use the payment method(s) that Franchisor designates from time-to-time.
- (b) If Franchisor accepts payment by check or credit card, Franchisor may impose reasonable service fees for processing payment.
- (c) If Franchisor requires payment by electronic funds transfer, Franchisee must designate an account at a commercial bank (the “Account”) and furnish the bank with authorizations, as necessary, to permit Franchisor to make withdrawals from the Account by electronic funds transfer. Franchisee agrees to maintain sufficient funds in the Account to cover the amounts payable to Franchisor. If funds in the Account are insufficient to cover the amounts payable at the time Franchisor initiates an electronic funds transfer, the amount of the shortfall will be deemed overdue.

Franchisee must submit a certified statement of Gross Receipts and Allowable Sales Deductions in the form Franchisor designates with each Royalty payment.

The term “Gross Receipts” means all amounts received by the Office (including patient purchases made at the brick and mortar Office location and through any internet-based platforms for online sales maintained by the Office) minus “Allowable Sales Deductions” consisting of sales taxes and other similar taxes collected from patients or customers on the amount of sales transactions, reimbursements to insurance carriers and governmental agencies for overpayments, cash refunds to patients or customers, money lost on returned checks and credit card service charges.

The term “Monthly Royalty Cap” means \$4,000.00. Franchisee must elect to pay the Monthly Royalty Cap, and will be qualified for the Monthly Royalty Cap only if the following requirements are satisfied:

- (a) Franchisor receives Franchisee’s written notice electing to pay the Monthly Royalty Cap, provided any such election may not be effective on a date that is more than 12 months prior to the date of Franchisee’s written notice; and
- (b) If Franchisee’s eligibility for the Monthly Royalty Cap is first effective for any month after the first month of the Initial Term or any renewal term(s), Franchisee must renew its Franchise Agreement with a Start Date of the first day of the month in which Franchisee elects to pay the Monthly Royalty Cap; and
- (c) Franchisee must report the Gross Receipts and Allowable Sales Deductions for the Office stated in this Agreement separate from any other optometric office of the Franchisee.

- (d) Franchisee's monthly Gross Receipts and Allowable Sales Deductions report and the related Royalty payment for the Office must not be delinquent.

If Franchisee is delinquent in reporting or Royalty payment for any month during a Contract Year, as defined in this section, then the Monthly Royalty Cap will not apply for the entire Contract Year and Franchisee must pay Royalty for the entire Contract Year based on the percentage of Gross Receipts stated in this section. The term "Contract Year" means the 12 month period commencing on the Start Date and each subsequent 12 month period during the initial term and any renewal term(s).

Provided Franchisee meets the requirements of subparagraphs (a) and (b) of this section, in every month of the applicable Contract Year, the Royalty payable for the last month of that Contract Year, will be computed as follows:

- (i) The total Royalty amount for the Contract Year based on the percentage of Gross Receipts stated in this section will be computed (the "Annual Royalty Amount").
- (ii) If the Annual Royalty Amount is equal to or greater than \$48,000.00, then the Royalty payable for the last month of that Contract Year will be \$48,000.00 minus the total Royalty payments by Franchisee for the first 11 months of that Contract Year.
- (iii) If the Annual Royalty Amount is less than \$48,000.00, then the Royalty payable for the last month of that Contract Year will be the Annual Royalty Amount minus the total Royalty payments by Franchisee for the first 11 months of that Contract Year.

The Royalty has been priced to provide to Franchisor compensation commensurate with the value of the franchise to Franchisee and services Franchisor furnishes to Franchisee.

If a legal determination is made by a government authority with jurisdiction over this Agreement or by Franchisor, upon advice of counsel, that the current method of calculating Royalties does not conform to current law, then Franchisor and Franchisee agree to negotiate in good faith an alternative fee arrangement that would conform to the law and provide equivalent economic value to Franchisor. If the Parties do not so agree within 90 days after notice by Franchisor that a new agreement regarding fees is necessary, this Agreement will terminate immediately upon written notice by Franchisor to Franchisee. All post-termination obligations of the Parties will remain in effect.

"Obligation(s)" means (i) all amounts Franchisee owes to Franchisor from time to time under this Agreement (including but not limited to Royalty payments) and under any other agreement between Franchisee and Franchisor and its subsidiaries and affiliates; and (ii) the reasonable costs and expenses Franchisor incurs to collect or attempt to collect amounts due from Franchisee.

4.2. Financial Review.

Subject to the following sentence, Franchisor may review Franchisee's books and records, including Franchisee's tax returns and financial data, including any such information stored on Franchisee's business computer system, regarding the Office during normal working hours, to ensure Franchisee's compliance with its obligations under this Agreement. Franchisee must take all commercially reasonable steps to exclude from the review information considered "protected health information" under the Health Insurance Portability and Accountability Act. If Franchisor determines it is not commercially reasonable for Franchisee to exclude the protected health information, Franchisor and/or its reviewer must sign and deliver business associate agreement(s), as required by law, before conducting the review. The reviewer may be Franchisor's employee or an independent contractor and does not have to be an accountant. If a review discloses an underpayment of Royalties payable under this

Agreement, Franchisee must immediately pay these amounts to Franchisor with accrued interest on the amount underpaid as provided in this Article. If Franchisee cannot produce the records Franchisee must maintain to explain any discrepancy disclosed by the review, the discrepancy will be presumed to result from an underpayment. If Franchisor performed the review because Franchisee did not provide required financial statements at the times and in the format specified by Franchisor in writing or if the underpayment exceeds 3% of the total Royalty payable for any period covered by the review, Franchisee must reimburse Franchisor for Franchisor's expenses for the review. If Franchisee fails to provide Franchisor with the requested financial information by the due date specified by Franchisor, Franchisor may send a person to the Office, during normal business hours, to inspect, review and photocopy the requested financial information and Franchisee will, in addition to paying all delinquent Royalty fees, including interest, reimburse Franchisor for the costs and expenses of the review. If Franchisee disputes Franchisor's finding of an underpayment, Franchisor will retain, at Franchisee's written request within 10 days of receiving Franchisor's notification of underpayment, a certified public accountant to review Franchisee's books and records for the period under examination. Franchisee agrees any certified public accounting firm of nationally recognized standing will be acceptable to it. If the certified public accountant's report shows an underpayment less than any underpayment Franchisor found, Franchisee must reimburse Franchisor for Franchisor's expenses in obtaining the certified public accountant's review, but not for Franchisor's original review. If the certified public accountant's report shows an underpayment that equals or exceeds any underpayment Franchisor found, Franchisee must reimburse Franchisor for Franchisor's expenses in obtaining both reviews.

4.3. Declined Payment Charge.

You must pay us a declined payment charge of \$35 or our actual expense, whichever is more, to compensate us for the administrative expenses and bank charges we incur if your credit card payment is declined or your check or electronic payment is dishonored by the bank.

4.4. Administrative Processing Fee for Late Payment.

You must pay us an administrative processing fee of \$25 for each payment we have not received in full by the end of the 5th day after the date due. The administrative processing fee compensates us for the administrative burden imposed upon us by your failure to comply with your obligation to pay in a timely manner.

4.5. Interest on Late Payments.

Any payment from you that is not received in full by the end of the 90th day after the date due will bear interest at 1% per month or at the highest rate allowed by applicable law on the date when payment is due, whichever is less, retroactive to the date when payment was due. We charge interest on late payments to partially compensate us for loss of the funds that would otherwise be difficult to measure precisely. The fact we impose these charges is not a waiver of our right to be paid on time.

4.6. Application of Payments.

Franchisor may apply any payment Franchisee makes to Franchisor, at Franchisor's option, to any past due amount Franchisee owes Franchisor, including administrative processing fees, interest and declined payment charges, regardless of how Franchisee indicates the payment should be applied. Franchisor may deduct any past-due amounts owed by Franchisee to Franchisor, or any affiliate or subsidiary of Franchisor, from any rebates Franchisor would otherwise distribute to Franchisee under the CBP described in Section 6.1. If Franchisee owes any past due amounts to Franchisor when Franchisor

or any affiliate or subsidiary of Franchisor owes any amount to Franchisee, then Franchisor may pay or may cause its affiliate or subsidiary to pay those amounts to Franchisor instead of to Franchisee. Deduction of past-due amounts under the foregoing provision does not constitute a waiver of Franchisor's right to be paid on time. Franchisor does not have to accept payments after they are due or extend credit or otherwise finance its operations, except as provided in this Agreement.

4.7. Suspension of Services.

If Franchisor has given Franchisee notice of a default under this Agreement, Franchisor may suspend any or all of Franchisor's services and support, including Franchisee's participation in all or any part of the CBP or other programs offered by Franchisor, until Franchisee cures the default. A suspension of services will not constitute a termination of this Agreement by Franchisor and does not constitute a waiver of Franchisor's right to be paid on time.

4.8. Rebates.

If Franchisee does not renew this Agreement, as provided in Section 3.2, Franchisor will retain all rebates Franchisor receives that are based on Franchisee's purchases after the term of this Agreement has expired. If Franchisee subsequently renews this Agreement, as provided in Section 3.2, within six (6) months of Franchisee's renewal date, Franchisor will pay (subject to Section 4.6) all retained rebates to Franchisee. If Franchisee does not renew this Agreement within 6 months of Franchisee's renewal date, Franchisee will forfeit all rebates retained by Franchisor.

ARTICLE 5. OTHER OBLIGATIONS OF FRANCHISEE

Franchisee must fulfill the following duties and comply with the following requirements during the term of this Agreement:

5.1. Advertising and Marketing.

All advertising and promotion that Franchisee undertakes for the Office must be completely truthful, conform to the highest standard of ethical advertising and comply with any laws and regulations. Franchisee must submit to Franchisor copies of all forms of promotional and advertising materials containing Franchisor's Marks that Franchisee proposes to use, except materials wholly prepared by Franchisor, at least two weeks before the proof approval deadline. Franchisor will review the materials within a reasonable time and will promptly notify Franchisee whether Franchisor approves or rejects them. Franchisor may not withhold Franchisor's approval unreasonably. Even if Franchisor approves specified materials, Franchisor may later withdraw Franchisor's approval if Franchisor reasonably believes it is necessary to eliminate misleading or unethical features of the advertising or because the Marks have changed. Franchisee is not restricted from advertising or promoting its practice without Franchisor's prior written approval if the advertising contains none of the Marks, but all advertising and promotion must meet the standards stated in the first sentence of this Section.

Franchisee agrees that the promotional and advertising material(s) developed or prepared by Franchisor for promoting the Names and Marks and the members of the Network includes copyrighted material or other types of proprietary information ("Marketing Materials"). Franchisee understands and agrees all Marketing Materials, in whatever form, and all copies and excerpts, will be the sole property of Franchisor; subject only to the right of Franchisee to use the Marketing Materials during the term of this Agreement.

5.2. Insurance.

Franchisee must carry and maintain in full force and effect, with an insurer or insurers acceptable to Franchisor, the following insurance coverage:

- (a) Professional errors & omissions insurance with an insurer and in form and substance reasonably acceptable to Franchisor, in the minimum amounts of \$1,000,000.00 per occurrence and \$2,000,000.00 annual aggregate.
- (b) Product liability insurance in the minimum amounts of \$1,000,000.00 (per occurrence) and \$2,000,000.00 annual aggregate.
- (c) General liability insurance in the minimum amount of \$1,000,000.00.

Each of these insurance policies must include a provision that the policy cannot be canceled without 30 days' written notice to Franchisor. Franchisee must obtain all insurance policies from an insurance company of recognized responsibility with a rating of at least "AXII" by A.M. Best or a comparable rating by another rating agency approved by Franchisor. All insurance policies must designate Franchisor as an additional named insured and be satisfactory to Franchisor in form, substance, and coverage. Franchisee must deliver a certificate of the issuing insurance company evidencing each policy to Franchisor upon signing this Agreement and then when the policy is renewed or changed.

5.3. Professional Status and Requirements.

Throughout the term of this Agreement, Franchisee must be an optometrist licensed to practice within the state where the Office is located (or a professional corporation or other legal entity composed of duly licensed optometrist(s) or ophthalmologist(s)). To the extent required by State law and ethical codes, Franchisee or its Related Party must supervise the Office. Franchisor, in its sole discretion, may make an exception and enter into this Agreement with a Franchisee who is not yet licensed to practice optometry or ophthalmology, so long as Franchisee or Owner will be qualified to sit for the necessary exams before the relevant state board of optometry or medicine to become licensed within six (6) months of entering this Agreement. In the event that Franchisee is not licensed to practice either optometry or ophthalmology within twelve (12) months of the Effective Date of this Agreement, Franchisor will void this Agreement. Franchisee represents that the Office will offer primary care optometric services and the sale of glasses, contacts and other optical products.

5.4. Compliance with Law.

Franchisee must operate the Office in full compliance with all laws, ordinances, rules, regulations, codes and other requirements imposed by federal, state, county or municipal governments and other governmental or quasi-governmental or administrative entities. Franchisee must maintain all permits, licenses and other governmental consents necessary for the operation of the Office. Franchisee must promptly provide to Franchisor any documentation and further assurances of its compliance with these requirements that Franchisor may reasonably request from time to time. If the State Optometry Board or regulatory agency, or other professional State board or regulatory body, determines that any part of this Franchise Agreement may violate the State's law(s), the Franchisee will not be bound by that section of this Franchise Agreement, however, Franchisor may elect to (i) remove the section from this Franchise Agreement, (ii) modify the section(s) so it will comply with the State's law(s), or (iii) terminate this Franchise Agreement with no liability of Franchisor to Franchisee. Franchisor's election under this Section 5.4 will be by written notice to Franchisee within ninety (90) days of written notice to Franchisor from Franchisee or the government agency that one or more sections may violate State law(s). Franchisee and the guarantors of this Agreement agree to waive and release Franchisor from any and all claims, demands, charges and causes of

action, arising out of any section or sections of this Franchise Agreement which may now be or may in the future become in violation of State law(s) or regulations.

5.5. Maintenance.

To preserve and protect the goodwill associated with the Marks, Franchisee agrees to keep the Office premises, equipment and furnishings clean and in excellent repair.

5.6. Payment of Indebtedness.

Franchisee must pay promptly when due all obligations to vendors in the CBP and all taxes and obligations that Franchisee incurs in the operation of its business, including obligations to its landlord.

5.7. Financial Information and Reports.

Franchisee must submit to Franchisor records and financial reports on the income and expenses of the Office at the times and in the format specified in writing by Franchisor. Franchisor may use this data to confirm Franchisee is complying with its obligations under this Agreement and to formulate financial performance representations to show to prospective franchisees. If Franchisee does not submit to Franchisor the records and financial reports required by this Section in a timely manner and in any format specified by Franchisor, then Franchisor may obtain the records and financial reports by a review as provided in Section 4.2.

5.8. Use of Marks.

Franchisee may, at its option, use the Mark “Member of the VISION SOURCE® Network,” or any other Marks Franchisor specifies in writing, to promote the Office, provided the following requirements are met:

- (a) The Mark may not be so prominent in any context that it appears to be the name of Franchisee’s optometry practice. The legal name of Franchisee’s optometry practice must conform to advertising laws and ethical rules governing a professional practice and appear in a typeface at least as prominent as the Mark.
- (b) Franchisee must follow any written guidelines Franchisor provides concerning the Marks.
- (c) All new forms of advertising and marketing materials in which the Mark(s) appear must be submitted to Franchisor for prior review.

5.9. Additional Locations.

Throughout the initial term and any renewal term(s) of this Agreement, Franchisee and each of the Owners of Franchisee agree they will enter into an additional VISION SOURCE® franchise agreement for each optometric office owned and/or operated by Franchisee or any of its Owners in any territory not assigned to another VISION SOURCE® franchisee. If an additional office is within a territory already assigned to a VISION SOURCE® franchisee, Franchisor may either (i) waive the requirement for that office to join the Network as a franchisee or associate member, or (ii) offer only an associate membership agreement for Franchisee’s separate optometric office and the failure of the Franchisee to accept that offer will be a breach of this Section. If Franchisor elects to waive the requirement for Franchisee’s separate optometric office to join the Network, then Franchisee and the Owners of Franchisee may operate the separate optometric office without signing a franchise agreement on the following conditions: (a) the office address of the separate optometric office name and/or office address may not appear with the Marks nor be in any advertisement(s) containing all or any part of the Marks or on any website, stationery or other business materials used with the Office and (b) the additional office may not participate, directly or

indirectly, in any benefits available to Franchisee, other franchisees or associate members of the Network, including but not limited to any benefits available to Franchisee under the CBP described in Section 6.1. If the VISION SOURCE® franchisee agrees to share the territory for Franchisee's separate optometric office or if the territory for Franchisee's separate optometric office otherwise becomes available, at a later time, for assignment to Franchisee's separate optometric office, then Franchisee agrees to enter into a separate franchise agreement (or at Franchisor's option, an associate membership agreement) with Franchisor for Franchisee's separate optometric office to be part of the Network. Failure to enter into a separate franchise agreement or associate membership agreement within 60 days after receiving written notice that the territory for Franchisee's separate office has become available, or any other breach of this Section, constitutes good cause for Franchisor's termination of this Agreement as provided in Section 9.4.

ARTICLE 6. COOPERATIVE BUYING PROGRAM AND OBLIGATIONS OF FRANCHISOR

6.1. Cooperative Buying Program.

Franchisor has established a cooperative buying program with various vendors of optometric and other business products, programs, and services used in the Network (collectively the "CBP"). The CBP provides Franchisee the opportunity to purchase and/or use such products, programs, and services at discounted prices only for the location described in Section 1.1 and Attachment 1. Franchisee may participate in the CBP beginning on the Effective Date, but nothing in this Agreement or any vendor agreement or program in the CBP will, in any way, obligate Franchisee to purchase, license, or lease any product or service. To avoid any confusion, although Franchisee hereby authorizes Franchisor to act as its authorized group purchasing organization, Franchisee does not have to make use of the CBP. Franchisee understands and agrees that (i) vendor agreements and programs in the CBP may be removed or changed from time-to-time in Franchisor's sole discretion, and (ii) new vendor agreements and programs may be added from time-to-time, also in the sole discretion of Franchisor. Franchisee agrees that to the extent it purchases products or services under the CBP, it will do so for its own use at the Office and for sale to patients at the Office. Franchisor does not guaranty that Franchisee can participate in all aspects of the CBP. Toward that end, Franchisee understands and agrees that vendors sell under terms and conditions established by the vendor, that any vendor may decide not to sell products or services to Franchisee and that Franchisee's participation in the CBP is subject to suspension as provided in Section 4.7.

Franchisee specifically agrees that all products and services purchased under the CBP will only be used and/or sold at the Office at the Designated Location (or through the Office at the Designated Location if sold via the internet) and will not be sold to anyone other than the general public in the ordinary course of business at the Office. All amounts received from the sale of products and services purchased under the CBP must be included in Gross Receipts as provided in Section 4.1.

6.2. Administrative Fees.

Although Franchisor does not designate required or approved vendors, Franchisee understands, acknowledges, and agrees that some of the vendors with which Franchisor has or will negotiate agreements may pay Franchisor administrative fees based on Franchisee's purchases, if any, under such vendor agreements ("Administrative Fees"). To the extent that vendors that participate in the CBP pay Franchisor an Administrative Fee, those Fees are fixed at three percent (3%) or less of the purchase price of the goods and services provided by that vendor, except as set forth on Attachment 5 of this Agreement. Attachment 5 is incorporated into this Agreement by reference and may be amended from time-to-time by Franchisor

in its sole discretion either by sending Franchisee a revised Attachment 5 by any form of mail (including electronic mail) and/or posting the revised Attachment 5 on the vendor page of the Vision Source member portal. By participating in the CBP, Franchisee consents and agrees that each of the vendors participating in the CBP may disclose to Franchisor the details of vendor's transactions with Franchisee and Franchisee's Office. In connection with the CBP, Franchisee understands, acknowledges, and agrees that Franchisor may enter into service agreements with various vendors, under which Franchisor will perform or provide certain marketing and promotional services (including, but not limited to, booth space at the annual meeting, magazine and/or newsletter sponsorships, and website banners) to those vendors in return for fair market value fees. Franchisee agrees that all details and information relating to the CBP and all data from CBP transactions are the confidential and proprietary information of the Franchisor and are provided to the Franchisee subject to the confidentiality provisions of Section 8.4.

6.3. Compliance with Laws.

In conducting and participating in the CBP the Parties agree to comply with all applicable federal and state laws and regulations, including, without limitation, the health care fraud and abuse laws, including the Anti-Kickback Statute. The Parties intend for the terms of this Agreement to meet the discount and group purchasing organizations safe harbors to the Anti-Kickback Statute [42 C.F.R. §§ 1001.952 (h) and (j)], as amended from time to time. The Parties enter into this Agreement with the intent of conducting their relationship and implementing the agreements contained herein in full compliance with the Anti-Kickback Law. Regardless of any contrary provisions of this Agreement, neither Party will intentionally conduct itself under the terms of this Agreement in a manner that would constitute a violation of the Anti-Kickback Statute.

Franchisee understands and acknowledges that it may be required, pursuant to applicable federal or state laws or regulations, including, but not limited to, the Anti-Kickback Statute, or pursuant to its contractual arrangements with third party payers, to fully and accurately report and disclose the net purchase price (as that term is defined below) of all products and services it purchases through the CBP. Toward that end, Franchisee covenants and agrees that it will:

- (a) fully and accurately report and disclose, to the relevant government authority, health care plan or program, or third party payer, the net purchase price for all products and services it purchases and/or receives from a vendor under the CBP; and
- (b) provide such further pricing information as may be requested by the relevant government authority, health care plan or program, or third party payer.

For purposes of this Section 6.3, the term “net purchase price” means the net discounted price that Franchisee pays for a product or service (i.e., the purchase price minus all price reductions, including discounts, rebates and free or discounted items or services such as, by way of example, free product sample voucher redemptions).

Franchisee may wish to consult its legal advisers regarding how and when to calculate, report and disclose its net purchase prices under the CBP, including whether and how invoice discounts should be allocated among the products that Franchisee purchases under the CBP.

6.4. Consultation and Services.

Beginning on the Effective Date, Franchisor will provide consultation and advice, individually or on a group basis, to Franchisee in the management and promotion of the Office. Franchisee will decide whether to follow Franchisor's advice in Franchisee's sole discretion. This consultation and advice may

be provided, at Franchisor's election, in bulletins, newsletters or other written materials, by postings on a website, by telephone or personal consultations at the offices of Franchisor or the Designated Location, at monthly, quarterly or annual meetings of members of the Network, or by any other means that current technology makes possible. Franchisor will also facilitate the exchange of practice development ideas between the members of the Network and others whose expertise may benefit the members of the Network.

6.5. Advertising and Promotional Material.

Franchisor may provide for Franchisee's use a limited amount of advertising and promotional material and services. These may include video and/or audio recordings, forms and templates, copy-ready print advertising materials, and miscellaneous point-of-sale items. Any of those materials may be provided in digital form. Franchisee must pay reproduction costs if Franchisee uses these materials.

6.6. Representative.

Franchisor, in its sole discretion, may employ the services of a representative or other third party(ies) to fulfill, for Franchisor, any of the obligations of Franchisor in this Agreement.

ARTICLE 7. TRANSFERS

7.1. Transfer by Franchisee.

7.1.1. Consent Required.

The rights and duties created by this Agreement are personal to Franchisee. Franchisor has approved Franchisee and granted this franchise in reliance on many factors, including the individual or collective character, reputation, skill, aptitude and business and financial capacity and experience of Franchisee and the Owners. Franchisor seeks to retain and grow its membership, but understands that there may be a future need by Franchisee or the Owner(s) to transfer ownership. Accordingly, this Article allows for ownership changes while assuring Franchisor the Office will remain an independent, privately owned optometry practice.

If Franchisee enters into any Transfer without obtaining Franchisor's prior written consent, the franchise granted by this Agreement is subject to immediate termination, and Franchisee may be liable for liquidated damages (see Article 10(f) below) upon written notice by Franchisor to Franchisee at Franchisor's sole option. For this Agreement, "Transfer" means any sale, gift, or other assignment of (1) all or any part of the rights and obligations of this Agreement, (2) substantially all of the assets of the Office, or (3) any ownership interest in Franchisee; or any other transaction, whether voluntary or involuntary, if that transaction results in a change in control of Franchisee or the Office. The term "Intent to Transfer" means the Owner's mental state, including the Owner's thought, idea, desire, interest or consideration of engaging in a Transfer.

7.1.2. Notice.

Franchisee must give Franchisor written notice of any proposed Transfer at least 60 days before the effective date of the proposed Transfer. The notice must include all details of the proposed terms of Transfer, including a complete copy of the documents and information provided by Franchisee and/or the Owner(s) to the proposed transferee and a copy of the documents and information provided by the proposed transferee to Franchisee and/or the Owner(s).

7.1.3 Notice of Intent to Transfer and Waiver of Franchisor's Right to Liquidated Damages.

When the Franchisee develops an Intent to Transfer, the Franchisee must present Vision Source with a written "Notice of Intent to Transfer" as soon as possible after the Intent to Transfer first arises, specifying, to the extent available, what will be sold, the Franchisee's desired minimum sale price, and a proposed closing date. Upon Franchisor's written confirmation of receiving the Franchisee's Notice of Intent to Transfer, Franchisee shall be deemed to have granted to Franchisor the exclusive right, for sixty (60) days, to review the information submitted with the Notice of Intent to Transfer, enter into any appropriate confidentiality and non-disclosure agreements with Franchisee to secure the release of additional financial and other information pertaining to the Office, otherwise coordinate with Franchisee, and determine whether Franchisor, a third party independent optometrist or optometrist group may extend a non-binding letter of intent offering to purchase either the Office or substantially all of the Office's assets (a "Letter of Intent"). Once the Franchisor has either (1) presented a non-binding Letter of Intent to the Franchisee, or (2) indicated that no offer can be made at the present time, then Franchisor will waive its right to liquidated damages upon early termination of this Agreement (referenced in Article 10(f) below) for all Transfers that may occur during the following six (6) month period, should the Franchisee decide to pursue other offers after the expiration of Franchisor's exclusive sixty (60) day period to make the first offer for the Office. Upon Franchisee's request, Franchisor may agree to extend its waiver for a period not to exceed twelve (12) months from the date on which Franchisee provided its Notice of Intent to Transfer, with such agreement by Franchisor not to be unreasonably withheld. Franchisor may not require a full sixty (60) days to arrive at its decision whether a Letter of Intent can be offered to Franchisee, and in such cases, Franchisor shall waive the remainder of its exclusive evaluation period to allow the Franchisee to pursue other opportunities to Transfer the office, along with waiving Franchisor's right to liquidated damages as discussed above.

7.1.4. Advance Consent to Certain Transfers.

Franchisor consents in advance to the following Transfers, provided Franchisee complies with all other provisions relating to a Transfer in this Article 7 and the Transfer fully complies with all statutes, laws and ordinances of the state in which the Office is located:

- (a) If there is more than one Owner, the Transfer is from one or more Owners to one or more of the other Owners; or.
- (b) Transfer to a licensed optometrist or ophthalmologist who has been an employee of Franchisee for at least 3 full calendar months, or to an entity wholly owned by a licensed optometrist or ophthalmologist who has been an employee of Franchisee for at least 3 full calendar months. The number of months an employee has worked for Franchisee before the Start Date will be counted as months worked for Franchisee for this subsection (b).
- (c) Transfer to the spouse of an Owner, to a person of lineal or collateral consanguinity to an Owner, to an entity wholly owned by the spouse of an Owner, or to an entity wholly owned by a person of lineal or collateral consanguinity to an Owner, provided the transferee is otherwise qualified as a franchisee under this Agreement; or.
- (d) If there is more than one Owner, a Transfer by an Owner to another person or entity approved by the non-transferring Owner(s) provided the Transfer is for 50% or less in ownership interest of Franchisee and the Office.

- (e) If Franchisee is a natural person, Transfer by Franchisee to a legal entity in which Franchisee owns and controls a majority interest and in which any other owners have been approved in writing by Franchisor.

7.1.5. Reasons for Disapproval.

If Franchisor does not notify Franchisee the Transfer is disapproved within 30 days after it receives the notice from Franchisee, including all information required by Section 7.1.2, the Transfer will be approved if the conditions listed below are met. Franchisor may disapprove a Transfer if, in its sole discretion, the proposed Transferee is a person or entity which does not meet the Franchisor's then-current qualifications for new VISION SOURCE® franchise applicants.

7.1.6. Transfer Requirements.

If Franchisor approves a proposed Transfer, the requirements for the Transfer are:

- (a) At Franchisor's sole option, either signing and delivery by the transferee of (1) Franchisor's then-current form of franchise agreement for an initial term equal to the time remaining in the term of this Agreement as of the Transfer; or (2) a written assumption of this Agreement. If Franchisor elects clause (1), and the Royalty rate stated in the then-current form of franchise agreement differs from the Royalty rate under this Agreement, the new franchise agreement will be amended to provide that the Royalty rate under this Agreement remains in effect. All other terms of this Agreement may change in the new franchise agreement, including but not limited to the definition of the Territory. All applicable supplemental agreements attached to the franchise agreement or disclosure document, including personal guaranties, must be signed by the transferee or its owners, as required by the franchise agreement. If Franchisor requires the transferee to sign its current form of agreement(s) at the time of Transfer, the prospective franchisee/transferee must receive from Franchisor a copy of Franchisor's then-current franchise disclosure document for the prospect's state at least 14 days before the Transfer is effective and the prospective franchisee/transferee must receive from Franchisor a signature-ready copy of any agreements that must be signed by the transferee or its owners at least 7 days before the Transfer is effective.
- (b) Submittal of a completed franchise application by the proposed transferee and any other information sources requested by Franchisor that show, to Franchisor's sole satisfaction, the proposed transferee and/or its owners meet all of Franchisor's acceptance criteria for new franchisees, including, without limitation, the transferee meets Franchisor's managerial and business standards, possesses a good moral character, business reputation, and credit rating, and is not a competitor of Franchisor or the Network.
- (c) Signing by Franchisee and all of its Owners of a special release of claims, except claims based on representations made in any disclosure document furnished to Franchisee and non-waivable statutory claims, against Franchisor and Franchisor's Owners, subsidiaries, affiliates, agents and employees in the form of Attachment 4 to this Agreement.
- (d) Payment of all of Franchisee's Obligations to Franchisor and Franchisor's affiliates, including, but not limited to, all Royalties based on Gross Receipts through the date when the Transfer takes effect.
- (e) Cure of any other defaults under this Agreement and any other agreement(s) between Franchisor or its affiliates and Franchisee.

If Franchisee does not complete the approved Transfer within 90 days after Franchisor grants its approval, Franchisee must once again obtain Franchisor's approval of the Transfer.

7.1.7. Transfer Upon Death, Disability or Mental Incompetency.

Transfers upon death, disability or mental incompetency will be subject to the same conditions as any other Transfer. If the heirs, legatees or personal administrator of any person who held an interest subject to the restrictions of this Article 7 do not meet all the requirements of this Article 7, then the executor, administrator, or personal representative of the deceased, disable or incompetent Franchisee or Owner (provided adequate provision has been made for operation of the Office and the estate of Franchisee or the Owner has assumed in writing the deceased, disabled or incompetent individual's obligations under this Agreement) will have 6 months from receipt of notice of Franchisor's disapproval of the heirs, legatees or personal representative to dispose of the individual's interest in Franchisee or the franchised Office, subject to Section 5.4 and to all terms and conditions for Transfer in this Agreement.

7.1.8. No Waiver.

Franchisor's consent to a Transfer of any interest in this Agreement does not constitute a waiver of any claims it may have against the transferor, nor will it be a waiver of Franchisor's right to demand full compliance with the terms of this Agreement by the transferee.

7.2. Transfer by Franchisor.

Franchisor may assign this Agreement or any rights or obligations created by it without Franchisee's consent upon the following conditions: (a) Franchisor reasonably believes the assignee can perform Franchisor's obligations under this Agreement and (b) the assignee expressly agrees in writing to assume Franchisor's obligations under this Agreement.

ARTICLE 8. PRESERVATION OF MARKS

8.1. Franchisor's Title.

Except for the license granted in this Agreement to Franchisee of the right to use the Marks as provided in this Agreement, nothing in this Agreement may be construed as an assignment or grant to the Franchisee of any right, title or interest in or to the Marks. Franchisee expressly acknowledges Franchisor's rights in the Marks and agrees not to contest, directly or indirectly, (i) Franchisor's ownership, title, right, or interest in the Marks; (ii) the validity of this franchise; or (iii) Franchisor's right to register, use, or franchise others to use the Marks.

8.2. Franchisee's Use.

Franchisee may use the Marks only for the operation of the Office at the Designated Location during the term of this Agreement.

8.3. Conflicts with Franchisor.

Franchisee and the Owners agree they will not apply for any copyright, trademark or patent protection which could affect Franchisor's ownership and/or use of the Marks, nor file any document with any governmental authority or take any action which could affect Franchisor's ownership and/or use of the Marks nor will Franchisee assist anyone else in so doing.

8.4. Confidential Information.

Franchisee and all Owners acknowledge and agree that all aspects of the System, including all details and information relating to Franchisor's services, programs, the CBP, all data from CBP transactions and other information, knowledge, or know-how received by Franchisee and the Owners from access to the System and the Network by virtue of this Agreement, is the confidential and proprietary

information (“Confidential Information”) of Franchisor. Franchisee and all Owners agree the Confidential Information will be used only for the management and operation of the Office during the term of this Agreement and for no other purpose.

Throughout the term of this Agreement and for 3 years following the nonrenewal, termination or Transfer of this Agreement or the Office, Franchisee and all Owners:

- (a) agree that the Confidential Information will not be used for the negotiation of special pricing and/or purchase concessions from any vendor, whether that vendor is participating in the CBP or not; and
- (b) will take reasonable steps to ensure all Confidential Information is kept confidential.

Franchisee and the Owners may divulge Confidential Information only to those of Franchisee’s employees or agents who must have access to it to operate the Office and those employees and agents must be instructed by Franchisee and the Owners not to divulge that Confidential Information in violation of this Section. Franchisee and all Owners will be responsible for any breach of this Section 8.4 by Franchisee’s employees or agents. As used in this Section, “reasonable steps” means the steps Franchisee and the Owners take to protect their own, similar confidential and proprietary information, which will not be less than a reasonable standard of care.

8.5. Unauthorized Use by Third Parties.

Franchisee must notify Franchisor immediately in writing if Franchisee learns of any unauthorized use of all or any part of Franchisor’s System or the Marks. Franchisee must promptly notify Franchisor in writing of any claim, demand, or suit against Franchisee or against its Owners for their use of the Marks or System. In any action or proceeding arising from or for that claim, demand, or suit, Franchisor may select legal counsel and may control the proceedings.

8.6. Change in Marks.

Franchisor may change the Marks and the specifications for their use upon reasonable notice to Franchisee. Franchisee must promptly conform, at Franchisee’s own expense, to those changes.

ARTICLE 9. TERMINATION OF AGREEMENT

9.1. Termination by Consent of the Parties.

The Parties may terminate this Agreement by mutual written consent.

9.2. Termination by Franchisee Without Cause in 19th Month.

Franchisee may terminate this Agreement without cause during the 19th month of the initial term of Franchisee’s franchise with us if each of the following conditions is met:

- (a) Franchisor has received, no later than the 1st day of the 15th month of the Initial Term, written advance notice, in the form of Attachment 6 to this Agreement, from Franchisee of the day (“Suspension Date”) during the 19th full calendar month of the initial term on which Franchisee suspends this Agreement under this Section.
- (b) All rights and obligations of the Parties, other than (i) the obligation to pay Royalties under Section 4.1 on all revenue received by Franchisee during any period after the Start Date and before the Suspension Date and (ii) rights and obligations specified in this Agreement to survive termination, will be suspended on the Suspension Date. Franchisee must pay by the 45th day following the Suspension Date, all Royalties and other amounts due to Franchisor and satisfy the conditions stated in Attachment 6 to this Agreement.

- (c) Termination will become effective immediately upon Franchisor's receipt, within the period stated in subsection (b) of this Section, of all Royalties due on Gross Receipts received by Franchisee before the Suspension Date and any other amounts due from Franchisee to Franchisor.

Franchisor will provide written acknowledgment to Franchisee of the final payment and termination. All obligations of the Parties that, by their terms or by reasonable implication, are to be performed in whole or in part after termination will survive termination.

If all of the conditions in this Section are not fulfilled within the time periods specified in this Section, Franchisee's right to terminate this Agreement under this Section will be extinguished. Franchisee's obligation to pay Royalties for periods after the Suspension Date will be reinstated, but Franchisor's obligation to provide benefits and services will be suspended until (i) the delinquent Royalties have been paid or (ii) the franchise is terminated because Franchisee has not cured the payment default within the time allowed by a written notice from Franchisor according to Section 9.4, whichever is first.

9.3. Termination by Franchisee for Cause.

Franchisee may terminate this franchise for cause if Franchisor fails to cure any material default under this Agreement within 60 days after receiving written notice from Franchisee specifically describing the default and demanding cure. - (c) If Franchisee defaults in the performance of any material obligation under this Agreement not otherwise described in this list of defaults,
- (d) If Franchisee does not make any payment when due under this Agreement or any other agreement between Franchisee and Franchisor, or any subsidiaries and affiliates of Franchisor,
- (e) If Franchisee intentionally misuses the Marks or the System or engages in conduct that reflects materially and unfavorably on the goodwill associated with them,
- (f) If Franchisee or any of the Owners, by act or omission, materially and substantially impairs the goodwill associated with the business of Franchisor or its subsidiaries or affiliates or with the Marks,

- (g) If Franchisee or any of its Owners has any direct or indirect interest in the ownership or operation of any business confusingly similar to the System or Network or that uses all or any part of the System or the Marks without written authorization from Franchisor,

- (i) If Franchisee or any of the Owners transfer all or any part of their direct or beneficial interest in Franchisee or the Office without obtaining Franchisor's written consent to a corresponding Transfer of this Agreement,
- (j) If Franchisee or any of its Owner(s) have made any material misrepresentation in connection with the acquisition of this franchise or to induce Franchisor to enter into this Agreement, or if Franchisee keeps false books or makes false Royalty reports or intentionally makes any other misrepresentation to Franchisor in the operation of the Office,
- (k) If Franchisee or any of its Owners breach the confidentiality provisions stated in Section 8.4,
- (l) If any other agreement between Franchisee or its Related Party and Franchisor or Franchisor's Related Party is terminated because of Franchisee's default,

- (n) If Franchisee stops operating the Office under circumstances that lead Franchisor to the reasonable conclusion Franchisee does not intend to resume operation or if Franchisee does not operate the Office under this Agreement for 30 days or more after the Start Date or if Franchisee closes the Office for a consecutive period of 30 days or more,
- (o) If Franchisee commits a default and Franchisor has twice previously given Franchisee written notice of the same type of default within the preceding 12 months, whether or not Franchisee has cured the defaults,
- (p) If Franchisor makes a reasonable determination the continued operation of the Office will pose a threat to public health or safety, or if there has been any loss, suspension or impairment of the optometrist's or ophthalmologist's professional license, or if the Franchisee has failed to secure and maintain all other licenses, permits and certificates necessary for Franchisee's operation of the Office or as otherwise required by this Agreement, or if the Franchisee or any of its Owners are excluded from participation in any federal health care program, or debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency,
- (q) If Franchisee becomes insolvent, or if Franchisee permits a final judgment exceeding \$5,000.00 to remain unsatisfied and of record for over 30 days after the judgment is rendered and levied against Franchisee, or final judgment is entered in a suit against Franchisee to foreclose any lien or mortgage relating to any indebtedness of Franchisee,

commencement or (iii) Franchisor receives written notice of any claim or complaint against Franchisee relating to Franchisee's professional competence or ethics and determines in its reasonable discretion, after an investigation, the claim or complaint is valid.

9.5. Effect on Other Agreements.

If Franchisee is in default of its obligations beyond any applicable cure period specified in Section 9.4 and Franchisor terminates this Agreement, Franchisor, at its option, may elect to terminate any other agreement between Franchisor (including Franchisor's subsidiaries and affiliates) and Franchisee relating to: (a) the Office and (b) any one or more other optometric office(s) and/or franchised offices of the Franchisee or subsidiaries or affiliates of Franchisee. Termination will be effective immediately upon receipt of notice by Franchisee, and Franchisee will then be obligated to comply with Article 10 regarding the terminated Office and other optometric office(s).

ARTICLE 10. OCCURRENCES UPON EXPIRATION, NON-RENEWAL OR TERMINATION

On expiration or termination of this Agreement or an approved Transfer of the Office, the Parties will have the following rights and obligations:

- (a) Franchisor may stop performing Franchisor's obligations under this Agreement, except those by their terms or by reasonable implication survive termination.
- (b) Franchisee and the Owners must give Franchisor a final accounting for the Office, pay within 30 days after the expiration, Transfer or termination of this Agreement, all payments due to Franchisor, or any subsidiaries or affiliates of Franchisor, and return marketing materials, proprietary forms, software, videotapes and any other property belonging to Franchisor or containing the Marks or any proprietary information.
- (c) Franchisee and the Owners must immediately and permanently stop using the Marks or any confusingly similar marks, the System, and any advertising, signs, stationery, or forms that bear identifying marks or colors that might give others the impression Franchisee or the Owners are a member of the VISION SOURCE® Network.
- (d) Franchisee and the Owners must promptly sign any documents and take any steps in Franchisor's judgment are necessary to delete the Marks from Franchisee's websites, social media platforms, and from all listings in directories of any kind and terminate all other references suggesting Franchisee and the Owners are or ever were associated with Franchisor. Franchisee and the Owners must promptly sign any documents and take any steps necessary to cancel any assumed names, internet domain names, email addresses or equivalent registration(s) or social media or mobile network identifiers containing any of the Marks. By signing this Agreement, Franchisee and the Owners irrevocably appoint Franchisor its attorney-in-fact to take the actions described in this paragraph if Franchisee and the Owners do not do so within 7 days after this Agreement is terminated.
- (e) Franchisee or the Owners must maintain all records Franchisor requires Franchisee to maintain under this Agreement for not less than 6 years after final payment of any money Franchisee owes to Franchisor when this Agreement is terminated.
- (f) If we terminate the franchise under section 9.4, or you terminate or repudiate this Agreement (including under section 9.1 at your request, but excluding terminations under sections 9.2 or 9.3), you must pay us within 30 days following the date of termination, as Liquidated Damages, an amount equal to the accrued Royalties during the immediately preceding 24 full calendar months

or the number of months remaining in the term of this Agreement at the date of termination, whichever is less. If you have been operating under this Agreement for less than 24 months, then the amount will be the average monthly Royalties since the Effective Date multiplied by 24. You will also pay any taxes assessed on the payment. Liquidated Damages will not be less than \$1,000.00 per month. Liquidated Damages are paid in place of our claims for lost future Royalties under this Agreement. Our right to receive other amounts due under this Agreement is not affected. If the franchise granted in this Agreement is terminated because of either Party's material default, the rights described in this section may not be the injured Party's exclusive remedies, but will instead supplement any other equitable or legal remedies available.

- (g) Franchisee and the Owners must notify every vendor from whom Franchisee or the Owners have obtained any purchase discounts and/or price concessions in the CBP and also every payer under any insurance plan or managed care program in which Franchisee participates as a contracted provider, that Franchisee and the Owners are no longer a member of the VISION SOURCE® Network. Franchisor may also notify vendors that Franchisee and the Owners are no longer entitled to the benefits granted to a member of the VISION SOURCE® Network.

ARTICLE 11. INDEMNIFICATION

Franchisee must indemnify, defend and hold harmless Franchisor, its officers, directors, shareholders, employees, contractors, administrators, agents, heirs, successors, assigns, and representatives (individually a Franchisor "Related Party" and collectively "Franchisor's Related Parties") against any and all claims, suits, losses, judgments, damages, and liabilities, including but not limited to malpractice of Franchisee or Franchisee's officers, directors, shareholders, or employees or the negligence of Franchisee, Franchisor, or Franchisor's Related Parties, including the cost of any investigation, legal, and other expenses in connection with and any amount paid in settlement of any claim, action, suit, or proceeding ("Claims") to which Franchisor or Franchisor's Related Parties may become subject arising from or in any way connected to any act or omission of Franchisee or any of its Owners, directors, employees or agents ("Franchisee's Related Parties"). Claims covered by this right expressly include, among others, Claims arising from Franchisee's or any of Franchisee's Related Parties' operation of Franchisee's Office or business activities; use or sale by Franchisee or any of Franchisee's Related Parties of an allegedly defective product, allegedly unauthorized use of the Marks (except as provided in the following paragraph); alleged professional errors and omissions of Franchisee or Franchisee's officers, directors, shareholders, employees, agents or contractor; or any breach of this Agreement by Franchisee. This right to indemnification is cumulative with any other rights or remedies available to Franchisor, including the right to proceed against Franchisee for misrepresentation, breach of warranty, or breach of contract. If Franchisor is made a party to a legal proceeding in connection with Franchisee's act or omission, Franchisor may hire counsel to protect Franchisor's interests and bill Franchisee for all expenses and fees Franchisor incurs. Franchisee must promptly reimburse Franchisor.

Franchisor must indemnify and hold Franchisee harmless from all expenses and liabilities of any kind arising from or connected to any third party claim that Franchisee's use of the Marks in the operation of the Office infringes its intellectual property rights. If Franchisee is made a party to a legal proceeding in connection with a claim of this type, Franchisor will hire counsel to protect Franchisor's interests and will defend Franchisee at Franchisor's own expense. Any settlement Franchisor negotiates will bind Franchisee, but Franchisor will reimburse Franchisee for its direct cost of compliance with the settlement agreement.

ARTICLE 12. DISPUTE RESOLUTION

12.1. Negotiation and Mediation.

12.1.1. Agreement to Use Procedures.

Franchisor, Franchisee and the Owners and guarantors of the Franchisee have reached this Agreement in good faith and in the belief it is mutually advantageous to them. In the same spirit of cooperation, they pledge to resolve any dispute without litigation or arbitration. Subject to Section 12.1.3, they agree that, if any dispute arises between them, before beginning any legal action or arbitration to interpret or enforce this Agreement, they will first attempt to negotiate a settlement and, if either party files a mediation proceeding, they agree to participate in the mediation. Good faith participation in these procedures to the greatest extent reasonably possible is a precondition to maintaining any legal action or arbitration to interpret or enforce this Agreement.

12.1.2. Initiation of Procedures.

The party initiating these procedures (“Initiating Party”) must give written notice to the other Party, describing the dispute, specifying the Initiating Party’s claim for relief, and identifying one or more people with authority to settle the dispute for him, her, or it. The party receiving the notice (“Responding Party”) has 10 days within which to designate by written notice to the Initiating Party one or more people with authority to settle the dispute on the Responding Party’s behalf. These people are called the “Authorized People.”

12.1.3. Direct Negotiations.

The Authorized People may investigate the dispute as they consider appropriate, but agree to meet in person, by prearranged teleconference, or by video conference within 14 days from the Initiating Party’s written notice to discuss resolution of the dispute. The Authorized People may meet at any times and places and as often as they agree. Each Party will pay its own costs for these negotiations.

12.1.4. Mediation.

If the dispute has not been resolved within 30 days after the initial meeting, either Party may, at its option, begin mediation procedures. Mediation will be conducted in Harris County, Texas by and under the mediation rules of a dispute resolution organization which Franchisor, in its sole discretion, designates (“ADR Organization”). Franchisor will pay the mediator’s fee for the first 4 hours of mediation. After that, the Parties will equally share the costs of mediation other than their own attorney fees.

12.2. Arbitration.

Except as provided in Section 12.1.3, any dispute relating to this Agreement or the relationship between Franchisor and Franchisee and the Owners, if not settled by negotiation or mediation, must be determined by arbitration under the rules for commercial arbitration of the ADR Organization, as varied by the express provisions of this Agreement. Any issue regarding arbitrability of a claim or the enforcement of this Article will be governed by the Federal Arbitration Act and the federal common law of arbitration. Franchisor and Franchisee will designate their selection of a single neutral arbitrator, from among those suggested arbitrators identified by the ADR Organization. If the Parties have not submitted their selection of arbitrators in order of preference from among the list provided by the ADR Organization, timely within the period designated by the ADR Organization, the arbitrator will be appointed by the ADR Organization. Unless otherwise agreed by the Parties, all arbitration proceedings will be held in Harris County, Texas. The Parties waive all objections to personal jurisdiction and venue to carry out this Article. Discovery will be to the extent permitted by the designated arbitrator. If proper notice of any hearing has

been given, the arbitrator will have full power to take evidence or to perform any other acts to arbitrate the matter absent any Party who fails to appear and may, if appropriate, decide the matter on documents only. The Parties to this Agreement waive the making of a record, written or recorded, of any and all arbitration proceedings. An arbitration proceeding under this Agreement will be conducted on an individual (not a class-wide) basis and may not be consolidated with any other arbitration proceedings to which Franchisor is a party. The arbitrator will base his or her decision and award on the terms and conditions of this Agreement and the law, common and statutory, governing this Agreement. The award may include money damages (including Liquidated Damages as provided in subparagraph (f) of Article 10, specific performance and injunctive relief, and the arbitrator may award the prevailing party (as determined by the arbitrator) part or all of its reasonable costs and attorneys' fees for the proceeding; however, the arbitrator is not empowered to award punitive, exemplary, or other consequential damages. The arbitrator will issue a written, reasoned decision containing findings of fact and conclusions of law and explaining the manner in which any awarded damages are calculated. The arbitrator will not have authority to extend, modify or suspend any of the terms of this Agreement. A request for arbitration will not operate to stay, postpone or rescind the effectiveness of a demand for performance or a notice of termination or of non-renewal of this Agreement. The arbitrator may award interest from the date of any damages for breach or other violation of this Agreement, until paid in full, at a rate to be fixed by the arbitrator, but in no event less than 12% per annum or the maximum rate permitted by applicable law, whichever is less. The decision and award of the arbitrator will be conclusive and binding upon all Parties to the arbitration. Judgment upon any award(s) rendered by the arbitrator may be entered in any court having jurisdiction. Each Party waives any objection it may have to venue in those courts, waives any claim the proceedings have been brought in an inconvenient forum, and waives the right to assert that the court does not have jurisdiction over the Party. If the award is upheld by a court of competent jurisdiction in a proceeding by either Party to enforce the award or to challenge the award, the Party challenging the award or resisting its enforcement must pay, to the extent permitted by law, all reasonable costs, legal fees, and expenses incurred by the Party defending the award or seeking its enforcement, with interest on the award from its issuance as determined by the court.

Notwithstanding the foregoing:

- (a) Nothing in this Agreement will be deemed to bar Franchisor or Franchisee from seeking declaratory relief or preliminary and permanent injunctive relief in court regarding: (i) the ownership, validity, use, misuse or infringement of the Names and Marks or other intellectual property of Franchisor; (ii) actual or threatened disclosure or misuse of Confidential Information or trade secrets; or (iii) enforcement of Franchisee's post-termination obligations in Article 10.
- (b) Nothing in this Agreement precludes Franchisor or Franchisee from bringing collection proceedings before the courts of any competent jurisdiction if a party is over 60 days late in paying any sums due under this Agreement or any other agreement between Franchisee and Franchisor or its subsidiaries or affiliates.
- (c) Franchisor, Franchisee and the Guarantors consent to personal and subject matter jurisdiction and venue in the State and/or Federal Court having power and authority within or including Harris or Montgomery County, Texas. Nothing will be deemed to bar either Franchisor's or Franchisee's right to seek preliminary injunctive relief in the State and/or Federal Court having power and authority within or including Harris or Montgomery County, Texas against conduct or threatened conduct that will cause it loss or damage, pending arbitration of a covered dispute under this Section.

ARTICLE 14. ORGANIZATION

If Franchisee is a professional corporation, limited liability company, partnership, or any other authorized legal entity, Franchisee represents, warrants and covenants that:

- (a) Franchisee is duly organized and validly existing under the laws of the State of its formation.
- (b) Franchisee is duly qualified and authorized to do business in each jurisdiction in which its business activities, or the nature of properties owned by it, may require qualification.
- (c) Franchisee's corporate charter, articles of organization or written partnership agreement or other organizational documents provide that the activities of Franchisee are confined exclusively to the operation of the Office under the System, unless otherwise consented to in writing by Franchisor.
- (d) The signing and delivery of this Agreement and the transactions contemplated by it are within Franchisee's corporate power or written shareholder agreement, if Franchisee is a corporation, or

authorized under its written membership agreement, if Franchisee is a limited liability company, or authorized under its written partnership agreement, if Franchisee is a partnership, and entering into the Agreement will not cause the Franchisee or Owner(s) to be in breach of any other contractual obligations.

ARTICLE 15. GENERAL PROVISIONS

15.1. Entire and Only Agreement.

This Agreement, all exhibits to this Agreement, all supplemental and ancillary agreements signed and delivered at the same time as this Agreement constitute the entire agreement between the Parties regarding the subject of this Agreement and supersede all prior negotiations, understandings, representations, and agreements, other than the representations in the franchise disclosure document we delivered to you. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document we furnished to you.

15.2. Amendments.

Except as provided in Section 6.2 or otherwise provided in this Agreement, no alterations, modifications, amendments or changes in this Agreement will be effective or binding upon any Party, unless the same are in writing and executed by an authorized representative of both Franchisor and Franchisee.

15.3. Governing Law.

This Agreement will be governed by and interpreted under the laws of the state where the Office is located, except that: (a) the arbitration clause will be exclusively governed by and construed according to the Federal Arbitration Act, and (b) trademark rights will be governed by and construed according to the Lanham Act.

15.4. Severability.

Except as provided to the contrary, each provision of this Agreement is severable. If any of its provisions is determined to be invalid or in conflict with any existing or future law or regulation by a court or agency having valid jurisdiction, that provision will not impair the operation of the remaining provisions of this Agreement. The invalid provisions will be considered not to be a part of this Agreement and the Parties agree to negotiate in good faith to modify this Agreement to fulfill as closely as possible the original intent and purpose of the invalid portion of this Agreement. However, if Franchisor decides that the finding of illegality adversely affects the basic consideration for Franchisor's performance under this Agreement, Franchisor may, at Franchisor's option, terminate it.

15.5. Approvals in Writing.

Whenever this Agreement requires the prior approval or consent of Franchisor, Franchisee must make a timely written request to Franchisor for consent or approval. Each approval or consent must be obtained in writing. Franchisor agrees to respond in a timely fashion whenever Franchisee makes a timely written request for Franchisor's prior approval or consent. Approvals given by Franchisor under this Agreement do not constitute a waiver of Franchisor's rights or Franchisee's duties under any provision of this Agreement.

15.6. No Waiver.

Waiver of any breach of this Agreement may not be interpreted as a waiver of any other or subsequent breach.

15.7. Waiver of Consumer Rights and Remedies.

To the extent permitted by applicable law, Franchisee expressly waives every one of its rights and remedies arising under or according to the Deceptive Trade Practices-Consumer Protection Act, Section 17.41 et seq., Texas Business and Commerce Code (other than Section 17.555 of the Code), a law that gives consumers special rights and protections. After consultation with an attorney of Franchisee's own selection, Franchisee voluntarily consents to this waiver. Franchisee represents and warrants it has knowledge and experience in financial and business matters that enables it to evaluate the merits and risks of the transactions contemplated by this Agreement and that it is not in a significant disparate bargaining position vis-à-vis Franchisor at the time of entering into this Agreement.

15.8. Attorney Fees.

If legal action, including any action on appeal, or arbitration is necessary to enforce the terms and conditions of this Agreement, the non-prevailing party must pay reasonable attorney fees and other costs incurred by the prevailing party in connection with that proceeding, as awarded by the trier of fact or law, as the case may be. If a party prevails in part, then the attorney fees will be prorated between the parties by the court as the trier of fact considers equitable.

15.9. Survival.

Termination, expiration or non-renewal of this Agreement will not end any obligation of either Party that has come into existence before termination. All obligations of the Parties that by their terms or by reasonable implication are to be performed in whole or in part after termination will survive termination including provisions concerning preservation of Marks, occurrences on expiration, non-renewal or termination, indemnification, financial review rights, dispute resolution, and attorney fees.

15.10. No Third Party Beneficiaries.

In spite of anything to the contrary in this Agreement, nothing in it will confer upon any person or legal entity other than Franchisor or Franchisee and their respective successors and assigns, any rights or remedies under this Agreement.

15.11. Time is of the Essence.

Time is of the essence in all matters relating to every provision of this Agreement.

15.12. Gender and Number.

Any reference in this Agreement to the masculine, feminine or neuter gender includes the other genders, and any reference to the singular or plural number includes the other number.

15.13. Captions.

The captions in this Agreement are for reference only and may not affect the meaning, interpretation or scope of this Agreement.

15.14. Definition of “Franchisee”.

Unless otherwise specified, the term “Franchisee” as used in this Agreement will include the individual signatories to this Agreement; or, if Franchisee is an entity, those other persons whose names and signatures appear below and who by their execution of this Agreement agree to be personally and individually bound by all the terms by this Agreement.

15.15. Exclusion.

Each party represents and warrants that it has not been excluded from participation in any federal health care program, or debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency. Throughout this Agreement, the term “federal health care program” has the meaning set forth at 42 U.S.C. § 1320a-7b(f) and includes such programs as Medicare, Medicaid, military health care programs such as TRICARE (formerly known as CHAMPUS) and certain other government funded health care programs and plans. Each party agrees that it shall promptly notify the other parties in the event that such party is excluded from participation in, or is otherwise unable to participate in, any federal health care program, or debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency, during the Term of this Agreement.

15.16. Guaranty.

Each of Franchisee’s Owners must approve this Agreement and sign separately written guaranties of Franchisee’s payments and performance in the form of Attachment 3 to this Agreement. Franchisee represents and warrants that all of the Owners of Franchisee on the Effective Date of this Agreement are shown below and that Franchisee and the Owners will notify Franchisor, as provided in Article 7, of any proposed change in the Owners of Franchisee after the Effective Date of this Agreement.

15.17. Electronic Signing and Delivery.

Whenever the written consent of any Party to this Agreement is required by this Agreement, any written consent or signature page signed and transmitted by electronic means, by facsimile machine, or by scanning and transmission in PDF format by email is treated as an original document. The electronic signature or signature of any Party on a faxed or scanned and emailed document is considered as an original signature, and the document transmitted is considered to have the same binding effect as an original signature on an original document. No Party to this Agreement may challenge the authenticity of any document signed and delivered in compliance with this Section solely on the basis of the method by which a document has been transmitted.

15.18. Statements, Questionnaires and Acknowledgments

No statement, questionnaire, or acknowledgment signed or agreed to by Franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of Franchisor. This provision supersedes any other term of any document executed in connection with this Agreement.

IN WITNESS TO THE FOREGOING, the Parties to this Agreement have signed and delivered this document on the dates below their signature(s) in multiple counterparts, each of which will be an original for all purposes. The term of this Agreement and the period on which Royalties are assessed will begin on the Start Date specified in Section 3.1 of this Agreement. If it has been signed and delivered by Franchisee, this Agreement will become legally binding on the date below the signature of Franchisor's signatory ("Effective Date").

Confidant agrees it is reasonable and for the protection of the business and goodwill of Vision Source and its subsidiaries and affiliates for Confidant to enter into this agreement. If there is a breach of this agreement by Confidant, Confidant consents to entry of a temporary restraining order or other injunctive relief and to any other relief that may be granted by a court having proper jurisdiction.

5. Binding Effect

PERSONAL GUARANTY

In consideration of, and as an inducement to, the signing and delivery of the Franchise Agreement (“Agreement”) with a Start Date of _____, 20____, by and between Vision Source, LLC, a Texas limited liability company (“Franchisor”), and _____, a _____, (“Franchisee”), each of the undersigned (each a “Guarantor”) guarantees unto Franchisor that the Franchisee will perform during the term of the Agreement every covenant, payment, agreement and undertaking by Franchisee contained and set forth in the Agreement. Capitalized terms not defined in this Guaranty have the same meaning as in the Franchise Agreement.

1. **Guarantee of Payment Obligations**

(a) Franchisor, its successors and assigns, may from time to time, without notice to the undersigned (i) resort to the undersigned for payment of the liabilities and obligations of Franchisee to Franchisor (the “Liabilities”), whether or not Franchisor or its successors have proceeded against any other of the undersigned or any party primarily or secondarily liable on the Liabilities, (ii) release or compromise any liability of the undersigned or any liability of any party or parties primarily or secondarily liable on the Liabilities, and (iii) extend, renew or credit the Liabilities for any period (whether or not longer than the original period); (iv) alter, amend or exchange the Liabilities; or (v) give any other form of indulgence, whether under the Agreement or not.

(b) Notwithstanding Paragraph 1(a):

(i) With respect to Franchisee’s obligation to pay Royalties to Franchisor under Article 4 of the Agreement, with respect to the Office, the dollar liability of each Guarantor will not exceed \$15,000.00; and

(ii) If Franchisee has obtained insurance as set out in Section 5.2 of the Agreement and has named Franchisor as an additional named insured, then, with respect to Franchisee’s obligation to indemnify Franchisor, its officers, directors, shareholders, employees, agents, heirs, successors, assigns, and representatives under Article 11 of the Agreement, the liability of each Guarantor will be limited to amounts not covered by applicable insurance issued to Franchisee (e.g., as a result of a deductible, stop loss retention, or liability in excess of policy limits). This paragraph is not intended to, and will not be construed to, impose any limit on Franchisee’s liability for the indemnity obligations under the Agreement.

2. **Other Obligations**

The undersigned agrees to comply with and abide by all of the covenants and provisions of the Agreement, as they relate to the Owners of Franchisee, to the same extent as and for the same time as Franchisee must comply with and abide by those covenants and provisions, including but not limited to the covenants and provisions of Section 5.3 (Professional Status and Requirements), Section 5.4 (Compliance with Law), Section 5.9 (Additional Locations), Article 7 (Transfers), Section 8.4 (Confidential Information), Article 10 (Occurrences Upon Expiration, Non-Renewal or Termination) and Article 12 (Dispute Resolution). These obligations of the undersigned will survive any expiration or termination of the Agreement or this Guaranty. Nothing in this Guaranty: (i) limits a person’s liability under or otherwise affects any separate non-compete, confidentiality, or other written agreement executed in a personal capacity by any Guarantor in favor of Franchisor; or (ii) precludes Franchisor from seeking injunctive or other equitable relief against a Guarantor.

ATTACHMENT 3

3. **Waivers**

The undersigned waives presentment, demand, notice of dishonor, protest, nonpayment and all other notices, including without limitation: notice of acceptance, notice of all contracts and commitments; notice of the existence or creation of any liabilities under the Agreement and of the amount and terms thereof; and notice of all defaults, disputes or controversies between Franchisee and Franchisor resulting from the Agreement or otherwise, and the settlement, compromise or adjustment thereof.

4. **Enforcement Costs**

The undersigned agrees to pay all expenses paid or incurred by Franchisor in enforcing the Agreement and this Guaranty against Franchisee and against the undersigned and in collecting or attempting to collect any amounts due by Franchisee or the undersigned, including reasonable attorneys' fees if enforcement or collection is by or through an attorney-at-law.

5. **Continuing Effect**

Any waiver, extension of time or other indulgence granted from time to time by Franchisor, its agents, its successors or assigns, regarding the Agreement, will in no way modify or amend this Guaranty, which will be continuing, absolute, unconditional and irrevocable.

6. **Joint and Several Liability**

If more than one person signs this Guaranty, the term "the undersigned," as used herein will refer to each person, and the liability of each of the undersigned will be joint and several and primary.

7. **Survival of Obligations**

Upon the death of a Guarantor, the Guarantor's estate will be bound by this Guaranty, but only for obligations existing at the time of death. The obligations of the surviving Guarantors will continue in full force and effect.

IN WITNESS TO THE FOREGOING, the Parties to this guaranty have properly signed and delivered this Guaranty of Franchise Agreement on the dates indicated next to their signatures in multiple counterparts, each of which will be an original for all purposes and will be effective on the day the Agreement is signed by Franchisor.

ADDENDUM TO FRANCHISE AGREEMENT

Under Section 15.2 of the Franchise Agreement with a Start Date of the «**Start Date**», between «**Legal Comp Name**» (“Franchisee”), of «**CompAddress1**», «**CompAddressL2**» «**Comp City**», «**Comp State**» «**Comp Zip**», and Vision Source, LLC (“Franchisor”), of 23824 Highway 59 North, Kingwood, Texas 77339, (“Franchise Agreement”), the following provisions of the Franchise Agreement are changed as follows:

1. [For Vision Source NEXT Program Only] Section 3.1 of the Franchise Agreement is changed to read in its entirety as follows:

3.1 Term.

Except as otherwise provided in this Agreement, the term of this Agreement, which began on [FRANCHISE AGREEMENT EFFECTIVE DATE] (“Start Date”), will be extended on [ADDENDUM DATE] (the “Extension Date”) to a new term of [60 months or 120] months from the Extension Date (the “Extended Term.”).

2. Section 4.1 of the Franchise Agreement is changed to read in its entirety as follows:

4.1. Royalty.

Beginning on the Start Date, and continuing throughout the term and any renewal term of this Agreement, Franchisee must pay to Franchisor a monthly royalty (“Royalty”) equal to the lesser of (i) 2.50% of the Gross Receipts (as defined in this section) of the Office; or (ii) if applicable, the Monthly Royalty Cap (as defined in this section), as compensation to Franchisor for the ongoing use of the System and Mark and the services rendered by Franchisor. Royalty payments are delinquent if not received by Franchisor by the 45th day following the last day of the calendar month for which payment is being made. Franchisee must submit a certified statement of Gross Receipts and Allowable Sales Deductions in the form Franchisor designates with each Royalty payment.

[Alternate Language to be Inserted for Vision Source NEXT Program Only] During the Extended Term of this Agreement, Franchisee shall receive a monthly credit against the Royalty payment owed in the amount of [DOLLARS] during the Extended Term (the “Franchisor’s Credit”). The Franchisor’s Credit is offered to Franchisee to provide financial support in connection with third-party financing the Franchisee has secured to grow the Office, or obligations the Franchisee has undertaken to provide student loan repayment stipends to newly hired, licensed Optometrists employed to work in the Office, providing additional exams to patients the Office otherwise could not schedule and treat without the addition of the new Optometrist (hereinafter the “Franchisee’s Loan Obligation”). Franchisee shall provide Franchisor with copies of all documentation relating to the Franchisee’s Loan Obligation, including loan agreements with third party financing companies or employment agreements with newly hired Optometrists.

During the Extended Term, Franchisor will provide the Franchisor’s Credit for so long as Franchisee adopts and maintains participation in the following programs and aspects of the Vision Source System (collectively the “Franchisor’s Credit Participation Requirements”):

- (a) Attend The Exchange meeting in its entirety, from the opening general session through the closing general session, and
- (b) Attend a minimum of fifty percent (50%) of the available local, regional and/or state meetings for the applicable Territory; and
- (c) Attend at least one (1) Business of Optometry meeting annually; and
- (d) Engage in branding the Office, including at a minimum (1) converting to the Vision Source branded website available through Avelient or another similar website developer proposed by

Franchisee and approved by Franchisor; (ii) adopting at a minimum tagline branding for the Office indicating that the Office is a “Member of the Vision Source Network”; and (iii) adopting Franchisor’s then-current minimum brand standards, including by way of example, displays of the Vision Source brand in windows and entryways; and

- (e) Implement key programs for the Office within the Vision Source System, including at a minimum (i) [EL360, EL360, Level 1, or EL360 Level 2]; (ii) Focus on Contact Lens; and (iii) either Frame Dream Premium or Focus on Frames.

Franchisee’s compliance with the Franchisor’s Credit Participation Requirements will be evaluated on a quarterly basis during the Extended Term. For any quarterly period in which Franchisee has failed to meet the Franchisor’s Credit Participation Requirements, the Franchisor’s Credit will not be applied to the Franchisee’s Royalty payments during the quarter following the quarter in which Franchisee failed to meet the Franchisor’s Credit Participation Requirements. If Franchisee meets the Franchisor’s Credit Participation Requirements in the next quarter following the quarterly period in which the Franchisor’s Credit Participation Requirements were not fulfilled, then the Franchisor’s Credit will be applied in subsequent quarters. Should Franchisee re-finance its Loan Obligation at any time during the Extended Term, Franchisee shall provide a copy of the refinanced loan agreement(s) to Franchisor, evidencing principal amounts due and interest rates charged. Franchisee will be responsible for submitting program compliance progress each quarter (on the Insight portal) throughout the term of the agreement.

In the event that Franchisee defaults in its obligations under the Franchisee’s Loan Obligation, Franchisor shall suspend any further Credits, and Franchisee agrees to return any of the Franchisor’s Credits that were diverted to purposes other than supporting the repayment of Franchisee’s Loan Obligation. With particular reference to Franchisee’s Loan Obligations arising from the repayment of student loans for newly hired Optometrists, Franchisee agrees to submit payroll records for Franchisor’s inspection should Franchisee default in its obligations to the newly hired Optometrist. *[End of Alternate Language to be Inserted for Vision Source NEXT Program]*

Except as otherwise provided by California law or regulations, all payments by Franchisee to Franchisor are subject to the following:

- (a) Franchisee must use the payment method(s) that Franchisor designates from time-to-time.
- (b) If Franchisor accepts payment by check or credit card, Franchisor may impose reasonable service fees for processing payment.
- (c) If Franchisor requires payment by electronic funds transfer, Franchisee must designate an account at a commercial bank (the “Account”) and furnish the bank with authorizations, as necessary, to permit Franchisor to make withdrawals from the Account by electronic funds transfer. Franchisee agrees to maintain sufficient funds in the Account to cover the amounts payable to Franchisor. If funds in the Account are insufficient to cover the amounts payable at the time Franchisor initiates an electronic funds transfer, the amount of the shortfall will be deemed overdue.

The term “Gross Receipts” means all amounts received by the Office, minus “Allowable Sales Deductions” consisting of sales taxes and other similar taxes collected from patients or customers on the amount of sales transactions, reimbursements to insurance carriers and governmental agencies for overpayments, cash refunds to patients or customers, money lost on returned checks and credit card service charges. The term “Gross Receipts” also does not include any amounts charged to patients of Franchisee for services and/or optical goods that only a licensed ophthalmologist or medical physician can lawfully provide or dispense in the Designated Location.

The term “Monthly Royalty Cap” means \$4,000.00, however, Franchisee will be eligible for the Monthly Royalty Cap only if the following requirements are satisfied:

- (a) Franchisor receives Franchisee's written notice asserting eligibility for the Monthly Royalty Cap, provided any such eligibility may not be for a date that is more than 12 months before the date of Franchisee's written notice; and
- (b) If Franchisee's eligibility for the Monthly Royalty Cap is first effective for any month other than the first month of the Initial Term or any renewal term(s), Franchisee must sign a renewal Franchise Agreement with a Start Date of the first day of the month in which Franchisee is first eligible for the Monthly Royalty Cap; and
- (c) Franchisee must report the Gross Receipts and Allowable Sales Deductions for the Office stated in this Agreement separate from any other optometric office of the Franchisee; and
- (d) Franchisee's monthly Gross Receipts and Allowable Sales Deductions report and the related Royalty payment for the Office must not be delinquent under Section 4.1.

If Franchisee is delinquent in reporting and/or paying the Royalty in any month during a Contract Year, as defined in this section, then the Monthly Royalty Cap will not apply for the entire Contract Year and Franchisee must pay Royalty for the entire Contract Year based on the percentage of Gross Receipts stated in this section. The term "Contract Year" means the 12 month period commencing on the Start Date and each subsequent (12) month period during the initial term and any renewal term(s).

Provided Franchisee meets the requirements of subparagraphs (a) and (b) of this section, in every month of the applicable Contract Year, the Royalty payable for the last month of that Contract Year, will be computed as follows:

- (i) The total Royalty amount for the Contract Year based on the percentage of Gross Receipts stated in this section will be computed (the "Annual Royalty Amount").
- (ii) If the Annual Royalty Amount is equal to or greater than \$48,000.00, then the Royalty payable for the last month of that Contract Year will be \$48,000.00 minus the total Royalty payments made by Franchisee for the first 11 months of that Contract Year.
- (iii) If the Annual Royalty Amount is less than \$48,000.00, then the Royalty payable for the last month of that Contract Year will be the Annual Royalty Amount minus the total Royalty payments made by Franchisee for the first 11 months of that Contract Year.

The Royalty has been priced to provide to Franchisor compensation commensurate with the value of the franchise to Franchisee and services Franchisor furnishes to Franchisee. If a legal determination is made by a government authority with jurisdiction over this Agreement or by Franchisor, upon advice of counsel, that the current method of calculating Royalties does not conform to current law, then Franchisor and Franchisee agree to negotiate in good faith an alternative fee arrangement that would conform to the law and provide equivalent economic value to Franchisor. If the Parties do not agree within ninety (90) days after notice by Franchisor that a new agreement regarding fees is necessary, this Agreement will terminate, in Franchisor's sole discretion, immediately upon written notice by Franchisor to Franchisee. All post-termination obligations of the Parties will remain in effect.

The term "Obligation(s)" means (i) all amounts Franchisee owes to Franchisor from time to time under this Agreement (including but not limited to Royalty payments and marketing fees) and under any other agreement between Franchisee and Franchisor and its subsidiaries and affiliates; and (ii) the reasonable costs and expenses that Franchisor incurs to collect or attempt to collect amounts due from Franchisee.

3. [For Vision Source NEXT Program Only] Article 9.2 of the Franchise Agreement is changed to read in its entirety as follows:

9.2. Termination by Franchisee Without Cause in the 19th Month.

[Intentionally Omitted]

4. [For Vision Source NEXT Program Only] Article 10 of the Franchise Agreement is amended to include new sub-section (h) as follows:

- (h) If Franchisee terminates the Franchise Agreement for any reason during the first thirty-six (36) months of the Extended Term [alternatively, up to eight-four (84) months of the Extended Term], the Franchisee agrees to pay a Termination Fee in the cumulative amount of all the monthly Franchisor's Credits applied to Franchisee's Royalty payments during the applicable portion of the Extended Term. Franchisee agrees to remit the Termination Fee within thirty (30) days of the Termination Date.

Ratification of Franchise Agreement

In every other respect, Franchisor and Franchisee ratify and confirm the Franchise Agreement and that the Franchise Agreement shall remain in full force and effect, as amended by this Addendum.

IN WITNESS TO THE FOREGOING, the parties to this Addendum have signed and delivered this document on the dates below their signature(s) in multiple counterparts, each of which will be considered an original for all purposes. If it has been signed and delivered by Franchisee, this agreement will become legally binding on the date below the signature of Franchisor's signatory.

This Small Business Loan Agreement (this "Agreement") is a promissory note, security agreement and guaranty (whether such guaranty is herein contained or executed under separate agreement), all of which are to be construed together and are binding upon the parties hereto. Borrower and Guarantor have read and accepted all terms of this Agreement prior to signing it. This Agreement is being executed for business purposes and not for personal, family, household or agricultural purposes. Time is of the essence in Borrower's and Guarantor's performance of their obligations hereunder and under all related instruments and documents executed and delivered pursuant to this Agreement and any renewals or extensions of it. This Agreement, when signed and returned to Bank by Borrower and Guarantor, is binding and effective as of the Effective Date set forth above. If this Agreement is not executed by Borrower and Guarantor within ten (10) days from the Effective Date, it is null and void and of no legal force and effect. The section of this Agreement captioned "Definitions" contains the definitions of capitalized terms not defined elsewhere in this Agreement.

PROMISSORY NOTE

- 1. Loan.** Subject to the terms and conditions set forth herein, Bank shall make the Loan to Borrower. Borrower will repay principal and interest in equal combined installments of TBD and 00/100 Dollars (\$XXXXX.XX) on TBD, and on the last day of each month thereafter, and ending on TBD (the "Repayment Period"). In any event, on the last day of the Repayment Period, Borrower will repay the remaining principal balance plus all interest then due. Each installment, when paid, will be applied first to the payment of interest accrued. The balance, if any, of each installment will be applied to the repayment of principal, and then to unpaid fees. Borrower may not use proceeds of the Loan to make payments due under this Agreement or to repay any other obligation of Borrower to Bank or any affiliate of Bank. The Borrower may not use proceeds of the Loan to engage in any transaction that is illegal. Bank shall not be liable if Borrower engages in an illegal transaction.
- 2. Conditions Precedent to Loan.** The obligation of Bank to make the Loan is subject to all of the conditions and requirements of this Agreement and delivery of the following required documents or other actions, all of which are conditions precedent and subsequent to the making and the continuation of the Loan and shall be in form and substance satisfactory to Bank: (a) if Borrower or Guarantor is an organized entity, resolutions of Borrower's and Guarantor's governing board or body, officers, owners, partners, members or managers, as applicable, duly authorizing the execution, delivery and performance of all of the Loan Documents; (b) completed UCC financing statements on Borrower, and if applicable, Guarantor; (c) the execution and delivery or furnishing of such other instruments, documents, opinions, or guaranties as Bank may deem necessary or appropriate to consummate or implement the transactions contemplated by this Agreement; (d) Borrower, or if applicable, Guarantor shall have taken such other action as Bank may reasonably require to perfect its security interest in the Collateral and shall have paid all costs and expenses incident thereto; (e) payment by Borrower to Bank of any commitment fees, administration fees, documentation fees, mortgage or deed of trust recording or filing fees, stamp taxes, intangibles taxes or other filing fees relating to the Loan and the Collateral; (f) Bank's receipt of record searches, certificates and

other due diligence as Bank may require to determine that Borrower and Guarantor are in compliance with the representations, warranties, agreement and covenants contained in the Loan Documents; and (g) completion and fulfillment by Borrower, and if applicable, Guarantor, of all terms, provisions, and conditions of any letter of interest, proposal letter or conditions of closing issued by Bank to Borrower or Guarantor, as the same may be amended, revised, replaced, modified, reapproved or reissued from time to time.

3. **Interest.** Interest shall accrue on the unpaid principal balance of the Loan for each day from the date of disbursement of the proceeds of the Loan at the per annum fixed rate of interest set forth on the first page above until paid in full.
4. **Computation of Interest.** Interest on the principal balance of the Loan, shall be computed on the basis of a month of thirty (30) days and a year of three hundred sixty (360) days, and shall be payable monthly in arrears on the Payment Date.
5. **Default Rate of Interest.** Upon the occurrence of any default or after maturity or after judgment has been rendered on any obligation under this Agreement, all amounts outstanding under this Agreement, including any unpaid interest, fees, or costs, will at the option of Bank bear interest at a rate which is the lesser of (i) 6 percentage points per annum above the interest rate set forth on the first page of this Agreement or (ii) the maximum rate of interest permitted by applicable state law. This may result in compounding of interest. This will not constitute a waiver of any default.
6. **Loan Payments.** Borrower shall make all scheduled payments to Bank at such address as Bank may designate in writing from time to time. Bank can accept late or partial payments, as well as payments marked "paid in full" or with other restrictive endorsements, without losing any of its rights under this Agreement. Any payment of a smaller sum than due, or any partial payment intended as a payment in full of a disputed amount under the Indebtedness, regardless of any endorsement restriction, will not constitute an accord and satisfaction, and must be sent to: Bank of America, N.A., Gateway Village - 900 Building, NC1-026-06-06, 900 W. Trade Street, Charlotte, NC 28255. Any communication with Bank concerning Borrower's dispute of any amounts due under the Loan, as well as any payments of less than the full amount due and payable hereunder, must be sent to the address set forth in the preceding sentence. All other payments Borrower makes towards the Loan are to be mailed to the address the Bank sets forth on Borrower's monthly billing statement.
7. **Direct Debit.**
 - (a) Borrower agrees that on the due date of any amount due under this Agreement, Bank will debit the amount due from deposit account number TBD owned by Borrower, or such other of Borrower's accounts with Bank as designated in writing by Borrower (the "Designated Account"). Should there be insufficient funds in the Designated Account to pay all such sums when due, the full amount of such deficiency shall be immediately due and payable by Borrower.
 - (b) Borrower may terminate this direct debit arrangement at any time by sending written notice to Bank. If Borrower terminates this arrangement, then the principal amount outstanding under this Agreement will at the option of Bank bear interest at a rate per annum which is 1.00 percentage point higher than the rate of interest otherwise provided under this Agreement and the amount of each payment will be increased accordingly.
8. **Late Fee.** To the extent permitted by law, Borrower agrees to pay a late fee in an amount not to exceed four percent (4%) of any payment that is more than fifteen (15) days late. The imposition and payment of a late fee shall not constitute a waiver of Bank's rights with respect to the default.
9. **No Excess Fees.** Notwithstanding any provision in this Agreement to the contrary, the aggregate amount of all interest, fees, penalties, expenses and other charges payable by Borrower to Bank (collectively, "Costs") shall not exceed the maximum amount permitted under applicable law, or to the extent included in the determination of interest, the maximum interest rate allowable under applicable law ("Maximum Rate"). If the aggregate amount of all Costs would otherwise exceed the Maximum Rate, such amounts shall be reduced, in a manner selected by Bank in its sole and absolute discretion, to equal in the aggregate the maximum amount permitted under applicable law. No party bound by the Loan Documents shall have an action or remedy against Bank for any damages whatsoever or any defense to the enforcement of the Loan Documents given in connection herewith arising out of the payment or collection of any interest in excess of the Maximum Rate.
10. **Unconditional Obligation to Pay.** Each Borrower and each Guarantor agree that its obligation to make payments to Bank on the Indebtedness under this Agreement is absolute and unconditional, under all circumstances whatsoever, and shall not be affected by any defect in the condition, design or operation of the Collateral, any lack of maintenance or service of any Collateral, or any setoff, counterclaim, defense or reduction which Borrower or Guarantor may have

against Bank, or any Provider, or any supplier, servicer, broker, salesperson or other third party.

SECURITY AGREEMENT

- 11. Security Interest.** Grantor grants Bank a security interest in the Collateral and the proceeds of the Collateral to secure payment and performance of the Indebtedness.
- 12. Representations, Warranties and Covenants.** Grantor represents, warrants, covenants and agrees that at all times: (a) the Collateral shall be kept at the location of the Business, and at any other location at which Grantor maintains a Business; (b) Grantor shall promptly notify Bank of any change in the location of the Collateral, and Grantor shall not remove the Collateral from said location without the prior written consent of Bank, except for inventory sold in the ordinary course of business; (c) the chief executive office, principal place of business, or business domicile, and the state of organization of Grantor are as verbally or in writing provided to Bank, and Grantor shall not change or relocate its chief executive office, principal place of business or business domicile, shall not change its state of organization or name, shall not make any substantial change in the present executive or management personnel of Borrower, and, if Borrower is anything other than a natural person, shall not cause, permit, or suffer any change in capital ownership such that there is a material change, as determined by Bank in its sole discretion, in the direct or indirect capital ownership of Borrower; (d) to promptly notify Bank in writing of: (1) any Event of Default under this Agreement, or any event which, with notice or lapse of time or both, would constitute an Event of Default; and (2) any change in Borrower's name, legal structure, principal residence, or name on any driver's license or special identification card issued by any state (for an individual), state of registration (for a registered entity), place of business, or chief executive office if Borrower has more than one place of business; (e) except for the security interest granted under this Agreement, and other interests in favor of Bank, and except as otherwise consented to in writing by Bank, Grantor is the owner of the Collateral, free from any lien, security interest, encumbrance, assignment, judgment, lien, claim or charge of any kind (whether perfected or unperfected, avoidable or unavoidable) or financing statement or other filing, with respect to any Collateral, and Grantor will defend the Collateral against all claims and demands of any and all persons at any time claiming the Collateral or any interest therein; (f) except for sales of inventory in the ordinary course of business, Grantor will not sell, exchange, lease or otherwise dispose of any interest in the Collateral without the prior written consent of Bank and shall not, without the consent of Bank, permit any lien, security interest or encumbrance to attach to the Collateral; (g) Grantor authorizes Bank to file a financing statement describing the Collateral or, at Bank's option from time to time, all personal property of Grantor, and if Bank has pre-filed a financing statement with respect thereto, Grantor hereby ratifies such filing. Grantor waives any right that Grantor may have to file with the applicable filing office any financing statement, amendment, termination or other record pertaining to the Collateral and Bank's interest therein. Grantor will cooperate with Bank in obtaining control of any Collateral in which a security interest may be perfected by possession or control and will, at Grantor's expense, make and do all such acts and things as Bank may from time to time request for the better evidencing, perfection, protection or validation of or realization of the benefits of its security interest. At the request of Bank, Grantor shall join with Bank in executing one or more financing statements or amendments thereto for the Collateral pursuant to the requirements of the UCC in form satisfactory to Bank. A carbon, photographic, electronic, or other reproduction of this Agreement or a financing statement will be sufficient as a financing statement. Grantor hereby appoints Bank or its designee, with full power of substitution, as Grantor's attorney-in-fact to execute and file UCC financing statements and other security documents in Grantor's name and to perform all other acts that Bank deems necessary or appropriate to perfect and protect Bank's security interest in the Collateral. Such appointment is coupled with an interest with full power of substitution, and is irrevocable.

INSURANCES

- 13. Flood and Other Insurance.** If any improved real property collateral is located in a designated flood hazard area, or becomes located in a designated flood hazard area after the date of this Agreement as a result of any re-mapping of flood insurance maps by the Federal Emergency Management Agency, Borrower will be required to maintain flood insurance on the real property and on any tangible personal property collateral located on the real property. In addition, Borrower shall maintain such other insurance as Bank may require to comply with Bank's regular requirements and practices in similar transactions, which may include earthquake insurance and insurance covering acts of terrorism.
- 14. Collateral Maintenance, Insurance, and Taxes.** Grantor shall maintain the Collateral in good condition, repair and working order. In the event of any loss, theft, damage or destruction of the Collateral, Grantor shall immediately notify Bank and, at Bank's option from time to time, shall either: (a) place the same in good repair, condition and working order; (b) replace the same with like Collateral in good repair, condition and working order, free and clear of all encumbrances except in favor of Bank; or (c) pay Bank the balance remaining under the Loan. Grantor shall, at Grantor's expense, maintain insurance on the Collateral against fire, theft, sinkhole, windstorm or hurricane coverage,

and such other hazards and in such form and for such coverages and amounts as Bank may require. Bank shall be named, in a manner satisfactory to Bank, as an additional insured or as loss payee on all policies of insurance required hereunder. The proceeds of such insurance shall be applied toward the replacement or repair of the Collateral or to reduce or payoff the then remaining balance of the Loan. Grantor hereby appoints Bank as Grantor's attorney-in-fact to make any claim for, receive payment of, or execute or endorse all documents, checks or drafts for loss or damage or return of premium under such insurance. Each insurance policy shall provide that the insurance policy cannot be cancelled without thirty (30) days' prior written notice to Bank. Grantor agrees to furnish to Bank proof of each insurance policy insuring the Collateral by providing to Bank a copy of the certificate of insurance or the policy itself within ten (10) days following the date hereof. Should Grantor fail to insure the Collateral as herein required, Bank shall have the right, but not the obligation, to purchase insurance on the Collateral in such amounts, from such insurers and for such premiums, as Bank may deem appropriate. Grantor agrees to promptly reimburse Bank for all costs incurred in connection with obtaining such insurance plus an administrative fee of \$25.00 each month until Grantor provides evidence of such insurance satisfactory to Bank. Payment of such fee does not relieve Grantor from its obligation to obtain insurance. Grantor shall pay and discharge when due all taxes imposed on the Collateral. Further, Bank may discharge taxes, liens or other encumbrances at any time levied or placed on the Collateral and pay for the maintenance and preservation of the Collateral should Grantor fail to do so. Grantor agrees to promptly reimburse Bank on demand for any payment so made, and until such reimbursement, the amount so paid by Bank shall be added to the Indebtedness.

- 15. Other Insurances.** So long as the Loan remains unpaid Grantor shall maintain and keep in full force and effect such insurances required by Bank issued by one or more recognized, financially sound and responsible insurance companies approved by Bank and qualified or authorized by applicable laws to assume the risks covered by such policies, coverages, limits and deductibles as required by Bank. All insurances shall at all times be the subject of such certificates, endorsements, assignments, evidences and other requirements as Bank may direct from time to time.

COVENANTS; FINANCIAL REPORTING

- 16. Condition Subsequent.** Borrower agrees and covenants with Bank that it will, subsequent to the closing of the Loan and disbursements of the proceeds of the Loan, complete and fulfill any uncompleted and unfulfilled provisions or conditions contained in any letter of interest, proposal letter or conditions of closing issued for the Loan, as the same may be amended, revised, replaced, modified, reapproved or reissued from time to time, within any period prescribed by Bank.
- 17. Affirmative Covenants.** So long as the Loan remains unpaid, Borrower will: (a) respond promptly (but in no event later than twenty (20) business days after) and completely to Bank's telephone and written inquiries regarding the status of the Business and the financial condition of Borrower; (b) for it and Guarantor, do or cause to be done all things necessary to obtain, enter into, preserve and keep in full force and effect all material licenses; (c) engage in the Business on the days and during the hours of operation established for the Business; (d) observe the applicable requirements of all Governmental Authorities and agents of Governmental Authorities and perform the terms of all material agreements relating thereto; and (e) notify Bank immediately of any (i) notice, claim or demand from any Governmental Authorities which alleges that Borrower is in violation of any of the terms of, or has failed to comply with, any requirement of law regulating the Business; and (ii) other developments in the business or affairs of Borrower which could adversely affect the ability of Borrower to repay the Loan or comply with the provisions of the Loan Documents.
- 18. Negative Covenants.** So long as the Loan remains unpaid, Borrower will not allow or suffer: (a) for it and Guarantor, any suspension, probation, failure to renew, cancellation, rescission, termination, lapse or forfeiture of any material license required for Borrower to conduct the Business; (b) the dismissal, resignation or other withdrawal from the Business, in whole or in part, of any owner, partner, member, trustee or shareholder; (c) the suspension of the operations of the Business for more than thirty (30) days; (d) With respect to any Borrower which is a business entity, adopt a plan of division or divide itself into two or more business entities (pursuant to a "plan of division" under Section 18-217 of the Delaware Limited Liability Company Act or a similar arrangement under any other applicable state statute) or; (e) the filing or threat of any lien, interest, claim or encumbrance against the Collateral, or any part thereof, including but not limited to, any real estate in which a mortgage lien or deed of trust has been granted by Borrower or Guarantor to Bank as security for repayment of the Indebtedness.
- 19. Hazardous Substances.** (a) Indemnity Regarding Hazardous Substances. Borrower will indemnify and hold harmless Bank from any loss or liability Bank incurs in connection with or as a result of this Agreement which directly or indirectly arises out of the use, generation, manufacture, production, storage, release, threatened release,

discharge, disposal or presence of a Hazardous Substance. This indemnity will apply whether the Hazardous Substance is on, under or about Borrower's property or operations or property leased to Borrower. The indemnity includes but is not limited to attorneys' fees (including the reasonable estimate of the allocated cost of in-house counsel and staff). The indemnity extends to Bank, its parent, subsidiaries and all of their directors, officers, employees, agents, successors, attorneys and assigns. (b) Compliance Regarding Hazardous Substances. Borrower represents and warrants that Borrower has complied with all current and future laws, regulations and ordinances or other requirements of any governmental authority relating to or imposing liability or standards of conduct concerning protection of health or the environment or Hazardous Substances. (c) Notices Regarding Hazardous Substances. Until full repayment of the Loan, Borrower will promptly notify Bank in writing of any threatened or pending investigation of Borrower or its operations by any governmental agency under any current or future law, regulation or ordinance pertaining to any Hazardous Substance. (d) Site Visits, Observations and Testing. Bank and its agents and representatives will have the right at any reasonable time, after giving reasonable notice to Borrower, to enter and visit any locations where the Collateral is located for the purposes of observing the use of the Collateral, taking and removing environmental samples, and conducting tests. Borrower shall reimburse Bank on demand for the costs of any such environmental investigation and testing. Bank will make reasonable efforts during any site visit, observation or testing conducted pursuant to this paragraph to avoid interfering with Borrower's use of the Collateral. Bank is under no duty to observe the Collateral or to conduct tests, and any such acts by Bank will be solely for the purposes of protecting Bank's security and preserving Bank's rights under this Agreement. No site visit, observation or testing or any report or findings made as a result thereof ("Environmental Report"): (i) will result in a waiver of any default of Borrower; (ii) impose any liability on Bank; or (iii) be a representation or warranty of any kind regarding the Collateral (including its condition or value or compliance with any laws) or the Environmental Report (including its accuracy or completeness). In the event Bank has a duty or obligation under applicable laws, regulations or other requirements to disclose an Environmental Report to Borrower or any other party, Borrower authorizes Bank to make such a disclosure. Bank may also disclose an Environmental Report to any regulatory authority, and to any other parties as necessary or appropriate in Bank's judgment. Borrower further understands and agrees that any Environmental Report or other information regarding a site visit, observation or testing that is disclosed to Borrower by Bank or its agents and representatives is to be evaluated (including any reporting or other disclosure obligations of Borrower) by Borrower without advice or assistance from Bank. (e) Definition of Hazardous Substances. "Hazardous Substance" means any substance, material or waste that is or becomes designated or regulated as "toxic," "hazardous," "pollutant," or "contaminant" or a similar designation or regulation under any current or future federal, state or local law (whether under common law, statute, regulation or otherwise) or judicial or administrative interpretation of such, including without limitation petroleum or natural gas. (f) Continuing Obligation. Borrower's obligations to Bank under this Agreement, except the obligation to give notices to Bank, shall survive termination of this Agreement and repayment of the Loan.

DEFAULT AND REMEDIES

20. Default Costs; Attorney Fees; Savings Clause. Borrower agrees to pay to the order of Bank the following costs and fees, in addition to any late fees permitted under this Agreement, when incurred: (a) costs of foreclosure and of obtaining a judgment for money damages; and (b) fees and costs of attorneys employed by Bank for any purpose related to this Loan or the Loan Documents, including consultation, drafting documents, sending notices or instituting, prosecuting or defending any proceedings. Such proceedings include any arbitration, collection, bankruptcy, civil action, mediation, and counterclaim in which Bank pursues or prevails or post judgment action or appeal with respect to any of the foregoing. The fees and charges payable to Bank under this section are in addition to such other interest, fees and charges that Bank may assess against Borrower pursuant to other provisions of this Agreement and are part of the Indebtedness.

21. Events of Default. The following shall be Events of Default: (a) failure to make any Monthly Payment and the failure to make any payment of the Indebtedness and such failure continues for ten (10) days after it first becomes due; (b) Borrower or Guarantor defaults in the performance of any of their obligations or breaches any representation, covenant, or warranty under any of the Loan Documents, or any other agreement with Bank or any affiliate of Bank; (c) the failure or refusal of Borrower or Guarantor to provide to Bank financial statements, reports or other information within twenty (20) days of Bank's request for same; (d) the uninsured loss or theft, or the destruction of the Collateral or the unpermitted sale, assignment or encumbrance of or on any Collateral; (e) attachment, execution or levy on any Collateral; (f) dissolution, termination of existence, insolvency, business failure, appointment of a receiver over any part of the property of Borrower or Guarantor, assignment for the benefit of creditors or the commencement of any proceedings under any bankruptcy or insolvency laws by or against Borrower or Guarantor; (g) Borrower or Guarantor, if an individual dies or becomes disabled and a suitable replacement Borrower or Guarantor acceptable to Bank is not provided for the deceased Borrower or Guarantor within sixty (60) days of said death or disability; (h) if Borrower or Guarantor, without the prior written consent of Bank, stops doing business as a going concern, merges,

consolidates, transfers all or substantially all of its assets to a third party or undergoes a substantial deterioration of financial condition; (i) an amendment or termination relating to a filed financing statement describing any of the Collateral is improperly filed by Borrower or Guarantor; or (j) Bank reasonably determines that there has been a material adverse change in the business, prospects, condition, affairs or operations of Borrower or Guarantor; or (k) Bank receives notification or is otherwise made aware that Borrower or Guarantor is listed as or appears on any lists of known or suspected terrorists or terrorist organizations provided to Bank by the U.S. government under the USA Patriot Act of 2001.

22. Remedies on Default. Upon the occurrence of an Event of Default, Bank may at its option, exercise one or more of the following remedies without notice or demand against each Borrower and each Guarantor, except as required by law: (i) if the proceeds of the Loan are not fully disbursed, cease, suspend or limit making additional advances under the Loan; (ii) declare the Indebtedness, or any part or parts thereof, immediately due and payable in full; (iii) charge interest at the default rate set forth under the section of this Agreement captioned "Default Rate of Interest" on all Indebtedness; (iv) exercise all of Bank's rights and remedies as a secured party, including the right to enter any premises where the Collateral may be located without legal process and take possession of and remove the Collateral which, upon request of Bank, Borrower agrees to assemble and to make available at a place designated by Bank; (v) sell, lease or otherwise dispose of any Collateral at public or private sale and collect any deficiency balance with or without resorting to legal process; (vi) if permitted by applicable law or order of court, require Borrower to assign and transfer custody of its customer files, records, charts and lists to a duly licensed professional, business operator, receiver, keeper or custodian selected by Bank in its sole discretion, to execute such documents as Bank deems necessary to effect such assignment and transfer, and to turn over and remit to Bank the proceeds from any said transfer or assignment for value; (vii) request from a court of appropriate jurisdiction that a duly licensed professional, business operator, receiver, keeper or custodian be appointed over the management, control and supervision of the Business and the Collateral, and Borrower and Guarantor authorize, approve and consent to such proceeding and appointment; or (viii) exercise any other right or remedy available to Bank at law or in equity. Bank has no obligation to clean up or otherwise prepare the Collateral for sale. Bank has no obligation to attempt to satisfy the Indebtedness by collection from any other person liable therefore, and Bank may release, modify or waive any Collateral without affecting Bank's rights against Borrower or Guarantor, each of whom waive any right he/she/it may have to require Bank to pursue any third person for any of the Indebtedness. Bank may comply with any applicable state or federal law requirements in connection with a disposition of the Collateral and compliance will not be construed to adversely affect the commercial reasonableness of any sale of the Collateral. Bank may sell the Collateral without giving any warranties with respect thereto and may specifically disclaim any warranties of title or the like. This procedure will not be construed to adversely affect the commercial reasonableness of any sale of the Collateral. Bank shall have no obligation to marshal any assets in favor of Borrower or against Borrower in payment of the Loan or any of the Indebtedness.

23. Waiver of Presentment and Notice. Borrower and all endorsers, Guarantor, and other parties who may now or in the future be primarily or secondarily liable for payment of the Loan evidenced hereby, waive presentment for payment, demand, notice of nonpayment, notice of dishonor, protest, notice of protest and all other notices in connection with the delivery, acceptance, performance, default or enforcement of this Agreement or any payment made pursuant to its terms.

24. Joint and Several Liability. The liability of Borrower and Guarantor is joint and several and, upon an Event of Default under this Agreement, Bank may proceed with action, judicial or otherwise, to collect the Indebtedness due from Borrower and Guarantor, individually or jointly. Borrower and Guarantor specifically agree, consent and authorize Bank to settle the whole or any part of the Loan with either Borrower or Guarantor, or any one or more of them, without the express consent or authorization of any of them, and that Bank may proceed to collect any remaining balance due under the Loan after any said settlement from any party remaining liable under this Agreement. Bank may pursue, at its election, any nonjudicial or judicial proceedings to liquidate the Collateral to satisfy the Loan, and such election shall not preclude Bank from pursuing either Borrower or Guarantor for any remaining balance due under the Loan, or from pursuing the liquidation of any other Collateral in satisfaction of the Loan.

25. Setoff. (a) In addition to any rights and remedies of Bank provided by law, Borrower grants to Bank a security interest in, and the contractual right to set off and apply, at any time, any and all Property of Borrower held by Bank or any of its affiliates or subsidiaries against any and all Indebtedness owing to Bank. The set-off may be made irrespective of whether or not Bank shall have made demand under this Agreement or any guaranty, and although such Indebtedness may be contingent or unmatured or denominated in a currency different from that of the applicable Property. (b) The set-off may be made without prior notice to Borrower or any other party, any such notice being waived by Borrower to the fullest extent permitted by law. Bank agrees promptly to notify Borrower after any such

set-off and application; however, the failure to give such notice shall not affect the validity of the set-off and application. (c) For the purposes of this "Setoff" section: "Property" means any deposits (general or special, time or demand, provisional or final, individual or joint) and any instruments, securities, documents, chattel paper, credits, and any other property, rights, and interests of Borrower that come into the possession or custody or under control of Bank or any of its affiliates or subsidiaries. **TO THE EXTENT PERMITTED BY LAW, ANY AND ALL RIGHTS TO REQUIRE BANK TO EXERCISE ITS REMEDIES WITH RESPECT TO ANY OTHER COLLATERAL THAT SECURES THE LIABILITIES PRIOR TO EXERCISING ITS RIGHT OF SETOFF WITH RESPECT TO SUCH DEPOSITS, CREDITS, OR OTHER PROPERTY OF BORROWER, ARE HEREBY VOLUNTARILY, INTENTIONALLY, AND IRREVOCABLY WAIVED.** Notwithstanding anything contained herein, the Bank hereby waives any right of set-off in the account of Borrower into which government payments in respect of the Medicare and Medicaid programs are made.

- 26. Powers and Authority.** Each Borrower and Guarantor represents and warrants that he/she/it has the power and authority to incur the obligations hereunder and to execute, deliver and perform the Loan Documents, and certifies that each of their signatures hereto is genuine. The execution and delivery by Borrower and Guarantor of the Loan Documents will not contravene or violate any law or any contract to which Borrower or Guarantor is a party.
- 27. Waivers.** No delay or omission by Bank in exercising any right or remedy under this Agreement shall impair any right or remedy, waive or operate as an acquiescence to the Event of Default or affect any subsequent default of the same or a different nature.
- 28. Choice of Law; Jurisdiction; Venue.** Except to the extent that any law of the United States may apply, this Agreement shall be governed and interpreted according to the internal laws of Borrower's principal place of business (the "Governing Law State"), without regard to any choice of law, rules or principles to the contrary. However, the charging and calculating of interest on the obligations under this Agreement shall be governed by, construed and enforced in accordance with the laws of the State of North Carolina and applicable federal law. Nothing in this paragraph shall be construed to limit or otherwise affect any rights or remedies of Bank under federal law. Borrower, Guarantors and Bank agree and consent to be subject to the personal jurisdiction of any state or federal court located in the Governing Law State so that trial shall only be conducted by a court in that state.
- 29. Waiver of Class Actions.** The terms "Claim" or "Claims" refer to any disputes, controversies, claims, counterclaims, allegations of liability, theories of damage, or defenses between Bank, on the one hand, and the other parties to this Agreement, on the other hand (all of the foregoing each being referred to as a "Party" and collectively as the "Parties"). Whether in state court, federal court, or any other venue, jurisdiction, or before any tribunal, the Parties agree that all aspects of litigation and trial of any Claim will take place without resort to any form of class or representative action. Thus the Parties may only bring Claims against each other in an individual capacity and waive any right they may have to do so as a class representative or a class member in a class or representative action. **THIS CLASS ACTION WAIVER PRECLUDES ANY PARTY FROM PARTICIPATING IN OR BEING REPRESENTED IN ANY CLASS OR REPRESENTATIVE ACTION REGARDING A CLAIM.**
- 30. GAAP.** Except as otherwise stated in this Agreement, all financial information provided to the Bank and all financial covenants will be made under generally accepted accounting principles, consistently applied; provided, however, leases shall continue to be classified and accounted for on a basis consistent with that reflected in the financial statements of the Borrower for the most recently ended fiscal year prior to the date of this Agreement for all purposes of this Agreement, notwithstanding any change in GAAP relating thereto, unless the parties hereto shall enter into a mutually acceptable amendment addressing such changes. If at any time any change in GAAP would affect the computation of any financial ratio or requirement set forth herein, and either the Borrower or the Bank shall so request, the Borrower and the Bank shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP; provided that, until so amended, (i) such ratio or requirement shall continue to be computed in accordance with GAAP prior to such change therein and (ii) the Borrower shall provide to the Bank financial statements and other documents required under this Agreement or as reasonably requested hereunder setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in GAAP.
- 31. Dispute Resolution Provision.** This section and its subsections below are referred to as the "Dispute Resolution Provision." Bank and Borrower (and any other party to this Agreement) agree that this Dispute Resolution Provision is a material inducement for their entering into this Agreement.
- (a) This Dispute Resolution Provision concerns the resolution of any disputes, controversies, claims, counterclaims, allegations of liability, theories of damage, or defenses (collectively, a "Claim" or "Claims") between Bank, on the one hand, and Borrower and any obligor, on the other hand (each side being, for the

purposes of this Dispute Resolution Provision, a "Party" and the two sides together being the "Parties"), regardless of whether based on federal, state, or local law, statute, ordinance, regulation, contract, common law, or any other source, and regardless of whether foreseen or unforeseen, suspected or unsuspected, or fixed or contingent at the time of this Agreement, including but not limited to Claims that arise out of or relate to: (i) this Agreement (including any renewals, extensions or modifications); or (ii) any document related to this Agreement. For the purposes of this Dispute Resolution Provision only, the terms "Bank" or Party or Parties (to the extent referring to or including Bank) shall include any parent corporation, subsidiary or affiliate of Bank.

- (b) The Parties agree that at the request of any Party to this Agreement, any Claim shall be resolved by binding arbitration. The Claims shall be governed by the laws of the Governing Law State without regard to its conflicts of law principles. The Federal Arbitration Act, 9 U.S.C. §§ 1 et seq. (the "Act"), shall apply to the construction, interpretation, and enforcement of this Dispute Resolution Provision, as well as to the confirmation of or appeal from any arbitration award.
- (c) Arbitration proceedings will be determined in accordance with the Act, the then-current Commercial Finance rules and procedures of the American Arbitration Association or any successor thereof ("AAA") (or any successor rules for arbitration of financial services disputes), and the terms of this Dispute Resolution Provision. In the event of any inconsistency, the terms of this Dispute Resolution Provision shall control. The arbitration shall be administered by the Parties and not the AAA and shall be conducted, unless otherwise required by law, at a location selected solely by Bank in any U.S. state where real or tangible personal property collateral for this credit is located or where Borrower has a place of business. If there is no such state, Bank shall select a location in the Governing Law State.
- (d) If aggregate Claims are One Million Dollars (\$1,000,000) or less:
 - (i) All issues shall be heard and determined by one neutral arbitrator. The arbitrator shall have experience with commercial financial services disputes and, if possible, prior judicial experience, and shall be selected pursuant to the AAA "Arbitrator Select: List and Appointment" process, to be initiated by Bank. If the AAA "Arbitrator Select: List and Appointment" process is unavailable, Bank shall initiate any successor process offered by the AAA or a similar process offered by any other nationally recognized alternative dispute resolution organization.
 - (ii) Unless the arbitrator has a dispositive motion under advisement or unforeseeable and unavoidable conflicts arise (as determined by the arbitrator), all arbitration hearings shall commence within ninety (90) days of the appointment of the arbitrator, and under any circumstances the award of the arbitrator shall be issued within one hundred twenty (120) days of the appointment of the arbitrator.
 - (iii) A Party shall be entitled to take no more than two (2) fact depositions, one or both of which may be taken in accordance with Fed. R. Civ. P. 30(b)(6), plus depositions of any experts designated by the other Party, each of seven (7) hours or less, during pre-hearing discovery.
 - (iv) There shall be no written discovery requests except a Party may serve document requests on the other Party not to exceed twenty (20) in number, including subparts. The requests shall be served within forty-five (45) days of the appointment of the arbitrator and shall be responded to within twenty-one (21) days of service.
- (e) If aggregate Claims exceed One Million Dollars (\$1,000,000):
 - (i) The issues shall be heard and determined by one neutral arbitrator selected as above unless either Party requests that all issues be heard and determined by three (3) neutral arbitrators. In that event, each Party shall select an arbitrator with experience with commercial financial services disputes, and the two arbitrators shall select a third arbitrator, who shall have prior judicial experience. If the arbitrators cannot agree, the third arbitrator shall be selected pursuant to the AAA "Arbitrator Select: List and Appointment" process, to be initiated by Bank.
 - (ii) Unless the arbitrator(s) have a dispositive motion under advisement or other good cause is shown (as determined by the arbitrator(s)), all arbitration hearings shall commence within one hundred twenty (120) days of the appointment of the arbitrator(s), and under any circumstances the award of the arbitrator(s) shall be issued within one hundred eighty (180) days of the appointment of the arbitrator(s).
 - (iii) A Party shall be entitled to take no more than five (5) fact depositions, one or more of which may be

taken in accordance with Fed. R. Civ. P. 30(b)(6), plus depositions of any experts designated by the other Party, each of seven (7) hours or less, during pre-hearing discovery.

- (iv) There shall be no written discovery requests except a Party may serve document requests on the other Party not to exceed thirty (30) in number, including subparts. The requests shall be served within forty-five (45) days of the appointment of the arbitrator(s) and shall be responded to within twenty-one (21) days of service.
- (f) Where a Party intends to rely upon the testimony of an expert on an issue for which the Party bears the burden of proof, the expert(s) must be disclosed within thirty (30) days following the appointment of the arbitrator(s), including a written report in accordance with Fed. R. Civ. P. 26(a)(2)(B). The arbitrator(s) shall exclude any expert not disclosed strictly in accordance herewith. The other Party shall have the right within thirty (30) days thereafter to take the deposition of the expert(s) (upon payment of the expert's reasonable fees for the in-deposition time), and to identify rebuttal expert(s), including a written report in accordance with Fed. R. Civ. P. 26(a)(2)(B).
- (g) The arbitrator(s) shall consider and rule on motions by the Parties to dismiss for failure to state a claim; to compel; and for summary judgment, in a manner substantively consistent with the corresponding Federal Rules of Civil Procedure. The arbitrator(s) shall enforce the "Apex" doctrine with regard to requested depositions of high-ranking executives of both Parties. The arbitrator(s) shall exclude any Claim not asserted within thirty (30) days following the demand for arbitration. This shall not prevent a Party from revising the calculation of damages on any existing theory. All discovery shall close at least one (1) week before any scheduled hearing date, and all hearing exhibits shall have been exchanged by the same deadline or they shall not be given weight by the arbitrator(s).
- (h) The arbitrator(s) will give effect to applicable statutes of limitation in determining any Claim and shall dismiss the Claim if it is barred by the statutes of limitation. For purposes of the application of any statutes of limitation, the service of a written demand for arbitration or counterclaim pursuant to the Notices provision of this Agreement is the equivalent of the filing of a lawsuit. At the request of any Party made at any time, including at confirmation of an award, the resolution of a statutes of limitation defense to any Claim shall be decided de novo by a court of competent jurisdiction rather than by the arbitrator(s). Otherwise, any dispute concerning this Dispute Resolution Provision or whether a Claim is arbitrable shall be determined by the arbitrator(s), except as otherwise set forth in this Dispute Resolution Provision.
- (i) The arbitrator(s) shall have the power to award legal fees and costs relating to the arbitration proceeding and any related litigation or arbitration, pursuant to the terms of this Agreement. The arbitrator(s) shall provide a written statement of reasons for the award. The arbitration award may be submitted to any court having jurisdiction to be confirmed and have judgment entered and enforced.
- (j) This subparagraph applies to Claims brought in a California state court: Any Claim which is not arbitrated and which is brought by any Party in a California state court shall be resolved by a general reference to a referee (or a panel of referees) as provided in California Code of Civil Procedure Section 638. The referee (or presiding referee of the panel) shall be a retired Judge or Justice of the California state court system. The referee(s) shall be selected by mutual written agreement of the parties. If the parties do not agree, the referee(s) shall be selected by the Presiding Judge of the Court (or his or her representative) as provided in California Code of Civil Procedure Section 640. The referee(s) shall hear and determine all issues relating to the Claim, whether of fact or of law, and shall do so in accordance with the laws of the Governing Law State and the California rules of evidence and civil procedure, and shall report a statement of decision. The referee(s) shall be empowered to enter equitable as well as legal relief, provide all temporary or provisional remedies, enter equitable and legal orders that will be binding on the parties, and rule on any motion which would be authorized in court litigation, including without limitation motions to dismiss, for summary judgment, or for summary adjudication. The referee(s) shall award legal fees and costs (including the fees of the referee(s)) relating to the judicial reference proceeding, and to any related litigation or arbitration, in accordance with the terms of this Agreement. The award that results from the decision of the referee(s) shall be entered as a judgment in the court that appointed the referee(s), in accordance with the provisions of California Code of Civil Procedure Sections 644(a). Pursuant to California Code of Civil Procedure Sections 645, the parties reserve the right to seek appellate review of any judgment or order, including but not limited to, orders pertaining to class certification, to the same extent permitted in a court of law.
- (k) The filing of a court action is not intended to constitute a waiver of the right of any Party, including the suing Party, thereafter to require submittal of the Claims to arbitration, unless the Party fails to make such demand

for arbitration within ninety (90) days following the filing of the court action.

- (l) This Dispute Resolution Provision does not limit the right of any Party to: (i) exercise self-help remedies, such as but not limited to, setoff; (ii) initiate judicial or non-judicial foreclosure against any real or personal property collateral; (iii) exercise any judicial or power of sale rights; or (iv) act in a court of law to obtain an interim remedy, such as but not limited to, injunctive relief, writ of possession or appointment of a receiver, or additional or supplementary remedies.
- (m) Any arbitration or court trial (whether before a judge or jury or pursuant to judicial reference) of any Claim will take place on an individual basis without resort to any form of class or representative action (the "Class Action Waiver"). **THE CLASS ACTION WAIVER PRECLUDES ANY PARTY FROM PARTICIPATING IN OR BEING REPRESENTED IN ANY CLASS OR REPRESENTATIVE ACTION REGARDING A CLAIM.** Regardless of anything else in this Dispute Resolution Provision, the validity and effect of the Class Action Waiver may be determined only by a court or referee and not by an arbitrator. The Parties to this Agreement acknowledge that the Class Action Waiver is material and essential to the arbitration of any disputes between the Parties and is nonseverable from the agreement to arbitrate Claims. If the Class Action Waiver is limited, voided or found unenforceable, then the Parties' agreement to arbitrate shall be null and void with respect to such proceeding, subject to the right to appeal the limitation or invalidation of the Class Action Waiver. **THE PARTIES ACKNOWLEDGE AND AGREE THAT UNDER NO CIRCUMSTANCES WILL A CLASS ACTION BE ARBITRATED.**
- (n) The arbitration proceedings shall be private. All documents, transcripts, and filings received by any Party shall not be disclosed by the recipient to any third parties other than attorneys, accountants, auditors, and financial advisors acting in the course of their representation, or as otherwise ordered by a court of competent jurisdiction. Any award also shall be kept confidential, although this specific requirement shall be void once the award must be submitted to a court for enforcement. The Parties agree that injunctive relief, including a temporary restraining order, from a trial court is the appropriate relief for breach of this paragraph, and they waive any security or the posting of a bond as a requirement for obtaining such relief.
- (o) By agreeing to binding arbitration or judicial reference, the Parties irrevocably and voluntarily waive any right they may have to a trial by jury in respect of any Claim. Furthermore, without intending in any way to limit this agreement to arbitrate or for judicial reference, to the extent any Claim is not arbitrated or submitted to judicial reference, the Parties irrevocably and voluntarily waive any right they may have to a trial by jury in respect of such Claim. This waiver of jury trial shall remain in effect even if the Class Action Waiver is limited, voided or found unenforceable. **WHETHER THE CLAIM IS DECIDED BY ARBITRATION, JUDICIAL REFERENCE OR BY TRIAL BY A JUDGE, THE PARTIES AGREE AND UNDERSTAND THAT THE EFFECT OF THIS DISPUTE RESOLUTION PROVISION IS THAT THEY ARE GIVING UP THE RIGHT TO TRIAL BY JURY TO THE EXTENT PERMITTED BY LAW. EACH PARTY HERETO (i) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER DOCUMENTS CONTEMPLATED HEREBY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION AND (iii) CERTIFIES THAT THIS WAIVER IS KNOWINGLY, WILLINGLY AND VOLUNTARILY MADE.**

MISCELLANEOUS

- 32. Bank's Liability; Indemnity.** Bank shall not be liable to Borrower or Guarantor for any indirect, consequential, punitive, or special damages of any kind or nature arising in connection with the Loan, the Loan Documents, the Collateral or the Indebtedness. Borrower agrees to indemnify, defend and hold Bank, its parent and affiliates, and its and their officers, directors, employees and agents harmless from and against all loss, liability and expense, including reasonable attorney's fees and expenses, of whatever kind and nature, imposed on, incurred by or asserted against Bank that in any way relate to or arise out of the Loan, the Loan Documents, the Collateral or the Indebtedness, including but not limited to: (a) the Bank complying with instructions the Bank reasonably believes are made by any individual authorized by Borrower to give such instructions; (b) the Bank's reliance on any Communication executed using an Electronic Signature, or in the form of an Electronic Record that the Bank reasonably believes is made by any such authorized individual (c) the selection, manufacture, purchase, acceptance or rejection of any item of the Collateral or the ownership of the Collateral; (d) the delivery, lease, possession, maintenance, use, condition, return or operation of the Collateral; (e) payment of property, use, franchise or other taxes imposed on the Collateral when payment of said taxes is demanded or requested from Bank by any taxing authority; (f) any patent or copyright

infringement; (g) the conduct of Borrower or any Provider, and their respective officers, employees and agents; and (h) a breach by Borrower of any of its covenants or obligations hereunder. This provision shall survive expiration or termination of this Agreement.

- 33. Borrower Information; Reporting to Credit Bureaus.** Borrower authorizes Bank at any time to verify or check any information given by the Borrower to Bank, check Borrower's credit references, verify employment, and obtain credit reports. Borrower agrees that Bank shall have the right at all times to disclose and report to credit reporting agencies and credit rating agencies such information pertaining to Borrower and Guarantor as is consistent with Bank's policies and practices from time to time in effect.
- 34. Binding Effect; Assignment.** This Agreement is binding upon and shall inure to the benefit of Borrower, Guarantor and Bank and each of their respective successors, heirs, personal representatives and permitted assigns, if any. Borrower and Guarantor may not assign this Agreement without the express written consent of Bank. Bank may assign its rights and obligations under this Agreement at any time without the consent of Borrower or Guarantor. Borrower and Guarantor agree that the rights of Bank's assignee will not be subject to claims, defenses or setoffs that Borrower or Guarantor may have against Bank. Borrower and Guarantor will pay Bank's assignee hereunder regardless of any claims, defenses or setoffs that Borrower or Guarantor may have against Bank. Borrower and Guarantor agree that Bank is not an agent of a third party assignee of Bank and that Bank has no affiliation with such assignee except for such assignment.
- 35. Disclaimer of Warranties.** Bank makes no warranty or representation, either express or implied, as to the value, design, condition, merchantability or fitness for a particular purpose or fitness for use of the Collateral or any other warranty or representation, express or implied, with respect thereto. Borrower acknowledges that Borrower independently selected and determined the suitability of the Collateral for Borrower's intended use, without being advised by Bank. In no event shall Bank be liable for any loss or damage in connection with or arising out of the existence, furnishing, functioning or Borrower's use of any item or products or services financed by the Loan. No vendor, dealer, seller, distributor, consultant, supplier, broker or salesperson is an agent of Bank or its assignee with respect to the Loan, the Loan Documents, the Collateral or the Indebtedness, nor are they authorized to waive or alter the terms of the Loan Documents, and their representations shall in no way affect Borrower's or Bank's rights and obligations as herein set forth. Borrower has no, and waives, discharges and releases all, and agrees not to assert any, defenses affirmative or otherwise, rights of setoff, rights of recoupment, claims, counterclaims, actions or causes of action of any kind or nature whatsoever against Bank, directly or indirectly, arising out of, based upon, or in any manner connected with the Loan, the Loan Documents, the Collateral, the Indebtedness, or the Business and any and all related assets being purchased and financed by Borrower with the proceeds of the Loan, or any related transaction, event, circumstance, action, failure to act, or occurrence of any sort or type, whether known or unknown, which occurred, existed, was taken, permitted, or begun prior to the execution of this Agreement.
- 36. Inspection.** Upon prior notice, Borrower shall permit any authorized representatives designated by Bank, at Bank's expense, so long as Borrower is indebted to Bank or this Agreement is in effect, to visit and inspect any of the properties of Borrower, and its subsidiaries, affiliates or divisions, the Collateral therein situated, and the books of account of Borrower, and to make copies and take extracts therefrom, and to discuss Borrower's affairs, finances and accounts with Borrower, and its officers, agents and accountants, all at such reasonable times and as often as requested.
- 37. Construction.** The parties have participated jointly in the negotiation and review of this Agreement, and, in the event of any ambiguity or question of intent or interpretation, no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.
- 38. Independent Review and Advice.** Borrower and Guarantor are advised to seek independent legal, tax and financial counsel regarding this Agreement. In the event that they decline to seek such counsel, it is intended to be a waiver thereof, and that such waiver has been freely given. Borrower and Guarantor warrant and represent to Bank that they have received a complete copy of this Agreement and have read same and in so doing have obtained legal counsel or had the opportunity to consult with legal counsel in this regard. Borrower and Guarantor acknowledge that no one else made any promise, representation or warranty whatsoever, express or implied, concerning this Agreement and further acknowledge that they have not executed this Agreement in reliance on any such promise, representation or warranty.
- 39. No Novation.** Borrower and Guarantor expressly agree that any existing Indebtedness of Borrower to Bank, which may be refinanced by this Agreement, shall not constitute a novation and that all rights, powers, liens, titles and estates created by virtue of past obligations, and the security interests therein given by Borrower or Guarantor to Bank, are hereby acknowledged as valid and existing liens against the Collateral.

- 40. No Third Party Beneficiaries.** Borrower and Guarantor intend that the benefits of this Agreement shall inure only to Borrower, Guarantor and Bank. Notwithstanding anything contained herein, or any conduct or course of conduct by any party hereto, before or after signing this Agreement, this Agreement shall not be construed as creating any right, claim or cause of action against Borrower, Guarantor or Bank by any other person or entity, other than Bank's assignee or holder by assignment of this Agreement.
- 41. No Waivers; Cumulative Remedies.** No delay on the part of Bank or of the owner or holder of this Agreement in exercising any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights and remedies set forth in this Agreement are cumulative and not exclusive to any rights or remedies that Bank or any subsequent owner or holder of this Agreement would otherwise have.
- 42. Notices.** Unless otherwise provided in this Agreement or in another agreement between the Bank and the Borrower, all notices required under this Agreement shall be personally delivered or sent by first class mail, postage prepaid, or by overnight courier, to the addresses on the signature page of this Agreement, or sent by facsimile to the fax number(s) listed on the signature page, or to such other addresses as the Bank and the Borrower may specify from time to time in writing (any such notice a "Written Notice"). Any such Written Notices sent by (a) the Bank to any Borrower shall be sent to such Borrower's address as recorded in the Bank's records and (b) if to Guarantor, at the name and address specified for Guarantor in this Agreement and any separate contract of guaranty. If to Bank, shall be sent to: Bank of America, N.A., Gateway Village - 900 Building, NC1-026-06-06, 900 W. Trade Street, Charlotte, NC 28255. Written Notices shall be effective (i) if mailed, upon the earlier of receipt or five (5) days after deposit in the U.S. mail, first class, postage prepaid, (ii) if telecopied, when transmitted, or (iii) if hand-delivered, by courier or otherwise (including telegram, lettergram or mailgram), when delivered. In lieu of a Written Notice, notices and/or communications from the Bank to the Borrower may, to the extent permitted by law, be delivered electronically (i) by transmitting the communication to the electronic address provided by the Borrower or to such other electronic address as the Borrower may specify from time to time in writing, or (ii) by posting the communication on a website and sending the Borrower a notice to the Borrower's postal address or electronic address telling the Borrower that the communication has been posted, its location, and providing instructions on how to view it (any such notice, an "Electronic Notice"). Electronic Notices shall be effective when the communication, or a notice advising of its posting to a website, is sent to the Borrower's electronic address.
- 43. Severability.** In the event any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision thereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained in it.
- 44. Supersession and Merger.** This Agreement and any rider, addendum, or amendment executed in connection with it, constitute the entire agreement among the parties hereto, and supersedes all prior or contemporaneous agreements and understandings, both written and oral, among the parties with respect to the subject matter of it. All representations and negotiations, oral or written, concerning the subject of this Agreement are fully merged into this Agreement. Borrower and Guarantor acknowledge that no representations, inducements, promises, or agreements, orally or otherwise, have been made by Bank, or by anyone acting on behalf of Bank, that are not embodied in this Agreement, and that no other agreement, statement, or promise, oral or otherwise, shall be valid or binding if it is not contained in this Agreement, or in any document or writing relating to this Agreement and signed by Bank.

Each Borrower and each Guarantor agree that any Electronic Signature (including, without limitation, facsimile or .pdf) on or associated with any Communication shall be valid and binding on each Borrower and each Guarantor to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of each Borrower and each Guarantor enforceable against each Borrower and each Guarantor in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered to Bank. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by Bank of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another

format, for transmission, delivery and/or retention. Bank may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record ("Electronic Copy"), which shall be deemed created in the ordinary course of Bank's business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. For purposes hereof, "Electronic Record" and "Electronic Signature" shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

- 46. - 47. Conversion to Paper Original.** At the Bank's discretion the authoritative electronic copy of this Agreement ("Authoritative Copy") may be converted to paper and marked as the original by the Bank (the "Paper Original"). Unless and until the Bank creates a Paper Original, the Authoritative Copy of this Agreement: (1) shall at all times reside in a document management system designated by the Bank for the storage of authoritative copies of electronic records, and (2) is held in the ordinary course of business. In the event the Authoritative Copy is converted to a Paper Original, the parties hereto acknowledge and agree that: (1) the electronic signing of this Agreement also constitutes issuance and delivery of the Paper Original, (2) the electronic signature(s) associated with this Agreement, when affixed to the Paper Original, constitutes legally valid and binding signatures on the Paper Original, and (3) the respective obligations of the Borrower and Guarantor will be evidenced by the Paper Original after such conversion.

56. Global Cash Flow to Debt Service Coverage Covenant. At all times during the term of this Agreement, the Borrower must maintain a Global Cash Flow to Debt Service Coverage Ratio of no less than X.XX to 1.00. For purposes of measuring this covenant, "Global Cash Flow To Debt Service" is defined as the sum of the net profit from all of the Professional Practices of the Borrower and/or Guarantors (herein for this covenant collectively "Obligors") and, if applicable, any management company of Obligors, plus owner's compensation, plus all W-2 compensation of any Guarantors that are non-owners, plus interest expense, plus depreciation expense, plus amortization expense, plus automobile expense, plus (or minus) Net Cash Flow of Obligors' real estate holdings unrelated to any Professional Practices, plus Net Operating Income of Obligors' real estate holdings directly related to the Professional Practices and, if applicable, any management company of Obligors, plus (or minus) state or federal income taxes divided by Debt Service, as of the end of the first full calendar year of the Term of the Loan, and continuing thereafter for the remaining Term of the Loan. Also, for purposes of measuring this covenant, "Debt Service" equals, for the Professional Practices of Obligors, the aggregate debt payments of principal and interest of Obligors, plus capital lease payments, plus personal living expenses of Obligors who are individuals. Also, for the purposes of measuring this covenant, "Net Operating Income" equals net profit from real estate holdings, plus interest expense, plus depreciation expense, plus amortization expense. Also, for the purposes of measuring this covenant, "Net Cash

Flow" equals net profit from real estate holdings of Obligor who are individuals, plus interest expense, plus depreciation expense, less annual mortgage payments.

57. Prepayments and Partial Payments.

- (a) Borrower may not pay off the Loan in whole during the first twenty four (24) months from the last date the proceeds of the Loan were fully disbursed ("Full Disbursement Date"). Thereafter, Borrower may payoff the Loan by paying to Bank an amount equal to: (a) the then outstanding principal balance, plus accrued interest computed on a simple interest basis and any other sums due Bank at the time of payoff, plus (b) a prepayment premium equal to three percent (3.00%) of the original principal balance, if payoff occurs in year three (3) from the Full Disbursement Date; two percent (2.00%) of the original principal balance, if payoff occurs in year four (4) from the Full Disbursement Date; and one percent (1.00%) of the original principal balance, if payoff occurs in year five (5) from the Full Disbursement Date. No prepayment premium shall be assessed on a payoff of the Loan after year five (5) from the Full Disbursement Date. Borrower shall pay the prepayment premium due hereunder whether the payoff is voluntary or involuntary. Borrower is required to contact Bank's Payoff Department at 1-888-400-9009 to obtain a payoff statement for the Loan.
- (b) Notwithstanding anything to the contrary herein contained, Borrower may at any time make payments to Bank to reduce the principal balance, provided however, that Borrower agrees it will not tender a payment to reduce the principal balance as a payoff of the entire balance of the Loan, unless said payment for payoff of the Loan is submitted to Bank along with a payoff statement obtained by Borrower from Bank's Payoff Department. Borrower is required to contact Bank's Payoff Department at 1-888-400-9009 to obtain a payoff statement for the Loan. Any payments made to reduce the principal balance, as permitted herein, shall not result in a change or increase in the monthly payments due under this Agreement or the interest rate charged on the Loan.

This Agreement and any instrument or agreement required hereunder, are within the Borrower's powers, have been duly authorized, and do not conflict with any of its organizational papers. GUARANTY

1. **Guaranty.** To the extent applicable, all of the terms and conditions in the foregoing sections of this Agreement apply to each Guarantor, and are incorporated into and made part of these provisions for this guaranty. Each Guarantor absolutely, unconditionally, jointly and severally guarantees the prompt payment when due of all Indebtedness. If Borrower fails to pay all or any part of any Indebtedness when due, Guarantor shall immediately pay to Bank the outstanding balance of all Indebtedness, regardless of whether or not Bank first pursues Borrower or exhausts any of its rights or remedies against Borrower or the Collateral. If Guarantor consists of more than one individual or entity, each Guarantor shall be jointly and severally liable to Bank with respect to all guaranteed obligations, including, without limitation, the Indebtedness.

2. **Inducement to Bank.** Each Guarantor: (a) acknowledges that Bank would not have extended any credit, including credit evidenced by the Indebtedness, to Borrower but for the guaranty; (b) represents and warrants that Guarantor has given its guaranty to induce Bank to extend and to continue to extend credit to Borrower; (c) agrees that Bank may rely on the guaranty in extending future credit to Borrower; (d) represents and warrants that each Guarantor has received good and valuable consideration for the guaranty; (e) waives acceptance of the guaranty; (f) represents and warrants that

Guarantor has not given the guaranty in reliance upon the existence of any Collateral; (g) acknowledges receipt of notice of all Indebtedness existing before the date Guarantor signs this Agreement; (h) waives notice of any increases in the Indebtedness incurred after this date; and (i) waives protest and all other notices of failure to pay the Indebtedness or to perform any agreement relating to any Indebtedness or the Collateral.

3. **No Reliance.** Each Guarantor: (a) warrants that he/she/it has not relied on any information about Borrower, the Collateral, or any other guarantor of the Indebtedness in providing its guaranty of the Indebtedness; (b) warrants that Guarantor has had ample opportunity to investigate Borrower, Borrower's affairs, the Collateral, and the effect that the Indebtedness will have on Borrower; and (c) agrees that Bank has no obligation to provide Guarantor any information about Borrower or the Collateral.

4. **Setoff.** (a) In addition to any rights and remedies of Bank provided by law, upon the continuation of any uncured Event of Default, each Guarantor grants to Bank a security interest in, and the contractual right to set off and apply, at any time, any and all Property of Guarantor held by Bank or any of its affiliates or subsidiaries against any and all Indebtedness owing to Bank. The set-off may be made irrespective of whether or not Bank shall have made demand under this Agreement or any guaranty, and although such Indebtedness may be contingent or unmatured or denominated in a currency different from that of the applicable Property. (b) The set-off may be made without prior notice to the Guarantor or any other party, any such notice being waived by Guarantor to the fullest extent permitted by law. Bank agrees promptly to notify Guarantor after any such set-off and application; however, the failure to give such notice shall not affect the validity of the set-off and application. (c) For the purposes of this "Setoff" section: "Property" means any deposits (general or special, time or demand, provisional or final, individual or joint) and any instruments, securities, documents, chattel paper, credits, and any other property, rights, and interests of Guarantor that comes into the possession or custody or under control of Bank or any of its affiliates or subsidiaries. **TO THE EXTENT PERMITTED BY LAW, ANY AND ALL RIGHTS TO REQUIRE BANK TO EXERCISE ITS REMEDIES WITH RESPECT TO ANY OTHER COLLATERAL THAT SECURES THE LIABILITIES PRIOR TO EXERCISING ITS RIGHT OF SETOFF WITH RESPECT TO SUCH DEPOSITS, CREDITS, OR OTHER PROPERTY OF GUARANTOR, ARE HEREBY VOLUNTARILY, INTENTIONALLY, AND IRREVOCABLY WAIVED.** Notwithstanding anything contained herein, the Bank hereby waives any right of set-off in the account of Guarantor into which government payments in respect of the Medicare and Medicaid programs are made.

5. **Bank's Actions.** Without notice to or the consent of any Guarantor, Bank may do or refrain from doing anything affecting any Indebtedness or any Collateral, including, without limitation, the following: (a) granting or not granting any indulgences to anyone liable for payment of any Indebtedness or any Collateral; (b) failing to obtain or to perfect any Collateral; (c) failing to obtain an enforceable agreement to repay any Indebtedness; (d) releasing any Collateral or anyone or any property from liability for payment of any Indebtedness; (e) changing any agreement relating to any Indebtedness or any Collateral; (f) extending the time for payment of any Indebtedness; and (g) delaying in enforcing or failing to enforce any rights to payment of any Indebtedness or rights against any Collateral. Each Guarantor hereby waives all suretyship and other similar defenses, including, without limitation: (i) notice of any default hereunder or under any of the other Loan Documents and notice of all indulgences; (ii) notice of any increase in the amount of any portion of or all of the Indebtedness; (iii) demand for observance, performance or enforcement of any of the terms or provisions of this Agreement, any of the other Loan Documents, or any other agreements, instruments or documents relating to the Indebtedness; (iv) all errors and omissions in connection with Bank's administration of the Indebtedness; (v) any right or claim of right to cause a marshalling of the assets of Borrower; and (vi) any act or omission of Bank which changes the scope of Guarantor's risk hereunder.

6. **Subordination; Subrogation.** If Guarantor shall advance any sums to Borrower or if Borrower shall hereafter become indebted to Guarantor, such sums and indebtedness shall be subordinate in payment in all respects to the Indebtedness then or thereafter due and owing to Bank under the Loan Documents until all of the Indebtedness has been indefeasibly paid in full. Nothing herein contained shall be construed to give Guarantor any right of subrogation in and to this Agreement or the other Loan Documents or all or any part of Bank's interest therein, until the Indebtedness shall have been indefeasibly paid in full.

7. **Reinstatement.** If at any time any payment, or portion thereof, made by, or for the account of, Borrower or Guarantor on account of any of the Indebtedness hereunder or under any of the Loan Documents is set aside by any court or trustee having jurisdiction as a voidable preference or fraudulent conveyance or must otherwise be restored or returned by Bank to Borrower or to Guarantor under any insolvency, bankruptcy or other federal and state laws or as a result of any dissolution, liquidation or reorganization of Borrower or upon, or as a result of, the appointment of any receiver, intervenor or conservator of, or trustee, or similar officer for Borrower, or any substantial part of its properties or assets, Guarantor hereby agrees that the Indebtedness hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, all as though such payments(s) had not been made.

8. **Continuing Guaranty.** This is a continuing guaranty and may not be terminated or revoked by Guarantor unless and until all Indebtedness to Bank has been indefeasibly paid in full in cash and Bank has no commitment to provide credit to Borrower.

9. **Choice of Law; Jurisdiction; Venue.** Except to the extent that any law of the United States may apply, this Agreement shall be governed and interpreted according to the internal laws of Borrower's principal place of business (the "Governing Law State"), without regard to any choice of law, rules or principles to the contrary. However, the charging and calculating of interest on the obligations under this Agreement shall be governed by, construed and enforced in accordance with the laws of the State of North Carolina and applicable federal law. Nothing in this paragraph shall be construed to limit or otherwise affect any rights or remedies of Bank under federal law. Borrower, Guarantors and Bank agree and consent to be subject to the personal jurisdiction of any state or federal court located in the Governing Law State so that trial shall only be conducted by a court in that state.

10. **Waiver of Class Actions.** The terms "Claim" or "Claims" refer to any disputes, controversies, claims, counterclaims, allegations of liability, theories of damage, or defenses between Bank, on the one hand, and the other parties to this Agreement, on the other hand (all of the foregoing each being referred to as a "Party" and collectively as the "Parties"). Whether in state court, federal court, or any other venue, jurisdiction, or before any tribunal, the Parties agree that all aspects of litigation and trial of any Claim will take place without resort to any form of class or representative action. Thus the Parties may only bring Claims against each other in an individual capacity and waive any right they may have to do so as a class representative or a class member in a class or representative action. **THIS CLASS ACTION WAIVER PRECLUDES ANY PARTY FROM PARTICIPATING IN OR BEING REPRESENTED IN ANY CLASS OR REPRESENTATIVE ACTION REGARDING A CLAIM.**

11. **Dispute Resolution Provision.** This section and the subsections below are referred to as the "Dispute Resolution Provision." Bank and the Guarantor (and any other party to this Agreement) agree that this Dispute Resolution Provision is a material inducement for their entering into this Agreement.

- (a) This Dispute Resolution Provision concerns the resolution of any disputes, controversies, claims, counterclaims, allegations of liability, theories of damage, or defenses (collectively, a "Claim" or "Claims") between Bank, on the one hand, and Guarantor and any obligor, on the other hand (each side being, for the purposes of this Dispute Resolution Provision, a "Party" and the two sides together being the "Parties"), regardless of whether based on federal, state, or local law, statute, ordinance, regulation, contract, common law, or any other source, and regardless of whether foreseen or unforeseen, suspected or unsuspected, or fixed or contingent at the time of this Agreement, including but not limited to Claims that arise out of or relate to: (i) this Agreement (including any renewals, extensions or modifications); or (ii) any document related to this Agreement. For the purposes of this Dispute Resolution Provision only, the terms "Bank" or Party or Parties (to the extent referring to or including Bank) shall include any parent corporation, subsidiary or affiliate of Bank.
- (b) The Parties agree that at the request of any Party to this Agreement, any Claim shall be resolved by binding arbitration. The Claims shall be governed by the laws of the Governing Law State, without regard to its conflicts of law principles. The Federal Arbitration Act, 9 U.S.C. §§ 1 et seq. (the "Act"), shall apply to the construction, interpretation, and enforcement of this Dispute Resolution Provision, as well as to the confirmation of or appeal from any arbitration award.
- (c) Arbitration proceedings will be determined in accordance with the Act, the then-current Commercial Finance rules and procedures of the American Arbitration Association or any successor thereof ("AAA") (or any successor rules for arbitration of financial services disputes), and the terms of this Dispute Resolution Provision. In the event of any inconsistency, the terms of this Dispute Resolution Provision shall control. The arbitration shall be administered by the Parties and not the AAA and shall be conducted, unless otherwise required by law, at a location selected solely by Bank in any U.S. state where real or tangible personal property collateral for this credit is located or where Borrower has a place of business. If there is no such state, Bank shall select a location in the Governing Law State.
- (d) If aggregate Claims are One Million Dollars (\$1,000,000) or less:
 - (i) All issues shall be heard and determined by one neutral arbitrator. The arbitrator shall have experience with commercial financial services disputes and, if possible, prior judicial experience, and shall be selected pursuant to the AAA "Arbitrator Select: List and Appointment" process, to be initiated by Bank. If the AAA "Arbitrator Select: List and Appointment" process is unavailable, Bank shall initiate any successor process offered by the AAA or a similar process

- offered by any other nationally recognized alternative dispute resolution organization.
- (ii) Unless the arbitrator has a dispositive motion under advisement or unforeseeable and unavoidable conflicts arise (as determined by the arbitrator), all arbitration hearings shall commence within ninety (90) days of the appointment of the arbitrator, and under any circumstances the award of the arbitrator shall be issued within one hundred twenty (120) days of the appointment of the arbitrator.
 - (iii) A Party shall be entitled to take no more than two (2) fact depositions, one or both of which may be taken in accordance with Fed. R. Civ. P. 30(b)(6), plus depositions of any experts designated by the other Party, each of seven (7) hours or less, during pre-hearing discovery.
 - (iv) There shall be no written discovery requests except a Party may serve document requests on the other Party not to exceed twenty (20) in number, including subparts. The requests shall be served within forty-five (45) days of the appointment of the arbitrator and shall be responded to within twenty-one (21) days of service.
- (e) If aggregate Claims exceed One Million Dollars (\$1,000,000):
- (i) The issues shall be heard and determined by one neutral arbitrator selected as above unless either Party requests that all issues be heard and determined by three (3) neutral arbitrators. In that event, each Party shall select an arbitrator with experience with commercial financial services disputes, and the two arbitrators shall select a third arbitrator, who shall have prior judicial experience. If the arbitrators cannot agree, the third arbitrator shall be selected pursuant to the AAA "Arbitrator Select: List and Appointment" process, to be initiated by Bank.
 - (ii) Unless the arbitrator(s) have a dispositive motion under advisement or other good cause is shown (as determined by the arbitrator(s)), all arbitration hearings shall commence within one hundred twenty (120) days of the appointment of the arbitrator(s), and under any circumstances the award of the arbitrator(s) shall be issued within one hundred eighty (180) days of the appointment of the arbitrator(s).
 - (iii) A Party shall be entitled to take no more than five (5) fact depositions, one or more of which may be taken in accordance with Fed. R. Civ. P. 30(b)(6), plus depositions of any experts designated by the other Party, each of seven (7) hours or less, during pre-hearing discovery.
 - (iv) There shall be no written discovery requests except a Party may serve document requests on the other Party not to exceed thirty (30) in number, including subparts. The requests shall be served within forty-five (45) days of the appointment of the arbitrator(s) and shall be responded to within twenty-one (21) days of service.
- (f) Where a Party intends to rely upon the testimony of an expert on an issue for which the Party bears the burden of proof, the expert(s) must be disclosed within thirty (30) days following the appointment of the arbitrator(s), including a written report in accordance with Fed. R. Civ. P. 26(a)(2)(B). The arbitrator(s) shall exclude any expert not disclosed strictly in accordance herewith. The other Party shall have the right within thirty (30) days thereafter to take the deposition of the expert(s) (upon payment of the expert's reasonable fees for the in-deposition time), and to identify rebuttal expert(s), including a written report in accordance with Fed. R. Civ. P. 26(a)(2)(B).
- (g) The arbitrator(s) shall consider and rule on motions by the Parties to dismiss for failure to state a claim; to compel; and for summary judgment, in a manner substantively consistent with the corresponding Federal Rules of Civil Procedure. The arbitrator(s) shall enforce the "Apex" doctrine with regard to requested depositions of high-ranking executives of both Parties. The arbitrator(s) shall exclude any Claim not asserted within thirty (30) days following the demand for arbitration. This shall not prevent a Party from revising the calculation of damages on any existing theory. All discovery shall close at least one (1) week before any scheduled hearing date, and all hearing exhibits shall have been exchanged by the same deadline or they shall not be given weight by the arbitrator(s).
- (h) The arbitrator(s) will give effect to applicable statutes of limitation in determining any Claim and shall dismiss the Claim if it is barred by the statutes of limitation. For purposes of the application of any statutes of limitation, the service of a written demand for arbitration or counterclaim pursuant to the Notices provision of this Agreement is the equivalent of the filing of a lawsuit. At the request of any Party made at any time, including at confirmation of an award, the resolution of a statutes of limitation defense to any Claim shall be decided de novo by a court of competent jurisdiction rather than by the arbitrator(s). Otherwise, any dispute concerning this Dispute Resolution Provision or whether a Claim is arbitrable shall be determined by the arbitrator(s), except as otherwise set forth in this Dispute Resolution Provision.

- (i) The arbitrator(s) shall have the power to award legal fees and costs relating to the arbitration proceeding and any related litigation or arbitration, pursuant to the terms of this Agreement. The arbitrator(s) shall provide a written statement of reasons for the award. The arbitration award may be submitted to any court having jurisdiction to be confirmed and have judgment entered and enforced.
- (j) This subparagraph applies to Claims brought in a California state court: Any Claim which is not arbitrated and which is brought by any Party in a California state court shall be resolved by a general reference to a referee (or a panel of referees) as provided in California Code of Civil Procedure Section 638. The referee (or presiding referee of the panel) shall be a retired Judge or Justice of the California state court system. The referee(s) shall be selected by mutual written agreement of the parties. If the parties do not agree, the referee(s) shall be selected by the Presiding Judge of the Court (or his or her representative) as provided in California Code of Civil Procedure Section 640. The referee(s) shall hear and determine all issues relating to the Claim, whether of fact or of law, and shall do so in accordance with the laws of the Governing Law State and the California rules of evidence and civil procedure, and shall report a statement of decision. The referee(s) shall be empowered to enter equitable as well as legal relief, provide all temporary or provisional remedies, enter equitable and legal orders that will be binding on the parties, and rule on any motion which would be authorized in court litigation, including without limitation motions to dismiss, for summary judgment, or for summary adjudication. The referee(s) shall award legal fees and costs (including the fees of the referee(s)) relating to the judicial reference proceeding, and to any related litigation or arbitration, in accordance with the terms of this Agreement. The award that results from the decision of the referee(s) shall be entered as a judgment in the court that appointed the referee(s), in accordance with the provisions of California Code of Civil Procedure Sections 644(a). Pursuant to California Code of Civil Procedure Sections 645, the parties reserve the right to seek appellate review of any judgment or order, including but not limited to, orders pertaining to class certification, to the same extent permitted in a court of law.
- (k) The filing of a court action is not intended to constitute a waiver of the right of any Party, including the suing Party, thereafter to require submittal of the Claims to arbitration, unless the Party fails to make such demand for arbitration within ninety (90) days following the filing of the court action.
- (l) This Dispute Resolution Provision does not limit the right of any Party to: (i) exercise self help remedies, such as but not limited to, setoff; (ii) initiate judicial or non judicial foreclosure against any real or personal property collateral; (iii) exercise any judicial or power of sale rights; or (iv) act in a court of law to obtain an interim remedy, such as but not limited to, injunctive relief, writ of possession or appointment of a receiver, or additional or supplementary remedies.
- (m) Any arbitration or court trial (whether before a judge or jury or pursuant to judicial reference) of any Claim will take place on an individual basis without resort to any form of class or representative action (the "Class Action Waiver"). **THE CLASS ACTION WAIVER PRECLUDES ANY PARTY FROM PARTICIPATING IN OR BEING REPRESENTED IN ANY CLASS OR REPRESENTATIVE ACTION REGARDING A CLAIM.** Regardless of anything else in this Dispute Resolution Provision, the validity and effect of the Class Action Waiver may be determined only by a court or referee and not by an arbitrator. The Parties to this Agreement acknowledge that the Class Action Waiver is material and essential to the arbitration of any disputes between the Parties and is nonseverable from the agreement to arbitrate Claims. If the Class Action Waiver is limited, voided or found unenforceable, then the Parties' agreement to arbitrate shall be null and void with respect to such proceeding, subject to the right to appeal the limitation or invalidation of the Class Action Waiver. **THE PARTIES ACKNOWLEDGE AND AGREE THAT UNDER NO CIRCUMSTANCES WILL A CLASS ACTION BE ARBITRATED.**
- (n) The arbitration proceedings shall be private. All documents, transcripts, and filings received by any Party shall not be disclosed by the recipient to any third parties other than attorneys, accountants, auditors, and financial advisors acting in the course of their representation, or as otherwise ordered by a court of competent jurisdiction. Any award also shall be kept confidential, although this specific requirement shall be void once the award must be submitted to a court for enforcement. The Parties agree that injunctive relief, including a temporary restraining order, from a trial court is the appropriate relief for breach of this paragraph, and they waive any security or the posting of a bond as a requirement for obtaining such relief.
- (o) By agreeing to binding arbitration or judicial reference, the Parties irrevocably and voluntarily waive any right they may have to a trial by jury in respect of any Claim. Furthermore, without intending in any

way to limit this agreement to arbitrate or for judicial reference, to the extent any Claim is not arbitrated or submitted to judicial reference, the Parties irrevocably and voluntarily waive any right they may have to a trial by jury in respect of such Claim. This waiver of jury trial shall remain in effect even if the Class Action Waiver is limited, voided or found unenforceable. **WHETHER THE CLAIM IS DECIDED BY ARBITRATION, JUDICIAL REFERENCE OR BY TRIAL BY A JUDGE, THE PARTIES AGREE AND UNDERSTAND THAT THE EFFECT OF THIS DISPUTE RESOLUTION PROVISION IS THAT THEY ARE GIVING UP THE RIGHT TO TRIAL BY JURY TO THE EXTENT PERMITTED BY LAW. EACH PARTY HERETO (i) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (ii) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER DOCUMENTS CONTEMPLATED HEREBY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION AND (iii) CERTIFIES THAT THIS WAIVER IS KNOWINGLY, WILLINGLY AND VOLUNTARILY MADE.**

Until you tell me otherwise, I will collect all Accounts in the ordinary course of business. I will not dispose of the Accounts by assignment without your prior written consent. I will keep the proceeds from all the Accounts and any goods which are returned to me or which I take back. I will not commingle them with any of my other property. I will deliver the Accounts to you at your request. If you ask me to pay you the full price on any returned Items or items retaken by me, I will do so. I will make no material change in the terms of any Account, and I will give you any statements, reports, certificates, lists of Account Debtors (showing names, addresses and amounts owing), invoices applicable to each Account, and other data in any way pertaining to the Accounts as you may request.

- F. **Collection Rights of The Secured Party.** Account Debtor means the person who is obligated on an account, chattel paper, or general intangible. I authorize you to notify my Account Debtors of your security interest and to deal with the Account Debtors' obligations at your discretion. You may enforce the obligations of an Account Debtor, exercising any of my rights with respect to the Account Debtors' obligations to make payment or otherwise render performance to me, including the enforcement of any security interest that secures such obligations. You may apply proceeds received from the Account Debtors to the Secured Debts or you may release such proceeds to me.

I specifically and irrevocably authorize you to exercise any of the following powers at my expense, without limitation, until the Secured Debts are paid in full:

- 1) demand payment and enforce collection from any Account Debtor or Obligor by suit or otherwise.
- 2) enforce any security interest, lien or encumbrance given to secure the payment or performance of any Account Debtor or any obligation constituting Property.
- 3) file proofs of claim or similar documents in the event of bankruptcy, insolvency or death of any person obligated as an Account Debtor.
- 4) compromise, release, extend, or exchange any indebtedness of an Account Debtor.
- 5) take control of any proceeds of the Account Debtors' obligations and any returned or repossessed goods.
- 6) endorse all payments by any Account Debtor which may come into your possession as payable to me.
- 7) deal in all respects as the holder and owner of the Account Debtors' obligations.

- G. **Authority To Perform.** I authorize you to do anything you deem reasonably necessary to protect the Property, and perfect and continue your security interest in the Property. If I fail to perform any of my duties under this Loan Agreement or any other security interest, you are authorized, without notice to me, to perform the duties or cause them to be performed.

These authorizations include, but are not limited to, permission to:

- 1) pay and discharge taxes, liens, security interest, or other encumbrances at any time levied or placed on the Property.
- 2) pay any rents or other charges under any lease affecting the Property.
- 3) order and pay for the repair, maintenance, and preservation of the Property.
- 4) file any financing statements on my behalf and pay for filing and recording fees pertaining to the Property.
- 5) place a note on any chattel paper indicating your interest in the Property.
- 6) take any action you feel necessary to realize on the Property, including performing any part of a contract or endorsing it in my name.
- 7) handle any suits or other proceedings involving the Property in my name.

- 8) prepare, file, and sign my name to any necessary reports or accountings.
- 9) make an entry on my books and records showing the existence of this Agreement.
- 10) notify any Account Debtor or Obligor of your interest in the Property and tell the Account Debtor or Obligor to make payments to you or someone else you name.

If you perform for me, you will use reasonable care. If you exercise the care and follow the procedures that you generally apply to the collection of obligations owed to you, you will be deemed to be using reasonable care. Reasonable care will not include: any steps necessary to preserve rights against prior parties; the duty to send notices, perform services or take any other action in connection with the management of the Property; or the duty to protect, preserve or maintain any security interest given to others by me or other parties. Your authorization to perform for me will not create an obligation to perform and your failure to perform will not preclude you from exercising any other rights under the law or this Loan Agreement. All cash and non-cash proceeds of the Property may be applied by you only upon your actual receipt of such proceeds against such of the Secured Debts, matured or unmatured, as you determine in your sole discretion.

If you come into actual or constructive possession of the Property, you will preserve and protect the Property. For purposes of this paragraph, you will be in actual possession of the Property only when you have physical, immediate, and exclusive control over the Property, and you have affirmatively accepted that control. You will be in constructive possession of the Property only when you have both the power and the intent to exercise control over the Property.

- H. **Name and Location.** My name indicated in the DATE AND PARTIES section is my exact legal name. I am an entity organized and registered under the laws of _____. I will provide verification of registration and location upon your request. I will provide you with at least 30 days' notice prior to any change in my name, address, or state of organization or registration.
- I. **Perfection of Security Interest.** I authorize you to file a financing statement and/or security agreement, as appropriate, covering all of my personal Property. I will comply with, facilitate, and otherwise assist you in connection with obtaining perfection or control over the Property for purposes of perfecting your security interest under the Uniform Commercial Code. I agree to pay all actual costs of terminating your security interest.
12. **DEFAULT.** I will be in default if any of the following events (known separately and collectively as an Event of Default) occur:
- A. **Payments.** I fail to make a payment in full when due.
 - B. **Insolvency or Bankruptcy.** The death, dissolution or insolvency of, appointment of a receiver by or on behalf of, application of any debtor relief law, the assignment for the benefit of creditors by or on behalf of, the voluntary or involuntary termination of existence by, or the commencement of any proceeding under any present or future federal or state insolvency, bankruptcy, reorganization, composition or debtor relief law by or against me or, any co-signer, endorser, surety or guarantor of this Loan Agreement or any other obligations I have with you.
 - C. **Business Termination.** I merge, dissolve, reorganize, end my business or existence, or a partner or majority owner dies or is declared legally incompetent.
 - D. **New Organizations.** Without your written consent, I organize, merge into, or consolidate with an entity; acquire all or substantially all of the assets of another; materially change the legal structure, management, ownership, or financial condition; or effect or enter into a domestication, conversion or interest exchange.
 - E. **Failure to Perform.** I fail to perform any condition or to keep any promise or covenant of this Loan Agreement.
 - F. **Other Documents.** A default occurs under the terms of any other Loan Document.
 - G. **Other Agreements.** I am in default on any other debt or agreement I have with you.
 - H. **Misrepresentation.** I make any verbal or written statement or provide any financial information that is untrue, inaccurate, or conceals a material fact at the time it is made or provided.
 - I. **Judgment.** I fail to satisfy or appeal any judgment against me.

 - K. **Name Change.** I change my name or assume an additional name without notifying you before making such a change.
 - L. **Property Transfer.** I transfer all or a substantial part of my money or property.

- M. **Property Value.** You determine in good faith that the value of the Property has declined or is impaired.
 - N. **Material Change.** Without first notifying you, there is a material change in my business, including ownership, management, and financial conditions.
 - O. **Insecurity.** You determine in good faith that a material adverse change has occurred in my financial condition from the conditions set forth in my most recent financial statement before the date of this Loan Agreement or that the prospect for payment or performance of the Loan is impaired for any reason.
13. **DUE ON SALE OR ENCUMBRANCE.** You may, at your option, declare the entire balance of this Loan Agreement to be immediately due and payable upon the creation of, or contract for the creation of, any lien, encumbrance, transfer or sale of all or any part of the Property. This right is subject to the restrictions imposed by federal law, as applicable. However, if I am in default under this Agreement, I may not sell the inventory portion or the Property even in the ordinary course of business.
14. **WAIVERS AND CONSENT.** To the extent not prohibited by law, I waive protest, presentment for payment, demand, notice of acceleration, notice of Intent to accelerate, and notice of dishonor.
- A. **Additional Waivers By Borrower.** In addition, I, and any party to this loan Agreement, to the extent permitted by law, consent to certain actions you may take, and generally waive defenses that may be available based on these actions or based on the status of a party to this Loan Agreement.
 - 1) You may renew or extend payments on this loan Agreement, regardless of the number of such renewals or extensions.
 - 2) You may release any Borrower, endorser, guarantor, surety, accommodation maker or any other co-signer.
 - 3) You may release, substitute or impair any Property securing this Loan Agreement.
 - 4) You, or any institution participating in this Loan Agreement, may invoke your right of set-off.
 - 5) You may enter into any sales, repurchases or participations of this Loan Agreement to any person in any amounts and I waive notice of such sales, repurchases or participations.
 - 6) I agree that any of us signing this loan Agreement as a Borrower is authorized to modify the term, of this Loan Agreement or any instrument securing, guarantying, or relating to this Loan Agreement.
 - 7) I agree that you may inform any party who guarantees this Loan of any Loan accommodation, renewals, extensions, modification, substitutions, or future advances.
 - B. **No Waiver By Lender.** Your course of dealing, or your forbearance from, or delay in, the exercise of any of your rights, remedies, privileges or right to insist upon my strict performance of any provisions contained in this Loan Agreement, shall not be construed as a waiver by you, unless any such waiver is in writing and is signed by you.
 - C. **Waiver of Claim.** I waive all claims for loss or damage caused by your acts or omissions where you acted reasonably and in good faith.
15. **REMEDIES.** After I default, you may at your option do any one or more of the following.
- A. **Acceleration.** You may make all or any part of the amount owing by the terms of this Loan Agreement immediately due.
 - B. **Sources.** You may use any and all remedies you have under state or federal law or in any Loan Document.
 - C. **Insurance Benefits.** You may make a claim for any and all insurance benefits or refunds that may be available on my default.
 - D. **Payments Made On My Behalf.** Amounts advanced on my behalf will be immediately due and may be added to the balance owing under the terms of this Loan Agreement and accrue interest at the highest post-maturity interest rate.
 - E. **Set-Off.** You may use the right of set-off. This means you may set-off any amount due and payable under the terms of this loan Agreement against any right I have to receive money from you.

My right to receive money from you includes any deposit or share account balance I have with you; any money owed to me on an item presented to you or in your possession for collection or exchange; and any repurchase agreement or other non-deposit obligation. Any amount due and payable under the terms of this Loan Agreement means the total amount to which you are entitled to demand payment under, the terms of this Loan Agreement at the time you set-off.

Subject to any other written contract, if my right to receive money from you is also owned by someone who has not agreed to pay this Loan Agreement, you, right of set-off will apply to my interest in the obligation and to any other amounts I could withdraw on my sole request or endorsement.

In addition, you may also have rights under a statutory lien. A "statutory lien" means your right under state or federal law to establish a right in, or claim to, my shares and dividends to the extent of any outstanding financial obligations that I have with you. If you have a statutory lien, you may without further notice, impress and enforce the statutory lien on my shares and dividends to the extent of any sums due and payable under the terms of this Loan Agreement that I fail to satisfy.

Your set-off and statutory lien rights do not apply to an account or other obligation where my rights arise only in a representative capacity. They also do not apply to any Individual Retirement Account or other tax-deferred retirement account. California law may limit your right to set-off against any demand deposit accounts I have deposited with you. In certain circumstances, I may be entitled to a notice of set-off. State law may further, limit your right of set-off.

You will not be liable for the dishonor of any check or share draft when the dishonor occurs because you set-off against any of my accounts or exercised your statutory lien rights. I agree to hold you harmless from any such claims arising as a result of your exercise of your right of set-off or statutory lien rights.

F. **Assembly of Property.** You may require me to gather the Property and make it available to you in a reasonable fashion.

G. **Repossession.** You may repossess the Property so long as the repossession does not involve a breach of the peace. You may sell, lease, or otherwise dispose of the Property as provided by law. You may apply what you receive from the disposition of the Property to your expenses, your attorneys' fees and legal expenses (where not prohibited by law), and any debt I owe you. If what you receive from the disposition of the Property does not satisfy the debt, I will be liable for any deficiency (where permitted by law). In some cases, you may keep the Property to satisfy the debt.

Where a notice is required, I agree that ten days prior written notice sent by first class mail to my address listed in this Loan Agreement will be reasonable notice to me under the California Uniform Commercial Code. If the Property is perishable or threatens to decline speedily in value, you may, without notice to me, dispose of any or all of the Property in a commercially reasonable manner at my expense following any commercially reasonable preparation or processing (where permitted by law).

If any items not otherwise subject to this Loan Agreement are contained in the Property when you take possession, you may hold these items for me at my risk and you will not be liable for taking possession of them (where permitted by law).

H. **Use and Operation.** You may enter upon my premises and take possession of all of any part of my property for the purpose of preserving the Property or its value, so long as you do not breach the peace. You may use and operate my property for the length of time you feel is necessary to protect your interest, all without payment or compensation to me.

I. **Waiver.** Except as otherwise required by law, by choosing any one or more of these remedies you do not give up your right to use any other remedy. You do not waive a default if you choose not to use a remedy. By electing not to use any remedy, you do not waive your right to later consider the event a default and to use any remedies if the default continues or occurs again.

16. **COLLECTION EXPENSES AND ATTORNEYS' FEES.** On or after the occurrence of an Event of Default, to the extent permitted by law, I agree to pay all expenses of collection, enforcement or protection of your rights and remedies under this Loan Agreement or any other Loan Document. Expenses include, but are not limited to, attorneys' fees, court costs and other legal expenses. These expenses are due and payable immediately. If not paid immediately, these expenses will bear interest from the date of payment until paid in full at the highest interest rate in effect as provided for in the terms of this Loan Agreement. All fees and expenses will be secured by the Property I have granted to you, if any. In addition, to the extent permitted by the United States Bankruptcy Code, I agree to pay the reasonable attorney's fees incurred by you to protect your rights and interests in connection with any bankruptcy proceedings initiated by or against me.

17. **COMMISSIONS.** I understand and agree that you (or your affiliate) will earn commissions or fees on any insurance products and may earn such fees on other services that I buy through you or your affiliate.

18. **WARRANTIES AND REPRESENTATIONS.** I make to you the following warranties and representations which will continue as long as this Loan Agreement is in effect:

A. **Power.** I am duly organized, and validly existing and in good standing in all jurisdictions in which I operate. I have the power and authority to enter into this transaction and to carry on my business activity as it is now being conducted and, as applicable, am qualified to do so in each jurisdiction in which I operate.

- B. **Authority.** The execution, delivery and performance of this Loan Agreement and the obligation evidenced by this Loan Agreement are within my powers, have been duly authorized, have received all necessary governmental approval, will not violate any provision of law, or order of court or governmental agency, and will *not* violate any agreement to which I am a party or to which I am or any of my Property is subject.
- C. **Business Name.** Other than previously disclosed in writing to you I have not changed my name or principal place of business within the last 10 years and have not used any other trade or fictitious name. Without your prior written consent. I do not and will not use any other name and will preserve my existing name, trade names and franchises.
- D. **Ownership of Property.** I represent that I own all of the Property. Your claim to the Property is ahead of the claims of any other creditor, except as disclosed in writing to you prior to any advance on the Secured Debts. The collateral that is the subject of the chattel paper is perfected and preserved. I represent that I am the original owner of the Property and, if I am not, that I have provided you with a list of prior owners of the Property.
- E. **Certification of Accuracy of Prior Certification.**

19. **INSURANCE.** I agree to obtain the insurance described in this Loan Agreement.

- A. **Property Insurance.** I agree to keep the Property insured against the risks reasonably associated with the Property. I will maintain this insurance in the amounts you require. This Insurance will last until the Property is released from this Loan Agreement. I may choose the insurance company, subject to your approval, which will not be unreasonably withheld. I acknowledge that you have not conditioned the making of the Loan upon the selection of a particular agent or broker.

I will have the insurance company name you as loan payee on any insurance policy. I will give you and the insurance company immediate notice of any loss. You may apply the Insurance proceeds toward what is owed on the Secured Debts. You may require added security as a condition of permitting any insurance proceeds to be used to repair or replace the Property.

If you acquire the Property in damaged condition, my right to any insurance policies and proceeds will pass to you to the extent of the Secured Debts.

I will immediately notify you of cancellation or termination of Insurance. If I fail to keep the Property insured, you may obtain Insurance to protect your interest in the Property and I will pay for the insurance on your demand. You may demand that I pay for the Insurance all at once, or you may add the insurance premiums to the balance of the Secured Debts and charge Interest on it at the rate that applies to the Secured Debts. This Insurance may include lesser or greater coverages than originally required of me, may be written by a company other than one I would choose, and may be written at a higher rate than I could obtain if I purchased the insurance. I acknowledge and agree that you or one of your affiliates may receive commissions on the purchase of this insurance.

20. **APPLICABLE LAW.** This Loan Agreement is governed by the laws of California, the United States of America, and to the extent required, by the laws of the jurisdiction where the Property is located, except to the extent such state law, are preempted by federal law. In the event of a dispute, the exclusive forum, venue and place of jurisdiction will be in California, unless otherwise required by law.
21. **JOINT AND SEVERAL LIABILITY AND SUCCESSORS.** My obligation to pay the Loan is independent on the obligation of any other person who has also agreed to pay it. You may sue me alone, or anyone else who is obligated on the Loan, any number of us together, to collect the Loan. Extending the Loan or new obligations under the Loan, will not affect my duty under the Loan and I will still be obligated to pay the Loan. This Loan Agreement shall inure to the benefit of and be enforceable by you and your successors and assigns and shall be binding upon and enforceable against me and my successors and assigns.
22. **AMENDMENT, INTEGRATION AND SEVERABILITY.** This Loan Agreement may not be amended or modified by oral agreement. No amendment or modification of this loan Agreement is effective unless made in writing. This Loan Agreement and the other Loan Documents are the complete and final expression of the agreement. If any provision of this Loan Agreement is unenforceable, then the unenforceable provision will be severed, and the remaining provisions will still be enforceable. No present or future agreement securing any other debt I owe you will secure the payment of this Loan if, with respect to this loan, you fail to fulfill any necessary requirements or fail to conform to any limitations of the Truth In Lending Act (Regulation Z) or the Real Estate Settlement Procedures Act (Regulation X) that are required for loans secured by the Property or if, as a result, this Loan would become subject to Section 670 of the John Warner National Defense Authorization Act for Fiscal Year 2007.
23. **INTERPRETATION.** Whenever used, the singular includes the plural, and the plural includes the singular. The section headings are for convenience only and are not to be used to interpret or define the terms of this Loan Agreement.

24. **NOTICE, FINANCIAL REPORTS AND ADDITIONAL DOCUMENTS.** Unless otherwise required by law, any notice will be given by delivering it or mailing it by first class mail to the appropriate party's address listed in the DATE AND PARTIES section, or to any other address designated in writing. Notice to one Borrower will be deemed to be notice to all Borrowers, I will inform you in writing of any change in my name, address, or other application Information. I will provide you any correct and complete financial statement or other information you request. I agree to sign, deliver, and file any additional documents or certification, that you may consider necessary to perfect, continue, and preserve my obligations under this Loan and to confirm your lien status on any Property. Time is of the essence.
25. **CREDIT INFORMATION.** I agree to supply you with whatever information you reasonably request. You will make requests for this Information without undue frequency and will give me reasonable time in which to supply the information.
26. **ERRORS AND OMISSIONS.** I agree, if requested by you, to fully cooperate in the connection, if necessary, in the reasonable discretion of you of any and all loan closing documents so that all documents accurately describe the loan between you and me. I agree to assume all costs including by way of illustration and not limitation, actual expenses, legal fees, and marketing losses for failing to reasonably comply with your request within thirty (30) days.
27. **AGREEMENT TO ARBITRATE.** You or I may submit to binding arbitration any dispute, claim or other matter in question between or among you and me that arises out of or relates to this Transaction (Dispute), except as otherwise Indicated in this section or as you and I agree to in writing. For purposes of this section, this Transaction includes this Loan Agreement and the other Loan Documents, and proposed loans or extensions of credit that relate to this Loan Agreement. You or I will not arbitrate any Dispute within any "core proceedings" under the United States bankruptcy laws.

You and I must consent to arbitrate any Dispute concerning a debt secured by real estate at the time of the proposed arbitration. You may foreclose or exercise any powers of law against real property securing a debt underlying any Dispute before, during or after any arbitration. You may also enforce a debt secured by this real property and underlying the Dispute before, during or after, any arbitration.

You or I may, whether or not any arbitration has begun, pursue any self-help or similar remedies, including taking property or exercising other rights under the law; seek attachment, garnishment, receivership or other provisional remedies from a court having jurisdiction to preserve the rights of or to prevent irreparable injury to you or me; or foreclose against any property by any method or take legal action to recover any property. Foreclosing or exercising a power of sale, beginning, and continuing a judicial action or pursuing self-help remedies will not constitute a waiver of the right to compel arbitration.

The arbitrator will determine whether a Dispute is arbitrable. A single arbitrator will resolve any Dispute, whether individual or joint in nature, or whether based on contract, tort, or any other matter at law or in equity. The arbitrator may consolidate any Dispute with any related dispute, claims or other matters in question not arising out of this Transaction. Any court having jurisdiction may enter a judgment or decree on the arbitrator's award. The judgment or decree will be enforced as any other judgment or decree.

You and I acknowledge that the agreements, transactions, or the relationships which result from the agreements or transactions between and among you and me involve interstate commerce. The United States Arbitration Act will govern the interpretation and enforcement of this section.

The American Arbitration Association's Supplemental Procedures for Resolving Financial Services Disputes, in effect on the date of this Loan Agreement, will govern the selection of the arbitrator and the arbitration process, unless otherwise agreed to in this Loan Agreement or another writing.

28. **WAIVER OF TRIAL FOR ARBITRATION.** You and I understand that the parties have the right or opportunity to litigate any Dispute through a trial by Judge or jury, but that the parties prefer to resolve Disputes through arbitration instead of litigation. If any Dispute is arbitrated, you and I voluntarily and knowingly waive the right to have a trial by jury or judge during the arbitration.
29. **CALIFORNIA CIVIL CODE SECTION 1542 WAIVER.** I expressly waive and release all rights conferred upon me by the provisions of California Civil Code Section 1542, and expressly agree that this Note shall be given full force and effect according to each of its express provisions, California Civil Code Section 1542 provides:

"A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR."

With regard to Section 1542 of the California Civil Code, I hereby agree, represent and warrant that I realize and acknowledge that factual matters now unknown to me may have given or may hereafter give rise to causes of action, claims, demands, debts, controversies, damages, costs, losses, expenses and defenses, which are presently unknown, unanticipated, understood and

unsuspected. I further agree, represent and warrant that this Note has been negotiated and agreed upon in light of that realization and that I nevertheless hereby waive and release all rights and benefits which I may otherwise have against you under Section 1542 of the California Civil Code with regard to the release of such unknown, unanticipated, misunderstood and unsuspected causes of action, claims, demands debts, controversies, damages, costs, losses, expenses and defenses, and all claims.
