What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit “E.”

Your state may also have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Anchorage, Alaska. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Anchorage, Alaska than in your own state.

Certain states may require other risks to be highlighted. Check the “State Specific Addenda” (if any) to see whether your state requires other risks to be highlighted.

**STATE REGULATIONS
FOR THE STATE OF MICHIGAN**

**(THE FOLLOWING APPLIES TO TRANSACTIONS GOVERNED BY
THE MICHIGAN FRANCHISE INVESTMENT LAW ONLY)**

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.

Each of the following provisions is void and unenforceable if contained in any documents under a franchise:

1. A prohibition on the right of a franchisee to join an association of franchisees.
2. A requirement that a franchisee assent to a release, assignment notation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.
3. A provision that permits a franchisor to terminate a franchise before the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure failure after being given written notice thereof and a reasonable opportunity, which in no event need to be more than 30 days, to cure failure.
4. A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area after to the expiration of the franchise or the franchisee does not receive at least 6 months' advance notice of franchisor's intent not to renew the franchise.
5. A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.
6. A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

7. A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

a. The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

b. The fact that the proposed transferee is a competitor of the franchisor or sub franchisor.

c. The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

d. The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

8. A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchisor for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

9. A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION, OR ENDORSEMENT BY THE ATTORNEY GENERAL.

THE FRANCHISOR AND ANY PARENTS, PREDECESSORS, AND AFFILIATES

The Franchisor

The name of the franchisor is Wiki-Licious Franchises LLC. In this disclosure document Wiki-Licious Franchises LLC is referred to as “we” or “us” or “our” or “Wiki-Licious Franchises”; “franchisee,” “you” or “yours” means the person or persons, individually and collectively, who buys the franchise from us and includes the current and future owners of a franchisee that is a corporation, partnership or other entity.

Our limited liability company was organized on August 30, 2021 in the state of Alaska under the name Wiki-Licious Franchises LLC. Our principal place of business is 1120 Huffman Rd #24-622, Anchorage, Alaska 99515. Our agents for service of process in various states are disclosed in Exhibit “D.”

Franchisor’s Business Activities

We do not have any other business activities other than franchising the Wiki-Licious® brand. We do not do business under any name other than Wiki-Licious Franchises LLC or Wiki-Licious™. As of the date of this disclosure document, we have not offered for sale or sold franchises in any other line of business. We began offering and selling franchises under the Wiki-Licious® brand in January 2022.

Affiliates

Our affiliate Wiki-Licious Distribution LLC was organized on September 03, 2021, in the state of Alaska. Its principal place of business is 1120 Huffman Rd #24-622, Anchorage, Alaska 99515.

Our affiliate Wiki-Licious LLC was organized on February 07, 2017, in the state of Alaska. Its principal place of business is 1120 Huffman Rd #24-622, Anchorage, Alaska 99515.

Parent, Affiliate, and/or Predecessor Business Activities Involving Wiki-Licious®

Affiliate

Our affiliate Wiki-Licious LLC operates a Wiki-Licious® bakery in Anchorage, Alaska. It originally operated as a cottage similar to the business our franchisees will operate, but it has since grown and now operates as a fulltime bakery. It has operated as a bakery since June 2020 and began as a cottage in 2017. Additionally, Wiki-Licious LLC began licensing the Wiki-Licious® brand in 2018. It entered into 6 license agreements with various licensees. It is anticipated that each of those licensees will convert to a Wiki-Licious® franchise.

Our affiliate Wiki-Licious Distribution, LLC currently provides boxes, fillings, donut mix, and merchandise to our cottages.

We have no other parents, predecessors or affiliates required to be disclosed in this Item.

Franchise Offered

We license and train others to operate Wiki-Licious® businesses. A Wiki-Licious® business is an at-home bakery serving malasadas (Hawaiian donuts), cookies, and other baked goods. The grant of a Wiki-Licious® franchise authorizes you to engage in our complete system under the name Wiki-Licious® and other proprietary marks. You will be required to purchase specific materials, supplies and equipment and to strictly follow our standards, methods, policies and procedures in the operation of your franchise business that are described in more detail in our franchise agreement attached as Exhibit “A” to this disclosure document.

General Description of Market and Competition

The general market for the bakery industry is well-developed and competitive. You will typically compete with other established bakeries. There are many of these competitors from large national chains to small independent operators. You may also encounter competition from other Wiki-Licious™ cottages operated by us or other franchisees outside your territory.

Laws and Regulations

Your at-home bakery will be operated primarily under your state’s cottage food laws. Cottage food laws allow for the operation of a food business from the business owner’s home. Some states do not require a license or an inspection of the home kitchen, and other states do. Some states also place a cap on the amount of revenue you can earn from your home food business, and some states do not. Additionally, some states put a limit on where you can sell the products produced in your home, e.g., some states only allow you to sell from your home and other special events like a farmers market. You are solely responsible to know and abide by the cottage food laws in your state.

Once your revenues exceed the applicable limits of your state’s cottage laws, and if you want to continue to exceed those limits, you will be required to lease commissary space from a commercial kitchen and abide by the laws, licenses, and regulations pertaining to a commercial kitchen.

You are also required to follow all laws and regulations that apply to business generally. Some jurisdictions have passed laws that require businesses to pay their employees a higher minimum wage than what is required under federal law, which laws may disproportionately affect franchised businesses.

At your cost and expense, you must investigate and ensure that you comply with all payment card industry (“PCI”) and data security standard (“DSS”) standards, regulations, and requirements; however, we reserve the right to approve of the vendor you use for compliance. You are not permitted to collect, store, transfer, etc., any unnecessary customer information. Additional information can be found at <https://www.pcisecuritystandards.org/>.

The details of state, county and local laws and regulations vary from place to place. It is your responsibility to research these matters. Please be aware that the changes in these laws may increase the cost of operating your business. You are solely responsible for determining what local or state regulations, permits, and licenses you will need to comply with and/or obtain to conduct the franchise business in a particular state, city, or town.

⁷ Miscellaneous Costs. These miscellaneous costs include legal fees, utility costs, business entity organization expenses, employee training, deposits, and licenses. Rates for professionals can vary significantly based on locale, area of expertise and experience.

⁸ Insurance. The cost of insurance may vary depending on the insurer, the location of your franchise business, and your claims history.

⁹ Delivery Vehicle. You must have a vehicle to deliver orders. Your vehicle can be your personal vehicle, but your vehicle needs adequate space to carry the delivery orders. You must keep your vehicle sanitary and in good condition and repair with no external damage or unreasonable wear and tear. We have the right to require you to wrap your vehicle or place our logo on your vehicle.

¹⁰ Additional Funds. These are additional funds that you may need for operating expenses during your first 3 months of operations in addition to cash flows. We have relied upon the experience of our principals to compile these estimates.

¹¹ Total. These figures are estimates for the development of one Wiki-Licious® cottage. All purchase agreements or leases must be negotiated with suppliers. For any items purchased from us or an affiliate, we require immediate payment. We do not offer direct or indirect financing for any item. All fees and payments payable to us or an affiliate are non-refundable. You should verify with any third-party payee whether such payments, deposits, or fees are refundable or not.

ITEM 8 RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Insurance

You must at all times during the entire term of the franchise agreement and at your own expense keep in full force, by advance payment(s), the following minimum insurance policies, obtained from a company rated "A-" or better by A.M. Best & Company, Inc.:

Type of Insurance	Minimum Required Amount(s)
Commercial General Liability Insurance	\$1,000,000 per occurrence and \$2,000,000 in the aggregate or leasehold minimum, whichever is greater
Commercial Automobile Insurance	At least \$1,000,000 (combined single limit for personal injury, including bodily injury or death, and property damage)
Data Breach & Cyber Security Breach Insurance	\$1,000,000 per occurrence and \$2,000,000 aggregate
Government Required Insurances	All worker's compensation and employment insurance on your employees as required under all federal and state laws.

These policies (excluding worker's compensation) will insure you, us, and our officers, directors, and nominees as additional insureds against any liability that may accrue by reason of your ownership,

maintenance or operation of the franchise business. These policies will stipulate that we will receive a 30-day written notice prior to renewal or termination, and we must receive a 30-day notice of any modifications. Original or duplicate copies of all insurance policies, certificates of insurance, or other proof of insurance acceptable to us must be furnished to us together with proof of payment prior to you beginning operations and within 15 days of any request we may make from time to time.

You need to make an independent determination as to whether increased amounts or additional types of insurance are appropriate. If you fail to obtain or maintain insurance, we may obtain insurance for you, and you will pay us the premium costs, plus an administration fee of \$30 per hour for our time. We may periodically modify or adjust the amounts of coverage required and/or require different or additional coverage. We do not derive revenue from your purchase of insurance. We recommend you consult with your insurance agent prior to signing the franchise agreement.

Approved Suppliers

We may enter into contracts with suppliers for items or services purchased by our franchisees. Pursuant to these contracts, you will be required to purchase items or services from the approved suppliers.

All currently approved suppliers and specifications are made available to you before the beginning of operations. You must receive our prior written approval to deviate in any manner from our specifications.

Ownership in Approved Suppliers

Some of our officers have an ownership interest in Wiki-Licious Distribution LLC, which is one of our designated suppliers.

Revenue to Us and Our Affiliates from Required Purchases

We or our affiliates may derive income from required purchases or leases of goods or services made by our franchisees from approved sources. In the last fiscal year ending of December 31, 2024, we did not generate any revenue from the sale of products and services to our franchisees. However, in the last fiscal year ending of December 31, 2024, our affiliate Wiki-Licious Distribution LLC generated \$84,501.73 from the sale of products and services to franchisees.

Proportion of Required Purchases and Leases

We estimate that the proportion of required purchases or leases will represent 80% to 90% of your overall purchases in opening your franchise business and 90% to 95% of your overall purchases in operating your franchise business.

Non-Approved Suppliers

We do not allow you to submit alternative suppliers to be included on our list of approved suppliers.

Standards and Specifications

We may issue specifications and standards to you for applicable aspects of the franchise in our manuals and/or in written directives. We may issue new specifications and standards for any aspect of our brand system, or modify existing specifications and standards, at any time by revising our manuals and/or issuing new written directives (which may be communicated to you by any method we choose). We will generally (but are not obligated to do so) issue new or revised specifications only after thorough testing in our headquarters, in company-owned outlets, and/or a limited market test in multiple units.

Negotiated Arrangements

At this time, there are no purchasing or distribution cooperatives. However, we currently negotiate purchase arrangements with suppliers, including price and terms for the benefit of franchisees.

Benefits Provided to You for Purchases

We do not provide material benefits to you based on your purchase of particular products or services or use of particular suppliers (e.g., grant renewals or additional franchises to franchisee's based on purchases).

ITEM 11 FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, Wiki-Licious Franchises LLC is not required to provide you with any assistance.

Pre-Opening Assistance

Before you open your franchise business, we will:

- 1) Designate your territory [franchise agreement section 1.1].
- 2) Approve of your home kitchen. You must have adequate space in your kitchen and available use of your kitchen to fulfill your orders when needed. We must approve of your kitchen before you begin operations. Our approval is done during the dough training portion of our initial training program over FaceTime or another video conferencing platform where you can show us your kitchen space. We will provide you with general guidance regarding our standards for selecting a site, but we do not prepare demographic studies or otherwise determine a need for our products within

your territory or evaluate or guarantee success of your franchise. We do not generally own and lease or sublease properties to you [franchise agreement section 4.1].

3) Make available general written specifications for necessary equipment, signs, fixtures, opening inventory, supplies and other items listed in Item 8. Unless we are an approved supplier of an item and you purchase the item directly from us, we do not provide these items to you directly, but we do provide you with the names of the approved suppliers for these items. For purchase, delivery, and installation, you are required to work directly with the manufacturer or supplier of these items. We do not assist in delivery or installation of any of these items [franchise agreement sections 7.1 and 8.1].

4) Provide you with the names of approved suppliers [franchise agreement section 7.1].

5) Because you are operating from your home, we do not provide you with preliminary design plans for your franchise business [franchise agreement section 4.1]. However, you must adapt your kitchen in accordance with local, state and federal laws, rules and ordinances, if applicable, at your sole expense [franchise agreement paragraph 6.1.1]. You are responsible for obtaining any required licenses and permits. We do not assist in the construction, remodeling, or decorating of your kitchen [franchise agreement sections 4.1 and 4.3].

6) Loan you a copy or provide electronic access to our confidential manuals containing mandatory policies, operating procedures, recipes, and other information. The manuals are confidential, will remain our property, and may be used by you only in association with your Wiki-Licious® franchise business and only during the term of the franchise agreement. You must keep the contents of the manuals confidential. The master copy of the manuals maintained by us will control in the event of a dispute relative to the contents of the manuals. You may not copy any part of the manuals either physically or electronically. The table of contents for the operations manual is included as Exhibit “F” to this disclosure document. Our operations manual is in electronic format and is equivalent to approximately 23 written pages [franchise agreement article IX].

Lease, Construction and Commencing Operations

1) You must have a kitchen chosen and approved by us within 30 days of signing the franchise agreement [franchise agreement section 4.1].

2) Construction, if any, must be started within 30 days from the date of the franchise agreement and be completed within 80 days from the date of the franchise agreement. You are required to begin operations within 10 days after construction is complete. You must give us at least 1 week’s prior written notice before opening your franchise business [franchise agreement sections 4.2 and 4.3].

Estimated Length of Time Before Operation

It is estimated that the length of time between the signing of the franchise agreement with the accompanying payment of the initial franchise fee and the opening of your franchise business is 30 and 60 days. Factors affecting this length of time usually include obtaining kitchen approval, construction, local ordinance compliance, training, and delivery and installation of equipment, supplies, and opening inventory items. You must begin operations no later than 90 days from the date of your franchise agreement. Failure to meet these deadlines for any reason, including our

disapproval of your home kitchen, or if we cannot agree on a site for your kitchen, may result in termination of the franchise agreement without a refund [franchise agreement article IV].

Assistance During Operation

During the operation of your franchise business, we will:

1) Provide you with updates to the manuals, which updates may be in the form of emails, newsletters, announcements, technical bulletins, or other written directives through means determined by us. We have the right to modify the manuals to reflect changes in the system including the development of products or services. The modifications may obligate you to invest additional capital in your franchise business and to incur higher operating costs. You must incorporate all such modifications within the time periods that we specify [franchise agreement paragraph 6.2.2(iii) and section 9.1].

2) At your reasonable request or at our discretion, provide additional training. This training will be conducted virtually. You will be charged a fee of \$500 per day for this training [franchise agreement section 7.2 and paragraph 6.1.3(iii)].

3) Provide you with an email address which must be used in all correspondence and communications involving your franchise business. If we provide you with an email account/address, we have the right to access your email account. You are not allowed to use a non-approved email for business purposes involving the franchise business [franchise agreement paragraph 6.2.2(i)].

4) Maintain a website for the Wiki-Licious brand that will include your business information and telephone number for your franchise business [franchise agreement section 7.5].

During the operation of your franchise business, we may:

1) Hold conferences to discuss improvements, new developments, mutual concerns, and business issues. If held, attendance at conferences is mandatory for your operating principal. We may charge a conference fee, and you may be required to pay all your travel and living expenses. The location of these conferences will be chosen by us [franchise agreement paragraph 6.1.10].

2) Make periodic inspections of your cottage, which may be done in person or through remote access such as video or live video conferencing and may be performed through a third-party provider. Inspections may be conducted without prior notice to you.] Upon our request, at all reasonable times, you will provide us with a video and/or digital images of your kitchen as set forth in the manuals [franchise agreement paragraph 6.2.2(iv)].

3) Conduct additional seminars, which may be through online webinars, videos, live video conferencing, phone conference or in person, to discuss improvements, new developments, mutual concerns, business issues, sales, marketing, personnel training, bookkeeping, accounting, inventory control and performance standards. We may charge a seminar fee, and you may be required to pay all your travel and living expenses. In-person seminars are normally held at our headquarters or as available at regional facilities [franchise agreement paragraph 6.1.10].

4) Provide you with such continuing assistance in the operation of the franchise business as we deem advisable [franchise agreement section 7.2].

5) To the degree permitted by law, suggest retail price, specify maximum and minimum pricing above and below which you cannot sell any goods or services [franchise agreement paragraph 6.1.8]. You must honor all coupon, price reductions and other programs established by us [franchise agreement section 6.2.2(ii)].

6) Replace defective products purchased directly from us based on our standard limited warranty. For items purchased through third parties, you must work directly with the supplier or manufacturer of those items regarding warranties, defective products, training and support [franchise agreement section 8.6].

7) Refine and develop products or services that you will offer to your customers [franchise agreement paragraph 6.2.2(iii)].

Employment Matters

We do not assist you with the hiring, firing, discipline, scheduling, management, compensation, supervision, assignment of duties, work rules, or working conditions of your employees. That is your responsibility. We may provide you with a sample employee guide or manual, but if we do, it will only be an example of certain employment matters that you may adopt or not. It is your responsibility to comply with state and federal employment laws [franchise agreement paragraph 6.1.6].

Advertising and Promotion

You are required to participate in all marketing programs as directed by us and to use all materials, mediums, and other information made available to you in doing so.

Under the terms of the franchise agreement, we are not obligated to conduct advertising for the franchise system or to spend any amount on advertising in your territory. However, you may develop marketing materials for your use, at your cost, but all marketing material developed or used by you must have our prior written approval. Any marketing materials or concepts you create may, upon written notice, become our property and will be considered a “work-made-for-hire” that can be used by us and other franchisees. If you do not receive written approval or disapproval within 7 days of the date we received your submission of marketing materials, the materials submitted are deemed unapproved. We can revoke our approval of any marketing materials at any time in our sole discretion expressed in writing. We may provide you with samples of marketing materials developed by us and provide new marketing techniques as developed [franchise agreement sections 3.10, 3.11, 10.2 and 10.3].

You are not required to participate in a local or regional advertising cooperative.

Other Marketing Funds

At this time, you are not required to participate in any other marketing funds.

Internet and Social Media

We may allow you to place pre-approved information concerning your franchise business on our website or subdomain, as developed by us. We will own the social media accounts related to the brand, but we may decide to provide you with access to the social media account for your location for certain management responsibilities and functions. You must follow our policies regarding use of the internet and social media related to the brand and your franchise business [franchise agreement section 10.4].

You must have a smartphone to run our designated POS system. The estimated cost of a chip reader is \$50 to \$100. The cost of a smartphone is estimated to be \$500 to \$1,000. We may require changes or updates and upgrades to your smartphone and/or our designated POS system at your expense during the term of the franchise agreement. There are no contractual limitations on our right to do so. We estimate the annual costs to maintain, upgrade, and support your smartphone and POS system to be \$0 to \$1,000. We are not required to maintain, repair, update and/or upgrade your smartphone or POS system. There are no contractual limitations to the frequency and cost of the obligation to upgrade and maintain the computer or POS system [franchise agreement paragraph 6.1.9]. For defective equipment, products, software or other items purchased by you, you must deal directly with the supplier or manufacturer of the item. All data collected or provided by you, downloaded from your POS system, or otherwise collected from you by us or provided to us, is and will be owned exclusively by us, and we have the right to use the data in any manner without compensation to you [franchise agreement paragraph 8.6].

ITEM 12 TERRITORY

Non-Exclusive Territory

You will not receive an exclusive territory for your franchise business. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands that we control. However, we will not establish another traditional franchise or traditional company-owned cottage using the trademark within your territory.

Grant of Territory

Under the franchise agreement, we will grant you the right to use the system and proprietary marks at a specific location within your territory, the boundaries of which will be negotiated prior to signing the franchise agreement and are described in the franchise agreement.

Size of Your Territory

The specific size of your territory is set by us based on the population density, the business base in the territory, whether your location is in a metropolitan or rural area, and other comparable factors, but generally a large territory will have a population base of at least 50,000 people, and a small territory will have a population base of less than 50,000 people. The written boundaries of your territory will be included in your franchise agreement and may be set based on ZIP code, boundary streets, highways, county lines, designated market area, radius from a specific address, and/or other

recognizable demarcations, but the territory will generally be a distance of 5 driving miles from your cottage in all directions. In determining the total population within your territory, we generally consult the United States Census estimate, available via the Internet website located at census.gov/quickfacts.

Change in Territory Designation: Adjustment of Territory Boundaries

If you have a small territory, and the population of your territory reaches at least 50,000 people, your territory will automatically be converted to a large territory. If you have a large territory, and the population of your territory exceeds 100,000 people, then we have the right to divide your territory. In such case, your new territory will still have at least 50,000 people.

Territory Restrictions

You are restricted to operations from within your territory. You may not service customers within another franchisee's territory. However, you may service customers in areas that have not been awarded to another franchisee. Additionally, customers can order from and pick up orders from any cottage, but you and other franchisees may not deliver products into another franchisee's territory.

Relocation

You do not have the automatic right to relocate your business, and we have the right to deny any relocation request. You must obtain our prior written permission if you want to relocate your franchise. Approval to relocate is determined on a case-by-case basis and is based on factors such as your operational history, our then-current criteria used in approving a new franchisee's proposed site, and other factors that are relevant to us at the time of the relocation request. If we do approve a new territory for you, you must reimburse us our costs associated with reviewing and approving the new territory at a cost of \$30 per hour for our time, plus any legal fees associated with the relocation.

Minimum Sales Requirement

Your territory is not dependent upon achievement of a minimum sales volume, market penetration, or other contingency.

Advertising Within and Outside the Territory

Other franchisees may not advertise within your territory, and you may not advertise within other franchise territories.

Your Rights to Use Channels of Distribution

You are allowed to sell products and services through the following channels: the Internet and social media (if done in accordance with our policies), direct marketing, fairs and other events (with our prior written permission).

Options to Acquire Additional Franchises

You do not receive the right or option to acquire additional franchises.

Our Rights to Use Channels of Distribution in Your Territory

We and our affiliates reserve the right to market and sell and distribute products and services under the Wiki-Licious® marks and under other brands or trademarks, both within and outside your territory using distribution channels, such as through websites, the Internet, direct marketing, social media, smartphone apps, television, radio, etc. We also reserve the right to maintain any corporate accounts and service special events (e.g., fairs, concerts, conventions, etc.) if we previously serviced a corporate account in your territory or previously operated at a special event in your territory. We do not pay you for soliciting or accepting orders for any products or services under the Wiki-Licious® brand through these channels inside your territory. However, if you fulfill an order for a corporate account for us, we will compensate you for that order.

We and our affiliate also reserve the right to market and sell and distribute products and services under other brands both within and outside your territory using distribution channels, such as: websites, the Internet, social media, smartphone apps, direct marketing, fairs and special events, cottage outlet, etc. We do not pay you for soliciting or accepting orders for any products or services through other channels inside your territory, if made under other brands.

Our Previous Activities in Your Territory

In the past, we or an affiliate may have used one or more of the following distribution channels to sell and distribute products and services in your territory under the Wiki-Licious® brand: websites, television, radio, social media, corporate accounts, special events, and cottage outlets.

Competition by Us Under Different Trademarks

Neither we, nor an affiliate operates, franchises or has plans to operate or franchise a business that sells or will sell goods or services similar to those sold in your franchise using a different trademark.

ITEM 13 TRADEMARKS

Non-Exclusive Grant of the Trademark

We grant you the non-exclusive right to use certain of our trademarks in the operation of your franchise business. You may also use future trademarks in the operation of your franchise business, as we designate. You will not at any time acquire any rights in the trademarks. By trademarks we mean our trade names, trademarks, commercial symbols, service marks and logos.

Agreements Regarding the Trademark

Under a license agreement entered into between Wiki-Licious IP Holdings, LLC and us in 2021, we were granted the right to use and sublicense the trademarks for 50 years, which license will automatically renew for one-year terms for up to 25 additional years. The license may be terminated for our default; however, the license agreement specifies that if it is ever terminated, your franchise rights will remain unaffected. The terms and provisions of the license agreement cannot be modified without written authorization from both parties.

Registered Trademarks

The following trademarks, service marks, trade names, logotypes or other commercial symbols listed below are registered or have been filed for registration with the United States Patent and Trademark Office on the Principal Register, or the mark has not been registered, but we claim common rights in the mark. All required affidavits and renewals have been filed.

97104245	WIKI LICIOUS (word mark)	Principal	May 30, 2023	Registered

We do not have a federal registration for our principal trademark logo. Therefore, our trademark logo does not have as many legal benefits and rights as a federally registered trademark. If our right to use the trademark is challenged, you may have to change to an alternative trademark, which may increase your expenses.

Registered Domain Names

We have registered the following Uniform Resource Locators (domain names): wikiwikidonuts.com and wiki-licious.com. You may not register or own a domain name, social media account, email account, etc., using our trademark or any derivative of our trademark in a domain name, and you may not create or register any domain name, social media, email, etc., in connection with your franchise business or the franchise system without our prior written permission.

Use of the Trademark

You must promptly modify or discontinue the use of a trademark at your cost if we modify or discontinue a trademark, or we require you to use a different trademark.

Government Determinations Regarding the Trademarks

There are presently no effective determinations by the United States Patent and Trademark Office, Trademark Trial and Appeal Board, the trademark administrator of any state or any court or pending interference, opposition or cancellation proceeding, or pending material litigation involving the trademarks. There are no agreements currently in effect that significantly limit our rights to use or license the use of the trademarks.

Superior Prior Rights

We are unaware of any superior rights that could materially affect your use of the trademarks in your territory.

Infringing Uses

We are unaware of any infringing uses of the trademarks that could materially affect your use of the trademarks in your territory.

Protection Against Infringement

You are obligated to immediately notify us when you learn about an infringement of or challenge to your use of our trademarks. We have the right to control any administrative proceedings or litigation involving the trademarks, and you must proceed in strict coordination and oversight by us. We will have the discretion to take the action we deem appropriate. The franchise agreement does not require us to take any affirmative action when we are notified of such uses or claims.

We are not obligated to protect any rights that you have to use the trademarks, or to protect you against claims of infringement or unfair competition. You are given the right to protect yourself, at your sole cost, from any of these claims if we elect not to prosecute the claim of infringement or unfair competition. You may not act contrary to our rights in the marks. We are not required to defend or indemnify you for expenses or damages if you are party to an administrative or judicial proceeding involving the licensed trademark.

You may not contest, directly or indirectly, our rights or interest in our trademarks, names or service marks, trade secrets, methods, and procedures that are part of our business. Any goodwill associated with the trademarks or system belongs to us.

ITEM 14 PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

Patents

You do not receive the right to use an item covered by a patent, and we do not have any pending patent applications with the United States Patent and Trademark Office. We do not own rights to, or licenses in, any patent that is material to the franchise system.

Copyrights

We have not registered our manuals with the United States Copyright Office, but we claim a copyright and consider the information proprietary, and we, or our parent, or an affiliate, claim protected trade secrets and copyrights in parts of our franchise system.

We claim other copyrights in sales literature and marketing materials that we or our franchisees develop for our use and for use by our franchisees, and your use of these materials will be limited to the uses required or allowed by us.

You must modify or discontinue the use of any copyright, at your cost, if we modify or discontinue it, in our reasonable discretion.

We or an affiliate may develop software or apps. If so, we claim copyright protection on all such items.

Proprietary Information

You can use the proprietary information in our manuals but only in connection with the system and only during the term of your franchise agreement and as authorized by us. The manuals may not be copied. The manuals must be returned to us or permanently deleted by you upon termination of your franchise agreement. Portions of the “system,” including our recipes, suppliers, processes, customer lists, etc., are a trade secret or confidential and proprietary to us.

With regards to our proprietary information, the franchise agreement also provides that you will: (a) strictly follow all confidential security procedures required by us; (b) disclose this information to your employees only as needed to market our products and services; (c) not use this information in any other business; (d) exercise the highest degree of diligence to maintain this information as confidential; and (e) promptly notify us if you learn of any unauthorized use of our trade name, trade secrets or proprietary information. Your use of our proprietary information is limited to the uses required or allowed by us.

Agreements Regarding Patents, Copyrights, and Other Intellectual Property

Under a license agreement entered into between us and Wiki-Licious IP Holdings, LLC and us in 2021, we were granted the right to use and sublicense the patents, copyrights and other intellectual property for 50 years, which license will automatically renew for one-year terms for up to 25 years. The license may be terminated for our default; however, the license agreement specifies that if it is ever terminated, your franchise rights will remain unaffected. The terms and provisions of the license agreement cannot be modified without written authorization from both parties.

Protection Against Infringement

You must also promptly tell us when you learn about unauthorized use of our copyrights, recipes, manuals, or challenge to your use of any of our other proprietary information. The franchise agreement does not require us to take any action when we are notified of such uses or claims, but we will respond to this information as we believe appropriate. We have the right to control any administrative proceedings or litigation.

We are not required to defend or indemnify you for any damages from any proceeding based on patents, copyright, or other intellectual property. You are given the right to protect yourself, at your sole cost, from any of these claims if we elect not to prosecute the claim of infringement or unfair competition; however, we have the right to control any administrative proceedings or litigation involving the patents or copyrights, and you will proceed in strict coordination and oversight by us. You may not act contrary to our rights in the patents or copyrights.

Improvements to the System

Any improvements you make to the system will be owned by us and considered a “work-made-for-hire” as defined in Section 101 of Title 17 of the United States Code.

Government Determinations Regarding Patents and Copyrights

There are presently no effective determinations by the United States Patent and Trademark Office, the United States Copyright Office, or any court regarding a patent or copyright. There are no

agreements currently in effect that significantly limit our rights to use or license the use of any patent or copyright.

Infringing Uses

There are presently no known infringements of the copyrights or patents.

ITEM 15 OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

On-Premises Supervision

We recommend but do not require on-premises supervision by your operating principal. However, your operating principal must be your primary point of contact with us.

Participation by Your Operating Principal

Your operating principal must personally participate in the direct operation and supervision of the franchise business, but unless your operating principal acts as the full time manager of the franchise business, your operating principal is not required to work a certain or minimum number of hours; however, your operating principal must work sufficient hours to operate your franchise or supervise your managers so that your franchise business is operating at maximum capacity and efficiency. You must have at least one manager on-site during business operations.

You must also maintain sufficient supplies and materials and employ adequate personnel to operate the franchise business at maximum capacity and efficiency. Your operating principal must conduct frequent inspections of the franchise business to ensure the highest standards of professionalism, cleanliness and a general pleasant appearance, and compliance with our approved methods.

Although we do not require your operating principal to be involved in the day-to-day on-premises management, at all times during the term of your franchise agreement, your operating principal is required to participate in your franchise business as follows: (i) attend and complete all required training and ongoing training courses; (ii) attend any annual or special meetings of franchisees; and (iii) be directly involved in all personnel decisions affecting the franchise business.

Who Must Attend and Successfully Complete Training

Your operating principal must attend and successfully complete our initial training program.

Restrictions on the On-Premises Supervisor

We do not put a limitation on whom you can hire as your on-premises supervisor or manager. Your on-premises supervisor or manager is not required to have an equity interest in the franchise business.

No Competing Enterprises

Neither you, your operating principal, nor your management employees can have an interest in or business relationship with any competing business during the term of the franchise agreement and must keep free from activities that would be detrimental to or interfere with the operation of your franchise business or detrimental to the franchise system. You, your partners, directors, members, shareholders, and operating principal will be required to sign our standard principal brand protection agreement to protect and keep confidential our trade secrets and confidential information and to conform with the covenants not to compete described in Item 17 (franchise agreement, exhibit A-4). Your employees and contract personnel will also be required to sign a confidentiality agreement, and that agreement also imposes certain non-competition restrictions on management employees and contract personnel. Some states may impose certain restrictions on non-competition agreements. We provide you this form, but it is your responsibility to conform it to the laws and regulations of your state (franchise agreement, exhibit A-5).

Required Operations

You must operate the franchise business at least 3 days per month throughout the year.

Personal Guarantees

Any individual who owns a 10% or greater interest in the franchise business must personally guarantee the performance of all your obligations under the franchise agreement and agree to be personally bound by, and liable for, the breach of every provision of the franchise agreement.

ITEM 16 RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

We do not restrict your access to customers, and you may accept orders from anywhere (so long as the customer comes to your location for pickup), even if that customer is in another franchisee's territory. However, you are not permitted to market in another franchisee's territory or deliver products or perform services in another franchisee's territory.

You may provide and sell only those products and services specified and approved by us in writing. No product or service may be added to, altered, or discontinued by your franchise business unless it is first approved by us in writing. You must offer all products and services required by us. We reserve the right to add, modify, or delete products and/or services that you will be required to offer. There are no limits on our right to do so. You must strictly follow our policies, procedures, specifications, methods, and techniques concerning all our products and services.

You may offer additional services and products that are unique to your area in an effort to blend in with your community; however, you must obtain our written approval before such services and products are offered.

ITEM 18 PUBLIC FIGURES

We do not use any public figure to promote our franchise.

ITEM 19 FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing outlet, however, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you

should report it to the franchisor's management by contacting Mary Cannon at mary@wiki-licious.com and (801) 643-6654, or the Federal Trade Commission, and the appropriate state regulatory agencies.

**ADDENDUM TO THE WIKI-LICIOUS® FDD
STATE REGULATIONS**

**SCHEDULE “A-1”
TO THE FDD**

**STATE FDD ADDENDUM
FOR THE STATE OF MARYLAND**

ITEM 17 of the Disclosure Document is amended to add the following:

- The general release required as a condition of renewal, sale and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.
- A franchisee may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.
- The franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its rights to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legal enforceable.
- Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.
- The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under federal bankruptcy law.
- No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

NOW, THEREFORE, in consideration of the mutual covenants, agreements, recitals, obligations, terms and conditions herein contained, and the acts to be performed by the respective parties hereto, the parties hereto agree as follows:

ARTICLE I AWARD OF FRANCHISE

1.1 **Award of Franchise.** We hereby grant to You, and You accept, subject to the terms, conditions and obligations herein, the non-exclusive, non-sublicensable, personal right to establish and conduct a Franchise Business as a Wiki-Licious® franchisee and the right to use the System and the Marks only as specifically set forth herein. This right is granted for use only at a single location approved by Us ("Cottage") within Your Territory listed on Exhibit "A-1" ("Territory"). Your Territory will either be a large territory or a small territory. A large-territory franchise is a franchise with a territory that has a population of at least 50,000 people, and a small-territory franchise is a franchise with a territory that has a population of less than 50,000 people.

1.1.1 **Territory Rights.** Except as set forth in this Agreement, We will not establish or operate a traditional company-owned outlet or grant to any person or entity a franchise within the Territory using the same System and Marks as that licensed by this Agreement.

1.1.2 **Territory Adjustment.** If You have a small territory, and the population of Your Territory reaches at least 50,000 people, Your Territory will automatically be converted to a large territory. If You have a large territory, and the population of Your Territory exceeds 100,000 people, then We have the right to divide Your Territory. In such case, Your new territory will still have at least 50,000 people.

1.2 **Scope of Franchise Operations.** You must at all times comply with Your obligations hereunder and must continuously use Your best efforts to promote and operate Your Franchise Business.

1.3 **Our Reservation of Rights.** All rights not specifically granted to You in this Agreement are reserved to Us. Nothing contained herein prevents Us from granting the right to establish or operate, or Us establishing, owning and operating a Franchise Business or similar operation outside of the

Territory. Furthermore, We and Our affiliates expressly reserve the right to sell, Market and distribute all Wiki-Licious® products in Your Territory and elsewhere using other Marketing strategies and distribution channels Including the Internet, television, radio, apps, Social Media, catalog sales, direct sales, retail or wholesale outlets, and/or co-branding with others without compensation to You. We also reserve the right to maintain any corporate accounts and service special events (e.g., fairs, concerts, conventions, etc.) if We previously serviced a corporate account in Your Territory or previously operated at a special event in Your Territory. We do not pay you for soliciting or accepting orders for any products or services under the Wiki-Licious® brand through these channels inside Your Territory. However, if You fulfill an order for a corporate account for Us, We will compensate You for that order. You expressly acknowledge and agree that this license is non-exclusive, and that We retain, among other rights, the right, in Our sole discretion: 1) to establish and license others to establish and operate Wiki-Licious® businesses outside Your Territory; 2) to operate and license others to operate businesses anywhere that do not operate under the Wiki-Licious® brand name; and 3) to sell and license others to sell products and services in the Territory through channels of distribution (Including the Internet) other than through traditional Wiki-Licious® outlets.

1.4 Restriction of Territory Rights. The rights and privileges granted to You under this Agreement are personal in nature. This Agreement is granted solely for the operation of a Franchise Business at the Cottage and do not extend to the operation of a Franchise Business or any other use of the System from any other location within or outside Your Territory, or in any other manner, except as may be allowed by this Agreement and Our Manuals. You are restricted to operations from within Your Territory. You may not service or advertise to customers within another franchisee's territory. However, You may service customers in areas that have not been awarded to another franchisee. Additionally, customers can order from and pick up orders from any cottage, but You may not deliver products into another franchisee's territory.

ARTICLE II TERM AND SUCCESSOR FRANCHISE

2.1 Term. This Agreement will be effective when executed by both You and Us. The franchise term will be for a period of two years unless terminated earlier pursuant to Article XI herein. If We are required by law or otherwise to give You notice before the Termination of this Agreement and fail to do so, this Agreement will remain in effect from month-to-month until We have given the required notice.

2.2 Successor Franchise. You may enter into a successor franchise ("Successor Franchise") agreement with Us upon the expiration of the original term for an additional term of one, two, or three years, at Your option, if all the following conditions are met at the time You elect to renew: 1) You are not in default of this Agreement; 2) You have timely met material terms and conditions of this Agreement throughout the initial term; 3) You have complied with Our material operating and quality standards and procedures and any required modification to such standards and procedures; 4) You have timely paid all monetary obligations owed to Us during the term of this Agreement; 5) You are not subject to any pending litigation or governmental proceeding which could have a material adverse effect upon You or Your Franchise Business; and 6) You give Us written notice of Your intent to renew at least six months and not more than 12 months prior to the expiration date of the term hereof. Your Successor Franchise Agreement may also provide for a successive franchise term. Your failure to give such notice will constitute an election not to enter into a Successor Franchise Agreement (defined below). If You fail to sign a Successor Franchise Agreement for any reason but

continue to operate Your Franchise Business, at Our election, You will be deemed to have renewed on a month-to-month basis, requiring You to abide by Our then-current Fees. In addition to Our rights to terminate as set forth in Article XI, Your month-to-month Franchise Business may be terminated by Us upon 30 days' prior written notice to You for any reason whatsoever.

2.2.1 Commencement Date for Successor Franchise Term. Unless another date is specified in a Successor Franchise Agreement, which date will supersede, said Successor Franchise term, Including any month-to-month term, will commence on the day following the expiration date of the initial or applicable Successor Franchise term.

2.2.2 Notice of Non-Approval. Upon receiving Your election to enter into a Successor Franchise, We will have 30 days to provide written notice in the event You do not qualify for a Successor Franchise or as otherwise required by law.

2.2.3 Successor Franchise Agreement. If approved as a Successor Franchise, You must execute Our then-current form of Our successor franchise agreement ("Successor Franchise Agreement"). The Successor Franchise Agreement Includes personal guarantees, and a general release of all claims against Us (existing at that time) arising from this Agreement, the relationship created herein, and Your Franchise Business. If You fail to execute such a release, the signing of the Successor Franchise Agreement will be the equivalent of the granting of such a release. The Successor Franchise Agreement will supersede in all respects the terms and conditions of this Agreement. You must sign and return to Us the Successor Franchise Agreement at least 60 days prior to the expiration of this Agreement, or You will, at Our election, be deemed to have withdrawn Your request to enter into a Successor Franchise Agreement. **You acknowledge that You will be bound by the form of the Successor Franchise Agreement in effect at the time which may contain Fees and charges, territorial, and other changes in material provisions different from those contained in this Agreement, Including terms affecting payments to Us or Our affiliates.**

2.2.4 Successor Franchise Fee. If approved for a Successor Franchise, You shall pay to Us a non-refundable Successor Franchise Fee set forth in Exhibit "A-3," payable in full at the time of execution of the Successor Franchise Agreement.

2.2.5 Upgrading Your Franchise Business. As a condition to Us approving You entering into a Successor Franchise Agreement, at Your expense, You are required to Update Your Franchise Business to the extent and in the manner specified by Us to conform with and bring it up to the standards and capabilities of new Wiki-Licious® outlets being opened at the time the Successor Franchise takes effect. Unless otherwise waived by Us, such Updates must be made within six months of signing the Successor Franchise Agreement.

2.2.6 Successor Franchise Training. As a condition to Us approving You entering into a Successor Franchise Agreement, Your Operating Principal and/or other key Personnel may also be required to attend and successfully complete trainings, certifications, and other programs at such times and locations as We specify. If held, this training will be done virtually.

2.2.7 Unable to Offer Successor Franchise. Notwithstanding the preceding paragraphs of this Section, if at the time You provide Your notice of desire to enter into a Successor Franchise Agreement, We are no longer offering franchises in the United States, or We are not able by law to offer a successor agreement to You, then this Agreement will automatically be extended for a period of one year. If at the end of the one-year extension, We still are not offering franchises in the United

States, or We are unable by law to offer a successor franchise to You, this Agreement will automatically terminate unless further extended by mutual consent, which consent We can withhold for any reason.

3.5.1 Infringement. We are not required to take any affirmative action when We are notified of such uses or claims. However, in the event We undertake the defense or prosecution of any litigation pertaining to any Confidential Information or Intellectual Property, You must execute any and all documents and do such acts and things as may, in the opinion of Our counsel, be necessary to carry out such defense or prosecution. If We fail to undertake action within a reasonable time after receipt of Your notice regarding any such claim, demand or suit, then You may, with Our prior written consent (but You will not have the obligation), undertake the defense of any such proceeding and will do so at Your sole cost and in strict coordination and oversight with Us. You shall not do any act or make any claim which is contrary to or in conflict with Our rights in Our Confidential Information or Intellectual Property. We are not required to defend or indemnify You for expenses or damages if You are a party to an administrative or judicial proceeding involving the licensed trademarks.

The cost for the additional trainee to attend the initial training is listed in Exhibit “A-3.”

i. Replacement Training. Any new Operating Principal must complete the initial training program prior to taking over as the Operating Principal. We do not assist You in employment-related decisions, or in creating any policies or terms and conditions related to the management of Your Personnel or their employment. We may provide You with a sample employee guide or manual, but it will only be an example of certain employment matters that You may choose to adopt or not. You must use Your own discretion on what policies to implement for Your Personnel based on Your own circumstances and management decisions. The sample manual is not edited or reviewed frequently to stay up to date with current or state specific employment laws and some policies may be outdated or conflict with current existing state or federal employment laws. You must seek Your own legal counsel to determine those policies that are legally compliant with current employment laws in Your state to draft Your own employee handbook. It is Your responsibility to comply with local and federal labor and employment laws.

Your Personnel must execute Our Personnel Brand Protection Agreement (see Exhibit “A-5”). Your insurance is primary and non-contributory. Any insurance obtained by Us is solely for Our benefit and not for the benefit of You or Your Franchise Business. 12.2.3 No Equity. You will have no equity or other continuing rights to use the System, Confidential Information, Intellectual Property, or goodwill of the Franchise Business.

12.3 Survival of Provisions. All provisions of this Agreement, which by implication apply following the Termination of this Agreement are enforceable following Termination of this Agreement, Including Your obligation to indemnify Us and pay all amounts owed and Your obligations to dissociate from Our brand. You shall also still be bound to the confidentiality, brand protection, indemnification, non-disparagement, non-competition, non-solicitation, arbitration and dispute resolution, choice of forum and law selections clauses and other restrictions of this Agreement that have terms or duties owing after Termination of this Agreement.

12.4 Liquidated Damages. If this Agreement is Terminated, other than for an approved Transfer, non-renewal or mutual termination, in addition to other remedies available under this Agreement, We will be entitled to liquidated damages, not as a penalty, and solely to compensate Us the amount listed on Exhibit "A-3" for lost future royalties. This amount is due immediately upon an Termination.

12.5 Cumulative Rights. Our rights provided above are cumulative and in addition to any other right or remedy available at law or in equity.

ARTICLE XIII PURCHASE OPTION

13.1 Purchase Option. Upon Termination of this Agreement, You hereby grant to Us the right to:

13.1.1 Acquisition of Assets. Acquire, in Our sole discretion, all or any part of Your Operating Assets at the then-existing fair market value of such item or items as of the date of Termination of this Agreement. If the fair market value is not agreed to between us, the fair market value will be established by an independent appraisal. The appraisal will be done at Our expense by an appraiser selected by Us. No goodwill will be considered associated with Your Franchise Business or said items. We must exercise this option within 60 days of such Termination or within 15 days of the establishment of the price of the Operating Assets, whichever is later ("Option Period"), by giving written notice to You of Our intent to exercise Our option to purchase. The purchase of any of Your Operating Assets will be done through an asset purchase agreement. Unless otherwise agreed by You, the purchase price as determined hereunder will be paid within 30 days of providing notice of Our intent to purchase. We have the right to off-set any amounts You owe to Us against the purchase price.

13.1.2 Prepaid Services. We can offset the costs of fulfilling pre-paid orders against amounts owing to You.

ARTICLE XIV SALES OR TRANSFERS OF THE FRANCHISE

14.1 Our Right of Assignment. You acknowledge that We maintain a staff to manage and operate the System and that staff members can change as Our owners, directors, officers, and Personnel come and go. You represent that You have not signed this Agreement in reliance on any shareholder, director, officer, or Personnel remaining with Us in that capacity. This Agreement and all rights and obligations hereunder are fully assignable and transferable, whether in part or whole, by Us, and if so assigned or transferred, will be binding upon and inure to the benefit of Our successors and assigns, and We will no longer have any performance or other obligations under this Agreement. We may be sold, or We may sell any part of or all Our Confidential Information and/or Intellectual Property or other assets to a competitive or other entity. In addition, We may go public, may engage in a private or other placement of some or all of Our securities, may merge, acquire other entities or assets which may be competitive with the System or not, be acquired by a competitive or other entity, and may undertake any refinancing, leveraged buy-out or other transaction, including arrangements in which: 1) the territories, locations or other facilities are, or are not, converted to the System or other format or brand (including using the System or Marks), or 2) the System is converted to another format or brand, maintained under the System or a different system. You must fully cooperate with any such proposal, merger, acquisition, conversion, sale or financing. However, We will not re-brand any such businesses that are located inside Your Territory by allowing them to use the Marks.

14.2 No Assignment by You Without Our Approval. This Agreement is personal as to You and is being entered into in reliance upon and in consideration of Your qualifications and representations, including representations of all current owners. Therefore, none of Your Franchise Assets may be Transferred in any manner by You or anyone else unless Our prior written approval is obtained and consummated by signing a consent agreement as approved by Us. You shall provide Us with all documentation relating to the Transfer of Your Franchise Assets. Said approval will not be unreasonably withheld but will be conditioned upon Our satisfaction with the qualifications set forth in Section 14.3 below of the proposed transferee and its owners and officers. You must provide Us

written notice of Your intent to Transfer prior to listing or offering the Franchise Business for sale. Any Transfer without Our written approval is considered void ab initio.

14.3 Qualifications of Transferee. In determining the acceptability of the proposed transferee, We will consider, among other things, Our then-current standards for new franchisees, including the net worth, financial resources, credit worthiness, health, background, training, personality, reputation, and business experience of the proposed transferee, including that of the new Operating Principal, the terms and conditions of the Transfer, and any circumstances that would make the Transfer not in the best interests of Us or the System, including the proposed purchase price. We may meet and candidly discuss all matters relating to Your Franchise Business with the potential transferee, including providing a proposed transferee with corrected information or information in addition to what You have provided. In no case will You or a proposed transferee rely on Us to review or evaluate any proposed Transfer.

14.4 Application for Transfer. Upon any proposed Transfer of Your Franchise Assets, or any interest therein. You must also submit to Us an application in the form specified by Us on behalf of the proposed transferee.

14.5 Deposit and Transfer Fee. In consideration of Our reviewing the proposed Transfer, You shall pay to Us a non-refundable deposit (see Exhibit “A-3”). Additionally, if the Transfer is approved, You shall pay Us the non-refundable Transfer Fee listed in Exhibit “A-3” at the time the consent agreement to approve of the Transfer is fully executed by all applicable parties. If the Transfer is approved, the deposit will be applied towards the Transfer Fee.

14.6 Minority Interest Transfers. If a proposed Transfer is for less than 40% of Your entity (cumulative during the term of this Agreement), there will be no transfer Fee, but You must reimburse Us Our legal and corporate fees incurred related to the Transfer, and We will not be entitled to exercise Our right of first refusal set forth in Section 14.9 below. Furthermore, all applicable provisions of Section 14.8 below apply to minority interest Transfers as well.

14.7 Involuntary Transfers Void. Involuntary Transfers of this Agreement by You, such as by legal process, are not permitted, are not binding on Us, and are grounds for termination of this Agreement. Using this Agreement as security for a loan, or otherwise encumbering this Agreement is prohibited unless We specifically consent to any such action in writing prior to the proposed transaction. You cannot grant a sub-franchise under this Agreement nor otherwise seek to license or permit others to use this Agreement or any of the rights derived by You under it. Any attempt to Transfer any part of the Franchise Assets, whether or not binding on Us, will be grounds for the immediate Termination of this Agreement unless such Transfer is authorized in writing by Us.

14.8 Conditions of Transfer. Prior to the effective date of Transfer of any part of Your Franchise Assets and as a condition for Our approval of any Transfer:

14.8.1 Compliance. You must be in full compliance with this Agreement and not be in default hereunder, and You must comply with Our policies related to a Transfer as set forth in the Manuals. All accounts payable and other monetary obligations to Us or Our affiliates or subsidiaries must be paid in full. You must have submitted to Us all required reports, financial statements, and other documents.

14.8.2 Franchisee Application; Written Proposal. The transferee must complete and submit all application documents required by Us from prospective franchisees at the time of Transfer and be approved in writing by Us. The terms and conditions of the proposed Transfer must be provided in writing to Us within the time frames specified by Us. The price and other proposed terms of the Transfer must not, in Our reasonable business judgment, negatively impact the future viability of the Franchise Business. If any part of the sale price is financed, You must agree that all obligations of the transferee under any promissory note, other payment agreement, or financing statement will be subordinate to the obligations of the transferee to pay the Fees owing to Us and Our affiliates pursuant to this Agreement.

14.8.3 Assumption of Obligations. All Your obligations in connection with the Franchise Assets must be assumed by the transferee. See Section 6.3 above.

14.8.4 New Franchise Agreement; Updates; Consent. At Our discretion, the transferee must sign the then-current form of the franchise agreement, or for minority interest transfers, You and We must amend this Agreement and its exhibits as necessary to reflect the change in ownership. You must also fully Update the Franchise Business to the level required of new franchisees. Additionally, You shall sign the appropriate paperwork to consummate Our consent to the Transfer.

14.8.5 Training. Unless We have previously trained the transferee, the transferee must complete the initial training. This training is held virtually. You and the transferee and We must coordinate on the timing of training, so that the Franchise Business does not have a gap in properly trained management.

14.8.6 Transfer Fee. You shall pay the transfer Fee set forth on Exhibit “A-3” or reimburse Our legal fees for minority interest Transfers as set forth in Section 14.6 above.

14.8.7 General Release. You must execute a general release releasing Us of any claims You may have against Us.

14.8.8 Prepaid Services. If applicable, You must provide Us and the proposed transferee with an accounting of all outstanding Prepaid Services as of the date of Termination, which must be taken into account and handled as a part of the transfer agreement.

14.8.9 Survival of Covenants. Your non-competition, indemnity, confidentiality obligations, the provisions relating to dispute resolutions and other applicable terms of this Agreement, will survive any Transfer.

14.9 First Right of Refusal.

14.9.1 Right of First Refusal. You hereby grant to Us the right of first refusal to purchase Your Franchise Assets on such terms and conditions specified in a bona fide written offer from a third-party, who would satisfy the criteria for approval under Section 14.3. You must notify Us in writing of the terms and conditions of the Transfer, Including the Franchise Assets proposed to be Transferred, the purchase price or other consideration, any creditor financing terms being extended by You, the date of the proposed Transfer, and all other pertinent provisions of the proposed Transfer. In addition, a copy of any contract, agreement, memorandum of sale, deposit receipt, letter of intent and the like, must also be forwarded to Us as soon as it is signed by You. Following receipt of all pertinent data and documents concerning the proposed Transfer, We will have 30 days in which

to advise You in writing of Our election to have the Franchise Assets transferred and assigned to Us on the terms and conditions agreed to by the prospective transferee. Our credit will be deemed equal to the credit of any proposed buyer (meaning that, if the proposed consideration Includes promissory notes, We or Our designee may provide promissory notes with the same terms as those offered by the proposed transferee). Should We elect to purchase the Franchise Assets proposed to be Transferred pursuant to Our right of first refusal, You and We agree to cooperate to accomplish the Transfer as set forth in the provisions submitted to Us by You, provided that the date for the completion of the Transfer can be extended at Our option for up to 30 days beyond the date originally indicated for the completion of the Transfer in order to allow the completion of the transaction in a manner more convenient to Us. We have the right to off-set any amounts You owe to Us against the purchase price.

14.9.2 Non-Election of Rights. If We do not elect to purchase the Franchise Assets proposed to be Transferred, You may complete the proposed Transfer on the terms and conditions set forth in Your notice to Us subject to Our right to approve the proposed transferee and the terms and conditions set forth under this Article. However, if there are any material changes in the terms and conditions of the proposed Transfer after You notify Us of the proposed Transfer, and any of those changes are more favorable to the purchaser, You must notify Us of the changes in writing, and We will have an additional 10 days to elect to purchase the Franchise Assets proposed to be Transferred on the revised terms and conditions. Additionally, if Your Franchise Business is not Transferred to such third-party within five months after We elect not to purchase the Franchise Assets, You must re-offer the Franchise Assets to Us before You may Transfer to an approved third-party. We have no obligation to purchase Your Franchise Assets.

14.10 Death or Incapacity and Interim Management. In the event of the death or incapacity of an individual franchisee or the majority owner of the franchisee entity (the term “incapacity” means any physical or mental infirmity that prevents the person from performing the obligations under this Agreement: (i) for a period of 60 or more consecutive days, or (ii) for 100 total days during a calendar year), the heirs or personal representative will have the right to continue Your Franchise Business; for no more than 180 days after such death or incapacity (or such longer period required by the laws of the state where Your Franchise Business is located) the heirs appoint a representative to act in behalf of the heirs in all matters pertaining to Your Franchise Business as provided for new Operating Principals, designated managers, or franchisees, Including the requirements to have the representative trained and accepted by Us in accordance with Our standards. The heirs or personal representatives, instead of operating Your Franchise Business themselves under the foregoing procedures may choose to Transfer Your Franchise Business. If a decision to Transfer is made, the Transfer procedures explained above will apply. If We are required to operate Your Franchise Business for a time due to Your death or incapacity, or as otherwise allowed under this Agreement, the provisions of Paragraph 6.2.3 above will apply.

14.11 Assumption of Obligations. The parties agree that in the event a court of competent jurisdiction orders You to Transfer to Your spouse, domestic partner, or a third-party all or any part of Your interest in this Agreement or Your franchisee entity and/or in any property related thereto, such an order will constitute a Transfer of this Agreement and will cause the transferee to be subject to all the terms and conditions concerning Transfers set forth herein above.

14.12 Acquisitions. If We receive an offer to acquire a majority of the franchises or to purchase a majority of Our assets or stock, or to merge or go public or similar transactions, We have the option, but not the obligation, to purchase all Your rights and interests in and under this Agreement and Your

Franchise Business at fair market value payable on terms as reasonably negotiated. The purchase price will not Include compensation for any successor term or goodwill. All goodwill belongs to Us. If the purchase option is exercised, You must execute a general release to Us. We will close Our purchase and make payment within 60 days after closing or as soon thereafter as reasonably practical.

14.13 Transfer for Convenience of Ownership. If You are an individual or individuals, You may Transfer this Agreement to a corporation or limited liability company formed for the convenience of ownership, provided You: 1) give Us at least 15 days' prior written notice of the proposed Transfer; 2) send Us copies of the entity's charter documents, bylaws (or operating agreement), ownership interests of the owners, and similar documents, as We may request for Our review to verify ownership and control of the entity; and 3) own all equity and voting securities of the corporation or limited liability company. Additionally, You and the new entity must sign an assumption and assignment agreement in the form required by Us, whereby the transferee assumes all obligations of this Agreement. Any owner with a direct or indirect ownership of 10% or more in Your entity is required to sign Our then-current form of the Guaranty and Assumption of Obligations attached as Exhibit "A-7" hereto. There is no Fee for this kind of Transfer, but You must reimburse Our legal fees to complete the Transfer the amount of which is due upon Our demand of the incurred expenses.

ARTICLE XV RELATIONSHIP OF THE PARTIES

15.1 Independent Contractors. In all matters, You are an independent contractor. Nothing in this Agreement or in the franchise relationship constitutes You as Our partner, agent, employee, joint employer, or joint venturer with Us, and this Agreement does not create a fiduciary relationship between You and Us. Neither party is liable for the debts, damages, losses, liabilities, taxes, duties, obligations, defaults, compliance, intentional acts, wages, negligence, errors or omissions of the other. You are solely responsible for the management and control of Your Franchise Business, Including its daily operations, managing and directing Personnel, contractors, and sales persons, and paying all costs and expenses of Your Franchise Business. The parties agree not to hold themselves out by action or inaction contrary to the foregoing and to indemnify each other for any liability, cost or expense, Including attorney's fees, incurred by either of them for any act, omission, finding or result to the contrary. None of Your Personnel will be deemed to be Our Personnel and each Personnel will be so notified by You. Neither party has the authority to act as agent for the other, and neither You nor We guaranty the obligations of the other or in any way become obligated for the debts or expenses of the other unless agreed to in writing.

15.2 Indemnification. You shall defend, indemnify, and hold Us harmless from any and against any and all losses, liabilities, damages, costs and expenses whatsoever, Including reasonable attorney's fees arising out of or related to, or in any way connected with You or Your acts, errors, negligence, or omissions in the operation of Your Franchise Business or Your Franchise Business generally, Including any allegation that You are Our employee, or that We are a joint employer or otherwise responsible for the acts or omissions relating to Your Personnel, and other laws regarding public accommodations for persons with disabilities. You agree not to file any crossclaim or counterclaim against Us for any action made by a third-party or make any response that would infer or represent We are liable as a party or defendant to any action that is contrary to this Section. This Agreement and the terms in this Article and related terms in this Agreement is a bona fide defense to any claim You may contradictorily make against Us as to Our liability or proportion of fault. You shall bear all costs to defend Us from claims raised by a third-party. If We incur any costs or liabilities to any third-

party, You shall reimburse Us for costs associated with Our defense to those claims. You are not required to indemnify Us for liability caused by Our willful misconduct, gross negligence, strict liability, or fraud. This indemnity will continue in full force and effect subsequent to and notwithstanding the Termination of this Agreement.

ARTICLE XVI COVENANT NOT TO COMPETE

16.1 In-Term Covenants. During the term of this Agreement and for any extensions or Successor Franchises hereof, You, Your Principals, and Your Immediate Family shall not, directly or indirectly, be a Participant, assist, or serve in any other capacity whatsoever or have any interest in a Competing Business in any capacity, territory, or location, except with Our prior written consent. Your Principals must each execute the standard Brand Protection Agreement for Principals attached as Exhibit “A-4.”

16.2 Confidentiality. During the term of this Agreement and any extensions or Successor Franchises hereof, and at any time after the Termination of this Agreement, You and those over whom You have control shall not make any unauthorized disclosure or use of Our Confidential Information or Intellectual Property other than as authorized by this Agreement. You shall adopt and implement all reasonable procedures to prevent unauthorized use or disclosure of Confidential Information and Intellectual Property, which procedures may be prescribed from time to time by Us. You shall never contest the validity of Our exclusive ownership of and rights to Our Intellectual Property or Confidential Information.

16.2.1 Prior Disclosures. You acknowledge and agree that prior to the execution of this Agreement, You may have received information and met and corresponded with Our principals, agents and/or representatives and that any such Confidential Information obtained or received is subject to the protection and restrictions of this Agreement.

16.2.2 Confidentiality of this Agreement. You agree that all terms of this Agreement that are not otherwise made public under franchise disclosure laws will remain confidential, and You shall not make any public announcement, issue any press release, publicize, make any confirmation of statements made by third parties concerning the terms of this Agreement.

16.3 Post-Term Covenants. Upon Termination of this Agreement and for a continuous, uninterrupted period of three years thereafter, You, Your Principals, and Your Immediate Family shall not, directly or indirectly, be a Participant, assist, or serve in any other capacity whatsoever or have any interest in a Competing Business, in any capacity, territory, or location within Your Territory or within 15 miles of Your Territory or within five miles of the territory of any Wiki-Licious® business operation at the time of Termination of this Agreement.

16.4 Non-Solicitation of Customers. During the term of this Agreement and for three years after the Termination of this Agreement, You, Your Principals, and Your Immediate Family shall not, directly or indirectly, contact any customer serviced by the Franchise Business, a prospective customer, or any former or then-current customer of Ours (with whom You had contact during the term of this Agreement) for the purpose of soliciting any such customer to a Competing Business. For clarity, a “prospective customer” does not mean any possible customer. It means a potential customer who has been engaged in some way, or has provided some personal information, or has elected to

receive some communication, but who has not yet done business to be considered an actual customer.

16.5 Survival of Covenants; Tolling of Covenants. The foregoing covenants survive the Termination of this Agreement and apply regardless of whether this Agreement was Terminated by lapse of time, by default of either party, or for any other reason. In addition to other remedies available to Us, in the event You violate a non-competition and/or non-solicitation covenant, the applicable non-competition or non-solicitation period will be tolled for the period of Your violation.

16.6 Acknowledgement of Harm. You acknowledge that Your violation or breach of the covenants and provisions of this Article is likely to cause substantial and irreparable harm to Us and the System. The existence of any claims You may have against Us, whether or not arising from this Agreement, will not constitute a defense to Our ability to enforce the covenants set forth in this Article.

16.7 Enforceability. It is the desire and intent of the parties to this Agreement that the provisions of this Article be enforced to the fullest extent permissible under applicable laws. If any of the restrictions of this Article are determined to be unenforceable because of duration, scope or coverage or otherwise, then We have the right in Our sole discretion to reduce the scope of any covenant set forth above or any portion thereof, without Your consent, effective immediately upon receipt by You of written notice thereof; which modified covenant will be fully enforceable notwithstanding any other provision of this Agreement.

16.8 Breach of Non-Competition. You and We recognize the difficulty of calculating damages caused by Your breach of Your non-competition obligations and agree that such damages could arise, and You and We hereby agree to the following as a compromise on the calculation of such damages. If You operate a Competing Business in violation of this Agreement, in addition to any other remedy We may have under this Agreement and under law, You shall pay Us the liquidated damages Fee listed on Exhibit "A-3."

16.9 Additional Equitable Remedies. The amount contemplated under Section 16.8 does not represent a price for the privilege of not performing nor does the payment represent an alternative manner of performance. Section 16.8 does not preclude recovery for damages for other breaches of this Agreement and is not inconsistent with a court granting Us specific performance or any other equitable remedies, such as an injunction, to prevent future breaches. Additionally, We have the right to automatically debit by EFT or other electronic withdrawal means, Your bank account for the amounts payable to Us under Section 16.8.

16.10 Immediate Family. You acknowledge and agree that the restrictions on Your Immediate Family is necessary because Your disclosing Our Confidential Information or Intellectual Property to Immediate Family could potentially circumvent the purpose of this Agreement, and You also acknowledge that it would be difficult for Us to prove whether You disclosed Our Confidential Information or Intellectual Property to Immediate Family.

ARTICLE XVII DISPUTE RESOLUTION

17.1 Quick Resolution. You and We understand that there is always a possibility of differences of opinion or other disagreements in any business relationship and agree that it is important to resolve

any Disputes amicably, quickly, inexpensively, and professionally and to return to business as soon as possible.

17.2 Manner of Handling Disputes. In the event any Dispute arises between Us and You in connection with, arising from, or with respect to, any provision hereof, the relationship created herein, or the validity of this Agreement or any provision hereof, or the offer and sale to You, such Dispute will be:

17.2.1 Face-to-Face Meeting. First discussed in a face-to-face meeting between You and Us, which may be done virtually, within 30 days after either You or We give written notice to the other proposing such a meeting. We have the right, in Our sole discretion, to waive this requirement.

17.2.2 Mediation. If, in the opinion of either You or Us, the face-to-face meeting has not successfully resolved such Dispute, and if desired by either You or Us, the Dispute will be submitted to non-binding mediation before Franchise Arbitration and Mediation Services (“FAM”) or as otherwise mutually agreed. The mediation will be conducted exclusively in Anchorage, Alaska. On election by either party, arbitration as provided below may proceed forward at the same time as mediation. The mediator will be disqualified as a witness, consultant, expert, or counsel for any party with respect to the Dispute and any related matters. Mediation will not defer or suspend Our exercise of any right, Including Termination rights under Article XI. All aspects of the mediation process will be treated as confidential, may not be disclosed to others, and may not be offered or admissible in any other proceeding or legal action whatsoever. Should a party refuse to pay its share of the costs and fees in advance of mediation, that party will be in default of this Agreement, and the Dispute may proceed directly to arbitration without mediation.

17.2.3 Arbitration. If in the opinion of either You or Us the mediation has not successfully resolved such matters, at the request of either You or Us, the Dispute will be submitted for arbitration to the offices of the American Arbitration Association in accordance with its commercial arbitration rules in effect. All arbitration hearings will be conducted exclusively in Anchorage, Alaska. The arbitrator will have the power and jurisdiction to decide such dispute solely in accordance with the express provisions of this Agreement. The arbitrator will render a written opinion setting forth the facts found, law applied, and reasons for the decision.

(i) Arbitration Procedures. In any arbitration, the parties will be entitled to specific performance of the obligations under this Agreement. The arbitrator may award or otherwise provide for temporary restraining orders, preliminary injunctions, injunctions, attachments, claim and delivery proceedings, temporary protective orders, receiverships and other pre-judgment, equitable and/or interim relief as appropriate pending final resolution by binding arbitration of a Dispute, as well as in connection with any such final resolution, and may issue summary orders disposing of all or part of a Dispute at any point. Each party consents to the enforcement of such orders, injunctions, etc., by any court having jurisdiction. Offers and/or other communications made in connection with, or related in any way to, mediation, possible settlement or other resolution of a Dispute will not be admitted into evidence or otherwise used in connection with any arbitration or other proceeding, and any arbitration award in violation of this provision will be vacated by the arbitration appeal panel (described below) and/or any court having jurisdiction. The arbitrator will have the power to order compliance with such discovery procedures, as well as assess sanctions for non-compliance with any order. Discovery will be controlled by the arbitrator and will be permitted to the extent set out in this Paragraph. Each party may submit in writing to the other party, and the other party will respond, to a maximum of any combination of 25 (none of which

may have subplots) of the following: interrogatories, demands to produce documents, and requests for admission. You and We are also entitled to take the oral deposition of one individual of the other party. Additional discovery may be permitted upon mutual agreement of the parties or at the discretion of the arbitrator if petitioned by either party. Any procedural or evidentiary issues that are not covered by the federal arbitration act or this Agreement, will be supplemented by the federal rules of civil procedures and evidence, limited to the arbitration restrictions and procedures. The arbitrator, and not a court, will decide any questions relating in any way to the parties' agreement or claimed agreement to arbitrate, Including a claim for fraud in the inducement or otherwise. Each participant must submit or file any Dispute that would constitute a compulsory counterclaim (as defined by the applicable rule under the Federal Rules of Civil Procedure) within the same proceedings as the Dispute to which it relates. Any such Dispute that is not submitted or filed in such proceedings will be forever barred. The award and findings of the arbitrator will be conclusive and binding upon all parties hereto and the judgment upon the award may be entered in any court of competent jurisdiction.

(ii) Individual Disputes. All Disputes must be conducted and resolved on an individual basis only and not on a class-wide, multiple plaintiff, or similar basis between You and Us and will not be consolidated with any other arbitration or court proceeding involving Us and any other party.

(iii) Agreed Limitations. Except for payments owed by one party to the other, claims attributable to Your underreporting of sales, indemnification under Article XV, or claims related to an act of Yours allowing Us to immediately terminate this Agreement, any legal action or arbitration proceeding (Including the offer and sale of a franchise to You) brought or instituted with respect to any Dispute hereunder must be brought or instituted within one year from the date upon which a party discovered, or should have discovered, the facts giving rise to an alleged claim; provided that no claim may be brought more than two years after the first act or omission giving rise to an alleged claim. The initiation of mediation or arbitration hereunder will toll the applicable statute of limitations for the duration of any such proceedings.

(iv) Limited Damages. You and We waive any right or claim of any consequential, punitive or exemplary damages against each other and agree that in the event of a Dispute between You and Us, each will be limited to the recovery of actual damages sustained except for breach of the Intellectual Property covenants set forth in Article III herein. Additionally, notwithstanding the above, nothing shall be construed to limit Our ability to collect liquidated damages.

(v) Exceptions to Arbitration. You and We agree that nothing in this Agreement obligates Us to arbitrate or mediate Disputes or issues relating to: (a) the validity of the Marks, or any trademarks, service marks or other Intellectual Property; (b) rights to obtain a writ of attachment or other prejudgment remedies; (c) rights to receive and enforce a temporary restraining order, preliminary injunction, permanent injunction or other equitable relief; or (d) Disputes solely for fees and other monies owed by one party to the other under this Agreement.

(vi) Appeals. If any party to an arbitration wishes to appeal any final award by an arbitrator (there will be no appeal of interim awards or other interim relief), that party can appeal, within 30 days of such final award, to a three-person arbitrator panel to be appointed by the same organization as conducted the arbitration to be held exclusively at the same location as specified above. The issues on appeal will be limited to the proper application of the law to the facts found at the arbitration and will not Include any trial *de novo* or other fact-finding function. The party that

requests the appeal must pay all costs and fees of the arbitrators and arbitration proceedings, subject to reimbursement as set forth below.

(vii) Sharing of Fees. Except for an appeal, the parties to the Dispute or action will share the fees and expenses of the mediation and the arbitration equally during the mediation and arbitration. If a party is unable or unwilling to pay its share of the cost of the mediation or arbitration, that party will be in default of this Agreement, and the non-defaulting party will have the following options: 1) to proceed directly to arbitration without mediation or proceed to litigation if the failure is to pay arbitration fees; or 2) to cover the costs of the mediator or arbitrator. Nonetheless, the prevailing party in arbitration, Including on appeal, will be awarded costs and attorney's fees as set forth in Section 19.3 below.

(viii) Federal Arbitration Act. You and We mutually agree that all issues relating to arbitrability are governed exclusively by the Federal Arbitration Act and the federal common law of arbitration to the exclusion of any state statutes or common law and will be decided by the arbitrator. All provisions of this Agreement pertaining to venue, choice-of-laws, dispute avoidance and resolution will be strictly enforced, and You and We will rely on federal preemption under the Federal Arbitration Act.

17.3 Continued Performance. During the pendency of any Dispute or any such interim relief proceeding, the parties shall continue to perform their respective obligations under this Agreement.

Principals hereby acknowledge and agree that any breach by him or her of any portion of Sections 1 through 6 above, inclusive, will cause damage to Franchisor in an amount difficult to ascertain. Accordingly, in addition to any other relief to which Franchisor may be entitled, Franchisor will be entitled to temporary, preliminary, and/or permanent injunctive relief for any breach or threatened breach by any Principal of any of the terms of Section 1 through 6 above, inclusive, without proof of actual damages that have been or may be caused to Franchisor by such breach. Additionally, Principals agree that the existence of any claims a Principal may have against Franchisor, whether or not arising from this Agreement or the Franchise Agreement, will not constitute a defense to Franchisor's ability to enforce the covenants set forth in this Agreement.

8. Reasonableness and Enforceability. Principals agree that the terms of this Agreement are fair and reasonable in light of the circumstances and were in part, based on the perceived or potential value of the System and the business relationship that Principals and/or his or her or their company have and will have with Franchisor. If any portion of this Agreement will be held invalid or inoperative, then, so far as is reasonable and possible, the remainder of this Agreement will be considered valid and operative, and effect will be given to the intent manifested by the portion held invalid or inoperative. Whenever the context so requires, the masculine will Include the feminine and neuter and the singular will Include the plural and conversely. Principals understand that a separate action may be brought or prosecuted against a Principal whether or not the action is brought or prosecuted against any other Principal or against the franchisee, or any or all of them, or whether any other Principal or the franchisee is or are joined in the action. Principals acknowledge and agree that the restrictions related to Immediate Family is necessary because a Principal's disclosing the Confidential Information or Intellectual Property to Immediate Family could potentially circumvent the purpose of this Agreement and that it would be difficult for Franchisor to prove whether a Principal disclosed Confidential Information or Intellectual Property to Immediate Family.

9. Governing Law and Jurisdiction. The validity, enforcement, construction, rights and liabilities of the parties and provisions of this Agreement will be governed by and interpreted in accordance with the laws of the state of Alaska without giving effect to its conflicts of law provisions. If for any reason court action is filed, Principals individually consent to the jurisdiction of the courts of record

in the state of Alaska, and unless the enforcement of this Agreement is brought in connection with a Dispute under the Franchise Agreement (in which case this matter may be handled through arbitration as set forth in the Franchise Agreement), each Principal agrees that proper jurisdiction and venue for all Dispute resolution will be exclusively in the state and federal courts of Anchorage, Alaska.

10. Attorney's Fees and Costs. In the event any action in law or equity or any arbitration or other proceeding is brought for the enforcement of this Agreement or in connection with any of the provisions of this Agreement, the successful or prevailing party or parties will be entitled to reasonable attorney's fees and other costs reasonably incurred in such action or proceeding.

11. Binding Agreement. This Agreement will bind each parties' respective heirs, personal representatives, successors and assigns. No rights under this Agreement are assignable by any Principal without Franchisor's written approval, and any purported assignment will be null and void and of no force or effect.

12. Survival of Covenants. All covenants made in this Agreement by Principals survive the Termination of this Agreement or the Franchise Agreement or Principal's disassociation with the Franchise Business or the System in any way.

13. Modification of Agreement. This Agreement may be amended in whole or in part only by an agreement in writing signed by the parties.

14. Counterpart and Electronic Signatures. This Agreement may be signed in counterparts by facsimile, electronic signature, or scanned and emailed signature, or similar electronic means, which will be deemed the same as an original signature and may be used for all purposes as if it were an original.

15. Prior Disclosures. The parties intend that the information disclosed by Franchisor prior to the actual execution of this Agreement constitutes Confidential Information and is subject to all the terms and conditions of this Agreement as if such information had been disclosed following the execution of this Agreement.

SCHEDULE "A-5.1"
FRANCHISE RELATIONSHIP ACKNOWLEDGEMENT

Because you are becoming a part of the Wiki-Licious® franchise system, it is important that you understand and acknowledge who is your employer (or the party that hired you as an independent contractor), and who is not.

You have been hired by _____ (Legal Name of Franchisee) ("Franchisee"), which is an independent franchise owner in the Wiki-Licious® franchise system (which we call the "System"). Although Franchisee looks the same, has the same name, and is operated the same way as other Wiki-Licious® outlets in the System, Franchisee is not part of the same company as those other Wiki-Licious® outlets in the System. Wiki-Licious Franchises LLC is a completely separate company that owns the name and created the System. Wiki-Licious Franchises LLC has devised rules, systems of operation, and policies and procedures that all of its franchisees must follow, including Franchisee, which makes each independent franchise Wiki-Licious® outlet look and operate the same way as one another. This way, Wiki-Licious Franchises LLC manages a System composed of many different franchisee owners, each of whom is independently responsible for operating its own Wiki-Licious® outlet.

It is important that you understand that Franchisee is your **only** employer (or is the only party associated with the Wiki-Licious® franchise system that hired you as an independent contractor). If you are Personnel of Franchisee, then Franchisee gives you your paycheck, establishes your hours, and is responsible for all decisions relating to your employment relationship. If you are an independent contractor, then Franchisee compensates you, hires you for certain hours or tasks, and provides you with the job description for your services to Franchisee. Wiki-Licious Franchises LLC is **not** your employer and has not hired you to provide services related to the Wiki-Licious® franchise system. If Wiki-Licious Franchises LLC representatives ever give you direction, training, or advice, it is intended only to ensure that the experience of all customers of Wiki-Licious® is the same at or through your place of work as it is at other Wiki-Licious® outlets in the Wiki-Licious® system. The fact that you are trained, or given direction or advice, by Wiki-Licious Franchises LLC representatives does not mean that Wiki-Licious Franchises LLC is your employer.

If you have any questions about your employment relationship or your contracted relationship or about this Franchise Relationship Acknowledgement, please direct them to your employer (or the party that hired you as an independent contractor), Franchisee.

I have read this Franchise Relationship Acknowledgement, and I understand it. I have had the opportunity to ask any questions that I have about this Franchise Relationship Acknowledgement, and those questions have been answered fully to my satisfaction.

STATE SPECIFIC ADDENDA

**ADDENDUM TO THE FRANCHISE AGREEMENT
FOR THE STATE OF MARYLAND**

This Addendum dated _____, by and between Wiki-Licious Franchises LLC, a limited liability company, hereinafter referred to as "Franchisor" and _____, hereinafter referred to as "Franchisee."

1. A franchisee may bring a lawsuit in Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law.

2. Any claims arising under the Maryland Franchise Registration and Disclosure Law must be brought within 3 years after the grant of the franchise.

3. The general release required as a condition of renewal, sale and/or assignment/transfer shall not apply to any liability under the Maryland Franchise Registration and Disclosure Law.

4. All representations requiring prospective franchisees to assent to a release, estoppel or waiver of liability are not intended to nor shall they act as a release, estoppel or waiver of any liability incurred under the Maryland Franchise Registration and Disclosure Law.

5. This franchise agreement provides that disputes are resolved through arbitration. A Maryland franchise regulation states that it is an unfair or deceptive practice to require a franchisee to waive its right to file a lawsuit in Maryland claiming a violation of the Maryland Franchise Law. In light of the Federal Arbitration Act, there is some dispute as to whether this forum selection requirement is legally enforceable.

6. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

7. Section 20.14 of the franchise agreement regarding representations and Section 20.18 of the franchise agreement regarding acknowledgement of receipt of the FDD are not applicable to franchisees in Maryland.

Except as expressly amended or modified herein, all terms, provisions and conditions of the original Franchise Agreement shall remain in full force and effect. In the event of a conflict or inconsistency between the provisions of this Addendum and any provisions of the original Franchise Agreement, the provisions hereof shall in all respects govern and control.

[Signature Page Follows]

IN WITNESS WHEREOF, and by their signatures below, the Parties hereto acknowledge that they have read, understand and agree to all of the terms and provisions of this Agreement and have caused this Agreement to be effective as of the date listed above with the full authority of the Company principal they represent.

Independent Auditor's Report

To the Members
Wiki-Licious Franchises, LLC
Anchorage, AK

Opinion

We have audited the balance sheet of Wiki-Licious Franchises, LLC, as of December 31, 2024, 2023, and 2022, and the related statements of operations, members' deficit, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wiki-Licious Franchises, LLC as of December 31, 2024, 2023, and 2022, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 5 to the financial statements, the Company has suffered recurring losses from operations and has a net capital deficiency. The Company's owners have the ability to provide additional capital and intend to do so, if required. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or

the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Restrictions on Use

The use of this report is restricted to inclusion within the Company's Franchise Disclosure Document (FDD) and is not intended to be, and should not be, used or relied upon by anyone for any other use.

WIKI-LICIOUS FRANCHISES, LLC

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2024, 2023, and 2022

(1) Nature of Business and Summary of Significant Accounting Policies

(a) Nature of Business

Wiki-Licious Franchises, LLC (the “Company”) was formed on August 30, 2021, as an Alaska Limited Liability Company. The Company is in the business of selling franchises that operate an at-home bakery serving malasadas (Hawaiian donuts), cookies and other baked goods.

The Company uses the accrual basis of accounting, and their accounting period is the 12-month period ending December 31 of each year.

(b) Accounting Standards Codification

The Financial Accounting Standards Board (“FASB”) has issued the FASB Accounting Standards Codification (“ASC”) that became the single official source of authoritative U.S. generally accepted accounting principles (“GAAP”), other than guidance issued by the Securities and Exchange Commission (“SEC”), superseding existing FASB, American Institute of Certified Public Accountants, emerging Issues Task Force and related literature. All other literature is not considered authoritative. The ASC does not change GAAP; it introduces a new structure that is organized in an accessible online research system.

(c) Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

(d) Cash and Cash Equivalents

Cash equivalents include all highly liquid investments with maturities of three months or less at the date of purchase. Also included within cash equivalents are deposits in-transit from banks for payments related to third-party credit cards and debit card transactions. As of December 31, 2024, 2023, and 2022, the Company had cash and cash equivalents of \$1,974, \$283, and \$3,571, respectively.

(e) Accounts Receivables

Accounts receivables are recorded for amounts due based on the terms of executed franchise agreements for franchise sales, and royalty fees. These receivables are carried at original invoice amount less an estimate made for doubtful receivables based on a review of outstanding amounts. When determining the allowance for doubtful receivable, the Company has adopted ASC 326, *Financial Instruments—Credit Losses*. This standard requires that management utilize the Current Expected Credit Losses (“CECL”) model to recognize the appropriate allowance for doubtful receivables. This model requires entities to estimate and recognize expected credit losses over the life of the financial instrument. For trade receivables, management has elected to apply a simplified approach, based on historical loss experience and adjustments for current and forecasted economic conditions. Management regularly evaluates individual customer receivables, considering their financial condition, credit history and current economic conditions. Accounts receivable are written off when deemed uncollectible. Recoveries of accounts receivable previously written off are recorded as income when received.

As of December 31, 2024, 2023, and 2022, the Company had net accounts receivable of \$1,225, \$525, and \$350, respectively. As of December 31, 2024, 2023, and 2022, the Company had no allowance for doubtful accounts.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024, 2023, and 2022

(f) Inventory

Inventory consists of POS machines and is measured at the lower of cost or net realizable value. The cost of inventory is determined based on the first-in, first out method. As of December 31, 2024, 2023, and 2022, inventory was \$0, \$2,276, and \$2,276, respectively.

(g) Revenue Recognition

The Company has adopted ASC 606, *Revenue from Contracts with Customers*. ASC 606 provides that revenues are to be recognized when control of promised goods or services is transferred to a customer in an amount that reflects the considerations expected to be received for those goods or services. In implementing ASC 606, the Company evaluated all revenue sources using the five-step approach: identify the contract, identify the performance obligations, determine the transaction price, allocate the transaction price, and recognize revenue. For each franchised location, the Company enters into a formal franchise agreement that clearly outlines the various components of the transaction price and the Company's performance obligations.

The Company's revenues consist of initial franchise fees and royalties fees based on a percentage of gross revenues.

Royalty fees

Upon evaluation of the five-step process, the Company has determined that royalty and marketing fees are to be recognized in the same period as the underlying sales.

Initial franchise fees

The Company is required to allocate the transaction price associated with initial franchise fees between the franchise license and associated performance obligations. In identifying the associated performance obligations, the Company has elected to adopt the practical expedient for private company franchisors outlined in ASC 952-606, *Franchisors—Revenue from Contracts with Customers*. In addition, the practical expedient allows franchisors to account for pre-opening services as a single distinct performance obligation, which the Company has elected to adopt. These pre-opening services include the following (which the Company may or may not provide all of):

- Assistance in the selection of a site
- Assistance in obtaining facilities and preparing the facilities for their intended use, including related financing, architectural, and engineering services, and lease negotiation
- Training of the franchisee's personnel or the franchisee
- Preparation and distribution of manuals and similar material concerning operations, administration, and record keeping
- Bookkeeping, information technology, and advisory services, including setting up the franchisee's records and advising the franchisee about income, real estate, and other taxes about local regulations affecting the franchisee's business
- Inspection, testing, and other quality control programs

In determining the allocation of transaction price (the initial franchise fee) to either the license or to the pre-opening services, the Company has determined that the standalone selling price of its pre-opening services exceeds the initial franchise fee received; as such, the Company allocates the entire initial franchise fees to those pre-opening services. The franchise fees are then recognized as revenue when those pre-opening services have been completed (which generally occurs upon commencement of the associated franchised location's operations).

WIKI-LICIOUS FRANCHISES, LLC
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024, 2023, and 2022

(h) Income Taxes

The entity is structured as a limited liability company (“LLC”) under the laws of the State of Alaska. A limited liability company is classified as a partnership for federal and state income tax purposes and, accordingly, the income or loss of the Company will be included in the income tax returns of the members. Therefore, there is no provision for federal or state income taxes.

The Company follows the guidance under ASC 740, *Accounting for Uncertainty in Income Taxes*. ASC 740 prescribes a more-likely-than-not measurement methodology to reflect the financial statement impact of uncertain tax positions taken or expected to be taken in the tax return. If taxing authorities were to disallow any tax positions taken by the Company, additional income taxes, if any, would be imposed on the members rather than the Company. Accordingly, there would be no effect on the Company's financial statements.

The Company's income tax returns are subject to examination by taxing authorities for a period of three years from the date they are filed. As of December 31, 2024, the 2023, 2022, and 2021 tax years were subject to examination.

(i) Advertising Costs

The Company expenses advertising costs as incurred. Advertising expenses for the periods ending December 31, 2024, 2023, and 2022, were \$3,338, \$8,755, and \$1,305, respectively.

(j) Financial Instruments

For certain of the Company's financial instruments, including cash and cash equivalents, accounts receivable, long term notes receivable, accounts payable and accrued expenses, the carrying amounts approximate fair value due to their short maturities. The amounts shown for notes payable also approximate fair value because current interest rates and terms offered to the Company for similar debt are substantially the same.

(k) Concentration of Risk

The Company maintains its cash in bank deposit accounts, which at times may exceed federally insured limits. The Company has not experienced any losses in such accounts. The Company believes it is not exposed to any significant credit risks on cash or cash equivalents.

(l) Leases

The Company adopted ASC 842, *Leases* as of January 1, 2022, using the modified retrospective method. The Company has made an accounting policy election not to recognize right-of-use assets and lease liabilities that arise from any short-term leases. All leases with a term of 12 months or less at commencement, for which the Company is not reasonably certain to exercise available renewal options that would extend the lease term past 12 months, will be recognized rental expense is incurred.

(2) Related Party Transactions

During the ordinary course of business, the Company enters into certain transactions with related parties substantially due to short term advances and cost reimbursement. As of December 31, 2024, 2023, and 2022 the Company's related party receivables were \$79, \$2,303, and \$3,000, respectively.

WIKI-LICIOUS FRANCHISES, LLC
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2024, 2023, and 2022

(3) Franchise Agreements

The Company's franchise agreements generally provide for payment of initial fees as well as continuing royalties to the Company based on a percentage of sales. Under the franchise agreement, franchisees are granted the right to run an at home bakery cottage for a period of two years. Under the Company's revenue recognition policy, franchise fees are recognized when the franchisee begins operations. For any franchisees that have not yet begun operations as of year-end, the Company defers both the revenues and commissions. All locations that are expected to begin operations within the following year are categorized as current, while all others are classified as non-current.

As of December 31, 2024, the Company had deferred revenue of \$15,500, which was classified as current. The Company had no deferred revenues as of December 31, 2023 and 2022.

(4) Commitments and Contingencies

The Company may be subject to various claims, legal actions and complaints arising in the ordinary course of business. In accounting for legal matters and other contingencies, the Company follows the guidance in ASC 450, *Contingencies*, under which loss contingencies are accounted for based upon the likelihood of incurrence of a liability. If a loss contingency is "probable" and the amount of loss can be reasonably estimated, it is accrued. If a loss contingency is "probable" but the amount of loss cannot be reasonably estimated, disclosure is made. If a loss contingency is "reasonably possible," disclosure is made, including the potential range of loss, if determinable. Loss contingencies that are "remote" are neither accounted for nor disclosed.

In the opinion of management, all matters are of such kind, or involve such amounts, that unfavorable disposition, if any, would not have a material effect on the financial position of the Company.

(5) Plans for Future Operations

The Company's financial statements are prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of obligations in the normal course of business. However, the Company has accumulated significant losses to date. As of the balance sheet date, the Company's accounts payable, and current portion of long-term debt obligations exceed their cash and accounts receivable.

Management has evaluated these conditions and has planned to obtain new financing from its members, who have the ability to fund operations and intend to do so if required. This alleviates substantial doubt about the ability of the Company to continue as a going concern.

(6) Subsequent Events

Management has reviewed and evaluated subsequent events through March 26, 2025, which is the date the financial statements were issued.
